(d) The commission director may not authorize a class B or class E licensee to conduct simulcasting or telerace simulcasting unless 125 days of live racing, consisting of not less than eight live races on each racing day, have been conducted at the class A facility within the preceding 12 months. The number of live racing days required may be adjusted by agreement between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races at the licensee's class A facility during the preceding 12 months. The number of live racing days required must be reduced by one day for each assigned racing day that the licensee is unable to conduct live racing due to natural occurrences or catastrophes beyond its control.

The licensee must deduct from a multiple pari-mutuel pool, before payments to the holders of winning tickets, an amount equal to not more than 23 percent of the total money in that pool. The remaining money in each pool must be distributed among the holders of winning tickets in a manner the commission director by rule prescribes for each type of pool. Subd. 5. [PURSES.] (a) From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to not less than the following percentages of all money in all pools must be set aside by the licensee and used for purses for races conducted by the licensee, provided that a licensee may agree by contract with an organization representing a majority of the horsepersons racing the breed involved to set aside amounts in addition to the following percentages:

The commission <u>director</u> may by rule provide for the administration and enforcement of this subdivision. The deductions for payment to the sending out-of-state racetrack must be actual, except that when there exists any overlap of ownership, control, or interest between the sending out-of-state racetrack and the receiving licensee, the deduction must not be greater than three percent unless agreed to between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races during the existing racing meeting or, if outside of the racing season, during the most recent racing meeting.

In lieu of the amount the licensee must pay to the <u>commission division</u> for deposit in the Minnesota breeders fund under section 240.15, subdivision 1, the licensee shall pay 5-1/2 percent of the takeout from all pari-mutuel pools generated by wagering at the licensee's facility on full racing card simulcasts and full racing card telerace simulcasts of races not conducted in this state.

horsepersons and their on-track employees, an amount, sufficient to perform these services, as may be determined by agreement by the licensee and the horseperson's organization. The amount paid may be deducted only from the money set aside for purses to be paid in races for the breed represented by the horseperson's organization. With respect to racing meetings where more than one breed is racing, the licensee may contract independently with the horseperson's organization representing each breed racing.

(c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization representing the majority of the horsepersons racing a breed at a meeting, and the members thereof, may agree to withhold horses during a meeting.

(d) Money set aside for purses from wagering, during the racing season, on simulcasts and telerace simulcasts must be used for purses for live races conducted at the licensee's class A facility during the same racing season, over and above the 8.4 percent purse requirement or any higher requirement to which the parties agree, for races conducted in this state. Money set aside for purses from wagering, outside of the racing season, on simulcasts and telerace simulcasts must be for purses for live races conducted at the licensee's class A facility during the next racing season, over and above the 8.4 percent purse requirement or any higher requirement to which the parties agree, for races conducted in this state.

(e) Money set aside for purses from wagering on simulcasts and telerace simulcasts must be used for purses for live races involving the same breed involved in the simulcast or telerace simulcast except that money set aside for purses and payments to the breeders fund from wagering on full racing card simulcasts and full racing card telerace simulcasts of races not conducted in this state, occurring during a live mixed meet, must be allotted to the purses and breeders fund for each breed participating in the mixed meet in the same proportion that the number of live races run by each breed bears to the total number of live races conducted during the period of the mixed meet.

(f) The allocation of money set aside for purses to particular racing meets may be adjusted, relative to overpayments and underpayments, by contract between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed involved at the licensee's facility.

(g) Subject to the provisions of this chapter, money set aside from pari-mutuel pools for purses must be for the breed involved in the race that generated the pool, except that if the breed involved in the race generating the pari-mutuel pool is not racing in the current racing meeting, or has not raced within the preceding 12 months at the licensee's class A facility, money set aside for purses may be distributed proportionately to those breeds that have run during the preceding 12 months or paid to the commission division and used for purses or to promote racing for the breed involved in the race generating the pari-mutuel pool, or both, in a manner prescribed by the commission director.

(b) The commission <u>director</u> may not authorize any day for simulcasting at a class A facility during the racing season, and a licensee may not be allowed to transmit out-of-state telecasts of races the licensee conducts, unless the licensee has obtained the approval of the horsepersons' organization representing the majority of the horsepersons racing the breed involved at the licensed racetrack during the preceding 12 months.

(c) The licensee may pay fees and costs to an entity transmitting a telecast of a race to the licensee for purposes of conducting pari-mutuel wagering on the race. The licensee may deduct fees and costs related to the receipt of televised transmissions from a pari-mutuel pool on the televised race, provided that one-half of any amount recouped in this manner must be added to the amounts required to be set aside for purses.

(e) With the approval of the commission <u>director</u> and subject to the provisions of this subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes, to locations outside the state, and the commission <u>director</u> may allow this to be done on a commingled pool basis.

(f) Except as otherwise provided in this section, simulcasting and telerace simulcasting may be conducted on a separate pool basis or, with the approval of the commission director, on a commingled pool basis. All provisions of law governing pari-mutuel betting apply to simulcasting and telerace simulcasting except as otherwise provided in this subdivision or in the commission's director's rules. [LOCAL GAMBLING TAX.] A statutory or home rule charter city that has one or more licensed organizations operating lawful gambling, and a county that has one or more licensed organizations outside incorporated areas operating lawful gambling, may impose a local gambling tax on each licensed organization within the city's or county's jurisdiction. The tax may be imposed only if the amount to be received by the city or county is necessary to cover the costs incurred by the city or county to regulate lawful gambling. The tax imposed by this subdivision may not exceed three percent of the gross receipts of a licensed organization from all lawful gambling less prizes actually paid out by the organization. A city or county may not use money collected under this subdivision for any purpose other than to regulate lawful gambling. A tax imposed under this subdivision is in lieu of all other local taxes and local investigation fees on lawful gambling. A city or county that imposes a tax under this subdivision shall annually, by March 15, file a report with the board in a form prescribed by the board showing (1) the amount of revenue produced by the tax during the preceding calendar year, and (2) the use of the proceeds of the tax.

<u>Subd. 6.</u> [COMBINED RECEIPTS TAX.] In addition to the taxes imposed under subdivisions 1 and 4, a tax is imposed on the combined receipts of the organization. As used in this section, "combined receipts" is the sum of the organization's gross receipts from lawful gambling less gross receipts directly derived from the conduct of bingo, raffles, and paddlewheels, as defined in section 349.12, subdivision 21, for the fiscal year. The combined receipts of an organization are subject to a tax computed according to the following schedule:

If the combined receipts for the fiscal year are: Not over \$500,000 Over \$500,000, but not over \$700,000 <u>The tax is:</u>

<u>zero</u>

two percent of the amount over \$500,000, but not over \$700,000

\$4,000 plus four percent of the amount over \$700,000, but not over \$900,000 \$12,000 plus six percent of the amount over \$900,000

<u>Over \$700,000, but not over</u> <u>\$900,000</u>

## Over \$900,000

<u>Subd. 7.</u> [UNTAXED GAMBLING PRODUCT.] (a) In addition to penalties or criminal sanctions imposed by this chapter, a person, organization, or business entity possessing or selling a pull-tab or tipboard upon which the tax imposed by subdivision 4 has not been paid is liable for a tax of six percent of the ideal gross of each pull-tab or tipboard. The tax on a partial deal must be assessed as if it were a full deal.

(b) In addition to penalties and criminal sanctions imposed by this chapter, a person not licensed by the board who conducts bingo, raffles, or paddlewheel games is liable for a tax of six percent of the gross receipts from that activity.

(c) The tax must be assessed by the commissioner. An assessment must be considered a jeopardy assessment or jeopardy collection as provided in section 270.70. The commissioner shall assess the tax based on personal knowledge or information available to the commissioner. The commissioner shall mail to the taxpayer at the taxpayer's last known address, or serve in person, a written notice of the amount of tax, demand its immediate payment, and, if payment is not immediately made, collect the tax by any method described in chapter 270, except that the commissioner need not await the expiration of the times specified in chapter 270. The tax assessed by the commissioner is presumed to be valid and correctly determined and assessed. The burden is upon the taxpayer to show its incorrectness or invalidity. The tax imposed under this subdivision does not apply to gambling that is exempt from taxation under subdivision 2.

Subd. 8. [PERSONAL DEBT.] The tax imposed by this section, and interest and penalties imposed with respect to it, are a personal debt of the person required to file a return from the time the liability for it arises, irrespective of when the time for payment of the liability occurs. The debt must, in the case of the executor or administrator of the estate of a decedent and in the case of a fiduciary, be that of the person in the person's official or fiduciary capacity only unless the person has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which event the person is personally liable for any deficiency.

Subd. 9. [PUBLIC INFORMATION.] <u>All records concerning the administration of the taxes under this chapter are classified as public information.</u>

<u>Subd. 10.</u> [REFUNDS; APPROPRIATION.] <u>A person who has, under this chapter, paid to the commissioner an</u> amount of tax for a period in excess of the amount legally due for that period, may file with the commissioner a claim for a refund of the excess. The amount necessary to pay the refunds is appropriated from the general fund to the commissioner.

<u>Subd.</u> <u>11.</u> [UNPLAYED OR DEFECTIVE PULL-TABS OR TIPBOARDS.] If a deal of pull-tabs or tipboards registered with the board or bar coded in accordance with chapter <u>349</u> and upon which the tax imposed by subdivision <u>4 has been paid is returned unplayed to the distributor, the commissioner shall allow a refund of the tax paid.</u>

If a defective deal registered with the board or bar coded in accordance with chapter 349 and upon which the taxes have been paid is returned to the manufacturer, the distributor shall submit to the commissioner of revenue certification from the manufacturer that the deal was returned and in what respect it was defective. The certification must be on a form prescribed by the commissioner and must contain additional information the commissioner requires.

The commissioner may require that no refund under this subdivision be made unless the returned pull-tabs or tipboards have been set aside for inspection by the commissioner's employee.

Reductions in previously paid taxes authorized by this subdivision must be made when and in the manner prescribed by the commissioner.

Sec. 3. [297E.03] [SPORTS BOOKMAKING TAX.]

<u>Subdivision 1.</u> [IMPOSITION OF TAX.] <u>An excise tax of six percent is imposed on the value of all bets received</u> by, recorded by, accepted by, forwarded by, or placed with a person engaged in sports bookmaking.

Subd. 2. [BET DEFINED.] For purposes of this section, the term "bet" has the meaning given it in section 609.75, subdivision 2.

Subd. 3. [SPORTS BOOKMAKING DEFINED.] For purposes of this section, the term "sports bookmaking" has the meaning given it in section 609.75, subdivision 7.

<u>Subd. 4.</u> [AMOUNT OF BET.] In determining the value or amount of any bet for purposes of this section, all charges incident to the placing of the bet must be included.

<u>Subd. 5.</u> [TAX RETURNS.] A <u>person engaged in sports bookmaking shall file monthly tax returns with the</u> <u>commissioner of revenue, in the form required by the commissioner, of all bookmaking activity, and shall include</u> <u>information on all bets recorded, accepted, forwarded, and placed.</u> The returns <u>must be filed on or before the 20th</u> <u>day of the month following the month in which the bets reported were recorded, accepted, forwarded, or placed.</u> <u>The tax imposed by this section is due and payable at the time when the returns are filed.</u>

<u>Subd. 6.</u> [PERSONS LIABLE FOR TAX.] <u>Each person who is engaged in receiving, recording, forwarding, or accepting sports bookmaking bets is liable for and shall pay the tax imposed under this section.</u>

<u>Subd. 7.</u> [JEOPARDY ASSESSMENT; JEOPARDY COLLECTION.] <u>The tax may be assessed by the commissioner</u> of revenue. An assessment made pursuant to this section shall be considered a jeopardy assessment or jeopardy collection as provided in section 270.70. The commissioner shall assess the tax based on personal knowledge or information available to the commissioner. The commissioner shall mail to the taxpayer at the taxpayer's last known address, or serve in person, a written notice of the amount of tax, demand its immediate payment, and, if payment is not immediately made, collect the tax by any method described in chapter 270, except that the commissioner need not await the expiration of the times specified in chapter 270. The tax assessed by the commissioner is presumed to be valid and correctly determined and assessed.

<u>Subd. 8.</u> [DISCLOSURE PROHIBITED.] (a) Notwithstanding any law to the contrary, neither the commissioner nor a public employee may reveal facts contained in a sports bookmaking tax return filed with the commissioner of revenue as required by this section, nor can any information contained in the report or return be used against the tax obligor in any criminal proceeding, unless independently obtained, except in connection with a proceeding involving taxes due under this section, or as provided in section 270.064.

(b) Any person violating this section is guilty of a gross misdemeanor.

(c) This section does not prohibit the commissioner from publishing statistics that do not disclose the identity of tax obligors or the contents of particular returns or reports.

Sec. 4. [297E.031] [GAMBLING TAX PERMIT.]

Subdivision 1. [APPLICATION AND ISSUANCE.] <u>A distributor who sells gambling products under this chapter</u> must file with the commissioner an application, on a form prescribed by the commissioner, for a gambling tax permit and identification number. The commissioner, when satisfied that the applicant has a valid license from the board, shall issue the applicant a permit and number. A permit is not assignable and is valid only for the distributor in whose name it is issued. <u>Subd. 2.</u> [SUSPENSION; REVOCATION.] (a) If a distributor fails to comply with this chapter or a rule of the commissioner, or if a license issued under chapter 349 is revoked or suspended, the commissioner, after giving notice, may for reasonable cause revoke or suspend a permit held by a distributor. A notice must be sent to the distributor at least 15 days before the proposed suspension or revocation is to take effect. The notice must give the reason for the proposed suspension or revocation and must require the distributor to show cause why the proposed action should not be taken. The notice may be served personally or by mail.

(b) The notice must inform the distributor of the right to a contested case hearing. If a request in writing is made to the commissioner within 14 days of the date of the notice, the commissioner shall defer action on the suspension or revocation and shall refer the case to the office of administrative hearings for the scheduling of a contested case hearing. The distributor must be served with 20 days' notice in writing specifying the time and place of the hearing and the allegations against the distributor.

(c) The commissioner shall issue a final order following receipt of the recommendation of the administrative law judge.

(d) Under section 271.06, subdivision 1, an appeal to the tax court may be taken from the commissioner's order of revocation or suspension. The commissioner may not issue a new permit after revocation except upon application accompanied by reasonable evidence of the intention of the applicant to comply with all applicable laws and rules.

Sec. 5. [297E.04] [MANUFACTURER'S REPORTS AND RECORDS.]

A manufacturer who sells gambling product for use in this state, or for receipt by a person or entity in this state, shall file with the commissioner, on a form prescribed by the commissioner, a report of gambling product sold to any person in the state, including the established governing body of an Indian tribe recognized by the United States Department of the Interior. The report must be filed monthly on or before the 20th day of the month succeeding the month in which the sale was made. The commissioner may require that the report be submitted via magnetic media or electronic data transfer. The commissioner may inspect the premises, books, records, and inventory of a manufacturer without notice during the normal business hours of the manufacturer. A person violating this section is guilty of a misdemeanor.

Sec. 6. [297E.05] [DISTRIBUTOR REPORTS AND RECORDS.]

<u>Subdivision 1.</u> [BUSINESS RECORDS.] A distributor shall keep at each place of business complete and accurate records for that place of business, including itemized invoices of gambling product held, purchased, manufactured, or brought in or caused to be brought in from without this state, and of all sales of gambling product. The records must show the names and addresses of purchasers, the inventory at the close of each period for which a return is required of all gambling product on hand, and other pertinent papers and documents relating to the purchase, sale, or disposition of gambling product. Books, records, itemized invoices, and other papers and documents required by this section must be kept for a period of at least 3-1/2 years after the date of the documents, or the date of the entries appearing in the records, unless the commissioner of revenue authorizes in writing their destruction or disposal at an earlier date.

Subd. 2. [SALES RECORDS.] <u>A distributor must maintain a record of all gambling product that it sells.</u> <u>The record</u> <u>must include:</u>

(1) the identity of the person or firm from whom the distributor purchased the product;

(2) the registration number of the product;

(3) the name, address, and license or exempt permit number of the organization or person to which the sale was made;

(4) the date of the sale;

(5) the name of the person who ordered the product;

(6) the name of the person who received the product;

(7) the type of product;

(8) the serial number of the product;

(9) the name, form number, or other identifying information for each game; and

(10) in the case of bingo cards sold on and after January 1, 1991, the individual number of each card.

<u>Subd. 3.</u> [INVOICES.] <u>A distributor shall give with each sale of gambling product an itemized invoice showing the distributor's name and address, the purchaser's name and address, the date of the sale, description of the deals, including the ideal gross from every deal of pull-tabs and every deal of tipboards.</u>

<u>Subd. 4.</u> [REPORTS.] <u>A distributor shall report monthly to the commissioner, on a form the commissioner prescribes, its sales of each type of gambling product. This report must be filed monthly on or before the 20th day of the month succeeding the month in which the sale was made. The commissioner may require that a distributor submit the monthly report and invoices required in this subdivision via magnetic media or electronic data transfer.</u>

<u>Subd. 5.</u> [CERTIFIED PHYSICAL INVENTORY.] <u>The commissioner may, upon request, require a distributor to</u> <u>furnish a certified physical inventory of all gambling product in stock.</u> <u>The inventory must contain the information</u> <u>required by the commissioner.</u>

Sec. 7. [297E.06] [ORGANIZATION REPORTS AND RECORDS.]

<u>Subdivision 1.</u> [REPORTS.] An organization must file with the commissioner, on a form prescribed by the commissioner, a report showing all gambling activity conducted by that organization for each month. Gambling activity includes all gross receipts, prizes, all gambling taxes owed or paid to the commissioner, all gambling expenses, and all lawful purpose and board-approved expenditures. The report must be filed with the commissioner on or before the 20th day of the month following the month in which the gambling activity takes place. The commissioner may require that the reports be filed via magnetic media or electronic data transfer.

<u>Subd. 2.</u> [BUSINESS RECORDS.] <u>An organization shall maintain records supporting the gambling activity reported</u> to the commissioner. <u>Records include, but are not limited to, the following items:</u>

(1) all winning and unsold tickets, cards, or stubs for pull-tab, tipboard, paddlewheel, and raffle games;

(2) all reports and statements, including checker's records, for each bingo occasion;

(3) all cash journals and ledgers, deposit slips, register tapes, and bank statements supporting gambling activity receipts;

(4) all invoices that represent purchases of gambling product;

(5) all canceled checks, check recorders, journals and ledgers, vouchers, invoices, bank statements, and other documents supporting gambling activity expenditures; and

(6) all organizational meeting minutes.

<u>All records required to be kept by this section must be preserved by the organization for at least 3-1/2 years and</u> may be inspected by the commissioner of revenue at any reasonable time without notice or a search warrant.

Subd. 3. [ACCOUNTS.] All gambling activity transactions must be segregated from all other revenues and expenditures made by the conducting organization.

Sec. 8. [297E.07] [INSPECTION RIGHTS.]

At any reasonable time, without notice and without a search warrant, the commissioner may enter a place of business of a manufacturer, distributor, or organization; any site from which pull-tabs or tipboards or other gambling equipment or gambling product are being manufactured, stored, or sold, or any site at which lawful gambling is being conducted, and inspect the premises, books, records, and other documents required to be kept under this chapter to determine whether or not this chapter is being fully complied with. If the commissioner is denied free access to or is hindered or interfered with in making an inspection of the place of business, books, or records, the permit of the distributor may be revoked by the commissioner, and the license of the manufacturer, the distributor, or the organization may be revoked by the board.

### Sec. 9. [297E.08] [EXAMINATIONS.]

<u>Subdivision 1.</u> [EXAMINATION OF TAXPAYER.] <u>To determine the accuracy of a return or report, or in fixing</u> <u>liability under this chapter, the commissioner may make reasonable examinations or investigations of a taxpaver's</u> <u>place of business, tangible personal property, equipment, computer systems and facilities, pertinent books, records,</u> <u>papers, vouchers, computer printouts, accounts, and documents.</u>

<u>Subd.</u> 2. [ACCESS TO RECORDS OF OTHER PERSONS IN CONNECTION WITH EXAMINATION OF TAXPAYER.] When conducting an investigation or an audit of a taxpayer, the commissioner may examine, except where privileged by law, the relevant records and files of a person, business, institution, financial institution, state agency, agency of the United States government, or agency of another state where permitted by statute, agreement, or reciprocity. The commissioner may compel production of these records by subpoena. A subpoena may be served directly by the commissioner.

Subd. 3. [POWER TO COMPEL TESTIMONY.] In the administration of this chapter, the commissioner may:

(1) administer oaths or affirmations and compel by subpoena the attendance of witnesses, testimony, and the production of a person's pertinent books, records, papers, or other data;

(2) examine under oath or affirmation any person regarding the business of a taxpayer concerning a matter relevant to the administration of this chapter. The fees of witnesses required by the commissioner to attend a hearing are equal to those allowed to witnesses appearing before courts of this state. The fees must be paid in the manner provided for the payment of other expenses incident to the administration of state tax law; and

(3) in addition to other remedies available, bring an action in equity by the state against a taxpayer for an injunction ordering the taxpayer to file a complete and proper return or amended return. The district courts of this state have jurisdiction over the action, and disobedience of an injunction issued under this clause must be punished as for contempt.

<u>Subd. 4.</u> [THIRD-PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS KNOWN.] <u>An investigation may extend</u> to any person that the commissioner determines has access to information that may be relevant to the examination or investigation. If a subpoena requiring the production of records under subdivision 2 is served on a third-party record keeper, written notice of the subpoena must be mailed to the taxpayer and to any other person who is identified in the subpoena. The notices must be given within three days of the day on which the subpoena is served. Notice to the taxpayer required by this section is sufficient if it is mailed to the last address on record with the commissioner of revenue.

The provisions of this subdivision relating to notice to the taxpaver or other parties identified in the subpoend do not apply if there is reasonable cause to believe that the giving of notice may lead to attempts to conceal, destroy, or alter records relevant to the examination, to prevent the communication of information from other persons through intimidation, bribery, or collusion, or to flee to avoid prosecution, testifying, or production of records.

<u>Subd. 5.</u> [THIRD-PARTY SUBPOENA WHERE TAXPAYER'S IDENTITY IS NOT KNOWN.] <u>A subpoena that does</u> not identify the person or persons whose tax liability is being investigated may be served only if:

(1) the subpoena relates to the investigation of a particular person or ascertainable group or class of persons;

(2) there is a reasonable basis for believing that the person or group or class of persons may fail or may have failed to comply with tax laws administered by the commissioner of revenue;

(3) the subpoena is clear and specific concerning information sought to be obtained; and

(4) the information sought to be obtained is limited solely to the scope of the investigation.

A party served with a subpoena that does not identify the person or persons with respect to whose tax liability the subpoena is issued may, within three days after service of the subpoena, petition the district court in the judicial district in which that party is located for a determination whether the commissioner of revenue has complied with all the requirements in clauses (1) to (4), and whether the subpoena is enforceable. If no petition is made by the party served within the time prescribed, the subpoena has the effect of a court order.

<u>Subd. 6.</u> [REQUEST BY TAXPAYER FOR SUBPOENA.] <u>If the commissioner has the power to issue a subpoena for investigative or auditing purposes, the commissioner shall honor a reasonable request by the taxpayer to issue a subpoena on the taxpayer's behalf in connection with the investigation or audit.</u>

<u>Subd. 7.</u> [APPLICATION TO COURT FOR ENFORCEMENT OF SUBPOENA.] <u>The commissioner or the taxpayer</u> may apply to the district court of the county of the taxpayer's residence, place of business, or county where the <u>subpoena can be served as with any other case at law, for an order compelling the appearance of the subpoenaed</u> witness or the production of the subpoenaed records. Failure to comply with the order of the court for the appearance of a witness or the production of records may be punished by the court as for contempt.

<u>Subd. 8.</u> [COST OF PRODUCTION OF RECORDS.] The cost of producing records of a third party required by a subpoena must be paid by the taxpayer if the taxpayer requests the subpoena to be issued or if the taxpayer has the records available but has refused to provide them to the commissioner. In other cases where the taxpayer cannot produce records and the commissioner then issues a subpoena for third-party records, the commissioner shall pay the reasonable cost of producing the records. The commissioner may later assess the reasonable costs against the taxpayer if the records contribute to the determination of an assessment of tax against the taxpayer.

Sec. 10. [297E.09] [ASSESSMENTS.]

<u>Subdivision 1.</u> [GENERALLY.] The commissioner shall make determinations, corrections, and assessments with respect to taxes, including interest, additions to taxes, and assessable penalties, imposed under this chapter.

<u>Subd. 2.</u> [COMMISSIONER FILED RETURNS.] If a taxpayer fails to file a return required by this chapter, the commissioner may make a return for the taxpayer from information in the commissioner's possession or obtainable by the commissioner. The return is prima facie correct and valid.

<u>Subd. 3.</u> [ORDER OF ASSESSMENT; NOTICE AND DEMAND TO TAXPAYER.] (a) If a return has been filed and the commissioner determines that the tax disclosed by the return is different from the tax determined by the examination, the commissioner shall send an order of assessment to the taxpayer. The order must explain the basis for the assessment and must explain the taxpayer's appeal rights. An assessment by the commissioner must be made by recording the liability of the taxpayer in the office of the commissioner, which may be done by keeping a copy of the order of assessment sent to the taxpayer. An order of assessment is final when made but may be reconsidered by the commissioner under section 349.219.

(b) The amount of unpaid tax shown on the order must be paid to the commissioner:

(1) within 60 days after notice of the amount and demand for its payment have been mailed to the taxpayer by the commissioner; or

(2) if an administrative appeal is filed under section 349.219 within 60 days following the determination or compromise of the appeal.

Subd. 4. [ERRONEOUS REFUNDS.] An erroneous refund is considered an underpayment of tax on the date made. An assessment of a deficiency arising out of an erroneous refund may be made at any time within two years from the making of the refund. If part of the refund was induced by fraud or misrepresentation of a material fact, the assessment may be made at any time.

<u>Subd. 5.</u> [ASSESSMENT PRESUMED VALID.] <u>A return or assessment made by the commissioner is prima facie</u> correct and valid. The taxpayer has the burden of establishing the incorrectness or invalidity of the return or assessment in any action or proceeding in respect to it.

<u>Subd. 6.</u> [AGGREGATE REFUND OR ASSESSMENT.] <u>On examining returns of a taxpayer for more than one year</u> or period, the commissioner may issue one order covering the period under examination that reflects the aggregate refund or additional tax due.

<u>Subd. 7.</u> [SUFFICIENCY OF NOTICE.] <u>An order of assessment sent by United States mail, postage prepaid to the taxpayer at the taxpayer's last known address, is sufficient even if the taxpayer is deceased or is under a legal disability, or, in the case of a corporation, has terminated its existence, unless the department has been provided with a new address by a party authorized to receive notices of assessment.</u>

# Sec. 11. [297E.10] [EXTENSIONS FOR FILING RETURNS AND PAYING TAXES.]

If, in the commissioner's judgment, good cause exists, the commissioner may extend the time for filing tax returns, paying taxes, or both, for not more than six months.

# Sec. 12. [297E.11] [LIMITATIONS ON TIME FOR ASSESSMENT OF TAX.]

<u>Subdivision 1.</u> [GENERAL RULE.] <u>Except as otherwise provided in this chapter, the amount of taxes assessable</u> <u>must be assessed within 3-1/2 years after the return is filed, whether or not the return is filed on or after the date</u> <u>prescribed. A return must not be treated as filed until it is in processible form. A return is in processible form if it</u> <u>is filed on a permitted form and contains sufficient data to identify the taxpayer and permit the mathematical</u> <u>verification of the tax liability shown on the return.</u>

<u>Subd. 2.</u> [FALSE OR FRAUDULENT RETURN.] <u>Notwithstanding subdivision 1, the tax may be assessed at any time if a false or fraudulent return is filed or if a taxpayer fails to file a return.</u>

<u>Subd. 3.</u> [OMISSION IN EXCESS OF 25 PERCENT.] <u>Additional taxes may be assessed within 6-1/2 years after the due date of the return or the date the return was filed, whichever is later, if the taxpayer omits from a tax return taxes in excess of 25 percent of the taxes reported in the return.</u>

<u>Subd. 4.</u> [TIME LIMIT FOR REFUNDS.] <u>Unless otherwise provided in this chapter, a claim for a refund of an overpayment of tax must be filed within 3-1/2 years from the date prescribed for filing the return, plus any extension of time granted for filing the return, but only if filed within the extended time, or two years from the time the tax is paid, whichever period expires later. Interest on refunds must be computed at the rate specified in section 270.76 from the date of payment to the date the refund is paid or credited. For purposes of this subdivision, the date of payment is the later of the date the tax was finally due or was paid.</u>

<u>Subd. 5.</u> [BANKRUPTCY; SUSPENSION OF TIME.] <u>The time during which a tax must be assessed or collection</u> <u>proceedings begun is suspended during the period from the date of a filing of a petition in bankruptcy until 30 days</u> <u>after either:</u>

(1) notice to the commissioner that the bankruptcy proceedings have been closed or dismissed; or

(2) the automatic stay has been ended or has expired, whichever occurs first.

The suspension of the statute of limitations under this subdivision applies to the person the petition in bankruptcy is filed against, and all other persons who may also be wholly or partially liable for the tax.

<u>Subd. 6.</u> [EXTENSION AGREEMENT.] <u>If before the expiration of time prescribed in subdivisions 1 and 4 for the assessment of tax or the filing of a claim for refund, both the commissioner and the taxpayer have consented in writing to the assessment or filing of a claim for refund after that time, the tax may be assessed or the claim for refund filed at any time before the expiration of the agreed upon period. The period may be extended by later agreements in writing before the expiration of the period previously agreed upon.</u>

Sec. 13. [297E.13] [CIVIL PENALTIES.]

<u>Subdivision 1.</u> [PENALTY FOR FAILURE TO PAY TAX.] If a tax is not paid within the time specified for payment, a penalty is added to the amount required to be shown as tax. The penalty is five percent of the unpaid tax if the failure is for not more than 30 days, with an additional penalty of five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days during which the failure continues, not exceeding 15 percent in the aggregate.

If the taxpayer has not filed a return, for purposes of this subdivision the time specified for payment is the final date a return should have been filed.

<u>Subd. 2.</u> [PENALTY FOR FAILURE TO MAKE AND FILE RETURN.] If a taxpayer fails to make and file a return within the time prescribed or an extension, a penalty is added to the tax. The penalty is five percent of the amount of tax not paid on or before the date prescribed for payment of the tax.

76TH DAY]

If a taxpayer fails to file a return within 60 days of the date prescribed for filing of the return (determined with regard to any extension of time for filing), the addition to tax under this subdivision must be at least the lesser of: (1) \$200; or (2) the greater of (i) 25 percent of the amount required to be shown as tax on the return without reduction for any payments made or refundable credits allowable against the tax, or (ii) \$50.

<u>Subd. 3.</u> [COMBINED PENALTIES.] <u>When penalties are imposed under subdivisions 1 and 2, except for the minimum penalty under subdivision 2, the penalties imposed under both subdivisions combined must not exceed 38 percent.</u>

<u>Subd. 4.</u> [PENALTY FOR INTENTIONAL DISREGARD OF LAW OR RULES.] <u>If part of an additional assessment</u> is <u>due to negligence or intentional disregard of the provisions of this chapter or rules of the commissioner of revenue</u> (but without intent to defraud), there is added to the tax an amount equal to ten percent of the additional assessment.

<u>Subd. 5.</u> [PENALTY FOR FALSE OR FRAUDULENT RETURN; EVASION.] If a person files a false or fraudulent return, or attempts in any manner to evade or defeat a tax or payment of tax, there is imposed on the person a penalty equal to 50 percent of the tax found due for the period to which the return related, less amounts paid by the person on the basis of the false or fraudulent return.

<u>Subd. 6.</u> [PENALTY FOR REPEATED FAILURES TO FILE RETURNS OR PAY TAXES.] <u>If there is a pattern by</u> a person of repeated failures to timely file returns or timely pay taxes, and written notice is given that a penalty will be imposed if such failures continue, a penalty of 25 percent of the amount of tax not timely paid as a result of each such subsequent failure is added to the tax. The penalty can be abated under the abatement authority in section 270.07, subdivisions 1, paragraph (e), and 6.

<u>Subd. 7.</u> [PENALTY FOR SALES AFTER REVOCATION, SUSPENSION, OR EXPIRATION.] <u>A distributor who</u> engages in, or whose representative engages in, the offering for sale, sale, transport, delivery, or furnishing of gambling equipment to a person, firm, or organization, after the distributor's license or permit has been revoked or suspended, or has expired, and until such license or permit has been reinstated or renewed, is liable for a penalty of \$1,000 for each day the distributor continues to engage in the activity. This subdivision does not apply to the transport of gambling equipment for the purpose of returning the equipment to a licensed manufacturer.

Subd. 8. [PAYMENT OF PENALTIES.] The penalties imposed by this section must be collected and paid in the same manner as taxes.

Subd. 9. [PENALTIES ARE ADDITIONAL.] The civil penalties imposed by this section are in addition to the criminal penalties imposed by this chapter.

<u>Subd. 10.</u> [ORDER PAYMENTS CREDITED.] <u>All payments received may be credited first to the oldest liability not</u> <u>secured by a judgment or lien in the discretion of the commissioner of revenue, but in all cases must be credited first</u> to penalties, next to interest, and then to the tax due.

Sec. 14. [297E.13] [TAX-RELATED CRIMINAL PENALTIES.]

Subdivision 1. [PENALTY FOR FAILURE TO FILE OR PAY.] (a) A person required to file a return, report, or other document with the commissioner, who knowingly fails to file it when required, is guilty of a gross misdemeanor. A person required to file a return, report, or other document who willfully attempts to evade or defeat a tax by failing to file it when required is guilty of a felony.

(b) A person required to pay or to collect and remit a tax, who knowingly fails to do so when required, is guilty of a gross misdemeanor. A person required to pay or to collect and remit a tax, who willfully attempts to evade or defeat a tax law by failing to do so when required is guilty of a felony.

<u>Subd. 2.</u> [FALSE OR FRAUDULENT RETURNS; PENALTIES.] (a) <u>A person required to file a return, report, or other document with the commissioner, who delivers to the commissioner a return, report, or other document known by the person to be fraudulent or false concerning a material matter is guilty of a felony.</u>

(b) A person who knowingly aids or assists in, or advises in the preparation or presentation of a return, report, or other document that is fraudulent or false concerning a material matter, whether or not the falsity or fraud committed is with the knowledge or consent of the person authorized or required to present the return, report, or other document, is guilty of a felony.

# Subd. 3. [FALSE INFORMATION.] A person is guilty of a felony if the person:

(1) is required by section 297E.05 to keep records or to make returns, and falsifies or fails to keep the records or falsifies or fails to make the returns; or

<u>Subd. 5.</u> [UNTAXED GAMBLING EQUIPMENT.] It is a gross misdemeanor for a person to possess gambling equipment for resale in this state that has not been stamped or bar-coded in accordance with chapter 349 and upon which the taxes imposed by chapter 297A or section 297E.02, subdivision 4, have not been paid. The director of gambling enforcement or the commissioner or the designated inspectors and employees of the director or commissioner may seize in the name of the state of Minnesota any unregistered or untaxed gambling equipment.

Subd. 6. [CRIMINAL PENALTIES.] (a) Criminal penalties imposed by this section are in addition to civil penalties imposed by this chapter.

(b) A person who violates a provision of this chapter for which another penalty is not provided is guilty of a misdemeanor.

(c) A person who violates a provision of this chapter for which another penalty is not provided is guilty of a gross misdemeanor if the violation occurs within five years after a previous conviction under a provision of this chapter.

(d) A person who in any manner violates a provision of this chapter to evade a tax imposed by this chapter, or who aids and abets the evasion of a tax, or hinders or interferes with a seizing authority when a seizure is made as provided by section 297E.16 is guilty of a gross misdemeanor.

(e) This section does not preclude civil or criminal action under other applicable law or preclude any agency of government from investigating or prosecuting violations of this chapter or chapter 349. County attorneys have primary responsibility for prosecuting violations of this chapter, but the attorney general may prosecute a violation of this chapter.

<u>Subd. 7.</u> [STATUTE OF LIMITATIONS.] <u>Notwithstanding section 628.26, or other provision of the criminal laws</u> of this state, an indictment may be found and filed, or a complaint filed, upon a criminal offense named in this section, in the proper court within six years after the offense is committed.

Sec. 15. [297E.14] [INTEREST.]

<u>Subdivision 1.</u> [INTEREST RATE.] If an interest assessment is required under this section, interest is computed at the rate specified in section 270.75.

Subd. 2. [LATE PAYMENT.] If a tax is not paid within the time specified by law for payment, the unpaid tax bears interest from the date the tax should have been paid until the date the tax is paid.

Subd. 3. [EXTENSIONS.] If an extension of time for payment has been granted, interest must be paid from the date the payment should have been made if no extension had been granted, until the date the tax is paid.

<u>Subd. 4.</u> [ADDITIONAL ASSESSMENTS.] If a taxpayer is liable for additional taxes because of a redetermination by the commissioner, or for any other reason, the additional taxes bear interest from the time the tax should have been paid, without regard to any extension allowed, until the date the tax is paid.

5434

<u>Subd. 5.</u> [ERRONEOUS REFUNDS.] In the case of an erroneous refund, interest accrues from the date the refund was paid unless the erroneous refund results from a mistake of the department, then no interest or penalty is imposed unless the deficiency assessment is not satisfied within 60 days of the order.

<u>Subd. 6.</u> [INTEREST ON JUDGMENTS.] <u>Notwithstanding section 549.09, if judgment is entered in favor of the</u> commissioner with regard to any tax, the judgment bears interest at the rate specified in section 270.75 from the date the judgment is entered until the date of payment.

<u>Subd. 7.</u> [INTEREST ON PENALTIES.] (a) <u>A penalty imposed under section 297E.12, subdivision 1, 2, 3, 4, or 5, bears interest from the date the return or payment was required to be filed or paid, including any extensions, to the date of payment of the penalty.</u>

(b) A penalty not included in paragraph (a) bears interest only if it is not paid within ten days from the date of notice. In that case interest is imposed from the date of notice to the date of payment.

Sec. 16. [297E.15] [ADMINISTRATIVE REVIEW.]

<u>Subdivision 1.</u> [TAXPAYER RIGHT TO RECONSIDERATION.] <u>A taxpayer may obtain reconsideration by the</u> <u>commissioner of an order assessing tax, a denial of a request for abatement of penalty, or a denial of a claim for</u> <u>refund of money paid to the commissioner under provisions, assessments, or orders under this chapter by filing an</u> <u>administrative appeal as provided in subdivision 4.</u> <u>A taxpayer cannot obtain reconsideration if the action taken by</u> <u>the commissioner of revenue is the outcome of an administrative appeal.</u>

<u>Subd.</u> 2. [APPEAL BY TAXPAYER.] <u>A taxpayer who wishes to seek administrative review shall follow the procedure in subdivision 4.</u>

Subd. 3. [NOTICE DATE.] For purposes of this section, "notice date" means the date of the order adjusting the tax or order denying a request for abatement or, in the case of a denied refund, the date of the notice of denial.

<u>Subd.</u> 4. [TIME AND CONTENT FOR ADMINISTRATIVE APPEAL.] <u>Within 60 days after the notice date, the</u> <u>taxpayer must file a written appeal with the commissioner of revenue.</u> The appeal need not be in any particular form, <u>but must contain the following information:</u>

(1) name and address of the taxpayer;

(2) if a corporation, the state of incorporation of the taxpayer, and the principal place of business of the corporation;

(3) the Minnesota identification number or social security number of the taxpayer;

(4) the type of tax involved;

(5) the date;

(6) the tax years or periods involved and the amount of tax involved for each year or period;

(7) the findings in the notice that the taxpayer disputes;

(8) a summary statement that the taxpayer relies on for each exception; and

(9) the taxpayer's signature or signature of the taxpayer's duly authorized agent.

<u>Subd. 5.</u> [EXTENSIONS.] If requested in writing and within the time allowed for filing an administrative appeal, the commissioner may extend the time for filing an appeal for a period of not more than 30 days from the expiration of the 60 days from the notice date.

Subd. 6. [AUTOMATIC EXTENSION OF STATUTE OF LIMITATIONS.] Notwithstanding any statute of limitations to the contrary, if the commissioner has made a determination and the taxpayer has authority to file an administrative

<u>appeal, the period during which the commissioner can make further assessments or other determinations does not</u> <u>expire before:</u>

(1) 90 days after the notice date if no protest is filed under subdivision 4; or

(2) 90 days after the commissioner notifies the taxpayer of the determination on the appeal.

<u>Subd. 7.</u> [DETERMINATION OF APPEAL.] <u>On the basis of applicable law and available information, the commissioner shall determine the validity, if any, in whole or part of the appeal and notify the taxpayer of the decision. This notice must be in writing and contain the basis for the determination.</u>

Subd. 8. [AGREEMENT DETERMINING TAX LIABILITY.] If it appears to be in the best interests of the state, the commissioner may settle taxes, penalties, or interest that the commissioner has under consideration by virtue of an appeal filed under this section. An agreement must be in writing and signed by the commissioner and the taxpayer or the taxpayer's representative authorized by the taxpayer to enter into an agreement. An agreement must be filed in the office of the commissioner.

Subd. 9. [APPEAL OF AN ADMINISTRATIVE APPEAL.] Following the determination or settlement of an appeal, the commissioner must issue an order reflecting that disposition. Except in the case of an agreement determining tax under this section, the order is appealable to the Minnesota tax court under section 271.06.

<u>Subd. 10.</u> [APPEAL WHERE NO DETERMINATION.] <u>If the commissioner does not make a determination within</u> <u>six months of the filing of an administrative appeal, the taxpayer may elect to appeal to tax court.</u>

Subd. 11. [EXEMPTION FROM ADMINISTRATIVE PROCEDURE ACT.] This section is not subject to chapter 14.

Sec. 17. [297E.16] [CONTRABAND.]

Subdivision 1. [SEIZURE.] Contraband may be seized by the commissioner or by any sheriff or other police officer, hereinafter referred to as the "seizing authority," with or without process, and is subject to forfeiture as provided in subdivisions 2 and 3.

<u>Subd. 2.</u> [INVENTORY; JUDICIAL DETERMINATION; APPEAL; DISPOSITION OF SEIZED PROPERTY.] Within ten days after the seizure of alleged contraband, the person making the seizure shall make available an inventory of the property seized to the person from whom the property was seized, if known, and file a copy with the commissioner or the director of gambling enforcement. Within ten days after the date of service of the inventory, the person from whom the property was seized or any person claiming an interest in the property may file with the seizing authority a demand for judicial determination of whether the property was lawfully subject to seizure and forfeiture. Within 60 days after the date of filing of the demand, the seizing authority must bring an action in the district court of the county where seizure was made to determine the issue of forfeiture. The action must be brought in the name of the state and be prosecuted by the county attorney or by the attorney general. The court shall hear the action without a jury and determine the issues of fact and law involved. If a judgment of forfeiture is entered, the seizing authority may, unless the judgment is stayed pending an appeal, either (1) cause the forfeited property to be destroyed; or (2) cause it to be sold at a public auction as provided by law.

If demand for judicial determination is made and no action is commenced by the seizing authority as provided in this subdivision, the property must be released by the seizing authority and delivered to the person entitled to it. If no demand is made, the property seized is considered forfeited to the seizing authority by operation of law and may be disposed of by the seizing authority as provided where there has been a judgment of forfeiture. When the seizing authority is satisfied that a person from whom property is seized was acting in good faith and without intent to evade the tax imposed by section 297E.02, the seizing authority shall release the property seized without further legal proceedings.

Subd. 3. [DISPOSAL.] (a) The property described in section 349.2125, subdivision 1, clauses (4) and (5), must be confiscated after conviction of the person from whom it was seized, upon compliance with the following procedure: the seizing authority shall file with the court a separate complaint against the property, describing it and charging its use in the specific violation, and specifying substantially the time and place of the unlawful use. A copy of the

5437

complaint must be served upon the defendant or person in charge of the property at the time of seizure, if any. If the person arrested is acquitted, the court shall dismiss the complaint against the property and order it returned to the persons legally entitled to it. Upon conviction of the person arrested, the court shall issue an order directed to any person known or believed to have any right, title or interest in, or lien upon, any of the property, and to persons unknown claiming any right, title, interest, or lien in it, describing the property and (1) stating that it was seized and that a complaint against it, charging the specified violation, has been filed with the court, (2) requiring the persons to file with the court administrator their answer to the complaint, setting forth any claim they may have to any right or title to, interest in, or lien upon the property, within 30 days after the service of the order, and (3) notifying them in substance that if they fail to file their answer within the time, the property will be ordered sold by the seizing authority. The court shall cause the order to be served upon any person known or believed to have any right, title, interest, or lien as in the case of a summons in a civil action, and upon unknown persons by publication, as provided for service of summons in a civil action. If no answer is filed within the time prescribed, the court shall, upon affidavit by the court administrator, setting forth the fact, order the property sold by the seizing authority. Seventy percent of the proceeds of the sale of forfeited property, after payment of seizure, storage, forfeiture, and sale expenses, must be forwarded to the seizing authority for deposit as a supplement to its operating fund or similar fund for official use, and 20 percent must be forwarded to the county attorney or other prosecuting agency that handled the forfeiture for deposit as a supplement to its operating fund or similar fund for prosecutorial purposes. The remaining ten percent of the proceeds must be forwarded within 60 days after resolution of the forfeiture to the department of human services to fund programs for the treatment of compulsive gamblers. If an answer is filed within the time provided, the court shall fix a time for a hearing, which must not be less than ten nor more than 30 days after the time for filing an answer expires. At the time fixed for hearing, unless continued for cause, the matter must be heard and determined by the court, without a jury, as in other civil actions.

(b) If the court finds that the property, or any part of it, was used in the violation specified in the complaint, it shall order the unlawfully used property sold as provided by law, unless the owner shows to the satisfaction of the court that the owner had no notice or knowledge or reason to believe that the property was used or intended to be used in the violation. The officer making a sale, after deducting the expense of keeping the property, the fee for seizure, and the costs of the sale, shall pay all liens according to their priority, which are established at the hearing as being bona fide and as existing without the lienor having any notice or knowledge that the property was being used or was intended to be used for or in connection with the violation specified in the order of the court, and shall pay the balance of the proceeds to the seizing authority for official use and sharing in the manner provided in paragraph (a). A sale under this section frees the property sold from all liens on it. Appeal from the order of the district court is available as in other civil cases. At any time after seizure of the articles specified in this subdivision, and before the hearing provided for, the property must be returned to the owner or person having a legal right to its possession, upon execution of a good and valid bond to the state, with corporate surety, in the sum of at least \$100 and not more than double the value of the property seized, to be approved by the court in which the case is triable, or a judge of it, conditioned to abide any order and the judgment of the court, and to pay the full value of the property at the time of the seizure. The seizing authority may dismiss the proceedings outlined in this subdivision when the seizing authority considers it to be in the public interest to do so.

# Sec. 18. [297E.17] [DISTRIBUTOR'S BOND.]

On finding it necessary to ensure compliance with this chapter, the commissioner may require that a distributor deposit with the commissioner security in the form and amount determined by the commissioner, but not more than the lesser of (1) twice the estimated average monthly tax liability for the previous 12 months, or (2) \$10,000.

In lieu of security, the commissioner may require a distributor to file a bond issued by a surety company authorized to transact business in this state and approved by the commissioner of commerce as to solvency and responsibility.

The commissioner may make claim against this security or bond for all taxes, penalties, and interest owed by the distributor.

## Sec. 19. [INSTRUCTIONS TO REVISOR.]

(a) If a provision of a section of Minnesota Statutes repealed or amended by this article is amended or referred to by an act enacted in 1994, the revisor shall codify the amendment or reference consistent with the recodification of the affected section by this act, notwithstanding any law to the contrary.

(b) In the next edition of Minnesota Statutes, in the sections referred to in column A, the revisor of statutes shall delete the reference in column B and insert the reference in column C. The revisor may change the references in column C to the sections of Minnesota Statutes in which the bill sections are compiled.

Sec. 20. [PURPOSE.]

The repealed provisions, however, continue to remain in effect until superseded by the analogous provision in the new law.

The governor shall report to the legislature by February 1 of each odd-numbered year on the state's progress in addressing the problem of compulsive gambling. The report must include:

(1) a summary of available data describing the extent of the problem in Minnesota;

(2) a summary of programs, both governmental and private, that

(ii) enhance public awareness of the problem and the availability of compulsive gambling services,

(iii) are designed to prevent compulsive gambling and other problem gambling by elementary and secondary school students and vulnerable adults;

(iv) offer professional training in the identification, referral, and treatment of compulsive gamblers;

(3) the likely impact on compulsive gambling of each form of gambling; and

(4) budget recommendations for state-level compulsive gambling programs and activities.

Sec. 2. Minnesota Statutes 1992, section 245.98, subdivision 2, is amended to read:

Subd. 2. [PROGRAM.] The commissioner of human services shall establish a program for the treatment of compulsive gamblers. The commissioner may contract with a nonprofit entity with expertise regarding the treatment of compulsive gambling to operate the program. The program may also include inpatient and outpatient treatment and rehabilitation services and research studies. The research studies must include baseline and prevalence studies for adolescents and adults to identify those at the highest risk. (3) By passage of Public Law Number 102-559 Congress has infringed on the traditional rights of states to make their own determinations as to appropriate methods of controlling or combatting illegal gambling or raising state revenue, and raises serious questions as to possible violations of the tenth amendment to the United States Constitution.

(4) The exemptions granted in Public Law Number 102-559 to a handful of states are unreasonable, arbitrary, and discriminatory.

Sec. 4. [ATTORNEY GENERAL TO BRING ACTION.]

The attorney general shall examine and analyze the legal issues involved and the propriety of bringing an action in the appropriate federal court to determine the constitutionality of Public Law Number 102-559 to the extent that it infringes on the authority of the legislature to enact legislation relating to organized wagering on sports events. After this examination and analysis the attorney general may, at the attorney general's discretion, bring such an action to determine the constitutionality of Public Law Number 102-559. By March 1, 1995, the attorney general shall report to the legislature on the attorney general's activities under this section.

(4) to consider any gambling-related questions, and respond to requests for information or recommendations, from the governor or legislature;

(5) to make recommendations on the desirability and practicability of implementing video lottery and video gaming systems in the state; and

(6) to consider and make recommendations on the appropriate level of regulation for the nonprofit gambling industry.

Subd. 4. [EXPIRATION DATE.] The provisions of section 15.059, subdivision 5, do not apply to the council.

Sec. 6. [SOCIO-ECONOMIC MODEL.]

The governor shall include in the governor's budget proposals for the 1996-97 biennium a proposal to create and maintain a socio-economic model that will allow executive agencies and the legislature to estimate the social, economic, and public revenue effects of different forms of gambling and changes in Minnesota gambling laws.

Sec. 7. [INSTRUCTION TO REVISOR; NONPROFIT GAMBLING.]

The revisor of statutes, in the next and subsequent editions of Minnesota Statutes and Minnesota Rules, shall change the term "lawful gambling" to "nonprofit gambling" wherever it appears.

Subdivision 1. [REQUIREMENT TO PREPARE AND MAINTAIN A PLAN.] (a) Persons who operate a facility required by United States Code, title 42, section 11023, or section 299K.08, subdivision 3, to submit a toxic chemical release form shall prepare a toxic pollution prevention plan for that facility. The plan must contain the information listed in subdivision 2.

(b) Except as provided in paragraphs (d) and (e), for facilities that release a total of 10,000 pounds or more of toxic pollutants annually, the plan must be completed as follows:

(1) on or before July 1, 1991, for facilities having a two-digit standard industrial classification of 35 to 39;

(2) by January 1, 1992, for facilities having a two-digit standard industrial classification of 28 to 34; and

(3) by July 1, 1992, for all other persons required to prepare a plan under this subdivision.

(c) Except as provided in paragraphs (d) and (e), facilities that release less than a total of 10,000 pounds of toxic pollutants annually must complete their plans by July 1, 1992.

(d) For the following facilities, the plan must be completed as follows:

(1) by January 1, 1995, for facilities required to report under section 299K.08, subdivision 3, that have a two-digit standard industrial classification of 01 to 50; and

(e) For facilities that become subject to this subdivision after July 1, 1993, the plan must be completed by six months after the first submittal for the facility under United States Code, title 42, section 11023, or section 299K.08, subdivision 3.

(f) <u>Before a plan is finalized by a facility, the planning process must include an opportunity for participation by</u> workers in the facility.

(g) Each plan must be updated every two years and must be maintained at the facility to which it pertains.

Subd. 2. [CONTENTS OF PLAN.] (a) Each toxic pollution prevention plan must establish a program identifying the specific technically and economically practicable steps that could be taken during at least the three years following the date the plan is due, to eliminate or reduce the generation or release of toxic pollutants reported by the facility. Toxic pollutants resulting solely from research and development activities need not be included in the plan.

(b) At a minimum, each plan must include:

(1) the total quantity of each toxic pollutant brought into the facility during the preceding year in an amount subject to reporting under United States Code, title 42, section 11023;

(2) a policy statement articulating upper management support for eliminating or reducing the generation or release of toxic pollutants at the facility;

(2) (3) a description of the current processes generating or releasing toxic pollutants that specifically describes the types, sources, and quantities of toxic pollutants currently being generated or released by the facility;

(3) (4) a description of the current and past practices used to eliminate or reduce the generation or release of toxic pollutants at the facility and an evaluation of the effectiveness of these practices;

(4) (5) an assessment of technically and economically practicable options available to eliminate or reduce the generation or release of toxic pollutants at the facility, including options such as changing the raw materials, operating techniques, equipment and technology, personnel training, and other practices used at the facility. The assessment may include a cost benefit analysis of the available options;

Wherever technically and economically practicable, the objectives for eliminating or reducing the generation or release of each toxic pollutant at the facility must be expressed in numeric terms. Otherwise, the objectives must include a clearly stated list of actions designed to lead to the establishment of numeric objectives as soon as practicable;

(6) (7) an explanation of the rationale for each objective established for the facility;

(7) (8) a listing of options that were considered not to be economically and technically practicable; and

(8) (9) a certification, signed and dated by the facility manager and an officer of the company under penalty of section 609.63, attesting to the accuracy of the information in the plan.

(c) The commissioner shall provide the information in paragraph (b), clause (1), to the emergency response commission, which shall include the information in the annual toxic release inventory report.

Sec. 4. [115D.16] [TOXIC AIR CONTAMINANT PROGRAM.]

<u>Subdivision 1.</u> [EVALUATION AND REPORT.] By November 1, 1994, the commissioner of the pollution control agency shall report to the legislature on the agency's strategy for the most appropriate method and procedures for conducting health and environmental impact analysis for sources and source categories emitting toxic air contaminants. The agency shall conduct this evaluation and prepare this strategy in consultation with the department of health.

Subd. 2. [HEALTH AND ENVIRONMENTAL IMPACT ANALYSIS FOR SOURCES AND SOURCE CATEGORIES EMITTING TOXIC AIR CONTAMINANTS.] (a) The pollution control agency shall ensure that maximum achievable control technology (MACT) standards as required by Title III of the 1990 Clean Air Act Amendments, United States Code, title 42, section 7411, are adequately protective of public health and the environment. This shall include standards promulgated by the Environmental Protection Agency under section 112(d) of the Clean Air Act and case-by-case standards required under sections 112(g) and 112(j). In ensuring health protectiveness of technology-based standards, the agency shall use reliable and current scientific data including, but not limited to, data required in subdivision 1 and according to the schedule in paragraphs (b) to (f).

(b) For all sources subject to federal MACT standards pursuant to regulations promulgated in accordance with the federal Clean Air Act Amendments, the agency shall, within six months of a final promulgation of a source category. MACT standard, complete a health and environmental impact analysis to determine whether the application of the MACT standard is protective of public health and the environment. If, upon completion of the analysis, the agency determines that the application of a MACT standard to a source category will not provide an adequate level of health and environmental protection, the agency shall establish by rule an alternative standard for that source category.

(c) For new sources and existing sources seeking modifications for which a federal MACT standard has not yet been promulgated, the agency shall determine MACT standards on a case-by-case basis and must complete a health and environmental impact analysis to ensure the MACT standard established by the agency is protective of public health and the environment. The agency must complete its health and environmental analysis to determine a MACT standard within six months of the date of receipt of a completed air emission permit application. The agency must include conditions within permits issued to sources under this category to protect public health and the environment.

(d) For all sources for which the Environmental Protection Agency has failed to promulgate a federal MACT standard, the agency shall, pursuant to section 112(j) of the Clean Air Act, determine MACT standards on a case-by-case basis and must complete a health and environmental impact analysis within six months of determining a MACT standard to ensure the MACT standard established by the agency is protective of public health and the environment.

(e) For new sources and existing sources seeking modifications not subject to the application of the federal MACT standards, but required to obtain an air emissions permit under Minnesota Rules or subject to review under section 116D.04, the agency must conduct a health and environmental impact analysis. The agency shall, based on its analysis, include conditions within permits issued to sources in the category when necessary to protect the public health and the environment.

(f) For existing sources not subject to the application of the federal MACT standards, but required to obtain an air emissions permit under Minnesota Rules, the agency shall conduct a health and environmental analysis for those sources the agency determines are a priority based on the rate of toxic emissions and a screening analysis of potential impacts to public health and the environment.

<u>Subd. 3.</u> [REPORT ON SOURCES NOT SUBJECT TO FEDERAL MACT STANDARDS.] <u>By January 1, 1997, the</u> agency shall report, as part of the report required under subdivision 2, to the legislature a list identifying potential sources not subject to the federal MACT standards nor required to obtain a state air emissions permit, but that emit toxic air contaminants and thereby may contribute to adverse impacts to the public health and environment.

Subd. 4. [REPORT ON ENVIRONMENTAL IMPACTS.] By January 1, 1995, the agency shall report, as part of the report required under subdivision 1, to the legislature on the possibility of controlling emissions of toxic air contaminants that may endanger animals, fish, or plants or otherwise pose a significant threat to the integrity of the aquatic or terrestrial ecosystem in the state. The report also must include an identification of the cost to control toxic air emissions that have a significant environmental impact.

<u>Subd.</u> 2. [REPORT REQUIRED.] By February 1, 1995, the commissioners in subdivision 1 shall submit to the appropriate legislative committees a report that contains the list prepared under subdivision 1 and describes appropriate actions for the state to take to mitigate or eliminate the potential hazards and a schedule for taking these actions.

Sec. 7. [PROGRESS REPORT ON HEALTH-BASED STANDARDS.]

#### ADMINISTRATIVE RULES ADOPTION AND REVIEW

Section 1. Minnesota Statutes 1993 Supplement, section 3.841, is amended to read:

### 3.841 [LEGISLATIVE COMMISSION TO REVIEW ADMINISTRATIVE RULES; COMPOSITION; MEETINGS.]

A legislative commission to review administrative rules, consisting of five senators appointed by the committee on committees of the senate and five representatives appointed by the speaker of the house of representatives shall be appointed. Its members must include the chair or vice chair the chair's designee of the committees in each body having jurisdiction over administrative rules. The commission shall meet at the call of its chair or upon a call signed by two of its members or signed by five members of the legislature. The office of chair of the legislative commission shall alternate between the two houses of the legislature every two years.

Sec. 2. [3.8415] [POWERS AND DUTIES OF THE COMMISSION.]

<u>Subdivision 1.</u> [RULES REVIEW.] The legislative commission to review administrative rules shall selectively review possible, proposed, or adopted rules and prescribe appropriate commission procedures for that purpose. The commission may receive and investigate complaints from members of the public with respect to possible, proposed, or adopted rules and hold public proceedings on those complaints.

<u>Subd. 2.</u> [CONDUCT OF MEETINGS.] <u>Commission meetings must be open to the public.</u> <u>Subject to procedures</u> established by the commission, persons may present oral argument, data, or views at those meetings. The commission may require a representative of an agency whose possible, proposed, or adopted rule is under examination to attend a commission meeting and answer relevant questions. The commission may also communicate to the agency its comments on any possible, proposed, or adopted rule and require the agency to respond to them in writing.

<u>Subd. 3.</u> [COMMISSION POWERS.] (a) The commission may recommend enactment of a statute to improve the operation of an agency. The commission may also recommend that a particular rule be superseded in whole or in part by statute. The speaker of the house and the president of the senate shall refer those recommendations to the appropriate standing committees. This paragraph does not preclude any committee of the legislature from reviewing a rule on its own motion or recommending that it be superseded in whole or in part by statute.

(b) The commission may object to all or some portion of a rule under section 14.224, or request the governor to suspend a rule or terminate a proceeding to adopt a rule under section 14.223.

(c) By a vote of a majority of its members, the commission may request any agency to adopt, amend, or repeal rules pursuant to recommendations made by the commission, including recommendations to promote adequate and proper rules by that agency. Upon this request, the agency shall give notice of the proposed rule adoption under section 14.206. The notice of proposed rule adoption must be published within 60 days of receipt of the request, unless the request from the commission specifies a longer time. This paragraph applies only if the agency has authority to adopt, amend, or repeal these rules.

Subd. 4. [ANNUAL REPORT.] The commission shall file an annual report with the legislature and the governor.

<u>Subd.</u> 5. [REPORTS ON RULEMAKING GRANTS.] <u>Beginning with a report submitted to the legislature on</u> <u>February 1, 2000, and every five years after that date, the commission shall compile a list of all general and specific grants of rulemaking of all agencies. The report should include a brief description of each grant and a citation to the authorizing statute.</u> Subd. 6. [PUBLICATION OF RULES BULLETIN.] The commission shall periodically publish a bulletin highlighting controversial proposed rules and other developments of interest in rulemaking. The bulletin shall be available to legislators and to the general public.

<u>Subd. 7.</u> [EXEMPT RULES.] By January 15 of each odd-numbered year, the commission shall report to the legislature on rules that are specifically exempted from chapter 14 by other law. The commission shall recommend repealing any exemption that it believes is no longer justified.

Sec. 3. [3.985] [RULE NOTES.]

The administrative rules advisor or the chair of a standing committee to which a bill delegating rulemaking authority has been referred may require an agency to which the rulemaking authority is granted under a bill to prepare a rulemaking note on the proposed delegation of authority. The rulemaking note shall contain any of the following information requested by the administrative rules advisor or the chair of the standing committee: the reasons for the grant of authority; the person or groups the rules would impact; estimated cost of the rule for affected persons; estimated cost to the agency of adopting the rules; and any areas of controversy anticipated by the agency. The rulemaking note must be delivered to the administrative rules advisor and to the chair of the standing committee to which the bill delegating the rulemaking authority has been referred.

Sec. 4. Minnesota Statutes 1992, section 10A.02, is amended by adding a subdivision to read:

Subd. 12a. [RULES.] If the board intends to apply principles of law or policy announced in an advisory opinion issued under subdivision 12 more broadly than to the individual or association to whom the opinion was issued, the board must adopt these principles or policies as rules under chapter 14.

