(6) ten percent for the state committee of a political party; money allocated to each state committee under this clause must be deposited in a separate account and must be spent for only those items enumerated in section 10A.275; money allocated to a state committee under this clause must be paid to the committee by the state treasurer as notified by the state ethical practices board as it is received in the account on a monthly basis, with payment on the 15th day of the calendar month following the month in which the returns were processed by the department of revenue, provided that these distributions would be equal to 90 percent of the amount of money indicated in the department of revenue's weekly unedited reports of income tax returns and property tax refund returns processed in the month, as notified by the department of revenue to the state ethical practices board. The amounts paid to each state committee are subject to biennial adjustment and settlement at the time of each certification required of the commissioner of revenue under subdivisions 7 and 10. If the total amount of payments received by a state committee for the period reflected on a certification by the department of revenue is different from the amount that should have been received during the period according to the certification, each subsequent monthly payment must be increased or decreased to the fullest extent possible until the amount of the overpayment is recovered or the underpayment is distributed.

(b) The sum of the votes cast in that county in the last general election for all candidates of that candidate's party (i) whose names appeared on the ballot in each voting precinct in the state and (ii) for the state senate and state house of representatives, multiplied by

(c) The amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

The sum of all the county shares calculated in the formula above is the candidate's share of the candidate's party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, amounts in the party's account shall be allocated based on (a) the number of people voting in the last general election in that part of the county in the candidate's district, divided by (b) the number of the people voting in that county in the last general election, multiplied by (c) the amount in the candidate's party account allocated in that county and set aside for the candidates for the office for which the candidate is running.

Sec. 6. Minnesota Statutes 1992, section 124.195, subdivision 12, is amended to read:

Subd. 12. [AID ADJUSTMENT FOR TRA CONTRIBUTION RATE CHANGE.] (a) The department of education shall reduce general education aid or any other aid paid in a fiscal year to school districts, intermediate school districts, education districts, education cooperative service units, special education cooperatives, secondary vocational cooperatives, regional management information centers, or another district or unit providing elementary or secondary education services. The reduction shall equal the following percent of salaries paid in a fiscal year by the entity to members of the teachers retirement association established in chapter 354. However, salaries paid to members of the association who are employed by a technical college shall be excluded from this calculation:

(1) in fiscal year years 1991 to 1994, 0.84 percent,

(2) in fiscal year 1992 1995 and later years, the greater of

(i) zero, or

(ii) 4.48 percent less the additional employer contribution rate established under section 354.42, subdivision 5.

(b) In fiscal year 1991, this reduction is estimated to equal \$14,260,000 1.5 percent.

Sec. 7. Minnesota Statutes 1992, section 124.2725, subdivision 16, is amended to read:

Subd. 16. [EXCLUSION FROM FUND BALANCE.] Revenue received by a district under this section for each year of cooperation and the first three years of combination shall be excluded from the net unreserved operating fund balance, for the purposes of section sections 124A.03, subdivision 3b, paragraph (c), and 124A.26.

Sec. 8. Minnesota Statutes 1992, section 124A.02, is amended by adding a subdivision to read:

Subd. 3b. [REFERENDUM MARKET VALUE.] "Referendum market value" means the market value of all taxable property, except that any class of property, or any portion of a class of property, with a class rate of less than one percent under section 273.13 shall have a referendum market value equal to its net tax capacity multiplied by 100.

Sec. 9. Minnesota Statutes 1992, section 124A.02, is amended by adding a subdivision to read:

Subd. 25. [NET UNAPPROPRIATED OPERATING FUND BALANCE.] "Net unappropriated operating fund balance" means the sum of the fund balances in the general, transportation, food service, and community service funds minus the balances reserved for statutory operating debt reduction, bus purchase, severance pay, taconite, unemployment compensation, maintenance levy reduction, and encumbrances, computed as of June 30 each year.

Sec. 10. Minnesota Statutes 1993 Supplement, section 124A.029, subdivision 4, is amended to read:

Subd. 4. [PER PUPIL REVENUE OPTION.] A district may, by school board resolution, request that the department convert the levy authority under section 124.912, subdivisions 2 and 3, or its current referendum revenue, excluding authority based on a dollar amount, authorized before July 1, 1993, to an allowance per pupil. The district must adopt a resolution and submit a copy of the resolution to the department by July 1, 1993. The department shall convert a district's revenue for fiscal year 1995 and later years as follows: the revenue allowance equals the amount determined by dividing the district's maximum revenue under section 124A.03 or 124.912, subdivisions 2 and 3, for fiscal year 1994 by the district's 1993-1994 actual pupil units. A district's maximum revenue for all later years for which the revenue is authorized equals the revenue allowance times the district's actual pupil units for that year. If a district has referendum authority under section 124A.03 and levy authority under section 124.912, subdivisions 2 and 3, and the district requests that each be converted, the department shall convert separate revenue allowances for each. However, if a district's referendum revenue is limited to a dollar amount, the maximum revenue under section 124A.03 must not exceed that dollar amount. If the referendum authority of a district is converted according to this subdivision, the authority expires June 30, 1997, unless it is scheduled to expire sooner and the question on the referendum ballot did not provide for an expiration date, the authority shall expire according to section 124A.0311.

Sec. 11. Minnesota Statutes 1993 Supplement, section 124A.03, subdivision 1c, is amended to read:

Subd. 1c. [REFERENDUM ALLOWANCE LIMIT.] (a) Notwithstanding subdivision 1b, a district's referendum allowance must not exceed the greater of:

- (1) the district's referendum allowance for fiscal year 1994; or
- (2) 25 percent of the formula allowance for fiscal year 1995 and later.

~~(b) The allowance calculated in paragraph (a) must be reduced by the amount of the referendum allowance reduction computed in subdivision 3b.~~

Sec. 12. Minnesota Statutes 1993 Supplement, section 124A.03, subdivision 2, is amended to read:

Subd. 2. [REFERENDUM REVENUE.] (a) The revenue authorized by section 124A.22, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be conducted during the calendar year before the increased levy authority, if approved, first becomes payable. Only one election to approve an increase may be held in a calendar year. Unless the referendum is conducted by mail under paragraph (g), the referendum must be held on the first Tuesday after the first Monday in November. The ballot shall state the maximum amount of the increased revenue per actual pupil unit, the estimated referendum tax rate as a percentage of market value in the first year it is to be levied, and that the revenue shall be used to finance school operations. The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot shall designate the specific number of years, not to exceed ~~five~~ ten, for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of, School District No. ..., be approved?"

If approved, an amount equal to the approved revenue per actual pupil unit times the actual pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The school board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as

the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy, if any, in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A referendum to revoke or reduce the levy amount must be based upon the dollar amount, local tax rate, or amount per actual pupil unit, that was stated to be the basis for the initial authorization. Revenue approved by the voters of the district pursuant to paragraph (a) must be received at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days prior to the day of the referendum, the district shall submit a copy of the notice required under paragraph (b) to the commissioner of education. Within 15 days after the results of the referendum have been certified by the school board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district shall notify the commissioner of education of the results of the referendum.

(g) Any referendum under this section held on a day other than the first Tuesday after the first Monday in November must be conducted by mail in accordance with section 204B.46. Notwithstanding paragraph (b) to the contrary, in the case of a referendum conducted by mail under this paragraph, the notice required by paragraph (b) shall be prepared and delivered by first class mail at least 20 days before the referendum.

Sec. 13. Minnesota Statutes 1992, section 124A.03, subdivision 2a, is amended to read:

Subd. 2a. [SCHOOL REFERENDUM LEVY; MARKET VALUE.] Notwithstanding the provisions of subdivision 2, a school referendum levy approved after November 1, 1992, for taxes payable in 1993 and thereafter, shall be levied against the referendum market value of all taxable property as defined in section 124A.02, subdivision 3b. Any referendum levy amount subject to the requirements of this subdivision shall be certified separately to the county auditor under section 275.07.

All other provisions of subdivision 2 that do not conflict with this subdivision shall apply to referendum levies under this subdivision.

Sec. 14. Minnesota Statutes 1993 Supplement, section 124A.03, subdivision 3b, is amended to read:

Subd. 3b. [REFERENDUM ALLOWANCE REDUCTION.] A district's referendum allowance under subdivision 1c is reduced by the amounts calculated in paragraphs (a), (b), and (c), and (d).

(a) The referendum allowance reduction equals the amount by which a district's supplemental revenue reduction exceeds the district's supplemental revenue allowance for fiscal year 1993.

(b) Notwithstanding paragraph (a), if a district's initial referendum allowance is less than ten percent of the formula allowance for that year, the reduction equals the lesser of (1) an amount equal to \$100, or (2) the amount calculated in paragraph (a).

(c) Notwithstanding paragraph (a) or (b), a school district's referendum allowance reduction equals (1) an amount equal to \$100, times (2) one minus the ratio of 20 percent of the formula allowance minus the district's initial referendum allowance limit to 20 percent of the formula allowance for that year if:

(i) the district's adjusted net tax capacity for assessment year 1992 per actual pupil unit for fiscal year 1995 is less than \$3,000;

(ii) the district's net unappropriated operating fund balance as of June 30, 1993, divided by the actual pupil units for fiscal year 1995 is less than \$200;

(iii) the district's supplemental revenue allowance for fiscal year 1993 is equal to zero; and

(iv) the district's initial referendum revenue authority for the current year divided by the district's net tax capacity for assessment year 1992 is greater than ten percent.

(d) Notwithstanding paragraph (a), (b), or (c), the referendum revenue reduction for a newly reorganized district is computed as follows:

(i) for a newly reorganized district created effective July 1, 1994, the referendum revenue reduction equals either the lesser of the amount calculated for the combined district under paragraph (a), (b), or (c), or the sum of the amounts by which each of the reorganizing district's supplemental revenue reduction exceeds its respective supplemental revenue allowances calculated for the districts as if they were still in existence for fiscal year 1995; or

(ii) for a newly reorganized district created after July 1, 1994, the referendum revenue reduction equals either the lesser of the amount calculated for the combined district under paragraph (a), (b), or (c), or the sum of the amounts by which each of the reorganizing district's supplemental revenue reduction exceeds its respective supplemental revenue allowances calculated for the year preceding the year of reorganization.

Sec. 15. [124A.0311] [REFERENDUM AUTHORITY.]

Subdivision 1. [EXPIRATION.] Unless scheduled to expire sooner, a referendum levy authorized under section 124A.03 expires July 1, 2000. This subdivision does not apply to a referendum levy that is authorized for ten or fewer years and that is levied against the referendum market value of all taxable property located within the school district.

Subd. 2. [CONVERSION TO MARKET VALUE.] (a) Prior to June 1, 1997, by June 1 of each year, a school board may, by resolution of a majority of its board, convert any remaining portion of its referendum authority under section 124A.03, subdivision 2, that is authorized to be levied against net tax capacity to referendum authority that is authorized to be levied against the referendum market value of all taxable property located within the school district. At the option of the school board, any remaining portion of its referendum authority may be converted in two or more parts at separate times. The board must notify the commissioner of education of the amount of referendum authority that has been converted from net tax capacity to referendum market value, if any, by June 15, of each year.

(b) For referendum levy amounts converted between June 1, 1997, and June 1, 1998, all other conditions of this subdivision apply except that the maximum length of the referendum is limited to seven years.

(c) For referendum levy amounts converted between June 1, 1998, and June 1, 1999, all other conditions of this subdivision apply except that the maximum length of the referendum is limited to six years.

(d) For referendum levy amounts converted between June 1, 1999, and June 1, 2000, all other conditions of this subdivision apply except that the maximum length of the referendum is limited to five years.

Subd. 3. [ALTERNATIVE CONVERSION.] A school district that has a referendum that is levied against net tax capacity that expires before taxes payable in 1998 may convert its referendum authority according to this subdivision. In the payable year prior to the year of expiration, the school board may authorize a referendum under section 124A.03. Notwithstanding any other law to the contrary, the district may propose, and if approved by its electors, have its referendum authority reauthorized in part on tax capacity and in part on market value according to a schedule adopted by resolution of the school board for years prior to taxes payable in 2001, provided that, for taxes payable in 2001 and later, the full amount of referendum authority is levied against market value. If the full amount of the referendum is reauthorized on market value prior to taxes payable in 1998, the referendum may extend for 10 years. If the referendum becomes fully reauthorized on market value for a later year, the referendum shall not extend for more than the maximum number of years allowed under subdivision 2.

Subd. 4. [REFERENDUM.] The school board must prepare and publish in the official legal newspaper of the school district a notice of the public meeting on the district's intent to convert any portion of its referendum levy to market value not less than 30 days before the scheduled date of the meeting. The resolution converting a portion of the district's referendum levy to referendum market value becomes final unless within 30 days after the meeting where the resolution was adopted a petition requesting an election signed by a number of people residing in the district equal to 15 percent of the number of people who voted in the last general election in the school district is filed with the recording officer. If a petition is filed, then the school board resolution has no effect and the amount of referendum revenue authority specified in the resolution cancels for taxes payable in the following year and thereafter. The school board shall schedule a referendum under section 124A.03, subdivision 2.

Sec. 16. Minnesota Statutes 1992, section 124A.22, subdivision 2a, is amended to read:

Subd. 2a. [CONTRACT DEADLINE AND PENALTY.] (a) The following definitions apply to this subdivision:

(1) "Public employer" means:

(i) a school district; and

(ii) a public employer, as defined by section 179A.03, subdivision 15, other than a school district that (i) negotiates a contract under chapter 179A with teachers, and (ii) is established by, receives state money, or levies under chapters 120 to 129, or 136D, or 268A, or section 136C.411.

(2) "Teacher" means a person, other than a superintendent or assistant superintendent, principal, assistant principal, or a supervisor or confidential employee who occupies a position for which the person must be licensed by the board of teaching, state board of education, or state board of technical colleges.

(b) Notwithstanding any law to the contrary, a public employer and the exclusive representative of the teachers shall both sign a collective bargaining agreement on or before January 15 of an even-numbered calendar year. If a collective bargaining agreement is not signed by that date, state aid paid to the public employer for that fiscal year shall be reduced. However, state aid shall not be reduced if:

(1) a public employer and the exclusive representative of the teachers have submitted all unresolved contract items to interest arbitration according to section 179A.16 before December 31 of an odd-numbered year and filed required final positions on all unresolved items with the commissioner of mediation services before January 15 of an even-numbered year; and

(2) the arbitration panel has issued its decision within 60 days after the date the final positions were filed.

(c)(1) For a district that reorganizes according to section 122.22 or 122.23, or 122.241 to 122.248 effective July 1 of an odd-numbered year, state aid shall not be reduced according to this subdivision if the school board and the exclusive representative of the teachers both sign a collective bargaining agreement on or before the March 15 following the effective date of reorganization. ~~This extension is available only in the calendar year following the effective date of reorganization.~~

(2) For a district that jointly negotiates a contract prior to the effective date of reorganization under section 122.22, 122.23, or 122.241 to 122.248 that, for the first time, includes teachers in all districts to be reorganized, state aid shall not be reduced according to this subdivision if the school board and the exclusive representative of the teachers sign a collective bargaining agreement on or before the March 15 following the expiration of the teacher contracts in each district involved in the joint negotiation.

(3) Only one extension of the contract deadline is available to a district under this paragraph.

(d) The reduction shall equal \$25 times the number of actual pupil units:

(1) for a school district, that are in the district during that fiscal year; or

(2) for a public employer other than a school district, that are in programs provided by the employer during the preceding fiscal year.

The department of education shall determine the number of full-time equivalent actual pupil units in the programs. The department of education shall reduce general education aid; if general education aid is insufficient or not paid, the department shall reduce other state aids.

(e) Reductions from aid to school districts and public employers other than school districts shall be returned to the general fund.

Sec. 17. Minnesota Statutes 1993 Supplement, section 124A.22, subdivision 5, is amended to read:

Subd. 5. [DEFINITIONS.] The definitions in this subdivision apply only to subdivisions 6 and 6a.

(a) "High school" means a secondary school that has pupils enrolled in at least the 10th, 11th, and 12th grades. If there is no secondary school in the district that has pupils enrolled in at least the 10th, 11th, and 12th grades, and the school is at least 19 miles from the next nearest school, the commissioner shall designate one school in the district as a high school for the purposes of this section.

(b) "Secondary average daily membership" means, for a district that has only one high school, the average daily membership of resident pupils in grades 7 through 12. For a district that has more than one high school, "secondary average daily membership" for each high school means the product of the average daily membership of resident pupils in grades 7 through 12 in the high school, times the ratio of six to the number of grades in the high school.

(c) "Attendance area" means the total surface area of the district, in square miles, divided by the number of high schools in the district. For a district that does not operate a high school and is less than 19 miles from the nearest operating high school, the attendance area equals zero.

(d) "Isolation index" for a high school means the square root of ~~one-half~~ 55 percent of the attendance area plus the distance in miles, according to the usually traveled routes, between the high school and the nearest high school.

(e) "Qualifying high school" means a high school that has an isolation index greater than 23 and that has secondary average daily membership of less than 400.

(f) "Qualifying elementary school" means an elementary school that is located 19 miles or more from the nearest elementary school or from the nearest elementary school within the district and, in either case, has an elementary average daily membership of an average of 20 or fewer per grade.

(g) "Elementary average daily membership" means, for a district that has only one elementary school, the average daily membership of resident pupils in kindergarten through grade 6. For a district that has more than one elementary school, "average daily membership" for each school means the average daily membership of kindergarten through grade 6 multiplied by the ratio of seven to the number of grades in the elementary school.

Sec. 18. Minnesota Statutes 1993 Supplement, section 124A.22, subdivision 6, is amended to read:

Subd. 6. [SECONDARY SPARSITY REVENUE.] (a) A district's secondary sparsity revenue for a school year equals the sum of the results of the following calculation for each qualifying high school in the district:

(1) the formula allowance for the school year, multiplied by

(2) the secondary average daily membership of the high school, multiplied by

(3) the quotient obtained by dividing 400 minus the secondary average daily membership by 400 plus the secondary daily membership, multiplied by

(4) the lesser of ~~one~~ 1.5 or the quotient obtained by dividing the isolation index minus 23 by ten.

(b) A newly formed school district that is the result of districts combining under the cooperation and combination program or consolidating under section 122.23 shall receive secondary sparsity revenue equal to the greater of: (1) the amount calculated under paragraph (a) for the combined district; or (2) the sum of the amounts of secondary sparsity revenue the former school districts had in the year prior to consolidation, increased for any subsequent changes in the secondary sparsity formula.

Sec. 19. Minnesota Statutes 1993 Supplement, section 124A.22, subdivision 8, is amended to read:

Subd. 8. [SUPPLEMENTAL REVENUE.] (a) A district's supplemental revenue allowance for fiscal year 1994 and later fiscal years equals the district's supplemental revenue for fiscal year 1993 divided by the district's 1992-1993 actual pupil units.

(b) A district's supplemental revenue allowance is reduced for fiscal year 1995 and later according to subdivision 9.

(c) A district's supplemental revenue equals the supplemental revenue allowance, if any, times its actual pupil units for that year.

(d) A school district may cancel its supplemental revenue by notifying the commissioner of education prior to June 30, 1994. A school district that is reorganizing under section 122.22, 122.23, or 122.241 may cancel its supplemental revenue by notifying the commissioner of education prior to July 1 of the year of the reorganization. If a district cancels its supplemental revenue according to this paragraph, its supplemental revenue allowance for fiscal year 1993 for purposes of subdivision 9 and section 124A.03, subdivision 3b, equals zero.

Sec. 20. Minnesota Statutes 1993 Supplement, section 124A.22, subdivision 9, is amended to read:

Subd. 9. [SUPPLEMENTAL REVENUE REDUCTION.] A district's supplemental revenue allowance is reduced by the sum of:

(1) the sum of one-fourth of the difference of:

(i) the sum of the district's training and experience revenue and compensatory revenue per actual pupil unit for that fiscal year, and

(ii) the sum of district's training and experience revenue and compensatory revenue per actual pupil unit for fiscal year 1994; and

~~(2) the difference between the formula allowance for the current fiscal year and \$3,050 \$100.~~

A district's supplemental revenue allowance may not be less than zero.

Sec. 21. Minnesota Statutes 1993 Supplement, section 124A.225, subdivision 1, is amended to read:

Subdivision 1. [REVENUE.] (a) Of a district's general education revenue an amount equal to the sum of the number of elementary ~~pupil units~~ pupils in average daily membership defined in section 124.17, subdivision 1, clause (f) and kindergarten ~~pupil units~~ one-half of the number of kindergarten pupils in average daily membership as defined in section 124.17, subdivision 1, clause (e), times .03 for fiscal year 1994 and .06 for fiscal year 1995 and thereafter times the formula allowance must be reserved according to this section.

~~(b) For fiscal year 1995, a district must reserve an additional amount equal to the greater of~~

~~(i) \$0, or~~

~~(ii) \$100 minus the sum of the reduction for supplemental revenue under section 124A.22, subdivision 9, and the reduction for referendum revenue under section 124A.03, subdivision 3b, times the district's actual pupil units times the ratio of the district's elementary average daily membership to the district's average daily membership according to this section. The revenue must be placed in a learning and development reserved account and may only be used according to this section.~~

~~(c) The ratio in paragraph (a) for fiscal year 1995 is adjusted by adding an amount equal to the ratio of the difference between the formula allowance for fiscal year 1995 minus 3,150 to 10,000.~~

Sec. 22. Minnesota Statutes 1992, sections 124A.26, is amended by adding a subdivision to read:

Subd. 5. [ALLOCATION AMONG ACCOUNTS.] The district must apportion any fund balance reduction under this section among all reserved and unreserved fund balance accounts included in the net unappropriated operating fund balance in the proportion that each account bears to the total.

Sec. 23. Minnesota Statutes 1992, section 354.42, subdivision 5, is amended to read:

Subd. 5. [ADDITIONAL EMPLOYER CONTRIBUTION.] To amortize the unfunded actuarial accrued liability computed under the entry age actuarial cost method and disclosed under the annual actuarial valuations prepared by the commission-retained actuary under section 356.215, an additional employer contribution shall be made in the amount of 3.64 2.98 percent of the salary of each member.

This contribution must be made in the manner provided in section 354.43.

By January 1 of each year, the board of directors shall report to the legislative commission on pensions and retirement, the chair of the committee on appropriations of the house of representatives, and the chair of the committee on finance of the senate on the amount raised by the additional employer contribution rate in effect and whether that amount is less than, the same as, or more than the required amortization contribution determined under section 356.215.

Sec. 24. Laws 1993, chapter 224, article 15, section 2, is amended to read:

Sec. 2. [DECLINING PUPIL UNIT AID.]

(a) For fiscal year 1994 only, a school district is eligible for declining pupil unit aid equal to the greater of zero or the result of the following computation:

(1) add 77 percent of the district's actual pupil units for fiscal year 1994 and 23 percent of the district's actual pupil units for fiscal year 1993;

(2) subtract from the amount calculated in clause (1) the district's actual pupil units for fiscal year 1994; and

(3) multiply the amount determined in clause (2) by the basic formula allowance for that year.

(b) The aid amount calculated under paragraph (a) is available from the general education appropriation under article 1, section 41, subdivision 2, to the department of education for payment of declining pupil unit aid.

(c) For the purposes of this section, under Minnesota Statutes, section 124.17, subdivision 3, a pupil who is in grades 1 to 6 is counted as 1.03 pupil units for fiscal year 1993.

Sec. 25. [EXEMPTION TO CONTRACT DEADLINE; HAYFIELD.]

Notwithstanding Minnesota Statutes, section 124A.22, subdivision 2a, independent school district No. 203, Hayfield, is not subject to the contract penalty reduction in general education revenue for fiscal year 1994.

Sec. 26. [AID ADJUSTMENT.]

Notwithstanding Minnesota Statutes, section 124A.22, subdivision 2a, paragraph (c), if:

(1) a district's fiscal year 1994 general education aid was reduced under Minnesota Statutes 1992, section 124A.22, subdivision 2a;

(2) the district jointly negotiates a contract prior to the effective date of reorganization under Minnesota Statutes, sections 122.22, 122.23, or 122.241 to 122.248 that, for the first time, includes teachers in all districts to be reorganized; and

(3) the school board and the exclusive representative of the teachers sign a collective bargaining agreement on or before May 15, 1994;

the district's general education aid shall be increased in the amount of the reduction.

Sec. 27. [DELAY IN AID REPAYMENT.]

Notwithstanding any law to the contrary, the department of education must allow independent school district No. 186, Pequot Lakes, to repay over a five-year period state aid overpayments for fiscal years 1991 and 1992 due to the property tax revenue recognition shift.

Sec. 28. [ADDITIONAL GENERAL EDUCATION AID; STAFF DEVELOPMENT.]

For fiscal year 1995 only, additional basic general education aid is \$13.68 per actual pupil unit. This amount is added to the basic general education revenue in Minnesota Statutes, section 124A.22, subdivision 2, only for the purpose of computing additional basic general education aid. The additional aid shall not be included in the computation of any other aid or levy. The additional aid is not subject to the levy equity provision in Minnesota Statutes, section 124A.24. The additional general education aid in this section is not included in the calculation of the general education aid according to Minnesota Statutes, section 124A.032. This additional aid is intended to partially cover the increase in fiscal year 1995 of revenue reserved for staff development according to Minnesota Statutes, section 124A.29, subdivision 1.

Sec. 29. [GENERAL EDUCATION AID APPROPRIATION ADJUSTMENTS.]

The appropriation for general and supplemental education aid in Laws 1993, chapter 224, article 1, section 41, subdivision 2, is adjusted by the amounts in paragraphs (a) and (b).

(a) For fiscal year 1994:

(1) the reduction for the contract deadline penalty is \$800,000; and

(2) the reduction for additional permanent school fund earnings is \$1,800,000.

Counties are encouraged to make a variety of respite service models available, which may include in or out-of-home respite, family reimbursement programs, and parent-to-parent respite projects.

Subd. 9. [EARLY INTERVENTION FLOW-THROUGH DOLLARS.] (a) The state lead agency shall administer the early intervention account which consists of federal allocations. The Part H state plan shall state the amount of federal resources in the early intervention account available for use by local agencies. The state lead agency shall distribute the funds to the local primary agency based on a December 1 count of the prior year of Part H eligible children for the following purposes:

(1) as provided in Code of Federal Regulations, title 34, part 303.425, to arrange for payment for early intervention services not elsewhere available, or to pay for services during the pendency of a conflict procedure, including mediation, complaints, due process hearings, and interagency disputes; and

(2) to support interagency child find system activities.

(b) The priority purpose for this fund is paragraph (a), clause (1). The local primary agency shall reallocate resources from the early intervention fund as necessary in order to meet this priority.

(c) Nothing in this subdivision shall limit the state lead agency's authority to allocate discretionary federal funds for any purpose consistent with the Individuals with Disabilities Education Act, United States Code, title 20, sections 1471 to 1485 (Part H, Public Law Number 102-119) and regulations adopted under United States Code, title 20, sections 1471 to 1485.

(d) Each county board must continue to spend for early intervention services under subdivision 2, paragraph (e), an amount equal to the total county expenditure during the period from January 1, 1993, to December 31, 1993, for these same services. The commissioner of human services, in consultation with the commissioner of health and the association of Minnesota counties, shall establish a process for determining base year 1993 expenditures.

(e) County boards that have submitted base year 1993 expenditures as required under paragraph (d) are not required to pay any increased cost over the base year 1993 for early intervention services resulting from implementing the early intervention system. Increased costs to county boards may be paid for with early intervention flow-through dollars.

(f) School boards are not required to pay for services defined in section 120.17, subdivision 11b, paragraph (c), clause (2).

Subd. 10. [PAYMENT FOR SERVICES.] Core early intervention services shall be provided at public expense with no cost to parents. Parents shall be requested to assist in the cost of additional early intervention services by using third-party payment sources and applying for available resources. If a parent chooses not to access these resources, additional early intervention services may not be provided. Payment structures permitted under state law shall be used to pay for additional early intervention services. Parental financial responsibility shall be clearly defined in the individualized family service plan. A parent's inability to pay shall not prohibit a child from receiving needed early intervention services.

Subd. 11. [PAYOR OF LAST RESORT.] (a) For fiscal years 1995 and 1996, the state lead agency shall establish a reserve account from federal sources to pay for services in dispute or to pay for early intervention services when local agencies have exhausted all other public and private funds available for Part H eligible children.

(b) The lead agency shall report to the legislature by January 1, 1996, regarding county board expenditures for early intervention services and the continuing need and funding of the reserve account.

Subd. 14. [THIRD-PARTY PAYMENT.] Nothing in this section relieves an insurer or similar third party from an otherwise valid obligation to pay, or changes the validity of an obligation to pay, for services rendered to a child with a disability, and the child's family.

Subd. 15. [BENEFITS COORDINATION.] The department of health shall provide technical assistance in a timely manner to service coordinators, parents of children with disabilities, and agencies in situations requiring the coordination of health insurance benefits, or the identification of third-party payor responsibilities to provide necessary health benefits.

(b) A parent has the right to:

(1) inspect and review early intervention records;

(2) prior written notice of a proposed action in the parents' native language unless it is clearly not feasible to do so;

(3) give consent to any proposed action;

(4) selectively accept or decline any early intervention service; and

(5) resolve issues regarding the identification, evaluation, or placement of the child, or the provision of appropriate early intervention services to the child and the child's family through an impartial due process hearing pursuant to subdivision 20.

(c) The eligible child has the right to have a surrogate parent appointed by a school district as required by section 120.17, subdivision 3.

Subd. 17. [MEDIATION PROCEDURE.] The commissioner of the state lead agency shall use federal funds to provide mediation for the activities in paragraphs (a) and (b).

(a) A parent may resolve a dispute regarding issues in subdivision 16, paragraph (b), clause (5), through mediation. If the parent chooses mediation, all public agencies involved in the dispute shall participate in the mediation process. The parent and the public agencies must complete the mediation process within 20 calendar days of the date the commissioner receives a parent's written request for mediation. The mediation process may not be used to delay a parent's right to a due process hearing. The resolution of the mediation is not binding on any party.

(b) The local primary agency may request mediation on behalf of involved agencies when there are disputes between agencies regarding responsibilities to coordinate, provide, pay for, or facilitate payment for early intervention services.

Subd. 18. [COMPLAINT PROCEDURE.] (a) An individual or organization may file a written signed complaint with the commissioner of the state lead agency alleging that one or more requirements of the Code of Federal Regulations, title 34, part 303, is not being met. The complaint must include:

(2) the facts on which the complaint is based.

(b) The commissioner of the state lead agency shall receive and coordinate with other state agencies the review and resolution of a complaint within 60 calendar days according to the state interagency agreement required under subdivision 22.

Subd. 19. [INTERAGENCY DISPUTE PROCEDURE.] (a) A dispute between a school board and a county board that is responsible for implementing the provisions of subdivision 4 regarding early identification, child and family assessment, service coordination, and IFSP development and implementation shall be resolved according to this subdivision when the dispute involves services provided to children and families eligible under the Individuals with Disabilities Education Act, United States Code, title 20, section 1471 et seq. (Part H, Public Law Number 102-119).

(b) A dispute occurs when the school board and county board are unable to agree as to who is responsible to coordinate, provide, pay for, or facilitate payment for services from public and private sources.

(c) Written and signed disputes shall be filed with the local primary agency.

(d) The local primary agency shall have attempted to resolve the matter with the involved school board and county board and may request mediation from the commissioner of the state lead agency for this purpose.

(e) When interagency disputes have not been resolved within 30 calendar days, the local primary agency shall request the commissioner of the state lead agency to review the matter with the commissioners of health and human services and make a decision. The commissioner shall provide a consistent process for reviewing those procedures. The commissioners' decision is binding subject to the right of an aggrieved party to appeal to district court.

(f) The local primary agency shall ensure that eligible children and their families receive early intervention services during resolution of a dispute. While a local dispute is pending, the local primary agency shall either assign financial responsibility to an agency or pay for the service from the early intervention account under subdivision 9. If in resolving the dispute, it is determined that the assignment of financial responsibility was inappropriate, the responsibility for payment must be reassigned to the appropriate agency and the responsible agency shall make arrangements for reimbursing any expenditures incurred by the agency originally assigned financial responsibility.

Subd. 20. [DUE PROCESS HEARINGS.] By July 1, 1994, the departments of education, health, and human services shall develop procedures for hearings.

Subd. 21. [DATA COLLECTION.] By July 1, 1994, the departments of education, health, and human services shall develop a plan to collect data about which early intervention services are being provided to children and families eligible under the Individuals with Disabilities Education Act, United States Code, title 20, section 1471 et seq. (Part H, Public Law Number 102-119) and sources of payment for those services.

- (3) automatic energy control systems;
- (4) heating, ventilating, or air conditioning system modifications or replacements;
- (5) replacement or modifications of lighting fixtures to increase the energy efficiency of the lighting system without increasing the overall illumination of a facility, unless such increase in illumination is necessary to conform to the applicable state or local building code for the lighting system after the proposed modifications are made;
- (6) energy recovery systems;
- (7) cogeneration systems that produce steam or forms of energy such as heat, as well as electricity, for use primarily within a building or complex of buildings;

(b) "Guaranteed energy savings contract" means a contract for the evaluation and recommendations of energy conservation measures, and for one or more energy conservation measures. The contract must provide that all payments, except obligations on termination of the contract before its expiration, are to be made over time, but not to exceed 25 15 years from the date of final installation, and the savings are guaranteed to the extent necessary to make payments for the systems.

(c) "Qualified provider" means a person or business experienced in the design, implementation, and installation of energy conservation measures. A qualified provider to whom the contract is awarded shall give a sufficient bond to the school district for its faithful performance.

Subd. 2. [ENERGY EFFICIENCY CONTRACT.] (a) Notwithstanding any law to the contrary, a school district may enter into a guaranteed energy savings contract with a qualified provider to significantly reduce energy or operating costs.

(b) Before entering into a contract under this subdivision, the board shall comply with clauses (1) to (4).

(1) The board shall seek proposals from multiple qualified providers by publishing notice of the proposed guaranteed energy savings contract in the board's official newspaper and in other publications if the board determines that additional publication is necessary to notify multiple qualified providers. The request for proposals must notify potential bidders on projects estimated to exceed \$300,000 in cost that they may be required to provide information necessary to allow a licensed professional engineer to make a report under clause (2).

(2) For projects, the estimated cost of which is more than \$300,000, the board may hire and receive a report from a licensed professional engineer, not connected with or promoted by a qualified provider submitting a proposal on the project, evaluating the projected costs and the operational and energy savings of the proposed guaranteed energy savings contract. The cost of this report must be included in the cost of the guaranteed energy savings contract, and paid for as part of the contract. A qualified provider submitting a proposal to the board must provide the licensed professional engineer hired by the board with information of the type and in the format requested by the engineer.

(3) The contract between the board and the qualified provider must describe the methods that will be used to calculate the costs of the contract and the operational and energy savings attributable to the contract. The contract must provide a means for auditing these costs and savings at least every two years for the duration of the contract.

(4) The board shall provide published notice of the meeting in which it proposes to award the contract, the names of the parties to the proposed contract, and the contract's purpose.

(c) Before installation of equipment, modification, or remodeling, the qualified provider shall first issue a report, summarizing estimates giving detailed calculations of all costs of installations, modifications, or remodeling, including costs of design, engineering, installation, maintenance, repairs, or debt service, and estimates giving detailed calculations of the amounts by which energy or operating costs will be reduced.

Subd. 3. [CONTRACT PROVISIONS.] Guaranteed energy savings contracts that include a written guarantee that savings will meet or exceed the cost of energy conservation measures is, including the cost of any report under subdivision 2, paragraph (b), clause (2), are not subject to competitive bidding requirements. The contract is not subject to section 123.37 or 471.345.

Subd. 4. [DISTRICT ACTION.] A district may enter into a guaranteed energy savings contract with a qualified provider if, after review of the proposal from any qualified provider and the report from the licensed professional engineer, it finds that the amount it would spend on the energy conservation measures recommended in the report proposed by the qualified provider is not likely to exceed the amount to be saved in energy and operation costs over 25 15 years from the date of installation if the recommendations in the report proposals made by the qualified provider were followed, and the qualified provider provides a written guarantee that the energy or operating cost savings will meet or exceed the costs of the system. The guaranteed energy savings contract may provide for payments over a period of time, not to exceed 25 15 years. Notwithstanding section 121.912, a district annually may transfer from the general fund to the capital expenditure fund an amount up to the amount saved in energy and operation costs as a result of guaranteed energy savings contracts.

Subd. 5. [INSTALLATION CONTRACTS.] A school district may enter into an installment payment contract for the purchase and installation of energy conservation measures. The contract must provide for payments of not less than 1/25 1/15 of the price to be paid within two years from the date of the first operation, and the remaining costs to be paid monthly, not to exceed a 25-year 15-year term from the date of the first operation.

Subd. 6. [CONTRACT CONTINUANCE.] Guaranteed energy savings contracts may extend beyond the fiscal year in which they become effective. The school district shall include in its annual appropriations measure for each later fiscal year any amounts payable under guaranteed energy savings contracts during the year. Failure of a board to make such an appropriation does not affect the validity of the guaranteed energy savings contract or the school district's obligations under the contracts.

Subd. 7. [PUBLIC INFORMATION.] A guaranteed energy savings contract must provide that all work plans prepared by the qualified provider in relation to the project, including a detailed description of the project, are public data at all times after the contract is entered into.

The commissioner of education shall establish criteria for prioritizing health and safety revenue needs so that the levy does not exceed this amount. The commissioner shall place high priority on asbestos abatement and removal projects in cases where school districts will lose federal funds or federal loans if the projects are not started or continued in fiscal year 1996. The commissioner may request documentation as necessary from school districts for the purpose of establishing health and safety revenue priorities.

Sec. 15. [NASHWAUK-KEEWATIN; HEALTH AND SAFETY REVENUE.]

Notwithstanding the revenue limitation in Laws 1991, chapter 265, article 5, section 24, subdivision 4, for independent school district No. 319, Nashwaug-Keewatin, the full amount of authority for health and safety projects approved by the commissioner of education may be expended in fiscal year 1993, 1994, or 1995.

The aggregate principal amount of any bonds issued under this section for calendar years 1994 and 1995 may not exceed \$2,600,000. Issuance of the bonds is not subject to Minnesota Statutes, section 475.58 or 475.59. If the school board proposes to issue bonds under this section, it must publish a resolution describing the proposed bond issue once each week for two successive weeks in a legal newspaper published in the county of Nobles. The bonds may be issued without the submission of the question of their issue to the electors unless, within 30 days after the second publication of the resolution, a petition requesting an election signed by a number of people residing in the school district equal to ten percent of the people registered to vote in the last general election in the school district is filed with the recording officer. If a petition is filed, no bonds shall be issued under this section unless authorized by a majority of the electors voting on the question at the next general or special election called to decide the issue. The district may add the portion of the debt service levy remaining after equalization aid is paid to the amount charged back to resident districts according to Minnesota Statutes, section 120.17, subdivision 6, or 120.181. If, for any reason, the receipt of payments from resident districts and debt service equalization aid attributable to this debt service is not sufficient to make the required debt service payments, the district may levy under subdivision 3.

Subd. 3. [LEVY AUTHORITY.] To pay the principal of and interest on bonds issued under subdivision 1, independent school district No. 518, Worthington, shall levy a tax in an amount sufficient under Minnesota Statutes, section 475.61, subdivisions 1 and 3, to pay any portion of the principal of and interest on the bonds that is not paid through the receipt of debt service equalization aid and tuition payments under subdivision 2. The tax authorized under this section is in addition to the taxes authorized to be levied under Minnesota Statutes, chapter 124A or 275, or other law.

ARTICLE 6

EDUCATION ORGANIZATION AND COOPERATION

Section 1. Minnesota Statutes 1992, section 121.935, subdivision 6, is amended to read:

Subd. 6. [FEES.] Regional management information centers may charge fees to affiliated districts for the cost of services provided to the district and the district's proportionate share of outstanding regional obligations, as defined in section 475.51, for computer hardware. If a district uses a state approved alternative finance system for processing its detailed transactions or transfers to another region, the district is liable for its contracted proportionate share of the outstanding regional obligation. The district is not liable for any additional outstanding regional obligations that occur after written notice is given to transfer or use an alternative finance system. ~~A regional management information center must not charge a district for transferring the district's summary financial data and essential data elements to the state. The regional management information center may charge the district for any service it provides to, or performs on behalf of, a district to render the data in the proper format for reporting to the state.~~

Sec. 2. Minnesota Statutes 1992, section 122.23, subdivision 6, is amended to read:

Subd. 6. ~~The state board commissioner~~ shall, upon receipt of a plat, forthwith examine it and approve, modify or reject it. ~~The state board commissioner~~ shall also approve or reject any proposal contained in the resolution or petition regarding the disposition of the bonded debt of the component districts. If the plat shows the boundaries of proposed separate election districts and if the ~~state board commissioner~~ modifies the plat, the ~~state board commissioner~~ shall also modify the boundaries of the proposed separate election districts. ~~Prior thereto the state board or a member thereof or The commissioner or assistant commissioner as designated by the state board shall~~ conduct a hearing at the nearest county seat in the area upon reasonable notice to the affected districts and county boards if requested within 20 days after submission of the plat. Such a hearing may be requested by the board of any affected district, a county board of commissioners, or the petition of 20 resident voters living within the area proposed for consolidation. ~~The state board commissioner~~ shall endorse on the plat its action regarding any proposal for the disposition of the bonded debt of component districts and ~~its the~~ reasons for ~~its these~~ actions and within 60 days of the date of the receipt of the plat, ~~it the commissioner~~ shall return it to the county auditor who submitted it. ~~The state board commissioner~~ shall furnish a copy of that plat, and the supporting statement and its endorsement to the auditor of each county containing any land area of the proposed new district. If land area of a particular county was included in the plat, as submitted by the county auditor, and all of such land area is excluded in the plat as modified and approved, ~~the state board commissioner~~ shall also furnish a copy of the modified plat, supporting statement, and its ~~any~~ endorsement to the auditor of such county.

Sec. 3. Minnesota Statutes 1992, section 122.23, subdivision 8, is amended to read:

Subd. 8. The board of any independent district maintaining a secondary school, the board of any common district maintaining a secondary school, all or part of whose land is included in the proposed new district, shall, within 45 days of the approval of the plat by the ~~state board commissioner~~, either adopt or reject the plan as proposed in the approved plat. If the board of any such district entitled to act on the petition rejects the proposal, the proceedings are terminated and dismissed. If any board fails to act on the plat within the time allowed, the proceedings are terminated.

Sec. 4. Minnesota Statutes 1992, section 122.23, subdivision 10, is amended to read:

Subd. 10. If an approved plat contains land area in any district not entitled to act on approval or rejection of the plat by action of its board, the plat may be approved by the residents of the land area within 60 days of approval of plat by the ~~state board commissioner~~ in the following manner:

A petition calling upon the county auditor to call and conduct an election on the question of adoption or rejection of the plat may be circulated in the land area by any person residing in the area. Upon the filing of the petition with the county auditor, executed by at least 25 percent of the eligible voters in each district or part of a district contained in the land area, the county auditor shall forthwith call and conduct a special election of the electors resident in the

whole land area on the question of adoption of the plat. For the purposes of this section, the term "electors resident in the whole land area" means any person residing on any remaining portion of land, a part of which is included in the consolidation plat. Any eligible voter owning land included in the plat who lives upon land adjacent or contiguous to that part of the voter's land included in the plat shall be included and counted in computing the 25 percent of the eligible voters necessary to sign the petition and shall also be qualified to sign the petition. Failure to file the petition within 60 days of approval of the plat by the state board commissioner terminates the proceedings.

Sec. 5. Minnesota Statutes 1992, section 122.23, subdivision 13, is amended to read:

Subd. 13. If a majority of the votes cast on the question at the election approve the consolidation, and if the necessary approving resolutions of boards entitled to act on the plat have been adopted, the school board shall, within ten days of the election, notify the county auditor who shall, within ten days of the notice or of the expiration of the period during which an election can be called, issue an order setting a date for the effective date of the change. The effective date shall be July 1 of an ~~odd-numbered year, unless an even-numbered year is agreed upon according to subdivision 13a~~ the year determined by the school board in the original resolution adopted under subdivision 2. The auditor shall mail or deliver a copy of such order to each auditor holding a copy of the plat and to the clerk of each district affected by the order and to the commissioner. The school board shall similarly notify the county auditor if the election fails. The proceedings are then terminated and the county auditor shall so notify the commissioner and the auditors and the clerk of each school district affected.

Sec. 6. Minnesota Statutes 1992, section 122.23, is amended by adding a subdivision to read:

Subd. 20. [RETIREMENT INCENTIVES.] (a) A school board of a consolidated district may offer early retirement incentives to licensed and nonlicensed staff. The early retirement incentives that the board may offer are:

(1) the payment of employer pension plan contributions for a specified period of allowable service credit for district employees who have at least ten years of allowable service credit in the applicable pension plan under paragraph (b);

(2) an extended leave of absence for an eligible employee under section 125.60;

(3) severance payment incentives under paragraph (c);

(4) the employer payment of the premiums for continued health insurance coverage under paragraph (d).

These incentives may only be offered to employees who terminate active employment with the school district or who enter into an extended leave of absence as a result of the consolidation, whichever applies. The board may determine the staff to whom the incentives are offered. Unilateral implementation of this section by a school board is not an unfair labor practice under chapter 179A.

(b) An employee with at least ten years of allowable service credit in the applicable pension plan who is offered an early retirement incentive under paragraph (a), clause (1), may purchase up to five additional years of allowable service credit from the applicable pension plan. To do so, the former employee must pay the member contributions to the pension plan annually in a manner and in accord with a schedule specified by the executive director of the applicable fund. If the former employee makes the member contribution, the board shall make the applicable employer contribution. The salary used to determine these contributions is the salary of the person in the last year that the former employee was employed by the district. During the period of continuing member and employer contributions, the person is not considered to be an active member of the applicable pension plan, is not eligible for any active member disability or survivorship benefit coverage, and is not included in any postemployment termination benefit plan changes unless the applicable benefit legislation provides otherwise. Continued eligibility to purchase service credit under this paragraph expires if the person is subsequently employed during the service purchase period by a public employer with retirement coverage under a pension plan specified in section 356.30, subdivision 3.

(c) Severance payment incentives must conform with sections 465.72, 465.721, and 465.722.

(d) The board may offer a former employee with continued employer-paid health insurance coverage. Coverage may not extend beyond age 65 or the end of the first month in which the employee is eligible for employer-paid health insurance coverage from a new employer. For purposes of this subdivision, "employer-paid health insurance coverage" means medical, hospitalization, or health insurance coverage provided through an insurance company that is licensed to do business in the state and for which the employing unit pays more than one-half of the cost of the insurance premiums.

Sec. 7. Minnesota Statutes 1992, section 122.531, subdivision 9, is amended to read:

Subd. 9. [LEVY FOR SEVERANCE PAY OR EARLY RETIREMENT INCENTIVES.] The school board of a newly created or enlarged district, to which part or all of a dissolved district was attached according to section 122.22 ~~or 122.23~~, may levy for severance pay or early retirement incentives for licensed and nonlicensed employees who resign or retire early as a result of the dissolution or consolidation, if the commissioner of education approves the incentives and the amount to be levied. The amount may be levied over a period of up to five years and shall be spread in whole or in part on the property of a preexisting district or the newly created or enlarged district, as determined by the school board of the newly created or enlarged district.

Sec. 8. Minnesota Statutes 1992, section 122.533, is amended to read:

122.533 [EXPENSES OF TRANSITION.]

The newly elected board ~~of a newly created district pursuant to section 122.23 or the board~~ of a district to which a dissolved district is attached pursuant to section 122.22, may, for the purpose of paying the expenses of negotiations and other administrative expenses relating to the transition, enter into agreements with banks or any person to take its orders at any rate of interest not to exceed seven percent per annum. These orders shall be paid by the treasurer of the district from district funds after the effective date of the ~~consolidation or~~ dissolution and attachment. Notwithstanding the provisions of sections 124.226, 124.2716, 124.91, 124.912, 124.914, 124.916, 124.918, and 136C.411, the district may, in the year the ~~consolidation or~~ dissolution and attachment becomes effective, levy an amount equal to the amount of the orders issued pursuant to this subdivision and the interest on these orders. No district shall issue orders for funds or make a levy pursuant to this subdivision without the commissioner's approval of the expenses to be paid with the funds from the orders and levy.

Sec. 9. [123.193] [LEVIES PROHIBITED.]

Unless specifically permitted in a provision authorizing a levy, a cooperative unit of government as defined in section 123.35, subdivision 19b, paragraph (c), clauses (1) to (4), is prohibited from making a property tax levy.

Sec. 10. Minnesota Statutes 1992, section 123.35, subdivision 19a, is amended to read:

Subd. 19a. [LIMITATION ON PARTICIPATION AND FINANCIAL SUPPORT.] (a) No school district shall be required by any type of formal or informal agreement, including a joint powers agreement, or ~~otherwise membership in any cooperative unit defined in subdivision 19b, paragraph (c),~~ to participate in or provide financial support for the purposes of the agreement for a time period in excess of one fiscal year, or the time period set forth in this subdivision. Any agreement, part of an agreement, or other type of requirement to the contrary is void.

(b) This subdivision shall not affect the continued liability of a school district for its share of bonded indebtedness or other debt incurred as a result of any agreement before July 1, 1993. The school district is liable only until the obligation or debt is discharged and only according to the payment schedule in effect on July 1, 1993, except that the payment schedule may be altered for the purpose of restructuring debt or refunding bonds outstanding on July 1, 1993, if the annual payments of the school district are not increased and if the total obligation of the school district for its share of outstanding bonds or other debt is not increased.

(c) To cease participating in or providing financial support for any of the services or activities relating to the agreement or to terminate participation in the agreement, the school board shall adopt a resolution and notify other parties to the agreement of its decision on or before February 1 of any year. The cessation or withdrawal shall be effective June 30 of the same year ~~or, except that for a member of an education district organized under sections 122.91 to 122.95 or an intermediate district organized under chapter 136D, cessation or withdrawal shall be effective June 30 of the following fiscal year.~~ At the option of the school board, cessation or withdrawal may be effective June 30 of the following fiscal year for a district participating in any type of agreement.

(d) Before issuing bonds or incurring other debt, the governing body responsible for implementing the agreement shall adopt a resolution proposing to issue bonds or incur other debt and the proposed financial effect of the bonds or other debt upon each participating district. The resolution shall be adopted within a time sufficient to allow the school board to adopt a resolution within the time permitted by this paragraph and to comply with the statutory deadlines set forth in sections 122.895, 125.12, and 125.17. The governing body responsible for implementing the agreement shall notify each participating school board of the contents of the resolution. Within 120 days of receiving the resolution of the governing body, the school board of the participating district shall adopt a resolution stating:

(1) its concurrence with issuing bonds or incurring other debt;

(2) its intention to cease participating in or providing financial support for the service or activity related to the bonds or other debt; or

(3) its intention to terminate participation in the agreement.

A school board adopting a resolution according to clause (1) is liable for its share of bonded indebtedness or other debt as proposed by the governing body implementing the agreement. A school board adopting a resolution according to clause (2) is not liable for the bonded indebtedness or other debt, as proposed by the governing body, related to the services or activities in which the district ceases participating or providing financial support. A school board adopting a resolution according to clause (3) is not liable for the bonded indebtedness or other debt proposed by the governing body implementing the agreement.

(e) After July 1, 1993, a district is liable according to paragraph (d) for its share of bonded indebtedness or other debt incurred by the governing body implementing the agreement to the extent that the bonds or other debt are directly related to the services or activities in which the district participates or for which the district provides financial support. The district has continued liability only until the obligation or debt is discharged and only according to the payment schedule in effect at the time the governing body implementing the agreement provides notice to the school board, except that the payment schedule may be altered for the purpose of refunding the outstanding bonds or restructuring other debt if the annual payments of the district are not increased and if the total obligation of the district for the outstanding bonds or other debt is not increased.

Sec. 11. Minnesota Statutes 1992, section 123.35, is amended by adding a subdivision to read:

Subd. 19b. [WITHDRAWING FROM COOPERATIVE.] If a school district withdraws from a cooperative unit defined in paragraph (c), the distribution of assets and assignment of liabilities to the withdrawing district shall be determined according to this subdivision.

(a) The withdrawing district remains responsible for its share of bonded debt incurred by the cooperative unit according to subdivision 19a. The school district and cooperative unit may mutually agree, through a board resolution by each, to terms and conditions of the distribution of assets purchased with the proceeds of bonds and assignment of liabilities for outstanding bond obligations. If the cooperative unit and the school district cannot agree on the terms and conditions, the commissioner of education shall resolve the dispute.

(b) The school district and cooperative unit may mutually agree, through a board resolution by each, to the terms and conditions of the distribution of assets and assignment of liabilities not acquired with the proceeds of bonds. If the cooperative unit and the school district cannot agree on the terms and conditions, the withdrawing district shall not receive any distribution of assets or assignment of liabilities not acquired with the proceeds of bonds.

(c) For the purposes of this section, a cooperative unit is:

(1) an education district organized under sections 122.91 to 122.95;

(3) an educational cooperative service unit organized under section 123.58; or

Sec. 12. Minnesota Statutes 1992, section 123.35, is amended by adding a subdivision to read:

Subd. 21. [APPEAL TO COMMISSIONER.] If a cooperative unit as defined in subdivision 19b, paragraph (c), denies membership in the unit to a school district, the school district may appeal to the commissioner of education. The commissioner may require the cooperative unit to grant the district membership.

Sec. 13. Minnesota Statutes 1992, section 123.35, is amended by adding a subdivision to read:

Subd. 22. [AID TO COOPERATIVE UNIT.] A school district may request the department of education to pay state aid for which the district is eligible under section 124.2727, 124.32, 124.573, 124.574, or 124.646 directly to a cooperative unit.

Sec. 14. Minnesota Statutes 1992, section 123.58, subdivision 2, is amended to read:

Subd. 2. [ESTABLISHMENT OF EDUCATIONAL COOPERATIVE SERVICE UNITS.] (a) In furtherance of this policy, ten educational cooperative service units are ~~designated established~~. Geographical boundaries for each ECSU shall coincide with those identified in governor's executive orders 8, dated September 1, 1971, and 59, dated May 29, 1973, issued pursuant to the regional development act of 1969, Minnesota Statutes, sections 462.381 to 462.397, with the following exceptions:

- (i) ~~(1)~~ development regions one and two shall be combined to form a single ECSU;
- (ii) ~~(2)~~ development regions six east and six west shall be combined to form a single ECSU;
- (iii) ~~(3)~~ development regions seven east and seven west shall be combined to form a single ECSU.

