*Subd. 2. Upon removal of a dilapidated building, the unit of government causing the removal shall have a lien on the property for the full amount of the expenses of removal. The lien shall attach at the time the first visible signs of removal occur and shall be preferred over every subsequent encumbrance except a lien for taxes or a mortgage securing an advance of funds used to improve the property. The unit of government shall within 60 days of completion of the removal file with the county recorder a lien notice identifying the owner, the affected property, and the amount of the claim. Failure to file the notice within 60 days shall invalidate the lien. No fee shall be required for the filing. The lien shall be enforceable if the property is sold or transferred by gift to a private party within ten years of completion of the dilapidated building's removal. If the sale or transfer occurs within five years of the building's removal, the full amount of the expenses of removal shall be recovered. In each succeeding year the amount which may be recovered shall be reduced by 20*

percent of the original sum. If the owner constructs a new building on the property within five years of completion of removal, the lien shall thereupon expire. The lien may be enforced by the unit of government against any subsequent purchaser or grantee in the manner provided by Minnesota Statutes, Sections 514.10 to 514.15. Any funds recovered pursuant to this section in excess of non-reimbursed expenses of removal and expenses incurred to enforce the lien shall be remitted by the unit of government to the agency for deposit to the credit of the general fund.

Subd. 3. The surrender of a dilapidated building shall become effective upon its acceptance by the unit of government. Acceptance by the unit of government shall constitute an assumption of liability for any damages arising from the removal of the dilapidated building, which damages are caused by the negligent acts of the unit of government or its agents.

Subd. 4. Persons surrendering buildings pursuant to this section shall not be eligible for relocation assistance provided pursuant to Minnesota Statutes, Sections 117.50 to 117.56.

Subd. 5. The owner of each dilapidated building shall in a space provided on the surrender form list all wells known to exist on the property and all wells whose abandonment is contemplated as part of the removal. The agency shall notify the state board of health if any well is abandoned as a result of a removal.

Sec. 6. [168B.26] [REIMBURSEMENT PRIORITIES AND FORMULAS.] Subdivision 1. The agency shall by rule establish priorities for the reimbursement of expenses of removal not reimbursable from funds available in a unit of government's dilapidated building removal account. The priorities shall provide:

(a) That reimbursement go first to units of government seeking to remove dilapidated buildings which are voluntarily surrendered for removal; and

(b) That reimbursement go first to units of government which have not previously received reimbursement from the agency.

Subject to the priorities contained in clauses (a) and (b) the agency shall reimburse units of government in the order in which applications for reimbursement are received.

Subd. 2. The agency may by rule require a unit of government to provide not more than 50 percent of the funds required for removal of a dilapidated building or an equal value of services, or any combination thereof. The exact level of required match shall be determined by the agency each year and fixed for the next fiscal year.

*Subd. 3. The agency may by rule establish different rates of reimbursement based on the population of the unit of government. The rates may provide for reimbursement of a greater proportion of the expenses of removal in units of government with smaller populations and fewer building permits.*

Sec. 7. [168B.27] [DILAPIDATED BUILDING REMOVAL ACCOUNTS; UNITS OF GOVERNMENT TO MAINTAIN.] *Each unit of government collecting a surcharge authorized by Minnesota Statutes, Section 16.866, shall establish a dilapidated building removal account wherein the sums specified by Minnesota Statutes, Section 16.866, shall be deposited. The sums deposited to the account shall accumulate and be available to the unit of government for payment of expenses of removal incurred by the unit of government and for matching funds required by section 6. Each unit of government maintaining an account pursuant to this section shall at the close of its fiscal year ending in calendar year 1978 and every second year thereafter, remit to the commissioner of administration any sums remaining unexpended or unencumbered in the account as of that date, for deposit by the commissioner to the credit of the general fund.*

A mobile home, as defined in section 168.011, subdivision 8, assessed as personal property may be a dwelling for purposes of this subdivision.

Sec. 2. Minnesota Statutes 1976, Section 290A.03, Subdivision 7, is amended to read:

Subd. 7. [DEPENDENT.] “Dependent” means any person who is under 18 years of age at the end of the calendar year who receives more than 50 percent of his support from the claimant, or who is between 18 and 21 years of age and is a full time student who receives more than 50 percent of his support from the claimant. *“Dependent” includes a parent of the claimant or spouse who lives in the claimant’s homestead. “Dependent” includes a person over 18 years of age who lives in the claimant’s homestead and who receives more than 50 percent of his support from the claimant.*

Sec. 3. Minnesota Statutes 1976, Section 290A.03, Subdivision 8, is amended to read:

Subd. 8. [CLAIMANT.] "Claimant" means a person, *other than a dependent*, who filed a claim authorized by sections 290A.01 to 290A.21 and who was domiciled in this state during the calendar year for which the claim for relief was filed. In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or *payments paid in lieu of ad valorem taxes* are payable (FOR NOT LESS THAN SIX MONTHS OF) *at some time during* the calendar year covered by the claim, except that a claimant who is disabled or who has attained the age of 65 on the date specified in section 290A.04, subdivision 1, may file a claim based on residence in a unit on which ad valorem taxes were not payable. In the case of a part year resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. (MAXIMUM CREDIT ALLOWED UNDER THIS COMPUTATION WOULD BE AT A RATE OF ONE-TWELFTH OF THE MAXIMUM CREDIT ALLOWED PURSUANT TO SECTION 290A.04 PER MONTH OF RESIDENCY COMPUTED TO THE NEAREST FULL MONTH.) When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.

If a homestead is occupied by two or more (UNRELATED) renters, *who are not husband and wife*, the rent shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Subd. 11. [RENT CONSTITUTING PROPERTY TAXES.] "Rent constituting property taxes" means 20 percent of the gross rent actually paid in cash, or its equivalent, *or that portion of gross rent which is paid in lieu of property taxes*, in 1975 or any subsequent calendar year by a claimant solely for the right of occupancy of his Minnesota homestead in the calendar year, and which rent constitutes the basis, in the succeeding calendar year of a claim for relief under sections 290A.01 to 290A.21 by the claimant.

Sec. 5. Minnesota Statutes 1976, Section 290A.03, Subdivision 12, is amended to read:

Subd. 12. If the landlord and tenant have not dealt with each other at arms-length and the commissioner determines that the gross rent charged was excessive, he may adjust the gross rent to a reasonable amount for purposes of sections 290A.01 to 290A.21.

If the landlord does not supply the charges for any utilities, furniture, or furnishings (OR PERSONAL PROPERTY APPLIANCES) furnished by him, or if the charges appear to be incorrect the commissioner may apply a percentage determined from samples of similar gross rents paid solely for the right of occupancy.

Any amount paid by a claimant residing in property assessed pursuant to section 273.133 for occupancy in that property shall be excluded from gross rent for purposes of this chapter. However, property taxes imputed to the homestead of the claimant pursuant to section 273.133 shall be included within the term "property taxes payable" as defined in subdivision 13, notwithstanding the fact that ownership is not in the name of the claimant.

For homesteads which are mobile homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include 20 percent of gross rent paid in the preceding year for the site on which the homestead is located, exclusive of charges for utilities or services. When a homestead is owned by two or more persons as joint tenants or tenants in common, ("PROPERTY TAXES PAYABLE" IS THAT PART OF) *such tenants shall determine between them which tenant may claim the property taxes payable on the homestead (AS REFLECTS THE PERCENTAGE OF OWNERSHIP OF THE CLAIMANT AND SPOUSE). In the case of a claim relating to "property taxes payable", the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable.

If a person occupies a homestead with another person or persons not related as husband and wife or as (DEPENDENT CHILDREN) *dependents*, the property tax payable or rent constituting property tax shall be reduced as follows:

The commissioner, on request, may issue separate checks, to the husband and wife for one-half of the relief provided the original check has not been issued or has been returned.*

Sec. 9. Minnesota Statutes 1976, Section 290A.10, is amended to read:

290A.10 [PROOF OF TAXES PAID.] Every claimant who files a claim for relief for property taxes payable shall include with his claim a property tax statement indicating that there are no delinquent property taxes on the homestead. Indication on the property tax statement from the county treasurer that there are no delinquent taxes on the homestead shall be sufficient proof. *Taxes included in a confession of judgment under section 279.37 shall not constitute delinquent taxes as long as the claimant is current on the payments required to be made under section 279.37.*

If there is no surviving spouse or dependent (CHILD), the right to the credit shall lapse.

Sec. 12. Minnesota Statutes 1976, Section 290A.19, is amended to read:

290A.19 [LANDLORD TO FURNISH RENT CERTIFICATE; PENALTY.] The owner or managing agent of any property for which rent is paid for occupancy as a homestead shall furnish a certificate of rent paid to each *person who is a renter on December 31*, in the form prescribed by the commissioner. *If the renter moves prior to December 31, the obligation of the owner or managing agent shall be limited to either providing the certificate to the renter at the time he moves or mailing the certificate to the forwarding address provided by the renter.* The certificate shall be made available to the renter not later than February 15 of the year following the year in which the rent was paid. *Upon request of any other person who rented property of the owner during the previous year, the owner or managing agent shall furnish a certificate of rent paid to that person.* Any owner or managing agent who willfully fails to furnish a certificate as provided herein shall be liable to the commissioner for a penalty of \$20 for each act or failure to act. “ARTICLE . . . . .

Section 1. Minnesota Statutes 1976, Section 290.06, Subdivision 3c, is amended to read:

Subd. 3c. [CREDITS AGAINST TAX.] Notwithstanding the provisions of subdivision 3a for taxable years which begin after December 31, 1971, the taxes due under the computation in accordance with section 290.06 shall be credited with the following amounts, *subject to the modification provided in subdivision 3e*:

(1) In the case of an unmarried individual, and, except as provided in paragraph 6, in the case of the estate of a decedent, (\$21) \$35, and in the case of a trust, \$5;

(2) In the case of a married individual, living with husband or wife, and in the case of a head of a household, (\$42) \$56. If such husband and wife make separate returns the personal exemption may be taken by either or divided between them;

(3) In the case of an individual, (\$21) \$35 for each person (other than husband or wife) dependent upon and receiving his chief support from the taxpayer. One taxpayer only shall be al-

lowed this credit with respect to any given dependent. In the case of the head of a household, a credit for one dependent shall be disallowed. A payment to a divorced or separated wife, other than a payment of the kind referred to in section 290.072, subdivision 3, shall not be considered a payment by the husband for the support of any dependent.

(4) (a) In the case of an unmarried individual who has attained the age of 65 before the close of his taxable year, an additional (\$21) \$35;

(b) For taxable years which begin after December 31, 1974, in the case of an unmarried individual who is blind at the close of the taxable year, an additional (\$25) \$39;

(c) In the case of a married individual, living with husband or wife, an additional (\$21) \$35 for each spouse who has attained the age of 65 before the close of the individual's taxable year, and an additional (\$25) \$39 for each spouse who is blind at the close of the individual's taxable year. If such husband and wife make separate returns, these credits may be taken by either or divided between them;

(d) For the purposes of sub-paragraphs (b) and (c) of paragraph (4), an individual is blind if his central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if his visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees;

(e) For taxable years which begin after December 31, 1974, in the case of an unmarried individual who is deaf at the close of the taxable year, an additional (\$25) \$39;

(f) For taxable years which begin after December 31, 1974, in the case of a married individual, an additional (\$25) \$39 for each spouse who is deaf at the close of the taxable year. If the husband and wife make separate returns, these credits may be taken by either or divided between them;

(g) For taxable years which begin after December 31, 1974, in the case of an individual, an additional (\$25) \$39 for each person (other than a spouse) who is deaf and dependent upon and receiving his chief support from the taxpayer;

(h) For the purposes of subparagraphs (e), (f) and (g) of paragraph (4), an individual is deaf if the average loss in the speech frequencies (500-200 Hertz) in the better ear, unaided, is 92 decibels, American National Standards Institute, or worse.

(5) In the case of an insurance company, it shall receive a credit on the tax computed as above equal in amount to any taxes based on premiums paid by it during the period for which the tax under Extra Session Laws 1967, Chapter 32, is imposed by virtue of any law of this state, other than the surcharge on premiums imposed by Extra Session Laws 1933, Chapter 53, as amended;

(6) If the status of a taxpayer, insofar as it affects the credits allowed under paragraphs 1, 2 and 3 shall change during the taxable year, or if the taxpayer shall either become or cease to be a resident of the state during such taxable year, such credit shall be apportioned, in accordance with the number of months before and after such change. For the purpose of such apportionment, a fractional part of a month shall be disregarded unless more than one-half of the month, in which case it shall be considered as a month. In case of death during a taxable year, a credit shall be allowed to the decedent, in proportion to the number of months before his death, and to his estate, in proportion to the number of months after his death, and in any event a minimum credit of \$5 shall be allowed to the decedent and his estate, respectively;

(7) In the case of a non-resident individual, credits under paragraphs 1, 2, 3 and 4 shall be apportioned in the proportion of the gross income from sources in Minnesota to the gross income from all sources, and in any event a minimum credit of \$5 shall be allowed.

Sec. 2. Minnesota Statutes 1976, Section 290.06, is amended by adding a subdivision to read:

*Subd. 3e. [INFLATION ADJUSTMENT.] For taxable years beginning after December 31, 1977, the credits provided by subdivision 3c shall be adjusted for inflation. The commissioner of revenue shall annually determine the percentage increase in the consumer price index for the Minneapolis-St. Paul metropolitan area with 1967 as a base year. The commissioner shall determine the increase from July 1, 1977 to June 30 each year, and he shall announce the percentage figure by September 1, each year. The amount of each credit in subdivision 3c shall be multiplied by that percentage. The product of each calculation shall be added to each credit to produce inflation adjusted credits for each succeeding year; provided that if the product exceeds a whole dollar amount it shall be raised to the next highest whole dollar.*

Sec. 3. [EFFECTIVE DATE.] *This article is effective for taxable years beginning after December 31, 1976."*

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings him an income. The property tax to be paid on class 3cc property as otherwise determined by law, less any reduction received pursuant to section 273.135, regardless of whether or not the market value is in excess of the homestead base value, (FOR ALL PURPOSES EXCEPT THE PAYMENT OF PRINCIPAL OR INTEREST ON

NON-SCHOOL DISTRICT BONDED INDEBTEDNESS,) shall be reduced by (45) 65 percent of the amount of such tax; provided that the amount of said reduction shall not exceed (\$325) \$500, or, in the case of property described in this subdivision owned by a disabled person or a person who has attained the age of 65 years during the year the property was assessed, \$800. If the market value is in excess of the sum of \$24,000, the amount in excess of that sum shall be valued and assessed at 33 1/3 percent in the case of agricultural land used for a homestead and 40 percent in the case of all other real estate used for a homestead.

If the local unit notifies the commissioner of revenue before October tenth of its inability to certify its levy by that date, and the commissioner is satisfied that the delay is unavoidable and is not due to the negligence of the local unit's officials or staff, the commissioner shall extend the time within which the local unit shall certify its levy.

Sec. 5. Minnesota Statutes 1976, Section 276.01, is amended to read:

276.01 [DELIVERY OF LISTS TO TREASURER.] On or before (THE FIRST MONDAY IN JANUARY IN) Decem-

Such real and personal property tax statements shall contain the market value, as defined in section 272.03, subdivision 8, used in determining the tax. (THE STATEMENT SHALL ALSO INCLUDE THE BASE TAX AS DEFINED IN SECTION

273.011, SUBDIVISION 4, FOR QUALIFIED PROPERTY AS DEFINED IN SECTION 273.011 FOR WHICH THE CREDIT PROVIDED FOR IN SECTION 273.012 IS CLAIMED.) The statement shall show the amount attributable to section 273.132 as "state paid agricultural credit" and the amount attributable to section 273.13, subdivisions 6 and 7 as "state paid homestead credit." (THE COMMISSIONER OF REVENUE SHALL PROVIDE EACH COUNTY AUDITOR WITH THE NAMES OF THOSE PERSONS IN THE ASSESSOR'S DISTRICT WHO HAVE FILED AND QUALIFIED FOR THE PROPERTY TAX CREDIT PURSUANT TO SECTIONS 273.011 AND 273.012 AND SHALL INFORM THE ASSESSOR OF THE BASE TAX OF THOSE PERSONS) *The county treasurer shall separately show the "state paid basic homestead credit" and the "state paid supplementary homestead credit" as defined in article VI, section 1. In the case of a married person, federal adjusted gross income means the combined federal adjusted gross income of the person and his spouse who for any part of the preceding year resided on the property. In the case of property in which not all of the interests are owned by one person and his spouse, federal adjusted gross income means the combined federal adjusted gross income of all persons who have a present and possessory interest in the property on January 2 of the year in which the property tax is payable and who for any part of the preceding year resided on the property.

