- (11) workers' compensation insurance; or
- (12) issued solely as a companion to a health maintenance contract as described in section 62D.12, subdivision 1a, so long as the health maintenance contract meets the definition of a health benefit plan.

For the purpose of this chapter, a health benefit plan issued to eligible employees of a small employer who meets the participation requirements of section 62L.03, subdivision 3, is considered to have been issued to a small employer. A health benefit plan issued on behalf of a health carrier is considered to be issued by the health carrier.

Sec. 25. Minnesota Statutes 1992, section 62L.02, subdivision 16, is amended to read:

Subd. 16. [HEALTH CARRIER.] "Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; and a multiple employer welfare arrangement, as defined in United States Code, title 29, section 1002(40), as amended through December 31, 1994. For purposes of sections 62L.01 to 62L.12, but not for purposes of sections 62L.13 to 62L.22, "health carrier" includes a community integrated service network or integrated service network licensed under chapter 62N. Any use of this definition in another chapter by reference does not include a community integrated service network or integrated service network, unless otherwise specified. For the purpose of this chapter, companies that are affiliated companies or that are eligible to file a consolidated tax return must be treated as one health carrier, except that any insurance company or health service plan corporation that is an affiliate of a health maintenance organization located in Minnesota, or any health maintenance organization located in Minnesota that is an affiliate of an insurance company or health service plan corporation, or any health maintenance organization that is an affiliate of another health maintenance organization in Minnesota, may treat the health maintenance organization as a separate health carrier.

Sec. 26. Minnesota Statutes 1992, section 62L.02, subdivision 17, is amended to read:

Subd. 17. [HEALTH PLAN.] "Health plan" means a health benefit plan ~~issued by a health carrier, except that it may be issued:~~

~~(1) to a small employer;~~

~~(2) to an employer who does not satisfy the definition of a small employer as defined under subdivision 26; or~~

~~(3) to an individual purchasing an individual or conversion policy of health care coverage issued by a health carrier as defined in section 62A.011 and includes individual and group coverage regardless of the size of the group, unless otherwise specified.~~

Sec. 27. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 19, is amended to read:

Subd. 19. [LATE ENTRANT.] "Late entrant" means an eligible employee or dependent who requests enrollment in a health benefit plan of a small employer following the initial enrollment period applicable to the employee or dependent under the terms of the health benefit plan, provided that the initial enrollment period must be a period of at least 30 days. However, an eligible employee or dependent must not be considered a late entrant if:

(1) the individual was covered under qualifying ~~existing~~ coverage at the time the individual was eligible to enroll in the health benefit plan, declined enrollment on that basis, and presents to the health carrier a certificate of termination of the qualifying prior coverage, due to loss of eligibility for that coverage, provided that the individual maintains continuous coverage. For purposes of this clause, eligibility for prior coverage does not include eligibility for an individual is not a late entrant if the individual elects coverage under the health benefit plan rather than accepting continuation coverage required for which the individual is eligible under state or federal law with respect to the individual's previous qualifying coverage;

(2) the individual has lost coverage under another group health plan due to the expiration of benefits available under the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law Number 99-272, as amended, and any state continuation laws applicable to the employer or health carrier, provided that the individual maintains continuous coverage;

(3) the individual is a new spouse of an eligible employee, provided that enrollment is requested within 30 days of becoming legally married;

(4) the individual is a new dependent child of an eligible employee, provided that enrollment is requested within 30 days of becoming a dependent;

(5) the individual is employed by an employer that offers multiple health benefit plans and the individual elects a different plan during an open enrollment period; or

(6) a court has ordered that coverage be provided for a former spouse or dependent child under a covered employee's health benefit plan and request for enrollment is made within 30 days after issuance of the court order.

Sec. 28. Minnesota Statutes 1992, section 62L.02, subdivision 24, is amended to read:

Subd. 24. ~~[QUALIFYING PRIOR COVERAGE OR QUALIFYING EXISTING COVERAGE.]~~ "Qualifying ~~prior coverage~~ or ~~"qualifying existing coverage"~~ means health benefits or health coverage provided under:

- (1) a health plan, as defined in this section;
- (2) Medicare;
- (3) medical assistance under chapter 256B;
- (4) general assistance medical care under chapter 256D;
- (5) MCHA;
- (6) a self-insured health plan;
- (7) the ~~health right~~ MinnesotaCare plan established under section 256.9352, when the plan includes inpatient hospital services as provided in section 256.9353;
- (8) a plan provided under section 43A.316, 43A.317, or 471.617; or
- (9) a plan similar to any of the above plans provided in this state or in another state as determined by the commissioner.

Sec. 29. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 26, is amended to read:

Subd. 26. [SMALL EMPLOYER.] (a) "Small employer" means a person, firm, corporation, partnership, association, or other entity actively engaged in business ~~who, including a political subdivision of the state, that, on at least 50 percent of its working days during the preceding calendar year 12 months, employed no fewer than two nor more than 29 eligible, or after June 30, 1995, more than 49, current employees, the majority of whom were employed in this state. A political subdivision of the state is not a small employer and is not subject to this chapter when it provides health coverage to its employees, officers, and retirees, and their dependents, by participation in group purchasing of health plan coverage by or through an association of political subdivisions or by or through an educational cooperative service unit created under section 123.58 or by participating in a joint self-insurance pool authorized under section 471.617, subdivision 2.~~ If an employer has only two eligible employees and one is the spouse, child, sibling, parent, or grandparent of the other, the employer must be a Minnesota domiciled employer and have paid social security or self-employment tax on behalf of both eligible employees. If an employer has only one eligible employee who has not waived coverage, the sale of a health plan to or for that eligible employee is not a sale to a small employer and is not subject to this chapter and may be treated as the sale of an individual health plan. A small employer plan may be offered through a domiciled association to self-employed individuals and small employers who are members of the association, even if the self-employed individual or small employer has fewer than two current employees. Entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of eligible current employees. Small employer status must be determined on an annual basis as of the renewal date of the health benefit plan. The provisions of this chapter continue to apply to an employer who no longer meets the requirements of this definition until the annual renewal date of the employer's health benefit plan.

(b) Where an association, described in section 62A.10, subdivision 1, comprised of employers contracts with a health carrier to provide coverage to its members who are small employers, the association shall be considered to be a small employer, with respect to those employers in the association that employ no fewer than two nor more than 29 eligible, or after June 30, 1995, more than 49, current employees, even though the association provides coverage to its members that do not qualify as small employers. An association in existence prior to July 1, 1993, is exempt from this chapter with respect to small employers that are members as of that date. However, in providing coverage to new groups employers after July 1, 1993, the existing association must comply with all requirements of this chapter. Existing associations must register with the commissioner of commerce prior to July 1, 1993. With respect to small employers having not fewer than 30 nor more than 49 current employees, the July 1, 1993 date in this paragraph becomes July 1, 1995, and the reference to "after" that date becomes "on or after."

(c) If an employer has employees covered under a trust established specified in a collective bargaining agreement under the federal Labor-Management Relations Act of 1947, United States Code, title 29, section 141, et seq., as amended, or employees whose health coverage is determined by a collective bargaining agreement and, as a result of the collective bargaining agreement, is purchased separately from the health plan provided to other employees, those employees are excluded in determining whether the employer qualifies as a small employer. Those employees are considered to be a separate small employer if they constitute a group that would qualify as a small employer in the absence of the employees who are not subject to the collective bargaining agreement.

Sec. 30. Minnesota Statutes 1992, section 62L.03, subdivision 1, is amended to read:

Subdivision 1. [GUARANTEED ISSUE AND REISSUE.] Every health carrier shall, as a condition of authority to transact business in this state in the small employer market, affirmatively market, offer, sell, issue, and renew any of its health benefit plans, on a guaranteed issue basis, to any small employer that meets the participation and contribution requirements of subdivision 3, as provided in this chapter. This requirement does not apply to a health benefit plan designed for a small employer to comply with a collective bargaining agreement, provided that the health benefit plan otherwise complies with this chapter and is not offered to other small employers, except for other small employers that need it for the same reason. Every health carrier participating in the small employer market shall make available both of the plans described in section 62L.05 to small employers and shall fully comply with the underwriting and the rate restrictions specified in this chapter for all health benefit plans issued to small employers. A health carrier may cease to transact business in the small employer market as provided under section 62L.09.

Sec. 31. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 3, is amended to read:

Subd. 3. [MINIMUM PARTICIPATION AND CONTRIBUTION.] (a) A small employer that has at least 75 percent of its eligible employees who have not waived coverage participating in a health benefit plan and that contributes at least 50 percent toward the cost of coverage of eligible employees must be guaranteed coverage on a guaranteed issue basis from any health carrier participating in the small employer market. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. A health carrier ~~may~~ must not increase the participation requirements applicable to a small employer at any time after the small employer has been accepted for coverage. For the purposes of this subdivision, waiver of coverage includes only waivers due to: (1) coverage under another group health plan; (2) coverage under Medicare parts A and B; or (3) coverage under MCHA permitted under section 62E.141.

(b) If a small employer does not satisfy the contribution or participation requirements under this subdivision, a health carrier may voluntarily issue or renew individual coverage health plans, or a health benefit plan which, ~~except for guaranteed issue~~, must fully comply with this chapter. A health carrier that provides group coverage a health benefit plan to a small employer that does not meet the contribution or participation requirements of this subdivision must maintain this information in its files for audit by the commissioner. A health carrier may not offer an individual coverage health plan, purchased through an arrangement between the employer and the health carrier, to any employee unless the health carrier also offers coverage the individual health plan, on a guaranteed issue basis, to all other employees of the same employer.

(c) Nothing in this section obligates a health carrier to issue coverage to a small employer that currently offers coverage through a health benefit plan from another health carrier, unless the new coverage will replace the existing coverage and not serve as one of two or more health benefit plans offered by the employer.

Sec. 32. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 4, is amended to read:

Subd. 4. [UNDERWRITING RESTRICTIONS.] Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted under this chapter. For purposes of this subdivision section, "underwriting restrictions" means any refusal of the health carrier to issue or renew coverage, any premium rate higher than the lowest rate charged by the health carrier for the same coverage, or any preexisting condition limitation or exclusion, or any exclusionary rider. Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees, and dependents of employees, of small employers. Except as otherwise authorized for late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee or dependent, but exclusionary riders must not be used. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by qualifying prior coverage, provided that the individual maintains continuous coverage. Late entrants may be subject to a preexisting condition limitation

not to exceed 18 months from the effective date of coverage of the late entrant, but must not be subject to any exclusionary rider or exclusion. ~~Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation must not exceed 18 months.~~ A health carrier shall, at the time of first issuance or renewal of a health benefit plan on or after July 1, 1993, credit against any preexisting condition limitation or exclusion permitted under this section, the time period prior to July 1, 1993, during which an eligible employee or dependent was covered by qualifying existing coverage ~~or qualifying prior coverage~~, if the person has maintained continuous coverage.

Sec. 33. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 5, is amended to read:

Subd. 5. [CANCELLATIONS AND FAILURES TO RENEW.] (a) No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the persons covered or to be covered by the health benefit plan. A health carrier may cancel or fail to renew a health benefit plan:

- (1) for nonpayment of the required premium;
 - (2) for fraud or misrepresentation by the small employer, or, with respect to coverage of an individual eligible employee or dependent, fraud or misrepresentation by the eligible employee or dependent, with respect to eligibility for coverage or any other material fact;
 - (3) if eligible employee participation during the preceding calendar year declines to less than 75 percent, subject to the waiver of coverage provision in subdivision 3;
 - (4) if the employer fails to comply with the minimum contribution percentage legally required by the health carrier under subdivision 3;
 - (5) if the health carrier ceases to do business in the small employer market under section 62L.09; ~~or~~
 - (6) if a failure to renew is based upon the health carrier's decision to discontinue the health benefit plan form previously issued to the small employer, but only if the health carrier permits each small employer covered under the prior form to switch to its choice of any other health benefit plan offered by the health carrier, without any underwriting restrictions that would not have been permitted for renewal purposes; or
 - (7) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including, but not limited to, service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), to the extent that these grounds are not expressly inconsistent with this chapter.
- (b) A health carrier need not renew a health benefit plan, and shall not renew a small employer plan, if an employer ceases to qualify as a small employer as defined in section 62L.02. If a health benefit plan, other than a small employer plan, provides terms of renewal that do not exclude an employer that is no longer a small employer, the health benefit plan may be renewed according to its own terms. If a health carrier issues or renews a health plan to an employer that is no longer a small employer, without interruption of coverage, the health plan is subject to section 60A.082.

Sec. 34. Minnesota Statutes 1993 Supplement, section 62L.04, subdivision 1, is amended to read:

Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] (a) Beginning July 1, 1993, health carriers participating in the small employer market must offer and make available on a guaranteed issue basis any health benefit plan that they offer, including both of the small employer plans provided in section 62L.05, to all small employers ~~who that~~ satisfy the small employer participation and contribution requirements specified in this chapter. Compliance with these requirements is required as of the first renewal date of any small employer group occurring after July 1, 1993. For new small employer business, compliance is required as of the first date of offering occurring after July 1, 1993.

(b) Compliance with these requirements is required as of the first renewal date occurring after July 1, 1994, with respect to employees of a small employer who had been issued individual coverage prior to July 1, 1993, administered by the health carrier on a group basis. Notwithstanding any other law to the contrary, the health carrier shall offer to terminate any individual coverage for employees of small employers who satisfy the small employer participation

and contribution requirements specified in section 62L.03 and offer to replace it with a health benefit plan. If the employer elects not to purchase a health benefit plan, the health carrier must offer all covered employees and dependents the option of maintaining their current coverage, administered on an individual basis, or replacement individual coverage. Small employer and replacement individual coverage provided under this subdivision must be without application of underwriting restrictions, provided continuous coverage is maintained.

(c) With respect to small employers having no fewer than 30 nor more than 49 current employees, all dates in this subdivision become July 1, 1995, and any reference to "after" a date becomes "on or after" July 1, 1995.

Sec. 35. Minnesota Statutes 1992, section 62L.05, subdivision 1, is amended to read:

Subdivision 1. [TWO SMALL EMPLOYER PLANS.] Each health carrier in the small employer market must make available, on a guaranteed issue basis, to any small employer that satisfies the contribution and participation requirements of section 62L.03, subdivision 3, both of the small employer plans described in subdivisions 2 and 3. Under subdivisions 2 and 3, coinsurance and deductibles do not apply to child health supervision services and prenatal services, as defined by section 62A.047. The maximum out-of-pocket costs for covered services must be \$3,000 per individual and \$6,000 per family per year. The maximum lifetime benefit must be \$500,000. ~~The out-of-pocket cost limits and the deductible amounts provided in subdivision 2 must be adjusted on July 1 every two years, based upon changes in the consumer price index, as of the end of the previous calendar year, as determined by the commissioner of commerce. Adjustments must be in increments of \$50 and must not be made unless at least that amount of adjustment is required.~~

Sec. 36. Minnesota Statutes 1992, section 62L.05, subdivision 5, is amended to read:

Subd. 5. [PLAN VARIATIONS.] (a) No health carrier shall offer to a small employer a health benefit plan that differs from the two small employer plans described in subdivisions 1 to 4, unless the health benefit plan complies with all provisions of chapters 62A, 62C, 62D, 62E, 62H, 62N, and 64B that otherwise apply to the health carrier, except as expressly permitted by paragraph (b).

(b) As an exception to paragraph (a), a health benefit plan is deemed to be a small employer plan and to be in compliance with paragraph (a) if it differs from one of the two small employer plans described in subdivisions 1 to 4 only by providing benefits in addition to those described in subdivision 4, provided that the health ~~care~~ benefit plan has an actuarial value that exceeds the actuarial value of the benefits described in subdivision 4 by no more than two percent. "Benefits in addition" means additional units of a benefit listed in subdivision 4 or one or more benefits not listed in subdivision 4.

Sec. 37. Minnesota Statutes 1992, section 62L.05, subdivision 8, is amended to read:

Subd. 8. [CONTINUATION COVERAGE.] Small employer plans must include the continuation of coverage provisions required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Public Law Number 99-272, as amended ~~through December 31, 1991~~, and by state law.

Sec. 38. Minnesota Statutes 1992, section 62L.08, subdivision 2, is amended to read:

Subd. 2. [GENERAL PREMIUM VARIATIONS.] Beginning July 1, 1993, each health carrier must offer premium rates to small employers that are no more than 25 percent above and no more than 25 percent below the index rate charged to small employers for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this subdivision must be based only on health status, claims experience, industry of the employer, and duration of coverage from the date of issue. For purposes of this subdivision, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined to be actuarially valid and approved by the commissioner. Variations permitted under this subdivision must not be based upon age or applied differently at different ages. This subdivision does not prohibit use of a constant percentage adjustment for factors permitted to be used under this subdivision.

Sec. 39. Minnesota Statutes 1993 Supplement, section 62L.08, subdivision 4, is amended to read:

Subd. 4. [GEOGRAPHIC PREMIUM VARIATIONS.] A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than 20 percent. Health carriers that do not do business

in the Minneapolis/St. Paul metropolitan area may request approval for no more than two geographic regions, and clauses (2) and (3) do not apply to approval of requests made by those health carriers. A health carrier may also request approval to establish one or more additional geographic regions and a one or more separate index rate rates for premiums for employees working and residing outside of Minnesota, and that index rate must not be more than 30 percent higher than the next highest index rate. The commissioner may grant approval if the following conditions are met:

- (1) the geographic regions must be applied uniformly by the health carrier;
- (2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;
- (3) if one geographic region is rural, the index rate for the rural region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area;
- (4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

Sec. 40. Minnesota Statutes 1992, section 62L.08, subdivision 5, is amended to read:

Subd. 5. [GENDER-BASED RATES PROHIBITED.] Beginning July 1, 1993, no health carrier may determine premium rates through a method that is in any way based upon the gender of eligible employees or dependents. Rates must not in any way reflect marital status or generalized differences in expected costs between employees and spouses.

Sec. 41. Minnesota Statutes 1992, section 62L.08, subdivision 6, is amended to read:

Subd. 6. [RATE CELLS PERMITTED.] Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based on the number of adults and children covered under the policy and may reflect the availability of Medicare coverage. The rates for different rate cells must not in any way reflect marital status or differences in expected costs between employees and spouses.

Sec. 42. Minnesota Statutes 1992, section 62L.08, subdivision 7, is amended to read:

Subd. 7. [INDEX AND PREMIUM RATE DEVELOPMENT.] (a) In developing its index rates and premiums, a health carrier may take into account only the following factors:

- (1) actuarially valid differences in benefit designs of health benefit plans;
- (2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;
- (3) actuarially valid geographic variations if approved by the commissioner as provided in subdivision 4.

(b) All premium variations permitted under this section must be based upon actuarially valid differences in expected cost to the health carrier of providing coverage. The variation must be justified in initial rate filings and upon request of the commissioner in rate revision filings. All premium variations are subject to approval by the commissioner.

Sec. 43. Minnesota Statutes 1993 Supplement, section 62L.08, subdivision 8, is amended to read:

Subd. 8. [FILING REQUIREMENT.] No later than July 1, 1993, and each year thereafter, a health carrier that offers, sells, issues, or renews a health benefit plan for small employers shall file with the commissioner the index rates and must demonstrate that all rates shall be within the rating restrictions defined in this chapter. Such demonstration must include the allowable range of rates from the index rates and a description of how the health carrier intends to use demographic factors including case characteristics in calculating the premium rates. The rates shall not be approved, unless the commissioner has determined that the rates are reasonable. In determining reasonableness, the commissioner shall consider the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risk associated with the enrollee population, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549. For premium rates proposed to go into effect between July 1, 1993 and December 31, 1993, the pertinent growth rate

is the growth rate applied under section 62J.04, subdivision 1, paragraph (b), to calendar year 1994. ~~As provided in section 62A.65, subdivision 3, this subdivision applies to the individual market, as well as to the small employer market.~~

Sec. 44. Minnesota Statutes 1992, section 62L.12, is amended to read:

62L.12 [PROHIBITED PRACTICES.]

Subdivision 1. [PROHIBITION ON ISSUANCE OF INDIVIDUAL POLICIES.] A health carrier operating in the small employer market shall not knowingly offer, issue, or renew an individual ~~policy, subscriber contract, or certificate~~ health plan to an eligible employee or dependent of a small employer that meets the minimum participation and contribution requirements defined in under section 62L.03, subdivision 3, except as authorized under subdivision 2.

Subd. 2. [EXCEPTIONS.] (a) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage under section 62D.104 as a result of leaving a health maintenance organization's service area.

(b) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage as a result of the expiration of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101, and 62D.105.

(c) A health carrier may sell, issue, or renew conversion policies under section 62E.16 to eligible employees and dependents.

(d) A health carrier may sell, issue, or renew individual continuation policies to eligible employees and dependents as required.

(e) A health carrier may sell, issue, or renew individual ~~coverage~~ health plans if the coverage is appropriate due to an unexpired preexisting condition limitation or exclusion applicable to the person under the employer's group coverage health plan or due to the person's need for health care services not covered under the employer's group policy group health plan.

(f) A health carrier may sell, issue, or renew an individual ~~policy, with the prior consent of the commissioner,~~ health plan, if the individual has elected to buy the individual coverage health plan not as part of a general plan to substitute individual coverage health plans for a group coverage health plan nor as a result of any violation of subdivision 3 or 4.

(g) Nothing in this subdivision relieves a health carrier of any obligation to provide continuation or conversion coverage otherwise required under federal or state law.

(h) Nothing in this chapter restricts the offer, sale, issuance, or renewal of coverage issued as a supplement to Medicare under sections 62A.31 to 62A.44, or policies or contracts that supplement Medicare issued by health maintenance organizations, or those contracts governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et. seq., as amended.

(i) Nothing in this chapter restricts the offer, sale, issuance, or renewal of individual health plans necessary to comply with a court order.

Subd. 3. [AGENT'S LICENSURE.] An agent licensed under chapter ~~60A~~ 60K or section 62C.17 who knowingly and willfully breaks apart a small group for the purpose of selling individual ~~policies~~ health plans to eligible employees and dependents of a small employer that meets the participation and contribution requirements of section 62L.03, subdivision 3, is guilty of an unfair trade practice and subject to disciplinary action, including the revocation or suspension of license, under section ~~60A.17, subdivision 6,~~ 60K.11 or 62C.17. The action must be by order and subject to the notice, hearing, and appeal procedures specified in section ~~60A.17, subdivision 6d~~ 60K.11. The action of the commissioner is subject to judicial review as provided under chapter 14.

Subd. 4. [EMPLOYER PROHIBITION.] A small employer shall not encourage or direct an employee or applicant to:

(1) refrain from filing an application for health coverage when other similarly situated employees may file an application for health coverage;

(2) file an application for health coverage during initial eligibility for coverage, the acceptance of which is contingent on health status, when other similarly situated employees may apply for health coverage, the acceptance of which is not contingent on health status;

(3) seek coverage from another health carrier, including, but not limited to, MCHA; or

(4) cause coverage to be issued on different terms because of the health status or claims experience of that person or the person's dependents.

Subd. 5. [SALE OF OTHER PRODUCTS.] A health carrier shall not condition the offer, sale, issuance, or renewal of a health benefit plan on the purchase by a small employer of other insurance products offered by the health carrier or a subsidiary or affiliate of the health carrier, including, but not limited to, life, disability, property, and general liability insurance. This prohibition does not apply to insurance products offered as a supplement to a health maintenance organization plan, including, but not limited to, supplemental benefit plans under section 62D.05, subdivision 6.

Sec. 45. Minnesota Statutes 1992, section 62L.21, subdivision 2, is amended to read:

Subd. 2. [ADJUSTMENT OF PREMIUM RATES.] The board of directors shall establish operating rules to allocate adjustments to the reinsurance premium charge of no more than minus 25 percent of the monthly reinsurance premium for health carriers that can demonstrate administrative efficiencies and cost-effective handling of equivalent risks. The adjustment must be made ~~annually on a retrospective basis~~ monthly, unless the board provides for a different interval in its operating rules. The operating rules must establish objective and measurable criteria which must be met by a health carrier in order to be eligible for an adjustment. These criteria must include consideration of efficiency attributable to case management, but not consideration of such factors as provider discounts.

Sec. 46. [REPEALER.]

(a) Minnesota Statutes 1992, sections 62E.51, 62E.52, 62E.53, 62E.531, 62E.54, and 62E.55 are repealed.

(b) Minnesota Statutes 1992, section 62A.02, subdivision 5, is repealed.

Sec. 47. [REVISOR INSTRUCTIONS.]

(a) The revisor of statutes shall change the name of the private employers insurance program established in Minnesota Statutes, section 43A.317 to the Minnesota employees insurance program, and the private employers insurance trust fund to the Minnesota employees insurance trust fund, wherever either term occurs in Minnesota Statutes or Minnesota Rules.

Sec. 4. [308B.01] [STATEMENT OF LEGISLATIVE PURPOSE AND INTENT.]

The legislature finds that the goals of containing health care costs, improving the quality of health care, and increasing the access of Minnesota citizens to health care services reflected under chapters 62J and 62N may be further enhanced through the promotion of health care cooperatives. The legislature further finds that locally based and controlled efforts among health care providers, local businesses, units of local government, and health care consumers, can promote the attainment of the legislature's goals of health care reform, and takes notice of the long history of successful operations of cooperative organizations in this state. Therefore, in order to encourage cooperative efforts which are consistent with the goals of health care reform, including efforts among health care providers as sellers of health care services and efforts of consumers as buyers of health care services and health plan coverage, and to encourage the formation of and increase the competition among health plans in Minnesota, the legislature enacts the Minnesota health care cooperative act.

Sec. 17. Minnesota Statutes 1992, section 169.791, subdivision 2, is amended to read:

Subd. 2. [REQUIREMENT FOR DRIVER WHETHER OR NOT THE OWNER.] Every driver shall have in possession at all times when operating a vehicle and shall produce on demand of a peace officer proof of insurance in force at the time of the demand covering the vehicle being operated. If the driver does not produce the required proof of insurance upon the demand of a peace officer, the driver is guilty of a misdemeanor. A person is guilty of a gross misdemeanor who violates this section within ten years of the first of two prior convictions under this section, section 169.797, or a statute or ordinance in conformity with one of those sections. The same prosecuting authority who is responsible for prosecuting misdemeanor violations of this section is responsible for prosecuting gross misdemeanor violations of this section. A driver who is not the owner of the vehicle may not be convicted under this section unless the driver knew or had reason to know that the owner did not have proof of insurance required by this section, provided that the driver provides the officer with the name and address of the owner at the time of the demand or complies with subdivision 3.

Sec. 18. Minnesota Statutes 1992, section 169.797, subdivision 4, is amended to read:

Subd. 4. [PENALTY.] (a) A person who violates this section is guilty of a misdemeanor. A person is guilty of a gross misdemeanor who violates this section within ten years of the first of two prior convictions under this section, section 169.791, or a statute or ordinance in conformity with one of those sections. The operator of a vehicle who violates subdivision 3 and who causes or contributes to causing a vehicle accident that results in the death of any person or in substantial bodily harm to any person, as defined in section 609.02, subdivision 7a, is guilty of a gross misdemeanor. The same prosecuting authority who is responsible for prosecuting misdemeanor violations of this section is responsible for prosecuting gross misdemeanor violations of this section. In addition to any sentence of imprisonment that the court may impose on a person convicted of violating this section, the court shall impose a fine of not less than \$200 nor more than the maximum amount authorized by law. The court may allow community service in lieu of any fine imposed if the defendant is indigent.

(b) In addition to the criminal penalty, the driver's license of an operator convicted under this section shall be revoked for not more than 12 months. If the operator is also an owner of the vehicle, the registration of the vehicle shall also be revoked for not more than 12 months. Before reinstatement of a driver's license or registration, the operator shall file with the commissioner of public safety the written certificate of an insurance carrier authorized to do business in this state stating that security has been provided by the operator as required by section 65B.48.

(c) The commissioner shall include a notice of the penalties contained in this section on all forms for registration of vehicles required to maintain a plan of reparation security.

(d) Notwithstanding section 609.04, a prosecution for or conviction of a crime under this section is not a bar to conviction or punishment for any other crime committed by the defendant as part of the same conduct. If the defendant also is convicted of a violation of section 169.121, 169.129, or 171.24, the court may order that the sentence imposed under this section shall run consecutively to the sentence imposed for that violation.

Sec. 19. [169.991] [TAB CHARGES.]

In addition to the offenses listed in rule 17.01 of the Rules of Criminal Procedure, a misdemeanor or gross misdemeanor violation of section 171.24 may be prosecuted by tab charge in lieu of indictment or complaint. Rule 17.01 of the Rules of Criminal Procedure is superseded to the extent of its conflict with this section.

Sec. 20. Minnesota Statutes 1992, section 171.12, subdivision 2, is amended to read:

Subd. 2. [ACCIDENT REPORTS AND RECORDS OF CONVICTION FILED.] The department shall file all accident reports and abstracts of court records of convictions and violations received by it under the laws of this state and its political subdivisions, and in connection therewith maintain convenient records or make suitable notations in order that an individual record of each licensee showing the convictions of such licensee and the traffic accidents in which the licensee has been involved shall be readily ascertainable and available for the consideration of the department upon any application for renewal of license and the revocation, suspension, or limitation of licenses.

Sec. 21. Minnesota Statutes 1993 Supplement, section 171.24, is amended to read:

171.24 [VIOLATIONS; DRIVING WITHOUT VALID LICENSE.]

(a) Except as otherwise provided in paragraph (c), any person whose driver's license or driving privilege has been canceled, suspended, or revoked and who has been given notice of, or reasonably should know of the revocation,

suspension, or cancellation, and who disobeys such order by operating anywhere in this state any motor vehicle, the operation of which requires a driver's license, while such license or privilege is canceled, suspended, or revoked is guilty of a misdemeanor.

(b) Any person who has been disqualified from holding a commercial driver's license or been denied the privilege to operate a commercial motor vehicle, who has been given notice of or reasonably should know of the disqualification, and who disobeys the order by operating in this state a commercial motor vehicle while the person is disqualified to hold the license or privilege, is guilty of a misdemeanor.

(c) A person is guilty of a gross misdemeanor if:

(1) the person's driver's license or driving privileges has been canceled under section 171.04, subdivision 1, clause (8), and the person has been given notice of or reasonably should know of the cancellation; and

(2) the person disobeys the order by operating in this state any motor vehicle, the operation of which requires a driver's license, while the person's license or privilege is canceled.

(d) Notwithstanding section 609.04, a prosecution for or conviction of a crime under this section is not a bar to conviction of or punishment for any other crime committed by the defendant as part of the same conduct. If the defendant also is convicted of a violation of section 169.121 or 169.129, the court may order that the sentence imposed for a violation of this section run consecutively to the sentence imposed for a violation of section 169.121 or 169.129.

(e) The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations of this section is also responsible for prosecution of gross misdemeanor violations of this section.

(f) Notice of revocation, suspension, cancellation, or disqualification is sufficient if personally served, or if mailed by first class mail to the person's last known address or to the address listed on the person's driver's license. Notice is also sufficient if the person was informed that revocation, suspension, cancellation, or disqualification would be imposed upon a condition occurring or failing to occur, and where the condition has in fact occurred or failed to occur. It is not a defense that a person failed to file a change of address with the post office, or failed to notify the department of public safety of a change of name or address as required under section 171.11.

Sec. 22. Minnesota Statutes 1993 Supplement, section 340A.503, subdivision 1, is amended to read:

(1) retail intoxicating liquor or nonintoxicating liquor licensee, municipal liquor store, or bottle club permit holder under section 340A.414, to permit any person under the age of 21 years to consume alcoholic beverages on the licensed premises or within the municipal liquor store; or

(2) person under the age of 21 years to consume any alcoholic beverages. As used in this clause, "consume" includes the ingestion of an alcoholic beverage and the physical condition of having ingested an alcoholic beverage. If proven by a preponderance of the evidence, it is an affirmative defense to a violation of this clause that the defendant consumed the alcoholic beverage in the household of the defendant's parent or guardian and with the consent of the parent or guardian.

(b) An offense under paragraph (a), clause (2), may be prosecuted either at the place where consumption occurs or the place where evidence of consumption is observed.

(c) When a person is convicted of or adjudicated for an offense under paragraph (a), clause (2), the court shall determine whether the person ~~committed the offense~~ consumed the alcohol while operating a motor vehicle. If so, the court shall notify the commissioner of public safety of its determination. Upon receipt of the court's determination, the commissioner shall suspend the person's driver's license or operating privileges for 30 days, or for 180 days if the person has previously been convicted of or adjudicated for an offense under paragraph (a), clause (2). As used in this paragraph, "consume" includes the ingestion of an alcoholic beverage and the physical condition of having ingested an alcoholic beverage.

Sec. 23. Minnesota Statutes 1992, section 609.02, subdivision 2, is amended to read:

Subd. 2. [FELONY.] "Felony" means a crime, other than an enhanced gross misdemeanor, for which a sentence of imprisonment for more than one year may be imposed.

Sec. 24. Minnesota Statutes 1992, section 609.02, is amended by adding a subdivision to read:

Subd. 4b. [ENHANCED GROSS MISDEMEANOR.] "Enhanced gross misdemeanor" means a crime that is not a felony, for which a sentence of imprisonment of not more than two years or a fine of not more than \$3,000, or both, may be imposed.

All the offenses, if prosecuted, shall be included in one prosecution which shall be stated in separate counts.

Sec. 26. Minnesota Statutes 1992, section 609.105, is amended to read:

609.105 [SENTENCE OF IMPRISONMENT.]

Subdivision 1. Except as otherwise provided in subdivision 3, a sentence to imprisonment for more than one year shall commit the defendant to the custody of the commissioner of corrections.

Subd. 2. Sec. 27. Minnesota Statutes 1992, section 629.471, subdivision 2, is amended to read:

Subd. 2. [QUADRUPLE THE FINE.] For offenses under sections 169.09, 169.121, 169.129, 171.24, paragraph (c), 518B.01, 609.2231, subdivision 2, 609.224, 609.487, and 609.525, the maximum cash bail that may be required for a person charged with a misdemeanor or gross misdemeanor violation is quadruple the highest cash fine that may be imposed for the offense.

Sec. 28. [DWI TRACKING SYSTEM; STUDY REQUIRED.]

The commissioner of public safety, in cooperation with the criminal and juvenile justice information policy group, shall study the feasibility and cost of developing, establishing, and operating a centralized system for tracking and integrating information regarding the arrest, prosecution, conviction, sentencing, treatment, and driver's license records of persons who commit alcohol-related driving offenses. On or before February 1, 1995, the commissioner shall submit a report to the legislature containing the commissioner's findings and recommendations.

Sec. 29. [SENTENCING GUIDELINES MODIFICATION.]

The sentencing guidelines commission shall modify the sentencing guidelines by ranking violations of section 609.21, subdivisions 1, clauses (3) and (4); and 3, clauses (3) and (4), in severity level VII of the sentencing guidelines grid.

The pilot program shall include procedures which ensure that violators of this condition of release receive swift consequences for the violation.

(b) The state court administrator shall select at least two judicial districts to participate in the pilot program. Offenders who are ordered to use a breath analyzer unit shall also be ordered to pay the per diem cost of the monitoring unless the offender is indigent. The state court administrator shall reimburse the judicial districts and the department of corrections for any costs they incur in participating in the pilot program. The court administrator shall scale the program to the resources available.

(c) After three years, the state court administrator shall evaluate the program's effectiveness and shall report the results of this evaluation to the conference of chief judges and the legislature.

Sec. 31. [APPROPRIATIONS.]

"Subd. 3. [EFFECT OF LISTING OF FACILITIES.] Once a qualified facility is listed under section 115B.41, subdivision 2, neither the commissioner nor the agency may take any action in relation to that facility to recover any expenses from any person under sections 115B.01 to 115B.24, except as provided in sections 115B.39 to 115B.45, unless the projected revenue to the landfill cleanup account for the next biennium is insufficient to fund 20 percent of the total projected costs of sections 115B.39 to 115B.45, excluding operation and maintenance of response actions, calculated from the effective date of those sections to the completion of construction activities at the final qualified facility on the priority list. A listed qualified facility may not be referred for listing under 115B.17, subdivision 13.

Subd. 4. [EFFECT OF ENCUMBRANCE; INSUFFICIENT ENCUMBRANCE.] (a) At the time money in the landfill cleanup account is encumbered for the expected response costs at a specific facility, the landfill cleanup program administered by the commissioner undertakes all further postclosure care, response actions, and operation and maintenance of the response actions related to that facility. The owner or operator and any other potentially responsible person is not responsible under this chapter for any further costs related to postclosure care, response, or operation and maintenance of any response action at the facility, except as provided in subdivision 1, paragraph (b).

(b) If the amount encumbered is insufficient to cover the actual response costs, excluding operation and maintenance of the response actions, new revenue received by the account must first be used to complete response actions at the facility before it may be encumbered for a facility for which no money has yet been encumbered.

(c) Nothing in sections 115B.39 to 115B.45 affects the liability of any person under this chapter, under federal law, or under common law for claims for compensation for personal injury or property damage related to the release of a hazardous substance, pollutant, or contaminant from a facility."

\$880,000 is appropriated from the general fund to the commissioner of jobs and training for operating costs of transitional housing programs under Minnesota Statutes, section 268.38. Of this appropriation, \$440,000 is for the first year and \$440,000 is for the second year.

\$4,200,000 for the first year and \$5,550,000 for the second year is appropriated from the general fund to the commissioner of the department of jobs and training for Minnesota economic opportunity grants to community action agencies. This appropriation is to replace federal funds that are no longer available to community action agencies because of new federal restrictions on the authority to transfer block grant money from the federal Low-Income Home Energy Assistance program to the federal Community Services Block grant.

For the biennium ending June 30, 1995, the commissioner shall transfer to the low-income home weatherization program at least five percent of money received under the low-income home energy assistance block grant in each year of the biennium and shall spend all of the transferred money during the year of the transfer or the year following the transfer. Up to 1.63 percent of the transferred money may be used by the commissioner for administrative purposes.

For the biennium ending June 30, 1995, no more than 1.63 percent of money remaining under the low-income home energy assistance program after transfers to the weatherization program may be used by the commissioner for administrative purposes.

The state appropriation for the temporary emergency food assistance program may be used to meet the federal match requirements.

Of the money appropriated for the summer youth employment programs for fiscal year 1994, \$750,000 is immediately available. Any remaining balance of the immediately available money is available for the year in which it is appropriated. If the appropriation for either year of the biennium is insufficient, money may be transferred from the appropriation for the other year.

(2) a child in the residence is identified as having a blood lead level at or above 20 micrograms per deciliter; or

(3) a child in the residence is identified as having a blood lead level that persists in the range of 15 to 19 micrograms per deciliter for 90 days after initial identification. In a building with two or more residential units, a board of health must inspect the individual unit in which the conditions of this subdivision are met and must also inspect all common areas in the building. Assessments must be conducted by a board of health regardless of the availability of state or federal appropriations for assessments.

If the commissioner or board of health provides swab team services after an assessment, but before the issuance of an abatement order, swab team services do not need to be repeated after the issuance of an abatement order. Swab team services are not considered completed until the reassessment required under subdivision 6 shows no violation of one or more of the standards under section 144.878, subdivision 2. Sec. 17. Minnesota Statutes 1992, section 144.878, is amended by adding a subdivision to read:

Subd. 2b. [PRIORITIES FOR RESPONSE ACTION.] The commissioner of health must establish, by publication in the State Register, a priority list of census tracts at high risk for toxic lead exposure for primary prevention response actions. In establishing the list, the commissioner shall award points under this subdivision to each census tract on which information is available. The priority for primary prevention response actions in census tracts at high risk for toxic lead exposure shall be based on the cumulative points awarded to each census tract. A greater number of points means a higher priority. If a tie occurs in the number of points, priority shall be given to the census tract with the higher percentage of population with blood lead levels greater than ten micrograms of lead per deciliter. All local governmental units and boards of health shall follow the priorities under this subdivision. The commissioner shall revise and update the priority list at least every five years. Points shall be awarded to each census tract for each criteria, considered independently, as described in section 144.871, subdivision 7a. Points shall be awarded as follows:

(a) In a census tract where at least 20 children have been screened in the last five years, one point shall be awarded for each five percent of children who were under six years old at the time they were screened for lead in blood and whose blood lead level exceeds ten micrograms of lead per deciliter. An additional point shall be awarded if one percent of the children had blood levels greater than 20 micrograms per deciliter of blood. Two points shall be awarded to a census tract, where the blood lead screening has been inadequate, that is contiguous with a census tract where more than ten percent of the children under six years of age have blood lead levels exceeding ten micrograms per deciliter.

(b) One point shall be awarded for every five percent of housing that is defined as dilapidated or deteriorated by the planning department or similar agency of the city in which the housing is located. Where data is available by neighborhood or section within a city, the percent of dilapidated or deteriorated housing shall apply equally to each census tract within the neighborhood or section.

(c) One point shall be awarded for every 100 parts per million of lead soil, based on the median soil lead values of foundation soil samples, calculated on 100 parts per million intervals, or fraction thereof. For the cities of St. Paul and Minneapolis, the commissioner shall use the June 1988 census tract version of the houseside map entitled "Distribution of Household Lead Content of Soil Dust in the Twin Cities," prepared by the Center for Urban and Regional Affairs. Where the map displays a census tract that is crossed by two or more intervals, the commissioner shall make a reasoned determination of the median foundation soil lead value for that tract. S. F. No. 1758 was reported to the House.

Page 1, after line 44, insert:

"Section 1. [145.4245] [INFORMED CONSENT PROVISIONS.]

