"ARTICLE 1

Section 1. [62J.01] [FINDINGS.]

The legislature finds that substantial numbers of Minnesotans have no health care coverage and that most of these residents are wage earners or their dependents. One-third of these individuals are children.

The legislature further finds that when these individuals enter the health care system they have often foregone preventive care and are in need of more expensive treatment that often exceeds their financial resources. Much of the cost for these uncompensated services to the uninsured are already in the health care system in the form of increased insurance and provider rates and property and income taxes.

The legislature further finds that these costs, spread among the already insured, represent a woefully inefficient method for providing basic preventive and acute care for the uninsured and represent an added cost to employers now providing health insurance to their employees.

The legislature further finds that it is essential for the state to initiate and participate in a program of last resort to ensure basic and affordable health care to all Minnesotans while addressing the

economic pressures on the health care system as a whole in Minnesota.

Sec. 2. [62J.02] [HEALTH CARE ACCESS COMMISSION.]

Subdivision 1. [MEMBERSHIP; COMPENSATION; CHAIR.] The Minnesota health care access commission consists of 11 members. Three members are appointed by the governor, one of whom must be an experienced health care professional, one of whom must be a representative of small business, and one of whom must be a representative of consumers. Two members are appointed under the rules of the senate and two members are appointed under the rules of the house of representatives. The commissioners of health, human services, employee relations, and commerce, or their designated representatives are also members. The governor shall appoint the chair of the commission after considering the commission's recommendation.

The terms, compensation, and removal of the members appointed by the governor are as provided in section 15.0575.

Subd. 2. [STAFF.] The commission shall select a director to serve at its pleasure as the chief administrative officer of the commission. The director may hire advisors, consultants, and employees, as authorized by the commission, and prescribe their duties. Employees are not state employees, but are covered by section 3.736. At the option of the commission, the employees may participate in the following plans for employees in the unclassified service: the state retirement plan, the state deferred compensation plan, and the health insurance and life insurance plans.

Subd. 3. [INITIAL DUTIES.] The health care access commission shall:

(1) develop a system to estimate the total number of uninsured Minnesotans by age, sex, employment status, income level, geography, and other relevant characteristics;

(2) explore all potential insurance options including size and makeup of risk groups;

(3) prepare a legal analysis of restrictions and other potential legal issues of the Employee Retirement Income Security Act, United States Code, title 29, sections 1001 to 1461;

(4) study and make recommendations on insurance and health care law changes including a review of all state imposed mandates on health care coverage that will improve access to health care;

(5) study and make recommendations on incentives and disincen-

tives to ensure that employers continue to provide health insurance coverage;

(6) identify cost savings to public programs that will result from implementation of the health care access program;

(7) develop a cost containment policy after reviewing cost containment methods such as hospital admission precertification, concurrent review of hospital stays, discharge planning, hospital bill audit prior to discharge, primary gatekeepers, claims data analysis, a drug formulary, pharmacy data analysis, bulk discounts, emergency room use, outpatient surgery oversight, protocols for preventive care and common acute care, practice data compared to peers, practitioner rewards and penalties, and other cost containment methods;

(8) develop a financial plan for implementing the health care access program, including an actuarial analysis; a sliding fee scale analysis; reserve fund requirements; revenue projections from a payroll tax or other funding sources in an amount sufficient to generate one-half of the total costs of the health care access program, but not more than \$150,000,000 per year; and recommendations;

(9) develop a system to administer the health care access program;

(10) define the number, functions, and duties of administrative staff;

(11) study alternatives for financing the state share of the cost of the premiums, including, but not limited to, a payroll tax that is imposed primarily on employers who do not provide health coverage to their employees; and

(12) develop a system for collection of premium payments.

This subdivision is repealed February 1, 1990.

Subd. 4. [REPORT.] The commission shall report to the legislature by February 1, 1990, with the results of its study and its specific recommendations pursuant to subdivision 3.

This subdivision is repealed February 1, 1990.

Subd. 5. [GENERAL DUTIES.] The commission shall:

(1) implement and administer the health care access program created in sections 1 to 11, including its coordination with other government-subsidized programs;

(2) administer the health care access account created in section 11;

(3) subject to chapter 14, adopt, amend, and repeal rules, including emergency rules, necessary to implement and administer sections 1 to 11;

(4) conduct necessary investigations and inquiries and compel the submission of information, documents, and records it considers necessary to carry out its duties;

(5) report annually to the legislature and the governor on its activities and on recommended insurance and health care law changes to improve access to health care for residents of this state;

(6) employ and supervise staff;

(7) make every effort to ensure representation in service delivery by eligible practitioners, without regard to race, color, or sex; and

(8) conduct other activities it considers necessary to carry out the intent of the legislature as expressed in sections 1 to 11.

The commission shall be treated as an executive branch agency for purposes of sections 16A.095, 16A.10, 16A.11, 16A.123, 16A.14, and 16A.15.

Sec. 3. [62J.03] [CONTRACTING AUTHORITY.]

Subdivision 1. [GENERAL.] The commission may request bids from, and negotiate and contract with, carriers the commission determines are best qualified to underwrite and service health care plans that meet the requirements of section 4. The commission may also contract directly with health care providers. The commission may establish any conversion and continuation privileges for those plans it considers appropriate. The commission may negotiate premium rates and coverage provisions with all carriers regulated under chapters 62A, 62C, and 62D. The commission may negotiate separate contracts to cover eligible persons who are in need of, and receive, immediate medical treatment but who have not as yet selected a health care plan. The commission shall also negotiate reasonable cost containment measures to be applied to all carriers under chapters 62A, 62C, and 62D. Contracts to manage enrollment and plan selection must be bid or negotiated separately from contracts to service the plans, which shall be awarded only on the basis of competitive bids. The commission shall consider the cost of the plans, conversion options relating to the contracts, service capabilities, financial position, and reputation of the carriers and other factors the commission considers appropriate including, but not limited to, plan utilization review provisions, case management

provisions, and preauthorization requirements. Each contract must be for a uniform term of at least one year but may be made automatically renewable from term to term in the absence of notice of termination by either party. The commission shall, to the extent feasible, offer a choice of plans available from two or more carriers regulated under chapters 62A, 62C, and 62D. The commission may offer only one plan in an area of the state if only one acceptable bid exists or if offering more than one would result in substantial, additional administrative costs. Payments from the commission to a carrier are exempt from the tax imposed by section 60A.15 and are not included in the carrier's premiums for the purposes of assessments under 62E.11.

Subd. 2. [COMMUNITY CLINICS.] The commission, or an entity selected by the commission to administer health care plans on its behalf, shall to the extent appropriate contract with community clinics.

For purposes of this subdivision, "community clinics" means an entity that:

(1) through its staff and supporting resources or through its contracts or cooperative arrangements with other public or private entities, provides primary health services for all intended residents of its service area;

(2) was established to serve the primary health needs of low-income population groups;

(3) uses a sliding fee scale based on ability to pay, and does not limit access or care because of the financial limitations of the client;

(4) has nonprofit status under chapter 317; and

(5) has a governing board, for which at least 51 percent of the membership resides in and represents the local community served by the clinic.

Subd. 3. [CONTRACT TO CONTAIN STATEMENT OF BENEFITS.] A contract under this section must contain a detailed statement of benefits offered and must include any maximums, limitations, exclusions, and other provisions the commission considers necessary or desirable.

A contract providing only the coverage specified in section 4, subdivision 2, shall not contain a provision denying coverage for any preexisting conditions.

Subd. 4. [ACTUARIAL DATA.] The commission shall estimate, on an actuarially sound basis, the expected cost of providing coverage

under the health care access program, recognizing variations in the cost of providing coverage through various systems and in different areas in the state. The commission shall make this actuarial data available to potential carriers under the health care access program.

Sec. 4. [62J.04] [BENEFITS.]

Subdivision 1. [AVAILABILITY.] The commission shall make available to all residents of this state health care plans meeting the requirements of subdivisions 2 and 3.

Subd. 2. [MINIMUM CORE COVERAGE.] The commission shall make available a health care plan that provides the following benefits:

(a) Covered expenses include only the following services and articles:

(1) inpatient and outpatient hospital services, but coverage for inpatient hospital services shall not exceed 30 days in any calendar year;

(2) professional services for the diagnosis or treatment of injuries, illnesses, or conditions covered under this subdivision, other than dental, which are rendered by a physician or at a physician's direction;

(3) prenatal and well child care and other preventive health services, including screenings, immunizations, and yearly disease detection;

(4) diagnostic x-rays and laboratory tests;

(5) prostheses, not including eye glasses and hearing aids;

(6) maternity benefits, subject to section 62A.041;

(7) transportation provided by a licensed ambulance service to the nearest facility qualified to treat the condition; and

(8) drugs requiring a physician's prescription, but not to exceed \$500 in any year. This dollar limitation does not apply to maintenance drugs prescribed by a physician for chronic conditions.

(b) Covered expenses for the services and articles specified in this subdivision do not include the following:

(1) any charge for care for injury or disease either (i) arising out of an injury in the course of employment and subject to a workers' compensation or similar law, (ii) for which benefits are payable

without regard to fault under coverage statutorily required to be contained in any motor vehicle, or other liability insurance policy or equivalent self-insurance, or (iii) for which benefits are payable under another policy of accident and health insurance, Medicare or any other governmental program except as otherwise provided by section 62A.04, subdivision 3, clause (4);

(2) any charge for treatment for cosmetic purposes other than for reconstructive surgery when the service is incidental to or follows surgery resulting from injury, sickness, or other diseases of the involved part or when the service is performed on a covered dependent child because of congenital disease or anomaly which has resulted in a functional defect as determined by the attending physician;

(3) care which is primarily for custodial or domiciliary purposes which would not qualify as eligible services under Medicare;

(4) any charge for confinement in a private room to the extent it is in excess of the institution's charge for its most common semiprivate room, unless a private room is prescribed as medically necessary by a physician, provided, however, that if the institution does not have semiprivate rooms, its most common semiprivate room charge is considered to be 90 percent of its lowest private room charge;

(5) that part of any charge for services or articles rendered or prescribed by a physician, dentist, or other health care personnel which exceeds the prevailing charge in the locality where the service is provided;

(6) any charge for services or articles that are not within the scope of authorized practice of the institution or individual providing the services or articles; and

(7) any charge for inpatient or outpatient mental health or chemical dependency treatment.

(c) The commission shall establish copayment requirements and a dollar limitation per person on the total annual out-of-pocket expenses for covered services. Copayments shall be imposed for prescription drug benefits at a level of \$5 per prescription. Copayments shall be imposed for routine office visits at a level of \$5 per visit. Copayments shall be imposed for ambulance transportation covered under this subdivision at a level of \$25 per use of those services, if there is no admittance to a hospital within 24 hours after the services. Copayments shall be imposed for emergency room services at a level of \$25 per visit if there is no admittance to a hospital within 24 hours after the visit. No copayments shall be imposed on preventive health services covered under paragraph (a), clause (3).

(d) Coverage under a minimum core coverage plan is subject to a maximum lifetime benefit of \$50,000 per individual.

(e) Coverage under this subdivision does not include any coverages otherwise required under chapters 62A, 62C, 62D, or 62E unless they are specifically referred to in this subdivision.

Subd. 3. [OPTIONAL COVERAGES.] The commission shall make available a number one qualified plan, a number two qualified plan, a number three qualified plan, and a qualified medicare supplement plan under chapter 62E and other optional coverages provided by carriers selected by the commission. Eligible persons may elect to purchase optional coverages.

Sec. 5. [62J.05] [MANDATORY HEALTH INSURANCE; PARTICIPATION IN HEALTH CARE ACCESS PROGRAM.]

(a) By January 1, 1992, every resident of the state is required to have coverage under a health care plan that provides benefits at least equivalent to the minimum core coverage in section 4, subdivision 2.

For purposes of this paragraph, health coverage under Medicare; medical assistance; general assistance medical care; a plan of coverage as defined by section 62E.02, subdivision 9, that meets the requirements of a qualified plan under chapter 62E; or the state comprehensive health insurance plan, is considered at least equivalent to the minimum core coverage in section 4, subdivision 2.

(b) A person must participate in the health care access program if the person meets the eligibility requirements in section 6, subdivision 1.

For purposes of sections 1 to 11, "resident" means an individual who is currently and has been a resident of Minnesota for the six months immediately preceding the date of receipt by the commission or its carrier of a completed application for coverage and who meets the eligibility requirements of section 6.

Sec. 6. [62J.06] [ELIGIBILITY TO PARTICIPATE IN HEALTH CARE ACCESS PROGRAM.]

Subdivision 1. [RESIDENTS WITH NO COVERAGE OR INADEQUATE COVERAGE.] (a) A Minnesota resident is eligible to participate in the health care access program if the resident:

(1) does not have coverage available under:

(i) a policy, plan, or contract of health or accident insurance regulated under chapter 62A, 62C, 62D, 62H, or 64B; or

(ii) Medicare, medical assistance, general assistance medical care, an employment-based insurance program, or other subsidized health insurance program; or

(2) has coverage under a health care plan that does not meet the level of minimum core benefits in section 4, subdivision 2; or

(3) does not have coverage available under an employment-based group insurance program, and for whom all income received is self-employment income; or

(4) has coverage from the comprehensive health insurance plan under chapter 62E.

Subd. 2. [EMPLOYER PARTICIPATION.] (a) The following employers are eligible to participate in the health care access program:

(1) an employer who does not provide or make available a health care plan to employees; or

(2) an employer who provides or makes available to employees a health care plan, including plans under section 62E.03. However, if the employer chooses to participate in the health care access program, the employer must obtain and provide employees with at least the level of coverage required under section 62E.03.

(b) An employee enrolled in the health care access program pursuant to this subdivision is not eligible for any premium subsidy under section 8.

Sec. 7. [62J.07] [UNINSURED PERSONS REQUIRED TO PARTICIPATE; RECOVERY OF PAYMENTS BY COMMISSION.]

A person who has no coverage under a health care plan who seeks medical care from a health care provider is enrolled in the health care access program from the time the person first seeks treatment. The commission may recover from the person the costs of the treatment if the person is financially able to pay for the costs. The commission may also recover the annual premium amount the person would owe for coverage under the health care access program.

Sec. 8. [62J.08] [PREMIUMS.]

Subdivision 1. [GENERALLY.] An enrollee in the health care access program shall pay the first installment of the premium for coverage upon the effective date of the coverage. The premium payment must be deposited in the account in section 11. The enrollee's share of the premium for minimum core coverage under section 4, subdivision 2, is determined by the income-based sliding

fee schedule in subdivision 2. The remainder of the premium for this coverage is paid by the health care access account established in section 11. An enrollee who chooses optional coverage under section 4, subdivision 3, must pay the entire premium for the optional coverage and minimum core coverage.

Subd. 2. [SLIDING FEE SCHEDULE FOR PREMIUMS.] A participant's share of premium for minimum core coverage is based on the federal poverty income guidelines and the participant's income, as defined in the federal poverty income guidelines.

Sec. 9. [62J.09] [ENROLLMENT AND PREMIUM PAYMENTS.]

The time, manner, conditions, limitations, and terms of eligibility and payment of premiums for enrollment of eligible persons for coverage under section 6 shall be determined by the commission in rule.

The rules shall: (1) include a procedure for referring persons eligible for coverage under the comprehensive health insurance plan to that plan if the commission considers it appropriate; and

(2) provide for the withholding by employers of premiums payable under section 8 from the wages of employees.

Sec. 10. [62J.10] [PROGRAM INFORMATION AND ENROLLMENT.]

Subdivision 1. [SOLICITATION OF ELIGIBLE PERSONS.] The commission shall disseminate appropriate information to the residents of this state about the existence of the program and the means of enrollment. Means of communication must include use of the press, radio, and television, as well as publication in appropriate state offices and publications.

The commission shall devise and implement methods to maintain public awareness of the provisions of sections 1 to 11 and shall administer sections 1 to 11 in a manner that facilitates public participation.

Subd. 2. [HEALTH INSURANCE INFORMATION; PENALTY.] A resident of the state shall furnish to the health care access commission the information required by the commission to determine the health care coverage of the person and the person's dependents. The commission may require proof of coverage. An employer shall distribute evidence of insurance forms to all employees. The commission shall establish civil penalties for the failure to supply information or the supplying of false information. Information furnished to the commission is classified as nonpublic data under chapter 13.

Subd. 3. [HEALTH CARE APPLICATIONS.] The health care access commission shall prepare and distribute information and evidence of insurance and application forms for health insurance under sections 1 to 11. The applications and other information must be made available to employers, health care provider offices and facilities, local human services agencies, public and community health offices and clinics, school clinics, county extension offices, and women, infants, and children (WIC) program sites. Employers must furnish applications and information to employees.

Sec. 11. [62J.11] [HEALTH CARE ACCESS ACCOUNT.]

Subdivision 1. [CREATION.] An account is established in the state treasury to be known as the health care access account. There is annually appropriated from the account to the commission the amount needed to pay for implementing and administering the health care access program established under sections 1 to 11, including payment of approved claims, refunds, administrative costs, and other related service charges.

In no event may this appropriation exceed \$150,000,000 in any fiscal year.

Subd. 2. [FUNDING.] The account is funded with revenue from the sources specified in subdivision 5 and section 8.

Subd. 3. [INVESTMENT OF ACCOUNT ASSETS.] Except as otherwise provided in subdivision 6, when there are funds in the account in excess of the amount the commission determines is currently needed, the commission shall direct the state treasurer to certify this amount to the state board of investment for investment subject to section 11A.24. Investment income and losses attributable to the account must be credited to the account.

Subd. 4. [ALLOCATION.] The commission shall allocate the appropriation to ensure that eligible persons of every income level for which there is a premium subsidy are enrolled and the appropriation is not used to disproportionately subsidize any particular income group.

Subd. 5. [ASSESSMENT ON EMPLOYERS THAT DISCONTINUE COVERAGE.] An employer that discontinues all plans of health coverage provided or made available to employees employed in this state and does not provide actuarially equivalent coverage to replace it shall pay a special assessment to the account.

The special assessment consists of an amount equal to two times the total annual premium or financing obligation of that employer for the previous calendar year.

One-half of the assessment must be paid to the account by January 1 of the year following the discontinuance, and one-half of the assessment must be paid to the account by January 1 of the next year.

The commission has all the powers under chapter 290 to impose and collect the assessment under this subdivision.

The commissioner of revenue shall provide the commission with information necessary to allow the commission to administer and enforce this subdivision.

Subd. 6. [SURPLUS.] Surplus remaining in the fund at the end of a fiscal year may be used by the commission, in its discretion, to increase the premium subsidies.

Sec. 12. [APPROPRIATION.]

\$3,000,000 is appropriated from the general fund to the health care access commission to pay for the administrative and operating expenses of the commission.

The appropriation is available until June 30, 1991, at which time the commission shall repay this amount to the general fund from the account created in section 11.

Sec. 13. [EFFECTIVE DATES.]

Sections 2, subdivisions 1 to 4, and 12 are effective July 1, 1989.

Section 2, subdivision 5, is effective July 1, 1990.

Sections 3 and 11 are effective May 15, 1991.

Sections 1 and 4 to 10 are effective January 1, 1992.

MINNESOTA STATE RETIREMENT SYSTEM

Section 1. Minnesota Statutes 1988, section 43A.44, subdivision 2, is amended to read:

Subd. 2. [BENEFITS.] Employees in shared positions shall be eligible for the following benefits and subject to the following obligations:

(a) (1) Membership in the Minnesota state retirement system, the teachers retirement association or the state patrol retirement fund, whichever is appropriate, ~~except that, notwithstanding any provision of section 352.01, subdivisions 11 and 16; 352B.01, subdivision 3; 354.05, subdivisions 13 and 25; or 354.091, employees shall have allowable service for the purpose of meeting the minimum service requirements for eligibility to a retirement annuity or other retirement benefit credited in full, but shall have benefit accrual service for the purpose of computing a retirement annuity or other retirement benefit credited on a fractional basis either weekly or annually based upon the relationship that the number of hours of service bears to either 40 hours per week or 2,080 hours per year, with any salary paid for the fractional service credited on the basis of the rate of salary applicable for a full-time week or a full-time year.~~

(b) (2) Vacation and sick leave accruals shall be prorated in accordance with the pertinent collective bargaining agreement or plan covering the position;

(c) (3) Employee dental, medical and hospital benefits coverage shall be available of the same type and coverage afforded to comparable full-time employees. Employees in shared positions who elect such coverage shall pay, by payroll deduction, the difference between the actual cost to the employer and the appropriate shared time percent of the actual cost. The remaining percent shall be paid by the employer. Employee life insurance coverage shall be available to employees in shared positions on the same terms as for comparable full-time employees;

(d) (4) Dependent life insurance coverage shall be available to employees in shared positions on the same terms as for comparable full-time employees. Dependent medical, hospital and dental benefits coverage shall be available to employees in shared positions of the same type and coverage afforded to comparable full-time employees, except that the employer shall contribute the appropriate

shared time percent of the dollar amount contributed for comparable full-time employees electing the same program, the remainder to be paid by payroll deduction by the employee electing such coverage;

(e) (5) Employees in shared positions shall be entitled to the prorated holiday provisions of the applicable collective bargaining agreement or plan covering the position;

(f) (6) Employees in shared positions shall accrue seniority time in every relevant category at the same rate accorded to comparable full-time employees. No full-time employee accepting a shared position shall suffer any loss of or gap in seniority time in the relevant categories applicable to the full-time employment; and

(g) (7) Any other benefits of employment for employees in shared positions shall be prorated at a rate of the appropriate shared time percent of those available to comparable full-time employees, whenever the benefits are divisible. Contributions by the employer toward the benefits, if any, shall be equal to the appropriate shared time percent of the full-time benefits. When not divisible, the cost of the full-time benefits normally allocable to the employer shall be allocated, the appropriate shared time percent to the employee in a shared position, by payroll deduction, and the remaining percent to the employer.

