SPECIAL ORDERS

There being no objection, the House advanced to S. F. No. 2246, No. 3 on Special Orders.

S. F. No. 2246 was reported to the House.

Cooper moved to amend S. F. No. 2246, as follows:

Delete everything after the enacting clause and insert:

"Section 1. [353E.01] [AMBULANCE SERVICE PERSONNEL INCENTIVE PLAN.]

Subdivision 1. [ESTABLISHMENT.] The ambulance service personnel incentive plan is administered by the public employees retirement association under supervision of the association board of directors. To assist it in governing the operations of the plan, the

board may appoint an advisory committee of not more than seven members who are representative of ambulance service operators and ambulance service personnel.

Subd. 2. [COVERAGE.] Coverage under the personnel incentive plan is open to ambulance attendants and drivers from participating ambulance services who earn less than \$5,000 a year in hourly stipends or salary from service as an ambulance attendant or driver.

Sec. 2. [353E.02] [ELECTION OF COVERAGE.]

Each public ambulance service or privately operated ambulance service with its base of operation, as defined in section 144.801, subdivision 7, in Minnesota and with eligible personnel may elect to participate in the plan. If a service elects to participate, its eligible personnel may elect to participate or to decline to participate. An individual's initial election must be made within the latter of 30 days of the service's election to participate or 30 days of the date on which the individual was employed by the service or began to provide service for it. The board of trustees of the public employees retirement association shall designate an annual period during which: (1) individuals or ambulance services who initially declined participation may choose to participate; and (2) individuals or ambulance services participating in the retirement plan may choose to end their participation.

Sec. 3. [353E.021] [FUNDING OF PLAN.]

Subdivision 1. [CALCULATION OF CREDIT; 20-YEAR LIMIT.] Money received by the public employees retirement association shall be remitted to the state board of investment for investment, until allocated and credited to participants. Beginning January 1, 1992, all funds received by the public employees retirement association and investment earnings on the funds, shall be allocated and credited to participants in proportion to the service units credited during the prior year for their years of service as provided in this subdivision and subdivisions 2 and 3.

Participants shall receive credit for two service units for each year of service following January 1, 1992, plus one service unit for each year of service prior to this date. Years of service must be verified by the participant's ambulance service in a report to the public employees retirement association. Participant accounts may receive credit for service units for a maximum of 20 years of service.

Subd. 2. [CREDITS FOR FIRST FIVE YEARS.] For the calendar year beginning January 1, 1992, and for each of the next four calendar years, every participant shall receive credit at the end of the calendar year for two service units for that year, plus one-fifth of the total number of service units accumulated according to subdivision 1 for years of service prior to January 1, 1992. The

amount of money per service unit that is to be deposited into each participant's account for each year during the period January 1, 1992, to December 31, 1996, is determined by dividing the total appropriation to the public employees retirement association for each fiscal year, plus investment earnings on that amount, by the total number of service units credited to all participants for that calendar year, as calculated according to this subdivision. Money appropriated to the public employees retirement association for fiscal year 1991 shall be allocated and credited with any appropriation received for fiscal year 1992.

Subd. 3. [CREDITS FOR SIXTH AND FOLLOWING YEARS.] For the calendar year beginning January 1, 1997, and for each following calendar year, every participant shall receive credit for two service units at the end of that year. The amount of money per service unit that is to be deposited into each participant's account for each year after December 31, 1996, is determined by dividing the total appropriation to the public employees retirement association for that fiscal year, plus investment earnings on that amount, by the total number of service units credited to all participants for that calendar year, as calculated according to this subdivision.

Subd. 4. [PROHIBITION ON PARTICIPANT AND AMBULANCE SERVICE CONTRIBUTIONS.] Contributions by participants to their accounts, and contributions by ambulance services to their employees' accounts, are prohibited.

Subd. 5. [LIMITATION ON BENEFITS.] Benefits to participants under this plan are limited by and subject to the availability of funding.

Sec. 4. [353E.031] [VESTING.]

(a) Sixty months of service credit, accumulated after January 1, 1992, are required for vesting of retirement benefits. These 60 months must be accumulated within 120 months of the first month of service credit earned after January 1, 1992. No minimum period of service is required for vesting of death benefits, once the retirement plan has taken effect. Upon completion of 60 months of service under the plan with one or more participating ambulance services, a participant terminating active service is entitled to receive the value of the participant's individual account. An application by or on behalf of the participant must be filed before any payment of benefits is made.

(b) Funds credited to a person's account are forfeited at the end of the 120th month after the first month of service credit earned after January 1, 1992, if the person does not have 60 months of service credit at that time. Funds forfeited must be allocated as provided in section 10.

Sec. 5. [353E.05] [INVESTMENT OF FUNDS.]

Subdivision 1. [INVESTMENT.] Money allocated and credited to individual accounts, after the deduction of an amount for administrative expenses, must be remitted to the state board of investment for investment in the Minnesota supplemental investment fund established by section 11A.17. Investment options and procedures are governed by section 353D.05.

Subd. 2. [ADMINISTRATIVE EXPENSES.] The public employees retirement association may deduct a reasonable amount, set annually by the executive director of the association, but not to exceed two percent of the funding of the plan under section 10, to defray the actual and necessary expenses of the association in administering the plan.

Sec. 6. [353E.06] [REPORTING BY AMBULANCE SERVICES.]

The executive director of the public employees retirement association shall prescribe the form of annual and any other reports required from an ambulance service and the election forms required from ambulance service members. Member forms shall contain names, identification numbers, total number of years and dates of accumulated service, and such other data as is required to keep an accurate account of the account value of each participant.

In the event an ambulance service fails to provide required information within 60 days after the public employees retirement association sends the service a notice that the information is overdue, its members forfeit the service units credited and funding allocated for that year. Funds forfeited must be allocated as provided in section 10. Ambulance services that provide fraudulent information shall be suspended from the program for a period of time determined by the executive director and are subject to criminal prosecution.

Sec. 7. [353E.07] [BENEFITS.]

Subdivision 1. [TYPE OF PLAN.] The plan is a defined contribution plan when the benefits are payable upon termination of service, retirement, or death. The amount of benefits is determined by the value of accumulated contributions plus a proportionate share of investment income of the fund credited to each individual account.

Subd. 2. [PAYMENT OF BENEFITS.] Withdrawal of or a retirement benefit based on fund contributions plus accrued investment income is payable immediately upon the death or termination of an active member for a period that exceeds 30 days. An application by or on behalf of the participant must be filed before any payment of benefits may be made.

Subd. 3. [FORM OF BENEFIT.] A retirement benefit is payable in a lump sum equal to the value of a participant's account at the date of retirement and may be rolled over into another qualified plan at the option of the member. As an alternative to a lump sum distribution, the member may choose to have the association use the total account value to purchase an annuity payable at a designated age from an insurance company licensed to do business in the state.

Subd. 4. [DEATH OF A MEMBER.] In the event of the death of an active participant, the total value of the account must be paid in a lump sum to the designated beneficiary or, if none, the estate of the decedent.

Sec. 8. [353E.08] [PORTABILITY.]

Qualified ambulance service personnel who change employment or membership among participating ambulance services remain eligible for service unit credits under the plan.

Sec. 9. [353E.09] [RULES; TAX QUALIFICATION.]

The public employees retirement association may adopt rules required for administration of the plan. The proposed plan shall be formulated and adopted in accordance with applicable restrictions and standards of the Internal Revenue Code and rulings and regulations of the Internal Revenue Service in order to assure the tax exempt status of the plan as a qualified pension plan. If the public employees retirement association determines that its administration of the plan will jeopardize the tax exempt status of the plan as a qualified pension plan or the tax exempt status of any public pension plan listed in section 356.30, the public employees retirement association may contract with another organization for administration of the plan.

If the executive director of the public employees retirement association determines that the plan must comply with federal ERISA requirements, including any requirements necessary for tax-deferred treatment of contributions and interest earned thereon, participants shall not be credited with service units and the public employees retirement association shall not transfer money into participants' accounts until the director determines that the plan has met ERISA requirements. If the executive director determines that legislative changes are needed to comply with ERISA requirements, the director shall recommend the changes to the legislature at its next regular session."

SCOTT COUNTY WORTHLESS CHECK DIVERSION PROGRAM

Section 1. [SCOTT COUNTY WORTHLESS CHECK DIVERSION PROGRAM.]

Subdivision 1. [PILOT PROGRAM.] A prosecuting attorney in Scott county may create within the office a diversion program for persons who write worthless checks, subject to the approval of the state court administrator. For purposes of this section, “writing a worthless check” means making, drawing, or delivering any check or draft upon any bank or depository for the payment of money when there is probable cause to believe there is a violation of Minnesota Statutes, section 609.535. The program may be conducted by the prosecuting attorney or by a private entity under contract with the prosecuting attorney. If the program is conducted by a private entity, no prosecutorial discretion vests in that entity.

Subd. 2. [REFERRAL.] The prosecuting attorney may refer a worthless check case to the diversion program. Except as provided in subdivision 5, this section does not limit the power of the prosecuting attorney to prosecute worthless check complaints.

Subd. 3. [NOTIFICATION OF REFERRAL.] On referral of a case to the diversion program, a notice shall be mailed to the person alleged to have written the worthless check. The notice shall be approved by the state court administrator.

Subd. 4. [AGREEMENT TO FOREGO PROSECUTION.] The prosecuting attorney may enter a written agreement with the person to forego prosecution on the worthless check for a period to be determined by the prosecuting attorney, not to exceed six months, pending satisfaction of required conditions. The written agreement shall be kept by the prosecuting attorney for no less than three years.

Subd. 5. [WORTHLESS CHECK FEE.] (a) A prosecuting attorney may collect a fee from a person diverted under the program if the prosecuting attorney's office collects and processes a worthless check. The amount of the fee shall not exceed \$25 for each worthless check. Fees collected under this section shall be deposited in the local government unit treasury and used only for the pretrial diversion program created under this section.

(b) If a nonstate agency or entity is used by the prosecuting attorney to administer the worthless check prosecution diversion program, the nonstate agency or entity may be funded by costs assessed to the check writers enrolled in the program. Program costs assessed to a check writer shall not exceed \$75.

Subd. 6. [COERCION EXCEPTION.] Sending a notice under subdivision 4 or entering an agreement under subdivision 5 does not constitute coercion under Minnesota Statutes, section 609.27, subdivision 1, clause (5).

Subd. 7. [REPORT TO LEGISLATURE.] The state court administrator, with the cooperation of the prosecuting attorney in Scott county who implements a worthless check pretrial diversion pilot program under this section, shall report on its effectiveness by January 15, 1991, to the chairs of the judiciary committees in the house of representatives and the senate. The report shall recommend any necessary changes in state laws to increase the effectiveness of these programs.

control; authorizing the commissioner to exempt certain lands from grasshopper control; exempting certain persons from losses relating to grasshopper control; clarifying when public utilities are subject to grasshopper control; providing for notices for control and approval of grasshopper control costs; authorizing levies; appropriating money; amending Minnesota Statutes Second 1989 Supplement, section 275.50, subdivision 5; proposing coding for new law in Minnesota Statutes, chapter 18; repealing Minnesota Statutes 1989 Supplement, section 18.0226.

April 24, 1990

The Honorable Jerome M. Hughes
President of the Senate

The Honorable Robert E. Vanasek
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1674, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendment and that S. F. No. 1674 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1988, section 18.0225, is amended to read:

18.0225 [GRASSHOPPER CONTROL PROGRAM.]

(a) The commissioner of agriculture shall develop and implement a grasshopper control program to prevent crop damage in the grasshopper control zone. Within grasshopper control zones the commissioner, landowners, and counties, local weed inspectors, and landowners have the same authorities and duties under chapter 18 for grasshoppers as if grasshoppers are noxious weeds under chapter 18. After consultation and cooperation with the state Minnesota extension service entomologist, the commissioner must develop the program to economically and efficiently control grasshoppers and to minimize adverse environmental impact, including the selection of pesticides and prescription of application rates.

(b) Notwithstanding the provisions of this chapter, the board of a town designated by the commissioner as a grasshopper control zone may appoint a grasshopper control advisory committee of members who are residents of the township. The advisory committee must include:

(1) at least one owner of land enrolled in the conservation reserve program if any land is enrolled and an owner of enrolled land is willing to serve; and

(2) at least one dairy farmer if dairying occurs in the township and a dairy farmer is willing to serve.

If the town board appoints a grasshopper control advisory committee, the board must seek the advice of the advisory committee before the issuance of each order for grasshopper control or the advisory committee may adopt guidelines for issuing grasshopper control orders.

(b) (c) The grasshopper control program must utilize proven methods of grasshopper control and the commissioner may make grants for experimental methods of control in selected areas.

(d) Before any grasshopper control measures, including, but not limited to, spraying or the deposit of pelletized controls, are applied on or to streams, lakes, waterways, or public waters, the commissioner shall seek the review and approval of the commissioner of natural resources. As used in this paragraph, "streams, lakes, waterways, or public waters," does not include farm ditches, drainage ditches, or county ditches.

(e) The commissioner, upon written request from any person or organization, may exempt from grasshopper control measures a parcel of land that the commissioner, in consultation with the commissioner of natural resources, determines to be of particular, unique scientific or natural significance or is particularly sensitive to the use of insecticides or other control methods being used. The commissioner must consider previous pesticide applications to the property to be exempted and agricultural practices conducted on the property. The exemption may be conditional, may apply to all or part of the property requested, and may be revoked by the commissioner at any time. An exemption granted under this paragraph is for mandatory grasshopper control and does not affect liability under other law.

(f) The request for exemption must include at least the following:

(1) the name and address of the person or organization making the request;

(2) the acreage and legal description of the parcel;

(3) a statement of the specific reasons why an exemption is requested; and

(4) any agreements for grasshopper control and any other information required by the commissioner.

(g) Upon notice of the approval of an exemption, the owner of the exempted property must mail the following notice to adjoining landowners:

“(Name of exempt landowner) has requested and the commissioner of agriculture has exempted (description of land exempted) from mandatory grasshopper control measures due to the scientific or natural significance or sensitivity to insecticides of the property. It is the intent of (landowner’s name) not to control grasshoppers on the property. If you have questions about how you may make an agreement for grasshopper control you may contact (exempt landowner’s name, address, and phone number).

