"Section 1. [290.069] [NEW PERMANENT JOBS CREDIT.]

*Subdivision 1. [DEFINITIONS.] For the purpose of this section the terms defined in this subdivision have the meanings given them.*

(a) "Qualified employer" means a business employer subject to taxation under chapter 290 or the occupation tax imposed by chapter 298.

(b) "Qualified employee" means

(i) an employee who has been in a permanent nonseasonal position employed in Minnesota by the qualified employer for at least 35 hours per week for the two-year period preceding the year in which the income tax return is filed, and

(ii) who has been hired by the qualified employer after the effective date of this act.

(c) "Annual wage" means the dollar amount of wages paid by the employer as defined in section 290.92, subdivision 1, clause (1).

(d) "Base number of employees" means the number of full-time employees employed by the qualified employer during the preceding taxable year multiplied by the adjustment factor, determined pursuant to subdivision 6, for the taxable year in which the qualified employees were hired. The resulting product shall be rounded to the nearest whole number.

*Subd. 2. [AMOUNT OF CREDIT.] A credit against the tax due under chapter 290 or the occupation tax imposed by chapter 298 shall be allowed to qualified employers for qualified employees during the taxable year. The credit shall be equal to 20 percent of the first \$20,000 of wages for that taxable year paid to each qualified employee of the qualified employer. The amount of any payments or reimbursements received by the qualified employer with respect to wages paid a qualified employee under any federal or other state program shall be deducted in determining wages paid or incurred. The number of qualified employees for which the credit is allowable shall not exceed the lesser of (a) the total number of full-time employees at the end of the taxable year in which the qualified employee was hired less the base number of employees or (b) the increase in full-time employment in the qualified employer's business from the current taxable year over the preceding taxable year. The maximum amount of the credit for the taxable year shall not exceed \$150,000. If the employer has constructed a new facility in Minnesota or made substantial improvements to expand an existing facility in Minnesota after the effective date of this act the*

For purposes of this section "substantial improvement" shall include any improvements which increase the value of the existing facility by 30 percent or more or which have a value of \$200,000 or more.*

*Subd. 3. [ALLOCATION OF CREDIT.] The credit allowable under this section for a given qualified employee shall be claimed only by one employer, except that the allowable credit shall be allocated among partners of a partnership or shareholders of an s corporation in proportion to ownership interest.*

*Subd. 4. [LIMITATION.] If the employer acquired an ongoing business or the assets of an ongoing business, the base number of employees shall be increased by the number of the employees employed by the business prior to its acquisition or employed in connection with the assets of the business prior to their acquisition.*

*Subd. 5. [CARRYFORWARD.] If the credit provided in this section exceeds the taxpayer's liability under section 290 or the occupation tax imposed by chapter 298 for the taxable year for which the credit is given, the amount by which the credit exceeds the liability may be carried forward to the three taxable years following the year when the credit was given. The entire amount of the unused credit shall be carried to the earliest of the three taxable years to which it may be carried and then to each of the two successive taxable years.*

*Subd. 6. [ADJUSTMENT FACTOR.] On or before November 15th of each year, the commissioner of finance shall prepare an estimate of the increase in Minnesota employment for the succeeding calendar year. This estimate divided by the estimated Minnesota employment for the calendar year shall be the adjustment factor for taxable years beginning during the succeeding calendar year. The commissioner of finance shall provide the estimates to the commissioner who shall publish the adjustment factor in the state register on or before December 1. For purposes of this subdivision, "employment" does not include employment positions with federal, state, or local government.*

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 270.11, subdivision 1, is amended to read:

**Subdivision 1. [TO ACT AS STATE BOARD OF EQUALIZATION.]** The commissioner of revenue shall have and exercise all the rights, powers and authority by law vested in the state board of equalization, which board of equalization is hereby continued, with full power and authority to review, modify, and revise all of the acts and proceedings of the commissioner in so far as they relate to the equalization and valuation of property assessed for taxation, as prescribed by section 270.12, which state board of equalization shall meet (ON AUGUST 15) *between July 15 and August 1* of each year during its existence.

Sec. 2. Minnesota Statutes 1982, section 270.11, subdivision 2, is amended to read:

**Subd. 2. [COUNTY ASSESSOR'S REPORTS OF ASSESSMENT FILED WITH COMMISSIONER.]** *The commissioner of revenue shall require the assessor of each county in the state to file with him by June 1 a copy of the abstract which will be acted upon by the county board of review. The commissioner may abate or reduce the*

penalty if he determines that the delay is due to unforeseen or unavoidable circumstances. Home rule or statutory city or town assessors shall file with the county assessor assessment lists of all real and personal property in the city or town by May 1. The commissioner of revenue may require the assessor of each county in the state to file with him, (ON OR BEFORE AUGUST 1) within five working days following final action, each year, (COMPLETE) any changes made to the abstracts of all real and personal property in the county, as equalized by the county board of equalization, and itemized by assessment districts, accompanied by a printed or typewritten copy of the proceedings of the county board of equalization, and it shall be the duty of the county assessor to so report to the commissioner of revenue.

The final abstract of assessments after adjustments by the state board of equalization and inclusion of any omitted property shall be submitted to the commissioner of revenue on or before (JANUARY 1) *November 1* of each calendar year.

Sec. 3. Minnesota Statutes 1982, section 270.12, subdivision 2, is amended to read:

Subd. 2. The board shall meet annually (ON AUGUST 15) *between July 15 and August 1* at the office of the commissioner of revenue and examine and compare the returns of the assessment of the property in the several counties, and equalize the same so that all the taxable property in the state shall be assessed at its market value, subject to the following rules:

(1) The board shall add to the aggregate valuation of the real property of every county, which the board believes to be valued below its market value in money, such percent as will bring the same to its market value in money;

(2) The board shall deduct from the aggregate valuation of the real property of every county, which the board believes to be valued above its market value in money, such percent as will reduce the same to its market value in money;

(3) If the board believes the valuation of the real property of any town or district in any county, or the valuation of the real property of any county not in towns or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of any one or more of such towns or cities, or of the property not in towns or cities, such percent as the board believes will raise or reduce the same to its market value in money;

(4) The board shall add to the aggregate valuation of any class of personal property of any county, town, or city, which the board believes to be valued below the market value thereof, such percent as will raise the same to its market value in money;

(5) The board shall take from the aggregate valuation of any class of personal property in any county, town or city, which the board believes to be valued above the market value thereof, such percent as will reduce the same to its market value in money;

(6) The board shall not reduce the aggregate valuation of all the property of the state, as returned by the several county auditors, more than one percent on the whole valuation thereof; and

(7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization.

Sec. 4. Minnesota Statutes 1982, section 270.12, subdivision 3, is amended to read:

Subd. 3. For taxes levied in 1980 and 1981, when a taxing jurisdiction lies in two or more counties, and the sales ratio studies prepared by the department of revenue show that the average level of assessment in the several portions of the district in the different counties differs by more than 20 percent, the board shall order that the levy of the taxing jurisdiction be apportioned among the portions in the different counties in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value, as determined by the equalization aid review committee, of the taxing jurisdiction; if the studies show that the level differs by more than five percent, the board may order the apportionment of the levy. For taxes levied in 1982 and thereafter, if the studies show that the level differs by more than five percent, the board shall order the apportionment of the levy.

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on (AUGUST 15) *July 15* of the

state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following (NOVEMBER 15) *October 1.*

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

Sec. 5. Minnesota Statutes 1982, section 270.12, is amended by adding a subdivision to read:

*Subd. 4 The board shall consider appeals from decisions of the county board of individual property owners assessments or valuations from August 1 to September 15. The board shall not hear appeals involving homestead property or appeals where the amount of market value in dispute is \$50,000 or less. The board shall issue its decision no later than October 1.*

Sec. 6. Minnesota Statutes 1982, section 270.13, is amended to read:

**270.13 [RECORD OF PROCEEDINGS CHANGING ASSESSED VALUATION; DUTIES OF COUNTY AUDITOR.]**

A record of all proceedings of the commissioner of revenue affecting any change in the assessed valuation of any property, as revised by the state board of equalization, shall be kept by the commissioner of revenue and a copy thereof, duly certified, shall be mailed each year to the auditor of each county wherein such property is situated, on or before (NOVEMBER 15) *August 1* or 30 days after submission of the abstract required by section 270.11, subdivision 2, whichever is later. This record shall specify the amounts or amount, or both, added to or deducted from the valuation of the real property of each of the several towns and cities, and of the real property not in towns or cities, also the percent or amount of both, added to or deducted from the several classes of personal property in each of the towns and cities, and also the amount added to or deducted from the assessments of individuals, copartnerships, associations, or corporations. The county auditor shall add to or deduct from such tract or lot, or portion thereof, of any real property in his county the required percent or amount, or both, on the valuation thereof as it stood after equalized by the county board, (ADDING IN EACH CASE A FRACTIONAL SUM OF 50 CENTS OR MORE, AND DEDUCTING IN EACH CASE ANY FRACTIONAL SUM OF LESS THAN 50 CENTS SO THAT NO VALUATION OF ANY SEPARATE TRACT OR LOT SHALL CONTAIN ANY FRACTION OF A DOLLAR) *with any amount under \$100 rounded up to \$100 and any amount exceeding \$100 rounded to the nearest \$100; and add to, or deduct from, the*

several classes of personal property in his county the required percent or amount, or both, on the valuation thereof as it stood after equalized by the county board, (ADDING OR DEDUCTING IN MANNER AFORESAID ANY FRACTIONAL SUM SO THAT NO VALUATION OF ANY SEPARATE CLASS OF PERSONAL PROPERTY SHALL CONTAIN A FRACTION OF A DOLLAR,) and add to or deduct from assessments of individuals, copartnerships, associations, or corporations, as they stood after equalization by the county board, the required amounts to agree with the assessments as returned by the commissioner of revenue *with any amount under \$100 rounded up to \$100 and any amount exceeding \$100 rounded to the nearest \$100.*

Sec. 7. Minnesota Statutes 1982, section 270.87, is amended to read:

270.87. [CERTIFICATION TO COUNTY ASSESSORS.]

When the commissioner has made his annual determination of the fair market value of the operating property of each company in each of the respective counties, and in the taxing districts therein, he shall certify the fair market value to the county assessor *on or before October 1*, which shall constitute the fair market value of the operating property of the railroad company in such county and the taxing districts therein upon which taxes shall be levied and collected in the same manner as on the commercial and industrial property of such county and the taxing districts therein.

Sec. 8. Minnesota Statutes 1982, section 271.01, subdivision 5, is amended to read:

Subd. 5. [JURISDICTION.] The tax court shall have state-wide jurisdiction. Except for an appeal to the supreme court or any other appeal allowed under this subdivision, the tax court shall be the sole, exclusive, and final authority for the hearing and determination of all questions of law and fact arising under the tax laws of the state, as defined in this subdivision, in those cases that have been appealed to the tax court and in any case that has been transferred by the district court to the tax court. The tax court shall have no jurisdiction in any case that does not arise under the tax laws of the state or in any criminal case or in any case determining or granting title to real property or in any case that is under the jurisdiction of the probate court. The small claims division of the tax court shall have no jurisdiction in any case dealing with property valuation or assessment for property tax purposes until the taxpayer has appealed the valuation or assessment to the town or city board of equalization and to the county board of equalization, except for those taxpayers whose original assessments are determined by the commissioner of revenue. *The tax court shall have exclusive jurisdiction in situations where taxpayers have appealed their*

*assessment to the local board of review and the county board of equalization and where that appeal involves a homesteaded property or the amount of market value in dispute is \$50,000 or less.* The tax court shall have no jurisdiction in any case involving an order of the state board of equalization unless a taxpayer contests the valuation of his property. Only the taxes, aids and related matters contained in chapters 60A, 124, 270, 272, 273, 274, 275, 276, 277, 278, 279, 285, 287, 288, 290, 290A, 291, 292, 293, 294, 295, 296, 297, 297A, 297B, 298, 299, 340, 473, 473F, and 477A shall be considered tax laws of this state subject to the jurisdiction of the tax court. This subdivision shall not be construed to prevent an appeal, as provided by law, to an administrative agency, board of equalization, or to the commissioner of revenue. Wherever used in chapter 271, the term commissioner shall mean the commissioner of revenue, unless otherwise specified.

Sec. 9. Minnesota Statutes 1982, section 271.21, subdivision 4, is amended to read:

Subd. 4. At the same time that notice of the assessment, determination, or order of the commissioner or the appropriate unit of government is given to a taxpayer, the taxpayer shall be notified in writing of his right to appeal to the tax court, and if applicable, to the small claims division. *In the case of homesteaded property or when the amount of market value in dispute is \$50,000 or less, the taxpayer shall be notified that any appeal of an order based on review by a local board of review and a county board of equalization must be filed with the small claims division.* In any notice of assessment, determination or order dealing with property valuation or assessment for property tax purposes, the taxpayer shall be notified in writing that he must appeal to the town or city board of equalization and to the county board of equalization before he may appeal to the small claims division of the tax court, except for those taxpayers whose original assessments are determined by the commissioner of revenue.

Sec. 10. Minnesota Statutes 1982, section 273.33, subdivision 2, is amended to read:

Subd. 2. The personal property, consisting of the pipeline system of mains, pipes and equipment attached thereto, of pipeline companies and others engaged in the operations or business of transporting natural gas, gasoline or other petroleum products by pipe lines, shall be listed with and assessed by the commissioner of revenue. This subdivision shall not apply to the assessment of the products transported through the pipe lines nor to the lines of local commercial gas companies engaged primarily in the business of distributing gas to consumers at retail nor to pipe lines used by the owner thereof to supply natural gas or other petroleum products exclusively for such owner's own consumption and not for resale to others. On or before (THE FIFTEENTH DAY OF NOVEMBER) *October 1*, the commissioner shall cer-

tify to the auditor of each county, the amount of such personal property assessment against each company in each district in which such property is located.

Sec. 11. Minnesota Statutes 1982, section 273.37, subdivision 2, is amended to read:

Subd. 2. Transmission lines of less than 69 kv, transmission lines of 69 kv and above located in an unorganized township, and distribution lines, and equipment attached thereto, having a fixed situs outside the corporate limits of cities except distribution lines taxed as provided in sections 273.40 and 273.41, shall be listed with and assessed by the commissioner of revenue in the county where situated. The commissioner shall assess such property at the percentage of market value fixed by law; and, on or before (THE 15TH DAY OF NOVEMBER) *October 1*, shall certify to the auditor of each county in which such property is located the amount of the assessment made against each company and person owning such property.

Sec. 12. Minnesota Statutes 1982, section 274.01, subdivision 1, is amended to read:

Subdivision 1. (a) The town board of each town, the council or other governing body of each city, except in cities whose charters provide for a board of equalization, shall be a board of review. The county assessor shall fix a day and time when each of such boards and the board of equalization of any city whose charter provides for a board of equalization shall meet in the several assessment districts of the county, and shall on or before (APRIL) *March 1st* each year give written notice thereof to the clerk. Such meetings notwithstanding the provisions of any charter to the contrary shall be held between April 1st and June (30TH) *1st* in each year, and the clerk shall give published and posted notice of such meeting at least ten days prior to the date fixed. Such board shall meet at the office of the clerk to review the assessment and classification of property in such town or district, and immediately proceed to examine and see that all taxable property in the town or district has been properly placed upon the list, and duly valued by the assessor. In case any property, real or personal shall have been omitted, the board shall place it upon the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, shall be entered on the assessment list at its market value; but no assessment of the property of any person shall be raised until he has been duly notified of the intent of the board so to do. On application of any person feeling aggrieved, the board shall review the assessment or classification or both, and correct it as shall appear just. A majority of the members may act at such meeting, and adjourn from day to day until they finish the hearing of all cases presented. The assessor shall attend, with his assessment books and papers, and take part in the proceedings, but

shall not vote. The county assessor, or an assistant delegated by him shall attend such meetings. The board shall list separately, on a form appended to the assessment book, all omitted property added to the list by the board (AND ALL ITEMS OF PROPERTY INCREASED OR DECREASED, WITH THE MARKET VALUE OF EACH ITEM OF PROPERTY, ADDED OR CHANGED BY THE BOARD, PLACED OPPOSITE SUCH ITEM). The county assessor shall enter all changes made by the board in the assessment book.

(b) If a person fails to appear in person, by counsel, or by written communication before the board after being duly notified of the board's intent to raise the assessment of his property, or if a person feeling aggrieved by an assessment or classification fails to apply for a review of the assessment or classification, he may not appear before the county board of equalization for a review of his assessment or classification, except when an assessment was made subsequent to the meeting of the board, as provided in section 273.01, or that he can establish that he did not receive notice of his market value at least five days before the local board of review meeting.

The board of review, and the board of equalization of any city, unless a longer period is approved by the commissioner of revenue, shall complete its work and adjourn within 20 days from the time of convening specified in the notice of the clerk and no action taken subsequent to such date shall be valid. All complaints in reference to any assessment or classification made after the meeting of such board, shall be heard and determined by the county board of equalization. Any non-resident may, at any time, before the meeting of the board of review file written objections to his assessment or classification with the county assessor and if any such objections are filed they shall be presented to the board of review at its meeting by the county assessor for its consideration.

(c) *All items of property increased or decreased, with the market value of each item of property added or changed by the board, shall be placed in the assessment book by the county assessor.*

Sec. 13. Minnesota Statutes 1982, section 274.14, is amended to read:

274.14 [LENGTH OF SESSION; RECORD.]

The county board of equalization or the special board of equalization appointed by it may continue in session and adjourn from time to time commencing on the first Monday (FOLLOWING THE FOURTH DAY OF JULY OR, IF THE FIRST MONDAY FOLLOWING THE FOURTH DAY OF JULY IS A LEGAL HOLIDAY, THE FIRST TUESDAY FOLLOWING THE FOURTH DAY OF JULY) of June and ending on or be-

fore the tenth following working day, when it shall adjourn and no action taken subsequent to the day of adjournment shall be valid unless a longer session period is approved by the commissioner of revenue. (THE COMMISSIONER MAY EXTEND THE SESSION PERIOD TO AUGUST 10 BUT) No action taken by the county board of review after the extended termination date shall be valid. The county auditor shall keep an accurate record of the proceedings and orders of the board, which record shall be published in the same manner as other proceedings of county commissioners. A copy of such published record shall be transmitted to the commissioner of revenue, with the abstract of assessment required by section 274.16.

Sec. 14. Minnesota Statutes 1982, section 274.16, is amended to read:

274.16 [CORRECTED LISTS, ABSTRACTS.]

The county assessor or, in Ramsey county, the official designated by the board of county commissioners shall calculate the changes of the assessment lists determined by the county board of equalization, and make corrections accordingly, in the real or personal lists, or both, and shall make duplicate abstracts of the same; one shall be filed in his office, and one shall be forwarded to the commissioner of revenue (ON OR BEFORE AUGUST 1) *within five working days following final action by the county board of equalization.*

Sec. 15. Minnesota Statutes 1982, section 275.07, subdivision 1, is amended to read:

Subdivision 1. The taxes voted by cities, towns, and school districts shall be certified by the proper authorities to the county auditor on or before October (TENTH) 10 in each year. If a city, town, county, school district or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year. If the local unit notifies the commissioner of revenue before October (TENTH) 10 of its inability to certify its levy by that date, and the commissioner is satisfied that the delay is unavoidable and is not due to the negligence of the local unit's officials or staff, the commissioner shall extend the time within which the local unit shall certify its levy *up to 30 days beyond the date of request for extension, provided no extension shall be granted beyond November 1. For 1984 only the November 1 limitation may be extended to November 10.*

## "ARTICLE 1

### RIGHTS OF VICTIMS OF CRIMES

#### GENERAL RIGHTS

##### Section 1. [611A.01] [DEFINITIONS.]

*For the purposes of sections 1 to 5:*

(a) "Crime" means conduct that is included within the definition of "crime" in section 609.02, subdivision 1, or would be included within that definition but for the fact that (i) the person engaging in the conduct lacked capacity to commit the crime under the laws of this state, or (ii) the act was alleged or found to have been committed by a juvenile;

(b) "Victim" means a natural person who incurs loss or harm as a result of a crime. If the victim is deceased, "victim" means the deceased's surviving spouse or next of kin; and

(c) "Juvenile" has the same meaning as given to the term "child" in section 260.015, subdivision 2.

##### Sec. 2. [611A.02] [VICTIM SERVICE NOTIFICATION.]

*The commissioner of corrections, in cooperation with the executive director of the crime victims reparations board, shall develop a plan to provide victims with information concerning victim services in the geographic area where the crimes occurred. This information shall include, but need not be limited to, information about available victim crisis centers, programs for victims of sexual assault, victim witness programs, elderly victims projects, victim assistance hotlines, incest abuse programs, and domestic violence shelters and programs.*

*The plan shall take into account the fact that some counties currently have informational service systems and victim or witness services or programs.*

*This plan shall be presented to the appropriate standing committees of the legislature no later than February 1, 1984.*

##### Sec. 3. [611A.03] [PLEA AGREEMENTS; NOTIFICATION.]

*Subdivision 1. [PLEA AGREEMENTS; NOTIFICATION OF VICTIM.] Prior to the entry of the factual basis for a plea pursuant to a plea agreement recommendation, a prosecuting attorney shall make a reasonable and good faith effort to inform the victim of:*

- (a) The contents of the plea agreement recommendation; and*
- (b) His right to be present at the sentencing hearing and to express in writing any objection he has to the agreement or to the proposed disposition. If the victim is not present when the court considers the recommendation, but has communicated his objections to the prosecuting attorney, the prosecuting attorney shall make these objections known to the court.*

*Subd. 2. [NOTIFICATION DUTIES.] A prosecuting attorney satisfies the requirements of subdivision 1 by notifying:*

- (a) The victim's legal guardian or guardian ad litem; or*
- (b) The three victims the prosecuting attorney believes to have suffered the most, if there are more than three victims of the offense.*

*Subd. 3. [APPLICABILITY.] The provisions of this section apply to crimes which are violations of sections 609.185, 609.19, 609.195, 609.20, 609.205, 609.221, 609.222, 609.223, 609.224, 609.24, 609.245, 609.25, 609.255, 609.342, 609.343, 609.344, 609.345, 609.3641, 609.3642, 609.3643, 609.3644, 609.365, 609.498, 609.561, 609.58, clauses (1)(b) and (2), and 609.687.*

#### **Sec. 4. [611A.04] [VICTIM'S RIGHT TO REQUEST RESTITUTION.]**

*Subdivision 1. [REQUEST; DECISION.] A victim of a crime has the right to request that restitution be considered as part of the disposition of a criminal charge or juvenile delinquency proceeding against the offender. The request for restitution shall be made by the victim in writing in affidavit form, describing the items or elements of loss and itemizing the total dollar amounts of restitution claimed, and the reasons justifying these amounts, if the request is for monetary or property restitution. In order to be considered by the court, the request must be received by the clerk of the appropriate court at least three business days before the sentencing or dispositional hearing. The clerk of court shall provide copies of this request to the prosecutor and the offender at least 24 hours before the sentencing or dispositional hearing.*

*The court shall grant or deny restitution, and shall state on the record its reasons for its decision on restitution if a request for restitution has been made.*

*Subd. 2. [PROCEDURES.] The offender shall make restitution payments to the clerk of the county, municipal, or district court of the county in which the restitution is to be paid.*

*Subd. 3. [EFFECT OF ORDER FOR RESTITUTION.] A decision for or against restitution in any criminal or juvenile proceeding is not a bar to any civil action by the victim or by the state pursuant to section 299B.10 against the offender. The offender shall be given credit, in any order for judgment in favor of a victim in a civil action, for any restitution paid to the victim for the same injuries for which the judgment is awarded.*

**Sec. 5. [611A.06] [RIGHT TO NOTICE OF RELEASE.]**

*The commissioner of corrections or other custodial authority shall make a good faith effort to notify the victim that the offender is to be released from imprisonment or incarceration, other than for work release, prior to the release if the victim has mailed to the commissioner of corrections or to the head of the facility in which the offender is confined a written request for this notice. The commissioner or other custodial authority complies with this section if he mails the notice of impending release to the victim at the address which the victim has most recently provided to him in writing.*

*In the next and subsequent editions of Minnesota Statutes, the revisor of statutes shall renumber each section specified in Column A with the number set forth in Column B.*

*In addition, the revisor of statutes shall make necessary cross-reference changes consistent with renumbering required by this section.*

## ARTICLE 2

Section 1. Minnesota Statutes 1982, section 241.26, subdivision 5, is amended to read:

Subd. 5. [EARNINGS; WORK RELEASE ACCOUNT.] The net earnings of each inmate participating in a work release program provided by this section shall be collected by or forwarded to the commissioner of corrections under rules established by him and deposited by the commissioner in the state treasury (AND), *to be* credited to the "work release account", (WHICH ACCOUNT IS HEREBY ESTABLISHED,) to the account of (SUCH) *the* inmate. (SUCH) *The* moneys shall (BE AND) remain under the control of the commissioner for the sole benefit of (SUCH) *the* inmate, subject to disbursement by the commissioner for the following (PURPOSE) *purposes* and in the following order:

(1) The cost of (SUCH) *the* inmate's keep as determined by (THE PROVISION OF) subdivision 7, which moneys shall be deposited in the general fund of the state treasury if (SUCH) *the* inmate is housed in a state correctional institution, or shall be paid to the appropriate city or county treasurer if (SUCH) *the* inmate is housed in a city or county facility;

(2) Necessary travel expense to and from work and other incidental expenses of the inmate;

(3) Support of inmate's dependents, if any;

(4) *Court-ordered restitution;*

(5) After the above expenditures, the inmate shall have discretion to direct payment of the balance, if any, upon proper proof of personal legal debts;

((5)) (6) The balance, if any, shall be disbursed to the inmate as provided in section 243.24, subdivision 1.

All moneys in the "work release account" (ESTABLISHED BY THIS SUBDIVISION) are appropriated annually to the commissioner of corrections for the purposes of the work release program.

Sec. 2. Minnesota Statutes 1982, section 243.23, subdivision 3, is amended to read:

Subd. 3. [EXCEPTIONS.] Notwithstanding sections 241.01, subdivision 8, 241.26, subdivision 5, and 243.24, subdivision 1, the commissioner shall promulgate rules for the disbursement of funds earned under subdivision 1 for the support of families and dependent relatives of the respective inmates, *for the payment of court-ordered restitution*, and for the discharge of any legal obligations arising out of litigation under this subdivision. An inmate of an adult correctional facility under the control of the commissioner is subject to actions for the enforcement of support obligations and reimbursement of any public assistance rendered the dependent family and relatives. The commissioner may conditionally release an inmate who is a party to an action under this subdivision and provide for his detention in a local detention facility convenient to the place of the hearing when he is not engaged in preparation and defense.

Sec. 3. Minnesota Statutes 1982, section 609.115, subdivision 1, is amended to read:

Subdivision 1. [PRESENTENCE INVESTIGATION.] When a defendant has been convicted of a misdemeanor (,) *or gross misdemeanor (, OR FELONY)*, the court may, *and when the defendant has been convicted of a felony, the court shall*, before sentence is imposed, cause a presentence investigation and written report to be made to the court concerning the defendant's individual characteristics; circumstances, needs, potentialities, criminal record and social history, the circumstances of the offense and the harm caused (THEREBY) *by it* to others and to the community. If the court (SO) directs, the report shall include an estimate of the prospects of the defendant's rehabilitation and recommendations as to the sentence which should be imposed. In misdemeanor cases the report may be oral.

When a defendant has been convicted of a felony, and before sentencing, the court shall cause a sentencing worksheet to be completed to facilitate the application of the Minnesota sentencing guidelines. (IF A PRESENTENCE INVESTIGATION IS ORDERED BY THE COURT,) The worksheet shall be submitted as part of the presentence investigation report. (IF A PRESENTENCE INVESTIGATION IS NOT ORDERED BY THE COURT, THE WORKSHEET SHALL NONETHELESS BE SUBMITTED.)

The investigation shall be made by a probation officer of the court, if there is one, otherwise by the commissioner of corrections.

Pending the presentence investigation and report, the court with the consent of the commissioner may commit the defendant to the custody of the commissioner of corrections who shall return the defendant to the court when the court so orders.

Presentence investigations shall be conducted and summary hearings held upon reports and upon the sentence to be imposed upon the defendant in accordance with this section, (MINNESOTA STATUTES, SECTION) *section* 244.10, (UPON ITS EFFECTIVE DATE,) and (RULE 27 OF) the rules of criminal procedure.

Sec. 4. Minnesota Statutes 1982, section 609.115, is amended by adding a subdivision to read:

*Subd. 1b. [ADDITIONAL CONTENTS.] The presentence investigation report shall also include the following information relating to victims:*

*(a) A summary of the damages or harm and any other problems generated by the criminal occurrence;*

*(b) A concise statement of what disposition the victim deems appropriate for the defendant or juvenile court respondent, including reasons given, if any, by the victim in support of his opinion; and*

*(c) An attachment to the report, consisting of the victim's written objections, if any, to the proposed disposition if the victim provides the officer conducting the presentence investigation with this written material within a reasonable time prior to the disposition.*

*For the purposes of this section, "victim" has the meaning given to it in article 1, section 1.*

Sec. 5. Minnesota Statutes 1982, section 609.115, is amended by adding a subdivision to read:

*Subd. 1c. [NOTICE TO VICTIM.] The officer conducting the presentence or predispositional report shall make reasonable and good faith efforts to contact the victim of that crime and to provide that victim with the following information: (i) the charge or juvenile court petition to which the defendant has been convicted or pleaded guilty, or the juvenile respondent has admitted in court or has been found to have committed by the juvenile court, and of any plea agreement between the prosecution and the defense counsel; (ii) his right to request restitution pursuant to article 1, section 4; (iii) the time and place of the sentencing or juvenile court disposition and his right to be present; and (iv) his right to object in writing to the court, prior to the time of sentencing or juvenile court disposition, to the proposed sentence or juvenile dispositional alternative, or to the terms of the proposed plea agreement. To assist the victim in making a recommendation under clause (iv), the officer shall provide the victim with information about the court's options for sentencing and other dispositions. Failure of the officer to comply with this subdivision does not give any rights or grounds for post conviction or post juvenile disposition relief to the defendant or juvenile court respondent, nor does it entitle a defendant or a juvenile court respondent to withdraw a plea of guilty.*

Sec. 6. Minnesota Statutes 1982, section 609.498, is amended to read:

**609.498 [TAMPERING WITH A WITNESS.]**

Subdivision 1. Any water power, telegraph, telephone, pneumatic tube, community antenna television, *cable communications* or electric light, heat, or power company may use public roads for the purpose of constructing, using, operating, and maintaining lines, subways, canals, or conduits, for their business, but such lines shall be so located as in no way to interfere with the safety and convenience of ordinary travel along or over the same; and, in the construction and maintenance of such line, subway, canal, or conduit, the company shall be subject to all reasonable regulations imposed by the governing body of any county, town or city in which such public road may be. **Sec. 7. [238.26] [SUBSEQUENT TAKING.]**

In the event the premises upon which cable communications equipment has been installed is subsequently condemned by the state or by another entity empowered under state law to condemn by exercise of the power of eminent domain, the cable communications company's measure of damages for the taking shall be limited to the actual compensation originally paid by the cable communications company to the property owner under sections 3 to 8.