(b) The ECSU shall cooperate with the regional development commission for the region with which its boundaries coincide but shall not be responsible to nor governed by that regional development commission.

~~(c) The geographic location of the central administrative office of a school district shall determine the membership of the total school district in a particular ECSU. Existing school district boundaries shall not be altered as a result of this section.~~

~~(d) Notwithstanding paragraphs (a), (b), and (c), a school district may become a full member of an ECSU other than the one in which its central administrative office is located if the district is a member of an education district or a participant in another cooperative agreement, and more than half of the member districts of the education district or participants in the cooperative agreement are members of another ECSU.~~

~~(e) Two or more identified ECSU units may, upon approval by a majority of school boards of participating school districts in each affected ECSU, be combined and administered as a single ECSU unit but state assistance shall be allocated on the basis of two or more ECSU units.~~

~~(f) The initial organization of each ECSU may occur only upon petition to the state board of education by a majority of all school districts in an ECSU. The state board of education shall, upon receipt of this petition, invite representation from all public school districts and shall encourage the participation of nonpublic school administrative units to the extent allowed by law in an ECSU at a regional meeting. The state board of education shall then assist in the necessary organizational activities for establishment of an ECSU pursuant to the requirements of this section.~~

Sec. 15. Minnesota Statutes 1992, section 123.58, subdivision 4, is amended to read:

A school district may belong to one or more ECSUs. Participation in programs and services provided by the ECSU shall be discretionary. No school district shall be compelled to participate in these services under authority of this section. However, ~~all school districts whose central administrative offices are within that ECSU whose boundaries coincide with those of development region 11 shall participate in the planning and planning research functions of that ECSU.~~ All of the members of an education district shall belong to the same ECSU, if any members belong to an ECSU. Subd. 7c. [RESULTS-ORIENTED GRADUATION RULE.] (a) The legislature is committed to establishing a rigorous, results-oriented graduation rule for Minnesota's public school students. To that end, the state board shall use its rulemaking authority under subdivision 7b to adopt a statewide, results-oriented graduation rule to be implemented starting with students beginning high school ninth grade in the 1996-1997 school year. The state board may continue its proceedings to adopt a graduation rule but must not take final action under sections 14.131 to 14.20 to adopt the rule until after the board reports on the content of the graduation rule to the legislature during the 1995 legislative session and the state board is specifically authorized in law to adopt the rule. The board shall not prescribe in rule or otherwise the delivery system, form of instruction, or a single statewide form of assessment that local sites must use to meet the requirements contained in this rule.

(b) The content of the graduation rule must reflect the importance of using valid and reliable assessment instruments that have been developed according to the most current version of the standards for educational testing for granting or denying a student a high school diploma.

(c) The content of the graduation rule must also differentiate between minimum competencies and rigorous standards. The rule must:

- (1) establish minimum competencies for the purpose of granting or denying a student a high school diploma;
- (2) include rigorous standards, which are standards to achieve but not presently require as a condition of high school graduation; and
- (3) periodically review and report on the assessment process with the expectation of expanding high school graduation requirements and permitting decisions about whether to grant or deny a student a high school diploma to attach to more rigorous standards.

(d) The state board shall include in the graduation rule a requirement that the amended graduation standards be implemented in stages. Graduation requirements contained in the graduation rule must use the information from the graduation rule pilot sites to determine whether the assessment instruments are valid and reliable and whether appropriate minimum competencies and rigorous standards have been established, as anticipated under paragraphs (b) and (c). The state board shall provide a timely report to the legislature on the findings of the pilot sites and inform the legislature about:

(1) what financial resources are required to implement graduation outcomes statewide, including the specific costs for each stage of implementation; and

(2) what educational and organizational changes are necessary in the kindergarten through grade 12 and post-secondary systems to successfully integrate the state's high school graduation requirements and the entrance requirements of the state's post-secondary institutions.

(e) After receiving specific authority in law to adopt the rule, the state board shall report to the legislature annually by January 15 on its progress in implementing the remaining graduation requirements until such time as all the graduation requirements are implemented.

(c) The parent or guardian of a pupil who is a resident of a district that has a desegregation plan must submit an application to the resident district. If the district accepts the application, it must forward the application to the nonresident district.

(d) The parent or guardian of a pupil who applies for enrollment in a nonresident district that has a desegregation plan must submit an application to the nonresident district.

(e) Each district must accept or reject an application it receives and notify the parent or guardian in writing within 30 calendar days of receiving the application. A notification of acceptance must include the date enrollment can begin.

(f) If an application is rejected, the district must state the reason for rejection in the notification. If a district that has a desegregation plan rejects an application for a reason related to the desegregation plan, the district must state with specificity how acceptance of the application would result in noncompliance with state board rules with respect to the school or program for which application was made.

(g) If an application is accepted, the parent or guardian must notify the nonresident district in writing within 15 calendar days of receiving the acceptance whether the pupil intends to enroll in the nonresident district. Notice of intention to enroll obligates the pupil to enroll in the nonresident district, unless the school boards of the resident and nonresident districts agree otherwise. If a parent or guardian does not notify the nonresident district, the pupil may not enroll in that nonresident district at that time, unless the school boards of the resident and nonresident district agree otherwise.

(h) Within 15 calendar days of receiving the notice from the parent or guardian, the nonresident district shall notify the resident district in writing of the pupil's intention to enroll in the nonresident district.

(i) A pupil enrolled in a nonresident district under this subdivision is not required to make annual or periodic application for enrollment but may remain enrolled in the same district. A pupil may transfer to the resident district at any time.

(j) A pupil enrolled in a nonresident district and applying to transfer into or out of a district that has a desegregation plan must follow the procedures of this subdivision. For the purposes of this type of transfer, "resident district" means the nonresident district in which the pupil is enrolled at the time of application.

(k) A district that has a desegregation plan approved by the state board of education must accept or reject each individual application in a manner that will enable compliance with its desegregation plan.

(l) Notwithstanding paragraphs (f) and (k) of this section, a district with a desegregation plan must allow a pupil to apply to enroll in a nonresident district with a desegregation plan. A district with a desegregation plan may refuse to enroll a nonresident pupil who resides in a district with a desegregation plan only under subdivision 3.

The state board shall define equal educational opportunities to be consistent with the content of the high school graduation rule under section 121.11, subdivision 7c, including the minimum competencies the board establishes for the purpose of granting or denying a student a high school diploma. The state board must not take final action under sections 14.131 to 14.20 to adopt the rule until after it presents the rule to the education committees of the legislature.

Subd. 2. [CERTIFICATION.] A chassis manufacturer must certify that the product meets Minnesota standards. All buses with a certified manufacturing date before April 1, 1977, must not be recertified as a school bus after January 1, 1996.

Subd. 3. [COLOR.] Fenders may be painted black. The hood may be painted nonreflective black or nonreflective yellow. The grill may be the manufacturer's standard color.

Subd. 4. [ELECTRICAL SYSTEM; BATTERY.] (a) The storage battery, as established by the manufacturer's rating, must be of sufficient capacity to care for starting, lighting, signal devices, heating, and other electrical equipment. In a bus with a gasoline-powered engine, the battery or batteries must provide a minimum of 800 cold cranking amperes. In a bus with a diesel-powered engine, the battery or batteries must provide a minimum of 1,050 cold cranking amperes.

(b) In a type B bus with a gross vehicle weight rating of 15,000 pounds or more, and type C and D buses, the battery must be temporarily mounted on the chassis frame. The final location of the battery and the appropriate cable lengths in these buses must comply with the School Bus Manufacturers Institute design objectives booklet.

(c) All batteries must be mounted according to chassis manufacturers' recommendations.

(d) In a type C bus, other than one powered by diesel fuel, a battery providing at least 550 cold cranking amperes may be installed in the engine compartment only if used in combination with a generator or alternator of at least 120 amperes.

(e) A bus with a gross vehicle weight rating of 15,000 pounds or less may be equipped with a battery to provide a minimum of 550 cold cranking amperes only if used in combination with an alternator of at least 80 amperes. This paragraph does not apply to those buses with wheelchair lifts or diesel engines.

Subd. 5. [ELECTRICAL SYSTEM; ALTERNATOR.] A bus must be capable of producing enough current at 1400 rpms to provide a positive charge to the battery with 80 percent of maximum load with all lights and accessories on. A type B bus with a gross vehicle weight rating of up to 15,000 pounds equipped with an electrical power lift must have a minimum 100 ampere per hour alternator. If not protected by a grommet, wiring passing through holes must be encased in an abrasive-resistant protective covering.

Subd. 6. [ENGINES.] A new type B bus with a gross vehicle weight rating that exceeds 15,000 pounds, and type C and type D buses purchased after January 1, 1995, must be equipped with diesel or other alternate fuel engines.

Subd. 7. [EXHAUST SYSTEM.] The tailpipe must (1) extend to, but not more than one inch beyond, the bumper and be mounted outside of the chassis frame rail, or (2) extend to, but not more than one inch beyond, the left side of the bus, behind the driver's compartment. A type A bus, and a type B bus with a gross vehicle weight rating under 15,000 pounds, must comply with the manufacturer's standard. No exhaust pipe may exit beneath an emergency exit or, on a type C or type D bus, under the fuel fill location. No exhaust pipe may be reduced in size beyond the muffler.

Subd. 8. [FRAME.] Installation of a trailer hitch is permitted. A hitch must be flush mounted.

Subd. 9. [FUEL TANK.] If mounted behind the rear wheels, the fuel tank on a vehicle constructed with a power lift unit must be between the frame rails. Fuel tanks for a type A bus, and for a type B bus with a gross vehicle weight rating under 15,000 pounds, may be the manufacturer's standard and must conform with federal Motor Vehicle Safety Standard number 301, Code of Federal Regulations, title 49, part 571.

Subd. 10. [HORN.] A bus must be equipped with a horn in good working order and capable of emitting sound audible under normal conditions from a distance of not less than 200 feet.

Subd. 11. [TIRES AND RIMS.] Radial and bias ply tires may not be used on the same axle. Front tire tread depth may not be less than 4/32 inch in any major tire tread groove. Rear tire tread may not be less than 2/32 inch. Tires must be measured in three locations around the tire, in two adjoining grooves. No recapped tires shall be used on the front wheels.

Subd. 12. [TRANSMISSION.] The transmission shifting pattern must be permanently displayed in the driver's full view.

The plywood must be at least 19/32 inches thick, and must equal or exceed properties of exterior-type softwood plywood, grade C-D, as specified in product standard PSI-I83 issued by the United States Department of Commerce. The floor must be level from front to back and side to side, except in wheel housing, toe board, and driver's seat platform areas.

Subd. 7. [DEFROSTERS.] Except as provided in this subdivision, defrosters and two auxiliary fans must direct a sufficient flow of heated air and must be of sufficient capacity to keep the windshield, window to the left of the driver, and glass in the entrance door clear of fog, frost, and snow. A type A or type B bus with a gross vehicle weight rating under 15,000 pounds may be equipped with one auxiliary fan.

Subd. 8. [DOORS; SERVICE DOOR.] A type B bus with a gross vehicle weight rating of 15,000 pounds or over may not have a door to the left of the driver. A type B bus with a gross vehicle weight rating under 15,000 pounds may be equipped with the chassis manufacturer's standard door.

The belt cutter must be designed to eliminate the possibility of injury during use and must be secured in a safe location.

Subd. 11. [HEATERS.] The heating system must be capable of maintaining a safe temperature throughout the bus. In a bus with a combustion heater, the heater must be installed by the body manufacturer or by an authorized dealer, an authorized garage, or a mechanic trained in the procedure.

Subd. 12. [IDENTIFICATION.] (a) Each bus must, in the beltline, identify the school district serviced, the company name, or owner of the bus. Numbers necessary for identification must appear on the sides and rear of the bus. Symbols or letters may be used on the outside of the bus near the entrance door for student identification. A manufacturer's nameplate may be placed on the side of the bus near the entrance door and on the rear.

(b) Each bus must display the lettering "Unlawful to pass when red lights are flashing" on the rear of the bus. The lettering must be in two-inch black letters on school bus yellow background. This message must be displayed directly below the upper window of the rear door. On rear engine buses, it must be centered at approximately the same location. Only signs and lettering approved or required by state law may be displayed.

Subd. 13. [INSULATION.] (a) Ceilings and walls must be insulated to a minimum of 1-1/2 inch fiberglass and installed so the insulation does not compact or sag. Floor insulation must be nominal 19/32 inch thick plywood, or a material of equal or greater strength and insulation R value that equals or exceeds properties of exterior-type softwood plywood, C-D grade as specified in standards issued by the United States Department of Commerce. Type A and B buses with a gross vehicle weight rating under 15,000 pounds must have a minimum of one-half inch plywood. All exposed edges on plywood must be sealed. When manufactured, each school bus must be constructed so that the noise level taken at the ear of the occupant nearest to the primary vehicle noise source does not exceed 85 dBA when tested according to procedures in the 1990 National Standards for School Buses and Operations.

(b) The underside of the metal floor may be undercoated with polyurethane floor insulation, foamed in place. The floor insulation must be combustion resistant. The authorization in this paragraph does not replace the plywood requirement.

Subd. 15. [LAMPS AND SIGNALS.] (a) Each school bus must be equipped with a system consisting of four red signal lamps designed to conform to SAE Standard J887, and four amber signal lamps designed to that standard, except for color, and except that their candlepower must be at least 2-1/2 times that specified for red turn-signal lamps. Both red and amber signal lamps must be installed in accordance with SAE Standard J887, except that each amber signal lamp must be located near each red signal lamp, at the same level, but closer to the centerline of the bus. The system must be wired so that the amber signal lamps are activated only by hand operation and, if activated, are automatically deactivated and the red signal lamps are automatically activated when the bus entrance door is opened. Signal lamps must flash alternately. Each signal lamp must flash not less than 60 nor more than 120 flashes per minute. The "on" period must be long enough to permit filament to come up to full brightness. There must be a pilot lamp that is attached when the respective amber or red system is activated. The pilot lamp must either go out or flash at an alternate rate when the system is not functioning normally. The signal lamp system must include a closed control box. The box must be as small as practicable, and must be easily dismantled or partially disassembled to provide access for maintenance purposes. The control panel box must be arranged so that the momentary activating switch for the eight-lamp warning system is located on the left; the red, or red and amber, pilot light is located in the middle; and the eight-way master switch is located on the right. The control box must be securely mounted to the right of the steering wheel, within easy unobstructed reach of the driver. Switches and pilot lamp must be readily visible to the driver. The activating switch may be self-illuminated. Other warning devices or lamp controls must not be placed near the lamp control. The stop arm must extend automatically whenever the service entrance door is opened and the eight-way lights are activated.

(b) If installed, a white flashing strobe must be of a double-flash type and have minimum effective light output of 200 candelas. No roof hatch may be mounted behind the strobe light.

(c) Type B, C, and D buses must have an amber clearance lamp with a minimum of four candlepower mounted on the right side of the body at approximately seat level rub rail height just to the rear of the service door and another one at approximately opposite the driver's seat on the left side. These lamps may be connected to operate only with the regular turn-signal lamps.

(d) All lamps on the exterior of the vehicle must conform with and be installed as required by federal Motor Vehicle Safety Standard number 108, Code of Federal Regulations, title 49, part 571.

All glass must be federally approved and marked as provided in section 169.74. The windshield may be of uniform tint throughout or may have a horizontal gradient band starting slightly above the line of vision and gradually decreasing in light transmission to 20 percent or less at the top of the windshield. Tinted glass meeting the requirements of section 169.71 is permitted on side windows and rear windows except for the entrance door, the first window behind the service door, and the window to the left of the driver. The window to the left of the driver, the upper service door windows, and the window immediately behind the entrance door must be thermal glass. The window to the left of the driver for type A and B buses with a gross vehicle weight rating under 15,000 pounds need not be thermal glass.

Subd. 23. [WIRING.] If not protected by a grommet, wire that passes through holes must be encased in an abrasive-resistant protective covering. If a master cutoff switch is used, it must not be wired so as to shut off power to the electric brake system.

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1992, section 423A.02, subdivision 1, is amended to read:

Subdivision 1. [AMORTIZATION STATE AID.] (a) A municipality in which is located a local police or salaried firefighters' relief association to which the provisions of section 69.77, apply, that had an unfunded actuarial accrued liability in the most recent relief association actuarial valuation, is entitled, upon application as required by the commissioner of revenue, to receive local police and salaried firefighters' relief association amortization state aid if the municipality and the appropriate relief association both comply with the applicable provisions of sections 69.031, subdivision 5, 69.051, subdivisions 1 and 3, and 69.77. If a municipality loses entitlement for amortization state aid in any year because its local relief association no longer has an unfunded actuarial accrued liability, the municipality is not entitled to amortization state aid in any subsequent year.

(b) The total amount of amortization state aid to all entitled municipalities must not exceed ~~\$5,055,000~~ \$4,305,000, except as provided in paragraph (f).

(c) Subject to the adjustment for the city of Minneapolis provided in this paragraph, the amount of amortization state aid to which a municipality is entitled annually is an amount equal to the level annual dollar amount required to amortize, by December 31, 2010, the unfunded actuarial accrued liability of the special fund of the appropriate relief

association as reported in the December 31, 1978, actuarial valuation of the relief association prepared under sections 356.215 and 356.216, reduced by the dollar amount required to pay the interest on the unfunded actuarial accrued liability of the special fund of the relief association for calendar year 1981 set at the rate specified in Minnesota Statutes 1978, section 356.215, subdivision 4, clause (4). For the city of Minneapolis, the amortization state aid amount thus determined must be reduced by ~~\$747,232~~ \$1,147,232 on account of the Minneapolis police relief association and by ~~\$772,768~~ \$1,122,768 on account of the Minneapolis fire department relief association. If the amortization state aid amounts determined under this paragraph exceed the amount appropriated for this purpose, the amortization state aid for actual allocation must be reduced pro rata.

(d) Payment of amortization state aid to municipalities must be made directly to the municipalities involved in four equal installments on March 15, July 15, September 15 and November 15 annually. Upon receipt of amortization state aid, the municipal treasurer shall transmit the aid amount to the treasurer of the local relief association for immediate deposit in the special fund of the relief association.

(e) The commissioner of revenue shall prescribe and periodically revise the form for and content of the application for the amortization state aid.

(f) If in any year the Minneapolis police relief association does not have excess investment income under sections 423B.01, subdivision 9, and 423B.15, subdivision 3, of at least \$400,000, the amount of amortization aid for the city of Minneapolis for that year must be increased so that the sum of excess investment income and additional amortization aid equals \$400,000. If in any year the Minneapolis fire department relief association does not have excess investment income under Laws 1989, chapter 319, article 19, section 7, subdivisions 1 and 4, as amended, of at least \$350,000, the amount of amortization aid for the city of Minneapolis for that year must be increased so that the sum of excess investment income and additional amortization aid equals \$350,000. The amount necessary to pay these amounts of additional amortization aid is appropriated annually from the general fund to the commissioner of revenue.

Sec. 2. Minnesota Statutes 1992, section 423B.01, subdivision 9, is amended to read:

Subd. 9. [EXCESS INVESTMENT INCOME.] "Excess investment income" means the amount, if any, by which the average time weighted total rate of return earned by the fund in the most recent prior five fiscal year years has exceeded the actual average percentage increase in the current monthly salary of a first grade patrol officer in the most recent prior five fiscal year years plus two percent, and must be expressed as a dollar amount and may not exceed one percent of the total assets of the fund ~~and does not exist unless the yearly average percentage increase of the time weighted total rate of return of the fund for the previous five years exceeds by two percent the yearly average percentage increase in monthly salary of a first grade patrol officer during the previous five calendar years.~~

Sec. 3. Minnesota Statutes 1992, section 423B.15, subdivision 3, is amended to read:

Subd. 3. [AMOUNT OF ANNUAL POSTRETIREMENT PAYMENT.] The amount determined under subdivision 2 must be applied in accordance with this subdivision. The relief association shall apply the first one-half of excess investment income to the payment of an annual postretirement payment as specified in this subdivision. The second one-half of excess investment income must be applied to reduce the state amortization state aid or supplementary amortization state aid payments otherwise due to the relief association under section 423A.02 for the current calendar year. The relief association shall pay an annual postretirement payment to all eligible members in an amount not to exceed one-half of one percent of the assets of the fund. Payment of the annual postretirement payment must be in a lump sum amount on June 1 following the determination date in any year. Payment of the annual postretirement payment may be made only if the average time weighted total rate of return for the most recent prior five fiscal years exceeds by two percent the actual average percentage increase in the current monthly salary of a top grade patrol officer in the most recent prior five fiscal year ~~and the yearly average percentage increase of the time weighted total rate of return of the fund for the previous five years exceeds by two percent the yearly average percentage increase in monthly salary of a top grade patrol officer of the previous five years.~~ The total amount of all payments to members may not exceed the amount determined under this subdivision. Payment to each eligible member must be calculated by dividing the total number of pension units to which eligible members are entitled into the excess investment income available for distribution to members, and then multiplying that result by the number of units to which each eligible member is entitled to determine each eligible member's annual postretirement payment. Payment to each eligible member may not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the benefit plan of the relief association or each eligible member's proportionate share of the excess investment income, whichever is less.

A person who received a pension or benefit for the entire 12 months before the determination date is eligible for a full annual postretirement payment. A person who received a pension or benefit for less than 12 months before the determination date is eligible for a prorated annual postretirement payment.

The agreements shall provide that, in the event of breach of the agreements, the defaulting organization shall pay damages to the commission. The damages payment shall be in an amount deemed appropriate by the commission but shall not be less than an amount sufficient to make whole the council and the commission for the loss of revenue suffered by the commission by reason of the breach as measured by the annual average of all revenue derived by the commission from attendance at events and activities of the defaulting organization or organizations during the years prior to the breach, extended for the remaining portion of the 30-year term of the agreements or until another major league professional basketball organization enters into a use agreement with the commission for not less than the remaining portion of the 30-year term. Provided, that the damages payment, if determined appropriate by the commission need not exceed an amount, sufficient with other revenues of the commission attributable to the basketball and hockey arena, but excluding proceeds of any taxes imposed under section 473.592, to pay all expenses of operation, maintenance, repair, replacements, and administration of the basketball and hockey arena and all basketball and hockey arena debt service. The damages payment may be payable in a lump sum or in installments as the commission may deem appropriate. The commission may require that the agreements include other terms and conditions to provide reasonable assurances that the current major league professional basketball team or a successor major league professional basketball team will play the required games at the basketball and hockey arena during the 30-year term of the agreements, or, in the event of a breach, to assure the payment of the required damages. The agreements shall include provisions to protect the commission and the council in the event of change of ownership of the professional teams. The agreement with the professional basketball organization shall provide for arrangements which the commission may deem necessary or appropriate to accommodate a future agreement between the commission and a professional hockey organization to occupy the basketball and hockey arena, consistent with this section.

(b) The commission has executed agreements with the professional basketball major league, which guarantee the continuance of the franchise in the basketball and hockey arena for the period of the agreements referred to in clause (a).

(d) The proceeds of bonds provided for in this subdivision will be sufficient for the purposes for which they are issued.

(e) The commission has acquired, or has contracted to acquire, (i) leasehold title to the arena land together with the estate of the tenant and other rights demised under the ground lease, subject to amendment as provided in clause (c), (ii) ownership of all real and personal property comprising the basketball and hockey arena, and (iii) all easements, appurtenances and other rights, title, or interest deemed by the commission necessary or desirable in connection with the acquisition, financing, ownership, and operation of the basketball and hockey arena.

(f) The percentage of the private boxes provided for in the commission's proposal for the basketball and hockey arena are sold or leased for the period that the commission finds advisable.

(g) The anticipated admission taxes and surcharges and other revenue from the operation of the basketball and hockey arena will be sufficient to pay when due all basketball and hockey arena debt service plus all administration, operating and maintenance expense of the arena.

(h) The city of Minneapolis has entered into an agreement as contemplated in clause (n) and an agreement or agreements as contemplated in section 473.592 with respect to the basketball and hockey arena.

(i) The council has entered into an agreement with the brokerage firm or brokerage firms to be used in connection with the issuance and sale of the bonds guaranteeing that fees and charges payable to the brokerage firm or firms in connection with the sale of the bonds are not based primarily on a percentage of the amount of the bonds sold, but rather are fair and reasonable, based on the following factors: (1) the time and labor required; (2) the experience and knowledge of the persons involved; (3) any special complexity and novelty of issues related to sale of the bonds; and (4) the extent of the responsibilities assumed and the results obtained. The fees and charges shall not exceed fees and charges customarily payable in connection with the issuance and sale of bonds secured by the pledge of the full faith and credit of the city of Minneapolis.

The validity of any bonds issued under subdivision 2, clause (a), and the obligations of the council and commissions related to them, shall not be conditioned upon or impaired by the council's determination made pursuant to this subdivision. For purposes of issuing the bonds the determinations made by the commission and council shall be deemed conclusive, and the council shall be and remain obligated for the security and payment of the bonds irrespective of determinations which may be erroneous, inaccurate, or otherwise mistaken.

The condominium or common interest community declaration may also establish other units in the condominium or common interest community which shall include the arena playing and spectator areas and may also include office space, restaurant space, locker rooms, private spectator suites or boxes, signage, and other areas, and may also establish common elements, limited common elements and other easements and interests as the commission deems necessary or appropriate. The agreement or agreements between the commission and the private sports and health club organization may also address additional matters which may be the subject of the bylaws or other agreements or arrangements among unit owners of condominiums or common interest communities, either as part of, or separately from, the provisions of chapter 515A or 515B, or any other items as may be ordinarily and customarily negotiated between the commission and the organization.

(k) The private sports and health club organization has executed an assessment agreement pursuant to section 469.177, subdivision 8, obligating payment of ad valorem taxes based on a minimum market value of the health club of at least \$10,000,000 with the city of Minneapolis or the Minneapolis community development agency.

(l) The commission has executed an agreement requiring the commission to remit annually to the Minneapolis community development agency or appropriate agency an amount which together with any ad valorem taxes or other amounts received by the city of Minneapolis or the Minneapolis community development agency from the health club as tax increments equals the debt service required by the tax increment district attributable to the basketball and hockey arena until the current outstanding indebtedness or any refunding thereof has been paid or retired.

(m) The development agreement shall be amended:

(i) so that no payments are due to the city of Minneapolis or the Minneapolis community development agency from the commission or any other person with respect to the sale, ownership or operation of the basketball and hockey arena, or from the owners of the health club with respect to the ownership or operation of the health club, except as provided in clauses (k), (l), and (n); and

(ii) to confirm the satisfactory performance of the obligations of the parties to the development agreement on the effective date of the commission's acquisition; provided, that the city of Minneapolis and the Minneapolis community development agency shall not be required to release any claim they may have under the development agreement with respect to the proceeds of the sale of the health club or from the operations or sale of the professional basketball

organization occupying the basketball and hockey arena or the security they may have under the development agreement or the ground lease to assure its performance, pursuant to the guaranty of the guarantors in the event of any default of the commission under the ground lease, or of the owners of the health club with respect to the payment of ad valorem taxes or any payment due from them under the development agreement as amended in accordance with the provisions of this subdivision.

(n) The commission has executed an agreement with the city of Minneapolis providing that for so long as the commission owns the basketball and hockey arena the city shall not impose any entertainment tax or surcharge on tickets purchased for any and all events at the basketball and hockey arena. (i) that the commission's sole financial obligation to the landlord shall be to make the payment provided for in clause (1) from the net revenues of the commission attributable to the operation of the basketball and hockey arena;

(ii) that the term of the lease shall be 99 years;

(iii) that the commission shall have the option to purchase the arena land upon the payment of \$10 at any time during the term of the ground lease, but, unless otherwise agreed to by the Minneapolis community development agency, only after the payment or retirement of the general obligation tax increment bonds previously issued by the city of Minneapolis to assist in financing the acquisition of the arena land; and

(iv) other amendments as the commission deems necessary and reasonable to accomplish its purposes as provided in sections 473.598 and 473.599.

(p) The commission has received a report or reports by qualified consultants on the basketball and hockey arena, the health club and the arena land, based on thorough inspection in accordance with generally accepted professional standards and any correction, repair, or remediation disclosed by the reports has been made to the satisfaction of commission.

Subd. 5. [SECURITY.] To the extent and in the manner provided in sections 473.592 and 473.595, the taxes described in section 473.592 for the basketball and hockey arena, the tax, surcharge and other revenues of the commission described in section 473.595, subdivision 1a, attributable to the basketball and hockey arena and any other revenues of the commission attributable to the basketball and hockey arena shall be and remain pledged and appropriated for the payment of all necessary and reasonable expenses of the operation, administration, maintenance, and debt service of the basketball and hockey arena until all bonds referred to in section 473.599, subdivision 2, are fully paid or discharged in accordance with law. Bonds issued pursuant to this section may be secured by a bond resolution, or by a trust indenture entered into by the council with a corporate trustee within or outside the state, which shall define the tax and other revenues pledged for the payment and security of the bonds. The pledge shall be a valid charge on the tax, surcharge and other revenues attributable to the basketball and hockey arena referred to in sections 473.592, 473.595, subdivision 1a, 473.598, and 473.599 from the date when bonds are first issued or secured under the resolution or indenture and shall secure the payment of principal and interest and redemption premiums when due and the maintenance at all times of a reserve securing the payments. No mortgage of or security interest in any tangible real or personal property shall be granted to the bondholders or the trustee, but they shall have a valid security interest in all tax and other revenues received and accounts receivable by the commission or council under sections 473.592 to the extent of the tax imposed as security for the debt service of the basketball and hockey arena, 473.595, subdivision 1a, 473.598, and 473.599, as against the claims of all other persons in tort, contract, or otherwise, irrespective of whether the parties have notice of them, and without possession or filing as provided in the uniform commercial code or any other law. In the bond resolution or trust indenture the council may make the covenants, which shall be binding upon the commission, as are determined to be usual and reasonably necessary for the protection of the bondholders. No pledge, mortgage, covenant, or agreement securing bonds may be impaired, revoked, or amended by law or by action of the council, commission, or city, except in accordance with the terms of the resolution or indenture under which the bonds are issued, until the obligations of the council under the resolution or indenture are fully discharged.

Subd. 6. [REVENUE ANTICIPATION CERTIFICATES.] At any times after approval by the council and final adoption by the commission of an annual budget of the commission for operation, administration, and maintenance of the basketball and hockey arena, and in anticipation of the proceeds from the taxes under section 473.592 and the revenues of the commission provided for in the budget, but subject to any limitation or prohibition in a bond resolution or indenture, the council may authorize the issuance, negotiation, and sale, in the form and manner and upon the terms that it may determine, of revenue anticipation certificates. The principal amount of the certificates outstanding shall at no time exceed 25 percent of the total amount of the tax and other revenues anticipated. The certificates shall mature not later than three months after the close of the budget year. Prior to the approval and final adoption of the annual budget of the commission, the council may authorize revenue anticipation certificates under this subdivision. So much of the anticipated tax and other revenues as may be needed for the payment of the certificates and interest on them shall be paid into a special debt service fund established for the certificates in the council's financial records. If for any reason the anticipated tax and other revenues are insufficient, the certificates and interest shall be paid from the first tax, surcharge and other revenues received attributable to the basketball and hockey arena, subject to any limitation or prohibition in a bond resolution or indenture. The proceeds of the certificates may be used for any purpose for which the anticipated revenues or taxes may be used or for any purpose for which bond proceeds under subdivision 2 may be used.

Subd. 7. [ARENA FREE OF MORTGAGES, LIENS, AND OBLIGATIONS.] With the exception of the obligations imposed by sections 473.598 and 473.599, the commission shall not assume any notes, pledges, mortgages, liens, encumbrances, contracts, or obligations upon acquisition of the basketball and hockey arena or the arena land, including but not by way of limitation, management or concession agreements. Upon acquisition by the commission, the basketball and hockey arena and the arena land shall be free of all liens and encumbrances, including the foregoing but excluding the easements and rights-of-way that the commission shall determine do not materially impair or affect its ownership and operation of the basketball and hockey arena.

Sec. 16. Laws 1989, chapter 319, article 19, section 7, subdivision 1, as amended by Laws 1992, chapter 471, article 2, section 5, is amended to read:

Subdivision 1. [MINNEAPOLIS FIRE DEPARTMENT RELIEF ASSOCIATION; DEFINITIONS.] For the purposes of this section, each of the terms in this subdivision have the meanings given them in paragraphs (a) to (h).

(a) "Annual postretirement payment" means the payment of a lump sum postretirement benefit to an eligible member on June 1 following the determination date in any year.

(b) "City" means the city of Minneapolis.

(c) "Determination date" means December 31 of each year.

(d) "Eligible member" means a person, including a service pensioner, a disability pensioner, a survivor, or dependent of a deceased active member, service pensioner, or disability pensioner, who received a pension or benefit from the relief association during the 12 months before the determination date. A person who received a pension or benefit for the entire 12 months before the determination date is eligible for a full annual postretirement payment. A person who received a pension or benefit for less than 12 months before the determination date is eligible for a prorated annual postretirement payment.

(e) "Excess investment income" means the amount by which the average time weighted total rate of return earned by the fund in the most recent prior five fiscal year years has exceeded the actual average percentage increase in the current monthly salary of a top grade firefighter in the most recent prior five fiscal year years plus two percent. The excess investment income must be expressed as a dollar amount and may not exceed one percent of the total assets of the fund and does not exist unless the yearly average percentage increase of the time weighted total rate of return of the fund for the previous five years exceeds by two percent the yearly average percentage increase in monthly salary of a top grade firefighter during the previous five calendar years.

(f) "Fund" means the Minneapolis fire department relief association.

(g) "Relief association" means the Minneapolis fire department relief association.

(h) "Time weighted total rate of return" means the percentage amount determined by using the formula or formulas established by the state board of investment under Minnesota Statutes, section 11A.04, clause (11), and in effect on January 1, 1987.

Sec. 17. Laws 1989, chapter 319, article 19, section 7, subdivision 4, as amended by Laws 1990, chapter 570, article 12, section 63, and Laws 1992, chapter 471, article 2, section 6, is amended to read:

Subd. 4. [AMOUNT OF ANNUAL POSTRETIREMENT PAYMENT.] The amount determined under subdivision 3 must be applied in accordance with this subdivision. The relief association shall apply the first one-half of one percent of assets which constitute excess investment income to the payment of an annual postretirement payment as specified in this subdivision. The second one-half of one percent of assets which constitute excess investment income shall be applied to reduce the state amortization state aid or supplementary amortization state aid payments otherwise due to the relief association under section 423A.02 for the current calendar year. The relief association shall pay an annual postretirement payment to all eligible members in an amount not to exceed one-half of one percent of the assets of the fund. Payment of the annual postretirement payment must be in a lump sum amount on June 1 following the determination date in any year. Payment of the annual postretirement payment may be made only if the average time weighted total rate of return in the most recent prior five fiscal years exceeds by two percent the actual average percentage increase in the current monthly salary of a top grade firefighter in the most recent prior five fiscal year and the yearly average percentage increase of the time weighted total rate of return of the fund for the previous five years exceeds by two percent the yearly average percentage increase in monthly salary of a top grade firefighter of the previous five years. The total amount of all payments to members may not exceed the amount determined under subdivision 3. Payment to each eligible member must be calculated by dividing the total number of pension units to which eligible members are entitled into the excess investment income available for distribution to members, and then multiplying that result by the number of units to which each eligible member is entitled to determine each eligible member's annual postretirement payment. Payment to each eligible member may not exceed an amount equal to the total monthly benefit that the eligible member was entitled to in the prior year under the terms of the benefit plan of the relief association or each eligible member's proportionate share of the excess investment income, whichever is less.

Sec. 18. [ALL TENANT TERMS AND CONDITIONS OF AGREEMENTS MUST BE MADE PUBLIC.]

An agreement to occupy the basketball and hockey arena as defined in Minnesota Statutes, section 473.551, subdivision 10, is not enforceable by any party to it unless all its terms and conditions are made public before it is intended to take effect.

Sec. 19. [240A.09] [APPROPRIATION.]

\$750,000 is appropriated annually from the general fund to the Minnesota amateur sports commission for the purpose of entering into long-term leases, use, or other agreements with the metropolitan sports facilities commission for the conduct of amateur sports activities at the metro dome or basketball and hockey arena, and for the purposes set forth in chapter 240A, including (1) stimulating and promoting amateur sports, (2) promoting physical fitness by promoting participation in sports, (3) promoting the development of recreational amateur sport opportunities and activities, and (4) promoting local, regional, national, and international amateur sport competitions and events. The legislature reserves the right to repeal or amend this appropriation, and does not intend this appropriation to create public debt.

Sec. 20. [REPEALER.]

Minnesota Statutes 1992, sections 473.564, subdivision 1; and 473.571, are repealed.

Sec. 21. [EFFECTIVE DATE; APPLICATION.]

Section. 1. Minnesota Statutes 1992, section 115C.03, subdivision 9, is amended to read:

Subd. 9. [REQUESTS FOR REVIEW, INVESTIGATION, AND OVERSIGHT.] (a) The commissioner may, upon request:

(1) assist in determining whether a release has occurred; and

(2) assist in or supervise the development and implementation of reasonable and necessary response corrective actions.

(b) Assistance may include review of agency records and files and review and approval of a requester's investigation plans and reports and corrective action plans and implementation.

(c) Assistance may include the issuance of a written determination that an owner or prospective buyer of real property will not be a responsible person under section 115C.021, if the commissioner finds the release came from a tank not located on the property. The commissioner may also issue a written confirmation that the real property was the site of a release and that the tank from which the release occurred has been removed or that the agency has issued a site closure letter and has not revoked that status. The issuance of the written determination or confirmation applies to tanks not on the property or removed only, and does not affect liability for releases from tanks that are on the property at the time of purchase. The written determination or confirmation extends to the successors and assigns of the person to whom it originally applied, if the successors and assigns are not otherwise responsible for the release.

(e) (d) The person requesting assistance under this subdivision shall pay the agency for the agency's cost, as determined by the commissioner, of providing assistance. Money received by the agency for assistance under this subdivision must be deposited in the state treasury and credited to the account.

ARTICLE 2

LANDFILL CLEANUP PROGRAM

Section 1. [115B.39] [LANDFILL CLEANUP; FINDINGS; DEFINITIONS.]

Subdivision 1. [PERMITTED LANDFILLS; LEGISLATIVE FINDINGS; PURPOSE.] The legislature finds that permitted mixed municipal solid waste land disposal facilities have provided benefits to the citizens of the state by meeting the public need for the disposal of mixed municipal solid waste. However, those facilities that were

designed, constructed, or operated prior to implementation of the rules governing design, construction, and operation of solid waste disposal facilities in effect on January 1, 1993, have contaminated and will continue to contaminate the surrounding environment unless action is taken to prevent and remediate the contamination. The significant financial and technical resources needed to address contamination from these facilities can be provided more fairly and efficiently by establishing a cleanup and liability system for these facilities that is separate from existing federal and state cleanup programs and that relies more heavily upon broadly based taxes on activities or products associated with landfill contamination.

The purposes of sections 115B.40 to 115B.43 are to:

(1) accept the larger societal financial responsibility to prevent further contamination from these land disposal facilities and to respond to and remediate existing contamination;

(2) expedite prevention and remediation activities at the facilities; and

(3) avoid lengthy disputes over responsibility for payment of the costs associated with environmental response related to the facilities and the delays that necessarily accompany those disputes.

Subd. 2. [DEFINITIONS.] (a) In addition to the definitions in this subdivision, the definitions in sections 115A.03 and 115B.02 apply to sections 115B.40 to 115B.45, except as specifically modified in this subdivision.

(b) "Closure" means actions to prevent or minimize the threat to public health and the environment posed by a mixed municipal solid waste disposal facility that has stopped accepting waste by controlling the sources of releases or threatened releases at the facility. "Closure" includes removing contaminated equipment, applying final cover, grading and seeding final cover, installing wells, borings, and other monitoring devices, constructing groundwater and surface water diversion structures, and installing gas control systems and site security systems, as necessary.

(c) "Construction costs" means costs of a response action at a facility other than legal, administrative, engineering, environmental study, plan development, or negotiation costs.

(d) "Decomposition gases" means gases produced by chemical or microbial activity during the decomposition of solid waste.

(e) "Postclosure" or "postclosure care" means actions taken for the care, maintenance, and monitoring of closure actions, excluding groundwater monitoring, at a mixed municipal solid waste disposal facility.

(f) "Qualified facility" means a permitted mixed municipal solid waste disposal facility, as defined in section 115A.03, that meets the criteria listed in section 115B.40.

(g) "Respond" or "response" has the meaning given it in section 115B.02, subdivision 18, including groundwater monitoring but excluding closure and postclosure care.

Sec. 2. [115B.40] [LANDFILL CLEANUP; QUALIFIED FACILITIES; CLOSURE AND POSTCLOSURE CARE.]

Subdivision 1. [QUALIFIED FACILITY.] A mixed municipal solid waste disposal facility that is or was permitted by the agency, that stopped accepting waste by April 9, 1994, and that has complied with the required payment schedule for the facility under the owner's or operator's obligation to provide proof of financial responsibility under section 116.07, subdivision 4h, qualifies for the landfill cleanup program under section 115B.41 unless:

(1) responsible persons were implementing response actions at the facility under a consent order with the agency as of January 1, 1994; or

(2) the United States Environmental Protection Agency has issued an order requiring implementation of response actions under United States Code, title 42, section 9606.

Subd. 2. [OWNER OR OPERATOR; DUTIES.] (a) The owner or operator of a qualified facility shall:

(1) complete closure activities at the facility within one year from the date the owner or operator is notified by the commissioner of the closure activities that are necessary to properly close the facility in compliance with the solid waste rules that were in effect on January 1, 1993;

(2) undertake or continue postclosure care at the facility, except for collection and analysis of groundwater and surface water samples, until the commissioner determines postclosure care is no longer necessary or 20 years after final closure, whichever occurs first;

(3) continue, until the date of final closure, to set aside or otherwise establish or dedicate and thereafter to maintain any funds, financial instruments, or other financial arrangements established as proof of financial responsibility for response at the facility in compliance with section 116.07, subdivision 4h, in accordance with rules adopted under that subdivision and the facility's permit, and assign to the commissioner rights to access those funds, instruments or other arrangements for use when response action is undertaken at the facility under section 115B.41;

(4) agree to cooperate with the commissioner or other persons acting at the direction of the commissioner in taking additional closure or postclosure care and response actions necessary to address releases or threatened releases and to avoid any action that interferes with closure, postclosure care, or response actions; and

(5) agree to develop property described in any permit for the facility only after consultation with the commissioner and in conformance with any conditions established by the commissioner for that property to protect public health and welfare and the environment.

(b) The owner or operator of a facility that was closed prior to January 1, 1993, in compliance with the terms of the facility's permit, closure orders, or enforcement agreement with the agency, and with the solid waste rules in effect at the time the facility stopped accepting waste is not required to undertake any further closure activities under paragraph (a), clause (1), but must comply with paragraph (a), clauses (2) to (5).

(c) Notwithstanding paragraph (a), clause (3), the owner or operator of a facility that is a political subdivision may use a portion of any funds established for response at the facility, which are available directly or through a financial instrument or other financial arrangement, for closure or postclosure care at the facility if funds available for closure or postclosure care are inadequate and shall assign the rights to any remainder to the commissioner.

(d) Under paragraph (a), clause (4), an owner shall agree to provide access to the property to the commissioner and the commissioner's authorized representatives and to allow the commissioner, or persons acting at the direction of the commissioner, to undertake all activities necessary for any additional closure or postclosure care and to carry out response actions at the facility. Agreements under paragraph (a), clauses (4) and (5), must apply to and be binding upon the successors and assigns of the owner. The owner shall record the agreements, or memoranda approved by the commissioner that summarize the agreements, with the county recorder or registrar of titles of the county where the property is located.

Subd. 3. [COMMISSIONER; DUTIES.] If the owner or operator of a qualified facility fails to comply with subdivision 2, the commissioner shall:

(1) undertake or complete closure activities at the facility in compliance with the solid waste rules in effect at the time the commissioner takes action under this clause; and

(2) undertake or continue postclosure care at the facility as required under subdivision 2.

Subd. 4. [CAUSE OF ACTION; RECOVERY OF COSTS.] If the commissioner must undertake closure or postclosure care under subdivision 3, the owner or operator is responsible for the costs incurred by the commissioner for those activities and the commissioner may use any funds available for closure and postclosure care established by the owner or operator. If those funds are insufficient or if the owner or operator fails to assign rights to them to the commissioner, the commissioner may seek recovery of closure or postclosure care costs in district court in the county of Ramsey or in the county where the facility is located or where the owner or operator resides. If an owner or operator fails to assign rights to financial responsibility funds or to make agreements under subdivision 2, paragraph (a), clause (3), (4), or (5), the commissioner may seek an order to compel performance in district court in any of the counties noted in this subdivision.

In an action brought under this subdivision in which the commissioner prevails, the court shall award the commissioner reasonable attorney fees and other litigation expenses incurred by the commissioner to bring the action. All costs, fees, and expenses recovered under this subdivision must be deposited in the environmental fund and credited to the landfill cleanup account established in section 115B.42.

Subd. 5. [CLOSURE AND POSTCLOSURE CARE; LIENS.] All expenses, including expenses related to seeking recovery of the costs of closure and postclosure care, incurred by the commissioner under subdivisions 3 and 4 constitute a lien in favor of the state upon any real property, other than homestead property, owned by the owner or operator that is located in the state. A lien for closure and postclosure care costs attaches when those costs are first incurred and continues until the lien is satisfied or becomes unenforceable as for an environmental lien under section 514.672. Notice, filing, and release of a closure or postclosure care lien are governed by sections 514.671 to 514.676, except where those requirements specifically are related to only cleanup action expenses as defined in section 514.671. Relative priority of a lien under this subdivision is governed by section 514.672, except that a lien attached to property that was included in any permit for the solid waste disposal facility takes precedence over all other liens regardless of when the other liens were or are perfected. Amounts received to satisfy all or a part of a lien must be deposited in the landfill cleanup account.

Subd. 6. [LOCAL GOVERNMENT AID; OFFSET.] If an owner or operator fails to comply with subdivision 2, fails to remit payment of closure and postclosure care or other costs incurred by the commissioner under subdivision 3 or 4, and is a local government unit, the commissioner may seek payment of costs incurred under subdivision 3 or 4 from any state aid payments, except payments made under section 115A.557, subdivision 1, otherwise due the local government unit. The commissioner of revenue, after being notified by the commissioner that the local government unit has failed to pay costs incurred under subdivision 3 or 4 and the amount due, shall pay an annual proportionate amount of the state aid payment into the landfill cleanup account that will, over a period of no more than five years, satisfy the liability of the local government unit for the commissioner's costs.

Subd. 7. [DISQUALIFICATION; PERMITS.] If an owner or operator of a qualified facility that is not a local government unit does not undertake closure and postclosure care in compliance with subdivision 2 and the commissioner spends money from the landfill cleanup account established in section 115B.42 to complete closure or undertake postclosure care at the facility under subdivision 3, the owner or operator is ineligible to obtain a state or local permit or license to engage in a business that manages solid waste. Failure of an owner or operator to complete closure and postclosure care at a qualified facility is prima facie evidence of the lack of fitness of that owner or operator to conduct a solid waste business and is grounds for revocation of any solid waste business permit or license held by that owner or operator.

Subd. 8. [POTENTIALLY RESPONSIBLE PERSON.] To expedite listing of a qualified facility under the landfill cleanup program in section 115B.41, a person who is potentially liable for response costs at the facility under sections 115B.01 to 115B.24, if the facility is not included in the landfill cleanup program, may undertake closure or postclosure care under an agreement with the commissioner in compliance with subdivision 2.

Sec. 3. [115B.41] [LANDFILL CLEANUP PROGRAM.]

Subdivision 1. [ESTABLISHMENT.] The commissioner shall establish a landfill cleanup program to respond to releases of hazardous substances, pollutants and contaminants, and decomposition gases from qualified land disposal facilities that have been listed as included in the program in compliance with subdivision 2. The commissioner shall ensure that the program established under this section incorporates the same environmental and public health and welfare standards for responding to releases that are required under sections 115B.01 to 115B.24.

Subd. 2. [IDENTIFICATION OF QUALIFIED FACILITIES.] (a) By September 1, 1994, the commissioner shall inspect each potentially qualified facility to determine the status of closure activities and to evaluate groundwater conditions at the facility. The commissioner may undertake activities necessary to:

- (1) evaluate the adequacy of final cover, slopes, vegetation, and erosion control;
- (2) determine the presence and concentration of hazardous substances, pollutants and contaminants, and decomposition gases; and
- (3) determine the boundaries of fill areas.

(b) The commissioner shall notify the owner or operator of each facility of whether closure is complete and whether postclosure care is adequate under the owner's or operator's responsibility for closure and postclosure care under section 115B.40, subdivision 2. If closure is incomplete or postclosure care is inadequate, the commissioner shall notify, at the earliest practical date, the owner or operator of what actions need to be taken to comply with section 115B.40, subdivision 2. When closure is complete and postclosure care is adequate, the commissioner shall list the facility under the landfill cleanup program.

(c) For a facility that has been properly closed under section 115B.40, subdivision 2, but for which the closure requirements are less environmentally protective than closure requirements in the solid waste rules in effect on January 1, 1993, the commissioner shall determine whether the facility should be closed to the higher standards and, if so, shall undertake additional closure activities at the facility to meet those standards. The commissioner may determine that additional closure activities are unnecessary only if it is likely that response actions will be taken in the near future and that those response actions will disrupt, will be counterproductive to, or will otherwise make unnecessary the additional closure activities.

Subd. 3. [PRIORITIES FOR CLEANUP.] (a) For the purpose of responding to releases of hazardous substances, pollutants and contaminants, or decomposition gases at qualified facilities that have been listed under the landfill cleanup program under subdivision 2, the commissioner shall establish a priority list to be periodically revised to include additional facilities and to reflect changing conditions at facilities that affect priority for response actions. The initial priority list must be established by January 1, 1995.

(b) The priority list required under this section must be based on the relative risk or danger to public health or welfare or the environment, taking into account to the extent possible the population at risk, the hazardous potential of the hazardous substances at the facility, the potential for contamination of drinking water supplies, the potential for direct human contact, and the potential for destruction of sensitive ecosystems.

Subd. 4. [RESPONSE TO RELEASES.] The commissioner may take any response action, including emergency action, related to a release of a hazardous substance, pollutant or contaminant, or decomposition gas from a listed qualified facility that the commissioner deems necessary to protect the public health or welfare or the environment. The commissioner may undertake detailed studies necessary to determine necessary response actions at individual facilities. The commissioner may develop general work plans rather than detailed studies for facilities with similar characteristics. Prior to selecting appropriate response actions for a facility, the commissioner shall hold at least one public informational meeting near the facility and provide for receiving and responding to comments related to the selection. The commissioner shall design, implement, and provide oversight consistent with the response actions selected under this subdivision. Before money may be spent from the landfill cleanup account for response cost at a facility, the commissioner shall access and expend all funds available for response under section 116.07, subdivision 4h, at that facility.

Subd. 5. [DUTY TO PROVIDE INFORMATION.] Any person who the commissioner has reason to believe has or may obtain information related to the generation, composition, transportation, treatment, or disposal of waste in a mixed municipal solid waste disposal facility or who has or may obtain information related to the ownership or operation of a facility shall furnish to the commissioner or the commissioner's designee any information that person may have or may reasonably obtain that is relevant to a release or threatened release at a facility.

Subd. 6. [ACCESS TO INFORMATION AND PROPERTY.] The commissioner or a person designated by the commissioner, on presentation of credentials, may:

(1) examine and copy any books, papers, records, memoranda, or data of any person who has a duty to provide information to the agency under subdivision 5; and

(2) enter upon any property, public or private, for the purpose of taking any action authorized by this section including obtaining information from any person who has a duty to provide the information under subdivision 5, conducting surveys or investigations, and taking response action.

This subdivision and subdivision 5 are enforceable under sections 115.071 and 116.072. Costs, including court costs, attorney fees, and administrative costs, to enforce this subdivision must be recovered in an enforcement action under this subdivision.

Subd. 7. [ACQUISITION AND DISPOSITION OF REAL PROPERTY.] The commissioner may acquire and dispose of real property the commissioner deems necessary for response actions related to a qualified facility under section 115B.17, subdivisions 15 and 16.

Subd. 8. [AFFECTED REAL PROPERTY; NOTICE.] (a) The commissioner shall provide to affected local government units, to be available as public information, and shall make available to others, on request, a description of the real property described in the original and any revised permits for a qualified facility, along with a description of activities that will be or have been taken on the property under sections 115B.40 to 115B.43 and a reasonably accurate description of the types, locations, and potential movement of hazardous substances, pollutants and

contaminants, or decomposition gases related to the facility. The commissioner shall provide and make this information available at the time the facility is listed under the landfill cleanup program; shall revise, provide, and make the information available when response actions, other than long-term maintenance actions, have been completed; and shall revise the information over time if significant changes occur that make the information obsolete or misleading.

(b) A local government unit that receives information from the commissioner under paragraph (a) shall incorporate that information in any land use plan that includes the affected property and shall notify any person who applies for a permit related to development of the affected property of the existence of the information and, on request, provide a copy of the information.

Subd. 9. [ENVIRONMENTAL LIEN.] An environmental lien for response costs incurred by the commissioner under sections 115B.39 to 115B.45 attaches, under sections 514.671 to 514.676, to all the real property described in the original and any revised permits for a qualified facility from the date the first assessment, closure, postclosure care, or response activities related to the facility are undertaken by the commissioner. For the purposes of filing an environmental lien under this subdivision, the term "cleanup action" as used in sections 514.671 to 514.676 includes all of the costs incurred by the commissioner to assess, close, maintain, monitor, and respond to releases at qualified facilities under sections 115B.39 to 115B.45. Notwithstanding section 514.672, subdivision 4, a lien under this paragraph takes precedence over all other liens on the property regardless of when the other liens were or are perfected.

Subd. 10. [CONTRACTS.] The commissioner shall, to the extent practicable, ensure that contracts for activities or consulting services under this section are entered into with contractors or consultants located within the region where the facility subject to the contracts is located. The commissioner shall tailor specifications in requests for proposals to the types of activities or services that need to be undertaken at a specific facility or group of facilities located in the same region and shall not include specifications that require specialized expertise or laboratory work not available within the region unless it is necessary to do so to meet the requirements of this section. The commissioner may not issue a request for proposals for a statewide contract for an activity or a service under this section unless no contractor or consultant located outside the metropolitan area is able to undertake the specific activity or service contemplated by the request on a regional basis.