(h) "Property" means property with respect to which a state paid supplemental homestead credit has reduced the property tax.

(i) "Person" means an individual who owns or has an ownership interest in property.

Subd. 2. A tax is hereby imposed on a person for whom real estate tax on property he owns has been reduced by the state paid supplemental homestead credit. The tax shall be computed pursuant to subdivision 3. The tax shall be a personal liability and shall be due and payable in the same manner and at the same time as the tax imposed by section 290.03. The tax shall be paid in the year in which the person's real estate tax on property subject to this subdivision is payable. The tax shall be collected in

*the same manner as the tax imposed by section 290.03, and in so far as is applicable all procedures for the determination, assessment, collection and imposition, including the imposition of penalties and interest, with respect to the tax imposed by section 290.03 shall apply to the tax imposed by this subdivision. For persons whose federal adjusted gross income exceeds \$15,000, the tax imposed by this section shall be an amount determined by multiplying the state paid supplemental homestead credit which has been applied to reduce the property tax payable by five percent for each \$1,000 or portion thereof by which such person's federal adjusted gross income exceeds \$15,000.*

*Subd. 4. Each person for whom property tax on property he owns has been reduced by the state paid supplemental homestead credit shall be liable for the tax imposed by this section. In the case of property owned by two or more persons, payment of the full tax imposed by this section, including interest and penalties, if any, shall discharge the liability of all owners. The tax imposed by this section may be entirely paid by any person who owns the property or it may be paid by all owners of the property in the same percentage that each such owner's ownership interest in the property bears to the entire property interest.*

*Subd. 5. The state paid supplemental homestead credit shall be determined pursuant to this subdivision for disabled persons and persons who have attained the age of 65 years.*

*(a) A person who has attained the age of 65 years and a person who is disabled on the date he is required to file his homestead declaration shall present in duplicate to the county treasurer on forms prescribed by the commissioner, together with his homestead declaration, a signed application, under penalty of perjury, to receive the additional amount of state paid supplemental homestead credit to which he is eligible. *(b) The county treasurer shall forward one copy of each petition to the commissioner.*

*(c) The county treasurer may deny application when it appears that the person does not qualify for the additional supplemental credit. In the alternative, the county treasurer may hold the petition in abeyance and refer the matter to the commissioner for his determination. Any determination of the county treasurer denying a petition shall be appealable to the commissioner within 30 days of the date of the notice of such denial. The coun-*

*ty treasurer shall promptly notify the person making the petition of such denial by certified mail setting forth the person's right of appeal. The commissioner shall within 90 days of receipt of an application referred to him by a county treasurer or an appeal of the county treasurer's order make an order granting or denying the petition. The commissioner's order shall be appealable in the same manner as any order of the commissioner assessing a tax.*

*(d) A person who has attained the age of 65 years or a person who is disabled shall be required to petition the county treasurer only for the first year to which the additional state paid supplemental homestead credit shall be payable except as provided in this paragraph. Each year thereafter on such person's homestead declaration he shall certify that he continues to be disabled and that there has been no change in ownership of the property. If there is a change in the ownership of the property or if there has been a change in a person's degree of disability to the extent that he may not continue to be disabled under this section, such person shall file a new petition with the homestead declaration that must be filed in the year next succeeding such change or changes, which shall be treated in the same manner as an original petition.*

*Subd. 6. If a person has received a state paid supplemental homestead credit in an amount in excess of that to which he is entitled, whether such excess credit is due to such person not qualifying as disabled or not having attained the age of 65 years or for any other reason, the commissioner shall assess as a tax under subdivision 2 the amount of such excess. Such assessment shall be attributed to the years in which the excess credit was allowed. In no case shall the county treasurer seek to obtain a refund of an excess credit for any person, and the commissioner shall not seek a refund of such excess credit from the county.*

*Subd. 7. The commissioner shall not assess a tax imposed by this section after the statute of limitations has run on a person's income tax return for the year in which the homestead credit is payable.*

*Subd. 8. The commissioner may make rules to accomplish the purpose of this section which are consistent with this section. The commissioner may establish reasonable and appropriate guidelines for county treasurers in the determination or referral to him of petitions filed by persons who are disabled or who have attained the age of 65 years.*

*Subd. 9. The commissioner may require the examination and certification of a person who is allegedly disabled by a physician of the person's choosing or by a physician designated by the commissioner. The cost of the examination shall be borne by the person examined, unless the examination proves the disability, in*

*which case the cost of examination shall be borne by the commissioner.*

*Subd. 10. A petition filed pursuant to this section shall be treated as confidential by the county treasurer and the commissioner, and the provisions of section 290.61 relating to publicity of returns shall apply.*

*Subd. 12. A person who is disabled or has attained the age of 65 years who has failed to petition with his homestead declaration for the additional amount of credit to which he is entitled pursuant to this section may file such petition upon a showing of reasonable cause on or before June 1 of the year in which he is required to file such petition without penalty.*

*Subd. 13. Section 273.13, subdivision 16 shall apply with respect to a disabled person or person who has attained the age of 65 years who has purchased property prior to June 1 of the year the property taxes are payable. Such a person shall be entitled to the additional credit allowed by this section for one-half the property tax payable.*

*Sec. 2. [290B.01] [CITATION.] Sections 8 to 25 may be cited as the "Minnesota Income-Adjusted Rent Credit Act".*

*Sec. 3. [290B.02] [PURPOSE.] The purpose of sections 8 to 25 is to provide relief to renters who pay real estate tax as a part of their rent.*

*Sec. 4. [290B.03] [DEFINITIONS.] Subdivision 1. The following words, terms, and phrases when used in sections 8 to 25 shall have the meaning ascribed to them in this section, except where the context indicates a different meaning.*

*Subd. 2. "Commissioner" means the commissioner of revenue of the state of Minnesota.*

*Subd. 3. "Federal adjusted gross income" means the claimant's federal adjusted gross income for the year during which he paid the rent which is the basis for the rent credit claim. In the case of married persons, federal adjusted gross income means the combined federal adjusted gross income of the claimant and his spouse who for any part of such year resided in the rental unit upon which the rent credit is claimed.*

Subd. 4. "Rental unit" means a dwelling rented and occupied by a claimant as a place of residence and so much of the land surrounding it, not to exceed one acre, as is reasonably necessary for the use of the dwelling as a residence. A rental unit may be part of a multi-dwelling or multi-purpose building and the land upon which it is built.

Subd. 5. "Claimant" means a person who filed a claim authorized by sections 8 to 25. A claimant shall have resided in a rented or leased unit on which ad valorem taxes are payable for not less than six months of the calendar year covered by the claim, except that a claimant who is disabled or who has attained the age of 65 on the date specified in subdivision 9, may file a claim based on residence in a unit on which ad valorem taxes were not payable. In the case of a part year resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. Maximum credit allowed under this computation would be at a rate of one-twelfth of the maximum credit allowed pursuant to section 11 per month of residency computed to the nearest full month.

Subd. 6. If a rental unit is occupied by two or more renters other than renters who are husband or wife the rent shall be deemed to be paid in the same proportion that each paid such rent. In the case of renters who are husband and wife and reside in the same rental unit the rent shall be deemed to be paid by either spouse, and either spouse may claim the entire credit. Only one spouse may claim the credit. If the spouses cannot agree as to who is entitled to claim the credit, upon application by a spouse the commissioner shall decide and his decision shall be final.

Subd. 7. "Disabled claimant" means a claimant who has a disability on or before June 1 of the year in which the credit is claimed.

Subd. 8. "Disability" means:

(a) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, or

(b) Blindness; and the term "blindness" means central acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered as having a central visual acuity of 20/200 or less.

(c) *An individual shall be determined to be under a disability only if his physical or mental impairment or impairments are of such severity that he is not only unable to do his previous work but cannot, considering his age, education, and work experience, engage in any other kind of substantial gainful work which exists in the state economy, regardless of whether the work exists in the immediate area in which he lives, or whether a specific job vacancy exists for him, or whether he would be hired if he applied for work. For purposes of the preceding sentence, "work which exists in the state economy" means work which exists in significant numbers either in the area where the individual lives or in several areas of the state.*

(d) *A "physical or mental impairment" is an impairment that results from anatomical, physiological, or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques.*

*Subd. 9. "Claimant who has attained the age of 65 years" means a person who has attained the age of 65 years on or before June 1 of the year in which the rent credit is claimed.*

*Subd. 10. "Rent constituting property taxes" means 20 percent of the gross rent actually paid in cash, or its equivalent, in 1977 or any subsequent calendar year by a claimant solely for the right of occupancy of his Minnesota homestead in the calendar year, and which rent constitutes the basis, in the succeeding calendar year of a claim for relief under sections 8 to 25 by the claimant.*

*Subd. 11. "Gross rent" means rental paid solely for the right of occupancy, at arms-length, of a rental unit, exclusive of charges for any utilities, services, furniture, or furnishings furnished by the landlord as a part of the rental agreement, whether expressly set out in the rental agreement or not. If the landlord and tenant have not dealt with each other at arms-length and the commissioner determines that the gross rent charged was excessive, he may adjust the gross rent to a reasonable amount for purposes of sections 8 to 25. For homesteads which are mobile homes as defined in section 168.011, subdivision 8, gross rent includes rent paid for the site upon which the mobile home is located.*

*If the landlord does not supply the charges for any utilities, furniture, or furnishings furnished by him, or if the charges appear to be incorrect the commissioner may apply a percentage determined from samples of similar gross rents paid solely for the right of occupancy.*

*An amount paid by a claimant residing in property assessed pursuant to section 273.133 for occupancy in that property shall be excluded from gross rent for purposes of sections 8 to 25.*

Sec. 5. [290B.04] [RENT CREDIT ALLOWABLE.] *Subdivision 1. The rent credit allowable under sections 8 to 25 shall be the amount of rent constituting property taxes except that the credit shall not exceed:*

(a) *\$800 in the case of a disabled claimant or a claimant who has attained the age of 65 years or*

(b) *\$500 in all other cases, reduced by the amount set forth in subdivision 2 and subject to the overall limits in subdivision 3.*

*Subd. 2. The credit allowed in subdivision 1 to a claimant shall be reduced by an amount equal to five percent for each \$1,000 by which federal adjusted gross income exceeds \$15,000, but shall not be reduced below \$120.*

*Subd. 3. Other law to the contrary notwithstanding, the maximum credit allowed under sections 8 to 25, when added to any credit available under section 7 during any year, shall not exceed \$800 in the case of a disabled claimant or a claimant who has attained the age of 65 and \$500 in all other cases.*

Sec. 6. [290B.05] [LEASES AND SUBLEASES.] *If a claimant rents, leases or subleases a part of his rental unit to another person, he shall reduce the amount of the gross rent he pays by the gross rent he receives from such rental, lease or sublease in computing his own gross rent for purposes of sections 8 to 25.*

Sec. 7. [290B.06] [FILING TIME LIMIT: LATE FILING.] *All claims shall be filed with the department of revenue on or before August 31 of the year immediately succeeding the year the rent constituting the basis for the claim was paid. The commissioner may extend the time for filing these claims for a period not to exceed six months in the case of sickness, absence, or other disability, or when in his judgment other good cause exists.*

*A claim filed after the original or extended due date shall be allowed, but the amount of credit shall be reduced by five percent of the amount otherwise allowable, plus an additional five percent for each month of delinquency, not exceeding a total reduction of 25 percent. In any event no claim shall be allowed if the claim is filed two years after the original due date for filing the claim.*

Sec. 8. [290B.07] [TIME FOR PAYMENT.] *Subdivision 1. Allowable claims filed pursuant to the provisions of sections 8 to 25 shall be paid by the commissioner from the general fund.*

*Subd. 2. A claimant shall receive full payment no later than 60 days after receipt of the application or may elect to take as a credit against his income tax the full amount.*

*Subd. 3. Claims remaining unpaid 60 days after the dates provided in subdivision 2, shall have interest added at six percent per annum from the later date until the date the claim is paid.*

**Sec. 9. [290B.08] [PROOF OF CLAIM.]** *Every claimant shall supply to the department of revenue, in support of his claim, proof of eligibility under sections 8 to 25, including but not limited to amount of rent paid, name and address of owner or managing agent of property rented, changes in homestead, household membership, federal adjusted gross income, size and nature of property claimed as a rental unit.*

*Disabled persons filing claims shall submit proof of disability in the form and manner as the department may prescribe. The department may require examination and certification by the claimant's physician or by a physician designated by the department. The cost of any examination shall be borne by the claimant, unless the examination proves the disability, in which case the cost of the examination shall be borne by the department.*

*A determination of disability of a claimant by the social security administration under Title II or Title XVI of the Social Security Act shall constitute presumptive proof of disability.*

**Sec. 10. [290B.09] [OBJECTIONS TO CLAIMS.]** *Subdivision 1. [AUDIT OF CLAIM.] When on the audit of any claim filed under sections 8 to 25 the department determines the amount thereof to have been incorrectly determined, the department shall redetermine the claim and notify the claimant of the redetermination and the reasons therefor. The redetermination shall be final unless appealed to the Minnesota tax court of appeals within 30 days of notice thereof.*

**Subd. 2. [FRAUDULENT CLAIM; PENALTY.]** *In any case in which it is determined that the claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full. If the claim has been paid, the amount disallowed shall be recovered by assessment and collection in the manner provided in chapter 290 for collection of income tax. The assessment shall bear interest from the date the claim is paid by the state until the date of repayment by the claimant, at the rate of six percent per annum. The claimant, and any person who assisted in the preparation of filing of the excessive claim or supplied information upon which the excessive claim was prepared, with fraudulent intent, is guilty of a misdemeanor.*

**Subd. 3. [EXCESSIVE OR NEGLIGENT CLAIM.]** *If it is determined that a claim is excessive and was negligently prepared, ten percent of the corrected claim shall be disallowed. If the claim has been paid, the amount erroneously paid out plus penalty shall be recovered as provided in subdivision 2.*

*Subd. 4. [INTEREST.] Amounts to be repaid to the state shall bear interest at six percent per annum from the date the state paid the claim until the date of repayment by the claimant.*

*Sec. 11. [290B.10] [APPEAL.] Any person aggrieved by the denial, in whole or in part, of relief claimed under sections 8 to 25, except when the denial is based upon late filing of a claim for relief, may appeal the denial to the Minnesota tax court of appeals by filing a petition with the tax court of appeals within 30 days after the denial, as provided in chapter 271.*

*Sec. 12. [290B.11] [NO RELIEF ALLOWED IN CERTAIN CASES.] No claim for relief under sections 8 to 25 shall be allowed if the commissioner determines that the claimant received tenancy to his rental unit primarily for the purpose of receiving benefits under sections 8 to 25 and not for bona fide residence purposes.*

*Sec. 13. [290B.12] [CLAIM APPLIED AGAINST OUTSTANDING LIABILITY.] The amount of any claim otherwise payable under sections 8 to 25 may be applied by the commissioner against any delinquent tax liability of the claimant or spouse of the claimant payable to the department of revenue.*

*Sec. 14. [290B.13] [PUBLICITY OF CLAIMS.] It shall be unlawful for the commissioner or any other public official or employee to divulge or otherwise make known any particulars disclosed in any claim filed pursuant to sections 8 to 25. The provisions of section 290.61 relating to the confidential nature of income tax returns shall also be applicable to claims thus filed.*

*Nothing herein shall be construed to prohibit the commissioner from making public the information concerning amounts of property tax accrued and the relief granted to taxpayers without including information which would identify individual taxpayers. The commissioner may examine income tax returns as he deems necessary and may utilize the information in legal and administrative proceedings to insure proper administration of sections 8 to 25, notwithstanding section 290.61.*

*Sec. 15. [290B.14] [RIGHT TO FILE CLAIM.] If a claimant entitled to relief under sections 8 to 25 dies prior to receiving relief, the surviving spouse or dependent child of the claimant shall be entitled to receive it. If there is no surviving spouse or dependent child, the right to the credit shall lapse.*

*Sec. 16. [290B.15] [LANDLORD TO FURNISH RENT CERTIFICATE; PENALTY.] The owner or managing agent of any property for which rent is paid for occupancy as a homestead shall furnish a certificate of rent paid to each renter in the form prescribed by the commissioner. The certificate shall be made available to the renter not later than February 15 of the year following the year in which the rent was paid. Any owner*

or managing agent who willfully fails to furnish a certificate as provided herein shall be liable to the commissioner for a penalty of \$20 for each act or failure to act. The penalty shall be assessed and collected in the manner provided in chapter 290 for the assessment and collection of income tax.

