Subd. 2. [TERMS, COMPENSATION, REMOVAL, VACANCIES.] The membership terms, compensation, removal of members and filling of vacancies shall be as provided for in section 15.0575; *members appointed by organizations shall be subject to reappointment or removal by the appointing organizations.*

Sec. 4. Minnesota Statutes 1982, section 129B.02, is amended to read:

129B.02 [PURPOSE.]

*Subdivision 1. [CONCERN FOR FUTURE.]* The legislature of the state of Minnesota expresses concern over the future of elementary and secondary education in this state, its ability to meet the educational needs of the public school students, the professional growth and satisfaction of school staffs, the effectiveness and efficiency of present schools and their learning processes, continuing pupil unit cost escalation and the resulting financial crisis which this brings about. New approaches to the learning process, better (UTILIZATION) use of professional staff and community resources, different requirements as to course offerings, course content, grading, graduation and school attendance must be researched and developed. It is believed that revised programs, innovations, new attitudes about learning and the public schools' responsibilities can be effectively achieved if (SUCH) research and development (ARE) is performed by the council on quality education and at the local school level by the school's staff and with involvement by the students and their community. Although funds spent now for (SUCH) *these* purposes can produce substantial educational and cost benefits in

the future, (SUCH) *these* capital type funds are seldom available within any single school district's budget.

*Subd. 2.* [RESEARCH AND DEVELOPMENT.] The purpose of the council on quality education is, therefore, to encourage, promote, aid, and perform research and development for quality education in Minnesota elementary and secondary schools, to evaluate the results of significant innovative programs and to disseminate information about these programs throughout the state.

To these ends, the council through the state board of education shall establish a venture fund from which grants or loans may be made in support of research and development programs relating to the problems and objectives (HERETOFORE) described *in this section* which shall include but not be limited to:

(1) effective (UTILIZATION) *use* of community personnel and resources (.);

(2) developing *improved learning programs, including model personnel policies and procedures, new staffing and educational concepts such as differentiated staffing and comprehensive developmental and educational planning for individual pupils* (.);

(3) assessment and evaluation of education programs (.);

(4) developing (A MANAGEMENT AND UNIT OF INSTRUCTIONAL OBJECTIVES DESIGN WHICH WILL PROVIDE) *procedures to increase a school's accountability (BY RELATING TIME AND DOLLARS TO THE AMOUNT OF LEARNING PRODUCED.)*;

(5) determining responsibilities to be assumed by the schools exclusively or concurrently with other agencies or individuals (.);

(6) effective dissemination of educational information (.);

(7) developing new knowledge about learning and teaching (.);

(8) developing model educational programs (AS ALTERNATIVES TO EXISTING EDUCATIONAL PRACTICES AND CURRICULA) *and alternative delivery systems that will improve curriculum offerings for small rural schools* (.);

(9) model programs and innovations to increase equality of educational opportunities (.);

(10) research and testing of new concepts of educational efficiency, effectiveness and cost benefits (.); *and*

(11) comprehensive interdisciplinary programs in health education and comprehensive programs designed to coordinate and integrate the delivery of pupil support services.

*Subd. 3. [NEW CONCEPTS.]* The council shall not be limited to supporting innovations, programs or procedures supplementary to existing school structures and programs but may assist or research entirely new concepts such as open schools, informal schools and the like. It is the legislature's intent that any supported program shall hold promise of both educational and cost benefits and that the costs and improvements in learning effectiveness introduced thereby shall be measured and related. *The council shall provide for an evaluation of each program which it supports with a grant or loan.*

The council may also review literature and other information about innovative programs in Minnesota and other states and disseminate the results of this research throughout the state. The council may identify ideas for innovative programs in the course of this research and solicit proposals from school boards for grants for such programs (; PROVIDED). *However, not (TO EXCEED) more than ten percent of the funds appropriated to the venture fund in any year may be expended to fund such research and programs.*

*Subd. 4. [REPORT TO LEGISLATURE.]* The council shall (MAKE A) report to the legislature by November 15 of each even numbered year (TO THE LEGISLATURE) concerning all research and all proposals received (AND), the dispositions (MADE THEREOF) of them by the council and the state board of education, the evaluations of the programs that were funded, and of receipts and expenditures resulting from sales of materials developed through venture fund grants.

Sec. 5. Minnesota Statutes 1982, section 129B.04, is amended to read:

129B.04 [PROPOSALS.]

Subdivision 1. [REQUIREMENTS.] (THE) A school board (OF ANY LOCAL SCHOOL DISTRICT) or (ANY) group of (SUCH) school boards may develop a proposal for a grant or loan in support of a research and development program of the kind described in section 129B.02. *Except for grants according to subdivision 1a, every (SUCH) proposal shall include:*

The council shall also recommend the amount and type of grant to be made in support of the proposed program in the light of the then currently available moneys in the venture fund (, WHICH). This information shall be provided to the council by the state board of education. Only (SUCH) proposals (AS ARE) recommended for approval shall be transmitted by the council to the state board (, AND). All (SUCH) these proposals shall be approved and funded from the venture fund by the state board as recommended by the council unless the state board, within 30 days (OF RECEIPT OF) after receiving a proposal from the council, (SHALL MAKE) makes other disposition of the proposal by formal board action. One half of each grant recommended by the council and funded by the state board may be (DEEMED) an interest free loan (TO BE) and repaid over (A) five (YEAR PERIOD) years.*

All funds in this account are annually appropriated to the department of education and shall be used to reproduce and distribute products of projects and programs funded pursuant to sections 129B.01 to 129B.05.*

*Subd. 4. Proceeds in excess of costs from the sale of products pursuant to this section shall be shared equally between the state and the school district which developed the product with a grant from the council. The school district share is appropriated to the department of education and shall be paid to the district. The state share is appropriated to the department of education and shall be placed in the venture fund of the council and used to fund similar projects.*

Sec. 7. Minnesota Statutes 1982, section 129B.05, is amended to read:

129B.05 [STATE BOARD AND COMMISSIONER.]

*Subdivision 1. Sec. 2. Minnesota Statutes 1982, section 17.714, subdivision 1, is amended to read:

Subdivision 1. [REGISTRATION FEE; CERTAIN ITEMS.] Fertilizer brands and grades sold only as small package items or represented and labeled as specialty fertilizer; and soil and plant amendments sold with recommendations for commercial agricultural use, shall be registered (AT THE FEE SET FORTH IN) *and a fee paid pursuant to section 17.717 (, SUBDIVISIONS 3 AND 4).* Fees paid for registration made in this manner shall be in lieu of any other license or tonnage fees.

Sec. 3. Minnesota Statutes 1982, section 17.715, subdivision 1, is amended to read:

Subdivision 1. [LICENSED PERSONS.] A person who manufactures, blends, mixes, or otherwise manipulates commercial fertilizer material and a person who stores or distributes bulk fertilizer for resale shall obtain a license from the commissioner for each fixed location within the state where these operations are performed.

The report (SHALL BE) is due on or before the 30th of the month following the close of each reporting period of each calendar year. The inspection fee at the rate stated in section 17.717, subdivision 5 shall accompany the statement. For the tonnage report that is not filed or the payment of inspection fees that is not made within 30 days after the end of the reporting period, a penalty of ten percent of the amount due, with a minimum penalty of \$10, shall be assessed against the licensee or registrant, and the total amount of fees due, plus penalty, shall constitute a debt and may be recovered in a civil action against the licensee or registrant. The assessment of this penalty shall not prevent the department from taking other actions as provided in this chapter. Where the property is acquired by means other than through eminent domain proceedings, as by direct purchase or gift, the land owner's compensation shall be determined by the agreement of the parties involved. An award of compensation in a condemnation proceeding shall not be increased or decreased by reason of any increase or decrease in the value of the property caused by its designation in the inventory of preferred areas under section 115A.09 or as a candidate site under sections 115A.18 to 115A.30 or its selection as a site or buffer area.

Subdivision 1. [CONTENTS.] (BY DECEMBER 15, 1982,) The board shall adopt a hazardous waste management plan. In developing and implementing the plan, the highest priority of the board shall be placed upon alternatives to land disposal of hazardous wastes including: technologies to modify industrial processes or introduce new processes which will reduce or eliminate hazardous waste generation; recycling, re-use, and recovery methods to reduce or eliminate hazardous waste disposal; and conversion and treatment technologies to reduce the degree of environmental risk from hazardous waste. The board shall also consider technologies for retrievable storage of hazardous wastes for later recycling, re-use, recovery, conversion, or treatment.

The plan shall include at least the following elements:

(a) an estimate of the types and volumes of hazardous waste which will be generated in the state through the year 2000;

(b) specific and quantifiable objectives for reducing to the greatest feasible and prudent extent the need for and practice of disposal, through waste reduction, pretreatment, retrievable storage, processing, and resource recovery;

(c) a description of the minimum disposal capacity and capability needed to be developed within the state for use through the year 2000, based on the achievement of the objectives under clause (b);

(d) a description of implementation strategies required to develop the needed disposal capacity under clause (c) and to

*achieve the objectives under clause (b), including: the necessary private and government actions; development schedules for facilities, services, and regulations; revenue-raising and financing measures; levels of public and private effort and expenditure; legal and institutional changes; and other similar matters.*

The plan shall provide for the orderly development of hazardous waste management sites and facilities to protect the health and safety of rural and urban communities. In preparing the plan the board shall consider its impact upon agriculture and natural resources.

The plan shall require the establishment in the state of at least one commercial retrievable storage or disposal facility and shall recommend and encourage methods and procedures that will insure the establishment of at least one facility for the recycling, re-use, recovery, conversion, treatment, destruction, transfer, or storage of hazardous waste. The board may make the implementation of elements of the plan contingent on actions of the legislature which have been recommended in the draft plan and certification of need and considered in the reports submitted pursuant to section 115A.08.

Sec. 16. Minnesota Statutes 1982, section 115A.11, subdivision 2, is amended to read:

Subd. 2. [PROCEDURE.] The plan shall be based upon the reports prepared pursuant to section 115A.08. The plan, the certificate of need issued under section 115A.24, and the procedures for hearings on the draft plan and draft certificate of need, shall not be subject to the rule-making or contested case provisions of chapter 14. By July 1, 1983, the chairman of the board shall report to the legislative commission on waste management about the hearing to be held pursuant to this subdivision. The chairman shall describe the board's plans and procedures for the hearing, the provisions for encouraging public participation in the hearing, and the board's plans for preparing the required report to the legislature fully and accurately summarizing the results of the hearing, the objections raised to the board's draft plan and certification, and the board's response to the testimony received. The legislative commission shall hold a hearing to receive public comment on the board's proposed hearing procedures and thereafter shall make any recommendations it deems appropriate for changes in the board's procedures. (FOLLOWING THE SUBMISSION OF THE REPORT ON HAZARDOUS MANAGEMENT REQUIRED UNDER SECTION 115A.08, SUBDIVISION 4.) By November 1, 1983, the board through its chairperson shall issue a draft hazardous waste management plan proposed for adoption pursuant to this section, and a draft certificate or certificates of need proposed for issuance under section 115A.24. The draft plan and certificates must include an explanation of the basis of the findings, conclusions, and recommendations contained therein. The board

shall hold a public hearing on the draft plan and draft certificate or certificates of need (CONTAINED IN THE REPORT) *within 30 days of their issuance.* Notices of the draft plan and the draft certificate or certificates and notice of the hearing shall be published in the state register and newspapers of general circulation in the state. *The notices must indicate how copies of the draft plan and draft certificate or certificates of need may be obtained. The board shall make the draft plan and draft certificate or certificates of need available for public review and comment at least 21 days before the hearing.* The hearing shall be ordered by the chairperson of the board and shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings in the time allowed by this section. *The hearing officer shall not issue a report but shall preside at the hearing to ensure that the hearing is conducted in a fair, orderly, and expeditious manner and in accordance with the hearing procedures of the board.* A majority of the permanent members of the board shall attend the hearing. In connection with the hearing, the chairperson of the board shall provide copies of the studies and reports on which the draft plan and certification of need are based and shall (MAKE AN AFFIRMATIVE PRESENTATION SHOWING THE NEED FOR AND REASONABLENESS OF THE DRAFT PLAN AND CERTIFICATION OF NEED) *present an explanation of the basis of the findings, conclusions, and recommendations in the draft plan and certification of need.*

*Within 15 days following the hearing the director of the agency shall issue a hazardous waste pollution control report. The report must be submitted to the legislative commission. The report must be based on existing and proposed federal and state pollution control rules and available information and expertise on the character, nature, and degree of hazard of the types and categories of hazardous waste identified in the plan. The report must:*

(a) *assess the pollution control problems and risks associated with each type and category of hazardous waste identified by the draft certification of need as eligible for disposal, before or after pretreatment, at a facility or facilities of the type and design selected by the board, and identify design and pretreatment alternatives or other methods for dealing with those problems and risks;*

(b) *identify at least one specific alternative technology for dealing with each waste which the report recommends should not be certified for disposal, and assess the pollution control problems and risks associated with the alternatives;*

(c) *assess the pollution control problems and risks associated with each standard and criteria contained in the plan and certification for determining the eligibility or ineligibility of waste for disposal;*

(d) assess the pollution control programs and risks associated with the processing and other alternatives to disposal which are recommended in the plan for specific types or categories of hazardous waste, and identify methods for dealing with those problems and risks.

Within 30 days following the hearing, the board shall revise the draft plan and the draft certificate or certificates of need as it deems appropriate, shall make a written response to the testimony received at the hearing and to the agency's report explaining its disposition of any recommendations made with respect to the plan and certification, and shall (FINALLY ADOPT A PLAN IN ACCORDANCE WITH THIS SECTION AND ISSUE A CERTIFICATE OR CERTIFICATES OF NEED IN ACCORDANCE WITH SECTION 115A.24) submit to the legislative commission the revised draft plan and certification of need, together with a report on the testimony received, the board's response, and the results of the hearing process.

Sec. 17. [115A.201] [BEDROCK DISPOSAL.]

*Subdivision 1. [EVALUATION OF TECHNOLOGY; STUDY AREAS.]* The board shall evaluate the feasibility of bedrock disposal of hazardous waste. If the board determines that bedrock disposal is or may be a feasible disposal technology, the board shall identify bedrock study areas of up to four square miles in size for further evaluation.

*Subd. 2. [PARTICIPATION BY AFFECTED LOCALITIES.]* A plan review committee shall be established for each study area and a temporary board member shall be appointed as provided in this subdivision, to participate in the preparation of the draft plan and certification of need to be issued under section 115A.11 and adopted under sections 115A.11 and 115A.24. Within 30 days following the identification of a bedrock study area by the board, the governor shall appoint the chair and members of a plan review committee, ensuring a balanced representation of all parties with a legitimate and direct interest in the review of the plan and certification of need. The plan review committee shall be eligible for technical assistance and grants pursuant to section 115A.08, subdivision 6, to assist it in participating in the plan and certification of need. Within 30 days following the appointment of a plan review committee, the committee shall select a temporary board member to be added to the board. Temporary board members may be members of the local plan review committee, and they shall be residents of the county in which the study area is primarily located. Temporary board members shall serve for terms lasting so long as the location the member represents is a study area. Temporary board members shall not participate or vote in decisions affecting the selection and certification of sites under this section and section 115A.21.

*Subd. 3. [CANDIDATE SITES.] If the board determines that candidate sites are to be selected in the bedrock study areas, the candidate sites must be proposed and selected as provided in section 115A.21, subdivisions 1 and 2a.*

Sec. 18. Minnesota Statutes 1982, section 115A.21, is amended to read:

**115A.21 [CANDIDATE SITES.]**

**Subdivision 1. [SELECTION.] (BY MARCH 15, 1982)** The board shall select (SIX) *at least four* locations in the state, no more than one site per county, as candidate sites for commercial disposal facilities for hazardous waste. *Candidate sites selected by the board before February 1, 1983, and additional candidate sites selected pursuant to this section, must be reviewed pursuant to sections 115A.22 to 115A.30.* No location shall be selected as a candidate site unless the agency certifies its intrinsic suitability for the use intended *pursuant to subdivision 2a.*

**Subd. 2. [SEARCH PROCEDURE.]** The board shall consult with the agency and the private waste management industry in selecting candidate sites. Any sites proposed in applications for permits for disposal facilities being reviewed by the agency may be included by the board as candidate sites, provided the agency certifies the intrinsic suitability of the sites. The agency shall suspend its review of any permit application being reviewed by the board for inclusion as a candidate site until the site is eliminated from consideration as a candidate site.

**(SUBD. 2. [PROCEDURE.])** As soon as practicable, the board through its chairperson shall publish a request soliciting proposals and permit applications for hazardous waste disposal facilities from potential developers and operators of such facilities. Notice of the request shall be published in the state register and newspapers of general circulation in the state and shall be transmitted to all regional development commissions, the metropolitan council, and all counties in the state. The board may select conceptual design and operating specifications for a variety of hazardous waste disposal facilities in sufficient detail and extent in the judgment of the board to assist the evaluation of sites and the selection of candidate sites. By November 1, 1980, the board through its chairperson shall notify each regional development commission, or the metropolitan council, and each local government unit within whose jurisdiction the board intends to search for candidate sites. The notification shall explain the selection of the jurisdiction as a search area; shall summarize any conceptual specifications and the evaluation factors, criteria, standards, and procedures the board intends to use in selecting candidate sites; and shall describe the relationship of the candidate site selection process to the other review procedures under sections 115A.18 to 115A.30 and the hazardous waste

reports and plans required under sections 115A.04 to 115A.15. The notification shall request recommendations and suggestions from each such commission, the metropolitan council, and local government unit on the criteria, standards, and procedures the board should use in selecting candidate sites within the time allowed. The board through its chairperson shall make a written response to any recommendations, explaining its disposition of the recommendations. *No action of the board may be held invalid by reason of the board's failure to notify any of the entities listed in this subdivision.*

BY NOVEMBER 15, 1981, THE BOARD SHALL PROPOSE AT LEAST SIX LOCATIONS AS CANDIDATE SITES, AND).* The director of the agency shall issue (A) notice indicating (WHICH OF THOSE SITES) *whether the director recommends that the proposed sites should be certified as intrinsically suitable.* The board through its chairperson and the director shall publish notice of hearings on the board's proposal and the director's recommendations. Notice shall be published in the state register and newspapers of general circulation in the state and shall be sent by mail to all regional development commissions, or the metropolitan council, and to local government units containing a proposed candidate site. The hearings shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency and board in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the board and additional information on the proposed sites which is relevant to the board's decision on candidate sites and the agency's decision on intrinsic suitability. The rulemaking and contested case procedures of chapter 14 shall not apply to this hearing. The hearing examiner may consolidate hearings. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify sites accordingly (BY MARCH 1, 1982). No action of the board or agency (SHALL) *may be held invalid by reason of the board's or agency's failure to notify any of the entities listed in this subdivision.*

*Subd. 3.* [(MORATORIUM) DEVELOPMENT LIMITATIONS.] In order to permit the comparative evaluation of sites *and buffer areas* and the participation of affected localities in decisions about the use of sites *and buffer areas*, (A MORATORIUM IS HEREBY IMPOSED AS PROVIDED IN THIS

SUBDIVISION ON ALL DEVELOPMENT WITHIN EACH PROPOSED OR CANDIDATE SITE IDENTIFIED PURSUANT TO THIS SECTION) *development in each candidate site and in a buffer area identified by the board surrounding and at least equal in area to the site shall be limited to development consistent with the development plans, land use classifications, and zoning and other official controls applying to the property on February 1, 1983. No development inconsistent with the plans, use classification, controls, and zoning requirements; no transfers or change of use of public land; and no conditional uses may be permitted.* The (MORATORIUM ON CANDIDATE SITES AND BUFFER AREAS) *development limitations* shall extend until (THE BOARD CHOOSES A FINAL CANDIDATE SITE OR FINAL CANDIDATE SITES PURSUANT TO THIS ARTICLE. No plan, land use classification, official control, or zoning of any political subdivision shall permit or be amended to permit development (WHICH HAS NOT BEEN APPROVED BY THE BOARD) inconsistent with the requirements of this section, nor shall any political subdivision sanction or approve any subdivision, permit, license, or other authorization which would allow development (TO OCCUR WHICH HAS NOT BEEN APPROVED BY THE BOARD. THE BOARD SHALL NOT APPROVE ACTIONS WHICH WOULD JEOPARDIZE THE AVAILABILITY OF A CANDIDATE SITE FOR USE AS A HAZARDOUS WASTE FACILITY. THE BOARD MAY ESTABLISH GUIDELINES FOR REVIEWING REQUESTS FOR APPROVAL UNDER THIS SUBDIVISION. THE GUIDELINES SHALL NOT BE SUBJECT TO THE RULE-MAKING PROVISIONS OF CHAPTER 14: REQUESTS FOR APPROVAL SHALL BE SUBMITTED IN WRITING TO THE CHAIRPERSON OF THE BOARD AND SHALL BE DEEMED TO BE APPROVED BY THE BOARD UNLESS THE CHAIRPERSON OTHERWISE NOTIFIES THE SUBMITTER IN WRITING WITHIN 15 DAYS) inconsistent with the requirements of this section.*

[CERTIFICATE.] Except as provided in subdivision 2, (BY DECEMBER 15, 1982,) on the basis of and consistent with its hazardous waste management plan adopted under section 115A.11, the board shall issue a certificate or certificates of need for disposal facilities for hazardous wastes in the state. The certificate or certificates shall indicate the types and volumes of waste for which disposal facilities are and will be needed through the year 2000 and the number, types, (SIZES, GENERAL DESIGN AND OPERATING SPECIFICATIONS) capacity, and function or use of the disposal facilities needed in the state. *Before finally adopting the certificate of need the board shall submit it to the agency for a revision of the hazardous waste pollution control report required under section 115A.11, subdivision 2.* The board shall certify need only to the extent that the board has determined that there are no feasible and prudent alternatives including waste reduction, separation, pretreatment, processing, and resource recovery which would minimize adverse impact upon *air, water, land and all other* natural resources, provided that the board shall require the establishment of at least one commercial disposal facility in the state. Economic considerations alone shall not justify certification nor the rejection of alternatives. Alternatives that are spec-

ulative and conjectural shall not be deemed to be feasible and prudent. The board shall consider all technologies being developed in other countries as well as in the United States when it considers the alternatives to hazardous waste disposal. The certificate or certificates shall not be subject to the provisions of chapter 14 but shall be the final determination required on the matters decided by the certificate or certificates and shall have the force and effect of law. Phase I of the statement shall not address or reconsider alternative sites or facility numbers, types, capacity, function, and use which have been eliminated from consideration by the board's decisions under sections 115A.21 and 115A.24. The determination of the adequacy of phase I of the statement is exclusively the authority of the board. The governor shall establish an interagency advisory group to comment on the scope of phase I of the statement, to review drafts, and to provide technical assistance in the preparation and review of phase I of the statement. The advisory group shall include representatives of the agency, the departments of natural resources, health, agriculture, energy, planning and development, and transportation, and the Minnesota geological survey. In order to obtain the staff assistance necessary to prepare the statement, the chairperson of the board may request reassignment of personnel pursuant to section 16.21 and may arrange to have other agencies prepare parts of the statement pursuant to section 16.135.*

Sec. 28. Minnesota Statutes 1982, section 115A.25, is amended by adding a subdivision to read:

*Subd. 1b. [PHASE II.] Phase II of the statement shall be completed by the agency as a supplement to phase I specifically for the purpose of examining the environmental effects of the permitting decisions required to be made by the permitting agencies under section 36. In preparing, reviewing, and determining the adequacy of phase II of the statement, the agency shall not repeat or duplicate the research and analysis contained in phase I of the statement, unless the agency determines that the information available is not adequate or that additional information is necessary to examine the environmental effects of the permitting decisions. Phase II of the statement shall not address or reconsider alternative sites and facility numbers, types, capacity, function, and use which have been eliminated from consideration by the board's decisions under sections 115A.21, 115A.24, and 115A.28. The determination of adequacy of phase II of the statement must be made by the agency within 180 days*

following submission of the preliminary permit application or applications under section 36. The determination of the adequacy of phase II of the statement is exclusively the authority of the agency.

Sec. 29. Minnesota Statutes 1982, section 115A.25, subdivision 2, is amended to read:

[PUBLIC DISCLOSURE.] Before commencing preparation of a phase of the environmental impact statement, the board or agency shall issue a document summarizing and making full disclosure of the intended objectives and contents of the environmental impact statement and the environmental review. Announcement of the disclosure shall be published in the state register, the environmental quality board monitor, and appropriate newspapers of general distribution. The disclosure shall:

- (a) identify the candidate sites;
- (b) summarize (PRELIMINARY DESIGN AND OPERATING) facility specifications and indicate where and when the specifications are available for inspection;
- (c) describe as fully as possible the object of the review, including the significant actions, issues, alternatives, types of impacts, and compensation and mitigation measures expected to be addressed in the statement; the depth of the analysis expected; and subjects which the statement will not address in depth because they have been disposed of previously or because they are believed to be insignificant or remote and speculative;
- (d) identify, by reference and brief summary, any related planning activities and environmental reviews which have been, are being, or will be conducted, and the substantive, chronological, and procedural relationship between the proposed review and the other activities and reviews;
- (e) identify the membership and address of the local project review committees and the names of the local representatives on the board;
- (f) summarize the comments and suggestions received from the public pursuant to subdivision 3 and the board's or agency's response.

Sec. 30. Minnesota Statutes 1982, section 115A.25, subdivision 3, is amended to read:

Subd. 3. [PUBLIC PARTICIPATION PROCEDURES.] The public disclosure document shall be issued following diligent effort to involve the public in determining the objective and

contents of the environmental impact statement. At least one public meeting shall be held in each county with a candidate site. The advice of the board, facility developers, state agencies, the local project review committees, and local units of government shall be actively solicited. The board or agency may engage the state hearing examiner to conduct meetings and make recommendations concerning the review. Each local project review committee shall present to the board or agency a written report summarizing local concerns and attitudes about the proposed action and the specific issues which the local communities and residents wish to see addressed in the environmental review.

Sec. 31. Minnesota Statutes 1982, section 115A.26, is amended to read:

**115A.26 [AGENCIES; REPORT ON PERMIT CONDITIONS AND APPLICATION REQUIREMENTS.]**

Within (60) 30 days following the board's determination of the adequacy of (THE FINAL) phase I of the environmental impact statement, and after consulting with the board, facility developers, affected local government units, and the local project review committees, the chief executive officer of each permitting state agency shall issue (A NOTICE OF INTENT TO ISSUE PERMITS INDICATING,) to the board draft reports on permit conditions and permit application requirements at each candidate site. The reports must indicate, to the extent possible based on existing information, the probable terms, conditions, and requirements of (AGENCY APPROVAL FOR ALL PERMITS NEEDED AT EACH CANDIDATE SITE FOR THE ESTABLISHMENT OF THE FACILITIES DESCRIBED IN THE BOARD'S CERTIFICATION OF NEED) permits, including the types and categories of waste eligible for disposal with or without pretreatment, and the probable supplementary documentation that will be required for phase II of the environmental impact statement under section 115A.25 and for permit applications under section 36. The reports may be revised following the hearings under section 115A.27 as the chief executive officer deems necessary. The (AGENCY DECISIONS SHALL) reports must be consistent with the establishment of facilities in accordance with the certification of need.

Sec. 32. Minnesota Statutes 1982, section 115A.27, subdivision 2, is amended to read:

Subd. 2. [BOARD HEARINGS.] Within (90) 120 days following the (ISSUANCE OF AGENCY NOTICE OF INTENT UNDER SECTION 115A.26) board's determination of the adequacy of phase I of the environmental impact statement under section 115A.25, the board shall conduct a hearing in each county containing a candidate site, for the purpose of receiving testimony on the (SITES AND FACILITIES TO BE ESTABLISHED) decisions required under section 115A.28. The hearings shall be ordered by the chairperson of the board (AND SHALL

BE CONDUCTED CONCURRENTLY WITH ANY AGENCY HEARING REGARDING THE SITE HELD PURSUANT TO SUBDIVISION 1). The subject of the board hearing shall not extend to matters previously decided in the board's *decision on sites under section 115A.21 and the certificate of need issued under section 115A.24*. The hearing shall be conducted for the board by the state office of administrative hearings in a manner (DETERMINED BY THE HEARING EXAMINER TO BE) consistent with the completion of the proceedings in the time allowed. The proceedings (SHALL) *and the hearing procedures are not (BE DEEMED A) subject to the rule-making or contested case (UNDER) provisions of chapter 14. The hearing officer shall not issue a report but shall preside at the hearings to ensure that the hearings are conducted in a fair, orderly, and expeditious manner and in accordance with the hearing procedures of the board.* A majority of the permanent members of the board shall be present at the hearing.

Sec. 33. Minnesota Statutes 1982, section 115A.28, subdivision 1, is amended to read:

Subdivision 1. [DECISION OF BOARD.] Within 60 days following (FINAL AGENCY DECISIONS ON PERMITS PURSUANT TO SECTIONS 115A.26 AND 115A.27, SUBDIVISION 1) *the conclusion of the hearings under section 115A.27, subdivision 2, and after consulting with private facility developers, the (AGENCY) permitting agencies, affected local government units, and the local project review committees, the board shall finally select the site or sites for the facilities (AND SHALL SUBMIT OR CAUSE TO BE SUBMITTED FINAL PERMIT APPLICATIONS) and the developer and operator of the facility and shall prescribe further specifications on the number, type, capacity, function, and use of the facilities as the board deems appropriate, consistent with the board's certification of need issued under section 115A.24.* If the chairperson of the board determines that an agency (NOTICE OF INTENT) *report on permit conditions and application requirements* has been substantially revised following hearings held pursuant to section 115A.27, subdivision (1) 2, the chairperson (SHALL) *may delay the decision for 30 days and may order a public hearing to receive further testimony on the sites and facilities to be established.* The proceeding shall be conducted as provided in section 115A.27, subdivision 2, except that hearings shall not be separately held in the affected counties and the issues relating to all agency (NOTICES) *reports* shall be considered at one hearing. (THE BOARD'S DECISION AND FINAL PERMIT APPLICATIONS SHALL EMBODY ALL TERMS, CONDITIONS, AND REQUIREMENTS OF THE PERMITTING AGENCIES, PROVIDED THAT THE BOARD MAY: (A) FINALLY RESOLVE ANY CONFLICTS BETWEEN STATE AGENCIES REGARDING PERMIT TERMS, CONDITIONS, AND RE-

QUIREMENTS, AND (B) REQUIRE MORE STRINGENT TERMS, CONDITIONS, AND REQUIREMENTS RESPECTING THE FACILITY AS MAY BE CONSISTENT WITH THE CERTIFICATION OF NEED AND THE AGENCY RULES AND PERMIT CONDITIONS. THE BOARD'S RESOLUTION OF CONFLICTS UNDER CLAUSE (A) SHALL BE IN FAVOR OF THE MORE STRINGENT TERMS, CONDITIONS, AND REQUIREMENTS.) The board's decision (AND THE PERMIT APPLICATIONS) shall provide for the establishment of facilities consistent with the board's certification of need.

[BOARD'S DECISION PARAMOUNT.] The board's decision under subdivision 1 shall be final and shall supersede and preempt requirements of state agencies and political subdivisions and the requirements of sections 473H.02 to 473H.17; except that a facility established pursuant to the decision shall be subject to (THOSE) terms, conditions, and requirements *in permits of state or federal permitting agencies (EMBODIED IN THE BOARD'S DECISION), the terms of lease determined by the board under section 115A.06, subdivision 4,* and any requirements imposed pursuant to subdivision 3. (THE PERMITTING AGENCIES SHALL ISSUE PERMITS WITHIN 60 DAYS FOLLOWING AND IN ACCORDANCE WITH THE BOARD'S FINAL DECISION, AND ALL PERMITS SHALL CONFORM TO THE TERMS, CONDITIONS, AND REQUIREMENTS OF THE BOARD'S DECISION.) *Except as otherwise provided in this section,* no charter provision, ordinance, regulation, permit, or other requirement of any state agency or political subdivision shall prevent or restrict the establishment, operation, expansion, continuance, or closure of a facility in accordance with the final decision *and leases of the board and permits issued (PURSUANT THERETO) by state or federal permitting agencies.*

Sec. 35. Minnesota Statutes 1982, section 115A.28, subdivision 3, is amended to read:

Subd. 3. [LOCAL REQUIREMENTS.] A political subdivision may impose reasonable requirements respecting the construction, inspection, operation, monitoring, and maintenance of a facility. Any such requirements shall be subject to review by the (AGENCY) *board* to determine their reasonableness and consistency with the establishment and use of a facility in accordance with the final decision *and lease of the board and by the agency to determine their reasonableness and consistency with permits (ISSUED PURSUANT THERETO) of state and federal permitting agencies.* The *board or agency* may approve, disapprove, suspend, modify, or reverse any such requirements. The decision of the *board or agency* shall be final.

## Sec. 36. [115A.291] [PERMITS.]

*Research and analysis necessary to the permit applications and permit decisions required under this chapter, and the supporting environmental study, must commence immediately following the board's decision under section 115A.28. Within 180 days following its final decision under section 115A.28, the board shall submit or cause to be submitted a preliminary application for permits for a facility or facilities consistent with its decision under section 115A.28. Following review by the permitting agencies and within 60 days following the agency's determination of the adequacy of phase II of the environmental impact statement, the board shall revise the application, or cause it to be revised, in accordance with the recommendations of the permitting agencies. In preparing its revised permit application, the board may amend its certification of need issued under section 115A.24 or its facility specifications under section 115A.28, if the board finds and determines, based upon the recommendations of the permitting agencies, that: (a) the amendments are necessary to secure permits for the construction and operation of the proposed facility at the proposed site, and (b) the recommendations and amendments are the result of new information or rules produced after the board's decisions under sections 115A.24 and 115A.28. Within 210 days following the submission of the revised permit application, the permitting agencies shall issue the necessary permits unless the pollution control agency determines that the facility or facilities proposed for permitting present environmental problems which cannot be addressed through the imposition of permit conditions.*

Sec. 37. Minnesota Statutes 1982, section 115A.30, is amended to read:

## 115A.30 [JUDICIAL REVIEW.]

Any civil action maintained by or against the agency or board under sections 115A.18 to 115A.30 shall be brought in the county where the board is located and shall take precedence over all other matters of a civil nature and be expedited to the maximum extent possible. Any person aggrieved by a (FINAL) decision of the board (AUTHORIZING FACILITIES) or an agency under sections 115A.18 to 115A.30 may appeal therefrom within 30 days following all final decisions on the issuance of permits. Any appeal shall be conducted as a review of the administrative record as provided in (CHAPTER 14) sections 14.63 to 14.70. No civil action shall be maintained pursuant to section 116B.03 with respect to conduct taken by a person pursuant to any environmental quality standard, limitation, regulation, rule, order, license, stipulation agreement or permit issued by the board under sections 115A.18 to 115A.30. Notwithstanding any provision of chapter 116B to the contrary, in any action brought under that chapter with respect to any decision or conduct undertaken by any person or the board or agency pursuant to sections

115A.18 to 115A.30 after the period for appeal under this section has lapsed, the plaintiff shall have the burden of proving that the evidence required under section 116B.10 was not reasonably available within the time provided for appeal. The trial court shall, upon motion of any prevailing non-governmental party, award costs, disbursements, reasonable attorney's fees, and reasonable expert witness fees, if the court finds the action hereunder was commenced or defended in bad faith or was frivolous.

Subd. 2. [ADMINISTRATION; ASSURANCE OF FUNDS.] The board shall provide technical and financial assistance for the acquisition and betterment of the facilities and transfer stations from revenues derived from the issuance of bonds authorized by section 115A.58. *Facilities for the incineration of solid waste without resource recovery are not eligible for assistance.* Of money appropriated for the purposes of the demonstration program, at least 70 percent shall be distributed as loans, and the remainder shall be distributed as grants. An individual project may receive assistance totaling up to 100 percent of the capital cost of the project and grants up to 50 percent of the capital cost of the project. No grant or loan shall be disbursed to any recipient until the board has determined the total estimated capital cost of the project and ascertained that financing of the cost is assured by funds provided by the state, by an agency of the federal government within the amount of funds then appropriated to that agency and allocated by it to projects within the state, by any person, or by the appropriation of proceeds of bonds or other funds of the recipient to a fund for the construction of the project.

Subd. 4. [RULES AND STANDARDS.] Pursuant and subject to the provisions of chapter 14, and the provisions hereof, the pollution control agency may adopt, amend and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1969, Chapter 1046, for the prevention, abatement, or control of air pollution. Any such rule or standard may be of general application throughout the state, or may be limited as to times, places, circumstances, or conditions in order to make due allowance for variations therein. Without limitation, rules or standards may relate to sources or emissions of air contamination or air pollution, to the quality or composition of such emissions, or to the quality of or composition of the ambient air or outdoor atmosphere or to any other matter relevant to the prevention, abatement, or control of air pollution.

Pursuant and subject to the provisions of chapter 14, and the provisions hereof, the pollution control agency may adopt, amend, and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1969, Chapter 1046, for the collection, transportation, storage, processing, and disposal of solid waste and the prevention, abatement, or control of water, air, and land pollution which may be related thereto, and the deposit in or on land of any other material that may tend to cause pollution. The agency shall adopt such rules and standards for sewage sludge, addressing the intrinsic suitability of land, the volume and rate of application of sewage sludge of various degrees of intrinsic hazard, design of facilities, and operation of facilities and sites. The agency shall promulgate temporary rules for sewage sludge pursuant to sections 14.29 to 14.36. Notwithstanding the provisions of sections 14.29 to 14.36, the temporary rules shall be effective until permanent rules are promulgated or March 1, 1982, whichever is earlier. Any such rule or standard may be of general application throughout the state or may be limited as to times, places, circumstances, or conditions in order to make due allowance for variations therein. Without limitation, rules or standards may relate to collection, transportation, processing, disposal, equipment, location, procedures, methods, systems or techniques or to any other matter relevant to the prevention, abatement or control of water, air, and land pollution which may be advised through the control of collection, transportation, processing, and disposal of solid waste and sewage sludge, and the deposit in or on land of any other material that may tend to cause pollution. By January 1, 1983, the rules for the management of sewage sludge shall include an analysis of the sewage sludge determined by the commissioner of agriculture to be necessary to meet the soil amendment labeling requirements of section 17.716.

Pursuant and subject to the provisions of chapter 14, and the provisions hereof, the pollution control agency may adopt, amend and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1971, Chapter 727, for the prevention, abatement, or control of noise pollution. Any such rule or standard may be of general application throughout the state, or may be limited as to times, places, circumstances or conditions in order to make due allowances for variations therein. Without limitation, rules or standards may relate to sources or emissions of noise or noise pollution, to the quality or composition of noises in the natural environment, or to any other matter relevant to the prevention, abatement, or control of noise pollution.

As to any matters subject to this chapter, local units of government may set emission regulations with respect to stationary sources which are more stringent than those set by the pollution control agency.

Pursuant to chapter 14, the pollution control agency may adopt, amend, and rescind rules and standards having the force of law relating to any purpose within the provisions of this chapter for *generators of hazardous waste*, the management, identification, labeling, classification, storage, collection, treatment, transportation, processing, and disposal of hazardous waste and the location of hazardous waste facilities. A rule or standard may be of general application throughout the state or may be limited as to time, places, circumstances, or conditions. (THE PUBLIC UTILITIES COMMISSION, IN COOPERATION WITH THE POLLUTION CONTROL AGENCY, SHALL SET STANDARDS FOR THE TRANSPORTATION OF HAZARDOUS WASTE IN ACCORDANCE WITH CHAPTER 221.) In implementing its hazardous waste rules, the pollution control agency shall give high priority to providing planning and technical assistance to hazardous waste generators. The agency shall assist generators in investigating the availability and feasibility of both interim and long term hazardous waste management methods. The methods shall include waste reduction, waste separation, waste processing, resource recovery, and temporary storage.

The pollution control agency shall give highest priority in the consideration of permits to authorize disposal of diseased shade trees by open burning at designated sites to evidence concerning economic costs of transportation and disposal of diseased shade trees by alternative methods.

*of hazardous waste, the agency may approve as a condition of the permit an agreement by which the permittee indemnifies the generators of hazardous waste accepted by the facility for part or all of any liability which may accrue to the generators as a result of a release or threatened release of a hazardous waste from the facility. The agency may approve an agreement under this subdivision only if the agency determines that the permittee has demonstrated financial responsibility to carry out the agreement during the term of the permit. If a generator of hazardous waste accepted by a permitted processing facility is held liable for costs or damages arising out of a release of a hazardous waste from the facility, and the permittee is subject to an agreement approved under this subdivision, the generator is liable to the extent that the costs or damages were not paid under this agreement.*

Sec. 46. Minnesota Statutes 1982, section 473.149, subdivision 2b, is amended to read:

[INVENTORY OF SOLID WASTE DISPOSAL SITES.] By (FEBRUARY 1, 1982) *September 1, 1983*, the council shall adopt by resolution an inventory of eligible solid waste disposal sites and buffer areas within the metropolitan area. The council's inventory shall be composed of the sites and buffer areas proposed by the counties and reviewed and approved by the council pursuant to section 473.803, subdivision 1a. If a county does not have an approved inventory of the required number of sites by *June 1, 1983*, the council shall (ADOPT THE REQUIRED INVENTORY FOR THE COUNTY, FOLLOWING) *begin investigations (BY THE COUNCIL) and public hearings (AS THE COUNCIL DEEMS APPROPRIATE) in order to adopt the required inventory for the county by September 1, 1983.* The council's inventory shall satisfy all requirements and standards described in section 473.803, subdivision 1a, for sites and buffer areas proposed by counties. For sites and buffer areas included in the council's inventory, the (MORATORIUM) *development limitation* imposed under section (473.803) 59, subdivision (1A) 1, shall extend until (OCTOBER 1, 1983) *90 days following the selection of sites pursuant to section 473.833, subdivision 3.*

Sec. 47. Minnesota Statutes 1982, section 473.149, subdivision 2c, is amended to read:

Subd. 2c. [REPORT ON LOCAL EFFECTS OF SOLID WASTE DISPOSAL FACILITIES; REPORT TO LEGISLATURE.] By (AUGUST 15, 1982) *November 1, 1983*, the council shall report to the legislative commission on methods of mitigating and compensating for the local risks, costs, and other adverse effects of solid waste disposal facilities and on methods of financing mitigation and compensation measures. The methods of mitigating and compensating to be considered shall include but not be limited to the following: *compensation to*

*landowners for damages resulting from the selection of a site for the inventory of sites or for development as a facility, payment outside of levy limitations in lieu of taxes for all property taken off the tax rolls; preference for the city or town containing a facility in federal A-95 reviews conducted by the council; payment of all costs to service the facilities including the costs of roads, monitoring, inspection, enforcement, police and fire, and litter clean up costs; payment for buffer zone amenities and improvements; city or town control over buffer zone design; elimination of the tipping charge for solid waste collected in the city or town; a guarantee against any and all liability that may occur; payment for reclamation of closed sites to local design specifications.*

Sec. 48. Minnesota Statutes 1982, section 473.149, subdivision 2d, is amended to read:

Subd. 2d. [LAND DISPOSAL ABATEMENT PLAN.] By January 1, (1983) 1984, after considering county land disposal abatement proposals submitted pursuant to section 473.803, subdivision 1b, the council shall amend its policy plan to include specific and quantifiable objectives for abating the land disposal of mixed municipal solid waste. The plan shall include a reduced estimate, based on the council's abatement objectives, of the added solid waste disposal capacity needed in appropriate sectors of the metropolitan area, stated in annual increments through the year 1990 and thereafter in five year increments through the year 2000. The objectives in the plan shall be based upon standards for county resource recovery and waste reduction and separation programs and activities. The plan shall include standards and procedures to be used by the council in determining that metropolitan counties have not implemented the council's land disposal abatement plan and have not met the standards for county abatement programs and activities. The council shall report to the legislative commission on its abatement plan and on legislation that may be required to implement the plan.

Sec. 49. Minnesota Statutes 1982, section 473.149, subdivision 2e, is amended to read:

Subd. 2e. [SOLID WASTE DISPOSAL FACILITIES DEVELOPMENT SCHEDULE.] By January 1, (1983) 1984, after requesting and considering recommendations from the counties, cities, and towns, the council as part of its policy plan shall determine the number *and capacity* of sites to be acquired within each metropolitan county for solid waste disposal facilities in accordance with section 473.833. The council shall adopt a schedule for development of disposal facilities by each (SUCH) county through the year 2000. The schedule shall be based upon the council's reduced estimate of the disposal capacity needed because of the council's land disposal abatement plan. *The council may make the implementation of elements of the schedule*

*contingent on actions of the counties in adopting and implementing county abatement plans pursuant to section 473.803, subdivision 1b; and the council shall review the development schedule at least every two years and shall revise the development schedule as it deems appropriate based on the progress made in the adoption and implementation of the council and county abatement plans. The schedule may include procedures to be used by counties in selecting sites for acquisition pursuant to section 473.833. The schedule shall include standards and procedures for council certification of need pursuant to section 473.823. The schedule shall include a facility closure schedule and plans for post-closure management and disposition, for the use of property after acquisition and before facility development, and for the disposition of property and development rights, as defined in section 473.833, no longer needed for disposal facilities. The schedule shall also include a closure schedule and plans for post-closure management for facilities in existence (PRIOR TO JANUARY 1, 1983) before the adoption of the development schedule.*

Sec. 50. Minnesota Statutes 1982, section 473.149, subdivision 4, is amended to read:

Subd. 4. [ADVISORY COMMITTEE.] The council shall establish an advisory committee to aid in the preparation of the policy plan, the performance of the council's responsibilities under subdivisions 2 to 2e, the review of county master plans and reports and applications for permits for waste facilities, under sections 473.151 and 473.801 to 473.823 and sections 473.827, 473.831 and 473.833, and other duties determined by the council. The committee shall consist of one-third citizen representatives, one-third representatives from metropolitan counties and municipalities, and one-third representatives from private waste management firms. From (OCTOBER 1, 1981 to JANUARY 1, 1983) *at least the date that the council adopts the inventory under subdivision 2b to the date that the council adopts a development schedule under subdivision 2e*, for the purpose only of participating in the preparation of the legislative report required by subdivision 2c (AND), the land disposal abatement plan required by subdivision 2d, *and the development schedule required by subdivision 2e*, additional members shall be included on the advisory committee sufficient to assure that at least one-third of the members of the committee are residents of cities or towns containing eligible solid waste disposal sites included in the council's disposal site inventory, and that counties containing three sites have at least two additional members and counties containing one or two sites have at least one additional member. A representative from the pollution control agency, one from the waste management board established under section 115A.04, and one from the Minnesota health department shall serve as ex officio members of the committee.

Sec. 51. Minnesota Statutes 1982, section 473.153, subdivision 2, is amended to read:

Subd. 2. [CANDIDATE SITE SELECTION. (BY DECEMBER 15, 1981,) The council shall select (SIX) candidate sites for the disposal of the commission's sewage sludge and solid waste, together with appropriate surrounding buffer areas. *The council shall select at least four candidate sites by September 1, 1983.* The council shall evaluate sites for candidacy on the basis of at least the following factors: local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities, distance from the points of generation, and the intrinsic suitability of sites compared with other potential sites. Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of the council, counties, or local units of government, no land shall be excluded from consideration for candidacy except land determined by the agency to be intrinsically unsuitable. No site shall be selected for candidacy unless the agency certifies its intrinsic suitability for the use intended, based on preliminary environmental analysis and on-site surveys and investigations conducted by the council. The council shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed as candidate sites as soon as available (BUT NO LATER THAN AUGUST 15, 1981). (BY SEPTEMBER 1, 1981,) The council shall propose at least six locations as candidate sites and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. The director shall publish notice of a consolidated hearing on the recommendation. Notice shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to local government units containing a proposed candidate site. The hearing shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the council and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The rulemaking and contested case procedures of chapter 14 shall not apply to this hearing. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify them accordingly (BY DECEMBER 1, 1981) *within 90 days of the council's proposal of a site.* The agency shall not be required to promulgate rules pursuant to chapter 14 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. In selecting candidate sites, the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county,

or local unit of government use after closure of a disposal facility.

Sec. 52. Minnesota Statutes 1982, section 473.153, subdivision 5, is amended to read:

Subd. 5. [ENVIRONMENTAL (AND PERMIT) REVIEW.] An environmental impact statement (MEETING THE REQUIREMENTS OF CHAPTER 116D SHALL) *must* be completed on (EACH CANDIDATE SITE, PROVIDED THAT) *the environmental effects of the council's decisions required by subdivision 6.* The statement (SHALL) *must* be (FINALLY ACCEPTED OR REJECTED WITHIN 280 DAYS OF THE SELECTION OF CANDIDATE SITES. WITHIN 90 DAYS FOLLOWING THE ACCEPTANCE OF THE STATEMENT, THE AGENCY SHALL INDICATE THE CONDITIONS AND TERMS OF APPROVAL OF ALL PERMITS NEEDED AT EACH CANDIDATE SITE) *prepared and reviewed in accordance with chapter 116D and the rules issued pursuant thereto, except as otherwise required by this section. The statement must not address or reconsider alternatives eliminated from consideration pursuant to subdivisions 1 and 2 and must not address the matters to be decided by the council pursuant to subdivision 6b.*

Sec. 53. Minnesota Statutes 1982, section 473.153, is amended by adding a subdivision to read:

Subd. 5a. [AGENCIES; REPORT ON PERMIT CONDITIONS AND APPLICATION REQUIREMENTS.] *Within 30 days following the council's determination of adequacy pursuant to subdivision 5, the chief executive officer of each permitting state agency shall issue to the council reports on permit conditions and permit application requirements at each candidate site. The reports must indicate, to the extent possible based on existing information, the probable terms, conditions, and requirements of permits and the probable supplementary documentation that will be required for permit applications. The reports must be consistent with the establishment of facilities in accordance with the requirements of this section, must not address or reconsider alternatives eliminated from consideration under subdivisions 1 and 2, and must not address the matters to be decided by the council pursuant to subdivision 6b.*

Sec. 54. Minnesota Statutes 1982, section 473.153, subdivision 6, is amended to read:

Subd. 6. [COUNCIL SITE SELECTION.] *Within 90 days following the (AGENCY'S DECISION ON PERMIT CONDITIONS AND TERMS) determination of adequacy, the council shall select at least one of the candidate sites for acquisition and development by the commission. Before its selection the council shall consult with the advisory committee and affected counties, cities, and towns.*

Sec. 55. Minnesota Statutes 1982, section 473.153, subdivision 6b, is amended to read:

Subd. 6b. [CERTIFICATION OF NEED.] No new facility for disposing of (SLUDGE,) ash (,) and other waste generated by the commission shall be permitted in the metropolitan area without a certification of need issued by the council indicating the council's determination:

(a) that the disposal of waste with concentrations of hazardous materials is necessary; and

(b) that the additional ash disposal capacity planned for the facility is needed.

The council shall certify need only to the extent that there are no feasible and prudent methods of reducing the concentrations of hazardous materials in the waste and no feasible and prudent alternatives to the ash disposal facility, *including large-scale composting and co-composting of sludge*, which would minimize adverse impact upon natural resources. Methods and alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of methods or alternatives, *including large-scale composting and co-composting of sludge as an alternative to incineration*. *In its certification the council shall not consider alternatives which have been eliminated from consideration by the selection of sites pursuant to subdivisions 2 and 6.*

Sec. 56. Minnesota Statutes 1982, section 473.153, is amended by adding a subdivision to read:

Subd. 6c. [CERTIFICATION OF NEED; RESTRICTION.] *No certification of need may be issued by the council pursuant to subdivision 6b until the report required by this subdivision is submitted to the legislative commission on waste management. The council shall submit the report by January 1, 1984. The report shall evaluate the potential of large-scale sewage sludge composting and co-composting to reduce the need for sewage sludge incineration, sewage sludge ash disposal, and mixed municipal solid waste land disposal; recommend institutional arrangements necessary for the implementation of large-scale sewage sludge composting and co-composting; and compare the costs and benefits of composting and co-composting with the costs, including costs already incurred, and the benefits of incineration.*

Sec. 57. Minnesota Statutes 1982, section 473.803, subdivision 1a, is amended to read:

Subd. 1a. [PROPOSED INVENTORY OF DISPOSAL SITES.] By October 15, 1981, each county shall adopt, by resolution of its governing body, an inventory of four proposed sites in the county suitable for mixed municipal solid waste disposal facilities (AND ONE PROPOSED SITE IN THE COUNTY SUITABLE FOR THE DISPOSAL OF DEMOLITION DEBRIS) and shall submit the inventory to the council for approval or disapproval. The council shall evaluate and approve or disapprove each proposed site in accordance with the standards set out in this subdivision. Except as otherwise provided in this subdivision, each site shall satisfy the standards and criteria in federal and state regulations and the council's policy plan for solid waste management. In proposing and approving sites for the inventory, the counties and the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county, or local unit of government use after closure of a disposal facility. Each site shall contain no less than 80 acres and no more than 250 acres. Each proposed site shall be surrounded by a buffer area at least equal to the area of the site. No site shall be adopted by a county or the council as part of an inventory unless the agency certifies its intrinsic suitability for the use intended, based on preliminary environmental analysis and on site surveys and investigations conducted by the county. Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of any state agency or political subdivision, no land shall be excluded from consideration for inclusion in the inventory except land determined by the agency to be intrinsically unsuitable. Each county shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed for the inventory as soon as available (BUT NO LATER THAN JUNE 15, 1981). By July 1, 1981 each county shall propose at least the number of sites required for the inventory, and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. Notice of hearings on the director's recommendation shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to the metropolitan council and local government units containing a proposed inventory site. A hearing shall be held in each metropolitan county and shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the county and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The rulemaking and contested case procedures of chapter 14 shall not apply to this hearing. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suit-

ability of each proposed site and shall certify them accordingly (BY OCTOBER 1, 1981) *within 90 days of the county's proposal of a site.* The agency shall not be required to promulgate rules pursuant to chapter 15 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. The council shall evaluate each site with respect to local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities and other services and facilities appropriate to land disposal facilities, the quality of other potential sites, and patterns of generation of solid waste. The council shall notify a county of any site proposed by the county which the council disapproves and shall allow the county 60 days to propose an alternative site. If the county fails to propose an alternative acceptable to the council in the time allowed, the council shall propose a site acceptable to it for inclusion in the inventory of sites in that county. If in the council's judgment a county does not contain the requisite number of satisfactory sites, the council may reduce the number of sites required of that county.

(IN ORDER TO PERMIT THE COMPARATIVE EVALUATION OF SITES AND THE PARTICIPATION OF AFFECTED LOCALITIES IN DECISIONS ABOUT THE USE OF SITES. A MORATORIUM IS HEREBY IMPOSED AS PROVIDED IN THIS SUBDIVISION ON DEVELOPMENT WITHIN THE AREA OF EACH SITE AND BUFFER AREA PROPOSED BY A COUNTY. PENDING THE COUNCIL'S ADOPTION OF AN INVENTORY PURSUANT TO SECTION 473.149, SUBDIVISION 2B. FOR SITES AND BUFFER AREAS INCLUDED IN THE COUNCIL'S INVENTORY, THE MORATORIUM SHALL EXTEND UNTIL OCTOBER 1, 1983. EXCEPT THAT THE COUNCIL MAY AT ANY TIME, WITH THE APPROVAL OF THE COUNTY IN WHICH THE SITE IS LOCATED, ABROGATE THE APPLICATION OF THE MORATORIUM TO A SPECIFIC SITE OR SITES OR BUFFER AREAS. NO DEVELOPMENT SHALL BE ALLOWED TO OCCUR WITHIN THE AREA OF A SITE OR BUFFER AREA DURING THE PERIOD OF THE MORATORIUM WITHOUT THE APPROVAL OF THE COUNCIL. NO COUNTY, CITY, OR TOWN LAND USE CONTROL SHALL PERMIT DEVELOPMENT WHICH HAS NOT BEEN APPROVED BY THE COUNCIL, NOR SHALL ANY COUNTY, CITY, OR TOWN SANCTION OR APPROVE ANY SUBDIVISION, PERMIT, LICENSE, OR OTHER AUTHORIZATION WHICH WOULD ALLOW DEVELOPMENT TO OCCUR WHICH HAS NOT BEEN APPROVED BY THE COUNCIL. THE COUNCIL SHALL NOT APPROVE ACTIONS WHICH WOULD JEOPARDIZE THE AVAILABILITY OF A SITE FOR USE AS A SOLID WASTE FACILITY. THE COUNCIL MAY ESTABLISH GUIDELINES FOR REVIEWING REQUESTS FOR APPROVAL UNDER THIS SUBDIVISION. REQUESTS FOR

APPROVAL SHALL BE SUBMITTED IN WRITING TO THE CHAIRMAN OF THE COUNCIL AND SHALL BE DEEMED TO BE APPROVED BY THE COUNCIL UNLESS THE CHAIRMAN OTHERWISE NOTIFIES THE SUBMITTER IN WRITING WITHIN 15 DAYS.)

Sec. 58. Minnesota Statutes 1982, section 473.808, subdivision 1b, is amended to read:

Subd. 1b. [LAND DISPOSAL ABATEMENT.] By April 1, 1982, after considering the council's disposal abatement report submitted to the counties pursuant to section 473.149, subdivision 2a, each county shall submit to the council a proposal to reduce to the greatest feasible and prudent extent the need for and practice of land disposal of mixed municipal solid waste. The proposal shall address at least waste reduction, separation, and resource recovery. The proposal shall include objectives, immediately and over specified time periods, for reducing the land disposal of mixed municipal solid waste generated within the county. The proposal shall describe specific functions to be performed and activities to be undertaken by the county and cities and towns within the county to achieve the objectives and shall describe the estimated cost, proposed manner of financing, and timing of the functions and activities. The proposal shall include alternatives which could be used to achieve the objectives if the proposed functions and activities are not established. (BY JUNE 1, 1983.) Each county shall revise its master plan to include a land disposal abatement element to implement the council's land disposal abatement plan adopted under section 473.149, subdivision 2d, and shall submit the revised plan to the council for review under subdivision 2 *within nine months after the adoption of the council's abatement plan.* The proposal and master plan revision required by this subdivision shall be prepared in consultation with cities and towns within the county, particularly the cities and towns in which a solid waste disposal facility is or may be located pursuant to the county master plan.

Sec. 59. [473.806] [INVENTORY OF DISPOSAL SITES; DEVELOPMENT LIMITATIONS.]

*Subdivision 1. [COUNCIL APPROVAL REQUIRED.] In order to permit the comparative evaluation of sites and the participation of affected localities in decisions about the use of sites, a metropolitan development limitation is hereby imposed as provided in this subdivision on development within the area of each site and buffer area proposed by a county pursuant to section 473.803, subdivision 1a, pending the council's adoption of an inventory pursuant to section 473.149, subdivision 2b. For sites and buffer areas included in the council's inventory, the limitation shall extend until 90 days following the selection of sites pursuant to section 473.833, subdivision 3, except that the council may at any time, with the approval of the county in which the site is located, abrogate the application of the limitation to a spe-*

*cific site or sites or buffer areas. No development shall be allowed to occur within the area of a site or buffer area during the period of the metropolitan development limitation without the approval of the council. No county, city, or town land use control shall permit development which has not been approved by the council, nor shall any county, city, or town sanction or approve any subdivision, permit, license, or other authorization which would allow development to occur which has not been approved by the council. The council shall not approve actions which would jeopardize the availability of a site for use as a solid waste facility. The council may establish guidelines for reviewing requests for approval under this subdivision. Requests for approval shall be submitted in writing to the chairman of the council and shall be deemed to be approved by the council unless the chairman otherwise notifies the submitter in writing within 15 days.*

**Subd. 2. [ACQUISITION OF TEMPORARY DEVELOPMENT RIGHTS.]** *If pursuant to subdivision 1 the council refuses to approve development which is permitted by local development plans, land use classification, and zoning and other official controls applying to the property on February 1, 1983, the land owner may elect to have the county purchase temporary development rights to the property for the period extending from the date when the council approved the site which affects the property for inclusion in the metropolitan inventory of sites until July 1, 1985. The election must be made within 30 days of the council's decision to refuse to approve development. The council shall provide funds, from the proceeds of the bonds issued pursuant to section 473.831, for the county to purchase the temporary development rights. The land owner's compensation shall be determined by the agreement of the owner, the county, and the council. If the parties cannot agree within 60 days of the owner's election, the county shall acquire the temporary development rights through eminent domain proceedings, and the land owner's compensation shall be the fair market value of the temporary development rights.*

**Sec. 60. Minnesota Statutes 1982, section 473.811, subdivision 1a, is amended to read:**

**Subd. 1a. [RIGHT OF ACCESS.]** *Whenever the county or county site selection authority deems it necessary to the evaluation of a waste facility for enforcement purposes or to the evaluation of a site or buffer area for inclusion in the inventory of disposal sites pursuant to section 473.149, subdivision 2b, and section 473.803, subdivision 1a, or for selection or final acquisition under section 473.833, or for the accomplishment of any other purpose under sections 473.149, 473.153, and 473.801 to 473.834, the county, county site selection authority or any member, employee, or agent thereof, when authorized by it, may enter upon any property, public or private, for the purpose of obtaining information or conducting surveys or investigations, provided that the entrance and activity is undertaken after rea-*

sonable notice and during normal business hours and provided that compensation is made for any damage to the property caused by the entrance and activity.

Sec. 61. Minnesota Statutes 1982, section 473.823, subdivision 6, is amended to read:

Subd. 6. [COUNCIL; CERTIFICATION OF NEED.] No new mixed municipal solid waste disposal facility shall be permitted in the metropolitan area without a certificate of need issued by the council indicating the council's determination that the additional disposal capacity planned for the facility is needed in the metropolitan area. The council shall amend its policy plan, adopted pursuant to section 473.149, to include standards and procedures for certifying need. The standards and procedures shall be based on the council's disposal abatement plan adopted pursuant to section 473.149, subdivision 2d, and the abatement master plans of counties adopted pursuant to section 473.803, subdivision 1b. The council shall certify need only to the extent that there are no feasible and prudent alternatives to the disposal facility, including waste reduction, source separation and resource recovery which would minimize adverse impact upon natural resources. Alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of alternatives. *In its certification the council shall not consider alternatives which have been eliminated from consideration by the adoption of the inventory pursuant to section 473.149, subdivision 2b, or the selection of sites under section 473.833, subdivision 3.*

Sec. 62. Minnesota Statutes 1982, section 473.831, is amended to read:

473.831 [DEBT OBLIGATIONS; SOLID WASTE DISPOSAL.]

Subdivision 1. [GENERAL OBLIGATION BONDS.] The council may by resolution authorize the issuance of general obligation bonds of the council to provide funds for the environmental analysis and acquisition of *permanent or temporary right, title, or interest in real property, including easements and development rights, for sites and surrounding buffer areas for (DEVELOPMENT AS) solid waste disposal facilities pursuant to this section and section 473.833 and to provide funds for refunding obligations issued under this section.* The bonds shall be sold, issued, and secured in the manner provided in chapter 475 for general obligation bonds, and the council shall have the same power and duties as a municipality and its governing body in issuing bonds under chapter 475, except as otherwise provided in this chapter. No election shall be required, and the net debt limitations in chapter 475 shall not apply. The council shall have the power to levy ad valorem taxes for debt service of the

council's solid waste bonds upon all taxable property within the metropolitan area, without limitation of rate or amount and without affecting the amount or rate of taxes which may be levied by the council for other purposes or by any local government unit in the area. Each of the county auditors shall annually assess and extend upon the tax rolls in his county the portion of the taxes levied by the council in each year which is certified to him by the council. The principal amount of bonds issued pursuant to this section shall not exceed \$15,000,000.

Subd. 2. [USE OF PROCEEDS.] The proceeds of bonds issued under subdivision 1 shall be used (PURSUANT TO SECTION 473.833,) by the council, for the purposes provided in subdivision 1 and to make grants to metropolitan counties to pay the cost of the *environmental review of sites, the acquisition of development rights for all or part of the period that the development limitation imposed by section 473.806 is in effect, and the acquisition of all property or interests in property for solid waste disposal sites and surrounding buffer areas required to be acquired by the county, pursuant to section 473.833, by the council's policy plan and development schedule adopted pursuant to section 473.149, subdivision 2e.* If the council is required by law or regulation to prepare environmental analyses on one or more solid waste disposal sites and surrounding buffer areas, the council may use the proceeds of the bonds issued under subdivision 1 to contract for consultant services in the preparation of such analyses only upon a finding that equivalent expertise is not available among its own staff.

Sec. 63. Minnesota Statutes 1982, section 473.833, subdivision 2a, is amended to read:

Subd. 2a. [ENVIRONMENTAL (ANALYSIS) IMPACT STATEMENT.] (BY JANUARY 1, 1983,) Each metropolitan county shall complete an (ANALYSIS COMPARING) *environmental impact statement on the environmental effects of (SOLID WASTE DISPOSAL FACILITIES AT THE SITES IN THE COUNTY WHICH ARE INCLUDED IN THE METROPOLITAN INVENTORY OF SOLID WASTE DISPOSAL SITES ADOPTED BY THE METROPOLITAN COUNCIL PURSUANT TO SECTION 473.149, SUBDIVISION 2B) the decision required by subdivision 3.* The (ANALYSIS) statement shall be (IN DETAIL SUFFICIENT, IN THE JUDGMENT OF THE COUNTY BOARD, TO INFORM ADEQUATELY THE COUNTY SITE SELECTION AUTHORITY ESTABLISHED UNDER SUBDIVISION 3 OF THE ENVIRONMENTAL EFFECTS OF FACILITIES AT SITES WITHIN THE COUNTY AND TO ASSURE THAT FACILITIES AT THE SITES CAN REASONABLY BE EXPECTED TO QUALIFY FOR PERMITS IN ACCORDANCE WITH THE RULES OF THE AGENCY) *prepared and reviewed in accordance with chapter 116D and the rules issued pursuant thereto, except as otherwise required by section 473.149 and this section. The determination of adequacy*

*must be made within one year following the council's adoption of the facilities development schedule pursuant to section 473.149, subdivision 2e. The statement must be consistent with the establishment of facilities in accordance with the requirements of the council's development schedule, must not address or reconsider alternatives eliminated from consideration under sections 473.149, 473.803, subdivisions 1, 1a, and 1b, and this section, and must not address matters to be determined by the council under section 473.823, subdivision 6. The statement must address matters respecting permitting under section 473.823 only to the extent deemed necessary for the siting decision required by subdivision 3 of this section. The pollution control agency and the council shall assist and advise counties in the scoping decision and the preparation notice.*

Sec. 64. Minnesota Statutes 1982, section 473.833, is amended by adding a subdivision to read:

*Subd. 2b. [AGENCIES; COUNCIL; REPORT ON PERMIT CONDITIONS AND APPLICATION REQUIREMENTS.] Within 30 days following the county's determination of adequacy under subdivision 2a, the chief executive officer of the metropolitan council and each permitting state agency shall issue to the county reports on permit conditions and permit application requirements at each site in the county. The reports must indicate, to the extent possible based on existing information, the probable terms, conditions, and requirements of permits and the probable supplementary documentation and environmental review that will be required for permit applications pursuant to chapter 116 and section 473.823. A report may recommend that a site should be dropped from consideration because of information in the environmental impact statement showing that the site is environmentally unsuitable for land disposal and unlikely to qualify for permits. The reports must be consistent with the establishment of facilities in accordance with the requirements of the council's development schedule adopted under section 473.149, subdivision 2e, must not address or reconsider alternatives eliminated from consideration under sections 473.149, 473.803, subdivisions 1, 1a, and 1b, and this section, and must not address matters to be determined by the council under section 473.823, subdivision 6.*

Sec. 65. Minnesota Statutes 1982, section 473.833, subdivision 3, is amended to read:

*Subd. 3. [COUNTY SITE SELECTION AUTHORITIES.] Each metropolitan county shall establish a site selection authority. (BY JUNE 1, 1983) Within 90 days following the county's determination of adequacy under subdivision 2a, each site selection authority shall select specific sites within the county from the council's disposal site inventory, in accordance with the procedures established by the council under section 473.149, subdivision 2e, and in a number and capacity equal to that required*

by the council to be acquired by the county. Each site selection authority shall be composed of the county board, plus one member appointed by the governing body of each city or town within the county containing a site in the council's disposal site inventory or the majority of the land contained within such a site. If the number of members on the site selection authority who reside in a city or town containing all or part of a site or buffer area is equal to or greater than the number of members who do not, the chairman of the county board shall appoint to the authority an additional member or members, residing within the county but not within a city or town containing all or part of a site or buffer area, sufficient to assure a majority of one on the authority of members residing in cities and towns not containing all or any part of a site or buffer area. The chairman of the county board shall be the chairman of the site selection authority. If a site selection authority has not selected the requisite number *and capacity* of sites in accordance with the council's standards, criteria, and procedures (BY JUNE 1, 1983) *within the time allowed by this subdivision*, the council shall make the selection.