Sec. 2. Minnesota Statutes 1988, section 352.01, subdivision 11, is amended to read:

Subd. 11. [ALLOWABLE SERVICE.] "Allowable service" means:

(1) Service by an employee for which on or before July 1, 1957, the employee was entitled to allowable service credit on the records of the system by reason of employee contributions in the form of salary deductions, payments in lieu of salary deductions, or in any other manner authorized by Minnesota Statutes 1953, chapter 352, as amended by Laws 1955, chapter 239.

(2) Service by an employee for which on or before July 1, 1961, the employee chose to obtain credit for service by making payments to the fund under Minnesota Statutes 1961, section 352.24.

(3) Except as provided in clauses (9) and (10), service by an employee after July 1, 1957, for any calendar month in which the employee is paid salary from which deductions are made, deposited, and credited in the fund, including deductions made, deposited, and credited as provided in section 352.041.

(4) Except as provided in clauses (9) and (10), service by an employee after July 1, 1957, for any calendar month for which payments in lieu of salary deductions are made, deposited, and

credited in the fund, as provided in section 352.27 and Minnesota Statutes 1957, section 352.021, subdivision 4.

For purposes of clauses (3) and (4), except as provided in clauses (9) and (10), any salary paid for a fractional part of any calendar month is deemed the compensation for the entire calendar month.

(5) The period of absence from their duties by employees who are temporarily disabled because of injuries incurred in the performance of duties and for which disability the state is liable under the workers' compensation law until the date authorized by the director for the commencement of payments of a total and permanent disability benefit from the retirement fund.

(6) The unused part of an employee's annual leave allowance for which the employee is paid salary.

(7) Any service covered by a refund repaid as provided in section 352.23 or 352D.05, subdivision 4, except service rendered as an employee of the adjutant general for which the person has credit with the federal civil service retirement system.

(8) Any service before July 1, 1978, by an employee of the transit operating division of the metropolitan transit commission or by an employee on an authorized leave of absence from the transit operating division of the metropolitan transit commission who is employed by the labor organization which is the exclusive bargaining agent representing employees of the transit operating division, which was credited by the metropolitan transit commission-transit operating division employees retirement fund or any of its predecessor plans or funds as past, intermediate, future, continuous, or allowable service as defined in the metropolitan transit commission-transit operating division employees retirement fund plan document in effect on December 31, 1977.

(9) Service after July 1, 1983, by an employee who is employed on a part-time basis for less than 50 percent of full time, for which the employee is paid salary from which deductions are made, deposited, and credited in the fund, including deductions made, deposited, and credited as provided in section 352.041 or for which payments in lieu of salary deductions are made, deposited, and credited in the fund as provided in section 352.27 shall be credited on a fractional basis either by pay period, monthly, or annually based on the relationship that the percentage of salary earned bears to a full-time salary, with any salary paid for the fractional service credited on the basis of the rate of salary applicable for a full-time pay period, month, or a full-time year. For periods of part-time service that is duplicated service credit, section 356.30, subdivision 1, clauses (i) and (j), govern.

(10) Any service by an employee in the Minnesota demonstration

job-sharing program under sections 43A.40 to 43A.465 which is less than 40 hours per week or 2,080 hours per year and for which the employee is paid salary from which deductions are made, deposited and credited in the fund, shall be credited on a fractional basis either weekly or annually based on the relationship that the number of hours of service bears to either 40 hours per week or 2,080 hours per year, with any salary paid for the fractional service credited on the basis of the rate of salary applicable for a full-time week or a full-time year.

The allowable service determined and credited on a fractional basis under clauses (9) and (10) shall be used in calculating the amount of benefits payable, but service as determined on a fractional basis must not be used in determining the length of service required for eligibility for benefits.

(11) (10) Any period of authorized leave of absence without pay that does not exceed one year and for which the employee obtained credit by payment to the fund in lieu of salary deductions. To obtain credit, the employee shall pay an amount equal to the employee and employer contribution rate in section 352.04, subdivisions 2 and 3, multiplied by the employee's hourly rate of salary on the date of return from leave of absence and by the days and months of the leave of absence without pay for which the employee wants allowable service credit. The employing department, at its option, may pay the employer amount on behalf of its employees. Payments made under this clause shall include interest at the rate of six percent per year from the date of termination of the leave of absence to the date payment is made unless payment is completed within one year of the return from leave of absence.

Sec. 3. Minnesota Statutes 1988, section 352.021, subdivision 5, is amended to read:

Subd. 5. [CONTINUING COVERAGE.] Any state employee who has made contributions to the retirement fund for a period of one year and who, continuing in state service after that year, becomes eligible for membership in the state teachers retirement association as a full-time teacher, as defined in section 354.05, subdivision 2, may continue coverage under the system by filing in its office written notice of election to continue. The election to be covered by the system under this subdivision or section 352.01, subdivision 2b, clause (3), must be made on a form approved by the director within 90 days after appointment to the position. If the option is exercised, the employee is not thereafter entitled to membership in the teachers retirement association while employed by the state in a position that entitled the employee to make this election.

Sec. 4. Minnesota Statutes 1988, section 352.03, subdivision 11, is amended to read:

Subd. 11. [LEGAL ADVISER, ATTORNEY GENERAL.] The attorney general shall be the legal adviser of the board and of the director. The board may sue or be sued or petitioned under this section in the name of the board of directors of the system. In actions brought by it or against it, the board shall be represented by the attorney general- and, except as provided in section 5, subdivision 9, venue of actions shall be in the Ramsey county district court.

Sec. 5. [352.031] [APPEALS PROCEDURE.]

Subdivision 1. [DEFINITIONS.] Unless the language or context clearly indicates that a different meaning is intended, for the purpose of this section, the following terms have the meanings given them.

(a) "Board" means the board of directors of the Minnesota state retirement system.

(b) "Documentation" includes, but is not limited to:

(1) sworn and notarized affidavits made on the personal knowledge of any person;

(2) official letters or documents;

(3) documents from the file of the petitioner; and

(4) other relevant documents that are admissible as evidence in a court of law.

(c) "Executive director" means the executive director of the Minnesota state retirement system.

(d) "Person" includes any state agency or other governmental unit that employs persons covered under statutes listed in subdivision 2.

(e) "Record" means the petition and the documentation that the petitioners submit with the petition; the executive director's answer to the petition and documentation submitted with it; and any documentation the board allows to be submitted at or after the meeting at which the petition is considered.

Subd. 2. [NOTICE OF TERMINATION OR DENIAL.] If the executive director terminates a benefit or denies an application or a written request of any person claiming a right under chapter 352, other than sections 352.96 and 352.97; chapters 3A, 352B, 352C, and 352D; sections 490.121 to 490.133; or the applicable sections of chapters 355 and 356, the executive director must serve upon that person written notice containing:

(1) the reasons for the termination or denial;

(2) notice that the person may petition the board for a review of the termination or denial and that the petition for review must be filed within 60 days of the receipt of the written notice;

(3) a statement that failure to petition the board within 60 days will preclude the person from contesting in any other court procedure or administrative hearing, the issues determined by the executive director; and

(4) a copy of this section.

Subd. 3. [PETITION FOR REVIEW.] A person who claims a right under subdivision 2 and whose benefit has been terminated or whose application or written request has been denied may petition for a review of that decision by the board. A petition under this section must be served upon the executive director personally, or by mail postmarked no later than 60 days after the petitioner received the notice required by subdivision 2. The petition must include the sworn, notarized statement of the reasons the petitioner believes the decision of the executive director should be reversed or modified and may include relevant documentation.

Subd. 4. [ANSWER; RECORD FOR HEARING.] Within a reasonable time after receiving a petition, the executive director must serve the petitioner with an answer to the petition with all relevant documentation and with notice of the time and place of the regular or special board meeting at which the board will consider the petition. The documentation need not duplicate the documentation submitted by the petitioner. Not later than ten days before the board meeting at which the petition will be heard, the executive director must, personally or by mail, deliver a copy of the relevant documentation to each board member. Each board member who participates in the decision on the petition must be familiar with all relevant documentation.

Subd. 5. [HEARING.] The board shall hold a timely hearing on a petition for review. The board shall make its decision on a petition solely on the relevant documentation as submitted and the proceedings of the hearing. At the hearing, the petitioner, the petitioner's attorney, and the executive director may state and discuss with the board their positions with respect to the petition. The board may allow further documentation to be placed in the record at or subsequent to the board meeting at which the petition is considered. If the board allows additional documentation into the record at or subsequent to the board meeting, it may make a final determination on the petition at that board meeting only upon the agreement of both the petitioner and the executive director.

Subd. 6. [TERMINATION OF BENEFITS.] If the executive direc-

tor proposes to terminate a benefit that is being paid to any person, before terminating the benefit, the executive director must, in addition to the other procedures prescribed herein, give the person written or oral notice of the proposed termination. The notice must explain the reason for the proposed termination. The person must be given an opportunity, verbally or in writing, to explain why the benefit should not be terminated: if the executive director is unable to contact the person and the executive director determines that a failure to terminate the benefit might result in unauthorized payment by the association, the executive director may terminate the benefit with only a written notice containing the information required by subdivision 2, mailed to the address to which the benefit was last sent and, if that address is a financial institution, to the last known address of the person.

Subd. 7. [MEDICAL ADVISOR ACTION.] If a person petitions the board to reverse or modify a determination by the executive director finding that the petitioner, for medical reasons, does not or has ceased to qualify for a disability benefit, the board may resubmit the matter to the medical advisor for reconsideration, with or without instructions to obtain further medical examinations. The board may make a determination contrary to the recommendation of the medical advisor only if there is expert medical evidence in the record to support its contrary decision. If there is no medical opinion contrary to the opinion of the medical advisor in the record and the medical advisor asserts that the decision was made in accordance with the disability standard in sections 352.01, subdivision 17; 352B.10; or 490.121, subdivision 13, the board must follow the determination of the medical advisor. The board may make a determination different from the recommendation of the medical advisor on issues that do not involve a medical opinion.

Subd. 8. [BOARD FINDINGS.] After the board has made a decision on a petition, the executive director must prepare findings of fact, the board's reasons for its conclusions, and the board's final order for the signature of the chair or other board member as the board, by resolution, may designate. The executive director shall serve the findings, conclusions, and order on the petitioner by certified mail.

Subd. 9. [APPEALS.] Within 30 days of receipt of the findings, conclusions, and final order, the petitioner may appeal the board's decision by writ or certiorari to the court of appeals. Failure to appeal to that court within the 30 days precludes the petitioner from later raising, in any court procedure or administrative hearing, those substantive and procedural issues that reasonably should have been raised upon appeal.

Subd. 10. [REFERRAL FOR ADMINISTRATIVE HEARING.] Notwithstanding sections 14.03; 14.06; and 14.57 to 14.69, a challenge to a determination of the executive director must be conducted

exclusively under the procedures in this section. The board in its sole discretion may refer a petition brought under this section to the office of administrative hearings for a contested case hearing under sections 14.57 to 14.69.

Subd. 11. [PETITIONS WITHOUT NOTICE.] A person who is not entitled to a review under this section may nevertheless receive review of the decision of the executive director which affects the person's rights by petitioning the board under this section within 60 days of the time the person knew or should have known of the disputed decision.

Sec. 6. Minnesota Statutes 1988, section 352.116, subdivision 3, is amended to read:

Subd. 3. [OPTIONAL ANNUITIES.] The board shall establish an optional retirement annuity in the form of a joint and survivor annuity. The board may also establish an optional annuity in the form of an annuity payable for a period certain and for life thereafter or establish an optional annuity which takes the form of a joint and survivor annuity providing that, if after the joint and survivor annuity becomes payable, the person with the designated remainder interest in the annuity dies before the former member, the annuity amount must be reinstated to a normal single life annuity amount as of the first day of the month after the day the person dies. In addition, the board may also establish an optional annuity that takes the form of an annuity calculated on the basis of the age of the retired employee at retirement and payable for the period before the retired employee becomes eligible for social security old age retirement benefits in a greater amount than the amount of the annuity calculated under subdivision 2 on the basis of the age of the retired employee at retirement but equal so far as possible to the social security old age retirement benefit and the adjusted retirement annuity amount payable immediately after the retired employee becomes eligible for social security old age retirement benefits and payable for the period after the retired employee becomes eligible for social security old age retirement benefits in an amount less than the amount of the annuity calculated under subdivisions 2 and 3. The social security leveling option may be calculated based on broad average social security old age retirement benefits. For each year that the retiring employee is under age 62, up to five percent of the total single life annuity required reserves may be used to accelerate the optional retirement annuity. This greater amount shall be paid until the end of the month in which the retired employee reaches age 62, at which time the annuity shall be reduced. The optional forms must be actuarially equivalent to the normal single life annuity forms provided in sections 352.115 and 352.116, whichever applies.

Sec. 7. Minnesota Statutes 1988, section 352.22, subdivision 1, is amended to read:

Subdivision 1. [SERVICE TERMINATION.] Any employee who ceases to be a state employee by reason of termination of state service or layoff is entitled to a refund provided in subdivision 2 or a deferred retirement annuity as provided in subdivision 3. Application for a refund may be made 30 or more days after the termination of state service or layoff if the applicant has not again become a state employee required to be covered by the system.

Sec. 8. Minnesota Statutes 1988, section 352.22, subdivision 2a, is amended to read:

Subd. 2a. [AMOUNT OF CERTAIN REFUND REPAYMENTS PROHIBITED.] For any employee who is entitled to a refund under subdivision 1 and who, before July 1, 1978, was a member of the metropolitan transit commission-transit operating division employees retirement fund, the refund for contributions made before July 1, 1978, must equal the following amounts:

(a) For any employee contributions made before January 1, 1950, the amount equal to one-half of the employee contributions without interest;

(b) For any employee contributions made after December 31, 1949, but before January 1, 1975, the amount of the employee contributions plus simple interest at the rate of two percent per year; and

(c) For any employee contributions made after December 31, 1974, but before July 1, 1978, the amount of the employee contributions plus simple interest at the rate of $3\frac{1}{2}$ percent per year. The refund of contributions made on or after July 1, 1978, must be determined under subdivision 2. Interest must be computed to the first day of the month in which the refund is processed and must be based on fiscal year balances. No refunds of contributions made to the metropolitan transit commission-transit operating division employees retirement fund received before July 1, 1978, or for service rendered before July 1, 1978, may be repaid.

Sec. 9. Minnesota Statutes 1988, section 352.93, subdivision 3, is amended to read:

Subd. 3. [PAYMENTS; DURATION AND AMOUNT.] The annuity under this section shall begin to accrue as provided in section 352.115, subdivision 8, and must be paid for an additional 84 full calendar months or to the first of the month following the month in which the employee becomes age 65, whichever occurs first, except that payment must not cease before the first of the month following the month in which the employee becomes 62. It must then be reduced to the amount as calculated under section 352.115, except that if this amount, when added to the social security benefit based on state service the employee is eligible to receive at the time, is less

than the benefit payable under subdivision 2, the retired employee shall receive an amount that when added to the social security benefit will equal the amount payable under subdivision 2.

When an annuity is reduced under this subdivision, the percentage adjustments, if any, that have been applied to the original annuity under section 11A.18, before the reduction, must be compounded and applied to the reduced annuity. A former correctional employee employed by the state in a position covered by the regular plan or the unclassified employees retirement program between the ages of 58 and 65 shall receive a partial return of correctional contributions at retirement with five percent interest based on the following formula:

Employee contributions contributed as a correctional employee in excess of the contributions the employee X would have contributed as a regular employee	Years and complete months of regular service between ages 58 and 65 7

The board of the Minnesota state retirement system shall establish a joint and survivor annuity, payable to a designated beneficiary for life, adjusted to the actuarial equivalent value of the single life annuity. The board shall also establish an additional optional annuity with an actuarial equivalent value of the single life annuity in the form of a joint and survivor annuity which provides that the elected annuity be reinstated to the single life annuity provided in subdivision 2, if after commencing the elected joint and survivor annuity, the designated beneficiary dies before the member, which reinstatement is not retroactive but takes effect for the first full month occurring after the death of the designated beneficiary. The board may also establish other actuarial equivalent value optional annuity forms. In establishing actuarial equivalent value optional annuity forms, each optional annuity form shall have the same present value as a regular single life annuity using the mortality table adopted by the board and the interest assumption specified in section 356.215, subdivision 4d, and the board shall obtain the written recommendation of the commission-retained actuary. These recommendations shall be a part of the permanent records of the board.

Sec. 11. Minnesota Statutes 1988, section 352B.10, subdivision 5, is amended to read:

[OPTIONAL ANNUITY.] A disabled member ~~not eligible for may, in lieu of~~ survivorship coverage under section 352B.11, subdivision 2, ~~may~~ choose the normal disability benefit or an optional annuity as provided in section 352B.08, subdivision 2. The choice of an optional annuity must be made before commencement of payment of the disability benefit. It is effective ~~30 days after receipt of this choice or on the date on which the disability benefit begins to accrue, whichever is later. Upon becoming effective, the optional annuity begins to accrue on the date provided for the disability benefit.~~

Sec. 12. Minnesota Statutes 1988, section 352B.11, subdivision 2, is amended to read:

Subd. 2. [DEATH; PAYMENT TO SPOUSE AND CHILDREN.] If a member serving actively as a member, a member receiving the disability benefit provided by section 352B.10, subdivision 1, or a former member receiving a disability benefit as provided by section 352B.10, subdivision 3 2, dies from any cause, the surviving spouse and dependent children are entitled to benefit payments as follows:

(a) A member with at least five years of allowable service ~~or a former member with at least 20 years of allowable service~~ is deemed to have elected a 100 percent joint and survivor annuity payable to a surviving spouse only on or after the date the member or former member became or would have become 55.

(b) The surviving spouse of a member who had credit for less than five years of service shall receive, for life, a monthly annuity equal to 20 percent of that part of the average monthly salary of the member from which deductions were made for retirement. If the surviving spouse remarries, the annuity shall cease as of the date of the remarriage.

(c) The surviving spouse of a member who had credit for at least five years service and who died after attaining 55 years of age, may elect to receive a 100 percent joint and survivor annuity, for life, notwithstanding a subsequent remarriage, in lieu of the annuity prescribed in paragraph (b).

(d) The surviving spouse of any member who had credit for five years or more and who was not 55 years of age at death, shall receive the benefit equal to 20 percent of the average monthly salary as described in clause (b) until the deceased member would have reached the age of 55 years, and beginning the first of the month following that date, may elect to receive the 100 percent joint and survivor annuity. If the surviving spouse remarries before the deceased member's 55th birthdate, benefits or annuities shall cease as of the date of remarriage. Remarriage after the deceased member's 55th birthday shall not affect the payment of the benefit.

(e) Each dependent child shall receive a monthly annuity equal to ten percent of that part of the average monthly salary of the former member from which deductions were made for retirement. A dependent child over 18 and under 22 years of age also may receive the monthly benefit provided in this section, if the child is continuously attending an accredited school as a full-time student during the normal school year as determined by the director. If the child does not continuously attend school but separates from full-time attendance during any part of a school year, the annuity shall cease at the end of the month of separation. In addition, a payment of \$20 per month shall be prorated equally to surviving dependent children when the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child must be made to the surviving spouse, or if there is none, to the legal guardian of the child. The maximum monthly benefit must not exceed 40 percent of the average monthly salary for any number of children.

(f) If the member dies under circumstances that entitle the surviving spouse and dependent children to receive benefits under the workers' compensation law, the workers' compensation benefits received by them must not be deducted from the benefits payable under this section.

(g) The surviving spouse of a deceased former member who had credit for five or more years of allowable service, but not the spouse of a former member receiving a disability benefit under section 352B.10, subdivision 3 2, is entitled to receive the 100 percent joint and survivor annuity at the time the deceased member would have reached the age of 55 years, if the surviving spouse has not remarried before that date. If a former member dies who does not qualify for other benefits under this chapter, the surviving spouse or, if none, the children or heirs are entitled to a refund of the accumulated deductions left in the fund plus interest at the rate of five percent per year compounded annually.

(b) Twice in any calendar year, a participant may indicate in writing on forms provided by the Minnesota state retirement system a choice of options for subsequent purchases of shares. Until a different written indication is made by the participant, the executive director shall purchase shares in the supplemental fund as selected by the participant. If no initial option is chosen, 100 percent income shares must be purchased for a participant. A change in choice of investment option is effective no later than the first pay date first occurring after 30 days following the receipt of the request for a change.

(c) One month before the start of a new guaranteed investment contract, a participant or former participant may elect to transfer all or a portion of the participant's shares previously purchased in the income share, growth share, common stock index, bond market, or money market accounts to the new guaranteed investment contract in the guaranteed return account. If a partial transfer is made, a minimum of \$1,000 must be transferred and a minimum balance of \$1,000 must remain in the previously selected investment options. Upon expiration of a guaranteed investment contract, the participant's shares attributable to that contract must be transferred to a new guaranteed investment contract unless the executive director is otherwise directed by the participant. Shares in the guaranteed return account may not be withdrawn from the fund or transferred to another account until the guaranteed investment contract has expired, unless the participant qualifies for withdrawal under section 352D.05 or for benefit payments under sections 352D.06 to 352D.075.

(d) Twice in any calendar year a participant or former participant may also change the investment options selected for all or a portion of the participant's shares previously purchased in accounts other than the guaranteed return account. However, if a partial transfer is made a minimum of \$1,000 must be transferred and a minimum balance of \$1,000 must remain in the previously selected investment option. Changes in investment options for the participant's shares must be effected as soon as cash flow to an account practically permits, but not later than six months after the requested change.

When a participant attains at least age 58 55, is retired from covered service, and applies for a retirement annuity, the cash value of the participant's shares shall be transferred to the Minnesota postretirement investment fund and used to provide an annuity for the retired employee based upon the participant's age when the benefit begins to accrue according to the reserve basis used by the state employees retirement fund in determining pensions and reserves.