Sec. 17. [290B.16] [RULES.] *The commissioner shall promulgate rules which he deems appropriate for the administration of sections 8 to 25. (d) No municipality entitled to receive police state aid shall be apportioned less police state aid for any year under Laws 1976, Chapter 315, than the amount which was apportioned to it for calendar year 1975 based on premiums reported to the commissioner for calendar year 1974; provided, the amount of police state aid to other municipalities within the county and to the county shall be adjusted in proportion to the total number of police officers in the municipalities and the county, so that the amount of police state aid apportioned shall not exceed the amount of police state aid available for apportionment.

If such disabled person's public service has terminated at any time, at least five of the required ten years of allowable service must have been rendered after last becoming a member. Any member whose average salary is less than \$75 per month shall not be entitled to a disability benefit.

Sec. 24. Minnesota Statutes 1976, Section 353.33, Subdivision 9, is amended to read:

Subd. 9. [RETURN TO PUBLIC SERVICE.] Any person receiving a disability benefit who is restored to active public service except persons receiving benefits as provided in subdivision 7, shall have deductions taken for the retirement fund and upon subsequent retirement have his retirement annuity based upon all allowable service including that upon which the disability benefits were based. (NO PERSON SHALL BE ENTITLED TO RECEIVE DISABILITY BENEFITS AND A RETIREMENT ANNUITY AT THE SAME TIME.)

Sec. 25. Minnesota Statutes 1976, Section 353.36, Subdivision 2, is amended to read:

Subd. 2. [EMPLOYEE CONTRIBUTIONS; INTEREST; MATCHING PAYMENT.] A person who has *at least one year of allowable service with the association and who has prior public service on which salary deductions were not taken for the retirement fund and who does not have the required minimum number of years of allowable service credit to qualify for an annuity, may*

apply for such annuity if otherwise qualified, and within 90 days thereafter purchase whatever period of said public service is necessary to bring his total allowable service credit to said minimum, provided that last service shall be purchased first. Such person may gain such allowable service credit by paying six percent of the salary covered under the law in effect at the time that such public service was performed, with interest thereon at the rate of six percent per annum compounded annually from the date first payable to the date payment is made, plus a matching amount, unless the employer agrees to pay said matching amount pursuant to subdivision 2a. An annuity shall accrue as provided in section 353.29, subdivision 7, but no annuity shall be paid until the applicant's payment is made in full for the prior public service; if said payment is not made within such 90 days, the application for retirement shall be void.

**353.37 [PUBLIC RE-EMPLOYMENT OF ANNUITANT.]**  
**Subdivision 1. [EFFECT ON ANNUITIES.]** The annuity of a person otherwise eligible therefor under this chapter shall be suspended if he re-enters and as long as he remains in public service as a non-elective employee of a governmental subdivision, if his earned compensation for such service exceeds \$3,000 in any calendar year. The suspension of the annuity shall commence as of the first of the month in which the maximum permitted compensation is exceeded as herein provided, but shall not apply to any months in which the annuitant is not actually employed in non-elective service in a position covered by this chapter. Any annuitant of the association, who is elected to public office after his retirement (FOLLOWING JUNE 30, 1959) shall be entitled to hold such office and receive his annuity otherwise payable from the public employees retirement association (FROM AND AFTER JULY 1, 1959). Upon proper showing by an annuitant that this ineligibility no longer exists, the monthly annuity payments shall be resumed. Public service performed by an annuitant subsequent to his retirement under this chapter does not increase or decrease any annuity when payments thereof are resumed. The annuitant is not required to make any further contributions to the retirement fund by reason of this subsequent public service.

**Subd. 1a. [EFFECT ON PROPORTIONATE ANNUITY.]**  
*Notwithstanding Minnesota Statutes, Section 356.32 or any other provision of law, persons employed by a governmental subdivision that requires termination of employment pursuant to a uniformly applied mandatory retirement policy or law in accord with said section may receive a proportionate annuity under said section, if qualified, even if they or others are employed as substitute employees after age 65. For the purpose of this section a substitute employee is one who earns less than \$3,000 in any calendar year.*

This section shall have retroactive application to any such person receiving or found eligible by the district court to receive benefits calculated under section 353.46, subdivision 1, and laws amendatory thereto.*

Sec. 28. Minnesota Statutes 1976, Section 353.651, Subdivision 3, is amended to read:

**Subd. 3. [RETIREMENT ANNUITY FORMULA.]** The average salary as defined in subdivision 2, multiplied by two and one-half percent per year of allowable service for the first 20 years and two percent per year of allowable service thereafter, shall determine the amount of the "normal" retirement annuity (**; PROVIDED, HOWEVER, IF THE ANNUITY CALCULATED HEREUNDER IS LESS THAN THE ANNUITY CALCULATED UNDER THE LAW IN EFFECT ON JUNE 30, 1973, THIS LATTER AMOUNT SHALL BE THE "NORMAL" ANNUITY**). If the member has earned allowable service for performing services other than those of a police officer or fire fighter, the annuity representing such service shall be computed in accordance with sections 353.29 and 353.30.

In every odd numbered year there shall be elected two members of the fund to the board of trustees for terms of four years commencing on the first of July next succeeding their election. Commencing in 1977 and every two years thereafter there shall be elected one retiree of the fund to the board of trustees for a term of two years commencing on the first of July next succeeding his election except that the first term served by a retiree shall be for a period of 20 months commencing on November 1, 1977. Each election shall be completed by June (1ST) first of each succeeding odd numbered year except that the first election of a retiree shall be completed by October 1, 1977. In the case of elective members, vacancies shall be filled by appointment by the remainder of the board, the appointee to serve until the members or retirees of the fund at the next regular election have elected a trustee to serve for the unexpired term caused by such vacancy. Nothing contained in this subdivision shall preclude (A DISTRICT) *an employer unit covered by this chapter* from employing a retired teacher as a substitute or part time teacher; provided, no teacher required to terminate employment by this subdivision shall resume membership in the retirement association by virtue of employment as a substitute or part time teacher; provided further that upon having earned \$3,000 in any academic year from employment as a substitute or part time teacher, any person over the age of 65 years shall terminate employment for the remainder of that academic year.

Payment of pensions and benefits shall be continued by the association, subject only to the provisions of sections 57 to 77. When every member of the volunteer division is deceased, the funds of such division shall become a trust fund managed for the benefit of the beneficiaries of such fund. In the event the city council shall abolish the volunteer branch of its fire department, any surplus remaining in the account of the special fund of the volunteer division after discharging all obligations to all members and other beneficiaries of the volunteer division shall be paid into the general treasury of the city of Columbia Heights. In the event the paid division is terminated by attrition or any other reason, any surplus remaining in the account of the special fund of the paid division after discharging all obligations shall be paid into the general treasury of the city. Sec. 60. *The mayor of the city of Columbia Heights shall be designated the president of the volunteer division's board of trustees and shall preside at all meetings of the board, provided, that in the mayor's absence the members of the city council who are present shall elect one council member as temporary presiding officer. The mayor shall have general supervision over the volunteer division and its affairs.*

*The city treasurer or finance director shall from time to time collect from the city of Columbia Heights and from the county of Anoka all funds derived from taxes levied by the city for the benefit of the special fund of the division and the interest from the investment thereof. He shall also collect from the state of Minnesota all funds and interest thereon derived from levies imposed and collected by the state for the benefit of the volunteer division on fire insurance premiums collected within the corporate limits of the city. He shall further receive and collect all funds derived from private sources specifically for the benefit of the volunteer division special fund. Such funds shall be transmitted to the division's board of trustees for investment.*

Sec. 61. *The volunteer division may adopt bylaws not in conflict with sections 57 to 77. The board of examiners shall be the representative of the volunteer division membership at any meeting with the volunteer division board of trustees. Members of the board of examiners shall act as advisors to the board of trustees but shall not have a vote in any matters coming before the board.*

Sec. 62. *Special meetings between the board of examiners and the board of trustees of the volunteer division shall be held in the Columbia Heights city council chambers and may be called at any time by the board of examiners upon the written request of any member of the board of examiners, upon written request of at least 30 percent of the members of such division or upon written request of the president of the board of trustees. A re-*

quest shall be delivered to the Columbia Heights city manager and shall include the agenda for the meeting and the time and date of the meeting. It shall be the duty of the city manager to give all active and retired members of the volunteer division, members of the board of trustees and ex-officio members of the board of trustees 48 hours' written notice of the special meeting. The notice shall include the agenda for the meeting and the time and date of the meeting. No business shall be transacted at any special meeting except business stated in the notice. Notices mailed by U. A special meeting between the board of trustees and the board of examiners of the volunteer division shall be called no later than 15 days subsequent to the date the city manager receives written request for such meeting including the agenda for the meeting and the time and date of the meeting.

A special meeting of the volunteer division membership shall be called no later than 15 days subsequent to the date the city manager receives a written request for such meeting, including the agenda for such meeting and setting the time, date and place for such meeting, signed by at least 20 percent of the membership of such division. Meetings of the volunteer division membership shall be held at the place designated in the written request for the meeting but in any case shall be held either at the Columbia Heights fire department or at the city council chambers.

Sec. 63. The account in the special fund for the benefit of members of the Columbia Heights fire department relief association who are volunteers shall be continued and shall be designated the Columbia Heights fire department relief association volunteer division special fund and the special fund for the benefit of the members of the Columbia Heights fire department relief association who are paid firemen shall continue and shall be designated the Columbia Heights fire department relief association paid division special fund. The funds received by either division of the Columbia Heights fire department relief association from dues, fines, initiation fees, and entertainments shall be kept in a fund called the general fund and may be disbursed upon a majority vote of all members of the association for any purposes authorized by the articles of incorporation and bylaws of both divisions of the association. All moneys received by the association which are derived from payroll deductions from paid division members' salaries shall be paid into the account of the paid division special fund for the benefit of the paid firemen only. Funds received from all other sources may be allocated between the paid division special fund and the volunteer division

*special fund in such proportions as shall be designated from time to time by three-fifths vote of the Columbia Heights city council. State aid funds for fire relief associations received by the city pursuant to Minnesota Statutes, Chapter 69 and taxes collected may be transferred to the Columbia Heights fire department relief association in accordance with the provisions of chapter 69 or retained in whole or in part by the city as a portion of the required employer's pension contribution for firefighters who are members of the public employees' police and fire fund.*

*Sec. 64. The volunteer division, the city of Columbia Heights, and the officers of each, are authorized to do all things required by sections 57 to 77 and the Volunteer Firemen's Relief Association Guidelines Act of 1971, as a condition for the use of public funds or the levy of taxes for the support of the volunteer division.*

*Sec. 65. The minimum obligation of the city of Columbia Heights to the Columbia Heights fire department relief association shall be determined by the applicable provisions of Minnesota Statutes, Chapter 69 except that the normal cost of the paid division special fund shall be computed as a percentage of the salary paid only to members of the paid division.*

*Sec. 66. Commencing in the year 1980, in addition to the minimum obligation required by Minnesota Statutes, Chapter 69, the city of Columbia Heights shall provide additional financing to the Columbia Heights fire department relief association sufficient to amortize by the year 2010 the fund deficits as determined in accordance with the applicable provisions of Minnesota Statutes, Chapter 69. For the purpose of providing the financial requirements of sections 57 to 77, the city may levy taxes for the payment thereof without limitation as to rate or amount, notwithstanding any city charter limitation or any law to the contrary. The levy of such taxes shall not cause the amount of other tax levies of the city to be reduced in any amount. The city shall provide in its annual budget for the financial requirements of sections 57 to 77.*

*Sec. 67. Except as provided by sections 57 to 77, by specific enactment of the legislature or by charter amendment to the charter of the city of Columbia Heights, no relief association shall be established in the city to provide benefits for firefighters. No person who is a member of the Columbia Heights fire department relief association paid division shall be a member of the public employees retirement association. Provided, however, a volunteer firefighter who is a full time employee of some other department or agency of the city of Columbia Heights, the state of Minnesota, or of some other political subdivision of the state, may be a member of the public employees retirement association.*

Sec. 68. *Subdivision 1. Notwithstanding any provision of the law to the contrary, the bylaws of the Columbia Heights fire department relief association volunteer division may provide that the service pension payable to a retired volunteer firefighter, age 50 years or more with 20 years of service, shall be in the amount of not more than \$150 per month, hereinafter referred to as the "base service pension", plus an additional \$3 per month for each year of service in excess of 20 years to a maximum of \$180 per month. The base service pension as of the effective date of sections 57 to 77 shall be in the amount of \$150 per month.*

*Subd. 2. Notwithstanding any provision of law to the contrary, the bylaws of the Columbia Heights fire department relief association volunteer division may provide, upon consent, approval and ratification by written resolution of the Columbia Heights city council by a four-fifths vote for (1) early retirement benefits after ten years service in good standing, (2) surviving spouse and/or minor child or children benefits and/or (3) disability benefits for volunteers provided that any such benefits do not exceed 50 percent of \$180 per month per member or per such member's spouse and children.*

*Subd. 3. Notwithstanding any provision of the law to the contrary, the bylaws of the Columbia Heights fire department relief association volunteer division may provide that the estate of each volunteer shall be given a payment of \$1,000 for funeral benefits upon the death of the volunteer regardless of date or cause of death. No payment shall be made pursuant to this subdivision unless the volunteer is a member in good standing of the volunteer division or has retired as a member in good standing of the division.*

*Subd. 4. The city of Columbia Heights shall not reduce benefits provided in this act to volunteers unless a majority of the active and retired volunteers who are eligible to receive such benefits request such reduction in writing to the Columbia Heights city council.*

Sec. 69. *The Columbia Heights city council may provide for an increase in benefits paid to members of the paid division or to members of the volunteer division without further special or general legislation by the state, provided the action by the city council complies with the provisions of sections 57 to 77. The city council may increase or decrease the benefits paid to members of the paid division only by increasing or decreasing the monthly salary of a first grade firefighter pursuant to the provisions of Laws 1975, Chapter 424, Section 9. Nothing in sections 57 to 77 shall be construed to give authorization to the city council to increase or decrease benefits of members of the paid division by increasing or decreasing the number or value of "units" as defined in Laws 1975, Chapter 424, for periods of service in the fire department, nor shall the city council be authorized to change the definition of a "unit" or "units".*

*The city council shall not provide for any increase in the benefits paid to the members of the volunteer division unless the city council shall first have obtained and given consideration to an actuarial survey, which survey shall use the actuarial assumptions provided in Minnesota Statutes, Chapter 69. The city council shall make written findings stating that based upon such actuarial survey, such increase in benefits to members of the volunteer division and such increase in funding of the volunteer division special fund, if necessary, shall not create a deficit in the volunteer division special fund, the amortization of which, together with the amortization of any existing deficit in the volunteer division special fund, exceeds 20 years from the date such increase in benefits is authorized.*

*It shall be unlawful for the city of Columbia Heights to contribute any public funds, or to levy taxes for any such increase in benefits paid to members of the paid division or to members of the volunteer division, as the case may be, unless the city council has first complied with the provisions of sections 68 and 69.*

*Sec. 70. Minnesota Statutes, Section 69.021 shall specifically apply to the city of Columbia Heights and to the Columbia Heights fire department relief association.*

*Sec. 71. The Columbia Heights city clerk, when the state aid and tax collected is received by him, shall within five days transmit the payments to the city treasurer or city finance director who shall within 25 days of receipt by him pay over such amount to the board of trustees of each division of the Columbia Heights fire department relief association as such amount of state aid and tax is apportioned to each such division from time to time by three-fifths vote of the Columbia Heights city council.*

*Sec. 72. For the purpose of computation of service requirements in connection with payment of any pensions or other benefits provided by sections 57 to 77, service of volunteers who were members of the Columbia Heights fire department relief association prior to the date sections 57 to 77 become effective and service of all paid firefighters shall be taken into account on the same basis as though sections 57 to 77 were in existence during all the time such service was rendered.*

*Sec. 73. Section 48 and sections 57 to 77 and 79 shall become effective upon approval by the Columbia Heights city council and upon compliance with the provisions of Minnesota Statutes, Section 645.021.*

*Sec. 74. Notwithstanding any other law to the contrary, the governing body of the paid division shall be composed of a board of trustees. The board of trustees shall consist of six active paid firefighters, except as otherwise provided herein. The officers*

of the board of trustees shall be a president, one or more vice presidents, a secretary, a treasurer, assistant secretary, and assistant treasurer. Each officer shall be elected by the members of the paid division including retired, disabled whether permanently or temporarily, and active members. Nothing contained herein shall prevent a temporarily disabled active member from being elected or continuing as an officer of the board of trustees. In the event there are not six active members, or temporarily disabled active members, to fill the required six offices, the number of required offices shall be reduced to the number of active or temporarily disabled active members available.

