Sec. 9. [124C.498] [METROPOLITAN MAGNET SCHOOL GRANTS.]

Subdivision 1. [POLICY AND PURPOSE.] A metropolitan magnet school grant program is established for the purpose of ensuring equal educational opportunities for all school age children residing in the seven-county metropolitan area, regardless of race or socioeconomic status. The program is intended to promote integrated education for students in prekindergarten through grade 12, increase mutual understanding among all students, and address the inability of local school districts to provide required construction funds through local property taxes. The program seeks to encourage school districts located in whole or in part within the seven-county metropolitan area to make available to school age children residing in the metropolitan area those educational programs, services, and facilities that are essential to meeting all children's needs and abilities. The program anticipates using the credit of

the state, to a limited degree, to provide grants to metropolitan area school districts to improve the educational opportunities and academic achievement of disadvantaged children and the facilities that are available to those children.

Subd. 2. [APPROVAL AUTHORITY; PROJECT APPLICATIONS.] To the extent money is available, the commissioner of education, in consultation with a voluntary interdistrict coordinating council, if established, may approve projects from applications submitted under this section. The grant money must be used only to acquire, construct, remodel, or improve the building or site of a magnet school facility according to contracts entered into within 15 months after the date on which a grant is awarded.

Subd. 3. [GRANT APPLICATION PROCESS.] (a) Any group of school districts that meets the criteria required under paragraph (b) may apply for a magnet school grant in an amount not to exceed the lesser of \$10,000,000 or 75 percent of the approved construction costs of a magnet school facility.

(b) Any group of districts that submits an application for a grant shall submit a proposal to the commissioner for review and comment under section 121.15, and the commissioner shall prepare a review and comment on the proposed magnet school facility, regardless of the amount of the capital expenditure required to acquire, construct, remodel, or improve the facility. The commissioner must not approve an application for a magnet school grant for any facility unless the facility receives a favorable review and comment under section 121.15 and the participating districts:

(1) establish a joint powers board under section 471.59 to represent all participating districts and govern the magnet school facility;

(2) design the planned magnet school facility to meet the applicable requirements contained in Minnesota Rules, chapter 3535;

(3) submit a statement of need, including reasons why the magnet school will facilitate desegregation/integration and improve learning;

(4) prepare an educational plan, that includes input from both community and professional staff; and

(5) develop an education program that will improve learning opportunities for students attending the magnet school.

(c) The districts may develop a plan that permits social service, health, and other programs serving students and community residents to be located within the magnet school facility. The commissioner shall consider this plan when preparing a review and comment on the proposed facility.

(d) When two or more districts enter into an agreement establishing a joint powers board to govern the magnet school facility, all member districts shall have the same powers.

(e) A joint powers board of participating school districts established under paragraphs (b) and (d) that intends to apply for a grant shall adopt a resolution stating the costs of the proposed project, the purpose for which the debt is to be incurred, and an estimate of the dates when the contracts for the proposed project will be completed. A copy of the resolution must accompany any application for a state grant under this section.

(f) The commissioner, in consultation with a voluntary interdistrict coordinating council, if established, shall examine and consider all grant applications. If the commissioner finds that any joint powers district is not a qualified grant applicant, the commissioner shall promptly notify that joint powers board. The commissioner shall make awards to no more than two qualified applicants whose applications have been on file with the commissioner more than 30 days.

(g) A grant award is subject to verification by the joint powers board under paragraph (h). A grant award must not be made until the participating districts determine the site of the magnet school facility. If the total amount of the approved applications exceeds the amount of grant funding that is or can be made available, the commissioner shall allot the available amount equally between the approved applicant districts. The commissioner shall promptly certify to each qualified joint powers board the amount, if any, of the grant awarded to it.

(h) Each grant must be evidenced by a contract between the joint powers board and the state acting through the commissioner. The contract obligates the state to pay to the joint powers board an amount computed according to paragraph (g) and a schedule, and terms and conditions acceptable to the commissioner of finance.

Sec. 10. [134.45] [LIBRARY ACCESSIBILITY GRANTS.]

Subdivision 1. [APPLICATION; DEFINITION.] Public library jurisdictions may apply to the commissioner of education for grants to improve accessibility to their library facilities. For the purposes of this section, "public library jurisdictions" means regional public library systems, regional library districts, cities, and counties operating libraries under chapter 134.

Subd. 2. [APPROVAL BY COMMISSIONER.] The commissioner of education, in consultation with the state council on disability, may approve or disapprove applications under this section. The grant money must be used only to remove architectural barriers from a building or site.

Subd. 3. [APPLICATION FORMS.] The commissioner of education shall prepare application forms and establish application dates.

Subd. 4. [MATCH.] A public library jurisdiction applying for a grant under this section must match the grant with local funds.

Subd. 5. [QUALIFICATION.] A public library jurisdiction may apply for a grant in an amount up to 50 percent of the approved costs of removing architectural barriers from a building or site.