Cost-sharing may be available for treatment of grasshoppers on your property. For more information contact the commissioner of agriculture.

The exemption does not affect liability under other law.”

(h) A decision of the commissioner under paragraph (e) must be in writing and delivered to the person or organization making the request and the clerk of the town in which the property is located. The commissioner, counties, towns, and their agents are not liable for damages from exemptions granted under this section.

(i) From funds appropriated for this purpose, the commissioner must reimburse a person for the cost of grasshopper control measures in a 20-rod wide buffer area on property adjacent to property exempted from grasshopper control measures under paragraph (e), to the extent funds are available. Reimbursement to a person must be made only upon receipt of a completed application form indicating the need for treatment based on an inspector’s determination that the exempted property has grasshoppers in densities greater than the density determined by the commissioner to cause economic or potential economic damage for all affected lands and identifying the location of the treatment. For each application, reimbursement must be 50 percent of cost not to exceed \$4 reimbursement per acre for aerial spraying and \$2.50 reimbursement per acre for ground spraying.

Sec. 2. [18.0228] [CONTROL PROVISIONS.]

Subdivision 1. [PESTICIDE SELECTION.] (a) The commissioner, in consultation with the Minnesota extension service entomologist, shall prepare a list of registered pesticides and their federal label requirements for use in the grasshopper control program. The commissioner shall recommend pesticides and application methods

in designated grasshopper control zones that will minimize the adverse impact on foraging bees. The pesticides must economically and efficiently control grasshoppers and minimize adverse environmental impacts. Grasshopper control may only be conducted under this chapter with pesticides used according to their label requirements.

(b) The commissioner shall prescribe methods to determine grasshopper densities and densities causing economic or potential economic damage.

Subd. 2. [INDIVIDUAL NOTICES.] (a) The individual notices required under this chapter for the grasshopper control program must be in a form prescribed by the commissioner and state at least the following:

(1) the legal description of the property covered by the notice to control;

(2) the date the notice is issued;

(3) the name and work telephone number of the inspector issuing the notice;

(4) the grasshopper counts found on the property;

(5) the approximate date the grasshoppers on the property will be controlled by the county or municipality if the owner or occupant does not comply with the notice, which must be at least three days after the date the notice was served;

(6) that the costs of the control will be a lien and applied against the property's tax roll; and

(7) that the owner or occupant may contact the inspector about the notice before the time that the county or the municipality will control grasshoppers, which must be at least three days after the date the notice was served.

(b) The commissioner, a county agricultural inspector, or a local weed inspector issuing a notice under this subdivision shall provide the same number of days for compliance under paragraph (a), clause (5), for property controlled by a private land owner or occupant as for property controlled by a unit of state or local government.

Subd. 3. [EFFECTS ON FORAGING BEES.] (a) The Minnesota extension service shall hold meetings in grasshopper control zone areas explaining grasshopper control methods and procedures to minimize adverse effects on foraging bees.

(b) Not later than May 1 of each year, an owner of honeybee colonies must notify the commissioner as to the number and location of the colonies. Notification under this section must be accomplished by identifying on a map provided by the commissioner the location of colonies. The notice must include the name, address, and telephone number of the owner. If an owner of honeybee colonies relocates the colonies the owner must report the relocation orally, by phone, or in writing to the extension agent, the town clerk, and the commissioner within ten days after the relocation.

(c) The commissioner shall prepare maps of the location of all registered honeybee colonies, including identification of the name, address, and telephone number of the owner. The maps must be updated at least once each 14 days if owners of registered honeybee colonies give notice of relocations.

(d) The commissioner shall provide a list of licensed commercial and noncommercial pesticide applicators, including the applicator's name, business address, and phone number, to the registered beekeepers in designated grasshopper control zones.

(e) The commissioner shall prescribe a system by which owners of honeybee colonies, licensed commercial and noncommercial pesticide applicators, and county extension agents must, and town clerks may, be advised of the location of registered honeybee colonies reported under this section, of the federal pesticide label requirements pertaining to foraging bees, and of penalties for violating label requirements.

(f) The commissioner shall also develop guidelines for a voluntary system to facilitate the exchange of information between owners of registered honeybee colonies and pesticide applicators regarding the pesticide selected for use, the anticipated date and time of application, and the location of honeybee colonies.

(g) In a year in which grasshopper control zones are designated, the commissioner shall report to the chairs of the house and senate agriculture and environment committees on the number of acres treated for grasshopper control, the pesticides recommended for use, the pesticides used, the results of research and application of nonpesticide grasshopper control, the number of acres exempted from grasshopper control, and any evidence of negative environmental impacts of the grasshopper control program.

Sec. 3. [18.0229] [LIABILITY; APPEALS.]

Subdivision 1. [COUNTIES AND TOWNSHIPS.] Counties and townships and their agents are not liable for damages from the grasshopper control program for actions conducted in accordance with sections 18.0223 to 18.0229.

Subd. 2. [ACCESS FOR INSPECTION.] An inspector may enter any land to inspect grasshopper densities.

Subd. 3. [APPEAL TO COUNTY BOARD.] A person who is ordered to control grasshoppers under sections 18.0225 to 18.0229 and is charged for grasshopper control may appeal the cost of grasshopper control to the county board of the county where the grasshopper control measures were undertaken within 30 days after being charged. The county board shall determine the amount and approve the charge and filing of a lien against the property if it determines that:

(1) the owner, or occupant if other than the owner, responsible for controlling grasshoppers did not comply with the order of the inspector; and

(2) the grasshopper densities on the property exceeded the densities determined by the commissioner to cause economic or potential economic damage.

Subd. 4. [COURT APPEAL OF COSTS; PETITION.] (a) A land owner who has appealed the cost of grasshopper control measures under subdivision 3 may petition for judicial review. The petition must be filed within 30 days after the conclusion of the hearing before the county board. The petition must be filed with the court administrator in the county in which the real property where the grasshopper control measures were undertaken is located, together with proof of service of a copy of the petition on the commissioner and the county auditor. The petition must be accompanied by the standard filing fee for civil actions. No responsive pleadings may be required of the commissioner or the county, and no court fees may be charged for the appearance of the commissioner or the county in the matter.

(b) The petition must be captioned in the name of the person making the petition as petitioner, and the commissioner of agriculture and the respective county as respondents. The petition must include the petitioner's name, the legal description of the real estate involved, a copy of the notice to control grasshoppers, and the date or dates on which appealed control measures were undertaken.

(c) The petition must state with specificity the grounds upon which the petitioner seeks to avoid the imposition of a lien for the cost of grasshopper control measures.

Subd. 5. [HEARING.] (a) A hearing under subdivisions 4 to 6 must be held at the earliest practicable date, and in no event later than 90 days following the filing of the petition of objection. The hearing must be before a district judge in the county in which the real property where the grasshopper control measures were undertaken

is located, and must be conducted in accordance with the district court rules of civil procedure.

(b) The court shall either order that a lien representing part or all of the costs for grasshopper control measures be imposed against the real property or that the land owner be relieved of responsibility for payment of grasshopper control measures undertaken.

Subd. 6. [FURTHER APPEAL.] A party aggrieved by the decision of the reviewing court may appeal the decision as provided in the rules of appellate procedure.

Sec. 4. [18.205] [PUBLIC UTILITY EASEMENTS.]

For property that is subject to a public utility easement, the person controlling the surface of the land other than the holder of the public utility easement is the person responsible for control of grasshoppers under this chapter. For purposes of this section, a "public utility easement" means an easement used for the purpose of transmission, distribution, furnishing at wholesale or retail natural or manufactured gas, or electric or telephone service, by a public utility as defined in section 216B.02, subdivision 4, a cooperative electric association organized under chapter 308A, a telephone company as defined in section 237.01, subdivisions 2 and 3, or a municipality producing or furnishing gas, electric, or telephone service.

Sec. 5. [FEDERAL COST-SHARE FOR EXEMPT LANDS.]

In the event that federal cost-share funds become available for grasshopper control, the commissioner shall attempt to secure a proportionate share for lands exempted under section 18.0225.

Sec. 6. [APPROPRIATIONS; CONTINGENT ACCOUNT.]

(a) \$605,000 is appropriated from the general fund to a special contingency account for grasshopper control activities as provided in this section.

(b) Of this appropriation up to \$20,000 is appropriated to the commissioner of agriculture for a system to prevent adverse effects on foraging bees.

(c) Of the remaining appropriation up to \$30,000 is appropriated to the commissioner of agriculture to provide reimbursement payments to owners of property that is adjacent to property exempted from grasshopper control.

(d) The remaining unencumbered balance is appropriated for up

to a 50 percent cost-share for township and county grasshopper control expenses through September 30, 1990.

(e) Of the unencumbered balance of this appropriation remaining on October 1, 1990, up to \$125,000 is appropriated to the commissioner of agriculture as supplemental funding to provide state aid to county and district agricultural societies under Minnesota Statutes, section 38.02 during the fiscal year ending June 30, 1991.

(f) The unencumbered balance remaining on October 1, 1990, not otherwise appropriated under paragraphs (a) through (e) is appropriated to the state board of vocational technical education for:

(1) instructional staff for farm and small business management, beginner farmer programs, and enterprise classes specific to community needs;

(2) support staff for instructional staff; and

(3) tuition assistance.

(g) The appropriations in this section are available only with the approval of the governor after consultation with the legislative advisory commission as provided in Minnesota Statutes, section 3.30.

Sec. 7. [APPROPRIATIONS.]

Subdivision 1. [INTEGRATED PEST MANAGEMENT.] \$20,000 is appropriated from the general fund to the commissioner of agriculture to be used for the grasshopper control program using integrated pest management demonstration projects in consultation with the commissioner of natural resources and the Minnesota extension service. The commissioner shall determine the amount to be used for cost-share projects. The commissioners shall pursue any federal funds that may become available for this purpose.

Subd. 2. [GENERIC ENVIRONMENTAL IMPACT STATEMENT.] \$100,000 is appropriated from the general fund to the state planning agency to conduct a timber harvesting generic environmental impact statement.

Sec. 8. [REPEALER.]

Minnesota Statutes 1989 Supplement, section 18.0226, is repealed.

Sec. 9. [EFFECTIVE DATE.]

This act is effective the day following final enactment. The commissioner of agriculture shall prepare the list and prescribe methods for determining grasshopper densities required in section 2, subdivision 1, not later than May 20, 1990."

(j) The name and address of each political committee, political fund, or principal campaign committee to which aggregate transfers in excess of \$100 have been made within the year, together with the amount and date of each transfer;

(k) The sum of all transfers made by the political committee, political fund, or principal campaign committee during the reporting period;

(l) For principal campaign committees only, the sum of noncampaign disbursements made in each category listed in section 10A.01, subdivision 10e, during the reporting period; and

(m) The sum of all noncampaign disbursements made by the political committee, political fund, or principal campaign committee during the reporting period.

(l) Except for contributions to a candidate or committee for a candidate for office in a municipality as defined in section 471.345, subdivision 1, the name and address of each individual or association to whom aggregate noncampaign disbursements in excess of \$100 have been made within the year by or on behalf of a principal campaign committee, political committee, or political fund, together with the amount, date, and purpose of each noncampaign disbursement.

Sec. 6. Minnesota Statutes 1988, section 10A.20, subdivision 5, is amended to read:

Subd. 5. In any statewide election any contribution or contributions from any one source totaling \$2,000 or more, or in any legislative election totaling more than \$400, received between the last day covered in the last report prior to an election and the election shall be reported to the board in one of the following ways:

- (1) in person within 48 hours after its receipt;
- (2) by telegram or mailgram within 48 hours after its receipt; or
- (3) by certified mail sent within 48 hours after its receipt.

These contributions must also be reported in the next required report.

The 48-hour notice requirement does not apply with respect to a primary if the statewide or legislative candidate is unopposed in that primary.

Sec. 7. Minnesota Statutes 1988, section 10A.20, is amended by adding a subdivision to read:

Subd. 13. [THIRD PARTY REIMBURSEMENT.] An individual, political committee, or political fund filing a report disclosing an expenditure or noncampaign disbursement that must be reported and itemized under subdivision 3, paragraph (g) or (l), that is a reimbursement to a third party is required to report the purpose of each expenditure or disbursement for which the third party is being reimbursed. An expenditure or disbursement is a reimbursement to a third party if it is for goods or services that were not directly provided by the individual or association to whom the expenditure or disbursement is made. Third party reimbursements include payments to credit card companies and reimbursement of individuals for expenses they have incurred.

Sec. 8. Minnesota Statutes 1988, section 10A.22, subdivision 7, is amended to read:

Subd. 7. [STATEMENT REQUIRED; PENALTY.] (a) The treasurer of a political committee or political fund shall not accept a contribution of more than \$100 from a political committee or political fund an association not registered in this state unless the contribution is accompanied by a written statement which meets the disclosure and reporting period requirements imposed by section 10A.20. This statement shall be certified as true and correct by an officer of the contributing political committee or political fund association. The political committee or political fund which accepts the contribution shall include a copy of the statement with the report which discloses the contribution to the board. The provisions

of this subdivision shall not apply when a national political party transfers money to its affiliate in this state.

(b) An unregistered association may provide the written statement required by this subdivision to no more than three political committees or political funds in any calendar year. Each statement must cover at least the 30 days immediately preceding and including the date on which the contribution was made. An unregistered association or an officer of it is subject to a civil penalty up to \$1,000 if the association or its officer:

(1) fails to provide a written statement as required by this subdivision; or

(2) fails to register after giving the written statement required by this subdivision to more than three political committees or political funds in any calendar year.

An officer of an association who violates this paragraph is guilty of a misdemeanor.

Sec. 9. Minnesota Statutes 1988, section 10A.24, is amended to read:

10A.24 [DISSOLUTION OR TERMINATION.]

Subdivision 1. [TERMINATION REPORT.] No political committee or political fund shall dissolve until it has settled all of its debts and disposed of all its assets in excess of \$100 and filed a termination report. The termination report may be made at any time and shall include all information required in periodic reports.