Sec. 5. Minnesota Statutes 1992, section 14.05, subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY TO ADOPT ORIGINAL RULES RESTRICTED.] Each agency shall adopt, amend, suspend, or repeal its rules in accordance with the procedures specified in sections 14.001 to 14.69 this chapter, and only pursuant to authority delegated by law and in full compliance with its duties and obligations. If a law authorizing rules is repealed, the rules adopted pursuant to that law are automatically repealed on the effective date of the law's repeal unless there is another law authorizing the rules. Except as provided in section 14.06, sections 14.001 to 14.69 shall not be authority for an agency to adopt, amend, suspend, or repeal rules.

Sec. 6. Minnesota Statutes 1992, section 14.12, is amended to read:

14.12 [DEADLINE TO PUBLISH NOTICE REPORT ON DELAY IN ADOPTION.]

The agency shall, within 180 days after the effective date of a law requiring rules to be promulgated, unless otherwise specified by law, publish an appropriate notice of intent to adopt a rule in accordance with sections 14.05 to 14.36. If an agency has not given this notice, it shall report to the legislative commission to review administrative rules, other appropriate committees of the legislature, and the governor its failure to do so, and the reasons for that failure. If an agency has not finally adopted a rule within 12 months of the effective date of a law requiring rules to be adopted, the agency must report to the legislative commission to review administrative rules, the appropriate policy committees of the legislature, and the governor. The report must include:

(1) the current status of the proposed rules;

(2) a summary of procedural requirements that have prevented the agency from finally adopting the rules;

(3) a discussion of unresolved policy issues in dispute between the agency and persons interested in the rules,

(4) the text of proposed legislation, if any is needed, that would give the agency further policy guidance needed to complete rulemaking or that would make changes in statute necessary to implement the affected law in accordance with legislative intent without rulemaking.

Sec. 7. [14.201] [SUSPENSION OF ACT'S PROVISIONS WHEN NECESSARY TO AVOID LOSS OF FEDERAL FUNDS OR SERVICES.]

(a) To the extent necessary to avoid a denial of funds or services from the United States which would otherwise be available to the state, the governor by executive order may suspend, in whole or in part, one or more provisions of sections 14.202 to 14.218. The governor by executive order shall declare the termination of a suspension as soon as it is no longer necessary to prevent the loss of funds or services from the United States.

(b) If any provision of sections 14.202 to 14.218 is suspended pursuant to this section, the governor shall promptly report the suspension to the legislature. The report must include recommendations concerning any desirable legislation that may be necessary to conform to federal law.

Sec. 8. [14.202] [REQUIRED RULEMAKING; DOCUMENTS.]

<u>Subdivision 1.</u> [RULES OF PRACTICE.] <u>Each agency shall make available to the public a brochure, guidebook, or</u> other document setting forth the nature and requirements of all formal and informal procedures.

<u>Subd.</u> 2. [ADMINISTRATIVE STANDARDS AND SAFEGUARDS.] <u>As soon as feasible and to the extent</u> practicable, each agency shall adopt rules, in addition to those otherwise required by this chapter, embodying appropriate standards, principles, and procedural safeguards that the agency will apply to the law it administers.

<u>Subd. 3.</u> [RULES TO SUPERSEDE PRINCIPLES ESTABLISHED IN PARTICULAR CASES.] <u>Upon request of any</u> <u>person, as soon as feasible and to the extent practicable, each agency shall adopt rules to supersede principles of law</u> <u>or policy lawfully declared by the agency as the basis for its decisions in particular cases. This subdivision does not apply to an agency defined expressly by law as having quasi-judicial powers or functions.</u>

Sec. 9. [14.203] [ADVICE ON POSSIBLE RULES BEFORE NOTICE OF PROPOSED RULE ADOPTION.]

<u>Subdivision 1.</u> [PUBLISHED NOTICE OF SOLICITATION OF COMMENTS.] In addition to seeking information by other methods, an agency, before publication of a notice of proposed rule adoption under section 14.206, may solicit comments from the public on a subject matter of possible rulemaking under active consideration within the agency by causing notice to be published in the State Register of the subject matter and indicating where, when, and how persons may comment.

<u>Subd. 2.</u> [APPOINTMENT OF COMMITTEES.] <u>Each agency may also appoint committees to comment, before</u> <u>publication of a notice of proposed rule adoption under section 14.206, on the subject matter of a possible rulemaking</u> <u>under active consideration within the agency.</u> <u>Upon request of any person, the agency must send the person a</u> <u>membership list for its committees.</u>

Sec. 10. [14.204] [PUBLIC RULEMAKING DOCKET.]

Subdivision 1. [REQUIREMENT.] Each agency shall maintain a current, public rulemaking docket.

<u>Subd. 2.</u> [GENERAL RULEMAKING INFORMATION.] <u>The rulemaking docket must contain a listing of the precise</u> <u>subject matter of each possible rule currently under active consideration within the agency for proposal under</u> <u>section 14.206, the name and address of agency personnel with whom persons may communicate with respect to the</u> <u>matter, and an indication of the present status within the agency of that possible rule.</u>

<u>Subd.</u> 3. [SPECIFIC INFORMATION ON PENDING PROCEEDINGS.] <u>The rulemaking docket must list each</u> pending rulemaking proceeding. A rulemaking proceeding is pending from the time it is commenced, by publication of a notice of proposed rule adoption, to the time it is terminated, by publication of a notice of termination or the rule becoming effective. For each rulemaking proceeding, the docket must indicate:

(1) the subject matter of the proposed rule;

(2) a citation to all published notices relating to the proceeding;

(3) where written submissions on the proposed rule may be inspected;

(4) the time during which written submissions may be made;

(5) whether a written request for the issuance of a regulatory analysis of the proposed rule has been filed, whether that analysis has been issued, and where the written request and analysis may be inspected;

(6) the current status of the proposed rule and any agency determinations with respect to it;

(7) the date of any report made under section 14.12;

(8) any known timetable for agency decisions or other action in the proceeding;

### (9) the date of the rule's adoption;

(10) when the rule will become effective.

<u>Subd. 4.</u> [ADMINISTRATIVE RULES ADVISOR'S SUBJECT MATTER INDEX.] <u>The administrative rules advisor</u> <u>shall maintain a subject matter index of rules that are under active consideration or are pending and that are</u> <u>referenced in agency rulemaking dockets</u>. The purpose of this subject matter index is to allow the administrative rules <u>advisor to direct persons interested in regulatory activity to the proper agency for more detailed information</u>.

Sec. 11. [14.205] [MODEL RULES.]

Upon request of the administrative rules advisor, the legislative commission to review administrative rules, or more than one agency, the attorney general, in consultation with the administrative rules advisor and the revisor of statutes, shall adopt model rules relating to rulemaking topics specified in the request appropriate for use by as many agencies as possible. The model rules must include forms for required rulemaking notices. The model rules apply to each agency, unless the agency adopts a different rule. Any agency adopting a different rule must state, in the statement required by section 14.214, why it differed from the model rules.

Sec. 12. [14.206] [NOTICE OF PROPOSED RULE ADOPTION.]

<u>Subdivision 1.</u> [LIST OF PERSONS REGISTERED TO RECEIVE NOTICE.] Each agency shall maintain a list of all persons who have registered with the agency for the purpose of receiving notice of proposed rule adoptions.

<u>Subd. 2.</u> [TIMING AND CONTENT.] (a) <u>At least 30 days before the adoption of a rule an agency shall publish</u> notice of its contemplated action in the State Register. The notice of proposed rule adoption must include:

(1) a short explanation of the purpose of the proposed rule and a notice that the explanatory statement prepared under paragraph (b) is available from the agency;

(2) the specific legal authority authorizing the proposed rule;

(3) subject to subdivision 8, the text of the proposed rule;

(4) where, when, and how persons may present their views on the proposed rule;

(5) where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one; and

(6) an explanation of how a regulatory analysis may be requested under section 14.208.

(b) At the time an agency publishes notice of proposed rule adoption it must make available a concise explanatory statement containing the reasons for the proposed rule. The statement must include a citation to the statutory authority to adopt the rule. The agency must make this statement available for review at the agency's office and shall provide a copy of the statement on request. The insufficiency or inaccuracy of this explanation is not grounds for invalidating the rule if the agency has made a good faith effort to comply with this paragraph.

Subd. 3. [FORM APPROVAL OF RULE.] Before publishing notice of proposed rule adoption in the State Register, the agency shall submit the proposed rule to the revisor of statutes for approval of form.

Subd. 4. [DUAL NOTICE.] The notice of proposed rule adoption may give notice of an oral proceeding, and of the agency's intention to cancel the oral proceeding if an oral proceeding is not required. The agency may not schedule the oral proceeding earlier than ten days after the end of the comment period under section 14.207, subdivision 1.

<u>Subd. 5.</u> [EXTENSION OF ORAL PROCEEDING DEADLINE.] <u>The notice of proposed rule adoption must state</u> that if a regulatory analysis has not been done and is later required, another notice may be published extending the deadline for requesting an oral proceeding, rescheduling any previously scheduled oral hearing, or extending the deadline for presenting views to the agency.

<u>Subd. 6.</u> [REQUIRED MAILING.] <u>Within three days after its publication in the State Register, the agency shall mail</u> <u>a copy of the notice of proposed rule adoption to each person on the list established under subdivision 1, and to any</u> <u>other person who has made a timely request to the agency for a mailed copy of the notice.</u> An agency may not charge <u>persons for the mailed copies.</u>

<u>Subd.</u> 7. [NOTICE TO LCRAR.] <u>At the time the agency sends the notice of proposed rule adoption to the State</u> <u>Register for publication, it must send the same notice and the concise explanatory statement prepared under</u> <u>subdivision 2, paragraph (b), to the legislative commission to review administrative rules.</u>

<u>Subd. 8.</u> [OMISSION OF RULE TEXT.] (a) The administrative rules advisor may authorize an agency to omit from the notice of proposed rule adoption the text of any proposed rule, the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient if:

(1) knowledge of the rule is likely to be important to only a small class of persons;

(2) the notice of proposed rule adoption states that a free copy of the entire rule is available upon request to the agency; and

(3) the notice of proposed rule adoption states in detail the specific subject matter of the omitted rule.

(b) An agency may incorporate text by reference as permitted by section 14.07.

Sec. 13. [14.207] [PUBLIC PARTICIPATION.]

Subdivision 1. [COMMENT PERIOD.] For at least 30 days after publication of the notice of proposed rule adoption, an agency shall afford persons the opportunity to submit in writing, argument, data, and views on the proposed rule.

<u>Subd. 2.</u> [ORAL PROCEEDINGS.] (a) An agency shall schedule an oral proceeding on a proposed rule if, within 30 days after the published notice of proposed rule adoption, a written request for an oral proceeding is submitted to the agency by the legislative commission to review administrative rules, the administrative rules advisor, a political subdivision, or 25 persons. At that proceeding, persons may present oral argument, data, and views on the proposed rule. To be counted as one of 25 persons requesting an oral proceeding, a written request must include the requester's name and address.

(b) An oral proceeding on a proposed rule, if required, may not be held earlier than 30 days after notice of its location and time is published in the State Register.

(c) If requested by the agency, the governor, the administrative rules advisor, 300 persons submitting a written request to the agency, or the legislative commission to review administrative rules, an administrative law judge assigned by the chief administrative law judge shall preside at the oral proceeding. Otherwise, the agency, a member of the agency, or another presiding officer designated by the agency, shall preside at a required oral proceeding on a proposed rule. If the agency does not preside, upon request of the agency the presiding official shall prepare a memorandum for consideration by the agency summarizing the contents of the presentations made at the oral proceeding. Upon request of the agency, an administrative law judge or other presiding officer shall prepare a report that includes findings, conclusions, and recommendations. Oral proceedings must be open to the public and be recorded by stenographic or other means.

(d) Upon request, the agency shall provide the names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made.

Sec. 14. [14.2075] [SMALL BUSINESS ECONOMIC IMPACT STATEMENT.]

Before publishing notice of a proposed rule, the agency shall make a written determination as to whether or not the rule will have an economic impact on small businesses. The agency must send a copy of this written determination to the legislative commission to review administrative rules, and must make it available to the public. If the agency or the legislative commission to review administrative rules determines that the proposed rule will have an economic impact on small businesses, the agency shall complete a small business economic impact statement. The agency must make the small business economic impact statement available to the public and must file the statement with the legislative commission to review administrative rules before publishing notice of a proposed rule. The statement must contain the following: (1) a description of the nature of any reports and the estimated cost of their preparation by small businesses that would be required to comply with the proposed rules;

(2) an analysis of the costs of compliance for all small businesses affected by the proposed rules, including costs of equipment, supplies, labor, and increased administrative costs;

(3) a description of the nature and estimated cost of any legal, consulting, and accounting services that small businesses would incur in complying with the proposed rules;

(4) a statement regarding whether the proposed rules will have a disproportionate impact on small businesses because of the size of those businesses;

(5) an analysis of the ability of small businesses to absorb the costs estimated under clauses (1) to (3) without suffering economic harm and without adversely affecting competition in the marketplace;

(6) the cost, if any, to the agency of administering or enforcing a rule that exempts or sets lesser standards for compliance by small business;

(7) the impact on the public interest of exempting or setting lesser standards of compliance for small business; and

(8) a statement regarding whether and how the agency has involved small businesses in the development of the rule.

Sec. 15. [14.208] [REGULATORY ANALYSIS.]

<u>Subdivision 1.</u> [GENERAL REQUIREMENT.] <u>An agency shall issue a regulatory analysis of a proposed rule if,</u> within 30 days after the published notice of proposed rule adoption, a written request for the analysis is filed with the agency by the legislative commission to review administrative rules, the governor, a political subdivision, or 300 persons signing the request. To be counted as one of 300 persons requesting a regulatory analysis, a written request must include the requester's name and address.

Subd. 2. [CONTENTS.] Except to the extent that the written request expressly waives one or more of the following, the regulatory analysis must contain:

(1) a description of the classes of persons who probably will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

(2) the probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues;

(3) a determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule; and

(4) a description of any alternative methods for achieving the purpose of the proposed rule that were seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule.

Subd. 3. [AVAILABILITY OF SUMMARY.] A concise summary of the regulatory analysis must be available to the public at least ten days before the earliest of:

(1) the end of the period during which persons may make written submissions on the proposed rule;

(2) the end of the period during which an oral proceeding may be requested; or

(3) the date of any required oral proceeding on the proposed rule.

Subd. 4. [NOTICE OF RESCHEDULING.] If the period for written submissions, the period for requesting an oral proceeding, or the date of the oral proceeding must be rescheduled in order to make the regulatory analysis available at the times requested by subdivision 3, the agency must publish notice to that effect in the State Register and mail notice as required under section 14.206, subdivision 6. This notice is subject to all the public participation requirements contained in section 14.207.

<u>Subd. 5.</u> [EFFECT OF GOOD FAITH COMPLIANCE.] If the agency has made a good faith effort to comply with the requirements of this section, the rule may not be invalidated on the grounds that the contents of the regulatory analysis are insufficient or inaccurate.

Sec. 16. [14.209] [TIME AND MANNER OF RULE ADOPTION.]

<u>Subdivision 1.</u> [GENERAL REQUIREMENT.] (a) An agency may not adopt a rule until the period for making written submissions and oral presentations has expired.

(b) Before the adoption of a rule, an agency shall consider the written submissions, presentations made at oral proceedings, any memorandum summarizing oral proceedings, and any regulatory analysis, provided for by sections 14.202 to 14.218.

(c) Within the scope of its delegated authority, an agency may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

(d) Before adoption of a rule, an agency shall submit the rule to the revisor of statutes for approval of form.

Subd. 2. [MANNER OF RULE ADOPTION.] (a) An agency shall adopt a rule by publishing notice of adoption in the State Register and by filing a copy of the adopted rule with the secretary of state.

(b) If the adopted rule is the same as the proposed rule, the notice of adoption shall state that the rule has been adopted as proposed, and cite the prior State Register publication of the proposed rule.

(c) If the adopted rule differs from the proposed rule, the portions of the adopted rule which differ from the proposed rule shall be included in the notice of adoption, together with a citation to the prior State Register publication of the remainder of the proposed rule. The nature of the modifications must be clear to a reasonable person when the notice of adoption is considered together with the State Register publication of the proposed rule. Modifications made solely to comply with form requirements imposed by the revisor of statutes need not be published in the State Register.

(d) If the agency omitted from the notice of proposed rule adoption the text of the proposed rule, as permitted by section 14.206, subdivision 8, paragraph (a), the administrative rules advisor may provide that the notice of the adopted rule need not include the text of any changes from the proposed rule. However, the notice of adoption must state in detail the substance of the changes made from the proposed rule, and must state that a free copy of that portion of the adopted rule that was the subject of the rulemaking proceeding, not including any material adopted by reference as permitted by section 14.07, is available upon request to the agency.

Sec. 17. [14.211] [VARIANCE BETWEEN ADOPTED RULE AND PUBLISHED NOTICE OF PROPOSED RULE ADOPTION.]

(a) An agency may not adopt a rule that is substantially different from the proposed rule contained in the published notice of proposed rule adoption. A modification does not make a proposed rule substantially different if:

(1) the differences are within the scope of the matter announced in the notice of proposed rule adoption and are in character with the issues raised in that notice;

(2) the differences are a logical outgrowth of the contents of that notice of intent to adopt and the comments submitted in response to the notice; and

(3) the notice of intent to adopt provided fair warning that the outcome of that rulemaking proceeding could be the rule in guestion.

(b) In determining whether the notice of intent to adopt provided fair warning that the outcome of that rulemaking proceeding could be the rule in guestion, the following factors must be considered:

(1) the extent to which persons who will be affected by the rule should have understood that the rulemaking proceeding on which it is based could affect their interests;

(2) the extent to which the subject matter of the rule or issues determined by the rule are different from the subject matter or issues contained in the notice of intent to adopt; and

(3) the extent to which the effects of the rule differ from the effects of the proposed rule contained in the notice of intent to adopt.

Sec. 18. [14.212] [GENERAL EXEMPTION FROM PUBLIC RULEMAKING PROCEDURES.]

Subdivision 1. [AUTHORITY.] To the extent an agency for good cause, and with approval of the governor, finds that any requirements of sections 14.206 to 14.211 are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, those requirements do not apply. The agency shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subdivision. A rule adopted under this authority must be submitted to the revisor of statutes for approval of form and must be filed with the secretary of state under section 14.217.

<u>Subd. 2.</u> [AGENCY EVIDENTIARY BURDEN.] In an action contesting a rule adopted under subdivision 1, the burden is upon the agency to demonstrate that any omitted requirements of sections 14.206 to 14.211 were impracticable, unnecessary, or contrary to the public interest in the particular circumstances involved.

<u>Subd.</u> 3. [SUBSEQUENT RULEMAKING PROCEEDING.] Within two years after the effective date of a rule adopted under subdivision 1, the legislative commission to review administrative rules or the governor may request the agency to hold a rulemaking proceeding on the rule according to the requirements of sections 14.206 to 14.211. The request must be in writing and filed in the office of the secretary of state. The secretary of state shall immediately forward a certified copy of the request to the agency and to the revisor of statutes. The entity making the request must publish the notice as soon as possible in the State Register. The rule in question ceases to be effective 180 days after the request is filed. However, an agency, after the filing of the request, may subsequently adopt an identical rule in a rulemaking proceeding conducted pursuant to the requirements of sections 14.206 to 14.211.

Sec. 19. [14.213] [EXEMPTION FOR CERTAIN RULES.]

<u>Subdivision 1.</u> [SCOPE AND PROCEDURE.] An agency need not follow sections 14.206 to 14.211 in the adoption of a rule that only defines the meaning of a statute or other provision of law or precedent. A rule adopted under this section is not binding on a court. A rule adopted under this section must include a statement that it was adopted under this section when it is published in the State Register, and there must be an indication to that effect adjacent to the rule when it is published in Minnesota Rules. A rule adopted under this section must be submitted to the revisor of statutes for approval of form and must be filed with the secretary of state under section 14.217.

<u>Subd. 2.</u> [SCOPE OF JUDICIAL REVIEW.] <u>A reviewing court is not bound by a rule adopted under subdivision 1</u> that is adopted without complying with sections 14.206 to 14.210, but may give appropriate consideration to the interpretation of the agency.

<u>Subd.</u> 3. [VALIDITY OF INTERPRETATIONS.] <u>An agency interpretation of a statute or rule it is responsible for</u> enforcing or administering is not invalid solely because the interpretation was not adopted as a rule. This subdivision does not authorize an agency to impose requirements that are not contained in a statute or rule, either on its face or determined by accepted means of construction, without following statutory rulemaking procedures.

Sec. 20. [14.214] [CONCISE EXPLANATORY STATEMENT.]

Subdivision 1. [TIMING AND CONTENT.] At the time it adopts a rule, an agency shall issue a concise explanatory statement containing:

(1) an indication of any change between the text of the proposed rule contained in the published notice of proposed rule adoption and the text of the rule as finally adopted, with the reasons for any change; and

(2) a statement of how the agency has responded to major areas of comments on the proposed rule, provided that the insufficiency or inaccuracy of this explanation is not grounds for invalidating the rule if the agency has made a good faith effort to comply with this clause.

<u>Subd. 2.</u> [RULE CHALLENGES.] If, in a judicial challenge to the validity of a rule, an agency or other person asserts a reason in support of the rule which is not contained in the agency's explanatory statements issued in the rulemaking proceeding, the court shall remand the matter to the agency to consider whether the agency's explanatory statement should be supplemented. After the agency completes its consideration and issues any supplement to the explanatory statement, the court shall consider only the reasons contained in the agency's explanatory statements.

### Sec. 21. [14.215] [AGENCY RULEMAKING RECORD.]

<u>Subdivision 1.</u> [GENERAL REQUIREMENT.] <u>An agency shall maintain an official rulemaking record for each rule</u> it: (1) proposes by publication in the State Register of a notice of proposed rule adoption; or (2) adopts. The record and materials incorporated by reference must be available for public inspection.

Subd. 2. [CONTENTS.] The agency rulemaking record must contain:

(1) copies of all publications in the State Register with respect to the rule or the proceeding upon which the rule is based;

(2) copies of any portions of the agency's public rulemaking docket containing entries relating to the rule or the proceeding upon which the rule is based;

(3) all written petitions, requests, submissions, and comments received by the agency and all other written materials considered by the agency in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based;

(4) any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, any tape recording or stenographic record of those presentations, and any memorandum prepared by a presiding official summarizing the contents of those presentations;

(5) a copy of any regulatory analysis prepared for the proceeding upon which the rule is based;

(6) a copy of the rule and explanatory statement filed in the office of the secretary of state;

(7) all petitions for exceptions to, amendments of, or repeal or suspension of, the rule;

(8) a copy of any request filed pursuant to section 14.212, subdivision 3;

(9) a copy of any objection to the rule filed by the legislative commission to review administrative rules pursuant to section 14.224 and the agency's response; and

(10) a copy of any filed executive order with respect to the rule.

<u>Subd. 3.</u> [USE IN JUDICIAL REVIEW OF RULE.] <u>Upon judicial review, the record required by this section</u> <u>constitutes the official agency rulemaking record with respect to a rule. Except as provided in section 14.214,</u> <u>subdivision 2, or otherwise required by a provision of law, the agency rulemaking record need not constitute the</u> <u>exclusive basis for agency action on that rule or for judicial review of it.</u>

Sec. 22. [14.216] [RULES NOT ADOPTED ACCORDING TO ACT.]

<u>Subdivision 1.</u> [INVALIDITY OF CERTAIN RULES.] <u>A rule adopted after a rulemaking proceeding commenced after June 30, 1995, is invalid unless adopted in substantial compliance with sections 14.206 to 14.211 and 14.214 and 14.215. However, inadvertent failure to mail a notice of proposed rule adoption to any person as required by section 14.206, subdivision 6, does not invalidate a rule.</u>

<u>Subd.</u> 2. [LIMITATIONS ON ACTIONS.] <u>An action to contest the validity of a rule on the grounds of its</u> noncompliance with any provision of sections 14.206 to 14.211 or 14.214 and 14.215 must be commenced within two years after the effective date of the rule.

Sec. 23. [14.217] [FILING OF RULES WITH SECRETARY OF STATE.]

An agency shall file in the office of the secretary of state each rule it adopts. The filing must be done as soon after adoption of the rule as is practicable. At the time of filing, each rule adopted must have attached to it the explanatory statement required by section 14.214. The secretary of state shall affix to each rule and statement a certification of the time and date of filing and keep a permanent register open to public inspection of all filed rules and attached explanatory statements. In filing a rule, each agency shall use a standard form prescribed by the secretary of state.

The secretary of state shall transmit to the revisor of statutes, the administrative rules counsel, and to the legislative commission to review administrative rules a certified copy of each filed rule as soon after its filing as is practicable.

## Sec. 24. [14.218] [EFFECTIVE DATE OF RULES.]

<u>Subdivision 1.</u> [GENERALLY.] Except to the extent subdivision 2 or 3 provides otherwise, each rule adopted after the effective date of this chapter becomes effective five working days after the later of:

(1) its filing in the office of the secretary of state; or

(2) its publication in the State Register.

<u>Subd. 2.</u> [EXCEPTIONS.] <u>A rule becomes effective on a date later than that established by subdivision 1 if a later date is required by another statute or specified in the rule.</u>

Subd. 3. [EFFECT ON OTHER LAWS.] This section does not relieve an agency from compliance with any provision of law requiring that some or all of its rules be approved by other designated officials or bodies before they become effective.

Sec. 25. [14.219] [SPECIAL PROVISION FOR CERTAIN CLASSES OF RULES.]

Except to the extent otherwise provided by law, sections 14.202 to 14.218 are inapplicable to:

(1) a rule concerning only the internal management of an agency which does not directly and substantially affect the procedural or substantive rights or duties of any segment of the public;

(2) a rule that establishes criteria or guidelines to be used by the staff of an agency in performing audits, investigations, or inspections, settling commercial disputes, negotiating commercial arrangements, or in the defense, prosecution, or settlement of cases;

(3) a rule that only establishes specific prices to be charged for particular goods or services sold by an agency;

(4) a rule concerning only the physical servicing, maintenance, or care of agency owned or operated facilities or property;

(11) the systems architecture plan and long-range plan of the state education management information system provided by section 121.931;

(12) the data element dictionary and the annual data acquisition calendar of the department of education to the extent provided by section 121.932;

(19) the tax court in section 271.06; and

(20) the regents of the University of Minnesota.

Sec. 26. [14.221] [PETITION FOR ADOPTION OF RULE.]

Any person may petition an agency requesting the adoption of a rule. The attorney general shall prescribe by rule the form of the petition and the procedure for its submission, consideration, and disposition. Within 60 days after submission of a petition, the agency shall either:

(1) deny the petition in writing, stating its reasons;

(2) initiate rulemaking proceedings in accordance with sections 14.203 to 14.218; or

(3) if otherwise lawful, adopt a rule.

## **REVIEW OF AGENCY RULES**

Sec. 27. [14.222] [REVIEW BY AGENCY.]

<u>At least every four years, each agency shall review all of its rules to determine whether any rule should be adopted</u> or repealed. In conducting that review, each agency shall prepare a written report summarizing its findings, its supporting reasons, and any proposed course of action. For each rule, the report must include, at least once every ten years, a concise statement of:

(1) the rule's effectiveness in achieving its objectives, including a summary of any available data supporting the conclusions reached;

(2) criticisms of the rule received during the previous ten years, including a summary of any petitions for waiver of the rule tendered to the agency or granted by it, and

(3) alternative solutions to the criticisms and the reasons they were rejected or the changes made in the rule in response to those criticisms and the reasons for the changes. A copy of the report must be sent to the legislative commission to review administrative rules and the administrative rules advisor and be available for public inspection.

Sec. 28. [14.223] [REVIEW BY GOVERNOR; ADMINISTRATIVE RULES ADVISOR.]

<u>Subdivision 1.</u> [SUSPENSION OF ADOPTED RULES.] <u>Upon request of the legislative commission to review</u> <u>administrative rules, the governor may suspend all or a severable portion of a rule of an agency by publishing notice</u> <u>of the suspension in the State Register.</u> This authority applies only to the extent that the agency itself would have <u>authority, through rulemaking, to take such action.</u> If the governor suspends a rule or portion of a rule under this <u>section, the governor shall place before the next regular session of the legislature a bill to repeal the suspended rule</u> <u>or portion of the rule.</u> If the bill is not enacted in that year's regular session, the rule or portion of the rule is effective again upon adjournment of the session, unless the agency has repealed it.

<u>Subd. 2.</u> [TERMINATION OF RULE PROCEEDINGS.] <u>Upon request of the legislative commission to review</u> administrative rules, the governor may summarily terminate any pending rulemaking proceeding by an executive order to that effect, stating in the order the reasons for the action. The executive order must be filed in the office of the secretary of state, which shall promptly forward a certified copy to the agency and the revisor of statutes. An executive order terminating a rulemaking proceeding becomes effective on the date it is filed and must be published in the next issue of the State Register.

<u>Subd.</u> 3. [ADMINISTRATIVE RULES ADVISOR.] There is created, within the office of the governor, an administrative rules advisor to advise the governor in the execution of the authority vested under this section. The governor shall appoint the administrative rules advisor who shall serve at the pleasure of the governor. The administrative rules advisor, in cooperation with the department of employee relations and the revisor of statutes, shall provide or arrange training for agency staff in rulemaking procedures.

# Sec. 29. [14.224] [LEGISLATIVE OBJECTION.]

<u>Subdivision 1.</u> [GROUNDS.] The legislative commission to review administrative rules or a standing committee of the house of representatives or the senate with jurisdiction over the subject matter of the rule may object to all or some portion of a rule because the commission or committee considers it to be beyond the procedural or substantive authority delegated to the adopting agency.

<u>Subd. 2.</u> [FILING OF OBJECTION.] <u>The commission or committee must file an objection in the office of the</u> secretary of state. <u>The filed objection must contain a concise statement of the commission's or committee's reasons</u> for its action.

<u>Subd. 3.</u> [DUTIES OF SECRETARY OF STATE.] <u>The secretary of state shall affix to each objection a certification</u> of the date and time of its filing and as soon as practicable shall transmit a certified copy of it to the agency issuing the rule in question, the revisor of statutes, and the administrative rules counsel. The secretary of state shall also maintain a permanent register open to public inspection of all objections by the commission.

<u>Subd.</u> 4. [PUBLICATION OF OBJECTION.] <u>The legislative commission to review administrative rules or the</u> <u>standing committee objecting to the rule shall publish an objection filed pursuant to this section in the next issue of</u> <u>the State Register.</u> The revisor of statutes shall indicate its existence adjacent to the rule in question when that rule <u>is published in Minnesota Rules.</u>

<u>Subd. 5.</u> [AGENCY RESPONSE.] <u>Within 14 days after receiving a copy of the filed objection, the issuing agency</u> <u>shall respond in writing to the commission or objecting committee.</u> <u>After receipt of the response, the commission or</u> <u>objecting committee may withdraw or modify its objection.</u>

<u>Subd. 6.</u> [EFFECT OF OBJECTION UPON JUDICIAL REVIEW OF RULE.] <u>After the filing of an objection by the</u> <u>commission or committee that is not subsequently withdrawn, the burden is upon the agency in any proceeding for</u> <u>judicial review or for enforcement of the rule to establish that the whole or portion of the rule objected to is within</u> <u>the procedural and substantive authority delegated to the agency.</u>

Subd. 7. [EFFECT OF FAILURE TO OBJECT.] The failure of the commission or a committee to object to a rule is not an implied legislative authorization of its procedural or substantive validity.

Sec. 30. Minnesota Statutes 1992, section 14.38, subdivision 1, is amended to read:

Subdivision 1. [ORIGINAL RULES.] Every rule, regardless of whether it might be known as a substantive, procedural, or interpretive rule, which is filed in the office of the secretary of state as provided in sections 14.05 to 14.36, or which is adopted under sections 14.206 to 14.211 after the effective date of this section, shall have the force and effect of law five working days after its notice of adoption is published in the State Register unless a different date is required by statute or a later date is specified in the rule. The secretary of state shall keep a permanent record of rules filed with that office open to public inspection. <u>A rule adopted under authority of section 14.213 does not have the force and effect of law.</u>

Sec. 31. Minnesota Statutes 1992, section 14.38, subdivision 7, is amended to read:

Subd. 7. [PROCEDURE FOR EXEMPT AGENCIES AND EXEMPT RULES.] The subdivision 5 and 6 rules have Subdivisions 7 to 9 apply to agency rules that are specifically exempted from chapter 14 by other law. Subdivisions 7 and 8 apply to rules adopted under section 14.212. Subdivisions 7 to 9 do not apply to rules listed in section 14.219. A rule has the force and effect of law if:

(1) the revisor of statutes approves the form of the rules by certificate;

(2) two copies of the rules with the revisor's certificate are filed in the office of the secretary of state; and,

(3) a copy is published in the State Register.

Sec. 32. Minnesota Statutes 1992, section 14.38, subdivision 8, is amended to read:

Subd. 8. [EFFECTIVE DATE OF EXEMPT AGENCY RULES AND EXEMPT RULES.] The rules become <u>A</u> rule <u>subject to subdivisions 7 to 9 becomes</u> effective five working days after publication in the State Register. The secretary of state shall forward one copy of each rule to the revisor of statutes. Rules filed in accordance with subdivisions  $\frac{5}{7}$  to  $\frac{9}{7}$  as they were in effect on the date the rules were filed, shall be included in Minnesota Rules.

Sec. 33. Minnesota Statutes 1992, section 14.38, subdivision 9, is amended to read:

Subd. 9. [STATUS OF FUTURE EXEMPTIONS.] Any law exempting an agency or rule from sections 14.001 to 14.69 chapter 14 shall not be construed as preventing an agency from complying with subdivisions 5 7 to 9, unless the law specifically provides to the contrary.

## Sec. 34. [14.435] [LEGISLATIVE COMMITTEE STANDING.]

A standing committee of the legislature that has oversight responsibility for an agency may petition for judicial review of a rule of that agency or intervene in litigation arising from rulemaking action of that agency.

Sec. 35. Minnesota Statutes 1992, section 14.46, subdivision 1, is amended to read:

Subdivision 1. [CONTENTS.] The commissioner of administration shall publish a State Register containing all notices for hearings concerning proposed adoption of rules, giving time, place and purpose of the hearing and, except as provided in section 14.206, subdivision 8, the full text of the action being proposed. Further, the register shall contain all rules, amendments, suspensions, or repeals thereof, pursuant to the provisions of this chapter. The commissioner shall further publish any executive order issued by the governor which shall become effective 15 days after publication except as provided in section 4.035, subdivision 2. The commissioner shall further publish any official notices in the register which a state agency requests to be published. Such notices shall include, but shall not be limited to, the date on which a new agency becomes operational, the assumption of a new function by an existing state agency, or the appointment of commissioners. The commissioner may prescribe the form, excluding the form of the rules, and manner in which agencies submit any material for publication in the State Register and may withhold publication of any material not submitted according to the form or procedures prescribed.

The commissioner of administration may organize and distribute the contents of the register according to such categories as will provide economic publication and distribution and will offer easy access to information by any interested party.

Sec. 36. Minnesota Statutes 1992, section 14.46, subdivision 3, is amended to read:

Subd. 3. [SUBMISSION OF ITEMS FOR PUBLICATION.] Any state agency which desires to publish a notice of hearing, rule or change thereof proposed rule adoption or of an adopted rule shall submit a copy of the entire document material to be published, including dates when adopted, and filed with the secretary of state, to the commissioner of administration in addition to any other copies which may be required to be filed with the commissioner by other law.

The revisor of statutes shall provide assistance to the commissioner if requested. Alternatively, the commissioner may designate a contract compositor to whom the assistance is to be supplied. The assistance, in either case, shall consist of furnishing a machine readable computer tape, or similar services, for rules which are available in the revisor's computer data base and for which a written copy has been submitted by an agency to the commissioner for publication in the State Register.

Sec. 37. Minnesota Statutes 1992, section 14.47, subdivision 1, is amended to read:

Subdivision 1. [PLAN OF PUBLICATION AND SUPPLEMENTATION.] The revisor of statutes shall:

The revisor may also omit effective date provisions, statements that a rule is repealed, prefaces, appendices, guidelines, organizational descriptions, explanations of federal or state law, and similar material. The revisor shall consult with the agency, the attorney general, <u>and</u> the legislative commission to review administrative rules, and with the chief administrative law judge before omitting any text from publication.

(b) For the purposes of any compilation or publication of the rules, the revisor, unless the attorney general objects, may omit any rules that, by their own terms, are no longer effective or have been repealed directly by the agency, repealed by the legislature, or declared unconstitutional or otherwise void by a court of last resort. The revisor shall not remove a rule which is suspended and not fully repealed, but shall, if practicable, note the fact of suspension in Minnesota Rules. The revisor shall consult the agency involved, the attorney general, the chief administrative law judge, and the legislative commission to review administrative rules before omitting a rule from publication.

Sec. 40. Minnesota Statutes 1992, section 14.50, is amended to read:

All hearings required to be conducted under chapter 176 shall be conducted by a compensation judge assigned by the chief administrative law judge. In assigning administrative law judges or compensation judges to conduct such hearings, the chief administrative law judge shall attempt to utilize personnel having expertise in the subject to be dealt with in the hearing. Only administrative law judges learned in the law shall be assigned to contested case hearings. Only compensation judges shall be assigned to workers' compensation matters. It shall be the duty of the administrative law judge to: (1) advise an agency as to the location at which and time during which a hearing should be held so as to allow for participation by all affected interests, provided that this authority does not apply to rulemaking oral proceedings; (2) conduct only hearings for which proper notice has been given; (3) see to it that all hearings are conducted in a fair and impartial manner. Except in the case of <u>rulemaking oral proceedings and</u> workers' compensation hearings involving claims for compensation it shall also be the duty of the administrative law judge to make a report on each proposed agency action in which the administrative law judge functioned in an official capacity, stating findings of fact and conclusions and recommendations, taking notice of the degree to which the agency has (i) documented its statutory authority to take the proposed action, and (ii) fulfilled all relevant substantive and procedural requirements of law or rule, and (iii) in rulemaking proceedings, demonstrated the need for and reasonableness of its proposed action with an affirmative presentation of facts.

Temporary rulemaking authority is granted to the chief administrative law judge for the purpose of implementing Laws 1981, chapter 346, sections 2 to 6, 103 to 122, 127 to 135, and 141. The procedural rules for hearings shall be binding upon all agencies and shall supersede any other agency procedural rules with which they may be in conflict. The procedural rules for hearings shall include in addition to normal procedural matters provisions relating to recessing and reconvening new hearings when the proposed final rule of an agency is substantially different from that which was proposed at the public hearing. The procedural rules shall establish a procedure whereby the proposed final rule of an agency shall be reviewed by the chief administrative law judge to determine whether or not a new hearing is required because of substantial changes or failure of the agency to meet the requirements of sections 14.131 to 14.18. Upon the chief administrative law judge's own initiative or upon written request of an interested party, the chief administrative law judge may issue a subpoena for the attendance of a witness or the production of books, papers, records or other documents as are material to the matter being heard. The subpoenas shall be enforceable through the district court in the district in which the subpoena is issued.

In making recommendations, the commissioner shall follow the statement of policy contained in section 17.80. If the proposed agency action is the adoption of a rule, the recommendation of the commissioner shall be made a part of the record in the rule hearing. If the agency receives no response from the commissioner within 30 days, it shall be deemed a recommendation that the agency take the action as proposed.

Sec. 43. Minnesota Statutes 1992, section 84.027, is amended by adding a subdivision to read:

<u>Subd. 12.</u> [GAME AND FISH RULES.] (a) The commissioner of natural resources may adopt rules under this subdivision that are authorized under:

<u>Clause (2) does not limit or supersede the commissioner's authority to establish opening dates, days, and hours of the wild rice harvesting season under section 84.14, subdivision 3.</u>

(b) If conditions exist that do not allow the commissioner to comply with sections 14.206 to 14.211, the commissioner may adopt a rule under this subdivision by publishing notice in the State Register and filing a copy of the rules with the secretary of state and with the legislative commission to review administrative rules.

(c) Notwithstanding any contrary provision of section 14.218, rules adopted under paragraph (b) are effective upon publishing in the State Register and may be effective up to seven days before publishing and filing under paragraph (b) if:

(2) for a rule that affects more than three counties the commissioner publishes the rule once in a legal newspaper published in Minneapolis, St. Paul, and Duluth, or for a rule that affects three or fewer counties the commissioner publishes the rule once in a legal newspaper in each of the affected counties.

(d) Except as provided in paragraph (e), a rule published under paragraph (c), clause (2), may not be effective earlier than seven days after publication.

(e) A rule published under paragraph (c), clause (2), may be effective the day the rule is published if the commissioner gives notice and holds a public hearing on the rule within 15 days before publication.

(f) The commissioner shall attempt to notify persons or groups of persons affected by rules adopted under paragraphs (b) and (c) by public announcements, posting, and other appropriate means as determined by the commissioner.

At least 30 days before a rule takes effect, the league must mail a free copy of the proposed rule to each person on a list maintained by the league of persons interested in receiving copies of proposed league rules and to any other person who requests a copy of the proposed rule. The league must maintain a rulemaking docket, as required by section 14.204, and must send information in the docket to the governor's administrative rules advisor.

## Sec. 45. [RECODIFICATION OF MSHSL RULES.]

By January 1, 1996, the Minnesota state high school league, in consultation with the revisor of statutes, shall review and attempt to improve the form of rules in effect before that time. Contest rules of the league are not subject to this section.

Notwithstanding Minnesota Statutes, section 14.216, rules for which a notice of intent to adopt rules was published before July 1, 1995, are valid if adopted in compliance with laws in effect at the times of publication of the notice of intent to adopt rules. However, the authority of the legislative commission to review administrative rules to request the governor to suspend rules, and the power of the governor to suspend rules, applies to rules adopted before and after the effective date of sections 1 to 10 and 12 to 47. Sec. 27. Minnesota Statutes 1993 Supplement, section 260.161, subdivision 1, is amended to read:

Subdivision 1. [RECORDS REQUIRED TO BE KEPT.] (a) The juvenile court judge shall keep such minutes and in such manner as the court deems necessary and proper. Except as provided in paragraph (b), the court shall keep and maintain records pertaining to delinquent adjudications until the person reaches the age of 23 years and shall release the records on an individual to another juvenile court that has jurisdiction of the juvenile, to a requesting adult court for purposes of sentencing, or to an adult court or juvenile court as required by the right of confrontation of either the United States Constitution or the Minnesota Constitution. The juvenile court shall provide, upon the request of any other juvenile court, copies of the records concerning adjudications involving the particular child. The court also shall provide copies of records concerning delinquency adjudications, on request, to law enforcement agencies, probation officers, and corrections agents.

The court shall also keep an index in which files pertaining to juvenile matters shall be indexed under the name of the child. After the name of each file shall be shown the file number and, if ordered by the court, the book and page of the register in which the documents pertaining to such file are listed. The court shall also keep a register properly indexed in which shall be listed under the name of the child all documents filed pertaining to the child and in the order filed. The list shall show the name of the document and the date of filing thereof. The juvenile court legal records shall be deposited in files and shall include the petition, summons, notice, findings, orders, decrees, judgments, and motions and such other matters as the court deems necessary and proper. Unless otherwise provided by law, all court records shall be open at all reasonable times to the inspection of any child to whom the records relate, and to the child's parent and guardian.

(b) The court shall retain records of the court finding that a juvenile committed an act that would be a violation of, or an attempt to violate, section 609.342, 609.343, 609.344, or 609.345, until the offender reaches the age of 25. If the offender commits another violation of sections 609.342 to 609.345 as an adult, the court shall retain the juvenile records for as long as the records would have been retained if the offender had been an adult at the time of the juvenile offense. This paragraph does not apply unless the juvenile was represented by an attorney when the petition was admitted or proven.

Sec. 28. Minnesota Statutes 1993 Supplement, section 260.161, subdivision 3, is amended to read:

Subd. 3. [PEACE OFFICER RECORDS OF CHILDREN.] (a) Except for records relating to an offense where proceedings are public under section 260.155, subdivision 1, peace officers' records of children who are or may be delinquent or who may be engaged in criminal acts shall be kept separate from records of persons 18 years of age or older and are private data but shall be disseminated: (1) by order of the juvenile court, (2) as required by section 126.036, (3) as authorized under section 13.82, subdivision 2, (4) to the child or the child's parent or guardian unless disclosure of a record would interfere with an ongoing investigation, or (5) as provided in paragraph paragraphs (d), (e), (f), and (g). Except as provided in paragraph (c), no photographs of a child taken into custody may be taken without the consent of the juvenile court unless the child is alleged to have violated section 169.121 or 169.129. Peace officers' records containing data about children who are victims of crimes or witnesses to crimes must be administered consistent with section 13.82, subdivisions 2, 3, 4, and 10. Any person violating any of the provisions of this subdivision shall be guilty of a misdemeanor.

In the case of computerized records maintained about juveniles by peace officers, the requirement of this subdivision that records about juveniles must be kept separate from adult records does not mean that a law enforcement agency must keep its records concerning juveniles on a separate computer system. Law enforcement

agencies may keep juvenile records on the same computer as adult records and may use a common index to access both juvenile and adult records so long as the agency has in place procedures that keep juvenile records in a separate place in computer storage and that comply with the special data retention and other requirements associated with protecting data on juveniles.

(b) Nothing in this subdivision prohibits the exchange of information by law enforcement agencies if the exchanged information is pertinent and necessary to the requesting agency in initiating, furthering, or completing a criminal investigation.

(c) A photograph may be taken of a child taken into custody pursuant to section 260.165, subdivision 1, clause (b), provided that the photograph must be destroyed when the child reaches the age of 19 years. The commissioner of corrections may photograph juveniles whose legal custody is transferred to the commissioner. Photographs of juveniles authorized by this paragraph may be used only for institution management purposes, case supervision by parole agents, and to assist law enforcement agencies to apprehend juvenile offenders. The commissioner shall maintain photographs of juveniles in the same manner as juvenile court records and names under this section.

(d) Traffic investigation reports are open to inspection by a person who has sustained physical harm or economic loss as a result of the traffic accident. Identifying information on juveniles who are parties to traffic accidents may be disclosed as authorized under section 13.82, subdivision 4, and accident reports required under section 169.09 may be released under section 169.09, subdivision 13, unless the information would identify a juvenile who was taken into custody or who is suspected of committing an offense that would be a crime if committed by an adult, or would associate a juvenile with the offense, and the offense is not a minor traffic offense under section 260.193.

(e) Peace officer records of children who are or may be delinquent or who may be engaged in criminal activity may be disseminated to school officials without a juvenile court order when the information in the records is pertinent and necessary to maintaining order and safety in the school building and on school property. A law enforcement agency shall, unless it would jeopardize an ongoing investigation, notify school officials whenever the agency has probable cause to believe a student enrolled in the school has been involved in criminal activity involving the possession or use of a dangerous weapon.

<u>A school official who receives peace officer records under this paragraph may use the information only for the purpose of maintaining order and safety in the school building and on school property. The classification of the data while in the hands of the school official is governed by section 13.03, subdivision 4.</u> As used in this paragraph, "school" means a public or private elementary, middle, or secondary school.

(f) In any county in which the county attorney operates or authorizes the operation of a juvenile prepetition or pretrial diversion program, a law enforcement agency or county attorney's office may provide data concerning a juvenile who is a participant in or is being considered for participation in a juvenile diversion program to appropriate school officials and public or private social service agencies who are participants in the diversion program. School officials and public or private social service agencies may provide data concerning a juvenile who is a participant or is being considered for participants in the diversion program. School officials and public or private social service agencies may provide data concerning a juvenile who is a participant or is being considered for participation in a juvenile diversion program to an appropriate law enforcement agency or a county attorney's office to the extent permitted by federal law. Any data exchanged pursuant to this paragraph shall retain the data practices classification which it had with the originating agency and may be used only for law enforcement purposes of operation of the diversion program.

(g) Peace officer records of children who are or may be delinquent or who may be engaged in criminal acts may be disseminated upon request to a local social service agency to promote the best interests of the subject of the data.

Sec. 29. Minnesota Statutes 1992, section 260.161, is amended by adding a subdivision to read:

<u>Subd.</u> <u>3a.</u> [COURT SERVICES DATA ON JUVENILES; DISCLOSURE TO SCHOOL OFFICIALS.] <u>Private or</u> <u>confidential court services data on juveniles who have been adjudicated delinquent may be disseminated to school</u> <u>officials without a juvenile court order when the information in the records is pertinent and necessary to maintaining</u> <u>order and safety in the school building and on school property.</u>

<u>A school official who receives court services data under this subdivision may use the information only for the purpose of maintaining order and safety in the school building and on school property. The classification of the data while in the hands of the school official is governed by section 13.03, subdivision 4.</u>

When data are disseminated under this subdivision, the court services agency must notify the parent or guardian of the subject of the data that the information has been shared with school officials.

## Sec. 2. [214.31] [AUTHORITY.]

Two or more of the health-related licensing boards listed in section 214.01, subdivision 2, may jointly conduct a health professionals services program to protect the public from persons regulated by the boards who are unable to practice with reasonable skill and safety by reason of illness, use of alcohol, drugs, chemicals, or any other materials, or as a result of any mental, physical, or psychological condition. The program does not affect a board's authority to discipline violations of a board's practice act.

Sec. 3. [214.32] [PROGRAM MANAGEMENT, SERVICES, PARTICIPANT COSTS, ELIGIBILITY, COMPLETIONS, VOLUNTARY TERMINATION AND DISCHARGE.]

<u>Subdivision 1.</u> [MANAGEMENT.] (a) <u>A health professionals services program committee is established, consisting</u> of one person appointed by each participating board, with each participating board having one vote. The committee shall designate one board to provide administrative management of the program, set the program budget and the pro rata share of program expenses to be borne by each participating board, provide guidance on the general operation of the program, including hiring of program personnel, and ensure that the program's direction is in accord with its authority.

(b) The designated board, upon recommendation of the health professional services program committee, shall hire the program manager and employees and pay expenses of the program from funds appropriated for that purpose. The designated board may apply for grants to pay program expenses and may enter into contracts on behalf of the program to carry out the purposes of the program. The participating boards shall enter into written agreements with the designated board.

(c) An advisory committee is established to advise the program committee consisting of:

(1) one member appointed by each of the following: the Minnesota Academy of Physician Assistants, the Minnesota Dental Association, the Minnesota Chiropractic Association, the Minnesota Licensed Practical Nurse Association, the Minnesota Medical Association, the Minnesota Nurses Association, and the Minnesota Podiatric Medicine Association;

(2) one member appointed by each of the professional associations of the other professions regulated by a participating board not specified in clause (1); and

(3) two public members, as defined by section 214.02.

Members of the advisory committee shall be appointed for two years and members may be reappointed.

Subd. 2. [SERVICES.] (a) The program shall provide the following services to program participants:

(2) development of individualized program participation agreements between participants and the program to meet the needs of participants and protect the public. An agreement may include, but need not be limited to, recommendations from the continuing care plan, practice monitoring, health monitoring, practice restrictions, random drug screening, support group participation, filing of reports necessary to document compliance, and terms for successful completion of the regulated person's program; and

(3) monitoring of compliance by participants with individualized program participation agreements or board orders.

(b) The program may develop services related to sections 2 to 8 for employers and colleagues of regulated persons from participating boards.

Subd. 3. [PARTICIPANT COSTS.] Each program participant shall be responsible for paying for the costs of physical, psychosocial, or other related evaluation, treatment, laboratory monitoring, and random drug screens.

Subd. 4. [ELIGIBILITY.] Admission to the health professional services program is available to a person regulated by a participating board who is unable to practice with reasonable skill and safety by reason of illness, use of alcohol, drugs, chemicals, or any other materials, or as a result of any mental, physical, or psychological condition. Admission in the health professional services program shall be denied to persons:

(1) who have diverted controlled substances for other than self-administration;

(2) who have been terminated from this or any other state professional services program for noncompliance in the program;

(5) accused of sexual misconduct; or

(6) whose continued practice would create a serious risk of harm to the public.

<u>Subd. 5.</u> [COMPLETION; VOLUNTARY TERMINATION; DISCHARGE.] <u>A regulated person completes the</u> program when the terms of the program participation agreement are fulfilled. A regulated person may voluntarily terminate participation in the health professionals service program at any time by reporting to the person's board. The program manager may choose to discharge a regulated person from the program and make a referral to the person's board at any time for reasons including but not limited to: the degree of cooperation and compliance by the regulated person, the inability to secure information or the medical records of the regulated person, or indication of other possible violations of the regulated person's practice act. The regulated person shall be notified in writing by the program manager of any change in the person's program status. A regulated person who has been terminated or discharged from the program may be referred back to the program for monitoring.

# Sec. 4. [214.33] [REPORTING.]

Subdivision 1. [PERMISSION TO REPORT.] A person who has personal knowledge that a regulated person has the inability to practice with reasonable skill and safety by reason of illness, use of alcohol, drugs, chemicals or any other materials, or as a result of any mental, physical, or psychological condition may report that knowledge to the program or to the board. A report to the program under this subdivision fulfills the reporting requirement contained in a regulated person's practice act.

<u>Subd. 2.</u> [SELF-REPORTING.] <u>A person regulated by a participating board who is unable to practice with</u> reasonable skill and safety by reason of illness, use of alcohol, drugs, chemicals, or any other materials, or as a result of any mental, physical, or psychological condition shall report to the person's board or the program.

<u>Subd. 3.</u> [PROGRAM MANAGER.] The program manager shall report to the appropriate participating board a regulated person who does not meet program admission criteria, violates the terms of the program participation agreement, or leaves the program except upon fulfilling the terms for successful completion of the program as set forth in the participation agreement. The program manager shall inform any reporting person of the disposition of the person's report to the program.

<u>Subd. 4.</u> [BOARD.] <u>A board may refer any regulated person to the program consistent with section 3, subdivision 4, if the board believes the regulated person will benefit and the public will be protected.</u>

Sec. 5. [214.34] [IMMUNITY.]

<u>Subdivision 1.</u> [REPORTING IMMUNITY.] <u>Any individual, agency, institution, facility, business, or organization</u> is immune from civil liability or criminal prosecution for submitting a report in good faith to the program under this section or for cooperating with an investigation of a report or with staff of the program. Reports are confidential and are privileged communication.

<u>Subd. 2.</u> [PROGRAM IMMUNITY.] <u>Members of the participating boards and persons employed by the boards and program, program consultants, and members of advisory bodies for the program are immune from civil liability and criminal prosecution for any actions, transactions, or reports in the execution of, or relating to, their duties under sections 2 to 7.</u>

When a regulated person successfully completes the program, the data and participation agreement become inactive investigative data which shall be classified as private data under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9, in the case of data not on individuals. Data and agreements shall not be forwarded to the board unless the program reports a participant to a board as described in section 4, subdivision 3.

Sec. 7. [214.36] [BOARD PARTICIPATION.]

Participating boards may, by mutual agreement, implement the program upon enactment. Thereafter, health-related licensing boards desiring to enter into or discontinue an agreement to participate in the health professionals services program shall provide a written resolution indicating the board's intent to the designated board by January 1 preceding the start of a biennium.

Sec. 8. [214.37] [RULEMAKING.]

By July 1, 1996, the participating boards shall adopt joint rules relating to the provisions of sections 2 to 7 in consultation with the advisory committee and other appropriate individuals. The required rule writing does not prevent the implementation of sections 2 to 9 upon enactment.

Sec. 9. [APPROPRIATION.]

<u>\$198,000 is appropriated from the special revenue fund to the board of medical practice for the purposes of sections 2 to 8. The pro rata share of program expenses to be borne by each participating board shall be determined by the participating boards through an interagency agreement and funds equal to the appropriation shall be deposited into the special revenue fund.</u>

Subd. 3. [SERVICES.] The centralized state collection entity shall provide collection services for a state agency in accordance with the terms and conditions of a signed debt qualification plan. The centralized state collection entity may also provide collection services for a Minnesota judicial court, judicial board, or judicial commission, the University of Minnesota, the United States, or a political subdivision by operation of law or under a contract entered into with the centralized state collection entity for the collection of debts.

(b) Notwithstanding chapter 334, the commissioner of finance shall set the rate of interest as the rate corresponding with the adjusted prime rate charged by banks, rounded to the nearest full percent. For purposes of this subdivision, the term "adjusted prime rate charged by banks" means the average predominant prime rate quoted by commercial banks to large businesses, as determined by the board of governors of the Federal Reserve System. The commissioner of finance shall adjust the rate of interest by April 15 of each year, to be effective the following July 1, if the adjusted prime rate charged by banks during the six-month period ending on March 30 of that year, rounded to the nearest full percent, is at least a full percentage point more or less than the interest rate then in effect. Subd. 2. [ADMINISTRATIVE FEE.] In a collection action or proceeding under this chapter, the state is entitled to recover from the debtor an administrative fee not to exceed 30 percent of the amount of the debt to cover the cost of processing and handling the collection of the debt under this chapter, including attorney fees. By June 1 of every year, the director of the centralized state collection entity shall recommend to the commissioner of finance the rate at which the administrative fee should be set. The commissioner of finance shall set the rate of the administrative fee to be effective July 1 of every year, at the rate that will most nearly result in the centralized state collection entity's recovery of its costs for processing and handling the collection of debt under this chapter. The determination of the commissioner of finance under this subdivision is not a "rule" and is not subject to chapter 14 or section 16A,1285.

Subd. 3. [ENFORCEMENT AND COLLECTION.] The interest and administrative fee provided by this section are in addition to the principal debt and are enforceable in accordance with this chapter and other collection remedies. If the centralized state collection entity collects any amount less than the total due, the centralized state collection entity may apply a percentage of the amount collected, calculated at the administrative fee rate, to partially satisfy the administrative fee and shall apply the balance to partially satisfy the debt. If the centralized state collection entity's costs, including attorney fees, are recovered through other methods, the centralized state collection entity may not collect the administrative fee.

Not public data disseminated under this subdivision is limited to financial data of the debtor or data that will serve to locate the debtor or the assets of the debtor. Notwithstanding section 181.79, the state may deduct from the wages due or earned by a state employee to collect a debt. The state may not deduct from wages due state employees in amounts greater than the percentage of earnings subject to garnishment pursuant to chapter 571.

Sec. 14. [16C.12] [LIENS.]

<u>Subdivision 1.</u> [CREATION OF STATE JUDGMENT LIEN.] <u>Upon obtaining or docketing a judgment for a debt</u>, in any district court of the state, the state has a state judgment lien upon all property, real and personal, existing at the time of the judgment and later acquired, within the state, of the debtor. The state judgment lien attaches to all property of the debtor located in the state upon the date of entry of judgment or docketing of judgment, whichever is earlier. A lien against all property of the debtor within the state may also be created for a judgment obtained by a political subdivision, the United States, a Minnesota judicial court, judicial board or commission, or the University of Minnesota that has been referred to the centralized state collection entity under contract or by operation of law, but only upon the filing of the lien notice provided in subdivision 4. The lien for debts referred to the centralized state collection entity by contract or operation of law may be filed and enforced by the centralized state collection entity in the same manner as provided for state judgment liens in this chapter. The lien for debts referred to the centralized state collection entity has priority as provided for state judgment liens in this section.

<u>Subd.</u> 2. [PRIORITY OF STATE JUDGMENT LIEN.] (a) The state judgment lien imposed by subdivision 1 is perfected as against any good faith purchaser, good faith mortgagee, good faith pledgee, holder of a duly-perfected uniform commercial code security interest or duly-perfected mechanic's lien, or judgment lien creditor whose interest has been duly perfected under applicable provision of state law, when notice of the state judgment lien is filed in the office of the secretary of state as provided in subdivision 4.

(b) The state judgment lien acquired by the state under this section takes priority in accordance with the first in time, first in right, filing provision provided in article 9 of the Uniform Commercial Code and section 507.34.

<u>Subd. 3.</u> [NOTICE AND FILING OF STATE JUDGMENT LIEN.] (a) Notices of state judgment liens, state judgment lien renewals may be filed with the secretary of state by United States mail, in person, or by electronic transmission by the centralized state collection entity into the computerized filing system of the secretary of state authorized under section 336.9-411. For documents filed by mail or in person, the secretary of state shall enter the data as if it had been transmitted electronically. Once the electronic record is created, it must be endorsed and indexed within the computerized filing system. The secretary of state shall write or mark the filing information on the document that was submitted and return the document to the submitting party. Documents filed electronically must be endorsed and indexed within the computerized filing system.

The notice of state judgment lien filed with the secretary of state must contain the following information, which shall be referred to in this section as the filed information:

(1) the name and address of the debtor;

(2) if the debtor is an individual, the debtor's social security number if available, or if the social security number is not available, the debtor's date of birth;

(3) the identity of the agency to whom the underlying debt is owed;

(4) the amount of the judgment debt;

(5) the date of entry of judgment; and

(6) the county wherein judgment was originally entered and its docket number.

(b) Execution of notices of state judgment liens, or of other notices affecting the state judgment lien provided by this section, may occur by the original or facsimile signature of the director of the centralized state collection entity or a delegate. Execution entities the state judgment lien notice to be filed, and no other attestation, certification, or acknowledgment is necessary. Transmission of notices under paragraph (a) constitutes execution.

(c) The secretary of state shall make all information concerning the state judgment lien immediately available electronically to each county recorder's office in the state.

(d) All filed information regarding the state judgment lien must be made a part of the computerized filing system of the secretary of state authorized under section 336.9-411, and the information must be accessible through that system.

(e) Each county recorder's office in the state shall make available, free of charge, through the computerized filing system of the secretary of state authorized under section 336.9-411, the filing information for all state judgment liens filed by the centralized state collection entity under paragraph (a). A person may request the state judgment lien information. If the request is made by lien or court docket number, the secretary of state or county recorder shall give a copy of the information filed for that lien or court docket number. The cost for the copy may be no more than the actual cost of making the copies. If the request is made by debtor name, the secretary of state or county recorder shall conduct a search of the statewide computerized government lien database for any state judgment liens naming that debtor. The secretary of state or county recorder shall report all of the filings as of the date and hour of the search

by issuing a certificate listing the file number, court docket number, the date and hour of each filing, the social security number if the requester discloses the matching number or the date of birth of the debtor if the debtor is an individual, the identity of the agency to whom the underlying debt is owed, and the amount of the debt. If there are no filings against a particular person against whom a search is requested, the secretary of state or the county recorder shall so certify.

The total fee for conducting the search and preparing a certificate is as allowed in section 336.9-407. The fee includes as many as ten copies. The fee is included in the charge allowed for government lien searches, and is not separate or in addition to any fee charged for tax lien searches.

Notwithstanding the fees set in this section, a natural person who is the subject of the data must, upon the person's request, be shown the data without charge and, upon request and payment of no more than the actual cost of making the copies, be provided with photocopies of the data.