Sec. 4. Minnesota Statutes 1992, section 115B.42, subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT; APPROPRIATION; SEPARATE ACCOUNTING.] (a) The landfill cleanup account is established in the environmental fund in the state treasury and is appropriated to the commissioner for the purposes listed in subdivision 2. The account consists of money credited to the account and interest earned on the money in the account.

(b) The commissioner of finance shall separately account for revenue deposited in the account from financial assurance funds or other mechanisms, the metropolitan landfill contingency action trust fund, state bond proceeds, and all other sources of revenue.

Sec. 5. Minnesota Statutes 1993 Supplement, section 115B.42, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURES.] ~~Subject to appropriation,~~ (a) Money in the account may be spent ~~for~~ by the commissioner to:

- (1) ~~inspection of~~ inspect permitted mixed municipal solid waste disposal facilities to:
 - (i) ~~evaluate the adequacy of final cover, slopes, vegetation, and erosion control;~~

 - (iii) ~~determine the boundaries of fill areas; and~~
- (2) ~~response actions at mixed municipal solid waste disposal facilities under chapter 115B;~~

(2) monitor and take, or reimburse others for, response actions, including emergency response actions, at listed qualified facilities;

- (3) engage in closure and postclosure care activities under sections 115B.40 and 115B.41;
 - (4) acquire and dispose of property under section 115B.41, subdivision 6;
 - (5) recover costs under sections 115B.40 and 115B.43;
 - (6) administer sections 115B.39 to 115B.45;
 - (7) enforce sections 115B.39 to 115B.45;
 - (8) reimburse persons under subdivision 3; and
 - (9) pay mediation expenses or defense costs for third-party claims for response costs under state or federal law as provided in section 115B.44.
- (b) Money in the account received as revenue from the following sources may be spent only for the stated purposes:
- (1) revenue from a financial assurance fund or other mechanism must be spent first for activities under sections 115B.40 and 115B.41 at the listed qualified facility for which the fund or other mechanism was established until exhausted or until that facility no longer needs funds from the account, whichever occurs first;
 - (2) revenue from the metropolitan landfill contingency action trust fund must be spent for activities under sections 115B.40 and 115B.41 at listed qualified facilities located in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington;
 - (3) revenue from state bond proceeds may be spent for activities under sections 115B.40 and 115B.41 only at publicly owned listed qualified facilities and for reimbursement under subdivision 3 for response costs incurred at facilities that were publicly owned when the response costs were incurred; and
 - (4) revenue from all other sources may be spent for any of the purposes in clauses (1) to (3); for activities under sections 115B.40 and 115B.41 at listed qualified facilities that are not publicly owned; for reimbursement under subdivision 3 for response costs incurred at facilities that were not publicly owned at the time the response costs were incurred; and for the expenses of the commissioner of the agency for administering and enforcing sections 115B.39 to 115B.45.
- (c) Any money in the account received as revenue from a financial assurance fund or other mechanism that remains after the facility for which the fund or other mechanism was established no longer needs funds from the account may be spent as specified in paragraph (b), clause (4).

Sec. 6. Minnesota Statutes 1992, section 115B.42, is amended by adding a subdivision to read:

Subd. 3. [REIMBURSEMENT.] (a) The commissioner shall use eight percent of the revenue deposited in the landfill cleanup account from state bond proceeds and sources other than financial assurance funds or other mechanisms and other than the metropolitan landfill contingency action trust fund in each fiscal year to reimburse persons, on request, in the following order of priority:

(1) private or public solid waste generators who have remitted or promised to remit, after request by a responsible person or group of responsible persons, an amount to the responsible persons or group of responsible persons for response costs at a listed qualified facility or at a disposal facility that would be a qualified facility except that it meets the criteria in section 115B.40, subdivision 1, clause (1) or (2), and against whom the responsible person or group of responsible persons does not have a judicial determination of responsibility for the response costs under federal law or state law;

(2) a local government unit that is the owner or operator of a listed qualified facility for money spent for response action at the facility that was approved by the agency and that exceeds the liability limits of section 115B.04, subdivision 4;

(3) a private owner or operator or other responsible person or group of responsible persons for money spent for construction costs for response actions at a listed qualified facility that were approved by the agency and that exceed \$1,200,000 if the person halts all cost recovery actions against other potentially responsible persons as of the effective date of this subdivision and agrees not to initiate any cost recovery actions related to the facility in the future;

(4) a local government unit that is the owner or operator of a permitted solid waste disposal facility that stopped accepting waste by April 9, 1994, and that is not otherwise qualified for the landfill cleanup program under section 115B.40, subdivision 1, clause (1) or (2), under the conditions and in the amounts specified in clause (2); and

(5) a private owner or operator or other responsible person or group of responsible persons related to a permitted solid waste disposal facility that is not otherwise qualified for the landfill cleanup program under section 115B.40, subdivision 1, clause (1) or (2), under the conditions and in the amounts specified in clause (3).

(b) To determine the annual amount of reimbursement for each eligible person, the commissioner shall accept applications for reimbursement until June 1 of each year. The commissioner shall determine the total amount available for reimbursement and, by July 1 of each year, shall reimburse those eligible under paragraph (a), clause (1), and if funds remain, those eligible under paragraph (a), clause (2), then under paragraph (a), clause (3), then under paragraph (a), clause (4), and finally under paragraph (a), clause (5). Whenever there are insufficient funds to provide reimbursement to all those eligible under a single clause in any given year, the commissioner shall divide the amount available on a proportional basis among those eligible and shall continue to reimburse them as funds become available in future years until all of them have been fully reimbursed. For the purposes of paragraph (a), clause (1), the entire amount remitted by a solid waste generator to a responsible person or group of responsible persons is deemed to be for response costs.

Sec. 7. Minnesota Statutes 1992, section 115B.42, is amended by adding a subdivision to read:

Subd. 4. [REPORT.] By October 1 of each odd-numbered year, the commissioner shall report to the legislative commission on waste management and to the appropriate finance committees of the house of representatives and the senate on the commissioner's activities under sections 115B.39 to 115B.45.

Sec. 8. [115B.43] [RELATION TO OTHER LAW; LIABILITY PROVISIONS.]

Subdivision 1. [LIABILITY FOR RELEASE.] (a) Section 115B.04 does not govern liability for:

(1) a release or threatened release of a hazardous substance or pollutant or contaminant from a listed qualified facility for which all the expected costs of response to the release or threatened release have been encumbered from the landfill cleanup account; or

(2) a release or a threatened release from a listed qualified facility that requires emergency response as long as there is sufficient money in the landfill cleanup account to pay for the emergency response.

(b) Notwithstanding paragraph (a), the commissioner may recover under section 115B.17, subdivision 6, that portion of the costs of a response action or emergency response action attributable to a person who otherwise would be responsible for the release or threatened release under sections 115B.03 and 115B.04 and whose actions related to the release or threatened release were in violation of federal or state hazardous waste management laws in effect at the time of those actions. The commissioner's determination of the portion of the costs of a response action attributable to a person under this paragraph, based on the volume and hazardous nature of the waste in the facility associated with the person and other factors reasonably related to the contribution of the person to the release or threatened release, is prima facie evidence that those costs are attributable to that person.

Subd. 2. [STATE LIABILITY.] Neither the commissioner, the agency, nor the state assumes liability under sections 115B.01 to 115B.24, for a release or threatened release from a facility for which funds are expended from the landfill cleanup account and for which the state had no liability prior to implementation of the landfill cleanup program, unless a response action taken by the commissioner aggravates or contributes to a release or threatened release, in which case the state is liable only for the response costs related to its contribution to the release.

Sec. 9. [115B.44] [THIRD-PARTY CLAIMS; MEDIATION; DEFENSE.]

Subdivision 1. [THIRD-PARTY CLAIMS; DEFINITION.] For the purposes of this section, "third-party claims" means claims made against solid waste generators by a responsible person or group of responsible persons under state or federal law for payment of response costs and related costs at a permitted mixed municipal solid waste disposal facility when the claimant or claimants do not have factual evidence that the persons against whom the claims are made ever contributed a hazardous substance or pollutant or contaminant to the facility.

Subd. 2. [MEDIATION.] A third-party claim or group of third-party claims that all arise from the same facility may be submitted to mediation under the Minnesota civil mediation act, sections 572.31 to 572.40. The costs of mediation must be allocated equally between the person or persons against whom the claims are made and the person or persons making the claims.

Subd. 3. [PARTIAL REIMBURSEMENT.] A person or persons against whom one or more third-party claims are made may seek reimbursement from the commissioner of one-half of the costs of mediation allocated to the person or persons under subdivision 2. The commissioner shall reimburse the person or persons that request reimbursement unless the commissioner finds that the mediation was not entered into and conducted in good faith by the person or persons seeking reimbursement.

Subd. 4. [DEFENSE COSTS.] If a person or persons against whom one or more third-party claims are made request the person or persons making the claims to submit the claims to mediation and the claimants refuse to submit to mediation or if the person or persons against whom third-party claims are made enter into and conduct the mediation in good faith but the mediation fails to resolve the claims, the person or persons, in cooperation with other persons against whom third-party claims have been made that arise from the same facility, may retain legal counsel to defend them against the claims and may seek partial reimbursement from the commissioner for reasonable attorney fees. The commissioner shall provide partial reimbursement for reasonable attorney fees under this subdivision of \$..... per hour for a maximum number of hours to be established by the commissioner by rule. The maximum number of hours for reimbursement must increase as the number of persons who collectively retain legal counsel to defend against related claims increases but need not increase proportionately to the increase in the number of persons seeking collective defense. Under no circumstances may a person or group of persons receive reimbursement of more than 75 percent of their reasonable attorney fees under this subdivision.

Sec. 10. [115B.45] [RULES.]

The commissioner may adopt rules necessary to implement sections 115B.39 to 115B.44.

Sec. 11. [POLLUTION CONTROL AGENCY COMPLEMENT; TRANSFER.]

For the purposes of implementing and administering the landfill cleanup program, the existing approved complement of the pollution control agency is adjusted by transferring to the landfill cleanup program:

- (1) 16 positions presently funded by the state environmental response, compensation, and compliance account;
- (2) eight positions presently funded by federal funds; and
- (3) two positions presently funded by the metropolitan landfill contingency action trust account.

(e) A person who transports assessed waste generated by that person or by another person without compensation shall pay an assessment of 54 cents per noncompacted cubic yard or the equivalent to the operator of the facility to which the waste is delivered. The operator shall remit the assessments collected under this paragraph to the commissioner of revenue as though they were sales taxes under chapter 297A.

(7) a person who is unable to obtain or retain employment because advanced age significantly affects the person's ability to seek or engage in substantial work; and

(8) a pregnant woman, if it has been medically verified that the child is expected to be born within the next six months.

The commissioners shall present to the 1995 legislature a statewide phased-in implementation plan, starting in counties designated by the commissioners which includes employability assessment criteria, feasibility of colocation of services, and a description of the modifications that the commissioners recommend. The plan must identify needed federal waivers, evaluation criteria, state plan amendments, and other approvals under the AFDC and job opportunities and basic skills (JOBS) program. The commissioner's plan must include implementation of the project by October 1, 1995, or after the necessary waivers are approved, whichever is later. The commissioners shall also provide to the legislature by February 1, 1997, a report which includes a comparison of the immediate job search project under section 35 and the project implemented under this section.

Sec. 3. [256.0282] [RESTRUCTURING OF PROJECT STRIDE.]

The commissioners of human services and jobs and training shall develop recommendations to restructure the program entitled "success through reaching individual development and employment" (STRIDE), under sections 256.73 to 256.739, to effectively and efficiently employ AFDC recipients. The commissioners shall identify modifications necessary to implement the following principles:

(1) employment is the expected program outcome;

(2) training and education will be used primarily to enhance job skills of employed participants;

(3) adequate support services shall remain available until the recipient achieves employment that provides wages that enable the recipient to be self-sufficient;

(4) aggressive development of job markets;

(5) extended post-placement follow-up to retain current employment or move to better jobs;

(6) concurrent services which combine education and employment;

(7) within the limits of available funding, certain categories of AFDC recipients shall be required to participate in project STRIDE services after two years; and

(8) failure to participate will result in termination of assistance for noncompliant participants under the Family Support Act of 1988.

The commissioners shall present to the 1995 legislature a plan which includes specific categories for mandatory participants and a description of the modifications that the commissioners recommend within existing appropriations. The proposal must identify needed federal waivers, state plan amendments, and other approvals under the AFDC and JOBS programs.

Sec. 4. Minnesota Statutes 1993 Supplement, section 256.031, subdivision 3, is amended to read:

Subd. 3. [AUTHORIZATION FOR THE DEMONSTRATION.] (a) The commissioner of human services, in consultation with the commissioners of education, finance, jobs and training, health, and planning, and the director of the higher education coordinating board, is authorized to proceed with the planning and designing of the Minnesota family investment plan and to implement the plan to test policies, methods, and cost impact on an experimental basis by using field trials. The commissioner, under the authority in section 256.01, subdivision 2, shall implement the plan according to sections 256.031 to 256.0361 and Public Law Numbers 101-202 and 101-239, section 8015, as amended. If major and unpredicted costs to the program occur, the commissioner may take corrective action consistent with Public Law Numbers 101-202 and 101-239, which may include termination of the program. Before taking such corrective action, the commissioner shall consult with the chairs of the senate family services committee, the house health and human services committee, the health care and family services division of the senate family services and health care committees and the human services division of the house health and human services committee, or, if the legislature is not in session, consult with the legislative advisory commission.

(b) The field trials shall be conducted as permitted under federal law, for as many years as necessary, and in different geographical settings, to provide reliable instruction about the desirability of expanding the program statewide.

(c) The commissioner shall select the counties which shall serve as field trial or comparison sites based on criteria which ensure reliable evaluation of the program.

(d) The commissioner is authorized to determine the number of families and characteristics of subgroups to be included in the evaluation.

(i) A family that applies for or is currently receiving financial assistance from aid to families with dependent children; family general assistance or work readiness; or food stamps may be tested for eligibility for aid to families with dependent children or family general assistance and may be assigned by the commissioner to a test or a comparison group for the purposes of evaluating the family investment plan. A family found not eligible for aid to families with dependent children or family general assistance will be tested for eligibility for the food stamp program. If found eligible for the food stamp program, the commissioner may randomly assign the family to a test group, comparison group, or neither group. Families assigned to a test group receive benefits and services through the family investment plan. Families assigned to a comparison group receive benefits and services through existing programs. A family may not select the group to which it is assigned. Once assigned to a group, an eligible family must remain in that group for the duration of the project.

(ii) To evaluate the effectiveness of the family investment plan, the commissioner may designate a subgroup of families from the test group who shall be exempt from section 256.035, subdivision 1, and shall not receive case management services under section 256.035, subdivision 6a. Families are eligible for services under section 256.736 to the same extent as families receiving AFDC.

(e) After field trials have begun, the commissioner may extend field trials of the Minnesota family investment plan to Ramsey county with county board consent. This extension of the field trials may be executed only if permitted under federal law, and is subject to federal approval. Ramsey county shall coordinate efforts with the community when developing the service delivery plan under section 256.0361, subdivision 1.

Sec. 5. Minnesota Statutes 1992, section 256.73, is amended by adding a subdivision to read:

Subd. 3b. [ELIGIBILITY NOT BARRED BY WORKING OVER 99 HOURS; PAST EMPLOYMENT HISTORY; AND 30-DAY WAITING PERIOD.] An individual receiving assistance may work over 99 hours per month and remain eligible for assistance, provided all other requirements of the aid to families with dependent children are met. The applicant is not required to demonstrate past employment history or 30 days of prior unemployment to be eligible for AFDC-unemployed parent.

Sec. 6. Minnesota Statutes 1992, section 256.73, is amended by adding a subdivision to read:

Subd. 5a. [PARENTING OR PREGNANT MINORS; RESTRICTION ON ASSISTANCE WITH FEDERAL EXCEPTIONS.] (a) The definitions in this paragraph apply to this subdivision.

(1) "Minor parent" means an individual who:

(i) is under the age of 18;

(ii) has never been married or otherwise legally emancipated; and

(iii) is either the natural parent of a dependent child living in the same household or eligible for assistance paid to a pregnant woman under subdivision 5.

(2) "Household of a parent, legal guardian, or other adult relative" means the place of residence of:

(i) a natural or adoptive parent;

(ii) a legal guardian pursuant to appointment or acceptance under section 260.242, 525.615, or 525.6165, and related laws; or

(iii) another individual who is age 18 or over and related to the minor parent as specified in Code of Federal Regulations, title 45, section 233.90(c)(1)(v), provided that the residence is maintained as a home for the minor parent and child under Code of Federal Regulations, title 45, section 233.90(c)(1)(v)(B).

(3) "Adult-supervised supportive living arrangement" means a private family setting which assumes responsibility for the care and control of the minor parent and dependent child, or other living arrangement (not including a public institution) which ensures that the minor parent receives supportive services, such as counseling, guidance, independent living skills training, or supervision.

(b) A minor parent and the dependent child who is in the care of the minor parent must reside in the household of a parent, legal guardian, or other adult relative, or in an adult-supervised supportive living arrangement in order to receive AFDC unless:

(1) the minor parent has no living parent or legal guardian whose whereabouts is known;

(2) no living parent or legal guardian of the minor parent allows the minor parent to live in the parent's or legal guardian's home;

(3) the minor parent lived apart from the minor parent's own parent or legal guardian for a period of at least one year before either the birth of the dependent child or the parent's having made application for AFDC;

(4) the physical or emotional health or safety of the minor parent or dependent child would be jeopardized if they resided in the same residence with the minor parent's parent or legal guardian; or

(5) there is good cause for the minor parent and dependent child to receive assistance while living apart from the minor parent's parent, legal guardian, or other adult relative, or an adult supervised supportive living arrangement in that the minor parent and dependent child have, on the effective date of this section, been living independently as part of an approved social services plan for less than the one-year period required under clause (3).

(c) Minor applicants must be informed orally and in writing about the eligibility requirements and their rights and obligations under the program. The county must advise the minor of the possible exemptions and specifically ask whether one or more of these exemptions is applicable. If the minor alleges one or more of these exemptions, then the county must assist the minor in attaining the necessary verifications to ensure whether or not these exemptions apply.

(d) If the county worker has reason to suspect that the physical or emotional health or safety of the minor parent or dependent child would be jeopardized if they resided with the minor parent's parent or legal guardian, then the county worker must make a referral to child protective services to determine if paragraph (b), clause (4), applies.

(e) If a minor parent is not living with a parent or legal guardian due to paragraph (b), clause (2) or (4), the minor parent must reside, when possible, in a living arrangement that meets the standards of paragraph (a), clause (3).

(f) When a minor parent and his or her dependent child live with the minor parent's parent, legal guardian, or other adult relative, or in an adult supervised supportive living arrangement, then AFDC must be paid, when possible, in the form of a protective payment on behalf of the minor parent and dependent child in accordance with Code of Federal Regulations, title 45, section 234.60.

Sec. 7. Minnesota Statutes 1993 Supplement, section 256.73, subdivision 8, is amended to read:

Subd. 8. [RECOVERY OF OVERPAYMENTS.] (a) Except as provided in subdivision 8a, if an amount of aid to families with dependent children assistance is paid to a recipient in excess of the payment due, it shall be recoverable by the county agency. The agency shall give written notice to the recipient of its intention to recover the overpayment.

(b) When an overpayment occurs, the county agency shall recover the overpayment from a current recipient by reducing the amount of aid payable to the assistance unit of which the recipient is a member for one or more monthly assistance payments until the overpayment is repaid. All county agencies in the state shall reduce the assistance payment by three percent of the assistance unit's standard of need or the amount of the monthly payment, whichever is less, for all overpayments whether or not the overpayment is due solely to agency error. If the overpayment is due solely to having wrongfully obtained assistance, whether based on a court order, the finding of an administrative fraud disqualification hearing or a waiver of such a hearing, or a confession of judgment containing an admission of an intentional program violation, the amount of this reduction shall be ten percent. In cases when there is both an overpayment and underpayment, the county agency shall offset one against the other in correcting the payment.

(c) Overpayments may also be voluntarily repaid, in part or in full, by the individual, in addition to the above aid reductions, until the total amount of the overpayment is repaid.

(d) The county agency shall make reasonable efforts to recover overpayments to persons no longer on assistance in accordance with standards adopted in rule by the commissioner of human services. The county agency need not attempt to recover overpayments of less than \$35 paid to an individual no longer on assistance if the individual does not receive assistance again within three years, unless the individual has been convicted of fraud under section 256.98.

Sec. 8. Minnesota Statutes 1992, section 256.73, is amended by adding a subdivision to read:

Subd. 8a. [START WORK OFFSET.] An overpayment resulting from earned income received in the first month of employment is not recoverable by the county agency provided the aid to families with dependent children assistance unit has not previously received a start work offset. A "start work offset" for purposes of this subdivision is the amount of the overpayment the assistance unit would otherwise be required to pay to the county under subdivision 8. This exception to subdivision 8 is available every two years to an aid to families with dependent children assistance unit. The commissioner shall commence the payment of start work grants with families who earn their way off AFDC beginning in January 1, 1995. The commissioner shall use state appropriated funds as necessary for this grant program but shall make all best efforts to leverage federal matching funds for this grant program. The commissioner shall include the start work grant program as part of any AFDC waiver request made to the federal government subsequent to the effective date of this section.

Sec. 9. Minnesota Statutes 1992, section 256.736, subdivision 5, is amended to read:

Subd. 5. [EXTENSION OF EMPLOYMENT AND TRAINING OPPORTUNITIES.] The commissioner of human services shall cooperate with the commissioner of jobs and training and the commissioner of trade and economic development to extend the availability of training and employment opportunities on a statewide basis and to assist local employment advisory groups convened under this subdivision. The county welfare agency may convene an employment advisory group consisting of representatives from the local chamber of commerce, from major area employers, from secondary and post-secondary educational institutions in the community, and from job services offices operated by the commissioner of jobs and training under chapter 268. The county welfare agency shall work with the local employment advisory group to maximize the job opportunities for welfare clients.

Sec. 10. Minnesota Statutes 1993 Supplement, section 256.736, subdivision 10, is amended to read:

Subd. 10. [COUNTY DUTIES.] (a) To the extent of available state appropriations, county boards shall:

(1) refer all mandatory and eligible volunteer caretakers permitted to participate under subdivision 3a to an employment and training service provider for participation in employment and training services;

(2) identify to the employment and training service provider the target group of which the referred caretaker is a member;

(3) provide all caretakers with an orientation which meets the requirements in subdivisions 10a and 10b;

(4) work with the employment and training service provider to encourage voluntary participation by caretakers in the target groups;

- (5) work with the employment and training service provider to collect data as required by the commissioner;
- (6) to the extent permissible under federal law, require all caretakers coming into the AFDC program to attend orientation;
- (7) encourage nontarget caretakers to develop a plan to obtain self-sufficiency;
- (8) notify the commissioner of the caretakers required to participate in employment and training services;
- (9) inform appropriate caretakers of opportunities available through the head start program and encourage caretakers to have their children screened for enrollment in the program where appropriate;
- (10) provide transportation assistance using available funds to caretakers who participate in employment and training programs;
- (11) ensure that orientation, job search, services to custodial parents under the age of 20, educational activities and work experience for AFDC-UP families, and case management services are made available to appropriate caretakers under this section, except that payment for case management services is governed by subdivision 13;
- (12) explain in its local service unit plan under section 268.88 how it will ensure that target caretakers determined to be in need of social services are provided with such social services. The plan must specify how the case manager and the county social service workers will ensure delivery of needed services;
- (13) to the extent allowed by federal laws and regulations, provide a job search program as defined in subdivision 14, a community work experience program as defined in section 256.737, grant diversion as defined in section 256.739, and on-the-job training as defined in section 256.738. A county may also provide another work and training program approved by the commissioner and the secretary of the United States Department of Health and Human Services. Planning and approval for employment and training services listed in this clause must be obtained through submission of the local service unit plan as specified under section 268.88. A county is not required to provide a community work experience program if the county agency is successful in placing at least 40 percent of the monthly average of all caretakers who are subject to the job search requirements of subdivision 14 in grant diversion or on-the-job training program;
- (14) prior to participation, provide an assessment of each AFDC recipient who is required or volunteers to participate in an approved employment and training service. The assessment must include an evaluation of the participant's (i) educational, child care, and other supportive service needs; (ii) skills and prior work experience; and (iii) ability to secure and retain a job which, when wages are added to child support, will support the participant's family. The assessment must also include a review of the results of the early and periodic screening, diagnosis and treatment (EPSDT) screening and preschool screening under chapter 123, if available; the participant's family circumstances; and, in the case of a custodial parent under the age of 18, a review of the effect of a child's development and educational needs on the parent's ability to participate in the program;
- (15) develop an employability development plan for each recipient for whom an assessment is required under clause (14) which: (i) reflects the assessment required by clause (14); (ii) takes into consideration the recipient's physical capacity, skills, experience, health and safety, family responsibilities, place of residence, proficiency, child care and other supportive service needs; (iii) is based on available resources and local employment opportunities; (iv) specifies the services to be provided by the employment and training service provider; (v) specifies the activities the recipient will participate in, including the worksite to which the caretaker will be assigned, if the caretaker is subject to the requirements of section 256.737, subdivision 2; (vi) specifies necessary supportive services such as child care; (vii) to the extent possible, reflects the preferences of the participant; and (viii) includes a written agreement between the county agency and the caregiver that outlines a reasonable schedule for completing the plan, including specific completion deadlines, and confirms that (A) there is a market for full-time employees with this education or training where the caregiver will or is willing to reside upon completion of the program; (B) the average wage level for employees with this education or training is greater than the caregiver can earn without this education or training; (C) the caregiver has the academic ability to successfully complete the program; and (D) there is a reasonable expectation that the caregiver will complete the training program based on such factors as the caregiver's previous education, training, work history, current motivation, and changes in previous circumstances; and (ix) specifies the recipient's long-term employment goal which shall lead to self-sufficiency;

(16) obtain the written or oral concurrence of the appropriate exclusive bargaining representatives with respect to job duties covered under collective bargaining agreements to assure that no work assignment under this section or sections 256.737, 256.738, and 256.739 results in: (i) termination, layoff, or reduction of the work hours of an employee for the purpose of hiring an individual under this section or sections 256.737, 256.738, and 256.739; (ii) the hiring of an individual if any other person is on layoff from the same or a substantially equivalent job; (iii) any infringement of the promotional opportunities of any currently employed individual; (iv) the impairment of existing contracts for services or collective bargaining agreements; or (v) except for on-the-job training under section 256.738, a participant filling an established unfilled position vacancy; and

(17) assess each caretaker in an AFDC-UP family who is under age 25, has not completed high school or a high school equivalency program, and who would otherwise be required to participate in a work experience placement under section 256.737 to determine if an appropriate secondary education option is available for the caretaker. If an appropriate secondary education option is determined to be available for the caretaker, the caretaker must, in lieu of participating in work experience, enroll in and meet the educational program's participation and attendance requirements. "Secondary education" for this paragraph means high school education or education designed to prepare a person to qualify for a high school equivalency certificate, basic and remedial education, and English as a second language education. A caretaker required to participate in secondary education who, without good cause, fails to participate shall be subject to the provisions of subdivision 4a and the sanction provisions of subdivision 4, clause (6). For purposes of this clause, "good cause" means the inability to obtain licensed or legal nonlicensed child care services needed to enable the caretaker to attend, inability to obtain transportation needed to attend, illness or incapacity of the caretaker or another member of the household which requires the caretaker to be present in the home, or being employed for more than 30 hours per week.

(b) Funds available under this subdivision may not be used to assist, promote, or deter union organizing.

(c) A county board may provide other employment and training services that it considers necessary to help caretakers obtain self-sufficiency.

(d) Notwithstanding section 256G.07, when a target caretaker relocates to another county to implement the provisions of the caretaker's case management contract or other written employability development plan approved by the county human service agency, its case manager or employment and training service provider, the county that approved the plan is responsible for the costs of case management and other services required to carry out the plan, including employment and training services. The county agency's responsibility for the costs ends when all plan obligations have been met, when the caretaker loses AFDC eligibility for at least 30 days, or when approval of the plan is withdrawn for a reason stated in the plan, whichever occurs first. Responsibility for the costs of child care must be determined under chapter 256H. A county human service agency may pay for the costs of case management, child care, and other services required in an approved employability development plan when the nontarget caretaker relocates to another county or when a target caretaker again becomes eligible for AFDC after having been ineligible for at least 30 days.

Sec. 11. Minnesota Statutes 1992, section 256.737, is amended by adding a subdivision to read:

Subd. 7. [INJURY PROTECTION FOR WORK EXPERIENCE PARTICIPANTS.] (a) [COVERAGE.] Any claims or demands against any person or entity arising out of an injury or death of an AFDC or Work Readiness recipient participating in a community work experience program (CWEP) under this section or any work experience program established and operated by a county under this chapter or chapter 256D, shall be presented, heard, and determined as provided in this subdivision.

(b) [EVALUATION OF CLAIMS.] A claim under this subdivision shall be investigated by the county human services agency responsible for supervising the recipient to determine if the claim is valid. The county agency shall submit all valid claims to the department of human services. The department shall consult with the department of labor and industry in evaluating any claim for permanent partial disability and in any claim arising from the death of a participant. The department shall award an amount for reasonable medical care and the amount recommended by the department of labor and industry for permanent partial disability as impairment compensation. No amount may be awarded for pain and suffering or income maintenance.

(c) [PAYMENT OF CLAIMS.] The department shall pay any claim of \$1,000 or less as quickly as possible, but in no event more than three months from the date the participant agrees to accept settlement of the claim. A claim in excess of \$1,000 shall be paid under the legislative claim procedure. On or before the first day of the legislative session, the department shall submit to the joint senate/house subcommittee on claims a list of the claim paid during

the preceding calendar year. The department shall be reimbursed by legislative appropriation for any claims that exceed the original appropriation provided to the department to operate the program. Any unspent monies from this fund shall carry over to the second year of the biennium, and any unspent monies remaining at the end of the second year shall be returned to the state general fund.

(d) [APPEAL.] Any claim that is rejected by the department may be presented to the joint senate/house subcommittee on claims under the legislative claims procedure.

(e) [EXCLUSIVE REMEDY.] The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies against the state, its political subdivisions, or employees of the state or its political subdivisions. The recipient shall not be entitled to seek damages under any state or county insurance policy or self-insurance program.

(f) [EVALUATION; REPORT.] No later than January 15, 1996, the department shall report to the chairs of the human services policy and funding committees of the senate and house of representatives on its evaluation of the implementation of this subdivision in fiscal year 1995. The department shall also examine alternative methods for providing injury protection for workers covered by this section including state operated risk pools and other forms of coverage. The department shall promptly make an interim report to the legislature of any significant problems that arise in the implementation of this subdivision.

Sec. 12. Minnesota Statutes 1992, section 256.74, is amended by adding a subdivision to read:

Subd. 6. [STUDY OF STATE SUPPLEMENTARY PAYMENTS.] The commissioner of human services shall study and report back on a plan for providing supplemental payments for recipients of aid to families with dependent children whose income is reduced or terminated as a result of a reduction in the rate of pay, reduction in numbers of hours worked, or reduction in court ordered or agreed upon support, but whose assistance under the AFDC program is not adjusted accordingly because of the operation of retrospective budgeting procedures. The amount of assistance must be sufficient to ensure that the assistance unit's income equals, but does not exceed, the standard of assistance in the aid to families with dependent children program for an assistance unit of like size and composition. A recipient shall not be eligible for supplementary assistance if the recipient voluntarily, and without good cause attributable to the employer, discontinued his or her employment with such employer or was discharged for misconduct connected with work or for misconduct which interferes with or adversely affects employment. The commissioner's report shall provide information on the projected number of families likely to be eligible for supplementary payments during the 1996-1997 biennium; and on the costs, including administrative costs, of making those payments to eligible recipients. The report shall be presented to the legislature by February 15, 1995.

Sec. 13. Minnesota Statutes 1992, section 256.81, is amended to read:

256.81 [COUNTY AGENCY, DUTIES.]

(1) The county agency shall keep such records, accounts, and statistics in relation to aid to families with dependent children as the state agency shall prescribe.

(2) Each grant of aid to families with dependent children shall be paid to the recipient by the county agency unless paid by the state agency. Payment must be by check or electronic means except in those instances in which the county agency, subject to the rules of the state agency, determines that payments for care shall be made to an individual other than the parent or relative with whom the dependent child is living or to vendors of goods and services for the benefit of the child because such parent or relative is unable to properly manage the funds in the best interests and welfare of the child. There is a presumption of mismanagement of funds whenever a recipient is more than 30 days in arrears on payment of rent. In cases of mismanagement based solely on failure to pay rent, the county may vendor the rent payments to the landlord. At the request of a recipient, the state or county may make payments directly to vendors of goods and services, but only for goods and services appropriate to maintain the health and safety of the child, as determined by the county.

(3) The state or county may ask the recipient to give written consent authorizing the state or county to provide advance notice to a vendor before vendor payments of rent are reduced or terminated. Whenever possible under state and federal laws and regulations and if the recipient consents, the state or county shall provide at least 30 days notice to vendors before vendor payments of rent are reduced or terminated. If 30 days notice cannot be given, the state or county shall notify the vendor within three working days after the date the state or county becomes aware that vendor payments of rent will be reduced or terminated. When the county notifies a vendor that vendor payments

of rent will be reduced or terminated, the county shall include in the notice that it is illegal to discriminate on the grounds that a person is receiving public assistance and the penalties for violation. The county shall also notify the recipient that it is illegal to discriminate on the grounds that a person is receiving public assistance and the procedures for filing a complaint. The county agency may develop procedures, including using the MAXIS system, to implement vendor notice and may charge vendors a fee not exceeding \$5 to cover notification costs.

(4) A vendor payment arrangement is not a guarantee that a vendor will be paid by the state or county for rent, goods, or services furnished to a recipient, and the state and county are not liable for any damages claimed by a vendor due to failure of the state or county to pay or to notify the vendor on behalf of a recipient, except under a specific written agreement between the state or county and the vendor or when the state or county has provided a voucher guaranteeing payment under certain conditions.

(5) The county shall be paid from state and federal funds available therefor the amount provided for in section 256.82.

(6) Federal funds available for administrative purposes shall be distributed between the state and the counties in the same proportion that expenditures were made except as provided for in section 256.017.

(7) The commissioner and affected county may require that assistance paid under the aid to families with dependent children emergency assistance program in the form of a rental unit damage deposit, less any amount retained by the landlord to pay for property damage, be returned to the county when the assistance unit vacates the premises. The damage deposit funds shall be returned to the county only in those cases where the recipient will need the funds to secure a new rental, in which case the funds shall be paid to the recipient's new landlord as a vendor payment.

Sec. 14. Minnesota Statutes 1993 Supplement, section 256.87, subdivision 1, is amended to read:

Subdivision 1. [ACTIONS AGAINST PARENTS AND FINANCIALLY RESPONSIBLE GRANDPARENTS FOR ASSISTANCE FURNISHED.] For the purposes of this section, a financially responsible grandparent is a natural or adoptive parent of a minor whose dependent child is not living in the grandparents' home. This responsibility can extend to either maternal or paternal grandparents. A minor for purposes of this section is anyone not legally emancipated. A parent or financially responsible grandparent of a child is liable for the amount of assistance furnished under sections 256.031 to 256.0361, 256.72 to 256.87, or under Title IV-E of the Social Security Act or medical assistance under chapter 256, 256B, or 256D to and for the benefit of the child, including any assistance furnished for the benefit of the caretaker of the child, which the parent or financially responsible grandparent has had the ability to pay. The parent's ability to pay must be determined according to chapter 518. The financially responsible grandparent's ability to pay may be determined according to chapter 518. The parent's or financially responsible grandparent's liability is limited to the two years immediately preceding the commencement of the action, except that where child support has been previously ordered, the state or county agency providing the assistance, as assignee of the obligee, shall be entitled to judgments for child support payments accruing within ten years preceding the date of the commencement of the action up to the full amount of assistance furnished. The action may be ordered by the state agency or county agency and shall be brought in the name of the county by the county attorney of the county in which the assistance was granted, or by the state agency against the parent or financially responsible grandparent for the recovery of the amount of assistance granted, together with the costs and disbursements of the action. The provisions of this subdivision do not apply if the income of the financially responsible grandparent has already been used to determine the child's eligibility for public assistance.

Sec. 15. Minnesota Statutes 1993 Supplement, section 256.87, subdivision 1a, is amended to read:

Subd. 1a. [CONTINUING SUPPORT CONTRIBUTIONS.] In addition to granting the county or state agency a money judgment, the court may, upon a motion or order to show cause, order continuing support contributions by a parent or financially responsible grandparent found able to reimburse the county or state agency. The order shall be effective for the period of time during which the recipient receives public assistance from any county or state agency and thereafter. The order shall require support according to chapter 518. The financially responsible grandparent's ability to pay may be determined according to chapter 518. An order for continuing contributions is reinstated without further hearing upon notice to the parent or financially responsible grandparent by any county or state agency that assistance is again being provided for the child of the parent or financially responsible grandparent under sections 256.031 to 256.0361, 256.72 to 256.87, or under Title IV-E of the Social Security Act or medical assistance under chapter 256, 256B, or 256D. The notice shall be in writing and shall indicate that the parent or financially responsible grandparent may request a hearing for modification of the amount of support or maintenance.

Sec. 16. Minnesota Statutes 1993 Supplement, section 256.87, subdivision 5, is amended to read:

Subd. 5. [CHILD NOT RECEIVING ASSISTANCE.] A person or entity having physical and legal custody of a dependent child not receiving assistance under sections 256.72 to 256.87 has a cause of action for child support against the child's absent parents or absent financially responsible grandparent. Upon an order to show cause and a motion served on the absent parent or absent financially responsible grandparent, the court shall order child support payments from the absent parent under chapter 518. The absent financially responsible grandparent's ability to pay may be determined according to chapter 518. The commissioner must report to the chairs of the human services policy and funding committees of the legislature by January 1, 1996, on the implementation of the amendments to this subdivision, and to subdivisions 2 and 2a, relating to grandparent responsibility.

Sec. 17. Minnesota Statutes 1992, section 256.979, is amended by adding a subdivision to read:

Subd. 9. [ACCRUAL OF SUPPORT OBLIGATIONS.] The commissioner of human services shall seek a waiver from the secretary of the Department of Health and Human Services to enable the agency to accrue child support payments received on behalf of both AFDC and non-AFDC clients until the sum total of the money owed by the state agency to the client is at least \$10. Obligors shall be assessed a processing fee of \$10 to be retained by the county agency in every instance when both of the following conditions exist:

- (1) the obligor pays less than the required monthly support obligation; and
- (2) that reduced payment would result in a child support payment to an AFDC or non-AFDC client of less than \$10 for that month.

Sec. 18. Minnesota Statutes 1992, section 256.983, subdivision 1, is amended to read:

Subdivision 1. [PROGRAMS ESTABLISHED.] Within the limits of available appropriations, and to the extent required or authorized by applicable federal regulations, the commissioner of human services shall require the establishment of fraud prevention investigation programs in the seven counties participating in the fraud prevention investigation pilot project established under section 256.983, and in 11 additional Minnesota counties with the largest aid to families with dependent children program caseloads as of July 1, 1991. If funds are sufficient, the commissioner may also extend fraud prevention investigation programs to: (1) other counties that have welfare fraud control programs already in place based on enhanced funding contracts covering the fraud investigation function; and (2) counties that have the largest aid to families with dependent children caseloads as of July 1, 1993, and are not currently participating in the fraud prevention investigation pilot project. The pilot project may be expanded provided the expansion is budget neutral to the state.

Sec. 19. [256.9850] [IDENTITY VERIFICATION.]

The commissioner of human services shall seek from the secretary of health and human services all necessary waivers of the requirements of the program of aid to families with dependent children, to enable the commissioner to establish a statewide program to test the effectiveness of identity verification systems in the electronic benefit transfer systems in the state AFDC program. Identity verification provisions shall be added to the statewide requests for proposal on the expansion of electronic benefit transfer systems in the AFDC program.

Sec. 20. Minnesota Statutes 1992, section 256D.05, subdivision 6, is amended to read:

Subd. 6. [ASSISTANCE FOR PERSONS WITHOUT A VERIFIED RESIDENCE.] (a) For applicants or recipients of general assistance, emergency general assistance, or work readiness assistance who do not have a verified residence address, the county agency may provide assistance using one or more of the following methods:

- (1) the county agency may provide assistance in the form of vouchers or vendor payments and provide separate vouchers or vendor payments for food, shelter, and other needs;
- (2) the county agency may divide the monthly assistance standard into weekly payments, whether in cash or by voucher or vendor payment. Nothing in this clause prevents the county agency from issuing voucher or vendor payments for emergency general assistance in an amount less than the standards of assistance; and
- (3) the county agency may determine eligibility and provide assistance on a weekly basis. Weekly assistance can be issued in cash or by voucher or vendor payment and can be determined either on the basis of actual need or by prorating the monthly assistance standard.

(b) An individual may verify a residence address by providing a driver's license; a state identification card; a statement by the landlord, apartment manager, or homeowner verifying that the individual is residing at the address; or other written documentation approved by the commissioner.

(c) Notwithstanding the provisions of section 256D.06, subdivision 1, if the county agency elects to provide assistance on a weekly payment basis, the agency may not provide assistance for a period during which no need is claimed by the individual unless the individual has good cause for failing to claim need. The individual must be notified, each time weekly assistance is provided, that subsequent weekly assistance will not be issued unless the individual claims need. The advance notice required under section 256D.10 does not apply to weekly assistance that is withheld because the individual failed to claim need without good cause.

(d) The county agency may not issue assistance on a weekly basis to an applicant or recipient who has professionally certified mental illness or mental retardation or a related condition, or to an assistance unit that includes minor children, unless requested by the assistance unit.

(4) for the purposes of clauses (2) and (3), the county agency may divide the monthly assistance standard as follows: \$50 per week for each of the first three weeks, and the remainder for the fourth week.

Sec. 21. Minnesota Statutes 1992, section 256D.09, is amended by adding a subdivision to read:

Subd. 5. [VENDOR PAYMENTS TO LANDLORDS.] The commissioner and affected county may require that assistance paid under the emergency general assistance program in the form of a rental unit damage deposit, less any amount retained by the landlord to pay for property damage, be returned to the county when the recipient vacates the premises. The damage deposit funds shall be returned to the county only in those cases where the recipient will need the funds to secure a new rental, in which case the funds shall be paid to the recipient's new landlord as a vendor payment.

Sec. 22. Minnesota Statutes 1992, section 256D.09, is amended by adding a subdivision to read:

Subd. 6. [RECOVERY OF OVERPAYMENTS.] (a) If an amount of general assistance, family general assistance, or work readiness assistance is paid to a recipient in excess of the payment due, it shall be recoverable by the county agency. The agency shall give written notice to the recipient of its intention to recover the overpayment.

(b) When an overpayment occurs, the county agency shall recover the overpayment from a current recipient by reducing the amount of aid payable to the assistance unit of which the recipient is a member, for one or more monthly assistance payments, until the overpayment is repaid. All county agencies in the state shall reduce the assistance payment by three percent of the assistance unit's standard of need or the amount of the monthly payment, whichever is less, for all overpayments whether or not the overpayment is due solely to agency error. The amount of this reduction is ten percent, if the overpayment is due solely to having wrongfully obtained assistance, whether based on:

(1) a court order;

(2) the finding of an administrative fraud disqualification hearing or the waiver of such a hearing; or

(3) a confession of judgment containing an admission of an intentional program violation.

In cases when there is both an overpayment and underpayment, the county agency shall offset one against the other in correcting the payment.

(c) Overpayments may also be voluntarily repaid, in part or in full, by the individual, in addition to the aid reductions provided in this subdivision, until the total amount of the overpayment is repaid.

(d) The county agency shall make reasonable efforts to recover overpayments to persons no longer on assistance under standards adopted in rule by the commissioner of human services. The county agency need not attempt to recover overpayments of less than \$35 paid to an individual no longer on assistance if the individual does not receive assistance again within three years, unless the individual has been convicted of violating section 256.98.

Sec. 23. Minnesota Statutes 1992, section 256H.03, subdivision 2b, is amended to read:

Subd. 2b. [FUNDING PRIORITY.] (a) First priority must be given to parents who have completed their first AFDC transition year.

(b) Second priority for child care assistance under the basic sliding fee program must be given to eligible non-AFDC families who do not have a high school or general equivalency diploma or who need remedial and basic skill courses in order to pursue employment or to pursue education leading to employment. Within this priority, the following subpriorities must be used:

- (1) child care needs of minor parents;
- (2) child care needs of parents under 21 years of age; and
- (3) child care needs of other parents within the priority group described in this paragraph.

~~(b) Second priority must be given to parents who have completed their AFDC transition year.~~

Sec. 24. Minnesota Statutes 1992, section 256H.05, subdivision 1b, is amended to read:

Subd. 1b. [ELIGIBLE RECIPIENTS.] Families eligible for guaranteed child care assistance under the AFDC child care program are:

- (1) persons receiving services under section 256.736;
- (2) AFDC recipients who are employed;
- (3) persons who are members of first year transition year families under section 256H.01, subdivision 16;
- (4) members of the control group for the STRIDE evaluation conducted by the Manpower Demonstration Research Corporation; and
- (5) AFDC caretakers who are participating in the non-STRIDE AFDC child care program; and
- (6) persons participating in the immediate job search pilot project in Hennepin and Otter Tail counties.

Sec. 25. Minnesota Statutes 1992, section 268.672, subdivision 6, is amended to read:

Subd. 6. [ELIGIBLE JOB APPLICANT.] "Eligible job applicant" means a person who: (1) has been a resident of this state for at least one month, (2) is unemployed, (3) is not receiving and is not qualified to receive unemployment compensation or workers' compensation, and (4) is determined to be likely to be available for employment by an eligible employer for the duration of the job, and (5) is participating in the immediate job search pilot project in Hennepin and Otter Tail counties.

For the purposes of this subdivision, a farmer or any member of a farm family household who can demonstrate severe household financial need must be considered unemployed.

Sec. 26. Minnesota Statutes 1992, section 268.6751, is amended by adding a subdivision to read:

Subd. 3. [PILOT PROJECT SUBSIDIES.] The commissioner shall allocate wage subsidy funds for pilot project programs related to welfare reform. The commissioner shall allocate funds to counties selected to participate in pilot projects by determining each county's proportionate share of AFDC and family general assistance cases.

Sec. 27. [STUDY AND REPORT.]

The commissioner of human services shall report to the chairs of the human services policy and funding committees of the legislature by January 15, 1995, recommendations for establishing a statewide employment and training program for unemployed noncustodial parents modeled after the national parent's fair share pilot project. The report shall include cost estimates and must be developed in consultation with the departments of trade and economic development and jobs and training, and with counties that participate in the national pilot project and other interested counties.

Sec. 28. [STUDY OF STATE STANDARD OF NEED.]

The commissioner shall conduct a study of, and make recommendations on, the state standard of need and payment levels in the AFDC program. The study shall be conducted in accordance with the requirements of federal law and the requirements of this section. In conducting the study the commissioner shall make detailed findings on

the cost of the following in Minnesota: shelter, food, clothing, fuel, transportation, and other basic needs. The commissioner shall also consider regional differences within the state in determining the cost of items included in the standard of need budget. In all cost estimates, the commissioner shall take into account the ages of the AFDC recipients, most specifically the fact that most of the recipients are children whose needs, particularly for food and clothing items, may exceed that of adults. The commissioner shall also examine various options for enabling working families on AFDC to retain more of their earnings, including the option of increasing the state standard of need, alone, or in concert with various "fill-the-gap" budgeting systems that could be used to determine assistance levels for working AFDC families. The commissioner shall present the report with recommendations to the chairs of the human services policy and funding committees of the legislature by February 15, 1995.

Sec. 29. [CHILD CARE COOPERATIVES STUDY.]

The commissioner of human services shall determine the feasibility of operation and use of child care cooperatives by AFDC recipients who are working or attending school.

The commissioner shall present to the 1995 legislature the results of the determination and statewide phased-in implementation plan starting with counties designated by the commissioner, but including at a minimum, at least one rural and one metro county. The plan must ensure parental choice of a provider that best suits the family needs, identify evaluation criteria, state plan amendments, state legislation waivers, and all other information that is necessary to implement the plan.

Sec. 30. [CONSULT AND PROVIDE INFORMATION ON CHANGES NEEDED IN FEDERAL PROGRAMS.]

The commissioner of human services, in consultation with the commissioners of jobs and training and the Minnesota housing finance agency, shall consult with appropriate federal agencies about changes needed in federal law:

(1) to expand federal Housing and Urban Development (HUD) public housing programs to better meet the needs of homeless families;

(2) to improve the fit of supplemental security income (SSI) programs with the aid to families with dependent children (AFDC) program; and

(3) to create a national standard of need and a national formula for benefit payments in the program of aid to families with dependent children.

The commissioner of human services shall provide information on the results of these consultations to the chairs of the human services policy and funding committees of the legislature by February 15, 1995, with recommendations.

Sec. 31. [JOINT EFFORT; INCENTIVES TO WORK.]

The departments of human services and revenue must jointly design a plan which provides the following monetary supplements on a monthly basis to working families: federal and state earned income tax credits, renters credit/housing subsidy, dependent care credit. The commissioner shall report the recommendations in the plan to the chairs of the human services policy and funding committees of the legislature by January 1, 1995.

Sec. 32. [STUDY OF WORK FIRST AND IMMEDIATE JOB SEARCH PROPOSALS.]

The commissioners of the departments of human services and jobs and training shall examine the requirements of sections 2 and 35 and, in consultation with Hennepin county, Otter Tail county, and other counties, to develop recommendations to merge the different approaches in the two sections into a single program. The commissioners shall submit the recommendations to the legislature by January 15, 1995. The recommendations shall include implementation in at least both counties in the 1995 fiscal year and allow flexibility among counties in designing the types of service, employment programs, and delivery systems to fit local conditions and priorities. The recommendations must also identify needed federal waivers, evaluation criteria, state plan amendments, and other actions needed to implement the recommendations.

Sec. 33. [PARENTS' FAIR SHARE; MANDATORY COMMUNITY WORK EXPERIENCE.]

The parents' fair share (PFS) pilot project shall include a mandatory community work experience component for participants who fail to comply with other requirements of the pilot project.

Sec. 34. [FEDERAL WAIVER PACKAGE.]

Subdivision 1. [REQUEST.] The department of human services shall make a single request for the waivers listed in this section to the United States Department of Health and Human Services. The waivers in the package support and encourage AFDC recipients to move from reliance on welfare to self-sufficiency. The commissioner shall explore alternatives to the waiver evaluation process, which is required by the federal government, in an effort to reduce costs of the evaluation, and develop a cost-effective evaluation process for the waiver package in this section. The commissioner shall investigate the feasibility of the following: one evaluation for the entire waiver package, consolidation of evaluation efforts for the same or similar waiver with another state, completion of the evaluation internally, possibly by the office of legislative auditor, and other alternatives. The commissioner shall also notify the revisor of statutes when each waiver is approved by the federal government.

Subd. 2. [WAIVER TO DISALLOW PARENTAL INCOME OF A PREGNANT OR PARENTING MINOR LIVING WITH PARENTS.] The commissioner shall seek a waiver from the filing unit requirement, Code of Federal Regulations, title 45, section 206.10(a)(1)(vii), for minor parents who live with a parent who is on AFDC with other dependent children so that the minor can get the same separate need standard as they would get if the parent were not on AFDC. The commissioner shall also seek a waiver to disregard all parental income if the parent is on AFDC with other children; and if the parent is not on AFDC with other children, to disregard 150 percent of the federal poverty guideline and deem the remainder of income under Code of Federal Regulations, title 45, section 233.20(a)(3)(xviii), provided the parental income does not exceed 150 percent of poverty. If the commissioner experiences barriers or complications in preparing the waiver under this subdivision, the commissioner shall report back to the legislature for clarification. This should not delay the requests for the other waivers under this section. The commissioner shall also explore how the waivers under this subdivision will affect other programs, and report to the legislature potential waivers to provide necessary consistency across programs. The general policy in requesting these waivers is to keep the family intact and give the minor parent, the dependent child, and the grandparent an incentive to continue living together as a family. That incentive is providing the minor parent with a grant, probably based on a two-child standard, without taking a grant away from the grandparent. These waivers encourage a minor parent to remain living with the parent by reducing the barriers to receiving assistance. The waiver authorized by this subdivision shall not be implemented until after January 1, 1995.

Subd. 3. [WAIVER OF THE 100-HOUR RULE; WORK HISTORY REQUIREMENT; 30-DAY WAITING PERIOD REQUIREMENT.] The commissioner shall seek a waiver to eliminate the 100-hour rule under Code of Federal Regulations, title 45, section 233.100(a)(1)(i); the eligibility requirement for past employment history under Code of Federal Regulations, title 45, section 233.100(a)(3)(iii); and the requirement for a 30-day waiting period under Code of Federal Regulations, title 45, section 233.100(a)(3)(i).

Subd. 4. [WAIVER OF MOTOR VEHICLE RESOURCE LIMIT.] The commissioner shall seek a waiver to increase the maximum equity value of a licensed motor vehicle, which can be excluded as a resource under the federal regulations, from \$1,500 to the level permitted under the federal Food Stamp Program. This waiver is essential for AFDC recipients who need reliable transportation to participate in education, work, and training to become self-sufficient.

Subd. 5. [WAIVER TO ALLOW STUDENTS TO EARN INCOME WITHOUT AFFECTING THE PARENT AFDC GRANT AND ALLOW A SEPARATE SAVINGS ACCOUNT FOR EDUCATION AND EMPLOYMENT NEEDS.] The commissioner shall seek a waiver of the federal regulation which includes the earned income of dependent children and minor caretakers who are attending school at least half-time when determining eligibility for AFDC. The commissioner shall also seek a waiver which allows savings set aside in a separate account specifically for future education or employment needs be excluded from the AFDC resource limits.

Subd. 6. [PARENTING SKILLS TRAINING; WAIVER FOR BONUS.] The commissioner of human services shall seek a waiver of federal requirements in the program of aid to families with dependent children to enable Hennepin county to provide and fund a special one-time bonus of \$50 to both the custodial and noncustodial parent in recipient families who attend a county-approved program of ten hours or more in parent skills training. This waiver shall be part of the waiver request described in section 35, and if approved, shall be implemented in Hennepin county on the same time schedule as section 35.