Subd. 2. [TERMINATION ALLOWED.] Notwithstanding subdivision 1, after mailing notice to any remaining creditors by certified mail, a political committee or political fund that has debts incurred more than six years previously, has disposed of all its assets, and has met the requirements of section 10A.20, subdivision 7, may file a termination report.

Sec. 10. [10A.242] [DISSOLUTION OF INACTIVE COMMITTEES AND FUNDS.]

Subdivision 1. [DISSOLUTION REQUIRED.] (a) A political committee or political fund must be dissolved within 60 days after receiving notice from the board that the committee has become inactive. The assets of the committee or fund must be spent for the purposes authorized by section 211B.12 and other applicable law or liquidated and deposited in the general account of the state elections campaign fund within 60 days after the board notifies the committee or fund that it has become inactive.

Subd. 2. [INACTIVITY DEFINED.] (a) A principal campaign committee becomes inactive on the later of the following dates:

(1) when six years have elapsed since the last election in which the person was a candidate for the office sought or held at the time the principal campaign committee registered with the board; or

(2) when six years have elapsed since the last day on which the individual for whom it exists served in an elective office subject to this chapter.

(b) A committee or fund other than a principal campaign committee becomes inactive when two years have elapsed since the end of a reporting period during which the committee or fund made an expenditure or disbursement requiring disclosure under this chapter.

Subd. 3. [REMAINING DEBTS.] If a committee or fund becomes inactive when it still has unpaid debts, the committee or fund shall liquidate available assets to pay the debts. If insufficient assets exist to pay the debts, the board may set up a payment schedule and allow the committee or fund to defer dissolution until all debts are paid. This section does not extinguish debts incurred by the committee or fund.

Sec. 11. Minnesota Statutes 1988, section 10A.25, subdivision 2, is amended to read:

Subd. 2. In a year in which an election is held for an office sought by a candidate, no expenditures shall be made by the principal campaign committee of that candidate, nor any approved expenditures made on behalf of that candidate which expenditures and approved expenditures result in an aggregate amount in excess of the following:

(a) For governor and lieutenant governor, running together, \$600,000 \$1,626,691;

(b) For attorney general, \$100,000 \$271,116;

(c) For secretary of state, state treasurer, and state auditor, separately, \$50,000 \$135,559;

(d) For state senator, \$15,000 \$40,669;

(e) For state representative, \$7,500 \$20,335.

Sec. 12. Minnesota Statutes 1988, section 10A.25, is amended by adding a subdivision to read:

Subd. 2a. [AGGREGATED EXPENDITURES.] If a candidate makes expenditures from more than one principal campaign committee for nomination or election to statewide office in the same election year, the amount of expenditures from all of the candidate's principal campaign committees for statewide office for that election year must be aggregated for purposes of the application of the limits on campaign expenditures under subdivision 2, clauses (a) to (c).

Sec. 13. Minnesota Statutes 1988, section 10A.25, subdivision 5, is amended to read:

Subd. 5. Notwithstanding the limits imposed by subdivision 2, the winning candidate in a contested race in a primary who receives less than twice as many votes as any one of the candidate's opponents in that primary may make aggregate expenditures and approved expenditures equal to 120 percent of the applicable amount as set forth in subdivision 2, as adjusted by section 10A.255.

Sec. 14. Minnesota Statutes 1988, section 10A.25, subdivision 6, is amended to read:

Subd. 6. In any year following an election year for the office held or sought, the aggregate amount of expenditures by and approved expenditures on behalf of a candidate for or holder of that office shall not exceed ~~20 percent~~ one-fourth of the expenditure limit set forth in subdivision 2.

Sec. 15. Minnesota Statutes 1988, section 10A.25, subdivision 10, is amended to read:

Subd. 10. The expenditure limits imposed by this section apply only to candidates whose major political party opponents agree to be bound by the limits and who themselves agree to be bound by the limits as a condition of receiving a public subsidy for their campaigns in the form of an allocation of money from the state elections campaign fund.

A candidate of a major political party who agrees to be bound by the limits and receives a public subsidy, who has an opponent who: (1) is a candidate of a major political party; and (2) does not agree to be bound by the limits but is otherwise eligible to receive a public subsidy, is no longer bound by the limits, including those in section 26, subdivision 1, paragraph (c), but is still eligible to receive a public subsidy.

Sec. 16. Minnesota Statutes 1988, section 10A.255, is amended by adding a subdivision to read:

Subd. 3. [PUBLICATION OF EXPENDITURE LIMIT.] By June 15 of each year the board shall publish in the State Register the

expenditure limit for each office for that calendar year under section 10A.25 as adjusted by this section.

Sec. 17. Minnesota Statutes 1988, section 10A.27, subdivision 1, is amended to read:

Subdivision 1. Except as provided in subdivisions 2 and 6, no candidate shall permit the candidate's principal campaign committee to accept contributions from any individual, political committee, or political fund in excess of the following:

(a) To candidates for governor and lieutenant governor running together, \$60,000 in an election year for the office sought and \$12,000 in other years;

(b) To a candidate for attorney general, \$10,000 in an election year for the office sought and \$2,000 in other years;

(c) To a candidate for the office of secretary of state, state treasurer or state auditor, \$5,000 in an election year for the office sought and \$1,000 in other years;

(d) To a candidate for state senator, \$1,500 in an election year for the office sought and ~~\$300~~ one-third of that amount in other years; and

(e) To a candidate for state representative, \$750 in an election year for the office sought and ~~\$150~~ one-third of that amount in the other year.

Sec. 18. Minnesota Statutes 1988, section 10A.27, is amended by adding a subdivision to read:

Subd. 9. A candidate's principal campaign committee shall not accept in any calendar year aggregate contributions in an amount greater than the maximum amount allowed under subdivision 1 from another candidate's principal campaign committee or any other committee bearing the contributing candidate's name or title or otherwise authorized by the contributing candidate.

Sec. 19. Minnesota Statutes 1988, section 10A.275, is amended to read:

10A.275 [MULTICANDIDATE POLITICAL PARTY EXPENDITURES.]

Subdivision 1. [EXCEPTIONS.] Notwithstanding any other provisions of this chapter, the following expenditures by a state political party or, a substate party unit of a state political party as described in section 10A.27, subdivision 4, or two or more party units acting

together, with at least one party unit being either: the state party organization or the party organization within a congressional district, county, or legislative district, shall not be considered contributions to or expenditures on behalf of any candidate for the purposes of section 10A.25 or 10A.27; and shall not be allocated to any candidates pursuant to section 10A.22, subdivision 5:

(a) expenditures on behalf of candidates of that party generally without referring to any of them specifically in any advertisement published, posted or broadcast;

(b) expenditures for the preparation, display, mailing or other distribution of an official party sample ballot listing the names of three or more individuals whose names are to appear on the ballot;

(c) expenditures for any telephone conversation including the names of three or more individuals whose names are to appear on the ballot; or

(d) expenditures for any political party fundraising effort on behalf of three or more candidates; or

(e) expenditures for party committee staff member services that benefit three or more candidates.

Subd. 2. [APPLICATION.] This section applies to a political committee of a political party as defined in section 10A.27, subdivision 4.

Subd. 3. [PARTY UNIT.] For purposes of this section, "party unit" means the party organization within each house of the legislature; the state party organization; or the party organization within a congressional district, county, legislative district, municipality, or precinct.

Sec. 20. Minnesota Statutes 1988, section 10A.28, subdivision 1, is amended to read:

Subdivision 1. [CANDIDATE EXCEEDING EXPENDITURE LIMITS.] A candidate subject to the expenditure limits of in section 10A.25 who permits the candidate's principal campaign committee to make expenditures or permits approved expenditures to be made on the candidate's behalf in excess of the limits imposed by section 10A.25 shall be, as adjusted by section 10A.255, is subject to a civil fine up to four times the amount which the expenditures exceeded the limit.

Sec. 21. Minnesota Statutes 1988, section 10A.30, subdivision 2, is amended to read:

Subd. 2. Within the state elections campaign fund account there shall be maintained a separate political party account for the candidates of each political party and a general account.

Sec. 22. [10A.315] [SPECIAL ELECTION SUBSIDY.]

(a) Each eligible candidate for a legislative office in a special election must be paid a public subsidy equal to the sum of:

(1) the party account money at the last general election for the candidate's party for the office the candidate is seeking; and

(2) the general account money paid to candidates for the same office at the last general election.

(b) If the filing period for the special election does not coincide with the filing period for the general election, a candidate who wishes to receive this public subsidy must submit a signed agreement under section 24 to the board not later than the day after the candidate files the affidavit of candidacy or nominating petition for the office. To receive a subsidy, the candidate must meet the matching requirements of section 25, except that the dates in that section do not apply to a special election in which the filing period does not coincide with the filing period for the general election. To the extent feasible, the special election subsidy must be distributed in the same manner as money in the party and general accounts is distributed to legislative candidates in a general election.

(c) The amount necessary to make the payments required by this subdivision is appropriated from the general fund to the state treasurer.

Sec. 23. [10A.321] [ESTIMATES OF MINIMUM AMOUNTS TO BE RECEIVED.]

Subdivision 1. [CALCULATION AND CERTIFICATION OF ESTIMATES.] The commissioner of revenue shall calculate and certify to the board before July 1 in an election year an estimate of the total amount in the state general account of the state elections campaign fund and the amount of money each candidate who qualifies, as provided in section 10A.31, subdivisions 6 and 7, may receive from the candidate's party account in the state elections campaign fund. This estimate must be based upon the allocations and formulas in section 10A.31, subdivision 5, any necessary vote totals provided by the secretary of state to apply the formulas in section 10A.31, subdivision 5, and the amount of money expected to be available after 100 percent of the tax returns have been processed.

Subd. 2. [PUBLICATION, CERTIFICATION, AND NOTIFICATION PROCEDURES.] Before the first day of filing for office, the

board shall publish and forward to all filing officers the estimates calculated and certified under subdivision 1 along with a copy of section 10A.25, subdivision 10. Within seven days after the last day for filing for office, the secretary of state shall certify to the board the name, address, office sought, and party affiliation of each candidate who has filed with that office an affidavit of candidacy or petition to appear on the ballot. The auditor of each county shall certify to the board the same information for each candidate who has filed with that county an affidavit of candidacy or petition to appear on the ballot. Within seven days afterward, the board shall estimate the minimum amount to be received by each candidate who qualifies, as provided in section 10A.31, subdivisions 6 and 7. By August 15 the board shall notify all candidates of their minimum amount. The board shall include with the notice a form for the agreement provided in section 24 along with a copy of section 10A.25, subdivision 10.

Sec. 24. [10A.322] [PUBLIC SUBSIDY AGREEMENTS.]

Subdivision 1. [AGREEMENT BY CANDIDATE.] As a condition of receiving a public subsidy from the state elections campaign fund, a candidate shall sign and file with the board a written agreement in which the candidate agrees that the candidate will comply with sections 10A.25 and section 26. Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, the candidate may submit the agreement directly to the board by the following September 1. An agreement may not be rescinded after that date. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

Subd. 2. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 10A.25, as adjusted by section 10A.255, remains effective for candidates until the dissolution of the principal campaign committee of the candidate or the day filings open for the next succeeding election to the office held or sought at the time of the agreement, whichever occurs first.

Subd. 3. [ESTIMATE; ACTUAL AMOUNT.] For the purposes of subdivisions 1 to 3 only, the total amount to be distributed to each candidate is calculated to be the candidate's share of the total estimated funds in the candidate's party account as provided in section 23, subdivision 1, plus the total amount estimated as provided in section 23, subdivision 1, to be in the general account of the state elections campaign fund and set aside for that office divided by the number of candidates whose names are to appear on the general election ballot for that office. If for any reason the

amount actually received by the candidate is greater than the candidate's share of the estimate, and the contributions thereby exceed the difference, the agreement must not be considered violated.

Subd. 4. [CREDIT RECEIPT FORMS; PENALTY.] The board shall make available to a political party on request and to any candidate for whom an agreement under this section is effective, a supply of official credit receipt forms that state in boldface type that (1) a contributor who is given a receipt form is eligible to claim a credit as provided in section 290.06, subdivision 23, and (2) if the contribution is to a candidate, that the candidate has signed an agreement to limit campaign expenditures as provided in section 24. The forms must provide duplicate copies of the receipt to be attached to the contributor's claim. A candidate who does not sign an agreement under this section and who willfully issues an official credit receipt form or a facsimile of one to any of the candidate's contributors is guilty of a misdemeanor.

Sec. 25. [10A.323] [MATCHING REQUIREMENTS.]

In addition to the requirements of section 24, to be eligible to receive a public subsidy from the state elections campaign fund a candidate shall file an affidavit with the board stating that during that calendar year the candidate has accumulated contributions, including unexpended balances from the year before, equal to 20 percent or more of the minimum amount that the board estimates, on August 15 of the general election year, would be received by the candidate from the state elections campaign fund. The candidate or the candidate's treasurer shall submit the affidavit required by this subdivision to the board in writing by October 1 of the general election year.

Sec. 26. [10A.324] [RETURN OF PUBLIC SUBSIDY.]

Subdivision 1. [WHEN RETURN REQUIRED.] A candidate shall return all or a portion of the public subsidy received from the state elections campaign fund under the circumstances in paragraph (a), (b), or (c).

(a) To the extent that the amount of public subsidy received by the candidate exceeds the expenditure limits for the office held or sought, as provided in section 10A.25 and as adjusted by section 10A.255, the treasurer of the candidate's principal campaign committee shall return the excess to the board.

(b) To the extent that the amount of public subsidy received exceeds the aggregate of: (1) actual expenditures made by the principal campaign committee of the candidate; and (2) approved expenditures made on behalf of the candidate, the treasurer of the

candidate's principal campaign committee shall return an amount equal to the difference to the board.

(c) Except for an amount equal to 25 percent of the expenditure limits set forth in section 10A.25, but not exceeding \$15,000, any amount by which the aggregate contributions and approved expenditures agreed to exceed the difference between: (1) the amount which legally may be expended by or for the candidate; and (2) the amount the candidate receives from the state elections campaign fund must be returned to the state treasurer, deposited in the state treasury, and credited to the general fund.