Surcharge amounts must be collected quarterly by the secretary of state from each county recorder. The secretary of state shall send each county recorder an invoice at the end of each fiscal quarter, and each county recorder shall forward payment to the secretary of state within 30 days of the date of the invoice. The surcharge does not apply to a search request made by a natural person who is the subject of the data to be searched except when a certificate is requested as part of the search.

The surcharge amounts collected by the secretary of state and received from county recorders must be deposited in the state treasury and credited to the general fund.

(f) The centralized state collection entity is exempt from court filing fees for the filing of a state judgment lien provided by this section and releases thereof.

<u>Subd. 4.</u> [NOTICE OF MORTGAGE FORECLOSURE OR TERMINATION OF CONTRACT FOR DEED.] In the case of a mortgage foreclosure commenced under chapter 580, or a termination of contract of sale commenced under section 559.21, of real property that is the subject of a state judgment lien under this section, notice of the foreclosure or termination must be mailed to the centralized state collection entity not less than 20 days prior to the foreclosure sale or date of termination. Notice under this subdivision need not be given within the 20 days if the notice of state judgment lien has been filed within less than 30 days of the foreclosure sale or date of termination. The notice must contain:

(1) the name, address, and social security number, if known, of the debtor;

(2) a copy of the notice of mortgage foreclosure or contract for deed cancellation;

(3) the date of the filing of the state judgment lien under this section;

(4) the total unpaid balance of the mortgage or contract for deed;

(5) a legal description for the property in question; and

(6) the fair market value of the property in question.

<u>Subd. 5.</u> [COPY FEES.] In the event that more than one copy of a full or partial release of a lien is requested by any person, including the debtor, a fee of \$25 must be paid to the centralized state collection entity for each duplicate requested.

<u>Subd. 6.</u> [ENFORCEABILITY.] <u>The state judgment lien imposed by this section is enforceable as provided by section 16C.13.</u>

Sec. 15. [16C.13] [ENFORCEMENT OF STATE JUDGMENT LIENS.]

Subdivision 1. [AUTHORITY.] The state judgment lien imposed by section 16C.12, or any judgment lien docketed in any county on behalf of the referring agency, may be enforced by the centralized state collection entity at any time within ten years of entry of judgment or within ten years of renewal of the judgment, as provided in this chapter or in accordance with chapters 270, 550, 551, and 571, at the state's option. The centralized collection entity may enforce the state judgment lien by a levy upon all property and rights to property of the debtor, including any property of the debtor in the possession of law enforcement officials. The term levy includes the power of distraint and seizure by any means. Subd. 2. [OPTIONAL REMEDY.] Any action taken by the centralized state collection entity under this section does not constitute an election by the state to pursue this particular remedy to the exclusion of any other remedy.

Subd. 3. [MANNER OF EXECUTION AND SALE.] In making the levy upon the state judgment lien, the centralized state collection entity has all the powers provided in chapter 550 and in any other law for purposes of effecting an execution against property in this state. The sale of property levied upon, and the time and manner of redemption from the sale, is governed by chapter 550 unless otherwise provided in this section. The seal of the court, as provided in section 550.04, is not required.

<u>Subd. 4.</u> [SURRENDER OF PROPERTY SUBJECT TO LEVY.] <u>A person who fails or refuses to surrender without</u> reasonable cause any property or right to property subject to levy under this section, upon demand by the centralized state collection entity, is liable personally to the state in an amount equal to the value of the property or rights not surrendered, but not exceeding the amount of costs caused by the failure to surrender, plus the amount of the judgment for which the levy has been made. Any amount recovered under this subdivision must be credited first against the increased costs caused by such failure to surrender and then to the outstanding amount of the judgment. A financial institution need not surrender funds on deposit until 20 days after service of the levy.

<u>Subd. 5.</u> [PERSON DEFINED.] The term "person," as used in subdivision 4, includes an individual, officer, or employee of a corporation or a member or employee of a partnership or a limited liability company who, as an officer, employee, or member, is under a duty to surrender the property or rights to property or to discharge the obligation. The personal liability imposed by subdivision 4 may, after demand to honor a levy, be assessed by the centralized state collection entity within 60 days of making the demand.

<u>Subd. 6.</u> [EFFECT OF HONORING LEVY.] <u>A person in possession of, or obligated with respect to, property or rights to property subject to levy upon which a levy has been made who, upon demand by the centralized state collection entity, surrenders the property or rights to property, or who pays the liability set forth in subdivision 4, is discharged from any obligation or liability to the debtor for the payment or collection of the judgment with respect to the property or rights to property so surrendered or paid.</u>

<u>Subd. 7.</u> [PRIORITY OF LEVY.] <u>Notwithstanding section 52.12, a levy by the centralized state collection entity</u> made under this section upon a debtor's funds on deposit in a financial institution located in this state has priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of outstanding loan or loans owed by the debtor to the financial institution.

<u>Subd. 8.</u> [LEVY ON APPEARANCE DATE OF SUBPOENA.] <u>No levy may be made on the property of the debtor</u> on the day on which the debtor, or an officer or employee of the debtor, is required to appear in response to a subpoena issued by the centralized state collection entity, unless the director of the centralized state collection entity makes a determination that collection of the judgment is in jeopardy.

<u>Subd. 9.</u> [UNECONOMICAL LEVY.] <u>No levy may be made on property if the amount of the expenses that the director estimates would be incurred by the centralized state collection entity with respect to the levy and sale of the property exceeds the estimated net proceeds of the sale of the property at the anticipated time of levy.</u>

# Sec. 16. [16C.14] [SALE OF SEIZED PROPERTY.]

<u>Subdivision 1.</u> [NOTICE OF SEIZURE.] As soon as practicable after seizure of property, notice in writing must be given by the centralized state collection entity to the owner of the property and must be served personally or by certified mail. If the owner cannot be readily located, or has no dwelling or place of business within this state, the notice may be mailed to the last known address. The notice must specify the amount of the judgment and must contain, in the case of personal property, an account of the property seized and, in the case of real property, a legal description of the property seized.

<u>Subd. 2.</u> [NOTICE OF SALE.] (a) <u>As soon as practicable after the seizure of the property, the centralized state</u> collection entity shall give notice of sale of the property to the owner in the manner described in subdivision 1. The notice required by this subdivision may be combined with that in subdivision 1. In the case of personal property, the notice must be served no less than ten days prior to the sale. In the case of real property, the notice must be served at least four weeks prior to the sale.

(b) The centralized state collection entity shall also cause public notice of each sale to be made. In the case of personal property, notice must be posted not less than ten days before the sale at the post office nearest the place where the seizure is made, and in no fewer than two other public places. In the case of real property, six weeks' published notice shall be given before the sale in a newspaper published or generally circulated in the county.

(c) The notice of sale provided in this subdivision must specify the property to be sold and the time, place, manner, and conditions of the sale.

(d) Other methods of giving notice, including advertising, may be used in addition to those required by this subdivision.

<u>Subd. 3.</u> [SALE OF INDIVISIBLE PROPERTY.] If any property subject to levy is not divisible, so as to enable the centralized state collection entity by sale of a part of it to raise the whole amount of the judgment, the whole of the property must be sold, and, upon payment of the judgment and of costs associated with the seizure and sale, the remainder must be returned to the owner.

<u>Subd. 4.</u> [TIME AND PLACE OF SALE.] <u>The time of sale must be after the expiration of the notice periods</u> prescribed in subdivision 2. The place of sale must be within the county in which the property is seized, except by special determination of the centralized state collection entity.

Subd. 5. [MANNER AND CONDITIONS OF SALE.] (a) Before the sale the centralized state collection entity shall determine a minimum price for which the property may be sold. If no person offers for the property at the sale the amount of the minimum price, the property must be declared to be purchased at the minimum price for the state; otherwise the property must be declared to be sold to the highest bidder. In determining the minimum price, the centralized state collection entity shall take into consideration the expense of making the levy and sale. The announcement of the minimum price determined by the centralized state collection entity may be delayed until receipt of the highest bid.

(b) The sale must be conducted by:

(1) public auction, or

(2) public sale under sealed bids.

(c) In the case of seizure of several items of property, the items may be offered separately, in groups, or in the aggregate, and may be sold under whichever method produces the highest aggregate sale price.

(d) Payment in full is required at the time of acceptance of a bid, except that a part of the payment may be deferred by the centralized state collection entity for a period not to exceed 30 days.

(e) If payment in full is required at the time of acceptance of a bid and is not then paid, the centralized state collection entity shall promptly again sell the property in the manner provided in this section. If the conditions of the sale permit part of the payment to be deferred, and if the part deferred is not paid within the prescribed period, then:

(1) suit may be commenced against the purchaser for the purchase price or the part of the purchase price not paid, together with interest at the rate specified in section 549.09 from the date of the sale, and the centralized state collection entity may adjourn the sale from time to time for a period not to exceed 30 days; or

, (2) in the discretion of the centralized state collection entity, the sale may be declared by the centralized state collection entity null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section.

In the event of a second advertisement and sale under this subdivision, a new purchaser receives the property or rights to property free and clear of any claim or right of the former defaulting purchaser and the amount paid upon the bid price by the defaulting purchaser is forfeited.

Subd. 6. [SALE OF PERISHABLE GOODS.] If the centralized state collection entity determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, the centralized state collection entity shall appraise the value of the property, and, if the owner of the property can be readily found, the centralized state collection entity shall give the owner notice of the determination of the appraised value of the property. The property must be returned to the owner if, within the time specified in the notice, the owner pays the centralized state collection entity an amount equal to the appraised value. If the appraised amount is not paid, as soon as practicable the centralized state collection entity shall make public sale of the property in accordance with this section.

5566

<u>Subd. 7.</u> [CONTRACTS.] <u>Contracts entered into by the centralized state collection entity for the purpose of acquiring, selling, or preserving property under this section, and the conduct of the sale of the property, are not subject to the competitive bidding, professional and technical services contract, or auction provisions of chapter 16B.</u>

<u>Subd. 8.</u> [APPLICATION OF SALE PROCEEDS.] (a) Any money realized by proceedings under this chapter, whether by seizure, by surrender under section 16C.13, by sale of seized property, or by sale of property redeemed by the state must be applied as follows:

(1) first, against the administrative fee provided by this chapter, then

(2) against the remaining amount of the state judgment, then

(3) any remaining amount must be refunded to the persons legally entitled thereto.

Subd. 9. [EQUITABLE OR INJUNCTIVE RELIEF.] At any time before the sale of the levied property and upon at least five business days' written notice to the centralized state collection entity and the attorney general, the debtor or any party with an interest in the property may bring an action in district court for equitable or injunctive relief.

Sec. 17. [16C.15] [RELEASE OF LEVY AND RETURN OF PROPERTY.]

<u>Subdivision 1.</u> [RELEASE OF LEVY.] <u>The centralized state collection entity shall release a levy on all or part of</u> the property or rights to property levied on and shall promptly notify the person on whom the levy was made that the levy has been released if:

(1) the judgment for which the levy was made is satisfied or has become unenforceable by lapse of time,

(2) release of the levy will facilitate collection of the judgment;

(3) the debtor has entered into an agreement with the centralized state collection entity providing for installment payments satisfactory to the centralized state collection entity;

(4) the levy will jeopardize the status of the state as a secured creditor; or

(5) the fair market value of the property exceeds the judgment and release of the levy can be made without hindering collection of the judgment.

A release of levy under this subdivision does not prevent a subsequent levy on the property released.

Subd. 2. [RETURN OF PROPERTY.] If the centralized state collection entity determines that property has been wrongfully levied upon, it is lawful for the centralized state collection entity to return:

(1) the specific property levied upon, at any time;

(2) an amount of money equal to the amount of money levied upon, at any time before the expiration of one year from the date of the levy; or

(3) an amount of money equal to the fair market value of the property, at any time before the expiration of one year from the date of the sale.

Sec. 18. [16C.16] [REDEMPTION OF PROPERTY.]

Subdivision 1. [BEFORE SALE.] A person whose property has been levied upon may pay the judgment amount to the centralized state collection entity at any time before the sale of the property, and, upon payment of the judgment amount, the centralized state collection entity shall restore the property to the person, and all further proceedings in connection with the levy on the property shall cease from the time of payment.

Subd. 2. [REDEMPTION OF REAL ESTATE AFTER SALE.] The owners of any real property sold as provided in this section, their heirs, executors, or administrator, or any person having any interest in the property, or any person in their behalf, may redeem the property sold, or any particular tract of the property, at any time within six months, or in the case of real property in excess of ten acres in size, at any time within 12 months, of the sale. The property

or tract of property may be redeemed upon payment to the purchaser of the amount paid by the purchaser together with interest at the rate of 20 percent a year accruing from the date of payment by the purchaser. If the purchaser cannot be found in the county in which the property to be redeemed is situated, payment may be made to the centralized state collection entity for the use of the purchaser, or the purchaser's heirs or assigns.

Subd. 3. [RECORD.] When any lands sold are redeemed as provided in this section, the centralized state collection entity shall cause entry of the fact to be made upon the record required by section 16C.17, and the entry is evidence of the redemption.

### Sec. 19. [16C.17] [CERTIFICATE AND RECORD OF SALE.]

Subdivision 1. [CERTIFICATE OF SALE.] In the case of property sold as provided in section 16C.14, the centralized state collection entity shall give the purchaser a certificate of sale upon payment in full of the purchase price. In the case of real property the certificate shall set forth the real property purchased, the date of the purchase, the name of the debtor, the name of the purchaser, and the price paid. If real property is declared purchased by the state, the centralized state collection entity shall, within ten days from the sale, cause the certificate of sale to be duly recorded by the county recorder of the county in which the real property is located.

<u>Subd. 2.</u> [EFFECT OF CERTIFICATE.] (a) In all cases of sale of personal property, the certificate of sale given under subdivision 1 is prima facie evidence of the right of the centralized state collection entity to make the sale and conclusive evidence of the regularity of the proceedings in making the sale. The certificate transfers to the purchaser all right, title, and interest of the debtor in and to the property sold.

(b) If the property consists of stocks, the certificate of sale is notice, when received, to any corporation, company, or association, of the transfer, and is authority to the corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in place of any original or prior certificate, which is void, whether canceled or not.

(c) If the subject of sale is securities other than stocks, including promissory notes or other evidence of indebtedness, the certificate of sale is a good and valid receipt of the person holding the same, as against any person holding or claiming to hold possession of the securities or other evidence of indebtedness.

(d) If the property consists of a motor vehicle, the certificate of sale is notice, when received, to the registrar of motor vehicles of this state of the transfer, and is authority for the registrar to record the transfer on the books and records in the same manner as if the certificate of title to the motor vehicle was transferred or assigned by the party holding the same, in place of any original or prior certificate, which is void whether canceled or not.

(e) In the case of the sale of real property under section 16C.14, the certificate of sale given under subdivision 1 is prima facie evidence of the facts stated in the certificate and is considered and operates as a conveyance of all the right, title, and interest the debtor had in and to the real property thus sold at the time the state judgment lien attached in it.

(f) A certificate of sale of personal property or real property given under subdivision 1 discharges the property from all liens, encumbrances, and title over which the state judgment lien, with respect to which the levy was made, had priority.

<u>Subd. 3.</u> [INTERNAL RECORDS OF SALE.] The centralized state collection entity shall, for its report to the department of finance, keep a record of all sales of property under section 16C.14 and redemptions of real property. The record must set forth the judgment for which the sale was made, the dates of seizure and sale, the name of the debtor and all proceedings in making the sale, the amount of expenses, the names of purchasers, and the date of the certificate of sale. A copy of the record, or any part of it, certified by the centralized state collection entity is evidence in any court of the truth of the facts stated in the record.

# Sec. 20. [16C.18] [WITHHOLDING OF INCOME.]

Subdivision 1. [NOTICE TO EMPLOYER.] If a judgment lien has been referred to the centralized state collection entity, the centralized state collection entity may, within the period for enforcement of the lien, give notice to any employer in this state that an employee of that employer owes a debt. The notice must conform substantially to the notice as provided in section 571.75 and may be served by mail upon the employer. Subd. 2. [NOTICE TO EMPLOYEE.] The centralized state collection entity may not proceed under this section unless it has given notice to the debtor, by mail, at the debtor's last known address, at least 30 days prior to notice to the employer. The notice to the debtor must conform substantially to that required by section 571.72 and must state that if payment is not received, the centralized state collection entity may proceed to require withholding by the employer under this section. The notice must further inform the debtor of wage exemptions contained in section 550.37, subdivision 14. If no notice of exemption is received by the centralized state collection entity may proceed under this section.

Subd. 3. [WITHHOLDING.] (a) Upon receipt of the notice provided by subdivision 1, the employer shall withhold from compensation due or to become due to the employee the total amount shown by the notice, subject to the provisions of section 571.922. The employer shall continue to withhold each pay period until the notice is released by the centralized state collection entity under section 16C.15. Upon receipt of the notice by the employer under subdivision 1, the claim of the state has priority over any subsequent garnishments or wage assignments except as otherwise provided in section 518.611. The centralized state collection entity may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest and the administrative fee provided by section 16C.05 have been withheld.

The "compensation due" any employee is defined in accordance with section 571.921. The maximum withholding allowed under this section for any one pay period is decreased by any amounts payable under a garnishment action and any amounts covered by any irrevocable and previously effective assignment of wages, with respect to which the employer was served before being served with the notice provided by subdivision 1. The employer shall give notice to the centralized state collection entity of the amounts and the facts relating to such prior garnishments or assignments within ten days after the service of the notice provided in subdivision 1.

(b) If the employee ceases to be employed by the employer before the full amount set forth in the notice provided by subdivision 1, plus accrued interest and the administrative fee, has been withheld, the employer shall immediately notify the centralized state collection entity in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee because the centralized state collection entity has proceeded under this section. If an employer discharges an employee in violation of the provision, the employee has the same remedy as provided in section 571.927, subdivision 2.

(c) Within ten days after the expiration of each pay period, the employer shall remit to the centralized state collection entity the amount withheld during each pay period under this section. Should any employer, after notice, willfully fail to withhold in accordance with this section, the employer is liable for the total amount set forth in the notice together with accrued interest and the administrative fee. Any amount collected from the employer for failure to withhold must be credited to the employee's account in the following manner: administrative fee, interest, and then debt. Any excess after such application must be refunded to the employer.

(d) The provisions of this section, except those imposing liability on an employer for failure to withhold or remit, apply to cases in which the employer is the United States or an instrumentality of the United States or this state or a political subdivision of the state.

(e) The centralized state collection entity shall refund to the employee excess amounts withheld from the employee under this section.

(f) The collection remedy provided by this section has the same legal effect as if it were a levy made under section 16C.13.

## Sec. 21. [16C.19] [CONTINUOUS LEVY.]

<u>Subdivision 1.</u> [AUTHORITY.] If a judgment lien has been referred to the centralized state collection entity, the centralized state collection entity may, within the statutory period for enforcement of the lien, give notice to a person, financial institution, political subdivision, or any other third party who owes the debtor money, property, or other indebtedness, to withhold the amount of any debt, including interest and the administrative fee provided by section 16C.05, due from a debtor. The amounts withheld must be transmitted to the centralized state collection entity at the times the centralized state collection entity designates.

<u>Subd. 2.</u> [LEVY CONTINUOUS.] The levy made under subdivision 1 is continuous from the date the notice is received until either the amount due stated on the notice has been withheld or the notice has been released by the centralized state collection entity under section 16C.15, or no further amounts are due from the recipient of the notice to the debtor, whichever occurs first.

(1) the amount stated on the notice; or

(2) if the debtor is not a natural person, 100 percent of the payment or payments to be made to the debtor, or, if the debtor is an individual, 25 percent of the payment or payments to be made to the debtor.

Subd. 4. [PAYMENTS COVERED.] For purposes of this section, "payments" does not include wages as defined in section 290.92 or funds in a deposit account as defined in section 336.9-105. Payments includes:

(1) payments due for services of independent contractors, dividends, rents, royalties, residuals, patent rights, licensing fees, and mineral or other natural resources rights;

(2) payment or credits under written or oral contracts for services or sales whether denominated as wages, salary, commissions, bonuses, or otherwise, if the payments are not covered by section 16C.18; and

(3) any other periodic payments or credits resulting from an enforceable obligation to the debtor.

<u>Subd. 5.</u> [EFFECT OF DETERMINATION OF STATUS.] <u>A determination of a person's status as an independent</u> contractor under this section does not affect the determination of the person's status for the purposes of any other law or rule.

## Sec. 22. [16C.20] [LICENSES.]

<u>Subdivision 1.</u> [NOTICE TO LICENSING AUTHORITY.] <u>The centralized state collection entity may notify any licensing authority that a licensee owes a judgment debt of \$500 or more or judgments debts in the aggregate of \$500 or more. Upon receipt of such notice, the licensing authority may not issue, transfer, or renew a license of the debtor for the conduct of a profession, occupation, trade, or business.</u>

Subd. 2. [NOTICE TO DEBTOR AND HEARING.] (a) Upon notifying a licensing authority under subdivision 1, the centralized state collection entity must mail a copy of the notice to the debtor at the debtor's last known address.

(b) The debtor may request a contested case hearing within 30 days of the date of the notice. The request must be in writing and postmarked by the 30th day. The hearing must be held within 45 days of the date the centralized state collection entity refers the case to the office of administrative hearings. Notwithstanding any law to the contrary, the licensee must be served with 20 days' notice in writing specifying the time and place of the hearing, the amount of unpaid judgment debt, to whom the judgment debt is owed, and the nature of the judgment debt. The notice may be served personally or by mail.

(c) The issues to be considered at the hearing are limited to whether the debtor has made payment, whether the identity of the debtor is mistaken, or whether nonrenewal or nonissuance of the license would exercise an unreasonably severe hardship in the debtor. Financial hardship alone is an insufficient basis for a finding of unreasonably severe hardship. The validity of the underlying debt may not be challenged at the hearing.

Subd. 3. [DEBT CLEARANCE.] A licensing authority that has received a notice from the centralized state collection entity under subdivision 1 may issue, transfer, or renew the license only if the licensing authority has received notification from the centralized state collection entity that the debtor has paid the debt or has entered into an agreement with the centralized state collection entity for satisfactory payment of the debt, or that the centralized state collection entity is no longer pursuing the debt.

<u>Subd.</u> 4. [IDENTIFICATION OF LICENSEES.] <u>Upon written request of the centralized state collection entity, a</u> <u>licensing authority shall provide the centralized state collection entity with a list of all licensees, including the name,</u> <u>address, business name and address, social security number, and business identification number of each licensee.</u> The <u>licensing authority is not required to provide a list of the licensees to the centralized state collection entity more than</u> <u>once each calendar year.</u>

## Sec. 23. [16C.21] [UNCOLLECTIBLE DEBTS.]

When a debt is determined by the state agency to be uncollectible, the debt may be written off by the state agency from the state agency's financial accounting records and no longer recognized as an account receivable for financial reporting purposes. A debt is considered to be uncollectible when (1) all reasonable collection efforts have been exhausted, (2) the cost of further collection action will exceed the amount recoverable, (3) the debt is legally without

merit or cannot be substantiated by evidence, (4) the debtor cannot be located, (5) the available assets or income, current or anticipated, which may be available for payment of the debt are insufficient, (6) the debt was discharged in bankruptcy, (7) the applicable statute of limitations for collection of the debt has expired, or (8) it is not in the public interest to pursue collection of the debt. The determination of the uncollectibility of a debt must be reported by the state agency along with the basis for that decision as part of its quarterly reports to the department of finance. Determining that the debt is uncollectible does not cancel the legal obligation of the debtor to pay the debt.

Sec. 24. [16C.22] [CASE REVIEWER.]

The centralized state collection entity shall make a case reviewer available to debtors. The reviewer must be available to answer a debtor's questions concerning the collection process and to review the collection activity taken. If the reviewer reasonably believes that the particular action being taken is unreasonable or unfair, the reviewer may make recommendations to the director of the centralized state collection entity in regard to the collection action.

Sec. 25. Minnesota Statutes 1992, section 168A.05, subdivision 2, is amended to read:

Subd. 2. [RECORD OF CERTIFICATES ISSUED.] The department shall maintain a record of all certificates of title issued by it:

(1) Under a distinctive title number assigned to the vehicle;

(2) By vehicle identifying number;

(3) Alphabetically, under the name of the owner.

Such record shall consist of the certificate of title, including the notations of all security interests recorded, assigned, terminated, or released, liens filed by the centralized state collection entity of which the department has notice, of duplicate certificates issued or applied for, and such other information as the department may deem proper.

Sec. 26. Minnesota Statutes 1993 Supplement, section 168A.05, subdivision 3, is amended to read:

Subd. 3. [CONTENT OF CERTIFICATE.] Each certificate of title issued by the department shall contain:

(1) the date issued;

(2) the first, middle, and last names, the dates of birth, and addresses of all owners who are natural persons, the full names and addresses of all other owners;

(3) the names and addresses of any secured parties in the order of priority as shown on the application, or if the application is based on a certificate of title, as shown on the certificate, or as otherwise determined by the department;

(4) any liens filed by the centralized state collection entity against the owner;

(5) the title number assigned to the vehicle;

(5) (6) a description of the vehicle including, so far as the following data exists, its make, model, year, identifying number, type of body, whether new or used, and if a new vehicle, the date of the first sale of the vehicle for use;

(6) (7) with respect to motor vehicles subject to the provisions of section 325E.15, the true cumulative mileage registered on the odometer or that the actual mileage is unknown if the odometer reading is known by the owner to be different from the true mileage;

(7) (8) with respect to vehicles subject to sections 325F.6641 and 325F.6642, the appropriate term "flood damaged," "rebuilt," "prior salvage," or "reconstructed"; and

(8) (9) any other data the department prescribes.

Sec. 27. Minnesota Statutes 1992, section 168A.05, subdivision 7, is amended to read:

Subd. 7. [JUDICIAL PROCESS RELATING TO CERTIFICATE OR VEHICLE.] A certificate of title for a vehicle is not subject to garnishment, attachment, execution, or other judicial process, but this subdivision does not prevent a lawful levy upon the vehicle or the lawful enforcement of an administrative lien or judgment debt or lien filed by the centralized state collection entity.

Sec. 28. Minnesota Statutes 1992, section 168A.05, is amended by adding a subdivision to read:

Subd. 8. [LIENS FILED BY THE CENTRALIZED STATE COLLECTION ENTITY.] If the centralized state collection entity notifies the department that the owner is a debtor for judgment debt pursued by the centralized state collection entity, the department shall enter a lien on the title of any vehicle acquired by the owner after the date of notification in the name of the state of Minnesota. The lien on the title is subordinate to any prior security interest perfected in accordance with section 168A.17 and shall otherwise be treated in the same manner as other title liens.

Sec. 29. Minnesota Statutes 1992, section 270A:03, subdivision 2, is amended to read:

Subd. 2. [CLAIMANT AGENCY.] "Claimant agency" means any state agency, as defined by section 14.02, subdivision 2, the regents of the University of Minnesota, any district court of the state, any county, any statutory or home rule charter city presenting a claim for a municipal hospital, a hospital district, any public agency responsible for child support enforcement, and any public agency responsible for the collection of court-ordered restitution, and the centralized state collection entity.

Sec. 30. Minnesota Statutes 1992, section 272.488, subdivision 1, is amended to read:

Subdivision 1. [FILING OF NOTICES <u>WITH COUNTY RECORDERS.</u>] Notices of federal tax liens, certificates, or revocations of certificates of release of federal tax liens, and refiled notices of any of those items, and any other notices affecting federal tax liens that are required to be filed with the county recorder, in a form prescribed by the Internal Revenue Service, may be filed with the county recorder or the secretary of state by mail, personal delivery, or by electronic transmission by the Secretary of the Treasury of the United States or a delegate into the computerized filing system of the secretary of state authorized under section 336.9-411. The secretary of state shall act as the agent of the county recorder and shall transmit the notice electronically to the office of the county recorder, if that is the place of filing, in the county or counties shown on the computer entry. Recording of a wrongful or erroneous certificate of release by a title insurance company or its agent shall not relieve the mortgage. In addition to any other remedy provided by law, a title insurance company wrongfully or erroneously recording a certificate of release under this section shall be liable to the mortgage for actual damage sustained due to the recordings of the certificate of release.

Subd. 6. [RECORDING.] If a mortgage is recorded in more than one county and a certificate of release is recorded in one of them, a certified copy of the certificate of release may be recorded in another county with the same effect as the original. # Sec. 2. [EXPIRATION.]

Subdivision 1. [DELEGATION OF AUTHORITY TO PRESCRIBE, <u>DISPENSE</u>, AND ADMINISTER DRUGS AND MEDICAL DEVICES.] (a) A supervising physician may delegate to a physician assistant who is registered with the board of medical practice and certified by the National Commission on Certification of Physician Assistants and who is under the supervising physician's supervision, the authority to prescribe, <u>dispense</u>, and administer legend drugs and medical devices, subject to the requirements in this section and other requirements established by the commissioner of health in rules. <u>The authority to dispense includes, but is not limited to, the authority to receive and dispense sample drugs</u>. <u>This authority to dispense extends only to those drugs described in the written agreement developed under paragraph (b)</u>.

(b) The agreement between the physician assistant and supervising physician and any alternate supervising physicians must include a statement by the supervising physician regarding delegation or nondelegation of the functions of prescribing, dispensing, and administering of legend drugs and medical devices to the physician assistant. The statement must include a protocol indicating categories of drugs for which the supervising physician delegates prescriptive and dispensing authority. The delegation must be appropriate to the physician assistant's practice and within the scope of the physician assistant's training. The commissioner of health shall identify categories of drugs, if any, for which delegated prescribing is and dispensing are inappropriate. Physician assistants who have been delegated the authority to prescribe, dispense, and administer legend drugs and medical devices shall provide evidence of current certification by the National Commission on Certification of Physician Assistants or its successor agency when registering or reregistering as physician assistants. Supervising physicians shall retrospectively review, on a daily basis, the prescribing, dispensing, and administering of legend drugs and medical devices by physician assistants, when this authority has been delegated to the physician assistant as part of the delegation agreement between the physician and the physician assistant. During each on-site visit required under Minnesota Rules, the supervising physician shall document by signature and date that the prescriptive and dispensing practice of the physician assistant has been reviewed.

(c) The commissioner of health shall establish by rule:

(1) a system of identifying physician assistants eligible to prescribe and dispense drugs and medical devices;

(2) a method of determining the categories of prescription drugs and medical devices that each physician assistant is allowed to prescribe <u>and dispense</u>; and

(3) a system of transmitting to pharmacies a listing of physician assistants eligible to prescribe prescription drugs and medical devices and the types of drugs and medical devices they are allowed to prescribe.

Sec. 2. Minnesota Statutes 1992, section 148.235, is amended by adding a subdivision to read:

<u>Subd.</u> 3. [DISPENSING AUTHORITY.] <u>An advanced practice nurse who is authorized under this section to prescribe drugs is authorized to dispense drugs subject to the same requirements established for the prescribing of drugs. This authority to dispense extends only to those drugs described in the written agreement entered into under this section. The authority to dispense includes, but is not limited to, the authority to receive and dispense sample drugs.</u>

Sec. 3. Minnesota Statutes 1993 Supplement, section 151.01, subdivision 23, is amended to read:

Subd. 23. [PRACTITIONER.] "Practitioner" means a licensed doctor of medicine, licensed doctor of osteopathy duly licensed to practice medicine, licensed doctor of dentistry, licensed doctor of optometry, licensed podiatrist, or licensed veterinarian. For purposes of sections 151.15, subdivision 4, 151.37, subdivision 2, paragraph (b), and 151.461, "practitioner" also means a physician assistant authorized to prescribe, dispense, and administer under section 147.34, or an advanced practice nurse authorized to prescribe, dispense, and administer under section 148.235.

Sec. 4. Minnesota Statutes 1992, section 151.37, subdivision 2, is amended to read:

Subd. 2. (a) A licensed practitioner in the course of professional practice only, may prescribe, administer, and dispense a legend drug, and may cause the same to be administered by a nurse or intern under the practitioner's direction and supervision, and may cause a person who is an appropriately certified and, registered, or licensed health care professional to prescribe, dispense, and administer the same within the expressed legal scope of the person's practice as defined in Minnesota Statutes.

(b) A licensed practitioner that dispenses for profit a legend drug that is to be administered orally, is ordinarily dispensed by a pharmacist, and is not a vaccine, must file with the practitioner's licensing board a statement indicating that the practitioner dispenses legend drugs for profit, the general circumstances under which the practitioner dispenses for profit, and the types of legend drugs generally dispensed. It is unlawful to dispense legend drugs for profit after July 31, 1990, unless the statement has been filed with the appropriate licensing board. For purposes of this paragraph, "profit" means (1) any amount received by the practitioner in excess of the acquisition cost of a legend drug for legend drugs that are purchased in prepackaged form, or (2) any amount received by the practitioner in excess of the acquisition cost of a legend drug plus the cost of making the drug available if the legend drug requires compounding, packaging, or other treatment. The statement filed under this paragraph is public data under section 13.03. This paragraph does not apply to a licensed doctor of veterinary medicine or a registered pharmacist. Any person other than a licensed practitioner with the authority to prescribe, dispense, and administer a legend drug under paragraph (a) shall not dispense for profit. To dispense for profit does not include dispensing by a community health clinic when the profit from dispensing is used to meet operating expenses.

Sec. 5. Minnesota Statutes 1992, section 151.37, subdivision 2a, is amended to read:

Subd. 2a. A supervising physician may delegate to a physician assistant who is registered with the board of medical practice and certified by the National Commission on Certification of Physician Assistants and who is under the supervising physician's supervision, the authority to prescribe, <u>dispense</u>, and administer legend drugs and medical devices, subject to the requirements in section 147.34 and other requirements established by the commissioner of health in rules."

H. F. No. 2308, A bill for an act relating to cities; Saint Paul; providing for a rental tax equity pilot project.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [RENTAL TAX EQUITY; SAINT PAUL PILOT PROJECT.]

<u>Subdivision 1.</u> [PILOT; TERM.] <u>A pilot project for rental tax equity in the city of Saint Paul is established. The program begins for property taxes payable in 1995 and ends with property taxes payable in 1999. The program is available to owners of single- and two-family nonhomestead property.</u>

<u>Subd. 2.</u> [PRIMARY OBJECTIVE.] The pilot project's primary objective is to help stabilize costs for the conscientious, industrious landlord who is already providing safe, decent, and affordable housing. The property tax reduction provided by the program is intended to give an incentive to other landlords to improve their tenant-occupied property and still offer affordable housing.

Sec. 2. [PROPERTY TAX TREATMENT.]

(a) Notwithstanding Minnesota Statutes, section 273.13, or any other law to the contrary, single- and two-family nonhomestead property located in the city of Saint Paul and existing on the effective date of this act, that, on the effective day of this act, is otherwise classified under Minnesota Statutes, section 273.13, subdivision 25, paragraph (b), clause (1), and that meets the requirements of sections 1 to 9, is classified as class 1a property under Minnesota Statutes, section 273.13, subdivision 22, paragraph (a), for purposes of determining the property tax payable on the property.

(b) The value of improvements made under section 3, paragraphs (d) and (g), to property classified under paragraph (a) must be excluded from the valuation of the property for assessment purposes under Minnesota Statutes, section 273.11, subdivision 1. The assessor shall note the qualifying value of each improvement on the property's assessment records and the sum of those amounts must be subtracted from the market value of the property each year until the valuation exclusion terminates, or the landlord withdraws the property from the program. The qualifying value must be added back in the first assessment year following the termination or withdrawal.

(c) The city shall provide the county treasurer with a list of buildings certified for participation in the Saint Paul rental equity program described in this act, and a list of the names of the tenants who lived in each building at the time of certification.

(d) The program is not a housing or building code enforcement program.

(e) Participation in the program is voluntary.

Sec. 3. [PROGRAM STEPS.]

(a) <u>A landlord who owns eligible property and who wishes to participate must arrange for a certified evaluator</u> who is licensed by the city of Saint Paul to evaluate the property.

(b) The landlord must notify the tenant of the evaluation so that the tenant may be present if the tenant wishes.

(c) The evaluator must evaluate the property using program guidelines adopted by resolution of the Saint Paul city council prior to implementation of the program under this act.

(d) If the evaluator determines that repairs are necessary, the landlord must make the repairs and call for a reinspection by the evaluator. If the evaluator identifies life or safety hazards, the evaluator must notify appropriate city officials, who shall take immediate action to require and enforce repair of the life or safety hazard items.

(e) The evaluator must reinspect the property to see if the program guidelines have been followed.

(f) The evaluator must submit a report on the property's evaluation to the appropriate city officials, the landlord, and the tenant. A filing fee must be paid at the time the report is submitted to the city.

(g) Appropriate city officials must review the report and approve it or issue orders for further repair. In so doing, city staff members may make an on-site review. The landlord may withdraw from the program at any time without making required repairs except those for life or safety hazards, which may be otherwise required.

(h) A landlord who chooses to participate must complete an application for certification by November 1 of the year before the first taxes payable year in which the property would qualify.

(i) An owner may apply this program to no more than ten nonhomestead, single- or two-family, tenant-occupied properties.

Sec. 4. [APPEALS.]

(a) The board of equalization must serve as a board of review to hear appeals relating to the value of improvements and properties. Procedures for board actions and for appeals from board decisions are as provided for other matters decided by the board of equalization.

(b) The city may appoint a board of appeals to hear disputes regarding qualification and recertification for the program. The board shall meet to hear appeals under sections 1 to 9 between November 1 and December 1 each year of the program.

## Sec. 5. [RECERTIFICATION.]

Each year during the term of the project, a participant from the previous year must apply to the city by November 1 to be recertified. Before recertifying a property, the city must provide each tenant with an opportunity to evaluate the condition of the property. The city must recertify the participant's property if there are no violations of the program guidelines, or no reported tenant concerns with the condition of the property, an evaluator must reinspect the property, order repairs if necessary, and reinspect before the property may be recertified. The participant may appeal a denial of recertification to the board of review.

Sec. 6. [CITY FEES.]

The landlord must pay the housing evaluator a fee, as determined by the city, for the initial inspection and necessary reinspections. The evaluator must pay a filing fee, as determined by the city, to file the evaluator's report. The evaluator may be reimbursed by the landlord for this fee. The landlord must pay the city a fee, as determined by the city, to apply for recertification. If additional inspections are required, a reinspection fee, as determined by the city, must be paid by the landlord.

Sec. 7. [PROPERTY TAX REFUNDS.]

Notwithstanding Minnesota Statutes, section 290A.03, subdivision 11, for purposes of calculating a claimant's property tax refund, in the case of a claimant who resides in a unit certified for participation in the Saint Paul rental equity project under this act, the claimant's "rent constituting property taxes paid" for property taxes payable in 1995 to 1999 shall be the rent constituting property tax as defined in Minnesota Statutes, section 290A.03, subdivision 11, for the unit in the year preceding the year in which the unit was certified for the Saint Paul rental equity project.

An owner or managing agent of a unit certified for participation in the Saint Paul rental equity project shall indicate that the unit was certified for participation on the rent certificate prescribed in Minnesota Statutes, section 290A.19, paragraph (a). In the event that the owner or managing agent fails to provide a rent certificate and the renter obtains a statement from the county treasurer, as prescribed in Minnesota Statutes, section 290A.19, paragraph (c), the county treasurer shall also indicate on the statement if the building was certified for participation in the Saint Paul rental equity project. If the building was certified for participation, the county treasurer shall include on the statement the amount of property tax on the parcel in the year preceding certification for the Saint Paul rental equity project.

Sec. 8. [GENERAL FUND; REPLACEMENT OF REVENUE.]

Payment from the general fund shall be made as provided in this section for the purpose of replacing revenue lost as a result of the reduction of property taxes provided in this act.

The Ramsey county auditor shall certify each year to the commissioner of revenue the amount of reduction resulting from this act. This certification shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of Minnesota Statutes, section 275.29. The commissioner of revenue shall review the certifications to determine their accuracy and make changes in the certification as necessary or return a certification to the county auditor for corrections.

Based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall annually determine the taxing district distribution of the amounts certified. The commissioner of revenue shall pay to each taxing district its total payment for the year in equal installments on or before July 15 and December 15 of each year.

The reimbursement paid under this section in 1995 is limited to \$2,000,000.

Sec. 9. [LIMITED MARKET VALUE.]

For purposes of determining limited market value under Minnesota Statutes, section 273.11, subdivision 1a, the term "assessment" in that subdivision means the value prior to any exclusion for improvements under section 2, paragraph (b).

Sec. 10. [REPORT TO THE LEGISLATURE.]

By January 15, 1995, the Saint Paul city council shall provide a report to the committee on housing and the committee on taxes and tax laws of the senate and the tax committee of the house of representatives on the program. The report must include the program guidelines, housing costs, rents, and the extent of participation in the program for the payable 1995 tax year.

Sec. 11. [EFFECTIVE DATE.]

#### Sec. 3. [161.0821] [TOWN BRIDGE FUND; TOWN ROAD FUND.]

Subdivision 1. [TOWN BRIDGE ACCOUNT.] A town bridge fund is created in the state treasury, consisting of amounts appropriated to the fund by law and interest thereon. Money in the fund may be expended, within counties having two or more towns, on town road bridge structures that are ten feet or more in length and on town road culverts that replace existing town road bridges. In addition, if a culvert that replaces a deficient bridge is in a county comprehensive water plan approved by the board of water and soil resources and the department of natural resources, the costs of the culvert and roadway grading other than surfacing are eligible for replacement bridge. The expenditures on bridge structures and culverts may be on a matching basis. When bridge approach construction work exceeds \$10,000 in costs, or when the cost of the cost of the replacement culverts alone will not exceed \$20,000, the town is eligible for financial assistance from the town bridge fund. Financial assistance must be limited to (1) 100 percent of the cost of the replacement culverts alone will not exceed \$20,000, the town is eligible for financial assistance from the town bridge fund. Sec. 2. Minnesota Statutes 1992, section 45.024, subdivision 2, is amended to read:

Subd. 2. [DELEGATION.] The commissioner of commerce may delegate to a deputy commissioner, assistant commissioner, or director the exercise of the commissioner's statutory powers and duties, including the authority to decide and issue final orders in contested cases, rulemaking proceedings, and other hearings held under chapter 14.

This delegation is in addition to, and does not in any way limit, the commissioner's authority to delegate pursuant to section 15.06, subdivision 6, or any other law.

Sec. 3. Minnesota Statutes 1992, section 59A.12, is amended by adding a subdivision to read:

Subd. 5. Whenever an insurer, after having been advised that an insurance policy has been financed by a premium finance agreement, returns an unearned premium on such a policy, the insurer shall deliver or mail to the policyholder a notice that includes the following information: the amount of premium paid, the term of the policy, the date coverage began and ceased, the amount of the unearned premium, the name of the party receiving the funds, and a statement of the obligation of the premium finance company to return within 30 days of receipt of the unearned premium any amount of the unearned premium in excess of the amount owed by the policyholder to the premium finance company.

Sec. 22. Minnesota Statutes 1992, section 61A.092, is amended by adding a subdivision to read:

Subd. 6. [APPLICATION.] This section applies to a policy, certificate of insurance, or similar evidence of coverage issued to a Minnesota resident. This section does not apply to a certificate of insurance or similar evidence of coverage that meets the conditions of section 61A.093, subdivision 2.

Sec. 23. [61A.093] [CERTIFICATE OF INSURANCE.]

<u>Subdivision 1.</u> [COVERAGE.] <u>A certificate of insurance or similar evidence of coverage issued to a Minnesota</u> resident shall provide coverage for all benefits required to be covered in group policies in Minnesota by this chapter.

This subdivision supersedes any inconsistent provision of this chapter.

A policy of life insurance that is issued or delivered in this state and that covers a person residing in another state may provide coverage or contain provisions that are less favorable to that person than required by this chapter. Less favorable coverages or provisions must meet the requirements that the state in which the person resides would have required had the policy been issued or delivered in that state.

Subd. 2. [NONAPPLICATION.] Subdivision 1 does not apply to certificates issued in regard to a master policy issued outside the state of Minnesota if all of the following are true:

(1) the policyholder or certificate holder exists primarily for purposes other than to obtain insurance;

(2) the policyholder or certificate holder is not a Minnesota corporation and does not have its principal office in Minnesota;

(3) the policy or certificate covers fewer than 25 persons who are residents of Minnesota and the Minnesota residents represent less than 25 percent of all covered persons; and

(4) on request of the commissioner, the issuer files with the commissioner a copy of the policy and a copy of each form of certificate.

Subd. 3. [RELATION TO OTHER LAW.] Section 60A.08, subdivision 4, shall not be construed as requiring a certificate of insurance or similar evidence of insurance that meets the conditions of subdivision 2 to comply with this chapter.

Sec. 24. Minnesota Statutes 1992, section 61A.12, subdivision 1, is amended to read:

Subdivision 1. [PROCEEDS OF LIFE POLICY OR ANNUITY, WHO ENTITLED TO.] When any insurance is effected in favor of another, the beneficiary shall be entitled to its proceeds against the creditors and representatives of the person effecting the same. All premiums paid for insurance in fraud of creditors, with interest thereon, shall inure to their benefit from the proceeds of the policy, if the company be specifically notified thereof, in writing, before payment.

Sec. 25. Minnesota Statutes 1992, section 61A.282, subdivision 2, is amended to read:

Subd. 2. [LENDING OF SECURITIES.] A company may loan securities held by it under this chapter to a broker-dealer registered under the Securities and Exchange Act of 1934 or to a bank which is a member of the Federal Reserve System, under the following conditions:

(a) The market value of loaned securities outstanding at any one time, excluding securities held in a separate account established pursuant to section 61A.14, subdivision 1, or 61A.275, shall not exceed 50 40 percent of the company's capital and surplus admitted assets as of the December 31 immediately preceding.

(b) The company is limited to no more than two percent of its admitted assets as of the December 31 immediately preceding being subject to lending of securities with any one borrower.

(c) Each loan must be evidenced by a written agreement which provides:

(a) (1) that the loan will be fully collateralized by cash or obligations issued or guaranteed by the United States or an agency or an instrumentality thereof, and that the collateral will be adjusted each business day during the term of the loan to maintain the required collateral in the event of market value changes in the loaned securities or collateral:

(b) (2) that the loan may be terminated by the company at any time, and that the borrower must return the loaned securities or their equivalent within five business days after termination;

(e) (3) that the company has the right to retain the collateral or to use the collateral to purchase securities equivalent to the loaned securities if the borrower defaults under the terms of the agreement; and

(d) (4) that the borrower remains liable for any losses and expenses, not covered by the collateral, which are incurred by the company due to default.

Sec. 26. Minnesota Statutes 1992, section 62A.047, is amended to read:

62A.047 [CHILDREN'S HEALTH SUPERVISION SERVICES AND PRENATAL CARE SERVICES.]

A policy of individual or group health and accident insurance regulated under this chapter, or individual or group subscriber contract regulated under chapter 62C, health maintenance contract regulated under chapter 62D, or health benefit certificate regulated under chapter 64B, issued, renewed, or continued to provide coverage to a Minnesota

resident, must provide coverage for child health supervision services and prenatal care services. The policy, contract, or certificate must specifically exempt reasonable and customary charges for child health supervision services and prenatal care services from a deductible, copayment, or other coinsurance or dollar limitation requirement. For individual policies, This section does not prohibit the use of <u>policy</u> waiting periods or preexisting condition limitations for these services. Minimum benefits may be limited to one visit payable to one provider for all of the services provided at each visit cited in this section subject to the schedule set forth in this section. Nothing in this section applies to a commercial health insurance policy issued as a companion to a health maintenance organization contract, a policy designed primarily to provide coverage payable on a per diem, fixed indemnity, or nonexpense incurred basis, or a policy that provides only accident coverage.

"Child health supervision services" means pediatric preventive services, appropriate immunizations, developmental assessments, and laboratory services appropriate to the age of a child from birth to age six as defined by Standards of Child Health Care issued by the American Academy of Pediatrics. Reimbursement must be made for at least five child health supervision visits from birth to 12 months, three child health supervision visits from 12 months to 24 months, once a year from 24 months to 72 months.

"Prenatal care services" means the comprehensive package of medical and psychosocial support provided throughout the pregnancy, including risk assessment, serial surveillance, prenatal education, and use of specialized skills and technology, when needed, as defined by Standards for Obstetric-Gynecologic Services issued by the American College of Obstetricians and Gynecologists.

Sec. 27. [62A.105] [COVERAGES; TRANSFERS TO SUBSTANTIALLY SIMILAR PRODUCTS.]

<u>Subdivision 1.</u> [SCOPE.] <u>No individual policy of accident and sickness regulated under this chapter or subscriber</u> <u>contract regulated under chapter 62C shall be issued, renewed, or continued to provide coverage to a Minnesota</u> <u>resident unless it satisfies the requirements of subdivision 2.</u>

Subd. 2. [REQUIREMENT.] If an issuer of policies or plans referred to in subdivision 1 ceases to offer a particular policy or subscriber contract to the general public or otherwise stops adding new insureds to the group of covered persons, the issuer shall allow any covered person to transfer to another substantially similar policy or contract currently being sold by the issuer. The issuer shall permit the transfer without any preexisting condition limitation, waiting period, or other restriction of any type other than those which applied to the insured under the prior policy or contract. This section does not apply to persons who were covered under an individual policy or contract prior to July 1, 1994.

#### Sec. 28. [62A.136] [DENTAL AND VISION PLANS.]

The following provisions do not apply to health plans providing dental or vision coverage only: sections 62A.041, 62A.047, 62A.149, 62A.151, 62A.152, 62A.154, 62A.155, 62A.26, 62A.28, and 62A.30.

Sec. 29. Minnesota Statutes 1992, section 62A.148, is amended to read:

#### 62A.148 [GROUP INSURANCE; PROVISION OF BENEFITS FOR DISABLED EMPLOYEES.]

No employer or insurer of that employer shall terminate, suspend or otherwise restrict the participation in or the receipt of benefits otherwise payable under any program or policy of group insurance to any covered employee who becomes totally disabled while employed by the employer solely on account of absence caused by such total disability. This includes coverage of dependents of the employee. If the employee is required to pay all or any part of the premium for the extension of coverage, payment shall be made to the employer, by the employee.

Sec. 30. Minnesota Statutes 1992, section 62A.153, is amended to read:

# 62A.153 [FREE STANDING AMBULATORY SURGICAL CENTERS OUTPATIENT MEDICAL AND SURGICAL SERVICES.]

No policy or plan of health, medical, hospitalization, or accident and sickness insurance regulated under this chapter, or subscriber contract provided by a nonprofit health service plan corporation regulated under chapter 62C that provides coverage for services in a hospital shall be issued, renewed, continued, delivered, issued for delivery or executed in this state, or approved for issuance or renewal in this state by the commissioner of commerce unless the policy, plan or contract specifically provides coverage for a health care treatment or service rendered by a free

standing ambulatory surgical center or facilities offering ambulatory medical service 24 hours a day seven days a week, which are not part of a hospital, but have been reviewed and approved by the state commissioner of health to provide the treatment or service, surgery on an outpatient basis at a facility equipped to perform these services, whether or not the facility is part of a hospital. Coverage shall be on the same basis as coverage provided for the same health care treatment or service rendered by in a hospital.

Sec. 31. Minnesota Statutes 1992, section 62A.43, subdivision 4, is amended to read:

Subd. 4. [OTHER POLICIES NOT PROHIBITED.] The prohibition in this section or the requirements of section 62A.31, subdivision 1, against the sale of duplicate Medicare supplement coverage does do not preclude the sale of insurance coverage, such as travel, accident and sickness coverage, the effect or purpose of which is not to supplement Medicare coverage. Notwithstanding this provision, if the commissioner determines that the coverage being sold is in fact Medicare supplement insurance, the commissioner shall notify the insurer in writing of the determination. If the insurer does not thereafter comply with sections 62A.31 to 62A.44, the commissioner may, pursuant to chapter 14, revoke or suspend the insurer's authority to sell accident and health insurance in this state or impose a civil penalty not to exceed \$10,000, or both.

Sec. 32. [62A.49] [HOME CARE SERVICES COVERAGE.]

<u>Subdivision 1.</u> [GENERALLY.] Section 62A.48 does not prohibit the sale of policies, certificates, subscriber contracts, or other evidences of coverage that provide home care services only. This does not, however, remove the requirement that home care service benefits must be provided as part of a long-term care policy pursuant to that section. Home care services only policies may be sold, provided that they meet the requirements set forth in sections 62A.46 to 62A.56, except that they do not have to meet those conditions that relate to long-term care in nursing facilities. Disclosures and representations regarding these policies must be adjusted accordingly to remove references to coverage for nursing home care.

<u>Subd. 2.</u> [PROVIDER NETWORKS AND MANAGED CARE.] <u>Home health care services issued pursuant to this</u> section may be provided through a limited provider network and may employ managed care practices. If these methods are used, they must be adequately disclosed within the policy and any advertisements or representations regarding coverage. Policies may not be sold in areas where there are not sufficient providers to meet the needs of the policyholders located in that area.

Sec. 33. [62A.615] [PREEXISTING CONDITIONS; LIMITATIONS ON CANCELLATIONS, RESCISSIONS, OR RESTRICTIONS ON COVERAGE.]

No insurer may cancel or rescind a health insurance policy for a preexisting condition of which the application or other information provided by the insured reasonably gave the insurer notice. No insurer may restrict coverage for a preexisting condition of which the application or other information provided by the insured reasonably gave the insurer notice unless the coverage is restricted at the time the policy is issued and the restriction is disclosed in writing to the insured at the time the policy is issued.

Sec. 34. Minnesota Statutes 1992, section 62E.05, is amended to read:

## 62E.05 [CERTIFICATION OF QUALIFIED PLANS.]

Upon application by an insurer, fraternal, or employer for certification of a plan of health coverage as a qualified plan or a qualified medicare supplement plan for the purposes of sections 62E.01 to 62E.16, the commissioner shall make a determination within 90 days as to whether the plan is qualified. All plans of health coverage <u>except</u> <u>Medicare supplement policies</u>, shall be labeled as "qualified" or "nonqualified" on the front of the policy or evidence of insurance. All qualified plans shall indicate whether they are number one, two, or three coverage plans.

Sec. 35. Minnesota Statutes 1992, section 62E.19, subdivision 1, is amended to read:

Subdivision 1. [EMPLOYER LIABILITY.] An employer is liable to the association for the costs of any preexisting conditions of the employer's former employees or their dependents during the first six months of coverage under the state comprehensive health insurance plan under the following conditions:

(1)(i) the employer has terminated or laid off employees and is required to meet the notice requirements under section 268.976, subdivision 3;

(2) (ii) the employer has failed to provide, arrange for, or make available continuation health insurance coverage required to be provided under federal or state law to employees or their dependents; and

(3) (iii) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5; or

(4) (2)(i) the employer has terminated or allowed the employer's plan of health insurance coverage to lapse within 90 days prior to the date of termination or layoff of an employee; and

(5) (ii) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5.

The employer shall pay a special assessment to the association for the costs of the preexisting conditions. The special assessment may be assessed before the association makes the annual determination of each contributing member's liability as required under this chapter. The association may enforce the obligation to pay the special assessment by action, as a claim in an insolvency proceeding, or by any other method not prohibited by law.

If the association makes the special assessment permitted by this subdivision, the association may also make any assessment of contributing members otherwise permitted by law, without regard to the special assessment permitted by this subdivision. Contributing members must pay the assessment, subject to refund or adjustment in the event of receipt by the association of any portion of the special assessment.

Sec. 36. Minnesota Statutes 1992, section 62H.01, is amended to read:

62H.01 [JOINT SELF-INSURANCE EMPLOYEE HEALTH PLAN.]

Any two or more employers, excluding the state and its political subdivisions as described in section 471.617, subdivision 1, who are authorized to transact business in Minnesota may jointly self-insure employee health, dental, or short-term disability benefits, or other benefits permitted under the Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq. Joint plans must have a minimum of 100 covered employees and meet all conditions and terms of sections 62H.01 to 62H.08. Joint plans covering employers not resident in Minnesota must meet the requirements of sections 62H.01 to 62H.08 as if the portion of the plan covering Minnesota resident employees was treated as a separate plan. A plan may cover employees resident in other states only if the plan complies with the applicable laws of that state.

A multiple employer welfare arrangement as defined in United States Code, title 29, section 1002(40)(a), is subject to this chapter to the extent authorized by the Employee Retirement Income Security Act of 1974, United States Code, title 29, sections 1001 et seq.

Sec. 45. Minnesota Statutes 1992, section 62I.02, is amended to read:

62L02 [MINNESOTA JOINT UNDERWRITING ASSOCIATION.]

Subdivision 1. [CREATION.] The Minnesota joint underwriting association is created to provide insurance coverage to any person or entity unable to obtain insurance through ordinary methods if the insurance is required by statute, ordinance, or otherwise required by law, or is necessary to earn a livelihood or conduct a business and serves a public purpose, including, but not limited to, liquor liability. Prudent business practice or mere desire to have insurance coverage is not a sufficient standard for the association to offer insurance coverage to a person or entity. For purposes of this subdivision, directors' and officers' liability insurance is considered to be a business necessity and not merely a prudent business practice. The association shall be specifically authorized to provide insurance coverage to day care providers, foster parents, foster homes, developmental achievement centers, group homes, and rehabilitation facilities for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383. Because the activities of certain persons or entities present a risk that is so great, the association shall not offer insurance coverage to any person or entity the board of directors of the association determines is outside the intended scope and purpose of the association because of the gravity of the risk of offering insurance coverage. The association shall not offer environmental impairment liability or product liability insurance. The association shall not offer coverage for activities that are conducted substantially outside the state of Minnesota unless the insurance is required by statute, ordinance, or otherwise required by law. Every insurer authorized to write property and casualty insurance and personal injury liability insurance in this state shall be a member of the association as a condition to obtaining and retaining a license to write insurance in this state.

Subd. 2. [DIRECTOR.] The association shall have a board of directors composed of 11 persons chosen as follows: five persons elected by members of the association at a meeting called by the commissioner; three public members, as defined in section 214.02, appointed by the commissioner; and three members, appointed by the commissioner representing groups to whom coverage has been extended by the association. The terms of the members shall be four years. Terms may be staggered so that no more than six members are appointed or elected every two years. Members may serve until their successors are appointed or elected. If at any time no coverage is currently extended by the association, then either additional public members may be appointed to fill these three positions or, at the option of the commissioner, representatives from groups who had previously been covered by the association may serve as directors.

Subd. 3. [REAUTHORIZATION.] The authorization to issue insurance to day care providers, foster parents, foster homes, developmental activity centers, group homes, and rehabilitation facilities for mentally, emotionally, or physically handicapped persons, and citizen participation groups established pursuant to the housing and community redevelopment act of 1974, Public Law Number 93-383, is valid for a period of two years from the date it was made.

The commissioner may reauthorize the issuance of insurance for these groups and other classes of business for additional two-year periods pursuant to sections 62I.21 and 62I.22. This subdivision is not a limitation on the number of times the commissioner may reauthorize the issuance of insurance.

Subd. 4. [LIQUOR LIABILITY.] Policies and contracts of coverage issued under this section for the purposes of providing liquor liability insurance must contain the usual and customary provisions of liability insurance policies, and must contain at least the minimum coverage required by section 340A.409, subdivision 1, or the local governing unit.

<u>Subd. 5.</u> [ACCOUNTS.] For the purposes of administration and assessment, the association shall be divided into two separate accounts: (1) the property and casualty insurance account; and (2) the personal injury liability insurance account.

Sec. 46. Minnesota Statutes 1992, section 62I.03, is amended to read:

62I.03 [DEFINITION.]

Subdivision 1. [SCOPE.] As used in sections 62I.01 to 62I.22 the following terms have the meanings given them in this section.

Subd. 2. [ASSOCIATION.] "Association" means the Minnesota joint underwriting association.

Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of commerce.

Subd. 4. [DIRECT WRITTEN PREMIUMS.] "Direct written premiums" means that amount at column (2), lines 5, 8, 9, 17, 21.2, 22, 23, 24, 25, 26, and 27, page 14, of the annual statement filed annually with the department of commerce pursuant to section 60A.13.

Subd. 5. [DEFICIT.] "Deficit" means, for a particular policy year, that amount by which total paid and outstanding losses and loss adjustment expenses exceed premium revenue, including retrospective premium revenue.

Subd. 6. [NET DIRECT PREMIUMS.] For purposes of liquor liability insurance, "net direct premiums" means gross direct premiums written on personal injury liability insurance, including the liability component of multiple peril package policies as computed by the commissioner, less return premiums for the unused or unabsorbed portions of premium deposits.

Subd. 7. [PERSONAL INJURY LIABILITY INSURANCE.] "Personal injury liability insurance" means insurance described in section 60A.06, subdivision 1, clause (13).

Sec. 47. Minnesota Statutes 1992, section 62I.07, is amended to read:

62I.07 [MEMBERSHIP ASSESSMENTS.]

<u>Subdivision 1.</u> [GENERAL ASSESSMENT.] Each member of the association <u>that is authorized to write property</u> and <u>casualty insurance in the state</u> shall participate in its losses and expenses in the proportion that the direct written premiums of the member <u>on the kinds of insurance in that account</u> bears to the total aggregate direct written premiums written in this state by all members <u>on the kinds of insurance in that account</u>. The members' participation in the association shall be determined annually on the direct written premiums written during the preceding calendar year as reported on the annual statements and other reports filed by the member with the commissioner.

<u>Subd.</u> 2. [PERSONAL INJURY LIABILITY INSURANCE ASSESSMENT.] <u>A member of the association shall</u> participate in its writings, expenses, servicing allowance, management fees, and losses in the proportion that the net direct premiums of the member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year on the kinds of insurance in that account bears to the aggregate net direct premiums written in this state by all members on the kinds of insurance in that account. The member's participation in the association shall be determined annually on the basis of net direct premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the member with the commissioner.

Sec. 48. Minnesota Statutes 1992, section 62I.13, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] To be eligible to participate in the association, an applicant must apply for coverage through the market assistance program, as required by section 621.08. Except as provided by subdivision 4, the market assistance program has 30 days from the receipt of the application to secure an offer of coverage for the applicant.

If the market assistance program is able to secure an offer of coverage for the applicant and if the offer of coverage would not be considered a refusal for purposes of the association, then coverage may not be extended by the association. Eligibility for coverage by the association is <u>also</u> subject to the terms and conditions of subdivisions 2 and 3.

Sec. 49. Minnesota Statutes 1992, section 62I.13, subdivision 2, is amended to read:

Subd. 2. [MINIMUM OF QUALIFICATIONS.] Anyone who is unable to obtain insurance in the private market and who so certifies to the association in the application is eligible to make written application to the association for coverage. Payment of the applicable premium or required portion of it must be paid prior to coverage by the association. An offer of coverage at a rate in excess of the rate that would be charged by the association for similar coverage and risk shall be deemed to be a refusal of coverage for purposes of eligibility for participation in the association. It shall not be deemed to be a written notice of refusal if the rate for coverage offered is less than five percent in excess of the joint underwriting association rates for similar coverage and risk or <u>20 percent in excess of</u> the joint underwriting association rates for liquor liability coverages. However, the offered rate must also be the rate that the insurer has filed with the department of commerce if the insurer is required to file its rates with the department. If the insurer is not required to file its rates with the department, the offered rate must be the rate generally charged by the insurer for similar coverage and risk.