Subd. 7. [IMPLEMENTATION.] The commissioner shall notify the chairs of the human services policy and funding committees of the senate and house of representatives when the waivers authorized by this section are received. The commissioner shall provide details on the substance of the federal requirements for each waiver received. No waiver shall be implemented until approved by the legislature.

Subd. 8. [STUDY OF WORK INCENTIVE FOR EMPLOYED DISABLED PERSONS.] The commissioner shall analyze the cost of a work incentive for disabled persons eligible for medical assistance who are not residents of long-term care facilities. The work incentive shall be a medical assistance earned income disregard for employed disabled persons equivalent to the threshold amount applied to persons who qualify under section 1619(b) of the Social Security Act, except that when a disabled person's earned income reaches the maximum income permitted at the threshold under section 1619(b), the person shall retain medical assistance eligibility and must contribute to the costs of medical care on a sliding fee basis. The commissioner shall report back to the chairs of the human services policy and funding committees of the legislature by February 15, 1995, on the cost of this work incentive with timetables for implementation.

Sec. 35. [IMMEDIATE JOB SEARCH; PILOT PROJECT.]

Subdivision 1. [PILOT PROJECT.] Hennepin county and Otter Tail county shall develop and implement a pilot project which requires AFDC and family general assistance recipients not previously entered on the MAXIS computer system to begin immediate job search.

Subd. 2. [PROGRAM REQUIREMENTS.] (a) Recipients who become eligible for assistance on or after January 1, 1995, in Otter Tail county and on or after October 1, 1995, in Hennepin county, or after necessary waivers have been obtained, whichever occurs later, shall be screened by a financial eligibility worker as follows:

(1) recipients who have serious barriers to employment and may be eligible for Supplemental Security Income shall be referred for a Supplemental Security Income assessment according to the procedures in Minnesota Statutes, section 256D.06, subdivision 7; and

(2) all other recipients shall immediately participate in the existing job search program in the county for up to 60 days, except:

(i) those persons exempt under Minnesota Statutes, section 256.736, subdivision 14, provided that the exemption for a caretaker providing full-time care for the child is only available while the child is under the age of one; and

(ii) persons participating in the Minnesota family investment program under Minnesota Statutes, section 256.033.

(b) Participation in job search under paragraph (a) is a condition of eligibility for AFDC and family general assistance.

(c) Recipients under paragraph (a), clause (2), that have not become employed within 60 days may be referred to a multidisciplinary team of qualified professionals for an employability development plan which:

(i) will take into account the needs of the recipient's physical capacity, skills, experience, health and safety, family responsibilities, place of residence, proficiency, child care, and other support service needs;

(ii) is based on available resources and local employment opportunities;

(iii) specifies the services to be provided by the employment and training service provider;

(iv) specifies the activities the recipient will participate in, including the worksite to which the caretaker will be assigned, if the caretaker is subject to the requirements of Minnesota Statutes, section 256.737, subdivision 2;

(v) specifies necessary supportive services such as child care; and

(vi) to the extent possible, reflects the preferences of the participant. The employability development plan must be completed 90 days after applying for assistance.

(d) Recipients who are successful in gaining employment during job search are eligible for job-related child care until they qualify for sliding fee child care assistance.

(e) Recipients who have not become employed after completing their employability plan may be referred to the emergency jobs program under Minnesota Statutes, section 268.673.

Subd. 3. [WAGE SUBSIDY FOR PILOT PROJECT.] For the purposes of this pilot project, the wage subsidy funding under Minnesota Statutes, section 268.6751, must be allocated to Hennepin and Otter Tail counties by determining the number of AFDC and family general assistance cases in each county as a percentage of the total AFDC and family general assistance state caseload, provided that the total appropriation for this purpose shall be allocated to the rural county until October 1, 1995. The appropriation may be used for persons in any stage of the pilot project.

Subd. 4. [PRIORITIZATION OF CLIENTS.] The project must include criteria to prioritize clients if sufficient funds are not available to serve all eligible clients.

Subd. 5. [WORKER DISPLACEMENT PROHIBITED.] (a) For purposes of work performed by an individual with an employer whose employees are covered by a collective bargaining agreement, a pilot project county must obtain the written concurrence of the appropriate exclusive bargaining representative with respect to the individual's job duties to ensure that no work performed results in:

- (1) termination, layoff, or reduction of the work hours of an employee for the purpose of hiring an individual;
- (2) the hiring of an individual if any other person is on layoff from the same or a substantially equivalent job;
- (3) any infringement of the promotional opportunities of any currently employed individual;
- (4) the impairment of existing contracts for service or collective bargaining agreements; or

(5) except for on-the-job training, a participant filling an established unfilled position vacancy. Work established under this pilot project must also result in an increase in employment opportunities over those which would otherwise be available.

(b) For purposes of this section a pilot project county and bargaining units representing public employees may enter into agreements that provide for the training of individuals, on-the-job experience, or work experience training provided that such arrangements result in permanent employment. If the permanent employment is with a public employer, wages and benefits must be provided according to collectively bargained agreements.

Subd. 6. [PUBLIC WORKS.] The commissioners of the department of jobs and training and the department of human services shall work with Hennepin and Otter Tail counties to develop a plan to implement a public works employment program that requires:

(1) the development of a public works employment project and the creation of a public works labor force pool of program recipients who may be contracted to other taxing jurisdictions, agencies, and companies to provide a range of employment;

(2) a long-term economic impact statement to empirically measure the economic benefits of public employment efforts on the property tax base, new income tax revenue, reductions in crime rates, and other criteria; and

(3) public works employment to focus on projects that address the core factors leading to poverty, that improve property values, reduce welfare dependency, and that improve housing and reduce crime.

Subd. 7. [REPORT.] The commissioner shall provide to the chairs of the human services policy and funding committees of the legislature by February 1, 1997, a progress report on the pilot project. The report must include recommendations on whether the project should be continued.

Sec. 36. [APPROPRIATIONS.]

Subdivision 1. [APPROPRIATIONS.] The appropriations in this section, except for subdivision 10, are from the general fund to the commissioner of human services and are available for the fiscal year ending June 30, 1995, and are added to or subtracted from the appropriation in Laws 1993, First Special Session chapter 1, article 1, section 2.

Subd. 2. [PARENT'S FAIR SHARE PILOT PROJECT.] \$500,000 is appropriated for the following purposes:

(a) \$300,000 for a grant to Ramsey county to enable the county to participate in the parent's fair share pilot project. This money is available only if Ramsey county is accepted for participation in the national pilot project. As a condition of this grant, the commissioner may require a local match from the county.

(b) \$50,000 each added to the appropriations to Anoka and Dakota counties for costs associated with the parent's fair share pilot project.

(c) \$100,000 for costs associated with the mandatory community work experience component of the parents' fair share pilot project.

(1) paying the expenses of planning and implementing the food stamp outreach program; and

(2) in those counties where only 15 to 30 percent of persons below 125 percent of the poverty level are participating in the food stamp program, contracting with community organizations and groups to conduct food stamp outreach programs. These programs should include one or more of the following objectives:

(i) provision of program referrals and program literature;

(ii) provision of support for the reduction of any stigma that may be attached to working with public assistance program administrators and clients;

(iii) provision of leadership in developing better understanding and greater acceptance of public assistance programs, including food stamps; and

(iv) provision of necessary and allowable expenses of persons participating in any food plan outreach program task force established by the commissioner.

S. F. No. 1898 was reported to the House.

Asch moved to amend S. F. No. 1898, the unofficial engrossment, as follows:

Page 1, after line 17, insert:

"Sec. 2. Minnesota Statutes 1992, section 62A.48, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract, or other evidence of coverage of nursing home care or other long-term care services shall be offered, issued, delivered, or renewed in this state, whether or not the policy is issued in this state, unless the policy is offered, issued, delivered, or renewed by a qualified insurer and the policy satisfies the requirements of sections 62A.46 to 62A.56. A long-term care policy must cover prescribed long-term care in nursing facilities and at least the prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Coverage under a long-term care policy A must include: a maximum lifetime benefit limit of at least \$50,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Prior hospitalization may not be required under a long-term care policy.

Coverage under either policy designation must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under either policy designation may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period; for purposes of this sentence, "days" means calendar days. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. No policy may require the insured to be homebound or house confined to receive home care services. The policy must include a provision that the plan will not be canceled or renewal refused except on the grounds of nonpayment of the premium, provided that the insurer may change the premium rate on a class basis on any policy anniversary date. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

No individual long-term care policy shall be offered or delivered in this state until the insurer has received from the insured a written designation of at least one person, in addition to the insured, who is to receive notice of cancellation of the policy for nonpayment of premium. The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two

additional persons is optional and must provide space clearly designated for listing between one and three persons. The designation shall include each person's full name, home address, and telephone number. Each time an individual policy is renewed or continued, the insurer shall notify the insured of the right to change this written designation.

The insurer may file a policy form that utilizes a plan of care prepared as provided under section 62A.46, subdivision 5, clause (1) or (2)."

Page 1, line 21, after the period, insert "Section 2 is effective the day following final enactment."

Amend the title as follows:

Page 1, line 4, after the semicolon, insert "regulating the waiting period in long-term care policies; amending Minnesota Statutes 1992, section 62A.48, subdivision 1;"

The motion prevailed and the amendment was adopted.

A family farm partnership does not cease to qualify as a family farm partnership because of a devise or bequest of interest in the partnership.

(i) "Authorized farm partnership" means a limited partnership meeting the following standards:

(1) it has been issued a certificate from the secretary of state or is registered with the county recorder and farming and ownership of agricultural land is stated as a purpose or character of the business;

(j) "Farmer" means a person who regularly participates in physical labor or operations management in the farmer's farming operation and files "Schedule F" as part of the person's annual Form 1040 filing with the United States Internal Revenue Service.

Sec. 2. Minnesota Statutes 1992, section 500.24, subdivision 3, is amended to read:

Subd. 3. [FARMING AND OWNERSHIP OF AGRICULTURAL LAND BY CORPORATIONS RESTRICTED.] No corporation, limited liability company, pension or investment fund, or limited partnership shall engage in farming; nor shall any corporation, limited liability company, pension or investment fund, or limited partnership, directly or indirectly, own, acquire, or otherwise obtain an interest, whether legal, beneficial or otherwise, in any title to real estate used for farming or capable of being used for farming in this state. Livestock that are delivered for slaughter or processing may be fed and cared for by a corporation up to 20 days prior to slaughter or processing. Provided, however, that the restrictions in this subdivision do not apply to corporations or partnerships in clause (b) and do not apply to corporations, limited partnerships, and pension or investment funds that record its name and the particular exception under clauses (a) to (s) under which the agricultural land is owned or farmed, have a conservation plan prepared for the agricultural land, report as required under subdivision 4, and satisfy one of the following conditions under clauses (a) to (s):

(a) a bona fide encumbrance taken for purposes of security;

(b) a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership as defined in subdivision 2 or a general partnership;

(c) agricultural land and land capable of being used for farming owned by a corporation as of May 20, 1973, or a pension or investment fund as of May 12, 1981, including the normal expansion of such ownership at a rate not to exceed 20 percent of the amount of land owned as of May 20, 1973, or, in the case of a pension or investment fund, as of May 12, 1981, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(d) agricultural land operated for research or experimental purposes with the approval of the commissioner of agriculture, provided that any commercial sales from the operation must be incidental to the research or experimental objectives of the corporation. A corporation, limited partnership, or pension or investment fund seeking to operate agricultural land for research or experimental purposes must submit to the commissioner a prospectus or proposal of the intended method of operation, containing information required by the commissioner including a copy of any operational contract with individual participants, prior to initial approval of an operation. A corporation, limited partnership, or pension or investment fund operating agricultural land for research or experimental purposes prior to May 1, 1988, must comply with all requirements of this clause except the requirement for initial approval of the project;

(e) agricultural land operated by a corporation or limited partnership for the purpose of raising breeding stock, including embryos, for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod. An entity that is organized to raise livestock other than dairy cattle under this clause after April 1, 1994, that does not meet the definition requirement for an authorized farm corporation must:

(1) sell all castrated animals to be fed out or finished by farming operations that are neither directly or indirectly owned by the business entity operating the breeding stock operation; and

(2) report its total production and sales annually to the commissioner of agriculture;

(f) agricultural land and land capable of being used for farming leased by a corporation or limited partnership in an amount, measured in acres, not to exceed the acreage under lease to such corporation as of May 20, 1973, or to the limited partnership as of May 1, 1988, and the additional acreage required for normal expansion at a rate not to exceed 20 percent of the amount of land leased as of May 20, 1973, for a corporation or May 1, 1988, for a limited partnership in any five-year period, and the additional acreage reasonably necessary to meet the requirements of pollution control rules;

(g) agricultural land when acquired as a gift (either by grant or a devise) by an educational, religious, or charitable nonprofit corporation or by a pension or investment fund or limited partnership; provided that all lands so acquired by a pension or investment fund, and all lands so acquired by a corporation or limited partnership which are not operated for research or experimental purposes, or are not operated for the purpose of raising breeding stock for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod must be disposed of within ten years after acquiring title thereto;

(h) agricultural land acquired by a pension or investment fund or a corporation other than a family farm corporation or authorized farm corporation, as defined in subdivision 2, or a limited partnership other than a family farm partnership or authorized farm partnership as defined in subdivision 2, for which the corporation or limited partnership has documented plans to use and subsequently uses the land within six years from the date of purchase for a specific nonfarming purpose, or if the land is zoned nonagricultural, or if the land is located within an incorporated area. A pension or investment fund or a corporation or limited partnership may hold such agricultural land in such acreage as may be necessary to its nonfarm business operation; provided, however, that pending the development of agricultural land for nonfarm purposes, such land may not be used for farming except under lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership, or except when controlled through ownership, options, leaseholds, or other agreements by a corporation which has entered into an agreement with the United States of America pursuant to the New Community Act of 1968 (Title IV of the Housing and Urban Development Act of 1968, United States Code, title 42, sections 3901 to 3914) as amended, or a subsidiary or assign of such a corporation;

(i) agricultural lands acquired by a pension or investment fund or a corporation or limited partnership by process of law in the collection of debts, or by any procedure for the enforcement of a lien or claim thereon, whether created by mortgage or otherwise; provided, however, that all lands so acquired be disposed of within ten years after acquiring the title if acquired before May 1, 1988, and five years after acquiring the title if acquired on or after May 1, 1988, acquiring the title thereto, and further provided that the land so acquired shall not be used for farming during the ten-year or five-year period except under a lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership. The aforementioned ten-year or five-year limitation period shall be deemed a covenant running with the title to the land against any grantee, assignee, or successor of the pension or investment fund, corporation, or limited partnership. Notwithstanding the five-year divestiture requirement under this clause, a financial institution may continue to own the agricultural land if the agricultural land is leased to the immediately preceding former owner, but must divest of the agricultural land within the ten-year period. Livestock acquired by a pension or investment fund, corporation, or limited partnership in the collection of debts, or by a procedure for the enforcement of lien or claim on the livestock whether created by security agreement or otherwise after the effective date of this act, must be sold or disposed of within one full production cycle for the type of livestock acquired or 18 months after the livestock is acquired, whichever is later;

(j) agricultural land acquired by a corporation regulated under the provisions of Minnesota Statutes 1974, chapter 216B, for purposes described in that chapter or by an electric generation or transmission cooperative for use in its business, provided, however, that such land may not be used for farming except under lease to a family farm unit, a family farm corporation, or a family farm partnership;

(k) agricultural land, either leased or owned, totaling no more than 2,700 acres, acquired after May 20, 1973, for the purpose of replacing or expanding asparagus growing operations, provided that such corporation had established 2,000 acres of asparagus production;

(l) all agricultural land or land capable of being used for farming which was owned or leased by an authorized farm corporation as defined in Minnesota Statutes 1974, section 500.24, subdivision 1, clause (d), but which does not qualify as an authorized farm corporation as defined in subdivision 2, clause (d);

(m) a corporation formed primarily for religious purposes whose sole income is derived from agriculture;

(n) agricultural land owned or leased by a corporation prior to August 1, 1975, which was exempted from the restriction of this subdivision under the provisions of Laws 1973, chapter 427, including normal expansion of such ownership or leasehold interest to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1975, in any five-year period and the additional ownership reasonably necessary to meet requirements of pollution control rules;

(o) agricultural land owned or leased by a corporation prior to August 1, 1978, including normal expansion of such ownership or leasehold interest, to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1978, and the additional ownership reasonably necessary to meet requirements of pollution control rules, provided that nothing herein shall reduce any exemption contained under the provisions of Laws 1975, chapter 324, section 1, subdivision 2;

(p) an interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, but limited to the farm on which one or more of those owners or shareholders have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

(q) agricultural land owned by a nursing home located in a city with a population, according to the state demographer's 1985 estimate, between 900 and 1,000, in a county with a population, according to the state demographer's 1985 estimate, between 18,000 and 19,000, if the land was given to the nursing home as a gift with the expectation that it would not be sold during the donor's lifetime. This exemption is available until July 1, 1995;

(r) the acreage of agricultural land and land capable of being used for farming owned and recorded by an authorized farm corporation as defined in Minnesota Statutes 1986, section 500.24, subdivision 2, paragraph (d), or a limited partnership as of May 1, 1988, including the normal expansion of the ownership at a rate not to exceed 20 percent of the land owned and recorded as of May 1, 1988, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(s) agricultural land owned or leased as a necessary part of an aquatic farm as defined in section 17.47, subdivision 3.

Sec. 3. [CORPORATE FARMING LAW TASK FORCE.]

Subdivision 1. [PURPOSE.] Current Minnesota law generally precludes corporations from owning farm land or operating a farming enterprise. Corporate farming law has been developed over a period of 14 decades, and the development has included numerous changes to accommodate shifting priorities in agriculture and a recognition that the economic and social climate of the state is not static. There is a concern whether current corporate farming law, especially as it relates to the breeding and raising of swine, represents the appropriate balance between protection of family farms and opportunity for creative new enterprise structures organized by multiple farmers. Farmers wish to support a corporate farming law that is in the overall best interest of production agriculture and preservation of the family farm unit as the main component of the agricultural economy in the state. The study, legislative report, and legislative recommendations authorized by this section will increase public and legislative understanding of the issues involved.

Subd. 2. [CREATION; MEMBERSHIP.] (a) There is hereby created a corporate farming law task force with ten members appointed as follows:

- (1) the chairs of the committees of the Minnesota senate and house of representatives, or their designees;
 - (2) two members of the Minnesota house of representatives appointed by the speaker of the house;
 - (3) one member of the Minnesota house of representatives appointed by the minority leader of the house;
 - (4) two members of the Minnesota senate appointed by the senate committee on rules and administration;
 - (5) one member of the Minnesota senate appointed by the minority leader of the senate;
 - (6) one member with education and experience in the area of agricultural economics appointed by the governor of Minnesota; and
 - (7) one member who is the operator of a production agriculture farm in Minnesota appointed by the governor.
- (b) Each of the appointing authorities must make their respective appointments not later than June 15, 1994.
- (c) Citizen members of the task force may be reimbursed for expenses as provided in Minnesota Statutes, section 15.059, subdivision 6.
- (d) The first meeting of the task force must be called and convened by the chairs of the agriculture committees of the senate and the house of representatives. Task force members will then elect a permanent chair from among the task force members.

Subd. 3. [CHARGE.] The task force must examine current and projected impacts of corporate farming structures on the economic, social, and environmental conditions and structures of rural Minnesota. The study should consider probable impacts on both agriculture related and nonagriculture businesses in rural communities. Issues of nonpoint source pollution and other environmental issues must also be considered.

Subd. 4. [RESOURCES; STAFF SUPPORT; CONTRACT SERVICES.] The commissioner of agriculture shall provide necessary resources and staff support for the meetings, hearings, activities, and report of the task force. To the extent the task force determines it appropriate to contract with nonstate providers for research or analytical services, the commissioner shall serve as the fiscal agent for the task force.

Subd. 5. [PUBLIC HEARINGS.] The task force shall hold at least four public hearings on the issue of corporate farming law, with specific emphasis on appropriate regulation of business structures involved in swine breeding and raising. At least three of the hearings must be held in greater Minnesota.

Subd. 6. [REPORT.] Not later than February 15, 1995, the corporate farming law task force shall report to the legislature on the findings of its study. The report must include recommendations for changes in Minnesota Statutes and rules of the department of agriculture that are negative to the best interests of production agriculture in the state and the economic, environmental, and social environment and preservation of the family farm.

Subd. 7. [EXPIRATION.] The corporate farming law task force expires 45 days after its report and recommendations are delivered to the legislature or on May 15, 1995, whichever date is earlier.

Subd. 8. [APPROPRIATION; CORPORATE FARMING LAW TASK FORCE.] \$25,000 is appropriated from the general fund to the commissioner of agriculture to provide staff and research support for the corporate farming law task force."

"Sec. 11. Minnesota Statutes 1993 Supplement, section 124A.03, subdivision 2, is amended to read:

Subd. 2. [REFERENDUM REVENUE.] (a) The revenue authorized by section 124A.22, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be conducted during the calendar year before the increased levy authority, if approved, first becomes payable. Only one election to approve an increase may be held in a calendar year. Unless the referendum is conducted by mail under paragraph (g), the referendum must be held on the first Tuesday after the first Monday in November. The ballot shall state the maximum amount of the increased revenue per actual pupil unit, the estimated referendum tax rate as a percentage of market value in the first year it is to be levied, and that the revenue shall be used to finance school operations. The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot shall designate the specific number of years, not to exceed five ten, for which the referendum authorization shall apply. The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of, School District No. ..., be approved?"

If approved, an amount equal to the approved revenue per actual pupil unit times the actual pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The school board shall prepare and deliver by first class mail at least 15 days but no more than 30 days prior to the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The school board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy, if any, in annual dollars and annual percentage for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. A referendum to revoke or reduce the levy amount must be based upon the dollar amount, local tax rate, or amount per actual pupil unit, that was stated to be the basis for the initial authorization. Revenue approved by the voters of the district pursuant to paragraph (a) must be received at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) A petition authorized by paragraph (a) or (c) shall be effective if signed by a number of qualified voters in excess of 15 percent of the registered voters of the school district on the day the petition is filed with the school board. A referendum invoked by petition shall be held on the date specified in paragraph (a).

(e) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(f) At least 15 days prior to the day of the referendum, the district shall submit a copy of the notice required under paragraph (b) to the commissioner of education. Within 15 days after the results of the referendum have been certified by the school board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district shall notify the commissioner of education of the results of the referendum.

(g) Any referendum under this section held on a day other than the first Tuesday after the first Monday in November must be conducted by mail in accordance with section 204B.46. Notwithstanding paragraph (b) to the contrary, in the case of a referendum conducted by mail under this paragraph, the notice required by paragraph (b) shall be prepared and delivered by first class mail at least 20 days before the referendum."

"ARTICLE 1

LEGISLATIVE FINDINGS; NATURAL DISASTER RELIEF

Section 1. [FINDINGS.]

The legislature finds that the Minnesota agricultural economy and rural communities have been severely damaged by natural disasters in 1993. Cold weather, heavy snows, excessive rainfall, floods, near total crop failures, and grain diseases drastically reduced the income of farm families and the economic vitality of small towns throughout the state. The legislature further finds that it is in the public interest to act promptly to provide assistance to farm operators and small businesses to restore economic stability, maintain a viable workforce, and reduce the emotional stress caused by the natural disasters. The legislature therefore provides for the implementation of appropriate disaster relief programs in this act.

ARTICLE 2

FARM AND SMALL BUSINESS LOAN INTEREST BUY-DOWN PROGRAM

Section 1. [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to this article.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of agriculture.

Subd. 3. [ELIGIBLE BORROWER.] "Eligible borrower" means a farmer or small business operator who applies to a participating lender for a loan and meets all qualifications established in section 2 and any further qualifications that may be announced by the commissioner.

Subd. 4. [FARMER.] "Farmer" means a state resident, a domestic family farm corporation, or a family farm partnership as defined in Minnesota Statutes, section 500.24, subdivision 2, operating a farm within the state.

Subd. 5. [FARM LOAN.] "Farm loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender for the purpose of financing the operations of a farm. A farm loan includes an open line of credit even though the maximum principal amount of the line of credit may not be drawn at any one time. A farm loan eligible for interest buy-down must have a maturity date of November 30, 1995, or earlier.

Subd. 6. [INTEREST BUY-DOWN.] "Interest buy-down" means a reduction in the effective interest rate on a farm loan or a small business loan to an eligible borrower due to partial payment of interest costs by the commissioner and partial reduction of interest costs by the participating lender.

Subd. 7. [LENDER.] "Lender" means a bank, credit union, or savings and loan association chartered by the state or federal government, a unit of the farm credit system, the Federal Deposit Insurance Corporation, or another financial institution approved by the commissioner.

Subd. 8. [PARTICIPATING LENDER.] "Participating lender" means a lender who has been granted participating lender status by the commissioner.

Subd. 9. [SMALL BUSINESS.] "Small business" means a business entity as defined in Minnesota Statutes, section 645.445, with its principal place of business in Minnesota.

Subd. 10. [SMALL BUSINESS LOAN.] "Small business loan" means an original, extended, or renegotiated loan or line of credit obtained by a small business for purposes of financing the operations of a small business. A small business loan eligible for interest buy-down must have a maturity date of November 30, 1995, or earlier.

Sec. 2. [ELIGIBILITY; FARM LOAN.]

A farmer is eligible for the farm loan interest buy-down program under this article if a participating lender determines that the farmer meets the criteria in this section.

(a) The farmer suffered significant losses during 1993 from a natural disaster and the farm operation faces economic stress without the assistance of the farm loan interest buy-down program. A determination of significant loss and economic stress by a lender is deemed reasonable and accurate without further audit or substantiation.

(b) The farmer has a reasonable opportunity for long-term financial viability in the farmer's current farm operation. A determination of financial viability by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Sec. 3. [ELIGIBILITY; SMALL BUSINESS LOAN.]

A small business is eligible for the small business loan interest buy-down program if a participating lender determines that the small business meets the criteria in this section.

(a) The small business received, or was eligible to receive, assistance from one or more federal programs because of a natural disaster that occurred during calendar year 1993.

(b) The small business has a reasonable opportunity for long-term financial viability in the small business's current operation. A determination of financial viability by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Sec. 4. [LENDER ELIGIBILITY; OBLIGATIONS; TIMELY APPLICATION.]

Subdivision 1. [ELIGIBLE PARTICIPATING LENDER STATUS.] A lender who meets the requirements established by the commissioner must be approved as a participating lender.

Subd. 2. [RECEIPT OF APPLICATIONS FOR INTEREST BUY-DOWN.] A participating lender shall receive and evaluate loan applications from a farmer or small business. An eligible borrower must complete a loan application with a participating lender before December 31, 1994. In determining whether to make a farm or small business loan, the participating lender may use criteria in addition to those in sections 2 and 3.

Subd. 3. [MAXIMUM INTEREST RATE.] To qualify for interest buy-down payments, a participating lender shall offer to make a farm or small business loan to an eligible borrower at a rate of interest equivalent to that offered to other borrowers having similar security and financial status, less the lender's contribution under the program. The commissioner, in cooperation with the commissioner of commerce, may use appropriate means to verify that the interest rate available to an eligible borrower is substantially the same as that available to other borrowers.

Subd. 4. [PRIORITY.] Properly completed applications for the interest buy-down program take priority in the order they are received by the commissioner.

Sec. 5. [RESPONSIBILITIES OF COMMISSIONER.]

Subdivision 1. [ANNOUNCEMENT OF PROGRAM PROCEDURES.] Within 30 days after the effective date of this article, the commissioner shall announce procedures for the interest buy-down program.

Subd. 2. [PREPARATION AND DISTRIBUTION OF LENDER PARTICIPATION FORMS.] The commissioner, in cooperation with the commissioner of commerce, shall prepare and distribute forms and instructions to all lenders in the state.

Subd. 3. [APPROVAL OF APPLICATIONS FOR INTEREST BUY-DOWN PAYMENT.] (a) The commissioner shall review, within five working days of submission by a participating lender, a properly completed application for interest buy-down payments on a farm or small business loan. If a participating lender does not receive written notice that the commissioner has denied interest buy-down payments within seven working days, the borrower is an eligible borrower and interest buy-down payments on the farm or small business loan are approved by the commissioner.

(b) All applications received by the commissioner after appropriated interest buy-down program funds have been encumbered, plus an amount anticipated to become available because of loans that may be retired early, must be returned immediately to the lender with an explanation that participation in the interest buy-down program is denied due to prior commitment of available program funds.

Subd. 4. [BUY-DOWN PAYMENTS TO PARTICIPATING LENDERS.] Within 60 days after a request by a participating lender, the commissioner shall pay to the participating lender one-half of the expected interest buy-down amount. The balance of the state contribution must be paid by the commissioner to the participating lender within 30 days after the loan matures or is repaid in full and the request is submitted by the participating lender. All interest buy-down payments under this article must be made by joint-payee checks in the name of the participating lender and the eligible borrower.

Sec. 6. [STATE CONTRIBUTION; MAXIMUM LOAN.]

The commissioner shall pay to a participating lender for the first \$50,000 of an approved farm or small business loan made to an eligible borrower an amount equal to an annual rate of three percent interest on the loan, but the payment may not exceed \$2,250 per farm or small business loan.

Sec. 7. [LENDER CONTRIBUTION.]

A participating lender shall provide a reduction in interest rate for the first \$50,000 of an approved farm or small business loan made to an eligible borrower in an amount equal to an annual rate of at least one-half of one percent interest on the loan.

Sec. 8. [APPROPRIATION; INTEREST BUY-DOWN.]

(a) \$16,000,000 is appropriated from the general fund to the commissioner of agriculture for the interest buy-down program in sections 1 to 7. Any unencumbered balance remaining on July 1, 1995, does not cancel but is transferred to and becomes additional funding for the emergency job creation program in article 9, section 1. Not more than \$100,000 of this appropriation may be used by the commissioner for program administrative costs.

(b) The commissioner shall not approve an application for a loan under the interest buy-down program after the appropriation for the program, plus an amount anticipated to become available because of loans that may be retired early, has been fully committed.

Sec. 9. [EFFECTIVE DATE.]

This article is effective the day following final enactment.

ARTICLE 3

Subdivision 1. [STUDY.] The commissioner of agriculture, in consultation with the commissioner of commerce and farm and insurance organizations in Minnesota, shall perform a comprehensive study to determine the feasibility of establishing a captive nonprofit insurance company to provide supplemental crop disaster insurance coverage to farm operators. The captive insurance company would obtain reinsurance for at least 80 percent of its risk. The companies providing reinsurance would be allowed to invest assets in grain commodity options and the options must be considered admitted assets for purposes of state insurance regulation.

Subd. 2. [REPORT.] Not later than December 15, 1994, the commissioner of agriculture must report to the legislature on the findings and recommendations of the study in subdivision 1.

Subdivision 1. [EQUIPMENT LEASING PROGRAM; PURPOSE.] The legislature finds that Minnesota wheat producers face a critical problem because country elevators currently use a wide variety of technologies, brands, and models of wheat protein analysis equipment. Inaccurate and inconsistent protein readings on wheat samples result in the loss of millions of dollars of income each year for farmers, and contribute to further decline in the economic base of Minnesota's rural communities. The legislature further finds that country elevators often lack the resources to acquire adequate, reliable protein testing equipment on their own. It is therefore found to be in the public interest for the commissioner of agriculture to establish a voluntary program to lease to country elevators, at cost, high quality wheat protein testing equipment.

Subd. 2. [SELECTION OF EQUIPMENT; PILOT LEASING PROGRAM.] Not later than April 1, 1995, the commissioner shall evaluate available wheat protein analysis equipment and determine a brand and model to be used in the pilot lease program. Selection may be made on the basis of competitive bid price but must also take into consideration operational factors such as reliability, replicability, durability, ease of calibration and use, and the availability of comprehensive operator training.

Subd. 3. [PARTICIPATION IN PILOT EQUIPMENT LEASE PROGRAM; ELIGIBILITY.] The commissioner shall designate up to eight counties in which to implement the pilot equipment lease program.

Subd. 4. [TERMS OF LEASE.] The commissioner shall establish terms and conditions of the protein equipment test program so that the cost of equipment will be amortized over the estimated useful life of the equipment.

Subd. 5. [MANDATORY EQUIPMENT OPERATOR TRAINING.] The principal protein test equipment operator in each country elevator that participates in the pilot equipment lease program must undergo comprehensive training as determined appropriate by the commissioner.

Sec. 2. [APPROPRIATION; PROTEIN ANALYSIS EQUIPMENT LEASE PILOT PROJECT.]

\$2,000,000 is appropriated from the general fund to the commissioner of agriculture for purposes of the pilot equipment lease program in section 1. Of this appropriation, not more than \$25,000 may be used for costs of administering the program.

Sec. 3. [APPROPRIATION; GRAIN INSPECTION AND WEIGHING ACCOUNT DEFICIT.]

\$250,000 is appropriated from the general fund to the grain inspection and weighing account established in Minnesota Statutes, chapter 17B, and from the account to the commissioner of agriculture as needed for carrying out the purposes of Minnesota Statutes, chapter 17B.

Sec. 4. [EFFECTIVE DATE.]

Sections 1 to 3 are effective the day following final enactment.

17.63 [REFUND OF FEES.]

(a) Any producer, except

(1) a producer of potatoes in area number one, as listed in section 17.54, subdivision 9, or;

(2) a producer of paddy wild rice; or

(3) a producer of corn,

may, by the use of forms to be provided by the commissioner and upon presentation of such proof as the commissioner requires, have the checkoff fee paid pursuant to sections 17.51 to 17.69 fully or partially refunded, provided the checkoff fee was remitted on a timely basis. The request for refund must be received in the office of the commissioner within the time specified in the promotion order following the payment of the checkoff fee. In no event shall these requests for refund be accepted more often than 12 times per year. Refund shall be made by the commissioner and council within 30 days of the request for refund provided that the checkoff fee sought to be refunded has been received. Rules governing the refund of checkoff fees for all commodities shall be formulated by the commissioner, shall be fully outlined in the promotion order, and shall be available for the information of all producers concerned with the referendum.

(b) Notwithstanding the provisions of paragraph (a) that prohibit checkoff refunds to producers of corn, the commissioner must shall, not later than June 30, 1994, implement procedures to allow partial refund requests from corn producers who have checked off and must allow for assignment of payment to certify by signature assignment of partial refund payments to the Minnesota corn growers association for purposes of paying annual membership dues or fees if the Minnesota corn research and promotion council requests such action by the commissioner.

(c) The Minnesota corn research and promotion council shall not elect to impose membership on any individual producer not requesting a partial refund or assignment of payment to the association.

VALUE-ADDED AGRICULTURAL PRODUCT LOAN PROGRAM

Section 1. [41B.045] [VALUE-ADDED AGRICULTURAL PRODUCT LOAN PROGRAM.]

Subdivision 1. [DEFINITIONS.] For purposes of this section:

(1) "Agricultural product processing facility" means land, buildings, structures, fixtures, and improvements located or to be located in Minnesota and used or operated primarily for the processing or production of marketable products from agriculture crops, including waste and residues from agriculture crops, but not including livestock or livestock products, poultry or poultry products, or wood or wood products.

(2) "Value-added agricultural product" means a product derived from agricultural crops, including waste and residues from agriculture crops, but not including livestock or livestock products, poultry or poultry products, or wood or wood products, which are processed by an agricultural product processing facility.

Subd. 2. [ESTABLISHMENT.] The authority shall establish and implement a value-added agricultural product loan program to help farmers finance the purchase of stock in a cooperative proposing to build or purchase and operate an agricultural product processing facility.

Subd. 3. [REVOLVING FUND.] There is established in the state treasury a value-added agricultural product revolving fund which is eligible to receive appropriations. All repayments of financial assistance granted under subdivision 2, including principal and interest, must be deposited into this fund. Interest earned on money in the fund accrues to the fund, and money in the fund is appropriated to the commissioner of agriculture for purposes of the value-added agricultural loan program, including costs incurred by the authority to establish and administer the program.

Subd. 4. [ELIGIBILITY.] To be eligible for this program a borrower must:

- (1) be a resident of Minnesota or a domestic family farm corporation as defined in section 500.24, subdivision 2;
- (2) be a grower of the agricultural product which is to be processed by an agricultural product processing facility;
- (3) demonstrate an ability to repay the loan; and
- (4) meet any other requirements which the authority may impose by rule.

Subd. 5. [LOANS.] (a) The authority may participate in a stock loan with an eligible lender to a farmer who is eligible under subdivision 4. Participation is limited to 45 percent of the principal amount of the loan or \$24,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may differ from the interest rates and repayment terms of the lender's retained portion of the loan, but the authority's interest rate must not exceed 50 percent of the lender's interest rate.

(b) No more than 95 percent of the purchase price of the stock may be financed under this program.

(c) Loans under this program must not be included in the lifetime limitation calculated under section 41B.03, subdivision 1.

(d) Security for stock loans must be the stock purchased, a personal note executed by the borrower, and whatever other security is required by the eligible lender or the authority.

(e) The authority may impose a reasonable nonrefundable application fee for each application for a stock loan. The authority may review the fee annually and make adjustments as necessary. The application fee is initially \$50. Application fees received by the authority must be deposited in the value-added agricultural product revolving fund.

(f) Stock loans under this program will be made using money in the value-added agricultural product revolving fund established under subdivision 3.

(g) The authority may not grant stock loans in a cumulative amount exceeding \$3,000,000 for the financing of stock purchases in any one cooperative.

Subd. 6. [RULES.] The authority may adopt rules necessary for the administration of the program including rules which establish a minimum cost of any agricultural product processing facility for which financial assistance may be given to any farmer to help finance the purchase of stock in a cooperative.

Sec. 2. [APPROPRIATION; VALUE-ADDED AGRICULTURAL PRODUCT LOAN PROGRAM.]

\$2,000,000 is appropriated from the general fund to the value-added agricultural product revolving fund for use by the rural finance authority as provided in section 1.

RURAL FINANCE AUTHORITY PROGRAM REVIEW; REPORT

Section 1. [RURAL FINANCE AUTHORITY PROGRAM REVIEW.]

Subdivision 1. [REVIEW OF LOCAL LENDER PARTICIPATION; BARRIERS.] (a) The commissioner of agriculture and the director of the rural finance authority shall initiate an effort to examine local lender participation in programs of the rural finance authority and expand participation in programs of the authority where possible. The effort must examine the reasons why lenders do not participate in programs of the authority. The effort must attempt to determine if current programs of the authority fail to meet the needs of lenders and the scale and types of farming practiced in areas with low participation.

Subd. 2. [REPORT; RECOMMENDATIONS.] Not later than March 1, 1995, the commissioner shall report to the legislature on the findings, conclusions, and recommendations of the investigation and promotion effort. The report must include suggestions for changes in rural finance authority programs to make the programs more attractive to lenders and farm operators in areas where lenders do not participate in rural finance authority programs. The report may recommend statutory changes to make rural finance authority programs more available to Minnesota farm operators.

Sec. 2. [APPROPRIATION; RFA PROGRAM REVIEW.]

\$50,000 is appropriated from the general fund to the commissioner of agriculture for the employment and expenses of additional staff to carry out the rural finance authority examination and promotion effort in section 1. This appropriation remains available until June 30, 1995.

ARTICLE 8

CORPORATE FARMING LAW TASK FORCE

Section 1. [CORPORATE FARMING LAW TASK FORCE.]

Subdivision 1. [PURPOSE.] Current Minnesota law generally precludes corporations from owning farm land or operating a farming enterprise. Corporate farming law has been developed over a period of 14 decades, and the development has included numerous changes to accommodate shifting priorities in agriculture and a recognition that the economic and social climate of the state is not static. There is a concern whether current corporate farming law, especially as it relates to the breeding and raising of swine, represents the appropriate balance between protection of family farms and opportunity for creative new enterprise structures organized by multiple farmers. Farmers wish to support a corporate farming law that is in the overall best interest of production agriculture and preservation of the family farm unit as the main component of the agricultural economy in the state. The study, legislative report, and legislative recommendations authorized by this section will increase public and legislative understanding of the issues involved.

Subd. 2. [CREATION; MEMBERSHIP.] (a) There is hereby created a corporate farming law task force with ten members appointed as follows:

(1) the chairs of the agriculture policy committees of the Minnesota senate and house of representatives, or their designees;

(2) two members of the Minnesota house of representatives appointed by the speaker of the house;

(3) one member of the Minnesota house of representatives appointed by the minority leader of the house;

(4) two members of the Minnesota senate appointed by the senate committee on rules and administration;

(5) one member of the Minnesota senate appointed by the minority leader of the senate;

(6) one member with education and experience in the area of agricultural economics appointed by the governor of Minnesota; and

(7) one member who is the operator of a production agriculture farm in Minnesota appointed by the governor.

(b) Each of the appointing authorities must make their respective appointments not later than June 15, 1994.

(c) Citizen members of the task force may be reimbursed for expenses as provided in Minnesota Statutes, section 15.059, subdivision 6.

(d) The first meeting of the task force must be called and convened by the chairs of the agriculture policy committees of the senate and the house of representatives. Task force members must then elect a permanent chair from among the task force members.

Subd. 3. [CHARGE.] The task force must examine current and projected impacts of corporate farming enterprises on the economic, social, and environmental conditions and structures of rural Minnesota. The study should consider probable impacts on both agriculture related and nonagricultural businesses in rural communities. Issues of nonpoint source pollution and other environmental issues must also be considered.

Subd. 4. [RESOURCES; STAFF SUPPORT; CONTRACT SERVICES.] The commissioner of agriculture shall provide necessary resources and staff support for the meetings, hearings, activities, and report of the task force. To the extent the task force determines it appropriate to contract with nonstate providers for research or analytical services, the commissioner shall serve as the fiscal agent for the task force. To the extent practicable, the task force may also use services and resources of the Farmers' Legal Action Group, Inc.

Subd. 5. [PUBLIC HEARINGS.] The task force shall hold at least four public hearings on the issue of corporate farming law, with specific emphasis on appropriate regulation of business structures involved in swine breeding and raising. At least three of the hearings must be held in greater Minnesota.

Subd. 6. [REPORT.] Not later than February 15, 1995, the corporate farming law task force shall report to the legislature on the findings of its study. The report must include recommendations for changes in Minnesota Statutes and rules of the department of agriculture that are negative to the best interests of production agriculture in the state and the economic, environmental, and social environment and preservation of the family farm.

Subd. 7. [EXPIRATION.] The corporate farming law task force expires 45 days after its report and recommendations are delivered to the legislature or on May 15, 1995, whichever date is earlier.

Sec. 2. [APPROPRIATION; CORPORATE FARMING LAW TASK FORCE.]

\$50,000 is appropriated from the general fund to the commissioner of agriculture to provide staff and research support for the corporate farming law task force in section 1.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 are effective the day following final enactment.

ARTICLE 9

The research should be designed to minimize the adverse effects of future wheat scab infestations in the short term while seeking to fully eliminate the problem in the long term.

Sec. 16. Minnesota Statutes 1993 Supplement, section 518B.01, subdivision 14, is amended to read:

Subd. 14. [VIOLATION OF AN ORDER FOR PROTECTION.] (a) Whenever an order for protection is granted pursuant to this section, and the respondent or person to be restrained knows of the order, violation of the order for protection is a misdemeanor. Upon conviction, the defendant must be sentenced to a minimum of three days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. If the court stays imposition or execution of the jail sentence and the defendant refuses or fails to comply with the court's treatment order, the court must impose and execute the stayed jail sentence. A person is guilty of a gross misdemeanor who violates this paragraph during the time period between a previous conviction under this paragraph; sections 609.221 to 609.224; 609.713, subdivisions 1 or 3; 609.748, subdivision 6; 609.749; or a similar law of another state and the end of the five years following discharge from sentence for that conviction. Upon conviction, the defendant must be sentenced to a minimum of ten days imprisonment and must be ordered to participate in counseling or other appropriate programs selected by the court. Notwithstanding section 609.135, the court must impose and execute the minimum sentence provided in this paragraph for gross misdemeanor convictions.

(b) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order granted pursuant to this section restraining the person or excluding the person from the residence or the petitioner's place of employment, even if the violation of the order did not take place in the presence of the peace officer, if the existence of the order can be verified by the officer. The person shall be held in custody for at least 36 hours, excluding the day of arrest, Sundays, and holidays, unless the person is released earlier by a judge or judicial officer. A peace officer acting in good faith and exercising due care in making an arrest pursuant to this paragraph is immune from civil liability that might result from the officer's actions.

(c) A violation of an order for protection shall also constitute contempt of court and be subject to the penalties therefor.

(d) If the court finds that the respondent has violated an order for protection and that there is reason to believe that the respondent will commit a further violation of the provisions of the order restraining the respondent from committing acts of domestic abuse or excluding the respondent from the petitioner's residence, the court may require the respondent to acknowledge an obligation to comply with the order on the record. The court may require a bond sufficient to deter the respondent from committing further violations of the order for protection, considering the financial resources of the respondent, and not to exceed \$10,000. If the respondent refuses to comply with an order to acknowledge the obligation or post a bond under this paragraph, the court shall commit the respondent to the county jail during the term of the order for protection or until the respondent complies with the order under this paragraph. The warrant must state the cause of commitment, with the sum and time for which any bond is required. If an order is issued under this paragraph, the court may order the costs of the contempt action, or any part of them, to be paid by the respondent. An order under this paragraph is appealable.

(e) Upon the filing of an affidavit by the petitioner, any peace officer, or an interested party designated by the court, alleging that the respondent has violated any order for protection granted pursuant to this section, the court may issue an order to the respondent, requiring the respondent to appear and show cause within 14 days why the respondent should not be found in contempt of court and punished therefor. The hearing may be held by the court in any county in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation. The court also shall refer the violation of the order for protection to the appropriate prosecuting authority for possible prosecution under paragraph (a).

(f) If it is alleged that the respondent has violated an order for protection issued under subdivision 6 and the court finds that the order has expired between the time of the alleged violation and the court's hearing on the violation, the court may grant a new order for protection under subdivision 6 based solely on the respondent's alleged violation of the prior order, to be effective until the hearing on the alleged violation of the prior order. If the court finds that the respondent has violated the prior order, the relief granted in the new order for protection shall be extended for a fixed period, not to exceed one year.

(g) The admittance into petitioner's dwelling of an abusing party excluded from the dwelling under an order for protection is not a violation by the petitioner of the order for protection.

A peace officer is not liable under section 609.43, clause (1), for a failure to perform a duty required by paragraph (b).

~~Subd. 2. [EXCEPTION.] Notwithstanding subdivision 1, no fine of more than \$100 may be imposed for a petty misdemeanor ordinance violation which conforms in substantial part to a petty misdemeanor provision contained in section 152.027, subdivision 4, or chapter 168 or 169.~~

Sec. 19. [609.132] [CONTINUANCE FOR DISMISSAL.]

The court also may initiate proceedings under these circumstances on its own motion. If proceedings are initiated within this six-month period, the court may conduct a revocation hearing and take any action authorized under rule 27.04 at any time during or after the six-month period.

(c) Notwithstanding the provisions of section 609.135 or any law to the contrary, after proceedings to revoke the stay have been initiated by a court order revoking the stay and directing either that the defendant be taken into custody or that a summons be issued in accordance with paragraph (a), the proceedings to revoke the stay may be concluded and the summary hearing provided by subdivision 2 may be conducted after the expiration of the stay or after the six month period set forth in paragraph (b) of this section. The proceedings to revoke the stay shall not be dismissed on the basis that the summary hearing is conducted after the term of the stay or after the six month period. The ability or inability to locate or apprehend the defendant prior to the expiration of the stay or during or after the six month period shall not preclude the court from conducting the summary hearing.

(e) In determining whether to exercise the discretionary authority granted under paragraphs (b) and (d), the local welfare agency shall consider the seriousness and extent of the alleged neglect, physical abuse, or sexual abuse and the impact of notification on the residents of the facility. The facility shall be notified whenever this discretion is exercised.

(f) Where federal law specifically prohibits the disclosure of patient identifying information, the local welfare agency shall not provide any notice under paragraph (a) or (b) or any memorandum under paragraph (c) or (d) unless the vulnerable adult has consented to disclosure in a manner which conforms to federal requirements.

Sec. 4. Minnesota Statutes 1992, section 383B.225, subdivision 6, is amended to read:

Subd. 6. [INVESTIGATION PROCEDURE.] (a) Upon notification of the death of any person, as provided in subdivision 5, the county medical examiner or a designee may proceed to the body, take charge of it, and order, when necessary, that there be no interference with the body or the scene of death. Any person violating the order of the examiner is guilty of a misdemeanor. The examiner or the examiner's designee shall make inquiry regarding the cause and manner of death and prepare written findings together with the report of death and its circumstances, which shall be filed in the office of the examiner. When it appears that death may have resulted from a criminal act and that further investigation is advisable, a copy of the report shall be transmitted to the county attorney. The examiner may take possession of all property of the deceased, mark it for identification, and make an inventory. The examiner shall take possession of all articles useful in establishing the cause of death, mark them for identification and retain them securely until they are no longer needed for evidence or investigation. The examiner shall release any property or articles needed for any criminal investigation to law enforcement officers conducting the investigation. When a reasonable basis exists for not releasing property or articles to law enforcement officers, the examiner shall consult with the county attorney. If the county attorney determines that a reasonable basis exists for not releasing the property or articles, the examiner may retain them. The property or articles shall be returned immediately upon completion of the investigation. When the property or articles are no longer needed for the investigation or as evidence, the examiner shall release the property or articles to the person or persons entitled to them. Notwithstanding any other law to the contrary, when personal property of a decedent has come into the possession of the examiner, and is not used for a criminal investigation or as evidence, and has not been otherwise released as provided in this subdivision, the name of the decedent shall be filed with the probate court, together with a copy of the inventory of the decedent's property. At that time, an examination of the records of the probate court shall be made to determine whether a will has been admitted to probate or an administration has been commenced. Property of a nominal value, including wearing apparel, may be released to the spouse or any blood relative of the decedent or to the person accepting financial responsibility for burial of the decedent. If property has not been released by the examiner and no will has been admitted to probate or administration commenced within six months after death, the examiner shall sell the property at a public auction upon notice and in a manner as the probate court may direct; except that the examiner must cause to be destroyed any firearm or other weapon that is not released to or claimed by a decedent's spouse or blood relative. If the name of the decedent is not known, the examiner shall inventory the

property of the decedent and after six months may sell the property at a public auction. The examiner shall be allowed reasonable expenses for the care and sale of the property and shall deposit the net proceeds of the sale with the county administrator, or the administrator's designee, in the name of the decedent, if known. If the decedent is not known, the examiner shall establish a means of identifying the property of the decedent with the unknown decedent and shall deposit the net proceeds of the sale with the county administrator, or a designee, so, that, if the unknown decedent's identity is established within six years, the proceeds can be properly distributed. In either case, duplicate receipts shall be provided to the examiner, one of which shall be filed with the court, the other of which shall be retained in the office of the examiner. If a representative shall qualify within six years from the time of deposit, the county administrator, or a designee, shall pay the amount of the deposit to the representative upon order of the court. If no order is made within six years, the proceeds of the sale shall become a part of the general revenue of the county.

The medical examiner shall pay the reasonable costs of copies of records or data provided to the medical examiner under this section. Data collected or created pursuant to this subdivision relating to any psychiatric, psychological, or mental health consultation with, diagnosis of, or treatment of the decedent whose death is being investigated shall remain confidential or protected nonpublic data, except that the medical examiner's report may contain a summary of such data.

The motion shall be accompanied by a statement on the record of the reasons for it. When presented with the motion and if it finds substantial mitigating factors exist, or on its own motion, the court shall may sentence the defendant without regard to the mandatory minimum sentences established by this section if the court finds substantial and compelling reasons to do so. A sentence imposed under this subdivision is a departure from the sentencing guidelines.

The juvenile court legal records shall be deposited in files and shall include the petition, summons, notice, findings, orders, decrees, judgments, and motions and such other matters as the court deems necessary and proper. Unless otherwise provided by law, all court records shall be open at all reasonable times to the inspection of any child to whom the records relate, and to the child's parent and guardian.

(b) The court shall retain records of the court finding that a juvenile committed an act that would be a violation of, or an attempt to violate, section 609.342, 609.343, 609.344, or 609.345, until the offender reaches the age of 25. If the offender commits another violation of sections 609.342 to 609.345 as an adult, the court shall retain the juvenile records for as long as the records would have been retained if the offender had been an adult at the time of the juvenile offense. This paragraph does not apply unless the juvenile was represented by an attorney when the petition was admitted or proven.

Sec. 18. Minnesota Statutes 1993 Supplement, section 260.161, subdivision 3, is amended to read:

Subd. 3. [PEACE OFFICER RECORDS OF CHILDREN.] (a) Except for records relating to an offense where proceedings are public under section 260.155, subdivision 1, peace officers' records of children who are or may be delinquent or who may be engaged in criminal acts shall be kept separate from records of persons 18 years of age or older and are private data but shall be disseminated: (1) by order of the juvenile court, (2) as required by section 126.036, (3) as authorized under section 13.82, subdivision 2, (4) to the child or the child's parent or guardian unless disclosure of a record would interfere with an ongoing investigation, or (5) as provided in paragraph paragraphs (d), (e), (f), and (g). Except as provided in paragraph (c), no photographs of a child taken into custody may be taken without the consent of the juvenile court unless the child is alleged to have violated section 169.121 or 169.129. Peace officers' records containing data about children who are victims of crimes or witnesses to crimes must be administered consistent with section 13.82, subdivisions 2, 3, 4, and 10. Any person violating any of the provisions of this subdivision shall be guilty of a misdemeanor.

In the case of computerized records maintained about juveniles by peace officers, the requirement of this subdivision that records about juveniles must be kept separate from adult records does not mean that a law enforcement agency must keep its records concerning juveniles on a separate computer system. Law enforcement agencies may keep juvenile records on the same computer as adult records and may use a common index to access both juvenile and adult records so long as the agency has in place procedures that keep juvenile records in a separate place in computer storage and that comply with the special data retention and other requirements associated with protecting data on juveniles.

(b) Nothing in this subdivision prohibits the exchange of information by law enforcement agencies if the exchanged information is pertinent and necessary to the requesting agency in initiating, furthering, or completing a criminal investigation.

(c) A photograph may be taken of a child taken into custody pursuant to section 260.165, subdivision 1, clause (b), provided that the photograph must be destroyed when the child reaches the age of 19 years. The commissioner of corrections may photograph juveniles whose legal custody is transferred to the commissioner. Photographs of juveniles authorized by this paragraph may be used only for institution management purposes, case supervision by parole agents, and to assist law enforcement agencies to apprehend juvenile offenders. The commissioner shall maintain photographs of juveniles in the same manner as juvenile court records and names under this section.