Sec. 15. Minnesota Statutes 1988, section 352D.075, subdivision 2, is amended to read:

Subd. 2. If a participant dies leaving a spouse and there is no named beneficiary who survives to receive payment or the spouse is named beneficiary, the spouse may receive:

Each board member who participates in the decision on the petition must be familiar with all relevant documentation.

Subd. 5. [HEARING.] The board shall hold a timely hearing on a petition for review. The board shall make its decision on a petition solely on the relevant documentation as submitted and the proceedings of the hearing. At the hearing the petitioner, the petitioner's attorney, and the executive director may state and discuss with the board their positions with respect to the petition. The board may allow further documentation to be placed in the record at or subsequent to the board meeting at which the petition is considered. If the board allows additional documentation into the record at or subsequent to the board meeting, it may make a final determination on the petition at that board meeting only upon the agreement of both the petitioner and the executive director.

Subd. 6. [TERMINATION OF BENEFITS.] If the executive director proposes to terminate a benefit that is being paid to any person, before terminating the benefit the executive director must, in addition to the other procedures prescribed herein, give the person written or oral notice of the proposed termination. Subd. 9. [APPEALS.] Within 30 days of receipt of the findings, conclusions, and final order, the petitioner may appeal the board's decision by writ of certiorari to the court of appeals. Failure to appeal to that court within the 30 days precludes the petitioner from later raising, in any court procedure or administrative hearing, those substantive and procedural issues that reasonably should have been raised upon appeal.

(b) Any person whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in section 352.115, subdivisions 2 and 3, paragraph (a), without any reduction by reason of early retirement.

Subd. 1a. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a person who first became a covered employee after June 30, 1989, and to any other employee whose annuity is higher when calculated under section 352.115, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 352.115, subdivision 3, paragraph (a), in conjunction with subdivision 1. An employee who retires before the normal retirement age shall be paid the normal retirement annuity provided in section 352.115, subdivisions 2 and 3, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Subd. 2. [NORMAL ANNUITY AT NORMAL RETIREMENT AGE 65.] Any employee who retires after reaching normal retirement age 65 shall be paid the annuity provided in section 352.115.

Subd. 3. [OPTIONAL ANNUITIES.] The board shall establish an optional retirement annuity in the form of a joint and survivor annuity. The board may also establish an optional annuity in the form of an annuity payable for a period certain and for life thereafter or establish an optional annuity which takes the form of a joint and

survivor annuity providing that, if after the joint and survivor annuity becomes payable, the person with the designated remainder interest in the annuity dies before the former member, the annuity amount must be reinstated to a normal single life annuity amount as of the first day of the month after the day the person dies. In addition, the board may also establish an optional annuity that takes the form of an annuity calculated on the basis of the age of the retired employee at retirement and payable for the period before the retired employee becomes eligible for social security old age retirement benefits in a greater amount than the amount of the annuity calculated under subdivision 2 on the basis of the age of the retired employee at retirement but equal so far as possible to the social security old age retirement benefit and the adjusted retirement annuity amount payable immediately after the retired employee becomes eligible for social security old age retirement benefits and payable for the period after the retired employee becomes eligible for social security old age retirement benefits in an amount less than the amount of the annuity calculated under subdivisions 2 and 3. The social security leveling option may be calculated based on broad average social security old age retirement benefits. Except as provided in subdivision 3a, the optional forms must be actuarially equivalent to the normal single life annuity forms provided in sections 352.115 and 352.116, whichever applies.

Subd. 3a. [BOUNCE-BACK ANNUITY.] (a) If a retired employee or disabilitant selects a joint and survivor annuity option under subdivision 3, the retired employee or disabilitant must receive a normal single-life annuity if the designated optional annuity beneficiary dies before the retired employee or disabilitant. Under this option, no reduction may be made in the annuity to provide for restoration of the normal single-life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A retired employee or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single-life annuity is payable to the retired employee or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single-life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A retired employee or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single-life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A retired employee or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the retired employee or disabilitant if the designated optional beneficiary died before July 1, 1989, shall have the annuity increased as of July 1, 1989, to

the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Subd. 4. [DETERMINING ACTUARIAL EQUIVALENCY.] In establishing the procedure for determining the actuarial equivalency of early retirement annuities as required under subdivision 1a or in establishing actuarial equivalent optional retirement annuity forms as required under subdivision 3, the board shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of the board.

Sec. 11. Minnesota Statutes 1988, section 352.12, subdivision 1, is amended to read:

Subdivision 1. [DEATH BEFORE TERMINATION OF SERVICE.] If an employee dies before state service has terminated and neither a survivor annuity nor a reversionary annuity is payable, or if a former employee who has sufficient service credit to be entitled to an annuity dies before the benefit has become payable, the director shall make a refund to the last designated beneficiary or, if there is none, to the surviving spouse or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of the estate in an amount equal to the accumulated employee contributions plus interest thereon to the date of death at the rate of ~~five~~ six percent per annum compounded annually. Upon the death of an employee who has received a refund that was later repaid in full, interest must be paid on the repaid refund only from the date of repayment. If the repayment was made in installments, interest must be paid only from the date installment payments began. The designated beneficiary, surviving spouse, or representative of the estate of an employee who had received a disability benefit is not entitled to interest upon any balance remaining to the decedent's credit in the fund at the time of death.

Sec. 12. Minnesota Statutes 1988, section 352.12, subdivision 2, is amended to read:

Subd. 2. [SURVIVING SPOUSE BENEFIT.] If an employee or former employee is at least 50 years old and has credit for at least five ~~three~~ years allowable service or who has credit for at least 30 years of allowable service, regardless of age, dies before an annuity or disability benefit has become payable, notwithstanding any designation of beneficiary to the contrary, the surviving spouse of the employee may elect to receive, in lieu of the refund with interest

provided in subdivision 1, an annuity equal to the joint and 100 percent survivor annuity which the employee could have qualified for had the employee terminated service on the date of death. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. The annuity must be computed as provided in sections 352.115, subdivisions 1, 2, and 3, and 352.116, subdivisions 1, 1a, and 3. Sections 352.22, subdivision 3, and 352.72, subdivision 2, apply to a deferred annuity payable under this subdivision. The annuity must cease with the last payment received by the surviving spouse in the lifetime of the surviving spouse. An amount equal to the excess, if any, of the accumulated contributions credited to the account of the deceased employee in excess of the total of the benefits paid and payable to the surviving spouse must be paid to the deceased employee's last designated beneficiary or, if none, to the surviving children of the deceased spouse in equal shares or, if none, to the surviving parents of the deceased spouse or, if none, to the representative of the estate of the deceased spouse. Any employee may request in writing that this subdivision not apply and that payment be made only to a designated beneficiary as otherwise provided by this chapter.

Sec. 13. Minnesota Statutes 1988, section 352.12, subdivision 6, is amended to read:

Subd. 6. [DEATH AFTER SERVICE TERMINATION.] Except as provided in subdivision 1, if a former employee covered by the system dies and has not received an annuity, a retirement allowance, or a disability benefit, a refund must be made to the last designated beneficiary or, if there is none, to the surviving spouse or, if none, to the employee's surviving children in equal shares or, if none, to the employee's surviving parents in equal shares or, if none, to the representative of the estate in an amount equal to accumulated employee contributions. The refund must include interest at the rate of five six percent per year compounded annually. The interest must be computed to the first day of the month in which the refund is processed and be based on fiscal year balances.

Sec. 14. Minnesota Statutes 1988, section 352.22, subdivision 2, is amended to read:

Subd. 2. [AMOUNT OF REFUND.] Except as provided in subdivision 3, any person who ceased to be a state employee after June 30, 1973, by reason of termination of state service shall receive a refund in an amount equal to employee accumulated contributions plus interest at the rate of five six percent per year compounded annually. Interest must be computed to the first day of the month in which the refund is processed and must be based on fiscal year balances.

Sec. 15. Minnesota Statutes 1988, section 352.22, subdivision 3, is amended to read:

Subd. 3. [DEFERRED ANNUITY.] (a) Any employee with at least ~~five~~ three years of allowable service when termination occurs may elect to leave the accumulated contributions in the fund and thereby be entitled to a deferred retirement annuity. This annuity must be computed as provided by the law in effect when state service terminated, on the basis of allowable service before termination of service.

(b) An employee on layoff or on leave of absence without pay, except a leave of absence for health reasons, who does not return to state service shall have any annuity, deferred annuity, or other benefit to which the employee may become entitled computed under the law in effect on the last working day.

(c) No application for a deferred annuity shall be made more than 60 days before the time the former employee reaches the required age for entitlement to the payment of the annuity. The deferred annuity shall begin to accrue no earlier than 60 days before the date the application is filed in the office of the system, but not (1) before the date the employee reaches the required age for entitlement to the annuity nor (2) before the day following the termination of state service in a position not covered by the retirement system nor (3) before the day following the termination of employment in a position that requires the employee to be a member of either the public employees retirement association or the teachers retirement association.

(d) Application for the accumulated contributions left on deposit with the fund may be made at any time after 30 days following the date of termination of service.

Sec. 16. Minnesota Statutes 1988, section 352.72, subdivision 1, is amended to read:

Subdivision 1. [ENTITLEMENT TO ANNUITY.] (a) Any person who has been an employee covered by a retirement system listed in paragraph (b) is entitled when qualified to an annuity from each fund if total allowable service in all funds or in any two of these funds totals five three or more years.

(b) This section applies to the Minnesota state retirement system, the public employees retirement association including the public employees retirement association police and firefighters fund, the teachers retirement association, the state patrol retirement association, or any other public employee retirement system in the state with a similar provision, except as noted in paragraph (c).

(c) This section does not apply to other funds providing benefits for police officers or firefighters.

(d) No portion of the allowable service upon which the retirement annuity from one fund is based shall be again used in the computation for benefits from another fund. No refund may have been taken from any one of these funds since service entitling the employee to coverage under the system or the employee's membership in any of the associations last terminated. The annuity from each fund must be determined by the appropriate provisions of the law except that the requirement that a person must have at least five three years allowable service in the respective system or association does not apply for the purposes of this section if the combined service in two or more of these funds equals five three or more years.

Sec. 17. Minnesota Statutes 1988, section 352.72, subdivision 2, is amended to read:

Subd. 2. [COMPUTATION OF DEFERRED ANNUITY.] The deferred annuity, if any, accruing under subdivision 1, or section 352.22, subdivision 3, must be computed as provided in section 352.22, subdivision 3, on the basis of allowable service before termination of state service and augmented as provided herein. The required reserves applicable to a deferred annuity or to an annuity for which a former employee was eligible but had not applied or to any deferred segment of an annuity must be determined as of the date the benefit begins to accrue and augmented by interest compounded annually from the first day of the month following the month in which the employee ceased to be a state employee, or July 1, 1971, whichever is later, to the first day of the month in which the annuity begins to accrue. The rates of interest used for this purpose must be five percent compounded annually until January 1, 1981, and after ~~that date~~ three percent compounded annually thereafter until January 1 of the year following the year in which the former employee attains age 55. From that date to the effective date of retirement, the rate is five percent compounded annually. If a person has more than one period of uninterrupted service, the required reserves related to each period must be augmented by interest under this subdivision. The sum of the augmented required reserves so determined is the present value of the annuity. "Uninterrupted service" for the purpose of this subdivision means periods of covered employment during which the employee has not been separated from state service for more than two years. If a person repays a refund, the service restored by the repayment must be considered continuous with the next period of service for which the employee has credit with this system. The formula percentages used for each period of uninterrupted service must be those applicable to a new employee. The mortality table and interest assumption used to compute the annuity must be those in effect when the employee

files application for annuity. This section shall not reduce the annuity otherwise payable under this chapter.

Sec. 18. Minnesota Statutes 1988, section 352.72, subdivision 5, is amended to read:

Subd. 5. [EARLY RETIREMENT.] The requirements and provisions for retirement before normal retirement age 65 in sections 352.115, subdivision 1, and 352.116 also apply to an employee fulfilling the requirements with a combination of service as provided in subdivision 1.

Sec. 19. Minnesota Statutes 1988, section 352.85, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY; RETIREMENT ANNUITY.] Any person who is employed by the department of military affairs other than as a full-time firefighter, who is covered by the general employee retirement plan of the system as provided in section 352.01, subdivision 23, who is ordered to active duty under section 190.08, subdivision 3, who elects this special retirement coverage under subdivision 4, who is required to retire from federal military status at an age earlier than normal retirement age 65 by applicable federal laws or regulations and who terminates employment as a state employee upon attaining that mandatory retirement age is entitled, upon application, to a retirement annuity computed in accordance with section 352.115, subdivisions 2 and 3, without any reduction for early retirement under section 352.116, subdivision 1 or la.

Sec. 20. Minnesota Statutes 1988, section 352.93, subdivision 1, is amended to read:

Subdivision 1. [BASIS OF ANNUITY; WHEN TO APPLY.] After separation from state service an employee covered under section 352.91 who has reached age 55 years and has credit for at least five three years of covered correctional service and regular Minnesota state retirement system service is entitled upon application to a retirement annuity under this section based only on covered correctional employees' service. Application may be made no earlier than 60 days before the date the employee is eligible to retire by reason of both age and service requirements.

In this section, "average salary" means the average of the monthly salary during the employees' highest five successive years of salary as an employee covered by the Minnesota state retirement system. Average salary must be based upon all allowable service if this service is less than five years.

Sec. 21. Minnesota Statutes 1988, section 352.93, subdivision 3, is amended to read:

Subd. 3. [PAYMENTS; DURATION AND AMOUNT.] The annuity under this section shall begin to accrue as provided in section 352.115, subdivision 8, and must be paid for an additional 84 full calendar months or to the first of the month following the month in which the employee becomes attains normal retirement age 65, whichever occurs first, except that payment must not cease before the first of the month following the month in which the employee becomes 62. It must then be reduced to the amount as calculated under section 352.115, except that if this amount, when added to the social security benefit based on state service the employee is eligible to receive at the time, is less than the benefit payable under subdivision 2, the retired employee shall receive an amount that when added to the social security benefit will equal the amount payable under subdivision 2.

When an annuity is reduced under this subdivision, the percentage adjustments, if any, that have been applied to the original annuity under section 11A.18, before the reduction, must be compounded and applied to the reduced annuity. A former correctional employee employed by the state in a position covered by the regular plan between the ages age of 58 and 65 normal retirement age shall receive a partial return of correctional contributions at retirement with five six percent interest based on the following formula:

Employee contributions contributed as a correctional employee in excess of the contributions the employee would have contributed as a regular employee	X	Years and complete months of regular service between ages <u>age 58 and 65 the</u> <u>normal retirement age</u> 7 <u>number of years between</u> <u>age 58 and normal</u> <u>retirement age</u>
---	---	--

Sec. 22. Minnesota Statutes 1988, section 352.95, subdivision 2, is amended to read:

Subd. 2. [NONJOB-RELATED DISABILITY.] Any covered correctional employee who, after at least five three years of covered correctional service, before reaching the age of 55 becomes disabled and physically unfit to perform the duties of the position because of sickness or injury occurring while not engaged in covered employment, is entitled to a disability benefit based on covered correctional service only. The disability benefit must be computed as provided in section 352.93, subdivisions 1 and 2, and computed as though the employee had at least ten years of covered correctional service.

Sec. 23. Minnesota Statutes 1988, section 352.95, subdivision 5, is amended to read:

Subd. 5. [RETIRED STATUS AT NORMAL RETIREMENT AGE 65.] The disability benefit paid to a disabled correctional employee under this section shall terminate at the end of the month in which the employee reaches age 62. If the disabled correctional employee is still disabled when the employee reaches age 62, the employee shall be deemed to be a retired employee. If the employee had elected an optional annuity under subdivision 1a, the employee shall receive an annuity in accordance with the terms of the optional annuity previously elected. If the employee had not elected an optional annuity under subdivision 1a, the employee may then either elect to receive a normal retirement annuity computed in the manner provided in section 352.115 or elect to receive an optional annuity as provided in section 352.116, subdivision 3, based on the same length of service as used in the calculation of the disability benefit. Election of an optional annuity must be made before reaching age 62. The reduction for retirement before normal retirement age 65 as provided in section 352.116, subdivision 1 or 1a, does not apply. The savings clause provision of section 352.93, subdivision 3, applies. If an optional annuity is elected, the optional annuity shall begin to accrue on the first of the month following the month in which the employee reaches age 62.

Sec. 24. Minnesota Statutes 1988, section 352B.01, subdivision 11, is amended to read:

Subd. 11. [AVERAGE SALARY.] "Average monthly salary" means the average of the highest monthly salaries for five years of service as a member. Average monthly salary must be based upon all allowable service if this service is less than five years. It does not include any amounts of severance pay or any reduced salary paid during the period the person is entitled to workers' compensation benefit payments for temporary disability.

Sec. 25. Minnesota Statutes 1988, section 352B.08, subdivision 1, is amended to read:

Subdivision 1. [WHO IS ELIGIBLE; WHEN TO APPLY; AC-CRUAL.] Every member who is credited with ~~five~~ three or more years of allowable service is entitled to separate from state service and upon becoming 55 years old, is entitled to receive a life annuity, upon separation from state service. Members shall apply for an annuity in a form and manner prescribed by the executive director. No application may be made more than 60 days before the date the member is eligible to retire by reason of both age and service requirements. An annuity begins to accrue no earlier than 90 days before the date the application is filed with the executive director.

Sec. 26. Minnesota Statutes 1988, section 352B.11, subdivision 1, is amended to read:

Subdivision 1. [REFUND OF PAYMENTS.] A member who has not received other benefits under this chapter is entitled to a refund of payments made by salary deduction, plus interest, if the member is separated, either voluntarily or involuntarily, from state service that entitled the member to membership. In the event of the member's death, the member's estate is entitled to the refund. Interest must be computed at the rate of ~~five~~ six percent a year, compounded annually. To receive a refund, the member must apply on a form prescribed by the executive director.

Sec. 27. Minnesota Statutes 1988, section 352B.11, subdivision 2, is amended to read:

Subd. 2. [DEATH; PAYMENT TO SPOUSE AND CHILDREN.] If a member serving actively as a member, a member receiving the disability benefit provided by section 352B.10, subdivision 1, or a former member receiving a disability benefit as provided by section 352B.10, subdivision ~~3~~ 2, dies from any cause, the surviving spouse and dependent children are entitled to benefit payments as follows:

(a) A member with at least ~~five~~ three years of allowable service or a former member with at least 20 years of allowable service is deemed to have elected a 100 percent joint and survivor annuity payable to a surviving spouse only on or after the date the member or former member became or would have become 55.

(b) The surviving spouse of a member who had credit for less than five three years of service shall receive, for life, a monthly annuity equal to 20 percent of that part of the average monthly salary of the member from which deductions were made for retirement. If the surviving spouse remarries, the annuity shall cease as of the date of the remarriage.

(c) The surviving spouse of a member who had credit for at least five three years service and who died after attaining 55 years of age, may elect to receive a 100 percent joint and survivor annuity, for life, notwithstanding a subsequent remarriage, in lieu of the annuity prescribed in paragraph (b).

(d) The surviving spouse of any member who had credit for five three years or more and who was not 55 years of age at death, shall receive the benefit equal to 20 percent of the average monthly salary as described in clause (b) until the deceased member would have reached the age of 55 years, and beginning the first of the month following that date, may elect to receive the 100 percent joint and survivor annuity. If the surviving spouse remarries before the deceased member's 55th birthdate, benefits or annuities shall cease

as of the date of remarriage. Remarriage after the deceased member's 55th birthday shall not affect the payment of the benefit.

(e) Each dependent child shall receive a monthly annuity equal to ten percent of that part of the average monthly salary of the former member from which deductions were made for retirement. A dependent child over 18 and under 22 years of age also may receive the monthly benefit provided in this section, if the child is continuously attending an accredited school as a full-time student during the normal school year as determined by the director. If the child does not continuously attend school but separates from full-time attendance during any part of a school year, the annuity shall cease at the end of the month of separation. In addition, a payment of \$20 per month shall be prorated equally to surviving dependent children when the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child must be made to the surviving spouse, or if there is none, to the legal guardian of the child. The maximum monthly benefit must not exceed 40 percent of the average monthly salary for any number of children.

(f) If the member dies under circumstances that entitle the surviving spouse and dependent children to receive benefits under the workers' compensation law, the workers' compensation benefits received by them must not be deducted from the benefits payable under this section.

(g) The surviving spouse of a deceased former member who had credit for five three or more years of allowable service, but not the spouse of a former member receiving a disability benefit under section 352B.10, subdivision 3, is entitled to receive the 100 percent joint and survivor annuity at the time the deceased member would have reached the age of 55 years, if the surviving spouse has not remarried before that date. If a former member dies who does not qualify for other benefits under this chapter, the surviving spouse or, if none, the children or heirs are entitled to a refund of the accumulated deductions left in the fund plus interest at the rate of five six percent per year compounded annually.

Sec. 28. Minnesota Statutes 1988, section 352B.30, subdivision 1, is amended to read:

Subdivision 1. [ENTITLEMENT TO ANNUITY.] Any person who has been an employee covered by the Minnesota state retirement system, or a member of the public employees retirement association including the public employees retirement association police and firefighters' fund, or the teachers retirement association, or the state patrol retirement fund, or any other public employee retirement system in Minnesota having a like provision but excluding all other funds providing benefits for police or firefighters is entitled when qualified to an annuity from each fund if total allowable service in

all funds or in any two of these funds totals ~~five~~ three or more years. No part of the allowable service upon which the retirement annuity from one fund is based may again be used in the computation for benefits from another fund. The member must not have taken a refund from any one of these funds since service entitling the member to coverage under the system or membership in any of the associations last terminated. The annuity from each fund must be determined by the appropriate law except that the requirement that a person must have at least ~~five~~ three years allowable service in the respective system or association does not apply for the purposes of this section if the combined service in two or more of these funds equals five three or more years.

