Subdivision 1. All funds received under sections 345.31 to 345.60, including the proceeds from the sale of abandoned property pursuant to section 345.47, shall forthwith be deposited by the commissioner in the general fund of the state; except that unclaimed restitution payments held by a court under section 345.38 shall be deposited in the crime victim and witness account created in section 609.101, subdivision 1. Before making the deposit the commissioner shall record the name and last known address of each person appearing from the holders' reports to be entitled to the abandoned property and of the name and last known address of each policyholder, insured person, or annuitant, and with respect to each policy or contract listed in the report of a life insurance corporation, its number, the name of the corporation, and the amount due. The record shall be available for public inspection at all reasonable business hours.

Sec. 2. Minnesota Statutes 1988, section 609.101, subdivision 2, is amended to read:

Subd. 2. [MINIMUM FINES.] Notwithstanding any other law:

(1) when a court sentences a person convicted of violating section

609.221, 609.267, or 609.342, it must impose a fine of not less than \$500 nor more than the maximum fine authorized by law;

(2) when a court sentences a person convicted of violating section 609.222, 609.223, 609.2671, 609.343, 609.344, or 609.345, it must impose a fine of not less than \$300 nor more than the maximum fine authorized by law; and

(3) when a court sentences a person convicted of violating section 609.2231, 609.224, or 609.2672, it must impose a fine of not less than \$100 nor more than the maximum fine authorized by law.

The court may not waive payment of the fine or authorize payment of it in installments unless the court makes written findings on the record that the convicted person is indigent or that the fine would create undue hardship for the convicted person or that person's immediate family.

The court shall collect the minimum portion of the fine mandated by this subdivision and forward 70 percent of it to a local victim assistance program that provides services locally in the county in which the crime was committed. The court shall forward the remaining 30 percent to the commissioner of finance to be credited to the crime victim and witness account established in subdivision 1. If more than one victim assistance program serves the county in which the crime was committed, the court may designate on a case-by-case basis which program will receive the fine proceeds, giving consideration to the nature of the crime committed, the types of victims served by the program, and the funding needs of the program. If no victim assistance program serves that county, the court shall forward 100 percent of the fine proceeds to the commissioner of finance to be credited to the crime victim and witness account. Fine proceeds received by a local victim assistance program must be used to provide direct services to crime victims. Fine proceeds credited to the crime victim and witness account may be appropriated to the crime victim and witness advisory council, and the council may use all or part of the proceeds for the purpose of providing grants to establish new victim assistance programs.

Proceeds from the fines required by this subdivision may not be used to supplant or otherwise displace funds budgeted by a state agency or local unit of government for the purpose of operating a victim assistance program.

The minimum fine required by this subdivision is in addition to the surcharge or assessment required by subdivision 1 and is in addition to any term of imprisonment or restitution imposed or ordered by the court.

As used in this subdivision, "victim assistance program" means victim witness programs within county attorney offices or any of the

following programs approved by the department of corrections: crime victim crisis centers, victim-witness programs, battered women shelters and nonshelter programs, and sexual assault programs.”
