[271.21] [SMALL CLAIMS DIVISION.] *Subdivision 1. There shall be a division of the tax court known as the small claims division. The judges of the tax court shall sit as judges of the small claims division. Each judge shall have authority to hear and decide the cases that he hears as small claims judge.*

*Subd. 2. At the election of the taxpayer, the small claims division shall have jurisdiction only in the following matters:*

*(a) any case concerning the valuation, assessment, or taxation of residential property homesteaded by the taxpayer; or*

*(b) any other case concerning the tax laws as defined in section 271.01, subdivision 5 in which the amount in controversy does not exceed \$2,500, including penalty and interest.*

*Subd. 3. A taxpayer may elect to appeal in the small claims division instead of appealing to the regular division of the tax court. If the taxpayer elects to appeal to the small claims division, and 30 days have elapsed since the filing of the appeal, or briefs have been filed or a hearing held on the matter, whichever occurs first, he shall not appeal to the regular division in the same matter. If he elects to appeal to the regular division, he shall not appeal to the small claims division in the same matter.*

*Subd. 4. At the same time that notice of the assessment, determination, or order of the commissioner or the appropriate unit of government is given to a taxpayer, the taxpayer shall be notified in writing of his right to appeal to the tax court, and if applicable, to the small claims division. In any notice of assessment, determination or order dealing with property valuation or assessment for property tax purposes, the taxpayer shall be notified in writing that he must appeal to the town or city board of equalization and to the county board of equalization before he may appeal to the small claims division of the tax court, except for those taxpayers whose original assessments are determined by the commissioner of revenue.*

*Subd. 5. A taxpayer shall commence a proceeding in the small claims division by filing with the clerk of the tax court a petition in the form prescribed by the rules of the tax court, which shall state the nature of the taxpayer's claim. Upon the filing of a petition by the taxpayer to the small claims division, the clerk of the tax court shall give notice thereof to the commissioner or to the appropriate unit of government, who shall thereafter be deemed a party to the proceeding. In the event a petition is filed, the small claims division shall thereafter have exclusive jurisdiction over the case if it meets the requirements of subdivision 2.*

*Subd. 6. The hearing in the small claims division shall be informal and without a jury. The judge may hear any testimony and receive any evidence he deems necessary or desirable for a just determination of the case. Sales ratio studies published by the department of revenue may be admissible as a public record without foundation. All testimony shall be given under oath. A party may appear on his own behalf or may be represented or accompanied by an attorney. No transcript of the proceedings shall be kept.*

*Subd. 7. At any time prior to entry of judgment, a taxpayer may dismiss a case in the small claims division by notifying the clerk of the tax court in writing. The dismissal shall be with prejudice and shall not revoke the election specified in subdivision 3.*

*Subd. 8. The judgment in the small claims division shall be conclusive upon all parties and may not be appealed. The court may order the commissioner or the appropriate unit of government to modify or cancel an assessment, pay or allow a refund, or take other action necessary to effectuate the judgment. Notice that no appeal may be had from a small claims judgment shall appear prominently on the petition form. The judgment shall not be considered as judicial precedent and shall have no force or effect in any other case, hearing, or proceeding. No judgment shall be rendered in a case dealing with property valuation or assessment for property tax purposes until after the state board of equalization has issued its order, if any, for that area or property.*

*Subd. 9. Subpoenas in a proceeding in the small claims division will be issued only at the discretion of the court.*

*Subd. 10. Whenever the small claims division trial docket becomes congested with appeals involving valuation, classification, and assessment of property for tax purposes, the judges of the tax court may appoint referees to hear the property tax cases appealed to the small claims division. Each referee shall have authority to hear and decide the cases that he hears as small claims referee. Each referee shall be a citizen of Minnesota and shall have experience with and knowledge of property taxation and property values. A referee shall be paid at a rate of 80 percent of the salary of the judges of the county court in that county, prorated by the length of time that he serves as a referee. Each referee shall receive his actual and necessary expenses paid or incurred in the performance of his duties.*

*Subd. 11. The provisions of Minnesota Statutes, Sections 271.01 to 271.20, shall apply to proceedings in the small claims division unless this section expressly provides otherwise.*

Cases tried before the current tax court shall be decided within three months after the effective date of this act by the judges of the tax court who heard the case, and they shall be paid the salary specified before the effective date of this act, unless they are appointed to the tax court created by this act. The provisions of this act will not bar or change any right provided prior to its enactment to the parties in matters that have been decided by the current tax court. CONFERENCE COMMITTEE REPORT ON S. F. NO. 932

A bill for an act relating to motor vehicles; registration and taxation; increasing fees for filing applications; amending Minnesota Statutes 1976, Section 168.33, Subdivisions 2 and 7.

May 16, 1977

The Honorable Edward J. Gearty  
President of the Senate  
The Honorable Martin O. Sabo  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 932 report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and S. F. No. 932 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 168.29, is amended to read:

168.29 [DUPLICATE PLATES.] In the event of the defacement, loss or destruction of any number plates, the registrar, upon receiving and filing a sworn statement of the vehicle owner, setting forth the circumstances of the defacement, loss, destruction or theft of the number plates, together with any defaced plates and the payment of the fee of \$3 shall issue a new set of plates, *provided that if the \$3 fee exceeds the annual tax, the fee shall be the same as the annual tax.* The registrar shall then note on his records the issue of such new number plates and shall proceed in such manner as he may deem advisable to cancel and call in the original plates so as to insure against their use on another motor vehicle. Duplicate registra-

tion certificates plainly marked as duplicates may be issued in like cases upon the payment of a 50 cent fee.

Sec. 2. Minnesota Statutes 1976, Section 168.33, Subdivision 2, is amended to read:

Subd. 2. [POWERS.] The registrar shall have the power to appoint, hire and discharge and fix the compensation of the necessary employees, in the manner provided by law, as may be required to enable him to properly carry out the duties imposed upon him by the provisions of this chapter. As of April 14, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, without regard to whether the county auditor of the county in which the city is situated has been appointed as the deputy registrar for the county or has been discontinued as the deputy registrar for the county, and without regard to whether the county in which the city is situated has established a county license bureau which issues motor vehicle licenses as provided in section 373.32.

Effective August 1, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, if the auditor for the county in which the city is situated chooses not to accept appointment as the deputy registrar for the county or is discontinued as a deputy registrar, or if the county in which the city is situated has not established a county license bureau which issues motor vehicle license as provided in section 373.32. Any person appointed as a deputy registrar for any city shall be a resident of the county in which the city is situated.

The registrar may appoint, and for cause discontinue, the county auditor of each county as a deputy registrar. The auditor, with the approval of the director of motor vehicles, may appoint, and for cause discontinue, the clerk or equivalent officer of each city or any other person as a deputy registrar as public interest and convenience may require. Notwithstanding any other provision, a person other than a county auditor or a director of a county license bureau, who was appointed by the registrar before August 1, 1976, as a deputy registrar for any city, may continue to serve as deputy registrar and may be discontinued for cause only by the registrar. The county auditor shall be responsible for the acts of deputy registrars appointed by him. Each such deputy, before entering upon the discharge of his duties, shall take and subscribe an oath to faithfully discharge his duties and to uphold the laws of the state. If a deputy registrar appointed hereunder is not an officer or employee of a county or city, such deputy shall in addition give bond to the state in the sum of \$10,000, or such larger sum as may be required by the registrar, conditioned upon the faithful discharge of his duties as deputy registrar. Each deputy registrar appointed hereunder shall keep and maintain, in a convenient

public place within the place for which he is appointed, a registration and motor vehicle tax collection bureau, to be approved by the registrar, for the registration of motor vehicles and the collection of motor vehicle taxes thereon. He shall keep such records and make such reports to the registrar as that officer, from time to time, may require. Such records shall be maintained at the facility of the deputy registrar. The records and facilities of the deputy registrar shall at all times be open to the inspection of the registrar or his agents. He shall (CHARGE AND RECEIVE FOR EACH APPLICATION PRESENTED A FILING FEE OF \$1, AND SHALL) report daily to the registrar all registrations made and taxes and fees collected by him. The filing fee (OF \$1) imposed pursuant to subdivision 7 shall be deposited in the treasury of the place for which he is appointed, or if such deputy is not a public official, he shall retain the filing fee, but the registration tax and any additional fees for delayed registration he has collected he shall deposit each day in an approved state depository to the credit of the state through the state treasurer. The place for which the deputy registrar is appointed through its governing body shall provide the deputy registrar with facilities and personnel to carry out the duties imposed by this subdivision if such deputy is a public official. In all other cases, the deputy shall maintain a suitable facility for serving the public.

Sec. 3. Minnesota Statutes 1976, Section 168.33, Subdivision 7, is amended to read:

Subd. 7. [FILING FEES.] (THE REGISTRAR SHALL CHARGE AND RECEIVE FOR EACH APPLICATION PRESENTED THROUGH THE UNITED STATES MAIL A FILING FEE OF 50 CENTS AND FOR EACH APPLICATION AT THE STATE OFFICE A FILING FEE OF \$1. SUCH FEE SHALL BE) In addition to all other statutory fees and taxes, a filing fee is imposed on every application. The filing fee shall be \$1.50 effective August 1, 1977, and \$1.75 effective January 1, 1979. The filing fee shall be shown as a separate item on all registration renewal notices sent out by the department of public safety.

Sec. 4. [EFFECTIVE DATES.] Section 1 is effective the day following its final enactment. The remaining provisions of this act are effective August 1, 1977.”.

Further, amend the title by deleting it in its entirety and inserting:

“A bill for an act relating to motor vehicles; registration and taxation; increasing filing fees for certain applications; reducing fees for duplicate plates under certain circumstances; amending Minnesota Statutes 1976, Sections 168.29; and 168.33, Subdivisions 2 and 7.”.

May 16, 1977

The Honorable Edward J. Gearty  
President of the Senate  
The Honorable Martin O. Sabo  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1290 report that we have agreed upon the items in dispute and recommend as follows :

That the House recede from its amendments and that S. F. No. 1290, be amended as follows :

Page 1, after line 19, insert :

“Sec. 2. Minnesota Statutes 1976, Section 260.015, Subdivision 17, is amended to read :

Subd. 17. “Shelter care facility” means a physically unrestricting (DETENTION) facility, such as a group home or a licensed facility for foster care, excluding a detention home.

Sec. 3. Minnesota Statutes 1976, Section 260.171, Subdivision 1, is amended to read :

260.171 [RELEASE OR DETENTION.] Subdivision 1. If a child is taken into custody as provided in section 260.165, the parent, guardian, or custodian of the child shall be notified as soon as possible. Unless there is reason to believe that the child would (PHYSICALLY) endanger himself or others, not return for a court hearing, not remain in the care or control of the per-

son to whose lawful custody he is released, or that the child's health or welfare would be immediately endangered, the child shall be *released to the* custody of his parent, guardian, custodian, or other suitable person. That person shall promise to bring the child to the court, if necessary, at the time the court may direct. If the person taking the child into custody believes it desirable he may request the parent, guardian, custodian, or other person designated by the court to sign a written promise to bring the child to court as provided above. The intentional violation of such a promise, whether given orally or in writing, shall be punishable as contempt of court.

The court may require the parent, guardian, custodian or other person to whom the child is released, to post any reasonable bail or bond required by the court which shall be forfeited to the court if the child does not appear as directed. The court may also release the child on his own promise to appear in juvenile court.

Sec. 4. Minnesota Statutes 1976, Section 260.171, Subdivision 2, is amended to read:

Subd. 2. If the child is not released as provided in subdivision 1, the person taking the child into custody shall notify the court as soon as possible of the detention of the child and the reasons for detention. No child may be detained in a detention facility longer than 24 hours, excluding *Saturdays*, Sundays and holidays, after the taking into custody unless an order for detention, specifying the reason for detention, is signed by the judge or referee. No child may be held longer than 36 hours, excluding *Saturdays*, Sundays or holidays, after the taking into custody unless a petition has been filed and the judge or referee determines pursuant to section 260.172 that the child shall remain in detention. If a child described in section 260.173, subdivision 4, is to be detained in a jail up to 48 hours, the judge or referee, in accordance with rules and procedures established by the commissioner of corrections, shall notify the commissioner of the place of the detention and the reasons therefor. The commissioner shall thereupon assist the court in the relocation of the child in an appropriate detention facility within the county or elsewhere in the state, or in determining suitable alternatives. If approved regional juvenile detention facilities exist, the commissioner may direct that the child be detained in the nearest approved regional juvenile detention facility. If the court refers the matter to the prosecuting authority pursuant to section 260.125, notice to the commissioner shall not be required.

Sec. 5. Minnesota Statutes 1976, Section 260.171, Subdivision 4, is amended to read:

Subd. 4. If the person who has taken the child into custody determines that the child should be placed in a detention facility, he shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why he is being placed in a detention facility; and

(b) of the location of the detention facility; and

(c) that the child's parent, guardian, or custodian and attorney may make an initial visit to the detention facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney at reasonable hours; and

(d) that the child may telephone his parents and an attorney from the detention facility immediately after being admitted to the detention facility and thereafter on a reasonable basis to be determined by the director of the facility; and

(e) that the child may not be held at the detention facility longer than 36 hours, excluding *Saturdays*, Sundays and holidays, unless a petition has been filed within that time and the court orders the child's continued detention.

Sec. 6. Minnesota Statutes 1976, Section 260.172, Subdivision 1, is amended to read:

260.172 [DETENTION HEARING.] Subdivision 1. Within 36 hours of a child's being taken into custody, excluding *Saturdays*, Sundays and holidays, a hearing shall be held to determine whether the child should continue in detention. Unless there is reason to believe that the child would (BE DANGEROUS TO) *endanger* himself or others, not return for a court hearing, not remain in the care or control of the person to whose lawful custody he is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of his parent, guardian, custodian or other suitable person.

Sec. 7. Minnesota Statutes 1976, Section 260.172, Subdivision 2, is amended to read:

Subd. 2. If the court determines that the child should continue in detention, it may order detention continued for eight days, excluding *Saturdays*, Sundays and holidays, from and including the date of the order. The court shall include in its order the reasons for continued detention and the findings of fact which support these reasons.

Sec. 8. Minnesota Statutes 1976, Section 260.172, Subdivision 3, is amended to read:

Subd. 3. Copies of the court's order shall be served upon the parties, including the supervisor of the detention facility, who shall release the child or continue to hold him as the court orders.

*When the court's order is served upon these parties, notice shall also be given to the parties of the subsequent reviews provided by subdivision 4. The notice shall also inform each party that he may submit to the court for informal review any new evidence regarding whether the child should be continued in detention and that he may request a hearing to present the evidence to the court.*

Sec. 9. Minnesota Statutes 1976, Section 260.172, Subdivision 4, is amended to read:

Subd. 4. If a child held in detention under a court order issued under subdivision 2 has not been released prior to expiration of the order, (AN ADDITIONAL HEARING) *the court or referee shall informally review the child's case file to determine, under the standards provided by subdivision 1, (SHALL BE HELD TO DETERMINE) whether detention should be continued. If detention is continued thereafter, (HEARINGS) informal reviews such as these shall be held within every eight days, excluding Saturdays, Sundays and holidays, of the child's detention.*

*A hearing, rather than an informal review of the child's case file, shall be held at the request of any one of the parties notified pursuant to subdivision 3, if that party notifies the court that he wishes to present to the court new evidence concerning whether the child should be continued in detention."*

Further, amend the title as follows:

Page 1, line 3, after the semicolon insert "providing limitations on procedures for juvenile detention;"

Page 1, line 4, delete "Section" and insert "Sections 260.015, Subdivision 17;" and after "1" insert "; 260.171, Subdivisions 1, 2, and 4; and 260.172".

Strike everything after the enacting clause and insert:

"Section 1. [911 EMERGENCY TELEPHONE SYSTEM.]  
Subdivision 1. Each county in the metropolitan area shall establish a 911 emergency telephone system on or before December 15, 1982 and each remaining county shall establish a 911 emergency telephone system on or before December 15, 1986.

Subd. 2. The 911 systems may be multijurisdictional and regional in character provided that design and implementation are preceded by cooperative planning on a county by county basis with local public safety agencies.

Sec. 2. [DEFINITIONS.] Subdivision 1. For the purposes of sections 1 to 12, the terms defined in this section have the meanings given them.

Subd. 2. "Metropolitan area" means the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Subd. 3. "Public agency" means any unit of local government or special purpose district located in whole or in part within this state which provides or has authority to provide fire fighting, police, ambulance, medical, or other emergency services.

Subd. 4. "Public safety agency" means a functional division of a public agency which provides fire fighting, police, medical, or other emergency services, or a private entity which provides emergency medical or ambulance services.

Subd. 5. "Public safety answering point" means a communications facility operated on a 24 hour basis which first receives 911 calls from persons in a 911 service area and which may, as appropriate, directly dispatch public safety services or extend, transfer, or relay 911 calls to appropriate public safety agencies.

Subd. 6. "Minimum 911 service" means a telephone service meeting the design standards established pursuant to section 7, which automatically connects a person dialing the digits 911 to an established public safety answering point. Minimum 911 service includes equipment for connecting and outswitching 911 calls within a telephone central office, trunking facilities from the central office to a public safety answering point, and equipment, as appropriate, for automatically selectively routing 911 calls in situations where one telephone central office serves more than one public safety answering point.

Sec. 3. [SERVICES TO BE PROVIDED.] Services available through a 911 system shall include police, firefighting and emergency medical and ambulance services. Other emergency and civil defense services may be incorporated into the 911 system at the discretion of the public agency operating the public safety answering point.

Sec. 4. [911 EMERGENCY TELEPHONE NUMBER; PAY TELEPHONES.] Subdivision 1. The digits 911 shall be the primary emergency telephone number within the system, but a public safety agency whose services are available on the 911 system may maintain a separate secondary backup number for emergency calls and shall maintain a separate number for non-emergency telephone calls.

Subd. 2. By December 15, 1986, each public utility providing telephone service within a 911 service area shall convert every

pay station telephone to permit dialing of the 911 number without coin or other charge to the caller.

Sec. 5. [DESIGN OF SYSTEM.] Each county shall design its 911 system to meet the requirements of agencies whose services are available through the 911 system and to permit future expansion of the system.

Sec. 6. [SYSTEM PLANNING AND COORDINATION.] The department of administration shall coordinate the implementation of 911 systems on or before the deadlines established in section 1. The department shall aid counties in the formulation of concepts, methods and procedures which will improve the operation of 911 systems.

Sec. 7. [STANDARDS ESTABLISHED.] Subdivision 1. The department of administration shall establish and adopt in accordance with Minnesota Statutes, Chapter 15, rules for the administration of sections 1 to 12 and for the development of 911 systems in the state including:

(a) Design standards for 911 systems incorporating the standards adopted pursuant to subdivision 2 for the seven county metropolitan area; and

(b) A procedure for determining and evaluating requests for variations from the established design standards.

Subd. 2. The metropolitan council shall establish and adopt design standards for the metropolitan area 911 system and transmit them to the department of administration for incorporation into the rules adopted pursuant to this section.

Sec. 8. [PLANS TO BE SUBMITTED.] Subdivision 1. (a) Before December 15, 1978, each county shall submit tentative plans for the establishment of a 911 system to the public utility or utilities providing public telephone service within the county, to the department of administration and to the public service commission.

(b) The department of administration shall review the plan for consistency with the standards adopted pursuant to section 7 and report its findings to the county within six months of receipt of the plan.

(c) The public service commission shall review the plan and comment to the county within six months of the receipt of the plan.

(d) Each public utility providing telephone service within the county shall review the plan and transmit to the county good

faith estimates of local system implementation expenses within six months of the receipt of the plan.

Subd. 2. (a) Before December 15, 1979, each county shall submit final plans for the establishment of a 911 system to the public utility or utilities providing public telephone service within the county, to the department of administration and to the public service commission. The final plan shall include a description of all capital and recurring costs for the proposed 911 system.

(b) The department of administration shall review the final plan for consistency with the standards adopted pursuant to section 7 and approve or disapprove the plan within six months of receipt.

(c) The public service commission shall review the final plan and determine that portion of plan implementation capital costs which may be applied to the utility company rate base and report findings to the county within six months of receipt of the plan.

Subd. 3. After department of administration approval of design and public service commission report of findings, each county, together with the department of administration and the local governmental units or public agencies operating public safety answering points, shall contract with the appropriate public utility or utilities for the implementation of the approved 911 system plan.

Subd. 4. Each county implementing a 911 system before December 15, 1978, shall submit to the department of administration and the public service commission in lieu of the required plan a report describing the system and stating its operational date.

Subd. 5. Any subsequent changes to 911 systems described in subdivision 4 shall conform to standards established by the department of administration pursuant to section 7.

Subd. 6. After adoption of final 911 system plans, any county or utility may petition the department of administration for a waiver of all or portions of the requirements or time limits of sections 1 to 8. Waivers shall be granted upon a demonstration by petitioner that the requirement is economically infeasible in the sense that federal or state funding for the initial capital investment required of the county to implement a 911 system is not available.

Sec. 9. [ENFORCEMENT.] At the request of the department of administration, the attorney general may commence proceedings in the district court against any person or public or private body to enforce the provisions of sections 1 to 12.

At the request of the public service commission, the attorney general may commence proceedings before the district court pursuant to Minnesota Statutes, Section 237.27, against any public utility providing telephone service which refuses to comply with the provisions of sections 1 to 12.

Sec. 10. [COOPERATIVE AGREEMENTS.] Subdivision 1. In counties implementing 911 systems pursuant to sections 1 to 8, all public agencies and counties which are part of different 911 systems but share common boundary lines may enter into cooperative agreements which shall provide that once an emergency unit is dispatched in response to a request through the system, the unit shall render its services to the requesting party without regard to jurisdictional boundaries.

Subd. 2. Public safety agencies with jurisdictional responsibilities shall in all cases be notified by the public safety answering point of a request for service in their jurisdiction.

Subd. 3. Counties, public agencies, operating public safety answering points, and other local governmental units may enter into cooperative agreements under section 471.59 for the allocation of operational and capital costs attributable to the 911 system.

Sec. 11. [LOCAL RECURRING COSTS.] Recurring costs of telephone communications equipment and services at public safety answering points shall be borne by the local governmental unit operating the public safety answering point or allocated pursuant to section 10, subdivision 3. Costs attributable to local government electives for services beyond minimum 911 service shall be borne by the governmental unit requesting the elective service.

Sec. 12. [REPORT TO LEGISLATURE.] By January 1 of each year, the department of administration shall report to the legislature the progress that has been made in the implementation of sections 1 to 12.

Sec. 13. [APPROPRIATION.] Subdivision 1. There is appropriated from the general fund to the department of administration the following amounts to be used to implement the provisions of sections 1 to 12 in the fiscal years ending June 30 in the years indicated:

\$34,450 1978,

Kempe, A., moved to amend S. F. No. 65, the unofficial engrossment, as amended, as follows:

Strike everything after the enacting clause and insert:

*“Section 1. [DEFINITIONS.] Subdivision 1. For purposes of sections 1 to 9, the following terms shall have the meanings given them.*

*Subd. 2. “Inmate” means any person convicted of a felony and confined in a state correctional institution or released from a state correctional institution pursuant to sections 6 or 7.*

*Subd. 3. “Commissioner” means the commissioner of corrections or his designee.*

*Subd. 4. “Correctional institution” means any state institution under the operational authority of the commissioner of corrections.*

*Subd. 5. “Board” means the Minnesota corrections board created by section 241.045.*

*Subd. 6. “Ombudsman” means the ombudsman for the department of corrections or his designee.*

*Subd. 7. “Good time” means the period of time by which an inmate’s sentence is reduced pursuant to section 5.*

*Sec. 2. [DETERMINATE SENTENCING.] After a person has been convicted of a felony and sentenced to the commissioner of corrections for imprisonment that person shall serve the sentence imposed by the court for the crime of his conviction and he shall not be paroled or otherwise released from the correc-*

*tional institution wherein he is confined until that sentence expires, except as is provided in sections 6 and 7, and except as his sentence is reduced by any good time earned.*

**Sec. 3. [MUTUAL AGREEMENT PROGRAMS.]** *Subdivision 1. Within seven days after the commissioner assumes custody of an inmate, he shall inform the inmate of the availability and scope of mutual agreement programs and of the fact that participation by the inmate is optional and has no effect on the length of his sentence. If on his own motion the inmate expresses a desire to enter into a mutual agreement program, the commissioner shall draft one for the inmate within 90 days after receiving a request to do so from the inmate. The mutual agreement program shall be drafted after a post-conviction investigation of the inmate has been made by the commissioner. In drafting a mutual agreement program, the commissioner shall also refer to any presentence investigation which has been made of the inmate. The agreement shall provide the following:*

*(a) A program of vocational or educational training with specific chronological and achievement objectives, including completion of specified educational and vocational programs;*

*(b) Frequent and regular evaluation of the inmate by the commissioner; and*

*(c) A consideration of any educational qualifications or skills of the inmate when specifying certain types of work expectations.*

*In addition, the agreement may specify participation of the inmate in noninstitutional or extra-institutional programs pursuant to the provisions of section 6. The participation of inmates in the mutual agreement program shall be limited by the appropriations made for that purpose.*

*Subd. 2. The inmate may decline to enter into the agreement drafted by the commissioner. Failure to enter into an agreement shall not affect the earning of good time by an inmate pursuant to section 5, nor shall violation of the terms of the agreement by an inmate constitute a disciplinary offense which may result in the loss of good time. Whether or not an inmate consents to participate in a mutual agreement program, he shall serve the sentence imposed by the sentencing court, reduced by good time earned. Failure of an inmate to enter a mutual agreement program shall not effect the board's determination as to whether an inmate should be placed on conditional release.*

*Subd. 3. The inmate shall have the right to appeal to the ombudsman if he believes the terms of his agreement have been or are being violated. The ombudsman shall promptly investigate any appeal filed under this subdivision and shall recommend that the commissioner take appropriate action if the ombudsman de-*

*termines the terms of the mutual agreement program have been or are being violated.*

*Subd. 4. The inmate and his counsel shall be informed of the existence of and have the right to inspect all records and evaluations of the inmate's participation in the mutual agreement program.*

*Sec. 4. [VOLUNTARY PROGRAMS.] The commissioner shall provide appropriate mental health programs and vocational and educational programs with employment-related goals for inmates who desire to voluntarily participate in such programs. The selection, design and implementation of programs under this section shall be the sole responsibility of the commissioner, acting within the limitations imposed on him by the funds appropriated for such programs.*

*No action challenging the level of expenditures for programs authorized under this subdivision, nor any action challenging the selection, design or implementation of those programs, may be maintained by an inmate in any court in this state.*

*Sec. 5. [GOOD TIME.] Subdivision 1. Each sentence imposed by a court for a felony offense shall be reduced in duration by one day for each day during which the inmate violates none of the disciplinary offense rules promulgated by the commissioner pursuant to subdivision 2 of this section.*

*If an inmate violates a disciplinary offense rule promulgated pursuant to subdivision 2, good time earned prior to the violation may be taken away or the inmate may be required to serve an appropriate portion of his sentence after the violation without earning good time.*

*Subd. 2. By December 31, 1978, the commissioner shall promulgate, pursuant to Minnesota Statutes, Chapter 15, rules specifying disciplinary offenses which may result in the loss of good time and the amount of good time which may be lost as a result of each disciplinary offense. In no case shall an individual disciplinary offense result in the loss of more than 90 days of good time. The loss of good time shall be considered to be a disciplinary sanction imposed upon an inmate, and the procedure for loss of good time and the rights of the inmate in the procedure shall be those in effect for the imposition of other disciplinary sanctions at each state correctional institution.*

*Sec. 6. [CONDITIONAL RELEASE.] Subdivision 1. If an inmate's agreement program requires participation in noninstitutional or extra-institutional programs, or the Minnesota corrections board determines that an inmate should participate in noninstitutional or extra-institutional programs with reintegrational, educational or vocational objectives, and the inmate con-*

sents to participate in these programs, the Minnesota corrections board may conditionally release the participating inmate. An inmate may be conditionally released as follows: if the inmate is sentenced to less than ten years of imprisonment, he may be released during the last two years of the sentence imposed upon him; if the inmate is sentenced to ten or more years of imprisonment, he may be released during the last three years of his sentence.

Subd. 2. When consistent with the public interest, the Minnesota corrections board may grant one or more furloughs not to exceed ten days in length each to an inmate who has been conditionally released pursuant to subdivision 1 of this section.

Subd. 3. The commissioner shall promulgate rules for the placement and supervision of inmates who are conditionally released. The rules shall include, but not be limited to, provisions relating to the use of local detention facilities, the distribution of inmate wages or other earnings during the period of conditional release, the payment of room and board by inmates, and procedures for the revocation of conditional releases. Procedures for the revocation of conditional releases shall provide due process of law for the inmate.

Sec. 7. [FURLOUGHS.] If consistent with the public interest, the Minnesota corrections board may, under rules prescribed by the commissioner furlough any inmate in his custody to any point within the state for up to five days. A furlough may be granted to assist the inmate with family needs, personal health needs, or his reintegration into society. No inmate may receive more than three furloughs under this section within any 12 month period.

Sec. 8. [POST-RELEASE PROGRAM.] Upon the completion of the term to which an inmate has been sentenced, as reduced by any good time earned, the commissioner shall offer to the inmate a voluntary program not to exceed six months in length and designed to facilitate reintegration of the inmate into society. The program may include assistance such as aid in finding employment and housing. The program shall be available only to the extent made feasible by appropriations made for that purpose.

Sec. 9. [241.046] [LIMITATION OF POWERS AND DUTIES OF MINNESOTA CORRECTIONS BOARD.] Subdivision 1. Except as provided in this section, the provisions of sections 1 to 23 shall not apply to persons convicted of a felony committed on or before December 31, 1978.

Subd. 2. The Minnesota corrections board shall retain all powers and duties vested in and imposed upon it with relation to persons sentenced for crimes committed on or before Decem-

ber 31, 1978. After December 31, 1978, the board shall have only those powers and duties imposed upon it by the act for persons sentenced after December 31, 1978.

*Subd. 3. The provisions of sections 1 to 23 shall apply to all persons convicted of a felony committed after December 31, 1978.*

*Subd. 4. Nothing in sections 1 to 23 shall be deemed to limit the powers and duties otherwise provided by law to the commissioner of corrections with regard to the management of correctional institutions or the disposition of inmates unless those powers and duties are inconsistent with the provisions of sections 1 to 23, in which case those powers and duties shall be superseded by the provisions of sections 1 to 23.*

*Subd. 6. The Minnesota corrections board shall take into consideration, but in no way be bound by the sentence terms provided in sections 1 to 23, and the penal philosophy therein embodied in its deliberations relative to parole, probation, release, or other disposition of inmates who commit the crimes giving rise to their sentences on or before December 31, 1978. Inmates convicted of crimes committed on or before December 31, 1978 for which a minimum sentence is prescribed by the law in effect at the time of the commission of the crime shall serve at least that minimum sentence.*

*Subd. 7. The board may give extraordinary release to an inmate for reasons of serious health problems or senility. The commissioner shall promulgate rules specifying the circumstances under which extraordinary release shall be granted and the appropriate procedures for granting the same.*

**Sec. 10. Minnesota Statutes 1976, Section 609.095, is amended to read:**

**609.095 [LIMITS OF SENTENCES.]** No other different sentence or punishment shall be imposed for the commission of a crime than is authorized by this chapter or other applicable law. These guidelines shall be established on the basis of a combination of reasonable offense and offender characteristics which are in consideration of current sentencing practices. The judicial commission shall also study and report to the legislature and the governor on or before December 15, 1978, on the continued need and role of the Minnesota corrections board after implementation of this act.*

**Subd. 10. [APPROVAL BY SUPREME COURT.]** *The guidelines promulgated by the judicial commission and any subsequent amendments thereto shall be the sentencing guidelines for the district courts upon their adoption and approval by the supreme court.*

**Subd. 11. [ROLE OF GUIDELINE.]** *Guidelines promulgated herein shall be advisory to the district court in the imposition of felony sentences. Page 2, delete lines 20 to 32 and insert the following:

*"Subd. 3. [VARIANCES.] The commissioner, after consultation with the legislative commission on Minnesota resources, may grant variances from the compatible use standards upon such procedures and conditions as may be prescribed by rule in order to avoid undue hardship and promote the effective and reasonable enforcement of these standards.*

*Subd. 4. [SALE.] (a) No landowner other than the United States, who owns land within the boundaries of state parks, and*

no such landowner's estate shall transfer or sell any ownership interest in such land to any person other than the commissioner, except as provided in this subdivision. Nothing herein shall prevent an owner, having title as of January 1, 1977, or any subsequent owner under this subdivision, of any generation, from transferring, by sale, bequest or other means, the undivided ownership of a parcel of land within a state park, to a relative of that owner within the third degree of kinship by blood, marriage or adoption. If the landowner is a family farm corporation, pursuant to section 500.24, the corporation shall sell the land to the commissioner in the event the majority of stock of such corporation is not owned by family members who are shareholders on the date of enactment of this act or their relatives, of any subsequent generation, within the third degree of kinship by blood, marriage or adoption, to whom the stock is subsequently sold, bequeathed or otherwise transferred. Except for a family farm corporation, if the landowner is not a natural person or persons, the owner shall sell the land to the commissioner no later than 25 years after the date of enactment of this act. (b) Upon sale or transfer to the commissioner, the commissioner shall pay to the landowner the fair market value of the property on the date of acquisition, less the fair market value on such date of any right retained by the landowner. "Fair market value" is the value of the land at its highest and best economic use, including the value of any structures thereon, undiminished by the existence of use restrictions under this section or the fact it is inside the park boundary or must be sold to the commissioner. In the event the commissioner and landowner or estate cannot agree as to the fair market value acquisition price, such price shall be determined by a condemnation proceeding pursuant to Minnesota Statutes, Chapter 117. The commissioner shall commence the Chapter 117 proceeding within twenty days of the rejection by the landowner of the highest offer authorized by law or upon the written request of the landowner. Upon notification by any landowner or landowner's estate that a parcel of land within a state park boundary is subject to acquisition by the commissioner under this section, the commissioner shall notify the owner or estate within 60 days in writing of the intention to acquire the parcel, or this subdivision shall not apply to the sale or other transfer of that parcel. "Landowner or owner" for purposes of this section means either a fee owner or a person purchasing on a contract for deed pursuant to which fee title will be transferred to the purchaser. The transfer of fee title pursuant to a contract for deed shall not constitute a "sale or transfer of an ownership interest" under this section, provided the contract has been filed with the county recorder within fifteen days of execution or by January 1, 1978, for contracts executed prior to the date of enactment of this act.