Sec. 50. Minnesota Statutes 1992, section 62I.20, is amended to read:

621.20 [MERGER OF OTHER PLANS.]

Upon application by the governing body of the liquor liability assigned risk plan authorized by section 340A.409 or the joint underwriting association authorized by chapter 62F to be merged with the association, the commissioner shall, if the commissioner deems it appropriate, hold a public hearing in regard to the merger. The commissioner upon motion or upon the motion of any insured under plans shall hold a hearing. Unless it can be shown that the rights of the insured would be adversely affected by the merger or that it would be less efficient or more costly to merge the plans, the commissioner shall consent to the merger. The commissioner shall also consent to the merger at any time there are less than ten insureds in any plan.

Sec. 51. Minnesota Statutes 1992, section 65A.01, subdivision 1, is amended to read:

Subdivision 1. [DESIGNATION AND SCOPE.] The printed form of a policy of fire insurance, as set forth in subdivisions 3 and 3a, shall be known and designated as the "Minnesota standard fire insurance policy" to be used in the state of Minnesota. No policy or contract of fire insurance shall be made, issued or delivered by any insurer including reciprocals or interinsurance exchanges or any agent or representative thereof, on any property in this state, unless it shall provide the specified coverage and conform as to all provisions, stipulations, and conditions, with such form of policy, except as provided in section sections 60A.08, subdivision 9; 60A.30 to 60A.35; 65A.06; 65A.29; 72A.20, subdivision 17; and other statutes containing specific requirements that are inconsistent with the form of this policy. Any policy or contract otherwise subject to the provisions of this subdivision, subdivisions 3 and 3a which includes either on an unspecified basis as to coverage or for a single premium, coverage against the peril of fire and coverage against other perils may be issued without incorporating the exact language of the Minnesota standard fire insurance policy, provided: Such policy or contract shall, with respect to the peril of fire, afford the insured all the rights and benefits of the Minnesota standard fire insurance policy and such additional benefits as the policy provides; the provisions in relation to mortgagee interests and obligations in said Minnesota standard fire insurance policy shall be incorporated therein without change; such policy or contract is complete as to its terms of coverage, and, the commissioner is satisfied that such policy or contract complies with the provisions hereof.

Sec. 52. Minnesota Statutes 1992, section 65A.29, subdivision 7, is amended to read:

Subd. 7. [RENEWAL; NOTICE REQUIREMENT.] No insurer shall refuse to renew, or reduce limits of coverage, or eliminate any coverage in a homeowner's insurance policy unless it mails or delivers to the insured, at the address shown in the policy, at least 60 days advance notice of its intention. The notice must contain the specific underwriting or other reason or reasons for the indicated action.

Proof of mailing this notice to the insured at the address shown in the policy is sufficient proof that the notice required by this section has been given.

Sec. 53. Minnesota Statutes 1992, section 65B.49, subdivision 3, is amended to read:

Subd. 3. [RESIDUAL LIABILITY INSURANCE.] (1) Each plan of reparation security shall also contain stated limits of liability, exclusive of interest and costs, with respect to each vehicle for which coverage is thereby granted, of not less than \$30,000 because of bodily injury to one person in any one accident and, subject to said limit for one person, of not less than \$60,000 because of injury to two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, of not less than \$10,000 because of such injury to or destruction of property of others in any one accident.

(2) Under residual liability insurance the reparation obligor shall be liable to pay, on behalf of the insured, sums which the insured is legally obligated to pay as damages because of bodily injury and property damage arising out of the ownership, maintenance or use of a motor vehicle if the injury or damage occurs within this state, the United States of America, its territories or possessions, or Canada. A reparation obligor shall also be liable to pay sums which another reparation obligor is entitled to recover under the indemnity provisions of section 65B.53, subdivision 1.

(3) Every plan of reparation security shall be subject to the following provisions which need not be contained therein:

(a) The liability of the reparation obligor with respect to the residual liability coverage required by this clause shall become absolute whenever injury or damage occurs; such liability may not be canceled or annulled by any agreement between the reparation obligor and the insured after the occurrence of the injury or damage; no statement made by the insured or on the insured's behalf and no violation of said policy shall defeat or void said policy.

(b) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the reparation obligor to make payment on account of such injury or damage.

(c) The reparation obligor shall have the right to settle any claim covered by the residual liability insurance policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability for the accident out of which such claim arose.

(d) Except as provided in subdivision 5a, a residual liability insurance policy shall be excess of a nonowned vehicle policy whether the nonowned vehicle is borrowed or rented, or used for business or pleasure. A nonowned vehicle is one not used or provided on a regular basis.

Sec. 54. Minnesota Statutes 1992, section 72A.20, subdivision 29, is amended to read:

Subd. 29. [HIV TESTS; CRIME VICTIMS.] No insurer regulated under chapter 61A or 62B, or providing health, medical, hospitalization, or accident and sickness insurance regulated under chapter 62A, or nonprofit health services corporation regulated under chapter 62C, health maintenance organization regulated under chapter 62D, or fraternal benefit society regulated under chapter 64B, may:

(1) obtain or use the performance of or the results of a test to determine the presence of the human immune deficiency virus (HIV) antibody performed on an offender under section 611A.19 or performed on a crime victim who was exposed to or had contact with an offender's bodily fluids during commission of a crime that was reported to law enforcement officials, in order to make an underwriting decision, cancel, fail to renew, or take any other action with respect to a policy, plan, certificate, or contract; or

(2) ask an applicant for coverage or a person already covered whether the person has: (i) had a test performed for the reason set forth in clause (1); or (ii) been the victim of an assault or any other crime which involves bodily contact with the offender.

A question that purports to require an answer that would provide information regarding a test performed for the reason set forth in clause (1) may be interpreted as excluding this test. An answer that does not mention the test is considered to be a truthful answer for all purposes. An authorization for the release of medical records for insurance purposes must specifically exclude any test performed for the purpose set forth in clause (1) and must be read as providing this exclusion regardless of whether the exclusion is expressly stated. This subdivision does not affect tests conducted for purposes other than those described in clause (1), including any test to determine the presence of the human deficiency virus (HIV) antibody if such test was performed at the insurer's direction as part of the insurer's normal underwriting requirements.

Sec. 55. Minnesota Statutes 1992, section 72A.20, is amended by adding a subdivision to read:

Subd. 30. [RECORDS RETENTION.] An insurer shall retain copies of all underwriting documents, policy forms, and applications for three years from the effective date of the policy. This subdivision does not relieve the insurer of its obligation to produce these documents to the department after the retention period has expired in connection with an enforcement action or administrative proceeding against the insurer from whom the documents are requested, if the insurer has retained the documents. Records required to be retained by this section may be retained in paper, photograph, microprocess, magnetic, mechanical, or electronic media, or by any process which accurately reproduces or forms a durable medium for the reproduction of a record.

Sec. 56. Minnesota Statutes 1992, section 72A.201, subdivision 9, is amended to read:

Subd. 9. [STANDARDS FOR COMMUNICATIONS WITH THE DEPARTMENT.] In addition to the acts specified elsewhere in this section and section 72A.20, the following acts by an insurer, adjuster, or a self-insured or self-insurance administrator constitute unfair settlement practices:

(1) failure to respond, within 15 working days after receipt of an inquiry from the commissioner, about a claim, to the commissioner;

(2) failure, upon request by the commissioner, to make specific claim files available to the commissioner;

(3) failure to include in the claim file all written communications and transactions emanating from, or received by, the insurer, as well as all notes and work papers relating to the claim. All written communications and notes referring to verbal communications must be dated by the insurer;

(4) failure to submit to the commissioner, when requested, any summary of complaint data reasonably required;

(5) failure to compile and maintain a file on all complaints. If the complaint deals with a loss, the file must contain adequate information so as to permit easy retrieval of the entire file. If the complaint alleges that the company, or agent of the company, or any agent producing business written by the company is engaged in any unfair, false, misleading, dishonest, fraudulent, untrustworthy, coercive, or financially irresponsible practice, or has violated any insurance law or rule, the file must indicate what investigation or action was taken by the company. The complaint file must be maintained for at least four years after the date of the complaint.

For purposes of clause (1) the term insurer includes an agent of the insurer. The insurer must have been sent a copy of any communication to an agent to be held in violation of this provision.

Sec. 57. Minnesota Statutes 1992, section 72A.41, subdivision 1, is amended to read:

Subdivision 1. It is unlawful for any company to enter into a contract of insurance as an insurer or to transact insurance business in this state, as set forth in subdivision 2, without a certificate of authority from the commissioner; provided that this subdivision does not apply to: (a) contracts of insurance procured by agents under the authority of sections 60A.195 to 60A.209; (b) contracts of reinsurance and contracts of ocean or wet marine and transportation insurance; (c) transactions in this state involving a policy lawfully solicited, written and delivered outside of this state covering only subjects of insurance not resident, located, or expressly to be performed in this state at the time of issuance and which transactions are subsequent to the issuance of the policy; (d) transactions in this state involving group or blanket insurance and group annuities where the master policy of such groups was lawfully issued and delivered in a state in which the company was authorized to do an insurance business where, except for group annuities, the insurer complice with section 72A.13. The commissioner may require the insurer which has issued such master policy to submit any information as the commissioner reasonably requires in order to determine if probable cause exists to convene a hearing to determine whether the total charges for the insurance to the persons insured are unreasonable in relation to the benefits provided under the policy; (c) transactions in this state involving a policy of insurance or annuity issued prior to July 1, 1967; or (f) (e) contract of insurance procured under the authority of section 60A.19, subdivision 8; or (g) (f) transactions in this state involving contracts of insurance covering property or risks not located in this state.

Sec. 58. Minnesota Statutes 1992, section 72B.03, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT; EXCEPTIONS.] Except as otherwise provided, no person shall act as an independent adjuster, public adjuster, or public adjuster solicitor for money, a commission, or any other thing of value, unless such person shall first obtain from the commissioner a license. No license shall be required for a person:

(a) Undergoing a training or education program under the guidance of a licensed adjuster and who is registered with the commissioner for a one year temporary permit; (b) (1) a person acting in a catastrophe or emergency situation, and who has registered with the commissioner for that purpose;

(e) (2) a nonresident adjuster who occasionally is in this state to adjust a single loss; provided, however, that if a nonresident adjusts more than six losses in this state in one year the adjuster must qualify for and receive a nonresident's license as provided in sections 72B.01 to 72B.14, and provided the adjuster's domiciliary state affords a like privilege.

Sec. 59. Minnesota Statutes 1992, section 72B.04, subdivision 2, is amended to read:

Subd. 2. [QUALIFICATIONS.] An applicant for licensing as an adjuster under sections 72B.01 to 72B.14 shall be at least 18 years of age, and shall have one year's training and experience in adjusting insurance claims for damage or loss from risks in the field stated in the application. The applicant shall be competent and trustworthy and shall not have been engaged in any practice which would be grounds for suspension or revocation of a license under sections 72B.01 to 72B.14 within the three years next preceding the date of the application.

An applicant for licensing as a public adjuster solicitor under sections 72B.01 to 72B.14 shall be at least 18 years of age, shall be competent and trustworthy, and shall not have been engaged in any practice which would be grounds for suspension or revocation of a license under sections 72B.01 to 72B.14 within the three years next preceding the date of the application.

In the case of any applicant who has been convicted of a felony within the ten years next preceding the date of the application, and who in the judgment of the commissioner, meets the other qualifications, the commissioner may impose the additional requirement of the filing of a bond in accordance with the requirements of section 72B.08, • subdivision 8.

Sec. 60. Minnesota Statutes 1992, section 176.181, subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.] (1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of commerce exempting the employer from insuring liability for compensation and permitting self-insurance of the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner pursuant to chapter 14. The commissioner of commerce shall also adopt, pursuant to clause (2)(c), rules permitting two or more employers, whether or not they are in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as group self-insurers. With the approval of the commissioner of commerce, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of operations as a distinct and separate risk. An employer desiring to be exempted from insuring liability for compensation shall make application to the commissioner of commerce, showing financial ability to pay the compensation, whereupon by written order the commissioner of commerce, on deeming it proper, may make an exemption. An employer may establish financial ability to pay compensation by: (1) providing financial statements of the employer to the commissioner of commerce; or (2) filing a surety bond or bank letter of credit with the commissioner of commerce in an amount equal to the anticipated annual compensation costs of the employer, but in no event less than \$100,000. Upon ten days' written notice the commissioner of commerce may revoke the order granting an exemption, in which event the employer shall immediately insure the liability. As a condition for the granting of an exemption the commissioner of commerce may require the employer to furnish security the commissioner of commerce considers sufficient to insure payment of all claims under this chapter, consistent with subdivision 2b. If the required security is in the form of currency or negotiable bonds, the commissioner of commerce shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of commerce may by written order to the state treasurer require the treasurer to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of commerce and awards made against any such self-insurer by the commissioner of commerce shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of commerce and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of commerce, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2)(a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed, or exempt from licensure, pursuant to section 60A.23, subdivision 8, to do so by the commissioner of commerce. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be granted only when the commissioner of commerce is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of commerce may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two-year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of commerce.

(c) To carry out the purposes of this subdivision, the commissioner of commerce may promulgate administrative rules, including emergency rules, pursuant to sections 14.001 to 14.69. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines consistent with subdivision 2b to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration, and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision. The rules may not require excessive cash payments to a common claims fund by group self-insurers. However, a level of funding in the common claims fund must always be maintained at not less than one year's claim losses paid in the most recent year.

Sec. 61. Minnesota Statutes 1992, section 340A.409, subdivision 2, is amended to read:

Subd. 2. [MARKET ASSISTANCE.] The commissioner of commerce shall advise licensees and municipalities subject to the financial responsibility requirements of subdivision 1 of those persons offering insurance coverage. The commissioner of commerce shall establish a program to assist licensees in obtaining insurance coverage. The program shall include a committee appointed by the commissioner of commerce that is representative of insurance carriers and producers, liquor vendors, and the public. No less than one half of the committee members shall represent casualty insurers and surplus lines agents or brokers. The commissioner of commerce or the commissioner's designated representative shall serve as an ex officio member of the committee. The committee shall review and act upon all properly executed applications. If the committee finds that it cannot assist in securing insurance coverage, it shall notify the applicant in writing with a full explanation and recommendation for enhancing its ability to secure insurance. The commissioner of commerce shall, if necessary, establish an assigned risk plan pursuant to subdivision 3. The market assistance plan of the Minnesota joint underwriting association shall assist licensees in obtaining insurance coverage.

Sec. 62. Minnesota Statutes 1992, section 340A.409, subdivision 3, is amended to read:

Subd. 3. [ASSIGNED RISK PLAN MINNESOTA JOINT UNDERWRITING ASSOCIATION.] (a) The purpose of the assigned risk plan is to Minnesota joint underwriting association shall provide coverage required by subdivision 1 to persons rejected under this subdivision.

(b) An insurer who offers liquor liability insurance that refuses to write the coverage required by subdivision 1 shall furnish the applicant with a written notice of refusal. The rejected applicant shall file a copy of the notice of refusal with the commissioner of public safety at the time of application for coverage to the assigned risk plan and the market assistance program.

78TH DAY]

A written notice of refusal must be provided to any applicant who has requested only liquor liability insurance if the insurer chooses to only offer liquor liability insurance in combination with other types of insurance.

A written notice of refusal must be provided by an insurer to any applicant who receives an offer of coverage from that insurer that is in excess of the rate charged by the assigned risk plan for similar coverage and risk. A notice is not required if the rate for the coverage offered is less than 20 percent in excess of the assigned risk plan rates, provided that the offered rate is the rate that the insurer has filed with the commissioner of commerce if the insurer is required to file its rates with the commissioner. If the insurer is not required to file its rates with the commissioner, the offered rate must be the rate generally charged by the insurer for similar coverage and risk.

A notice of refusal is not required to be filed if there is not an insurer offering liquor liability insurance in the state.

To be eligible to participate in the assigned risk plan an applicant must apply for coverage through the market assistance program. Application to the market assistance program must be made no later than the time of application to the assigned risk plan. If the market assistance program is unable to secure coverage then coverage may be extended by the assigned risk plan.

(c) The commissioner of commerce may enter into service contracts as necessary or beneficial to accomplish the purposes of the assigned risk plan including servicing of policies or contracts of coverage, data management, and assessment collections. Services related to the administration of policies or contracts of coverages must be performed by one or more qualified insurance companies licensed pursuant to section 60A.06, subdivision 1, clause (13), or a qualified vendor of risk management services. A qualified insurer or vendor of risk management services must possess sufficient financial, professional, administrative, and personnel resources to provide the services required for operation of the plan. The cost of all services contracted for are an obligation of the assigned risk plan.

(d) The commissioner of commerce may assess all insurers licensed under section 60A.06, subdivision 1, clause (13), an amount sufficient to fully fund the obligations of the assigned risk plan if the commissioner determines that the assets of the assigned risk plan are insufficient to meet its obligations. The assessment of each insurer must be in a proportion equal to the proportion which the amount of insurance written as reported on page 14 of the annual statement under line 5, commercial multiperil, and line 17, other liability, during the preceding calendar year by that insurer bears to the total written by all such carriers for such lines.

(c) Policies and contracts of coverage issued under this subdivision must-contain the-usual and customary provisions of liability insurance policies, and must contain at least the minimum coverage required by subdivision 1 or the local governing unit.

(f) Assigned risk policies and contracts of coverage are subject to premium tax pursuant to section 60A.15.

(g) Insureds served by the assigned risk plan must be charged premiums based upon a rating plan approved by the commissioner of commerce. Assigned risk premiums must be on an actuarially sound basis. The rating plan approved by the commissioner shall provide for surcharge factors based upon claims reported and losses paid. The commissioner of commerce shall fix the compensation received by the agent of record.

(h) The rating plan may be amended by rule pursuant to chapter 14 or by the following expedited procedures:

(1) Any person may, by written petition served upon the commissioner, request that a hearing be held to amend the rating plan.

(2) The commissioner shall forward a copy of the petition to the chief administrative law judge within three business days of its receipt. The chief administrative law judge shall, within three business days of receipt of the copy of the petition or a request for a hearing by the commissioner, set a hearing date, assign an administrative law judge to hear the matter, and notify the commissioner of the hearing date and the administrative law judge assigned to hear the matter. The hearing date must be set no less than 60 days nor more than 90 days from the date of receipt of the petition by the commissioner.

(3) The commissioner of commerce shall publish a notice of the hearing in the State Register at least 30 days before the hearing date. The notice should be similar to that used for rulemaking under the administrative procedure act. Approval by the administrative law judge of the notice prior to publication is not required. (4) The hearing and all matters taking place after the hearing are a contested case under chapter 14. Within 45 days from the commencement of the hearing and within 15 days of the completion of the hearing the administrative law judge shall submit a report to the commissioner of commerce. The parties, or the administrative law judge, if the parties cannot agree, shall adjust all time requirements under the contested case procedure to conform with the 45 day requirement.

(5) The commissioner shall-render a decision within ten business days of the receipt of the administrative law judge's report.

(6) If all parties to the proceeding agree, any of the previous requirements may be waived or modified.

(7) A petition for a hearing to amend the rating plan received by the commissioner within 180 days of the date of the commissioner's decision in a prior proceeding to amend the rating plan is invalid and requires no action.

(i) (b) A liquor vendor shall be denied or terminated from coverage through the assigned risk plan Minnesota joint <u>underwriting association</u> if the liquor vendor disregards safety standards, laws, rules, or ordinances pertaining to the offer, sale, or other distribution of liquor.

The commissioner may by rule establish other conditions for denial or termination from coverage through the assigned risk plan.

(j) The commissioner of commerce shall adopt rules needed to implement this subdivision. The rules may include:

(1) appeal procedures from actions of the assigned risk plan;

(2) formation of an advisory committee composed of insurers, vendors of risk management services and licensees, to advise the commissioner of commerce regarding operation of the plan; and

H. F. No. 392, A bill for an act relating to public safety; requiring installation of automatic sprinkler systems in certain existing high-rise buildings; excluding the market value of these systems for purposes of property taxation; amending Minnesota Statutes 1992, section 273.11, subdivision 6a; proposing coding for new law in Minnesota Statutes, chapter 299F.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [299F.365] [FIRE SAFETY SPRINKLERS IN EXISTING HIGH-RISE BUILDINGS.]

<u>Subdivision 1.</u> [REQUIREMENTS.] This section applies to an existing building in which at least one story used for human occupancy is at least 75 feet or more above the lowest level of fire department vehicle access. An automatic fire safety sprinkler system must be installed in those portions of the entire existing building in which an automatic fire safety sprinkler system would be required if the building were constructed after the effective date of this section. The automatic fire safety sprinkler system must comply with standards in the Minnesota uniform fire code and state building code.

Subd. 2. [EXEMPTIONS.] (a) Subdivision 1 does not apply to an area used exclusively for telecommunications equipment and associated generator and power equipment and under exclusive control of a telecommunications provider if:

(1) the area is separated from the remainder of the building by construction equivalent to a one-hour fire resistant wall and two-hour floor/ceiling assemblies; and

(2) the area has an automatic fire detection and alarm system to respond to visible and invisible particles of combustion and transmit an alarm and comply with standards in the Minnesota uniform fire code and state building code.

(b) Subdivision 1 does not apply to:

(1) a monument or war memorial that is included in the national register of historic places or the Minnesota state register of historic sites and structures;

(2) an airport control tower or control room;

(3) an open parking structure;

(4) a building used for agricultural purposes;

(5) a manufacturing facility that is required to meet the fire safety standards adopted by the occupational safety and health administration in Code of Federal Regulations, title 29, part 1910, subpart L; or

(6) elevator equipment rooms and elevator shafts.

(c) The commissioner, or the state fire marshal as the commissioner's designee, may grant extensions for the times prescribed in subdivision 3 or 4 for the submission of plans or completion of work, or both, if the applicant for extension demonstrates an appropriate effort and a genuine inability to comply with the time prescribed.

Subd. 3. [REPORTING.] Within one year of the effective date of this section, the owner of each building subject to subdivision 1 shall submit for approval a detailed written plan of action describing the methods for installation and schedule for completion by floor or portion of a floor to be used for compliance with subdivision 1. The written plan must be in the form and manner approved by the state fire marshal and must be submitted to the state fire marshal or to the local fire department that the state fire marshal has delegated to review plans.

<u>Subd. 4.</u> [TRANSITION.] (a) Within three years of the effective date of this section there must be water supplies for the fire safety sprinkler system to all floors of the buildings subject to subdivision 1. Installation of operational automatic fire safety sprinkler systems or an accepted equivalent alternative method must comply with the following schedule:

Years after effective date

Percent of nonexempt portions of building with operational automatic sprinkler system or protected by an accepted alternative method

<u>6 years</u> <u>9 years</u> <u>12 years</u> <u>15 years</u> 25 percent 50 percent 75 percent 100 percent

(b) For office buildings and individual spaces within office buildings having documented leases that presently extend beyond six years after the effective date, an extension of an additional one year shall be added to each phase of the time table in paragraph (a) for completion.

(c) The following requirements are the responsibility of the authorized licensed sprinkler contractor and apply where existing class I, class II, or class III standpipes are used to provide a combined standpipe system:

(1) during the installation of sprinkler systems, no standpipe or fire pump may be made inoperative unless the local fire department is given 24-hour prior notice;

(2) if the building contains two or more standpipes, at least one standpipe must be maintained so that water can be discharged through piping, valves, hose outlets, and allied equipment to extinguish a fire. If a building contains only one standpipe riser, modifications to the system must be conducted after normal working hours; and

(3) appropriate temporary signage must be provided at all fire department connections on the building, indicating the operational status of the sprinkler system.

<u>Subd. 5.</u> [RULES.] The commissioner of public safety may adopt rules for: the application of fire safety sprinkler systems in existing high-rise buildings under this section; exemptions permitted by this section; reporting of compliance by owners; and scheduling of installation of fire safety sprinkler systems or alternate methods. The commissioner of public safety shall explore alternative sources of funding for those buildings in need of retrofit. The commissioner shall coordinate with the housing finance agency director for such alternative sources of funding.

Subd. 6. [EFFECT ON OTHER LAWS.] This section does not supersede the Minnesota state building code or Minnesota uniform fire code.

Sec. 2. [WORKING GROUP.]

The commissioner of public safety shall appoint a working group to advise the commissioner on implementation of section 1, including specifically the adoption of rules, and to advise the commissioner on appeals. The group shall include a representative from: the state fire marshal's office, the department of administration, the Minnesota state fire chiefs association, a chapter of the Minnesota building owners and managers association, the Minnesota total multi-housing association, the Minnesota hotel and motel association, the fire marshals association of Minnesota, professional engineers or licensed architects, and the general public.

H. F. No. 553, A bill for an act relating to children; expanding the crime of child neglect and the child abuse reporting act to include children who are neglected due to reliance by a parent, guardian, or other caretaker on spiritual health care; amending Minnesota Statutes 1992, sections 609.378, subdivision 1; and 626.556, subdivisions 2 and 10e.

Reported the same back with the following amendments:

Pages 1 to 4, delete sections 1 and 2, and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 609.378, subdivision 1, is amended to read:

Subdivision 1. [PERSONS GUILTY OF NEGLECT OR ENDANGERMENT.] (a) [NEGLECT.] (1) A parent, legal guardian, or caretaker who willfully deprives a child of necessary food, clothing, shelter, health care, or supervision appropriate to the child's age, when the parent, guardian, or caretaker is reasonably able to make the necessary provisions and the deprivation harms or is likely to substantially harm the child's physical, mental, or emotional health is guilty of neglect of a child and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both. If the deprivation results in substantial harm to the child's physical, mental, or emotional health, the person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both. If a parent, guardian, or caretaker responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of discase or remedial care of the child, this treatment or care is "health care," for purposes of this clause.

(2) A parent, legal guardian, or caretaker who knowingly permits the continuing physical or sexual abuse of a child is guilty of neglect of a child and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

(b) [ENDANGERMENT.] A parent, legal guardian, or caretaker who endangers the child's person or health by:

(1) intentionally or recklessly causing or permitting a child to be placed in a situation likely to substantially harm the child's physical, mental, or emotional health or cause the child's death; or

(2) knowingly causing or permitting the child to be present where any person is selling or possessing a controlled substance, as defined in section 152.01, subdivision 4, in violation of section 152.021, 152.022, 152.023, or 152.024; is guilty of child endangerment and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

If the endangerment results in substantial harm to the child's physical, mental, or emotional health, the person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

This paragraph does not prevent a parent, legal guardian, or caretaker from causing or permitting a child to engage in activities that are appropriate to the child's age, stage of development, and experience, or from selecting health care as defined in subdivision 1, paragraph (a).

(c) [ENDANGERMENT BY FIREARM ACCESS.] A person who intentionally or recklessly causes a child under 14 years of age to be placed in a situation likely to substantially harm the child's physical health or cause the child's death as a result of the child's access to a loaded firearm is guilty of child endangerment and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

If the endangerment results in substantial harm to the child's physical health, the person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

Sec. 2. Minnesota Statutes 1993 Supplement, section 626.556, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342, 609.343, 609.344, or 609.345. Sexual abuse also includes any act which involves a minor which constitutes a violation of sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse.

(b) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(c) "Neglect" means failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter or medical care when reasonably able to do so, failure to protect a child from conditions or actions which imminently and seriously endanger the child's physical or mental health when reasonably able to do so, or failure to take steps to ensure that a child is educated in accordance with state law. Nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that there is a duty to report if a lack of medical care may cause imminent and serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care. Neglect includes prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance. Neglect also means "medical neglect" as defined in section 260.015, subdivision 2a, clause (5).

(d) "Physical abuse" means any physical or mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive and deprivation procedures that have not been authorized under section 245.825.

(e) "Report" means any report received by the local welfare agency, police department, or county sheriff pursuant to this section.

(f) "Facility" means a day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed pursuant to sections 144.50 to 144.58, 241.021, or 245A.01 to 245A.16.

(g) "Operator" means an operator or agency as defined in section 245A.02.

(h) "Commissioner" means the commissioner of human services.

(i) "Assessment" includes authority to interview the child, the person or persons responsible for the child's care, the alleged perpetrator, and any other person with knowledge of the abuse or neglect for the purpose of gathering the facts, assessing the risk to the child, and formulating a plan.

(j) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem services.

(k) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(1) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury."

"Section 1. Minnesota Statutes 1992, section 116D.04, subdivision 2a, is amended to read:

Subd. 2a. Where there is potential for significant environmental effects resulting from any major governmental action, the action shall be preceded by a detailed environmental impact statement prepared by the responsible governmental unit. The environmental impact statement shall be an analytical rather than an encyclopedic document which describes the proposed action in detail, analyzes its significant environmental impacts, discusses appropriate alternatives to the proposed action and their impacts, and explores methods by which adverse environmental impacts of an action could be mitigated. The environmental impact statement shall also analyze those economic, employment and sociological effects, including those related to environmental justice as defined in section 116D.12, that cannot be avoided should the action be implemented. To ensure its use in the decision making process, the environmental impact statement shall be prepared as early as practical in the formulation of an action.

(a) The board shall by rule establish categories of actions for which environmental impact statements and for which environmental assessment worksheets shall be prepared as well as categories of actions for which no environmental review is required under this section.

(b) The responsible governmental unit shall promptly publish notice of the completion of an environmental assessment worksheet in a manner to be determined by the board and shall provide copies of the environmental assessment worksheet to the board and its member agencies. Comments on the need for an environmental impact statement may be submitted to the responsible governmental unit during a 30 day period following publication of the notice that an environmental assessment worksheet has been completed. The responsible governmental unit's decision on the need for an environmental impact statement shall be based on the environmental assessment worksheet and the comments received during the comment period, and shall be made within 15 days after the close of the comment period. The board's chair may extend the 15 day period by not more than 15 additional days upon the request of the responsible governmental unit.

(c) An environmental assessment worksheet shall also be prepared for a proposed action whenever material evidence accompanying a petition by not less than 25 individuals, submitted before the proposed project has received final approval by the appropriate governmental units, demonstrates that, because of the nature or location of a proposed action, there may be potential for significant environmental effects. Petitions requesting the preparation of an environmental assessment worksheet shall be submitted to the board. The chair of the board shall determine the appropriate responsible governmental unit and forward the petition to it. A decision on the need for an

environmental assessment worksheet shall be made by the responsible governmental unit within 15 days after the petition is received by the responsible governmental unit. The board's chair may extend the 15 day period by not more than 15 additional days upon request of the responsible governmental unit.

(d) The board may, prior to final approval of a proposed project, require preparation of an environmental assessment worksheet by a responsible governmental unit selected by the board for any action where environmental review under this section has not been specifically provided for by rule or otherwise initiated.

(e) An early and open process shall be utilized to limit the scope of the environmental impact statement to a discussion of those impacts, which, because of the nature or location of the project, have the potential for significant environmental effects. The same process shall be utilized to determine the form, content and level of detail of the statement as well as the alternatives which are appropriate for consideration in the statement. In addition, the permits which will be required for the proposed action shall be identified during the scoping process. Further, the process shall identify those permits for which information will be developed concurrently with the environmental impact statement. The board shall provide in its rules for the expeditious completion of the scoping process. The determinations reached in the process shall be incorporated into the order requiring the preparation of an environmental impact statement.

(f) Whenever practical, information needed by a governmental unit for making final decisions on permits or other actions required for a proposed project shall be developed in conjunction with the preparation of an environmental impact statement.

(g) An environmental impact statement shall be prepared and its adequacy determined within 280 days after notice of its preparation unless the time is extended by consent of the parties or by the governor for good cause. The responsible governmental unit shall determine the adequacy of an environmental impact statement, unless within 60 days after notice is published that an environmental impact statement will be prepared, the board chooses to determine the adequacy of an environmental impact statement is found to be inadequate, the responsible governmental unit shall have 60 days to prepare an adequate environmental impact statement.

Subd. 4. [IMMUNITY FROM LIABILITY.] (a) The following persons are immune from any civil or criminal liability ... that otherwise might result from their actions, if they are acting in good faith:

(1) any person making a voluntary or mandated report under subdivision 3 or under section 626.5561 or assisting in an assessment under this section or under section 626.5561;

(2) any social worker appropriately qualified person with responsibility for performing duties under this section or supervisor employed by a local welfare agency complying with subdivision 10d or the provisions of section 626.5561; and

(3) any public or private school, facility as defined in subdivision 2, or the employee of any public or private school or facility who permits access by a local welfare agency or local law enforcement agency and assists in an investigation or assessment pursuant to subdivision 10 or under section 626.5561.

(b) A person who is a supervisor or social worker person with responsibility for performing duties under this section employed by a local welfare agency complying with subdivisions 10 and 11 or section 626.5561 or any related rule or provision of law is immune from any civil or criminal liability that might otherwise result from the person's actions, if the person is acting in good faith and exercising due care in accordance with any established protocols and rules and reasonable professional practice.

(c) This subdivision does not provide immunity to any person for failure to make a required report or for committing neglect, physical abuse, or sexual abuse of a child.

(d) If a person who makes a voluntary or mandatory report under subdivision 3 prevails in a civil action from which the person has been granted immunity under this subdivision, the court may award the person attorney fees and costs.

Sec. 2. Minnesota Statutes 1992, section 626.556, is amended by adding a subdivision to read:

<u>Subd. 4b.</u> [LIABILITY; COSTS AND ATTORNEY FEES.] If a person who is an alleged perpetrator prevails in a civil action arising out of an assessment, determination, or bad faith report made under this section, the court may award the person costs and reasonable attorney fees in the action. This subdivision does not apply to criminal or juvenile court proceedings. This subdivision does not affect the immunity provisions of this section.

Sec. 3. Minnesota Statutes 1992, section 626.556, is amended by adding a subdivision to read:

<u>Subd. 9a.</u> [PROTOCOL GOVERNING ABUSE AND NEGLECT ASSESSMENTS.] The commissioner of human services shall adopt rules establishing a specific protocol to be followed by social workers, child protection workers, and supervisors employed by local welfare agencies and the commissioner in conducting assessments and making determinations under this section. In developing the rules the commissioner shall consult with individuals involved in assessing child abuse and neglect, including physicians and other health professionals, child psychologists, social workers, child protection workers, and supervisors, county attorneys, educators, and law enforcement. Individuals must also include representatives of parent and foster parent groups, facilities, attorneys and other advocates who represent the interests of persons who may be accused of child abuse and neglect, and representatives of communities of color.

Sec. 4. Minnesota Statutes 1992, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. [DETERMINATIONS.] Upon the conclusion of every assessment or investigation it conducts, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed. Determinations under this subdivision must be made based on a preponderance of the evidence.

(a) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions committed by a person responsible for the child's care:

(1) physical abuse as defined in subdivision 2, paragraph (d);

(2) neglect as defined in subdivision 2, paragraph (c);

(3) sexual abuse as defined in subdivision 2, paragraph (a); or

(4) mental injury as defined in subdivision 2, paragraph (k).

(b) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

(c) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in imminent and serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

Sec. 5. Minnesota Statutes 1993 Supplement, section 626.556, subdivision 11, is amended to read:

Subd. 11. [RECORDS.] Except as provided in subdivisions 10b, 10d, 10g, and 11b, and 11d, all records concerning individuals maintained by a local welfare agency under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners. Section 13.82, subdivisions 5, 5a, and 5b, apply to law enforcement data other than the reports. The welfare board shall make available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners or their professional delegates, any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the rules of criminal procedure.

Sec. 6. Minnesota Statutes 1992, section 626.556, is amended by adding a subdivision to read:

<u>Subd. 11d.</u> [DISCLOSURE OF INFORMATION TO SUBJECT OF REPORT.] If a determination is made that maltreatment has occurred or that child protective services are needed, the person determined to be maltreating the child and the director of the facility, if applicable, may request a summary of the specific reasons for the determination and the person has access to data documenting the basis for the determination, excluding data that would identify the reporter or other confidential sources.

Sec. 7. Minnesota Statutes 1992, section 626.556, is amended by adding a subdivision to read:

Subd. 14. [CONFLICT OF INTEREST.] A person who conducts an assessment or assists in making an assessment under this section or section 626.5561 may not have any direct or shared financial interest or referral relationship resulting in shared financial gain with a child abuse and neglect treatment provider. If an independent assessor is not available, the person responsible for making the determination under this section may use the services of an assessor with a financial interest or referral relationship, as authorized under rules adopted by the commissioner of human services."

## "ARTICLE 1

#### MUTUAL SELF-INSURANCE

Section 1. Minnesota Statutes 1992, section 79A.01, subdivision 4, is amended to read:

Subd. 4. [INSOLVENT SELF-INSURER.] "Insolvent self-insurer" means either: (1) a member private self-insurer who has failed to pay compensation as a result of a declaration of bankruptcy or insolvency by a court of competent jurisdiction and whose security deposit has been called by the commissioner pursuant to chapter 176, or; (2) a member self-insurer who has failed to pay compensation and who has been issued a certificate of default by the commissioner and whose security deposit has been called by the commissioner pursuant to chapter 176; or (3) a member or former member private self-insurer who has failed to pay an assessment required by section 79A.12, subdivision 2, and who has been issued a certificate of default by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner and whose security deposit has been called by the commissioner.

Sec. 2. Minnesota Statutes 1992, section 79A.02, subdivision 1, is amended to read:

Subdivision 1. [MEMBERSHIP.] For the purposes of assisting the commissioner, there is established a workers' compensation self-insurers' advisory committee of five seven members that are employers authorized to self-insure in Minnesota. Three of the members shall be elected by the members of the self-insurers' security fund, and two shall be appointed by the commissioner.

Sec. 3. Minnesota Statutes 1992, section 79A.02, subdivision 2, is amended to read:

Subd. 2. [ADVICE TO COMMISSIONER.] At the request of the commissioner, the committee shall meet and shall advise the commissioner with respect to whether or not an applicant to become a private self-insurer in the state of Minnesota has met the statutory requirements to self-insure. The department of commerce may furnish the committee with any financial data which it has, but a member of the advisory committee who may have a conflict of interest in reviewing the financial data shall not have access to the data nor participate in the discussions concerning the applicant. All members of the advisory committee shall treat financial data received from the commissioner as nonpublic data. The committee shall advise the commissioner if it has any information that any private self-insurer may become insolvent. Disclosure of this data other than for the purposes of this subdivision is a misdemeanor.

Sec. 4. Minnesota Statutes 1992, section 79A.02, subdivision 4, is amended to read:

Subd. 4. [RECOMMENDATIONS TO COMMISSIONER REGARDING REVOCATION.] After each fifth anniversary from the date each individual and group self-insurer, and mutual self-insurance pool becomes certified to self-insure, the committee shall review all relevant financial data filed with the department of commerce that is otherwise available to the public and make a recommendation to the commissioner about whether each self-insurer's certificate should be revoked.

Sec. 5. Minnesota Statutes 1993 Supplement, section 79A.04, subdivision 2, is amended to read:

Subd. 2. [MINIMUM DEPOSIT.] The minimum deposit is 110 percent of the private self-insurer's estimated future liability. Up to ten percent of that deposit may be used to secure payment of all administrative and legal costs, and <u>unpaid assessments required by section 79A.12</u>, subdivision 2, relating to or arising from the employer's self-insuring.

As used in this section, "private self-insurer" includes both current and former members of the self-insurers' security fund; and "private self-insurers' estimated future liability" means the private self-insurers' total of estimated future liability as determined by an Associate or Fellow of the Casualty Actuarial Society every year for group member private self-insurers and, for a nongroup member private self-insurer's authority to self-insure, every year for the first five years. After the first five years, the nongroup member's total shall be as determined by an Associate or Fellow of the Casualty Actuarial Society every year for the first five years, and each such actuarial study shall include a projection of future losses during the two-year period until the next scheduled actuarial study, less payments anticipated to be made during that time.

All data and information furnished by a private self-insurer to an Associate or Fellow of the Casualty Actuarial Society for purposes of determining private self-insurers' estimated future liability must be certified by an officer of the private self-insurer to be true and correct with respect to payroll and paid losses, and must be certified, upon information and belief, to be true and correct with respect to reserves. The certification must be made by sworn affidavit. In addition to any other remedies provided by law, the certification of false data or information pursuant to this subdivision may result in a fine imposed by the commissioner of commerce on the private self-insurer up to the amount of \$5,000, and termination of the private self-insurers' authority to self-insure. The determination of private self-insurers' estimated future liability by an Associate or Fellow of the Casualty Actuarial Society shall be conducted in accordance with standards and principles for establishing loss and loss adjustment expense reserves by the Actuarial Standards Board, an affiliate of the American Academy of Actuaries. The commissioner may reject an actuarial report that does not meet the standards and principles of the Actuarial Standards Board, and may further disqualify the actuary who prepared the report from submitting any future actuarial reports pursuant to this chapter. Within 30 days after the actuary has been served by the commissioner with a notice of disqualification, an actuary who is aggrieved by the disqualification may request a hearing to be conducted in accordance with chapter 14. Based on a review of the actuarial report, the commissioner of commerce may require an increase in the minimum security deposit in an amount the commissioner considers sufficient.

Estimated future liability is determined by first taking the total amount of the self-insured's future liability of workers' compensation claims and then deducting the total amount which is estimated to be returned to the self-insurer from any specific excess insurance coverage, aggregate excess insurance coverage, and any supplementary benefits or second injury benefits which are estimated to be reimbursed by the special compensation fund. Supplementary benefits or second injury benefits will not be reimbursed by the special compensation fund unless the special compensation fund assessment pursuant to section 176.129 is paid and the reports required thereunder are filed with the special compensation fund. In the case of surety bonds, bonds shall secure administrative and legal costs in addition to the liability for payment of compensation reflected on the face of the bond. In no event shall the security be less than the last retention limit selected by the self-insurer with the workers' compensation reinsurance association. The posting or depositing of security pursuant to this section shall release all previously posted or deposited security from any obligations under the posting or depositing and any surety bond so released shall be returned to the surety. Any other security shall be returned to the depositor or the person posting the bond.

As a condition for the granting of a certificate to self-insure, the commissioner may require a private self-insurer to furnish any additional security the commissioner considers sufficient to insure payment of all claims under chapter 176.

Sec. 6. Minnesota Statutes 1992, section 79A.04, subdivision 9, is amended to read:

Subd. 9. [INSOLVENCY, BANKRUPTCY, OR DEFAULT; UTILIZATION OF SECURITY DEPOSIT.] The commissioner of labor and industry shall notify the commissioner and the security fund if the commissioner of labor and industry has knowledge that any private self-insurer has failed to pay workers' compensation benefits as required by chapter 176. If the commissioner determines that a court of competent jurisdiction has declared the private self-insurer to be bankrupt or insolvent, and the private self-insurer has failed to pay workers' compensation as required by chapter 176 or, if the commissioner issues a certificate of default against a private self-insurer for failure to pay workers' compensation as required by chapter 176, or failure to pay an assessment to the self-insurer' security fund when due, then the security deposit shall be utilized to administer and pay the private self-insurers' workers' compensation or assessment obligations.

Sec. 7. Minnesota Statutes 1992, section 79A.15, is amended to read:

79A.15 [SURETY BOND FORM.]

8. If the surety exercises its option to administer claims, it shall pay benefits due to the principal's injured workers within 14 days of the receipt of the notification by the commissioner of commerce, state of Minnesota, pursuant to paragraph 7, without a formal award of a compensation judge, the commissioner of labor and industry, any intermediate appellate court, or the Minnesota supreme court and such payment will be a charge against the penal sum of the bond. Administrative and legal costs <u>and payment of assessments</u> incurred by the surety in discharging its obligations and payment of the principal's obligations for administration and legal expenses <u>and payment of assessments</u> under Minnesota Statutes, chapter 176, and sections 79A.01 to 79A.17 and Laws 1988, chapter 674, section 23, shall also be a charge against the penal sum of the bond; however, the total amount of this surety bond set aside for the payment of said administrative and legal expenses <u>and payment of assessments</u> shall be limited to a maximum ten percent of the total penal sum of the bond unless otherwise authorized by the security fund.

9. If any part or provision of this bond shall be declared unenforceable or held to be invalid by a court of proper jurisdiction, such determination shall not affect the validity or enforceability of the other provisions or parts of this bond.

10. If the surety does not give notice to the security fund and the commissioner of commerce, state of Minnesota, within two business days of receipt of written notification from the commissioner of commerce, state of Minnesota, pursuant to paragraph 7, to exercise its option to administer claims pursuant to paragraph 8, then the self-insurer's security fund will assume the payments of the workers' compensation obligations of the principal pursuant to Minnesota Statutes, chapter 176. The surety shall pay, within 30 days of the receipt of the notification by the commissioner of commerce, state of Minnesota, pursuant to paragraph 7, to the self-insurer's security fund as an initial deposit an amount equal to ten percent of the penal sum of the bond, and shall thereafter, upon notification from the security fund that the balance of the initial deposit had fallen to one percent of the penal sum of the bond, remit to the security fund an amount equal to the payments made by the security fund in the three calendar months immediately preceding said notification. All such payments will be a charge against the penal sum of the bond.

11. Disputes concerning the posting, renewal, termination, exoneration, or return of all or any portion of the principal's security deposit or any liability arising out of the posting or failure to post security, or the adequacy of the security or the reasonableness of administrative costs, including legal costs, arising between or among a surety, the issuer of an agreement of assumption and guarantee of workers' compensation liabilities, the issuer of a letter of credit, any custodian of the security deposit, the principal, or the self-insurers' security fund shall be resolved by the commissioner of commerce pursuant to Minnesota Statutes, chapter 176 and sections 79A.01 to 79A.17 and Laws 1988, chapter 674, section 23.

### Sec. 8. [79A.165] [MUTUAL SELF-INSURERS' SECURITY FUND.]

<u>Subdivision 1.</u> [CREATION.] The <u>mutual self-insurers' security fund is established as a nonprofit corporation under</u> <u>chapter 317. If any provision of this chapter conflicts with chapter 317, this chapter applies. Each group insurer and</u> <u>each mutual self-insurance pool that is established after July 1, 1994, shall participate as a member of this security</u> <u>fund. This participation is a condition of maintaining its certificate to self-insure.</u>

Mutual self-insurance pools shall not be required to participate in the self-insurers' security fund.

<u>Subd. 2.</u> [BOARD OF TRUSTEES.] The security fund shall be governed by a nine-member board of trustees. Five of the trustees shall be representatives of private self-insurers who shall be elected by the members of the security fund, other than group self-insurers, each member having one vote. One of the trustees shall be a representative of the private group self-insurers who shall be elected by the members of the security fund who are group self-insurers, each group having one vote. Three of the trustees, including the group self-insurer trustee, initially elected by the members shall serve two-year terms, and three shall serve four-year terms. Thereafter, trustees shall be elected to four-year terms, and shall serve until their successors are elected and assume office pursuant to the bylaws of the security fund. Three additional trustees shall be appointed by the commissioner. Two of these trustees shall serve four-year terms, and shall serve until their successors are appointed and assume office pursuant to the bylaws of the security fund. In addition to the nine trustees elected by the members or appointed by the commissioner, the commissioner of labor and industry or the commissioner's designee shall be an ex officio, nonvoting member of the board of trustees. A member of the board of trustees may designate another person to act in the member's place as though the member were acting and the designee's actions shall be deemed those of the member.

<u>Subd. 3.</u> [BYLAWS.] The security fund shall establish bylaws and a plan of operation, subject to the prior approval of the commissioner, necessary to the purposes of this chapter and to carry out the responsibilities of the security fund. The security fund may carry out its responsibilities directly or by contract, and may purchase services and insurance and borrow funds as it deems necessary for the protection of the members and their employees.

<u>Subd. 4.</u> [CONFIDENTIAL INFORMATION.] The security fund may receive private data concerning the financial condition of private self-insurers whose liabilities to pay compensation have become its responsibility and shall adopt bylaws to prevent dissemination of that information.

Subd. 5. [EMPLOYEES.] Security fund employees are not state employees and are not subject to any state civil service regulations.

<u>Subd. 6.</u> [MUTUAL SELF-INSURANCE POOL REQUIREMENTS.] <u>A mutual self-insurance pool is subject to all</u> the requirements of a group self-insurer, except that a mutual self-insurance pool may:

(1) consist of two or more employers in the same industry, or located in the same geographical area or having any other reasonable basis for affiliating to self-insure;

(2) demonstrate the initial financial condition of its members by means of compilation level financial standards;

(3) select a retention level with the workers' compensation reinsurance association of no more than \$100,000; or

(4) use personal guarantees of individual owners or shareholders of members, clean letters of credit, reinsurance, or similar means to allow pools and pool members to satisfy financial requirements.

<u>A mutual self-insurance pool must provide in its bylaws or plan of operation for the active involvement and oversight by the board of directors or committees composed of members appointed by the board of directors, in the operation, risk management, member selection, and financial condition of the pool.</u>

The commissioner shall also provide that in at least the first three years of the pool's operation, the oversight and review of the department of commerce must be increased.

<u>Subd. 7.</u> [APPLICATION OF LAW.] <u>The provisions of this chapter and the rules adopted under it that apply to</u> the security fund created in section 79A.09 apply to the mutual self-insurers' security fund and shall be construed in a manner consistent with this subdivision.

## Sec. 9. [COMMISSIONER OF COMMERCE; REVIEW OF GROUP INSURANCE POOLS.]

The commissioner shall review all other requirements for group insurance and determine which provide barriers to formation of pools. The commissioner shall consider which of these requirements may be waived or reduced and replaced by simple alternative tests that protect members, including but not limited to, increased audits and review by the department of commerce. The commissioner shall propose legislative amendments and rule amendments as are necessary to effect these changes. The commissioner shall have the authority until July 1, 1995, to waive any financial or other requirement for the formation of mutual self-insurance pools which the commission considers to be a hindrance to their formation and for which adequate alternative safeguards are available. The commission may impose other alternative requirements the commissioner considers appropriate.

#### Sec. 10. [INFORMATIONAL MEETINGS.]

The commissioners of commerce and trade and economic development shall between June 1, 1994 and October 1, 1994, hold at least eight informational meetings throughout the state of Minnesota to inform employers of the availability of mutual self-insurance pools and to assist them in forming pools. Both agencies shall continue to provide this assistance after these initial meetings in the normal course of their operations.

The Minnesota workers' compensation insurance association, department of labor and industry, and workers' compensation reinsurance association assigned risk plan shall assist the departments by providing them with the names and addresses of all employers known to them. The commissioners shall mail notice of the meetings to all employers so identified.

Sec. 11. [MUTUAL SELF-INSURERS' SECURITY FUND MEMBERSHIP; WITHDRAWAL FROM SELF-INSURERS' SECURITY FUND.]

Any group self-insurer that is a member of the self-insurers' security fund on January 1, 1995, may elect to withdraw from that fund and become a member of the mutual self-insurers' security fund. This does not relieve them of any obligation to that fund that they would be responsible for during the period of their membership in the self-insurers' security fund. In applying the assessment limitation of section 79A.12, pools withdrawing from the self-insurers' security fund shall combine the assessments from both funds. If the combined assessments exceed the limitation of section 79A.12, the group self-insurers shall pay each fund their pro rata portion of the combined assessment.

All group self-insurers established after January 1, 1995, shall be members of the mutual self-insurers' security fund. Notwithstanding Minnesota Statutes, section 79.34, subdivision 2, the workers' compensation reinsurance association shall establish a retention limit for mutual self-insurance pools of no greater than \$100,000. This does not preclude the use of higher retention limits if the members of a self-insurance pool agree to those higher limits.

Sec. 12. [EFFECTIVE DATE.]

#### Sections 2, 4, and 8 to 11 are effective the day following final enactment.

## ARTICLE 2

## INSURANCE RATE REGULATION

Section 1. Minnesota Statutes 1992, section 79.01, subdivision 1, is amended to read:

Subdivision 1. [TERMS.] Unless the language or context clearly indicates that a different meaning is intended, the following terms, for the purposes of sections 79.01 to 79.211 this chapter, shall have the meanings ascribed to given them.

Sec. 2. Minnesota Statutes 1992, section 79.074, is amended by adding a subdivision to read:

<u>Subd. 3.</u> [UNFAIRLY DISCRIMINATORY.] <u>A rate, rating plan, or schedule of rates is unfairly discriminatory in relation to another if it clearly fails to reflect equitably the differences in expected losses, expenses, and the degree of risk. Rates, rating plans, or schedules of rates are not unfairly discriminatory because different premiums result for policyholders with like loss exposures but different expense factors, or like expense factors but different loss exposures, so long as the rates, rating plan, or schedule of rates reflect the differences with reasonable accuracy.</u>

Sec. 3. Minnesota Statutes 1992, section 79.074, is amended by adding a subdivision to read:

<u>Subd. 4.</u> [EXCESSIVENESS.] <u>Rates, rating plans, or schedules of rates are excessive if the expected underwriting profit, together with expected income from invested reserves for the market in question, that would accrue to an insurer would be unreasonable in relation to the risk undertaken by the insurer in transacting the business.</u>

Sec. 4. Minnesota Statutes 1992, section 79.074, is amended by adding a subdivision to read:

Subd. 5: [INADEQUACY.] Rates, rating plans, or schedules of rates are inadequate if, together with the investment income associated with an insurer's Minnesota workers' compensation insurance business, they are insufficient to sustain projected losses and expenses of the insurer and if their continued use could lead to an insolvent situation for the insurer.

Sec. 5. Minnesota Statutes 1992, section 79.074, is amended by adding a subdivision to read:

Subd. 6. [FLEXIBLE RANGE OF RATES.] An insurer may write insurance at rates that are lower than the rates approved by the commissioner if the rates are not unfairly discriminatory.

Sec. 6. [79.254] [PRIOR RATES.]

<u>Subdivision 1.</u> [PRESUMPTION.] <u>Rates, schedules of rates, and rating plans that have been filed with the commissioner before January 1, 1994, are conclusively presumed to satisfy the requirements of this article until the initial schedule of rates has been approved by order of the commissioner.</u>

Subd. 2. [FILING.] If a rate was not filed by an insurer before the effective date of this section, an insurer may file a rate for any classification for which a rate was not previously filed. The rate shall not be used until it is approved by the commissioner. The commissioner may approve a rate up to the rate level approved for use by the assigned risk plan for that rate class. The rates may remain in force until the commissioner has approved a schedule of rates under section 9. If the commissioner disapproves of any rate or rating plan pursuant to authority granted in this subdivision, the disapproval shall not be subject to chapter 14 and the decision shall be final.

Subd. 3. [APPROVAL.] Until the commissioner issues an order approving a schedule of rates under section 9, an insurer may not, through the use of any rating plan, charge a rate higher than the rates applicable to the insurer under subdivision 1 or 2. This subdivision does not prohibit the use of approved experience rate plans or retrospective rating plans that have been adopted in the filed rates by insurers, the assigned risk plan, or a data service organization. This section does not prohibit the adjustment of a schedule of rates to reflect adjustments in the assessment rate for the special compensation fund, any adjustment in the assessment for the assigned risk plan pursuant to section 79.251, subdivision 5, any adjustment in the assessment for the Minnesota insurance guarantee association pursuant to section 60C.05, or any other assessment required by law.

Subd. 4. [INTERIM RATES.] <u>Rates, schedules of rates, and rating plans filed after December 31, 1993, may not be</u> used after the effective date of this article and the rates, schedules of rates, and rating plans in effect prior to January 1, 1994, are reinstated.

<u>Subd. 5.</u> [EFFECTIVE DATE.] <u>This section shall apply only to policies issued or renewed to be effective after the effective date of this section.</u>

Sec. 7. Minnesota Statutes 1992, section 79.50, is amended to read:

79.50 [PURPOSES.]

The purposes of chapter 79 are to:

(a) Promote public welfare by regulating insurance rates so that premiums are not excessive, inadequate, or unfairly discriminatory;

(b) Promote quality and integrity in the data bases used in workers' compensation insurance ratemaking;

(c) Prohibit price fixing agreements and anticompetitive behavior by insurers; and

(d) Promote price competition and provide rates that are responsive to competitive market conditions;

(e) Provide a means of establishment of proper rates if competition is not effective;

(f) Define the function and scope of activities of data service organizations;

(g) Provide for an orderly transition from regulated rates to competitive market conditions; and

(h) Encourage insurers to provide alternative innovative methods whereby employers can meet the requirements imposed by section 176.181.

Sec. 8. Minnesota Statutes 1992, section 79.59, is amended to read:

79.59 [INSURERS AND, DATA SERVICE ORGANIZATIONS, <u>AND</u> <u>RATING</u> <u>ASSOCIATIONS</u>; PROHIBITED ACTIVITIES.]

Subdivision 1. [MONOPOLIZATION.] No insurer or data service organization or rating association shall attempt to monopolize or combine or conspire with any other person to monopolize the business of insurance.

Subd. 2. [AGREEMENT PROHIBITED.] No insurer shall agree with any other insurer, <u>rating association</u>, or with a data service organization to adhere to or to use any rate, rating plan, rating schedule, rating rule, or underwriting rule except as specifically authorized by this chapter or for the purpose of creating experience modifications for employers with employees in more than one state.

Subd. 3. [TRADE RESTRAINT.] No insurer, <u>rating association</u>, or data service organization shall make an agreement with any other insurer, data service organization, or other person which has the purpose or the effect of restraining trade or of substantially lessening competition.

Subd. 4. [EXCEPTIONS.] The fact that insurers writing not more than 25 percent of the workers' compensation premiums in Minnesota use the same rates, rating plans, rating schedules, rating rules, underwriting rules, or similar materials shall not alone constitute a violation of subdivision 1 or 2.

Two or more insurers under common ownership or operating under common management or control may act in concert between or among themselves with respect to matters authorized under this chapter as if they constituted a single insurer, provided that the rating plan of such insurers shall be considered to be a single plan for the purposes of determining unfair discrimination.

Subd. 5. [ADDITIONAL PROHIBITION.] In addition to other prohibitions contained in this chapter, no data service organization or rating association shall:

(a) Refuse to supply any service for which it is licensed or any data, except for data identifiable to an individual insurer, to any insurer authorized to do business in this state which offers to pay the usual compensation for the service or data;

(b) Require the purchase of any specific service as a condition to obtaining any other services sought;

(c) Participate in the development or distribution of rates, rating plans, or rating rules except as specifically authorized by this chapter or by rules adopted pursuant to this chapter; or

(d) Refuse membership to any licensed insurer.

Sec. 9. [79.71] [RATES; HEARINGS.]

<u>Subdivision 1.</u> [PETITION FOR ADOPTION OF RATE SCHEDULE.] (a) The commissioner shall adopt a schedule of workers' compensation insurance rates for use in this state for each classification under which business is written. The schedule of rates shall not be excessive, inadequate, or unfairly discriminatory.

(b) In adopting a schedule of rates, the commissioner may act on the written petition of the association, the department of labor and industry, or any other interested party who requests that a hearing be held to adopt a schedule of rates. Upon receipt of a petition requesting a hearing for adoption of a schedule of rates, the commissioner

shall determine whether the petition sufficiently sets forth facts that show that the existing schedule of rates is excessive, inadequate, unfairly discriminatory, or otherwise in need of modification so as to indicate the need to hold a hearing. If the association is a petitioner, the commissioner may decline to grant a hearing if the association has failed to provide information requested by previous orders that modify the schedule of rates, if the request was reasonable. The commissioner may accept or reject the petition for a hearing and shall give notice of a determination to the petitioning party. If the commissioner rejects the petition, the commissioner shall notify the petitioning party of the reasons for the rejection.

<u>Subd. 2.</u> [HEARING.] (a) The commissioner shall determine, within 90 days of receipt of the petition whether to accept or reject the petition. If the commissioner accepts the petition for hearing, the commissioner shall order a hearing on matters set forth in the petition. The hearing shall be held pursuant to the contested case procedures in chapter 14. The burden of proof is on the petitioning party.

(b) The commissioner shall forward a copy of the order for hearing to the chief administrative law judge. The chief administrative law judge must, within 30 days of the receipt of the order, set a hearing date, assign an administrative law judge to hear the matter, and notify the commissioner of the hearing date and the administrative law judge assigned to hear the matter. The commissioner shall publish notice of the hearing in the State Register at least 20 days before the hearing date. Approval of the notice before publication by the administrative law judge is not required.

(c) The administrative law judge may admit without the traditional evidentiary foundation documentary and statistical evidence accepted and relied on by an expert whose expertise is related to workers' compensation rate matters. An employer, person representing a group of employers, or other person that will be directly affected by a change in an insurer's existing rate level or rating plan, and the commissioner of labor and industry, must be allowed to intervene and participate in any hearing to challenge the rate level or rating plan as being excessive, inadequate, or unfairly discriminatory.

(d) The report of the administrative law judge must be issued within 180 days from the date of receipt of the order by the chief administrative law judge. Within 60 days of the completion of the hearing, the administrative law judge must submit a report to the commissioner. The parties, or the administrative law judge if the parties cannot agree, shall adjust all time requirements under the contested case procedures to conform with the time requirements set forth in this subdivision. After the close of the hearing record, the administrative law judge shall transmit to the commissioner the entire record of the hearing, including the transcript, exhibits, and all other material properly accepted into evidence, together with the finding of facts, conclusions, and recommended order made by the administrative law judge. The time for submitting the report may be extended by the chief administrative law judge for good cause.

<u>Subd. 3.</u> [HEARING DETERMINATION.] <u>The commissioner may accept, reject, or modify, in whole or in part,</u> <u>matters raised in the petition for adoption of the schedule of rates or matters raised in the findings and</u> <u>recommendations of the administrative law judge.</u> The commissioner's determination shall be based upon substantial <u>evidence.</u> The commissioner of commerce is an interested party if the commissioner's decision is appealed.

<u>Subd. 4.</u> [DEADLINE FOR DETERMINATION.] <u>The commissioner shall make a final determination with respect</u> to <u>adoption</u> of a <u>schedule of rates within 90 days after receipt of the administrative law judge's report. If the</u> <u>commissioner fails to act within the 90-day period, the findings, conclusions, and recommended order of the</u> <u>administrative law judge become the final order of the commissioner on the 91st day after receipt.</u>

<u>Subd. 5.</u> [CONSULTANTS; COMMISSIONER OF COMMERCE.] <u>The commissioner of commerce may hire</u> consultants, including a consulting actuary and other experts, deemed necessary to assist in the establishment or modification of the schedule of rates.

<u>Subd. 6.</u> [CONSULTANTS; ADMINISTRATIVE JUDGES.] <u>The office of administrative hearings, upon approval</u> of the chief administrative law judge, may hire consultants necessary to assist the administrative law judge assigned to a workers' compensation rate proceeding.