Provided in no event shall said board of trustees consist of less than two officers, and said officers shall be a president and a secretary-treasurer.

In the event there are not enough active or temporarily disabled active members to act as a board of trustees, the paid division shall be governed as provided in section 76.

Sec. 75. The affairs of the paid division shall be managed by the board of trustees in the manner prescribed by law and the board of trustees of the paid division shall have exclusive control and management of all funds allocated to it under applicable law and received by its treasurer, including the funds derived under the provisions of Minnesota Statutes, Sections 424.30 and 424.31, funds derived from the state of Minnesota, and all moneys or property donated, given, granted, or devised for the benefit of the paid division special fund; and such funds when received shall be kept in a separate account in the special fund account of the paid division and never disbursed for any purposes except the following:

(1) For the relief of sick, injured, and disabled members of the paid division;

(2) For the payment of pensions to disabled firefighters and the surviving spouses and orphans of firefighters who are members of the paid division;

(3) For the payment of pensions to retired firefighters of the paid division;

(4) For the payment of the fees, dues, and assessments in the Minnesota state fire department association, so as to entitle the members of the paid division to membership in and benefits of such state association;

(5) For the payment of funeral benefits, if so provided in the division's bylaws, and subject to the following requirements and limitations:

(a) *The decedent must have died while serving as an active duty member of the paid division,*

(b) *The decedent must have completed a period or periods of service equal to 20 years or more,*

(c) *The decedent must have died without a surviving spouse or minor child entitled to benefits from the Columbia Heights fire department relief association;*

*In no event shall the funeral benefit exceed the lesser of:*

(i) *The actual unreimbursed expenses incurred by the estate or representative, or,*

(ii) *\$2,000;*

(6) *For the payment of necessary expenses of administering such fund;*

*In the event that there are not enough paid members available to act as a board of trustees, funds shall be paid to a trustee, as provided in section 76, for the benefit of the beneficiaries of such funds and for purposes consistent with clauses (1) through (6) hereinabove.*

*The relief association may invest its funds in such income paying properties and securities as the city council shall from time to time authorize. Benefits shall in all cases be within the limits authorized by state law and in accordance with the articles of incorporation and bylaws of the association.*

*Sec. 76. In the event the paid division board of trustees ceases to exist as provided in section 74, the existing funds of said division, and all funds said division would have been entitled to, had it continued to exist, shall be paid to a federally insured banking institution chartered by the state of Minnesota or by the United States as trustee for the beneficiaries and shall be managed for the benefit of the beneficiaries of such funds as provided in sections 20, 21, 22, 23, 24, 25 and 26, Laws 1965, Chapter 605, as amended by sections 6, 7, 8 and 9, Laws 1975, Chapter 424, and sections 57 to 77. When the trustee determines that there are no longer any persons entitled to benefits, the trustee shall pay all remaining funds to the general fund of the city of Columbia Heights, and the trust shall terminate.*

*Notwithstanding the provisions of any other law to the contrary, the trustee of the paid division shall have all the powers and duties that the board of trustees of the paid division would have had if said board would have continued to manage and administer the affairs of the paid division.*

Sec. 77. *The board of trustees of the paid division of the Columbia Heights fire department relief association, or the trustee acting in its place as provided in section 76, shall have full and permanent charge of and the responsibility for the proper management and control of its special fund.*

Sec. 78. [REPEALER.] *Minnesota Statutes 1976, Sections 353.016; 353.018; 353.019; 353.03, Subdivision 2a; 353.31, Subdivision 11; 353.36, Subdivision 2d; 353.46, Subdivision 3; and 353.64, Subdivision 5, are repealed.*

Sec. 80. [EFFECTIVE DATE.] *Sections 1, 2, 3, 4, 5, 6, 7, 11, 15, 21, 26, 27, 31, 41, 42, 43, 44, 45, 46, 47, 49, 50, 51, 52, 53, and 54 are effective the day following final enactment. Sections 8, 9, 10, 12, 13, 14, 16, 17, 18, 19, 20, 22, 23, 24, 25, 28, 29, 30, 32, 33, 34, 35, 36, 37, 38, 39, 40, 55, 56, and 78 shall be effective July 1, 1977. *Subd. 2. [TAX INCREMENT DISTRICT.] Tax increment district is a geographic area delineated exclusively for the purpose of financing development, redevelopment or renewal in municipalities. The tax increment district is a redevelopment area consisting of contiguous or noncontiguous properties as specified in a city approved tax increment financing plan. In such districts the original assessed value is frozen and any increase in value is captured for financing the cost of development, redevelopment or renewal of such properties for a time period not to exceed the period during which tax increments may be remitted to an authority under section 4, subdivision 4.*

*Subd. 3. [ORIGINAL ASSESSED VALUE.] Original assessed value is the assessed value of all taxable real property within a tax increment district as most recently determined by the county auditor at the time of approval by the city council of the tax increment financing plan.*

*Subd. 4. [REDEVELOPMENT PROJECT.] Redevelopment project is a project as defined in Minnesota Statutes, Section 462.421, Subdivision 13, an industrial development district as defined in Minnesota Statutes, Section 458.191 or a development program as authorized in Minnesota Statutes, Chapter 472A, or any other development district project under any general or special law which is financed in whole or in part by tax increment financing.*

*Subd. 5. [AUTHORITY.] Authority means a housing and redevelopment authority created or authorized to be created by Minnesota Statutes, Chapter 462, a port authority created under chapter 458; or a municipality which is administering a development district created pursuant to chapter 472A or any special*

**Sec. 3.** Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.73] *Subdivision 1. [TAX INCREMENT FINANCING PLAN.] A tax increment financing plan shall contain a statement of objectives of an authority for improvement of a tax increment district. The plan shall contain a description of the development or redevelopment program for the district. This plan shall contain a statement as to the public facilities to be constructed within the district, the open space to be created, and the proposed reuse of property. It shall contain estimates of the following: cost of the redevelopment project; sources of revenue to finance these costs including estimates of tax increments; amount of bonded indebtedness to be incurred; and the duration of the district's existence. The plan shall contain a statement of the estimated impact of tax increment financing on the assessed values of all taxing jurisdictions in which the district is located. The plan shall be accompanied by a full disclosure of any commitments, agreements or contracts which have been made with a developer or developers for the proposed development or redevelopment.*

*Subd. 2. [APPLICATION, NOTICE, HEARING.] (a) Whenever an authority determines that an area is a redevelopment area and a tax increment district should be formed, it shall apply to the governing body of the municipality in which the district is located for approval thereof. The application shall be accompanied by a tax increment financing plan. Before approving any tax increment financing plan, the governing body shall hold a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of hearing. The authority shall make the plan available to the public at least 15 days prior to the public hearing.*

(b) Whenever tax increment financing is used for a redevelopment project which is approved under Minnesota Statutes, Section 462.521, the tax increment financing plan may accompany the renewal plan and such portions of section 3, subdivision 1, which are contained in the renewal plan need not be repeated in the tax increment financing plan.

Subd. 3. [FINDINGS, NOTICE, DETERMINATION; GOVERNING BODY.] The authority shall not proceed with a redevelopment project financed through tax increments unless the governing body finds by resolution that (a) the project is in a redevelopment area; (b) tax increment financing is necessary to successfully complete the project; (c) the development or redevelopment plans for the tax increment district in the municipality will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the redevelopment of such areas by private enterprise; and (d) the tax increment financing plan conforms to a general plan for the development of the municipality as a whole. The governing body shall within 90 days after submission of the application or resubmission as hereinafter provided, give written notice to the authority of its decision with respect to the tax increment financing plan. If approval is not given within 90 days the application shall be deemed to have been rejected. A plan which has not been approved by the governing body when submitted to it may be again submitted to it with such modifications as are necessary to meet its objections.

Subd. 4. [LIMITATIONS ON TAX INCREMENT DISTRICTS.] The total market value of taxable real property in any one tax increment district at the time the tax increment financing plan for the district is adopted shall not exceed three percent of the total market value of taxable real property in the municipality as then most recently certified by the county auditor, and shall not, when added to the current market value of taxable real property within tax increment districts for which the unrecovered cost of bonds remain, exceed seven percent of the total market value of taxable real property in the municipality as most recently certified by the county auditor.

Subd. 5. [CONSULTATIONS WITH OTHER JURISDICTIONS.] Prior to the public hearing on formation of a tax increment district the governing body and the authority shall meet with the members of the board of commissioners of any county in which a portion of the tax increment district is located and with the members of the school board of any school district in which a portion of the tax increment district is located. The members of the boards of commissioners and of the school boards shall be informed of the fiscal and economic implications of the proposed tax increment district. The members of the boards of commissioners and of the school boards may present their recommendations at the public hearing on the tax increment financing plan.

*Subd. 6. [MODIFICATION OF PLAN.] A tax increment financing plan may be modified by an authority at any time, provided that any enlargement of geographic area, increase in amount of bonded indebtedness to be incurred, increase in the portion of captured assessed value to be retained by the authority or use of revenues derived from the tax increment district in the municipality, if not previously included in the tax increment financing plan shall be approved by the governing body upon such notice and after such public hearings and agreements as are required for approval of the original plan, prior to being put into effect. The geographic area of a tax increment district shall not be enlarged after five years following the date of approval of the original tax increment financing plan or five years from the effective date of this act for districts authorized prior to the effective date of this act. For such purposes of determining original assessed value and compliance with the limitations imposed in tax increment districts in section 3, subdivision 4, any real property added to the district as a result of a modification shall be regarded as part of the original tax increment district and its original value shall be its value as was most recently determined prior to the date of approval of the original tax increment financing plan.*

Sec. 4. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.74] [COMPUTATION OF TAX INCREMENT.] *Subdivision 1. [ORIGINAL ASSESSED VALUE.] Upon or after adoption of a tax increment financing plan by the governing body the auditor of the county in which it is situated shall upon request of the authority certify the original assessed value of the real property within the boundaries of the tax increment district as described in the tax increment financing plan. Property taxable at the time of the request shall be included in the original assessed value at its most recently determined valuation. Property exempt from taxation at the time of the request shall be included at zero unless it was taxable when the tax increment financing plan was approved in which case its most recently determined assessed valuation before it became exempt shall be included.*

*Subd. 2. [CAPTURED ASSESSED VALUE.] Any amount by which the current assessed value of a tax increment district exceeds the original assessed value is referred to as the captured assessed value. The county auditor shall certify the amount of the captured assessed value to the authority each year thereafter.*

(a) *An authority may choose to retain any part or all of the captured assessed value for purposes of tax increment financing according to one of the following options:*

(1) *If the plan provides that all the captured assessed value is necessary to finance the redevelopment costs the authority may retain the full captured assessed value.*

(2) *If the plan provides that only a portion of the captured assessed value is necessary to finance the redevelopment costs of the project only that portion should be set aside and the remainder shall be distributed among the affected taxing districts by the county auditor.*

(b) *The portion of captured assessed value that an authority intends to use for purposes of tax increment financing must be clearly stated in the tax increment financing plan.*

(c) *The total captured assessed value shall be included in the determination of adjusted assessed value under the provisions of section 124.212 for purposes of determining any state aids or measures of local effort which use the value derived under the provisions of section 124.212.*

**Subd. 3. [TAX INCREMENTS.]** (a) *In each subsequent year the county auditor shall compute assessed valuation, mill rates and tax increments according to the following method:*

(1) *If the authority retains the full captured assessed value the county auditor shall include no more than the original assessed value of the real property in the tax increment district for purposes of determining assessed value for local mill rates. He shall compute the mill rates of all taxes levied by the state, the county, the municipality or town, the school district and every other taxing district in which the district is located on the aforementioned assessed value. He shall extend all mill rates against the current assessed value, including the captured assessed value. In each year for which the current assessed value exceeds the original assessed value the county treasurer shall remit to the authority that proportion of all taxes paid that year on real property in the district which the captured assessed value bears to the total current assessed value. The amount so remitted each year is referred to in this section as the tax increment for that year.*

(2) *If the authority retains only a portion of the captured assessed value for its use and returns the remaining portion to the tax rolls of all affected taxing districts, the county auditor shall include the original assessed value and that portion of the captured assessed value which is shared with all the affected taxing districts in determining the assessed value for computing mill rates. He shall compute the mill rates of all taxes levied by the state, county, municipality, school district, and every other taxing district in which the district is located on this aforementioned assessed value. He shall extend all mill rates against the total current assessed value including that portion of the captured assessed value which the authority is retaining for its use only. In each year for which the current assessed value exceeds the original assessed value the county treasurer shall remit to the municipality that proportion of all taxes paid on real property in the district that the retained captured assessed value*

bears to the total current assessed value in the district. The amount so remitted each year is referred to as the tax increment.

(b) In any year in which the current assessed value of the tax increment district is equal to or less than the original assessed value of the district, the county auditor shall compute and extend taxes against the current value. Taxes shall be distributed from the affected property to each of the taxing authorities as determined by the current levy and there is no tax increment.

Subd. 4. [TAX INCREMENT ACCOUNT.] Tax increments received with respect to a tax increment district shall be segregated by the authority entitled to receive them in a special account on its official books and records. The tax increments shall be remitted to the authority under a pledge agreement until the public cost of the development program authorized in the tax increment financing plan for the district has been fully reimbursed from the tax increments or until 20 years from the date of approval of the tax increment financing plan, whichever is sooner.

In any year in which the tax increments exceed the amount necessary to pay the costs authorized by the tax increment financing plan, including the amount necessary to cancel any tax levy as required in subdivision 5, the authority shall use the excess amount to prepay any outstanding bonds or discharge the pledge of tax increments therefor or shall return the money to the municipality, county and school district in which the tax increment district is located in direct proportion to their respective mill rates.

Subd. 5. [TAX INCREMENT FINANCING.] The authority shall expend the tax increments received for any development or redevelopment project only in accordance with the tax increment financing plan, subject to the provisions of subdivision 4. Tax increments may be pledged and appropriated for the payment of the principal of and interest on general obligation bonds issued in aid of the project pursuant to Minnesota Statutes, Chapter 458, or bonds issued in aid of the project pursuant to Minnesota Statutes, Chapters 462 and 472A; Laws 1971, Chapters 548 and 677; and Laws 1973, Chapters 196, 761 and 764, by the authority or by the municipality within whose corporate limits the tax increment district is situated. Any such pledge for the payment of bonds issued by the municipality shall be made by written agreement executed on behalf of the authority and the municipality and filed with the county auditor. The collections of the tax increments shall be certified annually to reduce or cancel the initial tax levies in accordance with Minnesota Statutes, Section 475.61, Subdivision 3. When such an agreement is made and filed, the bonds may be issued by the municipality in the same manner and subject to the same conditions as those provided in Minnesota Statutes, Chapter 475, for bonds financing improvement costs reimbursable from special assess-

ments except that these bonds shall be subject to the limitations on net debt provided in section 475.53. However, in all first class cities where the net debt limitation is at the minimum level stated in section 475.53 those municipalities shall be authorized under the provisions of this section to issue after the date of this act additional tax increment bonds not to exceed \$6,000,000 in total amount which shall not be included in the computation of the net debt limitation under section 475.53.

Any other revenues derived from the tax increment district may also be pledged to the payment of the bonds and interest thereof. The pledge of any revenues, including tax increments to the payment of bonds and interest thereon may be discharged if sufficient funds have been irrevocably deposited in escrow to provide for payment when due of the bonds and interest thereon. The full faith and credit and taxing powers of the municipality shall continue to be pledged to the payment of any general obligation bonds until the principal of and interest on the bonds have been paid in full.

Subd. 6. [LIMITATION ON USE OF TAX INCREMENTS.] Revenues derived from tax increments shall be used only to pay off bonds capital costs, redevelopment costs, and administrative expenses authorized by the existing general or special law under which the authority was created as authorized in the tax increment financing plan, provided that tax increments shall not be used to pay any administrative expenses which exceed five percent of the total cost of the project. Prior to the sale of bonds, written agreements shall be negotiated and shall provide that the increment generated from the development or redevelopment shall be determined by the governing body to be sufficient to retire the bonds.

