REPORTS OF STANDING COMMITTEES

Kelly from the Committee on Judiciary to which was referred:

H. F. No. 297, A bill for an act relating to real property; creating a lien against real property for expenses incurred by the pollution control agency in taking action to protect public health, safety, or the environment with respect to the release of substances; providing for filing, enforcement, and appeal of the lien; proposing coding for new law in Minnesota Statutes, chapter 514.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [514.675] [LIEN FOR STATE CLEANUP ACTION EXPENSES.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given in this subdivision.

(1) “Agency” means the pollution control agency.

(2) “Cleanup action” means corrective action or response action.

(3) “Cleanup action expenses” means expenses incurred for cleanup action under section 115B.17 or 115C.03, which are recoverable by the state under section 115B.17, subdivision 6 or 115C.04, subdivision 3.

(4) “Commissioner” means the commissioner of the pollution control agency.

(5) “Corrective action” has the meaning given in section 115C.02, subdivision 4.

(6) “Release” has the meanings given in sections 115B.02, subdivision 15 and 115C.02, subdivision 12.

(7) “Response action” means remedial and removal action as defined in section 115B.02, subdivisions 16 and 17.

Subd. 2. [APPLICATION OF LIEN.] All cleanup action expenses constitute a lien in favor of the state on the following real property owned by a person who is liable for the expenses under section 115B.04 or 115C.04:

(1) real property subject to the release or to the cleanup action; or

(2) real property that is contiguous to real property subject to the release or to the cleanup action if the contiguous property was included in the legal description of the real property subject to the release or to the cleanup action at any time during the five years preceding the date when cleanup action expenses were first incurred by the agency.

Subd. 3. [DURATION OF LIEN.] (1) [LIEN ARISES.] The lien created under this section arises when the agency first incurs cleanup action expenses and has provided written notice of potential liability for payment of cleanup action expenses to the owner by registered or certified mail.

(2) [LIEN PERFECTED.] The lien is perfected when a notice of lien is filed as provided in subdivision 6, clause (1). Filing of the notice relates back to the date on which the lien arose pursuant to clause (1), and perfects the lien as of that date.

(3) [LIEN CONTINUES IN FORCE.] The lien continues in force until the claim or judgment of the agency for the cleanup action expenses is satisfied or the claim becomes unenforceable by operation of the statute of limitations applicable to recovery of the expenses under section 115B.11 or 541.05, subdivision 1, clause (2).

(4) [NO SECOND LIEN.] When a lien under this section has been attached to real property and the agency determines that cleanup action is completed and is adequate to protect the public health, welfare, and the environment, no further lien under this section may attach to the property for cleanup action expenses taken after the agency's determination, except for cleanup action expenses required by a release that had not occurred or had not been discovered at the time the determination was made. Any person whose property rights may be affected by attachment of a lien may request the agency to make a determination under this clause by submitting a written request to the commissioner stating the reasons why a determination is needed and the facts in support of the determination. The commissioner shall submit the request, together with the commissioner's recommendations, to the agency for its determination.

Subd. 4. [LIEN PRIORITY; EXCEPTIONS.] (1) [PRIORITY.] Subject to the exceptions provided in this subdivision, a lien created under this section has priority over all other liens and encumbrances on the real property recorded after the effective date of this section to the extent of the increase in market value of the real property attributable to the cleanup action for which expenses were incurred. To the extent of the amount of the lien exceeds the increase in market value of the real property attributable to the cleanup action, the lien is subordinate to all other liens and encumbrances recorded or arising before the lien notice is filed.

(2) [RESIDENTIAL PROPERTY.] A lien under this section on real property the greater part of which is devoted to single or multifamily housing is subordinate to all other liens and encumbrances recorded or arising before the lien notice is filed.

(3) [TAXES AND SPECIAL ASSESSMENTS.] A lien under this section is subordinate to a lien for real estate taxes or special assessments.

Subd. 5. [INCREASE IN MARKET VALUE; APPRAISAL.] Subject to challenge under subdivision 9, paragraph (2), clause (a), the amount of any increase in market value of real property attributable to cleanup action shall be determined based upon appraisals of the market value of the real property as provided in this subdivision.

The first appraisal shall be made after approval of a remedial action plan for the cleanup action but before beginning implementation of the plan. The first appraisal must consider the existence and scope of the release for which cleanup action will be taken, the value and current use of improvements on the real property, and the effect of the release or cleanup action on the market value of the real property and on the value and continued use of the improvements. The second appraisal shall be made upon completion of the cleanup action other than continuing long-term actions such as monitoring and ground water pumpout, but shall take into account the estimated cost of continuing long-term actions and the effect of those actions on the market value of the real property.