**Sec. 8. [238.27] [INTERFERENCE WITH FACILITIES.]**

No person may interfere with the installation, operation, inspection, maintenance, or removal of cable communications facilities or activities of a cable communications company under sections 3 to 8 of this act. Any person violating this subdivision is guilty of a misdemeanor.

Sec. 9. [238.35] [USE OF EXISTING EASEMENTS; RESTRICTIONS.]

Subdivision 1. [LEGISLATIVE FINDINGS.] There is a long-standing legislative policy in the state of Minnesota to provide for the dedication or other provision of easements required by public utilities and cable communications companies. There is a public understanding and acceptance of the need of public utilities and cable communications companies to have the ability to use existing utility easements in order to provide new and improved cable communications services made possible by technological developments. Cable communications companies have a need to use existing utility easements in order to deliver their services to the public. The addition of cable communications system components does not constitute an unanticipated or added burden on the real estate subject to the easements.

Subd. 2. [UTILITY EASEMENT DEFINED.] For purposes of this section, the term "utility easement" includes all utility easements or general purpose easements dedicated on a recorded plat to the public or to the state or to any political subdivision thereof; all deeded easements to the public or to the state or to any political subdivision thereof which are for general or utility purposes; all easements acquired by condemnation or prescription by the state or any political subdivision thereof which are for general or utility purposes; and all easements in favor of any public service corporation for telephone or electric transmission purposes.

Subd. 3. [AUTHORIZATION TO USE EXISTING UTILITY EASEMENTS.] The state or any county, city, township, agency, or political subdivision thereof, or any individual, partnership, venture, or corporation which is licensed, franchised, or authorized thereby to establish and operate a cable communications company may utilize any existing utility easement in accordance with the provisions of this section to install, maintain, and remove cable communications system components without the payment of additional compensation to the owners or occupants of the real estate subject to the easement, other than the owner of the utility easement or its successors or assigns.

Subd. 4. [RESTRICTIONS ON USE.] (a) As a condition of using any utility easement, a cable communications company shall be subject to any burdens, duties, or obligations specified in the easement of the grantee of the easement.

(b) *A cable communications company shall restore the real estate, and any landscaping or improvements thereon, to the condition they were in prior to entry within 30 days of completing the installation of the cables and related cable communications system components upon that real estate. Restoration which cannot be completed during the winter months must be accomplished as promptly as weather conditions permit.*

Sec. 10. [EFFECTIVE DATE.]

*This act is effective the day following final enactment.*"

“Section 1. [116C.80] [MIDWEST INTERSTATE LOW-LEVEL RADIOACTIVE WASTE COMPACT.]

*The midwest interstate low-level radioactive waste compact is enacted into law and entered into with all jurisdictions legally joining therein in the form substantially as follows:*

### ARTICLE I. POLICY AND PURPOSE

*There is created the Midwest Interstate Low-Level Radioactive Waste Compact.*

*The states party to this compact recognize that the Congress of the United States, by enacting the Low-Level Radioactive Waste Policy Act (42 U.S.C. 2021b to 2021d), as amended through December 31, 1982, has provided for and encouraged the development of low-level radioactive waste compacts as a tool for managing such waste. The party states acknowledge that the Congress has declared that each state is responsible for providing for the availability of capacity either within or outside the state for the disposal of low-level radioactive waste generated within its borders, except for waste generated as a result of certain defense activities of the federal government or federal research and development activities. The party states also recognize that the management of low-level radioactive waste is handled most efficiently on a regional basis; and, that the safe and efficient management of low-level radioactive waste generated within the region requires that sufficient capacity to manage such waste be properly provided.*

*a. It is the policy of the party states to enter into a regional low-level radioactive waste management compact for the purpose of:*

*1. Providing the instrument and framework for a cooperative effort;*

*2. Providing sufficient facilities for the proper management of low-level radioactive waste generated in the region;*

*3. Protecting the health and safety of the citizens of the region;*

*4. Limiting the number of facilities required to effectively and efficiently manage low-level radioactive waste generated in the region;*

*5. Encouraging the reduction of the amounts of low-level radioactive waste generated in the region;*

*6. Distributing the costs, benefits, and obligations of successful low-level radioactive waste management equitably among the party states, and among generators and other persons who use regional facilities to manage their waste; and*

7. *Ensuring the ecological and economical management of low-level radioactive wastes.*

b. *Implicit in the Congressional consent to this compact is the expectation by the Congress and the party states that the appropriate federal agencies will actively assist the Compact Commission and the individual party states to this compact by:*

1. *Expeditious enforcement of federal rules, regulations and laws;*

2. *Imposition of sanctions against those found to be in violation of federal rules, regulations and laws; and*

3. *Timely inspection of their licensees to determine their compliance with these rules, regulations and laws.*

## ARTICLE II. DEFINITIONS

2. Approve the disposal of waste generated within the region at a facility other than a regional facility.

3. Appear as an intervenor or party in interest before any court of law or any federal, state or local agency, board or commission in any matter related to waste management. In order to represent its views, the Commission may arrange for any expert testimony, reports, evidence or other participation.

4. Review the emergency closure of a regional facility, determine the appropriateness of that closure, and take whatever actions are necessary to ensure that the interests of the region are protected.

5. Take any action which is appropriate and necessary to perform its duties and functions as provided in this compact.

6. Suspend the privileges or revoke the membership of a party state by a two-thirds vote of the membership in accordance with article VIII.

*i. The Commission shall:*

1. Receive and act on the petition of a nonparty state to become an eligible state.

2. Submit an annual report to, and otherwise communicate with, the governors and the appropriate officers of the legislative bodies of the party states regarding the activities of the Commission.

3. Hear, negotiate, and, as necessary, resolve by final decision disputes which may arise between the party states regarding this compact.

4. Adopt and amend, by a two-thirds vote of the membership, in accordance with the procedures and criteria developed pursuant to Article IV, a regional management plan which desig-

notes host states for the establishment of needed regional facilities.

5. Adopt an annual budget.

j. Funding of the budget of the Commission shall be provided as follows:

1. Each state, upon becoming a party state, shall pay \$50,000 or \$1,000 per cubic meter of waste shipped from that state in 1980, whichever is lower, to the Commission which shall be used for the administrative costs of the Commission;

2. Each state hosting a regional facility shall levy surcharges on all users of the regional facility based upon its portion of the total volume and characteristics of wastes managed at that facility. The surcharges collected at all regional facilities shall:

a. Be sufficient to cover the annual budget of the Commission;

b. Represent the financial commitments of all party states to the Commission; and

c. Be paid to the Commission, provided, however, that each host state collecting surcharges may retain a portion of the collection sufficient to cover its administrative costs of collection, and that the remainder be sufficient only to cover the approved annual budget of the Commission.

k. The Commission shall keep accurate accounts of all receipts and disbursements. The Commission shall contract with an independent certified public accountant to annually audit all receipts and disbursements of Commission funds, and to submit an audit report to the Commission. The audit report shall be made a part of the annual report of the Commission required by this Article.

l. The Commission may accept for any of its purposes and functions and may utilize and dispose of any donations, grants of money, equipment, supplies, materials and services from any state or the United States (or any subdivision or agency thereof), or interstate agency, or from any institution, person, firm or corporation. The nature, amount and condition, if any, attendant upon any donation or grant accepted or received by the Commission together with the identity of the donor, grantor or lender, shall be detailed in the annual report of the Commission.

m. The Commission is not liable for any costs associated with any of the following:

1. The licensing and construction of any facility,

2. *The operation of any facility,*
3. *The stabilization and closure of any facility,*
4. *The care of any facility,*
5. *The extended institutional control, aftercare of any facility, or*
6. *The transportation of waste to any facility.*

*n. 1. The Commission is a legal entity separate and distinct from the party states and is liable for its actions as a separate and distinct legal entity. Liabilities of the Commission are not liabilities of the party states. Members of the Commission are not personally liable for actions taken by them in their official capacity.*

*2. Except as provided under sections m. and n.1. of this article, nothing in this compact alters liability for any act, omission, course of conduct or liability resulting from any causal or other relationships.*

*o. Any person aggrieved by a final decision of the Commission may obtain judicial review of such decision in any court of competent jurisdiction by filing in such court a petition for review within 60 days after the Commission's final decision.*

#### ARTICLE IV. REGIONAL MANAGEMENT PLAN

*The Commission shall adopt a regional management plan designed to ensure the safe and efficient management of waste generated within the region. In adopting a regional waste management plan the Commission shall:*

*a. Adopt procedures for determining, consistent with considerations for public health and safety, the type and number of regional facilities which are presently necessary and which are projected to be necessary to manage waste generated within the region;*

*b. Develop and consider policies promoting source reduction of waste generated within the region;*

*c. Develop and adopt procedures and criteria for identifying a party state as a host state for a regional facility. In developing these criteria, the Commission shall consider all the following;*

*1. The health, safety, and welfare of the citizens of the party states.*

2. *The existence of regional facilities within each party state.*
  3. *The minimization of waste transportation.*
  4. *The volumes and types of wastes generated within each party state.*
  5. *The environmental, economic, and ecological impacts on the air, land and water resources of the party states.*
- d. *Conduct such hearings, and obtain such reports, studies, evidence and testimony required by its approved procedures prior to identifying a party state as a host state for a needed regional facility;*
- e. *Prepare a draft management plan, including procedures, criteria and host states, including alternatives, which shall be made available in a convenient form to the public for comment. Upon the request of a party state, the Commission shall conduct a public hearing in that state prior to the adoption of the management plan. The management plan shall include the commission's response to public and party state comment.*

#### ARTICLE V. RIGHTS AND OBLIGATIONS OF PARTY STATES

- a. *Each party state shall act in good faith in the performance of acts and courses of conduct which are intended to ensure the provision of facilities for regional availability and usage in a manner consistent with this compact.*
- b. *Each party state has the right to have all wastes generated within its borders managed at regional facilities subject to the provisions contained in Article IX. c. All party states have an equal right of access to any facility made available to the region by any agreement entered into by the Commission pursuant to Article III.*
- c. *Party states or generators may negotiate for the right of access to a facility outside the region and may export waste outside the region subject to Commission approval under Article III.*
- d. *To the extent permitted by federal law, each party state may enforce any applicable federal and state laws, regulations and rules pertaining to the packaging and transportation of waste generated within or passing through its borders. Nothing in this section shall be construed to require a party state to enter into any agreement with the U.S. Nuclear Regulatory Commission.*

*e. Each party state shall provide to the Commission any data and information the Commission requires to implement its responsibilities. Each party state shall establish the capability to obtain any data and information required by the Commission.*

#### ARTICLE VI. DEVELOPMENT AND OPERATION OF FACILITIES

*a. Any party state may volunteer to become a host state, and the Commission may designate that state as a host state upon a two-thirds vote of its members.*

*b. If all regional facilities required by the regional management plan are not developed pursuant to section a., or upon notification that an existing regional facility will be closed, the Commission may designate a host state.*

*c. Each party state designated as a host state is responsible for determining possible facility locations within its borders. The selection of a facility site shall not conflict with applicable federal and host state laws, regulations and rules not inconsistent with this compact and shall be based on factors including, but not limited to, geological, environmental and economic viability of possible facility locations.*

*d. Any party state designated as a host state may request the Commission to relieve that state of the responsibility to serve as a host state. The Commission may relieve a party state of this responsibility only upon a showing by the requesting party state that no feasible potential regional facility site of the type it is designated to host exists within its borders.*

*e. After a state is designated a host state by the Commission, it is responsible for the timely development and operation of a regional facility.*

*f. To the extent permitted by federal and state law, a host state shall regulate and license any facility within its borders and ensure the extended care of that facility.*

*g. The Commission may designate a party state as a host state while a regional facility is in operation if the Commission determines that an additional regional facility is or may be required to meet the needs of the region. The Commission shall make this designation following the procedures established under Article IV.*

*h. Designation of a host state is for a period of 20 years or the life of the regional facility which is established under that designation, whichever is longer. Upon request of a host state, the Commission may modify the period of its designation.*

i. A host state may establish a fee system for any regional facility within its borders. The fee system shall be reasonable and equitable. This fee system shall provide the host state with sufficient revenue to cover any costs, including but not limited to the planning, siting, licensure operation, decommissioning, extended care and long-term liability, associated with such facilities. This fee system may also include reasonable revenue beyond the costs incurred for the host state, subject to approval by the Commission. A host state shall submit an annual financial audit of the operation of the regional facility to the Commission. The fee system may include incentives for source reduction and may be based on the hazard of the waste as well as the volume.

j. A host state shall ensure that a regional facility located within its borders which is permanently closed is properly decommissioned. A host state shall also provide for the care of a closed or decommissioned regional facility within its borders so that the public health and safety of the state and region are ensured.

k. A host state intending to close a regional facility located within its borders shall notify the Commission in writing of its intention and the reasons. Notification shall be given to the Commission at least five years prior to the intended date of closure. This section shall not prevent an emergency closing of a regional facility by a host state to protect its air, land and water resources and the health and safety of its citizens. However, a host state which has an emergency closing of a regional facility shall notify the Commission in writing within three working days of its action and shall, within 30 working days of its action, demonstrate justification for the closing.

l. If a regional facility closes before an additional or new facility becomes operational, waste generated within the region may be shipped temporarily to any location agreed on by the Commission until a regional facility is operational.

m. A party state which is designated as a host state by the Commission and fails to fulfill its obligations as a host state may have its privileges under the compact suspended or membership in the compact revoked by the Commission.

## ARTICLE VII. OTHER LAWS AND REGULATIONS

a. Nothing in this compact:

1. Abrogates or limits the applicability of any act of Congress or diminishes or otherwise impairs the jurisdiction of any federal agency expressly conferred thereon by the Congress;

2. Prevents the enforcement of any other law of a party state which is not inconsistent with this compact;

3. Prohibits any storage or treatment of waste by the generator on its own premises;

4. Affects any administrative or judicial proceeding pending on the effective date of this compact;

5. Alters the relations between and the respective internal responsibility of the government of a party state and its subdivisions;

6. Affects the generation, treatment, storage, or disposal of waste generated by the atomic energy defense activities of the Secretary of the U.S. Department of Energy or successor agencies or federal research and development activities as described in section 31 of the Atomic Energy Act of 1954 (42 U.S.C. 2051); or

7. Affects the rights and powers of any party state or its political subdivisions to the extent not inconsistent with this compact, to regulate and license any facility or the transportation of waste within its borders or affects the rights and powers of any party state and its political subdivisions to tax or impose fees on the waste managed at any facility within its borders;

8. Requires a party state to enter into any agreement with the U.S. Nuclear Regulatory Commission;

9. Alters or limits liability of transporters of waste, owners and operators of sites for their acts, omissions, conduct or relationships in accordance with applicable laws.

b. For purposes of this compact, all state laws or parts of laws in conflict with this compact are hereby superseded to the extent of the conflict.

c. No law, rule or regulation of a party state or of any of its subdivisions or instrumentalities may be applied in a manner which discriminates against the generators of another party state.

#### ARTICLE VIII. ELIGIBLE PARTIES, WITHDRAWAL, REVOCATION, ENTRY INTO FORCE, TERMINATION

a. Eligible parties to this compact are the states of Delaware, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, Virginia and Wisconsin. Eligibility terminates on July 1, 1984.

b. Any state not eligible for membership in the compact may petition the Commission for eligibility. The Commission may establish appropriate eligibility requirements. These requirements may include, but are not limited to, an eligibility fee or designation as a host state. A petitioning state becomes eligible for membership in the compact upon the approval of the Commission, including the affirmative vote of all host states. Any state becoming eligible upon the approval of the Commission becomes a member of the compact in the same manner as any state eligible for membership at the time this compact enters into force.

c. An eligible state becomes a party state when the state enacts the compact into law and pays the membership fee required in Article III. j.1.

d. The Commission is formed upon the appointment of Commission members and the tender of the membership fee payable to the Commission by three party states. The Governor of the first state to enact this compact shall convene the initial meeting of the Commission. The Commission shall cause legislation to be introduced in the Congress which grants the consent of the Congress to this compact, and shall take action necessary to organize the Commission and implement the provisions of this compact.

e. Any party state may withdraw from this compact by repealing the authorizing legislation but no withdrawal may take effect until five years after the governor of the withdrawing state gives notice in writing of the withdrawal to the Commission and to the governor of each party state. Withdrawal does not affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal. Any host state which grants a disposal permit for waste generated in a withdrawing state shall void the permit when the withdrawal of that state is effective.

f. Any party state which fails to comply with the terms of this compact or fails to fulfill its obligations may have its privileges suspended or its membership in the compact revoked by the Commission in accordance with Article III. h.6. Revocation takes effect one year from the date the affected party state receives written notice from the Commission of its action. All legal rights of the affected party state established under this compact cease upon the effective date of revocation but any legal obligations of that party state arising prior to revocation continue until they are fulfilled. The chairperson of the Commission shall transmit written notice of a revocation of a party state's membership in the compact immediately following the vote of the Commission to the governor of the affected party state, all other governors of the party states and the Congress of the United States.

g. This compact becomes effective July 1, 1983, or at any date subsequent to July 1, 1983, upon enactment by at least three

eligible states. However, Article IX, section (b) shall not take effect until the Congress has by law consented to this compact. The Congress shall have an opportunity to withdraw such consent every five years. Failure of the Congress to affirmatively withdraw its consent has the effect of renewing consent for an additional five year period. The consent given to this compact by the Congress shall extend to any future admittance of new party states under sections b. and c. of this article and to the power of the Commission to ban the shipment of waste from the region pursuant to Article III.

*h.* The withdrawal of a party state from this compact under section e. of this article or the suspension or revocation of a state's membership in this compact under section f. of this article does not affect the applicability of this compact to the remaining party states.

*i.* A state which has been designated by the Commission to be a host state has 90 days from receipt by the Governor of written notice of designation to withdraw from the compact without any right to receive refund of any funds already paid pursuant to this compact, and without any further payment. Withdrawal becomes effective immediately upon notice as provided in section e. of this article. A designated host state which withdraws from the compact after 90 days and prior to fulfilling its obligations shall be assessed a sum the Commission determines to be necessary to cover the costs borne by the Commission and remaining party states as a result of that withdrawal.

## ARTICLE IX. PENALTIES

*a.* Each party state shall prescribe and enforce penalties against any person who is not an official of another state for violation of any provision of this compact.

*b.* Unless otherwise authorized by the Commission pursuant to Article III. h. after January 1, 1986, it is a violation of this compact:

1. For any person to deposit at a regional facility waste not generated within the region;

2. For any regional facility to accept waste not generated within the region;

3. For any person to export from the region waste which is generated within the region; or

4. For any person to dispose of waste at a facility other than a regional facility.

c. Each party state acknowledges that the receipt by a host state of waste packaged or transported in violation of applicable laws, rules and regulations may result in the imposition of sanctions by the host state which may include suspension or revocation of the violator's right of access to the facility in the host state.

d. Each party state has the right to seek legal recourse against any party state which acts in violation of this compact.

## ARTICLE X. SEVERABILITY AND CONSTRUCTION

The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared by a court of competent jurisdiction to be contrary to the Constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If any provision of this compact shall be held contrary to the Constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters.

*Sec. 8. [116C.87] [EFFECT ON EXISTING STATE LAW.]*

*Except as otherwise provided in section 12, subdivision 4, it is the intent of this state as a party to the compact to apply and enforce its laws and rules relating to environmental review, siting of facilities, and protection of the environment and public health with respect to the location, construction, and regulation of any regional low-level radioactive waste facility in this state.*

*Sec. 9. [116C.88] [ADVISORY COMMITTEE.]*

*An advisory committee is created to consult with and advise the director, the governor, and the legislature on low-level radioactive waste issues. The advisory committee shall consist of three representatives chosen by the speaker of the house; three senators chosen by the senate committee on committees; the director; the commissioner of health; the commissioner of transportation; the commissioner of department of natural resources;*

and the chairperson of the environmental quality board. The committee shall elect a chairperson from among its members.

The advisory committee may appoint a technical task force on low-level radioactive waste, including but not limited to any members of the public with special expertise in low-level radioactive waste, state agency personnel, and generators representing the medical, industrial, and commercial organizations in the state which ship wastes to regional facilities.

**Sec. 10. [116C.89] [DUTY TO PROVIDE INFORMATION.]**

*Subdivision 1. [REQUIRED INFORMATION.] Any generators of low-level radioactive waste and any person engaged in transporting or disposing of low-level radioactive waste, when requested by the agency or any member, employee, or agent thereof who is authorized by the agency, shall furnish information needed by the agency to carry out its responsibilities under the compact and under sections 3 to 13.*

**Sec. 12. [116C.91] [CONTINGENT PROVISIONS.]**

*Subdivision 1. [REPORT.] In the event Minnesota is designated by the interstate commission to be a host state for a regional low-level radioactive waste facility, the director within 14 days shall report to the governor, the legislature, and the advisory committee with recommendations for further action.*

*Subd. 2. [OPTION FOR WITHDRAWAL.] In the event Minnesota is designated by the interstate commission to be a host state for a regional low-level radioactive waste facility, the advisory committee shall report to the governor and the legislature within 30 days with its recommendations whether or not Minnesota should exercise its option to withdraw from the compact. It is the intent of the legislature that, if the legislature is not or will not be in session so that action cannot be taken in a timely manner and if the advisory committee recommends withdrawal from the compact, the governor shall convene a special legislative session for the purpose of acting on the advisory committee's recommendation.*

[DEVELOPMENT OF A SITING PROCESS.] In the event that Minnesota is designated by the interstate commission to be host state for a regional low-level radioactive waste facility, the agency shall develop a siting process and report to the governor, the advisory committee, and the legislature with recommendations for legislation including siting criteria, procedures for public participation, licensing, regulation, and bonding requirements. The siting process which is recommended shall include bonding requirements sufficient to cover any costs of monitoring the facility and providing for its safety and security in the event that the licensee discontinues operation, management, or supervision of the facility for so long as the materials stored or treated at the facility pose a threat to the public health.*

*Subd. 4. [CERTAIN LAW NOT APPLICABLE.] In the event that Minnesota is designated by the interstate commission to be a host state for a regional low-level radioactive waste facility, the provisions of sections 116C.71 to 116C.74 shall not apply to the authorization or siting of that facility, or transportation of wastes to that facility.*

The purchase price of any shares so sold shall be the fair value of the shares as of the date of the commencement of the action or as of another date found equitable by the court, provided that, if the shares in question are then subject to sale and purchase pursuant to the bylaws of the corporation, a shareholder control agreement, the terms of the shares, or otherwise, the court shall order the sale for the price and on the terms set forth in them, unless the court determines that the price or terms are unreasonable under all the circumstances of the case.

Within five days after the entry of the order, the corporation shall provide each selling shareholder or beneficial owner with the information it is required to provide under section 302A.473, subdivision 5, paragraph (a).

If the parties are unable to agree on fair value within 40 days of entry of the order, the court shall determine the fair value of the shares under the provisions of section 302A.473, subdivision 7, and may allow interest or costs as provided in section 302A.473, subdivisions 1 and 8.

The purchase price shall be paid in one or more installments as agreed on by the parties, or, if no agreement can be reached within 40 days of entry of the order, as ordered by the court. Upon entry of an order for the sale of shares under this subdivision and provided that the corporation or the moving shareholders post a bond in adequate amount with sufficient sureties or otherwise satisfy the court that the full purchase price of the shares, plus such additional costs, expenses, and fees as may be awarded, will be paid when due and payable, the selling shareholders shall no longer have any rights or status as shareholders,

It may also pay part or all of the cost*

*of an acquisition and construction by a contracting party under a revenue agreement.*

**((2)) Subd. 3. ((5)) *Subd. 6. [PLEDGE OF REVENUES.] It may* pledge and assign to the holders of the bonds or a trustee therefor all or any part of the revenues of one or more projects and define and segregate the revenues or provide for the payment thereof to a trustee, whether or not the trustee is in possession of the project under a mortgage or otherwise (,).

((6)) *Subd. 7. [SECURITY INTERESTS.] It may* mortgage or otherwise encumber (THE PROJECTS) *or grant a security interest in any project and its revenues, or may permit a mortgage, encumbrance, or security interest to be granted by a contracting party to the revenue agreement, in favor of the municipality or redevelopment agency, the holders of the bonds, or a trustee therefor. provided that in creating any (THE MORTGAGES OR ENCUMBRANCES) mortgage, encumbrance, or security interest a municipality or redevelopment agency shall not have the power to obligate itself except with respect to the project (,) and its revenues, unless otherwise specifically provided by law.*

**"Sec. 6. [617.245] [PURPOSE OF CHILD PORNOGRAPHY LAWS.]**

*For purposes of sections 617.246 and 617.247, the legislature declares that all persons who participate in the production, dissemination, or utilization of works depicting a minor in sexual performance or photographic representations of sexual conduct which involves a minor are equally culpable in creating and maintaining an industry and an environment which sexually exploits minors. Therefore, it is the legislative intent to provide for the same penalties for all crimes in sections 617.246 and 617.247 related to depiction of a minor in sexual performance or photographic representations of sexual conduct which involves a minor. The legislature intends that a court may, in determining the amount of any fine to be imposed, consider the amount of financial gain the defendant received as a result of the crime.*

Sec. 7. Minnesota Statutes 1982, section 617.247, subdivision 3, is amended to read:

Subd. 3. [DISSEMINATION PROHIBITED.] A person who disseminates (AN OBSCENE) a photographic representation of *sexual conduct which involves a minor, knowing or with reason to know its content and character and that an actual minor is an actor or photographic subject in it, is guilty of a (GROSS MISDEMEANOR) felony and may be sentenced to imprisonment for not more than five years, or to payment of a fine of not more than \$5,000, or both.*

Sec. 8. Minnesota Statutes 1982, section 617.247, subdivision 4, is amended to read:

Subd. 4. [POSSESSION PROHIBITED.] A person who has in possession (AN OBSCENE) a photographic representation of *sexual conduct which involves a minor, knowing or with reason to know its content and character and that an actual minor is an actor or photographic subject in it, is guilty of a (GROSS MISDEMEANOR) felony and may be sentenced to imprisonment for not more than five years, or to payment of a fine of not more than \$5,000, or both.*"

Ellingson moved to amend S. F. No. 954, as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 514.011, subdivision 1, is amended to read:

Subdivision 1. [CONTRACTORS.] Every person who enters into a contract with the owner for the improvement of real property and who has contracted or will contract with any subcontractors or materialmen to provide labor, skill or materials for the improvement shall (GIVE) *include in any written contract with the owner the notice required in this subdivision and shall provide the owner with a copy of the written contract. If no written contract for the improvement is entered into, the notice (SHALL) must be prepared separately and delivered personally or by certified mail to the owner or his authorized agent within ten days after (THE CONTRACT FOR) the work of improvement is agreed upon. The notice (SHALL), whether included in a written contract or separately given, must be in at least 10-point bold type, if printed, or in capital letters, if typewritten and (SHALL) must state as follows:*

(a) persons or companies furnishing labor or materials for the improvement of real property may enforce a lien upon the improved land if they are not paid for their contributions, even if (SUCH) *the parties have no direct contractual relationship with the owner;*

(b) Minnesota law permits the owner to withhold from his contractor (SO) as much of the contract price as may be necessary to meet the demands of all other lien claimants, pay directly (SUCH) the liens and deduct the cost (THEREOF) of them from the contract price, or withhold amounts from his contractor until the expiration of (90) 120 days from the completion of (SUCH) the improvement unless the contractor furnishes to the owner waivers of claims for mechanics' liens signed by persons who furnished any labor or material for the improvement and who provided the owner with timely notice.

A person who fails to provide the notice shall not have the lien and remedy provided by this chapter.

The notice required by this subdivision is not required of any person who is (HIMSELF) an owner of the improved real estate, to any corporate contractor of which the owner of the improved real estate is an officer or controlling shareholder, to any contractor who is an officer or controlling shareholder of a corporation which is the owner of the improved real estate, or to any corporate contractor managed or controlled by substantially the same persons who manage or control a corporation which is the owner of the improved real estate.

Sec. 2. Minnesota Statutes 1982, section 514.011, subdivision 2, is amended to read:

Subd. 2. [SUBCONTRACTOR TO GIVE NOTICE.] Every person who contributes to the improvement of real property so as to be entitled to a lien pursuant to section 514.01, except a party under direct contract with the owner must, as a necessary prerequisite to the validity of any claim or lien, cause to be given to the owner or his authorized agent, either by personal delivery or by certified mail, not later than 45 days after the lien claimant has first furnished labor, skill or materials for the improvement, a written notice in at least 10-point bold type, if printed, or in capital letters, if typewritten, which shall state:

"Please take notice that persons or companies furnishing labor or materials for the improvement of real property may enforce a lien upon the improved land if they are not paid for their contributions, even if (SUCH) the parties have no direct contractual relationship with the owner.

We (name and address of subcontractor)

have been hired by your contractor (name of your contractor)

to provide (type of service) or (material) for

use in improving your property. We estimate our charges will

be  
 (value of service or material)

If we are not paid by your contractor, we can file a claim against your property for the price of our services unless, prior to your receipt of this notice, you have paid to your contractor the full amount of all improvements furnished.

To protect yourself, Minnesota law permits you, as the owner, to withhold from your contractor (SO) as much of the contract price as may be necessary to meet our demands, pay us directly and deduct the cost (THEREOF) of them from the contract price, or withhold the amount of our claim from your contractor until the expiration of (90) 120 days from the completion of the improvement unless your contractor furnishes to you a waiver of claim for mechanics' liens signed by me (us)."

Sec. 3. Minnesota Statutes 1982, section 514.07, is amended to read:

514.07 [PAYMENTS WITHHELD; LIEN WAIVERS.]

The owner may withhold from his contractor (SO) as much of the contract price as may be necessary to meet the demands of all persons, other than (SUCH) the contractor, having a lien upon the premises for labor, skill, or material furnished for the improvement, and for which the contractor is liable (; AND). He may pay and discharge all (SUCH) these liens and deduct the cost (THEREOF) of them from (SUCH) the contract price. No owner shall be required to pay his contractor until the expiration of (90) 120 days from the completion of the improvement, except to the extent that the contractor (SHALL FURNISH) furnishes to the owner waivers of claims for mechanics' liens signed by persons who furnished labor, skill or material for the improvement and who have given the notice required by section 514.011, subdivision 2. The owner, within 15 days after the completion of the contract, may require any person having a lien hereunder, by written request therefor, to furnish to him an itemized and verified account of his lien claim, the amount (THEREOF) of it, and his name and address (; AND). No action or other proceeding (SHALL) may be commenced for the enforcement of (SUCH) the lien until ten days after (SUCH) the statement is (SO) furnished. The word "owner," as used in this section, includes any person interested in the premises (OTHERWISE) other than as a lienor (THEREUNDER).