Subd. 5. Owners of private lands located within state parks on the effective date of this act shall be compensated by the commissioner of natural resources for any lost earnings resulting from regulations imposed by this section if the subject lands are later removed from within state park boundaries.

Sec. 2. Minnesota Statutes 1976, Section 84.0272, is amended to read:

84.0272 [PROCEDURES IN ACQUIRING LANDS.] When the commissioner of administration is authorized to acquire lands or interests in lands for the commissioner of natural resources, the procedure set forth in this section shall apply. The commissioner of natural resources shall first submit a written request to the commissioner of administration showing the lands to be acquired, the legal authority for their acquisition, the qualities of the land that make it a desirable acquisition and a maximum purchase price. The commissioner of administration shall not purchase land for greater than the maximum purchase price without further consultation and written authorization and justification from the commissioner of natural resources. The commissioner of administration shall cause the lands to be appraised. An appraiser shall before entering upon the duties of his office take and subscribe an oath that he will faithfully and impartially discharge his duties as appraiser according to the best of his ability and that he is not interested directly or indirectly in any of the lands to be appraised or the timber or improvements thereon or in the sale thereof and has entered into no agreement or combination to purchase the same or any part thereof, which oath shall be attached to the report of the appraisal. The commissioner of administration shall not agree to pay more than ten percent above the appraised value, *except that the commissioner may pay 20 percent above the appraised value for land within state parks.* New appraisals may be made but not until at least six months after completion of an earlier series of appraisals.”

Page 3, delete lines 1 to 11.

Renumber subsequent sections.

A roll call was requested and properly seconded.

Sieben, M., moved to amend the Munger amendment as follows:

Page 3, after line 3, add a new section to read as follows:

*“The commissioner of the Department of Natural Resources shall conduct a study of the boundaries of all state parks and report to the Legislature on December 31, 1978 as to his recommendations for modifications of said boundaries.”*

Renumber following sections accordingly.

Eckstein moved that S. F. No. 1165 be re-referred to the Committee on Environment and Natural Resources.

state aid is apportioned to the counties, one-half in proportion to the population and one-half in proportion to the assessed property valuation of the fire towns in the county for which aid is apportioned. The county auditor shall apportion the amount of aid to each municipality and/or firemen's relief association in an amount not less than 100 percent nor more than 150 percent of the average state aid calculated for apportionment to the municipality and/or firemen's relief association. Provided that if the amount of aid so calculated is either greater or less than the amount of aid available as calculated in subdivision 5 each municipality's and/or firemen's relief association's proportionate share of the state aid shall be reduced or increased on a percentage basis so that the amount of aid apportioned shall not exceed the amount of tax collected. No municipality or firemen's relief association shall receive less than provided for under this subdivision.

In the case of municipalities or independent fire departments qualifying for the aid the county auditor shall calculate the state aid for the municipality or relief association on the basis of the population and the property valuation of the area furnished fire protection service by the fire department as evidenced by duly executed and valid fire service agreements filed with him. If one or more fire departments are furnishing contracted fire service to a city, town or township only the population and valuation of the area served by each fire department shall be considered in calculating the state aid and the fire departments furnishing service shall enter into an agreement apportioning among themselves the percent of the population and the assessed property valuation of each service area. Agreement shall be in writing and filed with the commissioner in duplicate. The commissioner shall forward one copy of the agreement to the county auditor of the county wherein the fire department is located and retain one copy.

In the case of cities of the first and second class the state aid calculated shall be paid directly to the treasurer of the relief association. In the case of all other municipalities and independent fire department relief associations or retirement plans the aid shall be paid to the treasurer of the municipality where the fire department is located and the treasurer of the municipality shall within 30 days transmit the aid to the relief association if the relief association has filed a financial report with the treasurer of the municipality and has met all other statutory provisions pertaining to the aid apportionment.

The county auditor and commissioner are hereby empowered to make rules and regulations to permit the administration of the provisions of this section.

Strike everything after the enacting clause and insert:

**“Section 1. [DEPARTMENT OF ECONOMIC SECURITY ESTABLISHED.]** *Subdivision 1. There is created the department of economic security with broad responsibility for income and employment policies, and for linking its benefits payments and job training and placement programs with veterans programs, worker's compensation, vocational and post-secondary training, federal income insurance programs, and economic development programs. The department shall be supervised and controlled by the commissioner of economic security, who shall be appointed by the governor with the advice and consent of the senate. The commissioner shall serve at the pleasure of the governor.*

He may appoint and define the duties of other subordinate officers and employees as he deems necessary to discharge the functions of his department. The commissioner may delegate, in written orders filed with the secretary of state, any powers or duties subject to his control to officers and employees in the department.*

**Sec. 2. [TRANSFER OF POWERS.]** *Subdivision 1. [DEPARTMENT OF EMPLOYMENT SERVICES.] All powers, duties, and functions heretofore vested in or imposed on the commissioner of employment services by Minnesota Statutes, Chapter 268, or any other law relating to the duties and powers of the commissioner of employment services are transferred to, vested in, and imposed upon the commissioner of economic security. The*

*position of commissioner of employment services and the department of employment services as heretofore constituted are abolished.*

**Subd. 2. [DEPARTMENT OF VOCATIONAL REHABILITATION.]** *All powers, duties, and functions heretofore vested in or imposed on the commissioner of vocational rehabilitation by Minnesota Statutes, Chapter 129A, or any other law relating to the duties and powers of the commissioner of vocational rehabilitation are transferred to, vested in, and imposed on the commissioner of economic security. The commissioner of vocational rehabilitation and the department of vocational rehabilitation as heretofore constituted are abolished.*

[EXECUTIVE COUNCIL, POWERS TRANSFERRED.]** *All the powers and duties now vested in or imposed upon the commissioner of public welfare, or any other agency which may have succeeded to its authority, relating to the administration and distribution of direct relief to the indigent or destitute, including war veterans and their families and dependents, are hereby transferred to, vested in, and imposed upon the commissioner of economic security.*

**Sec. 3. [EFFECT OF TRANSFERS TO THE DEPARTMENT OF ECONOMIC SECURITY.]** **Subdivision 1.** *The department of economic security shall be deemed a continuation of the former department or agency as to those matters within the jurisdiction of the former department or agency which are assigned or transferred to the department by this act, with the same force and effect as though the functions, powers or duties of the agency or department had not been assigned or transferred, and shall not be held to constitute a new authority for the purpose of succession to all rights, powers, duties and obligations of the former department or agency, as constituted at the time of the assignment or transfer. All rules heretofore promulgated under authority of a power, duty or responsibility transferred by this act to the commissioner of economic security or to the department of economic security shall remain in full force and effect until modified or repealed.*

**Subd. 2.** *Any proceeding, court action, prosecution, or other business or matter which is pending on the effective date of this section and which was undertaken or commenced by a department or agency whose functions, powers or duties are transferred to the department of economic security by this act, may be conducted and completed by the department of economic security in the same manner, under the same terms and conditions, and with the same effect as though it were undertaken or commenced and conducted or completed by the former department or agency prior to the transfer.*

That H. F. No. 1475 be further amended as follows:

Strike everything after the enacting clause and insert:

**"ARTICLE I**

Section 1. Minnesota Statutes 1976, Section 290.01, Subdivision 20, is amended to read:

Subd. 20. [GROSS INCOME.] Except as otherwise provided in this chapter, the term "gross income," as applied to corporations includes every kind of compensation for labor or personal services of every kind from any private or public employment, office, position or services; income derived from the ownership or use of property; gains or profits derived from every kind of disposition of, or every kind of dealing in, property; income derived from the transaction of any trade or business; and income derived from any source.

For each of the taxable years beginning after December 31, 1960 and prior to January 1, 1971, the term "gross income" in its application to individuals, estates, and trusts, shall mean the adjusted gross income as computed for federal income tax purposes as defined in the Internal Revenue Code of 1954, as amended through December 31, 1970 for the applicable taxable year, with the modifications specified in this section.

For each of the taxable years beginning after December 31, 1970, the term "gross income" in its application to individuals, estates, and trusts shall mean the adjusted gross income as computed for federal income tax purposes as defined in the Internal Revenue Code of 1954, as amended through the date specified herein for the applicable taxable year, with the modifications specified in this section.

(i) The Internal Revenue Code of 1954, as amended through December 31, 1970, shall be in effect for taxable years beginning after December 31, 1970 and prior to January 1, 1973.

(ii) The Internal Revenue Code of 1954, as amended through December 31, 1972, shall be in effect for taxable years beginning after December 31, 1972.

(iii) The Internal Revenue Code of 1954, as amended through December 31, 1973, shall be in effect for taxable years beginning after December 31, 1973.

(iv) The Internal Revenue Code of 1954, as amended through December 31, 1974, shall be in effect for the taxable years beginning after December 31, 1974.

(v) *The Internal Revenue Code of 1954, as amended through December 31, 1976, shall be in effect for taxable years beginning after December 31, 1976.*

References to the Internal Revenue Code of 1954 in clauses (a), (b) and (c) following shall mean the code in effect for the purpose of defining gross income for the applicable taxable year.

(a) Modifications increasing federal adjusted gross income. There shall be added to federal adjusted gross income:

(1) Interest income on obligations of any state other than Minnesota or a political subdivision of any such other state exempt from federal income taxes under the Internal Revenue Code of 1954;

(2) Interest income on obligations of any authority, commission, or instrumentality of the United States, which the laws of the United States exempt from federal income tax, but not from state income taxes;

(3) Income taxes imposed by this state or any other taxing jurisdiction, to the extent deductible in determining federal adjusted gross income and not credited against federal income tax;

(4) Interest on indebtedness incurred or continued to purchase or carry securities the income from which is exempt from tax under this chapter, to the extent deductible in determining federal adjusted gross income;

(5) Amounts received as reimbursement for an expense of sickness or injury which was deducted in a prior taxable year to the extent that the deduction for such reimbursed expenditure resulted in a tax benefit;

**((6) LOSSES WHICH DO NOT ARISE FROM EVENTS OR TRANSACTIONS WHICH ARE ASSIGNABLE TO MINNESOTA UNDER THE PROVISIONS OF SECTIONS 290.17 TO 290.20, INCLUDING ANY CAPITAL LOSS OR NET OPERATING LOSS CARRYFORWARDS OR CARRYBACKS RESULTING FROM SUCH LOSSES, AND INCLUDING ANY SUCH NONASSIGNABLE LOSSES WHICH OCCUR PRIOR TO THE TIME THE INDIVIDUAL BECOMES A RESIDENT OF THE STATE OF MINNESOTA;)**

**((7)) (6)** The amount of any federal income tax overpayment for any previous taxable year, received as refund or credited to another taxable year's income tax liability, proportionate to the percentage of federal income tax that was claimed as a deduction in determining Minnesota income tax for such previous taxable year.

The overpayment refund or credit, determined with respect to a husband and wife on a joint federal income tax return for a previous taxable year, shall be reported on joint or separate Minnesota income tax returns. In the case of separate Minnesota

returns, the overpayment shall be reported by each spouse proportionately according to the relative amounts of federal income tax claimed as a deduction on his or her separate Minnesota income tax return for such previous taxable year;

((8)) (7) In the case of a change of residence from Minnesota to another state or nation, the amount of moving expenses which exceed total reimbursements and which were therefore deducted in arriving at federal adjusted gross income;

((9)) (8) In the case of property disposed of on or after January 1, 1973, the amount of any increase in the taxpayer's federal tax liability under section 47 of the Internal Revenue Code of 1954, as amended through December 31, 1974, to the extent of the credit under section 38 of the Internal Revenue Code of 1954, as amended through December 31, 1974, that was previously allowed as a deduction either under section 290.01, subdivision 20(b)(9) or under section 290.09, subdivision 24; and

((10)) (9) Expenses and losses arising from a farm which are not allowable under section 290.09, subdivision 29;

((11)) (10) Expenses and depreciation attributable to substandard buildings disallowed by section 290.101; and

((12)) (11) The amount by which the gain determined pursuant to section 41.59, subdivision 2 exceeds the amount of such gain included in federal adjusted gross income.

(b) Modifications reducing federal adjusted gross income. There shall be subtracted from federal adjusted gross income;

(1) Interest income on obligations of any authority, commission or instrumentality of the United States to the extent includible in gross income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes, that does not exceed such difference in basis; but if such gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to fifty per centum of such portion of the gain. This modification shall not be applicable if the difference in basis is due to disallowance of depreciation pursuant to section 290.101.

(3) Interest or dividend income on securities to the extent exempt from income tax under the laws of this state authorizing the issuance of such securities but includible in gross income for federal income tax purposes;

**((4) INCOME WHICH DOES NOT ARISE FROM EVENTS OR TRANSACTIONS WHICH ARE ASSIGNABLE TO MINNESOTA UNDER THE PROVISIONS OF SECTIONS 290.17 TO 290.20;)**

**((5)) (4) Losses, not otherwise reducing federal adjusted gross income assignable to Minnesota, arising from events or transactions which are assignable to Minnesota under the provisions of sections 290.17 to 290.20, including any capital loss or net operating loss carryforwards or carrybacks resulting from such losses;**

**((6)) (5) If included in federal adjusted gross income, *the amount of any credit received, whether received as a refund or credit to another taxable year's income tax liability, pursuant to chapter 290A, and the amount of any overpayment of income tax to Minnesota, or any other state, for any previous taxable year, whether such amount is received as a refund or credited to another taxable year's income tax liability;***

**((7)) (6) The amount of any pension or benefit which is excluded from gross income under the provisions of section 290.08, subdivision 6; and**

**((8) THE AMOUNT OF COMPENSATION FOR PERSONAL SERVICES IN THE ARMED FORCES OF THE UNITED STATES OR THE UNITED NATIONS WHICH IS EXCLUDED FROM GROSS INCOME UNDER THE PROVISIONS OF SECTION 290.65; AND)**

**((9)) (7) In the case of property acquired on or after January 1, 1973, the amount of any credit to the taxpayer's federal tax liability under section 38 of the Internal Revenue Code of 1954, as amended through December 31, 1974, but only to the extent that the credit is connected with or allocable against the production or receipt of income included in the measure of the tax imposed by this chapter.**

**(c) Modifications affecting shareholders of electing small business corporations under section 1372 of the Internal Revenue Code of 1954, or section 290.972 of this chapter.**

**(1) Shareholders in a small business corporation, which has elected to be so taxed under the Internal Revenue Code of 1954, but has not made an election under section 290.972 of this chapter, shall deduct from federal adjusted gross income the amount of any imputed income from such corporation and shall add to federal adjusted gross income the amount of any loss claimed as a result of such stock ownership. Also there shall be added to federal adjusted gross income the amount of any distributions in cash or property made by said corporation to its shareholders during the taxable year.**

(2) In cases where the small business corporation has made an election under section 1372 of the Internal Revenue Code of 1954, but has not elected under section 290.972 of this chapter and said corporation is liquidated or the individual shareholder disposes of his stock and there is no capital loss reflected in federal adjusted gross income because of the fact that corporate losses have exhausted the shareholders basis for federal purposes, such shareholders shall be entitled, nevertheless, to a capital loss commensurate to their Minnesota basis for the stock.

(3) In cases where the election under section 1372 of the Internal Revenue Code of 1954 antedates the election under section 290.972 of this chapter and at the close of the taxable year immediately preceding the effective election under section 290.972 the corporation has a reserve of undistributed taxable income previously taxed to shareholders under the provisions of the Internal Revenue Code of 1954, in the event and to the extent that such reserve is distributed to shareholders such distribution shall be taxed as a dividend for purposes of this act.

Items of gross income includible within these definitions shall be deemed such regardless of the form in which received. Items of gross income shall be included in gross income of the taxable year in which received by a taxpayer unless properly to be accounted for as of a different taxable year under methods of accounting permitted by section 290.07, except that (1) amounts transferred from a reserve or other account, if in effect transfers to surplus, shall, to the extent that such amounts were accumulated through deductions from gross income or entered into the computation of taxable net income during any taxable year, be treated as gross income for the year in which the transfer occurs, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act, and (2) amounts received as refunds on account of taxes deducted from gross income during any taxable year shall be treated as gross income for the year in which actually received, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act.

(d) Modification in computing taxable income of the estate of a decedent. Amounts allowable under section 291.07, subdivision 1(2) in computing Minnesota inheritance tax liability shall not be allowed as a deduction in computing the taxable income of the estate unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts have not been allowed as a deduction under section 291.07 and a waiver of the right to have such amounts allowed at any time as deductions under section 291.07. The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). In the event that the election made for federal tax purposes under section 642(g) of the Internal Revenue Code of 1954 differs from the election made under this para-

graph appropriate modification of the estate's federal taxable income shall be made to implement the election made under this paragraph in accordance with regulations prescribed by the commissioner.

Sec. 2. Minnesota Statutes 1976, Section 290.012, Subdivision 2, is amended to read:

Subd. 2. "Claimant" means the individual taxpayer whose income, together with that of his spouse, if any, brings him within the provisions of this section and section 290.06, subdivision 3d. *No claimant and spouse whose federal adjusted gross income, including the modifications increasing federal adjusted gross income as computed under section 290.01, subdivision 20, clause (a), exceed \$20,000 may qualify under this section.*

Sec. 3. Minnesota Statutes 1976, Section 290.031, Subdivision 4, is amended to read:

There shall be deducted in determining taxable compensation for any taxable year the sum of (\$100,000) *\$250,000* except that where the taxable year is a period of less than 12 months and in the case of taxable years ending on or before (MAY 31, 1974) *November 30, 1978* the deduction shall be proportionately reduced.

Sec. 4. Minnesota Statutes 1976, Section 290.06, Subdivision 2c, is amended to read:

Subd. 2c. [SCHEDULE OF RATES FOR INDIVIDUALS, ESTATES AND TRUSTS.] (a) For taxable years beginning after December 31, (1971) *1977*, the income taxes imposed by this chapter upon individuals, estates and trusts, other than those taxable as corporations, shall be computed by applying to their taxable net income in excess of the applicable credits allowed by section 290.21, the following schedule of rates:

(b) In lieu of a tax computed according to the rates set forth in clause (a) of this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year, reduced by the applicable credits allowed by section 290.21, is less than (\$10,000) \$20,000 shall be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision.

FOR THE PURPOSE OF SUCH APPORTIONMENT, A FRACTIONAL PART OF A MONTH SHALL BE DISREGARDED UNLESS MORE THAN ONE-HALF OF THE MONTH, IN WHICH CASE IT SHALL BE CONSIDERED AS A MONTH. IN CASE OF DEATH DURING A TAXABLE YEAR, A CREDIT SHALL BE ALLOWED TO THE DECEDENT, IN PROPORTION TO THE NUMBER OF MONTHS BEFORE HIS DEATH, AND TO HIS ESTATE, IN PROPORTION TO THE NUMBER OF MONTHS AFTER HIS DEATH, AND IN ANY EVENT A MINIMUM CREDIT OF \$5 SHALL BE ALLOWED TO THE DECEDENT AND HIS ESTATE, RESPECTIVELY;)

Sec. 6. Minnesota Statutes 1976, Section 290.08, Subdivision 6, is amended to read:

Subd. 6. [PENSIONS, BENEFITS, AND ALLOWANCES FROM STATE AND UNITED STATES.] *Notwithstanding the provisions of any other law to the contrary* amounts, including interest, *not in excess of \$7,200* received by any person from the United States or from the state of Minnesota or any of its political or governmental subdivisions or from any other state or its political or governmental subdivisions, or a Minnesota volunteer fireman's relief association, either as a refund of contributions to, or by way of payment as a pension, public employee retirement benefit, (UNEMPLOYMENT COMPENSATION BENEFIT, SOCIAL SECURITY BENEFIT OR RAILROAD RETIREMENT OR UNEMPLOYMENT COMPENSATION

**BENEFIT, FAMILY ALLOTMENT OR OTHER SIMILAR ALLOWANCE)** or any combination thereof; provided that the amount of exclusion provided for in this subdivision shall be reduced by social security and railroad retirement benefits plus any earned income as defined in section 37(e)(8)(B) of the Internal Revenue Code of 1954, as amended through December 31, 1976, which is received during the taxable year.

Sec. 7. Minnesota Statutes 1976, Section 290.081, is amended to read:

**290.081 [INCOME OF NONRESIDENTS, RECIPROCI-  
TY.]** (a) The compensation received for the performance of personal or professional services within this state by an individual who resides and has his place of abode and place to which he customarily returns at least once a month in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of his residence; provided that such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein, or

(b) Whenever a nonresident taxpayer has become liable for income taxes to the state where he resides upon his net income for the taxable year derived from the performance of personal or professional services within this state and subject to taxation under this chapter, there shall be allowed as a credit against the amount of income tax payable by him under this chapter, such proportion of the tax so paid by him to the state where he resides as his gross income subject to taxation under this chapter bears to his entire gross income upon which the tax so paid to such other state was imposed; provided, that such credit shall be allowed only if the laws of such state grant a substantially similar credit to residents of this state subject to income tax under such laws, or

(c) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net income to another state upon, *if the taxpayer is an individual or a resident estate or resident trust, any income, or if it is a corporation, upon* income derived from the performance of personal or professional services within such other state and subject to taxation under this chapter he or it shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state bears to his entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state on the gross income earned within such other state and subject to taxation under this chapter, and (2) that such credit shall not be allowed if such other state allows residents of this state a credit against the taxes imposed by such state for taxes payable under this

chapter substantially similar to the credit provided for by paragraph (b) of this section, and (3) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state had been excluded in computing net income under this chapter.

(d) The commissioner shall by regulation determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply.

(e) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state on income earned within the taxable year for which the credit is claimed, provided that such tax is actually paid in that taxable year, or subsequent taxable years.

(f) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chairman. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Sec. 8. Minnesota Statutes 1976, Section 290.09, Subdivision 4, is amended to read:

Subd. 4. [TAXES.] Taxes paid or accrued within the taxable year, except (a) income or franchise taxes imposed by this chapter; (b) taxes assessed against local benefits of a kind deemed in law to increase the value of the property assessed; (c) inheritance, gift and estate taxes except as provided in section 290.077, subdivision 4; (d) cigarette and tobacco products excise

tax imposed on the consumer; (e) that part of Minnesota property taxes for which a credit or refund is claimed and allowed under section 290.0603 or 290.066; (f) federal income taxes, by corporations, national and state banks except as provided in section 290.18; (AND) (g) *mortgage registry tax*; (h) *real estate transfer tax*; (i) *federal telephone tax*; and (j) *federal transportation tax* ((G)) (k) tax paid by any corporation or national or state bank to any foreign country or possession of the United States to the extent that a credit against federal income taxes is allowed under the provisions of the Internal Revenue Code of 1954, as amended through December 31, (1974) 1976. If the taxpayer's foreign tax credit consists of both foreign taxes deemed paid and foreign taxes actually paid or withheld, it will be conclusively presumed that foreign taxes deemed paid were first used by the taxpayer in its foreign tax credit. Minnesota gross income shall include the amount of foreign tax paid which had been allowed as a deduction in a previous year, provided such foreign tax is later allowed as a credit against federal income tax. Income taxes permitted to be deducted hereunder shall, regardless of the methods of accounting employed, be deductible only in the taxable year in which paid. Taxes imposed upon a shareholder's interest in a corporation which are paid by the corporation without reimbursement from the shareholder shall be deductible only by such corporation.

Sec. 9. Minnesota Statutes 1976, Section 290.09, Subdivision 5, is amended to read:

Subd. 5. [LOSSES.] (a) General rule. There shall be allowed as a deduction any loss sustained during the taxable year and not compensated for by insurance or otherwise.

(b) Amount of deduction. For purposes of paragraph (a), the basis for determining the amount of the deduction for any loss shall be the adjusted basis provided in sections 290.14 and 290.15 for determining the loss from the sale or other disposition of property.

(c) Limitation of losses of individuals. In the case of an individual, the deduction under paragraph (a) shall be limited to

- (1) Losses incurred in a trade or business;
- (2) Losses incurred in any transaction entered into for profit, though not connected with a trade or business; and
- (3) Losses of property not connected with a trade or business, if such losses arise from fire, storm, shipwreck, or other casualty, or from theft *to the extent they are deductible pursuant to the provisions of section 165(c)(3) of the Internal Revenue Code of 1954, as amended through December 31, 1976*. No loss described in this paragraph shall be allowed if, at the time of the

filing of the return, such loss has been claimed for inheritance tax purposes.

(d) **Wagering losses.** Losses from wagering transactions shall be allowed only to the extent of the gains from such transactions.

(e) **Theft losses.** For purposes of paragraph (a), any loss arising from theft shall be treated as sustained during the taxable year in which the taxpayer discovers such loss.

(f) **Capital losses.** Losses from sales or exchanges of capital assets shall be allowed only to the extent allowed in section 290.16.

(g) **Worthless securities.**

(1) **General rule.** If any security which is a capital asset becomes worthless during the taxable year, the loss resulting therefrom shall, for purposes of this chapter, be treated as a loss from the sale or exchange, on the last day of the taxable year, of a capital asset.

(2) **Security defined.** For purposes of this paragraph, the term "security" means:

(A) A share of stock in a corporation;

(B) A right to subscribe for, or to receive, a share of stock in a corporation; or

(C) A bond, debenture, note, or certificate, or other evidence of indebtedness, issued by a corporation or by a government or political subdivision thereof, with interest coupons or in registered form.

(3) **Securities in affiliated corporation.** For purposes of paragraph (1), any security in a corporation affiliated with a taxpayer which is a domestic corporation shall not be treated as a capital asset. For purposes of the preceding sentence, a corporation shall be treated as affiliated with the taxpayer only if:

(A) At least 95 percent of each class of its stock is owned directly by the taxpayer, and

(B) More than 90 percent of the aggregate of its gross receipts for all taxable years has been from sources other than royalties, rents (except rents derived from rental from properties to employees of the corporation in the ordinary course of its operating business), dividends, interest (except interest received on deferred purchase price of operating assets sold), annuities, and gains from sales or exchanges of stocks and securities. In

computing gross receipts for purposes of the preceding sentence, gross receipts from sales or exchanges of stock and securities shall be taken into account only to the extent of gains therefrom.

(h) Disaster losses. (1) Notwithstanding the provisions of (a), any loss

(A) attributable to a disaster which occurs during the period following the close of the taxable year and on or before the time prescribed by law for filing the income tax return for the taxable year (determined without regard to any extension of time), and

(B) occurring in an area subsequently determined by the President of the United States to warrant assistance by the Federal Government under section 1855-1855g of Title 42, U.S.C.A., at the election of the taxpayer, may be deducted for the taxable year immediately preceding the taxable year in which the disaster occurred. Such election may be made only if a similar election has been made under the provisions of Section 165(h) of the Internal Revenue Code of 1954, as amended through December 31, (1974) 1976 for federal income tax purposes. Such deduction shall not be in excess of so much of the loss as would have been deductible in the taxable year in which the casualty occurred. If an election is made under this paragraph, the casualty resulting in the loss will be deemed to have occurred in the taxable year for which the deduction is claimed.

(2) The commissioner is authorized to prescribe regulations providing the time and manner of making an election to claim a disaster loss under this clause; provided, however, that such an election relating to a disaster loss occurring during the first three and one-half months of the year 1965 may be made no later than December 31, 1965.

(i) Election. In lieu of the deduction allowed by (a) or (h) any loss not compensated for by insurance or otherwise:

(1) Attributable to storm or other natural causes or fire, may, at the election of the taxpayer, be claimed as a deduction in the taxable year in which said loss is sustained or in the preceding taxable year.

(2) In the event that under the provisions of this paragraph, a taxpayer claims the same disaster loss deduction or a net operating loss deduction resulting from the inclusion of a casualty loss in the calculation of such deduction in different taxable years for state and federal purposes, appropriate modifications shall be allowed or required for taxable years affected in order to prevent duplication or omission of such deduction.

(3) The commissioner is authorized to prescribe regulations providing the time and manner to make an election to claim a

loss under the provisions of this paragraph and for the filing of an amended return or claim for refund.

Sec. 10. Minnesota Statutes 1976, Section 290.09, Subdivision 15, is amended to read:

Subd. 15. [STANDARD DEDUCTION.] In lieu of all deductions provided for in this chapter other than those enumerated in section 290.18, subdivision 2, and in lieu of the credits enumerated in section 290.21, subdivision 3, an individual may claim or be allowed a standard deduction as follows:

(a) If his adjusted gross income is \$10,000 or more, the standard deduction shall be \$1,000.

(b) If his adjusted gross income is less than \$10,000, the standard deduction shall be an amount equal to ten percent thereof; *in the case in which a standard deduction tax table is provided by the commissioner of revenue pursuant to the provisions of section 290.06, subdivision 2, the standard deduction shall be available to individuals with adjusted gross income of less than \$20,000 only through the use of such table.*

In the case of a husband and wife living together, the standard deduction shall not be allowed to either if the net income of one of the spouses is determined without regard to the standard deduction. For the purposes of this paragraph the determination of whether an individual is living with his spouse shall be made as of the last day of the taxable year unless the spouse dies during the taxable year in which case such determination shall be made as of the date of such spouse's death.

(c) *The commissioner of revenue may establish a standard deduction tax table incorporating the rates set forth in section 290.06, subdivision 2c, and the standard deduction. The tax of any individual taxpayer whose adjusted gross income is less than \$20,000 shall, if an election is made not to itemize nonbusiness deductions, be computed in accordance with tables prepared and issued by the commissioner of revenue. The tables shall be prepared to reflect the allowance of the standard deduction and the personal and dependent credits.*

Sec. 11. Minnesota Statutes 1976, Section 290.17, is amended to read:

290.17 [GROSS INCOME, ALLOCATION TO STATE.]  
Subdivision 1. [INCOME OF RESIDENT INDIVIDUALS, ESTATES, AND TRUSTS.] *The gross income of individuals during the period of time when they are residents of Minnesota and the gross income of resident estates and trusts shall be their gross income as defined in section 290.01, subdivision 20.*

*Subd. 2. [OTHER TAXPAYERS.] In the case of taxpayers not subject to the provisions of subdivision 1, items of gross income shall be assigned to this state or other states or countries in accordance with the following principles:*

(1) The entire income of all resident or domestic taxpayers from compensation for labor or personal services, or from a business consisting principally of the performance of personal or professional services, shall be assigned to this state, and the income of nonresident taxpayers from such sources shall be assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources shall be treated as income from sources without this state;

(2) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state. Income and gains received from tangible property not employed in the business of the recipient of such income or gains, and from tangible property employed in the business of such recipient if such business consists principally of the holding of such property and the collection of the income and gains therefrom, shall be assigned to this state if such property has a situs within it, and to other states only if it has no situs in this state. Income or gains from intangible personal property not employed in the business of the recipient of such income or gains, and from intangible personal property employed in the business of such recipient if such business consists principally of the holding of such property and the collection of the income and gains therefrom, wherever held, whether in trust, or otherwise, shall be assigned to this state if the recipient thereof is domiciled within this state; income or gains from intangible personal property wherever held, whether in trust or otherwise shall be assigned to this state if the recipient of such income or gains is domiciled within this state, or if the grantor of any trust is domiciled within this state and such income or gains would be taxable to such grantor under sections 290.28 or 290.29;

(3) Income derived from carrying on a trade or business, including in the case of a business owned by natural persons the income imputable to the owner for his services and the use of his property therein, shall be assigned to this state if the trade or business is conducted wholly within this state, and to other states if conducted wholly without this state. This provision shall not apply to business income subject to the provisions of clause (1);

(4) When a trade or business is carried on partly within and partly without this state, the entire income derived from such trade or business, including income from intangible property employed in such business and including, in the case of a business owned by natural persons, the income imputable to the owner for his services and the use of his property therein, shall

be governed, except as otherwise provided in sections 290.35 and 290.36, by the provisions of section 290.19, notwithstanding any provisions of this section to the contrary. This shall not apply to business income subject to the provisions of clause (1). For the purposes of this clause, a trade or business located in Minnesota is carried on partly within and partly without this state if tangible personal property is sold by such trade or business and delivered or shipped to a purchaser located outside the state of Minnesota.

In determining whether or not intangible property is employed in a unitary business carried on partly within and partly without this state so that income derived therefrom is subject to apportionment under section 290.19 the following rules and guidelines shall apply.

(a) Intangible property is employed in a business if the business entity owning intangible property holds it as a means of furthering the business operation of which a part is located within the territorial confines of this state.

(b) Where a business operation conducted in Minnesota, is owned by a business entity which carries on business activity outside of the state different in kind from that conducted within this state, and such other business is conducted entirely outside the state, it will be presumed that the two business operations are unitary in nature, interrelated, connected and interdependent unless it can be shown to the contrary.

(5) All other items of gross income shall be assigned to the taxpayer's domicile.