Subd. 2. [CALCULATION.] Money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought must be considered contributions accepted by that candidate in that year for the purposes of this subdivision. The portion of contributions accepted by a candidate in an election year that equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question that are made by that candidate in that year does not count toward the aggregate contributions and approved expenditure limit imposed by this section.

Subd. 3. [HOW RETURN DETERMINED.] Whether or not a candidate is required under subdivision 1 to return all or a portion of the public subsidy received from the state elections campaign fund must be determined from the report required to be filed with the board by that candidate by January 31 of the year following an election. For purposes of this section, a transfer from one principal campaign committee to another principal campaign committee is considered to be a noncampaign disbursement. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed with the board. The board shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of public subsidy received by the candidate from the state elections campaign fund.

Subd. 4. [RETURN NOT REQUIRED.] A candidate whose campaign spending is unlimited under conditions imposed by section 10A.25, subdivision 10, and who certifies that the candidate made campaign expenditures equal to the full amount of the public financing received is not required to return any portion of the money received from the state elections campaign fund under the aggregate contribution limit provisions of this section.

Sec. 27. [10A.325] [POLITICAL PARTY NOT HAVING CERTAIN CANDIDATES.]

If money has been accumulated in the state elections campaign fund for the candidates of a political party, and the party does not

have a candidate in a general election for the office of state senator or state representative, the party account money allocated for the office for which there is no candidate must be returned to the general fund of the state. If that party does not have a candidate in a general election for any state constitutional office, the party account money allocated for that office must be transferred to the state general account of the state elections campaign fund for reallocation to all of the candidate offices as provided in section 10A.31, subdivision 5, and for distribution in that election year to candidates as provided in section 10A.31, subdivision 7.

Sec. 28. Minnesota Statutes 1988, section 290.06, is amended by adding a subdivision to read:

Subd. 23. [CONTRIBUTIONS TO POLITICAL PARTIES AND CANDIDATES.] (a) A taxpayer may claim a credit equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to any political party. The maximum credit for an individual must not exceed \$50 and, for a married couple filing jointly, must not exceed \$100. A credit for a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official credit receipt form issued by the candidate or party. A claim must be filed with the commissioner not sooner than September 1 of the calendar year in which the contribution is made and no later than April 15 of the calendar year following the calendar year in which the contribution is made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution is made must include interest at the rate specified in section 270.76.

(b) No credit is allowed under this subdivision for a contribution to any candidate who has not signed an agreement to limit campaign expenditures as provided in section 24, or article 4, section 4, and for whom voluntary spending limits are specified in section 10A.25 or article 4, section 4. This subdivision does not limit the campaign expenditure of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a credit.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a. A "major or minor party" includes the aggregate of the party organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts. "Candidate" means a candidate as defined in section 10A.01, subdivision 5, but does not include a candidate for judicial office. Beginning January 1, 1991, "candidate" also means a candidate for the United

States Senate or United States House of Representatives from Minnesota.

(d) The commissioner shall include a copy of the credit form with the instructions for the long and short individual taxation forms. The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a credit, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The amount necessary to pay claims for the credit provided in this section is appropriated from the general fund to the commissioner of revenue.

Sec. 29. [TRANSITIONAL PROVISION FOR INACTIVE POLITICAL COMMITTEES AND FUNDS.]

Subdivision 1. [NOTICE.] Within 30 days after the effective date of section 10, the ethical practices board shall send a notice to all political committees and funds informing them of the new requirements concerning inactive committees and funds, along with a copy of section 10.

Subd. 2. [EXISTING INACTIVE COMMITTEES AND FUNDS.] A political committee or fund that is inactive under the criteria set forth in section 10, subdivision 3, on the effective date of that section, shall dissolve by December 31, 1990, unless the board defers dissolution under section 10, subdivision 3.

Sec. 30. [SEVERABILITY.]

If a provision of this article is found to be unconstitutional and void, the remaining provisions of this article remain valid.

Sec. 31. [APPROPRIATION.]

The sum of \$150,000 is appropriated from the general fund to the commissioner of revenue for fiscal years 1990 and 1991 for the administration of the credit in section 28.

Sec. 32. [REPEALER.]

Minnesota Statutes 1988, sections 10A.32, subdivisions 1, 2, 3, and 4; and 10A.33; and Minnesota Statutes 1989 Supplement, section 10A.32, subdivision 3a, are repealed.

Sec. 33. [EFFECTIVE DATE.]

Sections 1 to 4, 6 to 17, 19 to 27, 29, 30, and 32 are effective the day following final enactment. Sections 5 and 18 are effective January 1, 1991. Section 28 is effective for taxable years beginning after December 31, 1989, for contributions to candidates as defined in section 10A.01, subdivision 5, excluding candidates for judicial office. Section 28 is effective for taxable years beginning after December 31, 1990, for contributions to candidates for the United States House of Representatives and United States Senate.

ARTICLE 4

CONGRESSIONAL CAMPAIGN REFORM

Section 1. [10A.40] [LEGISLATIVE FINDINGS OF FACT; LEGISLATIVE INTENT.]

Subdivision 1. [CAMPAIGN FINANCING; FINDINGS OF FACT.] The legislature finds that:

(1) the spending on campaigns for congressional office has increased to a disgraceful level and continues to rise;

(2) the need to raise campaign contributions has caused Minnesota congressional candidates to aggressively solicit contributions from special interest groups and out-of-state sources, which diverts them from meeting Minnesota voters and publicly debating the pressing issues of the day;

(3) the current practice of congressional campaign contributions and spending, along with ethical scandals in Washington, D.C., have created a public perception of political corruption and undue influence by wealthy special interests;

(4) the United States Congress has debated necessary reforms for years but has failed to act, and the Federal Elections Campaign Act does not provide a means to encourage congressional candidates to voluntarily limit the amount of money they spend in campaigns; and

(5) as a consequence, Minnesota's representation in Congress is jeopardized and the public's confidence in our elected congressional representatives is weakened.

Subd. 2. [PURPOSE.] (a) In order to redress the problems described in subdivision 1, it is necessary to encourage congressional candidates to voluntarily limit the amount of money they spend on campaigns. A further purpose is to achieve the same successful results in congressional campaigns that have made Minnesota's

state campaign spending system a model for the nation in the 15 years since its adoption.

(b) This article is intended to address the problems described in subdivision 1 as follows:

(1) by establishing voluntary limitations on campaign spending, candidates are discouraged from escalating campaign spending through the current means of financing campaigns, and campaign spending will likely be curtailed;

(2) by providing an alternate source of financing, congressional candidates will be less susceptible to political corruption and less dependent on special interests, which will enhance the public's confidence in their congressional representatives;

(3) by allowing candidates to focus on public issues rather than fundraising, the public will be better served in its representation and its opportunity to select the better candidate;

(4) by reducing the influence of special interest groups and out-of-state contributions, the integrity of the process and the confidence of the public in their public servants will be enhanced; and

(5) as a consequence, Minnesota will build on the success of its system of voluntary expenditure limits.

Subd. 3. [LEGISLATIVE INTENT.] In enacting sections 1 to 12, the legislature intends to provide a system to encourage voluntary campaign expenditure limits that, in concert with the existing federal law and rules, will provide a comprehensive system of campaign and election regulation. The legislature does not intend to enact legislation that is in conflict with existing federal law, and does not intend to regulate where specific federal laws have already been enacted.

Sec. 2. [10A.41] [DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions in this section apply to sections 1 to 12. Where consistent with federal law, the definitions in section 10A.01 also apply to sections 1 to 12.

Subd. 2. [AUTHORIZED COMMITTEE.] "Authorized committee" means the principal campaign committee or another political committee designated and authorized by a congressional candidate under United States Code, title 2, section 432, subsection (e)(1), to receive contributions or make expenditures on behalf of that congressional candidate.

Subd. 3. [CAMPAIGN EXPENDITURE; EXPENDITURE.] "Campaign expenditure" or "expenditure" means "expenditure" as that term is defined under United States Code, title 2, section 431, paragraph (9).

Subd. 4. [CONGRESSIONAL CANDIDATE.] "Congressional candidate" means an individual who seeks nomination or election to the United States Senate or United States House of Representatives from this state and who is a "candidate" as that term is defined under United States Code, title 2, section 431, paragraph (2). A congressional candidate is not a "candidate" as defined in section 10A.01, subdivision 5.

Subd. 5. [CONTRIBUTION.] "Contribution" means a "contribution" as that term is defined under United States Code, title 2, section 431, paragraph (8).

Subd. 6. [INDEPENDENT CANDIDATE.] "Independent candidate" means a congressional candidate who is not the candidate of a major political party, minor political party, or new political party.

Subd. 7. [MINOR POLITICAL PARTY.] "Minor political party" means any political party under whose name in the last state general election a candidate filed for statewide or congressional office and received less than five percent but more than three percent of the vote for that office.

Subd. 8. [NEW POLITICAL PARTY.] "New political party" means a political party that is neither a major political party nor a minor political party.

Subd. 9. [POLITICAL COMMITTEE.] "Political committee" means a "political committee" as that term is defined under United States Code, title 2, section 431, paragraph (4). "Political committee" includes a major political party, a minor political party, a principal campaign committee, and an authorized committee.

Subd. 10. [PRINCIPAL CAMPAIGN COMMITTEE.] "Principal campaign committee" means a political committee designated and authorized by a congressional candidate under United States Code, title 2, section 432, subsection (e)(1).

Sec. 3. [10A.42] [LIMITATION ON APPLICATION.]

The provisions of sections 10A.11 to 10A.24 relating to the organization, registration, and administration of and reporting and disclosure by political funds and political committees, including principal campaign committees, do not apply to congressional candidates and authorized committees of congressional candidates. The organization, registration, and administration of and reporting and

disclosure by authorized committees of congressional candidates are governed by United States Code, title 2, chapter 14.

Sec. 4. [10A.43] [EXPENDITURE LIMIT AGREEMENT.]

Subdivision 1. [FINANCIAL INCENTIVE.] (a) The state treasurer shall pay a financial incentive to each congressional candidate of a major political party or minor political party whose name will appear on the ballot in a general or special election, who has signed an agreement to limit campaign expenditures as provided in this section, and who is abiding by the agreement. In the case of an independent or new political party candidate, the congressional candidate must in addition receive more than three percent of the vote cast at the general election for the office sought. An incentive is not payable to a congressional candidate whose name appears only on the ballot in a primary election, but an incentive paid to a candidate in a general or special election may be used to pay expenses or retire debt incurred in the primary campaign.

(b) The amount of the incentive is up to 25 percent of the expenditure limit for a congressional candidate for the office of United States senator and up to 25 percent of the expenditure limit for a congressional candidate for the office of representative in Congress.

Subd. 2. [AGREEMENT.] As a condition of receiving an incentive, a congressional candidate shall sign and file with the board an agreement that the aggregate of expenditures made by the authorized committees of the congressional candidate will not exceed the expenditure limits in section 5. The expenditure limits apply only to congressional candidates who have agreed to be bound by the limits as a condition of receiving an incentive for their campaigns.

Subd. 3. [SUBMISSION OF AGREEMENT.] Before the first day of filing for office, the board shall forward agreement forms to all filing officers. The congressional candidate may sign an agreement and submit it to the filing officer on the day of filing an affidavit of candidacy or petition to appear on the ballot, in which case the filing officer shall without delay forward signed agreements to the board. Alternatively, for a general election the congressional candidate may submit the agreement directly to the board by September 1 preceding the general election. An agreement may not be rescinded after that date. The board shall forward a copy of any agreement signed under this subdivision to the commissioner of revenue.

Subd. 4. [HOW LONG AGREEMENT IS EFFECTIVE.] The agreement, insofar as it relates to the expenditure limits in section 5, remains effective for congressional candidates until the termination of the authorized committees of the congressional candidate, as provided under United States Code, title 2, section 433(d), or the day

filings open for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first.

Subd. 5. [CREDIT RECEIPT FORMS; PENALTY.] The board shall make available to a political party on request and to any congressional candidate signing an agreement under this section a supply of official credit receipt forms that state in boldface type that (1) a contributor who is given a receipt form is eligible to claim a credit as provided in section 290.06, subdivision 23, and (2) if the contribution is to a congressional candidate, that candidate has signed an agreement to limit campaign expenditures as provided in this section. A congressional candidate who does not sign an agreement under this section and who willfully issues an official credit receipt form or a facsimile of one to any of the candidate's contributors is guilty of a misdemeanor.

Sec. 5. [10A.44] [CONGRESSIONAL CAMPAIGN SPENDING LIMITS.]

Subdivision 1. [LIMITS.] During the calendar year in which an election is held for an office sought by a congressional candidate, no expenditures may be made by the authorized committees of that congressional candidate that result in an aggregate amount in excess of the following:

- (1) for United States senator, \$3,400,000; and
- (2) for representative in Congress, \$425,000.

A congressional candidate whose name will appear on the ballot in more than one general or special election in a year is subject to a separate spending limit for each election. For a candidate for representative in Congress in a special election, the expenditure limits apply during the ten months before and the two months after the special election.

Subd. 2. [ADJUSTMENT BY CONSUMER PRICE INDEX.] (a) The dollar amounts provided in subdivision 1 must be adjusted for general election years as provided in this subdivision. By June 1 of the general election year, the executive director of the board shall determine the percentage increase in the consumer price index from December of the year preceding the last general election year to December of the year preceding the year in which the determination is made. The dollar amounts used for the last general election year must be multiplied by that percentage. The product of the calculation must be added to each dollar amount to produce the dollar limitations to be in effect for the next general election and any special elections for which filings open before a new limit is set. The product must be rounded up to the next highest whole dollar. The index used must be the revised consumer price index for all urban

consumers for the St. Paul-Minneapolis metropolitan area prepared by the United States Department of Labor with 1982 as a base year.

