Cities may use the grants to establish revolving loan funds and provide loans and grants to eligible mortgagors for the acquisition and rehabilitation of blighted residential property located in a neighborhood designated by the city for neighborhood preservation. The city may determine the terms and conditions of the loans and grants.

Sec. 4. [462A.205] [SHALLOW RENT SUBSIDY PROGRAM.]

(a) "Caretaker parent" means a parent, relative caretaker, or minor caretaker as defined by the aid to families with dependent children program, sections 256.72 to 256.87.

(b) "Gross family income" for a family or individual receiving rental assistance under this section means the gross amount of the wages, salaries, social security payments, pensions, worker's compensation, unemployment compensation, public assistance payments, alimony, child support, and income from assets received by the family or individual.

(c) "Local housing agency" means the agency of local government responsible for administering the department of housing and urban development's section 8 existing voucher and certificate program.

Subd. 2. [ESTABLISHMENT.] The agency may establish a shallow rent subsidy program to provide direct rental assistance for housing for individuals or families with incomes up to 50 percent of the county or area income adjusted for family size. One-half of the money appropriated for this program must be used to provide rental housing subsidies for individuals or families with incomes not exceeding 30 percent of the area median income. In order to ensure the long-term affordability of housing, one-half of the total funds appropriated for this section must be used in housing programs that provide a lease-purchase option for low-income individuals and families. The agency may contract with a local housing agency to administer the rent assistance under this section. The local housing agency must be paid an administrative fee. The administrative fee is equal to the greater than ten percent of the amount of the subsidy or \$15 per unit per month. For families or individuals receiving public assistance, rent assistance under this section must be pro-

vided in the form of vendor payments. The program must offer two options: (1) a voucher option; and (2) a project-based voucher option. When providing project-based vouchers, the agency must give priority to a project that has received public money for rehabilitation of the housing.

Subd. 3. [AMOUNT AND PAYMENT OF RENT ASSISTANCE.]

The amount of the family's or individual's portion of the rental payment is equal to at least 30 percent of gross income.

(b) The rent assistance must be paid by the local housing agency to the property owner.

(c) Subject to the limitations in paragraph (d), the amount of rent assistance is the difference between the rent and the family's or individual's copayment.

(d) In no case may (1) the amount of monthly rent assistance be more than \$350; (2) the owner receive more rent for assisted units than for comparable unassisted units; or (3) the amount of monthly rent assistance be more than the difference between the family's or individual's copayment and the fair market rent for the unit as determined by the Department of Housing and Urban Development.

Subd. 4. [PROPERTY OWNER.] In order to receive rent assistance payments, the property owner must enter into a standards lease agreement with the tenant which includes a clause providing for good cause evictions only. Otherwise, the lease may be any standard lease agreement. The agency and local housing agencies must make model lease agreements available to participating families and property owners.

Subd. 5. [FAMILY STABILIZATION DEMONSTRATION PROJECT.] The agency, in consultation with the department of human services, may establish a rent assistance for family stabilization demonstration project within the shallow rent subsidy program. The purpose of the project is to provide rental assistance to families (1) receiving public assistance with a caretaker parent who is participating in a self-sufficiency program and at least one minor child, or (2) who at the time of initial eligibility for rental assistance under this section were receiving public assistance and had a caretaker parent participating in a self-sufficiency program and at least one minor child. For the purposes of this subdivision, public assistance means aid to families with dependent children, family general assistance, or family work readiness. The funds may be distributed on a request for proposal basis. The requirements

specified under subdivisions 1 to 4 apply to the demonstration project.

Sec. 5. [462A.30] [HOUSING CAPITAL RESERVE PROGRAM.]

Subdivision 1. [PROGRAM AUTHORIZATION.] The agency may establish the housing capital reserve program for the purposes of encouraging private financial institutions to participate in the preservation or rehabilitation of the existing housing stock and providing single-family home ownership and affordable rental housing opportunities. The agency may enter agreements with cities for city financial participation in the housing capital reserve program.

Subd. 2. [STATEWIDE HOUSING RESERVE FUND.] The agency may establish a statewide housing reserve fund consisting of agency and city funds for the purpose of securing housing rehabilitation loans and housing purchase-rehabilitation loans. The agency or city may issue appropriate debt capital instruments, including taxable or tax-exempt bonds, secured by the reserve fund. The agency may use the reserve fund to secure the debt instruments or for credit enhancement purposes. Proceeds may be used to make housing rehabilitation loans and housing purchase-rehabilitation loans. The reserve fund may be used to provide additional security for loans provided by public agencies and by private lenders to finance the preservation and rehabilitation of existing housing stock and provide affordable rental housing opportunities.

Subd. 3. [ELIGIBLE LOANS.] Rehabilitation loans made and pooled under this section may consist of both single and multifamily housing rehabilitation loans. Purchase-rehabilitation loans may be made and pooled for the purpose of single-family housing.

These members must have served for at least one year on the board from which they were appointed. The student member shall be appointed July 1, 1993. To the extent possible the initial board must have the geographic balance required by subdivision 1.

Subd. 3. [TERM; COMPENSATION; REMOVAL; VACANCIES.] The compensation, removal of members, and filling of vacancies on

the board are as provided in section 15.0575. Members are appointed for a term of six years, except that the initial members must be appointed so that an equal number will have terms expiring in two, four, and six years. The term of the student member is two years. Terms end on June 30.