<u>Subd. 7.</u> [APPOINTMENT OF ACTUARY.] The commissioner of commerce shall employ the services of a casualty actuary experienced in workers' compensation whose duties shall include but not be limited to investigation of complaints by insured parties about rates, rate classifications, or the discriminatory practices of an insurer. The salary of the actuary employed pursuant to this section is not subject to the provisions of section 43A.17, subdivision 1.

## Sec. 10. [79.72] [PETITION FOR REHEARING.]

<u>Subdivision 1.</u> [PETITION CONTENTS.] Any party may petition the commissioner for rehearing and reconsideration of a determination made under section 9. The petition for rehearing and reconsideration shall be served on the commissioner and all parties to the rate hearing within 30 days after service of the commissioner's final order. The petition shall set forth factual grounds in support of the petition. Any party adversely affected by a petition for review and reconsideration has 15 days to respond to factual matters alleged in the petition.

<u>Subd. 2.</u> [GRANT OF REHEARING.] <u>The commissioner may grant a rehearing upon the filing of a petition under</u> <u>subdivision 1. On rehearing, the commissioner may limit the scope of factual matters that are subject to rehearing and</u> <u>reconsideration</u>. <u>The rehearing is subject to the provisions of this section</u>.

Subd. 3. [MODIFICATION OF ORDER.] Following rehearing, the commissioner may modify the terms of the initial order adopting a change in the schedule of rates upon a determination that adequate factual grounds exist to support modification. Adequate factual grounds include, but are not limited to, erroneous testimony by any witness or party to the hearing, a material change in Minnesota loss or expense data that occurs after a petition for adoption of the schedule of rates has been filed, or any other mistake of fact that has a substantial effect upon the schedule of rates adopted in prior orders of the commissioner.

Sec. 11. [79.73] [JUDICIAL REVIEW.]

Final orders of the commissioner pursuant to sections 9 and 11 are subject to judicial review pursuant to sections 14.63 to 14.69 but shall remain in effect during the pendency of any appeal.

## Sec. 12. [79.74] [INTERIM SCHEDULE OF RATES.]

(a) The rating association, the commissioner of labor and industry, or any interested party may file a petition for an adjustment in the schedule of rates when there has been a law change in the benefit payable under chapter 176. "Law change" means only statutory changes or supreme court decisions. When a petition for a change in the schedule of rates due to a law change is received by the commissioner, the commissioner shall review the petition for up to 30 days to determine if it presents facts that warrant a hearing. If the commissioner accepts a petition for hearing, it shall be conducted pursuant to the contested case procedures in chapter 14.

(b) The chief administrative law judge shall assign an administrative law judge to hear a petition for a change in the schedule of rates within 30 days. The administrative law judge shall conclude the hearing within 60 days of assignment by the chief administrative law judge and file findings of fact, conclusions of law, and a proposed order with the commissioner within 30 days of concluding the hearing. The administrative law judge shall, after the close of the record, file a report with recommendations in the same manner as in section 9. The time for holding the hearing and filing the report with the commissioner may be extended by the chief administrative law judge upon a showing of good cause for an additional 30 days.

(c) The commissioner's order may affirm, reverse, or modify the findings and order of the administrative law judge. The petitioning party shall have the burden of proof in any hearing held pursuant to this subdivision. Interim rate hearings are available only for changes in the schedule of workers' compensation rates that result from law changes. All evidentiary, procedural, and review standards in section 9 shall apply to interim rate hearings, except the time requirements in this subdivision.

(d) Interim rate hearings are subject to judicial review pursuant to chapter 14, except that the commissioner's interim rate order shall remain in effect during the pendency of any appeal by any party. The commissioner is an interested party if the commissioner's decision is appealed pursuant to chapter 14.

(e) Interim rate hearings may only be held after an initial schedule of rates has been approved by the commissioner unless requested by the commissioner of labor and industry.

## Sec. 13. [79.75] [AUTOMATIC ADJUSTMENT OF RATES.]

(a) The commissioner shall adopt a rule to establish a mechanism to automatically adjust a schedule of rates to reflect benefit changes mandated by operation of law after the most recent change in the schedule of rates, an adjustment in the assessment rate for the special compensation fund, any adjustment in the assessment for the assessment for the assessment for the assessment for the most recent in the assessment for the mission 5, any adjustment in the assessment for the Minnesota insurance guaranty association pursuant to section 60C.05, or any other assessment required by law.

(b) At each rate hearing held pursuant to section 9 or rehearing pursuant to section 10, following an automatic adjustment, the commissioner shall review the rate adjustment to assure that the schedule of rates adopted after the adjustment are not excessive, inadequate, or unfairly discriminatory. If the commissioner finds that the schedule of rates adopted after the adjustment are excessive, inadequate, or unfairly discriminatory, the commissioner shall order appropriate remedial action.

Sec. 14. [79.76] [INSURERS SHALL BE MEMBERS OF ASSOCIATION.]

Every insurer that issues workers' compensation insurance in this state shall be a member of the association, known as the Minnesota Insurers Rating Association, organized under section 15, to be maintained in this state for the following purposes:

(1) to separate the industries of this state that are subject to workers' compensation insurance into proper classes for compensation insurance purposes;

(2) to inspect compensation risks and establish the merit and experience rating system approved for use in this state;

(3) to establish charges and credits under the system;

(4) to report all facts affecting compensation insurance risks and those necessary for approving policies of compensation insurance as conforming with classifications, rates, and rating plans previously promulgated by the association and approved by the commissioner; and

(5) to assist the commissioner and insurers in determining rates, hazards, and other material facts in connection with compensation risks, and to assist in promoting safety in the industries.

Sec. 15. [79.77] [ORGANIZATION OF ASSOCIATION.]

The association shall adopt articles of incorporation, bylaws, and a plan of operation. The articles, bylaws, and plan of operation and all amendments shall be filed with, and approved by, the commissioner and shall not be effective until filed and approved. The association shall admit to membership any insurer authorized to transact workers' compensation insurance in this state. The charges and service of the association shall be fixed in the articles or bylaws and shall be equitable and nondiscriminatory as between members. The initial articles, bylaws, and plan of operation shall be filed with the commissioner no later than January 1, 1995. If the initial articles, bylaws, and plan of operation are not filed by January 1, 1995, the commissioner shall adopt the initial articles, bylaws, and plan of operation.

Sec. 16. [79.78] [EXPENSE; HOW PAID.]

Each member of the association shall pay an equitable and nondiscriminatory share of the cost of operating the association. If the members of the association cannot agree upon an apportionment of cost, any member may in writing petition the commissioner to establish a basis for apportioning the cost. If any member is aggrieved by an apportionment made by the association, it may in writing petition the commissioner for a review of the apportionment. The commissioner shall, upon not less than five days' notice to each member of the association, hold a hearing on any petition. All members are entitled to be present and to be heard. The commissioner shall determine the matter and mail a copy of the determination to each member of the association. The decision of the commissioner shall be final and binding upon all members of the association.

Sec. 17. [79.79] [BOARD OF DIRECTORS.]

(a) A board of directors of the rating association is created and is responsible for the operation of the rating association consistent with the plan of operation and this chapter. The board consists of 13 directors. Five directors shall represent insurers; two directors shall represent employees; three directors shall represent employees; one director shall represent small employers as defined in section 177.24; and two directors shall represent the public. Insurer members of the rating association shall elect the directors who represent insurers; employer members shall be selected one each by the Minnesota Business Partnership and the Minnesota Chamber of Commerce and Industry; employee members shall be selected one each by the Commissioner of labor and industry; and the public directors shall be selected by the commissioner of labor and industry; and the public directors shall be selected by the governor.

Each director is entitled to one vote. Terms of the directors shall be two years. The board shall select a chair and other officers it deems appropriate.

(b) A majority of the directors currently holding office constitutes a quorum. Action may be taken by a majority vote of the directors present.

The board shall take reasonable and prudent action regarding the management of the rating association including but not limited to the management of the daily affairs of the rating association.

(c) The initial board of directors shall consist of the current board of directors of the data service organization authorized by section 79.62 who shall serve until their current data service organization terms expire.

Sec. 18. [79.80] [PLAN OF OPERATION.]

Subdivision 1. [PROVISIONS.] The plan of operation shall provide for all of the following:

(a) the establishment of necessary facilities;

(b) the management and operation of the rating association;

(c) a preliminary assessment, payable by each member in proportion to its total premium in the year preceding the inauguration of the rating association, for initial expenses necessary to commence operation of the rating association;

(d) procedures governing the actual payment of assessments to the rating association;

(e) reimbursement of each member of the board by the rating association for actual and necessary expenses incurred on rating association business; and

(f) any other matters required by or necessary to effectively implement this chapter.

Subd. 2. [AMENDMENTS.] (a) The plan of operation shall be subject to approval by the commissioner after consultation with the members of the association, representatives of the public, and other affected individuals and organizations. If the commissioner disapproves all or part of the proposed plan of operation, the directors shall within 15 days submit for review all or part of an appropriate revised plan of operation. If a revised plan is not submitted within 15 days, the commissioner shall promulgate all or part of a plan of operation. The plan of operation approved or promulgated by the commissioner shall become effective and operational upon order of the commissioner.

Subd. 15. [OCCUPATIONAL DISEASE.] (a) "Occupational disease" means a disease arising out of and in the course of employment peculiar to the occupation in which the employee is engaged and due to causes in excess of the hazards ordinary of employment and shall include undulant fever. Ordinary diseases of life to which the general public is equally exposed outside of employment are not compensable, except where the diseases follow as an incident of an occupational disease, or where the exposure peculiar to the occupation makes the disease an occupational disease hazard. A disease arises out of the employment only if there be a direct causal connection between the conditions under which the work is performed and if the occupational disease follows as a natural incident of the work as a result of the exposure occasioned by the nature of the employment. An employer is not liable for compensation for any occupational disease which cannot be traced to the employment as a direct and proximate cause and is not recognized as a hazard characteristic of and peculiar to the trade, occupation, process, or employment or which results from a hazard to which the worker would have been equally exposed outside of the employment. of any county, or the employer of the emergency medical services personnel as defined in section 144.761, subdivision 5, clauses (1) and (3), which examination and report negatived any evidence of myocarditis, coronary sclerosis, pneumonia or its sequel, the disease is presumptively an occupational disease and shall be presumed to have been due to the nature of employment. If immediately preceding the date of disablement or death, any individual who by nature of their position provides emergency medical care, or an employee who was employed as a licensed police officer under section 626.84, subdivision 1; firefighter; paramedic; emergency medical technician; or licensed nurse providing emergency medical care; and who contracts an infectious or communicable disease to which the employee was exposed in the course of employment outside of a hospital, then the disease is presumptively an occupational disease and shall be presumed to have been due to the nature of employment and the presumption may be rebutted by substantial factors brought by the employer or insurer.

(c) A firefighter on active duty with an organized fire department who is unable to perform duties in the department by reason of a disabling cancer of a type caused by exposure to heat, radiation, or a known or suspected carcinogen, as defined by the International Agency for Research on Cancer, and the carcinogen is reasonably linked to the disabling cancer, is presumed to have an occupational disease under paragraph (a). If a firefighter who enters the service after August 1, 1988, is examined by a physician prior to being hired and the examination discloses the existence of a cancer of a type described in this paragraph, the firefighter is not entitled to the presumption unless a subsequent medical determination is made that the firefighter no longer has the cancer.

If, at the time of the injury, the employee was regularly employed by two or more employers, the employee's days of work for all such employments shall be included in the computation of weekly wage. Occasional overtime is not to be considered in computing the weekly wage, but if overtime is regular or frequent throughout the year it shall be taken into consideration. The maximum weekly compensation payable to an employee, or to the employee's dependents in the event of death, shall not exceed 66-2/3 percent of the product of the daily wage times the number of days normally worked, provided that the compensation payable for permanent partial disability under section 176.101, subdivision 3 3v, and for permanent total disability under section 176.101, subdivision 4, or death under section 176.111, shall not be computed on less than the number of hours normally worked in the employment or industry in which the injury was sustained, subject also to such maximums as are specifically otherwise provided.

If doubt exists as to the eventual permanent partial disability, payment for the economic recovery compensation or impairment compensation, whichever is due, pursuant to section 176.101, shall be then made when due for the minimum permanent partial disability ascertainable, and further payment shall be made upon any later ascertainment of greater permanent partial disability. Economic recovery compensation or impairment compensation Permanent partial disability compensation is payable for functional loss of use or impairment of function, permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation, subject to section 176.101. The right to receive temporary total, temporary partial, or permanent total disability payments vests in the injured employee or the employee's dependents under this chapter or, if none, in the employee's legal heirs at the time the disability can be ascertained and the right is not abrogated by the employee's death prior to the making of the payment.

The right to receive economic recovery compensation or impairment compensation permanent partial disability compensation vests in an injured employee at the time the disability can be ascertained provided that the employee lives for at least 30 days beyond the date of the injury. Impairment compensation is payable under this paragraph if vesting has occurred, the employee dies prior to reaching maximum medical improvement, and the requirements and conditions under section 176.101, subdivision 3e, are not met.

Disability ratings for permanent partial disability shall be based on objective medical evidence.

Sec. 8. Minnesota Statutes 1992, section 176.101, subdivision 1, is amended to read:

Subdivision 1. [TEMPORARY TOTAL DISABILITY.] (a) For injury producing temporary total disability, the compensation is 66-2/3 percent of the weekly wage at the time of injury.

(b) During the year commencing on October 1, 1992, and each year thereafter, the maximum weekly compensation payable is 105 percent of the statewide average weekly wage for the period ending December 31 of the preceding year.

(c) The minimum weekly compensation payable is 20 percent of the statewide average weekly wage for the period ending December 31 of the preceding year or the injured employee's actual weekly wage, whichever is less.

(d) <u>Subject to subdivisions 3a to 3u</u> This compensation shall be paid during the period of disability, <u>except as</u> <u>provided in this section</u>, payment to be made at the intervals when the wage was payable, as nearly as may be.

(e) Except as provided in section 176.102, subdivision 11, paragraph (b), temporary total disability compensation may not be paid for more than 100 weeks of actual payment, regardless of when payment is made.

Sec. 9. Minnesota Statutes 1992, section 176.101, subdivision 2, is amended to read:

Subd. 2. [TEMPORARY PARTIAL DISABILITY.] (a) In all cases of temporary partial disability the compensation shall be 66-2/3 percent of the difference between the weekly wage of the employee at the time of injury and the wage the employee is able to earn in the employee's partially disabled condition. This compensation shall be paid during the period of disability except as provided in this section, payment to be made at the intervals when the wage was payable, as nearly as may be, and subject to the maximum rate for temporary total compensation.

(b) Except as provided under subdivision 3k in paragraph (e), temporary partial compensation may be paid only while the employee is employed, earning less than the employee's weekly wage at the time of the injury, and the reduced wage the employee is able to earn in the employee's partially disabled condition is due to the injury.

(c) Except as provided in section 176.102, subdivision 11, paragraph (b), temporary partial compensation may not be paid for more than 225 350 weeks, or after 450 weeks after the date of injury, whichever occurs first of actual payment, regardless of when payment is made.

(c) (d) Temporary partial compensation must be reduced to the extent that the wage the employee is able to earn in the employee's partially disabled condition plus the temporary partial disability payment otherwise payable under this subdivision exceeds 500 percent of the statewide average weekly wage.

(e) An employee who is not employed may receive temporary partial disability only if the employee is not eligible for temporary total disability and the employee is medically disabled from working because of the injury.

Sec. 10. Minnesota Statutes 1992, section 176.101 is amended by adding a subdivision to read:

<u>Subd. 3v.</u> [PERMANENT PARTIAL DISABILITY.] <u>An employee who suffers a permanent partial disability due</u> to a personal injury shall receive compensation in an amount as provided by this subdivision. The amount shall be equal to the proportion that the loss of function of the disabled part bears to the whole body multiplied by \$110,000. Payments for permanent disability of more than one body part due to a personal injury in a single occurrence may not exceed 100 percent of the whole body.

Sec. 11. Minnesota Statutes 1992, section 176.101, subdivision 4, is amended to read:

Subd. 4. [PERMANENT TOTAL DISABILITY.] For permanent total disability, as defined in subdivision 5, the compensation shall be 66-2/3 percent of the daily wage at the time of the injury, subject to a maximum weekly compensation equal to the maximum weekly compensation for a temporary total disability and a minimum weekly compensation equal to the minimum weekly compensation for a temporary total disability. This compensation shall be paid during the permanent total disability of the injured employee but after a total of \$25,000 of weekly compensation has been paid, the amount of the weekly compensation benefits being paid by the employer shall be reduced by the amount of any disability benefits being paid by any government disability benefit program if the disability benefits are occasioned by the same injury or injuries which give rise to payments under this subdivision. This reduction shall also apply to any old age and survivor insurance benefits. Payments shall be made at the intervals when the wage was payable, as nearly as may be. In case an employee who is permanently and totally

disabled becomes an inmate of a public institution, no compensation shall be payable during the period of confinement in the institution, unless there is wholly dependent on the employee for support some person named in section 176.111, subdivision 1, 2 or 3, in which case the compensation provided for in section 176.111, during the period of confinement, shall be paid for the benefit of the dependent person during dependency. The dependency of this person shall be determined as though the employee were deceased. <u>Permanent total disability ends at retirement</u>. There is a presumption that an employee is retired at age 72.

Sec. 12. Minnesota Statutes 1992, section 176.101, subdivision 6, is amended to read:

Subd. 6. [MINORS; APPRENTICES.] (a) If any employee entitled to the benefits of this chapter is an apprentice of any age and sustains a personal injury arising out of and in the course of employment resulting in permanent total or a compensable permanent partial disability, for the purpose of computing the compensation to which the employee is entitled for the injury, the compensation rate for temporary total, temporary partial, <u>or</u> a permanent total disability <del>or economic recovery compensation</del> shall be the maximum rate for temporary total disability under subdivision 1.

(b) If any employee entitled to the benefits of this chapter is a minor and sustains a personal injury arising out of and in the course of employment resulting in permanent total disability, for the purpose of computing the compensation to which the employee is entitled for the injury, the compensation rate for a permanent total disability shall be the maximum rate for temporary total disability under subdivision 1.

Sec. 13. Minnesota Statutes 1992, section 176.102, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] (a) This section applies only to vocational rehabilitation of injured employees and their spouses as provided under subdivision 1a. Physical rehabilitation of injured employees is considered treatment subject to section 176.135.

(b) Rehabilitation is intended to restore the injured employee so the employee may return to a job related to the employee's former employment or to a job in another work area which produces an economic status as close as possible to that the employee would have enjoyed without disability. Rehabilitation to a job with a higher economic status than would have occurred without disability is permitted if it can be demonstrated that this rehabilitation is necessary to increase the likelihood of reemployment. Economic status is to be measured not only by opportunity for immediate income but also by opportunity for future income.

(c) Rehabilitation consultations and services provided under this section or section 176.1351 must be provided or supervised by a qualified rehabilitation consultant.

Sec. 14. Minnesota Statutes 1992, section 176.102, is amended by adding a subdivision to read:

Subd. 1b. [DEFINITIONS.] For the purposes of this section, the terms defined in this subdivision have the meanings provided in this subdivision.

(a) [QUALIFIED EMPLOYEE.] "Qualified employee" means an employee who, because of the effects of a work-related injury or disease, whether or not combined with the effects of a prior injury or disability:

(1) is precluded or is likely to be precluded from engaging in the employee's usual and customary occupation or from engaging in the job the employee held at the time of injury;

(2) requires rehabilitation services in order to return to suitable gainful employment with the date of injury employer; and

(3) can reasonably be expected to return to suitable gainful employment only through the provision of rehabilitation services, considering the treating physician's opinion of the employee's work ability.

(b) [QUALIFIED REHABILITATION CONSULTANT.] "Qualified rehabilitation consultant" means a person who is professionally trained and experienced and who is registered by the commissioner to provide a rehabilitation consultation and to develop and implement an appropriate plan of rehabilitation services for an employee entitled to rehabilitation benefits under this section. A qualified rehabilitation consultant shall possess at least one of the following credentials:

(1) a baccalaureate degree and certification by the board of rehabilitation certification as a certified rehabilitation counselor or a certified insurance rehabilitation specialist;

(2) a baccalaureate degree and certification by the association of rehabilitation nurses as a certified rehabilitation registered nurse; or

(3) a baccalaureate degree and certification by the American Occupational Therapy Certification Board as a registered occupational therapist. Certification by the American Occupational Therapy Board must have been held for five years before registration by the commissioner.

Beginning January 1, 1995, a qualified rehabilitation consultant must be a current member of a professional rehabilitation organization that provides in its constitution or bylaws for a process of review by peers of its members' professional conduct and services.

(c) [REHABILITATION CONSULTATION.] <u>"Rehabilitation consultation" means a meeting of the employee and assigned qualified rehabilitation consultant to determine whether the employee is a qualified employee, as defined in paragraph (a) to receive rehabilitation services, as defined in paragraph (d), considering the treating physician's opinion of the employee's work ability.</u>

(d) [REHABILITATION SERVICES.] "Rehabilitation services" means a program of vocational rehabilitation, including medical management, designed to return an individual to work consistent with subdivision 1, paragraph (b). The program begins with the first in-person visit of the employee by the assigned qualified rehabilitation consultant, including a visit for purposes of a rehabilitation consultation. The program consists of the sequential delivery and coordination of services by rehabilitation providers under an individualized rehabilitation plan. Specific services under this program may include, but are not limited to, vocational evaluation, counseling, job analysis, job modification, job development, job placement, labor market survey, vocational testing, transferable skills analysis, work adjustment, job seeking skills training, on-the-job training, and retraining.

(e) [SUITABLE GAINFUL EMPLOYMENT.] "Suitable gainful employment" means employment that is reasonably attainable and offers an opportunity to restore the injured employee as soon as possible and as nearly as possible to employment that produces an economic status as close as possible to that which the employee would have enjoyed without the disability. Consideration must be given to the employee's former employment and the employee's qualifications, including, but not limited to, the employee's age, education, previous work history, interests, and skills.

Sec. 15. Minnesota Statutes 1992, section 176.102, subdivision 2, is amended to read:

Subd. 2. [ADMINISTRATORS.] The commissioner shall hire a director of rehabilitation services in the classified service. The commissioner shall monitor and supervise rehabilitation services, including, but not limited to, making determinations regarding the selection and delivery of rehabilitation services and the criteria used to approve qualified rehabilitation consultants and rehabilitation vendors. The commissioner may also make determinations regarding fees for rehabilitation services and shall by rule establish a fee schedule or otherwise limit fees charged by qualified rehabilitation consultants and vendors. The commissioner shall annually review the fees and give notice of any adjustment in the State Register. An annual adjustment is not subject to chapter 14. By March 1, 1993, the commissioner shall report to the legislature on the status of the commission's monitoring of rehabilitation services. The commissioner may hire qualified personnel to assist in the commissioner's duties under this section and may delegate the duties and performance.

Sec. 16. Minnesota Statutes 1992, section 176.102, subdivision 4, is amended to read:

Subd. 4. [REHABILITATION PLAN; DEVELOPMENT.] (a) A rehabilitation consultation must be provided by the employer to an injured employee upon request of the employee, the employer, or the commissioner. When the commissioner has received notice or information that an employee has sustained an injury that may be compensable under this chapter, the commissioner must notify the injured employee of the right to request a rehabilitation consultation to assist in return to work. The notice may be included in other information the commissioner gives to the employee under section 176.235, and must be highlighted in a way to draw the employee's attention to it. If a rehabilitation consultation is requested, the employer shall provide a qualified rehabilitation consultant. If the injured employee objects to the employer's selection, the employee may select a qualified rehabilitation consultant of the employee's own choosing within up until 60 days following the filing of a copy of the employee's rehabilitation plan with the commissioner. If the consultation indicates that rehabilitation services are not appropriate under subdivision 1, the employer shall notify the employee of this determination within 14 days after the consultation. The employer or insurer shall provide written notice to the injured employee within five days after the employee has 30 days of lost work time due to the injury that the employee has a right to request a rehabilitation consultation paid for by the employer.

(b) In order to assist the commissioner in determining whether or not to request rehabilitation consultation for an injured employee, an employer shall notify the commissioner whenever the employee's temporary total disability will likely exceed 13 weeks. The notification must be made within 90 days from the date of the injury or when the likelihood of at least a 13-week disability can be determined, whichever is earlier, and must include a current physician's report.

(c) The qualified rehabilitation consultant shall disclose in writing at the first meeting or written communication with the employee the employee's right under paragraphs (a) and (d) to select or request a qualified rehabilitation consultant and any ownership interest or affiliation between the firm which employs the qualified rehabilitation consultant and the employer, insurer, adjusting or servicing company, including the nature and extent of the affiliation or interest.

The consultant shall also disclose to all parties any affiliation, business referral or other arrangement between the consultant or the firm employing the consultant and any other party, attorney, or health care provider involved in the case.

(d) After the initial provision or selection of a qualified rehabilitation consultant as provided under paragraph (a), the employee may request a different qualified rehabilitation consultant which shall be granted or denied by the commissioner or compensation judge according to the best interests of the parties.

(e) The employee and employer shall enter into a program if one is prescribed in a rehabilitation plan within 30 days of the rehabilitation consultation if the qualified rehabilitation consultant determines that rehabilitation is appropriate. A copy of the plan, including a target date for return to work, shall be submitted to the commissioner within 15 days after the plan has been developed.

(f) If the employer does not provide rehabilitation consultation requested under paragraph (a), the commissioner or compensation judge shall notify the employer that if the employer fails to provide a qualified rehabilitation consultant within 15 days to conduct a rehabilitation consultation, the commissioner or compensation judge shall appoint a qualified rehabilitation consultant to provide the consultation at the expense of the employer unless the commissioner or compensation judge determines the consultation is not required.

(g) In developing a rehabilitation plan consideration shall be given to the employee's qualifications, including but not limited to age, education, previous work history, interest, transferable skills, and present and future labor market conditions.

(h) The commissioner or compensation judge may waive rehabilitation <u>consultations and</u> services under this section if the commissioner or compensation judge is satisfied that the employee will return to work in the near future or that rehabilitation services will not be useful in returning an employee to work. for a period of 180 days following the injury if:

(1) the injured employee is offered a job by the date of injury employer within 60 days of the injury;

(2) the job will begin within the 180-day period following the injury;

(3) the job offered is the date of injury job or other suitable gainful employment with the same employer; and

(4) the treating physician has approved the proposed job as being within the physical restrictions of the employee.

If a rehabilitation consultation is waived and the employer withdraws its job offer, the injured employee shall be entitled to a rehabilitation consultation and services provided by a qualified rehabilitation consultant of the injured employee's choice. The commissioner shall report annually to the workers' compensation advisory council the number of waivers granted and denied and the number of employers who obtain waivers and fail to take the injured employee back to work.

Sec. 17. Minnesota Statutes 1992, section 176.105, subdivision 2, is amended to read:

Subd. 2. [RULES; INTERNAL ORGANS.] The commissioner shall by rule establish a schedule of internal organs that are compensable and indicate in the schedule to what extent the organs are compensable under section 176.101, subdivision 3 <u>3v</u>.

Sec. 18. Minnesota Statutes 1992, section 176.105, subdivision 4, is amended to read:

Subd. 4. [LEGISLATIVE INTENT; RULES; LOSS OF MORE THAN ONE BODY PART.] (a) For the purpose of establishing a disability schedule pursuant to clause (b), the legislature declares its intent that the commissioner establish a disability schedule which, assuming the same number and distribution of severity of injuries, the aggregate total of impairment compensation and economic recovery compensation benefits under section 176.101, subdivisions 3a to 3u be approximately equal to the total aggregate amount payable for permanent partial disabilities under section 176.101, subdivision 3, provided, however, that awards for specific injuries under the proposed schedule need not be the same as they were for the same injuries under the schedule pursuant to section 176.101, subdivision 3. The schedule shall be determined by sound actuarial evaluation and shall be based on the benefit level which exists on January 1, 1983.

(b) The commissioner shall by rulemaking adopt procedures setting forth rules for the evaluation and rating of functional disability and the schedule for permanent partial disability and to determine the percentage of loss of function of a part of the body based on the body as a whole, including internal organs, described in section 176.101, subdivision 3, and any other body part not listed in section 176.101, subdivision 3, which the commissioner deems appropriate.

The rules shall promote objectivity and consistency in the evaluation of permanent functional impairment due to personal injury and in the assignment of a numerical rating to the functional impairment.

Prior to adoption of rules the commissioner shall conduct an analysis of the current permanent partial disability schedule for the purpose of determining the number and distribution of permanent partial disabilities and the average compensation for various permanent partial disabilities. The commissioner shall consider setting the compensation under the proposed schedule for the most serious conditions higher in comparison to the current schedule and shall consider 'decreasing awards for minor conditions in comparison to the current schedule.

The commissioner may consider, among other factors, and shall not be limited to the following factors in developing rules for the evaluation and rating of functional disability and the schedule for permanent partial disability benefits:

(1) the workability and simplicity of the procedures with respect to the evaluation of functional disability;

(2) the consistency of the procedures with accepted medical standards;

(3) rules, guidelines, and schedules that exist in other states that are related to the evaluation of permanent partial disability or to a schedule of benefits for functional disability provided that the commissioner is not bound by the degree of disability in these sources but shall adjust the relative degree of disability to conform to the expressed intent of clause (a);

(4) rules, guidelines, and schedules that have been developed by associations of health care providers or organizations provided that the commissioner is not bound by the degree of disability in these sources but shall adjust the relative degree of disability to conform to the expressed intent of clause (a);

(5) the effect the rules may have on reducing litigation;

(6) the treatment of preexisting disabilities with respect to the evaluation of permanent functional disability provided that any preexisting disabilities must be objectively determined by medical evidence; and

(7) symptomatology and loss of function and use of the injured member.

The factors in paragraphs (1) to (7) shall not be used in any individual or specific workers' compensation claim under this chapter but shall be used only in the adoption of rules pursuant to this section.

Nothing listed in paragraphs (1) to (7) shall be used to dispute or challenge a disability rating given to a part of the body so long as the whole schedule conforms with the expressed intent of clause (a).

(c) If an employee suffers a permanent functional disability of more than one body part due to a personal injury incurred in a single occurrence, the percent of the whole body which is permanently partially disabled shall be determined by the following formula so as to ensure that the percentage for all functional disability combined does not exceed the total for the whole body:

where: A is the greater percentage whole body loss of the first body part; and B is the lesser percentage whole body loss otherwise payable for the second body part. A + B (1 A) is equivalent to A + B AB.

For permanent partial disabilities to three body parts due to a single occurrence or as the result of an occupational disease, the above formula shall be applied, providing that A equals the result obtained from application of the formula to the first two body parts and B equals the percentage for the third body part. For permanent partial disability to four or more body parts incurred as described above, A equals the result obtained from the prior application of the formula, and B equals the percentage for the fourth body part or more in arithmetic progressions.

Sec. 19. Minnesota Statutes 1992, section 176.132, subdivision 2, is amended to read:

Subd. 2. [AMOUNT.] (a) The supplementary benefit payable under this section shall be the difference between the amount the employee receives on or after January 1, 1976, under section 176.101, subdivision 1 or 4, and 65 percent of the statewide average weekly wage as computed annually. For injuries that occur on or after October 1, 1994, the supplementary benefit payable under this section to an employee age 68 or older shall be the difference between the sum of the amount payable under section 176.101, subdivision 1 or 4, plus any governmental old age, survivor, or disability benefit; and 65 percent of the statewide average weekly wage as computed annually.

(b) In the event an eligible recipient is currently receiving no compensation or is receiving a reduced level of compensation because of a credit being applied as the result of a third party liability or damages, the employer or insurer shall compute the offset credit as if the individual were entitled to the actual benefit or 65 percent of the statewide average weekly wage as computed annually, whichever is greater. If this results in the use of a higher credit than otherwise would have been applied and the employer or insurer becomes liable for compensation benefits which would otherwise not have been paid, the additional benefits resulting shall be handled according to this section.

(c) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of a valid agreement in settlement of a claim, no supplementary benefit shall be payable under this section. Attorney's fees shall be allowed in settlements of claims for supplementary benefits in accordance with this chapter.

(d) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of prior limitations in the maximum amount payable for permanent total disability or because of reductions resulting from the simultaneous receipt of old age or disability benefits, the supplementary benefit shall be payable for the difference between the actual amount of compensation currently being paid and 65 percent of the statewide average weekly wage as computed annually.

(e) In the event that an eligible recipient is receiving simultaneous benefits from any government disability program, the amount of supplementary benefits payable under this section shall be reduced by five percent. If the individual does not receive the maximum benefits for which the individual is eligible under other governmental disability programs due to the provisions of United States Code, title 42, section 424a(d), this reduction shall not apply.

(f) Notwithstanding any other provision in this subdivision to the contrary, if the individual does not receive the maximum benefits for which the individual is eligible under other governmental disability programs due to the provision of United States Code, title 42, section 424a(d), the calculation of supplementary benefits payable to the individual shall be as provided under this section in Minnesota Statutes 1988.

Sec. 20. Minnesota Statutes 1992, section 176.132, subdivision 3, is amended to read:

Subd. 3. [PAYMENT.] The payment of supplementary benefits shall be the responsibility of the employer or insurer currently paying total disability benefits, or any other payer of such benefits. When the eligible individual is not currently receiving benefits because the total paid has reached the maximum prescribed by law the employer and insurer shall, nevertheless, pay the supplementary benefits that are prescribed by law. The employer or insurer paying the supplementary benefit shall have the right of full reimbursement from the special compensation fund for the amount of such benefits paid for injuries prior to October 1, 1994.

Sec. 21. Minnesota Statutes 1992, section 176.178, is amended to read:

176.178 [FRAUD.]

<u>Subdivision 1.</u> [INTENT.] Any person who, with intent to defraud, receives workers' compensation benefits to which the person is not entitled by knowingly misrepresenting, misstating, or failing to disclose any material fact is guilty of theft and shall be sentenced pursuant to section 609.52, subdivision 3.

<u>Subd. 2.</u> [FORMS.] The text of subdivision 1 shall be placed on all forms prescribed by the commissioner for claims or responses to claims for workers' compensation benefits under this chapter. The absence of the text does not constitute a defense against prosecution under subdivision 1.

Sec. 22. Minnesota Statutes 1992, section 176.179, is amended to read:

176.179 [RECOVERY OF OVERPAYMENTS.]

Notwithstanding section 176.521, subdivision 3, or any other provision of this chapter to the contrary, except as provided in this section, no lump sum or weekly payment, or settlement, which is voluntarily paid to an injured employee or the survivors of a deceased employee in apparent or seeming accordance with the provisions of this chapter by an employer or insurer, or is paid pursuant to an order of the workers' compensation division, a compensation judge, or court of appeals relative to a claim by an injured employee or the employee's survivors, and received in good faith by the employee or the employee's survivors shall be refunded to the paying employer or insurer in the event that it is subsequently determined that the payment was made under a mistake in fact or law by the employer or insurer. When the payments have been made to a person who is entitled to receive further payments of compensation for the same injury, the mistaken compensation may be taken as a full credit against future lump sum benefit entitlement and as a partial credit against future weekly benefits. The credit applied against further payments of temporary total disability, temporary partial disability, permanent total disability, retraining benefits, or death benefits<del>, or weekly payments of economic recovery or impairment compensation</del> shall not exceed 20 percent of the amount that would otherwise be payable.

A credit may not be applied against medical expenses due or payable.

Where the commissioner or compensation judge determines that the mistaken compensation was not received in good faith, the commissioner or compensation judge may order reimbursement of the compensation. For purposes of this section, a payment is not received in good faith if it is obtained through fraud, or if the employee knew that the compensation was paid under mistake of fact or law, and the employee has not refunded the mistaken compensation.

Sec. 23. Minnesota Statutes 1992, section 176.221, subdivision 6a, is amended to read:

Subd. 6a. [MEDICAL, REHABILITATION, ECONOMIC RECOVERY, AND IMPAIRMENT PERMANENT PARTIAL DISABILITY COMPENSATION.] The penalties provided by this section apply in cases where payment for treatment under section 176.135, rehabilitation expenses under section 176.102, subdivisions 9 and 11, economic recovery compensation or impairment or permanent partial disability compensation are not made in a timely manner as required by law or by rule adopted by the commissioner.

Sec. 24. Minnesota Statutes 1992, section 176.225, is amended by adding a subdivision to read:

Subd. 6. [VIOLATIONS OF SAFETY PROVISIONS; PENALTY.] If injury is caused by the failure of the employer to comply with any statute or any lawful order of the department, compensation and death benefits provided in this chapter shall be increased 15 percent but the total increase may not exceed \$15,000. Failure of an employer reasonably to enforce compliance by employees with that statute or order of the department constitutes failure by the employer to comply with that statute or order.

Sec. 25. Minnesota Statutes 1992, section 176.225, is amended by adding a subdivision to read:

Subd. 7. [DECREASED COMPENSATION.] If injury is caused by the failure of the employee to use safety devices which are provided in accordance with any statute or lawful order of the department and are adequately maintained, and the use of which is reasonably enforced by the employer, or if injury results from the employee's failure to obey any reasonable rule adopted and reasonably enforced by the employer for the safety of the employee and of which the employee has notice, the compensation and death benefit provided in this chapter shall be reduced 15 percent but the total reduction may not exceed \$15,000.

Sec. 26. Minnesota Statutes 1992, section 176.645, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT.] For injuries occurring after October 1, 1975 for which benefits are payable under section 176.101, subdivisions 1, 2 and 4, and section 176.111, subdivision 5, the total benefits due the employee or any dependents shall be adjusted in accordance with this section. On October 1, 1981, and thereafter on the anniversary of the date of the employee's injury the total benefits due shall be adjusted by multiplying the total benefits due prior to each adjustment by a fraction, the denominator of which is the statewide average weekly wage for December 31, of the year two years previous to the adjustment and the numerator of which is the statewide average weekly wage for December 31, of the year previous to the adjustment. For injuries occurring after October 1, 1975, all adjustments provided for in this section shall be included in computing any benefit due under this section. Any limitations of amounts due for daily or weekly compensation under this chapter shall not apply to adjustments made under this section shall exceed six percent a year; in those instances where the adjustment under the formula of this section would exceed this maximum, the increase shall be deemed to be six percent. For injuries occurring on or after October 1, 1992, no adjustment under the formula of this section shall exceed four percent a year; in those instances where the adjustment under this section shall exceed four percent a year; in those instances of the section shall exceed four percent a year; in those instances where the formula of this section shall exceed four percent a year; in those instances where the formula of this section shall exceed four percent a year; in those instances where the formula of this section shall exceed four percent a year; in those instances where the formula of this section shall exceed this maximum, the increase shall be deemed to be four percent.

Sec. 27. Minnesota Statutes 1992, section 176.83, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] In addition to any other section under this chapter giving the commissioner the authority to adopt rules, the commissioner may adopt, amend, or repeal rules to implement the provisions of this chapter. The rules include but are not limited to the rules listed in this section. The commissioner has no authority to adopt or amend rules to have the substance or effect of the 1993 rehabilitation rules, treatment standards rules, rules of practice, and medical rules of practice.

Sec. 28. Minnesota Statutes 1992, section 176.83, subdivision 2, is amended to read:

Subd. 2. [REHABILITATION.] Rules necessary to implement and administer section 176.102, including the establishment of qualifications necessary to be a qualified rehabilitation consultant and the requirements to be an approved registered vendor of rehabilitation services.

The rules may also provide for penalties to be imposed by the commissioner against insurers or self-insured employers who fail to provide rehabilitation consultation to employees pursuant to section 176.102.

These rules may also establish criteria for determining "reasonable moving expenses" under section 176.102.

The rules shall also establish criteria, guidelines, methods, or procedures to be met by an employer or insurer in providing the initial rehabilitation consultation required under this chapter which would permit the initial consultation to be provided by an individual other than a qualified rehabilitation consultant. In the absence of rules regarding an initial consultation shall be conducted pursuant to section 176.102.

Sec. 29. Minnesota Statutes 1992, section 176.83, subdivision 5, is amended to read:

Subd. 5. [TREATMENT STANDARDS FOR EXCESSIVE MEDICAL SERVICES.] In consultation with the medical services review board or the rehabilitation review panel, the commissioner shall adopt emergency and permanent rules establishing standards and procedures for health care provider treatment. The rules shall apply uniformly to all providers including those providing managed care under section 176.1351. The rules shall be used to determine determining whether a provider of health care services and rehabilitation services, including a provider of medical, chiropractic, podiatric, surgical, hospital or other services, is performing procedures or providing services at a level or with a frequency that is excessive, unnecessary, or inappropriate based upon accepted medical standards for quality health care and accepted rehabilitation standards.

The rules shall-include, but are not limited to, the following:

(1) criteria for diagnosis and treatment of the most common work-related injuries including, but not limited to, low back injuries and upper extremity repetitive trauma injuries;

(2) criteria for surgical procedures including, but not limited to, diagnosis, prior conservative treatment, supporting diagnostic imaging and testing, and anticipated outcome criteria;

(3) criteria for use of appliances, adoptive equipment, and use of health elubs or other exercise facilities;

(4) criteria for diagnostic imaging procedures;

### ARTICLE 4

## COLLECTIVE BARGAINING

### Section 1. [176.1812] [COLLECTIVE BARGAINING AGREEMENTS.]

<u>Subdivision 1.</u> [REQUIREMENTS.] Upon appropriate filing, the commissioner, compensation judge, workers' compensation court of appeals, and courts shall recognize as valid and binding a provision in a collective bargaining agreement between an employer and the recognized or certified and exclusive representative of its employees to establish certain obligations and procedures relating to workers' compensation. This agreement must be limited to, but need not include, all of the following:

(a) an alternative dispute resolution system to supplement, modify, or replace the provisions of this chapter. The system may include mediation, arbitration, or other dispute resolution proceedings, the results of which may be binding upon the parties. A system of arbitration may provide that the decision of the arbiter is subject to review either by the workers' compensation court of appeals in the same manner as an award or order of a compensation judge or, in lieu of review by the workers' compensation court of appeals, by the district court, by the Minnesota court of appeals, or by the supreme court in the same manner as the workers' compensation court of appeals;

(b) an agreed list of providers of medical treatment that may be the exclusive source of all medical and related treatment provided under this chapter, if an employer has not opted to participate in a managed care plan as provided in section 176.1351;

(c) the use of a limited list of impartial physicians to conduct independent medical examinations;

(d) the creation of a light duty, modified job, or return to work program;

(e) the establishment of vocational rehabilitation or retraining programs;

(f) the establishment of safety committees and safety procedures; and

(g) the adoption of a 24-hour health care coverage plan.

<u>Subd. 2.</u> [FILING AND REVIEW.] <u>A copy of the agreement and the approximate number of employees who will be covered under it must be filed with the commissioner. Within 21 days of receipt of an agreement, the commissioner shall review the agreement for compliance with this chapter and notify the parties of any additional information required or any modification that must be made to bring the agreement into compliance. Upon receipt of any requested information or modification, the commissioner must notify the parties within 21 days that the agreement has or has not been approved. The agreement must be approved if the commissioner finds that the agreement:</u>

(1) proposes to provide quality services required by this chapter in a manner that is timely, effective, and convenient for the worker;

(2) provides these services in an area geographically convenient to the employees it serves;

(3) provides appropriate incentives to reduce service costs and utilization without sacrificing the quality of service;

(4) as appropriate, provides aggressive case management for injured workers and implements a program to encourage an early return to work and cooperative efforts by the workers and the employer to promote workplace health and safety consultative and other services; and

(5) provides a timely and accurate method of reporting to the commissioner necessary information regarding service cost and utilization to enable the commissioner to annually report to the legislature. The information provided to the commissioner must include aggregate data on the:

(i) person hours covered by agreements filed;

(ii) number of claims filed;

(iii) average cost per claim;

## TUESDAY, MARCH 29, 1994

(iv) number of litigated claims, including the number of claims submitted to arbitration, the workers' compensation court of appeals, the district court, the Minnesota court of appeals, or the supreme court;

(v) number of contested claims resolved prior to arbitration;

(vi) projected incurred costs and actual costs of claims;

(vii) employer's safety history;

(viii) number of workers participating in vocational rehabilitation; and

(ix) number of workers participating in light-duty programs.

<u>Subd. 3.</u> [REFUSAL TO APPROVE.] <u>A person aggrieved by the commissioner's decision concerning an agreement</u> may request in writing, within 30 days of the date the notice is issued, the initiation of a contested case proceeding under chapter 14. The request to initiate a contested case must be received by the department by the 30th day after the commissioner's decision. An appeal from the commissioner's final decision and order may be taken to the workers' compensation court of appeals pursuant to sections 176.421 and 176.442.

Subd. 4. [VOID AGREEMENTS.] Nothing in this section shall allow any agreement that diminishes an employee's entitlement to benefits as otherwise set forth in this chapter. Any agreement in violation of this chapter is null and void.

<u>Subd. 5.</u> [APPROVAL OF INSURANCE CARRIER.] <u>If the employer is insured under this chapter, the provision</u> <u>shall not be recognized by the commissioner, compensation judge, workers' compensation court of appeals, and other</u> <u>courts unless agreed to by the employer's insurance carrier, which may withhold its approval.</u>

Subd. 6. [RULES.] The commissioner may adopt emergency or permanent rules necessary to implement this section."

[LICENSING; PERMIT.] (a) It is unlawful for any person either to claim to be a salvage food processor, or to engage in the activities of reconditioning or salvaging distressed food, or both, without a license issued under section 28A.04 authorizing that person to operate as a salvage food processor, which license may not be issued absent compliance with all the provisions of this section and all rules promulgated under this section.

(b) Before issuing a license, the commissioner shall determine that the applicant's salvage establishment meets at least the minimum requirements adopted by rule for such an establishment which shall include but not be limited to adequacy of buildings, location, water supply, waste disposal, equipment, hand washing and toilet facilities, and sanitation practices, as the same relate to the protection of the public health and welfare.

(c) The license fee for a salvage food processor or distributor shall cover a maximum of six inspections per year. Costs of additional inspections or reinspections will be charged to the salvage food processor or distributor at the rate of \$500 per inspection, plus laboratory costs.

(d) It is unlawful for any person either to claim to be a salvaged food distributor or to engage in the activities of selling, distributing, or otherwise trafficking in any distressed or salvaged food, or both, at wholesale, without a license issued under section 28A.04 authorizing that person to operate as a salvage food distributor, which license may not be issued absent compliance with all the provisions of this section and all rules adopted under this section.

(c) All persons selling salvaged food, at retail, except as described in paragraph (e), shall notify the consumer that the food is salvaged either by (1) labeling each retail package or container "salvaged" or "reconditioned" or (2) posting a conspicuous placard at the retail display location stating "salvaged food" or "reconditioned food." Placards must be readable, using letters of not less than 1-1/2 inch type. Placards may also state "This item has been reconditioned and has been determined wholesome for human consumption under applicable state requirements by (name of food seller)."

(d) All salvaged food in containers must be provided with labels that comply with the requirements contained in chapters 29, 30, 31, 31A, 32, 33, and 34. If original labels are removed from containers that are to be resold or redistributed, the replacement labels must show as the distributor the name and address of the salvage food processor and the date of reconditioning for sale or distribution.

(e) Paragraphs (b) and (c) do not apply to food products damaged in the normal course of handling and transportation, where the food is intact in its original container and has not been subject to fire, chemical spills, temperature abuse in perishable food products, immersion in water, or other similar risk of contamination.

No insurer health carrier providing benefits under policies plans covered by this section shall use eligibility for medical programs named in this section as an underwriting guideline or reason for nonacceptance of the risk.

To the extent that payment for covered expenses has been made under state medical programs for health care items or services furnished to an individual, in any case where a third party has a legal liability to make payments the state is considered to have acquired the rights of the individual to payment by any other party for those health care items or services.

Notwithstanding any law to the contrary, when a person covered under by a policy of accident and siekness insurance, risk management plan, nonprofit health service plan, health maintenance organization, or self insured health plan receives medical benefits according to any statute listed in this section, payment for covered services or notice of denial for services billed by the provider must be issued directly to the provider. If a person was receiving medical benefits through the department of human services at the time a service was provided, the provider must indicate this benefit coverage on any claim forms submitted by the provider to the insurer health carrier for those services. If the commissioner of human services notifies the insurer health carrier that the commissioner has made payments to the provider, payment for benefits or notices of denials issued by the insurer health carrier must be issued directly to the commissioner. Submission by the department to the insurer health carrier of the claim on a department of human services and shall be considered proof of payment of the claim to the provider and supersedes any contract requirements of the insurer health carrier relating to the form of submission. Liability to the insured for coverage is satisfied to the extent that payments for those benefits are made by the insurer health carrier to the provider or the commissioner.

<u>A health carrier may not impose requirements on a state agency which has been assigned the rights of an individual eligible for medical programs named in this section, and covered for health benefits from the health carrier, that are different from requirements applicable to an agent or assignee of any other individual so covered.</u>

For the purpose of this section, health plan includes integrated service networks, any plan governed under the federal Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, sections 1001 to 1461, and the following exclusions under section 62A.011, subdivision 3, clauses (2), (6), (9), and (10).

Sec. 2. Minnesota Statutes 1992, section 62A.046, is amended to read:

62A.046 [COORDINATION OF BENEFITS.]

(1) No group contract providing coverage for hospital and medical treatment or expenses issued or renewed after August 1, 1984, which is responsible for secondary coverage for services provided, may deny coverage or payment of the amount it owes as a secondary payor solely on the basis of the failure of another group contract, which is responsible for primary coverage, to pay for those services.

(2) A group contract which provides coverage of a claimant as a dependent of a parent who has legal responsibility for the dependent's medical care pursuant to a court order under section 518.171 must make payments directly to the provider of care, the custodial parent, or the department of human services pursuant to section <u>62A.045</u>. In such cases, liability to the insured is satisfied to the extent of benefit payments made to the provider.

(3) This section applies to an insurer, a vendor of risk management services regulated under section 60A.23, a nonprofit health service plan corporation regulated under chapter 62C and a health maintenance organization regulated under chapter 62D. Nothing in this section shall require a secondary payor to pay the obligations of the primary payor nor shall it prevent the secondary payor from recovering from the primary payor the amount of any obligation of the primary payor that the secondary payor elects to pay.

(4) Payments made by an enrollee or by the commissioner on behalf of an enrollee in the children's health plan under sections 256.9351 to 256.9361, or a person receiving benefits under chapter 256B or 256D, for services that are covered by the policy or plan of health insurance shall, for purposes of the deductible, be treated as if made by the insured.

(5) The commissioner of human services shall recover payments made by the children's health plan from the responsible insurer, for services provided by the children's health plan and covered by the policy or plan of health insurance.

(6) Insurers, vendors of risk management services, nonprofit health service plan corporations, fraternals, and health maintenance organizations may coordinate benefits to prohibit greater than 100 percent coverage when an insured, subscriber, or enrollee is covered by both an individual and a group contract providing coverage for hospital and medical treatment or expenses. Benefits coordinated under this paragraph must provide for 100 percent coverage of an insured, subscriber, or enrollee. To the extent appropriate, all coordination of benefits provisions currently applicable by law or rule to insurers, vendors of risk management services, nonprofit health service plan corporations, fraternals, and health maintenance organizations, shall apply to coordination of benefits between individual and group contracts, except that the group contract shall always be the primary plan. This paragraph does not apply to specified accident, hospital indemnity, specified disease, or other limited benefit insurance policies.

Sec. 3. Minnesota Statutes 1992, section 62A.048, is amended to read:

#### 62A.048 [DEPENDENT COVERAGE.]

A policy of accident and sickness insurance health plan that covers an employee who is a Minnesota resident must, if it provides dependent coverage, allow dependent children who do not reside with the covered employee participant to be covered on the same basis as if they reside with the covered employee participant. Neither the amount of support provided by the employee to the dependent child nor the residency of the child may be used as an excluding or limiting factor for coverage or payment for health care. Enrollment of a child cannot be denied on the basis that the child was born out of wedlock, the child is not claimed as a dependent on the parent's federal income tax return, or the child does not reside with the parent or in the insurer's service area. Every health plan must provide coverage in accordance with section 518.171 to dependents covered by a qualified court or administrative order meeting the requirements of section 518.171.

For the purpose of this section, health plan includes integrated service networks, coverage designed solely to provide dental or vision care, and any plan governed under the federal Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, sections 1001 to 1461.

Sec. 4. Minnesota Statutes 1992, section 62A.27, is amended to read:

62A.27 [COVERAGE FOR ADOPTED CHILDREN.]

<sup>A</sup>An individual or group policy or plan of health and accident insurance regulated under this chapter or chapter 64B, subscriber contract regulated under chapter 62C, or health maintenance contract regulated under chapter 62D, <u>A</u> <u>health plan</u> that provides coverage to a Minnesota resident must cover adopted children of the insured, subscriber, <u>participant</u>, or enrollee on the same basis as other dependents. Consequently, the <del>policy or</del> plan shall not contain any provision concerning preexisting condition limitations, insurability, eligibility, or health underwriting approval concerning <del>adopted</del> children <u>placed</u> for <u>adoption</u> with the participant.

The coverage required by this section is effective from the date of placement for the purpose of adoption and continues unless the placement is disrupted prior to legal adoption and the child is removed from placement. Placement for adoption means the assumption and retention by a person of a legal obligation for total or partial support of a child in anticipation of adoption of the child. The child's placement with a person terminates upon the termination of the legal obligation for total or partial support.

For the purpose of this section, health plan includes integrated service networks, coverage that is designed solely to provide dental or vision care, and any plan under the federal Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, sections 1001 to 1461.

Sec. 5. Minnesota Statutes 1992, section 256.74, is amended by adding a subdivision to read:

<u>Subd.</u> 6. [GOOD CAUSE CLAIMS.] <u>All applications for good cause to not cooperate with child support</u> enforcement are to be reviewed by designees of the county human services board to ensure the validity of good cause determinations.

Sec. 6. Minnesota Statutes 1993 Supplement, section 257.55, subdivision 1, is amended to read:

Subdivision 1. [PRESUMPTION.] A man is presumed to be the biological father of a child if:

(a) He and the child's biological mother are or have been married to each other and the child is born during the marriage, or within 280 days after the marriage is terminated by death, annulment, declaration of invalidity, dissolution, or divorce, or after a decree of legal separation is entered by a court;

(b) Before the child's birth, he and the child's biological mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) if the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 280 days after its termination by death, annulment, declaration of invalidity, dissolution or divorce; or

(2) if the attempted marriage is invalid without a court order, the child is born within 280 days after the termination of cohabitation;

(c) After the child's birth, he and the child's biological mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared void, voidable, or otherwise invalid, and,

(1) he has acknowledged his paternity of the child in writing filed with the state registrar of vital statistics;

(2) with his consent, he is named as the child's father on the child's birth certificate; or

(3) he is obligated to support the child under a written voluntary promise or by court order;

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his biological child;

(e) He and the child's biological mother acknowledge his paternity of the child in a writing signed by both of them under section 257.34 and filed with the state registrar of vital statistics. If another man is presumed under this paragraph to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted;

(f) Evidence of statistical probability of paternity based on blood <u>or genetic</u> testing establishes the likelihood that he is the father of the child, calculated with a prior probability of no more than 0.5 (50 percent), is 99 percent or greater;

(g) He and the child's biological mother have executed a recognition of parentage in accordance with section 257.75 and another man is presumed to be the father under this subdivision; or

(h) He and the child's biological mother have executed a recognition of parentage in accordance with section 257.75 and another man and the child's mother have executed a recognition of parentage in accordance with section 257.75.

Sec. 7. Minnesota Statutes 1993 Supplement, section 257.57, subdivision 2, is amended to read:

Subd. 2. The child, the mother, or personal representative of the child, the public authority chargeable by law with the support of the child, the personal representative or a parent of the mother if the mother has died or is a minor, a man alleged or alleging himself to be the father, or the personal representative or a parent of the alleged father if the alleged father has died or is a minor may bring an action:

(1) at any time for the purpose of declaring the existence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (d), (e), (f), (g), or (h), or the nonexistence of the father and child relationship presumed under clause (d) of that subdivision;

(2) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (e) or (g), only if the action is brought within three years after the date of the execution of the declaration or recognition of parentage; or

(3) for the purpose of declaring the nonexistence of the father and child relationship presumed under section 257.55, subdivision 1, paragraph (f), only if the action is brought within three years after the party bringing the action, or the party's attorney of record, has been provided the blood <u>or genetic</u> test results.

Sec. 8. Minnesota Statutes 1992, section 257.62, subdivision 1, is amended to read:

Subdivision 1. [BLOOD <u>OR GENETIC</u> TESTS REQUIRED.] The court may, and upon request of a party shall, require the child, mother, or alleged father to submit to blood <u>or genetic</u> tests. <u>A copy of the test results must be</u> <u>served on the parties as provided in section 543.20</u>. Any objection to the results of blood or genetic tests <u>must be</u> <u>made in writing no later than 15 days prior to a hearing at which those test results may be introduced into evidence.</u> <u>Test results served upon a party must include notice of this right to object</u>. If the alleged father is dead, the court may, and upon request of a party shall, require the decedent's parents or brothers and sisters or both to submit to blood <u>or genetic</u> tests. However, in a case involving these relatives of an alleged father, who is deceased, the court may refuse to order blood <u>or genetic</u> tests if the court makes an express finding that submitting to the tests presents a danger to the health of one or more of these relatives that outweighs the child's interest in having the tests performed. Unless the person gives consent to the use, the results of any blood <u>or genetic</u> tests of the decedent's parents, brothers, or sisters may be used only to establish the right of the child to public assistance including but not limited to social security and veterans' benefits. The tests shall be performed by a qualified expert appointed by the court.

Sec. 9. Minnesota Statutes 1992, section 257.62, subdivision 5, is amended to read:

Subd. 5. [POSITIVE TEST RESULTS.] (a) If the results of blood <u>or genetic</u> tests completed in a laboratory accredited by the American Association of Blood Banks indicate that the likelihood of the alleged father's paternity, calculated with a prior probability of no more than 0.5 (50 percent), is 92 percent or greater, upon motion the court shall order the alleged father to pay temporary child support determined according to chapter 518. The alleged father shall pay the support money into court pursuant to the rules of civil procedure to await the results of the paternity proceedings.

(b) If the results of blood <u>or genetic</u> tests completed in a laboratory accredited by the American Association of Blood Banks indicate that likelihood of the alleged father's paternity, calculated with a prior probability of no more than 0.5 (50 percent), is 99 percent or greater, the alleged father is presumed to be the parent and the party opposing the establishment of the alleged father's paternity has the burden of proving by clear and convincing evidence that the alleged father is not the father of the child.

Sec. 10. Minnesota Statutes 1992, section 257.62, subdivision 6, is amended to read:

Subd. 6. [TESTS, EVIDENCE ADMISSIBLE.] In any hearing brought under subdivision 5, a certified report of the facts and results of a laboratory analysis or examination of blood or genetic tests, that is performed in a laboratory accredited to meet the Standards for Parentage Testing of the American Association of Blood Banks and is prepared and attested by a qualified expert appointed by the court, shall be admissible in evidence without proof of the seal, signature, or official character of the person whose name is signed to it, unless a demand is made by a party in a motion or responsive motion made within the time limit for making and filing a responsive motion that the matter be heard on oral testimony before the court. If no objection is made, the blood or genetic test results are admissible as evidence without the need for foundation testimony or other proof of authenticity or accuracy.

Sec. 11. Minnesota Statutes 1992, section 257.64, subdivision 3, is amended to read:

Subd. 3. If a party refuses to accept a recommendation made under subdivision 1 and blood <u>or genetic</u> tests have not been taken, the court shall require the parties to submit to blood <u>or genetic</u> tests, if <u>practicable</u>. <u>Any objection to</u> <u>blood or genetic testing results must be made in writing no later than 15 days before any hearing at which the results</u> <u>may be introduced into evidence</u>. <u>Test results served upon a party must include a notice of this right to object</u>. Thereafter the court shall make an appropriate final recommendation. If a party refuses to accept the final recommendation the action shall be set for trial.

Sec. 12. Minnesota Statutes 1992, section 257.69, subdivision 1, is amended to read:

Subdivision 1. [COUNSEL; APPOINTMENT.] In all proceedings under sections 257.51 to 257.74, any party may be represented by counsel. If the public authority charged by law with support of a child is a party, The county attorney shall represent the public authority. If the child receives public assistance and no conflict of interest exists, the county attorney shall also represent the custodial parent. If a conflict of interest exists, the court shall appoint counsel for the custodial parent at no cost to the parent. If the child does not receive public assistance, the county attorney may represent the custodial parent at the parent's request. The court shall appoint counsel for a party who is unable to pay timely for counsel in proceedings under sections 257.51 to 257.74.

Sec. 13. Minnesota Statutes 1992, section 257.69, subdivision 2, is amended to read:

Subd. 2. [GUARDIAN; LEGAL FEES.] The court may order expert witness and guardian ad litem fees and other costs of the trial and pretrial proceedings, including appropriate tests, to be paid by the parties in proportions and at times determined by the court. The court shall require a party to pay part of the fees of court-appointed counsel according to the party's ability to pay, but if counsel has been appointed the appropriate agency shall pay the party's proportion of all other fees and costs. The agency responsible for child support enforcement shall pay the fees and costs for blood or genetic tests in a proceeding in which it is a party, is the real party in interest, or is acting on behalf of the child. However, at the close of a proceeding in which paternity has been established under sections 257.51 to 257.74, the court shall order the adjudicated father to reimburse the public agency, if the court finds he has sufficient resources to pay the costs of the blood or genetic tests. When a party bringing an action is represented by the county attorney, no filing fee shall be paid to the court administrator.

Sec. 14. Minnesota Statutes 1993 Supplement, section 518.171, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] <u>Compliance with this section constitutes compliance with a qualified medical child</u> support order as described in the federal Employee Retirement Income Security Act of 1974 (ERISA) as amended by the federal Omnibus Budget Reconciliation Act of 1993 (OBRA).

(a) Every child support order must:

(1) expressly assign or reserve the responsibility for maintaining medical insurance for the minor children and the division of uninsured medical and dental costs; and

(2) contain the names and last known addresses, if any, of the dependents unless the court prohibits the inclusion of an address and orders the custodial parent to provide the address to the administrator of the health plan. The court shall order the party with the better group dependent health and dental insurance coverage or health insurance plan to name the minor child as beneficiary on any health and dental insurance plan that is comparable to or better than a number two qualified plan and available to the party on:

(i) a group basis; or

(ii) through an employer or union; or

(iii) through a group health plan governed under the ERISA and included within the definitions relating to health plans found in section 62A.011, 62A.048, or 62E.06, subdivision 2.