The appraisals must be performed by a qualified, independent appraiser selected by the commissioner. An appraisal is not required before taking cleanup action to address an emergency requiring immediate action to protect the public health, safety, or the environment, but must be made as soon as practicable after the emergency cleanup action begins.

Subd. 6. [FILING OF LIEN NOTICE, APPRAISALS, AND CERTIFICATE OF EXPENSES.] (1) [LIEN NOTICE.] The lien notice must state the name of the owner and the legal description of the real property, a brief description of the cleanup action for which expenses have been or will be incurred, and the date on which cleanup action expenses were first incurred. A notice of lien may be filed when all of the following events have occurred:

(a) cleanup action expenses constituting a lien on the real property have been incurred by the agency;

(b) the commissioner or agency has taken all actions required under subdivision 7; and

(c) the court has issued an order allowing the filing of the lien notice as provided in subdivision 8.

(2) [APPRAISALS AND CERTIFICATE OF EXPENSES.] Upon completion of cleanup action other than continuing long-term actions, the commissioner shall file a copy of the appraisals required under subdivision 5 together with a certification of the agency's recoverable cleanup action expenses, including an estimate of the expenses of continuing long-term actions. Each document must state the name of the owner and the legal description of the real property.

(3) [FILING.] The lien notice, appraisals, and certification of expenses must be filed in the office of the county recorder or of the registrar of titles of the county in which the real property is located. An attestation, certification, or acknowledgement is not required as a condition of filing. The filing, mailing, or serving of a lien notice and any other document required under this section is the responsibility of the commissioner or the commissioner's delegate.

Subd. 7. [AGENCY PROCEDURES BEFORE FILING LIEN NOTICE.] Before filing a lien notice under this section, the agency or the commissioner shall:

(1) determine pursuant to action taken under section 115B.17, subdivision 1 or 115C.03, that the owner of the property at the time the lien arose is a responsible person with respect to recovery of cleanup action expenses;

(2) send a copy of any request to take response action under section 115B.17, subdivision 1, or any order to take corrective action under section 115C.03, subdivision 2 or 3, to the owner and to any lienholder of record with respect to the real property subject to or affected by the cleanup action;

(3) provide a reasonable opportunity to the owner and any lienholder and encumbrancer of record to negotiate concerning the taking of the cleanup action or reimbursement of the agency for cleanup action expenses;

(4) determine, in the manner provided in section 115B.17, subdivision 1 or 115C.03, subdivision 2, that the cleanup action will not be taken by the persons to whom a request for response action or order for corrective action was issued, and that the cleanup action will not be taken by a lienholder or encumbrancer of record; and

(5) authorize the commencement of cleanup action pursuant to section 115B.17, subdivision 1 or 115C.03, subdivision 2 or 3.

Subd. 8. [SUMMARY COURT PROCEEDING BEFORE FILING

OF NOTICE.] After completion of the actions required under subdivision 7, the commissioner may petition the district court of the county in which the real property is located for an order allowing the filing of a lien notice. The petition must be served upon the owner and any lienholder or encumbrancer of record in the manner provided for service of process in the rules of civil procedure. The petition must be filed within 90 days after completion of the actions required under subdivision 7 or after the agency first incurs expenses for cleanup action at or affecting the real property, whichever is later.

The court shall issue an order allowing the commissioner to file the lien notice upon a showing by the commissioner of evidence that:

(1) the agency or commissioner has taken the actions required under subdivision 7;

(2) cleanup action expenses have been incurred at or affecting the real property; and

(3) the real property against which the lien notice is proposed to be filed meets the criteria of subdivision 2, clause (1) or (2).

The proceeding under this subdivision is summary in nature. In reviewing a determination or authorization made by the commissioner or the agency, or in considering any other issue in this proceeding, the court is limited to determining whether the lien notice may be filed. Any determination made by the court in this proceeding shall have no effect on any other action that the commissioner or agency may take under chapter 115B or 115C with respect to cleanup action or on any other administrative, legal, or equitable remedy available to the commissioner or the agency under those chapters.

Evidence with respect to a determination or authorization made by the commissioner or agency is sufficient if the commissioner shows that the determination or authorization was made in accordance with applicable legal procedure and was accompanied by written reasons for the determination or authorization; provided that a party opposed to the petition may overcome the showing of the commissioner by demonstrating a reasonable probability of success in avoiding the later enforcement of the lien in an action in which the owner's liability for the cleanup action expenses or other issues relevant to lien enforcement may be considered the merits. The opposing party must demonstrate a probability of success sufficient to meet the burden imposed on a person seeking a temporary injunction.