(d) Traffic investigation reports are open to inspection by a person who has sustained physical harm or economic loss as a result of the traffic accident. Identifying information on juveniles who are parties to traffic accidents may be disclosed as authorized under section 13.82, subdivision 4, and accident reports required under section 169.09 may be released under section 169.09, subdivision 13, unless the information would identify a juvenile who was taken into custody or who is suspected of committing an offense that would be a crime if committed by an adult, or would associate a juvenile with the offense, and the offense is not a minor traffic offense under section 260.193.

(e) Peace officer records of children who are or may be delinquent or who may be engaged in criminal activity may be disseminated to school officials without a juvenile court order when the information in the records is pertinent and necessary to maintaining order and safety in the school building and on school property. A law enforcement agency shall, unless it would jeopardize an ongoing investigation, notify school officials whenever the agency has probable cause to believe a student enrolled in the school has been involved in criminal activity involving the possession or use of a dangerous weapon.

A school official who receives peace officer records under this paragraph may use the information only for the purpose of maintaining order and safety in the school building and on school property. The classification of the data while in the hands of the school official is governed by section 13.03, subdivision 4. As used in this paragraph, "school" means a public or private elementary, middle, or secondary school.

(f) In any county in which the county attorney operates or authorizes the operation of a juvenile prepetition or pretrial diversion program, a law enforcement agency or county attorney's office may provide data concerning a juvenile who is a participant in or is being considered for participation in a juvenile diversion program to appropriate school officials and public or private social service agencies who are participants in the diversion program. School officials and public or private social service agencies may provide data concerning a juvenile who is a participant or is being considered for participation in a juvenile diversion program to an appropriate law enforcement agency or a county attorney's office to the extent permitted by federal law. Any data exchanged pursuant to this clause shall retain the data practices classification which it had with the originating agency and may be used only for law enforcement purposes or for purposes of operation of the diversion program.

(g) Peace officer records of children who are or may be delinquent or who may be engaged in criminal acts may be disseminated upon request to a local social service agency to promote the best interests of the subject of the data.

Sec. 19. Minnesota Statutes 1992, section 260.161, is amended by adding a subdivision to read:

Subd. 3a. [COURT SERVICES DATA ON JUVENILES; DISCLOSURE TO SCHOOL OFFICIALS.] Private or confidential court services data on juveniles who have been adjudicated delinquent may be disseminated to school officials without a juvenile court order when the information in the records is pertinent and necessary to maintaining order and safety in the school building and on school property.

A school official who receives court services data under this subdivision may use the information only for the purpose of maintaining order and safety in the school building and on school property. The classification of the data while in the hands of the school official is governed by section 13.03, subdivision 4.

When data is disseminated under this subdivision, the court services agency must notify the parent or guardian of the subject of the data that the information has been shared with school officials.

As used in this subdivision, "school" means a public or private elementary, middle, or secondary school.

Sec. 20. Minnesota Statutes 1992, section 299A.38, subdivision 3, is amended to read:

Subd. 3. [ELIGIBILITY REQUIREMENTS.] (a) Only vests that either meet or exceed the requirements of standard 0101.01 0101.03 of the National Institute of Justice in effect on December 30, 1986, or that meet or exceed the requirements of that standard, except wet armor conditioning, are eligible for reimbursement.

(b) Eligibility for reimbursement is limited to vests bought after December 31, 1986, by or for peace officers (1) who did not own a vest meeting the requirements of paragraph (a) before the purchase, or (2) who owned a vest that was at least six years old.

Sec. 21. Minnesota Statutes 1992 Statutes, section 299C.065, as amended by Laws 1993, chapter 326, article 12, section 6, is amended to read:

(5) witness assistance services in cases involving criminal gang activity in violation of section 609.229, or domestic assault, as defined in section 611A.0315; and

(6) for partial reimbursement of local costs associated with unanticipated, intensive, long-term, multijurisdictional criminal investigations that exhaust available local resources, except that the commissioner may not reimburse the costs of a local investigation involving a child who is reported to be missing and endangered unless the law enforcement agency complies with section 299C.53 and the agency's own investigative policy.

Subd. 1a. [CRIME INFORMATION REWARDS.] A crime information reward fund is created under the administration of the commissioner of public safety. The commissioner is authorized to make grants to local officials to pay a reward to any person who, in response to a reward offer sponsored by a law enforcement agency, provides information leading to the successful arrest and prosecution of a criminal offender. The commissioner shall establish criteria for determining the amount of the reward and the duration of the reward offer.

Subd. 2. [APPLICATION FOR GRANT.] A county sheriff or the chief administrative officer of a municipal police department may apply to the commissioner of public safety for a grant for any of the purposes described in subdivision 1 or 1a, on forms and pursuant to procedures developed by the superintendent. For grants under subdivision 1, the application shall describe the type of intended criminal investigation, an estimate of the amount of money required, and any other information the superintendent deems necessary.

Subd. 3. [INVESTIGATION REPORT.] A report shall be made to the commissioner at the conclusion of an investigation pursuant to this section for which a grant was made under subdivision 1 stating: (1) the number of persons arrested, (2) the nature of charges filed against them, (3) the nature and value of controlled substances or contraband purchased or seized, (4) the amount of money paid to informants during the investigation, and (5) a separate accounting of the amount of money spent for expenses, other than "buy money", of bureau and local law enforcement personnel during the investigation. Subd. 3a. The commissioner shall prepare

and submit to the legislature chairs of the committees in the senate and house of representatives with jurisdiction over criminal justice policy by January 1 of each year a summary report of witness assistance services and crime information rewards provided under this section.

Subd. 4. [DATA CLASSIFICATION.] An application to the commissioner for money is a confidential record. Information within investigative files that identifies or could reasonably be used to ascertain the identity of assisted witnesses, sources, or undercover investigators is a confidential record. A report at the conclusion of an investigation is a public record, except that information in a report pertaining to the identity or location of an assisted witness is private data.

Sec. 22. Minnesota Statutes 1993 Supplement, section 299C.10, subdivision 1, is amended to read:

Upon the determination of all pending criminal actions or proceedings in favor of the arrested person, the arrested person shall, upon demand, have all such finger and thumb prints, photographs, tattoo identification data, and other identification data, and all copies and duplicates thereof, returned, provided it is not established that the arrested person has been convicted of any felony, either within or without the state, within the period of ten years immediately preceding such determination.

For purposes of this section, "determination of all pending criminal actions or proceedings in favor of the arrested person" does not include the sealing of a criminal record pursuant to section 152.18, subdivision 1, 242.31, or 609.168.

Recurring charges by a public utility providing telephone service for updating the information required by section 403.07, subdivision 3, must be paid by the commissioner for information if the utility is included in an approved 911 plan and the charges have been certified and approved under subdivision 3.

ARTICLE 5

EXPLOSIVES AND BLASTING AGENTS

Section 1. Minnesota Statutes 1992, section 299F.71, is amended to read:

299F.71 [POLICY.]

The beneficial use of explosives and blasting agents has resulted in great savings of time, labor, and money in the development of the state. However, existing laws and rules have not restricted explosives to those who would use or contribute to their use for beneficial purposes. The inattentive care, indiscriminate and unrecorded transfer and perverse use of explosives has resulted in death, grave personal injury, and substantial property damage in this state; in addition, the resulting bombings and bombing threats have terrorized and inconvenienced the public.

It is the policy of this state to require such controls of explosives and blasting agents and their component parts from the time prior to manufacture through ultimate use as are necessary to protect the safety and welfare of the public, without unduly restricting the legitimate manufacture, sale, transport, and use of explosives and blasting agents.

Sec. 2. Minnesota Statutes 1992, section 299F.72, is amended by adding a subdivision to read:

Subd. 1a. [BLASTING AGENT.] "Blasting agent" means any material or mixture (1) that consists of a fuel and oxidizer, (2) that is intended for blasting, (3) that is not otherwise classified as an explosive, (4) in which none of the ingredients is classified as an explosive, and (5) when a finished product, as mixed and packaged for use or shipment, that cannot be detonated by means of a number eight test blasting cap when unconfined. The term does not include flammable liquids or flammable gases.

Sec. 3. Minnesota Statutes 1992, section 299F.72, is amended by adding a subdivision to read:

Subd. 1b. [CRIME OF VIOLENCE.] "Crime of violence" includes murder in the first, second, and third degrees; manslaughter in the first and second degrees; aiding suicide; aiding attempted suicide; felony violations of assault in the first, second, third, and fourth degrees; terroristic threats; use of drugs to injure or to facilitate crime; simple robbery; aggravated robbery; kidnapping; false imprisonment; criminal sexual conduct in the first, second, third, and fourth degrees; theft of a firearm; arson in the first and second degrees; riot; burglary in the first, second, third, and fourth degrees; reckless use of a gun or dangerous weapon; intentionally pointing a gun at or towards a human being; setting a spring gun; and unlawfully owning, possessing, or operating a machine gun or short-barreled shotgun; and an attempt to commit any of these offenses, as each of those offenses is defined in chapter 609. Crime of violence also includes a felony violation of chapter 152; and a domestic assault conviction when committed within the last three years or while an order for protection is active against the person, whichever period is longer.

Sec. 4. Minnesota Statutes 1992, section 299F.72, subdivision 2, is amended to read:

Subd. 2. [EXPLOSIVE.] "Explosive" means any chemical compound or mixture, or device, the primary or common purpose of which is to function by explosion; that is, with substantially instantaneous release of gas and heat; but shall, unless the compound, mixture, or device is otherwise specifically classified by the United States Department of Transportation. The term does not mean or include the components for handloading rifle, pistol, and shotgun ammunition, and/or rifle, pistol and shotgun ammunition, black powder, smokeless powder, primers, and fuses when used for ammunition and components for antique or replica muzzleloading rifles, pistols, muskets, shotguns, and cannons, or when possessed or used for rifle, pistol, and shotgun ammunition, nor does it include fireworks as defined in section 624.20, nor shall it include any fertilizer product possessed, used or sold solely for a legitimate agricultural, forestry, conservation, or horticultural purpose.

CORRECTIONS

Section 1. [16B.181] [PRODUCTS AND SERVICES FROM CORRECTIONAL FACILITIES.]

The commissioner, in consultation with the commissioner of corrections, shall prepare a list of products and services that are available for purchase from state correctional facilities. After publication of the product and service list by the commissioner, state agencies and institutions shall purchase the listed products and services from the state correctional facilities if the products and services are comparable in price and quality to products and services available from other sources.

Sec. 2. [241.0222] [SECURE JUVENILE DETENTION FACILITY CONSTRUCTION GRANTS.]

Subdivision 1. [GRANTS AUTHORIZED.] The commissioner of corrections shall make grants to Hennepin county, Ramsey county, or groups of counties for up to 80 percent of the construction cost of secure juvenile detention and treatment facilities. The commissioner shall ensure that grants are distributed so that facilities are available for both male and female juveniles, and that the needs of very young offenders can be met. The commissioner shall also require that programming in the facilities be culturally specific and sensitive. To the extent possible, grants should be made for facilities or living units of 12 beds or fewer. No more than one grant shall be made in each judicial district.

Subd. 2. [APPLICATIONS.] Applications for grants shall be submitted to the commissioner using forms and instructions which the commissioner shall provide. The commissioner must notify counties of the amount available for grants under this section for the counties in their judicial district. Applications can be submitted by Hennepin county, Ramsey county, or by a group of counties. The application must indicate that all counties in the judicial district have been consulted in the development of the proposal for the facility. If a county bordering a judicial district requests to join with counties in the adjoining judicial district, the commissioner may allow the county to cooperate in the grant application with the counties in the adjoining district. If the commissioner allows this, the commissioner shall reallocate the grant money attributable to that county to the judicial district with which the county will be cooperating.

Subd. 3. [ELIGIBILITY.] Applicants must include a cooperative plan for the secure detention and treatment of juveniles among the applicant counties. The cooperative plan must identify the location of the facility. The facility must be located within 15 miles of a permanent chambers within the judicial district, as specified in section 2.722, or at the site of an existing county home facility, as authorized in section 260.094, or at the site of an existing detention home, as authorized in section 260.101.

Subd. 4. [ALLOCATION FORMULA.] (a) The commissioner must determine the amount available for grants for counties in each judicial district under this subdivision.

(b) Five percent of the money appropriated for these grants shall be allocated for the counties in each judicial district for a mileage distribution allowance in proportion to the percent each county's surface area comprises of the total surface area of the state. Ninety-five percent of the money appropriated for these grants shall be allocated for the counties in each judicial district using the formula in section 401.10.

(c) The amount allocated for all counties within a judicial district shall be totaled to determine the amount available for a grant within that judicial district. Amounts attributable to a county which the commissioner has authorized to cooperate in a grant with a county or counties in an adjacent judicial district shall be reallocated to that judicial district.

Subd. 5. [AWARD OF GRANT.] The commissioner shall determine the amount of the grant for each applicant. Prior to determining the amount of the grant, the commissioner must determine that a facility of the size proposed is needed in the proposed service area, and that the proposed facility meets the minimum standards and requirements established by the commissioner under section 241.0221, subdivision 4, paragraph (a). The commissioner may reduce the amount of the grant below the amount requested by the applicant if the commissioner determines that the facility could be constructed at lesser cost, or that a smaller facility is warranted. Grants shall be for up to 80 percent of the cost of the facility, but not to exceed the amount allocated for the counties in the judicial district under subdivision 4. The grant may only be used for capital expenditures to acquire, design, construct, renovate, equip, and furnish a secure juvenile detention and treatment facility.

Subd. 6. [AGREEMENT.] Counties receiving grants must agree to provide the money needed to finance the nonstate share of the cost of construction of the facility, and if the grant is to a group of counties, the counties must specify how this cost is allocated among the counties in the group. Counties receiving grants must also agree that the county or group of counties will operate the facility according to the minimum standards and requirements established by the commissioner under section 241.0221, subdivision 4, paragraph (a). Counties and groups of counties receiving grants must also agree to make beds available to all other counties in the judicial district. All costs of operation of the facility must be paid by the county or counties receiving the grants, except that costs for juveniles placed in the facility may be billed to their county of residence by agreement among the counties or by law.

Subd. 7. [BONDS FOR LOCAL SHARE.] Counties receiving a grant under this section may issue general obligation bonds under chapter 475 without an election to finance the nonstate share of the cost of the facility, and the indebtedness will not be included in the net debt limit of the county. Groups of counties receiving a grant may issue these bonds individually, or may agree that the bonds will be issued by a single county, with the full faith, credit, and taxing power of each of the counties in the group pledged for the repayment of the obligations.

Subd. 8. [REALLOCATION OF UNUSED GRANT MONEY.] On December 31, 1996, the commissioner shall determine whether any money remains of the appropriations made in 1994 for the purposes of this section. If any money remains that has not been granted to counties, the commissioner shall invite counties to submit applications for capital improvements to acquire or better publicly owned secure juvenile detention facilities. The commissioner shall consider the needs of applicants for improvements at the facilities and shall make grants to counties whose needs, in the commissioner's judgment, are greatest.

Sec. 3. Minnesota Statutes 1992, section 241.26, subdivision 7, is amended to read:

Subd. 7. [PAYMENT OF BOARD AND ROOM.] The commissioner shall determine the amount to be paid for board and room by such work placement inmate. When special circumstances warrant or for just and reasonable cause, the commissioner may waive the payment by the inmate of board and room charges and report such waivers to the commissioner of finance.

Where a work placement inmate is housed in a jail or workhouse, such board and room revenue shall be paid over to such city or county official as provided for in subdivision 2, provided however, that when payment of board and room has been waived, the commissioner shall make such payments from funds appropriated for that purpose.

[PROGRAM ESTABLISHMENT.] The counties of Hennepin, Ramsey, and St. Louis shall each establish a productive day initiative program in their correctional facilities as described in this section. The productive day program shall be designed to motivate inmates in local correctional facilities to develop basic life and work skills through training and education, thereby creating opportunities for inmates on release to achieve more successful integration into the community.

Subd. 2. [PROGRAM COMPONENTS.] The productive day initiative programs shall include components described in paragraphs (a) to (c).

(a) The initiative programs shall contain programs designed to promote the inmate's self-esteem, self-discipline, and economic self-sufficiency by providing structured training and education with respect to basic life skills, including hygiene, personal financial budgeting, literacy, and conflict management.

(b) The programs shall contain individualized educational, vocational, and work programs designed to productively occupy an inmate for at least eight hours a day.

(c) The program administrators shall develop correctional industry programs, including marketing efforts to attract work opportunities both inside correctional facilities and outside in the community. Program options may include expanding and reorganizing on-site industry programs, locating off-site industry work areas, and community service work programs. To develop innovative work programs, program administrators may enlist members of the business and labor community to help target possible productive enterprises for inmate work programs.

Subd. 3. [ELIGIBILITY.] The administrators of each productive day program shall develop criteria for inmate eligibility for the program.

Subd. 4. [EVALUATION.] The administrators of each of the productive day initiative programs shall develop program evaluation tools to monitor the success of the programs.

Subd. 5. [REPORT.] Hennepin, Ramsey, and St. Louis counties shall each report results of their evaluations to the chairs of the house judiciary finance division and the senate crime prevention finance division by July 1, 1996.

Sec. 5. [TEMPORARY PROVISION; ELECTION TO RETAIN RETIREMENT COVERAGE.]

Subdivision 1. [GENERAL STATE EMPLOYEE RETIREMENT COVERAGE RETENTION ELECTION.] An employee in a position specified as qualifying under sections 1 to 3 must have retirement coverage transferred from the general state employees retirement plan of the Minnesota state retirement system or the teachers retirement association to the correctional employees retirement plan of the Minnesota state retirement system, effective on the applicable effective date specified in section 9, unless the employee elects to retain the person's current retirement coverage. The election to retain coverage must be made in writing by the person on a form prescribed by the executive director of the Minnesota state retirement system and must be filed with the executive director no later than the December 31 next following the applicable effective date specified in section 9.

Service is continuous if there has been no period of discontinuation of eligible state service for a period greater than 180 calendar days.

(c) The department of corrections or the department of human services, whichever applies, shall certify eligible state service to the executive director of the Minnesota state retirement system.

Subd. 2. [PAYMENT FOR PRIOR SERVICE.] (a) An employee electing to obtain prior service credit under subdivision 1 must pay an additional employee contribution for that prior service except for any period of time that the employee was a member of the basic program of the teachers retirement association. The contribution differential percentage is the difference between 4.9 percent of salary and the applicable employee contribution rate of the general state employees retirement plan or the teachers retirement association during the prior eligible state service.

(b) The additional member contribution must be paid only in a lump sum. Payment must accompany the election to obtain prior service credit. No election or payment may be made by the person or accepted by the executive director after the September 30 of the calendar year next following the calendar year in which the applicable effective date specified in section 9 occurs.

Subd. 5. [COUNSELING.] (a) The commissioners of corrections, human services, and employee relations, and the executive directors of the Minnesota state retirement system and teachers retirement association have the joint responsibility of providing affected employees of the department of corrections or the department of human services with appropriate and timely retirement and related benefit counseling.

(b) Counseling must include the anticipated impact of the retirement coverage change on the person's future retirement benefit amounts, future retirement eligibility, future applicability of mandatory retirement laws, and future postemployment insurance coverage.

Sec. 7. [TRANSITIONAL PROVISION; RETENTION OF CERTAIN RIGHTS.]

(a) Nothing in this act may be considered to restrict the entitlement of a person under state law to repay a previously taken refund of employee or member contributions to a Minnesota public pension plan if all qualifying requirements are met.

(b) The period of correctional employees retirement plan contributions, plus interest, must be restored upon the repayment of the appropriate refund amount if the service was correctional employees retirement plan covered service on the date when the service was rendered or on the date when the refund was taken.

Sec. 8. [EARLY RETIREMENT INCENTIVE.]

This section applies to an employee who has future retirement coverage transferred to the correctional employee retirement plan under sections 1 to 3, and who is at least 55 years old on the applicable effective date of sections 1 to 3. That employee may participate in a health insurance early retirement incentive available under the terms of a collective bargaining agreement in effect on the day before the applicable effective date of sections 1 to 3, notwithstanding any provision of the collective bargaining agreement that limits participation to persons who select the option during the payroll period in which their 55th birthday occurs. A person selecting the health insurance early retirement incentive under this section must retire by the later of the September 30 of the calendar year next following the calendar year in which the applicable effective date specified in section 9 occurs, or the first time at which the person has at least three years of covered correctional service.

Sec. 9. [EFFECTIVE DATE.]

(a) Sections 1 and 4 to 8 are effective on the first day of the first full pay period beginning after June 30, 1994.

(b) Sections 2 and 3 are effective on the first day of the first full pay period beginning after June 30, 1995.

Sec. 3. Minnesota Statutes 1993 Supplement, section 611A.04, subdivision 1, is amended to read:

Subdivision 1. [REQUEST; DECISION.] (a) A victim of a crime has the right to receive restitution as part of the disposition of a criminal charge or juvenile delinquency proceeding against the offender if the offender is convicted or found delinquent. An insurer that reimburses a crime victim for losses incurred as a result of a crime shall have the standing of the victim, to the extent of the reimbursement, for purposes of this subdivision, provided that restitution is paid to the crime victim first. The court, or a person or agency designated by the court, shall request information from the victim to determine the amount of restitution owed. The court or its designee shall obtain the information from the victim in affidavit form or by other competent evidence. Information submitted relating to restitution must describe the items or elements of loss, itemize the total dollar amounts of restitution claimed, and specify the reasons justifying these amounts, if restitution is in the form of money or property. A request for restitution may include, but is not limited to, any out-of-pocket losses resulting from the crime, including medical and therapy costs, replacement of wages and services, and funeral expenses. An actual or prospective civil action involving the alleged crime shall not be used by the court as a basis to deny a victim's right to obtain court ordered restitution under this section. In order to be considered at the sentencing or dispositional hearing, all information regarding restitution must be received by the court administrator of the appropriate court at least three business days before the sentencing or dispositional hearing. The court administrator shall provide copies of this request to the prosecutor and the offender or the offender's attorney at least 24 hours before the sentencing or dispositional hearing. The issue of restitution may be reserved or the sentencing or disposition dispositional hearing or hearing on the restitution request may be continued if the victim's affidavit or other competent evidence submitted by the victim is not received in time. At the sentencing or dispositional hearing, the court shall give the offender an opportunity to respond to specific items of restitution and their dollar amounts in accordance with the procedures established in section 611A.045, subdivision 3.

(b) The court may amend or issue an order of restitution after the sentencing or dispositional hearing if:

- (1) the offender is on probation, committed to the commissioner of corrections, or on supervised release;
- (2) information regarding restitution was submitted as required under paragraph (a); and
- (3) the true extent of the victim's loss was not known at the time of the sentencing or dispositional hearing, or hearing on the restitution request.

If the court holds a hearing on the restitution request, the court must notify the offender, the offender's attorney, the victim, and the prosecutor at least five business days before the hearing. The court's restitution decision is governed by this section and section 611A.045.

(c) The court shall grant or deny restitution or partial restitution and shall state on the record its reasons for its decision on restitution if information relating to restitution has been presented. If the court grants partial restitution it shall also specify the full amount of restitution that may be docketed as a civil judgment under subdivision 3. The court may not require that the victim waive or otherwise forfeit any rights or causes of action as a condition of granting restitution or partial restitution. In the case of a defendant who is on probation, the court may not refuse to enforce an order for restitution solely on the grounds that the order has been docketed as a civil judgment.

Sec. 4. Minnesota Statutes 1992, section 611A.045, subdivision 3, is amended to read:

Subd. 3. [DISPUTE; EVIDENTIARY BURDEN; PROCEDURES.] At the sentencing, dispositional hearing, or hearing on the restitution request, the offender shall have the burden to produce evidence if the offender intends to challenge the amount of restitution or specific items of restitution or their dollar amounts. This burden of production must include a detailed sworn affidavit of the offender setting forth all challenges to the restitution or items of restitution, and specifying all reasons justifying dollar amounts of restitution which differ from the amounts requested by the victim or victims. The affidavit must be served on the prosecuting attorney and the court at least five business days before the hearing. A dispute as to the proper amount or type of restitution must be resolved by the court by the preponderance of the evidence. The burden of demonstrating the amount of loss sustained by a victim as a result of the offense and the appropriateness of a particular type of restitution is on the prosecution.

Sec. 5. Minnesota Statutes 1993 Supplement, section 611A.06, subdivision 1, is amended to read:

Subdivision 1. [NOTICE OF RELEASE REQUIRED.] The commissioner of corrections or other custodial authority shall make a good faith effort to notify the victim that the offender is to be released from imprisonment or incarceration, including release on extended furlough and for work release; released from a juvenile correctional

facility; released from a facility in which the offender was confined due to incompetency, mental illness, or mental deficiency, or commitment under section 253B.18; or ~~transferred to a minimum security setting if the offender's custody status is reduced,~~ if the victim has mailed to the commissioner of corrections or to the head of the facility in which the offender is confined a written request for this notice. The good faith effort to notify the victim must occur prior to the offender's release, ~~transfer, or change in security when the offender's custody status is reduced.~~ For a victim of a felony crime against the person for which the offender was sentenced to imprisonment for more than 18 months, the good faith effort to notify the victim must occur 60 days before the offender's release, ~~transfer, or change to minimum security status.~~

(b) If the court grants the prosecutor's motion, the court shall order that the test be performed by an appropriate health professional and that no reference to the test, the motion requesting the test, the test order, or the test results may appear in the criminal record or be maintained in any record of the court or court services.

Subd. 2. [DISCLOSURE OF TEST RESULTS.] The date and results of any a test performed under subdivision 1 are private data as defined in section 13.02, subdivision 12, when maintained by a person subject to chapter 13, or may be released only with the subject's consent, if maintained by a person not subject to chapter 13. The results are available, on request, to the victim or, if the victim is a minor, to the victim's parent or guardian and positive test results shall be reported to the commissioner of health. Any test results given to a victim or victim's parent or guardian shall be provided by a health professional who is trained to provide the counseling described in section 144.763. Data regarding administration and results of the test are not accessible to any other person for any purpose and shall not be maintained in any record of the court or court services or any other record. After the test results are given to the victim or the victim's parent or guardian, data on the test must be removed from any medical data or health records maintained under section 13.42 or 144.335 and destroyed.

After three years, if the child is younger than 18 years old a claim for loss of support may be resubmitted to the board, and the board staff shall evaluate the claim giving consideration to the child's financial need and to the availability of funds to the board. The court shall determine reasonable compensation for the services and direct payment by the county in which the prosecution originated, to the organization or person who rendered them, upon the filing of a claim for compensation supported by an affidavit specifying the time expended, services rendered, and expenses incurred on behalf of the defendant, and the compensation received in the same case or for the same services from any other source.

(b) The compensation to be paid to a person for such service rendered to a defendant under this section, or to be paid to an organization for such services rendered by an employee, may not exceed \$1,000, exclusive of reimbursement for expenses reasonably incurred, unless payment in excess of that limit is certified by the court as necessary to provide fair compensation for services of an unusual character or duration and the amount of the excess payment is approved by the chief judge of the district. The chief judge of the judicial district may delegate approval authority to an active district judge.

(c) If the court denies authorizing counsel to obtain services on behalf of the defendant, the court shall make written findings of fact and conclusions of law that state the basis for determining that counsel may not obtain services on behalf of the defendant. Subd. 3. [COMMISSIONER.] "Commissioner" means the commissioner of revenue.

Subd. 4. [EQUALIZATION AID ACCOUNT.] "Equalization aid account" means the account established in the general fund to pay education equalization aids to school districts. All revenue received from the education equalization commercial-industrial property tax must be deposited in this account.

For fiscal year 1996, "equalization aid" means debt service equalization aid. For fiscal years 1997 and later, "equalization aid" means debt service equalization aid and referendum equalization aid.

Subd. 5. [FARM PROPERTY.] "Farm property" means class 2a property, except the house, garage, and one acre, as defined in section 273.13, subdivision 23.

Sec. 23. [124D.02] [EDUCATION EQUALIZATION TAX.]

Subdivision 1. [EDUCATION EQUALIZATION TAX BASE.] The net tax capacity of commercial-industrial property and farm property is the education equalization tax base and is subject to the education equalization tax rate as determined in subdivision 3.

Subd. 2. [EDUCATION EQUALIZATION LEVY.] On or before October 1 of each year, the commissioner shall determine the total amount of the education equalization tax base within the state for the previous assessment year. The commissioner of education shall calculate and report to the commissioner of revenue the amount of revenue necessary to provide state aid to fund the equalization aids specified in section 124D.01, subdivision 4, for the following fiscal year. The commissioner shall determine each county's equalized education equalization tax base by dividing the education equalization tax base, excluding public utility property, but including railroad property, by its most recently available countywide aggregate commercial-industrial sales ratio determined under section 124.2131, and then adding that product to each county's public utility part of the education equalization tax base. Each county's education equalization levy equals the statewide education equalization levy determined in this subdivision multiplied by the ratio of each county's equalized education equalization tax base determined in this subdivision to the total equalized education equalization tax base for all counties.

Subd. 3. [EDUCATION EQUALIZATION TAX RATE.] Before December 2 of each year, the commissioner shall notify each county auditor of the amount of education equalization tax to be levied on commercial-industrial property and farm property located in the county for taxes payable in the following year. The county auditor shall compute the education equalization tax rate for the county by dividing the county's education equalization levy, as certified by the commissioner, by the total education equalization tax base within the county determined under subdivision 1.

Sec. 24. [124D.03] [PAYMENT.]

The amount of education equalization tax due on each parcel of commercial-industrial property and farm property must be listed separately on the property tax statement under section 276.04, subdivision 2. Payment of the education equalization tax must be made at the same time and in the same manner as all other property taxes levied by all units of local government. The county treasurer shall pay the amounts collected from the education equalization tax to the state treasurer. Settlement between the county treasurer and the state treasurer must be made at the same time that distributions are made to local governmental units in accordance with sections 276.09 to 276.111. The funds payable to the state treasurer must be deposited in the equalization aid account in the general fund, and must be used only to pay education equalization aids to school districts."

(3) the defendant must maintain or begin an educational program;

(4) the defendant must abide by named restrictions on the defendant's personal associations, place of abode, or travel;

(5) the defendant must avoid all contact with an alleged victim of the crime and with any potential witness who may testify concerning the alleged crime;

(6) the defendant must report on a regular basis to a designated law enforcement or court services agency;

(7) the defendant must comply with a named curfew;

(8) the defendant must refrain from possessing a firearm, destructive device, or other dangerous weapon;

(9) the defendant must refrain from excessive use of alcohol, or any use of a controlled substance, as defined in section 152.01, without a prescription by a licensed medical professional;

(10) the defendant must undergo available medical or psychiatric treatment, including treatment for chemical dependency, and remain in a named institution if required for that purpose;

(11) the defendant must execute an agreement to forfeit upon failing to appear as required, such designated property, including money, as is reasonably necessary to assure the appearance of the defendant as required and must post with the court the indicia of property ownership or percentage of money named by the court;

(12) the defendant must return to custody for named hours following release for employment, schooling, or other limited purposes; and

(13) the defendant must satisfy any other condition that is reasonably necessary to assure the appearance of the defendant as required and to assure the safety of the defendant, any other person and the community.

The judge or judicial officer may at any time amend the release order to impose additional or different conditions of release.

Subd. 3. [TEMPORARY DETENTION TO PERMIT REVOCATION OF CONDITIONAL RELEASE.] Except as otherwise provided in sections 629.01 to 629.291, if the judge or judicial officer determines that:

(1) the defendant is, and was when the alleged crime was committed; (i) on conditional release pending trial on any local, state, or federal charge; (ii) on conditional release pending imposition or execution of sentence, appeal of sentence or conviction, or completion of sentence for any local, state, or federal offense; or (iii) on probation, parole, or supervised release for any local, state, or federal offense; and

(2) the defendant may flee or pose a danger to the defendant, any other person, or the community;

the judge or judicial officer may order the defendant detained for a period of not more than five days, excluding weekends and holidays. Upon issuing a temporary detention order under this subdivision, the court shall direct the prosecuting attorney to notify the appropriate federal, state, or local court or government agency. If the court or agency notified fails or declines to take the defendant into custody during this time period, the judge or judicial officer shall release or detain the defendant as provided in this subdivision or subdivision 2 or 4.

Subd. 4. [DETENTION PENDING TRIAL.] If, after a hearing conducted under section 629A.03, the judge or judicial officer finds that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the defendant, any other person, and the community, the judge or judicial officer may order the detention of the defendant before trial. Subject to the provisions of section 629A.03, the judge or judicial officer may order pretrial detention of the defendant in exceptional cases when necessary to protect the orderly processes of the criminal justice system.

Sec. 3. [629A.03] [PRETRIAL DETENTION HEARING.]

Subdivision 1. [WHEN HELD.] The judge or judicial officer shall hold a pretrial detention hearing in the following cases to determine whether any condition or combination of conditions set forth in section 629A.02, subdivision 2, will reasonably assure the appearance of the defendant as required and the safety of the defendant, any other person, and the community:

(1) upon motion by the prosecuting attorney in the following cases when the proof is evident or the presumption great: the defendant is charged with a violent crime and either: (i) the defendant has engaged in a pattern of violent crime; or (ii) the defendant was previously convicted of a violent crime within the ten-year period preceding the alleged offense; or

(2) upon motion by the prosecuting attorney or by the court on its own motion, in any case involving a serious risk that the defendant will flee, or a serious risk that the defendant will obstruct or attempt to obstruct justice, or threaten, injure, or intimidate, or attempt to threaten, injure, or intimidate a prospective witness or juror.

As used in this subdivision, "violent crime" means a violation of any of the following laws or a similar law of the United States or another state: section 609.185; 609.19; 609.195; 609.20; 609.205; 609.21; 609.221; 609.222; 609.223; 609.228; 609.235; 609.24; 609.245; 609.25; 609.2661; 609.2662; 609.2663; 609.2664; 609.2665; 609.267; 609.2671; 609.268; 609.342; 609.343; 609.344; 609.345; 609.498, subdivision 1; 609.561; 609.562; 609.582, subdivision 1; or 609.687.

The detention hearing must be held immediately upon the defendant's first appearance before the judge or judicial officer, unless the defendant or the prosecuting attorney seeks a continuance. Except for good cause, a continuance on motion of the defendant may not exceed five days, and a continuance on motion of the prosecuting attorney may not exceed three days. During a continuance, the defendant must be detained. Upon motion by the prosecuting attorney or on the court's own motion, the judge or judicial officer may order that a defendant who appears to be a narcotics addict receive a medical examination while in custody to determine whether the defendant is addicted.

Subd. 2. [RIGHTS AND PROCEDURES.] (a) The rights and procedures described in this subdivision apply to the pretrial detention hearing.

(b) The defendant has the right to be represented by counsel. If the defendant is financially unable to obtain adequate counsel, the court shall appoint counsel at public expense to represent the defendant.

(c) The prosecuting attorney has the burden of going forward, by offer of proof or otherwise, and the burden of proving by clear and convincing evidence that pretrial detention is necessary under the standard contained in section 629A.02, subdivision 4.

(d) The evidence shall be presented in open court and any party has the right to testify, present witnesses, cross-examine witnesses who appear at the hearing, and present information by offer of proof or otherwise.

(e) The defendant may be detained pending completion of the hearing.

(f) Any testimony given by the defendant during the pretrial detention hearing is not admissible in any other proceeding, including future proceedings relating to the current charge, except that the testimony shall be admissible for impeachment purposes as to a material issue and shall be admissible in a perjury proceeding.

Sec. 4. [629A.04] [FACTORS TO BE CONSIDERED IN ORDERING RELEASE OR DETENTION.]

In determining whether there are conditions of release that will reasonably assure the appearance of the defendant as required and the safety of the defendant, any other person and the community, the judge or judicial officer shall take into account available information concerning:

(1) the nature and circumstances of the offense charged and whether a weapon was used or the threat of a weapon was involved in the alleged offense;

(2) the weight of the evidence against the defendant;

(3) the history and characteristics of the defendant, including:

(i) the length of the defendant's residency in Minnesota, the defendant's living situation, including whether the defendant lives alone or with any other person, the defendant's employment, income, age, prior criminal record, and history of prior failures to appear for court proceedings; and

(ii) whether, when the current offense or arrest occurred, the defendant was on probation, parole, or other release pending trial, sentencing, appeal, or completion of sentence for an offense under federal, state, or local law; and

(4) the nature and seriousness of the danger to the defendant, any other person, or the community that would be posed by the defendant's release.

In considering the financial conditions of release described in section 629A.02, subdivision 2, the court may, on its own motion, or shall upon the motion of the prosecuting attorney, conduct an inquiry into the source of the property to be designated for possible forfeiture or offered as collateral to secure a bond, and shall decline to accept the designation or the use as collateral of property that, because of its source, will not reasonably assure the defendant's appearance as required.

Sec. 5. [629A.05] [CONTENTS OF RELEASE ORDER.]

In a release order issued under section 629A.02, subdivision 2, the judge or judicial officer shall include the following:

(1) a written statement that sets forth all the conditions to which the release is subject, in a manner sufficiently clear and specific to serve as a guide for the defendant's conduct; and

(2) an advisory to the defendant concerning:

(i) the penalties for violating a condition of release, including the penalties for committing an offense while on pretrial release;

(ii) the consequences for violating a condition of release, including the immediate issuance of a warrant for the defendant's arrest; and

(iii) the provisions and penalties of sections 609.498 and 609.50.

Sec. 6. [629A.06] [CONTENTS OF DETENTION ORDER.]

Subdivision 1. [CONTENTS.] In a detention order issued under section 629A.02, subdivision 4, the judge or judicial officer shall include the following:

(1) written findings of fact and a written statement of the reasons for detention. If the defendant has agreed to abide by conditions of release that are reasonably available, the judge or judicial officer must state in writing or on the record why release on such conditions was not ordered;

(2) an order that the defendant be confined in a correctional facility separate, to the extent possible, from persons awaiting or serving sentences or being held in custody pending appeal;

(3) an order that the defendant be given reasonable opportunity to consult privately with counsel; and

(4) an order that, upon court order or the request of a prosecuting attorney, the person in charge of the facility deliver the defendant to appear in court.

Subd. 2. [TEMPORARY RELEASE.] The judge or judicial officer may, by later order, permit the temporary release of the defendant in the custody of an appropriate person to the extent that the judge or judicial officer determines release to be necessary for preparation of the defendant's defense or for another compelling reason.

Sec. 7. [629A.07] [PRESUMPTION OF INNOCENCE.]

Nothing in sections 629A.02 to 629A.06 may be construed as changing or limiting the presumption of innocence.

Sec. 8. [629.08] [RELEASE OR DETENTION OF A DEFENDANT PENDING SENTENCE OR APPEAL.]

Subdivision 1. [PENDING SENTENCING.] The judge or judicial officer shall order that a person who has been found guilty of an offense and who is awaiting imposition or execution of sentence be detained, unless the judge or judicial officer finds by clear and convincing evidence that the person is not likely to flee or pose a danger to the safety of the person, any other person, or the community if released under section 629A.02, subdivision 2. Upon making that finding, the judge or judicial officer shall order the release of the person in accordance with the provisions of section 629A.02, subdivision 2.

Subd. 2. [RELEASE OR DETENTION PENDING APPEAL BY DEFENDANT.] The judge or judicial officer shall order that a person who has been found guilty of an offense and sentenced to a term of imprisonment and who has filed an appeal or a writ of certiorari, be detained, unless the judge or judicial officer finds:

(1) by clear and convincing evidence that the person is not likely to flee or pose a danger to the safety of the person, any other person, or the community if released under section 629A.02, subdivision 2; and

(2) that the appeal is not for purpose of delay and raises a substantial question of law or fact likely to result in reversal or an order for a new trial.

Upon making those findings, the judge or judicial officer shall order the release of the person in accordance with the provisions of section 629A.02, subdivision 2.

Subd. 3. [RELEASE OR DETENTION PENDING APPEAL BY PROSECUTING ATTORNEY.] Unless the defendant is otherwise subject to a release or detention order, the judge or judicial officer shall treat a defendant in accordance with the provisions of sections 629A.02 to 629A.06 when an appeal is taken by a prosecuting attorney from a pretrial order under rule 28.04 of the Rules of Criminal Procedure.

Sec. 9. [629A.09] [RELEASE OR DETENTION OF A MATERIAL WITNESS.]

If it appears from an affidavit filed by a party that the testimony of a person is material in a criminal proceeding, and if it is shown that it may become impracticable to secure the presence of the person by subpoena, a judge or judicial officer may order the arrest of the person and treat the person in accordance with the provisions of sections 629A.02 to 629A.06. No material witness may be detained because of an inability to comply with a condition of release if the testimony of the witness can adequately be secured by deposition and if further detention is not necessary to prevent a failure of justice. Release of a material witness may be delayed for a reasonable period until the deposition of the witness can be taken.

Sec. 10. [629A.10] [REVIEW AND APPEAL OF A RELEASE OR DETENTION ORDER.]

Subdivision 1. [REVIEW OF RELEASE ORDER ISSUED BY JUDICIAL OFFICER.] If a defendant is ordered released by a judicial officer other than a judge, the prosecuting attorney may file with the judge having jurisdiction over the case, a motion for revocation of the order or amendment of the conditions of release, and a defendant may file a motion with the judge for amendment of the conditions of release. The motion or motions must be heard and determined promptly by the judge.

Subd. 2. [REVIEW OF A DETENTION ORDER ISSUED BY JUDICIAL OFFICER.] If a defendant is ordered detained by a judicial officer other than a judge, the defendant may file a motion with the judge having jurisdiction over the case for revocation or amendment of the order. The motion must be heard and determined promptly by the judge.

Subd. 3. [APPEAL FROM RELEASE OR DETENTION ORDER.] An appeal to the court of appeals may be taken by the defendant or the prosecuting attorney from a release or detention order, or from a decision denying revocation or amendment of an order. The appeal must be heard and determined promptly.

Sec. 11. [629A.11] [SANCTIONS FOR VIOLATION OF RELEASE CONDITION.]

Subdivision 1. [AVAILABLE SANCTIONS.] A person who has been released under section 629A.02 and who has violated a condition of the release is subject to revocation of release, an order of detention, and prosecution for contempt of court.

Subd. 2. [REVOCATION OF RELEASE.] The prosecuting attorney may begin a proceeding for revocation of an order for release by filing a motion with the trial court. A judge or judicial officer may issue a warrant for the arrest of a person charged with violating a condition of release, and the person must be brought before a judge or judicial officer in the district in which the arrest was ordered for a proceeding in accordance with this section. To the extent practicable, a person charged with violating the condition of release that the person not commit any criminal act during the period of release must be brought before the judge or judicial officer who ordered the release and whose order is alleged to have been violated.

The judge or judicial officer shall enter an order of revocation and detention if, after a hearing, the judge or judicial officer finds the following:

(1)(i) probable cause to believe that the person has committed a federal, state, or local crime while on release, or (ii) clear and convincing evidence that the person has violated any other condition of release; and

(2)(i) based on the factors set forth in section 629A.04, there is no condition or combination of conditions of release that will assure that the person will not flee or pose a danger to the safety of the person, any other person, or the community, or (ii) the person is unlikely to abide by any condition or combination of conditions of release.

If there is probable cause to believe that, while on release, the person committed a criminal act, a rebuttable presumption arises that no condition or combination of conditions will assure that the person will not pose a danger to the safety of the person, any other person, or the community. If the judge or judicial officer finds that there are conditions of release that will assure that the person will not flee or pose a danger to the safety of the person, any other person, or the community, and that the person will abide by these conditions, the judge or judicial officer shall treat the person in accordance with the provisions of sections 629A.02 to 629A.06 and may amend the conditions or release accordingly.

Subd. 3. [PROSECUTION OF CONTEMPT.] If the person has violated a condition of release, the judge or judicial officer may begin a contempt proceeding in accordance with the provisions of chapter 588.

Sec. 12. [629A.12] [CONSTRUCTION.]

Nothing in this chapter or in Rule 6 of the Rules of Criminal Procedure shall be construed to limit the inherent power of the courts to deny or revoke bail in exceptional cases when necessary to protect the orderly processes of the criminal justice system.

The program must include education on the causes of family violence and culturally responsive approaches to serving victims. The program must emphasize the need for the coordination of court and legal victim advocacy services and include education on domestic abuse programs and policies within law enforcement agencies and prosecuting authorities as well as the court system. The program also must include training for judges, judicial officers, and court services personnel on how to assure that their bail evaluations and decisions are racially and culturally neutral.

Sec. 2. Minnesota Statutes 1992, section 589.16, is amended to read:

589.16 [~~WHEN BAIL~~ RELEASE OR REMAND OR DISCHARGE ALLOWED.]

If the petitioner has been legally committed for a criminal offense, or if upon hearing it appears by the testimony offered with the return that the petitioner is guilty of the offense, although the commitment is irregular, the judge before whom the petitioner is brought shall ~~allow release on bail, if good bail is offered, or, if not, the judge shall immediately send that petitioner back to the detaining authority~~ proceed under the applicable provisions of chapter 629A. In other cases the petitioner must be placed in the custody of the person legally entitled to custody, or, if no one is so entitled, the petitioner must be discharged.

Sec. 3. [609.492] [RELEASE; FAILURE TO APPEAR.]

Subdivision 1. [CRIME.] Whoever knowingly fails to appear before a court as required by the conditions of release imposed under chapter 629A, or knowingly fails to surrender for service of sentence under a court order, is guilty of a crime and may be sentenced as provided in subdivision 2.

Subd. 2. [PENALTIES.] A person who is convicted of violating subdivision 1 may be sentenced as follows:

(1) if the person was released in connection with a charge of, or while awaiting sentence, surrender for service of sentence, or appeal following conviction for a crime punishable by life imprisonment or by a term of imprisonment of 20 years or more, to imprisonment for not more than ten years or to payment of a fine of not more than \$20,000, or both;

(2) if the person was released in connection with a charge of, or while awaiting sentence, surrender for service of sentence, or appeal following conviction for a crime punishable by a maximum term of imprisonment of at least ten years but less than 20 years, to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both;

(3) if the person was released in connection with a charge of, or while awaiting sentence, surrender for service of sentence, or appeal following conviction for any other felony, to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both; and

(4) if the person was released in connection with a charge of, or while awaiting sentence, surrender for service of sentence, or appeal following conviction for a misdemeanor or gross misdemeanor, to imprisonment for not more than 90 days or to payment of a fine of not more than \$700, or both.

Subd. 3. [AFFIRMATIVE DEFENSE.] If proven by a preponderance of the evidence, it is an affirmative defense to a prosecution under this section that:

(1) uncontrollable circumstances prevented the person from appearing or surrendering;

(2) the person did not contribute to the creation of these circumstances in reckless disregard to the requirement to appear or surrender; and

(3) the person appeared or surrendered as soon as these circumstances ceased to exist.

Sec. 4. [609.4921] [OFFENSE COMMITTED WHILE ON RELEASE; ADDITIONAL PENALTY.]

Notwithstanding section 609.035 to the contrary, whoever commits a crime while on release under chapter 629A must, upon conviction, be sentenced as follows in addition to the penalty prescribed for the crime:

(1) if the crime committed while on release is a felony, to imprisonment for not more than three years or to payment of a fine of not more than \$5,000, or both; or

(2) if the crime committed while on release is a misdemeanor or gross misdemeanor, to imprisonment for not more than 90 days or to payment of a fine of not more than \$700, or both.

The court shall provide that the sentence imposed under this section shall run consecutively to any sentence imposed for the underlying crime.

Sec. 5. Minnesota Statutes 1992, section 629.53, is amended to read:

629.53 [PROVIDING RELEASE ON BAIL; COMMITMENT.]

A person charged with a criminal offense may be released with or without bail in accordance with ~~rule 6.02 of the rules of criminal procedure~~ the provisions of chapter 629A. Money bail is the property of the accused, whether deposited by that person or by a third person on the accused's behalf. When money bail is accepted by a judge, that judge shall order it to be deposited with the court administrator. The court administrator shall retain it until the final disposition of the case and the final order of the court disposing of the case. Upon release, the amount released must be paid to the accused personally or upon that person's written order. In case of conviction, the judge may order the money bail deposit to be applied to any fine or restitution imposed on the defendant by the court and, if the fine or restitution is less than the deposit, order the balance to be paid to the defendant. Money bail deposited with the court or any officer of it is exempt from garnishment or levy under attachment or execution.

Sec. 6. Minnesota Statutes 1992, section 629.63, is amended to read:

629.63 [CONDITIONS UNDER WHICH SURETY MAY ARREST DEFENDANT.]

If a surety believes that a defendant for whom the surety is acting as bonding agent is (1) about to flee, (2) will not appear as required by the defendant's recognizance, or (3) will otherwise not perform the conditions of the recognizance, the surety may arrest or have another person or the sheriff arrest the defendant.

If the surety or another person at the surety's direction arrests the defendant, the surety or the other person shall take the defendant before the judge before whom the defendant was required to appear and surrender the defendant to that judge.

If the surety wants the sheriff to arrest the defendant, the surety shall deliver a certified copy of the recognizance under which the defendant is held to the sheriff, with a direction endorsed on the recognizance requiring the sheriff to arrest the defendant and bring the defendant before the appropriate judge.

Upon receiving a certified copy of the recognizance and payment of the sheriff's fees, the sheriff shall arrest the defendant and bring the defendant before the judge.

Before a surety who has arrested a defendant who has violated the conditions of release may personally surrender the defendant to the appropriate judge, the surety shall notify the sheriff. ~~If the defendant at the hearing before the judge is unable to post increased bail or meet alternative conditions of release in accordance with Rule 6.03 of the rules of criminal procedure, the sheriff or a deputy shall take the defendant into custody. The judge before whom the defendant is brought by the surety or the sheriff shall proceed under the provisions of chapter 629A.~~

Sec. 7. Minnesota Statutes 1993 Supplement, section 629.72, subdivision 2, is amended to read:

Subd. 2. [JUDICIAL REVIEW; RELEASE; BAIL.] (a) The judge before whom the arrested person is brought shall review the facts surrounding the arrest and detention and either release or detain the defendant pending trial in accordance with the provisions of chapter 629A. The arrested person must be ordered released pending trial or hearing on the person's personal recognizance or on an order to appear or upon the execution of an unsecured bond in a specified amount unless the judge determines that release (1) will be inimical to public safety, (2) will create a threat of bodily harm to the arrested person, the victim of the alleged harassment or assault, or another, or (3) will not reasonably assure the appearance of the arrested person at subsequent proceedings.

(b) If the judge determines release is not advisable, the judge may impose any conditions of release, including money bail, that will reasonably assure the appearance of the person for subsequent proceedings, or will protect the victim of the alleged harassment or assault, or ~~may fix the amount of money bail without other conditions upon which the arrested person may obtain release~~ may issue a detention order as provided in chapter 629A. If conditions of release are imposed, the judge shall issue a written order for conditional release. The court administrator shall immediately distribute a copy of the order for conditional release to the agency having custody of the arrested person and shall provide the agency having custody of the arrested person with any available information on the location of the victim in a manner that protects the victim's safety. Either the court or its designee or the agency having custody of the arrested person shall serve upon the defendant a copy of the order. Failure to serve the arrested person with a copy of the order for conditional release does not invalidate the conditions of release.

(c) If the judge imposes as a condition of release a requirement that the person have no contact with the victim of the alleged harassment or assault, the judge may also, on its own motion or that of the prosecutor or on request of the victim, issue an ex parte temporary restraining order under section 609.748, subdivision 4, or an ex parte temporary order for protection under section 518B.01, subdivision 7. Notwithstanding section 518B.01, subdivision 7, paragraph (b), or 609.748, subdivision 4, paragraph (c), the temporary order is effective until the defendant is convicted or acquitted, or the charge is dismissed, provided that upon request the defendant is entitled to a full hearing on the restraining order under section 609.748, subdivision 5, or on the order for protection under section 518B.01. The hearing must be held within seven days of the defendant's request.

Sec. 8. [PROSECUTOR TRAINING.]

The county attorneys' association, in conjunction with the attorney general's office, shall prepare and conduct a training course for prosecutors on how to assure that their bail recommendations are racially and culturally neutral. The course may be combined with other training conducted by the county attorneys' association or other groups.

Sec. 9. [EFFECT OF STATUTE ON CRIMINAL RULES.]

Rules 6.02, 6.03, 19.05, 27.01, 28.02, 28.04, and 29.04 of the Rules of Criminal Procedure are superseded to the extent of their conflict with this article and article 2.

Sec. 10. [REPEALER.]

Minnesota Statutes 1992, sections 609.49; 629.44; 629.45; 629.47; 629.48; 629.49; 629.54; 629.55; 629.58; 629.59; 629.60; 629.61; 629.62; and 629.64, are repealed.

Sec. 11. [EFFECTIVE DATE.]

Except as otherwise provided in this section, articles 2 and 3 shall become effective only upon ratification of the amendment proposed in article 1 as provided in the Minnesota Constitution. If the constitutional amendment proposed by article 1 is adopted by the people, articles 2 and 3, sections 2 to 7, 9, and 10 are effective January 1, 1995, and apply to crimes committed on or after that date. Article 3, sections 1 and 8 are effective July 1, 1994."

"ARTICLE 1

COMMUNITY INTEGRATED SERVICE NETWORKS

Section 1. [62J.016] [GOALS OF RESTRUCTURING.]

The state seeks to bring about changes in the health care delivery and financing system that will assure quality, affordable, and accessible health care for all Minnesotans. This goal will be accomplished by restructuring the delivery system, the financial incentives, and the regulatory environment in a way that will make health care providers and health plan companies more accountable to consumers, group purchasers, and communities for their costs and quality, their effectiveness in meeting the health care needs of all of their patients and enrollees, and their contributions to improving the health of the greater community.

Sec. 2. [62J.017] [IMPLEMENTATION TIMETABLE.]

The state seeks to complete the restructuring of the health care delivery and financing system by July 1, 1997. The restructured system will have two options: (1) integrated service networks, which will be accountable for meeting state cost containment, quality, and access standards; or (2) a uniform set of price and utilization controls for all health care services for Minnesota residents not provided through an integrated service network. Both systems will operate under the state's limits on cost increases and will be structured to promote competition in the health care marketplace.

