REPORT FROM THE COMMITTEE ON RULES AND
LEGISLATIVE ADMINISTRATION

Wynia, for the Committee on Rules and Legislative Administration, offered the following report and moved its adoption:

Resolved, that the Rules of the House of Representatives for the 75th Legislature as adopted on February 11, 1987, be amended as follows:

(1) Rule 1.16 is amended to read:

1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee (other than a bill in Appropriations) no report has been made upon it by the committee, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee shall have ten calendar days thereafter in which to vote upon the bill requested. If the Committee fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and shall constitute the demand of the House. The bill shall then be considered to be in the possession of the House, given its second reading and placed at the foot of General Orders.

Such bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

After ~~Friday, May 8, 1987~~ Wednesday, March 30, 1988, the House shall not act on bills other than those recommended by conference committee reports or the Committee on Rules and Legislative Administration, and those bills contained in messages from the Senate or from the Governor.

(2) Rule 3.4 is amended to read:

3.4 MOTION FOR RECONSIDERATION. When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that such motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. Such motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken shall have left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made.

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

A motion for reconsideration having been voted upon and lost shall not be renewed.

~~In an odd-numbered year,~~ Notice of intention to move reconsideration shall not be in order after ~~Monday, April 20~~ Thursday, March 24, 1988.

(3) Rule 5.10 is amended to read:

5.10 WAYS AND MEANS COMMITTEE; RESOLUTION; EFFECT ON EXPENDITURES AND TAX BILLS. The Committee on Ways and Means shall hold hearings as necessary to determine state expenditures and taxes for the coming fiscal biennium. Not later than seven days after the Governor presents the last state revenue forecast during the regular legislative session, but in no case later than March 31, 1987, the Committee on Ways and Means shall report a budget resolution to the House for consideration. The budget resolution shall take the form of a House resolution that sets the maximum limitation on expenditures and taxes for the coming fiscal biennium for the general fund and an amount to be set aside as a budget reserve. The limitation is effective, if adopted, unless the House adopts a different limitation in a subsequent budget resolution that accounts for increases or decreases in general fund revenues and expenditures anticipated for the current fiscal biennium.

No bill described in Rule 5.7 or 5.9 shall be given its second reading until the House has received a statement from the Committee on Ways and Means certifying that the major expenditure and tax bills are reconciled and do not exceed the limitation specified in the budget resolution for the general fund. Major expenditure and tax bills are: the education appropriation bill; the health and human services appropriation bill; the state departments appropriation bill; the agriculture, transportation and semi-state appropriation bill; the education finance bill; the agriculture finance bill; and the omnibus tax bill. However, a bill may be given its second reading by special authorization of the Committee on Ways and Means or by majority vote of the whole House. A special authorization may be reported by an oral notice to the House from the Chairman of the Committee on Ways and Means or his designee stating that the fiscal impact of a bill will be accounted for in the reconciliation statement.

The Committee on Appropriations and the Committee on Taxes, upon recommending passage of any bill described in Rule 5.7 or 5.9, shall provide to the Committee on Ways and Means a fiscal statement on the bill.

After the House has received a reconciliation statement from the Committee on Ways and Means, the House shall not give a second reading to any bill described in Rule 5.7 or 5.9 other than the major expenditure and tax bills. However, a bill may be given its second reading after the House has received from the Committee on Ways and Means a statement certifying that the fiscal impact of the bill is within the guidelines of the budget resolution, or after authorization by majority vote of the whole House. The statement of the Committee on Ways and Means may be reported orally by the Chairman of the Committee on Ways and Means or his designee.

(4) Rule 6.11 is amended to read:

6.11 CONFERENCE COMMITTEES. A conference committee may report at any time. No committee except a conference committee or the Committee on Rules and Legislative Administration shall sit during any daily session of the House without leave.

A conference committee report shall include only subject matter contained in the House or Senate versions of the bill for which that conference committee was appointed, or like subject matter contained in a bill passed by the House. The member presenting the conference committee report to the House shall disclose all substantive changes from the House version of the bill.

~~In an odd-numbered year~~ Except after ~~Monday, May 11 Wednesday, March 30, 1988~~, a written copy of a report of a conference committee shall be placed on the desk of each member of the House 24 hours before action on the report by the House. If the report has

been reprinted in the Journal of the House for a preceding day and is available to the members, the Journal copy shall serve as the written report.

(5) Rule 9.3 is amended to read:

9.3 DEADLINES. ~~In odd-numbered years,~~ Committee reports on bills favorably acted upon by a committee in the house of origin after ~~Friday, April 10~~ Thursday, March 10, 1988, and committee reports on bills originating in the other house favorably acted upon by a committee after ~~Tuesday, April 28~~ Friday, March 18, 1988, shall be referred in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. However, referral is not required after the first deadline when, by the second deadline, a committee acts on a bill that is a companion to a bill that has then been acted upon by the first deadline in the Senate. This rule does not apply in the House Committees on Appropriations and on Taxes and to the education finance bill in the Committee on Education.

The motion prevailed and the amendment to the Permanent Rules of the House for the 75th Session was adopted.