(b) The dollar amounts in subdivision 1 must be adjusted for races in years subsequent to 1990 in the manner provided in paragraph (a), and the last general election year must be considered to be 1990 and the dollar amounts used for the last general election year for the offices of United States senator and representative in Congress must be \$3,400,000 and \$425,000 respectively.

(c) By June 15 of each year, the board shall publish in the State Register the expenditure limit for each office for that calendar year as adjusted under this subdivision.

Subd. 3. [CONTESTED PRIMARY RACES.] Notwithstanding the limits imposed by subdivisions 1 and 2, the winning congressional candidate in a contested race in a primary who receives less than twice as many votes as any one of the candidate's opponents in that primary may make aggregate expenditures equal to 120 percent of the applicable amount under subdivisions 1 and 2.

Subd. 4. [POSTELECTION YEAR EXPENDITURES.] In any year following an election year for the office held or sought, the aggregate amount of expenditures on behalf of a congressional candidate for or holder of that office must not exceed 20 percent of the expenditure limit in subdivisions 1 and 2.

Subd. 5. [LIMITATION CONDITIONAL.] (a) The expenditure limits imposed by this section apply as provided by this subdivision.

(b) If all the congressional candidates seeking an office agree to be bound by the limits, no candidate may receive an incentive, but all candidates are bound by the limits.

(c) If all major political party congressional candidates seeking an office agree to be bound by the limits, no such candidate of a major political party may receive an incentive, but all such candidates are bound by the limits.

(d) If a candidate of a major political party, minor political party or new political party, or an independent candidate, (i) agrees to be bound by the limits, and (ii) has an opponent who is a candidate of a major political party and who declines to be bound by the limits, the candidate who agrees to limits is eligible to receive an incentive and is not bound by the limits.

Subd. 6. [CERTAIN POSTELECTION COSTS.] After the election, a congressional candidate who is not a congressional incumbent and has been elected to Congress may spend an amount up to ten percent of the limits under subdivision 1 or 2 to defray transition costs. This

money may be spent only for the costs of the transition that are incurred between the election and the date on which the elected candidate begins congressional service and cannot be used to retire debts remaining from the primary or general election campaign.

Sec. 6. [10A.45] [CONTRIBUTION AND LOAN LIMITS.]

Contributions by or to a congressional candidate and loans to a congressional candidate are governed by United States Code, title 2, chapter 14.

Sec. 7. [10A.46] [MULTICANDIDATE POLITICAL PARTY EXPENDITURES.]

Multicandidate political party expenditures with respect to congressional candidates are governed by United States Code, title 2, section 431, paragraph (9).

Sec. 8. [10A.47] [PENALTY FOR EXCEEDING LIMITS.]

Subdivision 1. [EXPENDITURE LIMITS.] A congressional candidate subject to the expenditure limits in section 5 who permits the candidate's authorized committees to make aggregate expenditures on the candidate's behalf in excess of the limits imposed by section 5 is subject to a civil fine of up to four times the amount by which the expenditures exceed the limit.

Subd. 2. [CONTRIBUTION LIMITS.] A congressional candidate who permits the candidate's authorized committees to accept contributions in excess of the limits imposed under United States Code, title 2, chapter 14, is subject to the penalties imposed by United States Code, title 2, section 437g.

Subd. 3. [CONCILIATION AGREEMENTS.] If the board finds that there is reason to believe that excess expenditures have been made contrary to subdivision 1, the board shall make every effort for not less than 14 days after its finding to correct the matter by informal methods of conference and conciliation and to enter a conciliation agreement with the person involved. A conciliation agreement made under this subdivision is a matter of public record. Unless violated, a conciliation agreement bars any civil proceeding under subdivision 4.

Subd. 4. [CIVIL ACTION.] If the board is unable after a reasonable time to correct by informal methods any matter that constitutes probable cause to believe that excess expenditures have been made contrary to subdivision 1, the board shall make a public finding of probable cause in the matter. After making a public finding, the board shall bring an action or transmit the finding to a county attorney who shall bring an action to impose a civil fine as

prescribed by the board under subdivision 1. An action filed against a congressional candidate for United States senator must be brought in the district court of Ramsey county. An action filed against a congressional candidate for representative in Congress may be brought in the district court of a county within the congressional candidate's congressional district or in the district court in Ramsey county. All money recovered under this section must be deposited in the state treasury and credited to the general fund.

Sec. 9. [10A.48] [MATCHING REQUIREMENTS.]

In order to be eligible to receive a financial incentive, a congressional candidate must provide evidence to the board of contributions equal to the financial incentive. Except as otherwise provided by section 10, when a candidate submits an affidavit to the board showing contributions equal to at least one-fourth of the incentive amount, that amount will be paid to the candidate. A candidate may receive the incentive at any time during the calendar year in which the election is held, after the certification of primary results, and may receive it in quarters, or in larger portions if the candidate submits an affidavit showing that a larger amount of contributions has been made.

Sec. 10. [10A.49] [CERTIFICATION AND DISTRIBUTION.]

Subdivision 1. [CERTIFICATION OF ELIGIBLE CANDIDATES.] Within one week after certification by the state canvassing board of the results of the primary, the ethical practices board shall certify to the state treasurer the name of each major political party or minor political party congressional candidate who is eligible to receive a financial incentive.

Subd. 2. [DISTRIBUTION OF MONEY AFTER PRIMARY.] Within two weeks after certification by the state canvassing board of the results of the primary, the state treasurer shall pay an incentive to each major political party or minor political party congressional candidate who has signed an agreement as required under section 5 and is eligible to receive an incentive.

Subd. 3. [INDEPENDENT AND NEW PARTY CANDIDATES.] Within two weeks after certification by the state canvassing board of the results of the state general election, the state treasurer shall pay an incentive to each independent or new political party congressional candidate who has signed an agreement as required under section 5 and is eligible to receive an incentive. To be eligible to receive an incentive, an independent or new party congressional candidate must receive at least three percent of the vote cast at the general election for the office sought.

Subd. 4. [APPROPRIATION.] The amount necessary to pay the

incentives under this section is appropriated from the general fund to the state treasurer.

Sec. 11. [10A.50] [RETURN OF FINANCIAL INCENTIVE.]

Subdivision 1. [WHEN REQUIRED.] A congressional candidate shall return all or a portion of the financial incentive received under the circumstances in this subdivision. To the extent that the incentive received exceeds the aggregate of actual expenditures made by the authorized committees of the congressional candidate, the treasurer of the congressional candidate's principal campaign committee shall return an amount equal to the difference to the board.

Subd. 2. [HOW RETURN DETERMINED.] Whether a congressional candidate is required under subdivision 1 to return all or a portion of the incentive received must be determined from the report required to be filed with the secretary of state by that congressional candidate by January 31 of the year following an election. Any amount required to be returned must be submitted in the form of a check or money order and must accompany the report filed under section 12. The secretary of state shall forward the check or money order to the state treasurer for deposit in the general fund. The amount returned must not exceed the amount of incentive received by the congressional candidate.

Sec. 12. [10A.51] [CAMPAIGN REPORTS.]

A congressional candidate who agrees to be bound by the expenditure limits in section 5, as a condition of receiving an incentive for the candidate's campaign, shall file with the secretary of state all reports that the candidate or the candidate's principal campaign committee treasurer acting for the candidate is required to file under United States Code, title 2, chapter 14. The secretary of state shall forward copies of the reports, within 30 days after they are received, to the board.

For purposes of this section, a meeting occurs when a quorum is present and action is taken regarding a matter within the jurisdiction of the body.

Subd. 2. [ENFORCEMENT.] The house of representatives and the senate shall adopt rules to implement this section. Remedies provided by rules of the house and senate are exclusive. Subd. 2. [COMMISSION ESTABLISHED; MEMBERS.] A commission on judicial selection is established. It is composed of permanent members chosen as described in paragraphs (a) to (e).

(a) The governor shall appoint seven at-large members to the commission who serve at the pleasure of the governor. The governor shall appoint one of these members as chair of the commission. The chair may but does not have to be an attorney. The governor may appoint attorneys to fill no more than four of the remaining six positions.

(b) The justices of the supreme court shall appoint two at-large members to the commission to serve four-year terms, ending on the

same day the governor's term of office ends. The justices may appoint an attorney to fill no more than one of the two positions.

(c) The governor shall appoint two district members to the commission in each judicial district who serve at the pleasure of the governor. The governor may appoint an attorney to fill no more than one of the two positions.

(d) The justices of the supreme court shall appoint two district members to the commission from each judicial district to serve four-year terms, ending on the same day the governor's term of office ends. The justices may appoint an attorney to fill no more than one of the two positions.

(e) The appointing authorities shall ensure that the permanent members of the commission include women and minorities.

Subd. 3. [PARTICIPATION IN MEETINGS.] Individuals appointed as district members under subdivision 2, paragraphs (c) and (d), may participate in commission meetings and deliberations only when the commission is considering applicants to fill a vacancy on the district court in the judicial district from which those individuals were appointed.

Subd. 4. [VACANCIES.] If a vacancy occurs on the commission by reason of the death or resignation of a member or by the removal of a member appointed under subdivision 2, the appointing or electing authority shall appoint or elect an individual to fill the vacancy for the unexpired term.

Subd. 5. [QUORUM.] A quorum of the commission is seven members.

Subd. 6. [TEMPORARY INELIGIBILITY FOR VACANCY.] Members of the commission who would otherwise be eligible to hold judicial office may not be considered or appointed to fill a district court judicial vacancy while they are members of the commission or for one year following the end of their membership on the commission.

Subd. 7. [RECRUITMENT PROCESS.] The commission shall prepare and make available to the public and file with the clerk of the appellate courts and the secretary of state an outline of the process the commission will follow in recruiting and evaluating candidates to fill judicial vacancies. The commission shall actively seek out and encourage qualified individuals, including women and minorities, to apply for judicial offices.

Subd. 8. [CANDIDATE EVALUATION.] The commission shall evaluate the extent to which candidates have the following qualifi-

cations for judicial office: integrity, maturity, health if job related, judicial temperament, diligence, legal knowledge, ability and experience, and community service. The commission shall give consideration to women and minorities. The commission shall solicit, in writing, recommendations from attorney associations in the judicial district and from organizations that represent minority or women attorneys in the judicial district who have requested solicitation.

Subd. 9. [COMMISSION MEETINGS; NOTICE; TIME.] Within ten days after a judicial vacancy occurs or the governor has been notified that a vacancy will occur on a named date, the governor shall give notice of the vacancy to the chair of the commission on judicial selection. Subd. 11. [NOMINEES TO GOVERNOR.] Within 60 days after the receipt of a notice of a judicial vacancy, the committee shall recommend to the governor no fewer than three and no more than five nominees for each judicial vacancy. The names of the nominees must be made public. The governor may fill the vacancy from the nominees recommended by the commission. If the governor declines to select a nominee to fill the vacancy from the list of nominees, or if no list is submitted to the governor under this subdivision, the governor may select a person to fill the vacancy without regard to the commission's recommendation. If fewer than 60 days remain in the term of office of a governor who will not succeed himself or

The appropriations in this section are from the infrastructure development fund.

The state board shall report to the house appropriations and senate finance committees by January 15 of each year on the status of the capital improvement projects in this section.

Subd. 2. Statewide

The state board of vocational technical education may provide grants to school districts for land purchases authorized in this act. The school district must still finance 15 percent of the cost of each project, other than in a joint vocational technical district as defined in Minnesota Statutes, section 136C.60.

During the biennium, the state board of vocational technical education shall advertise for bids and award contracts in connection with the improvements, supervise and inspect the work, approve necessary changes in the plans and specifications, approve estimates for payment, and accept the improvements when completed according to the plans and specifications.

During the biennium, the state board may delegate the authority provided in this section to the campus director for repair and replacement projects with a total cost of less than \$50,000, if the state board determines that the projects can be efficiently managed at the campus level.

Plans must be paid for out of this appropriation. The remainder of the appropriation must not be spent until the board has secured suitable plans and specifications, prepared by a competent architect or engineer. The plans and specifications must be accompanied by a detailed statement of the cost, quality, and description of all material and labor required for the completion of the work. The legislative water commission shall study the financing of wastewater treatment projects. The study must include a review of the state independent grant program and recommendations on how the grant program should be modified to better complement the state revolving loan program. The department of trade and economic development and the pollution control

agency shall cooperate in the study. The legislative water commission shall report its findings to the house and senate environment and natural resources committees, house appropriations committee, and the senate finance committee by January 1, 1991.

This appropriation is for the state's share of the cost of combined sewer overflow projects begun during fiscal years 1991 and 1992. The allocation to a city for projects begun in fiscal year 1991 or 1992 may be used, by choice of the city, to cover the shortfall in federal funding of projects begun by the city during fiscal year 1990, but the legislature does not intend to appropriate

any more money for projects begun in fiscal year 1991 or 1992 because a city has chosen to use part of this appropriation for projects begun in fiscal year 1990.

Notwithstanding any law to the contrary, the city of St. Paul shall use all revenues derived from its clawback funding of sewer financing only for sewer separation projects that directly result in the elimination of combined sewer overflow.

(b) Litigation Settlements

250,000

This appropriation is from the infrastructure development fund.

This appropriation is for payment to municipalities to assist in settling claims made against the municipalities in litigation to which the state and the municipality are parties involving the construction of municipal wastewater treatment facilities funded partly by state matching wastewater treatment grant funds. No payment may be made to settle litigation with a municipality eligible for funding under the corrective action grant program, Minnesota Statutes, section 116.181. No funds shall be used to pay litigation costs. Payment shall be subject to an agreement to which the state and the municipality are parties. Any funds not obligated by December 31, 1990, may be used for grants under Minnesota Statutes, section 116.18, subdivision 2a, or transferred to the public facilities authority for grants under Minnesota Statutes, section 116.18, subdivision 3a.

(b) Local Recreation Grants

2,000,000

This appropriation is from the infrastructure development fund.

This appropriation is to acquire and to better recreation open space projects upon application by local units of government and Indian tribes and bands recognized by the federal government. Projects that receive federal grants must be given priority. A grant under this paragraph is not contingent upon the receipt of federal grants. A project may receive grant assistance of up to 50 percent of the total capital cost of the project or, if federal money is used, 50 percent of the local share. A project must not receive grant assistance of more than \$400,000. A local unit of government must not receive more than one grant during each fiscal biennium.