Subd. 9. [LIEN ENFORCEMENT; RELEASE; DEPOSIT OF PROCEEDS.] (1) [ENFORCEMENT.] A perfected lien may be enforced by foreclosure in the manner provided for the foreclosure of

judgment liens under chapter 550 when the agency has obtained a judgment of liability for the cleanup action expenses constituting the lien against the person who owned the real property at the time the lien arose; provided that, with respect to real property containing improvements used for the production of income at the time the lien arose, foreclosure may be commenced only when the improvements are sold, removed, or no longer used for the production of income, or when title to the real property is transferred. The limitation on foreclosure provided in this clause shall not be construed to affect the legal status of the lien in a bankruptcy proceeding.

(2) [CHALLENGE OF LIEN.] When a lien is enforced under this subdivision, a person whose legal interest in the property may be adversely affected by the enforcement may challenge the validity, amount, and priority of the lien subject to the following provisions:

(a) When an increase in the market value attributable to the cleanup action is challenged, the court shall make a final determination of the increased value attributable to cleanup action in the manner provided for determining value of property in chapter 117, except as otherwise required to comply with this section.

(b) The agency's certification of cleanup action expenses is prima facie evidence that the expenses are reasonable and necessary.

(3) [RELEASE.] The commissioner may release a lien for which a notice has been filed under this section when a legally enforceable agreement satisfactory to the commissioner has been executed concerning the taking of cleanup action or reimbursement of the agency's cleanup action expenses. The commissioner shall release a lien when the agency's claim for cleanup action expenses has been satisfied. A release shall be executed and filed by the commissioner in the same manner as a lien notice.

(4) [DEPOSIT IN FUND.] Amounts received under this section in reimbursement of cleanup action expenses or in satisfaction of a lien must be deposited in the fund from which the expenses were paid by the agency.

Subd. 10. [OTHER REMEDIES PRESERVED.] This section does not affect the right of the agency to use a remedy available under any other law to recover expenses incurred in taking cleanup action.

Sec. 2. [EFFECTIVE DATE.]

Section 1 is effective the day following final enactment."

“Section 1. [144.054] [SUBPOENA POWER.]

The commissioner may, as part of an investigation to determine whether a serious threat to human health exists, issue subpoenas to require production of books, records, correspondence, and other information and to compel attendance of witnesses, and may take testimony from witnesses under oath. The subpoenas may be served anywhere in the state by any person authorized to serve processes of the district courts. If a person to whom a subpoena is issued does not comply with the subpoena, the commissioner may apply to the district court in any district and the court shall order the person to comply with the subpoena. Failure to obey the order of the court may be punished by the court as a contempt of court. The privileges described in section 595.02, subdivision 1, apply to this section.

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1987 Supplement, section 245.696, subdivision 2, is amended to read:

Subd. 2. [SPECIFIC DUTIES.] In addition to the powers and duties already conferred by law, the commissioner of human services shall:

(1) review and evaluate local programs and the performance of administrative and mental health personnel and make recommendations to county boards and program administrators;

(2) provide consultative staff service to communities and advocacy groups to assist in ascertaining local needs and in planning and establishing community mental health programs;

(3) employ qualified personnel to implement this chapter;

(4) as part of the biennial budget process, report to the legislature on staff use and staff performance, including in the report a description of duties performed by each person in the mental health division;

(5) adopt rules for minimum standards in community mental health services as directed by the legislature;

(6) cooperate with the commissioners of health and jobs and training to coordinate services and programs for people with mental illness;

(7) convene meetings with the commissioners of corrections, health, education, and commerce at least four times each year for the purpose of coordinating services and programs for children with mental illness and children with emotional or behavioral disorders;

(8) evaluate the needs of people with mental illness as they relate to assistance payments, medical benefits, nursing home care, and other state and federally funded services;

~~(8)~~ (9) provide data and other information, as requested, to the advisory council on mental health;

(9) (10) develop and maintain a data collection system to provide information on the prevalence of mental illness, the need for specific mental health services and other services needed by people with mental illness, funding sources for those services, and the extent to which state and local areas are meeting the need for services;

(10) (11) apply for grants and develop pilot programs to test and demonstrate new methods of assessing mental health needs and delivering mental health services;

(11) (12) study alternative reimbursement systems and make waiver requests that are deemed necessary by the commissioner;

(12) (13) provide technical assistance to county boards to improve fiscal management and accountability and quality of mental health services, and consult regularly with county boards, public and private mental health agencies, and client advocacy organizations for purposes of implementing this chapter;

(13) (14) promote coordination between the mental health system and other human service systems in the planning, funding, and delivery of services; entering into cooperative agreements with other state and local agencies for that purpose as deemed necessary by the commissioner;

(14) (15) conduct research regarding the relative effectiveness of mental health treatment methods as the commissioner deems appropriate, and for this purpose, enter treatment facilities, observe clients, and review records in a manner consistent with the Minnesota government data practices act, chapter 13; and

(15) (16) enter into contracts and promulgate rules the commissioner deems necessary to carry out the purposes of this chapter.