Sec. 66. Minnesota Statutes 1982, section 473.333, subdivision 7, is amended to read:

Subd. 7. [FAILURE OF COUNTIES TO ACQUIRE; REPORT TO LEGISLATURE.] If any county fails to identify property for acquisition or (IF ANY COUNTY REFUSES) to proceed with *environmental analysis and acquisition*, as required by this section and the council's disposal facility development schedule adopted pursuant to section 473.149, subdivision 2e, the council shall prepare and recommend (TO THE LEGISLATURE, NO LATER THAN JANUARY 1, 1984,) legislation to transfer solid waste management authority and responsibility in the metropolitan area from the counties to the waste control commission or a new metropolitan commission established for that purpose.

Sec. 67. [SLUDGE INCINERATION.]

*The metropolitan waste control commission established by section 473.503 may not acquire or expand additional incineration facilities, or plan or undertake studies for such acquisition and expansion, until the report required by section 56 is submitted.*

Sec. 68. [COUNTY FINANCING OF FACILITIES.]

*The counties of Washington and Ramsey, separately or jointly, may, by resolution, authorize the issuance of bonds or other obligations, including initial obligations in an amount not to exceed an aggregate amount of \$4,000,000 issued to finance solely preliminary costs such as site acquisition and preparations*

and legal, engineering, financial, and planning services, to provide funds to acquire or better solid waste and related facilities, including transmission facilities and property or property rights for a solid waste or related facility, or to refund any outstanding obligations issued for that purpose.

Any later formation of a solid waste management district under Minnesota Statutes, chapter 115A, or contemplated sale or lease of any of the facilities or their work product to a private person, after the county or solid waste management district has incurred the costs of the facilities or work product, shall not restrict or limit the use of the proceeds of the bonds or other obligations.

The county may pledge to the payment of the obligations and the interest on them,

- (a) its full faith, credit, and taxing powers;
- (b) the proceeds of any designated tax levies;
- (c) the gross or net revenues or charges to be derived from any facility operated by or for the county;
- (d) the proceeds of any anticipating refunding obligations, state or federal loan or grant, or any sale of the facilities or their work product;
- (e) any other funds of the county; or
- (f) Any combination of the foregoing.

Taxes levied for the payment of the obligations and interest shall not reduce the amounts of other taxes which the county is authorized by law to levy.

The proceeds of the bonds may be used in part to establish a reserve as further security for the payment of the principal and interest when due and to pay the cost of interest accruing on the obligations before six months after the date the facilities are first placed in service.

Revenue bonds issued pursuant to this section may be sold at public or private sale upon the conditions the county board shall determine, but any bonds to which the full faith and credit and taxing powers of the county are pledged shall be sold in accordance with Minnesota Statutes, chapter 475. No election shall be required to authorize the issuance of the obligations, and the debt limitations of chapter 475 or other law shall not apply to the obligations. The obligations may mature at a time or times, and in amounts, as the county board determines.

*The county may covenant to refund, to the extent necessary, any temporary obligations with a term of no more than four years, in which event the tax which would otherwise be required by section 475.61, subdivision 1, need not be required. The interest rate on temporary obligations may be fixed at the time of sale or be adjusted from time to time based on an index related to the cost of borrowing, and the price at which the temporary obligations may be sold may be at any amount determined most favorable by the county board, but the resulting composite interest rate may not exceed the rate permitted under section 475.55.*

*Except as provided in this section, the obligations shall be issued and sold in accordance with chapter 475.*

#### Sec. 69. [DISTRICT FORMATION.]

*Notwithstanding any contrary provisions of Minnesota Statutes, section 115A.63, subdivision 3, or other law, Ramsey and Washington counties, before establishing a waste management district solely within their boundaries, need not demonstrate that they are unable to fulfill the purposes of a district through joint action under Minnesota Statutes, section 471.59.*

#### Sec. 70. [POWERS ADDITIONAL AND SUPPLEMENTAL.]

*The powers conferred by sections 68 and 69 are in addition and supplemental to the powers conferred by any other law or charter. Insofar as any other law or charter is inconsistent with sections 68 and 69, the provisions of sections 68 and 69 control as to facilities authorized under those sections.*

Sec. 71. Laws 1980, chapter 449, section 3, is amended to read:

Sec. 3. May 20, 1988

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 695, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 695 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [144A.071] [MORATORIUM ON CERTIFICATION OF NURSING HOME BEDS.]

*Subdivision 1. [FINDINGS.] The legislature finds that medical assistance expenditures are increasing at a much faster rate than the state's ability to pay them; that reimbursement for nursing home care and ancillary services comprises over half of medical assistance costs, and, therefore, controlling expenditures for nursing home care is essential to prudent management of the state's budget; that construction of new nursing homes, the addition of more nursing home beds to the state's long-term care resources, and increased conversion of beds to skilled nursing facility bed status inhibits the ability to control expenditures; that Minnesota already leads the nation in nursing home expenditures per capita, has the fifth highest number of beds per capita elderly, and that private paying individuals and medical assistance recipients have equivalent access to nursing home care; and that in the absence of a moratorium the increased numbers of nursing homes and nursing home beds will consume resources that would otherwise be available to develop a comprehensive long-term care system that includes a continuum of care. Unless action is taken, this expansion of bed capacity and changes of beds to a higher classification of care are likely to accelerate with the repeal of the certificate of need program effective March 15, 1984. The legislature also finds that Minnesota's dependence on institutional care for elderly persons is due in part to the dearth of alternative services in the home and community.*

*The legislature declares that a moratorium on medical assistance certification of new nursing home beds and on changes in certification to a higher level of care is necessary to control nursing home expenditure growth and enable the state to meet the needs of its elderly by providing high quality services in the most appropriate manner along a continuum of care.*

*Subd. 2. [MORATORIUM.] Notwithstanding the provisions of the Certificate of Need Act, sections 145.832 to 145.845, or any other law to the contrary, the commissioner of health, in coordination with the commissioner of public welfare, shall deny each request by a nursing home or boarding care home, except an intermediate care facility for the mentally retarded, for addi-*

tion of new certified beds or for a change or changes in the certification status of existing beds except as provided in subdivision 3. The total number of certified beds in the state in the skilled level and in the intermediate levels of care shall remain at or decrease from the number of beds certified at each level of care on the effective date of this section, except as allowed under subdivision 3. "Certified bed" means a nursing home bed or a boarding care bed certified by the commissioner of health for the purposes of the medical assistance program, under United States Code, title 42, sections 1396 et seq.

The commissioner of public welfare, in coordination with the commissioner of health, shall deny any request to issue a license under sections 245.781 to 245.812 and 252.28 to a nursing home or boarding care home, if that license would result in an increase in the medical assistance reimbursement amount.

*Subd. 3. [EXCEPTIONS.]* The commissioner of health, in coordination with the commissioner of welfare, may approve the addition of a new certified bed or change in the certification status of an existing bed under the following conditions:

(a) To replace a bed decertified after the effective date of this section or to address an extreme hardship situation, in a particular county that, together with all contiguous Minnesota counties, has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, the national average of nursing home beds shall be the most recent figure that can be supplied by the federal health care financing administration and the number of elderly in the county or the nation shall be determined by the most recent federal census or the most recent estimate of the state demographer as of July 1, of each year of persons age 65 and older, whichever is the most recent at the time of the request for replacement. In allowing replacement of a decertified bed, the commissioners shall ensure that the number of added or recertified beds does not exceed the total number of decertified beds in the state in that level of care. An extreme hardship situation can only be found after the county documents the existence of unmet medical needs that cannot be addressed by any other alternatives;

(b) To certify a new bed in a facility that commenced construction before the effective date of this section. For the purposes of this section, "commenced construction" means that all of the following conditions were met: the final working drawings and specifications were approved by the commissioner of health; the construction contracts were let; a timely construction schedule was developed, stipulating dates for beginning, achieving various stages, and completing construction; and all zoning and building permits were secured;

(c) To certify beds in a new nursing home that is needed in order to meet the special dietary needs of its residents, if: the nursing home proves to the commissioner's satisfaction that the needs of its residents cannot otherwise be met; elements of the special diet are not available through most food distributors; and proper preparation of the special diet requires incurring various operating expenses, including extra food preparation or serving items, not incurred to a similar extent by most nursing homes; or

(d) When the change in certification status results in a decrease in the reimbursement amount.

Subd. 4. [MONITORING.] The commissioner of health, in coordination with the commissioner of public welfare, shall implement mechanisms to monitor and analyze the effect of the moratorium in the different geographic areas of the state. The commissioner of health shall submit to the legislature, no later than January 15, 1984, and annually thereafter, an assessment of the impact of the moratorium by geographic area, with particular attention to service deficits or problems and a corrective action plan.

Subd. 5. [REPORT.] The commissioner of energy, planning, and development, in consultation with the commissioners of health and public welfare, shall report to the senate health and human services committee and the house health and welfare committee by January 15, 1986 and biennially thereafter regarding:

projections on the number of elderly Minnesota residents including medical assistance recipients;

the number of residents most at risk for nursing home placement;

the needs for long term care and alternative home and non-institutional services;

availability of and access to alternative services by geographic region; and

the necessity or desirability of continuing, modifying, or repealing the moratorium in relation to the availability and development of the continuum of long term care services.

Sec. 2. Minnesota Statutes 1982, section 144A.10, subdivision 4, is amended to read:

Subd. 4. [CORRECTION ORDERS.] Whenever a duly authorized representative of the commissioner of health finds upon inspection of a nursing home, that the facility or a controlling person or an employee of the facility is not in compliance

with sections 144.651, 144A.01 to 144A.17, or 626.557 or the rules promulgated thereunder, a correction order shall be issued to the facility. The correction order shall state the deficiency, cite the specific rule or statute violated, state the suggested method of correction, and specify the time allowed for correction. (THE COMMISSIONER OF HEALTH BY RULE SHALL ESTABLISH A SCHEDULE OF ALLOWABLE TIME PERIODS FOR CORRECTION OF NURSING HOME DEFICIENCIES.) If the commissioner finds that the nursing home had uncorrected violations and that two or more of the uncorrected violations create a risk to resident care, safety, or rights, the commissioner shall notify the commissioner of public welfare who shall review reimbursement to the nursing home to determine the extent to which the state has paid for substandard care.

Sec. 3. Minnesota Statutes 1982, section 144A.10, subdivision 6, is amended to read:

Subd. 6. [FINES.] A nursing home which is issued a notice of noncompliance with a correction order shall be assessed a civil fine in accordance with a schedule of fines (PROMULGATED BY RULE OF) established by the commissioner of health before December 1, 1983. In establishing the schedule of fines, the commissioner shall consider the potential for harm presented to any resident as a result of noncompliance with each statute or rule. The fine shall be assessed for each day the facility remains in noncompliance and until a notice of correction is received by the commissioner of health in accordance with subdivision 7. No fine for a specific violation may exceed (\$250) \$500 per day of noncompliance.

Sec. 4. Minnesota Statutes 1982, section 144A.10, is amended by adding a subdivision to read:

Subd. 6a. [SCHEDULE OF FINES.] The commissioner of health shall propose for adoption the schedule of fines by publishing it in the state register and allowing a period of 60 days from the publication date for interested persons to submit written comments on the schedule. Within 60 days after the close of the comment period, and after considering any comments received, the commissioner shall adopt the schedule in final form.

The schedule of fines is exempt from the definition of "rule" in section 14.02, subdivision 4, and has the force and effect of law upon compliance with section 14.38, subdivision 7. The effective date of the schedule of fines is five days after publication, as provided in section 14.38, subdivision 8. The provisions of any rule establishing a schedule of fines for noncompliance with correction orders issued to nursing homes remain effective with respect to nursing homes until repealed, modified, or super-

seded by the schedule established in accordance with this subdivision.

Sec. 5. [144A.31] [INTERAGENCY BOARD FOR QUALITY ASSURANCE.]

*Subdivision 1. [INTERAGENCY BOARD.] The commissioners of health and public welfare shall establish, by July 1, 1983, an interagency board of employees of their respective departments who are knowledgeable and employed in the areas of long term care, geriatric care, long term care facility inspection, or quality of care assurance. The number of interagency board members shall not exceed seven; three members each to represent the commissioners of health and public welfare and one member to represent the commissioner of public safety in the enforcement of fire and safety standards in nursing homes. The commissioner of public welfare or a designee shall chair and convene the board. The board may utilize the expertise and time of other individuals employed by either department as needed. The board may recommend that the commissioners contract for services as needed. The board shall meet as often as necessary to accomplish its duties, but at least monthly. The board shall establish procedures, including public hearings, for allowing regular opportunities for input from residents, nursing homes, and other interested persons.*

*Subd. 2. [INSPECTIONS.] No later than January 1, 1984, the board shall develop and recommend implementation and enforcement of an effective system to ensure quality of care in each nursing home in the state. Quality of care includes evaluating, using the resident's care plan, whether the resident's ability to function is optimized and should not be measured solely by the number or amount of services provided.*

*The board shall assist the commissioner of health in ensuring that inspections and reinspections of nursing homes are conducted with a frequency and in a manner calculated to most effectively and appropriately fulfill its quality assurance responsibilities and achieve the greatest benefit to nursing home residents. The commissioner of health shall require a higher frequency and extent of inspections with respect to those nursing homes that present the most serious concerns with respect to resident health, treatment, comfort, safety, and well-being. These concerns include but are not limited to: complaints about care, safety, or rights; situations where previous inspections or reinspections have resulted in correction orders related to care, safety, or rights; instances of frequent change in administration in excess of normal turnover rates; and situations where persons involved in ownership or administration of the nursing home have been convicted of engaging in criminal activity. A nursing home that presents none of these concerns or any other concern or condition established by the board that poses a risk to resident care, safety, or rights shall be inspected once every two years*

for compliance with key requirements as determined by the board.

The board shall develop and recommend to the commissioners mechanisms beyond the inspection process to protect resident care, safety, and rights, including but not limited to coordination with the office of health facility complaints and the nursing home ombudsman program.

**Subd. 3. [METHODS FOR DETERMINING RESIDENT CARE NEEDS.]** The board shall develop and recommend to the commissioners definitions for levels of care and methods for determining resident care needs for implementation on July 1, 1985 in order to adjust payments for resident care based on the mix of resident needs in a nursing home. The methods for determining resident care needs shall include assessments of ability to perform activities of daily living and assessments of medical and therapeutic needs.

**Subd. 4. [ENFORCEMENT.]** The board shall develop and recommend for implementation effective methods of enforcing quality of care standards. When it deems necessary, and when all other methods of enforcement are not appropriate, the board shall recommend to the commissioner of health closure of all or part of a nursing home and revocation of the license. The board shall develop, and the commissioner of public welfare shall implement, a resident relocation plan that instructs the county in which the nursing home is located of procedures to ensure that the needs of residents in nursing homes about to be closed are met. The county shall ensure placement in swing beds in hospitals, placement in unoccupied beds in other nursing homes, utilization of home health care on a temporary basis, foster care placement, or other appropriate alternative care. In preparing for relocation, the board shall ensure that residents and their families or guardians are involved in planning the relocation.

**Subd. 5. [REPORTS.]** The board shall prepare a report and the commissioners of health and public welfare shall deliver this report to the legislature no later than January 15, 1984, on the board's proposals and progress on implementation of the methods required under subdivisions 2, 3, and 4. The commissioners shall recommend changes in or additions to legislation necessary or desirable to fulfill their responsibilities. The board shall prepare an annual report and the commissioners shall deliver this report annually to the legislature, beginning in January, 1985, on the implementation and enforcement of the provisions of this section.

**Subd. 6. [DATA.]** The interagency board may have access to data from the commissioners of health, public welfare, and public safety for carrying out its duties under this section. The commissioner of health and the commissioner of public welfare

*may each have access to data on persons, including data on vendors of services, from the other to carry out the purposes of this section. If the interagency board, the commissioner of health, or the commissioner of public welfare receives data on persons, including data on vendors of services, that is collected, maintained, used or disseminated in an investigation, authorized by statute and relating to enforcement of rules or law, the board or the commissioner shall not disclose that information except:*

(a) Pursuant to section 13.05;

(b) Pursuant to statute or valid court order; or

(c) To a party named in a civil or criminal proceeding, administrative or judicial, for preparation of defense.

*Data described in this subdivision is classified as public data upon its submission to a hearing examiner or court in an administrative or judicial proceeding.*

Sec. 6. Minnesota Statutes 1982, section 256B.091, subdivision 1, is amended to read:

Subdivision 1. [PURPOSE.] It is the purpose of this section to prevent inappropriate nursing home or boarding care home placement by establishing a program of preadmission screening teams for all medical assistance recipients and any individual who would become eligible for medical assistance within (90) 180 days of admission to a licensed nursing home or boarding care home participating in the program. Further, it is the purpose of this section and the program to gain further information about how to contain costs associated with inappropriate nursing home or boarding care home admissions. The commissioners of public welfare and health shall seek to maximize use of available federal and state funds and established the broadest program possible within the appropriation available. (THE COMMISSIONER OF PUBLIC WELFARE SHALL PROMULGATE TEMPORARY RULES IN ORDER TO IMPLEMENT THIS SECTION BY SEPTEMBER 1, 1980.)

Sec. 7. Minnesota Statutes 1982, section 256B.091, subdivision 2, is amended to read:

Subd. 2. [SCREENING TEAMS; ESTABLISHMENT.] Each county agency designated by the commissioner of public welfare to participate in the program shall contract with the local board of health organized under section 145.911 to 145.922 or other public or non-profit agency to establish a screening team to assess, prior to admission to a nursing home or a boarding care home licensed under section 144A.02 or sections 144.50 to 144.56, that is certified for medical assistance as a skilled nursing facility, intermediate care facility level I, or interme-

*diate care facility level II, the health and social needs of medical assistance recipients and individuals who would become eligible for medical assistance within (90) 180 days of nursing home or boarding care home admission. Each local screening team shall be composed of a public health nurse from the local public health nursing service and a social worker from the local community welfare agency. Each screening team shall have a physician available for consultation and shall utilize individuals' attending physicians' physical assessment forms, if any, in assessing needs. The individual's physician shall be included on the screening team if the physician chooses to participate. If the individual is being discharged from an acute care facility, a discharge planner from that facility may be present, at the facility's request, during the screening team's assessment of the individual and may participate in discussions but not in making the screening team's recommendations under subdivision 3, clause (e). If the assessment procedure or screening team recommendation results in a delay of the individual's discharge from the acute care facility, the facility shall not be denied medical assistance reimbursement or incur any other financial or regulatory penalty of the medical assistance program that would otherwise be caused by the individual's extended length of stay; 50 percent of the cost of this reimbursement or financial or regulatory penalty shall be paid by the state and 50 percent shall be paid by the county. Other personnel as deemed appropriate by the county agency may be included on the team. The county agency may contract with an acute care facility to have the facility's discharge planners perform the functions of a screening team with regard to individuals discharged from the facility and in those cases the discharge planners may participate in making recommendations under subdivision 3, clause (e). No member of a screening team shall have a direct or indirect financial or self-serving interest in a nursing home or non-institutional referral such that it would not be possible for the member to consider each case objectively.*

Sec. 8. Minnesota Statutes 1982, section 256B.091, subdivision 4, is amended to read:

Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home or boarding care home admission, screening teams shall assess the needs of all persons receiving medical assistance and of all persons who would be eligible for medical assistance within (90) 180 days of admission to a nursing home or boarding care home, except patients transferred from other nursing homes or patients who, having entered acute care facilities from nursing homes, are returning to nursing home care. Any other interested person may be assessed by a screening team upon payment of a fee based upon a sliding fee scale.

Sec. 9. Minnesota Statutes 1982, section 256B.091, subdivision 8, is amended to read:

Subd. 8. [ALTERNATIVE CARE GRANTS.] The commissioner shall provide grants to counties participating in the program to pay costs of providing alternative care to individuals screened under subdivision 4. Payment is available under this subdivision only for individuals (1) for whom the screening team would recommend nursing home admission if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within (90) 180 days of admission to a nursing home; and (3) who need services that are not available at that time in the county through other public assistance.

Grants may be used for payment of costs of providing services such as, but not limited to, foster care for elderly persons, day care whether or not offered through a nursing home, nutritional counseling, or medical social services, which services are provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency. The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e) (2). The plan shall include any services prescribed by the individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care that the most cost effective alternatives available have been offered to the individual. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.

*The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance. The sliding fee schedule is not subject to chapter 14 but the commissioner shall publish the schedule and any later changes in the state register and allow a period of 20 working days from the publication date for interested persons to comment before adopting the sliding fee schedule in final forms.*

The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. The commissioner shall provide grants to counties from the non-federal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. (THE STATE EXPENDITURES FOR THIS SECTION SHALL NOT EXCEED \$1,800,000 FOR THE BIENNIUM ENDING JUNE 30, 1983.) A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs

and shall not use grant money to establish new programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of nursing home care that the recipient would receive if placed in a nursing home. The non-federal share may be used to pay up to 90 percent of the start-up and service delivery costs of providing care under this subdivision. Each county agency that receives a grant shall pay 10 percent of the costs.

The commissioner shall promulgate temporary rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting of care delivered.

Sec. 10. Minnesota Statutes 1982, section 256B.41, is amended to read:

256B.41 [INTENT.]

Subdivision 1. [AUTHORITY.] The (STATE AGENCY) commissioner shall (BY RULE) establish (A FORMULA), *by rule, procedures* for (ESTABLISHING PAYMENT) *determining rates for care of residents of nursing homes which qualify as vendors of medical assistance, and for implementing the provisions of sections 256B.41, 256B.47, 256B.48, and sections 11, 12, 15, and 16. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated nursing homes and shall specify the costs that are allowable for establishing payment rates through medical assistance.*

Subd. 2. [FEDERAL REQUIREMENTS.] (IT IS THE INTENT OF THE LEGISLATURE TO ESTABLISH CERTAIN LIMITATIONS ON THE STATE AGENCY IN SETTING STANDARDS FOR NURSING HOME RATE SETTING FOR THE CARE OF RECIPIENTS OF MEDICAL ASSISTANCE PURSUANT TO THIS CHAPTER. IT IS NOT THE INTENT OF THE LEGISLATURE TO REPEAL OR CHANGE ANY EXISTING OR FUTURE RULE PROMULGATED BY THE STATE AGENCY RELATING TO THE SETTING OF RATES FOR NURSING HOMES UNLESS THE RULE IS CLEARLY IN CONFLICT WITH SECTIONS 256B.41 TO 256B.48.) If any provision of sections 256B.41 (TO), 256B.47, and 256B.48 and sections 11, 12, 15, and 16, is determined by the United States government to be in conflict with existing or future requirements of the United States government with respect to federal participation in medical assistance, the federal requirements shall prevail.

Sec. 11. [256B.421] [DEFINITIONS.]

*Subdivision 1. [SCOPE.] For the purposes of sections 256B.41, 256B.47, 256B.48, and sections 11, 12, 15, and 16, the following terms and phrases shall have the meaning given to them.*

Central or home office costs representing services of required consultants in areas including, but not limited to, dietary, pharmacy, social services, or activities may be allocated to the appropriate department, but only if those costs are directly identified by the nursing home.*

*Subd. 6. [HISTORICAL OPERATING COSTS.] "Historical operating costs" means the allowable operating costs incurred by the facility during the reporting year immediately preceding the rate year for which the payment rate becomes effective, after the commissioner has reviewed those costs and determined them to be allowable costs under the medical assistance program, and after the commissioner has applied appropriate limitations such as the limit on administrative costs.*

Subd. 7. [NURSING HOME.] "Nursing home" means a facility licensed under chapter 144A or a boarding care facility licensed under sections 144.50 to 144.56.

Sec. 12. [256B.431] [RATE DETERMINATION.]

Subdivision 1. [IN GENERAL.] The commissioner shall determine prospective payment rates for resident care costs. In determining the rates, the commissioner shall group nursing homes according to different levels of care and geographic location until July 1, 1985, and after that date, mix of resident needs,

and geographic location, as defined by the commissioner. The commissioner shall consider the use of the standard metropolitan statistical areas when developing groups by geographic location. Until groups are established according to mix of resident needs, the commissioner shall group all convalescent and nursing care units attached to hospitals into one group for purposes of determining reimbursement for operating costs. On or before June 15, 1983, the commissioner shall mail notices to each nursing home of the rates to be effective from July 1 of that year to June 30 of the following year. In subsequent years, the commissioner shall provide notice to each nursing home on or before May 1 of the rates effective for the following rate year. If a statute enacted after May 1 affects the rates, the commissioner shall provide a revised notice to each nursing home as soon as possible.

The commissioner shall establish, by rule, limitations on compensation recognized in the historical base for top management personnel. The commissioner shall also establish, by rule, limitations on allowable nursing hours for each level of care for the rate years beginning July 1, 1983 and July 1, 1984.

Subd. 2. [OPERATING COSTS.] (a) The commissioner shall establish, by rule, procedures for determining per diem reimbursement for operating costs based on actual resident days. The commissioner shall disallow any portion of the general and administration cost category, exclusive of fringe benefits and payroll taxes, that exceeds

10 percent for nursing homes with more than 100 certified beds in total,

12 percent for nursing homes with fewer than 101 but more than 40 certified beds in total,

14 percent for nursing homes with 40 or fewer certified beds in total, and

15 percent for convalescent and nursing care units attached to hospitals for the rate year beginning July 1, 1983, of the expenditures in all operating cost categories except fringe benefits, payroll taxes, and general and administration.

(b) For the rate year beginning July 1, 1983, and ending June 30, 1984, the prospective operating cost payment rate for each nursing home shall be determined by the commissioner based on the allowed historical operating costs as reported in the most recent cost report received by December 31, 1982 and audited by March 1, 1983, and may be subsequently adjusted to reflect the costs allowed. To determine the allowed historical oper-

ating cost, the commissioner shall update the historical per diem shown in those cost reports to June 30, 1983, using a nine percent annual rate of increase after applying the general and administrative cost limitation described in paragraph (a). The commissioner shall calculate the 60th percentile of actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1.

(1) Within each group, each nursing home whose actual allowable historical operating cost per diem as determined under this paragraph (b) is above the 60th percentile shall receive the 60th percentile increased by six percent plus 80 percent of the difference between its actual allowable operating cost per diem and the 60th percentile.

(2) Within each group, each nursing home whose actual allowable historical operating cost per diem is at or below the 60th percentile shall receive that actual allowable historical operating cost per diem increased by six percent.

For the rate year beginning July 1, 1984, and ending June 30, 1985, the prospective operating cost payment rate for each nursing home shall be determined by the commissioner based on actual allowable historical operating costs incurred during the reporting year preceding the rate year. The commissioner shall analyze and evaluate each nursing home's report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year. The actual allowable historical operating costs, after the commissioner's analysis and evaluation, shall be added together and divided by the number of actual resident days to compute the actual allowable historical operating cost per diem. The commissioner shall calculate the 60th percentile of actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1.

(3) Within each group, each nursing home whose actual allowable historical operating cost per diem is above the 60th percentile of payment rates shall receive the 60th percentile increased at an annual rate of six percent plus 75 percent of the difference between its actual allowable historical operating cost per diem and the 60th percentile.

(4) Within each group, each nursing home whose actual allowable historical operating cost per diem is at or below the 60th percentile shall receive that actual allowable historical operating cost per diem increased at an annual rate of six percent.

(c) For subsequent years, the commissioner shall:

(1) Contract with an econometric firm with recognized expertise in and access to national economic change indices that can be applied to the appropriate cost categories when determining the operating cost payment rate;

(2) Establish the 60th percentile of actual allowable historical operating cost per diems for each group of nursing homes established under subdivision 1 based on cost reports of allowable operating costs in the previous reporting year. The commissioner shall analyze and evaluate each nursing home's report of allowable operating costs incurred by the nursing home during the reporting year immediately preceding the rate year for which the payment rate becomes effective. The allowable historical operating costs, after the commissioner's analysis and evaluation, shall be added together and divided by the actual number of resident days in order to compute the actual allowable historical operating cost per diem;

(3) Establish a composite index for each group by determining the weighted average of all economic change indicators applied to the operating cost categories in that group.

(4) Within each group, each nursing home shall receive the 60th percentile increased by the composite index calculated in paragraph (c)(3). The historical base for determining the prospective payment rate shall not exceed the operating cost payment rates during that reporting year.

The commissioner shall include the reported actual real estate tax liability of each proprietary nursing home as an operating cost of that nursing home. The commissioner shall include a reported actual special assessment for each nursing home as an operating cost of that nursing home. Total real estate tax liability and actual special assessments paid for each nursing home (i) shall be divided by actual resident days in order to compute the operating cost payment rate for this operating cost category, but (ii) shall not be used to compute the 60th percentile.

(d) The commissioner shall allow the nursing home to keep, as an efficiency incentive, the difference between the nursing home's operating cost payment rate established for that rate year and the actual historical operating costs incurred for that rate year, if the latter amount is smaller. If a nursing home's actual historic operating costs are greater than the prospective payment rate for that rate year, there shall be no retroactive cost settle-up. If an annual cost report or field audit indicates that the expenditures for direct resident care have been reduced in amounts large enough to indicate a possible detrimental effect on the quality of care, the commissioner shall notify the commissioner of health and the interagency board for quality assurance. If a field audit reveals that unallowable expenditures have been included in the nursing home's historical operating costs,

*the commissioner shall disallow the expenditures and recover the entire overpayment. The commissioner shall establish, by rule, procedures for assessing an interest charge at the rate determined for unpaid taxes or penalties under section 270.75 on any outstanding balance resulting from an overpayment or underpayment.*

*(e) The commissioner may negotiate, with a nursing home that is eligible to receive medical assistance payments, a payment rate of up to 125 percent of the allowed payment rate to be paid for a period of up to three months for individuals who have been hospitalized for more than 100 days, who have extensive care needs based on nursing hours actually provided or mental or physical disability, or need for respite care for a specified and limited time period, and based on an assessment of the nursing home's resident mix as determined by the commissioner of health. The payment rate negotiated and paid pursuant to this paragraph is specifically exempt from the definition of "rule" and the rule-making procedures required by chapter 14 and section 16.*

*(f) Until groups are established according to mix of resident care needs, nursing homes licensed on June 1, 1983 by the commissioner to provide residential services for the physically handicapped and nursing homes that have an average length of stay of less than 180 days shall not be included in the calculation of the 60th percentile of any group. For rate year beginning July 1, 1983 and July 1, 1984, each of these nursing homes shall receive their actual allowed historical operating cost per diem increased by six percent. The commissioner shall also apply to these nursing homes the percentage limitation on the general and administrative cost category as provided in subdivision 2, paragraph (a).*

*Subd. 3. [PROPERTY-RELATED COSTS.] For rate years beginning July 1, 1983 and July 1, 1984, property-related costs shall be reimbursed to each nursing home at the level recognized in the most recent cost report received by December 31, 1982 and audited by March 1, 1983, and may be subsequently adjusted to reflect the costs recognized in the final rate for that cost report, adjusted for rate limitations in effect before the effective date of this section. Property-related costs include: depreciation, interest, earnings or investment allowance, lease, or rental payments. No adjustments shall be made as a result of sales or reorganizations of provider entities.*

*Adjustments for the cost of repairs, replacements, renewals, betterments, or improvements to existing buildings, and building service equipment shall be allowed if:*

*(i) The cost incurred is reasonable, necessary, and ordinary;*

(ii) The net cost is greater than \$5,000. "Net cost" means the actual cost, minus proceeds from insurance, salvage, or disposal;

(iii) The nursing home's property-related costs per diem is equal to or less than the average property-related costs per diem within its group; and

(iv) The adjustment is shown in depreciation schedules submitted to and approved by the commissioner.

Annual per diem shall be computed by dividing total property-related costs by 96 percent of the nursing home's licensed capacity days for nursing homes with more than 60 beds and 94 percent of the nursing home's licensed capacity days for nursing homes with 60 or fewer beds. For a nursing home whose residents' average length of stay is 180 days or less, the commissioner may waive the 96 or 94 percent factor and divide the nursing home's property-related costs by the actual resident days to compute the nursing home's annual property-related per diem. The commissioner shall promulgate temporary and permanent rules to recapture excess depreciation upon sale of a nursing home.

For rate years beginning on or after July 1, 1985, the commissioner, by permanent rule, shall reimburse nursing home providers that are vendors in the medical assistance program for the rental use of their property. The "rent" is the amount of periodic payment which a renter might expect to pay for the right to the agreed use of the real estate and the depreciable equipment as it exists. "Real estate" means land improvements, buildings, and attached fixtures used directly for resident care. "Depreciable equipment" means the standard moveable resident care equipment and support service equipment generally used in long-term care facilities.

In developing the method for determining payment rates for the rental use of nursing homes, the commissioner shall consider factors designed to:

(i) simplify the administrative procedures for determining payment rates for property-related costs;

(ii) minimize discretionary or appealable decisions;

(iii) eliminate any incentives to sell nursing homes;

(iv) recognize legitimate costs of preserving and replacing property;

(v) recognize the existing costs of outstanding indebtedness allowable under the statutes and rules in effect on May 1, 1983;

(vi) address the current value of, if used directly for patient care, land improvements, buildings, attached fixtures, and equipment;

(vii) establish an investment per bed limitation;

(viii) reward efficient management of capital assets;

(ix) provide equitable treatment of facilities;

(x) consider a variable rate; and

(xi) phase in implementation of the rental reimbursement method.

No later than January 1, 1984, the commissioner shall report to the legislature on any further action necessary or desirable in order to implement the purposes and provisions of this subdivision.

Subd. 4. [SPECIAL RATES.] A newly-constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive an interim payment rate for reimbursement for property-related costs calculated pursuant to the statutes and rules in effect on May 1, 1983 and for operating costs negotiated by the commissioner based upon the 60th percentile established for the appropriate group under subdivision 2, paragraph (b) to be effective from the first day a medical assistance recipient resides in the home or for the added beds. For newly-constructed nursing homes which are not included in the calculation of the 60th percentile for any group, subdivision 2(f), the commissioner shall establish by rule procedures for determining interim operating cost payment rates and interim property-related cost payment rates. The interim payment rate shall not be in effect for more than 17 months. The commissioner shall establish, by temporary and permanent rules, procedures for determining the interim rate and for making a retroactive cost settle-up after the first year of operation; the cost settled operating cost per diem shall not exceed 110 percent of the 60th percentile established for the appropriate group. The commissioner shall establish by rule procedures for determining payment rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified.

Subd. 5. [ADJUSTMENTS.] When resolution of appeals or on-site field audits of the records of nursing homes within a group result in adjustments to the 60th percentile of the payment rates within the group in any reporting year, the 60th percentile established for the following rate year for that group shall be increased or decreased by the adjustment amount.

Sec. 13. Minnesota Statutes 1982, section 256B.47, is amended to read:

256B.47 [(RATE LIMITS) *NONALLOWABLE COSTS; NOTICE OF INCREASES TO PRIVATE PAYING RESIDENTS.*]

Subdivision 1. [NONALLOWABLE COSTS.] (THE STATE AGENCY SHALL BY RULE ESTABLISH SEPARATE OVERALL LIMITATIONS ON THE COSTS FOR ITEMS WHICH DIRECTLY RELATE TO THE PROVISION OF PATIENT CARE TO RESIDENTS OF NURSING HOMES AND THOSE WHICH DO NOT DIRECTLY RELATE TO THE PROVISION OF CARE. THE STATE AGENCY MAY ALSO BY RULE, ESTABLISH LIMITATIONS FOR SPECIFIC COST CATEGORIES WHICH DO NOT DIRECTLY RELATE TO THE PROVISION OF PATIENT CARE. THE STATE AGENCY SHALL REIMBURSE NURSING HOMES FOR THE COSTS OF NURSING CARE IN EXCESS OF ANY STATE AGENCY LIMITS ON HOURS OF NURSING CARE IF THE COMMISSIONER OF HEALTH ISSUES A CORRECTION ORDER PURSUANT TO SECTION 144A.10, SUBDIVISION 4. DIRECTING THE NURSING HOME TO PROVIDE THE ADDITIONAL NURSING CARE. ALL COSTS DETERMINED OTHERWISE ALLOWABLE SHALL BE SUBJECT TO THESE LIMITATIONS.)

(SUBD. 2.) The following costs shall not be recognized as allowable (TO THE EXTENT THAT THESE COSTS CANNOT BE DEMONSTRATED BY THE NURSING HOME TO THE STATE AGENCY TO BE DIRECTLY RELATED TO THE PROVISION OF PATIENT CARE): (1) political contributions; (2) salaries or expenses of a lobbyist, as defined in section 10A.01, subdivision 11, for lobbying activities; (3) advertising designed to encourage potential residents to select a particular nursing home; (4) assessments levied by the (HEALTH DEPARTMENT) *commissioner of health* for uncorrected violations; (5) legal and related (FEES) expenses for unsuccessful challenges to decisions by (STATE) *governmental agencies*; (6) *memberships in sports, health or similar social clubs or organizations; and (7) costs incurred for activities directly related to influencing employees with respect to unionization.* (AND (6) DUES PAID TO A NURSING HOME OR HOSPITAL ASSOCIATION. THE STATE AGENCY SHALL PROMULGATE RULES ESTABLISHING STANDARDS WHICH SHALL DISTINGUISH BETWEEN ANY PATIENT-CARE RELATED COMPONENTS AND NONPATIENT-CARE RELATED COMPONENTS OF THESE COSTS, WHERE APPLICABLE. FOR PURPOSES OF THESE RULES, THE STATE AGENCY SHALL EXERCISE EMERGENCY POWERS AND ESTABLISH EMERGENCY RULES PURSUANT TO SECTION 15.0412, SUBDIVISION 5, BEFORE SEPTEMBER 1, 1977). The (STATE AGENCY) *commissioner* shall by rule exclude the costs

of any other items (WHICH IT DETERMINES ARE) not directly related to the provision of (PATIENT) *resident* care.

(SUBD. 3. ON OR BEFORE JANUARY 1, 1977 THE STATE AGENCY SHALL BY RULE ESTABLISH A PROCEDURE AFFORDING NOTICE OF THE APPROVED RATE FOR MEDICAL ASSISTANCE RECIPIENTS TO NURSING HOMES WITHIN 120 DAYS AFTER THE CLOSE OF THE FISCAL YEAR OF THE NURSING HOME.)

Subd. (4.) 2. [NOTICE TO RESIDENTS.] No increase in nursing home rates for private paying residents shall be effective unless the nursing home notifies the resident or person responsible for payment of the increase in writing 30 days before the increase takes effect.

A nursing home may adjust its rates without giving the notice required by this subdivision when the purpose of the rate adjustment is to (: (A)) reflect a necessary change in the level of care provided to a resident (; OR (B) RETROACTIVELY OR PROSPECTIVELY EQUALIZE PRIVATE PAY RATES WITH RATES CHARGED TO MEDICAL ASSISTANCE RECIPIENTS AS REQUIRED BY SECTION 256B.48, SUBDIVISION 1, CLAUSE (A) AND APPLICABLE FEDERAL LAW.)

(SUBD. 5. THE COMMISSIONER SHALL PROMULGATE RULES NO LATER THAN AUGUST 1, 1980, TO AMEND THE CURRENT RULES GOVERNING NURSING HOME REIMBURSEMENT, IN ACCORDANCE WITH SECTIONS 14.01 TO 14.70, TO ALLOW PROVIDERS TO ALLOCATE THEIR RESOURCES IN ORDER TO PROVIDE AS MANY NURSING HOURS AS NECESSARY WITHIN THE TOTAL COST LIMITATIONS OF THE PER DIEM ALREADY GRANTED). *If the state fails to set rates as required by section 12, the time required for giving notice is decreased by the number of days by which the state was late in setting the rates.*

Sec. 14. Minnesota Statutes 1982, section 256B.48, is amended to read:

256B.48 [CONDITIONS FOR PARTICIPATION.]

Subdivision 1. [PROHIBITED PRACTICES.] (NO) A nursing home (SHALL BE) *is not* eligible to receive medical assistance payments unless it (AGREES IN WRITING THAT IT WILL REFRAIN) *refrains* from:

(a) (CHARGING NONMEDICAL ASSISTANCE RESIDENTS RATES FOR SIMILAR SERVICES WHICH EXCEED BY MORE THAN TEN PERCENT THOSE RATES WHICH ARE APPROVED BY THE STATE AGENCY FOR MEDICAL ASSISTANCE RECIPIENTS. FOR NURSING

HOMES CHARGING NONMEDICAL ASSISTANCE RESIDENTS RATES LESS THAN TEN PERCENT MORE THAN THOSE RATES WHICH ARE APPROVED BY THE STATE AGENCY FOR MEDICAL ASSISTANCE RECIPIENTS, THE MAXIMUM DIFFERENTIAL IN RATES BETWEEN NON-MEDICAL ASSISTANCE RESIDENTS AND MEDICAL ASSISTANCE RECIPIENTS SHALL NOT EXCEED THAT DIFFERENTIAL WHICH WAS IN EFFECT ON APRIL 13, 1976. IF A NURSING HOME HAS EXCEEDED THIS DIFFERENTIAL SINCE APRIL 13, 1976, IT SHALL RETURN THE AMOUNT COLLECTED IN EXCESS OF THE ALLOWABLE DIFFERENTIAL STATED BY THIS SUBDIVISION TO THE NONMEDICAL ASSISTANCE RESIDENT, OR THAT PERSON'S REPRESENTATIVE, BY JULY 1, 1977. EFFECTIVE JULY 1, 1978, NO NURSING HOME SHALL BE ELIGIBLE FOR MEDICAL ASSISTANCE IF IT CHARGES NONMEDICAL ASSISTANCE RECIPIENTS) *Charging private paying residents rates for similar services which exceed those which are approved by the state agency for medical assistance recipients (; PROVIDED, HOWEVER, THAT) as determined by the prospective desk audit rate, except under the following circumstances: the nursing home may (1) charge (NONMEDICAL ASSISTANCE) private paying residents a higher rate for a private room, and (2) charge for special services which are not included in the daily rate if medical assistance (PATIENTS) residents are charged separately at the same rate for the same services in addition to the daily rate paid by the (STATE AGENCY) commissioner. A nursing home that charges a private paying resident a rate in violation of this clause is subject to an action by the state of Minnesota or any of its subdivisions or agencies for civil damages. A private paying resident or the resident's legal representative has a cause of action for civil damages against a nursing home that charges the resident rates in violation of this clause. The damages awarded shall include three times the payments that result from the violation, together with costs and disbursements, including reasonable attorneys' fees or their equivalent. A private paying resident or the resident's legal representative, the state, subdivision or agency, or a nursing home may request a hearing to determine the allowed rate or rates at issue in the cause of action. Within 15 calendar days after receiving a request for such a hearing, the commissioner shall request assignment of a hearing examiner under sections 14.48 to 14.56 to conduct the hearing as soon as possible or according to agreement by the parties. The hearing examiner shall issue a report within 15 calendar days following the close of the hearing. The prohibition set forth in this clause shall not apply to facilities licensed as boarding care facilities which are not certified as skilled or intermediate care facilities level I or II for reimbursement through medical assistance;*

(b) Requiring an applicant for admission to the home, or the guardian or conservator of the applicant, as a condition of admission, to pay (AN ADMISSION FEE) *any fee or deposit in*

excess of \$100, loan any money to the nursing home, or promise to leave all or part of the applicant's estate to the home; (AND)

(c) Requiring any resident of the nursing home to utilize a vendor of health care services who is a licensed physician or pharmacist chosen by the nursing home;

(d) Requiring any applicant to the nursing home, or the applicant's guardian or conservator, as a condition of admission, to assure that the applicant is neither eligible for nor will seek public assistance for payment of nursing home care costs;

(e) Requiring any vendor of medical care as defined by section 256B.02, subdivision 7, who is reimbursed by medical assistance under a separate fee schedule, to pay any portion of his fee to the nursing home except as payment for renting or leasing space or equipment of the nursing home or purchasing support services, if those agreements are disclosed to the commissioner; and

(f) Refusing, for more than 24 hours, to accept a resident returning to his same bed or a bed certified for the same level of care, in accordance with a physician's order authorizing transfer, after receiving inpatient hospital services.

The prohibitions set forth in clause (b) shall not apply to a retirement home with more than 325 beds including at least 150 licensed nursing home beds and which:

(1) is owned and operated by an organization tax-exempt under section 290.05, subdivision 1, clause (i); and

(2) (AT THE TIME OF ADMISSION PLACES) accounts for all of the applicant's assets which are required to be assigned to the home (IN A TRUST ACCOUNT FROM WHICH) so that only expenses for the cost of care of the applicant may be (DEDUCTED) charged against the account; and

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 15.039, is amended to read:

15.039 [EFFECT OF TRANSFER OF POWERS AMONG AGENCIES.]

Subdivision 1. [APPLICATION OF SECTION.] The provisions of this section apply whenever the responsibilities of an agency are transferred by law to another agency unless the act directing the transfer provides otherwise. The term "responsibilities" includes powers, duties, rights, obligations, and other authority imposed by law on an agency. The term "new agency" means the agency to which responsibilities have been transferred from another agency.

Subd. 2. [IN GENERAL.] The new agency is a continuation of the former agency as to those matters within the jurisdic-

tion of the former agency (WHICH) *that* are transferred to the new agency. Following a transfer the new agency shall carry out the assigned responsibilities as though the responsibilities of the former agency had not been transferred. (NO) A transfer (CONSTITUTES) *is not* a new authority for the purpose of succession to all responsibilities of the former agency as constituted at the time of the transfer.

Subd. 3. [RULES.] All rules adopted pursuant to responsibilities (WHICH) *that* are transferred to another agency remain effective and shall be enforced *until amended or repealed in accordance with law* by the new agency. Any rulemaking authority (WHICH) *that* existed to implement the responsibilities (WHICH) *that* are transferred is transferred to the new agency.

Subd. 4. [COURT ACTIONS.] Any proceeding, court action, prosecution, or other business or matter (WHICH IS) pending on the effective date of a transfer of responsibilities may be conducted and *completed* by the new agency in the same manner *under the same terms and conditions, and with the same effect*, as though it *involved or were commenced and* conducted or *completed* by the former agency prior to the transfer.

Subd. 5. [CONTRACTS; RECORDS.] The agency whose responsibilities are transferred shall give all contracts, books, maps, plans, papers, records, and property of every description relating to the transferred responsibilities and within its jurisdiction or control to the new agency. The new agency shall accept the material presented. *The transfer shall be made in accordance with the directions of the new agency.*

Subd. 6. [UNEXPENDED FUNDS.] (ALL) *The unexpended (FUNDS ORIGINALLY APPROPRIATED) balance of any appropriation* to an agency for the purposes of any responsibilities (WHICH) *that* are transferred to another agency are reappropriated under the same conditions as the original appropriation to the new agency effective on the date of the transfer of responsibilities. If the responsibilities are transferred to more than one agency, the commissioner of finance shall allocate any unexpended appropriation to the agencies affected. *The new agencies shall pay all valid claims presented against those appropriations.*

Subd. 7. [PERSONNEL.] (THE) *All classified and unclassified* positions associated with the responsibilities being transferred are (ABOLISHED IN) *transferred with their incumbents* to the new agency (WHOSE RESPONSIBILITIES ARE TRANSFERRED). The approved (STAFF) complement for (THAT) *the agency whose responsibilities are being trans-*

*ferred* is decreased accordingly. (THE EMPLOYEES WHO FILL THE ABOLISHED POSITIONS ARE EMPLOYEES OF THE AGENCY RECEIVING THE NEW RESPONSIBILITIES.) The approved (STAFF) complement for (THAT) *the new* agency is increased accordingly. Personnel changes are effective on the date of transfer of responsibilities. *Nothing in this subdivision shall be construed as abrogating or modifying any rights now enjoyed by affected employees under the managerial or commissioner's plan under section 43A.18 or the terms of an agreement between an exclusive representative of public employees and the state or one of its appointing authorities.*

Sec. 2. Minnesota Statutes 1982, section 15.06, subdivision 1, is amended to read:

Money in the fund and its accounts shall, consistent with contracts with holders of the authority's bonds and notes or any trustee for them, financial institutions, or other interested persons, be invested in accordance with section 116J-91, subdivision 15, and the investment income from them, absent contractual provisions to the contrary, shall be added to and retained in the fund or its accounts if provided by the authority. The repayments to the authority of any direct loans made by the authority from money in the fund or its accounts shall be paid by the authority into the fund or, as provided by the authority, into an account. The authority may collect fees, initially or from time to time, or both, with respect to any direct loan it extends or any insurance or guarantee it grants. The state covenants with all holders of the authority's bonds and notes, financial institutions, and other persons interested in the disposition of money in the fund or its accounts, which money the authority has irrevocably pledged and allocated for any authorized purpose described in this subdivision, that the

state will not take any action to limit the effect of the pledge and allocation and will not take any action to limit the effect of contracts entered into as authorized in this subdivision with respect to the pledge and allocation and will not limit or alter the rights vested in the authority or the state to administer the application of money pursuant to the pledge and allocation and to perform its obligations under the contracts. The authority may include and recite this covenant of the state in any of its bonds or notes benefitting from the pledge and allocation or contracts or related documents or resolutions;

(h) to enter into contract with note and bond holders or other persons interested in the disposition of the fund; and

The commission has access to all criminal history data compiled by the bureau of criminal apprehension on class A licensees and applicants.

Subd. 4. [LICENSE ISSUANCE.] If after considering the information received at the hearing or hearings and the comments requested under subdivision 2, the commission determines that the license will not adversely affect the public health, welfare, and safety, that the racetrack will be operated in accordance with all applicable laws and rules, that the license will not create a competitive situation that will adversely affect racing and the public interest, and that the applicant is financially able to operate a licensed racetrack, it may issue a class A license to the applicant. The license is effective until revoked or suspended by the commission or relinquished by the licensee.

**Subd. 5. [PROHIBITED LOCATIONS.]** A class A license may not be issued to any location where the operation of a racetrack is prohibited by a valid local zoning ordinance. Not more than one class A license may be issued by the commission within the seven-county metropolitan area.

The commission may suspend a class A license for up to one year for a violation of law, order, or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, and may suspend a class A license indefinitely if it determines that the licensee has as an officer, director, shareholder, or other person with a direct, indirect, or beneficial interest a person who is in the commission's opinion inimical to the integrity of horse racing in Minnesota or who cannot be certified under subdivision 1, clause (d).

A license revocation or suspension under this subdivision is a contested case under sections 14.57 to 14.70 of the administrative procedure act, and is in addition to criminal penalties imposed for a violation of law or rule.

**Subd. 8. [WORK AREAS.]** A class A licensee must provide at no cost to the commission suitable work areas for commission members, officers, employees, and agents who are directed by the commission to supervise and control racing at the licensed racetrack.

If any summons, process, or pleadings is served upon the secretary of state, it must be by duplicate copies. One copy must be retained in the office of the secretary of state and the other copy must be forwarded immediately by certified mail to the address of the applicant, as shown by the records of the commission; and

*adversely affect the public health, welfare, and safety, that the license will not create a competitive situation that will adversely affect racing and the public interest and that the applicant is fit to sponsor and manage racing, the commission may issue a class B license. The license is for a period of one year.*

Subd. 3. [INVESTIGATIONS.] The commission shall investigate each applicant for a class C license to the extent it deems necessary, and may request the assistance of and may reimburse the bureau of criminal apprehension in investigating applicants. The commission may by rule require that an applicant be fingerprinted or furnish his fingerprints. Investigations must be conducted and their costs paid in the manner prescribed by section 6, subdivision 3. The commission may cooperate with national and international organizations and agencies in conducting investigations. The commission may by rule provide for examin-

Fees imposed on class B and class D licenses must be paid to the commission at a time and in a manner as provided by rule of the commission.

The commission shall by rule establish an annual license fee for each occupation it licenses under section 8 but no annual fee for a class C license may exceed \$100.

License fee payments received must be paid by the commission to the state treasurer for deposit in the general fund.

The remaining money in each pool must be distributed among the holders of winning tickets in a manner the commission by rule prescribes for each type of pool. Breakage must be computed on the basis of payoffs rounded down to the next lowest increment of 20 cents, with a minimum payoff of \$2.20 on a \$2 ticket, except that the licensee may reduce the minimum payoff to \$2.10 on a \$2 ticket if there is not a sufficient amount in a pool to make a minimum payoff of \$2.20.*

*Subd. 5. [PURSES.] From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to five percent of all money in all pools must be set aside by the licensee and used for purses for races conducted by him. The commission may by*

Pari-mutuel pools conducted on such televised races may consist only of money bet on the premises and may not be commingled with any other pool off the premises, except that:

(a) the licensee may pay a fee to the person or entity conducting the race for the privileges of conducting pari-mutuel betting on the race, and

(b) the licensee may pay the costs of transmitting the broadcast of the race.

Pari-mutuel betting on a televised race may be conducted only on a racing day assigned by the commission. **Subd. 8. [PROHIBITED ACTS.]** A licensee may not accept a bet from any person under the age of 18 years; and a licensee may not accept a bet of less than \$2.

*Subd. 3. [COUNTY FAIR RACING DAYS.] The commission may assign to a class D licensee only those racing days, not to exceed ten racing days, which coincide with the days on which the licensee's county fair is running or the weekend preceding or following the county fair.*

*Subd. 4. [RESCINDING OF RACING DAYS.] The commission may, after a public hearing, rescind one or more racing days assigned to a licensee if it determines that the licensee has not met or will not meet the terms of his license. A day or days so rescinded may be reassigned to another licensee.*

## **Sec. 15. [240.15] [PAYMENTS TO STATE.]**

*Subdivision 1. [TAXES IMPOSED.] (a) There is imposed on the total amount bet on all pari-mutuel pools on each racing day a tax at the following rates:*

*(2) For each racing day in a calendar year after the racing day on which the total amount bet in all pari-mutuel pools at the same licensed racetrack in the same calendar year exceeds \$48,000,000, six percent of the total amount bet in all pari-mutuel pools.*

*In addition to the above tax, the licensee must designate and pay to the commission a tax for deposit in the Minnesota breeders fund, at the following rates:*

The taxes imposed by this clause must be paid from the amounts permitted to be withheld by a licensee under section 13, subdivision 4.

(b) The commission shall impose on each paid admission to each licensed racetrack on a racing day a tax of 40 cents. It may impose an additional admissions tax of not more than ten cents at any licensed racetrack if:

(1) the additional tax is requested by a local unit of government within whose borders the track is located;

(2) a public hearing is held on the request; and

(3) the commission finds that the local unit of government requesting the additional tax is in need of its revenue to meet extraordinary expenses caused by the racetrack.

Subd. 2. [PAYMENT.] The licensee must remit the tax to the commission or its representative within seven days of the day on which it was collected. In addition to the tax and at that time the licensee must pay to the commission or its representative a sum equal to one-half the total breakage for each racing day during the period for which the tax is paid. The payments must be accompanied by a detailed statement of the remittance on a form the commission prescribes. The commission may by rule provide for the direct deposit of required payments in the commission's account in a financial institution within the state and for determining the time of applicability of different tax rates under subdivision 1.

Subd. 3. **Sec. 17. [240.17] [LOCAL OPTION.]**

**Subdivision 1. [CITIES.]** An issuance of a class A license for a location in a city is not effective until it has been approved by a majority vote of the city council. Failure to act on a license within 30 days of its referral to a city council by the commission constitutes approval.

(2) After deducting the amount for (1), the balance of the fund shall be apportioned into categories corresponding with the various breeds of horses which raced at licensed Minnesota racetracks in the previous year, in proportion to each category's contribution to the fund. The funds in each category may be expended by the commission to:

(a) supplement purses for races held exclusively for Minnesota-bred, Minnesota-foaled or Minnesota-owned horses until January 1, 1986, and for Minnesota-bred and Minnesota-foaled horses after that date;

(b) pay breeders or owners awards to the breeders or owners of Minnesota-bred horses which win money at licensed racetracks in the state; and

The commission shall adopt rules governing the distribution of the fund. The commission may establish advisory committees to advise it on the distribution of money under this section, provided that the members of an advisory committee shall serve without compensation.

#### Sec. 19. [240.19] [CONTRACTS.]

The commission shall by rule require that all contracts entered into by a class A, class B, or class D licensee for the provision of goods or services, including concessions contracts, be subject to commission approval. The commission may impose a fine from this schedule on a licensee for a violation of those rules or laws relating to horse racing. The fine is in addition to any criminal penalty imposed for the same violation. Fines imposed by the commission must be paid to the commission and forwarded to the state treasurer for deposit in the general fund. A fine is a contested case under the administrative procedure act.*

**Sec. 23. [240.23] [RULEMAKING AUTHORITY.]**

At the hearing he must be given the opportunity to show cause why he should not be so excluded. May 21, 1983

The Honorable Harry A. Sieben, Jr.

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 652, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 652 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 3A.03, subdivision 2, is amended to read:

Subd. 2. [(REFUNDMENT) *REFUND*.] (1) Any person who has made contributions pursuant to subdivision 1 who is no longer a member of the legislature (AND HAS LESS THAN EIGHT YEARS SERVICE AS A MEMBER OF THE LEGISLATURE AND IS NOT RECEIVING, HAS NOT RECEIVED, OR IS NOT ENTITLED TO RECEIVE ANY ALLOWANCE OR BENEFIT UNDER THIS CHAPTER) is entitled to receive upon application to the director a (REFUNDMENT) *refund* of all contributions credited to (HIS) *the member's account* (WITHOUT) *with* interest (THEREON) *at the rate of 3-1/2 percent per annum compounded annually after the third year of service.*

(2) The (REFUNDMENT) *refund* of contributions as provided in clause (1) above terminates all rights of a former member of the legislature or his *or her* survivors under this chapter. Should the former member of the legislature again be a member of the legislature after having taken a (REFUNDMENT) *refund* as provided above, he *or she* shall be considered a new member. However, (SUCH) *a* new member may reinstate the rights and credit for service forfeited, provided the new member repays all (REFUNDMENTS) *refunds* taken plus interest thereon at six percent per annum compounded annually.

(3) No person shall be required to apply for or accept a (REFUNDMENT) *refund*.

Sec. 2. Minnesota Statutes 1982, section 3A.11, subdivision 1, is amended to read:

Subdivision 1. The reserves necessary to fund the retirement allowance granted pursuant to section 3A.02 to a former legislator upon retirement (AND ANY SURVIVOR BENEFITS WHICH MAY BECOME PAYABLE,) shall be transferred by the director to the Minnesota post-retirement investment fund as of the date benefits begin to accrue in accord with section 11A.18. The amount of the transfer made hereunder shall be determined by an approved actuary as defined in section 352.01, subdivision 15, in accord with an appropriate mortality table using an interest assumption set at the rate specified in section 356.215, subdivision 4, clause (4).

Sec. 3. Minnesota Statutes 1982, section 352.01, subdivision 13, is amended to read:

Subd. 13. [SALARY.] "Salary" means any compensation paid to any employee including wages, allowances, and fees *but excluding amounts of severance pay*.

"Average monthly salary" shall mean the average of the monthly salaries for the five highest successive years of service as a member. The monthly salary for the period prior to July 2, 1969 shall be deemed to be \$600. The term "average monthly salary" shall not include any *amounts of severance pay or any reduced salary paid during the period the person is entitled to benefit payments from the workers' compensation court of appeals for temporary disability*. In lieu of the single life annuity herein provided, the member or former member with ten years or more of service may elect a joint and survivor annuity, payable to a designated beneficiary for life, adjusted to the actuarial equivalent value of the single life annuity. The joint and survivor annuity elected by a member may also provide that the elected annuity be reinstated to the single life annuity herein provided, if after drawing the elected joint and survivor annuity, the designated beneficiary dies prior to the death of the member. This reinstatement shall not be retroactive but shall be in effect for the first full month subsequent to the death of the designated beneficiary. This additional joint and survivor option with rein-

statement clause shall be adjusted to the actuarial equivalent value of a regular single life annuity.

Sec. 5. Minnesota Statutes 1982, section 352C.09, subdivision 2, is amended to read:

Subd. 2 (1) Any person who has made contributions pursuant to subdivision 1 who is no longer a constitutional officer or commissioner (AND IS NOT RECEIVING AND HAS NOT RECEIVED, OR IS NOT ENTITLED TO RECEIVE ANY ALLOWANCE OR BENEFIT UNDER THE PROVISIONS OF THIS CHAPTER) is entitled to receive upon application to the director a refund of all contributions credited to his or her account (WITHOUT) *with interest (THEREON) at the rate of 3-1/2 percent per annum compounded annually after the third year of service.*

(2) The refund of contributions as provided in clause (1) above terminates all rights of a former constitutional officer or commissioner or his or her survivors under the provisions of this chapter. Should the former constitutional officer or commissioner again hold such office after having taken a refund as provided above, he or she shall be considered a new member (FOR ALL PURPOSES AND SUCH REFUND MAY NOT BE REPAID FOR ANY CREDIT OR BENEFIT WHATEVER) *and may reinstate the rights and credit for service forfeited provided he or she repays all refunds previously taken plus interest at six percent per annum compounded annually.*

Delinquencies under this section shall be governed in all respects by section 353.28.

Sec. 8. Minnesota Statutes 1982, section 353.30, is amended by adding a subdivision to read:

The boards of the Minneapolis and the St. Paul teachers retirement fund associations shall each establish for the coordinated program and the board of the Duluth teachers retirement fund association shall establish for the new law coordinated program an optional retirement annuity which shall take the form of a joint and survivor annuity. Each board may also in its discretion establish an optional annuity which shall take the form of an annuity payable for a period certain and for life thereafter. Each board shall also establish an optional retirement annuity which shall take the form of a guarantee that in the event of death the balance of the accumulated deductions shall be paid to a designated beneficiary. All optional forms shall be the actuarial equivalent of the normal forms provided in section 354A.31. In establishing these optional forms, the board shall obtain the written recommendation of an approved actuary and the recommendation shall be a part of the permanent records of the board.

*In the event of the death of the designated beneficiary of a retired member who had elected an optional annuity, the member shall thereafter receive the unreduced amount of the earned benefit computed pursuant to 354A.31.*

The member's surviving spouse shall be paid a joint and survivor annuity as provided in section 354A.32 and computed pursuant to section 354A.31. The benefits shall be payable for life.*

Sec. 14. Minnesota Statutes 1982, section 356.30, subdivision 1, is amended to read:

Subdivision 1. [ELIGIBILITY; COMPUTATION OF ANNUITY.] (1) Notwithstanding any provisions to the contrary of the laws governing the funds enumerated in subdivision 3, a person who has met the qualifications of clause (2) may elect to receive a retirement annuity from each fund in which the person has at least six months allowable service, based on the allowable service in each fund, subject to the provisions of clause (3).

(2) A person may receive upon retirement, in lieu of any augmentation of deferred annuities provided by laws governing the funds enumerated in subdivision 3, a retirement annuity from each fund in which the person has at least six months allowable service if

(a) the person has allowable service totaling ten or more years in any two or more of (SUCH) the enumerated funds (AND);

(b) the person has at least six months of allowable service with the last such fund earned during (HIS) the last period of employment; and

(c) the person has not begun to receive an annuity from any (SUCH FUNDS, MAY, UPON RETIREMENT, IN LIEU OF ANY AUGMENTATION OF DEFERRED ANNUITIES PROVIDED BY THE LAWS OF SUCH FUNDS, ELECT TO RECEIVE A RETIREMENT ANNUITY) enumerated fund or the person has made application for benefits from all funds within a six month period.

(3) *The retirement annuity from each fund (IN WHICH HE HAS ALLOWABLE SERVICE,) shall be based upon the allowable service in each fund, except that:*

(a) The laws governing annuities shall be the law in effect on the date of (HIS) final termination from the last public service under a covered fund (;).

(b) The "average salary" on which the annuity from each covered fund in which the employee has credit in a formula plan shall be based on the employee's highest five successive years of covered salary during (HIS) the entire service in covered funds (;).

(c) The formula percentages to be used by each fund shall be those percentages prescribed by each fund's formula as continued for the respective years of allowable service from one fund to the next, recognizing all previous allowable service with the other covered funds (; AND).

(d) Allowable service in all the funds shall be combined in determining eligibility for and the application of each fund's provisions in respect to actuarial reduction in the benefit amount for retirement prior to normal retirement.

(e) The benefit amount payable for any allowable service under a nonformula plan of a covered fund shall not be affected but such service and covered salary shall be used in the above calculation.

(f) This section shall not apply to any person whose final termination from the last public service under a covered fund is prior to May 1, 1975.

(g) For the purpose of computing benefits under this section the formula percentages used by any covered fund shall in no event exceed two and one-half percent per year of service for any year of service or fraction thereof.

(h) Any period of time for which a person has credit in more than one of the covered funds shall be used only once for the purpose of determining total allowable service. (SUCH PERIOD SHALL BE USED IN THE COMPUTATION OF THE BENEFIT BY THE FUND HAVING PRIMARY AND PRINCIPAL COVERAGE PRIOR TO AND FOLLOWING THE PERIOD. HOWEVER, IF SUCH DUAL COVERAGE IS THE RESULT OF TWO PART TIME EMPLOYMENTS EACH FUND SHALL APPLY A PRO RATA FRACTION OF ITS FORMULA.)