Sec. 4. Minnesota Statutes 1982, section 514.08, subdivision 1, is amended to read:

Subdivision 1. [NOTICE REQUIRED.] The lien (SHALL CEASE) ceases at the end of (90) 120 days after doing the last of (SUCH) the work, or furnishing the last item of (SUCH) skill, material, or machinery, unless within (SUCH) this period:

(1) a statement of the claim (THEREFOR, BE) is filed for record with the county recorder of the county in which the improved premises are situated, or, if the claim (BE) is made under section 514.04, with the secretary of state; and

(2) a copy of (SUCH) the statement (BE) is served personally or by certified mail on the owner or his authorized agent or the person who entered into the contract with the contractor."

*Subd. 17. For the purposes of chapter 182, the determination of what is a hazardous substance or harmful physical agent is part of the occupational safety and health standard concerning that substance or agent adopted under section 182.655, subject only to the rulemaking procedure which the whole standard is subject to under section 182.655.*

Sec. 6. Minnesota Statutes 1982, section 182.651, is amended by adding a subdivision to read:

*Subd. 18. The following substances or mixtures are not hazardous substances if they are:*

*(a) products intended for personal consumption by employees in the workplace;*

*(b) consumer products packaged for distribution to, and used by, the general public, including any product used by an employer or the employer's employees in the same form, concentration, and manner as it is sold to consumers, and to the employer's knowledge, employee exposure is not significantly greater than the consumer exposure occurring during principal consumer use of the product;*

*(c) any article, including but not limited to, an item of equipment or hardware, which contains a hazardous substance, if the substance is present in a solid form which does not create a health hazard as a result of being handled by an employee;*

*(d) any hazardous substance that is bound and not released under normal conditions of work or in a reasonably foreseeable occurrence resulting from workplace operations;*

*(e) products sold or used in retail food sale establishments and all other retail trade establishments, exclusive of processing and repair work areas; or*

*(f) any waste material regulated pursuant to the federal Resource Conservation and Recovery Act, P.L. 94-580, but only with respect to any employer in a business which provides a service of collection, processing, or disposal of such waste.*

*The commissioner may, by inclusion in the standards adopted pursuant to section 182.655, determine whether any of the fol-*

lowing may be excluded from the definitions of hazardous substance or harmful physical agent:

(a) waste products labeled pursuant to the Resource Conservation and Recovery Act;

(b) any substance received by an employee in a sealed package and subsequently sold or transferred in that package, if the seal remains intact while the substance is in the employer's workplace; or

(c) any substance, mixture, or product if present in a physical state, volume, or concentration for which there is no valid and substantial evidence that a significant risk to human health may occur from exposure.

Sec. 7. Minnesota Statutes 1982, section 182.651, is amended by adding a subdivision to read:

*Subd. 19. "Manufacturer" means anyone who produces, synthesizes, extracts, or otherwise makes, processes, blends, packages, or repackages a hazardous substance or harmful physical agent. The term manufacturer also includes anyone who imports into this state or distributes within this state a hazardous substance or harmful physical agent. Manufacturer does not include anyone whose primary business concerning the hazardous substance or harmful physical agent is in retail sales to the public. Retail sales to the public do not include sales of pesticides and fertilizers to farmers for their use in farming.*

Sec. 8. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

*Subd. 4a. An employer who is a manufacturer of a hazardous substance or a harmful physical agent or a mixture of substances or agents shall provide an employer who purchases the substance or agent with the information necessary for the purchasing employer to comply with sections 9 or 10. The information shall be provided at the time of purchase and shall be current, accurate, and complete for each substance, agent, or mixture.*

*For a mixture of hazardous substances, the manufacturer may provide the information required by this section on the entire product mixture, instead of on each hazardous substance in it, if all of the following conditions are met: hazard test information exists on the mixture itself or adequate information exists to form a valid judgment of the hazardous proportions of the mixture itself and the manufacturer indicates that the conclusions drawn are from some source other than direct testing on the mixture; information on the mixture will be as effective in protecting employee health as information on the ingredients;*

and the hazardous substances in the mixture are identified together, with the information on the mixture.

Sec. 9. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

*Subd. 4b. Prior to an employee's initial assignment to a workplace where the employee may be routinely exposed to a hazardous substance or harmful physical agent, the employer shall provide training concerning the hazardous substance or harmful physical agent. The employer shall provide additional instruction whenever the employee may be routinely exposed to any additional hazardous substance or harmful physical agent.*

*The term "routinely exposed" includes the exposure of an employee to a hazardous substance when assigned to work in an area where a hazardous substance has been spilled.*

*For each hazardous substance to which the employee may be routinely exposed, the employer's training program shall include:*

*(a) the name or names of the substance including any generic or chemical name, trade name, and commonly used name;*

*(b) the level, if any and if known, at which exposure to the substance has been determined to be safe according to standards adopted by the commissioner, or, if no standard has been adopted, according to guidelines established by competent professional groups including but not limited to the American Industrial Hygiene Association, the American Conference of Governmental Industrial Hygienists, the Center for Disease Control, the Bureau of Radiological Health, and the American National Standards Institute;*

*(c) the known acute and chronic effects of exposure at hazardous levels;*

*(d) the known symptoms of the effects;*

*(e) any potential for flammability, explosion, or reactivity of the substance;*

*(f) appropriate emergency treatment;*

*(g) the known proper conditions for safe use of and exposure to the substance;*

*(h) procedures for cleanup of leaks and spills;*

*(i) the name, phone number, and address of the manufacturer of the hazardous substance; and*

(j) a written copy of all of the above information which shall be readily accessible in the area or areas in which the hazardous substance is used or handled.

Employees who have been routinely exposed to a hazardous substance prior to the effective date of this subdivision and who continue to be routinely exposed to that hazardous substance after the effective date of this subdivision, shall be trained with respect to that hazardous substance, within six months of the effective date of this subdivision.

Refresher training to update and review the information required to be provided under this subdivision shall be repeated at intervals no greater than one year.

Every employer shall maintain current information for training under this subdivision or for information requests by employees under section 17.

This subdivision does not apply to any employer engaged in a farming operation.

Sec. 10. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

Subd. 4c. For each harmful physical agent to which an employee may be routinely exposed, the employer's training program shall include the information required by the standard for that physical agent as determined by the commissioner, including but not limited to:

(a) the name or names of the physical agent including any commonly used synonym;

(b) the level, if any and if known, at which exposure to the physical agent has been determined to be safe according to standards adopted by the commissioner, or, if no standard has been adopted, according to guidelines established by competent professional groups including but not limited to the American Conference of Governmental Industrial Hygienists, the Center for Disease Control, the Bureau of Radiological Health, and the American National Standards Institute;

(c) the known acute and chronic effects of exposure at hazardous levels;

(d) the known symptoms of the effects;

(e) appropriate emergency treatment;

(f) the known proper conditions for safe use of and exposure to the physical agent;

(g) the name, phone number, and address, if appropriate, of the manufacturer of the harmful physical agent; and

(h) a written copy of all of the above information which shall be readily accessible in the area or areas in which the harmful physical agent is present and where the employee may be exposed to the agent through use, handling, or otherwise.

Employees who have been routinely exposed to a harmful physical agent prior to the effective date of this subdivision and who continue to be routinely exposed to that harmful physical agent after the effective date of this subdivision, shall be trained with respect to that harmful physical agent within six months of the effective date of this subdivision.

Refresher training to update and review the information required to be provided under this subdivision shall be repeated at intervals no greater than one year.

Every employer shall maintain current information for training under this subdivision or for information requests by employees under section 17.

This subdivision does not apply to any employer engaged in a farming operation.

Sec. 11. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

*Subd. 4d. Each employer who is in the business of providing a service of collection, processing, or disposal of waste regulated pursuant to the federal Resource Conservation and Recovery Act, P.L. 94-580, shall provide employees who are routinely exposed to this waste a general safety training program approved by the commissioner. This training program shall be appropriate for the seriousness of the safety hazards commonly encountered by the employees and shall include: training concerning the general safety hazards involved in the collection, processing, or disposal of the waste; proper safety procedures to avoid the deleterious effects of these hazards; and common symptoms of the deleterious effects. Training shall be provided to employees within 60 days of the commissioner's approval of the training program, or, if the employee is employed after this 60-day period, prior to the employees' initial assignment where they will be routinely exposed to waste. Refresher courses reviewing the information of the training program shall be given to employees at intervals no greater than one year. The employer's safety training program shall be submitted to the commissioner for approval within two months of the effective date of this act.*

Sec. 12. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

*Subd. 4e. Each employer who is engaged in a farming operation and employs more than ten employees or maintains a temporary labor camp shall comply with a training program, developed by the commissioner, concerning the hazardous substances and harmful physical agents to which their employees are routinely exposed. The commissioner shall develop this training program in consultation with experts in agricultural work environment hazards and an advisory task force appointed by the commissioner, consisting of three representatives of agricultural employers and three representatives of agricultural employees. The program shall be designed to fulfill the same purposes as training under subdivisions 4b and 4c of this section, but take into account factors unique to farming operations. These factors shall include but not be limited to: the fact that many agricultural employees' primary language is Spanish and the fact that many chemicals used by agricultural employers are labeled under the Federal Insecticide, Fungicide, and Rodenticide Act. The commissioner shall complete implementation of this program within 1-1/2 years after the effective date of this act.*

Sec. 13. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

Sec. 14. Minnesota Statutes 1982, section 182.653, is amended by adding a subdivision to read:

*Subd. 4g. Each employer who operates a hospital or clinic shall provide regular inservice training, approved by the commissioner, to its employees who are routinely exposed to contagious animate agents including viruses, bacteria, and fungus. This training shall be current, appropriate to the level of education of the employee, and relevant to the employee's typical exposure to the animate agents in fulfilling their duties for the employer. The training shall include the names of contagious animate agents to which the employee is routinely exposed, proper techniques for the employee to avoid contamination of himself or others with the animate agent, and symptoms and effects of contamination. Training shall be provided upon the initial assignment of the employee to a job where that person will be routinely exposed to contagious animate agents and shall be repeated after that at intervals no greater than one year.*

Sec. 15. Minnesota Statutes 1982; section 182.653, is amended by adding a subdivision to read:

*Subd. 4h. Each employer who operates a research or clinical laboratory shall develop, implement, and require compliance with*

*a written plan for control of the hazardous chemicals, substances and agents to which the employer's lab employees are routinely exposed. This control plan shall be approved by the commissioner and shall include: (1) basic rules and procedures for handling hazardous chemicals, substances, and agents in the laboratory consistent with professionally recommended policies for laboratory hygiene; and (2) training for each employee, appropriate to the employee's level of education, concerning the name, associated hazards, and safety procedures for the hazardous chemicals, substances, and agents to which the employee is routinely exposed. The employer shall ensure that all laboratory employees possess sufficient knowledge concerning the hazardous chemicals, substances, and agents with which they work to enable them to prevent overexposure to these chemicals, substances, and agents.*

Sec. 16. Minnesota Statutes 1982, section 182.654, subdivision 7, is amended to read:

Subd. 7. (ANY) *An employee who has been exposed or is being exposed to (TOXIC MATERIALS) hazardous substances or harmful physical agents in concentrations or at levels in excess of that provided for by (ANY) an applicable standard shall be provided by (HIS) the employer with the opportunities provided in section 182.655, subdivision (10) 10a.*

Sec. 17. Minnesota Statutes 1982, section 182.654, is amended by adding a subdivision to read:

Subd. 10. *An employee, except an employee employed in a farming operation with ten or less employees and no temporary labor camp, or the designated representative of the employee has the right to request and receive from the employer, within a reasonable period of time, access to information the employer is required to provide the employee under sections 9, 10, or 12. For the purposes of this subdivision and section 28, subdivision 5, "designated representative" means a labor organization, as defined in section 179.01, subdivision 6, that represents employees under a valid collective bargaining agreement, or another employee whom an employee or former employee has authorized, in writing, to exercise the employee's rights under chapter 182.*

*Every employee employed in a farming operation with ten or less employees and no temporary labor camp, and any association or union representing that employee, shall have the right, upon request, to receive from their employer, within a reasonable period of time, any information on a label required by federal or state health and safety law to be on the container of any substance or chemical to which the employee is routinely exposed.*

Sec. 18. Minnesota Statutes 1982, section 182.654, is amended by adding a subdivision to read:

*Subd. 11. An employee acting in good faith has the right to refuse to work under conditions which the employee reasonably believes they present an imminent danger of death or serious physical harm to the employee.*

*A reasonable belief of imminent danger of death or serious physical harm includes but is not limited to a reasonable belief of the employee that the employee has been assigned to work with a hazardous substance, harmful physical agent, or contagious animate agent under conditions which are inconsistent with the training or information provided by the employer pursuant to section 9, clauses (g) or (h), section 10, clause (f), section 11, section 12, section 14, section 15, or section 17.*

*An employer may not discriminate against an employee for a good faith refusal to perform assigned tasks if the employee has requested that the employer correct the hazardous conditions but the conditions remain uncorrected.*

*An employee who has refused in good faith to perform assigned tasks and who has not been reassigned to other tasks by the employer shall, in addition to retaining a right to continued employment, receive pay for the tasks which would have been performed if (1) the employee requests the commissioner to inspect and determine the nature of the hazardous condition, and (2) the commissioner determines that the employee, by performing the assigned tasks, would have been placed in imminent danger of death or serious physical harm; or (3) the employee requests the commissioner to inspect and determine if a hazardous condition exists, and (4) the commissioner determines that the employer has failed to provide the training required under sections 9, 10, or 12 prior to the employee's initial assignment to a workplace where the employee may be routinely exposed to a hazardous substance or harmful physical agent and the employer has failed to provide the information required under sections 9, 10, or 12 after a request pursuant to section 17 within a reasonable period of time, but not to exceed 24 hours, of the request.*

**Sec. 19.** Minnesota Statutes 1982, section 182.655, subdivision 4, is amended to read:

**Subd. 4.** The commissioner, in (PROMULGATING) *adopting* standards dealing with (TOXIC MATERIALS) *hazardous substances* or harmful physical agents under this section, shall set the standard which most adequately assures, to the extent feasible, on the basis of the best available evidence, that no employee will suffer material impairment of health or functional capacity even if (SUCH) *the* employee has regular exposure to the hazard dealt with by (SUCH) *the* standard for the period of (HIS) *the employee's* working life. Development of standards under this subdivision shall be based upon research, demonstrations, experiments, and (SUCH) *other* information as may be appropriate. In addition to the attainment of the highest degree

of health and safety protection for the employee, other considerations shall be the latest available scientific data in the field, the feasibility of the standards, and experience gained under this and other health and safety laws. Whenever practicable, the standard (PROMULGATED) adopted shall be expressed in the terms of objective criteria and of the performance desired.

Sec. 20. Minnesota Statutes 1982, section 182.655, subdivision 10, is amended to read:

Subd. 10. Any standard (PROMULGATED) adopted under this section shall prescribe the use of labels or other appropriate forms of warning as are necessary to insure that employees are apprised of all hazards to which they are exposed, relevant symptoms and appropriate emergency treatment, and proper conditions and precautions of safe use or exposure. (WHERE APPROPRIATE, SUCH STANDARDS SHALL ALSO PRESCRIBE SUITABLE PROTECTIVE EQUIPMENT, IF FEASIBLE ENGINEERING AND ADMINISTRATIVE METHODS OF PROTECTION ALONE DO NOT PROVIDE ADEQUATE PROTECTION, AND THIS EQUIPMENT SHALL BE MADE AVAILABLE BY OR AT THE COST OF THE EMPLOYER. SUCH STANDARDS SHALL PROVIDE FOR MONITORING OR MEASURING EMPLOYEE EXPOSURE AT SUCH LOCATIONS AND INTERVALS AND IN SUCH MANNER AS MAY BE NECESSARY AND APPROPRIATE FOR THE PROTECTION OF EMPLOYEES. IN ADDITION, WHERE APPROPRIATE, ANY SUCH STANDARD SHALL PRESCRIBE THE TYPE AND FREQUENCY OF MEDICAL EXAMINATIONS OR OTHER TESTS WHICH SHALL BE MADE AVAILABLE BY THE EMPLOYER, OR AT HIS COST, TO EMPLOYEES EXPOSED TO SUCH HAZARDS IN ORDER TO MOST EFFECTIVELY DETERMINE WHETHER THE HEALTH OF SUCH EMPLOYEES IS ADVERSELY AFFECTED BY SUCH EXPOSURE. THE RESULTS OF SUCH EXAMINATIONS OR TESTS SHALL BE FURNISHED ONLY TO THE COMMISSIONER AND, AT THE REQUEST OF THE EMPLOYEE, TO HIS PHYSICIAN.)

*In the case of containers containing a hazardous substance or a harmful physical agent, a label is required as an appropriate form of warning in providing the same information as required under sections 9, 10, or 12. A label may be a coded reference to an appropriate and accessible data sheet containing the information required under sections 9, 10, or 12. When appropriate, a current data sheet may be affixed to or posted in accessible close proximity to a container containing a hazardous substance or a harmful physical agent in satisfaction of standards adopted for labels under this chapter. Containers may be labeled pursuant to federal or state labeling requirements that the commissioner certifies as satisfying the labeling standards adopted under this chapter.*

Sec. 21. Minnesota Statutes 1982, section 182.655, is amended by adding a subdivision to read:

*Subd. 10a. Where appropriate, standards shall prescribe suitable protective equipment, if feasible engineering and administrative methods of protection alone do not provide adequate protection, and this equipment shall be made available by or at the cost of the employer. The standards shall also provide for monitoring or measuring employee exposure at the locations and intervals and in the manner as may be necessary and appropriate for the protection of employees. Where appropriate, a standard shall prescribe the type and frequency of medical examinations or other tests which shall be made available by the employer, or at the employer's cost, to employees exposed to hazards in order to most effectively determine whether the health of those employees is adversely affected by the exposure. The results of these examinations or tests shall be furnished only to the commissioner, the employee's physician, at the request of the employee, and the employer to the commissioner and with notice to the employee.*

Sec. 22. Minnesota Statutes 1982, section 182.655, subdivision 11, is amended to read:

Subd. 11. The commissioner shall (PROVIDE FOR) *adopt* an emergency temporary standard to take immediate effect upon publication if (HE) *the commissioner* determines:

(a) That employees are exposed to *grave or imminent danger* from exposure to *hazardous* substances or *harmful physical agents* (DETERMINED TO BE TOXIC OR PHYSICALLY HARMFUL OR FROM NEW) *or other hazards*; and

(b) That (SUCH) *the* emergency standard is necessary to protect employees from (SUCH) *the* danger. (SUCH) *The* standard shall be effective until superseded by a standard (PROMULGATED) *adopted* in accordance with the procedures prescribed in subdivision 2.

Upon publication of (SUCH) *the* standard or standards, which interested persons may receive upon request and payment of fees, the commissioner shall commence a proceeding in accordance with subdivision 2 and the standard as published shall also serve as a proposed rule for the proceeding; the commissioner shall (PROMULGATE) *adopt* a standard under this section no later than six months after the publication of the emergency standard.

Sec. 23. [182.6575] [WAIVER PROHIBITED.]

*No employer may request or require any employee to waive any rights under this chapter or under occupational safety and health standards adopted pursuant to this chapter.*

Sec. 24. Minnesota Statutes 1982, section 182.658, is amended to read:

182.658 [POSTING REQUIREMENTS.]

The commissioner shall issue regulations requiring that employers, through posting of notices or other appropriate means, keep their employees informed of their protections and obligations under (LAWS 1973, CHAPTER 732) *chapter 182* including the provisions of applicable standards.

Sec. 25. Minnesota Statutes 1982, section 182.66, subdivision 1, is amended to read:

Subdivision 1. (IF, UPON) *After an inspection or investigation, if the commissioner believes that an employer has violated a requirement of section 182.653, (SUBDIVISIONS 2 TO 4,) or any standard, rule (, REGULATION) or order (PRESCRIBED) adopted pursuant to (LAWS 1973, CHAPTER 732, HE) this chapter, the commissioner shall, with reasonable promptness and in no event later than six months following the inspection, issue a written citation to the employer by certified mail (A WRITTEN CITATION). The citation (SHALL BE IN WRITING AND) shall describe with particularity the nature of the violation, including a reference to the provision of the act, standard, rule (, REGULATION) or order alleged to have been violated. In addition, the citation shall fix a reasonable time for the abatement of the violation.*

Sec. 26. Minnesota Statutes 1982, section 182.663, subdivision 3, is amended to read:

Subd. 3. The commissioner shall (ISSUE REGULATIONS) *adopt rules* requiring employers to maintain accurate records of employee exposures to (POTENTIALLY TOXIC MATERIALS) *hazardous substances* or harmful physical agents which are required to be monitored under (LAWS 1973, CHAPTER 732) *this chapter*. (SUCH REGULATIONS) *The rules* shall provide employees or their representatives with an opportunity to have access to the records (THEREOF). (SUCH REGULATIONS) *The rules* shall provide employees or their representatives with an opportunity to observe (SUCH) *the monitoring or measuring and to have access to the records (THERETO) and reports of the monitoring and measuring*. In order to carry out the provisions of this section, (SUCH REGULATIONS) *the rules* may include provisions requiring employers to conduct periodic inspections. (EACH) *An employer shall promptly notify (ANY) an employee who has been or is being exposed to (TOXIC MATERIALS) hazardous substances or harmful physical agents in concentrations or at levels which exceed those prescribed by an applicable occupational safety and health standard (PROMULGATED) adopted under (LAWS 1973, CHAPTER 732) chapter 182, and shall inform any em-*

ployee who is being (THUS) exposed of the corrective action being taken.

Sec. 27. Minnesota Statutes 1982, section 182.666, is amended by adding a subdivision to read:

*Subd. 5a. Any employer who knowingly violates section 23 shall be assessed a fine of up to \$1,000 for each violation. The employer shall also be liable to each aggrieved employee for civil punitive damages of \$200.*

Sec. 28. Minnesota Statutes 1982, section 182.668, is amended to read:

182.668 [TRADE SECRETS.]

*Subdivision 1. [DETERMINATION BY COMMISSIONER.] The commissioner may, on request and after a sufficient showing by the employer, determine that an employer's use of a substance, agent, or mechanism is a trade secret as defined in section 325C.01, subdivision 5.*

*Subd. 2. [CLASSIFICATION OF DATA.] All information reported to or otherwise obtained by the commissioner or his representative in connection with any inspection or proceeding under Laws 1973, Chapter 732 which contains or which might reveal a trade secret shall be considered confidential except that such information may be disclosed to other officers or employees concerned with carrying out Laws 1973, Chapter 732 or when relevant in any proceeding under Laws 1973, Chapter 732.*

*Subd. 3. [PROTECTION OF CONFIDENTIALITY.] The commissioner shall issue such orders as may be appropriate to protect the confidentiality of trade secrets by allowing, upon the request of an employer any authorized representative of employees in inspections of trade secrets areas or discussions involving trade secrets to be replaced by an employee authorized by the employer; by permitting the employer to screen out trade secret details where photographs are deemed essential to the investigation; and by allowing the employer to restrict samples to be taken where trade secrets might be exposed.*

*Subd. 4. [RESTRICTIONS ON DISCLOSURE.] Information provided to an employer, employee, or employee representative pursuant to training or information provisions of this chapter, which has been determined to be a trade secret pursuant to subdivision 1, shall not be disclosed to anyone except as required for medical treatment, training, or information under the provisions of this chapter, or in the course of an investigation or proceeding under sections 182.65 to 182.674. An employer, employee, or employee representative who knowingly discloses information in violation of this subdivision and any person*

**Sec. 29. [182.675] [RELATIONSHIP TO COLLECTIVE BARGAINING.]**

Although not required, an employee or employer may seek to resolve any dispute arising under this chapter through resolution procedures provided by any applicable labor agreement or, if there is no applicable provision of a labor agreement, through a dispute resolution procedure to be developed by the commissioner. The employee is not deemed to have waived or lost any substantive or procedural rights under this chapter due to resort to the resolution methods and may, absent a provision in a labor agreement to the contrary, pursue all legal remedies under this chapter without any prejudice due to the results of these resolution methods. The commissioner may adopt temporary rules to develop a dispute resolution procedure. Nothing in this chapter is deemed to prevent the creation of additional rights or remedies for employees pursuant to a labor agreement or personnel rule.

"Section 1. [41A.01] [PURPOSE.]

*Sections 1 to 6 provide a framework for an agricultural resource loan guaranty program, the purposes of which are to further the development of the state's agricultural resources, improve the market for its agricultural products, and increase the use of chemicals including fuel derived from renewable agricultural sources and having superior qualities for controlling pollution and conserving energy. Public debt is authorized by the constitution to be incurred for developing agricultural resources by extending credit on real estate security. The program contemplates the use of this power not to finance projects of the kind described herein, but to provide financial guaranties for a portion of the cost of viable projects to the extent necessary to enable qualified developers and operators to secure private financing which would not otherwise be available. All credit advanced pursuant to loan guaranty commitments is to be secured by subrogation of the state to mortgage security and other security interests granted to the private lender, in proportion to the amount advanced by the state. A loan guaranty board is established to investigate the feasibility of each project, its conformity to the above policies and to environmental standards, the qualifications of the owners, operators, and lenders, and the nature and extent of the security, prior to commitment, and to secure maximum financial participation by private persons, not supported by the guaranty, to assure that in these respects each project satisfies and will continue to satisfy criteria which are adequate in the judgment of the board.*

Sec. 2. [41A.02] [DEFINITIONS; ACTIONS BY THE STATE.]

*Subdivision 1. The definition of each term given in this section applies whenever the term is used in sections 1 to 7.*

*Subd. 2. "Agricultural resource" means any organic matter which is available on a renewable basis from agricultural processes, including cereal, animal, and wood production, waste, and residues.*

### Sec. 3. [41A.03] [LOAN GUARANTIES.]

Subdivision 1. [AUTHORITY FOR AND LIMITATION OF GUARANTY.] Subject to the provisions of sections 1 to 6 and upon determination that a loan hereunder will serve the public

purposes and satisfy the conditions set forth therein (but not subject to the provisions of chapter 14), the state may guarantee and commit to guarantee against loss an amount of a loan for the construction of an agricultural resource project (or the refunding or refinancing of such a loan), secured by a first mortgage lien on and security interest in all real and personal property comprising the project and such other collateral as may be provided in the loan agreement. The board shall determine the amount, in excess of 80 percent but not more than 90 percent, of the loan to be guaranteed. The amount of the loan shall include accrued interest.

Subd. 2. [MAXIMUM LOAN AMOUNT.] The board shall determine the amount of the total cost of a project which may be financed with a guaranteed loan. The total principal amount of the loan may equal 70 percent but shall not exceed 80 percent of the total cost of the project, as estimated by the state. In the case of a loan to refund or refinance a guaranteed loan, the board shall determine the amount of the principal and interest refunded or refinanced to be guaranteed subject to the limitation as provided by subdivision 1. If the actual cost of a project exceeds the estimated cost, the board may agree to an increase in the amount of the loan principal, subject to the percentage limitations previously established for the project, regarding the percentage of the loan to be guaranteed and the percentage of the cost of the project permitted to be financed with a guaranteed loan or loans.

Subd. 3. [REQUIRED PROVISIONS.] The loan guaranty or loan agreement pertaining to any loan guaranteed by the state shall provide that:

(a) Payments of principal and interest made by the borrower under the loan shall be applied by the lender to reduce the guaranteed and nonguaranteed portion of the loan on a proportionate basis, and the nonguaranteed portion shall not in any event receive preferential treatment over the guaranteed portion.

(b) A period of grace shall be allowed of not less than 60 days from a date a principal or interest payment is due, prior to the making of demand for payment pursuant to the loan guaranty, to permit adequate time for a decision on behalf of the state regarding principal and interest assistance in accordance with subdivision 4. Payment as required by the loan guaranty shall be made within 60 days after receipt by the state of written demand complying with the terms and conditions of the guaranty.

(c) The lender may not accelerate repayment of the loan or exercise other remedies available to the lender in the event of the borrower's default, except in the case of the borrower's failure to pay a required payment of principal or interest, with-

out the prior written consent of the state or as otherwise permitted in the loan guaranty. In the event of such defaults, the lender shall not be entitled to make demand for payment pursuant to the guaranty unless the state agrees in writing that such default has materially affected the rights or security of the parties, and finds that the lender should be entitled to receive payment pursuant to the loan guaranty.

(d) If a payment of principal or interest is made by the state upon default of the borrower, the state shall be subrogated to the rights of the lender with respect to such payment.

(e) The borrower shall cause to be promptly prepared and delivered to the state annual audited financial statements of the project prepared according to generally accepted accounting principles.

(f) Duly authorized representatives of the state shall have access to the project site at reasonable times during construction and operation of the project.

(g) The borrower shall maintain adequate records and documents concerning the construction and operation of the project in order that representatives of the state may determine its technical and financial conditions and its compliance with environmental requirements. Such records shall include the amounts of all sales and use taxes paid on personal property and services purchased for the construction and operation of the project, with tax receipts furnished by the sellers or other supporting documentation determined by the board to be satisfactory. The amounts of such taxes shall be reported to the board in the manner and at the times required by the board.

(h) The borrower shall protect and preserve at all times the project assets and other collateral securing the loan and shall assist in liquidation of collateral to minimize loss in the event of default.

(i) Orderly liquidation of assets of the project shall be provided for in the event of default, with an option on the part of the state to acquire from the lender the lender's interest therein pursuant to the nonguaranteed portion of the loan.

(j) The state shall be paid at or prior to the closing of the guaranteed loan a fee or fees for the loan guaranty or the commitment to guarantee the loan, which shall not in the aggregate exceed one percent of the total principal amount of the guaranteed portion.

(k) The lender shall cause to be perfected and maintained the mortgage lien on the real estate and the security interest in personal property and collateral granted as security for the loan,

and shall cause all other loan servicing functions to be performed which are normally required or performed by a reasonable and prudent lender with respect to a loan without a guaranty.

(l) The state shall be notified in writing without delay of (i) the date and amount of and basis for each disbursement of loan proceeds; (ii) any nonpayment of principal or interest due (within ten days after the due date and with evidence of notification to the borrower); (iii) any failure to honor a commitment by any person of an intended source of capital for the project; and (iv) any significant adverse changes from original cash flow projections as evidenced by reports from the borrower, or any other known evidence that the borrower might be unable to meet a future scheduled payment of principal or interest.

**Subd. 4. [PRINCIPAL AND INTEREST ASSISTANCE.]**  
The state may at any time enter into a written contract with the borrower to pay the lender, on behalf of the borrower, an amount not greater than the amount of principal and interest to become due on one or more subsequent dates, without acceleration, if the state determines that (i) the borrower is not in default in payment of principal or interest due more than 60 days prior to the date of the contract; (ii) the borrower is or may become unable to meet in full principal or interest payments, or both, which are due or to become due within a specified period; (iii) it is in the public interest to permit the borrower to continue to pursue the purposes of the project; (iv) the probable net financial loss to the state will be less than that which would result in the event of a default; (v) the borrower is obligated by the contract to reimburse the state for all principal or interest advanced, with interest thereon, upon terms and conditions satisfactory to the state; and (vi) funds are available for allocation to the account established for the project in the guaranty fund, and are continuously allocated to the account in accordance with the provisions of section 4, subdivision 4, in an amount equal to the amount of interest on the advances until actually reimbursed to the state by the borrower. All sums so advanced and interest thereon shall be secured by the mortgage lien and security interest granted by the loan agreement, but none of such advances shall thereafter be repaid to the state until and unless all principal and interest currently due on the loan has been fully paid. In the event of subsequent default by the borrower, acceleration by the lender, and payment by the state of the full amount due under the loan guaranty, the state shall be subrogated to the rights of the lender with respect to the principal paid by it under the contract. Upon payment of the loan in full, with accrued interest, the remaining amount of said advances and interest thereon may be paid to the state.

**Sec. 4. [41A.04] [APPLICATION AND APPROVAL.]**

**Subdivision 1. [REQUIREMENTS.]** Any rural development finance authority, or county exercising the powers of such

an authority, may file a written application with the state commissioner of finance, to be considered by the agricultural resource loan guaranty board, for a guaranty by the state of a portion of a loan for an agricultural resource project. In general, the application shall provide information similar to that required by an investment banking or other financial institution considering such a project for debt financing. Specifically, each application shall include in brief but precise form the following information, as supplied by the applicant, the borrower, or the lender:

(1) a description of the scope, nature, extent, and location of the proposed project, including the identity of the borrower and a preliminary or conceptual design of the project;

(2) a description of the technology to be used in the project and the prior construction and operating experience of the borrower with such projects;

(3) a detailed estimate of the items comprising the total cost of the project, including escalation and contingencies, with explanation of the assumptions underlying the estimate;

(4) a general description of the financial plan for the project, including the mortgage and security interests to be granted for the security of the guaranteed loan, and all sources of equity, grants, or contributions or of borrowing the repayment of which is not to be secured by said mortgage and security interests, or, if so secured, is expressly subordinated to the guaranteed loan;

(5) an environmental report analyzing potential environmental effects of the project, any necessary or proposed mitigation measures, and other relevant data available to the applicant to enable the board to make an environmental assessment;

(6) a list of applications to be filed and estimated dates of approvals of permits required by federal, state, and local government agencies as conditions for construction and commencement of operation of the project;

(7) an estimated construction schedule;

(8) an analysis of the estimated cost of production of and market for the product, including economic factors justifying the analysis and proposed and actual marketing contracts, letters of intent, and contracts for the supply of feedstock;

(9) a description of the management experience of the borrower in organizing and undertaking similar projects;

(10) *pro forma* cash flow statements for the first five years of project operation including income statements and balance sheets;

(11) a description of the borrower's organization and, where applicable, a copy of its articles of incorporation or partnership agreement and bylaws;

(12) the estimated amount of the loan and percentage of guaranty requested, the proposed repayment schedule, and other terms and conditions and security provisions of the loan;

(13) an estimate of the amounts and times of receipt of guaranty fees, sales and use taxes, property tax increments, and any other governmental charges which may be available for the support of the state guaranty fund as a result of the construction of the project, with an analysis of the assumptions on which the estimate is based;

(14) a copy of any lending commitment issued by a lender to the borrower;

(15) a statement from the lender, if identified, as to its general experience in financing and servicing debt incurred for projects of the size and general type of the project, and its proposed servicing and monitoring plan; and

(16) such additional information as may be required by the board.

Subd. 2. [STAFF.] For purposes of financial analysis, research and other necessary staff functions to assess loan guaranty applications, the commissioner of energy, planning and development, or its successor agency, will provide personnel as needed pursuant to implementation of this act.

Subd. 3. [ENVIRONMENTAL ASSESSMENT.] Notwithstanding any other law or rule, no environmental impact statement or environmental worksheet shall be required to be completed prior to the approval of an application and the issuance of a conditional commitment for the guaranty of a loan for an agricultural resource project, or the taking of any other action permitted by sections 1 to 6, including the issuance of bonds, which is considered necessary or desirable by the board to prepare for a final commitment and to make it effective. Environmental review, to the extent required by law, shall be made in conjunction with the issuance by state agencies of environmental permits for the project. Permits may be applied for prior to the issuance of a conditional commitment. Action shall be taken as expeditiously as possible on environmental review and all permits required. Environmental review shall be completed within 180 days after the initial filing of an application to the pollution con-

trol agency for the first permit, or after the date of the conditional commitment. Final action shall be taken on permits within 60 days after completion of environmental review or, as to any permit requiring a public hearing, within 60 days after receipt of the hearing examiner's report.

*Subd. 4. [COMMITMENT.] The board shall determine as to each project for which an application is submitted whether it appears in the board's judgment to conform to the purposes and policies stated in section 1 to an extent measured by criteria which in the board's judgment are satisfactory. It may but need not adopt rules setting forth such criteria prior to approving a commitment. Upon determination by the board that a project conforms to said purposes and policies, it may by resolution direct its chairman to execute on behalf of the state a conditional commitment to guarantee such portion of the proposed loan as it shall determine, not exceeding the limitations set forth in section 3, and may direct other action to be taken as the board considers necessary or desirable relating to any matters referred to in subdivisions 1 and 2, including the issuance of bonds. No action shall be allowable under section 116B.03, subdivision 1, with respect to acts of any person authorized or required by the resolution. Such commitment shall not become final and binding upon the state until and unless, in addition to conditions otherwise established by the board:*

*(1) the board has created a project account for the project in the guaranty fund and has allocated thereto, from funds theretofore appropriated by the legislature or from the proceeds of bonds issued or to be issued for purposes of the guaranty fund pursuant to authorization theretofore enacted by the legislature, and not previously allocated to any other project account, in an aggregate amount sufficient, with any other amount then on hand in the project account, to pay the entire guaranteed principal amount of the proposed loan, plus interest thereon for one year; provided that bonds authorized by the legislature need not be issued until and unless the proceeds allocated to a project account must be deposited therein to comply with clause (2) or (3);*

*(2) the board has deposited in the project account bond proceeds or other funds in an amount not less than the annual amount which would be required to amortize the guaranteed portion of the principal of the loan over the term and at the interest rate (or at the rate of yield resulting from the interest rates) provided in the loan agreement; and*

*(3) the board has caused to be executed on behalf of the state a final loan guaranty instrument in conformity with section 3, which binds the state to cause state bonds to be offered for sale at the times and in the amounts required, with amounts on hand in the project account, to pay all amounts to become due and payable under the loan guaranty, within the authorization and al-*

location referred to in clause (1), and when sold, to issue the bonds and apply the proceeds to make these payments.

**Sec. 5. [41A.05] [MINNESOTA AGRICULTURAL RESOURCE LOAN GUARANTY FUND AND BONDS.]**

*Subdivision 1. [ESTABLISHMENT OF FUND.] For the purpose of developing the state's agricultural resources by extending credit on real estate security, the agricultural resource loan guaranty fund is established as a special and dedicated fund to be held and invested separately from all other funds of the state. All proceeds of state bonds, authorized and issued for the purposes of the fund, and all guaranty fees, retail sales taxes, property tax increments, and other money from any source which may be credited to the fund pursuant to law or pursuant to the terms of grants, contributions, or contracts are appropriated and shall remain available for the purposes of the fund until such purposes have been fully accomplished. The fund shall be used solely for paying amounts due under loan guaranties and principal and interest assistance contracts entered into by the state, pursuant to the agricultural resource loan guaranty program.*

*Subd. 2. [ISSUANCE OF BONDS.] To provide money appropriated to the agricultural resource loan guaranty fund for the purposes of the program, when authorized by law and requested by the board, the commissioner of finance shall issue and sell bonds of the state for the prompt and full payment of which, with interest, the full faith, credit, and taxing powers of the state are irrevocably pledged. The proceeds of the bonds when issued, except accrued interest and any premium received upon sale, shall be credited to the guaranty fund. All such bonds shall be sold and issued and shall be secured in the manner, upon the terms, and with the effect prescribed for state building bonds in chapter 16A, except that the commissioner may sell them and determine their interest rate by direct negotiation, and with the security provisions set forth therein and in article XI, sections 4 to 7 of the constitution.*

*Subd. 3. [COVENANT.] In fulfillment of the state's covenant with the beneficiary of each loan guaranty executed by the board on behalf of the state pursuant to the agricultural resource loan guaranty program, in accordance with section 4, subdivision 4, the state will not limit or alter the rights vested in the board to comply with the terms of such loan guaranties, and further covenants that it will not at any time rescind or cancel any authorization of an amount of bonds, or the appropriation of the proceeds thereof for the purposes of the program, which, with the sum of the amounts then held in each project account in the guaranty fund, would be required, in the event of an immediate default on each guaranteed loan, to pay the balance of the guaranteed portion of the principal of all guaranteed loans with interest accrued and to accrue thereon for one year.*

*Subd. 4. [INCOME TAX EXEMPTION.] In the issuance of state bonds and the making of loan guaranties for the purposes of the program, the commissioner of finance and the board may and shall make all provisions and do or cause to be done all acts and things, consistent with sections 1 to 6, which are or may be effective under federal laws and regulations to comply with conditions for the exemption of interest on such bonds from federal income taxation. However, if for any reason, whether existing at the date of issue of any bonds or the date of execution of any loan guaranty or thereafter, the interest on any such bonds shall be or become subject to federal income taxes, this shall not impair or affect the validity of the bonds or of any loan guaranty or the provisions made for the security thereof, and shall not impair or affect the covenant made by the state in subdivision 3. Nothing herein affects the federal or state income tax treatment of interest on obligations of a borrower other than the state, whether or not guaranteed by the state.*

**Sec. 6. [41A.06] [PROJECT TAXES AND OTHER CHARGES.]**

*Subdivision 1. [APPROPRIATION.] The payments, taxes, and governmental charges described in this section which are received as a consequence of the undertaking, completion, and operation of each agricultural resource loan project for which a loan guaranty is made by the state are appropriated to the loan guaranty fund. This appropriation shall not lapse at the close of any fiscal year under the provisions of section 16A.28, and the receipts therefrom shall remain available as provided in section 5, subdivision 1; but the state shall not be obligated to continue the appropriation with respect to charges not yet collected, except to the extent determined to be necessary for compliance with the covenant contained in section 5, subdivision 3.*

*Subd. 2. [ALLOCATION TO PROJECT ACCOUNTS.] Receipts of charges related to a particular project shall be deposited and recorded in its project account in the guaranty fund; but the board may reallocate receipts in any project account which cause the amount held therein to exceed the minimum balance established initially pursuant to section 4, subdivision 4, clause (2). Such reallocation may be made to another project account for the purpose of maintaining the minimum balance therein. Any amount in the guaranty fund at any time exceeding the amount needed to maintain the minimum balance in all project accounts may be transferred to the account maintained in the state debt service fund for the payment of Minnesota agricultural resource loan guaranty bonds; provided that (i) no guaranty fees or other amounts paid by borrowers shall be so transferred, and (ii) the board determines that the transfer may be made without jeopardizing the ability of the state to comply with the covenant contained in section 5, subdivision 3.*

*Subd. 3. [PAYMENTS BY BORROWERS.] Guaranty and commitment fees paid by borrowers pursuant to the loan guaranty provision required by section 3, subdivision 3, clause (j), and repayments by borrowers of amounts advanced by the state under contracts referred to in section 3, subdivision 4, shall be deposited in the project account for the borrower's project and shall not be disbursed or transferred for any purpose other than the fulfillment of the state's obligations under the loan guaranty for that project. No such funds shall be deemed to be so transferred at any time if the minimum required balance in the project account is maintained and exceeds the aggregate amount of fees and payments theretofore received from the borrower plus interest received from the investment thereof.*

*Subd. 4. [SALES AND USE TAXES.] All collections of the excise taxes imposed by chapter 297A upon retail sales, and upon the privilege of use, storage, or consumption in Minnesota, of personal property and services purchased for the construction or operation of any project for which a loan guaranty has been made or conditionally committed, less any refunds required by law and a proportionate share of the cost of administration and enforcement of the assessment and collection of the taxes, are appropriated and shall be deposited from the general fund into the project account in the guaranty fund at least once each year from and after the date of the conditional commitment. The commissioner of finance shall secure from each borrower the amount of taxes so imposed and from the commissioner of revenue the amount of refunds or costs to be deducted therefrom.*

*Subd. 5. [PROPERTY TAX INCREMENTS.] The applicant for a loan guaranty for any project, and the county in which the project is situated, shall do all acts and things necessary for the computation and segregation of property tax increments resulting from the construction of the project in accordance with the provisions of section 362A.05, and for the remittance to the commissioner of finance, for deposit in the loan guaranty fund, of all tax increments received from and after the date of the conditional commitment for the loan guaranty.*

**Sec. 7. [41A.06] [ADVISORY COMMISSION.]**

*The board may appoint an advisory commission consisting of at least five members. The members of the commission shall include individuals with expertise in agricultural processing, commercial lending and financing of similar or related projects, agricultural economics, and engineering, chemistry, and other natural sciences related to the projects. The commission shall advise the board on establishing a workable program pursuant to sections 1 to 6 and may provide assistance in evaluating applications for loan guarantees. The terms and compensation of commission members shall be governed by section 15.059, except that subdivision 5 shall not apply.*

Sec. 8. Minnesota Statutes 1982, section 297A.44, subdivision 1, is amended to read:

Subdivision 1. All revenues, including interest and penalties, derived from the excise and use taxes imposed by sections 297A.01 to 297A.44 shall be deposited by the commissioner in the state treasury and credited to the general fund; *provided that all such taxes derived from sales and use of property and services purchased for the construction and operation of an agricultural resource project, from and after the date on which a conditional commitment for a loan guaranty for the project is made pursuant to section 4, subdivision 4, as certified to the commissioner by the commissioner of finance, less refunds and the cost of administering and enforcing the assessment and collection of taxes so derived, shall be deposited in the agricultural resource loan guaranty fund.*

Sec. 9. Minnesota Statutes 1982, section 362A.01, subdivision 1, is amended to read:

Subdivision 1. Any county or combination of counties by resolution of the county board or boards may establish a rural development financing authority as a public nonprofit corporation with the same powers and duties as those conferred and imposed on a private nonprofit corporation by chapter 317, and all present and future laws amending or supplementing that chapter, except as otherwise or additionally provided herein. No such authority shall transact any business or exercise any powers until a certified copy of the resolutions of each participating county board has been submitted to the secretary of state and a certificate of incorporation issued pursuant to section 317.10. *Alternatively, a county may determine by resolution of the county board (without such filing) to exercise the powers granted in this chapter to a rural development finance authority.*

Sec. 10. [362A.041] [APPLICATIONS FOR LOAN GUARANTIES.]

*The authority, or a county exercising the powers of an authority pursuant to section 362A.01, may undertake or participate in undertaking a project deemed to further the policies and purposes of the agricultural resource loan guaranty program established and described in sections 1 to 6, by applying to the guaranty board for a guaranty by the state of a portion of a loan for the project to be secured by the applicant, or by another eligible borrower.*

Sec. 11. Minnesota Statutes 1982, section 362A.05, is amended to read:

362A.05 [AGREEMENTS FOR RESERVATION OF TAX INCREMENTS.]

The authority may enter into an agreement with any county in which a project is to be situated, *or such county if exercising the powers of an authority may adopt a resolution*, under which the increment of taxable value of property (TO BE CREATED BY THE) *constituting an agricultural resource project for which a conditional commitment for a loan guaranty has been made by the state as provided in section 4, subdivision 4, over and above the taxable value of the project site as last finally determined before the project was undertaken*, may be excluded from the taxable value of property on which the mill rate of taxes is computed in every subsequent year, for so long as may be (AGREED) *provided in the loan guaranty*, but the aggregate mill rate of taxes levied by the county and all other taxing districts on other properties in each such year shall be spread also on the incremental taxable value of the project, and the tax resulting therefrom, when collected, shall be remitted to the authority (, AND MAY BE PLEDGED, TOGETHER WITH CHARGES OR SPECIAL ASSESSMENTS, TO PAY OR GUARANTEE THE PAYMENT OF ITS BONDS, OR MAY BE USED BY THE AUTHORITY FOR THE PURPOSES STATED IN SECTION 362A.01, SUBDIVISION 2) *or to the county, as the case may be, for deposit and use in the loan guaranty fund of the state as provided in sections 1 to 6. Every county shall have the power by resolution of the county board to do all acts and things necessary for the computation, segregation, and application of tax increments under (AGREEMENTS MADE WITH THE AUTHORITY) the loan guaranty in accordance with this section (THIS SECTION SHALL NOT APPLY WITH RESPECT TO ANY PROJECT ESTABLISHED SUBSEQUENT TO AUGUST 1, 1979.)*

The Honorable Jerome M. Hughes  
President of the Senate

The Honorable Harry A. Sieben, Jr.  
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 267, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate accede to the amendments of the House and that S. F. No. 267, be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 270.10, subdivision 1, is amended to read:

Subdivision 1. [IN WRITING; APPROVAL BY ATTORNEY GENERAL.] All orders and decisions of the commissioner of revenue, or any of his subordinates, respecting any tax, assessment, or other obligation, shall be in writing, filed in the offices of the department. No order or decision *issued after June 30, 1983*, increasing or decreasing any tax, assessment, or other obligation by a sum exceeding (\$500) \$1,000 on real or personal property, or the assessed valuation thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$1,000, and no order or decision increasing or decreasing any other tax by a sum exceeding \$1,000 exclusive of penalties and interest, shall be made without the written signature or facsimile signature of the commissioner, a deputy commissioner, assistant commissioner, division director, or acting division director in each case. Written notice of every order granting a reduction, abatement, or refundment exceeding \$5,000 of any tax exclusive of penalties and interest, shall be given within five days to the attorney general. The attorney general shall forthwith examine such order, and if he deems the same proper and legal he shall approve the same in writing, and may waive the right of appeal therefrom in behalf of the state; otherwise he shall take an appeal from the order in behalf of the state as herein provided; but written approval of the commissioner or his deputy and written notice to the attorney general, shall not be required with respect to the following orders: (1) orders reducing assessed valuation of property by reason of its classification as a homestead; (2) orders not involving refunds which have the effect only of correcting income and franchise tax assessments to conform to the amounts shown on final returns filed as provided by section 290.42, clause (6); (3) original orders for the refundment of gasoline and special fuel taxes.

Sec. 2. Minnesota Statutes 1982, section 270.10, subdivision 3, is amended to read:

Subd. 3. [REDUCTIONS, ABATEMENTS, REFUNDMENTS; STATEMENT.] The commissioner shall maintain as a public record in the department a statement of all abatements, reductions, and refundments of assessments, taxes, or other obligations granted by the department during the biennium, which require the written approval of the commissioner or his deputy, and of which written notice to the attorney general is required, under the provisions of subdivision 1; and, all reductions of assessed valuation of more than (\$50,000) \$100,000 and all reductions, refundments, or abatements of real estate tax of more than \$1,000 shall be separately shown in such statement. Such statement shall show the names of all taxpayers or other persons concerned, the original amount of each assessment, tax, or other obligation, the amount of abatement, reduction, or refundment allowed in each case, and the totals of the respective items, notwithstanding any provisions of law requiring secrecy to the contrary. The commissioner shall include in such statement the amount of all increases of taxes or assessments made by the department, classified in such manner as he may deem proper, but not showing the names of taxpayers or other persons concerned or the amounts in individual cases.

Sec. 3. Minnesota Statutes 1982, section 270.12, subdivision 3, is amended to read:

Subd. 3. (FOR TAXES LEVIED IN 1980 AND 1981, WHEN A TAXING JURISDICTION LIES IN TWO OR MORE COUNTIES, AND THE SALES RATIO STUDIES PREPARED BY THE DEPARTMENT OF REVENUE SHOW THAT THE AVERAGE LEVEL OF ASSESSMENT IN THE SEVERAL PORTIONS OF THE DISTRICT IN THE DIFFERENT COUNTIES DIFFERS BY MORE THAN 20 PERCENT, THE BOARD SHALL ORDER THAT THE LEVY OF THE TAXING JURISDICTION BE APPORTIONED AMONG THE PORTIONS IN THE DIFFERENT COUNTIES IN THE SAME PROPORTION AS THE ADJUSTED ASSESSED VALUE AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE IN EACH PORTION IS TO THE TOTAL ADJUSTED ASSESSED VALUE, AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE, OF THE TAXING JURISDICTION; IF THE STUDIES SHOW THAT THE LEVEL DIFFERS BY MORE THAN FIVE PERCENT, THE BOARD MAY ORDER THE APPORTIONMENT OF THE LEVY.) For taxes levied in (1982) 1983 and thereafter *when a taxing jurisdiction lies in two or more counties, if the sales ratio studies prepared by the department of revenue show that the (LEVEL DIFFERS) average levels of assessment in the several portions of the taxing jurisdictions in the different counties differ by more than five percent, the board shall order the apportionment of the levy, unless (a) the proportion of total*

*adjusted assessed value in one of the counties is less than ten percent of the total adjusted assessed value in the taxing jurisdiction and the average level of assessment in that portion of the taxing jurisdiction is the level which differs by more than five percent from the assessment level in any one of the other portions of the taxing jurisdiction; (b) significant changes have been made in the level of assessment in the taxing jurisdiction which have not been reflected in the sales ratio study, and those changes alter the assessment levels in the portions of the taxing jurisdiction so that the assessment level now differs by five percent or less; or (c) commercial, industrial, mineral, or public utility property predominates in one county within the taxing jurisdiction and another class of property predominates in another county within that same taxing jurisdiction. If one or more of these factors are present, the board may order the apportionment of the levy.*

*If, pursuant to this subdivision, the board apportions the levy, then that levy apportionment among the portions in the different counties shall be made in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value of the taxing jurisdiction.*

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following November 15.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

Sec. 4. Minnesota Statutes 1982, section 270.19, is amended to read:

**270.19 [MUNICIPALITIES TO BE PARTY TO TAX HEARINGS.]**

Any city, town, school district, or county (all of which governmental subdivisions shall be embraced in the word "municipality" as used hereinafter) may appear at and become a party to any proceedings before the commissioner of revenue held for

the purpose of equalizing or assessing any real or personal property in such municipality, or reducing the assessed valuation of any such property. For that purpose any such municipality may employ counsel and disburse money for other expenses in connection with such proceedings, on duly itemized, verified claims, which shall be audited and allowed as now provided by law for the allowance of claims against a municipality. It shall be the duty of the commissioner of revenue, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing. Before granting any reduction in assessed valuation exceeding (\$50,000) \$100,000, it shall be the duty of the commissioner of revenue, when any taxpayer or property owner has applied to the *commissioner after June 30, 1983*, for a reduction of the assessed valuation of any real or personal property in an amount exceeding (\$50,000) \$100,000, to give written notice to the officials of the municipality wherein such property is located and to permit such municipality to have reasonable opportunity to be heard at any proceedings concerning such reduction.

Sec. 5. Minnesota Statutes 1982, section 272.03, subdivision 1, is amended to read:

Subdivision 1. [REAL PROPERTY.] (a) For the purposes of taxation, "real property" includes the land itself, *rails, ties, and other track materials annexed to the land*, and all buildings, structures, and improvements or other fixtures on it, and all rights and privileges belonging or appertaining to it, and all mines, minerals, quarries, fossils, and trees on or under it.

(b) A building or structure shall include the building or structure itself, together with all improvements or fixtures annexed to the building or structure, which are integrated with and of permanent benefit to the building or structure, regardless of the present use of the building, and which cannot be removed without substantial damage to itself or to the building or structure.

(c) (i) The term real property shall not include tools, implements, machinery, and equipment attached to or installed in real property for use in the business or production activity conducted thereon, regardless of size, weight or method of attachment.

(ii) The exclusion provided in clause (c) (i) shall not apply to machinery and equipment includable as real estate by clauses (a) and (b) even though such machinery and equipment is used in the business or production activity conducted on the real property if and to the extent such business or production activity consists of furnishing services or products to other buildings or structures which are subject to taxation under this chapter.

Sec. 6. Minnesota Statutes 1982, section 272.46, subdivision 2, is amended to read:

Subd. 2. [AUDITOR TO COMBINE LEGAL DESCRIPTIONS.] The county auditor, upon written application of any person, shall for property tax purposes only, combine legal descriptions, as defined in section 272.195, of contiguous parcels to which the applicants hold title.

*The county auditor shall not be required to combine legal descriptions over section lines in the following situations: when the parcels to be combined are located in different school districts or different taxing jurisdictions or when a combination of legal descriptions would require the auditor's office to modify an existing record-keeping system.*

Sec. 7. Minnesota Statutes 1982, section 273.11, subdivision 7, is amended to read:

Subd. 7. [AGRICULTURAL LAND.] Tillable agricultural land shall be valued at the lesser of its market value or the value which could be derived from capitalizing its free market gross rental rate as determined for that grade of land at a rate of 5.6 percent. Each county assessor shall survey the farm rental values of each grade of farmland in each township in the county and shall determine a farm rental value to be used for the assessment of each grade. The values so determined shall be presented to township boards of review at their annual meetings held pursuant to section 274.01 in the year prior to that in which those values might be used in determining tillable agricultural land values. The boards of review and any property owners may present their comments on the values, including any evidence indicating that the values are inaccurate, by December 1 of the year when the values were presented to the board. The county assessor shall make his final determination of assessed valuations for January 2 of the subsequent year based on his determinations of the farm rental values as modified by any comments of board members or other property owners that he finds persuasive. Nontillable agricultural land and buildings on agricultural land shall be valued in the usual manner. *The data collected by political subdivisions relating to farm rental values shall be classified as private data pursuant to section 13.02, subdivision 12. Any data collected shall be made available to the commissioner and, upon request, to other county assessors.*

Sec. 8. Minnesota Statutes 1982, section 273.111, subdivision 3, is amended to read:

Subd. 3. Real estate consisting of ten acres or more shall be entitled to valuation and tax deferral under this section only if it is actively and exclusively devoted to agricultural use as defined in subdivision 6 and either (1) is the homestead of the

owner, or of a surviving spouse, child, or sibling of the owner or is real estate which is farmed with the real estate which contains the homestead property, or (2) has been in possession of the applicant, his spouse, parent, or sibling, or any combination thereof, for a period of at least seven years prior to application for benefits under the provisions of Laws 1969, Chapter 1039, or (3) is the homestead of a shareholder in a family farm corporation as defined in section 500.24, notwithstanding the fact that legal title to the real estate may be held in the name of the family farm corporation. *Valuation of real estate under this section is limited to parcels the ownership of which is in noncorporate entities except for family farm corporations organized pursuant to section 500.24. Corporate entities who previously qualified for tax deferment pursuant to this section and who continue to otherwise qualify under subdivisions 3 and 6 for a period of at least three years following the effective date of this section will not be required to make payment of the previously deferred taxes, notwithstanding the provisions of subdivision 9. Sale of the land prior to the expiration of the three-year period shall result in payment of deferred taxes as follows: sale within the first year requires payment of payable 1980, 1981, and 1982 deferred taxes; sale during the second year requires payment of payable 1981 and 1982 taxes deferred; and sale at any time during the third year will require payment of payable 1983 taxes deferred. Deferred taxes shall be paid even if the land qualifies pursuant to subdivision 11a. Special assessments are payable at the end of the three-year period or at time of sale, whichever comes first.*

Sec. 9. Minnesota Statutes 1982, section 273.112, subdivision 7, is amended to read:

Subd. 7. When real property which is being, or has been, valued and assessed under this section (IS SOLD OR) no longer qualifies under subdivision 3, (THE PORTION SOLD OR) the portion which no longer qualifies (UNDER SUBDIVISION 3) shall be subject to additional taxes, in the amount equal to the difference between the taxes determined in accordance with subdivision 4, and the amount determined under subdivision 5, provided, however, that the amount determined under subdivision 5 shall not be greater than it would have been had the actual bona fide sale price of the real property at an arms length transaction been used in lieu of the market value determined under subdivision 5. (SUCH) *The* additional taxes shall be extended against the property on the tax list for the current year, provided, however, that no interest or penalties shall be levied on (SUCH) *the* additional taxes if timely paid, and provided further, that (SUCH) *the* additional taxes shall only be levied with respect to the last seven years that the (SAID) property has been valued and assessed under this section.

Sec. 10. Minnesota Statutes 1982, section 273.112, is amended by adding a subdivision to read:

*Subd. 10. When title to real property qualifying under subdivision 3 is transferred, no additional taxes shall be extended against the property if (a) the property continues to qualify pursuant to subdivision 3 and (b) the purchaser files an application for continued deferment of taxes pursuant to subdivision 6 within 30 days after the sale.*

Sec. 11. Minnesota Statutes 1982, section 273.13, subdivision 4, is amended to read:

Subd. 4. For this purpose, property is devoted to commercial use on a specific day if it is used, or offered for use, and a fee is charged for such use. Class 3 shall also include commercial use real property used exclusively for recreational purposes in conjunction with class 3 property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 200 days in the year preceding the year of assessment and is located within two miles of the class 3 property with which it is used.

(b) Agricultural land which is classified as class 3 shall be assessed at 19 percent of its market value. Real property devoted to temporary and seasonal residential occupancy for recreation purposes which is classified as class 3 shall be assessed at 21 percent of its market value.

Sec. 12. Minnesota Statutes 1982, section 273.13, subdivision 16, is amended to read:

Subd. 16. [HOMESTEAD ESTABLISHED AFTER ASSESSMENT DATE.] (1) Any property which was not used for the purpose of a homestead on the assessment date, but which was used for the purpose of a homestead on June 1 of such year, shall constitute class 3b, class 3c or class 3cc, as the case may be, to the extent of one-half of the valuation which would have been includible in such class and one-half the homestead tax credit to which it would have been entitled had the property been used as a homestead on both such dates.

(2) Any taxpayer meeting the requirements of clause (1) must notify the county assessor, or the assessor who has the powers of the county assessor pursuant to section 273.063, in writing, prior to June 15 of such year in order to qualify thereunder.

The county assessor and the county auditor are hereby empowered to make the necessary changes on their assessment and tax records to provide for proper homestead classification and credit as provided in clauses (1) and (2).

(3) The owner of any property qualifying under this subdivision, which has not been accorded the benefits of this subdivision, regardless of whether or not the notification required in clause (2) has been timely filed, may be entitled to receive such benefits by proper application as provided in sections 270.07 or 375.192.

*The county assessor shall cause to be published in a newspaper of general circulation within the county no later than June 1 of each year a notice to the public informing them of the requirement to file an application for homestead prior to June 15.*

Sec. 13. Minnesota Statutes 1982, section 273.13, is amended by adding a subdivision to read:

*Subd. 21. [LIMITATION ON HOMESTEAD CLASSIFICATION.] If the assessor has classified property as both homestead and nonhomestead, only the values attributable to the portion of the property classified as 3b, 3c, or 3cc shall be entitled to homestead treatment.*

*Except for buildings containing fewer than three units classified pursuant to section 273.13, subdivision 19, if the portion of a building used as the owner's homestead is separate from other dwelling units in the building, only the owner's residence plus the land attributable to the residence is to receive either the 3b, 3c, or 3cc classification.*

The dollar amounts due the state, county, township or municipality and school district shall be separately stated but the amounts due other taxing districts, if any, may be aggregated. *The dollar amounts may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar.* The property tax statements for class 2a property shall contain the same information that is required on the tax statements for real property. The county

Such real and personal property tax statements shall contain the market value, as defined in section 272.03, subdivision 8, used in determining the tax. The statement shall show the amount attributable to section 124.2137 as "state paid agricultural credit" and the amount attributable to section 273.13, subdivisions 6 and 7 as "state paid homestead credit". The statement shall show the reduction attributable to the aid given pursuant to section 273.139 and shall indicate that the reduction is paid by the state of Minnesota. In making such division and payment the county treasurer shall send therewith a statement giving the description of the property described in the mortgage and the (ASSESSED) market value of the part thereof situate in each county. For the purpose aforesaid, the treasurer of any county may require the treasurer of any other county to certify to him the (ASSESSED) market valuation of any tract of land in any such mortgage.*

Subd. 3a. (2) If the personal representative disagrees with the objection or does not wish to fully comply with the objection, he may request that the commissioner hold a hearing on the objection. Within 30 days of receipt of a request, the commissioner shall set a time and place for hearing. Unless otherwise agreed upon, the hearing date shall not be earlier than 30 days nor later than 60 days from the date of the notice setting the hearing. The notice of hearing shall set forth the rights available to the personal

representative under chapter 14. Not later than 30 days after the commissioner receives the report and recommendation of the hearing examiner, or a written waiver of his hearing rights by the personal representative, the commissioner shall issue an order determining the tax. Any such determination made by the commissioner may be appealed to the tax court as provided in section 271.09.

(3) At any time together with or after the objection, the commissioner, on his own initiative, may set a time and place for a hearing in accordance with (2) above.

(4) In his objection, or at any time thereafter, the commissioner may assess any additional tax as the facts may warrant, subject to the right of the personal representative to demand a hearing under chapter 15. If the personal representative does not demand a hearing within 90 days of the date of the assessment, the tax so assessed shall be legally due and the commissioner may proceed to collect any unpaid tax after one year from the date of death. If the commissioner later finds the tax assessment to be erroneous, he may adjust the assessment prior to collection.

(5) The commissioner shall not be required to object to any subsequent original, amended or supplemental return in order to preserve his rights. The commissioner shall not be precluded from objecting to a subsequent original, amended or supplemental return even though an original return was accepted as filed. If the commissioner had accepted an original return showing no tax due and a subsequent original, amended or supplemental return discloses additional assets not disclosed on the original return, the commissioner may object to any matter of valuation, taxability, deduction or computation of tax on the original return within 180 days of receipt of the subsequent original, amended or supplemental return.

(6) Subject to the provisions of (SECTION) *sections* 291.11 and 291.215, the Minnesota estate tax liability shall be considered as finally determined on the date notification of acceptance is issued to the personal representative or, if no objection is filed, on the day following 180 days from the due date of the return or the receipt of the return, together with all other documents required to be filed with the return, whichever is later.

(7) Subject to the time limits imposed elsewhere in this chapter, the commissioner may refund an overpayment of tax, penalty or interest even though the personal representative has not made an application for refund.

The written request for the undue hardship extension shall be made to the commissioner no later than nine months after the death of the person from whom the transfer is made. The taxpayer may elect to pay the taxes in installments as specified in section 291.11, subdivision 1, provided that the period of time for the payment of the taxes shall not exceed five years from the expiration of the extension granted by the commissioner. Where an extension of time has been granted (**INTEREST SHALL BE PAYABLE AT THE RATE SPECIFIED IN SECTION 270.75 FROM THE DATE WHEN SUCH PAYMENT SHOULD HAVE BEEN MADE, IF NO EXTENSION HAD BEEN GRANTED, UNTIL SUCH TAX IS PAID**) *for payment, interest shall be paid at the rate specified in section 270.75 from the date when payment should have been made if no extension had been granted, until the tax is paid. In lieu of the bond required by this subdivision the applicant may deposit with the state treasurer cash, a certified check, a cashier's check, a postal, bank, or express money order, assignable bonds, or notes of the United States, or an assignment of a bank savings account or investment certificate or an irrevocable bank letter of credit as defined in section 336.5-103, in the same amount as would be required for a bond.

**Subd. 5. [VOLUNTARY EXTENSION OF CREDIT AND CASH SALES.]** (UPON DEMAND BY A SELLER OF GRAIN, A GRAIN BUYER SHALL PAY 90 PERCENT OF THE ESTIMATED OR ACTUAL VALUE OF GRAIN PURCHASED AT THE TIME THE PHYSICAL POSSESSION OF THE GRAIN IS CONVEYED FROM THE SELLER TO THE GRAIN BUYER.) *Each grain buyer shall, before the close of the next business day following the cash sale and transfer of possession of grain, actually deliver a check to the seller or his duly authorized representative, or shall wire or mail transfer funds to the seller's account in an amount equal to 80 percent of the grain's value at the time of delivery. The grain buyer shall complete final settlement as rapidly as possible through ordinary diligence. Any transaction (WHEREIN THIS DEMAND IS NOT EXERCISED) which does not comply with these requirements constitutes a voluntary extension of credit (AND IS NOT AFFORDED PROTECTION UNDER THE GRAIN BUYER'S BOND), and shall comply with the requirements of section 8.*

**Subd. 6. [GRAIN PURCHASES FROM UNLICENSED PRODUCERS.]** *No grain buyer may refuse to purchase grain from a producer solely because he or she is not licensed by the commissioner; provided, that any producer who buys grain from other producers shall be licensed and bonded as required by this chapter.*

**Subd. 7. [GRAIN BUYERS TRUST FUND.]** (a) *There is created in the state treasury a grain buyers trust fund. Money in this fund is for the benefit of producers who have suffered losses due to breach of contract for grain sold to grain buyers, and for the administration of this chapter by the commissioner.*

(b) *The fund shall be established through the assessment of fees based on a maximum rate of one mill per dollar of the total dollar volume of grain purchased by grain buyers from producers as prescribed by the commissioner. The mill rate may be adjusted pursuant to the provisions of section 16A.128. The fee adjustments are not subject to the provisions of chapter 14. Fee assessments shall cease at the time the trust fund exceeds \$10,-*

000,000 and shall be reinstated when the fund is less than \$8,000-000. No claims arising prior to January 1, 1985 may be filed against or honored by the fund.

(c) Money collected pursuant to this subdivision shall be paid to the commissioner and shall be deposited into the grain buyers trust fund. The trust fund shall be administered by the commissioner. Any valid claim filed against the trust fund which exceeds the amount of money available in the fund shall be paid by the commissioner as soon as the fund balance is sufficient to pay the claim. The commissioner may order any portion of the trust fund not needed for immediate use to be invested by the treasurer in any institution or security regulated by the federal government. Any interest accumulated through investments shall be deposited into the trust fund. In any year, the commissioner may use up to \$100,000 of money collected to defray the costs of administering and enforcing chapter 223 and informing producers of its provisions.

(d) Each licensed grain buyer shall file with the department a quarterly report showing the total dollar amount of all grain purchased from producers and shall remit the appropriate fee based on the mill rate prescribed by the commissioner. A grain buyer who fails to file a quarterly report and pay the prescribed fee is subject to the provisions of subdivision 8.

Subd. (6) 8. [(CONFIDENTIAL STATEMENTS REQUIRED) FINANCIAL STATEMENTS; LICENSE REVOCATION.] For the purpose of fixing or changing the amount of a required bond or for any other proper reason, the commissioner shall require an annual financial (STATEMENTS) statement from a licensee which has been prepared in accordance with generally accepted accounting principles and which meets the following requirements:

(a) The financial statement shall include, but not be limited to the following: (1) a balance sheet; (2) a statement of income (profit and loss); (3) a statement of retained earnings; and (4) a statement of changes in financial position.

(b) The financial statement shall be accompanied by a report of audit or review conducted by an independent public accountant or a compilation report of the financial statement which is prepared by a grain commission firm or a management firm approved by the commissioner in accordance with standards established by the American Institute of Certified Public Accountants. The accountant's report of audit or review shall include the accountant's certifications, assurances, opinions, comments, and notes with respect to the financial statement.

(c) The financial statement shall be accompanied by a certification by the chief executive officer or his designee of the licensee, under penalty of perjury, that the financial statement

*accurately reflects the financial condition of the licensee for the period specified in the statement.*

*Only one financial statement must be filed for a chain of warehouses owned or operated as a single business entity, unless otherwise required by the commissioner. If the licensee fails to furnish financial statements or to furnish any new bond or fee required, the commissioner may immediately suspend the license and the licensee shall surrender the license to the commissioner. Within 15 days the licensee may request an administrative hearing subject to chapter 14 to determine whether the license should be revoked. If no request is made within 15 days, the commissioner shall revoke the license. All financial statements submitted to the commissioner are confidential.*

Subd. (7) 9. [*PRODUCER BOND AND CONTRACT CLAIMS.*] A producer claiming to be damaged by a breach of the conditions of a (BOND OF) *contract for the purchase of grain by a licensed grain buyer* may file a written claim with the commissioner. The claim must state the facts constituting the claim. The claim must be filed with the commissioner within 180 days of the breach of the conditions of the (BOND) *contract*. If (THE COMMISSIONER BELIEVES THAT) a claim is valid, the commissioner may immediately suspend the license, in which case the licensee shall surrender the license to the commissioner. Within 15 days the licensee may request an administrative hearing subject to chapter 14 to determine whether the license should be revoked. If no request is made within 15 days, the commissioner shall revoke the license.

Subd. (8) 10. [*BOND DISBURSEMENT.*] (a) The bond shall provide for payment of loss caused by the grain buyer's failure to pay, upon the owner's demand, the purchase price of grain sold to the grain buyer. *The commissioner may make a claim in the amount of the assessment owed against the bond of any grain buyer who fails to pay the assessment required by subdivision 7.* The bond shall be conditioned upon the grain buyer being duly licensed as provided herein. (THE BOND SHALL NOT COVER ANY TRANSACTION WHICH CONSTITUTES A VOLUNTARY EXTENSION OF CREDIT.)

(b) Upon (NOTIFICATION OF DEFAULT) *close of the claim-filing period*, the commissioner shall determine the validity of all claims and notify all parties having filed claims. An aggrieved party may appeal the commissioner's determination by requesting, within 15 days, that the commissioner initiate a contested case proceeding. In the absence of such a request, or following the issuance of a final order in a contested case, the surety company shall issue payment *promptly* to those claimants entitled to payment. *The commissioner shall also notify the treasurer to make prompt payment from the trust fund under provisions in this subdivision.* (WHEN THE COMMISSIONER DETERMINES IT NECESSARY,) The commissioner may ap-

ply to the district court for an order appointing a trustee or receiver to manage and supervise the operations of the grain buyer in default. The commissioner may participate in any resulting court proceeding as an interested party.

(c) If a grain buyer has become liable to more than one producer by reason of breaches of the conditions of the bond and the amount of the bond is insufficient to pay the entire liability to all producers entitled to the the protection of the bond, the proceeds of the bond shall be apportioned among the bona fide claimants.

(d) The bond shall not be cumulative from one licensing period to the next. The maximum liability of the bond shall be its face value for the licensing period.

*(e) The grain buyers trust fund shall provide for payment to producers who have encountered losses by the failure of a grain buyer to make settlement on the purchase price of grain. Valid claims shall be first assessed against the bond and supplemented by payment from the trust fund. The maximum allowable claim against the trust fund is 90 percent of the claimant's loss.*

*(f) Claims arising from a breach of the conditions of a voluntary extension of credit contract where pricing has not occurred prior to the filing of a claim with the commissioner shall be valued in accordance with section 8, subdivision 6.*

*(g) A producer having filed a claim against a grain buyer who has also filed an action for legal or equitable remedies in a state or federal court shall also submit to the commissioner a copy of the action filed with the court. In the event the court issues an order for payment by the buyer for the grain for which the producer has also received payment from the trust fund, the producer shall remit to the commissioner the amount of payment received from the court up to the amount of payment received from the trust fund.*

*(h) The commissioner may subrogate in behalf of the producer or petition the court to recover any sum that has been paid from the trust fund to make settlement of a claim filed against the grain buyer in default. The producer, having received payment from the trust fund, shall render all necessary assistance to aid the commissioner in matters of subrogation or in instances where the commissioner has petitioned the court to recover from the grain buyer in default the amount paid from the trust fund.*

**Subd. 11. [DEFAULTS; VIOLATIONS:]** *If the commissioner finds, after an investigation is conducted, that a complaint is valid or that a licensee is in violation of the provisions of this section, the commissioner may immediately suspend*

the license, in which case the licensee shall surrender the license to the commissioner. Within 15 days, the licensee may request an administrative hearing subject to chapter 14 to determine whether the license should be revoked. If no request is made within 15 days, the commissioner shall revoke the license.

**Sec. 7. [223.175] [VOLUNTARY EXTENSION OF CREDIT CONTRACTS; FORM.]**

Grain buyers using voluntary extension of credit contracts must include in the contracts those items prescribed by the commissioner by rule. The contract shall include a statement of the legal and financial responsibilities of grain buyers and sellers established in this chapter. The contract shall also include the following statement in not less than ten point, all capital type, framed in a box with space provided for the seller's signature: "THIS CONTRACT CONSTITUTES A VOLUNTARY EXTENSION OF CREDIT. THIS CONTRACT IS NOT COVERED BY ANY GRAIN BUYER'S BOND." The seller shall sign the contract in the space provided beneath the statement.

**Sec. 8. [223.177] [PURCHASE BY VOLUNTARY EXTENSION OF CREDIT CONTRACTS.]**

*Subdivision 1. [INDICATION OF INTENTION.]* Every grain buyer who intends to purchase grain by voluntary extension of credit contracts shall indicate his intention to do so annually to the commissioner on a form provided by the commissioner.

*Subd. 2. [ORAL CONTRACTS.]* Any grain buyer entering into a voluntary extension of credit contract orally or by phone shall give or mail to the seller a written confirmation conforming to the requirements of section 7 before the close of the next business day.

*Subd. 3. [EXECUTION OF CONTRACTS.]* All voluntary extension of credit contracts shall be executed before the close of the next business day after the contract is entered into or, in the case of an oral or phone contract, after the written confirmation is received by the seller. Provided, however, that if a scale ticket has been received by the seller prior to the completion of the grain shipment, the contract must be executed within ten days after the sale.

*Subd. 4. [GRAIN, RIGHTS, OR PROCEEDS HELD.]* A licensed grain buyer purchasing grain by voluntary extension of credit contracts shall at all times maintain grain, rights in grain, or proceeds from the sale of grain totaling 90 percent of the grain buyer's obligation for grain purchased by volun-

itary extension of credit contracts. That amount must be evidenced or represented by one or more of the following:

(a) grain owned and actually held by the grain buyer in a grain warehouse owned or controlled by the grain buyer;

(b) rights in grain evidenced or represented by warehouse receipts issued by a state or federally licensed grain warehouse; or

(c) proceeds from the sale of grain on a voluntary extension of credit contract evidenced or represented by one or more of the following:

(1) cash on hand or cash held on account in federally or state licensed institutions;

(2) short-term investments held in time accounts with federally or state licensed institutions;

(3) balances on grain margin accounts;

(4) voluntary extension of credit contracts for grain shipped to a processor or terminal as purchaser, less any payment or advance that has been received, provided that the price terms of the contracts remain open; or

(5) an irrevocable letter of credit, as defined in section 336.5-103, or other evidence of proceeds from the sale of grain acceptable to the commissioner.

**Subd. 5. [PRICE PROTECTION.]** A licensed grain buyer shall practice an effective method of price protection sufficient to protect the grain buyer against market fluctuations, as would be the case in procurement of options on a duly licensed commodity exchange.

**Subd. 6. [VALUE OF GRAIN.]** For the purpose of computing the dollar value of inventories of voluntary extension of credit obligations, the value of grain must be figured at the current market price on the day of delivery.

**Subd. 7. [TRANSFER OF TITLE.]** The title to grain delivered on a voluntary extension of credit contract transfers to the grain buyer on the day of delivery.

**Subd. 8. [STORAGE AND SERVICE CHARGES.]** No storage charges may be charged with respect to grain purchased on voluntary extension of credit contracts. There may be a service charge.

*Subd. 9. [RECORDS.] A grain buyer shall keep sufficiently detailed books and records of voluntary extension of credit contracts and evidences of grain, rights in grain, and the proceeds from the sale of grain so as to clearly show compliance with section 6, subdivision 7, and this section. The commissioner or his authorized agent shall inspect these books and records at such time and place and to such an extent as he may deem necessary to determine whether grain buyers are complying with the provisions of this chapter. The commissioner may obtain any additional information he deems necessary and is authorized to enter upon any public or private premises during regular business hours in order to carry out the provisions of this subdivision.*

Sec. 9. Minnesota Statutes 1982, section 223.18, is amended to read:

**223.18 [PENALTY.]**

*A person buying grain without first obtaining a grain buyer's license is guilty of a misdemeanor. Each day of operation without a grain buyer's license constitutes a separate offense. In case of license revocation, no new license shall be granted to the person whose license was revoked nor to anyone either directly or indirectly engaged with him in the licensed business for two years. A grain dealer who withholds records from the commissioner, keeps or files false records, alters records fraudulently, or presents to the commissioner any false records is guilty of a gross misdemeanor.*

General polling procedures shall be established by the commissioner by rule pursuant to chapter 14 and shall ensure that only producers are entitled to vote in the election. The selection of specific polling places, however, shall not be subject to chapter 14.*

For convenience in computation, the licensee may round the single annual rate to the nearest one quarter of one percent.

Sec. 27. Minnesota Statutes 1982, section 56.131, subdivision 1, is amended to read:

Subdivision 1. [INTEREST RATES AND CHARGES.]

(a) On any loan in the principal amount of \$35,000 or less, a licensee may contract for and receive interest, calculated according to the actuarial method, not exceeding the equivalent of the greater of any of the following:

(1) the total of: (i) 33 percent per year on that part of the unpaid balance of the principal amount not exceeding \$350; and (ii) 19 percent per year on that part of the unpaid balance of the principal amount exceeding \$350; or

(2) 21.75 percent per year on the unpaid balance of the principal amount.

(b) On any loan where interest has been calculated according to the method provided for in paragraph (a), clause (1), interest (SHALL) *must* be contracted for and earned as provided in that provision or at the single annual percentage rate computed to the nearest one hundredth of one percent that would earn the same total interest at maturity of the contract as would be earned by the application of the graduated rates provided in paragraph (a), clause (1), when the debt is paid according to the agreed terms and the calculations are made according to the actuarial method.

(c) Loans may be interest-bearing or precomputed.

(d) To compute time on interest-bearing and precomputed loans, including, but not limited to the calculation of interest, a day (SHALL BE) *is* considered 1/30 of a month when calculation is made for a fraction of a calendar month. A year (SHALL BE) *is* 12 calendar months. A calendar month (SHALL BE) *is* that period from a given date in one month to the same numbered date in the following month; and if there is no same numbered date, to the last day of the following month.

(e) With respect to interest-bearing loans:

(1) Interest (SHALL) *must* be computed on unpaid principal balances outstanding from time to time, for the time outstanding. Each payment (SHALL) *must* be applied first to

the accumulated interest and the remainder of the payment applied to the unpaid principal balance; provided however, that if the amount of the payment is insufficient to pay the accumulated interest, the unpaid interest continues to accumulate to be paid from the proceeds of subsequent payments and is not added to the principal balance.

(2) Interest (SHALL) *must* not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under the new loan contract may include any unpaid interest which has accrued. The unpaid principal balance of a precomputed loan is the balance due after refund or credit of unearned interest as provided in paragraph (f), clause (3). The resulting loan contract (SHALL BE) *is* deemed a new and separate loan transaction for all purposes.

(f) With respect to precomputed loans:

(1) Loans (SHALL) *must* be repayable in substantially equal and consecutive monthly installments of principal and interest combined, except that the first installment period may be (LONGER) *more or less* than one month by not more than 15 days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days *and must be reduced by the amount of interest for the number of days less than one month to the first installment payment*; and (PROVIDED FURTHER THAT) monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until the loan is fully paid. Payments (SHALL) *must* be applied in the order in which they become due.

(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the borrower with the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; if the prepayment is made other than on a scheduled payment date, the nearest scheduled installment payment date (SHALL) *must* be used in the computation; provided further, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable charge for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the borrower with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the borrower with the same refund as

if prepayment in full had been made on the date the judgment is entered.

(4) If an installment, other than the final installment, is not paid in full within ten days of its scheduled due date, a licensee may contract for and receive a default charge not exceeding five percent of the amount of the installment, but not less than \$2.

(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one-month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan in full.

(6) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the single annual percentage rate permitted by this subdivision may be charged on the unpaid balance until fully paid.

(7) Following the final installment as originally scheduled or deferred, the licensee, for any loan contract which has not previously been converted to interest-bearing under paragraph (f), clause (6), may charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the single annual percentage rate permitted by this subdivision until fully paid.

Sec. 28. Minnesota Statutes 1982, section 56.155, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] No licensee shall, directly or indirectly, sell or offer for sale any insurance in

connection with any loan made under this chapter except as and to the extent authorized by this section. The sale of credit life and credit accident and health insurance (SHALL BE) is subject to the provisions of chapter 62B, except that the term of the insurance may exceed 60 months if the term of the loan exceeds 60 months. Life, accident, and health insurance, or any of them, may be written upon or in connection with any loan but (SHALL) *must* not be required as additional security for the indebtedness. If the debtor chooses to procure credit life insurance or credit accident and health insurance as security for the indebtedness, he shall have the option of furnishing this security through existing policies of insurance owned or controlled by him or of furnishing the coverage through any insurer authorized to transact business in this state. A statement in substantially the following form *must be made orally and provided in writing* in bold face type of a minimum size of 12 points (SHALL BE PROVIDED) to the borrower before the transaction is completed *for each credit life and accident and health insurance coverage sold*:

CREDIT LIFE INSURANCE AND CREDIT DISABILITY INSURANCE ARE NOT REQUIRED TO OBTAIN CREDIT. YOU MAY BUY ANY INSURANCE FROM ANYONE YOU CHOOSE OR YOU MAY USE EXISTING INSURANCE. (THE CREDIT LIFE INSURANCE AND CREDIT DISABILITY INSURANCE AVAILABLE THROUGH THIS LENDER HAD AN ACTUAL LOSS RATIO DURING THE CALENDAR YEAR LAST REPORTED TO THE DEPARTMENT OF COMMERCE OF \_\_\_\_\_ PERCENT. THIS MEANS THAT, ON THE AVERAGE, \$ \_\_\_\_\_ OF EVERY \$100 IN PREMIUMS PAID TO THE INSURANCE COMPANY WERE RETURNED AS BENEFITS TO POLICYHOLDERS DURING THAT YEAR.)

(THE LICENSEE SHALL HAVE 30 DAYS AFTER THE INSURANCE COMPANY SUBMITS ITS REPORT OF LOSSES TO THE DEPARTMENT OF COMMERCE FOR THE PREVIOUS CALENDAR YEAR TO CHANGE ITS DISCLOSURE TO REFLECT THE CURRENT LOSS RATIO.)

The licensee shall disclose whether or not the benefits (SHALL) commence as of the first day of disability and shall further disclose the number of days that an insured obligor must be disabled, as defined in the policy, before benefits, whether retroactive or nonretroactive, (SHALL) commence. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit accident and health benefits (SHALL) *may* be procured by or through a licensee upon more than one of the obligors. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit life insurance (SHALL) *may* be procured by or through a licensee upon more than two of the obligors in which case they shall be insured jointly. The premium or identifiable

charge for the insurance (SHALL) *must* not exceed that filed by the insurer with the insurance division of the department of commerce. The charge, computed at the time the loan is made for a period not to exceed the full term of the loan contract on an amount not to exceed the total amount required to pay principal and charges, may be deducted from the proceeds or may be included as part of the principal of any loan. If a borrower procures insurance by or through a licensee, the statement required by section 56.14 (SHALL) *must* disclose the cost to the borrower and the type of insurance, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof, within a reasonable time. No licensee shall decline new or existing insurance which meets the standards set out in this section nor prevent any obligor from obtaining (SUCH) *this* insurance coverage from other sources. Notwithstanding any other provision of this chapter, any gain or advantage to the licensee or to any employee, affiliate, or associate of the licensee from (SUCH) *this* insurance or the sale or provision thereof (SHALL NOT BE DEEMED TO BE) *is not an* additional or further (CHARGES) *charge* in connection with the loan; nor (SHALL) *are* any of the provisions pertaining to insurance contained in this section (BE DEEMED) prohibited by any other provision of this chapter.

Sec. 29. Minnesota Statutes 1982, section 168.72, subdivision 1, is amended to read:

Subdivision 1. (a) The time price differential authorized by sections 168.66 to 168.77 in a retail installment sale (SHALL) *may* not exceed the following rates:

Class 1. Any motor vehicle designated by the manufacturer by a year model of the same or not more than one year prior to the year in which the sale is made — \$8 per \$100 per year.

Class 2. Any motor vehicle designated by the manufacturer by a year model of two or three years prior to the year in which the sale is made — \$11 per \$100 per year.

Class 3. Any motor vehicle not in Class 1 or Class 2 — \$13 per \$100 per year plus a flat charge of \$3 for each retail installment sale.

(b) The time price differential (SHALL) *must* be computed on the principal balance as determined under section 168.71, clause (b) and (SHALL) *must* be computed at the rate indicated on contracts payable in successive monthly installment payments substantially equal in amount extending for a period of one year. *For purposes of this subdivision and section 168.73, contracts payable in successive monthly installment payments include those*

where the first installment is scheduled for not less than 15 days nor more than one month and 15 days from the date of the contract. On contracts providing for installment payments extending for a period less than or greater than one year, the time price differential (SHALL) *must* be computed proportionately.

(c) When a retail installment contract provides for unequal or irregular installment payments, the time price differential is at the effective rate provided in clause (a) hereof, having due regard for the irregular schedule of payment.

(d) The time price differential is inclusive of all charges incident to investigating and making the contract, and for the extension of the credit provided for in the contract and no fee, commission, expense or other charge whatsoever (SHALL) *may* be taken, received, reserved or contracted for except as provided in sections 168.66 to 168.77.

### Sec. 3. [ESTABLISHMENT OF SPECIAL SERVICE DISTRICT.]

Subdivision 1. [ORDINANCE.] The governing body of the city may adopt an ordinance establishing a special service district in that part of the city of Bloomington which is east of East Bush Lake Road, north of 84th Street and west of Penn Avenue South; that part east of Penn Avenue South, north of 82nd Street and west of State Highway No. 77; that part east of State Highway No. 77 and north of 86th Street; and that part south of 90th Street, west of Nicollet, north of 100th and east of Humboldt. Only property which is zoned for commercial, business, or industrial use under a municipal zoning ordinance may be included in a special service district. The ordinance may not be adopted until after a public hearing has been held on the question. Notice of the hearing shall include:

(a) The time and place of hearing;

(b) A map showing the boundaries of the proposed special service district; and

(c) A statement that all persons owning property in the proposed special service district will be given opportunity to be heard at the hearing.

The two publications shall be a week apart and the hearing shall be held at least three days after the last publication. Not less than ten days before the hearing, notice shall also be mailed to the owner of each parcel within the area proposed to be included in the special service district. For the purpose of giving mailed notice, owners shall be those shown on the records of the county auditor. Other records may be used to supply the necessary information. For properties which are tax exempt or subject to taxation on a gross earnings basis in lieu of property tax and are not listed on the records of the county auditor, the owners shall be ascertained by any practicable means and mailed notice given them. At the public hearing any person affected by the proposed special services district may be heard orally in respect to any issues embodied in the notice. The hearing may be adjourned from time to time and the ordinance establishing the special services district may be adopted at any time within six months after the date of the conclusion of the hearing by a vote of the majority of the governing body of the city.*

**Sec. 4. [TAXING AUTHORITY; NOTICE AND HEARING REQUIREMENTS.]**

*Subdivision 1. [TAXES; HEARING.] Ad valorem taxes may be levied on taxable property or service charges may be imposed by the city within the special service district at a rate or amount sufficient to produce revenues required to provide special services within the district. For purposes of determining the appropriate mill rate, taxable property or value shall be determined without regard to captured or original assessed value under Minnesota Statutes, section 273.76 or to the distribution or contribution value under Minnesota Statutes, section 473F.08. Taxes and service charges shall not be imposed to finance a special service if the service is ordinarily provided by the city from general fund revenues of the city unless the service is provided in the special service district at an increased level, in which case only an amount to pay for the increased level may be imposed. A service charge shall not be imposed on the receipts from the sale of intoxicating liquor, food, or lodging. Prior to the levy of taxes or imposition of service charges in a special service district, for each calendar year, notice shall be given and hearing shall be held pursuant to section 3 except that notice shall also be mailed to any individual or business organization subject to a service charge. For purposes of this section the notice shall also include:*

*(a) A statement that all interested persons will be given an opportunity to be heard at the hearing regarding a proposed tax levy or service charge.*

*(b) When the tax or service charge is to pay for the cost of repairing, operating, or maintaining public improvement or*

facilities, the estimated cost of operating and maintaining the improvements during the first year after completion of the improvements, and the proposed method and source of financing the improvements and the annual cost of operating and maintaining the improvements.

(c) The proposed rate or amount of taxes to be extended or the proposed service charge to be imposed in the special service district during the calendar year and the nature and character of special services to be rendered in the special service district during the calendar year.

(d) A statement that the petition requirements of section 9 have either been met or do not apply to the proposed taxes or service charge.

Within six months of the public hearing, the city may adopt a resolution levying a tax or imposing a service charge within the special service district not exceeding the amount or rate expressed in the notice issued pursuant to this section.

**Subd. 2. [EXEMPTION OF CERTAIN PROPERTIES FROM TAXES.]** Property exempted from taxation by Minnesota Statutes, section 272.02, shall be exempted from any ad valorem taxes imposed pursuant to sections 2 to 11.

**Subd. 3. [LEVY LIMIT EXEMPTION.]** Taxes and service charges imposed pursuant to sections 2 to 11 shall not be included in the calculation of levies or limits on levies provided by other law or home rule charter provision.

**Subd. 4. [EXCLUSION FROM HOMESTEAD CREDIT.]** Taxes levied under this section shall not be reduced pursuant to Minnesota Statutes, section 273.13, subdivisions 6, 7, 7d, or 14a. State reimbursement pursuant to Minnesota Statutes, section 273.139 shall not apply to any taxes levied pursuant to sections 2 to 11.

**Sec. 5. [ENLARGEMENT OF SPECIAL SERVICE DISTRICTS.]**

Boundaries of a special service area may be enlarged only after hearing and notice as provided in sections 3 and 4. Notice shall be served in the original special service district and in the area proposed to be added to the special service district. Property added to the district shall be subject to all taxes levied and service charges imposed within the district after the property becomes a part of the district. The petition requirement in section 9 and the veto power in section 10 shall only apply to owners and individuals and business organizations in the area proposed to be added to the special service district.

## Sec. 6. [COLLECTION OF TAXES.]

*Ad valorem taxes levied within a special service district shall be collected and paid over as other ad valorem taxes, but shall be spread only upon the assessed value of property described in the ordinance. Service charges imposed shall be collected as provided by ordinance. Taxes collected pursuant to sections 2 to 11 shall not be included in computations under Minnesota Statutes, section 273.76, chapter 473F, or any other law that applies to general ad valorem levies.*

## Sec. 7. [CERTIFICATES OF INDEBTEDNESS.]

*The city council may issue certificates of indebtedness within existing debt limits for purposes of any work or service authorized pursuant to sections 2 to 11. The certificates shall be payable in not more than five years and shall be issued on such terms and in such manner as determined by the council. A tax levy shall be made on the taxable property within the special service district for the payment of the principal and interest on the certificates as in the case of bonds.*

## Sec. 8. [ADVISORY BOARD.]

*The governing body of the city may create and appoint an advisory board for each special service district in the city to advise the governing body in connection with the construction, maintenance, and operation of improvements and the furnishing of special services in a special service district. The advisory board shall make recommendations to the governing body on the requests and complaints of owners, occupants, and users of property within the special service district and members of the public. Prior to the adoption of any proposal by the governing body to provide services or impose taxes or service charges within the special service district, the advisory board of the special service district shall have an opportunity to review and comment upon the proposal.*

## Sec. 9. [PETITION REQUIRED.]

*No public hearing may be held pursuant to section 3 unless owners of 15 percent or more of the land area of the proposed special service district and owners of 15 percent or more of the assessed value of the proposed special service district file a petition requesting the public hearing with the city clerk. No public hearing may be held pursuant to section 4 to impose an ad valorem tax unless owners of 15 percent or more of the land area subject to a proposed tax and owners of 15 percent or more of the assessed value subject to a proposed tax file a petition requesting the public hearing with the city clerk. No public hearing may be held pursuant to section 4 to impose a service charge unless 15 percent or more of the individual or business organi-*

zations subject to the proposed service charge file a petition requesting the public hearing with the city clerk. If the boundaries of the proposed special service district are changed or the land area or assessed value subject to a tax or the individuals or business organizations subject to a service charge are changed after the public hearing, a petition meeting the requirements of this section must be filed with the city clerk before the ordinance establishing the district or resolution imposing the tax or service charge may become effective.

#### Sec. 10. [VETO POWER OF OWNERS.]

*Subdivision 1. [NOTICE OF RIGHT TO FILE OBJECTIONS.] Except as provided in section 11, the effective date of any ordinance or resolution adopted pursuant to sections 3 and 4 shall be at least 45 days after it is adopted. Within five days after adoption of the ordinance or resolution, a copy of the ordinance or resolution shall be mailed to the owner of each parcel included in the special service district and any individual or business organization subject to a service charge in the same manner that notice is mailed pursuant to section 3. The mailing shall include a notice that owners subject to a tax and individuals and business organizations subject to a service charge have a right to veto the ordinance or resolution by filing the required number of objections with the city clerk before the effective date of the ordinance or resolution.*

*Subd. 2. [REQUIREMENT FOR VETO.] If owners of 35 percent of the land area in the special service district and owners of 35 percent of the assessed value in the special service district file an objection to the ordinance adopted by the city pursuant to section 3 with the city clerk before the effective date of the ordinance, the ordinance shall not become effective. If owners of 35 percent of the land area subject to a tax and owners of 35 percent of the assessed value subject to a tax file an objection to the resolution adopted levying an ad valorem tax pursuant to section 4 with the city clerk before the effective date of the resolution, the resolution shall not become effective. If 35 percent of individuals and business organizations subject to a service charge file an objection to the resolution adopted imposing a service charge pursuant to section 4 with the city clerk before the effective date of the resolution, the resolution shall not become effective.*

#### Sec. 11. [EXCLUSION FROM PETITION REQUIREMENTS AND VETO POWER.]

*The petition requirement of section 9 and the right of owners and those subject to a service charge to veto a resolution in section 10 shall not apply to second or subsequent years' applications of a tax or service charge which is authorized to be in effect for more than one year pursuant to a resolution which has met the petition requirements of section 9 and*

which has not been vetoed under section 10 for the first year's application. A resolution levying a tax or imposing a service charge for more than one year shall not be adopted unless the notice of public hearing required by section 4 and the notice mailed with the adopted resolution pursuant to section 10 include the following information:

(a) In the case where the costs of repairing, operating, or maintaining of public improvements or facilities are to be paid by a tax or service charge, the maximum rate or amount of taxes to be levied or the maximum service charge to be imposed in any year and the maximum number of years the taxes will be levied or service charges imposed to pay for the improvement.

(b) In the case of operating and maintenance services, the maximum rate or amount of taxes to be levied or the maximum service charge to be imposed in any year and the maximum number of years, or a statement that the tax will be imposed for an indefinite number of years, the taxes will be levied or service charges imposed to pay for operation and maintenance services.

The resolution may provide that the maximum amount of tax to be levied or maximum service charge to be imposed in any year will increase or decrease from the maximum amount authorized in the preceding year based on an indicator of increased cost or a percentage amount established by the resolution.

Subd. 32. [VEGETABLE SEEDS.] "Vegetable seeds" includes the seeds of those crops which are grown in gardens and on truck farms that are generally known and sold under the name of vegetable or herb seeds in this state.

Subd. 33. [VARIETY.] "Variety" means a subdivision of a kind characterized by growth, yield, plant, fruit, seed, or other characteristics by which it can be differentiated from other plants of the same kind.

Subd. 34. [WEED SEEDS.] "Weed seeds" includes the seeds of all plants generally recognized as weeds within this state, including noxious weed seeds.

Sec. 41. [21.82] [LABEL REQUIREMENTS; AGRICULTURAL, VEGETABLE, OR FLOWER SEEDS.]

Subdivision 1. [FORM.] Each container of agricultural, vegetable, or flower seed which is offered for sale for sowing purposes shall bear or have attached in a conspicuous place a plainly written or printed label or tag in the English language giving the information required by this section. This statement shall not be modified or denied in the labeling or on another label attached to the container.

*Subd. 2. [CONTENT.] For agricultural, vegetable, or flower seeds, except as otherwise provided in subdivisions 4, 5, 6, 7 and 8, the label shall contain:*

*(a) The name of the kind or kind and variety for each agricultural or vegetable seed component in excess of five percent of the whole and the percentage by weight of each in order of its predominance. The commissioner shall by rule designate the kinds that are required to be labeled as to variety. If the variety of those kinds generally labeled as to variety is not stated and it is not required to be stated, the label shall show the name of the kind and the words: "Variety not stated."*

*(1) The percentage that is hybrid shall be at least 95 percent of the percentage of pure seed shown unless the percentage of pure seed which is hybrid seed is shown separately. If two or more kinds or varieties are present in excess of five percent and are named on the label, each that is hybrid shall be designated as hybrid on the label. Any one kind or kind and variety that has pure seed which is less than 95 percent but more than 75 percent hybrid seed as a result of incompletely controlled pollination in a cross shall be labeled to show the percentage of pure seed that is hybrid seed or a statement such as "contains from 75 percent to 95 percent hybrid seed." No one kind or variety of seed shall be labeled as hybrid if the pure seed contains less than 75 percent hybrid seed. The word hybrid shall be shown on the label in conjunction with the kind.*

*(2) Blends shall be listed on the label using the term "blend" in conjunction with the kind.*

*(3) Mixtures shall be listed on the label using the term "mixture," "mix," or "mixed."*

*(a) a statement indicating the number of seeds in the container may be listed along with or in lieu of the net weight of contents; and*

*(b) for each variety of hybrid seed field corn, the day classification as determined by the originator or owner. The day classification shall approximate the number of days of growing season necessary from emergence of the corn plant above ground to relative maturity and shall conform to the day classification established by the director of the Minnesota agricultural experiment station for the appropriate zone.*

This label statement shall not be modified or denied in the labeling or on another label attached to the container, except that labeling of seed supplied under a contractual agreement may be made by an invoice accompanying the shipment or by an analysis tag attached to the invoice if each bag or other container is clearly identified by a lot number stenciled on the container. Each bag or container that is not so stenciled must carry complete labeling.*

*Subd. 2. [LABEL CONTENT.] For all tree or shrub seed subject to this section the label shall contain:*

(a) *the common name of the species, and the subspecies if appropriate;*

Sec. 43. [21.84] [RECORDS.]

Each person whose name appears on the label of agricultural, vegetable, flower, tree or shrub seeds subject to section 41 or 42 shall keep for three years complete records of each lot of agricultural, vegetable, flower, tree or shrub seed sold in this state and shall keep for one year a file sample of each lot of seed after disposition of the lot. In addition, the grower shall have as a part of the record a "genuine grower's declaration" or a "tree seed collector's declaration."

## Sec. 44. [21.85] [DUTIES OF THE COMMISSIONER.]

*Subdivision 1. [ENFORCEMENT.] The commissioner shall administer and enforce sections 39 to 51.*

*Subd. 2. [SEED LABORATORY.] The commissioner shall establish and maintain a seed laboratory for seed testing, employing necessary agents and assistants to administer and enforce sections 39 to 51, none of whom, except those who are employed on a regular full-time basis, shall come within or be governed by chapter 43A. The compensation for the unclassified employees shall be on the basis of a rating and salary scale determined by the commissioner's plan of the department of employee relations or the appropriate bargaining unit contract.*

*Subd. 3. [ENTRY UPON PREMISES.] For the purpose of administering and enforcing sections 39 to 51 the commissioner may enter upon any public or private premises during regular business hours in order to have access to seeds and the records concerning the seeds that are subject to sections 39 to 51, and to enter any truck or other conveyer by land, water, or air at any time when the conveyer is accessible, for the same purpose.*

*Subd. 4. [INSPECTION AND SAMPLING.] The commissioner shall sample, inspect, make analysis of and test seeds subject to sections 39 to 51 that are offered for sale for sowing purposes at the time and place and to the extent necessary to determine whether the seeds are in compliance with sections 39 to 51.*

*Subd. 5. [NOTICE OF VIOLATION.] The commissioner shall promptly notify the person who sold, labeled, or transported seed that has been:*

- (1) found to be in violation of sections 39 to 51;*
- (2) placed under a stop sale order; or*
- (3) seized on complaint of the commissioner to a court of competent jurisdiction.*

*Subd. 6. [STOP SALE ORDERS.] The commissioner may issue and enforce a written or printed "stop sale" order to the owner or custodian of any lot of seed which he finds to be in violation of sections 39 to 51. The order shall prohibit further sale, conditioning, and movement of the seed, except on approval of the enforcing officer, until the officer has evidence that the law has been complied with and has issued a release from the "stop sale" order. With respect to seed which has been denied sale, conditioning, or movement, the owner or custodian of the seed may appeal from the order to a court where the seeds are*

*found, for the discharge of the seeds from the order prohibiting the sale, conditioning, or movement in accordance with the findings of the court. This subdivision does not limit the right of the enforcement officer to proceed in a different fashion.*

*Subd. 7. [SEIZURE.] Any lot of seed not in compliance with sections 39 to 51 is subject to seizure on complaint of the commissioner to a court of competent jurisdiction in the locality where the seed is located. If the court finds the seed to be in violation and orders the condemnation of the seed, it shall be denatured, destroyed, relabeled, or otherwise disposed of in compliance with law. In no instance shall the court order dispose of the seed without first giving the claimant an opportunity to apply to the court for the release of the seed or permission to condition or relabel it into compliance.*

*Subd. 8. [INJUNCTION.] When the commissioner applies to any court for a temporary or permanent injunction restraining any person from violating or continuing to violate sections 39 to 51, the injunction shall be issued without requiring a bond.*

*Subd. 9. [PROSECUTIONS.] When the commissioner finds that a person has violated any part of sections 39 to 51, he may initiate court proceedings in the locality in which the violation occurred. No prosecution shall be instituted without a person having an opportunity to appear in person or by a representative before the commissioner to provide evidence. Either a county attorney or the attorney general may prosecute actions under sections 39 to 51.*

*Subd. 10. [COMMISSIONER MAY ALTER REQUIREMENTS IN EMERGENCIES.] In the event of acute shortages of any seed or seeds, or the occurrence of other conditions which in the opinion of the commissioner create an emergency which would make impractical the enforcement of any requirement of sections 39 to 51 relating to the percentage of purity and weed seed content of any seed or seeds, the commissioner may temporarily change and alter any requirement relating to percentage of purity and weed seed content for the duration of the emergency.*

*Subd. 11. [RULES.] The commissioner may make necessary rules, including temporary rules, for the proper enforcement of sections 39 to 51. Existing rules shall remain in effect unless temporary or permanent rules are made that supercede them.*

*Subd. 12. [SERVICE TESTING AND IDENTIFICATION.] The commissioner shall provide for purity and germination tests of seeds and identification of seeds and plants for farmers, dealers, and others. He may establish and collect fees for testing and identification.*

*Subd. 13. [SAMPLING EXPORT SEED.] The commissioner may sample agricultural, vegetable, flower, tree or shrub seeds which are destined for export to other countries. He may establish and collect suitable fees from the exporter for this service.*

*Subd. 14. [COOPERATION WITH UNITED STATES DEPARTMENT OF AGRICULTURE.] The commissioner shall cooperate with the United States department of agriculture in seed law enforcement.*

**Sec. 45. [21.86] [UNLAWFUL ACTS.]**

*Subdivision 1. [PROHIBITIONS.] A person may not advertise or sell any agricultural, vegetable, flower, or tree and shrub seed if:*

*(a) A test to determine the percentage of germination required by sections 41 and 42 has not been completed within a nine-month period, exclusive of the calendar month in which the test was completed. This prohibition does not apply to tree, shrub, agricultural, or vegetable seeds packaged in hermetically sealed containers. Seeds packaged in hermetically sealed containers under the conditions defined by rule may be offered for sale for a period of 36 months after the last day of the month that the seeds were tested for germination prior to packaging. If seeds in hermetically sealed containers are offered for sale more than 36 months after the last day of the month in which they were tested prior to packaging, they must be retested within a nine-month period, exclusive of the calendar month in which the retest was completed;*

*(b) It is not labeled in accordance with sections 41 and 42 or has false or misleading labeling;*

*(c) False or misleading advertisement has been used in respect to its sale;*

*(d) It contains prohibited noxious weed seeds;*

*(e) It consists of or contains restricted noxious weed seeds in excess of 25 seeds per pound or in excess of the number declared on the label attached to the container of the seed or associated with the seed;*

*(f) It contains more than one percent by weight of all weed seeds;*

*(g) It contains less than the stated net weight of contents;*

*(h) It contains less than the stated number of seeds in the container;*

(i) It contains any labeling, advertising, or other representation subject to sections 41 and 42 representing the seed to be certified unless:

(1) it has been determined by a seed certifying agency that the seed conformed to standards of purity and identity as to kind, species, subspecies, or variety, and also that tree seed was found to be of the origin and elevation claimed, in compliance with the rules pertaining to the seed; and

(2) the seed bears an official label issued for it by a seed certifying agency stating that the seed is of a certified class and a specified kind, species, subspecies, or variety;

(j) It is labeled with a variety name but not certified by an official seed certifying agency when it is a variety for which a United States certificate of plant variety protection has been granted under United States Code, title 7, sections 2481 to 2486, specifying sale by variety name only as a class of certified seed. Seed from a certified lot may be labeled as to variety name when used in a blend or mixture by or with approval of the owner of the variety; or

(k) The person whose name appears on the label does not have complete records including a file sample of each lot of agricultural, vegetable, flower, tree or shrub seed sold in this state as required in section 43.

Subd. 2. [MISCELLANEOUS VIOLATIONS.] No person may:

(a) detach, alter, deface, or destroy any label required in sections 41 and 42 or alter or substitute seed in a manner that may defeat the purposes of sections 41 and 42;

(b) hinder or obstruct in any way any authorized person in the performance of duties under sections 39 to 51;

(c) fail to comply with a "stop sale" order or to move or otherwise handle or dispose of any lot of seed held under a stop sale order or attached tags, except with express permission of the enforcing officer for the purpose specified;

(d) use the word "type" in any labeling in connection with the name of any agricultural seed variety;

(e) use the word "trace" as a substitute for any statement which is required; or

(f) plant any agricultural seed which the person knows contains weed seeds or noxious weed seeds in excess of the limits for that seed.

**Sec. 46. [21.87] [EXEMPTION.]**

*Sections 41 and 42 do not apply:*

(a) *to seed or grain not intended for sowing purposes;*

(b) *to seed in storage in or being transported or consigned to a conditioning establishment for conditioning, provided that the invoice or label accompanying any shipment of the seeds bears the statement "seeds for conditioning," and provided that any labeling or other representation which may be made with respect to the unconditioned seed is subject to the provisions of sections 41 and 42; or*

(c) *to any carrier with respect to seed transported or delivered for transportation in the ordinary course of its business as a carrier, provided that the carrier is not engaged in producing, conditioning, or marketing seeds subject to sections 41 and 42.*

**Sec. 47. [21.88] [PENALTIES.]**

*Subdivision 1. [MISDEMEANOR; GROSS MISDEMEANOR.] A violation of sections 39 to 51 or a rule adopted under section 44 is a misdemeanor. Each additional day of violation is a separate offense. A subsequent violation by a person is a gross misdemeanor.*

*Subd. 2. [UNLAWFUL PRACTICE.] In addition to other penalties provided by law, a person who violates a provision of sections 39 to 51 or a rule adopted under section 44 has committed an unlawful practice under sections 325F.68 and 325F.69 and is subject to the remedies provided in sections 8.31 and 325F.70.*

*Subd. 3. [PENALTIES NOT TO APPLY.] A person is not subject to the penalties in subdivision 1 or 2 for having sold seeds which were incorrectly labeled or represented as to kind, species, subspecies, if appropriate, variety, type, origin and year, elevation or place of collection if required, if the seeds cannot be identified by examination unless he has failed to obtain an invoice or genuine grower's or tree seed collector's declaration or other labeling information and to take other reasonable precautions to ensure the identity is as stated.*

**Sec. 48. [21.89] [SEED FEE PERMITS.]**

*Subdivision 1. [SEED FEE.] In order to pay for administering and enforcing sections 39 to 51, the commissioner shall establish the fees charged for various seeds and shall collect the fees on all seeds covered by sections 39 to 51.*

*Subd. 2. [PERMITS; ISSUANCE, REVOCATION.] The commissioner shall issue a permit to the initial labeler of agricultural, vegetable, or flower seeds which are offered for sale in Minnesota and which conform to and are labeled under sections 39 to 51. The person shall furnish to the commissioner an itemized statement of all seeds sold in Minnesota for the periods established by the commissioner. This statement shall be delivered, along with the payment of the fee, to the commissioner no later than 30 days after the end of each reporting period. Any person holding a permit shall show as part of the analysis labels or invoices on all agricultural, vegetable, flower, tree or shrub seeds all information the commissioner requires. The commissioner may revoke any permit in the event of failure to comply with applicable laws and rules.*

*Subd. 3. [PENALTY.] A penalty fee established by the commissioner shall be assessed any permit holder who fails to submit a statement and pay the fee due within the 30 days following the end of each reporting period.*

*Subd. 4. [EXEMPTIONS.] A person who labels for sale agricultural, vegetable, or flower seeds must have a seed fee permit unless:*

*(a) The person labels and sells less than 50,000 pounds of agricultural seed in Minnesota each calendar year. If more than 50,000 pounds are labeled and sold in Minnesota by any person, the person must have a seed fee permit and pay fees on all seed sold. A person who labels and sells grass seeds and mixtures of grass seeds intended for lawn or turf purposes is not exempted from having a permit and paying seed fees on all seeds in this category sold in Minnesota; or*

*(b) The agricultural, vegetable, or flower seeds are of the breeder or foundation seed classes of varieties developed by publicly financed research agencies intended for the purpose of increasing the quantity of seed available.*

**Sec. 49. [21.90] [HYBRID SEED FIELD CORN VARIETY REGISTRATION.]**

*Subdivision 1. [GROWING ZONES.] The director of the agricultural experiment station at the University of Minnesota shall determine, establish, and number or otherwise identify corn growing zones of the state and determine and publish a list of day classifications for each zone which will approximate the number of days growing season necessary for corn from emergence of the corn plants above ground after planting to relative maturity.*

*Subd. 2. [FEES.] A record of each hybrid seed field corn variety to be sold in Minnesota shall be registered with the com-*

missioner by February 1 of each year by the originator or owner. The commissioner shall establish the annual fee for registration for each variety. The record shall include the permanent designations of the hybrid as well as the day classification and zone of adaptation, as determined under subdivision 1, which the originator or owner declares to be the zone in which the variety is adapted. In addition, at the time of the first registration of a hybrid seed field corn variety, the originator or owner shall include a sworn statement that his declaration of the zone of adaptation was based on actual field trials in that zone and that the field trials substantiate his declaration as to the day and zone classifications to which the variety is adapted. The name or number used to designate a hybrid seed field corn variety in the registration is the only name of all seed corn covered by or sold under that registration.

Subd. 3. [TESTS OF VARIETIES.] If the commissioner needs to verify that a hybrid seed field corn variety is adapted to the corn growing zone declared by the originator or owner, it must, when grown in several official comparative trials by the director of the Minnesota agricultural experiment station in the declared zone of adaptation, have an average kernel moisture at normal harvest time which does not differ from the average kernel moisture content of three or more selected standard varieties adapted for grain production in that particular growing zone by more than four percentage points. If a new variety when tested has more than six percentage points of moisture over the standard variety, it must have the relative maturity increased by five days in the correct zone of adaptation before it can be sold the second year. If it does not exceed the standard varieties by more than five percentage points of moisture the second year tested, it can be sold the third year with the same relative maturity. If upon being tested the third year the moisture percentage points are found to be over the four percentage points allowed, the variety then must have the relative maturity increased by five days in the correct zone. The varieties to be used as standard varieties for determining adaptability to a zone shall be selected for each zone by the director of the Minnesota agricultural experiment station with the advice and consent of the commissioner of agriculture. Should a person, firm, originator, or owner of a hybrid seed field corn variety wish to offer hybrid seed for sale or distribution in this state, the person, firm, originator, or owner not having distributed any products in Minnesota during the past ten years, or not having any record of testing by an agency acceptable to the commissioner, then after registration of the variety the commissioner is required to have the variety tested for one year by the director of the Minnesota agricultural experiment station before it may be distributed in Minnesota. Should any person, firm, originator, or owner of a seed field corn variety be guilty of two successive violations with respect to the declaration of relative maturity date and zone number, then the violator must commence a program of pretesting for varieties as determined by the commissioner. The list of varieties to be used as standards in each growing zone shall be

sent by the commissioner not later than February 1 of each year to each seed firm registering hybrid varieties with the commissioner as of the previous April 1. To assist in defraying the expenses of the Minnesota agricultural experiment station in carrying out the provisions of this section, there shall be transferred annually from the seed inspection fund to the agricultural experiment station a sum which shall at least equal 80 percent of the total revenue from all hybrid seed field corn variety registrations.

Sec. 50. [21.91] [SEED CERTIFICATION AGENCIES.]

Subdivision 1. [MINNESOTA.] The official seed certification agency for Minnesota shall be determined by the commissioner of agriculture and the director of the Minnesota agricultural experiment station.

Subd. 2. [OTHER JURISDICTIONS.] The official seed certification agency for other jurisdictions shall be determined and the identity filed as a public record in the office of the commissioner of agriculture. The determination shall be made by the commissioner of agriculture and the director of the Minnesota agricultural experiment station.

Sec. 51. [21.92] [SEED INSPECTION FUND.]

There is established in the state treasury an account known as the seed inspection fund. Fees and penalties collected by the commissioner under sections 39 to 51 shall be deposited into this account. The rates at which the fees are charged may be adjusted pursuant to section 16A.28. Money in this account, including interest earned and any appropriations made by the legislature for the purposes of sections 39 to 51, is annually appropriated to the commissioner for the administration and enforcement of sections 39 to 51.

Sec. 52. Minnesota Statutes 1982, section 27.041, subdivision 2, is amended to read:

Subd. 2. [LICENSES.] The license, or a certified copy (THEREOF) of the license, (SHALL) must be kept posted in the office of the licensee at each place within the state where he transacts business. Every license shall expire June 30 following its issuance and thereafter be renewed July 1 each year. Any license issued under this subdivision (SHALL) is automatically (BE) void upon the termination of the surety bond covering the licensed operation. The fee for each license shall be based on the following schedule:

License Fee	Penalty for Late Renewal	Dollar Volume of Business
\$ 30	(\$ 9.60) \$10	\$10,000 or less per month
\$ 60	(\$18) \$15	Over \$10,000 to \$50,000 per month
(\$ 90) \$180	(\$26.40) \$45	Over \$50,000 to \$100,000 per month
(\$120) \$240	(\$36) \$60	Over \$100,000 per month

A fee of (\$5) \$10 shall be charged for each certified copy of a license, \$2 for each license identification card, and \$2 for each license identification truck decal. The commissioner shall make appropriate license fee adjustments for up to one year from July 1, 1975 for persons required to be licensed hereunder, who hold validly issued licenses as of the effective date of Laws 1975, Chapter 227 under the provisions of law amended or repealed herein. When the licensee sells, disposes of, or discontinues his business during the lifetime of his license he shall at the time the action is taken, notify the commissioner in writing, and upon demand produce before the commissioner a full statement of all assets and liabilities as of the date of transfer or discontinuance of the business.

(ALL MONEYS) Money collected from license fees shall be deposited in the state treasury.

Sec. 53. Minnesota Statutes 1982, section 28A.08, is amended to read:

**28A.08 [LICENSE FEES; PENALTIES.]**

The fees for licenses and the penalties for late renewal (THEREOF PRESCRIBED HEREIN SHALL) of licenses set in this section apply to the sections named except as provided under section 28A.09. Except as specified herein, bonds and assessments based on number of units operated or volume handled or processed which are provided for in said laws shall not be affected, nor shall any penalties for late payment of said assessments, nor shall inspection fees, be affected by this chapter.

Subd. 3. [FINANCIAL ASSISTANCE.] Payment of financial assistance shall be by contract between the commissioner and an eligible recipient. The commissioner shall determine the total operating cost of any public transit system receiving or applying for assistance in accordance with generally accepted accounting principles. To be eligible for financial assistance, an applicant or recipient shall provide to the commissioner all financial records and other information and shall permit any inspection reasonably necessary to determine total operating cost and correspondingly the amount of assistance which may be paid to the applicant or recipient. Where more than one county or municipality contributes assistance to the operation of a public transit system, the commissioner shall identify one as lead agency for the purpose of receiving moneys under this section.

The commissioner shall adopt rules establishing uniform performance standards for private operators of regular route tran-

sit systems in the transit taxing district, as defined in section 473.446, subdivision 2. The rules are subject to the provisions in the administrative procedure act of sections 14.01 to 14.70. Payments to those private operators shall be based on the uniform performance standards and operating deficit and shall not exceed 100 percent of the operating deficit as determined by the commissioner. Payments shall be based on approved estimates of expenditures during the contract period and shall be subject to audit and adjustment after any payment has been made.

Prior to distributing operating assistance to eligible recipients for any contract period, the commissioner shall place all recipients into one of the following classifications: large urbanized area service, urbanized area service, small urban area service, rural area service, and elderly and handicapped service. The commissioner shall distribute funds under this section so that the percentage of total operating cost paid by any recipient from local sources will not exceed the percentage for that recipient's classification, *except as provided in an undue hardship case*. The percentages shall be: for large urbanized area service, 55 percent; for urbanized area service and small urban area service, 40 percent; for rural area service, 35 percent; and for elderly and handicapped service, 35 percent. The remainder of the total operating cost will be paid from state funds less any assistance received by the recipient from any federal source. For purposes of this subdivision "local sources" means all local sources of funds and includes all operating revenue, tax levies, and contributions from public funds, except that the commissioner may exclude from the total assistance contract revenues derived from operations the cost of which is excluded from the computation of total operating cost.

If a recipient informs the commissioner in writing after the establishment of these percentages but prior to the distribution of financial assistance for any year that paying its designated percentage of total operating cost from local sources will cause undue hardship, the commissioner may reduce the percentage to be paid from local sources by the recipient and increase the percentage to be paid from local sources (FOR ALL) *by one or more other recipients (IN ITS) inside or outside the classification (SO THAT THE TOTAL STATE FUNDS TO BE RECEIVED BY ALL THE RECIPIENTS IN THE CLASSIFICATION WILL NOT BE ALTERED)*, *provided that no recipient shall have its percentage thus reduced or increased for more than two years successively*. If for any year the funds appropriated to the commissioner to carry out the purposes of this section are insufficient to allow the commissioner to pay the state share of total operating cost as provided in this paragraph, the commissioner shall reduce the state share in each classification to the extent necessary.

Sec. 76. Minnesota Statutes 1982, section 174A.02, subdivision 2, is amended to read:

A certificate which has been issued to a regular route common carrier may be amended by the board on ex parte petition and payment of a (FEE OF) \$25 fee to the commissioner so as to grant an additional or alternate route where there is no other means of transportation over (SUCH) the proposed additional route or between the termini (THEREON), and (SUCH) the proposed additional route does not exceed ten miles in length.

Building mover does not include a person who moves manufactured homes or farmers moving farm buildings.*

(b) "Political subdivision" means a city, town, or county.

(c) "Road authority" has the meaning given it in section 160.02, subdivision 9.

**Subd. 2. [LICENSE.] (ALL BUILDING MOVERS OPERATING IN MINNESOTA SHALL BE LICENSED BY THE BOARD)** *No person may operate as a building mover in this state unless licensed by the commissioner.*

**Subd. 3. [LICENSE APPLICATION.]** To obtain a license to operate as a building mover an applicant shall file (A PETITION) *an application* with the commissioner specifying the name and address of its officers and other information as the (BOARD) commissioner may reasonably require. The (BOARD) commissioner shall issue the license upon compliance by the applicant with (BONDING AND INSURING) *insurance* requirements (SET BY RULE OF THE DEPARTMENT) and payment of an initial \$150 filing fee. A license once granted (SHALL CONTINUE) *continues* in full force and effect, subject to a \$100 annual renewal fee and compliance with (BONDING AND INSURING) *insurance* requirements, unless revoked or suspended.

The commissioner, upon approval of a license for a building mover, shall issue a sufficient number of cab cards to each licensed mover to provide one cab card for each power unit used in moving buildings. The fee is (\$50) \$10 for each cab card issued. The cab card must be carried at all times in a readily available place in the cab of the power unit for which it was issued. The building mover may also purchase up to five floater cab cards for a fee of (\$200) \$100 for each floater card issued. Cab cards (SHALL BE) *are* effective for a 12-month period and (SHALL) continue from year to year thereafter upon payment of the required fee. A building mover shall comply with the state building code in jurisdictions which have adopted the state building code, and with local ordinances which regulate the moving or removing of buildings. A building mover may not be required to pay a route approval fee to, or obtain a permit for the movement of a building on streets or highways from, a political subdivision which is not also the road authority. This section does not prohibit a political subdivision from charging a permit fee for regulation of activities which do not involve the use of public streets or highways. Neither the state nor a political subdivision may regulate rates charged by building movers.*

to others or by holding it in an effort to so lease it, and which is put to no use by the owner other than resale after such lease or effort to lease, shall be considered property purchased for resale. Sales of building materials, supplies and equipment to owners, contractors, subcontractors or builders for the erection of buildings or the alteration, repair or improvement of real property are "retail sales" or "sales at retail" in whatever quantity sold and whether or not for purpose of resale in the form of real property or otherwise. *A sale of carpeting, linoleum, or other similar floor covering which includes installation of the carpeting, linoleum, or other similar floor covering is a contract for the improvement of real property.* Aircraft and parts for the repair thereof purchased by a non-profit, incorporated flying club or association utilized solely by the corporation by leasing such aircraft to shareholders of the corporation shall not be considered property purchased for resale. *Flea market, craft show, antique show, coin show, stamp show, comic book show, or similar selling event, as used in this section, means an activity involving a series of sales sufficient in number, scope, and character to constitute a regular course of business, and which would not qualify as an isolated or occasional sale pursuant to section 297A.25, subdivision 1, clause (k).*

*Any operator who fails or refuses to comply with the provisions of this section shall be subject to a penalty payable to the commissioner of revenue of \$100 for each day of each selling event that the operator fails to obtain evidence that the seller is the holder of a valid seller's permit issued pursuant to section 297A.04.*

The person must file for a refund within the time limitations provided in section 297A.35. Notwithstanding the provisions of section 297A.35, subdivision 1, interest shall be allowed for any refund allowed under this subdivision only from the date on which the person has both registered as a retailer and filed a claim for refund.*

If the amount of the tax found due by the commissioner shall be less than that reported as due on the return, the excess shall be refunded to the person making the return in the manner provided by section 297A.35 (except that no demand therefor shall be necessary), if he has already paid the whole of such tax, or credited against any unpaid tax. Except as otherwise provided in this chapter, no refundment shall be made except as provided in section 297A.35 after the expiration of three years after the filing of the return.

Sec. 12. Minnesota Statutes 1982, section 297A.35, subdivision 1, is amended to read:

Subdivision 1. A person who has, pursuant to the provisions of this chapter, paid to the commissioner an amount of tax for any period in excess of the amount legally due for that period, may file with the commissioner a claim for a refund of such excess *subject to the conditions specified in subdivision 5.* Except as provided in subdivision 4 no such claim shall be entertained unless filed within two years after such tax was paid, or within three years from the filing of the return, whichever period is the longer. The commissioner shall examine the claim and make and file written findings thereon denying or allowing the claim in whole or in part and shall mail a notice thereof to such person at the address stated upon the claim. Any allowance shall include interest on the excess determined at a rate of six percent per annum from the date such excess was paid or collected until the date it is refunded or credited. If such claim is allowed in whole or in part, the commissioner shall credit the amount of the allowance against any taxes under sections 297A.01 to 297A.44 due from the claimant and for the balance of said allowance, if any, the commissioner shall issue his certificate for the refundment of the excess paid, and the commissioner of finance shall cause such refund to be paid out of the proceeds of the taxes imposed by sections 297A.01 to 297A.44, as other state moneys are expended. So much of the proceeds of such taxes as may be necessary are hereby appropriated for that purpose.

Sec. 13. Minnesota Statutes 1982, section 297A.35, is amended by adding a subdivision to read:

*Subd. 5. If a vendor has collected from a purchaser and remitted to the state a tax on a transaction which is not subject*

*to the tax imposed by this chapter, the tax shall be refundable to the vendor only if and to the extent that it will be credited to amounts due to the vendor by the purchaser or returned to the purchaser by the vendor.*

Sec. 14. Minnesota Statutes 1982, section 297A.391, is amended to read:

297A.391 [PAYMENT OF TAX PENDING APPEAL.]

When a taxpayer appeals (HIS TAX) *any liability assessed under this chapter to the tax court, and the amount in dispute is more than (\$4,000) \$6,000, the entire amount of the tax, penalty, and interest assessed by the commissioner shall be paid at the time it is due unless permission to continue prosecution of the petition without payment is obtained as provided herein. The petitioner, upon ten days notice to the commissioner, may apply to the court for permission to continue prosecution of the petition without payment; and, if it is made to appear*

(1) That the proposed review is to be taken in good faith;

(2) That there is probable cause to believe that the taxpayer may be held exempt from payment of the (TAX) *liability* or that the (TAX) *liability* may be determined to be less than 50 percent of the amount due; and

(3) That it would work a substantial hardship upon petitioner to pay the (TAX) *liability,*

*the court may permit the petitioner to continue prosecution of the petition without payment, or may fix a lesser amount to be paid as a condition of continuing the prosecution of the petition.*

Failure to make payment of the amount required when due shall operate automatically to dismiss the petition and all proceedings thereunder unless the payment is waived by an order of the court permitting the petitioner to continue prosecution of the petition without payment.

Sec. 15. Minnesota Statutes 1982, section 297B.03, is amended to read:

297B.03 [EXEMPTIONS.]

There is specifically exempted from the provisions of this chapter and from computation of the amount of tax imposed by it the following:

(3) Purchase or use of any motor vehicle by any person making a valid election to be taxed under the provisions of section 297A.211.

(4) Purchase or use of any motor vehicle previously registered in the state of Minnesota by any corporation or partnership when such transfer constitutes a transfer within the meaning of sections 351 or 721 of the Internal Revenue Code of 1954, as amended through December 31, 1974.

Sec. 16. [REPEALER.]

*Minnesota Statutes 1982, sections 297A.05 and 297A.251 are repealed.*

Sec. 17. [EFFECTIVE DATE.]

*The amendments to clauses (a) and (g) of section 1 and sections 3 and 10, are effective July 1, 1983. The new clause (h) added to section 1 is effective April 1, 1984. Sections 2, 4, 5, 8, 9, and 11 to 16 are effective the day following final enactment. The member contributions shall be made by payroll deduction from the salary of the member by the municipality, and shall be transmitted by the municipality to the relief association as soon as practical. The relief association shall deposit the member contribution to the credit of the special fund of the relief association, provided that to avoid undue increase in the amount of employee contributions in any one year, any increase in the amount of contributions required by this section may be spread over several years with the approval of the municipality, but the increase in rate of contribution in each year shall not be less than one percent until the appropriate levels of required employee contributions have been reached. The formula allowance shall be \$1,475 for the 1982 payable 1983 levies and for foundation aid for the 1983-1984 school year. *The formula allowance shall be \$1,475 for the 1983 payable 1984 levies and for foundation aid for the 1984-1985 school year.*

Sec. 2. Minnesota Statutes 1982, section 124.2122, subdivision 2, is amended to read:

Subd. 2. [BASIC MAINTENANCE MILL RATE.] "Basic maintenance mill rate" means the mill rate applicable to the adjusted assessed valuation of a district, used in the computation of basic foundation aid for a particular school year and of the basic maintenance levy for use in that school year. (THE BASIC MAINTENANCE MILL RATE SHALL BE .021 FOR THE 1980 PAYABLE 1981 LEVY AND FOR FOUNDATION AID FOR THE 1981-1982 SCHOOL YEAR.) The basic maintenance mill rate shall be .024 for 1981 payable 1982 levies and for foundation aid for the 1982-1983 school year. The basic maintenance mill rate shall be .024 for the 1982 payable 1983 levies and for foundation aid for the 1983-1984 school year. (A DISTRICT MAY LEVY LESS THAN 24 MILLS. IF A DISTRICT LEVIES AT LEAST 95 PERCENT OF AN AMOUNT EQUAL TO 23 MILLS TIMES THE ADJUSTED ASSESSED VALUATION OF THE DISTRICT, BASIC FOUNDATION AID SHALL BE COMPUTED AS THOUGH THE DISTRICT HAD LEVIED 24 MILLS TIMES THE ADJUSTED ASSESSED VALUATION OF THE DISTRICT.) *The basic maintenance mill rate shall be .024 for the 1983 payable 1984 levies and for foundation aid for the 1984-1985 school year.*

Sec. 3. Minnesota Statutes 1982, section 124.2124, subdivision 1, is amended to read:

Subdivision 1. [REPLACEMENT COMPONENTS.] (a) A district's "fluctuating enrollment replacement component" shall equal the amount of additional foundation aid or basic maintenance levy revenue the district would have received for the 1980-1981 school year if declining or growing enrollment pupil units had been used in the computation of basic foundation aid for 1980-1981 pursuant to Minnesota Statutes 1980, Section 124.212, Subdivision 7c, Clause (1) or of the 1979 basic maintenance levy limitation pursuant to Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 2b or 2c.

(b) Beginning with the aid and levy revenue for the 1983-1984 school year, in any district where the actual number of pupil units increased from the 1979-1980 school year to the 1980-1981 school year, the district's "recomputed fluctuating enrollment replacement component" shall equal the amount of additional foundation aid or basic maintenance levy revenue the district would have received for the 1980-1981 school year if the

district had qualified for the greater of either the 1980-1981 declining enrollment pupil units or the 1980-1981 growing enrollment pupil units to be used in the computation of basic foundation aid for 1980-1981 pursuant to Minnesota Statutes 1980, Section 124.212, Subdivision 7c, Clause (1) or of the 1979 basic maintenance levy limitation pursuant to Minnesota Statutes 1979 Supplement, Section 275.125, Subdivision 2b or 2c.

(c) A district's "sparsity replacement component" shall equal the amount of additional aid the district would have received for the 1980-1981 school year if Minnesota Statutes, 1979 Supplement, Section 124.224 had been effective for 1980-1981. *Beginning with the 1983-1984 school year, for elementary districts, the component shall equal the amount of additional aid the district would have received for the 1980-1981 school year if pupils attending secondary school in another district had attended a secondary school in the district in which they reside.*

(d) A district's "basic replacement entitlement" shall equal the sum of (1) the greater of (i) its fluctuating enrollment replacement component, or (ii) its recomputed fluctuating enrollment replacement component, and (2) its sparsity replacement component; divided by its total pupil units in 1980-1981.

(e) "Replacement inflator" for any school year means the ratio of the foundation aid formula allowance for that school year to \$1,265. However, for the 1981-1982 school year the replacement inflator shall equal 107 percent, and for the 1982-1983 school year the replacement inflator shall equal 112 percent.

(f) A district's "replacement allowance" for each school year shall equal its basic replacement entitlement times the replacement inflator for that school year.

(g) A district's "replacement levy limitation" means its levy limitation computed pursuant to section 275.125, subdivision 6c.

Sec. 4. Minnesota Statutes 1982, section 124.2126, subdivision 3, is amended to read:

Subd. 3. [MINIMUM AID.] A qualifying district's minimum aid for each school year shall equal its minimum guarantee for that school year, minus the sum of:

(1) The amount of the district's state school agricultural tax credit aid for that school year;

(2) The amount by which property taxes of the district for use in that school year are reduced by the homestead credit provisions in section 273.13, subdivisions 6, 7, and 14a;

(3) The amount by which property taxes of the district for use in that school year are reduced by the taconite homestead credit provisions in section 273.135;

(4) The amount by which property taxes of the district for use in that school year are reduced by the attached machinery provisions in section 273.138, subdivision 6;

(5) The amount by which property taxes of the district for use in that school year are reduced by the state paid wetlands credit provisions in section 273.115;

(6) The amount by which property taxes of the district for use in that school year are reduced by the state paid native prairie credit provisions in section 273.116; (AND)

(7) The amount by which property taxes of the district for use in that school year are reduced by the credit for reduced assessment provisions in section 273.139;

(8) *The amount by which property taxes of the district for use in that school year are reduced by the state reimbursed disaster or emergency reassessment provisions in section 273.123; and*

(9) *the amount by which property taxes of the district for use in that school year are reduced by the metropolitan agricultural preserve provisions in section 473H.10.*

Sec. 5. Minnesota Statutes 1982, section 124.2127, subdivision 1, is amended to read:

Subdivision 1. [DEFINITION; FOUNDATION AID.] Shared time pupils are defined as those pupils who attend public school programs for part of the regular school day and who otherwise fulfill the requirements of section 120.10 by attendance at a nonpublic school.

(a) The average daily membership of a pupil enrolled on a shared time basis shall equal the ratio of the total minutes for which the pupil is enrolled and the minimum minutes required during the year for a regularly enrolled public school pupil.

(b) Foundation aid for shared time pupils shall equal the (AMOUNT WHICH WOULD ACCRUE IF SHARED TIME PUPIL UNITS, COUNTED PURSUANT TO SECTION 124.17, SUBDIVISION 1, CLAUSES (1) AND (2), WERE ADDED TO THE DISTRICT'S TOTAL PUPIL UNITS USED IN DETERMINING ITS FOUNDATION AID) *formula allowance times the full-time equivalent actual pupil units for shared time pupils.* Foundation aid for shared time pupils shall be in addition to any other aid to which the district is otherwise entitled and shared time average daily membership shall not be used in the

computation of pupil units under section 124.17, subdivision 1, for any purpose other than the computation of shared time foundation aid pursuant to this subdivision.

(c) Foundation aid for shared time pupils shall be paid to the district of the pupil's residence. If a pupil attends shared time classes in another district, the resident district shall pay to the district of attendance an amount of tuition equal to the ratio in clause (a) times the amount of tuition which would be charged and paid for a nonresident public school pupil in a similar circumstance. The district of residence shall not be obligated for tuition except by previous agreement.

(d) Notwithstanding the provisions of clause (c), the resident district of a shared time pupil attending shared time classes in another district may grant the district of attendance, upon its request, permission to claim the pupil as a resident for state aid purposes. In this case, state aid shall be paid to the district of attendance and, upon agreement, the district of attendance may bill the resident district for any unreimbursed education costs, but not for unreimbursed transportation costs. The agreement may, however, provide for the resident district to pay the cost of any of the particular transportation categories specified in section 124.225, subdivision 1, and in this case, aid for those categories shall be paid to the district of residence rather than to the district of attendance.

(e) Minutes of enrollment in a public school during which a nonpublic school pupil receives services pursuant to section 123.935 shall not be used in the computation of shared time foundation aid pursuant to this subdivision.

Sec. 6. Minnesota Statutes 1982, section 124.2132, subdivision 4, is amended to read:

Subd. 4. [COUNTY APPORTIONMENT DEDUCTION.]  
((1) THE AMOUNT OF MONEY APPORTIONED TO A SCHOOL DISTRICT FOR EACH SCHOOL YEAR PURSUANT TO SECTION 124.10, SUBDIVISION 2, WHICH EXCEEDS THE AMOUNT APPORTIONED TO THAT DISTRICT PURSUANT TO SECTION 124.10, SUBDIVISION 2 FOR THE 1976-1977 SCHOOL YEAR, SHALL BE DEDUCTED FROM THE FOUNDATION AID EARNED BY THAT DISTRICT FOR THE SAME YEAR.)

((2) IN ADDITION TO THE DEDUCTION IN CLAUSE (1), FIVE-SIXTHS OF THE AMOUNT APPORTIONED PURSUANT TO SECTION 124.10, SUBDIVISION 2, SHALL BE DEDUCTED FROM FOUNDATION AID FOR THE 1981-1982 SCHOOL YEAR, BUT THIS DEDUCTION SHALL NOT EXCEED FIVE-SIXTHS OF THE AMOUNT APPORTIONED FOR THE 1976-1977 SCHOOL YEAR.)

(3) IN THE 1982-1983 SCHOOL YEAR AND) Each (SCHOOL) year (THEREAFTER,) the (ENTIRE) amount of money apportioned to a school district for that year pursuant to section 124.10, subdivision 2, shall be deducted from the foundation aid earned by that district for the same year.

Sec. 7. [124.2138] [REVENUE EQUITY AID SUBTRACTION.]

Subdivision 1. [BASIC MAINTENANCE LEVY EQUITY.]

(1) In any year when the amount of the maximum levy limitation for any district under section 275.125, subdivision 2a, exceeds the district's basic foundation revenue for the corresponding fiscal year, an amount shall be deducted as provided in this subdivision from special state aids of chapter 124 receivable for the same fiscal year, and from state payments on behalf of the district for the same fiscal year authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b). However, the aid authorized in sections 124.2137 and 124.646 shall not be reduced.

(2) The amount of the deduction shall equal the difference between:

(a) the sum of the amount of the district's maximum levy limitation under section 275.125, subdivision 2a, plus the amount of any reductions to that levy limitation pursuant to section 275.125, subdivisions 2c and 9, and

(b) the district's basic foundation revenue.

However, for fiscal year 1985, the amount of the deduction shall be one-sixth of the difference between clauses (a) and (b); for fiscal year 1986, the amount of the deduction shall be one-third of the difference between clauses (a) and (b); for fiscal year 1987, the amount of the deduction shall be one-half of the difference between clauses (a) and (b); for fiscal year 1988, the amount shall be two-thirds of the difference between clauses (a) and (b); and for fiscal year 1989, the amount of the deduction shall be five-sixths of the difference between clauses (a) and (b).

Subd. 2. [TRANSPORTATION LEVY EQUITY.] (1) In any fiscal year in which the transportation levy in a district attributable to that fiscal year of 1.75 mills times the adjusted assessed valuation of the district exceeds the transportation aid computation under section 124.225, subdivisions 8b, 8i, 8j, and 8k, an amount shall be deducted as provided in this subdivision from special state aids of chapter 124 receivable for the same fiscal year, and from state payments on behalf of the district for the same fiscal year authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b), to the extent that those special state aids and state payments have

*not been reduced pursuant to subdivision 1 of this section. However, aid authorized in sections 124.2137 and 124.646 shall not be reduced.*

*(2) The amount of the deduction shall equal the difference between:*

*(a) 1.75 mills times the adjusted assessed valuation of the district for the levy attributable to that fiscal year, and*

*(b) the sum of the district's transportation aid computation pursuant to section 124.225, subdivisions 8b, 8i, 8j, and 8k, less the amount of any aid reduction due to an insufficient appropriation as provided in section 124.225, subdivision 8a.*

*However, for fiscal year 1985, the amount of the deduction shall be one-sixth of the difference between clauses (a) and (b); for fiscal year 1986, the amount of the deduction shall be one-third of the difference between clauses (a) and (b); for fiscal year 1987, the amount of the deduction shall be one-half of the difference between clauses (a) and (b); for fiscal year 1988, the amount of the deduction shall be two-thirds of the difference between clauses (a) and (b); and for fiscal year 1989, the amount of the deduction shall be five-sixths of the difference between clauses (a) and (b).*

*Subd. 3. In any fiscal year in which the state payments on behalf of a district authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b), are reduced under this section, the commissioner of education shall certify the amounts of the required reductions to the district. The district shall pay employer contributions in the amount of the reduction of these payments to the commissioner, which amount shall be placed in the general fund.*

**Sec. 8. [124A.01] [FOUNDATION AID COMPONENTS.]**

*Subd. 2. [ACTUAL LEVY.] "Actual levy" means the amount a district reports, according to section 275.125, subdivision 18, to the department of education that it has levied for each tier.*

*Subd. 3. [PERMITTED LEVY.] "Permitted levy" means the amount a district is permitted to levy for each tier, as determined by the department of education according to section 275.125, subdivisions 7d and 7e.*

*Subd. 4. [TRAINING AND EXPERIENCE INDEX.] "Training and experience index" means a measure of a district's teacher training and experience relative to the education and experience of teachers in the state. The measure shall be determined pursuant to section 10 and according to a method published in the Minnesota Code of Administrative Rules. The published method shall include the data used and a reasonably detailed description of the steps in the method. The method shall not be subject to the provisions of chapter 14. At least biennially, the department shall recompute the index using complete new data.*

Sec. 10. [124A.04] [TRAINING AND EXPERIENCE INDEX.]

*The training and experience index shall be constructed in the following manner:*

(a) *The department shall construct a matrix which classifies teachers by the extent of training received in accredited institutions of higher education, and by the years of experience which the district takes into account in determining each teacher's salary.*

(b) *For all teachers in the state, the average salary per full-time-equivalent shall be computed for each cell of the matrix.*

(c) *For each cell of the matrix, the ratio of the average salary in that cell to the average salary in the cell for teachers with no prior years of experience and only a bachelor's degree shall be computed. The department shall use statistical methods to ensure continuously increasing ratios as cells are higher in training or experience.*

(d) *The index for each district shall be equal to the weighted average of the ratios assigned to the full-time-equivalent teachers in each district.*

(b) *Divide the formula allowance for the school year by \$1265.*

(c) *multiply the result in clause (a) by the result in clause (b).*

(d) *Subtract 1.25 from the training and experience index, and multiply the difference by \$300.*

(e) *Select the greater of the result in clause (d) or zero.*

(f) *Add the results of clauses (c) and (e).*

*Subd. 2. [COST DIFFERENTIAL TIER REVENUE.] A district's cost differential tier revenue for each school year shall equal the cost differential tier allowance times the actual pupil units for that school year.*

*Subd. 3. [COST DIFFERENTIAL TIER AID.] A district's cost differential tier aid shall be the result of the following computation:*

(1) *Subtract the amount of the cost differential tier levy from the amount of the cost differential tier revenue.*

(2) *Divide the actual cost differential tier levy by the permitted cost differential tier levy.*

(3) *Multiply the result in clause (1) by the result in clause (2).*

**Sec. 12. [124A.08] [SECOND TIER AID WITH 100 PERCENT EQUALIZING FACTOR.]**

*Subd. 2. [SECOND TIER REVENUE.] A district's second tier revenue for each school year shall equal the second tier allowance times its actual pupil units for that school year.*

*Subd. 3. [SECOND TIER AID.] A district's second tier aid shall be the result of the following computation:*

*(1) Subtract the amount of the second tier levy from the amount of the second tier revenue.*

*(2) Divide the actual second tier levy by the permitted second tier levy.*

*(3) Multiply the result in clause (1) by the result in clause (2).*

*Subdivision 1. [FIFTH TIER ALLOWANCE.] "Fifth tier allowance" means the amount of revenue per actual pupil unit used to compute the fifth tier aid for a particular school year and the corresponding levy for that school year. The fifth tier allowance shall equal the result of the following computation:*

*(a) Determine the revenue the district would have received for the 1984-1985 school year from grandfather revenue, replacement revenue, and low fund balance revenue, if the provisions of Minnesota Statutes 1982, sections 124.2123, 124.2124, and 124.2128 had been effective for the 1984-1985 school year.*

*(b) Determine the discretionary revenue the district would have received for the 1984-1985 school year if the provisions of Minnesota Statutes 1982, section 124.2125 had been effective for the 1984-1985 school year. Sec. 17. Minnesota Statutes 1982, section 124.2132, subdivision 1, is amended to read:

Subdivision 1. [UNDERLEVIES.] A district's basic foundation (, GRANDFATHER, REPLACEMENT, DISCRETIONARY OR LOW FUND BALANCE) aid (, AS APPLICABLE,) for any school year when the actual amount of the corresponding levy for use in that year is less than the permitted amount, shall be reduced by a percentage equal to the difference between the actual amount and the permitted amount, divided by the permitted amount. This provision shall apply to basic foundation aid only for a school year when the actual amount of the basic maintenance levy for use in that year is less than 95 percent of the permitted amount.

Sec. 18. Minnesota Statutes 1982, section 275.125, subdivision 2e, is amended to read:

[BASIC MAINTENANCE LEVY; DISTRICTS OFF THE FORMULA.] (1) In any year when the amount of the maximum levy limitation under subdivision 2a for any district, exceeds the product of the district's foundation aid formula allowance for the year in which the levy is recognized as revenue times the estimated number of actual and AFDC pupil units for that district for that school year, the levy limitation for that district under subdivision 2a shall be limited to the greater of the dollar amount of the levy the district certified in 1977 under Minnesota Statutes 1978, Section 275.125, subdivision 2a, clause (1), or the following difference but not to exceed the levy limitation under subdivision 2a:

(a) the sum of

(i) the product of the district's foundation aid formula allowance for the school year in which the levy is recognized as revenue, times the estimated number of actual and AFDC pupil units for that district for that school year, plus

(ii) the amount of special state aids of chapter 124 receivable for the same school year, excluding aid authorized in sections 124.2137 and 124.646, plus

(iii) the amount of state payments on behalf of the district for the same school year authorized in sections 354.43, subdivision 1; 354A.12, subdivision 2; and 355.46, subdivision 3, clause (b), less

(b) the estimated amount of any payments which would reduce the district's foundation aid entitlement as provided in section 124.2132, subdivision 4 in the school year in which the levy is recognized as revenue.

(1) However, for fiscal year 1985, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by one-sixth; for fiscal year 1986, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by one-third; for fiscal year 1987, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by one-half; for fiscal year 1988, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by two-thirds; and for fiscal year 1989, the amounts in clauses (a)(ii) and (a)(iii) shall be multiplied by five-sixths.

(2) A levy made by a district pursuant to this subdivision shall be construed to be the levy made by that district pursuant to subdivision 2a, for purposes of statutory cross-reference.

Sec. 19. Minnesota Statutes 1982, section 275.125, is amended by adding a subdivision to read:

*Subd. 7d. [TIER LEVIES.] (1) [COST DIFFERENTIAL TIER LEVY.] In 1983 and each year thereafter, a district may levy for its cost differential tier revenue an amount not to exceed the lesser of its cost differential tier revenue or the result of the following computation:*

(ii) Divide the result in clause (i) by 50 percent of the equalizing factor for the school year to which the levy is attributable.

(iii) Multiply the result in clause (ii) by the fourth tier revenue for the school year to which the levy is attributable.

(5) [FIFTH TIER LEVY.] In 1983 and each year thereafter, a district may levy for its fifth tier revenue an amount not to exceed the lesser of its fifth tier revenue or the result of the following computation:

(i) Divide the adjusted assessed valuation for the year preceding the year the levy is certified, by the total pupil units for the year to which the levy is attributable.

(ii) Divide the result in clause (i) by 50 percent of the equalizing factor for the school year to which the levy is attributable.

(iii) Multiply the result in clause (ii) by the fifth tier revenue for the school year to which the levy is attributable.

Sec. 20. Minnesota Statutes 1982, section 275.125, is amended by adding a subdivision to read:

*Subd. 7e. [SECOND TIER LEVY FUND BALANCE.] Beginning with the 1983 payable 1984 levy, for a district where the net unappropriated operating fund balance as of the June 30 before the levy is certified exceeds \$500 per total pupil unit in the year when the levy is certified, the second tier levy shall be reduced by the amount of the excess times the lesser of (a) one, or (b) the ratio of the district's EARC valuation for the preceding year per total pupil unit in the school year for which the levy is attributable, to the equalizing factor. Beginning with the 1984-1985 school year, the second tier aid for the year when that levy is used shall be reduced by any amount of the excess which is not subtracted from the levy.*

Sec. 21. Minnesota Statutes 1982, section 275.125, subdivision 9, is amended to read:

**Subd. 9. [LEVY REDUCTIONS; TACONITE.] (1) Reductions in levies pursuant to subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).**

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; 477A.15; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties, or recognized revenue pursuant to section 477A.15; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section by the greater of the following:

(a) an amount equal to 50 percent of the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year; or

(b) an amount equal to the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year less the product of the same dollar amount of payments or revenue times the ratio of the maximum levy allowed the district under subdivision 2a, to the total levy allowed the district under this section in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, to an amount less than the amount raised by a levy of (TEN) 12.5 mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review

committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2d shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision. (THE AMOUNT OF ANY LEVY AUTHORIZED BY SUBDIVISION 7A SHALL NOT BE REDUCED PURSUANT TO THIS SUBDIVISION.)

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by subdivision 11a, and the community service levy authorized by subdivision 8, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to subdivision 11a and for community services pursuant to subdivision 8. The reduction of the capital expenditure levy and the community services levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year pursuant to sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124.2132, subdivision 5, clause (2), and not applied to reduce levies pursuant to this subdivision shall be paid by the district to the commissioner of finance in the following amount (ON THE DESIGNATED DATE: ON OR BEFORE) by March 15 of each year, (100 PERCENT OF) the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section (124.2128) 124.2132, subdivision 5, which is in excess of the foundation aid earned for that fiscal year. The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

### TRANSPORTATION AID

*Section 1. Minnesota Statutes 1982, section 123.37, subdivision 1b, is amended to read:*

Subd. 1b. [TRANSPORTATION; FUEL.] Notwithstanding the provisions of subdivision 1 or section 471.345, a contract for the transportation of school children, or a contract for the purchase (, BY JUNE 30, 1983,) of petroleum heating fuel or fuel for (DISTRICT OWNED) vehicles may be made by direct negotiation, by obtaining two or more written quotations for the service when possible, or upon sealed bids. At least 30 days before awarding a directly negotiated contract, the school district shall, by published notice, request quotations for the service to be provided. All quotations obtained shall be kept on file for a period of at least one year after receipt thereof. If a contract is made by direct negotiation, (NEGOTIATIONS) *all quotations shall be (OPEN TO THE) public information.* If a contract is made upon sealed bids, the procedure for advertising and awarding bids shall conform to the provisions of subdivision 1 except as otherwise provided in this subdivision.

Notwithstanding the provisions of subdivision 1 or section 574.26, a performance bond shall be required of a contractor on a contract for the transportation of school children only when and in the amount deemed necessary by and at the discretion of the school board.

Sec. 2. Minnesota Statutes 1982, section 124.225, is amended to read:

124.225 [TRANSPORTATION AID ENTITLEMENT.]

Subdivision 1. [DEFINITIONS.] For purposes of this section, the terms defined in this subdivision have the meanings given to them.

(a) "FTE" means a transported full time equivalent pupil whose transportation is authorized for aid purposes by section 124.223.

(b) "Authorized cost for regular transportation" means the sum of:

(1) all expenditures for transportation in the regular category, as defined in clause (e)(1), for which aid is authorized in section 124.223, plus

(2) an amount equal to one year's depreciation on the district's school bus fleet and mobile units computed on a straight line basis at the rate of 12-1/2 percent per year of the cost of the fleet, plus

(3) an amount equal to one year's depreciation on district school buses reconditioned by the department of corrections computed on a straight line basis at the rate of 33-1/3 percent per year of the cost to the district of the reconditioning, plus

(4) beginning in fiscal year 1984, an amount equal to one year's depreciation on the district's type three school buses, as defined in section 169.44, subdivision 15, which were purchased after July 1, 1982 for authorized transportation of pupils, with the prior approval of the commissioner, computed on a straight line basis at the rate of 20 percent per year of the cost of the type three school buses.

(c) "Adjusted authorized predicted cost per FTE" means the authorized cost predicted by a multiple regression formula determined by the department of education, and adjusted pursuant to subdivision 7a.