Sec. 29. Minnesota Statutes 1988, section 353.01, is amended by adding a subdivision to read:

Subd. 35. [NORMAL RETIREMENT AGE.] "Normal retirement age" means age 65 for a person who first became a public employee before July 1, 1989. For a person who first becomes a public employee after June 30, 1989, "normal retirement age" means the higher of age 65 or "retirement age," as defined in United States Code, title 42, section 416(l), as amended.

Sec. 30. Minnesota Statutes 1988, section 353.27, subdivision 2, is amended to read:

Subd. 2. [EMPLOYEE CONTRIBUTION.] The employee contribution shall be an amount (a) for a "basic member" equal to eight percent of total salary; and (b) for a "coordinated member" equal to ~~four~~ percent of total salary. These contributions shall be made by deduction from salary in the manner provided in subdivision 4. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the total salary received from all sources.

Sec. 31. Minnesota Statutes 1988, section 353.29, subdivision 1, is amended to read:

Subdivision 1. [AGE AND ALLOWABLE SERVICE REQUIREMENTS.] Upon separation from public service any person who has attained the normal retirement age of at least 65 years and who received credit for not less than five three years of allowable service is entitled upon application to a retirement annuity. Such retirement annuity is known as the "normal" retirement annuity.

Sec. 32. Minnesota Statutes 1988, section 353.29, subdivision 2, is amended to read:

Subd. 2. [AVERAGE SALARY.] In calculating the annuity under subdivision 3, "average salary" means an amount equivalent to the

average of a member's highest salary upon which employee contributions were paid for any five successive years of allowable service, based on dates of salary periods as listed on salary deduction reports. Average salary must be based upon all allowable service if this service is less than five years. The five successive years average salary may not include any reduced salary paid during a period in which the employee is entitled to benefit payments from workers' compensation for temporary disability, unless the average salary is higher, including this period.

Sec. 33. Minnesota Statutes 1988, section 353.29, subdivision 3, is amended to read:

Subd. 3. [RETIREMENT ANNUITY FORMULA.] (a) This paragraph, in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c, applies to any member who first became a public employee before July 1, 1989, unless paragraph (b), in conjunction with section 353.30, subdivision 5, produces a higher annuity amount, in which case paragraph (b) will apply. The average salary as defined in subdivision 2, multiplied by two percent for each year of allowable service for the first ten years and thereafter by 2.5 percent per year of allowable service and completed months less than a full year for the "basic member", and one percent for each year of allowable service for the first ten years and thereafter by 1.5 percent per year of allowable service and completed months less than a full year for the "coordinated member," shall determine the amount of the "normal" retirement annuity.

(b) This paragraph applies to a member who first became a public employee after June 30, 1989, and to any other member whose annuity amount, when calculated under this paragraph and in conjunction with section 353.30, subdivision 5, is higher than it is when calculated under paragraph (a), in conjunction with section 353.30, subdivisions 1, 1a, 1b, and 1c. The average salary, as defined in subdivision 2, multiplied by 2.5 percent for each year of allowable service and completed months less than a full year for a basic member and 1.5 percent per year of allowable service and completed months less than a full year for a coordinated member, shall determine the amount of the normal retirement annuity.

Sec. 34. Minnesota Statutes 1988, section 353.30, is amended to read:

353.30 [ANNUITIES UPON RETIREMENT.]

Subdivision 1. Upon separation from public service any person who first became a public employee before July 1, 1989, and who has attained the age of at least 58 years but not more than 65 years normal retirement age and who received credit for not less than 20 years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in

section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age 65 at the time of retirement.

Subd. 1a. Any person who first became a public employee before July 1, 1989, and whose attained age plus credited allowable service totals 90 years is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), without any reduction in annuity by reason of such early retirement.

Subd. 1b. Any person who first became a public employee before July 1, 1989, with 30 years or more of allowable service credit, who elects early retirement under subdivision 1, shall receive an annuity in an amount equal to the normal annuity provided under section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under age 62 at the time of retirement.

Subd. 1c. Any person who first became a public employee before July 1, 1989, and who has received credit for at least 30 years of allowable service or any person who has attained the age of at least 55 years but not more than 65 years normal retirement age, and who has received credit for at least five three years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, paragraph (a), reduced by one-quarter of one percent for each month that the member is under normal retirement age 65 at the time of retirement, except that for any member who has 30 or more years of allowable service the reduction shall be applied only for each month that the member is under age 62 at the time of retirement.

Subd. 3. [OPTIONAL RETIREMENT ANNUITY FORMS.] The board of trustees shall establish optional annuities which shall take the form of a joint and survivor annuity. Except as provided in subdivision 3a, the optional annuity forms shall be actuarially equivalent to the forms provided in section 353.29 and subdivisions 1, 1a, 1b, and 1c of this section, and 5. In establishing those optional forms, the board shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of board. A member or former member may select an optional form of annuity in lieu of accepting any other form of annuity which might otherwise be available.

Subd. 3a. [BOUNCE-BACK ANNUITY.] (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 3, the former member or disabilitant must receive a normal single-life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide

for restoration of the normal single-life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single-life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single-life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single-life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary died before July 1, 1989, shall have their annuity increased as of July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Subd. 4. Any monthly payments to which any person may be entitled under this chapter may be reduced in amount upon application of the person entitled thereto to the association, provided that ~~such~~ the person shall first relinquish in writing all claim to that part of the full monthly payment which is the difference between the monthly payment which that person would be otherwise entitled to receive and the monthly payment which that person will receive. The reduced monthly payment shall be payment in full of all amounts due under this chapter for the month for which the payment is made and acceptance of the reduced monthly payment releases the retirement association from all obligation to pay to ~~such~~ the person the difference between the amount of the reduced monthly payment and the full amount of the monthly payment which ~~such~~ the person would otherwise have received. Upon application of the person who is entitled to such monthly payment, it may be increased prospectively to not more than the amount to which ~~such~~ the person would have been entitled had no portion thereof been waived.

Subd. 5. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a member who first became a public employee after June 30, 1989, and to any other member

whose annuity is higher when calculated under section 353.29, subdivision 3, paragraph (b), in conjunction with this subdivision than when calculated under section 353.29, subdivision 3, paragraph (a), in conjunction with subdivision 1, 1a, 1b, or 1c. An employee who retires before normal retirement age shall be paid the retirement annuity provided in section 353.29, subdivision 3, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 35. Minnesota Statutes 1988, section 353.32, subdivision 1, is amended to read:

Subdivision 1. [BEFORE RETIREMENT.] If a member or former member who terminated public service dies before retirement or before receiving any retirement annuity and no other payment of any kind is or may become payable to any person, a refund shall be paid to the designated beneficiary or, if there be none, to the surviving spouse, or, if none, to the legal representative of the decedent's estate. Such refund shall be in an amount equal to accumulated deductions plus interest thereon at the rate of five six percent per annum compounded annually less the sum of any disability or survivor benefits, if any, that may have been paid by the fund; provided that a survivor who has a right to benefits pursuant to section 353.31 may waive such benefits in writing, except such benefits for a dependent child under the age of 18 years may only be waived pursuant to an order of the district court.

Sec. 36. Minnesota Statutes 1988, section 353.32, subdivision 1a, is amended to read:

Subd. 1a. [SURVIVING SPOUSE OPTIONAL ANNUITY.] If a member or former member who has attained at least age 50 and has credit for not less than five three years of allowable service or who has credit for not less than 30 years of allowable service, regardless of age attained, dies before the annuity or disability benefit begins to accrue in accordance with section 353.29, subdivision 7, or 353.33, subdivision 2, notwithstanding any designation of beneficiary to the contrary, the surviving spouse may elect to receive, instead of a refund with interest provided in subdivision 1, or survivor benefits otherwise payable under section 353.31, an annuity equal to the 100 percent joint and survivor annuity that the member could have qualified for had the member terminated service on the date of death. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable

service. The annuity must be computed as provided in sections 353.29, subdivisions 2 and 3; and 353.30, subdivisions 1, 1a, 1b, and 1c, and 5. Sections 353.34, subdivision 3, and 353.71, subdivision 2, apply to a deferred annuity payable under this subdivision. No payment may accrue beyond the end of the month in which entitlement to the annuity has terminated. An amount equal to any excess of the accumulated contributions that were credited to the account of the deceased employee over and above the total of the annuities paid and payable to the surviving spouse must be paid to the deceased member's last designated beneficiary or, if none, to the legal representative of the estate of the deceased member. A member may specify in writing that this subdivision does not apply and that payment may be made only to the designated beneficiary as otherwise provided by this chapter.

Sec. 37. Minnesota Statutes 1988, section 353.33, subdivision 1, is amended to read:

Subdivision 1. [AGE, SERVICE AND SALARY REQUIREMENTS.] Any member who becomes totally and permanently disabled before normal retirement age 65 and after ~~five~~ three years of allowable service shall be entitled to a disability benefit in an amount provided in subdivision 3. If such disabled person's public service has terminated at any time, at least ~~three~~ two of the required ~~five~~ three years of allowable service must have been rendered after last becoming a member. Any member whose average salary is less than \$75 per month shall not be entitled to a disability benefit. No repayment of a refund otherwise authorized pursuant to section 353.34 and no purchase of prior service or payment made in lieu of salary deductions otherwise authorized pursuant to section 353.01, subdivision 16, 353.017, subdivision 4, or 353.36, subdivision 2, may be made after the occurrence of the disability for which an application pursuant to this section is filed.

Sec. 38. Minnesota Statutes 1988, section 353.33, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF BENEFITS.] This disability benefit is an amount equal to the normal annuity payable to a member who has reached 65 normal retirement age with the same number of years of allowable service and the same average salary, as provided in section 353.29, subdivisions 2 and 3. A "basic member" shall receive in addition a supplementary monthly benefit computed in accordance with the following table:

Age when Disabled	Supplementary benefit
Under 56	\$50
56	45
57	40
58	35
59	30
60	25
61	20
62	15
63	10
64	5

If the disability benefits provided in this subdivision exceed the average salary as defined in section 353.29, subdivision 2, the disability benefits shall be reduced to an amount equal to said average salary.

Sec. 39. Minnesota Statutes 1988, section 353.33, subdivision 11, is amended to read:

Subd. 11. [RETIREMENT STATUS AT NORMAL RETIREMENT AGE 65.] No person shall be entitled to receive disability benefits and a retirement annuity at the same time. The disability benefits paid to a person hereunder shall terminate when the person reaches normal retirement age 65. If the person is still totally and permanently disabled when the person attains the normal retirement age of 65 years, the person shall be deemed to be on retirement status and, if the person had elected an optional annuity pursuant to subdivision 3a, shall receive an annuity in accordance with the terms of the optional annuity previously elected, or, if the person had not elected an optional annuity pursuant to subdivision 3a, may at the option of the person either elect to receive either a normal retirement annuity as provided in section 353.29 or normal retirement annuity equal to the disability benefit paid before the person reached normal retirement age 65, whichever amount is greater, or elect to receive an optional annuity as provided in section 353.30, subdivision 3. Any disabled person who becomes age 65 attains normal retirement age shall have the annuity computed in accordance with the law in effect upon attainment of that age 65. Election of an optional annuity shall be made prior to the person attaining the normal retirement age of 65 years. If an optional annuity is elected, the election shall be effective on the date on which the person attains the age of 65 years normal retirement age and the optional annuity shall begin to accrue on the first day of the month next following the month in which the person attains the that age of 65 years.

Sec. 40. Minnesota Statutes 1988, section 353.34, subdivision 2, is amended to read:

Subd. 2. [REFUND WITH INTEREST.] Except as provided in subdivision 1, any person who ceases to be a public employee shall receive a refund in an amount equal to accumulated deductions with interest to the first day of the month in which the refund is processed at the rate of five ~~six~~ percent per annum compounded annually based on fiscal year balances.

Sec. 41. Minnesota Statutes 1988, section 353.34, subdivision 3, is amended to read:

Subd. 3. [DEFERRED ANNUITY; ELIGIBILITY; COMPUTATION.] A member with at least ~~five~~ three years of allowable service when termination of public service occurs has the option of leaving the accumulated deductions in the fund and being entitled to a deferred retirement annuity commencing at normal retirement age ~~65~~ or to a deferred early retirement annuity under section 353.30, subdivision 1, 1a, 1b, ~~or~~ 1c, or 5. The deferred annuity must be computed under section 353.29, subdivisions 2 and 3, on the basis of the law in effect on the date of termination of public service and must be augmented as provided in section 353.71, subdivision 2. A former member qualified to apply for a deferred retirement annuity may revoke this option at any time before the commencement of deferred annuity payments by making application for a refund. The person is entitled to a refund of accumulated member contributions within 30 days following date of receipt of the application by the executive director.

Sec. 42. Minnesota Statutes 1988, section 353.34, subdivision 3a, is amended to read:

Subd. 3a. [DEFERRED ANNUITY; CERTAIN HOSPITAL EMPLOYEES.] Any member employed by a public hospital, as defined in section 355.71, subdivision 3, who has at least ~~five~~ three years of allowable service credit on the date the public hospital is taken over by a private corporation or organization, may elect to receive a deferred annuity pursuant to subdivision 3 notwithstanding the length of service requirement contained therein.

Sec. 43. Minnesota Statutes 1988, section 353.651, subdivision 1, is amended to read:

Subdivision 1. [AGE AND ALLOWABLE SERVICE REQUIREMENTS.] Upon separation from public service, any police officer or firefighter member who has attained the age of at least 55 years and who received credit for not less than ~~five~~ three years of allowable service is entitled upon application to a retirement annuity. Such retirement annuity is known as the "normal" retirement annuity.

Sec. 44. Minnesota Statutes 1988, section 353.651, subdivision 2, is amended to read:

Subd. 2. [AVERAGE SALARY.] In calculating the annuity under subdivision 3, "average salary" means an amount equivalent to the average of the highest salary earned as a police officer or firefighter upon which employee contributions were paid for any five successive years of allowable service. Average salary must be based upon all allowable service if this service is less than five years.

The five successive years average salary may not include any reduced salary paid during a period in which the employee is entitled to benefit payments from workers' compensation for temporary disability unless the average salary is higher, including this period.

Sec. 45. Minnesota Statutes 1988, section 353.657, subdivision 2a, is amended to read:

Subd. 2a. [DEATH WHILE ELIGIBLE SURVIVOR BENEFIT.] If a member or former member who has attained the age of at least 50 years and has credit for not less than five three years allowable service or who has credit for at least 30 years of allowable service, regardless of age attained, dies before public service has terminated, or if an employee who has filed a valid application for an annuity or disability benefit prior to termination of public service dies before the annuity or benefit has become payable, notwithstanding any designation of beneficiary to the contrary, the surviving spouse may elect to receive a death while eligible survivor benefit. The benefit shall be in lieu of a refund with interest provided in section 353.32, subdivision 1, or survivor benefits otherwise payable pursuant to subdivisions 1 and 2. The benefit must be an annuity equal to the 100 percent joint and survivor annuity which the member could have qualified for on the date of death, computed as provided in sections 353.651, subdivisions 2 and 3, and 353.30, subdivision 3. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. Sections 353.34, subdivision 3, and 353.71, subdivision 2, apply to a deferred annuity payable under this subdivision. No payment shall accrue beyond the end of the month in which entitlement to such annuity has terminated. An amount equal to the excess, if any, of the accumulated contributions which were credited to the account of the deceased employee over and above the total of the annuities paid and payable to the surviving spouse shall be paid to the deceased member's last designated beneficiary or, if none, to the legal representative of the estate of such deceased member. Any member may request in writing that this subdivision not apply and that payment be made only to the designated beneficiary, as otherwise provided by this chapter. For a member who is employed as a full-time firefighter by the department of military affairs of the state of Minnesota, allowable service as a full-time state military affairs department firefighter credited by the Minne-

sota state retirement system may be used in meeting the minimum allowable service requirement of this subdivision.

Sec. 46. Minnesota Statutes 1988, section 353.71, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY.] Any person who has been a member of the public employees retirement association, or the Minnesota state retirement system, or the teachers retirement association, or any other public retirement system in the state of Minnesota having a like provision, except a fund providing benefits for police officers or firefighters governed by sections 69.77 or 69.771 to 69.776, shall be entitled when qualified to an annuity from each fund if the total allowable service in all funds or in any two of these funds totals ~~five~~ three or more years, provided no portion of the allowable service upon which the retirement annuity from one fund is based is again used in the computation for benefits from another fund and provided further that the person has not taken a refund from any one of these funds since the person's membership in that association or system last terminated. The annuity from each fund shall be determined by the appropriate provisions of the law except that the requirement that a person must have at least ~~five~~ three years of allowable service in the respective association or system shall not apply for the purposes of this section provided the combined service in two or more of these funds equals ~~five~~ three or more years.

Sec. 47. Minnesota Statutes 1988, section 353.71, subdivision 2, is amended to read:

Subd. 2. [DEFERRED ANNUITY COMPUTATION; AUGMENTATION.] The deferred annuity, if any, accruing under subdivision 1, or sections 353.34, subdivision 3, and 353.68, subdivision 4, shall be computed in the manner provided in said sections, on the basis of allowable service prior to termination of public service and augmented as provided herein. The required reserves applicable to a deferred annuity, or to an annuity for which a former member was eligible but had not applied, or to any deferred segment of an annuity shall be determined as of the date the annuity begins to accrue and shall be augmented from the first day of the month following the month in which the former member ceased to be a public employee, or July 1, 1971, whichever is later, to the first day of the month in which the annuity begins to accrue, at the rate of five percent per annum compounded annually until January 1, 1981, and thereafter at the rate of three percent thereafter until January 1 of the year following the year in which the former member attains age 55. From that date to the effective date of retirement, the rate is five percent per annum compounded annually. If a person has more than one period of uninterrupted service, the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so determined shall be the present value of the

annuity. Uninterrupted service for the purpose of this subdivision shall mean periods of covered employment during which the employee has not been separated from public service for more than two years. If a person repays a refund, the service restored thereby shall be considered as continuous with the next period of service for which the employee has credit with this association. The formula percentages used for each period of uninterrupted service shall be those as would be applicable to a new employee. This section shall not reduce the annuity otherwise payable under this chapter. This subdivision shall apply to deferred annuitants of record on July 1, 1971 and to employees who thereafter become deferred annuitants; it shall also apply from July 1, 1971 to former members who make application for an annuity after July 1, 1973.

Sec. 48. Minnesota Statutes 1988, section 353.71, subdivision 5, is amended to read:

Subd. 5. [EARLY RETIREMENT.] The requirements and provisions for retirement prior to normal retirement age 65 contained in section 353.30, shall also apply to a person fulfilling such requirements with a combination of service as provided in subdivision 1.

Sec. 49. Minnesota Statutes 1988, section 353C.06, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY REQUIREMENTS.] After separation from public employment, an employee covered under section 353C.02 who has attained the age of at least 55 years and has credit for not less than ~~five~~ three years of coverage in the local government correctional service plan is entitled, upon application, to a normal retirement annuity. Instead of a normal retirement annuity, a retiring employee may elect to receive the optional annuity provided in section 353.30, subdivision 3.

Sec. 50. Minnesota Statutes 1988, section 353C.06, subdivision 2, is amended to read:

Subd. 2. [AVERAGE SALARY BASE.] In calculating the annuity under subdivision 3, "average salary" means an amount equivalent to the average of the highest salary earned as a local government correctional employee upon which employee contributions were paid for any five successive years of allowable service. Average salary must be based on all allowable service if this service is less than five years.

Sec. 51. Minnesota Statutes 1988, section 353C.06, subdivision 4, is amended to read:

Subd. 4. [ACCRUAL AND DURATION.] The annuity under this section begins to accrue as provided in section 353.29, subdivision 7.

The annuity is payable for the life of the recipient, or in accordance with the terms of any optional annuity form selected, and is payable for 84 full calendar months or to the first of the month following the month in which the employee becomes attains the normal retirement age 65, whichever occurs first. After a recipient has received the annuity calculated under this formula for 84 full calendar months or to the first of the month following the month in which the employee becomes attains the normal retirement age 65, whichever occurs first, the benefit must be recomputed in accordance with the coordinated formula in sections 353.29 and 353.30, except that if this amount, when added to the social security benefit based on public service the employee is eligible to receive at that time, is less than the benefit payable under subdivision 3, the retired employee is entitled to receive an amount payable under subdivision 3, less any amount payable from social security based on public service used in the benefit calculation. When an annuity is reduced under this subdivision, any percentage of adjustments that have been applied to the original annuity under section 11A.18, before the reduction, must be compounded and applied to the reduced annuity.

Sec. 52. Minnesota Statutes 1988, section 353C.08, subdivision 5, is amended to read:

Subd. 5. [DISABILITY BENEFIT TERMINATION.] The disability benefit paid to a disabled local government correctional employee terminates at the end of the month in which the employee reaches age 62. If the disabled local government correctional employee is still disabled when the employee reaches age 62, the employee is deemed to be a retired employee and, if the employee had elected an optional annuity under subdivision 3, must receive an annuity in accordance with the terms of the optional annuity previously elected. If the employee had not elected an optional annuity under subdivision 3, the employee may elect either to receive a normal retirement annuity computed on the coordinated formula in the manner provided in section 353.29 or to receive an optional annuity as provided in section 353.30, subdivision 3, based on the same length of service as used in the calculation of the disability benefit. Election of an optional annuity must be made before attaining the age of 62 years. The reduction for retirement prior to normal retirement age 65 as provided in section 353.30, subdivisions 1 and, 1c, and 5, is not applicable. The savings clause provision of section 353C.06, subdivision 4, is applicable.