Subdivision 1. [INFORMED CONSENT; GENERAL RULE.] The legislature finds that the health of women affects their ability to provide for their families, and that the health of women is greatly jeopardized when they make decisions without complete information. Unless there is a medical emergency that so complicates a pregnancy as to necessitate an immediate abortion to avert the death of the mother or for which a 24-hour delay will create grave peril of immediate and irreversible loss of major bodily function, at least 24 hours before the abortion, either the physician who is to perform the abortion or a referring physician must tell the woman:

- (a) the probable gestational age of the unborn child at the time the abortion is to be performed;
- (b) the name of the physician who will perform the abortion;
- (c) the particular medical risks associated with the particular abortion procedure to be used including, when medically accurate, the risks of infection, hemorrhage, danger to subsequent pregnancies, and infertility;
- (d) that she has the right to review the printed materials described in subdivision 2; and
- (e) the medical risks associated with carrying her child to term.

The physician or the referring physician may provide this information by telephone without conducting a physical examination or tests of the patient, in which case the information required to be supplied may be based on facts supplied by the patient and whatever other relevant information is reasonably available to the physician or the referring physician. The physician or the physician's agent shall also orally inform the woman that the printed materials have been provided by the state. If the woman chooses to view the materials, they shall be given to her at least 24 hours before the abortion or mailed to her at least 72 hours before the abortion by certified mail, restricted delivery to addressee, which means the postal employee can only deliver the mail to the addressee. The physician or the physician's agent may choose to disassociate himself or herself from the materials, and may choose to comment or refrain from comment on the materials.

Subd. 2. [PRINTED INFORMATION.] Within 60 days after the effective date of this act the commissioner of health shall develop, for reproduction by medical facilities, the following easily comprehensible printed materials in every language that is the primary language of one percent or more of the residents of Minnesota:

(1) geographically indexed materials designed to inform the woman of public and private agencies and services available to assist a woman through pregnancy, upon childbirth, and while the child is dependent, as well as adoption agencies. The materials must include a comprehensive list of the agencies available, a description of the services they offer, telephone numbers of the agencies, and a description of the manner in which they might be contacted; and

(2) materials designed to inform the woman of the probable anatomical and physiological characteristics of the unborn child at two-week gestational increments from the time when a woman can be known to be pregnant to full term, including any relevant information on the possibility of the unborn child's survival. The materials shall be objective, nonjudgmental, and designed to convey only accurate scientific information about the unborn child at the various gestational ages.

Subd. 3. [CIVIL DAMAGES FOR ABORTIONS PERFORMED WITHOUT INFORMED CONSENT.] Any person with standing may maintain an action against the person who performed an abortion in violation of subdivision 1 for civil damages. Those with standing are a woman upon whom, or the parent of a minor upon whom, an abortion that is unlawful under subdivision 1 has been performed or attempted to be performed and the father of the unborn child subject to an abortion that is unlawful under subdivision 1."

- (15) outpatient services provided by a mental health center or clinic that is under contract with the county board and is established under section 245.62;
- (16) day treatment services for mental illness provided under contract with the county board;
- (17) prescribed medications for persons who have been diagnosed as mentally ill as necessary to prevent more restrictive institutionalization;

(d) In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall where possible contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for prepaid health plans, competitive bidding programs, block grants, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided. Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program in a manner that reflects the risk of adverse selection and the nature of the patients served by the hospital, provided the terms of participation in the program are competitive with the terms of other participants considering the nature of the population served. Payment for services provided pursuant to this subdivision shall be as provided to medical assistance vendors of these services under sections 256B.02, subdivision 8, and 256B.0625. For payments made during fiscal year 1990 and later years, the commissioner shall consult with an independent actuary in establishing prepayment rates, but shall retain final control over the rate methodology.

(e) The commissioner of human services may reduce payments provided under sections 256D.01 to 256D.21 and 261.23 in order to remain within the amount appropriated for general assistance medical care, within the following restrictions.

Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than ten percent.

For the period January 1, 1986 to December 31, 1986, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 20 percent; payments for all other inpatient hospital care may be reduced no more than 15 percent. Reductions below the payments allowable under general assistance medical care for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

For the period July 1, 1987 to June 30, 1988, reductions below the cost per service unit allowable under section 256.966 are permitted only as follows: payments for inpatient and outpatient hospital care provided in response to a primary diagnosis of chemical dependency or mental illness may be reduced no more than 15 percent; payments for all other inpatient hospital care may be reduced no more than five percent. Reductions below the payments allowable under medical assistance for the remaining general assistance medical care services allowable under this subdivision may be reduced no more than five percent.

There shall be no copayment required of any recipient of benefits for any services provided under this subdivision. A hospital receiving a reduced payment as a result of this section may apply the unpaid balance toward satisfaction of the hospital's bad debts.

(e) (f) Any county may, from its own resources, provide medical payments for which state payments are not made.

(f) (g) Chemical dependency services that are reimbursed under chapter 254B must not be reimbursed under general assistance medical care.

(g) (h) The maximum payment for new vendors enrolled in the general assistance medical care program after the base year shall be determined from the average usual and customary charge of the same vendor type enrolled in the base year.

(h) (i) The conditions of payment for services under this subdivision are the same as the conditions specified in rules adopted under chapter 256B governing the medical assistance program, unless otherwise provided by statute or rule."

"Section 1. Minnesota Statutes 1992, section 144.125, is amended to read:

144.125 [TESTS OF INFANTS FOR INBORN METABOLIC ERRORS.]

It is the duty of (1) the administrative officer or other person in charge of each institution caring for infants 28 days or less of age and (2) the person required in pursuance of the provisions of section 144.215, to register the birth of a child, to cause to have administered to every infant or child in its care tests for hemoglobinopathy, phenylketonuria, and other inborn errors of metabolism in accordance with rules prescribed by the state commissioner of health. In determining which tests must be administered, the commissioner shall take into consideration the adequacy of laboratory methods to detect the inborn metabolic error, the ability to treat or prevent medical conditions caused by the inborn metabolic error, and the severity of the medical conditions caused by the inborn metabolic error. Testing and the recording and reporting of the results of the tests shall be performed at the times and in the manner prescribed by the commissioner of health. ~~This section does not apply to an infant whose parents object on the grounds that the tests and treatment conflict with their religious tenets and practices.~~ The commissioner shall charge laboratory service fees for conducting the tests of infants for inborn metabolic errors so that the total of fees collected will approximate the costs of conducting the tests. Costs associated with capital expenditures and the development of new procedures may be prorated over a three-year period when calculating the amount of the fees.

Sec. 2. [145A.20] [DEFINITIONS.]

Subdivision 1. [SCOPE.] The definitions in this section apply to sections 3 to 5.

Subd. 3. [MEDIATOR.] "Mediator" means the children's health care mediator described in section 3.

Subd. 4. [PARENT.] "Parent" means a custodial parent or legal guardian.

Subd. 5. Subd. 6. [SERIOUS DISABILITY OR DISFIGUREMENT.] "Serious disability" or "disfigurement" means a permanent or protracted loss or impairment of the function of a bodily member or organ or a permanent disfigurement.

Sec. 3. [145A.21] [CHILDREN'S HEALTH CARE MEDIATOR.]

Subdivision 1. [CREATION.] The commissioner of health shall designate a children's health care mediator to exercise the powers and duties under sections 3 to 5. The mediator's role is both to facilitate the provision of medical treatment where the life of a child is threatened or a child faces a significant probability of a serious disability or disfigurement and to ensure that latitude for parental choices in the health care of their children is not unnecessarily compromised. The commissioner of health or the mediator may appoint one or more persons to serve as deputy mediators to perform any of the functions of the mediator. To the extent possible, the commissioner and the mediator shall use existing resources and personnel within community health boards and existing community health services to implement sections 3 to 5. The mediator shall consult with the state community health advisory committee in implementing sections 3 to 5.

Subd. 2. [POWERS AND DUTIES.] The mediator shall:

(1) regularly meet with designated representatives and other members of a religious or philosophical community affected by this section in order to be familiar with their beliefs and practices;

(5) establish operating principles governing reports, investigations, intervention, and treatment under sections 3 to 5;

(6) provide materials that list or discuss symptoms of life-threatening conditions or a serious disability or disfigurement and the circumstances under which traditional medical treatment may be required;

(7) provide advice and information to traditional medical providers regarding parental and family rights in children's health care cases; and

(8) report physical or sexual abuse or neglect of a child as required under section 626.556.

Subd. 3. [QUALIFICATIONS.] The mediator must have an understanding of and sensitivity to religious and philosophical healing practices and beliefs. The mediator must be a licensed health care professional with sufficient training to be able to identify and assess a child's symptoms for purposes of sections 3 to 5.

Subd. 4. [MEDIATOR DATA.] Data collected and maintained by the mediator are private data on individuals as defined in section 13.02, subdivision 12, and may not be further disclosed to any person unless the disclosure is specifically authorized by law.

Subd. 5. [IMMUNITY FROM LIABILITY.] The mediator or a deputy mediator is not liable for any damages resulting from any acts or omissions by that person in performing the duties of the position unless the person acts in a willful and wanton or reckless manner.

Sec. 4. [145A.22] [REPORTING BY PARENT.]

Subdivision 1. [MEDIATOR CONTACT; ASSESSMENT.] A parent who uses religious or philosophical healing practices shall contact the mediator if the parent knows or has reason to believe that the child is in a life-threatening condition, faces a significant risk of serious disability or disfigurement, or has been incapacitated for an extended period. A parent who violates this subdivision is guilty of a misdemeanor. The mediator shall assess the child's symptoms to determine if the child is in a life-threatening condition or faces a significant risk of serious disability or disfigurement. The mediator shall seek appropriate medical input in making assessments under this section and section 6.

Subd. 2. [POSTASSESSMENT PROCEDURES.] If the mediator determines that the child is not in a life-threatening condition and does not face a significant risk of serious disability or disfigurement, the mediator shall so inform the parents and provide the parents with any other information that may be helpful to the parent's specific situation. If the mediator is unable to make a determination regarding the child's condition, the child's condition must continue to be assessed until it is determined that the condition is or is not life-threatening or the child does or does not face a significant risk of serious disability or disfigurement. If the mediator concludes that the condition is life-threatening or the child faces a significant risk of serious disability or disfigurement, the mediator shall inform the parents and proceed under section 5 for the arrangement of medical treatment.

Sec. 5. [145A.23] [PROVISION OF MEDICAL TREATMENT.]

Subdivision 1. [VOLUNTARY PROVISION OF MEDICAL TREATMENT.] If the parents of a child are willing to seek medical treatment following a determination under section 4, subdivision 2, the mediator shall assist the parents in obtaining treatment for the child as soon as possible.

Subd. 2. [INVOLUNTARY TREATMENT.] If the parents of a child are unwilling to seek medical treatment and the mediator has reason to believe that emergency medical treatment is necessary, the mediator shall inform the parents that the mediator must take action to ensure the arrangement of appropriate medical care. If necessary, the mediator may arrange for emergency transportation and medical services for the child without the parent's consent until a court order can be obtained. If necessary, the mediator shall notify the local welfare agency for the institution of legal proceedings under chapter 260. A person who interferes with the provision of medical treatment ordered by the mediator so that the child suffers harm is not selecting and depending in good faith on spiritual means or prayer for treatment for purposes of sections 609.205 and 609.378.

Subd. 3. [FAMILY INVOLVEMENT IN TREATMENT.] (a) In all cases where medical treatment is provided to a child whose parent relies on religious or philosophical healing practices, the parents and the child have a right to continued involvement in decisions regarding treatment, as long as they are acting in good faith. In making medical treatment decisions, the medical provider shall consider:

(1) the preferences of the parents and the child, if the child has capacity to give informed consent; and

(2) the degree of likelihood that the proposed treatment for the child will be safe and effective and would, with significant probability, be lifesaving or avoid serious disability or disfigurement.

(b) Medical providers shall allow parents to continue to use religious or philosophical healing practices while medical treatment is being provided, as long as the parents are acting in good faith and the healing practice does not interfere with medical treatment.

(c) This subdivision applies to all cases involving the voluntary or involuntary treatment of a child whose parents rely on religious or philosophical healing practices."

Subd. 10. [DUTIES OF LOCAL WELFARE AGENCY AND LOCAL LAW ENFORCEMENT AGENCY UPON RECEIPT OF A REPORT.] (a) If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's care, the local welfare agency shall immediately conduct an assessment and offer protective social services for purposes of preventing further abuses, safeguarding and enhancing the welfare of the abused or neglected minor, and preserving family life whenever possible. If the report alleges that a lack of medical care may cause serious and imminent danger to a child because the child's parent or guardian uses a religious or philosophical healing practice, as defined in section 2, in lieu of medical care, the local welfare agency shall immediately notify the children's health care mediator and shall coordinate its investigation with the mediator. If the report alleges a violation of a criminal statute involving sexual abuse, physical abuse, or neglect or endangerment, under section 609.378, the local law enforcement agency and local welfare agency shall coordinate the planning and execution of their respective investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of the results of its investigation. When necessary the local welfare agency shall seek authority to remove the child from the custody of a parent, guardian, or adult with whom the child is living. In performing any of these duties, the local welfare agency shall maintain appropriate records.

(b) When a local agency receives a report or otherwise has information indicating that a child who is a client, as defined in section 245.91, has been the subject of physical abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section 245.91, it shall, in addition to its other duties under this section, immediately inform the ombudsman established under sections 245.91 to 245.97.

(c) Authority of the local welfare agency responsible for assessing the child abuse or neglect report and of the local law enforcement agency for investigating the alleged abuse or neglect includes, but is not limited to, authority to interview, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator. The interview may take place at school or at any facility or other place where the alleged victim or other minors might be found or the child may be transported to, and the interview conducted at a place appropriate for the interview of a child designated by the local welfare agency or law enforcement agency. The interview may take place outside the presence of the perpetrator or parent, legal custodian, guardian, or school official. Except as provided in this paragraph, the parent, legal custodian, or guardian shall be notified by the responsible local welfare or law enforcement agency no later than the conclusion of the investigation or assessment that this interview has occurred. Notwithstanding rule 49.02 of the Minnesota rules of procedure for juvenile courts, the juvenile court may, after hearing on an ex parte motion by the local welfare agency, order that, where reasonable cause exists, the agency withhold notification of this interview from the parent, legal custodian, or guardian. If the interview took place or is to take place on school property, the order shall specify that school officials may not disclose to the parent, legal custodian, or guardian the contents of the notification of intent to interview the child on school property, as provided under this paragraph, and any other related information regarding the interview that may be a part of the child's school record. A copy of the order shall be sent by the local welfare or law enforcement agency to the appropriate school official.

(d) When the local welfare or local law enforcement agency determines that an interview should take place on school property, written notification of intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property. For interviews conducted by the local welfare agency, the notification shall be signed by the chair of the county welfare board or the chair's designee. The notification shall be private data on individuals subject to the provisions of this paragraph. School officials may not disclose to the parent, legal custodian, or guardian the contents of the notification or any other related information regarding the interview until notified in writing by the local welfare or law enforcement agency that the investigation or assessment has been concluded. Until that time, the local welfare or law enforcement agency shall be solely responsible for any disclosures regarding the nature of the assessment or investigation.

Except where the alleged perpetrator is believed to be a school official or employee, the time and place, and manner of the interview on school premises shall be within the discretion of school officials, but the local welfare or law enforcement agency shall have the exclusive authority to determine who may attend the interview. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is considered necessary by agreement between the school officials and the local welfare or law enforcement agency. Where the school fails to comply with the provisions of this paragraph, the juvenile court may order the school to comply. Every effort must be made to reduce the disruption of the educational program of the child, other students, or school staff when an interview is conducted on school premises.

(e) Where the perpetrator or a person responsible for the care of the alleged victim or other minor prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents, legal custodian, or guardian to produce the alleged victim or other minor for questioning by the local welfare agency or the local law enforcement agency outside the presence of the perpetrator or any person responsible for the child's care at reasonable places and times as specified by court order.

(f) Before making an order under paragraph (e), the court shall issue an order to show cause, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If appointed, the guardian ad litem shall be present at the hearing on the order to show cause.

(g) The commissioner, the ombudsman for mental health and mental retardation, the local welfare agencies responsible for investigating reports, and the local law enforcement agencies have the right to enter facilities as defined in subdivision 2 and to inspect and copy the facility's records, including medical records, as part of the

investigation. Notwithstanding the provisions of chapter 13, they also have the right to inform the facility under investigation that they are conducting an investigation, to disclose to the facility the names of the individuals under investigation for abusing or neglecting a child, and to provide the facility with a copy of the report and the investigative findings."

S. F. No. 2551 was reported to the House.

Huntley moved to amend S. F. No. 2551 as follows:

Delete everything after the enacting clause and insert:

"Section 1. Laws 1969, chapter 224, section 1, is amended to read:

Section 1. [Duluth, city of; hospitals.] All rights, powers, and duties of the city of Duluth concerning property and estate donated to or otherwise acquired by the city for the establishment and maintenance of hospitals has for many years been and shall continue to be exercised and discharged by the city through the instrumentality of a board of seven 15 persons called directors of trusts. Funds were donated to the city for the establishment of a free and public hospital and dispensary for secular use and benefit of worthy sick and helpless poor, without distinction of sex, creed, or nationality. This purpose has been fulfilled by the establishment of the Miller-Dwan Memorial Hospital which is now owned and operated by the city through the instrumentality of the directors of trusts, in accordance with orders of the district court construing the terms of said donation. To renovate, remodel, and enlarge the existing building and facilities of this hospital, to develop a building program based on present and future community needs for the purpose of re-establishing and thereafter maintaining it as a general hospital, to construct additions, including facilities to be jointly occupied with the ~~St. Louis county health department~~ and other public agencies, and to establish connections with adjoining private rehabilitation facilities serving the public on a nonprofit basis, the directors of trusts are authorized to acquire in the name of the city of Duluth all real and personal property necessary and incidental to such a building program and to the operation, administration, management, and control of the expanded hospital facilities, to enter into all contracts on behalf of the city necessary and incidental to the building program, and to finance the cost thereof, in excess of funds on hand and funds provided by governmental or private grants, by the issuance, with the approval of the Duluth economic development authority, of revenue bonds of the city, and to pledge for the payment and security of such bonds and the interest thereon all or any defined portion of the net revenues of all hospital facilities now and hereafter owned by the city, in excess of the normal, reasonable, and current costs of the operation, administration, and maintenance thereof. The bonds may be issued and sold at such times, upon such notice, if any, in such form and denominations, bearing interest at such rate or rates, maturing on such dates, either without option of prior payment or subject to prepayment upon such notice and at such times and prices, payable at such bank or banks, within or without the state, with such provisions for registration, conversion, and exchange and for the issuance of notes in anticipation of the sale and delivery of definitive bonds, and in accordance with such terms and covenants as the directors of trusts shall establish by resolution, and not subject to the conditions or limitations set forth in Minnesota Statutes, chapter 475, or any other law; provided that in the event the full faith and credit of the city is pledged to the payment of any series of such bonds, the issuance thereof as proposed in a resolution of the directors of trusts shall be authorized by an ordinance duly adopted by the city council in accordance with the provisions of the city charter, and the bonds shall not be sold or delivered until and unless such ordinance has become effective, and shall be sold and secured in the manner provided by Minnesota Statutes, chapter 475.

All real estate owned by the city of Duluth for hospital purposes in the name and style of "Miller Memorial Hospital, doing business as Miller-Dwan Medical Center by and through its Directors of Trusts pursuant to Laws 1969, chapter 224" or otherwise, may be sold, conveyed, transferred, or otherwise disposed of by the directors of trusts only after a duly noticed public hearing held before the Duluth city council, and approval of the council evidenced by an ordinance adopted at a meeting held at least seven days after such public hearing. The provisions of this paragraph shall not apply to the transfer of an interest in such real estate that is incidental to the issuance of revenue bonds approved by the Duluth economic development authority under this section.

Sec. 2. Laws 1969, chapter 224, section 2, is amended to read:

Sec. 2. The mayor of the city shall be ex officio a member of the board of directors of trusts and may appoint a person to serve as a member in the mayor's absence. The other ~~six~~ current members shall complete their current terms, and their successors shall be residents of the city and appointed by the judges of the district court of the district in which the city is located, by concurrent action of a majority of the judges, for the following terms beginning with date of appointment: two for a term of two years, two for a term of four years and two for a term of six years, and thereafter as these terms expire the vacancies caused thereby shall be filled by appointment for six year terms. Upon petition of the board of directors of trusts, these judges, by like concurrent action, may increase the number of members on the board of directors of trusts to as many as fifteen, without amendment of this act. If an increase in membership should be made, the new members shall be appointed for terms deemed appropriate by such district judges, but not exceeding six years. These judges, by like concurrent action, shall appoint members to fill out the unexpired term of any member who for any reason ceases to be a member before the expiration of his term. terms of six years. However, beginning with the first vacancy on the board of directors of trusts occurring after the effective date of this act, the Duluth city council shall appoint one of its members to fill the vacancy and shall appoint the

successive successors to that initial appointment. Members of the council who are appointed by the council to the board of directors of trusts shall serve for a term of six years or until their tenure on the council ends, whichever occurs sooner. The council appointee to the board shall not be a member of the Duluth economic development authority during the appointee's tenure on the board. Vacancies on the board in positions appointed by the judges occurring before the end of a term must be filled by the judges for the unexpired term in the same manner as used in making full-term appointments. The judges of this district court shall meet and take action upon any of the matters in this section specified, upon call of the senior judge of the district or upon the petition of the mayor or any resident taxpayer of the city. However, the directors of trusts may take any action authorized in this act without prior order of the court.

Sec. 3. Laws 1969, chapter 224, section 3, is amended to read:

Sec. 3. The directors of trusts shall have power to make rules and bylaws for the proper conduct of their business; to appoint and remove from time to time such agents and employees as in their judgment may be required for the proper discharge of their duties; to determine the duties and compensation of all such agents and employees, who may but are not required to be members of the public employees retirement association; to employ legal counsel; to make such contracts and agreements as in their judgment may from time to time be required in the acquisition, betterment, operation, administration, maintenance, control, and management of city hospital facilities, ~~in conformity with the provisions of the city charter and of ordinances enacted by the council relating to the procedure to be followed by the directors of trusts in the award of contracts and the making of purchases, except that the directors of trusts shall designate a person other than the city purchasing agent to act for such purchasing agent in awarding contracts and making purchases;~~ and to do, perform, and discharge all and singular whatever acts and duties are or from time to time may become proper or necessary to be done by the city in discharge of its duties in connection with any use or trust affecting hospital properties. ~~The directors of trusts shall file with the city clerk on or before February 15 of each year a report for the preceding calendar year showing all receipts and disbursements with the sources and purposes thereof, together with a statement of assets under their control and property acquired or disposed of during the year, and such other general information as to the management and control of the trust property as in their judgment is proper.~~ The board of directors of trusts is subject to the provisions of section 471.345. Their official books and records shall be audited at least annually by the state public examiner auditor or by a certified public accountant, as determined by the directors of trusts, notwithstanding the provisions of any law requiring audit of hospital books and records by the state public examiner. If the directors of trusts determine that the hospital books and records shall be audited by a certified public accountant, the directors shall notify the state public examiner that an audit by his office will not be necessary. The report of each such audit shall be filed promptly with the public examiner and the city council. The directors of trusts shall file with the city clerk copies of all financial reports which it is required by law or rule to submit to the state of Minnesota, within seven days of the submission of the report to the state agency receiving the report. The directors of trusts shall also annually file with the city clerk copies of all audit reports of its financial affairs prepared by the state auditor or by a certified public accountant, within 30 days of the completion of the audit report.

The board of directors of trusts is a "public body" for purposes of the open meeting law, Minnesota Statutes, section 471.705. Notwithstanding section 471.705, the board of directors of trusts may meet in closed session pursuant to section 144.581, subdivision 5.

Sec. 3. Minnesota Statutes 1992, section 268.073, is amended by adding a subdivision to read:

Subd. 7. [BENEFIT CHARGES.] (a) Except as otherwise provided, benefits paid to an individual under this section shall be charged to the employment experience record of the base period employer of the individual to the extent regular benefits were charged to the base period employer under sections 268.06, subdivision 5, and 268.09, subdivision 1, paragraph (e).

(b) With respect to an employer who has elected to be a contributing employer under the provisions of section 268.06, subdivision 31, all benefits paid under this section which are based upon services for the contributing employer shall be charged to the contributing employer's account.

Sec. 4. [268.074] [SHARED WORK PLAN.]

Subdivision 1. [SHARED WORK PLAN; DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(a) "Affected employee" means an individual who was continuously employed as a member of the affected group, by the shared work employer, for at least six months prior to application, on a full-time basis.

(b) "Affected group" means five or more employees designated by the employer to participate in a shared work plan.

(c) "Shared work employer" means an employer with a shared work plan in effect.

(d) "Shared work plan" or "plan" means an employer's voluntary, written plan for reducing unemployment, under which a specified group of employees shares the work remaining after their normal weekly hours of work are reduced.

(e) "Approved shared work plan" or "approved plan" means an employer's shared work plan which meets the requirement of this section.

(f) "Normal weekly hours of work" means the number of hours in a week that the employee normally would work for the shared work employer or 40 hours, whichever is less.

Subd. 2. [PARTICIPATION.] (a) An employer wishing to participate in the shared work unemployment benefit program shall submit a signed, written shared work plan to the commissioner for approval. The commissioner may give written approval of a shared work plan only if it:

(1) specifies the employees in the affected group;

(2) applies to only one affected group;

(3) includes a certified statement by the employer that each individual specified in the affected group is an affected employee;

(4) includes a certified statement by the employer that for the duration of the plan the reduction in normal weekly hours of work of the employees in the affected group is instead of layoffs which otherwise would result in at least at large a reduction in the total normal weekly hours of work;

(5) specifies an expiration date which is no more than one year from the date the employer submits the plan for approval;

(6) specifies that fringe benefits, such as health and retirement, available to the employees in the affected group are not reduced beyond the percentage of reduction in hours of work; and

(7) is approved in writing by the collective bargaining agent for each collective bargaining agreement which covers any employee in the affected group.

(b) The commissioner shall establish the beginning and ending dates of an approved shared work plan.

(c) The commissioner shall approve or disapprove the plan within 15 days of its receipt. The commissioner shall notify the employer of the reasons for disapproval of a shared work plan within ten days of the determination. Determinations of the commissioner are final.

(d) Disapproval of a plan may be reconsidered upon application of the employer or at the discretion of the commissioner. Approval of a shared work plan may be revoked by the commissioner when it is established that the approval was based, in whole or in part, upon information in the plan which is either false or substantially misleading.

Subd. 3. [ELIGIBILITY.] (a) Notwithstanding any other provision of this chapter, an individual is unemployed and eligible to receive shared work benefits with respect to any week if the commissioner finds that:

(1) during the week the individual is employed as a member of an affected group in an approved plan which was approved prior to the week and is in effect for the week; and

(2) during the week the individual's normal weekly hours of work were reduced, in accordance with an approved plan, at least 20 percent but not more than 40 percent, with a corresponding reduction in wages.

(b) Shared work benefits shall not be paid to an eligible individual beyond one benefit year under an approved plan or modification of an approved plan.

(c) The total amount of regular benefits and shared work benefits paid to an individual in a benefit year shall not exceed the maximum benefit amount established.

(d) An otherwise eligible individual shall not be denied benefits under this section because of the application of any provision of this chapter relating to availability for work, active search for work, or refusal to apply for or accept work from other than the individual's shared work employer.

Subd. 4. [WEEKLY BENEFIT AMOUNT.] (a) An individual who is eligible for shared work benefits under this section shall be paid, with respect to any week of unemployment, a weekly shared work unemployment insurance benefit amount. The amount shall be equal to the individual's regular weekly benefit amount multiplied by the nearest full percentage of reduction of the individual's regular weekly hours of work as set forth in the employer's plan. The benefit payment, if not a multiple of \$1 shall be rounded to the next lower dollar.

(b) The provisions of section 268.07, subdivision 2, paragraph (g), shall not apply to earnings from the shared work employer of an individual eligible for payments under this section unless the resulting payment would be less than the regular benefit payment for which the individual would otherwise be eligible without regard to shared work unemployment insurance benefits.

(c) An individual shall be disqualified for benefits payable under this section for any week in which paid work is performed for the shared work employer in excess of the reduced hours set forth in the approved plan.

Sec. 5. [EFFECTIVE DATE; SUNSET.]

Section 268.074 is effective July 1, 1994. Benefits shall not be paid for any weeks of unemployment before that date, although proposals to participate under the plan may be submitted for approval before that date. The program shall terminate and no benefits shall be paid for weeks after June 30, 1996.

Sec. 6. [STUDY.]

The reemployment insurance advisory committee shall study results of the program and make recommendations to the legislature by February 15, 1996, as to the continuation or modification of the program.

ARTICLE 2

JURISDICTION

PART A. EXTENDED PERSONAL JURISDICTION

Sec. 4. [518C.201] [BASES FOR JURISDICTION OVER NONRESIDENT.]

In a proceeding to establish, enforce, or modify a support order or to determine parentage, a tribunal of this state may exercise personal jurisdiction over a nonresident individual or the individual's guardian or conservator if:

(1) the individual is personally served with a summons within this state, or comparable document;

(2) the individual submits to the jurisdiction of this state by consent, by entering a general appearance, or by filing a responsive document having the effect of waiving any contest to personal jurisdiction;

(3) the individual resided with the child in this state;

(4) the individual resided in this state and provided prenatal expenses or support for the child;

(5) the child resides in this state as a result of the acts or directives of the individual;

(6) the individual engaged in sexual intercourse in this state and the child may have been conceived by that act of intercourse;

(7) the individual asserted parentage under sections 257.51 to 257.75; or

(8) there is any other basis consistent with the constitutions of this state and the United States for the exercise of personal jurisdiction.

Sec. 5. [518C.202] [PROCEDURE WHEN EXERCISING JURISDICTION OVER NONRESIDENT.]

A tribunal of this state exercising personal jurisdiction over a nonresident under section 518C.201 may apply section 518C.316 to receive evidence from another state, and section 518C.318 to obtain discovery through a tribunal of another state. In all other respects, articles 3 to 7 do not apply and the tribunal shall apply the procedural and substantive law of this state, including the rules on choice of law other than those established by this chapter.

PART B. PROCEEDINGS INVOLVING TWO OR MORE STATES

Sec. 6. [518C.203] [INITIATING AND RESPONDING TRIBUNAL OF THIS STATE.]

Under this chapter, a tribunal of this state may serve as an initiating tribunal to forward proceedings to another state and as a responding tribunal for proceedings initiated in another state.

Sec. 7. [518C.204] [SIMULTANEOUS PROCEEDINGS IN ANOTHER STATE.]

(a) A tribunal of this state may exercise jurisdiction to establish a support order if the petition or comparable pleading is filed after a petition or comparable pleading is filed in another state only if:

(1) the petition or comparable pleading in this state is filed before the expiration of the time allowed in the other state for filing a responsive pleading challenging the exercise of jurisdiction by the other state;

(2) the contesting party timely challenges the exercise of jurisdiction in the other state; and

(3) if relevant, this state is the home state of the child.

(b) A tribunal of this state may not exercise jurisdiction to establish a support order if the petition or comparable pleading is filed before a petition or comparable pleading is filed in another state if:

(1) the petition or comparable pleading in the other state is filed before the expiration of the time allowed in this state for filing a responsive pleading challenging the exercise of jurisdiction by this state;

(2) the contesting party timely challenges the exercise of jurisdiction in this state; and

(3) if relevant, the other state is the home state of the child.

Sec. 8. [518C.205] [CONTINUING, EXCLUSIVE JURISDICTION.]

(a) A tribunal of this state issuing a support order consistent with the law of this state has continuing, exclusive jurisdiction over a child support order:

(1) as long as this state remains the residence of the obligor, the individual obligee, or the child for whose benefit the support order is issued; or

(2) until each individual party has filed written consent with the tribunal of this state for a tribunal of another state to modify the order and assume continuing, exclusive jurisdiction.

(b) A tribunal of this state issuing a child support order consistent with the law of this state may not exercise its continuing jurisdiction to modify the order if the order has been modified by a tribunal of another state pursuant to a law substantially similar to this chapter.

(c) If a child support order of this state is modified by a tribunal of another state pursuant to a law substantially similar to this chapter, a tribunal of this state loses its continuing, exclusive jurisdiction with regard to prospective enforcement of the order issued in this state, and may only:

(1) enforce the order that was modified as to amounts accruing before the modification;

(2) enforce nonmodifiable aspects of that order; and

(3) provide other appropriate relief for violations of that order which occurred before the effective date of the modification.

(d) A tribunal of this state shall recognize the continuing, exclusive jurisdiction of a tribunal of another state which has issued a child support order pursuant to a law substantially similar to this chapter.

(e) A temporary support order issued ex parte or pending resolution of a jurisdictional conflict does not create continuing, exclusive jurisdiction in the issuing tribunal.

(f) A tribunal of this state issuing a support order consistent with the law of this state has continuing, exclusive jurisdiction over a spousal support order throughout the existence of the support obligation. A tribunal of this state may not modify a spousal support order issued by a tribunal of another state having continuing, exclusive jurisdiction over that order under the law of that state.

Sec. 9. [518C.206] [ENFORCEMENT AND MODIFICATION OF SUPPORT ORDER BY TRIBUNAL HAVING CONTINUING JURISDICTION.]

(a) A tribunal of this state may serve as an initiating tribunal to request a tribunal of another state to enforce or modify a support order issued in that state.

(b) A tribunal of this state having continuing, exclusive jurisdiction over a support order may act as a responding tribunal to enforce or modify the order. If a party subject to the continuing, exclusive jurisdiction of the tribunal no longer resides in the issuing state, in subsequent proceedings the tribunal may apply section 518C.316 to receive evidence from another state and section 518C.318 to obtain discovery through a tribunal of another state.

(c) A tribunal of this state which lacks continuing, exclusive jurisdiction over a spousal support order may not serve as a responding tribunal to modify a spousal support order of another state.

PART C. RECONCILIATION WITH ORDERS OF OTHER STATES

Sec. 10. [518C.207] [RECOGNITION OF CHILD SUPPORT ORDERS.]

(a) If a proceeding is brought under this chapter, and one or more child support orders have been issued in this or another state with regard to an obligor and a child, a tribunal of this state shall apply the following rules in determining which order to recognize for purposes of continuing, exclusive jurisdiction:

(1) If only one tribunal has issued a child support order, the order of that tribunal must be recognized.

(2) If two or more tribunals have issued child support orders for the same obligor and child, and only one of the tribunals would have continuing, exclusive jurisdiction under this chapter, the order of that tribunal must be recognized.

(3) If two or more tribunals have issued child support orders for the same obligor and child, and more than one of the tribunals would have continuing, exclusive jurisdiction under this chapter, an order issued by a tribunal in the current home state of the child must be recognized, but if an order has not been issued in the current home state of the child, the order most recently issued must be recognized.

(4) If two or more tribunals have issued child support orders for the same obligor and child, and none of the tribunals would have continuing, exclusive jurisdiction under this chapter, the tribunal of this state may issue a child support order, which must be recognized.

(b) The tribunal that has issued an order recognized under paragraph (a) is the tribunal having continuing, exclusive jurisdiction.

Sec. 11. [518C.208] [MULTIPLE CHILD SUPPORT ORDERS FOR TWO OR MORE OBLIGEEES.]

In responding to multiple registrations or petitions for enforcement of two or more child support orders in effect at the same time with regard to the same obligor and different individual obligees, at least one of which was issued by a tribunal of another state, a tribunal of this state shall enforce those orders in the same manner as if the multiple orders had been issued by a tribunal of this state.

Sec. 12. [518C.209] [CREDIT FOR PAYMENTS.]

Amounts collected and credited for a particular period pursuant to a support order issued by a tribunal of another state must be credited against the amounts accruing or accrued for the same period under a support order issued by the tribunal of this state.

(d) A responding tribunal of this state may not condition the payment of a support order issued under this chapter upon compliance by a party with provisions for visitation.

Sec. 25. [518C.313] [COSTS AND FEES.]

(a) The petitioner may not be required to pay a filing fee or other costs.

(b) If an obligee prevails, a responding tribunal may assess against an obligor filing fees, reasonable attorney's fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. The tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or the responding state, except as provided by other law. Attorney's fees may be taxed as costs, and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of support owed to the obligee has priority over fees, costs, and expenses.

(c) The tribunal shall order the payment of costs and reasonable attorney's fees if it determines that a hearing was requested primarily for delay. In a proceeding under article 6, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

Sec. 26. [518C.314] [LIMITED IMMUNITY OF PETITIONER.]

(a) Participation by a petitioner in a proceeding before a responding tribunal, whether in person, by private attorney, or through services provided by the support enforcement agency, does not confer personal jurisdiction over the petitioner in another proceeding.

(b) A petitioner is not amenable to service of civil process while physically present in this state to participate in a proceeding under this chapter.

(c) The immunity granted by this section does not extend to civil litigation based on acts unrelated to a proceeding under this chapter committed by a party while present in this state to participate in the proceeding.

Sec. 27. [518C.315] [NONPARENTAGE AS DEFENSE.]

A party whose parentage of a child has been previously determined by or pursuant to law may not plead nonparentage as a defense to a proceeding under this chapter.

Sec. 28. [518C.316] [SPECIAL RULES OF EVIDENCE AND PROCEDURE.]

(a) The physical presence of the petitioner in a responding tribunal of this state is not required for the establishment, enforcement, or modification of a support order or the rendition of a judgment determining parentage.

(b) A verified petition, affidavit, document substantially complying with federally mandated forms, and a document incorporated by reference in any of them, not excluded under the hearsay rule if given in person, is admissible in evidence if given under oath by a party or witness residing in another state.

(c) A copy of the record of child support payments certified as a true copy of the original by the custodian of the record may be forwarded to a responding tribunal. The copy is evidence of facts asserted in it, and is admissible to show whether payments were made.

(d) Copies of bills for testing for parentage, and for prenatal and postnatal health care of the mother and child, furnished to the adverse party at least ten days before trial, are admissible in evidence to prove the amount of the charges billed and that the charges were reasonable, necessary, and customary.

(e) Documentary evidence transmitted from another state to a tribunal of this state by telephone, telecopier, or other means that do not provide an original writing may not be excluded from evidence on an objection based on the means of transmission.

(f) In a proceeding under this chapter, a tribunal of this state may permit a party or witness residing in another state to be deposed or to testify by telephone, audiovisual means, or other electronic means at a designated tribunal or other location in that state. A tribunal of this state shall cooperate with tribunals of other states in designating an appropriate location for the deposition or testimony.

(g) If a party called to testify at a civil hearing refuses to answer on the ground that the testimony may be self-incriminating, the trier of fact may draw an adverse inference from the refusal.

(h) A privilege against disclosure of communications between spouses does not apply in a proceeding under this chapter.

(i) The defense of immunity based on the relationship of husband and wife or parent and child does not apply in a proceeding under this chapter.

Sec. 29. [518C.317] [COMMUNICATIONS BETWEEN TRIBUNALS.]

A tribunal of this state may communicate with a tribunal of another state in writing, or by telephone or other means, to obtain information concerning the laws of that state, the legal effect of a judgment, decree, or order of that tribunal, and the status of a proceeding in the other state. A tribunal of this state may furnish similar information by similar means to a tribunal of another state.

Sec. 30. [518C.318] [ASSISTANCE WITH DISCOVERY.]

A tribunal of this state may:

(1) request a tribunal of another state to assist in obtaining discovery; and

(2) upon request, compel a person over whom it has jurisdiction to respond to a discovery order issued by a tribunal of another state.

Sec. 31. [518C.319] [RECEIPT AND DISBURSEMENT OF PAYMENTS.]

A support enforcement agency or tribunal of this state shall disburse promptly any amounts received pursuant to a support order, as directed by the order. The agency or tribunal shall furnish to a requesting party or tribunal of another state a certified statement by the custodian of the record of the amounts and dates of all payments received.

ARTICLE 4

ESTABLISHMENT OF SUPPORT ORDER

Sec. 32. [518C.401] [PETITION TO ESTABLISH SUPPORT ORDER.]

(a) If a support order entitled to recognition under this chapter has not been issued, a responding tribunal of this state may issue a support order if:

(1) the individual seeking the order resides in another state; or

(2) the support enforcement agency seeking the order is located in another state.

(b) The tribunal may issue a temporary child support order if:

(1) the respondent has signed a verified statement acknowledging parentage;

(2) the respondent has been determined by or pursuant to law to be the parent; or

(3) there is other clear and convincing evidence that the respondent is the child's parent.

(c) Upon finding, after notice and opportunity to be heard, that an obligor owes a duty of support, the tribunal shall issue a support order directed to the obligor and may issue other orders pursuant to section 518C.305.

ARTICLE 5

DIRECT ENFORCEMENT OF ORDER
OF ANOTHER STATE WITHOUT REGISTRATION

Sec. 33. [518C.501] [RECOGNITION OF INCOME-WITHHOLDING ORDER OF ANOTHER STATE.]

(a) An income-withholding order issued in another state may be sent by first class mail to the person or entity defined as the obligor's employer under section 518.611 or 518.613 without first filing a petition or comparable pleading or registering the order with a tribunal of this state. Upon receipt of the order, the employer shall:

(1) treat an income-withholding order issued in another state which appears regular on its face as if it had been issued by a tribunal of this state;

(2) immediately provide a copy of the order to the obligor; and

(3) distribute the funds as directed in the withholding order.

(b) An obligor may contest the validity or enforcement of an income-withholding order issued in another state in the same manner as if the order had been issued by a tribunal of this state. Section 518C.604 applies to the contest. The obligor shall give notice of the contest to any support enforcement agency providing services to the obligee and to:

(1) the person or agency designated to receive payments in the income-withholding order; or

(2) if no person or agency is designated, the obligee.

Sec. 34. [518C.502] [ADMINISTRATIVE ENFORCEMENT OF ORDERS.]

(a) A party seeking to enforce a support order or an income-withholding order, or both, issued by a tribunal of another state may send the documents required for registering the order to a support enforcement agency of this state.

(b) Upon receipt of the documents, the support enforcement agency, without initially seeking to register the order, shall consider and, if appropriate, use any administrative procedure authorized by the law of this state to enforce a support order or an income-withholding order, or both. If the obligor does not contest administrative enforcement, the order need not be registered. If the obligor contests the validity or administrative enforcement of the order, the support enforcement agency shall register the order pursuant to this chapter.