*(c) Deductions for losses incurred in connection with income derived from sources outside the state which is included in an individual's gross income pursuant to section 290.17, subdivision 1, may be taken only to the extent of the amount of income derived from sources outside the state in the taxable year during which the loss was incurred.*

Subd. 8. [CLAIMANT.] "Claimant" means a person, *other than a dependent*, who filed a claim authorized by sections 290A.01 to 290A.21 and who was domiciled in this state during the calendar year for which the claim for relief was filed. In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or payments made in lieu of ad valorem taxes are payable (FOR NOT LESS THAN SIX MONTHS OF) *at some time during* the calendar year covered by the claim, except that a claimant who is disabled or who has attained the age of

65 on the date specified in section 290A.04, subdivision 1, may file a claim based on residence in a unit on which ad valorem taxes were not payable. In the case of a part year resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. (MAXIMUM CREDIT ALLOWED UNDER THIS COMPUTATION WOULD BE AT A RATE OF ONE-TWELFTH OF THE MAXIMUM CREDIT ALLOWED PURSUANT TO SECTION 290A.04 PER MONTH OF RESIDENCY COMPUTED TO THE NEAREST FULL MONTH.) When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.

If a homestead is occupied by two or more (UNRELATED) renters, *who are not husband and wife*, the rent shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Sec. 6. Minnesota Statutes 1976, Section 290A.03, Subdivision 11, is amended to read:

Subd. 11. [RENT CONSTITUTING PROPERTY TAXES.] "Rent constituting property taxes" means (20) 22 percent of the gross rent actually paid in cash, or its equivalent, *or that portion of gross rent which is paid in lieu of property taxes*, in (1975) 1977 or any subsequent calendar year by a claimant solely for the right of occupancy of his Minnesota homestead in the calendar year, and which rent constitutes the basis, in the succeeding calendar year of a claim for relief under sections 290A.01 to 290A.21 by the claimant.

Sec. 7. Minnesota Statutes 1976, Section 290A.03, Subdivision 12, is amended to read:

Subd. 12. [GROSS RENT.] "Gross rent" means rental paid solely for the right of occupancy, at arms-length, of a homestead, exclusive of charges for any utilities, services, furniture, *or* furnishings (OR PERSONAL PROPERTY APPLIANCES) furnished by the landlord as a part of the rental agreement, whether expressly set out in the rental agreement or not. If the landlord and tenant have not dealt with each other at arms-length and the commissioner determines that the gross rent charged was excessive, he may adjust the gross rent to a reasonable amount for purposes of sections 290A.01 to 290A.21.

If the landlord does not supply the charges for any utilities, furniture, *or* furnishings (OR PERSONAL PROPERTY APPLIANCES) furnished by him, or if the charges appear to be

incorrect the commissioner may apply a percentage determined from samples of similar gross rents paid solely for the right of occupancy.

Any amount paid by a claimant residing in property assessed pursuant to section 273.133 for occupancy in that property shall be excluded from gross rent for purposes of this chapter. However, property taxes imputed to the homestead of the claimant pursuant to section 273.133 shall be included within the term "property taxes payable" as defined in subdivision 13, notwithstanding the fact that ownership is not in the name of the claimant.

Sec. 8. Minnesota Statutes 1976, Section 290A.03, Subdivision 13, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made pursuant to section 273.13, subdivisions 6 and 7, but after deductions made pursuant to sections 273.132 and 273.135, in (1976) 1977 or any calendar year thereafter. *No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income.* For homesteads which are mobile homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include (20) 22 percent of gross rent paid in the preceding year for the site on which the homestead is located, exclusive of charges for utilities or services. When a homestead is owned by two or more persons as joint tenants or tenants in common, ("PROPERTY TAXES PAYABLE" IS THAT PART OF) *such tenants shall determine between them which tenant may claim the property taxes payable on the homestead (AS REFLECTS THE PERCENTAGE OF OWNERSHIP OF THE CLAIMANT AND SPOUSE).* *If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.* Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable", the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable.

Sec. 9. Minnesota Statutes 1976, Section 290A.04, Subdivision 2, is amended to read:

Subd. 2. The (CREDIT) *refund* shall be paid to claimants whose property taxes payable exceed the following percentages of their income, up to the designated maximum credit amounts:

A claimant who owns his own homestead part of the year and rents part of the year may add his rent constituting property taxes to the qualifying tax on his homestead and receive the additional refund provided in subdivision 2a.*

Sec. 11. Minnesota Statutes 1976, Section 290A.04, is amended by adding a subdivision to read:

*In the case of a claimant who was disabled on June 1 or who attained the age of 65 on the date specified in subdivision 1, the refund shall not be less than the refund which the claimant's household income as defined in section 290A.03 and property tax or rent constituting property tax would have entitled him to receive under Minnesota Statutes 1974 Section 290.0618.*

Sec. 12. Minnesota Statutes 1976, Section 290A.05, is amended to read:

**Subd. 7b.** For the (1976-1977) 1978-1979 school year a district shall receive in foundation aid (THE LESSER OF (1) \$960) \$1,090 per pupil unit less (29) 28 mills times the (1974) 1976 adjusted assessed valuation of the district, (OR (2) THE AMOUNT THAT BEARS THE SAME RELATION TO THE DIFFERENCE IN (1) AS THE SUM OF THE GREATER SUM COMPUTED PURSUANT TO SUBDIVISION 6B, CLAUSE (2), AND THE GREATER OF (A) TWO-THIRDS OF THE DIFFERENCE THAT RESULTS WHEN SUCH GREATER SUM IS SUBTRACTED FROM \$960, OR (B) \$60, BEARS TO \$960) plus the amount of the agricultural tax credit by which 1977 payable 1978 property taxes in the district are reduced pursuant to section 273.132.

**Sec. 2.** Minnesota Statutes 1976, Section 124.212, Subdivision 10, is amended to read:

**Subd. 10. (a)** The equalization aid review committee, consisting of the commissioner of education, the commissioner of

administration, and the commissioner of revenue, is hereby continued and permanently established. The duty of this committee shall be to review the assessed valuation of the districts of the state. When such reviews disclose reasonable evidence that the assessed valuation of any district furnished by any county auditor is not based upon the market value of taxable property in such district, then said committee shall call upon the department of revenue to ascertain the market value of such property, and adjust such values as required by law to determine the adjusted assessed valuation. The department of revenue shall take such steps as (IT MAY CONSIDER) are necessary in the performance of that duty and may incur such expense as is necessary therefor. The commissioner of revenue is authorized to reimburse any county or governmental official for services performed at his request in ascertaining such adjusted valuation. On or before March 15, annually, the department of revenue shall submit its report on the assessed values established by the previous year's assessment to said committee for approval or rejection and, if approved, such report shall be filed not later than the following July 1 with the commissioner of education and each county auditor for those school districts for which he has the responsibility for determination of mill rates. A copy of the adjusted assessed value so filed shall be forthwith mailed to the clerk of each district involved and to the county assessor or supervisor of assessments of the county or counties in which such district is located.

*(b) For purposes of determining the adjusted assessed value of agricultural lands for the calculation of 1977 adjusted assessed values and thereafter, the market value of agricultural lands shall be the arithmetic average of (1) the price for which the property would sell in an arms length transaction, and (2) the income which could be derived from its free market gross rental rate capitalized at a rate of nine percent.*

Sec. 3. Minnesota Statutes 1976, Section 256.82, is amended to read:

256.82 [PAYMENTS BY STATE.] Based upon estimates submitted by the county agency to the state agency, which shall state the estimated required expenditures for the succeeding month, upon the direction of the state agency payment shall be made monthly in advance by the state to the counties of all federal funds available for that purpose for such succeeding month, together with an amount of state funds equal to (50) 60 percent of the difference between the total estimated cost and the federal funds so available. Adjustment of any overestimate or underestimate made by any county shall be made upon the direction of the state agency in any succeeding month.

Sec. 4. Minnesota Statutes 1976, Section 273.111, Subdivision 4, is amended to read:

The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 8, be determined solely with reference to its appropriate agricultural classification and value notwithstanding sections 272.03, subdivision 8 and 273.11. In determining such value for ad valorem tax purposes the assessor shall not consider any added values resulting from nonagricultural factors. (HOWEVER, AGRICULTURAL LAND WHICH THE ASSESSOR MAY DETERMINE TO BE ADAPTABLE FOR DEVELOPMENT AND WHICH ABUTS A LAKESHORE LINE SHALL NOT QUALIFY UNDER THE PROVISIONS OF LAWS 1969, CHAPTER 1039 FOR A DISTANCE WITHIN 20 RODS OF THE SHORELINE.)

Sec. 5. Minnesota Statutes 1976, Section 273.13, Subdivision 4, is amended to read:

For this purpose, property is devoted to commercial use on a specific day if it is used, or offered for use, and a fee is charged for such use.

(b) *For taxes assessed in 1977, payable in 1978, agricultural land and real property devoted to temporary and seasonal residential occupancy for recreation purposes which is classified as class 3 shall be assessed at 31 percent of its market value, and for taxes assessed in 1978, payable in 1979 and thereafter, it shall be assessed at 30 percent of its market value.*

tax; provided that the amount of said reduction shall not exceed \$325. If the market value is in excess of the sum of the homestead base value, the amount in excess of that sum shall be valued and assessed at (40) 36 percent of market value in 1977, for taxes payable in 1978, and at 33 1/3 percent thereafter. The first \$12,000 market value of each tract of such real estate used for the purposes of a homestead shall be exempt from taxation for state purposes; except as specifically provided otherwise by law. (ALL) *Class 3cc property shall include only* real estate which is used for the purposes of a homestead by (a) any blind person, if such blind person is the owner thereof or if such blind person and his or her spouse are the sole owners thereof; or (BY) (b) any person (hereinafter referred to as veteran) who: (1) served in the active military or naval service of the United States and (WHO) (2) is entitled to compensation under the laws and regulations of the United States for permanent and total service-connected disability due to the loss, or loss of use, by reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both lower extremities, such as to preclude motion without the aid of braces, crutches, canes, or a wheel chair, and (WHO) (3) with assistance by the administration of veterans affairs has acquired a special housing unit with special fixtures or movable facilities made necessary by the nature of the veteran's disability; or (BY) (c) any person who: (1) is permanently and totally disabled and (WHO) (2) is receiving (i) aid from any state as a result of that disability, or (WHO IS RECEIVING) (ii) supplemental security income for the disabled, or (WHO IS RECEIVING) (iii) worker's compensation based on a finding of total and permanent disability, or (WHO IS RECEIVING) (iv) social security disability, or (WHO IS RECEIVING) (v) aid under the federal railroad retirement act of 1937, 45 United States Code Annotated, Section 228b(a)5; which aid is at least 90 percent of the total income of such disabled person from all sources (, SHALL CONSTITUTE). *Class 3cc (AND) property shall be valued and assessed at five percent of the market value thereof. The question may designate a specific number of years for which the referendum authorization shall apply.* If approved, the amount provided by the approved millage applied to each year's (ASSESSED) taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked by the voters of the district at a subsequent referendum (, WHICH).

(b) *A referendum on the question of revoking the increased levy amount authorized pursuant to clause (a) of this clause may be called by the school board and (WHICH) shall be called by the school board upon the written petition of qualified voters of the district (UNLESS THE PETITION FOR REVOCATION IS SUBMITTED IN THE SAME YEAR IN WHICH A LEVY HAS BEEN INCREASED BY THE VOTERS PURSUANT TO THIS CLAUSE). The amount approved by the voters of the district pursuant to clause (a) of this clause must be levied at least once before it is subject to a referendum on its revocation for subsequent years. Only one such revocation election may be held to revoke a levy for any specific year and for years thereafter.*

(c) A petition authorized by clauses (a) or (b) of this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or 10 percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board (UNLESS THE PETITION FOR REVOCATION IS SUBMITTED IN THE SAME YEAR IN WHICH A LEVY HAS BEEN INCREASED BY THE VOTERS PURSUANT TO THIS CLAUSE).

(d) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(e) *Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.*

278.05 [TRIAL OF ISSUES.] Such petition, without any answer, return, or other pleading thereto, shall stand for trial at any general term in session when the same is filed; or, if the court be not then in session, at the next general or special term appointed to be held in the county; and, if no such term be appointed to be held within 30 days thereafter, the same shall be brought to trial at any general term appointed to be held within the judicial district upon ten days notice. The attorney of the county in which these taxes are levied shall take charge of and prosecute such proceedings, but the county board may employ any other attorney to assist him. At the term at which such petition comes on for trial it shall take precedence of all other business before the court. The court shall without delay summarily hear and determine the claims, objections, or defenses made by the petition and shall direct judgment accordingly, and the trial thereof shall disregard all technicalities and matters of form not affecting the substantial merits.

If, within ten days thereafter, the petitioner, or his attorney, shall give notice in writing to the county attorney that the offer is accepted, he may file same with proof of such notice, and thereupon the clerk shall enter judgment accordingly. Otherwise, the offer shall be deemed

withdrawn and evidence thereof shall not be given; and, if a lower valuation than specified in the offer be not found by the court, no costs or disbursements shall be allowed to the petitioner, but the costs and disbursements of the state, including interest at six percent on the tax based on the amount of such offer from and after the first day of November of the year such taxes are payable, shall be taxed in its favor and included in the judgment and when collected shall be credited to the county revenue fund, unless the taxes were paid in full before the first day of November of the year in which such taxes were payable, in which event interest shall not be taxable.

Sec. 10. Minnesota Statutes 1976, Section 287.241, Subdivision 2, is amended to read:

THE EMERGENCY SERVICES DIVISION OF THE STATE DEPARTMENT OF PUBLIC SAFETY SHALL FORMULATE STANDARDS BY WHICH AN OCCURRENCE OF ANY OF THE AFOREMENTIONED NATURAL PHENOMENA WOULD BE DEEMED A NATURAL DISASTER BY REASON OF THE LEVEL OF DAMAGE, INJURY OR LOSS OF LIFE OR PROPERTY THAT HAS OCCURRED OR WOULD OCCUR IF PREVENTATIVE ACTION WAS NOT TAKEN;)

((I) (d) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law;

((J)) (e) pay the costs of principal and interest on bonded indebtedness, or, effective for taxes levied in 1973 and years thereafter, to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

((K)) (f) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency;

((L)) (g) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

((M)) (h) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

((N)) (i) pay the amounts required to compensate for a decrease in revenues from public service enterprises, municipal liquor stores, licenses, permits, fines and forfeits and no other, to the extent that the aggregate of revenues from these sources in the calendar year preceding the year of levy are less than the aggregate of revenues from these sources in calendar year 1971. "Revenues" from a public service enterprise or a municipal liquor store shall mean the net income or loss of such public service enterprise or municipal liquor store, determined by subtracting total expenses from total revenues, and before any contribution to or from the governmental subdivision. "Fines" for a municipal court means the net amount remaining after subtracting total municipal court expenses from total collections of municipal court fines. A governmental subdivision shall qualify for this special levy only if the decrease in aggregate revenues as computed herein and divided by the population of the governmental subdivision in the preceding levy year is equal to or greater than two percent of the per capita levy limitation for the preceding levy year;

((O)) (j) pay the amounts required to compensate for a decrease in mobile homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 273.13, subdivision 3, as amended, is less than the distribution of the mobile homes tax to the governmental subdivision pursuant to section 273.13, subdivision 3, in calendar year 1971;

((Q)) (k) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omis-

sion in levy year 1971 or a subsequent levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

((R)) (l) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in levy year 1971 or a subsequent levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

((S)) (m) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal board in levy year 1971 or a subsequent levy year, but only to the extent and for the levy years as provided by the board in its order pursuant to section 414.01, subdivision 15. Special levies authorized by the board shall not exceed 50 percent of the levy limit base of the governmental subdivision and may not be in effect for more than three years after the board's order;

((T)) (n) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows. The governmental subdivision may calculate the aggregate of:

(1) The increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) The amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value of private industrial and nonresidential commercial development within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth levy year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate par-

cels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and non-residential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy" for the increased costs of municipal services provided to new private industrial and non-residential commercial development. *In the levy year following the levy year in which the special levy made pursuant to this clause is discontinued, one half of the amount of that special levy made in the preceding year shall be added to the permanent levy base of the governmental subdivision;*

((U)) (o) recover a loss or refunds in tax receipts incurred in non-special levy funds resulting from abatements or court action in the previous year pursuant to section 275.48;

(p) *pay amounts required by law to the paid to reduce unfunded accrued liability of public pension funds, including interest thereon, in accordance with the actuarial standards and guidelines specified in sections 69.71 to 69.776 and 356.215 reduced for levy year 1977 and subsequent years by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds.*

Sec. 2. Minnesota Statutes 1976, Section 275.51, is amended by adding a subdivision to read:

*Subd. 3d. The property tax levy limitation for governmental subdivisions in 1977 payable in 1978 and subsequent years shall be calculated as follows:*

(a) *The sum of the following amounts shall be computed:*

(1) *the property tax permitted to be levied in 1976 payable 1977 computed pursuant to Minnesota Statutes 1976, Section 275.51, Subdivision 3c, plus*

(2) *the amount of any state aids the governmental subdivision was entitled to receive in calendar year 1977 pursuant to sections 477A.01; 298.26; 298.28, subdivisions 1 and 1a; 298.281, subdivision 1; 298.282; and 294.26, plus*

(3) *the amount levied in 1976 payable 1977 pursuant to Minnesota Statutes 1976, Section 275.50, Subdivision 5, clauses (a), (c), (d), and (e), except for levies made to pay tort judgments and make settlements of tort claims or to pay the salaries and benefits of municipal and probate court judges, plus*

(4) *one half of the amount of the special levy authorized under section 275.50, subdivision 5, clause (n) shall be added to the permanent levy limit base of the governmental subdivision in the year following the year in which it has been discontinued as a special levy pursuant to the provisions of section 275.50, subdivision 5, clause (n).*

(b) *The sum computed in clause (a) shall be increased annually in the manner provided in section 275.52 to derive the levy limit base for successive years.*

(c) *For taxes levied in 1978 payable 1979 and subsequent years, the levy limit base is the levy limit base which was computed for the immediately preceding year under the provisions of this section increased according to the provisions of section 275.52. Any amount levied in 1976 payable 1977 under the provisions of section 275.50, subdivision 5, clauses (a), (c), (d) or (e) to meet the costs of programs, services or legal requirements which cease to exist in a subsequent year shall be subtracted from the levy limit base in the year in which the programs, services or legal requirements for which the levy was made cease to exist.*

(d) *The levy limit base shall be reduced by the total amount of state formula aids pursuant to section 477A.01 and taconite taxes and aids pursuant to sections 294.26; 298.26; 298.28, subdivision 1; and 298.282, to be paid in the calendar year in which property taxes are payable. The resulting figure is the amount of property taxes which a governmental subdivision may levy for all purposes other than those for which special levies and special assessments are made.*

Sec. 3. Minnesota Statutes 1976, Section 275.52, Subdivision 2, is amended to read:

Subd. 2. The levy limit base (PER CAPITA), as adjusted for previous increases pursuant to this section, may be increased each year by the governing body of the governmental subdivision affected thereby in the amount not to exceed (OF) six percent the previous year's levy limit base (PER CAPITA).

Sec. 4. Minnesota Statutes 1976, Section 275.52, Subdivision 3, is amended to read:

Subd. 3. If the population of any governmental subdivision (DECREASES) increases from one year to the next, the cur-

rent (LEVY) year's (POPULATION) *levy limit base* shall, for purposes of sections 275.50 to 275.56, be increased by an amount equal to (ONE-HALF OF THE DECREASE IN POPULATION FROM THE PRIOR LEVY YEAR, SUCH INCREASE TO BE EFFECTIVE FOR THE SAID ONE LEVY YEAR ONLY) *the levy limit base per capita for the previous year increased pursuant to subdivision 2 times the current year's population.*

Sec. 5. Minnesota Statutes 1976, Section 275.52, Subdivision 4, is amended to read:

Subd. 4. (FOR TAXES LEVIED IN 1975 PAYABLE IN 1976 AND SUBSEQUENT YEARS) The levy limit base of a governmental subdivision may be increased upon approval by the levy limit review board established in section 275.551, for the following reasons:

(a) Any governmental subdivision which spent money from its surplus funds for nonspecial levy purposes in calendar year 1971 may have its levy limit base increased by an amount not to exceed the amount of revenue it used from surplus funds for nonspecial levy purposes in calendar year 1971.

(b) Any governmental subdivision which has been required to provide new services because of changes in state law, whether or not the changed law directly mandates new services, may have its levy limit base increased by an amount not to exceed the amount required to finance the services, provided that the services may not be financed by special levies or special assessments.

(c) Any governmental subdivision which has been required to provide new or expanded services because of annexations, consolidations, mergers or new incorporations since 1970 may have its levy limit base increased by an amount not to exceed the amount required to finance the general operating costs involved in such services.

(d) *Any city or township having statutory city powers which has a levy limit base per capita that is below 80 percent of the arithmetic average of the levy limit bases per capita for cities and townships having statutory city powers in the same county may have its levy limit base increased by an amount not to exceed the amount required to bring its levy limit base per capita up to 80 percent of the arithmetic average of levy limit bases per capita for all cities and townships having statutory city powers in the county which are governed by the provisions of sections 275.50 to 275.59. On or before July 1 of 1977 and each subsequent year, the commissioner of revenue shall certify the average levy limit base per capita for each county for purposes of this clause. Provided that if a city or township having statutory powers has received a levy limit base adjustment from the levy limit review*

*board prior to June 1, 1977, that city or township may also qualify for a base adjustment in accordance with this clause.*

Any governmental subdivision which desires to have its levy limit base adjusted under the provisions of this subdivision shall apply to the commissioner of revenue, who shall submit all applications to the levy limit review board established in section 275.551. Applications shall be in the form and accompanied by the data required by the levy limit review board. Adjustments authorized by the levy limit review board shall become a permanent part of the levy limit base for the governmental subdivision. The levy limit review board may authorize only one levy limit base adjustment for any governmental subdivision under this subdivision.

Sec. 6. Minnesota Statutes 1976, Section 275.52, is amended by adding a subdivision to read:

*Subd. 5. For taxes levied in 1977 payable in 1978 or for taxes levied in 1978 payable in 1979 a city other than a city of the first class, town, or county not containing a city of the first class which, in the preceding levy year, levied at least 98 percent of its total limited levy amount, may determine to levy in excess of the limitation provided in sections 275.50 to 275.56 by not to exceed 10 percent of its levy limit base by passing a resolution setting forth the amount by which the levy limit is proposed to be exceeded. The resolution shall be published for four successive weeks in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation therein, together with a notice fixing a date for a public hearing on the proposed increase which hearing shall be held not less than four weeks nor more than six weeks after the first publication of the resolution. Following the public hearing, the governing body may determine to take no further action, or in the alternative, adopt a resolution authorizing the levy as originally proposed, or adopt a resolution approving a levy in such lesser amount as it so determines. The resolution shall be published in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation therein. If within 30 days thereafter, a petition signed by voters equal in number to five percent of the votes cast in the governmental subdivision in the last general election or 2,000 voters, whichever is less, requesting a referendum on the proposed resolution is filed with the clerk or recorder of the governmental subdivision if the governmental subdivision is a city or town, or with the county auditor if the governmental subdivision is a county, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at any such referendum. A levy increased pursuant to this subdivision, whether not challenged or approved at a referendum held at a*

*special or general election held prior to October 1 in any levy year, increases the allowable levy in that same levy year and provides a permanent adjustment to the levy limit base of the governmental subdivision for future levy years. There shall be no reduction in distributions of formula aids to the governmental subdivision as a result of the additional levy.*

Sec. 7. [REPEALER.] *Minnesota Statutes 1976, Section 275.51, Subdivisions 3b and 3c are repealed.*

Sec. 8. *Section 6 is effective the day following final enactment.*

## ARTICLE VI

Section 1. *Minnesota Statutes 1976, Section 275.53, Subdivision 1, is amended to read:*

**275.53 [GOVERNING CENSUS.]** Subdivision 1. For the purpose of determining the amount of tax that a governmental subdivision may levy in accordance with a per capita limitation established by this chapter *or the amount of aid that a city or township may receive pursuant to section 477A.01*, the population of the governmental subdivision shall be that established by the last state or federal census, or by a special census taken within the entire governmental subdivision pursuant to sections 275.50 to 275.56 or to any other law, by a census taken pursuant to subdivision 2, or by a population estimate made by the metropolitan council, by an order of the Minnesota municipal board pursuant to section 414.01, subdivision 14, or by an estimate made pursuant to subdivision 3, whichever is the most recent as to the stated date of count or estimate, up to and including October 1 of the current levy year. Population changes established after October 1 of the current levy year shall not be used in determining the levy limitation of a governmental subdivision for the current levy year under sections 275.50 to 275.56.

Sec. 2. *Minnesota Statutes 1976, Section 275.53, Subdivision 3, is amended to read:*

Subd. 3. (a) In lieu of passing a resolution pursuant to subdivision 2, the governing body of a governmental subdivision may pass by June 1 of any year a resolution containing an estimate of the current population of the subdivision. The resolution shall describe the criteria upon which the estimate is based, and shall state that the estimate is made for purposes of increasing that subdivision's tax levy pursuant to sections 275.50 to 275.56 *or local government aids pursuant to section 477A.01*. The resolution shall be in the form and accompanied by the data required by the state planning agency.

(b) The resolution shall then be submitted to the state planning agency. The agency shall determine, and inform the sub-

division in writing within 30 days of receipt of the resolution, whether the criteria and process described therein do or do not provide a reasonable basis for the population estimate. The estimate prepared by the subdivision shall be reviewed by the state planning agency with reference to county population estimates prepared by the state demographer. The state demographer's county population estimates will be used as a county control.

(c) If the agency determines that the criteria and process used by the subdivision do not provide a reasonable basis for the population estimate, the resolution shall be of no effect. If the agency determines that the criteria do provide a reasonable basis for the population estimate, the resolution shall be published at least once in a legal newspaper of general circulation in said subdivision. Said estimate may be used for computing the amount of ad valorem taxes the subdivision may levy, unless within 30 days following the publication of the resolution, 10 percent or more of the registered voters of the subdivision, or if the subdivision does not require voter registration, then 10 percent or more of its voters, who voted at the subdivision's last election, sign a petition demanding a special census, and submit the petition to the governing body of the subdivision.

(d) Attached to the petition shall be an affidavit executed by the circulator or circulators thereof, stating that he or they personally circulated the petition, the number of signatures thereon, that all signatures were affixed in his or their presence and that he or they believe them to be genuine signatures of the persons whose names they purport to be. Each signature need not be notarized.

(e) Upon the receipt of a petition conforming to this subdivision, the governing body shall pass a resolution requesting the secretary of state to take a special census of the governmental subdivision. The census shall be taken and financed pursuant to the provisions of subdivision 2. Any population estimate made by the governing body of any governmental subdivision shall be superseded by any subsequent state or federal census taken pursuant to sections 275.50 to 275.56 or any other law, or by a population estimate made by the metropolitan council or the state demographer. The governing body of a governmental subdivision may not avail itself of the provisions of this subdivision during any year for which any state or federal census has been taken or for which the metropolitan council has made a population estimate of the subdivision.

Sec. 3. Minnesota Statutes 1976, Section 275.59, is amended to read:

275.59 [GOVERNMENTAL SUBDIVISIONS UNDER 2,500 POPULATION; EXEMPTION FROM LEVY LIMITS.] Commencing with levy year 1975 and thereafter, taxes payable in 1976 and thereafter, the provisions of sections 275.50 to 275.52

and 275.54 to 275.56 shall not apply to any city, statutory city or town with statutory city powers whose population according to the latest state or federal census is under 2,500.

Sec. 4. Minnesota Statutes 1976, Section 477A.01, Subdivision 1, is amended to read:

477A.01 [LOCAL GOVERNMENT AID.] Subdivision 1. Sec. 5. Minnesota Statutes 1976, Section 477A.01, Subdivision 2, is amended to read:

Subd. 2. Every county government except that of a county containing a city of the first class shall receive a distribution equal to the distribution it was entitled to receive in (1975) *the preceding year* pursuant to Minnesota Statutes 1974, Section 477A.01.

Sec. 6. Minnesota Statutes 1976, Section 477A.01, Subdivision 4, is amended to read:

Subd. 4. The balance of the distributions in (1976) 1978 pursuant to subdivision 1, shall be divided among the several cities and towns in the county's territory in the proportion that the product of the city or town's 1970 federal census population *or the average of the city's or town's 1970 federal census population and its current population as determined under the provisions of section 275.53, whichever is greater;* times

(a) *In the case of a city or town outside the metropolitan area as defined in section 473.121, subdivision 2, or a city other than a city of the first class or town inside the metropolitan area, the sum of its average city or town mill rate for the three immediately preceding years divided by three; or*

(b) *In the case of a first class city located within the metropolitan area, the sum of (i) 60 percent of the dollar amount of its levy limitation and its special levies plus (ii) 40 percent of the dollar amount of its actual levy, divided by its taxable value adjusted for the contributions and distribution required by chap-*

ter 473F, for each of the three immediately preceding years divided by three, times its city or town (1974) 1976 aggregate sales ratio as determined by the commissioner of revenue bears to the sum of the product of that calculation for all cities and towns in the territory.

The balance of the distributions in (1977) 1979 pursuant to subdivision 1 shall be divided among the several cities and towns in the county's territory in the proportion that the product of the city or town's 1970 federal census population or the average of the city's or town's 1970 federal census population and its current population as determined under the provisions of section 275.53, whichever is greater; times

(a) In the case of a city or town outside the metropolitan area as defined in section 473.121, subdivision 2, or a city other than a city of the first class or town inside the metropolitan area, the sum of its average city or town mill rate for the three immediately preceding years divided by three; or

Sec. 7. Minnesota Statutes 1976, Section 477A.01, Subdivision 4a, is amended to read:

Subd. 4a. If the amount distributed to a city or town pursuant to subdivision 4 is less than the aids the city or town (RECEIVED) was entitled to receive in (1975) the preceding year, before corrections for prior year aid payments, pursuant to Minnesota Statutes 1974, Section 477A.01, the amount distributed to it shall be raised to the amount the city or town (RECEIVED) was entitled to receive in (1975) the preceding year, before corrections for prior year aid payments, and the distributions to the other cities and towns within the county's territory shall be proportionately reduced as necessary to supply the difference.

Sec. 8. Minnesota Statutes 1976, Section 477A.01, Subdivision 4b, is amended to read:

Subd. 4b. The commissioner of revenue shall make all necessary calculations and make payments directly to the affected taxing authorities in four (EQUAL PARTS) installments on March 15, July 15, September 15, and November 15 (IN 1976 AND 1977) annually.

Sec. 9. Minnesota Statutes 1976, Section 477A.01, is amended by adding a subdivision to read:

*Subd. 4c. For the purpose of the distributions based on populations provided in subdivisions 1 and 4, cities and towns having boundary changes resulting from Minnesota municipal board orders shall have their population counts modified to reflect such changes. The modified population counts shall be included in all Minnesota municipal board orders, a copy of which shall be forwarded to the commissioner of revenue.*

Sec. 10. Minnesota Statutes 1976, Section 477A.01, is amended by adding a subdivision to read:

*Subd. 4c. A taxing authority may object to the commissioner of revenue with respect to the amount of the distribution which it has been certified to receive pursuant to subdivision 4b. No objection raised after July 1, 1977 shall be raised later than 60 days after the taxing authority has received notice from the commissioner of the amount which it has been certified to receive.*

Sec. 11. Minnesota Statutes 1976, Section 477A.01, is amended by adding a subdivision to read:

*Subd. 4d. If, due to an error in the factors used to calculate a taxing authority's aid pursuant to subdivision 4, the amount indicated in the certification of the commissioner to the taxing authority for a year is less than the amount to which it is entitled pursuant to this section, the commissioner of revenue shall additionally distribute the amount necessary to make the full correct distribution to the taxing authority. The additional distribution shall be paid from the general fund and shall not diminish the distributions made to other taxing authorities under this section.*

Sec. 12. Minnesota Statutes 1976, Section 477A.03, is amended to read:

*purposes of this section. Any two or more cities or towns which enter into an agreement pursuant to Minnesota Statutes, Section 471.59, for the assessment of property in the contracting units, shall for purposes of this section be a single assessment district. The balance of each county, including any city or town which contracts with the county for assessment of property therein, shall be deemed a single assessment district for purposes of this section.*

*The coefficient of dispersion shall be determined by the equalization aid review committee of the department of revenue. The coefficient of dispersion shall be determined on the assessor's market value before the limitation provided in Minnesota Statutes, Section 273.11, Subdivision 2. The population shall be the number of persons residing in the assessment district according to the 1970 federal census.*

*Subd. 2. Beginning in calendar year 1980 and subsequent years, an assessment district shall be penalized according to the following schedule:*

*(a) \$1 per capita if the coefficient of dispersion in assessments for the preceding year is more than 10 percent but less than 12.5 percent;*

*(c) \$5 per capita if the coefficient of dispersion in assessments for the preceding year is greater than 15 percent.*

*Subd. 3. The amount of penalty resulting from this section shall be deducted from the local government aid payments provided in section 477A.01.*

*Sec. 14. [EFFECTIVE DATE.] Section 10 is effective for objections to certifications made after June 1, 1977. Section 11 is effective for adjustments made after April 1, 1977. Section 13 is effective the day following final enactment.*

## ARTICLE VII

**Section 1.** Minnesota Statutes 1976, Chapter 290, is amended by adding a section to read:

**[290.067] [DEPENDENT CARE CREDIT.]** *Subdivision 1. [AMOUNT OF CREDIT.] A taxpayer may take as a credit against the tax due from him and his spouse, if any, under chapter 290 an amount equal to 50 percent of the dependent care credit for which he is eligible pursuant to the provisions of section 44A of the Internal Revenue Code of 1954, as amended*

through December 31, 1976, subject to the limitations provided in subdivision 2.

