(d) In deciding whether a particular sanction is appropriate, the board must consider the seriousness of the consultant's or contractor's acts or omissions and any mitigating factors.

(e) Civil penalties recovered by the state under this section must be credited to the account.

(5) the potential effect of sanctions.

Subd. 4. [EFFECTIVE DATES.] The board's order of sanction is final. The board may impose a sanction after a hearing before the board if a contested case hearing has not been requested. The sanction is effective 30 days after the board's order.