(i) *If the period of duplicated service credit is more than six months, or the person has credit for more than six months*

*with each of the funds, each fund shall apply its formula to a pro-rated service credit for the period of duplicated service based on a fraction of the salary on which deductions were paid to that fund for the period divided by the total salary on which deductions were paid to all funds for the period.*

*(j) If the period of duplicated service credit is less than six months, or when added to other service credit with that fund is less than six months, the service credit shall be ignored and a refund of contributions made to the person in accord with that fund's refund provisions.*

Sec. 15. Minnesota Statutes 1982, section 356.301, is amended to read:

**356.301 [RECOGNITION OF MULTIPLE RETIREMENT FUND COVERAGE FOR DISABILITY BENEFIT ENTITLEMENT.]**

Notwithstanding any provisions to the contrary of the laws governing the funds enumerated in section 356.30, subdivision 3, in determining the length of service for the purpose of meeting the service requirement for entitlement for a disability benefit, but not for the purpose of establishing service credit for the calculation of the amount of a disability benefit, service covered by any retirement fund as defined in section (356.60, SUBDIVISION 1, CLAUSE (A)) 356.61, shall be recognized.

*If the law governing any fund enumerated in section 356.30; subdivision 3 requires a specified length of allowable service under that fund since the last termination of covered employment to be eligible for a disability benefit, an employee transferring from a covered position under one fund to a covered position under another fund within a 30-day period shall be considered to have been employed continuously for the purpose of qualifying the employee for a disability benefit.*

Sec. 16. Minnesota Statutes 1982, section 356.61, is amended to read:

**356.61 [LIMITATION ON PUBLIC EMPLOYEE RETIREMENT ANNUITIES.]**

Notwithstanding any provision of law, bylaws, articles of incorporation, retirement and disability allowance plan agreements or retirement plan contracts to the contrary, no person who has pension or retirement coverage by a public pension plan shall be entitled to receive a monthly retirement annuity or disability benefit which, at the time of commencement of the retirement annuity or disability benefit, exceeds *the lesser of:*

*(a) the amount of the final monthly salary of the person; or*

*(b) one-twelfth of the amount of the annual benefit permitted by the terms of section 415 of the Internal Revenue Code with respect to a participant in a plan qualified under section 401(a) of the Internal Revenue Code, as amended through December 31, 1982.*

A public pension plan is any Minnesota public pension plan or fund which provides pension or retirement coverage for public employees other than volunteer firefighters, including any plan or fund enumerated in sections 356.20, subdivision 2, or 356.30, subdivision 3, any local police or firefighter's relief association to which section 69.77 applies, or any retirement or pension plan or fund, including a supplemental retirement plan or fund, established, maintained or supported by any governmental subdivision or public body whose revenues are derived from taxation, fees, assessments or from other public sources. Final monthly salary is the hourly rate of compensation received by the person on account of the most recent public employment for the final pay period occurring prior to retirement multiplied by 174.

The figure for the monthly retirement annuity or disability benefit to be used for the calculation of this limitation shall not include any reduction or adjustment required for retirement prior to the normal retirement age or required for the election of an optional annuity.

If the figure for the monthly retirement annuity or disability benefit exceeds the limit contained in this section, the annuity or benefit payable shall be reduced appropriately.

The managing board of each public pension plan from which a retirement annuity or disability benefit is payable shall, at the time that the retirement annuity or disability benefit commences, contact all other public pension plans to determine whether or not the recipient of the retirement annuity or disability benefit is also receiving or is entitled to receive a retirement annuity or disability benefit from any other public pension plan. If a person is entitled to receive or is receiving a retirement annuity or disability benefit from more than one public pension plan, all retirement annuities or disability benefits from all public pension plans shall be totalled in determining whether or not the limitation shall apply; provided however, that the limitation shall be based on the highest final monthly salary received by the individual from any plan. Any reduction in the amount of the retirement annuity or disability benefit required pursuant to this section shall be made by the public pension plan which provided retirement coverage for the most recent period of service.

Sec. 17. Minnesota Statutes 1982, section 356.65, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of this section, unless the context clearly indicates otherwise, the following terms shall have the meanings given to them:

(b) "Unclaimed public pension fund amounts" means any amounts representing accumulated member contributions, any outstanding unpaid annuity, service pension or other retirement benefit payments, including those made on warrants issued by the commissioner of finance, which have been issued and delivered for more than six years prior to the date of the end of the fiscal year applicable to the public pension fund, and any applicable interest to the credit of:

(1) an inactive or former member of a public pension fund who is not entitled to a defined retirement annuity and who has not applied for a refund of those amounts within five years after the last member contribution was made;

Sec. 21. Minnesota Statutes 1982, section 424A.02, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] Any volunteer firefighters' relief association or volunteer firefighters' division or account of a partially salaried and partially volunteer firefighters' relief association organized and incorporated under chapter 317 and any laws of the state and directly associated with a fire department established by municipal ordinance or any separate incorporated volunteer firefighters' relief association subsidiary to and providing service pension and retirement benefit coverage for members of an independent nonprofit firefighting corporation organized under the provisions of chapter 317 and operating exclusively for fire fighting purposes, whether or not the nonprofit firefighting corporation qualifies for fire state aid pursuant to chapter 69, when its articles of incorporation or bylaws so provide, may pay out of the assets of the special fund of the volunteer firefighters' relief association or volunteer firefighters' account, a service pension to each of its members who separates from active service with the fire department or the independent nonprofit firefighting corporation, who reaches the age of 50 years and who completes at least ten years of active service as an active member of the municipal fire department to which the relief association is associated or of the independent nonprofit firefighting corporation to which

the relief association is subsidiary, and who completes at least ten years of active membership with the volunteer firefighters' relief association or volunteer firefighters' account prior to separation from active service and who complies with any additional conditions as to age, service and membership which are prescribed by the bylaws of the relief association. In the case of a member who has completed at least ten years of active service as an active member of the municipal fire department to which the relief association is associated or of the independent nonprofit firefighting corporation to which the relief association is subsidiary on the date that the volunteer firefighters' relief association is established and incorporated, the requirement that the member complete at least ten years of active membership with the volunteer firefighters' relief association or volunteer firefighters' account prior to separation from active service may be waived by the board of trustees of the relief association if the member completes at least ten years of inactive membership with the volunteer firefighters' relief association or volunteer firefighters' account prior to the payment of the service pension. During the period of inactive membership, the member shall not be entitled to receive any disability benefit coverage, shall not be entitled to receive any additional service credit towards computation of a service pension, and shall be deemed to have the status of a person entitled to a deferred service pension pursuant to subdivision 7.

No municipality or nonprofit firefighting corporation is authorized to delegate the power to take final action in setting a service pension or retirement benefit amount or level to the board of trustees of the volunteer firefighters relief association or to approve in advance a service pension or retirement benefit amount or level equal to the maximum amount or level which this chapter would allow rather than a specific dollar amount or level.

No volunteer firefighters' relief association or volunteer firefighters' division or account of a partially salaried and partially volunteer firefighters' relief association is authorized to pay a service pension or disability benefit to any former member of the relief association if that person has not separated from active service with the fire department to which the volunteer firefighters' relief association is directly associated or with the independent nonprofit firefighting corporation to which the volunteer firefighters' relief association is subsidiary.

*For the purposes of this chapter, "to separate from active service" means to cease to perform fire suppression duties and to cease to supervise fire suppression duties.*

Sec. 22. Minnesota Statutes 1982, section 490.124, subdivision 4, is amended to read:

Subd. 4. [DISABILITY RETIREMENT.] From and after disability retirement date, a disabled judge shall be entitled to ((A)) continuation of (HIS) *the judge's* full salary payable by the judge's employer, as if (HIS) *the judge's* office were not vacated by retirement, for a period of up to two full years, (AND (B)) *but in no event beyond the judge's mandatory retirement date.* Thereafter a disability retirement annuity computed as provided in subdivision 1 *shall be paid*, provided that (SUCH) *the judge* shall receive a minimum annuity of 25 percent of (HIS) *the judge's* final average compensation.

Sec. 23. [356.001] [PURPOSE OF PUBLIC PLANS.]

Subdivision 1. [EXCLUSIVE BENEFIT OF MEMBERS AND BENEFICIARIES.] *The public plans and funds specified in subdivision 4 are established to provide for the retirement of their members and to provide funds for the beneficiaries of members in the event of death of a member. The public plans and funds are established and shall be maintained for the exclusive benefit of the members and the beneficiaries of the members. Except as provided in subdivisions 2 and 3, no part of the moneys of the plans and funds shall revert to the plan or fund or be used for or diverted to purposes other than the exclusive benefit of the members or their beneficiaries.*

Subd. 2. [ALLOWABLE EXPENSES.] *The necessary, reasonable, and direct expenses of maintaining, protecting, and administering the public plan or fund, as authorized in the laws governing the plan or fund, shall be considered as expenditures for the exclusive benefit of the members or their beneficiaries.*

Subd. 3. [EFFECT OF AMENDMENTS OR TERMINATION.] *If a public plan or fund as defined in subdivision 4 is terminated or the plan or fund provisions are amended, no part of the moneys held in the plan or fund shall be used for or diverted to any purpose other than the exclusive benefit of the members or their beneficiaries, except as provided in this subdivision.*

*If a plan or fund is terminated, all affected members have a nonforfeitable interest in their benefits accrued and funded to date. The value of the accrued benefits to be credited to the account of each affected member shall be calculated as of the date of termination and the funding ratio of the plan or fund applied to the accrued benefit of each affected member.*

*The board of trustees of the plan or fund shall then, as soon as administratively feasible, pay each eligible member or beneficiary on behalf of a member the amount in the member's account in a lump sum. In the case of a member whose whereabouts is unknown, the board shall notify the member at the last known address by certified mail with return receipt requested advising the member of the member's right to a pending distribution. If the member cannot be located in this manner, the board shall*

*establish a custodial account for the member's benefit in a federally insured bank, savings and loan association, or credit union in which the member's account balance shall be deposited. If the board receives proof of death of a member that is satisfactory to the board, the account balance shall be paid to the beneficiary of the member.*

*Subd. 4. [COVERED PLANS AND FUNDS.] This section applies to all public pension and retirement plans and funds established pursuant to the laws of the state of Minnesota that receive contributions from moneys derived from taxation.*

*Subd. 5. [CONSTRUCTION.] Nothing contained in this section shall be construed to authorize, or otherwise imply, a legislative policy or intent favoring the termination of any plan or fund to which this section applies.*

**Sec. 24. [AUTHORITY TO PURCHASE SERVICE CREDIT FOR PERIODS OF VOLUNTARY UNPAID LEAVES OF ABSENCE.]**

*Any employee in the executive branch of state government who took an unpaid leave of absence as authorized by Laws 1982, Third Special Session chapter 1, article 2, section 8, shall be entitled to service credit for the period of the leave of absence upon payment to the fund before July 1, 1984. The amount of the payment shall include the applicable employee, employer and employer additional contributions in effect for the period of leave. The payment shall be based on the member's average monthly salary upon return to service following the leave and shall be without interest. Repayment shall be accompanied by a copy of the approval of leave by the appointing authority.*

*The executive director of the retirement system may require additional documentation as necessary.*

Sec. 25. Laws 1983, chapter 84, section 1, is amended to read:

**Section 1. [PENSION COVERAGE.]**

Notwithstanding Minnesota Statutes, section 353.64, subdivision 1, or any other general or special law to the contrary, a person employed by the county of Polk as a deputy sheriff, on the effective date of this act shall be deemed to have been a member of the public employees police and fire fund established by Minnesota Statutes, sections 353.63 to 353.68 and not of the Crookston police relief association for the period from (JANUARY 1, 1953) November 1, 1952 to (DECEMBER 31) January 15, 1957, when that person was employed as an officer by the Crookston police department. The amount and manner of payment shall be governed by the provisions of Laws 1982, chapter 578, article II, section 2, subdivisions 1 to 3, as amended. Any employee contributions made to the Crookston policeman's relief association shall

be transferred to the public employees police and fire fund as a portion of the employee payment. Upon receipt of the required amounts by the public employees police and fire fund, credit shall be given to the officer for service as a member for the period (FROM JANUARY 1, 1953 TO DECEMBER 31, 1957) specified.

Sec. 26. [REPEALER.]

*Minnesota Statutes, sections 422A.05, subdivision 7; and 422A.23, subdivision 3; and Laws 1982, chapter 519, section 4, are repealed.*

Sec. 27. [EFFECTIVE DATE; LOCAL APPROVAL.]

*This act is effective the day following final enactment, subject to the following conditions. Sections 1 and 5 apply to applications for refunds filed after July 1, 1983. Section 8 and the repeal of Laws 1982, chapter 519, section 4, are retroactive to July 1, 1982. Sections 10, 16, and 23 are retroactive to January 1, 1983. Sections 18, 19, and 20 are effective upon approval by the Minneapolis city council and compliance with Minnesota Statutes, section 645.021."*

May 20, 1983

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 473, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 473 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 169.121, subdivision 1, is amended to read:

Subdivision 1. [CRIME.] It is a misdemeanor for any person to drive, operate or be in physical control of any motor vehicle within this state:

- (a) When the person is under the influence of alcohol;
- (b) When the person is under the influence of a controlled substance;
- (c) When the person is under the influence of a combination of any two or more of the elements named in clauses (a) and (b); or
- (d) When the person's alcohol concentration is 0.10 or more.

The provisions of this subdivision apply, but are not limited in application, to any person who drives, operates, or is in physical control of any motor vehicle in the manner prohibited by this subdivision upon the ice of any lake, stream, or river, including but not limited to the ice of any boundary water.

(WHEN AN ACCIDENT HAS OCCURRED, A PEACE OFFICER MAY LAWFULLY ARREST A PERSON FOR VIOLATION OF THIS SECTION WITHOUT A WARRANT UPON PROBABLE CAUSE, WITHOUT REGARD TO WHETHER THE VIOLATION WAS COMMITTED IN THE OFFICER'S PRESENCE.)

Sec. 2. Minnesota Statutes 1982, section 169.121, is amended by adding a subdivision to read:

*Subd. 1a. [ARREST.] When an accident has occurred, a peace officer may lawfully arrest a person for violation of subdivision 1 without a warrant upon probable cause, without regard to whether the violation was committed in the officer's presence.*

*When a peace officer has probable cause to believe that a person is driving or operating a motor vehicle in violation of*

*subdivision 1, and before a stop or arrest can be made the person escapes from the geographical limits of the officer's jurisdiction, the officer in fresh pursuit of the person may stop or arrest the person in another jurisdiction within this state and may exercise the powers and perform the duties of a peace officer under sections 169.121 and 169.123. An officer acting in fresh pursuit pursuant to this subdivision is serving in his regular line of duty as fully as though he was within his jurisdiction.*

*The express grant of arrest powers in this subdivision does not limit the arrest powers of peace officers pursuant to sections 626.65 to 626.70 or section 629.40 in cases of arrests for violation of subdivision 1 or any other provision of law.*

Sec. 3. Minnesota Statutes 1982, section 169.121, subdivision 2, is amended to read:

Subd. 2. [EVIDENCE.] Upon the trial of any prosecution arising out of acts alleged to have been committed by any person arrested for driving, operating, or being in physical control of a motor vehicle in violation of subdivision 1, the court may admit evidence of the amount of alcohol or a controlled substance in the person's blood, breath, or urine as shown by a medical or chemical analysis (THEREOF) of it, if the test is taken voluntarily or pursuant to section 169.123.

For the purposes of this subdivision:

(a) evidence that there was at the time an alcohol concentration of 0.05 or less is prima facie evidence that the person was not under the influence of alcohol;

(b) evidence that there was at the time an alcohol concentration of more than 0.05 and less than 0.10 is relevant evidence in indicating whether or not the person was under the influence of alcohol.

Evidence of the (ABSENCE OF TESTS) *refusal to take a test is admissible into evidence in a prosecution under this section (WITHOUT ANY COMMENT AND WITH A JURY INSTRUCTION, WHERE APPLICABLE, THAT THERE SHALL BE NO SPECULATION AS TO THE REASON FOR THE ABSENCE AND THAT NO INFERENCE IS TO BE DRAWN FROM THE ABSENCE) or an ordinance in conformity with it.*

For purposes of this section and section 169.123, the result of an evidentiary test administered within two hours of the alleged violation is deemed to be the alcohol concentration at the time of the violation.

The foregoing provisions do not limit the introduction of any other competent evidence bearing upon the question whether or not the person was under the influence of alcohol or a controlled substance, including tests obtained more than two hours after the alleged violation.

Sec. 4. Minnesota Statutes 1982, section 169.121, subdivision 3, is amended to read:

Subd. 3. [CRIMINAL PENALTIES.] A person who violates this section or an ordinance in conformity (THEREWITH) *with it* is guilty of a misdemeanor.

The following persons are guilty of a gross misdemeanor:

(a) A person who violates this section or an ordinance in conformity (THEREWITH) *with it* within five years of a prior conviction under this section, *section 169.129*, or an ordinance or statute from another state in conformity (THEREWITH) *with it*; and

(b) A person who violates this section or an ordinance in conformity (THEREWITH) *with it* within ten years of two or more prior convictions under this section, *section 169.129*, or an ordinance or statute from another state in conformity (THEREWITH) *with it*.

The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations of this section shall also be responsible for prosecution of gross misdemeanor violations of this section.

Sec. 5. Minnesota Statutes 1982, section 169.123, subdivision 2, is amended to read:

Subd. 2. [IMPLIED CONSENT; CONDITIONS; ELECTION AS TO TYPE OF TEST.] (a) Any person who drives, operates, or is in physical control of a motor vehicle within this state consents, subject to the provisions of this section and section 169.121, to a chemical test of his blood, breath, or urine for the purpose of determining the presence of alcohol or a controlled substance. The test shall be administered at the direction of a peace officer. The test may be required of a person when an officer has reasonable and probable grounds to believe the person was driving, operating, or in physical control of a motor vehicle in violation of section 169.121 and one of the following conditions exist: (1) the person has been lawfully placed under arrest for violation of section 169.121, or an ordinance in conformity (THEREWITH) *with it*; or (2) the person has been involved in a motor vehicle accident or collision resulting in property damage, personal injury, or death; or (3) the person has refused to take the screening test provided for by section 169.-

121, subdivision 6; or (4) the screening test was administered and recorded an alcohol concentration of 0.10 or more. No action may be taken against the person for declining to take a direct blood test, if offered, unless an alternative test was offered.

(b) At the time a chemical test specimen is requested, the person shall be informed:

(1) that if testing is refused, the person's right to drive will be revoked for a *minimum* period of six months; (AND)

(2) that if a test is taken and the results indicate that the person is under the influence of alcohol or a controlled substance, the person will be subject to criminal penalties and the person's right to drive may be revoked for a *minimum* period of 90 days; (AND)

(3) that the person has a right to consult with an attorney but that this right is limited to the extent that it cannot unreasonably delay administration of the test or the person will be deemed to have refused the test; (AND)

(4) that after submitting to testing, the person has the right to have additional tests made by a person of his own choosing; *and*

(5) *that if he refuses to take a test, the refusal will be offered into evidence against him at trial.*

Sec. 6. Minnesota Statutes 1982, section 169.123, subdivision 3, is amended to read:

Subd. 3. [MANNER OF MAKING TEST; ADDITIONAL TESTS.] Only a physician, medical technician, physician's trained mobile intensive care paramedic, registered nurse, medical technologist or laboratory assistant acting at the request of a peace officer may withdraw blood for the purpose of determining the presence of alcohol or controlled substance. This limitation does not apply to the taking of a breath or urine specimen. The person tested has the right to have a person of his own choosing administer a chemical test or tests in addition to any administered at the direction of a peace officer; provided, that the additional test specimen on behalf of the person is obtained at the place where the person is in custody, after the test administered at the direction of a peace officer, and at no expense to the state. The failure or inability to obtain an additional test or tests by a person shall not preclude the admission in evidence of the test taken at the direction of a peace officer unless the additional test was prevented or denied by the peace officer. The physician, medical technician, physician's trained mobile intensive care paramedic, medical technologist, laboratory assistant or registered nurse drawing blood at the request

of a peace officer for the purpose of determining alcohol concentration shall in no manner be liable in any civil or criminal action except for negligence in drawing the blood. The person administering a *breath* test (AT THE REQUEST AND DIRECTION OF A PEACE OFFICER) shall be fully trained in the administration of (THE) *breath* tests pursuant to *training* (STANDARDS PROMULGATED BY RULE) *given* by the commissioner of public safety.

Sec. 7. [REPEALER.]

*Minnesota Statutes 1982, section 169.1231, is repealed.*

Sec. 8. [EFFECTIVE DATE.]

*Sections 1 to 5 are effective August 1, 1983. Sections 6 and 7 are effective the day following final enactment."*

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 256.74, is amended by adding a subdivision to read:

*Subd. 5. [ASSIGNMENT OF SUPPORT AND MAINTENANCE RIGHTS.] An applicant for assistance, or a recipient of assistance, under sections 256.72 to 256.87 is considered to have assigned to the public agency responsible for child support enforcement at the time of application all rights to child support and maintenance from any other person the applicant may have in his own behalf or in the behalf of any other family member for whom application is made. (3) terminates when an applicant ceases to receive assistance under sections 256.72 to 256.87, except with respect to the amount of any unpaid support or maintenance obligation, or both, accrued under the assignment.

Sec. 2. Minnesota Statutes 1982, section 256.87, is amended to read:

**256.87 [CONTRIBUTION BY PARENTS (; AMENDMENTS; REPEALS).]**

**Subdivision 1. [ACTIONS AGAINST PARENTS FOR ASSISTANCE FURNISHED.]** At any time during the continuance of assistance to a child granted under sections 256.72 to 256.87 except as set forth below, a parent of a child is liable for the amount of assistance furnished during the two years immediately preceding the commencement of the action which the parent is reasonably able to pay. *Provided, however, that where child support has been previously ordered, the state or county agency providing the assistance, as assignee of the obligee, shall be entitled to judgments for child support payments accruing within ten years preceding the date of the commencement of the action to collect.* The action may be ordered by the state agency or county agency and shall be brought in the name of the county by the county attorney of the county in which the assistance was granted, or by the state agency against the parent for the recovery of the amount of assistance granted, together with the costs and disbursements of the action.

**Subd. 1a. [CONTINUING SUPPORT CONTRIBUTIONS.]** In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing support contributions by a parent found able to reimburse the county or state agency. *Except as provided in subdivision 4,* the order shall be effective (ONLY) for the period of time during which the recipient receives public assistance from (THE) any county or state agency and for 90 days thereafter the order shall require support according to chapter 518. An order for continuing contributions is reinstated without further hearing upon notice to the parent by (THE) any county or state agency that assistance is again being provided for the child of the parent under sections 256.72 to 256.87. The notice shall be in writing and shall indicate that the parent may request a hearing for modification of the amount of support or maintenance (, THE AMOUNT REQUIRED TO BE PAID, AND THE CONDITIONS UNDER WHICH INCOME WITHHOLDING CAN OCCUR. IN ANY ORDER MODIFYING THE AMOUNT OF SUPPORT OR MAINTENANCE, THE COURT MAY, IF APPROPRIATE, MAKE THE MODIFICATION RETROACTIVE TO THE DATE OF AUTOMATIC REINSTATEMENT).

**Subd. 2. [NOT TO BE VESTED RIGHT.]** All assistance granted under those sections shall be deemed to be granted and

to be held subject to the provisions of any amending or repealing act that may hereafter be passed. No recipient shall have any claim for compensation, or otherwise, by reason of his assistance being affected in any way by any amending or repealing act.

*Subd. 3. [CONTINUING CONTRIBUTIONS TO FORMER RECIPIENT.] The order for continuing support contributions shall remain in effect following the 90 day period after public assistance granted under sections 256.72 to 256.87 is terminated if:*

*(a) the former recipient files an affidavit with the court within 90 days of the termination of assistance requesting that the support order remain in effect;*

*(b) the public authority serves written notice of the filing by mail on the parent responsible for making the support payments at that parent's last known address and notice that the parent may move the court under section 518.64 to modify the order respecting the amount of support or maintenance; and*

*(c) the former recipient makes an application to use the public authority's collection services.*

*Subd. 4. [ORDER FOR MODIFICATION.] In any order modifying the amount of support or maintenance under this section, the court may make the modification retroactive to the date public assistance was terminated or reinstated.*

*Subd. 5. [CHILD NOT RECEIVING ASSISTANCE.] A parent having custody of a dependent child not receiving assistance under sections 256.72 to 256.87 has a cause of action for child support against the child's absent parent. Upon an order to show cause and a motion served on the absent parent, the court shall order child support payments from the absent parent under chapter 518.*

### **Sec. 3. [257.541] [CUSTODY AND VISITATION OF CHILDREN BORN OUTSIDE OF MARRIAGE.]**

*Subdivision 1. [MOTHER'S RIGHT TO CUSTODY.] The natural mother of a child born to a mother who was not married to the child's father neither when the child was born nor when the child was conceived has sole custody of the child until paternity has been established.*

*Subd. 2. [FATHER'S RIGHT TO VISITATION.] (a) If paternity has been acknowledged under section 257.34 and paternity has been established under sections 257.51 to 257.74, the father's rights of visitation or custody are determined under sections 518.17 and 518.175.*

*(b) If paternity has not been acknowledged under section 257.34 and paternity has been established under sections 257.51 to 257.74, the natural father may petition for rights of visitation or custody in a separate proceeding under section 518.156.*

Sec. 4. Minnesota Statutes 1982, section 257.55, subdivision 1, is amended to read:

Subdivision 1. [PRESUMPTION.] A man is presumed to be the natural father of a child if:

(a) He and the child's natural mother are or have been married to each other and the child is born during the marriage, or within 280 days after the marriage is terminated by death, annulment, declaration of invalidity, dissolution, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) if the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 280 days after its termination by death, annulment, declaration of invalidity, dissolution or divorce; or

(2) if the attempted marriage is invalid without a court order, the child is born within 280 days after the termination of cohabitation;

(c) After the child's birth, he and the child's natural mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) he has acknowledged his paternity of the child in writing filed with (THE DISTRICT COURT OR) the state registrar of vital statistics;

(2) with his consent, he is named as the child's father on the child's birth certificate; or

(3) he is obligated to support the child under a written voluntary promise or by court order;

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his natural child; or

(e) He (ACKNOWLEDGES) and the child's natural mother acknowledge his paternity of the child in a writing signed by both of them under section 257.34 and filed with (THE DISTRICT COURT OR) the state registrar of vital statistics (, WHICH SHALL PROMPTLY INFORM THE MOTHER OF THE FILING OF THE ACKNOWLEDGMENT, AND SHE DOES NOT WITHIN A REASONABLE TIME AFTER BEING INFORMED THEREOF DISPUTE THE ACKNOWLEDGMENT IN A WRITING FILED WITH THE DISTRICT COURT OR THE STATE REGISTRAR OF VITAL STATISTICS). If another man is presumed under this clause to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted.

Sec. 5. Minnesota Statutes 1982, section 257.58, is amended to read:

257.58 [LIMITATION OF ACTIONS; EXCEPTIONS.]

*Subdivision 1. [ACTIONS FOR CHILDREN WITHOUT A PRESUMED FATHER.] Except for (a) an action brought by or on behalf of a child whose paternity has not been determined, and (b) an action brought by the public authority responsible for child support enforcement, if a child is over three years old when he or she first receives public assistance in the state of Minnesota, an action to determine the existence of the father and child relationship as to a child who has no presumed father under section 257.55 may not be brought later than three years after the birth of the child, or later than three years after August 1, 1980, whichever is later. An action brought by or on behalf of a child whose paternity has not been determined is not barred until one year after the child reaches the age of majority. If a child is over three years old when he or she first receives public assistance in the state of Minnesota, an action brought by the public authority responsible for child support enforcement is not barred until three years after the public assistance is first provided in this state.*

*Subd. 2. [HEIRSHIP.] Section 257.57 and this section do not extend the time within which a right of inheritance or a right to a succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise.*

Sec. 6. Minnesota Statutes 1982, section 257.59, subdivision 1, is amended to read:

*Subdivision 1. [COURT JURISDICTION.] Except in Hennepin and Ramsey counties, the county court has jurisdiction of an action brought under sections 257.51 to 257.74. In Hennepin and Ramsey counties, the district court has jurisdiction of an action brought under sections 257.51 to 257.74. The action*

*may be joined with an action for dissolution, annulment, legal separation, custody under chapter 518, or reciprocal enforcement of support.*

Sec. 7. Minnesota Statutes 1982, section 257.60, is amended to read:

257.60 [PARTIES.]

The child may be made a party to the action. If the child is a minor and is made a party, a general guardian or guardian ad litem shall be appointed by the court to represent the child. The child's mother or father may not represent the child as guardian or otherwise. (THE COURT MAY APPOINT THE COMMISSIONER OF PUBLIC WELFARE AS GUARDIAN AD LITEM FOR THE CHILD.) If the child is a minor and the case involves a compromise under section 257.64, subdivision 1 or a lump sum payment under section 257.66, subdivision 4, the child and the commissioner of public welfare shall each be made a party (AND THE COMMISSIONER OF PUBLIC WELFARE SHALL BE APPOINTED AS GUARDIAN AD LITEM) before the court approves a compromise or orders a lump sum payment. The natural mother, each man presumed to be the father under section 257.55, and each man alleged to be the natural father, shall be made parties or, if not subject to the jurisdiction of the court, shall be given notice of the action in a manner prescribed by the court and shall be given an opportunity to be heard. *A person who may bring an action under section 257.57 may be made a party to the action.* The court may align the parties.

Sec. 8. Minnesota Statutes 1982, section 257.62, subdivision 1, is amended to read:

Subdivision 1. [BLOOD TESTS REQUIRED.] The court may, and upon request of a party shall, require the child, mother, or alleged father to submit to blood tests (OR GENETIC TESTS, OR BOTH). *If the alleged father is dead, the court may, and upon request of a party shall, require the decedent's parents or brothers and sisters or both to submit to blood tests. However, in a case involving these relatives of an alleged father, who is deceased, the court may refuse to order blood tests if the court makes an express finding that submitting to the tests presents a danger to the health of one or more of these relatives that outweighs the child's interest in having the tests performed. Unless the person gives consent to the use, the results of any blood tests of the decedent's parents, brothers, or sisters may be used only to establish the right of the child to public assistance including but not limited to social security and veterans' benefits.* The tests shall be performed by a qualified expert appointed by the court.

Sec. 9. Minnesota Statutes 1982, section 257.62, is amended by adding a subdivision to read:

*Subd. 6. [POSITIVE TEST RESULTS.] If the results of the blood tests indicate that the likelihood of the alleged father's paternity is more than 92 percent, upon motion the court shall order the alleged father to pay temporary child support determined according to chapter 518. The alleged father shall pay the support money into court pursuant to the rules of civil procedure to await the results of the paternity proceedings.*

Sec. 10. Minnesota Statutes 1982, section 257.64, subdivision 1, is amended to read:

**257.64 [PRE-TRIAL ORDERS AND RECOMMENDATIONS.]**

Subdivision 1. On the basis of the information produced at the pretrial hearing, *including information as to the financial status of the parties*, the court may (, AND IF REQUESTED BY A PARTY, SHALL EVALUATE THE PROBABILITY OF DETERMINING THE EXISTENCE OR NONEXISTENCE OF THE FATHER AND CHILD RELATIONSHIP IN A TRIAL AND WHETHER A JUDICIAL DECLARATION WOULD BE IN THE BEST INTEREST OF THE CHILD. ON THE BASIS OF THE EVALUATION, AN APPROPRIATE RECOMMENDATION FOR SETTLEMENT SHALL BE MADE TO THE PARTIES, WHICH MAY INCLUDE ANY OF THE FOLLOWING):

(a) (THAT THE ACTION BE DISMISSED WITH OR WITHOUT PREJUDICE;)

((B)) *recommend that the alleged father voluntarily acknowledge his paternity of the child if the parties have agreed on a financial settlement; or*

((C)) (b) *recommend that the matter be compromised by an agreement among the alleged father, the mother, and the child, in which the father and child relationship is not determined but in which a defined economic obligation is undertaken by the alleged father in favor of the child and, if appropriate, in favor of the mother, subject to approval by the court. In reviewing the obligation undertaken by the alleged father in a compromise agreement, the court shall consider the best interest of the child, in the light of the applicable factors enumerated in section 518.17, subdivision 3, discounted by the improbability, as it appears to the court, of establishing the alleged father's paternity or nonpaternity of the child in a trial of the action. In the best interest of the child, the court may order that the alleged father's identity be kept confidential. In that case, the court may designate a person or agency to receive from the alleged father*

and disburse on behalf of the child all amounts paid by the alleged father in fulfillment of obligations imposed on him. When the child reaches 21 years of age or older he may petition the court to disclose the alleged father's identity. The court shall grant the petition if after considering the interests of all known persons involved, the court determines that disclosure of the information would be of greater benefit than nondisclosure.

Sec. 11. Minnesota Statutes 1982, section 257.66, subdivision 3, is amended to read:

Subd. 3. [JUDGMENT; ORDER.] The judgment or order shall contain provisions concerning the duty of support, the custody (AND GUARDIANSHIP) of the child, the name of the child, visitation privileges with the child, the furnishing of bond or other security for the payment of the judgment, or any other matter in the best interest of the child. *Custody and visitation and all subsequent motions related to them shall proceed and be determined under section 3.* (THESE) *The remaining matters and all subsequent motions related to them shall proceed and be determined in accordance with chapter 518.* The judgment or order may direct the appropriate party to pay all or a proportion of the reasonable expenses of the mother's pregnancy and confinement, after consideration of the relevant facts, including the relative financial means of the parents; the earning ability of each parent; and any health insurance policies held by either parent, or by a spouse or parent of the parent, which would provide benefits for the expenses incurred by the mother during her pregnancy and confinement.

Sec. 12. Minnesota Statutes 1982, section 257.66, subdivision 4, is amended to read:

Subd. 4. [STATUTE OF LIMITATIONS.] Support judgments or orders ordinarily shall be for periodic payments which may vary in amount. In the best interest of the child, a lump sum payment may be ordered in lieu of periodic payments of support. The court shall limit the parent's liability for past support of the child to the proportion of the expenses that the court deems just, which were incurred in the (IMMEDIATE PRECEDING) two years *immediately preceding the commencement of the action.*

Sec. 13. Minnesota Statutes 1982, section 257.69, subdivision 2, is amended to read:

Subd. 2. [GUARDIAN; LEGAL FEES.] The court may order (REASONABLE COUNSEL,) expert (WITNESSES,) *witness* and guardian ad litem fees (,) and other costs of the trial and pre-trial proceedings, including appropriate tests, to be paid by the parties in proportions and at times determined by the court. The court shall require a party to pay part of the fees of court-appointed counsel according to the party's ability to pay, but if counsel has been appointed the appropriate agency shall

pay the party's proportion of all other fees and costs. *The agency responsible for child support enforcement shall pay the fees and costs for blood tests in a proceeding in which it is a party, is the real party in interest, or is acting on behalf of the child. However, at the close of a proceeding in which paternity has been established under sections 257.51 to 257.74, the court shall order the adjudicated father to reimburse the public agency, if the court finds he has sufficient resources to pay the costs of the blood tests.* When a party bringing an action is represented by the county attorney, no filing fee shall be paid to the clerk of court.

Sec. 14. Minnesota Statutes 1982, section 518.10, is amended to read:

518.10 [REQUISITES OF PETITION.]

The petition for dissolution of marriage or legal separation shall state and allege:

- (a) The name and address of the petitioner;
- (b) The name and, if known, the address of the respondent;

(i) Any temporary or permanent maintenance, child support, child custody, disposition of property, attorneys' fees, costs and disbursements applied for without setting forth the amounts.

The petition shall be verified by the petitioner or petitioners, and its allegations established by competent evidence.

Sec. 15. Minnesota Statutes 1982, section 518.17, is amended by adding a subdivision to read:

*Subd. 5. [DEVIATION FROM GUIDELINES.] The court shall not order the noncustodial parent to pay support in an amount below the appropriate amount determined from the guidelines in section 17 for use in public assistance cases unless the court makes express findings of fact as to the reason for the lower order.*

Sec. 16. Minnesota Statutes 1982, section 518.551, subdivision 1, is amended to read:

Subdivision 1. [(ORDER) PAYMENT TO PUBLIC AGENCY.] (WHENEVER AN OBLIGATION FOR SUPPORT OF A DEPENDENT CHILD OR MAINTENANCE OF A SPOUSE, OR BOTH, IN A PROCEEDING FOR DISSOLUTION OR LEGAL SEPARATION OR DETERMINATION OF PARENTAGE, HAS BEEN DETERMINED AND ORDERED BY A COURT OF THIS STATE, THAT COURT SHALL ORDER THE WITHHOLDING OF THE AMOUNT OF CHILD SUPPORT OR MAINTENANCE AS DETERMINED BY COURT ORDER, FROM THE INCOME, REGARDLESS OF SOURCE, OF THE PERSON OBLIGATED TO PAY THE SUPPORT OR MAINTENANCE. WHEN AN ORDER FOR WITHHOLDING HAS NOT PREVIOUSLY BEEN SECURED, THE OBLIGEE MAY OR THE PUBLIC AGENCY RESPONSIBLE FOR CHILD SUPPORT ENFORCEMENT SHALL MOVE THE COURT, AND THE COURT SHALL GRANT THE ORDER.)

(EACH ORDER SHALL PROVIDE THAT THE OBLIGOR'S EMPLOYER, TRUSTEE, OR OTHER PAYOR OF FUNDS SHALL WITHHOLD FROM THE OBLIGOR'S INCOME, REGARDLESS OF SOURCE, AN AMOUNT EQUAL TO THE COURT'S ORDER FOR SUPPORT OR MAINTENANCE.)

The court shall direct that all payments ordered for maintenance and support be made to the public agency responsible for child support enforcement so long as the obligee is receiving or has applied for public assistance. Amounts received by the public agency responsible for child support enforcement greater than the amount granted to the obligee shall be remitted to the obligee.

Sec. 17. Minnesota Statutes 1982, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving aid to families (OF) *with* dependent children or applies for it subsequent to the commencement of the proceeding. After receipt of the notice, (THE PUBLIC AUTHORITY SHALL RECOMMEND TO) the court (THE SUPPORT THAT IS PROPER AND ADEQUATE FOR THE CARE AND SUPPORT OF THE CHILD OR CHILDREN BEFORE THE ISSUANCE OF THE ORDER FOR JUDGMENT AND DECREE IN THE PROCEEDING.) *shall set child support by multiplying the obligor's net income by the percentage indicated by the following guidelines:*

Sec. 18. Minnesota Statutes 1982, section 518.551, subdivision 6, is amended to read:

Subd. 6. [FAILURE OF NOTICE.] If the court in a dissolution, legal separation or determination of parentage proceeding, finds before issuing the order for judgment and decree, that notification has not been given to the public authority, the court shall (ORDER THAT NOTIFICATION BE MADE AND SHALL NOT ISSUE ITS ORDER FOR JUDGMENT AND DECREE UNTIL THE PUBLIC AUTHORITY HAS MADE ITS RECOMMENDATIONS) *set child support according to the guidelines in section 17.* In those proceedings in which no notification has been made pursuant to this section and in which the public authority determines that the judgment is (NOT PROPER AND ADEQUATE FOR THE CARE AND SUPPORT OF THE CHILD OR CHILDREN) *lower than the child support required by the guidelines in section 17, it (MAY) shall move the court for a redetermination of the support payments ordered so that the support payments comply with the guidelines.*

Sec. 19. Minnesota Statutes 1982, section 518.551, is amended by adding a subdivision to read:

Subd. 8. [HEALTH INSURANCE OR PLAN.] *The court shall also include in the requirements for each child support order a provision naming the child as a beneficiary on whatever medical, hospitalization or dental insurance or plan is available to the obligor on a group basis through his or her employer or union.*

Sec. 20. Minnesota Statutes 1982, section 518.551, is amended by adding a subdivision to read:

Subd. 9. [ASSIGNMENT OF RIGHTS; JUDGMENT.] *The public agency responsible for child support enforcement is joined as a party in each case in which rights are assigned under section 1. When arrearages are reduced to judgment, the court shall grant judgment in favor of, and in the name of, the public agency to the extent that the arrearages are assigned. The public agency may enforce a judgment entered before the assignment of rights as if the judgment were granted to it, and in its name, to the extent that the arrearages in that judgment are assigned.*

Sec. 21. Minnesota Statutes 1982, section 518.611, is amended to read:

518.611 [(ASSIGNMENTS) INCOME WITHHOLDING.]

Subdivision 1. [ORDER.] Whenever an obligation for support of a dependent child or maintenance of a spouse, or both, (IN A PROCEEDING FOR DISSOLUTION OR LEGAL SEPARATION OR DETERMINATION OF PARENTAGE, HAS BEEN) is determined and ordered by a court of this state, that court shall order the withholding of the amount of child support or maintenance as determined by court order, from the income, regardless of source, of the person obligated to pay the support or maintenance. When an order for withholding has not previously been secured, the obligee may or the public agency responsible for child support enforcement shall move the court, and the court shall grant the order.

Subd. 2. [NOTICE TO OBLIGOR OF CONDITIONS.] Each order for withholding shall provide for a conspicuous notice to the obligor that withholding may result if the obligor fails to make the maintenance or support payments, and that no withholding shall be made until the following conditions are met:

(a) The obligee or the public authority determines that the obligor is at least 30 days in arrears;

(b) The obligee or the public authority serves written notice of its determination of arrearage on the obligor at least 15 days before service of the determination and a copy of the court's order for withholding on the payor of funds;

(c) Within the 15 day period, the obligor has either failed to pay all arrearages or to move the court, under section 518.64, to modify the order respecting the amount of maintenance or support and, ex parte, to stay service on the payor of funds until the motion to modify is heard; and

(d) The obligee or the public authority serves a copy of the determination of arrearage and a copy of the court's withholding order on the payor of funds.

(e) The obligee shall also serve on the public authority a copy of the determination of arrearage, a copy of the court's withholding order and an application to use the public authority's collection services.

Subd. 3. [MODIFICATION ORDERS.] An order modifying the amount of maintenance or support, issued after the hearing on the motion to modify, shall provide that payments be made *outright* by withholding. *The provisions of subdivision 2 do not apply.*

Subd. 4. [EFFECT OF ORDER.] *Notwithstanding any law to the contrary,* the order is binding on the employer, trustee, or other payor of the funds upon service upon him of notice

that it has been made. The payor shall withhold from the income payable to the obligor the amount specified in the order and shall monthly or more frequently remit the amounts withheld to the public authority. Amounts received by the public authority which are in excess of public assistance expended for the party or for a child shall be remitted to the party. An employer shall not discharge or otherwise discipline an employee as a result of a wage or salary (ASSIGNMENT) *withholding* authorized by this section.

*Subd. 5. [ARREARAGE ORDER.] Nothing in this section shall prevent the court from ordering the payor of funds to withhold amounts to satisfy the obligor's previous arrearage in child support or maintenance payments, the obligor's liability for pregnancy and confinement expenses and for blood test costs, and any service fees that may be imposed under section 518.551.*

*Subd. 6. [PRIORITY.] An order for withholding under this section or execution or garnishment upon a judgment for child support arrearages or preadjudicated expenses shall have priority over an attachment, execution, garnishment, or wage assignment unless otherwise ordered by the court and shall not be subject to the statutory limitations on amounts levied against the income of the obligor.*

*Subd. 7. [EMPLOYER EXPENSES.] An employer may deduct one dollar from the obligor-employee's remaining salary for each payment made pursuant to a withholding order under this section to cover the employer's expenses involved in the withholding.*

*Subd. 8. [EMPLOYER OR PAYOR NOTICE.] When a withholding order is in effect and the obligor's employment is terminated or the periodic payment terminates, the obligor's employer or the payor of funds shall notify the public agency responsible for child support enforcement of the termination within 30 days of the termination date. The notice shall include the obligor's home address and the name and address of the obligor's new employer or payor of funds, if known.*

Sec. 22. Minnesota Statutes 1982, section 518.64, subdivision 2, is amended to read:

*Subd. 2. [MODIFICATION.] The terms of a decree respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party (OR); (2) substantially increased or decreased need of a party (,); (3) receipt of assistance under sections 256.72 to 256.87; or (4) a change in the cost-of-living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair. On a motion for modification of support, the court shall take*

into consideration the needs of the children and the financial circumstances of the custodial parent's spouse, if any. A modification which decreases support or maintenance may be made retroactive only upon a showing that any failure to pay in accord with the terms of the original order was not willful. A modification which increases support or maintenance shall not be made retroactive if the obligor has substantially complied with the previous order. Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

Sec. 23. Minnesota Statutes 1982, section 518.64, subdivision 5, is amended to read:

Subd. 5. [FORM.] The department of public welfare shall prepare and make available to courts (AND), obligors *and persons to whom child support is owed* a form to be submitted by the obligor *or the person to whom child support is owed* in support of a motion for a modification of an order pursuant to this section or section 256.87. The (RULE-MAKING) *rulemaking* provisions of chapter 14 shall not apply to the preparation of the form.

Sec. 24. [518.641] [COST-OF-LIVING ADJUSTMENTS IN CHILD SUPPORT ORDER.]

*Subdivision 1. [REQUIREMENT.] An order for child support shall provide for a biennial adjustment in the amount to be paid based on a change in the cost-of-living. The order shall specify the cost-of-living index to be applied. The court may use the consumer price index for all urban consumers, Minneapolis-St. Paul (CPI-U), the consumer price index for wage earners and clerical, Minneapolis-St. Paul (CPI-W), or another cost-of-living index published by the department of labor which it specifically finds is more appropriate. The court may specify that the housing component be excluded from the cost-of-living adjustment. Cost-of-living increases under this section shall be compounded. It may also increase the amount by more than the cost-of-living adjustment by agreement of the parties or by making further findings. The adjustment becomes effective on the first of May of the year in which it is made. A court may waive the requirement of the cost-of-living clause if it expressly finds that the obligor's occupation or income, or both, does not provide for cost-of-living adjustment or that the order for child support has a provision such as a step increase that has the*

*effect of a cost-of-living clause. The commissioner of public welfare may promulgate rules under this section in accordance with the rulemaking provisions of chapter 14.*

*Subd. 2. [CONDITIONS.] No adjustment under this section may be made unless the order provides for it and until the following conditions are met:*

*(a) the obligee or public authority serves notice of its application for adjustment by mail on the obligor at the obligor's last known address at least 20 days before the effective date of the adjustment;*

*(b) the notice to the obligor shall inform the obligor that an adjustment in payments shall become effective on the first of May; and*

*(c) after receipt of notice and before the effective day of the adjustment, the obligor fails to request a hearing on the issue of whether the adjustment should take effect, and ex parte, to stay imposition of the adjustment pending outcome of the hearing.*

*Subd. 3. [RESULT OF HEARING.] If, at a hearing pursuant to this section, the obligor establishes an insufficient cost of living or other increase in income that prevents fulfillment of the adjusted child support obligation, the court may direct that all or part of the adjustment not take effect. If, at the hearing, the obligor does not establish this insufficient increase in income, the adjustment shall take effect as of the date it would have become effective had no hearing been requested.*

*Subd. 4. [FORM.] The department of public welfare shall prepare and make available to the court and obligors a form to be submitted to the department by the obligor in support of a request for hearing under this section. The rulemaking provisions of chapter 14 shall not apply to the preparation of the form.*

*Subd. 5. [REQUEST FOR COST-OF-LIVING CLAUSE.] A motion for enforcement or modification of an existing child support order shall include a request for a cost-of-living clause. The court may deny the request only upon an express finding that the obligor's occupation, income, or both, does not provide for a cost-of-living adjustment or that the existing child support order either has a cost-of-living clause or sets forth a step increase which has the effect of a cost-of-living adjustment.*

Sec. 25. Minnesota Statutes 1982, section 518.645, is amended to read:

518.645 [FORM OF ORDER.]

The salary of the commissioner of labor and industry is the upper limit of compensation of employees in the bureau of mediation services. *However, if an agency head is assigned a salary that is lower than the current salary of another agency employee, the employee shall retain the salary, but shall not receive any increase in salary as long as the salary is above that of the agency head.* The commissioner may grant exemptions from these upper limits as provided in subdivisions 3 and 4.

The commissioner shall review each proposed increase giving due consideration to salary rates paid to other persons with similar responsibilities in the state. The commissioner may not increase the limitation until the commissioner has presented the proposed increase to the legislative commission on employee relations and received the commission's recommendation on it. If the articles so provide, any action, other than an action requiring shareholder or membership approval, may be taken by written action signed by the number of directors that would be required to take the same action at a meeting of the board at which all directors were present; provided that all directors must be notified of the text of the written action prior to the signing by any of the directors.*

(b) *The written action is effective when signed by the required number of directors, unless a different effective time is provided in the written action.*

(c) *When written action is permitted to be taken by less than all directors, all directors shall be notified immediately of its effective date. In lieu of the bond required by this subdivision the applicant may deposit with the state treasurer cash, a certified check, a cashier's check, a postal bank, or express money order, assignable bonds or notes of the United States, or an assignment of a bank savings account or investment certificate or an irrevocable bank letter of credit as defined in section 336.5-103, in the same amount as would be required for a bond.

Subd. 5. [(VOLUNTARY EXTENSION OF CREDIT) CASH SALES; MANNER OF PAYMENT.] (UPON DEMAND BY A SELLER OF GRAIN, A GRAIN BUYER SHALL PAY 90 PERCENT OF THE ESTIMATED OR ACTUAL VALUE OF GRAIN PURCHASED AT THE TIME THE PHYSICAL POSSESSION OF THE GRAIN IS CONVEYED FROM THE SELLER TO THE GRAIN BUYER.) *For a cash sale of a shipment of grain which is part of a multiple shipment sale, the grain buyer shall tender payment to the seller in cash or by check not later than ten days after the sale of that shipment, except that when the entire sale is completed, payment shall be tendered not later than the close of business on the next day, or within 48 hours, whichever is later. For other cash sales the grain buyer, before the close of business on the next business day after the sale, shall tender payment to the seller in cash or by check, or shall wire or mail funds to the seller's account in the amount of at least 80 percent of the value of the grain at the time of delivery. The grain buyer shall complete final settlement as rapidly as possible through ordinary diligence. Any transaction (WHEREIN THIS DEMAND IS NOT EXERCISED)*

*which is not a cash sale in compliance with the provisions of this subdivision constitutes a voluntary extension of credit (AND) which is not afforded protection under the grain buyer's bond, and which must comply with sections 9 and 10.*

*Subd. 5a. [GRAIN PURCHASES FROM UNLICENSED PRODUCERS.] No grain buyer may refuse to purchase grain from a producer solely because the producer is not bonded or is not licensed by the commissioner; provided, that any producer who buys grain from other producers shall be licensed and bonded as required by this chapter.*

*Subd. 6. [(CONFIDENTIAL STATEMENTS REQUIRED) FINANCIAL STATEMENTS.] For the purpose of fixing or changing the amount of a required bond or for any other proper reason, the commissioner shall require an annual financial (STATEMENTS) statement from a licensee which has been prepared in accordance with generally accepted accounting principles and which meets the following requirements:*

*(a) The financial statement shall include, but not be limited to the following: (1) a balance sheet; (2) a statement of income (profit and loss); (3) a statement of retained earnings; (4) a statement of changes in financial position; and (5) a statement of the dollar amount of grain purchased in the previous fiscal year of the grain buyer.*

*(b) The financial statement shall be accompanied by a compilation report of the financial statement which is prepared by a grain commission firm or a management firm approved by the commissioner or by an independent public accountant, in accordance with standards established by the American Institute of Certified Public Accountants.*

*(c) The financial statement shall be accompanied by a certification by the chief executive officer or his designee of the licensee, under penalty of perjury, that the financial statement accurately reflects the financial condition of the licensee for the period specified in the statement.*

*Only one financial statement must be filed for a chain of warehouses owned or operated as a single business entity, unless otherwise required by the commissioner. Any grain buyer having a net worth in excess of \$500,000,000 need not file the financial statement required by this subdivision but must provide the commissioner with a certified net worth statement. All financial statements filed with the commissioner are private or nonpublic data as provided in section 13.02.*

*Subd. 6a. [SUSPENSION, REVOCATION, OR REFUSAL TO ISSUE LICENSE.] (a) If (THE) a license applicant or a licensee fails to furnish financial statements (OR TO FUR-*

NISH ANY NEW BOND REQUIRED,) the commissioner may (IMMEDIATELY) *refuse to issue or renew the license or may suspend the license (AND THE LICENSEE SHALL SURRENDER THE LICENSE TO THE COMMISSIONER. WITHIN 15 DAYS THE).*

(b) *The commissioner may refuse to issue or renew a license or may suspend a license if he determines, based upon the financial statement filed under this section or other financial information obtained by him, that the applicant or licensee is not financially able to properly perform the services and operate the business for which the license is issued.*

(c) *When a license is suspended the licensee shall surrender the license to the commissioner. An applicant or licensee may request an administrative hearing subject to chapter 14 within 15 days after the commissioner suspends a license or refuses to issue or renew a license under clause (b) to determine whether the license should be issued, renewed, or revoked. If no request is made within 15 days after suspension, the commissioner shall revoke the license. (ALL FINANCIAL STATEMENTS SUBMITTED TO THE COMMISSIONER ARE CONFIDENTIAL.)*

Subd. 7. [PRODUCER BOND AND CONTRACT CLAIMS.] A producer claiming to be damaged by a breach of (THE CONDITIONS OF A BOND OF) *a contract for the purchase of grain by a licensed grain buyer may file a written claim with the commissioner. The claim must state the facts constituting the claim. The claim must be filed with the commissioner within 180 days of the breach of the (CONDITIONS OF THE BOND) contract. If (THE COMMISSIONER BELIEVES THAT) a claim is valid, the commissioner may immediately suspend the license, in which case the licensee shall surrender the license to the commissioner. Within 15 days the licensee may request an administrative hearing subject to chapter 14 to determine whether the license should be revoked. If no request is made within 15 days, the commissioner shall revoke the license.*

Subd. 8. [BOND DISBURSEMENT] (a) *The bond required under subdivision 4 shall provide for payment of loss caused by the grain buyer's failure to pay, upon the owner's demand, the purchase price of grain sold to the grain buyer in the manner provided by subdivision 5, including loss caused by failure to pay within the time required. The bond shall be conditioned upon the grain buyer being duly licensed as provided herein. (THE BOND SHALL NOT COVER ANY TRANSACTION WHICH CONSTITUTES A VOLUNTARY EXTENSION OF CREDIT.)*

(b) (UPON NOTIFICATION OF DEFAULT,) *The commissioner shall promptly determine the validity of all claims filed with him and notify (ALL PARTIES HAVING FILED CLAIMS) the claimants of the determination. An aggrieved*

party may appeal the commissioner's determination by requesting, within 15 days, that the commissioner initiate a contested case proceeding. In the absence of such a request, or following the issuance of a final order in a contested case, the surety company shall issue payment *promptly* to those claimants entitled to payment. (WHEN THE COMMISSIONER DETERMINES IT NECESSARY,) The commissioner may apply to the district court for an order appointing a trustee or receiver to manage and supervise the operations of the grain buyer in default. The commissioner may participate in any resulting court proceeding as an interested party.

(c) If a grain buyer has become liable to more than one producer by reason of breaches of the conditions of the bond and the amount of the bond is insufficient to pay the entire liability to all producers entitled to the protection of the bond, the proceeds of the bond shall be apportioned among the bona fide claimants.

(d) The bond shall not be cumulative from one licensing period to the next. The maximum liability of the bond shall be its face value for the licensing period.

*Subd. 9. [DEFAULTS; VIOLATIONS.] If the commissioner finds, after an investigation is conducted, that a complaint is valid or that a licensee is in violation of the provisions of this chapter, the commissioner may immediately suspend the license, in which case the licensee shall surrender the license to the commissioner. Within 15 days, the licensee may request an administrative hearing subject to chapter 14 to determine whether the license should be revoked. If no request is made within 15 days, the commissioner shall revoke the license.*

**Sec. 9. [223.175] [WRITTEN VOLUNTARY EXTENSION OF CREDIT CONTRACTS; FORM.]**

*A written confirmation required under section 10, subdivision 2, and a written voluntary extension of credit contract must include those items prescribed by the commissioner by rule. A contract shall include a statement of the legal and financial responsibilities of grain buyers and sellers established in this chapter. A contract shall also include the following statement in not less than ten point, all capital type, framed in a box with space provided for the seller's signature: "THIS CONTRACT CONSTITUTES A VOLUNTARY EXTENSION OF CREDIT. THIS CONTRACT IS NOT COVERED BY ANY GRAIN BUYER'S BOND." If a written contract is provided at the time the grain is delivered to the grain buyer, the seller shall sign the contract in the space provided beneath the statement.*

**Sec. 10. [223.177] [PURCHASE BY VOLUNTARY EXTENSION OF CREDIT CONTRACTS.]**

*Subdivision 1. [INDICATION OF INTENTION.] Every grain buyer who intends to purchase grain by voluntary extension of credit contracts shall indicate his intention to do so annually to the commissioner on a form provided by the commissioner.*

*Subd. 2. [ORAL CONTRACTS.] Any grain buyer entering into a voluntary extension of credit contract orally or by phone shall give or mail to the seller a written confirmation conforming to the requirements of section 9 before the close of the next business day.*

*Subd. 3. [CONTRACTS REDUCED TO WRITING.] A voluntary extension of credit contract must be reduced to writing by the grain buyer and mailed or given to the seller before the close of the next business day after the contract is entered into or, in the case of an oral or phone contract, after the written confirmation is received by the seller. Provided, however, that if a scale ticket has been received by the seller prior to the completion of the grain shipment, the contract must be reduced to writing within ten days after the sale, but not later than the close of the next business day after the completion of the entire sale. The form of the contract shall comply with the requirements of section 9.*

*Subd. 4. [GRAIN, RIGHTS, OR PROCEEDS HELD.] A licensed grain buyer purchasing grain by voluntary extension of credit contracts shall at all times maintain grain, rights in grain, or proceeds from the sale of grain totaling 90 percent of the grain buyer's obligation for grain purchased by voluntary extension of credit contracts. That amount must be evidenced or represented by one or more of the following:*

*(a) grain owned and actually held by the grain buyer in a grain warehouse owned or controlled by the grain buyer;*

*(b) rights in grain evidenced or represented by warehouse receipts issued by a state or federally licensed grain warehouse;*

*(c) cash on hand or cash held on account in federally or state licensed institutions;*

*(d) short-term investments held in time accounts with federally or state licensed institutions;*

*(e) balances on grain margin accounts;*

*(f) voluntary extension of credit contracts for grain shipped to a processor or terminal as purchaser, less any payment or advance that has been received;*

(g) *an irrevocable letter of credit, as defined in section 336.5-103; or*

(h) *other evidence of proceeds from the sale of grain acceptable to the commissioner.*

**Subd. 5. [VALUE OF GRAIN.]** *For the purpose of computing the dollar value of inventories of voluntary extension of credit obligations, the value of grain must be figured at the current market price on the day of delivery.*

**Subd. 6. [TRANSFER OF TITLE.]** *The title to grain delivered on a voluntary extension of credit contract transfers to the grain buyer upon delivery.*

**Subd. 7. [STORAGE CHARGES PROHIBITED.]** *No storage charges may be charged with respect to grain purchased on voluntary extension of credit contracts.*

**Subd. 8. [RECORDS.]** *A grain buyer shall keep sufficiently detailed books and records of voluntary extension of credit contracts and evidences of grain, rights in grain, and the proceeds from the sale of grain so as to clearly show compliance with this section. The commissioner or his authorized agent may inspect these books and records to determine whether grain buyers are complying with the provisions of this chapter, and for this purpose the commissioner may enter upon any public or private premises during regular business hours.*

Sec. 11. Minnesota Statutes 1982, section 223.18, is amended to read:

**223.18 [PENALTY.]**

*A person buying grain without first obtaining a grain buyer's license is guilty of a misdemeanor. Each day of operation without a grain buyer's license constitutes a separate offense. In case of license revocation, no new license shall be granted to the person whose license was revoked nor to anyone either directly or indirectly engaged with him in the licensed business for two years. A grain dealer who withholds records from the commissioner, keeps or files records which he knows to be false, alters records fraudulently, or presents to the commissioner any records which he knows to be false, is guilty of a gross misdemeanor.*

Sec. 12. Minnesota Statutes 1982, section 223.19, is amended to read:

**223.19 [RULES.]**

The commissioner may (PROMULGATE) *make temporary or permanent rules pursuant to chapter 14 to carry out the provisions of sections 223.15 to 223.19, and sections 13 to 15.*

**Sec. 13. [223.20] [REGULATION OF GRAIN BUYERS AND GRAIN STORAGE.]**

*The commissioner may create a separate division within the department of agriculture for the purpose of administering this chapter and chapter 232.*

**Sec. 14. [223.21] [ATTORNEY GENERAL; ENFORCEMENT.]**

*The attorney general, upon request of the commissioner, shall assist the commissioner in enforcing this chapter.*

**Sec. 15. [223.22] [INVESTIGATION; EDUCATION.]**

*Subdivision 1. [LEGISLATIVE INVESTIGATION.] The legislature recommends that the standing committees of the house and senate with jurisdiction over agriculture investigate methods of protecting producers when marketing grain using voluntary extension of credit contracts, including establishment of a state administered trust fund, private insurance, or reinsurance, and methods which grain buyers can use to protect themselves and grain producers from grain price fluctuations.*

*Subd. 2. [EDUCATION.] The commissioner shall make every effort to inform grain producers and grain buyers of the protections and exposures which result from application of this chapter.*

**Sec. 16. Minnesota Statutes 1982, section 232.22, subdivision 4, is amended to read:**

**Subd. 4. [BONDING.] Before a license is issued, the applicant for a public grain warehouse operator's license shall file with the commissioner a bond in a penal sum prescribed by the commissioner. The penal sum on a condition one bond shall be established by rule by the commissioner pursuant to the requirements of chapter 14 for all grain outstanding on grain warehouse receipts. The penal sum on a condition two bond shall not be less than \$10,000 for each location up to a maximum of five locations. (NO CONDITION TWO BOND SHALL BE REQUIRED UNDER THIS SUBDIVISION AFTER JUNE 30, 1983.)**

**Sec. 17. Minnesota Statutes 1982, section 232.22, subdivision 7, is amended to read:**

**Subd. 7. [BOND DISBURSEMENT.] (a) The condition one bond of a public grain warehouse operator must be condi-**

tioned that the public grain warehouse operator issuing a grain warehouse receipt is liable to the depositor for the delivery of the kind, grade and net quantity of grain called for by the receipt.

(b) The condition two bond shall provide for payment of loss caused by the grain buyer's failure to pay, upon the owner's demand, the purchase price of grain sold to the grain buyer. The bond shall be conditioned upon the grain buyer being duly licensed as provided herein. The bond shall not cover any transaction which constitutes a voluntary extension of credit. (THIS CLAUSE EXPIRES JULY 1, 1983.)

(c) Upon notification of default, the commissioner shall determine the validity of all claims and notify all parties having filed claims. Any aggrieved party may appeal the commissioner's determination by requesting, within 15 days, that the commissioner initiate a contested case proceeding. In the absence of such a request, or following the issuance of a final order in a contested case, the surety company shall issue payment to those claimants entitled to payment. If the commissioner determines it is necessary, the commissioner may apply to the district court for an order appointing a trustee or receiver to manage and supervise the operations of the grain warehouse operator in default. The commissioner may participate in any resulting court proceeding as an interested party.

(d) For the purpose of determining the amount of bond disbursement against all valid claims under a condition one bond, all grain owned or stored in the public grain warehouse shall be sold and the combined proceeds deposited in a special fund. Payment shall be made from the special fund satisfying the valid claims of grain warehouse receipt holders.

(e) If a public grain warehouse operator has become liable to more than one depositor or producer by reason of breaches of the conditions of the bond and the amount of the bond is insufficient to pay, beyond the proceeds of the special fund, the entire liability to all valid claimants, the proceeds of the bond and special fund shall be apportioned among the valid claimants on a pro rata basis.

(f) A bond is not cumulative from one licensing period to the next. The maximum liability of the bond shall be its face value for the licensing period.

May 21, 1983

The Honorable Jerome M. Hughes

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 889, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 889 be amended as follows:

"Sec. 3. Minnesota Statutes 1982, section 475.65, is amended to read:

475.65 [DELIVERY OF BONDS; USE OF PROCEEDS.]

Upon payment to the treasurer of the purchase price by the successful bidder, the obligations shall be delivered, and the treasurer shall account for the receipt and disbursement of the proceeds thereof for the use named in the resolution or other instrument or instruments authorizing such obligations, in a separate fund or account in the official financial records of the municipality. Pending such use the proceeds may be invested and reinvested in accordance with law, and the income and gain therefrom shall be held as part of the proceeds and applied to such use or to the payment of the obligations and interest thereon or otherwise as provided in any city charter or any other law. The purchaser shall not be obligated to see to the application of the purchase price. When the use authorized is the acquisition or betterment of any land, easements, buildings, structures, machinery, or equipment, the proceeds may be used to pay all expenses, incurred and to be incurred, which are reasonably necessary and incidental to such acquisition or betterment, including, but without limitation, the cost of necessary professional planning studies to determine desirable locations, architectural, engineering, legal, financial advisory, and other professional services, printing and publication, and interest to accrue on the obligations prior to the anticipated date of commencement of the collection of taxes or special assessments to be levied or other funds pledged for the payment of the obligations and interest thereon. When the obligations are payable wholly from the income from a utility or other project, for the acquisition or betterment of which the obligations are issued, the proceeds may be used in part to establish a reserve as further security for the payment of such principal and interest when due. If the contemplated use be afterward abandoned, or if any balance of the proceeds of the obligations remains after the use is accomplished, (SUCH) or if the governing body determines that at least 85 percent of the cost of the use has been paid or finally determined and retains in the fund an amount sufficient to pay the estimated costs of completion, the remainder of the fund may be devoted to any other public use authorized by law, and approved by resolution adopted or vote taken in the manner required to

authorize bonds for such new use and purpose. Any balance remaining after the improvement has been completed and paid for, unless devoted to a new use as herein authorized, shall become a part of the debt service fund of the municipality."

### CONFERENCE COMMITTEE REPORT ON S. F. NO. 201

A bill for an act relating to intoxicating liquor; authorizing off-sale licensees to dispense samples of wine, liqueurs and cordials; amending Minnesota Statutes 1982, section 340.11, subdivision 15.

May 22, 1983

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 201, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 201 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 340.034, subdivision 1, is amended to read:

Subdivision 1. No sale of non-intoxicating malt liquor shall be made between the hours of one a.m. and eight a.m. on any weekday Monday through Saturday inclusive. Neither shall any sale of such liquor be made on any Sunday between the hours of one a.m. and twelve (O'CLOCK) noon (, NOR BETWEEN THE HOURS OF ONE A.M. AND EIGHT O'CLOCK P.M. ON THE DAY OF ANY STATEWIDE ELECTION).