Sec. 2. Minnesota Statutes 1987 Supplement, section 245.697, subdivision 2, is amended to read:

Subd. 2. [DUTIES.] The state advisory council on mental health shall:

(1) advise the governor, the legislature, and heads of state departments and agencies about policy, programs, and services affecting people with mental illness;

(2) advise the commissioner of human services on all phases of the development of mental health aspects of the biennial budget;

(3) advise the governor and the legislature about the development of innovative mechanisms for providing and financing services to people with mental illness;

(4) encourage state departments and other agencies to conduct needed research in the field of mental health;

(5) review recommendations of the subcommittee on children's mental health;

(6) educate the public about mental illness and the needs and potential of people with mental illness; and

~~(6)~~ (7) review and comment on all grants dealing with mental health and on the development and implementation of state and local mental health plans.

Sec. 3. Minnesota Statutes 1987 Supplement, section 245.697, is amended by adding a subdivision to read:

Subd. 2a. [SUBCOMMITTEE ON CHILDREN'S MENTAL HEALTH.] The state advisory council on mental health (the "advisory council") must have a subcommittee on children's mental health. The subcommittee must make recommendations to the advisory council on policies, laws, regulations, and services relating to children's mental health. Members of the subcommittee must include:

(1) the commissioners or designees of the commissioners of the departments of human services, health, education, and corrections;

(2) the commissioner of commerce or a designee of the commissioner who is knowledgeable about medical insurance issues;

(3) at least one representative of an advocacy group for children with mental illness;

(4) providers of children's mental health services, including at least one provider of services to preadolescent children, one provider of services to adolescents, and one hospital-based provider;

(5) parents of children who have mental illness or emotional or behavioral disorders;

(6) a present or former consumer of adolescent mental health services;

(7) educators experienced in working with emotionally disturbed children;

(8) people knowledgeable about the needs of emotionally disturbed children of minority races and cultures;

(9) people experienced in working with emotionally disturbed children who have committed status offenses;

(10) members of the advisory council; and

(11) county commissioners and social services agency representatives.

Subcommittee members described in clauses (3) to (11) shall be appointed by the chair of the advisory council through the process established in section 15.0597. The chair shall appoint members to ensure a geographical balance on the subcommittee. Terms, compensation, removal, and filling of vacancies are governed by subdivision 1, except that terms of subcommittee members who are also members of the advisory council are coterminous with their terms on the advisory council. The subcommittee shall meet at the call of the subcommittee chair, who shall be elected by the subcommittee from among its members. The subcommittee expires with the expiration of the advisory council.

Sec. 4. [245.698] [CHILDREN'S MENTAL HEALTH SERVICE SYSTEM.]

The commissioner of human services shall create and ensure a unified, accountable, comprehensive children's mental health service system that:

(a) identifies children who are eligible for mental health services;

(b) makes preventive services available to a wide range of children, including those who are not eligible for more intensive services;

(c) assures access to a continuum of services that:

(1) educate the community about the mental health needs of children;

(2) address the unique physical, emotional, social, and educational needs of children;

(3) are coordinated with other social and human services provided to children and their families;

(4) are appropriate to the developmental needs of children; and

(5) are sensitive to cultural differences and special needs;

(d) includes early screening and prompt intervention in order to:

(1) identify and treat the mental health needs of children in the least restrictive setting appropriate to their needs; and

(2) prevent further deterioration;

(e) provides services to children and their families in the context in which the children live and go to school;

(f) addresses the unique problems of paying for mental health services for children, including:

(1) access to private insurance coverage; and

(2) public funding;

(g) to every extent possible, includes children and their families in planning the child's program of mental health services; and

(h) when necessary, assures a smooth transition to the adult services system.

For purposes of this section, "child" means a person under age 18.

The commissioner shall begin implementing the goals and objectives of this section by February 15, 1990, and shall fully implement the goals and objectives by February 15, 1992. By February 15, 1989, the commissioner shall present a report to the legislature outlining recommendations for full implementation. The report must include a timetable for implementing the recommendations and identify additional resources needed for full implementation. The report must be updated annually by February 15 of 1990, 1991, and 1992.