Sec. 53. Minnesota Statutes 1988, section 354.05, is amended by adding a subdivision to read:

Subd. 38. [NORMAL RETIREMENT AGE.] "Normal retirement age" means age 65 for a person who first became a member of the fund before July 1, 1989. For a person who first becomes a member of the fund after June 30, 1989, normal retirement age means the

higher of age 65 or "retirement age," as defined in United States Code, title 42, section 416(l), as amended.

Sec. 54. Minnesota Statutes 1988, section 354.35, is amended to read:

354.35 [RETIREMENT BEFORE BECOMING ELIGIBLE FOR SOCIAL SECURITY.]

Any coordinated member who retires before becoming eligible for social security retirement benefits, may elect to receive an optional retirement annuity from the association which provides for different annuity amounts over different periods of retirement. The election of this optional retirement annuity shall be exercised by making an application to the board on a form provided by the board. The optional annuity shall take the form of an annuity payable for the period before the member attains the normal retirement age of 65 years in a greater amount than the amount of the annuity calculated under section 354.44 on the basis of the age of the member at retirement but equal insofar as possible to the social security old age retirement benefit and the adjusted retirement annuity amount payable immediately after the annuitant becomes eligible for social security old age retirement benefits in an amount less than the amount of the annuity calculated under section 354.44 on the basis of the age of the member at retirement. The social security leveling option may be calculated based on broad average social security old age retirement benefits. The optional annuity shall be the actuarial equivalent of the member's annuity computed on the basis of the member's age at retirement. The greater amount shall be paid until the member reaches the normal retirement age of 65 at which time the payment from the association shall be reduced. The method of computing the optional retirement annuity provided in this section shall be established by the board of trustees. In establishing the method of computing the optional retirement annuity, the board of trustees shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of the board of trustees.

Sec. 55. Minnesota Statutes 1988, section 354.41, subdivision 3, is amended to read:

Upon completion of five three years of allowable service, under this subdivision the member shall be entitled to a coordinated annuity provided in section 354.44, subdivision 6. This annuity is in addition to any annuity previously granted under this chapter.

(2) Any annuitant qualifying for membership in the fund under clause (1) may file a written notice with the executive director of the teachers retirement association requesting that deductions provided for in section 354.42 be made from compensation paid for subsequent teaching services. Such notice shall remain in effect until the annuitant requests in writing that this membership be revoked. After July 1, 1967, deductions pursuant to section 355.48 are required for any annuitant eligible for membership in the fund under clause (1). Teaching service rendered by an annuitant for which no deductions were made pursuant to section 354.42, shall not be included in any additional annuity granted pursuant to clause (1) of this subdivision.

(3) Teachers retirement deductions made prior to July 1, 1973 from the salary of any annuitant who was qualified for membership in the fund under clause (1) of this subdivision at the time such deductions were made, shall be applicable to the computation of an annuity as provided under clause (1) of this subdivision even if the written notice required in clause (2) of this subdivision has not been filed. The teaching service related to such retirement deductions shall be deemed to be allowable service credit which is applicable to the completion of the five three years of allowable service required in clause (2) of this subdivision.

Sec. 56. Minnesota Statutes 1988, section 354.42, subdivision 2, is amended to read:

Subd. 2. The employee contribution to the fund shall be an amount equal to $4\frac{1}{2}$ percent of the salary of every coordinated member and $8\frac{1}{2}$ percent of the salary of every basic member. This contribution shall be made by deduction from salary. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the entire salary received. For purposes of financing the various options related to the variable annuity division, employee variable annuity contributions will be credited in accordance with section 354.62, subdivision 2.

Sec. 57. Minnesota Statutes 1988, section 354.42, subdivision 3, is amended to read:

Subd. 3. The employer contribution to the fund shall be an amount equal to $4\frac{1}{2}$ percent of the salary of each coordinated member and $8\frac{1}{2}$ percent of the salary of each basic member. This contribution shall be made in the manner provided in section 354.43. For purposes of financing the various options related to the variable annuity division, employer contributions equal to the employee variable annuity contributions prescribed in section 354.62, subdivision 2, shall be allocated at the same time to the employer variable annuity contribution account in section 354.62, subdivision 3.

Sec. 58. Minnesota Statutes 1988, section 354.44, subdivision 1, is amended to read:

[MANDATORY RETIREMENT.] Notwithstanding the provisions of sections 43A.11 or 197.455 to 197.48, a member who is serving as a faculty member or administrator under a contract of unlimited tenure or similar arrangement providing for unlimited tenure at an institution of higher education, as defined in section 1201(a) of the federal Higher Education Act of 1965, as amended through January 1, 1987, shall terminate employment at the end of the academic year in which the member reaches the age of 70. For purposes of this subdivision, an academic year shall be deemed to end August 31. No other member shall be subject to a mandatory retirement age provision. A member who terminates employment at any time during the academic year at the end of which the person is at the normal retirement age 65 or older shall, for the purpose of determining eligibility for a proportionate retirement annuity, be considered to have been required to terminate employment at normal retirement age 65 or older pursuant to section 356.32. Nothing contained in this subdivision shall preclude an employing unit covered by this chapter from employing a retired teacher as a substitute or part time teacher. Any person who has attained ~~the~~ normal retirement age of at least 65 years, who is employed as a substitute or part-time teacher and who earns an amount equal to the annual maximum earnings allowable for that age for the continued receipt of full benefit amounts monthly under the federal old age, survivors and disability insurance program as set by the secretary of health and human services pursuant to the provisions of United States Code, title 42, section 403, in any academic year from employment as a substitute or part-time teacher, shall terminate employment for the remainder of that academic year. Sec. 60. Minnesota Statutes 1988, section 354.44, subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the ~~formula~~ formulas stated in clause (2) ~~hereof~~ or (4) on the basis of each member's average salary for the period of the member's formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

For all years of formula service credit "average salary" for the purpose of determining the member's retirement annuity means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, section 354.511 for the highest five successive years of formula service credit provided however that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of formula service credit if this service credit is less than five years.

(2) This clause, in conjunction with clause (3), applies to a person who first became a member of the fund before July 1, 1989, unless clause (4), in conjunction with clause (5), produces a higher annuity amount, in which case clause (4) applies. The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3) (i) This clause applies only to a person who first became a member of the fund before July 1, 1989, and whose annuity is higher when calculated under clause (2), in conjunction with this clause than when calculated under clause (4), in conjunction with clause (5).

(ii) Where any member retires prior to normal retirement age 65 under a formula annuity, the member shall be paid a retirement annuity in an amount equal to the normal annuity provided in this subdivision clause (2) and subdivision 7, paragraph (a), reduced by one-half one-quarter of one percent for each month that the member is under normal retirement age 65 to and including age 60 and reduced by one-fourth of one percent for each month under age 60 at the time of retirement except that for any member who has 30 or

more years of allowable service credit, the reduction shall be applied only for each month ~~which~~ that the member is under age 62.

(iii) Any member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal annuity provided in clause (2), without any reduction by reason of early retirement.

(4) This clause applies to a member who first became a member of the fund after June 30, 1989, and to any other member whose annuity amount when calculated under this clause and in conjunction with clause (5), is higher than it is when calculated under clause (2), in conjunction with clause (3). The average salary, as defined in clause (1) multiplied by 2.5 percent for each year of service for a basic member and by 1.5 percent for each year of service for a coordinated member shall determine the amount of the retirement annuity to which the member is entitled.

(5) This clause applies to a person who first becomes a member of the fund after June 30, 1989, and to any other member whose annuity is higher when calculated under clause (4) in conjunction with this clause than when calculated under clause (2), in conjunction with clause (3). An employee who retires under the formula annuity before the normal retirement age shall be paid the normal annuity provided in clause (4) and subdivision 7, paragraph (b), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 61. Minnesota Statutes 1988, section 354.44, subdivision 7, is amended to read:

Subd. 7. [COMPUTATION OF FORMULA AND VARIABLE PROGRAM RETIREMENT ANNUITY.] (a) This paragraph applies to a person who first became a member of the fund before July 1, 1989, unless paragraph (b) produces a higher annuity amount, in which case paragraph (b) applies. The benefits provided in this subdivision paragraph are the sum of the benefits provided by the following:

(1) The benefits provided in subdivision 6, clause (2) for formula service credit prior to the effective date of the original election of this subdivision and subsequent to June 30, 1978 unless the member elects continued participation in the variable program pursuant to Minnesota Statutes 1984, section 354.621, and

(2) The benefits for service credit subsequent to the effective date of the formula and variable program but prior to July 1, 1978 and the benefits for service credit subsequent to June 30, 1978 if the

member elects continued participation in the variable program pursuant to Minnesota Statutes 1984, section 354.621, shall be the average salary as defined in subdivision 6, clause (1) of any member multiplied by the following percentages per year of formula service credit,

	Coordinated Member	Basic Member
Each year of service during first ten	.5 percent per year	1.0 percent per year
Each year of service thereafter	.75 percent per year	1.25 percent per year, and

(3) The benefits provided in section 354.62, subdivision 5.

(b) This paragraph applies to a person who first became a member of the fund before July 1, 1989, but whose annuity amount, when calculated under this paragraph, is higher than it is when calculated under paragraph (a). The benefits provided in this paragraph are the sum of the benefits provided by the following:

(1) the benefits provided in subdivision 6, clause (4), for formula service credit before the effective date of the original election of this subdivision and subsequent to June 30, 1978, unless the member elects continued participation in the variable program pursuant to Minnesota Statutes 1984, section 354.621;

(2) the benefits for service credit subsequent to the effective date of the formula and variable program but before July 1, 1978, and the benefits for service credit subsequent to June 30, 1978, if the member elects continued participation in the variable program pursuant to Minnesota Statutes 1984, section 354.621, shall be the average salary as defined in subdivision 6, clause (1), of any member multiplied by 1.25 percent for each year of service for a basic member and by 0.75 percent for each year of service for a coordinated member; and

(3) the benefits provided in section 354.62, subdivision 5.

Sec. 62. Minnesota Statutes 1988, section 354.45, subdivision 1, is amended to read:

Subdivision 1. [OPTIONAL ANNUITY FORMS.] The retirement board shall establish optional annuities at retirement which shall take the form of an annuity payable for a period certain and for life thereafter or the form of a joint and survivor annuity. The board shall also establish an optional annuity which shall take the form of a guaranteed refund annuity paying the annuitant a fixed amount for life with the guarantee that in the event of death the balance of the accumulated deductions and interest accrued to the date of retirement will be paid to the designated beneficiary. Except as

provided in subdivision 1a, any optional annuity forms shall be actuarially equivalent to the normal forms provided in section 354.44. In establishing these optional annuity forms, the board shall obtain the written recommendation of the commission-retained actuary. The recommendations shall be a part of the permanent records of the board.

Sec. 63. Minnesota Statutes 1988, section 354.45, is amended by adding a subdivision to read:

Subd. 1a. [BOUNCE-BACK ANNUITY.] (a) If a former member or disabilitant selects a joint and survivor annuity option under subdivision 1, the former member or disabilitant must receive a normal single-life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single-life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single-life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single-life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single-life annuity after that date, but shall not receive retroactive payments for periods before that date.

Sec. 64. Minnesota Statutes 1988, section 354.46, subdivision 2, is amended to read:

Subd. 2. [DEATH WHILE ELIGIBLE DESIGNATED BENEFICIARY BENEFIT.] The surviving spouse of any member or former member who has attained the age of at least 50 years and has credit for at least five ~~three~~ years of allowable service or who has credit for at least 30 years of allowable service irrespective of age shall be entitled to joint and survivor annuity coverage in the event of death of the member prior to retirement. If the surviving spouse does not elect to receive a surviving spouse benefit provided pursuant to subdivision 1, if applicable, or does not elect to receive a refund of accumulated member contributions provided pursuant to section 354.47, subdivision 1, or 354.62, subdivision 5, clause (3), whichever is applicable, the surviving spouse shall be entitled to receive, upon written application on a form prescribed by the executive director, a benefit equal to the second portion of a 100 percent joint and survivor annuity as provided pursuant to section 354.45 and computed pursuant to section 354.44, subdivision 2, 6 or 7, whichever is

applicable. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. Sections 354.44, subdivisions 6 and 7, and 354.60 apply to a deferred annuity payable under this section. If the member was a participant in the variable annuity division, the applicable portion of the benefit shall be computed pursuant to section 354.62, subdivision 5, clause (1). The benefit shall be payable for life.

Sec. 65. Minnesota Statutes 1988, section 354.47, subdivision 1, is amended to read:

Subdivision 1. [DEATH BEFORE RETIREMENT.] (1) If a member dies before retirement and is covered pursuant to the provisions of section 354.44, subdivision 2, and neither an optional annuity, nor a reversionary annuity, nor a benefit pursuant to section 354.46, subdivision 1 is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse, the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions with interest credited to the account of the member to the date of death.

(2) If a member dies before retirement and is covered pursuant to the provisions of section 354.44, subdivisions 6 and 7, and neither an optional annuity, nor reversionary annuity, nor the benefit described in section 354.46, subdivision 1 is payable to the survivors if the member was a basic member, the surviving spouse, or if there is no surviving spouse, the designated beneficiary shall be entitled to an amount equal to the member's accumulated deductions credited to the account of the member as of June 30, 1957 and from July 1, 1957 to the date of death the member's accumulated deductions plus interest at the rate of five six percent per annum compounded annually.

(3) The amounts payable in clause (1) or (2) are in addition to the amount payable in section 354.62, subdivision 5, for the member's variable annuity account.

Sec. 66. Minnesota Statutes 1988, section 354.48, subdivision 1, is amended to read:

Subdivision 1. [AGE, SERVICE AND SALARY REQUIREMENTS.] Any member who became totally and permanently disabled after at least five three years of allowable service shall be entitled to a disability benefit in an amount provided in subdivision 3. If such disabled person's teaching service has terminated at any time, at least three two of the required five three years of allowable service must have been rendered after last becoming a member. Any member whose average salary is less than \$75 per month shall not be entitled to disability benefits.

Sec. 67. Minnesota Statutes 1988, section 354.48, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF BENEFITS.] (1) The amount of the disability benefit granted to members covered under section 354.44, subdivision 2, clauses (1) and (2), is an amount equal to double the annuity which could be purchased by the member's accumulated deductions plus interest on the amount computed as though the teacher were at normal retirement age 65 at the time the benefit begins to accrue and in accordance with the law in effect when the disability application is received. Any member who applies for a disability benefit after June 30, 1974, and who failed to make an election pursuant to Minnesota Statutes 1971, section 354.145, shall have the disability benefit computed under this clause or clause (2), whichever is larger.

The benefit granted shall be determined by the following:

(a) the amount of the accumulated deductions;

(b) interest actually earned on these accumulated deductions to the date the benefit begins to accrue;

(c) interest for the years from the date the benefit begins to accrue to the date the member attains normal retirement age 65 at the rate of three percent;

(d) annuity purchase rates based on an appropriate annuity table of mortality established by the board as provided in section 354.07, subdivision 1, and using the applicable postretirement interest rate assumption specified in section 356.215, subdivision 4d.

In addition, a supplementary monthly benefit shall be paid to basic members only in accordance with the following table:

Age When Benefit Begins to Accrue	Supplementary Benefit
Under Age 56	\$50
56	45
57	40
58	35
59	30
60	25
61	20
62	15
63	10
64	5

(2) The disability benefit granted to members covered under

section 354.44, subdivision 6 or 7 shall be computed in the same manner as the annuity provided in section 354.44, subdivision 6 or 7 of that section, whichever is applicable. The disability benefit shall be the formula annuity without the reduction for each month the member is under normal retirement age 65 when the benefit begins to accrue.

(3) For the purposes of computing a retirement annuity when the member becomes eligible, the amounts paid for disability benefits shall not be deducted from the individual member's accumulated deductions. If the disability benefits provided in this subdivision exceed the monthly average salary of the disabled member, the disability benefits shall be reduced to an amount equal to the disabled member's average salary.

Sec. 68. Minnesota Statutes 1988, section 354.48, subdivision 10, is amended to read:

Subd. 10. [RETIRED STATUS AT NORMAL RETIREMENT AGE 65.] No person shall be entitled to receive both a disability benefit and a retirement annuity provided by this chapter. The disability benefit paid to a person hereunder shall terminate at the end of the month in which the person attains the normal retirement age of 65 years. If the person is still totally and permanently disabled at the beginning of the month next following the month in which the person attains the normal retirement age of 65 years, the person shall be deemed to be on retirement status and, if the person had elected an optional annuity pursuant to subdivision 3a, shall receive an annuity in accordance with the terms of the optional annuity previously elected, or, if the person had not elected an optional annuity pursuant to subdivision 3a, may at the option of the person elect to receive either a straight life retirement annuity computed pursuant to section 354.44 or a straight life retirement annuity equal to the disability benefit paid prior to the date on which the person attained the age of 65 years, whichever amount is greater, or elect to receive an optional annuity as provided in section 354.45, subdivision 1. Election of an optional annuity shall be made prior to the person attaining the normal retirement age of 65 years. If an optional annuity is elected, the election shall be effective on the date on which the person attains the normal retirement age of 65 years and the optional annuity shall begin to accrue on the first day of the month next following the month in which the person attains the that age of 65 years.

Sec. 69. Minnesota Statutes 1988, section 354.49, subdivision 2, is amended to read:

Subd. 2. Except as provided in section 354.44, subdivision 1, any person who ceases to be a member by reason of termination of teaching service, shall receive a refund in an amount equal to the accumulated deductions credited to the account as of June 30, 1957,

and after July 1, 1957, the accumulated deductions with interest at the rate of five six percent per annum compounded annually plus any variable annuity account accumulations payable pursuant to section 354.62, subdivision 5, clause (4). For the purpose of this subdivision, interest shall be computed on fiscal year end balances to the first day of the month in which the refund is issued.

Sec. 70. Minnesota Statutes 1988, section 354.49, subdivision 3, is amended to read:

Subd. 3. Any person who has attained the normal retirement age of at least 65 with less than five three years of credited allowable service shall be entitled to receive a refund in an amount equal to the person's accumulated deductions plus interest in lieu of a proportionate annuity pursuant to section 356.32 except those covered under the provisions of section 354.44, subdivision 6 or 7 in which case the refund shall be an amount equal to the accumulated deductions credited to the person's account as of June 30, 1957, and after July 1, 1957, the accumulated deductions plus interest at the rate of five six percent compounded annually.

Sec. 71. Minnesota Statutes 1988, section 354.55, subdivision 11, is amended to read:

Subd. 11. [DEFERRED ANNUITY; AUGMENTATION.] Any person covered under section 354.44, subdivisions 6 and 7, who ceases to render teaching service may leave the person's accumulated deductions in the fund for the purpose of receiving a deferred annuity at retirement. Eligibility for an annuity under this subdivision shall be governed pursuant to section 354.44, subdivision 1, or 354.60.

The amount of the deferred retirement annuity shall be determined by section 354.44, subdivisions 6 and 7, and augmented as provided in this subdivision. The required reserves related to that portion of the annuity which had accrued when the member ceased to render teaching service shall be augmented by interest compounded annually from the first day of the month following the month during which the member ceased to render teaching service to the effective date of retirement. There shall be no augmentation if this period is less than three months or if this period commences prior to July 1, 1971. The rates of interest used for this purpose shall be five percent compounded annually commencing July 1, 1971, until January 1, 1981, and three percent compounded annually thereafter until January 1 of the year following the year in which the former member attains age 55. From that date to the effective date of retirement, the rate is five percent compounded annually. If a person has more than one period of uninterrupted service, a separate average salary determined under section 354.44, subdivision 6, must be used for each period and the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so

determined shall be the basis for purchasing the deferred annuity. If a person repays a refund, the service restored by the repayment must be considered as continuous with the next period of service for which the person has credit with this fund. If a person does not render teaching service in any one fiscal year or more consecutive fiscal years and then resumes teaching service, the formula percentages used from the date of the resumption of teaching service shall be those applicable to new members. The mortality table and interest assumption used to compute the annuity shall be the applicable mortality table established by the board under section 354.07, subdivision 1, and the interest rate assumption under section 356.215 in effect when the member retires. A period of uninterrupted service for the purposes of this subdivision means a period of covered teaching service during which the member has not been separated from active service for more than one fiscal year.

The provisions of this subdivision shall not apply to variable account accumulations as defined in section 354.05, subdivision 23.

In no case shall the annuity payable under this subdivision be less than the amount of annuity payable pursuant to section 354.44, subdivisions 6 and 7.

The requirements and provisions for retirement before normal retirement age 65 contained in section 354.44, subdivision 6, clause (2) (3) or (5), shall also apply to an employee fulfilling the requirements with a combination of service as provided in section 354.60.

The augmentation provided by this subdivision applies to the benefit provided in section 354.46, subdivision 2.

The augmentation provided by this subdivision shall not apply to any period in which a person is on an approved leave of absence from an employer unit covered by the provisions of this chapter.

Sec. 72. Minnesota Statutes 1988, section 354.60, is amended to read:

354.60 [SERVICE IN OTHER PUBLIC RETIREMENT FUNDS; ANNUITY.]

Any person who has been a member of the Minnesota state retirement system or the public employees retirement association including the public employees retirement association police and fire fund or the teachers retirement association or the Minnesota state patrol retirement association, or any other public employee retirement system in the state of Minnesota having a like provision but excluding all other funds providing benefits for police officers or firefighters shall be entitled when qualified to an annuity from each fund if the person's total allowable service in all three funds or in

any two of these funds totals five three or more years, provided no portion of the allowable service upon which the retirement annuity from one fund is based is again used in the computation for benefits from another fund and provided further that the person has not taken a refund from any one of these three funds since the person's membership in that association has terminated. The annuity from each fund shall be determined by the appropriate provisions of the law except that the requirement that an annuitant have at least five three years' membership service or five three years of allowable service in the respective association shall not apply for the purposes of this section provided the combined service in two or more of these funds equals five three or more years.