\$625,000 is granted for projects outside the metropolitan area that is defined in Minnesota Statutes, section 473.121, subdivision 2.

Up to ten percent of the appropriation for local recreation grants may be used for acquisition of park land that is currently used as a park and is being leased by a local unit of government. This portion of the appropriation is not subject to the 50 percent local match. A local unit of government receiving a grant under this provision must agree to operate and maintain the park.

(c) Metropolitan Open Space

Using the authority granted in Minnesota Statutes, section 473.325, the metropolitan council may authorize the issuance of general obligation bonds of the council for the acquisition and betterment of regional recreational open space. The bonds must be issued as provided in and subject to the dollar limitation of Minnesota Statutes, section 473.325.

The amount appropriated for a grant to the Duluth zoo in Laws 1989, chapter 335, article 1, section 25, subdivision 6, may be granted in more than one disbursement. Each disbursement is available after the commissioner of finance has determined that the portion of the grant to be disbursed has been matched by an equal amount from non-state sources.

The appropriation in Laws 1989, chapter 335, article 1, section 25, subdivision 6, of \$500,000 in the first year for the Duluth Zoo does not cancel at the end of the first year and is available for the second year of the biennium.

(c) Expand seating capacity of National Sports Center in Blaine

\$8,500,000 is appropriated from the proceeds of sports facility revenue bonds.

This appropriation is not available until the commission has executed a contract with the United States Soccer Federation naming the National Sports Center in Blaine a site for the 1994 World Cup of Soccer and the commissioner of finance has determined that the sports commission has secured revenue from local and private sources that will be sufficient to retire the bonds sold to finance this appropriation. The bonds sold for this appropriation shall be revenue bonds. The legislature intends not to appropriate money from the general fund to pay for these bonds.

Before each sale of state general obligation bonds, the commissioner of finance shall calculate the amount of debt service payments

needed on bonds previously issued and shall estimate the amount of debt service payments that will be needed on the bonds scheduled to be sold. The commissioner shall adjust the amount of bonds scheduled to be sold so as to remain within the limit set by this section. The amount needed to make the debt service payments is appropriated from the general fund as provided in Minnesota Statutes, section 16A.641.

Sec. 30. [BOND SALE.]

Subdivision 1. [BOND PROCEEDS FUND.] To provide the money appropriated in this act from the state bond proceeds fund the commissioner of finance, on request of the governor, shall sell and issue bonds of the state in an amount up to \$109,525,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7.

The proceeds of the bonds, except accrued interest and any premium received on the sale of the bonds, must be credited to a bond proceeds account in the state transportation fund.

Sec. 31. [PLANNING.]

During the biennium, in its planning for new program offerings at a particular institution, each public post-secondary education governing board shall consider the availability of physical space and the adequacy of facilities at that institution. If the board determines that new space or facilities are required, it shall examine the feasibility of developing the program at a different institution within its system or in cooperation with other systems.

Sec. 32. [BOND SALE REDUCTION.]

The bond sale authorization in Laws 1979, chapter 300, section 4, subdivision 3 for construction of local dams is reduced by \$129,000.

Sec. 33. Minnesota Statutes 1989 Supplement, section 16A.631, is amended to read:

16A.631 [BOND PROCEEDS FUND.]

The bond proceeds fund is established to receive state bond the proceeds appropriated to agencies to acquire and to better public land and buildings and other public improvements of a capital nature, as authorized by of state bonds issued under the constitution, article XI, section 5, clause (a). The commissioner shall establish in the fund accounts having titles that reflect the state purpose or program for which the bond proceeds are appropriated and authorized to be expended.

Sec. 34. [16A.632] [CAPITAL ASSET PRESERVATION AND REPLACEMENT ACCOUNT.]

Subdivision 1. [ESTABLISHMENT.] A capital asset preservation and replacement account is established in the state bond proceeds fund established by section 16A.631, separate from any other accounts maintained in that fund, to receive state bond proceeds appropriated to the commissioner of administration to be expended for the purpose and in accordance with the standards and criteria set forth in this section:

Subd. 2. [STANDARDS.] Article XI, section 5, clause (a), of the constitution states general obligation bonds may be issued to finance only the acquisition or betterment of state land, buildings, and improvements of a capital nature. In interpreting this and applying it to the purposes of the program contemplated in this section, the following standards are adopted for the disbursement of money from the capital asset preservation and replacement account:

(a) No new land, buildings, or major new improvements will be acquired. These projects, including all capital expenditures required to permit their effective use for the intended purpose on completion, will be estimated and provided for individually through a direct appropriation for each project.

(b) An expenditure will be made from the account only when it is a capital expenditure on a capital asset previously owned by the state, within the meaning of accepted accounting principles as applied to public expenditures. The commissioner of administration will consult with the commissioner of finance to the extent necessary to ensure this and will furnish the commissioner of finance a

list of projects to be financed from the account in order of their priority. The commissioner shall also furnish each revision of the list. The legislature assumes that many provisions for preservation and replacement of portions of existing capital assets will constitute betterments and capital improvements within the meaning of the constitution and capital expenditures under correct accounting principles, and will be financed more efficiently and economically under the program than by direct appropriations for specific projects. However, the purpose of the program is to accumulate data showing how additional costs may be saved by appropriating money from the general fund for preservation measures, the necessity of which is predictable over short periods.

(c) The commissioner of administration will furnish instructions to agencies to apply for funding of capital expenditures for preservation and replacement from the account, will review applications, will make initial allocations among types of eligible projects enumerated below, will determine priorities, and will allocate money in priority order until the available appropriation has been committed. Under section 14.02, subdivision 4, these instructions and allocations do not constitute rules and the other provisions of chapter 14 do not apply to them.

(d) Categories of projects considered likely to be most needed and appropriate for financing are the following:

(1) unanticipated emergencies of all kinds, for which a relatively small amount should be initially reserved, replaced from money allocated to low-priority projects, if possible, as emergencies occur, and used for stabilization rather than replacement if the cost would exhaust the account and should be specially appropriated;

(2) projects to remove life safety hazards, like replacement of mechanical systems, building code violations, or structural defects, at costs not large enough to require major capital requests to the legislature;

(3) elimination or containment of hazardous substances like asbestos or PCBs; and

(4) moderate cost replacement and repair of roofs, windows, tuckpointing, and structural members necessary to preserve the exterior and interior of existing buildings.

Subd. 3. [CRITERIA FOR PRIORITY.] Criteria can be stated only in general terms, as it is the purpose of the program to improve the allocation of limited amounts of borrowed money by enlisting the engineering expertise of the department of administration and the closer knowledge and experience of this and all other agencies in determining relative needs as they develop. The following criteria must be considered:

(a) Urgency in ensuring the safety of use of existing buildings is the first criterion to be applied. It will require judgments, for example, about the useful life of electric and mechanical systems and roofs, in relation to the remaining useful life of each building, and about the presence of hazardous substances and structural defects in the light of present building regulations.

(b) Economy is also to be determined and may even reinforce a decision based on the first criterion, if the project would forestall a larger future capital expenditure or would reduce operating expense.

(c) Absolute cost must also be considered. It may be too high to warrant funding except by an additional appropriation, or so high as to warrant a recommendation to abandon or to replace the building. It may be so low as to permit payment out of an agency's operating budget.

Sec. 35. Minnesota Statutes 1988, section 16A.641, subdivision 6, is amended to read:

Subd. 6. [TAXABILITY; CERTIFICATION.] The commissioner shall ascertain from state records and certify to the holders of each series of state bonds, subject to the approval of the attorney general, that all conditions exist and all actions have been taken that are needed to make the bonds valid and binding general obligations of the state in accordance with their terms. The commissioner shall also certify for the state the facts, estimates, and circumstances on the date of issue that lead the commissioner reasonably to expect that the proceeds will not be used in a way that would make the bonds arbitrage bonds under section 103(e) of the Internal Revenue Code and related federal regulations.

The bonds may be issued with or without regard to whether the interest to be paid on them is includable in gross income for federal tax purposes. If it is intended that the interest on the bonds be exempt from federal income taxes, the commissioner shall certify for the state on the date of issue the facts, estimates, and circumstances that lead the commissioner reasonably to expect that the proceeds of the bonds and the projects financed by them will not be used in a way that would cause the interest on the bonds to be subject to federal income taxes. The commissioner may covenant with the holders of the bonds that the state will comply with the provisions of the United States Internal Revenue Code then or later enacted that apply or may apply to the bonds and that establish conditions under which the interest to be paid on the bonds will not be subject to federal income taxes. The commissioner and all other state officers shall act or refrain from acting as necessary to comply with the covenants. A sum sufficient to meet the cost of compliance is annually appropriated to the commissioner from the general fund.

Sec. 36. Minnesota Statutes 1989 Supplement, section 16A.641, subdivision 7, is amended to read:

Subd. 7. [CREDIT OF PROCEEDS.] (a) Proceeds of bonds issued under each law must be credited by the commissioner to a special fund, as provided in this subdivision.

(b) Accrued interest and any premium received on sale of the bonds must be credited to the state bond fund created by the constitution, article XI, section 7.

(c) Except as otherwise provided by law, proceeds of state building bonds issued under the constitution, article XI, section 5, clause (a), must be credited to the bond proceeds fund ~~under~~ established by section 16A.631.

(d) Proceeds of state highway bonds must be credited to the trunk highway fund under the constitution, article XIV, section 6.

(e) Proceeds of bonds issued for programs of grants or loans to political subdivisions must be credited to special accounts in the bond proceeds fund or to special funds established by laws stating the purposes of the grants or loans, and the standards and criteria under which an executive agency is authorized to make them.

(f) Proceeds of refunding bonds must be credited to the state bond fund as provided in section 16A.66, subdivision 1.

(g) Proceeds of other bonds must be credited as provided in the law authorizing their issuance.

Sec. 37. [16A.662] [INFRASTRUCTURE DEVELOPMENT BONDS.]

Subdivision 1. [INFRASTRUCTURE DEVELOPMENT FUND.] The infrastructure development fund is created as an account in the state treasury. The commissioner of finance shall credit to the fund income from the sources provided by law. The commissioner of finance shall from time to time certify to the state board of investment the assets of the fund not currently needed. The amount certified must be invested by the state board of investment subject to section 11A.24. Investment income and investment losses attributable to investment of fund assets must be credited to or borne by the fund.

Subd. 2. [BONDS AUTHORIZED.] When authorized by law enacted in accordance with the constitution, article XI, sections 5 and 7, the commissioner may by order sell and issue infrastructure development bonds of the state evidencing public debt incurred for any purpose stated in the law. The bonds are general obligations of

the state, and the full faith and credit of the state are pledged for their payment.

Subd. 3. [MANNER OF ISSUANCE; MATURITIES.] The bonds must be issued and sold in accordance with section 16A.641. Sections 16A.672 and 16A.675 apply to the bonds.

Subd. 4. [ESTABLISHMENT OF DEBT SERVICE ACCOUNT; APPROPRIATION OF DEBT SERVICE ACCOUNT MONEY.] There is established within the state bond fund a separate and special account designated as the infrastructure development bond debt service account. There must be transferred to this debt service account in each fiscal year from money in the infrastructure development fund, other than bond proceeds and interest earned on bond proceeds, an amount sufficient to increase the balance on hand in the debt service account on each December 1 to an amount equal to the full amount of principal and interest to come due on all outstanding infrastructure development bonds to and including the second following July 1. The amount necessary to make the transfer is appropriated from the infrastructure development fund. The money on hand in the debt service account must be used solely for the payment of the principal of, and interest on, the bonds, and is appropriated for this purpose. This appropriation does not cancel as long as any of the bonds remain outstanding.

Subd. 5. [ASSESSMENT TO HIGHER EDUCATION SYSTEMS.] (a) In order to reduce the amount otherwise required to be transferred under subdivision 4, the commissioner of finance shall assess each higher education system for one-third the amount that would otherwise need to be transferred with respect to infrastructure development bonds sold to finance capital improvement projects at institutions under the control of the system; provided that, to the extent that the amount to be transferred is for payment of principal and interest on bonds sold to finance life safety improvements, the commissioner must not assess the higher education systems for the transfer.

(b) After each sale of infrastructure development bonds, the commissioner of finance shall notify the state board for vocational technical education, the state board for community colleges, the state university board, and the regents of the University of Minnesota of the amounts for which each system is responsible for each year for the life of the bonds. The amounts payable each year are reduced by one-third of the net income from investment of infrastructure development bond proceeds that must be allocated among the systems in proportion to the amount of principal and interest otherwise required to be paid by each. Each higher education system shall pay its annual share of debt service payments to the commissioner of finance by December 1 each year. If a higher education system fails to make a payment when due, the commissioner of finance shall reduce allotments for appropriations from the general

fund otherwise payable to the system to cover the amount of the missed debt service payment. The commissioner of finance shall credit the payments received from the higher education systems to the infrastructure development bond debt service account in the state bond fund each December 1 before the transfer is made under subdivision 4.

Subd. 6. [APPROPRIATION FROM GENERAL FUND.] There is annually appropriated from the general fund for transfer to the infrastructure development bond debt service account the amount that, added to the amount in the infrastructure development bond debt service account on December 1 each year, after giving effect to subdivisions 4 and 5, is equal to the full amount of principal and interest to come due on all bonds to and including July 1 in the second ensuing year.

Subd. 7. [CONSTITUTIONAL TAX LEVY.] Under the constitution, article XI, section 7, the state auditor must levy each year on all taxable property within the state a tax sufficient, with the amount then on hand in the infrastructure development bond debt service account, to pay all principal and interest on the bonds due and to become due to and including July 1 in the second ensuing year. The tax is not subject to limit as to rate or amount. However, the amount of money appropriated from other sources as provided in subdivisions 4, 5, and 6, and actually received and on hand before the levy in any year, reduces the amount of the tax otherwise required to be levied. The proceeds of the tax must be credited to the infrastructure development bond debt service account.