ARTICLE 6

ENFORCEMENT AND MODIFICATION
OF SUPPORT ORDER AFTER REGISTRATION

PART A. REGISTRATION AND ENFORCEMENT OF SUPPORT ORDER

Sec. 35. [518C.601] [REGISTRATION OF ORDER FOR ENFORCEMENT.]

A support order or an income-withholding order issued by a tribunal of another state may be registered in this state for enforcement.

Sec. 36. [518C.602] [PROCEDURE TO REGISTER ORDER FOR ENFORCEMENT.]

(a) A support order or income-withholding order of another state may be registered in this state by sending the following documents and information to the registering tribunal in this state:

(1) a letter of transmittal to the tribunal requesting registration and enforcement;

(2) two copies, including one certified copy, of all orders to be registered, including any modification of an order;

(3) a sworn statement by the party seeking registration or a certified statement by the custodian of the records showing the amount of any arrearage;

(4) the name of the obligor and, if known:

(i) the obligor's address and social security number;

(ii) the name and address of the obligor's employer and any other source of income of the obligor; and

(iii) a description and the location of property of the obligor in this state not exempt from execution; and

(5) the name and address of the obligee and, if applicable, the agency or person to whom support payments are to be remitted.

(b) On receipt of a request for registration, the registering tribunal shall cause the order to be filed as a foreign judgment, together with one copy of the documents and information, regardless of their form.

(c) A petition or comparable pleading seeking a remedy that must be affirmatively sought under other law of this state may be filed at the same time as the request for registration or later. The pleading must specify the grounds for the remedy sought.

Sec. 37. [518C.603] [EFFECT OF REGISTRATION FOR ENFORCEMENT.]

(a) A support order or income-withholding order issued in another state is registered when the order is filed in the registering tribunal of this state.

(b) A registered order issued in another state is enforceable in the same manner and is subject to the same procedures as an order issued by a tribunal of this state.

(c) Except as otherwise provided in this article, a tribunal of this state shall recognize and enforce, but may not modify, a registered order if the issuing tribunal had jurisdiction.

Sec. 38. [518C.604] [CHOICE OF LAW.]

(a) The law of the issuing state governs the nature, extent, amount, and duration of current payments and other obligations of support and the payment of arrearages under the order.

(b) In a proceeding for arrearages, the statute of limitation under the laws of this state or of the issuing state, whichever is longer, applies.

PART B. CONTEST OF VALIDITY OR ENFORCEMENT

Sec. 39. [518C.605] [NOTICE OF REGISTRATION OF ORDER.]

(a) When a support order or income-withholding order issued in another state is registered, the registering tribunal shall notify the nonregistering party. Notice must be given by first class, certified, or registered mail or by any means of personal service authorized by the law of this state. The notice must be accompanied by a copy of the registered order and the documents and relevant information accompanying the order.

(b) The notice must inform the nonregistering party:

(1) that a registered order is enforceable as of the date of registration in the same manner as an order issued by a tribunal of this state;

(2) that a hearing to contest the validity or enforcement of the registered order must be requested within 20 days after the date of mailing or personal service of the notice;

(3) that failure to contest the validity or enforcement of the registered order in a timely manner will result in confirmation of the order and enforcement of the order and the alleged arrearages and precludes further contest of that order with respect to any matter that could have been asserted; and

(4) of the amount of any alleged arrearages.

(c) Upon registration of an income-withholding order for enforcement, the registering tribunal shall notify the obligor's employer pursuant to section 518.611 or 518.613.

Sec. 40. [518C.606] [PROCEDURE TO CONTEST VALIDITY OR ENFORCEMENT OF REGISTERED ORDER.]

(a) A nonregistering party seeking to contest the validity or enforcement of a registered order in this state shall request a hearing within 20 days after the date of mailing or personal service of notice of the registration. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrearages pursuant to section 518C.607.

(b) If the nonregistering party fails to contest the validity or enforcement of the registered order in a timely manner, the order is confirmed by operation of law.

(c) If a nonregistering party requests a hearing to contest the validity or enforcement of the registered order, the registering tribunal shall schedule the matter for hearing and give notice to the parties by first class mail of the date, time, and place of the hearing.

Sec. 41. [518C.607] [CONTEST OF REGISTRATION OR ENFORCEMENT.]

(a) A party contesting the validity or enforcement of a registered order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

(1) the issuing tribunal lacked personal jurisdiction over the contesting party;

(2) the order was obtained by fraud;

(3) the order has been vacated, suspended, or modified by a later order;

(4) the issuing tribunal has stayed the order pending appeal;

(5) there is a defense under the law of this state to the remedy sought;

(6) full or partial payment has been made; or

(7) the statute of limitation under section 518C.604 precludes enforcement of some or all of the arrearages.

(b) If a party presents evidence establishing a full or partial defense under paragraph (a), a tribunal may stay enforcement of the registered order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered order may be enforced by all remedies available under the law of this state.

(c) If the contesting party does not establish a defense under paragraph (a) to the validity or enforcement of the order, the registering tribunal shall issue an order confirming the order.

Sec. 42. [518C.608] [CONFIRMED ORDER.]

Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

PART C. REGISTRATION AND MODIFICATION OF CHILD SUPPORT ORDER

Sec. 43. [518C.609] [PROCEDURE TO REGISTER CHILD SUPPORT ORDER OF ANOTHER STATE FOR MODIFICATION.]

A party or support enforcement agency seeking to modify, or to modify and enforce, a child support order issued in another state shall register that order in this state in the same manner provided in part A of this article if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or later. The pleading must specify the grounds for modification.

Sec. 44. [518C.610] [EFFECT OF REGISTRATION FOR MODIFICATION.]

A tribunal of this state may enforce a child support order of another state registered for purposes of modification, in the same manner as if the order had been issued by a tribunal of this state, but the registered order may be modified only if the requirements of section 518C.611 have been met.

Sec. 45. [518C.611] [MODIFICATION OF CHILD SUPPORT ORDER OF ANOTHER STATE.]

(a) After a child support order issued in another state has been registered in this state, the responding tribunal of this state may modify that order only if, after notice and hearing, it finds that:

(1) the following requirements are met:

(i) the child, the individual obligee, and the obligor do not reside in the issuing state;

(ii) a petitioner who is a nonresident of this state seeks modification; and

(iii) the respondent is subject to the personal jurisdiction of the tribunal of this state; or

(2) an individual party or the child is subject to the personal jurisdiction of the tribunal and all of the individual parties have filed a written consent in the issuing tribunal providing that a tribunal of this state may modify the support order and assume continuing, exclusive jurisdiction over the order.

(b) Modification of a registered child support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of this state and the order may be enforced and satisfied in the same manner.

(c) A tribunal of this state may not modify any aspect of a child support order that may not be modified under the law of the issuing state.

(d) On issuance of an order modifying a child support order issued in another state, a tribunal of this state becomes the tribunal of continuing, exclusive jurisdiction.

(e) Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal which had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows that earlier order has been registered.

Sec. 46. [518C.612] [RECOGNITION OF ORDER MODIFIED IN ANOTHER STATE.]

A tribunal of this state shall recognize a modification of its earlier child support order by a tribunal of another state which assumed jurisdiction pursuant to a law substantially similar to this chapter and, upon request, except as otherwise provided in this chapter, shall:

(1) enforce the order that was modified only as to amounts accruing before the modification;

(2) enforce only nonmodifiable aspects of that order;

(3) provide other appropriate relief only for violations of that order which occurred before the effective date of the modification; and

(4) recognize the modifying order of the other state, upon registration, for the purpose of enforcement.

ARTICLE 7

DETERMINATION OF PARENTAGE

Sec. 47. [518C.701] [PROCEEDING TO DETERMINE PARENTAGE.]

(a) A tribunal of this state may serve as an initiating or responding tribunal in a proceeding brought under this chapter or a law substantially similar to this chapter, the uniform reciprocal enforcement of support act, or the revised uniform reciprocal enforcement of support act to determine that the petitioner is a parent of a particular child or to determine that a respondent is a parent of that child.

(b) In a proceeding to determine parentage, a responding tribunal of this state shall apply the parentage act, sections 257.51 to 257.74, and the rules of this state on choice of law.

ARTICLE 8

INTERSTATE RENDITION

Section 48. [518C.801] [GROUNDS FOR RENDITION.]

(a) For purposes of this article, "governor" includes an individual performing the functions of governor or the executive authority of a state covered by this chapter.

(b) The governor of this state may:

(1) demand that the governor of another state surrender an individual found in the other state who is charged criminally in this state with having failed to provide for the support of an obligee; or

(2) on the demand by the governor of another state, surrender an individual found in this state who is charged criminally in the other state with having failed to provide for the support of an obligee.

(c) A provision for extradition of individuals not inconsistent with this chapter applies to the demand even if the individual whose surrender is demanded was not in the demanding state when the crime was allegedly committed and has not fled therefrom.

Sec. 49. [518C.802] [CONDITIONS OF RENDITION.]

(a) Before making demand that the governor of another state surrender an individual charged criminally in this state with having failed to provide for the support of an obligee, the governor of this state may require a prosecutor of this state to demonstrate that at least 60 days previously the obligee had initiated proceedings for support pursuant to this chapter or that the proceeding would be of no avail.

(b) If, under this chapter or a law substantially similar to this chapter, the uniform reciprocal enforcement of support act, or the revised uniform reciprocal enforcement of support act, the governor of another state makes a demand that the governor of this state surrender an individual charged criminally in that state with having failed to provide for the support of a child or other individual to whom a duty of support is owed, the governor may require a prosecutor to investigate the demand and report whether a proceeding for support has been initiated or would be effective. If it appears that a proceeding would be effective but has not been initiated, the governor may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.

(c) If a proceeding for support has been initiated and the individual whose rendition is demanded prevails, the governor may decline to honor the demand. If the petitioner prevails and the individual whose rendition is demanded is subject to a support order, the governor may decline to honor the demand if the individual is complying with the support order.

ARTICLE 9

"ARTICLE 10

CHILD SUPPORT ENFORCEMENT

Section 1. Minnesota Statutes 1992, section 214.101, as amended by Laws 1993, chapters 322, sections 1 and 2, and 340, section 2, is amended to read:

214.101 [CHILD SUPPORT; SUSPENSION OF LICENSE.]

Subdivision 1. [COURT ORDER; HEARING ON SUSPENSION.] (a) For purposes of this section, "licensing board" means a licensing board or other state agency that issues an occupational license.

(b) If a licensing board receives an order from a court or a notice from a public child support enforcement agency under section 518.551, subdivision 12, dealing with suspension of a license of a person found by the court or the public agency to be in arrears in child support or maintenance payments, or both, the board shall, within 30 days of receipt of the court order or public agency notice, provide notice to the licensee and hold a hearing. If the board finds that the person is licensed by the board and evidence of full payment of arrearages found to be due by the court or the public agency is not presented at the hearing, the board shall suspend the license unless it determines that probation is appropriate under subdivision 2. The only issues to be determined by the board are whether the person named in the court order or public agency notice is a licensee, whether the arrearages have been paid, and whether suspension or probation is appropriate. The board may not consider evidence with respect to the appropriateness of the court underlying child support order or the ability of the person to comply with the order. The board may not lift the suspension until the licensee files with the board proof showing that the licensee is current in child support payments and maintenance.

Subd. 2. [PROBATION.] If the board determines that the suspension of the license would create an extreme hardship to either the licensee or to persons whom the licensee serves, the board may, in lieu of suspension, allow the licensee to continue to practice the occupation on probation. Probation must be conditioned upon full compliance with the court order or public agency notice that referred the matter to the board. The probation period may not exceed two years, and the terms of probation must provide for automatic suspension of the license if the licensee does not provide monthly proof to the board of full compliance with the court order or public agency notice that referred the matter to the board or a further court order or public agency notice if the original order is modified by the court or the public agency.

Subd. 3. [REVOCATION OR REINSTATEMENT OF PROBATION.] If the licensee has a modification petition pending before the court or the public agency, the board may, without a hearing, defer a revocation of probation and institution of suspension until receipt of the court's ruling on the modification order. A licensee who was placed on probation and then automatically suspended may be automatically reinstated upon providing proof to the board that the licensee is currently in compliance with the court order or public agency notice.

Subd. 4. [VERIFICATION OF PAYMENTS.] Before a board may terminate probation, remove a suspension, issue, or renew a license of a person who has been suspended or placed on probation under this section, it shall contact the court or public agency that referred the matter to the board to determine that the applicant is not in arrears for child

support or maintenance or both. The board may not issue or renew a license until the applicant proves to the board's satisfaction that the applicant is current in support payments and maintenance.

Subd. 5. [APPLICATION.] This section applies to support obligations ordered by any state, territory, or district of the United States.

Sec. 2. Minnesota Statutes 1993 Supplement, section 256.87, subdivision 5, is amended to read:

Subd. 5. [CHILD NOT RECEIVING ASSISTANCE.] A person or entity having physical ~~and legal~~ custody of a dependent child not receiving assistance under sections 256.72 to 256.87 has a cause of action for child support against the child's absent parents. Upon an order to show cause and a motion served on the absent parent, the court shall order child support payments from the absent parent under chapter 518. This subdivision applies only if the person has custody with the consent of the absent parent or approval of the court.

Sec. 3. Minnesota Statutes 1993 Supplement, section 518.171, subdivision 1, is amended to read:

Subdivision 1. [ORDER.] (a) Every child support order must expressly assign or reserve the responsibility for maintaining medical insurance for the minor children and the division of uninsured medical and dental costs. The court shall order the party with the better group dependent health and dental insurance coverage to name the minor child as beneficiary on any health and dental insurance plan that is comparable to or better than a number two qualified plan and available to the party on a group basis or through an employer or union. "Health insurance coverage" as used in this section does not include medical assistance provided under chapter 256, 256B, or 256D. "Insurer" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a nonprofit health service plan corporation operating under chapter 62C; a health maintenance organization operating under chapter 62D; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; or any other person providing health or dental insurance. "Number two qualified plan" means a plan described in section 62E.06, subdivision 2.

(b) If the court finds that dependent health or dental insurance is not available to the obligor or obligee on a group basis or through an employer or union, or that the group insurer is not accessible to the obligee, the court may require the obligor (1) to obtain other dependent health or dental insurance, (2) to be liable for reasonable and necessary medical or dental expenses of the child, or (3) to pay no less than \$50 per month to be applied to the medical and dental expenses of the children or to the cost of health insurance dependent coverage.

(c) If the court finds that the available dependent health or dental insurance does not pay all the reasonable and necessary medical or dental expenses of the child, including any existing or anticipated extraordinary medical expenses, and the court finds that the obligor has the financial ability to contribute to the payment of these medical or dental expenses, the court shall require the obligor to be liable for all or a portion of the medical or dental expenses of the child not covered by the required health or dental plan. Medical and dental expenses include, but are not limited to, necessary orthodontia and eye care, including prescription lenses.

(d) If the obligor is employed by a self-insured employer subject only to the federal Employee Retirement Income Security Act (ERISA) of 1974, and the insurance benefit plan meets the above requirements, the court shall order the obligor to enroll the dependents within 30 days of the court order effective date or be liable for all medical and dental expenses occurring while coverage is not in effect. If enrollment in the ERISA plan is precluded by exclusionary clauses, the court shall order the obligor to obtain other coverage or make payments as provided in paragraph (b) or (c).

(e) Unless otherwise agreed by the parties and approved by the court, if the court finds that the obligee is not receiving public assistance for the child and has the financial ability to contribute to the cost of medical and dental expenses for the child, including the cost of insurance, the court shall order the obligee and obligor to each assume a portion of these expenses based on their proportionate share of their total net income as defined in section 518.54, subdivision 6.

(f) Payments ordered under this section are subject to section 518.611. An obligee who fails to apply payments received to the medical expenses of the dependents may be found in contempt of this order.

Sec. 4. Minnesota Statutes 1993 Supplement, section 518.551, subdivision 5, is amended to read:

Subd. 5. [NOTICE TO PUBLIC AUTHORITY; GUIDELINES.] (a) The petitioner shall notify the public authority of all proceedings for dissolution, legal separation, determination of parentage or for the custody of a child, if either party is receiving aid to families with dependent children or applies for it, subsequent to the commencement of the proceeding. The notice must contain the full names of the parties to the proceeding, their social security account

numbers, and their birth dates. After receipt of the notice, the court shall set child support as provided in this subdivision. The court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct. The court shall approve a child support stipulation of the parties if each party is represented by independent counsel, unless the stipulation does not meet the conditions of paragraph (i). In other cases the court shall determine and order child support in a specific dollar amount in accordance with the guidelines and the other factors set forth in paragraph (b) and any departure therefrom. The court may also order the obligor to pay child support in the form of a percentage share of the obligor's net bonuses, commissions, or other forms of compensation, in addition to, or if the obligor receives no base pay, in lieu of, an order for a specific dollar amount.

(b) The court shall derive a specific dollar amount for child support by multiplying the obligor's net income by the percentage indicated by the following guidelines:

Net Income Per Month of Obligor	Number of Children						
	1	2	3	4	5	6	7 or more
\$550 and Below	Order based on the ability of the obligor to provide support at these income levels, or at higher levels, if the obligor has the earning ability.

Guidelines for support for an obligor with a monthly income in excess of the income limit currently in effect under paragraph (k) shall be the same dollar amounts as provided for in the guidelines for an obligor with a monthly income equal to the limit in effect.

Net Income defined as:

Total monthly
income less

- *(i) Federal Income Tax
- *(ii) State Income Tax
- (iii) Social Security
Deductions
- (iv) Reasonable
Pension Deductions
- (v) Union Dues
- (vi) Cost of Dependent Health
Insurance Coverage
- (vii) Cost of Individual or Group
Health/Hospitalization
Coverage or an
Amount for Actual
Medical Expenses
- (viii) A Child Support or
Maintenance Order that is
Currently Being Paid.

*Standard
Deductions apply-

recommended

"Net income" does not include:

(1) the income of the obligor's spouse, but does include in-kind payments received by the obligor in the course of employment, self-employment, or operation of a business if the payments reduce the obligor's living expenses; or

(2) compensation received by a party for employment in excess of a 40-hour work week, provided that:

(i) support is nonetheless ordered in an amount at least equal to the guidelines amount based on income not excluded under this clause; and

(ii) the party demonstrates, and the court finds, that:

(A) the excess employment began after the filing of the petition for dissolution;

(B) the excess employment reflects an increase in the work schedule or hours worked over that of the two years immediately preceding the filing of the petition;

(C) the excess employment is voluntary and not a condition of employment;

(D) the excess employment is in the nature of additional, part-time or overtime employment compensable by the hour or fraction of an hour; and

(E) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation.

(c) The court shall review the work-related and education-related child care costs of paid by the custodial parent and shall allocate the costs to each parent in proportion to each parent's income after the transfer of child support and spousal maintenance, unless the allocation would be substantially unfair to either parent. ~~The cost of child care for purposes of this section is determined by subtracting the amount of any federal and state income tax credits available to a parent from the actual cost paid for child care.~~

For purposes of this paragraph, "child care" has the meaning given it in section 256H.01. "Child care costs" is the amount remaining after the calculations required in clauses (1) and (2).

(1) From the amount which the custodial parent paid for child care, deduct any federal, state, or county child care subsidy received by the custodial parent, to determine net child care costs.

(2) From the net child care costs, deduct the approximate value of state and federal tax credits available to the custodial parent.

For purposes of this paragraph, a custodial parent's "income" has the meaning given it in section 290.067, subdivision 2a.

For purposes of this paragraph, the approximate value of state and federal tax credits is determined as follows: For custodial parents with incomes of less than \$12,000, the approximate value of state and federal tax credits equals the lesser of (i) 30 percent of the net child care costs paid by the custodial parent; or (ii) \$720 for the child care costs incurred on behalf of one child or \$1,440 for the child care costs incurred on behalf of two or more children.

For custodial parents with incomes of at least \$12,000 but less than \$20,000, the approximate value of state and federal tax credits equals the lesser of (i) 20 percent of the net child care costs paid by the custodial parent; or (ii) \$1,080 for the child care costs incurred on behalf of one child or \$2,160 for the child care costs incurred on behalf of two or more children.

For custodial parents with incomes of at least \$20,000 but less than \$25,000, the approximate value of state and federal tax credits equals the lesser of (i) 20 percent of the net child care costs paid by the custodial parent; or (ii) \$720 for the child care costs incurred on behalf of one child or \$1,440 for the child care costs incurred on behalf of two or more children.

For custodial parents with incomes of \$25,000 or more, the approximate value of state and federal tax credits equals the lesser of (i) 20 percent of the net child care costs paid by the custodial parent; or (ii) \$480 for the child care costs incurred on behalf of one child or \$960 for the child care costs incurred on behalf of two or more children. The amount allocated for child care expenses costs is considered child support, but is not subject to a cost-of-living adjustment under section 518.641.

(e) (d) In addition to the child support guidelines, the court shall take into consideration the following factors in setting or modifying child support or in determining whether to deviate from the guidelines:

(1) all earnings, income, and resources of the parents, including real and personal property, but excluding income from excess employment of the obligor or obligee that meets the criteria of paragraph (b), clause (2)(ii);

(2) the financial needs and resources, physical and emotional condition, and educational needs of the child or children to be supported;

(3) the standards of living the child would have enjoyed had the marriage not been dissolved, but recognizing that the parents now have separate households;

(4) which parent receives the income taxation dependency exemption and what financial benefit the parent receives from it;

(5) the parents' debts as provided in paragraph (d); and

(6) the obligor's receipt of assistance under sections 256.72 to 256.87 or 256B.01 to 256B.40.

(d) (e) In establishing or modifying a support obligation, the court may consider debts owed to private creditors, but only if:

(1) the right to support has not been assigned under section 256.74;

(2) the court determines that the debt was reasonably incurred for necessary support of the child or parent or for the necessary generation of income. If the debt was incurred for the necessary generation of income, the court shall consider only the amount of debt that is essential to the continuing generation of income; and

(3) the party requesting a departure produces a sworn schedule of the debts, with supporting documentation, showing goods or services purchased, the recipient of them, the amount of the original debt, the outstanding balance, the monthly payment, and the number of months until the debt will be fully paid.

(e) (f) Any schedule prepared under paragraph (d), clause (3), shall contain a statement that the debt will be fully paid after the number of months shown in the schedule, barring emergencies beyond the party's control.

(f) (g) Any further departure below the guidelines that is based on a consideration of debts owed to private creditors shall not exceed 18 months in duration, after which the support shall increase automatically to the level ordered by the court. Nothing in this section shall be construed to prohibit one or more step increases in support to reflect debt retirement during the 18-month period.

(g) (h) If payment of debt is ordered pursuant to this section, the payment shall be ordered to be in the nature of child support.

(h) (i) Nothing shall preclude the court from receiving evidence on the above factors to determine if the guidelines should be exceeded or modified in a particular case.

(i) (j) The guidelines in this subdivision are a rebuttable presumption and shall be used in all cases when establishing or modifying child support. If the court does not deviate from the guidelines, the court shall make written findings concerning the amount of the obligor's income used as the basis for the guidelines calculation and any other significant evidentiary factors affecting the determination of child support. If the court deviates from the guidelines, the court shall make written findings giving the amount of support calculated under the guidelines, the reasons for the deviation, and shall specifically address the criteria in paragraph (b) and how the deviation serves the best interest of the child. The provisions of this paragraph apply whether or not the parties are each represented by independent counsel and have entered into a written agreement. The court shall review stipulations presented to it for conformity to the guidelines and the court is not required to conduct a hearing, but the parties shall provide the documentation of earnings required under subdivision 5b.

(j) (k) If the child support payments are assigned to the public agency under section 256.74, the court may not deviate downward from the child support guidelines unless the court specifically finds that the failure to deviate downward would impose an extreme hardship on the obligor.

(*) (1) The dollar amount of the income limit for application of the guidelines must be adjusted on July 1 of every even-numbered year to reflect cost-of-living changes. The supreme court shall select the index for the adjustment from the indices listed in section 518.641. The state court administrator shall make the changes in the dollar amount required by this paragraph available to courts and the public on or before April 30 of the year in which the amount is to change.

Sec. 5. Minnesota Statutes 1993 Supplement, section 518.551, subdivision 10, is amended to read:

Nothing contained herein shall prevent a party, upon timely notice to the public authority, from bringing a motion for the establishment, modification or enforcement of child support or maintenance orders in the district court, if additional issues involving domestic abuse, establishment or modification of custody or visitation, or property issues, or other issues outside the jurisdiction of the administrative process, are part of the motion or action. If the public authority is a party, or provides services to a party or parties, to a district court proceeding in which a motion for child support is pending, the motion may be decided by the district court. A party may petition the chief administrative law judge, the chief district court judge, or the chief family court referee to proceed immediately to a contested hearing upon good cause shown. The commissioner is authorized to designate counties to use the contested administrative hearing process based upon federal guidelines for county performance or upon request of the county. These actions contested administrative proceedings must be conducted by an administrative law judge from the office of administrative hearings, except for the following proceedings:

(c) For the purpose of this process, all powers, duties, and responsibilities conferred on judges of the district court to obtain and enforce child and medical support and maintenance obligations, subject to the limitation set forth herein, are conferred on the administrative law judge conducting the proceedings, including the power to issue subpoenas for the production of documents, to issue orders to show cause and to issue bench warrants for failure to appear.

(d) Before implementing the process in a county, the chief administrative law judge, the commissioner of human services, the director of the county human services agency, the county attorney, the county court administrator, and the county sheriff shall jointly establish procedures, and the county shall provide hearing facilities for implementing this process in a county. In a contested administrative hearing, the hearing facilities shall be a courtroom, if one is available, or a conference or meeting room with at least two exits and of sufficient size to permit adequate physical separation of the parties. A bailiff shall either be present during the administrative hearings, or be available to respond to a request for emergency assistance.

(e) Nonattorney employees of the public agency authority responsible for child support ~~in the counties designated by the commissioner~~ may prepare, sign, serve, and file complaints and motions, notices, summary orders, proposed orders, default orders and consent orders for obtaining, modifying, or enforcing child and medical support orders and, maintenance and the establishment of parentage, and related documents, appear at conduct prehearing conferences,

and participate in proceedings before an administrative law judge. A default order or a consent order signed by a nonattorney employee must be counter-signed by a district judge or an administrative law judge, and is effective upon the signature of the nonattorney employee. This activity shall not be considered to be the unauthorized practice of law. After the commencement of the administrative process, the public authority and the administrative law judge shall each have the authority to issue subpoenas for the production of documents. The subpoena shall be enforceable in a contempt proceeding initiated by the public authority. At all stages of the administrative process prior to the contested hearing, the county attorney, or other attorney under contract, shall act as the legal advisor for the public authority, but shall not play an active role in the review of information and the preparation of default and consent orders.

(f) The contested administrative hearings shall be conducted under the rules of the office of administrative hearings, Minnesota Rules, parts 1400.7100 to 1400.7500, 1400.7700, and 1400.7800, as adopted by the chief administrative law judge. All Except as provided in paragraph (i), all other aspects of the case, including, but not limited to, pleadings, discovery, and motions, shall be conducted under the rules of family court, the rules of civil procedure, and chapter 518. Pursuant to a contested administrative hearing, the administrative law judge shall make findings of fact, conclusions, and a final decision and issue an order. Orders issued by an administrative law judge entered pursuant to this subdivision are enforceable by the contempt powers of the county and district courts.

(g) The decision and order of the administrative law judge is appealable to the court of appeals in the same manner as a decision of the district court.

(h) The commissioner of human services shall distribute money for this purpose to counties to cover the costs of the administrative process, including the salaries of administrative law judges. If available appropriations are insufficient to cover the costs, the commissioner shall prorate the amount among the counties.

(i)(1) Notwithstanding any law or rule to the contrary, the administrative process established by this subdivision shall be implemented, in accordance with the provisions of this paragraph, effective July 1, 1994 and in accordance with the statewide implementation plan set forth by the commissioner of human services under paragraph (a). At county option, the administrative process established by this subdivision may include contempt motions or actions to establish parentage.

The written notice shall be sent by first class mail to the parties' last known addresses. The written notice shall describe the information requested, state the purpose of the request, state the date by which the information must be postmarked or received, which must be at least 30 days from the date of the mailing of the written notice, and state that if the information is not postmarked or received by that date, the public authority will prepare a proposed order on the basis of the information available.

(3) A party may request in writing that the public authority begin the administrative process. If the public authority determines that the request is unfounded, a summary order denying the request for relief shall be issued. The denial shall not preclude a party from bringing an action in district court. If the action in district court results in a modification of a child support order, the modification may be made retroactive only from the date of the written request for public authority action, provided that the motion in district court is brought within 14 days of the issuance of the summary order denying the request. A denial of public authority action shall not prejudice an action on the matter in district court.

(4) Following the date for submission of information, the public authority shall, on the basis of all information available, prepare and sign a proposed order and notice. In preparing the proposed order, the public authority shall establish child support in the highest amount permitted under section 518.551, subdivision 5. The notice shall state that the proposed order will be entered as a final and binding default order unless one of the parties requests a conference within 14 days following the date of service of the proposed order. The method for requesting the conference shall be stated in the notice. The notice and proposed order shall be served under the rules of civil procedure. Service of the notice and proposed order commence the administrative process. An affidavit of service shall be retained in the public authority file.

(5) If a conference is not timely requested by a party, the public authority shall have the option to enter the proposed order as the default order, or to prepare and serve a new notice and proposed order pursuant to clause (4). The default order shall be a final order, shall be served under the rules of civil procedure, and shall be filed in district court, along with an affidavit of service.

(6) If a party timely requests a conference, the public authority shall schedule a conference, and shall serve written notice of the date, time, and place of the conference on the parties. The purpose of the conference is to review all available information and seek agreement to the entry of a consent order. The notice shall state the purpose of the conference, and that if the requesting party fails to appear at the conference, the proposed order may be entered as a final and binding default order. The notice shall be served on the parties by first-class mail at their last known address, and the service shall be documented in the public authority file. A party alleging domestic abuse by the other party shall not be required to participate in a conference. In such a case, the public authority shall meet separately with the parties in order to determine whether an agreement can be reached.

(7) If the party requesting the conference does not appear, the public authority shall proceed in accordance with the provisions of clause (4).

(8) If the party requesting the conference appears, the public authority shall seek agreement of the parties to the entry of a consent order which establishes child support in accordance with applicable law. The public authority shall advise the parties that if the consent order is not entered, the matter will be scheduled for a hearing, and the public authority will seek the establishment of child support at the hearing in accordance with the highest amount permitted under section 518.551, subdivision 5. If an agreement of the parties is reached at the conference, a consent order shall be prepared by the public authority, and shall be signed by the parties. The consent order shall be a final order, shall be served on the parties under the rules of civil procedure, and shall be filed in district court, along with an affidavit of service.

(9) If an agreement to the entry of a consent order is not reached at the conference, the public authority shall schedule the matter for a contested hearing pursuant to the provisions of paragraph (j). For the purposes of the contested hearing, and notwithstanding any rule to the contrary, the service of the proposed order pursuant to paragraph (i)(4) shall be deemed to have commenced a civil action and the judge, including an administrative law judge or referee, shall have jurisdiction over a contested hearing that is scheduled in accordance with this subdivision.

(j) In counties designated by the commissioner of human services pursuant to paragraph (a), contested hearings required under paragraph (i) shall be scheduled before administrative law judges, and shall be conducted in accordance with the provisions of paragraph (f). In counties not designated by the commissioner of human services pursuant to paragraph (a), contested hearings required under paragraph (i) shall be conducted in district court in accordance with the rules of civil procedure and the rules of family court.

(k) The commissioner of human services shall provide training to child support officers and other employees of the public authority involved in the administrative process. The commissioner of human services shall prepare simple and easy to understand forms for all notices and orders prescribed in paragraph (i), and the public authority shall use them. The commissioner of human services, in consultation with the commissioner's advisory committee for child support enforcement, shall continue to develop and implement a plan to restructure the administrative process which shall include contested hearings.

"Sec. 4. Minnesota Statutes 1992, section 253B.05, subdivision 2, is amended to read:

Subd. 2. [PEACE OR HEALTH OFFICER HOLD.] (a) A peace or health officer may take a person into custody and transport the person to a licensed physician or treatment facility if the officer has reason to believe, or there is probable cause to believe based on the person's recent behavior and public knowledge of past psychiatric hospitalization, that the person is mentally ill or mentally retarded and in imminent danger of injuring self or others if not immediately restrained. A peace or health officer or a person working under such officer's supervision, may take a person who is believed to be chemically dependent or is intoxicated in public into custody and transport the person to a treatment facility. If the person is intoxicated in public or is believed to be chemically dependent and is not in danger of causing self-harm or harm to any person or property, the peace or health officer may transport the person home. Written application for admission of the person to a treatment facility shall be made by the peace or health officer. The application shall contain a statement given by the peace or health officer specifying the reasons for and circumstances under which the person was taken into custody. If imminent danger to specific individuals is a basis for the emergency hold, the statement must include identifying information on those individuals, to the extent practicable. A copy of the statement shall be made available to the person taken into custody.

(b) A person may be admitted to a treatment facility for emergency care and treatment under this subdivision with the consent of the head of the facility under the following circumstances: a written statement is made by the medical officer on duty at the facility that after preliminary examination the person has symptoms of mental illness or mental retardation and appears to be in imminent danger of harming self or others; or, a written statement is made by the institution program director or the director's designee on duty at the facility that after preliminary examination the person has symptoms of chemical dependency and appears to be in imminent danger of harming self or others or is intoxicated in public.

Subd. 3. [DURATION OF HOLD.] (a) Any person held pursuant to this section may be held up to 72 hours, exclusive of Saturdays, Sundays, and legal holidays, after admission unless a petition for the commitment of the person has been filed in the probate court of the county of the person's residence or of the county in which the treatment facility is located and the court issues an order pursuant to section 253B.07, subdivision 6. If the head of

the treatment facility believes that commitment is required and no petition has been filed, the head of the treatment facility shall file a petition for the commitment of the person. The hospitalized person may move to have the venue of the petition changed to the probate court of the county of the person's residence, if the person is a resident of Minnesota.

(b) The head of the treatment facility shall immediately notify the agency which employs the peace or health officer who transported the person to the treatment facility under this section, if the head of the treatment facility releases the person during the 72-hour hold period.

(c) During the 72-hour hold period, a court may not release a person held under this section unless the court has received a written petition for release and held a summary hearing regarding the release. The petition must include the name of the person being held, the basis for and location of the hold, and a statement as to why the hold is improper. The petition also must include copies of any written documentation under subdivision 1 or 2 in support of the hold, unless the person holding the petitioner refuses to supply the documentation. The hearing must be held as soon as practicable and may be conducted by means of a telephone conference call or similar method by which the participants are able to simultaneously hear each other. If the court decides to release the person, the court shall issue written findings supporting the decision, but may not delay the release. Before deciding to release the person, the court shall make every reasonable effort to provide notice of the proposed release to: (1) any specific individuals identified in a statement under subdivision 1 or 2 or in the record as individuals who might be endangered if the person was not held; and (2) the examiner whose written statement was a basis for a hold under subdivision 1 or the peace or health officer who applied for a hold under subdivision 2."

"Sec. 2. Minnesota Statutes 1992, section 144.125, is amended to read:

144.125 [TESTS OF INFANTS FOR INBORN METABOLIC ERRORS.]

It is the duty of (1) the administrative officer or other person in charge of each institution caring for infants 28 days or less of age and (2) the person required in pursuance of the provisions of section 144.215, to register the birth of a child, to cause to have administered to every infant or child in its care tests for hemoglobinopathy, phenylketonuria, and other inborn errors of metabolism in accordance with rules prescribed by the state commissioner of health. In determining which tests must be administered, the commissioner shall take into consideration the adequacy of laboratory methods to detect the inborn metabolic error, the ability to treat or prevent medical conditions caused by the inborn metabolic error, and the severity of the medical conditions caused by the inborn metabolic error. Testing and the recording and reporting of the results of the tests shall be performed at the times and in the manner prescribed by the commissioner of health. ~~This section does not apply to an infant whose parents object on the grounds that the tests and treatment conflict with their religious tenets and practices.~~ The commissioner shall charge laboratory service fees for conducting the tests of infants for inborn metabolic errors so that the total of fees collected will approximate the costs of conducting the tests. Costs associated with capital expenditures and the development of new procedures may be prorated over a three-year period when calculating the amount of the fees."

"Sec. 41. Minnesota Statutes 1993 Supplement, section 609.378, subdivision 1, is amended to read:

Subdivision 1. [PERSONS GUILTY OF NEGLECT OR ENDANGERMENT.] (a) [NEGLECT.] (1) A parent, legal guardian, or caretaker who willfully deprives a child of necessary food, clothing, shelter, health care, or supervision appropriate to the child's age, when the parent, guardian, or caretaker is reasonably able to make the necessary provisions and the deprivation harms or is likely to substantially harm the child's physical, mental, or emotional health is guilty of neglect of a child and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both. If the deprivation results in substantial harm to the child's physical, mental, or emotional health, the person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both. ~~If a parent, guardian, or caretaker responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, this treatment or care is "health care," for purposes of this clause.~~

(2) A parent, legal guardian, or caretaker who knowingly permits the continuing physical or sexual abuse of a child is guilty of neglect of a child and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

(b) [ENDANGERMENT.] A parent, legal guardian, or caretaker who endangers the child's person or health by:

(1) intentionally or recklessly causing or permitting a child to be placed in a situation likely to substantially harm the child's physical, mental, or emotional health or cause the child's death; or

(2) knowingly causing or permitting the child to be present where any person is selling or possessing a controlled substance, as defined in section 152.01, subdivision 4, in violation of section 152.021, 152.022, 152.023, or 152.024; is guilty of child endangerment and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

If the endangerment results in substantial harm to the child's physical, mental, or emotional health, the person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

This paragraph does not prevent a parent, legal guardian, or caretaker from causing or permitting a child to engage in activities that are appropriate to the child's age, stage of development, and experience, ~~or from selecting health care as defined in subdivision 1, paragraph (a).~~

(c) [ENDANGERMENT BY FIREARM ACCESS.] A person who intentionally or recklessly causes a child under 14 years of age to be placed in a situation likely to substantially harm the child's physical health or cause the child's death as a result of the child's access to a loaded firearm is guilty of child endangerment and may be sentenced to imprisonment for not more than one year or to payment of a fine of not more than \$3,000, or both.

If the endangerment results in substantial harm to the child's physical health, the person may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both."

Subd. 10e. [DETERMINATIONS.] Upon the conclusion of every assessment or investigation it conducts, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed.

(a) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions committed by a person responsible for the child's care:

(1) physical abuse as defined in subdivision 2, paragraph (d);

(2) neglect as defined in subdivision 2, paragraph (c);

(3) sexual abuse as defined in subdivision 2, paragraph (a); or

(4) mental injury as defined in subdivision 2, paragraph (k).

(b) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

~~(c) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in imminent and serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.~~

The department shall make payments for a pupil age 21 or over attending an OIC only if the amount of appropriation remaining for the program is sufficient to make full payment to the school district and the OIC. The department shall develop and implement an application process for pupils age 21 or over who wish to attend an OIC under this section. A pupil must submit an application to the department before enrolling in an OIC. The department must determine specific dates by which applications must be received for each OIC term. Within 10 days of receiving an application, the department must notify each pupil whether there is sufficient funding to pay for the pupil's enrollment in the OIC under this section. If the funding is not sufficient, the pupil may not enroll in the OIC under this section. The department must not make payments to a school district or OIC for a course taken for post-secondary credit only."

(2) "HIV virus" means the human immunodeficiency virus; and

(3) "transfer" means to engage in sexual intercourse; to permit reuse of a hypodermic needle, syringe, or similar device without sterilization; or to give blood or semen to a person, blood bank, or other medical facility for the purpose of transfusion or insemination.

Subd. 2. "Sec. 24. [609.2241] [HIV TRANSMISSION.]

Subdivision 1. [DEFINITIONS.] As used in this section:

(a) "HIV virus" means the human immunodeficiency virus.

(b) "Counseling" means that the person infected with HIV had (1) been advised by a physician or other health professional of their diagnosis; (2) received educational information about behavior which might transmit HIV from a licensed health professional or employee of a state-funded counseling and testing site; and, (3) had been advised of how to prevent such transmission from a licensed health professional or an employee of a state-funded counseling and testing site.

(c) "Transfer" means, for a person infected with HIV, to engage in a behavior that has been demonstrated epidemiologically to transmit HIV. Such behaviors generally mean sexually transmitted behaviors, such as direct genital-to-genital contact, or blood-borne behaviors, such as the sharing of nonsterile syringes for the purposes of injecting drugs.

Subd. 2. [CRIME.] Any person who engages in behavior that has been demonstrated epidemiologically to transmit HIV and knew or had reason to know that such behavior might result in transmission of HIV is guilty of a felony and may be sentenced to imprisonment for not more than five years or to payment of a fine of not more than \$10,000, or both.

Subd. 3. [AFFIRMATIVE DEFENSES.] If proven by a preponderance of the evidence, it is an affirmative defense to a prosecution under subdivision 2 that:

(1) the transfer involved a consensual sexual act between persons, wherein the person exposed knew that the infected person was infected with HIV, knew that the action could result in an infection with HIV, and consented to the action with that knowledge;

(2) the transfer involved a consensual sexual act accompanied by the use of a latex barrier (condom) or a sterile syringe;

(3) the person infected with HIV had received faulty medical advice that they were not infected with HIV or had not been adequately counseled about what constituted behavior that might result in HIV transmission;

(4) the person infected with HIV knowingly attempts to or does donate blood, sperm, organ, or tissue, except as deemed necessary for medical research, or disclosed HIV status on donor screening forms;

(5) the person infected with HIV is a licensed health care provider who was following all accepted infection control procedures as established by the department of health and OSHA (the Occupational Safety and Health Administration).

Subd. 4. [PROSECUTION.] The department of health must assist the prosecutor in determining if (1) the actor had been properly counseled about transmission risk, and, (2) the actor's behavior did meet the epidemiological standards of possible HIV transfer."