Subd. 6. [AWARD OF GRANTS.] The commissioner, in consultation with the state council on disability, shall examine and consider all applications for grants. If a public library jurisdiction is found not qualified, the commissioner shall promptly notify it. The commissioner shall prioritize grants on the following bases: the public library jurisdiction's tax burden, the long-term feasibility of the project, the suitability of the project, and the need for the project. If the total amount of the applications exceeds the amount that is or can be made available, the commissioner shall award grants according to the commissioner's judgment and discretion and based upon a ranking of the projects according to the factors listed in this subdivision. The commissioner shall promptly certify to each public library jurisdiction the amount, if any, of the grant awarded to it.

Subd. 7. [PROJECT BUDGET.] A public library jurisdiction that receives a grant must provide the commissioner with the project budget and any other information the commissioner requests.

Sec. 11. [INDEPENDENT SCHOOL DISTRICT NO. 518, WORTHINGTON.]

Subdivision 1. [BOND AUTHORITY.] To provide funds for the construction of facilities to meet the educational and residential needs of adolescents attending the Lakeview school for whom independent school district No. 518, Worthington, has the responsibility of providing services, independent school district No. 518, Worthington, may, by two-thirds majority plus one vote of all the members of the school board, issue general obligation bonds in one or more series in calendar years 1994 and 1995 as provided in this section. The aggregate principal amount of any bonds issued under this section for calendar years 1994 and 1995 may not exceed \$2,600,000. Issuance of the bonds is not subject to Minnesota Statutes, section 475.58 or 475.59. If the school board proposes to issue bonds under this section, it must publish a resolution describing the proposed bond issue once each week for two successive weeks in a legal newspaper published in the county of Nobles. The bonds may be issued without the submission of the question of their issue to the electors unless, within 30 days after the second publication of the resolution, a petition requesting an election signed by a number of people residing in the school district equal to ten percent of the people registered to vote in the last general election in the school district is filed with the recording officer. If a petition is filed, no bonds shall be issued under this section unless authorized by a majority of the electors voting on the question at the next general or special election called to decide the issue. The bonds must otherwise be issued as provided in Minnesota Statutes, chapter 475. The authority to issue bonds under this section is in addition to any bonding authority authorized by Minnesota Statutes, chapter 124, or other law.

Subd. 2. [DEBT SERVICE.] Independent school district No. 518, Worthington, shall include the yearly debt service amounts in its required debt service levy under Minnesota Statutes, section 124.95, subdivision 1, for purposes of receiving debt service equalization aid. The district may add the portion of the debt service levy remaining after equalization aid is paid to the amount charged back to resident districts according to Minnesota Statutes, section 120.17, subdivision 6, or 120.181. If, for any reason, the receipt of payments from resident districts and debt service equalization aid attributable to this debt service is not sufficient to make the required debt service payments, the district may levy under subdivision 3.

Subd. 3. [LEVY AUTHORITY.] To pay the principal of and interest on bonds issued under subdivision 1, independent school district No. 518, Worthington, shall levy a tax in an amount sufficient under Minnesota Statutes, section 475.61, subdivisions 1 and 3, to pay any portion of the principal of and interest on the bonds that is not paid through the receipt of debt service equalization aid and tuition payments under subdivision 2. The tax authorized under this section is an addition to the taxes authorized to be levied under Minnesota Statutes, chapter 124A or 275, or other law.

Sec. 12. [INCREASE IN AUTHORIZATION.]

Notwithstanding any other law to the contrary, the approved amount of indebtedness authorized by the electors of independent school district No. 38, Red Lake, on December 10, 1991, may be increased by resolution of the board of directors of independent school district No. 38, Red Lake, from \$9,926,070 to an amount not to exceed \$10,075,000.

Sec. 13. [BOND SALE AUTHORIZATION.]

Subdivision 1. SUSPENSION OF RULES

Pursuant to Article IV, Section 19, of the Constitution of the state of Minnesota, Rest moved that the rule therein be suspended and an urgency be declared so that S. F. No. 1709 be given its third reading and be placed upon its final passage. The motion prevailed.

Rest moved that the Rules of the House be so far suspended that S. F. No. 1709 be given its third reading and be placed upon its final passage. The motion prevailed.

Rest moved to amend S. F. No. 1709 as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 290A.04, subdivision 2h, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than 12 percent over the net property taxes payable in the prior year on the same property that is owned and occupied by the same owner on January 2 of both years, and the amount of that increase is ~~\$80 or more for taxes payable in 1993, and~~ \$100 or more for taxes payable in 1994, 1995, and 1996, a claimant who is a homeowner shall be allowed an additional refund equal

to 75 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or \$80 for taxes payable in 1993, and 75 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or \$100 for taxes payable in 1994, 1995, and 1996. This subdivision shall not apply to any increase in the gross property taxes payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes.