Beginning July 1, 1994, measures will be taken to increase the public accountability of existing health plan companies, to promote the development of small, community-based integrated service networks, and to reduce administrative costs by standardizing third-party billing forms and procedures and utilization review requirements. Voluntary formation of other integrated service networks will begin January 1, 1996. Statutes for the entire restructured health care financing and delivery system must be enacted by January 1, 1996, and a phase-in of the all-payer reimbursement system must begin on that date. By July 1, 1997, all health coverage must be regulated under integrated service network or community integrated service network law pursuant to chapter 62N or all-payer law pursuant to chapter 62P.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62N.02, is amended by adding a subdivision to read:

Subd. 4a. [COMMUNITY INTEGRATED SERVICE NETWORK.] "Community integrated service network" or "community network" means a formal arrangement licensed by the commissioner under section 62N.25 for providing prepaid health services to enrolled populations of 50,000 or fewer enrollees.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62N.02, subdivision 8, is amended to read:

Subd. 8. [INTEGRATED SERVICE NETWORK.] "Integrated service network" means a formal arrangement permitted by this chapter and licensed by the commissioner for providing health services under this chapter to enrollees for a fixed payment per time period. Integrated service network does not include a community integrated service network.

Sec. 5. [62N.25] [COMMUNITY INTEGRATED SERVICE NETWORKS.]

Subdivision 1. [SCOPE OF LICENSURE.] Beginning July 1, 1994, the commissioner shall accept applications for licensure as a community integrated service network under this section. Licensed community integrated service networks may begin providing health coverage to enrollees no earlier than January 1, 1995, and may begin marketing coverage to prospective enrollees upon licensure.

Subd. 2. [LICENSURE REQUIREMENTS GENERALLY.] To be licensed and to operate as a community integrated service network, an applicant must satisfy the requirements of chapter 62D, and all other legal requirements that apply to entities licensed under chapter 62D, except as exempted or modified in this section. Community networks must, as a condition of licensure, comply with rules adopted under section 256B.0644 that apply to entities governed by chapter 62D.

Subd. 3. [REGULATION; APPLICABLE LAW.] Community integrated service networks are regulated and licensed by the commissioner under the same authority that applies to entities licensed under chapter 62D, except as exempted or modified under this section. All statutes or rules that apply to health maintenance organizations apply to community networks, unless otherwise specified. A cooperative organized under chapter 308A may establish a community integrated service network.

Subd. 4. [GOVERNING BODY.] Notwithstanding section 62D.06, at least 51 percent of the members of the governing body of the community integrated service network must be residents of the community integrated service network's service area. Service area, for purposes of this subdivision, may include contiguous geographic areas outside the state of Minnesota.

Subd. 5. [BENEFITS.] Community integrated service networks must offer the health maintenance organization benefit set, as defined in chapter 62D, and other laws applicable to entities regulated under chapter 62D, except that the community integrated service network may impose a deductible, not to exceed \$1,000 per person per year, provided that out-of-pocket expenses on covered services do not exceed \$3,000 per person or \$5,000 per family per year. The deductible must not apply to preventive health services as described in Minnesota Rules, part 4685.0801, subpart 8.

Subd. 6. [SOLVENCY.] A community integrated service network is exempt from the deposit, reserve, and solvency requirements specified in sections 62D.041, 62D.042, 62D.043, and 62D.044 and shall comply instead with sections 62N.27 to 62N.32.

Subd. 7. [EXEMPTIONS FROM EXISTING REQUIREMENTS.] Community integrated service networks are exempt from the following requirements applicable to health maintenance organizations:

- (1) conducting focused studies under Minnesota Rules, part 4685.1125;
- (2) preparing and filing, as a condition of licensure, a written quality assurance plan, and annually filing such a plan and a work plan, under Minnesota Rules, parts 4685.1110 and 4685.1130;
- (3) maintaining statistics under Minnesota Rules, part 4685.1200;
- (4) filing provider contract forms under sections 62D.03, subdivision 4, and 62D.08, subdivision 1;

(5) reporting any changes in the address of a network provider or length of a provider contract or additions to the provider network to the commissioner within ten days under section 62D.08, subdivision 5. Community networks must report such information to the commissioner on a quarterly basis. Community networks that fail to make the required quarterly filing are subject to the penalties set forth in section 62D.08, subdivision 5; and

(6) preparing and filing, as a condition of licensure, a marketing plan, and annually filing a marketing plan, under sections 62D.03, subdivision 4, paragraph (1), and 62D.08, subdivision 1.

Subd. 8. [PROVIDER CONTRACTS.] The provisions of section 62D.123 are implied in every provider contract or agreement between a community integrated service network and a provider, regardless of whether those provisions are expressly included in the contract. No participating provider, agent, trustee, or assignee of a participating provider has or may maintain any cause of action against a subscriber or enrollee to collect sums owed by the community network.

Subd. 9. [EXCEPTIONS TO ENROLLMENT LIMIT.] A community integrated service network may enroll enrollees in excess of 50,000 if necessary to comply with guaranteed issue or guaranteed renewal requirements of chapter 62L or section 62A.65.

Sec. 6. [62N.255] [EXPANDED PROVIDER NETWORKS.]

Subdivision 1. [PROVIDER ACCEPTANCE REQUIRED.] Every community network shall establish an expanded network of allied independent health providers, in addition to a preferred network. A community network shall accept as a provider in the expanded network any allied independent health provider who: (1) meets the community network's credentialing standards; (2) agrees to the terms of the community network's provider contract; and (3) agrees to comply with all managed care protocols of the community network.

Subd. 2. [MANAGED CARE.] The managed care protocols used by the community network may include: (1) a requirement that an enrollee obtain a referral from the community network before obtaining services from an allied independent health provider in the expanded network; (2) limits on the number and length of visits to allied independent health providers in the expanded network allowed by each referral, as long as the number and length of visits allowed is not less than the number and length allowed for comparable referrals to allied independent health providers in the preferred network; and (3) ongoing management and review by the community network of the care provided by an allied independent health provider in the expanded network after a referral is made.

Subd. 3. [MANDATORY OFFERING TO ENROLLEES.] Each community network may offer to enrollees the option of receiving covered services through the expanded network of allied independent health providers established under subdivisions 1 and 2. The network may establish separate premium rates and cost-sharing requirements for this expanded network plan, as long as these premium rates and cost-sharing requirements are actuarially justified and approved by the commissioner.

Subd. 4. [PROVIDER REIMBURSEMENT.] A community network shall pay each allied independent health provider in the expanded network the same rate per unit of service as paid to allied independent health providers in the preferred network.

Subd. 5. [EXEMPTION.] A community network is exempt from the requirements of this section, to the extent that it operates as a staff model health plan company, as defined in section 295.50, subdivision 12b, by employing allied independent health care providers to deliver health care services to enrollees.

Subd. 6. [DEFINITIONS.] (a) For purposes of this section, the following definitions apply.

(b) "Allied independent health provider" means an independently enrolled audiologist, chiropractor, dietician, home health care provider, marriage and family therapist, nurse practitioner or advanced practice nurse, occupational therapist, optometrist, optician, outpatient chemical dependency counselor, pharmacist who is not employed by and based on the premises of a community network, physical therapist, podiatrist, licensed consulting psychologist, psychological practitioner, licensed social worker, or speech therapist.

(c) "Home health care provider" means a personal care assistant, home health aide, or a provider of homemaker, respite care, adult day care, or home health nursing services.

(d) "Independently enrolled" means that a provider can bill, and receive direct payment for services from, a third-party payer or patient.

Sec. 7. [62N.26] [SHARED SERVICES COOPERATIVE.]

The commissioner of health shall establish, or assist in establishing, a shared services cooperative organized under chapter 308A to make available administrative and legal services, technical assistance, provider contracting and billing services, and other services to those community integrated service networks and integrated service networks that choose to participate in the cooperative. The commissioner shall provide, to the extent funds are appropriated, start-up loans sufficient to maintain the shared services cooperative until its operations can be maintained by fees and contributions. The cooperative must not be staffed, administered, or supervised by the commissioner of health. The cooperative shall make use of existing resources that are already available in the community, to the extent possible.

Sec. 8. [62N.27] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] For purposes of sections 62N.27 to 62N.32, the terms defined in this section have the meanings given. Other terms used in those sections have the meanings given in sections 62D.041, 62D.042, 62D.043, and 62D.044.

Subd. 2. [NET WORTH.] "Net worth" means admitted assets, as defined in subdivision 3, minus liabilities. Liabilities do not include those obligations that are subordinated in the same manner as preferred ownership claims under section 60B.44, subdivision 10. For purposes of this subdivision, preferred ownership claims under section 60B.44, subdivision 10, include promissory notes subordinated to all other liabilities of the community network.

Subd. 3. [ADMITTED ASSETS.] "Admitted assets" means admitted assets as defined in section 62D.044, except that real estate investments allowed by section 62D.045 are not admitted assets. Admitted assets include the deposit required under section 62N.32.

Subd. 4. [ACCREDITED CAPITATED PROVIDER.] "Accredited capitated provider" means a health care providing entity that:

(1) receives capitated payments from a community network under a contract to provide health services to the community network's enrollees. For purposes of this section, a health care providing entity is "capitated" when its compensation arrangement with a community network involves the provider's acceptance of material financial risk for the delivery of a predetermined set of services for a specified period of time;

(2) is licensed to provide and provides the contracted services, either directly or through an affiliate. For purposes of this section, an "affiliate" is any person that directly or indirectly controls, or is controlled by, or is under common control with, the health care providing entity, and "control" exists when any person, directly or indirectly, owns, controls, or holds the power to vote, or holds proxies representing, no less than 80 percent of the voting securities or governance rights of any other person;

(3) agrees to serve as an accredited capitated provider of a community network for the purpose of reducing the community network's net worth and deposit requirements under section 62N.28; and

(4) is approved by the commissioner as an accredited capitated provider for a community network in accordance with section 62N.31.

Subd. 5. [PERCENTAGE OF RISK CEDED.] "Percentage of risk ceded" means the ratio, expressed as a percentage, between capitated payments made, or, in the case of a new entity, expected to be made, by a community network to all accredited capitated providers during any contract year and the total premium revenue, adjusted to eliminate expected administrative costs, received for the same time period by the community network.

Subd. 6. [PROVIDER AMOUNT AT RISK.] "Provider amount at risk" means a dollar amount certified by a qualified actuary to represent the expected direct costs to an accredited capitated provider for providing the contracted, covered health care services to the enrollees of the community network to which it is accredited for a period of six months.

Sec. 9. [62N.28] [NET WORTH REQUIREMENT.]

Subdivision 1. [REQUIREMENT.] Except as otherwise permitted by this chapter, each community network must maintain a minimum net worth equal to the greater of:

(1) \$1,000,000;

(2) two percent of the first \$150,000,000 of annual premium revenue plus one percent of annual premium revenue in excess of \$150,000,000;

(3) eight percent of the annual health services costs, except those paid on a capitated or managed hospital payment basis, plus four percent of the annual capitation and managed hospital payment costs; or

(4) four months uncovered health services costs.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(1) "capitated basis" means fixed per member per month payment or percentage of premium paid to a provider that assumes the full risk of the cost of contracted services without regard to the type, value, or frequency of services provided. For purposes of this definition, capitated basis includes the cost associated with operating staff model facilities;

(2) "managed hospital payment basis" means agreements in which the financial risk is primarily related to the degree of utilization rather than to the cost of services; and

(3) "uncovered health services costs" means the cost to the community network of health services covered by the community network for which the enrollee would also be liable in the event of the community network's insolvency, and that are not guaranteed, insured, or assumed by a person other than the community network.

Subd. 3. [REINSURANCE CREDIT.] A community network may use the subtraction for premiums paid for insurance permitted under section 62D.042, subdivision 4.

Subd. 4. [PHASE-IN FOR NET WORTH REQUIREMENT.] (a) A community network may choose to comply with the net worth requirement on a phase-in basis according to the following schedule:

(1) 50 percent of the amount required under subdivisions 1 to 3 at the time that the community network begins enrolling enrollees;

(2) 75 percent of the amount required under subdivisions 1 to 3 at the end of the first full calendar year of operation;

(3) 87.5 percent of the amount required under subdivisions 1 to 3 at the end of the second full calendar year of operation; and

(4) 100 percent of the amount required under subdivisions 1 to 3 at the end of the third full calendar year of operation.

(b) A community network that elects to use the phase-in schedule provided in this subdivision cannot also use the real estate provision of section 62N.30 or the accredited capitated provider provision of section 62N.31.

Subd. 5. [NET WORTH CORRIDOR.] A community network shall not maintain net worth that exceeds two and one-half times the amount required of the community network under subdivision 1. Subdivision 4 is not relevant for purposes of this subdivision.

Subd. 6. [NET WORTH REDUCTION.] If a community network has contracts with accredited capitated providers, and only for so long as those contracts or successor contracts remain in force, the net worth requirement of subdivision 1 shall be reduced by the percentage of risk ceded, but in no event shall the net worth requirements be reduced by this subdivision to less than \$1,000,000. The phase-in requirements of subdivision 4 shall not be affected by this reduction.

Sec. 10. [62N.29] [GUARANTEEING ORGANIZATION.]

A community network may satisfy its net worth and deposit requirements, in whole or in part, through the use of one or more guaranteeing organizations, with the approval of the commissioner, under the conditions permitted in chapter 62D. Governmental entities, such as counties, may serve as guaranteeing organizations subject to the requirements of chapter 62D.

Sec. 11. [62N.30] [REAL ESTATE AS NET WORTH.]

(a) The commissioner may, at the request of a community network, allow the community network a credit of up to 20 percent of the community network's net worth requirement for the community network's ownership of real estate of which the community network makes significant use in delivering care to enrollees. The credit must reflect reduced expenses and risk to the community network. In determining whether to allow the credit, the commissioner shall review operating expenses, debt service, and other costs connected with the real estate, as well as the use of the property by the community network in delivering care to enrollees, in order to ascertain whether ownership of the asset significantly reduces the community network's expenses and risk.

(b) A community network that uses this section to satisfy part of its net worth requirement may not use accredited capitated providers under section 62N.31 for that purpose.

Sec. 12. [62N.31] [ACCREDITED CAPITATED PROVIDERS.]

Subdivision 1. [GENERAL.] Each health care providing entity seeking initial accreditation as an accredited capitated provider shall submit to the commissioner of health sufficient information to establish that the applicant has operational capacity, facilities, personnel, and financial capability to provide the contracted covered services to the enrollees of the community network for which it seeks accreditation (a) on an ongoing basis, and (b) for a period of six months following the insolvency of the network without receiving payment from the network. Accreditation shall continue until abandoned by the accredited capitated provider or revoked by the commissioner in accordance with subdivision 7. The applicant may provide evidence of financial capability by demonstrating that the provider amount at risk can be covered by or through any of allocated or restricted funds; a letter of credit; the taxing authority of the applicant or governmental sponsor of the applicant; a debt rating in the highest two categories for investment grade debt; an unrestricted fund balance at least two times the provider amount at risk; reinsurance, either purchased directly by the applicant or by the community network to which it will be accredited; or any other method accepted by the commissioner.

An accredited capitated provider that provides services to its enrollees without compensation due to insolvency of the community network has no claim against the enrollees for payment. Accreditation of a health care providing entity shall not in itself limit the right of the accredited capitated provider to seek payment of unpaid capitated amounts from a community network, whether the community network is solvent or insolvent; provided that, if the community network is subject to any liquidation, rehabilitation, or conservation proceedings, the accredited capitated provider shall have the status accorded creditors under chapter 60B.44, subdivision 10.

Subd. 2. [APPROVAL BY COMMISSIONER.] Before a provider may be used as an accredited capitated provider, the commissioner must determine whether the provider is sufficiently solvent to carry out its obligation without risk of bankruptcy. In making that determination, the commissioner may consider the provider's assets, liabilities, cash flow, operational and financial history, tax return information, expected cost of providing care to the community network's enrollees, expected revenues from other sources, fixed costs, and any information provided under subdivision 1.

Subd. 3. [ADDITIONAL SAFEGUARDS.] The commissioner may condition accredited status upon secured or unsecured personal guarantees by individual providers, security agreements and mortgages of assets owned by the provider, or other means of securing performance of the accredited capitated provider and preventing the provider from using bankruptcy to avoid its obligations to the community network and its enrollees. The state has an interest in performance of the obligations of accredited capitated providers, and the commissioner has standing to and may intervene in any insolvency proceeding involving an accredited capitated provider as the debtor, for the purpose of asserting the interests of the state and of the community network.

Subd. 4. [DATA SUBMISSIONS.] Each accredited capitated provider, as a condition of being granted accreditation, must submit to the commissioner annually, no later than April 15, an opinion by a qualified actuary regarding its ongoing ability to accept the loss of compensation under this section. The provider must also submit an annual data filing to the commissioner, including but not limited to:

(1) the expected direct costs to an accredited capitated provider for providing the contracted services to the enrollees of the community network to which it is accredited for a period of not less than six months;

(2) the number of enrollees served under the accredited capitated provider arrangement for the community network, both for the prior year and estimated for the current year;

(3) an audited financial statement, including an independent auditor's report, balance sheet, statement of support, revenue and expenses, statement of changes in capital balance, and statement of cash flow;

(4) any material change in the operational capacity of the accredited capitated provider since the last report to the commissioner;

(5) any material change in an accredited capitated provider's financial capacity to provide the contracted services; and

(6) any other information that the commissioner deems appropriate.

Subd. 5. [CONTRACT TERMINATION.] An accredited capitated provider may terminate its contract with a community network subject to the approval of the commissioner and under the conditions of this subdivision. An accredited capitated provider seeking to terminate its contract with a community network, whether by nonrenewal, cancellation, revocation, rescission, or otherwise, must give the commissioner and the community network six months' written notice of the termination. If the community network is notified of the termination and has sufficient net worth to be in compliance with its net worth requirement or has obtained alternative credit against the requirement, to the satisfaction of the commissioner, the notice requirement can be reduced to the greater of 90 days or the time required to secure the alternative credit.

Subd. 6. [NET WORTH AND WORKING CAPITAL.] (a) An accredited capitated provider must have an initial and continuing net worth of at least \$250,000. An accredited capitated provider must also have an initial working capital of at least \$250,000 and after that must maintain a positive working capital balance at all times.

(b) The commissioner may require an accredited capitated provider to maintain additional net worth requirements based on the type, nature, or volume of health services customarily rendered by the particular accredited capitated provider.

Subd. 7. [FAILURE TO COMPLY.] (a) If an accredited capitated provider fails to comply with the net worth, working capital, and other requirements of this section, the commissioner may take appropriate action, including increased monitoring of the financial and operational capacity of both the accredited capitated provider and the community network, administrative supervision of the accredited capitated provider or of the community network under chapter 60G, or suspension or revocation of an accredited capitated provider's accreditation.

(b) If an accredited capitated provider loses its accreditation, the accredited capitated provider is precluded from reapplying for accreditation for a period of one year from the date of the loss of accreditation.

Sec. 13. [62N.32] [DEPOSIT REQUIREMENT.]

A community network must satisfy the deposit requirement provided in section 62D.041. The deposit counts as an admitted asset and as part of the required net worth. The deposit requirement cannot be reduced by the alternative means that may be used to reduce the net worth requirement, other than through the use of a guaranteeing organization.

Sec. 14. [62N.33] [COVERAGE FOR ENROLLEES OF INSOLVENT NETWORKS.]

In the event of a community network insolvency, the commissioner shall determine whether one or more community networks are willing and able to provide replacement coverage to all of the failed community network's enrollees, and if so, the commissioner shall facilitate the provision of the replacement coverage. If such replacement coverage is not available, the commissioner shall randomly assign enrollees of the insolvent community network to other community networks and health carriers in the service area, in proportion to their market share, for the remaining terms of the enrollees' contracts with the insolvent network. The other community networks and health carriers must accept the allocated enrollees under their policy or contract most similar to the enrollees' contracts with the insolvent community network. The allocation must keep groups together. Enrollees with special continuity of care needs may, in the commissioner's discretion, be given a choice of replacement coverage rather than random assignment. Individuals and groups that are assigned randomly may choose a different community network or health carrier when their contracts expire, on the same basis as any other individual or group. The replacement carrier must comply with any guaranteed renewal or other renewal provisions of the prior coverage, including but not limited to, provisions regarding preexisting conditions and health conditions that developed during prior coverage.

Sec. 15. [62N.34] [INSOLVENCY FUNDING.]

(a) In the event of an insolvency of a community network, all other community networks and health carriers shall be assessed a surcharge, if necessary to pay expenses and claims set forth in paragraph (b), in proportion to their gross premium revenues.

(b) Money raised by the assessment shall be used to pay for the following, to the extent that they exceed the community network's deposit and other remaining assets:

(1) expenses in connection with the insolvency and transfer of enrollees;

(2) outstanding fee-for-service claims from nonparticipating providers, discounted by 25 percent of the claim amount. Claims incurred after the implementation of the fee schedules provided under chapter 62P will be reimbursed at the fee schedule amount discounted by 25 percent. Providers may not seek to recover the unpaid portion of their claim from enrollees; and

(3) premiums to community networks and health carriers that take enrollees of the insolvent community network, prorated to account for premiums already paid to the insolvent community network on behalf of those enrollees, to purchase coverage for time periods for which the insolvent community network can no longer provide coverage.

(c) In any year in which an assessment is made, the commissioner, in consultation with community networks and other health carriers, shall report to the legislature and governor on the continuing viability of the assessment approach and on the merits of potential alternative funding sources.

Sec. 16. [62N.35] [BORDER ISSUES.]

To the extent feasible and appropriate, community networks that also operate under the health maintenance organization or similar prepaid health care law of another state must be licensed and regulated by this state in a manner that avoids unnecessary duplication and expense for the community network. The commissioner shall communicate with regulatory authorities in neighboring states to explore the feasibility of cooperative approaches to streamline regulation of border community networks, such as joint financial audits, and shall report to the legislature on any changes to Minnesota law that may be needed to implement appropriate collaborative approaches to regulation.

Sec. 17. [62N.36] [NOTIFICATION OF PROVIDER NETWORK OPENING.]

A community integrated service network or integrated service network shall publish a notice of any health care provider network opening, vacancy, or contract in appropriate regional newspapers. This notice must be published at least 14 days before the closing date for applications for the open or vacant position. The requirement for notification shall not apply if the community integrated service network or integrated service network is replacing a network provider, and any delay in filling a vacancy causes an impairment to delivery of health care services.

Sec. 18. [STUDY OF SOLVENCY REGULATION OF INTEGRATED SERVICE NETWORKS.]

The commissioners of health and commerce shall develop the solvency standards for the integrated service networks created by chapter 62N. The solvency standards for integrated service networks must be effective no later than January 1, 1996.

The standards may use a risk-based capital standard as an integral tool to assess solvency of the integrated service networks. The standards may require that integrated service networks file the risk based capital calculation as part of the annual financial statement. The risk-based capital standard for integrated service networks may be based upon the national association of insurance commissioners health organization risk based capital standards currently under development, with any necessary modifications to reflect the unique risk characteristics of integrated service networks. Those modifications must be based upon an actuarial analysis of the effect on risk.

Sec. 19. [MONITORING OF REINSURANCE ACCESSIBILITY FOR COMMUNITY NETWORKS.]

The commissioners of commerce and health shall monitor the private sector market for reinsurance, in order to determine whether community integrated service networks are able to purchase reinsurance at competitive rates. If the commissioners find that the private market for reinsurance is not accessible or not affordable to community

integrated service networks, the commissioners shall recommend to the legislature a voluntary or mandatory reinsurance purchasing pool for community integrated service networks. The commissioners' recommendations shall address the conditions under which community networks would be permitted or required to participate in the pool and the role of the state in overseeing or administering the pool.

Sec. 20. [EFFECTIVE DATE.]

Sections 1 to 19 are effective July 1, 1994.

ARTICLE 2

REQUIREMENTS FOR ALL HEALTH PLAN COMPANIES

Section 1. Minnesota Statutes 1993 Supplement, section 62J.33, is amended by adding a subdivision to read:

Subd. 3. [OFFICE OF CONSUMER INFORMATION.] The commissioner shall create an office of consumer information to assist health plan company enrollees and to serve as a resource center for enrollees. The office shall operate within the information clearinghouse. The functions of the office are:

(1) to assist enrollees in understanding their rights;

(2) to explain and assist in the use of all available complaint systems, including internal complaint systems within health carriers, community integrated service networks, integrated service networks, and the departments of health and commerce;

(3) to provide information on coverage options in each regional coordinating board region of the state;

(4) to provide information on the availability of purchasing pools and enrollee subsidies; and

(5) to help consumers use the health care system to obtain coverage.

The office of consumer information shall not provide legal services to consumers and shall not represent a consumer or enrollee. The office of consumer information shall not serve as an advocate for consumers in disputes with health plan companies. Nothing in this subdivision shall interfere with the ombudsman program established under section 256B.031, subdivision 6, or other existing ombudsman programs.

Sec. 2. Minnesota Statutes 1993 Supplement, section 62J.33, is amended by adding a subdivision to read:

Subd. 4. [INFORMATION ON HEALTH PLAN COMPANIES.] The information clearinghouse shall provide information on all health plan companies operating in a specific geographic area to consumers and purchasers who request it.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62J.33, is amended by adding a subdivision to read:

Subd. 5. [DISTRIBUTION OF DATA ON QUALITY.] The commissioner shall make available through the clearinghouse hospital quality data collected under section 62J.45, subdivision 4b, and health plan company quality data collected under section 62J.45, subdivision 4c.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4a. [EVALUATION OF CONSUMER SATISFACTION; PROVIDER INFORMATION PILOT STUDY.] (a) The commissioner may make a grant to the data institute to develop and implement a mechanism for collecting comparative data on consumer satisfaction through adoption of a standard consumer satisfaction survey. As a condition of receiving this grant, the data institute shall appoint a consumer advisory group which shall consist of 13 individuals, representing enrollees from public and private health plan companies and programs and two uninsured consumers, to advise the data institute on issues of concern to consumers. The advisory group must have at least one member from each regional coordinating board region of the state. The advisory group expires June 30, 1997. No more than seven members may be of the same gender. This survey shall include enrollees in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. The data institute shall

determine a mechanism for the inclusion of the uninsured. Health plan companies and group purchasers shall provide enrollment information, including the names, addresses, and telephone numbers of enrollees and former enrollees and other data necessary for the completion of this study to the data institute. This enrollment information provided by the health plan companies and group purchasers is classified as private data on individuals, as defined in section 13.02, subdivision 12. The data institute shall provide raw unaggregated data to the data analysis unit. The data institute may analyze and prepare findings from the raw, unaggregated data, and the findings from this survey may be included in the health plan company report cards, and in other reports developed by the data analysis unit, in consultation with the data institute, to be disseminated by the information clearinghouse. The raw unaggregated data is classified as private data on individuals as defined in section 13.02, subdivision 12. The survey may include information on the following subjects:

- (1) enrollees' overall satisfaction with their health care plan;
- (2) consumers' perception of access to emergency, urgent, routine, and preventive care, including locations, hours, waiting times, and access to care when needed;
- (3) premiums and costs;
- (4) technical competence of providers;
- (5) communication, courtesy, respect, reassurance, and support;
- (6) choice and continuity of providers;
- (7) continuity of care;
- (8) outcomes of care;
- (9) services offered by the plan, including range of services, coverage for preventive and routine services, and coverage for illness and hospitalization;
- (10) availability of information; and
- (11) paperwork.

(b) The commissioner, in consultation with the data institute, shall develop a pilot study to collect comparative data from health care providers on opportunities and barriers to the provision of quality, cost-effective health care. The provider information pilot study shall include providers in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. Health plan companies and group purchasers shall provide to the commissioner providers' names, health plan assignment, and other appropriate data necessary for the commissioner to conduct the study. The provider information pilot study shall examine factors that increase and hinder access to the provision of quality, cost-effective health care. The study may examine:

- (1) administrative barriers and facilitators;
- (2) time spent obtaining permission for appropriate and necessary treatments;
- (3) latitude to order appropriate and necessary tests, pharmaceuticals, and referrals to specialty providers;
- (4) assistance available for decreasing administrative and other routine paperwork activities;
- (5) continuing education opportunities provided;
- (6) access to readily available information on diagnoses, diseases, outcomes, and new technologies;
- (7) continuous quality improvement activities;
- (8) inclusion in administrative decision-making;

(9) access to social services and other services that facilitate continuity of care;

(10) economic incentives and disincentives;

(11) peer review procedures; and

(12) the prerogative to address public health needs.

In selecting additional data for collection, the commissioner shall consider the: (1) statistical validity of the indicator; (2) public need for the information; (3) estimated expense of collecting and reporting the indicator; and (4) usefulness of the indicator to identify barriers and opportunities to improve quality care provision within health plan companies.

Sec. 5. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4b. [HOSPITAL QUALITY INDICATORS.] The commissioner, in consultation with the data institute, shall develop a system for collecting data on hospital quality. The commissioner shall require a licensed hospital to collect and report data as needed for the system. Data to be collected shall include structural characteristics including staff-mix and nurse-patient ratios. In selecting additional data for collection, the commissioner shall consider: (1) feasibility and statistical validity of the indicator; (2) purchaser and public demand for the indicator; (3) estimated expense of collecting and reporting the indicator; and (4) usefulness of the indicator for internal improvement purposes.

Sec. 6. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4c. [QUALITY REPORT CARDS.] Each health plan company shall report annually by April 1 to the commissioner specific quality indicators, in the form specified by the commissioner in consultation with the data institute. The quality indicators must be reported using standard definitions and measurement processes as specified by the commissioner. Wherever possible, the commissioner's specifications must be consistent with those outlined in the health plan employer data and information set (HEDIS 2.0). The commissioner, in consultation with the data institute, may modify the quality indicators to be reported to incorporate improvements in quality measurement tools. When HEDIS 2.0 indicators or health care financing administration approved quality indicators for medical assistance and Medicare are used, the commissioner is exempt from rulemaking. For additions or modifications to the HEDIS indicators or if other quality indicators are added, the commissioner shall proceed through rulemaking pursuant to chapter 14. The data analysis unit shall develop quality report cards, and these report cards shall be disseminated through the information clearinghouse. Data shall be collected and reported by county and high-risk and special needs populations as well as by health plans, except when this would allow individuals to be identified.

Sec. 7. Minnesota Statutes 1992, section 62M.02, subdivision 5, is amended to read:

Subd. 5. [CERTIFICATION.] "Certification" means a determination by a utilization review organization that an admission, extension of stay, or other health care service has been reviewed and that it, based on the information provided, meets the utilization review requirements of the applicable health plan and the health carrier will then pay for the covered benefit, provided the preexisting limitation provisions, the general exclusion provisions, and any deductible, copayment, coinsurance, or other policy requirements have been met.

Sec. 8. Minnesota Statutes 1992, section 62M.02, subdivision 21, is amended to read:

Subd. 21. Sec. 9. Minnesota Statutes 1992, section 62M.03, subdivision 1, is amended to read:

Each licensed community integrated service network, integrated service network, or health maintenance organization that has an employed staff model of providing health care services shall comply with sections 62M.01 to 62M.16 and section 72A.201, subdivisions 8 and 8a, for any services provided by providers under contract.

Sec. 10. Minnesota Statutes 1992, section 62M.03, subdivision 2, is amended to read:

Subd. 2. [NONLICENSED UTILIZATION REVIEW ORGANIZATION.] An organization that meets the definition of a utilization review organization under section 62M.02, subdivision 21, that is not licensed in this state that performs utilization review services for Minnesota residents must register with the commissioner of commerce and must certify compliance with sections 62M.01 to 62M.16.

Initial registration must occur no later than January 1, 1993. The registration is effective for two years and may be renewed for another two years by written request. [PENALTIES AND ENFORCEMENTS.] If a nonlicensed utilization review organization fails to comply with sections 62M.01 to 62M.16, the organization may not provide utilization review services for any Minnesota resident. The commissioner of commerce may issue a cease and desist order under section 45.027, subdivision 5, to enforce this provision. The cease and desist order is subject to appeal under chapter 14. A nonlicensed utilization review organization that fails to comply with the provisions of sections 62M.01 to 62M.16 is subject to all applicable penalty and enforcement provisions of section 72A.201. Each utilization review organization licensed under chapter 60A, 62C, 62D, 62N, or 64B shall comply with sections 62M.01 to 62M.16 as a condition of licensure.

Sec. 12. Minnesota Statutes 1992, section 62M.05, subdivision 3, is amended to read:

Subd. 3. [NOTIFICATION OF DETERMINATIONS.] A utilization review organization must have written procedures for providing notification of its determinations on all certifications in accordance with the following:

(a) When an initial determination is made to certify, notification must be provided promptly by telephone to the provider. The utilization review organization shall send written notification to the hospital, attending physician, or applicable service provider within ten business days of the determination in accordance with section 72A.20, subdivision 4a, or shall maintain an audit trail of the determination and telephone notification. For purposes of this subdivision, "audit trail" includes documentation of the telephone notification, including the date; the name of the person spoken to, the enrollee or patient; the service, procedure, or admission certified; and the date of the service, procedure, or admission. If the utilization review organization indicates certification by use of a number, the number must be called the "certification number."

(b) When a determination is made not to certify a hospital or surgical facility admission or extension of a hospital stay, or other service requiring review determination, within one working day after making the decision the attending physician and hospital must be notified by telephone and a written notification must be sent to the hospital, attending physician, and enrollee or patient. The written notification must include the principal reason or reasons for the determination and the process for initiating an appeal of the determination. Upon request, the utilization review organization shall provide the attending physician or provider with the criteria used to determine the necessity, appropriateness, and efficacy of the health care service and identify the database, professional treatment parameter, or other basis for the criteria. Reasons for a determination not to certify may include, among other things, the lack of adequate information to certify after a reasonable attempt has been made to contact the attending physician.

Sec. 13. Minnesota Statutes 1992, section 62M.06, subdivision 3, is amended to read:

Subd. 3. [STANDARD APPEAL.] The utilization review organization must establish procedures for appeals to be made either in writing or by telephone.

(b) The documentation required by the utilization review organization may include copies of part or all of the medical record and a written statement from the health care provider.

(c) Prior to upholding the original decision not to certify for clinical reasons, the utilization review organization shall conduct a review of the documentation by a physician who did not make the original determination not to certify.

(d) The process established by a utilization review organization may include defining a period within which an appeal must be filed to be considered. The time period must be communicated to the patient, enrollee, or attending physician when the initial determination is made.

(e) An attending physician who has been unsuccessful in an attempt to reverse a determination not to certify shall, consistent with section 72A.285, be provided the following:

- (1) a complete summary of the review findings;
- (2) qualifications of the reviewers, including any license, certification, or specialty designation; and
- (3) the relationship between the enrollee's diagnosis and the review criteria used as the basis for the decision, including the specific rationale for the reviewer's decision.

(f) In cases ~~where an~~ of appeal to reverse a determination not to certify for clinical reasons ~~is unsuccessful~~, the utilization review organization must, upon request of the attending physician, ensure that a physician of the utilization review organization's choice in the same or a similar general specialty as typically manages the medical condition, procedure, or treatment under discussion is reasonably available to review the case.

Sec. 14. Minnesota Statutes 1992, section 62M.09, subdivision 5, is amended to read:

Subd. 5. [WRITTEN CLINICAL CRITERIA.] A utilization review organization's decisions must be supported by written clinical criteria and review procedures. Clinical criteria and review procedures must be established with appropriate involvement from physicians, in accordance with acceptable and prevailing medical practice in Minnesota, and based upon data that is valid for Minnesota residents. A utilization review organization must use written clinical criteria, as required, for determining the appropriateness of the certification request. The utilization review organization must have a procedure for ensuring the periodic evaluation and updating of the written criteria.

Subd. 4. [HEALTH PLAN COMPANY.] "Health plan company" means:

- (1) a health carrier as defined under section 62A.011, subdivision 2;
- (2) an integrated service network as defined under section 62N.02, subdivision 8;

Sec. 16. [62Q.03] [PROCESS FOR DEFINING, DEVELOPING, AND IMPLEMENTING A RISK ADJUSTMENT SYSTEM.]

Subdivision 1. [PURPOSE.] Risk adjustment is a vital element of the state's strategy for achieving a more equitable, efficient system of health care delivery and financing for all state residents. Risk adjustment is needed to: remove current disincentives in the health care system to insure and serve high risk and special needs populations; promote fair competition among health plan companies on the basis of their ability to efficiently and effectively provide services rather than on the health status of those in a given insurance pool; and help assure the viability of all health plan companies, including community integrated service networks. It is the commitment of the state to develop and implement a risk adjustment system by July 1, 1997, and to continue to improve and refine risk adjustment over time. The process for designing and implementing risk adjustment shall be open, explicit, utilize resources and expertise from both the private and public sectors, and include at least the representation described in subdivision 4. The process shall take into account the formative nature of risk adjustment as an emerging science, and shall develop and implement risk adjustment to allow continual modifications, expansions, and refinements over time. The process shall have at least two stages, as described in subdivision 2 and 3.

Subd. 2. [FIRST STAGE OF RISK ADJUSTMENT DEVELOPMENT PROCESS.] The objective of the first stage is to report to the legislature by January 15, 1995, with recommendations on the process, organization, resource needs, and specific work plan to define, develop, and implement a risk adjustment mechanism by July 1, 1997, and to continually improve risk adjustment over time. The report shall address the specific issues listed in subdivision 5, and shall also identify any additional policy issues, questions and concerns that must be addressed to facilitate development and implementation of risk adjustment.

Subd. 3. [SECOND STAGE OF THE RISK ADJUSTMENT DEVELOPMENT PROCESS.] The second stage of the process, following review and any modification by the legislature of the January 15, 1995 report, shall be to carry out the work plan to develop and implement a risk adjustment mechanism by July 1, 1997, and to continue to improve and refine a risk adjustment over time. The second stage of the process shall be carried out by the association created in subdivision 6.

Subd. 4. [EXPERT PANEL.] The commissioners of health and commerce shall convene an expert advisory panel comprised of, but not limited to, the board members of the Minnesota risk adjustment association, as described in subdivision 8, and experts from the fields of epidemiology, health services research, and health economics. The commissioners may also convene technical work groups that may include members of the expert advisory panel and other persons, all selected in the sole discretion of the commissioners. The expert advisory panel and the workgroups shall assist and advise the commissioners of health and commerce in preparing the implementation report described in subdivision 5.

Subd. 5. [IMPLEMENTATION REPORT TO THE LEGISLATURE.] The commissioners of health and commerce shall submit a report to the legislature by January 15, 1995, with recommendations on the process, organization, resource needs, and specific work plan to define, develop, and implement a risk adjustment system by July 1, 1997, and to continually improve risk adjustment over time. In developing the January 15, 1995 report, the commissioners of commerce and health must consider and describe the following:

- (1) the relationship of risk adjustment to the implementation of universal coverage and community rating;
- (2) the role of reinsurance in the risk adjustment system, as a short-term alternative in the absence of a risk adjustment methodology;
- (3) the relationship of the risk adjustment system to the implementation of reforms in underwriting and rating requirements;
- (4) the potential role of the health coverage reinsurance association in the risk adjustment system;
- (5) the need for mandatory participation of all health plan companies in the risk adjustment system;
- (6) current and emerging applications of risk adjustment methodologies used for reimbursement purposes at the state and national level and the reliability and validity of current risk assessment and risk adjustment methodologies;
- (7) the levels and types of risk to be distributed through the risk adjustment system;

(8) the extent to which prepaid contracting by public programs needs to be addressed by the risk adjustment methodology;

(9) a plan for testing of the risk adjustment options being proposed, including simulations using existing health plan data, and development and testing of models on simulated data to assess the feasibility and efficacy of specific methodologies;

(10) the appropriate role of the state in the supervision of the risk adjustment association created pursuant to subdivision 6;

(11) risk adjustment methodologies that take into account differences among health plan companies due to their relative efficiencies, characteristics, and relative to existing insured contracts, new business, underwriting, or rating restrictions required or permitted by law; and

(12) methods to encourage health plan companies to enroll higher risk populations.

To the extent possible, the implementation report shall identify a specific methodology or methodologies that may serve as a starting point for risk adjustment, explain the advantages and disadvantages of each such methodology, and provide a specific workplan for implementing the methodology.

Subd. 6. [CREATION OF RISK ADJUSTMENT ASSOCIATION.] The Minnesota risk adjustment association is created on July 1, 1994, and may operate as a nonprofit unincorporated association.

Subd. 7. [PURPOSE OF ASSOCIATION.] The association is established to carry out the purposes of subdivision 1, as further elaborated on by the implementation report described in subdivision 5 and by legislation enacted in 1995 or subsequently.

Subd. 8. [GOVERNANCE.] (a) The association shall be governed by an interim 19-member board as follows: one provider member appointed by the Minnesota Hospital Association; one provider member appointed by the Minnesota Medical Association; one provider member appointed by the governor; three members appointed by the Minnesota Council of HMOs to include an HMO with at least 50 percent of total membership enrolled through a public program; three members appointed by Blue Cross and Blue Shield of Minnesota, to include a member from a Blue Cross and Blue Shield of Minnesota affiliated health plan with fewer than 50,000 enrollees and located outside the Minneapolis-St. Paul metropolitan area; two members appointed by the Insurance Federation of Minnesota; one member appointed by the Minnesota Association of Counties; and three public members appointed by the governor, to include at least one representative of a public program. The commissioners of health, commerce, human services, and employee relations shall be nonvoting ex-officio members.

(b) The board may elect officers and establish committees as necessary.

(c) A majority of the members of the board constitutes a quorum for the transaction of business.

(d) Approval by a majority of the board members present is required for any action of the board.

(e) Interim board members shall be appointed by July 1, 1994, and shall serve until a new board is elected according to the plan developed by the association.

(f) A member may designate a representative to act as a member of the interim board in the member's absence.

Subd. 9. [DATA COLLECTION.] The board of the association shall consider antitrust implications and establish procedures to assure that pricing and other competitive information is appropriately shared among competitors in the health care market or members of the board. Any information shared shall be distributed only for the purposes of administering or developing any of the tasks identified in subdivisions 2 and 4. In developing these procedures, the board of the association may consider the identification of a state agency or other appropriate third party to receive information of a confidential or competitive nature.

Subd. 10. [SUPERVISION.] The association's activities shall be supervised by the commissioners of health and commerce.

Subd. 11. [REPORTING.] The board of the association shall provide a status report on its activities to the health care commission on a quarterly basis.

Sec. 17. [62Q.05] [DATA.]

Health plan companies are subject to the data reporting requirements of the 1992 and 1993 MinnesotaCare acts, as amended.

Sec. 18. [62Q.07] [ACTION PLANS.]

Subdivision 1. [ACTION PLANS REQUIRED.] (a) To increase public awareness and accountability of health plan companies, all health plan companies must annually file with the applicable commissioner an action plan that satisfies the requirements of this section beginning July 1, 1994, as a condition of doing business in Minnesota. Each health plan company must also file its action plan with the information clearinghouse. Action plans are required solely to provide information to consumers, purchasers, and the larger community as a first step toward greater accountability of health plan companies. The sole function of the commissioner in relation to the action plans is to ensure that each health plan company files a complete action plan, that the action plan is truthful and not misleading, and that the action plan is reviewed by appropriate community agencies.

(b) If a commissioner responsible for regulating a health plan company required to file an action plan under this section has reason to believe an action plan is false or misleading, the commissioner may conduct an investigation to determine whether the action plan is truthful and not misleading, and may require the health plan company to submit any information that the commissioner reasonably deems necessary to complete the investigation. If the commissioner determines that an action plan is false or misleading, the commissioner may require the health plan company to file an amended plan or may take any action authorized under chapter 72A.

Subd. 2. [CONTENTS OF ACTION PLANS.] (a) An action plan must include a detailed description of all of the health plan company's methods and procedures, standards, qualifications, criteria, and credentialing requirements for designating the providers who are eligible to participate in the health plan company's provider network, including any limitations on the numbers of providers to be included in the network. This description must be updated by the health plan company and filed with the applicable agency on a quarterly basis.

(b) An action plan must include the number of full-time equivalent physicians, by specialty, nonphysician providers, and allied health providers used to provide services. The action plan must also describe how the health plan company intends to encourage the use of nonphysician providers, midlevel practitioners, and allied health professionals, through at least consumer education, physician education, and referral and advisement systems. The annual action plan must also include data that is broken down by type of provider, reflecting actual utilization of midlevel practitioners and allied professionals by enrollees of the health plan company during the previous year. Until July 1, 1995, a health plan company may use estimates if actual data is not available. For purposes of this paragraph, "provider" has the meaning given in section 62J.03, subdivision 8.

(c) An action plan must include a description of the health plan company's policy on determining the number and the type of providers that are necessary to deliver cost-effective health care to its enrollees. The action plan must also include the health plan company's strategy, including provider recruitment and retention activities, for ensuring that sufficient providers are available to its enrollees.

(d) An action plan must include a description of actions taken or planned by the health plan company to ensure that information from report cards, outcome studies, and complaints is used internally to improve quality of the services provided by the health plan company.

(e) An action plan must include a detailed description of the health plan company's policies and procedures for enrolling and serving high risk and special needs populations. This description must also include the barriers that are present for the high risk and special needs population and how the health plan company is addressing these barriers in order to provide greater access to these populations. "High risk and special needs populations" includes, but is not limited to, recipients of medical assistance, general assistance medical care, and MinnesotaCare; persons with chronic conditions or disabilities; individuals within certain racial, cultural, and ethnic communities; individuals and families with low income; adolescents; the elderly; individuals with limited or no English language proficiency; persons with high-cost preexisting conditions; chemically dependent persons; and persons who are at high-risk of requiring treatment. The action plan must also reflect actual utilization of providers by enrollees defined by this section as high risk or special needs populations during the previous year. For purposes of this paragraph, "provider" has the meaning given in section 62J.03, subdivision 8.

(f) An action plan must include a general description of any action the health plan company has taken and those it intends to take to offer health coverage options to rural communities and other communities not currently served by the health plan company.

(g) A health plan company may satisfy any of the requirements of the action plan in paragraphs (a) to (f) by stating that it has no policies, procedures, practices, or requirements, either written or unwritten, or formal or informal, and has undertaken no activities or plans on the issues required to be addressed in the action plan, provided that the statement is truthful and not misleading.

Sec. 19. [62Q.11] [DISPUTE RESOLUTION.]

Subdivision 1. [ESTABLISHED.] The commissioners of health and commerce shall make dispute resolution processes available to encourage early settlement of disputes in order to avoid the time and cost associated with litigation and other formal adversarial hearings. For purposes of this section, "dispute resolution" means the use of negotiation, mediation, arbitration, mediation-arbitration, neutral fact finding, and minitrials. These processes shall be nonbinding unless otherwise agreed to by all parties to the dispute.

Subd. 2. [REQUIREMENTS.] (a) If an enrollee of a health plan company chooses to use a dispute resolution process prior to the filing of a formal claim or of a lawsuit, the health plan company must participate.

(b) If an enrollee chooses to use a dispute resolution process after the filing of a lawsuit, the health plan company must participate in dispute resolution, including, but not limited to, alternative dispute resolution under Rule 114 of the Minnesota general rules of practice.

(c) The commissioners of health and commerce shall inform and educate health plan companies' enrollees about dispute resolution and its benefits.

(d) A health plan company may encourage but not require an enrollee to submit a complaint to alternative dispute resolution.

Sec. 20. [62Q.13] [LIMITATION ON EXCLUSIVE CONTRACTS.]

A contract requirement between a health care provider and health plan company that obligates the health care provider to provide health care services exclusively to enrollees or insureds of the health plan company applies only if the health plan company maintains the same licensure status that it did at the time the contract was entered into. If the health plan company changes its licensure status, a contract for the exclusive provision of services is not valid and is not enforceable. For purposes of this section, the provision of health care services through a preferred provider organization is considered a form of licensure status. This section does not apply to health care providers employed by a health plan company.

Sec. 21. [62Q.14] [FREEDOM OF CHOICE.]

No health plan company may restrict the choice of an enrollee as to where the enrollee receives the services defined under United States Code, title 42, section 1396d(a)(4)(c), or receives services for the treatment of sexually transmitted diseases.

Sec. 22. [62Q.16] [STANDARD POLICY TERMS.]

The termination of any health plan as defined in section 62A.011, subdivision 3, with the exception of individual health plans, issued or renewed after January 1, 1995, must provide coverage until the end of the month in which coverage was terminated.

Sec. 23. Minnesota Statutes 1992, section 79.36, is amended to read:

79.36 [ADDITIONAL POWERS.]

In addition to the powers granted in section 79.35, the reinsurance association may do the following:

(e) Adopt operating rules, consistent with the plan of operation, for the administration of the reinsurance association, enforce those operating rules, and delegate authority as necessary to assure the proper administration and operation of the reinsurance association;

(f) Intervene in or prosecute at any time, including but not limited to intervention or prosecution as subrogee to the member's rights in a third party action, any proceeding under this chapter or chapter 176 in which liability of the reinsurance association may, in the opinion of the board of directors of the reinsurance association or its designee, be established, or the reinsurance association affected in any other way;

(g) The net proceeds derived from intervention or prosecution of any subrogation interest, or other recovery, shall first be used to reimburse the reinsurance association for amounts paid or payable pursuant to this chapter, together with any expenses of recovery, including attorney's fees, and any excess shall be paid to the member or other person entitled thereto, as determined by the board of directors of the reinsurance association, unless otherwise ordered by a court.

(h) Hear and determine complaints of a company or other interested party concerning the operation of the reinsurance association; and

(j) Manage, administer, and operate the reinsurance and risk adjustment association, if selected by the commissioner of commerce under section 62Q.03, subdivision 6.

Sec. 24. [UTILIZATION REVIEW STUDY.]

The commissioners of health and commerce shall study means of funding the registration required by Minnesota Statutes, section 62M.03, and of monitoring and enforcing the requirements of Minnesota Statutes, chapter 62M. They shall jointly report their recommendations to the legislature by January 15, 1995.

Sec. 25. [ALTERNATIVE DISPUTE RESOLUTION PILOT PROJECT.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of health, in consultation with the commissioner of commerce, the Minnesota health care commission, and the state office of dispute resolution at the bureau of mediation services, shall establish an alternative dispute resolution pilot project. The project shall be administered by the commissioner of health. For purposes of this section, "dispute resolution" means the use of negotiation, mediation, mediation-arbitration, neutral fact finding, and minitrials.

Subd. 2. [REQUIREMENTS.] The pilot project may be used by health care providers and their patients to attempt to resolve disputes before litigation is commenced in any court. The pilot project requires the use of negotiation, mediation, arbitration, mediation-arbitration, neutral fact finding, and minitrials prior to the filing of a lawsuit. These processes shall be nonbinding unless otherwise agreed to by all parties to the dispute.

Subd. 3. [REPORT.] The commissioner of health shall report to the legislature by January 1, 1995, on the results of the pilot project and on any recommended legislative changes.

Sec. 26. [EXEMPTION.]

The commissioner of health shall apply to the health care financing administration for an exemption to the requirement that physicians report settlements of \$10,000 or less to the National Practitioners Data Bank under Code of Federal Regulations, title 45, part 60.

Sec. 27. [EFFECTIVE DATE.]

Sections 15 to 17 and 24 are effective the day following final enactment. Sections 1 to 6 and 18 are effective July 1, 1994. Sections 7 to 14, 19, and 21 are effective January 1, 1995.

ARTICLE 3

THE REGULATED ALL-PAYER OPTION

Section 1. Minnesota Statutes 1993 Supplement, section 62P.01, is amended to read:

62P.01 [REGULATED ALL-PAYER SYSTEM OPTION.]

The regulated all-payer system established under this chapter governs all health care services that are provided outside of an integrated service network. The regulated all-payer system is designed to control costs, prices, and utilization of all health care services not provided through an integrated service network while maintaining or improving the quality of services. The commissioner of health shall adopt rules establishing controls within the system to ensure that the rate of growth in spending in the system, after adjustments for population size and risk, remains within the limits set by the commissioner under section 62J.04. All providers that serve Minnesota residents and all health carriers that cover Minnesota residents shall comply with the requirements and rules established under this chapter for all health care services or coverage provided to Minnesota residents. The purpose of the regulated all-payer option is to provide an alternative to integrated service networks for those consumers, providers, third-party payers, and group purchasers who prefer to participate in a fee-for-service system. The initial goal of the all-payer option is to reduce administrative costs and burdens by including the all-payer option in a uniform, standardized system of billing forms and procedures and utilization review. The longer-term goal of the all-payer option is to establish a uniform reimbursement system, reimbursement and utilization controls, and quality standards and monitoring; to ensure that the annual growth in the costs for all services not provided through integrated service networks will remain within the growth limits established under section 62J.04; and to ensure that quality for these services is maintained or improved.

Sec. 2. [62P.02] [DEFINITIONS.]

(a) For purposes of this chapter, the following definitions apply:

(b) "All-payer insurer" means a health carrier as defined in section 62A.011, subdivision 2. The term does not include community integrated service networks or integrated service networks licensed under chapter 62N.

(c) "All-payer reimbursement level" means the reimbursement amount specified by the all-payer reimbursement system.

(d) "All-payer reimbursement system" means the Minnesota-specific fee schedule, the Minnesota-specific diagnosis related groups system, and other provider payment methods established under this chapter or rules adopted under this chapter.

(e) "Commissioner" means the commissioner of health.

(f) "Health care provider" has the meaning given in section 62J.03, subdivision 8.

(g) "Cosmetic medical or cosmetic dental procedures" means elective medical or dental procedures not part of the universal standard benefits set which are primarily performed to improve physical appearance.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62P.03, is amended to read:

62P.03 [IMPLEMENTATION.]

~~(a) By January 1, 1994, the commissioner of health, in consultation with the Minnesota health care commission, shall report to the legislature recommendations for the design and implementation of the all-payer system. The commissioner may use a consultant or other technical assistance to develop a design for the all-payer system. The commissioner's recommendations shall include the following:~~

~~(1) methods for controlling payments to providers such as uniform fee schedules or rate limits to be applied to all health plans and health care providers with independent billing rights;~~

~~(2) methods for controlling utilization of services such as the application of standardized utilization review criteria, incentives based on setting and achieving volume targets, recovery of excess spending due to overutilization, or required use of practice parameters;~~

~~(3) methods for monitoring quality of care and mechanisms to enforce the quality of care standards;~~

~~(4) requirements for maintaining and reporting data on costs, prices, revenues, expenditures, utilization, quality of services, and outcomes;~~

~~(5) measures to prevent or discourage adverse risk selection between the regulated all-payer system and integrated service networks;~~

~~(6) measures to coordinate the regulated all-payer system with integrated service networks to minimize or eliminate barriers to access to health care services that might otherwise result;~~

~~(7) an appeals process;~~

~~(8) measures to encourage and facilitate appropriate use of midlevel practitioners and eliminate undesirable barriers to their participation in providing services;~~

~~(9) measures to assure appropriate use of technology and to manage introduction of new technology;~~

~~(10) consequences to be imposed on providers whose expenditures have exceeded the limits established by the commissioner; and~~

~~(11) restrictions on provider conflicts of interest.~~

~~(b) On July 1, 1994, the regulated all-payer system option shall begin to be phased in with full implementation of the all-payer reimbursement system by July 1, 1996 1997. During the transition period, expenditure limits for health carriers shall be established in accordance with section 62P.04 and health care provider revenue limits shall be established in accordance with section 62P.05.~~

(b) Health carriers plan companies shall fully reflect in the premium rates the savings generated by the expenditure limits and the health care provider revenue limits. No premium rate increase may be approved for those health carriers plan companies unless the health carrier plan company establishes to the satisfaction of the commissioner of commerce or the commissioner of health, as appropriate, that the proposed new rate would comply with this paragraph.