Sec. 2. Minnesota Statutes 1982, section 340.11, subdivision 11, is amended to read:

Subd. 11. [ON-SALE LICENSES, INCLUDING HOTELS, CLUBS, RESTAURANTS, AND ON-SALE EXCLUSIVE LIQUOR STORES.] "On-sale" licenses may be issued by municipalities for the sale of intoxicating liquors in hotels, clubs, restaurants and establishments for the sale of "on-sale" liquors exclusively within the number authorized by this section. In addition to the number of licenses authorized by this section, an "on-sale" license may be issued, if approved by the commissioner of public safety, to a bona fide club (WHICH HAS BEEN IN EXISTENCE FOR 15 YEARS OR MORE) or (TO A) congressionally chartered veterans' organization which has been in existence for (FIVE) *at least three* years. The club or veterans' organization must be incorporated in order to be eligible to apply for a license, and the license issued must be for the sale of intoxicating liquors to members and bona fide guests only. The license fee for an "on-sale" license issued by a municipality pursuant to this subdivision shall be in an amount determined by the governing body thereof subject to the following limitation: up to \$300 for a veterans organization or fraternal club with a membership of 200 or less; up to \$500 for a veterans organization or fraternal club with a membership of between 201 and 500; up to \$650 for a veterans organization or fraternal club with a membership of between 501 and 1,000; up to \$800 for a veterans organization or fraternal club with a membership of between 1,001 and 2,000; up to \$1,000 for a veterans organization or fraternal club with a membership between 2,000 and 4,000; up to \$2,000 for a veterans organization or fraternal club with a membership of between 4,001 and 6,000; and up to \$3,000 for a veterans organization or fraternal club with a membership of more than 6,000. For purposes of the maximum license fee which may be imposed by a municipality pursuant to this subdivision, "fraternal club" means a club which serves only members and their guests and which uses any profits derived from these sales principally for sponsoring activities beneficial to the community and not for the benefit of any individual. Except in cities of the first, second, and third class, a license may be issued jointly to congressionally

chartered veterans' organizations that otherwise qualify under this subdivision.

Sec. 3. Minnesota Statutes 1982, section 340.11, subdivision 15, is amended to read:

Subd. 15. [LICENSES NOT REQUIRED.] It is lawful for a brewer to sell intoxicating malt beverages to his employee or to a former employee who is retired because of age or physical disability. Such beverages shall be sold for consumption off the premises only, and the amount sold to any one person in any one week shall not exceed 768 fluid ounces. The requirements of law relating to minimum prices for the sale of intoxicating malt beverages shall not apply to sales made under this subdivision, nor shall any license be required for the making of such sales. It is also lawful for a collector of commemorative bottles, as these terms are defined in section 340.44, to sell commemorative bottles to another collector without obtaining a license. *It is also lawful for an off-sale licensee or municipal liquor store to provide samples of wine, liqueurs, and cordials which the licensee or municipal liquor store currently has in stock and is offering for sale to the general public without obtaining an additional license, provided the wine, liqueur, and cordial samples are dispensed at no charge and consumed on the licensed premises during the permitted hours of off-sale in a quantity less than 50 milliliters of wine per variety per customer and 25 milliliters of liqueur or cordial per variety per customer.*

Sec. 4. Minnesota Statutes 1982, section 340.14, subdivision 1, is amended to read:

Subdivision 1. [HOURS AND DAYS OF SALE.] No sale of intoxicating liquor shall be made after one a.m. on Sunday, nor until eight a.m. on Monday (, NOR BETWEEN THE HOURS OF ONE A.M. AND EIGHT O'CLOCK P.M. ON THE DAY OF ANY STATEWIDE ELECTION). No "on-sale" shall be made between the hours of one a.m. and eight o'clock a.m. on any weekday. No "on-sale" shall be made after eight o'clock p.m. on December 24. No "off-sale" shall be made before eight o'clock a.m. or after ten o'clock p.m. of any day. However, in cities of the first class, and in all cities located within a radius of 15 miles of a city of the first class within the same county, "off-sale" may be made only until eight o'clock p.m. of any day except Friday and Saturday, on which days "off-sale" may be made until ten o'clock p.m. No "off-sale" shall be made on New Years Day, January 1; Independence Day, July 4; Thanksgiving Day; or Christmas Day, December 25; but on the evenings preceding such days, if the sale of liquor is not otherwise prohibited on such evenings, "off-sales" may be made until ten o'clock p.m., except that no "off-sale" shall be made on December 24 after eight o'clock p.m. It shall be beyond the power of any municipality of this state to authorize or permit the sale of intoxicating liquors when such sale is prohibited by this section, however,

any municipality may further limit the hours of sale of intoxicating liquors, provided that such further restricted hours for "on-sale" shall apply to both intoxicating liquors and non-intoxicating malt liquors.

Sec. 5. Minnesota Statutes 1982, section 340.15, is amended by adding a subdivision to read:

*Subd. 3. This section does not apply to advertising of liquor prices by an off-sale licensee in a newspaper of general circulation published in a bordering state if the newspaper is the primary newspaper of general circulation in the area in which the off-sale licensee is located.*

Sec. 6. Minnesota Statutes 1982, section 340.408, is amended to read:

**340.408. [JOINT PURCHASES.]**

*No variable volume price or discount shall be offered to a retailer for a quantity of distilled spirits or wine in excess of 300 liter or smaller bottles. The joint purchase for resale to the general public of 300 or fewer (QUART) liter or smaller bottles of (INTOXICATING LIQUOR) distilled spirits or wine by more than one person lawfully permitted to sell (INTOXICATING LIQUOR) distilled spirits or wine to the general public is lawful. No rule or regulation pursuant to this chapter shall prohibit a lawful purchase pursuant to this section.*

Sec. 7. Minnesota Statutes 1982, section 340.983, is amended to read:

**340.983 [FILING OF WHOLESALE PRICE SCHEDULE.]**

No brand owner or wholesaler of distilled (LIQUOR) *spirits* or wine shall sell, offer for sale, or solicit any order for distilled liquor or wine unless a schedule of wholesale prices, which shall include varying volume prices, is filed with the commissioner, on a form prescribed by him, and no sales shall be made except in accordance with (SUCH) *these* prices. (SUCH) Forms shall provide for the listing of the price, including any varying volume prices, at which each brand distributed by the filing wholesaler or brand owner is sold. The commissioner shall maintain (SUCH) filings in such a manner as to make their contents easily accessible to the public. The filings required under this section shall be made not later than the first day of each month, and the schedule of filed prices shall be effective from that day until the first day of the next month, provided that any filing may be amended within five days after its filing. The commissioner shall provide copies of (SUCH) filings to any person requesting them, and may charge a reasonable fee therefor. Any

person may examine (SUCH) filings in the office of the commissioner, and no charge shall be made for such examination.

(NO VOLUME PRICE FILED PURSUANT TO THIS SECTION SHALL BE FOR A QUANTITY IN EXCESS OF 300 QUARTS.)

Sec. 8. [ST. PAUL; PARK CLUB HOUSES; LIQUOR.]

*Notwithstanding any contrary provision of law, charter or ordinance, the city of St. Paul may by ordinance authorize any holder of an "on-sale" liquor license issued by the city to dispense intoxicating liquor at any event of definite duration on the public premises known as the Phalen Park club house. The event may not be profit making except as a fund raising event for a nonprofit organization or a political committee as defined in Minnesota Statutes, section 210A.01, subdivision 8. The licensee must be engaged to dispense liquor at the event by a person or organization permitted to use the premises and may dispense liquor only to persons attending the event. A licensee's authority shall expire upon termination of the event. The authority to dispense liquor shall be granted in accordance with the statutes applicable to the issuance of "on-sale" liquor licenses in cities of the first class consistent with this act. The dispensing of liquor shall be subject to all laws and ordinances governing the dispensing of intoxicating liquor that are consistent with this act. All dispensing of liquor shall be in accordance with the conditions prescribed by the city. The conditions may limit the dispensing of liquor to designated areas of the facility. The city may fix and assess a fee to be paid to the city by an "on-sale" licensee for each event for which the licensee is engaged to dispense liquor. The authority granted by this subdivision shall not count as an additional "on-sale" intoxicating liquor license for purposes of determining the number of liquor licenses permitted to be issued under the provisions of Minnesota Statutes, section 340.11.*

Sec. 9. [ST. PAUL; ON-SALE NONINTOXICATING MALT LIQUOR AND ON-SALE WINE LICENSES FOR THE DOWNTOWN COUNCIL.]

*Notwithstanding sections 340.11, subdivision 20, 340.14, subdivision 3, and any other contrary provision of law, charter, or ordinance, the governing body of the city of St. Paul may issue "on-sale" nonintoxicating malt liquor and "on-sale" wine licenses to the St. Paul Downtown Council for use only at the annual Taste of Minnesota Festival to commemorate the July 4th holiday at the state capital and on its surrounding property. The fee for each license issued under this section is \$53.50.*

Sec. 10. [MINNETONKA ON-SALE LIQUOR LICENSES.]

*The city of Minnetonka may issue three on-sale licenses for the sale of intoxicating liquor, which licenses shall be in addition to the number authorized by Minnesota Statutes, section 340.11, subdivision 5a. All other provisions of chapter 340 shall apply to licenses issued pursuant to this section.*

**Sec. 11. [LONG PRAIRIE ON-SALE LICENSE.]**

*Notwithstanding the period of incorporation requirement of section 340.11, subdivision 11, or any law to the contrary, the city of Long Prairie may issue one club on-sale intoxicating liquor license to a Moose Lodge located within the city. The fee shall be that required by section 340.11, subdivision 11, and all other provisions of chapter 340 not inconsistent with this section shall apply to the license.*

**Sec. 12. [EFFECTIVE DATES.]**

*Section 8 is effective upon approval by the governing body of the city of St. Paul and compliance with Minnesota Statutes, section 645.021, subdivision 2. Section 9 is effective upon approval by the governing body of the city of St. Paul and compliance with Minnesota Statutes, section 645.021, subdivision 3. Section 10 is effective upon approval by the governing body of the city of Minnetonka and compliance with Minnesota Statutes, section 645.021, subdivision 3. Section 11 is effective upon approval by the governing body of the city of Long Prairie and compliance with Minnesota Statutes, section 645.021, subdivision 3. Sections 1 to 7 are effective the day following final enactment."*

Delete the title and insert:

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 87, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 87 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 245.783, subdivision 3, is amended to read:

Subd. 3. [STUDY OF APPLICANT.] Before issuing a license or renewing a license, the commissioner shall conduct a study of the applicant and the agency or the day care or residential facility. The bureau of criminal apprehension, a county attorney, a county sheriff, and a chief of a local police department. (WITH THE INFORMED CONSENT OF), *after notice to the subject of the data*, shall assist in this study by providing to the commissioner, the director of any local agency responsible for licensing, or their representatives all criminal conviction

data, arrest information, reports regarding abuse or neglect of children, and investigation results available from local, state, and national criminal history record repositories, including the criminal justice data communications network, pertaining to the following individuals connected with the application for or renewal of a license: applicants, operators, all persons living in the household, all staff of any day care or residential facility and all staff of agencies placing children for care. If the commissioner is satisfied that the provisions of sections 245.781 to 245.812 and 252.28, subdivision 2 and the applicable rules (AND REGULATIONS) promulgated by him are substantially met, a license shall be issued. If the results of the study indicate that all of the applicable laws (,) and rules (AND REGULATIONS) cannot be met immediately, but can and will be met within one year or less, and the deviations do not threaten the health, rights, or safety of persons to be served, a provisional license may be issued for a period not to exceed one year from the date of issuance.

The commissioner may request advice from persons using the facility, agency, or service, operators of a similar facility, agency, or service, and relevant professionals as part of the evaluation of an applicant.

Sec. 2. Minnesota Statutes 1982, section 245.801, subdivision 4, is amended to read:

Subd. 4. [SUSPENSION; APPEAL.] An operator whose license the commissioner proposes to suspend, revoke, or make probationary shall be given notice by certified mail addressed to the location shown on the license. The notice shall contain a statement of, and the reasons for, the proposed action and shall inform the operator of his right to appeal the decision to the commissioner, in writing, within ten days after receipt of the notice of the proposed action. Upon receiving a timely written appeal, the commissioner shall give the operator reasonable notice and an opportunity for a prompt hearing before an impartial hearing examiner. *The local welfare agency may demonstrate reasonable cause to revoke, suspend, not renew, or make probationary a family foster care or family day care license by submitting reports, statements, affidavits, or other reliable hearsay to substantiate the allegations of non-compliance with rules promulgated by the commissioner pursuant to section 245.802 governing family foster care licensing and family day care licensing. Upon demonstration by the agency that reasonable cause exists to take the proposed action with respect to a family foster care or family day care license, the burden of proof shifts to the licensee to demonstrate compliance with the rule by a preponderance of the evidence.* The hearing examiner shall make a recommendation to the commissioner as to whether the license shall be suspended, revoked, or made probationary. However, if the commissioner finds that the health, safety or rights of the persons served by the facility or

agency are in imminent danger, he shall order the immediate suspension of the license. The operator shall be given written notice of the order by personal service. The notice shall contain a statement of the reasons for the suspension and shall inform the operator of his right to petition the commissioner for reconsideration of the order. The petition shall be in writing and shall be made within five days after the personal service of the order. Upon receiving a timely written petition, the commissioner shall give the operator reasonable notice and an opportunity for a prompt hearing before an impartial hearing examiner with respect to the order of suspension of the license. The hearing examiner shall make a recommendation to the commissioner as to whether the order of suspension should be affirmed or reversed. The commissioner shall not be bound by the recommendation of the hearing examiner. The final decision of the commissioner shall be served on the operator by personal service, and shall inform the applicant of his rights under chapter 14 and as stated in this section.

Sec. 3. Minnesota Statutes 1982, section 260.242, is amended by adding a subdivision to read:

*Subd. 1a. [BOTH PARENTS DECEASED.] If upon petition to the juvenile court by a reputable person, including but not limited to an agent of the commissioner of public welfare, and upon hearing in the manner provided in section 260.155, the court finds that both parents are deceased and no appointment has been made or petition for appointment filed pursuant to sections 525.615 to 525.6185, the court shall order the guardianship and legal custody of the child transferred to:*

- (a) the commissioner of public welfare;*
- (b) a licensed child placing agency; or*
- (c) an individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.*

Sec. 4. Minnesota Statutes 1982, section 260.242, subdivision 2, is amended to read:

*Subd. 2. [GUARDIAN'S POWERS.] (a) A guardian appointed under the provisions of (SUBDIVISION 1) this section has legal custody of his ward unless the court which appoints him gives legal custody to some other person. If the court awards custody to a person other than the guardian, the guardian nonetheless has the right and responsibility of reasonable visitation, except as limited by court order.*

*(b) The guardian may make major decisions affecting the person of his ward, including but not limited to giving consent (when consent is legally required) to the marriage, enlistment*

in the armed forces, medical, surgical, or psychiatric treatment, or adoption of the ward. When, pursuant to (SUBDIVISION 1, CLAUSE (A)) *this section*, the commissioner of public welfare is appointed guardian, he may delegate to the welfare board of the county in which, after the appointment, the ward resides, the authority to act for him in decisions affecting the person of his ward, including but not limited to giving consent to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment of the ward.

(c) A guardianship created under the provisions of (SUBDIVISION 1) *this section* shall not of itself include the guardianship of the estate of the ward.

Sec. 5. Minnesota Statutes 1982, section 364.09, is amended to read:

**364.09 [LAW ENFORCEMENT; EXCEPTION.]**

This chapter shall not apply to the practice of law enforcement (*; BUT*) or to eligibility for a family day care license or a family foster care license. Nothing in this section shall be construed to preclude the Minnesota police and peace officers training board from recommending policies set forth in this chapter to the attorney general for adoption in his discretion *to apply to law enforcement.*"

(1) The legislature and the governor have enacted a budget providing for an appropriation to the budget reserve account of at least \$250,000,000 for the biennium during which the calendar year began or, in the second half of an odd-numbered year, for the biennium which began during the calendar year; and

(3) On or before September 15 of the calendar year it is estimated by the commissioner of finance that the probable general fund receipts from taxes and other sources will be less than estimated and consequently the amount available for the remainder of the biennium after transferring any available funds in the budget reserve account will be less than the amount estimated or allotted to be expended or incurred from the general fund; and

(4) The additional receipts resulting from the suspension of the inflation adjustments, together with all other general fund

revenues, are not estimated to exceed the sum of the amounts necessary to fund in full all appropriations, including the appropriation to the budget reserve account, in which case the commissioner of revenue shall provide for partial inflation adjustments sufficient to fund in full the appropriations.

(b) The suspension of inflation adjustments shall apply only during the biennium in which the conditions specified in paragraph (a) have been satisfied.

(c) For taxable years beginning during a calendar year in which the inflation adjustments of the brackets, credits, and maximum standard deduction are not made pursuant to this subdivision, the taxable net income adjustment factor, as defined in section 290.18, subdivision 4, shall be the adjustment factor applicable to taxable years beginning during the preceding calendar year. For taxable years beginning during a calendar year in which the inflation adjustments are suspended for one-half of the taxable year as a result of paragraph (b), the taxable net income adjustment factor shall be determined by multiplying the factor for the previous year by an amount equal to the current year factor divided by two, plus one.

(d) For taxable years beginning during a calendar year in which the inflation adjustments are suspended pursuant to this subdivision and for which paragraph (b) will result in the inflation adjustments being suspended for only one-half of the taxable year, the commissioner of revenue shall adjust the withholding tables, notwithstanding section 290.92, subdivision 2a, so that the additional tax imposed is withheld and remitted by employers during the first six months of the taxable year as if the suspension were in effect for the entire year.

Sec. 7. Minnesota Statutes 1982, section 290.06, subdivision 2e, as amended by Laws 1982, Third Special Session chapter 1, article V, section 3, is amended to read:

(3) For taxable years beginning after December 31, 1984, but before January 1, 1986, 5 percent.

On October 1, 1983 the commissioner of finance shall determine the amount of the state's unrestricted general fund balance at the close of the 1982-1983 biennium. If this amount is more than \$150,000,000, the commissioner shall reduce the rate of the surtax in effect for taxable years beginning after December 31, 1982 and before January 1, 1984, so that the amount of revenue raised by the surtax results in a fund balance of no more than \$150,000,000, provided that the rate so determined shall be rounded upward to the next one-tenth of one percent and no adjustment shall be required if the change in the rate of the surtax would be less than one-tenth of one percent.

Sec. 8. [ADJUSTMENT TO WITHHOLDING AND DECLARATIONS.]

*For taxable years beginning after December 31, 1984, but before January 1, 1986, the commissioner of revenue shall adjust the withholding tables, notwithstanding section 290.92, subdivision 2a, so that the additional tax imposed by section 7 for the entire year is withheld and remitted by employers as if the additional tax were imposed at a rate of 10 percent during the first six months of the taxable year.*

*For the same period, the commissioner shall require that declarations filed for the first six months of the taxable year by individuals shall include the additional tax imposed by section 7.*

Sec. 9. Minnesota Statutes 1982, section 290.06, subdivision 11, is amended to read:

For purposes of this subdivision, the term "building" shall include a condominium or townhouse used by the taxpayer as a residence. In the case of qualifying expenditures incurred in connection with a building under construction by a contractor, the credit shall be deducted from the tax liability of the first individual to purchase the building for use as a principal residence or for residential rental purposes; the contractor shall not be eligible for the credit given pursuant to this subdivision for that expenditure.

A "renewable energy source expenditure" which qualifies shall include:

(a) Expenditures which qualify for the federal renewable energy source credit, pursuant to Section 44C of the Internal Revenue Code of 1954, as amended through December 31, 1981, and any regulations promulgated pursuant thereto, provided that, after December 31, 1980, any solar collector included in the claimed expenditure is certified by the commissioner of energy, planning and development. A solar collector is a device designed to absorb incident solar radiation, convert it to thermal energy, and transfer the thermal energy to a fluid passing through or in contact with the device. "Solar collector" shall not include passive solar energy systems as defined in clause (d);

(b) Expenditures for earth sheltered dwelling units. For purposes of this credit, an "earth sheltered dwelling unit" shall

mean a structure which complies with applicable building standards and which is constructed so that:

(1) 80 percent or more of the roof area is covered with a minimum depth of 12 inches of earth; and

(2) 50 percent or more of the wall area is covered with a minimum depth of 12 inches of earth; and

(3) Those portions of the structure not insulated with a minimum of seven feet of earth shall have additional insulation;

(c) Expenditures for biomass conversion equipment located in Minnesota which produces ethanol, methane or methanol for use as a gaseous or as a liquid fuel which is not offered for sale; and

(d) Expenditures for passive solar energy systems. For purposes of this credit, a "passive solar energy system" is defined to include systems which utilize elements of the building and its operable components to heat or cool a building with the sun's energy by means of conduction, convection, radiation, or evaporation. A passive system shall include:

(1) Collection aperture, including glazing installed in south facing walls and roofs; and

(2) Storage element, including thermal mass in the form of water, masonry, rock, concrete, or other mediums which is designed to store heat collected from solar radiation.

A passive system may include either or both:

(1) Control and distribution element, including fans, louvers, and air ducts; or

(2) Retention element, including movable insulation used to minimize heat loss caused by nocturnal radiation through areas used for direct solar heat gain during daylight hours.

Eligible passive expenditures shall be for equipment, materials or devices that are an integral part of the components listed above and essential to the functioning of a passive design which qualifies pursuant to rules adopted by the commissioner of revenue in cooperation with the commissioner of energy, planning and development. Expenditures for equipment, materials, or devices which are a part of the normal heating, cooling, or insulation system of a building are not eligible for the credit.

If a credit was allowed to a taxpayer under this subdivision for any prior taxable year, the dollar amount of the maximum

expenditure for which a taxpayer may qualify for a credit under this subdivision in subsequent years shall be \$10,000 reduced by the amount of expenditures which a credit was claimed pursuant to this subdivision in prior years. A taxpayer shall never be allowed to claim more than \$10,000 of expenditures during the duration of the renewable energy credit.

The credit provided in this subdivision shall not be allowed in a taxable year if the amount of the credit would be less than \$10.

If the credit allowable under this subdivision exceeds the amount of tax due in a taxable year, the excess credit shall not be refunded but may be carried forward to the succeeding taxable year and added to the credit allowable for that year. No amount may be carried forward to a taxable year beginning after December 31, 1987.

A shareholder in a family farm corporation and each partner in a partnership operating a family farm shall be eligible for the credit provided by this subdivision in the same manner and to the same extent allowed a joint owner of property under section 44C (d) of the Internal Revenue Code of 1954, as amended through December 31, 1981. "Family farm corporation" and "family farm" have the meanings given in section 500.24.

The credit provided in this subdivision is subject to the provisions of Section 44C, (c) (7) and (10), and (d) (1) to (3), (AND (E),) of the Internal Revenue Code of 1954, as amended through December 31, 1981, and any regulations promulgated pursuant thereto.

The commissioner of revenue in cooperation with the commissioner of energy, planning and development shall adopt rules establishing additional qualifications and definitions for the credits provided in this subdivision.

Notwithstanding section 290.61, the commissioner of revenue may request the commissioner of energy, planning and development to assist in the review and auditing of the information furnished by the taxpayer for purposes of claiming this credit. The provisions of section 290.61 shall apply to employees of the department of energy, planning and development who receive information furnished by a taxpayer for purposes of claiming this credit.

The commissioner of energy, planning and development shall adopt rules establishing the criteria for certification of solar collectors as required by clause (a). The criteria shall:

- (1) Specify the testing procedures to be used in the evaluation of solar collectors;

- (2) Establish minimum levels of collector quality for safety;
- (3) Provide a means to determine the maintainability and structural integrity of solar collectors;
- (4) Establish a system for evaluating and rating the thermal performance of solar collectors;
- (5) Specify the procedures to follow to obtain certification of a solar collector;
- (6) Conform to the maximum extent practicable to the solar collector certification requirements of other states which have adopted certification procedures; and
- (7) Allow for individual variation so as not to hamper the development of innovative solar collectors.

The commissioner of energy, planning and development may adopt temporary rules pursuant to sections 14.29 to 14.36 to establish this certification procedure.

This subdivision is effective for expenditures made during taxable years beginning after December 31, 1978 and before January 1, 1986.

*The commissioner shall construct and make available to taxpayers tables showing the amount of the credit at various levels of income and expenses. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transitions between expenses and income brackets.*

Sec. 14. Minnesota Statutes 1982, section 290.07, subdivision 1, is amended to read:

A taxpayer may change his accounting period only with the consent of the commissioner. In case of any such change, he shall pay a tax for the period not included in either his former or newly adopted taxable year, computed as provided in section 290.32.

((I) [ELECTION.] IN LIEU OF THE DEDUCTION ALLOWED BY (A) OR (H) ANY LOSS NOT COMPENSATED FOR BY INSURANCE OR OTHERWISE:)

((1) ATTRIBUTABLE TO STORM OR OTHER NATURAL CAUSES OR FIRE, MAY, AT THE ELECTION OF THE TAXPAYER, BE CLAIMED AS A DEDUCTION IN THE TAXABLE YEAR IN WHICH SAID LOSS IS SUSTAINED OR IN THE PRECEDING TAXABLE YEAR.)

(2) IN THE EVENT THAT UNDER THE PROVISIONS OF THIS PARAGRAPH, A TAXPAYER CLAIMS THE SAME DISASTER LOSS DEDUCTION OR A NET OPERATING LOSS DEDUCTION RESULTING FROM THE INCLUSION OF A CASUALTY LOSS IN THE CALCULATION OF SUCH DEDUCTION IN DIFFERENT TAXABLE YEARS FOR STATE AND FEDERAL PURPOSES, APPROPRIATE MODIFICATIONS SHALL BE ALLOWED OR REQUIRED FOR TAXABLE YEARS AFFECTED IN ORDER TO PREVENT DUPLICATION OR OMISSION OF SUCH DEDUCTION.)

(3) THE COMMISSIONER IS AUTHORIZED TO PRESCRIBE REGULATIONS PROVIDING THE TIME AND MANNER TO MAKE AN ELECTION TO CLAIM A LOSS UNDER THE PROVISIONS OF THIS PARAGRAPH AND FOR THE FILING OF AN AMENDED RETURN OR CLAIM FOR REFUND.)

Sec. 22. Minnesota Statutes 1982, section 290.09, subdivision 29, is amended to read:

Subd. 29. [DEDUCTIONS ATTRIBUTABLE TO FARMING.] (a) [DEFINITIONS.] For purposes of this subdivision, income and gains and expenses and losses shall be considered as "arising from a farm" if such items are received or incurred in connection with cultivating the soil, or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, *including horses for horse racing*, bees, poultry, and fur-bearing animals and wildlife, and all operations incident thereto, including but not limited to the common use of "hedging".

(b) [DEDUCTIONS LIMITED.] Except as provided in this subdivision, expenses and losses, except for interest and taxes, arising from a farm shall not be allowed as deductions in excess of income and gains arising from a farm.

(c) [DEDUCTIONS ALLOWED; CARRYOVER DEDUCTIONS.] Expenses and losses arising from a farm or farms shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the first (\$15,000) \$30,000 of non-farm gross income, or non-farm taxable net income in the case of a corporation, provided however that in any case where non-farm income exceeds (\$15,000) \$30,000, the maximum allowable amount of (\$15,000) \$30,000 shall be reduced by (TWICE THE) *an amount (BY WHICH) equal to the non-farm income (EXCEEDS THE AMOUNT) in excess of (\$15,000) \$30,000 multiplied by three.* For this purpose and for the purpose of applying the limitation in the following paragraph regarding the application of any carryback or carryforward, the term gross income shall include the ordinary income portion of a lump sum distribution as defined in section 402(e) of the Internal Revenue Code of 1954,

as amended through December 31, 1981, and no deduction shall be allowed for two-earner married couples as provided in section 221 of the Internal Revenue Code of 1954, as amended through December 31, 1981. Any remaining balance of the deductions shall be carried back three years and carried forward five years, in chronological order, provided, however, that in any case in which any individual, estate or trust which elects a net operating loss carryforward under section 172(b)(3)(C) of the Internal Revenue Code of 1954, as amended through December 31, 1981, such losses shall not be carried back but shall only be carried forward.

Current expenses and losses shall be utilized as deductions in any taxable year, to the extent herein allowable, prior to the application of any carryback or carryover deductions. In any event, the combined amounts of such current expenses and losses and carryback or carryover deductions shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the first (\$15,000) \$30,000 of non-farm gross income, or non-farm taxable net income in the case of a corporation, provided however that in any case where non-farm income exceeds (\$15,000) \$30,000, the maximum allowable amount of (\$15,000) \$30,000 shall be reduced by (TWICE THE) an amount (BY WHICH) equal to the non-farm income (EXCEEDS THE AMOUNT) in excess of (\$15,000) \$30,000 multiplied by three.

(d) [SHAREHOLDERS SEPARATE ENTITIES.] For purposes of this subdivision, individual shareholders of an electing small business corporation shall be considered separate entities.

(e) [SPECIAL PERIOD OF LIMITATION WITH RESPECT TO FARM LOSS LIMITATION CARRYBACKS.] For the purposes of sections 290.46 and 290.50, if the claim for refund relates to an overpayment attributable to a farm loss limitation carryback under this subdivision, in lieu of the period of limitation prescribed in sections 290.46 and 290.50, the period of limitation shall be that period which ends with the expiration of the 15th day of the 46th month (or the 45th month, in the case of a corporation) following the end of the taxable year of the farm loss which results in the carryback.

(f) [INTEREST ON CLAIMS.] In any case in which a taxpayer is entitled to a refund in a carryback year due to the carryback of a farm loss, interest shall be computed only from the end of the taxable year in which the loss occurs.

(g) [ORDER OF APPLICATION.] The application of this subdivision shall be made after applying any limitation to out of state losses contained in section 290.17.

Sec. 23. Minnesota Statutes 1982, section 290.14, is amended to read:

**290.14 [GAIN OR LOSS ON DISPOSITION OF PROPERTY, BASIS.]**

Except as otherwise provided in this chapter, the basis for determining the gain or loss from the sale or other disposition of property acquired on or after January 1, 1933, shall be the cost to the taxpayer of such property, with the following exceptions:

(1) If the property should have been included in the last inventory, it shall be the last inventory value thereof;

(2) If the property was acquired by gift, it shall be the same as it would be if it were being sold or otherwise disposed of by the last preceding owner not acquiring it by gift; if the facts required for this determination cannot be ascertained, it shall be the fair market value as of the date, or approximate date, of acquisition by the last preceding owner, as nearly as the requisite facts can be ascertained by the commissioner;

(3) If the property was acquired by gift through an inter vivos transfer in trust, it shall be the same as it would be if it were being sold or otherwise disposed of by the grantor;

(4) Except as otherwise provided in this clause, the basis of property in the hands of a person acquiring the property from a decedent or to whom the property passed from a decedent shall, if not sold, exchanged or otherwise disposed of before the decedent's death by the person, be the fair market value of the property at the date of decedent's death or, in the case of an election under section 2032 (relating to alternate valuation) of the Internal Revenue Code of 1954, as amended through December 31, 1981, its valuation at the applicable valuation date prescribed by that section, or in the case of an election under section 2032A (relating to valuation of farm real property) of the Internal Revenue Code of 1954, as amended through December 31, 1981, its value determined by that section.

For the purposes of the preceding paragraph, the following property shall be considered to have been acquired from or to have passed from the decedent:

(a) Property acquired by bequest, devise, or inheritance, or by the decedent's estate from the decedent;

(b) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent, with the right reserved to the decedent at all times before his death to revoke the trust;

(c) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction

of the decedent with the right reserved to the decedent at all times before his death to make any change in the enjoyment thereof through the exercise of a power to alter, amend, or terminate the trust;

(d) Property passing without full and adequate consideration under a general power of appointment exercised by the decedent by will;

(e) In the case of a decedent's dying after December 31, 1956, property acquired from the decedent by reason of death, form of ownership, or other conditions (including property acquired through the exercise or non-exercise of a power of appointment), if by reason thereof the property is required to be included in determining the value of the decedent's gross estate for Minnesota inheritance or estate tax purposes. In this case, if the property is acquired before the death of the decedent, the basis shall be the amount determined under the first paragraph of this clause reduced by the amount allowed to the taxpayer as deductions in computing taxable net income under this chapter or prior Minnesota income tax laws for exhaustion, wear and tear, obsolescence, amortization, and depletion on the property before the death of the decedent. The basis shall be applicable to the property commencing on the death of the decedent. This paragraph shall not apply to annuities and property described in paragraphs (a), (b), (c) and (d) of this clause.

This clause shall not apply to property which constitutes a right to receive an item of income in respect of a decedent under section 290.077.

(5) If substantially identical property was acquired in the place of stocks or securities which were sold or disposed of and in respect of which loss was not allowed as a deduction under *section 16* or section 290.09, subdivision 5, the basis in the case of property so acquired shall be the same as that provided in section 1091 of the Internal Revenue Code of 1954, as amended through December 31, 1981.

(6) Neither the basis nor the adjusted basis of any portion of real property shall, in the case of a lessor of the property, be increased or diminished on account of income derived by the lessor in respect of the property and excludable from gross income under section 290.08, subdivision 14.

If an amount representing any part of the value of real property attributable to buildings erected or other improvements made by a lessee in respect of the property was included in gross income of the lessor for any taxable year beginning before January 1, 1943, the basis of each portion of the property shall be properly adjusted for the amount included in gross income.

(7) If the property was acquired by the taxpayer as a transfer of property in exchange for the release of the taxpayer's marital rights, the basis of the property shall be the same as it would be if it were being sold or otherwise disposed of by the person who transferred the property to the taxpayer.

(8) The basis of property subject to the provisions of section 1034 of the Internal Revenue Code of 1954, as amended through December 31, 1981 (relating to the rollover of gain on sale of principal residence) shall be the same as the basis for federal income tax purposes. The basis shall be increased by the amount of gain realized on the sale of a principal residence outside of Minnesota, while a nonresident of this state, which gain was not recognized because of the provisions of section 1034.

Sec. 24. Minnesota Statutes 1982, section 290.17, subdivision 2, is amended to read:

Subd. 2. [OTHER TAXPAYERS.] In the case of taxpayers not subject to the provisions of subdivision 1, items of gross income shall be assigned to this state or other states or countries in accordance with the following principles:

(1) (a) The entire income of all resident or domestic taxpayers from compensation for labor or personal services, or from a business consisting principally of the performance of personal or professional services, shall be assigned to this state, and the income of nonresident taxpayers from such sources shall be assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources shall be treated as income from sources without this state.

(b) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner.

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. In order to eliminate the need to file state or provincial income tax returns in several states or provinces, Minnesota will exclude from income any income assigned to Minnesota under the provisions of this clause for a nonresident athlete who is employed by an athletic team whose operations are not based in this state if the state or province in which the athletic team is based provides a similar income exclusion. If the state or province in which the athletic team's operations are based does not have an income tax on an individual's personal service income, it will be deemed that that state or province has a similar income exclusion. As used in the

preceding sentence, the term "province" means a province of Canada.

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete not listed in clause (i), or who is an entertainer, for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(2) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state. *Income from winnings on Minnesota pari-mutuel betting tickets shall be assigned to this state.* Income and gains received from tangible property not employed in the business of the recipient of such income or gains, and from tangible property employed in the business of such recipient if such business consists principally of the holding of such property and the collection of the income and gains therefrom, shall be assigned to this state if such property has a situs within it, and to other states only if it has no situs in this state. Income or gains from intangible personal property not employed in the business of the recipient of such income or gains, and from intangible personal property employed in the business of such recipient if such business consists principally of the holding of such property and the collection of the income and gains therefrom, wherever held, whether in trust, or otherwise, shall be assigned to this state if the recipient thereof is domiciled within this state; income or gains from intangible personal property wherever held, whether in trust or otherwise shall be assigned to this state if the recipient of such income or gains is domiciled within this state, or if the grantor of any trust is domiciled within this state and such income or gains would be taxable to such grantor under section 290.28 or 290.29;

(3) Income derived from carrying on a trade or business, including in the case of a business owned by natural persons the income imputable to the owner for his services and the use of his property therein, shall be assigned to this state if the trade or business is conducted wholly within this state, and to other states if conducted wholly without this state. This provision shall not apply to business income subject to the provisions of clause (1);

(4) When a trade or business is carried on partly within and partly without this state, the entire income derived from such trade or business, including income from intangible property employed in such business and including, in the case of a business owned by natural persons, the income imputable to the owner for his services and the use of his property therein, shall be governed, except as otherwise provided in sections 290.35 and 290.36, by the provisions of section 290.19, notwithstanding any provisions of this section to the contrary. This shall not apply to

business income subject to the provisions of clause (1), nor shall it apply to income from the operation of a farm which is subject to the provisions of clause (2). For the purposes of this clause, a trade or business located in Minnesota is carried on partly within and partly without this state if tangible personal property is sold by such trade or business and delivered or shipped to a purchaser located outside the state of Minnesota.

If the trade or business carried on wholly or partly in Minnesota is part of a unitary business, the entire income of that unitary business shall be subject to apportionment under section 290.19 *except for business income subject to the provisions of clause (1) and farm income subject to the provisions of clause (2)*. The term "unitary business" shall mean (A NUMBER OF) business activities or operations which are of mutual benefit, dependent upon, or contributory to one another, individually or as a group. Unity shall be presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction *but the absence of these centralized activities will not necessarily evidence a nonunitary business*. Unity of ownership will not be deemed to exist (UNLESS THE CORPORATION OWNS MORE THAN 50 PERCENT OF THE VOTING STOCK OF THE OTHER CORPORATION) *when a corporation is involved unless that corporation is a member of a group of two or more corporations more than 50 percent of the voting stock of each member of the group is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more of the member corporations of the group*.

The entire income of a unitary business (, INCLUDING ALL INCOME FROM EACH ACTIVITY, OPERATION OR DIVISION,) shall be subject to apportionment as provided in section 290.19. None of the income of a unitary business shall be considered as derived from any particular source and none shall be allocated to any particular place except as provided by the applicable apportionment formula.

In determining whether or not intangible property is employed in a unitary business carried on partly within and partly without this state so that income derived therefrom is subject to apportionment under section 290.19 the following rules and guidelines shall apply.

(a) Intangible property is employed in a business if the business entity owning intangible property holds it as a means of furthering the business operation of which a part is located within the territorial confines of this state.

(b) Where a business operation conducted in Minnesota, is owned by a business entity which carries on business activity outside of the state different in kind from that conducted within

this state, and such other business is conducted entirely outside the state, it will be presumed that the two business operations are unitary in nature, interrelated, connected and interdependent unless it can be shown to the contrary.

(5) (IN THE CASE OF A NONRESIDENT WHO IS LIABLE FOR PAYMENT OF A PENALTY FOR HAVING WITHDRAWN FUNDS FROM AN INDIVIDUAL HOUSING ACCOUNT ESTABLISHED PURSUANT TO SECTION 290.08, SUBDIVISION 25, THE AMOUNT SO WITHDRAWN AND FOR WHICH A DEDUCTION WAS ALLOWED SHALL BE AN ITEM OF INCOME ASSIGNABLE TO THIS STATE, AND THE PENALTY TAX OF TEN PERCENT SHALL REMAIN AN ADDITIONAL LIABILITY OF THAT TAXPAYER.)

((6)) For purposes of this section, amounts received by a non-resident from the United States, its agencies or instrumentalities, the Federal Reserve Bank, the state of Minnesota or any of its political or governmental subdivisions, or a Minnesota volunteer fireman's relief association, by way of payment as a pension, public employee retirement benefit, or any combination thereof, or as a retirement or survivor's benefit made from a plan qualifying under section 401, 403, 404, 405, 408, 409 or 409A of the Internal Revenue Code of 1954, as amended through December 31, 1981, are not considered income derived from carrying on a trade or business or from performing personal or professional services in Minnesota, and are not taxable under this chapter.

((7)) (6) All other items of gross income shall be assigned to the taxpayer's domicile.

Sec. 25. Minnesota Statutes 1982, section 290.18, subdivision 1, is amended to read:

Subdivision 1. [TAXABLE NET INCOME.] (a) *For resident individuals, taxable net income shall be the same as net income.*

(b) *For all other taxpayers, the taxable net income shall, except insofar as section 290.19 is applicable, be computed by deducting from the gross income assignable to this state under section 290.17 deductions of the kind permitted by (SECTION) sections 16, 290.09, and section 62 of the Internal Revenue Code of 1954, as amended through March 12, 1983, in accordance with the following provisions:*

(1) Such deductions shall be allowed to the extent that they are connected with and allocable against the production or receipt of such gross income assignable to this state;

(2) That proportion of such deductions, so far as not connected with and allocable against the production or receipt of such gross income assignable to this state and so far as not connected with and allocable against the production or receipt of gross income assignable to other states or countries and so far as not entering into the computation of the net income assignable to this state under section 290.19, shall be allowed which the taxpayer's gross income from sources within this state, as determined under section 290.17, subdivision 2, clauses (1), (2), (3), ((5),) and ((7)) (6), bears to his gross income from all sources, including that entering into the computations provided for by section 290.19; provided that taxes of the kind deductible under section 290.09, subdivision 4, shall, so far as within the description of deductions deductible under this clause, be deductible in their entirety if paid to the state of Minnesota, or any of its subdivisions authorized to impose such taxes, and thereupon be excluded in making the computation of deductions, as in this clause provided.

Sec. 26. Minnesota Statutes 1982, section 290.18, subdivision 2, is amended to read:

Subd. 2. [FEDERAL INCOME TAX PAYMENTS AND REFUNDS.] The adjusted gross income shall be computed by deducting from the gross income assignable to this state under section 290.17, the deduction for allowable federal income taxes determined under the provisions of sections 290.09, subdivision 4, 290.10 (8), (9) or (10), and 290.18.

This deduction shall be allowed to individuals, estates, or trusts (i) for taxable years beginning after December 31, 1980 in the taxable year to which the liability applies. Such liability includes the portion of self-employment tax allowed under section 290.10, clause (8). The self-employment tax must be deducted by the person who is deriving the income. When the federal tax liability is joint and several under the computation of a joint federal return of husband and wife, the federal tax liability must be split between the spouses in the same ratio that the federal adjusted gross income of that spouse bears to the total federal adjusted gross income. For purposes of the preceding sentence, "federal adjusted gross income" includes the ordinary income portion of a lump sum distribution as defined in section 402(e) of the Internal Revenue Code of 1954, as amended through December 31, 1981.

(ii) taxes paid for a taxable year beginning before January 1, 1981 shall be allowed as follows:

(1) Those taxes paid in a taxable year beginning before January 1, 1981, shall be claimed in the year in which the payment was made.

(2) Those paid in a taxable year beginning after December 31, 1980 but before January 1, 1983 shall be divided and deducted in equal installments reflected by the yearly periods beginning with the first day of the taxable year in which the payment was made and ending December 31, 1986. For an amount which remains to be deducted in a taxable year beginning after December 31, 1982, where the federal tax liability for the year in which the payment was made is joint and several under the computation of a joint federal return of husband and wife, the remaining amounts to be deducted shall be claimed by the same spouse and in the same dollar amount as the deduction was claimed in the first taxable year beginning after December 31, 1981.

(3) Those paid in a taxable year beginning after December 31, 1982 shall be claimed in the year in which the payment was made. This amount shall be apportioned between spouses as provided in clause (i) and shall be allocated for exempt income under the provisions of section 290.10, clause (9) or (10) as though the payment was part of the federal tax liability for the year in which the payment was made.

((III)) (4) In the case of a person who was self employed during all or a portion of the taxable year, the federal income tax liability for purposes of this (SECTION) clause shall be increased by the self-employment tax allowed under section 290.10, clause (8). The self-employment tax shall be deducted in the year paid as provided in paragraph (1), (2), or (3). The self-employment tax must be deducted by the person who earned the income. Self-employment tax paid in a taxable year beginning after December 31, 1982 shall be allocated for exempt income as provided in paragraph (3).

((IV)) (iii) If a taxpayer's federal tax liability is eventually not paid by reason of compromise, discharge, or court order, the deduction allowed pursuant to this subdivision shall be disallowed for the taxable year in which the liability was accrued.

((V)) (iv) In the event a federal tax liability for a taxable year commencing after December 31, 1980 is increased, decreased or modified, and such increase, decrease or modification has resulted in a change in the amount of Minnesota income tax in the year to which such increase, decrease or modification is attributable, the taxpayer's deduction under this (SECTION) subdivision shall be modified for such year.

((VI)) (v) If the readjustments required in ((IV)) (iii) or ((V)) (iv) are for taxes reflected in the transition rule described in (ii) (2), the readjustment shall be made equally to the remaining installments and if a reduction to such installments is required under this readjustment which exceeds the total of

all remaining installments, the remaining installments will be reduced to zero and the excess included in income as a federal income tax refund.

((VII)) (vi) Refunds which are not involved with any readjustments under the transition rule shall be included in income under *Minnesota Statutes 1982*, section 290.01, subdivision 20a, clause (6) if it is from a year beginning before January 1, 1981.

((VIII)) (vii) Refunds of taxes for years beginning after December 31, 1980, shall be used to adjust the deduction in the taxable year of the liability unless that year is closed by statute and no other adjustments are to be required or allowable in which case such refund shall be reportable in the year received.

Sec. 27. *Minnesota Statutes 1982*, section 290.21, subdivision 1, is amended to read:

Subdivision 1. The following deductions shall be allowed *only to corporations and shall be deductions* from (GROSS INCOME IN COMPUTING NET INCOME FOR INDIVIDUALS, AND FROM) *a corporation's* taxable net income (FOR CORPORATIONS).

Sec. 28. *Minnesota Statutes 1982*, section 290.21, subdivision 3, is amended to read:

Subd. 3. An amount for contribution or gifts made within the taxable year:

(a) to or for the use of the state of Minnesota, or any of its political subdivisions for exclusively public purposes,

(b) to or for the use of any community chest, corporation, organization, trust, fund, association, or foundation located in and carrying on substantially all of its activities within this state, organized and operating exclusively for religious, charitable, public cemetery, scientific, literary, artistic, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual,

(c) to a fraternal society, order, or association, operating under the lodge system located in and carrying on substantially all of their activities within this state if such contributions or gifts are to be used exclusively for the purposes specified in subdivision 3(b), or for or to posts or organizations of war veterans or auxiliary units or societies of such posts or organizations, if they are within the state and no part of their net income inures to the benefit of any private shareholder or individual,

(d) to or for the use of the United States of America for exclusively public purposes, and to or for the use of any community chest, corporation, trust, fund, association, or foundation, organized and operated exclusively for any of the purposes specified in subdivision 3(b) and (c) no part of the net earnings of which inures to the benefit of any private shareholder or individual, but not carrying on substantially all of their activities within this state, in an amount equal to the ratio of Minnesota taxable net income to total net income, (PROVIDED, HOWEVER, THAT FOR AN INDIVIDUAL TAXPAYER, THE DEDUCTION SHALL BE ALLOWED IN AN AMOUNT EQUAL TO THE RATIO OF THE TAXPAYER'S GROSS INCOME ASSIGNABLE TO MINNESOTA TO THE TAXPAYER'S GROSS INCOME FROM ALL SOURCES,)

(e) (TO A MAJOR POLITICAL PARTY, AS DEFINED IN SECTION 200.02, SUBDIVISION 7, OR A POLITICAL CANDIDATE, AS DEFINED IN SECTION 210A.01, OR A POLITICAL CAUSE WHEN SPONSORED BY ANY PARTY OR ASSOCIATION OR COMMITTEE, AS DEFINED IN SECTION 210A.01, IN A MAXIMUM AMOUNT NOT TO EXCEED THE FOLLOWING:)

(1) CONTRIBUTIONS MADE BY INDIVIDUAL NATURAL PERSONS, \$100,)

(2) CONTRIBUTIONS MADE BY A NATIONAL COMMITTEEMAN, NATIONAL COMMITTEEWOMAN, STATE CHAIRMAN, OR STATE CHAIRWOMAN OF A MAJOR POLITICAL PARTY, AS DEFINED IN SECTION 200.02, SUBDIVISION 7, \$1,000,)

(4) CONTRIBUTIONS MADE BY A COUNTY CHAIRMAN OR A COUNTY CHAIRWOMAN OF A MAJOR POLITICAL PARTY, AS DEFINED IN SECTION 200.02, SUBDIVISION 7, \$150;)

((F) IN THE CASE OF AN INDIVIDUAL, THE TOTAL DEDUCTION ALLOWABLE HEREUNDER SHALL NOT EXCEED 30 PERCENT OF THE TAXPAYER'S MINNESOTA GROSS INCOME AS FOLLOWS:)

((I) THE AGGREGATE OF CONTRIBUTIONS MADE TO ORGANIZATIONS SPECIFIED IN (A), (B) AND (D) SHALL NOT EXCEED TEN PERCENT OF THE TAXPAYER'S MINNESOTA GROSS INCOME,)

**((II) THE TOTAL DEDUCTION UNDER THIS SUBPARAGRAPH FOR ANY TAXABLE YEAR SHALL NOT EXCEED 20 PERCENT OF THE TAXPAYER'S MINNESOTA GROSS INCOME. FOR PURPOSES OF THIS SUBPARAGRAPH, THE DEDUCTION UNDER THIS SECTION SHALL BE COMPUTED WITHOUT REGARD TO ANY DEDUCTION ALLOWED UNDER SUBPARAGRAPH (I) BUT SHALL TAKE INTO ACCOUNT ANY CONTRIBUTIONS DESCRIBED IN SUBPARAGRAPH (I) WHICH ARE IN EXCESS OF THE AMOUNT ALLOWABLE AS A DEDUCTION UNDER SUBPARAGRAPH (I). FOR PURPOSES OF PARAGRAPH (F) THE TERM MINNESOTA GROSS INCOME SHALL ALSO INCLUDE THE ORDINARY INCOME PORTION OF A LUMP SUM DISTRIBUTION AS DEFINED IN SECTION 402(E) OF THE INTERNAL REVENUE CODE OF 1954, AS AMENDED THROUGH DECEMBER 31, 1981;))**

**((G) IN THE CASE OF A CORPORATION,) the total deduction hereunder shall not exceed 15 percent of the taxpayer's taxable net income less the deductions allowable under this section other than those for contributions or gifts,**

**((H) (f) in the case of a corporation reporting its taxable income on the accrual basis, if: (A) the board of directors authorizes a charitable contribution during any taxable year, and (B) payment of such contribution is made after the close of such taxable year and on or before the fifteenth day of the third month following the close of such taxable year; then the taxpayer may elect to treat such contribution as paid during such taxable year. The election may be made only at the time of the filing of the return for such taxable year, and shall be signified in such manner as the commissioner shall by regulations prescribe;**

**((I) (g) in the case of a contribution or property placed in trust as described in section 170(f)(2) of the Internal Revenue Code of 1954, as amended through December 31, 1981, a deduction shall be allowed under this subdivision to the extent that a deduction is allowable for federal income tax purposes.**

**((J) AMOUNTS PAID TO MAINTAIN CERTAIN STUDENTS AS MEMBERS OF THE TAXPAYER'S HOUSEHOLD SHALL BE ALLOWED AS A DEDUCTION AS PROVIDED IN SECTION 170(G) OF THE INTERNAL REVENUE CODE OF 1954, AS AMENDED THROUGH DECEMBER 31, 1981. NO OTHER DEDUCTION SHALL BE ALLOWED UNDER THIS SUBDIVISION FOR THESE AMOUNTS AND THE LIMITATIONS CONTAINED IN CLAUSE (F) SHALL NOT APPLY TO THESE AMOUNTS.)**

Sec. 29. Minnesota Statutes 1982, section 290.23, subdivision 5, is amended to read:

Subd. 5. [DISTRIBUTABLE NET INCOME, INCOME, BENEFICIARY; DEFINED.] (1) For purposes of sections 290.22 through 290.25, the term "distributable net income" means the same as that term is defined in section 643(a) of the Internal Revenue Code of 1954, as amended through December 31, 1981 with the following modification:

There shall be included any tax-exempt interest to which section 290.01, subdivision 20b, clause (1) applies, reduced by any amounts which would be deductible in respect of disbursements allocable to such interest but for the provisions of (SECTIONS 290.09, SUBDIVISION 3, AND) *section 290.10(9)* (relating to disallowance of certain deductions).

If the estate or trust is allowed a deduction under section 642(c) of the Internal Revenue Code of 1954, as amended through December 31, 1981, the amount of the modifications shall be reduced to the extent that the amount of income which is paid, permanently set aside, or to be used for the purposes specified in that section of the Internal Revenue Code is deemed to consist of items specified in the modification. For this purpose, such amount shall (in the absence of specific provisions in the governing instrument) be deemed to consist of the same proportion of each class of items of income of the estate or trust as the total of each class bears to the total of all classes.

(2) The term "income," and the term "beneficiary" have the same meaning as those terms are defined in section 643(b) and (c) of the Internal Revenue Code of 1954, as amended through December 31, 1981.

Sec. 30. Minnesota Statutes 1982, section 290.31, subdivision 2, is amended to read:

(d) charitable contributions ((AS DEFINED IN SECTION 290.21, SUBDIVISION 3)) *as defined in section 170(c) of the*

*Internal Revenue Code of 1954, as amended through December 31, 1982,*

(f) other items of income, gain, loss, deduction, or credit, to the extent provided by regulations prescribed by the commissioner, and

(g) taxable net income or loss, exclusive of items requiring separate computation under other subparagraphs of this paragraph (1).

(2) The character of any item of income, gain, loss, deduction, or credit included in a partner's distributive share under paragraphs (a) through (f) of paragraph (1) shall be determined as if such item were realized directly from the source from which realized by the partnership, or incurred in the same manner as incurred by the partnership.

(3) In any case where it is necessary to determine the gross income of a partner for purposes of this chapter, such amount shall include his distributive share of the gross income of the partnership.

Sec. 31. Minnesota Statutes 1982, section 290.31, subdivision 3, is amended to read:

Subd. 3. [PARTNERSHIP COMPUTATIONS.] The taxable net income of a partnership shall be computed in the same manner as in the case of an individual except that

(1) the items described in subdivision 2(1) shall be separately stated, and

(2) the following deductions shall not be allowed to the partnership:

(a) the deduction for taxes provided in section (290.09, SUBDIVISION 4) *164(a) of the Internal Revenue Code of 1954, as amended through December 31, 1982,* with respect to taxes, described in section 901 of the Internal Revenue Code of 1954, as amended through December 31, 1981, paid or accrued to foreign countries and to possessions of the United States,

(b) the deduction for charitable contributions provided in section 290.21, subdivision 3 *or section 170 of the Internal Revenue Code of 1954, as amended through December 31, 1982,*

(c) the net operating loss deduction provided in section 290.095,

(d) the additional itemized deductions for individuals provided in (SECTION 290.09, SUBDIVISIONS 10 AND 17) *sections 211 to 223 of the Internal Revenue Code of 1954, as amended through December 31, 1982, and,*

(e) the deduction for depletion under section 290.09, subdivision 8 with respect to oil and gas wells.

Any election affecting the computation of taxable net income derived from a partnership shall be made by the partnership except as provided in section 703(b) of the Internal Revenue Code of 1954, as amended through December 31, 1981.

Sec. 32. Minnesota Statutes 1982, section 290.34, subdivision 2, is amended to read:

Subd. 2. [AFFILIATED OR RELATED CORPORATIONS, COMBINED REPORT.] When a corporation which is required to file an income tax return is affiliated with or related to any other corporation through stock ownership by the same interests or as parent or subsidiary corporations, or has its income regulated through contract or other arrangement, the commissioner of revenue may permit or require such combined report as, in his opinion, is necessary in order to determine the taxable net income of any one of the affiliated or related corporations. For purposes of computing either the arithmetic average or weighted apportionment formulas under section 290.19, subdivision 1 for each corporation involved, the numerator of the fraction shall be that corporation's sales, property, and payroll in Minnesota and the denominator shall be the total sales, payroll, and property of all the corporations shown on the combined report. The combined report shall reflect the income of the entire unitary business as provided in section 290.17, subdivision 2, clause (4). The combined report shall reflect income only from corporations created or organized in the United States or under the laws of the United States or of any state, *the District of Columbia, the commonwealth of Puerto Rico, any possession of the United States, or any political subdivision of any of the foregoing.* All intercompany transactions between companies which are contained on the combined report shall be eliminated. This subdivision shall not apply to insurance companies whose income is determined under section 290.35 or to investment companies whose income is determined under section 290.36.

Sec. 33. Minnesota Statutes 290.37, subdivision 1, is amended to read:

Subdivision 1. [PERSONS MAKING RETURNS.] (a) The commissioner of revenue shall annually determine the gross

income levels at which individuals and estates shall be required to file a return for each taxable year.

In the case of a decedent who has gross income in excess of the minimum amount at which an individual is required to file a return, the decedent's final income tax return shall be filed by his or her personal representative, if any. If there is no personal representative, the return shall be filed by the successors (as defined in section 524.1-201) who receive any property of the decedent.

The trustee or other fiduciary of property held in trust shall file a return with respect to the taxable net income of such trust if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed, or if the gross income of such trust exceeds \$750, if in either case such trust belongs to the class of taxable persons.

Every corporation shall file a return. The return in this case shall be signed by an officer of the corporation.

The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed.

(b) Such return shall (1) be verified or contain a written declaration that it is made under the penalties of criminal liability for wilfully making a false return, and (2) shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.

(c) For purposes of this subdivision the term "gross income" shall mean gross income as defined in section 61 of the Internal Revenue Code of 1954, as amended through December 31, 1981, modified and adjusted in accordance with the provisions of sections 290.01, subdivision 20b, clauses (1), (6) and ((11)) (10), 290.08, and 290.17.

Sec. 34. Minnesota Statutes 1982, section 290.39, subdivision 2, is amended to read:

Subd. 2. [SEPARATE COMPUTATIONS ON A SINGLE RETURN.] Notwithstanding the provisions of section 290.61, a husband and wife may elect to compute their Minnesota income tax separately on a single return, in which event:

(a) if the sum of the payments by either spouse, including withheld and estimated taxes, exceeds the amount of tax of such

spouse as computed separately, the excess may be applied by the commissioner to the credit of the other spouse if the sum of the payments by such other spouse, including withheld and estimated taxes, is less than the amount of the tax of such other spouse as computed separately;

(b) if the sum of the payments made by both spouses with respect to the taxes of both as computed separately, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses or may be credited against any liability in respect of Minnesota income tax on the part of either spouse;

(c) if the sum of the payments made by both spouses with respect to the taxes of both as computed separately, including withheld and estimated taxes, is less than the total of the taxes due, the liability for the unpaid tax shall be joint and several; provided that a spouse may be relieved of liability in those cases contained in section 6013(e) of the Internal Revenue Code of 1954 as amended through December 31, 1981 (for purposes of computing the 25 percent test contained in that section, the amount of gross income stated in the return shall include the total gross income of both spouses);

(d) if the standard deduction provided for by section (290.09, SUBDIVISION 15) 16, subdivision 3, is not utilized; then the total of the Minnesota itemized deductions of a husband and wife may be taken by either or divided between them as they elect;

*(e) the limitation on the deduction for investment interest prescribed in section 163(d) (1) (A) of the Internal Revenue Code of 1954, as amended through March 12, 1983, for married individuals who file separate returns shall also apply to married individuals who file separately on one return.*

Sec. 35. Minnesota Statutes 1982, section 290.431, is amended to read:

#### 290.431 [NON-GAME WILDLIFE CHECKOFF.]

Every individual who files an income tax return or property tax refund claim form may designate on their original return that \$1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that individual and paid into an account to be established for the management of non-game wildlife. The commissioner of revenue shall, on the first page of the income tax return and the property tax refund claim form, notify filers of their right to designate that a portion of their tax or refund shall be paid into the non-game wildlife management account. The sum of the amounts so designated to be paid shall be credited to the non-game wildlife management account for use by the non-game section of the division of wild-

life in the department of natural resources. The commissioner of natural resources shall submit a work program for each fiscal year and semi-annual progress reports to the legislative commission on Minnesota resources in the form determined by the commission. None of the money provided in this section may be expended unless the commission has approved the work program.

*The state pledges and agrees with all contributors to the nongame wildlife management account to use the funds contributed solely for the management of nongame wildlife projects and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of nongame wildlife.*

Sec. 36. Minnesota Statutes 1982, section 290.46, is amended to read:

290.46 [EXAMINATION OF RETURNS; ASSESSMENTS, REFUNDS.]

The commissioner shall, as soon as practicable after the return is filed, examine the same and make any investigation or examination of the taxpayer's records and accounts that he may deem necessary for determining the correctness of the return. The tax computed by him on the basis of such examination and investigation shall be the tax to be paid by such taxpayer. If the tax found due shall be greater than the amount reported as due on the taxpayer's return, the commissioner shall assess a tax in the amount of such excess and the whole amount of such excess shall be paid to the commissioner within 60 days after notice of the amount and demand for its payment shall have been mailed to the taxpayer by the commissioner. If the understatement of the tax on the return was false and fraudulent with intent to evade the tax, the installments of the tax shown by the taxpayer on his return which have not yet been paid shall be paid to the commissioner within 60 days after notice of the amount thereof and demand for payment shall have been mailed to the taxpayer by the commissioner. If the amount of the tax found due by the commissioner shall be less than that reported as due on the taxpayer's return, the excess shall be refunded to the taxpayer in the manner provided by section 290.50 (except that no demand therefor shall be necessary), if he has already paid the whole of such tax, or credited against any unpaid installment thereof; provided, that no refundment shall be made except as provided in section 290.50.

If the commissioner examines returns of a taxpayer for more than one year, he may issue one order covering the several years under consideration reflecting the aggregate refund or additional tax due.

The notices and demands provided for by sections 290.46 to 290.48 shall be in such form as the commissioner may determine (including a statement) and shall contain a brief explanation of

the computation of the tax and shall be sent by mail to the taxpayer at the address given in his return, or to his last known address.

In cases where there has been an overpayment of a self-assessed liability as shown on the return filed by the taxpayer, the commissioner may refund such overpayment to the taxpayer and no demand therefor shall be necessary; further, written findings by the commissioner, notice by mail to the taxpayer and certificate for refundment by the commissioner shall not be necessary and the provisions of section 270.10, in such case, shall not be applicable.

In the case of an individual, estate or trust, the commissioner may audit and adjust the taxpayer's computation of federal adjusted gross income (or federal taxable income for estates or trusts) to make it properly conform with the provisions of section 290.01, subdivision 20. *In the case of an individual, the commissioner may audit and adjust the taxpayer's computation of itemized deductions to make them properly conform with the provisions of section 16.*

Sec. 37. Minnesota Statutes 1982, section 290.92, subdivision 2a, is amended to read:

Subd. 2a. [COLLECTION AT SOURCE.] (1) [DEDUCTIONS.] Every employer making payment of wages shall deduct and withhold upon such wages a tax as provided in this section.

(2) [WITHHOLDING ON PAYROLL PERIOD.] The employer shall withhold the tax on the basis of each payroll period or as otherwise provided in this section.

(3) [WITHHOLDING TABLES.] Unless the amount of tax to be withheld is determined as provided in subdivision 3, the amount of tax to be withheld for each individual shall be based upon tables to be prepared and distributed by the commissioner. The tables shall be computed for the several permissible withholding periods and shall take account of exemptions allowed under this section; and the amounts computed for withholding shall be such that the amount withheld for any individual during his taxable year shall approximate in the aggregate as closely as possible the tax which is levied and imposed under this chapter for that taxable year, upon his salary, wages, or compensation for personal services of any kind for the employer, and shall take into consideration the allowable deduction for federal income tax and the deduction allowable under section (290.09) 16, subdivision (15) 3, and the personal credits allowed against the tax.

(4) [MISCELLANEOUS PAYROLL PERIOD.] If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which such wages are paid.

(5) [MISCELLANEOUS PAYROLL PERIOD.] (a) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of such wages by such employer during the calendar year, or the date of commencement of employment with such employer during such year, or January 1 of such year, whichever is the later.

(b) In any case in which the period, or the time described in clause (a), in respect of any wages is less than one week, the commissioner, under regulations prescribed by him, may authorize an employer to determine the amount to be deducted and withheld under the tables applicable in the case of a weekly payroll period, in which case the aggregate of the wages paid to the employee during the calendar week shall be considered the weekly wages.

(6) [WAGES COMPUTED TO NEAREST DOLLAR.] If the wages exceed the highest bracket, in determining the amount to be deducted and withheld under this subdivision, the wages may, at the election of the employer, be computed to the nearest dollar.

(7) [REGULATIONS ON WITHHOLDING.] The commissioner may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to such employee during such quarter as if the appropriate average of the wages so estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to such employee during such quarter such amount as may be necessary to adjust the amount actually deducted and withheld upon wages of such employee during such quarter to the amount required to be deducted and withheld during such quarter without regard to this paragraph (7).

(8) [ADDITIONAL WITHHOLDING.] The commissioner is authorized to provide by rule for increases or decreases in the amount of withholding otherwise required under this section in cases where the employee requests the changes. Such additional withholding shall for all purposes be considered tax required to be deducted and withheld under this section.

(9) [TIPS.] In the case of tips which constitute wages, this subdivision shall be applicable only to such tips as are included in a written statement furnished to the employer pursuant to section 6053 of the Internal Revenue Code of 1954, as amended through December 31, 1981, and only to the extent that the tax can be deducted and withheld by the employer, at or after the time such statement is so furnished and before the close of the calendar year in which such statement is furnished, from such wages of the employee (excluding tips, but including funds turned over by the employee to the employer for the purpose of such deduction and withholding) as are under the control of the employer; and an employer who is furnished by an employee a written statement of tips (received in a calendar month) pursuant to section 6053 of the Internal Revenue Code of 1954 as amended through December 31, 1981 to which subdivision 1 is applicable may deduct and withhold the tax with respect to such tips from any wages of the employee (excluding tips) under his control, even though at the time such statement is furnished the total amount of the tips included in statements furnished to the employer as having been received by the employee in such calendar month in the course of his employment by such employer is less than \$20. Such tax shall not at any time be deducted and withheld in an amount which exceeds the aggregate of such wages and funds as are under the control of the employer minus any tax required by other provisions of state or federal law to be collected from such wages and funds.

Sec. 38. Minnesota Statutes 1982, section 290.92, is amended by adding a subdivision to read:

*Subd. 26. Any holder of a class A, B, or D license issued by the Minnesota horse racing commission, who makes a payment or payments for winnings on a pari-mutuel betting ticket or tickets in an amount of \$200 or more to the same individual, shall deduct from the payment or payments and withhold 11 percent of the amount as Minnesota withholding tax. For purposes of this subdivision, winnings from a pari-mutuel betting ticket must be determined by reducing the amount received by the amount paid for the ticket, and payments for winning on a pari-mutuel betting ticket which are not money must be taken into account at their fair market value. For purposes of the provisions of this section, a payment to any person of winnings which are subject to withholding must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment of winnings which are subject to withholding shall furnish the license holder with a statement, made under the penalties of perjury, containing the name, address, and social security account number of the person receiving the payment and of each person entitled to any portion of such payment. The license holder is liable for the payment of the tax required to be withheld under this subdivision and subdivision 27 but is not liable to any person for the amount of the payment.*

Sec. 39. Minnesota Statutes 1982, section 290.92, is amended by adding a subdivision to read:

*Subd. 27. Any holder of a class A or B license issued by the Minnesota horse racing commission who makes a payment to a holder of a class C license issued by the commission, or who pays an amount as a purse, shall deduct from the payment and withhold seven percent of the amount as Minnesota withholding tax when the amount paid to that individual during the calendar year exceeds \$200. For purposes of the provisions of this section, a payment to any person which is subject to withholding under this subdivision must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment which is subject to withholding under this subdivision shall furnish the license holder with a statement, made under the penalties of perjury, containing the name, address, and social security account number of the person receiving the payment. No withholding is required if the individual presents a signed certificate from his employer which states that the individual is an employee of that employer. A nonresident individual who holds a class C license must be treated as an athlete for purposes of applying the provisions of sections 290.17, subdivision 2(1)(b)(ii) and 290.92, subdivision 4a.*

(ix) unemployment benefits;

In the case of an individual who files an income tax return on a fiscal year basis, the term "federal adjusted gross income" shall mean federal adjusted gross income reflected in the fiscal year ending in the calendar year. Federal adjusted gross income shall not be reduced by the amount of a net operating loss carryback.