Subd. 7. [ANNUAL DISCLOSURE.] On or before July 1, of each year, the authority shall submit to the governing body of the municipality, the county board and the school board a report on the status of the account. The report shall include the following information: the amount and source of revenue in the account, the amount and purpose of expenditures from the account, the amount of principal and interest on any outstanding bonded indebtedness, the original assessed value of the district, the captured assessed value retained by the district, the captured assessed value shared with other taxing districts, the tax increments received and any additional information necessary to demonstrate compliance with the tax increment financing plan. An annual statement showing the tax increments received and expended in that year, the original assessed value, captured assessed value, amount of outstanding bonded indebtedness, and any additional information the governing body deems necessary shall be placed on file with the city clerk and county auditor and made available to the public upon request.

Sec. 5. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.75] [EXISTING PROJECTS.] *This act does not affect any project which was approved by a city council under Minnesota Statutes, Sections 462.545, 462.585, 474.10, and Chapter 472A; Laws 1971, Chapters 548 and 677; and Laws 1973, Chapters 196, 761, or 764 prior to its enactment, unless the authority undertaking the project and the governing body elect to proceed with the project under the provisions of this act. Provided, however, that any existing project using tax increment financing which was approved prior to the effective date of this act may not incur indebtedness in excess of the amount which has been previously approved in a financing plan by the governing body unless the project follows the procedures provided for modification of tax increment financing plans pursuant to section 3, subdivision 6, of this act.*

*If an existing project has been established without a financing plan, the authority must present to the governing body a tax increment financing plan in accordance with the procedures established in section 3, subdivision 6, and said plan must be approved prior to June 1, 1978, provided that the authority may not enlarge the geographic area of the district or lengthen the time of its duration through this process. If the governing body approves the tax increment financing plan, the project shall only proceed according to the plan and shall not be subject to the limitations contained in section 3, subdivision 4, or any other limitations contained in this act.*

*Beginning July 1, 1978 all projects using tax increment financing which have been approved prior to July 1, 1978 shall comply with the provisions of section 4, subdivision 7.*

Sec. 6. Minnesota Statutes 1976, Section 458.192, Subdivision 11, is amended to read:

Subd. 11. Upon or after the creation of an industrial development district under section 458.191, (THE AUDITOR OF THE COUNTY IN WHICH IT IS SITUATED SHALL UPON REQUEST OF THE PORT AUTHORITY CERTIFY THE THEN MOST RECENTLY DETERMINED ASSESSED VALUATION OF ALL OR SO MUCH OF THE TAXABLE REAL PROPERTY WITHIN THE DISTRICT AS IS IDENTIFIED BY LEGAL DESCRIPTION IN THE REQUEST, OTHER THAN THAT PORTION OF THE VALUATION WHICH IS CONTRIBUTED TO AN AREA-WIDE TAX BASE UNDER CHAPTER 473F. THE AUDITOR SHALL CERTIFY TO THE AUTHORITY IN EACH YEAR THEREAFTER THE AMOUNTS AND PERCENTAGES OF SUBSEQUENT INCREASES OR DECREASES IN SUCH VALUATION OTHER THAN THAT PORTION OF SUCH INCREASES OR DECREASES WHICH IS CONTRIBUTED TO AN AREA-WIDE

TAX BASE UNDER CHAPTER 473F. THE AUDITOR SHALL COMPUTE THE MILL RATES OF TAXES AGAINST SUCH ORIGINAL VALUATION BUT SHALL EXTEND SUCH RATES ALSO AGAINST ANY INCREMENTAL VALUE AND REMIT THE RESULTING TAX INCREMENT TO THE PORT AUTHORITY IN THE SAME MANNER AS THAT PROVIDED FOR THE COMPUTATION AND REMITTANCE OF TAX INCREMENTS UNDER SECTION 462.585, SUBDIVISIONS 2 AND 3. THE PORT AUTHORITY SHALL SEGREGATE TAX INCREMENTS RECEIVED WITH RESPECT TO ANY SUCH PROPERTY DISTRICT IN A SPECIAL ACCOUNT ON ITS OFFICIAL BOOKS AND RECORDS. SUCH TAX INCREMENTS SHALL BE REMITTED TO THE PORT AUTHORITY UNTIL THE COST OF REDEVELOPMENT OF THE MARGINAL LAND WITHIN THE DISTRICT, INCLUDING INTEREST THEREON, HAS BEEN FULLY REIMBURSED FROM THE TAX INCREMENTS. WHEN SUCH FULL REIMBURSEMENT HAS BEEN MADE, IT SHALL BE REPORTED BY THE PORT AUTHORITY TO THE COUNTY AUDITOR, WHO SHALL THEREAFTER INCLUDE THE ENTIRE ASSESSED VALUATION OF THE PROPERTY IN THE ASSESSED VALUATIONS UPON WHICH TAX MILL RATES ARE COMPUTED AND EXTENDED AND TAXES ARE REMITTED TO ALL TAXING DISTRICTS. ANY PART OR ALL OF SUCH TAX, IF SO DIRECTED BY THE CITY COUNCIL, SHALL BE PLEDGED AND APPROPRIATED FOR THE PAYMENT OF ANY GENERAL OBLIGATION BONDS OF THE PORT AUTHORITY. INCREASES IN THE VALUE OF SUCH PROPERTY, SUBSEQUENT TO CERTIFICATION OF THE BASE FOR COMPUTING THE TAX INCREMENT THEREFROM, SHALL NOT BE INCLUDED IN THE ASSESSED VALUATION OF ANY TAXING DISTRICT FOR THE PURPOSE OF COMPUTING ANY DEBT OR LEVY LIMITATION OR THE AMOUNT OF ANY STATE OR FEDERAL AID TO THE TAXING DISTRICT, SO LONG AS THE TAX INCREMENT THEREFROM IS SEGREGATED UNDER THE PROVISIONS OF THIS SECTION) *the port authority may apply to the governing body of the municipality in which the industrial development district is located for approval to form a tax increment district and use tax increment financing to pay the costs of development or redevelopment under the provisions of sections 1 to 5.*

Sec. 7. Minnesota Statutes 1976, Section 462.585, Subdivision 1, is amended to read:

for no longer period than the period of tax exemption provided for under that section. In any case where property owned by the authority in a redevelopment project area is leased or otherwise made available by the authority to a private individual, firm, or corporation which previously owned the same or other property within the area, not for development in connection with the project but for temporary use pending relocation of such former owner's residence or business, the authority may agree to payment of sums in lieu of taxes for any year or period of such temporary use, not exceeding the amount of the annual rentals or other payments it receives for such use, but during such use the property and the authority shall be exempt from all taxes and special assessments as provided in section 462.575, and the provisions of section 272.01, subdivision 2 and of section 273.19 shall not apply to such property or to such use thereof. In connection with any redevelopment project, an authority may make further agreements respecting taxes as provided (BELOW) in sections 1 to 5.

Sec. 8. Minnesota Statutes 1976, Section 472A.06, is amended to read:

472A.06 [ISSUANCE OF BONDS.] The governing body of the municipality, may authorize, issue and sell general obligation bonds, which shall mature within 30 years from the date of issue, to finance the acquisition and betterment of real and personal property needed to carry out the development program within the development district together with all relocation costs incidental thereto in accordance with sections 475.51, 475.53, 475.54, 475.55, 475.56, 475.60, 475.61, 475.62, 475.63, 475.65, 475.66, 475.69, 475.70, 475.71. As of April 14, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, without regard to whether the county auditor of the county in which the city is situated has been appointed as the deputy registrar for the county or has been discontinued as the deputy registrar for the county, and without regard to whether the county in which the city is situated has established a county license bureau which issues motor vehicle licenses as provided in section 373.32.

Effective August 1, 1976, the registrar may appoint, and for cause discontinue, a deputy registrar for any city as the public interest and convenience may require, if the auditor for the county in which the city is situated chooses not to accept appointment as the deputy registrar for the county or is discontinued as a deputy registrar, or if the county in which the city is situated has not established a county license bureau which issues motor vehicle license as provided in section 373.32. Any person appointed as a deputy registrar for any city shall be a resident of the county in which the city is situated.

The registrar may appoint, and for cause discontinue, the county auditor of each county as a deputy registrar. The auditor, with the approval of the director of motor vehicles, may appoint, and for cause discontinue, the clerk or equivalent officer of each city or any other person as a deputy registrar as public interest and convenience may require. Notwithstanding any other provision, a person other than a county auditor or a director of a county license bureau, who was appointed by the registrar before August 1, 1976, as a deputy registrar for any city, may continue to serve as deputy registrar and may be discontinued for cause only by the registrar. The county auditor shall be responsible for the acts of deputy registrars appointed by him. Each such deputy, before entering upon the discharge of his duties, shall take and subscribe an oath to faithfully discharge his duties and to uphold the laws of the state. If a deputy registrar appointed hereunder is not an officer or employee of a county or city, such deputy shall in addition give bond to the state in the sum of \$10,000, or such larger sum as may be required by the registrar, conditioned upon the faithful discharge of his duties as deputy registrar. Each deputy registrar appointed hereunder shall keep and maintain, in a convenient public place within the place for which he is appointed, a registration and motor vehicle tax collection bureau, to be approved by the registrar, for the registration of motor vehicles and the collection of motor vehicle taxes thereon. He shall keep such records and make such reports to the

registrar as that officer, from time to time, may require. Such records shall be maintained at the facility of the deputy registrar. The records and facilities of the deputy registrar shall at all times be open to the inspection of the registrar or his agents. He shall (CHARGE AND RECEIVE FOR EACH APPLICATION PRESENTED A FILING FEE OF \$1, AND SHALL) report daily to the registrar all registrations made and taxes and fees collected by him. The filing fee of (\$1) *\$2 imposed pursuant to subdivision 7* shall be deposited in the treasury of the place for which he is appointed, or if such deputy is not a public official, he shall retain the filing fee, but the registration tax and any additional fees for delayed registration he has collected he shall deposit each day in an approved state depository to the credit of the state through the state treasurer. The place for which the deputy registrar is appointed through its governing body shall provide the deputy registrar with facilities and personnel to carry out the duties imposed by this subdivision if such deputy is a public official. In all other cases, the deputy shall maintain a suitable facility for serving the public.

Sec. 2. Minnesota Statutes 1976, Section 168.33, Subdivision 7, is amended to read:

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert the following:

“Section 1. Minnesota Statutes 1976, Chapter 85, is amended by adding a section to read:

[85.23] [LANDS, STATE PARKS.] *Subdivision 1. [FINDINGS.] The legislature finds that use of private lands within state parks in ways incompatible with park purposes creates a situation that threatens the natural resource purpose for which the park was created and prevents development of the full potential public benefit of the land within the park boundaries. Therefore, there is a need to regulate and limit uses of private land to those compatible with park purposes.*

*Subd. 2. [COMPATIBLE USES.] The use and occupancy of privately owned lands within the legislatively designated boundaries of state parks shall be limited to uses as provided herein compatible with the purposes of the park and no incompatible uses shall be permitted. In general, use of land within parks shall be limited to agricultural and continuation of existing residential uses. Impermissible, incompatible uses include the following:*

(a) *Construction of any new improvements or structures on the land. Provided that construction, repair or replacement of agricultural buildings and other agricultural improvements; repair, expansion or replacement of single family homes, and construction, repair or replacement of structures appurtenant to single family homes is expressly permitted;*

(b) *Logging or removal of timber unless approved by the state forester under a qualified forest management plan, except for incidental collection of firewood, removal of diseased or dying timber, or removal of timber creating an unsafe condition;*

(c) *Mineral excavation of any kind;*

(d) *Leases of the land, except for share-crop leases or other uses compatible with these limitations;*

(e) Any change in land use to a use different from that specified in these limitations; and

(f) Any sale or transfer of an ownership interest in the land except as specified in subdivision 4. The commissioner may establish rules, pursuant to Minnesota Statutes, Chapter 15, to further define incompatible uses, not inconsistent with this section.

**Subd. 3. [EXISTING INCOMPATIBLE USES.]** Existing incompatible uses, except for logging or mineral excavation, shall be permitted to continue, but no expansion of such use shall be allowed. In the event of destruction or damage to structures or other improvements constituting an incompatible existing use resulting from natural causes, their repair or replacement shall be allowed only if the extent of damage or destruction totals less than 50 percent of their value.

**Subd. 4. [SALE.]** (a) Any landowner, other than the United States, who owns land within the boundaries of state parks shall not sell or transfer any ownership interest in such land to any person other than the commissioner of natural resources, except as provided in this subdivision. Upon sale or transfer to the commissioner, the commissioner shall pay to the landowner the fair market value of the property on the date of acquisition, less the fair market value on such date of any right retained by the landowner. Any landowner who does not sell or transfer his property to the commissioner of natural resources during his lifetime shall be the last private owner of the land, and at the landowner's death, the commissioner of natural resources shall acquire the land from the landowner's estate upon payment of the fair market value of the land at the time of the landowner's death.

(b) Except for a family farm corporation, pursuant to section 500.24, if the landowner is not a natural person or persons, the owner shall sell the land to the commissioner no later than 25 years after the date of enactment of this act. If the landowner is a family farm corporation, the corporation shall sell the land to the commissioner upon the death of all family members who are stockholders as of the date of enactment of this act or, upon the death of issue, natural or adopted, of such family members, of any subsequent generation, to whom the stock is sold, bequeathed or otherwise transferred.

(c) In the event the commissioner and landowner or estate cannot agree as to the fair market value acquisition price, such price shall be determined by a condemnation proceeding pursuant to Minnesota Statutes, Chapter 117. Upon notification by any landowner or landowner's estate that a parcel of land within a state park boundary is subject to acquisition by the commissioner under this section, the commissioner shall notify the owner or estate within 60 days in writing of the intention to acquire

*the parcel, or this subdivision shall not apply to the sale or other transfer of that parcel. Nothing in this subdivision shall prohibit an owner, having title as of January 1, 1976, or subsequent issue of such owner, natural or adopted, from transferring by sale, bequest, or other means, the undivided ownership of a private parcel of land within a state park to the issue of that owner, natural or adopted, of any subsequent generation, of the first generation. "Landowner or owner" for purposes of this section means either a fee owner or a person purchasing on a contract for deed pursuant to which fee title will be transferred to the purchaser. The transfer of fee title pursuant to a contract for deed shall not constitute a "sale or transfer of an ownership interest" under this section.*

*Subd. 5. [INJUNCTIVE RELIEF.] If any provision of this section is violated, the commissioner of natural resources shall have the authority to enjoin violation by applying to the district court of the county in which the land is located for injunctive relief.*

**Sec. 2.** Minnesota Statutes 1976, Section 84.0272, is amended to read:

**84.0272 [PROCEDURE IN ACQUIRING LANDS.]** When the commissioner of administration is authorized to acquire lands or interests in lands for the commissioner of natural resources, the procedure set forth in this section shall apply. The commissioner of natural resources shall first submit a written request to the commissioner of administration showing the lands to be acquired, the legal authority for their acquisition, the qualities of the land that make it a desirable acquisition and a maximum purchase price. The commissioner of administration shall not purchase land for greater than the maximum purchase price without further consultation and written authorization and justification from the commissioner of natural resources. The commissioner of administration shall cause the lands to be appraised. An appraiser shall before entering upon the duties of his office take and subscribe an oath that he will faithfully and impartially discharge his duties as appraiser according to the best of his ability and that he is not interested directly or indirectly in any of the lands to be appraised or the timber or improvements thereon or in the sale thereof and has entered into no agreement or combination to purchase the same or any part thereof, which oath shall be attached to the report of the appraisal. The commissioner of administration shall not agree to pay more than ten percent above the appraised value, *except that the commissioner may pay 20 percent above the appraised value for land within state parks.* New appraisals may be made but not until at least six months after completion of an earlier series of appraisals.

**Sec. 3.** *This act is effective the day following its final enactment."*

Further amend the title as follows:

Page 1, line 8, after "1976," insert "Section 84.0272; and".

With the recommendation that when so amended the bill pass.

The report was adopted.

Page 1, after line 19, insert:

“Sec. 2. Minnesota Statutes 1976, Section 260.015, Subdivision 17, is amended to read:

Subd. 17. “Shelter care facility” means a physically unrestricting (DETENTION) facility, such as a group home or a licensed facility for foster care, excluding a detention home.