*Subd. 2. [LIMITATIONS.] The credit for expenses incurred for the care of each dependent shall not exceed \$150 in any taxable year, and the total credit for all dependents of a claimant shall not exceed \$300 in a taxable year. The total credit shall be reduced by five percent of the amount by which the combined federal adjusted gross income of the claimant and his spouse, if any, exceeds \$12,000. A married claimant shall file his income tax return for the year for which he claims the credit either jointly or separately on one form with his spouse. In the case of a married claimant only one spouse may claim the credit. No expense for which a medical expense deduction is claimed pursuant to section 290.09, subdivision 10, shall be claimed as a dependent care expense.*

*Subd. 3. [CREDIT TO BE REFUNDABLE.] If the amount of credit which a claimant would be eligible to receive pursuant to this subdivision exceeds his tax liability under Minnesota Statutes, Chapter 290, the excess amount of the credit shall be refunded to the claimant by the commissioner of revenue.*

*Subd. 4. [RIGHT TO FILE CLAIM.] The right to file a claim under this section shall be personal to the claimant and shall not survive his death, but such right may be exercised on behalf of a claimant by his legal guardian or attorney-in-fact. When a claimant dies after having filed a timely claim the amount thereof shall be disbursed to another member of the household as determined by the commissioner of revenue. If the claimant was the only member of his household, the claim may be paid to his personal representative, but if neither is appointed and qualified within two years of the filing of the claim, the amount of the claim shall escheat to the state.*

*Sec. 2. [APPROPRIATION.] A sum sufficient to pay the claims for credit to be given pursuant to section 1 shall be appropriated annually to the commissioner of revenue from the general fund in the state treasury.*

(f) This subdivision of *Laws 1975, Chapter 437, Article XI, Section 2* is effective on June 7, 1975. The \$2,500,000 in funds appropriated pursuant to this subdivision are available as of July 1, 1975. *The additional amount of \$1,750,000 appropriated pursuant to this subdivision shall be available July 1, 1977.*

(g) *The additional \$1,750,000 appropriated by this subdivision shall be repaid to the general fund from proceeds of the tax imposed by section 11.*

Sec. 13. Minnesota Statutes 1976, Section 298.25, is amended to read:

298.25 [TAXES ADDITIONAL TO OTHER TAXES.] The taxes imposed under (SECTIONS) *section* 298.24 (AND 298.241) shall be in addition to the occupation tax imposed upon the business of mining and producing iron ore and in addition to the royalty tax imposed upon royalties received for permission to mine and produce iron ore. Except as herein otherwise provided, such taxes shall be in lieu of all other taxes upon such taconite and iron sulphides, or the lands in which they are contained, or upon the mining or quarrying thereof, or the production of concentrate therefrom, or upon the concentrate produced, or upon the machinery, equipment, tools, supplies and buildings used in such mining, quarrying or production, or upon the lands occupied by, or used in connection with, such mining, quarrying or production facilities. If electric or steam power for the mining, transportation or concentration of such taconite or the concentrates produced therefrom is generated in plants principally devoted to the generation of power for such purposes, the plants in which such power is generated and all machinery, equipment, tools, supplies, transmission and distribution lines used in the generation and distribution of such power, shall be considered to be machinery, equipment, tools, supplies and buildings used in the mining, quarrying or production of taconite and taconite concentrates within the meaning of this section. If part of the power generated in such a plant is used for purposes other than the mining or concentration of taconite or the transportation or loading of taconite or the concentrates thereof, a proportionate share of the value of such generating facilities, equal to the proportion that the power used for such other purpose bears to the generating capacity of the plant, shall be subject to the general property tax in the same manner as other property; provided, power generated in such a plant and exchanged for an equivalent amount of power which is used for the mining, transportation or concentration of such taconite or concentrates produced therefrom, shall be considered as used for such purposes within the meaning of this section. Nothing herein shall prevent the assessment and taxation of the surface of reserve land containing taconite and not occupied by such facilities or used in connection therewith at the value thereof without regard to the taconite or iron sulphides therein, nor the assessment and taxation of merchantable iron ore or other minerals, or iron-bearing materials other than taconite or iron sulphides in such lands in the manner provided by law, nor the assessment and taxation of facilities used in producing sulphur or sulphur products from iron sulphide concentrates, or in refining such sulphur products, under the general property tax laws. Nothing herein shall except from general taxation or from taxation as provided by other laws any property used for residential or townsite purposes, including utility services thereto.

Sec. 14. Minnesota Statutes 1976, Section 298.26, is amended to read:

298.26 [TAX ON UNMINED IRON ORE OR IRON SULPHIDES.] In any year in which at least 1,000 tons of iron ore

concentrate is not produced from any 40-acre tract or governmental lot containing taconite or iron sulphides, a tax may be assessed upon the taconite or iron sulphides therein at the mill rate prevailing in the taxing district and spread against the assessed value of the taconite or iron sulphides, such assessed value to be determined in accordance with existing laws. The amount of the tax spread under authority of this section by reason of the taconite and iron sulphides in any tract of land shall not exceed (\$1) \$10 per acre.

Sec. 15. Minnesota Statutes 1976, Section 298.27, is amended to read:

298.27 [COLLECTION AND PAYMENT OF TAX.] The taxes provided by (SECTIONS) *section* 298.24 (, 298.241, AND 298.243) shall be collected and paid in the same manner as provided by law for the payment of the occupation tax, except that the report required by section 298.05 shall be filed on or before February 15 together with a remittance equal to 90 percent of the estimated tax required to be paid hereunder on or before April 15. On or before February 25, the commissioner of revenue shall make distribution of such estimated payment in the manner provided by (SECTIONS) *section* 298.28 (AND 298.244). The commissioner of revenue shall determine the amount of tax due on or before March 15. The tax found to be due shall be paid on or before April 15 following the production year. Reports shall be made and hearings held upon the determination of the tax in accordance with procedures established by the commissioner of revenue. The commissioner of revenue shall have authority to make reasonable regulations as to the form and manner of filing reports necessary for the determination of the tax hereunder, and by such regulations may require the production of such information as may be reasonably necessary or convenient for the determination and apportionment of the tax. All the provisions of the occupation tax law with reference to the assessment, determination, and collection of the occupation tax, including all provisions for appeals from or review of the orders of the commissioner of revenue relative thereto, are hereby made applicable to the taxes imposed by (SECTIONS) *section* 298.24 (, 298.241, AND 298.243,) except in so far as inconsistent herewith. If any person subject to (SECTIONS) *section* 298.24 (, 298.241, AND 298.243) shall fail to make the report provided for in this section at the time and in the manner herein provided, the commissioner of revenue shall in such case, upon such information as he may possess or obtain, ascertain the kind and amount of ore mined or produced and thereon find and determine the amount of the tax due from such person. There shall be added to the amount of tax due a penalty for failure to report on or before February 15, which penalty shall equal ten percent of the tax imposed and be treated as a part thereof.

If any person required to make an estimated tax payment at the time and in the manner herein provided, and fails to do so,

there shall be imposed a penalty equal to ten percent of the amount so due, which penalty shall be treated as part of the tax due.

In the case of any underpayment of the estimated tax payment required herein, there may be added and be treated as part of the tax due a penalty equal to ten percent of the amount so underpaid.

If any portion of the (TAX) *taxes* provided for in (SECTIONS) *section 298.24* (, 298.241, AND 298.243) is not paid before the fifteenth day of April of the year in which due and payable, a penalty of ten percent of such unpaid portion shall immediately accrue, and thereafter one percent per month shall be added to such tax and penalty while such tax remains unpaid.

Sec. 16. Minnesota Statutes 1976, Section 298.28, Subdivision 1, is amended to read:

298.28 [DIVISION OF PROCEEDS.] Subdivision 1. The proceeds of the (TAX) *taxes* collected under section 298.24, *except the tax collected under section 298.24, subdivision 2*, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) *2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or town (TO THE VARIOUS TAXING DISTRICTS) in which the lands from which taconite was mined or quarried were located (IN THE FOLLOWING MANNER AND PROPORTIONS: 11 1/2 PERCENT THEREOF TO THE CITY OR TOWN; 27 PERCENT THEREOF TO THE SCHOOL DISTRICT; 11 1/2 PERCENT THEREOF TO THE COUNTY; THREE PERCENT THEREOF TO THE STATE AND 47 PERCENT THEREOF, LESS ANY AMOUNT REQUIRED TO BE DISTRIBUTED UNDER SUBDIVISION 1A TO THE TACONITE PROPERTY TAX RELIEF ACCOUNT IN THE APPORTIONMENT FUND IN THE STATE TREASURY) or within which the concentrate was produced.* If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions (AS PROVIDED ABOVE, AND THE PART GOING TO SCHOOL DISTRICTS AMONG SUCH DISTRICTS, AND THE PART GOING TO COUNTIES AMONG SUCH COUNTIES,) upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court of ap-

peals at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton to school districts to be distributed as follows:

(a) 6 cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (c), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 or in which is located property which is entitled to the reduction of tax pursuant to section 273.135, subdivision 2, clause (c). The 23 cents, less any amount distributed under part (c), shall be distributed in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year, computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. That portion of the amount so distributed to a school district which is not deducted from state aids in section 124.212, subdivision 8a, shall be included in computing the permissible levies under section 275.125. For purposes of distributions pursuant to this part, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(c) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrat-

ing taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) 4 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) 1 cent per taxable ton to the state.

(7) 3 cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. Of this amount, one cent per taxable ton is to be used to provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 60 issued on June 12, 1970, which does not contain a municipality qualifying pursuant to section 273.134.

(8) the amounts determined under clauses (4)(a), (4)(c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(9) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (8) and parts (a), (b), (c), and (d) of this clause have been made shall be divided between the taconite environmental protection fund created in section 20 and the northeast Minnesota economic protec-

tion fund created in section 26 as follows: In 1978, 1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

(c) In 1978 and each year thereafter, \$50,000 shall be distributed to the department of revenue for auditing and enforcing the production tax imposed by this article.

(d) In 1978 and 1979, \$150,000 shall be distributed to the department of revenue for the purpose of administering section 29. In 1980 and each year thereafter, \$100,000 shall be distributed to the department of revenue. (THE AMOUNT SO DISTRIBUTED SHALL BE DIVIDED AMONG THE VARIOUS FUNDS OF THE STATE, OR OF THE TAXING DISTRICTS IN THE SAME PROPORTION AS THE GENERAL AD VALOREM TAX THEREOF. IF IN ANY YEAR THE STATE SHALL NOT SPREAD ANY GENERAL AD VALOREM TAX LEVY AGAINST REAL PROPERTY, THE STATE'S PROPORTION OF THE TAX SHALL BE PAID INTO THE GENERAL FUND. THE AMOUNT DISTRIBUTED TO ANY CITY AND ONE-THIRD IN 1971 AND THAT PORTION NOT DEDUCTED FROM STATE AIDS IN SECTION 124.212, SUBDIVISION 8, THEREAFTER OF THE AMOUNT DISTRIBUTED TO ANY SCHOOL DISTRICT UNDER THE PROVISIONS HEREOF SHALL BE INCLUDED IN COMPUTING THE PERMISSIBLE LEVIES OF SUCH CITY OR SCHOOL DISTRICT UNDER SECTIONS 275.11 OR 275.125, PROVIDED, IN COMPUTING THE DEDUCTION FROM PERMISSIBLE LEVIES OF CITIES BY REASON HEREOF EFFECT SHALL BE GIVEN TO THE COST OF LIVING ADJUSTMENT ALLOWED BY SECTION 275.11, SUBDIVISION 2, REGARDLESS OF WHETHER OR NOT MORE THAN 25 PERCENT OF THE ASSESSED VALUATION CONSISTS OF IRON ORE.) On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district (OR), city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which

would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in (SUCH) *the* next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district (EXCEPT IN THE CASE OF SCHOOL DISTRICTS ONE-THIRD IN 1971 AND THAT PORTION NOT DEDUCTED FROM STATE AIDS IN SECTION 124.212, SUBDIVISION 8, THEREAFTER OF THE INDICATED AMOUNT IS TO BE USED) in computing (, PURSUANT TO SECTIONS 275.11 OR 275.125,) the permissible tax levy of such *county*, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, *except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4)(c) shall not be deducted in calculating the permissible levy.* Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections (275.11) 275.50 to 275.59 or 275.125 has been made, if the taxes distributable to any such *county*, city or school district are greater than the amount estimated to be paid to any such *county*, city or school district in such year, the excess of such distribution shall be held in a special fund by the *county*, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections (275.11) 275.50 to 275.59 or 275.125, of such *county*, city or school district payable in such year. If the amounts distributable to any such *county*, city or school district, after final determina-

tion by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections (275.11) 275.50 to 275.59 or 275.125 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby *annually* appropriated to such taxing districts as are stated herein (AND), to the taconite property tax relief account *and to the taconite municipal aid account* in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

Sec. 17. Minnesota Statutes 1976, Section 298.282, Subdivision 1, is amended to read:

298.282 [DISTRIBUTION OF TACONITE MUNICIPAL AID ACCOUNT; TACONITE MUNICIPAL AID; PAYMENT.] Subdivision 1. The amount deposited to the credit of the taconite municipal aid account in the apportionment fund of the state treasury as provided in section (298.281, SUBDIVISION 4) 298.28, subdivision 1, clause (2) shall be distributed as provided by this section, among the municipalities comprising a tax relief area under section 273.134, as amended hereby, each being herein referred to as a qualifying municipality.

Sec. 18. Minnesota Statutes 1976, Section 298.282, Subdivision 2, is amended to read:

Subd. 2. Each year commencing in 1977, and (THE) following *the* final determination of the amount of taxes payable under section (298.241) 298.24, the commissioner of revenue shall determine the amount in the taconite municipal aid account as of July 1 of such year and the amount to be distributed to each qualifying municipality during such year. The amount to be distributed to each qualifying municipality shall be determined by dividing the total amount in said account, after a reduction equal to the amount of the distribution in subdivision 5, as of July 1 by the total population according to the latest federal census of all qualifying municipalities to determine the per capita distributive share for such year and by multiplying the per capita distributive share by the population of such municipality. *If the distribution under this section, sections 273.133, 298.26 and 298.28, and chapter 477A, to any municipality would exceed that municipality's permissible levy for the prior year, computed pursuant*

to sections 275.50 to 275.59, the amount in excess of the permissible levy for the prior year shall reduce the amount distributed to the municipality under this section and this excess amount shall be distributed to the other qualifying municipalities on a per capita basis. Upon completion of such determination, the commissioner of revenue shall certify to the chief clerical officer of each qualifying municipality the amount which will be distributed to such municipality from the taconite municipal aid account that year.

Sec. 19. [CITATION.] Sections 19 to 24 shall be known as the taconite environmental protection fund act of 1977.

Sec. 20. [TACONITE AREA ENVIRONMENTAL PROTECTION FUND.] A fund called the taconite environmental protection fund is created for the purpose of reclaiming, restoring and enhancing those areas of northeast Minnesota adversely affected by the environmentally damaging operations involved in mining taconite and iron ore and producing iron ore concentrate and for the purpose of promoting the economic development of northeast Minnesota. The taconite environmental protection fund shall be used for the following purposes:

(a) to initiate investigations into matters the Iron Range Resources and Rehabilitation Board determines are in need of study and which will determine the environmental problems requiring remedial action;

(b) reclamation, restoration or reforestation of minelands not otherwise provided for by state law;

(c) local economic development projects including construction of sewer and water systems, and other public works;

(d) monitoring of mineral industry related health problems among mining employees.

The taconite environmental protection fund shall be administered by the commissioner of the Iron Range Resources and Rehabilitation board. The commissioner shall by September 1 of each year prepare a list of projects to be funded from the taconite environmental protection fund, with such supporting information including description of the projects, plans, and cost estimates as may be necessary. Upon recommendation of the Iron Range Resources and Rehabilitation Board, this list shall be submitted to the legislative advisory commission for its review. This list with the recommendation of the legislative advisory commission shall then be transmitted to the governor by November 1 of each year. By December 1 of each year, the governor shall approve or disapprove, or return for further consideration, each individual project. Funds for a project may be expended only upon approval of the project by the governor.

*Notwithstanding the above, in 1977 the commissioner, with the recommendation of the board, shall submit a list of projects to the legislative advisory commission by June 15. This list shall by July 1 be transmitted to the governor for approval. Funds may be expended upon approval by the governor.*

*There is hereby annually appropriated to the commissioner of the Iron Range Resources and Rehabilitation board such funds as are necessary to carry out the projects approved and such funds as are necessary for administration of this section. Annual administrative costs, not including detailed engineering expenses for the projects, shall not exceed five percent of the amount annually expended from the fund.*

*Funds for the purposes of this section are provided by section 298.28, Subdivision 1, Clause (9) relating to the taconite environmental protection fund.*

**Sec. 21. [INVESTMENT OF FUNDS; INCOME.]** *The fund established by section 20 shall be invested pursuant to law and the net interest and dividends arising from the investment shall be included and become part of the fund.*

**Sec. 22.** *There is hereby appropriated from the general fund to the taconite environmental protection fund on July 1, 1977, the sum of \$1,500,000. The taconite environmental protection fund shall reimburse the general fund plus interest at five percent on June 30, 1978.*

**Sec. 23. [APPROPRIATION.]** *If a taconite producer ceases beneficiation operations, either temporarily or permanently, and if the recipients of the taconite production tax as provided in section 298.28, subdivision 1, clauses (1) to (8), would receive decreased distributions as a result thereof, then the distribution to these recipients in each of the two years immediately following the year in which operations ceased shall be equal to the amount they received in the last full year before operations ceased. There is hereby appropriated from the taconite environmental protection fund to the commissioner of revenue the amount needed to make the above payments. If a taconite producer, which ceases beneficiation operations either temporarily or permanently, is required by a special law to make bond payments for a school district, the taconite environmental protection fund shall assume the payments of the taconite producer if the producer ceases to make the needed payments. There is hereby appropriated from the taconite environmental protection fund to the commissioner of revenue the amounts needed to make these school bond payments.*

**Sec. 24. [APPROPRIATION.]** *There is hereby appropriated from the general fund to the taconite environmental protection fund the amount needed to pay the payments authorized under section 23. The commissioner of finance shall transfer the*

*funds only if the taconite environmental protection fund does not have a sufficient balance to pay the payments. No funds may be transferred from the general fund after January 1, 1980. Any amount transferred to the taconite environmental protection fund shall be repaid to the general fund without interest as soon as practicable.*

**Sec. 25. [CITATION.]** *Sections 25 to 28 shall be known as the "northeast Minnesota economic protection fund act of 1977."*

**Sec. 26. [POLICY.]** *The legislature is cognizant of the severe economic dislocations and widespread unemployment that result when a single industry on which an area is largely dependent, experiences a drastic reduction in activity. The Northeast Minnesota economic protection fund is hereby created to be devoted to economic rehabilitation and diversification of industrial enterprises where these conditions ensue as the result of the decline of such a single industry.*

**Sec. 27.** *The funds provided by Minnesota Statutes, Section 298.28, Subdivision 1, Clause (9), relating to the northeast Minnesota economic protection fund shall not be expended prior to (a) a declaration by the governor to the effect that the economic situation of northeast Minnesota requires remedial action by the legislature as a result of a decline in mineral-related activities, and (b) an appropriation of the funds by the legislature. The governor shall recommend to the legislature those measures that he believes will be appropriate in order to accomplish the purpose of his declaration. The funds provided by this fund may be spent only in those areas that are tax relief areas as defined in Minnesota Statutes, Section 273.134. The funds provided by Minnesota Statutes, Section 298.28, Subdivision 1, Clause (9), for this fund shall not be expended for this purpose prior to January 1, 2002.*

**Sec. 28.** *The fund established by section 26 shall be invested pursuant to law and the net interest and dividends arising from the investment shall be included and become part of the fund; provided that the governor may authorize the state treasurer to borrow an amount not exceeding 50 percent of the amount in the fund for a period terminating no later than December 31, 2001. The state treasurer, pursuant to the authorization, shall issue notes pledging the full faith and credit of the state for the purpose of repayment, and the notes shall bear interest at five percent per annum until paid.*

**Sec. 29.** *Minnesota Statutes 1976, Chapter 298, is amended by adding a section to read:*

**[298.48] [MINERAL RIGHTS; EXPLORATION DATA; FILING REQUIREMENTS.]** *Subdivision 1. [ANNUAL FILING.] Every owner or lessee of mineral rights who, in respect thereto, has engaged in any exploration for or mining of tacho-*

nite, semi-taconite, or iron-sulphide shall, within six months of the effective date of this section, file with the commissioner of revenue all data of the following kinds in the possession or under the control of the owner or lessee which was acquired prior to January 1, 1977:

(a) Maps and other records indicating the location, character and extent of exploration for taconite, semi-taconite, or iron-sulphides;

(b) Logs, notes and other records indicating the nature of minerals encountered during the course of exploration;

(c) The results of any analyses of metallurgical tests or samples taken in connection with exploration;

(d) The ultimate pit layout and the supporting cross sections; and

(e) Any other data which the commissioner of revenue may determine to be relevant to the determination of the location, nature, extent, quality or quantity of unmined ores of said minerals. The commissioner of revenue shall have the power to compel submission of the data. The clerk of any court of record, upon demand of the commissioner, shall issue a subpoena for the production of any data before the commissioner. Disobedience of subpoenas issued under this section shall be punished by the district court of the district in which the subpoena is issued as for a contempt of the district court. By April 1 of each succeeding year every owner or lessee of mineral rights shall file with the commissioner of revenue all such data acquired during the preceding calendar year.

Subd. 2. [USE OF DATA.] Notwithstanding any other law to the contrary, the commissioner of revenue may use any data filed pursuant to subdivision 1 and any similar data otherwise obtained to the extent and in the manner he deems necessary to project the future availability, value, and utilization of the metallic mineral resources of this state. In making such projections the commissioner of revenue may consult with the commissioner of natural resources and may provide him with data as he deems appropriate.

Subd. 3. [PENALTIES.] Any owner or lessee of mineral rights who fails, neglects or refuses to make any filing required by this section is guilty of a gross misdemeanor.

Subd. 4. [CONFIDENTIAL NATURE OF INFORMATION.] The data filed pursuant to subdivision 1 shall be considered confidential for three years from the date it is filed with the commissioner. Nothing herein contained shall be construed to prohibit the commissioner from disclosing information or pub-

lishing statistics so classified as not to disclose the identity of particular data.

*Notwithstanding the other provisions of this subdivision, the commissioner, at his discretion, may furnish any information supplied under this section to the commissioner of natural resources or the director of the state planning agency. Any person violating the provisions of this section shall be guilty of a gross misdemeanor.*

Sec. 30. [REPEALER.] *Minnesota Statutes 1976, Sections 294.27; 294.28; 298.244, Subdivision 1; 298.28, Subdivision 1a; and 298.281, are repealed.*

Sec. 31. [REPEALER.] *Minnesota Statutes 1976, Sections 298.241; and 298.243, are repealed.*

Sec. 32. [EFFECTIVE DATE.] *Sections 7, 10, 13, 15 and 31 are effective for iron ore concentrate produced in any year beginning after December 31, 1976. Sections 5, 8, 16, 17, 18 and 30 are effective for distributions made in any year after December 31, 1977. Sections 2, 6, 9, and 12 and 19 to 29 are effective the day after final enactment. Sec. 2. Minnesota Statutes 1976, Section 462A.03, Subdivision 7, is amended to read:

Subd. 7. "Residential housing" means a specific work or improvement within this state undertaken primarily to provide residential care facilities for mentally ill, mentally deficient, physically handicapped, and drug dependent persons licensed or potentially eligible for licensure under rules promulgated by the commissioner of public welfare, or to provide dwelling accommodations for persons and families of low and moderate income and for (OTHERS) *other persons and families* when determined to be necessary in furtherance of the policy of *economic integration* stated in section 462A.02, subdivision 6, including land development and the acquisition, construction or rehabilitation of buildings and improvements thereto, for residential housing, and such other nonhousing facilities as may be incidental or appurtenant thereto.

Sec. 3. Minnesota Statutes 1976, Section 462A.03, Subdivision 13, is amended to read:

Subd. 13. "Eligible mortgagor" means a nonprofit or *co-operative housing* corporation, limited profit entity or a builder as (THE SAME ARE) defined by the agency in its rules, which sponsors or constructs residential housing as defined in subdivision 7, or a natural person of low or moderate income, except that the return to a limited dividend entity shall not exceed six percent of the capital contribution of the investors or such lesser percentage as the agency shall establish in its rules. Owners of existing residential housing occupied by renters shall be eligible for rehabilitation loans, only if, as a condition to the issuance of the loan, the owner agrees to conditions established by the agency in its rules relating to rental or other matters that will insure that the housing will be occupied by persons and families of low or moderate income. The agency shall require by rules that the owner give preference to those persons of low or moderate income who occupied the residential housing at the time of application for the loan.

Sec. 4. Minnesota Statutes 1976, Section 462A.05, Subdivision 3, is amended to read:

Subd. 3. It may agree to purchase, make, or otherwise participate in the making and enter into commitments for the purchase, making, or participation in the making of long term eligible mortgage loans to sponsors of residential housing for occupancy by persons and families of low and moderate income, or to persons and families of low and moderate income who may purchase (SUCH) residential housing. (SUCH) *The loans shall be made only upon determination by the agency that long term mortgage loans are not otherwise available, wholly or in part, from private lenders upon equivalent terms and conditions. In establishing maximum mortgage amounts and maximum purchase prices for single family dwellings, the agency shall take into account housing cost differences in the regions of the state.*

Sec. 5. Minnesota Statutes 1976, Section 462A.05, Subdivision 5, is amended to read:

Subd. 5. It may make temporary loans solely to "nonprofit" or "cooperative housing" sponsors as defined by the agency, with or without interest, and with such security for repayment, if any, as the agency determines reasonably necessary and practicable, solely from the housing development fund, in accordance with the provisions of section 462A.21, to defray development costs to sponsors of residential housing construction for occupancy by persons and families of low and moderate income which development costs are eligible or potentially eligible for construction loans or mortgages.

Sec. 6. Minnesota Statutes 1976, Section 462A.05, Subdivision 14, is amended to read:

Subd. 14. It may agree to purchase, make, or otherwise participate in the making, and may enter into commitments for the purchase, making, or participation in the making, of eligible loans for rehabilitation to persons and families of low and moderate income, and to owners of existing residential housing for occupancy by such persons and families, for the rehabilitation of existing residential housing owned by them. (SUCH) *The loans may be insured or uninsured and may be made with (SUCH) security, or may be uninsured, as the agency deems advisable. The loans may be in addition to or in combination with long term eligible mortgage loans under subdivision 3 of this section. They may be made in amounts sufficient to refinance existing indebtedness secured by the property, if (SUCH) refinancing is determined by the agency to be necessary to permit the owner to meet his housing cost without expending an unreasonable portion of his income thereon. No loan for rehabilitation shall be made unless the agency determines that (SUCH) the loan will be used primarily to make the housing more desirable to live in, to increase the market value of the housing, for compliance with state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing, or*

to accomplish energy conservation related improvements. In unincorporated areas and municipalities not having (SUCH) codes and standards, the agency may, solely for the purpose of administering the provisions of this chapter, establish (SUCH) codes and standards. No loan for rehabilitation of any property shall be made in an amount which, with all other existing indebtedness secured by the property, would exceed its market value, as determined by the agency. No loan for rehabilitation of owner occupied residential housing shall be denied solely because the loan will not be used for placing (SUCH) *the* residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. Rehabilitation loans shall be made only when the agency determines that financing is not otherwise available, in whole or in part, from private lenders upon equivalent terms and conditions.

Sec. 7. Minnesota Statutes 1976, Section 462A.05, Subdivision 15, is amended to read:

Subd. 15. It may make grants to persons and families of low and moderate income to pay or to assist in paying a loan made pursuant to subdivision 14, or to rehabilitate or to assist in rehabilitating existing residential housing owned or occupied by such persons or families. For the purposes of this section, persons of low and moderate income include administrators appointed pursuant to section 566.25, clause (c). No (SUCH) grant shall be made unless the agency determines that (SUCH) *the* grant will be used primarily to make the housing more desirable to live in, to increase the market value of the housing or for compliance with state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing, *or to accomplish energy conservation related improvements*. In unincorporated areas and municipalities not having (SUCH) codes and standards, the agency may, solely for the purpose of administering this provision, establish (SUCH) codes and standards. No grant for rehabilitation of owner occupied residential housing shall be denied solely because the grant will not be used for placing (SUCH) *the* residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing (**, OR TO ACCOMPLISH ENERGY CONSERVATION RELATED IMPROVEMENTS**). The amount of any (SUCH) grant shall not exceed the lesser of (a) \$5,000, or (b) the actual cost of the work performed, or (c) that portion of the cost of rehabilitation which the agency determines cannot otherwise be paid by (SUCH) *the* person or family without spending an unreasonable portion of the income of (SUCH) *the* person or family thereon; *provided, however, that a grant may exceed \$5,000 by an amount, up to \$2,500, necessary to improve the accessibility of residential housing to a handicapped occupant*. In making (SUCH) grants, the agency shall determine the circumstances under which and the terms and conditions under which all or any portion thereof will be repaid and shall

determine the appropriate security should (SUCH) repayment be required.

The agency may also make grants to rehabilitate or to assist in rehabilitating housing under this subdivision to persons of low and moderate income for the purpose of qualifying as foster parents.

Sec. 8. Minnesota Statutes 1976, Section 462A.05, is amended by adding a subdivision to read:

*Subd. 18. It may make loans solely to "non-profit" sponsors as defined by the agency, with or without interest, and with such security for repayment, if any, as the agency determines reasonably necessary and practicable, solely from the housing development fund in accordance with the provisions of section 18, to encourage innovations in the development or rehabilitation of single and multifamily residential housing including the demonstration of new techniques for energy efficient construction.*

*It shall promulgate rules, in accordance with the provisions of sections 15.0411 to 15.052, relating to the administration of the loans authorized by this subdivision. The rules may define types of projects eligible for loans, criteria for selecting between eligible loans, terms of the loans including interest rates and loan periods, and other characteristics that the agency deems necessary to administer the program.*

Sec. 9. Minnesota Statutes 1976, Chapter 462A, is amended by adding a section to read:

The agreements may include the United States department of housing and urban development when desirable and appropriate.*

Sec. 12. Minnesota Statutes 1976, Section 462A.07, Subdivision 12, is amended to read:

Subd. 12. It may delegate, use or employ any federal, state, regional or local public or private agency or organization, including organizations of physically handicapped persons, upon (SUCH) terms (AS) it deems necessary or desirable, to assist in the exercise of any of the powers granted in (LAWS 1974, CHAPTER 441) sections 462A.01 to 462A.24 and to carry out the objectives of (LAWS 1974, CHAPTER 441,) sections 462A.01 to 462A.24 and may pay for (SUCH) the services from the housing development fund.

Prior to the sale of notes and bonds, the agency shall consult with the executive secretary of the state board of investment on the terms and conditions of the bonds and appropriate underwriting fees. The executive secretary of the state board of investment shall participate in the negotiations for the sale of bonds of the agency.

May 20, 1977

The Honorable Martin O. Sabo  
Speaker of the House of Representatives  
The Honorable Edward J. Gearty  
President of the Senate

We, the undersigned conferees for H. F. No. 343 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 343 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Chapter 617, is amended by adding a section to read:

[617.246] [PROHIBITING PROMOTION OF MINORS TO ENGAGE IN OBSCENE WORKS.] *Subdivision 1. [DEFINITIONS.] (a) For the purpose of this section, the terms defined in this subdivision shall have the meanings given them.*

*(b) "Minor" means any person who has not attained his or her 18th birthday.*

*(c) "Promote" means to produce, direct, publish, manufacture, issue, or advertise.*

*(d) "Sexual performance" means any play, dance or other exhibition presented before an audience or for purposes of visual or mechanical reproduction which depicts patently offensive sexual conduct as defined by clause (f).*

*(e) "An obscene work" is a picture, a film, photograph, negative, slide, drawing or similar visual representation depicting a minor, which taken as a whole appeals to pedophiles or to the prurient interest in sex of the average person, which portrays patently offensive sexual conduct and which, taken as a whole, does not have serious literary, artistic, political or scientific value. In determining whether or not a work is an obscene work the trier of the fact must find: (i) that the average person, applying contemporary community standards would find that the work, taken as a whole appeals to pedophiles or to the prurient interest in sex of the average person; and (ii) that the work depicts patently offensive sexual conduct specifically defined by clause (f); and (iii) that the work, taken as a whole, lacks serious literary, artistic, political or scientific value.*

(f) "Patently offensive sexual conduct" includes any of the following depicted sexual conduct if the depiction involves a minor:

(i) An act of sexual intercourse, normal or perverted, actual or simulated, including genital-genital, anal-genital, or oral-genital intercourse, whether between human beings or between a human being and an animal.

(ii) Sadoomasochistic abuse, meaning flagellation or torture by or upon a person who is nude or clad in undergarments or in a revealing costume or the condition of being fettered, bound or otherwise physically restrained on the part of one so clothed.

(iii) Masturbation or lewd exhibitions of the genitals including any explicit, close up representation of a human genital organ.

(iv) Physical contact or simulated physical contact with the clothed or unclothed public areas or buttocks of a human male or female, or the breasts of the female, whether alone or between members of the same or opposite sex or between humans and animals in an act of apparent sexual stimulation or gratification.