(2) "Income" does not include

(a) amounts excluded pursuant to the Internal Revenue Code, Sections 101(a), 102, 117, and 121;

Sec. 42. Minnesota Statutes 1982, section 290.53, subdivision 2, as amended by Laws 1983, H. F. No. 381, section 27, is amended to read:

Subd. 2. [FAILURE TO MAKE AND FILE RETURN.] In case of any failure to make and file a return as required by this chapter within the time prescribed by law or prescribed by the commissioner in pursuance of law, there shall be added to the tax in lieu of the penalty provided in subdivision 1: ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate.

In the case of a failure to file a return of tax imposed by this chapter within 60 days of the date prescribed for filing of the return (determined with regard to any extensions of time for filing), *where the return has been demanded by the commissioner under the provisions of section 290.47*, the amount added to the tax under this subdivision shall not be less than the lesser of \$50 or 100 percent of the amount required to be shown as *the amount of tax (ON) which is due with the return.*

For the purposes of this subdivision the amount of any taxes required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date

prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner of revenue shall review (SUCH) the certifications to determine their accuracy. He may make (SUCH) changes in the certification as he may deem necessary or return a certification to the county auditor for corrections. *The amount of the reduction provided under this subdivision which any taxpayer can receive on all qualifying property which he owns shall not exceed \$2,000 in the case of agricultural property, and shall not exceed \$100 in the case of seasonal residential recreational property. In the case of property owned by more than one person, the maximum amount of the reduction shall apply to the total of all the owners.*

- (8) (a) Class 2 property of every household of the value of \$100, maintained in the principal place of residence of the owner thereof. The county auditor shall deduct (SUCH) *the* exemption from the total valuation of (SUCH) *the* property as equalized by the (REVENUE) commissioner of *revenue* assessed to (SUCH) *the* household, and extend the levy of taxes upon the remainder only. The term "household" as used in this section is defined to be a domestic establishment maintained either (1) by two or more persons living together within the same house or place of abode, subsisting in common and constituting a domestic or family relationship, or (2) by one person.

(b) During the period of his active service and for six months after his discharge therefrom, no member of the armed forces of the United States shall lose status of a householder under paragraph (a) which he had immediately prior to becoming a member of the armed forces.

In case there is an assessment against more than one member of a household the \$100 exemption shall be divided among the members assessed in the proportion that the assessed value of the Class 2 property of each bears to the total assessed value of the Class 2 property of all the members assessed. The Class 2 property of each household claimed to be exempt shall be limited to property in one taxing district, except in (THOSE) cases where a single domestic establishment is maintained in two or more adjoining districts.

Bonds and certificates of indebtedness hereafter issued by the state of Minnesota, or by any county or city of the state, or any town, or any common or independent school district of the state, or any governmental board of the state, or any county or city thereof, shall hereafter be exempt from taxation; provided, that nothing herein contained shall be construed as exempting (SUCH) *the* bonds from the payment of a tax thereon, as provided for by section 291.01, when any of (SUCH) *the* bonds constitute, in whole or in part, any inheritance or bequest, taken or received by any person or corporation.

(9) Farm machinery manufactured prior to 1930, which is used only for display purposes as a collectors item;

(10) The taxpayer shall be exempted with respect to (,) all agricultural products, inventories, stocks of merchandise of all sorts, all materials, parts and supplies, furniture and equipment, manufacturers material, manufactured articles including the inventories of manufacturers, wholesalers, retailers and contractors; and the furnishings of a room or apartment in a hotel, rooming house, tourist court, motel or trailer camp, tools and machinery which by law are considered as personal property, and the property described in section 272.03, subdivision 1, clause (c), except personal property which is part of an electric generating, transmission, or distribution system or a pipeline system transporting or distributing water, gas, or petroleum products or mains and pipes used in the distribution of steam or hot or chilled water for heating or cooling buildings and structures. Railroad docks and wharves which are part of the operating property of a railroad company as defined in section 270.80 are not exempt.

(11) Containers of a kind customarily in the possession of the consumer during the consumption of commodities, the sale of which are subject to tax under the provisions of the excise tax imposed by (EXTRA SESSION LAWS 1967,) chapter (32) 297A;

(12) All livestock, poultry, all horses, mules and other animals used exclusively for agricultural purposes;

(13) All agricultural tools, implements and machinery used by the owners in any agricultural pursuit.

(14) Real and personal property used primarily for the abatement and control of air, water, or land pollution to the extent that it is so used, other than real property used primarily as a solid waste disposal site.

Any taxpayer requesting exemption of all or a portion of any equipment or device, or part thereof, operated primarily for the control or abatement of air or water pollution shall file an application with the commissioner of revenue. (ANY SUCH) *The*

equipment or device shall meet standards, regulations or criteria prescribed by the Minnesota Pollution Control Agency, and must be installed or operated in accordance with a permit or order issued by that agency. The Minnesota Pollution Control Agency shall upon request of the commissioner furnish information or advice to the commissioner. If the commissioner determines that property qualifies for exemption, he shall issue an order exempting (SUCH) *the* property from taxation. (ANY SUCH) *The* equipment or device shall continue to be exempt from taxation as long as the permit issued by the Minnesota Pollution Control Agency remains in effect.

(15) **Wetlands.** For purposes of this subdivision, "wetlands" means land which is mostly under water, produces little if any income, and has no use except for wildlife or water conservation purposes. "Wetlands" shall be land preserved in its natural condition, drainage of which would be *legal*, feasible, and *economically* practical (AND WOULD PROVIDE LAND SUITABLE) for the production of livestock, dairy animals, poultry, fruit, vegetables, forage and grains, except wild rice. "Wetlands" shall include adjacent land which is not suitable for agricultural purposes due to the presence of the wetlands. "*Wetlands*" shall not include *woody swamps containing shrubs or trees, wet meadows, meandered water, streams, rivers, and floodplains or river bottoms.* Exemption of wetlands from taxation pursuant to this section shall not grant the public any additional or greater right of access to the wetlands or diminish any right of ownership to the wetlands.

(16) **Native prairie.** The commissioner of the department of natural resources shall determine lands in the state which are native prairie and shall notify the county assessor of each county in which the lands are located. Pasture land used for livestock grazing purposes shall not be considered native prairie for the purposes of this clause and section 273.116. Upon receipt of an application for the exemption and credit provided in this clause and section 273.116 for lands for which the assessor has no determination from the commissioner of natural resources, the assessor shall refer the application to the commissioner of natural resources who shall determine within 30 days whether the land is native prairie and notify the county assessor of his decision. Exemption of native prairie pursuant to this clause shall not grant the public any additional or greater right of access to the native prairie or diminish any right of ownership to it.

(17) **Property used in a continuous program to provide emergency shelter for victims of domestic abuse,** provided the organization that owns and sponsors the shelter is exempt from federal income taxation pursuant to section 501(c)(3) of the Internal Revenue Code of 1954, as amended through December 31, (1980) 1982, notwithstanding the fact that the sponsoring organization receives funding under section 8 of the United States Housing Act of 1937, as amended.

(18) If approved by the governing body of the municipality in which the property is located, property not exceeding one acre which is owned and operated by any senior citizen group or association of groups that in general limits membership to persons age 55 or older and is organized and operated exclusively for pleasure, recreation, and other nonprofit purposes, no part of the net earnings of which inures to the benefit of any private shareholders; provided the property is used primarily as a clubhouse, meeting facility or recreational facility by the group or association and the property is not used for residential purposes on either a temporary or permanent basis.

(19) To the extent provided by section 295.44, real and personal property used or to be used primarily for the production of hydroelectric or hydromechanical power on a site owned by the state or a local governmental unit which is developed and operated pursuant to the provisions of section 105.482, subdivisions 1, 8 and 9.

Sec. 3. Minnesota Statutes 1982, section 272.03, subdivision 8, is amended to read:

Subd. 8. [MARKET VALUE.] "Market value" means the usual selling price at the place where the property to which the term is applied shall be at the time of assessment; being the price which could be obtained at a private sale (AND NOT AT FORCED) or an auction sale, *if it is determined by the assessor that the price from the auction sale represents an arms length transaction. The price obtained at a forced sale shall not be considered.*

Sec. 4. Minnesota Statutes 1982, section 272.115, subdivision 1, is amended to read:

272.115 [CERTIFICATE OF VALUE; FILING.]

Subdivision 1. Whenever any real estate is sold on or after January 1, 1978 for a consideration in excess of \$1,000, whether by warranty deed, quitclaim deed, contract for deed or any other method of sale, the grantor, grantee or his legal agent shall file a certificate of value with the county auditor in the county in which the property is located. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration thereof, paid or to be paid, including the amount of any lien or liens assumed. The certificate of value shall include the classification to which the property belongs for the purpose of determining the fair market value of the property. *The certificate shall include financing terms and conditions of the sale which are necessary to determine the actual, present value of the sale price for purposes of the sales ratio study. The commissioner of revenue shall promulgate administrative rules specifying the financing terms and conditions which must be included on the certificate.*

Sec. 5. Minnesota Statutes 1982, section 273.11, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 6 (AND), 7, 8, and 9 or section 273.17, subdivision 1, all property shall be valued at its market value. The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall he adopt as a criterion of value the price for which such property would sell (AT AUCTION OR) at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such sum or price as he believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the assessed value of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under sections 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 6. Minnesota Statutes 1982, section 273.11, is amended by adding a subdivision to read:

Subd. 8. [LIMITED EQUITY COOPERATIVE APARTMENTS.] *For the purposes of this subdivision, the terms defined in this subdivision have the meanings given them.*

*A "limited equity cooperative" is a corporation organized under Minnesota Statutes, chapter 308, which has as its primary purpose the provision of housing and related services to its members, who must be persons or families of low and moderate income as defined in section 462A.03, subdivision 10, at the time they purchase their membership, and which meets the following requirements:*

(a) The articles of incorporation set the sale price of occupancy entitling cooperative shares or memberships at no more than a transfer value determined as provided in the articles. That value may not exceed the sum of the following:

(1) the consideration paid for the membership or shares by the first occupant of the unit, as shown in the records of the corporation;

(2) the fair market value, as shown in the records of the corporation, of any improvements to the real property that were installed at the sole expense of the member with the prior approval of the board of directors;

(3) accumulated interest, or an inflation allowance not to exceed the greater of a ten percent annual noncompounded increase on the consideration paid for the membership or share by the first occupant of the unit, or the amount that would have been paid on that consideration if interest had been paid on it at the rate of the percentage increase in the revised consumer price index for all urban consumers for the Minneapolis-St. Paul metropolitan area prepared by the United States Department of Labor, provided that the amount determined pursuant to this clause may not exceed \$500 for each year or fraction of a year the membership or share was owned; plus

(4) real property capital contributions shown in the records of the corporation to have been paid by the transferor member and previous holders of the same membership, or of separate memberships that had entitled occupancy to the unit of the member involved. These contributions include contributions to a corporate reserve account the use of which is restricted to real property improvements or acquisitions, contributions to the corporation which are used for real property improvements or acquisitions, and the amount of principal amortized by the corporation on its indebtedness due to the financing of real property acquisition or improvement or the averaging of principal paid by the corporation over the term of its real property related indebtedness.

(b) The articles of incorporation require that the board of directors limit the purchase price of stock or membership interests for new member-occupants or resident shareholders to an amount which does not exceed the transfer value for the membership or stock as defined in clause (a).

(c) The articles of incorporation require that the total distribution out of capital to a member shall not exceed that transfer value.

(d) The articles of incorporation require that upon liquidation of the corporation any assets remaining after retirement

of corporate debts and distribution to members will be conveyed to a charitable organization described in section 501 (c)(3) of the Internal Revenue Code of 1954, as amended through December 31, 1982, or a public agency.

A "limited equity cooperative apartment" is a dwelling unit owned or leased by a limited equity cooperative. If the dwelling unit is leased by the cooperative the lease agreement must meet the conditions for a cooperative lease stated in Minnesota Statutes, section 273.133, subdivision 3.

"Occupancy entitling cooperative share or membership" is the ownership interest in a cooperative organization which entitles the holder to an exclusive right to occupy a dwelling unit owned or leased by the cooperative.

For purposes of taxation, the assessor shall value a unit owned by a limited equity cooperative at the lesser of its market value or the value determined by capitalizing the net operating income of a comparable apartment operated on a rental basis at the capitalization rate used in valuing comparable buildings that are not limited equity cooperatives. If a cooperative fails to operate in accordance with the provisions of clauses (a) to (d), the property shall be subject to additional property taxes in the amount of the difference between the taxes determined in accordance with this subdivision for the last ten years that the property had been assessed pursuant to this subdivision and the amount that would have been paid if the provisions of this subdivision had not applied to it. The additional taxes, plus interest at the rate specified in section 549.09, shall be extended against the property on the tax list for the current year.

Sec. 7. Minnesota Statutes 1982, section 273.11, is amended by adding a subdivision to read:

Subd. 9. [CONDOMINIUM PROPERTY.] Notwithstanding any other provision of law to the contrary, for purposes of property taxation, condominium property shall be valued in accordance with this subdivision.

(a) A structure or building that is initially constructed as condominiums shall be identified as separate units after the filing of a declaration. The market value of the residential units in that structure or building and included in the declaration shall be valued as condominiums.

(b) When 60 percent or more of the residential units in a structure or building being converted to condominiums have been sold as condominiums including those units that the converters retain for their own investment, the market value of the remaining residential units in that structure or building which are included in the declaration shall be valued as condominiums. If

*not all of the residential units in the structure or building are included in the declaration, the 60 percent factor shall apply to those in the declaration. A separate description shall be recognized when a declaration is filed. For purposes of this clause, "retain" shall mean units that are rented and completed units that are not available for sale.*

*(c) For purposes of this subdivision, a "sale" is defined as the date when the first written document for the purchase or conveyance of the property is signed, unless that document is revoked.*

Sec. 8. Minnesota Statutes 1982, section 273.115, subdivision 1, is amended to read:

Subdivision 1. The county auditor shall annually reduce the tax liability of each owner of wetlands exempt from property taxation pursuant to section 272.02, subdivision 1, clause (15), by an amount equal to (THREE-FOURTHS) *one-half* of one percent of the average level of estimated market value of an acre of tillable land in the township, city or unorganized territory in which the qualifying wetland is located, multiplied by the number of acres of wetlands he owns. Any excess of credit over tax liability shall not be paid to the property owner but shall be applied to the tax liability of the owner of the wetlands for any parcel he owns which is contiguous to the parcel containing the wetlands.

Sec. 9. Minnesota Statutes 1982, section 273.13, subdivision 6, is amended to read:

Subd. 6. [CLASS 3B.] Agricultural land, except as provided by class 1 hereof, and which is used for the purposes of a homestead shall constitute class 3b and shall be valued and assessed (FOR TAXES PAYABLE IN 1981 AND THEREAFTER) as follows: the first (\$50,000) *\$60,000* of market value shall be valued and assessed at 14 percent; the remaining market value shall be valued and assessed at 19 percent. (EFFECTIVE FOR TAXES PAYABLE IN 1982 AND THEREAFTER.) The maximum amount of the market value of the homestead bracket subject to the 14 percent rate shall be adjusted by the commissioner of revenue as provided in section 273.1311. The property tax to be paid on class 3b property as otherwise determined by law less any reduction received pursuant to sections (124.213 AND) *124.2137, 273.123, 273.135, and 473H.10* shall be reduced by (58) *54* percent of the tax (FOR TAXES PAYABLE IN 1981 AND THEREAFTER); provided that the amount of (SAID) *the* reduction shall not exceed \$650. (VALUATION SUBJECT TO RELIEF SHALL BE LIMITED TO 240 ACRES OF LAND, MOST CONTIGUOUS SURROUNDING, BORDERING, OR CLOSEST TO THE HOUSE OCCUPIED BY THE OWNER AS HIS DWELLING PLACE, AND SUCH OTHER STRUCTURES AS MAY BE INCLUDED THEREON UTILIZED BY

THE OWNER IN AN AGRICULTURAL PURSUIT, PROVIDED THAT) Noncontiguous land shall constitute class 3b only if the homestead is classified as class 3b and the detached land is located in the same township or city or not farther than two townships or cities or combination thereof from the homestead. The first \$12,000 market value of each tract of real estate which is rural in character and devoted or adaptable to rural but not necessarily agricultural use, used for the purpose of a homestead shall be exempt from taxation for state purposes; except as specifically provided otherwise by law.

Agricultural land as used herein, and in section 124.2137, shall mean contiguous acreage of ten acres or more, primarily used during the preceding year for agricultural purposes. Agricultural use may include pasture, timber, waste, unusable wild land and land included in federal farm programs.

Real estate of less than ten acres used principally for raising poultry, livestock, fruit, vegetables or other agricultural products, shall be considered as agricultural land, if it is not used primarily for residential purposes.

(EFFECTIVE FOR THE 1981 ASSESSMENT AND IN SUBSEQUENT YEARS,) The assessor shall determine and list separately on his records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

Sec. 10. Minnesota Statutes 1982, section 273.13, subdivision 6a, is amended to read:

Subd. 6a. [HOMESTEAD OWNED BY FAMILY FARM CORPORATION OR PARTNERSHIP.] (a) Each family farm corporation and each partnership operating a family farm shall be entitled to class 3b assessment and shall be eligible for the credit provided in subdivision 6 for one homestead occupied by a shareholder or partner thereof who is residing on the land and actively engaged in farming of the land owned by the corporation or partnership. (SUCH A) *The* homestead (SHALL NOT EXCEED 240 ACRES, AND) shall be assessed as provided in subdivision 6, notwithstanding the fact that legal title to the property may be in the name of the corporation or partnership and not in the name of the person residing thereon. "Family farm corporation" and "family farm" shall mean as defined in section 500.24.

(b) In addition to property specified in paragraph (a), any other residences owned by corporations or partnerships described in paragraph (a) which are located on agricultural land and occupied as homesteads by shareholders or partners who are actively engaged in farming on behalf of the corporation or part-

nership shall also be assessed as class 3b property, and be entitled to the credit provided in subdivision 6, but the property eligible shall be limited to the residence itself and as much of the land surrounding the homestead, not exceeding one acre, as is reasonably necessary for the use of the dwelling as a home, and shall not include any other structures that may be located thereon.

Sec. 11. Minnesota Statutes 1982, section 273.13, subdivision 7, is amended to read:

Subd. 7. [CLASS 3C, 3CC.] All other real estate and class 2a property, except as provided by classes 1 and 3cc, which is used for the purposes of a homestead, shall constitute class 3c, and shall be valued and assessed (FOR TAXES PAYABLE IN 1981 AND THEREAFTER) as follows: the first (\$25,000) \$30,000 of market value shall be valued and assessed at (16) 17 percent; the next (\$25,000) \$30,000 of market value shall be valued and assessed at (22) 19 percent; and the remaining market value shall be valued and assessed at (28) 30 percent. (EFFECTIVE FOR TAXES PAYABLE IN 1982 AND THEREAFTER,) The maximum amounts of the market value of the homestead brackets subject to the (16) 17 percent and (22) 19 percent rates shall be adjusted by the commissioner of revenue as provided in section 273.1311. The property tax to be paid on class 3c property as otherwise determined by law, less any reduction received pursuant to sections 273.123, 273.135, and 473H.10 shall be reduced by (58) 54 percent of the tax (FOR TAXES PAYABLE IN 1981 AND THEREAFTER) imposed on the first \$67,000 of market value; provided that the amount of (SAID) the reduction shall not exceed \$650. The first \$12,000 market value of each tract of such real estate used for the purposes of a homestead shall be exempt from taxation for state purposes; except as specifically provided otherwise by law.

Class 3cc property shall include real estate or manufactured homes used for the purposes of a homestead by (a) any blind person, if (SUCH) the blind person is the owner thereof or if (SUCH) the blind person and his or her spouse are the sole owners thereof; or (b) any person (hereinafter referred to as veteran) who: (1) served in the active military or naval service of the United States and (2) is entitled to compensation under the laws and regulations of the United States for permanent and total service-connected disability due to the loss, or loss of use, by reason of amputation, ankylosis, progressive muscular dystrophies, or paralysis, of both lower extremities, such as to preclude motion without the aid of braces, crutches, canes, or a wheelchair, and (3) with assistance by the administration of veterans affairs has acquired a special housing unit with special fixtures or movable facilities made necessary by the nature of the veteran's disability, or the surviving spouse of (SUCH A) the deceased veteran for as long as the surviving spouse retains the special housing unit as his or her homestead; or (c) any person who: (1) is permanently and totally disabled and (2) (IS

Property shall be classified and assessed as class 3cc only if the commissioner of revenue certifies to the assessor that the owner of the property satisfies the requirements of this subdivision. Class 3cc property shall be valued and assessed (FOR TAXES PAYABLE IN 1981 AND THEREAFTER) as follows: in the case of agricultural land, including a manufactured home, used for a homestead, the first (\$33,000) \$30,000 of market value shall be valued and assessed at five percent, the next (\$17,000) \$30,000 of market value shall be valued and assessed at 14 percent, and the remaining market value shall be valued and assessed at 19 percent; and in the case of all other real estate and manufactured homes, the first (\$33,000) \$30,000 of market value shall be valued and assessed at five percent, the next (\$17,000) \$30,000 of market value shall be valued and assessed at (22) 19 percent, and the remaining market value shall be valued and assessed at (28) 30 percent. (EFFECTIVE FOR TAXES PAYABLE IN 1982 AND THEREAFTER.) In the case of agricultural land including a manufactured home used for purposes of a homestead, the commissioner of revenue shall adjust, as provided in section 273.1311, the maximum amount of the market value of the homestead brackets subject to the five percent and 14 percent rates; and for all other real estate and manufactured homes, the commissioner of revenue shall adjust, as provided in section 273.1311, the maximum amount of the market value of the homestead brackets subject to the five percent and (22) 19 percent rates. Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings him an income. The property tax to be paid on class 3cc property as otherwise determined by law, less any reduction received pursuant to section 273.135 shall be reduced by (58) 54 percent of the tax (FOR TAXES PAYABLE IN 1981 AND THEREAFTER) imposed on the first \$67,000 of market value; provided that the amount of (SAID) the reduction shall not exceed \$650.

*For purposes of this subdivision, homestead property which qualifies for the classification ratios and credits provided in this subdivision shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The*

## ARTICLE 3

## LEVY LIMITS

Section 1. Minnesota Statutes 1982, section 275.50, subdivision 2, is amended to read:

Subd. 2. [GOVERNMENTAL SUBDIVISION.] "Governmental subdivision" means a county, home rule charter city, or statutory city, (TOWN OR SPECIAL TAXING DISTRICT DETERMINED BY THE DEPARTMENT OF REVENUE,) except a (TOWN) *home rule charter or statutory city* that has a population of less than 5,000 according to the most recent federal census (, PROVIDED THAT THE POPULATION OF AN INCORPORATED MUNICIPALITY LOCATED WITHIN THE BOUNDARIES OF A TOWN IS NOT INCLUDED IN THE POPULATION OF THE TOWN. THE TERM DOES NOT INCLUDE SCHOOL DISTRICTS OR THE METROPOLITAN TRANSIT COMMISSION CREATED PURSUANT TO SECTION 473.404).

Sec. 2. Minnesota Statutes 1982, section 275.50, subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in (1982) 1983 payable in (1983) 1984 and subsequent years, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, but only to the extent of the increase in levy for such judgments and out of court settlements over levy year 1970, taxes payable in 1971;

(b) pay the costs of complying with any written lawful order initially issued prior to January 1, 1977 by the state of Minnesota, or the United States, or any agency or subdivision thereof, which is authorized by law, statute, special act or ordinance and is enforceable in a court of competent jurisdiction, or any stipulation agreement or permit for treatment works or disposal system for pollution abatement in lieu of a lawful order signed by the governmental subdivision and the state of Minnesota, or the United States, or any agency or subdivision thereof which is enforceable in a court of competent jurisdiction. The commissioner of revenue shall in consultation with other state depart-

ments and agencies, develop a suggested form for use by the state of Minnesota, its agencies and subdivisions in issuing orders pursuant to this subdivision;

(c) pay the costs to a governmental subdivision for their minimum required share of any program otherwise authorized by law for which matching funds have been appropriated by the state of Minnesota or the United States, excluding the administrative costs of public assistance programs, to the extent of the increase in levy (FOR THE TAXES PAYABLE YEAR 1983 AND SUBSEQUENT YEARS) over the amount levied for the local share of the program for the taxes payable year 1971. This clause shall apply only to those programs or projects for which matching funds have been designated by the state of Minnesota or the United States on or before September 1, of the previous year and only when the receipt of these matching funds is contingent upon the initiation or implementation of the project or program during the year in which the taxes are payable or those programs or projects approved by the commissioner;

(d) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law, and the costs of purchase or delivery of social services. Except for the costs of *general assistance as defined in section 256D.02, subdivision 4*, general assistance medical care under section 256D.03 and the costs of hospital care pursuant to section 261.21, the aggregate amounts levied pursuant to this clause are subject to a maximum increase of 18 percent over the amount levied for these purposes in the previous year;

(e) pay the costs of principal and interest on bonded indebtedness (,) or (, EFFECTIVE FOR TAXES LEVIED IN 1973 AND YEARS THEREAFTER,) to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(f) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency;

(g) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(h) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(i) pay the amounts required to compensate for a decrease in manufactured homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 273.13, subdivision 3, as amended, is less than the distribution of the manufactured homes tax to the governmental subdivision pursuant to section 273.13, subdivision 3, in calendar year 1971;

(j) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission (IN LEVY YEAR 1971 OR A SUBSEQUENT LEVY YEAR,) but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(k) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(l) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal board (IN LEVY YEAR 1971 OR A SUBSEQUENT LEVY YEAR,) but only to the extent and for the levy years as provided by the board in its order pursuant to section 414.01, subdivision 15. Special levies authorized by the board shall not exceed 50 percent of the levy limit base of the governmental subdivision and may not be in effect for more than three years after the board's order;

(m) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows. The governmental subdivision may calculate the aggregate of:

(1) The increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) The amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value

of private industrial and nonresidential commercial development within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth levy year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate parcels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and nonresidential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy" for the increased costs of municipal services provided to new private industrial and nonresidential commercial development. In the levy year following the levy year in which the special levy made pursuant to this clause is discontinued, one-half of the amount of that special levy made in the preceding year shall be added to the permanent levy base of the governmental subdivision;

(n) recover a loss or refunds in tax receipts incurred in non-special levy funds resulting from abatements or court action in the previous year pursuant to section 275.48;

(o) pay amounts required by law to be paid to pay the interest on and to reduce the unfunded accrued liability of public pension funds in accordance with the actuarial standards and guidelines specified in sections 356.215 and 356.216 reduced (FOR LEVY YEAR 1977 AND SUBSEQUENT YEARS) by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(p) the amounts allowed under section 174.27 to establish and administer a commuter van program;

(q) pay the costs of financial assistance to local governmental units and certain administrative, engineering, and legal expenses pursuant to Laws 1979, Chapter 253, Section 3;

(r) Compensate for revenue lost as a result of abatements or court action pursuant to sections 270.07, 270.17 or 278.01 due

to a reassessment ordered by the commissioner of revenue pursuant to section 270.16;

(s) pay the costs of implementing section 18.023, including sanitation and reforestation; and

(t) pay the estimated cost for the following calendar year of the county's share of funding the Minnesota cooperative soil survey.

*Applications shall be in the form and accompanied by the data required by the commissioner. If approved by the commissioner, the subdivision may then pass a resolution stating the amount by which the levy limit base is proposed to be increased. Thereafter, the resolution shall be published for two successive weeks in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation in the governmental subdivision, together with a notice fixing a date for a public hearing on the proposed increase. The hearing shall be held not less than two weeks nor more than four weeks after the first publication of the resolution. ## ARTICLE 4

### PROPERTY TAX REFUND

Section 1. Minnesota Statutes 1982, section 290A.03, subdivision 6, is amended to read:

*Subd. 6. [HOMESTEAD.] "Homestead" means the dwelling occupied by a claimant as (A PLACE OF) his principal residence and so much of the land surrounding it, not exceeding ten acres, as is reasonably necessary for use of the dwelling as a home and any other property used for purposes of a homestead as defined in section 273.13, subdivision 7, except (THAT THIS RESTRICTION SHALL NOT BE APPLICABLE TO) for agricultural land assessed as part of a homestead pursuant to section 273.13, subdivision 6, "homestead" is limited to 320 acres. The homestead may be owned or rented and may be a part of a multi-dwelling or multi-purpose building and the land on which it is built. A manufactured home, as defined in section 168.011, subdivision 8, assessed as personal property may be a dwelling for purposes of this subdivision.*

Sec. 2. Minnesota Statutes 1982, section 290A.03, subdivision 8, is amended to read:

*Subd. 8. [CLAIMANT.] (a) "Claimant" means a person, other than a dependent, who filed a claim authorized by sections 290A.01 to 290A.20 and who was domiciled in this state during the calendar year for which the claim for relief was filed.*

(b) In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes, are payable at some time during the calendar year covered by the claim.

(c) "Claimant" shall not include a resident of a nursing home, intermediate care facility, or long term residential facility whose rent constituting property taxes is paid pursuant to the supplemental security income program under Title XVI of the social security act, the Minnesota supplemental aid program under sections 256D.35 to 256D.41, the medical assistance program pursuant to Title XIX of the social security act, or the general assistance medical care program pursuant to section 256D.03, Subdivision 3. If only a portion of the rent constituting property taxes is paid by these programs, the resident shall be a claimant for purposes of this chapter, but the refund calculated pursuant to section 290A.04 shall be multiplied by a fraction, the numerator of which is income as defined in subdivision 3 reduced by the total amount of income from the above sources other than vendor payments under the medical assistance program or the general assistance medical care program and the denominator of which is income as defined in subdivision 3 plus vendor payments under the medical assistance program or the general assistance medical care program, to determine the allowable refund pursuant to this chapter.

*(d) Notwithstanding paragraph (c), if the claimant was a resident of the nursing home, intermediate care facility or long term residential facility for only a portion of the calendar year covered by the claim, the claimant may compute rent constituting property taxes by disregarding the rent constituting property taxes from the nursing home, intermediate care facility, or long term residential facility and use only that amount of rent constituting property taxes or property taxes payable relating to that portion of the year when the claimant was not in the facility. The claimant's household income is his income for the entire calendar year covered by the claim.*

(e) In the case of a claim for rent constituting property taxes of a part year *Minnesota* resident, the income and rental reflected in this computation shall be for the period of *Minnesota* residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final. If a homestead property owner was a part year *Minnesota* resident, the income reflected

in the computation made pursuant to section 290A.04 shall be for the entire calendar year, including income not assignable to Minnesota.

(f) If a homestead is occupied by two or more renters, who are not husband and wife, the rent shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Sec. 3. Minnesota Statutes 1982, section 290A.03, subdivision 11, is amended to read:

Subd. 11. [RENT CONSTITUTING PROPERTY TAXES.] "Rent constituting property taxes" means (23 PERCENT OF) the amount of gross rent actually paid in cash, or its equivalent, which is attributable (a) to the property tax paid on the unit or (THAT PORTION OF GROSS RENT WHICH IS) (b) to the amount paid in lieu of property taxes, in any calendar year by a claimant solely for the right of occupancy of his Minnesota homestead in the calendar year, and which rent constitutes the basis, in the succeeding calendar year of a claim for relief under sections 290A.01 to 290A.20 by the claimant. The amount of rent attributable to property taxes paid or payments in lieu made on the unit shall be determined by multiplying the net tax on the property where the unit is located by a fraction, the numerator of which is the gross rent paid by the claimant for the calendar year for the unit and the denominator of which is the gross rent paid for the calendar year for the property in which the unit is located. In the case of a claimant who resides in a unit for which a rent subsidy is paid pursuant to section 8 of the United States Housing Act of 1937, as amended, or under another state or federal program providing rent supplements or reduced rent for low and moderate income families, 20 percent of gross rent actually paid in cash or its equivalent shall be the claimant's "rent constituting property taxes paid."

Sec. 4. Minnesota Statutes 1982, section 290A.03, subdivision 13, as amended by Laws 1983, chapter 15, section 28, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made pursuant to section 273.13, subdivisions 6, 7 and 14a, but after deductions made pursuant to sections 124.2137, 273.115, 273.116, 273.135, 273.139, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits, in any calendar year. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located. No appor-

tionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include (23 PERCENT) *the amount of the gross rent paid in the preceding year for the site on which the homestead is located, (EXCLUSIVE OF CHARGES FOR UTILITIES OR SERVICES) which is attributable to the net tax paid on the site. The amount attributable to property taxes shall be determined by multiplying the net tax on the parcel by a fraction, the numerator of which is the gross rent paid for the calendar year for the site and the denominator of which is the gross rent paid for the calendar year for the parcel.* When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable", the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.13, subdivisions 6, 7, or 14a on or before June 1 of the year in which the "property taxes payable" were levied; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made prior to (JULY 1) *October 1* of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

Sec. 5. Minnesota Statutes 1982, section 290A.03, is amended by adding a subdivision to read:

*Subd. 14. [NET TAX.] "Net tax" means*

*(a) the property tax, exclusive of special assessments, interest, and penalties, or*

*(b) the payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes,*

*for the calendar year in which the rent was paid. If a portion of the property is occupied as a homestead or is used for other than rental purposes, the net tax shall be the amount of tax after reductions pursuant to section 273.13, subdivisions 6, 7, and 14a, reduced by the percentage that the nonrental use comprises of*

*the total square footage of the building. If a portion of the property is used for purposes other than for residential rental and none of the property is occupied as a homestead, the net tax shall be the amount of the tax of the parcel multiplied by a fraction, the numerator of which is the assessed value of the residential rental portion and the denominator of which is the total assessed value of the parcel. If a portion of the property is used for other than rental residential purposes, the county treasurer shall list on the property tax statement the amount of net tax pertaining to the rental residential portion of the property.*

*The amount of the net tax shall not be reduced by an abatement or a court ordered reduction in the property tax on the property made after the certificate of rent constituting property tax has been provided to the renter.*

Sec. 6. Minnesota Statutes 1982, section 290A.04, subdivision 1, is amended to read:

Subdivision 1. A credit shall be allowed each claimant in the amount that property taxes payable or rent constituting property taxes exceed the percentage of the household income of the claimant specified in subdivision 2 in the year for which the taxes were levied or in the year in which the rent was paid. (THE MAXIMUM CREDIT FOR ANY CLAIMANT WHO WAS DISABLED ON OR BEFORE JUNE 1 OR WHO ATTAINED THE AGE OF 65 PRIOR TO JUNE 1 OF THE YEAR FOLLOWING THE YEAR FOR WHICH THE TAXES WERE LEVIED OR IN WHICH THE RENT WAS PAID SHALL BE \$200 ABOVE THE MAXIMUM FOR WHICH THAT CLAIMANT WOULD OTHERWISE BE ELIGIBLE ACCORDING TO HIS INCOME.) *If the amount of property taxes payable or rent constituting property taxes is equal to or less than the percentage of the household income of the claimant specified in subdivision 2 in the year for which the taxes were levied or in the year in which the rent was paid, the claimant shall not be eligible for a state refund pursuant to this section.*

*No credit or payment will be allowed pursuant to subdivision 2 or 2b if the claimant's household income is \$40,000 or more.*

Sec. 10. Minnesota Statutes 1982, section 290A.04, is amended by adding a subdivision to read:

*Subd. 2e. If the net property taxes payable on a homestead increase more than 20 percent over the net property taxes payable in the previous year on the same property, a claimant who is a homeowner shall be allowed an additional refund equal to 50 percent of the amount by which the increase exceeds 20 per-*

cent. This subdivision shall not apply to any increase in the net property taxes payable attributable to improvements made to the homestead. The refund shall not exceed \$200. The maximum refund shall be reduced by \$20 for each \$1,000 of the claimant's household income in excess of \$30,000. No refund shall be allowed if the claimant's household income exceeds \$40,000.

For purposes of this subdivision, "net property taxes payable" means property taxes payable after reductions made pursuant to sections 124.2137; 273.13, subdivisions 6, 7, and 14a; 273.115, subdivision 1; 273.116, subdivision 1; 273.135; 273.1391; and 273.42, subdivision 2, and any other state paid property tax credits and after the deduction of tax refund amounts for which the claimant qualifies pursuant to subdivisions 2, 2a and 2b.

In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

On or before December 1, 1983, the commissioner shall estimate the cost of making the payments provided by this section. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims exceed \$11,000,000, the commissioner shall adjust accordingly the percentage increase in net property taxes payable over the previous year which is required to qualify for the credit provided in this subdivision.

This subdivision is repealed effective for property taxes levied in 1984, payable in 1985.

Sec. 11. Minnesota Statutes 1982, section 290A.04, is amended by adding a subdivision to read:

Subd. 2f. If the net property taxes payable in 1984 on a homestead increases more than ten percent over the net property taxes payable in 1983 on the same property, and if the effective tax rate of property tax paid in 1983 on that homestead as compared to the January 2, 1982, estimated market value exceeds 2.25 percent, an additional credit shall be paid by the commissioner to the claimant. The additional credit shall be equal to 50 percent of the amount by which the increase exceeds ten percent but in no case shall the additional credit exceed \$200. This subdivision shall not apply to any increase in the net property taxes payable attributable to improvements made to the homestead.

For purposes of this subdivision, "effective tax rate" means the net property tax paid by the claimant in 1983, divided by the assessor's 1982 estimated market value times 100.

*For purposes of this subdivision, "net property taxes" means the gross tax less the homestead credit and any other state paid credit and after the deduction of tax refund amounts for which the claimant qualifies.*

*The city assessor, or the county assessor if the property is located in a taxing district which does not have a city assessor, shall notify all affected property owners of the availability of this credit and furnish the forms which the commissioner shall prescribe.*

*The additional refunds shall be paid at the same time as the commissioner pays other property tax refund claims.*

Sec. 12. Minnesota Statutes 1982, section 290A.04, subdivision 3, is amended to read:

Subd. 3. The commissioner of revenue shall construct and make available to taxpayers a comprehensive table showing the property taxes to be paid and credit allowed at various levels of income and assessment. The table shall follow the schedule of income percentages, maximums and other provisions specified in subdivisions 2, 2a, and 2b, except that the commissioner may graduate the transition between income brackets.

(FOR HOMESTEAD PROPERTY OWNERS WHO ARE DISABLED OR ARE 65 OR OLDER, AS PROVIDED IN SUBDIVISION 1, THE COMMISSIONER SHALL BASE HIS DETERMINATION OF THE CREDIT ON THE GROSS QUALIFYING TAX REDUCED BY THE AVERAGE STATEWIDE EFFECTIVE HOMESTEAD CREDIT PERCENTAGE FOR TAXES PAYABLE IN 1975 CALCULATED UNDER SECTION 273.13, SUBDIVISIONS 6 AND 7.)

Sec. 13. Minnesota Statutes 1982, section 290A.07, subdivision 3, is amended to read:

Subd. 3. Any claimant not included in subdivision 2a shall receive full payment after (SEPTEMBER 30) *August 31* and prior to (OCTOBER) *September 15*. Interest shall be added at six percent per annum from (OCTOBER) *September 15* or 60 days after receipt of the application if the application is filed after August 31. Interest will be computed until the date the claim is paid.

Sec. 14. Minnesota Statutes 1982, section 290A.18, is amended to read:

**290A.18 [RIGHT TO FILE CLAIM.]**

If a person entitled to relief under sections 290A.01 to 290A.23 dies prior to receiving relief, the surviving spouse (,) or depen-

dent (OR PERSONAL REPRESENTATIVE) of the person shall be entitled to file the claim and receive relief. *If there is no surviving spouse or dependent, the right to the credit shall lapse.*

Sec. 15. Minnesota Statutes 1982, section 290A.19, is amended to read:

**290A.19 [OWNER OR MANAGING AGENT TO FURNISH RENT CERTIFICATE; PENALTY.]**

(a) The owner or managing agent of any property for which rent is paid for occupancy as a homestead shall furnish a certificate of rent (PAID) *constituting property tax* to each person who is a renter on December 31, in the form prescribed by the commissioner. If the renter moves prior to December 31, the owner or managing agent shall at his option either provide the certificate to the renter at the time he moves, or mail the certificate to the forwarding address if an address has been provided by the renter. The certificate shall be made available to the renter not later than January 31 of the year following the year in which the rent was paid. Any owner or managing agent who willfully fails to furnish a certificate as provided herein shall be liable to the commissioner for a penalty of \$20 for each act or failure to act. The penalty shall be assessed and collected in the manner provided in chapter 290 for the assessment and collection of income tax.

(b) *If the owner or managing agent elects to provide the renter with the certificate at the time he moves, rather than after December 31, the amount of rent constituting property taxes shall be computed as follows:*

(i) *The net tax shall be reduced by 1/12th for each month remaining in the calendar year.*

(ii) *In calculating the denominator of the fraction pursuant to section 290A.03, subdivision 11, the gross rent paid through the last month of claimant's occupancy shall be substituted for "the gross rent paid for the calendar year for the property in which the unit is located."*

(c) *The certificate of rent constituting property taxes shall include the address of the property, including the county, and the property tax parcel identification number and any additional information which the commissioner determines is appropriate.*

(d) *If the owner or managing agent fails to provide the renter with a certificate of rent constituting property taxes, the commissioner shall allocate the net tax on the building to the unit on a square footage basis or other appropriate basis as the*

*commissioner determines. The renter shall supply the commissioner with a statement from the county treasurer which gives the amount of property tax on the parcel, the address and property tax parcel identification number of the property, and the number of units in the building.*

Sec. 16. [EFFECTIVE DATE.]

*This article is effective for claims based on rent paid during calendar year 1983 and thereafter and property taxes payable in 1984 and thereafter, except that the date change in section 4 shall be effective beginning for claims based on rent paid during calendar year 1982.*

Sec. 2. Minnesota Statutes 1982, section 273.138, subdivision 2, is amended to read:

Subd. 2. (a) *As provided in paragraphs (b) and (c), each county government, (CITY AND TOWNSHIP) shall receive reimbursement in (1978) 1984 and subsequent years in an amount (EQUAL TO) based on the product of its total mill rate for taxes payable in (THE CALENDAR YEAR PRIOR TO THE CALENDAR YEAR IN WHICH THE AID IS TO BE PAID) 1983, times the total 1972 assessed value of real property exempted from taxation by section 272.02, subdivision 1 which was located within the territory of (SUCH GOVERNMENTAL UNIT) the county, times 1.25. For the purpose of this subdivision, the "total mill rate" of a county government (, CITY OR TOWNSHIP) includes mill rates for taxes levied by (SUCH GOVERNMENTAL UNIT) the county which were not levied on the entire taxable value of (SUCH GOVERNMENTAL UNIT) the county.*

Sec. 3. Minnesota Statutes 1982, section 273.138, subdivision 3, is amended to read:

Subd. 3. (a) *As provided in paragraph (b), each school district shall receive reimbursement in (1974) 1984 and subsequent years in an amount (EQUAL TO) based on the product of its 1972 assessed value of real property exempted from taxation by Laws 1973, Chapter 650, Article XXIV, Section 1, times the sum of its 1972 payable 1973 mill rates for the following levies:*

(1) A levy to pay the principal and interest on bonded indebtedness, including the levy to pay the principal and interest on bonds issued pursuant to Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (6) (c);

*(b) If the product computed pursuant to paragraph (a) is more than or equal to an amount equal to \$10 per pupil unit of the district, aid shall be paid to that school district in an amount equal to 90 percent of the amount computed pursuant to paragraph (a). If the product is an amount less than \$10 per pupil unit, no aid will be paid.*

Sec. 4. Minnesota Statutes 1982, section 273.138, subdivision 6, is amended to read:

(IF A COUNTY GOVERNMENT, CITY OR TOWNSHIP IS SUBJECT TO THE PROVISIONS OF SECTIONS 275.50 TO 275.56, THE AMOUNT OF AID CALCULATED FOR SUCH TAXING DISTRICT PURSUANT TO SUBDIVISION 2 FOR 1976 SHALL BE DEDUCTED FROM THE TAXING DISTRICT'S LEVY YEAR 1975, TAXES PAYABLE 1976 LEVY LIMIT BASE DETERMINED PURSUANT TO SECTION 275.51, SUBDIVISION 3b AND THE AMOUNT OF AID CALCULATED FOR SUCH TAXING DISTRICT PURSUANT TO SUBDIVISION 2 FOR 1977 SHALL BE DEDUCTED FROM THE TAXING DISTRICT'S LEVY YEAR 1976, TAXES PAYABLE 1977 LEVY LIMIT BASE DETERMINED PURSUANT TO SECTION 275.51, SUBDIVISION 3c FOR THE PURPOSE OF CALCULATING THE TAXING DISTRICT'S LEVY LIMITATION FOR TAXES PAYABLE IN 1976 OR 1977 AS THE CASE MAY BE.) The amount of aid calculated for a school district pursuant to subdivision 3, clauses (2), (3), (4), (5) and (6) (FOR 1975 OR A SUBSEQUENT YEAR) shall be deducted from the school district's maintenance levy limitation established pursuant to section 275.125, subdivision 2a, in determining the amount of taxes the school district may levy for general and special purposes (FOR TAXES PAYABLE IN 1975 OR A SUBSEQUENT YEAR).

Sec. 5. Minnesota Statutes 1982, section 477A.011, is amended by adding a subdivision to read:

*Subd. 3a. Sec. 6. Minnesota Statutes 1982, section 477A.011, subdivision 6, is amended to read:

Subd. 6. [(CONSUMER PRICE INDEX) *IMPLICIT PRICE DEFLATOR* INCREASE.] For any calendar year aid distribution, the (CONSUMER PRICE INDEX) *implicit price deflator* increase means the percentage increase in the (REVISED CONSUMER PRICE INDEX FOR ALL URBAN CONSUMERS FOR THE MINNEAPOLIS-ST. PAUL METROPOLITAN AREA) *implicit price deflator for government purchases of goods and services for state and local government* prepared by the bureau of economic analysis of the United States department of (LABOR) *commerce* for the 12 month period ending in June of the previous year.

Sec. 7. Minnesota Statutes 1982, section 477A.011, subdivision 7, is amended to read:

Subd. 7. [LOCAL REVENUE BASE.] For the (1982) 1984 aid distribution, a municipality's local revenue base means (ITS LOCAL REVENUE BASE FOR) *the sum of:*

(a) (1) *in the case of a municipality which had a local revenue base for the 1981 aid distribution, the 1981 aid distribution base calculated pursuant to Minnesota Statutes 1980, Section 477A.01, less any amount added to the local revenue base for the costs of principal and interest on bonded debt incurred for the purpose of providing capital replacement for streets, curbs, gutters, storm sewers, and bridges, (INCREASED IN THE MANNER PRESCRIBED BY CLAUSES (A) AND (B).) multiplied by a factor of 1.208, and multiplied by a factor equal to the estimated 1981 population divided by the 1980 census population, provided that the latter factor is greater than 1.0; or*

(FOR ALL SUBSEQUENT CALENDAR YEAR AID DISTRIBUTIONS, A MUNICIPALITY'S LOCAL REVENUE BASE MEANS ITS LOCAL REVENUE BASE FOR THE PREVIOUS YEAR AID DISTRIBUTION CALCULATED PURSUANT TO SECTIONS 477A.011 TO 477A.014 INCREASED BY:)

((A) A PERCENTAGE EQUAL TO THE CONSUMER PRICE INDEX INCREASE; AND)

((B) A PERCENTAGE EQUAL TO THE PERCENTAGE INCREASE IN POPULATION OVER THAT USED TO COMPUTE THE PREVIOUS YEAR AID DISTRIBUTION, IF ANY.)

(THE LOCAL REVENUE BASE FOR A STATUTORY OR HOME RULE CHARTER CITY OR A TOWN HAVING THE POWERS OF A STATUTORY CITY PURSUANT TO SECTION 368.01 OR SPECIAL LAW WHICH HAS A POPULATION OF 2,500 OR MORE ACCORDING TO THE MOST RECENT FEDERAL CENSUS AND)

(2) *in the case of a municipality which (DOES) did not have a local revenue base for the (PREVIOUS YEAR) 1981 aid distribution (SHALL BE ESTABLISHED BY ADDING), the (PRIOR YEAR'S) local government aid distribution (RECEIVED) certified for 1983 pursuant to (MINNESOTA STATUTES 1980, SECTION 477A.01 OR) sections 477A.011 to 477A.014, (AND) plus the property tax levy, exclusive of levies for bonded indebtedness (, IN THE PRECEDING YEAR AND MULTIPLYING THAT SUM BY A PERCENTAGE EQUAL TO THE CONSUMER PRICE INDEX INCREASE.) for taxes payable in 1983;*

(b) *the total amount certified in calendar year 1983 pursuant to Minnesota Statutes 1982, section 273.138; and*

(c) the total amount certified in calendar year 1983 pursuant to Minnesota Statutes 1982, section 273.139, including any amount received by a district as defined by section 273.73, subdivision 9, or which qualifies for exemption pursuant to 273.78, which lies totally within the municipality, and including any amount which would have been received in 1983 pursuant to section 273.139 by a district as defined by section 273.73, subdivision 9, lying totally within the municipality, for a project approved by the Minnesota housing finance agency or the United States department of housing and urban development prior to March 1, 1983, had the project been completed and subject to taxation based upon full market value for taxes payable in 1983.

Any municipality whose payable 1983 levy exceeded its payable 1979 levy by a factor of ten, primarily because of a loss in state administered aids, may apply to the commissioner of revenue to have its local revenue base computed as if it did not have a local revenue base for the 1981 distribution. Applications shall be in the form and accompanied by the data required by the commissioner.

For 1985 and all subsequent calendar year aid distributions the local revenue base means the adjusted local revenue base used in the previous year aid distribution.

Sec. 8. Minnesota Statutes 1982, section 477A.011, is amended by adding a subdivision to read:

Subd. 7a. [ADJUSTED LOCAL REVENUE BASE.] Adjusted local revenue base means the local revenue base increased by:

(a) a percentage equal to the implicit price deflator increase; and

(b) a percentage equal to the percentage increase in population over that used to compute the previous year aid distribution, if any, or a percentage equal to the percentage increase in number of households over that used to compute the previous year aid distribution, if any, whichever is higher.

For the purposes of the 1984 aid distribution, the 1981 estimates of population and number of households shall be considered as the estimates used in the previous year aid distribution.

For the 1984 and 1985 aid distributions, the adjusted local revenue base of a city that issued general obligation bonds in 1982 to pay for the construction or reconstruction of water wells which replaced a municipal water supply found to be an environmental health hazard by the state department of health shall be

*increased by one fourth of the amount of the bonds issued. This increase shall be disregarded in computing the local revenue base for the succeeding year aid distribution.*

Sec. 9. Minnesota Statutes 1982, section 477A.011, subdivision 10, is amended to read:

Subd. 10. [MAXIMUM (INCREASE) AID AMOUNT.] For (ANY CALENDAR YEAR) *the 1984* aid distribution, a municipality's maximum (INCREASE) aid amount shall (MEAN THE FOLLOWING PERCENTAGE OF ITS PREVIOUS YEAR AID:)

((A) 12 PERCENT IF ITS PREVIOUS YEAR AID IS GREATER THAN \$100 PER CAPITA;)

((B) 15 PERCENT IF ITS PREVIOUS YEAR AID IS GREATER THAN \$75 PER CAPITA BUT NOT GREATER THAN \$100 PER CAPITA;)

((C) 17 PERCENT IF ITS PREVIOUS YEAR AID IS GREATER THAN \$50 PER CAPITA BUT NOT GREATER THAN \$75 PER CAPITA;)

((D) 20 PERCENT IF ITS PREVIOUS YEAR AID IS NOT GREATER THAN \$50 PER CAPITA) *be 106 percent of the amount it was certified to receive in 1983 pursuant to sections 477A.011 to 477A.03, plus any amounts certified in 1983 pursuant to Minnesota Statutes 1982, sections 273.138 and 273.139, including any amount certified by a district as defined by section 273.73, subdivision 9, or which qualifies for exemption pursuant to section 273.78, which lies totally within the municipality, and including any amount which would have been received in 1983 pursuant to section 273.139 by a district as defined by section 273.73, subdivision 9, lying totally within the municipality, for a project approved by the Minnesota housing finance agency or the United States department of housing and urban development prior to March 1, 1983, had the project been completed and subject to taxation based upon full market value for taxes payable in 1983.*

*For any subsequent calendar year aid distribution, a municipality's maximum aid amount shall be 106 percent of the amount received in the previous year pursuant to sections 477A.011 to 477A.03.*

Sec. 10. Minnesota Statutes 1982, section 477A.012, is amended to read:

477A.012 [COUNTY GOVERNMENT DISTRIBUTIONS.]

In each calendar year, every county government (EXCEPT THAT OF A COUNTY CONTAINING A CITY OF THE FIRST CLASS) shall receive a distribution equal to (ITS PREVIOUS YEAR AID) 60 percent of the aid amount certified for 1983 pursuant to sections 477A.011 to 477A.03.

Sec. 11. Minnesota Statutes 1982, section 477A.013, is amended to read:

477A.013 [MUNICIPAL GOVERNMENT DISTRIBUTIONS.]

Subdivision 1. [(MUNICIPALITIES UNDER 2,500 POPULATION) TOWNS.] In each calendar year, each (MUNICIPALITY WHICH IS NOT COVERED BY THE PROVISIONS OF SUBDIVISION 2) town which has an average equalized mill rate of at least two mills shall receive a distribution equal to (ITS PREVIOUS YEAR AID PLUS ITS MINIMUM INCREASE) 50 percent of the amount received in 1983 pursuant to Minnesota Statutes 1982, sections 273.138, 273.139, and 477A.011 to 477A.03.

Subd. 2. [(MUNICIPALITIES OVER 2,500 POPULATION) CITIES AND TOWNS.] In each calendar year, each statutory and home rule charter city (, AND EACH TOWN HAVING THE POWERS OF A STATUTORY CITY PURSUANT TO SECTION 368.01 OR SPECIAL LAW, WHICH HAS A POPULATION OF 2,500 OR MORE ACCORDING TO THE LATEST FEDERAL CENSUS) shall receive a distribution equal to the amount obtained by subtracting (THE PRODUCT OF) 10 mills (AND) multiplied by the municipality's equalized assessed value from the adjusted local revenue base. (THIS AMOUNT SHALL THEN BE ADJUSTED, SO THAT IT IS NEITHER LESS THAN THE SUM OF ITS PREVIOUS YEAR AID AND ITS MINIMUM INCREASE, NOR GREATER THAN THE SUM OF ITS PREVIOUS YEAR AID AND ITS MAXIMUM INCREASE.)

An aid amount shall be computed in the same manner for all towns which have an average equalized mill rate of at least two mills. A town's final aid amount shall be determined by either the subdivision 1 or the subdivision 2 calculation, whichever is greater.

Subd. 3. [AID LIMITATION.] The aid amount determined pursuant to subdivision 2 shall be limited so that it is not greater than the municipality's maximum aid amount.

Sec. 12. [477A.0131] [MAXIMUM AID REDUCTION.]

Subdivision 1. No home rule charter or statutory city shall receive a distribution in any calendar year pursuant to sections

477A.011 to 477A.03 that is less than the sum of the amounts certified in the previous calendar year pursuant to sections 477A.011 to 477A.03, section 273.139, and section 273.138, by more than an amount equal to three-quarters of one mill times the unit's equalized assessed value.

*Subd. 2. Of the \$246,200,000 appropriated for distribution to cities for calendar year 1984, an amount not to exceed \$6,400,000 may be used for the purposes of this section. Payments shall be made in the manner prescribed in section 477A.015. In the event that this appropriation is not sufficient, aid amounts determined pursuant to this section shall be proportionally reduced.*

Sec. 13. Minnesota Statutes 1982, section 477A.014, subdivision 1, is amended to read:

Subdivision 1. [CALCULATIONS AND PAYMENTS.] The commissioner of revenue shall make all necessary calculations and make payments pursuant to sections 477A.012, 477A.013 and 477A.03 directly to the affected taxing authorities annually. *In addition, the commissioner shall notify the authorities of their aid amounts, as well as the computational factors used in making the calculations for their authority, and those statewide total figures that are pertinent, before August 15 of the year preceding the aid distribution year.*

Sec. 14. [477A.017] [UNIFORM FINANCIAL ACCOUNTING AND REPORTING SYSTEM.]

*Subdivision 1. [PURPOSE.] Sections 477A.011 to 477A.03 are designed to provide property tax relief to local units of government. The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court. An appeal may also be taken to the tax court under chapter 271 at any time following receipt of the valuation notice required by section 273.121 but prior to (JUNE 1) May 16 of the year in which the taxes are payable.

Sec. 10. Minnesota Statutes 1982, section 278.01, subdivision 2, is amended to read:

Subd. 2. [HOMESTEADS.] Any person having any estate, right, title or interest in or lien upon any parcel which is classified as homestead under the provisions of section 273.13, subdivisions 6, 6a, 7, 7b, 10 or 12, who claims that said parcel has been assessed at a valuation which exceeds by ten percent or more the valuation which the parcel would have if it were valued at the average assessment/sales ratio for real property in the same class, in that portion of the county in which that parcel is located, for which the commissioner is able to establish and publish a sales ratio study as determined by the applicable real estate assessment/sales ratio study published by the commissioner of revenue, may have the validity of his claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving two copies of a petition for such determination upon the county auditor and one copy each on the county treasurer and the county attorney and filing the same, with proof of such service, in the office of the clerk of the district court before the (FIRST) 16th day of (JUNE) May of the year in which such tax becomes payable. The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the

petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court.

Sec. 11. Minnesota Statutes 1982, section 278.03, is amended to read:

278.03 [PAYMENT OF TAX.]

If the proceedings instituted by the filing of the petition have not been completed before the (FIRST) 16th day of (JUNE) May next following the filing, the petitioner shall pay to the county treasurer 50 percent of the tax levied for such year against the property involved, unless permission to continue prosecution of the petition without such payment is obtained as herein provided. If the proceedings instituted by the filing of the petition have not been completed by the next (NOVEMBER 1) October 16, the petitioner shall pay to the county treasurer 50 percent of the unpaid balance of the taxes levied for the year against the property involved if the unpaid balance is \$2,000 or less and 80 percent of the unpaid balance if the unpaid balance is over \$2,000, unless permission to continue prosecution of the petition without payment is obtained as herein provided. The petitioner, upon ten days notice to the county attorney and to the county auditor, given at least ten days prior to the (FIRST) 16th day of (JUNE) May or the (FIRST) 16th day of (NOVEMBER) October, may apply to the court for permission to continue prosecution of the petition without payment; and, if it is made to appear

- (1) That the proposed review is to be taken in good faith;
- (2) That there is probable cause to believe that the property may be held exempt from the tax levied or that the tax may be determined to be less than 50 percent of the amount levied; and
- (3) That it would work a hardship upon petitioner to pay the taxes due,

the court may permit the petitioner to continue prosecution of the petition without payment, or may fix a lesser amount to be paid as a condition of continuing the prosecution of the petition.

Failure to make payment of the amount required when due shall operate automatically to dismiss the petition and all proceedings thereunder unless the payment is waived by an order of the court permitting the petitioner to continue prosecution of the petition without payment. The county treasurer shall, upon

request of the petitioner, issue duplicate receipts for the tax payment, one of which shall be filed by the petitioner in the proceeding.

Sec. 12. Minnesota Statutes 1982, section 278.05, subdivision 5, is amended to read:

If, within ten days thereafter, the petitioner, or his attorney, gives notice in writing to the county attorney, or the attorney for the city or town, that the offer is accepted, he may file the offer with proof of notice, and the clerk shall enter judgment accordingly. Otherwise, the offer shall be deemed withdrawn and evidence thereof shall not be given; and, unless a lower valuation than specified in the offer is found by the court, no costs or disbursements shall be allowed to the petitioner, but the costs and disbursements of the state, county, city or town, including interest at six percent on the tax based on the amount of the offer from and after the (FIRST) 16th day of (NOVEMBER) *October* of the year the taxes are payable, shall be taxed in its favor and included in the judgment and when collected shall be credited to the county revenue fund, unless the taxes were paid in full before the (FIRST) 16th day of (NOVEMBER) *October* of the year in which the taxes were payable, in which event interest shall not be taxable.

Sec. 13. Minnesota Statutes 1982, section 279.01, subdivision 1, is amended to read:

Thereafter, for non-homestead property, on the (FIRST) *16th* day of each month up to and including (JANUARY 1) *December 16* following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to (JUNE FIRST) *May 16*, the same may be paid at any time prior to (NOVEMBER FIRST) *October 16*, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until (NOVEMBER FIRST) *October 16* following; provided, also, that the same may be paid in installments as follows: One-fourth prior to (APRIL FIRST) *March 16*; one-fourth prior to (JUNE FIRST) *May 16*; one-fourth prior to (SEPTEMBER FIRST) *August 16*; and the remaining one-fourth prior to (NOVEMBER FIRST) *October 16*, subject to the aforesaid penalties. Any county treasurer who shall make out and deliver or countersign any receipt for any such taxes without including all of the foregoing penalties therein, shall be liable to the county for the amount of such penalties.

Sec. 14. Minnesota Statutes 1982, section 473F.08, subdivision 7a, is amended to read:

Subd. 7a. The administrative auditor shall determine for each county the difference between the total levy on distribution value pursuant to subdivision 3, clause (a), within the county and the total tax on contribution value pursuant to subdivision 6, within the county. Applications for classification under the program shall be filed with the municipal clerk or auditor in a form prescribed by the commissioner; with additions as may be prescribed by the municipal governing body. The application shall contain, where appropriate, a legal description of the parcel of land on which the facility is to be situated or improved; a general description of the facility or improvement and its proposed use, (THE EQUIPMENT PROPOSED TO BE USED IN CONNECTION WITH IT (INCLUDING EQUIPMENT EXEMPT FROM TAXATION UNDER EXISTING LAW),) the probable time schedule for undertaking the construction or improvement, and information regarding the matters referred to in paragraph ((4)) (d); the market value and the assessed value of the land and of all other taxable property then situated on it, according to the most recent assessment; and an estimate of the probable

cost of the new construction or improvement and the market value of the new or improved facility (excluding land) when completed.

((2)) (b) Upon receipt of an application the municipal clerk or auditor, subject to any prior approval required by the resolution establishing the program, shall furnish a copy to the assessor for the property and to the governing body of each school district and other public body authorized to levy taxes on the property, and shall publish a notice in the official newspaper of the time and place of a hearing to be held by the governing body on the application, not less than 30 days after the notice is published, stating that the applicant, the assessor, representatives of the affected taxing authorities, and any taxpayer of the municipality may be heard or may present their views in writing at or before the hearing. The hearing may be adjourned from time to time, but the governing body shall take action on the application by resolution within 30 days after the hearing. If disapproved, the reasons shall be set forth in the resolution, and the applicant may appeal to the commissioner within 30 days thereafter, but only on the ground that the determination is arbitrary, in relation to prior determinations as to classification under the program, or based upon a mistake of law. If approved, the resolution shall include determinations as to the matters set forth in paragraph ((4)) (d), and the clerk or auditor shall transmit it to the commissioner.

((3)) (c) Within 60 days after receipt of an approved application or an appeal from the disapproval of an application, the commissioner shall take action on it. The commissioner shall approve each application approved by the governing body if he finds that it complies with the provisions of this section. If he disapproves the application, or finds grounds exist for appeal of a disapproved application, he shall transmit the finding to the governing body and the applicant. When grounds for appeal have been determined to exist, the governing body shall reconsider and take further action on the application within 30 days after receipt of the commissioner's notice and serve written notice of the action upon the applicant. The applicant, within 30 days after receipt of notice of final disapproval by the commissioner or the governing body, may appeal from the disapproval to a court of competent jurisdiction.

((4)) (d) *In the case of enterprise zones qualifying pursuant to section 273.1312, subdivision 4, paragraph (c), clause (1), an application shall not be approved unless the governing body finds and determines that the construction or improvement of the facility:*

((C)) (3) Is not likely to cause the total market value of (INDUSTRIAL) employment property within the municipality to exceed five percent of the total market value of all taxable property within the municipality; or if it will, the resulting limitation upon the increase of the assessed value of all taxable property within the municipality, considering the amount of additional municipal services likely to be required for the (INDUSTRIAL) employment property, is not likely to substantially impede the operation or the financial integrity of the municipality or any other public body levying taxes on property in the municipality; and

((D)) (4) Will not result in the reduction of the assessed value of existing property within the municipality owned by the applicant, through abandonment, demolition, or otherwise, without provision for the restoration of the existing property within a reasonable time in a manner sufficient to restore the assessed valuation.

Sec. 8. Minnesota Statutes 1982, section 273.1313, subdivision 3, is amended to read:

Subd. 3. [CLASSIFICATION.] Property shall be classified as (INDUSTRIAL) employment property and assessed as provided for class 4d property in section 273.13, subdivision 9, (CLAUSE) *paragraph* (4), for taxes levied in the year in which the classification is approved and (IN EACH YEAR THEREAFTER TO AND INCLUDING THE 12TH YEAR AFTER THE INDUSTRIAL EMPLOYMENT PROPERTY IS COMPLETED) *for the four succeeding years after the approval.* If the classification is revoked, the revocation is effective for taxes levied in the next year after revocation.

Within 30 days after the hearing, the commissioner (WILL) shall determine whether the facts and circumstances are grounds for revocation as recommended by the governing body. If the commissioner revokes the classification, the applicant may appeal from the commissioner's order to a court of competent jurisdiction at any time within 30 days after revocation.*

If the department of energy, planning, and development no longer exists as presently constituted, the commissioner shall consult with the successor to the responsibilities of the planning division of that department in making this determination. In determining whether an area is eligible under section 273.1312, subdivision 4, paragraph (c), if unemployment, employment, income or other necessary data are not available for the area from the federal departments of labor or commerce or the state demographer, the commissioner may rely upon other data submitted by the municipality if he determines it is statistically reliable or accurate. The commissioner shall submit a separate list of the areas entitled to designation as enterprise zones under section 273.1312, subdivision 4, paragraph (c), clauses (2) and (3), along with his recommendations for the amount of funds to be allocated to each area.

