H. F. No. 1873 was reported to the House.

Reding moved to amend H. F. No. 1873, as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1990, section 43A.27, subdivision 3, is amended to read:

Subd. 3. [RETIRED EMPLOYEES.] A retired employee of the state who receives an annuity under a state retirement program may elect to purchase at personal expense individual and dependent hospital, medical, and dental coverages that are actuarially equivalent to those made available through collective bargaining agreements or plans established pursuant to section 43A.18 to employees in positions equivalent to that from which retired. A spouse of a deceased retired employee who received an annuity under a state retirement program may purchase the coverage listed in this subdivision if the spouse was a dependent under the retired employee's coverage at the time of the employee's death. Coverages must be coordinated with relevant health insurance benefits provided through the federally sponsored Medicare program. Until the retired employee reaches age 65, the retired employee and dependents must be pooled in the same group as active employees for purposes of establishing premiums and coverage for hospital, medical, and dental insurance. Coverage for retired employees and their depen-

dents may not discriminate on the basis of evidence of insurability or preexisting conditions unless identical conditions are imposed on active employees in the group that the employee left. Appointing authorities shall provide notice to employees no later than the effective date of their retirement of the right to exercise the option provided in this subdivision. The retired employee must notify the commissioner or designee of the commissioner within 30 days after the effective date of the retirement of intent to exercise this option.

Sec. 2. Minnesota Statutes 1990, section 471.61, is amended by adding a subdivision to read:

Subd. 2b. [INSURANCE CONTINUATION.] A unit of local government must allow a former employee and the employee's dependents to continue to participate indefinitely in the employer-sponsored hospital, medical, and dental insurance group that the employee participated in immediately before retirement, under the following conditions:

(a) The continuation requirement of this subdivision applies only to a former employee who is receiving a disability benefit or an annuity from a Minnesota public pension plan other than a volunteer firefighter plan, or who has met age and service requirements necessary to receive an annuity from such a plan.

(b) Until the former employee reaches age 65, the former employee and dependents must be pooled in the same group as active employees for purposes of establishing premiums and coverage for hospital, medical, and dental insurance.

(c) A former employee may receive dependent coverage only if the employee received dependent coverage immediately before leaving employment. This subdivision does not require dependent coverage to continue after the death of the former employee. For purposes of this subdivision, "dependent" has the same meaning for former employees as it does for active employees in the unit of local government.

(d) Coverage for a former employee and dependents may not discriminate on the basis of evidence of insurability or preexisting conditions unless identical conditions are imposed on active employees in the group that the employee left.

(e) The former employee must pay the entire premium for continuation coverage, except as otherwise provided in a collective bargaining agreement or personnel policy. A unit of local government may discontinue coverage if a former employee fails to pay the premium within the deadline provided for payment of premiums under federal law governing insurance continuation.

(f) An employer must notify an employee before termination of employment of the options available under this subdivision, and of the deadline for electing to continue to participate.

(g) A former employee must notify the employer of intent to participate within the deadline provided for notice of insurance continuation under federal law. A former employee who does not elect to continue participation does not have a right to reenter the employer's group insurance program.

(h) A former employee who initially selects dependent coverage may later drop dependent coverage while retaining individual coverage. A former employee may not drop individual coverage and retain dependent coverage.

(i) This subdivision does not limit rights granted to former employees under other state or federal law, or under collective bargaining agreements or personnel plans.

(j) Except for those employees covered by section 179A.16, subdivision 9, unless otherwise provided by a collective bargaining agreement, any additional premium cost from inclusion of retired employees must be paid by active employees through payroll deductions.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 apply to each public employer upon the next expiration of a collective bargaining agreement or personnel plan establishing insurance premiums and coverage for active employees. Sections 1 and 2 do not apply to a person who became a former employee before the effective date of sections 1 and 2, unless the person has continuously participated in the employer-sponsored insurance group since leaving employment."

The motion prevailed and the amendment was adopted.