Subd. 2. [USE OF MINOR.] It is unlawful for a person to knowingly promote, employ, use or permit a minor to engage in or assist others to engage in posing or modeling alone or with others in any sexual performance for purposes of preparing an obscene work.

A violation of this subdivision is a felony.

Subd. 3. [OPERATION OR OWNERSHIP OF BUSINESS.] A person who owns or operates a business in which an obscene work as defined in this section, is disseminated, and who knows the content and character of the obscene work disseminated, is guilty of a felony.

Subd. 4. [DISSEMINATION.] A person who, knowing its content and character, disseminates for profit an obscene work, as defined in this section, is guilty of a misdemeanor.

Sec. 2. [EFFECTIVE DATE.] This act is effective July 1, 1977."

Further, amend the title by deleting it in its entirety and inserting:

"A bill for an act relating to obscenity; prohibiting the promotion or employment of minors as models alone or with others in sexual performances for purposes of preparing an obscene

work; prohibiting the ownership or operation of a business which disseminates certain obscene works; prohibiting the dissemination of certain obscene works; prescribing penalties; amending Minnesota Statutes 1976, Chapter 617, by adding a section."

The commissioner shall determine the operating deficit of any public transit system receiving or applying for assistance in accordance with generally accepted accounting principles, provided that any financial assistance received from any agency of the federal government for the operation of a public transit system shall be treated as revenue for the purposes of determining the operating deficit. Where more than one county or municipality contributes assistance to the operation of a public transit system the commissioner shall identify one as lead agency for the purpose of receiving moneys under this section. Payments shall not exceed two-thirds of the operating deficit of a public transit system, except that payments to eligible recipients who are private operators in the transit taxing district defined in section 473.446, subdivision 2, may be up to 100 percent of the operating deficit. [SOCIAL FARE REIMBURSEMENT.] The commissioner shall reimburse the metropolitan transit commission and any private operators in the transit taxing district defined in section 473.446, subdivision 2 for the difference between the full fare otherwise charged by the commission or private operator and the fare actually charged for any regular route transit service passenger pursuant to the social fare provisions of section 36, subdivision 3. Reimbursement shall be paid monthly upon a report by the commission or private operator of the number of reduced fare passengers carried for the preceding calendar month in each reduced fare category and the total amount*

*that otherwise would have been charged for the service by the commission or private operator on a full fare basis.*

219.40 [DETERMINATION; ORDER; FLAGMEN OR SAFETY DEVICE.] If a complaint is made under section 219.39, the commissioner shall determine whether the crossing is dangerous and may with or without a hearing require the railroad company complained of to provide flagmen at such crossing, or to adopt such safety devices as the commissioner may deem necessary for the proper protection of the crossing, or may require the removal of any structure, embankment or other obstruction to the view, or may require the crossing complained of or other crossing in the vicinity thereof closed, or it may require the railroad company to construct an overhead or maintain an underground crossing and divide the cost thereof between the railroad company, the town, county, municipal corporation, or state transportation department interested, on such terms and conditions as may seem just and equitable. Where the railroad has been constructed or the grade thereof lowered after the laying out of the highway and the railroad tracks are seven feet or more below the natural surface of the ground, the commissioner may require the maintenance of an overhead bridge with suitable approaches and require the complaining city, town, or county to remove any embankment, structure or other obstruction to the view as may be reasonable and necessary to properly protect the crossing; provided, that no highway shall be laid out over any railroad so as to cross at the same grade until such crossing has been approved by the commissioner. If the complainant or the railroad files exceptions to an order of the commissioner made under this section without a hearing, the commissioner shall convene a hearing on the original complaint. If the commissioner or his designee after notice and hearing orders the installation of a safety device, or the construction, reconstruction, modernization or replacement of major parts, as defined by rule of the commissioner, of said safety device, gates, or other type of special protection, or the removal of a structure, embankment or other obstruction to the view, or orders the construction, reconstruction or maintenance of an underground or overhead crossing on any public road, street, or highway, he may in the same order direct that the costs thereof be divided between the railroad company and the public authority involved on such basis as the parties may agree, or, if they fail to agree, then the costs thereof shall be as determined by the commissioner or his designee on the basis of benefit to the users of each; or the commissioner or his designee may defer determination of the division of costs to a subsequent order to be made on the basis of evidence previously taken. Where a state trunk highway is involved, the state's share of the costs shall be paid from any funds available to the department of transportation. In all other cases the

public's share of the costs shall be paid from available funds or from the (MINNESOTA) *trunk* highway (SAFETY ACCOUNT) *fund*, if ordered by the commissioner or his designee, or from any combination of the above or other available funds; provided that any highway, street or road fund shall only be expended for such costs on a highway, street or road within the political subdivision charged with the maintenance and care thereof and only upon the highways, streets or roads for which the fund was allocated, or for which the fund was created.

Three-eighths of such receipts shall be credited to the general revenue fund of the county. The other five-eighths of such receipts shall be transmitted by that officer to the state treasurer and shall be credited to (A SEPARATE ACCOUNT) *the trunk highway fund*. If, however, the violation occurs within a municipality and the city attorney prosecutes the offense, and a plea of not guilty is entered, one-third of the receipts shall be credited to the general revenue fund of the county, one-third of the receipts shall be paid to the municipality prosecuting the offense, and one-third shall be transmitted to the state treasurer as provided in this subdivision. All costs of participation in a nation-wide police communication system chargeable to the state of Minnesota shall (NEXT) be paid from (SUCH ACCOUNT) *appropriations for that purpose*. Sec. 33. Minnesota Statutes 1976, Section 473.402, is amended to read:

**473.402 [LEGISLATIVE DETERMINATION, POLICY, PURPOSE AND GOALS.] Subdivision 1.** The legislature finds and determines that (NEARLY HALF THE PEOPLE OF THE STATE LIVE IN THE METROPOLITAN TRANSIT AREA HEREINAFTER ESTABLISHED. THE POPULATION OF THAT AREA IS GROWING FASTER THAN IN ANY

OTHER AREA OF THE STATE, AND IT IS CONTINUALLY VISITED BY LARGE NUMBERS OF PEOPLE FROM OTHER PARTS OF THE STATE, RESULTING IN A HEAVY AND STEADILY INCREASING CONCENTRATION OF RESIDENT AND TRANSIENT POPULATION AND CREATING SERIOUS PROBLEMS OF PUBLIC TRANSIT AND PUBLIC HIGHWAY TRAFFIC IN THE AREA. THE PRESENT PUBLIC TRANSIT SYSTEMS IN THE AREA CONSIST LARGELY OF BUS LINES USING THE PUBLIC HIGHWAYS AND STREETS. THESE SYSTEMS ARE INADEQUATE TO MEET THE NEEDS FOR PUBLIC TRANSIT IN THE AREA. A MAJOR PART OF THE TRANSPORTATION OF PEOPLE IN THE AREA IS PROVIDED BY PRIVATE MOTOR VEHICLES. ALL OF THE FOREGOING ADDS HEAVILY TO THE TRAFFIC LOAD ON THE STATE HIGHWAYS WHICH CONSTITUTE THE MAIN ROUTES OF TRAVEL TO, FROM, AND THROUGH THE AREA, AGGRAVATING THE CONGESTION AND DANGER OF ACCIDENTS THEREON, POLLUTING THE SURROUNDING AIR, INTENSIFYING THE WEAR AND TEAR ON THOSE HIGHWAYS AND STREETS, INCREASING THE COST OF MAINTENANCE THEREOF, AND THE NUMBER, SIZE, AND COST OF NEW HIGHWAYS THAT MUST BE CONSTRUCTED IN THE AREA. THESE EFFECTS WILL PROGRESSIVELY GROW WORSE AS THE POPULATION OF THE AREA INCREASES, IMPOSING SERIOUS HANDICAPS ON THE BUSINESS, INDUSTRY, PROPERTY DEVELOPMENT, RECREATION, AND OTHER BENEFICIAL ACTIVITIES OF THE RESIDENTS OF THE AREA AND VISITORS THERETO, AND CAUSING SEVERE AND WIDESPREAD HARM TO THE PUBLIC HEALTH, SAFETY AND WELFARE OF THE AREA AND THE ENTIRE STATE. IT IS BEYOND THE CAPACITY OF THE PRESENT OPERATORS OF PUBLIC TRANSIT SYSTEMS AND OTHER EXISTING PUBLIC AND PRIVATE AGENCIES UNASSISTED TO MAKE ADEQUATE PROVISION FOR PUBLIC TRANSIT IN THE AREA OR FOR DEALING EFFECTIVELY WITH THE AFORESAID PROBLEMS AND CONDITIONS THEREIN. THE LEGISLATURE THEREFORE DECLARES AS THE PUBLIC POLICY OF THE STATE THAT), for the protection and advancement of the public health, safety, and welfare of the metropolitan (TRANSIT) area and the entire state, and in order to provide for adequate public transit and *paratransit* within the area (, REDUCE THE TRAFFIC CONGESTION AND HAZARDS ON THE STATE AND OTHER HIGHWAYS AND STREETS THEREIN, AND RELIEVE THE OTHER HARMFUL CONDITIONS AFORESAID) *to increase vehicle occupancy, and to reduce the use of vehicles occupied by only one person and the congestion, energy consumption, highway damage, pollution, waste, and other costs associated with such use,* there is (URGENT) need for the establishment of (THAT) *the transit area* (AS) herein defined, for the creation of a metropolitan transit commission therefor with the powers and duties herein prescribed, for the implementation of a comprehensive transporta-

tion policy plan for the area and for the other measures herein provided (FOR).

*Subd. 2. The metropolitan transit commission, in addition to other duties and purposes, shall have the following performance goals:*

*(a) To increase the number of persons riding and the rate at which persons are diverted from driving to riding;*

*(b) To achieve the fullest and most efficient use of public resources and investments in public transit and paratransit;*

*(c) To increase service levels within geographic areas and on routes and route segments characterized by high density of demand for service, transit dependent population, and little or no subsidy per passenger.*

Sec. 34. Minnesota Statutes 1976, Section 473.405, Subdivision 1, is amended to read:

Subdivision 1. [LEGAL STATUS; GENERAL POWERS.]

(a) The transit area, with the commission as its governing body, shall be a public corporation and a political subdivision of the state. All the powers vested and obligations or duties imposed upon the commission and acts of the commission by sections 473.401 to 473.451 shall be deemed to be those of the transit area wherever necessary or appropriate, and shall be exercised, performed, and discharged in behalf of the area by the commission in its name as a public corporation and with like force and effect as if done in the name of the area, and for all such purposes, the commission shall have the same status and powers as the area, all subject to the provisions of section 473.449. The chairman and secretary of the commission shall have such powers as are delegated to them by the commission.

(b) The commission shall have the power to plan, engineer, construct, equip, and operate transit and paratransit systems, (TRANSIT) projects, or any parts thereof, including (TRANSIT) road lanes or rights of way, terminal facilities, maintenance and garage facilities, ramps, parking areas, and any other facilities useful for or related to any public transit or paratransit system or project. The commission may acquire by purchase, lease, gift, or condemnation proceedings any real or personal property, franchises, easements, or other rights of any kind for such purposes, or which may be necessary or proper for the discharge of its powers and duties. The commission shall have the power to acquire by purchase, lease, gift, or condemnation proceedings any existing public transit system or any part thereof, including all or any part of the plant, equipment, shares of stock, property, real, personal, or mixed, rights in property, reserve funds, special funds, franchises, licenses, patents, permits and

papers, documents and records belonging to any operator of a public transit system within the transit area, and may in connection therewith assume any or all liabilities of any operator of a public transit system. The (COMMISSIONER) *commission* may not acquire any existing public transit system until such acquisition has been approved by a majority of the metropolitan council. The commission may hold, use, improve, operate, maintain, lease, exchange, transfer, sell, or otherwise dispose of any of its property or rights to others and may contract with any operator or other persons for the use by any such operator or person of any such property or facilities under its control.

The commission, if it proceeds to acquire any existing public transit system or any part thereof by condemnation, shall have the power to take control of and operate such system immediately following the filing and approval of the initial petition for condemnation, if the commission, in its discretion, determines such action to be necessary. This power shall include the possession of all right, title and other powers of ownership in all properties and facilities described in the petition. Such action shall be taken by resolution which shall be effective upon service of a copy thereof on the condemnee and the filing of the resolution in the condemnation action. In the determination of the fair value of the existing public transit system, there shall not be included any value attributable to expenditures for improvements made by the transit commission.

The commission may continue or terminate within three months of acquisition any advertising contract in existence by and between any advertiser and a transit system that the commission has acquired. If the commission determines to terminate such advertising contract, it shall acquire all of the advertiser's rights under the contract by purchase or eminent domain proceedings as provided by law.

The commission may sue and be sued and may enter into contracts which may be necessary or proper. The commission may accept gifts, grants, or loans of money or other property from the United States, the state, or any person or entity for such purposes, may enter into any agreement required in connection therewith, may comply with any federal or state laws or regulations applicable thereto, and may hold, use, and dispose of such money or property in accordance with the terms of the gift, grant, loan, or agreement relating thereto. The commission may establish an executive committee, a finance committee, and such other committees of its members as it deems necessary or proper in furtherance of the provisions of sections 473.401 to 473.451, and may authorize them to exercise in the intervals between commission meetings any powers of the commission except those expressly required by law to be exercised by the commission.

Sec. 35. Minnesota Statutes 1976, Section 473.405, Subdivision 2, is amended to read:

Subd. 2. [MANAGEMENT CONTRACTS.] Notwithstanding any of the other provisions of sections 473.401 to 473.451, the commission shall have powers, in lieu of directly operating any public transit system, or any part thereof, to enter into management contracts with any persons, firms, or corporations for the management of said system for such period or periods of time, and under such compensation and other terms and conditions as shall be deemed advisable and proper by the commission and such persons, firms, or corporations.

Such persons, firms, or corporations entering into management contracts with the commission may employ necessary personnel for the operation and maintenance of said system as well as perform consulting and supervisory services for the commission. An incentive fee may be included in any management contract that is negotiated. The employees of any public transit system operated pursuant to the provisions of this subdivision shall, in case of any dispute arising under any existing or new collective bargaining agreement relating to the terms or conditions of their employment, have the right, for the purpose of resolving such dispute, either to engage in a concerted refusal to work or to invoke the processes of final and binding arbitration as provided by chapter 572, subject to any applicable provisions of the agreement not inconsistent with law.

Whenever the commission shall directly operate any public transit system, or any part thereof, or enter into any management contract or other arrangement for the operation thereof, the commission shall take such action as may be necessary to extend to employees of affected public transit systems in the area, in accordance with seniority, the first opportunity for reasonably comparable employment in any available non-supervisory jobs in respect to such operations for which they can qualify after a reasonable training period. Such employment shall not result in any worsening of the employee's position in his former employment nor any loss of wages, hours, working conditions, seniority, fringe benefits, and rights and privileges pertaining thereto.

The commission may enter into an agreement specifying fair and equitable arrangements to protect the interests of employees who may be affected if the commission should acquire any interest in or purchase any facilities or other property of a (PRIVATE) *privately owned and operated* transit system, or construct, improve, or reconstruct any such facilities or other such property acquired from any such system, or provide by contract or otherwise for the operation of (MASS) transportation facilities or equipment in competition with, or supplementary to, the service provided by an existing transit system. Such agreement, specifying the terms and conditions of the protective arrangements, shall comply with any applicable requirements of sections 473.401 to 473.451, and with the requirements of any federal law or regulation if federal aid is involved. Such an agreement may provide for final and binding arbitration of any dispute.

*(b) To restrain increases in the average operating subsidy per passenger;*

*(c) To ensure that no riders on any route pay more in fares than the average cost of providing the service on that route;*

*(d) To ensure that operating revenues are proportioned to the cost of providing the service so as to reduce any disparity in the subsidy per passenger on routes in the transit system; and*

*(e) To implement the social fares as set forth in subdivision 3.*

*Subd. 3. [SOCIAL FARES.] In off-peak hours the commission and other operators shall charge the following reduced fares for transit service:*

*(a) ten cents plus any zone charges for all persons under the age of 18 holding an identification card issued by the commission;*

[DOWNTOWN CIRCULATION FARES.] The commission and other operators may charge not less than ten cents for service on any route providing circulation service in a downtown area or community activity center. The commission and other operators shall not contribute more than 50 percent of the operating deficit of any such route that is confined to a downtown area or community activity center.*

*Subd. 5. [OTHER REDUCED FARES PROHIBITED; EXCEPTION.] Except for the advance sale of service through special passes or for other special promotional efforts, and except as provided in subdivisions 3 and 4, the commission and other operators shall not grant any reduced fares for regular route bus service.*

Sec. 37. Minnesota Statutes 1976, Chapter 473, is amended by adding a section to read:

[473.409] [AGREEMENTS WITH COMMISSION; ENCOURAGEMENT OF TRANSIT USE.] *A state department or agency, including the legislative branch, any local governmental unit, the metropolitan council, or other metropolitan commission may enter into an agreement with the transit commission and other operators for the purpose of encouraging the use of transit by its employees residing in the metropolitan area. The agreement may provide for, among other things: (a) the advance purchase of tokens, tickets or other devices from the commission or other operator for use in lieu of fares on vehicles operated by the commission or other operator; and (b) special transit service for employees to and from their place of employment, at fares to be agreed upon by the contracting parties. The tokens, tickets, or other devices or services may be made available to employees at reduced rates. Any such agreement and arrangement by a state department or agency shall be submitted to the commissioner of administration for approval before execution. Any operating deficits or subsidy resulting from such agreements shall be assumed by the contracting department, agency, governmental unit, council, or other commission, unless otherwise provided in the agreement.*

Sec. 38. Minnesota Statutes 1976, Section 473.411, Subdivision 1, is amended to read:

In preparing the program, the commission shall consult with counties and municipalities in the metropolitan area, the state transportation department and the state planning agency, and for that purpose may create such advisory committees as may be necessary.**

Such program shall provide for coordination of routes and operations of all publicly and privately owned transportation facilities within the transit area to the end that combined efficient and rapid transportation may be provided for the use of the public in the entire area. The commission may designate a

“Section 1. [POLICY.] The legislature finds that it is necessary for the state to regulate weather modification to protect its citizens, but nothing in this act shall be construed to encourage or promote weather modification.

Sec. 2. [DEFINITIONS.] Subdivision 1. For the purposes of sections 1 to 15, the terms defined in this section have the meanings given them.

Subd. 2. “Weather modification” means any activity performed in connection with placing or attempting to place any substance in the atmosphere or clouds within the atmosphere, including fog, with the intention of and for the purpose of pro-

ducing artificial changes in the composition, motions, and resulting behavior of the atmosphere or clouds within the atmosphere, including fog.

Subd. 3. "Person" means any person, firm, association, organization, partnership, company, corporation, private or public, county, city, trust or other public agency.

Subd. 4. "Operation" means the performance of weather modification activities entered into for the purpose of producing, or attempting to produce, a certain modifying effect within one geographical area over one continuing time interval not exceeding one year.

Subd. 5. "Commissioner" means the commissioner of agriculture.

Sec. 3. [SOVEREIGN RIGHT CLAIMED BY STATE.] It is declared that the state of Minnesota claims its sovereign right to use for the best interest of its residents the moisture contained in the clouds and atmosphere within its sovereign state boundaries.

Sec. 4. [COMMISSIONER; POWERS AND DUTIES.] Subdivision 1. [POWERS.] The commissioner of agriculture may:

(a) pursuant to Minnesota Statutes, Chapter 15, adopt rules necessary to implement the license and permit program established pursuant to sections 1 to 15;

(b) enter into contracts or memoranda of agreement and do all things necessary to cooperate with the United States government, and to qualify for, accept and disburse any private grant intended for the administration of sections 1 to 15;

(c) cooperate with other states to jointly carry out research and planning in weather modification;

(d) advise persons, groups, and local units of government on weather modification and distribute informational material relating to weather modification and review and comment on all county programs of weather modification; and

(e) carry on research related to weather modification including evaluation of the effects of weather modification activities within the state by staff members, or by contract. Evaluation of weather modification programs shall, if practical and within limits of available funding, include components of economic and environmental analysis which delineate the economic and environmental implications of the programs.

Subd. 2. [DUTIES.] The commissioner of agriculture shall:

(a) utilize to the extent possible the facilities and technical resources of public and private institutions in the state;

(b) by rule adopted pursuant to Minnesota Statutes, Chapter 15, require persons engaged in weather modification to submit reports of their activities and operations and any other information deemed necessary;

(c) on or before January 15 of each year, submit a report to the legislature and governor describing the weather modification operations within the state during the preceding year and the social, economic and environmental impact of the operations. The report shall also include recommendations for legislative action and any other information useful to the legislature.

Sec. 5. [COUNTY PROGRAMS OF WEATHER MODIFICATION.] Counties may, only after approval of the commissioner and subject to the requirements of sections 1 to 15, conduct programs of weather modification and expend money therefor. At least two weeks published notice in a newspaper of general circulation within the county must be given before the program of weather modification may begin. If, within 30 days of a decision by a county to expend funds for weather modification, a petition signed by voters in the county equal in number to ten percent of the votes cast in the county in the last general election or 2,000 voters, whichever is less, requesting a referendum on the proposed expenditure is filed with the county auditor, the funds shall not be expended until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of the expenditure of the funds are affirmative. No program may be conducted within the county without prior approval by the county board.

Sec. 6. [LICENSES.] Subdivision 1. No person shall engage in weather modification without a license issued by the commissioner. Applications for weather modification licenses shall be on forms prescribed and furnished by the commissioner. The applicant shall pay a fee of \$100. The license shall be valid for one year. The commissioner may waive the license fee in situations he deems appropriate.

Subd. 2. The commissioner shall issue licenses only to applicants who demonstrate good character, adequate education and sufficient competence in the field of meteorology and cloud physics to engage in weather modification. At a minimum, each applicant shall meet at least one of the following:

(1) demonstrate that he has at least eight years of experience at the professional level in weather modification field research or operations, at least three of these years as a professional director; or

(2) has obtained a baccalaureate degree in engineering, mathematics, or the physical sciences plus three years experience in weather modification field research or operations; or

(3) has obtained a baccalaureate degree in meteorology, or a degree in engineering or the physical sciences which includes, or is in addition to, the equivalent of at least 25 semester hours of meteorological course work and two years practical experience in weather modification operations or research.

If the applicant is an organization, the competence must be demonstrated by the individuals who are to supervise and conduct the weather modification.

Subd. 3. The commissioner may renew a license annually if the applicant has the qualifications necessary for issuance of an original license and pays a fee of \$100.

Subd. 4. The moneys collected as fees shall be deposited with the state treasurer in the general fund.

Sec. 7. [SUSPENSION; REVOCATION; REFUSAL TO RENEW LICENSE.] The commissioner shall, subject to the provisions of chapter 15, suspend, revoke or refuse to renew a license for any one or any combination of the following causes:

- (1) Incompetency;
- (2) Dishonest practice;
- (3) False or fraudulent representation in obtaining a license or permit under sections 1 to 15 or rules promulgated thereunder;
- (4) Failure to comply with any of the provisions of sections 1 to 15 or of rules promulgated thereunder; or
- (5) Aiding other persons who fail to comply with any of the provisions of sections 1 to 15 or rules promulgated thereunder.

Sec. 8. [INVESTIGATION.] The commissioner may investigate any operation or research and development activities of any person applying for a license and of any person holding or claiming to hold a license or permit.

Sec. 9. [PERMITS.] Subdivision 1. No person shall conduct an operation without a permit issued by the commissioner. Applications for permits shall be on forms prescribed and furnished by the commissioner. Permits shall be issued only to applicants who hold a valid weather modification license, pay a fee of \$100 and furnish proof of financial responsibility pursuant

to subdivision 2. Prior to conducting an operation, the permittee shall publish notice of the operation as the commissioner shall require and shall give written notice to the county boards of the counties over which the operation is to be conducted and counties contiguous thereto. The permit shall be valid for one year or until the operation terminates, whichever first occurs.

Subd. 2. The applicant shall demonstrate to the satisfaction of the commissioner that he has the ability to respond to damages for liability which might reasonably result from the operation for which the permit is sought.

Subd. 3. The fees collected for permits shall be deposited with the state treasurer in the general fund.

Subd. 4. To the extent the commissioner deems necessary, emergency weather modification operations for the purpose of controlling fire, frost, sleet, hail, fog, or wind shall be exempt from the permit requirements.

Subd. 5. The commissioner may renew a permit annually if the applicant has the qualifications necessary for issuance of an original permit and pays a fee of \$100.

Subd. 6. No permit shall be issued to use a cloud seeding apparatus which emits cloud seeding material into the air when located on or in contact with the ground.

Subd. 7. Before a permit is issued, the commissioner may hold an informal hearing on the permit, at a location within the same geographic area as the proposed operation will be conducted.

Subd. 8. No more than one weather modification permit shall be issued for a given geographic area.

Subd. 9. The applicant must submit a complete operational plan for each proposed project prepared by the licensee who shall conduct the operation, which shall include, but not be limited to:

(a) a specific statement of the nature and objectives of the intended operation,

(b) a map of the proposed operating area which specifies the primary target area and shows the area reasonably expected to be affected and a rain gauge system for both seeded and downwind areas,

(c) an estimate of the amount of cloud seeding material expected to be placed in the clouds,

(d) a statement of the types of clouds to be seeded and identification of a procedure for random selection of at least a portion of the clouds to be seeded during the operation,

(f) the name and address of the licensee,

(g) the person or organization on whose behalf it is to be conducted,

(h) a statement showing any expected effect upon the environment and results of weather modification operations, and methods of determining and properly evaluating that operation, and any other detailed information as may be required to describe the operation and its proposed method of evaluation.

Sec. 10. [SUSPENSION; REVOCATION AND REFUSAL TO RENEW PERMIT.] Subdivision 1. The commissioner shall, subject to chapter 15, suspend or revoke a permit if it appears that the permittee no longer has the qualifications necessary for the issuance of an original permit or has violated any provision of sections 1 to 15 or of any rules promulgated thereunder.

Subd. 2. The commissioner shall, subject to chapter 15, refuse to renew a permit if it appears from the operational records and reports of the permittee that an original permit would not be issuable for the operation, or if the permittee has violated any provision of sections 1 to 15 or of any rules promulgated thereunder.

Sec. 11. [MODIFICATION OF PERMIT.] Subdivision 1. The commissioner may revise the conditions and limits of a permit if:

(a) The permittee is given notice and a hearing, pursuant to chapter 15, on whether there is a need for the revision and the commissioner finds that a modification of the conditions and limits of a permit is necessary to protect the public health, safety or welfare, or the environment.

(b) If it appears to the commissioner that an emergency situation exists or is impending which could endanger the public safety, health or welfare, or the environment, the commissioner may, without prior notice or a hearing, immediately modify the conditions and limits of a permit, or order temporary suspension of the permit. The order shall include notice of a hearing to be held pursuant to chapter 15 within ten days thereafter on the question of permanently modifying the conditions and limits, continuing the suspension of the permit, removing the changes or lifting the suspension.

Subd. 2. Failure to comply with an order temporarily suspending an operation or modifying the conditions and limits of

a permit shall be grounds for immediate revocation of the permit and of the license of the person controlling the operation.

Subd. 3. The permittee shall notify the commissioner of any emergency which can reasonably be foreseen, or of any existing emergency situations which might be caused or affected by the operation. Failure by the permittee to so notify the commissioner may be grounds, at the discretion of the commissioner, for revocation of the permit and of the license of the person controlling the operation.

Sec. 12. [PENALTY FOR VIOLATIONS.] Any person violating any of the provisions of sections 1 to 15 or of any rule promulgated thereunder is guilty of a misdemeanor, and each day such violation continues constitutes a separate offense.

Sec. 13. [LEGAL ACTION.] Other than in legal actions charging failure to obtain a license and permit, the fact that a person holds a license or was issued a permit under sections 1 to 15, or that a person has complied with the rules made by the commissioner pursuant to sections 1 to 15, is not admissible as a defense in any legal action which may be brought under this section against such person.

Sec. 14. [INJUNCTION.] The commissioner may, in addition to the other remedies provided in sections 1 to 15, apply to a district court having venue and jurisdiction, for an injunction to restrain repetitious violations of the provisions of sections 1 to 15 and of any rule promulgated thereunder.

Sec. 15. [APPROPRIATION.] There is appropriated from the general fund to the commissioner the sum of \$75,000 for the biennium ending June 30, 1979 for administrative expenses incurred in fulfilling the provisions of this act.

Sec. 16. [EFFECTIVE DATE.] Section 5 of this act is effective on the day following its final enactment. Sections 1 to 4 and sections 6 to 16 are effective January 1, 1978."

The Honorable Edward J. Gearty  
President of the Senate  
The Honorable Martin O. Sabo  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 977 report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 977 be further amended as follows:

Strike everything after the enacting clause and insert:

517.01 [MARRIAGE A CIVIL CONTRACT.] Marriage, so far as its validity in law is concerned, is a civil contract *between a man and a woman*, to which the consent of the parties, capable in law of contracting, is essential. Lawful marriage hereafter may be contracted only when a license has been obtained therefor as provided by law and when such marriage is contracted in the presence of two witnesses and solemnized by one authorized, or whom the parties in good faith believe to be authorized, so to do. Marriages subsequent to April 26, 1941, not so contracted shall be null and void.

Sec. 2. Minnesota Statutes 1976, Section 517.08, Subdivision 1, is amended to read:

made upon a form provided for the purpose and shall contain the full names of the parties, their post office addresses and county and state of residence, (AND) their full ages, *and the full names the parties will have after marriage*. The clerk shall examine upon oath the party applying for license relative to the legality of such contemplated marriage and, if at the expiration of this five-day period, he is satisfied that there is no legal impediment thereto, he shall issue such license, containing the full names of the parties *before and after marriage*, and county and state of residence, with the district court seal attached, and make a record of the date of issuance thereof, which license shall be valid for a period of six months. In case of emergency or extraordinary circumstances, the judge of the probate court, the court commissioner, or any judge of the district court, of the county in which the application is made, may authorize the license to be issued at any time before the expiration of the five days. The clerk shall collect from the applicant a fee of (\$10) \$11 for administering the oath, issuing, recording, and filing all papers required, and preparing and transmitting to the state registrar of vital statistics the reports of marriage required by this section. If illness or other extenuating circumstances, it may be surrendered to the clerk for cancellation, and in such case a new license shall issue upon request of the parties of the original license without fee therefor. Any clerk who shall knowingly issue or sign a marriage license in any other manner than in this section provided shall forfeit and pay for the use of the parties aggrieved not to exceed \$1,000.

The person solemnizing the marriage may indicate at the time he files the certificate with the clerk that he does not wish to receive a certified copy.*

Sec. 5. Minnesota Statutes 1976, Section 517.10, is amended to read:

That S. F. No. 743, be amended as follows:

Strike everything after the enacting clause and insert:

[STATEMENT OF PURPOSE.] The legislature finds that early detection of children's health and developmental problems can reduce their later need for costly care, minimize their physical and educational handicaps, and aid in their rehabilitation. The purpose of this act is to assist parents and communities in improving the health of Minnesota children and in planning educational and health programs.

Sec. 2. [SCHOOL BOARD RESPONSIBILITIES.] Subdivision 1. Pursuant to sections 116C.57 to 116C.60, the board shall study, (EVALUATION) and (HEARINGS ON) evaluate the type, design, routing, right-of-way preparation and facility construction (AS IDENTIFIED) of any route proposed in (THE) a utility's application and any other (ALTERNATIVES TO THE UTILITY'S CORRIDOR DEVELOPMENT PROPOSAL AS PROVIDED IN SUBDIVISION 4,) route the board deems necessary which was proposed in a manner consistent with rules adopted by the board concerning the form, content, and timeliness of proposals for alternate routes provided, however, that the board shall identify the alternative routes prior to the commencement of public hearings thereon pursuant to section 116C.58. Within one year after the board's acceptance of a utility's application, the board shall decide in accordance with the criteria and standards specified in section 116C.55, subdivision 2, and the considerations specified in section 116C.57, subdivision 4, which proposed route is to be designated. The board may extend for just cause the time limitation for its decision for a period not to exceed 90 days. When the board designates a route, it shall issue a permit for the construction of a high voltage transmission (LINES WITHIN THE DESIGNATED CORRIDOR. THIS PERMIT ISSUANCE BY THE BOARD SHALL BE MADE IN A TIMELY MANNER AND PUBLISHED NO LATER THAN 180 DAYS AFTER THE APPLICATION FOR A PERMIT BY THE UTILITY) line specifying the type, design, routing, right-of-way preparation and facility construction it deems necessary and with any other appropriate conditions. The board may order the construction of high voltage*

*transmission line facilities which are capable of expansion in transmission capacity through multiple circuiting or design modifications. The board shall publish a notice of its decision in the state register within 30 days of issuance of the permit. No high voltage transmission line shall be constructed except on a route designated by the board, unless it was exempted pursuant to subdivision 5.*

Subd. 3. [EMERGENCY CERTIFICATION.] Any utility whose electric power system requires the immediate construction of a large electric power generating plant or high voltage transmission line may make application to the board for an emergency certificate of site compatibility or permit for the construction of high voltage transmission lines, which certificate or permit shall be issued in a timely manner (AND PUBLISHED) no later than (180) 195 days after the board's acceptance of the application and upon a finding by the board that a demonstrable emergency exists which requires (SUCH) immediate construction, and that adherence to the procedures and time schedules (SET FORTH) specified in sections 116C.54 (TO), 116C.56 and 116C.57 would jeopardize (SUCH) the utility's electric power system or would jeopardize the utility's ability to meet the electric needs of its customers in a orderly and timely manner. A public hearing to determine if an emergency exists shall be held within 90 days of the application. The board shall, after notice and hearing, promulgate (REGULATIONS SETTING FORTH) rules specifying the criteria for emergency certification.