<u>"Health insurance" or "health insurance coverage" as used in this section means coverage that is comparable to or better than a number two qualified plan as defined in section 62E.06, subdivision 2. "Health insurance" or "health insurance coverage" as used in this section does not include medical assistance provided under chapter 256, 256B, or 256D.</u>

(b) If the court finds that dependent health or dental insurance is not available to the obligor or obligee on a group basis or through an employer or union, or that the group insurer insurance is not accessible to the obligee, the court may require the obligor (1) to obtain other dependent health or dental insurance, (2) to be liable for reasonable and necessary medical or dental expenses of the child, or (3) to pay no less than \$50 per month to be applied to the medical and dental expenses of the children or to the cost of health insurance dependent coverage.

(c) If the court finds that the available dependent health or dental insurance does not pay all the reasonable and necessary medical or dental expenses of the child, including any existing or anticipated extraordinary medical expenses, and the court finds that the obligor has the financial ability to contribute to the payment of these medical or dental expenses, the court shall require the obligor to be liable for all or a portion of the medical or dental expenses of the child not covered by the required health or dental plan. Medical and dental expenses include, but are not limited to, necessary orthodontia and eye care, including prescription lenses.

(d) If the obligor is employed by a self insured employer subject only to the federal Employee Retirement Income Security Act (ERISA) of 1974, and the insurance benefit plan meets the above requirements, the court shall order the obligor to enroll the dependents within 30 days of the court order effective date or be liable for all medical and dental expenses occurring while coverage is not in effect. If enrollment in the ERISA plan is precluded by exclusionary clauses, the court shall order the obligor to obtain other coverage or make payments as provided in paragraph (b) or (c).

(e) Unless otherwise agreed by the parties and approved by the court, if the court finds that the obligee is not receiving public assistance for the child and has the financial ability to contribute to the cost of medical and dental expenses for the child, including the cost of insurance, the court shall order the obligee and obligor to each assume a portion of these expenses based on their proportionate share of their total net income as defined in section 518.54, subdivision 6.

(f) (e) Payments ordered under this section are subject to section 518.611. An obligee who fails to apply payments received to the medical expenses of the dependents may be found in contempt of this order.

Sec. 15. Minnesota Statutes 1993 Supplement, section 518.171, subdivision 3, is amended to read:

Subd. 3. [IMPLEMENTATION.] A copy of the court order for insurance coverage shall be forwarded to the obligor's employer or union and to the health or dental insurance plan by the obligee or the public authority responsible for support enforcement only when ordered by the court or when the following conditions are met:

(1) the obligor fails to provide written proof to the obligee or the public authority, within 30 days of the effective date of the court order, that the insurance has been obtained or that application for insurability has been made;

(2) the obligee or the public authority serves written notice of its intent to enforce medical support on the obligor by mail at the obligor's last known post office address; and

(3) the obligor fails within 15 days after the mailing of the notice to provide written proof to the obligee or the public authority that the insurance coverage existed as of the date of mailing.

The employer or union shall forward a copy of the order to the health and dental insurance plan offered by the employer.

Sec. 16. Minnesota Statutes 1993 Supplement, section 518.171, subdivision 4, is amended to read:

Subd. 4. [EFFECT OF ORDER.] (a) The order is binding on the employer or union and the health and dental insurance plan when service under subdivision 3 has been made. <u>An employer or union that is included under ERISA may not deny enrollment based on exclusionary clauses described in section 62A.048</u>. Upon receipt of the order, or upon application of the obligor pursuant to the order, the employer or union and its health and dental insurance plan shall enroll the minor child as a beneficiary in the group insurance plan and withhold any required premium from the obligor's income or wages. If more than one plan is offered by the employer or union, the child shall be enrolled in the insurance plan in which the obligor is enrolled or the least costly health insurance plan otherwise available to the obligor that is comparable to a number two qualified plan. If the obligor is not enrolled in a health insurance plan, the employer or union shall also enroll the obligor in the chosen plan if enrollment of the obligor is necessary in order to obtain dependent coverage under the plan. Enrollment of dependents and the obligor must be immediate and not dependent upon open enrollment periods. Enrollment is not subject to underwriting policies described in section 62A.048.

(b) An employer or union that willfully fails to comply with the order is liable for any health or dental expenses incurred by the dependents during the period of time the dependents were eligible to be enrolled in the insurance program, and for any other premium costs incurred because the employer or union willfully failed to comply with the order. An employer or union that fails to comply with the order is subject to contempt under section 518.615 and is also subject to a fine of \$500 to be paid to the obligee or public authority. Fines paid to the public authority are designated for child support enforcement services.

(c) Failure of the obligor to execute any documents necessary to enroll the dependent in the group health and dental insurance plan will not affect the obligation of the employer or union and group health and dental insurance plan to enroll the dependent in a plan for which other eligibility requirements are met. Information and authorization provided by the public authority responsible for child support enforcement, or by the custodial parent or guardian, is valid for the purposes of meeting enrollment requirements of the health plan. The insurance coverage for a child eligible under subdivision 5 shall not be terminated except as authorized in subdivision 5.

Sec. 17. Minnesota Statutes 1992, section 518.171, subdivision 5, is amended to read:

Subd. 5. [ELIGIBLE CHILD.] A minor child that an obligor is required to cover as a beneficiary pursuant to this section is eligible for insurance coverage as a dependent of the obligor until the child is emancipated or until further order of the court. The health or dental insurance plan may not disenroll or eliminate coverage of the child unless the health or dental insurance plan is provided satisfactory written evidence that the court order is no longer in effect, or the child is or will be enrolled in comparable health coverage through another health or dental insurance plan that will take effect not later than the effective date of the disenrollment, or the employer has eliminated family health and dental coverage for all of its employees.

Sec. 18. Minnesota Statutes 1993 Supplement, section 518.171, subdivision 7, is amended to read:

Subd. 7. [RELEASE OF INFORMATION.] When an order for dependent insurance coverage is in effect, the obligor's employer, union, or insurance agent shall release to the obligee or the public authority, upon request, information on the dependent coverage, including the name of the insurer health or dental insurance plan. The employer, union, health or dental insurance plan, or insurance agent must provide the obligee with insurance identification cards and all necessary written information to enable the obligee to utilize the insurance benefits for the covered dependents. Notwithstanding any other law, information reported pursuant to section 268.121 shall be released to the public agency responsible for support enforcement that is enforcing an order for medical health or dental insurance to release to the obligor's insurer health or dental insurance plan or employer information necessary to obtain or enforce medical support.

Sec. 19. Minnesota Statutes 1993 Supplement, section 518.171, subdivision 8, is amended to read:

Subd. 8. [OBLIGOR LIABILITY.] (a) An obligor who fails to maintain medical or dental insurance for the benefit of the children as ordered or fails to provide other medical support as ordered is liable to the obligee for any medical or dental expenses incurred from the effective date of the court order, including health and dental insurance premiums paid by the obligee because of the obligor's failure to obtain coverage as ordered. Proof of failure to maintain insurance or noncompliance with an order to provide other medical support constitutes a showing of increased need by the obligee pursuant to section 518.64 and provides a basis for a modification of the obligor's child support order. (b) Payments for services rendered to the dependents that are directed to the obligor, in the form of reimbursement by the insurer health or dental insurance plan, must be endorsed over to and forwarded to the vendor or custodial parent or public authority when the reimbursement is not owed to the obligor. An obligor retaining insurance reimbursement not owed to the obligor may be found in contempt of this order and held liable for the amount of the reimbursement. Upon written verification by the insurer health or dental insurance plan of the amounts paid to the obligor, the reimbursement amount is subject to all enforcement remedies available under subdivision 10, including income withholding pursuant to section 518.611. The monthly amount to be withheld until the obligation is satisfied is 20 percent of the original debt or \$50, whichever is greater.

Sec. 20. Minnesota Statutes 1993 Supplement, section 518.611, subdivision 2, is amended to read:

Subd. 2. [CONDITIONS OF INCOME WITHHOLDING.] (a) Withholding shall result when:

(1) the obligor requests it in writing to the public authority;

(2) the custodial parent requests it by making a motion to the court <u>and the court finds that previous support has</u> not been <u>paid on a timely or consistent basis or that the obligor has threatened expressly or otherwise to stop or</u> reduce payments; or

(3) the obligor fails to make the maintenance or support payments, and the following conditions are met:

(i) the obligor is at least 30 days in arrears;

(ii) the obligee or the public authority serves written notice of income withholding, showing arrearage, on the obligor at least 15 days before service of the notice of income withholding and a copy of the court's order on the payor of funds;

(iii) within the 15-day period, the obligor fails to move the court to deny withholding on the grounds that an arrearage of at least 30 days does not exist as of the date of the notice of income withholding, or on other grounds limited to mistakes of fact, and, ex parte, to stay service on the payor of funds until the motion to deny withholding is heard;

(iv) the obligee or the public authority serves a copy of the notice of income withholding, a copy of the court's order or notice of order, and the provisions of this section on the payor of funds; and

(v) the obligee serves on the public authority a copy of the notice of income withholding, a copy of the court's order, an application, and the fee to use the public authority's collection services.

For those persons not applying for the public authority's IV-D services, a monthly service fee of \$15 must be charged to the obligor in addition to the amount of child support ordered by the court and withheld through automatic income withholding, or for persons applying for the public authority's IV-D services, the service fee under section 518.551, subdivision 7, applies. The county agency shall explain to affected persons the services available and encourage the applicant to apply for IV-D services.

(b) To pay the arrearage specified in the notice of income withholding, the employer or payor of funds shall withhold from the obligor's income an additional amount equal to 20 percent of the monthly child support or maintenance obligation until the arrearage is paid.

(c) The obligor may move the court, under section 518.64, to modify the order respecting the amount of maintenance or support.

(d) Every order for support or maintenance shall provide for a conspicuous notice of the provisions of this subdivision that complies with section 518.68, subdivision 2. An order without this notice remains subject to this subdivision.

(e) Absent a court order to the contrary, if an arrearage exists at the time an order for ongoing support or maintenance would otherwise terminate, income withholding shall continue in effect in an amount equal to the former support or maintenance obligation plus an additional amount equal to 20 percent of the monthly child support obligation, until all arrears have been paid in full.

#### Sec. 21. Minnesota Statutes 1993 Supplement, section 518.611, subdivision 4, is amended to read:

Subd. 4. [EFFECT OF ORDER.] (a) Notwithstanding any law to the contrary, the order is binding on the employer, trustee, payor of the funds, or financial institution when service under subdivision 2 has been made. Withholding must begin no later than the first pay period that occurs after 14 days following the date of the notice. In the case of a financial institution, preauthorized transfers must occur in accordance with a court-ordered payment schedule. An employer, payor of funds, or financial institution in this state is required to withhold income according to court orders for withholding issued by other states or territories. The payor shall withhold from the income payable to the obligor the amount specified in the order and amounts required under subdivision 2 and section 518.613 and shall remit, within ten days of the date the obligor is paid the remainder of the income, the amounts withheld to the public authority. The payor shall identify on the remittance information the date the obligor received the remainder of the income. The obligor is considered to have paid the amount withheld as of the date the obligor received the remainder of the income. The financial institution shall execute preauthorized transfers from the deposit accounts of the obligor in the amount specified in the order and amounts required under subdivision 2 as directed by the public authority responsible for child support enforcement.

(b) Employers may combine all amounts withheld from one pay period into one payment to each public authority, but shall separately identify each obligor making payment. Amounts received by the public authority which are in excess of public assistance expended for the party or for a child shall be remitted to the party.

(c) An employer shall not discharge, or refuse to hire, or otherwise discipline an employee as a result of a wage or salary withholding authorized by this section. The employer or other payor of funds shall be liable to the obligee for any amounts required to be withheld. A financial institution is liable to the obligee if funds in any of the obligor's deposit accounts identified in the court order equal the amount stated in the preauthorization agreement but are not transferred by the financial institution in accordance with the agreement. An employer or other payor of funds that fails to withhold or transfer funds in accordance with this section is also liable to the obligee for interest on the funds at the rate applicable to judgments under section 549.09, computed from the date the funds were required to be withheld or transferred. An employer or other payor of funds is liable for reasonable attorney fees of the obligee or public authority incurred in enforcing the liability under this paragraph. An employer or other payor of funds that has failed to comply with the requirements of this section is subject to contempt sanctions under section 518.615. If an employer violates this subdivision, a court may award the employee twice the wages lost as a result of this violation. If a court finds the employer violates this subdivision, the court shall impose a civil fine of not less than \$500.

Sec. 22. Minnesota Statutes 1993 Supplement, section 518.613, subdivision 2, is amended to read:

Subd. 2. [ORDER; COLLECTION SERVICES.] Every order for child support must include the obligor's social security number and date of birth and the name and address of the obligor's employer or other payor of funds. In addition, every order must contain provisions requiring the obligor to keep the public authority informed of the name and address of the obligor's current employer, or other payor of funds and whether the obligor has access to employment-related health insurance coverage and, if so, the health insurance policy information. Upon entry of the order for support or maintenance, the court shall mail, within five working days of entering the order, a copy of the court's automatic income withholding order and the provisions of section 518.611 and this section to the obligor's employer or other payor of funds and to the public authority responsible for child support enforcement. If the employer is unknown, the order must be forwarded to the public authority responsible for child support enforcement. Upon locating a payor of funds, the public authority responsible for child support enforcement shall mail a copy of the court's automatic income withholding order within five working days of locating the address of the payor of funds. An obligee who is not a recipient of public assistance must decide to either apply for the IV-D collection services of the public authority or obtain income withholding only services when an order for support is entered unless the requirements of this section have been waived under subdivision 7. The supreme court shall develop a standard automatic income withholding form to be used by all Minnesota courts. This form shall be made a part of any order for support or decree by reference.

Sec. 23. Minnesota Statutes 1992, section 518.613, subdivision 7, is amended to read:

Subd. 7. [WAIVER.] (a) The court may waive the requirements of this section if the court finds that there is no arrearage in child support or maintenance as of the date of the hearing, that it would not be contrary to the best interests of the child, and: (1) one party demonstrates and the court finds that there is good cause to waive the requirements of this section or to terminate automatic income withholding on an order previously entered under this section; or (2) all parties reach a written agreement that provides for an alternative payment arrangement and the

agreement is approved by the court after a finding that the agreement is likely to result in regular and timely payments. The court's findings waiving the requirements of this section must include a written explanation of the reasons why automatic withholding would not be in the best interests of the child and, in the case that involves modification of support, that past support has been timely made. If the court waives the requirements of this section:

(1) in all cases where the obligor is at least 30 days in arrears, withholding must be carried out pursuant to section 518.611;

(2) the obligee may at any time and without cause request the court to issue an order for automatic income withholding under this section; and

(3) the obligor may at any time request the public authority to begin withholding pursuant to this section, by serving upon the public authority the request and a copy of the order for child support or maintenance. Upon receipt of the request, the public authority shall serve a copy of the court's order and the provisions of section 518.611 and this section on the obligor's employer or other payor of funds. The public authority shall notify the court that withholding has begun at the request of the obligor pursuant to this clause.

(b) For purposes of this subdivision, "parties" includes the public authority in cases when it is a party pursuant to section 518.551, subdivision 9.

Sec. 24. Minnesota Statutes 1993 Supplement, section 518.615, subdivision 3, is amended to read:

Subd. 3. [LIABILITY.] The employer, trustee, or payor of funds is liable to the obligee or the agency responsible for child support enforcement for any amounts required to be withheld that were not paid. The court may enter judgment against the employer, trustee, or payor of funds for support not withheld or remitted. <u>An employer, trustee, or payor of funds found guilty of contempt shall be punished by a fine of not more than \$250 as provided in chapter 588</u>. The court may also impose <u>other</u> contempt sanctions <u>authorized</u> under chapter 588.

These optional annuities are to be available only to legislators who elect to receive retirement annuities under section 356.30 and who do not meet the legislative length of service requirements under subdivision 1, paragraph (a), elause (1). (b) If a retired legislator selects the joint and survivor annuity option, the retired legislator must receive a normal single-life annuity if the designated optional annuity beneficiary dies before the retired legislator and no reduction may be made in the annuity to provide for restoration of the normal single-life annuity in the event of the death of the designated optional annuity beneficiary.

If the employee elects to pay employee contributions for the period of any leave of absence without pay, or for any portion of the leave, the employee shall also, as a condition to the exercise of the election, pay to the fund an amount equivalent to both the required employer and additional employer contributions for the employee. The payment must be made within one year from the expiration of the leave of absence or within 20 days after termination of public service under subdivision 11a. The employee shall pay the employer and additional employer contributions on behalf of the participating member. The employee and the employer are responsible to pay interest on their respective shares at the rate of six <u>8.5</u> percent a year, compounded annually, from the end of the normal cycle until full payment is made. An employer shall also make the employee who makes employee contributions, plus six <u>8.5</u> percent interest, compounded annually, on behalf of an employee who makes employee contributions but terminates public service. The employee contributions must be made within one year after the end of the annual normal working cycle or within 20 days after termination of public service, whichever is sooner. The association shall prescribe the manner and forms to be used by a governmental subdivision in administering a periodic, repetitive leave.

The amount of these contributions must be in accord with the contribution rates and salary limitations, if any, in effect during the leave, plus interest at an annual rate of 8.5 percent compounded annually from the date of return to public service to the date payment is made. The matching employer contribution and additional employer contribution under section 353.27, subdivisions 3 and 3a, must be paid by the governmental subdivision employing the member upon return to public service if the member makes the employee contributions. Subd. 28. [RETIREMENT.] (a) "Retirement" means the commencement of payment of an annuity based on a date designated by the board of trustees. A right to retirement must not accrue without a complete and continuous separation for 30 days from employment as a public employee under subdivision 2.

A former member of the basic or police and fire fund who becomes a coordinated member upon returning to eligible, nontemporary public service, terminates employment before obtaining six months' allowable service under subdivision 16, paragraph (a), in the coordinated fund, and is eligible to receive an annuity the first day of the month after the most recent termination date shall not accrue a right to a retirement annuity under the coordinated fund. An annuity otherwise payable to the former member must be based on the laws in effect on the date of termination of the most recent service under the basic or police and fire fund and shall be retroactive to the first day of the month following that termination date or one year preceding the filing of an application for retirement annuity as provided by section 353.29, subdivision 7, whichever is later. The annuity payment must be suspended or reduced under the provisions of section 353.37, if earned compensation for the reemployment equals or exceeds the amounts indicated under that section. The association will refund the employee deductions made to the coordinated fund, with interest under section 353.34, subdivision 2, return the accompanying employer contributions, and remove the allowable service credits covering the deductions refunded.

(b) Notwithstanding the 30-day separation requirement, a member of the defined benefit plan under this chapter, who also participates in the public employees defined contribution plan under chapter 353D for other public service, may be paid, if eligible, a retirement annuity from the defined benefit plan while participating in the defined contribution plan.

# "ARTICLE 1

Section 1. Minnesota Statutes 1992, section 216C.05, is amended to read:

# 216C.05 [FINDINGS AND PURPOSE.]

The legislature finds and declares that continued growth in demand for energy will cause severe social and economic dislocations, and that the state has a vital interest in providing for: increased efficiency in energy consumption, the development and use of renewable <u>preferred</u> energy resources wherever possible, and the creation of an effective energy forecasting, planning and education program.

The legislature further finds and declares that the protection of life, safety and financial security for citizens during an energy crisis is of paramount importance.

Therefore, the legislature finds that it is in the public interest to review, analyze and encourage those energy programs that will minimize the need for annual increases in fossil fuel consumption by 1990 and the need for additional electrical generating plants, and provide for an optimum combination of energy sources consistent with environmental protection and the protection of citizens.

The legislature intends to monitor, through energy policy planning and implementation, the transition from historic growth in energy demand to a period when demand for traditional fuels subordinate energy sources becomes stable and the supply of renewable preferred energy resources is readily available and adequately utilized.

Sec. 2. [216C.051] [ELECTRIC ENERGY; GENERATION AND USE.]

Subdivision 1. [FINDINGS AND POLICY.] (a) The legislature finds that:

(1) the purposes of section 216C.05 have not been realized;

(2) the consumption of electric energy in the state remains inefficient and excessive;

(3) the supply of preferred energy sources has not been developed, is not readily available, and is inadequately utilized; and

(4) the demand for energy from subordinate energy sources has not stabilized.

(b) Further, the legislature finds that the generation of electric energy distributed for consumption in the state continues to place unnecessary and unfunded or underfunded burdens on environmental, social, and economic resources without accruing sufficient benefits in preserving local economies and developing energy-related jobs and other energy-related income for citizens of the state to balance those burdens.

(c) It is the policy of the state that the legislature; public utilities commission; executive agencies; generators, transmitters, and distributors of electric energy; business and industry; citizens groups; and other interested persons work together to ensure an efficient, beneficial, and sustainable system for generating, transmitting, distributing, and using electric energy. That system must minimize environmental, social, and economic burdens and maximize environmental, social, and economic efficiency and sustainability, including increasing the number and quality of energy-related jobs and increasing other energy-related income for the citizens of the state, while ensuring the viability and stability of entities that generate, transmit, distribute, and consume electric energy. Further, it is in the public interest that present energy consumers pay for the environmental costs, specifically the pollution costs, of providing the energy they consume. It is not in the public interest for future consumers or for present or future taxpayers to pay for those costs.

Subd. 2. [GOALS.] The specific electric energy goals of the state are to:

(1) reduce demand for electric energy and increase environmental and economic efficiency in generating, transmitting, distributing, and using electricity;

(2) reduce, to the greatest extent feasible, reliance on electric generation methods that utilize subordinate energy sources that are not available or producible in the state and that result in generation of wastes, including radioactive waste, hazardous waste, solid waste, and air pollutants, whose management impose risks and both quantifiable and unquantifiable costs to the economy, the physical and social environment, and human health of the state; and

(3) increase, to the greatest extent feasible, reliance on electric generation methods: (i) that utilize preferred energy sources that are available or producible in the state; (ii) that generate no, or minimal, wastes that pose risks and costs to the state or its citizens; (iii) that do not otherwise negatively affect the physical or social environment; and (iv) whose production or use provide significant environmental, social, and economic benefits to the state and its citizens, including increasing the number and quality of energy-related jobs and increasing other energy-related income for the citizens of the state.

Subd. 3. [PREFERRED PRACTICES; DEFINITIONS.] (a) The highest priority in electric energy production and consumption is conservation of electric energy and management of demand by all segments of the community.

(b) The following energy sources for generating electric power distributed in the state, listed in their descending order of preference, based on minimizing long-term negative environmental, social, and economic burdens imposed by the specific energy sources, are:

(1) wind and solar;

(2) biomass and low-head or refurbished hydropower;

(3) decomposition gases produced by solid waste management facilities, natural gas-fired cogeneration, and waste materials or byproducts combined with natural gas;

(4) natural gas, hydropower that is not low-head or refurbished hydropower, and solid waste as a direct fuel or refuse-derived fuel; and

(5) coal and nuclear power.

(c) For the purposes of paragraph (b) within each clause, the more efficient an energy source is in generating electricity or the more efficient a technology is that utilizes an energy source, the more preferred it is for use in generating electricity for distribution and consumption in the state.

(d) For the purposes of paragraph (b), clauses (3) and (4), the use of waste materials and byproducts for generating electric power must be limited to those waste materials and byproducts that are necessarily generated or produced by efficient processes and systems. Preventing and minimizing waste and byproducts are preferred in every situation to relying on the continued generation or production of waste materials and byproducts.

(e) For the purposes of chapters 216B and 216C, "preferred energy sources" are those described in paragraph (b), clauses (1) to (3), and "subordinate energy sources" are those described in paragraph (b), clauses (4) and (5).

(f) For the purposes of this section:

(1) "biomass" means herbaceous crops, trees, agricultural waste, and aquatic plant matter, excluding mixed municipal solid waste, as defined in section 115A.03, used to generate electricity; and

(2) "low-head hydropower" means a hydropower facility that has a head of less than 66 feet.

Sec. 3. [LEGISLATIVE TASK FORCE; ENERGY POLICY.]

<u>Subdivision 1.</u> [ESTABLISHMENT; MEMBERS.] (a) The legislative task force on energy policy is established to investigate, in light of existing statutes and rules related to energy policy, the energy-related activities of the department of public service, the public utilities commission, public utilities, and other persons who provide electric or natural gas service in the state, political subdivisions, and other persons engaged in the business of generating, transmitting, or distributing electric power for consumption in the state or transporting or distributing natural gas in the state.

(b) The task force consists of three members, including at least one member of the minority party, of the house of representatives to be appointed by the speaker of the house and three members, to include at least one member of the minority party, of the senate to be appointed by the senate subcommittee on committees. The task force shall elect cochairs, one member of the house and one member of the senate. Members of the task force must be appointed by July 1, 1994.

(c) The task force expires June 30, 1997.

Subd. 2. [STAFF; EXPENSES.] The task force may employ staff and purchase services and supplies as needed to carry out its duties. The director of the legislative coordinating commission shall assist the task force in hiring staff and in securing office space and supplies. On request by the cochairs and the director of the legislative coordinating commission, the commissioner of the department of public service shall assess, under Minnesota Statutes, section 216B.62, the amount requested for operation of the task force, not to include reimbursement to members of the task force and not to exceed \$..... annually, on all public utilities, cooperative electric associations, and municipalities that provide natural gas or electric service to consumers in the state, and shall remit the amount collected to the director of the commission for payment of the expenses of the task force.

Subd. 3. [DUTIES.] The task force shall:

(1) gather information on the extent to which statutory and regulatory requirements related to the development and implementation of energy policy contained in Minnesota Statutes, chapters 216A, 216B, and 216C, and other applicable statutes and rules are being followed and on whether and to what extent those requirements should be modified, strengthened, or abandoned;

(2) require and receive copies of all reports, plans, forecasts, studies, and other reportable undertakings related to developing and implementing energy policy required under Minnesota Statutes, chapters 216A, 216B, and 216C, or other applicable law;

## ARTICLE 2

Section 1. Minnesota Statutes 1992, section 216B.02, is amended by adding a subdivision to read:

<u>Subd. 10.</u> [ECONOMIC.] (a) "Economic," when used to modify costs related to energy sources for electric generation, means:

(1) the exportation from the state of dollars for producing, transporting, and consuming energy sources;

(2) the lack of energy-related jobs and other income from in-state production, transportation, and consumption of energy sources; and

(3) the lack of research and development activities and jobs in the state related to producing, transporting, and consuming indigenous preferred energy sources for electric generation.

(b) When "economic" is used to modify the benefits of energy sources, it means the opposite of the meanings listed in paragraph (a). Economic, when used to modify the costs or benefits of energy sources for electric generation, does not mean the level of rates charged retail or wholesale consumers of electricity.

Sec. 2. Minnesota Statutes 1992, section 216B.02, is amended by adding a subdivision to read:

Subd. 11. [PREFERRED ENERGY.] "Preferred energy" means electricity generated through use of energy sources described in section 216C.051, subdivision 3, paragraph (b), clauses (1) to (3).

Sec. 3. Minnesota Statutes 1992, section 216B.02, is amended by adding a subdivision to read:

<u>Subd. 12.</u> [SUBORDINATE ENERGY.] "Subordinate energy" means electricity generated through use of energy sources described in section 216C.051, subdivision 3, paragraph (b), clauses (4) and (5).

5870

# Sec. 4. [216B.035] [INTERVENOR COMPENSATION.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(1) <u>"administrative law judge"</u> means the administrative law judge assigned to a proceeding before the public utilities commission or, when a proceeding has not been assigned to the office of administrative hearings, the chief administrative law judge; and

(2) "intervenor" means a participant in any proceeding related to gas or electric utilities or service before the public utilities commission or in any proceeding reviewing a commission decision or order related to gas or electric utilities or service, excluding a participant that provides gas or electric services.

<u>Subd. 2.</u> [ACCOUNT; ASSESSMENT; APPROPRIATION.] (a) <u>A separate account in the state treasury is established</u> for the purpose of compensating intervenors as provided in this section. The commissioner, under section 216B.62, shall annually assess gas and electric utilities an amount that, in aggregate, provides not less than \$100,000 nor more than \$200,000 per year in revenue for the account, based on the commissioner's evaluation of potential claims against the account.

(b) One-half of the annual amount assessed under paragraph (a) must be apportioned among all public utilities in proportion to their respective gross operating revenues under section 216B.62, subdivision 3. The remaining one-half of the assessment must be apportioned among each of the gas and electric utilities, including cooperatively and municipally owned utilities, who were primary parties during the most recent calendar year in proportion to the amount of intervenor compensation disbursed from the account for proceedings in which each of the utilities were primary parties.

(c) The amount assessed each year by the commissioner must be deposited in the account and is appropriated to the commissioner for the purposes of this section.

<u>Subd. 3.</u> [COMPENSATION.] <u>The commissioner shall remit from the intervenor compensation account payment</u> to an intervenor to reimburse the intervenor for reasonable attorney fees, expert witness fees, transcript fees, and other reasonable costs, including fees and costs of obtaining judicial review, provided:

(1) the administrative law judge determines that the intervenor's participation is necessary to provide for the record an adequate presentation of a significant position in which the intervenor has a substantial interest; and

(2) the administrative law judge determines that the intervenor cannot without undue hardship afford to pay the costs of participation or that, in the case of a group or organization, the economic interest of the individual members of the group or organization is small in comparison to the costs of effective participation in the proceeding.

<u>Subd. 4.</u> [PROCEDURE; SUPPLEMENTAL COMPENSATION; PAYMENT.] (a) An intervenor seeking compensation under this section shall file an application for compensation with the administrative law judge within 14 days after a notice of hearing is issued or 30 days before initial comments are due in a noncontested matter. The judge may grant leave to file a late application if the applicant provides a reasonable justification for delay.

(b) The administrative law judge shall decide whether and in what amount to authorize compensation within 14 days of receipt of an application for compensation and shall notify the commissioner of the authorization. The administrative law judge may authorize partial payments to be disbursed as an intervenor's work progresses.

(c) The administrative law judge may authorize supplemental compensation for an intervenor for whom compensation is authorized if, for legitimate reasons, the costs of participation were underestimated or if additional funds would substantially improve the ability of the intervenor to contribute to the proceeding.

(d) Within 30 days of receipt of notice from the administrative law judge of an approved application for compensation, the commissioner shall provide the authorized compensation to the intervenor.

Subd. 5. [ACCOUNTING; REPORT.] Within 30 days of issuance of the final order in the proceeding for which compensation was paid under this section, the intervenor who received the compensation shall file with the administrative law judge and the commissioner a report itemizing the fees paid and expenses actually incurred by the intervenor. The report must include full documentation of fees and expenses, including the cost of studies,

engineering reports, tests, or projects related to the proceeding. Documentation must also include an affidavit from each attorney, agent, or expert witness that represented or appeared on behalf of the intervenor that states the specific services rendered, the actual time spent for each service, and the rate at which fees were computed for providing each service.

<u>Subd. 6.</u> [REIMBURSEMENT.] The administrative law judge shall review each report filed under subdivision 5, along with any other relevant material submitted. An intervenor shall reimburse the commissioner for any amount the administrative law judge determines was not compensable under this section. Reimbursement received by the commissioner under this section must be deposited in the intervenor compensation account.

Sec. 5. Minnesota Statutes 1992, section 216B.11, is amended to read:

# 216B.11 [DEPRECIATION RATES AND PRACTICES.]

The commission shall fix proper and adequate rates and methods of depreciation, amortization, or depletion in respect of utility property to encourage utilization of preferred energy sources, and every public utility shall conform its depreciation, amortization or depletion accounts to the rates and methods fixed by the commission.

Sec. 6. Minnesota Statutes 1993 Supplement, section 216B.16, subdivision 1, is amended to read:

Subdivision 1. [NOTICE.] (a) Unless the commission otherwise orders, no public utility shall change a rate which has been duly established under this chapter, except upon 60 days notice to the commission. The notice shall include statements of facts, expert opinions, substantiating documents, and exhibits, supporting the change requested, and state the change proposed to be made in the rates then in force and the time when the modified rates will go into effect. If the filing utility does not have an approved conservation improvement plan on file with the department of public service, it shall also include in its notice an energy conservation plan pursuant to section 216B.241.

(b) A utility may not notify the commission of a rate change unless the utility has an approved conservation improvement plan on file with the department of public service under section 216B.241 and has a current resource plan in effect under section 216B.2422. In its notification, the utility shall demonstrate and certify that it is in compliance with the requirements of section 216B.241 and the provisions of its own resource plan, including the timetable for meeting the specific goals for conservation and development of preferred energy resources. The commission may not accept notification without the demonstration and certification required in this paragraph.

(c) The filing utility shall give written notice, as approved by the commission, of the proposed change to the governing body of each municipality and county in the area affected. All proposed changes shall be shown by filing new schedules or shall be plainly indicated upon schedules on file and in force at the time.

Sec. 7. Minnesota Statutes 1992, section 216B.16, is amended by adding a subdivision to read:

<u>Subd. 14.</u> [LOW-INCOME CONSIDERATIONS IN SETTING RATES.] (a) The commission may consider ability to pay as a factor in setting rates under this section and shall establish discounts for low-income residential ratepayers in order to ensure affordable, reliable, and continuous service to low-income utility consumers unless the commission finds that discounted rates are not in the public interest. In setting discounted rates, the commission shall consider:

(1) the effect of rate levels and rate increases on customers who comprise the working poor,

(2) the impact of rate levels and rate increases as a percentage of the total income of a low-income residential customer;

(3) the potential for the discounted rate to provide savings to the utility for collection costs, the costs of carrying and collecting arrearages, disconnection and reconnection costs, regulatory expenses, working capital costs, bad debt expenses, and any other administrative costs related to inability to pay programs;

(4) how rate levels and rate increases affect the income available to low-income customers to purchase other basic necessities; and

(5) the potential for using discounted rates for low-income residential customers to leverage federal dollars for the state.

5872

(b) In determining the need for and structure of discounted rates under this subdivision, the commission shall:

(1) consult with advocates for and representatives of low-income utility consumers, administrators of energy assistance and conservation programs, and representatives of utilities;

(2) coordinate discounted rates with the state and federal energy assistance programs and low-income residential energy conservation programs, including weatherization programs;

(3) evaluate discount rates offered by utilities in other states;

(4) evaluate the impact of discount rates on disconnections and the costs to utilities of carrying, disconnecting, reconnecting, and otherwise managing delinquent or unpaid accounts;

(5) set discounted rates in relation to the percentage of income paid by low-income customers for utility service to ensure a meaningful discount and to ensure a minimal effect on ineligible ratepayers;

(6) evaluate the leveraging potential of various levels of discounted rates for low-income customers; and

(7) establish a discount rate oversight board for each public utility that includes representatives of the utility company, the energy programs division of the department of jobs and training, energy assistance program providers, senior citizens' groups, consumer advocates, and low-income taxpayers.

Sec. 8. Minnesota Statutes 1992, section 216B.162, subdivision 2, is amended to read:

Subd. 2. [COMPETITIVE RATE SCHEDULE PERMITTED.] (a) Notwithstanding section 216B.03, 216B.05, 216B.06, 216B.07, or 216B.16, the commission shall approve a competitive rate schedule when:

(1) the provision of service to a customer or a class of customers is subject to effective competition; and

(2) the schedule applies only to customers requiring electric service with a connected load of at least 2,000 kilowatts; and

(3) the electric utility offering the competitive rate has an approved conservation improvement plan on file with the department of public service and is in compliance with the requirements of section 216B.241, subdivision 1a, has in effect a resource plan required under section 216B.2422, and is in compliance with the timetable in its resource plan for meeting the goals specified in the plan for conservation and increased utilization of preferred energy sources.

(b) The commission may approve a competitive rate schedule that applies to customers subject to effective competition and requiring electric service with a connected load less than 2,000 kilowatts.

(c) The commission shall make a final determination in a proceeding begun under this section within 90 days of a miscellaneous rate filing by the electric utility.

Sec. 9. Minnesota Statutes 1992, section 216B.162, subdivision 4, is amended to read:

Subd. 4. [RATES AND TERMS OF COMPETITIVE RATE SCHEDULE.] When the commission authorizes a competitive rate schedule for a customer class, it shall set the terms and conditions of service for that schedule, which must include:

(1) that the minimum rate for the schedule recover at least the incremental cost of providing the service, including the cost of additional capacity that is to be added while the rate is in effect and any applicable on-peak or off-peak differential;

(2) that the maximum possible rate reduction under a competitive rate schedule does not exceed the difference between the electric utility's applicable standard tariff and the cost to the customer of the lowest cost competitive energy supply;

(3) that the term of a contract for a customer who elects to take service under a competitive rate must be no less than one year and no longer than five years;

(4) that the electric utility; within a general rate case, be allowed to seek is prohibited from recovery of the difference between the standard tariff and the competitive rate times the usage level during the test year period in the rates charged other customers;

(5) a determination that a rate within a competitive rate schedule meets the conditions of section 216B.03, for other customers in the same customer class;

(6) that the rate does not compete with district heating or cooling provided by a district heating utility as defined by section 216B.166, subdivision 2, paragraph (c); and

(7) that the rate may not be offered to a customer in which the utility has a financial interest greater than 50 percent; and

(8) that the utility must provide discounted rates for low-income residential customers and that the utility may recover the amount of revenue lost due to provision of discounted rates for low-income customers in a general rate case based on the test year period.

Sec. 10. Minnesota Statutes 1993 Supplement, section 216B.162, subdivision 7, is amended to read:

Subd. 7. [COMMISSION DETERMINATION.] (a) Except as provided under subdivision 6, competitive rates offered by electric utilities under this section must be filed with the commission and must be approved, modified, or rejected by the commission within 90 days. The utility's filing must include statements of fact demonstrating that the proposed rates meet the standards of this subdivision and that the utility is in compliance with sections 216B.241 and 216B.2422. The filing must be served on the department of public service and the office of the attorney general at the same time as it is served on the commission.

(b) In reviewing a specific rate proposal, the commission shall determine:

(1) that the rate meets the terms and conditions in subdivision 4, unless the commission determines that waiver of one or more terms and conditions would be in the public interest;

(2) that the consumer can obtain its energy requirements from an energy supplier not rate-regulated by the commission under section 216B.16;

(3) that the customer is not likely to take service from the electric utility seeking to offer the competitive rate if the customer was charged the electric utility's standard tariffed rate; and

(4) that after consideration of environmental and socioeconomic impacts it is in the best interest of all other customers to offer the competitive rate to the customer subject to effective competition; and

(5) that the energy source used by the utility to provide the electricity under the competitive rate is as preferred as or more preferred than the energy source that otherwise would be used to provide the electricity under the preferred energy source hierarchy in section 216C.051, subdivision 3, paragraph (b).

(c) If the commission approves the competitive rate, it becomes effective as agreed to by the electric utility and the customer. If the competitive rate is modified by the commission, the commission shall issue an order modifying the competitive rate subject to the approval of the electric utility and the customer. Each party has ten days in which to reject the proposed modification. If no party rejects the proposed modification, the commissioner's order becomes final. If either party rejects the commission's proposed modification, the electric utility, on its behalf or on the behalf of the customer, may submit to the commission a modified version of the commission's proposal. The commission shall accept or reject the modified version within 30 days. If the commission rejects the competitive rate, it shall issue an order indicating the reasons for the rejection.

Sec. 11. Minnesota Statutes 1992, section 216B.162, subdivision 8, is amended to read:

Subd. 8. [ENERGY EFFICIENCY MEASURES.] If the commission approves a competitive rate or the parties agree to a modified rate, the commission may <u>shall</u> require the electric utility to provide the customer with an energy audit and assist in implementing cost-effective energy efficiency improvements to assure that the customer's use of electricity is efficient. An investment in cost-effective energy conservation improvements required under this section must be treated as an energy conservation improvement program and included in the department's determination

5874

of significant investments under section 216B.241. The utility shall recover energy conservation improvement expenses in a rate proceeding under section 216B.16 or 216B.17 in the same manner as the commission authorizes for the recovery of conservation expenditures made under section 216B.241.

Sec. 12. Minnesota Statutes 1992, section 216B.164, subdivision 1, is amended to read:

Subdivision 1. [SCOPE AND PURPOSE.] This section The commission, the commissioner, and any other person shall at all times be construed construe this section in accordance with its intent to give the maximum possible encouragement to cogeneration and small power production consistent with protection of the ratepayers and the public interest.

Sec. 13. Minnesota Statutes 1992, section 216B.164, subdivision 3, is amended to read:

Subd. 3. [PURCHASES; SMALL FACILITIES.] (a) For a qualifying facility having less than  $40 \underline{80}$ -kilowatt capacity, the customer shall be billed for the net energy supplied by the utility according to the applicable rate schedule for sales to that class of customer. In the case of net input into the utility system by a qualifying facility having less than  $40 \underline{80}$ -kilowatt capacity, compensation to the customer shall be at a per kilowatt hour rate determined under paragraph (b) or (c) of this subdivision.

(b) In setting rates, the commission shall consider the fixed distribution costs to the utility not otherwise accounted for in the basic monthly charge and shall ensure that the costs charged to the qualifying facility are not discriminatory in relation to the costs charged to other customers of the utility. The commission shall set the rates for net input into the utility system based on avoided costs as defined in the Code of Federal Regulations, title 18, section 292.101(b)(6), the factors listed in Code of Federal Regulations, title 18, section 292.304, and all other relevant factors.

(c) Notwithstanding any provision in this chapter to the contrary, a qualifying facility having less than 40 <u>80-</u>kilowatt capacity may elect that the compensation for net input by the qualifying facility into the utility system shall be at the average retail utility energy rate. "Average retail utility energy rate" is defined as the average of the retail energy rates, exclusive of special rates based on income, age, or energy conservation, according to the applicable rate schedule of the utility for sales to that class of customer.

(d) If the qualifying facility is interconnected with a nongenerating utility which has a sole source contract with a municipal power agency or a generation and transmission utility, the nongenerating utility may elect to treat its purchase of any net input under this subdivision as being made on behalf of its supplier and shall be reimbursed by its supplier for any additional costs incurred in making the purchase. Qualifying facilities having less than 40 <u>80-</u>kilowatt capacity may, at the customer's option, elect to be governed by the provisions of subdivision 4.

Sec. 14. Minnesota Statutes 1993 Supplement, section 216B.164, subdivision 4, is amended to read:

Subd. 4. [PURCHASES; WHEELING; COSTS.] (a) Except as otherwise provided in paragraph (c) (f), this subdivision shall apply applies to all qualifying facilities having 40 kilowatt capacity or more with a capacity of no more than 500 kilowatts as well as qualifying facilities as defined in subdivision 3 which elect to be governed by its provisions.

(b) The utility to which the qualifying facility is interconnected shall purchase all energy and capacity made available by the qualifying facility.

(c) Except as provided in paragraphs (d) and (e), the owner or operator of a qualifying facility shall be paid the utility's full avoided capacity and energy costs as negotiated by the parties, as set by the commission, or as determined through competitive bidding approved by the commission. The full avoided capacity and energy costs to be paid the owner or operator of a qualifying facility that generates electric power by means of a renewable preferred energy source are the utility's least cost renewable preferred energy facility or the bid of a competing supplier of a least cost renewable preferred energy facility, whichever is lower, unless the commission's resource plan order, under section 216B.2422, subdivision 2, provides that the use of a renewable preferred resource to meet the identified capacity need is not in the public interest. The comparison of costs under this paragraph must be between the qualifying facility and an energy source or facility that is as preferred as or more preferred than the qualifying facility under section 216C.051, subdivision 3, paragraph (b).

(d) The owner or operator of a qualifying facility of no more than 80 kilowatts that begins operation by January 1, 2005, shall be paid 100 percent of the purchasing utility's average retail utility rate. The owner or operator of a qualifying facility of more than 80 but no more than 500 kilowatts that begins operation by January 1, 2005, shall be paid:

(2) for a facility that utilizes an energy source that is described in section 216B.051, subdivision 3, paragraph (b), clause (2), 80 percent of the purchasing utility's average retail utility rate; and

(3) for a facility that utilizes an energy source that is described in section 216C.051, subdivision 3, paragraph (b), clause (3), 70 percent of the purchasing utility's average utility rate.

(e) An owner or operator, and any interest affiliated with the owner or operator for any energy purpose, of a qualifying facility may receive payment under paragraph (d) for one qualifying facility. The owner or operator, or any interest affiliated with the owner or operator for an energy purpose, of a qualifying facility that has received payment under paragraph (d) will receive payment under paragraph (c) for any other qualifying facility.

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) "Utility" means an entity with the capability of generating 100,000 kilowatts or more of electric power and serving, either directly or indirectly, the needs of 10,000 retail customers in Minnesota. Utility does not include federal power agencies.

(c) "Renewable <u>Preferred</u> energy" means electricity generated through use of any of the following resources <u>energy</u> sources listed in section 216C.051, subdivision 3, paragraph (b), clauses (1) to (3):

(1) wind;

(2) solar;

(3) geothermal;

(4) hydro;

(5) trees or other vegetation; or

(6) landfill-gas.

(d) "Resource plan" means a set of resource options that a utility could use to meet the service needs of its customers over a forecast period, including an explanation of the supply and demand circumstances under which, and the extent to which, each resource option would be used to meet those service needs. These resource options include using, refurbishing, and constructing utility plant and equipment, buying power generated by other entities, controlling customer loads, and implementing customer energy conservation.

(e) "Refurbish" means to rebuild or substantially modify an existing electricity generating resource of 30 megawatts or greater.

Sec. 19. Minnesota Statutes 1993 Supplement, section 216B.2422, subdivision 4, is amended to read:

Subd. 4. [PREFERENCE FOR <u>RENEWABLE</u> <u>PREFERRED</u> ENERGY FACILITY.] The commission shall not approve a new or refurbished <u>nonrenewable</u> <u>subordinate</u> energy facility in an integrated resource plan or a certificate of need, pursuant to section 216B.243, nor shall the commission allow rate recovery pursuant to section 216B.16 for such a <u>nonrenewable</u> <u>subordinate</u> energy facility, unless the utility has demonstrated that a <u>renewable</u> <u>preferred</u> energy facility is not in the public interest. For the purposes of this section, "subordinate energy facility" means a facility that <u>utilizes energy sources listed in section 216C.051</u>, subdivision 3, paragraph (b), clauses (3) to (5), and "preferred energy facility" means a facility that utilizes energy sources listed in section 216C.051, subdivision 3, paragraph (b), clauses (1) and (2). 5878

The commission may approve the replacement with subordinate energy and may allow rate recovery for the replacement under section 216B.16 for up to the actual amount of capacity with preferred energy.

Sec. 21. Minnesota Statutes 1992, section 216B.243, subdivision 3, is amended to read:

Subd. 3. [SHOWING REQUIRED FOR CONSTRUCTION.] No proposed large energy facility shall be certified for construction unless the applicant can show that demand for electricity cannot be met more cost effectively through energy conservation and load-management measures and unless the applicant has otherwise justified its need. In assessing need, the commission shall evaluate:

(1) the accuracy of the long-range energy demand forecasts on which the necessity for the facility is based;

(2) the effect of existing or possible energy conservation programs under sections <u>216B.241</u>, 216C.05 to 216C.30, and this section or other federal or state legislation on long-term energy demand;

The attorney general shall act as counsel in the proceedings.

Sec. 2. Minnesota Statutes 1992, section 216A.085, subdivision 1, is amended to read:

Subdivision 1. [CREATION.] There is created within the department of public service an intervention office to represent the interests of Minnesota residents, businesses, and governments, with particular emphasis on the public interest in the energy policies, goals, and preferences specified in chapter 216C, before bodies and agencies outside the state that make, interpret, or implement national and international energy policy.

Sec. 3. Minnesota Statutes 1992, section 216B.01, is amended to read:

216B.01 [LEGISLATIVE FINDING.]

It is hereby declared to be in the public interest that public utilities be regulated as hereinafter provided in order to provide the retail consumers of natural gas and electric service in this state with adequate, energy efficient, and reliable services at reasonable rates, consistent with the financial and economic requirements of public utilities and their need to construct facilities to provide such services or to otherwise obtain energy supplies utilizing preferred energy sources because they minimize unfunded or underfunded environmental, social, and economic costs and maximize energy-related jobs and other energy-related income in the state through development and maintenance of indigenous, preferred energy sources, to avoid unnecessary duplication of facilities which increase the cost of service to the consumer and to minimize disputes between public utilities which may result in inconvenience or diminish efficiency in service to the consumers. It is also in the public interest that present consumers pay the costs of providing the energy they consume, including costs related to pollution caused by the generation and provision of the energy so that future consumers or present or future taxpayers are not required to pay the costs incurred by Because municipal utilities are presently effectively regulated by the residents of the present consumers. municipalities which own and operate them, and cooperative electric associations are presently effectively regulated and controlled by the membership under the provisions of chapter 308A, it is deemed unnecessary to subject such utilities to regulation under this chapter except as specifically provided herein.

Sec. 4. Minnesota Statutes 1992, section 216B.03, is amended to read:

216B.03 [REASONABLE RATE.]

Every rate made, demanded, or received by any public utility, or by any two or more public utilities jointly, shall be just and reasonable. Rates shall not be unreasonably preferential, unreasonably prejudicial, or <u>unreasonably</u> discriminatory, but shall be sufficient, equitable, and consistent in application to a class of consumers. To the maximum reasonable extent, the commission shall set rates to encourage energy conservation and <del>renewable</del> <u>preferred</u> energy use and to further the goals of sections 216B.164, and 216B.241, and 216C.05 <u>chapter 216C</u>. Any doubt as to reasonableness should be resolved in favor of the consumer. For rate making purposes a public utility may treat two or more municipalities served by it as a single class wherever the populations are comparable in size or the conditions of service are similar.

Sec. 5. Minnesota Statutes 1992, section 216B.16, subdivision 6, is amended to read:

Subd. 6. [FACTORS CONSIDERED, GENERALLY.] The commission, in the exercise of its powers under this chapter to determine just and reasonable rates for public utilities, shall give due consideration to the public need for adequate, efficient, and reasonable service and to the need of the public utility for revenue sufficient to enable it to meet the cost of furnishing the service, including adequate provision for depreciation of its utility property used and useful in rendering service to the public, and to earn a fair and reasonable return upon the investment in such property, and to research and develop utilization of preferred energy sources specified in section 216C.051. In determining the rate base upon which the utility is to be allowed to earn a fair rate of return, the commission shall give due consideration to evidence of the cost of the property when first devoted to public use, to prudent acquisition

cost to the public utility less appropriate depreciation on each, to construction work in progress, to offsets in the nature of capital provided by sources other than the investors, and to other expenses of a capital nature. For purposes of determining rate base, the commission shall consider the original cost of utility property included in the base and shall make no allowance for its estimated current replacement value, except for property wholly related to generation of electricity using the energy sources listed in section 216C.051, subdivision 3, paragraph (b), clauses (1) and (2).

A contract requirement between a health care provider and health plan company that obligates the health care provider to provide health care services exclusively to enrollees or insureds of the health plan company applies only if the health plan company maintains the same licensure status that it did at the time the contract was entered into. If the health plan company changes its licensure status, a contract for the exclusive provision of services is not valid and is not enforceable. For purposes of this section, the provision of health care services through a preferred provider organization is considered a form of licensure status. This section does not apply to health care providers employed by a health plan company."

"Sec. 3. [62Q.33] [LOCAL GOVERNMENT PUBLIC HEALTH FUNCTIONS.]

<u>Subdivision 1.</u> [FINDINGS.] The legislature finds that the local government public health functions of community assessment, policy development, and assurance of service delivery are essential elements in consumer protection and in achieving the objectives of health care reform in Minnesota. The legislature further finds that the site-based and

population-based services provided by state and local health departments are a critical strategy for the long-term containment of health care costs. The legislature further finds that without adequate resources, the local government public health system will lack the capacity to fulfill these functions in a manner consistent with the needs of a reformed health care delivery system.

<u>Subd. 2.</u> [REPORT ON SYSTEM DEVELOPMENT.] The commissioner of health, in consultation with the state community health services advisory committee and the commissioner of human services, and representatives of local health departments, county government, a municipal government acting as a local board of health, the Minnesota health care commission, area Indian health services, health care providers, and citizens concerned about public health, shall coordinate the process for defining implementation and financing responsibilities of the local government core public health functions. The commissioner shall submit recommendations and an initial and final report on local government core public health functions according to the timeline established in subdivision 5.

<u>Subd. 3.</u> [CORE PUBLIC HEALTH FUNCTIONS.] (a) The report required by subdivision 2 must describe the local government core public health functions of: assessment of community health needs; goal-determination, public policy, and program development for addressing these needs; and assurance of service availability and accessibility to meet community health goals and needs. The report must further describe activities for implementation of these functions that are the continuing responsibility of the local government public health system, taking into account the ongoing reform of the health care delivery system.

(b) The activities to be defined in terms of the local government core public health functions include, but are not limited to:

(1) consumer protection and advocacy;

(2) targeted outreach and linkage to personal services;

(3) health status monitoring and disease surveillance;

(4) investigation and control of diseases and injuries;

(5) protection of the environment, work places, housing, food, and water;

(6) laboratory services to support disease control and environmental protection;

(7) health education and information;

(8) community mobilization for health-related issues;

(9) training and education of public health professionals;

(10) public health leadership and administration;

(11) emergency medical services;

(12) violence prevention; and

(13) other activities that have the potential to improve the health of the population or special needs populations and reduce the need for or cost of health care services.

<u>Subd.</u> <u>4.</u> [CAPACITY BUILDING, ACCOUNTABILITY AND FUNDING.] <u>The recommendations required by</u> <u>subdivision 2 shall include:</u>

(1) a definition of minimum outcomes for implementing core public health functions, including a local ombudsperson under the assurance of services function;

(2) the identification of counties and applicable cities with public health programs that need additional assistance to meet the minimum outcomes;

(3) a budget for supporting all functions needed to achieve the minimum outcomes, including the local ombudsperson assurance of services function;

(4) an analysis of the costs and benefits expected from achieving the minimum outcomes;

(5) strategies for improving local government public health functions throughout the state to meet the minimum outcomes including: (i) funding distribution for local government public health functions necessary to meet the minimum outcomes; and (ii) strategies for the financing of personal health care services within the uniform benefits set and identifying appropriate mechanisms for the delivery of these services; and

(6) a recommended level of dedicated funding for local government public health functions in terms of a percentage of total health service expenditures by the state or in terms of a per capita basis, including methods of allocating the dedicated funds to local government.

Subd. 5. [TIMELINE.] (a) By October 1, 1994, the commissioner shall submit to the legislative commission on health care access the initial report and recommendations required by subdivisions 2 to 4.

(b) By February 15, 1995, the commissioner, in cooperation with the legislative commission on health care access, shall submit a final report to the legislature, with specific recommendations for capacity building and financing to be implemented over the period from January 1, 1996, through December 31, 1997.

(c) By January 1, 1997, and by January 1 of each odd-numbered year thereafter, the commissioner shall present to the legislature an updated report and recommendations."

[POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract, or other evidence of coverage of nursing home care or other long-term care services shall be offered, issued, delivered, or renewed in this state, whether or not the policy is issued in this state, unless the policy is offered, issued, delivered, or renewed by a qualified insurer and the policy satisfies the requirements of sections 62A.46 to 62A.56. A long-term care policy must cover prescribed long-term care in nursing facilities and at least the prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Coverage under a long-term care policy A must include: a maximum lifetime benefit limit of at least \$50,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Prior hospitalization may not be required under a long-term care policy.

Coverage under either policy designation must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under either policy designation may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period; for purposes of this sentence, "days" means calendar days. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. No policy may require the insured to be homebound or house confined to receive home care services. The policy must include a provision that the plan will not be canceled or renewal refused except on the grounds of nonpayment of the premium, provided that the insurer may change the premium rate on a class basis on any policy anniversary date. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

#### WEDNESDAY, MARCH 30, 1994

No individual long-term care policy shall be offered or delivered in this state until the insurer has received from the insured a written designation of at least one person, in addition to the insured, who is to receive notice of cancellation of the policy for nonpayment of premium. The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two additional persons is optional and must provide space clearly designated for listing between one and three persons. Subd. 3. [ELIGIBLE APPLICANTS AND CRITERIA FOR AWARDING OF GRANTS TO RURAL COMMUNITIES.] (a) Funding which the department receives to award grants to rural communities to establish health care networks shall be awarded through a request for proposal process. Planning grant funds may be used for community facilitation and initial network development activities including incorporation as a nonprofit organization or cooperative, assessment of network models, and determination of the best fit for the community. Implementation grant funds can be used to enable incorporated nonprofit organizations and cooperatives to purchase technical services needed for further network development such as legal, actuarial, financial, marketing, and administrative services.

(b) In order to be eligible to apply for a planning or implementation grant under the federally funded health care network reform program, an organization must be located in a rural area of Minnesota excluding the seven-county Twin Cities metropolitan area and the census-defined urbanized areas of Duluth, Rochester, St. Cloud, and Moorhead. The proposed network organization must also meet or plan to meet the criteria for a community integrated service network.

### (c) In determining which organizations will receive grants, the commissioner may consider the following factors:

(1) the applicant's description of their plans for health care network development, their need for technical assistance, and other technical assistance resources available to the applicant. The applicant must clearly describe the service area to be served by the network, how the grant funds will be used, what will be accomplished, and the expected results. The applicant should describe achievable objectives, a timetable, and roles and capabilities of responsible individuals and organizations;

(2) the extent of community support for the applicant and the health care network. The applicant should demonstrate support from private and public health care providers in the service area, local community and government leaders, and the regional coordinating board for the area. Evidence of such support may include commitment of financial support, in-kind services or cash, for development of the network;

(3) the size and demographic characteristics of the population in the service area for the proposed network and the distance of the service area from the nearest metropolitan area; and

(4) the technical assistance resources available to the applicant from nonstate sources and the financial ability of the applicant to purchase technical assistance services with nonstate funds."

"Sec. 41. [317A.022] [ELECTION BY CERTAIN CHAPTER 318 ASSOCIATIONS.]

<u>Subdivision 1.</u> [GENERAL.] <u>An association described in section 318.02, subdivision 5, may elect to cease to be an association subject to and governed by chapter 318 and to become subject to and governed by this chapter in the same manner and to the extent provided in this chapter as though it were a nonprofit corporation by complying with this section.</u>

Subd. 2. [AMENDED TITLE AND OTHER CONFORMING AMENDMENTS.] The declaration of trust, as defined in section 318.02, subdivision 1, of the association must be amended to identify it as the "articles of an association electing to be treated as a nonprofit corporation." All references in this chapter to "articles" or "articles of incorporation" include the declaration of trust of an electing association. If the declaration of trust includes a provision prohibited by this chapter for inclusion in articles of incorporation, omits a provision required by this chapter to be included in articles of incorporation, or is inconsistent with this chapter, the electing association shall amend its declaration of trust to conform to the requirements of this chapter. The appropriate provisions of the association's declaration of trust or bylaws or chapter 318 control the manner of adoption of the amendments required by this subdivision.

Subd. 3. [METHOD OF ELECTION.] An election by an association under subdivision 2 must be made by resolution approved by the affirmative vote of the trustees of the association and by the affirmative vote of the members or other persons with voting rights in the association. The affirmative vote of both the trustees of the association and of the members or other persons with voting rights, if any, in the association must be of the same proportion that is required for an amendment of the declaration of trust of the association before the election, in each case upon proper notice that a purpose of the meeting is to consider an election by the association to cease to be an association subject to and governed by chapter 318 and to become and be a nonprofit corporation subject to and governed by this chapter. The resolution and the articles of the amendment of the declaration of trust must be filed with the secretary of state and are effective upon filing, or a later date as may be set forth in the filed resolution. Upon the effective date, without any other action or filing by or on behalf of the association, the association automatically is subject to this chapter in the same manner and to the same extent as though it had been formed as a nonprofit corporation pursuant to this chapter. Upon the effective date of the election, the association is not considered to be a new entity, but is considered to be a continuation of the same entity.

<u>Subd. 4.</u> [EFFECTS OF ELECTION.] <u>Upon the effective date of an association's election under subdivision 3, and consistent with the continuation of the association under this chapter:</u>

(1) the organization has the rights, privileges, immunities, powers, and is subject to the duties and liabilities, of a corporation formed under this chapter;

(2) all real or personal property, debts, including debts arising from a subscription for membership and interests belonging to the association, continue to be the real and personal property, and debts of the organization without further action;

(3) an interest in real estate possessed by the association does not revert to the grantor, or otherwise, nor is it in any way impaired by reason of the election, and the personal property of the association does not revert by reason of the election;

(4) except where the will or other instrument provides otherwise, a devise, bequest, gift, or grant contained in a will or other instrument, in a trust or otherwise, made before or after the election has become effective, to or for the association, inures to the organization;

(5) the debts, liabilities, and obligations of the association continue to be the debts, liabilities, and obligations of the organization, just as if the debts, liabilities, and obligations had been incurred or contracted by the organization after the election;

(6) existing claims or a pending action or proceeding by or against the association may be prosecuted to judgment as though the election had not been affected;

(7) the liabilities of the trustees, members, officers, directors, or similar groups or persons, however denominated, of the association, are not affected by the election;

(8) the rights of creditors or liens upon the property of the association are not impaired by the election;

(9) an electing association may merge with one or more nonprofit corporations in accordance with the applicable provisions of this chapter, and either the association or a nonprofit corporation may be the surviving entity in the merger; and

(10) the provisions of the bylaws of the association that are consistent with this chapter remain or become effective and provisions of the bylaws that are inconsistent with this chapter are not effective.

Sec. 42. Minnesota Statutes 1992, section 318.02, is amended by adding a subdivision to read:

<u>Subd. 5.</u> [ELECTION TO BE GOVERNED BY CHAPTER 317A.] <u>An association may cease to be subject to or</u> governed by this chapter by filing an election in the manner described in section <u>317A.022</u>, to be subject to and governed by chapter <u>317A</u> in the same manner and to the same extent provided in chapter <u>317A</u> as though it were a nonprofit corporation if:

(1) it is not formed for a purpose involving pecuniary gain to its members, other than to members that are nonprofit organizations or subdivisions, units, or agencies of the United States or a state or local government; and

(2) it does not pay dividends or other pecuniary remuneration, directly or indirectly, to its members, other than to members that are nonprofit organizations or subdivisions, units, or agencies of the United States or a state or local government.

## HEALTH CARE COOPERATIVES

(1) for payments made in calendar year 1994, the surcharge shall be zero percent of total premium revenue;

(2) for payments made in calendar year 1995, the surcharge shall be two-tenths of one percent of total premium revenue;

(3) for payments made in calendar year 1996, the surcharge shall be three-tenths of one percent of total premium revenue;

(4) for payments made in calendar year 1997, the surcharge shall be four-tenths of one percent of total premium revenue;

(5) for payments made in calendar year 1998, the surcharge shall be five-tenths of one percent of total premium revenue; and

(6) for payments made in calendar year 1999 and subsequent calendar years, the surcharge shall be six-tenths of one percent of total premium revenue.

Sec. 2. [308B.01] [STATEMENT OF LEGISLATIVE PURPOSE AND INTENT.]