Sec. 3. Minnesota Statutes 1976, Section 260.171, Subdivision 1, is amended to read:

260.171 [RELEASE OR DETENTION.] Subdivision 1. If a child is taken into custody as provided in section 260.165, the parent, guardian, or custodian of the child shall be notified as soon as possible. Unless there is reason to believe that the child would (PHYSICALLY) endanger himself or others, not return for a court hearing, not remain in the care or control of the person to whose lawful custody he is released, or that the child's health or welfare would be immediately endangered, the child shall be *released to the* custody of his parent, guardian, custodian, or other suitable person. That person shall promise to bring the child to the court, if necessary, at the time the court may direct. If the person taking the child into custody believes it desirable he may request the parent, guardian, custodian, or

other person designated by the court to sign a written promise to bring the child to court as provided above. The intentional violation of such a promise, whether given orally or in writing, shall be punishable as contempt of court.

The court may require the parent, guardian, custodian or other person to whom the child is released, to post any reasonable bail or bond required by the court which shall be forfeited to the court if the child does not appear as directed. The court may also release the child on his own promise to appear in juvenile court.

Sec. 4. Minnesota Statutes 1976, Section 260.171, Subdivision 2, is amended to read:

Subd. 2. If the child is not released as provided in subdivision 1, the person taking the child into custody shall notify the court as soon as possible of the detention of the child and the reasons for detention. No child may be detained in a detention facility longer than 24 hours, excluding *Saturdays*, *Sundays* and holidays, after the taking into custody unless an order for detention, specifying the reason for detention, is signed by the judge or referee. No child may be held longer than (36) 48 hours, excluding *Saturdays*, *Sundays* or holidays, after the taking into custody unless a petition has been filed and the judge or referee determines pursuant to section 260.172 that the child shall remain in detention. If a child described in section 260.173, subdivision 4, is to be detained in a jail up to 48 hours, the judge or referee, in accordance with rules and procedures established by the commissioner of corrections, shall notify the commissioner of the place of the detention and the reasons therefor. The commissioner shall thereupon assist the court in the relocation of the child in an appropriate detention facility within the county or elsewhere in the state, or in determining suitable alternatives. If approved regional juvenile detention facilities exist, the commissioner may direct that the child be detained in the nearest approved regional juvenile detention facility. If the court refers the matter to the prosecuting authority pursuant to section 260.125, notice to the commissioner shall not be required.

Sec. 5. Minnesota Statutes 1976, Section 260.171, Subdivision 4, is amended to read:

Subd. 4. If the person who has taken the child into custody determines that the child should be placed in a detention facility, he shall advise the child and as soon as is possible, the child's parent, guardian, or custodian:

(a) of the reasons why the child has been taken into custody and why he is being placed in a detention facility; and

(b) of the location of the detention facility; and

(c) that the child's parent, guardian, or custodian and attorney may make an initial visit to the detention facility at any time. Subsequent visits by a parent, guardian, or custodian may be made on a reasonable basis during visiting hours and by the child's attorney at reasonable hours; and

(d) that the child may telephone his parents and an attorney from the detention facility immediately after being admitted to the detention facility and thereafter on a reasonable basis to be determined by the director of the facility; and

(e) that the child may not be held at the detention facility longer than (36) 48 hours, excluding *Saturdays*, *Sundays* and holidays, unless a petition has been filed within that time and the court orders the child's continued detention.

Sec. 6. Minnesota Statutes 1976, Section 260.172, Subdivision 1, is amended to read:

260.172 [DETENTION HEARING.] Subdivision 1. Within (36) 48 hours of a child's being taken into custody, excluding *Saturdays*, *Sundays* and holidays, a hearing shall be held to determine whether the child should continue in detention. Unless there is reason to believe that the child would (BE DANGEROUS TO) *endanger* himself or others, not return for a court hearing, not remain in the care or control of the person to whose lawful custody he is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of his parent, guardian, custodian or other suitable person.

Sec. 7. Minnesota Statutes 1976, Section 260.172, Subdivision 2, is amended to read:

Subd. 2. If the court determines that the child should continue in detention, it may order detention continued for eight days, excluding *Saturdays*, *Sundays* and holidays, from and including the date of the order. The court shall include in its order the reasons for continued detention and the findings of fact which support these reasons.

Sec. 8. Minnesota Statutes 1976, Section 260.172, Subdivision 3, is amended to read:

Subd. 3. Copies of the court's order shall be served upon the parties, including the supervisor of the detention facility, who shall release the child or continue to hold him as the court orders.

*When the court's order is served upon these parties, notice shall also be given to the parties of the subsequent reviews provided by subdivision 4 and that at these reviews, a party may*

*submit to the court any new evidence regarding whether the juvenile should be continued in detention.*

Sec. 9. Minnesota Statutes 1976, Section 260.172, Subdivision 4, is amended to read:

Subd. 4. If a child held in detention under a court order issued under subdivision 2 has not been released prior to expiration of the order, (AN ADDITIONAL HEARING) *the court or referee shall review the juvenile's case to determine under the standards provided by subdivision 1, (SHALL BE HELD TO DETERMINE) whether detention should be continued. If detention is continued thereafter, (HEARINGS) reviews such as these shall be held within every eight days, excluding Saturdays, Sundays and holidays, of the child's detention.*

*A hearing, rather than a review of the child's case, shall be held at the request of any one of the parties notified pursuant to subdivision 3, if that party notifies the court that he wishes to present to the court new evidence concerning whether the child should be continued in detention."*

Further amend the title:

Line 4, after "Sections" insert "260.015, Subdivision 17;"

The regents shall consult with professional athletic teams in the metropolitan area in order to insure suitability of the facility for use by professional athletic teams, and shall contract with the management of these teams for the use thereof upon terms and conditions to be agreed to.

Sec. 3. [FINANCING.] Costs of doming and remodeling Memorial Stadium pursuant to section 2 shall be paid by:

(1) Contributions from alumni and other interested parties and organizations.

(2) Revenues from contracts with professional athletic teams.

The board of regents shall possess full authority to arrange interim or long term financing of the cost of doming and remodeling pending the receipt of contributions and revenues.

**(13) No site or route shall be designated which violates state agency rules.**

**Subd. 5. [EXEMPTION OF CERTAIN ROUTES.] A utility may apply to the board in a form and manner prescribed by the board to exempt the construction of any proposed high voltage transmission line from sections 116C.51 to 116C.69. Within 15 days of the board's receipt of the exemption application, the utility shall publish a notice and description of the exemption application in a legal newspaper of general circulation in each county in which the route is proposed and mail a copy of the exemption application to the chief executive of any regional council, county, incorporated municipality and organized township in which the route is proposed and shall mail a notice and description of the exemption application to all persons over whose property the line may run, together with an understandable description of the procedures the person must follow should the person desire to object. If any person who owns real property crossed by the proposed route, or any person owning prop-**

*erty adjacent to property crossed by the proposed route, or any affected political subdivision files an objection with the board within 60 days after the board's receipt of the exemption application, the board shall deny the exemption application. If the board determines that the proposed high voltage transmission line will not create significant human or environmental impact, it may exempt the proposed transmission line with any appropriate conditions, but the utility shall comply with any applicable state rule and any applicable zoning, building and land use rules, regulations and ordinances of any regional, county, local and special purpose government in which the route is proposed. The board may require a fee to pay expenses incurred in processing exemptions. The fee is subject to the conditions of section 19, subdivision 2a.*

Sec. 10. Minnesota Statutes 1976, Section 116C.58, is amended to read:

116C.58 [PUBLIC HEARINGS; NOTICE.] The board shall hold an annual public hearing at a time and place prescribed by (REGULATION) rule in order to afford interested persons an opportunity to be heard regarding its inventory of (POTENTIAL SITES AND CORRIDORS) *study areas* and any other aspects of the board's activities and duties or (THE) policies (SET FORTH) *specified* in sections 116C.51 to 116C.69. The board shall hold at least one public hearing in each county where a site or route is being considered for designation pursuant to section 116C.57 (AS SUITABLE FOR CONSTRUCTION OF A LARGE ELECTRIC POWER GENERATING PLANT OR A HIGH VOLTAGE TRANSMISSION LINE). Notice and agenda of public hearings and public meetings of the board held in each county shall be given by the board at least ten days in advance but no earlier than 45 days prior to such hearings or meetings. Notice shall be by publication in a legal newspaper of general circulation in the county in which the public hearing or public meeting is to be held and by certified mailed notice to chief executives of the regional (COUNCILS) *development commissions*, (COUNTY) *counties*, *organized towns* and the incorporated municipalities (THEREIN) *in which a site or route is proposed. All hearings held for designating a site or route or for exempting a route shall be conducted by a hearing examiner from the office of hearing examiners pursuant to the contested case procedures of chapter 15. Provided, however, that any person may appear at the hearings and present testimony and exhibits and may question witnesses without the necessity of intervening as a formal party to the proceedings.*

**[116C.645] [REVOCAION OR SUSPENSION.]** *A site certificate or construction permit may be revoked or suspended after adequate notice of the alleged grounds for revocation or suspension and a full and fair hearing in which the affected utility has an opportunity to confront any witness and respond to any evidence against it and to present rebuttal or mitigating evidence upon a finding by the board of:*

(1) *Any false statement knowingly made in the application or in accompanying statements or studies required of the applicant, if a true statement would have warranted a change in the board's findings;*

(2) *Failure to comply with the conditions of the site certificate or construction permit, or failure to maintain safety standards; or*

(3) *Any violation of the provisions of sections 116C.51 to 116C.69, any rule promulgated pursuant thereto, or any order of the board.*

No rule adopted by the board shall grant priority to state-owned areas managed for wildlife purposes over agricultural lands in the designation of high voltage transmission line avoidance areas. Chapter 15, shall apply to the appeal of rules (AND REGULATIONS) adopted by the board to the same extent as it applies to review of rules (AND REGULATIONS) adopted by any other agency of state government.

Sec. 18. Minnesota Statutes 1976, Section 116C.69, is amended to read:

The board shall specify the time and manner of payment of the fee. If any single payment requested by the board is in excess of 25 percent of the total estimated fee, the board shall show that (SUCH) *the excess is reasonably necessary.* The applicant shall pay within 30 days of notification (SUCH) *any additional fees*

(AS ARE) reasonably necessary for completion of the (PLANT) site (, TRANSMISSION LINE CORRIDOR OR ROUTE) evaluation and (SELECTION) *designation* process by the board. In no event shall the total fees required of the applicant under this subdivision exceed an amount equal to 0.001 of said production (OR TRANSMISSION LINE) plant investment (1,000 for each \$1,000,000) (EXCEPT THAT THE MINIMUM APPLICATION FEE SHALL NOT BE LESS THAN \$5,000). All money received pursuant to this subdivision shall be deposited in the general fund. So much money as is necessary is annually appropriated from the general fund to pay expenses incurred in processing applications for certificates (OR PERMITS) in accordance with (THE PROVISIONS OF) sections 116C.51 to 116C.69 and in the event such expenses are less than the fee paid, to refund the excess to the applicant. This annual appropriation shall not exceed the fees to be paid during (SUCH) *each* period.

*Subd. 2a. The board shall specify the time and manner of payment of the fee. If any single payment requested by the board is in excess of 25 percent of the total estimated fee, the board shall show that the excess is reasonably necessary. In the event the actual cost of processing an application up to the board's final decision to designate a route exceeds the above fee schedule, the board may assess the applicant any additional fees necessary to cover the actual costs, not to exceed an amount equal to \$500 per mile length of the longest proposed route. All money received pursuant to this subdivision shall be deposited in the general fund. So much money as is necessary is annually appropriated from the general fund to pay expenses incurred in processing applications for construction permits in accordance with sections 116C.51 to 116C.69 and in the event the expenses are less than the fee paid, to refund the excess to the applicant. This annual appropriation shall not exceed the fees to be paid during each period.*

*Subd. 3. [FUNDING; ASSESSMENT.] The board shall finance its base line studies, general environmental studies, development of criteria, inventory preparation, monitoring of conditions placed on site certificates and construction permits, and all other work, other than specific site (, CORRIDOR,) and route (SELECTION,) designation from an assessment made annually by the board against all utilities. (SUCH) *The* assessment shall be credited*

to the general fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the annual budget of the board for carrying out the purposes of this subdivision.

Sec. 19. [EMERGENCY RULES.] *The board is authorized and directed to promulgate emergency rules pursuant to section 15.0412, subdivision 5, within 90 days of the effective date of this act, concerning the procedures for the revocation or suspension of a construction permit or a certificate of site compatibility and the procedure for designating a route, including the manner and timeliness of proposing alternative routes, route designation considerations and route exemption criteria and procedures.*

*The office of hearing examiners is authorized and directed to promulgate emergency rules pursuant to section 15.0412, subdivision 5, within 30 days of the effective date of this act, concerning the conduct of public hearings relating to the designation and exemption of routes. The rules shall attempt to maximize citizen participation in the route designation and exemption processes.*

*Any emergency rules authorized in this section shall be effective until either January 1, 1978, or until the board and the office of hearing examiners adopt permanent rules pursuant to chapter 15, whichever occurs first.*

Sec. 20. *Minnesota Statutes 1976, Sections 116C.55, Subdivision 1; and 116C.56, are repealed.*

Sec. 21. *This act is effective the day following its final enactment."*

It shall have power to assign unassigned rooms and space in any part of said building with entire control of any room or rooms in said building, and of all halls and corridors and of all boiler and machinery rooms. The commission in its discretion may reassign and reallocate occupied rooms or space therein provided that space already occupied may not be reassigned except after a hearing before said commission on written notice to the occupant or person in charge of such space; and the vote of three members of said commission shall govern as its final action after such hearing; provided further that any interested party may appeal from an adverse ruling of said commission to the District Court, which Court shall summarily decide the matter after a

When so determined and after service of the Court order on the occupant or person in charge of such space or room, he shall remove therefrom in accordance with the terms of the order, and his failure to do so shall be deemed contempt of court.

15.0412 [RULES, PROCEDURES.] Subdivision 1. Each agency shall adopt, amend, suspend or repeal its rules in accordance with the procedures specified in sections 15.0411 to 15.052, and only pursuant to authority delegated by law and in full compliance with its duties and obligations. *Except as provided in subdivision 3, sections 15.0411 to 15.052 shall not be authority for an agency to adopt, amend, suspend or repeal rules. No agency shall adopt a rule which duplicates language contained in Minnesota Statutes unless the hearing examiner determines that duplication of the language is crucial to the ability of a person affected by a rule to comprehend its meaning and effect.*

Subd. 2. To assist interested persons dealing with it, each agency shall, in a manner prescribed by the commissioner of administration, prepare a description of its organization, stating the process whereby the public may obtain information or make submissions or requests. The commissioner of administration shall annually publish these descriptions in the state register.

Subd. 3. Each agency shall adopt rules setting forth the nature and requirements of all formal and informal procedures related to the administration of official agency duties (**PROCEDURES CONCERNING ONLY INTERNAL MANAGEMENT WHICH DO NOT**) *to the extent that those procedures directly affect the rights of or procedures available to the public (NEED NOT BE ADOPTED AS RULES).*

Subd. 4. No rule shall be adopted by any agency unless the agency first holds a public hearing thereon, affording all affected interests an opportunity to participate, and gives notice of its intention to hold such a hearing at least 30 days prior to the date set for the hearing by United States mail, to representatives of associations or other interested groups or persons who have registered their names with the secretary of state for that purpose and in the state register. The notice in the state register

shall include the full text of the rule proposed for adoption; *provided that, with the approval of the chief hearing examiner, the agency may incorporate by reference provisions of federal law or rule or other materials from sources which the chief hearing examiner determines are conveniently available for viewing, copying and acquisition by interested persons. The chief hearing examiner shall not approve incorporation by reference of materials which are less than 3000 words in length or which would require less than five pages of publication in the state register.* The agency shall make available at least one free copy of the proposed rule to any person requesting it. At the public hearing the agency shall make an affirmative presentation of facts establishing the need for and reasonableness of the rule proposed for adoption and fulfilling any relevant substantive or procedural requirements imposed on the agency by law or rule. After allowing written material to be submitted and recorded in the hearing record for (20) *five working days* after the public hearing ends, or for a longer period not to exceed 20 days if ordered by the hearing examiner, the hearing examiner assigned to the hearing shall proceed to write a report as provided for in section 15.052, subdivision 3, which report shall be completed (AS PROMPTLY AS POSSIBLE) *within 30 days after the close of the hearing record unless the chief hearing examiner, upon written request of the agency and the hearing examiner, orders an extension. In no case shall an extension be granted if the chief hearing examiner determines that an extension would prohibit a rule from being adopted or becoming effective until after a date for adoption or effectiveness as required by statute.* The report shall be available to all affected persons upon request for at least (TEN) *five working days* before the agency takes any final action on the rule. If the agency adopts the rule, it shall be submitted with the complete hearing record to the attorney general, who shall review the rule as to form and legality. *If the agency, the chief hearing examiner or the attorney general requests, the hearing examiner shall cause a transcript to be prepared of the hearing. The agency shall give notice to all persons who requested to be informed that the hearing record has been submitted to the attorney general.* The attorney general shall, within 20 days, either approve or disapprove the rule. If he approves the rule, he shall promptly file it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary, nor published. A rule shall become effective after it has been subjected to all requirements described in this subdivision and (20) *five working days* after (ITS) publication in the state register, *as hereinafter provided, unless a later date is required by statutes or specified in the rule. (ANY RULE ADOPTED AFTER JULY 1, 1976 WHICH IS NOT PUBLISHED IN THE STATE REGISTER SHALL BE OF NO EFFECT)* *If the rule as adopted does not differ from the proposed rule as published in the state register, publication may be made by publishing notice in the state register that the rule has been adopted as proposed and by publishing a citation to the prior publication. If the rule as adopted differs from the proposed rule, the adopted rule or*

*subdivisions thereof which differ from the proposed rule shall be published together with a citation to the prior state register publication of the remainder of the proposed rule.*

Subd. 5. Where statutes governing the agency permit the agency to exercise emergency powers, or when the agency is compelled to act by court order or a federal law or rule, emergency rules may be established without compliance with the provisions of subdivision 4. These rules are to be effective for not longer than (75) 90 days and may be reissued or continued in effect for an additional (75) 90 days, but may not immediately be reissued thereafter without following the procedure of subdivision 4. Emergency rules shall be published in the state register as soon as practicable.