Subd. 4. [CONSIDERATIONS IN DESIGNATING SITES AND ROUTES.] To facilitate the study, research, evaluation and designation of sites and (CORRIDORS FOR LARGE ELECTRIC POWER GENERATING PLANTS AND HIGH VOLTAGE TRANSMISSION LINES AND THE APPROVAL OF SPECIFIC TRANSMISSION LINE FACILITIES AND THEIR) routes, the board shall be guided by, but not limited to, the following responsibilities, procedures, and considerations:

(1) Evaluation of research and investigations relating to the effects on land, water and air resources of large electric power generating plants and high voltage transmission line (CORRIDORS AND) routes and the effects of water and air discharges and electric fields resulting from such (PLANTS) facilities on public health and welfare, vegetation, animals, materials and aesthetic values, including base line studies, predictive modeling, and monitoring of the water and air mass at proposed and operating sites and (SITES OF OPERATING LARGE ELECTRIC POWER GENERATING PLANTS) routes, evaluation of new or improved methods for minimizing adverse impacts of water and air discharges and other matters pertaining to the effects of power plants on the water and air environment;

(2) Environmental evaluation of (LARGE ELECTRIC POWER GENERATING PLANT) sites and (HIGH VOLTAGE TRANSMISSION LINE CORRIDORS AND) routes proposed for future development and expansion and their relationship to the land, water, air and human resources of the state;

(3) Evaluation of the effects of new electric power generation and transmission technologies and systems related to power plants designed to minimize adverse environmental effects;

(4) Evaluation of the potential for beneficial uses of waste energy from proposed large electric power generating plants;

(5) Analysis of the direct and indirect economic impact of proposed (LARGE ELECTRIC POWER GENERATING PLANTS AND HIGH VOLTAGE TRANSMISSION LINES) sites and routes including, but not limited to, productive agricultural land lost or impaired;

(6) Evaluation of adverse direct and indirect environmental effects which cannot be avoided should the proposed site and (TRANSMISSION LINE CORRIDOR OR) route be accepted;

(7) Evaluation of alternatives to the (PROPOSED SITE AND TRANSMISSION LINE CORRIDORS AND ROUTES) applicant's proposed site or route proposed pursuant to section 116C.57, subdivisions 1 and 2;

(8) *Evaluation of potential routes which would use or parallel existing railroad and highway rights-of-way;*

(9) *Evaluation of governmental survey lines and other natural division lines of agricultural land so as to minimize interference with agricultural operations;*

(10) *Evaluation of the future needs for additional high voltage transmission lines in the same general area as any proposed route, and the advisability of ordering the construction of structures capable of expansion in transmission capacity through multiple circuiting or design modifications;*

((8)) (11) Evaluation of irreversible and irretrievable commitments of resources should the proposed site (AND TRANSMISSION LINE CORRIDOR) or route be approved; and

((9)) (12) Where appropriate, consideration of problems raised by other state and federal agencies and local entities.

((10)) (13) (WHERE) If the board's rules (AND REGULATIONS OF THE BOARD AS SET FORTH IN SECTIONS 116C.51 TO 116C.69) are substantially similar to existing rules and regulations of a federal agency to which the utility in the state is subject, the federal rules and regulations shall be applied by the board.

(14) *No site or route shall be designated which violates state agency rules.*

**Subd. 5. [EXEMPTION OF CERTAIN ROUTES.]** *A utility may apply to the board in a form and manner prescribed by the board to exempt the construction of any proposed high voltage transmission line from sections 116C.51 to 116C.69. Within 15 days of the board's receipt of the exemption application, the utility shall publish a notice and description of the exemption application in a legal newspaper of general circulation in each county in which the route is proposed and send a copy of the exemption application by certified mail to the chief executive of any regional development commission, county, incorporated municipality and organized town in which the route is proposed and shall send a notice and description of the exemption application to each owner over whose property the line may run, together with an understandable description of the procedures the owner must follow should he desire to object. For the purpose of giving mailed notice under this subdivision, owners shall be those shown on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. Except as to the owners of tax exempt property or property taxes on a gross earnings basis, every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived such mailed notice unless he has requested in writing that the county auditor or county treasurer, as the case may be, include his name on the records for such purpose. The failure to give mailed notice to a property owner, or defects in the notice shall not invalidate the proceedings, provided a bona fide attempt to comply with this subdivision has been made. If any person who owns real property crossed by the proposed route, or any person owning property adjacent to property crossed by the proposed route, or any affected political subdivision files an objection with the board within 60 days after the board's receipt of the exemption application, the board shall either deny the exemption application or conduct a public hearing. If the board determines that the proposed high voltage transmission line will not create significant human or environmental impact, it may exempt the proposed transmission line with any appropriate conditions, but the utility shall comply with any applicable state rule and any applicable zoning, building and land use rules, regulations and ordinances of any regional, county, local and special purpose government in which the route is proposed. The board may by rule require a fee to pay expenses incurred in processing exemptions. Any fee charged is subject to the conditions of section 116C.69, subdivision 2a.*

**Subd. 6. [RECORDING OF SURVEY POINTS.]** *The permanent location of monuments or markers found or placed by a utility in a survey of right of way for a route shall be placed on record in the office of the county recorder or registrar of*

*titles. No fee shall be charged to the utility for recording this information.*

Sec. 11. Minnesota Statutes 1976, Section 116C.58, is amended to read:

116C.58 [PUBLIC HEARINGS; NOTICE.] The board shall hold an annual public hearing at a time and place prescribed by (REGULATION) *rule* in order to afford interested persons an opportunity to be heard regarding its inventory of (POTENTIAL SITES AND CORRIDORS) *study areas* and any other aspects of the board's activities and duties or (THE) policies (SET FORTH) *specified* in sections 116C.51 to 116C.69. The board shall hold at least one public hearing in each county where a site or route is being considered for designation pursuant to section 116C.57 (AS SUITABLE FOR CONSTRUCTION OF A LARGE ELECTRIC POWER GENERATING PLANT OR A HIGH VOLTAGE TRANSMISSION LINE). Notice and agenda of public hearings and *public meetings of the board held in each county* shall be given by the board at least ten days in advance but no earlier than 45 days prior to such hearings or *meetings*. Notice shall be by publication in a legal newspaper of general circulation in the county in which the public hearing or *public meeting* is to be held and by *certified* mailed notice to chief executives of the regional (COUNCILS, COUNTY) *development commissions, counties, organized towns* and the incorporated municipalities (THEREIN) *in which a site or route is proposed*. All hearings held for designating a site or route or for exempting a route shall be conducted by a hearing examiner from the office of hearing examiners pursuant to the contested case procedures of chapter 15. Any person may appear at the hearings and present testimony and exhibits and may question witnesses without the necessity of intervening as a formal party to the proceedings.

Sec. 15. Minnesota Statutes 1976, Section 116C.61, Subdivision 3, is amended to read:

**Subd. 3. [STATE AGENCY PARTICIPATION.]** State agencies authorized to issue permits required for construction or operation of large electric power generating plants or high voltage transmission lines shall participate in and present the position of the agency at public hearings and all other activities of the board on specific site (, CORRIDOR) or route designations of the board, which position shall clearly state whether the site (, CORRIDOR,) or route being considered for designation or permit approval for a certain size and type of facility will be in compliance with state agency standards, regulations or

policies. (NO SITE OR ROUTE SHALL BE DESIGNATED WHICH VIOLATES STATE AGENCY REGULATIONS.)

Sec. 16. Minnesota Statutes 1976, Section 116C.62, is amended to read:

116C.62 [IMPROVEMENT OF SITES AND ROUTES.] Utilities which have acquired a (POWER PLANT) site or (TRANSMISSION LINE) route in accordance with sections 116C.51 to 116C.69 may proceed to construct or improve (SUCH) *the* site or route for the intended purposes at any time, subject to section 116C.61, subdivision 2, provided that if (SUCH) *the* construction and improvement commences more than four years after a certificate or permit for the site or route has been issued then the utility must certify to the board that (SUCH) *the* site or route continues to meet the conditions upon which the certificate of site compatibility or transmission line construction permit was issued.

Sec. 17. Minnesota Statutes 1976, Section 116C.63, is amended to read:

116C.63 [EMINENT DOMAIN POWERS; RIGHT OF CONDEMNATION.] *Subdivision 1.* Nothing (HEREIN) *in this section* shall (ABROGATE OR) invalidate the right of eminent domain vested in utilities by statute or common law existing as of May 24, 1973, *except to the extent modified herein.* (SUCH) *The* right of eminent domain shall continue to exist for utilities and may be used according to law to accomplish any of the purposes and objectives of sections 116C.51 to 116C.69, *including acquisition of the right to utilize existing high voltage transmission facilities which are capable of expansion or modification to accommodate both existing and proposed conductors. Notwithstanding any law to the contrary, all easement interests shall revert to the then fee owner if a route is not used for high voltage transmission line purposes for a period of five years.*

*Subd. 2.* *In eminent domain proceedings by a utility for the acquisition of real property proposed for construction of a route or a site, the proceedings shall be conducted in the manner prescribed in chapter 117, except as otherwise specifically provided in this section.*

*Subd. 3.* *When such property is acquired by eminent domain proceedings or voluntary purchase and the amount the owner shall receive for the property is finally determined, the owner who is entitled to payment may elect to have the amount paid in not more than ten annual installments, with interest on the deferred installments, at the rate of eight percent per annum on the unpaid balance, by submitting a written request to the utility before any payment has been made. After the first install-*

ment is paid the petitioner may make its final certificate, as provided by law, in the same manner as though the entire amount had been paid.

*Subd. 4. When property defined as class 3, 3b, 3c, 3cc, 3d, or 3f pursuant to section 273.13 is proposed to be acquired for the construction of a site or route by eminent domain proceedings, the property owner shall have the option to require the utility to condemn a fee interest in any amount of contiguous land which he owns and elects in writing to transfer to the utility within 60 days after his receipt of the petition filed pursuant to section 117.055. The required acquisition of land contiguous to, but outside the designated right-of-way of a route or the boundary of a site, shall be considered an acquisition for a public purpose and for use in the utility's business, for purposes of chapter 117D and section 500.24, respectively; provided that a utility shall divest itself completely of all such lands used for farming or capable of being used for farming within five years within the date of acquisition, or such land shall be sold at a public sale in the manner prescribed by law for the foreclosure of a mortgage by action.*

*Subd. 5. A utility shall notify by certified mail each person who has transferred any interest in real property to the utility after July 1, 1974, but prior to the effective date of this act, for the purpose of a site or route that he may elect in writing within 90 days after receipt of notice to require the utility to acquire any remaining contiguous parcel of land pursuant to section 17 or to return any payment to the utility and require it to make installment payments pursuant to section 17.*

[116C.635] [ANNUAL PAYMENTS.] *A utility shall annually pay to the owners of land defined as class 3, 3b, 3c, 3cc, 3d, or 3f pursuant to section 273.13 listed on records of the county auditor or treasurer over which runs a high voltage transmission line as defined in section 116C.52, subdivision 3, an amount determined by multiplying a fraction, the numerator of which is the length of high voltage transmission line which runs over that parcel and the denominator of which is the total length of that particular line running over all property within the county, by ten percent of the transmission and distribution line tax revenue derived from the tax on that line pursuant to section 273.42. Prior to August 1 of each year, the auditor of each county shall send a statement to the utility specifying the amount of the payment the utility must make to each qualifying owner of land within the county pursuant to this section. Where a right of way width is shared by more than one property owner, the numerator shall be adjusted by multiplying the length of line on the parcel by the proportion of the total width on the parcel owned by*

*that property owner. The amount of payment for which the property qualifies pursuant to this subdivision shall not exceed 20 percent of the total gross tax on the parcel prior to deduction of the state paid agricultural credit and the state paid homestead credit. The payments of this section shall be made to each affected landowner by the appropriate utility on or before October 1 of each year after 1977 based upon the tax levied in the previous year and shall not reduce any payment pursuant to a voluntary agreement or eminent domain proceeding.*

Sec. 19. Minnesota Statutes 1976, Section 116C.64, is amended to read:

**116C.64 [FAILURE TO ACT.] (IN THE EVENT)** *If the board fails to (DESIGNATE IN A TIMELY MANNER LARGE ELECTRIC POWER GENERATING PLANT SITES AND HIGH VOLTAGE TRANSMISSION LINE CORRIDORS OR ROUTES AS PROVIDED FOR HEREIN) act within the times specified in section 116C.57, any affected utility may seek an order of the district court requiring the board to designate or refuse to designate a site(, CORRIDOR,) or route.*

**[116.645] [REVOCAION OR SUSPENSION.]** *A site certificate or construction permit may be revoked or suspended by the board after adequate notice of the alleged grounds for revocation or suspension and a full and fair hearing in which the affected utility has an opportunity to confront any witness and respond to any evidence against it and to present rebuttal or mitigating evidence upon a finding by the board of:*

*(1) Any false statement knowingly made in the application or in accompanying statements or studies required of the applicant, if a true statement would have warranted a change in the board's findings;*

*(2) Failure to comply with material conditions of the site certificate or construction permit, or failure to maintain safety standards; or*

*(3) Any material violation of the provisions of sections 116C.51 to 116C.69, any rule promulgated pursuant thereto, or any order of the board.*

Sec. 21. Minnesota Statutes 1976, Section 116C.65, is amended to read:

Sec. 24. Minnesota Statutes 1976, Section 116C.68, is amended to read:

116C.68 [ENFORCEMENT, PENALTIES.] Subdivision 1. Any person who violates sections 116C.51 to 116C.69 or any rule (OR REGULATION) promulgated hereunder, or knowingly submits false information in any report required by sections 116C.51 to 116C.69 (SHALL BE) *is* guilty of a misdemeanor for the first offense and a gross misdemeanor for the second and each subsequent offense. Each day of violation shall constitute a separate offense.

The report shall also contain in-

formation on the board's biennial expenditures, its proposed budget for the following biennium, and the amounts paid in certificate and permit application fees pursuant to (SUBDIVISION) *subdivisions 2 and 2a* and in assessments pursuant to subdivision 3. The proposed budget for the following biennium shall be subject to legislative review.

Subd. 2. [SITE APPLICATION FEE.] Every applicant for a site certificate (OR TRANSMISSION LINE CONSTRUCTION PERMIT) shall pay to the board a fee in an amount equal to \$500 for each \$1,000,000 of production (OR TRANSMISSION LINE) plant investment in the proposed installation as defined in the Federal Power Commission Uniform System of Accounts. The board shall specify the time and manner of payment of the fee. If any single payment requested by the board is in excess of 25 percent of the total estimated fee, the board shall show that (SUCH) *the* excess is reasonably necessary. The applicant shall pay within 30 days of notification (SUCH) *any* additional fees (AS ARE) reasonably necessary for completion of the (PLANT) site (, TRANSMISSION LINE CORRIDOR OR ROUTE) evaluation and (SELECTION) *designation* process by the board. In no event shall the total fees required of the applicant under this subdivision exceed an amount equal to 0.001 of said production (OR TRANSMISSION LINE) plant investment (\$1,000 for each \$1,000,000) (EXCEPT THAT THE MINIMUM APPLICATION FEE SHALL NOT BE LESS THAN \$5,000). All money received pursuant to this subdivision shall be deposited in the general fund. So much money as is necessary is annually appropriated from the general fund to pay expenses incurred in processing applications for certificates (OR PERMITS) in accordance with (THE PROVISIONS OF) sections 116C.51 to 116C.69 and in the event (SUCH) *the* expenses are less than the fee paid, to refund the excess to the applicant. This annual appropriation shall not exceed the fees to be paid during (SUCH) *each* period.

Subd. 2a. [ROUTE APPLICATION FEE.] Every applicant for a transmission line construction permit shall pay to the board a base fee of \$35,000 plus a fee in an amount equal to \$1,000 per mile length of the longest proposed route. The board shall specify the time and manner of payment of the fee. If any single payment requested by the board is in excess of 25 percent of the total estimated fee, the board shall show that the excess is reasonably necessary. In the event the actual cost of processing an application up to the board's final decision to designate a route exceeds the above fee schedule, the board may assess the applicant any additional fees necessary to cover the actual costs, not to exceed an amount equal to \$500 per mile length of the longest proposed route. All money received pursuant to this subdivision shall be deposited in the general fund. So much money as is necessary is annually appropriated from the general fund to pay expenses incurred in processing applications for construction permits in accordance with sections 116C.51 to 116C.69 and in the event the expenses are less than the fee paid, to refund the

*excess to the applicant. This annual appropriation shall not exceed the fees to be paid during each period.*

Subd. 3. [FUNDING; ASSESSMENT.] The board shall finance its base line studies, general environmental studies, development of criteria, inventory preparation, *monitoring of conditions placed on site certificates and construction permits*, and all other work, other than specific site(, CORRIDOR,) and route (SELECTION,) *designation* from an assessment made annually by the board against all utilities. Each share shall be determined as follows: (1) the ratio that the annual retail kilowatt-hour sales in the state of each utility bears to the annual total retail kilowatt-hour sales in the state of all such utilities, multiplied by 0.667, plus (2) the ratio that the annual gross revenue from retail kilowatt-hour sales in the state of each utility bears to the annual total gross revenues from retail kilowatt-hour sales in the state of all such utilities, multiplied by 0.333, as determined by the board. (SUCH) *The* assessment shall be credited to the general fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the annual budget of the board for carrying out the purposes of this subdivision.

Sec. 26. [EMERGENCY RULES.] *The environmental quality board is authorized and directed to promulgate emergency rules pursuant to section 15.0412, subdivision 5, within 90 days of the effective date of this act, concerning the procedures for the revocation or suspension of a construction permit or a certificate of site compatibility and the procedure for designation of a route, including the manner and timeliness of proposing alternative routes, route designation considerations and route exemption criteria and procedures.*

*The chief hearing examiner is authorized and directed to promulgate emergency rules pursuant to section 15.0412, subdivision 5, within 30 days of the effective date of this act, establishing procedures for public hearings relating to the designation and exemption of routes. The rules shall attempt to maximize citizen participation in the route designation and exemption process.*

*Any emergency rules authorized by this section shall be effective until either January 1, 1978, or until the board and the chief hearing examiner adopt permanent rules pursuant to chapter 15, whichever occurs first.*

Sec. 27. *Minnesota Statutes 1976, Sections 116C.55, Subdivision 1; and 116C.56, are repealed.*

Sec. 28. *Except as herein provided, this act is effective the day following its final enactment. Any corridor, route or site ap-*

Any route or site application filed or any public hearing or other proceeding pursuant to sections 116C.51 to 116C.69 initiated or conducted subsequent to the effective date of this act shall be postponed until the completion of the emergency rules authorized in section 26, at which time it shall be considered, conducted and acted upon in accordance with sections 116C.51 to 116C.69, as amended by this act, and the emergency or permanent rules adopted pursuant to sections 22 or 26 of this act. The basic salary for institution educational administrators and supervisors shall be based upon the employee's qualifications and the appropriate academic level of the special teacher salary schedule. However, the commissioner is authorized to establish a percentage differential to compensate for administrative and supervisory responsibilities. Annual length of satisfactory service salary adjustments shall be awarded beginning with the payroll period nearest the anniversary date of the special teacher's, institution educational supervisor's or institution educational administrator's original or promotional appointment to his present class, unless he is notified in writing by the appointing authority that his work has been of a less than satisfactory level.

Sec. 21 Minnesota Statutes 1976, Section 43.122, Subdivision 3, is amended to read:

Subd. 3. (a) Employees in classes assigned to the "A" salary schedule may receive a one step salary increase annually, at the beginning of the first full payroll period nearest their anniversary date, to the position rate in their salary range, provided performance is satisfactory as indicated by their appointing authority.

The position rate shall be as follows:

*10 step salary range — 6th step*

*9 step salary range — 5th step*

*8 step salary range — 5th step*

7 step salary range — 4th step

6 step salary range — 4th step

5 step salary range — 4th step

4 step salary range — 3rd step

3 step salary range — 3rd step

Beyond the position rate, employees may receive one step satisfactory performance increases biennially, at the beginning of the first full payroll period nearest their anniversary date, upon the recommendation of their appointing authority, up to and including the maximum rate of the salary range for their class.

No increases authorized by this subdivision shall be granted by the appointing authority until an appropriate employee evaluation program is filed with the commissioner. Authorized increases shall be recommended in the context of performance measured against specific performance standards or objectives.

Appointing authorities shall not recommend increases for those employees in this schedule who have not met, or only marginally attained, performance standards or objectives. Increases withheld may subsequently be granted by the appointing authority upon certification to the commissioner that the employee is achieving performance standards or objectives.

(b) Employees in classes assigned to the "C" salary schedule shall progress through the salary range for their class according to the following procedure:

Employees compensated at the first step in their salary range shall be advanced to the second step at the beginning of the first full payroll period nearest the completion of six calendar months of satisfactory service at the first step. Employees compensated at the second step in their salary range shall be advanced to the third step at the beginning of the first full payroll period nearest the completion of six calendar months of satisfactory service at the second step.

Employees compensated at or beyond the third step in their salary range shall advance to the next highest rate in their salary range at the beginning of the first full payroll period nearest completion of each subsequent 12 calendar months of satisfactory service until the maximum rate of pay is attained.

Employees compensated at the maximum step in their range or above shall receive no salary adjustments under the provisions of this subdivision.

(c) Appointing authorities may withhold increases authorized in clause (b). Those employees who will be denied an increase because of unsatisfactory service must be notified in writing. Increases withheld may subsequently be granted by the appointing authority upon certification to the commissioner that the employee has achieved a satisfactory level of performance.

Advancement to the next higher step shall be effective at the beginning of the first payroll period following completion of the service requirement. Service requirements must be fulfilled with the same appointing authority, at the same principal place of employment, and performing similar work. Tenured laborers whose employment relationship is severed and non-tenured laborers who fail to meet the service and hour requirements for advancement in any calendar year, shall be considered to be new employees for purposes of this subdivision if they are subsequently reappointed to the labor service and shall be reappointed at step A.*

In order to enable the commissioner of finance to maintain proper records covering the appropriations made (BY) pursuant to this section, he may require certifications in connection therewith as he may deem necessary from any state (DEPARTMENT) agency, the Minnesota historical society, or the university of Minnesota whose employees receive benefits pursuant to this chapter. The accounts and funds referred to from which departments receive appropriations under the terms of this section are hereby declared to be a source of revenue for the purposes of any other law or statutory enactment.

(COMMENCING THE FIRST FULL PAYROLL PERIOD AFTER JULY 1, 1975, THE SALARY RATES FOR ALL HIGHWAY PATROL OFFICERS AND SERGEANTS SHALL BE INCREASED BY \$15 PER MONTH IN LIEU OF RECEIVING ANY SALARY DIFFERENTIAL FOR WORKING EVENING AND NIGHT HOURS.) Employees designated as station sergeants shall receive an additional (TWO) *three* percent above the current rate rounded to the nearest dollar for the duration of the appointment. Employees permanently assigned exclusively to Twin City metropolitan freeway duty shall be designated freeway troopers and shall be compensated \$25 per month above their current salary when so assigned. Salary increases in accordance with the above schedule shall become effective for the payroll period nearest the employee's anniversary date of employment.

In addition to the rates of pay provided above, all employees compensated according to the above salary table shall be paid a cost of living allowance to be determined and redetermined in the following manner:

(THE DIFFERENCE, IF ANY, BETWEEN) *For each full four-tenths point increase in the consumer price index for urban wage earners and clerical workers for Minneapolis-St. Paul, Minnesota (new series index 1967=100) as published for the months (JULY) January, (1975) 1977, and (APRIL) October, (1976) 1977, by the Bureau of Labor Statistics of the United States Department of Labor (SHALL BE COMPUTED. FOR EACH FULL FOUR-TENTHS POINT INCREASE SO COMPUTED, TWO-TENTHS OF ONE PERCENT ROUNDED TO THE NEAREST DOLLAR SHALL BE ADDED TO THE MONTHLY RATE) all hourly rates of pay (OF EACH TROOPER, CORPORAL, SERGEANT, CAPTAIN, MAJOR, AND LIEUTENANT COLONEL. SUCH COST OF LIVING ALLOWANCE) shall be increased by one cent per hour. The increase, if any, in salaries generated by this formula shall become effective (THE FIRST FULL PAYROLL PERIOD AFTER JULY 1, 1976) January 4, 1978, and shall continue in effect until (THE FIRST FULL PAYROLL PERIOD AFTER JANUARY 1, 1977) July 5, 1978. A redetermination of the cost of living allowance shall be made (IN OCTOBER, 1976, AND WILL INVOLVE COMPUTATION OF THE DIFFERENCE, IF ANY, BETWEEN THE AFOREMENTIONED INDEX AS PUBLISHED FOR THE BASE MONTH OF JULY, 1975, AND THE MONTH OF OCTOBER, 1976) for April, 1978. For each full four-tenths point increase (SO COMPUTED TWO-TENTHS OF ONE PERCENT ROUNDED TO THE NEAREST DOLLAR SHALL BE ADDED TO THE MONTHLY RATE OF PAY OF EACH TROOPER, CORPORAL, SERGEANT, CAPTAIN, MAJOR AND LIEUTENANT COLONEL AS A COST OF LIVING ALLOWANCE. SUCH COST OF LIVING ALLOWANCE SHALL BECOME EFFECTIVE THE PAYROL CLOSEST TO JANUARY 1, 1977) in the consumer price index for urban*

wage earners and clerical workers for Minneapolis-St. Paul, (new series index 1967=100) as published for the months of January, 1977, and April, 1978, by the Bureau of Labor Statistics, all hourly rates of pay shall be increased by one cent per hour. The increase, if any, in salaries generated by this redetermination shall be effective July 5, 1978. For the purpose of this clause, the term "hourly rate of pay" means the monthly salary of a rank set forth herein divided by 174.

During periods when such cost of living allowance is in effect, it shall be added to the applicable monthly rates of pay for highway patrol trooper, corporal, sergeant, captain, major and lieutenant colonel, and treated as a part thereof in all calculations involving employees' pay. *Cost of living adjustments are not cumulative and allowances paid under an earlier determination shall cease when a redetermination takes effect.*

The (COMMISSIONER OF ADMINISTRATION MAY DIRECT THE) commissioner of finance (TO) shall transfer to the department of public safety the necessary amount to finance the increased cost of the cost of living provisions of this clause. This amount is appropriated from the trunk highway fund to the department of public safety for this purpose.

(4) Upon promotion, the person will be paid at the base salary rate of pay in effect for that rank, and shall subsequently be eligible for the time in rank increases calculated from the effective date of promotion.

(5) Any time in rank increases in salary provided for in the tables in clause (3), shall be effective for the payroll period nearest the employee's anniversary date of employment.

The salary rates for all highway patrol (OFFICERS) troopers, corporals and sergeants as cited in clause (3) shall be deemed to include reimbursement for *shift differential*, meal and business expenses incurred by highway patrol (OFFICERS) troopers, corporals and sergeants in the performance of their assigned duties in their patrol areas; business expenses include, but are not limited to: uniform costs, home garaging of squad cars and maintenance of home office.

If a person filling the position of city coordinator or assistant city coordinator does not elect to become a member of the contributing class, the city of Minneapolis may pay to such person, in addition to the salary allowed under any limitations imposed upon salaries by any law, an amount equal to what would be the employer's contribution for normal costs to the retirement fund if the employee was a member of the contributing class, provided that such employee agrees that the additional salary shall be deposited by the city in a deferred compensation program.*

Sec. 35. [REVISOR'S INSTRUCTIONS.] *In respect to a collectively bargained contract with the state covering a period beginning on and after July 1, 1979, the revisor of statutes shall provide the chairpersons of the main policy committee in each body of the legislature charged with the responsibility of legislative oversight of state employee contract provisions and the legislative reference library with a copy of the contract showing additions and deletions from contract language in effect for the immediately preceding contract period. Where appropriate, the revisor shall consolidate provisions which are identical from contracts of two or more bargaining units.*

Sec. 36. [REPEALER.] *Minnesota Statutes 1976, Sections 43.09, Subdivision 7; 43.12, Subdivisions 4 and 9; and 299D.03, Subdivision 3a, are repealed.*

Sec. 37. [EFFECTIVE DATE.] *Sections 2, 3 and 34 are effective July 1, 1977. Section 4 is effective the day following final enactment. The remaining sections are effective the first day of the first payroll period commencing on or after July 1, 1977."*

  - (c) the ratio of the fraction so derived shall be multiplied by the federal estate tax due and payable to the United States Treasury.
  - (d) for purposes of this clause, the net estate is defined as the gross value of the estate on the applicable valuation date reduced by any unpaid mortgages on, or any indebtedness in respect of, property where the decedent's interest therein, undiminished by such mortgage or indebtedness, is included in the value of the gross estate.
- (8) other taxes which have accrued and are a lien on property in the estate at the time of death

(6) reasonable fees for legal or fiduciary services incident to non-probate assets,

(7) Minnesota and federal income taxes on "income in respect of a decedent," as computed under subdivision 3.

Where an estate has not been submitted to the probate court, deductions under (1), (2), (3) and (6) heretofore shall be allowed only to the persons actually having disbursed moneys for payments, and shall not exceed the net amount of such disbursements after giving credit for death benefits, medical and hospitalization insurance payments.

No deduction shall be allowed unless the person claiming the deduction when requested by the probate court or the commissioner, furnishes the court or the commissioner with information sufficient to enable the court or commissioner to determine the validity or correctness thereof.

Subd. 2a. The deductions set forth in subdivision 1 shall be allowed (WHERE THE ESTATE HAS BEEN SUBMITTED TO THE JURISDICTION OF THE COURT AND THE DEDUCTIONS TAKEN) *in estates that* have not been approved by the court in a formal proceeding. The deductions taken shall be submitted to the commissioner prior to the closing of the estate. The deductions shall be allowed unless the commissioner objects to any deduction claimed. The objection shall be made in the manner provided by section 291.09, subdivision 1.

Subd. 3. (a) The Minnesota and federal income tax allowed as deductions under subdivision 1, clause (10) and subdivision 2, clause (7) shall be computed as follows:

The table of rates required to be used by single taxpayers who itemize their allowable deductions shall be applied to the "income in respect of a decedent" as though such "income in respect of a decedent" constituted the entire income of the decedent taxable after giving effect to all allowable deductions. The amount of Minnesota or federal income tax as so computed shall not be diminished by any credits allowable by Minnesota or federal income tax laws.

(b) The deductions allowed herein shall be the only deductions allowed under this chapter for "income in respect of a decedent," without regard to the actual liability for income taxes that may be due and payable subsequently with respect to such "income in respect of a decedent."

Sec. 2. Minnesota Statutes 1976, Section 524.1-307, is amended to read:

524.1-307 [REGISTRAR; POWERS.] The acts and orders which chapter 524 specifies as performable by the registrar shall be performed by a judge of the court or by a person, including the clerk, designated by the court by a written order filed and recorded in the office of the court.

*In addition to acts specified in this chapter to be performed by the registrar, the registrar may take acknowledgements, administer oaths, fix and approve bonds, provide information on the various methods of transferring property of decedents under the laws of this state, issue letters in informal proceedings and perform such other acts as the court may by written order authorize as necessary or incidental to the conduct of informal proceedings. Letters, orders and documents issued by the registrar may be certified, authenticated or exemplified by the registrar or in the same manner as those issued by the court. All files shall be maintained by the clerk of court. The probate registrar shall not render advice calling for the exercise of such professional judgment as constitutes the practice of law.*

Sec. 3. Minnesota Statutes 1976, Section 524.3-108, is amended to read:

**524.3-108 [PROBATE, TESTACY AND APPOINTMENT PROCEEDINGS; ULTIMATE TIME LIMIT.]** No informal probate or appointment proceeding or formal testacy or appointment proceeding, other than a proceeding to probate a will previously probated at the testator's domicile and appointment proceedings relating to an estate in which there has been a prior appointment, may be commenced more than three years after the decedent's death, except (1) if a previous proceeding was dismissed because of doubt about the fact of the decedent's death, appropriate probate, appointment or testacy proceeding may be maintained at any time thereafter upon a finding that the decedent's death occurred prior to the initiation of the previous proceeding and the applicant or petitioner has not delayed unduly in initiating the subsequent proceeding; (2) appropriate probate, appointment or testacy proceedings may be maintained in relation to the estate of an absentee, or disappeared or missing person, at any time within three years after the death of the absentee or disappeared or missing person is established; and (3) a proceeding to contest an informally probated will and to secure appointment of the person with legal priority for appointment in the event the contest is successful, may be commenced within the later of twelve months from the informal probate or three years from the decedent's death. These limitations do not apply to proceedings to construe probated wills, determine heirs of an intestate, or proceedings to determine descent. In cases under (1) or (2) above, the date on which a testacy or appointment proceeding is properly commenced shall be deemed to be the date of the decedent's death for purposes of other limitations provisions of this chapter which relate to the date of death. *Nothing herein contained prohibits the formal appointment of a special administrator at any time for the purposes of reducing assets to possession, administering the same under direction of the court, or making distribution of any residue to the heirs or distributees determined to be entitled thereto pursuant to a descent proceeding under section 525.31 or an exempt summary proceeding under section 525.51, even though the three year period above referred to has expired.*

Sec. 4. *This act is effective the day following final enactment as to all informal proceedings commenced after January 1, 1976.*"

Further amend the title by striking in its entirety and inserting:

May 21, 1977

The Honorable Martin O. Sabo  
Speaker of the House of Representatives  
The Honorable Edward J. Gearty  
President of the Senate

We, the undersigned conferees for H. F. No. 1051 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1051 be amended as follows:

Strike everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1976, Section 62E.52, Subdivision 2, is amended to read:

Subd. 2. “Eligible person” means any person who is a resident of Minnesota and who, while a resident of Minnesota, has been found by the commissioner to have incurred an obligation to pay:

(1) qualified expenses for himself and any dependents in any 12 consecutive months exceeding:

(a) 40 percent of his household income up to \$15,000, plus 50 percent of his household income between \$15,000 and \$25,000, plus 60 percent of his household income in excess of \$25,000; or

(b) \$2,500, whichever is greater; or

(2) *qualified nursing home expenses for himself and any dependents in any 12 consecutive months exceeding 20 percent of his household income.*

Sec. 2. Minnesota Statutes 1976, Section 62E.52, is amended by adding a subdivision to read:

*Subd. 3a. "Qualified nursing home expense" includes any charge incurred for nursing home services after 36 months of continuous care provided to a person 64 years of age or younger in long-term care facilities.*

Sec. 3. Minnesota Statutes 1976, Section 62E.52, Subdivision 5, is amended to read:

Subd. 5. "Household income" means the gross income of an eligible person and all his dependents *23 years of age or older* for the calendar year preceding the year in which an application is filed pursuant to section 62E.53.