The legislature finds that the goals of containing health care costs, improving the quality of health care, and increasing the access of Minnesota citizens to health care services reflected under chapters 62] and 62N may be further enhanced through the promotion of health care cooperatives. The legislature further finds that locally based and controlled efforts among health care providers, local businesses, units of local government, and health care consumers, can promote the attainment of the legislature's goals of health care reform, and takes notice of the long history of successful operations of cooperative organizations in this state. Therefore, in order to encourage cooperative efforts awith the goals of health care reform, including efforts among health care providers as sellers of health care services and efforts of consumers as buyers of health care services and health plan coverage, and to encourage the formation of and increase the competition among health plans in Minnesota, the legislature enacts the Minnesota health care cooperative act.

Sec. 3. [308B.02] [CITATION.]

This chapter may be cited as the "Minnesota health care cooperative act."

After incorporation, a health care cooperative shall enjoy the powers and privileges and shall be subject to the duties and liabilities of other cooperatives organized under chapter 308A, to the extent applicable and except as limited or enlarged by this chapter. If any provision of this chapter conflicts with a provision of chapter 308A, the provision of this chapter takes precedence.

The health care network cooperative shall be subject to the duties and liabilities of health plans licensed pursuant to the chapter under which the cooperative elects to be licensed, to the extent applicable and except as limited or enlarged by this chapter. If any provision of any chapter under which the cooperative elects to be licensed conflicts with the provisions of this chapter, the provisions of this chapter take precedence.

Subd. 3. [HEALTH PROVIDER COOPERATIVES.] <u>A health provider cooperative organized under this chapter</u> shall not be considered a mutual insurance company under chapter 60A, a health maintenance organization under chapter 62D, a nonprofit health services corporation under chapter 62C, or a community integrated service network or an integrated service network under chapter 62N. <u>A health provider network shall not be considered to violate</u> any limitations on the corporate practice of medicine. <u>Health care service contracts under section 308B.06 shall not be considered to violate section 62J.23.</u>

(2) is licensed to provide and provides the contracted services, either directly or through an affiliate, or is a group of licensed providers organized as a health provider cooperative. For purposes of this subdivision, an "affiliate" is any person that directly or indirectly controls, or is controlled by, or is under common control with, the health care providing entity, and "control" exists when any person, directly or indirectly, owns, controls, or holds the power to vote, or holds proxies representing, no less than 80 percent of the voting securities or governance rights of any other person;

<u>Subd. 8.</u> [PROVIDER AMOUNT AT RISK.] <u>"Provider amount at risk" means a dollar amount certified by an actuary to represent the expected direct costs to an accredited capitated provider for providing the contracted, covered health care services to the enrollees of the health care network cooperative to which it is accredited for a period of 90 days.</u>

Each purchasing entity is authorized to execute contracts for the purchase of health care services from a health provider cooperative in accordance with this section. Any contract between a provider cooperative and a purchaser must provide for payment by the purchaser to the health provider cooperative on a substantially capitated or similar risk-sharing basis. Each contract between a provider cooperative and a purchaser shall be filed by the provider network cooperative with the commissioner of health and is subject to the provisions of section 62D.19.

Subd. 2. [NO NETWORK LIMITATION.] <u>A health care network cooperative may contract with any health provider</u> cooperative and may contract with any other licensed health care provider to provide health care services for its enrollees.

<u>Subd. 3.</u> [NO RESTRAINT OF TRADE.] <u>A health provider cooperative exercising authority under this section is not a combination in restraint of trade. The contracts adopted under this section are not illegal, or an unlawful restraint of trade, or part of a conspiracy or combination to accomplish an improper or illegal purpose.</u>

Sec. 8. [308B.07] [AMENDMENT OF ARTICLES.]

Subd. 3. [VOTING GENERALLY.] The requirements and procedures for membership voting for each health care cooperative shall be as provided in the bylaws.

Sec. 11. [308B.10] [GOVERNMENTAL PARTICIPATION.]

(2) a written plan of relicensure has been approved by the affirmative vote of two-thirds of the cooperative's board of directors and by a majority of its members present and voting at a regular or special meeting of the members at which the plan of relicensure is submitted for approval;

(3) the cooperative's amended articles of incorporation have been filed with the secretary of state;

(5) following the completion of all of the above, the cooperative has surrendered its previous license to the agency that granted the license.

(b) The relicensure shall be effective at the time specified in the plan of relicensure, which must not be earlier than the date upon which the previous license is surrendered.

(c) Upon the relicensure of the cooperative as a community integrated service network or an integrated service network:

(1) all existing group and individual enrollee benefit contracts in force on the effective date of the relicensure shall continue in effect and with the same terms and conditions, notwithstanding the cooperative's new licensure as a network, until the date of each contract's next renewal or amendment, but no later than one year from the date of the relicensure. At this time, each benefit contract then in force must be amended to comply with all statutory and regulatory requirements for network benefit contracts as of that date; and

(2) all contracts between the cooperative and any health care providing entity, including a health care provider cooperative, in force on the effective date of relicensure shall remain in effect under the cooperative's new licensure as a network until the date of the next renewal or amendment of that contract, but no later than one year from the date of relicensure.

(d) Except as otherwise provided in this section, nothing in the relicensure of a health care network cooperative shall in any way affect its corporate existence or any of its contracts, rights, privileges, immunities, powers or franchises, debts, duties or other obligations or liabilities.

Sec. 13. [308B.12] [ACCREDITED CAPITATED PROVIDERS GENERALLY.]

<u>Subdivision 1.</u> [GENERAL.] <u>A health care providing entity seeking accreditation under this chapter may be organized under chapter 302A, 317A, 319A, or may be a governmental hospital authorized, organized, or operated under chapters 158, 250, 376, and 397, or under sections 246A.01 to 246A.27, 412.221, 447.05 to 447.13, 447.31, or 471.59, or under any special law authorizing or establishing a hospital or hospital district.</u>

<u>Subd. 2.</u> [NO COMPELLED ACCREDITATION.] <u>No health care providing entity shall be compelled by a health care network cooperative to obtain accreditation under this section.</u>

<u>Subd. 3.</u> [OTHER RELATIONSHIPS PERMITTED.] <u>Accreditation of a health care providing entity or a health</u> provider cooperative does not preclude the accredited entity from other participation in the structure or operation of a health care network cooperative, including, without limitation, participation as a member, guarantor, lender or provider of services. <u>A health care providing entity or health provider cooperative may serve as an accredited</u> capitated provider for more than one health care network cooperative, as agreed between the accredited capitated provider and each health care network cooperative, and as approved by the appropriate commissioner. A health care network cooperative may make capitated payments to nonaccredited health care providing entities or health provider cooperatives.

<u>Subd. 4.</u> [EFFECT OF OTHER LAWS.] <u>An accredited capitated provider shall not, solely by reason of accreditation</u> under this section, be considered to be an insurance company under chapter 60A, a health maintenance organization under chapter 62D, a nonprofit health service plan corporation under chapter 62C, or a community integrated service network or integrated service network under chapter 62N.

Sec. 14. [308B.13] [STANDARDS FOR ACCREDITATION.]

<u>Subdivision 1.</u> [GENERAL.] Each health care providing entity or health provider cooperative seeking initial accreditation as an accredited capitated provider shall submit to the appropriate commissioner sufficient information to establish that the applicant has operational capacity, facilities, personnel, and financial capability to provide the contracted covered services to the enrollees of the health care network cooperative for which it seeks accreditation on: (1) an ongoing basis; and (2) for a period of 90 days following the insolvency of the network without receiving payment from the network. Accreditation shall continue until abandoned by the accredited capitated provider or revoked by the commissioner in accordance with subdivision 7.

<u>Subd. 2.</u> [OPERATIONAL CAPACITY.] <u>The applicant for accreditation must establish that its operational capacity,</u> <u>available facilities, and current personnel are sufficient to provide the services which it has contracted to provider</u> <u>enrollees and for which it seeks accreditation.</u>

<u>Subd. 3.</u> [FINANCIAL CAPABILITY.] <u>The applicant for accreditation must establish that it can withstand the loss</u> of capitated payment from the health care network cooperative for a period of not more than 90 days. The applicant may establish this capability by demonstrating that the provider amount at risk can be covered by or through any of the following, either alone or in combination:

(1) allocated or restricted funds;

(2) the availability of a letter of credit from a bank or other financial institution meeting the requirements of section 60A.093; subdivision 2;

(3) the taxing authority of the applicant or governmental sponsor of the applicant;

(4) a debt rating in the highest two categories for investment grade debt;

(5) an unrestricted fund balance at least two times the provider amount at risk;

(6) reinsurance, either purchased directly by the applicant or by the integrated service network to which it will be accredited, from an insurance company licensed in, or a reinsurer accredited in, the state of Minnesota; or

(7) any other method accepted by the commissioner.

Subd. 4. [SAFE HARBOR.] <u>Financial capability of the applicant shall be presumed to exist if the number of capitated enrollees from all health care network cooperatives to which the applicant will be accredited is not reasonably expected to exceed 15 percent of the total patient population served by the applicant.</u>

Subd. 5. [ANNUAL REPORTING PERIOD.] Each accredited capitated provider shall submit to the appropriate commissioner annually, no later than April 15, information regarding its ongoing ability to accept risk as provided in this section, including but not limited to the following information for each health care network cooperative to which it is accredited:

(1) the provider amount at risk for that year;

(2) the number of enrollees for the integrated service network, both for the prior year and estimated for the current year;

(3) any material change in the operational capacity of the accredited provider since its last report to the commissioner;

(4) any material change since the last report to the commissioner to any of the bases under which the financial capability of the accredited capitated provider was established; and

(5) any other information reasonably requested by the commissioner.

<u>Subd. 6.</u> [ADDITIONAL REPORTING.] <u>Each accredited capitated provider shall provide the appropriate commissioner with the following information within the time period described below:</u>

(1) notice of any material, negative change in the accredited capitated provider's financial condition, including loss or reinsurance, within ten business days of the day the accredited capitated provider becomes aware of the change;

(2) notice of any change in the accredited capitated provider's operational capabilities, to the extent the change materially and negatively affects the enrollees of the health care network cooperative to which the accredited capitated provider is accredited, within ten business days of the day the accredited capitated provider becomes aware of the change;

(3) termination of the accredited capitated provider relationship with a health care network cooperative within five business days of the date of termination; and

(4) any additional information reasonably within the control of the accredited capitated provider that is material to the ongoing operational or financial capability of the accredited capitated provider to accept risk under this section within 15 business days of the receipt of a written request from the commissioner.

<u>Subd. 7.</u> [REVOCATION OF ACCREDITATION.] <u>The appropriate commissioner may revoke the accreditation of</u> an accredited capitated provider if the accredited capitated provider's ongoing operational or financial capabilities fail to meet the requirements of this section. The revocation must be handled in the same fashion as placing a health carrier under administrative supervision in accordance with the provisions applicable to health carriers operating under comparable licensure.

Sec. 2. [346.59] [STANDARDS.]

Subdivision 1. [APPLICABILITY.] This section applies to breeders, brokers, and pet dealers. Breeders, brokers, and pet dealers do not need to comply with section 346.39.

Subd. 2. [FOOD.] Animals must be provided with food which meets or exceeds National Research Council standards for nutrients and balance and American Association of Feed Company Officials, Inc., standards of processing of sufficient quantity and quality to allow for normal growth or maintenance of body weight. Animals must be provided wholesome food suitable for the species served in a clean receptacle, dish, or container, at a frequency and amount appropriate for the species and age. Animals over the age of 20 weeks must be offered food at least once every 12 hours.

Subd. 3. [WATER.] Animals must be provided access to clean, fresh, potable water provided in a sanitary manner at least once every 12 hours or in sufficient quantity to satisfy the animals' needs or supplied by free choice. Snow or ice is not an adequate water source.

Subd. 4. [SHELTER.] A shelter that protects the animal from inclement weather, wind, and direct rays of the sun must be supplied for each animal. If an animal is maintained in an outdoor confinement area, that space must contain a shelter that complies with section 343.40. If an animal is maintained in a confinement area within a housing facility used primarily to house animals, the confinement area must provide sufficient space to allow each animal to turn around freely and to easily stand, sit, and lie in a normal position. Each confined animal must be provided a minimum square footage of floor space as measured from the tip of its nose to the base of its tail, plus 25 percent, expressed in square feet. The formula for computing minimum square footage is: (length of animal in inches plus 25 percent) divided by 144.

Subd. 5. [CONFINEMENT AND EXERCISE AREA SURFACES.] The interior surfaces of all indoor confinement and exercise areas, including crates or containers, must be constructed and maintained so that they are impermeable and may be readily cleaned. Confinement area flooring must be constructed of nonabrasive wire of ten gauge or larger or smooth, durable, impermeable material suitable for animals. Sufficient space or barrier must be provided between confinement areas to ensure that no liquid or solid waste, water, or food passes from one confinement area to the other. Confinement areas must be ventilated sufficiently to allow for the free movement of air in and around the confinement area. Confinement areas must protect the animal from injury and be kept in good repair. All outdoor confinement area flooring must be impermeable material or well drained aggregate. Each animal must be provided with a raised solid resting surface of appropriate size to allow the animal to lie down comfortably.

Subd. 6. [EXERCISE.] All animals must be provided the opportunity for exercise at least twice per day. An indoor or outdoor exercise area of at least 72 square feet must be provided for each animal. If more than three animals use an area simultaneously, space must be increased to allow sufficient room for each animal to exercise freely. A shaded area must be provided sufficient to protect the animal from the direct rays of the sun at all times during the months of May to October.

Subd. 7. [GROUP HOUSING AND BREEDING.] <u>Animals housed together must be kept in compatible groups.</u> Animals must not be bred so as to endanger their health. Health is endangered if a female is bred more than three times in two years. A female animal younger than 18 months may not be bred. A female animal over eight years old may not be bred unless individually authorized in writing by a veterinarian.

<u>Subd. 8.</u> [TEMPERATURE.] Indoor housing facilities for animals must be maintained at an ambient temperature of not less than 50 degrees Fahrenheit at floor level. Heating and cooling units must be of a type and installation approved by applicable building or safety codes. Infrared heating devices may not be used as a primary heating source.

Subd. 9. [VENTILATION.] Housing facilities must be ventilated. Auxiliary ventilation, such as exhaust fans, vents, air conditioning, or a combination of them, must be used when the ambient temperature exceeds 85 degrees Fahrenheit at floor level. Facilities used primarily to house animals must be equipped with an air exchange or air purification system that fully exchanges or purifies the air at least four times per hour. This system must be of a type and installation approved by applicable building or safety codes.

<u>Subd. 10.</u> [LIGHTING.] <u>Housing facilities must have at least eight hours of illumination at a minimum of 25 foot</u> candles 30 inches above floor level. <u>Ample lighting, by natural or artificial means must be uniformly distributed</u>. <u>The lighting must be provided in a regular diurnal cycle</u>. <u>Confinement areas must be placed to avoid exposure of</u> <u>animals to excessive light</u>.

Subd. 11. [DRAINAGE.] <u>A suitable method must be used to eliminate excess fluids from confinement areas.</u> All feces must be removed and disposed of daily. All waste drainage and waste material must be disposed of using a method prescribed by applicable building or health codes.

Subd. 12. [SANITATION.] Food and water receptacles must be accessible to each animal and located so as to prevent contamination by excreta. Opened food bags must be stored in plastic or metal cans with tight fitting lids. Feeding and water receptacles must be kept clean and free of contaminants. Disposable foods receptacles must be discarded when soiled.

<u>Confinement areas must be thoroughly cleaned daily and impervious surfaces treated with disinfectant at least once</u> per week. Animals must be removed from an area while the area is being treated with disinfectant and animals must not be returned to that area until the area is dry.

<u>Animals with infectious or contagious diseases must be isolated from healthy animals.</u> <u>Caretakers must disinfect</u> their hands and shoes after handling animals with infectious or contagious diseases. A sink must be furnished and must be provided with hot and cold running water.

Bedding, if used, must be kept clean and dry. Outdoor confinement and exercise areas must be kept clean and base material replaced as necessary.

Each cat confinement area must be provided with a container for elimination. This container must be constructed so it is impervious to moisture and may be readily cleaned. The container must contain absorbent material suitable for use by cats. The container must be cleaned daily and absorbent material removed and replaced at least once per week. <u>Subd. 13.</u> [FEMALES AND LITTERS.] <u>Females and litters must be provided a separate confinement area of a size that complies with this section. Healthy litters must remain with their mother at least five weeks, unless rejected or endangered by their mother or the mother's health is endangered by its litter. No animal may be sold or given away before the age of eight weeks.</u>

The ambient temperature of the confinement area must be maintained at a minimum of 70 degrees Fahrenheit at floor level and a maximum of 90 degrees Fahrenheit for animals under seven weeks of age unless authorized in writing by a veterinarian. The litter must be provided fresh, clean water at all times and fresh food in amounts and at frequency appropriate for age and species.

Litters must be provided socialization and exercise. Socialization must include physical contact with other animals of like species and human beings.

No pet dealer who is not the breeder of the animal may be in possession of an animal that is under the age of eight weeks.

Subd. 14. [TRANSPORTATION AND SHIPMENT.] An animal may not be delivered or held for transport in commerce more than four hours before the scheduled departure time of the primary conveyance on which the animal is to be transported. No animal may be shipped on consignment. Shippers must provide the carriers or intermediate handlers with the name, address, and telephone number of the receiver, shipper's name, address, telephone number, tag or tattoo number of the animals, and time and date the animal was last fed and watered. All shippers must securely attach to the outside of the shipping container written instructions for the in-transit food and water requirements.

No one may transport or cause to be transported into, out of, or within the state for purposes of resale any animal under eight weeks of age.

If animals are transported in containers, the containers must be constructed of nonabrasive wire or a smooth, durable material suitable for animals. Floors must be smooth, impermeable material with grating of smooth wire of ten gauge or larger. Containers must be provided with barriers so as to ensure that no liquid or solid waste, water, or food passes from one confinement area to another. Containers must be clean, adequately ventilated, contain sufficient space to allow the animals to stand up, lie down, and turn around and provide maximum safety and protection to the animals. If more than a single animal is transported in one container, each animal must be provided sufficient space to stand up, lie down, and turn around.

<u>Animals must be maintained in compatible groups.</u> No more than two animals may be transported in the same container. Female animals in estrus may not be transported in the same container with any male.

Food and water receptacles must be securely attached inside the container and placed so that the receptacle can be filled from outside the container without opening the door. Animals over the age of 20 weeks must be offered food at least once every 24 hours. Animals under the age of 20 weeks must be offered food at least once every 12 hours. Each animal must be offered clean, fresh, potable water, provided in a sanitary manner, at least once every eight hours.

Exercise must be provided at least once every eight hours, or at suitable intervals in relation to food and water consumption.

<u>Subd. 15.</u> [FIRE SAFETY.] <u>Smoke detectors must be installed in a housing facility at a frequency prescribed by applicable fire code.</u> Fire extinguishers containing substances nontoxic to animals must be readily available.

<u>Subd. 16.</u> [PENALTIES.] <u>A violation of this section is a misdemeanor.</u> Each violation with each animal is a <u>separate misdemeanor</u>. No penalty shall be imposed under this subdivision unless the offender was notified in writing of the violation and the violation continued to exist ten days after the notification.

Subd. 2. [CHAIR.] The board shall elect a chair from its membership. The term of the first chair of the board shall expire on January 1, 1996, and the terms of successor chairs expire on January 1 of each succeeding year. The chair shall preside at all meetings of the board, if present, and shall perform all other duties and functions usually incumbent upon such an officer, and all administrative functions assigned to the chair by the board. The board shall elect a vice-chair from its membership to act for the chair during temporary absence or disability.

<u>Subd. 3.</u> [SECRETARY AND TREASURER.] The board shall select a person or persons who may, but need not be, a member or members of the board, to act as its secretary and treasurer. The secretary and treasurer shall hold office at the pleasure of the board, subject to the terms of any contract of employment that the board may enter into with the secretary or treasurer. The secretary shall record the minutes of all meetings of the board, and be the custodian of all books and records of the board except those that the board entrusts to the custody of a designated employee. The treasurer is the custodian of all money received by the board except as the board otherwise entrusts to the custody of a designated employee. The board may appoint a deputy to perform any and all functions of either the secretary or the treasurer. No secretary or treasurer who is not a member of the board or a deputy of either shall have any right to vote.

Subd. 4. [EXECUTIVE DIRECTOR.] The board shall appoint an executive director, selected solely upon the basis of training, experience, and other qualifications and who shall serve at the pleasure of the board and at a compensation to be determined by the board. The executive director need not be a resident of the district. The executive director may also be selected by the board to serve as either secretary or treasurer, or both, of the board. The executive director shall attend all meetings of the board, but shall not vote, and shall have the following powers and duties:

(1) to see that all resolutions, rules, regulations, or orders of the board are enforced;

(2) to appoint and remove, upon the basis of merit and fitness, all subordinate officers and regular employees of the board except the secretary and the treasurer and their deputies;

(3) to present to the board plans, studies, and other reports prepared for board purposes and recommend to the board for adoption such measures as the executive director deems necessary to enforce or carry out the powers and the duties of the board, or the efficient administration of the affairs of the board;

(4) to keep the board fully advised as to its financial condition, and to prepare and submit to the board and to the governing bodies of the local governmental units, the board's annual budget and other financial information as the board may request;

(5) to recommend to the board for adoption rules and regulations as the executive director deems necessary for the efficient operation of the district disposal system; and

(6) to perform other duties as may be prescribed by the board.

<u>Subd. 5.</u> [PUBLIC EMPLOYEES.] The executive director and all other persons employed by the district are public employees and have all the rights and duties conferred on public employees under Minnesota Statutes, sections 179A.01 to 179A.25. The board may elect to have employees become members of either the public employees retirement association or the Minnesota state retirement system. The compensation and conditions of employment of the employees must be governed by rules applicable to state employees in the classified service and to the provisions of Minnesota Statutes, chapter 15A.

Subd. 6. [PROCEDURES.] The board shall adopt resolutions or bylaws establishing procedures for board action, personnel administration, keeping records, approving claims, authorizing or making disbursements, safekeeping funds, and auditing all financial operations of the board.

<u>Subd.</u> 7. [SURETY BONDS AND INSURANCE.] The board may procure surety bonds for its officers and employees, in amounts deemed necessary to ensure proper performance of their duties and proper accounting for funds in their custody. It may procure insurance against risks to property and liability of the board and its officers, agents, and employees for personal injuries or death and property damage and destruction, in amounts deemed necessary or desirable, with the force and effect stated in Minnesota Statutes, chapter 466.

Sec. 6. [GENERAL POWERS OF BOARD.]

<u>Subdivision 1.</u> [SCOPE.] The board has all powers necessary or convenient to discharge the duties imposed upon it by law. The powers include those herein specified, but the express grant or enumeration of powers does not limit the generality or scope of the grant of powers contained in this subdivision.

Subd. 2. [SUIT.] The board may sue or be sued.

<u>Subd. 3.</u> [CONTRACT.] <u>The board may enter into any contract necessary or proper for the exercise of its powers</u> or the accomplishment of its purposes.

<u>Subd. 4.</u> [RULEMAKING.] The board may adopt rules and regulations relating to the board's responsibilities and may provide penalties for their violation, not exceeding the maximum that may be specified for a misdemeanor, and the cost of prosecution may be added to the penalties imposed. Any rule or regulation prescribing a penalty for violation must be published at least once in a newspaper having general circulation in the district. The violations may be prosecuted before any court in the district having jurisdiction of misdemeanors, and every court having misdemeanor jurisdiction has jurisdiction of the violations. Any constable or other peace officer of any governmental unit in the district may make arrests for violations committed anywhere in the district in like manner and with like effect as for violations of city ordinances or for statutory misdemeanors. Fines collected in cases arising under this subdivision must be deposited in the treasury of the board, or may be allocated between the board and the governmental unit in which the prosecution occurs on a basis as the board and the governmental unit agree.

Subd. 5. [GIFTS, GRANTS, LOANS.] The board may accept gifts, apply for and accept grants or loans of money or other property from the United States, the state, or any person for any of its purposes, enter into any agreement required in connection herewith, and hold, use, and dispose of the money or property in accordance with the terms of the gift, grant, loan, or agreement relating it; and, with respect to loans or grants of funds or real or personal property or other assistance from any state or federal government or its agency or instrumentality, the board may contract to do and perform all acts and things required as a condition or consideration for the gift, grant, or loan pursuant to state or federal law or regulations, whether or not included among the powers expressly granted to the board in this act.

<u>Subd. 6.</u> [COOPERATIVE ACTION.] <u>The board may act under Minnesota Statutes, section 471.59, or any other</u> appropriate law providing for joint or cooperative action between governmental units.

<u>Subd. 7.</u> [STUDIES AND INVESTIGATIONS.] <u>The board may conduct research studies and programs, collect and analyze data, prepare reports, maps, charts, and tables, and conduct all necessary hearings and investigations in connection with the design, construction, and operation of the district disposal system.</u>

<u>Subd. 8.</u> [EMPLOYEES, TERMS.] The board may employ on terms as it deems advisable, persons or firms performing engineering, legal, or other services of a professional nature; require any employee to obtain and file with it an individual bond or fidelity insurance policy; and procure insurance in amounts as it deems necessary against liability of the board or its officers or both, for personal injury or death and property damage or destruction, with the force and effect stated in Minnesota Statutes, chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property as it deems necessary.

Subd. 9. [PROPERTY RIGHTS, POWERS.] The board may acquire by purchase, lease, condemnation, gift, or grant, any real or personal property including positive and negative easements and water and air rights, and it may construct, enlarge, improve, replace, repair, maintain, and operate any interceptor, treatment works, or water facility determined to be necessary or convenient for the collection and disposal of sewage in the district. Any local governmental unit and the commissioners of transportation and natural resources are authorized to convey to or permit the use of any of the above-mentioned facilities owned or controlled by it, by the board, subject to the rights of the holders of any bonds issued with respect to those facilities, with or without compensation, without an election or approval by any other governmental unit or agency. All powers conferred by this subdivision may be exercised both within or without the district as may be necessary for the exercise by the board of its powers or the accomplishment of its purposes. The board may hold, lease, convey, or otherwise dispose of the above-mentioned property for its purposes upon terms and in a manner as it deems advisable. Unless otherwise provided, the right to acquire lands and property rights by condemnation may be exercised only in accordance with Minnesota Statutes, sections 171.011 to 171.232, and shall apply to any property or interest in the property owned by any local governmental unit; provided, that no property devoted to an actual public use at the time, or held to be devoted to such use within a reasonable time, shall be so acquired unless a court of competent jurisdiction determines that the use proposed by the board is paramount to the existing use. Except in case of property in actual public use, the board may take possession of any property on which condemnation proceedings have been commenced at any time after the issuance of a court order appointing commissioners for its condemnation.

<u>Subd. 10.</u> [RELATIONSHIP TO OTHER PROPERTIES.] <u>The board may construct or maintain its systems or</u> facilities in, along, on, under, over, or through public waters, streets, bridges, viaducts, and other public rights-of-way without first obtaining a franchise from a county or municipality having jurisdiction over them. However, the facilities must be constructed and maintained in accordance with the ordinances and resolutions of the county or municipality relating to constructing, installing, and maintaining similar facilities on public properties and must not unnecessarily obstruct the public use of those rights-of-way.

Subd. 11. [DISPOSAL OF PROPERTY.] The board may sell, lease, or otherwise dispose of any real or personal property acquired by it which is no longer required for accomplishment of its purposes. The property may be sold in the manner provided by Minnesota Statutes, section 469.065, insofar as practical. The board may give notice of sale as it deems appropriate. When the board determines that any property or any part of the district disposal system acquired from a local governmental unit without compensation is no longer required but is required as a local facility by the governmental unit from which it was acquired, the board may by resolution transfer it to that governmental unit.

<u>Subd. 12.</u> [AGREEMENTS WITH OTHER GOVERNMENTAL UNITS.] <u>The board may contract with the United</u> States or any agency thereof, any state or agency thereof, or any regional public planning body in the state with jurisdiction over any part of the district, or any other municipal or public corporation, or governmental subdivision or agency or political subdivision in any state, for the joint use of any facility owned by the board or such entity, for the operation by that entity of any system or facility of the board, or for the performance on the board's behalf of any service, including but not limited to planning, on terms as may be agreed upon by the contracting parties. Unless designated by the board as a local water and sanitary sewer facility, any treatment works or interceptor jointly used, or operated on behalf of the board, as provided in this subdivision, is deemed to be operated by the board for purposes of including those facilities in the district disposal system.

#### Sec. 7. [COMPREHENSIVE PLAN.]

Subdivision 1. [BOARD PLAN AND PROGRAM.] The board shall adopt a comprehensive plan for the collection, treatment, and disposal of sewage in the district for a designated period the board deems proper and reasonable. The board shall prepare and adopt subsequent comprehensive plans for the collection, treatment, and disposal of sewage in the district for each succeeding designated period as the board deems proper and reasonable. The first plan, as modified by the board, and any subsequent plan shall take into account the preservation and best and most economic use of water and other natural resources in the area; the preservation, use, and potential for use of lands adjoining waters of the state to be used for the disposal of sewage; and the impact such a disposal system will have on present and future land use in the area affected. The plans shall include the general location of needed interceptors and treatment works, a description of the area that is to be served by the various interceptors and treatment works, a long-range capital improvements program and any other details as the board deems appropriate. In developing the plans, the board shall consult with persons designated for the purpose by governing bodies of any governmental unit within the district to represent the entities and shall consider the data, resources, and input offered to the board by the entities and any planning agency acting on behalf of one or more of the entities. Each plan, when adopted, must be followed in the district and may be revised as often as the board deems necessary.

<u>Subd. 2.</u> [COMPREHENSIVE PLANS; HEARING.] <u>Before adopting any subsequent comprehensive plan, the board</u> <u>shall hold a public hearing on the proposed plan at a time and place in the district as it determines.</u> The hearing may <u>be continued from time to time</u>. Not less than 45 days before the hearing, the board shall publish notice of the <u>hearing in a newspaper having general circulation in the district, stating the date, time, and place of the hearing, and</u> <u>the place where the proposed plan may be examined by any interested person. At the hearing, all interested persons</u> <u>must be permitted to present their views on the plan.</u> <u>Subd.</u> 3. [GOVERNMENTAL UNIT PLANS AND PROGRAMS; COORDINATION WITH BOARD'S RESPONSIBILITIES.] Once the board's plan is adopted, no construction project involving the construction of new sewers or other disposal facilities may be undertaken by the local governmental unit unless its governing body shall first find the project to be in accordance with the governmental unit's comprehensive plan and program as approved by the board. Before approval by the board of the comprehensive plan and program of any local governmental unit in the district, no water and sanitary sewer construction project may be undertaken by the governmental unit unless approval of the project is first secured from the board as to those features of the project affecting the board's responsibilities as determined by the board.

Sec. 8. [SEWAGE COLLECTION AND DISPOSAL; POWERS.]

<u>Subdivision 1.</u> [POWERS.] In addition to all other powers conferred upon the board in this act, it has the powers specified in this section.

Subd. 2. [DISCHARGE OF TREATED SEWAGE.] The board may discharge the effluent from any treatment works operated by it into any waters of the state, subject to approval of the agency if required and in accordance with any effluent or water quality standards lawfully adopted by the agency, any interstate agency, or any federal agency having jurisdiction.

<u>Subd. 3.</u> [UTILIZATION OF DISTRICT SYSTEM.] <u>The board may require any person or local governmental unit</u> to provide for the discharge of any sewage, directly or indirectly, into the district disposal system, or to connect any disposal system or a part of it with the district disposal system wherever reasonable opportunity for connection is provided; may regulate the manner in which the connections are made; may require any person or local governmental unit discharging sewage into the disposal system to provide preliminary treatment for it; may prohibit the discharge into the district disposal system of any substance that it determines will or may be harmful to the system or any persons operating it; and may require any local governmental unit to discontinue the acquisition, betterment, or operation of any facility for the unit's disposal system wherever and so far as adequate service is or will be provided by the district disposal system.

<u>Subd. 4.</u> [SYSTEM OF COST RECOVERY TO COMPLY WITH APPLICABLE REGULATIONS.] <u>Any charges, connection fees, or other cost-recovery techniques imposed on persons discharging sewage directly or indirectly into the district disposal system must comply with applicable state and federal law, including but not limited to state and federal regulations governing grant applications.</u>

Sec. 9. [BUDGET.]

The board shall prepare and adopt, on or before October 1, 1995 and on or before October 1, 1996, and each year thereafter, a budget showing for the following calendar year or other fiscal year determined by the board, sometimes referred to in this act as the budget year, estimated receipts of money from all sources, including but not limited to payments by each local governmental unit, federal or state grants, taxes on property, and funds on hand at the beginning of the year, and estimated expenditures for:

(1) costs of operation, administration, and maintenance of the district disposal system;

(2) cost of acquisition and betterment of the district disposal system; and

(3) debt service, including principal and interest, on general obligation bonds and certificates issued pursuant to section 13, and any money judgments entered by a court of competent jurisdiction. Expenditures within these general categories, and any other categories as the board may from time to time determine, must be itemized in detail as the board prescribes. The board and its officers, agents, and employees shall not spend money for any purpose other than debt service without having set forth the expense in the budget nor in excess of the amount set forth in the budget therefor, and no obligation to make an expenditure of the above-mentioned type is enforceable except as the obligation of the person or persons incurring it; provided that the board may amend the budget at any time by transferring from one purpose to another any sums except money for debt service and bond proceeds or by increasing expenditures in any amount by which cash receipts during the budget year actually exceed the total amounts designated in the original budget. The creation of any obligation pursuant to section 13 or the receipt of any federal or state grant is a sufficient budget designation of the proceeds for the purpose for which it is authorized, and of the tax or other revenue pledged to pay the obligation and interest on it, whether or not specifically included in any annual budget.

# Sec. 10. [ALLOCATION OF COSTS.]

<u>Subdivision 1.</u> [DEFINITION OF CURRENT COSTS.] The estimated cost of administration, operation, maintenance, and debt service of the district disposal system to be paid by the board in each fiscal year and the estimated costs of acquisition and betterment of the system that are to be paid during the year from funds other than state or federal grants and bond proceeds and all other previously unallocated payments made by the board pursuant to this act to be allocated in the fiscal year are referred to as current costs and must be allocated by the board as hereinafter provided in the budget for that year.

<u>Subd. 2.</u> [METHOD OF ALLOCATION OF CURRENT COSTS.] <u>Current costs must be allocated in the district on an equitable basis as the board may from time to time determine by resolution to be in the best interests of the district. The adoption or revision of any method of allocation used by the board must be by the affirmative vote of at least two-thirds of the members of the board.</u>

Sec. 11. [TAX LEVIES.]

To accomplish any duty imposed on it the board may, in addition to the powers granted in this act and in any other law or charter, exercise the powers granted any municipality by Minnesota Statutes, chapters 117, 412, 429, 475, sections 115.46, 444.075, and 471.59 with respect to the area in the district. In addition, the board may levy taxes upon all taxable property in the district for all or a part of the amount payable to the board, pursuant to section 10, to be assessed and extended as a tax upon that taxable property by the county auditor for the next calendar year, free from any limitation of rate or amount imposed by law or charter. The tax must be collected and remitted in the same manner as other general taxes.

Sec. 12. [PUBLIC HEARING AND SPECIAL ASSESSMENTS.]

Subdivision 1. [PUBLIC HEARING REQUIREMENT ON SPECIFIC PROJECT.] Before the board orders any project involving the acquisition or betterment of any interceptor or treatment works, all or a part of the cost of which will be allocated pursuant to section 10 as current costs, the board shall hold a public hearing on the proposed project following two publications in a newspaper having general circulation in the district, stating the time and place of the hearing, the general nature and location of the project, the estimated total cost of acquisition and betterment, that portion of costs estimated to be paid out of federal and state grants, and that portion of costs estimated to be allocated. The estimates must be best available at the time of the meeting and if costs exceed the estimate, the project cannot proceed until an additional public hearing is held, with notice as required at the initial meeting. The two publications must be a week apart and the hearing at least three days after the last publication. Not less than 45 days before the hearing, notice of the hearing must also be mailed to each clerk of all local governmental units in the district, but failure to give mailed notice or any defects in the notice does not invalidate the proceedings. The project may include all or part of one or more interceptors or treatment works. No hearing may be held on any project unless the project is within the area covered by the comprehensive plan adopted by the board pursuant to section 7 except that the hearing may be held simultaneously with a hearing on a comprehensive plan. A hearing is not required with respect to a project, no part of the costs of which are to be allocated as the current costs of acquisition, betterment, and debt service.

<u>Subd. 2.</u> [NOTICE TO BENEFITED PROPERTY OWNERS.] If the board proposes to assess against benefited property within the district all or any part of the allocable costs of the project as provided in subdivision 5, the board shall, not less than ten days before the hearing provided for in subdivision 1 cause mailed notice of the hearing to be given to the owner of each parcel within the area proposed to be specially assessed and shall also give one week's published notice of the hearing. The notice of hearing must contain the same information provided in the notice published by the board pursuant to subdivision 1, and in addition, a description of the area proposed to be assessed. For the purpose of giving mailed notice, owners are those shown to be on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. However, as to properties that are tax exempt or subject to taxation on a gross earnings basis and are not listed on the records of the county auditor or the owners, the owners must be ascertained by any practicable means and mailed notice given them as herein provided. Failure to give mailed notice or any defects in the notice does not invalidate the proceedings of the board.

Subd. 3. [BOARD PROCEEDINGS PERTAINING TO HEARING.] Before adoption of the resolution calling for a hearing brought pursuant to this section, the board shall secure from the district engineer or some other competent person of the board's selection a report advising it in a preliminary way as to whether the proposed project is feasible and as to whether it should best be made as proposed or in connection with some other project and the estimated

costs of the project as recommended; but no error or omission in the report invalidates the proceeding. The board may also take other steps before the hearing, as will in its judgment provide helpful information in determining the desirability and feasibility of the project, including but not limited to preparation of plans and specifications and advertisement for bids on them. The hearing may be adjourned from time to time and a resolution ordering the project may be adopted at any time within six months after the date of hearing. In ordering the project the board may reduce but not increase the extent of the project as stated in the notice of hearing and shall find that the project as ordered is in accordance with the comprehensive plan and program adopted by the board pursuant to section 7.

Subd. 4. [EMERGENCY ACTION.] If the board by resolution adopted by the affirmative vote of not less than two-thirds of its members determines that an emergency exists requiring the immediate purchase of materials or supplies or the making of emergency repairs, it may order the purchase of those supplies and materials and the making of the repairs before any hearing required under this section, provided that the board shall set as early a date as practicable for the hearing at the time it declares the emergency. All other provisions of this section must be followed in giving notice of and conducting the hearing. Nothing herein may be construed as preventing the board or its agents from purchasing maintenance supplies or incurring maintenance costs without regard to the requirements of this section.

<u>Subd 5.</u> [POWER OF THE BOARD TO SPECIALLY ASSESS.] <u>The board may specially assess all or any part of</u> the costs of acquisition and betterment as herein provided, of any project ordered pursuant to this section. The special assessments must be levied in accordance with the provisions of Minnesota Statutes, sections 429.051 to 429.081, except as otherwise provided in this subdivision. No other provisions of Minnesota Statutes, chapter 429, apply. For purposes of levying the special assessments, the hearing on the project required in subdivision 1 serves as the hearing on the making of the original improvement provided for by Minnesota Statutes, section 429.051. The area assessed may be less than but may not exceed the area proposed to be assessed as stated in the notice of hearing on the project provided for in subdivision 2.

Sec. 13. [BONDS, CERTIFICATES, AND OTHER OBLIGATIONS.]

<u>Subdivision 1.</u> [BUDGET ANTICIPATION CERTIFICATES OF INDEBTEDNESS.] <u>At any time after adoption of its annual budget and in anticipation of the collection of tax and other revenues estimated and set forth by the board in the budget, except in the case of deficiency taxes levied pursuant to this subdivision and taxes levied for the payment of certificates issued pursuant to subdivision 2, the board may, by resolution, authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon terms as it may determine, of its negotiable general obligation certificates of indebtedness in aggregate principal amounts not exceeding 50 percent of the total amount of tax collections and other revenues and maturing not later than three months after the close of the budget year in which issued. The proceeds of the sale of the certificates must be used solely for the purposes for which the tax collections and other revenues are to be expended pursuant to the budget.</u>

All the tax collections and other revenues included in the budget for the budget year, after the expenditure of the tax collections and other revenues in accordance with the budget, must be irrevocably pledged and appropriated to a special fund to pay the principal and interest on the certificates when due. If for any reason the tax collections and other revenues are insufficient to pay the certificates and interest when due, the board shall levy a tax in the amount of the deficiency on all taxable property in the district and shall appropriate this amount when received to the special fund.

Subd. 2. [EMERGENCY CERTIFICATES OF INDEBTEDNESS.] If in any budget year the receipts of tax and other revenues should for some unforeseen cause become insufficient to pay the board's current expenses, or if any calamity or other public emergency should subject it to the necessity of making extraordinary expenditures, the board may by resolution authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon such terms and conditions as it may determine, of its negotiable general obligation certificates of indebtedness in an amount sufficient to pay the deficiency, and the board shall forthwith levy on all taxable property in the district a tax sufficient to pay the certificates and interest on the certificates and shall appropriate all collections of the tax to a special fund created for the payment of the certificates and the interest on them. Certificates issued under this subdivision mature not later than April 1 in the year following the year in which the tax is collectible.

<u>Subd. 3.</u> [GENERAL OBLIGATION BONDS.] <u>The board may by resolution authorize the issuance of general</u> obligation bonds for the acquisition or betterment of any part of the district disposal system, including but without limitation the payment of interest during construction and for a reasonable period thereafter, or for the refunding of outstanding bonds, certificates of indebtedness, or judgments. The board shall pledge its full faith and credit and taxing power for the payment of the bonds and shall provide for the issuance and sale and for the security of the

bonds in the manner provided in Minnesota Statutes, chapter 475. The board has the same powers and duties as a municipality issuing bonds under that law, except that no election is required and the debt limitations of Minnesota Statutes, chapter 475, do not apply to the bonds. The board may also pledge for the payment of the bonds and deduct from the amount of any tax levy required under Minnesota Statutes, section 475.61, subdivision 1, and any revenues receivable under any state and federal grants anticipated by the board and may covenant to refund the bonds if and when and to the extent that for any reason the revenues, together with other funds properly available and appropriated for that purpose, are not sufficient to pay all principal and interest due or about to become due, provided that the revenues have not been anticipated by the issuance of certificates under subdivision 1.

<u>Subd. 4.</u> [MANNER OF SALE AND ISSUANCE OF CERTIFICATES.] <u>Certificates issued under subdivisions 1 and</u> <u>2 may be issued and sold by negotiation, without public sale, and may be sold at a price equal to the percentage of</u> <u>the par value of the certificates, plus accrued interest, and bearing interest at a rate as may be determined by the</u> <u>board. No election is required to authorize the issuance of the certificates. The certificates must bear the same rate</u> <u>of interest after maturity as before and the full faith and credit and taxing power of the board must be pledged to the</u> <u>payment of the certificates.</u>

Sec. 14. [DEPOSITORIES.]

The board shall from time to time designate one or more national or state banks, or trust companies authorized to do a banking business, as official depositories for money of the board, and then shall require the treasurer to deposit all or a part of the money in those institutions. The designation must be in writing and set forth all the terms and conditions upon which the deposits are made, and must be signed by the chair and treasurer and made a part of the board. A designated bank or trust company shall qualify as a depository by furnishing a corporate surety bond or collateral in the amounts required by Minnesota Statutes, section 118.01. However, no bond or collateral is required to secure any deposit insofar as it is insured under federal law.

Sec. 15. [MONEY, ACCOUNTS, AND INVESTMENTS.]

<u>Subdivision 1.</u> [RECEIPT AND APPLICATION.] <u>Money received by the board must be deposited or invested by</u> the treasurer and disposed of as the board may direct in accordance with its budget; provided that any money that has been pledged or dedicated by the board to the payment of obligations or interest on the obligations or expenses incident thereto, or for any other specific purpose authorized by law, must be paid by the treasurer into the fund to which it has been pledged.

Subd. 2. [FUNDS AND ACCOUNTS.] (a) The board's treasurer shall establish funds and accounts as may be necessary or convenient to handle the receipts and disbursements of the board in an orderly fashion.

(b) The funds and accounts must be audited annually by a certified public accountant at the expense of the district.

<u>Subd. 3.</u> [DEPOSIT AND INVESTMENT.] The money on hand in those funds and accounts may be deposited in the official depositories of the board or invested as hereinafter provided. Any amount not currently needed or required by law to be kept in cash on deposit may be invested in obligations authorized for the investment of municipal sinking funds by Minnesota Statutes, section 475.66. Such money may also be held under certificates of deposit issued by any official depository of the board.

Subd. 4. [BOND PROCEEDS.] The use of proceeds of all bonds issued by the board for the acquisition and betterment of the district disposal system, and the use, other than investment, of all money on hand in any sinking fund or funds of the board, is governed by the provisions of Minnesota Statutes, chapter 475, the provisions of this act, and the provisions of resolutions authorizing the issuance of the bonds. When received, the bond proceeds must be transferred to the treasurer of the board for safekeeping, investment, and payment of the costs for which they were issued.

Subd. 5. [AUDIT.] The board shall provide for and pay the cost of an independent annual audit of its official books and records by the state auditor or a public accountant authorized to perform that function under Minnesota Statutes, chapter 6.

Sec. 16. [SERVICE CONTRACTS WITH GOVERNMENTAL ENTITIES OUTSIDE THE JURISDICTION OF THE BOARD.]

(a) The board may contract with the United States or any agency of the federal government, any state or its agency, or any municipal or public corporation, governmental subdivision or agency or political subdivision in any state, outside the jurisdiction of the board, for furnishing to the above-mentioned entities services, including but not limited

to planning for and the acquisition, betterment, operation, administration, and maintenance of any or all interceptors, treatment works, and local water and sanitary sewer facilities. The board may further include as one of the terms of the contract that the entity also pay to the board an amount as may be agreed upon as a reasonable estimate of the proportionate share properly allocable to the entity of costs of acquisition, betterment, and debt service previously allocated in the district. When payments are made by entities to the board, they must be applied in reduction of the total amount of costs thereafter allocated in the district, on an equitable basis as the board deems to be in the best interests of the district, applying so far as practicable and appropriate the criteria set forth in section 10, subdivision 2. A municipality in the state of Minnesota may enter into a contract and perform all acts and things required as a condition or consideration therefor consistent with the purposes of this act, whether or not included among the powers otherwise granted to the municipality by law or charter.

(b) The board shall contract with the city of Pine City, or other qualified entity to make necessary inspections on the district facilities, and to otherwise process or assist in processing any of the work of the district.

Sec. 17. [CONTRACTS FOR CONSTRUCTION, MATERIALS, SUPPLIES, AND EQUIPMENT.]

<u>Subdivision 1.</u> [PLANS AND SPECIFICATIONS.] <u>When the board orders a project involving the acquisition or</u> betterment of a part of the district disposal system, it shall cause plans and specifications of the project to be made, or if previously made, to be modified, if necessary, and to be approved by the agency if required, and after any required approval by the agency, one or more contracts for work and materials called for by the plans and specification may be awarded as provided in this section.

<u>Subd. 2.</u> [CONTRACTS IN EXCESS OF \$5,000.] No contract for construction work, or for the purchase of materials, supplies, or equipment, estimated to cost more than \$5,000 may be made by the board without publishing once in a newspaper having general circulation in the district and once in a trade paper or legal newspaper published in any city of the first class, not less than 14 days before the last day for submission of bids, notice that bids or proposals will be received. The notice must state the nature of the work or purchase, the terms and conditions upon which the contract is to be awarded, and the time and place where bids will be received, opened, and read publicly. After the bids have been duly received, opened, read publicly, and recorded, the board shall within a reasonable time award the contract to the lowest responsible bidder or it may reject all bids and readvertise. Each contract must be duly executed in writing and the party to whom the contract is awarded shall give sufficient bond or security to the board for the faithful performance of the contract as required by law. If the board by an affirmative vote of not less than two-thirds of its members declares that an emergency exists requiring the immediate purchase of materials or supplies or in making emergency repairs, at a cost estimated to be in excess of \$5,000, it shall not be necessary to advertise for bids.

In any case coming within this exception, the county attorney shall apply to the designated county agency in the county in which the acquittal took place for a preliminary investigation unless substantially the same information relevant to the proposed patient's current mental condition as could be obtained by a preliminary investigation is part of the court record in the criminal proceeding or is contained in the report of a mental examination conducted in connection with the criminal proceeding. The designated agency shall appoint a screening team to conduct an investigation which shall include:

(i) a personal interview with the proposed patient and other individuals who appear to have knowledge of the condition of the proposed patient. If the proposed patient is not interviewed, reasons must be documented;

(e) If the interested person wishes to proceed with a petition contrary to the recommendation of the prepetition screening team, application may be made directly to the county attorney, who may determine whether or not to proceed with the petition. Notice of the county attorney's determination shall be provided to the interested party.

(f) If a court petitions for commitment pursuant to the rules of criminal procedure or a county attorney petitions pursuant to acquittal of a criminal charge under section 611.026, the prepetition investigation, if required by this section, shall be completed within seven days after the filing of the petition.

Sec. 7. Minnesota Statutes 1992, section 253B.09, subdivision 2, is amended to read:

(b) If commitment is ordered, the findings shall also include a listing of less restrictive alternatives considered and rejected by the court and the reasons for rejecting each alternative.

(c) If the prepetition screening team has determined that a patient is not competent to consent to the administration of neuroleptic medication but would not object to or refuse the administration of neuroleptic medication, the court may, at the time of commitment, appoint a guardian ad litem for purposes of section 253B.03, subdivision 6c, paragraph (c), clause (3).

(4) a detailed description of the discharge planning process with suggested after care plan;

(5) whether the patient is in need of further care and treatment with evidence to support the response;

(6) whether any further care and treatment must be provided in a treatment facility with evidence to support the response;

(7) whether in the opinion of the head of the facility the patient must continue to be committed to a treatment facility; and

(8) whether in the opinion of the head of the facility the patient satisfies the statutory requirement for continued commitment, with documentation to support the opinion; and

(9) whether the administration of neuroleptic medication is clinically indicated, whether the patient is able to give informed consent to that medication, and the basis for these opinions.

Sec. 9. Minnesota Statutes 1992, section 253B.17, subdivision 1, is amended to read:

Subdivision 1. [PETITION.] Any patient, except one committed as mentally ill and dangerous to the public, or any interested person may petition the committing court or the court to which venue has been transferred for an order that the patient is not in need of continued institutionalization or for an order that an individual is no longer mentally ill, mentally retarded, or chemically dependent, or for any other relief as the court deems just and equitable. A patient committed as mentally ill or mentally ill and dangerous may petition the committing court or the court to which venue has been transferred for a hearing concerning the administration of neuroleptic medication. A hearing may also be held pursuant to sections 253B.08, 253B.09, 253B.12, and 253B.18.

Sec. 10. Minnesota Statutes 1992, section 525.56, subdivision 3, is amended to read:

Subd. 3. The court may appoint a guardian of the person if it determines that all the powers and duties listed in this subdivision are needed to provide for the needs of the incapacitated person. The court may appoint a conservator of the person if it determines that a conservator is needed to provide for the needs of the incapacitated person through the exercise of some, but not all, of the powers and duties listed in this subdivision. The duties and powers of a guardian or those which the court may grant to a conservator of the person include, but are not limited to:

(1) The power to have custody of the ward or conservatee and the power to establish a place of abode within or without the state, except as otherwise provided in this clause. The ward or conservatee or any person interested in the ward's or conservatee's welfare may petition the court to prevent or to initiate a change in abode. A ward or conservatee may not be admitted to a regional treatment center by the guardian or conservator except (1) after a hearing pursuant to chapter 253B; (2) for outpatient services; or (3) for the purpose of receiving temporary care for a specific period of time not to exceed 90 days in any calendar year.

(2) The duty to provide for the ward's or conservatee's care, comfort and maintenance needs, including food, clothing, shelter, health care, social and recreational requirements, and, whenever appropriate, training, education, and habilitation or rehabilitation. The guardian or conservator has no duty to pay for these requirements out of personal funds. Whenever possible and appropriate, the guardian or conservator should meet these requirements through governmental benefits or services to which the ward or conservatee is entitled, rather than from the ward's or conservatee's estate. Failure to satisfy the needs and requirements of this clause shall be grounds for removal of a private guardian or conservator, but the guardian or conservator shall have no personal or monetary liability.

(3) The duty to take reasonable care of the ward's or conservatee's clothing, furniture, vehicles, and other personal effects, and, if other property requires protection, the power to seek appointment of a guardian or conservator of the estate. The guardian or conservator must give notice in the manner required and to those persons specified in section 525.55 prior to the disposition of the ward's or conservatee's clothing, furniture, vehicles, or other personal effects. The notice must inform the person of the right to object to the disposition of the property within ten days and to petition the court for a review of the guardian's or conservator's proposed actions. Notice of the objection must be served by mail or personal service on the guardian or conservator and the ward or conservatee unless the ward or conservatee be the objector. The guardian or conservator served with notice of an objection to the disposition of the property unless the court approves the disposition after a hearing.

(4)(a) The power to give any necessary consent to enable the ward or conservatee to receive necessary medical or other professional care, counsel, treatment or service, except that including neuroleptic medication. No guardian or conservator may give consent for psychosurgery, electroshock, sterilization, or experimental treatment of any kind unless the procedure is first approved by order of the court as provided in this clause. The guardian or conservator shall not consent to any medical care for the ward or conservatee which violates the known conscientious, religious, or moral belief of the ward or conservatee.

(b) A guardian or conservator who believes a procedure described in clause (4)(a) requiring prior court approval to be necessary for the proper care of the ward or conservatee shall petition the court for an order and, in the case of a public guardianship or conservatorship under chapter 252A, obtain the written recommendation of the commissioner of human services. The court shall fix the time and place for the hearing and shall give notice to the ward or conservatee and to the other persons specified in section 525.55, subdivision 1. The notice shall comply with the requirements of, and be served in the manner provided in section 525.55, subdivision 2. The court shall appoint an attorney to represent the ward or conservatee who is not represented by counsel. In every case the court shall determine if the procedure is in the best interests of the ward or conservatee. In making its determination, the court shall consider a written medical report which specifically considers the medical risks of the procedure, whether alternative, less restrictive methods of treatment could be used to protect the best interests of the ward or conservatee, and any recommendation of the commissioner of human services for a public ward or conservatee. The standard of proof is that of clear and convincing evidence.

(c) In the case of a petition for sterilization of a mentally retarded ward or conservatee, the court shall appoint a licensed physician, a psychologist who is qualified in the diagnosis and treatment of mental retardation, and a social worker who is familiar with the ward's or conservatee's social history and adjustment or the case manager for the ward or conservatee to examine or evaluate the ward or conservatee and to provide written reports to the court. The reports shall indicate why sterilization is being proposed, whether sterilization is necessary and is the least intrusive method for alleviating the problem presented, and whether it is in the best interests of the ward or conservatee. The medical report shall specifically consider the medical risks of sterilization, the consequences of not performing the sterilization, and whether alternative methods of contraception could be used to protect the best interests of the ward or conservatee.

(d) Any conservatee whose right to consent to a sterilization has not been restricted under this section or section 252A.101, may be sterilized only if the conservatee consents in writing or there is a sworn acknowledgment by an interested person of a nonwritten consent by the conservatee. The consent must certify that the conservatee has received a full explanation from a physician or registered nurse of the nature and irreversible consequences of the sterilization operation.

(e) A guardian or conservator or the public guardian's designee who acts within the scope of authority conferred by letters of guardianship under section 252A.101, subdivision 7, and according to the standards established in this chapter or in chapter 252A shall not be civilly or criminally liable for the provision of any necessary medical care, including but not limited to, the administration of psychotropic medication or the implementation of aversive and deprivation procedures to which the guardian or conservator or the public guardian's designee has consented.

(5) The power to approve or withhold approval of any contract, except for necessities, which the ward or conservatee may make or wish to make

(6) The duty and power to exercise supervisory authority over the ward or conservatee in a manner which limits civil rights and restricts personal freedom only to the extent necessary to provide needed care and services."

Sec. 2. Minnesota Statutes 1993 Supplement, section 245A.03, subdivision 2a, is amended to read:

Subd. 2a. [LICENSING OF AN INDIVIDUAL RELATED TO A QUALIFYING CHILD.] Notwithstanding subdivision 2, clause (1), the commissioner may must license an individual who is related to a qualifying child, as defined in title IV-E of the Social Security Act, to provide foster care for that qualifying child. The commissioner may issue such a license retroactive to the date the qualifying child was placed in the applicant's home, so long as no more than 90 days have elapsed since the placement. If more than 90 days have elapsed since the placement. If more than 90 days have elapsed since the placement, the commissioner may issue the license retroactive 90 days. The granting of a license to an individual who is related to a child shall be according to standards set forth by foster care rule. The commissioner shall consider the importance of maintaining the child's relationship to family as an additional significant factor in determining whether to set aside a licensing disqualifier under subdivision 3b, or to grant a variance of licensing requirements under subdivision 9.

Sec. 3. Minnesota Statutes 1993 Supplement, section 257.071, subdivision 3, is amended to read:

Subd. 3. [REVIEW OF VOLUNTARY PLACEMENTS.] Except as provided in subdivision 4, if the child has been placed in a residential facility pursuant to a voluntary release by the parent or parents, and is not returned home within six months after initial placement in the residential facility, the social service agency responsible for the placement shall:

(1) return the child to the home of the parent or parents; or

(2) file an appropriate petition pursuant to section 260.131, subdivision 1, or 260.231.

The case plan must be updated when a petition is filed and must include a specific plan for permanency.

Sec. 4. Minnesota Statutes 1993 Supplement, section 257.072, subdivision 9, is amended to read:

Subd. 9. [RULES.] The commissioner of human services shall adopt rules to establish standards for relative foster eare placement, conducting relative searches, and recruiting foster and adoptive families of the same racial or ethnic heritage as the child, and evaluating the role of relative status in the reconsideration of disqualifications under section 245A.04, subdivision 3b, and granting variances of licensing requirements under section 245A.04, subdivision 9.

Sec. 5. Minnesota Statutes 1993 Supplement, section 259.255, is amended to read:

259.255 [PROTECTION OF HERITAGE OR BACKGROUND.]

The policy of the state of Minnesota is to ensure that the best interests of the child are met by requiring due, not sole, consideration of the child's race or ethnic heritage in adoption placements. For purposes of intercountry adoptions, due consideration is deemed to have occurred if the appropriate authority in the child's country of birth has approved the placement of the child.

#### MONDAY, APRIL 4, 1994

The authorized child placing agency shall give preference, in the absence of good cause to the contrary, to placing the child with (a) a relative or relatives of the child, or, if that would be detrimental to the child or a relative is not available, (b) a family with the same racial or ethnic heritage as the child, or, if that is not feasible, (c) a family of different racial or ethnic heritage from the child which is knowledgeable and appreciative of the child's racial or ethnic heritage. In implementing the order of preference, an authorized child placing agency may disclose private or confidential data, as defined in section 13.02, to relatives of the child for the purpose of locating a suitable adoptive home. The agency shall disclose only data that is necessary to facilitate implementing the preference.

If the child's genetic parent or parents explicitly request that the preference described in clause (a) or clauses (a) and (b) not be followed, the authorized child placing agency shall honor that request consistent with the best interests of the child.

If the child's genetic parent or parents express a preference for placing the child in an adoptive home of the same or a similar religious background to that of the genetic parent or parents, in following the preferences in clause (a) or (b), the agency shall place the child with a family that also meets the genetic parent's religious preference. Only if no family is available that is described in clause (a) or (b) may the agency give preference to a family described in clause (c) that meets the parent's religious preference.

Sec. 6. Minnesota Statutes 1992, section 260.141, subdivision 1, is amended to read:

Subdivision 1. (a) Service of summons or notice required by section 260.135 or 260.191, subdivision 3b, shall be made upon the following persons in the same manner in which personal service of summons in civil actions is made:

(1) in all delinquency matters, upon the person having custody or control of the child and upon the child; and

(2) in all other matters, upon the person having custody or control of the child, and upon the child if more than 12 years of age.

Personal service shall be effected at least 24 hours before the time of the hearing; however, it shall be sufficient to confer jurisdiction if service is made at any time before the day fixed in the summons or notice for the hearing, except that the court, if so requested, shall not proceed with the hearing earlier than the second day after the service. If personal service cannot well be made within the state, a copy of the summons or notice may be served on the person to whom it is directed by delivering a copy thereof to such person personally outside the state. Such service if made personally outside the state shall be sufficient to confer jurisdiction; providing however it be made at least five days before the date fixed for hearing in such summons or notice.

(b) If the court is satisfied that personal service of the summons or notice cannot well be made, it shall make an order providing for the service of summons or notice by certified mail addressed to the last known addresses of such persons, and by one weeks published notice as provided in section 645.11. A copy of the notice shall be sent by certified mail at least five days before the time of the hearing or 14 days if mailed to addresses outside the state.

(c) Notification to the county welfare board required by section 260.135, subdivision 3, shall be in such manner as the court may direct.

Sec. 7. Minnesota Statutes 1993 Supplement, section 260.191, subdivision 3b, is amended to read:

Subd. 3b. [REVIEW OF COURT ORDERED PLACEMENTS; PERMANENT PLACEMENT DETERMINATION.] (a) If the court places a child in a residential facility, as defined in section 257.071, subdivision 1, the court shall conduct a hearing to determine the permanent status of the child not later than 12 months after the child was placed out of the home of the parent. Not later than 30 ten days prior to this hearing, the responsible social service agency shall file pleadings to establish the basis for the permanent placement determination. Notice of the hearing and copies of the pleadings must be provided pursuant to sections 260.135 and section 260.141. If a termination of parental rights petition is filed before the date required for the permanency planning determination, no hearing need be conducted under this section. The court shall determine whether the child is to be returned home or, if not, what permanent placement is consistent with the child's best interests. The "best interests of the child" means all relevant factors to be considered and evaluated.

If the child is not returned to the home, the dispositions available for permanent placement determination are:

(1) permanent legal and physical custody to a relative, <u>pursuant to the standards and procedures applicable under chapter 257 or 518</u>. The social service agency may petition on behalf of the proposed custodian;

(2) termination of parental rights and adoption, or permanent, the social service agency shall file a petition for termination of parental rights under section 260.231 and all the requirements of sections 260.221 to 260.245 remain applicable; or

(3) long-term foster care; transfer of legal custody and adoption are preferred permanency options for a child who cannot return home. The court may order a child into permanent long-term foster care only if it finds that neither an award of legal and physical custody to a relative, nor termination of parental rights, nor adoption is in the child's best interests. Further, the court may only order long-term foster care for the child under this section if it finds the following:

(i) the child has reached age 12 and is not adoptable; or

(ii) the child is a sibling of a child who has reached age 12 determined not adoptable and the siblings have a significant positive relationship and are ordered into the same long-term foster care home.