**Subd. 5. [LAC RECOMMENDATIONS.]** On or before October 15, the legislative advisory commission shall submit to the commissioner its advisory recommendations regarding the designation of enterprise zones. By October 30 of each year the commissioner shall make the final designation of the areas as enterprise zones, pursuant to section 273.1312, subdivision 2. In making the designation, the commissioner may make modifications in the design of or limitations on the tax reductions contained in the application necessary because of the funding limitations under subdivision 8.

**Subd. 6. [LOCAL CONTRIBUTION.]** No area may be designated as an enterprise zone unless the municipality agrees to make a qualifying local contribution in the form of (a) a property tax reduction for employment property as provided by section 273.1313 for any business qualifying for a state tax reduction pursuant to this section, or (b) an equivalent local contribution or investment out of other municipal funds, but excluding any special federal grants or loans. If the local contribution is to be used to fund additional reductions in state taxes, the commissioner and the governing body of the municipality shall enter

an agreement for timely payment to the state to reimburse the state for the amount of tax revenue foregone as a result.

Subd. 7. [LIMITATIONS; NUMBER OF DESIGNATIONS.] (a) In each of the years 1983 and 1984, the commissioner shall designate at least two but not more than five areas as enterprise zones. No designations shall be made after December 31, 1984.

The amount certified shall reduce the amount available for tax reductions in other enterprise zones. If subsequent estimates indicate or actual experience shows that the approved tax reductions will result in amounts of tax reductions in excess of the amount certified, the commissioner shall implement a plan to reduce the available tax reductions in the zone to an amount within the sum certified. If subsequent estimates indicate or actual experience shows that the approved tax reductions will result in amounts of tax reductions below the amount certified, the difference shall be available for certification in other zones or used in connection with an amended plan of tax reductions for the zone as the commissioner determines appropriate. If the tax reductions authorized result in reduced revenues for a dedicated fund, the commissioner of finance shall transfer equivalent amounts to the dedicated fund from the general fund as necessary.

(c) *Upon designation of an enterprise zone and approval by the commissioner of the tax reductions to be made available therein, the commissioner of revenue shall take the steps necessary to implement the tax reductions.*

(d) *The tax reductions provided by this subdivision shall not apply to any facility described in section 103(b)(6)(O) of the Internal Revenue Code of 1954, as amended through January 15, 1983, or to any regulated public utility.*

(i) *the credit allowable under this subdivision for the taxable year, and*

(ii) *the amounts, which, by reason of subparagraph (1), are added to the amount allowable for the taxable year and which are attributable to taxable years preceding the taxable year in which an excess credit arises.*

(1) *is in the public domain; or*

(2) *cannot be accurately valued.*

(c) "Controlled group of corporations" means the controlled group of corporations as defined in section 1563 of the Internal Revenue Code, and if the corporation is part of a unitary business, includes the corporations or entities constituting the unitary business which are not in the controlled group of corporations as defined in section 1563.

(g) *The transferee makes a substantial investment in acquiring or developing the technology. The requirements of this clause are satisfied if (1) transferee pays the transferor an amount equal to 20 percent of the value of the technology in return for acquisition of the rights to the technology, or if (2) the transferee expends an equivalent amount for equipment, materials, wages, or other direct costs to develop, produce, or otherwise use the technology. The requirements of this paragraph may not be satisfied by granting the transferor an equity interest as provided by paragraph (h).*

(h) *The transferor may receive in exchange for the transfer of the technology an equity interest in the transferee, but this interest may not exceed 25 percent of the capital interest, if the transferee is a partnership, or 25 percent in value of the outstanding stock, if the transferee is a corporation. The transferor's basis in the equity interest shall be reduced by the amount*

of the credits received pursuant to this subdivision. The transferor may not deduct any loss realized on the sale or exchange of the equity interest.

The commissioner may require that the taxpayer obtain an appraisal of the value of the transferred technology by a reliable, expert third party. The commissioner may promulgate administrative rules for appraising the value of transferred technology.

*Subd. 3. [CONTRIBUTION CREDIT.] A credit shall be allowed against the taxes imposed by this chapter in an amount equal to 50 percent of the first \$50,000 of contributions made during the taxable year to a small business assistance office or to an innovation center public corporation. No credit shall be allowed for any contributions deducted pursuant to any other provision of this chapter.*

*Subd. 4. [EQUITY INVESTMENT CREDIT.] (a) A credit shall be allowed against the tax imposed by this chapter for the taxable year in an amount equal to 30 percent of the net investment in excess of \$25,000 in the equity stock of a qualified small business. The maximum amount of the credit for a taxable year may not exceed \$75,000. For purposes of this credit the following limitations apply:*

*(1) Equity stock shall not include any security which provides for fixed or variable interest payments.*

*(2) The taxpayer and any related persons may not own more than 49 percent of the value of any class of stock. For purposes of this paragraph, a person is a related person to another person if (i) the relationship between the persons would result in a disallowance of losses under section 267 or 707(b) of the Internal Revenue Code of 1954 or (ii) the persons are members of the same controlled group of corporations. The restrictions provided by this subdivision shall apply for a three year period beginning on the date the stock is purchased. If the taxpayer or a related person acquires more than 49 percent of the value of any class of stock after the allowance of a credit under this subdivision and prior to the end of the three year period, the taxpayer's tax for the taxable year in which the credit was allowed shall be increased by the amount of the credit previously claimed.*

*(3) The credit shall not exceed 75 percent of the taxpayer's tax liability computed after the subtraction of all credits, other than the credit provided in this subdivision.*

*(b) If the principal place of business of the qualified small business is located in an enterprise zone designated pursuant to section 273.1312, \$10,000 shall be substituted for \$25,000 and \$100,000 for \$75,000 in paragraph (a).*

(c) *The taxpayer's basis in the stock shall be reduced by the amount of the credit.*

**Subd. 5. [LIMITATIONS; OTHER CONDITIONS.]** *The provisions of section 290.068, subdivisions 3, clause (a); 4; and 5 shall apply to the sum of the credits which this section allows, except that no carryback shall be allowed. The carryover provisions of section 290.068, subdivision 3, clause (b), shall apply to the sum of the credits allowed by this section except that the term "research credit" or "research and experimental expenditure credit" shall include the credits authorized by subdivisions 2 and 3 of this section. The credits allowed by subdivisions 2 and 3 shall only be available to corporations and banks whose tax is computed pursuant to section 290.06, subdivision 1.*

*The maximum limitations on the amount of credit pursuant to subdivisions 2 and 3 shall be determined by aggregating together the credits of all the corporations in the controlled group of corporations with the taxpayer. In order to facilitate compliance with and enforcement of this provision the commissioner may require the taxpayer to claim the credit on a combined report of the unitary business or to file a copy of the consolidated federal return with the state return or both.*

**Subd. 6. [REPEALER.]** *This section is repealed effective for contributions made to a small business office or to an innovation center public corporation as provided in subdivision 3, for technology transferred as described in subdivision 2, and for investments made as described in subdivision 4 in taxable years beginning after December 31, 1985.*

**Sec. 14.** *Minnesota Statutes 1982, section 290.09, subdivision 4, is amended to read:*

**Subd. 4. [TAXES.]** *Taxes paid or accrued within the taxable year, except (a) income or franchise taxes imposed by this chapter and income or franchise taxes paid to any other state or to any province or territory of Canada for which a credit is allowed under section 290.081; (b) taxes assessed against local benefits of a kind deemed in law to increase the value of the property assessed; (c) inheritance, gift and estate taxes except as provided in section 290.077, subdivision 4; (d) cigarette and tobacco products excise tax imposed on the consumer; (e) that part of Minnesota property taxes for which a credit or refund is claimed and allowed under chapter 290A; (f) federal income taxes (including the windfall profit tax on domestic crude oil), by corporations, national and state banks; (g) mortgage registry tax; (h) real estate transfer tax; (i) federal telephone tax; (j) federal transportation tax; (AND) (k) *income or franchise taxes based on net income paid by a corporation to another state,**

to a political subdivision of another state, or to the District of Columbia; and (l) tax paid by any corporation or national or state bank to any foreign country or possession of the United States to the extent that a credit against federal income taxes is allowed under the provisions of the Internal Revenue Code of 1954, as amended through December 31, 1981. If the taxpayer's foreign tax credit consists of both foreign taxes deemed paid and foreign taxes actually paid or withheld, it will be conclusively presumed that foreign taxes deemed paid were first used by the taxpayer in its foreign tax credit. Minnesota gross income shall include the amount of foreign tax paid which had been allowed as a deduction in a previous year, provided such foreign tax is later allowed as a credit against federal income tax.

Taxes imposed upon a shareholder's interest in a corporation which are paid by the corporation without reimbursement from the shareholder shall be deductible only by such corporation.

Property taxes shall be allowed as a deduction to the same taxpayer and in the same manner as provided in section 164 of the Internal Revenue Code of 1954, as amended through December 31, 1981, notwithstanding the provisions of section 272.31.

Sec. 15. Minnesota Statutes 1982, section 471.59, is amended by adding a subdivision to read:

*Subd. 11. [JOINT POWERS BOARD.] Two or more governmental units, through action of their governing bodies, may establish a joint board to issue bonds or obligations pursuant to any law by which any of the governmental units establishing the joint board may independently issue bonds or obligations and may use the proceeds of the bonds or obligations to carry out the purposes of the law under which the bonds or obligations are issued. A joint board created pursuant to this section may issue obligations and other forms of indebtedness only pursuant to authority granted by the action of the governing bodies of the governmental units which established the joint board. The joint board established pursuant to this subdivision shall be composed solely of members of the governing bodies of the governmental unit which established the joint board, and the joint board may not pledge the full faith and credit or taxing power of any of the governmental units which established the joint board. The obligations or other forms of indebtedness shall be obligations of the joint board. The obligations or other forms of indebtedness shall be issued in the same manner and subject to the same conditions and limitations which would apply if the obligations were issued or indebtedness incurred by one of the governmental units which established the joint board provided that any reference to a governmental unit in the statute, law, or charter provision authorizing the issuance of the bonds or the incurring of the indebtedness shall be considered a reference to the joint board.*

In case there is an assessment against more than one member of a household the \$100 exemption shall be divided among the members assessed in the proportion that the assessed value of the Class 2 property of each bears to the total assessed value of the Class 2 property of all the members assessed. The Class 2 property of each household claimed to be exempt shall be limited to property in one taxing district, except in those cases where a single domestic establishment is maintained in two or more adjoining districts.

**ARTICLE 14**

**GRAVEL TAX**

Section 1. Minnesota Statutes 1982, section 298.75, is amended to read:

Subdivision 1. [DEFINITIONS.] Except as may otherwise be provided, the following words, when used in this section, shall have the meanings herein ascribed to them.

(1) "Aggregate material" shall mean non-metallic natural mineral aggregate including, but not limited to sand, silica sand, gravel, building stone, crushed rock, limestone, and granite. Aggregate material shall not include dimension stone and dimension granite.

(2) "Person" shall mean any individual, firm, partnership, corporation, organization, trustee, association, or other entity.

(3) "Operator" shall mean any person engaged in the business of removing aggregate material from the surface or sub-surface of the soil, for the purpose of sale, either directly or indirectly, through the use of the aggregate material in a marketable product or service.

(4) "Extraction site" shall mean a pit, quarry, or deposit containing aggregate material and any contiguous property to the pit, quarry, or deposit which is used by the operator for stockpiling the aggregate material.

(5) "Importer" shall mean any person who buys aggregate material produced from a county not listed in paragraph (6) or another state and causes the aggregate material to be imported into a county in this state which imposes a tax on aggregate material.

(6) "County" shall mean the counties of Stearns, Benton, Sherburne, Wright, Carver, Scott, Dakota, LeSeuer, Kittson, Marshall, Pennington, Red Lake, Polk, Norman, Mahnomer, Clay, Becker, Wilkin, Traverse, Big Stone, Stevens, Pope, Anoka, Hennepin, Washington, and Ramsey.

Subd. 2. A county shall impose upon every importer and operator (**ENGAGED IN THE BUSINESS OF REMOVING AGGREGATE MATERIAL FOR SALE FROM A PIT, QUARRY, OR DEPOSIT,**) a production tax equal to ten cents per cubic yard or seven cents per ton of aggregate material removed except that the county board may (**IN ITS DISCRETION,**) decide not to impose this tax if it determines that in the previous year operators removed less than 20,000 tons or 14,000 cubic yards of aggregate material from that county. The tax shall be imposed on aggregate material produced in the county when the aggregate material is transported from the extraction site or sold, when in the case of storage the stockpile is within the state of Minnesota and the highways are not used for transporting the aggregate material. *The tax shall be imposed on an importer when the aggregate material is imported into the county that imposes the tax.*

(**IN THE EVENT THAT**) *If the aggregate material is transported directly from the extraction site to a waterway, railway, or another mode of transportation other than a highway, road or street, the tax imposed by this section shall be apportioned equally between the county where the aggregate material is extracted and the county to which the aggregate material is originally transported. If that destination is not located in Minnesota, then the county where the aggregate material was extracted shall receive all of the proceeds of the tax.*

Subd. 3. By the 14th day following the last day of each calendar quarter, every operator or importer shall make and file with the county auditor of the county in which the aggregate material is removed or imported, a correct report under oath, in such form and containing such information as the auditor shall require relative to the quantity of aggregate material removed or imported during the preceding calendar quarter. The report shall be accompanied by a remittance of the amount of tax due.

If any of the proceeds of the tax is to be apportioned as provided in subdivision 2, the operator or importer shall also include on the report any relevant information concerning the amount of aggregate material transported, the tax and the county of

destination. The county auditor shall notify (HIS) *the* county treasurer of the amount of such tax and the county to which it is due. The county treasurer shall remit the tax to the appropriate county within 30 days.

Subd. 4. If any operator *or importer* fails to make the report required by subdivision 3 or files an erroneous report, the county auditor shall, by the fifth working day after the date the report became due, determine the amount of tax due and notify the operator *or importer* by registered mail of the amount of tax so determined. An operator *or importer* may, within 30 days from the date of mailing the notice, file in the office of the county auditor a written statement of objections to the amount of taxes determined to be due. The statement of objections shall be deemed to be a petition within the meaning of chapter 278, and shall be governed by sections 278.02 and 278.13.

Subd. 5. Failure to file the report shall result in a penalty of \$5 for each of the first 30 days, beginning on the 14th day after the date when the county auditor has sent notice to the operator *or importer* as provided in subdivision 4, during which the report is overdue and no statement of objection has been filed. For each subsequent day during which the report is overdue and no statement of objection has been filed, a penalty of \$10 shall be assessed against the operator *or importer* who is required to file the report. The penalties imposed by this subdivision shall be collected as part of the tax. If neither the report nor a statement of objection has been filed after more than 60 days have elapsed from the date when the notice was sent, the operator *or importer* who is required to file the report is guilty of a misdemeanor.

Subd. 6. It is a misdemeanor for any operator *or importer* to remove aggregate material from a pit, quarry, or deposit *or for any importer to import aggregate material* unless all taxes due under this section for the previous reporting period have been paid or objections thereto have been filed pursuant to subdivision 4.

Subd. 7. All moneys collected as taxes under this section shall be deposited in the county treasury and credited as follows, for expenditure by the county board:

ARTICLE 15

DELINQUENCY: TAX FORFEITURE

Section 1. [PURPOSES; POLICY.]

*Laws pertaining to the processing of delinquent real estate taxes in this state respecting billing, delinquency, judgment, sale, forfeiture, and redemption create risks respecting the validity of the title of the state, or its successors in interest, arising out of the tax forfeiture process. It is the policy of the state of Minnesota that the body of law pertaining to the processing of delinquent real property taxes be liberally construed in favor of the state, its officers, agents, and its successors in interest, to accomplish the following:*

(a) *to promote the policy of unfettered marketability as expressed in section 284.28;*

(b) *to provide for uniform and reasonable notices to taxpayers and other interested parties with regard to:*

(1) *mailing of billing notices;*

(2) *notice of delinquency, judgment, and sale;*

(3) *notice of expiration of the redemption period; and*

(c) to eliminate other potential defects or ambiguities as fetter the marketability of title held by the state, or its successors in interest.

Sec. 2. Minnesota Statutes 1982, section 276.04, is amended to read:

**276.04 [NOTICE OF RATES; PROPERTY TAX STATEMENTS.]**

On receiving the tax lists from the county auditor, the county treasurer shall, if directed by the county board, give three weeks' published notice in a newspaper specifying the rates of taxation for all general purposes and the amounts raised for each specific purpose. He shall, whether or not directed by the county board, cause to be printed on all tax statements, or on an attachment, a tabulated statement of the dollar amount due to each taxing authority and the amount to be paid to the state of Minnesota from the parcel of real property for which a particular tax statement is prepared. The dollar amounts due the state, county, township or municipality and school district shall be separately stated but the amounts due other taxing districts, if any, may be aggregated. The property tax statements for class 2a property shall contain the same information that is required on the tax statements for real property. The county treasurer shall mail to taxpayers statements of their personal property taxes due, such statements to be mailed not later than February 15 (except in the case of Class 2a property), statements of the real property taxes due shall be mailed not later than January 31; provided, that the validity of the tax shall not be affected by failure of the treasurer to mail such statement. *The taxpayer is defined as the owner who is responsible for the payment of the tax.* Such real and personal property tax statements shall contain the market value, as defined in section 272.03, subdivision 8, used in determining the tax. The statement shall show the amount attributable to section 124.2137 as "state paid agricultural credit" and the amount attributable to section 273.13, subdivisions 6 and 7 as "state paid homestead credit". The statement shall show the reduction attributable to the aid given pursuant to section 273.139 and shall indicate that the reduction is paid by the state of Minnesota. If so directed by the county board, the treasurer shall visit places in the county as he deems expedient for the purpose of receiving taxes and the county board is authorized to pay the expenses of such visits and of preparing duplicate tax lists. *Failure to mail the tax statement shall not be deemed a material defect to affect the validity of any judgment and sale for delinquent taxes.*

**Sec. 3. [276.041] [FILING TO RECEIVE NOTICE OF DELINQUENT TAXES.]**

*Fee owners, vendees, mortgagees, lienholders, and lessees may file their names and current mailing addresses with the county*

auditor in the county in which the land is located for the purpose of receiving notices affecting such land that are issued pursuant to sections 276.04, 281.23, and section 6. Each person filing his name and address shall pay a filing fee of \$15 to the county auditor for each parcel. The filing shall expire after three years. Persons may refile their names and addresses for additional three year periods, and a fee of \$15 shall be paid with each re-filing. The county auditor shall furnish a copy of the list of names and addresses to the county treasurer. Taxpayers of record with the county auditor and mortgagees who remit taxes on their behalf shall receive tax statements and other notices as otherwise provided by law and shall not be required to file and pay fees under this section.

Sec. 4. Minnesota Statutes 1982, section 279.05, is amended to read:

**279.05 [DELINQUENT LIST, FILING, EFFECT.]**

(c) *the total amount of taxes and penalties, with the years for which the same are delinquent, set opposite the description. The filing of such list shall have the effect of filing a complaint in an action by the county against each parcel of land therein described, to enforce payment of the taxes and penalties therein appearing against it, and shall be deemed the institution of such action, and the same shall operate as notice of the pendency thereof. The auditor shall verify the list by affidavit. The affidavit shall be substantially in the following form:*

Upon the expiration of 20 days from the later of the filing of the affidavit of publication or the filing of the (NOTICE AND LIST, THE) affidavit of (PUBLICATION BEING FILED) mailing pursuant to section 8, the clerk shall enter judgment against each and every such parcel as to which no answer has been filed, which judgment shall include all such parcels, and shall be substantially in the following form:

State of Minnesota	)	District Court,

The amount of taxes, penalties, and cost to which, as hereinbefore stated, each of such parcels of land is liable, is hereby declared a lien upon such parcel of land as against the estate, right, title, interest, claim, or lien, of whatever nature, in law or equity, of every person, company, or corporation; and it is adjudged that, unless the amount to which each of such parcels is liable be paid, each of such parcels be sold, as provided by law, to satisfy the amount to which it is liable.

Dated this ... day of ... , 19...

Clerk of the District Court,

County of .....

The judgment shall be entered by the clerk in a book to be kept by him, to be called the real estate tax judgment book, and signed by the clerk. The judgment shall be written out on the left-hand pages of the book, leaving the right-hand pages blank for the entries in this chapter hereinafter provided; and the same presumption in favor of the regularity and validity of the judgment shall be deemed to exist as in respect to judgments in civil actions in such court, except where taxes have been paid before the entry of judgment, or where the land is exempt from taxation, in which cases the judgment shall be prima facie evidence only of its regularity and validity.

The clerk shall attach together and file the list, notice, affidavit of publication, *affidavit of mailing*, one copy of the newspaper and supplement, if any, in which the notice and list were published, all answers, all orders made in the proceedings, and all affidavits and other papers filed in the course thereof.

No notice of sale shall be required to be published, posted, or served prior to sale.* (BEFORE MAKING SUCH SALE HE SHALL GIVE TEN DAYS POSTED NOTICE THEREOF, ONE NOTICE TO BE POSTED IN THE OFFICE OF THE CLERK OF THE COURT WHERE THE JUDGMENT HAS BEEN ENTERED, ONE IN THE OFFICE OF THE COUNTY TREASURER, AND ONE AT SOME CONSPICUOUS PLACE AT THE COUNTY-SEAT; AND TWO WEEKS' PUBLISHED NOTICE, THE FIRST PUBLICATION TO BE AT LEAST 15 DAYS BEFORE THE DAY OF SALE. IF ANSWER HAS BEEN FILED, OR A REPUBLICATION OF THE NOTICE AND LIST OF DELINQUENT TAXES HAS BEEN MADE, AND JUDGMENT HAS BEEN ENTERED, THE AUDITOR SHALL SELL THE LANDS CHARGED WITH TAXES IN SUCH JUDGMENT WITHIN 30 DAYS THEREAFTER, FIRST GIVING THE REQUIRED NOTICE BY POSTING AND PUBLICATION. THE NOTICE MAY BE SUBSTANTIALLY IN THE FOLLOWING FORM.)

(AT THE TIME AND PLACE APPOINTED IN SUCH NOTICE THE AUDITOR SHALL COMMENCE THE SALE OF SUCH LANDS, AND PROCEED WITH THE SALE THEREOF FROM DAY TO DAY FOR SIX CONSECUTIVE DAYS, OR UNTIL THE WHOLE SHALL BE SOLD. AND THE AUDITOR MAY INCLUDE SUCH PARCEL IN THE NEXT ANNUAL TAX JUDGMENT SALE.)

Sec. 14. Minnesota Statutes 1982, section 230.07, is amended to read:

**280.07 [ENTRIES IN JUDGMENT BOOKS AFTER SALE.]**

Immediately after such sale the county auditor shall set out in the copy judgment book (WHAT DISPOSITION WAS MADE AT SUCH SALE OF EACH PARCEL OF LAND; IF SOLD TO AN ACTUAL PURCHASER, TO WHOM AND FOR WHAT AMOUNT, AND FOR WHAT RATE OF INTEREST; AND, IF BID IN FOR THE STATE, THEN SO STATING) *that all parcels were bid in for the state.* He shall thereupon deliver such book to the clerk of the court, who shall forthwith enter on the right-hand page of the real estate tax judgment book, opposite the description of each parcel sold, the words (, “SATISFIED BY SALE,” AND OPPOSITE EACH PARCEL BID IN FOR THE STATE THE WORDS,) “bid in for the state,” and he shall thereupon redeliver the copy judgment book to the auditor. Upon (ANY ASSIGNMENT OR) redemption the auditor shall make a note thereon in the copy judgment book, opposite the parcel (ASSIGNED OR) redeemed.

Sec. 15. Minnesota Statutes 1982, section 280.10, is amended to read:

**280.10 [PAYMENT OF SUBSEQUENT TAXES.]**

The taxes for subsequent years shall be levied on property so (SOLD OR) bid in for the state in the same manner as if the sale had not been made. (THE PURCHASER OR ASSIGNEE OF THE STATE MAY PAY THE AMOUNT OF SUCH TAXES AT THE ANNUAL MAY SALE FOLLOWING THE DATE THEY BECOME DELINQUENT. ANY SUCH PURCHASER OR ASSIGNEE PAYING SUCH TAXES SHALL, IF HE BE THE OWNER OF A PRIOR CERTIFICATE OF SALE, NO-

TIFY THE COUNTY AUDITOR PRIOR TO THE ANNUAL MAY SALE THAT HE IS THE OWNER OF A TAX CERTIFICATE AND SUCH NOTICE SHALL CONTAIN A DESCRIPTION OF THE PROPERTY FOR WHICH SUCH CERTIFICATE WAS ISSUED, TOGETHER WITH THE YEAR OF SALE, AND THEREUPON THE COUNTY AUDITOR SHALL ISSUE THE CERTIFICATE OR A CERTIFICATE FOR SUCH TAXES IN THE SAME FORM AS NOW PROVIDED BY SECTION 280.03; SUCH CERTIFICATE SHALL BEAR INTEREST AT THE RATE PROVIDED BY SECTION 280.02, UNLESS THE PRIOR CERTIFICATE BEARS A LOWER RATE OF INTEREST, IN WHICH CASE SUCH LOWER RATE SHALL APPLY; PROVIDED, THAT, IF THERE SHALL HAVE BEEN ANY PARCEL REDEMPTION, HE SHALL PAY THE DELINQUENT TAXES ON THE UNREDEEMED PORTION OF THE LAND DESCRIBED IN HIS TAX CERTIFICATE, AND SUCH TAX CERTIFICATE, AFTER SUCH PARCEL REDEMPTION, SHALL BE APPLICABLE TO SUCH UNREDEEMED PORTION OF THE LAND THEREIN DESCRIBED ONLY, IN ALL RESPECTS AS IF A PORTION OF THE LAND UNREDEEMED FROM HAD BEEN ALL OF THE LAND DESCRIBED IN THE CERTIFICATE AT THE TIME OF ITS ISSUANCE, AND ALL PROCEEDINGS THEREAFTER HAD AS TO NOTICE OF EXPIRATION OF REDEMPTION AND OTHERWISE SHALL BE AS TO THE CERTIFICATE SO MODIFIED BY THE ELIMINATION THEREFROM OF THE PORTION OF THE LAND REDEEMED FROM AS AFORESAID.)

Sec. 16. Minnesota Statutes 1982, section 280.38, is amended to read:

**280.38 [LANDS BID IN FOR THE STATE; ATTACHMENTS.]**

When any parcel of land is bid in for the state, until (ITS RIGHTS BE ASSIGNED OR) the land be redeemed, the sale shall not operate as a payment of the amount for which the same is sold, but at any time after such sale the county auditor may make and file with the clerk where the judgment is entered an affidavit stating the date of the sale, the amount for which such parcel was bid in for the state, and the amount of all subsequent delinquent taxes, (THAT ITS RIGHT HAS NOT BEEN ASSIGNED,) that there has been no redemption, and that the land is rented, in whole or in part, and produces rent, and giving the names of the persons paying rent. Upon presentation of such affidavit, the judge or court commissioner for the county shall endorse thereon an order directing an attachment to issue to attach the rents of such lands. The clerk shall thereupon issue a writ directing the sheriff to attach the rents accruing for such land from any person, and to collect therefrom the amount for which the same was bid in for the state, and the amount of all subsequent delinquent taxes, stating such amount and the date of

sale, with penalties and interest accruing thereon, and his fees, and \$1 for the costs of the affidavit and attachment. The sheriff shall serve such writ by serving a copy thereof on each tenant or person in possession of such land paying rent therefor, or for any part thereof, and such service shall operate as an attachment of all rents accruing from the person served. The sheriff shall receive such rents as they become due, and may bring suit in his own name to collect the same, and shall pay into the county treasury the amount collected. No payment of rents by any person so served after such service, or prior thereto for the purpose of defeating such attachment, shall be valid against such attachment. The clerk shall be allowed for issuing the writ, including the filing of the affidavit, order of allowance, writ, and return, 50 cents, to be paid to him by the county in which the taxes are levied; provided, that in counties whose population exceeds 150,000 such fees shall be paid into the county treasury to the use of the county. The sheriff shall be allowed for serving the writ and collecting the money the same fees as are allowed by law upon an execution in a civil action; and, if he brings suit, such additional compensation as the court may allow, not exceeding one-half of the fees allowed by law for like services in ordinary cases.

If, at any time while the sheriff is collecting such rent, the lease upon such property shall expire, or, if the sheriff has once commenced to collect such rent and the property becomes vacant, the county auditor may lease the property upon five days' notice to the owner, subject to the approval of the district court.

At any time while the sheriff is collecting the rent under any lease, no modification of the lease between the owner and the tenant shall be valid unless approved by the district court upon five days notice to the county auditor.

The collection of such rent under this statute shall not be a bar to the county auditor (ASSIGNING SUCH TAXES TO AN ACTUAL PURCHASER, OR) selling the land at a forfeited tax sale under the present laws or any laws hereafter enacted.

In case any unplatted land is bid in for the state and is cropped upon a share agreement with the owner, or by a trespasser, the owner's share of such crop; or, in case of a trespasser, all or any part of such crops, may be attached and collected in the same manner as rents and applied upon delinquent taxes. The term "crops" shall include hay and grass. In case there is no agreement for rent, or in case of an occupant or trespasser on the unplatted land without any agreement for rent, then the attachment shall attach to and bind all of the grass, hay, and crops produced on such lands; provided, that the district court may, upon application by such occupant, upon ten days notice to the owner and the county auditor, and a showing by him to the satisfaction of the court that his occupancy was not a wilful trespass, release to such occupant the excess of such crops over and above the owner's or landlord's share of the grass, hay, and crops of such premises

as determined by the court. Such application must be made not later than 60 days after the date of the service of the writ of attachment upon such occupant, and if not made within such time it shall be considered that such occupant has waived all right and claim to such crops. The county auditor may give to the owner or person entitled to the possession of such unplatted land during the crop season at least ten days notice, in writing, by mail or otherwise, specifying the time and place at which application will be made to the district court for an order permitting the leasing of such land, and the district court may, if it deems it to be for the best interest of such person and of the public, make an order fixing the terms upon which such lease may be made by the county auditor, in the name of the county. The county auditor may then execute, in the name of the county, such lease in writing as the court shall order. No such lease shall be for a longer term than the current crop season. If the name or address of such person is unknown to the county auditor, such notice may be given by one publication in a legal newspaper in the county. If the owner or person entitled to such possession shall show to the court that he intends to lease such unplatted land or make a contract for cropping the same upon shares, the court may make such order as it deems best to provide for an attachment of all or a part of the rents or crop share of such person and for applying the same upon the delinquent taxes. (FROM AND AFTER APRIL 24, 1935.) In any proceeding for the collection of rents on unplatted land on which the taxes have been bid in by the state (AND NOT ASSIGNED), the court may, upon motion, order that payment, when made as to any part or the whole, be paid to the county treasurer to apply upon taxes. The owner of such unplatted properties may make application to the district court to release him from applying all or a portion of such rents upon such taxes upon his showing, by reason of the condition, cost of upkeep of the property, or other cause, undue hardship upon such owner or detriment to such property. The provisions affecting unplatted lands shall not apply to lands or real estate actually used or occupied by the owner thereof.

The county board may allow additional clerk hire to the county auditor for his work in making such leases, which leases shall be made in the name of the county, and the county shall have the right to bring suit for unpaid rents under such leases and to bring the necessary actions to secure evictions of tenants to whom it has leased.

Attachments, leases, and proceedings issued and made pursuant to this section shall not be deemed unfinished business that may be retained by the sheriff at expiration of his term, as provided by section 387.10.

The right of the county auditor (TO ASSIGN THE TAXES ON ANY UNPLATTED LANDS TO AN ACTUAL PURCHASER, OR) to sell the land at the forfeited tax sale, shall continue until all delinquent taxes described in the writ of attachment are paid.

Sec. 17. Minnesota Statutes 1982, section 280.385, subdivision 1, is amended to read:

Subdivision 1. [CONVEYANCE ACCEPTED.] Whenever any lands have been bid in for the state for delinquent taxes at any tax judgment sale (AND HAVE NOT BEEN SOLD OR ASSIGNED), the county board of the county in which such lands are situated may, in its discretion, with the consent first obtained of the governing body of the city or town in which such lands are situated, accept a conveyance from the owner thereof to the state; provided that the county attorney finds that such owner has good title to such lands and that they are free and clear of all encumbrances except taxes.

Sec. 18. [280.41] [OWNERSHIP BY STATE.]

*Title to all parcels of land bid in for the state shall vest in the state subject only to the rights of redemption set forth in chapter 281.*

Sec. 19. [280.43] [SALE DEFINED.]

*No actual public "sale" shall take place under chapter 280. A "sale" shall be conclusively deemed to have been made and transfer made to the state of Minnesota hereunder.*

Sec. 21. Minnesota Statutes 1982, section 281.02, is amended to read:

281.02 [AMOUNT PAYABLE.]

Any person redeeming any parcel of land shall pay into the county treasury (, FOR THE USE OF THE FUNDS OR PERSON THERETO ENTITLED:)

When the county board shall have adopted a resolution ordering the cancellation of such certificate or certificates (THE CANCELLATION SHALL BE DEEMED COMPLETE) and *the cancellation shall have been completed in accord with section 37, then* a reentry shall be deemed to have been made on the part of the state without any other act or deed, and without any right of redemption by the purchaser or any one claiming under him; and the original purchaser in default or any person claiming under him, who shall remain in possession or enter thereon shall be deemed a willful trespasser and shall be punished as such.

When the cancelation of such certificate has been completed the county auditor shall cancel all taxes and tax liens, delinquent and current, and special assessments, delinquent or otherwise, imposed upon the lands described in the certificate after the issuance thereof by him.

A record of such default shall be made in the state land records kept by or under the direction of the commissioner of natural resources, and a certificate of such default may be made by or under the direction of the commissioner and filed with the county treasurer or recorded in the office of the county recorder of the county in which the premises are situated. If said affidavit is filed within the time herein limited and provided, said contract shall remain in full force and effect, notwithstanding any default or non-payment of any instalment or instalments thereunder, for six months after the vendee's discharge from the military service. If said vendee fails to pay all delinquent instalments within six months after his or her discharge, then in such event said contract may be canceled and terminated as provided (BY LAW) *in section 37.*

Failure of the purchaser to make any payment of any installment or of any interest required under any contract within six months from the date on which the payment is due, or to pay all taxes that may be levied upon the land purchased before they become delinquent, shall constitute a default. Upon default the contract shall be (DEEMED) canceled and all right, title, and interest of the purchaser, his heirs, representatives, or assigns in the premises shall (AUTOMATICALLY) terminate upon cancellation in accord with section 37. A record of the default shall be made in the state land records kept by or under the direction of the commissioner of natural resources. 2. Each party state or any subdivision thereof which imposes an income tax shall provide by law that any taxpayer required to file a return, whose only activities within the taxing jurisdiction consist of sales and do not include owning or renting real estate or tangible personal property, and whose dollar volume of gross sales made during the tax year within the state or subdivision,

as the case may be, is not in excess of \$100,000 may elect to report and pay any tax due on the basis of a percentage of such volume, and shall adopt rates which shall produce a tax which reasonably approximates the tax otherwise due. The commissioner of revenue, after consultation with the Multistate Tax Commission, not more than once in five years, may adjust the \$100,000 figure in order to reflect such changes as may occur in the real value of the dollar, and such adjusted figure, upon adoption by the commissioner, shall replace the \$100,000 figure specifically provided herein. Each party state and subdivision thereof may make the same election available to taxpayers additional to those specified in this paragraph.

#### Coverage.

3. Nothing in this article relates to the reporting or payment of any tax other than an income tax.

#### Article IV. Division of Income.

1. As used in this article, unless the context otherwise requires:

(a) "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business, and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.

(b) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(c) "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(d) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company.

(e) "Nonbusiness income" means all income other than business income.

(f) "Public utility" means any business entity (1) which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale, delivery, or furnishing of electricity, water or

steam; and (2) whose rates of charges for goods or services have been established or approved by a federal, state or local government or governmental agency.

(g) "Sales" means all gross receipts of the taxpayer not allocated under paragraphs of this article.

(h) "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof.

(i) "This state" means the state in which the relevant tax return is filed or, in the case of application of this article to the apportionment and allocation of income for local tax purposes, the subdivision or local taxing district in which the relevant tax return is filed.

2. Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a financial organization or public utility or the rendering of purely personal services by an individual or any income received by a Minnesota resident individual or income from the operation of a farm, shall allocate and apportion his net income as provided in this article. If a taxpayer has income from business activity as a public utility but derives the greater percentage of his income from activities subject to this article, the taxpayer may elect to allocate and apportion his entire net income as provided in this article.

3. For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if (1) in that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

4. All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three.

5. The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

6. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times

*the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.*

7. *The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the tax administrator may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.*

8. *The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period.*

9. *Compensation is paid in this state if:*

(a) *The individual's service is performed entirely within the state;*

(b) *The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or*

(c) *Some of the service is performed in the state and (1) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or (2) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.*

10. *The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period.*

11. *Sales of tangible personal property are in this state if:*

(a) *The property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the f.o.b. point or other conditions of the sale; or*

(b) *The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and (1) the purchaser is the United States government or (2) the taxpayer is not taxable in the state of the purchaser.*

12. *Sales, other than sales of tangible personal property, are in this state if:*

(a) *The income-producing activity is performed in this state;*  
or

(b) *The income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.*

19. *If the allocation and apportionment provisions of this article do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:*

(a) *Separate accounting;*

(b) *The exclusion of any one or more of the factors;*

(c) *The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or*

(d) *The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.*

#### *Article V. Elements of Sales and Use Tax Laws.*

##### *Tax Credit.*

1. *Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for the combined amount or amounts of legally imposed sales or use taxes paid by him with respect to the same property to another state and any subdivision thereof. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against the amount of any use tax due a subdivision.*

2. *Whenever a vendor receives and accepts in good faith from a purchaser a resale or other exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.*

#### *Article VI. The Commission.*

##### *Organization and Management.*

1. (a) *The multistate tax commission is hereby established. It shall be composed of one "member" from each party state who*

shall be the head of the state agency charged with the administration of the types of taxes to which this compact applies. If there is more than one such agency the state shall provide by law for the selection of the commission member from the heads of the relevant agencies. State law may provide that a member of the commission be represented by an alternate but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or his designee, or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission, but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under paragraph 1 (e) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings, and shall provide for the giving of notice of annual, regular and special meetings. Notices of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a chairman, a vice chairman and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix his duties and compensation. The executive director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and programs.

(h) The commission may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any governmental entity, and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form, and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

#### Committees.

2. (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the bylaws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

(c) The commission may establish such additional committees as its bylaws may provide.

#### Powers.

3. In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) Study state and local tax systems and particular types of state and local taxes.

(b) *Develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax law and administration.*

(c) *Compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws.*

(d) *Do all things necessary and incidental to the administration of its functions pursuant to this compact.*

#### *Finance.*

4. (a) *The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.*

(b) *Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: one-tenth in equal shares; and the remainder in proportion to the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.*

(c) *The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph 1(i) of this article, provided that the commission takes specific actions setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph 1(i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.*

(d) *The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of*

*the audit shall be included in and become part of the annual report of the commission.*

*(e) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.*

*(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.*

#### *Article VII. Uniform Regulations and Forms.*

*1. Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms. The commission may also act with respect to the provisions of article IV of this compact.*

*2. Prior to the adoption of any regulation, the commission shall:*

*(a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.*

*(b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.*

*3. The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.*

#### *Article VIII. Interstate Audits.*

*1. Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and*

any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

2. The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident, provided that such state has adopted this article.

3. The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

4. The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

5. Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

6. Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

7. In no event shall the commission make any charge against a taxpayer for an audit.

8. As used in this article, "tax," in addition to the meaning ascribed to it in article II, means any tax or license fee imposed in whole or in part for revenue purposes.

#### Article IX. Arbitration.

1. Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of article VII.

2. The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

3. Whenever a taxpayer who has elected to employ article IV, or whenever the laws of the party state or subdivision thereof are substantially identical with the relevant provisions of article IV, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

4. The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

5. *The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.*

6. *The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.*

7. *The board shall have the power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.*

8. *Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless he is required on account of his service to forego the regular compensation attaching to his public employment, but any such board member shall be entitled to expenses.*

9. *The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.*

10. *The board shall file with the commission and with each tax agency represented in the proceeding: the determination of the board; the board's written statement of its reasons therefor; the record of the board's proceedings; and any other documents required by the arbitration rules of the commission to be filed.*

11. *The commission shall publish the determinations of boards together with the statements of the reasons therefor.*

12. The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

13. Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceedings.

#### Article X. Entry Into Force and Withdrawal.

1. This compact shall become effective as to any other state upon its enactment. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

2. Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

3. No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

#### Article XI. Effect on Other Laws and Jurisdictions.

Nothing in this compact shall be construed to:

(a) Affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state shall be obligated to implement article III 2 of this compact.

(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax, provided that the definition of "tax" in article VIII 9 may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to article VI 3 may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

(d) Supersede or limit the jurisdiction of any court of the United States.

*Article XII. Construction and Severability.*

*This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.*

**Sec. 2. [290.172] [COMMISSIONER OF REVENUE.]**

The chairman shall be the member of the multistate tax commission, representing the state of Minnesota. The committee shall meet at the call of its chairman or at the request of a majority of its members, but in any event not less than three times in each year. The committee may consider any and all matters relating to recommendations of the multistate tax commission and the activities of the members in representing the state of Minnesota on the commission.*

*The county board of St. Louis County may abate any property taxes or order the refund of any property taxes if, due to an error or delay in processing or certifying the tax, an incorrect tax is calculated or certified by the county auditor and the county board finds that the owner of the property has justifiably relied on the calculation or certification of the tax by the county auditor and that payment of the tax as recalculated or recertified would be unjust. The board shall abate the taxes only upon the written application of the owner. The application must be approved by the county auditor.*

*Notwithstanding section 270.07, the order of the commissioner of revenue shall not be required for abatement of taxes under this section. Abatement of taxes under this section shall be in addition to the method provided in section 270.07.*

In like manner he shall request reduction of the amount allotted or to be allotted to any agency by the amount of any saving which can be effected upon previous spending plans through a reduction in prices or other cause.

**Sec. 2.** Minnesota Statutes 1982, section 16A.15, is amended by adding a subdivision to read:

The failure of the commissioner to set aside particular procurements shall not be deemed to prohibit or discourage small businesses or *Minnesota correctional industries* from seeking the procurement award through the normal solicitation and bidding processes.

Sec. 71. Minnesota Statutes 1982, section 16.083, is amended by adding a subdivision to read:

*Subd. 1a. [CONSULTANT, PROFESSIONAL AND TECHNICAL PROCUREMENTS.] Every state agency shall for each fiscal year designate and set aside for awarding to small businesses with their principal place of business in Minnesota ap-*

The set-aside under this subdivision is in addition to that provided by subdivision 1, but shall otherwise comply with section 16.098 and the set-aside for businesses owned and operated by socially or economically disadvantaged persons.*

Sec. 72. Minnesota Statutes 1982, section 16.083, subdivision 3, is amended to read:

Subd. 3. [DETERMINATION OF ABILITY TO PERFORM.] Before announcing a set-aside award, the commissioner shall evaluate whether the small business or *Minnesota correctional industry* scheduled to receive the award is able to perform the set-aside contract. *This shall be done in consultation with an authorized agent of the Minnesota correctional industries program.* This determination shall include consideration of production and financial capacity and technical competence.

Sec. 73. Minnesota Statutes 1982, section 16.083, subdivision 4, is amended to read:

Subd. 4. [PREFERENCE TO SMALL BUSINESSES.] At least (15) 24 percent of the value of the procurements designated for set-aside awards shall be awarded, if possible, to businesses owned and operated by socially or economically disadvantaged persons. *The commissioner shall designate set-aside procurements in a manner that will encourage proportional distribution of set-aside awards among the geographical regions of the state. To promote the geographical distribution of set-aside awards, the commissioner may designate a portion of the set-aside for small businesses owned and operated by socially or economically disadvantaged persons for award to bidders from a specified congressional district or other geographical region specified by the commissioner.* In the event small businesses owned and operated by socially or economically disadvantaged persons are unable to perform at least (15) 24 percent of the set-aside awards, the commissioner shall award the balance of the set-aside contracts to other small businesses. *At least 50 percent of the value of the procurements awarded to businesses owned and operated by socially or economically disadvantaged persons shall actually be performed by the business to whom the award is made or another business owned and operated by a socially or economically disadvantaged person or persons. The commissioner shall not designate more than 20 percent of any commodity class for set-aside to businesses owned and operated by socially or economically disadvantaged persons. A business owned and operated by socially or economically disadvantaged persons that has been awarded more than five percent of the value of the total anticipated set-aside procurements for a fiscal year under this subdivision is disqualified from receiving further set-aside awards for that fiscal year.*

Any subcontracting pursuant to this subdivision shall not be included in determining the total amount of set-aside awards required by subdivisions 1, 1a, and 4, or any preference program authorized by the commissioner pursuant to section 16.085. In the event small businesses owned and operated by socially and economically disadvantaged persons are unable to perform ten percent of the prime contract award, the commissioner shall require that other small businesses perform at least ten percent of the prime contract award. The commissioner may determine that small businesses owned and operated by socially and economically disadvantaged persons are unable to perform at least ten percent of the prime contract award prior to the advertising for bids. Each construction contractor bidding on a project over \$200,000 shall submit with the bid a list of the businesses owned and operated by socially or economically disadvantaged persons that are proposed to be utilized on the project with a statement indicating the portion of the total bid to be performed by each business. The commissioner shall reject any bid to which this subdivision applies that does not contain this information. Prime contractors receiving construction contract awards in excess of \$200,000 shall furnish to the commissioner the name of each business owned and operated by a socially or economically disadvantaged person or persons or other small business that is performing work on the prime contract and the dollar amount of the work performed.*

If the correctional industries are unable to perform at least 15 percent of the set-aside awards, the commissioner shall award the balance of the set-aside contracts to small businesses.*

Sec. 76. Minnesota Statutes 1982, section 16.083, subdivision 5, is amended to read:

Subd. 5. [RECOURSE TO OTHER BUSINESSES.] In the event that subdivisions 1 to (4) 4b do not operate to extend a contract award to a small business or the *Minnesota correctional industries*, the award shall be placed pursuant to the normal solicitation and award provisions set forth in this chapter. The commissioner shall thereupon designate and set aside for small businesses or the *Minnesota correctional industries* additional state procurements corresponding in approximate value to the contract unable to be awarded pursuant to subdivisions 1 to (4) 4b.

Sec. 77. Minnesota Statutes 1982, section 16.083, subdivision 6, is amended to read:

Each of the preference programs is applicable to no more than 1.5 percent of the value of anticipated total state procurements of goods and services, including construction. Each pref-*

The proceeds of the bonds may be deposited, invested, and applied to accomplish the refunding in the manner and upon the conditions provided in section 475.67, subdivisions 5 to (11) 10. The interest rate on refunding bonds may exceed that on the bonds refunded when in the judgment of the commissioner and council refunding is nevertheless necessary or desirable for the purpose of extending the maturities and reducing the annual amount of the property tax or other funds needed to pay and secure the bonds and interest ( IN LIEU OF THE REVENUES PRIMARILY APPROPRIATED FOR THEIR PAYMENT).

Sec. 99. [16A.672] [BONDS AND CERTIFICATES OF INDEBTEDNESS.]

The bonds or certificates of indebtedness may be printed, lithographed, or otherwise reproduced in the style and form the commissioner prescribes, but the form shall state in a general way the purpose for which they are issued and the security provided for their payment.*

*Subd. 3. [EXECUTION OF OBLIGATIONS.] The bonds and certificates of indebtedness shall be executed by the commissioner of finance and attested by the state treasurer under their official seals. Facsimile signatures and seals of either or both of these officers may, as the commissioner of finance deems appropriate, be printed, lithographed, stamped, engraved, or otherwise reproduced. Every bond and certificate issued, whether initially or upon transfer, exchange, or replacement, shall be manually signed on its face by one of these officers, or by a duly authorized representative of a bank or trust company designated by order of the commissioner of finance, whether at or after the time of initial issue, as registrar or otherwise as agent of the state to authenticate it.*

In the case of fully registered bonds or certificates of indebtedness, the order may provide that the interest coming due on any interest payment date shall be payable to the person or entity who is the registered owner on the bond or certificate register on a specified date preceding the interest payment date, by check, draft, or other transfer to the order of the registered owner.

Subd. 7. [AGREEMENTS.] The commissioner of finance may enter into agreements containing terms which are necessary or desirable to carry out the authority given him in this section, pursuant to applicable orders of the commissioner. The agreements may provide for the payment of compensation for services to be performed and expenses to be incurred on behalf of the state, and may provide for their payment from the proceeds of the bonds or certificates of indebtedness, or from other money appropriated to the commissioner of finance, or from charges to be imposed on the holders of bonds or certificates of indebtedness, or from a combination of these sources. As much of the proceeds of the bonds or certificates as necessary is appropriated for this purpose.

Subd. 8. [APPROPRIATION.] There is appropriated annually to the commissioner of finance from the general fund in the state treasury an amount of money sufficient to pay when due all compensation and expenses due to registrars, delivery agents, and paying agents for state bonds and certificates of indebtedness under the terms of agreements entered into according to subdivision 7.

Each benefit contract shall be for a uniform term of at least one year, but may be made automatically renewable from term to term in the absence of notice of termination by either

Notwithstanding any other provision, the agency may, in its discretion, and after consideration of the amount of state funds required to match federal funds, make a grant of state funds not exceeding 15 per centum to a municipality that would qualify for a grant of federal funds but desires to initiate construction of a project without a federal grant. The agency may limit the scope and eligible cost of the project.

If a municipality is tendered a grant of federal funds under section 201, paragraph (g), section 202, section 203 or section 206, paragraph (f) of the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1314 et seq., at 85 percent of the eligible cost for construction of treatment works utilizing innovative or alternative wastewater treatment processes and techniques, state funds shall be expended at nine percent of the eligible cost of construction; provided, that not less than six percent of the eligible cost of construction shall be paid by the municipality or agency constructing the project. In the event that a municipality is tendered federal and state grants in a percentage cumulatively exceeding 94 percent of the eligible cost of construction, the state pollution control agency shall reduce the grant to the mu-

Subd. 3. [PURCHASES; SMALL FACILITIES.] (a) For a qualifying (FACILITIES) *facility having less than 40 kilowatt capacity, the customer shall be billed for the net energy supplied by the utility according to the applicable rate schedule for sales to that class of customer. (b) In setting (THESE) rates, the commission shall consider the fixed distribution costs to the utility not otherwise accounted for in the basic monthly charge and shall ensure that the costs charged to the qualifying facility are not discriminatory in rela-

tion to the costs charged to other customers of the utility. (NOTWITHSTANDING ANY OTHER LANGUAGE TO THE CONTRARY IN THIS SECTION,) The commission shall set the rates for net input into the utility system based on avoided costs as defined in (18 C.F.R.) *the Code of Federal Regulations, title 18, section 292.101(b)(6)*, the factors listed in (18 C.F.R.) *Code of Federal Regulations, title 18, section 292.304*, and all other relevant factors.

"Average retail utility energy rate" is defined as the average of the retail energy rates, exclusive of special rates based on income, age, or energy conservation, according to the applicable rate schedule of the utility for sales to that class of customer.*

(d) *If the qualifying facility is interconnected with a non-generating utility which has a sole source contract with a municipal power agency or a generation and transmission utility, the non-generating utility may elect to treat its purchase of any net input under this subdivision as being made on behalf of its supplier and shall be reimbursed by its supplier for any additional costs incurred in making the purchase. Qualifying facilities having less than 40 kilowatt capacity may, at the customer's option, elect to be governed by the provisions of subdivision 4.*

Sec. 168. Minnesota Statutes 1982, section 216B.164, subdivision 5, is amended to read:

Subd. 5. [DISPUTES.] *In the event of disputes between an electric utility and a qualifying facility, either party may request a determination of the issue by the commission. In any such determination, the burden of proof shall be on the utility. The commission in its order resolving each such dispute shall require payments to the prevailing party of the prevailing party's costs, disbursements, and reasonable attorneys' fees, except that the qualifying facility will be required to pay the costs, disbursements, and attorneys' fees of the utility only if the commission finds that the claims of the qualifying facility in the dispute have been made in bad faith, or are a sham, or frivolous.*

Sec. 169. Minnesota Statutes 1982, section 216B.164, subdivision 6, is amended to read:

Subd. 6. [RULES AND UNIFORM CONTRACT.] (a) *The commission shall promulgate rules to implement the provisions of this section. The commission shall also establish a uniform statewide form of contract for use between utilities and a qualifying facility having less than 40 kilowatt capacity.*

(b) *The commission shall require the qualifying facility to provide the utility with reasonable access to the premises and equipment of the qualifying facility if the particular configuration of the qualifying facility precludes disconnection or testing of the qualifying facility from the utility side of the interconnection with the utility remaining responsible for its personnel.*

(c) *The uniform statewide form of contract shall be applied to all new and existing interconnections established between a utility and a qualifying facility having less than 40 kilowatt capacity, except that existing contracts may remain in force until written notice of election that the uniform statewide contract form applies is given by either party to the other, with the notice being of the shortest time period permitted under the existing contract for termination of the existing contract by either party, but not less than ten nor longer than 30 days.*

(d) *The commission may promulgate temporary rules for the purpose of implementing this section. The temporary rules are subject to sections 14.29 to 14.36.*

Sec. 170. Minnesota Statutes 1982, section 216B.164, subdivision 8, is amended to read:

Subd. 8. [CUSTOMER, INTERCONNECTION AND WHEELING CHARGES.] (a) *Utilities shall be required to interconnect with a qualifying facility that offers to provide available energy or capacity and that satisfies the requirements of this section.*

(b) *Nothing contained in this section shall be construed to excuse the qualifying facility from any obligation for costs of interconnection and wheeling in excess of those normally incurred by the utility for customers with similar load characteristics who are not cogenerators or small power producers, or from any fixed charges normally assessed such nongenerating customers.*

Sec. 171. Minnesota Statutes 1982, section 216B.164, is amended by adding a subdivision to read:

*rates and days for the distribution of electric energy within the service area of the city, that board, commission, or body shall be considered the governing body of the municipal electric utility.*

Sec. 172. [216B.242] [INVERTED RATES.]

*The commission may initiate a program designed to demonstrate the effect of inverted rates on promoting conservation by the residential customers of natural gas utilities. Any inverted rates ordered by the commission shall present customers with a tailblock price that, to the maximum extent practicable, reflects the replacement cost of gas. Total revenues collected from customers involved in this pilot program may not exceed those that would be collected under a flat rate. The commission may order one public gas utility to implement a pilot program of inverted rates for residential customers and to monitor the effects of these rates on gas consumption, and on costs to residential customers. The program shall include a sufficient number of residential customers to provide statistically significant conclusions regarding the effects and costs of inverted rates. The inverted rate schedules and monitoring plans shall be prepared in consultation with the commissioner of energy, planning and development.*

Sec. 173. Minnesota Statutes 1982, section 216B.44, is amended to read:

The municipality acquiring the facilities shall pay to the electric utility formerly serving the (ANNEXED) area the appropriate value of its properties within the area which payment may be by exchange of other electric utility property outside the municipality on an appropriate basis giving due consideration to revenue from and value of the respective properties. In the event the municipality and the electric utility involved are unable to agree as to the terms of the payment or exchange, the municipality or the electric utility may file an application with the commission requesting that the commission determine the appropriate terms for the exchange or sale. After notice and hearing, the commission shall determine appropriate terms for an exchange, or in the event

no appropriate properties can be exchanged, the commission shall fix and determine the appropriate value of the property within the annexed area, and the transfer shall be made as directed by the commission. In making that determination the commission shall consider the original cost of the property, less depreciation, loss of revenue to the utility formerly serving the area, expenses resulting from integration of facilities, and other appropriate factors. Until the determination by the commission, the facilities shall remain in place and service to the public shall be maintained by the owner. However, the electric utility being displaced, serving the annexed area, shall not extend service to any additional points of delivery within the annexed area if the commission, after notice and hearing, with due consideration of any unnecessary duplication of facilities, shall determine that the extension is not in the public interest.

When property of (A PUBLIC) *an electric utility* located within an area annexed to a municipality which owns and operates (A PUBLIC) *an electric utility* is proposed to be acquired by the municipality, ratification by the electors is not required.

The department may fix the fees and expenses for all regular inspections and special services by rule pursuant to section 16A.128. All moneys collected by the department for its regular inspections, special services, fees, and penalties shall be paid into the state treasury and credited to the state general fund.

Sec. 176. [270.067] [TAX EXPENDITURE BUDGET.]

*Subdivision 1. [STATEMENT OF PURPOSE.] State governmental policy objectives are sought to be achieved both by direct expenditure of governmental funds and by the granting of special and selective tax relief or tax expenditures. Both direct expenditures of governmental funds and tax expenditures have an effect on the ability of the state and local governments to lower tax rates or to increase expenditures. As a result, tax expenditures should receive a regular and comprehensive review by the legislature as to (a) their total cost, (b) their effectiveness in achieving their objectives, (c) their effect on the fairness and equity of the distribution of the tax burden, and (d) the public and private cost of administering tax expenditure financed programs. This section is intended to facilitate a regular review of the state and local tax expenditure budget by the legislature by providing for the preparation of a regular biennial tax expenditure budget.*

*Subd. 2. [PREPARATION; SUBMISSION.] The commissioner of revenue shall prepare a tax expenditure budget for the state. The tax expenditure budget report shall be submitted to the legislature as a supplement to the governor's budget and at the same time as provided for submission of the budget pursuant to section 16A.11, subdivision 1.*

*Subd. 3. [PERIOD COVERED.] The report shall include estimates of annual tax expenditures for, at a minimum, a three-year period including the two-year period covered in the governor's budget submitted in the preceding January pursuant to section 16A.11.*

*Subd. 4. [CONTENTS.] The report shall detail for each tax expenditure item the amount of tax revenue foregone, a citation of the statutory or other legal authority for the expenditure, and the year in which it was enacted or the tax year in which it became effective. The report may contain additional information which the commissioner considers relevant to the legislature's consideration and review of individual tax expenditure items. This may include, but is not limited to, statements of the intended purpose of the tax expenditure, analysis of whether the expenditure is achieving that objective, and the effect of the expenditure device on the distribution of the tax burden and administration of the tax system.*

*Subd. 5. [REVENUE ESTIMATES; LEGISLATIVE BILLS.] Upon reasonable notice from the chairman of the house or senate tax committee that a bill is scheduled for hearing, the commissioner of revenue shall prepare an estimate of the effect on the state's tax revenues which would result from the passage of a legislative bill establishing, extending, or restricting a tax expenditure. These revenue estimates shall contain the same information as provided in subdivision 4 for expenditure items contained in the tax expenditure budget, as appropriate.*

*Subd. 6. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:*

*(1) "Tax expenditure" means a tax provision which provides a gross income definition, deduction, exemption, credit, or rate for certain persons, types of income, transactions, or property that results in reduced tax revenue.*

*(2) "Tax" means any tax of statewide application or any tax authorized by state law to be levied by local governments generally. It does not include a special local tax levied pursuant to special law or to a special local tax levied pursuant to general authority that is no longer applicable to local governments generally.*

The surviving spouse of a property owner who has received a payment under this section may receive payment of property taxes under this section as long as the spouse continues to own and occupy the property for which the taxes were paid under this section and the property continues to have an eligible classification. Property taxes paid*

Any act authorizing the issuance of bonds pursuant to this section shall, together with this section, constitute complete authority for such issue, and such bonds shall not be subject to the restrictions or limitations contained in any other law.

Sec. 198. Minnesota Statutes 1982, section 363.02, subdivision 1, is amended to read:

Subdivision 1. [EMPLOYMENT.] The provisions of section 363.03, subdivision 1, shall not apply to:

- (1) The employment of any individual
  - (a) by his parent, grandparent, spouse, child, or grandchild,  
or
  - (b) in the domestic service of any person;
- (2) A religious or fraternal corporation, association, or society, with respect to qualifications based on religion, when religion shall be a bona fide occupational qualification for employment;
- (3) The employment of one person in place of another, standing by itself, shall not be evidence of an unfair discriminatory practice;
- (4) An age restriction applied uniformly and without exception to all individuals established by a bona fide apprenticeship program established pursuant to chapter 178, which limits participation to persons who enter the program prior to some specified age and the trade involved in the program predominantly involves heavy physical labor or work on high structures. *After January 1, 1984, these age restrictions are exempt from the provisions of section 363.03, subdivision 1 only to the extent that they are declared exempt in rules adopted by the commissioner according to chapter 14. The commissioner must adopt rules governing this subject before January 1, 1984, and is authorized to adopt temporary, as well as permanent rules for this purpose.* Neither shall the operation of a bona fide seniority system which mandates differences in such things as wages, hiring priorities, lay-off priorities, vacation credit, and job assignments based on seniority, be a violation of the age discrimination provisions of section 363.03, subdivision 1, so long as the operation of such system is not a subterfuge to evade the provisions of chapter 363;
- (5) With respect to age discrimination, a practice whereby a labor organization or employer offers or supplies varying insurance benefits or other fringe benefits to members or employees of differing ages, so long as the cost to the labor organization or employer for such benefits is reasonably equivalent for all members or employees;
- (6) A restriction imposed by state statute, home rule charter, ordinance, or civil service rule, and applied uniformly and without exception to all individuals, which establishes a maximum age for entry into employment as a peace officer or firefighter.

(7) Nothing in this chapter concerning age discrimination shall be construed to validate or permit age requirements which have a disproportionate impact on persons of any class otherwise protected by section 363.03, subdivision 1 or 5.

It is not an unfair employment practice for an employer, employment agency or labor organization:

(i) to require a person to undergo physical examination for purpose of determining the person's capability to perform available employment; or

(ii) to conduct an investigation as to the person's medical history for the purpose of determining the person's capability to perform available employment; or

(iii) to limit receipt of benefits payable under a fringe benefit plan for disabilities to that period of time which a licensed physician reasonably determines a person is unable to work; or

(iv) to provide special safety considerations for pregnant women involved in tasks which are potentially hazardous to the health of the unborn child, as determined by medical criteria.

Sec. 199. Minnesota Statutes 1982, section 363.06, subdivision 4, is amended to read:

Subd. 4. [INQUIRY INTO CHARGE.] (1) Consistent with clause (7), (WHEN A CHARGE HAS BEEN FILED,) the commissioner shall promptly inquire into the truth of the allegations of the charge. The commissioner shall make an immediate inquiry when necessary to prevent a charging party from suffering irreparable loss in the absence of immediate action. The commissioner shall also make an immediate inquiry when it appears that a charge is frivolous or without merit and shall dismiss those charges. On (ALL) other charges the commissioner shall make a determination *within 12 months after the charge was filed* as to whether or not there is probable cause to credit the allegation of unfair discriminatory practices, and

(2) If the commissioner determines after investigation that no probable cause exists to credit the allegations of the unfair discriminatory practice, the commissioner shall, within ten days of the determination, serve upon the charging party and respondent written notice of the determination. Within ten days after receipt of notice, the charging party may request in writing on forms prepared by the department that the commissioner reconsider his determination. The request shall contain a brief statement of the reasons for and new evidence in support of the request for reconsideration. At the time of submission of the request to the commissioner, the charging party shall deliver or

mail to the respondent a copy of the request for reconsideration. The commissioner shall either reaffirm or reverse his determination of no probable cause within 20 days after receipt of the request for reconsideration, and he shall within ten days notify in writing the charging party and respondent of his decision to reaffirm or reverse.

A decision by the commissioner that no probable cause exists to credit the allegations of an unfair discriminatory practice shall not be appealed to district court pursuant to section 363.072 or sections 14.63 to 14.68.

(3) If the commissioner determines after investigation that probable cause exists to credit the allegations of unfair discriminatory practices, the commissioner shall serve on the respondent and his attorney if he is represented by counsel, by first class mail, a notice setting forth a short plain written statement of the alleged facts which support the finding of probable cause and an enumeration of the provisions of law allegedly violated. If the commissioner determines that attempts to eliminate the alleged unfair practices through conciliation pursuant to subdivision 5 have been or would be unsuccessful or unproductive, the commissioner shall issue a complaint and serve on the respondent, by registered or certified mail, a written notice of hearing together with a copy of the complaint, requiring the respondent to answer the allegations of the complaint at a hearing before a hearing examiner at a time and place specified in the notice, not less than ten days after service of said complaint. A copy of the notice shall be furnished to the charging party and the attorney general.

(4) If, at any time after the filing of a charge, the commissioner has reason to believe that a respondent has engaged in any unfair discriminatory practice, the commissioner may file a petition in the district court in a county in which the subject of the complaint occurs, or in a county in which a respondent resides or transacts business, seeking appropriate temporary relief against the respondent, pending final determination of proceedings under this chapter, including an order or decree restraining him from doing or procuring an act tending to render ineffectual an order the commissioner may enter with respect to the complaint. The court shall have power to grant temporary relief or a restraining order as it deems just and proper, but no relief or order extending beyond ten days shall be granted except by consent of the respondent or after hearing upon notice to the respondent and a finding by the court that there is reasonable cause to believe that the respondent has engaged in a discriminatory practice. Except as modified by this section, the Minnesota rules of civil procedure shall apply to an application, and the district court shall have authority to grant or deny the relief sought on conditions as it deems just and equitable. All hearings under this section shall be given precedence as nearly as practicable over all other pending civil actions.

(5) If a lessor, after he has engaged in a discriminatory practice defined in section 363.03, subdivision 2, clause (1), (a), leases or rents a dwelling unit to a person who has no knowledge of the practice or of the existence of a charge with respect to the practice, the lessor shall be liable for actual damages sustained by a person by reason of a final order as provided in this section requiring the person to be evicted from the dwelling unit.

(6) In any complaint issued under this section, the commissioner may seek relief for a class of individuals affected by an unfair discriminatory practice occurring on or after a date six months prior to the filing of the charge from which the complaint originates.

(7) The commissioner may adopt policies to determine *which charges are processed* and the order in which charges are processed based on their particular social or legal significance, administrative convenience, difficulty of resolution, or other standard consistent with the provisions of this chapter.

Sec. 200. Minnesota Statutes 1982, section 363.06, is amended by adding a subdivision to read:

*Subd. 4a. [TEMPORARY RULES.] The commissioner may adopt temporary rules pursuant to chapter 14 to carry out the purposes of this section. Temporary and permanent rules adopted pursuant to this subdivision apply to cases pending before the commissioner on the date of adoption.*

Such order shall be a final decision of the department. The examiner shall order any respondent found to be in violation of any provision of section 363.03 to pay a civil penalty to the state. This penalty is in addition to compensatory and punitive damages to be paid to an aggrieved party. The hearing examiner shall determine the amount of the civil penalty to be paid, taking into account the seriousness and extent of the violation, the public harm occasioned by the violation, whether the violation was intentional, and the financial resources of the respondent. Any penalties imposed under this provision shall be paid into the general fund of the state. In all cases the examiner may order the respondent to pay an aggrieved party, who has suffered discrimi-*

nation, compensatory damages, including damages for mental anguish or suffering, and, in all cases, may also order the respondent to pay an aggrieved party, who has suffered discrimination, punitive damages in an amount not more than \$6,000. Punitive damages shall be awarded pursuant to section 549.20. In any case where a political subdivision is a respondent the total of punitive damages awarded an aggrieved party may not exceed \$6,000 and in that case if there are two or more respondents the punitive damages may be apportioned among them. Punitive damages may only be assessed against a political subdivision in its capacity as a corporate entity and no regular or ex-officio member of a governing body of a political subdivision shall be personally liable for payment of punitive damages pursuant to this subdivision. In addition to the aforesaid remedies, in a case involving discrimination in

(a) employment, the examiner may order the hiring, reinstatement or upgrading of an aggrieved party, who has suffered discrimination, with or without back pay, admission or restoration to membership in a labor organization, or his admission to or participation in an apprenticeship training program, on-the-job-training program, or other retraining program, or any other relief the examiner deems just and equitable.