Sec. 4. Minnesota Statutes, Section 62E.53, Subdivision 2, is amended to read:

Subd. 2. If the commissioner determines that an applicant is an eligible person, he shall pay

(1) 90 percent of all qualified expenses of the eligible person and his dependents in excess of:

(a) 40 percent of his household income under \$15,000, plus 50 percent of his household income between \$15,000 and \$25,000, plus 60 percent of his household income in excess of \$25,000; or

(b) \$2,500;

whichever is greater for the 12 month period in which the applicant becomes an eligible person *and*

(2) *all qualified nursing home expenses of the eligible person and his dependents in excess of 20 percent of his household income. Provided, however, that the payment of qualified nursing home expenses shall not be made until the end of the fiscal year. If the appropriation for the payment of qualified nursing home expenses is inadequate to pay all qualified nursing home expenses, the commissioner shall prorate the payments among all eligible persons in proportion to their share of the total of the qualified nursing home expenses of all eligible persons. If the commissioner determines that the charge for a health service is excessive, he may limit his payment to the usual and customary charge for that service. If the commissioner determines that a health service provided to an eligible person was not medically necessary, he may refuse to pay for the service. To the extent feasible,*

the commissioner shall contract with a review organization as defined in section 145.61, in making any determinations as to whether or not a charge is excessive. To the extent feasible, the commissioner shall contract with a review organization as defined in section 145.61, in making any determination as to whether or not a service was medically necessary. If the commissioner in accordance with this section refuses to pay all or a part of the charge for a health service, the unpaid portion of the charge shall be deemed to be an unconscionable fee, against the public policy of this state, and unenforceable in any action brought for the recovery of moneys owed.

Sec. 5. Minnesota Statutes 1976, Section 256.73, Subdivision 2, is amended to read:

Subd. 2. [ALLOWANCE BARRED BY OWNERSHIP OF PROPERTY.] The ownership by father, mother, child, children, or any combination thereof, of property as follows shall be a bar to any allowance under sections 256.72 to 256.87:

(1) *Net equity in real estate used as a home (THE MARKET VALUE OF) which (LESS ENCUMBRANCES) exceeds (\$7,500) \$15,000; provided that real estate used as a home in excess of this amount will not be a bar to eligibility where the county welfare board determines that such real estate is not available for support of the family or the sale of such real estate would cause undue hardship.*

(2) *Personal property of a reasonable market value in excess of \$300 for a one child recipient or \$500 for more than one child recipient, exclusive of personal property used as the home, one automobile the market value of which does not exceed \$1,650, insurance carried by a parent which does not exceed a cash surrender value of \$500, (APPROPRIATE) clothing and necessary household furniture and equipment, (AND OF SUCH TOOLS, IMPLEMENTS, AND DOMESTIC ANIMALS AS IN THE OPINION OF THE COUNTY AGENCY IT IS EXPEDIENT TO RETAIN FOR THE PURPOSE OF REDUCING THE EXPENSE OR INCREASING THE INCOME OF THE FAMILY, AND) the earnings of a dependent child which are placed in a savings account to be used for a future purpose approved by the county agency in accordance with the rules and regulations of the commissioner of public welfare, and such property that produces a net income applicable to the family's needs; or*

(3) *Real estate not used as a home (, PROVIDED THAT IF SUCH REAL ESTATE DOES NOT PRODUCE NET INCOME SUFFICIENT TO MEET THE FAMILY BUDGET AND THERE IS NO AVAILABLE MARKET FOR THE SALE OF SUCH PROPERTY, OR IF THE PRICE WHICH CAN BE OBTAINED ON THE PREVAILING MARKET IS NOT FAIR AND REASONABLE CONSIDERING THE APPLICANT'S INTEREST THEREIN AND THE POSSIBILITIES OF SALE*

OF SAID PROPERTY FOR A GREATER AMOUNT WITHIN A REASONABLE LENGTH OF TIME THEREAFTER THEN IN THAT EVENT, IN THE DISCRETION OF THE COUNTY AGENCY, OWNERSHIP OF THE SAME) *which produces net income applicable to the family's needs or which the family is making a continuing effort to sell at a fair and reasonable price* shall not be a bar to an allowance under sections 256.72 to 256.87. Net income shall be the residue after payment from gross income of taxes, insurance, maintenance, and interest on encumbrances, if any, on the property, provided that in computing net income the gross income shall not be charged with any expenses toward betterment of the property as improvements or by payment on the principal of a mortgage; provided, that the net income thus derived shall be applied on the family budget.

Sec. 6. Minnesota Statutes 1976, Section 256B.06, Subdivision 1, is amended to read:

256B.06 [ELIGIBILITY REQUIREMENTS.] Subdivision 1. Medical assistance may be paid for any person:

(1) Who is eligible for or receiving public assistance under the aid to families with dependent children program; or

(2) Who is eligible for or receiving supplemental security income for the aged, blind and disabled; or

(3) Who except for the amount of income or resources would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children and is in need of medical assistance; or

(4) Who is under 21 years of age and in need of medical care that neither he nor his relatives responsible under sections 256B.-01 to 256B.26 are financially able to provide; or

(5) Who is residing in a hospital for treatment of mental disease or tuberculosis and is 65 years of age or older and without means sufficient to pay the per capita hospital charge; and

(6) Who resides in Minnesota, or, if absent from the state, is deemed to be a resident of Minnesota in accordance with the regulations of the state agency; and

(7) Who alone, or together with his spouse, does not have *net equity in real property used as a home in excess of (\$15,000) \$25,000 or real estate not used as a home which produces net income applicable to the family's needs or which the family is making a continuing effort to sell at a fair and reasonable price. The commissioner of public welfare shall annually adjust the limitation on net equity in real property used as a home by the same percentage as the homestead base value index provided in section 273.122, subdivision 2; and*

(8) Who, if single, does not have more than \$750 in cash or liquid assets or, if married, whose cash or liquid assets do not exceed \$1,000 plus \$150 for each additional legal dependent *except that the value of one automobile the market value of which does not exceed \$1,650 shall be disregarded; and*

(9) Who has or anticipates receiving an annual income not in excess of \$2,600 for a single person, or \$3,250 for two family members (man and wife, parent and child, or two siblings), plus \$625 for each additional legal dependent, or who has income in excess of these maxima and in the month of application, or during the three months prior to the month of application, incurs expenses for medical care that total more than one-half of the annual excess income in accordance with the regulations of the state agency. In excess income cases, eligibility shall be limited to a period of six months beginning with the first of the month in which these medical obligations are first incurred.

(10) Who has continuing monthly expenses for medical care that are more than the amount of his excess income, computed on a monthly basis, in which case eligibility may be established before the total income obligation referred to in the preceding paragraph is incurred, and medical assistance payments may be made to cover the monthly unmet medical need. In licensed nursing home and state hospital cases, (BOTH EXCESS INCOME AND) income over and above that required for justified needs (ARE), *determined pursuant to a schedule of contributions established by the commissioner of public welfare, is to be applied to the cost of institutional care. The commissioner of public welfare may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care and shall seek a waiver from federal regulations which establish the amount required to be contributed by the spouse of a nursing home resident; and*

((10)) (11) Who has applied or agrees to apply all proceeds received or receivable by him or his spouse from automobile accident coverage and private health care coverage to the costs of medical care for himself, his spouse, and children. The state agency may require from any applicant or recipient of medical assistance the assignment of any rights accruing under private health care coverage. Any rights or amounts so assigned shall be applied against the cost of medical care paid for under this chapter. Any assignment shall not be effective as to benefits paid or provided under automobile accident coverage and private health care coverage prior to receipt of the assignment by the person or organization providing the benefits.

Sec. 7. Minnesota Statutes 1976, Section 256B.14, is amended to read:

256B.14 [RELATIVE'S RESPONSIBILITY.] *Subject to the provisions of section 256B.06, the financial responsibility of*

a relative for an applicant or recipient of medical assistance shall not extend beyond the relationship of a spouse, or a parent of an applicant who is under 18 years of age.

Sec. 8. Minnesota Statutes 1976, Section 256D.11, Subdivision 4, is amended to read:

Subd. 4. A local agency may contract with the federal government, or with any department, agency, subdivision or instrumentality of the state, *or with any nonprofit organization approved by the commissioner of public welfare for the services of general assistance work program recipients on such terms and conditions as may be agreed upon, with or without consideration paid to the local agency.*

Sec. 9. Minnesota Statutes 1976, Section 256D.37, Subdivision 2, is amended to read:

Subd. 2. The eligibility criteria for supplemental aid under this section shall be those in effect December 31, 1973 for the categorical aid programs of old age assistance, aid to the blind, and aid to the disabled *except that net equity of \$25,000 in one home used as a residence, one automobile the market value of which does not exceed \$1,650, and real estate not used as a home which produces net income applicable to the family's needs or which the family is making a continuing effort to sell at a fair and reasonable price, are to be disregarded in determining eligibility. The commissioner of public welfare shall annually adjust the limitation on net equity in real property used as a home by the same percentage as the homestead base value index provided in section 273.122, subdivision 2.* The local agency shall apply the relevant criteria to each application. (EFFECTIVE JULY 1, 1974, THE REAL PROPERTY EQUITY LIMITATION FOR APPLICANTS OTHER THAN THE BLIND SHALL BE \$12,000. EFFECTIVE JANUARY 1, 1975, THE REAL PROPERTY EQUITY LIMITATION FOR ALL APPLICANTS FOR SUPPLEMENTAL AID UNDER THIS SECTION SHALL BE \$15,000.) The local agency in its discretion may permit eligibility of an applicant having assets in excess of the amount prescribed in this section if liquidation of the assets would cause undue loss or hardship.

Sec. 10. [APPROPRIATION.] *Subdivision 1. The sum of \$900,000 is appropriated to the department of public welfare for the biennium ending June 30, 1979 for the payment of qualified nursing home expenses. One half of the money shall be available for the year ending June 30, 1978, and one half of the money shall be available for the year ending June 30, 1979. Notwithstanding the provisions of Minnesota Statutes, Section 16A.28, the money appropriated for the biennium ending June 30, 1979 shall not lapse but shall remain available for payment of qualified nursing home expenses incurred during the biennium.*

*Subd. 2. There is appropriated from the general fund to the commissioner of public welfare the sum of \$7,100,000 for the biennium ending June 30, 1979 for the purposes of sections 5, 6, 7 and 9."*

Further, amend the title by deleting in its entirety and inserting:

"A bill for an act relating to public welfare; catastrophic health insurance; aid to families with dependent children, medical assistance, supplemental aid, and general assistance; altering eligibility criteria; providing authority for local agencies to contract with nonprofit organizations for work program services; appropriating money; amending Minnesota Statutes 1976, Sections 62E.52, Subdivisions 2 and 5, and by adding a subdivision; 62E.53, Subdivision 2; 256.73, Subdivision 2; 256B.06, Subdivision 1; 256B.14; 256D.11, Subdivision 4; and 256D.37, Subdivision 2."

May 21, 1977

The Honorable Martin O. Sabo  
Speaker of the House of Representatives  
The Honorable Edward J. Gearty  
President of the Senate

We, the undersigned conferees for H. F. No. 1030 report that we have agreed upon the items in dispute and recommend as follows:

That H. F. No. 1030 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 62A.02, Subdivision 3, is amended to read:

Subd. 3. [DISAPPROVAL.] The commissioner shall, within 30 days after the filing of any form, disapprove the form:

(1) if the benefits provided therein are unreasonable in relation to the premium charged;

(2) if it contains a provision or provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the policy; or

(3) if the proposed premium rate is excessive because the insurer has failed to exercise reasonable cost control.

*For the purposes of clause (1), the commissioner shall establish by rule a schedule of minimum anticipated loss ratios which shall be based on (i) the type or types of coverage provided, (ii) whether the policy is for group or individual coverage, and (iii) the size of the group for group policies. Except for individual policies of disability or income protection insurance, the minimum anticipated loss ratio shall not be less than 50 percent after the first year that a policy is in force. All applicants for a policy shall be informed in writing at the time of application of the anticipated loss ratio of the policy. For the purposes of this subdivision, "anticipated loss ratio" means the ratio at the time of*

*form filing or at the time of subsequent rate revision of the present value of all expected future benefits, excluding dividends, to the present value of all expected future premiums. Nothing in this paragraph shall prohibit the commissioner from disapproving a form which meets the requirements of this paragraph but which the commissioner determines still provides benefits which are unreasonable in relation to the benefits charged. The commissioner may until December 31, 1978, exercise emergency power for the purpose of implementing the minimum anticipated loss ratio requirement, and for this purpose may adopt emergency rules as provided in section 15.0412, subdivision 5. Notwithstanding the expiration of the commissioner's emergency power, any emergency rule adopted by him prior to the expiration of his emergency power may remain effective for the periods authorized in section 15.0412, subdivision 5.*

If the commissioner notifies an insurer which has filed any form that the form does not comply with the provisions of this section or sections 62A.03 to 62A.05 and section 72A.20, subdivision 1, it shall be unlawful thereafter for the insurer to issue the form or use it in connection with any policy. In the notice the commissioner shall specify the reasons for his disapproval and state that a hearing will be granted within 20 days after request in writing by the insurer.

Sec. 2. Minnesota Statutes 1976, Section 62A.17, Subdivision 6, is amended to read:

Subd. 6. [CONVERSION TO INDIVIDUAL POLICY.] A group insurance policy that provides post termination coverage as required by this section shall also include a provision allowing a covered employee or surviving spouse or dependent at the expiration of the post termination coverage provided by subdivision 2 to obtain from the insurer offering the group policy or group subscriber contract, at the employee's, spouse's or dependent's option and expense, without further evidence of insurability and without interruption of coverage, an individual policy of insurance or an individual subscriber contract providing (COVERAGE WHICH IS SIMILAR TO OR GREATER THAN THE HOSPITAL OR MEDICAL EXPENSE PROTECTION AFFORDED TO THE EMPLOYEE, THE SPOUSE AND HIS DEPENDENTS BY THE GROUP POLICY OR CONTRACT) at least the minimum benefits of a qualified plan as prescribed by section 62E.06 and the option of a number three qualified plan, a number two qualified plan, and a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3. A policy providing reduced benefits at a reduced premium rate may be accepted by the employee, the spouse or a dependent in lieu of the optional coverage otherwise required by this subdivision.

The individual policy shall be (GUARANTEED) renewable at the option of the individual as long as the individual is not covered under another qualified plan as defined in section 62E.02, subdivision 4, up to age 65 or to the day before the date of eligibility for coverage under Title XVIII of the Social Secur-

ity Act, as amended. Any revisions in the table of rate for the individual policy shall apply to the covered person's original age at entry, and shall apply equally to all similar policies issued by the insurer.

Subd. 5. Each member of the association shall share the losses due to claims expenses of the comprehensive health insurance plan *for plans issued or approved for issuance by the association, and shall share in the operating and administrative expenses incurred or estimated to be incurred by the association incident to the conduct of its affairs*, pursuant to the terms of the individual reinsurance contracts executed by the association with each member in accordance with section 62E.10, subdivision 5. Deviations in the claim experience of the state plan from the premium payments allocated to the payment of benefits shall be the liability of the association members. Association members shall share in the (EXCESS COSTS) *claims expense* of the state plan *and operating and administrative expenses of the association* in an amount equal to the ratio of the member's total cost of self insurance, accident and health insurance premium, subscriber contract charges, or health maintenance organization contract charges received from or on behalf of Minnesota residents as divided into the total cost of self insurance, accident and health insurance premium, subscriber contract charges, and health maintenance organization contract charges received by all association members from or on behalf of Minnesota residents, as determined by the commissioner. The reinsurance contract shall provide for (A RETROACTIVE) *an annual determination and assessment of each member's liability (AND), if any. Payment of the assessment shall be due within 30 days after (EACH RENEWAL DATE OF THE REINSURANCE CONTRACT) the end of the association's fiscal year. Subject to the approval of the commissioner, the reinsurance contract may provide for interim assessments as may be necessary to assure the financial capability of the association in meeting the incurred or estimated claims expenses of the state plan and operating and administrative expenses of the association until the association's next annual fiscal year end assessment.* Failure by a member to tender to the association the assessed reinsurance payment within 30 days of notification by the association shall be grounds for termination of the member's membership.

Net gains, if any, from the operation of the state plan shall be held at interest and used by the association to offset future losses due to claims expenses of the state plan or allocated to reduce state plan premiums.

Sec. 18. Minnesota Statutes 1976, Section 62E.13, Subdivision 2, is amended to read:

Subd. 2. Upon the commissioner's approval of the policy forms and contracts submitted pursuant to (SECTION 62A.10) *chapter 62A*, the association (SHALL) *may* select policies and contracts submitted by a member or members of the association to be the comprehensive health insurance plan. This selection shall be based upon criteria including the member's proven ability to handle large group accident and health insurance cases, efficient claim paying capacity, and the estimate of total charges for administering the plan. The association may select separate writing carriers for the two types of qualified plans, the qualified medicare supplement plan, and the health maintenance organization contract.

Sec. 19. Minnesota Statutes 1976, Section 62E.13, Subdivision 4, is amended to read:

Subd. 4. The writing carrier shall provide to all eligible persons enrolled in the plan an individual *policy or certificate*, setting forth a statement as to the insurance protection to which he is entitled, with whom claims are to be filed and to whom benefits are payable. (b) Name, address, and age of spouse and children if any, if they are to be insured;

(c) Evidence of rejection, or a requirement of restrictive riders, or a pre-existing conditions limitation on a qualified plan, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk, by at least two association members within six months of the date of the certificate; and

(d) A designation of the coverage desired.

An eligible person may not purchase more than one policy from the state plan.

Sec. 21. Minnesota Statutes 1976, Section 62E.53, is amended to read:

62E.53 [APPLICATION FOR ASSISTANCE.] Subdivision 1. Any person who believes that (THEY ARE) *he is* or will become an eligible person may submit an application for state assistance to the commissioner. The application shall include a listing of expenses incurred prior to the date of the application and shall designate the date on which the 12 month period for computing expenses began.

Subd. 2. If the commissioner determines that an applicant is an eligible person, he shall pay 90 percent of all qualified expenses of the eligible person and his dependents in excess of:

(a) 40 percent of his household income under \$15,000, plus 50 percent of his household income between \$15,000 and \$25,000, plus 60 percent of his household income in excess of \$25,000; or

(b) \$2,500;

whichever is greater for the 12 month period in which the applicant becomes an eligible person.

Subd. 3. *The commissioner shall by rule establish procedures for determining whether and to what extent qualified expenses are reasonable charges. Unless otherwise provided for by rule charges shall be reviewed for reasonableness by the same procedures used to review and limit reimbursement under the provisions of Chapter 256B.* If the commissioner determines that the charge for a health service is excessive, he may limit his payment to the (USUAL AND CUSTOMARY) *reasonable charge* for that service. If the commissioner determines that a health service provided to an eligible person was not medically necessary, he may refuse to pay for the service. (TO THE EXTENT FEASIBLE,) The commissioner (SHALL) *may* contract with a review organization as defined in section 145.61, in making any determinations as to whether or not a charge is excessive (. TO THE EXTENT FEASIBLE, THE COMMISSIONER SHALL CONTRACT WITH A REVIEW ORGANIZATION AS DEFINED IN SECTION 145.61,) *and* in making any determination as to whether or not a service was medically necessary. If the commissioner in accordance with this section refuses to pay all or a part of the charge for a health service, the unpaid portion of the charge shall be deemed to be an unconscionable fee, against the public policy of this state, and unenforceable in any action brought for the recovery of moneys owed.

Sec. 22. Minnesota Statutes 1976, Chapter 62E, is amended by adding a section to read:

[62E.531] [THIRD PARTY LIABILITY.] *Subdivision 1. When the commissioner pays for or becomes liable for payments for health services under the provisions of sections 62E.51 to 62E.55, the department of public welfare shall have a lien for payments and liabilities for the services upon any and all causes*

*The department may perfect and enforce its lien by following the procedures set forth in sections 514.69, 514.70, and 514.71, except that it shall have one year from the date when the last item of health service was furnished in which to file its verified lien statement. The statement shall be filed with the appropriate clerk of court in the county in which the recipient of the services resides or in the county in which the action was filed.*

*Subd. 2. Where a third party may be liable in whole or in part for payment for health services, the commissioner may consider the charges for the health services to be qualified expenses if the eligible person assigns any rights accruing by virtue of any third party liability to the commissioner to the extent necessary to reimburse the state for any payments made under the provisions of this section.*

*Subd. 3. Upon furnishing assistance under the provisions of sections 62E.51 to 62E.55, the department of public welfare shall be subrogated, to the extent of its payments for health services, to any rights the eligible person or his dependent may have under the terms of any plan of health coverage as defined in section 62E.02, subdivision 9. The right of subrogation shall not attach prior to written notice of the exercise of subrogation rights to the issuer of the plan of health coverage.*

*The attorney general, or the appropriate county attorney, acting upon direction from the attorney general, may institute or join a civil action against the issuer of the plan of health coverage to recover under this subdivision.*

Sec. 23. Minnesota Statutes 1976, Section 62E.54, Subdivision 1, is amended to read:

Section 1. Minnesota Statutes 1976, Section 123.39, Subdivision 5, is amended to read:

Subd. 5. The board may provide for the admission to the schools of the district, of non-resident pupils, and those above school age, and fix the rates of tuition for such pupils.

*Subd. 5a.* In case a person owns land and pays the taxes thereon, in a district other than the one in which he resides, then such person or his tenant shall be admitted to all the benefits of said school the same as residents therein, (IN RESPECT TO ELEMENTARY PUPILS) upon conforming to such reasonable terms for tuition and transportation as the board of education of such school district may have established for non-residents, except that he shall be entitled to have the amount of school taxes which he pays to the support of said district applied in payment of said tuition and transportation fees. In (THE PAYMENT OF STATE AID) *this case*, the district in which the pupil attends shall be considered the district of his residence (BECAUSE OF THE PROVISIONS OF THIS SUBDIVISION) *in the payment of state aid.*

Sec. 2. Minnesota Statutes 1976, Section 124.11, is amended to read:

124.11 [DATES OF AID PAYMENTS.] *Subdivision 1.* Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program *and except as provided in subdivision 5*, ten percent of the estimated elementary and secondary foundation aids shall be paid to districts in each of the months *other than October* from (SEPTEMBER) *August* through May based upon information available and the final distribution shall be made in *October* of the following (AUGUST) *school year.*

The September payment in each fiscal year shall be increased or decreased to reflect any deficit or excess in post-secondary vocational foundation aid received in the prior fiscal year.

*Subd. 3.* If any school district is unable to borrow necessary funds for the operation of its facilities during any fiscal year, due to legal borrowing restrictions or the lack of reasonable credit facilities, the commissioner of finance and state treasurer may, upon certification of such conditions by the commissioner of administration, advance such education aids as may be required to such district, with the condition that such aids be discounted by an amount equal to six percent or the current yield on U. S. treasury bills on the date of such payment to a maturity approximating the date on which aids are to be paid, whichever rate is higher, pursuant to the terms of this section. The amount of such discount shall be determined by the commissioner of finance, with the six percent discount or the "bid" price quoted

on treasury bills of an appropriate maturity calculated after consultation with the staff of the state board of investment.

*Subd. 4. Estimated elementary and secondary foundation aids shall be paid out on the basis of the (PRIOR YEAR'S PUPIL UNIT ENROLLMENT UNLESS THE OCTOBER 1 ENROLLMENT IS LARGER, IN WHICH CASE THE) latest available information. Estimated elementary and secondary foundation aids shall be computed on the basis of all pupil units identified in section 124.17, subdivision 1. An October enrollment count shall be (USED) obtained from all school districts. Adjustment for final elementary and secondary (FINAL) pupil unit figures shall be made in the (AUGUST PAYMENT OF AIDS) final foundation aid distribution in October of the following school year.*

Each year, beginning in 1978, based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall determine the distribution to each school district of the amount of revenue lost as a result of the reduction in property taxes provided in section 273.132. On or before July 15, 1978, and on or before July 15 of each year thereafter, the commissioner of revenue shall certify the amounts so determined to the department of education. Beginning in 1978, the department of education shall pay each school district one-half of its distribution in August and the remaining one-half in the following November, as part of the foundation aid payment to each district in those months.*

124.17 [DEFINITION OF PUPIL UNITS.] Subdivision 1. Pupil units for each resident pupil in average daily membership shall be counted as follows:

(1) In an elementary school, for kindergarten and for handicapped pre-kindergarten pupils as defined in section 120.03, and enrolled in one-half day sessions throughout the school year or

(4) To meet the problems of educational overburden caused by broken homes, poverty and low income, each pupil in clauses (1) and (2) from families receiving aid to families with dependent children or its successor program *who is enrolled in the school district on October 1* shall be counted as an additional five-tenths pupil unit. By (MAY) *March 1* of each year the department of public welfare (IS DIRECTED TO FURNISH) *shall certify* to the department of education, and to each school district to the extent the information pertains to it, that information concerning children from families with dependent children *who were enrolled in the school district on the preceding October 1* which is necessary to calculate pupil units. Additional aids to a district for such pupils may be distributed on a delayed basis until the department of education publicly certifies that the information needed for paying such aids is available on such a timely basis that such aids may be paid concurrently with other foundation aids.

(5) In every district where the number of pupils from families receiving aid to families with dependent children or its successor program exceeds five percent of the total actual pupil units in the district for the same year, as computed in clauses (1) and (2), each such pupil shall be counted as an additional one-tenth of a pupil unit for each percent of concentration over five percent of such pupils in the district. The percent of concentration shall be rounded down to the nearest whole percent for purposes of this clause, provided that in districts where the percent of concentration is less than six, no additional pupil units shall be counted under this clause for pupils from families receiving aid to dependent children or its successor program and provided further that no such pupil shall be counted as more than one and one-tenth additional pupil units pursuant to clauses (4) and (5). Such weighting shall be in addition to the weighting provided in clauses (1), (2), (3) and (4). School districts are encouraged to allocate a major portion of the aids that they receive on account of clauses (4) and (5) to primary grade programs and services, particularly to programs and services that involve participation of parents. Each district receiving aids on account of both clauses (4) and (5) shall establish and maintain accounts separate from all other district accounts for the receipt and disbursement of all such aids received.

(6) Where the total pupil units of a district are used as a multiplier in determining foundation aids and spending and levy limitations and where the actual number of pupil units has decreased from the prior year, the number of pupil units shall equal *the greater of (a) the average of actual pupil units in the district for the two prior years and the current (YEARS IN A DISTRICT WITH BOUNDARIES COTERMINOUS WITH THE BOUNDARIES OF A CITY OF THE FIRST CLASS AND SHALL BE) year or (b) the number of actual pupil units for the current year increased by .6 times the difference between the actual pupil units for the (TWO YEARS IN ANY OTHER DISTRICT) prior year and the current year.* Only pupil units as computed in clauses (1) and (2) shall be included for purposes of computations made pursuant to this clause.

(7) In districts maintaining classified secondary schools where the actual number of pupil units has increased from the prior year by two percent or more, the additional pupil units over the prior year, as computed in clauses (1) and (2), shall be multiplied times one-tenth for each percent of increase over the prior year and a number of pupil units equal to the product shall be added to the other units for the district. The percent of increase shall be rounded up to the next whole percent for purposes of this clause, provided that in districts where the percent of increase is less than two, no additional pupil units shall be added to the other units for the district and provided further that the number of pupil units of increase over the prior year shall under no circumstances be multiplied by more than five-tenths.

(8) Only pupil units in clauses (1) and (2) shall be used in computing adjusted maintenance cost per pupil unit.

Subd. 2. Membership for pupils in grades kindergarten through twelve and for handicapped prekindergarten pupils shall mean the number of pupils on the current roll of the school, counted from the date of entry until withdrawal. The date of withdrawal shall mean the day the pupil permanently leaves the school or the date it is officially known that the pupil has left or has been legally excused; provided that any pupil, regardless of age, who has been absent from school without a legally justifiable excuse for 15 consecutive school days shall be dropped from the roll and classified as withdrawn. Nothing in Extra Session Laws 1971, Chapter 31, shall be construed as waiving the compulsory attendance provisions cited in section 120.10. Average daily membership shall equal the sum for all pupils of the number of days of the school year each pupil is enrolled in the district's schools divided by the number of days said schools are in session. For districts operating 12 months schools, days schools are in session shall mean the number of

session days required by section 124.19, subdivision 1. (THE AVERAGE DAILY MEMBERSHIP OF A PUPIL ENROLLED ON A SHARED TIME BASIS SHALL EQUAL THE RATIO OF THE TOTAL MINUTES FOR WHICH SUCH PUPIL IS ENROLLED AND THE MINIMUM MINUTES REQUIRED DURING THE YEAR FOR A REGULARLY ENROLLED PUBLIC SCHOOL PUPIL. FOUNDATION AID FOR SHARED TIME PUPILS SHALL EQUAL THE AMOUNT WHICH WOULD ACCRUE IF SHARED TIME PUPIL UNITS, COUNTED PURSUANT TO SUBDIVISION 1, CLAUSES (1) AND (2), WERE ADDED TO THE DISTRICT'S TOTAL PUPIL UNITS USED IN DETERMINING ITS FOUNDATION AID. FOUNDATION AID FOR SHARED TIME PUPILS SHALL BE IN ADDITION TO ANY OTHER AID TO WHICH THE DISTRICT IS OTHERWISE ENTITLED AND SHARED TIME PUPIL UNITS SHALL NOT BE USED FOR ANY OTHER COMPUTATION UNDER SUBDIVISION 1 OR FOR ANY COMPUTATION UNDER SECTION 124.04. A DISTRICT SHALL NOT BE ENTITLED TO TRANSPORTATION AID UNDER SECTION 124.222 FOR PUPILS ENROLLED ON A SHARED TIME BASIS UNLESS THE STATUTES SPECIFICALLY PROVIDE FOR TRANSPORTATION AID TO SUCH STUDENT. THIS SUBDIVISION SHALL BE EFFECTIVE JULY 1, 1975 AS APPLIED TO SHARED TIME FOUNDATION AID AND JULY 1, 1976 AS APPLIED TO PUPILS IN AREA VOCATIONAL-TECHNICAL SCHOOLS.)

Sec. 6. Minnesota Statutes 1976, Section 124.17, is amended by adding a subdivision to read:

*Subd. 2b. Notwithstanding subdivision 2, pupils enrolled in the Minnesota National Guard program shall be construed to be in attendance for purposes of computing average daily membership during any period of the regular school year, but not to include summer school, during which the pupil is attending military active duty training pursuant to that program. During that period of military active duty training, the pupil shall earn all aid for the district of residence or attendance which would be otherwise earned by his presence.*

Sec. 7. Minnesota Statutes 1976, Section 124.19, Subdivision 1, is amended to read:

124.19 [REQUIREMENTS FOR AID GENERALLY.]  
Subdivision 1. Every district which receives special state aid shall maintain school or provide instruction in other districts, in state university laboratory school or in the university laboratory school, at least a minimum term as defined by the state board. The normal school year when school is in session shall be not less than 175 days or their equivalent. A district which holds school for that period and is otherwise qualified is entitled to special state aid as by law provided. If school is held a less period such special state aid shall be reduced (IN THE

PROPORTION THAT) *by the ratio that the difference between 175 days and the number of days school is held bears to 175 days (EFFECTIVE THE 1970-71 SCHOOL YEAR AND THEREAFTER), multiplied by 60 percent of the product of the district's foundation aid formula allowance times its pupil units for that year; but districts maintaining less than the required minimum number of days of school in session do not lose special state aid if the circumstances causing such loss of school time below the required minimum number of days were beyond the control of the board and provided proper evidence has been submitted and a good faith attempt made to make up time lost on account of these circumstances (; PROVIDED FURTHER, THAT). Days devoted to teachers' institutes or other meetings authorized or called by the commissioner may not be included as part of the required minimum number of days of school in session. Effective the 1977-1978 school year, not more than five days may be devoted to parent-teacher conferences or teachers' workshops as part of the required minimum number of days school is in session.*

Sec. 8. Minnesota Statutes 1976, Section 124.212, Subdivision 1, is amended to read:

124.212 [FOUNDATION AID.] Subdivision 1. The foundation aid program for school districts for school years (1975-1976) 1977-1978 and (1976-1977) 1978-1979 shall be governed by the terms and provisions of this section.