16B.75 [INTERSTATE COMPACT ON INDUSTRIALIZED/MODULAR BUILDINGS.]

The state of Minnesota ratifies and approves the following compact:

INTERSTATE COMPACT ON INDUSTRIALIZED/MODULAR BUILDINGS

ARTICLE I

FINDINGS AND DECLARATIONS OF POLICY

(1) The compacting states find that:

(a) Industrialized/modular buildings are constructed in factories in the various states and are a growing segment of the nation's affordable housing and commercial building stock.

(b) The regulation of industrialized/modular buildings varies from state to state and locality to locality, which creates confusion and burdens state and local building officials and the industrialized/modular building industry.

(c) Regulation by multiple jurisdictions imposes additional costs, which are ultimately borne by the owners and users of industrialized/modular buildings, restricts market access and discourages the development and incorporation of new technologies.

(2) It is the policy of each of the compacting states to:

(a) Provide the states which regulate the design and construction of industrialized/modular buildings with a program to coordinate and uniformly adopt and administer the states' rules and regulations for such buildings, all in a manner to assure interstate reciprocity.

(b) Provide to the United States Congress assurances that would preclude the need for a voluntary preemptive federal regulatory system for modular housing, as outlined in Section 572 of the Housing and Community Development Act of 1987, including development of model standards for modular housing construction, such that design and performance will insure quality, durability and safety; will be in accordance with life-cycle cost-effective energy conservation standards; all to promote the lowest total construction and operating costs over the life of such housing.

ARTICLE II

DEFINITIONS

As used in this compact, unless the context clearly requires otherwise:

- (1) "Commission" means the interstate industrialized/modular buildings commission.
- (2) "Industrialized/modular building" means any building which is of closed construction, i.e. constructed in such a manner that concealed parts or processes of manufacture cannot be inspected at the site, without disassembly, damage or destruction, and which is made or assembled in manufacturing facilities, off the building site, for installation, or assembly and installation, on the building site. "Industrialized/modular building" includes, but is not limited to, modular housing which is factory-built single-family and multifamily housing (including closed wall panelized housing) and other modular, nonresidential buildings. "Industrialized/modular building" does not include any structure subject to the requirements of the National Manufactured Home Construction and Safety Standards Act of 1974.
- (3) "Interim reciprocal agreement" means a formal reciprocity agreement between a noncompacting state wherein the noncompacting state agrees that labels evidencing compliance with the model rules and regulations for industrialized/modular buildings, as authorized in Article VIII, section (9), shall be accepted by the state and its subdivisions to permit installation and use of industrialized/modular buildings. Further, the noncompacting state agrees that by legislation or regulation, and appropriate enforcement by uniform administrative procedures, the noncompacting state requires all industrialized/modular building manufacturers within that state to comply with the model rules and regulations for industrialized/modular buildings.
- (4) "State" means a state of the United States, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.
- (5) "Uniform administrative procedures" means the procedures adopted by the commission (after consideration of any recommendations from the rules development committee) which state and local officials, and other parties, in one state, will utilize to assure state and local officials, and other parties, in other states, of the substantial compliance of industrialized/modular building construction with the construction standard of requirements of such other states; to assess the adequacy of building systems; and to verify and assure the competency and performance of evaluation and inspection agencies.
- (6) "Model rules and regulations for industrialized/modular buildings" means the construction standards adopted by the commission (after consideration of any recommendations from the rules development committee) which govern the design, manufacture, handling, storage, delivery and installation of industrialized/modular buildings and building components. The construction standards and any amendments thereof shall conform insofar as practicable to model building codes and referenced standards generally accepted and in use throughout the United States.

ARTICLE III

CREATION OF COMMISSION

The compacting states hereby create the Interstate Industrialized/Modular Buildings Commission, hereinafter called commission. Said commission shall be a body corporate of each compacting state and an agency thereof. The commission shall have all the powers and duties set forth herein and such additional powers as may be conferred upon it by subsequent action of the respective legislatures of the compacting states.

With each addition of three state commissioners, the state commissioners shall appoint one additional representative commissioner, alternating between a representative of manufacturers of industrialized/modular buildings and consumers of industrialized/modular buildings. The ratio between state commissioners and representative commissioners shall be three to one. In the event states withdraw from the compact or, for any other reason, the number of state commissioners is reduced, the state commissioners shall remove the last added representative commissioner as necessary to maintain a the ratio of state commissioners to representative commissioners of three to one described herein.~~

(1) a pregnant woman in the residence is identified as having a blood lead level of at least ten micrograms of lead per deciliter of whole blood;

(2) a child in the residence is identified as having a blood lead level at or above 20 micrograms per deciliter; or

(3) a child in the residence is identified as having a blood lead level that persists in the range of 15 to 19 micrograms per deciliter for 90 days after initial identification. In a building with two or more residential units, a board of health must inspect the individual unit in which the conditions of this subdivision are met and must also inspect all common areas in the building. Assessments must be conducted by a board of health regardless of the availability of state or federal appropriations for assessments.

(b) Within the limits of available state and federal appropriations, a board of health shall also conduct home assessments for children whose confirmed blood lead levels are in the range of ten to 19 micrograms per deciliter. A board of health may assess a residence even if none of the three criteria in this subdivision are met.

If the commissioner or board of health provides swab team services after an assessment, but before the issuance of an abatement order, swab team services do not need to be repeated after the issuance of an abatement order. Swab team services are not considered completed until the reassessment required under subdivision 6 shows no violation of one or more of the standards under section 144.878, subdivision 2. If assessments and abatement orders are conducted at times when weather or soil conditions do not permit the assessment or abatement of lead in soil, the residences shall have their soil assessed and abated, if necessary, at the first opportunity that weather and soil conditions allow.

In establishing the list, the commissioner shall award points under this subdivision to each census tract on

which information is available. The priority for primary prevention response actions in census tracts at high risk for toxic lead exposure shall be based on the cumulative points awarded to each census tract. A greater number of points means a higher priority. If a tie occurs in the number of points, priority shall be given to the census tract with the higher percentage of population with blood lead levels greater than ten micrograms of lead per deciliter. All local governmental units and boards of health shall follow the priorities under this subdivision. The commissioner shall revise and update the priority list at least every five years. Points shall be awarded to each census tract for each criteria, considered independently, as described in section 144.871, subdivision 7a. Points shall be awarded as follows:

(a) In a census tract where at least 20 children have been screened in the last five years, one point shall be awarded for each five percent of children who were under six years old at the time they were screened for lead in blood and whose blood lead level exceeds ten micrograms of lead per deciliter. An additional point shall be awarded if one percent of the children had blood levels greater than 20 micrograms per deciliter of blood. Two points shall be awarded to a census tract, where the blood lead screening has been inadequate, that is contiguous with a census tract where more than ten percent of the children under six years of age have blood lead levels exceeding ten micrograms per deciliter.

(b) One point shall be awarded for every five percent of housing that is defined as dilapidated or deteriorated by the planning department or similar agency of the city in which the housing is located. Where data is available by neighborhood or section within a city, the percent of dilapidated or deteriorated housing shall apply equally to each census tract within the neighborhood or section.

(c) One point shall be awarded for every 100 parts per million of lead soil, based on the median soil lead values of foundation soil samples, calculated on 100 parts per million intervals, or fraction thereof. For the cities of St. Paul and Minneapolis, the commissioner shall use the June 1988 census tract version of the houseside map entitled "Distribution of Household Lead Content of Soil Dust in the Twin Cities," prepared by the Center for Urban and Regional Affairs. Where the map displays a census tract that is crossed by two or more intervals, the commissioner shall make a reasoned determination of the median foundation soil lead value for that tract. Values for census tracts may be updated by surveying the tract according to the procedures under Minnesota Rules, part 4761.0400, subpart 8.

Sec. 18. Minnesota Statutes 1993 Supplement, section 144.99, subdivision 1, is amended to read:

An order issued under this paragraph is effective for a maximum of 72 hours. In conjunction with the issuance of the cease and desist order, the commissioner may post a tag to cease use of or cease continuation of the activity until the cease and desist order is lifted and the tag is removed by the commissioner. use 95 percent of capacity days. For a nursing facility whose average length of stay in a skilled level of care within a nursing facility is 180 days or less, the commissioner shall use the greater of resident days or 80 percent of capacity days but in no event shall the divisor exceed 95 percent of capacity days. For rate years beginning on or after July 1, 1994, the commissioner shall use the greater of resident days or 80 percent of capacity days, without allowing the divisor to exceed 95 percent of capacity days, in order to determine property related payment rates under Minnesota Rules, part 9549.0060, for a nursing facility that:

For the rate year beginning July 1, 1990, the commissioner shall increase each nursing facility's equipment allowance as established in Minnesota Rules, part 9549.0060, subpart 10, by ten cents per resident per day. For rate years beginning on or after July 1, 1991, the adjusted equipment allowance must be adjusted annually for inflation as in Minnesota Rules, part 9549.0060, subpart 10, item E. For the rate period beginning October 1, 1992, the equipment allowance for each nursing facility shall be increased by 28 percent. A grantee must demonstrate the ability to provide a local match, which may include in-kind contributions.

Subd. 2. [PRIORITIES.] In awarding grants under the program, the commissioner shall give priority to:

- (1) areas of the state where no children's ~~safety-center supervised visitation facility~~ or similar facility exists;
- (2) applicants who demonstrate that private funding for the ~~center facility~~ is available and will continue; and
- (3) facilities that are adapted for use to care for children, such as day care centers, religious institutions, community centers, schools, technical colleges, parenting resource centers, and child care referral services.

Subd. 3. [ADDITIONAL SERVICES.] Each ~~center supervised visitation facility~~ may provide parenting and child development classes, and offer support groups to participating custodial parents and hold regular classes designed to assist children who have experienced domestic violence and abuse.

Subd. 4. [REPORT.] The commissioner shall evaluate the operation of the pilot children's ~~safety-centers supervised visitation facilities~~ and report to the legislature by February 1, 1994, with recommendations.

Subd. 5. [ADMINISTRATION.] In administering the grants authorized by this section, the commissioner shall ensure that the term "children's supervised visitation facility" is used in all applications, publicity releases, requests for proposals and other materials of like nature.

(1) a loan authorized by state law or appropriation of proceeds of bonds or other money of the borrower to a fund for the construction of the project; and

In every odd-numbered year one retiree of the fund must be elected to the board of trustees for a term of two years commencing on the first of July next succeeding the election. The filing of candidacy for a retiree election must include a petition of endorsement signed by at least ten retirees of the fund. Each election must be completed by June first of each succeeding odd-numbered year. In the case of elective members, any vacancy must be filled by appointment by the

remainder of the board, and the appointee shall serve until the members or retirees of the fund at the next regular election have elected a trustee to serve for the unexpired term caused by the vacancy. No member or retiree may be appointed by the board, or elected by the members of the fund as a trustee, if the person is not a member or retiree of the fund in good standing at the time of the appointment or election.

Subd. 7. [SCOPE.] As used in sections 465.795 to 465.799 and sections ~~465.80~~ 465.801 to 465.87, the terms defined in this section have the meanings given them.

Sec. 41. Minnesota Statutes 1993 Supplement, section 465.796, subdivision 2, is amended to read:

Subd. 2. [DUTIES OF BOARD.] The board shall:

(1) accept applications from local government units for waivers of administrative rules and temporary, limited exemptions from enforcement of procedural requirements in state law as provided in section 465.797, and determine whether to approve, modify, or reject the application;

(6) make recommendations to the legislature regarding the elimination of state mandates that inhibit local government efficiency, innovation, and cooperation.

The board may purchase services from the metropolitan council in reviewing requests for waivers and grant applications.

Sec. 42. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] (a) Except as provided in paragraph (b), a local government unit may request the board of government innovation and cooperation to grant a waiver from one or more administrative rules or a temporary, limited exemption from enforcement of state procedural laws governing delivery of services by the local government unit. Two or more local government units may submit a joint application for a waiver or exemption under this section if they propose to cooperate in providing a service or program that is subject to the rule or law. Before submitting an application to the board, the governing body of the local government unit must approve the waiver or exemption request by resolution at a meeting required to be public under section 471.705. A local government unit or two or more units acting jointly may apply for a waiver or exemption on behalf of a nonprofit organization providing services to clients whose costs are paid by the unit or units. A waiver or exemption granted to one or more local units of government on behalf of a nonprofit organization under this section applies to services provided to all the organization's clients.

(b) A school district that is granted a variance from rules of the state board of education under section 121.11, subdivision 12, need not apply to the board for a waiver of those rules under this section. A school district may not seek a waiver of rules under this section if the state board of education has authority to grant a variance to the rules under section 121.11, subdivision 12. This paragraph does not preclude a school district from being included in a cooperative effort with another local government unit under this section.

Sec. 43. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] A local government unit requesting a waiver of a rule or exemption from enforcement of a law under this section shall present a written application to the board. The application must include:

- (1) identification of the service or program at issue;
- (2) identification of the administrative rule or the law imposing a procedural requirement with respect to which the waiver or exemption is sought; and
- (3) a description of the improved service outcome sought, including an explanation of the effect of the waiver or exemption in accomplishing that outcome;
- (4) ~~a description of the means by which the attainment of the outcome will be measured; and~~
- (5) ~~if the waiver or exemption is proposed by a single local government unit, a description of the consideration given to intergovernmental cooperation in providing this service, and an explanation of why the local government unit has elected to proceed independently.~~

A copy of the application must be provided by the requesting local government unit to the exclusive representative of its employees as certified under section 179A.12 to represent employees who provide the service or program affected by the requested waiver or exemption.

Sec. 44. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 3, is amended to read:

Subd. 3. [REVIEW PROCESS.] (a) Upon receipt of an application from a local government unit, the board shall review the application. The board shall ~~dismiss or request modification of an application within 60 days of its receipt~~ if it finds that ~~(1) the application does not meet the requirements of subdivision 2, or (2) the application should not be granted because it clearly proposes a waiver of rules or exemption from enforcement of laws that would result in due process violations, violations of federal law or the state or federal constitution, or the loss of services to people who are entitled to them.~~

(b) The board shall determine whether a law from which an exemption for enforcement is sought is a procedural law, specifying how a local government unit is to achieve an outcome, rather than a substantive law prescribing the outcome or otherwise establishing policy. In making its determination, the board shall consider whether the law specifies such requirements as:

- (1) who must deliver a service;
- (2) where the service must be delivered;
- (3) to whom and in what form reports regarding the service must be made; and
- (4) how long or how often the service must be made available to a given recipient.

(c) If the commissioner of finance, the commissioner of administration, or the state auditor has jurisdiction over a rule or law affected by an application, the chief administrative law judge, as soon as practicable after receipt of the application, shall designate a third administrative law judge to serve as a member of the board in place of that official while the board is deciding whether to grant the waiver or exemption.

(d) If the application is submitted by a local government unit in the metropolitan area or the unit requests a waiver of a rule or temporary, limited exemptions from enforcement of a procedural law over which the metropolitan council or a metropolitan agency has jurisdiction, the board shall also transmit a copy of the application to the council for review and comment. The council shall report its comments to the board within 60 days of the date the application was transmitted to the council. The council may point out any resources or technical assistance it may be able to provide a local government submitting a request under this section. ~~If it does not dismiss~~

(e) Within 15 days after receipt of the application, the board shall transmit a copy of it to the commissioner of each agency having jurisdiction over a rule or law from which a waiver or exemption is sought. The agency may mail a notice that it has received an application for a waiver or exemption to all persons who have registered with the agency under section 14.14, subdivision 1a, identifying the rule or law from which a waiver or exemption is requested. If no agency has jurisdiction over the rule or law, the board shall transmit a copy of the application to the attorney general. If the commissioner of finance, the commissioner of administration, or the state auditor has jurisdiction over the rule or law, the chief administrative law judge shall appoint a second administrative law judge to serve as a member of the board in the place of that official for purposes of determining whether to grant the waiver or

~~exemption.~~ The agency shall inform the board of its agreement with or objection to and grounds for objection to the waiver or exemption request within 60 days of the date when the application was transmitted to it. An agency's failure to do so is considered agreement to the waiver or exemption. The board shall decide whether to grant a waiver or exemption at its next regularly scheduled meeting following its receipt of an agency's response or the end of the 60-day response period. If consideration of an application is not concluded at that meeting, the matter may be carried over to the next meeting of the board. Interested persons may submit written comments to the board on the waiver or exemption request within 60 days of the board's receipt of up to the time of its vote on the application. ~~If the agency fails to inform the board of its conclusion with respect to the application within 60 days of its receipt, the agency is deemed to have agreed to the waiver or exemption.~~

(f) If the exclusive representative of the affected employees of the requesting local government unit objects to the waiver or exemption request it may inform the board of the objection to and the grounds for the objection to the waiver or exemption request within 60 days of the receipt of the application.

Sec. 45. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 4, is amended to read:

Subd. 4. [HEARING.] If the agency or the exclusive representative does not agree with the waiver or exemption request, the board shall set a date for a hearing on the application, ~~which may be no earlier than 90 days after the date when the application was transmitted to the agency.~~ The hearing must be conducted informally at a meeting of the board. Persons representing the local government unit shall present their case for the waiver or exemption, and persons representing the agency shall explain the agency's objection to it. Members of the board may request additional information from either party. The board may also request, either before or at the hearing, information or comments from representatives of business, labor, local governments, state agencies, consultants, and members of the public. If necessary, the hearing may be continued at a subsequent board meeting. A waiver or exemption must be granted by a vote of a majority of the board members. The board may modify the terms of the waiver or exemption request in arriving at the agreement required under subdivision 5.

Sec. 46. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 5, is amended to read:

Subd. 5. [CONDITIONS OF AGREEMENTS.] If the board grants a request for a waiver or exemption, the board and the local government unit shall enter into an agreement providing for the delivery of the service or program that is the subject of the application. The agreement must specify desired outcomes and the means of measurement by which the board will determine whether the outcomes specified in the agreement have been met. The agreement must specify the duration of the waiver or exemption, which may be for no less than two years and no more than four years, subject to renewal if both parties agree. The board may reconsider or renegotiate the agreement if the rule or law affected by the waiver or exemption is amended or repealed during the term of the original agreement. A waiver of a rule under this section has the effect of a variance granted by an agency under section 14.05, subdivision 4. A local unit of government that is granted an exemption from enforcement of a procedural requirement in state law under this section is exempt from that law for the duration of the exemption. The board may require periodic reports from the local government unit, or conduct investigations of the service or program.

Sec. 47. Minnesota Statutes 1993 Supplement, section 465.798, is amended to read:

465.798 [SERVICE BUDGET MANAGEMENT MODEL GRANTS.]

A copy of the application must be provided by the units to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

Proposed models may provide options to local governments, neighborhood or community organizations, or individuals for managing budgets for service delivery. A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government or interested groups. If the board finds that the model was not completed or implemented according to the terms of the grant agreement, it may require the grantee to repay all or a portion of the grant. In deciding whether to award a grant under section 465.798, 465.799, or 465.801, the board shall use the following scoring system:

- (1) Up to 15 points shall be awarded to reflect the extent to which the application demonstrates creative thinking, careful planning, cooperation, involvement of the clients of the affected service, and commitment to assume risk.
- (2) Up to 20 points shall be awarded to reflect the extent to which the proposed project is likely to improve the quality of the service and to have benefits for other local governments.

Sec. 5. [16C.03] [OVERSIGHT OF STATE COLLECTION ACTIVITY.]

Subdivision 1. [RESPONSIBILITY.] The department of finance is responsible for the oversight, reporting, and monitoring of state debt collection.

Subd. 2. [STATE AGENCY REPORTS.] Quarterly each year, state agencies shall report to the commissioner of finance the debts owed to the state agency. The commissioner of finance, with the consultation of the departments of revenue and human services, the centralized state collection entity, and the attorney general, shall establish internal guidelines for the recognition, tracking, reporting, and collection of the debts owed the state. The internal guidelines must include accounting standards, performance measurements, and uniform reporting requirements applicable to all state agencies.

Subd. 3. [STATE AGENCY DEBT QUALIFICATIONS PLANS.] The department of finance shall establish a standardized form agreement for state agency debt qualifications plans. The standardized form must identify the categories of debt owing the state agency to be collected under the terms of the debt qualification plan, provide the procedure for referral of debts from the state agency to the centralized state collection entity, establish the responsibilities for collecting the debts covered by the plan, and establish the responsibility for compromise and settlement of the debt.

Subd. 4. [REPORTS OF THE CENTRALIZED STATE COLLECTION ENTITY.] Quarterly each year, the centralized state collection entity shall report to the department of finance on its progress and rate of collection of debts referred to the centralized state collection entity. Sec. 6. [16C.04] [CENTRALIZED STATE COLLECTION ENTITY.]

Subdivision 1. [CREATION.] The centralized state collection entity is part of the department of finance and under the authority of the commissioner of finance. It shall provide services to the state of Minnesota and its state agencies for the purpose of collecting debts owed the state of Minnesota. The centralized state collection entity is not a collection agency as defined by section 332.31, subdivision 3, and is not governed by sections 332.31 to 332.35, 332.37, subdivisions 4, 6, 9, 10, and 12, or 332.38 to 332.45. The commissioner of finance shall enter into a contract with the commissioner of revenue for the department of revenue to provide the collection services of the centralized state collection entity.

Subd. 2. [AGENCY PARTICIPATION.] A state agency may, at its option, refer debts to the centralized state collection entity for collection activity. The ultimate responsibility for the debt, including the reporting of the debt to the department of finance and the decision with regard to the continuing collection and uncollectibility of the debt, remains with the referring state agency.

Subd. 3. [SERVICES.] The centralized state collection entity shall provide collection services for a state agency in accordance with the terms and conditions of a signed debt qualification plan. The centralized state collection entity may also provide collection services for a Minnesota judicial court, judicial board, or judicial commission, the University of Minnesota, the United States, or a political subdivision by operation of law or under a contract entered into with the centralized state collection entity for the collection of debts.

Subd. 4. [AUTHORITY TO CONTRACT.] The centralized state collection entity may contract with credit bureaus, private collection agencies, and other entities as necessary for the collection of debts. The centralized state collection entity may not delegate the powers provided under sections 16C.10 to 16C.20 to any nongovernmental entity.

Sec. 7. [16C.05] [INTEREST AND ADMINISTRATIVE FEES.]

Subdivision 1. [INTEREST.] (a) Unless otherwise provided by contract out of which the debt arises or in state or federal law, simple interest accrues on debts owed the state at the rate provided in paragraph (b) if notice has been given pursuant to this subdivision. Interest begins to accrue on the 30th calendar day following the state agency's first written demand for payment that includes notification to the debtor that interest will begin to accrue on the debt in accordance with this section.

(b) Notwithstanding chapter 334, the commissioner of finance shall set the rate of interest as the rate corresponding with the adjusted prime rate charged by banks, rounded to the nearest full percent. For purposes of this subdivision, the term "adjusted prime rate charged by banks" means the average predominant prime rate quoted by commercial banks to large businesses, as determined by the board of governors of the Federal Reserve System. The commissioner of finance shall adjust the rate of interest by April 15 of each year, to be effective the following July 1, if the adjusted prime rate charged by banks during the six-month period ending on March 30 of that year, rounded to the nearest full percent, is at least a full percentage point more or less than the interest rate then in effect. The determination of the commissioner of finance under this subdivision is not a "rule" and is not subject to chapter 14 or section 16A.1285.

Subd. 2. [ADMINISTRATIVE FEE.] In a collection action or proceeding under this chapter, the state is entitled to recover from the debtor an administrative fee not to exceed 30 percent of the amount of the debt to cover the cost of processing and handling the collection of the debt under this chapter, including attorney fees. The centralized state collection entity has the authority to waive the administrative fee in appropriate circumstances. By June 1 of every year, the director of the centralized state collection entity shall recommend to the commissioner of finance the rate at which the administrative fee should be set. The commissioner of finance shall set the rate of the administrative fee to be effective July 1 of every year, at the rate that will most nearly result in the centralized state collection entity's recovery of its costs for processing and handling the collection of debt under this chapter. The determination of the commissioner of finance under this subdivision is not a "rule" and is not subject to chapter 14 or section 16A.1285.

Subd. 3. [ENFORCEMENT AND COLLECTION.] The interest and administrative fee provided by this section are in addition to the principal debt and are enforceable in accordance with this chapter and other collection remedies. If the centralized state collection entity collects any amount less than the total due, the centralized state collection entity may apply a percentage of the amount collected, calculated at the administrative fee rate, to partially satisfy the administrative fee and shall apply the balance to partially satisfy the debt. If the centralized state collection entity's costs, including attorney fees, are recovered through other methods, the centralized state collection entity may not collect the administrative fee.

Sec. 8. [16C.06] [PRIORITY OF SATISFACTION OF DEBTS.]

(a) If two or more debts owed by the same debtor are submitted to the centralized state collection entity, amounts collected on those debts must be applied as prescribed in this section.

(b) If the money received is collected on a judgment lien under chapter 550, a lien provided by this chapter, a lien provided by chapter 514, a consensual lien or security interest, protection of an interest in property through chapter 570, by collection process provided by chapters 551 and 571, or by any other process by which the centralized state collection entity is enforcing rights in a particular debt, the money must be applied to that particular debt.

(c) If the money is collected in any manner not specified in paragraph (b), the money collected must apply first to the satisfaction of any debts for child support. Any debts other than child support must be satisfied in the order in time in which the centralized state collection entity received the debts from the referring agency.

Sec. 9. [16C.07] [FUNDING; APPROPRIATION.]

All money received by the centralized state collection entity as amounts attributable to recovery of the costs of processing and collection of debt, whether in the form of administrative fees, attorney fees, or other forms of cost recovery, must be credited to the fund for the centralized state collection entity and are appropriated to the centralized state collection entity to fund its collection efforts. Except as provided in the debt qualification plan, the principal debt and interest assessed against the principal debt are not considered amounts attributable to recovery of the costs of processing and collection of debt and are paid with all other amounts attributable to satisfaction of debt to the referring agency in accordance with the terms of the debt qualification plan, the contract with the referring agency or, by operation of law. If an administrative fee is not added to the debt, the costs of collection equal to the administrative fee established by the department of finance may be deducted from the money collected prior to deposit to the fund of obligation.

Sec. 10. [16C.08] [DEBTOR INFORMATION.]

Subdivision 1. [ACCESS TO NOT PUBLIC GOVERNMENT DATA.] Notwithstanding chapter 13 or any other state statute classifying or restricting access of government data, upon request from the centralized state collection entity, state agencies, political subdivisions, and statewide systems shall disseminate not public data to the centralized state collection entity for the sole purpose of collecting debt. Not public data disseminated under this subdivision is limited to financial data of the debtor or data related to the location of the debtor or the assets of the debtor.

Subd. 2. [IMMUNITY.] A person, entity, state agency, political subdivision, or statewide system that releases information to the centralized state collection entity as authorized under this chapter is immune from liability for release of the information.

Subd. 3. [DISCLOSURE OF DATA.] Data received, collected, created, or maintained by the centralized state collection entity for the purpose of collecting debts are classified as private data on individuals under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9. The centralized state collection entity may disclose not public data:

- (1) under section 13.05;
- (2) under court order;
- (3) under a statute specifically authorizing access to the not public data;
- (4) to provide notices required or permitted by statute;
- (5) to an agent of the centralized state collection entity, including a law enforcement person, attorney, or investigator acting for it in the investigation or prosecution of a criminal or civil proceeding relating to collection of a debt;
- (6) to report names of debtors, amount of debt, date of debt, and agency to whom debt is owed to credit bureaus; and
- (7) when necessary to locate the debtor, locate the assets of the debtor, or to enforce or implement the collection of a debt.

Sec. 11. [16C.09] [NOTICE TO DEBTOR.]

The referring agency shall send notice to the debtor by United States mail or personal delivery at the debtor's last known address at least 20 days before the debt is referred to the centralized state collection entity. The notice must state the nature and amount of the debt, identify to whom the debt is owed, and inform the debtor of the remedies available under this chapter, including the imposition of interest and administrative fees in addition to the principal amount of the debt.

Sec. 12. [16C.10] [DUTIES AND POWERS OF THE CENTRALIZED STATE COLLECTION ENTITY.]

Subdivision 1. [DUTIES.] The centralized state collection entity shall take all reasonable and cost-effective actions to collect debts referred to the centralized state collection entity.

Subd. 2. [POWERS.] (a) In addition to the collection remedies available to creditors in the state and the remedies available under this chapter, the centralized state collection entity, with legal assistance from the attorney general, has the powers listed in this subdivision.

(b) The entity may enforce state judgment liens in accordance with this chapter.

(c) The entity may bring an action to recover debts or for injunctive relief related to the failure to pay the debt in Ramsey county district court or Ramsey county conciliation court, or in accordance with chapter 542 at the discretion of the state. If the debtor, within 20 days of the receipt of service, requests in writing that the court change venue to the county of either the debtor's residence or the county where the cause of action arose, that request shall be granted. There shall be no court filing fees, docketing fees, or release of judgment fees assessed against the state for collection actions filed under this chapter.

(d) The entity may issue subpoenas for the purpose of collecting debts. If an individual or entity to whom the subpoena is directed does not comply with a subpoena, the attorney general may apply to the district court of Ramsey county or the district court where the individual or entity to whom the subpoena is directed is located, at the discretion of the attorney general, for issuance of an order compelling compliance with the subpoena. A person failing to comply with the order is subject to punishment by the court for contempt.

(e) The entity may provide notice to licensing authorities to not issue, transfer, or renew a license of a debtor in accordance with this chapter.

(f) The entity may notify the registrar of motor vehicles of the names of debtors for the purpose of having a judgment lien noted on the certificate of title to a motor vehicle of the debtor in accordance with section 168A.05 and this chapter.

(g) The entity may utilize any statutory authority granted to a referring agency for purposes of collecting debt owed to that referring agency.

Sec. 13. [16C.11] [SETOFFS.]

The centralized state collection entity or a state agency may automatically deduct from any state payment due to the debtor, unless expressly prohibited by law. Notwithstanding section 181.79, the state may deduct from the wages due or earned by a state employee to collect a debt. The state may not deduct from wages due state employees in amounts greater than the percentage of earnings subject to garnishment pursuant to chapter 571.

Sec. 14. [16C.12] [LIENS.]

Subdivision 1. [CREATION OF STATE JUDGMENT LIEN.] Upon obtaining or docketing a judgment for a debt, in any district court of the state, the state has a state judgment lien upon all personal property existing at the time of the judgment and later acquired, within the state, of the debtor. The state judgment lien attaches to all personal property of the debtor located in the state upon the date of entry of judgment or docketing of judgment, whichever is earlier. A lien against all personal property of the debtor within the state may also be created for a judgment obtained by a political subdivision, the United States, a Minnesota judicial court, judicial board or commission, or the University of Minnesota that has been referred to the centralized state collection entity under contract or by operation of law, but only upon the filing of the lien notice provided in subdivision 4. The lien for debts referred to the centralized state collection entity by contract or operation of law may be filed and enforced by the centralized state collection entity in the same manner as provided for state judgment liens in this chapter. The lien for debts referred to the centralized state collection entity has priority as provided for state judgment liens in this section.

Subd. 2. [PRIORITY OF STATE JUDGMENT LIEN.] (a) The state judgment lien imposed by subdivision 1 is perfected as against any good faith purchaser, good faith pledgee, holder of a duly perfected uniform commercial code security interest, or judgment lien creditor whose interest has been duly perfected under applicable provision of state law, when notice of the state judgment lien is filed in the office of the secretary of state as provided in subdivision 4.

(b) The state judgment lien acquired by the state under this section has priority in accordance with the first in time, first in right, filing provision provided in article 9 of the Uniform Commercial Code.

Subd. 3. [NOTICE AND FILING OF STATE JUDGMENT LIEN.] (a) Notices of state judgment liens, state judgment lien releases, and state judgment lien renewals may be filed with the secretary of state by United States mail, in person, or by electronic transmission by the centralized state collection entity into the computerized filing system of the secretary of state authorized under section 336.9-411. For documents filed by mail or in person, the secretary of state shall enter the data as if it had been transmitted electronically. Once the electronic record is created, it must be endorsed and indexed within the computerized filing system. The secretary of state shall write or mark the filing information on the document that was submitted and return the document to the submitting party. Documents filed electronically must be endorsed and indexed within the computerized filing system.

The notice of state judgment lien filed with the secretary of state must contain the following information, which shall be referred to in this section as the filed information:

- (2) if the debtor is an individual, the debtor's social security number if available, or if the social security number is not available, the debtor's date of birth;
- (3) the identity of the agency to whom the underlying debt is owed;
- (4) the amount of the judgment debt;
- (5) the date of entry of judgment; and
- (6) the county wherein judgment was originally entered and its docket number.

(b) Execution of notices of state judgment liens, or of other notices affecting the state judgment lien provided by this section, may occur by the original or facsimile signature of the director of the centralized state collection entity or a delegate. Execution entitles the state judgment lien notice to be filed, and no other attestation, certification, or acknowledgment is necessary. Transmission of notices under paragraph (a) constitutes execution.

(c) The secretary of state shall make all information concerning the state judgment lien immediately available electronically to each county recorder's office in the state.

(d) All filed information regarding the state judgment lien must be made a part of the computerized filing system of the secretary of state authorized under section 336.9-411, and the information must be accessible through that system.

(e) Each county recorder's office in the state shall make available, free of charge, through the computerized filing system of the secretary of state authorized under section 336.9-411, the filing information for all state judgment liens filed by the centralized state collection entity under paragraph (a). A person may request the state judgment lien information. If the request is made by lien or court docket number, the secretary of state or county recorder shall give a copy of the information filed for that lien or court docket number. The cost for the copy may be no more than the actual cost of making the copies. If the request is made by debtor name, the secretary of state or county recorder shall conduct a search of the statewide computerized government lien database for any state judgment liens naming that debtor. The secretary of state or county recorder shall report all of the filings as of the date and hour of the search by issuing a certificate listing the file number, court docket number, the date and hour of each filing, the social security number if the requester discloses the matching number or the date of birth of the debtor if the debtor is an individual, the identity of the agency to whom the underlying debt is owed, and the amount of the debt. If there are no filings against a particular person against whom a search is requested, the secretary of state or the county recorder shall so certify.

The total fee for conducting the search and preparing a certificate is as allowed in section 336.9-407. The fee includes as many as ten copies. The fee is included in the charge allowed for tax lien searches, and is not separate or in addition to any fee charged for tax lien searches.

Notwithstanding the fees set in this section, a natural person who is the subject of the data must, upon the person's request, be shown the data without charge and, upon request and payment of no more than the actual cost of making the copies, be provided with photocopies of the data.

Surcharge amounts must be collected quarterly by the secretary of state from each county recorder. The secretary of state shall send each county recorder an invoice at the end of each fiscal quarter, and each county recorder shall forward payment to the secretary of state within 30 days of the date of the invoice. The surcharge does not apply to a search request made by a natural person who is the subject of the data to be searched except when a certificate is requested as part of the search.

The surcharge amounts collected by the secretary of state and received from county recorders must be deposited in the state treasury and credited to the general fund.

(f) The centralized state collection entity is exempt from court filing fees for the filing of a state judgment lien provided by this section and releases thereof.

Subd. 4. [COPY FEES.] In the event that more than one copy of a full or partial release of a lien is requested by any person, including the debtor, a fee of \$25 must be paid to the centralized state collection entity for each duplicate requested.

Subd. 5. [ENFORCEABILITY.] The state judgment lien imposed by this section is enforceable as provided by section 16C.13.

Sec. 15. [16C.13] [ENFORCEMENT OF JUDGMENT LIENS.]

Subdivision 1. [AUTHORITY.] The state judgment lien imposed by section 16C.12, or any judgment lien docketed in any county on behalf of the referring agency, may be enforced by the centralized state collection entity at any time within ten years of entry of judgment or within ten years of renewal of the judgment, as provided in this chapter or in accordance with chapters 270, 550, 551, and 571, at the state's option. The centralized collection entity may enforce the judgment lien by a levy upon all nonexempt personal property and rights to nonexempt personal property of the debtor, including any nonexempt personal property of the debtor in the possession of law enforcement officials. The term levy includes the power of distraint and seizure by any means.

Subd. 2. [OPTIONAL REMEDY.] Any action taken by the centralized state collection entity under this section does not constitute an election by the state to pursue this particular remedy to the exclusion of any other remedy.

Subd. 3. [MANNER OF EXECUTION AND SALE.] In making the levy upon the judgment lien, the centralized state collection entity has all the powers provided in chapter 550 and in any other law for purposes of effecting an execution against property in this state. The sale of property levied upon, and the time and manner of redemption from the sale, is governed by chapter 550 unless otherwise provided in this section. The seal of the court, as provided in section 550.04, is not required.

Subd. 4. [SURRENDER OF PROPERTY SUBJECT TO LEVY.] A person who fails or refuses to surrender without reasonable cause any property or right to property subject to levy under this section, upon demand by the centralized state collection entity, is liable personally to the state in an amount equal to the value of the property or rights not surrendered, but not exceeding the amount of costs caused by the failure to surrender, plus the amount of the judgment for which the levy has been made. Any amount recovered under this subdivision must be credited first against the increased costs caused by such failure to surrender and then to the outstanding amount of the judgment. A financial institution need not surrender funds on deposit until 20 days after service of the levy.

Subd. 5. [PERSON DEFINED.] The term "person," as used in subdivision 4, includes an individual, officer, or employee of a corporation or a member or employee of a partnership or a limited liability company who, as an officer, employee, or member, is under a duty to surrender the property or rights to property or to discharge the obligation. The personal liability imposed by subdivision 4 may, after demand to honor a levy, be assessed by the centralized state collection entity within 60 days of making the demand.

Subd. 6. [EFFECT OF HONORING LEVY.] A person in possession of, or obligated with respect to, property or rights to property subject to levy upon which a levy has been made who, upon demand by the centralized state collection entity, surrenders the property or rights to property, or who pays the liability set forth in subdivision 4, is discharged from any obligation or liability to the debtor for the payment or collection of the judgment with respect to the property or rights to property so surrendered or paid.

Subd. 7. [LEVY ON APPEARANCE DATE OF SUBPOENA.] No levy may be made on the property of the debtor on the day on which the debtor, or an officer or employee of the debtor, is required to appear in response to a subpoena issued by the centralized state collection entity, unless the director of the centralized state collection entity makes a determination that collection of the judgment is in jeopardy.

Subd. 8. [UNECONOMICAL LEVY.] No levy may be made on property if the amount of the expenses that the director estimates would be incurred by the centralized state collection entity with respect to the levy and sale of the property exceeds the estimated net proceeds of the sale of the property at the anticipated time of levy.

Sec. 16. [16C.14] [SALE OF SEIZED PROPERTY.]

Subdivision 1. [NOTICE OF SEIZURE.] As soon as practicable after seizure of property, notice in writing must be given by the centralized state collection entity to the owner of the property and must be served personally or by certified mail. If the owner cannot be readily located, or has no dwelling or place of business within this state, the notice may be mailed to the last known address. The notice must specify the amount of the judgment and must contain an account of the property seized.

Subd. 2. [NOTICE OF SALE.] (a) As soon as practicable after the seizure of the property, the centralized state collection entity shall give notice of sale of the property to the owner in the manner described in subdivision 1. The notice required by this subdivision may be combined with that in subdivision 1. The notice must be served no less than ten days prior to the sale.

(b) The centralized state collection entity shall also cause public notice of each sale to be made. Notice must be posted not less than ten days before the sale at the post office nearest the place where the seizure is made, and in no fewer than two other public places.

(c) The notice of sale provided in this subdivision must specify the property to be sold and the time, place, manner, and conditions of the sale.

(d) Other methods of giving notice, including advertising, may be used in addition to those required by this subdivision.

Subd. 3. [SALE OF INDIVISIBLE PROPERTY.] If any property subject to levy is not divisible, so as to enable the centralized state collection entity by sale of a part of it to raise the whole amount of the judgment, the whole of the property must be sold, and, upon payment of the judgment and of costs associated with the seizure and sale, the remainder must be returned to the owner.

Subd. 4. [TIME AND PLACE OF SALE.] The time of sale must be after the expiration of the notice periods prescribed in subdivision 2. The place of sale must be within the county in which the property is seized, except by special determination of the centralized state collection entity.

Subd. 5. [MANNER AND CONDITIONS OF SALE.] (a) Before the sale the centralized state collection entity shall determine a minimum price for which the property may be sold. If no person offers for the property at the sale the amount of the minimum price, the property must be declared to be purchased at the minimum price for the state; otherwise the property must be declared to be sold to the highest bidder. In determining the minimum price, the centralized state collection entity shall take into consideration the expense of making the levy and sale. The announcement of the minimum price determined by the centralized state collection entity may be delayed until receipt of the highest bid.

(b) The sale must be conducted by:

(1) public auction, or

(2) public sale under sealed bids.

(c) In the case of seizure of several items of property, the items may be offered separately, in groups, or in the aggregate, and may be sold under whichever method produces the highest aggregate sale price.

(d) Payment in full is required at the time of acceptance of a bid, except that a part of the payment may be deferred by the centralized state collection entity for a period not to exceed 30 days.

(e) If payment in full is required at the time of acceptance of a bid and is not then paid, the centralized state collection entity shall promptly again sell the property in the manner provided in this section. If the conditions of the sale permit part of the payment to be deferred, and if the part deferred is not paid within the prescribed period, then:

(1) suit may be commenced against the purchaser for the purchase price or the part of the purchase price not paid, together with interest at the rate specified in section 549.09 from the date of the sale, and the centralized state collection entity may adjourn the sale from time to time for a period not to exceed 30 days; or

(2) in the discretion of the centralized state collection entity, the sale may be declared by the centralized state collection entity null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section.

In the event of a second advertisement and sale under this subdivision, a new purchaser receives the property or rights to property free and clear of any claim or right of the former defaulting purchaser and the amount paid upon the bid price by the defaulting purchaser is forfeited.