Average salary for purposes of this section shall mean an amount equal to the average salary upon which contributions were made for the highest five successive years of service credit, but which shall not in any event include any more than the equivalent of 60 monthly salary payments. Average salary must be based upon all years of service credit if this service credit is less than five years.

(b) This paragraph, in conjunction with subdivision 6, applies to a person who first became a member before July 1, 1989, unless paragraph (c), in conjunction with subdivision 7, produces a higher annuity amount, in which case paragraph (c) will apply. The retirement annuity formula percentage for purposes of this section shall mean paragraph is one percent per year for each year of coordinated service for the first ten years and 1½ percent for each year of coordinated service thereafter.

(c) This paragraph applies to a person who first becomes a member after June 30, 1989, and to any other member whose annuity amount, when calculated under this paragraph and in conjunction with subdivision 7 is higher than it is when calculated under paragraph (b), in conjunction with the provisions of subdivision 6. The retirement annuity formula percentage for purposes of this paragraph is 1½ percent for each year of coordinated service.

Sec. 80. Minnesota Statutes 1988, section 354A.31, subdivision 5, is amended to read:

Subd. 5. [UNREDUCED NORMAL RETIREMENT ANNUITY.] Upon retirement at normal retirement age 65 with at least five three years of service credit or at age 62 with at least 30 years of service credit, a coordinated member shall be entitled to a normal retirement annuity calculated pursuant to subdivision 4.

Sec. 81. Minnesota Statutes 1988, section 354A.31, subdivision 6, is amended to read:

[REDUCED RETIREMENT ANNUITY.] This subdivision applies only to a person who first became a coordinated member before July 1, 1989, and whose annuity is higher when calculated using the retirement annuity formula percentage in subdivision (4), paragraph (b), in conjunction with this subdivision than when calculated under subdivision 4, paragraph (c), in conjunction with subdivision 7.

(a) Upon retirement at an age prior to normal retirement age 65 with five three years of service credit or prior to age 62 with at least 30 years of service credit, a coordinated member shall be entitled to a retirement annuity in an amount equal to the normal retirement annuity calculated using the retirement annuity formula percentage in subdivision (4), paragraph (b), reduced by one-half one-quarter of one percent for each month that the coordinated member is under the normal retirement age of 65 if the coordinated member has less than 30 years of service credit or is under the age of 62 if the coordinated member has at least 30 years of service credit but is over the age of 59, and reduced by one-fourth of one percent for each month that the coordinated member is under the age of 60.

(b) Any coordinated member whose attained age plus credited allowable service totals 90 years is entitled, upon application, to a retirement annuity in an amount equal to the normal retirement annuity calculated using the retirement annuity formula percentage in subdivision (4), paragraph (b), without any reduction by reason of early retirement.

Subd. 7. [ACTUARIAL REDUCTION FOR EARLY RETIREMENT.] This subdivision applies to a person who first becomes a coordinated member after June 30, 1989, and to any other coordinated member whose annuity is higher when calculated using the retirement annuity formula percentage in subdivision 4, paragraph (c), in conjunction with this subdivision than when calculated under subdivision 4, paragraph (b), in conjunction with subdivision 6. A coordinated member who retires before the full benefit age shall be paid the retirement annuity calculated using the retirement annuity formula percentage in subdivision 4, paragraph (c), reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the member if the member deferred receipt of the annuity and the annuity amount were augmented at an annual rate of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

Sec. 83. Minnesota Statutes 1988, section 354A.32, subdivision 1, is amended to read:

Subdivision 1. [OPTIONAL FORMS GENERALLY.] The boards of the Minneapolis and the St. Paul teachers retirement fund associations shall each establish for the coordinated program and the board of the Duluth teachers retirement fund association shall establish for the new law coordinated program an optional retirement annuity which shall take the form of a joint and survivor annuity. Each board may also in its discretion establish an optional annuity which shall take the form of an annuity payable for a period certain and for life thereafter. ~~Each board shall also establish an optional retirement annuity which shall take the form of a guarantee that in the event of death the balance of the accumulated deductions shall be paid to a designated beneficiary.~~ Except as provided in subdivision 1a, optional annuity forms shall be the actuarial equivalent of the normal forms provided in section 354A.31. In establishing these optional annuity forms, the board shall obtain the written recommendation of the commission-retained actuary. The recommendation shall be a part of the permanent records of the board.

Sec. 84. Minnesota Statutes 1988, section 354A.32, is amended by adding a subdivision to read:

Subd. 1a. [BOUNCE-BACK ANNUITY.] (a) If a former coordinated member or disabilitant has selected a joint and survivor annuity option under subdivision 1, the former member or disabilitant must receive a normal single-life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single-life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former coordinated member or disabilitant who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single-life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single-life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single-life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former coordinated member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary

died before July 1, 1989, shall have the annuity increased as of July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Sec. 85. Minnesota Statutes 1988, section 354A.35, subdivision 1, is amended to read:

Subdivision 1. [DEATH BEFORE RETIREMENT; REFUND.] If a coordinated member or former coordinated member dies prior to retirement or prior to the receipt of any retirement annuity or other benefit payment which is or may be payable and a surviving spouse optional annuity is not payable pursuant to subdivision 2, a refund shall be paid to the person's surviving spouse, or if there is none, to the person's designated beneficiary, or if there is none, to the legal representative of the person's estate. The refund shall be in an amount equal to the person's accumulated contributions plus interest at the rate of five six percent per annum compounded annually.

Sec. 86. Minnesota Statutes 1988, section 354A.35, subdivision 2, is amended to read:

Subd. 2. [DEATH WHILE ELIGIBLE TO RETIRE; SURVIVING SPOUSE OPTIONAL ANNUITY.] The surviving spouse of any coordinated member who has attained the age of at least 50 years and has credit for at least five three years of service or has credit for at least 30 years of service regardless of age shall be entitled to joint and survivor annuity coverage in the event of death of the member prior to retirement. The surviving spouse may apply for the annuity at any time after the date on which the deceased employee would have attained the required age for retirement based on the employee's allowable service. The member's surviving spouse shall be paid a joint and survivor annuity as provided in section 354A.32 and computed pursuant to section 354A.31. Sections 354A.37, subdivision 2, and 354A.39 apply to a deferred annuity payable under this section. The benefits shall be payable for life.

Sec. 87. Minnesota Statutes 1988, section 354A.36, subdivision 1, is amended to read:

Subdivision 1. [MINIMUM AGE, SERVICE AND SALARY REQUIREMENTS.] Any coordinated member who has at least five three years of allowable service credit, has an average salary of at least \$75 per month and has become totally and permanently disabled shall be entitled to a disability benefit. If the disabled coordinated member's allowable service credit has not been continuous, at least three two years of the required allowable service shall

be required to have been rendered subsequent to the last interruption in service.

Sec. 88. Minnesota Statutes 1988, section 354A.36, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF DISABILITY BENEFIT.] The coordinated permanent disability benefit shall be an amount equal to the normal coordinated retirement annuity computed pursuant to section 354A.31, subdivision 4, based on allowable service credited to the date of disability but without any reduction for the commencement of the benefit prior to the attainment of normal retirement age 65 or age 62 with at least 30 years of service credit as specified in section 354A.31, subdivision 6. The disabled coordinated member shall not be entitled to elect an optional annuity form pursuant to section 354A.32 prior to attaining normal retirement age 65 as provided in subdivision 10.

Sec. 89. Minnesota Statutes 1988, section 354A.36, subdivision 10, is amended to read:

Subd. 10. [RETIREMENT STATUS UPON ATTAINING NORMAL RETIREMENT AGE 65.] No person shall be entitled to receive both a disability benefit under this section and a retirement annuity under section 354A.31. If a disability benefit recipient remains totally and permanently disabled upon attaining normal retirement age 65, the disability benefit shall terminate and the former disability benefit recipient shall be deemed to be on retirement status. If the former disability benefit recipient had elected an optional annuity pursuant to subdivision 3a, the recipient shall receive an annuity in accordance with the terms of the optional annuity previously elected, or if the recipient had not elected an optional annuity pursuant to subdivision 3a, the recipient shall be entitled either to receive a retirement annuity in an amount equal to the greater of either a single life retirement annuity calculated pursuant to section 354A.31 or the disability benefit paid to the recipient immediately prior to the recipient's attaining normal retirement age 65 or elect either a single life retirement annuity as provided in this section or an actuarial equivalent optional form retirement annuity as provided in section 354A.32. Election of an optional annuity shall be made prior to the person attaining the normal retirement age of 65 years. If an optional annuity is elected, the election shall be effective on the date on which the person attains the normal retirement age of 65 years and the optional annuity shall begin to accrue on the first day of the month next following the month in which the person attains the normal retirement age of 65 years.

Sec. 90. Minnesota Statutes 1988, section 354A.37, subdivision 2, is amended to read:

Subd. 2. [ELIGIBILITY FOR DEFERRED RETIREMENT ANNUITY.] Any coordinated member who ceases to render teaching services for the school district in which the teachers retirement fund association is located, with sufficient allowable service credit to meet the minimum service requirements specified in section 354A.31, subdivision 1, shall be entitled to a deferred retirement annuity in lieu of a refund pursuant to subdivision 1. The deferred retirement annuity shall be computed pursuant to section 354A.31 and it shall be augmented as provided in this subdivision. The deferred annuity shall commence upon application after the person on deferred status attains at least the minimum age specified in section 354A.31, subdivision 1.

The monthly annuity amount that had accrued when the member ceased to render teaching service must be augmented from the first day of the month following the month during which the member ceased to render teaching service to the effective date of retirement. There is no augmentation if this period is less than three months. The rate of augmentation is three percent compounded annually until January 1 of the year following the year in which the former member attains age 55, and five percent compounded annually after that date to the effective date of retirement. If a person has more than one period of uninterrupted service, a separate average salary determined under section 354A.31 must be used for each period, and the monthly annuity amount related to each period must be augmented as provided in this subdivision. The sum of the augmented monthly annuity amounts determines the total deferred annuity payable. If a person repays a refund, the service restored by the repayment must be considered as continuous with the next period of service for which the person has credit with the fund. If a person does not render teaching services in any one fiscal year or more consecutive fiscal years and then resumes teaching service, the formula percentages used from the date of resumption of teaching service are those applicable to new members. The mortality table and interest assumption used to compute the annuity are the table established by the fund to compute other annuities, and the interest assumption under section 356.215 in effect when the member retires. A period of uninterrupted service for the purpose of this subdivision means a period of covered teaching service during which the member has not been separated from active service for more than one fiscal year.

The augmentation provided by this subdivision applies to the benefit provided in section 354A.35, subdivision 2. The augmentation provided by this subdivision does not apply to any period in which a person is on an approved leave of absence from an employer unit.

Sec. 91. Minnesota Statutes 1988, section 354A.37, subdivision 3, is amended to read:

Subd. 3. [COMPUTATION OF REFUND AMOUNT.] A former coordinated member who qualifies for a refund pursuant to subdivision 1 shall receive a refund equal to the amount of the former coordinated member's accumulated contributions with interest at the rate of five six percent per annum compounded annually.

Sec. 92. Minnesota Statutes 1988, section 354A.37, subdivision 4, is amended to read:

Subd. 4. [CERTAIN REFUNDS AT NORMAL RETIREMENT AGE 65.] Any coordinated member who has attained the normal retirement age of at least 65 with less than ten years of allowable service credit and has terminated active teaching service shall be entitled to a refund in lieu of a proportionate annuity pursuant to section 356.32. The refund shall be equal to the coordinated member's accumulated employee contributions plus interest at the rate of five six percent compounded annually.

Sec. 93. Minnesota Statutes 1988, section 354A.39, is amended to read:

354A.39 [SERVICE IN OTHER PUBLIC RETIREMENT FUNDS; ANNUITY.]

Any person who has been a member of the Minnesota state retirement system, the public employees retirement association including the public employees retirement association police and fire fund, the teachers retirement association, the Minnesota state patrol retirement association, the legislators retirement plan, the constitutional officers retirement plan, the Minneapolis employees retirement fund, the Duluth teachers retirement fund association new law coordinated program, the Minneapolis teachers retirement fund association coordinated program, the St. Paul teachers retirement fund association coordinated program, or any other public employee retirement system in the state of Minnesota having a like provision but excluding all other funds providing retirement benefits for police officers or firefighters shall be entitled when qualified to an annuity from each fund if the person's total allowable service in all of the funds or in any two or more of the funds totals five three or more years, provided that no portion of the allowable service upon which the retirement annuity from one fund is based is used again in the computation for a retirement annuity from another fund and provided further that the person has not taken a refund from any of funds or associations since the person's membership in the fund or association has terminated. The annuity from each fund or association shall be determined by the appropriate provisions of the law governing each fund or association, except that the requirement that a person must have at least five three years of allowable service in the respective fund or association shall not apply for the purposes of this section, provided that the aggregate service in two or more of these funds equals five three or more years.

Sec. 94. Minnesota Statutes 1988, section 356.215, subdivision 4d, is amended to read:

Subd. 4d. [INTEREST AND SALARY ASSUMPTIONS.] For funds governed by chapters 3A, 352, 352B, 352C, 353, 353C, 354 other than the variable annuity fund governed by section 354.62, and 490, the actuarial valuation shall use a preretirement interest assumption of eight 8.5 percent, a postretirement interest assumption of five percent, and an assumption that in each future year the salary on which a retirement or other benefit is based is 1.065 multiplied by the salary for the preceding year. For funds governed by chapter 354A, the actuarial valuation shall use preretirement and postretirement assumptions of eight 8.5 percent and an assumption that in each future year the salary on which a retirement or other benefit is based is 1.065 multiplied by the salary for the preceding year, but the actuarial valuation shall reflect the payment of postretirement adjustments to retirees shall be based on the methods specified in the bylaws of the fund as approved by the legislature. For all other funds, the actuarial valuation shall use a preretirement interest assumption of five percent, a postretirement interest assumption of five percent, and an assumption that in each future year the salary on which a retirement or other benefit is based is 1.035 multiplied by the salary for the preceding year.

For funds governed by chapters 3A, 352C, and 490, the actuarial valuation shall use a preretirement interest assumption of eight 8.5 percent, a postretirement interest assumption of five percent, and an assumption that in each future year in which the salary amount payable is not determinable from section 3.099, 15A.081, subdivision 6, or 15A.083, subdivision 1, whichever is applicable, or from applicable compensation council recommendations under section 15A.082, the salary on which a retirement or other benefit is based is 1.065 multiplied by the known or computed salary for the preceding year, whichever is applicable.

Sec. 95. Minnesota Statutes 1988, section 356.215, subdivision 4g, is amended to read:

Subd. 4g. [AMORTIZATION CONTRIBUTIONS.] In addition to the exhibit indicating the level normal cost, the actuarial valuation shall contain an exhibit indicating the additional annual contribution which would be required to amortize the unfunded actuarial accrued liability. For funds governed by chapters 3A, 352, 352B, 352C, 353, 353C, 354, 354A, and 490, the additional contribution shall be calculated on a level percentage of covered payroll basis by the established date for full funding which is in effect when the valuation is prepared. The level percent additional contribution shall be calculated assuming annual payroll growth of 6.5 percent. For all other funds, the additional annual contribution shall be calculated on a level annual dollar amount basis.

If, for any fund other than the Minneapolis employees retirement fund, after the first actuarial valuation date occurring after June 1, ~~1979~~ 1989, there has not been a change in the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial cost method used in calculating the actuarial accrued liability of all or a portion of the fund, or a combination of the three, which change or changes by themselves without inclusion of any other items of increase or decrease produce a net increase in the unfunded actuarial accrued liability of the fund, the established date for full funding for the first actuarial valuation made after June 1, ~~1979~~ 1989, and each successive actuarial valuation shall be the first actuarial valuation date which occurs after June 1, ~~2009~~ 2020.

If, for any fund or plan other than the Minneapolis employees retirement fund, after the first actuarial valuation date occurring after June 1, ~~1979~~ 1989, there has been a change in any or all of the actuarial assumptions used for calculating the actuarial accrued liability of the fund, a change in the benefit plan governing annuities and benefits payable from the fund, a change in the actuarial cost method used in calculating the actuarial accrued liability of all or a portion of the fund, or a combination of the three, and the change or changes, by themselves and without inclusion of any other items of increase or decrease, produce a net increase in the unfunded actuarial accrued liability in the fund, the established date for full funding shall be determined using the following procedure:

(i) the unfunded actuarial accrued liability of the fund shall be determined in accordance with the plan provisions governing annuities and retirement benefits and the actuarial assumptions in effect before an applicable change;

(ii) the level annual dollar contribution or level percentage, whichever is applicable, which is needed to amortize the unfunded actuarial accrued liability amount determined pursuant to subclause (i) by the established date for full funding in effect prior to the change shall be calculated using the interest assumption specified in subdivision 4d in effect before the change;

(iii) the unfunded actuarial accrued liability of the fund shall be determined in accordance with any new plan provisions governing annuities and benefits payable from the fund and any new actuarial assumptions and the remaining plan provisions governing annuities and benefits payable from the fund and actuarial assumptions in effect before the change;

(iv) the level annual dollar contribution or level percentage, whichever is applicable, which is needed to amortize the difference between the unfunded actuarial accrued liability amount calculated pursuant to subclause (i) and the unfunded actuarial accrued

liability amount calculated pursuant to subclause (iii) over a period of 30 years from the end of the plan year in which the applicable change is effective shall be calculated using the applicable interest assumption specified in subdivision 4d in effect after any applicable change;

(v) the level annual dollar or level percentage amortization contribution pursuant to subclause (iv) shall be added to the level annual dollar amortization contribution or level percentage calculated pursuant to subclause (ii);

(vi) the period in which the unfunded actuarial accrued liability amount determined in subclause (iii) will be amortized by the total level annual dollar or level percentage amortization contribution computed pursuant to subclause (v) shall be calculated using the interest assumption specified in subdivision 4d in effect after any applicable change, rounded to the nearest integral number of years, but which shall not exceed a period of 30 years from the end of the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and which shall not be less than the period of years beginning in the plan year in which the determination of the established date for full funding using the procedure set forth in this clause is made and ending by the date for full funding in effect before the change; and

(vii) the period determined pursuant to subclause (vi) shall be added to the date as of which the actuarial valuation was prepared and the date obtained shall be the new established date for full funding.

For the Minneapolis employees retirement fund, the established date for full funding shall be June 30, 2017.

Sec. 96. Minnesota Statutes 1988, section 356.30, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY; COMPUTATION OF ANNUITY.]

(1) Notwithstanding any provisions to the contrary of the laws governing the funds enumerated in subdivision 3, a person who has met the qualifications of clause (2) may elect to receive a retirement annuity from each fund in which the person has at least six months allowable service, based on the allowable service in each fund, subject to the provisions of clause (3).

(2) A person may receive upon retirement, in lieu of any augmentation of deferred annuities provided by laws governing the funds enumerated in subdivision 3, a retirement annuity from each fund in which the person has at least six months allowable service if

(a) the person has allowable service totaling five or more years an

amount that allows the person to receive an annuity in any two or more of the enumerated funds;

(b) the person has at least six months of allowable service with the last such fund earned during the last period of employment; and

(c) the person has not begun to receive an annuity from any enumerated fund or the person has made application for benefits from all funds within a six-month period.

(3) The retirement annuity from each fund shall be based upon the allowable service in each fund, except that:

(a) The laws governing annuities shall be the law in effect on the date of final termination from the last public service under a covered fund.

(b) The "average salary" on which the annuity from each covered fund in which the employee has credit in a formula plan shall be based on the employee's highest five successive years of covered salary during the entire service in covered funds.

(c) The formula percentages to be used by each fund shall be those percentages prescribed by each fund's formula as continued for the respective years of allowable service from one fund to the next, recognizing all previous allowable service with the other covered funds.

(d) Allowable service in all the funds shall be combined in determining eligibility for and the application of each fund's provisions in respect to actuarial reduction in the benefit amount for retirement prior to normal retirement.

(e) The benefit amount payable for any allowable service under a nonformula plan of a covered fund shall not be affected but such service and covered salary shall be used in the above calculation.

(f) This section shall not apply to any person whose final termination from the last public service under a covered fund is prior to May 1, 1975.

(g) For the purpose of computing benefits under this section the formula percentages used by any covered fund shall in no event exceed $2\frac{1}{2}$ percent per year of service for any year of service or fraction thereof.

(h) Any period of time for which a person has credit in more than one of the covered funds shall be used only once for the purpose of determining total allowable service.

(i) If the period of duplicated service credit is more than six months, or the person has credit for more than six months with each of the funds, each fund shall apply its formula to a prorated service credit for the period of duplicated service based on a fraction of the salary on which deductions were paid to that fund for the period divided by the total salary on which deductions were paid to all funds for the period.

(j) If the period of duplicated service credit is less than six months, or when added to other service credit with that fund is less than six months, the service credit shall be ignored and a refund of contributions made to the person in accord with that fund's refund provisions.

Sec. 97. Minnesota Statutes 1988, section 356.32, subdivision 1, is amended to read:

Subdivision 1. [PROPORTIONATE RETIREMENT ANNUITY.] Notwithstanding any provision to the contrary of the laws governing any of the retirement funds referred to in subdivision 2, any person who is an active member of any applicable fund, who has credit for at least one year but less than ten years of allowable service in one or more of the applicable funds, and who terminates active service pursuant to a mandatory retirement law or policy or at age 65 or older, or the normal retirement age if this age is not age 65, for any reason shall be entitled upon making written application on the form prescribed by executive director or executive secretary of the fund to a proportionate retirement annuity from each applicable fund in which the person has allowable service credit. The proportionate annuity shall be calculated under the applicable laws governing annuities based upon allowable service credit at the time of retirement and the person's average salary for the highest five successive years of allowable service or the average salary for the entire period of allowable service if less than five years. Nothing in this section shall prevent the imposition of the appropriate early retirement reduction of an annuity which commences prior to normal retirement age.