Subd. 8. [APPLICATION AND APPROPRIATION OF PROCEEDS.] The proceeds of the bonds must be deposited and spent as provided in this subdivision and are appropriated for those purposes. Any accrued interest and any premium received on the sale of the bonds must be credited to the infrastructure development bond debt service account. Except as otherwise required by law, the balance of the bond proceeds shall be credited to the infrastructure development fund and spent for the purposes specified in the law authorizing the issuance of the bonds. So much of the proceeds as is necessary must be used to pay costs incurred in issuing and selling the bonds.

Sec. 38. [TUITION NOT INCREASED.]

Tuition must not be increased to meet each higher education system's annual share of debt service payments. Existing internal resources must be used to meet each system's share as follows: (i) existing instructional funds must be used for capital improvement projects for instructional purposes, and (ii) existing noninstructional funds must be used for capital improvement projects for noninstructional purposes. This section is repealed July 1, 1991.

Sec. 39. Minnesota Statutes 1988, section 16A.672, is amended by adding a subdivision to read:

Subd. 9a. [TAXABILITY; CERTIFICATION.] Certificates may be issued with or without regard to whether the interest to be paid on them is includable in gross income for federal tax purposes. If it is intended that the interest on the certificates be exempt from federal income taxes, the commissioner shall certify for the state on the date of issue the facts, estimates, and circumstances that lead the commissioner reasonably to expect that the proceeds of the certificates will not be used in a way that would cause the interest on the certificates to be subject to federal income taxes. The commissioner may covenant with the holders of the certificates that the state will comply with the provisions of the United States Internal Revenue Code then or later enacted that apply or may apply to the certificates and that establish conditions under which the interest to be paid on the certificates will not be subject to federal income taxes. The commissioner and all other state officers shall act or refrain from acting as necessary to comply with the covenants. A sum sufficient to meet the cost of compliance is annually appropriated to the commissioner from the general fund.

Sec. 40. Minnesota Statutes 1989 Supplement, section 16A.69, subdivision 1, is amended to read:

Subdivision 1. [APPROPRIATIONS INTO SINGLE PROJECT ACCOUNT.] The commissioner shall place the money from two or more appropriations for the same or related projects in one account if all the appropriations do not lapse until their purposes are accomplished or abandoned. The commissioner of administration agency to whom the appropriation was made shall first certify which accounts are involved to the commissioner.

Sec. 41. Minnesota Statutes 1988, section 16B.31, is amended by adding a subdivision to read:

Subd. 6. [STATE BUILDINGS.] (a) The commissioner of administration, in cooperation with the commissioner of finance shall:

(1) establish a state building classification system for state-owned buildings, with each class representing a different quality of building construction, to be incorporated into the capital budget format and instructions; and

(2) create and maintain an inventory of all major state buildings and office space owned or leased by the state, including a classification system on the condition and suitability of each major building.

(b) The commissioner of administration shall present to the

legislature a supportable cost analysis whenever the commissioner proposes, for the purpose of providing state agency office space, to:

(1) enter into a lease for more than 50,000 square feet or for more than five years;

(2) enter into a lease-purchase agreement or an agreement to lease with option to buy property;

(3) purchase an existing building; or

(4) construct a new building.

Sec. 42. Minnesota Statutes 1989 Supplement, section 16B.335, subdivision 2, is amended to read:

Subd. 2. [OTHER PROJECTS.] All other capital projects except for those contained in agency operations budgets, including building improvements, small structures at experiment stations, asbestos removal, life safety, PCB removal, tuckpointing, roof repair, code compliance, landscaping, drainage, electrical and mechanical systems work, paving of streets, parking lots, and the like must not proceed until the agency undertaking the project has notified the chair of the senate finance committee and the chair of the house appropriations committee that the work is ready to begin.

Sec. 43. Minnesota Statutes 1988, section 1160.12, is amended to read:

1160.12 [GREATER MINNESOTA ACCOUNT.]

(a) The Greater Minnesota account is in the special revenue fund. Money in the account not needed for the immediate purposes of the corporation may be invested by the state board of investment in any way authorized by section 11A.24. Money in the account is appropriated to the corporation to be used as provided in this chapter.

(b) The account consists of:

(1) money appropriated and transferred from other state funds;

(2) fees and charges collected by the corporation;

(3) income from investments and purchases;

(4) revenue from loans, rentals, royalties, dividends, and other proceeds collected in connection with lawful corporate purposes;

(5) gifts, donations, and bequests made to the corporation; and

(6) through the first five full fiscal years, during which proceeds from the lottery are received, one-half of the net proceeds of the state-operated lottery must be credited to the Greater Minnesota Corporation account. Thereafter, up to one-half, as determined by law each biennium, of the net proceeds from the state-operated lottery must be credited to the Greater Minnesota Corporation account other income credited to the account by law.

Sec. 44. Minnesota Statutes 1988, section 116P.04, subdivision 3, is amended to read:

Subd. 3. [REVENUE.] Revenue collected in accordance with subdivision 2 must be deposited monthly in the trust fund account. Nothing in sections 116P.01 to 116P.12 limits the source of contributions to the trust fund.

Sec. 45. [BOND ISSUE; MAXIMUM EFFORT LOANS; 1990.]

To provide money to be loaned to school districts as agencies and political subdivisions of the state to acquire and to better public land and buildings and other public improvements of a capital nature, in the manner provided by the maximum effort school aid law, the commissioner of finance shall issue and sell school loan bonds of the state of Minnesota in the maximum amount of \$23,000,000, in addition to the bonds already authorized for this purpose. The bonds must be issued and sold and provision for their payment must be made according to section 124.46. Expenses incidental to the sale, printing, execution, and delivery of the bonds, including, but without limitation, actual and necessary travel and subsistence expenses of state officers and employees for those purposes, must be paid from the maximum effort school loan fund, and the money necessary for the expenses is appropriated from that fund.

Sec. 46. Minnesota Statutes 1988, section 136.62, is amended by adding a subdivision to read:

Subd. 8. [AUTHORIZATION TO SEEK FINANCING.] A community college must not seek financing for child care facilities through the higher education facilities authority, as provided in section 47, without the explicit authorization of the state board.

Sec. 47. Minnesota Statutes 1988, section 136A.28, subdivision 3, is amended to read:

Sec. 53. [462A.202] [LOCAL GOVERNMENT UNIT HOUSING ACCOUNT]

Subdivision 1. [ACCOUNT.] The local government unit housing account is established as a separate account in the housing development fund. Money in the account is appropriated to the agency for the purposes specified in this section.

Subd. 2. [TRANSITIONAL HOUSING.] The agency may make loans or grants to local government units to finance the acquisition, improvement, and rehabilitation of existing housing properties for the purposes of providing transitional housing, upon terms and conditions the agency determines. Preference must be given to local government units that propose to acquire properties being sold by the resolution trust corporation or the department of housing and urban development. The local government unit may contract with a nonprofit or for-profit organization to manage the property and to operate a transitional housing program on the property on behalf of the local government unit, on terms and conditions approved by the agency. The local government unit shall retain ownership of the property for at least 20 years. After 20 years, the sale of a property before the expiration of its useful life must be at its fair market value, and the net proceeds of sale must be used for the same purpose or repaid to the agency for deposit in the local government unit housing account.

Subd. 3. [PUBLICLY OWNED HOUSING REHABILITATION AND MODERNIZATION.] The agency may make loans or grants to local government units to finance the rehabilitation and modernization of publicly owned housing units. The local government unit shall retain ownership of the property for at least 20 years. Sec. 54. [CONSTITUTIONAL AMENDMENT.]

The following amendment to the Minnesota Constitution, article XI, section 14, is proposed to the people. If the amendment is adopted, the section will read as follows:

Sec. 14. A permanent Minnesota environment and natural resources trust fund is established in the state treasury. The principal of the environment and natural resources trust fund must be perpetual and inviolate forever, except appropriations may be made from up to 25 percent of the annual revenues deposited in the fund until fiscal year 1997 and loans may be made of up to five percent of the principal of the fund for water system improvements as provided by law. This restriction does not prevent the sale of investments at less than the cost to the fund, however, all losses not offset by gains shall be repaid to the fund from the earnings of the fund. The net earnings from the fund shall be appropriated in a manner prescribed by law for the public purpose of protection, conservation, preservation, and enhancement of the state's air, water, land, fish, wildlife, and other natural resources. Not less than 40 percent of the net proceeds from any state-operated lottery must be credited to the fund until the year 2001.

Sec. 55. [SUBMISSION TO VOTERS.]

The proposed amendment shall be submitted to the people at the 1990 general election. The question submitted shall be:

"Shall the Minnesota Constitution be amended to dedicate not less than 40 percent of the net proceeds from the state lottery to the Minnesota environment and natural resources trust fund for environment, natural resources, and wildlife purposes until the year 2001?"

Yes
No

Sec. 56. Laws 1979, chapter 280, section 2, as amended by Laws 1982, chapter 617, section 25, Laws 1985, chapter 299, section 39, Laws 1985, First Special Session, chapter 16, article 2, section 16, and Laws 1989, chapter 300, article 1, section 34, is amended to read:

Sec. 2. [APPROPRIATION.] Subdivision 1. \$60,000,000, or so much thereof as is determined to be needed, is appropriated from the Minnesota state transportation fund to the department of transportation to be expended for disbursement in the form of grants by the commissioner of transportation for construction and reconstruction of key bridges on the state transportation system and shall be allocated pursuant to subdivisions 2 and 3. The appropriation shall not lapse, but shall remain available until expended.

Subd. 2. ~~\$58,500,000~~ (a) \$59,309,000 or so much thereof as is needed, is available for expenditure for grants to political subdivisions for construction and reconstruction of key bridges on highways, streets and roads under their jurisdiction. The grants shall not exceed the following aggregate amounts:

(1) To counties ~~\$16,220,000~~ \$16,720,000

(2) To home rule charter and statutory cities ~~\$2,620,000~~
\$2,729,000

(3) To towns ~~\$23,160,000~~ \$23,360,000

(b) Grants under clauses (1) to (3) may be used by political subdivisions to match federal-aid grants for construction and reconstruction of key bridges under their jurisdictions. Additional grants may be made in an aggregate amount not to exceed \$16,500,000 to the political subdivisions to match federal-aid grants for construction and reconstruction of key bridges under their jurisdiction. Appropriations made in subdivisions 1, 2, or and 3 may also be used for the following purposes:

(1) The costs of abandoning an existing bridge that is deficient and is in need of replacement, but where no replacement will be made.

(2) The costs of constructing a road or street that would facilitate the abandonment of an existing bridge determined to be deficient. The construction of the road or street must be judged to be more cost efficient than the reconstruction or replacement of the existing bridge.

Subd. 3. An additional amount not to exceed ~~\$1,500,000~~ \$691,000 is available for grants for preliminary engineering and environmental studies pursuant to ~~section 3~~ Minnesota Statutes, section 174.50, subdivision 6a.

Sec. 57. Laws 1989, chapter 329, article 5, section 21, subdivision 8, is amended to read:

Subd. 8. [MAXIMUM EFFORT SCHOOL LOAN FUND.] For the maximum effort school loan fund:

\$855,500 1990

~~\$2,100,000~~ \$3,082,000 1991

These appropriations shall be placed in the loan repayment account of the maximum effort school loan fund for the payment of the principal and interest on school loan bonds, as provided in Minnesota Statutes, section 124.46, to the extent that money in the fund is not sufficient to pay when due the full amount of principal and interest due on school loan bonds. The purpose of these appropriations is to ensure that sufficient money is available in the fund to prevent a statewide property tax levy as would otherwise be required pursuant to Minnesota Statutes, section 124.46, subdivision 3. Notwithstanding the provisions of Minnesota Statutes, section 124.39, subdivision 5, any amount of the appropriation made in this section which is not needed to pay when due the principal and interest due on school loan bonds shall not be transferred to the debt service loan account of the maximum effort school loan fund but instead shall cancel and revert to the general fund.

The 1990 appropriation does not cancel and is available until July 1, 1991.

Sec. 58. [JOINT LEGISLATIVE STUDY.]

Subd. 3. [LEGISLATIVE INTENT.] The purpose of the energy efficiency installment purchase contracts authorized by this section is to save money on energy costs. The entire cost of the contract must be a percentage of the resultant savings in energy costs. Neither the state nor any state agency is liable to make payments on the contract except to the extent that there are savings in energy costs that must be shared with other parties to the contract. The legislature intends not to appropriate any more money to pay for energy costs as a result of these contracts than would be payable without them.

Sec. 2. Minnesota Statutes 1988, section 41A.03, subdivision 5, is amended to read:

Subd. 5. [LIMITATION ON LIABILITY.] The liability of the state for loan guaranties or bonds authorized under this chapter is limited to the amount of funds appropriated to the guaranty fund pursuant to section 41A.06. The loan guaranties or bonds are not a general obligation or debt of the state.

Sec. 3. Minnesota Statutes 1988, section 136.31, subdivision 1, is amended to read:

(e) borrow money and issue and sell bonds in such amount or amounts as the legislature shall authorize for the purpose of acquiring, constructing, completing, remodeling; or equipping any such buildings or structures, and acquiring sites therefor, and refund and refinance the same from time to time by the issuance and sale of refunding bonds as often as it shall in the board's judgment be advantageous to the public interest so to do. All such bonds shall be sold and issued by said board in the manner and upon the terms and conditions provided by chapter 475, except as otherwise provided in this section. Such bonds shall be payable solely from and secured by an irrevocable pledge of the revenues to be derived from the operation of any such buildings or structures acquired, constructed, completed, remodeled, or equipped in whole or in part with the proceeds of such bonds and in addition thereto from such other income and revenues described in section 136.33, clause (a) as said board by resolution shall specify, and notwithstanding this limitation all bonds issued hereunder shall have the qualities of negotiable instruments under the laws of this state. The legislature intends not to appropriate money from the general fund to pay for these bonds.

Sec. 4. Minnesota Statutes 1989 Supplement, section 136A.176, is amended to read:

136A.176 [BONDS NOT STATE OBLIGATIONS.]