Subd. 6. [SALE OF PERISHABLE GOODS.] If the centralized state collection entity determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, the centralized state collection entity shall appraise the value of the property, and, if the owner of the property can be readily found, the centralized state collection entity shall give the owner notice of the determination of the appraised value of the property. The property must be returned to the owner if, within the time specified in the notice, the owner pays the centralized state collection entity an amount equal to the appraised value. If the appraised amount is not paid, as soon as practicable the centralized state collection entity shall make public sale of the property in accordance with this section.

Subd. 7. [CONTRACTS.] Contracts entered into by the centralized state collection entity for the purpose of acquiring, selling, or preserving property under this section, and the conduct of the sale of the property, are not subject to the competitive bidding, professional and technical services contract, or auction provisions of chapter 16B.

Subd. 8. [APPLICATION OF SALE PROCEEDS.] (a) Any money realized by proceedings under this chapter, whether by seizure, by surrender under section 16C.13, by sale of seized property, or by sale of property redeemed by the state must be applied as follows:

- (1) first, against the administrative fee provided by this chapter, then
- (2) against the remaining amount of the judgment, then
- (3) any remaining amount must be refunded to the persons legally entitled thereto.

Subd. 9. [EQUITABLE OR INJUNCTIVE RELIEF.] At any time before the sale of the levied property and upon at least five business days' written notice to the centralized state collection entity and the attorney general, the debtor or any party with an interest in the property may bring an action in district court for equitable or injunctive relief.

Sec. 17. [16C.15] [RELEASE OF LEVY AND RETURN OF PROPERTY.]

Subdivision 1. [RELEASE OF LEVY.] The centralized state collection entity shall release a levy on all or part of the property or rights to property levied on and shall promptly notify the person on whom the levy was made that the levy has been released if:

- (1) the judgment for which the levy was made is satisfied or has become unenforceable by lapse of time;
- (2) release of the levy will facilitate collection of the judgment;
- (3) the debtor has entered into an agreement with the centralized state collection entity providing for installment payments satisfactory to the centralized state collection entity;
- (4) the levy will jeopardize the status of the state as a secured creditor; or
- (5) the fair market value of the property exceeds the judgment and release of the levy can be made without hindering collection of the judgment.

A release of levy under this subdivision does not prevent a subsequent levy on the property released.

Subd. 2. [RETURN OF PROPERTY.] If the centralized state collection entity determines that property has been wrongfully levied upon, it is lawful for the centralized state collection entity to return within 45 days of the determination:

- (1) the specific property levied upon;
- (2) an amount of money equal to the amount of money levied upon; or
- (3) an amount of money equal to the fair market value of the property. Any person wishing to challenge a levy as wrongful must make a claim to the entity no later than one year following the date of the sale.

Sec. 18. [16C.16] [REDEMPTION OF PROPERTY.]

Subdivision 1. [BEFORE SALE.] A person whose property has been levied upon may pay the judgment amount to the centralized state collection entity at any time before the sale of the property, and, upon payment of the judgment amount, the centralized state collection entity shall restore the property to the person, and all further proceedings in connection with the levy on the property shall cease from the time of payment.

Subd. 2. [RECORD.] When any property is redeemed as provided in this section, the centralized state collection entity shall cause entry of the fact to be made upon the record required by section 16C.17, and the entry is evidence of the redemption.

Sec. 19. [16C.17] [CERTIFICATE AND RECORD OF SALE.]

Subdivision 1. [CERTIFICATE OF SALE.] In the case of property sold as provided in section 16C.14, the centralized state collection entity shall give the purchaser a certificate of sale upon payment in full of the purchase price.

Subd. 2. [EFFECT OF CERTIFICATE.] (a) In all cases of sale of personal property, the certificate of sale given under subdivision 1 is prima facie evidence of the right of the centralized state collection entity to make the sale and conclusive evidence of the regularity of the proceedings in making the sale. The certificate transfers to the purchaser all right, title, and interest of the debtor in and to the property sold.

(b) If the property consists of stocks, the certificate of sale is notice, when received, to any corporation, company, or association, of the transfer, and is authority to the corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in place of any original or prior certificate, which is void, whether canceled or not.

(c) If the subject of sale is securities other than stocks, including promissory notes or other evidence of indebtedness, the certificate of sale is a good and valid receipt of the person holding the same, as against any person holding or claiming to hold possession of the securities or other evidence of indebtedness.

(d) If the property consists of a motor vehicle, the certificate of sale is notice, when received, to the registrar of motor vehicles of this state of the transfer, and is authority for the registrar to record the transfer on the books and records in the same manner as if the certificate of title to the motor vehicle was transferred or assigned by the party holding the same, in place of any original or prior certificate, which is void whether canceled or not.

(e) A certificate of sale of personal property given under subdivision 1 discharges the property from all liens, encumbrances, and title over which the judgment lien, with respect to which the levy was made, had priority.

Subd. 3. [INTERNAL RECORDS OF SALE.] The centralized state collection entity shall, for its report to the department of finance, keep a record of all sales of property under section 16C.14. The record must set forth the judgment for which the sale was made, the dates of seizure and sale, the name of the debtor and all proceedings in making the sale, the amount of expenses, the names of purchasers, and the date of the certificate of sale. A copy of the record, or any part of it, certified by the centralized state collection entity is evidence in any court of the truth of the facts stated in the record.

Sec. 20. [16C.18] [WITHHOLDING OF INCOME.]

Subdivision 1. [NOTICE TO EMPLOYER.] Within the period for enforcement of the lien, the centralized state collection entity may give notice to any employer in this state that an employee of that employer owes a debt. The notice must conform substantially to the notice as provided in section 571.75 and may be served by mail upon the employer.

Subd. 2. [NOTICE TO EMPLOYEE.] The centralized state collection entity may not proceed under this section unless it has given notice to the debtor, by mail, at the debtor's last known address, at least 30 days prior to notice to the employer. The notice to the debtor must conform substantially to that required by section 571.72 and must state that if payment is not received, the centralized state collection entity may proceed to require withholding by the employer under this section. The notice must further inform the debtor of wage exemptions contained in section 550.37, subdivision 14. If no notice of exemption is received by the centralized state collection entity within 30 days of sending notice to the debtor, the centralized state collection entity may proceed under this section.

Subd. 3. [WITHHOLDING.] (a) Upon receipt of the notice provided by subdivision 1, the employer shall withhold from compensation due or to become due to the employee the total amount shown by the notice, subject to the provisions of section 571.922. The employer shall continue to withhold each pay period until the notice is released by the centralized state collection entity under section 16C.15. Upon receipt of the notice by the employer under subdivision 1, the claim of the state has priority over any subsequent garnishments or wage assignments except as otherwise provided in section 518.611. The centralized state collection entity may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest and the administrative fee provided by section 16C.05 have been withheld.

The "compensation due" any employee is defined in accordance with section 571.921. The maximum withholding allowed under this section for any one pay period is decreased by any amounts payable under a garnishment action and any amounts covered by any irrevocable and previously effective assignment of wages, with respect to which the employer was served before being served with the notice provided by subdivision 1. The employer shall give notice to the centralized state collection entity of the amounts and the facts relating to such prior garnishments or assignments within ten days after the service of the notice provided in subdivision 1.

(b) If the employee ceases to be employed by the employer before the full amount set forth in the notice provided by subdivision 1, plus accrued interest and the administrative fee, has been withheld, the employer shall immediately notify the centralized state collection entity in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee because the centralized state collection entity has proceeded under this section. If an employer discharges an employee in violation of the provision, the employee has the same remedy as provided in section 571.927, subdivision 2.

(c) Within ten days after the expiration of each pay period, the employer shall remit to the centralized state collection entity the amount withheld during each pay period under this section. Should any employer, after notice, willfully fail to withhold in accordance with this section, the employer is liable for the total amount set forth in the notice together with accrued interest and the administrative fee. Any amount collected from the employer for failure to withhold must be credited to the employee's account in the following manner: administrative fee, interest, and then debt. Any excess after such application must be refunded to the employer.

(d) The provisions of this section, except those imposing liability on an employer for failure to withhold or remit, apply to cases in which the employer is the United States or an instrumentality of the United States or this state or a political subdivision of the state.

(e) The centralized state collection entity shall refund to the employee excess amounts withheld from the employee under this section.

(f) The collection remedy provided by this section has the same legal effect as if it were a levy made under section 16C.13.

Sec. 21. [16C.19] [CONTINUOUS LEVY.]

Subdivision 1. [AUTHORITY.] The centralized state collection entity may, within the statutory period for enforcement of the lien, give notice to a person, financial institution, political subdivision, or any other third party who owes the debtor money, property, or other indebtedness, to withhold the amount of any debt, including interest and the administrative fee provided by section 16C.05, due from a debtor. The amounts withheld must be transmitted to the centralized state collection entity at the times the centralized state collection entity designates.

Subd. 2. [LEVY CONTINUOUS.] The levy made under subdivision 1 is continuous with respect to a payment as defined in subdivision 4 from the date the notice is received until either the amount due stated on the notice has been withheld or the notice has been released by the centralized state collection entity under section 16C.15, or no further amounts are due from the recipient of the notice to the debtor, whichever occurs first.

Subd. 2a. [RELEASE WHEN NO ASSETS FOUND.] If, upon receipt of the notice of levy and upon diligent search for amounts due the debtor or for assets of the debtor, no amounts due or assets are found, the recipient of the notice shall report that fact in writing within ten days to the entity and shall be released from the levy at the time of the report.

Subd. 3. [AMOUNT WITHHELD.] The amount required to be withheld under this section is the lesser of:

(1) the amount stated on the notice; or

(2) if the debtor is not a natural person, 100 percent of the payment or payments to be made to the debtor, or, if the debtor is an individual, 25 percent of the payment or payments to be made to the debtor.

Subd. 4. [PAYMENTS COVERED.] For purposes of this section, "payments" does not include wages as defined in section 290.92 or funds in a deposit account as defined in section 336.9-105. Payments includes:

(1) payments due for services of independent contractors, dividends, rents, royalties, residuals, patent rights, licensing fees, and mineral or other natural resources rights;

(2) payment or credits under written or oral contracts for services or sales whether denominated as wages, salary, commissions, bonuses, or otherwise, if the payments are not covered by section 16C.18; and

(3) any other periodic payments or credits resulting from an enforceable obligation to the debtor.

Subd. 5. [EFFECT OF DETERMINATION OF STATUS.] A determination of a person's status as an independent contractor under this section does not affect the determination of the person's status for the purposes of any other law or rule.

Sec. 22. [16C.20] [LICENSES.]

Subdivision 1. [NOTICE TO LICENSING AUTHORITY.] The centralized state collection entity may notify any licensing authority that a licensee owes a judgment debt of \$500 or more or judgments debts in the aggregate of \$500 or more. Upon receipt of such notice, the licensing authority may not issue, transfer, or renew a license of the debtor for the conduct of a profession, occupation, trade, or business.

Subd. 2. [NOTICE TO DEBTOR AND HEARING.] (a) Upon notifying a licensing authority under subdivision 1, the centralized state collection entity must mail a copy of the notice to the debtor at the debtor's last known address.

(b) The debtor may request a contested case hearing within 30 days of the date of the notice. The request must be in writing and postmarked by the 30th day. The hearing must be held within 45 days of the date the centralized state collection entity refers the case to the office of administrative hearings. Notwithstanding any law to the contrary, the licensee must be served with 20 days' notice in writing specifying the time and place of the hearing, the amount of unpaid judgment debt, to whom the judgment debt is owed, and the nature of the judgment debt. The notice may be served personally or by mail.

(c) The issues to be considered at the hearing are limited to whether the debtor has made payment, whether the identity of the debtor is mistaken, or whether nonrenewal or nonissuance of the license would exercise an unreasonably severe hardship on the debtor. Financial hardship alone is an insufficient basis for a finding of unreasonably severe hardship. The validity of the underlying debt may not be challenged at the hearing.

Subd. 3. [DEBT CLEARANCE.] A licensing authority that has received a notice from the centralized state collection entity under subdivision 1 may issue, transfer, or renew the license only if the licensing authority has received notification from the centralized state collection entity that the debtor has paid the debt or has entered into an agreement with the centralized state collection entity for satisfactory payment of the debt, or that the centralized state collection entity is no longer pursuing the debt.

Subd. 4. [IDENTIFICATION OF LICENSEES.] Upon written request of the centralized state collection entity, a licensing authority shall provide the centralized state collection entity with a list of all licensees, including the name, address, business name and address, social security number, and business identification number of each licensee. The licensing authority is not required to provide a list of the licensees to the centralized state collection entity more than once each calendar year.

Sec. 23. [16C.21] [UNCOLLECTIBLE DEBTS.]

When a debt is determined by the state agency to be uncollectible, the debt may be written off by the state agency from the state agency's financial accounting records and no longer recognized as an account receivable for financial reporting purposes. A debt is considered to be uncollectible when (1) all reasonable collection efforts have been exhausted, (2) the cost of further collection action will exceed the amount recoverable, (3) the debt is legally without merit or cannot be substantiated by evidence, (4) the debtor cannot be located, (5) the available assets or income, current or anticipated, which may be available for payment of the debt are insufficient, (6) the debt was discharged in bankruptcy, (7) the applicable statute of limitations for collection of the debt has expired, or (8) it is not in the public interest to pursue collection of the debt. The determination of the uncollectibility of a debt must be reported by the state agency along with the basis for that decision as part of its quarterly reports to the department of finance. Determining that the debt is uncollectible does not cancel the legal obligation of the debtor to pay the debt.

Sec. 24. [16C.22] [CASE REVIEWER.]

The centralized state collection entity shall make a case reviewer available to debtors. The reviewer must be available to answer a debtor's questions concerning the collection process and to review the collection activity taken. If the reviewer reasonably believes that the particular action being taken is unreasonable or unfair, the reviewer may make recommendations to the director of the centralized state collection entity in regard to the collection action.

Sec. 25. Minnesota Statutes 1992, section 168A.05, subdivision 2, is amended to read:

Subd. 2. [RECORD OF CERTIFICATES ISSUED.] The department shall maintain a record of all certificates of title issued by it:

- (1) Under a distinctive title number assigned to the vehicle;
- (2) By vehicle identifying number;
- (3) Alphabetically, under the name of the owner.

Such record shall consist of the certificate of title, including the notations of all security interests recorded, assigned, terminated, or released, liens filed by the centralized state collection entity of which the department has notice, of duplicate certificates issued or applied for, and such other information as the department may deem proper.

Sec. 26. Minnesota Statutes 1993 Supplement, section 168A.05, subdivision 3, is amended to read:

Subd. 3. [CONTENT OF CERTIFICATE.] Each certificate of title issued by the department shall contain:

- (1) the date issued;
- (2) the first, middle, and last names, the dates of birth, and addresses of all owners who are natural persons, the full names and addresses of all other owners;
- (3) the names and addresses of any secured parties in the order of priority as shown on the application, or if the application is based on a certificate of title, as shown on the certificate, or as otherwise determined by the department;
- (4) any liens filed by the centralized state collection entity against the owner;
- (5) the title number assigned to the vehicle;
- (6) a description of the vehicle including, so far as the following data exists, its make, model, year, identifying number, type of body, whether new or used, and if a new vehicle, the date of the first sale of the vehicle for use;
- (7) with respect to motor vehicles subject to the provisions of section 325E.15, the true cumulative mileage registered on the odometer or that the actual mileage is unknown if the odometer reading is known by the owner to be different from the true mileage;
- (8) with respect to vehicles subject to sections 325F.6641 and 325F.6642, the appropriate term "flood damaged," "rebuilt," "prior salvage," or "reconstructed"; and
- (9) any other data the department prescribes.

Sec. 27. Minnesota Statutes 1992, section 168A.05, subdivision 7, is amended to read:

Subd. 7. [JUDICIAL PROCESS RELATING TO CERTIFICATE OR VEHICLE.] A certificate of title for a vehicle is not subject to garnishment, attachment, execution, or other judicial process, but this subdivision does not prevent a lawful levy upon the vehicle or the lawful enforcement of an administrative lien or judgment lien filed by the centralized state collection entity.

Sec. 28. Minnesota Statutes 1992, section 168A.05, is amended by adding a subdivision to read:

Subd. 8. [LIENS FILED BY THE CENTRALIZED STATE COLLECTION ENTITY.] If the centralized state collection entity notifies the department that the owner is a debtor for judgment debt pursued by the centralized state collection entity, when title is applied for the department shall enter a lien on the title in the name of the state of Minnesota. The lien on the title is subordinate to any prior security interest perfected in accordance with section 168A.17 and shall otherwise be treated in the same manner as other title liens.

Sec. 29. Minnesota Statutes 1992, section 270A.03, subdivision 2, is amended to read:

Subd. 2. [CLAIMANT AGENCY.] "Claimant agency" means any state agency, as defined by section 14.02, subdivision 2, the regents of the University of Minnesota, any district court of the state, any county, any statutory or home rule charter city presenting a claim for a municipal hospital, a hospital district, any public agency responsible for child support enforcement, and any public agency responsible for the collection of court-ordered restitution, and the centralized state collection entity.

Sec. 30. Minnesota Statutes 1992, section 272.488, subdivision 1, is amended to read:

Subdivision 1. [FILING OF NOTICES WITH COUNTY RECORDERS.] Notices of federal tax liens, certificates, or revocations of certificates of release of federal tax liens, and refiled notices of any of those items, and any other notices affecting federal tax liens that are required to be filed with the county recorder, in a form prescribed by the Internal

Revenue Service, may be filed with the county recorder ~~or the secretary of state~~ by mail, personal delivery, or by electronic transmission by the Secretary of the Treasury of the United States or a delegate into the computerized filing system of the secretary of state authorized under section 336.9-411. The secretary of state shall act as the agent of the county recorder and shall transmit the notice electronically to the office of the county recorder, ~~if that is the place of filing, in the county or counties shown on the computer entry. REPORTS OF STANDING COMMITTEES

Rice from the Committee on Economic Development, Infrastructure and Regulation Finance to which was referred:

H. F. No. 2227, A bill for an act relating to utilities; mandating studies of effects of earth as conductor of electricity, stray voltage, and electromagnetic fields; providing complaint procedure and remedies; appropriating money.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [TEAM OF SCIENCE ADVISORS.]

Subdivision 1. [CREATION.] The public utilities commission shall, based on its judgment of persons suitable for the positions, appoint a team of science advisors consisting of at least five members, including members with education and experience in scientific specialties including physics, electrical engineering, animal physiology, veterinary medicine, dairy science, soil science specializing in the electrical nature of soil, or epidemiology. The science advisors may not include representatives from electric utilities or other parties with a financial interest in the outcome of the research recommended or performed by the science advisors.

The commission shall appoint a representative from the scientific community to serve as liaison between the commission and the science advisors.

Subd. 2. [PRELIMINARY RESEARCH ASSESSMENT.] The science advisors shall conduct a preliminary assessment and report to the commission by January 1, 1995, on the need for research projects to identify and examine the potential for and actual effects on dairy cow production and animal health of current in the earth, originating from the utility distribution systems and other sources.

If the team of science advisors finds a need for research, it shall frame and recommend to the commission a specific research question or questions and the design, scope, and estimated cost of further research.

The commission shall order research based on the science advisors report and is granted the authority to assess utilities for activities and research consistent with sections 1 to 5.

Subd. 3. [SPECIFIC DUTIES.] The science advisors shall:

(1) review existing information from other sources, including information from other states and from dairy producers or farm organizations, on the use of the earth for carrying current and its effects on animal health and production and on human health and report to the commission on its findings and recommendations;

(2) determine the qualifications of researchers and make recommendations to the commission on their selection;

(3) explore the availability of nonstate and nonutility funds for research under subdivision 2;

(4) monitor ongoing research into the use of the earth for carrying current and its effects on animal health and production;

(5) submit study results for proper scientific peer review; and

(6) make on-site visits to farms with formal and informal complaints concerning stray voltage and use of the earth as the conductor.

Subd. 4. [FINDINGS AND RECOMMENDATIONS.] The science advisors shall report findings and recommendations to the commission regarding potential actions to mitigate or eliminate any effects found from current in the earth on dairy cow production or animal health.

Subd. 5. [INDEPENDENT RESEARCHERS REQUIRED.] The commission may only contract with researchers to conduct research under this section who are not employed or contracted by, or receive funding from, public or municipal utilities, or cooperative electric associations for research or investigation of stray voltage or use of earth as a conductor of electric current.

Subd. 6. [RESEARCH DEADLINE.] The research conducted under this section and any recommendations by the science advisors to the commission must be completed and reported or made by June 30, 1996.

Subd. 7. [EXPIRATION.] The team of science advisors expires June 30, 1996.

Sec. 2. [SURVEY OF FACILITIES.]

(a) The public utilities commission shall determine the age and condition of electric distribution facilities in the state.

(b) Using research conducted under section 1, the science advisors shall determine the extent to which these facilities use the earth as a conductor of electric current, whether intentionally or unintentionally, and shall study the risks to dairy animal health and productivity associated with the practice of bonding distribution system conductors to the earth.

(c) At the recommendation of the team of science advisors, the commission may order the production of any records, maps, plans, or any other documents, testimony, or recollections, relating to stray voltage, ground current, or similar phenomenon, of any owner or operator of any distribution facility or any employee of any owner or operator or any other person with knowledge related to the issue of using the earth to conduct electric current. Data collected by the commission under this section is subject to Minnesota Statutes, chapter 13.

Sec. 3. [DAIRY PRODUCER DATA.]

(a) The department of public service may contract with dairy producers or an organization of producers to address stray voltage issues for the preparation, analysis, and presentation of data related to ground currents and dairy herd health and production to the science advisors.

(b) Within 90 days of contract execution, contractees must complete the preparation of data for review by the science advisors and submit the analysis and recommendations to the science advisors.

(c) Contractees must provide to the department a specific accounting of eligible contract expenditures.

(d) Contractees must also provide a proposed budget to the department that includes performance objectives and deadlines for meeting those objectives.

(e) Data presented for review is public data under Minnesota Statutes, chapter 13.

Sec. 4. [ASSESSMENT.]

(a) To provide funding for activities required under this act, the public utilities commission and the department of public service shall assess a total of up to \$493,000 under Minnesota Statutes, section 216B.62, against public and municipal utilities providing electrical service and cooperative electric associations. The assessment must be deposited in the general fund. The assessment is not subject to the limits prescribed under Minnesota Statutes, section 216B.62, subdivision 3.

(b) Each utility or association shall be assessed in proportion that its gross operating revenues for the sale of electric service within the state for the last calendar year bears to the total of those revenues for all public and municipal utilities and cooperative associations.

Sec. 5. [APPROPRIATIONS.]

Subdivision 1. [PUBLIC UTILITIES COMMISSION; STUDY COSTS.] \$245,000 is appropriated from the general fund to the public utilities commission.

\$75,000 of this appropriation is for administrative expenses of the commission under sections 1 and 2.

\$170,000 of this appropriation is for expenses of the team of scientific advisors and the commission liaison.

This appropriation remains available until June 30, 1995.

Subd. 2. [PUBLIC UTILITIES COMMISSION; RESEARCH PROJECTS.] \$150,000, or so much of this amount as may be needed, is appropriated from the general fund to the public utilities commission to initiate research projects in fiscal year 1995 as recommended by the team of science advisors and approved by the commission. Any amount of this appropriation that remains unencumbered after June 30, 1995, reverts to the general fund.

Subd. 3. [DEPARTMENT OF PUBLIC SERVICE.] \$98,000 is appropriated from the general fund to the department of public service.

Up to \$2,500 of this appropriation is for administrative costs of the department for oversight of activities under section 1.

Up to \$10,000 of this appropriation is for grants to producers or organizations of producers to allow participation in the proceedings of the team of science advisors. This amount is intended to provide reimbursement for mileage and other direct and actual expenses of farmers in production agriculture to enable the farmers to attend and participate in public hearings and deliberations of the science advisors. The department must establish informal procedures to be followed by applicants for reimbursement under this paragraph.

The balance of this appropriation is for contracts with producers or organizations of producers to prepare and analyze data for review by the team of science advisors.

This appropriation remains available until June 30, 1995.

Sec. 6. [EFFECTIVE DATE.]

This act is effective the day following final enactment."

"Sec. 14. Laws 1992, chapter 549, article 9, section 22, is amended to read:

Sec. 22. [GROSS RECEIPTS TAX; EFFECTIVE DATE.]

Sections 1 and 16 to 21 are effective the day following final enactment. Section 4 is effective for taxable years beginning after December 31, 1992. Section 7, subdivision 1, is effective for gross revenues generated by services performed and goods sold after December 31, 1992. Section 7, subdivisions 2 to 4, are effective for gross revenues generated by services performed and goods sold after December 31, 1993. Section 8 is effective for hospitals and surgical centers for gross revenues generated by services performed and goods sold after December 31, 1992, except the exclusion under subdivision 1, clause (6) applies to payments for prescription drug purchases made after December 31, 1993. Section 8 is effective for health care providers for gross revenues generated by services performed and goods sold after December 31, 1993, except the exclusion under subdivision 1, clause (6) applies to payments for prescription drug purchases made after December 31, 1993. Sections 14 and 15 are effective July 1, 1992.

Sec. 15. [CLARIFICATION; STATEMENT OF INTENT.]

The amendment in section 14 corrects and clarifies an effective date in the 1992 legislation enacting the gross receipts tax on hospitals and health care providers. This legislation imposed a gross receipts tax on hospitals effective January 1, 1993 and on health care providers and wholesale drug distributors effective January 1, 1994. To avoid double taxation or pyramiding of the tax burden, hospitals and health care providers were allowed an exclusion for amounts paid to wholesale drug distributors for prescription drugs. These amounts would already be taxed to the wholesale drug distributors. The section creating this exclusion did not contain an effective date. As a result, under Minnesota Statutes, section 645.02, the law may permit hospitals to deduct these amounts for prescription drugs purchased during 1993, even though no tax was imposed on the wholesale drug distributor and no double taxation or pyramiding of the tax could occur. Section 14 corrects this by providing an explicit effective date that makes it clear that the exclusion applies only after the wholesale drug distributor tax goes into effect."

(b) Sections 2, 3, 5, 10, and 11 and the section 13 amendment to section 295.582, creating paragraph (b), are effective July 1, 1994. The section 8 amendment to section 295.53, subdivision 1, creating clauses 16 to 18, is effective July 1, 1994.

(c) Section 6 is effective retroactively from January 1, 1994. Section 4 amending section 295.50, subdivision 3, and the section 8 amendment to section 295.53, subdivision 1, clause 6, are effective retroactively from January 1, 1994.

(d) The section 13 amendment to section 295.582, paragraph (a), is effective retroactively from January 1, 1993, except that it is effective for pharmacies and wholesale drug distributors July 1, 1994."

Delete everything after the enacting clause and insert:

"ARTICLE 1

Section 1. [216B.2425] [HIGH-LEVEL RADIOACTIVE WASTE MANAGEMENT; FUTURE ELECTRIC POWER.]

Subdivision 1. [FINDINGS.] (a) The legislature finds that:

(1) the manner in which high-level radioactive waste will be managed in the future and who will pay for its management and undertake its liabilities are uncertain at best;

(2) it is more likely than not that the state's future utility ratepayers or taxpayers will pay the potentially enormous costs of future management of high-level radioactive waste generated as spent fuel from nuclear power generating plants;

(3) it is unknown when spent nuclear fuel that is proposed to be stored in nontransportable storage casks on Prairie Island will be removed from the casks and from the island;

(4) it is unknown what the costs will be to remove and manage the spent fuel that is proposed to be stored in nontransportable storage casks on Prairie Island;

(5) it is uncertain how and at what cost the empty casks will be managed; and

(6) the potentially enormous costs of future management of the waste could cause economic hardship for the citizens of the state and damage economic growth.

(b) The legislature further finds that the storage of spent nuclear fuel in casks outside the nuclear power plant at Prairie Island would likely lengthen in time as costs for alternative management of the waste escalate given the very limited and uncertain viability of management alternatives for the future. This indefinite storage is likely to significantly undermine and perhaps destroy the past, present, and future economic and community development efforts undertaken by the Mdewakanton Dakota Tribe, whose territorial authority as a sovereign nation is limited to a portion of Prairie Island. The tribe and its individual members have developed a local economy and community that provide necessary economic and community survival resources both for its own members and for hundreds of other citizens of the state. The tribe has developed its local economy despite the severe territorial limitation and despite historical social and economic discrimination that actively has denied it and its members participation in the economic and social benefits of the world's most advanced economy and social and political institutions. It would be unconscionable for the state to jeopardize the significant economic and social contributions made by the tribe both to its own members and to other citizens of the state.

(c) Finally, the legislature finds that the technical and economic feasibility of phasing out nuclear power and generation of additional high-level radioactive waste and phasing in use of energy sources that do not generate highly toxic, expensive to manage byproducts and use of energy sources that are renewable, indigenous, and sustainable appears to be rapidly increasing with increasingly possible significant benefits for the state's economy, particularly in light of federal economic benefits to be captured by power producers and the state's economy in the area of development of renewable energy sources by December 31, 1999.

Subd. 2. [PROHIBITION.] Spent nuclear fuel and other high-level radioactive waste may not be stored on Prairie Island external to the structure of the nuclear power generating plant. If the public utility that owns and operates the power plant located on Prairie Island decides to propose a site for an independent spent fuel storage installation for spent fuel generated by the power plant it shall take into consideration all the factors listed in section 2, subdivision 4, clause (7), as further delineated by the legislative task force on electric energy.

Subd. 3. [AUTHORIZATION.] To the extent that the radioactive waste management act, section 116C.72, requires legislative authorization of the operation of radioactive waste management facilities, the continued operation of the Monticello nuclear generating plant spent nuclear fuel pool storage facility and the Prairie Island nuclear generating plant spent fuel pool storage facility is hereby authorized.

Subd. 4. [NUCLEAR POWER; REPLACEMENT.] (a) The public utility that owns and operates the nuclear power generating plant located on Prairie Island shall eliminate, not later than December 31, 2002, generation of electricity at that plant using nuclear fuel unless, by that date, the federal government or another entity:

(1) takes title to and complete responsibility for the spent nuclear fuel generated by the Prairie Island plant; and

(2) has begun transporting the waste from the state to a monitored retrievable storage facility as described in United States Code, title 42, section 10161, or to a high-level radioactive waste repository sited, constructed, and operated under United States Code, title 42, sections 10121 to 10145.

(b) The public utility shall include in each of its resource plans required to be submitted under section 216B.2422, after the effective date of this subdivision:

(1) a scheduled phase-out of the nuclear power plant at Prairie Island to comply with this subdivision;

(2) a plan for converting the existing nuclear power plant to use of natural gas or a nonfossil fuel if the legislative energy task force established in section 2 finds conversion feasible and prudent;

(3) a specific plan to utilize the maximum level of demand side management, efficiency, and conservation measures to achieve, not later than calendar year 2010, a consumption savings of a minimum of 5,400 gigawatt hours annually over the consumption level in 1990;

(4) specific plans for the development or purchase of electric power to replace capacity lost under this subdivision, both as phase-out and elimination of nuclear power occur.

(c) For replacement power needed prior to January 1, 2003, the public utility may generate electricity or purchase electricity generated using fossil fuel without capture of thermal energy for no more than a total of 50 percent of the power to be generated or purchased through 2002, unless the commission finds that a lower percentage should be applied.

(d) For replacement capacity and increased capacity to meet growth in demand after December 31, 2002, the public utility shall generate electricity or purchase electricity generated utilizing wind, solar, biomass, low-head hydro, geothermal, or other renewable energy resources other than high-head hydro, except that up to 25 percent of replacement or increased capacity may be met by efficient natural gas cogeneration that captures and utilizes thermal energy.

(e) If workers at the Prairie Island power plant must be dislocated, even if the plant can be operated into the future or the plant can be converted to use of an alternative fuel, the public utility, in consultation with the commissioner of the department of jobs and training, shall determine whether sufficient dislocated worker assistance is available for workers at the plant. The public utility shall submit a plan for dislocated worker assistance to the legislative energy task force not later than June 1, 1995.

Subd. 5. [SPECIFIC DEVELOPMENT OF ALTERNATIVE ENERGY SOURCES.] The public utility that owns and operates the nuclear power generating plant at Prairie Island shall develop or purchase installed capacity of a minimum of:

(1) by July 1, 1998, 400 megawatts of electricity generated through wind energy conversion systems, which, if purchased, must be purchased through competitive bidding;

(2) by July 1, 1999, an additional 400 megawatts of electricity generated through wind energy conversion systems, which, if purchased, must be purchased through competitive bidding;

(3) by July 1, 1998, 100 megawatts of farm-grown, closed-loop biomass, which, if purchased, must be purchased through competitive bidding; and

(4) by July 1, 1999, an additional 100 megawatts of farm-grown, closed-loop biomass, which, if purchased, must be purchased through competitive bidding.

Sec. 2. [ELECTRIC ENERGY TASK FORCE.]

Subdivision 1. [FINDINGS.] The legislature finds that there exists insufficient information on the future management of high-level radioactive waste, the costs of that management, and the technical and economic feasibility of utilizing alternative energy resources. Before any legislative determinations may be reasonably made that are more specific than the determinations made in this act, the legislature needs detailed, credible, and reliable information on these issues.

Subd. 2. [ESTABLISHMENT.] (a) There is established a legislative electric energy task force to study future electric energy costs and solutions to make appropriate recommendations for legislation to ensure an environmentally and economically sustainable and advantageous electric energy supply.

(b) The task force consists of:

(1) six members of the house of representatives to be appointed by the speaker of the house;

(2) six members of the senate to be appointed by the subcommittee on committees.

(c) The task force may employ staff, contract for consulting services, and may reimburse the expenses of persons requested to assist it in its duties other than state employees or employees of electric utilities. The director of the legislative coordinating commission shall assist the task force in administrative matters. The task force shall elect co-chairs, one member of the house and one member of the senate.

Subd. 3. [FUTURE ENERGY SOLUTIONS; TECHNICAL AND ECONOMIC ANALYSIS.] In light of the electric energy guidelines established in subdivision 7 and in light of existing conservation improvement programs and plans, utility resource plans, and other existing energy plans and analyses, the legislative task force on energy shall undertake an analysis of the technical and economic feasibility of pursuing an electric energy future for the state that relies on environmentally and economically sustainable and advantageous electric energy supply. The task force shall contract with one or more energy policy experts and energy economists to assist it in its analysis. The task force may not contract for service nor employ any person who was involved in any capacity in any portion of any proceeding before the public utilities commission, the administrative law judge, the state court of appeals, or the Nuclear Regulatory Commission related to the dry cask storage proposal on Prairie Island.

The analysis must address at least the following:

(1) to the best of forecasting abilities, how much electric generation capacity and demand for electric energy is necessary to maintain a strong economy and a high quality of life in the state over the next 15 to 20 years; how is this demand level affected by achievement of the maximum reasonably feasible and cost effective demand side management and generation and distribution efficiencies;

(2) what alternative forms of energy can provide a stable supply of energy and are producible and sustainable in the state and over what period of time can they be developed and implemented;

(3) what are the costs to the state and ratepayers to ensure that new electric energy generation utilizes less environmentally damaging sources; how do those costs change as the time frame for development and implementation of new generation sources is compressed;

(4) what are the implications for delivery systems for energy produced in areas of the state that do not now have high volume transmission capability; are new transmission technologies being developed that can address some of the concerns with transmission; can a more dispersed electric generation system lessen the need for long distance transmission;

(5) what are the actual costs and benefits of purchasing electricity and fuel to generate electricity from outside the state; what are the present costs to the state's economy of exporting a large percentage of the state's energy dollars and what is the future economic impact of continuing to do so;

(6) are there benefits to be had from a large immediate investment in quickly implementing alternative electric energy sources in terms of developing an exportable technology and/or commodity; is it feasible to turn around the flow of dollars for energy so that the state imports dollars and exports energy and energy technology; what is a reasonable time frame for the shift if it is possible;

(7) are there taxation or regulatory barriers to developing more sustainable and less problematic electric energy generation; what are they specifically and how can they be specifically addressed;

(8) can an approach be developed that moves quickly to development and implementation of alternative energy sources that can be forgiving of interim failures but that is also sufficiently deliberate to ensure ultimate success on a large scale;

(9) in what specific ways can the state assist regional energy suppliers accelerate phasing out energy production processes that produce wastes or emissions that must necessarily be carefully controlled and monitored to minimize adverse effects on the environment and human health and to assist in developing and implementing base load energy production that both prevents or minimizes by its nature adverse environmental and human health effects and utilizes resources that are available or producible in the state;

(10) whether there is a need to establish additional dislocated worker assistance for workers at the Prairie Island nuclear power plant; if so, how that assistance should be structured;

(11) whether there is a need to establish some form of financial assistance for local communities who face difficult adjustments to lower property tax capacity when existing facilities are shut down or decommissioned; if so, to what extent and how should that assistance be structured;

(12) can the state monitor, evaluate, and affect federal actions relating to permanent storage of high level radioactive waste; what actions by the state over what period of time would expedite federal action to take responsibility for the waste;

(13) should the state establish a legislative oversight commission on energy issues; should the responsibilities of an oversight commission be coordinated with the activities of the public utilities commission and the department of public service and if so, how; and

(14) is it feasible to convert existing nuclear power and coal-fired electric generating plants to utilization of energy sources that result in significantly less environmental damage; if so, what are the short-term and long-term costs and benefits of doing so; how do shorter or longer time periods for conversion affect the cost/benefit analysis.

Subd. 4. [RADIOACTIVE WASTE MANAGEMENT; FUTURE AND ECONOMIC ANALYSIS.] The legislative task force shall also undertake a separate analysis of the future of and the economic effects of the continued generation of radioactive waste at the Prairie Island nuclear power plant. The task force shall include in its report under subdivision 5, a specific discussion of:

(1) the likelihood of the federal government or another entity taking complete responsibility and liability for the future management of the radioactive waste generated by the Prairie Island nuclear generating plant; when that shift in responsibility is likely to occur; and to what extent utility ratepayers and shareholders and state taxpayers will be shielded from the costs to manage the waste in the future;

(2) the extent to which persons who may be at risk of personal injury or property damage due to foreseeable or unforeseeable catastrophic events that may allow the release of radioactivity from the nuclear power plant and associated activities could be fully compensated for the injuries or damage and by whom;

(3) a range of reasonable estimates of the costs to manage radioactive waste generated by the nuclear power plant under scenarios to be developed by the task force, ranging from monitoring the waste in the storage pool at Prairie Island to removal of waste from the state beginning in 1998 to permanent storage of the waste in the state; to the extent those costs will necessarily fall on present and future utility ratepayers and shareholders and state taxpayers, how to ensure they can be met without catastrophic disruption of the state's economy in the future; and whether funds should be set aside to ensure that present ratepayers pay the future costs of radioactive waste management based on volume of usage of electricity rather than on the rate structure of the utility;

(4) whether reprocessing and reuse of spent nuclear fuel generated by the Prairie Island nuclear generating plant is technically and economically feasible; if so, how to encourage development of reprocessing and reuse;

(5) if the waste is likely to be removed from the state, whether technologies are likely to be economically feasible in the relatively near future for minimizing the handling of the waste and minimizing contamination of additional materials that will need special management prior to transport out of the state, including the availability of combination storage and transport containers;

(6) if the waste is unlikely to be removed from the state or if waste will need to be indefinitely stored outside the power plants after decommissioning, whether sites for storage of the waste outside the structure of the Prairie Island power plant potentially can be found that minimize economic and social disruption, maximize environmental, health, and safety protection, minimize transportation distance, and place the burden of storage of the waste on those communities that enjoy the immediate economic benefits of the existence and operation of the power plants; if potential sites exist, what process should be used to identify and utilize them if necessary;

(7) factors to be used in siting a high-level radioactive waste management facility to include at least:

(i) the proximity of the site to residents and businesses;

(ii) the proximity of the site to surface waters;

(iii) the vulnerability of the site to tornadoes and other natural phenomena;

(iv) the benefits received and the costs incurred by the host and adjacent communities due to operation of the nuclear generating facility that produced the high-level radioactive waste to be managed at the proposed facility;

(v) the benefits received and costs incurred by the host and adjacent communities due to operation of the proposed waste management facility; and

(vi) the availability of transportation routes between the nuclear generating plant and the proposed waste management facility; and

(8) federal law related to the interstate transportation of high-level radioactive waste and how that law may operate in relation to an independent spent fuel storage installation located in the state.

Subd. 5. [REPORT AND RECOMMENDATIONS.] (a) The legislative task force may contract with independent experts, none of whom can have been involved in any capacity in any of the proceedings before the public utilities commission, the administrative law judge, or the court of appeals related to dry cask storage at Prairie Island or in any proceedings related to the license for the facility granted by the federal nuclear regulatory commission, to assist it with analysis of items and issues listed in subdivisions 3 and 4.

(b) The legislative task force shall convene a separate balanced group of experts in the fields of energy production and distribution and energy economics from within and without the state to include experts formerly or currently employed by the department of public service and/or the public utilities commission, an economist employed by the residential and small business division of the office of the attorney general, electric energy experts employed by utilities, experts from other states that have begun to implement policies for utilizing indigenous, sustainable energy sources, experts from public advocacy groups, and others to be determined by the task force. The task force shall request the group of experts to assist it in publicly examining and analyzing information received from the independent experts and in preparing the report required in paragraph (c).

(c) By January 15, 1996, the task force shall submit a report to the chairs of the committees in the house and in the senate that have responsibility for energy and for environmental and natural resources issues that contains an overview of plans and analyses that have been prepared to date, a critique of how those plans and analyses have resulted in implementation of the energy conservation and sources for generation policies and goals in Minnesota Statutes, chapters 216B and 216C, specific responses to the questions listed in subdivisions 3 and 4, and specific recommendations for legislative action that will ensure development and implementation of electric energy policy that will provide the state with adequate, sustainable, and economic electric power for the long term while utilizing, to the maximum reasonable extent, energy resources that are available or producible within the state and while developing, maintaining, and strengthening a viable and robust energy and utility infrastructure.