(b) housing, the examiner may order the sale, lease, or rental of the housing accommodation or other real property to an aggrieved party, who has suffered discrimination, or the sale, lease or rental of a like accommodation or other real property owned by or under control of the person against whom the complaint was filed, according to terms as listed with a real estate broker, or if no such listing has been made, as otherwise advertised or offered by the vendor or lessor, or any other relief the examiner deems just and equitable.

The examiner shall cause the findings of fact, conclusions of law, and order to be served on the respondent personally, the charging party by registered or certified mail, and shall furnish copies to the attorney general and the commissioner.

## PERSONAL PROPERTY IN SELF-SERVICE STORAGE

### Sec. 4. [514.95] [TITLE.]

*Sections 4 to 9 may be cited as the "Minnesota Liens on Personal Property in Self-Service Storage Act."*

### Sec. 5. [514.96] [DEFINITIONS.]

*As used in sections 4 to 9:*

(a) *"Self-service storage facility" means any real property that is designed and used only for the purpose of renting or leasing individual storage space in the facility under the following conditions:*

(1) *The occupants have access to the storage space only for the purpose of storing and removing personal property.*

(2) *The owner does not issue a warehouse receipt, bill of lading, or other document of title for the personal property stored in the storage space.*

(3) *The property has 50 or more individual storage spaces.*

(b) "Self-service storage facility" does not include any garage used principally for parking motor vehicles or any property of a financial institution that contains vaults, safe deposit boxes, or other receptacles for the uses, purposes, and benefits of the financial institution's customers.

(c) "Owner" means a person who is either the owner of a self-service storage facility or the lessor of an entire self-service storage facility and who receives rent from an occupant pursuant to a rental agreement that he enters into with the occupant.

(d) "Occupant" means a person who rents storage space at a self-service storage facility under a rental agreement that he enters into with the owner.

(e) "Rental agreement" means any written agreement that is entered into by the owner and the occupant and that establishes the terms and conditions of the occupant's use of storage space at a self-service storage facility.

(f) "Personal property" means money and every inanimate tangible thing that is the subject of ownership, except anything forming part of a parcel of real estate and anything that is an agricultural commodity.

#### Sec. 6. [514.97] [LIEN AGAINST PROPERTY.]

(a) The owner of a self-service storage facility has a lien against the occupant on the personal property stored pursuant to a rental agreement in any storage space at the self-service storage facility, or on the proceeds of the personal property subject to the defaulting occupant's rental agreement in the owner's possession, for rent, labor, or other charges in relation to the personal property that are specified in the rental agreement and that have become due and for expenses necessary for the preservation of the personal property or expenses reasonably incurred in the sale or other disposition of the personal property under law. The lien provided for in this section is superior to any other security interest except those which are perfected prior to the date the lien provided for in this section attaches.

(b) The owner's lien created by this section attaches as of the date the personal property is brought to the self-service storage facility. An owner loses his lien on any personal property that he voluntarily permits to be removed from the self-service storage facility or unjustifiably refuses to permit to be removed from the facility.

#### Sec. 7. [514.98] [ENFORCEMENT OF LIEN.]

Subdivision 1. [PROCEDURE.] An owner's lien created by sections 4 to 9 for a claim that has become due may be en-

*forced in the same manner as a warehouseman's lien pursuant to section 336.7-210, subsections (1) to (9).*

*Subd. 2. [DISPOSAL OF PROPERTY NOT SOLD AT AUCTION.] If no person purchases the personal property at the auction and if the owner has complied with this section, the owner may do any of the following:*

- (1) Advertise and sell the personal property.*
- (2) Sell the personal property at a private sale.*
- (3) Dispose of the personal property in any manner considered appropriate by the owner including, but not limited to, destroying the personal property.*

**Sec. 8. [514.99] [RENTAL AGREEMENTS.]**

**Sec. 9. [514.991] [ADVERTISING.]**

*No owner shall advertise or represent its services, or permit its services to be advertised or represented, in a manner which uses the word "warehouse" unless the owner is licensed and bonded as provided in chapter 231.*

*Nothing in this section prohibits the use of the term "self-service storage facility" in any advertisement or representation."*

Delete the title and insert:

**"A bill for an act relating to liens; right of possession and liens on fabrication molds and patterns; providing a nonpossessory lien on personal property; lengthening the time limit for veterinary liens; providing a lien on personal property held in self-service storage facilities; providing for the enforcement of these liens; regulating rental agreements and advertising; amending Minnesota Statutes 1982, sections 514.18; 514.19; and 514.92, subdivision 1; proposing new law coded in Minnesota Statutes, chapter 514."**

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 722, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 722 be further amended to read:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 222.37, subdivision 1, is amended to read:

Subdivision 1. Any water power, telegraph, telephone, pneumatic tube, community antenna television, *cable communications* or electric light, heat, or power company may use public roads for the purpose of constructing, using, operating, and maintaining lines, subways, canals, or conduits, for their business, but such lines shall be so located as in no way to interfere with the safety and convenience of ordinary travel along or over the same; and, in the construction and maintenance of such line, subway, canal, or conduit, the company shall be subject to all reasonable regulations imposed by the governing body of any county, town or city in which such public road may be. Nothing herein shall be construed to grant to any person any rights for the maintenance of a telegraph, telephone, pneumatic tube, community antenna television system, *cable communications system*, or light, heat, or power system within the corporate limits of any city until such person shall have obtained the right to maintain such system within such city or for a period beyond that for which the right to operate such system is granted by such city.

Sec. 2. Minnesota Statutes 1982, section 238.02, subdivision 1, is amended to read:

Subdivision 1. The words and phrases used in (SECTIONS 238.01 TO 238.17) *this chapter* have the following meanings unless a different meaning clearly appears in the text.

Sec. 3. [238.22] [DEFINITIONS.]

*Subd. 3. [MULTIPLE DWELLING COMPLEX.] "Multiple dwelling complex" means a site, lot, field, or tract of land*

or water, other than a condominium, cooperative, or mobile home park, whether occupied or under construction, containing more than four dwelling units.

Subd. 4. [PROPERTY OWNER.] "Property owner" means any person with a recorded interest in a multiple dwelling complex, or person known to the cable communications company to be an owner, or the authorized agent of the person.

Subd. 5. [RESIDENT.] "Resident" means a person or entity paying rent to a property owner.

Subd. 6. [ACCESS.] "Access" means entrance onto the premises of the property owner and an easement for purposes of surveying, designing, installing, inspecting, maintaining, operating, repairing, replacing, or removing equipment used in the construction and operation of a cable communications system.

#### Sec. 4. [238.23] [ACCESS REQUIRED.]

Subdivision 1. [PROVISION OF ACCESS.] A property owner or other person controlling access shall provide a cable communications company access to the property owner's multiple dwelling complex. The access provided must be perpetual and freely transferable by one cable communications company to another. A cable communications company granted access, and its successors in interest, must fully comply with sections 3 to 8.

Subd. 2. [RESIDENT'S RIGHTS.] The intent of sections 3 to 8 is to give residents the freedom to choose among competing cable communications services and nothing in sections 3 to 8 shall be interpreted to require residents to hook up or subscribe to any services offered by any cable communications company or alternative provider of cable communications services.

#### Sec. 5. [238.24] [CONDITIONS FOR ACCESS.]

Subdivision 1. [IN GENERAL.] An installation of cable communications facilities under sections 3 to 8 must conform to reasonable conditions necessary to protect the safety, functioning, and aesthetic appearance of the premises, and the convenience and well-being of the property owner and residents.

Subd. 2. [OWNER APPROVAL.] A property owner may require from a cable communications company before installation or modification of cable communications facilities, diagrams showing plans for the placement and securing of the facilities. A property owner may require a cable communications company to post a bond or equivalent security in an amount not exceeding the estimated cost of installation of the cable communications facilities on the premises. Any bond filed by a cable communications company with a municipality which would provide coverage to the property owner as provided under this subdivision shall be considered to fulfill the requirements of this subdivision.*

*Subd. 4. [INDEMNIFY FOR DAMAGE.] A cable communications company shall indemnify a property owner for damage caused by the company in the installation, operation, maintenance, or removal of its facilities.*

*Subd. 5. [RELOCATION.] A property owner may require a cable communications company, after reasonable written notice, to promptly relocate cable communications facilities on or within the premises of the property owner for the purpose of rehabilitation, redecoration, or necessary maintenance of the premises by the property owner.*

*Subd. 6. [MASTER ANTENNA TELEVISION SYSTEM.] Nothing in sections 3 to 8 precludes a property owner from entering into an agreement for use of a master antenna television system by a cable communications company or other television communications service.*

*Subd. 7. [COST ALLOCATED.] A cable communications company shall bear the entire cost of the installation, operation, maintenance, and removal of a cable communications facility within the initial franchise service area.*

*Subd. 8. [COMPENSATION FOR ACCESS.] (a) A cable communications company shall:*

*(1) compensate the property owner for the diminution in fair market value of the premises resulting directly from the installation of the nonexclusive cable communications system; and*

*(2) reimburse the property owner in an amount not to exceed \$100 for premises containing less than ten dwelling units, and \$200 for other premises, for actual costs incurred by the property owner with respect to the professional review of the plans and drawings regarding installation or modification of the cable communications system, associated contractual materials, and other documentation.*

*(b) With respect to paragraph (a), clause (1), any party appearing in a proceeding as provided under section 6 may intro-*

duce evidence of damages, if any, and special benefits, if any, to the property occurring by reason of the installation of the cable communications system.

*Subd. 9. [NOT RETROACTIVE.] Nothing in sections 3 to 8 affects the validity of an agreement effective before the effective date of this act between a property owner, a cable communications company, or any other person providing cable communications services on or within the premises of the property owner.*

*Subd. 10. [CHANNEL CAPACITY.] (a) A property owner must provide access by a franchised cable communications company, as required under section 4, only if that cable company installs equipment with channel capacity sufficient to provide access to other providers of television programming or cable communications services so that residents or association members have a choice of alternative providers of those services. If the equipment is installed, the cable communications company shall allow alternative providers to use the equipment. If some of the residents or association members choose to subscribe to the services of an alternative provider, the cable company that installed the equipment shall be reimbursed by the other providers for the cost of equipment and installation on the property on a pro rata basis which reflects the number of subscribers of each provider on that property to the total number of subscribers on that property. In determining the pro rata amount of reimbursement by any alternative provider, the cost of equipment and installation shall be reduced to the extent of cumulative depreciation of that equipment at the time the alternative provider begins providing service.*

*(b) If equipment is already installed as of the effective date of this section with channel capacity sufficient to allow access to alternative providers, the access and pro rata reimbursement provisions of paragraph (a) apply.*

*(c) The board shall promulgate rules by January 1, 1984 to implement the provisions of this subdivision.*

*(d) Paragraphs (a) and (b) come into effect after rules have been promulgated and adopted in accordance with paragraph (c).*

**Sec. 6. [238.25] [PROCEDURE.]**

*Subdivision 1. [APPLICABLE PROVISIONS.] The procedure for acquiring access under sections 3 to 8 must be as provided under this section, notwithstanding any provisions of chapter 117.*

*Subd. 2. [NOTICE AND OFFER; MANNER OF SERVICE.] (a) To obtain access to property under sections 3 to*

8, a cable communications company shall serve written notice on all property owners. The notice shall contain the following:

(1) the name and address of the cable communications company;

(2) the name of the property owners and address of the premises to which access is sought;

(3) the date of the franchise and city granting the franchise;

(4) the amount of compensation offered by the cable communications company to the property owner or owners; and

(5) the anticipated date on which access is to commence.

(b) If a property owner does not accept the offer made by the cable communications company, the property owner shall, within 45 days of the service of the notice and offer, notify the cable communications company of the refusal. Failure to notify the cable communications company within 45 days as provided under this paragraph constitutes a refusal of the offer and a denial of access.

(c) The notice and offer must be served on the property owner or owners by certified mail or in the same manner as a summons in a civil action.

Subd. 3. [INITIATION.] (a) A cable communications company which has been denied access to a multiple-dwelling complex may initiate proceedings under this section to obtain access.

(b) The cable communications company shall pay all costs of the proceedings including compensation to the property owner.

Subd. 4. [PETITION FOR ACCESS.] (a) To obtain access to the property owner's premises, as required under section 4, the cable communications company shall file with the district court in the county in which the premises is located, a petition:

(1) stating that the cable communications company has served the property owners with the notice and offer required under subdivision 2 and that the offer has not been accepted;

(2) requesting a determination of the damages, if any, which may result from the access; and

(3) stating the legal description of the property owner's premises to which access is sought.

(b) Upon filing the petition with the district court, the cable communications company shall pay the property owner or deposit with the district court an amount equal to the company's offer of compensation as provided under subdivision 2, paragraph (a), clause (4).

(c) Upon filing of the petition with the district court, the cable communications company may file for record with the county recorder a notice of the pendency of the proceeding, describing with reasonable certainty the premises affected and the purposes of the petition.

Subd. 5. [SERVICE OF PETITION.] The petition must be served upon all persons named in the petition as property owners in the same manner as a summons in a civil action; except that, service may be made upon a property owner by three weeks published notice if the cable communications company, its agent or attorney, files an affidavit stating on belief that the property owner is not a resident of the state and that the company has mailed a copy of the notice to the property owner at the property owner's place of residence, or that after diligent inquiry the property owner's place of residence cannot be ascertained by the company. If the state is a property owner, the notice must be served upon the attorney general. Any property owner not served as provided under this paragraph is not bound by the proceeding unless the property owner voluntarily appears therein.

Subd. 6. [ORDER GRANTING ACCESS.] Upon the filing of the petition and proof of service as provided under this section, and prior to making a determination of damages under this section, the court shall enter an order granting access 30 days after the filing of the petition.

Subd. 7. [ENTRY FOR SURVEYS AND ACCESS.] For the purpose of making surveys and examinations to accomplish all necessary preliminary purposes or for other purposes relative to any proceedings under this section, the cable communications company may lawfully enter a property owner's premises, doing no unnecessary damage and being liable only for actual damage done.

Subd. 8. [JUDGMENT; DISMISSAL OF ACTION.] (a) The court shall enter judgment no sooner than ten days after it has filed its determination of damages. (b) The cable communications company may at any time up to ten days after the filing of the court's determination of the damages dismiss any proceeding under this section against any property owner's premises by notifying the property owner and the court. When

*the proceeding is dismissed, the property owner may recover from the cable communications company reasonable costs and expenses and temporary damages, if any.*

*Subd. 9. [APPEAL.] Either party to the district court proceeding may appeal the court's determination within 90 days after the filing of that determination.*

*Subd. 10. [FINAL CERTIFICATE.] Upon completion of the proceedings, the attorney for the cable communications company shall make a certificate describing the access acquired and the purpose or purposes for which acquired, and reciting the fact of final payment of all awards or judgments in relation thereto. The certificate must be filed with the clerk of court and a certified copy thereof filed for record with the county recorder. The record is notice to all parties of the access to the premises described in the petition.*

*Subd. 11. [NO RELOCATION BENEFITS.] Neither sections 117.50 to 117.56 nor the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 may be construed as applying to any persons affected by these proceedings.*

**Sec. 7. [238.26] [SUBSEQUENT TAKING.]**

*In the event the premises upon which cable communications equipment has been installed is subsequently condemned by the state or by another entity empowered under state law to condemn by exercise of the power of eminent domain, the cable communications company's measure of damages for the taking shall be limited to the actual compensation originally paid by the cable communications company to the property owner under sections 3 to 8.*

**Sec. 8. [238.27] [INTERFERENCE WITH FACILITIES.]**

*No person may interfere with the installation, operation, inspection, maintenance, or removal of cable communications facilities or activities of a cable communications company under sections 3 to 8 of this act.*

**Sec. 9. [238.35] [USE OF EXISTING EASEMENTS; RESTRICTIONS.]**

*Subdivision 1. [LEGISLATIVE FINDINGS.] There is a long-standing legislative policy in the state of Minnesota to provide for the dedication or other provision of easements required by public utilities and cable communications companies. Except for applicable governmental regulations, these easements do not include any limitation on the type, number, or size of cables or related cable communication system components. There is a public understanding and acceptance of the need of public utilities and cable communications companies to have the ability*

*to use existing utility easements in order to provide new and improved cable communications services made possible by technological developments and to make changes to the cables or related cable communication systems components. Changing technology has caused and will continue to cause over time the development of new cable communications services requiring changing uses of existing utility easements. Cable communications companies have a need to use existing utility easements in order to deliver their services to the public. The addition of cable communications system components does not constitute an unanticipated or added burden on the real estate subject to the easements.*

*Subd. 2. [UTILITY EASEMENT DEFINED.] For purposes of this section, the term "utility easement" includes all utility easements or general purpose easements dedicated on a recorded plat to the public or to the state or to any political subdivision thereof; all deeded easements to the public or to the state or to any political subdivision thereof which are for general or utility purposes; all easements acquired by condemnation or prescription by the state or any political subdivision thereof which are for general or utility purposes; and all easements in favor of any public service corporation for telephone or electric transmission purposes.*

*Subd. 3. [AUTHORIZATION TO USE EXISTING UTILITY EASEMENTS.] The state or any county, city, township, agency, or political subdivision thereof, or any individual, partnership, venture, or corporation which is licensed, franchised, or authorized thereby to establish and operate a cable communications company may utilize any existing utility easement in accordance with the provisions of this section to install, maintain, and remove cable communications system components without the payment of additional compensation to the owners or occupants of the real estate subject to the easement, other than the owner of the utility easement or its successors or assigns.*

*Subd. 4. [RESTRICTIONS ON USE.] (a) As a condition of using any utility easement, a cable communications company shall be subject to any burdens, duties, or obligations specified in the easement of the grantee of the easement.*

*(b) A cable communications company shall restore the real estate, and any landscaping or improvement thereon, to the condition they were in prior to entry within 30 days of completing the installation of the cables and related cable communications system components upon that real estate and to make changes to the cables or related cable communication systems components. Changing technology has caused and will continue to cause over time the development of new cable communications services requiring changing uses of existing utility easements. Restoration which cannot be completed during the winter months must be accomplished as promptly as weather conditions permit.*

## Sec. 10. [EFFECTIVE DATE.]

*This act is effective the day following final enactment."*

#### CONFERENCE COMMITTEE REPORT ON H. F. NO. 409

A bill for an act relating to liquor; restrictions upon joint purchases and volume discounts at wholesale; amending Minnesota Statutes 1982, sections 340.408; and 340.983.

May 18, 1983

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 409, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 409 be amended as follows:

Page 1, after line 6, insert:

"Section 1. Minnesota Statutes 1982, section 340.11, subdivision 21, is amended to read:

Subd. 21. [LIABILITY INSURANCE.] Every person licensed to sell at retail intoxicating liquor or non-intoxicating malt liquor at on-sale or off-sale shall, after (MARCH 1) August 1, 1983, demonstrate proof of financial responsibility with regard to liability imposed by section 340.95, to the (COMMISSIONER OF PUBLIC SAFETY) *authority issuing the license* as a condition of the issuance or renewal of his license, provided this subdivision does not apply to *licensees who by affidavit establish that they are on-sale non-intoxicating malt liquor licensees with sales of less than \$10,000 of non-intoxicating malt liquor (PER) for the preceding year, or off-sale non-intoxicating malt liquor licensees with sales of less than \$20,000 of non-intoxicating malt liquor for the preceding year, (NOR TO) or holders*

of on-sale wine licenses under subdivision 20, with sales of less than \$10,000 of wine (PER) for the preceding year. The issuing authority must submit to the commissioner the proof of financial responsibility or exemption affidavit submitted by the license applicant. Proof of financial responsibility may be given by filing:

(a) A certificate that there is in effect for the period covered by the license an insurance policy or pool providing the following minimum coverages;

(1) \$50,000 because of bodily injury to any one person in any one occurrence, and, subject to the limit for one person, in the amount of \$100,000 because of bodily injury to two or more persons in any one occurrence, and in the amount of \$10,000 because of injury to or destruction of property of others in any one occurrence.

(2) \$50,000 for loss of means of support of any one person in any one occurrence, and, subject to the limit for one person, \$100,000 for loss of means of support of two or more persons in any one occurrence; or

(b) A bond of a surety company with minimum coverages as provided in clause (a), or

(c) A certificate of the state treasurer that the licensee has deposited with him \$100,000 in cash or securities which may legally be purchased by savings banks or for trust funds having a market value of \$100,000.

This subdivision does not prohibit a local governing unit from requiring higher insurance or bond coverages, or a larger deposit of cash or securities than is required hereunder, as a condition of issuance or renewal of a retail intoxicating liquor or non-intoxicating malt liquor on-sale or off-sale license.

The commissioner of insurance shall advise licensees and municipalities subject to the financial responsibility requirements of this subdivision of those persons offering insurance coverage. The commissioner of insurance (MAY, IF NECESSARY,) shall establish (AN ASSIGNED RISK POOL BY RULE ADOPTED UNDER THE ADMINISTRATIVE PROCEDURE ACT, SECTIONS 14.01 to 14.70.) a program to assist licensees in obtaining insurance coverage. The program shall include a committee appointed by the commissioner of insurance of a representative group of insurance carriers and producers. The commissioner of insurance shall serve as an ex officio member of the committee. The committee shall review and act upon all properly executed applications requesting liquor liability market assistance. The market assistance program shall be established by the commissioner of insurance by August 1, 1983, and shall continue to function so long as its services are deemed by the commissioner

*of insurance to be necessary to relieve perceived availability problems in the liquor liability insurance market. If the committee finds that it cannot assist in securing insurance coverage it shall notify the applicant in writing with a full explanation and recommendation for enhancing its ability to secure insurance. The commissioner of insurance shall, if necessary, establish an assigned risk plan pursuant to subdivision 22.*

Sec. 2. Minnesota Statutes 1982, section 340.11, is amended by adding a subdivision to read:

*Subd. 22. [ASSIGNED RISK PLAN.] (1) The purpose of the assigned risk plan is to provide coverage required by subdivision 21 to persons rejected pursuant to this subdivision.*

*(2) An insurer that refuses to write the coverage required by subdivision 21 shall furnish the applicant with a written notice of refusal. The rejected applicant shall file a copy of the notice of refusal with the commissioner of public safety and with the assigned risk plan at the time of application for coverage under the plan.*

*(3) The commissioner of insurance may enter into service contracts as necessary or beneficial to accomplish the purposes of the assigned risk plan including servicing of policies or contracts of coverage, data management, and assessment collections. Services related to the administration of policies or contracts of coverages shall be performed by one or more qualified insurance companies licensed pursuant to section 60A.06, subdivision 1, clause (13) or a qualified vendor of risk management services. A qualified insurer or vendor of risk management services shall possess sufficient financial, professional, administrative, and personnel resources to provide the services required for operation of the plan. The cost of all services contracted for shall be an obligation of the assigned risk plan.*

*(4) The commissioner of insurance may assess all insurers licensed pursuant to section 60A.06, subdivision 1, clause (13) an amount sufficient to fully fund the obligations of the assigned risk plan, if the commissioner of insurance determines that the assets of the assigned risk plan are insufficient to meet its obligations. The assessment of each insurer shall be in a proportion equal to the proportion which the amount of insurance written as reported on page 14 of the annual statement under line 5, commercial multi-peril, and line 17, other liability, during the preceding calendar year by that insurer bears to the total written by all such carriers for such lines.*

*(5) Policies and contracts of coverage issued pursuant to this subdivision shall contain the usual and customary provisions of liability insurance policies, and shall contain the minimum coverage required by subdivision 21 or the local governing unit.*

(6) *Assigned risk policies and contracts of coverage shall be subject to premium tax pursuant to section 60A.15.*

(7) *Insureds served by the assigned risk plan shall be charged premiums based upon a rating plan approved by the commissioner of insurance. Assigned risk premiums shall not be lower than rates generally charged by insurers for the business. The commissioner of insurance shall fix the compensation received by the agent of record.*

(8) *The commissioner of insurance shall adopt rules, including temporary rules, as may be necessary to implement this subdivision. The rules may include:*

(a) *appeal procedures from actions of the assigned risk plan;*

(b) *formation of an advisory committee composed of insurers, vendors of risk management services and licensees, to advise the commissioner of insurance regarding operation of the plan; and*

(c) *applicable rating plans and rating standards.*

Sec. 3. Minnesota Statutes 1982, section 340.353, subdivision 8, is amended to read:

Subd. 8. [FINANCIAL RESPONSIBILITY.] Every municipal liquor store operated pursuant to subdivision 1 shall, prior to commencement or continuation of operation after (MARCH 1) August 1, 1983, demonstrate proof of financial responsibility by compliance with the requirements of section 340.11, subdivision 21."

Re-number the remaining sections

Page 2, after line 18, insert:

"Sec. 6. Laws 1982, chapter 528, section 9, is amended to read:

Sec. 9. [EFFECTIVE DATE.]

Sections 2 to 4 are effective (MARCH 1) August 1, 1983. Sections 1, 5, 6, 7 and 8 are effective the day following final enactment and apply to all causes of action arising on and after that day, except that any changes in notice requirements in section 8 are not effective until 30 days following final enactment.

Sec. 7. [EFFECTIVE DATE.]

Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 657, report that we have agreed upon the items in dispute and recommend as follows:

Subdivision 1. The commissioner of transportation shall, in accordance with the department's program, implement sound abatement measures within or along the perimeter of any interstate or trunk highway within incorporated areas located within the metropolitan area or any municipality whenever the noise level attributable to vehicular traffic at the abutting residential property line is in excess of the federal noise standards. The commissioner shall utilize federal matching funds available for

constructing and maintaining sound abatement measures. No standard adopted by any state agency for limiting levels of noise in terms of sound pressure in the outdoor atmosphere shall apply to any interstate highway, or to any trunk highway segment constructed or reconstructed with federal interstate substitution funds, provided that all reasonable mitigating measures are used to abate noise.

Sec. 2. Minnesota Statutes 1982, section 222.50, subdivision 7, is amended to read:

All money derived by the commissioner from the disposition of railroad right-of-way or of any other property acquired pursuant to sections 222.46 to 222.62 shall be deposited in the (STATE) rail (BANK) service improvement account.

Sec. 3. Minnesota Statutes 1982, section 296.02, subdivision 2, is amended to read:

Subd. 2. [GASOLINE TAX IMPOSED FOR AVIATION USE.] Subject to the provisions of section 296.18, subdivision 4, there is hereby imposed an excise tax, at the (SAME) rate (PER GALLON AS THE GASOLINE EXCISE TAX,) of five cents per gallon on all aviation gasoline received, sold, stored, or withdrawn from storage in this state. This tax shall be payable at the times, in the manner, and by persons specified in sections 296.01 to 296.27.

Sec. 4. Minnesota Statutes 1982, section 360.063, subdivision 3, is amended to read:

Subd. 3. [JOINT AIRPORT ZONING BOARD.] (1) Where an airport is owned or controlled by a municipality and (ANY) *an* airport hazard area appertaining to (SUCH) *the* airport is located within the territorial limits of another county or municipality, the municipality owning or controlling the airport may request (ANY) *a* county or municipality in which an airport hazard area is located:

(a) To adopt and enforce airport zoning regulations for the area in question that conform to (MINIMUM) standards prescribed by the commissioner pursuant to subdivision 4; or

(b) To join in creating a joint airport zoning board pursuant to clause (2). The owning or controlling municipality shall determine which of these actions it shall request, except as provided in clause (5) for the metropolitan airports commission. The request shall be made by certified mail to the governing body of each county and municipality in which an airport hazard area is located.

(2) Where an airport is owned or controlled by a municipality and (ANY) *an* airport hazard area appertaining to (SUCH) *the* airport is located within the territorial limits of another county or municipality, the municipality owning or controlling the airport and the county or other municipality within which the airport hazard area is located may, by ordinance or resolution duly adopted, create a joint airport zoning board, which board shall have the same power to adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question as that vested by subdivision 1 in the municipality within which (SUCH) *the* area is located. (EACH SUCH) A joint board shall have as members two representatives appointed by the municipality owning or controlling the airport and two from the county or municipality, or in case more than one county or municipality is involved two from each county or municipality, in which the airport hazard is located, and in addition a chairman elected by a majority of the members so appointed. All members shall serve at the pleasure of their respective appointing authority. Notwithstanding any other provision of law to the contrary, if the owning and controlling municipality is a city of the first class it shall appoint four members to the board, and the chairman of the board shall be elected from the membership of the board.

(3) If (ANY) *a* county or municipality, within 60 days of receiving a request from an owning or controlling municipality pursuant to clause (1), fails to adopt, or thereafter fails to enforce. (SUCH) *the* zoning regulations or fails to join in creating a joint airport zoning board, the owning or controlling municipality or a joint airport zoning board created without participa-

tion by the subdivisions which fail to join the board, may itself adopt, administer, and enforce airport zoning regulations for the airport hazard area in question. In the event of conflict between (SUCH) *the* regulations and (ANY) airport zoning regulations adopted by the county or municipality within which the airport hazard area is located, (THE REGULATIONS OF THE MUNICIPALITY OWNING OR CONTROLLING THE AIRPORT OR THE JOINT ZONING BOARD SHALL GOVERN AND PREVAIL) *section 360.064, subdivision 2, applies.*

(4) "Owning or controlling municipality," as used in this subdivision, includes:

(a) A joint airport operating board created pursuant to section 360.042 that has been granted all the powers of a municipality in zoning matters under the agreement creating the board;

(b) A joint airport operating board created pursuant to section 360.042 that has not been granted zoning powers under the agreement creating the board, provided that (SUCH A) *the* board shall not itself adopt zoning regulations nor shall (ANY) *a* joint airport zoning board created at its request adopt zoning regulations unless all municipalities that created the joint operating board join to create the joint zoning board; and

(c) The metropolitan airports commission established and operated pursuant to chapter 473.

(5) The metropolitan airports commission shall request creation of one joint airport zoning board for each airport operated under its authority.

Sec. 5. Minnesota Statutes 1982, section 360.063, subdivision 4, is amended to read:

Subd. 4. [AIRPORT APPROACH.] The commissioner may recommend an airport approach plan for each publicly owned airport in the state and for each privately owned airport of the publicly owned class and from time to time recommend revisions of (ANY SUCH) *the* plan. (EACH SUCH) A plan shall indicate the circumstances in which structures or trees are or would be airport hazards, the airport hazard area, and what measures should be taken to eliminate airport hazards. (HE) *The commissioner* shall prescribe (MINIMUM) airport approach and turning standards for airports of various classes, and (ALL) airport zoning regulations adopted by (ANY) *a* municipality, county, or joint airport zoning board shall conform to (SUCH MINIMUM) *the* standards, *except as provided in sections 360.065 and 360.066.*

Sec. 6. Minnesota Statutes 1982, section 360.063, subdivision 6, is amended to read:

Subd. 6. [PROCEDURE WHEN ZONING BOARD FAILS TO ACT.] If (ANY) a municipality, county, or joint airport zoning board fails to adopt within a reasonable time airport zoning regulations in accordance with the provisions of sections 360.011 to 360.076, or adopts regulations or amendments which do not conform to the (MINIMUM) standard prescribed by the commissioner, (HE) *the commissioner* may, for the protection of the public safety, adopt or supplement and from time to time as may be necessary amend, supplement, or repeal (SUCH) *the* regulations for (SUCH) *the* municipality or county until airport zoning regulations provided for in sections 360.011 to 360.076, are adopted by (SUCH) *the* municipality, county, or joint airport zoning board. (HE) *The commissioner* shall have the same powers with reference to (SUCH) *the* airport zoning regulations as are granted in sections 360.011 to 360.076, to municipalities, administrative boards, and boards of adjustment. (ANY) An action of the commissioner taken under this subdivision (SHALL BE) *is* subject to review by the courts as provided in section 360.072.

Sec. 7. Minnesota Statutes 1982, section 360.065, subdivision 2, is amended to read:

Subd. 2. [REGULATIONS SUBMITTED TO COMMISSIONER.] Prior to adopting (ANY) zoning regulations for (ANY) an airport hazard area under sections 360.011 to 360.076, the municipality, county, or joint airport zoning board which is to adopt the regulations shall submit its proposed regulations to the commissioner in order that (HE) *the commissioner* may determine whether it conforms to the (MINIMUM) standards prescribed by him. (HE) *The commissioner* shall immediately examine (SUCH) *the* proposed regulations and report to the municipality, county, or joint airport zoning board his approval, or (HIS) objections, if any. If (ANY) objections are made by him on the ground that (SUCH) *the* regulations do not conform to the (MINIMUM) standards prescribed by him for the class of airport involved, the municipality, county, or joint zoning board shall make (SUCH) amendments as are necessary to meet (SUCH) *the* objections *unless it demonstrates that the social and economic costs of restricting land uses in accordance with the standards outweigh the benefits of a strict application of the standards.* The governing body of the municipality or county or the joint airport zoning board shall not adopt the regulations or take other action until the proposed regulations are approved by the commissioner (AS CONFORMING TO SUCH MINIMUM STANDARDS). *The commissioner may approve local zoning ordinances that are more stringent than the standards.* A copy of (SUCH) *the* regulations as adopted shall be filed with the county recorder in each county in which (SUCH) *the* zoned area is located.

Substantive rights existing prior to the passage of this subdivision and (HERETOFORE) *previously* exercised (SHALL) *are not* (BE) affected by the filing of (SUCH) *the* regulations.

Sec. 8. Minnesota Statutes 1982, section 360.066, subdivision 1, is amended to read:

Subdivision 1. [REASONABLENESS.] (ALL MINIMUM) Standards of the commissioner defining airport hazard areas and the categories of uses permitted (THEREIN) and (ALL) airport zoning regulations adopted under sections 360.011 to 360.076, shall be reasonable, and none shall impose (ANY) a requirement or restriction which is not reasonably necessary to effectuate the purposes of sections 360.011 to 360.076. In determining what minimum (STANDARDS AND) *airport zoning* regulations may be adopted, the commissioner and (ANY) a local airport zoning authority shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the location of the airport, the nature of the terrain within the airport hazard area, the existing land uses and character of the neighborhood around the airport, (AND) the uses to which the property to be zoned (IS PUT) *are planned and adaptable, and the social and economic costs of restricting land uses versus the benefits derived from a strict application of the standards of the commissioner.*

Sec. 9. Minnesota Statutes 1982, section 360.067, subdivision 1, is amended to read:

Subdivision 1. [PERMITS.] (1) (ANY) Airport zoning regulations adopted under sections 360.011 to 360.076, may require that a permit be obtained before (ANY) a new structure or use may be constructed or established and before (ANY) an existing use or structure may be substantially changed or substantially altered or repaired. In any event, all (SUCH) regulations shall provide that before (ANY) a nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing (SUCH) *the* replacement, change, or repair. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a nonconforming structure or tree or nonconforming use to be made or become higher or become a greater hazard to air navigation than it was when the applicable regulation was adopted or than it is when the application for a permit is made.

(2) Whenever the administrative agency determines that a nonconforming use or nonconforming structure or tree has been abandoned or more than 80 percent torn down, (DESTROYED,) deteriorated, or decayed: (a) no permit shall be granted that would allow (SAID) *the* structure or tree to exceed the applicable height limit or otherwise deviate from the zoning regulations; and (b), whether application is made for a permit under this subdivision or not, the (SAID) agency may by appropriate action compel the owner of the nonconforming structure or tree, at (HIS OWN) *the owner's* expense, to lower, remove, recon-

struct, or equip (SUCH) *the* object as may be necessary to conform to the regulations. Sec. 11. Minnesota Statutes 1982, section 398A.02, is amended to read:

## 398A.02 [PURPOSE.]

The purpose of the regional railroad authorities act is to provide a means whereby (COUNTIES) *one or more municipalities*, with state and federal aids as may be available, may provide for the preservation and improvement of local rail service for agriculture, industry, or passenger traffic when determined to be practicable and necessary for the public welfare, particularly in the case of abandonment of local rail lines.

Sec. 12. Minnesota Statutes 1982, section 398A.03, is amended to read:

## 398A.03 [ORGANIZATION OF AUTHORITY.]

Subdivision 1. [ORGANIZATION RESOLUTION.] A regional railroad authority may be organized by resolution or joint resolution adopted by the governing body or bodies of one or more counties (, PROVIDING AND STATING). *The governing body or bodies of a municipality or municipalities within a county or counties may request by resolution that the county or counties organize a railroad authority. If the county or counties do not organize an authority within 90 days of receipt of the request, the municipality or municipalities may organize an authority by resolution or joint resolution. A resolution organizing an authority must state:*

(a) That the authority is organized under the regional railroad authorities act as a political subdivision and local government unit of Minnesota, to exercise thereunder part of the sovereign power of the state;

(b) The name of the authority, including the words "regional railroad authority";

(c) The (COUNTY OR COUNTIES) *municipality or municipalities* adopting the organization resolution;

(d) The number of commissioners of the authority, not less than five; the number to be appointed by the governing body of each (COUNTY) *municipality*; and the names and addresses of the first board of commissioners;

(e) The (MUNICIPALITY) *city and county* in which the registered office of the authority is to be situated;

(f) That neither the state of Minnesota, the (COUNTY OR COUNTIES) *municipality or municipalities*, nor any other political subdivision is liable for obligations of the authority; and

(g) Any other provision for regulating the business of the authority determined by the governing body or bodies adopting the resolution.

Subd. 2. [HEARING.] Before final adoption of an organization resolution, the governing body of each (COUNTY) *municipality* named in it shall provide for a public hearing upon notice published in (THE OFFICIAL COUNTY) a newspaper of general circulation in the municipality (AND). The notice of a hearing by the governing body of a county must be mailed to the governing body of each (MUNICIPALITY) city or town in the county, except cities and towns participating in the organization, at least 30 days before the hearing. The hearing may be adjourned from time to time, to a time and place publicly announced at the hearing, or to a time and place fixed by notice published in (THE OFFICIAL COUNTY) a newspaper of general circulation in the municipality at least ten days before the adjourned session. Joint hearing sessions may be held by the governing bodies of all (COUNTIES) *municipalities* named, at any convenient public place within any of the (COUNTIES) *municipalities*. The resolution may be amended by the governing body or bodies at or after any hearing session at which the amended resolution is proposed and made available to interested citizens. It shall not become effective until adopted in identical form by the governing bodies of all (COUNTIES) *municipalities* named in the resolution.

Subd. 3. [CERTIFICATE OF INCORPORATION.] A copy of the organization resolution, certified by the recording officer of each (COUNTY) *municipality* adopting it, shall be filed with the secretary of state, who shall issue a certificate of incorporation if the resolution conforms to the requirements of this section, stating in the certificate the name of the authority and the date of its incorporation, which shall be the date of acceptance for filing. The certificate of incorporation shall be conclusive evidence of the valid organization and existence of the authority.

Subd. 4. [AMENDMENT.] The organization resolution may be amended by resolution or joint resolution of the governing bodies of all (COUNTIES) *municipalities* named in the resolution prior to amendment and the governing body of any additional (COUNTY) *municipality* named in the amendment. Each amendment shall be adopted at or after hearing upon notice as required for the organization resolution. No amendment releasing a (COUNTY) *municipality* from its obligations as a party named in the resolution shall be effective unless all covenants, agreements, mortgage liens, and other security given for bonds of the authority have been discharged and satisfied by payment or otherwise in accordance with their terms. All other amendments shall take effect upon filing with the secretary of state and issuance of an amended certificate of incorporation in the same manner as provided for the organization resolution.

Subd. 5. [BOARD OF COMMISSIONERS.] All powers granted to an authority shall be exercised by its board of commissioners. Commissioners shall be appointed and vacancies in their office shall be filled by the governing body of each (COUNTY) *municipality* named in the organization resolution, in accordance with the provisions of that resolution. The term of each commissioner shall be one year, or the remainder of the one year term for which a vacancy is filled, and until a successor is appointed. Commissioners shall receive no compensation for services but shall be reimbursed for necessary expenses incurred in the performance of their duties.

Subd. 6. [MEETINGS AND ACTIONS.] The board of commissioners shall by resolution establish the time and place or places of its regular meetings and the method and notice required for calling special meetings, all of which shall be open to the public. A majority of the commissioners being present at a meeting, any action may be taken by resolution or motion adopted by recorded vote of a majority of those present, unless a larger majority is required by bylaws adopted by the board.

Subd. 7. [OFFICERS AND EMPLOYEES.] The board of commissioners shall appoint a chairman, vice chairman, secretary, and treasurer from its members, each to serve for a term of one year and until a successor is appointed. The offices of secretary and treasurer may be combined, and deputies or assistants may be appointed for either office or the combined office, from members of the board or otherwise. The powers and duties of each office shall be determined by the board, which shall require and pay for a surety bond for each officer handling funds. The board shall provide for the keeping of a full and accurate record of all proceedings and of resolutions, regulations, and orders issued or adopted; the state auditor shall, as time and resources permit, annually audit the books of said regional railroad authority. The board may appoint an executive director and other officers, fix their compensation, and delegate to them the powers and duties, as it may determine. It may also employ, or authorize the executive director to employ, all other employees, consultants, and agents needed to perform its duties and exercise its powers. Chapter 353 shall apply to all salaried employees.

Sec. 13. Minnesota Statutes 1982, section 398A.04, subdivision 8, is amended to read:

Subd. 8. [TAXATION.] Before deciding to exercise the power to tax, the authority shall give six weeks published notice in all (COUNTIES) *municipalities* in the region. If a number of voters in the region equal to five percent of those who voted for candidates for governor at the last gubernatorial election present a petition within nine weeks of the first published notice to the secretary of state requesting that the matter be sub-

mitted to popular vote, it shall be submitted at the next general election. The question prepared shall be:

“Shall the regional rail authority have the power to impose a property tax?

Yes .....

No .....

If a majority of those voting on the question approve or if no petition is presented within the prescribed time the authority may thereafter levy a tax at any annual rate not exceeding four mills on the assessed valuation of all taxable property situated within the (COUNTY OR COUNTIES) *municipality or municipalities* named in its organization resolution. Its recording officer shall file in the office of the county auditor of each county *in which territory under the jurisdiction of the authority is located* a certified copy of the board of commissioners' resolution levying the tax, and each county auditor shall assess and extend upon the tax rolls of each *municipality named in the organization resolution* the portion of the tax that bears the same ratio to the whole amount that the assessed valuation of taxable property in that (COUNTY) *municipality* bears to the assessed value of taxable property in all (COUNTIES) *municipalities* named in the organization resolution. Collections of the tax shall be remitted by each county treasurer to the treasurer of the authority.

Sec. 14. Minnesota Statutes 1982, section 398A.04, subdivision 9, is amended to read:

Subd. 9. [MUNICIPAL AGREEMENTS.] The authority may enter into agreements with the (COUNTY OR COUNTIES) *municipality or municipalities* named in the organization agreement, or with other municipalities situated in the counties *named in the resolution*, respecting the matters referred to in section 398A.06.

Sec. 15. Minnesota Statutes 1982, section 398A.07, subdivision 2, is amended to read:

Subd. 2. [SECURITY.] Bonds may be made payable exclusively from the revenues from one or more projects, or from one or more revenue producing contracts, or from the authority's revenues generally, *including but not limited to specified taxes which the authority may levy or which a particular municipality may agree to levy for a specified purpose*, and may be additionally secured by a pledge of any grant, subsidy, or contribution from any public agency, *including but not limited to a participating municipality*, or any income or revenues from any source. They may be secured by a mortgage or deed of trust of the whole or any part of the property of the authority. They shall

be payable solely from the revenues, funds, and property pledged or mortgaged for their payment. No commissioner, officer, employee, agent, or trustee of the authority shall be liable personally on its bonds or be subject to any personal liability or accountability by reason of their issuance. Neither the state nor a county or other municipality except the authority may pledge its faith and credit or taxing power or shall be obligated in any manner for the payment of the bonds or interest on them, *except as specifically provided by agreement under section 398A.06*; but nothing herein shall affect the obligation of the state or municipality to perform any contract made by it with the authority, and when the authority's rights under a contract with the state or a municipality are pledged by the authority for the security of its bonds, the holders or a bond trustee may enforce the rights as a third party beneficiary. All bonds shall be negotiable within the meaning and for the purposes of the uniform commercial code, subject only to any registration requirement.

(a) Within the limit of appropriations available and subject to the allocation requirements of section 245.87 the commissioner shall establish a program to (MAKE GRANTS) *allocate available appropriations* to counties for the purpose of reducing according to a sliding fee schedule the costs of child care for eligible families. No later than June 1 of each odd-numbered year, each county (WISHING TO PARTICIPATE IN THE SLIDING FEE PROGRAM) shall (APPLY TO) *inform* the commissioner (FOR A GRANT) of *the number of persons estimated to be entitled to child care services, the number of persons estimated to use the program, and the expected cost for the following two state fiscal years*. No later than July 1 of that year, the commissioner shall allocate to (ALL COUNTIES THAT APPLY AND AGREE TO COMPLY WITH THE PROVISIONS OF SECTIONS 245.84 to 245.87 GRANTS IN THE AMOUNTS DETERMINED BY RULE) *each county its proportionate share of the appropriation for that and the next fiscal year, determined according to the county's report. If the appropriation is insufficient to meet the needs in all counties, the amount shall be prorated among the counties*. The commissioner shall require collection of data and periodic reports as the commissioner deems necessary to demonstrate the effectiveness of the program in preventing and reducing dependence of participants on public assistance and in providing other benefits. The commissioner shall report to the legislature no later than January 15 of each odd-numbered year of the effectiveness of the program.

(b) In addition to payments from parents, contributions to the cost of the program shall be made by (GRANTEES) *counties* as follows: 5 percent in the first (GRANT) year, and 15 percent in the second and subsequent (GRANT) years, *that the county provides services under this subdivision*.

FAMILIES HAVING PARENTS DETERMINED BY THE COMMISSIONER, ACCORDING TO CRITERIA WHICH THE COMMISSIONER SHALL ESTABLISH, TO BE UNABLE TO CARE FOR THE CHILD BECAUSE OF EMPLOYMENT, SCHOOL ATTENDANCE OR OTHER CIRCUMSTANCES ARE ELIGIBLE FOR THE SLIDING FEE PROGRAM.)

*(c) Families receiving child care services under this subdivision on July 1, 1983 are entitled to child care services under this paragraph (c). As money that is allowed or required to be used for providing child care becomes available to the county from federal, state, or local sources, the county board shall to the extent practical make child care services available to single parent families in which the parent needs child care services under this section to secure or retain employment, or to obtain the training or education necessary to secure employment, or for other circumstances, established by the commissioner, related to education, training, or employment, and, in the following order of priority:*

*(d) In setting the sliding fee schedule, the commissioner shall exclude from the amount of income used to determine eligibility*

under the income range established by the county board an amount for federal and state income and social security taxes attributable to that income level according to federal and state standardized tax tables. The total fee charged for child care to any family shall not exceed 75 percent of the income so determined to be above the maximum allowable for fully subsidized child care.

(e) In each case where the (GRANTEE) *county* charges a fee that is less than the fee set by the commissioner for the same service, the state's payment shall be limited to the difference between the fee set by the commissioner and the charge for care.

In cases where the provider of the child care service charges in excess of 125 percent of the median charge for like care arrangements in the geographic area defined by the commissioner for the purposes of ascertaining (SUCH) *the* median charge, the state's payment shall be limited to the difference between 125 percent of the median charge for like care arrangements in the geographic area and the parents' fee.

(f) *The county board shall ensure that child care services are available to county residents entitled to them under paragraph (c), that the availability of services is well-advertised, and that all recipients of and applicants for aid to families with dependent children are informed of any availability of child care services under paragraph (c). The county board may accept any gifts, grants, bequests, devises, or offers of inclusion of services as employees' fringe benefits for use in providing services under sections 1 to 8.*

It is further provided that no order establishing an experimental project as authorized by the provisions of

this section shall become effective until the following conditions have been met:

(a) The proposed comprehensive plan including estimated project costs and the proposed order establishing the waiver shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

THE PENALTY SHALL BE FIXED BY THE COMMISSIONER AS A PERCENTAGE OF THE OVEREXPENDITURE CAUSED BY IMPROPER ADMINISTRATION, BEYOND AN INITIAL TOLERATED AMOUNT OF OVEREXPENDITURE. REIMBURSEMENT OTHERWISE DUE THE COUNTY) *Allocate federal fiscal disallowances or sanctions which are based on quality control error rates for the aid to families with dependent children, medical assistance, or food stamp program in the following manner:*

(a) *One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs and shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for that program. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.*

(b) *Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more counties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).*

Sec. 4. Minnesota Statutes 1982, section 256.045, subdivision 3, is amended to read:

Subd. 3. [STATE AGENCY HEARINGS.] In counties in which the commissioner of welfare has not appointed a local welfare referee, any person applying for or receiving any of the forms of public assistance described in subdivision 2 whose application for assistance is denied, not acted upon with reasonable promptness, or whose assistance is suspended, reduced, or terminated by a local agency, or any patient or relative aggrieved by an order of the commissioner under section 252.27, may contest that action or decision before the state agency by submitting a written request for a hearing to the state agency within 30 days after receiving written notice of the action or decision, or within 90 days of such written notice if the applicant (OR), recipient, patient or relative shows good cause why the request was not submitted within the 30 day time limit. A local agency (OR), applicant (OR), recipient, patient or relative aggrieved by a ruling of a local welfare referee may appeal the ruling to the state agency by filing a notice of appeal with the state agency within 30 days after receiving the ruling of the local welfare referee. A state welfare referee shall conduct a hearing on the matter and shall recommend an order to the commissioner of public welfare. In appeals from rulings of local welfare ref-

*Subdivision 1. [IN GENERAL.] For the biennium ending June 30, (1983) 1985, the annual increase in the cost per service unit paid to any vendor under medical assistance and general assistance medical care shall not exceed (EIGHT) five percent (. THE PERIOD FOR MEASURING GROWTH SHALL BE THE STATE FISCAL YEAR.), except that the five percent annual increase limitation applied to vendors under this subdivision does not apply to nursing homes licensed under chapter 144A or boarding care homes licensed under sections 144.50 to 144.56. The estimated acquisition cost of prescription drug ingredients is not subject to the five percent increase limit, any general state payment reduction, or cost limitation described in this section, except as required under federal law or regulation. For vendors enrolled in the general assistance medical care program, the annual increase in cost per service unit allowable during state fiscal year 1984 shall not exceed five percent. The basis for measuring growth shall be the cost per service unit that would have been reimbursable in state fiscal year 1983 if payments had not been rateably reduced and if payments had been based on the 50th percentile of usual and customary billings for medical assistance in 1978. The increase in cost per service unit allowable for vendors in the general assistance medical care program during state fiscal year 1985 shall not exceed five percent. The basis for measuring growth shall be state fiscal year 1984.*

Sec. 7. Minnesota Statutes 1982, section 256.967, is amended to read:

**256.967 [MEDICAL CARE PAYMENTS; LIMITATIONS ON FEES.]**

*For the biennium ending June 30, 1985, all payments for vendors of medical care under general assistance medical care shall be based upon this standard: the 50th percentile of usual and customary fees based upon medical assistance billings during calendar year 1978. All payments for vendors of medical care*

under medical assistance shall be limited to the 50th percentile of usual and customary fees based upon billings during calendar year 1979 for physician services, dental care, vision care, podiatric services, chiropractic care, physical therapy, occupational therapy, speech pathologists, audiologists, mental health centers, psychologists, public health clinics, and independent laboratory and x-ray services.

Sec. 8. Minnesota Statutes 1982, section 256.968, is amended to read:

**256.968 [LIMITATION ON INPATIENT CHEMICAL DEPENDENCY TREATMENT.]**

The commissioner of public welfare shall limit medical assistance and general assistance medical care reimbursement for treatment of alcoholism, chemical dependency or drug addiction which is rendered in a licensed hospital or certified nursing home to (10) 30 days unless need for extended care is certified by the attending physician and has received prior approval from the commissioner.

**Sec. 9. [256.969] [INPATIENT HOSPITALS.]**

*Subdivision 1. [ANNUAL COST INDEX.] The commissioner of public welfare shall develop a prospective payment system for inpatient hospital service under the medical assistance and general assistance medical care programs. Rates paid to licensed hospitals for rate years beginning during the fiscal biennium ending June 30, 1985, shall not exceed an annual hospital cost index for the final rate allowed to the hospital for the preceding year not to exceed five percent in any event. The annual hospital cost index shall be obtained from an independent source representing a statewide average of inflation estimates determined for expense categories to include salaries, employee benefits, medical fees, raw food, medical supplies, pharmaceuticals, utilities, repairs and maintenance, insurance other than malpractice insurance, and other applicable expenses as determined by the commissioner. The index shall reflect the regional differences within the state and include a one percent increase to reflect changes in technology. The annual hospital cost index shall be published 30 days before the start of each calendar quarter and shall be applicable to all hospitals whose fiscal years start on or during the calendar quarter.*

*Subd. 2. [RATES FOR INPATIENT HOSPITALS.] Rates paid to inpatient hospitals shall be based on a rate per admission.*

*Subd. 3. [SPECIAL CONSIDERATIONS.] In determining the rate, the commissioner of public welfare will take into consideration whether the following circumstances exist:*

- (a) *minimal medical assistance and general assistance medical care utilization;*
- (b) *unusual length of stay experience; and*
- (c) *disproportionate numbers of low income patients served.*

*Subd. 4. [APPEALS BOARD.] An appeals board shall be established for purposes of hearing reports for changes in the rate per admission. The appeals board shall consist of two public representatives, two representatives of the hospital industry, and one representative of the business or consumer community. The appeals board shall advise the commissioner on adjustments to hospital rates under this section.*

*Subd. 5. [APPEAL RIGHTS.] Nothing in this section supersedes the contested case provisions of chapter 14, the Administrative Procedure Act.*

*Subd. 6. [RULES.] The commissioner of public welfare shall promulgate temporary and permanent rules to implement a system of prospective payment for inpatient hospital services pursuant to chapter 14, the Administrative Procedure Act.*

Sec. 10. Minnesota Statutes 1982, section 256B.02, subdivision 8, is amended to read:

Subd. 8. "Medical assistance" or "medical care" means payment of part or all of the cost of the following care and services for eligible individuals whose income and resources are insufficient to meet all of such cost:

(1) Inpatient hospital services. *A second medical opinion is required prior to reimbursement for elective surgeries. The commissioner shall publish in the State Register a proposed list of elective surgeries that require a second medical opinion prior to reimbursement. The list is not subject to the requirements of sections 14.01 to 14.70. The commissioner's decision whether a second medical opinion is required, made in accordance with rules governing that decision, is not subject to administrative appeal.*

(2) Skilled nursing home services and services of intermediate care facilities.

(3) Physicians' services.

(4) Outpatient hospital or *nonprofit community health clinic services or physician-directed clinic services. The physician-directed clinic staff shall include at least two physicians, one of whom is on the premises whenever the clinic is open, and all services shall be provided under the direct supervision of the physi-*

cian who is on the premises. Hospital outpatient departments are subject to the same limitations and reimbursements as other enrolled vendors for all services, except initial triage, emergency services, and services not provided or immediately available in clinics, physicians' offices, or by other enrolled providers. "Emergency services" means those medical services required for the immediate diagnosis and treatment of medical conditions that, if not immediately diagnosed and treated, could lead to serious physical or mental disability or death or are necessary to alleviate severe pain. Neither the hospital, its employees, nor any physician or dentist, shall be liable in any action arising out of a determination not to render emergency services or care if reasonable care is exercised in determining the condition of the person, or in determining the appropriateness of the facilities, or the qualifications and availability of personnel to render these services consistent with this section.

(5) *Community mental health center services, as defined in rules adopted by the commissioner pursuant to section 256B.04, subdivision 2, and provided by a community mental health center as defined in section 245.62, subdivision 2.*

((5)) (6) Home health care services.

((6)) (7) Private duty nursing services.

((7)) (8) Physical therapy and related services.

((8)) (9) Dental services, excluding cast metal restorations.

((9)) (10) Laboratory and x-ray services.

((10)) (11) The following if prescribed by a licensed practitioner: drugs, eyeglasses, dentures, and prosthetic devices. The commissioner shall designate a formulary committee which shall advise the commissioner on the names of drugs for which payment shall be made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of public welfare, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of public welfare, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two year terms and shall serve without compensation. The commissioner may establish a drug formu-

lary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. *Prior authorization may be required by the commissioner, with the consent of the drug formulary committee, before certain formulary drugs are eligible for payment.* The formulary shall not include: drugs or products for which there is no federal funding; over the counter drugs, except for antiacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; or any other over the counter drug identified by the commissioner, in consultation with the appropriate professional consultants under contract with or employed by the state agency, as necessary, appropriate and cost effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14, the Administrative Procedure Act; nutritional products, except for those products needed for treatment of phenylketonuria, hyperlysinemia, maple syrup urine disease, a combined allergy to human milk, cow milk, and soy formula, or any other childhood or adult diseases, conditions, or disorders identified by the commissioner as requiring a similarly necessary nutritional product; anorectics; and drugs for which medical value has not been established. Separate payment shall not be made for nutritional products for residents of long term care facilities; payment for dietary requirements is a component of the per diem rate paid to these facilities. Payment to drug vendors shall not be modified before the formulary is established except that the commissioner shall not permit payment for any drugs which may not by law be included in the formulary, and his determination shall not be subject to chapter 14, the Administrative Procedure Act. The commissioner (MAY PROMULGATE) shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

The basis for determining the amount of payment shall be the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. Establishment of this fee shall not be subject to the requirements of the administrative procedure act. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

Notwithstanding the above provisions, implementation of any change in the fixed dispensing fee which has not been subject to the administrative procedure act shall be limited to not more than 180 days, unless, during that time, the commissioner shall have initiated rulemaking through the administrative procedure act.

(11) (12) Diagnostic, screening, and preventive services.

(12) (13) Health care pre-payment plan premiums and insurance premiums if paid directly to a vendor and supplementary medical insurance benefits under Title XVIII of the Social Security Act.

(a) The abortion is a medical necessity. "Medical necessity" means (1) the signed written statement of two physicians indicating the abortion is medically necessary to prevent the death of the mother, and (2) the patient has given her consent to the abortion in writing unless the patient is physically or legally incapable of providing informed consent to the procedure, in which case consent will be given as otherwise provided by law;

(b) The pregnancy is the result of criminal sexual conduct as defined in section 609.342, clauses (c), (d), (e)(i), and (f), and the incident is reported within 48 hours after the incident occurs to a valid law enforcement agency for investigation, unless the victim is physically unable to report the criminal sexual conduct, in which case the report shall be made within 48 hours after the victim becomes physically able to report the criminal sexual conduct; or

(c) The pregnancy is the result of incest, but only if the incident and relative are reported to a valid law enforcement agency for investigation prior to the abortion.

(14) (15) Transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by non-ambulatory persons in obtaining emergency or non-emergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this clause, a person who is incapable of transport by taxicab or bus shall be considered to be non-ambulatory.

(15) (16) To the extent authorized by rule of the state agency, costs of bus or taxicab transportation incurred by any ambulatory eligible person for obtaining non-emergency medical care.

(16) (17) *Personal care attendant services provided by an individual, not a relative, who is qualified to provide the services, where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a registered nurse. Payments to personal care attendants shall be adjusted annually to reflect changes in the cost of living or of providing services by the average annual adjustment granted to vendors such as nursing homes and home health agencies.*

((16)) (18) Any other medical or remedial care licensed and recognized under state law unless otherwise prohibited by law.

(a) hospital beds;

(b) commodes;

(c) glide-about chairs;

(d) patient lift apparatus;

(e) wheelchairs and accessories;

(f) oxygen administration equipment;

(g) respiratory therapy equipment; and

(h) electronic diagnostic, therapeutic and life support systems.

Sec. 12. Minnesota Statutes 1982, section 256B.04, is amended by adding a subdivision to read:

*Subd. 16. [UTILIZATION REVIEW.] Establish on a statewide basis a new program to safeguard against unnecessary or inappropriate use of medical assistance services, against excess payments, against unnecessary or inappropriate hospital admissions or lengths of stay, and against underutilization of services in pre-paid health plans, long term care facilities or any health care delivery system subject to fixed rate reimbursement. In implementing the program, the state agency shall utilize both*

*pre-payment and post-payment review systems to determine if utilization is reasonable and necessary. The determination of whether services are reasonable and necessary shall be made by the commissioner in consultation with a professional services advisory group appointed by the commissioner. An aggrieved party may appeal the commissioner's determination pursuant to the contested case procedures of chapter 14.*

Sec. 13. Minnesota Statutes 1982, section 256B.041, subdivision 2, is amended to read:

Subd. 2. [ACCOUNT.] An account is established in the state treasury from which medical assistance payments to vendors shall be made. Into (SUCH) *this* account there shall be deposited federal funds, state funds, *county funds*, and other moneys which are available and which may be paid to the state agency for medical assistance payments and reimbursements from counties or others for their share of such payments.

Sec. 14. Minnesota Statutes 1982, section 256B.041, subdivision 5, is amended to read:

Subd. 5. [PAYMENT BY COUNTY TO STATE TREASURER.] If required by federal law or rules promulgated thereunder, or by authorized regulation of the state agency, each county shall pay to the state treasurer the portion of medical assistance paid by the state for which it is responsible. The county's share of cost shall be ten percent of that portion not met by federal funds.

*The county shall advance its portion of medical assistance costs, based upon estimates submitted by the state agency to the county agency, stating the estimated expenditures for the succeeding month. Upon the direction of the county agency, payment shall be made monthly by the county to the state for the estimated expenditures for each month. Adjustment of any overestimate or underestimate based on actual expenditures shall be made by the state agency by adjusting the estimate for any succeeding month.*

Sec. 15. Minnesota Statutes 1982, section 256B.06, subdivision 1, is amended to read:

Subdivision 1. Medical assistance may be paid for any person:

(1) Who is a child eligible for or receiving adoption assistance payments under Title IV-E of the Social Security Act, 42 U.S.C. Sections 670 to 676; or

(2) Who is a child eligible for or receiving foster care maintenance payments under Title IV-E of the Social Security Act, 42 U.S.C. Sections 670 to 676; or

(1) Who is a child eligible for or receiving adoption assistance payments under Title IV-E of the Social Security Act, (42 U.S.C. SECTIONS 670 TO 676) *United States Code, title 42, sections 670 to 676*; or

(2) Who is a child eligible for or receiving foster care maintenance payments under Title IV-E of the Social Security Act, (42 U.S.C. SECTIONS 670 TO 676) *United States Code, title 42, sections 670 to 676*; or

(3) Who is eligible for or receiving public assistance, or a woman who is pregnant, as medically verified, and who would be eligible for assistance under the aid to families with dependent children program if the child had been born and living with the woman; or

(4) Who (IS ELIGIBLE FOR OR RECEIVING) *meets the categorical eligibility requirements of the supplemental security income (FOR THE AGED, BLIND AND DISABLED) program and the other eligibility requirements of this section*; or

(5) Who except for the amount of income or resources would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children and is in need of medical assistance; or

(6) Who is under 21 years of age and in need of medical care that neither he nor his relatives responsible under sections 256B.01 to 256B.26 are financially able to provide; or

(7) Who is residing in a hospital for treatment of mental disease or tuberculosis and is 65 years of age or older and without means sufficient to pay the per capita hospital charge; and

(8) Who resides in Minnesota, or, if absent from the state, is deemed to be a resident of Minnesota in accordance with the regulations of the state agency; and

(9) Who alone, or together with his spouse, does not own real property other than the homestead. For the purposes of this section, "homestead" means the house owned and occupied by the applicant as his dwelling place, together with the land upon which it is situated, and an area no greater than two contiguous lots in a platted or laid out city or town or 80 contiguous acres in unplatted land. Occupancy or exemption shall be determined as provided in chapter 510 and applicable law, including continuing exemption by filing notice under section 510.07. Real estate not used as a home may not be retained unless it produces net income

applicable to the family's needs or the family is making a continuing effort to sell it at a fair and reasonable price or unless sale of the real estate would net an insignificant amount of income applicable to the family's needs, or unless the commissioner determines that sale of the real estate would cause undue hardship; and

(10) Who individually does not own more than (\$2,000) \$3,000 in cash or liquid assets, or if a member of a household with two family members (husband and wife, or parent and child), does not own more than (\$4,000) \$6,000 in cash or liquid assets, plus \$200 for each additional legal dependent. *Cash and liquid assets may include a prepaid funeral contract and insurance policies with cash surrender value.* The value of the following shall not be included:

(a) the homestead, and (b) one motor vehicle licensed pursuant to chapter 168 and defined as: (1) passenger automobile, (2) station wagon, (3) motorcycle, (4) motorized bicycle or (5) truck of the weight found in categories A to E, of section 168.013, subdivision 1e; and

(11) Who has or anticipates receiving an annual income not in excess of \$2,600 for a single person, or \$3,250 for two family members (husband and wife, parent and child, or two siblings), plus \$625 for each additional legal dependent, or who has income in excess of these maxima and in the month of application, or during the three months prior to the month of application, incurs expenses for medical care that total more than one-half of the annual excess income in accordance with the regulations of the state agency. In computing income to determine eligibility of persons who are not residents of long term care facilities, the commissioner shall disregard increases in income (OF SOCIAL SECURITY OR SUPPLEMENTARY SECURITY INCOME RECIPIENTS DUE SOLELY TO INCREASES REQUIRED BY SECTIONS 215(1) AND 1617 OF THE SOCIAL SECURITY ACT, AND SHALL DISREGARD INCOME OF DISABLED PERSONS THAT IS ALSO DISREGARDED IN DETERMINING ELIGIBILITY FOR SUPPLEMENTAL AID UNDER SECTION 256D.37, SUBDIVISION 1,) *due solely to increases in federal retiree, survivor's, and disability insurance benefits, veterans administration benefits, and railroad retirement benefits in the percentage amount established in the biennial appropriations law unless prohibited by federal law or regulation.* If prohibited, the commissioner shall first seek a waiver. In excess income cases, eligibility shall be limited to a period of six months beginning with the first of the month in which these medical obligations are first incurred; and

(12) Who has continuing monthly expenses for medical care that are more than the amount of his excess income, computed on a monthly basis, in which case eligibility may be established be-

fore the total income obligation referred to in the preceding paragraph is incurred, and medical assistance payments may be made to cover the monthly unmet medical need. In licensed nursing home and state hospital cases, income over and above that required for justified needs, determined pursuant to a schedule of contributions established by the commissioner of public welfare, is to be applied to the cost of institutional care. The commissioner of public welfare may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care and shall seek a waiver from federal regulations which establish the amount required to be contributed by either spouse when one spouse is a nursing home resident; and

(13) Who has applied or agrees to apply all proceeds received or receivable by him or his spouse from automobile accident coverage and private health care coverage to the costs of medical care for himself, his spouse, and children. The state agency may require from any applicant or recipient of medical assistance the assignment of any rights accruing under private health care coverage. Any rights or amounts so assigned shall be applied against the cost of medical care paid for under this chapter. Any assignment shall not be effective as to benefits paid or provided under automobile accident coverage and private health care coverage prior to receipt of the assignment by the person or organization providing the benefits.