Sec. 9. Minnesota Statutes 1976, Section 124.212, Subdivision 3a, is amended to read:

Subd. 3a. Notwithstanding any of the other provisions of this section, for the (1975-1976) 1977-1978 school year neither the sum nor the sum per pupil unit of the aggregate foundation aid earned by a district maintaining a classified secondary school and the amount raised by the maximum levy authorized by Minnesota Statutes (1974) 1976, Section 275.125, Subdivision 2a, Clause (2) and for the (1976-1977) 1978-1979 school year neither the sum nor the sum per pupil unit of the aggregate foundation aid earned by such a district and the amount raised by the maximum levy authorized (FOR 1975) in 1977 by section 275.125, subdivision 2a, clause (1), shall be less than the sum or the sum per pupil unit respectively of the aggregate foundation aid earned for the 1972-1973 school year, any payments earned for 1972-1973 which but for the operation of Minnesota Statutes 1971, Section 124.212, Subdivision 3, would not have been earned, and the amount raised by the levy authorized by Minnesota Statutes 1971, Section 275.125, Subdivision 2, Clause (1). Aggregate foundation aid includes foundation aid for all pupil units, except units computed in section 124.17, subdivision 1, clause (3). For purposes of this computation pupil units used as a divisor shall include only those units identified in section 124.17, subdivision 1, clauses (1) and (2).

Sec. 10. Minnesota Statutes 1976, Section 124.212, Subdivision 4, is amended to read:

Subd. 4. The amount of money received by a school district as income from the permanent school fund for any year, shall be deducted from the foundation aid earned by the district for the same year (INCLUDING AID EARNED PURSUANT TO SUBDIVISION 3A) or from aid earned from other state sources.

Sec. 11. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

*(3) In the 1982-1983 school year and each school year thereafter, the entire amount of money apportioned to a school district in that year pursuant to section 124.10, subdivision 2, shall be deducted from the foundation aid earned by that district for the same year.*

Subd. 6b. For the (1975-1976) *1977-1978* school year a district shall receive in foundation aid the lesser of (1) (\$900) *\$1,030* per pupil unit less (30) *29* mills times the (1973) *1975* adjusted assessed valuation of the district, or (2) the amount that bears the same relation to the difference in (1) as the sum of the greater sum computed pursuant to Minnesota Statutes (1974) *1976*, Section 124.212, Subdivision (7A) *7b*, Clause (2), and the greater of (a) (ONE-HALF) *five-sixths* of the difference that results when such greater sum is subtracted from (\$900) *\$1,030*, or (b) (\$75) *\$70*, bears to (\$900) *\$1,030*.

Sec. 13. Minnesota Statutes 1976, Section 124.212, Subdivision 7b, is amended to read:

Sec. 14. Minnesota Statutes 1976, Section 124.212, Subdivision 8a, is amended to read:

Subd. 8a. (1) Notwithstanding any provisions of any other law to the contrary, the adjusted assessed valuation used in calculating foundation aid shall include only that property which is currently taxable in the district. For districts which received payments under sections 124.215, subdivision 2a; 124.25; 124.28; 124.30; 473.633 and 473.635; the foundation aid shall be reduced by: The previous year's payment to the district pursuant to said sections times the ratio of the maximum levy allowed the district under section 275.125, subdivision 2a, to the total levy allowed by section 275.125, but not to exceed (45 PERCENT IN 1975-1976 AND) 50 percent (IN 1976-1977) of the previous year's payment.

(2) For districts which received payments under sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; the foundation aid shall be reduced

in the (AUGUST) *October* adjustment payment by the previous fiscal year's payment to the district pursuant to said sections times the ratio of the maximum levy allowed the district under section 275.125, subdivision 2a, to the total levy allowed by section 275.125 for collection in the calendar year ending during the aforementioned fiscal year, but not to exceed (40 PERCENT IN THE AUGUST 1975 ADJUSTMENT, 45 PERCENT IN THE AUGUST 1976 ADJUSTMENT, AND) 50 percent (IN THE AUGUST 1977 ADJUSTMENT) of the previous fiscal year's payment. *If the October adjustment of a district's foundation aid for a fiscal year is a negative amount because of this clause, the next fiscal year's foundation aid to that district shall be reduced by this negative amount. The amount reduced from foundation aid pursuant to this clause shall be recognized as revenue in the fiscal year to which the October adjustment payment is attributable.*

Sec. 15. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

*Subd. 9a. Shared time pupils are defined as those pupils who attend public schools for part of the regular school day and who otherwise fulfill the requirements of section 120.10 by attendance at a private school.*

*(a) The average daily membership of a pupil enrolled on a shared time basis shall equal the ratio of the total minutes for which the pupil is enrolled and the minimum minutes required during the year for a regularly enrolled public school pupil.*

*(b) Foundation aid for shared time pupils shall equal the amount which would accrue if shared time pupil units, counted pursuant to section 124.17, subdivision 1, clauses (1) and (2), were added to the district's total pupil units used in determining its foundation aid. Foundation aid for shared time pupils shall be in addition to any other aid to which the district is otherwise entitled and shared time average daily membership shall not be used in the computation of pupil units under section 124.17, subdivision 1, for any purpose other than the computation of shared time foundation aid pursuant to this subdivision.*

*(c) Foundation aid for shared time pupils shall be paid to the district of the pupil's residence. If a pupil attends shared time classes in another district, the resident district shall pay to the district of attendance an amount of tuition equal to the ratio in clause (a) times the amount of tuition which would be charged and paid for a nonresident public school pupil in a similar circumstance. The district of residence shall not be obligated for tuition except by previous agreement.*

*(d) Notwithstanding the provisions of clause (c), the resident district of a shared time pupil attending shared time classes in another district may grant the district of attendance, upon*

*its request, permission to claim the pupil as a resident for state aid purposes. In this case, state aid shall be paid to the district of attendance.*

Sec. 16. Minnesota Statutes 1976, Section 124.213, is amended to read:

124.213 [AID RECAPTURE.] *Subdivision 1.* In any year when the amount of the maximum levy allowed for any district by section 275.125, subdivision 2a, clause (1) or (2), exceeds the product of (a) the district's foundation aid formula allowance for the corresponding school year under section 124.212 and (b) the number of pupil units computed for the district under section 124.17 for that school year, an amount equal to the difference between the levy as certified and the specified product shall be deducted in the following order from the aids for the purposes specified receivable during the same school year pursuant to the following sections: (1) transportation aid pursuant to section 124.222; (2) secondary vocational aid pursuant to section 124.57 or 124.573; (3) special education aid pursuant to section 124.32. (FOR THE 1977-1978 SCHOOL YEAR, THE FOUNDATION AID FORMULA ALLOWANCE SHALL EQUAL THE LESSER OF \$1,015 OR THE SUM OF THE GREATER SUM COMPUTED PURSUANT TO SECTION 124.212, SUBDIVISION 7B, CLAUSE (2), AND THE GREATER OF (A) FIVE-SIXTHS OF THE DIFFERENCE THAT RESULTS WHEN SUCH GREATER SUM IS SUBTRACTED FROM \$1,015, OR (B) \$55.) This section shall apply to school years commencing with the 1977-1978 school year; provided, deductions pursuant to this section shall be limited to the following percentages of the difference between the specified product and the certified levy in the school years indicated: 20 percent of the difference in the 1977-1978 school year; 60 percent of the difference in the 1978-1979 school year; and 100 percent of the difference in the 1979-1980 school year and each school year thereafter.

*Subd. 2.* For the 1977-1978 school year, the foundation aid formula allowance shall equal the lesser of \$1,030 or the sum of the greater sum computed pursuant to section 124.212, subdivision 7b, clause (2), and the greater of (a) five-sixths of the difference that results when such greater sum is subtracted from \$1,030, or (b) \$70. The foundation aid formula allowance shall be \$1,090 for the 1978-1979 school year.

Sec. 17. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

Sec. 18. Minnesota Statutes 1976, Section 273.132, is amended to read:

273.132 [STATE PAID AGRICULTURAL CREDIT.] The county auditor shall reduce the tax *for school purposes* on all property receiving the homestead credit pursuant to section 273.13, subdivision 6, by an amount equal to the tax levy that would be produced by applying a rate of 12 mills on the property. The county auditor shall reduce the tax *for school purposes* on all other agricultural lands and all real estate devoted to temporary and seasonal residential occupancy for recreational purposes, but not devoted to commercial purposes, by an amount that would be produced by applying a rate of ten mills on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner of revenue shall review such certifications to determine their accuracy. He may make such changes in the certification as he may deem necessary or return a certification to the county auditor for corrections.

*In 1977, payment shall be made according to the procedure provided in section 273.13, subdivision 15a, for the purpose of replacing revenue lost as a result of the reduction of property taxes provided in this section. In 1978, payment shall be made pursuant to sections 124.212, subdivision 7b and 124.11, for the purpose of replacing revenue lost as a result of the reduction in property taxes provided in this section. There is appropriated from the general fund in the state treasury to the department of education the amount necessary to make these payments in fiscal year 1979 and thereafter.*

Sec. 19. Minnesota Statutes 1976, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In (1975) 1977, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 28 mills times the (1974) 1976 adjusted assessed valuation of the district (TIMES THE NUMBER OF MILLS, NOT TO EXCEED 29, THAT BEARS THE SAME RELATION TO 29, AS THE GREATER SUM COMPUTED PURSUANT TO SECTION 124.212, SUBDIVISION 7B, CLAUSE (2), BEARS TO \$960).

(2) In (1976) 1978, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 27 mills times the (1975) 1977 adjusted assessed valuation of the district (TIMES THE NUMBER OF MILLS, NOT TO EXCEED 29, THAT BEARS THE SAME RELATION TO 29, AS THE SUM OF THE GREATER SUM COMPUTED PURSUANT TO SECTION 124.212, SUBDIVISION 7B,

CLAUSE (2), AND THE GREATER OF (A) FIVE-SIXTHS OF THE DIFFERENCE THAT RESULTS WHEN SUCH GREATER SUM IS SUBTRACTED FROM \$1015, OR (B) \$55, BEARS TO \$1015).

(3) For any district levying less than 95 percent of the maximum levy allowable in clauses (1) and (2), beginning with the levy certified in 1976, payable in 1977, the foundation aid to the district for the 1977-1978 school year, and for subsequent levies, foundation aid for subsequent school years, calculated pursuant to section 124.212, shall be reduced by 50 percent of the amount of the difference between the actual levy and the maximum levy allowable under clauses (1) and (2). In the application of this clause, the maximum levy allowable under clauses (1) and (2) shall be reduced by any reduction of this levy which is required by section 275.125, subdivision 9 or any other law.

(4) (a) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only one such election may be held (IN A SINGLE) to approve a levy increase which will commence in a specific school year. The question on the ballot shall (BE WHETHER A SPECIFIC MILLAGE WHICH WILL YIELD A SPECIFIC AMOUNT BASED ON THE MOST RECENT ASSESSED VALUATION MAY BE ADDED TO THAT AUTHORIZED BY CLAUSES (1) OR (2)) state the maximum amount of the increased levy in mills, the amount that will be raised by that millage in the first year it is to be levied, and that the millage shall be used to finance school operations. The question may designate a specific number of years for which the referendum authorization shall apply. If approved, the amount provided by the approved millage applied to each year's (ASSESSED) taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked by the voters of the district at a subsequent referendum (, WHICH).

(b) A referendum on the question of revoking the increased levy amount authorized pursuant to clause (a) of this clause may be called by the school board and (WHICH) shall be called by the school board upon the written petition of qualified voters of the district (UNLESS THE PETITION FOR REVOCATION IS SUBMITTED IN THE SAME YEAR IN WHICH A LEVY HAS BEEN INCREASED BY THE VOTERS PURSUANT TO THIS CLAUSE). The amount approved by the voters of the district pursuant to clause (a) of this clause must be levied at least once before it is subject to a referendum on its revocation for subsequent years. Only one such revocation election may be held to revoke a levy for any specific year and for years thereafter.

(c) A petition authorized by *clauses (a) or (b) of this clause* shall be effective if signed by a number of qualified voters in excess of 15 percent, or 10 percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board (UNLESS THE PETITION FOR REVOCATION IS SUBMITTED IN THE SAME YEAR IN WHICH A LEVY HAS BEEN INCREASED BY THE VOTERS PURSUANT TO THIS CLAUSE).

(d) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(e) *Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.*

Sec. 20. Minnesota Statutes 1976, Section 275.125, Subdivision 9, is amended to read:

Subd. 9. (1) Districts which received payments which result in deductions from foundation aid pursuant to section 124.212, subdivision 8a, clause (1), shall reduce the permissible levies authorized by subdivisions 3 to 14 by that portion of the previous year's payment not deducted from foundation aid on account of the payment. The levy reductions shall be made in the proportions that each permissible levy bears to the sum of the permissible levies. Reductions in levies pursuant to this clause, subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section to be certified in the calendar year in which the deduction from foundation aid is made pursuant to section 124.212, subdivision 8a, by the portion of the previous fiscal year's payment which was not deducted from foundation aid in that calendar year pursuant to section 124.212, subdivision 8a.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, clause 1 or 2, to an amount less than the amount raised by a levy of 10 mills times the adjusted assessed valuation of that district

for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2a, clause (4) shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision.

(4) *Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by Article VI, Section 9, of this act, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to that subdivision. The reduction of the capital expenditure levy shall be computed on the basis of the amount so ascertained.*

The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

## ARTICLE II

### TRANSPORTATION AID PROGRAM

**Section 1.** Minnesota Statutes 1976, Section 124.14, Subdivision 1, is amended to read:

**124.14 [DISTRIBUTION OF SCHOOL AIDS; APPROPRIATION.]** Subdivision 1. The state board shall supervise distribution of the school aids in accordance with law. It may make rules and regulations consistent with law for such distribution which will enable districts to perform efficiently the services required by law and further education in the state, including reasonable requirements for such reports and accounts to it as will assure accurate and lawful apportionment of aids. It shall require that the *membership and* pupil unit count of a minimum of 25 school districts be audited each fiscal year. The audits shall be conducted at random throughout the state with no prior notice to any district. *At the time of each audit, the auditors shall also examine the appropriate factors that related to the determination of the authorized transportation costs and aids for that district. In districts where a post-secondary vocational-technical school is located, the audit shall include an audit of the member-*

*ship of that school. Disparities between membership and pupil unit counts or transportation data reported by the school districts and those found by the auditors shall be reported to the commissioner who shall order an increase or reduction of foundation or transportation aids accordingly. A reduction of foundation or transportation aid under this section may be appealed to the state board of education and its decision shall be final. Public schools shall at all times be open to the inspection of the state board, and the accounts and records of any district are open to inspection by the state auditor, or the state board.*

Sec. 2. Minnesota Statutes 1976, Section 124.222, Subdivision 1a, is amended to read:

The application shall also include any other information deemed necessary by the commissioner for the calculation of state aid and for the evaluation of *the necessity of the program, the necessity of the personnel to be employed in the program, and the*

program's compliance with the rules and standards of the state board. *The commissioner shall review each application in order to determine whether the program and the personnel to be employed in the program are actually necessary and essential to meet the district's obligation to provide special instruction and services to handicapped children pursuant to section 120.17. The commissioner shall not approve aid pursuant to this section for any program or for the salary of any personnel he determines to be unnecessary or unessential on the basis of this review.* On or before (AUGUST 1, 1976 AND BEFORE) July 1 of each year (THEREAFTER), the commissioner shall approve, disapprove or modify each application, and notify each applying district of his action and of the estimated (LEVEL) amount of aid for the programs (DETERMINED PURSUANT TO SUBDIVISION 1). Subd. 8. When planning programs for the education of handicapped children in the regular classroom, school districts are encouraged to consider the size of the regular class and to provide the support services necessary to insure successful mainstreaming.

Subd. 9. Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program the state shall pay to each school district 30 percent of its estimated special education aid for the school year on or before each of the following dates: September 30, December (30) 31 and March 31. On or before (MARCH 15, 1977, AND) March 15 of each year (THEREAFTER), districts shall submit separate applications for program and budget approval for summer school programs. *The review of these applications shall be as provided in subdivision 7.* By (MAY 1, 1977, AND) May 1 of each year (THEREAFTER), the commissioner shall approve, disapprove or modify the applications and notify the districts of his action and of the estimated (LEVEL) amount of aid for the summer school programs. Aid for these programs shall be paid on or before the October 1 after the summer when the programs are conducted.

124.572 [CURRENT FUNDING FOR ADULT VOCATIONAL EDUCATION.] *Subdivision 1.* The purpose of this section is to change the method of funding adult vocational programs from reimbursement based on past expenditures to a current funding basis. Beginning July 1, 1977, the state shall not reimburse expenditures from the 1976-1977 school year programs, but shall pay aids for the 1977-1978 school year programs and for each year thereafter on a current funding basis.

*Subd. 2.* In the 1977-1978 school year and thereafter, the state shall pay to any district or cooperative vocational center 75 percent of the salaries paid to essential, licensed personnel in that school year for services rendered in that district's or center's adult vocational education programs. In addition, the state shall pay 50 percent of the costs of necessary travel between instructional sites by adult vocational education teachers. The aid paid by the state for salaries and travel pursuant to this subdivision shall be reduced by any authorized federal vocational aid funds paid by the department to that district or center for adult vocational education programs.

*Subd. 3.* This aid shall be paid only for services rendered or for travel costs incurred in adult vocational education programs approved by the state department of education and operated in accordance with rules promulgated by the state board; provided, in 1977-1978 the department may pay this aid for programs operated in accordance with the state plan for vocational education and current state board rules. By 1978-1979, these rules shall provide minimum student-staff ratios required for an adult vocational education program to qualify for this aid. Except as provided in section 125.185, subdivision 4, by 1978-1979 rules re-

lating to adult vocational education programs shall not incorporate the provisions of the state plan for vocational education by reference.

*Subd. 4. Boards may charge tuition for participation in adult vocational education programs. Nothing in this section shall prohibit the charging of differential tuition rates for residents or nonresidents of a district. If adult vocational education is provided by another district or a cooperative center by contract pursuant to subdivision 5, the contract shall provide for this issue.*

*Subd. 5. Any board may contract with the board of a district containing a post-secondary vocational-technical school or the board of a cooperative center for the provision of adult vocational education services. The board providing these services may also act as fiscal agent for the other contracting district if so agreed. Information copies of all contracts shall be provided to the state department.*

*Subd. 6. All adult vocational education aid shall be paid to the district or cooperative center providing the services. The district providing the services may bill the contracting district for any unpaid costs incurred in providing these services if so agreed in the contract.*

*Subd. 7. Each district providing adult vocational education shall establish and maintain separate accounts for the receipt and disbursement of all funds related to these adult vocational education programs. All adult vocational education aid received by the district from any source shall be utilized solely for the purposes of adult vocational education programs.*

*Subd. 8. The state shall pay to each school district 30 percent of its estimated adult vocational education aid for the school year on or before the following dates: August 31, December 31 and March 31. The final aid distribution to the district shall be made on or before October 31 of the following school year. *Subd. 2. In the 1978-1979 school year and thereafter, the state shall pay to any district or cooperative center 50 percent of the salaries paid to essential, licensed personnel in that school year for services rendered in that district's or center's secondary vocational education programs. In addition, the state shall pay 50 percent of the costs of necessary equipment for these programs and 50 percent of the costs of necessary travel between instructional sites by secondary vocational education teachers. The aid paid by the state for salaries, equipment and travel pursuant to this subdivision shall be reduced by any authorized federal vocational aid funds paid by the department to that district or center for secondary vocational education programs.*

*Subd. 3. This aid shall be paid only for services rendered or for the costs designated in subdivision 2 which are incurred in secondary vocational education programs approved by the state department of education and operated in accordance with rules promulgated by the state board. These rules shall provide minimum student-staff ratios required for a secondary vocational education program in a cooperative center to qualify for this aid, but shall not require any minimum number of program offerings or administrative staff or the availability of vocational student activities or organizations for a secondary vocational education program to qualify for this aid. The requirement in these rules that program components be available for a minimum number of hours shall not be construed to prevent pupils from enrolling in secondary vocational education courses on an exploratory basis for less than a full school year. Except as provided in section 125.185, subdivision 4, rules relating to secondary vocational education programs shall not incorporate the provisions of the state plan for vocational education by reference. This aid shall be paid only for services rendered and for travel costs incurred by essential, licensed personnel who meet the work experience requirements for licensure pursuant to the state plan for vocational education.*

These experimental pairing agreements shall not extend beyond June 30, 1980.*

*Subd. 2. The school board and exclusive bargaining representative of the teachers in each district providing instruction to nonresident pupils pursuant to an agreement permitted in subdivision 1 may negotiate a plan for the employment of teachers from the other district whose positions are discontinued as a result of the agreement. If such plans are negotiated in any pair of districts and if the plans are compatible with one another, the boards of those districts shall include the plans in their agreement.*

*Subd. 4. If compatible plans are not negotiated pursuant to subdivision 3 before the March 1 preceding any year of the agreement permitted in subdivision 1, the participating districts shall be governed by the provisions of this subdivision. Insofar as possible, teachers who have acquired continuing contract rights and whose positions are discontinued as a result of the agreement shall be employed by the other district or assigned to teach in the other district as exchange teachers pursuant to section 125.13. We, the undersigned conferees for H. F. No. 522 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 522 be further amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 16.84, is amended to read:

16.84 [DEFINITIONS, STATE BUILDING CODE.] Subdivision 1. For the purposes of (LAWS 1971, CHAPTER 561) sections 16.83 to 16.867, the terms defined in this section have the meanings given them.

Subd. 2. "Commissioner" means the commissioner of administration.

Subd. 2a. "City" means a home rule charter or statutory city.

Subd. 3. "Municipality" means any city, county, (TOWN ACTING THROUGH ITS TOWN BOARD OR OTHER INSTRUMENTALITY OF STATE GOVERNMENT OTHERWISE AUTHORIZED BY LAW TO ENACT A BUILDING CODE WHICH, AS OF MAY 27, 1971, HAS SUCH A BUILDING CODE OR WHICH SUBSEQUENTLY ENACTS A BUILDING CODE) or town meeting the requirements of Minnesota Statutes, Section 368.01, Subdivision 1, or the University of Minnesota.

Subd. 4. "Code" means the state building code or any amendment thereof promulgated by the commissioner in accordance with the terms of (LAWS 1971, CHAPTER 561) sections 16.83 to 16.867.

Subd. 5. "Committee" means the state building code standards committee established pursuant to (LAWS 1971, CHAPTER 561) sections 16.83 to 16.867.

Subd. 6. "Agricultural building" means a structure on agricultural land as defined in section 273.13, subdivision 6, designed, constructed and used to house farm implements, livestock or agricultural produce or products used by the owner, lessee and sublessee of the building and members of their immediate families, their employees, and persons engaged in the pickup or delivery of agricultural produce or products.

Sec. 2. Minnesota Statutes 1976, Section 16.851, is amended to read:

16.851 [STATE BUILDING CODE; APPLICATION.] *Subdivision 1.* (EFFECTIVE JULY 1, 1972,) The state building code shall apply state-wide and supersede (AND TAKE THE PLACE OF) the building code of any municipality. (SPECIFICALLY, THE CODE SHALL APPLY TO ANY MUNICIPALITY WHICH AS OF THE EFFECTIVE DATE OF THIS ACT HAS A BUILDING CODE AND SHALL FURTHER APPLY TO ANY MUNICIPALITY WHICH CHOOSES TO ADOPT A BUILDING CODE THEREAFTER. SAID BUILDING CODE SHALL NOT APPLY TO FARM DWELLINGS AND BUILDINGS, EXCEPT WITH RESPECT TO OTHER STATE INSPECTIONS REQUIRED OR OTHER RULEMAKING AUTHORIZED BY MINNESOTA STATUTES 1971, SECTION 104.05 AS OF THE EFFECTIVE DATE OF THIS ACT.) *The state building code shall not apply to agricultural buildings except with respect to state inspections required or rulemaking authorized by sections 104.05, 326.244 and 116H.12, subdivision 4. Effective July 1, 1977, or as soon thereafter as possible, but in no event later than July 1, 1978, all municipalities shall adopt and enforce the state building code with respect to new construction within their respective jurisdictions. If a city has adopted or is enforcing the state building code on the effective date of this act, or determines by ordinance thereafter to undertake enforce-*

ment, it shall be charged with enforcement of the code within the city. A city may by ordinance extend the enforcement of the code to contiguous unincorporated territory not more than two miles distant from its corporate limits in any direction; provided that where two or more non-contiguous cities which have elected to enforce the code have boundaries less than four miles apart, each is authorized to enforce the code on its side of a line equidistant between them. Once enforcement authority is extended extraterritorially by ordinance, the authority may continue to be exercised in the designated territory even though another city less than four miles distant later elects to enforce the code. Any city may thereafter enforce the code in the designated area to the same extent as if such property were situated within its corporate limits. A city which, on the effective date of this act, has not adopted the code may not commence enforcement of the code within or outside of its jurisdiction until it has provided written notice to the commissioner, the county auditor, and the town clerk of each town in which it intends to enforce the code. A public hearing on the proposed enforcement must be held not less than 30 days after the notice has been provided. Enforcement of the code by the city will commence on the first day of January in the year following the notice and hearing. Municipalities may provide for the issuance of permits, inspection and enforcement within their jurisdictions by such means as may be convenient, and lawful, including by means of contracts with other municipalities pursuant to section 471.59, and with qualified individuals. In areas outside of the enforcement authority of a city, the fee charged for the issuance of permits and inspections for single family dwellings may not exceed the greater of \$100 or .005 times the value of the structure, addition or alteration. The other municipalities or qualified individuals may be reimbursed by retention or remission of some or all of the building permit fee collected or by other means. In areas of the state where inspection and enforcement is unavailable from qualified employees of municipalities, it shall be the responsibility of the commissioner to train and designate individuals available to carry out inspection and enforcement on a fee basis.

Subd. 2. If the commissioner determines that a municipality is not properly administering and enforcing the state building code as provided in section 16.867, the commissioner may cause administration and enforcement in the involved municipality to be undertaken by the state building inspector. The commissioner shall notify the affected municipality in writing immediately upon making the determination, and the municipality may challenge the determination as a contested case before the commissioner pursuant to the administrative procedure act. In municipalities not properly administering and enforcing the state building code, and municipalities who determine not to administer and enforce the state building code, the commissioner shall cause administration and enforcement in the involved municipality to be undertaken by the state building inspector or other inspector certified by the state. The commissioner shall determine appropriate fees to be charged for the administration

*and enforcement service rendered. Any cost to the state arising from the state administration and enforcement of the state building code shall be borne by the subject municipality.*

Sec. 3. Minnesota Statutes 1976, Section 16.86, Subdivision 4, is amended to read:

Subd. 4. The commissioner, notwithstanding any law to the contrary, shall hold all state hearings and make all determinations regarding any subject matter dealt with in the code including those in which another department or agency proposes to adopt or amend (ITS) rules and regulations which are incorporated by reference into the code or whenever the commissioner proposes to incorporate such regulations into the *state building code. In no event shall a state agency or department subsequently authorized to adopt rules and regulations involving state building code subject matter proceed to adopt the rules and regulations without prior consultation with the commissioner.*

Sec. 4. Minnesota Statutes 1976, Section 16.861, Subdivision 4, is amended to read:

Subd. 4. [DUTIES.] Building officials shall, in the municipality for which they are appointed, attend to all aspects of code administration, including the issuance of all building permits *and the inspection of all mobile home installations.* The commissioner may direct a municipality having a building official to perform services for another municipality, and in such event the municipality being served shall pay the municipality rendering such services the reasonable costs thereof. Such costs may be subject to approval by the commissioner.

Sec. 5. Minnesota Statutes 1976, Section 16.866, Subdivision 1, is amended to read:

16.866 [SURCHARGE.] Subdivision 1. [COMPUTATION.] For the purpose of defraying the costs of administering the provisions of (LAWS 1971, CHAPTER 561) *section 16.83 to 16.867*, there is hereby imposed a surcharge on all permits issued by municipalities in connection with the construction of or addition or alteration to, buildings and equipment or appurtenances, on and after July 1, 1971, as follows:

Buildings heated by oil or interruptable gas shall be surveyed first. The survey shall determine, based upon a formula specified by the director, the estimated remaining useful life of each building, together with the present degree and estimated cost of compliance with the energy conservation standards promulgated pursuant to section 116H.121. The governing body of a city or county may contract with any municipal building official appointed pursuant to section 16.861, or with the state building inspector to perform the energy conservation survey. Each governing body shall estimate, based upon a formula specified by the director, the annual potential savings in fuel procurement costs for existing heating and cooling systems, which savings would be realized for each building within its jurisdiction if that building were improved to comply with the energy conservation standards. Each governing body shall file the energy conservation survey and estimated fuel procurement data for *at least half* the buildings within its jurisdiction with the director before December 31, 1978, and *all remaining buildings by December 31, 1979*, for his review and comment.

Sec. 17. Minnesota Statutes 1976, Section 116H.126, is amended to read:

116H.126 [PUBLIC SCHOOL SURVEYS.] Before January 1, 1980, each school district shall complete a survey of all existing public school buildings which it owns or operates and which are heated by oil, gas, coal, or electric units in order to determine the estimated remaining useful life of each building, together with the present degree and estimated cost of compliance with the energy conservation standards promulgated pursuant to section 116H.121. Buildings heated by oil or interruptable gas shall be surveyed first. The results of the energy conservation survey shall be recorded on a form furnished by the director. A school district may contract with any municipal building official appointed pursuant to section 16.861 or with the state building inspector to perform the energy conservation survey. Each school district shall estimate, based upon a formula specified by the director, the annual savings in fuel procurement costs for existing heating and cooling systems, which savings would be realized for each public school building within the district if it were improved to comply with the energy conservation standards.

Each school district shall file the energy conservation survey and estimated fuel procurement data for (EACH) *at least half the public school (BUILDING) buildings* within the district with the director before December 31, 1978, and *all remaining buildings by December 31, 1979*, for his review and comment.

*the commissioner of administration, in consultation with the director and the appropriate standing committees of the legislature, shall promulgate minimum energy efficiency standards for existing residential buildings. The standards shall be economically feasible in that the resultant savings in energy procurement costs, based on current average residential energy costs in Minnesota as certified by the director, will exceed the cost of the energy conserving requirements amortized over a period of five years.*

*By February 15, 1978, the director shall make recommendations to the legislature on methods to obtain compliance with the standards set forth in this subdivision.*

*Subd. 2. Before January 1, 1978, the commissioner of administration, in consultation with the director, shall by rule amend the standards concerning heat loss, illumination, and climate control promulgated pursuant to section 116H.12, subdivision 4, to require that electrical service to individual dwelling units in buildings containing two or more units be separately metered, with individual metering readily accessible to the individual occupants. The standards authorized by this subdivision shall only apply to buildings constructed after the effective date of the amended standards. Buildings intended for occupancy primarily by persons who are 62 years of age or older or handicapped, or which contain a majority of units not equipped with complete kitchen facilities, shall be exempt from the provisions of this subdivision.*

Sec. 19. Minnesota Statutes 1976, Section 116H.13, Subdivision 4, is amended to read:

Subd. 4. *Subd. 2. The commissioner of education in consultation with the director of the energy agency shall prepare an interdisciplinary program in the field of energy sources, uses, conservation, and management. The first phase shall be an assessment of available curriculum materials, the amount and type of energy curriculum already being taught, and what needs to be developed to provide an integrated approach to energy education consistent with socio-economic and ecological principles. Subsequent phases shall include development of curriculum guidelines and materials and a plan for their implementation as funds become available.*

**Sec. 21. [HEATING FUEL INVENTORY STUDY.]** *In order to avoid potential heating fuel shortages, the Minnesota energy agency is directed to conduct a study of the heating fuel storage capacity of the state. The energy agency shall report its findings and recommendations to the legislature by November 15, 1977. The report shall include:*

*(a) an estimate of cumulative capacity of all heating fuel storage facilities in the state;*

*(b) a determination of normal fill levels for storage facilities; and*

*(c) an estimate of whether or not the state's storage capacity is adequate.*

*Based upon the survey's findings, the energy agency's recommendations in the report shall include:*

*(a) measures the state can take to ensure that storage capacity is filled prior to the beginning of the heating season; and*

*(b) measures the state can take to initiate construction and/or utilization of additional storage facilities if increased storage is found to be necessary.*

**Sec. 22.** *The director of the energy agency in consultation with the director of the housing finance agency shall develop pamphlets and radio and television messages on the energy conservation and housing programs available in Minnesota. The pamphlets shall include information on available tax credits for residential energy conservation measures, residential retrofitting loan and grant programs, and data on the economics of energy conservation measures. Before the pamphlets or media messages are released for general distribution they shall be reviewed by the appropriate standing committees of the legislature.*

**Sec. 23.** *By December 31, 1977, the director of the energy agency, after consulting with the appropriate standing commit-*

tees of the legislature, shall develop a comprehensive legislative proposal dealing with the legal, institutional, and financial issues surrounding solar energy use in Minnesota, including the creation and protection of sun rights, the modification of building codes, and the provision of reliable backup heating systems.

Sec. 24. The energy agency shall contract with the university of Minnesota, the departments of agricultural engineering, and agricultural and applied economics to carry out a research and demonstration project to study the feasibility of developing an agriculturally derived ethyl alcohol supplement to be blended with diesel fuel so as to produce a liquid fit for use as a fuel in diesel engines used for agricultural purposes. In carrying out the project, the departments shall utilize to the fullest extent possible, studies, data and reports of public agencies, private organizations and corporations, research institutes and other institutions of higher education. Before the project begins it shall be presented to the energy agency for review and comment.

An interim report shall be provided by September 1, 1978, to the energy agency and the Minnesota department of agriculture for review and comment. The university shall then provide the energy agency with a final report and recommendations which shall be provided to the legislature by January 1, 1979.

The project report shall include, but is not limited to, results from field studies of demonstration projects, and a review of the technical feasibility, possible energy impacts, biomass options, economic feasibility, agricultural sources and policy recommendations.