(d) By February 1, 1995, the task force shall submit to the chairs of the committees specified in paragraph (c), a preliminary report that provides:

(1) an overview of the current status of energy planning and implementation of those plans by state agencies and utilities, along with an analysis of the extent to which existing statutory energy policies and goals are being met for electric energy consumed in the state;

(2) an analysis of and any recommendations for adjustments to the specific targets set in section 1, subdivisions 4 and 5, relating to energy savings, electric generation sources for replacement and additional capacity needs, and development of wind and biomass energy sources; and

(3) as much information as the task force has been able to gather on future high-level radioactive waste management and transportation, including technologies and costs.

Subd. 6. [ASSESSMENT; APPROPRIATION.] On request by the co-chairs of the legislative task force and the director of the legislative coordinating commission, the commissioner of the department of public service shall assess from electric utilities, in addition to assessments made under Minnesota Statutes, section 216B.62, the amount requested for the studies and analysis required in subdivisions 3 and 4 and for operation of the task force not to exceed \$500,000. The amount assessed under this section is appropriated to the director of the legislative coordinating commission for payment of the authorized expenditures.

Subd. 7. [GUIDELINES; PREFERRED ELECTRIC GENERATION SOURCES; DEFINITIONS.] (a) The legislative task force on electric energy shall undertake its responsibilities in light of the guidelines specified in this subdivision.

(b) The highest priority in electric energy production and consumption is conservation of electric energy and management of demand by all segments of the community.

(c) The following energy sources for generating electric power distributed in the state, listed in their descending order of preference, based on minimizing long-term negative environmental, social, and economic burdens imposed by the specific energy sources, are:

(1) wind and solar;

(2) biomass and low-head or refurbished hydropower;

(3) decomposition gases produced by solid waste management facilities, natural gas-fired cogeneration, and waste materials or byproducts combined with natural gas;

(4) natural gas, hydropower that is not low-head or refurbished hydropower, and solid waste as a direct fuel or refuse-derived fuel; and

(5) coal and nuclear power.

(d) For the purposes of paragraph (c) within each clause, the more efficient an energy source is in generating electricity or the more efficient a technology is that utilizes an energy source, the more preferred it is for use in generating electricity for distribution and consumption in the state.

(e) For the purposes of paragraph (c), clauses (3) and (4), the use of waste materials and byproducts for generating electric power must be limited to those waste materials and byproducts that are necessarily generated or produced by efficient processes and systems. Preventing and minimizing waste and byproducts are preferred in every situation to relying on the continued generation or production of waste materials and byproducts.

(f) For the purposes of chapters 216B and 216C, "preferred" or "renewable" energy sources are those described in paragraph (c), clauses (1) to (3), and "subordinate" or "traditional" energy sources are those described in paragraph (c), clauses (4) and (5).

(g) For the purposes of this section:

(1) "biomass" means herbaceous crops, trees, agricultural waste, and aquatic plant matter, excluding mixed municipal solid waste, as defined in section 115A.03, used to generate electricity; and

(2) "low-head hydropower" means a hydropower facility that has a head of less than 66 feet.

Subd. 8. [SUBPOENA POWER.] The task force may issue a subpoena under Minnesota Statutes, section 3.153, to any person for production of information held by that person that is relevant to the work of the task force.

Sec. 3. [AUTHORIZATION; POOL RERACKING.]

A proposal to rerack, for the third time, the spent nuclear fuel pool storage facility at the Prairie Island nuclear generating plant is not subject to environmental review under Minnesota Statutes, chapters 116B and 116D, or to the requirement for a certificate of need under Minnesota Statutes, section 216B.243.

Sec. 4. [CONSTRUCTION.]

Nothing in this act may be construed as legislative authorization for any permanent high-level radioactive waste management facility.

ARTICLE 2

Section 1. Minnesota Statutes 1992, section 216A.03, is amended by adding a subdivision to read:

Subd. 6. [RECORD OF PROCEEDINGS.] An audio magnetic recording device shall be used to keep a record of all proceedings before the commission unless the commission provides a hearing reporter to record the proceeding.

Sec. 2. Minnesota Statutes 1992, section 216B.16, subdivision 8, is amended to read:

Subd. 8. [ADVERTISING EXPENSES.] The commission shall disapprove the portion of any rate which makes an allowance directly or indirectly for expenses incurred by a public utility to provide a public advertisement which:

(a) is designed to influence or has the effect of influencing public attitudes towards legislation or proposed legislation, or toward a rule, proposed rule, authorization or proposed authorization of the public utilities commission or other agency of government responsible for regulating a public utility;

(b) is designed to justify or otherwise support or defend a rate, proposed rate, practice or proposed practice of a public utility;

(c) is designed primarily to promote consumption of the services of the utility; or

(d) is designed primarily to promote good will for the public utility or improve the utility's public image; or

(e) is designed to promote the use of nuclear power or to promote a nuclear waste storage facility.

The commission may approve a rate which makes an allowance for expenses incurred by a public utility to disseminate information which:

(a) is designed to encourage conservation of energy supplies;

(b) is designed to promote safety; or

(c) is designed to inform and educate customers as to financial services made available to them by the public utility.

The commission shall not withhold approval of a rate because it makes an allowance for expenses incurred by the utility to disseminate information about corporate affairs to its owners.

Sec. 3. Minnesota Statutes 1992, section 216B.241, is amended by adding a subdivision to read:

Subd. 1c. [ENERGY-SAVING GOALS.] The commissioner shall establish energy-savings goals for energy conservation improvement expenditures and shall evaluate an energy conservation improvement program on how well it meets the goals set.

Sec. 4. [EFFECTIVE DATE.]

This article is effective the day following final enactment.

ARTICLE 3

Section 1. [216B.035] [INTERVENOR COMPENSATION.]

Subdivision 1. [DEFINITIONS.] For the purpose of this section, the following terms have the meanings given them:

(1) "certifying authority" means the administrative law judge assigned to a proceeding before the public utilities commission, or when a proceeding has not been assigned to the office of administrative hearings, the public utilities commission; and

(2) "intervenor" means a party in any of the following proceedings related to gas or electric utilities or service before the public utilities commission or in judicial review of a commission decision or order issued in the following proceedings, excluding a participant that provides gas or electric services:

(i) a proceeding referred to the office of administrative hearings;

(ii) a proceeding related to rates under section 216B.16;

(iii) a proceeding relating to competitive rates under section 216B.162;

(iv) a proceeding related to energy conservation improvements under section 216B.241;

(v) a proceeding related to certificate of need under section 216B.243;

(vi) a proceeding related to resource planning under section 216B.2422; or

(vii) any rulemaking proceeding.

Subd. 2. [ACCOUNT; ASSESSMENT; APPROPRIATION.] (a) A separate account in the state treasury is established for the purpose of compensating intervenors as provided in this section. Money in the account is appropriated to the commissioner of finance for the purpose of making payments as authorized in this section.

(b) The public utilities commission shall require each public utility, as defined in section 216B.02, subdivision 4, to make a deposit to the account by August 1, 1994. The deposits must, in aggregate, provide \$200,000 in revenue for the account, and must be apportioned among all public utilities in proportion to their respective gross operating revenues under section 216B.62, subdivision 3. By April 1 of each year, each public utility shall reimburse the account for compensation disbursed from the account in the preceding calendar year for proceedings in which the utility was a primary party. If more than one public utility is a primary party to the same proceeding, the commission shall determine the appropriate reimbursement amount for each public utility.

(c) Cooperative electric associations and municipal electric utilities need not make an initial deposit to the account, but shall reimburse the account according to paragraph (b).

Subd. 3. [COMPENSATION.] The commissioner of finance shall remit from the intervenor compensation account payment to an intervenor to reimburse the intervenor, subject to the limits in subdivision 4, paragraph (e), for reasonable fees, including attorney fees, expert witness fees, transcript fees, and other reasonable costs, including fees and costs of obtaining judicial review, provided the certifying authority determines that:

(1) the intervenor is a customer or represents customers of the utility that is the subject of the proceeding, or has substantial interests that may be affected by the outcome of the proceeding;

(2) the intervenor represents an interest material to the proceeding that is not represented by other parties to the proceeding;

(3) representation of the intervenor's interest will be necessary for a fair determination in the proceeding; and

(4) the intervenor cannot without undue hardship afford to pay the costs of participation and, in the case of a group or organization, the economic interest of the individual members of the organization is small in comparison to the costs of effective participation in the proceeding.

Subd. 4. [APPLICATION FOR COMPENSATION; COMPENSATION AMOUNTS.] (a) An intervenor seeking compensation under this section shall file an application for compensation with the certifying authority within 14 days after a notice of hearing is issued or on the same date initial comments are due in a noncontested matter. The application must include the following:

(1) a clear statement of the interest represented by the intervenor;

(2) an itemized estimation of the cost of the intervention; and

(3) financial statements and other information necessary to establish undue hardship.

(b) Comments or objections regarding the application for compensation must be filed with the certifying authority within ten days of filing of the application. The certifying authority may grant leave to file a late application if the applicant provides a reasonable justification for the delay.

(c) The certifying authority shall decide whether and in what amount to authorize compensation within 30 days of receipt of the application for compensation. The certifying authority may authorize partial payments to be disbursed as an intervenor's work progresses upon a showing by the intervenor that such payments are essential for effective participation in the proceeding.

(d) The certifying authority may authorize supplemental compensation in excess of the amount initially authorized if, for legitimate reasons, the costs of participation were underestimated or if additional funds would substantially improve the ability of the intervenor to contribute to the proceeding.

(e) The total amount of compensation authorized under paragraphs (c) and (d) may not exceed \$40,000 for any intervenor in any proceeding unless the certifying authority finds that additional compensation is required for effective participation due to the unusual complexity or duration of the proceeding.

Subd. 5. [ACCOUNTING; CLAIM FOR PAYMENT.] Within 30 days of issuance of the final order in the proceeding for which compensation was authorized under this section, the intervenor for whom the compensation was authorized shall file with the certifying authority and the commissioner of finance a claim for payment. The claim must include full documentation of fees and expenses, including the costs of studies, engineering reports, tests, or projects related to the proceeding. Documentation must also include an affidavit from each attorney, agent, or expert witness that represented or appeared on behalf of the intervenor that states the specific services rendered, the actual time spent for each service, and the rate at which fees were computed for providing each service.

Subd. 6. [PAYMENT; REIMBURSEMENT.] (a) The certifying authority shall review each claim for payment filed under subdivision 5, along with any other relevant material submitted. The certifying authority shall authorize payment of compensation within 30 days of the receipt of the claim, less any partial payments that were authorized under subdivision 4, paragraph (c). The commissioner of finance shall remit authorized payment to the intervenor after receipt of authorization from the certifying authority.

(b) Payment may be denied for unauthorized expenses or if the certifying authority finds that the applicant failed to represent the interest for which the application for compensation was approved. An intervenor shall reimburse the commissioner for any partial payments received that the certifying authority determines were not compensable under this section. Reimbursement received by the commissioner under this section must be deposited in the intervenor compensation account.

Sec. 2. [REPEALER.]

Minnesota Statutes 1992, section 216B.16, subdivision 10, is repealed.

Sec. 3. [EFFECTIVE DATE.]

This article is effective the day following final enactment and applies to proceedings begun on or after or pending on that date."

S. F. No. 2710 was reported to the House.

Clark moved to amend S. F. No. 2710 as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 144.871, subdivision 2, is amended to read:

Subd. 2. [ABATEMENT.] "Abatement" means ~~removal of, replacement of, or encapsulation of any set of procedures designed to remove, replace, or encapsulate~~ deteriorated paint, bare soil, dust, drinking water, or other lead-containing materials that are or may become readily accessible during the lead abatement process and pose an immediate threat of actual lead exposure to people and includes preparation, cleanup, and disposal.

Sec. 2. Minnesota Statutes 1992, section 144.871, is amended by adding a subdivision to read:

Subd. 5a. [DETERIORATED PAINT.] "Deteriorated paint" or "deteriorating paint" means paint that is chipped, peeled, or otherwise separated from its substrate or that is attached to damaged substrate.

Sec. 3. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 3, is amended to read:

Subd. 3. [~~SWAB TEAMS; LEAD ASSESSMENT; LEAD ABATEMENT ORDERS.~~] A board of health must order a property owner to perform abatement on a lead source that exceeds a standard adopted according to section 144.878 at the residence of a child with an elevated blood lead level or a pregnant woman with a blood lead level of at least ten micrograms per deciliter. If the paint standard under section 144.878 is violated, but the paint is intact, the board of health must not order paint removal unless the intact paint is a known source, or reasonably expected to be a source, of actual lead exposure to a specific person. Before the board of health may order the intact paint to be removed, a reasonable effort must be made to protect the child and preserve the intact paint by the use of guards or other protective devices. Lead abatement orders must require that any source of damage, such as leaking roofs, plumbing, and windows, must be repaired or replaced, as needed, to prevent damage to lead-containing interior surfaces. The board of health is not required to pay for lead abatement. With each lead abatement order, the board of health must coordinate with swab team abatement and provide a residential lead abatement guide.

Sec. 4. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 11a, is amended to read:

Subd. 11a. [LEAD ABATEMENT AND LEAD-SAFE WORK DIRECTIVES.] (a) In order to achieve statewide consistency in the application of lead abatement standards, the commissioner shall issue program directives that interpret the application of rules under section 144.878 in ambiguous or unusual lead abatement situations. These

directives are guidelines to local boards of health. The commissioner shall periodically review the evaluation of lead abatement orders and the program directives to determine if the rules under section 144.878 need to be amended to reflect new understanding of lead abatement practices and methods.

(b) By July 1, 1995, the commissioner shall work cooperatively with the commissioner of administration to develop provisions, procedures, and directives to define residential remodeling, renovation, installation, and rehabilitation activities that are not lead abatement but may disrupt lead-based paint surfaces. The directives and provisions must define lead-safe procedures for nonlead abatement activities including preparation, cleanup, and disposal procedures, and must define the levels of training or certification necessary to learn and follow the directives. The directives must be based on the different levels and types of work involved and the potential for lead hazards. The directives must address activities including, but not limited to, painting, remodeling, weatherization, installation of cable, wire, plumbing, and gas, and replacement of doors and windows. The commissioners of health and administration shall consult with representatives of builders, weatherization providers, nonprofit rehabilitation organizations, a representative of each of the affected trades, and housing and redevelopment authorities in developing the directives and procedures. The commissioner of health shall report to the legislature by January 15, 1995, regarding development of the provisions required under this subdivision.

Sec. 5. [144.8711] [EXEMPTIONS.]

The provisions of sections 144.876 and 144.878, subdivision 5, do not apply to homeowners, apartment owners, farmers, and small business persons with 50 or fewer employees who do their own maintenance and remodeling work, or to small contractors, excluding lead abatement contractors. In no case shall they apply until after provisions, directives, and procedures are developed under section 144.874, subdivision 11a, in consultation with the affected industry representatives. Nothing in this section affects any federal grant from the Department of Housing and Urban Development or state financed swab teams.

Sec. 6. [144.8712] [EFFECTIVE DATES DELAYED.]

The requirement for testing of intact paint in Minnesota Rules, part 4761.0100, "Applicability," paragraph C, shall not be effective until July 1, 1995.

Sec. 7. Minnesota Statutes 1993 Supplement, section 144.878, subdivision 2, is amended to read:

Subd. 2. [LEAD STANDARDS AND ABATEMENT METHODS.] (a) The commissioner shall adopt rules establishing standards and abatement methods for lead in paint, dust, and drinking water, and soil in a manner that protects public health and the environment for all residences, including residences also used for a commercial purpose.

(b) The commissioner shall differentiate between intact paint and deteriorating paint. The commissioner and political subdivisions shall require abatement of intact paint only if the commissioner or political subdivision finds that the intact paint is on a chewable or lead-dust producing surface that is a known source or reasonably expected to be a source of actual lead exposure to a specific person. The commissioner shall determine which practices under section 144.874, subdivision 11a, may be used for lead-safe work including preparation and cleanup. The commissioner shall work cooperatively with the commissioner of the pollution control agency to develop disposal procedures. In adopting rules under this subdivision, the commissioner shall require the best available technology for lead abatement methods, paint stabilization, and repainting.

(b) (c) The commissioner of health shall adopt standards and abatement methods for lead in bare soil on playgrounds and residential property in a manner to protect public health and the environment. The commissioner shall adopt a maximum standard of 100 parts of lead per million in bare soil, unless it is proven that a different standard provides greater protection of public health.

(e) (d) The commissioner of the pollution control agency shall adopt rules to ensure that removal of exterior lead-based coatings from residential property by abrasive blasting methods is conducted in a manner that protects public health and the environment.

(d) (e) All standards adopted under this subdivision must provide reasonable margins of safety that are consistent with a detailed review of scientific evidence and an emphasis on overprotection rather than underprotection when the scientific evidence is ambiguous. The rules must apply to any individual performing or ordering the performance of lead abatement.

(e) (f) No unit of local government may have an ordinance or regulation governing lead abatement methods for lead in paint, dust, or soil for residences and residential land that require a different lead abatement method than the lead abatement standards established under sections 144.871 to 144.879.

(g) The commissioner shall adopt standards and abatement methods for lead in drinking water in a manner to protect the public health and the environment. The commissioner shall adopt rules for controlling lead in drinking water as contained in Code of Federal Regulations, title 40, part 141. Samples collected for the purposes of lead analysis of drinking water shall be done in accordance with lab certification requirements and analytical techniques specified by the Code of Federal Regulations, title 40, part 141.89.

Sec. 8. Minnesota Statutes 1993 Supplement, section 144.878, subdivision 5, is amended to read:

Subd. 5. [LEAD ABATEMENT CONTRACTORS AND EMPLOYEES.] The commissioner shall adopt rules to license lead abatement contractors, and to certify employees of lead abatement contractors who perform abatement, and to certify lead abatement trainers who provide lead abatement training for contractors, employees, or other lead abatement trainers. ~~A person who performs painting, renovation, rehabilitation, remodeling, or other residential work that is not lead abatement need not be a licensed lead abatement contractor. By July 1, 1994, a person who performs work that removes intact paint on residences built before February 27, 1978, must determine whether lead sources are present and whether the planned work would be lead abatement as defined in section 144.871, subdivision 2. This determination may be made by quantitative chemical analysis, X-ray fluorescence analyzer, or chemical spot test using sodium rhodizonate. If lead sources are identified, the work must be performed by a licensed lead abatement contractor. An owner of an owner-occupied residence with one or two units is not subject to the requirements under this subdivision.~~ All lead abatement training must include a hands-on component and instruction on the health effects of lead exposure, the use of personal protective equipment, workplace hazards and safety problems, abatement methods and work practices, decontamination procedures, cleanup and waste disposal procedures, lead monitoring and testing methods, and legal rights and responsibilities. The commissioner shall adopt rules to approve lead abatement training courses and to charge a fee for approval. At least 30 days before publishing initial notice of proposed rules under this subdivision on the licensing of lead abatement contractors, the commissioner shall submit the rules to the chairs of the health and human services committee in the house of representatives and the health care committee in the senate, and to any legislative committee on licensing created by the legislature.

Sec. 9. Minnesota Statutes 1992, section 144.878, is amended by adding a subdivision to read:

Subd. 5a. [RESIDENTIAL RENOVATION AND REMODELING.] A person who performs painting, renovation, rehabilitation, remodeling, demolition, or other residential work that is not lead abatement need not be a licensed lead abatement contractor. By July 1, 1995, a person who performs work that removes intact paint on residences built before February 27, 1978, must determine whether lead sources are present. This determination may be made by quantitative chemical analysis, X-ray fluorescence analyzer, or chemical spot test using sodium rhodizonate. If lead sources are identified, the work must be performed in accordance with the standard in section 144.878, subdivision 2, as modified by the program directives developed under section 144.874, subdivision 11a. An owner of an owner-occupied residence with one or two units is not subject to the requirements under this subdivision.

Sec. 10. [PROPOSAL FOR FEDERAL CONFORMING LEGISLATION.]

The commissioners of the pollution control agency and the department of health shall monitor federal rules proposed and adopted for lead hazard reduction of public buildings and structures under title X, of the federal Residential Lead-Based Paint Hazard Reduction Act of 1992, Public Law Number 102-550. The commissioner of health shall report to the legislature by February 1, 1995, with a legislative proposal to bring Minnesota law into conformance with the federal requirements for accreditation of training, inspection, contracting, and employment. The proposal shall be developed jointly with the commissioners of other affected agencies.

Sec. 11. [FEDERAL TRAINING GRANTS.]

The commissioner shall identify and apply for federal grants to subsidize the cost of the current lead abatement training program and to increase the number of certified trainers. The commissioner shall take necessary actions to expand the number of certified trainers, and increase the capacity of the current lead abatement training program to train and certify contractors and employees as required under section 144.876, subdivision 1, and rules adopted under section 144.878, subdivision 5.

Sec. 12. [STUDY OF INSURANCE OPTIONS FOR LEAD ABATEMENT.]

The commissioner of commerce shall report to the legislature by January 1, 1995, on the insurance options available to remodelers and lead abatement contractors. The report shall include recommendations on methods to limit the liability of remodelers and lead abatement contractors, including liability for consumer claims.

Sec. 13. [REVIEW AND CODIFICATION; LEAD LAWS AND STATUTES.]

The commissioners of health and the pollution control agency shall review current lead abatement and standards statutes, laws, and rules, and propose coding to the legislature by January 10, 1995.

"ARTICLE 1

LEGISLATIVE FINDINGS; NATURAL DISASTER RELIEF

Section 1. [FINDINGS.]

The legislature finds that the Minnesota agricultural economy and rural communities have been severely damaged by natural disasters in 1993. Cold weather, heavy snows, excessive rainfall, floods, near total crop failures, and grain diseases drastically reduced the income of farm families and the economic vitality of small towns throughout the state.

The legislature further finds that it is in the public interest to act promptly to provide assistance to farm operators and small businesses to restore economic stability, maintain a viable workforce, and reduce the emotional stress caused by the natural disasters. The legislature therefore provides for the implementation of appropriate disaster relief programs in this act.

ARTICLE 2

FARM AND SMALL BUSINESS LOAN INTEREST BUY-DOWN PROGRAM

Section 1. [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] The definitions in this section apply to this article.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of agriculture.

Subd. 3. [ELIGIBLE BORROWER.] "Eligible borrower" means a farmer or small business operator who applies to a participating lender for a loan and meets all qualifications established in section 2 and any further qualifications that may be announced by the commissioner.

Subd. 4. [FARMER.] "Farmer" means a state resident, a domestic family farm corporation, or a family farm partnership as defined in Minnesota Statutes, section 500.24, subdivision 2, operating a farm within the state.

Subd. 5. [FARM LOAN.] "Farm loan" means an original, extended, or renegotiated loan or line of credit obtained by a farmer from a lender for the purpose of financing the operations of a farm. A farm loan includes an open line of credit even though the maximum principal amount of the line of credit may not be drawn at any one time. A farm loan eligible for interest buy-down must have a maturity date of November 30, 1995, or earlier.

Subd. 6. [INTEREST BUY-DOWN.] "Interest buy-down" means a reduction in the effective interest rate on a farm loan or a small business loan to an eligible borrower due to partial payment of interest costs by the commissioner and partial reduction of interest costs by the participating lender.

Subd. 7. [LENDER.] "Lender" means a bank, credit union, or savings and loan association chartered by the state or federal government, a unit of the farm credit system, the Federal Deposit Insurance Corporation, or another financial institution approved by the commissioner.

Subd. 8. [PARTICIPATING LENDER.] "Participating lender" means a lender who has been granted participating lender status by the commissioner.

Subd. 9. [SMALL BUSINESS.] "Small business" means a business entity as defined in Minnesota Statutes, section 645.445, with its principal place of business in Minnesota.

Subd. 10. [SMALL BUSINESS LOAN.] "Small business loan" means an original, extended, or renegotiated loan or line of credit obtained by a small business for purposes of financing the operations of a small business. A small business loan eligible for interest buy-down must have a maturity date of November 30, 1995, or earlier.

Sec. 2. [ELIGIBILITY; FARM LOAN.]

A farmer is eligible for the farm loan interest buy-down program under this article if a participating lender determines that the farmer meets the criteria in this section.

(a) The farmer suffered significant losses during 1993 from a natural disaster and the farm operation faces economic stress without the assistance of the farm loan interest buy-down program. A determination of significant loss and economic stress by a lender is deemed reasonable and accurate without further audit or substantiation.

(b) The farmer has a reasonable opportunity for long-term financial viability in the farmer's current farm operation. A determination of financial viability by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Sec. 3. [ELIGIBILITY; SMALL BUSINESS LOAN.]

A small business is eligible for the small business loan interest buy-down program if a participating lender determines that the small business meets the criteria in this section.

(a) The small business received, or was eligible to receive, assistance from one or more federal programs because of a natural disaster that occurred during calendar year 1993.

(b) The small business has a reasonable opportunity for long-term financial viability in the small business's current operation. A determination of financial viability by a lender is deemed to be reasonable and accurate without further audit or substantiation.

Sec. 4. [LENDER ELIGIBILITY; OBLIGATIONS; TIMELY APPLICATION.]

Subdivision 1. [ELIGIBLE PARTICIPATING LENDER STATUS.] A lender who meets the requirements established by the commissioner must be approved as a participating lender.

Subd. 2. [RECEIPT OF APPLICATIONS FOR INTEREST BUY-DOWN.] A participating lender shall receive and evaluate loan applications from a farmer or small business. An eligible borrower must complete a loan application with a participating lender before December 31, 1994. In determining whether to make a farm or small business loan, the participating lender may use criteria in addition to those in sections 2 and 3.

Subd. 3. [MAXIMUM INTEREST RATE.] To qualify for interest buy-down payments, a participating lender shall offer to make a farm or small business loan to an eligible borrower at a rate of interest equivalent to that offered to other borrowers having similar security and financial status, less the lender's contribution under the program. The commissioner, in cooperation with the commissioner of commerce, may use appropriate means to verify that the interest rate available to an eligible borrower is substantially the same as that available to other borrowers.

Subd. 4. [PRIORITY.] Properly completed applications for the interest buy-down program take priority in the order they are received by the commissioner.

Sec. 5. [RESPONSIBILITIES OF COMMISSIONER.]

Subdivision 1. [ANNOUNCEMENT OF PROGRAM PROCEDURES.] Within 30 days after the effective date of this article, the commissioner shall announce procedures for the interest buy-down program.

Subd. 2. [PREPARATION AND DISTRIBUTION OF LENDER PARTICIPATION FORMS.] The commissioner, in cooperation with the commissioner of commerce, shall prepare and distribute forms and instructions, including forms for the statement required under section 8, to all lenders in the state.

Subd. 3. [APPROVAL OF APPLICATIONS FOR INTEREST BUY-DOWN PAYMENT.] (a) The commissioner shall review, within five working days of submission by a participating lender, a properly completed application for interest buy-down payments on a farm or small business loan. If a participating lender does not receive written notice that the commissioner has denied interest buy-down payments within seven working days, the borrower is an eligible borrower and interest buy-down payments on the farm or small business loan are approved by the commissioner.

(b) All applications received by the commissioner after appropriated interest buy-down program funds have been encumbered, plus an amount anticipated to become available because of loans that may be retired early, must be returned immediately to the lender with an explanation that participation in the interest buy-down program is denied due to prior commitment of available program funds.

Subd. 4. [BUY-DOWN PAYMENTS TO PARTICIPATING LENDERS.] Within 60 days after a request by a participating lender, the commissioner shall pay to the participating lender one-half of the expected interest buy-down amount. The balance of the state contribution must be paid by the commissioner to the participating lender within 30 days after the loan matures or is repaid in full and the request is submitted by the participating lender. All interest buy-down payments under this article must be made by joint-payee checks in the name of the participating lender and the eligible borrower.

Sec. 6. [STATE CONTRIBUTION; MAXIMUM LOAN.]

The commissioner shall pay to a participating lender for the first \$50,000 of an approved farm or small business loan made to an eligible borrower an amount equal to an annual rate of three percent interest on the loan, but the payment may not exceed \$2,250 per farm or small business loan.

Sec. 7. [LENDER CONTRIBUTION.]

A participating lender shall provide a reduction in interest rate for the first \$50,000 of an approved farm or small business loan made to an eligible borrower in an amount equal to an annual rate of at least one-half of one percent interest on the loan.

Sec. 8. [BORROWER STATEMENT.]

No person may receive a farm or small business loan under this article until the person has signed a statement acknowledging that the relief provided in the interest buy-down program is a form of government spending that has been made available to the person through the collection of taxes. The commissioner must retain a copy of the statement from each recipient.

Sec. 9. [APPROPRIATION; INTEREST BUY-DOWN.]

(a) 15,750,000 is appropriated from the general fund to the commissioner of agriculture for the interest buy-down program in sections 1 to 7. Any unencumbered balance remaining on July 1, 1995, does not cancel but is transferred to and becomes additional funding for the emergency job creation program in article 9, section 1. Not more than \$100,000 of this appropriation may be used by the commissioner for program administrative costs.

(b) The commissioner shall not approve an application for a loan under the interest buy-down program after the appropriation for the program, plus an amount anticipated to become available because of loans that may be retired early, has been fully committed.

Sec. 10. [EFFECTIVE DATE.]

This article is effective the day following final enactment.

ARTICLE 3

SUPPLEMENTAL CROP DISASTER INSURANCE

Section 1. [CROP DISASTER INSURANCE.]

Subdivision 1. [STUDY.] The commissioner of agriculture, in consultation with the commissioner of commerce and farm and insurance organizations in Minnesota, shall perform a comprehensive study to determine the feasibility of establishing a captive nonprofit insurance company to provide supplemental crop disaster insurance coverage to farm operators. The captive insurance company would obtain reinsurance for at least 80 percent of its risk. The companies providing reinsurance would be allowed to invest assets in grain commodity options and the options must be considered admitted assets for purposes of state insurance regulation.

Subd. 2. [REPORT.] Not later than December 15, 1994, the commissioner of agriculture must report to the legislature on the findings and recommendations of the study in subdivision 1.

Sec. 2. [APPROPRIATION.]

\$250,000 is appropriated from the general fund to the commissioner of agriculture for purposes of the study and report in section 1.

ARTICLE 4

PROTEIN ANALYSIS EQUIPMENT LEASE PILOT PROGRAM

Section 1. [17B.042] [PROTEIN ANALYSIS EQUIPMENT; COMMISSIONER MAY PROVIDE BY LEASE.]

Subdivision 1. [EQUIPMENT LEASING PROGRAM; PURPOSE.] The legislature finds that Minnesota wheat producers face a critical problem because country elevators currently use a wide variety of technologies, brands, and models of wheat protein analysis equipment. Inaccurate and inconsistent protein readings on wheat samples result in the loss of millions of dollars of income each year for farmers, and contribute to further decline in the economic base of Minnesota's rural communities. The legislature further finds that country elevators often lack the resources

to acquire adequate, reliable protein testing equipment on their own. It is therefore found to be in the public interest for the commissioner of agriculture to establish a voluntary program to lease to country elevators, at cost, high quality wheat protein testing equipment.

Subd. 2. [SELECTION OF EQUIPMENT; PILOT LEASING PROGRAM.] Not later than April 1, 1995, the commissioner shall evaluate available wheat protein analysis equipment and determine a brand and model to be used in the pilot lease program. Selection may be made on the basis of competitive bid price but must also take into consideration operational factors such as reliability, replicability, durability, ease of calibration and use, and the availability of comprehensive operator training.

Subd. 3. [PARTICIPATION IN PILOT EQUIPMENT LEASE PROGRAM; ELIGIBILITY.] The commissioner shall designate up to eight counties in which to implement the pilot equipment lease program.

Subd. 4. [TERMS OF LEASE.] The commissioner shall establish terms and conditions of the protein equipment test program so that the cost of equipment will be amortized over the estimated useful life of the equipment.

(b) No more than 95 percent of the purchase price of the stock may be financed under this program.

(c) Loans under this program must not be included in the lifetime limitation calculated under section 41B.03, subdivision 1.

(d) Security for stock loans must be the stock purchased, a personal note executed by the borrower, and whatever other security is required by the eligible lender or the authority.

(e) The authority may impose a reasonable nonrefundable application fee for each application for a stock loan. The authority may review the fee annually and make adjustments as necessary. The application fee is initially \$50. Application fees received by the authority must be deposited in the value-added agricultural product revolving fund.

ARTICLE 8

CORPORATE FARMING LAW TASK FORCE

Section 1. [CORPORATE FARMING LAW TASK FORCE.]

Subdivision 1. [PURPOSE.] Current Minnesota law generally precludes corporations from owning farm land or operating a farming enterprise. Corporate farming law has been developed over a period of 14 decades, and the development has included numerous changes to accommodate shifting priorities in agriculture and a recognition that

the economic and social climate of the state is not static. There is a concern whether current corporate farming law, especially as it relates to the breeding and raising of swine, represents the appropriate balance between protection of family farms and opportunity for creative new enterprise structures organized by multiple farmers. Farmers wish to support a corporate farming law that is in the overall best interest of production agriculture and preservation of the family farm unit as the main component of the agricultural economy in the state. The study, legislative report, and legislative recommendations authorized by this section will increase public and legislative understanding of the issues involved.

Subd. 2. [CREATION; MEMBERSHIP.] (a) There is hereby created a corporate farming law task force with ten members appointed as follows:

(1) the chairs of the agriculture policy committees of the Minnesota senate and house of representatives, or their designees;

(2) two members of the Minnesota house of representatives appointed by the speaker of the house;

(3) one member of the Minnesota house of representatives appointed by the minority leader of the house;

(4) two members of the Minnesota senate appointed by the senate committee on rules and administration;

(5) one member of the Minnesota senate appointed by the minority leader of the senate;

(6) one member with education and experience in the area of agricultural economics appointed by the governor of Minnesota; and

(7) one member who is the operator of a production agriculture farm in Minnesota appointed by the governor.

(b) Each of the appointing authorities must make their respective appointments not later than June 15, 1994.

(c) Citizen members of the task force may be reimbursed for expenses as provided in Minnesota Statutes, section 15.059, subdivision 6.

(d) The first meeting of the task force must be called and convened by the chairs of the agriculture policy committees of the senate and the house of representatives. Task force members must then elect a permanent chair from among the task force members.

Subd. 3. [CHARGE.] The task force must examine current and projected impacts of corporate farming enterprises on the economic, social, and environmental conditions and structures of rural Minnesota. The study should consider probable impacts on both agriculture related and nonagricultural businesses in rural communities. Issues of nonpoint source pollution and other environmental issues must also be considered.

Subd. 4. [RESOURCES; STAFF SUPPORT; CONTRACT SERVICES.] The commissioner of agriculture shall provide necessary resources and staff support for the meetings, hearings, activities, and report of the task force. To the extent the task force determines it appropriate to contract with nonstate providers for research or analytical services, the commissioner shall serve as the fiscal agent for the task force. To the extent practicable, the task force may also use services and resources of the Farmers' Legal Action Group, Inc.

Subd. 5. [PUBLIC HEARINGS.] The task force shall hold at least four public hearings on the issue of corporate farming law, with specific emphasis on appropriate regulation of business structures involved in swine breeding and raising. At least three of the hearings must be held in greater Minnesota.

Subd. 6. [REPORT.] Not later than February 15, 1995, the corporate farming law task force shall report to the legislature on the findings of its study. The report must include recommendations for changes in Minnesota Statutes and rules of the department of agriculture that are negative to the best interests of production agriculture in the state and the economic, environmental, and social environment and preservation of the family farm.

Subd. 7. [EXPIRATION.] The corporate farming law task force expires 45 days after its report and recommendations are delivered to the legislature or on May 15, 1995, whichever date is earlier.

Sec. 2. [APPROPRIATION; CORPORATE FARMING LAW TASK FORCE.]

\$50,000 is appropriated from the general fund to the commissioner of agriculture to provide staff and research support for the corporate farming law task force in section 1.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 are effective the day following final enactment.

ARTICLE 9

The research should be designed to minimize the adverse effects of future wheat scab infestations in the short term while seeking to fully eliminate the problem in the long term.

Before making grants under this section, the commissioner shall develop grant criteria priorities including:

- (1) locating a small grains specialist in the wheat growing area of the state;

(f) In addition to any assistance received under paragraph (b) or (c), a project may receive grant assistance for the cost of tests necessary to determine the appropriate pollution control equipment for the project or the environmental effects of the use of any product or material produced by the project.

(g) In addition to the application requirements of section 115A.51, an application for a project serving eligible jurisdictions in only a single county must demonstrate that cooperation with jurisdictions in other counties to develop the project is not needed or not feasible. Each application must also demonstrate that the project is not financially prudent without the state assistance, because of the applicant's financial capacity and the problems inherent in the waste management situation in the area, particularly transportation distances and limited waste supply and markets for resources recovered.

(h) For the purposes of this subdivision, a "project" means a processing facility, together with any transfer stations, transmission facilities, and other related and appurtenant facilities primarily serving the processing facility. The director shall adopt rules for the program by July 1, 1985.

(i) Notwithstanding anything in this subdivision to the contrary, a project to construct a new mixed municipal solid waste transfer station that has an enforceable long-term commitment to serve an existing resource recovery facility may receive grant assistance up to 75 percent of the capital cost of the project if addition of the transfer station will increase substantially the geographical area served by the resource recovery facility and the ability of the resource recovery facility to operate more efficiently on a regional basis and the facility meets the criteria in paragraph (c), the second clause (2). A transfer station eligible for assistance under this paragraph is not eligible for assistance under any other paragraph of this subdivision.

Sec. 5. Minnesota Statutes 1992, section 115A.554, is amended to read:

batteries. Manufacturers may act as a group or through a representative organization. The pilot projects must run for a minimum of 18 months and be designed to collect sufficient statewide data for the design and implementation of permanent collection and management programs that may be reasonably expected to collect at least 90 percent of waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state.

By December 1, 1991, the manufacturers or their representative organization shall submit plans for the projects to the legislative commission. ~~At least every six months during the pilot projects the manufacturers shall submit progress reports to the commission. The commission shall review the plans and progress reports.~~

By November 1, 1993, the manufacturers or their representative organization shall report to the legislative commission the final results of the projects and plans for implementation of permanent programs. The commission shall review the final results and plans.

By October 1, 1994 and by October 1, 1995, each manufacturer or a representative organization shall submit to the commission additional reports that detail progress made toward implementing permanent management programs. The October 1, 1995, report must include a description of the programs implemented under subdivision 5. These progress reports must include the estimated amount of rechargeable batteries subject to this section sold in the state by each manufacturer and the amount of batteries each collected during the previous year. A representative organization may report amounts in aggregate for all the members of the group.

Sec. 11. Minnesota Statutes 1992, section 115A.9157, subdivision 5, is amended to read:

Subd. 5. [COLLECTION AND MANAGEMENT PROGRAMS.] By ~~April 15, 1994~~ September 20, 1995, the manufacturers or their representative organization shall implement permanent programs, based on the results of the pilot projects required in subdivision 4, that may be reasonably expected to collect 90 percent of the waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state. The batteries and products collected must be recycled or otherwise managed or disposed of properly.

In every odd-numbered year after 1995, each manufacturer or a representative organization shall provide information to the commission that specifies at least the estimated amount of rechargeable batteries subject to this section sold in the state by each manufacturer and the amount of batteries each collected during the previous two years. A representative organization may report the amounts in aggregate for all the members of the group.

- (2) in or on the land, unless approved by the agency; or
- (3) in or on the waters of the state or in a stormwater or wastewater collection or treatment system.

(b) For the purposes of this section, "antifreeze" does not include small amounts of antifreeze contained in water used to flush the cooling system of a vehicle after the antifreeze has been drained and does not include deicer that has been used on the exterior of a vehicle.

(c) This section does not apply to antifreeze placed in a wastewater collection system that includes a publicly or privately owned treatment works that is permitted by the agency until July 1, 1995 December 31, 1996.

(d) Notwithstanding paragraph (a), motor oil filters and portions of motor oil filters may be processed at a permitted mixed municipal solid waste resource recovery facility that directly burns the waste if:

(1) the facility is subject to an industrial waste management plan that addresses management of motor oil filters and the owner or operator of the facility can demonstrate to the satisfaction of the commissioner that the facility is in compliance with that plan;

(2) the facility recovers ferrous metal after incineration for recycling as part of its operation; and

(3) the motor oil filters are collected separately from mixed municipal solid waste and are not combined with it except for the purpose of incinerating the waste.

Sec. 13. Minnesota Statutes 1992, section 115A.918, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] The definitions in this section apply to this section and sections 115A.919 ~~and 115A.921 to 115A.929.~~

Sec. 14. Minnesota Statutes 1992, section 115A.918, is amended by adding a subdivision to read:

Sec. 15. Minnesota Statutes 1992, section 115A.919, subdivision 3, is amended to read:

Subd. 3. [EXEMPTIONS.] (a) Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from any fee imposed by a county under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate county, except that for facilities operating outside of the metropolitan area the commissioner shall prescribe procedures for verifying the required 85 percent volume reduction.

(b) A facility permitted for the disposal of construction debris is exempt from 25 percent of a fee imposed under subdivision 1 if the facility has implemented a recycling program approved by the county and 25 percent if the facility contains a liner and leachate collection system approved by the agency.

Subdivision 1. [MIXED MUNICIPAL SOLID WASTE.] A city or town may impose a fee, not to exceed \$1 per cubic yard of waste, or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste located within the city or town. The revenue from the fees must be credited to the city or town general fund. Revenue produced by 25 cents of the fee must be used only for purposes of landfill abatement or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. Revenue produced by the balance of the fee may be used for any general fund purpose.

Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from the fee imposed by a city or town under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate city or town, except that for facilities operating outside of the metropolitan area the commissioner shall prescribe procedures for verifying the required 85 percent volume reduction.

115A.9651 [TOXICS IN SPECIFIED PRODUCTS; ENFORCEMENT.]

Subdivision 1. [PROHIBITION.] (a) After July September 1, 1994, no person may deliberately intentionally introduce lead, cadmium, mercury, or hexavalent chromium into any ink, dye, pigment, paint, or fungicide that is intended distributed for use or for sale in this state.