Subd. 5. A health plan company may appeal the commissioner's order to pay back the amount overspent by mailing to the commissioner a written notice of appeal within 30 days from the date the commissioner's order was mailed. Sec. 5. Minnesota Statutes 1993 Supplement, section 62P.05, is amended to read:

62P.05 [HEALTH CARE PROVIDER REVENUE LIMITS.]

Subdivision 1. [DEFINITION.] For purposes of this section, "health care provider" has the definition given in section 62J.03, subdivision 8.

Subd. 2. [ESTABLISHMENT.] The commissioner of health shall establish limits on the increase in revenue for each health care provider, for calendar years 1994 and, 1995, 1996, and 1997. The limits must be the same as the annual rate of growth in health care spending established under section 62J.04, subdivision 1, paragraph (b). The commissioner may adjust final revenue figures for case mix complexity, inpatient to outpatient conversion, payer mix, out-of-period settlements, certain taxes and assessments including the MinnesotaCare provider tax and provider surcharge, any new assessments imposed by federal or state law, research and education costs, donations, grants, and legislative initiatives that materially change health care costs revenues, as long as these adjustments are consistent with the methodology submitted by the health care provider to the commissioner, and approved by the commissioner as actuarially justified. The methodology to be used for adjustments must be submitted to the commissioner by September 1, 1993 June 1, 1994. The commissioner shall also accept changes to methodologies already submitted. The adjustment methodology submitted and approved by the commissioner must apply to all periods of the interim limits. A health care provider's revenues for purposes of these growth limits are net of the contributions, surcharges, taxes, and assessments listed in section 62P.04, subdivision 1, that the health care provider pays.

Subd. 3. [MONITORING OF REVENUE.] The commissioner of health shall monitor health care provider revenue, to ensure that savings resulting from the establishment of revenue limits are passed on to consumers in the form of lower charges. The commissioner shall monitor hospital revenue by examining net patient inpatient revenue per adjusted admission and net outpatient revenue per outpatient visit. The commissioner shall monitor the revenue of physicians and other health care providers by examining revenue per patient per year or revenue per encounter. If this information is not available, the commissioner may enforce an annual limit on the rate of growth of the provider's current fees based on the limits on the rate of growth established for calendar years 1994 and 1995.

Subd. 4. [MONITORING AND ENFORCEMENT.] Health care providers shall submit to the commissioner of health, in the form and at the times required by the commissioner, all information the commissioner determines to be necessary to implement and enforce this section. Health care providers shall submit to audits conducted by the commissioner. The commissioner shall enforce limits based on survey data supplied to the commissioner by April 1 for the previous calendar year's revenue and spending data. Providers that do not submit survey data to the commissioner are required to meet the growth limits and may be subject to random audits. The commissioner shall regularly audit all health clinics employing or contracting with over 100 physicians. The commissioner shall also audit, at times and in a manner that does not interfere with delivery of patient care, a sample of smaller clinics, hospitals, and other health care providers. Providers that exceed revenue limits based on two-year average revenue data shall be required by the commissioner to pay back the amount overspent during the following calendar year.

The commissioner shall monitor providers meeting the growth limits based on their current fees on an annual basis. The fee charged for each service must be averaged across 12 months and compared to the previous 12-month period. The percentage increase in the average fee from 1993 to 1994, from 1994 to 1995, from 1995 to 1996, and from 1996 to 1997 is subject to the growth limits established under section 62J.04, subdivision 1, paragraph (b). The audit process must include a review of the provider's monthly fee schedule, and a random claims analysis for the provider during

different parts of the year to monitor variations in fees. The commissioner shall require providers that exceed growth limits, based on annual fees, to pay back during the following calendar year the amount overspent.

The commissioner shall notify each provider that has exceeded its revenue limit, at least 30 days before taking action, and shall provide each provider with ten days to provide an explanation for exceeding the revenue target. The commissioner shall review the explanation and may change a determination if the commissioner determines the explanation to be valid.

The commissioner may approve a different repayment schedule for a health care provider that takes into account the provider's financial condition. For those providers subject to fee limits established by the commissioner, Based on claims data submitted under section 62J.38, the commissioner may adjust the percentage increase in the fee schedule to account for changes in utilization. The commissioner may adopt rules in order to enforce this section.

A provider may appeal the commissioner's order to pay back the amount overspent by mailing a written notice of appeal to the commissioner within 30 days after the commissioner's order was mailed. The contested case and judicial review provisions of chapter 14 apply to the appeal. The provider shall pay the amount specified by the commissioner either to the commissioner or into an escrow account until final resolution of the appeal. Notwithstanding sections 3.762 to 3.765, each party is responsible for its own fees and expenses, including attorneys fees, for the appeal. Any amount required to be paid back under this section shall be deposited in the general fund.

Subd. 3. [PAYMENT REQUIRED AT ALL-PAYER LEVEL.] (a) All reimbursements to Minnesota health care providers from all-payer insurers, for services provided to covered persons, shall be at the all-payer reimbursement level.

(b) All-payer insurers shall reimburse out-of-state health care providers for nonemergency services provided to covered persons at the all-payer reimbursement level. For purposes of this paragraph, "nonemergency services" means services that do not meet the definition of "emergency care" under Minnesota Rules, part 4685.0100, subpart 5.

(c) Community integrated service networks and integrated service networks shall reimburse Minnesota health care providers for out-of-network services at the all-payer reimbursement level.

(d) Community integrated service networks and integrated service networks shall reimburse out-of-network health care providers located out-of-state for nonemergency out-of-network services at the all-payer reimbursement level. For purposes of this paragraph, "nonemergency out-of-network services" means out-of-network services that do not meet the definition of "emergency care" under Minnesota Rules, part 4685.0100, subpart 5.

Subd. 4. [BALANCE BILLING PROHIBITED.] Minnesota health care providers shall accept reimbursement at the all-payer reimbursement level, including applicable copayments, deductibles, and coinsurance, as payment in full for services provided to Minnesota residents and persons covered by all-payer insurers, and for out-of-network services provided to enrollees of community integrated service networks and integrated service networks.

Sec. 7. [62P.09] [DUTIES OF THE COMMISSIONER.]

Subdivision 1. [GENERAL DUTIES.] The commissioner of health is responsible for developing and administering the all-payer option. The commissioner shall:

- (1) develop, implement, and administer fee schedules for physicians and providers with independent billing rights;
- (2) develop, implement, and administer a reimbursement system for hospitals and other institutional providers, but excluding intermediate care facilities for the mentally retarded, nursing homes, state-operated community service sites operated by the commissioner of human services, regional treatment centers, and child care facilities;
- (3) modify and adjust all-payer reimbursement levels so that health care spending under the all-payer option does not exceed the growth limits on health care spending established under section 62J.04;
- (4) collect data from all-payer insurers, health care providers, and patients to monitor spending and quality of care;
- (5) provide incentives for the appropriate utilization of services and the appropriate use and distribution of technology;
- (6) coordinate the development and administration of the all-payer option with the development and administration of the integrated service network system; and
- (7) develop and implement a fair and efficient system for resolving appeals by providers and insurers.

Subd. 2. [COORDINATION.] The commissioner shall regularly consult with the commissioner of commerce in developing and administering the all-payer option and in applying the all-payer reimbursement system to health carriers regulated by the commissioner of commerce.

Subd. 3. [TIMELINES FOR IMPLEMENTATION.] In developing and implementing the all-payer option, the commissioner shall comply with the following implementation schedule:

- (a) The phase-in of standardized billing requirements must be completed following the timetable set forth in article 9.
- (b) The phase-in of the all-payer reimbursement system must begin January 1, 1996.
- (c) The all-payer reimbursement system must be fully implemented by July 1, 1997.

Subd. 4. [IMPLEMENTATION PLAN.] The commissioner, as part of the implementation plan due January 1, 1995, shall present recommendations and draft legislation to the legislature to:

- (1) establish reimbursement methods for the all-payer option reimbursement system;
- (2) provide an implementation schedule to phase-in the all-payer reimbursement system, beginning January 1, 1996; and
- (3) establish mechanisms to ensure compliance by all-payer insurers, health care providers, and patients with the all-payer option reimbursement system and all-payer option reimbursement limits established under section 62J.04.

Sec. 8. [62P.11] [PAYMENT TO PHYSICIANS AND INDEPENDENT PROVIDERS.]

Subdivision 1. [FEE SCHEDULE.] The commissioner shall adopt a Minnesota-specific fee schedule, based upon the Medicare resource based relative value scale, to reimburse physicians and other independent providers. The fee schedule must assign each service a relative value unit that measures the relative resources required to provide the service. Payment levels for each service must be determined by multiplying relative value units by a conversion factor that converts relative value units into monetary payment. The conversion factor used to derive the fee schedule must be set at a level that is consistent with current relevant health care spending, subject to the state's target for spending growth. The conversion factor must be set at a level that equalizes total aggregate expenditures for a given period before and after implementation of the all-payer option.

Subd. 2. [DEVELOPMENT AND MODIFICATION OF RELATIVE VALUE UNITS.] (a) When appropriate, the relative value unit for each service shall be the Medicare value adjusted to reflect Minnesota health care costs. The commissioner may assign a different relative value to a service if, in the judgment of the commissioner, the Medicare relative value unit is not accurate. The commissioner may also develop or adopt relative value units for services not covered under the Medicare resource based relative value scale. Except as provided in paragraph (b), modifications or additions to relative value units are subject to the rulemaking requirements of chapter 14.

(b) The commissioner may modify the relative value units used in the Minnesota-specific fee schedule, or increase the number of services assigned relative value units, to reflect changes and improvements in the Medicare resource based relative value scale. When adopting these federal changes, the commissioner is exempt from the rulemaking requirements of chapter 14, but shall publish a notice of modifications and additions to relative value units in the State Register 30 days before they take effect.

Subd. 3. [DEVELOPMENT OF THE CONVERSION FACTOR.] The commissioner shall develop a conversion factor using actual Minnesota claims data available to the commissioner.

Sec. 9. [62P.13] [VOLUME PERFORMANCE STANDARD FOR PHYSICIAN AND OUTPATIENT SERVICES.]

Subdivision 1. [DEVELOPMENT.] The commissioner shall establish an annual, statewide volume performance standard for physician and outpatient services. The volume performance standard shall serve as an expenditure target and must be set at a level that is consistent with achieving the limits on health care spending growth pursuant to section 62J.04. The volume performance standard must combine expenditures for all services provided by physicians and other independent providers and all ambulatory care services that are not provided through an integrated service network. The statewide volume performance standard must be developed from aggregated and encounter level data reported to the state, including the claims database established under section 62I.38, when it becomes operational.

Subd. 2. [APPLICATION.] The commissioner shall compare actual expenditures for physician and outpatient services with the volume performance standard in order to keep all-payer option expenditures within the statewide growth limits. If total expenditures during a particular year exceed the expenditure target for that year, the commissioner shall update the fee schedule rates for the second year following the year in which the target was exceeded, by adjusting the conversion factor, in order to offset this increase.

Sec. 10. [62P.15] [REIMBURSEMENT.]

The commissioner, as part of the implementation report due January 1, 1995, shall recommend to the legislature and the governor which health care professionals should be paid at the full fee schedule rate and which at a partial rate, for services covered in the fee schedule.

Sec. 11. [62P.17] [PAYMENT FOR SERVICES NOT IN THE FEE SCHEDULE.]

The commissioner shall examine options for paying for services not covered in the fee schedule and shall present recommendations to the legislature and the governor as part of the implementation report due January 1, 1995. The options examined by the commissioner must include, but are not limited to, updates and modifications to the Medicare resource based relative value scale; development of additional relative value units; development of a fee schedule based on a percentage of usual, customary, and reasonable charges; and use of rate of increase controls.

Sec. 12. [62P.19] [PAYMENT FOR URBAN AND SELECTED RURAL HOSPITALS.]

Subdivision 1. [ESTABLISHMENT OF RATE.] The commissioner shall develop a Minnesota-specific diagnosis related groups system to pay for inpatient services in those acute-care general hospitals not qualifying for reimbursement under section 62P.25. In developing this system, the commissioner shall consider the all-patient refined diagnosis related groups system and other diagnosis related groups systems. Payment rates must be standardized on a statewide basis based on hospital cost data for operating and capital expenses, adjusted for area wage rates, and consistent with the overall growth target for health care spending. The commissioner shall consider whether other adjustments are needed, based on studies of the cost of graduate medical education and uncompensated care. The commissioner shall recommend any needed adjustments to the legislature and governor as part of the implementation report due January 1, 1995.

Subd. 2. [SHORT STAY AND LONG STAY OUTLIERS.] The reimbursement system must provide, on a budget neutral basis, lower charges for self-pay patients with short or low cost stays. The commissioner shall phase out this exception once universal coverage is achieved. The commissioner, as part of the implementation report due January 1, 1995, shall recommend to the legislature and the governor whether an outlier payment for long stays is needed.

Sec. 13. [62P.21] [STATEWIDE VOLUME PERFORMANCE STANDARD FOR HOSPITALS.]

Subdivision 1. [DEVELOPMENT.] The commissioner shall establish an annual, statewide volume performance standard for inpatient hospital expenditures. The volume performance standard shall serve as an expenditure target and must be set at a level that is consistent with meeting the limits on health care spending growth.

Subd. 2. [APPLICATION.] The commissioner shall compare actual inpatient hospital expenditures with the volume performance standard in order to keep all-payer option expenditures within the statewide growth limits. If aggregate inpatient hospital expenditures for a particular year exceed the volume performance standard, the commissioner shall adjust the annual increase in payment levels for diagnosis related groups for the following year.

Sec. 14. [62P.23] [FLEXIBILITY IN APPLYING THE VOLUME PERFORMANCE STANDARD; REVIEW.]

Subdivision 1. [REALLOCATION.] The commissioner may reallocate spending limits between the inpatient hospital services volume performance standard and the physician and outpatient services volume performance standard, if this promotes the efficient use of health care services and does not cause total health care spending in the all-payer option to exceed the level allowed by the growth limits on health care spending.

Subd. 2. [REVIEW.] The commissioner shall review the effectiveness of the volume performance standard after the first three years of operation and shall recommend any necessary changes to the legislature and the governor.

Sec. 15. [62P.25] [REIMBURSEMENT FOR SMALL RURAL HOSPITALS.]

All-payer insurers shall pay small rural hospitals on the basis of reasonable charges, subject to a rate of increase control. For purposes of this requirement, a "small rural hospital" means a hospital with 40 or fewer licensed beds that is located at least 25 miles from any other hospital. The commissioner shall recommend to the legislature and the governor a methodology for determining reasonable charges as part of the implementation report due January 1, 1995.

Sec. 16. [62P.27] [PAYMENT FOR OUTPATIENT SERVICES.]

Outpatient services provided in acute-care general hospitals and freestanding ambulatory surgery centers shall be paid on the basis of approved charges, subject to rate of increase controls. The rate of increase allowed must be consistent with the volume performance standard for physician and outpatient services.

Sec. 17. [62P.29] [OTHER INSTITUTIONAL PROVIDERS.]

Subdivision 1. [SPECIALTY HOSPITALS AND HOSPITAL UNITS.] The commissioner shall develop payment mechanisms for specialty hospitals providing pediatric and psychiatric care and distinct psychiatric and rehabilitation units in hospitals. The commissioner shall present these recommendations to the legislature and governor as part of the implementation report due January 1, 1995.

Subd. 2. [OTHER PROVIDERS.] The commissioner shall apply rate of increase limits on charges or fees to other nonhospital institutional providers. These providers include, but are not limited to, home health agencies, substance abuse treatment centers, and nursing homes, to the extent their services are included in the all-payer option.

Sec. 18. [62P.31] [LIMITATIONS ON ALL-PAYER OPTION.]

Beginning July 1, 1997, all-payer insurers shall not employ or contract with health care providers, establish a network of exclusive or preferred providers, or negotiate provider payments that differ from the all-payer fee schedule, except that all-payer insurers may establish and maintain preferred provider networks solely for utilization control and quality management and not for negotiation of provider payments. Preferred provider organizations may continue to provide care to their existing enrollees, without becoming licensed as an integrated service network or otherwise becoming subject to this section, through December 31, 1997.

Sec. 19. [62P.33] [RECOMMENDATIONS FOR A USER FEE.]

The commissioner of health shall present to the legislature, as part of the implementation plan due January 1, 1996, recommendations for establishing and collecting a user fee from all-payer insurers. The user fee must be set at a level that reflects the state's investment in fee schedules, standard utilization reviews, quality monitoring, and other regulatory and administrative functions provided for the regulated all-payer option. The commissioner may consult

actuaries in developing recommendations for and setting the level of the user fee. The commissioner may also present recommendations to establish additional fees and assessments if the commissioner determines they are needed to assure equal levels of accountability between the integrated service network system and the regulated all-payer option in terms of public health goals, serving high-risk and special needs populations, and other obligations imposed on the integrated service network system.

Sec. 20. [STUDY OF STANDARD UTILIZATION REVIEW CRITERIA FOR SERVICES.]

The commissioner of health, after consulting with providers, utilization review organizations, the practice parameters advisory committee, and the health technology advisory committee, shall report to the legislature by July 1, 1995, and recommend clinical criteria for determining the necessity, appropriateness, and efficacy of five frequently used health care services for which standard criteria for utilization review would decrease providers' administrative costs.

Sec. 21. [INSTRUCTION TO THE REVISOR.]

The revisor, in the next edition of Minnesota Statutes, shall replace the term "regulated all-payer system" and similar terms with "regulated all-payer option" and similar terms in sections 62J.04, 62J.09, 62J.152, 62P.01, and 62P.03.

Sec. 22. [EFFECTIVE DATE.]

Sections 1 to 21 are effective the day following final enactment, except that section 6 is effective January 1, 1996, and section 18 is effective July 1, 1997.

ARTICLE 4

FUTURE REQUIREMENTS FOR HEALTH PLAN COMPANIES

Section 1. [62J.48] [CRITERIA FOR REIMBURSEMENT.]

All ambulance services licensed under section 144.802 are eligible for reimbursement under the integrated service network system and the regulated all-payer option. The commissioner shall require community integrated service networks, integrated service networks, and all-payer insurers to adopt the following reimbursement policies.

(1) All emergency calls must be reimbursed without prior approval. Reimbursement must not be denied through retroactive review.

(2) All scheduled or prearranged air and ground ambulance transports must be reimbursed if requested by an attending physician or nurse, or if approved by a designated representative of an integrated service network who is immediately available on a 24-hour basis.

(3) Reimbursement must be provided for all emergency ambulance calls in which a patient is transported or medical treatment rendered.

(4) Special transportation services must not be billed or reimbursed if the patient needs medical attention immediately before transportation.

Sec. 2. Minnesota Statutes 1993 Supplement, section 62N.06, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZED ENTITIES.] (a) An integrated service network may be organized as a separate nonprofit corporation under chapter 317A or, as a cooperative under chapter 308A, or as an insurance company licensed under chapter 60A.

(b) A ~~nonprofit~~ health carrier, as defined in section 62A.011, may establish and operate one or more integrated service networks without forming a separate corporation or cooperative, but only if all of the following conditions are met:

(i) a an existing contract between the health carrier and a health care provider, for a term of less than seven years, that was executed before June 1, 1993, that does not explicitly mention the provider's relationship within an integrated service network, or a future integrated service network, does not bind the health carrier or provider as applied to integrated service network services, except with the mutual consent of the health carrier and provider entered into on or after June 1, 1993. This clause does not apply to contracts between a health carrier and its salaried employees;

(ii) the health carrier shall not apply toward the net worth, working capital, or deposit requirements of this chapter any assets used to satisfy net worth, working capital, deposit, or other financial requirements under any other chapter of Minnesota law;

(iii) the health carrier shall not include in its premiums for health coverage provided under any other chapter of Minnesota law, an assessment or surcharge relating to net worth, working capital, or deposit requirements imposed upon the integrated service network under this chapter; and

(iv) the health carrier shall not include in its premiums for integrated service network coverage under this chapter an assessment or surcharge relating to net worth working capital or deposit requirements imposed upon health coverage offered under any other chapter of Minnesota law.

Sec. 3. [62N.14] [OFFICE OF CONSUMER AFFAIRS.]

Subdivision 1. [DUTIES.] Every integrated service network must have an office of consumer affairs which will be responsible for dealing with all enrollee complaints and inquiries. The integrated service network, through its office of consumer affairs, will be responsible for:

- (1) soliciting consumer comment on the quality and accessibility of services available;
- (2) disseminating information to consumers on the integrated service network's enrollee complaint resolutions system;
- (3) receiving unsolicited comments on and complaints about services;
- (4) taking prompt action upon consumer complaints; and
- (5) providing for and participating in alternative dispute resolution processes.

Subd. 2. [CONTACT WITH COMMISSIONER.] Each integrated service network shall designate a contact person for direct communication with the commissioner. Integrated service network complaint files must be maintained by the integrated service network for seven years and must be made available upon the request of the commissioner. The health department may at any time inspect the integrated service network's office of consumer affairs complaint files.

Subd. 3. [ENROLLEE MEMBERSHIP CARDS.] Integrated service networks shall issue enrollee membership cards to each enrollee of the integrated service network. The enrollee card shall contain, at minimum, the following information:

- (1) the telephone number of the integrated service network's office of consumer affairs;
- (2) the telephone number of the state's office of consumer information; and
- (3) the telephone number of the department of health.

The membership cards shall also conform to the requirements set forth in section 62J.60.

Subd. 4. [ENROLLEE DOCUMENTS.] Each integrated service network, through its office of consumer affairs, is responsible for providing enrollees, upon request, with any reasonable information desired by an enrollee. This information may include duplicate copies of the evidence of coverage form required under section 62N.11; an annually updated list of addresses and telephone numbers of available integrated service network providers, including midlevel practitioners and allied professionals; and information on the enrollee complaint system of the integrated service network.

Sec. 4. [62N.38] [FEDERAL AGENCY PARTICIPATION.]

Subdivision 1. [PARTICIPATION.] An integrated service network may be organized by a department, agency, or instrumentality of the United States government.

Subd. 2. [ENROLLEES.] An integrated service network organized under subdivision 1 may limit its enrollment to those persons entitled to care under the federal program responsible for the integrated service network.

Subd. 3. [PARTICIPATION IN STATE PROGRAMS.] An integrated service network organized under subdivision 1 may request that the commissioner of health waive the requirement of section 62N.10, subdivision 4 with regard to some or all of the programs listed in that provision. The commissioner shall grant the waiver unless the commissioner determines that the applicant does not plan to provide care to low-income persons who are otherwise eligible for enrollment in the integrated service network. The integrated service network may withdraw its waiver with respect to some or all of the programs listed in section 62N.10, subdivision 4 at any time, as long as it is willing and able to enroll in the programs previously waived on the same basis as other integrated service networks.

Subd. 4. [SOLVENCY.] The commissioner shall consult with federal officials to develop procedures to allow integrated service networks organized under subdivision 1 to use the United States government as a guaranteeing organization.

Subd. 5. [VETERANS.] In developing and implementing initiatives to expand access to health care, the commissioner shall recognize the unique problems of veterans and consider methods to reach underserved portions of the veteran population.

Sec. 5. [62N.381] [AMBULANCE SERVICE RATE NEGOTIATION.]

Subdivision 1. [APPLICABILITY.] This section applies to all reimbursement rate negotiations between ambulance services and community integrated service networks or integrated service networks.

Subd. 2. [RANGE OF RATES.] The reimbursement rate negotiated for a new contract period must not be lower than the rate for the current contract period, and must not be greater than the current rate plus the rate of growth allowed under section 62J.04, subdivision 1, unless the ambulance service proposes a lower rate or can justify a higher rate. If the network and ambulance service cannot agree on a rate, each party shall submit their rate proposal along with supportive data to the advisory committee established by the commissioner under subdivision 3.

Subd. 3. [ADVISORY COMMITTEE ON AMBULANCE RATES.] The commissioner shall establish an advisory committee on ambulance rates, by September 1, 1994. Membership of the committee shall consist of: three representatives of integrated service networks, three representatives of the ambulance industry chosen by the Minnesota Ambulance Association, and one representative selected by the commissioner who has expertise in business or finance and is not a state employee. Each member shall designate an alternate, who shall have full voting rights. The committee is governed by section 15.0575.

Subd. 4. [DEVELOPMENT OF CRITERIA.] The commissioner, in consultation with the advisory committee, shall develop criteria for the committee to use in reviewing rate proposals, and criteria for the commissioner to use in making a final determination.

Subd. 5. [REVIEW OF RATE PROPOSALS.] The committee, using the criteria developed under subdivision 4, shall review the rate proposals by ambulance services and integrated service networks, and shall: (1) endorse the network rate proposal; (2) endorse the ambulance service proposal; or (3) develop and recommend its own proposal. The committee shall forward its decision to the commissioner. The commissioner, using the criteria developed under subdivision 4 and after considering the committee's decision, shall make a final rate determination and require the network and the ambulance service to adhere to this reimbursement rate.

Sec. 6. [62Q.19] [ESSENTIAL COMMUNITY PROVIDERS.]

Subdivision 1. [DESIGNATION.] The commissioner shall designate essential community providers. The criteria for essential community provider designation shall be the following:

(1) a demonstrated ability to integrate applicable supportive and stabilizing services with medical care for uninsured persons and high-risk and special needs populations as defined in section 62Q.07, subdivision 2, paragraph (e), underserved, and other special needs populations; and

(2) a commitment to serve low-income and underserved populations by meeting the following requirements:

(i) has nonprofit status in accordance with chapter 317A;

(ii) has tax exempt status in accordance with the Internal Revenue Service Code, section 501(c)(3);

(iii) charges for services on a sliding fee schedule based on current poverty income guidelines; and

(iv) does not restrict access or services because of a client's financial limitation; or

(3) status as a community health board as defined in chapter 145A.

The commissioner may designate an eligible provider as an essential community provider for all the services offered by that provider or for specific services designated by the commissioner.

For the purpose of this subdivision, supportive and stabilizing services include at a minimum, transportation, child care, cultural, and linguistic services where appropriate.

Subd. 2. [APPLICATION.] Any provider may apply to the commissioner for designation as an essential community provider within two years after the effective date of the rules adopted by the commissioner to implement this section.

Subd. 3. [HEALTH PLAN COMPANY AFFILIATION.] A health plan company must offer a provider contract to any designated essential community provider located within the area served by the health plan company. A health plan company shall not unduly restrict enrollee access to the essential community provider for the population that the essential community provider is certified to serve. A health plan company may also make other providers available to this same population. A health plan company may require an essential community provider to meet all data requirements, utilization review, and quality assurance requirements on the same basis as other health plan providers.

Subd. 4. [ESSENTIAL COMMUNITY PROVIDER RESPONSIBILITIES.] Essential community providers must agree to serve enrollees of all health plan companies operating in the area that the essential community provider is certified to serve.

Subd. 5. [CONTRACT PAYMENT RATES.] An essential community provider and a health plan company may negotiate the payment rate for covered services provided by the essential community provider. This rate must be competitive with rates paid to other health plan providers for the same or similar services.

Subd. 6. [TERMINATION.] The designation as an essential community provider is terminated five years after it is granted, and the former essential community provider has no rights or privileges beyond those of any other health care provider.

Subd. 7. [RECOMMENDATIONS ON ESSENTIAL COMMUNITY PROVIDERS.] As part of the implementation plan due January 1, 1995, the commissioner shall present recommendations and draft legislation for defining essential community providers, using the criteria established under subdivision 1, and defining the relationship between essential community providers and health plan companies.

Sec. 7. [62Q.21] [UNIVERSAL STANDARD BENEFITS SET.]

Subdivision 1. [MANDATORY OFFERING.] Effective January 1, 1996, each health plan company shall offer the universal standard benefits set to its enrollees.

Subd. 2. [STANDARD BENEFIT SET.] Effective July 1, 1997, health plan companies shall offer, sell, issue, or renew only the universal standard benefits set and the cost-sharing and supplemental coverage options allowed under sections 62Q.25 and 62Q.27.

Subd. 3. [GENERAL DESCRIPTION.] The universal standard benefits set must contain all appropriate and necessary health care services. Benefits necessary to meet public health goals, adequately serve high risk and special needs populations, facilitate the utilization of cost-effective alternatives to traditional inpatient acute and extended health care delivery, or meet other objectives of health care reform shall be considered by the commissioner for inclusion in the universal standard benefits set. Appropriate and necessary dental services must be included.

Subd. 4. [BENEFIT SET RECOMMENDATIONS.] The commissioner, in consultation with the Minnesota health care commission and the commissioners of commerce and human services, shall develop the universal standard benefits set and report these recommendations to the legislature by January 1, 1995. The commissioner shall include in this report a definition for "appropriate and necessary." In developing this definition, the commissioner shall consider that a benefit set that excludes genuinely appropriate and necessary services will not reduce or contain costs, but will only transfer those costs onto individuals and the public sector. Therefore, the definition of appropriate and necessary must be sufficiently broad to address the type, frequency, level, setting, and duration of services that

address an individual's mental or physical condition, the needs of those with chronic conditions or disabilities, including those who need health services to improve their functioning, those for whom maintenance of health may not be possible, and those for whom preventing deterioration in their health conditions might not be achievable, and meet other health care reform objectives. In developing the universal standard benefits set, the commissioner shall take into account factors including, but not limited to:

- (1) information regarding the benefits, risks, and cost-effectiveness of health care interventions;
- (2) development of practice parameters;
- (3) technology assessments;
- (4) medical innovations;
- (5) health status assessments;
- (6) identification of unmet needs or particular barriers to access;
- (7) public health goals;
- (8) expenditure limits available funding; and
- (9) cost-efficient and effective alternatives to inpatient health care services for acute or extended health care needs, such as home health care services; and
- (10) cost savings resulting from the inclusion of a health care service that will decrease the utilization of other health care services in the benefit set.

Subd. 5. [ADVISORY COMMITTEE ON THE UNIVERSAL BENEFITS SET.] The commissioner shall appoint an advisory committee to develop recommendations regarding nondental health care services to be included in the universal benefits set. The committee must include representatives of health care providers, consumers, health plan companies, and counties. No more than half plus one of the members may be of the same gender. Recommendations of the committee must be provided to the Minnesota health care commission by October 1, 1994. The advisory committee expires January 1, 1995.

Subd. 6. [ADVISORY COMMITTEE ON DENTAL SERVICES.] The commissioner shall appoint an advisory committee to develop recommendations regarding the level of appropriate and necessary dental services to be included in the universal standard benefits set. No more than half plus one of the members may be of the same gender. The committee shall also develop recommendations on an appropriate system to deliver dental services. In its analysis, the committee shall study the quality and cost-effectiveness of dental services delivered through capitated dental networks, discounted dental preferred provider organizations, and independent practice dentistry. The committee shall report these recommendations to the Minnesota health care commission by October 1, 1994. The advisory committee expires January 1, 1995.

Subd. 7. [CHEMICAL DEPENDENCY SERVICES.] If chemical dependency services are included in the universal standard benefits set, the commissioner shall consider the cost-effectiveness of requiring health plan companies and chemical dependency facilities to use the assessment criteria in Minnesota Rules, parts 9530.6600 to 9530.6660.

Sec. 8. [62Q.22] [CHEMICAL DEPENDENCY SERVICES.]

In developing benefit set recommendations the commissioner shall develop criteria to ensure that chemically dependent individuals have access to cost-effective treatment options that address the specific needs of individuals. These include, but are not limited to, the need for: treatment that takes into account severity of illness and comorbidities; provision of a continuum of care from primary inpatient to outpatient care, aftercare, and long-term care; the safety of the individual's domestic and community environment; gender appropriate and culturally appropriate programs; and access to appropriate social services.

Sec. 9. [62Q.23] [GENERAL SERVICES.]

(a) Health plan companies shall comply with all continuation and conversion of coverage requirements applicable to health maintenance organizations under state or federal law.

(b) Health plan companies shall comply with sections 62A.047, 62A.27, and any other coverage required under chapter 62A of newborn infants, dependent children who do not reside with a covered person, handicapped children and dependents, and adopted children. A health plan company providing dependent coverage shall comply with section 62A.302.

(c) Health plan companies shall comply with the equal access requirements of section 62A.15, subdivision 2.

Sec. 10. [62Q.25] [SUPPLEMENTAL COVERAGE.]

Health plan companies may choose to offer separate supplemental coverage for services not covered under the universal benefits set. Health plan companies may offer any Medicare supplement, Medicare select, or other Medicare-related product otherwise permitted for any type of health plan company in this state. Each Medicare-related product may be offered only in full compliance with the requirements in chapters 62A, 62D, and 62E that apply to that category of product.

Sec. 11. [62Q.27] [ENROLLEE COST-SHARING.]

(a) The commissioner, as part of the implementation plan due January 1, 1995, shall present to the legislature recommendations and draft legislation to establish up to five standardized benefit plans which may be offered by each health plan company. The plans must vary only on the basis of enrollee cost sharing and encompass a range of cost-sharing options from (1) lower premium costs combined with higher enrollee cost-sharing, to (2) higher premium costs combined with lower enrollee cost-sharing. Each plan offered may include out-of-network coverage options.

(b) For purposes of this section, "enrollee cost-sharing" or "cost-sharing" means copayments, deductibles, coinsurance, and other out-of-pocket expenses paid by the individual consumer of health care services.

(c) The following principles must apply to cost-sharing:

(1) enrollees must have a choice of cost-sharing arrangements;

(2) enrollee cost-sharing must be administratively feasible and consistent with efforts to reduce the overall administrative burden on the health care system;

(3) cost-sharing for recipients of medical assistance, general assistance medical care, or the MinnesotaCare program must be determined by applicable law and rules governing these programs;

(4) cost-sharing must be capped at an annual limit determined by the commissioner to protect individuals and families from financial catastrophe and to protect individuals with substantial health care needs;

(5) child health supervision services, immunizations, prenatal care, and other preventive services must not be subjected to cost-sharing;

(6) the impact of enrollee cost-sharing requirements on appropriate utilization must be considered when cost-sharing requirements are developed;

(7) additional requirements may be established to assist enrollees for whom an inducement in addition to the elimination of cost-sharing is necessary in order to encourage them to use cost-effective preventive services. These requirements may include the provision of educational information, assistance or guidance, and opportunities for responsible decision making by enrollees that minimize potential out-of-pocket costs;

(8) a copayment may be no greater than 25 percent of the paid charges for the service or product;

(9) cost-sharing requirements and benefit or service limitations for outpatient mental health and outpatient chemical dependency services, except for persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be more restrictive than those requirements and limitations for outpatient medical services; and

(10) cost-sharing requirements and benefit or service limitations for inpatient hospital mental health and inpatient hospital and residential chemical dependency services, except for persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be more restrictive than those requirements and limitations for inpatient hospital medical services.

(d) The commissioner shall consider whether a health plan company may return all or part of an enrollee's cost-sharing to the enrollee as an incentive for completing preventive care, participating in health education, improving health, or reducing health risks.

Sec. 12. [62Q.29] [STATE-ADMINISTERED PUBLIC PROGRAMS.]

Public agencies, on behalf of eligible recipients enrolled in public programs such as medical assistance, general assistance medical care, and MinnesotaCare, may contract with health plan companies to provide services included in these programs, but not included in the universal standard benefits set.

Sec. 13. [62Q.30] [EXPEDITED FACT FINDING AND DISPUTE RESOLUTION PROCESS.]

The commissioner shall establish an expedited fact finding and dispute resolution process to assist enrollees of integrated service networks and all-payer insurers with contested treatment, coverage, and service issues to be in effect July 1, 1997. The commissioner may order an integrated service network or an all-payer insurer to provide or pay for a service that is within the universal standard benefits set. If the disputed issue relates to whether a service is appropriate and necessary, the commissioner may issue an order only after consulting with appropriate experts, reviewing pertinent literature, and considering the availability of satisfactory alternatives. The commissioner may fine or revoke the license of an integrated service network or an all-payer insurer that is the subject of repeated orders by the commissioner that suggests a pattern of inappropriate underutilization.

Sec. 14. [EFFECTIVE DATE.]

Sections 2, 3, 6, 7, and 11 to 13 are effective the day following final enactment, except that sections 9 and 10 are effective July 1, 1997.

ARTICLE 5

IMPLEMENTATION AND TRANSITION PLANS

Section 1. [62Q.41] [ANNUAL IMPLEMENTATION PLAN.]

The commissioner of health, in consultation with the Minnesota health care commission, shall develop an annual implementation plan to be submitted to the legislature each year beginning January 1, 1995, describing the progress and status of rule development and implementation of the integrated service network system and the regulated all-payer option, and providing recommendations for legislative changes that the commissioner determines may be needed.

Sec. 2. [TRANSITION PLAN.]

The commissioner of health, in consultation with the Minnesota health care commission, shall develop a plan to facilitate the transition from the existing health care delivery and financing system to the integrated service network system and the regulated all-payer option. The plan may include recommendations for integrated service network requirements or other requirements that should become applicable to some or all health plan companies prior to July 1, 1997, and recommendations for requirements that should be modified or waived during a transition period after July 1, 1997, as health plan companies convert to integrated service networks or to the regulated all-payer option. The transition plan must be submitted to the legislature by January 1, 1995.

Sec. 3. [STATE ADMINISTERED HEALTH PROGRAM PHASE-IN.]

(a) The commissioner of human services shall present to the legislature and the governor, as part of the implementation plan due January 1, 1996, a plan to incorporate state administered health programs, into the all-payer option and the integrated service network system. The plan must identify the federal waivers and approvals required. The plan must also provide a schedule for phasing in the state administered health programs beginning July 1, 1997, and for increasing reimbursement levels in stages over the phase-in period. For purposes of this section, "state administered health programs" means the medical assistance, general assistance medical care, and MinnesotaCare programs.

(b) The commissioner shall include with the plan required under paragraph (a) recommendations, including proposed legislation, for a coordinated program for receiving bids from managed care plans to serve enrollees of the state health plan and recipients of state administered health programs, to be phased in beginning July 1, 1997.

(c) The recommendations shall include a requirement that managed care plans interested in contracting to serve enrollees or recipients of any program listed in paragraph (b) submit a bid to provide services to all enrollees and recipients of those programs residing within the plan's service area.

(d) The commissioner must convene an advisory task force to assist with the preparation of plans, recommendations, and legislation required by this section. The task force must include representatives of recipients of state administered health programs, providers with substantial experience in providing services to recipients of these programs, the department of human services, county human services representatives, and other affected persons. No more than one-half plus one of the members may be of the same gender.

Sec. 4. [RECODIFICATION AND HEALTH PLAN COMPANY REGULATORY REFORM.]

Subdivision 1. [PROPOSED LEGISLATION.] The commissioner of health, in consultation with the commissioner of commerce, the Minnesota health care commission, and the legislative commission on health care access, shall draft proposed legislation to recodify, simplify, and standardize all statutes, rules, regulatory requirements, and procedures relating to health plan companies. The recodification and regulatory reform must become effective simultaneously with the full implementation of the integrated service network system and the regulated all-payer option on July 1, 1997. The commissioner of health shall submit to the legislature by January 1, 1996, a report on the recodification and regulatory reform with proposed legislation.

Subd. 2. [ADVISORY TASK FORCE.] The commissioner of health shall convene an advisory task force to advise the commissioner on the recodification and reform of regulatory requirements under this section. The task force must include representatives of health plan companies, consumers, public and private employers, labor unions, providers, and other affected persons. No more than half plus one of the members may be of the same gender.

Sec. 5. [HEALTH REFORM DEMONSTRATION MODELS.]

The commissioner of health, in consultation with appropriate state agencies, is authorized to seek federal and private foundation grants to supplement any funds appropriated under this act in order to conduct demonstration models to develop the implementation strategies for the various components of health care reform. The model projects may include the following:

- (1) risk adjustment formulas;
- (2) integration of special needs populations into integrated service networks;
- (3) organization of health services delivery by post-secondary educational facilities;
- (4) establishment of rural purchasing pools and cooperative service arrangements;
- (5) integration of rural public health nursing agency services with rural community integrated service networks;
- (6) development of appropriate access services which facilitate enrollment of low-income or special needs populations into integrated service networks;
- (7) evaluation methods for the action plans prepared by health plan companies; and
- (8) integration of services provided by licensed school nurses into integrated service networks.

Sec. 6. [AMBULANCE RATE REGULATION STUDY.]

The commissioner, in consultation with the Minnesota Ambulance Association and the regional emergency medical services systems, shall develop an ambulance rate regulation system for ambulance services provided in both the integrated service network and all-payer option sectors. The commissioner shall present recommendations and an implementation plan for this rate regulation system to the legislature by January 1, 1996.

Sec. 7. [PREPAID MEDICAL ASSISTANCE PLAN STUDY.]

The commissioners of health and human services shall study the coordination between health care reform and the prepaid medical assistance plan. The study must also determine whether there have been cost savings, cost increases, or cost shifting under current implementation of the prepaid medical assistance plan. The commissioners shall jointly report their findings to the legislature by January 1, 1995.

Sec. 8. [POOLED PRESCRIPTION DRUG PURCHASING PROGRAM.]

Subdivision 1. [FINDINGS AND PURPOSE.] The legislature finds that increasing costs are threatening the ability of a number of Minnesotans without prescription drug coverage to afford the purchase of prescription drugs. The legislature also finds that innovative private and public arrangements involving pooled prescription drug benefit management have provided many Minnesotans with economical access to prescription drugs. The legislature desires to make available the advantages of similar arrangements to those Minnesotans not currently enjoying such advantages without disrupting existing and future private and public arrangements in which other Minnesotans participate.

Subd. 2. [PROPOSED LEGISLATION.] By January 15, 1995, the commissioner of health shall provide the legislature with proposed legislation containing the commissioner's recommendations for creation of a pooled prescription drug purchasing program. The program to be created by the proposed legislation shall:

(1) make available the cost savings associated with pooled prescription drug purchasing to those Minnesotans lacking private or public prescription drug coverage who are not eligible to participate in other private or public pooled prescription drug benefit management programs;

(2) not disrupt, displace or otherwise affect existing private and public arrangements for management of prescription drug benefits;

(3) provide that the program may be administered by a private vendor supervised by the state and selected on the basis of competitive bidding; and

(4) take into account the effect of ongoing changes in state and federal health care policy.

Sec. 9. [EFFECTIVE DATE.]

Sections 1 to 8 are effective the day following final enactment.

ARTICLE 6

UNIVERSAL COVERAGE

Section 1. [62Q.16] [UNIVERSAL COVERAGE.]

It is the commitment of the state to achieve universal health coverage for all Minnesotans by July 1, 1997. In order to achieve this commitment, the following goals must be met:

(1) every Minnesotan shall have health coverage and shall contribute to the costs of coverage based on ability to pay;

(2) no Minnesotan shall be denied coverage or forced to pay more because of health status;

(3) quality health care services must be accessible to all Minnesotans;

(4) all health care purchasers must be placed on an equal footing in the health care marketplace; and

(5) a comprehensive and affordable health plan must be available to all Minnesotans.

Sec. 2. [62Q.17] [VOLUNTARY PURCHASING POOLS.]

Subdivision 1. [PERMISSION TO FORM.] Notwithstanding section 62A.10, employers, groups, and individuals may voluntarily form purchasing pools, for the purpose of negotiating and purchasing health plan coverage from health plan companies for members of the pool.

Subd. 2. [COMMON FACTORS.] All participants in a purchasing pool must live within a common geographic region, be employed in a similar occupation, or share some common factor as approved by the commissioner.

Subd. 3. [GOVERNING STRUCTURE.] Each pool must have a governing structure controlled by its members. The governing structure of the pool is responsible for administration of the pool. The governing structure shall review and evaluate all bids for coverage from health plan companies, shall determine criteria for joining and leaving the pool, and may design incentives for healthy lifestyles and health promotion programs. The governing structure may design uniform entrance standards for all employers, except small employers as defined under section 62L.02. Small employers must be permitted to enter any pool if the small employer meets the pool's membership requirements. Pools must provide as much choice in health plans to members as is financially possible. The governing structure may charge all members a fee for administrative purposes.

Subd. 4. [ENROLLMENT.] Pools must have an annual open enrollment period of not less than 15 days, during which all individuals or groups that qualify for membership may enter the pool without any preexisting condition limitations or exclusions or exclusionary riders, except those permitted under chapter 62L for groups or section 62A.65 for individuals. Pools must reach and maintain an enrolled population of at least 1,000 members within six months of formation. If a pool fails to reach or maintain the minimum enrollment, all coverage subsequently purchased through the purchasing pool must be regulated through existing applicable laws and forego all advantages under this section.

Subd. 5. [MEMBERS.] The governing structure of the pool shall set a minimum time period for membership. Members must stay in the purchasing pool for the entire minimum period to avoid paying a penalty. Penalties for early withdrawal from the purchasing pool shall be established by the governing structure.

Subd. 6. [EMPLOYER-BASED PURCHASING POOLS.] Employer-based purchasing pools must, with respect to small employers as defined in section 62L.02, meet all the requirements of chapter 62L. The experience of the pool must be pooled and the rates blended across all groups. Pools may decide to create tiers within the pool, based on experience of group members. These tiers must be designed within the requirements of section 62L.08. The governing structure may establish criteria limiting movement between tiers. Tiers must be phased out within two years of the pool's creation.

Subd. 7. [INDIVIDUAL MEMBERS.] Purchasing pools that contain individual members must meet all of the underwriting and rate restrictions found in the individual health plan market.

Subd. 8. [REPORTS.] Prior to the initial effective date of coverage, and annually thereafter, each pool shall file a report with the information clearinghouse. The information clearinghouse must use the report to promote the purchasing pools. The annual report must contain the following information:

- (1) the number of lives in the pool;
- (2) the geographic area the pool intends to cover;
- (3) the number of health plans offered;
- (4) a description of the benefits under each plan;
- (5) a description of the premium structure, including any copayments or deductibles, of each plan offered;
- (6) evidence of compliance with chapter 62L;
- (7) a sample of marketing information, including a phone number where the pool may be contacted; and
- (8) a list of all administrative fees charged.

Sec. 3. [62Q.18] [UNIVERSAL COVERAGE; INSURANCE REFORMS.]

Subdivision 1. [DEFINITION.] For purposes of this section,

- (1) "continuous coverage" has the meaning given in section 62L.02;
- (2) "guaranteed issue" means:

(i) for individual health plans, that a health plan company shall not decline an application by an individual for any individual health plan offered by that health plan company, including coverage for a dependent of the individual to whom the health plan has been or would be issued; and

(ii) for group health plans, that a health plan company shall not decline an application by a group for any group health plan offered by that health plan company and shall not decline to cover under the group health plan any person eligible for coverage under the group's eligibility requirements, including persons who become eligible after initial issuance of the group health plan;

(3) "qualifying coverage" has the meaning given in section 62L.02; and

(4) "underwriting restrictions" has the meaning given in section 62L.03, subdivision 4.

Subd. 2. [INDIVIDUAL MANDATE.] Effective July 1, 1997, each Minnesota resident shall obtain and maintain qualifying coverage.

Subd. 3. [GUARANTEED ISSUE.] (a) Effective July 1, 1997, each health plan company shall offer, sell, issue, or renew each of its individual health plan forms on a guaranteed issue basis to any Minnesota resident.

(b) Effective July 1, 1997, each health plan company shall offer, sell, issue, or renew each of its group health plan forms to any employer that has its principal place of business in this state on a guaranteed issue basis, provided that the guaranteed issue requirement does not apply to employees, dependents, or other persons to be covered, who are not residents of this state.

(c) Effective July 1, 1997, each health plan company that issues a group health plan to an employer that does not have its principal place of business in this state, where the health plan covers or is intended to cover 20 or more residents of this state, must cover residents of this state on a guaranteed issue basis.

Subd. 4. [UNDERWRITING RESTRICTIONS LIMITED.] Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan that has underwriting restrictions that apply to a Minnesota resident, except as expressly permitted under this section.

Subd. 5. [PREEXISTING CONDITION LIMITATIONS.] Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan that contains a preexisting condition limitation or exclusion or exclusionary rider that applies to a Minnesota resident, except a limitation which is no longer than 12 months and applies only to a person who has not maintained continuous coverage. An unexpired preexisting condition limitation from previous qualifying coverage may be carried over to new coverage under a health plan, if the unexpired condition is one permitted under this section. A Minnesota resident who has not maintained continuous coverage may be subjected to a new 12-month preexisting condition limitation after each break in continuous coverage.

Subd. 6. [LIMITS ON PREMIUM RATE VARIATIONS.] (a) Effective July 1, 1995, the premium rate variations permitted under sections 62A.65 and 62L.08 become:

(1) for factors other than age and geography, 12.5 percent of the index rate; and

(2) for age, 25 percent of the index rate.

(b) Effective July 1, 1996, the premium variations permitted under sections 62A.65 and 62L.08 become:

(1) for factors other than age and geography, 7.5 percent of the index rate; and

(2) for age, 15 percent of the index rate.

(c) Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan, that is subject to section 62A.65 or 62L.08, for which the premium rate varies between covered persons on the basis of any factor other than:

(1) for individual health plans, differences in benefits or benefit design, and for group health plans, actuarially valid differences in benefits or benefit design;

(2) the number of persons to be covered by the health plan;

(3) actuarially valid differences in expected costs between adults and children;

(4) healthy lifestyle discounts authorized by statute; and

(5) for individual health plans, geographic variations permitted under section 62A.65, and for group health plans, geographic variations permitted under section 62L.08.

(d) All premium rate variations permitted under paragraph (c) are subject to the approval of the commissioner.

Subd. 7. [PORTABILITY OF COVERAGE.] (a) Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew any group or individual health plan that does not provide for guaranteed issue, with full credit for previous qualifying coverage against any preexisting condition limitation that would otherwise apply under subdivision 5. No health plan shall be subject to any other type of underwriting restriction.

(b) Effective July 1, 1994, no health plan company shall offer, sell, issue, or renew any group or individual health plan that does not, with respect to individuals who maintain continuous coverage and whose immediately preceding qualifying coverage is a health plan issued by the same health plan company, medical assistance under chapter 256B, general assistance medical care under chapter 256D, or the MinnesotaCare plan established under section 256.9352,

(1) make coverage available on a guaranteed issue basis; and

(2) give full credit for previous continuous coverage against any applicable preexisting condition limitation or exclusion.

(c) Paragraph (b) applies to individuals whose immediately preceding qualifying coverage is medical assistance under chapter 256B, general assistance medical care under chapter 256D, or the MinnesotaCare plan established under section 256.9352, only if the individual has disenrolled from the public program or will disenroll upon issuance of the new coverage. Paragraph (b) does not apply if the public program uses or will use public funds to pay the premiums for an individual who remains or will remain enrolled in the public program. This paragraph does not prohibit public payment of premiums to continue private sector coverage originally obtained prior to enrollment in the public program, where otherwise permitted by state or federal law.

(d) Effective July 1, 1994, no health plan company shall offer, sell, issue, or renew any group health plan that does not, with respect to individuals who maintain continuous coverage:

(1) make coverage available on a guaranteed issue basis; and

(2) give full credit for previous continuous coverage against any applicable preexisting condition limitation or exclusion.

To the extent that this paragraph conflicts with chapter 62L, with respect to small employers as defined in section 62L.02, chapter 62L governs.

Subd. 8. [COMPREHENSIVE HEALTH ASSOCIATION.] Effective July 1, 1997, the comprehensive health association created in section 62E.10 shall not accept new applicants for enrollment, except for medicare-related coverage described in section 62E.12 and for coverage described in section 62E.18.

Subd. 9. [CONTINGENCY; FUTURE LEGISLATION.] This section, except for subdivision 6, paragraphs (a) and (b), and subdivision 7, paragraphs (b), (c), and (d), is not intended to be implemented prior to legislation enacted to achieve the objectives of sections 1, 5, 6, and 7.

Sec. 4. [MARKET REFORM STRATEGIES STUDY.]

The health care commission shall study and recommend to the legislature by January 1, 1995, insurance market reforms designed to promote the formation of large purchasing pools to be available to individuals and small employers by July 1, 1997. The health care commission shall study:

(1) whether mergers between or among health care providers and group purchasers that expand market share beyond a specified percentage should be regulated or prohibited, in order to preserve competition on price and quality;

(2) integrating public and private sector financing mechanisms to extend MinnesotaCare subsidies to employees and dependents who are eligible for employer-based coverage without eroding existing coverage;

(3) requiring purchasing pools to make available to consumers all plans that submit bids to the pool;

(4) whether some or all purchasers should be required to obtain coverage through a public or private pool;

(5) the impact and effectiveness of the Minnesota employees insurance program under section 43A.317 and the public employees insurance plan under section 43A.316; and

(6) how statewide or regional purchasing pools could be developed for all individuals and small groups that do not have access to a private purchasing pool, and for the MinnesotaCare program and other state-subsidized health care programs, by expanding the Minnesota employees insurance program currently operated by the department of employee relations or by other means.

Sec. 5. [SURVEY OF THE UNINSURED AND EVALUATION OF EXISTING REFORMS.]

Subdivision 1. [SURVEY.] The Minnesota health care commission shall authorize a survey of Minnesota households and employers to provide current data on the uninsured population and assess the effectiveness of the existing health care reforms. As part of this survey, the commissioner of human services shall conduct a survey of the MinnesotaCare population to determine the effects of existing health care reforms on this population. Results of this survey shall be presented to the legislature by January 15, 1995.

Subd. 2. [EVALUATION.] The commissioner of health, in consultation with the health care commission and the commissioners of human services and commerce, shall evaluate the effect of existing reforms and the effect of the MinnesotaCare program on the uninsured population. Based on this evaluation, the commissioners of health, commerce, and human services shall recommend modifications to existing reforms as necessary to continue to make progress toward universal coverage by 1997 and report these modifications to the legislature by January 15, 1996.