(b) The court may extend the time period for determination of permanent placement to 18 months after the child was placed in a residential facility if:

(1) there is a substantial probability that the child will be returned home within the next six months;

(2) the agency has not made reasonable, or, in the case of an Indian child, active efforts, to correct the conditions that form the basis of the out-of-home placement; or

(3) extraordinary circumstances exist precluding a permanent placement determination, in which case the court shall make written findings documenting the extraordinary circumstances and order <del>one subsequent review after six months</del> <u>continuing periodic reviews</u> to determine permanent placement. <u>A court finding that extraordinary circumstances</u> <u>exist precluding a permanent placement determination must be supported by detailed factual findings regarding those circumstances</u>.

(c) If the court determines that an adoptive placement is in the best interests of the child, the social service agency shall file a petition for termination of parental rights under section 260.231. Nothing in this subdivision waives the requirements of sections 260.221 to 260.245 with respect to termination of parental rights.

(d) (c) In ordering a permanent placement of a child, the court must be governed by the best interests of the child, including a review of the relationship between the child and relatives and the child and other important persons with whom the child has resided or had significant contact.

(e) (d) Once a permanent placement determination has been made and permanent placement has been established, further reviews are only necessary if otherwise required by federal law, an adoption has not yet been finalized, or there is a disruption of the permanent or long-term placement. These If required, reviews must take place no less frequently than every six months.

(f) (e) An order under this subdivision must include the following detailed findings:

(1) how the child's best interests are served by the order;

(2) the nature and extent of the responsible social service agency's reasonable efforts, or, in the case of an Indian child, active efforts, to reunify the child with the parent or parents;

(3) the parent's or parents' efforts and ability to use services to correct the conditions which led to the out-of-home placement;

(4) whether the conditions which led to the out-of-home placement have been corrected so that the child can return home; and

(5) if the child cannot be returned home, whether there is a substantial probability of the child being able to return home in the next six months.

If the court orders the child placed in permanent foster care, the court shall make findings that neither an award of legal and physical custody to a relative, termination of parental rights, nor adoption is in the child's best interests. (f) An order for permanent legal and physical custody of a child may be modified under sections 518.18 and 518.185. The social service agency is a party to the proceeding and must receive notice. An order for long-term foster care is reviewable upon motion and a showing by the parent of a substantial change in the parent's circumstances such that the parent could provide appropriate care for the child and that removal of the child from the child's permanent placement and the return to the parent's care would be in the best interest of the child.

A court finding that extraordinary circumstances exist precluding a permanent placement determination must be supported by detailed factual findings regarding those circumstances."

Subd. 4. [TIME FOR FILING PETITION.] A petition shall be filed not later than 24 months after a child is placed in a prospective adoptive home. If a petition is not filed by that time, the agency that placed the child, or, in a direct adoptive placement, the agency that prepared the postplacement adoptive study shall file with the district court in the county where the prospective adoptive parent resides a motion for an order and a report recommending one of the following:

(1) that the time for filing a petition be extended because of the special needs as defined under title IV-E of the Social Security Act, United States Code, title 42, section 673, of the child; or

(2) that the child be removed from the prospective adoptive home.

Sec. 14. [259.256] [AGENCY PLACEMENT FACTORS.]

<u>A child-placing agency shall document, in the records required to be kept under section 259.46, the reasons for each child placement</u> decision.

Sec. 15. [259.258] [AGENCY; FEE SCHEDULE; DISCLOSURE; CIVIL ACTION.]

The disclosure statement must contain the following information:

(1) fees charged to the adoptive parent, including any policy on sliding scale fees or fee waivers and an itemization of the amount that will be charged for the adoption study, counseling, postplacement services, family of origin searches, birth parent expenses authorized under section 259.271, or any other services;

(2) timeline for the adoptive parent to make fee payments;

(3) likelihood, given the circumstances of the prospective adoptive parent and any specific program to which the prospective adoptive parent is applying, that an adoptive placement may be made and the estimated length of time for making an adoptive placement. These estimates must be based on adoptive placements made with prospective parents in similar circumstances applying to a similar program with the agency during the immediately preceding three to five years. If an agency has not been in operation for at least three years, it must provide summary data based on whatever adoptive placements it has made and may include a statement about the kind of efforts it will make to achieve an adoptive placement, including a timetable it will follow in seeking a child. The estimates must include a statement that the agency cannot guarantee placement of a child or a time by which a child will be placed;

(4) a statement of the services the agency will provide the birth and adoptive parents;

(5) a statement prepared by the commissioner under section 259.2585 that explains the child placement and adoption process and the respective legal rights and responsibilities of the birth parent and prospective adoptive parent during the process including a statement that the prospective adoptive parent is responsible for filing an adoption petition not later than 24 months after the child is placed in the prospective adoptive home;

(6) a statement regarding any information the agency may have about attorney referral services, or about obtaining assistance with completing legal requirements for an adoption; and

(7) an acknowledgment to be signed by the birth parent and prospective adoptive parent that they have received, read, and had the opportunity to ask questions of the agency about the contents of the disclosure statement.

<u>Subd. 3.</u> [CIVIL ACTION.] <u>An action for damages, including punitive damages, may be brought by a birth parent</u> or prospective adoptive parent aggrieved by:

(1) a violation of subdivision 1;

(2) the failure of an agency to provide services listed in the disclosure form under subdivision 2, clause (4); or

(3) deceptive practices or misrepresentations made by an agency about its services or ability to place children for adoption.

Sec. 16. [259.2585] [COMMISSIONER'S STATEMENT.]

The commissioner shall prepare and make available to all agencies, prospective adoptive parents, and birth parents a short, plain description of the legal adoption process and the rights and responsibilities of agencies, birth parents, and prospective adoptive parents in the process.

Sec. 17. [259.2586] [ADOPTION STUDY.]

A written adoption study must be completed before the child is placed in a prospective adoptive home under this chapter and the study must be completed and filed with the court at the time the adoption petition is filed. In a direct adoptive placement, the study must be filed with the court in support of a motion for temporary preadoptive custody under section 259.2591, subdivision 3. The study shall be completed by a licensed child-placing agency and must be thorough and comprehensive. The study shall be paid for by the prospective adoptive parent, except as otherwise required under section 259.40 or 259.44.

<u>A step-parent adoption is not subject to this section.</u>

At a minimum, the study must include the following about the prospective adoptive parent:

(1) a check of criminal conviction data, data on substantiated maltreatment of a child under section 626.556, and domestic violence data of each person over the age of 13 living in the home. The prospective adoptive parents, the bureau of criminal apprehension, and other state, county, and local agencies, after written notice to the subject of the study, shall give the agency completing the adoption study substantiated criminal conviction data and reports about maltreatment of minors and vulnerable adults and domestic violence. The adoption study must also include a check of the juvenile court records of each person over the age of 13 living in the home. Notwithstanding provisions of section 260.161 to the contrary, the juvenile court shall release the requested information to the agency completing the adoption of the effect of a conviction or finding of substantiated maltreatment on the ability to care for a child;

(2) medical and social history and current health;

(3) assessment of potential parenting skills;

(4) ability to provide adequate financial support for a child; and

(5) the level of knowledge and awareness of adoption issues including where appropriate matters relating to interracial, cross-cultural, and special needs adoptions.

The adoption study must include at least one in-home visit with the prospective adoptive parent. The adoption study is the basis for completion of a written adoption study report. The adoption study report must be in a format specified by the commissioner and must contain recommendations regarding the suitability of the subject of the study to be an adoptive parent. An adoption study report is valid for 12 months following its date of completion.

<u>A prospective adoptive parent seeking a study under this section must authorize access by the agency to any private data needed to complete the study and must disclose any names used previously other than the name used at the time of adoption; and must provide a set of fingerprints.</u>

Sec. 18. [259.2587] [BIRTH PARENT HISTORY; COMMISSIONER'S FORM.]

In any adoption under this chapter, except a stepparent adoption, a birth parent or an agency shall provide a prospective adoptive parent with a detailed social and medical history of the birth families, if known after reasonable inquiry. Each birth family history must be provided on a form prepared by the commissioner in a manner so that the

completed form protects the identities of all individuals described in it. The commissioner shall make the form available to agencies and court administrators for public distribution. The birth family history must be filed with the court when the adoption petition is filed, or, in a direct adoptive placement, with the motion for temporary preadoptive custody.

Sec. 19. [259.259] [STATE AUDIT OF ADOPTION AGENCY; CIVIL ACTION.]

Subdivision 1. [AUDIT.] If the commissioner or attorney general has good cause to believe that a child-placing agency has violated section 259.258, subdivision 1, 259.271, 317A.907, or any other applicable law dealing with fees, payments, accounts, or financial disclosure by a child-placing agency, the commissioner or the attorney general may seek a court order requiring a financial audit of the agency, at the agency's expense, by an auditor chosen by the commissioner or attorney general.

<u>Subd. 2.</u> [CIVIL ACTION.] <u>A court may grant equitable or monetary relief that is just and reasonable in the circumstances or may dissolve an adoption agency and liquidate its assets if the assets of the agency are being misapplied or wasted. The attorney general or the commissioner may bring an action in district court if the directors or those in control of the agency have misapplied or wasted assets of the agency or have acted fraudulently, illegally, or in a manner unfairly prejudicial toward a client of the agency in the capacity of a director or one in control of the agency.</u>

Sec. 20. [259.2591] [DIRECT ADOPTIVE PLACEMENT.]

<u>Subdivision 1.</u> [INTENT.] The intent of the provisions governing direct adoptive placement is to safeguard the best interests of the child by providing services and protections to the child, birth parents, and adoptive parents which are consistent with those available through an agency placement.

Subd. 2. [PREPLACEMENT STUDY.] In a direct adoptive placement, a preplacement study under section 259.2586 must be completed and filed with the court as required by subdivision 3.

Subd. 3. [PREADOPTIVE CUSTODY ORDER.] (a) Within 30 days after a child is placed in a prospective adoptive home by a birth parent or legal guardian, other than an agency, the placement must be approved by the district court in the county where the prospective adoptive parent resides. Court approval must be obtained prior to placement if the prospective adoptive parent does not have health care coverage for the child. Any order under this subdivision or subdivision 6 shall state that the prospective adoptive parent's right to custody of the child is subject to the birth parents' right to custody until the consents to the child's adoption become irrevocable. The prospective adoptive parent must meet the residence requirements of section 259.22, subdivision 1, and must file with the court an affidavit of intent to remain a resident of the state for at least 90 days after the child is placed in the prospective adoptive home. The prospective adoptive parent shall file with the court a notice of intent to file an adoption petition and submit a written motion seeking an order granting temporary preadoptive custody. The notice and motion required under this subdivision may be considered by the court ex parte, without a hearing. The prospective adoptive parent shall serve a copy of the notice and motion upon any parent whose consent is required under section 259.24 or who is named in the affidavit required under paragraph (b) of this subdivision if that person's mailing address is known. The motion may be filed up to 60 days before the placement is to be made and must include:

(1) the adoption study required under section 259.2586;

(2) affidavits from the birth parents indicating their support of the motion, or, if there is no affidavit from the birth father, an affidavit from the birth mother under paragraph (b);

(3) an itemized statement of expenses that have been paid and an estimate of expenses that will be paid by the prospective adoptive parents to the birth parents, any agency, attorney, or other party in connection with the prospective adoption;

(4) the name of counsel for each party, if any;

(5) a statement that the birth parents:

(i) have provided the social and medical history required under section 259.2587 to the prospective adoptive parent;

(ii) have received the written statement of their legal rights and responsibilities under section 259.2585; and

(iii) have been notified of their right to receive counseling under subdivision 4; and

(6) the name of the agency chosen by the adoptive parent to supervise the adoptive placement and complete the postplacement adoption study required by subdivision 9.

The court shall review the expense statement submitted under this subdivision to determine whether payments made or to be made by the prospective adoptive parent are lawful and in accordance with section 259.271, subdivision 1.

(b) If the birth mother submits the affidavit required in paragraph (a), clause (2), but the birth father fails to do so, the birth mother must submit an additional affidavit that describes her good faith efforts or efforts made on her behalf to identify and locate the birth father for purposes of securing his consent. In the following circumstances, the birth mother may instead submit an affidavit stating on which ground she is exempt from making efforts to identify and locate the father:

(1) the child was conceived as the result of incest or rape;

(2) efforts to locate the father could reasonably result in physical harm to the birth mother or child; or

(3) efforts to locate the father by the affiant or anyone acting on the affiant's behalf could reasonably result in emotional impairment of the birth mother or child.

A court shall consider the motion for temporary preadoptive custody within 30 days of receiving the motion or by the anticipated placement date stated in the motion, whichever comes sooner.

Subd. 4. [BIRTH PARENT COUNSELING.] In a direct adoptive placement, the prospective adoptive parent must notify the birth parent that the birth parent has a right to receive counseling about adoption issues at the expense of the prospective adoptive parent. The prospective adoptive parent must bear the cost of up to 35 hours of counseling upon the request of a birth parent at any time between conception of child and six months after the birth of the child or the placement in the adoptive home, whichever is later. A birth parent may waive the right to receive counseling under this subdivision.

<u>Subd. 5.</u> [BIRTH PARENT LEGAL COUNSEL.] <u>Upon the request of a birth parent, separate legal counsel must</u> <u>be made available to the birth parent at the expense of the prospective adoptive parent.</u> A birth parent may waive <u>this right only by a written waiver signed and submitted to the court at the consent hearing under subdivision 6.</u> <u>Representation of a birth parent and a prospective adoptive parent by the same attorney is prohibited.</u>

<u>Subd. 6.</u> [EMERGENCY ORDER.] (a) <u>A court may issue an emergency order granting temporary preadoptive</u> custody of a child to a prospective adoptive parent for up to 14 days if the following conditions are met:

(1) the motion is supported by:

(i) affidavits from the prospective adoptive parent and birth parent indicating that an emergency order is needed because of the unexpected premature birth of the child or other specifically described extraordinary circumstances which prevented the completion of the requirements of subdivision 3; and

(ii) the information required by subdivision 3, paragraph (a), clause (2), and clause (5), items (ii) and (iii); and

(iii) a completed adoption study which meets the requirements of section 259.2586; or

(iv) affidavits from each prospective adoptive parent stating whether they or any person residing in the household have been convicted of a crime; or are the subject of an open investigation of, or have been the subject of substantiated allegations of, child or vulnerable-adult abuse within the past ten years. If so, a complete description of the crime, open investigation, or substantiated abuse and a complete description of any sentence, treatment, or disposition must be included. If, at any time before the adoption is final, a court receives evidence leading it to conclude that a prospective adoptive parent knowingly gave false information in this affidavit, it shall be presumed that the placement of the child with the adoptive parent is not in the best interests of the child.

(2) the court concludes from the record submitted that the emergency order will preserve the health and safety of the child.

(b) An order granting or denying the motion shall be issued under this section within 24 hours of the time it is brought. Notwithstanding section 259.23, any judge of district court may consider a motion brought under this subdivision. An order granting the motion shall direct that an adoption study be commenced immediately, if that has not occurred, and that the agency conducting the study shall supervise the emergency placement.

(c) An emergency order under this subdivision expires 14 days after it is issued. If the requirements of section 259.2591 are completed and a preadoptive custody motion is filed on or before the expiration of the emergency order, placement may continue until the court rules on the motion. The court shall consider the preadoptive custody motion within seven days of filing.

<u>Subd. 7.</u> [CONSENT OF BIRTH PARENTS; HEARING; VENUE; COMMISSIONER'S FORM.] In all adoptions, regardless of the manner of placement, not sooner than 72 hours after the birth of a child and not later than 60 days after the child's placement in a prospective adoptive home, a birth parent whose consent is required under section 259.24, shall execute a consent. In all direct adoptive placements, a birth parent, whose consent is required under section 259.24 and who has chosen not to receive counseling through a licensed agency or a licensed social services professional trained in adoption issues, shall appear before a judge or judicial officer to sign the birth parent's written consent to the child's adoption by the prospective adoptive parent resides, the consent hearing may be held in any county in this state where the birth parent is found. If a birth parent has chosen to receive counseling through a licensed agency or a licensed social services professional trained in adoption issues, the birth parent may choose to execute a gency or a licensed social services professional trained in adoption issues, the birth parent may choose to execute a written consent under section 259.24, subdivision 5, or participate in a voluntary termination of parental rights.

If a consent hearing is held in a county other than where the prospective adoptive parent resides, the court shall forward the executed consents to the district court in the county where the prospective adoptive parent resides.

The consent becomes irrevocable on the tenth working day after it is given, except that if the consent was obtained by fraud, proceedings to determine the existence of fraud shall be governed by section 259.24, subdivision 6a. Until the consent becomes irrevocable, the child shall be returned to the birth parent upon request.

The written consent under this subdivision must state that:

(1) the birth parent has had the opportunity to consult with independent legal counsel at the expense of the prospective adoptive parent, unless the birth parent knowingly waived the opportunity;

(2) the birth parent was notified of the right to receive counseling at the expense of the prospective adoptive parent and has chosen to exercise or waive that right; and

(3) the birth parent was informed that if the birth parent withdraws consent, the prospective adoptive parent cannot require the birth parent to reimburse any costs the prospective adoptive parent has incurred in connection with the adoption, including payments made to or on behalf of the birth parent.

If a birth parent has chosen to have legal counsel, the attorney must be present at the execution of consents. If a birth parent waives counsel, the written waiver must be filed with the consent under this subdivision.

The consent signed under this subdivision must be on a form prepared by the commissioner and made available to agencies and court administrators for public distribution.

<u>Subd. 8.</u> [NOTICE AND CONSENT DEADLINE; CONSENT HEARING; BIRTH PARENT NOT APPEARING.] (a) A birth parent who intends to consent to the adoption of a child or to confer authority on an agency to place a child for adoption under section 259.25 shall notify the other birth parent of that fact if the other birth parent's consent to the adoption is required under subdivision 1. Notice shall be provided to the other birth parent by personal service in the manner provided in the rules of civil procedure for service of a summons and complaint within 72 hours of the date on which the child is placed. The notice shall inform the birth parent of the notifying birth parent's intent regarding consent to adoption or an agreement under section 259.25 and shall notify the receiving birth parent that, not later than 60 days after the date of service, the birth parent must either consent or refuse to consent to the adoption or the agreement under section 259.25. On the sixty-first day following service of the notice required under this subdivision, a birth parent who fails to take either of these actions, is deemed to have consented to the child's adoption or the agreement under section 259.25 regarding the child.

(b) If a birth parent whose consent is required under section 259.24 does not appear at a consent hearing under this section, the agency which conducted the adoption study shall notify the court and the court shall issue an order regarding continued placement of the child.

<u>Subd. 9.</u> [POSTPLACEMENT ADOPTION STUDY.] <u>The agency designated by the prospective adoptive parent</u> <u>under subdivision 3, paragraph (a), clause (6), shall complete a postplacement adoption study and file it with the court</u> <u>with which the adoption petition has been filed not later than 90 days after the filing of a petition for adoption.</u>

At a minimum, the postplacement study must include the following information:

(1) assessment of adaptation by the prospective adoptive parents to parenting the child;

(2) assessment of the health and well-being of the child in the prospective adoptive parents' home;

(3) analysis of the level of incorporation by the child into the prospective adoptive parents' home, extended family and community; and

(4) assessment of the level of incorporation of the child's previous history into the prospective adoptive home, such as cultural or ethnic practices, or contact with former foster parents, or biological relatives.

The postplacement adoption study shall be filed with the local social service agency in the county where the prospective adoptive parent resides. The local social service agency may seek a court order to remove the child from the prospective adoptive home, if the study so recommends and the agency finds that continued placement in the adoptive home endangers the physical or emotional health of the child. A postplacement adoption study is valid for 12 months after its date of completion.

Subd. 10. [RECORDS.] All records filed with the court in a direct adoptive placement under this section must be permanently maintained by the agency which completed the adoption study. Notwithstanding the provisions of section 259.31, an agency shall, upon request, be given any court records needed to provide postadoption services pursuant to section 259.47 at the request of adoptive parents, birth parents, or adopted individuals age 19 or older.

<u>Subd. 11.</u> [PENALTY.] It is a gross misdemeanor for a person, not being the commissioner or an agency, knowingly to engage in placement activities as defined in section 259.21, subdivision 9, without being licensed by the commissioner under chapter 245A, except as authorized by section 245A.03, subdivision 2.

Sec. 21. Minnesota Statutes 1992, section 259.27, subdivision 1, is amended to read:

Subdivision 1. [COMMISSIONER'S NOTICE TO COMMISSIONER; COUNTY DUTIES.] Upon the filing of a petition for adoption of a child the court administrator shall immediately transmit a copy of the petition to the commissioner of human services. The commissioner and the social services department of the county in which the prospective adoptive parent lives. Except as provided in subdivision 2, the county social services department shall verify the allegations of the petition, investigate the conditions and antecedents of the child for the purpose of ascertaining whether the child is a proper subject for adoption, and make appropriate inquiry to ascertain whether the proposed foster adoptive home and the child are suited to each other and whether the proposed foster home adoption meets the preferences described in section 259.28, subdivision 2. The report of the county welfare board submitted to the commissioner of human services bearing on the suitability of the proposed foster home and the child to each other shall be confidential, and the records of the county welfare board or the contents thereof of them shall not be disclosed either directly or indirectly to any person other than the commissioner of human services or a judge of the court having jurisdiction of the matter. Within 90 days after the receipt of said the copy of the petition the eommissioner county social services department shall submit to the court and the commissioner a full report in writing with recommendations as to the granting of the petition. If such the report is not returned within the 90 days, without fault of petitioner, the court may hear the petition upon giving the commissioner county social services department five days notice by mail of the time and place of the hearing. If such the report disapproves of the adoption of the child, the commissioner county social services department may recommend that the court dismiss the petition.

Sec. 22. Minnesota Statutes 1992, section 259.27, subdivision 2, is amended to read:

Subd. 2. [ADOPTION AGENCIES.] Notwithstanding the provisions of subdivision 1, if the child to be adopted has been committed to the guardianship of an agency pursuant to section 260.241, or if the child has been surrendered to an agency pursuant to section 259.25, or the child's direct adoptive placement is being supervised by an agency pursuant to section 259.251 the court, in its discretion, may shall refer the adoption petition to such the agency, or, if the adopting parent has a stepparent relationship to the child, to the county welfare department of the county in which the adoption is pending. The agency or county welfare department, within 90 days of receipt of a copy of the

adoption petition, shall file with the court a report of its investigation of the environment and antecedents of the child to be adopted and of the home of the petitioners and its determination whether the home of the petitioners meets the preferences described in section 259.28, subdivision 2. If such the report disapproves of the adoption of the child, the agency or county welfare department may recommend that the court dismiss the petition. In the case of a direct adoptive placement under section 259.2591, a postplacement adoption study completed under subdivision 9 of that section shall be considered as meeting the requirement for a report under this section.

Sec. 23. Minnesota Statutes 1992, section 259.27, subdivision 5, is amended to read:

Subd. 5. [RESIDENCE AND INVESTIGATION WAIVED; STEPPARENT.] Such The investigation and period of residence required by this section may be waived by the court when the petition for adoption is submitted by a stepparent or when, upon good cause being shown, the court is satisfied that the proposed adoptive home and the child are suited to each other, but in either event at least ten working days notice of the hearing shall be given to the commissioner county social services department by certified mail. The reports of investigations shall be a part of the court files in the case, unless otherwise ordered by the court.

Sec. 24. Minnesota Statutes 1992, section 259.27, is amended by adding a subdivision to read:

In a direct adoptive placement, the statement of expenses shall be filed by the prospective adoptive parent.

Sec. 25. [259.271] [PAYMENT OF BIRTH PARENT EXPENSES; PENALTY.]

<u>Subdivision 1.</u> [AUTHORIZED PAYMENTS.] In any adoption under this chapter, a prospective adoptive parent or anyone acting in concert with, at the direction of, or in behalf of a prospective adoptive parent may pay only the following expenses of the birth parent:

(2) reasonable expenses for transportation, meals, and lodging incurred for placement of the child;

(3) reasonable expenses for adoption services provided by an agency at the request of the birth parent, which shall be paid directly to the agency; and

(4)(i) reasonable living expenses of the birth mother which are needed to maintain an adequate standard of living which the birth mother is unable to otherwise maintain because of loss of income or other support resulting from the pregnancy. Sec. 26. Minnesota Statutes 1992, section 259.31, is amended to read:

# 259.31 [HEARINGS, CONFIDENTIAL.]

All hearings held in proceedings under sections 259.21 to 259.32 shall be confidential and shall be held in closed court without admittance of any persons other than the petitioners, their witnesses, the commissioner of human services or an agency, or their authorized representatives, attorneys, and persons entitled to notice by sections 259.21 to 259.32, except by order of the court. The files and records of the court in adoption proceedings shall not be open to inspection by any person except the commissioner of human services or the commissioner's representatives, <u>an agency acting under section 259.2591, subdivision 10</u>, or upon an order of the court expressly so permitting pursuant to a petition setting forth the reasons therefor.

Sec. 27. Minnesota Statutes 1992, section 317A.907, subdivision 6, is amended to read:

Subd. 6. [EXPENSE REIMBURSEMENT.] (a) An organization, association, or society licensed by the commissioner of human services may receive payment for expenses related to adoption services in an amount that fairly reflects the agency's reasonable and necessary expenses of:

In addition to other reports as may be required, a licensed agency shall file annually with the commissioner of human services a full accounting of expense reimbursement received under this subdivision, together with the record of the services given for which the reimbursement was made. If the person returns the child to the corporation, the person may not receive compensation for the care, clothing, or medical expenses of the child. This paragraph does not preclude voluntary contributions by an individual or organization. A pledge by an adoption applicant to make a voluntary contribution is voidable at the option of the person pledging.

(b) No organization, association, or society is eligible to receive an expense reimbursement from a person who takes a child into the person's home or who adopts a child during the first 12 months that the organization, association, or society is licensed by the commissioner of human services.

(a) the service credit obtained can not exceed one year for the period of the leave;

Sec. 5. [SAINT PAUL TEACHERS RETIREMENT FUND ASSOCIATION AND MINNEAPOLIS TEACHERS RETIREMENT FUND ASSOCIATION BYLAW AMENDMENTS.]

Consistent with Minnesota Statutes, section 354.12, subdivision 4, the board of the Minneapolis teachers retirement fund association and the board of the St. Paul teachers retirement fund association may amend the bylaws or articles of incorporation to provide that:

(a) any person receiving a basic program retirement annuity under the governing sections in the articles of incorporation or bylaws and who resumes teaching service for the school district in which the teachers retirement fund association exists is entitled to continue to receive retirement annuity payments, except that annuity payments must be reduced during the calendar year immediately following the calendar year in which the person's income from the teaching service is in an amount greater than the annual maximum earnings allowable for that age for the continued receipt of full benefit amounts monthly under the federal old age, survivors, and disability insurance program as set by the secretary of health and human services under United States Code, title 42, section 403;

(b) the amount of the reduction must be one-third the amount in excess of the applicable reemployment income maximum and must be deducted from the annuity payable for the calendar year immediately following the calendar year in which the excess amount was earned;

(c) if the person has not yet reached the minimum age for the receipt of social security benefits, the maximum earnings for the person must be equal to the annual maximum earnings allowable for the minimum age for the receipt of social security benefits;

(d) if the person is retired for only a fractional part of the calendar year during the initial year of retirement, the maximum reemployment income must be prorated for that calendar year;

(e) after a person has reached the age of 70, no reemployment income maximum is applicable regardless of the amount of any compensation received for teaching service for the school district in which the teachers retirement fund association exists; and

(f) for the purposes of the bylaw amendment, income from teaching service includes: (i) all income for services performed as a consultant, independent contractor, or income resulting from working with the school district in any capacity; and (ii) the greater of either the income received or an amount based on the rate paid with respect to an administrative position, consultant, or independent contractor in the school district in which the teachers retirement fund association exists and at the same level as the position occupied by the person who resumes teaching service.

Subdivision 1. [GENERAL.] The definitions in this section apply to sections 1 to 9.

Subd. 2. [COERCE.] "Coerce" means to use or threaten to use any form of domination, restraint, or inducement for the purpose or with the reasonably foreseeable effect of causing an individual to engage in or remain in prostitution or to relinquish earnings derived from prostitution. "Coercion" may include, but is not limited to:

(21) restraining movement;

(22) exploiting HIV status, particularly where the defendant's previous coercion led to the HIV exposure; or

(23) exploiting needs for food, shelter, safety, affection, or intimate or marital relationships.

Subd. 3. [PROSTITUTION.] "Prostitution" has the meaning given in section 609.321, subdivision 9.

Sec. 2. [611A.81] [CAUSE OF ACTION FOR COERCION FOR USE IN PROSTITUTION.]

Subdivision 1. [CAUSE OF ACTION CREATED.] An individual has a cause of action against a person who:

(1) coerced the individual into prostitution;

(2) coerced the individual to remain in prostitution;

(3) used coercion to collect or receive any of the individual's earnings derived from prostitution; or

(4) hired, offered to hire, or agreed to hire the individual to engage in prostitution, knowing or having reason to believe that the individual was coerced into or coerced to remain in prostitution by another person.

For purposes of clauses (1) and (2), money payment by a patron, as defined in section 609.321, subdivision 4, is not coercion under section 611A.80, subdivision 2, clause (5) or (11), or exploiting needs for food or shelter under section 611A.80, subdivision 2, clause (23).

<u>Clause (3) does not apply to minor children who may have benefitted from or been supported by an individual's</u> <u>earnings derived from prostitution.</u>

<u>Subd. 2.</u> [DAMAGES.] <u>A person against whom a cause of action may be maintained under subdivision 1 is liable for the following damages that resulted from the plaintiff being used in prostitution or to which the plaintiff's use in prostitution significantly contributed:</u>

(1) economic loss, including damage, destruction, or loss of use of personal property; loss of past or future income or earning capacity; and income, profits, or money owed to the plaintiff from contracts with the person; and

(2) damages for death, personal injury, disease, and mental and emotional harm, including medical, rehabilitation, and burial expenses; and pain and suffering, including physical impairment.

Sec. 3. [611A.82] [ACTS NOT DEFENSES.]

None of the following shall alone be a sufficient defense to an action under section 2 if the only defenses are one or any combination of the following:

(1) the plaintiff consented to engage in acts of prostitution;

(2) the plaintiff was paid or otherwise compensated for acts of prostitution;

(3) the plaintiff engaged in acts of prostitution prior to any involvement with the defendant;

(4) the plaintiff apparently initiated involvement with the defendant;

(5) the plaintiff made no attempt to escape, flee, or otherwise terminate contact with the defendant;

(6) the defendant had not engaged in prior acts of prostitution with the plaintiff;

(7) as a condition of employment, the defendant required the plaintiff to agree not to engage in prostitution; or

(8) the defendant's place of business was posted with signs prohibiting prostitution or prostitution-related activities.

Sec. 4. [611A.83] [EVIDENCE.]

<u>Subdivision 1.</u> [USE IN OTHER PROCEEDINGS.] In the course of litigation under section 2, any transaction about which a plaintiff testifies or produces evidence does not subject the plaintiff to criminal prosecution or any penalty or forfeiture. Any testimony or evidence, documentary or otherwise, or information directly or indirectly derived from that testimony or evidence that is given or produced by a plaintiff or a witness for a plaintiff may not be used against that person in any other investigation or proceeding, other than a criminal investigation or proceeding for perjury committed while giving the testimony or producing the evidence.

<u>Subd. 2.</u> [CONVICTIONS.] Evidence of convictions for prostitution or prostitution-related offenses is inadmissible in a proceeding brought under section 2 for purposes of attacking the plaintiff's credibility. If the court admits evidence of prior convictions for purposes permitted under Minnesota Rules of Evidence, rule 404(b) with respect to motive, opportunity, intent, preparation, plan, knowledge, identity, or absence of mistake or accident, the fact finder may consider the evidence solely for those purposes and shall disregard details offered to prove any fact that is not relevant.

Sec. 5. [611A.84] [STATUTE OF LIMITATIONS.]

An action for damages under section 2 must be commenced not later than six years after the cause of action arises, except that the running of the limitation period is suspended during the time that coercion as defined in section 1 continues.

Sec. 6. [611A.85] [OTHER REMEDIES PRESERVED.]

Sections 1 to 9 do not affect the right of any person to bring an action or use any remedy available under other law, including common law, to recover damages arising out of the use of the individual in prostitution or the coercion incident to the individual being used in prostitution nor do sections 1 to 9 limit or restrict the liability of any person under other law.

Sec. 7. [611A.86] [DOUBLE RECOVERY PROHIBITED.]

<u>A person who recovers damages under sections 1 to 9 may not recover the same costs or damages under any other</u> law. <u>A person who recovers damages under any other law may not recover for the same costs or damages under</u> sections 1 to 9.

Sec. 8. [611A.87] [AWARD OF COSTS.]

Upon motion of a prevailing party in an action under sections 1 to 9, the court may award costs, disbursements, and reasonable attorney fees and witness fees to the party.

Sec. 9. [611A.88] [NO AVOIDANCE OF LIABILITY.]

No person may avoid liability under sections 1 to 9 by means of any conveyance of any right, title, or interest in real property, or by any indemnification, hold harmless agreement, or similar agreement that purports to show consent of the plaintiff.

Sec. 10. [EFFECTIVE DATE; APPLICATION.]

(a) Sections 1 to 9 are effective August 1, 1994, and apply to activities described in section 2, subdivision 1, that occur on or after the effective date.

(b) For activities described in section 2, subdivision 1, that occurred between August 1, 1988, and July 31, 1994, an action for damages must be commenced not later than August 1, 1995."

The following provisions govern the election of a transfer or the retention of retirement benefit coverage:

(a) For a person who desires to transfer benefit coverage, the affirmative written election must be made within 120 days of the transfer of the employee to state employment.

(b) On behalf of transferred employees who retain retirement benefit coverage with the pretransfer retirement plan, the higher education board shall make the applicable employer contributions to the public employees retirement association under section 353.27, subdivisions 3 and 3a, or the same percentage of covered payroll employer contribution to the Minneapolis employees retirement fund that special school district No. 1 is required to make for that school year under section 422A.101, subdivision 2.

(d) The executive directors of the Minnesota state retirement system, the public employees retirement association, and the Minneapolis employees retirement fund, and the chancellor of the higher education system, shall confer and jointly adopt appropriate procedures for making the retirement benefit coverage transfer elections under this section.

(e) The executive directors of the public employees retirement association, the Minnesota state retirement system, and the Minneapolis employees retirement fund, whichever applies, shall, upon request, provide appropriate benefit counseling to applicable affected employees on the effect of electing retirement benefit coverage by the general state employees retirement plan of the Minnesota state retirement system."

H. F. No. 2916, A bill for an act relating to health; modifying provisions relating to lead abatement; amending Minnesota Statutes 1992, section 144.874, subdivision 12, and by adding a subdivision; Minnesota Statutes 1993 Supplement, sections 144.871, subdivision 7c; 144.872, subdivision 2; 144.874, subdivisions 1, 3, and 11a; and 144.878, subdivisions 2 and 5; repealing Minnesota Statutes 1993 Supplement, section 144.877.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 144.871, subdivision 2, is amended to read:

Subd. 2. [ABATEMENT.] "Abatement" means removal of, replacement of, or encapsulation of any set of procedures designed to remove, replace, or encapsulate deteriorated paint, bare soil, dust, drinking water, or other lead-containing materials that are or may become readily accessible during the lead abatement process and pose an immediate threat of actual lead exposure to people and includes preparation, cleanup, and disposal.

Sec. 2. Minnesota Statutes 1992, section 144.871, is amended by adding a subdivision to read:

Subd. 5a. [DETERIORATED PAINT.] "Deteriorated paint" or "deteriorating paint" means paint that is chipped, peeled, or otherwise separated from its substrate or that is attached to damaged substrate.

Sec. 3. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 3, is amended to read:

Subd. 3. [SWAB TEAMS; LEAD ASSESSMENT; LEAD ABATEMENT ORDERS.] A board of health must order a property owner to perform abatement on a lead source that exceeds a standard adopted according to section 144.878 at the residence of a child with an elevated blood lead level or a pregnant woman with a blood lead level of at least ten micrograms per deciliter. If the paint standard under section 144.878 is violated, but the paint is intact, the board of health must not order paint removal unless the intact paint is a known source, or reasonably expected to be a source, of actual lead exposure to a specific person. Before the board of health may order the intact paint to be removed, a reasonable effort must be made to protect the child and preserve the intact paint by the use of guards or other protective devices. Lead abatement orders must require that any source of damage, such as leaking roofs, plumbing, and windows, must be repaired or replaced, as needed, to prevent damage to lead-containing interior surfaces. The board of health is not required to pay for lead abatement. With each lead abatement order, the board of health must coordinate with swab team abatement and provide a residential lead abatement guide.

Sec. 4. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 11a, is amended to read:

Subd. 11a. [LEAD ABATEMENT <u>AND</u> <u>LEAD-SAFE</u> <u>WORK</u> DIRECTIVES.] (a) In order to achieve statewide consistency in the application of lead abatement standards, the commissioner shall issue program directives that interpret the application of rules under section 144.878 in ambiguous or unusual lead abatement situations. These directives are guidelines to local boards of health. The commissioner shall periodically review the evaluation of lead abatement orders and the program directives to determine if the rules under section 144.878 need to be amended to reflect new understanding of lead abatement practices and methods.

(b) By July 1, 1995, the commissioner shall work cooperatively with the commissioner of administration to develop provisions, procedures, and directives to define residential remodeling, renovation, installation, and rehabilitation activities that are not lead abatement but may disrupt lead-based paint surfaces. The directives and provisions must define lead-safe procedures for nonlead abatement activities including preparation, cleanup, and disposal procedures, and must define the levels of training or certification necessary to learn and follow the directives. The directives must be based on the different levels and types of work involved and the potential for lead hazards. The directives must address activities including, but not limited to, painting, remodeling, weatherization, installation of cable, wire, plumbing, and gas, and replacement of doors and windows. The commissioners of health and administration shall consult with representatives of builders, weatherization providers, nonprofit rehabilitation organizations, a representative of each of the affected trades, and housing and redevelopment authorities in developing the directives and procedures. The commissioner of health shall report to the legislature by January 15, 1995, regarding development of the provisions required under this subdivision.

#### Sec. 5. [144.8711] [EXEMPTIONS.]

The provisions of sections 144.876 and 144.878, subdivision 5, do not apply to homeowners, apartment owners, farmers, and small business persons with 50 or fewer employees who do their own maintenance and remodeling work, or to small contractors, excluding lead abatement contractors. In no case shall they apply until after provisions, directives, and procedures are developed under section 144.874, subdivision 11a, in consultation with the affected industry representatives. Nothing in this section affects any federal grant from the Department of Housing and Urban Development or state financed swab teams.

Sec. 6. [144.8712] [EFFECTIVE DATES DELAYED.]

The requirement for testing of intact paint in Minnesota Rules, part 4761.0100, "Applicability," paragraph C, shall not be effective until July 1, 1995.

Sec. 7. Minnesota Statutes 1993 Supplement, section 144.878, subdivision 2, is amended to read:

Subd. 2. [LEAD STANDARDS AND ABATEMENT METHODS.] (a) The commissioner shall adopt rules establishing standards and abatement methods for lead in paint, dust, and drinking water, and soil in a manner that protects public health and the environment for all residences, including residences also used for a commercial purpose.

(b) The commissioner shall differentiate between intact paint and deteriorating paint. The commissioner and political subdivisions shall require abatement of intact paint only if the commissioner or political subdivision finds that the intact paint is on a chewable or lead-dust producing surface that is a known source or reasonably expected to be a source of actual lead exposure to a specific person. The commissioner shall determine which practices under section 144.874, subdivision 11a, may be used for lead-safe work including preparation and cleanup. The commissioner shall work cooperatively with the commissioner of the pollution control agency to develop disposal procedures. In adopting rules under this subdivision, the commissioner shall require the best available technology for lead abatement methods, paint stabilization, and repainting.

(b) (c) The commissioner of health shall adopt standards and abatement methods for lead in bare soil on playgrounds and residential property in a manner to protect public health and the environment. The commissioner shall adopt a maximum standard of 100 parts of lead per million in bare soil, unless it is proven that a different standard provides greater protection of public health.

(e) (d) The commissioner of the pollution control agency shall adopt rules to ensure that removal of exterior lead-based coatings from residential property by abrasive blasting methods is conducted in a manner that protects public health and the environment.

(d) (e) All standards adopted under this subdivision must provide reasonable margins of safety that are consistent with a detailed review of scientific evidence and an emphasis on overprotection rather than underprotection when the scientific evidence is ambiguous. The rules must apply to any individual performing or ordering the performance of lead abatement.

(e) (f) No unit of local government may have an ordinance or regulation governing lead abatement methods for lead in paint, dust, or soil for residences and residential land that require a different lead abatement method than the lead abatement standards established under sections 144.871 to 144.879.

(g) The commissioner shall adopt standards and abatement methods for lead in drinking water in a manner to protect the public health and the environment. The commissioner shall adopt rules for controlling lead in drinking water as contained in Code of Federal Regulations, title 40, part 141. Samples collected for the purposes of lead analysis of drinking water shall be done in accordance with lab certification requirements and analytical techniques specified by the Code of Federal Regulations, title 40, part 141.89.

Sec. 8. Minnesota Statutes 1993 Supplement, section 144.878, subdivision 5, is amended to read:

Subd. 5. [LEAD ABATEMENT CONTRACTORS AND EMPLOYEES.] The commissioner shall adopt rules to license lead abatement contractors, and to certify employees of lead abatement contractors who perform abatement, and to certify lead abatement trainers who provide lead abatement training for contractors, employees, or other lead abatement trainers. A person who performs painting, renovation, rehabilitation, remodeling, or other residential work that is not lead abatement need not be a licensed lead abatement contractor. By July 1, 1994, a person who performs work that removes intact paint on residences built before February 27, 1978, must determine whether lead sources are present and whether the planned work would be lead abatement as defined in section 144.871, subdivision 2. This

determination may be made by quantitative chemical analysis, X ray fluorescence analyzer, or chemical spot test using sodium rhodizonate. If lead sources are identified, the work must be performed by a licensed lead abatement contractor. An owner of an owner occupied residence with one or two units is not subject to the requirements under this subdivision. All lead abatement training must include a hands-on component and instruction on the health effects of lead exposure, the use of personal protective equipment, workplace hazards and safety problems, abatement methods and work practices, decontamination procedures, cleanup and waste disposal procedures, lead monitoring and testing methods, and legal rights and responsibilities. The commissioner shall adopt rules to approve lead abatement training courses and to charge a fee for approval. At least 30 days before publishing initial notice of proposed rules under this subdivision on the licensing of lead abatement contractors, the commissioner shall submit the rules to the chairs of the health and human services committee in the house of representatives and the health care committee in the senate, and to any legislative committee on licensing created by the legislature.

Sec. 9. Minnesota Statutes 1992, section 144.878, is amended by adding a subdivision to read:

Subd. 5a. [RESIDENTIAL RENOVATION AND REMODELING.] <u>A person who performs painting, renovation,</u> rehabilitation, remodeling, demolition, or other residential work that is not lead abatement need not be a licensed lead abatement contractor. By July 1, 1995, a person who performs work that removes intact paint on residences built before February 27, 1978, must determine whether lead sources are present. This determination may be made by quantitative chemical analysis, X-ray fluorescence analyzer, or chemical spot test using sodium rhodizonate. If lead sources are identified, the work must be performed in accordance with the standard in section 144.878, subdivision 2, as modified by the program directives developed under section 144.874, subdivision 11a. An owner of an owner-occupied residence with one or two units is not subject to the requirements under this subdivision.

Sec. 10. [PROPOSAL FOR FEDERAL CONFORMING LEGISLATION.]

The commissioners of the pollution control agency and the department of health shall monitor federal rules proposed and adopted for lead hazard reduction of public buildings and structures under title X, of the federal Residential Lead-Based Paint Hazard Reduction Act of 1992, Public Law Number 102-550. The commissioner of health shall report to the legislature by February 1, 1995, with a legislative proposal to bring Minnesota law into conformance with the federal requirements for accreditation of training, inspection, contracting, and employment. The proposal shall be developed jointly with the commissioners of other affected agencies.

Sec. 11. [FEDERAL TRAINING GRANTS.]

The commissioner shall identify and apply for federal grants to subsidize the cost of the current lead abatement training program and to increase the number of certified trainers. The commissioner shall take necessary actions to expand the number of certified trainers, and increase the capacity of the current lead abatement training program to train and certify contractors and employees as required under section 144.876, subdivision 1, and rules adopted under section 144.878, subdivision 5.

Sec. 12. [STUDY OF INSURANCE OPTIONS FOR LEAD ABATEMENT.]

The commissioner of commerce shall report to the legislature by January 1, 1995, on the insurance options available to remodelers and lead abatement contractors. The report shall include recommendations on methods to limit the liability of remodelers and lead abatement contractors, including liability for consumer claims.

Sec. 13. [REVIEW AND CODIFICATION; LEAD LAWS AND STATUTES.]

The commissioners of health and the pollution control agency shall review current lead abatement and standards statutes, laws, and rules, and propose coding to the legislature by January 10, 1995."

"Sec. 31. Minnesota Statutes 1993 Supplement, section 256B.0625, subdivision 13, is amended to read:

Subd. 13. [DRUGS.] (a) Medical assistance covers drugs, except for fertility drugs, if prescribed by a licensed practitioner and dispensed by a licensed pharmacist, or by a physician enrolled in the medical assistance program as a dispensing physician. The commissioner, after receiving recommendations from professional medical associations and professional pharmacist associations, shall designate a formulary committee to advise the commissioner on the names of drugs for which payment is made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve without compensation. Members may be reappointed once.

(b) The commissioner shall establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary committee shall review and recommend drugs which require prior authorization. The formulary committee may recommend drugs for prior authorization directly to the commissioner, as long as opportunity for public input is provided. Prior authorization may be requested by the commissioner based on medical and clinical criteria before certain drugs are eligible for payment. Before a drug may be considered for prior authorization at the request of the commissioner:

(1) the drug formulary committee must develop criteria to be used for identifying drugs; the development of these criteria is not subject to the requirements of chapter 14, but the formulary committee shall provide opportunity for public input in developing criteria;

(2) the drug formulary committee must hold a public forum and receive public comment for an additional 15 days; and

(3) the commissioner must provide information to the formulary committee on the impact that placing the drug on prior authorization will have on the quality of patient care and information regarding whether the drug is subject to clinical abuse or misuse. Prior authorization may be required by the commissioner before certain formulary drugs are eligible for payment. The formulary shall not include:

(i) drugs or products for which there is no federal funding;

(ii) over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, products for the treatment of lice, vitamins for adults with documented vitamin deficiencies, and vitamins for children under the age of seven and pregnant or nursing women;

(iii) any other over-the-counter drug identified by the commissioner, in consultation with the drug formulary committee, as necessary, appropriate, and cost-effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14;

(iv) anorectics; and

(v) drugs for which medical value has not been established.

The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(c) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug shall be estimated by the commissioner, at average wholesale price minus 7.6 percent effective January 1, 1994. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of \$.30 may be added to the dispensing fee paid to pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Over-the-counter medications must be dispensed in the manufacturer's unopened package. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written - brand necessary" on the prescription as required by section 151.21, subdivision 2. Implementation of any change in the fixed dispensing fee that has not been subject to the administrative procedure act is limited to not more than 180 days, unless, during that time, the commissioner initiates rulemaking through the administrative procedure act.

(d) Until the date the on-line, real-time Medicaid Management Information System (MMIS) upgrade is successfully implemented, as determined by the commissioner of administration, a pharmacy provider may require individuals who seek to become eligible for medical assistance under a one-month spend-down, as provided in section 256B.056, subdivision 5, to pay for services to the extent of the spend-down amount at the time the services are provided. A pharmacy provider choosing this option shall file a medical assistance claim for the pharmacy services provided. If medical assistance reimbursement is received for this claim, the pharmacy provider shall return to the individual the total amount paid by the individual for the pharmacy services reimbursed by the medical assistance program. If the claim is not eligible for medical assistance reimbursement because of the provider's failure to comply with the provisions of the medical assistance program, the pharmacy provider shall return to the individual the total amount paid by the individuals. A pharmacy provider choosing this option must inform individuals who seek to become eligible for medical assistance under a one-month spend-down of (1) their right to appeal the denial of services on the grounds that they have satisfied the spend-down requirement, and (2) their potential eligibility for the health right program or the children's health plan."

"Section 1. Minnesota Statutes 1992, section 62A.31, is amended by adding a subdivision to read:

Subd. 1u. [PREMIUM RATE REGULATION.] No Medicare supplement policy, contract, or certificate, including policies, contracts, or certificates that supplement Medicare issued by health maintenance organizations and those contracts governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et seq., may be issued or renewed to a Minnesota resident unless the premium rate charged complies with this subdivision. The premium rate must:

(1) not be used unless it has been approved by the commissioner of commerce or commissioner of health, whichever is applicable, as being in full compliance with this subdivision and other applicable state law;

(2) not be approved, unless the commissioner of commerce or commissioner of health, whichever is applicable, has determined that the rate is reasonable. In determining reasonableness, the commissioner shall consider the effect of any Medicare benefit and health care financing administrative funding changes, the growth rates applied under section 62].04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risk associated with the enrollee population, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549;

(3) comply with the minimum loss ratio provided under section 62A.36, except that the loss ratio must be adjusted upward by one percent per year until July 1, 2000, as provided in section 62A.021;

(4) be approved by the commissioner of commerce or commissioner of health, whichever is applicable, as actuarially justified, based upon an actuarial review, by the commissioner's own employed or retained actuary, of the actuarial justification provided by the health carrier; and

(5) not be approved except after compliance with the following procedure:

(i) a health carrier that wishes to increase its premium rate must submit its request to the appropriate commissioner on or before November 1;

(ii) the health carrier must notify its policyholders, contract holders, enrollees, and certificate holders of the proposed increase by mail no later than November 30. The notice must provide a toll-free telephone number that may be used to call the health carrier for more information. The notice must specify the dollar amount per month or the percentage of the proposed increase and itemize the portion of the proposed increase attributable to each of the following:

(A) changes in Medicare deductibles and copays;

(B) changes in Medicare payments to the health carrier;

(C) changes in the medical care component of the consumer price index, based upon the most recent 12-month change available as of October 1, as determined by the commissioners;

(D) expense or claims experience under the plan; and

(E) other factors specified by the health carrier;

(iii) the notice must also inform the recipient of the dates, times, and locations of no fewer than five public hearings arranged jointly by the commissioners of health and commerce and must further inform the recipient that the recipient may appear at the hearing to comment on the proposed increase or may submit written comments to the appropriate <u>commissioner</u>. The hearings must be held in January and must be located at convenient locations throughout the state, as determined by the commissioners in their discretion. A representative of the health carrier must be present at the hearings. The rate must not be approved until after the hearings;

(iv) clause (iii) does not apply to a proposed rate increase that is attributable only to the change in clause (ii)(C), as determined by the commissioner. Upon receipt of a request for a rate increase, the commissioner shall determine, no later than November 15, whether the proposed increase complies with this clause. If the commissioner is in doubt, the determination shall be that it does not comply; and

(v) no rate increase shall go into effect prior to April 1, except a request that complies with clause (iv).

S. F. No. 1912, A bill for an act relating to insurance; accident and health; permitting short-term coverage; amending Minnesota Statutes 1993 Supplement, section 62A.65, by adding a subdivision.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 62A.65, is amended by adding a subdivision to read:

Subd. 7. [SHORT-TERM COVERAGE.] (a) For purposes of this section, "short-term coverage" means an individual health plan that:

(1) is issued to provide coverage for a period of 185 days or less, except that the health plan may permit coverage to continue until the end of a period of hospitalization for a condition for which the covered person was hospitalized on the day that coverage would otherwise have ended;

(2) is nonrenewable, provided that the health carrier may provide coverage for one or more subsequent periods that satisfy clause (1), if the total of the periods of coverage do not exceed a total of 185 days out of any 365-day period, plus any additional days covered as a result of hospitalization on the day that a period of coverage would otherwise have ended;

(3) does not cover any preexisting conditions, including ones that originated during a previous identical policy or contract with the same health carrier where coverage was continuous between the previous and the current policy or contract; and

(4) is available with an immediate effective date without underwriting upon receipt of a completed application indicating eligibility under the health carrier's eligibility requirements, provided that coverage that includes optional benefits may be offered on a basis that does not meet this requirement.

(b) Short-term coverage is not subject to subdivisions 2 and 5. Short-term coverage may exclude as a preexisting condition any injury, illness, or condition for which the covered person had medical treatment, symptoms, or any manifestations before the effective date of the coverage, but dependent children born or placed for adoption during the policy period must not be subject to this provision.

(c) Notwithstanding subdivision 3, and section 62A.021, a health carrier may combine short-term coverage with its most commonly sold individual qualified plan, as defined in section 62E.02, other than short-term coverage, for purposes of complying with the loss ratio requirement.

(d) The 185 day coverage limitation provided in paragraph (a) applies to the total number of days of short-term coverage that covers a person, regardless of the number of policies, contracts, or health carriers that provide the coverage. A written application for short-term coverage must ask the applicant whether the applicant has been covered by short-term coverage by any health carrier within the 365 days immediately preceding the effective date of the coverage being applied for. Short-term coverage issued in violation of the 185-day limitation is valid until the end of its term and does not lose its status as short-term coverage, in spite of the violation. A health carrier that knowingly issues short-term coverage in violation of the 185-day limitation is subject to the administrative penalties otherwise available to the commissioner of commerce or the commissioner of health, as appropriate.

(e) Time spent under short-term coverage counts as time spent under a preexisting condition limitation for purposes of group or individual health plans, other than short-term coverage, subsequently issued to that person, or to cover that person, by any health carrier, if the person maintains continuous coverage as defined in section 62L.02. Short-term coverage is a health plan and is qualifying coverage as defined in section 62L.02. Notwithstanding any other law to the contrary, a health carrier is not required under any circumstances to provide a person covered by short-term coverage the right to obtain coverage on a guaranteed issue basis under another health plan offered by the health carrier, as a result of the person's enrollment in short-term coverage.

Page 30, after line 6, insert:

"Sec. 19. Minnesota Statutes 1993 Supplement, section 273.13, subdivision 25, is amended to read:

Subd. 25. [CLASS 4.] (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. Class 4a property has a class rate of 3.5 percent of market value for taxes payable in 1992, and 3.4 percent of market value for taxes payable in 1993 and thereafter.

(b) Class 4b includes:

(1) residential real estate containing less than four units, other than seasonal residential, and recreational;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4b property has a class rate of 2.8 percent of market value for taxes payable in 1992, 2.5 percent of market value for taxes payable in 1993, and 2.3 percent of market value for taxes payable in 1994 and thereafter.

(c) Class 4c property includes:

This clause applies only to property of a nonprofit or limited dividend entity. Property is classified as class 4c under this clause for 15 years from the date of the completion of the original construction or substantial rehabilitation, or for the original term of the loan.

(2) a structure that is:

(i) situated upon real property that is used for housing lower income families or elderly or handicapped persons, as defined in section 8 of the United States Housing Act of 1937, as amended; and

Property is classified as class 4c under this clause for the term of the housing assistance payments contract, including all renewals, or for the term of its permanent financing, whichever is shorter; and

(3) a qualified low-income building as defined in section 42(c)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1990, that (i) receives a low-income housing credit under section 42 of the Internal Revenue Code of 1986, as amended through December 31, 1990; or (ii) meets the requirements of that section and receives public financing, except financing provided under sections 469.174 to 469.179, which contains terms restricting the rents; or (iii) meets the requirements of section 273.1317. Classification pursuant to this clause is limited to a term of 15 years. The public financing received must be from at least one of the following sources: government issued bonds exempt from taxes under section 103 of the Internal Revenue Code of 1986, as amended through December 31, 1993, the proceeds of which are used for the acquisition or rehabilitation of the building; programs under section 221(d)(3), 202, or 236, of Title II of the National Housing Act; rental housing program funds under Section 8 of the United States Housing Act of 1937 or the market rate family graduated payment mortgage program funds administered by the Minnesota housing finance agency that are used for the acquisition or rehabilitation of the building; programs funds administered by the Minnesota housing finance agency that are used for the acquisition or rehabilitation of the building, including grants or loans from federal community development block grants, HOME block grants, or residential rental bonds issued under chapter 474A; or other rental housing program funds provided by the Minnesota housing finance agency for the acquisition or rehabilitation of the building.

For all properties described in clauses (1), (2), and (3) and in paragraph (d), the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents unless the owner of the property elects to have the property assessed under Laws 1991, chapter 291, article 1, section 55. If the owner of the property elects to have the market value determined on the basis of the actual restricted rents, as provided in Laws 1991, chapter 291, article 1, section 55, the property will be assessed at the rate provided for class 4a or class 4b property, as appropriate. Properties described in clauses (1)(ii), (3), and (4) may apply to the assessor for valuation under Laws 1991, chapter 291, article 1, section 55. The land on which these structures are situated has the class rate given in paragraph (b) if the structure contains fewer than four units, and the class rate given in paragraph (a) if the structure contains four or more units. This clause applies only to the property of a nonprofit or limited dividend entity.

(4) a parcel of land, not to exceed one acre, and its improvements or a parcel of unimproved land, not to exceed one acre, if it is owned by a neighborhood real estate trust and at least 60 percent of the dwelling units, if any, on all land owned by the trust are leased to or occupied by lower income families or individuals. This clause does not apply to any portion of the land or improvements used for nonresidential purposes. For purposes of this clause, a lower income family is a family with an income that does not exceed 65 percent of the median family income for the area, and a lower income individual is an individual whose income does not exceed 65 percent of the median individual income for the area, as determined by the United States Secretary of Housing and Urban Development. For purposes of this clause, "neighborhood real estate trust" means an entity which is certified by the governing body of the municipality in which it is located to have the following characteristics:

(a) it is a nonprofit corporation organized under chapter 317A;

(b) it has as its principal purpose providing housing for lower income families in a specific geographic community designated in its articles or bylaws;

(c) it limits membership with voting rights to residents of the designated community; and

(d) it has a board of directors consisting of at least seven directors, 60 percent of whom are members with voting rights and, to the extent feasible, 25 percent of whom are elected by resident members of buildings owned by the trust; and

(5) except as provided in subdivision 22, paragraph (c), real property devoted to temporary and seasonal residential occupancy for recreation purposes, including real property devoted to temporary and seasonal residential occupancy for recreation purposes and not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Class 4c property classified in this clause also includes the remainder of class 1c resorts. Owners of real property devoted to temporary and seasonal residential occupancy for recreation purposes and all or a portion of which was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c or 4c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located will be designated class 1c or 4c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The first \$100,000 of the market value of the remainder of the cabins or units and a proportionate share of the land on which they are located shall have a class rate of three percent. The owner of property designation as class 1c or 4c property must provide guest registers or other records demonstrating that the units for which class 1c or 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, and (4) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes shall not qualify for class 1c or 4c;

(6) real property up to a maximum of one acre of land owned by a nonprofit community service oriented organization; provided that the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment and the property is not used for residential purposes on either a temporary or permanent basis. For purposes of this clause, a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1990. For purposes of this clause, "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises. Any portion of the property which is used for revenue-producing activities for more than six days in the calendar year preceding the year of assessment shall be assessed as class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity;

(7) post-secondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus; and

(8) manufactured home parks as defined in section 327.14, subdivision 3.

Class 4c property has a class rate of 2.3 percent of market value, except that (i) each parcel of seasonal residential recreational property not used for commercial purposes under clause (5) has a class rate of 2.2 percent of market value for taxes payable in 1992, and for taxes payable in 1993 and thereafter, the first \$72,000 of market value on each parcel has a class rate of two percent and the market value of each parcel that exceeds \$72,000 has a class rate of 2.5 percent, and (ii) manufactured home parks assessed under clause (8) have a class rate of two percent for taxes payable in 1993, 1994, and 1995 only.

(d) Class 4d property includes:

(1) a structure that is:

(i) situated on real property that is used for housing for the elderly or for low and moderate income families as defined by the Farmers Home Administration;

## 6085

(ii) located in a municipality of less than 10,000 population; and

(iii) financed by a direct loan or insured loan from the Farmers Home Administration. Property is classified under this clause for 15 years from the date of the completion of the original construction or for the original term of the loan.

The class rates in paragraph (c), clauses (1), (2), and (3) and this clause apply to the properties described in them, only in proportion to occupancy of the structure by elderly or handicapped persons or low and moderate income families as defined in the applicable laws unless construction of the structure had been commenced prior to January 1, 1984; or the project had been approved by the governing body of the municipality in which it is located prior to June 30, 1983; or financing of the project had been approved by a federal or state agency prior to June 30, 1983. For those properties, 4c or 4d classification is available only for those units meeting the requirements of section 273.1318.

Classification under this clause is only available to property of a nonprofit or limited dividend entity.

In the case of a structure financed or refinanced under any federal or state mortgage insurance or direct loan program exclusively for housing for the elderly or for housing for the handicapped, a unit shall be considered occupied so long as it is actually occupied by an elderly or handicapped person or, if vacant, is held for rental to an elderly or handicapped person.

(2) For taxes payable in 1992, 1993 and 1994, only, buildings and appurtenances, together with the land upon which they are located, leased by the occupant under the community lending model lease-purchase mortgage loan program administered by the Federal National Mortgage Association, provided the occupant's income is no greater than 60 percent of the county or area median income, adjusted for family size and the building consists of existing single family or duplex housing. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. The application must be accompanied by an affidavit or other proof required by the assessor to determine qualification under this clause.

(3) Qualifying buildings and appurtenances, together with the land upon which they are located, leased for a period of up to five years by the occupant under a lease-purchase program administered by the Minnesota housing finance agency or a housing and redevelopment authority authorized under sections 469.001 to 469.047, provided the occupant's income is no greater than 80 percent of the county or area median income, adjusted for family size, and the building consists of two or less dwelling units. The lease agreement must provide for a portion of the lease payment to be escrowed as a nonrefundable down payment on the housing. The administering agency shall verify the occupants income eligibility and certify to the county assessor that the occupant meets the income criteria under this paragraph. To qualify under this clause, the taxpayer must apply to the county assessor by May 30 of each year. For purposes of this section, "qualifying buildings and appurtenances" shall be defined as one or two unit residential buildings, which are unoccupied and have been abandoned and boarded for at least six months.

Class 4d property has a class rate of two percent of market value except that property classified under clause (3), shall have the same class rate as class 1a property.

(e) Residential rental property that would otherwise be assessed as class 4 property under paragraph (a); paragraph (b), clauses (1) and (3); paragraph (c), clause (1), (2), (3), or (4), is assessed at the class rate applicable to it under Minnesota Statutes 1988, section 273.13, if it is found to be a substandard building under section 273.1316. Residential rental property that would otherwise be assessed as class 4 property under paragraph (d) is assessed at 2.3 percent of market value if it is found to be a substandard building under section 273.1316.