Sec. 98. [FIRST CLASS CITY TEACHER FUNDS.]

In accordance with Minnesota Statutes, section 354A.12, subdivision 4, approval is granted for the teachers retirement fund associations in each of the cities of the first class to amend their articles of incorporation or bylaws in the manner specified in this section. The amendments apply only to basic members in the Minneapolis teachers retirement fund association and the St. Paul teachers retirement fund association, and to old law coordinated program members in the Duluth teachers retirement fund association.

(a) For purposes of this paragraph, the retirement formula percentages are:

(1) for Minneapolis teachers retirement fund: 2.25 percent for each year of service;

(2) for St. Paul teachers retirement fund: 2.0 percent for each year of service; and

(3) for Duluth teachers retirement fund old coordinated plan: 1.25 percent for each year of service.

A member whose age plus credited allowable service totals 90 years, is entitled upon termination of active service and application, to a normal retirement annuity provided in the articles and bylaws without any reduction in the amount of the annuity by reason of early retirement unless the benefit in paragraph (b) in conjunction with paragraph (c) produces a higher annuity in which case, paragraph (b) applies. A member who retires before the normal retirement age shall be provided a normal retirement annuity provided in the articles and bylaws, reduced by one-fourth of one percent for each month that the employee is under normal retirement age at the time of retirement unless the benefit in paragraph (b) in conjunction with paragraph (c) produces a higher annuity, in which case paragraph (b) applies. For the Minneapolis teachers retirement association, this paragraph applies only to basic members with less than 30 years of service who have attained age 55. For Minneapolis teachers retirement fund basic members who were first hired after July 1, 1977, and who have 30 or more years of service, the early retirement penalty contained in the articles and bylaws is repealed.

(b) This paragraph applies only to a member whose annuity, when calculated under this paragraph in conjunction with paragraph (c), is higher than when calculated under paragraph (a). The average salary, as specified in the bylaws of St. Paul teachers retirement fund association, the bylaws of Duluth teachers retirement fund association, and the bylaws of Minneapolis teachers retirement fund association, multiplied by 2.5 percent for each year of service for basic members and 1.5 percent for each year of service for old coordinated members of Duluth teachers retirement fund association, shall determine the amount of the retirement annuity to which a member is entitled.

(c) This paragraph applies only to a member whose annuity under paragraph (b) in conjunction with this paragraph is higher than when calculated under paragraph (a). A member who retires under the formula annuity specified in paragraph (b) before the normal retirement age defined in section 354A.011, shall be paid the normal annuity provided in paragraph (b) reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the employee if the employee deferred receipt of the annuity and the annuity amount were augmented at an annual rate

of three percent compounded annually from the day the annuity begins to accrue until the normal retirement age.

(d) The interest rate to be paid on refunds is six percent per annum compounded annually.

(e) Any joint and survivor annuity option is subject to an automatic bounce-back annuity as provided in section 354A.32, subdivision 1a.

(f) A member who is eligible for a deferred retirement annuity shall have the annuity augmented as provided in section 354A.37, subdivision 2.

(g) The first class city teachers retirement funds, may provide optional annuity forms to its retirement program which are the actuarial equivalent of its normal retirement annuity. For all optional forms, the board shall obtain the written recommendation of an approved actuary and the recommendation shall be a part of the permanent records of the board.

Sec. 99. [356.81] [SAVINGS CLAUSE.]

The intent of the legislature in sections 352.01, subdivision 25; 353.01, subdivision 35; 354.05, subdivision 38; and 354A.011, subdivision 15a is to create a normal retirement age for persons first covered by those sections after the effective date of those sections that is the same as the retirement age in the federal Social Security law, including future amendments to that law. If a court determines that the legislature may not incorporate by reference the future changes in federal Social Security law, the legislature reserves the right to amend the appropriate sections to make the normal retirement conform to the retirement age in the federal Social Security law. No person first covered by any of those sections after the effective date of those sections has a right to a normal retirement age that is less than the retirement age in the federal Social Security law.

Sec. 100. [356.85] [REVIEW OF RULE OF 90.]

By September 1, 1993, the executive directors of the teachers retirement association, the state retirement system, and each teachers retirement fund association in a city of the first class must calculate the number of employees who were eligible to retire without any reduction in their annuity due to early retirement because their attained age plus credited allowable service totaled 90 years between the effective date of sections 352.116; 354.44, subdivision 6; 354A.31, subdivision 6, and 98 and June 30, 1993. The executive directors must also calculate the number of these employees who did retire early and who received an unreduced annuity

because their attained age plus credited allowable service totaled 90 years. The executive directors must report the results of their calculation to the executive director of the legislative commission on pensions and retirement. If the calculation shows that number of employees from all of the systems combined who did retire under the rule of 90 is more than 45 percent of the number from all the systems who were eligible to retire under the rule of 90, sections 352.116, subdivision 1, paragraph (b), section 354.44, subdivision 6, clause (3)(iii), section 354A.31, subdivision 6, paragraph (b), and any provision in the bylaws or articles of incorporation of a teachers retirement fund association in the city of the first class that permits unreduced retirement under the rule of 90 are not effective after June 30, 1994. The executive directors must make a similar combined calculation before September 1, 1998 and September 1 every five years after that, based on use of the rule of 90 during the four year period ending on the most recent June 30. If any calculation shows that the number of employees who retired under the rule of 90 is more than 45 percent of the number eligible to retire under the rule of 90, sections 352.116, subdivision 1, paragraph (b), section 354.44, subdivision 6, clause (3)(iii), section 354A.31, subdivision 6, paragraph (b), and any provision in the bylaws or articles of incorporation of a teachers retirement fund association in the city of the first class that permits unreduced retirement under the rule of 90 are not effective after the following June 30. The legislature reserves the right to amend or repeal sections 352.116, subdivision 1, paragraph (b), section 354.44, subdivision 6, clause (3)(iii), section 354A.31, subdivision 6, paragraph (b), and any provision in the bylaws or articles of incorporation of a teachers retirement fund association in the city of the first class that permits unreduced retirement under the rule of 90, effective July 1, 1994 and July 1 every fifth year after 1994.

Sec. 101. [REPEALER.]

Minnesota Statutes 1988, section 354A.32, subdivision 2, is repealed.

Sec. 102. [EFFECTIVE DATE.]

Sections 1 to 101 are effective May 16, 1989. Sections 90 and 98, paragraph (f), are effective May 16, 1989, and apply retroactively to a person who is eligible for a deferred retirement annuity on that date, and whose retirement annuity has not begun to accrue.

ARTICLE 14

PARTIAL POSTRETIREMENT ADJUSTMENTS

Section 1. Minnesota Statutes 1988, section 11A.18, subdivision 9, is amended to read:

Subd. 9. [CALCULATION OF POSTRETIREMENT ADJUSTMENT.] Annually, following June 30, the state board shall determine whether a postretirement adjustment shall be is payable and shall determine the amount of any postretirement adjustment which shall be that is payable.

(1) The state board shall determine whether a postretirement adjustment shall be is payable using the following procedure:

(a) The state board shall determine the amount of dividends, interest, accruals and realized capital gains or losses applicable to the most recent fiscal year ending June 30;

(b) The amount of reserves required for the annuity or benefit payable to an annuitant and benefit recipient of the participating public pension plans or funds shall be determined by the commission-retained actuary as of the current June 30. An annuitant or benefit recipient who has been receiving an annuity or benefit for at least one year 12 full months as of the current June 30 shall be is eligible to receive a full postretirement adjustment. An annuitant or benefit recipient who has been receiving an annuity or benefit for at least one full month, but less than 12 full months as of the current June 30, is eligible to receive a partial postretirement adjustment. Each fund shall report separately the amount of the reserves for those annuitants and benefit recipients who are eligible to receive a full postretirement benefit adjustment and. This amount is known as "eligible reserves." Each fund shall also report separately the amount of the reserves for those annuitants and benefit recipients who are not eligible to receive a postretirement adjustment shall be reported separately. This amount is known as "noneligible reserves." For an annuitant or benefit recipient who is eligible to receive a partial postretirement adjustment, each fund shall report separately as additional "eligible reserves" an amount that bears the same ratio to the total reserves required for the annuitant or benefit recipient as the number of full months of annuity or benefit receipt as of the current June 30 bears to 12 full months. The remainder of the annuitant's or benefit recipient's reserves shall be separately reported as additional "noneligible reserves." The amount of the "eligible" and "noneligible" required reserves shall be certified to the board by the commission-retained actuary as soon as is practical following the current June 30;

(c) The state board shall determine the amount of investment income required to equal five percent of the total amount of the required reserves as of the preceding June 30 adjusted by five percent of each transfer in or transfer out multiplied by the fraction of a year from the date of transfer to the current June 30. This amount of required investment income shall be subtracted from the actual amount of investment income determined according to clause (1)(a), to determine the amount of excess investment income. If this amount is positive, then a postretirement adjustment may be paid.

(2) The state board shall determine the amount of any postretirement adjustment which is payable using the following procedure:

(a) The state board shall determine the amount of excess investment income by the method indicated in clause (1);

(b) The total "eligible" required reserves as of the first of January next following the end of the fiscal year for the annuitants and benefit recipients eligible to receive the a full or partial postretirement adjustment as determined by clause (1)(b) shall be certified to the state board by the commission-retained actuary. The total "eligible" required reserves shall be determined by the commission-retained actuary on the assumption that all annuitants and benefit recipients eligible to receive the a full or partial postretirement adjustment will be alive on the January 1 in question;

(c) If the state board determines that the book value of the assets of the fund is less than an amount equal to the total amount of the current June 30 required reserves, with the book value and required reserves to be determined after the adjustments provided for in subdivision 11, then the state board shall allocate five percent of the excess investment income as an asset of the fund. The excess investment income allocated as an asset of the fund shall not exceed the difference between book value and required reserves. The remaining amount shall be termed available for distribution. The book value of assets on any given date shall be the net assets at cost less the excess investment income determined pursuant to clause (1)(c);

(d) The resulting total amount available for distribution shall be increased by $2\frac{1}{2}$ percent, and the result shall be stated as a percentage of the total amount of the required reserves pursuant to clause (2)(b), and if the percentage is equal to or greater than one percent, the amount shall be certified to each participating public pension fund or plan as the amount of the full postretirement adjustment amount. If the percentage is less than one percent, no postretirement adjustment shall be payable in that year and the amount otherwise available for distribution shall be credited to a separate reserve established for this purpose. The reserve shall be invested in the same manner as all other assets of the fund and shall be credited with any investment income as specified in clause (1)(a). Amounts credited to the reserve shall be utilized in determining a postretirement adjustment in the subsequent year. The amount of any full postretirement adjustment certified by the state board as payable to the participating public pension plans or funds shall be carried to five decimal places and stated as a percentage.

(e) A retirement annuity payable in the event of retirement before becoming eligible for social security benefits as provided in section 352.116, subdivision 3; 353.29, subdivision 6; or 354.35 must be treated as the sum of a period certain retirement annuity and a life

retirement annuity for the purposes of any postretirement adjustment. The period certain retirement annuity plus the life retirement annuity shall be the annuity amount payable until age 62 or 65, whichever applies. A postretirement adjustment granted on the period certain retirement annuity must terminate when the period certain retirement annuity terminates.

Sec. 2. Minnesota Statutes 1988, section 11A.18, subdivision 10, is amended to read:

Subd. 10. [PAYMENT OF POSTRETIREMENT ADJUSTMENT.] Upon receiving the certification of the amount of the full postretirement adjustment from the state board, each participating public pension fund or plan shall determine the amount of the postretirement adjustment payable to each eligible annuitant and benefit recipient. The dollar amount of the postretirement adjustment payable to each annuitant or benefit recipient shall be calculated by applying the certified postretirement adjustment percentage to the amount of the monthly annuity or benefit payable to each eligible annuitant or benefit recipient eligible for a full adjustment.

The dollar amount of the partial postretirement adjustment payable to each annuitant or benefit recipient eligible for a partial adjustment shall be calculated by first determining a partial percentage amount that bears the same ratio to the certified full adjustment percentage amount as the number of full months of annuity or benefit receipt as of the current June 30 bears to 12 full months. The partial percentage amount determined shall then be applied to the amount of the monthly annuity or benefit payable to each annuitant or benefit recipient eligible to receive a partial postretirement adjustment. The postretirement adjustment adjustments shall commence to be paid on January 1 following the calculations required pursuant to this section and shall thereafter be included in the monthly annuity or benefit paid to the recipient. Notwithstanding section 356.18, any adjustment adjustments pursuant to this section shall be paid automatically unless the intended recipient files a written notice with the applicable participating public pension fund or plan requesting that the adjustment not be paid.

Sec. 11. Minnesota Statutes 1988, section 353.30, is amended by adding a subdivision to read:

Subd. 3a. [BOUNCE BACK ANNUITY.] (a) The board of trustees must provide a joint and survivor annuity option to members of the police and fire fund. Under this option, a former member or disabilitant must receive a normal single life annuity if the designated optional annuity beneficiary dies before the former member or disabilitant. Under this option, no reduction may be made in the person's annuity to provide for restoration of the normal single life annuity in the event of the death of the designated optional annuity beneficiary.

(b) A former member or disabilitant of the police and fire fund who selected an optional joint and survivor annuity before July 1, 1989, but did not choose an option that provides that the normal single life annuity is payable to the former member or the disabilitant if the designated optional annuity beneficiary dies first, is eligible for restoration of the normal single life annuity if the designated optional annuity beneficiary dies first, without further actuarial reduction of the person's annuity. A former member or disabilitant who selected an optional joint and survivor annuity, but whose designated optional annuity beneficiary died before July 1, 1989, shall receive a normal single life annuity after that date, but shall not receive retroactive payments for periods before that date.

(c) A former member or disabilitant who took a further actuarial reduction to elect an optional joint and survivor annuity that provides that the normal annuity is payable to the former member or disabilitant if the designated optional beneficiary died before July 1, 1989, shall have their annuity increased as of July 1, 1989, to the amount the person would have received if, at the time of retirement or disability, the person had selected only optional survivor coverage that would not have provided for restoration of the normal annuity upon the death of the designated optional annuity beneficiary. Any annuity or benefit increase under this paragraph is effective only for payments made after June 30, 1989, and is not retroactive for payments made before July 1, 1989.

Sec. 12. Minnesota Statutes 1988, section 353.651, subdivision 3, is amended to read:

Subd. 3. [RETIREMENT ANNUITY FORMULA.] The average salary as defined in subdivision 2, multiplied by $2\frac{1}{2}$ percent per year of allowable service for the first 25 years and two percent per year of allowable service thereafter, shall determine the amount of the normal retirement annuity. If the member has earned allowable service for performing services other than those of a police officer or firefighter, the annuity representing such service shall be computed in accordance with sections 353.29 and 353.30.

Sec. 13. Minnesota Statutes 1988, section 353.651, is amended by adding a subdivision to read:

Subd. 4. [EARLY RETIREMENT.] Any police officer or firefighter member who has attained the age of at least 50 and who has at least five years of allowable service is entitled upon application to a retirement annuity equal to the normal annuity calculated under subdivision 3, reduced so that the reduced annuity is the actuarial equivalent of the annuity that would be payable to the member if the member deferred receipt of the annuity from the day the annuity begins to accrue until the member attains age 55.

Sec. 14. Minnesota Statutes 1988, section 353.656, subdivision 1, is amended to read:

Subdivision 1. [IN LINE OF DUTY; COMPUTATION OF BENEFITS.] Any member of the police and fire fund less than 55 years of age, who shall become disabled and physically unfit to perform duties as a police officer or firefighter subsequent to June 30, 1973, as a direct result of an injury, sickness, or other disability incurred in or arising out of any act of duty, which shall render the member physically or mentally unable to perform duties as a police officer or firefighter, shall receive disability benefits during the period of such disability. The benefits shall be in an amount equal to 50 percent of the "average salary" pursuant to subdivision 3 plus an additional $2\frac{1}{2}$ percent of said average salary for each year of service in excess of 20 years ~~but not exceeding 25 years and two percent for each year thereafter~~. Should disability under this subdivision occur before the member has at least five years of allowable service credit in the police and fire fund, the disability benefit shall be computed on the "average salary" from which deductions were made for contribution to the police and fire fund.

Sec. 15. Minnesota Statutes 1988, section 353.656, subdivision 3, is amended to read:

Subd. 3. [NONDUTY DISABILITY BENEFIT.] Any member who becomes disabled after not less than five years one year of allowable service, before reaching the age of 55, because of sickness or injury occurring while not on duty as a police officer or firefighter, and by reason of that sickness or injury the member is unable to perform duties as a police officer or firefighter, shall be entitled to receive a

disability benefit. The benefit shall be in the same amount and paid in the same manner as if the member were 55 years of age at the date of disability and the benefit were paid pursuant to section 353.651. If a disability under this subdivision occurs after ~~five~~ one but in less than ~~ten~~ 15 years of allowable service, the disability benefit shall be the same as though the member had at least ~~ten~~ 15 years service. For any member who is employed as a full-time firefighter by the department of military affairs of the state of Minnesota, allowable service as a full-time state military affairs department firefighter credited by the Minnesota state retirement system may be used in meeting the minimum allowable service requirement of this subdivision.

Sec. 16. Minnesota Statutes 1988, section 353.657, subdivision 2, is amended to read:

Subd. 2. The spouse, for life or until remarriage, shall receive a monthly benefit equal to ~~30~~ 50 percent of the member's average full-time monthly salary rate as a police officer or firefighter in effect over the last six months of allowable service preceding the month in which death occurred.

Sec. 17. Minnesota Statutes 1988, section 353.657, subdivision 3, is amended to read:

Subd. 3. Each dependent child, until the child reaches the age of 18 years, shall receive a monthly benefit equal to ten percent of the member's average full-time monthly salary rate as a police officer or firefighter in effect over the last six months of allowable service preceding the month in which death occurred. A dependent child shall receive this benefit until age 23, so long as the child submits evidence of full-time enrollment in an accredited post-secondary educational institution for at least five of the 12 months immediately preceding the month for which benefits are sought. Payments for the benefit of any qualified dependent child ~~under the age of 18~~ years shall be made to the surviving parent, or if there be none, to the legal guardian of the child or to any adult person with whom the child may at the time be living, provided only that the parent or other person to whom any amount is to be paid shall have advised the board in writing that the amount will be held or used in trust for the benefit of the child. The maximum monthly benefit for any one family shall not exceed an amount equal to ~~50~~ 70 percent of the member's specified average monthly salary, and the minimum benefit per family shall not be less than ~~30~~ 50 percent of the member's specified average monthly salary.

No. 852, A bill for an act relating to transportation; changing distribution of highway user taxes; authorizing use of state park road account to improve and maintain town roads that provide immediate access to state parks and campgrounds; increasing motor vehicle license tax on older vehicles; appropriating money; amending Minnesota Statutes 1988, sections 161.081; 161.082, subdivision 2a; 162.06, subdivision 5; 162.081, subdivision 1; and 168.013, subdivision 1a.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 161.081, is amended to read:

161.081 [HIGHWAY USER TAX, DISTRIBUTION OF PORTION OF PROCEEDS.]

Pursuant to article 14, section 5, of the constitution, five percent of the net highway user tax distribution fund is set aside, and apportioned as follows:

- (1) ~~51~~ 28 percent to the trunk highway fund;
- (2) ~~41~~ 64 percent to a separate account in the county state-aid highway fund to be known as the county turnback account, which account in the state treasury is hereby created;
- (3) 8 percent to a separate account in the municipal state-aid street fund to be known as the municipal turnback account, which account in the state treasury is hereby created.

Sec. 2. Minnesota Statutes 1988, section 161.082, subdivision 2a, is amended to read:

Subd. 2a. An amount equal to ~~20~~ 25 percent of the county turnback account must be expended, ~~within~~ counties having two or more towns, on town road bridge structures that are 10 feet or more in length and on town road culverts that replace existing town road bridges. In addition, if the present bridge structure is less than ten feet in length but a hydrological survey indicates that the replacement bridge structure or culvert must be ten feet or more in length, then the bridge or culvert is eligible for replacement funds. The expenditures on bridge structures and culverts may be on a matching basis, and if on a matching basis, not more than 90 percent of the cost of a bridge structure or culvert may be paid from the county turnback account.

An amount equal to ~~37~~ 47.5 percent of the county turnback account must be set aside as a town road account and distributed as provided in section 162.081.

Sec. 3. Minnesota Statutes 1988, section 162.06, subdivision 5, is amended to read:

Subd. 5. [STATE PARK ROAD ACCOUNT.] After deducting for administrative costs and for the disaster account and research account as heretofore provided from the remainder of the total sum provided for in subdivision 1, there shall be deducted a sum equal to the three-quarters of one percent of the remainder. The sum so

deducted shall be set aside in a separate account and shall be used for (1) the establishment, location, relocation, construction, reconstruction, and improvement of those roads included in the county state-aid highway system under Minnesota Statutes 1961, section 162.02, subdivision 6, which border and provide substantial access to an outdoor recreation unit as defined in section 86A.04 or which provide access to the headquarters of or the principal parking lot located within such a unit, and (2) the reconstruction, improvement, repair, and maintenance of county roads, city streets, and town roads that provide immediate access to public lakes, state parks, and state campgrounds. Roads described in clause (2) are not required to meet county state-aid highway standards. At the request of the commissioner of natural resources the counties wherein such roads are located shall do such work as requested in the same manner as on any county state-aid highway and shall be reimbursed for such construction, reconstruction, or improvements from the amount set aside by this subdivision. Before requesting a county to do work on a county state-aid highway as provided in this subdivision, the commissioner of natural resources must obtain approval for the project from the county state-aid screening board. The screening board, before giving its approval, must obtain a written comment on the project from the county engineer of the county requested to undertake the project. Before requesting a county to do work on a county road, city street, or a town road that provides immediate access to a public lake, a state park, or a state campground, the commissioner of natural resources shall obtain a written comment on the project from the county engineer of the county requested to undertake the project. Any sums paid to counties in accordance with this subdivision shall reduce the money needs of said counties in the amounts necessary to equalize their status with those counties not receiving such payments. Any balance of the amount so set aside, at the end of each year shall be transferred to the county state-aid highway fund.