Bonds issued under authority of sections 136A.15 to 136A.179 do not, and shall state that they do not, represent or constitute a debt or pledge of the faith and credit of the state, grant to the owners or holders thereof any right to have the state levy any taxes or appropriate any funds for the payment of the principal thereof or interest thereon. Such bonds are payable and shall state that they are payable solely from the rentals, revenues, and other income, charges, and moneys as are pledged for their payment in accordance with the bond proceedings. The legislature intends not to appropriate money from the general fund to pay for these bonds.

Sec. 5. Minnesota Statutes 1988, section 136A.35, is amended to read:

Such bonds are payable and shall state that they are payable solely from the rentals, revenues, and other income, charges, and moneys as are pledged for their payment in accordance with the bond proceedings. The legislature intends not to appropriate money from the general fund to pay for these bonds.

Sec. 6. Minnesota Statutes 1989 Supplement, section 298.2211, subdivision 4, is amended to read:

Subd. 4. [OBLIGATIONS NOT STATE DEBT.] Bonds and other obligations issued by the commissioner pursuant to this section, along with all related documents, are not general obligations of the state of Minnesota and are not subject to section 16B.06. The full faith and credit and taxing powers of the state are not and may not be pledged for the payment of these bonds or other obligations, and no person has the right to compel the levy of any state tax for their payment or to compel the appropriation of any moneys of the state for their payment except as specifically provided herein. These bonds and obligations shall be payable solely from the property and moneys derived by the commissioner pursuant to the authority granted in this section that the commissioner pledges to their payment. The legislature intends not to appropriate money from the general fund to pay for these bonds or other obligations. All these bonds or other obligations must contain the provisions of this subdivision or words to the same effect on their face.

Sec. 6 [CORR 9] Minnesota Statutes 1989 Supplement, section 144A.071, subdivision 3, as amended by Laws 1990, chapter 472, section 1, is amended to read:

Subd. 3. [EXCEPTIONS.] The commissioner of health, in coordination with the commissioner of human services, may approve the addition of a new certified bed or the addition of a new licensed nursing home bed, under the following conditions:

(a) to replace a bed decertified after May 23, 1983, or to address an extreme hardship situation, in a particular county that, together with all contiguous Minnesota counties, has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, the national average of nursing home beds shall be the most recent figure that can be supplied by the federal health care financing administration and the number of elderly in the county or the nation shall be determined by the most recent federal census or the most recent estimate of the state demographer as of July 1, of each year of persons age 65 and older, whichever is the most recent at the time of the request for replacement. In allowing replacement of a decertified bed, the commissioners shall ensure that the number of added or recertified beds does not exceed the total number of decertified beds in the state in that level of care. An extreme hardship situation can only be found after the county documents the existence of unmet medical needs that cannot be addressed by any other alternatives;

(b) to certify a new bed in a facility that commenced construction before May 23, 1983. For the purposes of this section, "commenced construction" means that all of the following conditions were met: the final working drawings and specifications were approved by the commissioner of health; the construction contracts were let; a timely construction schedule was developed, stipulating dates for beginning, achieving various stages, and completing construction; and all zoning and building permits were secured;

(c) to certify beds in a new nursing home that is needed in order to meet the special dietary needs of its residents, if: the nursing home proves to the commissioner's satisfaction that the needs of its residents cannot otherwise be met; elements of the special diet are not available through most food distributors; and proper preparation of the special diet requires incurring various operating expenses, including extra food preparation or serving items, not incurred to a similar extent by most nursing homes;

(d) to license a new nursing home bed in a facility that meets one of the exceptions contained in clauses (a) to (c);

(e) to license nursing home beds in a facility that has submitted either a completed licensure application or a written request for licensure to the commissioner before March 1, 1985, and has either commenced any required construction as defined in clause (b) before May 1, 1985, or has, before May 1, 1985, received from the commissioner approval of plans for phased-in construction and written authorization to begin construction on a phased-in basis. For the purpose of this clause, "construction" means any erection, building, alteration, reconstruction, modernization, or improvement necessary to comply with the nursing home licensure rules;

(f) to certify or license new beds in a new facility that is to be operated by the commissioner of veterans' affairs or when the costs of constructing and operating the new beds are to be reimbursed by the commissioner of veterans' affairs or the United States Veterans Administration;

(g) to license or certify beds in a new facility constructed to replace a facility that was destroyed after June 30, 1987, by fire, lightning, or other hazard provided:

(1) destruction was not caused by the intentional act of or at the direction of a controlling person of the facility;

(2) at the time the facility was destroyed the controlling persons of the facility maintained insurance coverage for the type of hazard that occurred in an amount that a reasonable person would conclude was adequate;

(3) the net proceeds from an insurance settlement for the damages caused by the hazard are applied to the cost of the new facility;

(4) the new facility is constructed on the same site as the destroyed facility or on another site subject to the restrictions in section 144A.073, subdivision 5; and

(5) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility;

(h) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, or to license or certify beds in a facility for which the total costs of remodeling or renovation exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, if the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase

in its property-related payment rate by reason of the remodeling or renovation;

(j) to license or certify beds in a project recommended for approval by the interagency board for quality assurance under section 144A.073;

(k) to license nursing home beds in a hospital facility that are relocated from a different hospital facility under common ownership or affiliation, provided: (1) the nursing home beds are not certified for participation in the medical assistance program; and (2) the relocation of nursing home beds under this clause should not exceed a radius of six miles;

(l) to license or certify beds that are moved from one location to another within an existing identifiable complex of hospital buildings, from a hospital-attached nursing home to the hospital building, or from a separate nursing home to a building formerly used as a hospital, provided the original nursing home building will no longer be operated as a nursing home and the building to which the beds are moved will no longer be operated as a hospital. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the relocation. At the time of the licensure and certification of the nursing home beds, the commissioner of health shall delicense the same number of acute care beds within the existing complex of hospital buildings or building. Relocation of nursing home beds under this clause is subject to the limitations in section 144A.073, subdivision 5;

(m) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds;

(n) to license new nursing home beds in a continuing care retirement community affiliated with a national referral center engaged in substantial programs of patient care, medical research, and medical education meeting state and national needs that receives more than 40 percent of its residents from outside the state for the purpose of meeting contractual obligations to residents of the retirement community, provided the facility makes a written commitment to the commissioner of human services that it will not seek medical assistance certification for the new beds;

(o) to certify or license new beds in a new facility on the Red Lake Indian reservation for which payments will be made under the Indian Health Care Improvement Act, Public Law Number 94-437, at the rates specified in United States Code, title 42, section 1396d(b);

If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase in the future. The provisions contained in section 144A.073 regarding the upgrading of the facilities do not apply to facilities that satisfy these requirements;

(q) to license and certify up to 40 beds transferred from an existing facility owned and operated by the Amherst H. Wilder Foundation in the city of Saint Paul to a new unit at the same location as the existing facility that will serve persons with Alzheimer's disease and other related disorders. The transfer of beds may occur gradually or in stages, provided the total number of beds transferred does not exceed 40. At the time of licensure and certification of a bed or beds in the new unit, the commissioner of health shall delicense and decertify the same number of beds in the existing facility. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the transfers allowed under this clause;

(r) to license and certify nursing home beds to replace currently licensed and certified boarding care beds which may be located either in a remodeled or renovated boarding care or nursing home facility or in a remodeled, renovated, newly constructed, or replacement nursing home facility within the identifiable complex of health care facilities in which the currently licensed boarding care beds are presently located, provided that the number of boarding care beds in the facility or complex are decreased by the number to be licensed as nursing home beds and further provided that, if the total costs of new construction, replacement, remodeling, or renovation exceed ten percent of the appraised value of the facility or \$200,000, whichever is less, the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the new construction, replacement, remodeling, or renovation. The provisions contained in section 144A.073 regarding the upgrading of facilities do not apply to facilities that satisfy these requirements; or

formerly licensed as a hospital and is currently licensed as a nursing facility and that is located within eight miles of the original facility, provided the original nursing home building will no longer be operated as a nursing home. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the relocation.

Sec. 11 [CORR 16] Senate File 2621, article 2, section 56, if enacted in 1990, is amended to read:

Sec. 56. Minnesota Statutes 1988, section 252.27, as amended by Laws 1989, chapter 282, article 2, section 92, is amended to read:

252.27 [PARENTAL CONTRIBUTION FOR THE COST OF CHILDREN'S SERVICES.]

Subdivision 1. [COUNTY RESPONSIBILITY.] Whenever any child who has mental retardation or a related condition, or a physical or emotional handicap is in 24-hour care outside the home including respite care, in a facility licensed by the commissioner of human services, the cost of services shall be paid by the county of financial responsibility determined pursuant to chapter 256G. If the child's parents or guardians do not reside in this state, the cost shall be paid by the responsible governmental agency in the state from which the child came, by the parents or guardians of the child if they are financially able, or, if no other payment source is available, by the commissioner of human services.

Subd. 1a. [DEFINITIONS.] A person has a "related condition" if that person has a severe, chronic disability that is (a) attributable to cerebral palsy, epilepsy, autism, Prader-Willi syndrome, or any other condition, other than mental illness, found to be closely related to mental retardation because the condition results in impairment of general intellectual functioning or adaptive behavior similar to that of persons with mental retardation or requires treatment or services similar to those required for persons with mental retardation; (b) is likely to continue indefinitely; and (c) results in substantial functional limitations in three or more of the following areas of major life activity: self-care, understanding and use of language, learning, mobility, self-direction, or capacity for independent living. For the purposes of this section, a child has an "emotional handicap" if the child has a psychiatric or other emotional disorder which substantially impairs the child's mental health and requires 24-hour treatment or supervision.

Subd. 2. [PARENTAL RESPONSIBILITY.] Responsibility of the parents for the cost of services shall be based upon ability to pay. The state agency shall adopt rules to determine responsibility of the parents for the cost of services when:

(a) Insurance or other health care benefits pay some but not all of the cost of services; and

(b) No insurance or other health care benefits are available.

Subd. 2a. [CONTRIBUTION AMOUNT.] (a) The natural or adoptive parents of a minor child, including a child determined eligible for medical assistance without consideration of parental income, must contribute monthly to the cost of services, unless the child is married or has been married, parental rights have been terminated, or the child's adoption is subsidized according to section 259.40 or through title IV-E of the Social Security Act.

(b) The parental contribution equals the following percentage of that portion of the income of the natural or adoptive parents that exceeds 200 percent of the federal poverty guidelines for the applicable household size:

Adjusted Gross Income	Percentage contribution exceeding 200 percent of poverty
Under \$40,000	0
\$40,000 to Under \$49,999	10
\$50,000 to \$59,999	12
\$60,000 to \$74,999	14
\$75,000 or more	15

If the child lives with the parent, the parental contribution is reduced by \$200. If the child resides in an institution specified in

section 256B.35, the parent is responsible for the personal needs allowance specified under that section in addition to the parental contribution determined under this section. The parental contribution is reduced by any amount required to be paid directly to the child pursuant to a court order, but only if actually paid.

(c) The household size to be used in determining the amount of contribution under paragraph (b) includes natural and adoptive parents and their dependents under age 21, including the child receiving services. Adjustments in the contribution amount due to annual changes in the federal poverty guidelines shall be implemented on the first day of July following publication of the changes.

(d) For purposes of paragraph (b), "income" means the adjusted gross income of the natural or adoptive parents determined according to the previous year's federal tax form.

(e) The contribution shall be explained in writing to the parents at the time eligibility for services is being determined. The contribution shall be made on a monthly basis effective with the first month in which the child receives services. Annually upon redetermination or at termination of eligibility, if the contribution exceeded the cost of services provided, the local agency or the state shall reimburse that excess amount to the parents, either by direct reimbursement if the parent is no longer required to pay a contribution, or by a reduction in or waiver of parental fees until the excess amount is exhausted.

(f) The monthly contribution amount must be reviewed at least every 12 months; when there is a change in household size; and when there is a loss of or gain in income from one month to another in excess of ten percent. The local agency shall mail a written notice 30 days in advance of the effective date of a change in the contribution amount. A decrease in the contribution amount is effective in the month that the parent verifies a reduction in income or change in household size.

(g) Parents of a minor child who do not live with each other shall each pay the contribution required under paragraph (a), except that a court-ordered child support payment actually paid on behalf of the child receiving services shall be deducted from the contribution of the parent making the payment.

(h) The contribution under paragraph (b) shall be increased by an additional five percent if the local agency determines that insurance coverage is available but not obtained for the child. For purposes of this section, "available" means the insurance is a benefit of employment for a family member at an annual cost of no more than five percent of the family's annual income. For purposes of this section, insurance means health and accident insurance coverage, enroll-

ment in a nonprofit health service plan, health maintenance organization, self-insured plan, or preferred provider organization.

Parents who have more than one child receiving services shall not be required to pay more than the amount for the child with the highest expenditures. There shall be no resource contribution from the parents. The parent shall not be required to pay a contribution in excess of the cost of the services provided to the child, not counting payments made to school districts for education-related services. Notice of an increase in fee payment must be given at least 30 days before the increased fee is due.

Subd. 2b. [CHILD'S RESPONSIBILITY.] Responsibility of the child for the cost of care shall be up to the maximum amount of the total income and resources attributed to the child except for the clothing and personal needs allowance as provided in section 256B.35, subdivision 1. Reimbursement by the parents and child shall be made to the county making any payments for services. The county board may require payment of the full cost of caring for children whose parents or guardians do not reside in this state.

To the extent that a child described in subdivision 1 is eligible for benefits under chapter 62A, 62C, 62D, 62E, or 64B, the county is not liable for the cost of services.

Subd. 2c. [APPEALS.] A parent may appeal the determination of an obligation to make a contribution under this section, according to section 256.045.

Subd. 3. [CIVIL ACTIONS.] If the parent fails to make appropriate reimbursement as required in subdivision 2a and 2b, the attorney general, at the request of the commissioner, may institute or direct the appropriate county attorney to institute civil action to recover the required reimbursement.

Subd. 4. [ORDER OF PAYMENT.] If the parental contribution is for reimbursement for the cost of services to both the local agency and the medical assistance program, the local agency shall be reimbursed for its expenses first and the remainder must be deposited in the medical assistance account.