Sec. 6. [HEALTH CARE AFFORDABILITY STUDY.]

(a) The commissioner of health, in consultation with the commissioners of human services, commerce, and revenue, shall study and report to the Minnesota health care commission by October 1, 1994, the various factors that affect health care affordability, including out-of-pocket spending, insurance premiums, and taxes.

(b) Based on the study in paragraph (a), the Minnesota health care commission shall recommend to the legislature by January 15, 1995, a specific percentage of income that overall health care costs to a family or individual should not exceed.

(c) The recommendations in paragraph (b) must be used by the commissioners of health and human services to develop an appropriate premium subsidy and sliding fee scale for a permanent health care subsidy program.

Sec. 7. [FINANCING STUDY.]

The Minnesota health care commission, in consultation with the commissioners of health, commerce, human services, and revenue, and representatives of county government shall study state health care financing and tax systems and report to the legislature by January 1, 1995, specific recommendations for a stable, long-term funding system for all government health programs. The report must include recommendations for overhauling the current system, specific financing methods, and detailed cost estimates for an expanded, fully-funded subsidy program to guarantee universal coverage to all Minnesota residents. The report must include an inventory and analysis of the existing system of government financing of health care. It must include recommendations for capturing savings that will accrue under health care reform and reallocating them to offset additional costs of universal coverage. The commission may contract for actuarial, finance, and taxation expertise.

The study must take into account the following goals and guiding principles:

(a) To the extent possible, universal coverage should be achieved without a net increase in total health spending, taxes, or government spending by recapturing savings and reallocating resources within the system.

(b) To the extent that universal coverage will require additional financing mechanisms, revenues should be raised by taxing items that are considered to be health risks and contribute to preventable illness and injury. If additional revenues are needed, revenues should be raised by implementing broad-based taxes with appropriate offsets for low-income individuals.

(c) Financing reform should ensure adequate and equitable financing of all necessary components of the health system.

(d) Activities that benefit the entire community, such as core public health activities, including collection of data on health status and community health needs, and medical education should be financed by broad-based funding sources. Funding mechanisms should promote collaboration between the public and private sectors.

(e) Personal health care services for individuals who are enrolled in a health plan should be provided or paid for by the health plan.

(f) Government subsidy programs for low-income Minnesotans should be financed by broad-based funding sources.

(g) Funding mechanisms that are inequitable or create undesirable incentives, such as the Minnesota comprehensive health association assessment, should be restructured.

Sec. 8. [PREEXISTING CONDITIONS STUDY.]

The health care commission shall study the feasibility and impact of the following:

(1) eliminating preexisting condition limitations in steps;

(2) standardizing preexisting condition limitations;

(3) narrowing the preexisting condition limitation period from 12 months to six months; and

(4) requiring limited coverage of services for preexisting conditions.

The health care commission shall provide a written report to the legislature on or before December 15, 1994.

Sec. 9. [REQUIRED OFFER OF INDIVIDUAL HEALTH PLANS.]

The health care commission shall study the effects and desirability of the requirement that all health plan companies offer individual health plans, as provided in section 62Q.18, subdivision 9. The health care commission shall provide a written report to the legislature on or before December 15, 1994.

Sec. 10. [EFFECTIVE DATE.]

Sections 1 and 4 to 9 are effective the day following final enactment. Sections 2 and 3 are effective July 1, 1994.

ARTICLE 7

PUBLIC HEALTH

Section 1. [62Q.075] [LOCAL PUBLIC ACCOUNTABILITY AND COLLABORATION PLAN.]

Subdivision 1. [DEFINITION.] For purposes of this section, "managed care organization" means a health maintenance organization, community integrated service network, or integrated service network.

Subd. 2. [REQUIREMENT.] Beginning July 1, 1995, all managed care organizations shall annually file with the action plans required under section 62Q.07 a plan describing the actions the managed care organization has taken and those it intends to take to contribute to achieving public health goals for each service area in which an enrollee of the managed care organization resides. This plan must be jointly developed in collaboration with the local public health units, appropriate regional coordinating boards, and other community organizations providing health services within the same service area as the managed care organization. Local government units with responsibilities and authority defined under chapters 145A and 256E may designate individuals to participate in the collaborative planning with the managed care organization to provide expertise and represent community needs and goals as identified under chapters 145A and 256E.

Subd. 3. [CONTENTS.] The plan must address the following:

(a) specific measurement strategies and a description of any activities which contribute to public health goals and needs of high risk and special needs populations as defined and developed under chapters 145A and 256E;

(b) description of the process by which the managed care organization will coordinate its activities with the community health boards, regional coordinating boards, and other relevant community organizations servicing the same area;

(c) documentation indicating that local public health units and local government unit designees were involved in the development of the plan;

(d) documentation of compliance with the plan filed the previous year, including data on the previously identified progress measures.

Subd. 4. [REVIEW.] Upon receipt of the plan, the appropriate commissioner shall provide a copy to the regional coordinating boards, local community health boards, and other relevant community organizations within the managed care organization's service area. After reviewing the plan, these community groups may submit written comments on the plan to either the commissioner of health or commerce, as applicable, and may advise the commissioner of the managed care organization's effectiveness in assisting to achieve regional public health goals. The plan may be reviewed by the county boards, or city councils acting as a local board of health in accordance with chapter 145A, within the managed care organization's service area to determine whether the plan is consistent with the goals and objectives of the plans required under chapters 145A and 256E and whether the plan meets the needs of the community. The county board, or applicable city council, may also review and make recommendations on the availability and accessibility of services provided by the managed care organization. The county board, or applicable city council, may submit written comments to the appropriate commissioner, and may advise the commissioner of the managed care organization's effectiveness in assisting to meet the needs and goals as defined under the responsibilities of chapters 145A and 256E. Copies of these written comments must be provided to the managed care organization. The plan and any comments submitted must be filed with the information clearinghouse to be distributed to the public.

Sec. 2. [62Q.32] [LOCAL OMBUDSPERSON.]

Community health service agencies may establish an office of ombudsperson to provide a system of consumer advocacy for persons receiving health care services through an integrated service network system or through the regulated all-payer option. The ombudsperson's functions may include but are not limited to:

(a) mediation or advocacy on behalf of a person who is having difficulty accessing health care services through either an integrated service network or through the regulated all-payer option; and

(b) investigation of the quality of services provided to a person and determine the extent to which quality assurance mechanisms are needed or any other system change may be needed.

Sec. 3. [62Q.33] [LOCAL GOVERNMENT PUBLIC HEALTH FUNCTIONS.]

Subdivision 1. [FINDINGS.] The legislature finds that the local government public health functions of community assessment, policy development, and assurance of service delivery are essential elements in consumer protection and in achieving the objectives of health care reform in Minnesota. The legislature further finds that the site-based and population-based services provided by state and local health departments are a critical strategy for the long-term containment of health care costs. The legislature further finds that without adequate resources, the local government public health system will lack the capacity to fulfill these functions in a manner consistent with the needs of a reformed health care delivery system.

Subd. 2. [REPORT ON SYSTEM DEVELOPMENT.] The commissioner of health, in consultation with the state community health services advisory committee and the commissioner of human services, and representatives of local health departments, county government, a municipal government acting as a local board of health, the Minnesota health care commission, area Indian health services, health care providers, and citizens concerned about public health, shall coordinate the process for defining implementation and financing responsibilities of the local government core public health functions. The commissioner shall submit recommendations and an initial and final report on local government core public health functions according to the timeline established in subdivision 5.

Subd. 3. [CORE PUBLIC HEALTH FUNCTIONS.] (a) The report required by subdivision 2 must describe the local government core public health functions of: assessment of community health needs; goal-determination, public policy, and program development for addressing these needs; and assurance of service availability and accessibility to meet

community health goals and needs. The report must further describe activities for implementation of these functions that are the continuing responsibility of the local government public health system, taking into account the ongoing reform of the health care delivery system.

(b) The activities to be defined in terms of the local government core public health functions include, but are not limited to:

- (1) consumer protection and advocacy;
- (2) targeted outreach and linkage to personal services;
- (3) health status monitoring and disease surveillance;
- (4) investigation and control of diseases and injuries;
- (5) protection of the environment, work places, housing, food, and water;
- (6) laboratory services to support disease control and environmental protection;
- (7) health education and information;
- (8) community mobilization for health-related issues;
- (9) training and education of public health professionals;
- (10) public health leadership and administration;
- (11) emergency medical services;
- (12) violence prevention; and
- (13) other activities that have the potential to improve the health of the population or special needs populations and reduce the need for or cost of health care services.

Subd. 4. [CAPACITY BUILDING, ACCOUNTABILITY AND FUNDING.] The recommendations required by subdivision 2 shall include:

- (1) a definition of minimum outcomes for implementing core public health functions, including a local ombudsperson under the assurance of services function;
- (2) the identification of counties and applicable cities with public health programs that need additional assistance to meet the minimum outcomes;
- (3) a budget for supporting all functions needed to achieve the minimum outcomes, including the local ombudsperson assurance of services function;

A long-term care policy must cover prescribed long-term care in nursing facilities and at least the prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Prior hospitalization may not be required under a long-term care policy.

Coverage under either policy designation must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under either policy designation may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period; for purposes of this sentence, "days" means calendar days. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

No individual long-term care policy shall be offered or delivered in this state until the insurer has received from the insured a written designation of at least one person, in addition to the insured, who is to receive notice of cancellation of the policy for nonpayment of premium. The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two additional persons is optional and must provide space clearly designated for listing between one and three persons. The designation shall include each person's full name, home address, and telephone number. Each time an individual policy is renewed or continued, the insurer shall notify the insured of the right to change this written designation.

Subdivision 1. [LIMITS ON THE RATE OF GROWTH.] (a) The commissioner of health shall set annual limits on the rate of growth of public and private spending on health care services for Minnesota residents, as provided in paragraph (b). The limits on growth must be set at levels the commissioner determines to be realistic and achievable but that will reduce the rate of growth in health care spending by at least ten percent per year for the next five years. The commissioner shall set limits on growth based on available data on spending and growth trends, including data from group purchasers, national data on public and private sector health care spending and cost trends, and trend information from other states.

(b) The commissioner shall set the following annual limits on the rate of growth of public and private spending on health care services for Minnesota residents:

(1) for calendar year 1994, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1993 plus 6.5 percentage points;

(2) for calendar year 1995, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1994 plus 5.3 percentage points;

(3) for calendar year 1996, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1995 plus 4.3 percentage points;

(5) for calendar year 1998, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1997 plus 2.6 percentage points.

~~If the health care financing administration forecast for the total growth in national health expenditures for a calendar year is lower than the rate of growth for the calendar year as specified in clauses (1) to (5), the commissioner shall adopt this forecast as the growth limit for that calendar year.~~ The commissioner shall adjust the growth limit set for calendar year 1995 to recover savings in health care spending required for the period July 1, 1993 to December 31, 1993. The commissioner shall publish:

(1) the projected limits in the State Register by April 15 of the year immediately preceding the year in which the limit will be effective except for the year 1993, in which the limit shall be published by July 1, 1993;

Sec. 16. Minnesota Statutes 1993 Supplement, section 62J.04, subdivision 1a, is amended to read:

Subd. 1a. [ADJUSTED GROWTH LIMITS AND ENFORCEMENT.] (a) The commissioner shall publish the final adjusted growth limit in the State Register by January 15 ~~31~~ of the year that the expenditure limit is to be in effect. The adjusted limit must reflect the actual regional consumer price index for urban consumers for the previous calendar year, and may deviate from the previously published projected growth limits to reflect differences between the actual regional consumer price index for urban consumers and the projected Consumer Price Index for urban consumers. The commissioner shall report to the legislature by ~~January~~ February 15 of each year on differences between the projected increase in health care expenditures, the implementation of growth limits, and the reduction in the trend in the growth based on the limits imposed the actual expenditures based on data collected, and the impact and validity of growth limits within the overall health care reform strategy.

(b) The commissioner shall enforce limits on growth in spending and revenues for integrated service networks and for the regulated all-payer system. If the commissioner determines that artificial inflation or padding of costs or prices has occurred in anticipation of the implementation of growth limits, the commissioner may adjust the base year spending totals or growth limits or take other action to reverse the effect of the artificial inflation or padding.

(c) The commissioner shall impose and enforce overall limits on growth in revenues and spending for integrated service networks, with adjustments for changes in enrollment, benefits, severity, and risks. If an integrated service network exceeds a spending limit, the commissioner may reduce future limits on growth in aggregate premium revenues for that integrated service network by up to the amount overspent. If the integrated service network system exceeds a systemwide spending limit, the commissioner may reduce future limits on growth in premium revenues for the integrated service network system by up to the amount overspent.

(d) The commissioner shall set prices, utilization controls, and other requirements for the regulated all-payer system to ensure that the overall costs of this system, after adjusting for changes in population, severity, and risk, do not exceed the growth limits. If spending growth limits for a calendar year are exceeded, the commissioner may reduce reimbursement rates or otherwise recoup overspending for all or part of the next calendar year, to recover in savings up to the amount of money overspent. To the extent possible, the commissioner may reduce reimbursement rates or otherwise recoup overspending from individual providers who exceed the spending growth limits.

(e) The commissioner, in consultation with the Minnesota health care commission, shall research and make recommendations to the legislature regarding the implementation of growth limits for integrated service networks and the regulated all-payer option. The commissioner must consider both spending and revenue approaches and will report on the implementation of the interim limits as defined in sections 62P.04 and 62P.05. The commissioner must examine and make recommendations on the use of annual update factors based on volume performance standards as a mechanism for achieving controls on spending in the all-payer option. The commissioner must make recommendations regarding the enforcement mechanism and must consider mechanisms to adjust future growth limits as well as mechanisms to establish financial penalties for noncompliance. The commissioner must also address the feasibility of system-wide limits imposed on all integrated service networks.

The commissioner may require users of data to contribute toward the cost of data collection through the payment of fees. The commissioner shall require users of data to maintain the data according to the data privacy provisions applicable to the data.

(d) The commissioner and the board shall not allow a group purchaser or health care provider to use or have access to data collected by the data institute, unless the group purchaser or health care provider fully cooperates with the data collection efforts of the data institute by submitting all data requested in the form and manner specified by the board. The commissioner and the board shall prohibit group purchasers and health care providers from transferring, providing, or sharing data obtained from the data institute with a group purchaser or health care provider that does not fully cooperate with the data collection efforts of the data institute.

62N.01 [CITATION AND PURPOSE.]

Subdivision 1. [CITATION.] ~~Sections 62N.01 to 62N.24~~ This chapter may be cited as the "Minnesota integrated service network act."

Subd. 2. [PURPOSE.] ~~Sections 62N.01 to 62N.24 allow~~ This chapter allows the creation of integrated service networks that will be responsible for arranging for or delivering a full array of health care services, from routine primary and preventive care through acute inpatient hospital care, to a defined population for a fixed price from a purchaser.

Each integrated service network is accountable to keep its total revenues within the limit of growth set by the commissioner of health under section 62N.05, subdivision 2. Integrated service networks can be formed by health care providers, health maintenance organizations, insurance companies, employers, or other organizations. Competition between integrated service networks on the quality and price of health care services is encouraged.

Sec. 27. Minnesota Statutes 1993 Supplement, section 62N.02, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] The definitions in this section apply to sections ~~62J.04, subdivision 8, and 62N.01 to 62N.24~~ this chapter.

Sec. 28. Minnesota Statutes 1993 Supplement, section 62N.065, subdivision 1, is amended to read:

Subdivision 1. [UNREASONABLE EXPENSES.] No integrated service network shall incur or pay for any expense of any nature which is unreasonably high in relation to the value of the service or goods provided. The commissioner shall implement and enforce this section by rules adopted under this section.

In an effort to achieve the stated purposes of sections ~~62N.01 to 62N.24~~ this chapter, in order to safeguard the underlying nonprofit status of integrated service networks; and to ensure that payment of integrated service network money to any person or organization results in a corresponding benefit to the integrated service network and its enrollees; when determining whether an integrated service network has incurred an unreasonable expense in relation to payments made to a person or organization, due consideration shall be given to, in addition to any other appropriate factors, whether the officers and trustees of the integrated service network have acted with good faith and in the best interests of the integrated service network in entering into, and performing under, a contract under which the integrated service network has incurred an expense. In addition to the compliance powers under subdivision 3, the commissioner has standing to sue, on behalf of an integrated service network, officers or trustees of the integrated service network who have breached their fiduciary duty in entering into and performing such contracts.

Sec. 29. Minnesota Statutes 1993 Supplement, section 62N.10, subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENTS.] All integrated service networks must be licensed by the commissioner. Licensure requirements are:

(1) the ability to be responsible for the full continuum of required health care and related costs for the defined population that the integrated service network will serve;

(2) the ability to satisfy standards for quality of care;

(3) financial solvency; ~~and~~

(4) the ability to develop and complete the action plans required by law; and

(5) the ability to fully comply with this chapter and all other applicable law.

The commissioner may adopt rules to specify licensure requirements for integrated service networks in greater detail, consistent with this subdivision.

Sec. 30. Minnesota Statutes 1993 Supplement, section 62N.10, subdivision 2, is amended to read:

Subd. 2. [FEES.] Licensees shall pay an initial fee and a renewal fee each following year to be established by the commissioner of health. The fee must be imposed at a rate sufficient to cover the cost of regulation.

Sec. 31. Minnesota Statutes 1993 Supplement, section 62N.22, is amended to read:

62N.22 [DISCLOSURE OF COMMISSIONS.]

Before ~~selling, or offering to sell,~~ any coverage or enrollment in a community integrated service network or an integrated service network, a person selling the coverage or enrollment shall disclose in writing to the prospective purchaser the amount of any commission or other compensation the person will receive as a direct result of the sale. The disclosure may be expressed in dollars or as a percentage of the premium. The amount disclosed need not include any anticipated renewal commissions.

Sec. 32. Minnesota Statutes 1993 Supplement, section 62N.23, is amended to read:

62N.23 [TECHNICAL ASSISTANCE; ~~LOANS.~~]

(a) The commissioner shall provide technical assistance to parties interested in establishing or operating a community integrated service network or an integrated service network. This shall be known as the integrated service network technical assistance program (ISNTAP).

The technical assistance program shall offer seminars on the establishment and operation of community integrated service networks or integrated service networks in all regions of Minnesota. The commissioner shall advertise these seminars in local and regional newspapers, and attendance at these seminars shall be free.

The commissioner shall write a guide to establishing and operating a community integrated service network or an integrated service network. The guide must provide basic instructions for parties wishing to establish a community integrated service network or an integrated service network. The guide must be provided free of charge to interested parties. The commissioner shall update this guide when appropriate.

The commissioner shall establish a toll-free telephone line that interested parties may call to obtain assistance in establishing or operating a community integrated service network or an integrated service network.

(b) The commissioner, in consultation with the commission, shall provide recommendations for the creation of a loan program that would provide loans or grants to entities forming community integrated service networks or integrated service networks or to community networks or networks less than one year old. The commissioner shall propose criteria for the loan program.

Sec. 33. Minnesota Statutes 1992, section 65B.49, subdivision 2, is amended to read:

Subd. 2. [BASIC ECONOMIC LOSS.] (a) Each plan of reparation security shall provide for payment of basic economic loss benefits.

(b) A reparation obligor may make available a policy endorsement that provides medical expense benefits under section 65B.44, subdivision 2, solely through managed care plans certified by the commissioner. If made available, the insured may elect this policy endorsement at the time of the policy application or renewal. Once elected, this policy endorsement remains effective for as long as the policy is in effect, or until written revocation of it by the insured is received by the reparation obligor.

In exchange for electing this policy endorsement, the insured shall receive an appropriate premium reduction.

(c) The commissioner shall adopt rules, and may adopt emergency rules, necessary to implement this section including rules specifying the criteria and procedure for certifying a managed care plan, including provisions for emergency care, and regulating the form and content of notices to insureds regarding the precise consequences of electing to obtain medical expense benefits through certified managed care plans.

Sec. 34. Minnesota Statutes 1992, section 144.1485, is amended to read:

144.1485 [DATA BASE ON HEALTH PERSONNEL.]

(a) The commissioner of health shall develop and maintain a data base on health services personnel. The commissioner shall use this information to assist local communities and units of state government to develop plans for the recruitment and retention of health personnel. Information collected in the data base must include, but is not limited to, data on levels of educational preparation, specialty, and place of employment. The commissioner may collect information through the registration and licensure systems of the state health licensing boards.

(b) Health professionals who report their practice/place of employment address to the commissioner of health under section 144.052 may request in writing that their practice/place of employment address be classified as private data on individuals, as defined in section 13.02, subdivision 12. The commissioner shall grant the classification upon receipt of a signed statement by the health professional that the classification is required for the safety of the health professional, if the statement also provides a valid, existing address where the health professional consents to receive service of process. The commissioner shall use the mailing address in place of the practice/place of employment address in all documents available to the general public. The practice/place of employment address and any

information provided in the classification request, other than the mailing address, are private data on individuals and may be provided to other state agencies. The practice/place of employment address may be used to develop summary reports that show in aggregate the distribution of health care providers in Minnesota.

Sec. 35. Minnesota Statutes 1993 Supplement, section 144.1486, is amended to read:

144.1486 [RURAL COMMUNITY HEALTH CENTERS.]

The commissioner of health shall develop and implement a program to establish community health centers in rural areas of Minnesota that are underserved by health care providers. The program shall provide rural communities and community organizations with technical assistance, capital grants for start-up costs, and short-term assistance with operating costs. The technical assistance component of the program must provide assistance in review of practice management, market analysis, practice feasibility analysis, medical records system analysis, and scheduling and patient flow analysis. The program must: (1) include a local match requirement for state dollars received; (2) require local communities, through instrumentalities of the state of Minnesota or nonprofit boards comprised of local residents, to operate and own their community's health care program; (3) encourage the use of midlevel practitioners; and (4) incorporate a quality assurance strategy that provides regular evaluation of clinical performance and allows peer review comparisons for rural practices. The commissioner shall report to the legislature on implementation of the program by February 15, 1994.

Subdivision 1. [COMMUNITY HEALTH CENTER.] "Community health center" means a community owned and operated primary and preventive health care practice that meets the unique, essential health care needs of a specified population.

Subd. 2. [PROGRAM GOALS.] The Minnesota community health center program shall increase health care access for residents of rural Minnesota by creating new community health centers in areas where they are needed and maintaining essential rural health care services. The program is not intended to duplicate the work of current health care providers.

Subd. 3. [GRANTS.] (a) The commissioner shall provide grants to communities for planning and establishing community health centers through the Minnesota community health center program. Grant recipients shall develop and implement a strategy that allows them to become self-sufficient and qualify for other supplemental funding and enhanced reimbursement. The commissioner shall coordinate the grant program with the federal rural health clinic, federally qualified health center, and migrant and community health center programs to encourage federal certification. The commissioner may award planning, project, and initial operating expense grants, as provided in paragraphs (b) to (d).

(b) Planning grants may be awarded to communities to plan and develop state funded community health centers, federally qualified health centers, or migrant and community health centers.

(c) Project grants may be awarded to communities for community health center start-up or expansion, and the conversion of existing practices to community health centers. Start-up grants may be used for facilities, capital equipment, moving expenses, initial staffing, and setup. Communities must provide reasonable assurance of their ability to obtain health care providers and effectively utilize existing health care provider resources. Funded community health center projects must become operational before funding expires. Communities may obtain funding for conversion of existing health care practices to community health centers. Communities with existing community health centers may apply for grants to add sites in underserved areas. Governing boards must include representatives of new service areas.

(d) Centers may apply for grants for up to two years to subsidize initial operating expenses. Applicants for initial operating expense grants must demonstrate that expenses exceed revenues by a minimum of ten percent or demonstrate other extreme need that cannot be met using organizational reserves.

Subd. 4. [ELIGIBILITY REQUIREMENTS.] In order to qualify for community health center program funding, a project must:

(1) be located in a rural shortage area that is a medically underserved, federal health professional shortage, or governor designated shortage area. "Rural" means an area of the state outside the ten-county Twin Cities metropolitan area and outside of the Duluth, St. Cloud, East Grand Forks, Moorhead, Rochester, and LaCrosse census defined urbanized areas;

(2) represent or propose the formation of a nonprofit corporation with local resident governance, or be a governmental entity. Applicants in the process of forming a nonprofit corporation may have a nonprofit coapplicant serve as financial agent through the remainder of the formation period. With the exception of governmental entities, all applicants must submit application for nonprofit incorporation and 501(c)(3) tax-exempt status within six months of accepting community health center grant funds;

(3) result in a locally owned and operated community health center that provides primary and preventive health care services, and incorporates quality assurance, regular reviews of clinical performance, and peer review;

(4) seek to employ midlevel professionals, where appropriate;

(5) demonstrate community and popular support and provide a 20 percent local match of state funding; and

(6) propose to serve an area that is not currently served by a federally certified medical organization.

Subd. 5. [REVIEW PROCESS, RATING CRITERIA AND POINT ALLOCATION.] (a) The commissioner shall establish grant application guidelines and procedures that allow the commissioner to assess relative need and the applicant's ability to plan and manage a health care project. Program documentation must communicate program objectives, philosophy, expectations, and other conditions of funding to potential applicants.

The commissioner shall establish an impartial review process to objectively evaluate grant applications. Proposals must be categorized, ranked, and funded using a 100-point rating scale. Fifty-two points shall be assigned to relative need and 48 points to project merit.

(b) The scoring of relative need must be based on proposed service area factors, including but not limited to:

(1) population below 200 percent of poverty;

(2) geographic barriers based on average travel time and distance to the next nearest source of primary care that is accessible to Medicaid and Medicare recipients and uninsured low-income individuals;

(3) a shortage of primary care health professionals, based on the ratio of the population in the service area to the number of full-time equivalent primary care physicians in the service area; and

(4) other community health issues including a high unemployment rate, high percentage of uninsured population, high growth rate of minority and special populations, high teenage pregnancy rate, high morbidity rates due to specific diseases, late entry into prenatal care, high percentage geriatric population, high infant mortality rate, high percentage of low birth weight, cultural and language barriers, high percentage minority population, excessive average travel time and distance to next nearest source of subsidized primary care.

(c) Project merit shall be determined based on expected benefit from the project, organizational capability to develop and manage the project, and probability of success, including but not limited to the following factors:

(1) proposed scope of health services;

(2) clinical management plan;

(3) governance;

(4) financial and administrative management; and

(5) community support, integration, collaboration, resources, and innovation.

The commissioner may elect not to award any of the community health center grants if applications fail to meet criteria or lack merit. The commissioner's decision on an application is final.

Subd. 6. [ELIGIBLE EXPENDITURES.] Grant recipients may use grant funds for the following types of expenditures:

(1) salaries and benefits for employees, to the extent they are involved in project planning and implementation;

(2) purchase, repair, and maintenance of necessary medical and dental equipment and furnishings;

- (3) purchase of office, medical, and dental supplies;
- (4) in-state travel to obtain training or improve coordination;
- (5) initial operating expenses of community health centers;
- (6) programs or plans to improve the coordination, effectiveness, or efficiency of the primary health care delivery system;
- (7) facilities;
- (8) necessary consultant fees; and
- (9) reimbursement to rural-based primary care practitioners for equipment, supplies, and furnishings that are transferred to community health centers. Up to 65 percent of the grant funds may be used to reimburse owners of rural practices for the reasonable market value of usable facilities, equipment, furnishings, supplies, and other resources that the community health center chooses to purchase.

Grant funds shall not be used to reimburse applicants for preexisting debt amortization, entertainment, and lobbying expenses.

Subd. 7. [SPECIAL CONSIDERATION.] The commissioner, through the office of rural health, shall make special efforts to identify areas of the state where need is the greatest, notify representatives of those areas about grant opportunities, and encourage them to submit applications.

Subd. 8. [REQUIREMENTS.] The commissioner shall develop a list of requirements for community health centers and a tracking and reporting system to assess benefits realized from the program to ensure that projects are on schedule and effectively utilizing state funds.

The commissioner shall require community health centers established through the grant program to:

- (1) abide by all federal and state laws, rules, regulations, and executive orders;
- (2) establish policies, procedures, and services equivalent to those required for federally certified rural health clinics or federally qualified health centers. Written policies are required for description of services, medical management, drugs, biologicals and review of policies;
- (3) become a Minnesota nonprofit corporation and apply for 501(c)(3) tax-exempt status within six months of accepting state funding. Local governmental or tribal entities are exempt from this requirement;
- (4) establish a governing board composed of nine to 25 members who are residents of the area served and representative of the social, economic, linguistic, ethnic, and racial target population. At least 35 percent of the board must represent consumers;
- (5) establish corporate bylaws that reflect all functions and responsibilities of the board;
- (6) develop an appropriate management and organizational structure with clear lines of authority and responsibility to the board;
- (7) provide for adequate patient management and continuity of care on site and from referral sources;
- (8) establish quality assurance and risk management programs, policies, and procedures;

- (10) establish billing policies and procedures to maximize patient collections, except where federal regulations or contractual obligations prohibit the use of these measures;
- (11) develop and implement policies and procedures, including a sliding scale fee schedule, that assure that no person will be denied services because of inability to pay;

- (12) establish an accounting and internal control system in accordance with sound financial management principles;
- (13) provide a local match equal to 20 percent of the grant amount;
- (14) work cooperatively with the local community and other health care organizations, other grant recipients, and the office of rural health;
- (15) obtain an independent annual audit and submit audit results to the office of rural health;
- (16) maintain detailed records and, upon request, make these records available to the commissioner for examination; and
- (17) pursue supplemental funding sources, when practical, for implementation and initial operating expenses.

Subd. 9. [PRECAUTIONS.] The commissioner may withhold, delay, or cancel grant funding if a grant recipient does not comply with program requirements and objectives.

Subd. 10. [TECHNICAL ASSISTANCE.] The commissioner may provide, contract for, or provide supplemental funding for technical assistance to community health centers in the areas of clinical operations, medical practice management, community development, and program management.

Sec. 36. [144.1492] [PHYSICIAN SUBSTITUTE DEMONSTRATION PROJECT.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of health, through the office of rural health, shall establish and administer a physician substitute (locum tenens and emergency room coverage) demonstration project at up to four rural demonstration sites within the state. The commissioner shall coordinate the administration of the project with the University of Minnesota health system. The commissioner may contract with a nonprofit rural health policy organization to establish, administer, and evaluate the physician substitute program.

Subd. 2. [PROJECT ACTIVITIES.] The project must:

- (1) encourage physicians to serve as substitute physicians for the demonstration sites;
- (2) provide a central register of physicians interested in serving as physician substitutes at the demonstration sites;
- (3) provide a referral service for requests from demonstration sites for physician substitutes; and
- (4) provide physician substitute services, at rates that reflect the administrative savings resulting from centralized referral and credentialing.

Subd. 3. [UNIVERSITY OF MINNESOTA HEALTH SYSTEM.] The commissioner shall seek the assistance of the University of Minnesota health system in credentialing persons desiring to serve as physician substitutes. The University of Minnesota health system may employ physician substitutes serving in the demonstration project as temporary clinical faculty and may provide physician substitutes with additional opportunities for professional education and interaction.

Subd. 4. [DEMONSTRATION SITES.] The commissioner shall designate up to four rural communities as demonstration sites for the project. The commissioner shall choose sites based on a community's need for physician substitute services and the willingness of the community to work cooperatively with the commissioner and the University of Minnesota health system and participate in the demonstration project evaluation.

Subd. 5. [EVALUATION.] The commissioner shall evaluate the demonstration project and shall present an evaluation report to the legislature by January 15, 1995. The evaluation must identify any modifications necessary to improve the effectiveness of the project. The evaluation must also include a recommendation on whether the demonstration project should be extended to other areas of the state.

Sec. 37. [144.1493] [STATE RURAL HEALTH NETWORK REFORM INITIATIVE.]

Subdivision 1. [PURPOSE AND MATCHING FUNDS.] The commissioner of health shall apply for federal grant funding under the state rural health network reform initiative, a health care financing administration program to provide grant funds to states to encourage innovations in rural health financing and delivery systems. The

commissioner may use state funds appropriated to the department of health for the provision of technical assistance for community integrated service network development as matching funds for the federal grant.

Subd. 2. [USE OF FEDERAL FUNDS.] If the department of health receives federal funding under the state rural health network reform initiative, the department shall use these funds to implement a program to provide technical assistance and grants to rural communities to establish health care networks and to develop and test a rural health network reform model.

Subd. 3. [ELIGIBLE APPLICANTS AND CRITERIA FOR AWARDING OF GRANTS TO RURAL COMMUNITIES.] (a) Funding which the department receives to award grants to rural communities to establish health care networks shall be awarded through a request for proposal process. Planning grant funds may be used for community facilitation and initial network development activities including incorporation as a nonprofit organization or cooperative, assessment of network models, and determination of the best fit for the community. Implementation grant funds can be used to enable incorporated nonprofit organizations and cooperatives to purchase technical services needed for further network development such as legal, actuarial, financial, marketing, and administrative services.

(b) In order to be eligible to apply for a planning or implementation grant under the federally funded health care network reform program, an organization must be located in a rural area of Minnesota excluding the seven-county Twin Cities metropolitan area and the census-defined urbanized areas of Duluth, Rochester, St. Cloud, and Moorhead. The proposed network organization must also meet or plan to meet the criteria for a community integrated service network.

(c) In determining which organizations will receive grants, the commissioner may consider the following factors:

(1) the applicant's description of their plans for health care network development, their need for technical assistance, and other technical assistance resources available to the applicant. The applicant must clearly describe the service area to be served by the network, how the grant funds will be used, what will be accomplished, and the expected results. The applicant should describe achievable objectives, a timetable, and roles and capabilities of responsible individuals and organizations;

(2) the extent of community support for the applicant and the health care network. The applicant should demonstrate support from private and public health care providers in the service area, local community and government leaders, and the regional coordinating board for the area. Evidence of such support may include commitment of financial support, in-kind services or cash, for development of the network;

(3) the size and demographic characteristics of the population in the service area for the proposed network and the distance of the service area from the nearest metropolitan area; and

(4) the technical assistance resources available to the applicant from nonstate sources and the financial ability of the applicant to purchase technical assistance services with nonstate funds.

Sec. 38. Minnesota Statutes 1992, section 144.581, subdivision 2, is amended to read:

Subd. 2. [USE OF HOSPITAL FUNDS FOR CORPORATE PROJECTS.] In the event that the municipality, political subdivision, state agency, or other governmental entity provides direct financial subsidy to the hospital from tax revenue at the time an undertaking authorized under subdivision 1, clauses (a) to (g), is established or funded, the hospital may not contribute funds to the undertaking for more than three years and thereafter all funds must be repaid, with interest in no more than ten years.

Sec. 39. Minnesota Statutes 1992, section 145.64, subdivision 1, is amended to read:

Subdivision 1. [DATA AND INFORMATION.] All data and information acquired by a review organization, in the exercise of its duties and functions, shall be held in confidence, shall not be disclosed to anyone except to the extent necessary to carry out one or more of the purposes of the review organization, and shall not be subject to subpoena or discovery. No person described in section 145.63 shall disclose what transpired at a meeting of a review organization except to the extent necessary to carry out one or more of the purposes of a review organization. The proceedings and records of a review organization shall not be subject to discovery or introduction into evidence in any civil action against a professional arising out of the matter or matters which are the subject of consideration by the review organization. Information, documents or records otherwise available from original sources shall not be immune from discovery or use in any civil action merely because they were presented during proceedings of a review

organization, nor shall any person who testified before a review organization or who is a member of it be prevented from testifying as to matters within the person's knowledge, but a witness cannot be asked about the witness' testimony before a review organization or opinions formed by the witness as a result of its hearings.

The confidentiality protection and protection from discovery or introduction into evidence provided in this subdivision shall also apply to the governing body of the review organization and shall not be waived as a result of referral of a matter from the review organization to the governing body or consideration by the governing body of decisions, recommendations, or documentation of the review organization.

The governing body of a hospital, community integrated service network, or integrated service network, that is owned or operated by a governmental entity, may close a meeting to discuss decisions, recommendations, deliberations, or documentation of the review organization. A meeting may not be closed except by a majority vote of the governing body in a public meeting. The closed meeting must be tape recorded and the tape must be retained by the governing body for five years.

Sec. 40. Minnesota Statutes 1993 Supplement, section 256.9352, subdivision 3, is amended to read:

Subd. 3. [FINANCIAL MANAGEMENT.] (a) The commissioner shall manage spending for the health right plan in a manner that maintains a minimum reserve equal to five percent of the expected cost of state premium subsidies. The commissioner must make a quarterly assessment of the expected expenditures for the covered services for the remainder of the current fiscal year and for the following two fiscal years. The estimated expenditure shall be compared to an estimate of the revenues that will be deposited in the health care access fund. Based on this comparison, and after consulting with the chairs of the house ways and means committee and the senate finance committee, and the legislative commission on health care access, the commissioner shall make adjustments as necessary to ensure that expenditures remain within the limits of available revenues. The adjustments the commissioner may use must be implemented in this order: first, stop enrollment of single adults and households without children; second, upon 45 days' notice, stop coverage of single adults and households without children already enrolled in the health right plan; third, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income above 200 percent of the federal poverty guidelines; fourth, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income at or below 200 percent; and fifth, require applicants to be uninsured for at least six months prior to eligibility in the health right plan. If these measures are insufficient to limit the expenditures to the estimated amount of revenue, the commissioner may further limit enrollment or decrease premium subsidies.

The reserve referred to in this subdivision is appropriated to the commissioner but may only be used upon approval of the commissioner of finance, if estimated costs will exceed the forecasted amount of available revenues after all adjustments authorized under this subdivision have been made.

By February 1, 1994 1995, the department of human services and the department of health shall develop a plan to adjust benefit levels, eligibility guidelines, or other steps necessary to ensure that expenditures for the MinnesotaCare program are contained within the two percent provider tax and the one percent HMO gross premiums tax ~~for the 1996-1997 biennium fiscal year 1997. Notwithstanding any law to the contrary, no further enrollment in MinnesotaCare, and no additional hiring of staff for the departments shall take place after June 1, 1994, unless a plan to balance the MinnesotaCare budget for the 1996-1997 biennium has been passed by the 1994 legislature.~~

(b) Notwithstanding paragraph (a), the commissioner shall proceed with the enrollment of single adults and households without children who have gross family incomes that are equal to or less than 125 percent of the federal poverty guidelines, even if the expenditures do not remain within the limits of available revenues through fiscal year 1997, in order to allow the department of human services and the department of health to develop the plan required by paragraph (a).

Sec. 41. Minnesota Statutes 1993 Supplement, section 256.9354, subdivision 5, is amended to read:

Subd. 5. [ADDITION OF SINGLE ADULTS AND HOUSEHOLDS WITH NO CHILDREN.] (a) Beginning July October 1, 1994, "eligible persons" ~~means shall include all families and individuals individuals and households with no children who have gross family incomes that are equal to or less than 125 percent of the federal poverty guidelines and who are not eligible for medical assistance under chapter 256B.~~

(b) Beginning October 1, 1995, "eligible persons" means all individuals and families who are not eligible for medical assistance under chapter 256B.

~~(c) These persons~~ All eligible persons under paragraphs (a) and (b) are eligible for coverage through the MinnesotaCare plan program but must pay a premium as determined under sections 256.9357 and 256.9358. 62A.303 [PROHIBITION; SEVERING OF GROUPS.]

Section 62L.12, subdivisions 1, 2, 3, and 4, apply to all employer group health plans, as defined in section 62A.011, regardless of the size of the group.

Sec. 5. [62A.305] [USE OF GENDER PROHIBITED.]

Subdivision 1. [APPLICABILITY.] This section applies to all health plans as defined in section 62A.011 offered, sold, issued, or renewed, by a health carrier on or after January 1, 1995.

Subd. 2. [PROHIBITION ON USE OF GENDER.] No health plan described in subdivision 1 shall determine the premium rate or any other underwriting decision, including initial issuance, through a method that is in any way based upon the gender of any person covered or to be covered under the health plan. This subdivision prohibits use of marital status or generalized differences in expected costs between employees and spouses or between principal insureds and their spouses.

Sec. 6. Minnesota Statutes 1993 Supplement, section 62A.31, subdivision 1h, is amended to read:

Subd. 1h. [LIMITATIONS ON DENIALS, CONDITIONS, AND PRICING OF COVERAGE.] No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B. This paragraph applies regardless of whether the individual has attained the age of 65 years. If an individual who is enrolled in Medicare Part B due to disability status is involuntarily disenrolled due to loss of disability status, the individual is eligible for the six-month enrollment period provided under this subdivision if the individual later becomes eligible for and enrolls again in Medicare Part B.

Sec. 7. Minnesota Statutes 1993 Supplement, section 62A.36, subdivision 1, is amended to read:

Subdivision 1. [LOSS RATIO STANDARDS.] (a) For purposes of this section, "Medicare supplement policy or certificate" has the meaning given in section 62A.31, subdivision 3, but also includes a policy, contract, or certificate issued under a contract under section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et seq. A Medicare supplement policy form or certificate form shall not be delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to policyholders and certificate holders in the form of aggregate benefits, not including anticipated refunds or credits, provided under the policy form or certificate form:

(1) at least 75 percent of the aggregate amount of premiums earned in the case of group policies, and

(2) at least 65 percent of the aggregate amount of premiums earned in the case of individual policies, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and practices. An insurer shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage. The applicable percentage for group policies or contracts shall increase by one percentage point on July 1 of each year, beginning on July 1, 1994, until an 82 percent loss ratio is reached on July 1, 2000. The applicable percentage for individual policies or contracts shall increase by one percentage point on July 1 of each year, beginning on July 1, 1994, until a 72 percent loss ratio is reached on July 1, 2000.

All filings of rates and rating schedules shall demonstrate that expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy or certificate shall equal or exceed the appropriate loss ratio standards.

(b) An issuer shall collect and file with the commissioner by May 31 of each year the data contained in the National Association of Insurance Commissioners Medicare Supplement Refund Calculating form, for each type of Medicare supplement benefit plan.

If, on the basis of the experience as reported, the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation must be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount to be refunded or credited exceeds a de minimis level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the secretary of health and human

services, but in no event shall it be less than the average rate of interest for 13-week treasury bills. A refund or credit against premiums due shall be made by September 30 following the experience year on which the refund or credit is based.

(c) An issuer of Medicare supplement policies and certificates in this state shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy or certificate duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policies or certificates in force less than three years.

As soon as practicable, but before the effective date of enhancements in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

(1) a premium adjustment that is necessary to produce an expected loss ratio under the policy or certificate that will conform with minimum loss ratio standards for Medicare supplement policies or certificates. No premium adjustment that would modify the loss ratio experience under the policy or certificate other than the adjustments described herein shall be made with respect to a policy or certificate at any time other than on its renewal date or anniversary date;

(2) if an issuer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds, or premium credits considered necessary to achieve the loss ratio required by this section;

(3) any appropriate riders, endorsements, or policy or certificate forms needed to accomplish the Medicare supplement insurance policy or certificate modifications necessary to eliminate benefit duplications with Medicare. The riders, endorsements, or policy or certificate forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(d) The commissioner may conduct a public hearing to gather information concerning a request by an issuer for an increase in a rate for a policy form or certificate form if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance is made without consideration of a refund or credit for the reporting period. Public notice of the hearing shall be furnished in a manner considered appropriate by the commissioner.

(e) An issuer shall not use or change premium rates for a Medicare supplement policy or certificate unless the rates, rating schedule, and supporting documentation have been filed with, and approved by, the commissioner according to the filing requirements and procedures prescribed by the commissioner.

Sec. 8. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 2, is amended to read:

Subd. 2. [GUARANTEED RENEWAL.] No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the health plan provides that the plan is guaranteed renewable at a premium rate that does not take into account the claims experience or any change in the health status of any covered person that occurred after the initial issuance of the health plan to the person. The premium rate upon renewal must also otherwise comply with this section. A health carrier must not refuse to renew an individual health plan may be subject to refusal to renew only under the conditions provided in chapter 62L for health benefit plans prior to enrollment in Medicare Parts A and B, except for nonpayment of premiums, fraud, or misrepresentation.

Sec. 9. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 3, is amended to read:

Subd. 3. [PREMIUM RATE RESTRICTIONS.] No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the premium rate charged is determined in accordance with the ~~rating and premium restrictions provided under chapter 62L, except that the minimum loss ratio applicable to an individual health plan is as provided in section 62A.021. All rating and premium restrictions of chapter 62L apply to the individual market, unless clearly inapplicable to the individual market.~~ following requirements:

(a) Premium rates must be no more than 25 percent above and no more than 25 percent below the index rate charged to individuals for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this paragraph must be based only upon health status, claims experience, and occupation. For purposes of this paragraph, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined by the commissioner to be actuarially valid and have been approved by the commissioner. Variations permitted under this paragraph must not be based upon age or applied differently at different ages. This paragraph does not prohibit use of a constant percentage adjustment for factors permitted to be used under this paragraph.

(b) Premium rates may vary based upon the ages of covered persons only as provided in this paragraph. In addition to the variation permitted under paragraph (a), each health carrier may use an additional premium variation based upon age of up to plus or minus 50 percent of the index rate.

(c) A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than 20 percent. Health carriers that do not do business in the Minneapolis/St. Paul metropolitan area may request approval for no more than two geographic regions, and clauses (2) and (3) do not apply to approval of requests made by those health carriers. The commissioner may grant approval if the following conditions are met:

(1) the geographic regions must be applied uniformly by the health carrier;

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) for each geographic region that is rural, the index rate for that region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area; and

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

(d) Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based upon the number of adults or children covered under the policy and may reflect the availability of medicare coverage. The rates for different rate cells must not in any way reflect generalized differences in expected costs between principal insureds and their spouses.

(e) In developing its index rates and premiums for a health plan, a health carrier shall take into account only the following factors:

(1) actuarially valid differences in rating factors permitted under paragraphs (a) and (b); and

(2) actuarially valid geographic variations if approved by the commissioner as provided in paragraph (c).

(f) All premium variations must be justified in initial rate filings and upon request of the commissioner in rate revision filings. All rate variations are subject to approval by the commissioner.

(g) The loss ratio must comply with the section 62A.021 requirements for individual health plans.

(h) The rates must not be approved, unless the commissioner has determined that the rates are reasonable. In determining reasonableness, the commissioner shall consider the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risks associated with the enrollee populations, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549.

Sec. 10. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 4, is amended to read:

Subd. 4. [GENDER RATING PROHIBITED.] No individual health plan offered, sold, issued, or renewed to a Minnesota resident may determine the premium rate or any other underwriting decision, including initial issuance, ~~on~~ through a method that is in any way based upon the gender of any person covered or to be covered under the health plan. This subdivision prohibits the use of marital status or generalized differences in expected costs between principal insureds and their spouses.

Sec. 11. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 5, is amended to read:

Subd. 5. [PORTABILITY OF COVERAGE.] (a) No individual health plan may be offered, sold, issued, or with respect to children age 18 or under renewed, to a Minnesota resident that contains a preexisting condition limitation or exclusion or exclusionary rider, unless the limitation or exclusion ~~would be~~ is permitted under ~~chapter 62L this subdivision~~, provided that, except for children age 18 or under, underwriting restrictions may be retained on individual contracts that are issued without evidence of insurability as a replacement for prior individual coverage that was sold before May 17, 1993. The individual may be ~~treated as a late entrant, as defined in chapter 62L~~ subjected to an 18-month preexisting condition limitation, unless the individual has maintained continuous coverage as defined in ~~chapter 62L~~ section 62L.02. The individual must not be subjected to an exclusionary rider. An individual who has maintained continuous coverage may be subjected to a one-time preexisting condition limitation ~~as permitted under chapter 62L for persons who are not late entrants, of up to 12 months, with credit for time covered under qualifying coverage as defined in section 62L.02, at the time that the individual first is covered under an individual health plan by any health carrier.~~ The individual must not be subjected to an exclusionary rider. Thereafter, the individual must not be subject to any preexisting condition limitation or exclusion or exclusionary rider under an individual health plan by any health carrier, except an unexpired portion of a limitation under prior coverage, so long as the individual maintains continuous coverage.

(b) A health carrier must offer an individual health plan to any individual previously covered under a group health benefit plan issued by that health carrier, regardless of the size of the group, so long as the individual maintained continuous coverage as defined in ~~chapter 62L~~ section 62L.02. The offer must not be subject to underwriting, except as permitted under this paragraph. A health plan issued under this paragraph must be a qualified plan and must not contain any preexisting condition limitation or exclusion or exclusionary rider, except for any unexpired limitation or exclusion under the previous coverage. The individual health plan must cover pregnancy on the same basis as any other covered illness under the individual health plan. The initial premium rate for the individual health plan must comply with subdivision 3. The premium rate upon renewal must comply with subdivision 2. In no event shall the premium rate exceed 90 percent of the premium charged for comparable individual coverage by the Minnesota comprehensive health association, and the premium rate must be less than that amount if necessary to otherwise comply with this section. An individual health plan offered under this paragraph to a person satisfies the health carrier's obligation to offer conversion coverage under section 62E.16, with respect to that person. Section 72A.20, subdivision 28, applies to this paragraph.

Sec. 12. Minnesota Statutes 1993 Supplement, section 62A.65, is amended by adding a subdivision to read:

Subd. 7. [SHORT TERM COVERAGE.] (a) For purposes of this section, "short term coverage" means an individual health plan that:

(1) is issued to provide coverage for a period of 185 days or less, except that the health plan may permit coverage to continue until the end of a period of hospitalization for a condition for which the covered person was hospitalized on the day that coverage would otherwise have ended;

(2) is nonrenewable, provided that the health carrier may provide coverage for one or more subsequent periods that satisfy clause (1), if the total of the periods of coverage do not exceed a total of 185 days out of any 365 day period, plus any additional days covered as a result of hospitalization on the day that a period of coverage would otherwise have ended;

(3) does not cover any preexisting conditions, including ones that originated during a previous identical policy or contract with the same health carrier where coverage was continuous between the previous and the current policy or contract; and

(4) is available with an immediate effective date without underwriting upon receipt of a completed application indicating eligibility under the health carrier's eligibility requirements, provided that coverage that includes optional benefits may be offered on a basis that does not meet this requirement.

(b) Short term coverage is not subject to subdivisions 2 and 5. Short term coverage may exclude as a preexisting condition any injury, illness, or condition for which the covered person had medical treatment, symptoms, or any manifestations before the effective date of the coverage, but dependent children born or placed for adoption during the policy period must not be subject to this provision.

(c) Notwithstanding subdivision 3, and section 62A.021, a health carrier may combine short term coverage with its most commonly sold individual qualified plan as defined in section 62E.02, other than short term coverage, for purposes of complying with the loss ratio requirement.

(d) The 185 day coverage limitation provided in paragraph (a), applies to the total number of days of short term coverage that covers a person, regardless of the number of policies, contracts, or health carriers that provide the coverage. A written application for short term coverage must ask the applicant whether the applicant has been covered by short term coverage by any health carrier within the 365 days immediately preceding the effective date of the coverage being applied for. Short term coverage issued in violation of the 185 day limitation is valid until the end of its term, and does not lose its status as short term coverage, in spite of the violation. A health carrier that knowingly issues short term coverage in violation of the 185 day limitation is subject to the administrative penalties otherwise available to the commissioner of commerce or the commissioner of health, as appropriate.

(e) Time spent under short term coverage counts as time spent under a preexisting condition limitation for purposes of group or individual health plans, other than short term coverage, subsequently issued to that person, or to cover that person, by any health carrier, if the person maintains continuous coverage as defined in section 62L.02. Short term coverage is a health plan and is qualifying coverage as defined in section 62L.02. Notwithstanding any other law to the contrary, a health carrier is not required under any circumstances to provide a person covered by short-term coverage the right to obtain coverage on a guaranteed issue basis under another health plan offered by the health carrier, as a result of the person's enrollment in short-term coverage.

Sec. 13. Minnesota Statutes 1993 Supplement, section 62A.65, is amended by adding a subdivision to read:

Subd. 8. A health carrier electing to cease doing business in the individual market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the failure of a health carrier to offer or issue new business in the individual market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current individual business or other product lines. A health carrier electing to cease doing business in the individual market shall provide 120 days' written notice to each policyholder covered by a health benefit plan issued by the health carrier. A health carrier that ceases to write new business in the individual market shall continue to be governed by this section with respect to continuing individual business conducted by the carrier. A health carrier that ceases to do business in the individual market after July 1, 1994, is prohibited from writing new business in the individual market in this state for a period of five years from the date of notice to the commissioner. This subdivision applies to any health maintenance organization that ceases to do business in the individual market in one service area with respect to that service area only. Nothing in this subdivision prohibits an affiliated health maintenance organization from continuing to do business in the individual market in that same service area.

Sec. 14. Minnesota Statutes 1993 Supplement, section 62D.12, subdivision 17, is amended to read:

Subd. 17. This section does not apply to persons enrolled in the comprehensive health association as of June 30, 1993. Sec. 16. Minnesota Statutes 1992, section 62E.16, is amended to read:

62E.16 [POLICY CONVERSION RIGHTS.]

Every program of self-insurance, policy of group accident and health insurance or contract of coverage by a health maintenance organization written or renewed in this state, shall include, in addition to the provisions required by section 62A.17, the right to convert to an individual coverage qualified plan without the addition of underwriting restrictions if the individual insured leaves the group regardless of the reason for leaving the group or if an employer member of a group ceases to remit payment so as to terminate coverage for its employees, or upon cancellation or termination of the coverage for the group except where uninterrupted and continuous group coverage is otherwise provided to the group. If the health maintenance organization has canceled coverage for the group because of a loss of providers in a service area, the health maintenance organization shall arrange for other health maintenance or indemnity conversion options that shall be offered to enrollees without the addition of underwriting restrictions. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. The person may exercise this right to conversion within 30 days of leaving the group or within 30 days following receipt of due notice of cancellation or termination of coverage of the group or of the employer member of the group and upon payment of premiums from the date of termination or cancellation. Due notice of cancellation or termination of coverage for a group or of the employer member of the group shall be provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Plans of health coverage shall also include a provision which, upon the death of the individual in whose name the contract was issued, permits every other individual then covered under the contract to elect, within the period specified in the contract, to continue coverage under the same or a different contract without the addition of underwriting restrictions until the individual would have ceased to have been entitled to coverage had the individual in whose name the contract was issued lived. An individual conversion contract issued by a health maintenance organization shall not be deemed to be an individual enrollment contract for the purposes of section 62D.10. An individual health plan offered under section 62A.65, subdivision 5, paragraph (b), to a person satisfies the health carrier's obligation to offer conversion coverage under this section with respect to that person.