Subd. 6. When an agency seeks to obtain information or opinions in preparing to propose the adoption, amendment, suspension, or repeal of a rule from sources outside of the agency, the agency shall publish notice of its action in the state register and shall afford all interested persons an opportunity to submit data or views on the subject of concern in writing or orally. Such notice and any written material received by the agency shall become a part of the hearing record to be submitted to the attorney general under subdivision 4.

Subd. 7. If the adoption of a rule by an agency will require the expenditure of public moneys by local public bodies (AND THE AFFECTED LOCAL PUBLIC AGENCY HAS NOT BEEN DIRECTLY INVOLVED AS PROVIDED BY STATUTE IN THE ACTIONS RELATING TO IMPLEMENTATION OF THE RULE), the notice of the proposed rule as required by this section shall be accompanied by a written statement giving the agency's reasonable estimate of the total cost to all local public bodies in the state to implement the rule for the two years immediately following adoption of the rule if the estimated total cost exceeds \$100,000 in either of the two years. For purposes of this section, local public bodies shall mean officers and governing bodies of the political subdivisions of the state and other officers and bodies of less than statewide jurisdiction which have the authority to levy taxes.

Sec. 2. Minnesota Statutes 1976, Section 15.0413, Subdivision 3, is amended to read:

Subd. 3. Rules hereafter promulgated, amended, suspended, or repealed of any state officer, board, commission, bureau, division, department, or tribunal other than a court, having statewide jurisdiction and authorized by law to make rules, but excluded from the definition of "agency" in section 15.0411 shall have the force and effect of law if they are filed in the office of the secretary of state in the same manner as rules (OF AN AGENCY) adopted pursuant to section 15.0412 are so filed and if they are submitted to the commissioner of administration in

a manner he shall prescribe and published in the state register. This subdivision, however, shall not apply to rules of the regents of the University of Minnesota.

Sec. 3. Minnesota Statutes 1976, Section 15.0417, is amended to read:

15.0417 [RULE DECLARED INVALID.] In proceedings under section 15.0416 the court shall declare the rule invalid if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without compliance with statutory rule-making procedures. *Any party to proceedings under section 15.0416, including the agency, may appeal an adverse decision of the district court to the supreme court.*

Sec. 4. Minnesota Statutes 1976, Section 15.0426, is amended to read:

15.0426 [APPEALS TO SUPREME COURT.] An aggrieved party, *including an agency which issued a decision or order in the case*, may secure a review of any final order or judgment of the district court under section 15.0424 or section 15.0425 by appeal to the supreme court. Such appeal shall be taken in the manner provided by law for appeals from orders or judgments of the district court in other civil cases.

Sec. 5. Minnesota Statutes 1976, Section 15.048, is amended to read:

15.048 [EFFECT OF PUBLICATION OF RULES OR ORDERS.] The publication *or citation* of a rule or order in the state register *in a manner as required by sections 15.0411 to 15.052* raises a rebuttable presumption that:

(1) The rule or order was duly adopted, issued, or promulgated;

(2) The rule or order was duly filed with the secretary of state and available for public inspection at the day and hour endorsed thereon; and

(3) The copy of the rule or order published in the state register is a true copy of the original.

Sec. 6. Minnesota Statutes 1976, Section 15.051, Subdivision 4, is amended to read:

Subd. 4. [COST; DISTRIBUTION.] When an agency properly submits a rule, proposed rule, notice, or other material to the commissioner of administration, the commissioner shall then be accountable for the publication of the same in the state

register. The commissioner of administration shall require each agency which requests the publication of rules, proposed rules, notices, or other material in the state register to pay its proportionate cost of the state register unless other funds are provided and are sufficient to cover the cost of the state register.

The state register shall be offered for public sale at a location centrally located as determined by the commissioner of administration and at a price as the commissioner of administration shall determine. The commissioner of administration shall further provide for the mailing of the state register to any person, agency, or organization if so requested, provided that reasonable costs are borne by the requesting party. The supply and expense appropriation to any state agency is deemed to include funds to purchase the state register. Ten copies of each issue of the state register, however, shall be provided without cost to the legislative reference library and ten copies to the state law library. *One copy shall be provided without cost to a public library in each county seat in the state or, if there is no public library in a county seat, to a public library in the county as designated by the county board. The commissioner shall advise the recipient libraries of the significance and content of the state register and shall encourage efforts to promote its usage.*

Sec. 7. Minnesota Statutes 1976, Section 15.42, is amended to read:

15.42 [CITATION.] Sections (15.01) *15.0411* to (15.41) *15.052*, may be cited as the Administrative Procedure Act.

Sec. 8. Minnesota Statutes 1976, Section 15.052, Subdivision 4, is amended to read:

Subd. 4. The chief hearing examiner shall promulgate rules to govern the procedural conduct of all hearings, relating to both rule adoption, amendment, suspension or repeal hearings and contested case hearings. Such procedural rules for hearings shall be binding upon all agencies and shall supersede any other agency procedural rules with which they may be in conflict. The procedural rules for hearings shall include in addition to normal procedural matters provisions relating to recessing and reconvening new hearings when the proposed final rule of an agency is substantially different from that which was proposed at the public hearing. The procedural rules shall establish a procedure whereby the proposed final rule of an agency shall be reviewed by the chief hearing examiner to determine whether or not a new hearing is required because of substantial changes or failure of the agency to meet the requirements of section 15.0412, subdivision 4. *Upon his own initiative or upon written request of an interested party, the chief hearing examiner may issue a subpoena for the attendance of a witness or the production of such books, papers, records or other documents as are material to the matter being heard. Such subpoenas shall be enforceable through the district court in the district in which the subpoena is issued.*

Sec. 9. Minnesota Statutes 1976, Section 15.052, Subdivision 5, is amended to read:

Subd. 5. The office of hearing (EXAMINER SHALL) *examiners may maintain a court reporter system and in addition to or in lieu thereof may contract with non-governmental sources for court reporter services.* Unless the chief hearing examiner determines that the use of an audio magnetic recording device is more appropriate, a court reporter shall keep a record at any hearing which takes place under this chapter and may additionally be utilized as a chief hearing examiner directs.

Court reporters *serving in the court reporter system of the office of hearing examiners* shall be in the classified service (AND ALL INITIAL APPOINTMENTS TO THE POSITION OF COURT REPORTER SHALL BE FILLED BY INDIVIDUALS WHO ACTED IN THIS CAPACITY FOR INDIVIDUAL STATE AGENCIES PRIOR TO THE ENACTMENT OF THIS SECTION).

Sec. 10. *This act is effective July 1, 1977.*"

Arlandson moved to amend S. F. No. 1070, as follows:

Delete everything after the enacting clause and insert:

“Section 1. [DEFINITIONS.] Subdivision 1. As used in this act and unless otherwise required by the context, the terms defined in this section have the meanings given them.

Subd. 2. “Agreement” means one or more of the following:

(a) A commercial relationship between a licensed beer wholesaler and a licensed brewer of a definite or indefinite duration, which is not required to be evidenced in writing;

(b) A relationship whereby the beer wholesaler is granted the right to offer and sell a brand or brands of beer offered by a brewer;

(c) A relationship whereby the beer wholesaler, as an independent business, constitutes a component of a brewer's distribution system;

(d) A relationship whereby the beer wholesaler's business is substantially associated with a brewer's brand or brands, designating the brewer;

(e) A relationship whereby the beer wholesaler's business is substantially reliant on a brewer for the continued supply of beer;

(f) A written or oral arrangement for a definite or indefinite period whereby a brewer grants to a beer wholesaler a license to use a brand, trade name, trademark, or service mark, and in which there is a community of interest in the marketing of goods or services at wholesale or retail.

Subd. 3. "Beer wholesaler" shall mean any licensed person importing or causing to be imported into this state or purchasing or causing to be purchased within this state, any beer for sale or resale to retailers or wholesalers licensed under Minnesota Statutes, Chapter 340, without regard to whether the business of the person is conducted under the terms of an agreement with a licensed brewer.

Subd. 4. "Brewer" means every licensed brewer of beer located within or without the state of Minnesota, who enters into an "agreement" with any beer wholesaler licensed to do business in the state of Minnesota.

Subd. 5. "Person" means a natural person, corporation, partnership, trust, agency, or other entity as well as the individual officers, directors or other persons in active control of the activities of each such entity. Person also includes heirs, assigns, personal representatives and guardians.

Subd. 6. "Territory" or "sales territory" means the area of primary sales responsibility designated by any agreement between any beer wholesaler and brewer for the brand or brands of any brewer.

Sec. 2. [NO INDUCEMENT OR COERCION.] No brewer shall:

(1) Induce or coerce, or attempt to induce or coerce, any beer wholesaler to accept delivery of any alcoholic beverage or any other commodity which shall not have been ordered by the beer wholesaler.

(2) Induce or coerce, or attempt to induce or coerce, any beer wholesaler to do any illegal act or thing by threatening to amend, cancel, terminate, or refuse to renew any agreement existing between a brewer and a beer wholesaler.

(3) Require a wholesaler to assent to any condition, stipulation or provision limiting the wholesaler in his right to sell the product of any other brewer anywhere in the state of Minnesota, provided that the acquisition of the product of another brewer does not materially impair the quality of service or quantity of sales of the existing brand or brands of the brewer seeking to impose the condition, stipulation or provision.

**Sec. 3. [NO DUAL DISTRIBUTORSHIP.]** No brewer who designates a sales territory for which any wholesaler shall be primarily responsible shall enter into any agreement with any other beer wholesaler for the purpose of establishing an additional agreement for its brand or brands of beer in the same territory served by a beer wholesaler with that particular brand.

**Sec. 4. [CANCELLATION.]** Notwithstanding the terms, provisions or conditions of any agreement, no brewer shall amend, cancel, terminate or refuse to continue to renew any agreement, or cause a wholesaler to resign from an agreement, unless good cause exists for amendment, termination, cancellation, nonrenewal, noncontinuation or causing a resignation. "Good cause" shall not include the sale or purchase of a brewer. "Good cause" shall include, but not be limited to, the following:

(1) Revocation of the wholesaler's license to do business in the state.

(2) Bankruptcy or insolvency of the wholesaler.

(3) Assignment for the benefit of creditors or similar disposition of the assets of the wholesaler.

(4) Failure by the wholesaler to substantially comply, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him by the brewer.

**Sec. 5. [NOTICE OF INTENT TO TERMINATE.]** Except as provided in this section, a brewer shall provide a wholesaler at least 90 days prior written notice of any intent to amend, terminate, cancel or not renew any agreement. The notice shall state all the reasons for the intended amendment, termination, cancellation or nonrenewal. The wholesaler shall have 90 days in which to rectify any claimed deficiency. If the deficiency shall be rectified within 90 days of notice, then the proposed amendment, termination, cancellation or nonrenewal shall be null and void and without legal effect. The notice provisions of this section shall not apply if the reason for the amendment, termination, cancellation, or nonrenewal is:

(1) The bankruptcy or insolvency of the wholesaler.

(2) An assignment for the benefit of creditors or similar disposition of the assets of the business.

(3) Revocation of the wholesaler's license.

(4) Conviction or a plea of guilty or no contest to a charge of violating a law relating to the business that materially affects the wholesaler's ability to remain in business.

**Sec. 6. [ASSIGNMENT, TRANSFER OR SALE OR BUSINESS.]** No brewer shall unreasonably withhold consent to any assignment, transfer or sale of the wholesaler's business whenever the wholesaler to be substituted meets the material and reasonable qualifications and standards required of its wholesalers.

**Sec. 7. [REASONABLE COMPENSATION.]** Subdivision 1. Any brewer which amends, cancels, terminates, or refuses to continue or renew any beer agreement, or causes a wholesaler to resign, unless for good cause shown as defined in section 4, from an agreement or unreasonably withholds consent to any assignment, transfer or sale of a wholesaler's business, shall pay the wholesaler reasonable compensation for the value of the wholesaler's business with relationship to the terminated brand or brands. The value of the wholesaler's business shall include, but not be limited to, its good will, if any.

Subd. 2. In the event that the brewer and the beer wholesaler are unable to mutually agree on the reasonable compensation to be paid for the value of the wholesaler's business, as defined herein, the matter shall be submitted to a neutral arbitrator to be selected by the parties, or if they cannot agree, by the Chief Judge of the District Court. All of the costs of the arbitration shall be paid one-half by the wholesaler and one-half by the brewer. The award of the neutral arbitrator shall be final and binding on the parties.

**Sec. 8. [JUDICIAL REMEDIES.]** If a brewer engages in conduct prohibited under this act, a wholesaler may maintain a suit against the brewer. The court may grant equitable relief as is necessary to remedy the effects of conduct which it finds to exist and which is prohibited under this act, including, but not limited to, declaratory judgment and injunctive relief. The court may, if it finds that the brewer has acted in bad faith in invoking the amendment, termination, cancellation or nonrenewal provisions of this act, or has unreasonably withheld its consent to any assignment, transfer or sale of the wholesaler's agreement, award punitive damages, as well as actual damages, costs and attorneys fees.

**Sec. 9. [PRICE OF PRODUCT.]** No brewer, whether by means of a term or condition of an agreement or otherwise, shall fix or maintain the price at which the wholesaler shall sell any alcoholic beverage.

**Sec. 10. [RETALIATORY ACTION PROHIBITED.]** A brewer shall not take retaliatory action against a wholesaler who files or manifests an intention to file a complaint of alleged violation of state or federal law or regulation by the brewer with the appropriate state or federal regulatory authority. Retaliatory action shall include, but shall not be limited to, refusal without good cause to continue the agreement, or a material reduction

in the quality of service or quantity of products available to the wholesaler under the agreement.

Sec. 11. [MANAGEMENT.] No brewer shall require or prohibit any change in management or personnel of any wholesaler unless the current or potential management or personnel fails to meet reasonable qualifications and standards required by the brewer.

Sec. 12. [NO DISCRIMINATION.] No brewer shall discriminate among its wholesalers in any business dealings including, but not limited to, the price of beer sold to the wholesaler, unless the classification among its wholesalers is based upon reasonable grounds.

Sec. 13. [NO WAIVER.] No brewer shall require any wholesaler to waive compliance with any provision of this act. Nothing in this act shall be construed to limit or prohibit good faith settlements of disputes voluntarily entered into between the parties.

Sec. 14. [SALE OF BREWER.] Except for good cause, which shall include, but not be limited to (1) revocation of the wholesaler's license to do business in the state, (2) bankruptcy or insolvency of the wholesaler, (3) assignment for the benefit of creditors or similar disposition of the assets of the wholesaler, (4) failure by the wholesaler to substantially comply, without reasonable excuse or justification, with any reasonable and material requirement imposed upon him by the brewery, the purchaser of a "brewer" as defined in this act shall become obligated to all of the terms and conditions of the agreement in effect on the date of purchase. "Purchase", as defined for the purposes of this act, shall include, but is not limited to, the sale of stock, sale of assets, merger, lease, transfer or consolidation.