Sec. 3. Minnesota Statutes 1990, section 62E.02, subdivision 8, is amended to read:

Subd. 8. "Employee" means any Minnesota resident who has entered into the employment of or works under contract or service or apprenticeship with any employer. "Employee" does not include a person who has been employed for less than 30 days by that person's present employer, nor one who is employed less than 30 hours per week by that person's present employer, nor an independent contractor. For purposes of sections 62E.10 to 62E.14, employee has the meaning given the term in this subdivision, except that the term does not include a person who is employed less than 17.5 hours per week by that person's present employer.

Sec. 4. Minnesota Statutes 1990, section 62E.02, subdivision 13, is amended to read:

Subd. 13. "Eligible person" means an individual who is currently and has been a resident of Minnesota for the six months immediately preceding the date of receipt by the association or its writing carrier of a completed certificate of eligibility and who meets the enrollment requirements of section 62E.11 or 62E.14. For purposes of section 62E.11 or 62E.14, the term includes an employee, an employee's spouse, or the employee's dependents."

"Sec. 9. Minnesota Statutes 1990, section 62E.11, subdivision 2, is amended to read:

Subd. 2. Any employer which has in its employ one or more eligible persons enrolled in the comprehensive health insurance plan may make all or any portion of the state plan premium payment to the state plan directly to the writing carrier.

Notwithstanding any law to the contrary, an employer may, at the time of initial application, enroll an eligible person in the comprehensive health insurance plan if the employer has received a letter of rejection for a group insurance policy, group subscriber contract, or health care plan due to the health status of that person.

The employer may make all or any portion of the state plan premium payment to the state plan directly to the writing carrier.

An employer has the enrollment right set forth in this subdivision only if:

(1) the employer has not previously provided group health coverage to its employees for the two-year period immediately preceding the initial application; and

(2) the person to be enrolled in MCHA is already an MCHA enrollee."

"Sec. 13. Minnesota Statutes 1990, section 363.02, subdivision 1, is amended to read:

Subdivision 1. [EMPLOYMENT.] The provisions of section 363.03, subdivision 1, shall not apply to:

(1) The employment of any individual

(a) by the individual's parent, grandparent, spouse, child, or grandchild, or

(b) in the domestic service of any person;

(2) A religious or fraternal corporation, association, or society, with respect to qualifications based on religion, when religion shall be a *bona fide occupational qualification for employment*;

(3) The employment of one person in place of another, standing by itself, shall not be evidence of an unfair discriminatory practice;

(4) The operation of a bona fide seniority system which mandates differences in such things as wages, hiring priorities, layoff priorities, vacation credit, and job assignments based on seniority, so long as the operation of the system is not a subterfuge to evade the provisions of this chapter;

(5) With respect to age discrimination, a practice by which a labor organization or employer offers or supplies varying insurance benefits or other fringe benefits to members or employees of differing ages, so long as the cost to the labor organization or employer for the benefits is *reasonably equivalent* for all members or employees;

(6) A restriction imposed by state statute, home rule charter, ordinance, or civil service rule, and applied uniformly and without exception to all individuals, which establishes a maximum age for entry into employment as a peace officer or firefighter.

(7) Nothing in this chapter concerning age discrimination shall be construed to validate or permit age requirements which have a disproportionate impact on persons of any class otherwise protected by section 363.03, subdivision 1 or 5.

(8) It is not an unfair employment practice for an employer, employment agency, or labor organization:

(i) *to require or request a person to undergo physical examination, which may include a medical history, for the purpose of determining the person's capability to perform available employment, provided*

(a) that an offer of employment has been made on condition that the person meets the physical or mental requirements of the job, except that a law enforcement agency filling a peace officer position or part-time peace officer position may require or request an applicant to undergo psychological evaluation before a job offer is made provided that the psychological evaluation is for those job-related abilities set forth by the board of peace officer standards and training for psychological evaluations and is otherwise lawful;

(b) that the examination tests only for essential job-related abilities; and

(c) that the examination except for examinations authorized under chapter 176 is required of all persons conditionally offered employment for the same position regardless of disability; or

(ii) with the consent of the employee, after employment has commenced, to obtain additional medical information for the purposes of assessing continuing ability to perform the job or employee health insurance eligibility; for purposes mandated by local, state, or federal law; for purposes of assessing the need to reasonably accommodate an employee or obtaining information to determine eligibility for the second injury fund under chapter 176; or pursuant to sections 181.950 to 181.957; or other legitimate business reason not otherwise prohibited by law;

(iii) to administer preemployment tests, provided that the tests (a) measure only essential job-related abilities, (b) are required of all applicants for the same position regardless of disability except for tests authorized under chapter 176, and (c) accurately measure the applicant's aptitude, achievement level, or whatever factors they purport to measure rather than reflecting the applicant's impaired sensory, manual, or speaking skills except when those skills are the factors that the tests purport to measure; or

(iv) to limit receipt of benefits payable under a fringe benefit plan for disabilities to that period of time which a licensed physician reasonably determines a person is unable to work; or

(v) to provide special safety considerations for pregnant women involved in tasks which are potentially hazardous to the health of the unborn child, as determined by medical criteria; or

(vi) to enroll an eligible person in the comprehensive health insurance plan if:

(a) in the opinion of the commissioner of commerce, the coverage is similar to health coverage offered to other employees;

(b) due to the person's health status, the employer would otherwise be unable to obtain affordable coverage for other employees; and

(c) the employer: (i) pays the difference between the deductible paid by other employees for the group coverage and the deductible paid by the eligible person for the comprehensive health insurance plan; (ii) pays the difference between the coinsurance paid by other employees under the group health plan and the eligible person under the comprehensive insurance plan; and (iii) the eligible person does not pay more in premium contribution and out-of-pocket maximums for coverage under the state plan than the largest contribution toward premium and out-of-pocket maximums paid by

any other employee receiving health care coverage through the same employers."