Sec. 16. Minnesota Statutes 1982, section 256B.061, is amended to read:

256B.061 [ELIGIBILITY.]

If any individual has been determined to be eligible for medical assistance, it will be made available to him for care and services included under the plan and furnished in or after the third month before the month in which he made application for such assistance, if such individual was, or upon application would have been, eligible for medical assistance at the time the care and services were furnished. *The commissioner may limit, restrict, or suspend the eligibility of an individual for up to one year upon that individual's conviction of a criminal offense related to his application for or receipt of medical assistance benefits.*

Sec. 17. Minnesota Statutes 1982, section 256B.064, subdivision 1a, is amended to read:

Subd. 1a. [GROUNDS FOR MONETARY RECOVERY AND SANCTIONS AGAINST VENDORS.] The commissioner may seek monetary recovery and impose sanctions against vendors of medical care for any of the following: fraud, theft, or abuse in connection with the provision of medical care to recipients of public assistance; a pattern of presentment of false

or duplicate claims or claims for services not medically necessary; a pattern of making false statements of material facts for the purpose of obtaining greater compensation than that to which the vendor is legally entitled; suspension or termination as a Medicare vendor; and refusal to grant the state agency access during regular business hours to examine all records necessary to disclose the extent of services provided to program recipients. No sanction may be imposed or monetary recovery obtained against any vendor of nursing home or convalescent care for providing services not medically necessary when the services provided were ordered by a licensed health professional not an employee of the vendor. The determination of (ABUSE OR) services not medically necessary shall be made by the commissioner in consultation with a (REVIEW ORGANIZATION AS DEFINED IN SECTION 145.61 OR OTHER) provider advisory (COMMITTEES AS) *committee* appointed by the commissioner on the recommendation of appropriate professional organizations.

Sec. 18. Minnesota Statutes 1982, section 256B.07, is amended to read:

256B.07 [EXCEPTIONS IN DETERMINING RESOURCES.]

A local agency may, within the scope of regulations set by the commissioner of public welfare, waive the requirement of liquidation of excess assets when the liquidation would cause undue hardship. Household goods and furniture in use in the home, wearing apparel, (INSURANCE POLICIES WITH CASH SURRENDER VALUE NOT IN EXCESS OF \$1,500 PER INSURED PERSON,) and personal property used as a regular abode by the applicant or recipient (, A PREPAID FUNERAL CONTRACT NOT IN EXCESS OF \$750 PER PERSON PLUS ACCRUED INTEREST OF NOT MORE THAN \$200,) and a lot in a burial plot shall not be considered as resources available to meet medical needs.

Sec. 19. Minnesota Statutes 1982, section 256B.14, subdivision 2, is amended to read:

Subd. 2. [ACTIONS TO OBTAIN PAYMENT.] The state agency shall promulgate rules to determine the ability of responsible relatives to contribute partial or complete repayment of medical assistance furnished to recipients for whom they are responsible. *In determining the resource contribution of a spouse at the time of the first medical assistance application, all medical assistance exclusions shall be allowed, and a resource limit of \$10,000 for nonexcluded resources shall be implemented. Above these limits, a contribution of one-third of the excess resources shall be required.* These rules shall not require repayment when payment would cause undue hardship to the responsible relative or his or her immediate family. The county agency shall give the

responsible relative notice of the amount of the repayment. If the state agency or county agency finds that notice of the payment obligation was given to the responsible relative, but that the relative failed or refused to pay, a cause of action exists against the responsible relative for that portion of medical assistance granted after notice was given to the responsible relative, which the relative was determined to be able to pay.

The action may be brought by the state agency or the county agency in the county where assistance was granted, for the assistance, together with the costs of disbursements incurred due to the action.

In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing contributions by a responsible relative found able to repay the county or state agency. The order shall be effective only for the period of time during which the recipient receives medical assistance from the county or state agency.

Sec. 20. Minnesota Statutes 1982, section 256B.17, subdivision 4, is amended to read:

Subd. 4. [PERIOD OF INELIGIBILITY.] (IN ANY CASE WHERE THE UNCOMPENSATED VALUE OF TRANSFERRED RESOURCES EXCEEDS \$12,000, THE COMMISSIONER SHALL REQUIRE A PERIOD OF INELIGIBILITY WHICH EXCEEDS 24 MONTHS, PROVIDED THAT THE PERIOD OF INELIGIBILITY BEARS A REASONABLE RELATIONSHIP TO THE EXCESS UNCOMPENSATED VALUE OF THE TRANSFERRED ASSET) *For any uncompensated transfer, the period of ineligibility shall be calculated by dividing the transferred amount by the statewide average monthly skilled nursing facility per diem for the previous calendar year to determine the number of months of ineligibility. The individual shall remain ineligible until this fixed ineligibility period has expired, subject to the exclusions contained in section 15.*

Sec. 21. Minnesota Statutes 1982, section 256B.17, is amended by adding a subdivision to read:

Subd. 5. [EXCLUSIONS FOR HOMESTEAD TRANSFERS.] *Notwithstanding subdivision 4, an individual shall not be ineligible if the transferred property is a homestead as defined by section 256B.06, subdivision 1, and one of the following conditions applies:*

(1) *a satisfactory showing is made that the individual can reasonably be expected to return to the homestead as a permanent residence;*

(2) title to the home was transferred to the individual's spouse, child who is under age 21, or blind or permanently and totally disabled child as defined in the supplemental security income program;

(3) a satisfactory showing is made that the individual intended to dispose of the home at fair market value or for other valuable consideration; or

(4) the local agency determines that denial of eligibility would cause undue hardship for the individual, based on imminent threat to the individual's health and well-being.

Sec. 22. Minnesota Statutes 1982, section 256B.17, is amended by adding a subdivision to read:

*Subd. 6. [EXCEPTION FOR ASSET TRANSFERS.] Notwithstanding the provisions of subdivisions 1 through 5, an institutionalized spouse who applies for medical assistance on or after July 1, 1983, may transfer liquid assets to his or her noninstitutionalized spouse without loss of eligibility if all of the following conditions apply:*

(a) *The noninstitutionalized spouse is not applying for or receiving assistance;*

(b) *The noninstitutionalized spouse has less than \$10,000 in liquid assets, including assets singly owned and 50 percent of assets owned jointly with the institutionalized spouse;*

(c) *The amount transferred, together with the noninstitutionalized spouse's own assets, totals no more than \$10,000 in liquid assets; and*

(d) *The transfer may be effected only once, at the time of initial medical assistance application.*

Sec. 23. Minnesota Statutes 1982, section 256B.17, is amended by adding a subdivision to read:

*Subd. 7. [CONFORMANCE WITH FEDERAL LAW.] Notwithstanding the other provisions of this section, uncompensated property transfers shall be treated no more restrictively than allowed by federal law.*

Sec. 24. Minnesota Statutes 1982, section 256B.17, is amended by adding a subdivision to read:

*Subd. 8. [EFFECTIVE DATE.] Subdivisions 5, 6, and 7, and the changes in subdivision 4 made by section 20 apply to transfers made on or after the effective date of sections 20 to*

*23, regardless of the individual's status in relation to eligibility for medical assistance.*

Sec. 25. Minnesota Statutes 1982, section 256B.27, subdivision 3, is amended to read:

Subd. 3. The commissioner of public welfare, with the written consent of the recipient, *on file with the local welfare agency*, shall be allowed access to all personal medical records of medical assistance recipients solely for the purposes of investigating whether or not: (a) a vendor of medical care has submitted a claim for reimbursement, a cost report or a rate application which the vendor knows to be false in whole or in part; or (b) the medical care was medically necessary. The vendor of medical care shall receive notification from the commissioner at least 24 hours before the commissioner gains access to such records. The determination of (ABUSE OR) provision of services not medically necessary shall be made by the commissioner in consultation with (A REVIEW ORGANIZATION AS DEFINED IN SECTION 145.61 OR OTHER) *an advisory (COMMITTEES) committee* of vendors as appointed by the commissioner on the recommendation of appropriate professional organizations. Notwithstanding any other law to the contrary, a vendor of medical care shall not be subject to any civil or criminal liability for providing access to medical records to the commissioner of public welfare pursuant to this section.

Sec. 26. Minnesota Statutes 1982, section 256B.27, subdivision 4, is amended to read:

Subd. 4. [AUTHORIZATION OF COMMISSIONER TO EXAMINE RECORDS.] (NO) A person (SHALL) *determined to be eligible for medical assistance (UNLESS HE HAS) shall be deemed to have* authorized the commissioner of public welfare in writing to examine all personal medical records developed while receiving medical assistance for the purpose of investigating whether or not a vendor has submitted a claim for reimbursement, a cost report or a rate application which the vendor knows to be false in whole or in part, or in order to determine whether or not the medical care provided was medically necessary. (A VENDOR OF MEDICAL CARE SHALL REQUIRE PRESENTATION OF THIS WRITTEN AUTHORIZATION BEFORE THE STATE AGENCY CAN OBTAIN ACCESS TO THE RECORDS UNLESS THE VENDOR ALREADY HAS RECEIVED WRITTEN AUTHORIZATION.)

Sec. 27. [256B.70] [PREPAYMENT DEMONSTRATION PROJECT.]

*Subdivision 1. [PURPOSE.] The commissioner of public welfare shall establish a medical assistance demonstration project to determine whether prepayment combined with better man-*

agement of health care services is an effective mechanism to ensure that all eligible individuals receive necessary health care in a coordinated fashion while containing costs. For the purposes of this project, waiver of certain statutory provisions is necessary in accordance with this section.

*Subd. 2. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.*

(a) *"Commissioner" means the commissioner of public welfare. For the remainder of this section, the commissioner's responsibilities for methods and policies for implementing the project will be proposed by the project advisory committees and approved by the commissioner.*

(b) *"Demonstration provider" means an individual, agency, organization, or group of these entities that participates in the demonstration project according to criteria, standards, methods, and other requirements established for the project and approved by the commissioner.*

(c) *"Eligible individuals" means those persons eligible for medical assistance benefits as defined in section 256B.06.*

(d) *"Limitation of choice" means suspending freedom of choice while allowing eligible individuals to choose among the demonstration providers.*

*Subd. 3. [GEOGRAPHIC AREA.] The commissioner shall designate the geographic areas in which eligible individuals may be included in the demonstration project. The geographic areas shall include one urban, one suburban, and at least one rural county. In order to encourage the participation of long-term care providers, the project area may be expanded beyond the designated counties for eligible individuals over age 65.*

*Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6. Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner.*

*Subd. 5. [PROSPECTIVE PER CAPITA PAYMENT.] The project advisory committees with the commissioner shall establish the method and amount of payments for services. The commissioner shall annually contract with demonstration pro-*

viders to provide services consistent with these established methods and amounts for payment. Notwithstanding section 62D.02, subdivision 1, payments for services rendered as part of the project may be made to providers that are not licensed health maintenance organizations on a risk-based, prepaid capitation basis.

If allowed by the commissioner, a demonstration provider may contract with an insurer, health care provider, nonprofit health service plan corporation, or the commissioner, to provide insurance or similar protection against the cost of care provided by the demonstration provider or to provide coverage against the risks incurred by demonstration providers under this section. The recipients enrolled with a demonstration provider are a permissible group under group insurance laws and chapter 62C, the Nonprofit Health Service Plan Corporations Act. Under this type of contract, the insurer or corporation may make benefit payments to a demonstration provider for services rendered or to be rendered to a recipient. Any insurer or nonprofit health service plan corporation licensed to do business in this state is authorized to provide this insurance or similar protection.

Payments to providers participating in the project are exempt from the requirements of sections 256.966 and 256B.03, subdivision 2. The commissioner shall complete development of capitation rates for payments before delivery of services under this section is begun.

Subd. 6. [SERVICE DELIVERY.] Each demonstration provider shall be responsible for the health care coordination for eligible individuals. Demonstration providers:

(a) Shall authorize and arrange for the provision of all needed health services including but not limited to the full range of services listed in section 256B.02, subdivision 8, in order to ensure appropriate health care is delivered to enrollees;

(b) Shall accept the prospective, per capita payment from the commissioner in return for the provision of comprehensive and coordinated health care services for eligible individuals enrolled in the program;

(c) May contract with other health care and social service practitioners to provide services to enrollees; and

(d) Shall institute recipient grievance procedures according to the method established by the project, utilizing applicable requirements of chapter 62D. Disputes not resolved through this process shall be appealable to the commissioner as provided in subdivision 11.

*Subd. 7. [ENROLLEE BENEFITS.] All eligible individuals enrolled by demonstration providers shall receive all needed health care services as defined in subdivision 6.*

*All enrolled individuals have the right to appeal if necessary services are not being authorized as defined in subdivision 11.*

*Subd. 8. [PREADMISSION SCREENING WAIVER.] Except as applicable to the project's operation, the provisions of section 256B.091 are waived for the purposes of this section for recipients enrolled with demonstration providers.*

*Subd. 9. [REPORTING.] Each demonstration provider shall submit information as required by the commissioner, including data required for assessing client satisfaction, quality of care, cost, and utilization of services for purposes of project evaluation. Required information shall be specified before the commissioner contracts with a demonstration provider.*

*Subd. 10. [INFORMATION.] Notwithstanding any law or rule to the contrary, the commissioner may allow disclosure of the recipient's identity solely for the purposes of (a) allowing demonstration providers to provide the information to the recipient regarding services, access to services, and other provider characteristics, and (b) facilitating monitoring of recipient satisfaction and quality of care. The commissioner shall develop and implement measures to protect recipients from invasions of privacy and from harassment.*

*Subd. 11. [APPEALS.] A recipient may appeal to the commissioner a demonstration provider's delay or refusal to provide services. The commissioner shall appoint a panel of health practitioners, including social service practitioners, as necessary to determine the necessity of services provided or refused to a recipient. The deliberations and decisions of the panel replace the administrative review process otherwise available under chapter 256B. The panel shall follow the time requirements and other provisions of the Code of Federal Regulations, title 42, sections 431.200 to 431.246. The time requirements shall be expedited based on request by the individual who is appealing for emergency services. If a service is determined to be necessary and is included among the benefits for which a recipient is enrolled, the service must be provided by the demonstration provider as specified in subdivision 5. The panel's decision is a final agency action that may be appealed under the contested case provisions of chapter 14.*

**Sec. 28. [256B.71] [DEMONSTRATION PROJECT WAIVER.]**

*Each hospital that participates as a provider in a demonstration project, established by the commissioner of public welfare*

*to deliver medical assistance services on a prepaid, capitation basis, is exempt from the prospective payment system for in-patient hospital service during the period of its participation in that project.*

Sec. 29. Minnesota Statutes 1982, section 256D.03, subdivision 3, is amended to read:

Sec. 3. Minnesota Statutes 1982, section 256D.01, subdivision 1, is amended to read:

Subdivision 1. [POLICY; STANDARDS OF ASSISTANCE.] The objectives of sections 256D.01 to 256D.21 are to provide a sound administrative structure for public assistance programs; to maximize the use of federal (FUNDS) *money* for public assistance purposes; and to provide an integrated public assistance program for (THOSE) *all* persons in the state (MEETING THE ELIGIBILITY CRITERIA CONTAINED IN THIS CHAPTER) *without adequate income or resources to maintain a subsistence reasonably compatible with decency and health.*

It is (HEREBY) declared to be the policy of this state that persons unable to provide for themselves and not otherwise provided for by law and who meet the eligibility requirements of sections 256D.01 to 256D.21 (SHALL BE) *are* entitled to receive (SUCH) grants of general assistance (, WITHIN THE TIME LIMITS SET FORTH IN THIS CHAPTER AS MAY BE) necessary to maintain a subsistence reasonably compatible with decency and health. (THE FURNISHING OF SUCH) *Providing this* assistance (AND SERVICES) is a matter of public concern and a necessity in promoting the public health and welfare.

A principal objective in providing general assistance (SHALL BE) *is* to provide for persons ineligible for federal programs who are unable to provide for themselves. To achieve these aims, the commissioner shall establish minimum standards of assistance for general assistance. The minimum standard (FOR CASH PAYMENTS TO RECIPIENTS SHALL BE: AS TO SHELTER AND UTILITIES, 100 PERCENT OF THE ACTUAL NEED OR STATE STANDARDS THEREFOR, SUBJECT TO THE MAXIMUM ESTABLISHED FOR SHELTER IN THE AID TO THE BLIND, AID TO THE DISABLED, AND OLD AGE ASSISTANCE PROGRAMS IN DECEMBER, 1973; AND AS TO OTHER BUDGETARY ITEMS, 50 PERCENT, OF THOSE ESTABLISHED FOR SAID ITEMS IN THE AID TO THE BLIND, AID TO THE DISABLED, AND OLD AGE ASSISTANCE PROGRAMS IN DECEMBER, 1973) *of assistance determines the total amount of the general assistance grant without separate standards for shelter, utilities, or other needs and shall not be less than the combined total of the minimum standards of assistance for shelter and basic needs in effect on February 1, 1983. The standards of assistance shall not be lower for a recipient sharing a residence with another person unless that person is a responsible relative of the recipient who is also eligible for general assistance.* The minimum standards of assistance shall authorize the payment of rates negotiated by local agencies for recipients living in a room and board arrangement. In order to maximize the use of federal funds, the commissioner shall (PROMULGATE REGULATIONS) *adopt rules, to the extent permitted by federal law for eligibility for the emergency assistance program under aid to families with dependent children, and under the terms of sections 256D.01 to 256D.21 for general assistance, to require (THE) use of the emergency program under aid to families with*

dependent children as the primary financial resource when available. The commissioner shall provide by (REGULATION) *rule* for (THE) eligibility for general assistance of persons with seasonal income, and may attribute seasonal income to other periods not in excess of one year from receipt by an applicant or recipient.

Sec. 2. Minnesota Statutes 1982, section 252.28, is amended to read:

252.28 [COMMISSIONER OF PUBLIC WELFARE; DUTIES.]

Subdivision 1. [DETERMINATIONS; BIENNIAL REDETERMINATIONS.] The commissioner of public welfare (MAY) shall determine, and shall redetermine biennially, the need, location, size, and program of public and private residential and day care facilities and services for mentally retarded children and adults.

Subd. 2. [RULES; PROGRAM STANDARDS; LICENSES.] The commissioner of public welfare shall:

(1) Establish uniform rules, regulations and program standards for each type of residential and day facility or service for (MORE THAN FOUR) *mentally* retarded persons, including state institutions under control of the commissioner and serving mentally retarded persons, and *excluding mentally retarded persons residing with their families.*

(2) Grant licenses according to the provisions of Laws 1976, chapter 243, sections 2 to 13.

Subd. 3. [LICENSING DETERMINATIONS.] (1) No new license shall be granted pursuant to this section when the issuance of the license would substantially contribute to an excessive concentration of community residential facilities within any town, municipality or county of the state.

(2) In determining whether a license shall be issued pursuant to this subdivision, the commissioner of public welfare shall specifically consider the population, size, land use plan, availability of community services and the number and size of existing public and private community residential facilities in the town, municipality or county in which a licensee seeks to operate a residence. Under no circumstances may the commissioner newly license any facility pursuant to this section except as provided in section 245.812. The commissioner of public welfare shall establish uniform rules and regulations to implement the provisions of this subdivision.

(3) Licenses for community facilities and services shall be issued pursuant to section 245.821.

*Subd. 4. [RULES; DECERTIFICATION OF BEDS.] The commissioner shall promulgate in rule criteria for decertification of beds in intermediate care facilities for the mentally retarded, and shall encourage providers in voluntary decertification efforts. The commissioner shall not recommend to the commissioner of health the involuntary decertification of an intermediate care facility for beds for the mentally retarded prior to the availability of appropriate services for those residents affected by the decertification. The commissioner of health shall decertify those intermediate care beds determined to be not needed by the commissioner of welfare.*

**Sec. 3. [252.291] [LIMITATION ON DETERMINATION OF NEED.]**

*Subdivision 1. [MORATORIUM.] Notwithstanding section 252.28, subdivision 1, or any other law or rule to the contrary, the commissioner of public welfare shall deny any request for a determination of need and refuse to grant a license pursuant to section 245.782 for any new intermediate care facility for mentally retarded persons or for an increase in the licensed capacity of an existing facility except as provided in subdivision 2. In no event shall the total of certified intermediate care beds for mentally retarded persons in community facilities and state hospitals exceed 7,500 beds as of July 1, 1983, and 7,000 beds as of July 1, 1986. "Certified bed" means an intermediate care bed for the mentally retarded certified by the commissioner of health for the purposes of the medical assistance program under United States Code, title 42, sections 1396 to 1396p, as amended through December 31, 1982.*

*Subd. 2. [EXCEPTIONS.] The commissioner of public welfare in coordination with the commissioner of health may approve a new intermediate care facility for mentally retarded persons only in the following circumstances:*

(a) when the facility is developed in accordance with a request for proposal system established pursuant to subdivision 3, clause (b);

(b) when the facility is necessary to serve the needs of identifiable mentally retarded persons who are seriously behaviorally disordered or who are physically or sensorily impaired; or

(c) to license beds in new facilities where need was determined by the commissioner prior to the effective date of this section.

**Subd. 3. [DUTIES OF COMMISSIONER OF PUBLIC WELFARE.]** The commissioner shall:

(a) establish standard admission criteria for state hospitals and county utilization targets to limit and reduce the number of intermediate care beds in state hospitals and community facilities in accordance with approved waivers under United States Code, title 42, sections 1396 to 1396p, as amended through December 31, 1982, to assure that appropriate services are provided in the least restrictive setting;

(b) provide technical assistance so that county boards may establish a request for proposal system for meeting individual service plan objectives through home and community-based services; alternative community services; or, if no other alternative will meet the needs of identifiable individuals for whom the county is financially responsible, a new intermediate care facility for mentally retarded persons; and

(c) establish a client tracking and evaluation system as required under applicable federal waiver regulations, Code of Federal Regulations, title 42, sections 431, 435, 440, and 441, as amended through December 31, 1982.

(d) develop a state plan for the delivery and funding of residential day and support services to the mentally retarded in Minnesota and submit that plan to the clerk of each house of the Minnesota legislature on or before the 15th of January of each biennium beginning January 15, 1985. The biennial mental retardation plan shall include but not be limited to:

(1) county by county maximum intermediate care bed utilization quotas;

(2) plans for the development of the number and types of services alternative to intermediate care beds;

(3) procedures for the administration and management of the plan;

(4) procedures for the evaluation of the implementation of the plan; and

(5) the number, type, and location of intermediate care beds targeted for decertification.

The commissioner shall modify the plan to ensure conformance with the medical assistance home and community-based services waiver.

*Subd. 4. [MONITORING.] The commissioner of public welfare, in coordination with the commissioner of health, shall implement mechanisms to monitor and analyze the effect of the bed moratorium in the different geographic areas of the state. The commissioner of public welfare shall submit to the legislature annually beginning January 15, 1984, an assessment of the impact of the moratorium by geographic areas.*

*Subd. 5. [RULEMAKING.] The commissioner of public welfare shall promulgate temporary and permanent rules pursuant to chapter 14, the Administrative Procedure Act, to implement this section.*

Sec. 4. Minnesota Statutes 1982, section 256B.02, subdivision 8, is amended to read:

Subd. 8. [MEDICAL ASSISTANCE; MEDICAL CARE.] "Medical assistance" or "medical care" means payment of part or all of the cost of the following care and services for eligible individuals whose income and resources are insufficient to meet all of (SUCH) this cost:

- (1) inpatient hospital services (.);
- (2) skilled nursing home services and services of intermediate care facilities (.), including training and habilitation services, as defined in section 256B.50, subdivision 1, for mentally retarded individuals residing in intermediate care facilities for the mentally retarded;
- (3) physicians' services (.);
- (4) outpatient hospital or clinic services (.);
- (5) home health care services (.);
- (6) private duty nursing services (.);
- (7) physical therapy and related services (.);
- (8) dental services, excluding cast metal restorations (.);

## (9) laboratory and x-ray services (.);

(10) the following if prescribed by a licensed practitioner: drugs, eyeglasses, dentures, and prosthetic devices. The commissioner shall designate a formulary committee which shall advise the commissioner on the names of drugs for which payment shall be made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of public welfare, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of public welfare, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary shall not include: drugs for which there is no federal funding; over the counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; nutritional products; anorectics; and drugs for which medical value has not been established. Payment to drug vendors shall not be modified before the formulary is established. The commissioner may promulgate conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

The basis for determining the amount of payment shall be the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. Establishment of this fee shall not be subject to the requirements of the administrative procedure act. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

Notwithstanding the above provisions, implementation of any change in the fixed dispensing fee which has not been subject to the administrative procedure act shall be limited to not more than 180 days, unless, during that time, the commissioner shall have initiated rulemaking through the administrative procedure act (.);

(11) diagnostic, screening, and preventive services (.);

(12) health care pre-payment plan premiums and insurance premiums if paid directly to a vendor and supplementary medical insurance benefits under Title XVIII of the Social Security Act (.);

(13) abortion services, but only if one of the following conditions is met:

(a) The abortion is a medical necessity. "Medical necessity" means (1) the signed written statement of two physicians indicating the abortion is medically necessary to prevent the death of the mother, and (2) the patient has given her consent to the abortion in writing unless the patient is physically or legally incapable of providing informed consent to the procedure, in which case consent will be given as otherwise provided by law;

(b) The pregnancy is the result of criminal sexual conduct as defined in section 609.342, clauses (c), (d), (e)(i), and (f), and the incident is reported within 48 hours after the incident occurs to a valid law enforcement agency for investigation, unless the victim is physically unable to report the criminal sexual conduct, in which case the report shall be made within 48 hours after the victim becomes physically able to report the criminal sexual conduct; or

(c) The pregnancy is the result of incest, but only if the incident and relative are reported to a valid law enforcement agency for investigation prior to the abortion (.);

(14) transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by non-ambulatory persons in obtaining emergency or non-emergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this clause, a person who is incapable of transport by taxicab or bus shall be considered to be non-ambulatory (.);

(15) to the extent authorized by rule of the state agency, costs of bus or taxicab transportation incurred by any ambulatory eligible person for obtaining non-emergency medical care (.); and

(16) any other medical or remedial care licensed and recognized under state law unless otherwise prohibited by law.

Sec. 5. [256B.092] [CASE MANAGEMENT OF MENTALLY RETARDED PERSONS.]

**Subdivision 1. [COUNTY OF FINANCIAL RESPONSIBILITY; DUTIES.]** Before any services shall be rendered to mentally retarded persons in need of social service and medical assistance, the county of financial responsibility shall conduct a diagnostic evaluation in order to determine whether the person is or may be mentally retarded. If a client is diagnosed mentally retarded, that county must conduct a needs assessment, develop an individual service plan, and authorize placement for services. If the county of financial responsibility places a client in another county for services, the placement shall be made in cooperation with the host county of service, and arrangements shall be made between the two counties for ongoing social service, including annual reviews of the client's individual service plan. The host county may not make changes in the service plan without approval by the county of financial responsibility.

**Subd. 2. [MEDICAL ASSISTANCE.]** To assure quality case management to those county clients who are eligible for medical assistance, the commissioner shall: (a) provide consultation on the case management process; (b) assist county agencies in the screening and annual reviews of clients to assure that appropriate levels of service are provided; (c) provide consultation on service planning and development of services with appropriate options; (d) provide training and technical assistance to county case managers; and (e) authorize payment for medical assistance services.

**Subd. 3. [TERMINATION OF SERVICES.]** County agency case managers, under rules of the commissioner, shall authorize and terminate services of community and state hospital providers in accordance with individual service plans. Medical assistance services not needed shall not be authorized by county agencies nor funded by the commissioner.

**Subd. 4. [ALTERNATIVE HOME AND COMMUNITY BASED SERVICES.]** The commissioner shall make payments to county boards participating in the medical assistance program to pay costs of providing alternative home and community based services to medical assistance eligible mentally retarded persons screened under subdivision 7. Payment is available under this subdivision only for persons who, if not provided these services, would require the level of care provided in an intermediate care facility for mentally retarded persons.

**Subd. 5. [FEDERAL WAIVERS.]** The commissioner shall apply for any federal waivers necessary to secure, to the extent allowed by law, federal financial participation under United States Code, title 42, sections 1396 to 1396p, as amended through December 31, 1982, for the provision of services to persons who, in the absence of the services, would need the level of care provided in a state hospital or a community intermediate care facility for mentally retarded persons. The commissioner may seek amendments to the waivers or apply for additional waivers under

*United States Code, title 42, sections 1396 to 1396p, as amended through December 31, 1982, to contain costs. The commissioner shall ensure that payment for the cost of providing home and community based alternative services under the federal waiver plan shall not exceed the cost of intermediate care services that would have been provided without the waived services.*

**Subd. 6. [RULES.]** *The commissioner shall adopt temporary and permanent rules to establish required controls, documentation, and reporting of services provided in order to assure proper administration of the approved waiver plan.*

**Subd. 7. [SCREENING TEAMS ESTABLISHED.]** *Each county agency shall establish a screening team which, under the direction of the county case manager, shall make an evaluation of need for home and community based services of persons who are entitled to the level of care provided by an intermediate care facility for mentally retarded persons or for whom there is a reasonable indication that they might need the services in the near future. The screening team shall make an evaluation of need within 15 working days of the request for service and within five working days of an emergency admission of an individual to an intermediate care facility for mentally retarded persons. The screening team shall consist of the case manager, the client, a parent or guardian, a qualified mental retardation professional, as defined in the code of Federal Regulations, title 42, section 442.401, as amended through December 31, 1982, assigned by the commissioner. The case manager shall consult with the client's physician or other persons as necessary to make this evaluation. Other persons may be invited to attend meetings of the screening team. No member of the screening team shall have any direct or indirect service provider interest in the case.*

**Subd. 8. [SCREENING TEAM DUTIES.]** *The screening team shall:*

- (a) review diagnostic data;*
- (b) review health, social, and developmental assessment data using a uniform screening tool specified by the commissioner;*
- (c) identify the level of services needed to maintain the person in the most normal and least restrictive setting that is consistent with treatment needs;*
- (d) identify other noninstitutional public assistance or social service that may prevent or delay long-term residential placement;*
- (e) determine whether a client is in serious need of long-term residential care;*

(f) make recommendations to the county agency regarding placement and payment for: (1) social service or public assistance support to maintain a client in the client's own home or other place of residence; (2) training and habilitation service, vocational rehabilitation, and employment training activities; (3) community residential placement; (4) state hospital placement; or (5) a home and community based alternative to community residential placement or state hospital placement;

(g) make recommendations to a court as may be needed to assist the court in making commitments of mentally retarded persons; and

(h) inform clients that appeal may be made to the commissioner pursuant to section 256.045.

**Subd. 9. [REIMBURSEMENT.]** Payment shall not be provided to a service provider for any recipient placed in an intermediate care facility for the mentally retarded prior to the recipient being screened by the screening team. The commissioner shall not deny reimbursement for: (a) an individual admitted to an intermediate care facility for mentally retarded who is assessed to need long-term supportive services, if long-term supportive services other than intermediate care are not available in that community; (b) any individual admitted to an intermediate care facility for the mentally retarded under emergency circumstances; (c) any eligible individual placed in the intermediate care facility for the mentally retarded pending an appeal of the screening team's decision; or (d) any medical assistance recipient when, after full discussion of all appropriate alternatives including those that are expected to be less costly than intermediate care for mentally retarded, the individual or the individual's legal representative insists on intermediate care placement. The screening team shall provide documentation that the most cost effective alternatives available were offered to this individual or the individual's legal representative.

Sec. 6. Minnesota Statutes 1982, section 256B:19, is amended by adding a subdivision to read:

**Subd. 3. [STUDY OF MEDICAL ASSISTANCE FINANCIAL PARTICIPATION.]** The commissioner shall study the feasibility and outcomes of implementing a variable medical assistance county financial participation rate for long-term care services to mentally retarded persons in order to encourage the utilization of alternative services to long-term intermediate care for the mentally retarded. The commissioner shall submit his findings and recommendations to the legislature by January 20, 1984.

Sec. 7. [256B.50] [RATES FOR COMMUNITY-BASED SERVICES FOR THE MENTALLY RETARDED.]

*Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meaning given them.*

*(a) "Commissioner" means the commissioner of public welfare.*

*(b) "Facility" means a facility licensed as a mental retardation residential facility under section 252.28, licensed as a supervised living facility under chapter 144, and certified as an intermediate care facility for the mentally retarded.*

*(c) "Waivered service" means home or community-based service authorized under United States Code, title 42, section 1396n(c), as amended through December 31, 1982, and defined in the Minnesota state plan for the provision of medical assistance services. Waivered services include, at a minimum, case management, family training and support, developmental training homes, supervised living arrangements, semi-independent living services, respite care, and training and habilitation services.*

*(d) "Training and habilitation services" are those health and social services needed to ensure optimal functioning of persons who are mentally retarded or have related conditions. Training and habilitation services shall be provided to a client away from the residence unless medically contraindicated by an organization which does not have a direct or indirect financial interest in the organization which provides the person's residential services. This requirement shall not apply to any developmental achievement center which has applied for licensure prior to April 15, 1983.*

*Subd. 2. [AUTHORITY.] The commissioner shall establish procedures and rules for determining rates for care of residents of intermediate care facilities for the mentally retarded which qualify as vendors of medical assistance, waivered services, and for provision of training and habilitation services. Approved rates shall be established on the basis of methods and standards that the commissioner finds adequate to provide for the costs that must be incurred for the quality care of residents in efficiently and economically operated facilities and services. The procedures shall specify the costs that are allowable for payment through medical assistance. The commissioner may use experts from outside the department in the establishment of the procedures.*

*Subd. 3. [RATES FOR INTERMEDIATE CARE FACILITIES FOR THE MENTALLY RETARDED.] The commissioner shall establish, by rule, procedures for determining rates for care of residents of intermediate care facilities for the mentally retarded. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in*

*efficiently and economically operated facilities. In developing the procedures, the commissioner shall include:*

*(a) cost containment measures that assure efficient and prudent management of capital assets and operating cost increases which do not exceed increases in other sections of the economy;*

*(b) limits on the amounts of reimbursement for property, general and administration, and new facilities;*

*(c) requirements to ensure that the accounting practices of the facilities conform to generally accepted accounting principles; and*

*(d) incentives to reward accumulation of equity.*

*In establishing rules and procedures for setting rates for care of residents in intermediate care facilities for mentally retarded persons, the commissioner shall consider the recommendations contained in the February 11, 1983, Report of the Legislative Auditor on Community Residential Programs for the Mentally Retarded and the recommendations contained in the 1982 Report of the Department of Public Welfare Rule 52 Task Force. Rates paid to supervised living facilities for rate years beginning during the fiscal biennium ending June 30, 1985, shall not exceed the final rate allowed the facility for the previous rate year by more than five percent.*

*Subd. 4. [WAIVERED SERVICES.] In establishing rates for waived services the commissioner shall consider the need for flexibility in the provision of those services to meet individual needs identified by the screening team.*

*Subd. 5. [TRAINING AND HABILITATION SERVICES.] (a) Except as provided in subdivision 6, rates for reimbursement under medical assistance for training and habilitation services provided by a developmental achievement center either as a waived service or to residents of an intermediate care facility for mentally retarded persons shall be established and paid in accordance with this subdivision effective January 1, 1984.*

*(b) Prior to August 1, 1983, the county board shall submit to the commissioner its contractual per diem rate and its maximum per client annual payment limitations, if any, for each developmental achievement center it administers pursuant to section 252.24, subdivision 1, for the period from July 1, 1983, through December 31, 1983, which shall be the medical assistance reimbursement rate established for that developmental achievement center for 1983. If the county rate is based on average daily attendance which is less than 93 percent of the developmental achievement center's average enrollment for the*

period from July 1, 1983, to December 31, 1983, the commissioner shall adjust that rate based on 93 percent average daily attendance.

(c) The base per diem reimbursement rate established for 1983 may be increased by the commissioner in 1984 in an amount up to the projected percentage change in the average value of the consumer price index (all urban) for 1984 over 1983. In subsequent years, the increase in the per diem rate shall not exceed the projected percentage change in the average annual value of the consumer price index (all urban) for the same time period.

(d) The county board in which an intermediate care facility for mentally retarded persons is located shall contract annually with that facility and with the appropriate developmental achievement center or training and habilitation service provider for provision of training and habilitation services for each resident of the facility for whom the services are required by the resident's individual service plan. This contract shall specify the county payment rate or the medical assistance reimbursement rate, as appropriate; the training and habilitation services to be provided; and the performance standards for program provision and evaluation. A similar contract shall be entered into between the county and the developmental achievement center for persons receiving training and habilitation services from that center as a waived service.

(e) The commissioner shall reimburse under medical assistance up to 210 days of training and habilitation services at developmental achievement centers for those centers which provided less than or equal to 210 days of training and habilitation services in calendar year 1982. For developmental achievement centers providing more than 210 days of services in 1982, the commissioner shall not reimburse under medical assistance in excess of the number of days provided by those programs in 1982.

(f) Medical assistance payments for training and habilitation services shall be made directly to the training and habilitation provider after submission of invoices to the medical assistance program following procedures established by the medical assistance program.

(g) Nothing in this subdivision shall prohibit county boards from contracting for rates for services not reimbursed under medical assistance.

**Subd. 6. [NEW DEVELOPMENTAL ACHIEVEMENT PROGRAMS; RATES.]** The commissioner, upon the recommendation of the local county board, shall determine the medical assistance reimbursement rate for new developmental achievement programs. The payment rate shall not exceed 125 percent of the average payment rate in the region.

*Subd. 7. [ALTERNATIVE RATES FOR TRAINING AND HABILITATION SERVICES.] Alternative methods may be proposed by the counties or the commissioner for provision of training and habilitation services during daytime hours apart from a residential facility to persons for whom needs identified in their individual service plan are not met by the training and habilitation services provided at a developmental achievement center. The commissioner shall establish procedures for approval of the proposals and for medical assistance payment of rates which shall not exceed the average rate allowed in that county for training and habilitation services pursuant to subdivision 5. Nothing in this subdivision prohibits a county from contracting with a developmental achievement center for those purposes.*

*Subd. 8. [PAYMENT FOR PERSONS WITH SPECIAL NEEDS.] The commissioner shall establish by December 31, 1983, procedures to be followed by the counties to seek authorization from the commissioner for medical assistance reimbursement for waived services or training and habilitation services for very dependent persons with special needs in an amount in excess of the rates allowed pursuant to subdivisions 2, 4, 5, and 6, and procedures to be followed for rate limitation exemptions for intermediate care facilities for mentally retarded persons. No excess payment or limitation exemption shall be authorized unless the need for the service is documented in the individual service plan of the person or persons to be served, the type and duration of the services needed are stated, and there is a basis for estimated cost of the services.*

*The commissioner shall evaluate the services provided pursuant to this subdivision through program and fiscal audits.*

*Subd. 9. [REPORTING REQUIREMENTS.] The developmental achievement center shall submit to the county and the commissioner no later than March 1 of each year an annual report which includes the actual program revenues and expenditures, client information, and program information. The information shall be submitted on forms prescribed by the commissioner.*

*Subd. 10. [RULES.] To implement this section, the commissioner shall promulgate temporary and permanent rules in accordance with chapter 14. To implement subdivision 3, the commissioner shall promulgate temporary rules by October 1, 1983, and permanent rules in accordance with sections 14.01 to 14.38. Notwithstanding the provisions of section 14.35, the temporary rule promulgated to implement subdivision 3 shall be effective for up to 720 days.*

**Sec. 8. [RULES.]**

*To implement sections 1 to 7, the commissioner shall promulgate temporary and permanent rules in accordance with sections 14.01 to 14.38.*

Sec. 9. Minnesota Statutes 1982, section 256E.06, is amended by adding a subdivision to read:

*Subd. 2a. [STATE TRANSFER OF FUNDS.] Notwithstanding subdivisions 1 and 2, for the purpose of funding training and habilitation services provided to residents of intermediate care facilities for mentally retarded persons as required under federal regulation, the commissioner is authorized to transfer on a quarterly basis to the medical assistance state account from each county's Community Social Services Act allocation an amount equal to the state share of medical assistance reimbursement for such services provided to clients for whom the county is financially responsible. Upon federal approval and state implementation of the state medical assistance plan, county boards will not be responsible for the funding of training and habilitation services as a social service to residents of intermediate care facilities for the mentally retarded. County board responsibility for training and habilitation services shall be assumed under section 256B.20. County boards continue to be responsible for funding developmental achievement center services not covered under the medical assistance program established by United States Code, title 42, sections 1396 to 1396p, as amended through December 31, 1982, and shall develop contractual agreements for these services under the authority of chapter 256E.*

Sec. 10. [IMPLEMENTATION; USE OF APPROPRIATION.]

*(a) Up to 15 line item positions are authorized for the implementation of provisions of the case management plan, the home and community based services waiver program, assisting county agencies in screening clients for medical assistance services, technical assistance in developing community-based alternatives, and management of the mental retardation medical assistance program.*

*(b) The contingent appropriation for development and implementation of this project shall be expended with the approval of the governor after consulting with the legislative advisory commission as provided in section 3.30. Release of these funds shall also be contingent upon submission of a plan prepared by the commissioner. The plan shall describe the following:*

*(1) the organization, development, and responsibilities of requested staff;*

*(2) specification of all the administrative costs associated with the program;*

*(3) how the information system will be integrated into the community services information system, the medicaid manage-*

ment information system, and any other data processing operations of the department;

(4) the methods for implementing the system; and

(5) the projected costs for the maintenance and operation of the system.

The plan shall be submitted to the chairmen of the house appropriations and senate finance committees.

#### Sec. 11. [REPEALER.]

The provisions of sections 2, 3, 5, 7, subdivisions 1, 4, and 10 are repealed effective June 30, 1984, if a home and community based waiver under United States Code, title 42, section 1396n (c), as amended through December 31, 1982, is not approved by June 30, 1984.

#### Sec. 12. [EFFECTIVE DATE.]

May 23, 1983

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 549, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 549 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [116J.37] [ENERGY CONSERVATION INVESTMENT LOANS.]

*Subdivision 1. [DEFINITIONS.] In this section:*

*(a) "Commissioner" means the commissioner of energy, planning and development. Upon passage of legislation creating a body known as the Minnesota energy authority, the duties assigned to the commissioner in this section are delegated to the authority.*

*(b) "Maxi-audit" has the meaning given in section 116J.06, subdivision 12.*

*(c) "Energy conservation investments" mean all capital expenditures that are associated with conservation measures identified in a maxi-audit and that have a ten-year or less pay back period.*

*Subd. 2. [ELIGIBILITY.] The commissioner shall approve loans to school districts for energy conservation investments. A loan may be made to a school district that has demonstrated that it has complied with all the appropriate provisions of this section and has made adequate provisions to assure proper and efficient operation of the school facilities after improvements and modifications are completed.*

*Subd. 3. [APPLICATION.] Application for a loan to be made pursuant to this section shall be made by a school district to the commissioner on a form the commissioner prescribes by*

rule. The commissioner shall review each application to determine:

- (a) whether or not the district's proposal is complete;
- (b) whether the project is eligible for a loan;
- (c) the amount of the loan for which the project is eligible; and
- (d) the means by which the district proposes to finance the project including:
  - (1) a loan authorized by this section;
  - (2) a grant of money appropriated by state law;
  - (3) a grant to the district by an agency of the federal government within the amount of money then appropriated to that agency; or
  - (4) the appropriation of other money of the district to an account for the construction of the project.

Subd. 4. [LOANS.] The commissioner shall approve loans to school districts on the following conditions:

(a) A district must demonstrate that all audit activities for a given building or project have been completed, that the project is economically feasible, and that it has made adequate provisions to assure proper and efficient operation of the facility once the project is completed.

(b) A loan made pursuant to this section is repayable over a period of not more than ten years from the date the loan is made. Interest shall accrue from the date the loan is made, but the first payment of interest or principal shall not be due until one year after the loan was made. The principal shall be amortized in equal periodic payments over the remainder of the term of the loan. The accrued interest on the balance of the loan principal shall be due with each payment. Interest attributable to the first year of deferred payment shall be paid in the same manner as principal.

Subd. 5. [PAYMENT; OBLIGATION.] The commissioner shall not approve payment to a school district pursuant to an approved loan until he or she has determined that financing of the project is assured by an irrevocable undertaking, by resolution of the school board, to annually levy or otherwise collect an amount of money sufficient to pay the principal and interest due on the loan as well as any of the commissioner of finance's administrative expenses according to the terms of the loan.

*Subd. 6. [RECEIPTS; APPROPRIATION.] The commissioner of finance shall deposit in the state treasury all principal and interest payments received in repayment of the loans authorized by this section. These payments shall be credited to the state building fund and are appropriated to the commissioner of finance for the purposes of that account.*

*Subd. 7. [RULES.] The commissioner shall adopt rules necessary to implement this section. The commissioner shall adopt temporary rules pursuant to sections 14.29 to 14.36, meeting the requirements of this section. The rules shall contain as a minimum:*

- (a) procedures for application by districts;*
- (b) criteria for reviewing loan applications; and*
- (c) procedures and guidelines for program monitoring, closeout, and evaluation.*

Sec. 2. Minnesota Statutes 1982, section 275.125, subdivision 11a, is amended to read:

**Subd. 11a. [CAPITAL EXPENDITURE LEVY.] (a)** Each year a school district may levy an amount not to exceed the amount equal to \$90 per pupil unit, or \$95 per pupil unit in districts where the actual number of pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), has increased from the prior year. No levy under this clause shall exceed seven mills times the adjusted assessed valuation of the taxable property in the district for the preceding year.

(b) The proceeds of the tax may be used to acquire land, to equip and re-equip buildings and permanent attached fixtures, to rent or lease buildings for school purposes, to pay leasing fees for computer systems hardware and related proprietary software, and to pay leasing fees for photocopy machines and telecommunications equipment. The proceeds of the tax may also be used for capital improvement and repair of school sites, buildings and permanent attached fixtures, energy assessments (AS REQUIRED PURSUANT TO SECTION 116J.24), and for the payment of any special assessments levied against the property of the district authorized pursuant to section 435.19 or any other law or charter provision authorizing assessments against publicly owned property; provided that a district may not levy amounts to pay assessments for service charges, such as those described in section 429.101, whether levied pursuant to that section or pursuant to any other law or home rule provision. The proceeds of the tax may also be used for capital expenditures to reduce or eliminate barriers to or increase access to school facilities by handicapped individuals. The proceeds of the tax may also be used to make capital improvements to schoolhouses

to be leased pursuant to section 123.36, subdivision 10. The proceeds of the tax may also be used to pay fees for capital outlay expenditures assessed and certified to each participating school district by the educational cooperative service unit board of directors. *The proceeds of the tax may also be used to pay principal and interest on loans from the state authorized by section 1.*

(c) Subject to the commissioner's approval, the tax proceeds may also be used to acquire or construct buildings. The state board shall promulgate rules establishing the criteria to be used by the commissioner in approving and disapproving district applications requesting the use of capital expenditure tax proceeds for the acquisition or construction of buildings. The approval criteria for purposes of building acquisition and construction shall include: the appropriateness of the proposal for the district's long term needs; the availability of adequate existing facilities; and the economic feasibility of bonding because of the proposed building's size or cost.

(d) The board shall establish a fund in which the proceeds of this tax shall be accumulated until expended.

(e) The proceeds of the tax shall not be used for custodial or other maintenance services.

(f) Each year, subject to the seven mill limitation of clause (a) of this subdivision, a school district which operates an approved secondary vocational education program or an approved senior secondary industrial arts program may levy an additional amount equal to \$5 per pupil unit for capital expenditures for equipment for these programs.

(g) For purposes of computing allowable levies under this subdivision and subdivision 11b, pupil units shall include those units identified in section 124.17, subdivision 1, clauses (1) and (2), and 98.5 percent of the units identified in Minnesota Statutes 1980, Section 124.17, Subdivision 1, Clauses (4) and (5) for 1980-1981.

Sec. 3. Minnesota Statutes 1982, section 275.125, subdivision 11b, is amended to read:

Subd. 11b. [SPECIAL PURPOSE CAPITAL EXPENDITURE LEVY.] In 1981 and each year thereafter, in addition to the levy authorized in subdivision 11a, a school district may levy an amount not to exceed the amount equal to \$25 per pupil unit. No levy under this clause shall exceed two mills times the adjusted assessed valuation of the property in the district for the preceding year. The proceeds of the tax shall be placed in the district's capital expenditure fund and may be used only for the following:

(a) for energy audits on district owned buildings (CONDUCTED PURSUANT TO CHAPTER 116H), and for funding those energy conservation and renewable energy measures which the energy audits indicate will reduce the use of nonrenewable sources of energy to the extent that the projected energy cost savings will amortize the cost of the conservation measures within a period of ten years or less;

(b) for capital expenditures for the purpose of reducing or eliminating barriers to or increasing access to school facilities by handicapped persons;

(c) for capital expenditures to bring district facilities into compliance with the uniform fire code adopted pursuant to chapter 299F; and

(d) to pay principal and interest on loans from the state authorized by section 1.

Sec. 4. Minnesota Statutes 1982, section 275.125, is amended by adding a subdivision to read:

*Subd. 12a. [ENERGY CONSERVATION LEVY.] The school district may levy, without the approval of a majority of the voters in the district, an amount equal to the actual costs of the energy conservation investments for the purposes of repaying the principal and interest of the law made pursuant to section 1.*

#### Sec. 5. [APPROPRIATIONS.]

*Subdivision 1. The sum of \$30,000,000 is appropriated from the state building fund to the commissioner of finance for the purpose of making loans to school districts for energy conservation investments pursuant to section 1. Any expense incidental to the sale, printing, execution, and delivery of the bonds, including the costs of the commissioner of finance, shall be paid from the proceeds of the bond sales authorized in section 6 and the amounts necessary for these expenses are hereby appropriated. To reduce the amount of taxes otherwise required to be levied, there is also appropriated from the general fund, on November 1 in each year, a sum of money sufficient in amount, when added to other funds appropriated for the bonds, to pay all bonds and interest on them due and to become due to and including July 1 in the second ensuing year.*

*Subd. 2. None of the appropriations made in this section shall lapse until the purpose for which it is made has been accomplished or abandoned. The amount of each loan approved for disbursement shall be and remain appropriated for that purpose until the loan is fully disbursed or part or all of it is revoked by the energy division.*

*Subd. 3. [ADMINISTRATION COSTS.] The sum of \$259,300 in fiscal year 1984 and \$320,000 in fiscal year 1985 is appropriated from the general fund to the commissioner of energy, planning and development to administer section 1. The complement of the department of energy, planning and development is increased by 11 positions. If the appropriation for either year is insufficient, the appropriation for the other year is available for it.*

*Subd. 4. [AUDIT EXPENSES.] The sum of \$200,000 in fiscal year 1984 and \$300,000 in fiscal year 1985 is appropriated to the commissioner of energy, planning and development for the purpose of providing cost-share audit revision services for previously audited buildings in an amount not to exceed \$2,000 per building and to provide cost-share audit services for non-audited buildings in an amount not to exceed \$5,000 per building to eligible institutions applying for loans authorized in section 1. The commissioner of energy, planning and development shall contract for provision of audit services, and determine the amount, if any, of audit revision and audit services for which the institution is eligible. Any unencumbered balance remaining in the first year shall not cancel but is available in the second year.*

**Sec. 6. [BOND SALE.]**

*To provide the money appropriated from the state building fund by section 5, subdivision 1, the commissioner of finance shall sell and issue bonds of the state in an amount up to \$30,000,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.63 to 16A.66, and by the Minnesota Constitution, article XI, sections 4 to 7.*

**Sec. 7. [EFFECTIVE DATE.]**

*This act is effective the day following final enactment."*

May 23, 1983

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 61, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and S. F. No. 61 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 65B.44, subdivision 3, is amended to read:

Subd. 3. [DISABILITY AND INCOME LOSS BENEFITS.] Disability and income loss benefits shall provide compensation for 85 percent of the injured person's loss of present and future gross income from inability to work proximately caused by the nonfatal injury subject to a maximum of \$200 per week. Loss of income includes the costs incurred by a self-employed person to hire substitute employees to perform tasks which are necessary to maintain his income, which he normally performs himself, and which he cannot perform because of his injury.

If the injured person is unemployed at the time of injury and is receiving or is eligible to receive unemployment benefits under chapter 268, but the injured person loses his eligibility for those benefits because of inability to work caused by the injury, disability and income loss benefits shall provide compensation for the lost benefits in an amount equal to the unemployment benefits which otherwise would have been payable, subject to a maximum of \$200 per week.

Compensation under this subdivision shall be reduced by any income from substitute work actually performed by the injured person or by income the injured person would have earned in available appropriate substitute work which he was capable of performing but unreasonably failed to undertake.

For the purposes of this section "inability to work" means disability which prevents the injured person from engaging in any substantial gainful occupation or employment on a regular basis, for wage or profit, for which he is or may by training become reasonably qualified. If the injured person returns to his employment and is unable by reason of his injury to work continuously, compensation for lost income shall be reduced by the income received while he is actually able to work. *The weekly maximums may not be prorated to arrive at a daily maximum, even if the injured person does not incur loss of income for a full week.*

Subdivision 1. [DRIVER TO STOP.] The driver of any vehicle involved in an accident resulting in *bodily* injury to or death of any person shall immediately stop the vehicle at the scene of the accident, or as close (THERETO) *to the scene* as possible, but shall then return to and in every event, shall remain

Subd. 4. [IMMUNITY FROM LIABILITY.] Any person, including those voluntarily making reports and those required to make reports under subdivision 3, participating in good faith and exercising due care in the making of a report pursuant to this section (SHALL HAVE) has immunity from any liability, civil or criminal, that otherwise might result by reason of his action.

*Any public or private school, facility as defined in subdivision 2, or the employee of any public or private school or facility who permits access by a local welfare agency and assists in good faith in an investigation pursuant to subdivision 10 has immunity from any liability, civil or criminal, that otherwise might result by reason of that action.*

*This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.*

Sec. 16. Minnesota Statutes 1982, section 626.556, subdivision 7, is amended to read:

Subd. 7. [REPORT.] An oral report shall be made immediately by telephone or otherwise. An oral report made by a person required under subdivision 3 to report shall be followed as soon as possible by a report in writing to the appropriate police department, the county sheriff or local welfare agency. Any report shall be of sufficient content to identify the child, (THE PARENT, GUARDIAN, OR OTHER) any person believed to be responsible for (HIS CARE) the abuse or neglect of the child if the person is known, the nature and extent of the (CHILD'S INJURIES) abuse or neglect and the name and address of the reporter. Sec. 17. Minnesota Statutes 1982, section 626.556, subdivision 10, is amended to read:

Subd. 10. [DUTIES OF LOCAL WELFARE AGENCY UPON RECEIPT OF A REPORT.] (a) *If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's care, the local welfare agency shall immediately investigate and offer protective social services for purposes of preventing further abuses, safeguarding and enhancing the welfare of the abused or neglected minor, and preserving family life whenever possible. When necessary the local welfare agency shall seek authority to remove the child from the custody of his parent, guardian or adult with whom he is living. In performing any of these duties, the local welfare agency shall maintain appropriate records.*

(b) *Authority of the local welfare agency responsible for investigating the child abuse report includes, but is not limited to, authority to interview, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator. The interview may take place at school or any facility or other place where the alleged victim or other minors might be found and may take place outside the presence of the perpetrator or parent, legal custodian, or guardian. Except as provided in this clause, the parent, legal custodian, or guardian shall be notified, no later than the conclusion of the investigation, that this interview has occurred. The notification shall be signed by the chairman of the county welfare board or his designee. The time, place, and manner of the interview on school premises shall be within the discretion of school officials. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is deemed necessary by agreement between the school officials and the local welfare agency. School officials shall not disclose to the parent, legal custodian, guardian, or perpetrator that a request to interview*

*the child has been made until after the abuse investigation has been concluded. Every effort shall be made to reduce the disruption of the educational program of the child, other students, or school staff when an interview is conducted on school premises.*

*(d) Where the perpetrator or a person responsible for the care of the alleged victim or other minor prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents, legal custodian, or guardian to produce the alleged victim or other minor for questioning by the local welfare agency outside the presence of the perpetrator or any person responsible for the child's care at reasonable places and times as specified by court order.*

*(e) Before making an order under paragraph (d), the court shall issue an order to show cause, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If a guardian ad litem is appointed, he shall be present at the hearing on the order to show cause.*

*(f) The commissioner and the local welfare agencies responsible for investigating reports have the right to enter facilities as defined in subdivision 2 and to inspect and copy the facility's records as part of the investigation. Notwithstanding the provisions of chapter 13, they also have the right to inform the facility under investigation that they are conducting an investigation, to disclose to the facility the names of the individuals under investigation for abusing or neglecting a child, and to provide the facility with a copy of the report and the investigative findings.*

Sec. 18. Minnesota Statutes 1982, section 626.556, is amended by adding a subdivision to read:

*Subd. 10a. [ABUSE OUTSIDE THE FAMILY UNIT.] If the report alleges neglect, physical abuse, or sexual abuse by a person responsible for the child's care functioning outside the family unit in a setting other than a facility as defined in subdivision 2, the local welfare agency shall immediately notify the appropriate law enforcement agency and shall offer appropriate social services for the purpose of safeguarding and enhancing the welfare of the abused or neglected minor.*

Sec. 19. Minnesota Statutes 1982, section 626.556, is amended by adding a subdivision to read:

*Subd. 10b. [DUTIES OF COMMISSIONER; NEGLECT OR ABUSE IN A FACILITY.] If the report alleges that a*

*child in the care of a facility as defined in subdivision 2 is neglected, physically abused, or sexually abused by an individual in that facility, the commissioner shall immediately investigate. The commissioner shall arrange for the transmittal to him of reports received by local agencies and may delegate to a local welfare agency the duty to investigate reports. In conducting an investigation under this section, the commissioner has the powers and duties specified for local welfare agencies under this section.*

Sec. 20. [EFFECTIVE DATE.]

*Section 1 is effective upon final enactment. Sections 9 to 12 are effective January 1, 1984. Sections 2 to 8 are effective August 1, 1983, and apply to violations committed on or after that date. The remaining sections of this act are effective August 1, 1983."*

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 320, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 320 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 17.713, subdivision 7, is amended to read:

Subd. 7. [GRADE.] "Grade" means the percentage of total nitrogen, available phosphorus or phosphoric acid, and soluble potassium or soluble potash stated in whole numbers in the same terms, order and percentages as in the guaranteed analysis; provided, however, that fertilizer materials, bone meals, manures, and similar raw materials may be guaranteed in fractional units, *and specialty fertilizers may be guaranteed in fractional units of less than one percent of total nitrogen, available phosphorus or phosphoric acid, and soluble potassium or soluble potash.*

Sec. 2. Minnesota Statutes 1982, section 17.714, subdivision 1, is amended to read:

Subdivision 1. [REGISTRATION FEE; CERTAIN ITEMS.] Fertilizer brands and grades sold only as small package items or represented and labeled as specialty fertilizer; and soil and plant amendments sold with recommendations for commercial agricultural use, shall be registered (AT THE FEE SET FORTH IN) *and a fee paid pursuant to section 17.717 (, SUBDIVISIONS 3 AND 4).* Fees paid for registration made in this manner shall be in lieu of any other license or tonnage fees.

Sec. 3. Minnesota Statutes 1982, section 17.715, subdivision 1, is amended to read:

Subdivision 1. [LICENSED PERSONS.] A person who manufactures, blends, mixes, or otherwise manipulates commercial fertilizer material *and a person who stores or distributes bulk fertilizer for resale* shall obtain a license from the commissioner for each fixed location within the state where these operations are performed.

Sec. 4. Minnesota Statutes 1982, section 17.718, subdivision 1, is amended to read:

[SEMIANNUAL STATEMENT.] Each licensed distributor of commercial fertilizer (UNDER SECTION 17.717, SUBDIVISION 1,) and each registrant of a commercial fertilizer, soil amendment, or plant amendment (UNDER SECTION 17.717, SUBDIVISIONS 3 AND 4,) shall file with the commissioner on forms furnished by the commissioner, a semi-annual statement for the periods ending December 31 and June 30 setting forth the number of net tons of each grade of commercial fertilizer, soil amendment, or plant amendment distributed in this state during the reporting period. The report (SHALL BE) is due on or before the 30th of the month following the close of each reporting period of each calendar year. The inspection fee at the rate stated in section 17.717, subdivision 5 shall accompany the statement. For the tonnage report that is not filed or the payment of inspection fees that is not made within 30 days after the end of the reporting period, a penalty of ten percent of the amount due, with a minimum penalty of \$10, shall be assessed against the licensee or registrant, and the total amount of fees due, plus penalty, shall constitute a debt and may be recovered in a civil action against the licensee or registrant. The assessment of this penalty shall not prevent the department from taking other actions as provided in this chapter. The commissioner may by regulation require additional reports for the purpose of gathering statistical data relating to fertilizer, soil amendments, and plant amendments distribution in the state.

Sec. 5. Minnesota Statutes 1982, section 17.725, subdivision 1, is amended to read:

CONFERENCE COMMITTEE REPORT ON H. F. NO. 559

A bill for an act relating to courts; providing for interest rates on judgments; amending Minnesota Statutes 1982, section 549.09, subdivision 1.

May 23, 1983

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 559, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 559 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 549.09, subdivision 1, is amended to read:

Subdivision 1. [WHEN OWED; RATE.] (a) When the judgment is for the recovery of money, including a judgment for the recovery of taxes, interest from the time of the verdict or report until judgment is finally entered shall be computed by the clerk as provided in (THIS SECTION) clause (c) and added to the judgment. (b) *Except as otherwise provided by contract or allowed by law, pre-verdict or pre-report interest on pecuniary damages shall be computed as provided in clause (c) from the time of the commencement of the action, except as provided herein. If either party serves a written offer of settlement, the other party may serve a written acceptance or a written counter-offer within 60 days. After that time interest on the judgment shall be calculated by the judge in the following manner. The prevailing party shall receive interest on any judgment from the time the action was commenced or as to special damages from the time when special damages were incurred, if later than commencement of the action, until the time of verdict or report only if the amount of its offer is closer to the judgment than the amount of the opposing party's offer. If the amount of the losing party's offer was closer to the judgment than the prevailing party's offer, the prevailing party shall receive interest only on the amount of the settlement offer or the judgment, whichever is less, and only from the time the action was commenced or as to special damages from when the special damages were incurred if later than commencement of the action until the time the settlement offer was made. Except as otherwise provided by contract or allowed by law, pre-verdict or pre-report interest shall not be awarded on the following:*

(1) *judgments, awards, or benefits in workers' compensation cases, but not including third-party actions;*

(2) *judgments, decrees, or orders in dissolution, annulment, or legal separation actions;*

(3) *punitive damages, fines, or other damages that are non-compensatory in nature;*

(4) *judgments not in excess of the amount specified in section 487.30; and*

(5) *that portion of any verdict or report which is founded upon interest, or costs, disbursements, attorney fees, or other similar items added by the court. (c) The interest shall be com-*

puted as simple interest per annum. The rate of interest shall be based on the secondary market yield of one year United States treasury bills, calculated on a bank discount basis as provided in this section.

On or before the 20th day of December of each year the state court administrator shall determine the rate from the secondary market yield on one year United States treasury bills for the most recent calendar month, reported on a monthly basis in the latest statistical release of the board of governors of the federal reserve system. This yield, rounded to the nearest one percent, shall be the annual interest rate during the succeeding calendar year; provided, however, that in no event shall the rate of interest be less than eight percent per annum. The state court administrator shall communicate the interest rate to the clerks of court for their use in computing the interest on verdicts.

Sec. 2. [EFFECTIVE DATE.]

*Section 1 is effective August 1, 1983, and interest shall begin to accrue as of that date on any pending claims or causes of action."*

We request adoption of this report and repassage of the bill.

June 8, 1983

The Honorable Harry A. Sieben, Jr.  
Speaker of the House  
276 State Office Building  
St. Paul, Minnesota 55155

Dear Speaker Sieben:

This letter is to advise you that I have today signed H. F. No. 1290, the State Departments appropriations bill. However, I have, pursuant to the powers vested in me by Article IV, Section 23 of the Minnesota Constitution, determined to line-item veto two provisions in that bill.

The first of the provisions I have vetoed appears on lines 14 through 16 of page 18 and reads as follows:

\$136,000 each year is for the reinstatement of walk-in taxpayer assistance programs.

I believe that taxpayer assistance can best be provided through a combination of telephone assistance and volunteer programs. The walk-in programs, in my opinion, are not cost-effective.

The second of the provisions I have vetoed appears on lines 8 through 10 of page 31 and reads as follows:

\$125,000 the first year and \$125,000 the second year is for a grant to the Duluth port authority.

I believe that it is inappropriate for the state to make a direct appropriation to one of many port authorities now located in the state. If support for a particular port authority is appropriate, and it may very well be in the case of Duluth, that decision should be made by state agencies involved in economic development and international trade.

It is my intention that the funds specified in the vetoed provisions be restored to the general appropriations for the programs as specified on line 13 of page 18, and on line 7 of page 31, respectively.

I want to take this opportunity to advise you that pursuant to the powers granted me pursuant to lines 12 through 21 of page 9 of H. F. No. 1290, I intend to transfer to the general appropriation for the state ceremonial building (as included on lines 40

through 42 of page 8) the amounts designated for part-time staff assistance to the state ceremonial building council as noted on lines 42 through 46 of page 8.

I believe that the state should not be expending general fund moneys for this purpose. Further, I have been advised by the council that they intend not to use such funding if it were to be appropriated.

Pursuant to the requirement of Article IV, Section 23 of the Minnesota Constitution, an executed copy of this letter has been appended to the bill as filed with the Secretary of State.

Sincerely,

RUDY PERPICH  
Governor

The Honorable Harry A. Sieben, Jr.  
Speaker of the House  
276 State Office Building  
St. Paul, Minnesota 55155

Dear Speaker Sieben:

On June 8, I advised you of my intention to line-veto two provisions of House File No. 1290. In that letter, a copy of which is enclosed, I also indicated that I intended that the funds so vetoed be restored to the general appropriations for the affected agencies.

I understand that there is a question whether vetoed funds can be restored to the general appropriation, or whether they should be deemed to cancel back to the General Fund. I do not believe this issue has been litigated before in Minnesota. Because of this legal uncertainty, I do not believe it appropriate to insist that the affected funds be restored to the general appropriations. If the programs for which I have exercised this line-veto authority need additional funding, we will pursue alternate sources.

I will keep you advised as matters progress. Thank you very much.

Sincerely,

RUDY PERPICH  
Governor