Sec. 4. Minnesota Statutes 1988, section 162.081, subdivision 1, is amended to read:

Subdivision 1. [ACCOUNT CREATED.] A town road account is created in the county state-aid highway fund, consisting of 37 percent of the amounts transferred from the county turnback account as provided in section 161.082.

Sec. 5. Minnesota Statutes 1988, section 168.013, subdivision 1a, is amended to read:

Subd. 1a. [PASSENGER AUTOMOBILES; AMBULANCES; HEARSEs.] (a) On passenger automobiles as defined in section 168.011, subdivision 7, ambulances, and hearses, except as otherwise provided, the tax shall be \$10 plus an additional tax equal to 1.25 percent of the base value, ~~except that on pickup trucks the tax shall be:~~

(a) for the 1982 registration year, \$10 plus an additional tax equal to .75 percent of base value;

(b) for the 1983 registration year and each succeeding year, \$10 plus an additional tax equal to 1.25 percent of base value.

(b) Subject to the classification provisions herein, "base value" means the manufacturer's suggested retail price of the vehicle including destination charge as reflected on the price listing affixed to the vehicle in conformity with United States Code, title 15, sections 1231 to 1233 (Public Law Number 85-506) or otherwise suggested by the manufacturer or determined by the registrar if no suggested retail price exists, and shall not include the cost of each accessory or item of optional equipment separately added to the vehicle and the suggested retail price.

(c) If unable to determine the base value because the vehicle is specially constructed, or for any other reason, the registrar may establish such value upon the cost price to the purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales or use tax or any local sales or other local tax.

(d) The registrar shall classify every vehicle in its proper base value class as follows:

FROM	TO
\$ 0	\$199.99
200	399.99

and thereafter a series of classes successively set in brackets having a spread of \$200 consisting of such number of classes as will permit classification of all vehicles.

(e) The base value for purposes of this section shall be the middle point between the extremes of its class.

(f) The registrar shall establish the base value, when new, of every passenger automobile, ambulance and hearse registered prior to the effective date of Extra Session Laws 1971, chapter 31, using list price information published by the manufacturer or any nationally recognized firm or association compiling such data for the automotive industry. If unable to ascertain the base value of any registered vehicle in the foregoing manner, the registrar may use any other available source or method. The tax on all previously registered vehicles shall be computed upon the base value thus determined taking into account the depreciation provisions of Extra Session Laws 1971, chapter 31.

(g) Except as provided in paragraph (h), the annual additional tax computed upon the base value as provided herein, during the first year and second years of vehicle life shall be computed upon 100 percent of the base value; for the second year third and fourth years,

90 percent of such value; for the third year fifth and sixth years, 75 percent of such value; for the fourth year seventh year, 60 percent of such value; for the fifth year, 45 percent of such value; for the sixth year, 35 percent of such value; for the seventh year, 30 percent of such value; for the eighth year, 20 percent of such value; for the ninth year, 15 percent of such value; for the tenth year, ten percent of such value; for the 11th and each succeeding year, the sum of \$13; provided that for registrations renewed on or after January 1, 1982, the annual additional tax for the 11th and each succeeding year of vehicle life shall be \$13, for registrations renewed on or after January 1, 1983, the annual additional tax shall be \$18, for registrations renewed on or after January 1, 1984, the annual additional tax shall be \$22, and for registrations renewed on or after January 1, 1985, the annual additional tax shall be \$25.

In no event shall the annual additional tax be less than \$13 for any registration renewed after January 1, 1982, nor less than \$18 for any registration renewed after January 1, 1983, \$22 for any registration renewed after January 1, 1984, and \$25 for any registration renewed after January 1, 1985.

(h) The annual additional tax under paragraph (g) on a motor vehicle on which the first annual tax was paid before the effective date of this section must not exceed the tax that was paid on that vehicle the year before.

Sec. 6. Minnesota Statutes 1988, section 297B.09, subdivision 1, is amended to read:

Subdivision 1. [GENERAL FUND SHARE.] (a) Money collected and received under this chapter must be deposited in the state treasury and credited to the general fund. The amounts collected and received shall be credited as provided in this subdivision, and transferred from the general fund on July 15 and January 15 of each fiscal year. The commissioner of finance must make each transfer based upon the actual receipts of the preceding six calendar months and include the interest earned during that six-month period. The commissioner of finance may establish a quarterly or other schedule providing for more frequent payments to the transit assistance fund if the commissioner determines it is necessary or desirable to provide for the cash flow needs of the recipients of money from the transit assistance fund.

(b) Thirty percent of the money collected and received under this chapter after June 30, 1988, and before July 1, 1991 1989, must be deposited in the highway user tax distribution fund and the transit assistance fund for apportionment as follows: 75 percent must be credited to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent of the money must be credited to the transit assistance fund to be appropriated to the

commissioner of transportation for transit assistance within the state and to the regional transit board.

(c) ~~Thirty~~ Thirty-five percent of the money collected and received under this chapter after June 30, ~~1991~~ 1989 and before July 1, 1990, must be deposited in the ~~trunk~~ highway user tax distribution fund and the transit assistance fund for apportionment as follows: 75 percent must be credited to the ~~trunk~~ highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent must be credited to the transit assistance fund.

(d) Forty percent of the money collected and received under this chapter after June 30, 1990, must be deposited in the highway user tax distribution fund and the transit assistance fund for apportionment as follows: 75 percent must be credited to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent must be credited to the transit assistance fund.

(e) The distributions under this subdivision to the highway user tax distribution fund ~~until June 30, 1991, and to the trunk highway fund thereafter,~~ must be reduced by the amount necessary to fund the appropriation under section 41A.09, subdivision 1. ~~For the fiscal years ending June 30, 1988, and June 30, 1989,~~ The commissioner of finance, before making the transfers required on July 15 and January 15 of each year, shall estimate the amount required to fund the appropriation under section 41A.09, subdivision 1, for the six-month period for which the transfer is being made. The commissioner shall then reduce the amount transferred to the highway user tax distribution fund by the amount of that estimate. The commissioner shall reduce the estimate for any six-month period by the amount by which the estimate for the previous six-month period exceeded the amount needed to fund the appropriation under section 41A.09, subdivision 1, for that previous six-month period. If at any time during a six-month period in those fiscal years the amount of reduction in the transfer to the highway user tax distribution fund is insufficient to fund the appropriation under section 41A.09, subdivision 1 for that period, the commissioner shall transfer to the general fund from the highway user tax distribution fund an additional amount sufficient to fund the appropriation for that period, but the additional amount so transferred to the general fund in a six-month period may not exceed the amount transferred to the highway user tax distribution fund for that six-month period.

Sec. 7. [APPROPRIATIONS.]

If a child is under the court's delinquency jurisdiction, it shall be the duty of the court to ensure that reasonable efforts are made to reunite the child with the child's family at the earliest possible time, consistent with the best interests of the child and the safety of the public.

"Reasonable efforts" means the exercise of due diligence by the responsible social service agency to use appropriate and available services to meet the needs of the child and the child's family in order to prevent removal of the child from the child's family; or upon removal, services to eliminate the need for removal and reunite the family. Services may include those listed under section 256F.07, subdivision 3, and other appropriate services available in the community. The social service agency has the burden of demonstrating that it has made reasonable efforts.

The juvenile court, in proceedings under sections 260.172, 260.191, and 260.221 shall make findings and conclusions as to the provision of reasonable efforts. When determining whether reasonable efforts have been made, the court shall consider whether services to the child and family were:

- (1) relevant to the safety and protection of the child;
- (2) adequate to meet the needs of the child and family;
- (3) culturally appropriate;
- (4) available and accessible;
- (5) consistent and timely; and
- (6) realistic under the circumstances.

Nothing in this section prevents, delays, or limits out-of-home placement for treatment of a child with an emotional disturbance or

mental disability when the child's diagnostic assessment or individual treatment plan indicates the placement is clinically appropriate.

Subd. 5. [JURISDICTION OVER INDIAN CHILDREN.] In a child in need of protection or services proceeding, when an Indian child is a ward of a tribal court with federally recognized child welfare jurisdiction, the Indian tribe retains exclusive jurisdiction notwithstanding the residence or domicile of an Indian child, as provided in the Indian Child Welfare Act of 1978, United States Code, title 25, section 1911.

Sec. 9. Minnesota Statutes 1988, section 260.135, subdivision 2, is amended to read:

Subd. 2. The court shall have notice of the pendency of the case and of the time and place of the hearing served upon a parent, guardian, or spouse of the child, who has not been summoned as provided in subdivision 1. For an Indian child, notice of all proceedings must comply with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq., and section 257.353.

Sec. 10. Minnesota Statutes 1988, section 260.141, is amended by adding a subdivision to read:

Subd. 2a. In any proceeding regarding a child in need of protection or services in a state court where the court knows or has reason to know that an Indian child is involved, the prosecuting authority seeking the foster care placement of, or termination of parental rights to an Indian child, shall notify the parent or Indian custodian and the Indian child's tribe of the pending proceedings and of their right of intervention. Unless personal service is accomplished, the notices required under this subdivision shall be made by registered mail with return receipt requested. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, the notices shall be given to the Secretary of the Interior of the United States in like manner, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912. No foster care placement proceeding or termination of parental rights proceeding shall be held until at least ten days after receipt of notice by the

parent or Indian custodian and the tribe or the Secretary. However, the parent or Indian custodian or the tribe shall, upon request, be granted up to 20 additional days to prepare for the proceeding.

Sec. 11. Minnesota Statutes 1988, section 260.155, subdivision 1a, is amended to read:

Subd. 1a. [RIGHT TO PARTICIPATE IN PROCEEDINGS.] A child who is the subject of a petition, and the parents, guardian, or lawful custodian of the child have the right to participate in all proceedings on a petition. Any grandparent of the child ~~has a right to participate in the proceedings to the same extent as a parent, if the child has lived with the grandparent within the two years preceding the filing of the petition, may ask the court for the right to participate in the proceedings. In determining whether and to what extent the grandparent should participate, the court shall consider the best interests of the child. A grandparent who is entitled to notice but who is not given the right to participate shall still have the right to be present at the hearing, subject to subdivision 5.~~ At the first hearing following the filing of a petition, the court shall ask whether the child has lived with a grandparent within the last two years, except that the court need not make this inquiry if the petition states that the child did not live with a grandparent during this time period. Failure to notify a grandparent of the proceedings is not a jurisdictional defect.

Sec. 12. Minnesota Statutes 1988, section 260.155, subdivision 4, is amended to read:

Subd. 4. [GUARDIAN AD LITEM.] (a) The court shall appoint a guardian ad litem to protect the interests of the minor when it appears, at any stage of the proceedings, that the minor is without a parent or guardian, or that the minor's parent is a minor or incompetent, or that the parent or guardian is indifferent or hostile to the minor's interests, and in every proceeding alleging a child's need for protection or services under section 260.015, subdivision 2a, clauses (1) to (10). In any other case the court may appoint a guardian ad litem to protect the interests of the minor when the court feels that such an appointment is desirable. The court shall appoint the guardian ad litem on its own motion or in the manner provided for the appointment of a guardian ad litem in the district court.

(b) The court may waive the appointment of a guardian ad litem pursuant to clause (a), whenever counsel has been appointed pursuant to subdivision 2 or is retained otherwise, and the court is satisfied that the interests of the minor are protected.

(c) In appointing a guardian ad litem pursuant to clause (a), the court shall not appoint the party, or any agent or employee thereof, filing a petition pursuant to section 260.131.

(d) The following factors shall be considered if a guardian ad litem is appointed in a case involving an Indian or minority child:

(1) whether a person is available who is the same racial or ethnic heritage as the child or, if that is not possible,

(2) whether a person is available who knows and appreciates the child's racial or ethnic heritage.

Sec. 13. Minnesota Statutes 1988, section 260.155, subdivision 7, is amended to read:

Subd. 7. [FACTORS IN DETERMINING NEGLECT.] In determining whether a child is neglected and in foster care, the court shall consider, among other factors, the following:

(1) the length of time the child has been in foster care;

(2) the effort the parent has made to adjust circumstances, conduct, or condition that necessitates the removal of the child to make it in the child's best interest to be returned to the parent's home in the foreseeable future, including the use of rehabilitative services offered to the parent;

(3) whether the parent has visited the child within the three months preceding the filing of the petition, unless extreme financial or physical hardship or treatment for mental disability or chemical dependency or other good cause prevented the parent from visiting the child or it was not in the best interests of the child to be visited by the parent;

(4) the maintenance of regular contact or communication with the agency or person temporarily responsible for the child;

(5) the appropriateness and adequacy of services provided or offered to the parent to facilitate a reunion;

(6) whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time, whether the services have been offered to the parent or, if services were not offered, the reasons they were not offered; and

(7) the nature of the ~~effort~~ efforts made by the responsible social service agency to rehabilitate and reunite the family, and whether the efforts were reasonable.

Sec. 14. Minnesota Statutes 1988, section 260.165, subdivision 1, is amended to read:

Subdivision 1. No child may be taken into immediate custody except:

(a) With an order issued by the court in accordance with the provisions of section 260.135, subdivision 5, or by a warrant issued in accordance with the provisions of section 260.145; or

(b) In accordance with the laws relating to arrests; or

(c) By a peace officer

(1) when a child has run away from a parent, guardian, or custodian, or when the peace officer reasonably believes such child has run away from a parent, guardian, or custodian; or

(2) when a child is found in surroundings or conditions which endanger the child's health or welfare or which such peace officer reasonably believes will endanger such the child's health or welfare. If an Indian child is a resident of a reservation or is domiciled on a reservation but temporarily located off the reservation, the taking of the child into custody under this clause shall be consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1922; or

(d) By a peace officer or probation or parole officer when it is reasonably believed that the child has violated the terms of probation, parole, or other field supervision.

Sec. 15. Minnesota Statutes 1988, section 260.171, subdivision 1, is amended to read:

Subdivision 1. If a child is taken into custody as provided in section 260.165, the parent, guardian, or custodian of the child shall be notified as soon as possible. Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, run away from the child's parent, guardian, or custodian or otherwise not remain in the care or control of the person to whose lawful custody the child is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person. When a child is taken into custody by a peace officer under section 260.165, subdivision 1, clause (c)(2), release from detention may be authorized by the detaining officer, the detaining officer's supervisor, or the county attorney. If the social service agency has determined that the child's health or welfare will not be endangered and the provision of appropriate and available services will eliminate the need for placement, the agency shall request authorization for the child's release from detention. That The person to whom the child is released shall promise to bring the child to the court, if necessary, at the time the court may direct. If the person

taking the child into custody believes it desirable, that person may request the parent, guardian, custodian, or other person designated by the court to sign a written promise to bring the child to court as provided above. The intentional violation of such a promise, whether given orally or in writing, shall be punishable as contempt of court.

The court may require the parent, guardian, custodian, or other person to whom the child is released, to post any reasonable bail or bond required by the court which shall be forfeited to the court if the child does not appear as directed. The court may also release the child on the child's own promise to appear in juvenile court.

Sec. 16. Minnesota Statutes 1988, section 260.172, subdivision 1, is amended to read:

Subdivision 1. Except a child taken into custody pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), a hearing shall be held within 36 hours of a child's being taken into custody, excluding Saturdays, Sundays, and holidays, to determine whether the child should continue in detention. Within 72 hours of a child being taken into custody pursuant to section 260.165, subdivision 1, clause (a) or (c)(2), excluding Saturdays, Sundays, and holidays, a hearing shall be held to determine whether the child should continue in custody. Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, run away from the child's parent, guardian, or custodian or otherwise not remain in the care or control of the person to whose lawful custody the child is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person. In a proceeding regarding a child in need of protection or services, the court, before determining whether a child should continue in custody, shall also make a determination, consistent with section 260.012, as to whether reasonable efforts, or in the case of an Indian child, active efforts, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d), were made to prevent placement or to reunite the child with the child's family, or that reasonable efforts were not possible. The court shall also determine whether there are available services that would prevent the need for further detention.

If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

Sec. 17. Minnesota Statutes 1988, section 260.172, subdivision 4, is amended to read:

Subd. 4. If a child held in detention under a court order issued under subdivision 2 has not been released prior to expiration of the

order, the court or referee shall informally review the child's case file to determine, under the standards provided by subdivision 1, whether detention should be continued. If detention is continued thereafter, informal reviews such as these shall be held within every eight days, excluding Saturdays, Sundays and holidays, of the child's detention.

A hearing, rather than an informal review of the child's case file, shall be held at the request of any one of the parties notified pursuant to subdivision 3, if that party notifies the court of a wish to present to the court new evidence concerning whether the child should be continued in detention or notifies the court of a wish to present an alternate placement arrangement to provide for the safety and protection of the child.

In addition, if a child was taken into detention under section 260.135, subdivision 5, or 260.165, subdivision 1, clause (c)(2), and is held in detention under a court order issued under subdivision 2, the court shall schedule and hold an adjudicatory hearing on the petition within 60 days of the detention hearing upon the request of any party to the proceeding unless. However, if good cause is shown by a party to the proceeding why the hearing should not be held within that time period, the hearing shall be held within 90 days, unless the parties agree otherwise and the court so orders.

Sec. 18. Minnesota Statutes 1988, section 260.173, subdivision 2, is amended to read:

Subd. 2. Notwithstanding the provisions of subdivision 1, if the child had been taken into custody pursuant to section 260.165, subdivision 1, clause (a), or had been found in surroundings or conditions reasonably believed to endanger the child's health or welfare, and is not alleged to be delinquent, the child may shall be detained only in the least restrictive setting consistent with the child's health and welfare and in closest proximity to the child's family as possible. Placement may be with a child's relative, or in a shelter care facility.

Sec. 19. Minnesota Statutes 1988, section 260.181, subdivision 2, is amended to read:

Subd. 2. [CONSIDERATION OF REPORTS.] Before making a disposition in a case, or terminating parental rights, or appointing a guardian for a child the court may consider any report or recommendation made by the county welfare board, probation officer, or licensed child placing agency, foster parent, guardian ad litem, tribal representative, or other authorized advocate for the child or child's family, or any other information deemed material by the court.

Sec. 20. Minnesota Statutes 1988, section 260.191, subdivision 1a, is amended to read:

Subd. 1a. [WRITTEN FINDINGS.] Any order for a disposition authorized under this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

(a) Why the best interests of the child are served by the disposition ordered;

(b) What alternative dispositions were considered by the court and why such dispositions were not appropriate in the instant case; and

(c) In the case of a child of minority, racial or minority ethnic heritage, how the court's disposition complies with the requirements of section 260.181, subdivision 3; and

(d) Whether reasonable efforts consistent with section 260.012 were made to prevent or eliminate the necessity of the child's removal and to reunify the family after removal. The court's findings must include a brief description of what preventive and reunification efforts were made and why further efforts could not have prevented or eliminated the necessity of removal.

If the court finds that the social services agency's preventive or reunification efforts have not been reasonable but that further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

Sec. 21. Minnesota Statutes 1988, section 260.191, subdivision 1e, is amended to read:

Subd. 1e. [CASE PLAN.] For each disposition ordered, the court shall order the appropriate agency to prepare a written case plan developed after consultation with and participation by the child and the child's parent, guardian, ~~or~~ foster parent, custodian, or guardian ad litem and tribal representative if the tribe has intervened. The case plan shall comply with the requirements of section 257.071, where applicable. The case plan shall, among other matters, specify the actions to be taken by the child and the child's parent, guardian, foster parent, or custodian to comply with the court's disposition order, and the services to be offered and provided by the agency to the child and the child's parent, guardian, or custodian. For each disposition ordered, the written case plan shall specify what reasonable efforts shall be provided to the family. The case plan must include a discussion of:

(1) the availability of appropriate prevention and reunification

services for the family to prevent the removal of the child from the home or to reunify the child with the family after removal;

(2) any services or resources that were requested by the child or the child's parent, guardian, or custodian since the date of initial adjudication, and whether those services or resources were provided or the basis for denial of the services or resources;

(3) the need of the child and family for care, treatment, or rehabilitation;

(4) the need for participation by the parent, guardian, or custodian in the plan of care for the child; and

(5) a description of any services that could prevent placement or reunify the family if such services were available.

The court shall review the case plan and, upon approving it, incorporate the plan into its disposition order. The court may review and modify the terms of the case plan in the manner provided in subdivision 2. A party has a right to request a court review of the reasonableness of the case plan upon a showing of a substantial change of circumstances.

Sec. 22. Minnesota Statutes 1988, section 260.231, subdivision 3, is amended to read:

Subd. 3. The court shall have notice of the time, place, and purpose of the hearing served on the parents, as defined in sections 257.51 to 257.74 or 259.26, subdivision 1, clause (2), and upon the child's grandparent if the child has lived with the grandparent within the two years immediately preceding the filing of the petition. Notice shall be served in the manner provided in sections 260.135 and 260.141, except that personal service shall be made at least ten days before the day of the hearing. Published notice shall be made for three weeks, the last publication to be at least ten days before the day of the hearing; and notice sent by certified mail shall be mailed at least 20 days before the day of the hearing. A parent who consents to the termination of parental rights under the provisions of section 260.221, clause (a), may waive in writing the notice required by this subdivision; however, if the parent is a minor or incompetent the waiver shall be effective only if the parent's guardian ad litem concurs in writing.