The maximum refund allowed under this subdivision is \$1,500.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable minus refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

(d) On or before December 1, 1993, 1994, and 1995, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in the following year. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims for taxes payable in 1994, 1995, and 1996 exceed \$5,500,000, for each of the three two years the commissioner shall increase the \$100 amount of tax increase which must occur before a taxpayer qualifies for a refund, and increase by an equal amount the \$100 threshold used in determining the amount of the refund, so that the estimated total refund claims do not exceed \$5,500,000 for taxes payable in 1994, for taxes payable in 1995, or for taxes payable in 1996.

The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.

(e) Upon request, the appropriate county official shall make available the names and addresses of the property taxpayers who may be eligible for the additional property tax refund under this section. The information shall be provided on a magnetic computer disk. The county may recover its costs by charging the person requesting the information the reasonable cost for preparing the data. The information may not be used for any purpose other than for notifying the homeowner of potential eligibility and assisting the homeowner, without charge, in preparing a refund claim.

(f) On or before May 2, 1994, each county shall notify the owner of each homestead parcel within the county of the retroactive change in eligibility made by this act. For the purpose of giving mailed notice, owners are those shown on the records of the county auditor. The notice may be in the form of a postcard or a notice may be inserted in the envelope containing the payable 1994 property tax statement, if the property tax statements have not yet been mailed. The notice to the homeowner must say the following:

"Attention Homeowners! A new law increases the funding for special property tax refunds for taxes payable in 1994. You may be eligible for a special property tax refund:

(1) If the 1994 property taxes on your homestead increased 12 percent or more and that increase was at least \$100;
or

(2) If you received a refund last year under this program.

If you meet either of the above two criteria, obtain a copy of the M-1PR property tax refund form. On the back of that form is Schedule 1 for determining whether you are eligible to receive a special tax refund. The printed amount, however, shown on lines 25 and 27, has been changed by the new law from \$300 to \$100. Complete that schedule by comparing your qualifying property tax amount to a \$100 amount on lines 25 and 27, rather than the \$300 amount printed on the form.

If you qualify for a refund, send the completed M-1PR to the Department of Revenue. If you have already filed an M-1PR with the Minnesota Department of Revenue, you do not need to file a second form. The Commissioner of Revenue will recompute your refund based upon a \$100 minimum increase.

If you have any questions, call county at (telephone number)."

Sec. 2. [APPROPRIATION.]

Notwithstanding the appropriation in section 290A.23, subdivision 2, the amount of refunds in excess of \$5,500,000 is appropriated from the general fund to the commissioner of revenue to pay the additional amount needed for the total refund claims for taxes payable in 1994 under section 1.

Sec. 3. [EFFECTIVE DATE.]

Section 1 is effective for refunds based on the payable 1994 property tax levy. The commissioner of revenue shall compute the refunds based on the payable 1994 property tax levy using the \$100 amount of tax increase as specified in section 1, paragraph (a).

Delete the title and insert:

The motion prevailed and the amendment was adopted.

Rest moved to amend S. F. No. 1709, as amended, as follows:

Page 3, delete lines 4 to 33 and insert:

"Sec. 2. [NOTIFICATION TO HOMEOWNERS OF RETROACTIVE CHANGES.]

(a) If a county has not mailed its payable 1994 property tax statements, or if a county has mailed only a portion of its payable 1994 property tax statements, the county may include a notice to the homeowner in the envelope containing the property tax statement alerting the homeowner of the retroactive change in eligibility made by this act. The notice to the homeowner must read as follows:

If you have any questions, call county at (telephone number)."

(b) If a county has mailed all or a portion of its payable 1994 property tax statements, or decides not to include the notice to homeowners as described in paragraph (a) along with its 1994 property tax statements, the county must notify the commissioner of revenue by April 15, 1994, by providing a list to the commissioner containing the name, mailing address, and social security number of every taxpayer: (1) who owns a parcel of homestead property in the county, and (2) whose gross property taxes on that property have increased by 12 percent or more for the current taxes payable year over the prior taxes payable year. In compiling the list, each county shall exclude relative-homestead parcels and may exclude from the list those homeowners who received a notice with the property tax statement as provided in paragraph (a). The list must be on the type of electronic data storage media designated by the commissioner and must be provided in the sequence, form, and format designated by the commissioner, whose designations in this regard are not rules subject to chapter 14.

(c) On or before May 15, 1994, the commissioner shall mail a notice to the homeowners in those counties for which a list has been provided as contained in paragraph (b). The commissioner shall also mail a notice on or before May 15, 1994 to any additional homeowners who filed an M-1PR Schedule 1 for property taxes payable in 1993. If you have any questions, call 296-3781 (from the Twin Cities area) or 1-800-652-9094 (toll-free from elsewhere)."

(d) If the commissioner decides to revise the M-1PR Schedule 1 by changing the amount on lines 25 and 27 from \$300 to \$100, then the notice the commissioner mails to the homeowner must read as follows:

"Attention Homeowners! A new law increases the funding for special property tax refunds for taxes payable in 1994. You may be eligible for a special property tax refund for 1994 since either:
