#### PROTEST AND DISSENT

Pursuant to Article IV, Section 11, of the Minnesota Constitution, we the undersigned members register our protest and dissent regarding the actions of Speaker of the House Fred Norton for obstructing Representative Marcus Marsh in his attempt to vote on H. F. No. 3 on Monday, March 23, 1987.

Representative Marcus Marsh was in the House Chamber when this vote was taken and repeatedly attempted to vote. Speaker Norton failed to recognize Representative Marsh as he was standing at his desk requesting to be recognized so that he could tell the Speaker his vote was not registering on the voting board.

While refusing to recognize Representative Marsh as he stood at his desk, Speaker Norton recognized the Majority Leader, who moved to excuse non-voting members. The motion prevailed and

Speaker Norton closed the voting board, still continuing his refusal to recognize Representative Marsh.

By refusing to recognize Representative Marsh, Speaker Norton not only violated Representative Marsh's right to vote under House Rule 2.5, but also denied Representative Marsh's constituents their right to be represented.

While this action constitutes one of the most arrogant abuses of the power of the Speaker this body has witnessed, it has been only one of many such experiences we have encountered since the 1987 session began.

We protest and dissent the flagrant abuse of the Speaker's powers in refusing to recognize Minority Caucus members in their attempt to vote on legislation, while at the same time recognizing members of the Majority Party for the same purposes.

No citizen of this state should be denied representation in the Minnesota House of Representatives by an arbitrary and arrogant Speaker of the House who refuses to permit members to vote solely on the basis of party affiliation.

The Speaker owes House members, as well as the citizens of Minnesota, an apology for his improper actions.

Subd. 5. [LOCAL TAX.] A city which contains one or more licensed organizations, and a county which contains one or more licensed organizations outside incorporated areas, may request the board to impose a local gambling tax on each licensed organization within the city's or county's jurisdiction. The board may impose the tax if it determines that the tax requested is necessary to defray the costs incurred for law enforcement and license regulation by the city or county as a direct result of lawful gambling.

The tax imposed by the board under this subdivision is on the gross receipts from all lawful gambling, less (a) prizes actually paid out, and (b) allowable expenses, including state and federal taxes, incurred in the operation of lawful gambling. The rate of the tax imposed by the board under this subdivision may not exceed three percent.

The board shall collect the tax imposed under this subdivision on the adjusted gross receipts of each organization under the jurisdiction of each city and county for which the board has imposed the tax. The board shall collect the tax at the same time and in the same manner as the tax imposed by subdivision 1.

The board shall pay by the last day of each month to each city and county for which it has imposed the tax any amount equal to the tax collected in the previous month under this subdivision from all the licensed organizations under that city's or county's jurisdiction.

A tax imposed under this subdivision is effective for one year after the month of first imposition, and may be renewed for subsequent years only by an affirmative vote of the board.

A tax imposed under this subdivision is in lieu of all other local taxes and license fees on lawful gambling.

The secretary of state shall prescribe an alternate form of the duplicate registration file for counties, school districts, and cities which make the election authorized by section 201.071, subdivision 5. The secretary of state shall prescribe

procedures for transporting the duplicate registration files to the judges on election day. In accordance with section 204B.40, the county auditor and the clerk of any municipality or school district shall retain the prescribed duplicate registration file used on the date of election for one year following the election.

Sec. 14. Minnesota Statutes 1986, section 201.221, subdivision 4, is amended to read:

Subd. 4. [COUNTY RULES.] The county auditor of each county may adopt rules which delegate to municipal or school district officials in that county the duties assigned to county auditors by this chapter. Any county auditor or municipal or school district clerk who has knowledge or reason to believe that a violation of this chapter has occurred shall immediately transmit a report of the knowledge or belief to the county attorney of the county where the violation is thought to have occurred, together with any possessed evidence of the violation. The county auditor or municipal or school district clerk shall also immediately send a copy of the report to the secretary of state. A violation of this subdivision is a misdemeanor.

Subd. 3. [CANVASS OF RETURNS, CERTIFICATE OF ELECTION, BALLOTS, DISPOSITION.] Within two days after a school

district election, the school board shall canvass the returns and declare the results of the election. After the time for contesting elections has passed, the school district clerk shall issue a certificate of election to each successful candidate. If there is a contest, the certificate of election to that office must not be issued until the outcome of the contest has been determined by the proper court. If there is a tie vote, the school board shall determine the result by lot. The clerk shall deliver the certificate of election to the successful candidate by personal service or certified mail. The successful candidate shall file an acceptance and oath of office in writing with the clerk within 30 days of the date of mailing or personal service. A person who fails to qualify prior to the time specified shall be deemed to have refused to serve, but that filing may be made at any time before action to fill the vacancy has been taken. The school district clerk shall certify the results of the election to the county auditor, and the clerk shall be the final custodian of the ballots and the returns of the election.

Subd. 4. [RECOUNT.] A losing candidate at a school district election may request a recount of the votes for that office subject to the requirements of section 204C.36.

Sec. 68. [205A.11] [PRECINCTS; POLLING PLACES.]

The precincts and polling places for school district elections are those precincts or parts of precincts and polling places set in sections 204B.14 to 204B.16, except that at a school district election not held on the day of a statewide election, the school board may combine several precincts into a single precinct with one polling place and one set of election judges. The school board shall establish combined precincts by resolution at least 30 days before an election, post a map of the combined precincts, and file a copy of the map and resolution with the county auditor.

Sec. 69. [205A.12] [SCHOOL BOARD ELECTION DISTRICTS.]

Subdivision 1. [GENERAL PROVISIONS.] Any independent school district may alter its organization into separate election districts for the purpose of election of board members by following the procedures in this section.

Subd. 2. [ELECTION.] Except in a school district located wholly or partly within a city of the first class, upon resolution of the board, made on its own motion or on presentation of a petition substantially in the form required in section 205A.13, signed by at least 50 electors of the district or ten percent of the number of votes cast in the most recent regular school board election, whichever is larger, the board shall adopt a proposal to divide the district into as many separate election districts as there are members of the board, which proposal must be submitted to an election under this chapter. If the election is initiated by petition, the resolution calling the election

must be adopted within six months after the date of receipt of the petition. Only one election within any two-year period may be held under this section.

Subd. 3. [BALLOT QUESTION.] The question presented at the special election shall be: "Shall the school district be reorganized into election districts with boundaries as established in Resolution No. .... of the school board, dated .....?"

Yes .....

No ....."

Subd. 4. [ELECTION DISTRICT BOUNDARIES.] Each proposed election district must be as equal in population as practicable and must be composed of compact, contiguous territory. The district may utilize the most recent federal decennial census figures available or may conduct a special census for this purpose. The board shall designate each election district by number.

Subd. 5. [BOARD ELECTIONS.] If the proposal for the establishment of election districts is approved by the voters, the board shall specify the election districts from which vacancies shall be filled as they occur until such time as each board member represents an election district. A candidate for school board in a subsequent election must file an affidavit of candidacy to be elected as a school board member for the election district in which the candidate resides. One and only one member of the board shall be elected from each election district. Each board member must be a resident of the election district for which elected but the creation of an election district or a change in election district boundaries shall not disqualify a board member from serving for the remainder of a term.

Subd. 6. [REDEFINING ELECTION DISTRICT BOUNDARIES.] The school board may by resolution redefine district boundaries after a school district general election. The board shall hold a public hearing on the proposed resolution before its adoption. One week's published notice of the hearing must be given. Within six months after the official certification of each federal decennial or special census, the school board shall either confirm the existing election district boundaries as conforming to the standards of subdivision 4 or redefine election district boundaries to conform to those standards. If the school board fails to take either action within the time required, no further compensation may be paid to the school board members until the districts are either reconfirmed or redefined as required by this section. A resolution establishing original or new election district boundaries shall apply to the first election held at least six months after adoption of the resolution.

Any petition to a school board authorized in this chapter or sections 124A.03 and 275.125, or any other law which requires the board to submit an issue to referendum or election shall meet the following requirements to be valid.

(1) Each page of the petition shall contain a heading at its top which specifies the particular action the board is being petitioned to take. The signatures on any page which does not contain such a heading shall all be invalidated. All pages of the petition shall be assembled and filed with the board as a single instrument.

(2) Each page of the petition shall contain an authentication signed by the circulator of the petition specifying as follows:

I personally have circulated this page of the petition, all signatures were made in my presence, I believe that the signers signed their own names and that each person who has signed is eligible to vote in a school district election according to Minnesota election law.

Signed: ..... Signature of Petition Circulator

Date: .....

The signatures on any page which does not contain such an authentication shall all be invalidated.

(3) Signers of the petition shall personally sign their own names in ink or indelible pencil and shall indicate after the name the place of residence by street and number, or other description sufficient to identify the place. Except as provided in clause (4) of this subdivision, any signature which does not meet these requirements shall be invalidated.

(4) Individuals who are unable to write their names shall be required to make their marks on the petition. The circulator of the petition shall certify the mark by signing the individual's name and address and shall thereafter print the phrase "mark certified by petition circulator."

(5) A petition, to be valid, must contain the minimum number of valid signatures of eligible voters specified in the law authorizing the petition and election.

Sec. 71. Minnesota Statutes 1986, section 206.56, is amended by adding a subdivision to read:

Subd. 17. [MUNICIPALITY.] "Municipality" means city, town, or school district.

Sec. 72. Minnesota Statutes 1986, section 206.58, subdivision 2, is amended to read:

Subd. 2. [MAY USE EXPERIMENTAL MACHINES.] The governing body of a municipality may provide for the experimental use of

lever voting machines or an electronic voting system in one or more precincts without formal adoption of the machines or system. Use of the machines or system at an election shall be as valid for all purposes as if the machines or system had been permanently adopted.

When the governing body of a municipality decides to use lever voting machines or an electronic voting system, it shall, at a regular or special meeting held not less than 30 days before the election, prescribe suitable rules and instructions consistent with the provisions of sections 206.55 to 206.87 and 123.32, subdivision 7, for using the machine or system and shall submit the rules and instructions to the secretary of state for approval. When approved, a printed copy of the rules and instructions shall be posted prominently in the polling place and shall remain open to inspection by the voters throughout election day.

Sec. 73. [206.685] [VOTING MACHINES AT SCHOOL ELECTIONS.]

Where lever voting machines are used in precincts containing more than one school district or more than one school election district, separate voting machines must be used and must be allocated between the school districts or school election districts in proportion to the number of voters eligible to vote in the precinct from each district.

Sec. 74. Minnesota Statutes 1986, section 209.02, is amended to read:

209.02 [CONTESTANT; GROUNDS.]

Subdivision 1. Any eligible voter, including a candidate, may contest in the manner provided in this chapter: (1) the nomination or election of any person for whom the voter had the right to vote if that person is declared nominated or elected to the senate or the house of representatives of the United States, or to a statewide, county, legislative, or municipal, school, or district court office; or (2) the declared result of a constitutional amendment or other question voted upon at an election. The contest may be brought over an irregularity in the conduct of an election or canvass of votes, over the question of who received the largest number of votes legally cast, or on the grounds of deliberate, serious, and material violations of the Minnesota election law.

Sec. 75. Minnesota Statutes 1986, section 209.021, subdivision 3, is amended to read:

Subd. 3. [NOTICE SERVED ON PARTIES.] In all contests relating to the nomination or election of a candidate, the notice of contest must be served on the candidate who is the contestee, a copy of the

notice must be sent to the contestee's last known address by certified mail, and a copy must be furnished to the official authorized to issue the certificate of election. If personal or substituted service on the contestee cannot be made, an affidavit of the attempt by the person attempting to make service and the affidavit of the person who sent a copy of the notice to the contestee by certified mail is sufficient to confer jurisdiction upon the court to decide the contest.

If the contest relates to a constitutional amendment or other question voted on statewide or voted on in more than one county, notice of contest must be served on the secretary of state, who is the contestee. If a contest relates to a question voted on within only one county, school district, or one municipality, a copy of the notice of contest must be served on the county auditor, clerk of the school district, or municipal clerk, respectively, who is the contestee. If the contest relates to an irregularity in the conduct of an election or canvass of votes, a copy of the notice of contest must be served on the county auditor of the county where the irregularity is said to have occurred. If the contest is upon the question of consolidation or reorganization of a school district, a copy of the notice of contest must be served on the county auditor authorized by law to issue the order.

Sec. 76. Minnesota Statutes 1986, section 210A.01, subdivision 3, is amended to read:

Subd. 3. [CANDIDATE.] "Candidate" means any individual for whom it is contemplated or desired that votes may be cast at any primary or election, and who either tacitly or expressly consents to be so considered, except candidates for president and vice president of the United States. In sections 210A.22 to 210A.28, 210A.32 and 210A.33, "candidate" does not mean an individual for whom it is contemplated or desired that votes may be cast at any primary or election, and who either tacitly or expressly consents to be considered for constitutional office, member of the legislature, school board member, justice of the supreme court, court of appeals, or district court, county court, probate court, or county municipal court judge.

Minnesota Statutes 1986, section 201.095, is repealed.

Sec. 78. [EFFECTIVE DATE.]

Section 8 is effective the day following final enactment. Sections 1 to 7 and 9 to 77 are effective July 1, 1988.

## ORGANIC LAWS OF SCHOOL DISTRICTS

Section 1. Minnesota Statutes 1986, section 6.54, is amended to read:

6.54 [EXAMINATION OF MUNICIPAL RECORDS PURSUANT TO PETITION.]

The registered voters in a home rule charter or statutory city or the electors at an annual or special town meeting of a town may petition the state auditor to examine the books, records, accounts, and affairs of the home rule charter or statutory city, town, or of any organizational unit, activity, project, enterprise, or fund thereof; and the scope of the examination may be limited by the petition, but the examination shall cover, at least, all cash received and disbursed and the transactions relating thereto, provided that the state auditor shall not examine more than the six latest years preceding the circulation of the petition, unless it appears to the state auditor during the examination that the audit period should be extended to permit a full recovery under bonds furnished by public officers or employees, and may if it appears to the auditor in the public interest confine the period or the scope of audit or both period and scope of audit, to less than that requested by the petition. In the case of a home rule charter or statutory city, the petition shall be signed by a number of registered voters at least equal to 20 percent of those voting in the last presidential election. The eligible voters of any school district, as defined in section 123.32, subdivision 1a, may petition the state auditor, who shall be subject to the same restrictions regarding the scope and period of audit, provided that the petition shall be signed by at least ten eligible voters for each 50 resident pupils in average daily membership during the preceding school year as shown on the records in the office of the commissioner of education. In the case of school districts, the petition shall be signed by at least ten eligible voters. At the time it is circulated, every petition shall contain a statement that the cost of the audit will be borne by the city or school district as provided by law. Thirty days before the petition is delivered to the state auditor it shall be presented to the appropriate city or school district clerk and the county auditor. The county auditor shall determine and certify whether the petition is signed by the required number of registered voters or eligible voters as the case may be. The certificate shall be conclusive evidence thereof in any action or proceeding for the recovery of the costs, charges and expenses of any examination made pursuant to the petition.

Sec. 2. Minnesota Statutes 1986, section 122.22, subdivision 2, is amended to read:

Subd. 2. Proceedings under this section may be instituted by:

(a) Resolution of the county board of the county containing the greatest land area of the district proposed for dissolution when the

district is dissolved pursuant to sections 122.32 to 122.52.

(b) Petition executed by a majority of the eligible voters, as defined in section 123.32, subdivision 1a, of the district proposed for dissolution and addressed to the county board of the county containing the greatest land area of the district.

(c) Certification by the clerk of the district proposed for dissolution to the county board of the county containing the greatest land area of the district to the effect that a majority of votes cast at an election were in favor of dissolving the district.

Sec. 3. Minnesota Statutes 1986, section 122.22, subdivision 4, is amended to read:

Subd. 4. A petition executed pursuant to subdivision 2(b) shall be filed with the auditor. It shall contain the following:

(a) A statement that petitioners desire proceedings instituted leading to dissolution of the district and other provisions made for the education of the inhabitants of the territory and that petitioners are eligible voters, as defined in section 123.32, subdivision 1a, of the district;

(b) An identification of the district; and

(c) The reasons supporting the petition which may include recommendations as to disposition of territory to be dissolved. The recommendations are advisory in nature only and are not binding on any petitioners or county board for any purpose.

The persons circulating the petition shall attach their affidavit swearing or affirming that the persons executing the petition are eligible voters, as defined in section 123.32, subdivision 1a, of the district and that they signed in the presence of one of the circulators.

The auditor shall present the petition to the county board at its next meeting. At that meeting, the county board shall determine a date for a hearing. The hearing shall be not less than 20 nor more than 60 days from the date of that meeting.

Sec. 4. Minnesota Statutes 1986, section 122.23, subdivision 2, is amended to read:

Subd. 2. Upon a resolution of a school board in the area proposed for consolidation or upon receipt of a petition therefor executed by 25 percent of the voters resident in the area proposed for consolidation or by 50 such voters, whichever is lesser, the county auditor of the county which contains the greatest land area of the proposed new district shall forthwith cause a plat to be prepared. The resolution or

petition shall show the approximate area proposed for consolidation. The resolution or petition may propose either that the bonded debt of the component districts will be paid according to the levies previously made for that debt under chapter 475, as provided in subdivision 16a, or that the taxable property in the newly created district will be taxable for the payment of the bonded debt previously incurred by any component district as provided in subdivision 16b. The resolution or petition may also propose that referendum levies previously approved by voters of the component districts pursuant to section 124A.03, subdivision 2, or its predecessor provision, be combined as provided in section 122.531, subdivision 2a or 2b, or that the referendum levies be discontinued. The resolution or petition may also propose that the board of the newly created district consist of seven members, and may also propose the establishment of separate election districts from which school board members will be elected, the boundaries of these election districts, and the initial term of the member elected from each of these election districts. If a county auditor receives more than one request for a plat and the requests involve parts of identical districts, the auditor shall forthwith prepare a plat which in the auditor's opinion best serves the educational interests of the inhabitants of the districts or areas affected. The plat shall show:

- (a) Boundaries of the proposed district, as determined by the county auditor, and present district boundaries,
- (b) The location of school buildings in the area proposed as a new district and the location of school buildings in adjoining districts,
- (c) The boundaries of any proposed separate election districts, in accordance with the provisions of section 123.32, and
- (d) Other pertinent information as determined by the county auditor.

Sec. 5. Minnesota Statutes 1986, section 122.23, subdivision 9, is amended to read:

Subd. 9. If the approved plat contains land area in more than one independent district maintaining a secondary school, or common district maintaining a secondary school, and if each board entitled to act on the plat approves the plat, each board shall cause notice of its action to be published at least once in its official newspaper. If five percent of the eligible voters, as defined in section 123.32, subdivision 1a, of any such district petition the clerk of the district, within 30 days after the publication of the notice, for an election on the question, the consolidation shall not become effective until approved by a majority vote in the district at an election held in the manner provided in subdivisions 11, 12, and 13.

Sec. 6. Minnesota Statutes 1986, section 122.23, subdivision 10, is amended to read:

Subd. 10. If an approved plat contains land area in any district not entitled to act on approval or rejection of the plat by action of its

board, the plat may be approved by the residents of the land area within 60 days of approval of plat by the state board in the following manner:

A petition calling upon the county auditor to call and conduct an election on the question of adoption or rejection of the plat may be circulated in the land area by any person residing in the area. Upon the filing of the petition with the county auditor, executed by at least 25 percent of the eligible voters, as defined in section 123.32, subdivision 1a, in each district or part of a district contained in the land area, the county auditor shall forthwith call and conduct a special election of the electors resident in the whole land area on the question of adoption of the plat. For the purposes of this section, the term "electors resident in the whole land area" means any person residing on any remaining portion of land, a part of which is included in the consolidation plat. Any eligible voter, as defined in section 123.32, subdivision 1a, owning land included in the plat who lives upon land adjacent or contiguous to that part of the voter's land included in the plat shall be included and counted in computing the 25 percent of the eligible voters, as defined in section 123.32, subdivision 1a, necessary to sign the petition and shall also be qualified to sign the petition. Failure to file the petition within 60 days of approval of the plat by the state board terminates the proceedings.

Sec. 7. Minnesota Statutes 1986, section 122.25, subdivision 1, is amended to read:

Subdivision 1. If six or more eligible voters, as defined in section 123.32, subdivision 1a, of a common district desire to change the organization of their district to an independent district, they may call for a vote upon the question at the next annual meeting by filing a petition therefor with the clerk. In the notice for the meeting, the clerk shall include a statement that the question will be voted upon at the meeting.

Sec. 8. Minnesota Statutes 1986, section 123.11, subdivision 7, is amended to read:

Subd. 7. Upon the filing of a petition therefor, executed by five eligible voters, as defined in section 123.32, subdivision 1a Minnesota election law, of the common district, specifying the business to be acted upon, or upon the adoption of a proper resolution so specifying, signed by a majority of the members of the board, the clerk shall forthwith call a special meeting of the district upon ten days' posted notice and one week's published notice if there be a newspaper printed in the district and specify in the notice the business named in the request or resolution and the time and place of the meeting. If there be no clerk in the district or if the clerk fails for three days after receiving a request or resolution to give notice of a meeting, it may be called by like notice by five eligible voters, as

defined in ~~section 123.32, subdivision 1a~~ Minnesota election law, of the district. No business except that named in the notice shall be transacted at the meeting. If there are not five eligible voters, as defined in ~~section 123.32, subdivision 1a~~ Minnesota election law, or if there is not a board therein, the county auditor may call a special meeting by giving notice thereof as provided in this section. The voters at a special meeting have power to repeal or modify their proceedings.

Sec. 9. Minnesota Statutes 1986, section 123.33, subdivision 4, is amended to read:

Subd. 4. Any other vacancy in a board shall be filled by the board appointment at any a regular or special meeting thereof. Such The appointment shall be evidenced by a resolution entered in the minutes and shall continue until July 1 next following such appointment an election is held under this subdivision. All elections to fill vacancies shall be for the unexpired term. If the vacancy occurs before the first day to file affidavits of candidacy for the next school district general election and more than two years remain in the unexpired term, a special election shall be held in conjunction with the school district general election. The appointed person shall serve until the qualification of the successor elected to fill the unexpired part of the term at that special election. If the vacancy occurs on or after the first day to file affidavits of candidacy for the school district general election or when less than two years remain in the unexpired term, there shall be no special election to fill the vacancy and the appointed person shall serve the remainder of the unexpired term and until a successor is elected and qualifies at the school district election.

Sec. 10. Minnesota Statutes 1986, section 123.351, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] Two or more independent school districts may enter into an agreement to establish a cooperative center to provide for vocational education and other educational services upon the vote of a majority of the full membership of each of the boards of the districts entering into the agreement. When a resolution approving this action has been adopted by the board of a district, the resolution shall be published once in a newspaper of general circulation in the district. If a petition for referendum on the question of the district entering into the agreement, containing signatures of qualified voters of the district equal to five percent of the number of voters at the last ~~annual~~ school district general election, is filed with the clerk of the board within 60 days after publication of the resolution, the board shall not enter into the agreement until the question has been submitted to the voters of the district at a special election. This election shall be conducted and canvassed in accordance with section 123.32 the same manner as school district general elections. If a majority of the total number of

votes cast on the question within the district is in favor of the proposition, the board may thereupon enter into an agreement to establish the center for purposes herein described in this section.

Sec. 11. Minnesota Statutes 1986, section 123.51, is amended to read:

123.51 [SPECIAL SCHOOL DISTRICTS, LAWS APPLICABLE.]

Special districts as now organized shall continue to operate under the special legislation and charter provisions governing them until conversion to independent districts. The provisions of law relating to independent districts shall apply to and govern each special district unless the special laws and charter provisions governing the special district provide for the matter, in which case the special laws and charter provisions relating to the special district shall apply and control. Article 1, sections 58 to 68, control and supersede inconsistent provisions of special laws or charters in the administration of school district elections in special districts.

Sec. 12. Minnesota Statutes 1986, section 127.09, is amended to read:

127.09 [REFUSING TO SERVE ON SCHOOL BOARD.]

Any person who accepts election or appointment to any school board and who refuses or neglects to qualify or to serve or to perform any of the duties of the office, shall be fined \$10 for each offense. The fine shall be collected in an action before a county or municipal court. It may be prosecuted in the name of the district by any school board member or eligible voter, as defined in section 123.32, ~~subdivision 1a,~~ of the district.

Sec. 13. Minnesota Statutes 1986, section 127.11, is amended to read:

127.11 [DRAWING ILLEGAL ORDER.]

[REVOCAION OR SUSPENSION OF LICENSE.] (a) The commissioner may by order suspend or revoke an insurance agent's or agency's license issued to a natural person or impose a civil penalty appropriate to the offense, not to exceed \$5,000 upon that licensee, or both, if, after notice and hearing, the commissioner finds as to that licensee any one or more of the following conditions:

- (4) obtaining or attempting to obtain any license through misrepresentation or fraud;

(11) that the licensee has forged another's name to an application for insurance; or

(12) that the licensee has violated subdivision 6b.

(b) The commissioner may by order suspend or revoke an insurance agent's or insurance agency's license issued to a partnership or corporation or impose a civil penalty not to exceed \$5,000 upon that licensee, or both, if, after notice and hearing, the commissioner finds as to that licensee, or as to any partner, director, shareholder, officer, or employee of that licensee, any one or more of the conditions set forth in paragraph (a).

Further, the commissioner may, as a condition of relicensure, require the applicant to file a reasonable bond for the protection of the citizens of this state, which bond shall be maintained by the licensee in full force for a period of five years immediately following issuance of the license, unless the commissioner at the commissioner's discretion shall after two years permit the licensee to sooner terminate the maintenance filing of the bond.

(d) Whenever it appears to the commissioner that any person has engaged or is about to engage in any act or practice constituting a violation of chapters 60A to 72A or of any rule or order of the commissioner:

(1) The commissioner may issue and cause to be served upon the person an order requiring the person to cease and desist from the violation. The order shall give reasonable notice of the time and place of hearing and shall state the reasons for the entry of the order. H. F. No. 799, A bill for an act relating to Koochiching county; permitting the county to establish a bidstead development authority.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [PURPOSE; PROGRAM.]

Subdivision 1. [PURPOSE; PROGRAM.] The legislature finds problems of declining population and depressed economic conditions exist in Koochiching county caused by the steady decline in jobs relating to farming and logging. These problems have impaired the value of private investments in the county and threaten sources of public revenue, causing underutilization of schools, other public facilities and land located in existing service corridors. It is found that these factors are injurious to the stability, health, safety, and welfare of the residents of the county.

It is, therefore, in the public interest to establish a public program to encourage the homesteading of land serviced by existing public services and facilities, to encourage people with transferable livelihoods to establish residences within the county, to stabilize or increase the tax base, increase employment opportunities, alleviate problems of economic depression and declining population, and assure the stability of the community and the availability of governmental services and facilities.

It is hereby declared that the activities necessary to implement the public program to be known as the bidstead program, which activities cannot be accomplished by private enterprise alone, constitutes a public purpose.

Subd. 2. [PROGRAM.] The Koochiching bidstead program is a program to exchange parcels of land held by the authority, not to exceed 40 acres a parcel, for a commitment of a person or persons to build a home, sustain a livelihood, pay property taxes, and remain on the parcel for ten consecutive years. At the end of the ten-year period, a warranty deed shall be issued to the bidsteader upon the completion of specified covenants. The county will receive, in return, stabilization of the tax base, economic revitalization, and fuller utilization of existing services and infrastructure.

## Sec. 2. [BIDSTEAD DEVELOPMENT AUTHORITY.]

Subdivision 1. [AUTHORITY.] A public body corporate and political, may be created by the Koochiching county board, having all of the powers and duties of an economic development authority under Minnesota Statutes, sections 458C.01 to 458C.23, except as otherwise provided in this act and the powers and duties to operate the bidstead program. For the purposes of applying sections 458C.01 to 458C.23, the authority has all the powers and duties of a city and the commissioners of the authority have all the powers and duties of a city council, except as otherwise provided in this act. The authority may exercise all of the powers of the economic development authority act, including those contained in section 458C.14, within or without an economic development district.

The powers and duties of the authority may not be exercised until the Koochiching county board of commissioners passes a resolution establishing the authority. The resolution shall require the affirmative vote of three county board members.

Subd. 2. [AREA OF OPERATION.] The area of operation shall include all of Koochiching county. The city council of any city within Koochiching county must approve the use of any parcel within the city before the parcel is available to the authority for the purposes defined in this act.

Subd. 3. [MEMBERSHIP.] The authority shall consist of five commissioners who shall be members of the county board of commissioners. The county board may set the terms of the commissioners to coincide with their terms of office as members of the county board.

## Sec. 3. [BIDSTEAD POWERS AND PROCEDURES.]

Subdivision 1. [MARKETING; CONVEYANCE.] The authority may advertise and market the bidstead program and convey and receive public lands from other political subdivisions.

Subd. 2. [GUIDELINES.] The authority shall promulgate guidelines for the bidstead program. The authority shall take into consideration such factors as highest and best use of the land, the number of jobs to be created, veteran status, and other factors in determining the allotment of land parcels.

Subd. 3. [ADVISORY COMMITTEE.] The commissioners of the authority may establish an advisory committee. The committee membership shall be geographically representative of the county. The committee shall advise the authority on the operation of the bidstead program.

“Section 1. [181.93] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 1 to 6, the following terms have the meanings given to them in this section.

Subd. 2. [EMPLOYEE.] “Employee” means a person who performs services for hire, whether full time or less than full time on a regular basis, for an employer, unless the services are performed by an independent contractor.

Subd. 3. [EMPLOYER.] “Employer” means a person or entity which employs ten or more individuals to perform a service for hire and includes individual, corporation, partnership, association, non-profit organization, group of persons, state, county, town, city, school district, or other governmental subdivision.

Sec. 2. [181.94] [PARENTING LEAVE.]

Subdivision 1. [ONE-YEAR LEAVE; BIRTH OR ADOPTION.] An employer must grant an unpaid leave of absence to an employee who is a natural or adoptive parent in conjunction with the birth or adoption of a child. The length of the leave shall be determined by the employee, but may not exceed 26 weeks.

Subd. 2. [30-DAY LEAVE; MISCARRIAGE; DEATH.] An employer must grant an unpaid leave of absence of up to 30 days, as determined by the employee, to an employee who is a prospective or new parent in conjunction with a miscarriage or stillbirth during the pregnancy or neonatal death within 90 days of birth.

Subd. 3. [START OF LEAVE.] The leave shall begin at a time requested by the employee. The employer may adopt reasonable policies governing the timing of requests for unpaid leave. The leave may begin not more than six months after the birth or adoption.

Subd. 4. [NO EMPLOYER RETRIBUTION.] An employer shall not penalize an employee for requesting or obtaining a leave of absence as provided by this section.

Subd. 5. [CONTINUED INSURANCE.] The employer shall continue to make coverage available to the employee, while on leave of absence, under any group insurance policy, group subscriber contract, or health care plan for the employee and any dependents. Nothing in this section requires the employer to pay the costs of the insurance or health care while the employee is on leave of absence.

Sec. 3. [181.95] [REINSTATEMENT AFTER LEAVE.]

Subdivision 1. [COMPARABLE POSITION.] An employee returning from a leave of absence shall be entitled to return to employment in the employee's former position or in a position of comparable duties, number of hours, and pay. An employee returning from a leave of absence longer than one month must notify a supervisor at least two weeks prior to return from leave.

If, during the leave, the employer experiences a layoff and the employee would have lost a position had the employee not been on leave, pursuant to the good faith operation of a bona fide seniority system under a collective bargaining agreement, the employee is not entitled to reinstatement in the former or comparable position. In such circumstances, the employee retains all rights under the collective bargaining agreement as if the employee had not taken the leave.

Subd. 2. [PAY; BENEFITS; ON RETURN.] An employee returning from a leave of absence shall return to work at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during leave period. The employee returning from a leave shall retain all accrued preleave benefits of employment and seniority, as if there had been no interruption in service; provided that nothing in sections 1 to 5 prevents the accrual of benefits or seniority during the leave pursuant to a collective bargaining or other agreement between the employer and employees.

Subd. 3. [PART-TIME RETURN.] An employee, by agreement with the employer, may return to work part-time during the leave period without forfeiting the right to return to employment at the end of the leave period, as provided in sections 1 to 6.

Sec. 4. [181.96] [USE OF SICK LEAVE.]

An employee may use sick leave benefits for absences due to the illness of a minor or dependent child on the same terms that the employee may use sick leave benefits for the employee's own illness. For the purposes of this section, the term "sick leave benefits" does not mean short or long term disability benefits.

Sec. 5. [181.97] [RELATIONSHIP TO OTHER LEAVE.]

The length of leave provided by this law may be reduced by any period of paid parental or disability leave provided by the employer, so that the total leave does not exceed 26 weeks.

Nothing in sections 1 to 5 prevents any employer from providing parental leave benefits in addition to those provided in sections 1 to 5 or otherwise affects an employee's rights with respect to any other employment benefit.

Sec. 6. [181.98] [INDIVIDUAL REMEDIES.]

In addition to any remedies otherwise provided by law, any person injured by a violation of sections 1 to 5 may bring a civil action to recover any and all damages recoverable at law, together with costs and disbursements, including reasonable attorney's fees, and may receive injunctive and other equitable relief as determined by a court.

Sec. 7. Minnesota Statutes 1986, section 268.06, subdivision 5, is amended to read:

Subd. 5. [BENEFITS CHARGED AS AND WHEN PAID.] Benefits paid to an individual pursuant to a valid claim shall be charged against the account of the individual's employer as and when paid, except that benefits paid to an individual who earned base period wages for part-time employment shall not be charged to an employer that is liable for payments in lieu of contributions or to the experience rating account of an employer if the employer: (1) provided weekly base period part-time employment; (2) continues to provide weekly employment equal to at least 90 percent of the part-time employment provided in the base period; and (3) is an interested party because of the individual's loss of other employment. The amount of benefits so chargeable against each base period employer's account shall bear the same ratio to the total benefits paid to an individual as the base period wage credits of the individual earned from such employer bear to the total amount of base period wage credits of the individual earned from all the individual's base period employers.

In making computations under this provision, the amount of wage credits if not a multiple of \$1, shall be computed to the nearest multiple of \$1.

Benefits shall not be charged to an employer that is liable for payments in lieu of contributions or to the experience rating account of an employer for unemployment, (1) that is directly caused by a major natural disaster declared by the president pursuant to section 102(2) of the Disaster Relief Act of 1974 (United States Code, title 42, section 5122(2)), if the unemployed individual would have been eligible for disaster unemployment assistance with respect to that unemployment but for the individual's receipt of unemployment insurance benefits; or (2) that is directly caused by a fire, flood, or act of God where 70 percent or more of the employees employed in the affected location become unemployed as a result and the employer substantially reopens its operations in that same area within 360 days of the fire, flood, or act of God; provided that benefits shall be charged to the employer's account, under clause (2), where the unemployment is caused by the willful act of the employer or a person acting on behalf of the employer; or (3) that results from the termination of an individual who was hired to replace an employee who was on a parental leave of absence granted under section 2, if the replacement worker was terminated because of, and within ten days of, the employee's return to work after the leave."

proceedings and that it would adequately inform the public, it may mail a summary of its proceedings to each residence in the district that can be identified as a homestead from the property tax records and to each other residence in the district that the board can identify. The county shall make the property tax records available to the board for this purpose. The board shall keep a copy of the summary of the proceedings as part of its records. March 31, 1987

The Honorable Fred C. Norton  
Speaker of the House of Representatives

The Honorable Jerome M. Hughes  
President of the Senate

We, the undersigned conferees for H. F. No. 1, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendment and that H. F. No. 1 be further amended as follows:

Delete everything after the enacting clause and insert:

**"FARM OPERATING LOAN INTEREST BUY-DOWN PROGRAM**

**Section 1. [DEFINITIONS.]**

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to sections 1 to 7 and 10. The definitions in this section also apply to sections 8 and 9 unless a different definition is provided in section 8.

Subd. 2. [APPROVED ADULT FARM MANAGEMENT PROGRAM.] "Approved adult farm management program" means a farm management training program designed for persons currently engaged in farming that has been approved by the commissioner under section 4, subdivision 3.

Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of commerce.

Subd. 4. [COMMISSIONER'S INTEREST INDEX.] "Commissioner's interest index" means an interest rate that is 3.3 percent above the current lending rate of the Federal Intermediate Credit Bank to production credit associations as certified each month by the commissioner.

Subd. 5. [ELIGIBLE BORROWER.] "Eligible borrower" means a farmer who applies to a lender for a farm operating loan and meets all qualifications established in section 2 and any further qualifications that may be established in the guidelines adopted by the commissioner under section 4, subdivision 1.

An eligible borrower must complete a loan application with a participating lender between January 1, 1987, and December 31, 1987.

Subd. 6. [FARM OPERATING LOAN.] "Farm operating loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender for the purpose of financing the operations of a farm. A farm operating loan includes an open line of credit even though the maximum principal amount of the line of credit may not be drawn at any one time. A farm operating loan eligible for interest rate buy-down must have a maturity date of June 30, 1988, or earlier.

Subd. 7. [FARMER.] "Farmer" means a state resident or a domestic family farm corporation as defined in Minnesota Statutes, section 500.24, subdivision 2, operating a farm within the state.

Subd. 8. [INTEREST RATE BUY-DOWN.] "Interest rate buy-down" means a reduction in the effective interest rate on a farm operating loan to an eligible borrower due to partial payment of interest costs by the commissioner and partial reduction of interest costs by the participating lender.

Subd. 9. [LENDER.] "Lender" means a bank, a credit union, or a savings and loan association chartered by the state or federal government, a unit of the farm credit system, the Federal Deposit Insurance Corporation, or another financial institution approved by the commissioner.

Subd. 10. [PARTICIPATING LENDER.] "Participating lender" means a lender who has been granted participating lender status by the commissioner.

## Sec. 2. [FARMER ELIGIBILITY.]

Subdivision 1. [DEBT-TO-ASSET RATIO.] Only a farmer with a debt-to-asset ratio exceeding 50 percent at the time of application for a farm operating loan is an eligible borrower for purposes of interest rate buy-down. The debt-to-asset ratio of a farmer must be determined by the lender. A debt-to-asset ratio determined by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Subd. 2. [ASSESSMENT OF CONTINUED VIABILITY.] Only a farmer determined by the lender to have a reasonable opportunity for long-term financial viability in the farmer's current farm operation is an eligible borrower. A determination of financial viability by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Subd. 3. [ENROLLMENT IN ADULT FARM MANAGEMENT PROGRAM.] To be an eligible borrower, a farmer shall agree to enroll in an approved adult farm management program if enrollment is required by the lender and an approved program is offered not more than 50 miles from the farmer's residence. The approved adult farm management program must bill the lender for one-half of the course tuition.

Sec. 3. [LENDER ELIGIBILITY; OBLIGATIONS.]

Subdivision 1. [ELIGIBLE PARTICIPATING LENDER STATUS.] A lender who meets the requirements established by the commissioner must be certified as a participating lender.

Subd. 2. [PARTIAL PAYMENT FOR ADULT FARM MANAGEMENT TRAINING.] A participating lender shall require an eligible borrower to enroll in an approved adult farm management program and agree to pay one-half of the enrollment and tuition costs of the program for an eligible borrower approved by the commissioner for interest rate buy-down unless the participating lender determines an approved adult farm management program would not benefit the borrower. A participating lender is not required to assist with enrollment or tuition costs for a period longer than the term of the farm operating loan, and a lender is not required to assist with the enrollment and tuition costs for more than one individual for each farm operating loan.

If a participating lender determines that enrollment in an adult farm management program would not benefit the borrower or an approved adult farm management program is not located within 50 miles from the debtor's residence, the lender shall explain the reasons to the borrower in writing and indicate the determination on the application for Program A or Program B.

Subd. 3. [RECEIPT OF APPLICATIONS FOR INTEREST RATE BUY-DOWN.] (a) A participating lender shall receive and evaluate loan applications from a farmer:

(1) who has transacted farm-related borrowing with a lender within the previous three years;

(2) who has not previously established farm-related borrowing; or

(3) whose previous lender is no longer in the business of making farm-related loans.

(b) In determining whether to make a farm operating loan to a farmer, the participating lender may use criteria in addition to those in section 2.

Subd. 4. [MAXIMUM INTEREST RATE.] To qualify for interest rate buy-down payments, a participating lender shall offer to make a farm operating loan to an eligible borrower at a rate of interest equivalent to that offered to other farmers having similar security and financial status, but the interest rate may not exceed the current commissioner's interest index. The commissioner may use appropriate means to verify that the operating loan interest rate available to an eligible borrower is substantially the same as that available to other borrowers.

Sec. 4. [RESPONSIBILITIES OF THE COMMISSIONER.]

Subdivision 1. [ADOPTION OF PROGRAM GUIDELINES.] Within 30 days after the effective date of sections 1 to 9, the commissioner shall adopt and make available to the public guidelines for Programs A and B. The commissioner shall adopt guidelines for Program B, coordinate Program B with the Federal Operating Loan Program, and make the benefits of Program B additive to the Federal Operating Loan Program. Adoption of the program guidelines is not subject to Minnesota Statutes, chapter 14.

Subd. 2. [PREPARATION AND DISTRIBUTION OF LENDER PARTICIPATION FORMS.] The commissioner shall prepare and distribute forms and instructions for Programs A and B to all lenders in the state.

Subd. 3. [APPROVAL OF ADULT FARM MANAGEMENT PROGRAMS.] The commissioner, in consultation with the commissioner of agriculture, shall prepare a list of adult farm management training programs approved for eligible borrowers and distribute the list to all participating lenders.

Subd. 4. [APPROVAL OF APPLICATIONS FOR BUY-DOWN PAYMENT.] (a) The commissioner shall review within five working days of submission by a participating lender a properly completed application for interest rate buy-down payments on a farm operating loan made to a farmer. If a qualified lender does not receive written notice that the commissioner has denied interest rate buy-down payments within seven working days, the farmer is an eligible borrower and interest rate buy-down payments on the farm operating loan are approved by the commissioner.

(b) The commissioner shall not approve concurrent participation of an eligible borrower under both Program A and Program B.

(c) All applications received by the commissioner after appropriated interest rate buy-down program funds for Program A or Program B have been encumbered must be returned immediately to the lender with an explanation that interest buy-down payments are denied due to prior commitment of available program funds.

(d) For an application for Program B, the commissioner shall send the lender a preliminary commitment for the interest payment within ten days after receiving the Program B application. The preliminary commitment may be used by the lender to qualify for the Federal Operating Loan Program. A preliminary commitment is for the 1987 and 1988 crop years. The commitment for the 1988 crop year is dependent on approval of the lender's and borrower's application to the Federal Operating Loan Program for at least crop years 1987 and 1988.

Subd. 5. [BUY-DOWN PAYMENTS TO PARTICIPATING LENDERS.] The commissioner shall pay one-half of the expected interest rate buy-down amount when requested by the participating lender, but not more than 60 days after the loan was approved by the commissioner, and the balance within 30 days after the loan matures. All interest buy-down payments under this act must be made by joint-payee checks in the name of the participating lender and the eligible borrower.

If a participating lender obtains a conditional commitment for guarantee or contract for guarantee from the FmHA, the commissioner shall make the state Program B interest buy-down payment as necessary to accommodate the FmHA commitment or contract.

#### PROGRAM A; STATE-LENDER INTEREST RATE BUY-DOWN

Sec. 5. [PROGRAM A; STATE-LENDER INTEREST RATE BUY-DOWN.]

Sec. 7. [LENDER CONTRIBUTION TO INTEREST BUY-DOWN; PROGRAM A.]

A participating lender shall provide a reduction in interest rate for the first \$60,000 of an approved farm operating loan made to an eligible borrower in an amount equal to an annual rate of at least 1.7 percent interest on the loan.

PROGRAM B; STATE LENDER-FmHA  
INTEREST RATE BUY-DOWN

Sec. 8. [DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions in this section apply to sections 8 and 9.

Subd. 2. [ELIGIBLE BORROWER.] "Eligible borrower" means a farmer who applies to a lender for a farm operating loan between the dates January 1, 1987, and December 31, 1988, and who meets all qualifications established in section 2 and any further qualifications that may be established in the program guidelines adopted by the commissioner under section 4, subdivision 1.

Subd. 3. [FARM OPERATING LOAN.] "Farm operating loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender to finance the operations of a farm for one operating season. A farm operating loan includes an open line of credit even though the maximum principal amount of the line of credit may not be drawn at any one time. A farm operating loan eligible for interest rate buy-down must have a maturity date of June 30, 1989, or earlier.

Subd. 4. [FEDERAL OPERATING LOAN PROGRAM.] "Federal Operating Loan Program" means the Guaranteed Operating Loan Program together with the Interest Rate Buy-Down Program administered by the FmHA as described in Code of Federal Regulations, title 7, section 1980, subpart B.

Subd. 5. [FmHA.] "FmHA" means the Farmers Home Administration of the United States Department of Agriculture.

Subd. 6. [FmHA BUY-DOWN AGREEMENT.] "FmHA Buy-Down Agreement" means Form FmHA 1980-58 or a replacement of that form, which is an agreement between a lending institution, a farmer, and the FmHA under which the FmHA agrees to give the lending institution an interest buy-down grant in partial reimbursement of a write-down by the lending institution of the interest rate on the farmer's operating loan under the Federal Operating Loan Program.

Sec. 9. [STATE-LENDER-FmHA INTEREST RATE BUY-DOWN.]

Subdivision 1. [APPLICATION.] To be eligible for Program B, a participating lender shall submit an application for Program B to the commissioner and an application to FmHA under subdivision 2. The lender may indicate on the application for Program B that the lender and borrower will apply to the FmHA Federal Operating Loan Program for more than one year and would desire a commit-

ment for Program B for more than one crop year, ending December 31, 1988.

Subd. 2. [APPLICATION TO FmHA.] (a) The lender and an eligible borrower shall apply to FmHA for a guarantee of the proposed farm operating loan under the Federal Operating Loan Program.

(b) If the application is approved, the lender shall submit a copy of the FmHA buy-down agreement to the commissioner. Upon receipt of the FmHA buy-down agreement, the commissioner shall pay the lender \$50 for preparation costs. If the loan preparation was done by a person or entity not otherwise compensated by the lender for preparing the loan application, the lender shall remit the \$50 to the person or entity actually preparing the loan application. If the application is denied, the lender shall submit a copy of the denial to the commissioner. If the application is denied, the commissioner shall consider the Program B application as an application for Program A and make interest buy-down payments to the lender and eligible borrower as if the application were originally submitted for Program A, unless the lender has indicated that the loan is not to be considered under Program A.

Subd. 3. [STATE CONTRIBUTION TO PROGRAM B INTEREST BUY-DOWN.] Under Program B, the commissioner shall pay to a participating lender interest at a rate of 2.8 percent per year for the first \$60,000 of a farm operating loan made to an eligible borrower during the term of the loan, if the loan is approved under the Federal Operating Loan Program. The payment to a participating lender may not exceed \$2,520 per eligible borrower per calendar year, exclusive of the loan preparation fee.

Subd. 4. [LENDER CONTRIBUTION TO PROGRAM B INTEREST BUY-DOWN.] A participating lender shall reduce the interest charged to an eligible borrower on a farm operating loan so that the reduction in interest rate provided by the lender and the FmHA together is at least 1.7 percent per year for the first \$60,000 of the loan.

#### Sec. 10. [APPROPRIATION.]

The appropriation is available for the fiscal year ending June 30 in the years indicated to pay amounts due under approved applications received during that calendar year. Any unencumbered balance remaining in a fiscal year must not be canceled and remains available to pay amounts due under approved applications received during the rest of that calendar year. Subd. 3. [SPILLOVER.] If, at any time more than 180 days after the effective date of this act, the appropriation for either Program A or Program B for calendar year 1987 is insufficient, the appropriation for the other program is available for it. Any unencumbered balance remaining at the end of a calendar year must not be canceled but must be added to the appropriations for Program B in the next calendar year.

**168.041 [IMPOUNDING REGISTRATION PLATES AND CERTIFICATES.]**

Subdivision 1. When any person is convicted of driving a motor vehicle after the suspension ~~or~~, revocation or cancellation of the ~~drivers~~ driver's license or driving privileges of such person, the court shall require the registration plates and registration ~~certificates~~ certificate of any motor vehicle involved in such violation owned by such person or registered in that person's name to be surrendered to the court. Upon surrender thereof the court shall issue a receipt therefor.

If the violator is not the owner of ~~such~~ the motor vehicle, the court shall require the registration plates and ~~the~~ registration certificate of any motor vehicle used by the violator, with the permission of the owner who had knowledge of the fact that the violator's ~~drivers~~ driver's license had been revoked or suspended prior to the commission of the offense, to be surrendered to the court.

Subd. 2. If any person is convicted of violating any law or municipal ordinance, except parking laws or ordinances, regulating the operation of motor vehicles on the streets or highways, and the record of ~~such~~ the person so convicted shows a previous conviction for driving after suspension or revocation of the person's driver's license or driving privileges, the court may direct the commissioner of public safety to suspend the driver's license of ~~such~~ the person for not exceeding one year. The court may also require the registration plates and registration ~~certificates~~ certificate of any motor ~~vehicles~~ vehicle owned by the violator or registered in the violator's name to be surrendered to the court.

Subd. 3. Except as otherwise provided in subdivision 3a, if a person is convicted of any offense which makes mandatory the revocation of the ~~drivers~~ person's driver's license of ~~such~~ person, or is convicted of driving a motor vehicle without having a valid driver's license in force, the court may require the registration plates and registration ~~certificates~~ certificate of any motor vehicle owned by such person or any motor ~~vehicles~~ vehicle registered in that person's name to be surrendered to the court.

Subd. 5b. [ADMINISTRATIVE REVIEW.] At any time during a period of revocation imposed under this section and of impoundment under section 168.041 a person may request in writing a review of the order of revocation or impoundment by the commissioner of public safety. Upon receiving a request the commissioner or the commissioner's designee shall review the order, the evidence upon which the order was based, and any other material information brought to the attention of the commissioner, and determine whether sufficient cause exists to sustain the order. Within 15 days of receiving the request the commissioner shall report in writing the results of the review. The review provided in this subdivision is not subject to the contested case provisions of the administrative procedure act in sections 14.01 to 14.70. As a result of this review, if the commissioner finds that the owner's driver's license or driving privileges were not revoked under this section or section 169.121, the owner was not and is not a member of the revoked operator's household, and the owner had no knowledge that the vehicle was being driven, operated, or physically controlled in violation of section 169.121, the commissioner may authorize the issuance at no cost of new registration plates and a registration certificate to the owner of the vehicle, or may authorize the return of the owner's former registration plates and registration certificate if custody of them was retained by the court under section 168.041, subdivision 4.

The availability of administrative review for an order of revocation shall have no effect upon the availability of judicial review under this section.

Sec. 3. Minnesota Statutes 1986, section 169.123, subdivision 5c, is amended to read:

Subd. 5c. The petition shall state with specificity the grounds upon which the petitioner seeks rescission of the order of revocation or denial or the order of impoundment.

The filing of the petition shall not stay the revocation or denial or the impoundment order. The reviewing court may order a stay of the balance of the revocation or impoundment if the hearing has not been conducted within 60 days after filing of the petition upon terms the court deems proper. Judicial reviews shall be conducted according to the rules of civil procedure.

Sec. 4. Minnesota Statutes 1986, section 169.123, subdivision 6, is amended to read:

Subd. 6. [HEARING.] A hearing under this section shall be before a municipal or county judge, in any county in the judicial district where the alleged offense occurred. The hearing shall be to the court and may be conducted at the same time and in the same manner as hearings upon pretrial motions in the criminal prosecution under section 169.121, if any. The hearing shall be recorded. The commissioner of public safety shall appear and be represented by the attorney general or through the prosecuting authority for the jurisdiction involved.

The hearing shall be held at the earliest practicable date, and in any event no later than 60 days following the filing of the petition for review. (2) whether at the time of the request for the test the peace officer informed the person of the person's rights and the consequences of taking or refusing the test as required by subdivision 2; and

(3) either (a) whether the person refused to permit the test, or (b) whether a test was taken and the test results indicated an alcohol concentration of 0.10 or more at the time of testing, and whether the testing method used was valid and reliable, and whether the test results were accurately evaluated.

It shall be an affirmative defense for the petitioner to prove that, at the time of the refusal, the petitioner's refusal to permit the test was based upon reasonable grounds.

Certified or otherwise authenticated copies of laboratory or medical personnel reports, records, documents, licenses and certificates shall be admissible as substantive evidence.

The court shall order either that the revocation or impoundment be rescinded or sustained and forward the order to the commissioner of public safety. The court shall file its order within 14 days following the hearing. If the revocation is sustained, the court shall also forward the person's driver's license or permit to the commissioner of public safety for further action by the commissioner of public safety if the license or permit is not already in the commissioner's possession. If the impoundment is sustained, the court shall also direct the petitioner to forward the registration plates and registration certificate to the court for further action if the plates and certificate are not already in the court's possession. "We once had a House Clerk named Ed

Whose voice made a noise as he read

His opinions on Rules were incredible jewels

At least so the old members said.

One day this particular fellow

Was feeling a little bit mellow

While reading the Journal some gas quite internal

Caused Ed to literally bellow.

Then up stood a member named Bob

Who felt it would then be his job

As new majority leader to help the old journal reader

But the scene then dissolved to a mob.

The Speaker then spoke to the rest of the folk

It's a little bit late  
For the actual date,  
But this is an April Fool's Joke!"

Sec. 32. Minnesota Statutes 1986, section 56.12, is amended to read:

**56.12 [ADVERTISING; TAKING OF SECURITY; PLACE OF BUSINESS.]**

No licensee shall advertise, print, display, publish, distribute, or broadcast, or cause or permit to be advertised, printed, displayed, published, distributed, or broadcast, in any manner any statement or representation with regard to the rates, terms, or conditions for the lending of money, credit, goods, or things in action which is false, misleading, or deceptive. The commissioner may order any licensee to desist from any conduct which the commissioner shall find to be a violation of the foregoing provisions.

The commissioner may require that rates of charge, if stated by a licensee, be stated fully and clearly in such manner as the commissioner may deem necessary to prevent misunderstanding thereof by prospective borrowers. In lieu of the disclosure requirements of this section and section 56.14, a licensee may give the disclosures required by the federal Truth-in-Lending Act.

A licensee may take a lien upon real estate as security for any loan exceeding \$2,700 in principal amount made under this chapter. The provisions of sections 47.20 and 47.21 do not apply to loans made under this chapter, except as provided in this section. No loan secured by a first lien on a borrower's primary residence shall be made pursuant to this section if the proceeds of the loan are used to finance the purchase of the borrower's primary residence, unless:

(1) the proceeds of the loan are used to finance the purchase of a manufactured home; or

(2) the proceeds of the loan are used in whole or in part to satisfy the balance owed on a contract for deed. ~~The rate of interest charged on such a loan made after August 1, 1987, shall not exceed the rate provided in section 47.20, subdivision 4a.~~

If the proceeds of the loan are used to finance the purchase of the borrower's primary residence, the licensee shall consent to the subsequent transfer of the real estate if the existing borrower continues after transfer to be obligated for repayment of the entire remaining indebtedness. The licensee shall release the existing

borrower from all obligations under the loan instruments, if the transferee (1) meets the standards of credit worthiness normally used by persons in the business of making loans, including but not limited to the ability of the transferee to make the loan payments and satisfactorily maintain the property used as collateral, and (2) executes an agreement in writing with the licensee whereby the transferee assumes the obligations of the existing borrower under the loan instruments. Any such agreement shall not affect the priority, validity or enforceability of any loan instrument. A licensee may charge a fee not in excess of one-tenth of one percent of the remaining unpaid principal balance in the event the loan is assumed by the transferee and the existing borrower continues after the transfer to be obligated for repayment of the entire assumed indebtedness. A licensee may charge a fee not in excess of one percent of the remaining unpaid principal balance in the event the remaining indebtedness is assumed by the transferee and the existing borrower is released from all obligations under the loan instruments, but in no event shall the fee exceed \$150.

A licensee making a loan under this chapter secured by a lien on real estate shall comply with the requirements of section 47.20, subdivision 8.

No licensee shall conduct the business of making loans under this chapter within any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction therewith, if the commissioner finds that the character of the other business is such that it would facilitate evasions of this chapter or of the rules lawfully made hereunder. The commissioner may promulgate rules dealing with such other businesses.

No licensee shall transact the business or make any loan provided for by this chapter under any other name or at any other place of business than that named in the license. No licensee shall take any confession of judgment or any power of attorney. No licensee shall take any note or promise to pay that does not accurately disclose the principal amount of the loan, the time for which it is made, and the agreed rate or amount of charge, nor any instrument in which blanks are left to be filled in after execution. Nothing herein is deemed to prohibit the making of loans by mail.

Sec. 33. Minnesota Statutes 1986, section 325G.36, is amended to read:

**325G.36 [WAIVERS VOID.]**

**Subdivision 1.** Any provision of a consumer contract which waives or attempts to waive any provision of sections 325G.29 to 325G.36 is void.

Subd. 2. Any provision of a consumer credit transaction contract which waives or attempts to waive any provision of section 325G.22 is void.

Subd. 3. Any provision of a contract which waives or attempts to waive a consumer's rights in a consumer credit transaction is void and renders the contract voidable at the option of the consumer.

Sec. 34. Minnesota Statutes 1986, section 332.29, subdivision 1, is amended to read:

Subdivision 1. The commissioner ~~may from time to time~~ shall examine the books and records of every licensee hereunder and of any person engaged in the business of debt prorating service as defined in section 332.13 at least once every 18 calendar months. The commissioner once during any calendar year, may require the submission of an audit prepared by a certified public accountant of the books and records of each licensee hereunder. If the licensee has, within one year previous to the commissioner's demand, had an audit prepared for some other purpose, this audit may be submitted to satisfy the requirement of this section. The commissioner may investigate any complaint concerning violations of sections 332.12 to 332.29 and may require the attendance and sworn testimony of witnesses and the production of documents.

Sec. 35. Minnesota Statutes 1986, section 336.9-501, is amended to read:

336.9-501 [DEFAULT; PROCEDURE WHEN SECURITY AGREEMENT COVERS BOTH REAL AND PERSONAL PROPERTY.]

The secured party may reduce a claim to judgment, foreclose, or otherwise enforce the security interest by any available judicial procedure. If the collateral is documents the secured party may proceed either as to the documents or as to the goods covered thereby. A secured party in possession has the rights, remedies, and duties provided in section 336.9-207. The rights and remedies referred to in this subsection are cumulative.

(2) After default, the debtor has the rights and remedies provided in this part, those provided in the security agreement, and those provided in section 336.9-207.

(3) To the extent that they give rights to the debtor and impose duties on the secured party, the rules stated in the subsections referred to below may not be waived or varied except as provided with respect to compulsory disposition of collateral (subsection (3) of

section 336.9-504 and section 336.9-505) and with respect to redemption of collateral (section 336.9-506) but the parties may by agreement determine the standards by which the fulfillment of these rights and duties is to be measured if such standards are not manifestly unreasonable:

(b) Subsection (3) of section 336.9-504 and subsection (1) of section 336.9-505 which deal with disposition of collateral;

(c) Subsection (2) of section 336.9-505 which deals with acceptance of collateral as discharge of obligation;

(5) When a secured party has reduced a claim to judgment the lien of any levy which may be made upon collateral by virtue of any execution based upon the judgment shall relate back to the date of the perfection of the security interest in such collateral. A judicial sale, pursuant to such execution, is a foreclosure of the security interest by judicial procedure within the meaning of this section, and the secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.

(6) A person may not begin to enforce a security interest in collateral that is agricultural property subject to sections 583.20 to 583.32 that has secured a debt of more than \$5,000 unless: a mediation notice under subsection (7) is served on the debtor and a copy filed with the director; and the debtor and creditor have completed mediation under sections 583.20 to 583.32.

(7) A mediation notice under subsection (6) must contain the following notice with the blanks properly filled in.

The cash sale price may include any taxes, charges for delivery, servicing, repairing or improving the motor vehicle, including accessories and their installation, and any other charges agreed upon between the parties. The cash price may not include a documentary fee or document administration fee in excess of \$25 for services actually rendered to, for, or on behalf of, the retail buyer in preparing, handling, and processing documents relating to the motor vehicle and the closing of the retail sale.

The fee is payable to the commissioner

on the commissioner's request for payment. The commissioner may maintain an action for the recovery of the costs in any court of competent jurisdiction.

(4) Unless written notice has been given to the retail buyer of actual or intended assignment of a retail installment contract, payment thereunder or tender thereof made by the retail buyer to the last known holder of such contract shall be binding upon all subsequent holders or assignees.

(5) Upon written request from the retail buyer, the holder of the retail installment contract shall give or forward to the retail buyer a written statement of the dates and amounts of payments and the total amount unpaid under such contract. A retail buyer shall be given a written receipt for any payment when made in cash.

(6) The amount of the time price differential; The disclosures required by the federal Truth-in-Lending Act

(7) The time balance payable by the retail buyer to the retail seller and the number of installment payments required and the amount of each installment expressed in dollars or percentages; and date of each payment necessary finally to pay the time balance which is the sum of item five and item six.

Subdivision 1. (a) The time price differential authorized by sections 168.66 to 168.77 in a retail installment sale may not exceed the following simple interest annual percentage rates:

Class 1. Any motor vehicle designated by the manufacturer by a year model of the same or not more than one year prior to the year in which the sale is made - \$10 per \$100 18 percent per year.

Class 2. Any motor vehicle designated by the manufacturer by a year model of two or three years prior to the year in which the sale is made - \$11 per \$100 19.75 percent per year.

Class 3. Any motor vehicle not in Class 1 or Class 2 - \$13 per \$100 23.25 percent per year plus a flat charge of \$3 for each retail installment sale.

(b) The time price differential must be computed on the principal balance outstanding from time to time as originally determined under section 168.71, clause (b) and must be computed at the rate indicated on contracts payable in successive monthly installment payments substantially equal in amount extending for a period of one year. For purposes of this subdivision and section 168.73, contracts payable in successive monthly installment payments include those where the first installment is scheduled for not less than 15 days nor more than one month and 15 days from the date of the contract. On contracts providing for installment payments extending for a period less than or greater than one year, the time price differential must be computed proportionately.

(c) When a retail installment contract provides for unequal or irregular installment payments, the time price differential is at the effective rate provided in clause (a) hereof, having due regard for the irregular schedule of payment. Retail installment contracts may be interest-bearing or precomputed. For precomputed retail installment contracts, the time price differential may be calculated in advance on the assumption that all scheduled payments will be made when due. The effect of prepayment in full is governed by section 168.73. To compute time for the purpose of calculating interest under this section and section 168.73, a day may be considered  $\frac{1}{30}$  of a month when calculation is made for a fraction of a calendar month. A year is 12 calendar months. A calendar month is that period from a given date in one month to the same numbered date in the following month, and if there is no same-numbered date, to the last day of the following month. When a period of time

includes a whole month and a fraction of a month, the fraction of a month is considered to follow the whole month.

(d) (c) The time price differential is inclusive of all charges incident to investigating and making the contract, and for the extension of the credit provided for in the contract and no fee, commission, expense or other charge whatsoever may be taken, received, reserved or contracted for except as provided in sections 168.66 to 168.77.

Sec. 8. Minnesota Statutes 1986, section 168.72, subdivision 4, is amended to read:

Subd. 4. A sale of a manufactured home made after July 31, 1983, is governed by the provisions of subdivision 1 for purposes of determining the lawful time price differential rate, except that the maximum time differential for a class I manufactured home may not exceed \$8 per \$100 18 percent per year. A retail installment sale of a manufactured home that imposes a time price differential rate that is greater than the rate permitted by this subdivision is lawful and enforceable in accordance with its terms until the indebtedness is fully satisfied if the rate was lawful when the sale was made.

Sec. 9. Minnesota Statutes 1986, section 168.73, is amended to read:

168.73 [PREPAYMENT IN FULL, REFUND CREDITS, ALLOWANCE.]

Notwithstanding the provisions of any retail installment contract to the contrary, any retail buyer may pay in full at any time before maturity the debt of any retail installment contract and without penalty. In so paying such debt the retail buyer shall receive a refund credit thereon for such anticipation of payments. The amount of such refund shall represent at least as great a proportion of the original time price differential after first deducting from such time price differential an acquisition cost of \$15, as the sum of the periodic time balances calculated according to the actuarial method and after the month in which date prepayment is made, bears to the sum of all the periodic time balances under the schedule of payments in the original contract.

Where the amount of the credit for anticipation of payment is less than \$1, no refund need be made.

The actuarial method means the method of allocating payments on a contract between the principal amount and time price differential whereby a payment is applied first to the accumulated time price differential and then to the unpaid principal balance based on the original payment schedule.

Sec. 10. Minnesota Statutes 1986, section 168.74, is amended to read:

168.74 [EXTENSION OF SCHEDULES, PAYMENTS.]

The holder of a precomputed retail installment contract, may, upon written agreement with the retail buyer, extend the ~~schedules~~ scheduled due date, or defer the ~~schedules~~ scheduled payment of all or part of any installment payment or payments, or renew the balance of such contract. In any such case the holder may restate the amount of the installments and the time schedule therefor, and collect as a refinance charge for such extension, deferment or renewal, a flat service fee not to exceed \$5 and a total additional charge not exceeding ~~an amount equal to one percent per month~~ the simple interest annual percentage rate under the original retail installment contract calculated on the respective descending balances computed from the date of such extension, deferment or renewal.

Sec. 11. [EFFECTIVE DATE.]

Sections 1, 2, 3, and 5 of this article are effective July 1, 1987.  
Sections 4, 6, 7, 8, 9, and 10 are effective January 1, 1988.

ARTICLE 3

APPLICATION PARITY ACT

Section 1. Minnesota Statutes 1986, section 46.041, is amended to read:

46.041 [BANK APPLICATIONS.]

Subdivision 1. [~~FILING; FEE; HEARING PUBLIC INSPEC-~~  
~~TION.]~~ The incorporators of a bank proposed to be organized under the laws of this state shall execute and acknowledge a written application in the form prescribed by the commissioner of commerce. The application must be signed by two or more of the incorporators and request a certificate authorizing the proposed bank to transact business at the place and in the name stated in the application. The applicant shall file the application with the department with a \$1,000 filing fee and a \$500 investigation fee. The fees must be turned over by the commissioner to the state treasurer and credited to the general fund. ~~Thereupon the applicant shall within 30 days of the receipt of the form prescribed by the commissioner, publish a notice of the filing of the application in a newspaper published in the municipality in which the proposed bank is to be located, and if there is no such newspaper, then at the county seat of the county in which the bank is proposed to be located. The notice shall be in the~~

form prescribed by the commissioner and, in addition to the publication, the applicant shall mail a copy of the notice by certified mail to every bank located within three miles of the proposed location of the bank. If an application is contested, 50 percent of an additional fee equal to the actual costs incurred by the department of commerce in approving or disapproving the application, payable to the state treasurer and credited by the treasurer to the general fund, must be paid by the applicant and 50 percent equally by the intervening parties. The application file must be public, with the exception of financial data on individuals which is private under the Minnesota government data practices act.

Subd. 2. [UNCONTESTED NOTICE OF FILING APPLICATION APPROVAL ORDER; PUBLICATION.] If no objection is received by the commissioner within 21 days after the publication and mailing of the notices, the commissioner may issue an order approving the application without a hearing if it is found that the applicant meets the conditions in section 46.044. Otherwise the commissioner must deny the application. Upon notice of acceptance of an application as complete in all respects for filing, the applicant shall within 30 days of the receipt of the form prescribed by the commissioner, publish a notice of the filing of the application, in a newspaper published in the municipality in which the proposed bank is to be located, and if there is no such newspaper, then at the county seat of the county in which the bank is proposed to be located. The notice must be in the form prescribed by the commissioner and, in addition to the publication, the applicant shall mail a copy of the notice by certified mail to every bank located within three miles of the proposed location of the bank.

Subd. 3. [OBJECTIONS; COMMENTS, REQUESTS FOR HEARING.] If the application is contested, the commissioner shall fix a time, within 60 days after the filing of the objection for a hearing, and the record of the hearing shall be considered by the commissioner in deciding whether or not the application shall be granted. A notice of the hearing must be published in the form prescribed by the commissioner in some newspaper published in the municipality in which the proposed bank is to be located, and if there is no such newspaper, then at the county seat of the county in which the bank is proposed to be located. The notice shall be published once, at the expense of the applicants, not less than 30 days prior to the date of the hearing. At the hearing the commissioner shall consider the application and hear the applicants and such witnesses as may appear in favor of or against the granting of the application of the proposed bank. The hearing shall be conducted by the commissioner in accordance with the provisions of sections 14.01 to 14.70. Within 21 days after the notice of application has been published, any person may submit to the commissioner either or both written comments on an application and a written request for a hearing on the application. The request must state the nature of the issues or facts to be presented and the reasons why written submissions would

be insufficient to make an adequate presentation to the commissioner. Comments challenging the legality of an application should be submitted separately in writing.

Written requests for hearing must be evaluated by the commissioner who may grant or deny the request. A hearing must generally be granted only if it is determined that written submissions would be inadequate or that a hearing would otherwise be beneficial to the decision-making process. A hearing may be limited to issues considered material by the commissioner.

If a request for a hearing has been denied, the commissioner shall notify the applicant and all interested persons stating the reasons for denial. Interested parties may submit to the commissioner with simultaneous copies to the applicant additional written comments on the application within 14 days after the date of the notice of denial. The applicant shall be provided an additional seven days after the 14-day deadline has expired within which to respond to any comments submitted within the 14-day period. A copy of any response submitted by the applicant shall also be mailed simultaneously by the applicant to the interested parties. The commissioner may waive the additional seven-day comment period if so requested by the applicant.

Subd. 4. [HEARING.] In any case in which the commissioner grants a request for a hearing, the commissioner shall fix a time for a hearing conducted pursuant to chapter 14 to decide whether or not the application will be granted. A notice of the hearing must be published by the applicant in the form prescribed by the commissioner in a newspaper published in the municipality in which the proposed bank is to be located, and if there is no such newspaper, then at the county seat of the county in which the bank is proposed to be located. The notice must be published once, at the expense of the applicants, not less than 30 days prior to the date of the hearing. At the hearing the commissioner shall consider the application and hear the applicants and witnesses that appear in favor of or against the granting of the application of the proposed bank. If an application is contested, 50 percent of an additional fee equal to the actual costs incurred by the department of commerce in approving or disapproving the application, payable to the state treasurer and credited by the treasurer to the general fund, must be paid by the applicant and 50 percent equally by the intervening parties.

Subd. 5. [APPROVAL, DISAPPROVAL, AFTER HEARING.] If, upon the hearing or upon other information submitted, it appears to the commissioner that the application should be granted, the commissioner shall, not later than 90 days after the hearing, and after the applicants have otherwise complied with the provisions of law applicable to the organization of a bank, including the provisions herein contained, make and file in the commissioner's office a written order directing the issuance of a certificate of authorization

as provided by law. If the certificate of authorization is not activated within a period of 12 months from date of issuance, the commissioner may upon written notice to the applicants request a new hearing. If the commissioner decides that the application should not be granted, the commissioner shall deny the application and make a written order to that effect, file it in the commissioner's office, and forthwith give notice thereof by certified mail to one of the incorporators named in the application for the proposed bank, addressed to the incorporator at the address stated in the application. Thereupon the commissioner shall refuse to issue the certificate of authorization to the proposed bank.

Sec. 2. [EFFECTIVE DATE.]

This article is effective the day following final enactment and applies to pending applications at that time if any notice of the filing of the application has not been fully published.

"Sec. 5. [221.037] [ADMINISTRATIVE PENALTIES.]

Subdivision 1. [AUTHORITY TO ISSUE PENALTY ORDERS.] The commissioner may issue an order requiring violations to be corrected and administratively assessing monetary penalties for a violation of section 2, of a material term or condition of a license issued under section 3, or of a rule or order of the commissioner relating to the transportation of hazardous waste. An order shall be issued as provided in this section.

Subd. 2. [ELECTION OF PENALTIES.] The commissioner shall not both assess an administrative penalty under this section and seek a criminal sanction under section 221.291, subdivision 3, for violations arising out of the same inspection or audit.

Subd. 3. [AMOUNT OF PENALTY; CONSIDERATIONS.] (a) The commissioner may issue an order assessing a penalty up to a maximum of \$10,000 for all violations identified during a single inspection or audit.

(b) In determining the amount of a penalty; the commissioner shall consider:

(1) the willfulness of the violation;

(2) the gravity of the violation, including damage to humans, animals, air, water, land, or other natural resources of the state;

(3) the history of past violations, including the similarity of the most recent violation and the violation to be penalized, the time elapsed since the last violation, the number of previous violations, and the response of the person to the most recent violation identified;

(4) the economic benefit gained by the person by allowing or committing the violation; and

(5) other factors as justice may require, if the commissioner specifically identifies the additional factors in the commissioner's order.

Subd. 4. [CONTENTS OF ORDER.] An order assessing an administrative penalty under this section shall include:

(1) a concise statement of the facts alleged to constitute a violation;

(2) a reference to the section of the statute, rule, order, or material term or condition of a license that has been violated;

(3) a statement of the amount of the administrative penalty to be imposed and the factors upon which the penalty is based; and

(4) a statement of the person's right to review of the order.

Subd. 5. [ORDER.] (a) The commissioner may issue an order assessing a penalty and requiring the violations cited in the order to be corrected within 30 calendar days from the date the order was received.

(b) The person to whom the order was issued shall provide information to the commissioner before the 31st day after the order was received demonstrating that the violation has been corrected or that appropriate steps toward correcting the violation have been taken. The commissioner shall determine whether the violation has been corrected and notify the person subject to the order of the commissioner's determination.

Subd. 6. [PENALTY.] (a) Except as provided in paragraph (b), if the commissioner determines that the violation has been corrected or appropriate steps have been taken to correct the action, the penalty must be forgiven. Unless the person requests review of the order under subdivision 7 or 8 before the penalty is due, the penalty in the order is due and payable:

(1) on the 31st day after the order was received, if the person subject to the order fails to provide information to the commissioner showing that the violation has been corrected or that appropriate steps have been taken toward correcting the violation; or

(2) on the 20th day after the receipt of a notice by the person subject to the order of the commissioner's determination under subdivision 5, paragraph (b), that information supplied to the commissioner is not sufficient to show that the violation has been corrected or that appropriate steps have been taken toward correcting the violation.

(b) For a repeated or serious violation, the commissioner may issue a corrective order with a penalty that will not be forgiven after the corrective action is taken. The penalty is due by 30 days after the order was received unless review of the order under subdivision 7 or 8 has been sought.

(c) Interest at the rate established in section 549.09 begins to accrue on penalties under this subdivision on the day after the penalty would otherwise be due and payable in the absence of a request for a hearing under subdivision 7 or 8.

Subd. 7. [EXPEDITED ADMINISTRATIVE HEARING.] (a) Within 30 days after the date on which an order was received, or within 20 days after the receipt of a notice that the commissioner has determined that a violation has not been corrected or appropriate steps have not been taken, the person subject to an order under this section may request an expedited hearing. The person to whom the order is directed and the commissioner are the parties to the expedited hearing. The commissioner must notify the person to whom the order is directed of the time and place of the hearing at least 20 days before the hearing. The expedited hearing must be held within 30 days after a request for hearing has been filed with the commissioner unless the parties agree to a later date.

(b) All written arguments must be submitted within ten days following the close of the hearing. The hearing shall be conducted under the conference contested case rules of the office of administrative hearings, as modified by this subdivision. The office of administrative hearings may, in consultation with the department, adopt rules specifically applicable to cases under this section.

(c) The administrative law judge shall issue a report making recommendations to the commissioner within 30 days following the close of the record. The administrative law judge may not recommend a change in the amount of the proposed penalty unless the administrative law judge determines that, based on the factors in subdivision 3, the amount of the penalty is unreasonable.

(d) If the administrative law judge makes a finding that the hearing was requested solely for purposes of delay or that the hearing request was frivolous, the commissioner may add to the amount of the penalty the costs charged to the department by the office of administrative hearings for the hearing.

(e) If a hearing has been held, the commissioner may not issue a final order until at least five days after receipt of the report of the administrative law judge. The person subject to the order may, within those five days, comment to the commissioner on the recommendations and the commissioner shall consider the comments. The final order may be appealed in the manner provided in sections 14.63 to 14.69.

(f) If a hearing has been held and a final order issued by the commissioner, the penalty shall be paid by the 15th day after the final order was mailed, together with interest accruing at the rate established in section 549.09 from 31 days after the original order was received.

Subd. 8. [DISTRICT COURT HEARING.] Within 30 days after the receipt of an order, or within 20 days after the receipt of a notice that the commissioner has determined that a violation has not been corrected or appropriate steps have not been taken, the person subject to a corrective order under this section may file a petition in district court for review of the order. The petition shall be filed with the court administrator with proof of service on the commissioner. The petition shall be captioned in the name of the person making the petition as petitioner and the commissioner as respondent. The petition shall state with specificity the grounds upon which the petitioner seeks rescission of the order, including the facts upon which each claim is based. At trial the state must establish by a preponderance of the evidence the existence of the violation upon which the order was based.

Subd. 9. [ENFORCEMENT.] (a) The attorney general may proceed on behalf of the state to enforce penalties that are due and payable under this section in any manner provided by law for the collection of debts.

(b) The attorney general may petition the district court to file the administrative order as an order of the court. At any court hearing, the only issues parties may contest are procedural and notice issues. Once entered, the administrative order may be enforced in the same manner as a final judgment of the district court.

(c) If a person fails to pay the penalty, the attorney general may bring a civil action in district court seeking payment of the penalties, injunctive, or other appropriate relief including monetary damages, attorney fees, costs, and interest.

Subd. 10. [REVOCATION AND SUSPENSION OF PERMIT.] If a person does not pay a penalty due and payable under this section, the department may revoke or refuse to reissue or renew a license issued by the department under section 3.

Subd. 11. [CUMULATIVE REMEDY.] The authority of the department to issue a corrective order assessing penalties is in addition to other remedies available under statutory or common law. The payment of a penalty does not preclude the use of other enforcement provisions in connection with the violation for which the penalty was assessed."

169.28 [CERTAIN VEHICLES TO STOP AT RAILROADS.]

Subdivision 1. [STOP REQUIRED.] The driver of any motor vehicle carrying passengers for hire, or of any school bus whether carrying passengers or not, or of any vehicle carrying explosive substances or flammable liquids, or liquid gas under pressure as a cargo or part of a cargo, before crossing at grade any track or tracks of a railroad, shall stop the vehicle not less than ten feet from the nearest rail of the railroad and while so stopped shall listen and look in both directions along the track for any approaching train, and for

signals indicating the approach of a train, except as hereinafter provided, and shall not proceed until safe to do so.

No stop need be made at any crossing where a police officer or a traffic-control signal directs traffic to proceed.

No stop need be made at a crossing on a rail line on which service has been abandoned and where a sign erected in conformance with section 169.06 and bearing the word "Exempt" has been installed, unless directed otherwise by a flagger. The installation or presence of an exempt sign shall not relieve any driver of the duty to use due care.

This section shall not apply at street railway grade crossings within a business or residence district.

A school bus shall not be flagged across railroad grade crossings except at those railroad grade crossings that the local school administrative officer may designate.

Subd. 2. [EXEMPT CROSSINGS.] The commissioner may designate a crossing on a rail line on which service has been abandoned, or a crossing that the commissioner determines is used by a train fewer than five times a year and upon which the operating speed of the trains is ten miles per hour or less, as an exempt crossing. Subdivision 1. The commissioner may designate a crossing requiring this additional protection When the government entity responsible for a road that

crosses a railroad track deems it necessary to install stop signs at that crossing, it shall petition the commissioner to order the installation of the stop signs. The commissioner shall respond to the petition by investigating the conditions at the crossing to determine the appropriate warning signs and devices to be installed at the crossing. On determining, after an investigation following a petition from a governmental agency or subdivision or on the commissioner's own motion, that stop signs should be installed at a crossing, the commissioner shall designate the crossing as a stop crossing and shall notify the railway company operating the railroad at the crossing of this designation. Within 30 days after notification, the railway company shall erect the uniform stop crossing signs in conspicuous places on each side of the crossing on the home crossing signs in accordance with the commissioner's order.

Subd. 2. [STOPPING DISTANCES.] When a stop sign has been erected at a railroad crossing, the driver of a vehicle approaching a railroad crossing shall stop within 50 feet, but not less than ten feet, from the nearest track of the crossing and shall proceed only upon exercising due care.

“Section 1. [43A.315] [EMPLOYEES OF SCHOOL DISTRICTS.]

Subdivision 1. [DEFINITIONS.] In this section, the definitions in this subdivision apply.

(a) [COMMISSIONER.] “Commissioner” means the commissioner of the department of employee relations.

(b) [EMPLOYEE.] “Employee” means (1) a person who is a public employee within the definition of section 179A.03, subdivision 14, and is employed by an eligible employer; or (2) a person employed by another public educational employer approved by the commissioner of employee relations.

(c) [ELIGIBLE EMPLOYER.] “Eligible employer” means one of the following: a school district as defined in section 120.02; an educational cooperative service unit as defined in section 123.58; an intermediate district as defined in section 136C.02, subdivision 7; a cooperative center for vocational education as defined in section 123.351; a regional management information center as defined in section 121.935; or an education unit organized under the joint powers act, section 471.59.

(d) [EXCLUSIVE REPRESENTATIVE.] “Exclusive representative” means an exclusive representative as defined in section 179A.03, subdivision 8.

Subd. 2. [SCHOOL EMPLOYEE PARTICIPATION.] Participation in the basic benefits plan offered according to subdivision 3 is subject to the conditions in this subdivision.

(a) Each exclusive representative for an eligible employer determines whether the employees it represents will participate. The exclusive representative shall give notice to the employer of its determination to participate in the hospital, medical, life, and dental package before the execution of a new collective bargaining agreement or by April 1 of an odd-numbered year, whichever occurs first. The employer and the exclusive representative may by mutual consent make a determination at a later date to participate during the annual enrollment period established by the commissioner. By April 1 of an odd-numbered year, the employer must determine whether its employees who are not represented by an exclusive representative will participate in the hospital, medical, life, and dental package. Either all or none of an employer's unrepresented employees must participate.

(b) The decision to participate is for a three-year term if coverage begins in an even-numbered year and a four-year term if coverage begins in an odd-numbered year. Participation is automatically renewed for an additional four-year term unless the exclusive representative, or the employer in the case of unrepresented employees, gives the commissioner notice of withdrawal.

(c) The exclusive representative shall give notice of intent to withdraw to the commissioner before execution of a new collective bargaining agreement to cover the date on which the term of participation expires, or April 1 of the year in which the term of participation expires, whichever is first. If there is no exclusive representative, the employer shall notify the commissioner by April 1 of the year in which participation expires. A group that withdraws shall wait two years before rejoining.

(d) Each participating employer shall notify the commissioner of the individuals who will be participating within two weeks of receiving notice of intent to participate and within two weeks of deciding that its unrepresented employees will participate. The employer shall also submit other information as required by the commissioner for administration of this plan.

Subd. 3. [BENEFITS.] By January 1, 1989, the commissioner of employee relations shall offer a basic benefits plan as provided to employees covered by section 43A.18, subdivision 2, or as modified by the commissioner, in consultation with a labor-management committee appointed by the commissioner. The plan shall include employee hospital, medical, dental, and life insurance for employees and hospital and medical benefits for dependents. Health maintenance organization options and other delivery system options, if they are available, cost effective, and capable of servicing a group of

this size, shall be provided. Plans with different deductible amounts may be offered. Participation in optional coverages provided by the plan may be determined by collective bargaining agreements. For employees not represented by an exclusive representative, the employer may offer the optional coverages to eligible employees and their dependents provided in the plan.

Subd. 4. [PREMIUMS.] Premiums, including an administration fee, shall be established by the commissioner of employee relations. Each eligible employer shall pay monthly the amounts due for employee benefits including the amounts under subdivision 5 to the commissioner on or before the dates established by the commissioner. Failure to pay may result in cancellation of the benefits. The proportions of premium paid by the employer and employee are subject to collective bargaining.

Subd. 5. [FRINGE BENEFIT FUND.] A school employee fringe benefit fund is established in the state treasury. The deposits consist of the premiums received from employers participating in the plan. All money in the fund is appropriated to the commissioner to pay insurance premiums, approved claims, refunds, administrative costs, and other related service costs. The commissioner shall reserve an amount of money to cover the estimated cost of claims incurred but unpaid. The state board of investment shall invest the money according to section 11A.24. Investment income and losses attributable to the fund shall be credited to the fund.

Subd. 6. [CONTINUATION OF COVERAGE.] (a) A participating employee who is laid off or placed on unrequested leave may elect to continue the fringe benefit coverage. This coverage is at the expense of the employee unless otherwise provided by a collective bargaining agreement. Coverage continues until one of the following occurs: (1) the employee is reemployed and eligible for health care coverage under a group policy; or (2) the insurance continuation periods required by state and federal laws expire.

(b) A participating employee who retires and is receiving an annuity or is eligible for and has applied for an annuity under chapter 352, 353, 354, or 354A is eligible to continue to participate in the group hospital, medical, and dental coverage at premiums established by the commissioner. This participation is at the retiree's expense, unless otherwise provided by a collective bargaining agreement. An employer shall notify an employee of this option no later than the effective date of retirement. The retired employee must notify the employer within 30 days after the effective date of retirement of intent to exercise this option.

A spouse of a deceased retired employee may purchase the benefits provided at premiums established by the commissioner if the employee received an annuity under chapter 352, 353, 354, or 354A and if the spouse was a dependent under the retired employee's coverage

under this section at the time of the death of the retired employee. Coverage under this paragraph must be coordinated with relevant insurance benefits provided through the federally sponsored Medicare program.

(c) The benefits may continue in the event of a strike permitted by section 179A.18, if the exclusive representative chooses to have coverage continue and the employee pays the total monthly premiums when due.

Subd. 2. [SCREENING REQUIRED.] By January 1, 1989, the county board shall screen all persons before they may be admitted for treatment of mental illness to a residential treatment facility, an acute care hospital inpatient, or informally admitted to a regional treatment center if the mental health fund, medical assistance, or the regional treatment center account is used to pay for the services. Screening prior to admission must occur within ten days. If a person is admitted for treatment of mental illness on an emergency basis to a residential facility or acute care hospital or held for emergency care by a regional treatment center under section 253B.05, subdivision 1, screening must occur within five days of the admission. Persons must be screened within ten days before or within five days after admission to ensure that: (1) an admission is necessary, (2) the length of stay is as short as possible consistent with individual client need, and (3) a case manager is immediately assigned to individuals with serious and persistent mental illness and an individual community support plan is developed. A county board representative authorized to approve the use of the mental health fund must be involved in the placement decision when the mental health professional conducting the screening is not a county employee authorized to approve the use of the mental health fund. The screening process and placement decision must be documented.

Subd. 3. [QUALIFICATIONS.] Screening for residential and inpatient services must be conducted by a mental health professional. Mental health professionals providing screening for inpatient and residential services must not be financially affiliated with any acute care inpatient hospital, residential treatment facility, or regional treatment center.

Subd. 4. [INDIVIDUAL PLACEMENT AGREEMENT.] The county board shall enter into an individual placement agreement with a provider of residential services to a person eligible for services under this section. The agreement must specify the payment rate and terms and conditions of county payment for the placement.

Sec. 17. [245.477] [APPEALS.]

Any person whose application for mental health services under section 15 or 16 is denied, not acted upon with reasonable prompt-

ness, or whose services are suspended, reduced, or terminated may contest that action before the state agency as specified in section 256.045.

Sec. 18. [245.478] [LOCAL MENTAL HEALTH PROPOSAL.]

Subdivision 1. [TIME PERIOD.] The first local mental health proposal period is from July 1, 1988, to December 31, 1989. The county board shall submit its first proposal to the commissioner by January 1, 1988. Subsequent proposals must be on the same two-year cycle as community social service plans required by section 256E.09. The proposal must be made available upon request to all residents of the county at the same time it is submitted to the commissioner.

Subd. 2. [PROPOSAL CONTENT.] The local mental health proposal must include:

(1) the local mental health advisory council's or mental health subcommittee of an existing advisory council's report on unmet needs and any other needs assessment used by the county board in preparing the local mental health proposal;

(2) a description of the local mental health advisory council's or the mental health subcommittee of an existing advisory council's involvement in preparing the local mental health proposal and methods used by the county board to obtain participation of citizens, mental health professionals, and providers in development of the local mental health proposal;

(3) information for the preceding year, including the actual number of clients who received each of the mental health services listed in sections 8 to 16, and actual expenditures and revenues for each mental health service;

(4) for the first proposal period only, information for the year during which the proposal is being prepared:

(i) a description of the current mental health system identifying each mental health service listed in sections 8 to 16;

(ii) a description of each service provider, including a listing of the professional qualifications of the staff involved in service delivery, that is either the sole provider of one of the treatment services or management activities described in sections 8 to 16 or that provides over \$10,000 of mental health services per year;

(iii) a description of how the mental health services in the county are unified and coordinated;

(iv) the estimated number of clients receiving each mental health service;

(v) estimated expenditures and revenues for each mental health service; and

(5) the following information describing how the county board intends to meet the requirements of sections 1 to 25 during the proposal period:

(i) specific objectives and outcome goals for each mental health service listed in sections 8 to 16;

(ii) a description of each service provider, including county agencies, contractors, and subcontractors, that is expected to either be the sole provider of one of the treatment services or management activities described in sections 8 to 16 or to provide over \$10,000 of mental health services per year, including a listing of the professional qualifications of the staff involved in service delivery;

(iii) a description of how the mental health services in the county will be unified and coordinated;

(iv) the estimated number of clients who will receive each mental health service; and

(v) estimated expenditures and revenues for each mental health service.

Subd. 3. [PROPOSAL FORMAT.] The local mental health proposal must be made in a format prescribed by the commissioner.

Subd. 4. [PROVIDER APPROVAL.] The commissioner's review of the local mental health proposal must include a review of the qualifications of each service provider required to be identified in the local mental health proposal under subdivision 2. The commissioner may reject a county board's proposal for a particular provider if:

(1) the provider does not meet the professional qualifications contained in sections 1 to 25;

(2) the provider does not possess adequate fiscal stability or controls to provide the proposed services as determined by the commissioner; or

(3) the provider is not in compliance with other applicable state laws or rules.

Subd. 5. [SERVICE APPROVAL.] The commissioner's review of the local mental health proposal must include a review of the appropriateness of the amounts and types of mental health services in the local mental health proposal. The commissioner may reject the county board's proposal if the commissioner determines that the amount and types of services proposed are not cost effective, do not meet client needs, or do not comply with sections 1 to 25.

Subd. 6. [PROPOSAL APPROVAL.] The commissioner shall review each local mental health proposal within 90 days and work with the county board to make any necessary modifications to comply with sections 1 to 25. After the commissioner has approved the proposal, the county board is eligible to receive an allocation from the mental health fund as described in section 19.

Subd. 7. [PARTIAL OR CONDITIONAL APPROVAL.] If the local mental health proposal is in substantial, but not in full compliance with sections 1 to 25 and necessary modifications cannot be made before the proposal period begins, the commissioner may grant partial or conditional approval and withhold a proportional share of the county board's mental health fund allocation until full compliance is achieved.

Subd. 8. [AWARD NOTICE.] Upon approval of the county board proposal, the commissioner shall send a notice of approval for funding. The notice must specify any conditions of funding and is binding on the county board. Failure of the county board to comply with the approved proposal and funding conditions may result in withholding or repayment of funds as specified in section 21.

Subd. 9. [PLAN AMENDMENT.] If the county board finds it necessary to make significant changes in the approved local proposal, it must present the proposed changes to the commissioner for approval at least 60 days before the changes take effect. "Significant changes" means:

(1) the county board proposes to provide a mental health service through a provider other than the provider listed for that service in the approved local proposal;

(2) the county board expects the total annual expenditures for any single mental health service to vary more than ten percent from the amount in the approved local proposal;

(3) the county board expects a combination of changes in expenditures per mental health service to exceed more than ten percent of the total mental health services expenditures; or

(4) the county board proposes a major change in the specific objectives and outcome goals listed in the approved local proposal.

## Sec. 19. [245.479] [MENTAL HEALTH FUND.]

Subdivision 1. [DEFINITION.] For purposes of this section, "net cost" means the county board's expenditures for services to persons with mental illness, less all offsetting credits other than the mental health fund itself. These offsetting credits include refunds, cancellations, third-party fees, recoveries and similar funds, and state and federal funds other than the mental health fund. These offsetting credits do not include state equalization aid or county board tax dollars. "Net cost" does not include the county share for medical assistance or for inpatient treatment at a state regional treatment center. County expenditures for facilities for emotionally disturbed children licensed under Minnesota Rules, parts 9545.0900 to 9545.1090, are considered expenditures for services to persons with mental illness.

Subd. 2. [PAYMENT LIMITS.] Payments to each county from the mental health fund are limited to the lesser of:

(1) 75 percent of the county's net cost as defined in subdivision 1 and as described in the approved local proposal; or

(2) the total allocated under subdivisions 4 to 7.

Subd. 3. [TIME PERIOD FOR ALLOCATIONS.] The first allocations from the mental health fund must be for the six-month period July 1 to December 31, 1988. Later allocations must be on a calendar year basis.

Subd. 4. [BASE LEVEL ALLOCATIONS.] Each county's annual allocation from the mental health fund must include an amount at least equal to the sum of the following amounts for persons with mental illness who were the financial responsibility of the county board:

(1) the state funds expended by or for the county board under Minnesota Statutes 1986, sections 245.73 and 256E.12 in fiscal year 1987, with the exclusion of grants made for special one-time projects, the exclusion of grants for programs closed in 1987 and 1988, and with the addition of an annualized equivalent of grants made for new programs opening in 1987 or 1988;

(2) the federal mental health block grant funds allocated for the county board under Minnesota Statutes 1986, section 245.713, subdivision 1, in calendar year 1987;

(3) the state funds expended by or for the county board under Minnesota Statutes 1986, sections 256D.06 and 256D.37, for negotiated rates for adults with mental illness in facilities licensed under Minnesota Rules, parts 9520.0500 to 9520.0690 in fiscal year 1987,

minus funds expended for facilities closed in 1987 or 1988, plus an annualized equivalent for new facilities approved by the commissioner to open in 1987 or 1988;

(4) the state funds expended by or for the county board under Minnesota Statutes 1986, section 256D.03, for mental health services excluding drugs provided in fiscal year 1986, under the general assistance medical care program; and

(5) 20 percent of the county board's community social services allocation under Minnesota Statutes 1986, section 256E.06 for calendar year 1987.

Subd. 5. [TITLE XX ALLOCATION.] In addition to the allocation under subdivision 4, 20 percent of each county's title XX allocation under section 256E.07 is designated for mental health and is considered a part of the mental health fund.

Subd. 6. [ALLOCATION OF INCREASED FUNDS.] If the state-wide total available for allocation under this section is more than the amount in subdivision 4 and the reserve fund in subdivision 7, the increased funds must be distributed on the basis of the number of persons residing in each county as determined by the most recent data of the state demographer.

Subd. 7. [RESERVE FUND.] The commissioner shall set aside up to five percent of each mental health fund appropriation for a reserve fund. In addition, the reserve fund must include funds returned from counties under section 22. The commissioner shall make allocations from the reserve fund on the following criteria:

(1) the approved local proposal must show that the county board's allocation under subdivisions 4 to 6 will be less than 70 percent of the county board's net cost, or the county board provides new information showing that an unexpected increase in the need or cost of mental health services will result in the county board's mental health fund allocation falling below 70 percent of the county board's net cost;

(2) based on past performance, the county board must demonstrate ability to use funds in a cost-effective way to provide quality services;

(3) the county board and its contractors must use third-party fees, appropriate client fees, and other alternate funds wherever reasonably possible; and

(4) the county board has chosen services and vendors that are cost effective and appropriate to client needs.

Subd. 8. [PAYMENTS TO COUNTY BOARDS.] After the commissioner has approved an allocation from the mental health fund, payments must be on a quarterly basis. Each payment must include the estimated mental health fund share for the current quarter and an adjustment based on the actual mental health fund share for the preceding quarter. The commissioner shall make a payment only after receiving a completed expenditure report for the preceding quarter.

Subd. 9. [MAINTENANCE OF EFFORT.] If the county board's share of the net costs, as determined under subdivision 2, is less than the base level in subdivision 10, the state payment which would otherwise be made under subdivision 2 must be reduced by an amount equal to one-half of the reduction in county tax dollars.

Subd. 10. [COUNTY TAX DOLLARS BASE LEVEL.] The base level of county tax dollars for mental health services for each county includes the total expenditures shown in the county's approved 1987 Community Social Services Act plan under "State CSSA, Title XX and County Tax" for services to persons with mental illness:

(1) plus the total for Rule 5 facilities under target populations other than mental illness in the approved 1987 CSSA plan,

(2) minus the county share for regional treatment center services as identified in the approved 1987 CSSA plan for services to persons with mental illness,

(3) minus 20 percent of the county's state CSSA and title XX allocation for calendar year 1987,

(4) plus the county match for the general assistance, Minnesota supplemental aid, and general assistance medical care state funds, as identified in subdivision 4.

Subd. 11. [COUNTY OF FINANCIAL RESPONSIBILITY.] For purposes of section 16, the county of financial responsibility is the same as that for community social services under section 256E.08, subdivision 7. Disputes between counties regarding financial responsibility must be resolved by the commissioner in accordance with section 256D.18, subdivision 4.

Sec. 20. [245.481] [TRANSFER OF FUNDS.]

Subdivision 1. [BETWEEN APPROPRIATIONS.] To establish the mental health fund, the appropriations for fiscal year 1989 must include a transfer of funds into the mental health fund from the appropriations under sections 256D.03, 256D.06, 256D.37, and 256E.06; and Minnesota Statutes 1986, sections 245.73 and 256E.12. The amount transferred must be based on the statewide

total of the base level amounts identified from these appropriations for each county under section 19, subdivision 4. The commissioner may adjust the transfers in the appropriation bill for fiscal year 1989 if new data regarding the base level amounts demonstrates that a different proportion of the affected appropriation is being used for services to persons with mental illness. The amount transferred must include an adjustment to reflect relevant legislative changes in each appropriation from the base period to fiscal year 1989.

Subd. 2. [CSSA AND GAMC TRANSFER.] One-fourth of the annual amounts that would otherwise be transferred under subdivision 1 from the appropriations for community social services and general assistance medical care must be retained by those appropriations to pay for obligations from the preceding fiscal year. The remaining transfer to the mental health fund must be completed in fiscal year 1990.

Subd. 3. [BETWEEN FISCAL YEARS.] Funds appropriated to the commissioner for mental health services for fiscal year 1988 are available for expenditure in fiscal year 1989.

Subd. 4. [LATER APPROPRIATIONS.] Each appropriation for the mental health fund after fiscal year 1989 shall include an increase at least equal to the projected increase in overall national consumer prices as determined by the commissioner of finance.

Subd. 5. [TRANSFER OF INCREASED SHARE OF INPATIENT COSTS.] At the beginning of fiscal year 1990 and each later year, the commissioner shall:

(1) estimate the total receipts from counties for mental health inpatient services under sections 246.54 and 256B.19;

(2) subtract from the total receipts in clause (1) an estimate of what the receipts would have been under Minnesota Statutes 1986, sections 246.54 and 256B.19; and

(3) transfer state funds equal to the increased receipts calculated in clause (2) from the medical assistance account to the mental health fund appropriation. The transfer shall increase the amount otherwise available for allocation to counties under section 19, subdivision 6. Allocations from this transfer are not subject to the maintenance of effort requirements in section 19, subdivision 9.

Sec. 21. [245.482] [REPORTING AND EVALUATION.]

Subdivision 1. [FISCAL REPORTS.] The commissioner shall develop a unified format for quarterly fiscal reports that will include information that the commissioner determines necessary to carry out sections 1 to 25 and section 256E.08. The county board shall

submit a completed fiscal report in the required format no later than 15 days after the end of each quarter.

Subd. 2. [PROGRAM REPORTS.] The commissioner shall develop a unified format for a semiannual program report that will include information that the commissioner determines necessary to carry out sections 1 to 25 and section 256E.10. The county board shall submit a completed program report in the required format no later than 75 days after each six-month period.

Subd. 3. [PROVIDER REPORTS.] The commissioner may develop a format and procedures for direct reporting from providers to the commissioner to include information that the commissioner determines necessary to carry out sections 1 to 25. In particular, the provider reports must include aggregate information by county of residence about mental health services paid for by funding sources other than counties.

Subd. 4. [INACCURATE OR INCOMPLETE REPORTS.] The commissioner shall promptly notify a county or provider if a required report is clearly inaccurate or incomplete. The commissioner may delay all or part of a mental health fund payment if an appropriately completed report is not received as required by this section.

Subd. 5. [STATEWIDE EVALUATION.] The commissioner shall use the county and provider reports required by this section to complete the statewide report required in section 1.

Sec. 22. [245.483] [TERMINATION OR RETURN OF AN ALLOCATION.]

Subdivision 1. [FUNDS NOT NEEDED.] If the commissioner determines that funds are not needed to carry out an approved local proposal, or that a county board's projected expenditures will not be sufficient to qualify for its entire mental health fund allocation, and if the county board agrees the funds are not needed, the county board shall immediately return the unneeded funds. County board agreement is not needed when the county's final expenditure report for the year indicates that the county's actual expenditures were not sufficient to qualify for its entire mental health fund allocation.

Subd. 2. [FUNDS NOT PROPERLY USED.] If the commissioner determines that a county is not meeting the requirements of sections 1 to 25 or that funds are not being used according to the approved local proposal, all or part of the mental health fund allocation may be terminated upon 30 days notice to the county board. The commissioner may require repayment of any funds not used according to the approved local proposal. If the commissioner receives a written appeal from the county board within the 30-day period, opportunity for a hearing under the Minnesota administra-

tive procedure act, chapter 14, must be provided before the allocation is terminated or is required to be repaid. The 30-day period begins when the county board receives the commissioner's notice by certified mail.

Subd. 3. [USE OF RETURNED FUNDS.] The commissioner may reallocate the funds returned under subdivision 1 or 2 through the reserve fund under section 19, subdivision 7.

Subd. 4. [DELAYED PAYMENTS.] If the commissioner finds that a county board or its contractors are not in compliance with the approved local proposal or sections 1 to 25, the commissioner may delay all or part of the quarterly mental health fund payment until the county board and its contractors meet the requirements. The commissioner shall not delay a payment longer than three months without first issuing a notice under subdivision 2 that all or part of the allocation will be terminated or required to be repaid. After this notice is issued, the commissioner may continue to delay the payment until completion of the hearing in subdivision 2.

Subd. 5. [STATE ASSUMPTION OF RESPONSIBILITY.] If the commissioner determines that services required by sections 1 to 25 will not be provided by the county board in the manner or to the extent required by sections 1 to 25, the commissioner shall contract directly with providers to ensure that clients receive appropriate services. In this case, the commissioner shall use the county board's mental health fund allocation to the extent necessary to carry out the county's responsibilities under sections 1 to 25. In addition, the commissioner shall transfer from the county's community social service allocation under Minnesota Statutes 1986, section 256E.06, an amount equal to the county match which would otherwise have been required by sections 1 to 25. The commissioner shall work with the county board to allow for a return of authority and responsibility to the county board as soon as compliance with sections 1 to 25 can be assured.

Sec. 23. [245.484] [RULES.]

The commissioner shall adopt permanent rules as necessary to carry out this act.

Sec. 24. [245.485] [NO RIGHT OF ACTION.]

Sections 1 to 23 do not independently establish a right of action on behalf of recipients of services or service providers against a county board or the commissioner. A claim for monetary damages must be brought under section 3.736 or 3.751.

Sec. 25. [LIMITED APPROPRIATIONS.]

Nothing in sections 1 to 24 shall be construed to require the commissioner or county boards to fund services beyond the limits of legislative appropriations.

Sec. 26. Minnesota Statutes 1986, section 245.713, subdivision 2, is amended to read:

Subd. 2. [TOTAL FUNDS AVAILABLE; REDUCTIONS ALLOCATION.] The amount of funds available for allocation to counties for use by qualified community mental health centers shall be the total amount of Funds granted to the state by the federal government under United States Code, title 42, sections 300X to 300X-9 each federal fiscal year for mental health services reduced by the sum of the following shall be allocated as follows:

(a) Any amount set aside by the commissioner of human services for Indian ~~tribal~~ organizations within the state, which funds shall not duplicate any direct federal funding of Indian ~~tribal~~ organizations and which funds shall ~~not exceed 12~~ be at least 25 percent of the total ~~block grant~~ federal allocation to the state for mental health services; provided that sufficient applications for funding are received by the commissioner which meet the specifications contained in requests for proposals and, money from this source may be used for special committees to advise the commissioner on mental health programs and services for American Indians and other minorities or underserved groups; and, For purposes of this subdivision, "Indian organization" means an Indian tribe or band or an organization providing mental health services which is legally incorporated as a nonprofit organization registered with the secretary of state and governed by a board of directors having at least a majority of Indian directors.

(b) Any amount calculated into the base of the block grant that is made available by the commissioner for qualified community mental health centers that were receiving grants for operations or other continuing grant obligations defined in United States Code, title 42, sections 300X to 300X-9 immediately prior to its enactment.

(e) An amount not to exceed ten percent of the total allocation for mental health services to be retained by the commissioner for administration.

~~(d)~~ (c) Any amount permitted under federal law which the commissioner approves for demonstration or research projects for severely disturbed children and adolescents, the underserved, special populations or multiply disabled mentally ill persons. The groups to be served, the extent and nature of services to be provided, the amount and duration of any grant awards are to be based on criteria set forth in the Alcohol, Drug Abuse and Mental Health Block Grant Law, United States Code, title 42, sections 300X to 300X-9, and on state policies and procedures determined necessary by the commis-

sioner. Grant recipients must comply with applicable state and federal requirements and demonstrate fiscal and program management capabilities that will result in provision of quality, cost-effective services.

(e) (d) The amount required under federal law, for federally mandated expenditures.

(e) An amount not to exceed ten percent of the total allocation for mental health services to be retained by the commissioner for planning and evaluation.

Sec. 27. Minnesota Statutes 1986, section 256B.02, subdivision 8, is amended to read:

Subd. 8. [MEDICAL ASSISTANCE; MEDICAL CARE.] "Medical assistance" or "medical care" means payment of part or all of the cost of the following care and services for eligible individuals whose income and resources are insufficient to meet all of this cost:

(1) Inpatient hospital services. A second medical opinion is required prior to reimbursement for elective surgeries. The commissioner shall publish in the State Register a proposed list of elective surgeries that require a second medical opinion prior to reimbursement. The list is not subject to the requirements of sections 14.01 to 14.70. The commissioner's decision whether a second medical opinion is required, made in accordance with rules governing that decision, is not subject to administrative appeal;

(2) Skilled nursing home services and services of intermediate care facilities, including training and habilitation services, as defined in section 256B.50, subdivision 1, for persons with mental retardation or related conditions who are residing in intermediate care facilities for persons with mental retardation or related conditions. Medical assistance must not be used to pay the costs of nursing care provided to a patient in a swing bed as defined in section 144.562;

(3) Physicians' services;

(4) Outpatient hospital or nonprofit community health clinic services or physician-directed clinic services. The physician-directed clinic staff shall include at least two physicians, one of whom is on the premises whenever the clinic is open, and all services shall be provided under the direct supervision of the physician who is on the premises. Hospital outpatient departments are subject to the same limitations and reimbursements as other enrolled vendors for all services, except initial triage, emergency services, and services not provided or immediately available in clinics, physicians' offices, or by other enrolled providers. "Emergency services" means those medical services required for the immediate diagnosis and treat-

ment of medical conditions that, if not immediately diagnosed and treated, could lead to serious physical or mental disability or death or are necessary to alleviate severe pain. Neither the hospital, its employees, nor any physician or dentist, shall be liable in any action arising out of a determination not to render emergency services or care if reasonable care is exercised in determining the condition of the person, or in determining the appropriateness of the facilities, or the qualifications and availability of personnel to render these services consistent with this section;

(5) Community mental health center services, as defined in rules adopted by the commissioner pursuant to section 256B.04, subdivision 2, and provided by a community mental health center as defined in section 245.62, subdivision 2;

(6) Home health care services;

(7) Private duty nursing services;

(8) Physical therapy and related services;

(9) Dental services, excluding cast metal restorations;

(10) Laboratory and X-ray services;

(11) The following if prescribed by a licensed practitioner: drugs, eyeglasses, dentures, and prosthetic devices. The commissioner shall designate a formulary committee which shall advise the commissioner on the names of drugs for which payment shall be made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two-year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. Prior authorization may be required by the commissioner, with the consent of the drug formulary committee, before certain formulary drugs are eligible for payment. The formulary shall not include: drugs or products for which there is no federal funding; over-the-counter drugs, except for

antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; or any other over-the-counter drug identified by the commissioner, in consultation with the appropriate professional consultants under contract with or employed by the state agency, as necessary, appropriate and cost effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14, the administrative procedure act; nutritional products, except for those products needed for treatment of phenylketonuria, hyperlysinemia, maple syrup urine disease, a combined allergy to human milk, cow milk, and soy formula, or any other childhood or adult diseases, conditions, or disorders identified by the commissioner as requiring a similarly necessary nutritional product; anorectics; and drugs for which medical value has not been established. Separate payment shall not be made for nutritional products for residents of long-term care facilities; payment for dietary requirements is a component of the per diem rate paid to these facilities. Payment to drug vendors shall not be modified before the formulary is established except that the commissioner shall not permit payment for any drugs which may not by law be included in the formulary, and the commissioner's determination shall not be subject to chapter 14, the administrative procedure act. The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

The basis for determining the amount of payment shall be the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. Establishment of this fee shall not be subject to the requirements of the administrative procedure act. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

Notwithstanding the above provisions, implementation of any change in the fixed dispensing fee which has not been subject to the administrative procedure act shall be limited to not more than 180 days, unless, during that time, the commissioner shall have initiated rulemaking through the administrative procedure act;

(12) Diagnostic, screening, and preventive services;

(13) Health care prepayment plan premiums and insurance premiums if paid directly to a vendor and supplementary medical insurance benefits under Title XVIII of the Social Security Act;

(14) Abortion services, but only if one of the following conditions is met:

(a) The abortion is a medical necessity. "Medical necessity" means (1) the signed written statement of two physicians indicating the abortion is medically necessary to prevent the death of the mother, and (2) the patient has given her consent to the abortion in writing unless the patient is physically or legally incapable of providing informed consent to the procedure, in which case consent will be given as otherwise provided by law;

(b) The pregnancy is the result of criminal sexual conduct as defined in section 609.342, clauses (c), (d), (e)(i), and (f), and the incident is reported within 48 hours after the incident occurs to a valid law enforcement agency for investigation, unless the victim is physically unable to report the criminal sexual conduct, in which case the report shall be made within 48 hours after the victim becomes physically able to report the criminal sexual conduct; or

(c) The pregnancy is the result of incest, but only if the incident and relative are reported to a valid law enforcement agency for investigation prior to the abortion;

(15) Transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by nonambulatory persons in obtaining emergency or nonemergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this clause, a person who is incapable of transport by taxicab or bus shall be considered to be nonambulatory;

(16) To the extent authorized by rule of the state agency, costs of bus or taxicab transportation incurred by any ambulatory eligible person for obtaining nonemergency medical care;

(17) Personal care attendant services provided by an individual, not a relative, who is qualified to provide the services, where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a registered nurse. Payments to personal care attendants shall be adjusted annually to reflect changes in the cost of living or of providing services by the average annual adjustment granted to vendors such as nursing homes and home health agencies; and

(18) To the extent authorized by rule of the state agency, case management services to persons with serious and persistent mental illness; and

(19) Any other medical or remedial care licensed and recognized under state law unless otherwise prohibited by law, except licensed chemical dependency treatment programs or primary treatment or extended care treatment units in hospitals that are covered under Laws 1986, chapter 394, sections 8 to 20. The commissioner shall include chemical dependency services in the state medical assis-

tance plan for federal reporting purposes, but payment must be made under Laws 1986, chapter 394, sections 8 to 20.

Sec. 28. Minnesota Statutes 1986, section 256D.03, subdivision 4, is amended to read:

Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.] (a) Reimbursement under the general assistance medical care program shall be limited to the following categories of service: inpatient hospital care, outpatient hospital care, services provided by medicare certified rehabilitation agencies, prescription drugs, equipment necessary to administer insulin and diagnostic supplies and equipment for diabetics to monitor blood sugar level, eyeglasses and eye examinations provided by a physician or optometrist, hearing aids, prosthetic devices, laboratory and X-ray services, physician's services, medical transportation, chiropractic services as covered under the medical assistance program, podiatric services, and dental care. (b) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under section 256B.02, subdivision 8. The rates payable under this section must be calculated according to section 256.966, subdivision 2.

(c) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to

remain within the amount appropriated for general assistance medical care, within the following restrictions.

Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986 to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period January 1, 1987 to June 30, 1987, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than ten percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(d) Any county may, from its own resources, provide medical 5 payments for which state payments are not made.

(e) Chemical dependency services that are reimbursed under Laws 1986, chapter 394, sections 8 to 20, must not be reimbursed under general assistance medical care.

(f) Mental health services that are reimbursed under the mental health fund, sections 1 to 25, must not be reimbursed under general assistance medical care.

Sec. 29. Minnesota Statutes 1986, section 256D.06, subdivision 3, is amended to read:

Subd. 3. When a general assistance grant is used to pay a negotiated rate for a recipient living in a room and board arrangement or congregate living care, or when a recipient is living in a state hospital or, nursing home, or facility for adults with mental illness licensed under Minnesota Rules, parts 9520.0500 to 9520.0690, the recipient shall receive an allowance for clothing and personal needs and the allowance shall not be less than that authorized for a medical assistance recipient pursuant to section 256B.35.

Sec. 30. Minnesota Statutes 1986, section 256D.06, subdivision 6, is amended to read:

Subd. 6. General assistance funds may be paid to cover the cost of room and board needs of for persons who are eligible for general assistance and who are placed by the county in a licensed facility for the purpose of receiving physical, mental health, or rehabilitative care, except for adults with mental illness in a facility licensed under Minnesota Rules, parts 9520.0500 to 9520.0690.

Sec. 31. Minnesota Statutes 1986, section 256D.37, subdivision 1, is amended to read:

Subdivision 1. (a) For all individuals who apply to the appropriate local agency for supplemental aid, the local agency shall determine whether the individual meets the eligibility criteria prescribed in subdivision 2. For each individual who meets the relevant eligibility criteria prescribed in subdivision 2, the local agency shall certify to the commissioner the amount of supplemental aid to which the individual is entitled in accordance with all of the standards in effect December 31, 1973, for the appropriate categorical aid program.

(b) When a recipient is an adult with mental illness in a facility licensed under Minnesota Rules, parts 9520.0500 to 9520.0690, a resident of a state hospital or a dwelling with a negotiated rate, the recipient is not eligible for a shelter standard, a basic needs standard, or for special needs payments. The state standard of assistance for those recipients is the clothing and personal needs allowance for medical assistance recipients under section 256B.35. Minnesota supplemental aid may be paid to negotiated rate facilities at the rates in effect on March 1, 1985, for services provided under the supplemental aid program to residents of the facility, up to the maximum negotiated rate specified in this section. The rate for room and board for a licensed facility must not exceed \$800. The maximum negotiated rate does not apply to a facility that, on August 1, 1984, was licensed by the commissioner of health only as a boarding care home, certified by the commissioner of health as an intermediate care facility, and Minnesota supplemental aid may not

be used to pay a negotiated rate for adults with mental illness in a facility licensed by the commissioner of human services under Minnesota Rules, parts 9520.0500 to 9520.0690. The following facilities are exempt from the limit on negotiated rates and must be reimbursed for documented actual costs, until June 30, 1987:

(1) a facility that only provides services to persons with mental retardation; and

(2) a facility not certified to participate in the medical assistance program that is licensed as a boarding care facility as of March 1, 1985, and only provides care to persons aged 65 or older. The negotiated rates may be paid for persons who are placed by the local agency or who elect to reside in a room and board facility or a licensed facility for the purpose of receiving physical, mental health, or rehabilitative care, provided the local agency agrees that this care is needed by the person. When Minnesota supplemental aid is used to pay a negotiated rate, the rate payable to the facility must not exceed the rate paid by an individual not receiving Minnesota supplemental aid. To receive payment for a negotiated rate, the dwelling must comply with applicable laws and rules establishing standards necessary for health, safety, and licensure. The negotiated rate must be adjusted by the annual percentage change in the urban consumer price index (CPI-U) for Minneapolis-St. Paul as published by the Bureau of Labor Statistics between the previous two Octobers, new series index (1967-100). In computing the amount of supplemental aid under this section, the local agency shall deduct from the gross amount of the individual's determined needs all income, subject to the criteria for income disregards in effect December 31, 1973, for the appropriate categorical aid program, except that the earned income disregard for disabled persons who are not residents of long-term care facilities shall must be the same as the earned income disregard available to disabled persons in the supplemental security income program, and all actual work expenses shall must be deducted when determining the amount of income for the individual. From ~~and~~ after the first of the month in which an effective application is filed, the state and the county shall share responsibility for the payment of the supplemental aid to which the individual is entitled under this section as provided in section 256D.36.

Sec. 32. Minnesota Statutes 1986, section 256E.03, subdivision 2, is amended to read:

H. F. No. 772, A bill for an act relating to retirement; establishing a voluntary retirement plan for certain qualified employees of public and private ambulance services; proposing coding for new law as Minnesota Statutes, chapter 353A.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [353A.01] [LEGISLATIVE FINDINGS.]

The legislature finds that retirement plans for ambulance service personnel are presently inadequate and that a workable type of defined contribution plan for ambulance service personnel involving voluntary participation by ambulance service personnel and ambulance service would prove beneficial in attracting and retaining competent personnel and would probably result in net savings to ambulance services through reduced training expenses. The legislature also finds that portability and maximum state and federal tax exemptions are essential features of any plan.

Sec. 2. [353A.02] [AMBULANCE SERVICE PERSONNEL RETIREMENT PLAN.]

Subdivision 1. [ESTABLISHMENT.] There is established an ambulance service personnel retirement plan, to be administered by the public employees retirement association under supervision of the association board of directors. To assist the board in governing the operations of the plan, an advisory committee of not more than seven members who are representative of private and governmental ambulance service operators, and ambulance service personnel may be established.

Subd. 2. [PERSONNEL ELIGIBLE FOR COVERAGE.] Coverage under the retirement plan shall be open to the basic and advanced

life support emergency medical service personnel of any public or privately operated ambulance service that elects to participate. Emergency medical service personnel who are currently covered by a public or private pension plan because of their emergency medical services employment or their provision of emergency medical services and first response personnel are not eligible to participate in the plan.

Sec. 3. [353A.03] [ELECTION OF COVERAGE.]

Each public or private ambulance service with eligible personnel has the option of electing participation for the ambulance service in the plan. Coverage for an ambulance service, once elected, shall not thereafter be discontinued. Eligible ambulance service personnel have an option to participate or decline participation if the service elects coverage. An individual election to participate must be made within 30 days of the ambulance service's choosing coverage or within 30 days of first employment by or first joining the ambulance service, whichever is later. An individual election is irrevocable thereafter during the person's continuation of employment or membership in the ambulance service.

Sec. 4. [353A.04] [FUNDING OF PLAN.]

Funding of benefits under the plan shall be provided by a public or private ambulance service that elects to participate, except that qualified personnel who are paid salaries for their services may elect to make a member contribution in an amount not to exceed the ambulance service contribution. Ambulance service contributions on behalf of salaried employees shall be a fixed percentage of salary. In the case of ambulance services utilizing volunteer or largely uncompensated personnel, the ambulance service may assign a unit value for each call or each period of alert duty for the purpose of computing ambulance service contributions.

Sec. 5. [353A.05] [CONTRIBUTIONS TO PLAN.]

Ambulance service contributions to the plan may be made from any source of funds available to the ambulance service. Contributions shall be remitted monthly to the association together with any made contributions paid or withheld during the preceding month. Contributions shall be credited to the individual account of each participating ambulance service member.

Sec. 6. [353A.06] [INVESTMENT OF FUNDS.]

Subdivision 1. [INVESTMENT.] Ambulance service contributions after the deduction of an amount for administrative expenses and member contributions shall be remitted to the state board of investment for investment in the Minnesota supplemental investment fund established by section 11A.17.

Subd. 2. [INVESTMENT OPTIONS.] A participant may elect to purchase shares in one or a combination of the income share account, the growth share account, the money market account, the bond market account, or the common stock index account established in section 11A.17. The participant may elect to participate in one or more of the investment accounts in the fund by specifying the percentage of contributions to be used to purchase shares in each of the accounts.

Twice in any calendar year, a participant may indicate in writing a choice of options for subsequent purchases of shares. Thereafter, until a different written indication is made by the participant, the executive director of the association shall purchase shares in the supplemental investment fund as selected by the participant. If no initial option is chosen, 100 percent income shares shall be purchased for a participant.

A change in choice of investment option shall be effective no later than the first pay date first occurring after 30 days following the receipt of the request for a change.

Twice in any calendar year, a participant or former participant may also change the investment options selected for all or a portion of the participant's shares previously purchased. However, if a partial transfer is made, a minimum of \$500 must be transferred and a minimum balance of \$500 must remain in the previously selected investment option. A change is restricted to a transfer from one or more accounts to a single account. Changes in investment options for the participant's shares shall be effected as soon as cash flow to an account practically permits, but not later than six months after the requested change.

Subd. 3. [ADMINISTRATIVE EXPENSES.] An amount for administrative expenses, not to exceed two percent of the dollar amount of an ambulance service contribution, as established annually by the executive director of the public employees retirement association, shall be deducted from each ambulance service contribution made in order to defray the expenses of the public employees retirement association in administering the plan.

Sec. 7. [353A.07] [REPORTING BY AMBULANCE SERVICES.]

The executive director of the public employees retirement association shall prescribe the form of monthly and any other reports required from an ambulance service and the election forms required from ambulance service members. Ambulance service forms shall contain names, identification numbers, amount of contribution by and on behalf of each member, and such other data as is required to keep an accurate account of the account value of each participating ambulance service member.

## Sec. 8. [353A.08] [BENEFITS.]

Subdivision 1. [TYPE OF PLAN; UNIFORMITY.] The plan is a defined contribution plan where the benefits payable upon retirement, death, or withdrawal when permitted, are determined by the value of accumulated contributions plus a proportionate share of investment income of the fund credited to each individual account. Each ambulance service shall determine eligibility for participation subject to terms of this act. Eligibility standards shall be uniform among all ambulance service personnel of an ambulance service electing to participate.

Subd. 2. [AGE; VESTING.] Normal retirement age is 50 years. Early retirement is not allowed. Sixty months of service credit are required for the vesting of retirement benefits. No minimum period of service is required for vesting of death benefits. Withdrawal of or a retirement benefit based on employee contributions plus accrued investment income, if any, shall vest immediately. Upon completion of 60 months of service under the plan with one or more ambulance services, a participant terminating active service prior to age 50 shall be entitled to receive the value of the ambulance service member's individual account upon or after attaining age 50. An application by or on behalf of the ambulance service member shall be filed prior to the payment of any benefit.

Subd. 3. [FORM OF BENEFIT.] A retirement benefit shall be payable in a lump sum equal to the value of a participant's account at the date of retirement and may be rolled over into another qualified plan at the option of the member. As an alternative to a lump sum distribution, the member may choose to have the association use the total account value to purchase an annuity payable at a designated age from an insurance company licensed to do business in the state.

Subd. 4. [DISABILITY OR DEATH.] No disability coverage shall be provided by the plan. In the event of the death of an active participant with any credited service or a deferred participant under age 50, the total value of the account shall be paid in a lump sum to the designated beneficiary or, if none, the heirs at law of the decedent.

Subd. 5. [FORFEITURES.] The account value of any participant terminating service prior to acquiring a vested interest or of a participant who dies leaving no designated beneficiary or heirs at law shall be returned to the public employees retirement association and credited against future ambulance service contributions by the applicable ambulance service or services after the expiration of two years from the date of termination or death.

## Sec. 9. [353A.09] [PORTABILITY.]

Qualified ambulance service personnel who change employment or membership among participating ambulance services may continue participation in the plan without penalty or forfeiture after their interest vests. Qualified ambulance service personnel who change employment or membership to nonparticipating ambulance service shall not be subject to the forfeiture provided for in subdivision 5.

Sec. 10. [353A.10] [TAX QUALIFICATION.]

The public employees retirement association shall adopt rules required for administration of the plan. The proposed plan shall be formulated and adopted in accordance with applicable restrictions and standards of the Internal Revenue Code and rulings and regulations of the Internal Revenue Service in order to assure the tax exempt status of the plan as a qualified pension plan. Contributions by ambulance service personnel and by private ambulance service operators shall only be accepted after approval by the Internal Revenue Service.

Sec. 11. [353A.11] [NOT CONSIDERED A LOCAL PLAN.]

The plan shall not be considered a local governmental pension plan or fund for purposes of section 356.25."

“Section 1. Minnesota Statutes 1986, section 40.41, is amended to read:

40.41 [PURPOSE AND POLICY.]

It is the purposes of sections 40.41 to 40.45 to keep certain marginal agricultural land out of crop production or pasture to protect soil and water quality and support fish and wildlife habitat. It is state policy to encourage the retirement of marginal, highly erodible land, particularly land adjacent to public waters and drainage systems, from crop production and to reestablish a cover of perennial vegetation.

Sec. 2. Minnesota Statutes 1986, section 40.42, subdivision 5, is amended to read:

Subd. 5. [LANDOWNER.] “Landowner” means a Minnesota resident who owns or is a buyer under a contract for deed, of land that qualifies as a family farm, a family farm corporation or an authorized farm corporation under section 500.24, subdivision 2 individuals, family farm, family farm corporations as defined under section 500.24, subdivision 2, paragraph (c), and authorized farm corporations as defined under section 500.24, subdivision 2, paragraph (d), which either own eligible land or are purchasing eligible land under a contract for deed.

Sec. 3. Minnesota Statutes 1986, section 40.42, is amended by adding a subdivision to read:

Subd. 7. [WETLAND.] “Wetland” means land that has a predominance of hydric soils and that is inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, or that periodically does support, a predominance of hydrophytic vegetation typically adapted for life in saturated soil conditions.

Sec. 4. Minnesota Statutes 1986, section 40.42, is amended by adding a subdivision to read:

Subd. 8. [WINDBREAK.] “Windbreak” means a strip or belt of trees, shrubs, or grass barriers at least six rows deep and within 300 feet of the right-of-way of a highway.

Sec. 5. Minnesota Statutes 1986, section 40.43, subdivision 2, is amended to read:

Subd. 2. [ELIGIBLE LAND.] Land may be placed in the conservation reserve program if the land:

(1) is marginal agricultural land, or is adjacent to marginal agricultural land and is either beneficial to resource protection or necessary for efficient recording of the land description, or consists of a drained wetland, or is a windbreak. Cropland adjacent to the restored wetland may also be enrolled to the extent of up to four acres of cropland for each acre of wetland restored;

(2) was owned by the applicant landowner on January 1, 1985, or for an application made on or after January 1, 1988, was owned by the applicant landowner, or a parent or other blood relative of the landowner, for at least three years before the date of application;

(3) is at least five acres in size, or is a whole field as defined by the United States Agricultural Stabilization and Conservation Services;

(4) is not set aside, enrolled or diverted under another federal or state government program; and

(5) was in agricultural crop production or pasture for at least two years during the period 1981 to 1985.

The eligible enrolled land of a landowner may not exceed 20 percent of the landowner's total agricultural land acreage in the state, if the landowner owns at least 200 acres of agricultural land as defined by section 500.24, subdivision 2. If a landowner owns less than 200 acres of agricultural land the amount that may be enrolled in the conservation reserve is:

(a) all agricultural land owned, if 20 acres or less; or

(b) if the total agricultural land owned is more than 20 acres but less than 200 acres, 20 acres plus ten percent of the balance of the agricultural land.

In selecting land for enrollment in the program, highest priority must be given to permanent easements that are consistent with the purposes stated in section 40.41.

Sec. 6. Minnesota Statutes 1986, section 40.43, subdivision 5, is amended to read:

Subd. 5. [AGREEMENTS BY LANDOWNER.] The commissioner may enroll eligible land in the conservation reserve program by

signing an agreement in recordable form with a landowner in which the landowner agrees:

(2) to seed the land subject to the conservation easement, as specified in the agreement, to establish and maintain perennial cover of either a grass-legume mixture or native grasses for the term of the easement, at seeding rates determined by the commissioner; or to plant trees or carry out other long-term capital improvements approved by the commissioner for soil and water conservation or wildlife management;

(3) to restore any drained wetland and to convey to the state a permanent easement for the wetland;

Sec. 7. Minnesota Statutes 1986, section 40.43, subdivision 6, is amended to read:

Subd. 6. [PAYMENTS FOR CONSERVATION EASEMENTS AND ESTABLISHMENT OF COVER.] The commissioner must make the following payments to the landowner for the conservation easement and agreement:

(1) to establish the perennial cover or other improvements required by the agreement, up to 75 percent of the total eligible cost not to exceed \$75 per acre for limited duration easements, and 100 percent of the total eligible cost not to exceed \$100 per acre for perpetual easements;

(2) for the cost of planting trees required by the agreement, up to \$75 75 percent of the total eligible cost not to exceed \$200 per acre for limited duration easements, and 100 percent of the total eligible cost not to exceed \$300 per acre for perpetual easements;

(3) for a permanent easement, 70 percent of the township average equalized estimated market value of agricultural property as established by the commissioner of revenue at the time ~~the~~ of easement is ~~conveyed~~ application; and

(4) for an easement of limited duration, 90 percent of the present value of the average of the ~~acceptable~~ accepted bids for the federal conservation reserve program, as contained in Public Law Number 99-198, in the relevant geographic area and on bids ~~made immediately prior to when~~ accepted at the time of easement is ~~conveyed~~. ~~If federal bid figures have not been determined for the area, or the federal program has been discontinued, the rate paid shall~~ application; or

(5) an alternative payment system for easements based on cash rent or a similar system as may be determined by the commissioner.

The commissioner may not pay more than \$50,000 to a landowner for all the landowner's conservation easements and agreements.

Sec. 8. Minnesota Statutes 1986, section 40.43, subdivision 7, is amended to read:

Subd. 7. [EASEMENT RENEWAL.] When a conservation easement of limited duration expires, a new conservation easement and agreement for an additional period of not less than ten years may be acquired by agreement of the commissioner and the landowner, under the terms of this section. The commissioner may adjust payment rates as a result of renewing an agreement and conservation easement only after examining the condition of the established cover, conservation practices, and land values.

Subd. 2. [TECHNICAL ASSISTANCE.] The commissioners of agriculture and natural resources must provide necessary technical assistance to landowners enrolled in the conservation reserve program. Sec. 10. Minnesota Statutes 1986, section 40.44, subdivision 3, is amended to read:

Subd. 3. [SUPPLEMENTAL CONSERVATION PAYMENTS.] The commissioner may supplement ~~cost-share~~ payments made under ~~other federal land retirement programs; up to \$75 an acre;~~ to the extent of available appropriations other than bond proceeds. Sec. 11. Minnesota Statutes 1986, section 40.45, is amended to read:

#### 40.45 [RULEMAKING.]

The commissioner shall adopt rules ~~and is authorized to adopt to implement this program. The emergency rules in order to implement sections 40.41 to 40.45 adopted August 27, 1986, shall remain valid until permanent rules are established but not longer than December 31, 1987.~~ The rules must include standards for tree planting so that planting does not conflict with existing electrical lines, telephone lines, rights-of-way, or drainage ditches.

Sec. 12. Minnesota Statutes 1986, section 84.943, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT.] The Minnesota critical habitat private sector matching account is established as a separate account in the state treasury ~~reinvest in Minnesota resources fund established under section 84.95. The account shall be administered by the commissioner of natural~~ resources as provided in this section.

Sec. 13. Minnesota Statutes 1986, section 84.944, subdivision 1, is amended to read:

Subdivision 1. [ACQUISITION CONSIDERATIONS.] In determining what critical natural habitat shall be acquired or improved, the commissioner shall consider:

(1) the significance of the land or water as existing or potential habitat for fish and wildlife and providing fish and wildlife oriented recreation;

(2) the significance of the land, water, or habitat improvement to maintain or enhance native plant, fish, or wildlife species designated as endangered or threatened under section 97.488;

(3) the presence of native ecological communities that are now uncommon or diminishing; and

(4) the significance of the land, water or habitat improvement to protect or enhance natural features within or contiguous to natural areas including fish spawning areas, wildlife management areas, scientific and natural areas, riparian habitat and fish and wildlife management projects.

Based on the above clauses, the commissioner by order promulgated under section 97A.051, subdivision 3, must establish a process to prioritize what critical habitat shall be acquired or improved.

Sec. 14. Minnesota Statutes 1986, section 84.95, is amended by adding a subdivision to read:

Subd. 3. [WORK PLAN.] By February 1 of each year the commissioner of natural resources, in consultation with the commissioner of agriculture, must present a written work plan for expenditure of money from the reinvest in Minnesota resources fund for the next fiscal year to the senate and house committees on agriculture and environment and natural resources for their review and comment. Any recommendations to the commissioners by the committees must be returned to the commissioners by March 15. By April 30 of each year the commissioner must make the work plan, with any revisions, available to the public for comment. In so doing, the commissioner must hold at least three public meetings to inform the public of the work plan; one meeting to be held in the Twin Cities metropolitan area, the others at non-Twin Cities locations, one each in northern and southern Minnesota. By January 15 of each year, the commissioner must prepare a written progress report on projects undertaken and money encumbered during the fiscal year just ended, and must transmit the report to the above committees and make the report available to the public.

Sec. 15. [84.959] [FINDINGS.]

The legislature finds that native prairie is found primarily on marginal lands poorly suited to grain production and provides important wildlife, scientific, erosion control, educational, and recreational values.

Sec. 16. [84.96] [NATIVE PRAIRIE BANK.]

Subdivision 1. [ESTABLISHMENT.] The commissioner shall establish a native prairie bank, determine where native prairie land is located in the state, and prescribe eligibility requirements for inclusion of land in the native prairie bank.

Subd. 2. [DEFINITION.] For the purposes of this section, "native prairie" means land that has never been plowed, with less than ten percent tree cover and with predominantly native prairie vegetation.

Subd. 3. [EASEMENT ACQUISITION.] (a) The commissioner may acquire native prairie for conservation purposes by entering into easements with landowners. The easements must be conservation easements as defined in section 84C.01, clause (1), except the easements may be made possessory as well as nonpossessory if agreed upon by the landowner and the commissioner.

(b) The easements may be permanent or of limited duration. Highest priority must be given to permanent easements consistent with the purposes of this section. Easements of limited duration must be for at least 20 years, with provision for renewal for at least another 20-year period. For easements of limited duration, the commissioner may reexamine and adjust the payment rates at the beginning of any renewal period after considering current land and crop values.

Subd. 4. [EASEMENT AGREEMENT.] (a) In the easement between the commissioner and an owner, the owner must agree:

(1) to place in the program for the period of the easement eligible native prairie areas designated by the owner, including prairie covered by a federal or state easement that allows agricultural use and desirable land adjacent to the prairie as determined by the commissioner;

(2) not to alter the native prairie by plowing, heavy grazing, seeding to nonnative grasses or legumes, spraying with large amounts of herbicides, or otherwise destroying the native prairie character of the easement area, except mowing the native prairie tract for wild hay may qualify for easement as determined by the commissioner;

(3) to implement the native prairie conservation and development plan as provided in the easement agreement, unless a requirement in the easement agreement is waived or modified by the commissioner;

(4) to forfeit all rights to further payments under the terms of the easement and to refund to the state all payments received under the easement if the easement is violated at any time when the owner has control of the land subject to the easement, if the commissioner determines that the violation warrants termination of the easement, or if the commissioner determines that the violation does not warrant termination of the easement, the commissioner may determine refunds or payment adjustments to be paid by the commissioner;

(5) not to adopt a practice specified by the commissioner in the easement as a practice that would tend to defeat the purposes of the easement; and

(6) to additional provisions included in the easement that the commissioner determines are desirable.

(b) In return for the easement of the owner, the commissioner shall make payments as provided in subdivision 5 and may provide advice on conservation and development practices on the native prairie in the easement and adjacent areas.

Subd. 5. [PAYMENTS.] (a) The commissioner must make payments to the landowner under this subdivision for the easement.

(b) For a permanent easement, the commissioner must pay 50 percent of the average equalized estimated market value of cropland in the township as established by the commissioner of revenue for the time period when the application is made.

(c) For an easement of limited duration, the landowner shall receive:

(1) a lump sum payment equal to the present value of the annual payments for the term of the easement; or

(2) an annual payment equal to 50 percent of the mean adjusted cash rental for cropland in the county as established by the commissioner of revenue for the time period when the application is made.

(d) To maintain and protect native prairies, the commissioner may enter into easements that allow selected agricultural practices. Payment must be based on paragraph (b) or (c) but may be reduced due to the agricultural practices allowed after negotiation with the landowner.

Subd. 6. [RENEWAL.] An easement agreement may be renewed at the end of the agreement period for an additional period of 20 years by mutual agreement of the commissioner and the owner, subject to any rate redetermination by the commissioner.

Subd. 7. [EASEMENT RUNS WITH LAND.] If during the agreement period the owner sells or otherwise disposes of the ownership or right of occupancy of the land, the new owner must continue the agreement under the same terms or conditions.

Subd. 8. [MODIFICATION AND TERMINATION BY AGREEMENT.] The commissioner may terminate an easement agreement by mutual agreement with the owner if the commissioner determines that the termination would be in the public interest. The

commissioner may agree to modifications of agreements if the commissioner determines the modification is desirable to implement the native prairie program.

Subd. 9. [RULES.] The commissioner of natural resources may adopt rules that include the procedures and payment rates to implement this section.

Sec. 17. Minnesota Statutes 1986, section 105.391, subdivision 3, is amended to read:

Subd. 3. Except as provided below, no public waters or wetlands shall be drained, and no permit authorizing drainage of public waters or wetlands shall be issued, unless the public waters or wetlands being drained are replaced by public waters or wetlands which that will have equal or greater public value. However, after a state waterbank program has been established, Wetlands which are eligible for inclusion in that program, the drainage of which is lawful, feasible, and practical and would provide high quality cropland and that is the projected land use, as determined by the commissioner, may be drained without a permit and without replacement of wetlands of equal or greater public value if the commissioner does not elect, within 60 days of the receipt of an application for a permit to drain the wetlands, to either (1) place the wetlands in the state waterbank program under section 105.392, or (2) acquire it in fee pursuant to section 97A.145, or (3) indemnify the landowner through any other appropriate means, including but not limited to conservation restrictions, easements, leases, or any applicable federal program. The applicant, if not offered a choice of the above alternatives, is entitled to drain the wetlands involved.

In addition, the owner or owners of lands underlying wetlands situated on privately owned lands may apply to the commissioner for a permit to drain the wetlands at any time after the expiration of ten years following the original designation thereof. Upon receipt of an application, the commissioner shall review the current status and conditions of the wetlands. If the commissioner finds that the current status or conditions are such that it appears likely that the economic or other benefits to the owner or owners which would result from drainage would exceed the public benefits of maintaining the wetlands, the commissioner shall grant the application and issue a drainage permit. If the application is denied, no additional application shall be made until the expiration of an additional ten years.

Sec. 18. Minnesota Statutes 1986, section 105.392, subdivision 1, is amended to read:

Subdivision 1. The legislature finds that it is in the public interest to preserve the wetlands of the state and thereby to conserve surface waters, to maintain and improve water quality, preserve wildlife

habitat, to reduce runoff, to provide for floodwater retention, to reduce stream sedimentation, to contribute to improved subsurface moisture, to enhance the natural beauty of the landscape, and to promote comprehensive and total water management planning. Therefore, the commissioner of natural resources is authorized to promulgate rules, which shall include the procedures and payment rates designed to effectuate the terms of this section. "Section 1. Minnesota Statutes 1986, section 256D.01, subdivision 1a, is amended to read:

Subd. 1a. [STANDARDS.] (1) A principal objective in providing general assistance is to provide for persons ineligible for federal programs who are unable to provide for themselves. ~~To achieve these aims, the commissioner shall establish minimum standards of assistance for general assistance.~~ The minimum standard of assistance determines the total amount of the general assistance grant without separate standards for shelter, utilities, or other needs.

~~For a recipient who is a member of a one-person assistance unit, the standard shall not be less than the combined total of the minimum standards of assistance for shelter and basic needs in effect on February 1, 1983. The standards of assistance shall not be lower for a recipient sharing a residence with another person unless that person is a responsible relative. The standards of assistance for recipients who are members of an assistance unit composed of more than one person must be equal to the aid to families with dependent children standard of assistance for a family of similar size and composition.~~

The standards shall be lowered for recipients who share a residence with a person who is a responsible relative of one or more members of the assistance unit if the responsible relative also receives general assistance or aid to families with dependent children. The standards must also be lowered for recipients who share a residence with a responsible relative if the relative is not receiving general assistance or aid to families with dependent children because the relative has been sanctioned or disqualified. If the responsible relative is receiving general assistance or aid to families with dependent children, or would be receiving them but for sanction or disqualification, then the standard applicable to the general assistance recipient's assistance unit must equal the amount that would be attributable to the members of the assistance unit if the members were included as additional recipients in the responsible relative's general assistance or aid to families with dependent children grant. When determining the amount attributable to members of an assistance unit that must receive a reduced standard, the amount attributed to adults must be the amount attributed to another child added to the responsible relative's assistance unit. When an assistance unit is subject to a reduced standard, the reduced standard must not exceed the standard that applies to an assistance unit that does not share a residence with a responsible relative.

For recipients, except recipients who are eligible under section 256D.05, subdivision 1, paragraph (a), clauses (1), (7), (8), (9), and (14), who share a residence with a responsible relative who is not receiving general assistance or aid to families with dependent children but who receives other income, the standards shall be lowered, subject to these limitations:

(a) The general assistance grant to the one-person assistance unit shall be in an amount such that total household income is equal to the aid to families with dependent children standard for a household of like size and composition, except that the grant shall not exceed that paid to a general assistance recipient living independently.

(b) Benefits received by a responsible relative under the supplemental security income program, the social security retirement program if the relative was receiving benefits under the social security disability program at the time of becoming eligible for the social security retirement program or if the relative is a person described in section 256D.05, subdivision 1, paragraph (a), clause (1), (7), or (9), the social security disability program, a workers' compensation program, the Minnesota supplemental aid program, or on the basis of the relative's disability, must not be included in the household income calculation.

(2) For an assistance unit consisting of an adult recipient who is childless and unmarried or living apart from his or her children and spouse, and who does not live with his or her parent or parents or a legal custodian, the standard of assistance shall be \$203. When the

other standards specified in this subdivision increase, this standard shall also be increased by the same percentage.

(3) For an assistance unit consisting of an adult who is childless and unmarried or living apart from his or her children and spouse, but who lives with his or her parent or parents, the general assistance standard of assistance shall be equal to the amount that the aid to families with dependent children standard of assistance would increase if the recipient were added as an additional minor child to an assistance unit consisting of the recipient's parent and all of that parent's family members, provided that the standard shall not exceed the standard for a general assistance recipient living alone. Benefits received by a responsible relative of the assistance unit under the supplemental security income program, a workers' compensation program, the Minnesota supplemental aid program, or any other program based on the responsible relative's disability, and any benefits received by a responsible relative of the assistance unit under the social security retirement program, shall not be counted in the determination of eligibility or benefit level for the assistance unit. An adult child shall be ineligible for general assistance if the available resources or the countable income of the adult child and the parent or parents with whom he or she lives are such that a family consisting of the adult child's parent or parents, the parent or parents' other family members and the adult child as the only or additional minor child would be financially ineligible for general assistance.

(4) For an assistance unit consisting of a married couple who are childless or who live apart from any child or children of whom either of the married couple is a parent or legal custodian, the standards of assistance shall be equal to the first and second adult standards of the aid to families with dependent children program. If one member of the couple is not included in the general assistance grant, then the standard of assistance for the other shall be equal to the second adult standard of the aid to families with dependent children program, except that, when one member of the couple is not included in the general assistance grant because he or she is not categorically eligible for general assistance under section 256D.05, subdivision 1, and has exhausted work readiness eligibility under section 256D.051, subdivision 4 or 5, for the period of time covered by the general assistance grant, then the standard of assistance for the remaining member of the couple shall be equal to the first adult standard of the aid to families with dependent children program.

(5) For an assistance unit consisting of all members of a family, the standards of assistance shall be the same as the standards of assistance applicable to a family under the aid to families with dependent children program if that family had the same number of parents and children as the assistance unit under general assistance and if all members of that family were eligible for the aid to families with dependent children program. If one or more members of the

family are not included in the assistance unit for general assistance, the standards of assistance for the remaining members shall be equal to the standards of assistance applicable to an assistance unit composed of the entire family, less the standards of assistance applicable to a family of the same number of parents and children as those members of the family who are not in the assistance unit for general assistance. Notwithstanding the foregoing, if an assistance unit consists solely of the minor children because their parent or parents have been sanctioned from receiving benefits from the aid to families with dependent children program, the standard for the assistance unit shall be equal to the special child standard of the aid to families with dependent children program. A child shall not be excluded from the assistance unit unless income intended for its benefit is received from a federally aided categorical assistance program; supplemental security income; retirement, survivors, and disability income; other assistance programs; or child support and maintenance payments. The income of a child who is excluded from the assistance unit shall not be counted in the determination of eligibility or benefit level for the assistance unit.

est and royalties; and support and maintenance payments. Such payments may not be considered as available to meet the needs of any person other than the person for whose benefit they are received, unless that person is under a legal duty to support another family member or a spouse and the income is not excluded under section 256D.01, subdivision 1a. Goods and services provided in lieu of cash payment shall be excluded from the definition of income, except that payments made for room, board, tuition or fees by a parent, on behalf of a child enrolled as a full-time student in a post-secondary institution, must be included as income.

H. F. No. 1127, A bill for an act relating to utilities; providing for the establishment of flexible gas utility rates for certain customers subject to effective competition; amending Minnesota Statutes 1986, section 216B.02, by adding subdivisions; proposing coding for new law in Minnesota Statutes, chapter 216B.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [216B.163] [FLEXIBLE TARIFFS.]

Subdivision 1. [DEFINITIONS.] (a) For the purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) "Effective competition" means the ability of customers of a gas utility who either receive interruptible service or whose daily gas requirements exceed 50,000 cubic feet to get the same, equivalent, or substitutable energy supplies or service at comparable prices from energy suppliers that are not regulated by the commission.

(c) "Flexible tariff" means a rate schedule under which a gas utility may set or change the price for its service to an individual customer or group of customers without prior approval of the commission within a range of prices determined by the commission to be just and reasonable.

Subd. 2. [FLEXIBLE TARIFFS PERMITTED.] Notwithstanding any other provision of this chapter, the commission is authorized to approve a flexible tariff for any class of customers of a gas utility when provision of service, including the sale or transportation of gas, to any customers within the class is subject to effective competition. Upon application of a gas utility, the commission shall find that effective competition exists for a class of customers taking interruptible service at a level exceeding 199,000 cubic feet per day. Customers within a class subject to effective competition may elect to take service either under the flexible tariff or under the appropriate nonflexible tariff for that class of service set in accordance with section 2I6B.03, provided that a customer that uses an alternative energy supply or service for reasons of price shall be deemed to have elected to take service under the flexible tariff.

Subd. 3. [ESTABLISHING OR CHANGING A FLEXIBLE TARIFF.] The commission may establish a flexible tariff through a miscellaneous rate filing only if the filing does not seek to recover any expected foregone revenues from any customers who do not take service under the flexible tariff, nor to change any other rates. If a gas utility requests authority to establish a flexible tariff and as part of that request seeks to recover any expected foregone revenues from any customers who do not take service under the flexible tariff or to change any other rates the commission may only establish that flexible tariff within a general rate case for that gas utility. The commission may only change the rates in a flexible tariff within a gas utility's general rate case.

Subd. 4. [RATES AND TERMS OF SERVICE.] Whenever the commission authorizes a flexible tariff, it shall set the terms, and conditions of service for that tariff, which shall include:

(1) that the minimum rate for the tariff recover at least the incremental cost of providing the service;

(2) that there is no upward maximum for the rate;

(3) that a customer who elects to take service under the flexible tariff remain on that tariff for a reasonable period of time, which shall not be less than one year; and

(4) that any customer changing from a flexible tariff to the appropriate nonflexible tariff for that class pay all costs incurred by the utility due to that change.

Subd. 5. [RECOVERY OF FOREGONE REVENUES.] In a general rate case which establishes a flexible tariff for a gas utility, and in each general rate case of a gas utility for which a flexible tariff has been authorized, the commission shall determine a projected level of revenues and expenses from services under that tariff based on a single target rate for all sales under that tariff, which projection shall be used to determine the utility's overall rates. That target rate used to establish a level of projected revenues shall not limit the gas utility's ability or right to set rates for any customer taking service under the flexible tariff.

Subd. 6. [INTERIM FLEXIBLE TARIFF.] Notwithstanding section 216B.16, subdivision 3, if a gas utility files with the commission to establish or change a flexible tariff the commission shall permit the proposed flexible tariff to take effect on an interim basis no later than 30 days after filing. If any customers receive an increase in rates during the period that an interim flexible tariff is in effect, the increase is subject to refund as provided in section 216B.16, subdivision 3. The gas utility shall provide ten days written notice, or other notice as may be established by contract not to exceed 30 days, to a customer before implementing an interim rate increase for that customer under this section.

Subd. 7. [FINAL DETERMINATION.] The commission shall make a final determination in a proceeding begun under this section for approval of a flexible tariff, other than a filing made within a general rate case, within 180 days of the filing by the gas utility.

## Sec. 2. [STUDY.]

The department of public service shall review the operation and effects of all gas utility flexible tariffs approved under section 1, and shall report to the legislature by February 1, 1990.

## Sec. 3. [COST RECOVERY.]

The department of public service shall recover from the gas utilities utilizing the flexible rate tariff not more than a total of \$10,000 for the use of the study required in section 2. Each utility shall be assessed an equal share of the cost of the study.

Rule 1.02. The President of the Convention shall preserve order and decorum. He may speak on all points of order in preference to other members and shall decide questions of order, subject to an appeal to the Convention by any member. He shall rise to put a question but may state it while seated.

##### PRESIDENT'S RIGHT TO VOTE

Rule 1.03. The President shall have the right to vote in all cases except appeals from his decisions. He shall vote last on all questions.

## STATING QUESTIONS

After an affirmative vote is expressed the nays shall be called as follows: "As many as are of the contrary opinion, say 'No.'" If the President is in doubt or a division is called, those in the affirmative shall rise first and those in the negative afterward.

## ORDER OF DEBATE

Rule 1.05. When any member wishes to speak to the Convention on any matter, he shall rise and respectfully address the President, and not speak further until recognized. He shall confine himself to the question under debate and avoid personal remarks. When two or more members rise at the same time, the President shall designate the member to speak first. No member shall speak more than twice on the same question without permission of the Convention.

## CALLING MEMBER TO ORDER

Rule 1.06. If any member of the Joint Convention is called to order for offensive words in debate, the member calling him to order shall report the words to which exception is taken and the Secretary shall record them. No member may be called to order for any language used in debate if exception is not taken before any other member has spoken or any other business has taken place. A member called to order shall immediately sit down unless another member moves to permit him to explain. In any case, the Joint Convention, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall he be at liberty to proceed.

## CALL OF THE CONVENTION

Rule 1.07. Five members may demand a call of the Convention at any time except after voting has commenced. When such a call is demanded, the doors shall be closed, the roll shall be called, the absent members shall be sent for, and no member may be permitted to leave the Chamber, unless excused by the President, until the call is lifted. Proceedings under the roll call may be suspended by a majority vote of all the members of the Convention. A call of the Convention may be lifted by a majority vote of all the members of the Convention.

## ELECTIONS

Rule 1.08. In all elections by the Joint Convention, members shall vote viva voce and the roll of Senate members shall be called first.

Whenever there is an election of any officer in Joint Convention, the result shall be certified by the President of the Senate and the Speaker of the House and announced by them to their respective houses. The result shall be entered on the Journal of each house and communicated to the Governor by the Secretary of the Convention.

#### ARTICLE II: BILLS

##### FORM

Rule 2.01. The title of each bill shall clearly state its subject and briefly state its purpose. When a bill amends or repeals an existing act, the title shall refer to the chapter, section or subdivision.

Reference shall be made to Minnesota Statutes for the provisions appearing therein unless reference to previous session laws is required for some special reason.

Bills shall refer to Minnesota Statutes as follows:

"Minnesota Statutes ....., section ....."

Bills shall refer to the session laws as follows:

"Laws ....., chapter ....., section ....."

A bill for the amendment of a statute shall contain the full text of the section or subdivision to be amended as it appears in the latest edition of Minnesota Statutes unless it has been amended, in which event it shall contain the full text as amended.

The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of a new section or subdivision shall also be underscored when a bill amends an

existing chapter or section by adding a new section or subdivision. In the omnibus appropriation bills required by Joint Rule 2.02, sections making an appropriation or transfer and not amending a statute or session law need not have new material underscored. Before a committee favorably reports upon a bill, the chairman of the committee shall see that the bill conforms to this rule. When a bill is printed in the Journal, the new matter shall be in italics or underscored and the matter to be eliminated shall be capitalized and in parentheses or stricken by drawing a line through it. A bill drafted by the Revisor of Statutes for the purposes of correcting errors in Minnesota Statutes need not comply with the provisions of this paragraph if the bill is labeled "REVISOR'S BILL" immediately below the title, and if there is attached thereto a memorandum of information explaining the reasons for the bill.

If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for examination. Any such headnotes shall be capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, section 648.36.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of law shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers or parentheses.

#### APPROPRIATING MONEY

Rule 2.02. The same bill shall not appropriate public money or property to more than one local or private purpose.

No clause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions. All resolutions authorizing the issuing of abstracts by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of "yeas" and "nays."

In odd-numbered years, at least twenty calendar days prior to the last day the Legislature can meet in regular session [Tuesday, April 28, 1987], the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective houses, unless directed by concurrent resolution to report

different appropriation bills, eight separate appropriation bills as follows:

(a) A bill appropriating money for the general administrative and judicial expenses of the State government for the succeeding two fiscal years including salaries, office expenses and supplies and other necessary expenses connected therewith;

(b) A bill covering all appropriations relating to public welfare, health and corrections for the support and maintenance of all State penal and charitable institutions, and other institutions of the State except educational for the two succeeding fiscal years;

(c) A bill appropriating money for the support and maintenance of all State educational institutions for the two succeeding fiscal years;

(d) A bill covering all appropriations providing for the payment of claims against the State of Minnesota which may have been allowed by the Finance Committee of the Senate or the Appropriations Committee of the House;

(e) A bill covering all appropriations made for semi-state activities;

(f) A bill covering all appropriations for construction and major rehabilitation of public buildings to be financed by issuance of bonds;

(g) A bill covering all appropriations for maintenance, repair, and minor rehabilitation and construction of public buildings; and

(h) A bill covering appropriations for the department of transportation.

No other appropriations shall be contained in any of said bills but all other appropriations shall be contained in separate bills.

#### DEADLINES

Rule 2.03. (a) In odd-numbered years, committee reports on bills favorably acted upon by a committee in the house of origin after April 10, 1987, and committee reports on bills originating in the other house favorably acted upon by a committee after April 28, 1987, shall be referred in the Senate to the Committee on Rules and Administration, and in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. Referral is not required when a committee after the earlier date and by the later date set by this paragraph acts on a bill that is a companion to a bill that has met the earlier deadline in the other

house. This rule does not apply to the Senate Committees on Finance and on Taxes and Tax Laws, and the House Committees on Appropriations and on Taxes.

Conference committees on the major appropriation bills specified in Joint Rule 2.02 shall have their reports on the members' desks by the last Thursday on which the Legislature can meet in regular session [May 14, 1987]. After the last Friday on which the Legislature can meet in regular session [May 15, 1987], neither house shall act on bills other than those contained in:

(1) Reports of conference committees;

(2) Messages from the other house;

(3) Reports of the Committee on Rules and Administration in the Senate or the Committee on Rules and Legislative Administration in the House; or

(4) Messages from the Governor.

(b) In even-numbered years the Legislature shall establish by concurrent resolution deadlines based on the date intended to be the date of adjournment sine die.

#### AMENDING BILLS ORIGINATING IN OTHER HOUSE

Rule 2.04. Either house shall have the power to amend any bill, memorial, or resolution passed by the other house.

#### RECEDING FROM POSITION

Rule 2.05. Prior to a Conference Committee on any matter, either house may recede from its position on any difference existing between the two houses. In order to recede, and if the matter is not in the possession of a house, that house shall request return of the matter from the other house. To recede, a majority of a house shall govern, except in cases otherwise provided in the Constitution. If the question is put and lost, it shall not be put again on the same day. A reconsideration of the question shall in all respects be regulated by the rules of that house.

#### CONFERENCE COMMITTEES

Rule 2.06. In all cases of disagreement between the Senate and House on amendments adopted by either house to a bill, memorial or resolution passed by the other house, a conference committee consisting of not less than three members nor more than five

members from each house may be requested by either house. The other house shall appoint a similar committee.

The manner of procedure shall be as follows: The house of origin passes a bill and transmits it to the other body. If the other body adopts an amendment to the bill and passes it as amended, it shall return the bill with a record of its actions to the house of origin. If the house of origin refuses to concur in the amendment, it shall ask for a conference committee, appoint such a committee on its part, and transmit the bill with a record of its action to the other house. If the other house adheres to its amendment, it shall appoint a like committee and return the bill to the house of origin.

At an agreed upon hour the conference committee shall meet. The members from each house shall state to the members from the other house, orally or in writing, the reason for their respective positions. The members shall confer thereon and shall report to their respective houses the agreement they have reached, or, if none, the fact of a disagreement.

If an agreement is reported, the house of origin shall act first upon the report. A conference committee report must be limited to provisions that are germane to the bill and amendment that were referred to the conference committee. A provision is not germane if it relates to a substantially different subject or is intended to accomplish a substantially different purpose from that of the bill and amendment that were referred to the conference committee. If the report is adopted and repassed as amended by the conference committee by the house of origin, the report, the bill and a record of its action shall be transmitted to the other house.

All conference committees shall be open to the public. Meetings of conference committees shall be announced as far in advance as practical.

Except after the last Thursday on which the Legislature can meet in regular session in odd-numbered years [May 14, 1987], and after the last Thursday on which the Legislature intended, when it adopted the concurrent resolution required by Rule 2.03, paragraph (b), to meet in regular session in even-numbered years, a written copy of a report of a conference committee shall be placed on the desk of each member of a house twelve hours before action on the report by that house. If the report has been reprinted in the Journal of either house for a preceding day and is available to the members, the Journal copy shall serve as the written report. The member presenting the conference committee report to the body shall disclose, either in writing or orally, the substantial changes from the bill or the amendment as they were last before the body.

#### ENROLLMENT AND SIGNATURE

Rule 2.07. After a bill or memorial has been passed by both houses, it shall be carefully and properly enrolled by the Revisor of

Statutes under the direction of the Secretary of the Senate for a matter originating in the Senate or the Chief Clerk of the House for a matter originating in the House. The Revisor of Statutes shall obtain the signatures and certificates of the proper officers to the enrolled copy of the bill or memorial and present it to the Governor for his approval.

A bill or memorial may be prepared for presentation to the Governor on good quality paper approximately 8 ½" × 14" in size and may be produced by means of a copying machine. An enrolled bill shall be labeled "An Act" and it shall be identical to the bill passed by the Legislature. An enrolled bill which is amendatory of any existing law or constitutional provision shall indicate deletions and additions in the manner provided in Rule 2.01 for printed bills.

### ARTICLE III: GENERAL PROVISIONS

A brief summary of the recommendations of the commission or committee shall appear first and be clearly separated from its findings, discussions, and exhibits. If the report contains legislative recommendations, a copy of any proposed legislation, particularly if extensive in character, shall if possible be attached as an exhibit at the end of the report.

(10) "New motor vehicle" means a motor vehicle other than described in clause (9).

Sec. 2. Minnesota Statutes 1986, section 168.27, subdivision 2, is amended to read:

Subd. 2. [NEW MOTOR VEHICLE DEALER.] (a) No person shall engage in the business of selling or arranging the sale of new motor vehicles or shall offer to sell, solicit, arrange or advertise the sale of new motor vehicles without first acquiring a new motor vehicle dealer license. No person shall be permitted to acquire a new motor vehicle dealer license unless that person operates, or participates in, a consumer arbitration program as required by section 168.79. A van converter or modifier who owns these modified or converted van-type vehicles may sell them at wholesale to new motor vehicle dealers having a bona fide contract or franchise with the first-stage manufacturer of the vehicles.

Sec. 9. [168.79] [USED MOTOR VEHICLE CONSUMER ARBITRATION PROGRAM.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(a) "Consumer" means the purchaser, other than for purposes of resale, of a used motor vehicle used primarily for personal, family, or household purposes.

(b) "Motor vehicle" means (1) a passenger automobile as defined in section 168.011, subdivision 7, including pickup trucks and vans; and (2) recreational equipment as defined in section 168.011, subdivision 25, which is sold to a consumer in this state.

(c) "Motor vehicle dealer" means licensed motor vehicle dealer as defined in section 168.27, subdivisions 1, 2, 3, and 4, or the dealer's agent, engaged in the sale of used motor vehicles in this state.

(d) "Consumer arbitration program" means an arbitration procedure which meets the requirements of this section, by which the motor vehicle dealer attempts to resolve disputes with consumers regarding used motor vehicle defects or repair problems.

Subd. 2. [ARBITRATION REQUIREMENT.] (a) As a condition of receiving a license to do business in this state pursuant to section 168.27, a motor vehicle dealer as defined in this section shall operate, or participate in, a consumer arbitration program which complies with the provisions of the Code of Federal Regulations, title 16, part 703, the provisions of section 325F.665, subdivision 6, relating to an informal dispute settlement procedure, and the requirements of this section.

(b) A consumer may be charged a fee to participate in a consumer arbitration program required by this section, but the fee shall not exceed the conciliation court filing fee in the county where the arbitration is conducted.

(c) The decision issued in a consumer arbitration program required by this section shall be in writing and signed. The decision is nonbinding on the parties involved, unless otherwise agreed by the parties. Any party, upon application, may remove the decision to district court for a trial de novo. If an application to remove a decision is not filed in the district court within 30 days after the date the decision is mailed to the parties, then the court shall, upon application of a party, issue an order confirming the decision. A written decision issued by a consumer arbitration program, and any written findings upon which the decision is based, are admissible as nonbinding evidence in any subsequent legal action and are not subject to further foundation requirements.

(d) If the district court finds that a party has removed a decision of a consumer arbitration program in bad faith, by asserting a claim or defense that is frivolous and which is costly to the other party, or by asserting an unfounded position solely to delay recovery by the other party, then the court shall award to the prevailing party three times the total damages sustained, together with costs and disbursements, including reasonable attorney's fees.

Subd. 3. [STATUTORY IMPLIED WARRANTIES.] (a) Every used motor vehicle sold to a consumer in this state by a motor vehicle dealer shall, for 60 days or 3,000 miles, whichever comes first, following the date of the sale, be subject to implied warranties of merchantability and fitness for a particular purpose, as set forth in sections 325G.18, 336.2-314, and 336.2-315, for the limited purpose of permitting disputes concerning alleged motor vehicle defects or repair problems, which substantially impair the use or market value of the motor vehicle, to be arbitrated through a consumer arbitration program required by this section.

(b) The 60-day or 3,000 mile implied warranties created by this section shall apply notwithstanding any disclaimer to the contrary and notwithstanding the provisions of sections 325G.18, subdivision 2, and 336.2-316, and shall be in addition to any applicable express warranty given by the motor vehicle dealer.

(c) Any claims or arguments made on the basis of the 60-day or 3,000 mile implied warranties created by this section, or on the basis of any applicable express warranty given by the motor vehicle dealer, may be presented to and determined by a consumer arbitration program required by this section. The consumer arbitration program shall consider evidence concerning the reasonable expectations of the parties at the time the vehicle was sold, including evidence as to the age, mileage, and price of the vehicle, and any verbal representations or written disclosures regarding the vehicle's condition made by the dealer at the time of the sale.

(d) Any motor vehicle defects or repair problems which were not reported to the dealer or the dealer's authorized agent within 60

days or 3,000 miles, whichever comes first, after the sale are governed by the terms and conditions of the original contract between the parties, including any applicable express warranties given by the motor vehicle dealer and any applicable implied warranties which were not disclaimed as provided by law.

(e) Nothing in this section may be construed to alter or diminish the obligations of a manufacturer under an express warranty issued by the manufacturer. If a defect or repair problem is covered by a manufacturer's express warranty and reported to the dealer, the dealer shall refer the consumer to the appropriate manufacturer or manufacturer's informal dispute settlement procedure as defined in section 325F.665.

(f) The implied warranties created by this section do not cover defects or repair problems which result from collision, abuse, negligence, lack of adequate maintenance, or normal wear and tear.

**Subd. 4. [EXCLUSIONS FROM ARBITRATION.]** A consumer arbitration program required by this section may exclude from arbitration any dispute concerning:

(1) a motor vehicle defect or repair problem not reported to the motor vehicle dealer, or its authorized agent, within the 60-day or 3,000 mile implied warranty period provided by this section or within the term of any applicable express warranty given by the dealer; or

(2) a motor vehicle defect or repair problem which is described in specific detail in a clear and conspicuous written disclosure statement signed by the consumer at the time the vehicle is sold; or

(3) a motor vehicle if the total stated sale price of the vehicle is less than \$1,500, or if at the time of sale the motor vehicle dealer clearly informed the consumer in writing that the vehicle's mileage was in excess of 100,000 miles; or

(4) a business selling a used vehicle to an employee of that business, a lessor selling a used vehicle to an employee of the lessor, a lessor selling a leased vehicle to that vehicle's lessee or to a buyer procured directly by the vehicle's lessee, or to an employee of the lessee.

**Subd. 5. [DISCLOSURE REQUIREMENT.]** In addition to any investigative powers authorized by law, the attorney general may inspect the records of the consumer arbitration program upon reasonable notice, during regular business hours, and may make available to the public information about the operation and results of the program, but data on an individual shall not be disclosed to the public without the prior consent of the individual.

Subd. 6. [NOTICE TO CONSUMERS.] At the time of purchase, the motor vehicle dealer must provide directly to the purchaser of a motor vehicle not excluded from arbitration under subdivision 4, clause (2), a written statement on a separate piece of paper, in 10-point all capital type, in substantially the following form:

"IMPORTANT. IF THIS VEHICLE IS DEFECTIVE AND YOU REPORT THE DEFECT TO THE DEALER WITHIN 60 DAYS OF YOUR PURCHASE OR 3,000 MILES, WHICHEVER COMES FIRST, OR WITHIN THE TERM OF ANY EXPRESS WARRANTY GIVEN TO YOU BY THE DEALER, YOU ARE ENTITLED TO MAKE A CLAIM IN A CONSUMER ARBITRATION PROGRAM WHICH THE DEALER MUST PROVIDE TO YOU. EVEN IF YOU BUY YOUR CAR "AS IS," YOU ARE ENTITLED TO ARBITRATION IF YOU REPORT THE DEFECT TO THE DEALER WITHIN 60 DAYS OR WITHIN 3,000 MILES, WHICHEVER COMES FIRST, FOLLOWING THE SALE, AND IF THE DEFECT SUBSTANTIALLY IMPAIRS THE USE OR MARKET VALUE OF THE VEHICLE.

TO FIND OUT ABOUT THE DEALER'S ARBITRATION PROGRAM, YOU SHOULD CONTACT THE DEALER OR THE MINNESOTA ATTORNEY GENERAL'S OFFICE."

Subd. 7. [CIVIL REMEDY.] A motor vehicle dealer who violates this section is subject to the penalties and remedies provided in sections 8.31 and 168.27.

Subd. 8. [WAIVER.] Waiver of any requirements of this section, except as specifically provided for in this section, is prohibited and void.

Subd. 9. [REMEDY-NONEXCLUSIVE.] Nothing in this section limits the rights or remedies which are otherwise available to a consumer under any other law.

Sec. 10. [168A.088] [APPLICATIONS.]

No application for certificate of title and no application for registration may be issued for a vehicle that was not manufactured in compliance with applicable federal emission standards in force at the time of manufacture as provided by the Clean Air Act, United States Code, title 42, sections 7401 through 7642, and regulations adopted pursuant to the act, and safety standards as provided by the National Traffic and Motor Safety Act, United States Code, title 15, sections 1381 through 1431, and regulations adopted pursuant to the act unless the applicant furnishes:

vehicle and that the statement meets the safety requirements as provided by Code of Federal Regulations, title 19, section 12.80(e);

(2) a bond release letter, with all attachments, issued by the United States Environmental Protection Agency stating that the vehicle has been tested and known to be in conformity with federal emission requirements; and

(3) a receipt or certificate issued by the United States Department of the Treasury showing that any gas-guzzler taxes due on the vehicle as provided by Public Law Number 95-618, title 2, section 201(a), have been fully paid; or

(4) proof satisfactory to the agent that the vehicle was not brought into the United States from outside the country.

The application for certificate of title and the application for registration must be accompanied by:

(1) a manufacturer's certificate of origin in the English language issued by the actual vehicle manufacturer;

(2) the original documents constituting valid proof of ownership in the country in which the vehicle was originally purchased, together with a translation of the documents into the English language verified as to accuracy of the translation by affidavit of the translator; or

Sec. 11. Minnesota Statutes 1986, section 169.57, is amended by adding a subdivision to read:

Subd. 4. On vehicles required by federal motor vehicle safety standards to be equipped with a single center high mounted stop lamp, and on any other vehicle equipped with a similar type stop lamp, it is unlawful for any person to alter the stop lamp by the addition of an overlay or other device, or by the installation of a replacement lens, which in any way alters or obscures any portion of the lamp or affects the intensity of light emitted.

Sec. 12. Minnesota Statutes 1986, section 325E.0951, is amended by adding a subdivision to read:

Subd. 3a. [DISCLOSURE.] No person may transfer a motor vehicle without certifying in writing to the transferee that the transferor has not removed, altered, or otherwise rendered inoperative the pollution control system and restricted gasoline pipe. The registrar of motor vehicles must prescribe the manner and form in which this written disclosure must be made. No transferor may knowingly give a false statement to a transferee in making a disclosure required by this subdivision.

Sec. 13. Minnesota Statutes 1986, section 325G.18, is amended to read:

325G.18 [IMPLIED WARRANTIES.]

Subdivision 1. Unless disclaimed in the manner prescribed in subdivision 2, and except as otherwise provided in section 168.79, every consumer sale in this state shall be accompanied by an implied warranty that the goods are merchantable, and, in a consumer sale where the seller has reason to know that the goods are required for a particular purpose and that the buyer is relying on the seller's skill or judgment to select or furnish suitable goods, an implied warranty of fitness. A seller may, however, limit damages or remedies for breach of implied warranties as provided in chapter 336.

Subd. 2. Except as otherwise provided in section 168.79, no consumer sale on an "as is" or "with all faults" basis shall be effective to disclaim the implied warranty of merchantability, or, where applicable, the implied warranty of fitness, unless a conspicuous writing clearly informs the buyer, prior to the sale, in simple and concise language each of the following:

(1) The goods are being sold on an "as is" or "with all faults" basis; and

(2) The entire risk as to the quality and performance of the goods is with the buyer.

In event of a consumer sale by means of a mail order catalog, the catalog may contain the required writing in lieu of the requirement of notification prior to the sale.

Sec. 14. Minnesota Statutes 1986, section 336.2-316, is amended to read:

336.2-316 [EXCLUSION OR MODIFICATION OF WARRANTIES.]

(1) Words or conduct relevant to the creation of an express warranty and words or conduct tending to negate or limit warranty shall be construed wherever reasonable as consistent with each

other; but subject to the provisions of this article on parol or extrinsic evidence (section 336.2-202) negation or limitation is inoperative to the extent that such construction is unreasonable.

(2) Subject to subsection (3), and section 168.79, to exclude or modify the implied warranty of merchantability or any part of it the language must mention merchantability and in case of a writing must be conspicuous, and to exclude or modify any implied warranty of fitness the exclusion must be by a writing and conspicuous. Language to exclude all implied warranties of fitness is sufficient if it states, for example, that "There are no warranties which extend beyond the description on the face hereof."

(3) Notwithstanding subsection (2)

(a) unless the circumstances indicate otherwise, and except as otherwise provided in section 168.79, all implied warranties are excluded by expressions like "as is," "with all faults" or other language which in common understanding calls the buyer's attention to the exclusion of warranties and makes plain that there is no implied warranty; and

(b) when the buyer before entering into the contract has examined the goods or the sample or model as fully as desired or has refused to examine the goods there is no implied warranty with regard to defects which an examination ought in the circumstances to have revealed; and

(c) an implied warranty can also be excluded or modified by course of dealing or course of performance or usage of trade.

(4) Remedies for breach of warranty can be limited in accordance with the provisions of this article on liquidation or limitation of damages and on contractual modification of remedy (sections 336.2-718 and 336.2-719).

To establish a second benefit year following the expiration of an immediately preceding benefit year, an individual must have sufficient wage credits to establish a claim under the provisions of subdivision 2 and must have performed services after the establishment of the expired benefit year. The services performed must have been in insured work and the wage credits from the services must equal not less than ten times the weekly benefit amount of the second benefit year.

(2) No employer who provided 90 percent or more of the wage credits in a claimant's base period shall be charged for benefits based upon earnings of the claimant during a subsequent base period unless the employer has employed the claimant in any part of the subsequent base period.

(5) No employer shall be charged for benefits if the employer is a base period employer on a second claim solely because of the transition from a base period consisting of the 52-week period preceding the claim date to a base period as defined in section 268.04, subdivision 2.

Sec. 14. Minnesota Statutes 1986, section 268.071, subdivision 1, is amended to read:

(b) Ends with either of the following weeks, whichever occurs later: The third week after the first week for which there is a state "off" indicator; or the 13th consecutive week of the period;

Provided, that no extended benefit period may begin before the 14th week following the end of a prior extended benefit period which was in effect with respect to this state.

(2) [STATE "ON" INDICATOR.] There is a "state 'on' indicator" for this state for a week if the commissioner determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under this law

(a) equaled or exceeded 120 percent of the average of such rates for the corresponding 13-week period ending in each of the preceding two calendar years, and

(b) equaled or exceeded five percent.

The determination of whether there has been a state "on" indicator beginning any extended benefit period may be made as provided in clauses (a) and (b) above or a "state 'on' indicator" shall exist if the rate described in clause (b) equaled or exceeded six percent irrespective of whether the percentage requirement provided by clause (a) is met or exceeded.

(3) [STATE "OFF" INDICATOR.] There is a "state 'off' indicator" for this state for a week if, for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment is less than six percent and the requirements for a "state 'on' indicator" under clause (2) of this subdivision are not satisfied.

(4) [RATE OF INSURED UNEMPLOYMENT.] "Rate of insured unemployment," for purposes of clauses (2) and (3), means the percentage derived by dividing the average weekly number of individuals filing claims for regular benefits in this state for weeks of unemployment with respect to the most recent 13 consecutive week period, as determined by the commissioner on the basis of the commissioner's reports to the United States secretary of labor, by the average monthly employment covered under this law for the first four of the most recent six completed calendar quarters ending before the end of such 13 week period.

(5) [REGULAR BENEFITS.] "Regular benefits" means benefits payable to an individual under this law or under any other state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to United States Code, title 5, chapter 85) other than extended benefits and additional benefits.

(6) [EXTENDED BENEFITS.] "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to United States Code, title 5, chapter 85) payable to an individual under the provisions of this section for weeks of unemployment in the individual's eligibility period.

Provided, that, for the purposes of this paragraph, an individual shall be deemed to have received all of the regular benefits that were available to the individual although as a result of a pending appeal with respect to wage credits ~~or credit weeks~~ that were not considered in the original monetary determination in the individual's benefit year, the individual may subsequently be determined to be entitled to added regular benefits; or

(b) The individual's benefit year having expired prior to such week, has no, or insufficient, wages and/or employment on the basis of which the individual could establish a new benefit year that would include such week or having established a benefit year that includes such week, the individual is precluded from receiving regular compensation by reason of: (i) a state law provision which meets the requirements of section 3304 (a) (7) of the Internal Revenue Code of 1954, or (ii) a disqualification determination which canceled wage credits or totally reduced benefit rights, or (iii) benefits are not payable by reason of a seasonal limitation in a state unemployment insurance law; and

Such printed statements shall be supplied by the commissioner to each employer without cost to the employer.

(1) (b) Any employer upon separation of an employee from employment for any reason which may result in disqualification for benefits under section 268.09, shall furnish to such employee a separation notice which shall provide the employer's name, address, and employer account number as registered with the department, the employee's name and social security account number, the inclusive dates of employment, and the reason for the separation. A copy of such separation notice shall be filed with the commissioner within seven days of such separation. The commissioner shall require each individual filing a claim for benefits to establish a benefit year to furnish the reason for separation from all employers in the individual's base period.

(2) Upon the filing, by an individual, of a claim for benefits, the commissioner shall give notice to all such base period employers of the filing of such claim and request each such base period employer, within seven days after the mailing of such notice, to furnish the following information:

(a) The total wage credits earned in the base period;

(b) The number of credit weeks which end within the base period;

(c) The week ending dates for each calendar week within the base period in which the individual earned less than the amount required to make a credit week and the amount of earnings in each such week;

(d) The reason for the separation or separations of such individual from the employ of the employer in the base period; and

(e) Such employer's protest, if any, relating to the ineligibility or disqualification of such individual.

(3) If any base period employer, after the notice of filing of a claim and the request for wage and separation information has been duly mailed to the employer's last known address, fails to file information as provided by items (a) through (e) of clause 2 of this subdivision within seven days, the commissioner shall:

(a) Determine the validity of an individual's claim based on the claimant's statements or any other available information. An employer shall be liable for a late filing fee of not less than \$5 nor more than \$25, as the commissioner may determine, to be paid to the department of jobs and training and credited to the contingent fund if the employer has failed without good cause to submit the wage and separation information as required in clause 2 of this subdivision within seven days after the request has been duly mailed to the employer's last known address.

(c) For the purpose of complying with section 268.04, subdivision 2, the commissioner may require all base period employers to provide such information as the commissioner may prescribe, including, but not limited to, wages paid during any part of the base period, whether or not such information was previously provided.

(d) Upon establishment of a benefit year, the commissioner shall give notice to the last employer for whom the individual worked and all base period employers. The employer so notified shall have seven days after the mailing of the notice to file a protest to monetary entitlement or a protest raising an issue of ineligibility or disqualification.

(e) If, upon review of the wage information on file with the department, it is found that an employer failed to provide wage information for the claimant, the commissioner shall accept a claimant certification as to the wage credits earned, based upon the claimant's records, and issue a monetary determination of validity certification. This determination may be modified based upon corrected information subsequently received from the employer or other sources. The employer who failed to report the individual's wages or filed an erroneous report may be penalized in accordance with section 268.16 or 268.18. In the absence of fraud, if a redetermination of validity of claim based on an employer's late corrected or erroneous report subsequently cancels or reduces the amount of benefits to which a claimant was entitled under the initial determination, the claimant shall not be required to make repayment to the fund of any benefits paid prior to such redetermination; and

(b) (f) The commissioner shall determine any issue of disqualification raised by clause (1) under paragraph (d) or by an employer's late report. If an employer fails to file a separation notice within the time limits prescribed in clause (1) paragraph (b), any relief from benefit charges provided by section 268.09, subdivision 1, clause (4), shall apply to weeks of unemployment beginning after the filing of the late report or protest.

Sec. 17. Minnesota Statutes 1986, section 268.10, subdivision 2, is amended to read:

Subd. 2. [EXAMINATION OF CLAIMS; DETERMINATION; APPEAL.] (1) An official, designated by the commissioner, shall promptly examine each claim for benefits filed to establish a benefit year pursuant to this section, and, on the basis of the facts found, shall determine whether or not such claims are valid, and if valid, the weekly benefit amount payable, the maximum benefit amount payable during the benefit year, and the date the benefit year terminates, and this determination shall be known as the determination of validity. Notice of the determination of validity or any redetermination as provided for in clause (4) shall be promptly given the claimant and all other interested parties. If within the time limits for filing a protest an employer notifies the department that an individual's weekly benefit amount as determined under section 268.07 exceeds the individual's weekly wages earned with the employer, the individual's weekly benefit amount shall be the lesser of (1) the weekly benefit amount as determined under section 268.07, or (2) the weekly benefit amount which is 50 percent of the quotient derived by dividing the total wage credits earned in the individual's base period credit weeks from all employers in insured work by the number of base period credit weeks. If within the time specified for the filing of wage and separation information a protest as provided in subdivision 1, clause (2), the employer makes an allegation of disqualification or raises an issue of the chargeability to the employer's account of benefits that may be paid on such claim, if the claim is valid, the issue thereby raised shall be promptly determined by said official and a notification of the determination delivered or mailed to the claimant and the employer. If an initial determination or an appeal tribunal decision or the commissioner's decision awards benefits, the benefits shall be paid promptly regardless of the pendency of any appeal period or any appeal or other proceeding which may thereafter be taken. Except as provided in clause (6), if an appeal tribunal decision modifies or reverses an initial determination awarding benefits, or if a commissioner's decision modifies or reverses an appeal decision awarding benefits, any benefits paid under the award of such initial determination or appeal tribunal decision shall be deemed erroneous payments.

(2) At any time within 24 months from the date of the filing of a valid claim for benefits by an individual, an official of the department or any interested party or parties raises an issue of claimant's eligibility for benefits for any week or weeks in accordance with the requirements of the provisions of sections 268.03 to 268.24 or any official of the department or any interested party or parties or benefit year employer raises an issue of disqualification in accordance with the rules of the commissioner, a determination shall be made thereon and a written notice thereof shall be given to the claimant and such other interested party or parties or benefit year employer. A determination issued under this clause which denies benefits for weeks for which the claimant has previously been paid benefits is an overpayment of those benefits subject to section 268.18.

(3) A determination issued pursuant to clauses (1) and (2) shall be final unless an appeal therefrom is filed by a claimant or employer within 15 days after the mailing of the notice of the determination to the last known address or personal delivery of the notice. Every notice of determination shall contain a prominent statement indicating in clear language the method of appealing the determination, the time within which such an appeal must be made, and the consequences of not appealing the determination. A timely appeal from a determination of validity in which the issue is whether an employing unit is an employer within the meaning of this chapter or whether services performed for an employer constitute employment within the meaning of this chapter shall be subject to the provisions of section 268.12, subdivision 13.

(4) At any time within 24 months from the date of the filing of a valid claim for benefits by an individual, the commissioner on the commissioner's own motion may reconsider a determination of validity made thereon and make a redetermination thereof on finding that an error in computation or identity or the crediting of wage credits has occurred in connection therewith or if the determination was made as a result of a nondisclosure or misrepresentation of a material fact. A determination or redetermination issued under this clause which denies benefits for weeks for which the claimant has previously been paid benefits is an overpayment of those benefits subject to section 268.18.

(5) However, the commissioner may refer any disputed claims directly to a referee for hearing and determination in accordance with the procedure outlined in subdivision 3 and the effect and status of such determination in such a case shall be the same as though the matter had been determined upon an appeal to the tribunal from an initial determination.

(6) If a referee's decision affirms an initial determination awarding benefits or the commissioner affirms an appeal tribunal decision awarding benefits, the decision, if finally reversed, shall not result in a disqualification and benefits paid shall neither be deemed overpaid nor shall they be considered in determining any individual employer's future contribution rate under section 268.06.

Sec. 18. Minnesota Statutes 1986, section 268.12, subdivision 8, is amended to read:

Subd. 8. [RECORDS; REPORTS.] (1) Each employing unit shall keep true and accurate work records for such periods of time and containing such information as the commissioner may prescribe. Such records shall be open to inspection, audit, and verification, and be subject to being copied by any authorized representative of the commissioner at any reasonable time and as often as may be necessary. The commissioner, appeal referee, or any other duly authorized representative of the commissioner, may require from

any employing unit any sworn or unsworn reports, with respect to persons employed by it, which the commissioner, appeal referee, or any other duly authorized representative of the commissioner deems necessary for the effective administration of sections 268.03 to 268.24, provided that quarterly contribution and wage report forms shall include the employee's name, social security number, and total wages paid to the employee.

(2) The commissioner may cause to be made such summaries, compilations, photographs, duplications, or reproductions of any records, reports, or transcripts thereof as the commissioner may deem advisable for the effective and economical preservation of the information contained therein, and such summaries, compilations, photographs, duplications or reproductions, duly authenticated, shall be admissible in any proceeding under sections 268.03 to 268.24, if the original record or records would have been admissible therein. Notwithstanding any restrictions contained in section 16B.50, except restrictions as to quantity, the commissioner is hereby authorized to duplicate, on equipment furnished by the federal government or purchased with funds furnished for that purpose by the federal government, records, reports, summaries, compilations, instructions, determinations, or any other written matter pertaining to the administration of the Minnesota economic security law.

(3) Notwithstanding any inconsistent provisions elsewhere, the commissioner may provide for the destruction or disposition of any records, reports, transcripts, or reproductions thereof, or other papers in the commissioner's custody, which are more than two years old, the preservation of which is no longer necessary for the establishment of contribution liability or benefit rights or for any purpose necessary to the proper administration of sections 268.03 to 268.24, including any required audit thereof, provided, that the commissioner may provide for the destruction or disposition of any record, report, or transcript, or other paper in the commissioner's custody which has been photographed, duplicated, or reproduced in the manner provided in clause (2).

(4) Notwithstanding the provisions of the Minnesota State Archives Act the commissioner shall with the approval of the legislative auditor destroy all benefit checks and benefit check authorization cards that are more than two years old and no person shall make any demand, bring any suit or other proceeding to recover from the state of Minnesota any sum alleged to be due on any claim for benefits after the expiration of two years from the date of filing such claim.

Sec. 19. Minnesota Statutes 1986, section 268.121, is amended to read:

268.121 [WAGE REPORTING.]

Beginning on April 1, 1984, each employer subject to this chapter shall provide the commissioner with a quarterly report of the wages, as defined in section 268.04, subdivision 25, paid to each employee of that employer covered by this chapter. The commissioner shall provide the legislature with recommendations for statutory changes to fully implement this section no later than January 1, 1983. The report must include the employee's name, social security number, and the total wages paid to the employee. The report is due and must be filed at the same time as the contribution report in accordance with rules established by the commissioner for filing of quarterly contribution reports. For the purpose of this section, "wages paid" includes wages actually or constructively paid and wages overdue and delayed beyond the usual time of payment.

Sec. 20. Minnesota Statutes 1986, section 268.15, subdivision 3, is amended to read:

Subd. 3. [CONTINGENT ACCOUNT.] There is hereby created in the state treasury a special account, to be known as the economic security contingent account, which shall not lapse nor revert to any other fund. Such account shall consist of all moneys appropriated therefor by the legislature, all moneys in the form of interest and penalties collected pursuant to ~~section~~ sections 268.16 and 268.18, and all moneys received in the form of voluntary contributions to this account and interest thereon. All moneys in such account shall be supplemental to all federal moneys that would be available to the commissioner but for the existence of this account. Moneys in this account are hereby appropriated to the commissioner and shall be expended in accordance with the provisions of section 3.30, in connection with the administration of sections 268.03 to 268.24. Commencing with the fiscal year beginning July 1, 1987, the commissioner is authorized to expend annually, in addition to any federal money and without reference to section 3.30, the sum of \$500,000, from available money in this fund which is derived from interest and penalties collected pursuant to sections 268.16 and 268.18 and money received in the form of voluntary payments and interest thereon, for the purpose of providing for: (1) the investigation of fraud on the part of any person in claiming or obtaining benefits under sections 268.03 to 268.24 or fraud on the part of any employer in attempting to avoid or reduce any contribution or other payment required from an employing unit under those sections; (2) determination of benefit overpayments and contribution underpayments for reasons other than fraud; (3) recovery of money due to the commissioner as a result of clauses (1) and (2); (4) the verification of work search efforts especially in areas with robust economies; and (5) those special services which are reasonably directed toward assisting the unemployed in returning to suitable work. Whenever the commissioner expends moneys from said contingent account for the proper and efficient administration of the Minnesota economic security law for which funds have not yet been made available by the federal government, such moneys so withdrawn from the contingent

account shall be replaced as hereinafter provided. Upon the deposit in the economic security administration fund of moneys which are received in reimbursement of payments made as above provided for said contingent account, the commissioner shall certify to the state treasurer the amount of such reimbursement and thereupon the state treasurer shall transfer such amount from the economic security administration fund to said contingent account. All moneys in this account shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as is provided by law for the other special accounts in the state treasury. The state treasurer shall be liable on the treasurer's official bond for the faithful performance of duties in connection with the economic security contingent account provided for herein. Notwithstanding anything to the contrary contained herein, on June 30 of each year, except 1982, all amounts in excess of \$300,000 in this account shall be paid over to the unemployment compensation fund established under section 268.05 and administered in accordance with the provisions set forth therein.

Sec. 21. Minnesota Statutes 1986, section 268.16, subdivision 2, is amended to read:

Subd. 2. [REPORTS; DELINQUENCIES; PENALTIES.] (4) (a) Any employer who knowingly fails to make and submit to the department of jobs and training any contribution report of wages paid by or due from the employer for insured work in the manner and at the time such the report is required by rules prescribed by the commissioner shall pay to the department of jobs and training for the contingent account a penalty in the amount of 1½ percent of contributions accrued during the period for which such the report is required, for each month from and after such date until such the report is properly made and submitted to the department of jobs and training. In no case shall the amount of the penalty imposed hereby be less than \$5 per month. The maximum penalty imposed hereby shall be \$25 or the amount determined at the rate of 1½ percent per month, whichever is greater. Any employing unit which fails to make and submit to the commissioner any report, other than one of wages paid or payable for insured work, as and when required by the rules of the commissioner, shall be subject to a penalty in the sum of \$10 payable to the department of jobs and training for the contingent account. All such penalties shall be in addition to interest and any other penalties provided for by sections 268.03 to 268.24 and shall be collected as provided by section 268.161.

(2) (b) If any employing unit required by sections 268.03 to 268.24 to make and submit contribution reports shall fail to do so within the time prescribed by these sections or by rules under the authority thereof, or shall make, willfully or otherwise, an incorrect, false or fraudulent contribution report, it shall, on the written demand of the commissioner, make such contribution report, or corrected report, within ten days after the mailing of such written demand and

at the same time pay the whole contribution, or additional contribution, due on the basis thereof. If such employer shall fail within that time to make such report, or corrected report, the commissioner shall make a report, or corrected report, from the commissioner's own knowledge and from such information as the commissioner can obtain through testimony, or otherwise, and assess a contribution on the basis thereof, which contribution, plus penalties and interest which thereafter accrued (less any payments theretofore made) shall be paid within ten days after the commissioner has mailed to such employer a written notice of the amount thereof and demand for its payment. Any such contribution report or assessment made by the commissioner on account of the failure of the employer to make a report or corrected report shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto. Whenever such delinquent employer shall file a report or corrected report, the commissioner may, on finding it substantially correct, substitute it for the commissioner's report.

(c) Any employer who fails to file the wage detail report required by section 268.121 shall pay to the department for the contingent account a penalty of one-half of one percent of total wages paid and wages due but not paid during the period for each month the report is delinquent. The penalty shall not be assessed if the wage detail report is properly made and filed within 30 days after a demand for the report is mailed to the employer's address of record. In no case shall the amount of the penalty, if assessed, be less than \$25. Penalties due under this subdivision may be waived where good cause for late filing is found by the commissioner.

(d) Any employer who files the wage detail report required by section 268.121, but knowingly fails to include any of the required information or knowingly enters erroneous information, shall be subject to a penalty of \$25 for each individual for whom the information is missing or erroneous.

(e) Any employing unit which fails to make and submit to the commissioner any report, other than a contribution report or wage detail report, as and when required by rule, shall be subject to a penalty in the sum of \$50 payable to the department for the contingent account.

(f) The penalties provided for in paragraphs (a), (c), (d), and (e) are in addition to interest and any other penalties imposed by sections 268.03 to 268.24 and shall be collected as provided by section 268.161.

Sec. 22. [REPEALER.]

Minnesota Statutes 1986, section 268.04, subdivisions 29 and 30, are repealed.

H. F. No. 818, A bill for an act relating to human services; establishing prepaid health plans under medical assistance; appropriating money; amending Minnesota Statutes 1986, sections 256.045, subdivision 3; 256B.02, by adding a subdivision; 256B.19, subdivision 1; 256B.69, by adding subdivisions; 256D.03, subdivision 4; proposing coding for new law in Minnesota Statutes, chapter 256B; repealing Minnesota Statutes 1986, section 256.966.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1986, section 256.045, subdivision 3, is amended to read:

Subd. 3. [STATE AGENCY HEARINGS.] (a) In counties in which the commissioner of human services has not appointed a local welfare referee, any person applying for, receiving or having received any of the forms of public assistance described in subdivision 2 whose application for assistance is denied, not acted upon with reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly paid, or any patient or relative aggrieved by an order of the commissioner under section 252.27, may contest that action or decision before the state agency by submitting a written request for a hearing to the state agency within 30 days after receiving written notice of the action or decision, or within 90 days of such written notice if the applicant, recipient, patient or relative shows good cause why the request was not submitted within the 30 day time limit.

(b) All prepaid health plans under contract to the commissioner pursuant to chapter 256B or 256D must provide for a complaint system according to section 62D.11. For persons enrolled in prepaid health plans under chapter 256B or 256D, costs paid or incurred in

filing and resolving a complaint are the responsibility of the prepaid health plan. The prepaid health plan shall issue a written resolution within 30 days of filing with the prepaid health plan.

(c) A local agency or party aggrieved by a ruling of a local welfare referee, or a party aggrieved by a ruling of a prepaid health plan, may appeal the ruling to the state agency by filing a notice of appeal with the state agency within 30 days after receiving the ruling of the local welfare referee, or the prepaid health plan. A state welfare referee shall conduct a hearing on the matter and shall recommend an order to the commissioner of human services. In appeals from rulings of local welfare referees, or prepaid health plans, the hearing may be limited, upon stipulation of the parties, to a review of the record of the local welfare referee. The commissioner need not grant a hearing if the sole issue raised by an appellant is the commissioner's authority to require mandatory enrollment in a prepaid health plan in a county where prepaid health plans are under contract with the commissioner.

(d) In a notice of appeal from a ruling of a prepaid health plan, a recipient may request an expedited hearing. The commissioner shall appoint a welfare referee to investigate and determine whether an expedited appeal is warranted. In making such a determination, the referee shall evaluate whether the medical condition of the recipient, if not immediately diagnosed and treated, could cause physical or mental disability, substantial deterioration of physical or mental health, continuation of severe pain, or death. The referee may order a second medical opinion from the prepaid health plan or order a second medical opinion from a non-prepaid health plan provider at prepaid health plan expense. If the referee determines that an expedited appeal is warranted, the referee shall hear the appeal and render a decision within a time commensurate with the level of urgency involved, based on the individual circumstances of the case. In urgent or emergency situations in which a prepaid health plan provider has prescribed treatment, and the prepaid health plan has denied authorization for that treatment, the referee may order the health plan to authorize such treatment pending the outcome of the appeal if an expedited hearing would not prevent disability, deterioration, severe pain, or death.

Sec. 2. Minnesota Statutes 1986, section 256B.02, is amended by adding a subdivision to read:

Subd. 12. [PREPAID HEALTH PLAN.] "Prepaid health plan" means a vendor who receives a capitation payment and assumes financial risk for the provision of medical assistance services under a contract with the commissioner.

Sec. 3. Minnesota Statutes 1986, section 256B.19, subdivision 1, is amended to read:

Subdivision 1. [DIVISION OF COST.] The cost of medical assistance paid by each county of financial responsibility shall be borne as follows: Payments shall be made by the state to the county for that portion of medical assistance paid by the federal government and the state on or before the 20th day of each month for the succeeding month upon requisition from the county showing the amount required for the succeeding month. Ninety percent of the expense of assistance not paid by federal funds available for that purpose shall be paid by the state and ten percent shall be paid by the county of financial responsibility.

For counties that participate in a medicaid demonstration project under sections 256B.69 and 256B.71, the division of the nonfederal share of medical assistance expenses for payments made to prepaid health plans or for payments made to health maintenance organizations in the form of prepaid capitation payments, this division of medical assistance expenses shall be 95 percent by the state and five percent by the county of financial responsibility.

State contracts with health maintenance organizations shall assure medical assistance recipients of at least the comprehensive health maintenance services defined in section 62D-02, subdivision 7. The contracts shall require health maintenance organizations to provide information to the commissioner concerning the number of people receiving services, the number of encounters, the type of services received, evidence of an operational quality assurance program pursuant to section 62D-04 and information about utilization.

In counties where prepaid health plans are under contract to the commissioner to provide services to medical assistance recipients, the cost of court ordered treatment ordered without consulting the prepaid health plan that does not include diagnostic evaluation, recommendation, or and referral for treatment by the prepaid health plan is the responsibility of the county of financial responsibility.

#### Sec. 4. [256B.031] [PREPAID HEALTH PLANS.]

Subdivision 1. [CONTRACTS.] The commissioner may contract with health insurers licensed and operating under chapters 60A and 62A, nonprofit health service plans licensed and operating under chapter 62C, health maintenance organizations licensed and operating under chapter 62D, and vendors of medical care and organizations participating in prepaid programs under section 256D.03, subdivision 4, clause (b) to provide medical services to medical assistance recipients. Contracts between the commissioner and a prepaid health plan are exempt from the set-aside and preference provisions of section 16B.19, subdivisions 5 and 6. Contracts must specify the services that are included in the per capita rate. Contracts must specify those services that are to be eligible for risk sharing between the prepaid health plan and the state. Contracts

must also state that payment must be made within ten days of the first of the month of coverage.

Subd. 2. [SERVICES.] State contracts for these services must assure recipients of at least the comprehensive health services defined in section 256B.02, subdivision 8, except services defined in section 256B.02, subdivision 8, paragraphs (2), (5), (6), (7), (16), and (17), and except services defined as chemical dependency services and mental health services.

Contracts under this section must include provision for assessing pregnant women to determine their risk of poor pregnancy outcome. Contracts must also include provision for treatment of women found to be at risk of poor pregnancy outcome.

Subd. 3. [INFORMATION REQUIRED.] Prepaid health plans under contract must provide information to the commissioner according to the contract specifications. The information must include, but not be limited to, the number of people receiving services, the number of encounters, the types of services received, evidence of an operating quality assurance program, and information about the use of and actual recoveries of available third-party resources.

Subd. 4. [PREPAID HEALTH PLAN RATES.] For payments made during calendar year 1988, the monthly maximum allowable rate established by the commissioner of human services for payment to prepaid health plans must not exceed 90 percent of the projected averaged monthly per capita fee-for-service medical assistance costs for state fiscal year 1988 for recipients of aid to families with dependent children and the monthly maximum allowable rate for payment to prepaid plans must not exceed 95 percent of the projected average monthly per capita fee-for-service medical assistance costs for state fiscal year 1988 for recipients who are over age 65, are eligible for medicare parts A and B, are not residents of long-term care facilities, and do not have an income spend-down. The base year for projecting the average monthly per capita fee-for-service medical assistance costs is state fiscal year 1986. A maximum allowable per capita rate must be established collectively for Anoka, Carver, Dakota, Hennepin, Ramsey, St. Louis, Scott, and Washington counties. A separate maximum allowable per capita rate must be established for all other counties within each prepaid health plan's service area. The maximum allowable per capita rate may be adjusted to reflect utilization differences among eligible classes of recipients. For payments made during calendar year 1989, the maximum allowable rate must be calculated in the same way as 1988 rates, except the base year is state fiscal year 1987. For payments made during calendar year 1990 and later years, the commissioner shall contract with an independent actuary to establish prepayment rates. Rates established for prepaid health plans must be based on the services that the prepaid health plan provides under contract with the commissioner.

Subd. 5. [FREE CHOICE LIMITED.] In counties where there are two or more prepaid health plans under contract, the commissioner may require the following recipients to enroll in a prepaid health plan: (a) those who receive aid to families with dependent children; and (b) those who are over age 65, are eligible for Medicare parts A and B, are not residents of long-term care facilities, and do not have an income spend-down. Recipients required to enroll must receive services from or through the prepaid health plan.

Enrollment in a prepaid health plan is mandatory for recipients who become eligible on or after December 1, 1987. If the recipient does not choose a health plan within 20 days of being determined eligible for medical assistance or aid to families with dependent children, the commissioner shall randomly assign the recipient to a health plan. Those recipients who are eligible on November 30, 1987, must choose a prepaid health plan by December 20, 1987. If a recipient does not choose a prepaid health plan by December 20, 1987, the commissioner shall randomly assign the recipient to a health plan. Each recipient shall be enrolled in the health plan for a minimum period of six months following the effective date of enrollment, except that the recipient may change health plans once within the first 60 days after initial enrollment. The commissioner shall request a waiver from the federal Health Care Financing Administration to extend the minimum period to 12 months. Enrollment in a prepaid health plan is mandatory only when recipients have a choice of at least two prepaid health plans.

Women who are receiving medical assistance due to pregnancy and later become eligible for aid to families with dependent children are not required to choose a prepaid health plan until 60 days postpartum. An infant born as a result of that pregnancy must be enrolled in a prepaid health plan at the same time as the mother.

If third-party coverage is available to a recipient through enrollment in a prepaid health plan through employment, through coverage by the former spouse, or if a duty of support has been imposed by law, order, decree, or judgment of a court under section 518.551, the obligee or recipient shall participate in the prepaid health plan in which the obligee has enrolled provided that the commissioner has contracted with the plan.

Subd. 6. [OMBUDSMAN.] The commissioner shall designate an ombudsman to advocate for persons required to enroll in prepaid health plans under this section. The ombudsman shall advocate for recipients enrolled in prepaid health plans through complaint and appeal procedures and ensure that necessary medical services are provided either by the prepaid health plan directly or by referral to appropriate social services. At the time of enrollment in a prepaid health plan, the local agency shall inform recipients about the ombudsman program and their right to a resolution of a complaint

by the prepaid health plan if they experience a problem with the plan or its providers.

Subd. 7. [PREPAYMENT COORDINATOR.] The local agency shall designate a prepayment coordinator to assist the state agency in implementing this section, section 256B.69, and section 256D.03, subdivision 4. Such assistance shall include educating recipients about available health care options; enrolling recipients pursuant to subdivision 5; providing necessary eligibility and enrollment information to health plans and the state agency; and coordinating complaints and appeals with the ombudsman established in subdivision 6.

Sec. 5. Minnesota Statutes 1986, section 256B.69, subdivision 6, is amended to read:

Subd. 6. [SERVICE DELIVERY.] Each demonstration provider shall be responsible for the health care coordination for eligible individuals. Demonstration providers:

(a) Shall authorize and arrange for the provision of all needed health services including but not limited to the full range of services listed in section 256B.02, subdivision 8, in order to ensure appropriate health care is delivered to enrollees;

(b) Shall accept the prospective, per capita payment from the commissioner in return for the provision of comprehensive and coordinated health care services for eligible individuals enrolled in the program;

(c) May contract with other health care and social service practitioners to provide services to enrollees; and

(d) Shall institute recipient grievance procedures according to the method established by the project, utilizing applicable requirements of chapter 62D. Disputes not resolved through this process shall be appealable to the commissioner as provided in subdivision 11.

Sec. 6. Minnesota Statutes 1986, section 256B.69, subdivision 11, is amended to read:

Subd. 11. [APPEALS.] A recipient may appeal to the commissioner a demonstration provider's delay or refusal to provide ser-

vices. The commissioner shall appoint a panel of health practitioners, including social service practitioners, as necessary to determine the necessity of services provided or refused to a recipient. The deliberations and decisions of the panel replace the administrative review process otherwise available under this chapter 256. The panel shall follow the time requirements and other provisions of the Code of Federal Regulations, title 42, sections 431.200 to 431.246. The time requirements shall be expedited based on request by the individual who is appealing for emergency services. If a service is determined to be necessary and is included among the benefits for which a recipient is enrolled, the service must be provided by the demonstration provider as specified in subdivision 5. The panel's decision is a final agency action ~~that may be appealed under the contested case provisions of chapter 14.~~

Sec. 7. Minnesota Statutes 1986, section 256B.69, is amended by adding a subdivision to read:

Subd. 12. [JUDICIAL REVIEW.] A party aggrieved by an order of the panel may appeal the order to the district court of the county responsible for furnishing assistance by serving a written copy of a notice of appeal upon the commissioner and any adverse party of record within 30 days after the date the panel issued the order, and by filing the original notice and proof of service with the court administrator of the district court. Service may be made personally or by mail. Service by mail is complete upon mailing. No filing fee shall be required by the court administrator in appeals taken under this subdivision. The commissioner may elect to become a party to the proceedings in the district court. Any party may demand that the commissioner furnish all parties to the proceedings with a copy of the decision, and a transcript of any testimony, evidence, or other supporting papers from the hearing held before the panel, by serving a written demand on the commissioner within 30 days after service of the notice of appeal.

Sec. 8. Minnesota Statutes 1986, section 256B.69, is amended by adding a subdivision to read:

Subd. 13. [HEARING.] A party may obtain a hearing at a special term of the district court by serving a written notice of the time and place of the hearing at least ten days before the date of the hearing. The court may consider the matter in or out of chambers, and shall take no new or additional evidence unless it determines that the evidence is necessary for a more equitable disposition of the appeal.

Sec. 9. Minnesota Statutes 1986, section 256B.69, is amended by adding a subdivision to read:

Subd. 14. [APPEAL.] A party aggrieved by the order of the district court may appeal the order as in other civil cases. No costs or

disbursements shall be taxed against a party nor shall any filing fee or bond be required of a party.

Sec. 10. Minnesota Statutes 1986, section 256B.69, is amended by adding a subdivision to read:

Subd. 15. [PAYMENTS PENDING APPEAL.] If the panel or district court orders services paid or provided in any proceeding under this section, it must be paid or provided pending appeal to the district court, court of appeals, or supreme court.

Sec. 11. Minnesota Statutes 1986, section 256B.69, is amended by adding a subdivision to read:

Sec. 12. Minnesota Statutes 1986, section 256D.03, subdivision 4, is amended to read:

Subd. 4. [GENERAL ASSISTANCE MEDICAL CARE; SERVICES.] (a) Reimbursement under the general assistance medical care program shall be limited to the following categories of service: inpatient hospital care, outpatient hospital care, services provided by medicare certified rehabilitation agencies, prescription drugs, equipment necessary to administer insulin and diagnostic supplies and equipment for diabetics to monitor blood sugar level, eyeglasses and eye examinations provided by a physician or optometrist, hearing aids, prosthetic devices, laboratory and X-ray services, physician's services, medical transportation, chiropractic services as covered under the medical assistance program, podiatric services, and dental care. In addition, payments of state aid shall be made for day treatment services provided by a mental health center established under sections 245.61 to 245.69, subdivision 1, and funded through chapter 256E and for prescribed medications for persons who have been diagnosed as mentally ill as necessary to prevent more restrictive institutionalization.

(b) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in

counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under section 256B.02, subdivision 8. The rates payable under this section must be calculated according to section 256.966, subdivision 2 4, subdivision 4.

(c) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general assistance medical care, within the following restrictions.

For the period July 1, 1985, to December 31, 1985, reductions below the cost per service unit allowable under section 256.966, are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 30 percent; payments for all other inpatient hospital care may be reduced no more than 20 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986 to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period January 1, 1987 to June 30, 1987, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than ten percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(d) Any county may, from its own resources, provide medical payments for which state payments are not made.

(e) Chemical dependency services that are reimbursed under Laws 1986, chapter 394, sections 8 to 20, must not be reimbursed under general assistance medical care.

Sec. 13. [APPROPRIATION.]

\$243,400 is appropriated from the general fund to the commissioner of human services to administer sections 1 to 12. \$100,000 in fiscal year 1988 and \$100,000 in fiscal year 1989 are to be used to fund three permanent new staff positions in the department of human services. \$43,400 in fiscal year 1988 is to be used to fund five temporary positions in the department of human services. If the temporary staff members are not needed until 1989, the \$43,400 does not cancel and is available to be used in fiscal year 1989.

(e) “Utility service” means service of electricity or natural gas, or both.

Subd. 2. [LANDLORD RESPONSIBILITY.] In a residential leasehold contract entered into or renewed on and after August 1, 1988, the landlord of a single-metered residential building is responsible for utility service supplied to the building through a single meter. The landlord is responsible for and shall pay the amount charged for utility service provided through a single meter and advise the utility company providing the services that the service is for a single-metered residential building. A failure by the landlord to comply with this subdivision is a violation of sections 504.18, subdivision 1(a) and 504.26 and the landlord is subject to the penalties and remedies contained in those sections. The day has come to face the fact  
We all would like to ignore  
To win is not the only goal  
We were elected for!

I implore you to remember this  
As we send our members East  
That partisan issues and political fights  
They must immediately cease!!

So Mr. Vanasek and Fred as well,  
Let's all join hands and give 'em hell!!  
For in Massachusetts they've never heered -  
Of Tjornhom, Milbert, Stanius and Beard.

And let us not forget the fact  
Their coach is Mr. Quinn.  
His thankless task for weeks and weeks  
Has been to teach this team to win.

To win you say - that's easy enough,  
But not for these guys -  
There's no ballot box to stuff!

“Section 1. Minnesota Statutes 1986, section 41.57, subdivision 4, is amended to read:

Subd. 4. [ADDITIONAL PAYMENT; PRINCIPAL REDUCTION.]

(a) The commissioner must annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller sponsored family farm security loan. No payment may be made under this subdivision to a qualified seller, unless the seller agrees to reduce the outstanding principal amount of the loan by three percent effective prior to or beginning for the year in which application is made.

(b) The payment amount must be determined as follows:

(1) In order to qualify for a payment, the seller must apply to the commissioner by October 1, 1986 following the previous tax year. The application must include a copy of the seller's 1985 previous tax year state income tax return. The commissioner must recompute the

seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For any calendar year 1986 the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for state tax purposes.

(2) For calendar years beginning with 1987, the additional payment amount must be determined as follows: (A) The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986. (B) The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year. (C) The product determined under clause (B) is the payment for the calendar year.

(e) If for a tax year after 1986 the qualified seller's taxable income has changed substantially, the commissioner may provide by rule that upon reappliation a later tax year will be used to compute the quotient under clause (b)(2)(A).

(d)(1) (c) If the seller elects to receive payments under this subdivision, the buyer's payments of principal and interest under the loan must be recalculated. The revised payment schedule must reflect the three percent reduction in the outstanding principal required by paragraph (a) and must provide for equal payments over the remaining term of the loan. The interest rate on the loan may not be increased.

(2) The state's payment adjustment under subdivision 2 and the amount of the payment under paragraph (b) must be calculated on the basis of the outstanding principal amount of the loan before the reduction required by paragraph (a).

(e) (d) The commissioner may make the payments under this subdivision in the same manner provided for the payment adjustment under subdivision 2.

(f) (e) For purposes of this subdivision, the following terms have the meanings given:

(1) "Gross income" means gross income as defined for purposes of chapter 290.

(2) "Qualified seller" means an individual who sold farm land under a seller sponsored loan after April 1, 1978 and before June 28 December 31, 1985, and who is a resident of Minnesota during the calendar year and is subject to the payment of Minnesota income taxes.

[PRESENTENCE INVESTIGATION.] When a defendant has been convicted of a misdemeanor or gross misdemeanor, the court may, and when the defendant has been convicted of a felony, the court shall, before sentence is imposed, cause a presentence investigation and written report to be made to the court concerning the defendant's individual characteristics, circumstances, needs, potentialities, criminal record and social history, the circumstances of the offense and the harm caused by it to others and to the community. The report shall also include the information relating to crime victims required under section 12, subdivision 1. If the court directs, the report shall include an estimate of the prospects of the defendant's rehabilitation and recommendations as to the sentence which should be imposed. In misdemeanor cases the report may be oral.

When a defendant has been convicted of a felony, and before sentencing, the court shall cause a sentencing worksheet to be completed to facilitate the application of the Minnesota sentencing guidelines. The worksheet shall be submitted as part of the presentence investigation report.

The investigation shall be made by a probation officer of the court, if there is one, otherwise by the commissioner of corrections. Pending the presentence investigation and report, the court with the consent of the commissioner may commit the defendant to the

custody of the commissioner of corrections who shall return the defendant to the court when the court so orders.

(c) an attachment to the report, consisting of the victim's written objections, if any, to the proposed disposition if the victim provides the officer conducting the presentence investigation with this written material within a reasonable time prior to the disposition.

Subd. 2. [NOTICE TO VICTIM.] The officer conducting a presentence or predispositional investigation shall make reasonable and good faith efforts to contact the victim of that crime and to provide that victim with the following information: (i) the charge or juvenile court petition to which the defendant has been convicted or pleaded guilty, or the juvenile respondent has admitted in court or has been found to have committed by the juvenile court, and of any plea agreement between the prosecution and the defense counsel; (ii) the victim's right to request restitution pursuant to section 611A.04; (iii) the time and place of the sentencing or juvenile court disposition and the victim's right to be present; and (iv) the victim's right to object in writing to the court, prior to the time of sentencing or juvenile court disposition, to the proposed sentence or juvenile dispositional alternative, or to the terms of the proposed plea agreement. To assist the victim in making a recommendation under clause (iv), the officer shall provide the victim with information about the court's options for sentencing and other dispositions. "Section 1. Minnesota Statutes 1986, section 41.52, is amended by adding a subdivision to read:

Subd. 14. [ACQUIRED PROPERTY.] "Acquired property" means agricultural real property returned to a lender or guarantor through enforcement of a default on a contract for deed or mortgage foreclosure or bankruptcy. For purposes of the program for acquired property sales established under section 5, acquired property means only property acquired before the effective date of this act.

Sec. 2. Minnesota Statutes 1986, section 41.52, is amended by adding a subdivision to read:

**Subd. 15. [ACQUIRED PROPERTY LOAN GUARANTEE.]** “Acquired property loan guarantee” means an agreement that in the event of default, the state of Minnesota must pay the lender 85 percent of any sums remaining on a mortgage and note or contract for deed approved under the family farm security program after the effective date of this act after approved liquidation of the property. In the event that the state’s share of losses resulting from defaults in the program for acquired property sales established under section 5 exceeds the limit on the state’s maximum loss set under section 5, subdivision 7, the commissioner must disburse guarantee payments to lenders only to the extent of the state’s maximum loss limit. Any additional losses must be borne by the lender without regard to the 85 percent guarantee.

Sec. 3. Minnesota Statutes 1986, section 41.53, subdivision 2, is amended to read:

**Subd. 2.** The commissioner may adopt emergency or permanent rules necessary for the efficient administration of sections 41.51 to 41.57; 41.58, subdivisions 1 and 2; 41.59, subdivision 1; and 41.61 and section 5.

Sec. 4. Minnesota Statutes 1986, section 41.55, is amended to read:

**41.55 [ELIGIBILITY.]**

A family farm security loan approval may be granted if the following criteria are satisfied:

- (a) that the applicant is a resident of the state of Minnesota;
- (b) that the applicant has sufficient education, training, or experience in the type of farming for which the loan is desired and continued participation in a farm management program, approved by the commissioner, for at least the first ~~ten~~ five years of the family farm security loan;
- (c) that the applicant and the applicant’s dependents and spouse have total net worth valued at less than ~~\$75,000~~ \$150,000 and have demonstrated a need for the loan;
- (d) that the applicant intends to purchase farm land to be used by the applicant for agricultural purposes;
- (e) that the applicant is credit worthy according to standards prescribed by the commissioner.

**Sec. 5. [41.63] [ACQUIRED PROPERTY SALES.]**

Subdivision 1. [AUTHORIZATION.] The commissioner may provide an acquired property loan guarantee to lenders on the sale of acquired property acquired before the effective date of this act if the buyer satisfies the eligibility criteria in section 41.55, and if the applicant agrees to participate in an approved farm management program for the first five years of the sale contract for deed or mortgage, and if:

(a) this is the buyer's first farm real estate purchase; or

(b) the buyer has been the manager/operator of a commercial size farm operation and currently holds ownership to no more than 160 acres of farm real estate.

Subd. 2. [APPLICATION.] A lender desiring to provide financing for the sale of the family farm security program acquired property, or other acquired property to persons eligible for an acquired property loan guarantee, shall forward an application to the commissioner for approval utilizing forms approved by the commissioner. The commissioner shall prescribe a screening process to determine eligibility and disposition of applications. On approving a guarantee, the commissioner shall notify the lender. The lender and buyer may then complete the sale.

If the application is denied, the commissioner shall provide the lender with a written statement of the reasons for denial. An application which later meets the eligibility criteria may be resubmitted by the lender.

Subd. 3. [APPROVED SALES.] The sales agreement and the note and mortgage or contract for deed executed between lender and buyer shall have the following characteristics:

(a) The acquired property will not be sold for more than 105 percent of current market value. Market value appraisals shall be mutually agreed to by the lender and the commissioner for each property. To the extent not disallowed by statute, a seller must as part of the conveyance, transfer to the buyer all mineral rights it holds to the land being conveyed unless the buyer willingly waives in a separate writing the requirement to convey the mineral rights.

(b) Amortization of the mortgage or contract shall be based on no more than 30 years and no less than 20 years with a balloon payment due at the end of ten years. Early payment at the request of buyer is allowed.

(c) There shall be a minimum down payment of ten percent on those sales with monthly payments, 12.5 percent with semi-annual payments, and 15 percent with annual payments.

(d) Interest rate shall be fixed at below preferred customer rates for the first five years and no higher than preferred customer rates for years six through ten. For 1987, the rates offered must be 6.9 percent for the first five years, and 8.9 percent for the second five years, or the applicable federal land bank variable rate, whichever is lower.

Subd. 4. [LOAN SERVICING.] The lender shall be responsible for all mortgage or contract for deed servicing.

(a) At the end of the tenth year, buyers shall have the right to refinance with their sponsoring lender at the lowest interest rate for which they qualify at the time.

(b) No partial releases, release of easement payments, or other actions affecting the value of the property may be transacted without the commissioner's approval.

(c) At no time shall the lender or buyer take any action that will diminish the first position claim of the guaranteed mortgage or contract.

(d) The guarantee is neither assignable nor assumable.

(e) The lender shall, in consultation with the commissioner, pursue any legal means available to recover as much as reasonably possible in case of a default and be reimbursed for the normal costs of these actions under the guarantee provision.

Subd. 5. [DEFAULT.] Default occurs when:

(a) the buyer does not pay the principal or interest payment on the date due;

(b) the participant breaches a material obligation in the note and mortgage, loan agreement, contract for deed, or any other instrument securing the loan, and the lender determines that this breach constitutes an adverse change in the buyer's ability to repay the guaranteed loan; or

(c) the buyer fails to properly maintain the buildings and other facilities or does not follow proper soil and water conservation practices so that the value of the security is diminished.

Subd. 6. [FILING CLAIM.] When a default occurs and the appropriate actions have been taken to recover title to the property, the lender shall provide the commissioner with an acceptable plan for liquidation and carry out that plan. The lender shall present a ledger accounting of all costs and all receipts for final review by the commissioner. Costs include the principal balance of the loan

remaining at time of default, any unpaid accrued interest calculated at the stated rate of the loan to the date of default, real estate taxes and insurance premiums paid, attorneys' fees, and other costs associated with clearing title. Receipts include the sale proceeds, any rents collected, and other miscellaneous income received during the holding period. In those instances where costs exceed receipts, the commissioner shall make payment to the lender from the special guarantee account established in section 41.61, subdivision 1, for 85 percent of the excess costs. In those instances where receipts exceed costs by more than 115 percent, the lender shall remit to the commissioner one-half of all excess over the 115 percent for deposit in the special guarantee fund.

Subd. 7. [LIMITATIONS.] The sum of all outstanding acquired property loans guaranteed by the commissioner at any time may not exceed \$100,000,000. The state's maximum loss shall not exceed \$12,750,000, over the life of this program, exclusive of legal fees, default costs, administration expense, and other expenses not associated with the principal balance or the interest due. In the event that the state's share of losses resulting from defaults in the program for acquired property sales established under this section exceeds the limit on the state's maximum loss, the commissioner must disburse guarantee payments to lenders only to the extent of the state's maximum loss limit. Any additional losses must be borne by the lender without regard to the 85 percent guarantee. Priority for loan guarantee payments within the state's maximum loss limit must be based on the date the plan for liquidation is provided to the commissioner."

If the employee continues in the employment of the business for one year or longer after the six-month subsidized period, the business need not repay any of the funds received for that employee's wages. If the employee continues in the employment of the business for a period of less than one year after the expiration of the six-month subsidized period, the business shall receive a proportional reduction in the amount it must repay. Sec. 9. [268.97] [MINNESOTA ENTREPRENEURIAL GRANTS PROGRAM.]

Subdivision 1. [FINDINGS.] The legislature recognizes that private entrepreneurship is the basis of a strong economy. Over the past several years, Minnesota's economy has experienced job losses through a severe farm crisis, a painful decline in the mining industry, loss of jobs to foreign competition, and a continuing problem with unemployment in our core cities. To provide a more diversified economic base in the state, stimulate economic development, and create jobs, it is in the interest of the state to encourage self-employment and other individual entrepreneurial initiatives.

Subd. 2. [ESTABLISHMENT OF GRANT PROGRAM.] The Minnesota entrepreneurial grant program is established in the department of jobs and training to assist individuals with the development of plans and financing to set up a business. The grants may only be used by individuals to help them secure loans from banks or other lending institutions to assist in the financing of entrepreneurial activities.

Subd. 3. [GRANTEE ELIGIBILITY.] An individual who: (1) has been a resident of this state for at least one month, (2) is unemployed, and (3) is not receiving and is not qualified to receive unemployment or workers' compensation, is eligible for a grant. A farmer or any member of a farm family household who can demonstrate severe household financial need may be eligible for a grant.

Subd. 4. [INTEREST RATES.] For the purpose of this program, a bank or other lending institution shall not charge interest rates on loans made to eligible grantees in excess of the rates normally charged by the bank or lending institution on similar loans.

Subd. 5. [GRANT APPLICATIONS.] The grant application must clearly describe the idea or plan for which the applicant is seeking a loan from a bank or lending institution. The application must contain a certified statement from a bank or lending institution stating that a grant from the state, not to exceed \$5,000, will result

in the applicant securing a loan from a bank or lending institution in an amount up to \$25,000.

Subd. 6. [GRANT AWARD.] The commissioner of jobs and training must give consideration to the following criteria for the award of grants:

(1) the extent to which the application satisfies the purpose of the grant program;

(2) evidence of an innovative approach that will likely succeed;

(3) evidence that the grant would result in a loan from a bank or lending institution;

(4) the grant award would likely result, directly or indirectly, in the creation of new jobs;

(5) priority given to applications from individuals living in counties with unemployment that exceeds the statewide average as of December 31, 1986; and

(6) grant awards may not exceed 30 percent of the estimated total cost of the project.

"Section 1. Minnesota Statutes 1986, section 375.83, is amended to read:

375.83 [ECONOMIC AND AGRICULTURAL DEVELOPMENT.]

Subdivision 1. [APPROPRIATION; TAX LEVY.] A county board may annually either: (1) appropriate not more than \$50,000 annually out of the general revenue fund of the county or (2) levy a tax of not more than one mill on each dollar of assessed valuation in the county to be paid to any incorporated development society or organization of this state which, in the board's opinion, will use the money for the best interests of the county in promoting, advertising, improving, or developing the economic and agricultural resources of the county. The limitation on annual appropriations or levies under this subdivision does not prohibit accumulation of amounts in excess of the annual appropriations or levies in a fund to be used for purposes of this section. County funds made available under this subdivision may not be used to finance more than 50 percent of the total cost of an economic development project. The tax authorized by this section is in addition to any other tax imposed by the county and shall not be considered in any tax levy limitations. The tax authorized by this section shall be levied as other property taxes imposed by the county are levied but may not be levied in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

Subd. 2. [REVERSE REFERENDUM.] If the county board proposes to levy the tax authorized under this section, it shall pass a resolution stating that fact. Thereafter, the resolution shall be published for two successive weeks in the official newspaper of the county or if there is no official newspaper, in a newspaper of general circulation in the county, together with a notice fixing a date for a public hearing on the matter. The hearing shall be held not less than two weeks nor more than four weeks after the first publication of the resolution. Following the public hearing, the county may determine to take no further action or, in the alternative, adopt a resolution confirming its intention to exercise the authority. That resolution shall also be published in the official newspaper of the county or if there is no official newspaper, in a newspaper of general circulation in the county. If, within 20 days thereafter, a petition signed by voters equal in number to five percent of the votes cast in the county in the last general election requesting a referendum on the proposed resolution is filed with the county auditor, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at the referendum. If the county board levies the tax authorized under this subdivision and the tax levy exceeds \$500,000, the county must submit an economic development report to the department of energy and economic development by February 1 of each year and must comply with subdivisions 3 to 7.

Subd. 3. [ECONOMIC DEVELOPMENT DIRECTOR; APPOINTMENT.] The county board must appoint a director of economic development to review county economic development plans, programs, and project proposals. The board may appoint an existing county officer to serve as director of economic development.

Subd. 4. [ECONOMIC DEVELOPMENT DIRECTOR; DUTIES.] All economic development plans, programs, and project proposals must be submitted to the director of economic development. The director shall review and comment on the plans, programs, and project proposals to the county board.

Subd. 5. [ECONOMIC DEVELOPMENT ADVISORY COMMITTEE.] The county board must appoint an economic development advisory committee consisting of at least five persons. One member must be the county attorney. One member must be employed by a financial institution. One member must be knowledgeable in small business and one member must be knowledgeable in large business. Notwithstanding section 471.705, subdivision 1, the advisory committee may meet in closed session to discuss and take action on specific matters where the disclosure of information pertaining to such matters would cause harm to the competitive position of an entity which is the subject of the advisory committee's discussion or

action. Section 471.705, subdivision 1a, applies to the procedure for holding a closed meeting.

Subd. 6. [PROPOSAL EVALUATION.] Before submission to the county board of an economic development proposal for the financing of a project with county funds, the director of economic development must submit the proposal to the economic development advisory committee. The county board must not act on a proposal until it has received the evaluation and recommendations of the advisory committee or until 60 days have elapsed since the proposal was transmitted to the advisory committee, whichever occurs first.

Subd. 7. [ECONOMIC DEVELOPMENT PLAN.] The board must prepare an economic development plan that includes the economic development policy and objectives of the county and provides guidelines for selection of projects that are eligible for financing under this section. The department of energy and economic development must provide assistance in preparing the plan if the county board requests the department's assistance. Before adoption of the plan, the county board must submit a draft plan to the department of energy and economic development for review and comment. The county board may not adopt the plan until comments have been received from the department or 30 days have elapsed after the draft was submitted. The county may adopt the plan only after holding a public hearing on the plan. Notice of the hearing must be provided in a newspaper of general circulation in the county not less than ten days nor more than 30 days before the date of the hearing. The adopted plan must be made available for public inspection at the county auditor's office."

Subd. 2. [PENALTIES; REFUSAL; REVOCATION OF MOTOR-BOAT OPERATING PRIVILEGE.] (a) If a person who refuses to take a test required under subdivision 1 is subject to a civil penalty not to exceed \$700 and, in addition, the person is prohibited from operating any motorboat on the waters of this state for a period of one year, none must be given, but the officer authorized to make arrests under section 361.12, subdivision 2, shall report the refusal to the commissioner of natural resources and to the authority having responsibility for prosecution of misdemeanor offenses for the jurisdiction in which the incident occurred that gave rise to the test demand and refusal.

On certification by the officer that probable cause existed to believe the person had been operating or in physical control of a motorboat while under the influence of alcohol or a controlled substance, and that the person refused to submit to testing, the commissioner shall impose a civil penalty of \$500 and shall prohibit the person from operating any motorboat on the waters of this state for a period of 12 months. If the person refusing to submit to testing is under the age of 18 years at the time of the refusal, the person's watercraft operator's permit shall be revoked by the commissioner as set forth in this subdivision and a new permit after the revocation must be issued only after the person successfully completes a watercraft safety course.

On behalf of the commissioner, an officer requiring a test or directing the administration of a test shall serve on a person who refused to permit a test immediate notice of intention to impose the civil penalty set forth in this subdivision, to prohibit the operation of motorboats, and to revoke a watercraft operator's permit. The officer shall take any watercraft operator's permit held by the person, and shall send the permit to the commissioner along with the certification provided for in this subdivision. If the officer fails to serve a notice of intent to revoke, the commissioner may notify the person by mail, and the notice is deemed received three days after mailing. The notice must advise the person of the right to obtain administrative and judicial review as provided in this section. The prohibition and revocation, if any, shall take effect ten days after receipt of the notice. The civil penalty is imposed on receipt of the notice, and shall be paid within 30 days of imposition.

(b) A person who operates a motorboat on the waters of this state during the period the person is prohibited from operating any motorboat as provided under paragraph (a) is guilty of a misdemeanor.

Sec. 2. Minnesota Statutes 1986, section 361.121, is amended by adding a subdivision to read:

Subd. 2a. [ADMINISTRATIVE REVIEW.] At any time during the period of prohibition or revocation imposed under this section, the person may request in writing a review of the order imposing sanctions under this section by the commissioner of natural resources. If the person makes a request for administrative review within 30 days following receipt of a notice and order imposing sanctions, the request shall stay imposition of the civil penalty. Upon receiving the request for review, the commissioner or the commissioner's designee shall review the order, the evidence upon which the order was based, and any other material information brought to the attention of the commissioner, and determine whether sufficient cause exists to sustain the order. Within 15 days after receiving the request, the commissioner shall issue a written report ordering that the prohibition, revocation, or civil penalty be either sustained or rescinded. The review provided in this subdivision is not subject to the contested case provisions of the administrative procedure act in sections 14.01 to 14.70. The availability of administrative review shall have no effect upon the availability of judicial review under this section.

Sec. 3. Minnesota Statutes 1986, section 361.121, is amended by adding a subdivision to read:

Subd. 2b. [JUDICIAL REVIEW.] Within 30 days following receipt of a notice and order imposing sanctions under this section, a person may petition the court for review. The petition must be filed with the court administrator of the county, municipal, or unified trial court in the county where the incident occurred which gave rise to the test demand and refusal, together with proof of service of a copy on the commissioner and the prosecuting authority for misdemeanor offenses for the jurisdiction in which the incident occurred. No responsive pleading must be required of the commissioner of natural resources, and no court fees must be charged for the appearance of the representative of the commissioner in the matter.

The petition must be captioned in the name of the person making the petition as petitioner and the commissioner as respondent. The petition must state with specificity the grounds upon which the petitioner seeks rescission of the order imposing sanctions.

The filing of the petition does not stay the revocation or prohibition against operation of a motorboat. However, the filing of a

petition shall stay imposition of the civil penalty. The judicial review shall be conducted according to the rules of civil procedure.

Sec. 4. Minnesota Statutes 1986, section 361.121, is amended by adding a subdivision to read:

Subd. 2c. [HEARING.] A hearing under this section must be before a municipal, county, or unified trial court judge in the county where the incident occurred which gave rise to the test demand and refusal. The hearing must be to the court, and may be conducted at the same time as hearings upon pretrial motions in the criminal prosecution under section 361.12. The hearing must be recorded. The commissioner must be represented by the prosecuting authority for misdemeanor offenses for the jurisdiction in which the incident occurred which gave rise to the test demand and refusal.

The hearing must be held at the earliest practicable date and in any event no later than 60 days following the filing of the petition for review. The reviewing court may order a temporary stay of the balance of the prohibition or revocation if the hearing has not been conducted within 60 days after filing of the petition, upon the application of the petitioner and upon terms the court deems proper.

The scope of the hearing must be limited to the issues of:

(1) whether the officer had probable cause to believe that the person was operating or in physical control of a motorboat in violation of section 361.12;

(2) whether one of the conditions in subdivision 1 existed;

(3) whether the person was informed as prescribed in subdivision 3; and

(4) whether the person refused to submit to testing.

It is an affirmative defense for the petitioner to prove that, at the time of the refusal, the petitioner's refusal to permit the test was based upon reasonable grounds.

The court shall order that the prohibition or revocation be either sustained or rescinded, and shall either sustain or rescind the civil penalty imposed by the commissioner of natural resources. The court shall forward a copy of the order to the commissioner of natural resources.

Sec. 5. Minnesota Statutes 1986, section 361.121, subdivision 3, is amended to read:

Subd. 3. [RIGHTS AND OBLIGATIONS.] At the time a test is requested, the person must be informed:

(1) that Minnesota law requires a person to take a test to determine if the person is under the influence of alcohol or a controlled substance;

(2) that a person is subject to a civil penalty ~~not to exceed \$700 of \$500~~ for refusing to take the test and, in addition, the person is prohibited from operating any motorboat, as provided under subdivision 2, for refusing to take the test;

(3) that if testing is refused it will not affect the person's motor vehicle driver's license;

(4) that if the test is taken and the results indicate that the person is under the influence of alcohol or a controlled substance, the person will be subject to criminal penalties and in addition to any other penalties the court may impose, the person's operating privileges will be suspended as provided under section 361.12, subdivision 6, paragraph (a);

(5) that, after submitting to testing, the person has the right to have additional tests made by someone of the person's own choosing; and

(6) that a refusal to take a test will be offered into evidence against the person at trial.

Sec. 6. Minnesota Statutes 1986, section 361.121, is amended by adding a subdivision to read:

Subd. 8. [CIVIL PENALTY; PAYMENT.] The civil penalty imposed under subdivision 2 must be paid to the political subdivision that represents the commissioner on the petition for judicial review or, in the event that no petition is filed, to the political subdivision that would have represented the commissioner had a petition been filed. If a person does not pay the civil penalty, the prohibition against operating motorboats is automatically extended until the political subdivision reports in writing to the commissioner that the penalty has been paid.

Sec. 7. Minnesota Statutes 1986, section 361.121, is amended by adding a subdivision to read:

Subd. 9. [CIVIL PENALTY; ENFORCEMENT.] If a person does not pay the civil penalty imposed under subdivision 2 within 30 days of the time the penalty was imposed, the prosecuting authority representing the commissioner may petition the municipal, county, or unified court in the jurisdiction where the incident occurred to file

the order imposing the civil penalty as an order of the court. Once entered, the order may be enforced in the same manner as a final judgment of the court. In addition to the penalty, attorney's fees, costs, and interest may be assessed against any person who fails to pay the civil penalty.

#### "ARTICLE 1

##### Section 1. [136A.89] [CHILD CARE GRANT PROGRAM.]

Subdivision 1. [CREATION.] There is created a child care grant program under the supervision of the higher education coordinating board. The program makes funds available to students, including students who are employed, to reduce the costs of child care while attending an eligible institution.

Subd. 2. [DEFINITIONS.] As used in this section, the following words have the meaning given them here.

(a) "AFDC" means recipients of aid to families with dependent children.

(b) "Board" means the Minnesota higher education coordinating board.

(c) "Child" means any person 12 years of age or younger, or a person age 13 or 14 who is handicapped, as defined in section 120.03.

(d) "Child care" means the care of a child by someone other than a parent or legal guardian in or outside the child's own home for gain or otherwise, on a regular basis, for any part of a 24-hour day.

(e) "Director" means the executive director of the higher education coordinating board.

(f) "Eligible institution" means an institution within one of the systems as defined under clause (i).

(g) "Number of students with dependent children" means the sum of all Minnesota residents enrolled in eligible institutions who report dependents on their application to the state scholarship and grant program.

(h) "Priority groups" means caretakers receiving AFDC who are under the age of 22, do not have a high school diploma or general equivalency diploma, or have been receiving aid to families with dependent children for more than 24 months of the last 36 months.

(i) "Systems" are the public post-secondary education system, including the University of Minnesota, state universities, community colleges, and area vocational technical institutes.

Subd. 3. [DUTIES OF THE DIRECTOR.] The director shall set aside one-half of child care funds appropriated under this section for use by AFDC recipients attending eligible institutions. The director shall ensure that priority for use of funds is given to the priority groups within the aid to families with dependent children caseload. If systems report that priority recipients are not being served, the director may restrict the use of funds set aside under subdivision 4 so that one-half of the set-aside funds are reserved for priority recipients.

Subd. 4. [ALLOCATION OF FUNDS.] (a) The board shall allocate funds to the systems as follows:

(1) set-aside funds are allocated to each system based on the number of students in the system receiving AFDC in the most recent school year; and

(2) remaining funds are allocated to each system based on the number of students with dependent children enrolled in the system in the last fiscal year.

(b) By April 1 of each year, each system must return to the board the amount of funds it projects will not be used within the system during the remainder of the fiscal year. The board must redistribute these funds among the systems as needed. Board procedures governing redistribution of state scholarship and grant money apply to the redistribution of funds under this section.

Subd. 5. [DISTRIBUTION OF GRANTS.] Systems receiving grants under this section must:

(1) allocate funds using the same eligibility requirements, payment rates for child care services, and sliding fee schedules as established by the commissioner of human services under section 268.91;

(2) reserve set-aside funds for the exclusive use of students receiving AFDC, except as follows: if the system can project, at the end of the first year of funding that all set-aside funds allocated for the year will not be used, the system may release a reasonable proportion of the funds for use by other students with dependent children. In making projections and redistributing funds under this clause, a system must take into account customary changes in attendance patterns over the course of a school year as well as information from local agencies and service providers on the number of anticipated students and must retain for the exclusive use of students who receive AFDC sufficient funds to fill projected needs but not less than 65 percent of the set-aside funds;

(3) in distributing set-aside funds, give priority to recipients identified by their case managers as having a priority for services, as follows: when a system receives notice from a case manager that a priority recipient is applying for child care funds, the system must immediately reserve funds for the recipient. Before August 1, 1988, the system must review its use of set-aside funds to see whether any priority recipients were denied funds. If any priority recipients were denied funds and if less than one-half of the set-aside funds were used for priority recipients, the system must develop a distribution formula that reserves one-half of the set-aside funds for priority recipients and must report to the director the extent to which funds were unavailable for priority recipients;

(4) enter into cooperative agreements with employment and training service providers as necessary to coordinate the use of set-aside funds for priority group members;

(5) submit to the director quarterly reports on program activity during the preceding quarter. Expenditures shall be reported for students who are:

- (a) AFDC recipients;
- (b) AFDC recipients who are also a member of a priority group; and
- (c) not AFDC recipients.

These reports shall include the names, social security numbers, and child care costs of each AFDC recipient. The director shall submit the reports to the commissioner of human services to maximize federal financial participation in the aid to families with dependent children employment special needs program under section 256.736, subdivision 8. Federal funds obtained shall be used to expand the child care fund under Minnesota Statutes 1986, section 268.91. The reports shall include other information required by the director or the commissioner of human services for the administration and evaluation of the program.

Subd. 6. [ELIGIBLE STUDENTS.] (a) An applicant is eligible for a child care grant if the applicant:

- (1) is a resident of the state of Minnesota or is a recipient of aid to families with dependent children;
- (2) is pursuing a program or course of study that applies to an undergraduate degree, diploma, or certificate; and
- (3) is attending an eligible institution.

Child care grants shall be awarded for a single term as defined by the institution in accordance with policies of the higher education coordinating board. Awards may be renewable but the recipient of an award must supply additional information on child care expenses.

(b) Recipients who have completed their post-secondary education and had received child care funds from the higher education coordinating board during that education shall be assured sliding fee funds for employment and training programs for up to nine months after graduation if they meet eligibility standards established in section 56.

Sec. 2. Minnesota Statutes 1986, section 256B.06, subdivision 1, is amended to read:

Subdivision 1. Medical assistance may be paid for any person:

(1) who is a child eligible for or receiving adoption assistance payments under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676 under Minnesota Statutes, section 259.40 or 259.431; or

(2) who is a child eligible for or receiving foster care maintenance payments under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676; or

(3) who is eligible for or receiving public assistance under the aid to families with dependent children program, the Minnesota supplemental aid program; or

(4) who is a pregnant woman, as certified in writing by a physician or nurse midwife, and who (a) meets the other eligibility criteria of this section, and (b) would be categorically eligible for assistance under the aid to families with dependent children program if the child had been born and was living with the woman; or

(5) who is a pregnant woman, as certified in writing by a physician or nurse midwife, who meets the other eligibility criteria of this section and whose unborn child would be eligible as a needy child under clause (9) if born and living with the woman; or

(6) who meets the categorical eligibility requirements of the supplemental security income program and the other eligibility requirements of this section; or

(7) who, except for the amount of income or resources, would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children, and who meets the other eligibility requirements of this section; or

(8) who is under 21 years of age and in need of medical care that neither the person nor the person's relatives responsible under sections 256B.01 to 256B.26 are financially able to provide; or

(9) who is an infant less than one year of age born on or after October 1, 1984, whose mother was eligible at the time of birth and who remains in the mother's household. Eligibility under this clause is concurrent with the mother's and does not depend on the father's income except as the income affects the mother's eligibility; or

(10) who is residing in a hospital for treatment of mental disease or tuberculosis and is 65 years of age or older and without means sufficient to pay the per capita hospital charge; and

(11) who resides in Minnesota, or, if absent from the state, is deemed to be a resident of Minnesota in accordance with the rules of the state agency; and

(12) who alone, or together with the person's spouse, does not own real property other than the homestead. For the purposes of this section, "homestead" means the house owned and occupied by the applicant or recipient as a primary place of residence, together with the contiguous land upon which it is situated. The homestead shall continue to be excluded for persons residing in a long-term care facility if it is used as a primary residence by the spouse, minor child, or disabled child of any age; or the applicant/recipient is expected to return to the home as a principal residence within six calendar months of entry to the long-term care facility. Certification of expected return to the homestead shall be documented in writing by the attending physician. Real estate not used as a home may not be retained unless it produces net income applicable to the family's needs or the family is making a continuing effort to sell it at a fair and reasonable price or unless the commissioner determines that sale of the real estate would cause undue hardship or unless the equity in the real estate when combined with the equity in the homestead totals \$15,000 or less; and

(13) who individually does not own more than \$3,000 in cash or liquid assets, or if a member of a household with two family members (husband and wife, or parent and child), does not own more than \$6,000 in cash or liquid assets, plus \$200 for each additional legal dependent. In addition to these maximum amounts, an eligible individual or family may accrue interest on these amounts, but they must be reduced to the maximum at the time of an eligibility redetermination. For residents of long-term care facilities, the accumulation of the clothing and personal needs allowance pursuant to section 256B.35 must also be reduced to the maximum at the time of the eligibility redetermination. Cash and liquid assets may include a prepaid funeral contract and insurance policies with cash surrender value. The value of the following shall not be included:

(a) the homestead, and (b) one motor vehicle licensed pursuant to chapter 168 and defined as: (1) passenger automobile, (2) station wagon, (3) motorcycle, (4) motorized bicycle or (5) truck of the weight found in categories A to E, of section 168.013, subdivision 1e; and

(14) who has or anticipates receiving an annual income not in excess of the income standards by family size used in the aid to families with dependent children program, except that families and children may have an income up to  $133\frac{1}{3}$  of the AFDC payment standard, or who has income in excess of these maxima and in the month of application, or during the three months prior to the month of application, incurs expenses for medical care that total more than one-half of the annual excess income in accordance with the rules of the state agency. Notwithstanding any laws or rules to the contrary, in computing income to determine eligibility of persons who are not residents of long-term care facilities, the commissioner shall disregard increases in income as required by Public Law Number 94-566, section 503. In excess income cases, eligibility shall be limited to a

period of six months beginning with the first of the month in which these medical obligations are first incurred; and

(15) who has continuing monthly expenses for medical care that are more than the amount of the person's excess income, computed on a monthly basis, in which case eligibility may be established before the total income obligation referred to in the preceding paragraph is incurred, and medical assistance payments may be made to cover the monthly unmet medical need. In licensed nursing home and state hospital cases, income over and above that required for justified needs, determined pursuant to a schedule of contributions established by the commissioner of human services, is to be applied to the cost of institutional care. The commissioner of human services may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care; and

(16) who has applied or agrees to apply all proceeds received or receivable by the person or the person's spouse from automobile accident coverage and private health care coverage to the costs of medical care for the person, the spouse, and children. The state agency may require from any applicant or recipient of medical assistance the assignment of any rights accruing under private health care coverage. Any rights or amounts so assigned shall be applied against the cost of medical care paid for under this chapter. Any assignment shall not be effective as to benefits paid or provided under automobile accident coverage and private health care coverage prior to receipt of the assignment by the person or organization providing the benefits.

Sec. 3. Minnesota Statutes 1986, section 256.01, subdivision 2, is amended to read:

Subd. 2. [SPECIFIC POWERS.] Subject to the provisions of section 241.021, subdivision 2, the commissioner of human services shall:

(1) Administer and supervise all forms of public assistance provided for by state law and other welfare activities or services as are vested in the commissioner.

(2) Administer and supervise all child welfare activities; promote the enforcement of laws protecting handicapped, dependent, neglected and delinquent children, and children born to mothers who were not married to the children's fathers at the times of the conception nor at the births of the children; license and supervise child-caring and child-placing agencies and institutions; supervise the care of children in boarding and foster homes or in private institutions; and generally perform all functions relating to the field of child welfare now vested in the state board of control.

(3) Administer and supervise all noninstitutional service to handicapped persons, including those who are visually impaired, hearing impaired, or physically impaired or otherwise handicapped. The commissioner may provide and contract for the care and treatment of qualified indigent children in facilities other than those located and available at state hospitals when it is not feasible to provide the service in state hospitals.

(4) Assist and actively cooperate with other departments, agencies and institutions, local, state, and federal, by performing services in conformity with the purposes of Laws 1939, chapter 431.

(5) Act as the agent of and cooperate with the federal government in matters of mutual concern relative to and in conformity with the provisions of Laws 1939, chapter 431, including the administration of any federal funds granted to the state to aid in the performance of any functions of the commissioner as specified in Laws 1939, chapter 431, and including the promulgation of rules making uniformly available medical care benefits to all recipients of public assistance, at such times as the federal government increases its participation in assistance expenditures for medical care to recipients of public assistance, the cost thereof to be borne in the same proportion as are grants of aid to said recipients.

(6) Establish and maintain any administrative units reasonably necessary for the performance of administrative functions common to all divisions of the department.

(7) Administer and supervise any additional welfare activities and services as are vested by law in the department.

(8) The commissioner is designated as guardian of both the estate and the person of all the wards of the state of Minnesota, whether by operation of law or by an order of court, without any further act or proceeding whatever, except as to persons committed as mentally retarded.

(9) Act as coordinating referral and informational center on requests for service for newly arrived immigrants coming to Minnesota.

(10) The specific enumeration of powers and duties as hereinabove set forth shall in no way be construed to be a limitation upon the general transfer of powers herein contained.

(11) Establish county, regional, or statewide schedules of maximum fees and charges which may be paid by local agencies for medical, dental, surgical, hospital, nursing and nursing home care and medicine and medical supplies under all programs of medical care provided by the state and for congregate living care under the income maintenance programs.

(12) Have the authority to conduct and administer experimental projects to test methods and procedures of administering assistance and services to recipients or potential recipients of public welfare. To carry out such experimental projects, it is further provided that the commissioner of human services is authorized to waive the enforcement of existing specific statutory program requirements, rules, and standards in one or more counties. The order establishing the waiver shall provide alternative methods and procedures of administration, shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and in no event shall the duration of a project exceed ~~two~~ four years. It is further provided that no order establishing an experimental project as authorized by the provisions of this section shall become effective until the following conditions have been met:

(a) The proposed comprehensive plan including estimated project costs and the proposed order establishing the waiver shall be filed with the secretary of the senate and chief clerk of the house of representatives at least 60 days prior to its effective date.

(b) The secretary of health, education, and welfare of the United States has agreed, for the same project, to waive state plan requirements relative to statewide uniformity.

(c) A comprehensive plan, including estimated project costs, shall be approved by the legislative advisory commission and filed with the commissioner of administration.

(a) One-half of the total amount of the disallowance shall be borne by the county boards responsible for administering the programs and shall be shared by each county board in the same proportion as that county's expenditures for the sanctioned program are to the total of all counties' expenditures for that program. Each county shall pay its share of the disallowance to the state of Minnesota. When a county fails to pay the amount due hereunder, the commissioner may deduct the amount from reimbursement otherwise due the county, or the attorney general, upon the request of the commissioner, may institute civil action to recover the amount due.

(b) Notwithstanding the provisions of paragraph (a), if the disallowance results from knowing noncompliance by one or more coun-

ties with a specific program instruction, and that knowing noncompliance is a matter of official county board record, the commissioner may require payment or recover from the county or counties, in the manner prescribed in paragraph (a), an amount equal to the portion of the total disallowance which resulted from the noncompliance, and may distribute the balance of the disallowance according to paragraph (a).

(15) Develop and implement special projects that maximize reimbursements and result in the recovery of money to the state. For the purpose of recovering state money, the commissioner may enter into contracts with third parties. Any recoveries that result from projects or contracts entered into under this paragraph shall be deposited in the state treasury and credited to a special account until the balance in the account reaches \$400,000. When the balance in the account exceeds \$400,000, the excess shall be transferred and credited to the general fund. All money in the account is appropriated to the commissioner for the purposes of this paragraph.

[STATE SHARE.] (a) The state must pay 75 percent of costs incurred by counties under subdivision 11, except that after July 1, 1988, the commissioner shall adjust the state share to reflect county performance. Factors which the commissioner may consider in adjusting the state share must include, but are not limited to, the following:

(c) The commissioner shall allocate funds for employment and training services to the counties as follows:

(1) a portion based on the average monthly number of AFDC-UP cases in each county, to be used for the employment search activities described in subdivision 13;

(2) a portion based on the average monthly number of all AFDC cases to be used for the orientation and referral activities described in subdivision 10; and

(3) a portion based on the average monthly number of caretakers receiving AFDC who are under the age of 22 and the average monthly number of AFDC cases open for 24 or more consecutive months. Sec. 19. Minnesota Statutes 1986, section 256.74, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT.] The amount of assistance which shall be granted to or on behalf of any dependent child and mother or other needy eligible relative caring for the dependent child shall be determined by the county agency in accordance with rules promulgated by the commissioner and shall be sufficient, when added to all other income and support available to the child, to provide the child with a reasonable subsistence compatible with decency and health. The amount shall be based on the method of budgeting required in Public Law Number 97-35, section 2315, United States Code, title 42, section 602, as amended and federal regulations at Code of Federal Regulations, title 45, section 233. Nonrecurring lump sum income received by an assistance unit must be budgeted in the normal retrospective cycle. The number of months of ineligibility is determined by dividing the amount of the lump sum income and all other income, after application of the applicable disregards, by the standard of need for the assistance unit. An amount remaining after this calculation is income in the first month of eligibility. If the total monthly income including the lump sum income is larger than the standard of need for a single month the first month of ineligibility is the payment month that corresponds with the budget month in which the lump sum income was received. In making its determination the county agency shall disregard the following from family income:

(1) all of the earned income of each dependent child receiving aid to families with dependent children who is a full-time student or part-time student, and not a full-time employee, attending a school, college, or university, or a course of vocational or technical training designed to fit students for gainful employment as well as all the earned income derived from the job training and partnership act (JTPA) for a dependent child for six calendar months per year, together with unearned income derived from the job training and partnership act;

(2) all educational grants and loans awarded pursuant to a federal law when public assistance was considered in making the award and the award was made on the basis of financial need; and that part of any other educational grant or loan which is used for educational purposes, such as tuition, fees, equipment, transportation and child care expenses necessary for school attendance;

(3) the first \$75 of each individual's earned income. For self-employed persons, the expenses directly related to producing goods and services and without which the goods and services could not be produced shall be disregarded pursuant to rules promulgated by the commissioner;

(4) an amount equal to the actual expenditures but not to exceed \$160 for the care of each dependent child or incapacitated individual

living in the same home and receiving aid. In the case of a person not engaged in full-time employment or not employed throughout the month, the commissioner shall prescribe by rule a lesser amount to be disregarded;

(5) thirty dollars plus one-third of the remainder of each individual's earned income not already disregarded for individuals found otherwise eligible to receive aid or who have received aid in one of the four months before the month of application. With respect to any month, the county welfare agency shall not disregard under this clause any earned income of any person who has:

(a) reduced earned income without good cause within 30 days preceding any month in which an assistance payment is made; or

(b) refused without good cause to accept an offer of suitable employment; or

(c) left employment or reduced earnings without good cause and applied for assistance so as to be able later to return to employment with the advantage of the income disregard; or

(d) failed without good cause to make a timely report of earned income in accordance with rules promulgated by the commissioner of human services.

Persons who are already employed and who apply for assistance shall have their needs computed with full account taken of their earned and other income. If earned and other income of the family is less than need, as determined on the basis of public assistance standards, the county agency shall determine the amount of the grant by applying the disregard of income provisions. The county agency shall not disregard earned income for persons in a family if the total monthly earned and other income exceeds their needs, unless for any one of the four preceding months their needs were met in whole or in part by a grant payment.

The disregard of \$30 and one-third of the remainder of earned income described in clause (5) shall be applied to the individual's income for a period not to exceed four consecutive months. Any month in which the individual loses this disregard because of the provisions of clauses (5)(a) to (5)(d) shall be considered as one of the four months. An additional \$30 work incentive must be available for an eight-month period beginning in the month following the last month of the combined \$30 and one-third work incentive. This period must be in effect whether or not the person has earned income or is eligible for AFDC. To again qualify for the earned income disregards under clause (d), the individual must not be a recipient of aid for a period of 12 consecutive months. When an assistance unit becomes ineligible for aid due to the fact that these disregards are no longer applied to income, the assistance unit shall be eligible for

medical assistance benefits for a 12-month period beginning with the first month of AFDC ineligibility;

(6) the first \$50 per assistance unit of the monthly support obligation collected by the support and recovery (IV-D) unit; and

(7) that portion of an insurance settlements settlement earmarked and used to pay medical bills, to compensate a member of an assistance unit for partial or permanent loss of function or a body part expenses, funeral and burial costs, or to repair or replace insured property.

The first \$50 of periodic support payments collected by the public authority responsible for child support enforcement from a person with a legal obligation to pay support for a member of the assistance unit shall be paid to the assistance unit within 15 days of the collection of such periodic support payments and shall be disregarded in determining the amount of assistance.

(6) further the objectives of the biennial plan by recommending to the governor transfer of one or more employment and training services or income maintenance and support services to a certified service provider other than a state agency;

(7) initiate emergency wage subsidies, consider the recommendations of the commissioner of jobs and training for the use of the discretionary portion of wage subsidy appropriations, and allocate the discretionary portion of wage subsidy appropriations;

(10) by October 1, 1987, establish by permanent or emergency rule under chapter 14 the standards by which the commissioner of jobs and training shall certify employment and training service providers, including a requirement that certified providers have the ability to access available federal, state, and local employment and training services, educational services, and appropriate support services;

(11) decertify service providers after consultation with the commissioner;

(12) contract with another local service unit or certified service provider for employment and training services in that local service unit if the coordinator, after consultation with the commissioner of jobs and training, finds that a local service unit consistently fails to provide service of sufficient quantity and quality to satisfy criteria established for the receipt of state money; ~~and~~

(13) ratify or disapprove the commissioner of jobs and training's decisions regarding the approval or disapproval of local service unit plans and community investment program plans; and

(14) require state agencies, local agencies, and employment and training service providers to collect and provide any information necessary to evaluate the effectiveness of employment, training, education, and support services.

(b) Set-aside funds shall be subject to the same sliding fee schedule and other requirements as the remainder of the sliding fee program.

(c) The county shall use the set-aside funds for persons in the priority groups in the aid to families with dependent children program defined in section 5. (d) If the commissioner finds, on or after January 1 of a fiscal year, that set-aside funds are not being fully utilized, the commissioner may permit counties to use set-aside funds for recipients of aid to families with dependent children who are not members of the priority groups, as long as priority for use of the funds will continue to be given to the priority groups.

(b) The commissioner shall make payments to each county in quarterly installments. The commissioner may certify an advance for the first quarter of the fiscal year. Later payments must be based on actual expenditures as reported in the quarterly financial and program activity report.

Child care services to families whose incomes are below the threshold of eligibility for aid to families with dependent children, but that are not receiving aid to families with dependent children, must be made available without cost to the families.

(c) Child care services to families with incomes in the commissioner's established range must be made available on a sliding fee basis. The lower limit of the sliding fee range must be the eligibility limit for aid to families with dependent children. The upper limit of the range must be neither less than 70 percent nor more than 90 percent of the state median income for a family of four, adjusted for family size.

(d) If a disproportionate amount of the available money is provided to any one of the groups described in subdivision 4, paragraph (a), the county board shall document to the commissioner the reason the group received a disproportionate share. If a county projects that its child care allocation is insufficient to meet the needs of all groups eligible for these funds, it may prioritize new applications among the groups to be served. Set-aside funds shall be prioritized by the state, and counties do not have discretion over the use of these funds.

The county shall advance its portion of sliding fee costs, based upon allocations made by the commissioner for that county for expenditures in the succeeding month. Adjustments of any overestimate or underestimate based on actual expenditures must be made by the commissioner by adjusting the estimate for any succeeding month after subtracting federal financial participation, fees, and other recoveries. The commissioner shall recover from the county as necessary to bring county expenditures into compliance with this subdivision.

(b) The commissioner shall recover from counties any state or federal funds found to be ineligible. If a federal audit exception is taken based on a percentage of federal earnings, all counties shall pay a share proportional to their respective federal earnings during the period in question.

A (c) To receive funds through this program, each county shall certify to the commissioner that the county has not reduced allocations from other federal, state, and county sources, which, in the absence of child care sliding fee or wage subsidy money, would have been available for child care services.

Sec. 42. Minnesota Statutes 1986, section 268.91, subdivision 7, is amended to read:

Subd. 7. [SLIDING FEE SCALE.] The sliding fee scale shall be designed so that the cost of child care to each family is affordable. The commissioner shall take into account basic living expenses of food, housing, and transportation. In setting the sliding fee schedule, the commissioner shall exclude from the amount of income used to determine eligibility an amount for federal and state income and social security taxes attributable to that income level according to federal and state standardized tax tables. The fee schedule must be designed to use any available tax credits and to progress smoothly from appropriated assistance to assistance through tax credits.

Sec. 43. Minnesota Statutes 1986, section 268.911, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY.] The commissioner of human services may make grants to public or private nonprofit agencies for the planning, establishment, expansion, improvement, or operation of child care resource and referral programs and child care services according to the provisions of this section and may make grants to county boards to carry out the purposes of section 245.84.

## ARTICLE 2

Section 1. [FEDERAL AUTHORITY.]

Subdivision 1. [LEGISLATIVE AUTHORITY.] (a) The commissioner of human services shall seek from the Congress of the United States authority to modify the administration and delivery of the aid to families with dependent children program (AFDC) in Minnesota. The commissioner shall seek authority to:

(1) disregard more earned income of a recipient than currently allowed under United States Code, title 42, section 602(a)(8)(B)(ii). The purpose of this change is to provide an incentive to work and prevent recipients from experiencing a sudden loss of income after four months of employment;

(2) exclude from consideration in computing the income of an AFDC caretaker parent under the age of 18 any income of the parents of the caretaker parent, without regard to the residence of the caretaker parent. The purpose of this change is to allow a minor parent to receive financial assistance while remaining in a supportive home environment;

(3) determine the maximum value of an automobile which can be excluded as an asset under United States Code, title 42, section 602(a)(7)(B)(i). The purpose of this change is to recognize the need of AFDC recipients for reliable transportation in order to participate in work and training and become self-sufficient;

(4) disregard, in computing income, the cost of child care beyond that currently allowed under United States Code, title 42, section 602(a)(8)(A)(iii). The purpose of this change is to recognize the need of AFDC recipients for quality reliable child care in order to participate in work and training and become self-sufficient;

(5) permit a principal earner in a family receiving AFDC-UP to work more than 100 hours per month without being disqualified from the program. The purpose of this change is to recognize the financial reality of AFDC-UP families and to help the families achieve financial security before leaving the program. For the purposes of this subdivision, AFDC-UP refers to AFDC clients who are eligible for assistance because of unemployment as defined under section 256.12, subdivision 14;

(6) require that, as a condition of receiving aid to families with dependent children, minor parents of children six weeks of age and older who have not completed a high school education be required either to attend high school or to work toward a general education diploma as long as necessary child care and transportation services are available to them. Minor parents of children with special health needs are exempt from this requirement;

(7) allow the use of vendor payments for recipients who do not fulfill the conditions of clause (6); and

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [617.80] [DEFINITIONS.]

Subdivision 1. [GENERALLY.] The definitions in this section apply to sections 1 to 8.

Subd. 2. [BUILDING.] “Building” means a structure suitable for human shelter, a commercial structure that is maintained for business activities that involve human occupation, or any portion of such structures.

Subd. 3. [MOVABLE PROPERTY.] “Movable property” means furniture and fixtures.

Subd. 4. [PROSTITUTION.] “Prostitution” or “prostitution related offenses” means the conduct defined in sections 609.321 to 609.324.

Subd. 5. [GAMBLING.] “Gambling” or “gambling related offenses” means the conduct described in sections 609.75 to 609.762.

Subd. 6. [DISORDERLY HOUSE.] "Disorderly house" has the meaning assigned to it in section 609.33.

Subd. 7. [OWNER.] "Owner" for purposes of sections 1 to 8 means the person in whose name the building or affected portion is recorded with the county auditor for taxation purposes.

Subd. 8. [INTERESTED PARTY.] "Interested party" for purposes of sections 1 to 8 means any lessee, tenant, or occupant of a building or affected portion of a building and any known agent of an owner, lessee, tenant, or occupant.

Sec. 2. [617.81] [NUISANCE; ACTS CONSTITUTING; INJUNCTION; NOTICE.]

Subdivision 1. [INJUNCTION.] In order to obtain a temporary injunction under section 3 or a permanent injunction or order of abatement under section 4, the provisions of sections 1 to 8 must be followed.

Subd. 2. [ACTS CONSTITUTING A NUISANCE.] For purposes of sections 1 to 8 a public nuisance exists upon proof of any of the following:

(1) three or more misdemeanor convictions or two or more convictions, of which at least one is a gross misdemeanor or felony, within the previous two years for acts of prostitution or prostitution related offenses committed within the building;

(2) three or more misdemeanor convictions or two or more convictions, of which at least one is a gross misdemeanor or felony, within the previous two years for acts of gambling or gambling related offenses committed within the building; or

(3) two or more convictions within the previous two years for keeping or permitting a disorderly house within the building.

Subd. 3. [NOTICE.] Notice of a conviction described in subdivision 2 must be mailed by the court administrator to the owner of the building where the offense was committed and all other interested parties and must be filed with the county recorder's office. This notice is considered sufficient to inform all interested parties that the building or a portion of it is being used for purposes constituting a public nuisance.

Sec. 3. [617.82] [TEMPORARY ORDER.]

Whenever a city attorney, county attorney, or the attorney general has cause to believe that a nuisance described in section 2, subdivision 2, exists within the jurisdiction the attorney serves, that

attorney may by verified petition seek a temporary injunction in district court in the county in which the alleged public nuisance exists. No temporary injunction may be issued without a prior show cause notice of hearing to the respondents named in the petition and an opportunity for the respondents to be heard. Upon proof of a nuisance described in section 2, subdivision 2, the court shall issue a temporary injunction. Any temporary injunction issued must describe the conduct to be enjoined.

Sec. 4. [617.83] [INJUNCTION; ORDER OF ABATEMENT.]

Upon proof of a nuisance described in section 2, subdivision 2, the court shall issue a permanent injunction and enter an order of abatement. The permanent injunction must describe the conduct permanently enjoined. The order of abatement must direct the closing of the building or a portion of it for one year, except as otherwise provided in section 5 or 6, unless sooner released pursuant to section 8. Before an abatement order is enforced against a building or portion of it, the owner must be served with the abatement order and a notice of the right to file a motion under section 6 in the same manner that a summons is served under the rules of civil procedure. A copy of the abatement order shall also be posted in a conspicuous place on the building or affected portion.

Sec. 5. [617.84] [MOVABLE PROPERTY.]

The order of abatement may direct the removal of movable property used in conducting or maintaining the nuisance and direct the sale of property belonging to a respondent who was notified or appeared. The sale shall be conducted pursuant to the provisions of chapter 550 on the sale of property on execution. A person appointed by the court as receiver of the building may use a building or portion of it which is the subject of an abatement order in a manner approved by the court. Costs of the sale on execution, moving and storage fees, and any receivership must be paid out of the receipts from the sale of the movable property or any rents collected during the receivership. The balance from the sale of movable property must be paid to the owner of the property. The balance from any rents collected during any receivership shall be paid to the treasury of the unit of government which brought the abatement action.

Sec. 6. [617.85] [NUISANCE; MOTION TO CANCEL LEASE.]

Where an abatement of a nuisance is sought and the circumstances that are the basis for the requested abatement involved the acts of a commercial or residential tenant or lessee of part or all of a building, the owner of the building that is subject to the abatement proceeding may file before the court that has jurisdiction over the abatement proceeding a motion to cancel the lease or otherwise secure restitution of the premises from the tenant or lessee who has maintained or conducted the nuisance. In addition to the grounds

provided in chapter 566, the maintaining or conducting of a nuisance as defined in section 2, subdivision 2, by a tenant or lessee, is an additional ground authorized by law for seeking the cancellation of a lease or the restitution of the premises. It is no defense to a motion under this section by the owner that the lease or other agreement controlling the tenancy or leasehold does not provide for eviction or cancellation of the lease upon the ground provided in this section.

Upon a finding by the court that the tenant or lessee has maintained or conducted a nuisance in any portion of the building under the control of the tenant or lessee, the court shall order cancellation of the lease or tenancy and grant restitution of the premises to the owner. The court must not order abatement of the premises if the court:

(a) upon the motion of the building owner cancels a lease or tenancy and grants restitution of that portion of the premises to the owner; and

(b) further finds that the acts constituting the nuisance as defined in section 2, subdivision 2, were committed in a portion of the building under the control of the tenant or lessee whose lease or tenancy has been cancelled pursuant to this section.

Sec. 7. [617.86] [CONTEMPT.]

Whoever violates a temporary injunction, permanent injunction, or abatement order granted under sections 1 to 8 may be adjudged in contempt of court.

Sec. 8. [617.87] [RELEASE OF PROPERTY.]

If, after an order of abatement has been entered, the owner appears and pays the costs of the action and files a bond in an amount determined by the court, but not to exceed \$50,000, conditioned that the owner will immediately abate the nuisance for a period of one year, the court may, if satisfied of the owner's good faith, order the release of the building or portion of it which is subject to the order of abatement. If the premises are released, for each day during the term of the bond that the owner knowingly permits any part of the premises to be used for any activity which was the basis of the abatement order, the owner shall forfeit \$1,000 under the bond. Forfeiture under the bond does not relieve the owner from prosecution for contempt. Release of the property pursuant to this section does not release it from an injunction issued under section 4 or any other judgment, penalty, lien, or liability to which it may be subject by law.

Sec. 9. [REPEALER.]

Minnesota Statutes 1986, sections 617.33; 617.34; 617.35; 617.36; 617.37; 617.38; 617.39; 617.40; and 617.41 are repealed."

Subdivision 1. [PURPOSE.] It is the purpose of this section to assist families to achieve self-sufficiency by making available health insurance on a sliding fee basis. The commissioner of human services shall manage the program and seek to maximize use of available federal and state funds to establish the broadest program possible within the appropriation available.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms shall have the meanings given them:

(a) "Families" means a child or children under age 18 and their biological or adoptive parents or stepparents who reside with them.

(b) "Eligible persons" means the following persons who reside in families with gross incomes less than 200 percent of the federal poverty guidelines and who are not eligible for medical assistance under chapter 256B or general assistance medical care under chapter 256D and who are not otherwise insured:

(1) pregnant women;

(2) families who have become ineligible for medical assistance within the last six months following the extensions allowed under section 256B.062; and

The health plan corporations shall provide or arrange to provide covered services to eligible persons. The commissioner shall select health plan corporations regulated under chapter 62A, 62C, or 62D who can promote health care provider efficiencies while preserving access and quality care. In addition, the commissioner is required to:

(1) ensure that all plans of coverage provide at least the covered services;

(2) assure access to existing public and nonprofit community health clinics if they are available in the service area and they agree to accept rates and conditions comparable to those agreed to by other participating providers for similar services;

(3) provide eligible persons with the opportunity to choose among all health plans under contract to the commissioner in the designated service area, to change plans without penalty within the initial 30 days, and to participate in an annual open enrollment period of 30 days;

(4) arrange to subsidize the contribution required of eligible persons who can purchase comparable coverage through an employer sponsored plan, if this would be less expensive;

(5) assure continuity of care for eligible persons who may experience a change in income and become eligible for medical assistance;

(6) establish premiums for enrollees covered under this program; and

(7) guarantee payment for the first prenatal care visit for program applicants, even if the applicant is later determined to be ineligible.

Subd. 4. [HEALTH PLAN CORPORATION DUTIES.] Health plan corporations that contract with the commissioner under this section must agree to:

(1) provide or arrange to provide, at a minimum, the covered services to all persons enrolled in the plan;

(2) ensure that medical and social risk assessments are completed for all enrolled pregnant women and that they receive risk appropriate care; and

(3) comply with other contractual terms and conditions established by the commissioner.

Subd. 5. [SLIDING FEE SCHEDULE.] Eligible persons shall contribute a specified percentage of the health plan premium not to exceed ten percent of their gross family income. For the first year of implementation, the sliding fee schedule must be as follows:

<u>Gross Income as a Percentage of the Federal Poverty Guideline</u>	<u>Enrollee Contribution</u>

<u>151 to 170 percent</u>	<u>30 percent</u>
<u>171 to 185 percent</u>	<u>50 percent</u>
<u>186 to 199 percent</u>	<u>70 percent</u>

The commissioner may review this fee schedule and modify it in rule for future years. Enrollees may not be required to pay any deductibles or coinsurance outside the sliding fee schedule, except for copayments allowed by the commissioner to control inappropriate utilization.

Subd. 6. [FUNDING; ALLOCATION.] (a) The commissioner must make a quarterly assessment of the expected expenditures for the program and the appropriation available.

To the extent possible, the commissioner shall allocate funds so that there is a reasonable relationship between enrollees in each county and the number of eligible persons in each county. Based on this assessment, the commissioner may limit enrollments in certain counties or all counties if the appropriations are not sufficient.

(b) If sufficient funds are not available to cover all costs incurred in one quarter, the commissioner may seek an additional authorization for funding from the legislative advisory committee.

Subd. 7. [ADMINISTRATION AND MARKETING.] The commissioner shall establish an office for the state administration of this program. A toll-free telephone number must be used to provide information and to provide access to the program. The commissioner shall establish a process for efficient orderly enrollment. Every six months, the commissioner shall make a redetermination of continued eligibility and identify people who may become eligible for medical assistance. The commissioner shall establish marketing efforts to encourage potentially eligible persons to receive information about the program. Applications and other information must be available in county social services offices. The commissioner shall make applications and other information available to organizations serving potentially eligible persons.

Subd. 8. [SUBROGATION.] Enrollees shall contract for and receive coverage for a period of no less than six months unless they become insured through some other plan of coverage. Notwithstanding any other law to the contrary, benefits under the family health insurance program are secondary to any other plan of insurance or benefit program under which an eligible person may have coverage. The commissioner shall establish procedures for identifying eligible persons who may have coverage or benefits under other plans of insurance or who become eligible for medical assistance and for notifying the health plan corporation with whom the persons are enrolled.

Subd. 9. [RULEMAKING AUTHORITY.] The commissioner shall adopt rules necessary to implement this section.

Subd. 10. [SPECIAL STUDY.] The commissioner shall report to the legislature by January 15, 1989, with recommendations for improving the program, evidence of state savings as a result of the program, and recommendations for a formal evaluation.

Sec. 2. Minnesota Statutes 1986, section 256B.06, subdivision 1, is amended to read:

Subdivision 1. Medical assistance may be paid for any person:

(1) who is a child eligible for or receiving adoption assistance payments under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676 under Minnesota Statutes, section 259.40 or 259.431; or

(2) who is a child eligible for or receiving foster care maintenance payments under Title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676; or

(3) who is eligible for or receiving public assistance under the aid to families with dependent children program, the Minnesota supplemental aid program; or

(4) who is a pregnant woman, as certified in writing by a physician or nurse midwife, and who (a) meets the other eligibility criteria of this section, and (b) would be categorically eligible for assistance under the aid to families with dependent children program if the child had been born and was living with the woman; or

(5) who is a pregnant woman, as certified in writing by a physician or nurse midwife, who meets the other eligibility criteria of this section and whose unborn child would be eligible as a needy child under clause (9) if born and living with the woman; or

(6) who meets the categorical eligibility requirements of the supplemental security income program and the other eligibility requirements of this section; or

(7) who, except for the amount of income or resources, would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children, and who meets the other eligibility requirements of this section; or

(8) who is under 21 years of age and in need of medical care that neither the person nor the person's relatives responsible under sections 256B.01 to 256B.26 are financially able to provide; or

(9) who is an infant less than one year of age born on or after October 1, 1984, whose mother was eligible at the time of birth and who remains in the mother's household. Eligibility under this clause is concurrent with the mother's and does not depend on the father's income except as the income affects the mother's eligibility; or

(10) who is residing in a hospital for treatment of mental disease or tuberculosis and is 65 years of age or older and without means sufficient to pay the per capita hospital charge; and

(11) who resides in Minnesota, or, if absent from the state, is deemed to be a resident of Minnesota in accordance with the rules of the state agency; and

(12) who alone, or together with the person's spouse, does not own real property other than the homestead. For the purposes of this section, "homestead" means the house owned and occupied by the applicant or recipient as a primary place of residence, together with the contiguous land upon which it is situated. The homestead shall continue to be excluded for persons residing in a long-term care facility if it is used as a primary residence by the spouse, minor child, or disabled child of any age; or the applicant/recipient is expected to return to the home as a principal residence within six calendar months of entry to the long-term care facility. Certification of expected return to the homestead shall be documented in writing by the attending physician. Real estate not used as a home may not be retained unless it produces net income applicable to the family's

needs or the family is making a continuing effort to sell it at a fair and reasonable price or unless the commissioner determines that sale of the real estate would cause undue hardship or unless the equity in the real estate when combined with the equity in the homestead totals \$15,000 or less; and

(13) who individually does not own more than \$3,000 in cash or liquid assets, or if a member of a household with two family members (husband and wife, or parent and child), does not own more than \$6,000 in cash or liquid assets, plus \$200 for each additional legal dependent. In addition to these maximum amounts, an eligible individual or family may accrue interest on these amounts, but they must be reduced to the maximum at the time of an eligibility redetermination. For residents of long-term care facilities, the accumulation of the clothing and personal needs allowance pursuant to section 256B.35 must also be reduced to the maximum at the time of the eligibility redetermination. Cash and liquid assets may include a prepaid funeral contract and insurance policies with cash surrender value. The value of the following shall not be included:

(a) the homestead, and (b) one motor vehicle licensed pursuant to chapter 168 and defined as: (1) passenger automobile, (2) station wagon, (3) motorcycle, (4) motorized bicycle or (5) truck of the weight found in categories A to E, of section 168.013, subdivision 1e; and

(14) who has or anticipates receiving an annual income not in excess of the income standards by family size used in the aid to families with dependent children program, except that families and children may have an income up to  $133\frac{1}{3}$  of the AFDC payment standard, or who has income in excess of these maxima and in the month of application, or during the three months prior to the month of application, incurs expenses for medical care that total more than one-half of the annual excess income in accordance with the rules of the state agency. Notwithstanding any laws or rules to the contrary, in computing income to determine eligibility of persons who are not residents of long-term care facilities, the commissioner shall disregard increases in income as required by Public Law Number 94-566, section 503. In excess income cases, eligibility shall be limited to a period of six months beginning with the first of the month in which these medical obligations are first incurred; and

(15) who has continuing monthly expenses for medical care that are more than the amount of the person's excess income, computed on a monthly basis, in which case eligibility may be established before the total income obligation referred to in the preceding paragraph is incurred, and medical assistance payments may be made to cover the monthly unmet medical need. In licensed nursing home and state hospital cases, income over and above that required for justified needs, determined pursuant to a schedule of contributions established by the commissioner of human services, is to be applied to the cost of institutional care. The commissioner of human

services may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care; and

(16) who has applied or agrees to apply all proceeds received or receivable by the person or the person's spouse from automobile accident coverage and private health care coverage to the costs of medical care for the person, the spouse, and children. The state agency may require from any applicant or recipient of medical assistance the assignment of any rights accruing under private health care coverage. Any rights or amounts so assigned shall be applied against the cost of medical care paid for under this chapter. Any assignment shall not be effective as to benefits paid or provided under automobile accident coverage and private health care coverage prior to receipt of the assignment by the person or organization providing the benefits.

The commissioner shall make a determination of cause or no probable cause within one year of the filing of any case in which the time has been tolled or a case certified as complex. to the increase in the implicit price deflator as provided in section 298.24, subdivision 1, paragraph (a). Each district shall receive the product of:

(i) \$150 times the pupil units identified in section 124.17, subdivision 1, enrolled in the second previous year or the 1983-1984 school year, whichever is greater, less the product of  $1\frac{3}{4}$  mills times the district's taxable valuation in the second previous year; times

In 1988 and 1989 the amount shall be the same as it is in 1987. Sec. 5. [298.331] [TACONITE TAX RELIEF AREA EMPLOYMENT FUND.]

The fund consists of the proceeds provided in section 298.28, subdivision 7a; gifts to the fund under subdivision 3; loans made to the fund under subdivision 4; and repayments under section 9, subdivision 4. The fund must be invested pursuant to law. Any interest or dividends arising from the investment of the fund must be included in and become part of the fund.

Subd. 2. [PURPOSE.] The purpose of the fund is to (1) encourage and assist in the creation of new industries and the development of new worker skills, and to increase long-term employment by providing temporary wage assistance to otherwise unemployed workers and their employers; and (2) provide research and development funds

to encourage utilization of resources indigenous to the tax relief area defined in section 273.134.

Subd. 3. [GIFTS TO FUND.] The commissioner of the iron range resources and rehabilitation board may accept private or public gifts, grants, or other assistance. The grants or other payments must be deposited in and become part of the fund. Other gifts or assistance must be used for the purposes of sections 6 to 12.

Subd. 7. [TERMINATION OF FUND.] The fund expires June 15, 1989. On termination of the fund, any unexpended or unallocated funds must be paid to the iron range resources and rehabilitation board for the purposes of section 298.22.

Sec. 6. [298.332] [DEFINITIONS.]

Subdivision 1. [TERMS.] For the purposes of sections 6 to 11, the following terms have the meanings given them.

Subdivision 1. [WAGE SUBSIDY AMOUNT; PRIORITY.] The commissioner shall establish the amount of assistance paid under sections 6 to 11. The assistance for an eligible job applicant employed under the program must not exceed \$5 per hour plus \$1 per hour for benefits. The commissioner may use the \$1 per hour benefits amount to purchase a group health insurance plan for employees participating in the program. Assistance may not be paid with respect to an eligible employee for a period longer than six months, unless the commissioner determines that the funds available exceed the cost of providing wage assistance to all eligible applicants for a period of six months.

The commissioner may establish standards to determine priorities in allocating available funds among eligible job applicants. The standards must give priority to applicants living in households with no other sources of income or applicants who receive public assistance payments.

Subd. 2. [CONTRACTS; COMPLIANCE.] The commissioner may contract with other state agencies, local governmental units or agencies, or certified local service providers to administer wage assistance payments under sections 6 to 11. The commissioner may not pay the expenses of the agency's, governmental unit's, or other provider's administration out of the fund established in section 5. The commissioner may contract with the commissioner of jobs and training to enforce compliance with sections 6 to 10, and, in that case, the commissioner of jobs and training has the enforcement powers given in section 268.673, subdivision 4, to enforce compliance with sections 6 to 10.

Sec. 8. [298.334] [ELIGIBLE GOVERNMENT AND NONPROFIT AGENCY EMPLOYMENT.]

A government or nonprofit agency is an eligible employer with respect to temporary work relief projects that are determined by the commissioner to have long-term benefit to or are needed by the community including, but not limited to, jobs in permanent public improvement projects, residential or public building weatherization projects, resource development projects, and community social service programs such as child care and home health care.

Sec. 9. [298.335] [BUSINESS EMPLOYMENT.]

Subdivision 1. [ELIGIBLE BUSINESSES.] A business employer is an eligible employer if it enters into a written contract, signed and subscribed to under oath, with the commissioner or the commissioner's contractor that:

(1) funds received by a business shall be used only to pay wages and benefits as permitted under sections 6 to 11;

(2) the business has submitted information to the commissioner or the commissioner's contractor (i) describing the duties and proposed compensation of each employee proposed to be hired under the program; and (ii) demonstrating that, with the funds provided under section 7, the business is likely to succeed and continue to employ persons hired using wage subsidies;

(3) the business will use the funds exclusively for compensation and benefits to eligible job applicants and will provide employees hired with these funds with benefits, as required by the commissioner, and other terms and conditions of employment comparable to those given to other employees of the business doing comparable work;

(4) the funds are necessary to allow the business to begin, or to employ additional people, but not to fill positions that would be filled even in the absence of wage assistance payments;

(5) the business will cooperate with the commissioner or the commissioner's contractor in collecting data to assess the result of wage assistance payments; and

(6) the business complies with all applicable affirmative action, fair labor, health, safety, and environmental laws, rules, or standards.

Subd. 2. [PRIORITIES.] In allocating funds among eligible businesses, the commissioner or the commissioner's contractor shall give priority to businesses that best satisfy the following criteria:

(1) have a high potential for growth and long-term job creation;

- (2) are labor intensive;
- (3) meet the definition of a small business as defined in section 645.445;
- (4) make high use of local and Minnesota resources;
- (5) are under ownership of women and minorities;
- (6) make high use of new technology;
- (7) produce energy conserving materials or services or are involved in development of renewable sources of energy;
- (8) export products outside the state;
- (9) are manufacturers; and
- (10) have their primary place of business in the tax relief area.

Subd. 3. [PAYBACK.] A business receiving wage subsidies shall repay 70 percent of the amount initially received for each eligible job applicant employed, if the employee does not continue in the employment of the business beyond the six-month subsidized period. If the employee continues in the employment of the business for one year or longer after the six-month subsidized period, the business need not repay any of the funds received for that employee's wages. If the employee continues in the employment of the business for a period of less than one year after the expiration of the six-month subsidized period, the business shall receive a proportional reduction in the amount it must repay. If an employer dismisses an employee for good cause and works in good faith with the commissioner or the commissioner's contractor to employ and train another person referred by the commissioner or the commissioner's contractor, the payback formula shall apply as if the original person had continued in employment.

A repayment schedule shall be negotiated and agreed to by the commissioner or the commissioner's contractor and the business prior to the disbursement of the funds and is subject to renegotiation.

Subd. 4. [TACONITE TAX RELIEF AREA FUND.] All payments from businesses under subdivision 3 must be deposited in the taconite tax relief area employment fund, and are appropriated to the commissioner for the purpose of making wage assistance payments under sections 6 to 11.

Subdivision 1. [LAYOFFS; WORK REDUCTIONS.] An eligible employer may not terminate, lay off, or reduce the working hours of an employee for the purpose of hiring an individual with funds available under sections 6 to 11.

Subd. 2. [HIRING DURING LAYOFFS.] An eligible employer may not hire an individual with funds available under sections 6 to 11 if any other person is on layoff from the same or a substantially equivalent job.

Subd. 3. [EMPLOYER CERTIFICATION.] In order to qualify as an eligible employer, a government or nonprofit agency must certify to the commissioner or the commissioner's contractor that each job created and funded under sections 6 to 11:

(1) will result in an increase in employment opportunities over those which would otherwise be available;

(2) will not result in the displacement of currently employed workers, including partial displacement such as reduction in hours of nonovertime work, wages, or employment benefits; and

(3) will not impair existing contracts for service or result in the substitution of wage subsidy funds for other funds in connection with work that would otherwise be performed.

#### Sec. 11. [298.337] [REPORT.]

The commissioner shall report quarterly to the governor and legislative advisory commission regarding wage assistance payments under sections 6 to 11. The report must state: (1) the number of persons employed; (2) the number and type of employers under the program; (3) the amount of money spent for wages for each type of employment and each type of other expense; (4) the number of persons who have completed participation in the program and their current employment, educational, or training status; (5) the costs of administration and enforcement; and (6) any other information requested by the governor or the legislative advisory commission. Each report must include cumulative information, as well as information for each quarter.

#### Sec. 12. [298.338] [CONTRACT FOR RESEARCH AND DEVELOPMENT PROGRAMS.]

The commissioner of the iron range resources and rehabilitation board may contract with the director of the Natural Resources Research Institute of the University of Minnesota, Duluth, for research and development programs. Subd. 3. [CONTINGENT ACCOUNT.] There is hereby created in the state treasury a special account, to be known as the economic security contingent account, which shall not lapse nor revert to any other fund. Such account shall consist of all moneys appropriated therefor by the legislature, all moneys in the form of interest and penalties collected pursuant to section 268.16 and all moneys received in the form of voluntary contributions to this account and interest thereon. All moneys in such account shall be supplemental to all federal moneys that would be available to the commissioner but for the existence of this account. Moneys in this account are hereby appropriated to the commissioner and shall be expended in accordance with the provisions of section 3.30, in connection with the administration of sections 268.03 to 268.24. Whenever the commissioner expends moneys from said contingent account for the proper and efficient administration of the Minnesota economic security law for which funds have not yet been made available by the federal government, such moneys so withdrawn from the contingent account shall be replaced as hereinafter provided. Upon the deposit in the economic security administration fund of moneys which are received in reimbursement of payments made as above provided for said contingent account, the commissioner shall certify to the state treasurer the amount of such reimbursement and thereupon the state treasurer shall transfer such amount from the economic security administration fund to said contingent account. All moneys in this account shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as is provided by law for the other special accounts in the state

treasury. The state treasurer shall be liable on the treasurer's official bond for the faithful performance of duties in connection with the economic security contingent account provided for herein. Notwithstanding anything to the contrary contained herein, on June 30 of each year, except 1982, all amounts in excess of \$300,000 in this account shall be paid over to the unemployment compensation fund established under section 268.05 and administered in accordance with the provisions set forth therein.

The commissioner shall pay from the contingent account into the unemployment insurance fund an amount equal to the amount of erroneous payments, other than computational errors, due to errors in the administration of sections 268.03 to 268.24 or because of determinations or redeterminations issued pursuant to section 268.10, subdivision 2, because of department error, which are not collected from the claimant within three years of the overpayment.

Sec. 2. Minnesota Statutes 1986, section 268.18, subdivision 1, is amended to read:

Subdivision 1. [ERRONEOUS PAYMENTS.] Any claimant for benefits who, by reason of the claimant's own mistake or through the error of any individual engaged in the administration of sections 268.03 to 268.24 or because of a determination or redetermination issued pursuant to section 268.10, subdivision 2, has received any sum as benefits to which the claimant was not entitled under these sections, shall promptly return such benefits in cash to the nearest office of the Minnesota department of jobs and training. If such claimant fails to return such benefits, the department of jobs and training shall, as soon as it discovers such erroneous payment, determine the amount thereof and notify said individual to return the same. Unless the claimant files a written appeal with the department of jobs and training within 15 days after the mailing of the notice of determination to the claimant's last known address or personal delivery of the notice, the determination shall become final. If the claimant files an appeal with the department in writing within the time aforesaid the matter shall be set for hearing before a referee of the department and heard as other benefit matters are heard in accordance with section 268.10 with the same rights of review as outlined for benefit cases in that section. The commissioner of the department of jobs and training is hereby authorized to deduct from any future benefits payable to the claimant under these sections in either the current or any subsequent benefit year an amount equivalent to the overpayment determined or the overpayment may be collected without interest by civil action in the name of the commissioner, except that an overpayment that is due to an error, other than a computation error, of any individual engaged in the administration of sections 268.03 to 268.24 shall be recovered only by deduction from future benefits payable. If a claimant has been overpaid benefits under the law of another state and that state certifies to the department the facts involved and that the individual

is liable under its law to repay the benefits and requests the department to recover the overpayment, the commissioner is authorized to deduct from future benefits payable to the claimant in either the current or any subsequent benefit year an amount equivalent to the amount of overpayment determined by that state. Recovery of an overpayment by deduction from future benefits payable shall be limited to 25 percent each week of a claimant's weekly benefit. Benefits paid for weeks more than three years prior to the discovery of error are not erroneous payments."