~~Until July 1, 1997, this section does not apply to electrodeposition primer coating or primer coating used on aircraft, porcelain enamel coatings, medical devices, hexavalent chromium in the form of chromic acid when processed at a temperature of at least 750 degrees Fahrenheit, or ink used for computer identification markings.~~

(b) For the purposes of this subdivision, "intentionally introduce" means to deliberately use a metal listed in paragraph (a) as an element during manufacture or distribution of an item listed in paragraph (a). Intentional introduction does not include the incidental presence of any of the prohibited elements.

(c) The total concentration level of all metals listed in paragraph (a) may not exceed 100 parts per million by weight.

Subd. 2. [TEMPORARY EXEMPTION.] (a) An item listed in subdivision 1 is exempt from this section until July 1, 1997, if the manufacturer of the item submits to the commissioner a written request for an exemption by September 1, 1994. The request must include at least:

- (1) an explanation of why compliance is not technically feasible at the time of the request;
- (2) how the manufacturer will comply by July 1, 1997; and
- (3) the name, address, and telephone number of a person the commissioner can contact for further information.

(b) A person who uses an item listed in subdivision 1, into which one of the listed metals has been intentionally introduced, may submit, on behalf of the manufacturer, a request for temporary exemption as provided in paragraph (a). The request must include:

- (1) an explanation of why the person must continue to use the item and a discussion of potential alternatives;

- (3) that the person will stop using the item by July 1, 1997, if it still contains an intentionally introduced listed metal; and
- (4) the name, address, and telephone number of a person the commissioner can contact for further information.

(c) A person who submits a request for temporary exemption under paragraph (b) may submit a request for a temporary exemption after September 1, 1994, for an item that the person will use as an alternative to the item for which the request was originally made as long as the new item has a total concentration level of all the listed metals that is significantly less than in the original item. An exemption under this paragraph expires July 1, 1997, and the person who requests it must submit the progress description required in paragraph (e).

(d) By October 1, 1994, and annually thereafter if requests are received under paragraph (c), the commissioner shall submit to the legislative commission on waste management a list of manufacturers and persons that have requested an exemption under this subdivision and the items for which exemptions were sought, along with copies of the requests.

(e) By July 1, 1996, each manufacturer on the list shall submit to the commissioner a description of the progress the manufacturer has made toward compliance with subdivision 1, and the date compliance has been achieved or the date on or before July 1, 1997, by which the manufacturer anticipates achieving compliance. By July 1, 1996, each person who has requested an exemption under paragraph (b) or (c) shall submit to the commissioner:

(1) a description of progress made to eliminate the listed metal or metals from the item or progress made by the person to find a replacement item that does not contain an intentionally introduced listed metal; and

(2) the date or anticipated date the item is or will be free of intentionally introduced metals or the date the person has stopped or will stop using the item.

By October 1, 1996, the commissioner shall submit to the legislative commission a summary of the progress made by the manufacturers and other persons and any recommendations for appropriate legislative or other action to ensure that products are not distributed in the state after July 1, 1997, that violate subdivision 1.

Subd. 3. [APPLICATION; ENFORCEMENT.] (a) This section does not apply to art supplies.

(b) This section may be enforced under sections 115.071 and 116.072. The attorney general or the commissioner of the agency shall coordinate enforcement of this section with the director of the office.

Sec. 24. Minnesota Statutes 1993 Supplement, section 115A.981, subdivision 3, is amended to read:

Subd. 3. [REPORT.] (a) The commissioner shall report to the legislative commission on waste management by July 1 of each odd-numbered year on the economic status and outlook of the state's solid waste management sector including an estimate of the extent to which prices for solid waste management paid by consumers reflect costs related to environmental and public health protection, including a discussion of how prices are publicly and privately subsidized and how identified costs of waste management are not reflected in the prices.

(b) In preparing the report, the commissioner shall:

(1) consult with the director; the metropolitan council; local government units; solid waste collectors, transporters, and processors; owners and operators of solid waste facilities; and other interested persons;

(2) consider and analyze information received under subdivision 2 and information available under section 115A.929; and

(3) analyze information gathered and comments received relating to the most recent solid waste management policy report prepared under section 115A.411.

The commissioner shall also recommend any legislation necessary to ensure adequate and reliable information needed for preparation of the report.

(c) The report must also include:

(1) statewide and facility by facility estimates of the total potential costs and liabilities associated with solid waste disposal facilities for closure and postclosure care, response costs under chapter 115B, and any other potential costs, liabilities, or financial responsibilities;

(2) statewide and facility by facility requirements for proof of financial responsibility under section 116.07, subdivision 4h, and how each facility is meeting those requirements.

Sec. 25. Minnesota Statutes 1992, section 116.07, subdivision 4h, is amended to read:

Subd. 4h. [FINANCIAL RESPONSIBILITY RULES.] (a) The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator's or owner's financial capability to provide reasonable and necessary response during the operating life of the facility and for 20 30 years after closure

for a mixed municipal solid waste disposal facility or for a minimum of 20 years after closure, as determined by agency rules, for any other solid waste disposal facility, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules and the requirements of paragraph (b) is a condition of obtaining or retaining a permit to operate the facility.

(b) A municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility that was in operation on May 15, 1989, may meet its financial responsibility for all or a portion of the contingency action portion of the reasonable and necessary response costs at the facility by pledging its full faith and credit to meet its responsibility.

The pledge must be made in accordance with the requirements in chapter 475 for issuing bonds of the municipality, and the following additional requirements:

(1) The governing body of the municipality shall enact an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for 20 years the time period required in paragraph (a) after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs.

(2) The municipality shall require that all collectors that haul to the facility implement a plan for reducing solid waste by using volume-based pricing, recycling incentives, or other means.

(3) When a municipality opts to meet a portion of its financial responsibility by relying on its authority to issue bonds, it shall also begin setting aside in a dedicated long-term care trust fund money that will cover a portion of the potential contingency action costs at the facility, the amount to be determined by the agency for each facility based on at least the amount of waste deposited in the disposal facility each year, and the likelihood and potential timing of conditions arising at the facility that will necessitate response action. The agency may not require a municipality to set aside more than five percent of the total cost in a single year.

(4) A municipality shall have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section.

(5) The municipality shall file with the commissioner of revenue its consent to have the amount of its contingency action costs deducted from state aid payments otherwise due the municipality and paid instead to the environmental response, compensation, and compliance account created in section 115B.20, if the municipality fails to conduct the contingency action at the facility when ordered by the agency. If the agency notifies the commissioner that the municipality has failed to conduct contingency action when ordered by the agency, the commissioner shall deduct the amounts indicated by the agency from the state aids in accordance with the consent filed with the commissioner.

(6) The municipality shall file with the agency written proof that it has complied with the requirements of paragraph (b).

(c) The method for proving financial responsibility under paragraph (b) may not be applied to a new solid waste disposal facility or to expansion of an existing facility, unless the expansion is a vertical expansion. Vertical expansions of qualifying existing facilities cannot be permitted for a duration of longer than three years.

Sec. 26. [116.073] [FIELD CITATIONS.]

Subdivision 1. [AUTHORITY TO ISSUE.] Pollution control agency staff designated by the commissioner and department of natural resources conservation officers may issue citations to a person who disposes of solid waste as defined in section 116.06, subdivision 22, at a location not authorized by law for the disposal of solid waste without permission of the owner of the property. A citation issued under this subdivision must include a requirement that the person cited remove and properly dispose of or otherwise manage the waste or reimburse any government agency that has disposed of the waste for the reasonable costs of disposal.

Subd. 2. [PENALTY AMOUNT.] The citation must impose the following penalty amounts:

- (1) \$100 per major appliance, as defined in section 115A.03, subdivision 17a, up to a maximum of \$2,000;
- (2) \$25 per waste tire, as defined in section 115A.90, subdivision 11, up to a maximum of \$2,000;
- (3) \$25 per lead acid battery governed by section 115A.915, up to a maximum of \$2,000;
- (4) \$1 per pound of other solid waste or \$20 per cubic foot up to a maximum of \$2,000; and
- (5) up to \$200 for any amount of waste that escapes from a vehicle used for the transportation of solid waste if, after receiving actual notice that waste has escaped the vehicle, the person or company transporting the waste fails to immediately collect the waste.

Subd. 3. [APPEALS.] Citations may be appealed under the procedures in section 116.072, subdivision 6, if the person requests a hearing by notifying the commissioner in writing within 15 days after receipt of the citation. If a hearing is not requested within the 15-day period, the citation becomes a final order not subject to further review.

Subd. 4. [ENFORCEMENT OF FIELD CITATIONS.] Field citations may be enforced under section 116.072, subdivisions 9 and 10.

Subd. 5. [CUMULATIVE REMEDY.] The authority to issue field citations is in addition to other remedies available under statutory or common law, except that the state may not seek penalties under any other provision of law for the incident subject to the citation.

Sec. 27. Minnesota Statutes 1992, section 116.76, subdivision 4, is amended to read:

Subd. 4. [COMMERCIAL TRANSPORTER.] "Commercial transporter" means a person, other than the United States government, who transports infectious or pathological waste for compensation.

Sec. 28. Minnesota Statutes 1993 Supplement, section 116.79, subdivision 1, is amended to read:

Subdivision 1. [PREPARATION OF MANAGEMENT PLANS.] (a) To the extent applicable to the facility, a person in charge of a facility that generates, stores, decontaminates, incinerates, or disposes of infectious or pathological waste must prepare a management plan for the infectious or pathological waste handled by the facility. A person may prepare a common management plan for all generating facilities owned and operated by the person. If a single plan is prepared to cover multiple facilities, the plan must identify common policy and procedures for the facilities and any management procedures that are facility specific. The plan must identify each generating facility covered by the plan. A management plan must list all physicians, dentists, chiropractors, podiatrists, veterinarians, certified nurse practitioners, certified nurse midwives, or physician assistants, employed by, under contract to, or working at the generating facilities, except hospitals or laboratories. This subdivision does not apply to materials classified by law as other than public as defined in chapter 13, or to materials relating to the agenda items of a closed meeting held in accordance with the procedures in subdivision 1a or other law permitting the closing of meetings. Only if a member intentionally violates the requirements of this subdivision, shall that member shall be subject to a civil penalty in an amount not to exceed \$100. An action to enforce this penalty may be brought by any person in any court of competent jurisdiction where the administrative office of the member is located the penalties provided by subdivision 2.~~

Subd. 1c. [NOTICE OF MEETINGS.] (a) [REGULAR MEETINGS.] A schedule of the regular meetings of a public body shall be kept on file at its primary offices. If a public body decides to hold a regular meeting at a time or place different from the time or place stated in its schedule of regular meetings, it shall give the same notice of the meeting that is provided in this subdivision for a special meeting.

(b) [SPECIAL MEETINGS.] For a special meeting, except an emergency meeting or a special meeting for which a notice requirement is otherwise expressly established by statute, the public body shall post written notice of the date, time, place, and purpose of the meeting on the principal bulletin board of the public body, or if the public body has no principal bulletin board, on the door of its usual meeting room. The notice shall also be mailed or otherwise delivered to each person who has filed a written request for notice of special meetings with the public body. This notice shall be posted and mailed or delivered at least three days before the date of the meeting. As an alternative to mailing or otherwise delivering notice to persons who have filed a written request for notice of special meetings, the public body may publish the notice once, at least three days before the meeting, in the official newspaper of the public body or, if there is none, in a qualified newspaper of general circulation within the area of the public body's authority. A person filing a request for notice of special meetings may limit the request to notification of meetings concerning particular subjects, in which case the public body is required to send notice to that person only concerning special meetings involving those subjects. A public body may establish an expiration date for requests for notices of special meetings pursuant to this paragraph and require refiling of the request once each year. Not more than 60 days before the expiration date of a request for notice, the public body shall send notice of the refiling requirement to each person who filed during the preceding year.

(c) [EMERGENCY MEETINGS.] For an emergency meeting, the public body shall make good faith efforts to provide notice of the meeting to each news medium that has filed a written request for notice if the request includes the news medium's telephone number. Notice of the emergency meeting shall be given by telephone or by any other method used to notify the members of the public body. Notice shall be provided to each news medium which has filed a written request for notice as soon as reasonably practicable after notice has been given to the members. Notice shall include the subject of the meeting. Posted or published notice of an emergency meeting shall not be required. An "emergency" meeting is a special meeting called because of circumstances that, in the judgment of the public body, require immediate consideration by the public body. If matters not directly related to the emergency are discussed or acted upon at an emergency meeting, the minutes of the meeting shall include a specific description of the matters. The notice requirement of this clause supersedes any other statutory notice requirement for a special meeting that is an emergency meeting.

(d) [RECESSED OR CONTINUED MEETINGS.] If a meeting is a recessed or continued session of a previous meeting, and the time and place of the meeting was established during the previous meeting and recorded in the minutes of that meeting, then no further published or mailed notice is necessary. For purposes of this clause, the term "meeting" includes a public hearing conducted pursuant to chapter 429 or any other law or charter provision requiring a public hearing by a public body.

(e) [CLOSED MEETINGS.] The notice requirements of this subdivision apply to closed meetings.

(f) [STATE AGENCIES.] For a meeting of an agency, board, commission, or department of the state, (i) the notice requirements of this subdivision apply only if a statute governing meetings of the agency, board, or commission does not contain specific reference to the method of providing notice, and (ii) all provisions of this subdivision relating to publication shall be satisfied by publication in the State Register.

(g) [ACTUAL NOTICE.] If a person receives actual notice of a meeting of a public body at least 24 hours before the meeting, all notice requirements of this subdivision are satisfied with respect to that person, regardless of the method of receipt of notice.

(h) [LIABILITY.] No fine or other penalty may be imposed on a member of a public body for a violation of this subdivision unless it is established that the violation was ~~willful and deliberate~~ intentional by the member.

Subd. 1d. [TREATMENT OF DATA CLASSIFIED AS NOT PUBLIC.] (a) Except as provided in this section, meetings may not be closed to discuss data that are not public data. Data that are not public data may be discussed at a meeting subject to this section without liability or penalty, if the disclosure relates to a matter within the scope of the public body's authority, and is reasonably necessary to conduct the business or agenda item before the public body, and is without malice. ~~During an open meeting, a public body shall make reasonable efforts to protect from disclosure data that are not public data, including where practical acting by means of reference to a letter, number, or other designation that does not reveal the identity of the data subject.~~ Data discussed at an open meeting retain the data's original classification; however, a record of the meeting, regardless of form, shall be public.

(b) Any portion of a meeting must be closed if expressly required by other law or if the following types of data are discussed:

(1) data that would identify alleged victims or reporters of criminal sexual conduct, domestic abuse, or maltreatment of minors or vulnerable adults;

(2) active investigative data as defined in section 13.82, subdivision 5, or internal affairs data relating to allegations of law enforcement personnel misconduct collected or created by a state agency, statewide system, or political subdivision; or

(3) educational data, health data, medical data, welfare data, or mental health data that are not public data under section 13.32, 13.38, 13.42, or 13.46, subdivision 2 or 7.

(c) A public body shall close a meeting for preliminary consideration of allegations or charges against an individual subject to its authority. If the members conclude that discipline of any nature may be warranted, further meetings or hearings must be open. A meeting must also be open at the request of the individual who is the subject of the meeting.

(d) A public body may close a meeting to evaluate the performance of an individual who is subject to its authority. The public body shall identify the individual to be evaluated prior to closing a meeting. At its next open meeting, the public body shall summarize its conclusions regarding the evaluation. A meeting must be open at the request of the individual who is the subject of the meeting.

(e) Meetings may be closed if the closure is expressly authorized by statute or permitted by the attorney-client privilege.

(f) A public body may close a meeting to discuss or review the qualifications of applicants for public employment prior to the designation of any applicant as a finalist for a position. "Finalist" shall have the meaning given in section 13.43.

Subd. 1e. [REASONS FOR CLOSING A MEETING.] Before closing a meeting, a public body shall state on the record the specific grounds permitting the meeting to be closed and describe the subject to be discussed.

Subd. 2. ~~[VIOLATION, PENALTY PENALTIES.]~~ (a) Any person who violates ~~subdivision 1~~ this section shall be subject to personal liability in the form of a civil penalty in an amount not to exceed ~~\$100~~ \$300 for a single occurrence, which shall not be paid by the public body. An action to enforce this penalty may be brought by any person in any court of competent jurisdiction where the administrative office of the governing body is located. Upon a third violation by the same person connected with the same governing body, such person shall forfeit any further right to serve on such governing body or in any other capacity with such public body for a period of time equal to the term of office such person was then serving. The court determining the merits of any action in connection with any alleged third violation shall receive competent, relevant evidence in connection therewith and, upon finding as to the occurrence of a separate third violation, unrelated to the previous violations issue its order declaring the position vacant and notify the appointing authority or clerk of the governing body. As soon as practicable thereafter the appointing authority or the governing body shall fill the position as in the case of any other vacancy.

(b) In addition to other remedies, the court may award reasonable costs, disbursements, and up to \$7,500 in attorney's fees to any party in an action under this section. A public body may by separate motion at a public meeting pay, or direct its insurer or self-insurance administrator to pay to the extent that a policy or coverage agreement so requires, costs, disbursements, and attorney's fees incurred by or awarded against any of its members in an action brought under this section, unless the court finds that the member was guilty of malfeasance in office, willful neglect of duty, or bad faith.

(c) No monetary penalties may be imposed on a member of a public body, or attorney's fees awarded to a plaintiff, if the defendant establishes that there was no specific intent to violate this section.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1991, less the deduction allowed by section 217 of the Internal Revenue Code of 1986, as amended through December 31, 1991, after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1991, increased by the addition required for interest income from non-Minnesota state and municipal bonds under section 290.01, subdivision 19a, clause (1).

Sec. 5. Minnesota Statutes 1992, section 290.06, subdivision 2d, is amended to read:

Subd. 2d. [INFLATION ADJUSTMENT OF BRACKETS.] (a) For taxable years beginning after December 31, 1991, the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage determined under paragraph (b). For the purpose of making the adjustment as provided in this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets as they existed for taxable years beginning after December 31, 1990, and before January 1, 1992, except that the minimum and maximum dollar amounts for each rate bracket as amended in section 4 shall be adjusted according to this subdivision for taxable years beginning after December 31, 1995. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount.

(b) The commissioner shall adjust the rate brackets and by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code of 1986, as amended through December 31, 1991, except that in section 1(f)(3)(B) the word "1990" shall be substituted for the word "1987." For 1991, the commissioner shall then determine the percent change from the 12 months ending on August 31, 1990, to the 12 months ending on August 31, 1991, and in each subsequent year, from the 12 months ending on August 31, 1990, to the 12 months ending on August 31 of the year preceding the taxable year. For taxable years beginning after December 31, 1995, the rate brackets amended in section 4 shall be adjusted according to the percentage change from the 12 months ending on August 31, 1994, to the 12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the administrative procedure act contained in chapter 14.

No later than December 15 of each year, the commissioner shall announce the specific percentage that will be used to adjust the tax rate brackets.

Sec. 6. Minnesota Statutes 1992, section 290.62, is amended to read:

290.62 [DISTRIBUTION OF REVENUES.]

(a) Except as provided in paragraph (b), all revenues derived from the taxes, interest, penalties and charges under this chapter shall, notwithstanding any other provisions of law, be paid into the state treasury and credited to the general fund, and be distributed as follows:

(1) There shall, notwithstanding any other provision of the law, be paid from this general fund all refunds of taxes erroneously collected from taxpayers under this chapter as provided herein;

(2) There is hereby appropriated to the persons entitled to payment herein, from the fund or account in the state treasury to which the money was credited, an amount sufficient to make the refund and payment.

Section 1. [354A.023] [ST. PAUL TEACHERS RETIREMENT FUND ASSOCIATION GOVERNANCE.]

Subdivision 1. [APPLICATION.] Notwithstanding any provision of chapter 317A, section 354A.021, article V, of the restated articles of incorporation of the teachers retirement fund association of St. Paul, Minnesota, effective July 1, 1978, as amended, or articles II, sections 4 and 5; III, section 1; and V, section 1, of the restated bylaws of the teachers retirement fund association of St. Paul, Minnesota, effective July 1, 1978, as amended, to the contrary, relative to the St. Paul teachers retirement fund association, this section governs the membership composition of its board of trustees, the terms in office of board members, board member eligibility, electorate composition and eligibility, and election procedures.

Subd. 2. [BOARD OF TRUSTEES COMPOSITION.] The management of the St. Paul teachers retirement fund association is vested in a board of ten trustees. The board membership is composed of one ex officio board member, who is the then current chair of the board of independent school district No. 625, St. Paul, and nine trustees elected by and from the members of the St. Paul teachers retirement fund association as provided in subdivision 4.

Subd. 3. [BOARD OF TRUSTEES TERMS.] (a) The term of the ex officio board member is coincidental with that person's term of office as the chair of the board of independent school district No. 625, St. Paul.

(b) The term of elected members of the board is three years and until the successor has been elected and qualified. The term begins and ends on the third Thursday in the month of January of the applicable year. The terms of elected members of the board must be staggered.

Subd. 4. [BOARD MEMBER REPRESENTATION.] (a) Of the nine trustees elected by and from the members of the St. Paul teachers retirement fund association, six board members must be active members of the fund and three board members must be fund retirement annuitants, disabilitants, or surviving spouse benefit recipients.

(b) Two active member board positions and one annuity or benefit recipient board position must be filled at each board of trustee election.

(c) Only active members may vote for the elected board member positions representing active members and only retirement annuitants, disabilitants, and surviving spouse benefit recipients may vote for the elected board member positions representing annuity or benefit recipients.

(d) If an elected board member changes membership group status before the end of the person's term, the person must resign from the board of trustees. However, the person may be a candidate for the appropriate membership group board position in a subsequent election.

(e) If there is a vacancy in an elected board member position, the vacancy must be filled by a special election held for that purpose. The special election must be conducted in a manner consistent with this section, and, if not inconsistent with this section, article IV of the bylaws of the St. Paul teachers retirement fund association in effect on the date of enactment of this section.

Subd. 5. [ELECTIONS BY MAIL BALLOT.] (a) Voting for elected board members must be conducted using paper ballots, which must be mailed by the chief administrative officer of the fund to eligible members and must be returned by mail.

(b) Return envelopes for ballots may not have the postage paid by the fund unless all return envelopes for ballots are so treated. Return envelopes for ballots may not have the postage paid by any candidate for a board member position or on behalf of any candidate for a board member position.

(c) The ballot for a regular election must be provided to eligible members by November 1 and must be returned with a postmark no later than midnight of the Friday of the third week of November. In the event of a vacancy in an elected board member position, the ballot for a special election must be provided to eligible members within three weeks of the vacancy and must be returned by eligible voting members with a postmark no later than midnight of the Friday of the fourth full week following the vacancy.

Subd. 6. [SECRETARY-TREASURER NOT TO BE BOARD MEMBER.] (a) Effective on the January 19 next following the effective date of this section, the person who holds the position of secretary of the St. Paul teachers retirement fund association and the person who holds the position of treasurer of the St. Paul teachers retirement fund association or the person who holds the combined position of secretary-treasurer of the St. Paul teachers retirement fund association may not also be an elected board member of the fund association.

(b) The chief administrative officer of the St. Paul teachers retirement fund association must be known as the executive director of the fund.

Subd. 7. [ARTICLE AND BYLAW AMENDMENTS AUTHORIZED.] At the next annual meeting of the St. Paul teachers retirement fund association or at a special meeting of the association called by the board of trustees for that purpose, the association may consider and adopt any amendments to its articles of incorporation or bylaws needed to conform or implement this section.

Sec. 2. [EFFECTIVE DATE.]

(a) Section 1 is effective on the day following approval of all provisions by majority vote at the first annual or special membership meeting of the St. Paul teachers retirement fund association occurring after the date of enactment.

(b) The board of trustees of the St. Paul teachers retirement fund association shall propose the question on the approval of these provisions to the fund membership at the applicable membership meeting. The provisions of section 1 are a single question and may not be divided or voted upon as separate items.

(c) Nothing in section 1 may be construed to reduce the term of any elected member of the board of trustees of the St. Paul teachers retirement fund association serving as such on the effective date of section 1.

H. F. No. 2171, A bill for an act relating to metropolitan government; requiring the metropolitan council to adopt rules allocating comprehensive choice housing among cities and towns in the metropolitan area; requiring metropolitan council review of efforts of cities and towns to comply with the allocation; establishing penalties for noncompliance; proposing coding for new law in Minnesota Statutes, chapters 16A; and 473.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [473.202] [AFFORDABLE HOUSING.]

Subdivision 1. [POLICY; GOALS.] In order to protect and enhance the social and economic health of the metropolitan region and each community in the region, it is the legislature's policy to encourage development of a full range of housing options in every community in the metropolitan area. The legislature's goals are to: provide citizens with housing choices; remove barriers to the development of a comprehensive range of housing; create incentives for each community to develop housing that will serve residents as their income and housing needs change; reduce traffic congestion in the metropolitan area by providing people opportunities to live near their work in housing that is affordable to them; allow people to live near where jobs are being created; allow people to remain in their community as their situations and needs change; and have each community implement the housing policy and goals of the region.

Subd. 2. [DEFINITIONS.] The definitions in this subdivision apply to this section.

(a) "Affordable housing" means housing that requires households to spend no more than 30 percent of their household income on housing and housing-related expenses.

(b) "Comprehensive choice housing" means single-family and multifamily housing that is affordable for households with incomes less than or equal to 30 percent, 50 percent, and 80 percent of area median income.

(c) "Comprehensive choice housing allotment" means a city's or town's allocation of comprehensive choice housing distributed on a fair-share basis under subdivision 3.

(d) "Median income" means median household income, adjusted for family size, for the Minneapolis-St. Paul metropolitan statistical area, as determined by the federal Department of Housing and Urban Development.

(e) "Substantial compliance" means that at least 75 percent of the cities and towns in a sub-area of the metropolitan region are certified as meeting the comprehensive choice requirements under subdivision 3, paragraph (b), clause (5).

Subd. 3. [COMPREHENSIVE CHOICE HOUSING ALLOTMENT; GUIDELINES.] (a) Before July 1, 1995, the metropolitan council shall adopt guidelines for establishing comprehensive choice housing in the metropolitan urban service area and freestanding growth centers. The council shall contract with the office of administrative hearings to conduct public hearings to adopt guidelines under this subdivision. The council shall give notice at least 30 days before the hearing by publishing a notice in the State Register and mailing a notice to persons and groups who have requested notification. At the hearing, the public shall have an opportunity to give testimony and question council members and council staff.

(b) Guidelines adopted under this subdivision must:

(1) analyze the metropolitan urban service area's and freestanding growth centers' present and prospective need for comprehensive choice housing, including the need for single-family and multifamily housing for individuals and households at 30 percent, 50 percent, and 80 percent of median income. Local, state, and federal agencies shall work cooperatively with the council to identify, collect, and augment relevant data and studies without duplicating other analytical efforts;

(2) using the formula required by paragraph (c), allocate the metropolitan urban service area's and freestanding growth centers' comprehensive choice housing needs, on a fair-share basis, to cities and towns in the metropolitan urban service area and freestanding growth centers' areas;

(3) determine the extent to which each city or town has, in the past, accomplished its comprehensive choice housing allotment. For the purpose of determining substantial compliance with comprehensive choice housing allotment, full credit shall be given for current and past efforts to provide affordable housing;

(4) study and identify on a city-by-city basis, the existing barriers to comprehensive choice housing including, but not limited to, zoning requirements, development agreements, and local development practices that impose barriers to the development of comprehensive choice housing;

(5) describe actions that a city or town may take to:

(i) eliminate barriers to comprehensive choice housing;

(ii) make use of available opportunities and resources to meet the objective of providing comprehensive choice housing development; and

(iii) maintain housing affordability;

(6) establish annual review procedures, requirements, and guidelines for council review and certification of city and town compliance with the fair-share housing allocation; and

(7) establish procedures through which the council shall adopt and execute a plan to facilitate, coordinate, and, subject to its authority under sections 473.194 to 473.201, cause the development of affordable housing in all cities and towns where the supply of affordable housing is inadequate to meet the objectives under this section. Based on the factors in clause (2), the plan shall prioritize the proposed development of affordable comprehensive choice housing in inverse proportion to the percentage of available low- and moderate-income affordable housing in each respective city or town.

(c) Using the most current and reliable information available, the council shall develop, as required by paragraph (b), clause (2), a formula for allocating the metropolitan area's comprehensive choice housing needs to cities and towns within the metropolitan urban service area and to freestanding growth centers. The formula developed by the council shall include the following factors:

(1) distribution of housing units by value or rent and the proportion of those units affordable to households with incomes at or below 30 percent, 50 percent, and 80 percent of median income considering housing tenure, type, and availability;

(2) income distribution of households considering the number of households with incomes that are 30 percent, 50 percent, and 80 percent of median income, and the proportion of those households paying more than 30 percent of their household income on housing and housing-related expenses;

(3) job base, considering those jobs that provide employment opportunities for lower-income households and the ratio of jobs to households;

(4) future development potential considering vacant land, the council's forecasts of households and employment, and the annual deviation from the council's forecasts resulting from variation in overall housing construction in the metropolitan area;

(5) future redevelopment potential in cities and towns with inadequate supplies of vacant land to meet their allocation needs, considering age and value of housing, and redevelopment plans of cities and towns; and

(6) cities' and towns' current and past efforts to provide and sanction housing or housing assistance for low-income households.

Sec. 2. [APPLICATION.]

HOUSE RESOLUTION NO. 12

A house resolution expressing support for the Household Eco Team Program on Earth Day, 1994.

Whereas, the Global Action Plan for the Earth's Household Eco Team Program empowers citizens to take direct personal environmental action, which is measurable at the household level; and

Whereas, the Household Eco Team Program is designed to help transform people's desire to make a difference into effective actions that will make a difference and, hopefully, tip the balance in favor of preserving our Earth's delicate ecosystem; and

Whereas, the Household Eco Team Program complements the state's commitment to adopt and implement a carbon dioxide reduction plan by helping individuals to change their behavior and reduce emissions of greenhouse gases; and

Whereas, the Household Eco Team Program complements the state's efforts to comply with the goal of recycling 45 percent of the waste stream by 1996 (not including yard waste) by helping individuals to reduce waste generation and increase recycling; and

Whereas, the Household Eco Team Program complements the state's efforts to reduce reliance on the automobile by helping individuals make more environmentally sound transportation decisions; and

Whereas, the Household Eco Team Program helps build community by facilitating cooperation, communication, and team building at the neighborhood level; and

Whereas, the results of the program's 653 Eco Teams in 12 countries which have completed the six-month program are as follows for the average household:

35 percent less garbage to the landfill

30 percent less water use

13 percent less fuel for transportation

16 percent reduction in CO₂ emissions

\$404 in savings; and

Whereas, the Household Eco Team Program has launched a statewide campaign entitled, "Minnesota Puts Its House in Order" on Earth Day 1993 to create 1,000 Eco Teams within three years; and

Whereas, the Household Eco Team Program proposes to work jointly with state groups to make Minnesota a model for the program; and

Whereas, the state has several networks which could assist the efforts of the Household Eco Team Program including the resources of the Office of Waste Management, the Pollution Control Agency, the Housing Finance Agency, and the Department of Trade and Economic Development; *Now, Therefore,*

Be It Resolved by the House of Representatives of the State of Minnesota that it endorses and supports the Household Eco Team Program on this Earth Day 1994.

The Speaker introduced Mari Harris, the Director of Urban Outreach, from Minneapolis, Minnesota, who sang a song in honor of Earth Day.

"Sec. 12. [604A.20] [POLICY.]

It is the policy of this state, in furtherance of the public health and welfare, to encourage and promote the use of privately owned lands and waters by the public for beneficial recreational purposes, and the provisions of section 604.20 to 604A.27 are enacted to that end.

Sec. 13. [604A.21] [RECREATIONAL LAND USE; DEFINITIONS.]

Subdivision 1. [GENERAL.] For the purposes of sections 604A.20 to 604A.27, the terms defined in this section have the meanings given them, except where the context clearly indicates otherwise.

Subd. 2. [CHARGE.] "Charge" means any admission price asked or charged for services, entertainment, recreational use, or other activity or the offering of products for sale to the recreational user by a commercial for profit enterprise directly related to the use of the land.

Subd. 3. [LAND.] "Land" means privately owned or leased land, roads, water, watercourses, private ways and buildings, structures, and machinery or equipment when attached to the land.

Subd. 4. [OWNER.] "Owner" means the possessor of a fee interest or a life estate, tenant, lessee, occupant, or person in control of the land.

Subd. 5. [RECREATIONAL PURPOSE.] "Recreational purpose" includes, but is not limited to, hunting; trapping; fishing; swimming; boating; camping; picnicking; hiking; bicycling; horseback riding; firewood gathering; pleasure driving, including snowmobiling and the operation of any motorized vehicle or conveyance upon a road or upon or across land in any manner; nature study; water skiing; winter sports; and viewing or enjoying historical, archaeological, scenic, or scientific sites.

Sec. 14. [604A.22] [OWNER'S DUTY OF CARE OR DUTY TO GIVE WARNINGS.]

An owner who either directly or indirectly invites or permits any person to use the land for recreational purposes without charge:

(1) owes no duty of care to render or maintain the land safe for entry or use by other persons for recreational purposes;

(2) owes no duty to warn those persons of any dangerous condition on the land, whether patent or latent;

(3) owes no duty of care toward those persons except to refrain from willfully taking action to cause injury; and

(4) owes no duty to curtail use of the land during its use for recreational purposes.

Sec. 15. [604A.23] [OWNER'S LIABILITY.]

An owner who either directly or indirectly invites or permits any person to use the land for recreational purposes without charge does not by that action:

(1) extend any assurance that the land is safe for any purpose;

(2) confer upon the person the legal status of an invitee or licensee to whom a duty of care is owed; or

(3) assume responsibility for or incur liability for any injury to the person or property caused by an act or omission of the person.

Sec. 16. [604A.24] [LIABILITY; LEASED LAND, WATER FILLED MINE PITS.]

Unless otherwise agreed in writing, sections 604A.22 and 604A.23 also apply to the duties and liability of an owner of the following land:

(1) land leased to the state or any political subdivision for recreational purposes; or

(2) idled or abandoned, water filled mine pits whose pit walls may slump or cave, and to which water the public has access from a water access site operated by a public entity.

Sec. 17. [604A.25] [OWNER'S LIABILITY; NOT LIMITED.]

Except as provided in sections 604A.20 to 604A.27, nothing in those sections limits liability that otherwise exists:

(a) for conduct which, at law, entitles the trespasser to maintain an action and obtain relief for the conduct complained of; or

(b) for injury suffered in any case where the owner charges the persons who enter or go on the land for the recreational use, except that in the case of land leased to the state or a political subdivision, any consideration received from the state or political subdivision by the owner for the lease is not considered a charge within the meaning of this section.

A trespasser may not maintain an action and obtain relief at law for conduct referred to by clause (a) if the trespass is incidental to or arises from the recreational use of an interest in land dedicated, leased, or permitted by the owner for recreational use on or about a trail, including but not limited to hiking, bicycling, horseback riding, snowmobile riding, and motorized trail riding.

Sec. 18. [604A.26] [LAND USER'S LIABILITY.]

Nothing in sections 604A.20 to 604A.27:

(1) creates a duty of care or ground of liability for injury to persons or property; or

(2) relieves any person using the land of another for recreational purposes from any obligation that the person may have in the absence of sections 604A.20 to 604A.27 to exercise care in use of the land and in the person's activities on the land, or from the legal consequences of failure to employ that care.

Sec. 19. [604A.27] [DEDICATION; EASEMENT.]

No dedication of any land in connection with any use by any person for a recreational purpose takes effect in consequence of the exercise of that use for any length of time except as expressly permitted or provided in writing by the owner, nor shall the grant of permission for the use by the owner grant to any person an easement or other property right in the land except as expressly provided in writing by the owner.

The public utilities commission shall determine whether there exists or whether there is likely to exist in the future a technology for storing spent nuclear fuel in casks or other containers that allow for transportation as well as storage of the waste. If such technology exists and is feasible for storage and eventual transportation of spent nuclear fuel generated by the Prairie Island nuclear power generating plant, the commission shall order its use.

Sec. 3. Minnesota Statutes 1993 Supplement, section 216B.2422, is amended by adding a subdivision to read:

Subd. 7. [CONSERVATION AND RENEWABLE ENERGY PRIORITY.] Before a utility that submits a resource plan under this section plans on adding electric generation capacity to replace or supplement existing generation capacity, it must plan for and accomplish the maximum level of energy conservation reasonable feasible. Once the utility's resource plan includes using the maximum level of conservation, the utility may plan for additional generation capacity, but must first plan for use of generation technology that utilizes renewable resources. Only if the utility can demonstrate that using renewable resources is impossible or significantly more costly may the utility plan for additional generation capacity from nonrenewable resources. The commission may not approve a resource plan that does not comply with this subdivision.

Sec. 4. [ENERGY EFFICIENT LIGHTING.]

The public utility that operates the nuclear power generating plant at Prairie Island shall undertake a conservation improvement program to ensure that lighting and other electric energy usage in residences and other buildings within its service territory is as energy efficient as present technology allows."

ARTICLE 3

POST-SECONDARY FUNDING

Section 1. Minnesota Statutes 1992, section 135A.01, is amended to read:

135A.01 [FUNDING POLICY.]

It is the policy of the legislature ~~that direct state appropriations, exclusive of tuition, to provide stable funding, including recognition of the effects of inflation, for the instructional services at public post-secondary institutions reflect a portion of the estimated cost of providing the instructional and that the state and students share the cost of those services. The legislature intends to provide at least 67 percent of the instructional services costs for each post-secondary system. It is also the policy of the legislature that the budgetary process serves to support high quality public post-secondary education.~~

Sec. 2. [135A.031] [APPROPRIATIONS FOR INSTRUCTIONAL SERVICES.]

Subdivision 1. [DETERMINATION OF APPROPRIATION.] The direct appropriation to each board for instructional services shall equal 67 percent of the estimated total cost of instruction for the University of Minnesota, the state universities, and the community colleges, and, for technical colleges, at least 67 percent of the estimated total cost of instruction.

Subd. 2. [APPROPRIATIONS FOR CERTAIN ENROLLMENTS.] The state share of the estimated expenditures for instruction shall vary for some categories of students, as designated in this subdivision.

(a) The state must provide at least 67 percent of the estimated expenditures for:

(1) students who resided in the state for at least one calendar year prior to applying for admission or dependent students whose parent or legal guardian resides in Minnesota at the time the student applies;

(2) Minnesota residents who can demonstrate that they were temporarily absent from the state without establishing residency elsewhere;

(3) residents of other states or provinces who are attending a Minnesota institution under a tuition reciprocity agreement; and

(4) students who have been in Minnesota as migrant farmworkers, as defined in the Code of Federal Regulations, title 20, section 633.104, over a period of at least two years immediately before admission or readmission to a Minnesota public post-secondary institution, or students who are dependents of such migrant farmworkers.

(b) The state must provide 32 percent of the estimated expenditures for:

(1) students who are concurrently enrolled in a public secondary school and for whom the institution is receiving any compensation under the post-secondary enrollment options act; and

(2) students enrolled under the student exchange program of the Midwest Compact.

(c) The state may not provide any of the estimated expenditures for undergraduate students who do not meet the residency criteria under paragraph (a).

Subd. 3. [DETERMINATION OF INSTRUCTIONAL SERVICES BASE.] The instructional services base for each public post-secondary system is the sum of: (1) the state share; and (2) the legislatively estimated tuition for the second year of the most recent biennium; and (3) adjustments for inflation, enrollment changes as calculated in subdivision 4, and performance as calculated in subdivision 5.

Subd. 4. [ADJUSTMENT FOR ENROLLMENTS.] (a) Each public post-secondary system's instructional services base shall be adjusted for estimated changes in enrollments. For each two percent change in estimated full-year equivalent enrollment, an adjustment shall be made to 65 percent of the instructional services base. The remaining 35 percent of the instructional services base is not subject to the adjustment in this subdivision.

(b) For all purposes where student enrollment is used for budgeting purposes, student enrollment shall be measured in full-year equivalents and shall include only enrollments in courses that award credit or otherwise satisfy any of the requirements of an academic or vocational program.

(c) The enrollment adjustment shall be made for each year of the subsequent biennium. The base enrollment year is the 1995 fiscal year enrollment. The base enrollment shall be updated for each two percent change in estimated full year equivalent enrollment. If the actual enrollment differs from the estimated enrollment, an adjustment shall be made in the next biennium.

Subd. 5. [ADJUSTMENT FOR PERFORMANCE.] Each public post-secondary system's instructional services base shall be adjusted, up to one percent, if the system meets the performance standards established by the system's governing board as part of the biennial budget document.

Subd. 6. [ADJUSTMENT FOR CHANGE ITEMS.] The instructional services base may be adjusted for change items as determined by the governor and the legislature after adjustments for inflation, enrollments, and performance.

Subd. 7. [REPORTS.] Instructional expenditure and enrollment data for each instructional category shall be submitted in the biennial budget document.

Sec. 3. [135A.032] [APPROPRIATIONS FOR NONINSTRUCTIONAL SERVICES.]

Subdivision 1. [DETERMINATION OF NONINSTRUCTIONAL APPROPRIATIONS BASE.] The noninstructional services base for each public post-secondary system is the state share for the second year of the most recent biennium plus adjustments for inflation and for performance as specified in subdivision 2. The cost of technical college extension programs shall be included in noninstructional services.

Subd. 2. [ADJUSTMENT FOR PERFORMANCE.] The noninstructional services base shall be increased, up to one percent, if the system meets the performance standards established by the system's governing board as part of the biennial budget document.

Subd. 3. [ADJUSTMENT FOR CHANGE ITEMS.] The noninstructional services base may be adjusted for change items as determined by the governor and the legislature after noninstructional base adjustments for inflation and performance.

Sec. 4. [135A.033] [PERFORMANCE FUNDING.]