(d) "Aid entitlement per FTE" means the adjusted authorized predicted cost per FTE, inflated pursuant to subdivision 7b.

(e) "Transportation category" means a category of transportation service provided to pupils. Each category includes transportation provided during the regular school year and in conjunction with a state board approved summer school program. For purposes of this section, transportation categories are as follows:

(1) Regular transportation is transportation services provided under section 124.223, clauses (1) and (2), excluding transportation between schools under section 124.223, clause (1);

(2) During-day transportation is transportation services between schools provided under section 124.223, clause (1), and transportation services provided under section 124.223, clauses (3) and (9), and transportation services provided under section 124.223, clause (6), excluding transportation provided for pupils attending shared time special education classes;

(3) Handicapped transportation is transportation services for pupils attending shared time special education classes provided under section 124.223, clause (6), and transportation services provided under section 124.223, clause (4), excluding board and lodging and excluding transportation to and from board and lodging facilities;

(4) Board and lodging is services provided, in lieu of transportation, under section 124.223, clauses (4) and (5);

(5) To and from board and lodging facility transportation is transportation services to and from board and lodging facilities provided under section 124.223, clauses (4) and (7);

(6) Nonpublic health, guidance and counseling transportation is transportation services provided under section 124.223, clause (10) (.);

(7) *Nonregular transportation is transportation services provided between schools under section 124.223, clause (1); and transportation services provided under section 124.223, clauses (3), (4), (5), (6), (7), (9), and (10).*

(f) "Pupil weighting factor" means the ratio of the actual district average cost per FTE in a particular transportation category in the base year to the actual district average cost per FTE in the regular transportation category in the base year.

(g) "Weighted FTE's" means the number of FTE's in each transportation category multiplied by the pupil weighting factor for that category.

(h) "Mobile unit" means a vehicle or trailer designed to provide facilities for educational programs and services, including diagnostic testing, guidance and counseling services and health services. A mobile unit located off nonpublic school premises is a neutral site as defined in section 123.932, subdivision 9.

(i) "Percent excess handicapped FTE's transported" means the result of the following computation for the current year:

one, minus the product of

(1) the ratio of the number of FTE pupils transported in the handicapped category in the state to the number of FTE pupils transported in the handicapped category in the district; times

(2) the ratio of the number of FTE pupils transported in the regular category in the district to the number of FTE pupils transported in the regular category in the state.

(j) "Current year" means the school year for which aid will be paid.

(k) "Base year" means the second school year preceding the school year for which aid will be paid.

(l) "Base cost" means the authorized regular transportation cost per FTE in the base year in the regular transportation category, excluding summer school transportation.

(m) "Predicted base cost" means the base cost as predicted by subdivision 3.

Subd. 1a. [WEIGHTING FACTORS.] For each school year, in computing transportation aid, the department of education shall establish as needed the pupil weighting factors for each transportation category for each district using transportation cost data for the second prior school year. The department shall use the statewide pupil weighting factor for any transportation

category for which a district had no experience during the second prior school year.

Subd. 3. [FORMULA.] For each school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive state aid an amount determined according to this section. The department of education shall conduct multiple regression analysis using the terms specified in subdivision 4a (,) for the 1982-1983 and 1983-1984 school years, and using the terms specified in subdivision 4b for the 1984-1985 school year and each school year thereafter to predict the base cost for each district. Each year a formula shall be derived based upon the regression analysis, but excluding the (FACTORS) factor described in subdivision 4a, (CLAUSES (8),) clause (9), (AND (10), EXCEPT THAT) in the (1982-1983) formula for the 1983-1984 school year (, THESE CLAUSES SHALL NOT BE EXCLUDED). (THIS) Each year the formula shall be used to determine a predicted base cost for each district. The amount determined for each district shall be adjusted according to the provisions of subdivisions 7a and 7b.

Subd. 4a. [FORMULA TERMS, 1983-1984.] To predict the base cost for each district pursuant to subdivision 3 for the 1983-1984 school year, the multiple regression formula shall use the following terms for each district:

- (1) The district's average daily membership;
- (2) The reciprocal of the district's average daily membership;
- (3) The logarithm of the number of authorized FTE's per square mile transported by the district in the regular transportation category;
- ((4) THE PERCENTAGE OF THE DISTRICT'S SQUARE MILE AREA WHICH IS CLASSIFIED BY THE COMMISSIONER OF ENERGY, PLANNING AND DEVELOPMENT AS WATER-COVERED, MARSHLAND, OR EXTRACTIVE;)
- ((5)) (4) The district's administrative overhead for transportation per authorized FTE transported in the regular transportation category;
- ((6)) (5) The number of schools to which pupils are transported in the regular transportation category, either within or outside the district, divided by the number of authorized FTE's transported in the regular transportation category;
- ((7)) (6) Whether the district is non-rural, based upon criteria established by the department of education;

((8)) (7) Whether the district contracts for bus service, or transports pupils only on district-owned buses;

((9)) (8) The percentage of all regular transportation category bus routes using buses that are not owned by the district, if that percentage is not 100 percent;

((10)) (9) Whether the district operates a special bus to transport pupils to home from school who are involved in after-school activities.

*Subd. 4b. [FORMULA TERMS, 1984-1985 AND AFTER.] To predict the logarithm of the base cost for each district pursuant to subdivision 3 for the 1984-1985 school year and each year thereafter, the multiple regression formula shall use the following terms for each district:*

(1) *The logarithm of the lesser of (a) the number of authorized FTE's per square mile transported by the district in the regular transportation category, or (b) 200;*

(2) *Whether the district is non-rural, based upon criteria established by the department of education; and*

(3) *The logarithm of the percentage of all FTE's transported in the regular category using buses that are not owned by the district.*

**Subd. 7a. [BASE YEAR SOFTENING FORMULA.] (1) (EACH DISTRICT'S PREDICTED BASE COST DETERMINED FOR EACH SCHOOL YEAR ACCORDING TO SUBDIVISION 3 SHALL BE AVERAGED WITH THE BASE COST FOR THAT DISTRICT FOR THAT YEAR TO DETERMINE THE DISTRICT'S ADJUSTED AUTHORIZED PREDICTED COST PER FTE FOR THAT YEAR.)**

**((2) NOTWITHSTANDING CLAUSE (1),)** For fiscal year 1983; **(THE)** *each district's predicted base cost determined according to subdivision 3 shall be adjusted as provided in this clause to determine adjusted authorized predicted cost per FTE for the base school year.*

**(a)** If the predicted base cost exceeds the base cost, the predicted base cost shall be decreased by 50 percent of the first \$40 of difference between the base cost and the predicted base cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted authorized predicted cost per FTE.

**(b)** If the predicted base cost is less than the base cost, the predicted base cost shall be increased by 50 percent of the first \$40 of difference between the base cost and the predicted base

cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted authorized predicted cost per FTE.

(2) *For fiscal year 1984 and each year thereafter, each district's predicted base cost determined for each school year according to subdivision 3 shall be adjusted as provided in this clause to determine the district's adjusted authorized predicted cost per FTE for that year.*

(a) *If the base cost of the district is within five percent of the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to the base cost.*

(b) *If the base cost of the district is more than five percent greater than the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to 105 percent of the predicted base cost, plus 40 percent of the difference between (i) the base cost, and (ii) 105 percent of the predicted base cost. However, in no case shall a district's adjusted authorized predicted cost per FTE be less than 80 percent of base cost.*

(c) *If the base cost of the district is more than five percent less than the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to 95 percent of the predicted base cost, minus 40 percent of the difference between (i) 95 percent of predicted base cost, and (ii) the base cost. However, in no case shall a district's adjusted authorized predicted cost per FTE be more than 120 percent of base cost.*

Subd. 7b. [INFLATION FACTORS.] *The adjusted authorized predicted cost per FTE determined for a district under subdivision 7a for the base year shall be increased by 22 percent to determine the district's aid entitlement per FTE for the 1982-1983 school year, by 11.7 percent to determine the district's aid entitlement per FTE for the 1983-1984 school year, and by 10.3 percent to determine the district's aid entitlement per FTE for the 1984-1985 school year.*

Subd. 8a. [AID.] *For the 1982-1983 and 1983-1984 school years, a district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its excess handicapped transportation aid pursuant to subdivision 8c, its handicapped board and lodging aid pursuant to subdivision 8d, its to and from board and lodging aid pursuant to subdivision 8e, its nonpublic support services transportation aid pursuant to subdivision 8f, its during-day transportation aid pursuant to subdivision 8g, and its closed-school transportation aid pursuant to subdivision 8h, minus the amount raised by two mills times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year. For the 1983-1984 school year transporta-*

*tion aid for a district which contracted for pupil transportation services in the 1981-1982 school year shall be reduced by an amount equal to \$18 times the number of FTE pupils transported on contracted school buses in the base year in the regular transportation category. A district may levy less than the amount raised by two mills. Transportation aid shall be computed as if the district had levied the amount raised by two mills. (IF THE TOTAL APPROPRIATION FOR TRANSPORTATION AID IN ANY FISCAL YEAR AFTER 1982 IS INSUFFICIENT TO PAY ALL DISTRICTS THE FULL AMOUNT OF AID EARNED, THE DEPARTMENT OF EDUCATION SHALL REDUCE EACH DISTRICT'S AID IN PROPORTION TO THE NUMBER OF RESIDENT PUPILS IN AVERAGE DAILY MEMBERSHIP IN THE DISTRICT TO THE STATE TOTAL AVERAGE DAILY MEMBERSHIP, AND SHALL REDUCE THE AID ENTITLEMENT OF OFF-FORMULA DISTRICTS IN THE SAME PROPORTION.) Aid for the 1982-1983 and 1983-1984 school years shall also be reduced by the following amount: the product of*

(a) the number of nonhandicapped secondary pupils transported in the base year who live between one and two miles from the public school which they could attend or the nonpublic school actually attended, times

(b) 1.5, divided by the average distance to school for all FTE's transported in the district in the regular transportation category in the base year, times

(c) the district's aid entitlement for FTE determined according to subdivision 7b, times the ratio of average daily membership used in subdivision 8b.

*For the 1984-1985 school year and thereafter, a district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its nonregular transportation aid pursuant to subdivision 8i, and its nonregular transportation levy equalization aid pursuant to subdivision 8j, minus its contracted services and reduction pursuant to subdivision 8k, minus the amount raised by 1.75 mills times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year. A district may levy less than the amount raised by 1.75 mills. Transportation aid shall be computed as if the district had levied the amount raised by 1.75 mills.*

*If the total appropriation for transportation aid for any fiscal year is insufficient to pay all districts the full amount of aid earned, the department of education shall reduce each district's aid in proportion to the number of resident pupils in average daily membership in the district to the state total average daily membership, and shall reduce the aid entitlement of off-formula districts in the same proportion.*

Subd. 8b. [BASIC AID COMPUTATION.] For the 1982-1983 and 1983-1984 school years, a district's basic transportation aid pursuant to this section for the school year shall equal the district's aid entitlement per FTE determined according to subdivision 7b times the total number of authorized weighted FTE's transported in the regular and handicapped transportation categories in the district in the base year times the ratio of average daily membership in the district in the current year to the average daily membership in the district in the base year.

For the 1984-1985 school year and thereafter, a district's basic transportation aid pursuant to this section for each school year shall equal the district's aid entitlement per FTE determined according to subdivision 7b times the total number of authorized FTE's transported in the regular (AND HANDICAPPED CATEGORIES) category in the district in the current school year.

Subd. 8c. [EXCESS HANDICAPPED AID.] (a) for (EACH) the 1982-1983 and 1983-1984 school (YEAR) years, the state shall pay aid for the excess costs of providing transportation for handicapped students as provided in this subdivision to a district where, in the current school year, the ratio of FTE's transported in the handicapped category to the total number of FTE's transported in the regular transportation category exceeds the same ratio for the state as a whole.

(b) This aid shall equal:

the product of the percent excess handicapped FTE's transported, times the difference between

(1) the district's actual cost for transportation of all pupils in the handicapped category in the current year, and

(2) the product of

(i) the district's aid entitlement per FTE determined according to subdivision 7b, times

(ii) (THE NUMBER OF FTE'S TRANSPORTED IN THE HANDICAPPED CATEGORY IN THE DISTRICT IN THE CURRENT YEAR.)

(PROVIDED THAT FOR THE 1982-1983 AND 1983-1984 SCHOOL YEARS, THE NUMBER IN (2) (II) ABOVE SHALL BE REPLACED BY THE FOLLOWING COMPUTATION:) the product of the number of FTE's transported in the handicapped category in the district in the base year, times its pupil weighting factor for the handicapped category, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year.

*Excess handicapped transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8d. [HANDICAPPED BOARD AND LODGING AID.] For board and lodging of handicapped pupils, each district shall receive aid equal to the product of the number of FTE pupils boarded and lodged in the current year in the district in this transportation category, times the average of

(a) the state average board and lodging cost per FTE pupil boarded and lodged in the base year, times the inflation factor for that year prescribed in subdivision 7b; and

(b) the district's actual cost per FTE pupil boarded and lodged in the current year.

*Aid for board and lodging of handicapped pupils authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8e. [TO AND FROM BOARD AND LODGING.] For transportation of handicapped pupils to and from board and lodging facilities, the state shall pay aid to each district for each year equal to the lesser of

(a) the sum of the distance in miles from the home of each pupil transported in this category to the board and lodging facility, times 36, times 24 cents; or

(b) the average of the amount in (a) and the district's actual cost for all transportation in this category in the current year.

*Aid for transportation of handicapped pupils to and from board and lodging facilities authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8f. [NONPUBLIC SUPPORT SERVICES AID.] For the 1982-1983 and 1983-1984 school years, a district's nonpublic support services transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the nonpublic support services transportation category, times the number of FTE pupils transported in the nonpublic support services category in the district in the base year, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year. (FOR THE 1984-1985 SCHOOL YEAR AND THEREAFTER, A DISTRICT'S NON-PUBLIC SUPPORT SERVICES TRANSPORTATION AID SHALL EQUAL THE DISTRICT'S AID ENTITLEMENT PER FTE DETERMINED ACCORDING TO SUBDIVISION 7B, TIMES ITS PUPIL WEIGHTING FACTOR FOR THE NON-PUBLIC SUPPORT SERVICES TRANSPORTATION CATE-

GORY, TIMES THE NUMBER OF FTE'S TRANSPORTED IN THAT CATEGORY IN THE CURRENT YEAR.)

*Nonpublic support services aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8g. [DURING-DAY TRANSPORTATION AID.] For the 1982-1983 and 1983-1984 school years, a district's during-day transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the during-day transportation category, times the number of FTE's transported in the during-day transportation category in the base year, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year. (FOR THE 1984-1985 SCHOOL YEAR AND THEREAFTER, A DISTRICT'S DURING-DAY TRANSPORTATION AID SHALL EQUAL THE DISTRICT'S AID ENTITLEMENT PER FTE DETERMINED ACCORDING TO SUBDIVISION 7B, TIMES ITS PUPIL WEIGHTING FACTOR FOR THE DURING-DAY TRANSPORTATION CATEGORY, TIMES THE NUMBER OF FTE'S TRANSPORTED IN THE DURING-DAY TRANSPORTATION CATEGORY IN THE CURRENT YEAR.)

*During-day transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8h. [CLOSED-SCHOOL TRANSPORTATION AID.] For the 1982-1983 and 1983-1984 school years, a district's closed-school transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times the number of authorized FTE's transported in the regular category in the current school year who were not transported in the base year and would not have been transported in the current year but for school closings or altered school attendance boundaries. The total amount of transportation aid computed pursuant to this subdivision in each year shall not exceed \$2,000,000. If this amount is insufficient to pay each qualifying district its full amount of aid pursuant to this subdivision, this amount shall be prorated among all qualifying districts in proportion to each district's number of FTE's for whom aid is claimed under this subdivision.

*Closed-school transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8i. [NONREGULAR TRANSPORTATION AID.] For the 1984-1985 school year and each year thereafter, a district's nonregular transportation aid shall be determined pursuant to this subdivision. Nonregular transportation aid shall equal (a) 20 percent of the first \$10 of actual cost in the current year for nonregular transportation services per total pupil unit,

plus 40 percent of the next \$10 of actual cost in the current year for nonregular transportation services per total pupil unit, plus 60 percent of the actual cost in the current year for nonregular transportation services per total pupil unit which exceeds \$20, times (b) the number of total pupil units in the district in the current year.

**Subd. 8j. [NONREGULAR TRANSPORTATION LEVY EQUALIZATION AID.]** For the 1984-1985 school year and each year thereafter, a district's nonregular transportation levy equalization aid shall be determined pursuant to this subdivision.

(a) Unreimbursed nonregular transportation revenue shall equal the actual cost in the current year for nonregular transportation services, minus the district's nonregular transportation aid computed pursuant to subdivision 8i.

(b) The nonregular transportation levy is the levy authorized by section 275.125, subdivision 5c.

**Subd. 8k. [CONTRACTED SERVICES AID REDUCTION.]** For the 1984-1985 school year and each year thereafter, each district's transportation aid shall be reduced according to the provisions of this subdivision, if the district contracted for some or all of the transportation services provided in the regular category. The department of education shall compute this subtraction by conducting the multiple regression analysis specified in subdivision 3 and computing the district's aid under two circumstances, once including the coefficient of the factor specified in subdivision 4b, clause (3), and once excluding the coefficient of that factor. The aid subtraction shall equal the difference between the district's aid computed under these two circumstances.

If a district's final transportation aid payment is adjusted after the final aid payment has been made to all districts, the adjustment shall be made by increasing or decreasing the district's aid for the next fiscal year.

**Subd. 10. [DEPRECIATION.]** Any school district which owns school buses or mobile units shall transfer annually from the unappropriated fund balance account in its transportation

(1) the district's total transportation aid without the reduction pursuant to subdivision 8a, plus

(2) *for fiscal years 1983 and 1984*, an amount equal to two mills times the adjusted assessed valuation (OF THE DISTRICT) *which is used to compute the levy limitation for the levy attributable to that year, or for fiscal year 1985 and thereafter 1.75 mills times the adjusted assessed valuation of the district for the preceding year.* Any school district may transfer any amount from the unappropriated fund balance account in its transportation fund to any other operating fund or to the appropriated fund balance account for bus purchases in its transportation fund.

(SUBD. 11. [PAYMENT SCHEDULE THROUGH 1982.] EXCEPT AS MAY BE OTHERWISE AUTHORIZED BY THE COMMISSIONER TO ACCOMMODATE A FLEXIBLE SCHOOL YEAR PROGRAM, FOR FISCAL YEARS THROUGH 1982, THE STATE SHALL PAY TO EACH SCHOOL DISTRICT 30 PERCENT OF ITS ESTIMATED SCHOOL TRANSPORTATION AID FOR THE FISCAL YEAR ON OR BEFORE EACH OF THE FOLLOWING DATES: AUGUST 31, DECEMBER 31, AND MARCH 31. (A DISTRICT MAY ALSO LEVY UNDER THIS SUBDIVISION FOR THE AMOUNT NECESSARY TO ELIMINATE ANY PROJECTED DEFICIT IN THE APPROPRIATED FUND BALANCE ACCOUNT FOR BUS PURCHASES IN ITS TRANSPORTATION FUND AS OF JUNE 30 IN THE SCHOOL YEAR WHEN THE LEVY IS RECOGNIZED AS REVENUE. A DISTRICT WHICH CONTRACTS FOR PUPIL TRANSPORTATION SERVICES MAY ALSO LEVY AN AMOUNT EQUAL TO \$18 TIMES THE NUMBER OF FTE PUPILS TRANSPORTED ON CONTRACTED SCHOOL BUSES IN THE PRECEDING SCHOOL YEAR IN THE REGULAR TRANSPORTATION CATEGORY, WHICH SHALL BE PLACED IN THE TRANSPORTATION FUND AND USED FOR ANY LAWFUL PURPOSE. A DISTRICT MAY LEVY AN AMOUNT EQUAL TO THE ESTIMATED COST, IN THE SCHOOL YEAR BEGINNING IN THE YEAR IN WHICH THE LEVY IS CERTIFIED, OF TRANSPORTING SECONDARY PUPILS TO AND FROM SCHOOL WHO LIVE MORE THAN ONE MILE BUT LESS THAN TWO MILES FROM THE PUBLIC SCHOOL WHICH THEY COULD ATTEND OR FROM A NONPUBLIC SCHOOL ACTUALLY ATTENDED. A DISTRICT MAY ALSO LEVY FOR TRANSPORTATION COSTS OR OTHER RELATED SERVICES WHICH ARE NECESSARY BECAUSE OF EXTRAORDINARY TRAFFIC HAZARDS FOR THE NEXT SCHOOL YEAR. Sec. 23. Minnesota Statutes 1982, section 124.15, subdivision 5, is amended to read:

Sec. 25. Minnesota Statutes 1982, section 124.43, subdivision 1, is amended to read:

Subdivision 1. [REVIEW BY COMMISSIONER.] (a) To the extent moneys are from time to time available hereunder, the commissioner may, after review and a favorable recommendation by the state board of education, (MAKE) *recommend to the legislature* capital loans to school districts. Proceeds of the loans shall be used only for sites for school buildings and for acquiring, bettering, furnishing, or equipping school buildings under contracts to be entered into within 12 months from and after the date on which each loan is granted. Applications with the accompanying data specified in subdivision 2 shall be filed between October 1 of any year and the following June 1.

(b) Any board which intends to submit an application for a capital loan shall submit a proposal to the commissioner for review and comment pursuant to section (122.90) *121.15*, and the commissioner shall prepare a review and comment on the proposed facility, regardless of the amount of the capital expenditure required to construct the facility. The state board shall not make a favorable recommendation on an application for a capital loan for any facility unless:

(1) the facility receives a favorable review and comment pursuant to section (122.90) *121.15*; and

(2) the state board determines that

(A) the facilities are needed to replace facilities dangerous to the health and safety of pupils, or to provide for pupils for whom no adequate facilities exist;

(B) the facilities could not be made available through dissolution and attachment of the district to another district or through pairing, interdistrict cooperation, or consolidation with another district, or through the purchase or lease of facilities from existing institutions within the area. The preference of the school district regarding reorganization shall not be a criterion used by the state board in determining whether the facilities could be made available through reorganization;

(C) the facilities are comparable in size and quality to facilities recently constructed in other districts of similar enrollment; and

(D) the district's need for the facilities is comparable to needs which comparable districts are meeting through local bond issues.

The state board may recommend that the loan be approved in a reduced amount in order to meet the foregoing criteria. If the

state board recommends that a loan not be approved, the commissioner shall not (APPROVE) *recommend approval* of the loan (, AND). If the state board recommends that the loan be approved in a reduced amount, the commissioner shall not (APPROVE) *recommend approval* of a loan larger than that recommended by the state board.

(c) *As part of reviewing an application for a capital loan, the commissioner of education shall prepare estimated yearly repayments by the school district and the estimated amount of principal and interest that may be forgiven after the term of the loan. These estimates shall assume no growth in assessed valuation over the term of the loan, shall assume a 16 mill levy, and shall be prepared using a methodology approved by the commissioner of finance. The commissioner of education shall use a discount factor provided by the commissioner of finance in determining the present value of the estimated amount of interest and principal which may be forgiven after the term of the loan.*

((C)) (d) No loan shall be (APPROVED) *recommended for approval* for any district exceeding an amount computed as follows:

- (1) The amount voted by the district under subdivision 2;
- (2) Plus the aggregate principal amount of general obligation bonds of the district outstanding on the date of approval, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 24 percent of the adjusted assessed value, whichever is less;
- (3) Less the maximum net debt permissible for the district on the date of approval, under the limitation in section 475.53, subdivision 4, or 24 percent of the adjusted assessed value, whichever is less; and
- (4) Less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted, as estimated in accordance with subdivision 4, provided that the loan may be approved in an amount computed as provided in clauses (1) to (3), subject to subsequent reduction in accordance with this clause.

Sec. 26. [124.435] [APPROVAL BY LEGISLATURE.]

*After review of an application for a capital loan, the commissioner of education shall submit the application to the education committees of the legislature. The legislature may approve, disapprove, or modify the application. After the legislature has approved the application, the commissioner shall grant the loan for the purposes and in the amount specified by the legislature.*

Sec. 27. [125.032] [LICENSURE; COMMUNITY EDUCATION INSTRUCTORS.]

*Subd. 2. [EXCEPTIONS.] A person who teaches in a community education program which qualifies for aid pursuant to section 124.26 shall continue to meet licensure requirements as a teacher. A person who teaches in an early childhood and family education program which is offered through a community education program and which qualifies for per capita aid pursuant to section 124.271 shall continue to meet licensure requirements as a teacher. A person who teaches in a community education course which is offered for credit for graduation to persons under 18 years of age shall continue to meet licensure requirements as a teacher. A person who teaches a driver training course which is offered through a community education program to persons under 18 years of age shall be licensed by the board of teaching. A license which is required for an instructor in a community education program pursuant to this subdivision shall not be construed to bring an individual within the definition of a teacher for purposes of section 125.12, subdivision 1, or section 125.17, subdivision 1, clause (a). A community education instructor shall not be defined as a teacher pursuant to section 179.63, subdivision 13, or be a member of a teacher bargaining unit solely as a result of that individual's employment in a community education program.*

Sec. 28. Minnesota Statutes 1982, section 125.05, is amended by adding a subdivision to read:

*Subd. 5. [PROVISIONAL LICENSES; PROHIBITED.] The board of teaching shall grant no new provisional licenses. By January 15, 1984, the state board and commissioner of education shall submit a report to the education committees of the legislature with recommendations on provisional licenses.*

Sec. 29. Minnesota Statutes 1982, section 125.12, is amended by adding a subdivision to read:

*Subd. 1a. [NONPROVISIONAL LICENSE DEFINED.] For purposes of this section, "nonprovisional license" shall mean an entrance, continuing, or life license.*

Sec. 30. Minnesota Statutes 1982, section 125.12, subdivision 6a, is amended to read:

*Subd. 6a. [NEGOTIATED UNREQUESTED LEAVE OF ABSENCE.] The school board and the exclusive bargaining*

representative of the teachers may negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. Failing to successfully negotiate such a plan, the provisions of subdivision 6b shall apply. *The negotiated plan shall not include provisions which would result in the exercise of seniority by a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (c), or the reinstatement of a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (e).* The provisions of section 179.72 shall not apply for the purposes of this subdivision.

Sec. 31. Minnesota Statutes 1982, section 125.12, subdivision 6b, is amended to read:

Subd. 6b. [UNREQUESTED LEAVE OF ABSENCE.] The school board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the board shall be governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable;

(c) *Notwithstanding the provisions of clause (b), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses;*

((C)) (d) Notwithstanding clauses (a) (AND), (b) and (c), if (EITHER) the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights; (OR) the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, *or the restriction imposed by the provisions of clause (c)* would place the district in violation of its affirmative action program, the district may retain the probationary teacher (OR), the teacher with less seniority, *or the provisionally licensed teacher*;

((D)) (e) Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. *No teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave.* The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

((E)) (f) No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to (HIM) *that teacher*, that he *or she* may return to employment and that he *or she* will assume the duties of the position to which appointed on a future date determined by the board;

((F)) (g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

((G)) (h) The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

((H)) (i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence prior to January 1, 1978 and who is not reinstated shall continue for a period of two years after which the right to reinstatement shall terminate. The unrequested leave of absence of a teacher who is placed on unrequested leave of absence on or after January 1, 1978 and who is not reinstated shall continue for a period of five years after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if he *or she* fails to file with the board by April 1 of any year a written statement requesting reinstatement;

((I)) (j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 3 and 4 shall apply to placement on unrequested leave of absence;

((J)) (k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible.

Sec. 32. Minnesota Statutes 1982, section 125.17, subdivision 1, is amended to read:

Subdivision 1. [WORDS, TERMS, AND PHRASES.] Unless the language or context clearly indicates that a different meaning is intended, the following words, terms, and phrases, for the purposes of the following subdivisions in this section shall be defined as follows:

Subd. 11. [SERVICES TERMINATED BY DISCONTINUANCE OR LACK OF PUPILS; PREFERENCE GIVEN.] (a) Any teacher whose services are terminated on account of discontinuance of position or lack of pupils shall receive first consideration for other positions in the district for which (SHE) *that teacher* is qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers shall be discontinued in any department in the inverse order in which they were employed.

(b) *Notwithstanding the provisions of clause (a), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses.*

(c) *Notwithstanding the provisions of clause (a), no teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.*

Sec. 34. Minnesota Statutes 1982, section 275.125, subdivision 2d, is amended to read:

Subd. 2d. [REFERENDUM LEVY.] (1) The levy authorized by subdivision 2a may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. (SUCH A) *The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only (ONE SUCH ELECTION) two elections may be held to approve a levy increase which will commence in a specific school year. (HOWEVER, MORE THAN ONE REFERENDUM MAY BE HELD TO APPROVE A LEVY INCREASE TO COMMENCE IN THE 1983-1984 SCHOOL YEAR.) The (QUESTION ON THE) ballot shall state the maximum amount of the increased levy in mills, the amount that will be raised by that millage in the first year it is to be levied, and that the millage shall be used to finance school operations. The (QUESTION) ballot may designate a specific number of years for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:*

*"Shall the increase in the levy proposed by (petition to) the board of . . . . ., School District No. . . . , be approved?"*

If approved, the amount provided by the approved millage applied to each year's taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(2) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to clause (1) of this subdivision may be called by the school board and shall be

called by the school board upon the written petition of qualified voters of the district. A levy approved by the voters of the district pursuant to clause (1) of this subdivision must be made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one such revocation or reduction election may be held to revoke or reduce a levy for any specific year and for years thereafter.

(3) A petition authorized by clause (1) shall be effective if signed by a number of qualified voters in excess of 15 percent, or ten percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(4) A petition authorized by clause (2) shall be effective if signed by a number of qualified voters in excess of five percent of the residents of the school district as determined by the most recent census. A revocation or reduction referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(5) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(6) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

In each year when there is on hand any excess amount in the debt service fund of a school district at the time the district makes its property tax levies, the amount of the excess shall be certified by the school board to the county auditor and the auditor shall reduce the tax levy otherwise to be included in the rolls next prepared by the amount certified, unless the school board determines that the excess amount is necessary to ensure the prompt and full payment of the obligations and any call premium on the obligations, or will be used for redemption of the obligations in accordance with their terms. An amount shall be presumed to be excess for a school district in the amount that it, together with the levy required by subdivision 1, will exceed 106 percent (IN EXCESS) of the amount needed to meet when due the principal and interest payments on the obligations due before the second following July 1. This subdivision shall not limit a school board's authority to specify a tax levy in a higher amount if necessary because of anticipated tax delinquency.

If the governing body, including the governing body of a school district, in any year makes an irrevocable appropriation to the debt service fund of moneys actually on hand or if there is on hand any excess amount in the debt service fund, the recording officer may certify to the county auditor the fact and amount thereof and the auditor shall reduce by the amount so certified the amount otherwise to be included in the rolls next thereafter prepared.