Sec. 15. [COVERAGE.] The provisions of this act shall cover agreements in existence on the effective date of this act, as well as agreements entered into after the effective date of this act.

Sec. 16. [RIGHT OF FREE ASSOCIATION.] No brewer or wholesaler shall restrict or inhibit, directly or indirectly, the right of free association among brewers or wholesalers for any lawful purpose.

Sec. 17. [RELATION TO PRIOR LAW.] This act supplements and does not supersede any prior law. If it is found to be inconsistent with prior law, the prior law shall govern.

Sec. 18. [EFFECTIVE DATE.] This act is effective the day following final enactment."

**Subd. 2.** The commissioner may, subject to chapter 15, refuse to renew a permit if it appears from the operational records and reports of the permittee that an original permit would not be issuable for the operation, or if the permittee has violated any provision of sections 1 to 15 or of any rules promulgated thereunder.

Sec. 10. [MODIFICATION OF PERMIT.] Subdivision 1. The commissioner may revise the conditions and limits of a permit if:

(a) The permittee is given notice and a hearing, pursuant to chapter 15, on whether there is a need for the revision and the commissioner finds that a modification of the conditions and limits of a permit is necessary to protect the public health, safety or welfare, or the environment.

(b) If it appears to the commissioner that an emergency situation exists or is impending which could endanger the public safety, health or welfare, or the environment, the commissioner may, without prior notice or a hearing, immediately modify the conditions and limits of a permit, or order temporary suspension of the permit. The order shall include notice of a hearing to be held pursuant to chapter 15 within ten days thereafter on the question of permanently modifying the conditions and limits, continuing the suspension of the permit, removing the changes or lifting the suspension.

Subd. 2. Dissemination of weather modification agents into the atmosphere or clouds within the atmosphere, including fog, by a licensee or a person exempt from the license and permit requirements of sections 1 to 15, acting within the scope of the permit or exemption, shall not in itself give rise to a cause of action.

Subd. 3. Except as expressly provided in sections 1 to 15, nothing in sections 1 to 15 shall prevent any person adversely affected by a weather modification operation or research and development activity from recovering damages resulting from intentional harmful actions or negligent conduct by a person conducting the weather modification operation or research and development activity.

Failure to obtain a license and permit, when required by sections 1 to 15, before conducting an operation or operational activities when one knows the operation or activities constitute a violation of the conditions or limits of permits, shall constitute negligence per se and shall give rise to liability for all harm caused thereby.

Subd. 5. Other than in legal actions charging failure to obtain a license and permit, the fact that a person holds a license or was issued a permit under sections 1 to 15, or that a person has complied with the rules made by the commissioner pursuant to sections 1 to 15, is not admissible as a defense in any legal action which may be brought under this section against such person.

Sec. 15. [INJUNCTION.] The commissioner may, in addition to the other remedies provided in sections 1 to 15, apply to a district court having venue and jurisdiction, for an injunction to restrain repetitious violations of the provisions of sections 1 to 15 and of any rule promulgated thereunder.

Whenever the commissioner assigns classes of employment which require teaching in an established school program to any salary range which he is authorized to establish by this subdivision, he shall prepare schedules showing the salary ranges for each class, or group of positions in the class of positions assigned by him and he shall also prepare schedules showing entrance salaries and step increases based upon educational attainments and length of satisfactory service. The salary ranges shall include a minimum rate and not more than 12 additional step increases. In assigning ranges of salaries for positions in this category the commissioner shall give consideration to the salary schedules for teachers which are in effect in other units of government of the state. *The commissioner is authorized to establish a schedule of payment for assignments to extra-curricular activities which are in addition to the normal teaching schedule.*

The basic salary for institution educational administrators and supervisors shall be based upon the employee's qualifications and the appropriate academic level of the special teacher salary schedule. However, the commissioner is authorized to establish a percentage differential to compensate for administrative and supervisory responsibilities. Annual length of satisfactory service salary adjustments shall be awarded beginning with the

No increases authorized by this subdivision shall be granted by the appointing authority until an appropriate employee evaluation program is filed with the commissioner. Authorized increases shall be recommended in the context of performance measured against specific performance standards or objectives.

Appointing authorities shall not recommend increases for those employees in this schedule who have not met, or only marginally attained, performance standards or objectives. Increases withheld may subsequently be granted by the appointing authority.

ty upon certification to the commissioner that the employee is achieving performance standards or objectives.

Employees compensated at the second step in their salary range shall be advanced to the third step at the beginning of the first full payroll period nearest the completion of six calendar months of satisfactory service at the second step.

Employees compensated at or beyond the third step in their salary range shall advance to the next highest rate in their salary range at the beginning of the first full payroll period nearest completion of each subsequent 12 calendar months of satisfactory service until the maximum rate of pay is attained.

Increases withheld may subsequently be granted by the appointing authority upon certification to the commissioner that the employee has achieved a satisfactory level of performance.

At that conference, parents must also be informed of the nature of the program into which the child will be placed. The conference shall be held in a manner and language understood by the parents. Nothing herein shall preclude a parent from reenrolling a child of limited English speaking ability in the bilingual educational program.*

**Subd. 4. In determining eligibility to participate in a program, priority shall be given to the children whose primary language is other than English and this subdivision shall not operate or be construed to limit the obligation of school districts to enroll individuals of limited English speaking ability in a transitional bilingual program operated in accordance with subdivision 3 of this section. Every school district shall ensure to children enrolled in bilingual education programs an equal and meaningful opportunity to participate fully with other children in all extracurricular activities. This subdivision shall not be construed to prohibit instruction in nonverbal subjects or extracurricular activities which relate to the cultural heritage of the children of limited English speaking ability, or which are otherwise necessary to accomplish the objectives described in sections 1 to 12 of this act.*

[PERSONS ELIGIBLE FOR EMPLOYMENT EXEMPTIONS.]** *Any person licensed under this section shall be eligible for employment by a school board as a teacher in a bilingual education program in which the language for which he is licensed is taught or used as a medium of instruction. A school board may prescribe only those additional qualifications for teachers licensed under this section as are approved by the board of teaching. Any school board upon request may be exempted from the licensure requirements of this section in the hiring of one or more bilingual education teachers for any school year in which compliance would, in the opinion of the commissioner of education, create a hardship in the district in the securing of the teachers. The commissioner shall notify the board of teaching of any exemptions granted pursuant to this subdivision.*

**Subd. 6. [PERSONS SERVING UNDER EXEMPTIONS; LICENSURE; TENURE.]** *A bilingual education teacher serving under an exemption as provided in subdivision 5 shall be granted a license as soon as that teacher achieves the qualifications for it. Not more than one year of service by a bilingual education teacher under an exemption shall be credited to the teacher for the purposes of Minnesota Statutes, Section 125.12, and not more than two years shall be credited to the teacher for the purpose of Minnesota Statutes, Section 125.17; and the one or two years shall be deemed to precede immediately and be consecutive with the year in which a teacher becomes licensed.*

**Sec. 7. *Subdivision 1. School boards shall provide for the maximum involvement of parents of children enrolled in bilingual education programs pursuant to sections 1 to 12 of this act. Accordingly, before implementing a program, the school district shall establish a parent advisory committee for that program. This committee shall afford parents the necessary information and opportunity to express their views concerning all aspects of the bilingual education program and the educational needs of the children of limited English speaking ability residing within the district's attendance boundaries. The district shall ensure that the program is planned, operated, and evaluated with the effective involvement of and in consultation with parents of children enrolled or eligible to be served by the program.*

*Subd. 2. The committees shall be composed solely of parents of children enrolled or eligible to be enrolled in bilingual programs; secondary students enrolled or eligible to be served; bilingual education teachers, aids, counselors, and other bilingual education program personnel; and representatives from community groups; provided, however, that a majority of each committee shall be parents of children enrolled or eligible to be enrolled in the corresponding program, and the number of parents of limited English speaking children and parents of children whose primary language is English shall reflect approximately the proportion of children of those groups enrolled in the program.*

*Subd. 3. School principals and other administrators or teachers within the district shall be encouraged to participate and cooperate with the parent advisory committee.*

*Subd. 4. All notices and other information sent to the parent advisory committees shall be in English and in the primary language of the parent members.*

Nothing in this section shall be construed as prohibiting the school board from establishing procedures whereby parents whose children are enrolled or eligible to be enrolled in the bilingual education program select, consistent with the provisions of this section, the members of the parent advisory committee. Nothing in this section shall be construed as prohibiting school boards from establishing a parent advisory committee prior to the submission of a proposal under section 11 for a bilingual education program.*

*Subd. 6. School districts which have already established a parent advisory committee pursuant to section 703(a)(4)(e) of Title VII of the Elementary and Secondary Education Act of 1965 may utilize that committee for the purpose of complying with the provisions of this section.*

In addition to the basic license fee, he shall collect a fee for issuing each license in the amount of 75 cents for the license to take deer and 50 cents for all other licenses. *The state migratory waterfowl stamp required by section 1 of this act shall be considered to be a "license" within the meaning of this subdivision except when such stamp and a small game license are issued in the same transaction in which case the stamp shall be considered a part of the small game license and only one issuing fee shall be collected.* In selling such licenses, he shall be deemed an agent of the county auditor and the commissioner, and he shall observe all rules and regulations promulgated by the commissioner for the accounting for and handling of such licenses.

The county auditor shall promptly deposit all moneys received from the sale of licenses with the county treasurer, and shall promptly transmit such reports as may be required by the commissioner, together with his warrant on the county treasurer for 100 percent of the surcharge imposed by section 97.482 plus 96 percent of the price to the licensee, exclusively of said surcharge and the issuing fee, for each license sold or consigned by him and subsequently sold to a licensee during the accounting period. The county auditor shall retain as his commission four percent of all license fees, excluding issuing fees for licenses consigned to subagents. In addition, for licenses sold for cash directly to the licensee, the auditor shall collect the same issuing fee as a subagent. Unsold license blanks in the hands of any agent shall be redeemed by the commissioner if presented for redemption within the time prescribed by the commissioner therefor. Any license blanks not presented for redemption within the period prescribed shall be conclusively presumed to have been sold, and the agent possessing the same or to whom they are charged shall be accountable therefor. The commissioner shall collect the same issuing fee as a subagent for licenses sold directly through a license distribution center operated by the department of natural resources. The issuing fees so collected by the commissioner shall

be credited to the game and fish fund.

Sec. 5. [APPROPRIATIONS.] *There is appropriated to the commissioner of natural resources from the game and fish fund the sums of \$400,000 for fiscal year 1978 and \$400,000 for fiscal year 1979 for waterfowl habitat improvement. Of these funds, not more than ten percent shall be expended for administrative costs. This amount of money is intended to approximate the amounts of money raised by the sale of stamps.*

Sec. 6. *This act is effective the day following final enactment."*

Subd. 2. "Inmate" means any person convicted of a felony and confined in a state correctional institution or released from a state correctional institution pursuant to sections 9 or 10.

Subd. 3. "Commissioner" means the commissioner of corrections or his designee.

Subd. 4. "Correctional institution" means any state institution under the operational authority of the commissioner of corrections.

Subd. 5. "Board" means the Minnesota corrections board created by section 241.045.

Subd. 6. "Ombudsman" means the ombudsman for the department of corrections or his designee.

Subd. 7. "Good time" means the period of time by which an inmate's sentence is reduced pursuant to section 8.

Sec. 5. [DETERMINATE SENTENCING.] After a person has been convicted of a felony and sentenced to imprisonment, the court shall immediately place that person in the custody of the commissioner. That person shall serve the sentence imposed by the court for the crime of his conviction and he shall not be paroled or otherwise released from the correctional institution wherein he is confined until that sentence expires, except as is provided in sections 9 and 10, and except as his sentence is reduced by any good time earned.

Sec. 6. [MUTUAL AGREEMENT PROGRAMS.] Subdivision 1. Within seven days after the commissioner assumes custody of an inmate, he shall inform the inmate of the availability and scope of mutual agreement programs and of the fact that participation by the inmate is optional and has no effect on the length of his sentence. If on his own motion the inmate expresses a desire to enter into a mutual agreement program, the commissioner shall draft one for the inmate within 90 days after receiving a request to do so from the inmate. The mutual agreement program shall be drafted after a post-conviction investigation of the inmate has been made by the commissioner. In drafting a mutual agreement program, the commissioner shall also refer to any presentence investigation which has been made of the inmate. The agreement shall provide the following:

(a) A program of vocational or educational training with specific chronological and achievement objectives, including completion of specified educational and vocational programs;

(b) *Frequent and regular evaluation of the inmate by the commissioner; and*

(c) *A consideration of any educational qualifications or skills of the inmate when specifying certain types of work expectations.*

*In addition, the agreement may specify participation of the inmate in noninstitutional or extra-institutional programs pursuant to the provisions of section 9. The participation of inmates in the mutual agreement program shall be limited by the appropriations made for that purpose.*

*Subd. 2. The inmate may decline to enter into the agreement drafted by the commissioner. Failure to enter into an agreement shall not affect the earning of good time by an inmate pursuant to section 8, nor shall violation of the terms of the agreement by an inmate constitute a disciplinary offense which may result in the loss of good time. Whether or not an inmate consents to participate in a mutual agreement program, he shall serve the sentence imposed by the sentencing court, reduced by good time earned. Failure of an inmate to enter a mutual agreement program shall not effect the board's determination as to whether an inmate should be placed on conditional release.*

*Subd. 3. The inmate shall have the right to appeal to the ombudsman if he believes the terms of his agreement have been or are being violated. The ombudsman shall promptly investigate any appeal filed under this subdivision and shall recommend that the commissioner take appropriate action if the ombudsman determines the terms of the mutual agreement program have been or are being violated.*

*Subd. 4. The inmate and his counsel shall be informed of the existence of and have the right to inspect all records and evaluations of the inmate's participation in the mutual agreement program.*

**Sec. 7. [VOLUNTARY PROGRAMS.]** *The commissioner shall provide appropriate mental health programs and vocational and educational programs with employment-related goals for inmates who desire to voluntarily participate in such programs. The selection, design and implementation of programs under this section shall be the sole responsibility of the commissioner, acting within the limitations imposed on him by the funds appropriated for such programs.*

*No action challenging the level of expenditures for programs authorized under this subdivision, nor any action challenging the selection, design or implementation of those programs, may be maintained by an inmate in any court in this state.*

**Sec. 8. [GOOD TIME.]** *Subdivision 1. Each sentence imposed by a court for a felony offense shall be reduced in duration by one day for each day during which the inmate violates none of the disciplinary offense rules promulgated by the commissioner pursuant to subdivision 2 of this section.*

*If an inmate violates a disciplinary offense rule promulgated pursuant to subdivision 2, good time earned prior to the violation may be taken away or the inmate may be required to serve an appropriate portion of his sentence after the violation without earning good time.*

**Subd. 2.** *By December 31, 1978, the commissioner shall promulgate, pursuant to Minnesota Statutes, Chapter 15, rules specifying disciplinary offenses which may result in the loss of good time and the amount of good time which may be lost as a result of each disciplinary offense. In no case shall an individual disciplinary offense result in the loss of more than 90 days of good time. The loss of good time shall be considered to be a disciplinary sanction imposed upon an inmate, and the procedure for loss of good time and the rights of the inmate in the procedure shall be those in effect for the imposition of other disciplinary sanctions at each state correctional institution.*

**Sec. 9. [CONDITIONAL RELEASE.]** *Subdivision 1. If an inmate's agreement program requires participation in noninstitutional or extra-institutional programs, or the Minnesota corrections board determines that an inmate should participate in noninstitutional or extra-institutional programs with reintegration, educational or vocational objectives, and the inmate consents to participate in these programs, the Minnesota corrections board may conditionally release the participating inmate. An inmate may be conditionally released as follows: if the inmate is sentenced to less than ten years of imprisonment, he may be released during the last two years of the sentence imposed upon him; if the inmate is sentenced to ten or more years of imprisonment, he may be released during the last three years of his sentence.*

**Subd. 2.** *When consistent with the public interest, the Minnesota corrections board may grant one or more furloughs not to exceed ten days in length each to an inmate who has been conditionally released pursuant to subdivision 1 of this section.*

**Subd. 3.** *The commissioner shall promulgate rules for the placement and supervision of inmates who are conditionally released.