The governing boards of the University of Minnesota, the state universities, the community colleges, and the technical colleges, in conjunction with their respective campuses, shall each specify performance categories and indicators to be used for policy and appropriations decisions, as well as allocations for rewarding campuses that achieve performance levels and assisting campuses that are unable to achieve these levels. Because the mission of each system and type of campus varies, categories and indicators shall vary accordingly.

Sec. 5. [135A.034] [BUDGET PRIORITIES.]

The governing boards of the University of Minnesota, the state universities, the community colleges, and the technical colleges shall each develop, for legislative and executive branch acceptance, its highest budget priorities in accordance with statewide objectives for higher education. It is the intent of the legislature to appropriate at least 67 percent of the total cost of instruction after adjusting for inflation and enrollment changes. However, in the event of a budget shortfall, or if funding of inflation is not possible, available funding shall first be applied to the agreed upon budget priorities.

Sec. 6. Minnesota Statutes 1992, section 135A.04, is amended to read:

135A.04 [VARIABLE TUITION.]

The board of regents of the University of Minnesota, ~~state university board, state board for community colleges, and state board for vocational education~~ and the higher education board shall each establish tuition. Tuition may vary by program, level of instruction, cost of instruction, or other classifications determined by each board. Tuition may be set at any percentage of instructional cost established by the respective boards.

Sec. 7. [PHASE-IN OF FORMULA.]

Each higher education system shall calculate its respective base for the 1996-1997 biennium for submission to the governor and legislature using the method in this article. "Section 1. Minnesota Statutes 1993 Supplement, section 256.9352, subdivision 3, is amended to read:

Subd. 3. [FINANCIAL MANAGEMENT.] (a) The commissioner shall manage spending for the ~~health right plan~~ MinnesotaCare program in a manner that maintains a minimum reserve equal to five percent of the expected cost of state premium subsidies. The commissioner must make a quarterly assessment of the expected expenditures for the

covered services for the remainder of the current fiscal year and for the following two fiscal years. The estimated expenditure shall be compared to an estimate of the revenues that will be deposited in the health care access fund. Based on this comparison, and after consulting with the chairs of the house ways and means committee and the senate finance committee, and the legislative commission on health care access, the commissioner shall make adjustments as necessary to ensure that expenditures remain within the limits of available revenues. The adjustments the commissioner may use must be implemented in this order: first, stop enrollment of single adults and households without children; second, upon 45 days' notice, stop coverage of single adults and households without children already enrolled in the ~~health right plan~~ MinnesotaCare program; third, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income above 200 percent of the federal poverty guidelines; fourth, upon 90 days' notice, decrease the premium subsidy amounts by ten percent for families with gross annual income at or below 200 percent; and fifth, require applicants to be uninsured for at least six months prior to eligibility in the ~~health right plan~~ MinnesotaCare program. If these measures are insufficient to limit the expenditures to the estimated amount of revenue, the commissioner may further limit enrollment or decrease premium subsidies.

The reserve referred to in this subdivision is appropriated to the commissioner but may only be used upon approval of the commissioner of finance, if estimated costs will exceed the forecasted amount of available revenues after all adjustments authorized under this subdivision have been made.

By February 1, 1994 ~~1995~~, the department of human services and the department of health shall develop a plan to adjust benefit levels, eligibility guidelines, or other steps necessary to ensure that expenditures for the MinnesotaCare program are contained within the two percent ~~provider tax~~ taxes imposed under section 295.52 and the ~~one percent~~ HMO gross premiums tax imposed under section 60A.15, subdivision 1, paragraph (e), for the 1996-1997 biennium fiscal year 1997. ~~Notwithstanding any law to the contrary, no further enrollment in MinnesotaCare, and no additional hiring of staff for the departments shall take place after June 1, 1994, unless a plan to balance the MinnesotaCare budget for the 1996-1997 biennium has been passed by the 1994 legislature.~~

(b) Notwithstanding paragraph (a), the commissioner shall proceed with the enrollment of single adults and households without children in accordance with section 256.9354, subdivision 5, even if the expenditures do not remain within the limits of available revenues through fiscal year 1997 to allow the departments of human services and health to develop the plan required under paragraph (a)."

"ARTICLE 1

COMMUNITY INTEGRATED SERVICE NETWORKS

Section 1. [62J.016] [GOALS OF RESTRUCTURING.]

The state seeks to bring about changes in the health care delivery and financing system that will assure quality, affordable, and accessible health care for all Minnesotans. This goal will be accomplished by restructuring the delivery system, the financial incentives, and the regulatory environment in a way that will make health care providers and health plan companies more accountable to consumers, group purchasers, and communities for their costs and quality, their effectiveness in meeting the health care needs of all of their patients and enrollees, and their contributions to improving the health of the greater community.

Sec. 2. [62J.017] [IMPLEMENTATION TIMETABLE.]

The state seeks to complete the restructuring of the health care delivery and financing system by July 1, 1997. The restructured system will have two options: (1) integrated service networks, which will be accountable for meeting state cost containment, quality, and access standards; or (2) a uniform set of price and utilization controls for all health care services for Minnesota residents not provided through an integrated service network. Both systems will operate under the state's limits on cost increases and will be structured to promote competition in the health care marketplace.

Beginning July 1, 1994, measures will be taken to increase the public accountability of existing health plan companies, to promote the development of small, community-based integrated service networks, and to reduce administrative costs by standardizing third-party billing forms and procedures and utilization review requirements. Voluntary formation of other integrated service networks will begin January 1, 1996. Statutes for the entire restructured health care financing and delivery system must be enacted by January 1, 1996, and a phase-in of the all-payer reimbursement system must begin on that date. By July 1, 1997, all health coverage must be regulated under integrated service network or community integrated service network law pursuant to chapter 62N or all-payer law pursuant to chapter 62P.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62N.02, is amended by adding a subdivision to read:

Subd. 4a. [COMMUNITY INTEGRATED SERVICE NETWORK.] "Community integrated service network" or "community network" means a formal arrangement licensed by the commissioner under section 62N.25 for providing prepaid health services to enrolled populations of 50,000 or fewer enrollees.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62N.02, subdivision 8, is amended to read:

Subd. 8. [INTEGRATED SERVICE NETWORK.] "Integrated service network" means a formal arrangement permitted by this chapter and licensed by the commissioner for providing health services under this chapter to enrollees for a fixed payment per time period. Integrated service network does not include a community integrated service network.

Sec. 5. [62N.25] [COMMUNITY INTEGRATED SERVICE NETWORKS.]

Subdivision 1. [SCOPE OF LICENSURE.] Beginning July 1, 1994, the commissioner shall accept applications for licensure as a community integrated service network under this section. Licensed community integrated service networks may begin providing health coverage to enrollees no earlier than January 1, 1995, and may begin marketing coverage to prospective enrollees upon licensure.

Subd. 2. [LICENSURE REQUIREMENTS GENERALLY.] To be licensed and to operate as a community integrated service network, an applicant must satisfy the requirements of chapter 62D, and all other legal requirements that apply to entities licensed under chapter 62D, except as exempted or modified in this section. Community networks must, as a condition of licensure, comply with rules adopted under section 256B.0644 that apply to entities governed by chapter 62D.

Subd. 3. [REGULATION; APPLICABLE LAW.] Community integrated service networks are regulated and licensed by the commissioner under the same authority that applies to entities licensed under chapter 62D, except as exempted or modified under this section. All statutes or rules that apply to health maintenance organizations apply to community networks, unless otherwise specified. A cooperative organized under chapter 308A may establish a community integrated service network.

Subd. 4. [GOVERNING BODY.] Notwithstanding section 62D.06, at least 51 percent of the members of the governing body of the community integrated service network must be residents of the community integrated service network's service area. Service area, for purposes of this subdivision, may include contiguous geographic areas outside the state of Minnesota.

Subd. 5. [BENEFITS.] Community integrated service networks must offer the health maintenance organization benefit set, as defined in chapter 62D, and other laws applicable to entities regulated under chapter 62D, except that the community integrated service network may impose a deductible, not to exceed \$1,000 per person per year, provided that out-of-pocket expenses on covered services do not exceed \$3,000 per person or \$5,000 per family per year. The deductible must not apply to preventive health services as described in Minnesota Rules, part 4685.0801, subpart 8.

Subd. 6. [SOLVENCY.] A community integrated service network is exempt from the deposit, reserve, and solvency requirements specified in sections 62D.041, 62D.042, 62D.043, and 62D.044 and shall comply instead with sections 62N.27 to 62N.32.

Subd. 7. [EXEMPTIONS FROM EXISTING REQUIREMENTS.] Community integrated service networks are exempt from the following requirements applicable to health maintenance organizations:

- (1) conducting focused studies under Minnesota Rules, part 4685.1125;
- (2) preparing and filing, as a condition of licensure, a written quality assurance plan, and annually filing such a plan and a work plan, under Minnesota Rules, parts 4685.1110 and 4685.1130;
- (3) maintaining statistics under Minnesota Rules, part 4685.1200;
- (4) filing provider contract forms under sections 62D.03, subdivision 4, and 62D.08, subdivision 1;
- (5) reporting any changes in the address of a network provider or length of a provider contract or additions to the provider network to the commissioner within ten days under section 62D.08, subdivision 5. Community networks must report such information to the commissioner on a quarterly basis. Community networks that fail to make the required quarterly filing are subject to the penalties set forth in section 62D.08, subdivision 5; and
- (6) preparing and filing, as a condition of licensure, a marketing plan, and annually filing a marketing plan, under sections 62D.03, subdivision 4, paragraph (1), and 62D.08, subdivision 1.

Subd. 8. [PROVIDER CONTRACTS.] The provisions of section 62D.123 are implied in every provider contract or agreement between a community integrated service network and a provider, regardless of whether those provisions are expressly included in the contract. No participating provider, agent, trustee, or assignee of a participating provider has or may maintain any cause of action against a subscriber or enrollee to collect sums owed by the community network.

Subd. 9. [EXCEPTIONS TO ENROLLMENT LIMIT.] A community integrated service network may enroll enrollees in excess of 50,000 if necessary to comply with guaranteed issue or guaranteed renewal requirements of chapter 62L or section 62A.65.

Sec. 6. [62N.255] [EXPANDED PROVIDER NETWORKS.]

Subdivision 1. [PROVIDER ACCEPTANCE REQUIRED.] Every community network shall establish an expanded network of allied independent health providers, in addition to a preferred network. A community network shall accept as a provider in the expanded network any allied independent health provider who: (1) meets the community network's credentialing standards; (2) agrees to the terms of the community network's provider contract; and (3) agrees to comply with all managed care protocols of the community network.

Subd. 2. [MANAGED CARE.] The managed care protocols used by the community network may include: (1) a requirement that an enrollee obtain a referral from the community network before obtaining services from an allied independent health provider in the expanded network; (2) limits on the number and length of visits to allied independent health providers in the expanded network allowed by each referral, as long as the number and length of visits allowed is not less than the number and length allowed for comparable referrals to allied independent health providers in the preferred network; and (3) ongoing management and review by the community network of the care provided by an allied independent health provider in the expanded network after a referral is made.

Subd. 3. [MANDATORY OFFERING TO ENROLLEES.] Each community network may offer to enrollees the option of receiving covered services through the expanded network of allied independent health providers established under subdivisions 1 and 2. The network may establish separate premium rates and cost-sharing requirements for this expanded network plan, as long as these premium rates and cost-sharing requirements are actuarially justified and approved by the commissioner.

Subd. 4. [PROVIDER REIMBURSEMENT.] A community network shall pay each allied independent health provider in the expanded network the same rate per unit of service as paid to allied independent health providers in the preferred network.

Subd. 5. [EXEMPTION.] A community network is exempt from the requirements of this section, to the extent that it operates as a staff model health plan company, as defined in section 295.50, subdivision 12b, by employing allied independent health care providers to deliver health care services to enrollees.

Subd. 6. [DEFINITIONS.] (a) For purposes of this section, the following definitions apply.

(b) "Allied independent health provider" means an independently enrolled audiologist, chiropractor, dietician, home health care provider, marriage and family therapist, nurse practitioner or advanced practice nurse, occupational therapist, optometrist, optician, outpatient chemical dependency counselor, pharmacist who is not employed by and based on the premises of a community network, physical therapist, podiatrist, licensed consulting psychologist, psychological practitioner, licensed social worker, or speech therapist.

(c) "Home health care provider" means a personal care assistant, home health aide, or a provider of homemaker, respite care, adult day care, or home health nursing services.

(d) "Independently enrolled" means that a provider can bill, and receive direct payment for services from, a third-party payer or patient.

Sec. 7. [62N.26] [SHARED SERVICES COOPERATIVE.]

The commissioner of health shall establish, or assist in establishing, a shared services cooperative organized under chapter 308A to make available administrative and legal services, technical assistance, provider contracting and billing services, and other services to those community integrated service networks and integrated service networks that choose to participate in the cooperative. The commissioner shall provide, to the extent funds are appropriated, start-up loans sufficient to maintain the shared services cooperative until its operations can be maintained by fees and contributions. The cooperative must not be staffed, administered, or supervised by the commissioner of health. The cooperative shall make use of existing resources that are already available in the community, to the extent possible.

Sec. 8. [62N.27] [DEFINITIONS.]

Subdivision 1. [APPLICABILITY.] For purposes of sections 62N.27 to 62N.32, the terms defined in this section have the meanings given. Other terms used in those sections have the meanings given in sections 62D.041, 62D.042, 62D.043, and 62D.044.

Subd. 2. [NET WORTH.] "Net worth" means admitted assets, as defined in subdivision 3, minus liabilities. Liabilities do not include those obligations that are subordinated in the same manner as preferred ownership claims under section 60B.44, subdivision 10. For purposes of this subdivision, preferred ownership claims under section 60B.44, subdivision 10, include promissory notes subordinated to all other liabilities of the community network.

Subd. 3. [ADMITTED ASSETS.] "Admitted assets" means admitted assets as defined in section 62D.044, except that real estate investments allowed by section 62D.045 are not admitted assets. Admitted assets include the deposit required under section 62N.32.

Subd. 4. [ACCREDITED CAPITATED PROVIDER.] "Accredited capitated provider" means a health care providing entity that:

(1) receives capitated payments from a community network under a contract to provide health services to the community network's enrollees. For purposes of this section, a health care providing entity is "capitated" when its compensation arrangement with a community network involves the provider's acceptance of material financial risk for the delivery of a predetermined set of services for a specified period of time;

(2) is licensed to provide and provides the contracted services, either directly or through an affiliate. For purposes of this section, an "affiliate" is any person that directly or indirectly controls, or is controlled by, or is under common control with, the health care providing entity, and "control" exists when any person, directly or indirectly, owns, controls, or holds the power to vote, or holds proxies representing, no less than 80 percent of the voting securities or governance rights of any other person;

(3) agrees to serve as an accredited capitated provider of a community network for the purpose of reducing the community network's net worth and deposit requirements under section 62N.28; and

(4) is approved by the commissioner as an accredited capitated provider for a community network in accordance with section 62N.31.

Subd. 5. [PERCENTAGE OF RISK CEDED.] "Percentage of risk ceded" means the ratio, expressed as a percentage, between capitated payments made, or, in the case of a new entity, expected to be made, by a community network to all accredited capitated providers during any contract year and the total premium revenue, adjusted to eliminate expected administrative costs, received for the same time period by the community network.

Subd. 6. [PROVIDER AMOUNT AT RISK.] "Provider amount at risk" means a dollar amount certified by a qualified actuary to represent the expected direct costs to an accredited capitated provider for providing the contracted, covered health care services to the enrollees of the community network to which it is accredited for a period of six months.

Sec. 9. [62N.28] [NET WORTH REQUIREMENT.]

Subdivision 1. [REQUIREMENT.] Except as otherwise permitted by this chapter, each community network must maintain a minimum net worth equal to the greater of:

(1) \$1,000,000;

(2) two percent of the first \$150,000,000 of annual premium revenue plus one percent of annual premium revenue in excess of \$150,000,000;

(3) eight percent of the annual health services costs, except those paid on a capitated or managed hospital payment basis, plus four percent of the annual capitation and managed hospital payment costs; or

(4) four months uncovered health services costs.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given:

(1) "capitated basis" means fixed per member per month payment or percentage of premium paid to a provider that assumes the full risk of the cost of contracted services without regard to the type, value, or frequency of services provided. For purposes of this definition, capitated basis includes the cost associated with operating staff model facilities;

(2) "managed hospital payment basis" means agreements in which the financial risk is primarily related to the degree of utilization rather than to the cost of services; and

(3) "uncovered health services costs" means the cost to the community network of health services covered by the community network for which the enrollee would also be liable in the event of the community network's insolvency, and that are not guaranteed, insured, or assumed by a person other than the community network.

Subd. 3. [REINSURANCE CREDIT.] A community network may use the subtraction for premiums paid for insurance permitted under section 62D.042, subdivision 4.

Subd. 4. [PHASE-IN FOR NET WORTH REQUIREMENT.] (a) A community network may choose to comply with the net worth requirement on a phase-in basis according to the following schedule:

(1) 50 percent of the amount required under subdivisions 1 to 3 at the time that the community network begins enrolling enrollees;

(2) 75 percent of the amount required under subdivisions 1 to 3 at the end of the first full calendar year of operation;

(3) 87.5 percent of the amount required under subdivisions 1 to 3 at the end of the second full calendar year of operation; and

(4) 100 percent of the amount required under subdivisions 1 to 3 at the end of the third full calendar year of operation.

(b) A community network that elects to use the phase-in schedule provided in this subdivision cannot also use the real estate provision of section 62N.30 or the accredited capitated provider provision of section 62N.31.

Subd. 5. [NET WORTH CORRIDOR.] A community network shall not maintain net worth that exceeds two and one-half times the amount required of the community network under subdivision 1. Subdivision 4 is not relevant for purposes of this subdivision.

Subd. 6. [NET WORTH REDUCTION.] If a community network has contracts with accredited capitated providers, and only for so long as those contracts or successor contracts remain in force, the net worth requirement of subdivision 1 shall be reduced by the percentage of risk ceded, but in no event shall the net worth requirements be reduced by this subdivision to less than \$1,000,000. The phase-in requirements of subdivision 4 shall not be affected by this reduction.

Sec. 10. [62N.29] [GUARANTEEING ORGANIZATION.]

A community network may satisfy its net worth and deposit requirements, in whole or in part, through the use of one or more guaranteeing organizations, with the approval of the commissioner, under the conditions permitted in chapter 62D. Governmental entities, such as counties, may serve as guaranteeing organizations subject to the requirements of chapter 62D.

Sec. 11. [62N.30] [REAL ESTATE AS NET WORTH.]

(a) The commissioner may, at the request of a community network, allow the community network a credit of up to 20 percent of the community network's net worth requirement for the community network's ownership of real estate of which the community network makes significant use in delivering care to enrollees. The credit must reflect reduced expenses and risk to the community network. In determining whether to allow the credit, the commissioner shall review operating expenses, debt service, and other costs connected with the real estate, as well as the use of the property by the community network in delivering care to enrollees, in order to ascertain whether ownership of the asset significantly reduces the community network's expenses and risk.

(b) A community network that uses this section to satisfy part of its net worth requirement may not use accredited capitated providers under section 62N.31 for that purpose.

Sec. 12. [62N.31] [ACCREDITED CAPITATED PROVIDERS.]

Subdivision 1. [GENERAL.] Each health care providing entity seeking initial accreditation as an accredited capitated provider shall submit to the commissioner of health sufficient information to establish that the applicant has operational capacity, facilities, personnel, and financial capability to provide the contracted covered services to the enrollees of the community network for which it seeks accreditation (a) on an ongoing basis, and (b) for a period of six months following the insolvency of the network without receiving payment from the network. Accreditation shall continue until abandoned by the accredited capitated provider or revoked by the commissioner in accordance with subdivision 7. The applicant may provide evidence of financial capability by demonstrating that the provider amount at risk can be covered by or through any of allocated or restricted funds; a letter of credit; the taxing authority of the applicant or governmental sponsor of the applicant; a debt rating in the highest two categories for investment grade debt; an unrestricted fund balance at least two times the provider amount at risk; reinsurance, either purchased directly by the applicant or by the community network to which it will be accredited; or any other method accepted by the commissioner.

An accredited capitated provider that provides services to its enrollees without compensation due to insolvency of the community network has no claim against the enrollees for payment. Accreditation of a health care providing entity shall not in itself limit the right of the accredited capitated provider to seek payment of unpaid capitated amounts from a community network, whether the community network is solvent or insolvent; provided that, if the community network is subject to any liquidation, rehabilitation, or conservation proceedings, the accredited capitated provider shall have the status accorded creditors under chapter 60B.44, subdivision 10.

Subd. 2. [APPROVAL BY COMMISSIONER.] Before a provider may be used as an accredited capitated provider, the commissioner must determine whether the provider is sufficiently solvent to carry out its obligation without risk of bankruptcy. In making that determination, the commissioner may consider the provider's assets, liabilities, cash flow, operational and financial history, tax return information, expected cost of providing care to the community network's enrollees, expected revenues from other sources, fixed costs, and any information provided under subdivision 1.

Subd. 3. [ADDITIONAL SAFEGUARDS.] The commissioner may condition accredited status upon secured or unsecured personal guarantees by individual providers, security agreements and mortgages of assets owned by the provider, or other means of securing performance of the accredited capitated provider and preventing the provider from using bankruptcy to avoid its obligations to the community network and its enrollees. The state has an interest in performance of the obligations of accredited capitated providers, and the commissioner has standing to and may intervene in any insolvency proceeding involving an accredited capitated provider as the debtor, for the purpose of asserting the interests of the state and of the community network.

Subd. 4. [DATA SUBMISSIONS.] Each accredited capitated provider, as a condition of being granted accreditation, must submit to the commissioner annually, no later than April 15, an opinion by a qualified actuary regarding its ongoing ability to accept the loss of compensation under this section. The provider must also submit an annual data filing to the commissioner, including but not limited to:

(1) the expected direct costs to an accredited capitated provider for providing the contracted services to the enrollees of the community network to which it is accredited for a period of not less than six months;

(2) the number of enrollees served under the accredited capitated provider arrangement for the community network, both for the prior year and estimated for the current year;

(3) an audited financial statement, including an independent auditor's report, balance sheet, statement of support, revenue and expenses, statement of changes in capital balance, and statement of cash flow;

(4) any material change in the operational capacity of the accredited capitated provider since the last report to the commissioner;

(5) any material change in an accredited capitated provider's financial capacity to provide the contracted services; and

(6) any other information that the commissioner deems appropriate.

Subd. 5. [CONTRACT TERMINATION.] An accredited capitated provider may terminate its contract with a community network subject to the approval of the commissioner and under the conditions of this subdivision. An accredited capitated provider seeking to terminate its contract with a community network, whether by nonrenewal, cancellation, revocation, rescission, or otherwise, must give the commissioner and the community network six months' written notice of the termination. If the community network is notified of the termination and has sufficient net worth to be in compliance with its net worth requirement or has obtained alternative credit against the requirement, to the satisfaction of the commissioner, the notice requirement can be reduced to the greater of 90 days or the time required to secure the alternative credit.

Subd. 6. [NET WORTH AND WORKING CAPITAL.] (a) An accredited capitated provider must have an initial and continuing net worth of at least \$250,000. An accredited capitated provider must also have an initial working capital of at least \$250,000 and after that must maintain a positive working capital balance at all times.

(b) The commissioner may require an accredited capitated provider to maintain additional net worth requirements based on the type, nature, or volume of health services customarily rendered by the particular accredited capitated provider.

Subd. 7. [FAILURE TO COMPLY.] (a) If an accredited capitated provider fails to comply with the net worth, working capital, and other requirements of this section, the commissioner may take appropriate action, including increased monitoring of the financial and operational capacity of both the accredited capitated provider and the community network, administrative supervision of the accredited capitated provider or of the community network under chapter 60G, or suspension or revocation of an accredited capitated provider's accreditation.

(b) If an accredited capitated provider loses its accreditation, the accredited capitated provider is precluded from reapplying for accreditation for a period of one year from the date of the loss of accreditation.

Sec. 13. [62N.32] [DEPOSIT REQUIREMENT.]

A community network must satisfy the deposit requirement provided in section 62D.041. The deposit counts as an admitted asset and as part of the required net worth. The deposit requirement cannot be reduced by the alternative means that may be used to reduce the net worth requirement, other than through the use of a guaranteeing organization.

Sec. 14. [62N.33] [COVERAGE FOR ENROLLEES OF INSOLVENT NETWORKS.]

In the event of a community network insolvency, the commissioner shall determine whether one or more community networks are willing and able to provide replacement coverage to all of the failed community network's enrollees, and if so, the commissioner shall facilitate the provision of the replacement coverage. If such replacement coverage is not available, the commissioner shall randomly assign enrollees of the insolvent community network to other community networks and health carriers in the service area, in proportion to their market share, for the remaining terms of the enrollees' contracts with the insolvent network. The other community networks and health carriers must accept the allocated enrollees under their policy or contract most similar to the enrollees' contracts with the insolvent community network. The allocation must keep groups together. Enrollees with special continuity of care needs may, in the commissioner's discretion, be given a choice of replacement coverage rather than random assignment. Individuals and groups that are assigned randomly may choose a different community network or health carrier when their contracts expire, on the same basis as any other individual or group. The replacement carrier must comply with any guaranteed renewal or other renewal provisions of the prior coverage, including but not limited to, provisions regarding preexisting conditions and health conditions that developed during prior coverage.

Sec. 15. [62N.34] [INSOLVENCY FUNDING.]

(a) In the event of an insolvency of a community network, all other community networks and health carriers shall be assessed a surcharge, if necessary to pay expenses and claims set forth in paragraph (b), in proportion to their gross premium revenues.

(b) Money raised by the assessment shall be used to pay for the following, to the extent that they exceed the community network's deposit and other remaining assets:

(1) expenses in connection with the insolvency and transfer of enrollees;

(2) outstanding fee-for-service claims from nonparticipating providers, discounted by 25 percent of the claim amount. Claims incurred after the implementation of the fee schedules provided under chapter 62P will be reimbursed at the fee schedule amount discounted by 25 percent. Providers may not seek to recover the unpaid portion of their claim from enrollees; and

(3) premiums to community networks and health carriers that take enrollees of the insolvent community network, prorated to account for premiums already paid to the insolvent community network on behalf of those enrollees, to purchase coverage for time periods for which the insolvent community network can no longer provide coverage.

(c) In any year in which an assessment is made, the commissioner, in consultation with community networks and other health carriers, shall report to the legislature and governor on the continuing viability of the assessment approach and on the merits of potential alternative funding sources.

Sec. 16. [62N.35] [BORDER ISSUES.]

To the extent feasible and appropriate, community networks that also operate under the health maintenance organization or similar prepaid health care law of another state must be licensed and regulated by this state in a manner that avoids unnecessary duplication and expense for the community network. The commissioner shall

communicate with regulatory authorities in neighboring states to explore the feasibility of cooperative approaches to streamline regulation of border community networks, such as joint financial audits, and shall report to the legislature on any changes to Minnesota law that may be needed to implement appropriate collaborative approaches to regulation.

Sec. 17. [62N.36] [NOTIFICATION OF PROVIDER NETWORK OPENING.]

A community integrated service network or integrated service network shall publish a notice of any health care provider network opening, vacancy, or contract in appropriate regional newspapers. This notice must be published at least 14 days before the closing date for applications for the open or vacant position. The requirement for notification shall not apply if the community integrated service network or integrated service network is replacing a network provider, and any delay in filling a vacancy causes an impairment to delivery of health care services.

Sec. 18. [STUDY OF SOLVENCY REGULATION OF INTEGRATED SERVICE NETWORKS.]

The commissioners of health and commerce shall develop the solvency standards for the integrated service networks created by chapter 62N. The solvency standards for integrated service networks must be effective no later than January 1, 1996.

The standards may use a risk-based capital standard as an integral tool to assess solvency of the integrated service networks. The standards may require that integrated service networks file the risk based capital calculation as part of the annual financial statement. The risk-based capital standard for integrated service networks may be based upon the national association of insurance commissioners health organization risk based capital standards currently under development, with any necessary modifications to reflect the unique risk characteristics of integrated service networks. Those modifications must be based upon an actuarial analysis of the effect on risk.

Sec. 19. [MONITORING OF REINSURANCE ACCESSIBILITY FOR COMMUNITY NETWORKS.]

The commissioners of commerce and health shall monitor the private sector market for reinsurance, in order to determine whether community integrated service networks are able to purchase reinsurance at competitive rates. If the commissioners find that the private market for reinsurance is not accessible or not affordable to community integrated service networks, the commissioners shall recommend to the legislature a voluntary or mandatory reinsurance purchasing pool for community integrated service networks. The commissioners' recommendations shall address the conditions under which community networks would be permitted or required to participate in the pool and the role of the state in overseeing or administering the pool.

Sec. 20. [EFFECTIVE DATE.]

Sections 1 to 19 are effective July 1, 1994.

Subd. 4. [INFORMATION ON HEALTH PLAN COMPANIES.] The information clearinghouse shall provide information on all health plan companies operating in a specific geographic area to consumers and purchasers who request it.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62J.33, is amended by adding a subdivision to read:

Subd. 5. [DISTRIBUTION OF DATA ON QUALITY.] The commissioner shall make available through the clearinghouse hospital quality data collected under section 62J.45, subdivision 4b, and health plan company quality data collected under section 62J.45, subdivision 4c.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4a. [EVALUATION OF CONSUMER SATISFACTION; PROVIDER INFORMATION PILOT STUDY.] (a) The commissioner may make a grant to the data institute to develop and implement a mechanism for collecting comparative data on consumer satisfaction through adoption of a standard consumer satisfaction survey. As a condition of receiving this grant, the data institute shall appoint a consumer advisory group which shall consist of 13 individuals, representing enrollees from public and private health plan companies and programs and two uninsured consumers, to advise the data institute on issues of concern to consumers. The advisory group must have at least one member from each regional coordinating board region of the state. The advisory group expires June 30, 1997. No more than seven members may be of the same gender. This survey shall include enrollees in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. The data institute shall determine a mechanism for the inclusion of the uninsured. Health plan companies and group purchasers shall provide enrollment information, including the names, addresses, and telephone numbers of enrollees and former enrollees and other data necessary for the completion of this study to the data institute. This enrollment information provided by the health plan companies and group purchasers is classified as private data on individuals, as defined in section 13.02, subdivision 12. The data institute shall provide raw unaggregated data to the data analysis unit. The data institute may analyze and prepare findings from the raw, unaggregated data, and the findings from this survey may be included in the health plan company report cards, and in other reports developed by the data analysis unit, in consultation with the data institute, to be disseminated by the information clearinghouse. The raw unaggregated data is classified as private data on individuals as defined in section 13.02, subdivision 12. The survey may include information on the following subjects:

- (1) enrollees' overall satisfaction with their health care plan;
- (2) consumers' perception of access to emergency, urgent, routine, and preventive care, including locations, hours, waiting times, and access to care when needed;
- (3) premiums and costs;
- (4) technical competence of providers;
- (5) communication, courtesy, respect, reassurance, and support;
- (6) choice and continuity of providers;
- (7) continuity of care;
- (8) outcomes of care;
- (9) services offered by the plan, including range of services, coverage for preventive and routine services, and coverage for illness and hospitalization;

(10) availability of information; and

(11) paperwork.

(b) The commissioner, in consultation with the data institute, shall develop a pilot study to collect comparative data from health care providers on opportunities and barriers to the provision of quality, cost-effective health care. The provider information pilot study shall include providers in community integrated service networks, integrated service networks, health maintenance organizations, preferred provider organizations, indemnity insurance plans, public programs, and other health plan companies. Health plan companies and group purchasers shall provide to the commissioner providers' names, health plan assignment, and other appropriate data necessary for the commissioner to conduct the study. The provider information pilot study shall examine factors that increase and hinder access to the provision of quality, cost-effective health care. The study may examine:

(1) administrative barriers and facilitators;

(2) time spent obtaining permission for appropriate and necessary treatments;

(3) latitude to order appropriate and necessary tests, pharmaceuticals, and referrals to specialty providers;

(4) assistance available for decreasing administrative and other routine paperwork activities;

(5) continuing education opportunities provided;

(6) access to readily available information on diagnoses, diseases, outcomes, and new technologies;

(7) continuous quality improvement activities;

(8) inclusion in administrative decision-making;

(9) access to social services and other services that facilitate continuity of care;

(10) economic incentives and disincentives;

(11) peer review procedures; and

(12) the prerogative to address public health needs.

In selecting additional data for collection, the commissioner shall consider the: (1) statistical validity of the indicator; (2) public need for the information; (3) estimated expense of collecting and reporting the indicator; and (4) usefulness of the indicator to identify barriers and opportunities to improve quality care provision within health plan companies.

Sec. 5. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4b. [HOSPITAL QUALITY INDICATORS.] The commissioner, in consultation with the data institute, shall develop a system for collecting data on hospital quality. The commissioner shall require a licensed hospital to collect and report data as needed for the system. Data to be collected shall include structural characteristics including staff-mix and nurse-patient ratios. In selecting additional data for collection, the commissioner shall consider: (1) feasibility and statistical validity of the indicator; (2) purchaser and public demand for the indicator; (3) estimated expense of collecting and reporting the indicator; and (4) usefulness of the indicator for internal improvement purposes.

Sec. 6. Minnesota Statutes 1993 Supplement, section 62J.45, is amended by adding a subdivision to read:

Subd. 4c. [QUALITY REPORT CARDS.] Each health plan company shall report annually by April 1 to the commissioner specific quality indicators, in the form specified by the commissioner in consultation with the data institute. The quality indicators must be reported using standard definitions and measurement processes as specified by the commissioner. Wherever possible, the commissioner's specifications must be consistent with those outlined in the health plan employer data and information set (HEDIS 2.0). The commissioner, in consultation with the data institute, may modify the quality indicators to be reported to incorporate improvements in quality measurement tools.

When HEDIS 2.0 indicators or health care financing administration approved quality indicators for medical assistance and Medicare are used, the commissioner is exempt from rulemaking. For additions or modifications to the HEDIS indicators or if other quality indicators are added, the commissioner shall proceed through rulemaking pursuant to chapter 14. The data analysis unit shall develop quality report cards, and these report cards shall be disseminated through the information clearinghouse. Data shall be collected and reported by county and high-risk and special needs populations as well as by health plans, except when this would allow individuals to be identified.

Sec. 7. Minnesota Statutes 1992, section 62M.02, subdivision 5, is amended to read:

Subd. 5. [CERTIFICATION.] "Certification" means a determination by a utilization review organization that an admission, extension of stay, or other health care service has been reviewed and that it, based on the information provided, meets the utilization review requirements of the applicable health plan and the health carrier will then pay for the covered benefit, provided the preexisting limitation provisions, the general exclusion provisions, and any deductible, copayment, coinsurance, or other policy requirements have been met.

Sec. 8. Minnesota Statutes 1992, section 62M.02, subdivision 21, is amended to read:

Subd. 21. [UTILIZATION REVIEW ORGANIZATION.] "Utilization review organization" means an entity including but not limited to an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a community integrated service network or an integrated service network licensed under chapter 62N; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; a multiple employer welfare arrangement, as defined in section 3 of the Employee Retirement Income Security Act of 1974 (ERISA), United States Code, title 29, section 1103, as amended; a third party administrator licensed under section 60A.23, subdivision 8, which conducts utilization review and determines certification of an admission, extension of stay, or other health care services for a Minnesota resident; or any entity performing utilization review that is affiliated with, under contract with, or conducting utilization review on behalf of, a business entity in this state.

Sec. 9. Minnesota Statutes 1992, section 62M.03, subdivision 1, is amended to read:

Each licensed community integrated service network, integrated service network, or health maintenance organization that has an employed staff model of providing health care services shall comply with sections 62M.01 to 62M.16 and section 72A.201, subdivisions 8 and 8a, for any services provided by providers under contract.

Sec. 10. Minnesota Statutes 1992, section 62M.03, subdivision 2, is amended to read:

Subd. 2. [NONLICENSED UTILIZATION REVIEW ORGANIZATION.] An organization that meets the definition of a utilization review organization under section 62M.02, subdivision 21, that is not licensed in this state that performs utilization review services for Minnesota residents must register with the commissioner of commerce and must certify compliance with sections 62M.01 to 62M.16.

The commissioner of commerce may issue a cease and desist order under section 45.027, subdivision 5, to enforce this provision. The cease and desist order is subject to appeal under chapter 14. A nonlicensed utilization review organization that fails to comply with the provisions of sections 62M.01 to 62M.16 is subject to all applicable penalty and enforcement provisions of section 72A.201. Sec. 12. Minnesota Statutes 1992, section 62M.05, subdivision 3, is amended to read:

Subd. 3. [NOTIFICATION OF DETERMINATIONS.] A utilization review organization must have written procedures for providing notification of its determinations on all certifications in accordance with the following:

(a) When an initial determination is made to certify, notification must be provided promptly by telephone to the provider. The utilization review organization shall send written notification to the hospital, attending physician, or applicable service provider within ten business days of the determination in accordance with section 72A.20, subdivision 4a, or shall maintain an audit trail of the determination and telephone notification. For purposes of this subdivision, "audit trail" includes documentation of the telephone notification, including the date; the name of the person spoken to, the enrollee or patient; the service, procedure, or admission certified; and the date of the service, procedure, or admission. If the utilization review organization indicates certification by use of a number, the number must be called the "certification number."

(b) When a determination is made not to certify a hospital or surgical facility admission or extension of a hospital stay, or other service requiring review determination, within one working day after making the decision the attending physician and hospital must be notified by telephone and a written notification must be sent to the hospital, attending physician, and enrollee or patient. The written notification must include the principal reason or reasons for the determination and the process for initiating an appeal of the determination. Upon request, the utilization review organization shall provide the attending physician or provider with the criteria used to determine the necessity, appropriateness, and efficacy of the health care service and identify the database, professional treatment parameter, or other basis for the criteria. Reasons for a determination not to certify may include, among other things, the lack of adequate information to certify after a reasonable attempt has been made to contact the attending physician.

Sec. 13. Minnesota Statutes 1992, section 62M.06, subdivision 3, is amended to read:

(c) Prior to upholding the original decision not to certify for clinical reasons, the utilization review organization shall conduct a review of the documentation by a physician who did not make the original determination not to certify.

(d) The process established by a utilization review organization may include defining a period within which an appeal must be filed to be considered. The time period must be communicated to the patient, enrollee, or attending physician when the initial determination is made.

(e) An attending physician who has been unsuccessful in an attempt to reverse a determination not to certify shall, consistent with section 72A.285, be provided the following:

(1) a complete summary of the review findings;

(2) qualifications of the reviewers, including any license, certification, or specialty designation; and

(3) the relationship between the enrollee's diagnosis and the review criteria used as the basis for the decision, including the specific rationale for the reviewer's decision.

(f) In cases ~~where an~~ of appeal to reverse a determination not to certify for clinical reasons ~~is unsuccessful~~, the utilization review organization must, upon request of the attending physician, ensure that a physician of the utilization review organization's choice in the same or a similar general specialty as typically manages the medical condition, procedure, or treatment under discussion is reasonably available to review the case.

Sec. 14. Minnesota Statutes 1992, section 62M.09, subdivision 5, is amended to read:

Subd. 5. [WRITTEN CLINICAL CRITERIA.] A utilization review organization's decisions must be supported by written clinical criteria and review procedures. Clinical criteria and review procedures must be established with appropriate involvement from physicians, in accordance with acceptable and prevailing medical practice in Minnesota, and based upon data that is valid for Minnesota residents. A utilization review organization must use written clinical criteria, as required, for determining the appropriateness of the certification request. The utilization review organization must have a procedure for ensuring the periodic evaluation and updating of the written criteria.

Subd. 4. [HEALTH PLAN COMPANY.] "Health plan company" means:

(1) a health carrier as defined under section 62A.011, subdivision 2;

(2) an integrated service network as defined under section 62N.02, subdivision 8;

Sec. 16. [62Q.03] [PROCESS FOR DEFINING, DEVELOPING, AND IMPLEMENTING A RISK ADJUSTMENT SYSTEM.]

Subdivision 1. [PURPOSE.] Risk adjustment is a vital element of the state's strategy for achieving a more equitable, efficient system of health care delivery and financing for all state residents. Risk adjustment is needed to: remove current disincentives in the health care system to insure and serve high risk and special needs populations; promote fair competition among health plan companies on the basis of their ability to efficiently and effectively provide services rather than on the health status of those in a given insurance pool; and help assure the viability of all health plan companies, including community integrated service networks. It is the commitment of the state to develop and implement a risk adjustment system by July 1, 1997, and to continue to improve and refine risk adjustment over time. The process for designing and implementing risk adjustment shall be open, explicit, utilize resources and expertise from both the private and public sectors, and include at least the representation described in subdivision 4. The process shall take into account the formative nature of risk adjustment as an emerging science, and shall develop and implement risk adjustment to allow continual modifications, expansions, and refinements over time. The process shall have at least two stages, as described in subdivision 2 and 3.

Subd. 2. [FIRST STAGE OF RISK ADJUSTMENT DEVELOPMENT PROCESS.] The objective of the first stage is to report to the legislature by January 15, 1995, with recommendations on the process, organization, resource needs, and specific work plan to define, develop, and implement a risk adjustment mechanism by July 1, 1997, and to continually improve risk adjustment over time. The report shall address the specific issues listed in subdivision 5, and shall also identify any additional policy issues, questions and concerns that must be addressed to facilitate development and implementation of risk adjustment.

Subd. 3. [SECOND STAGE OF THE RISK ADJUSTMENT DEVELOPMENT PROCESS.] The second stage of the process, following review and any modification by the legislature of the January 15, 1995 report, shall be to carry out the work plan to develop and implement a risk adjustment mechanism by July 1, 1997, and to continue to improve and refine a risk adjustment over time. The second stage of the process shall be carried out by the association created in subdivision 6.

Subd. 4. [EXPERT PANEL.] The commissioners of health and commerce shall convene an expert advisory panel comprised of, but not limited to, the board members of the Minnesota risk adjustment association, as described in subdivision 8, and experts from the fields of epidemiology, health services research, and health economics. The commissioners may also convene technical work groups that may include members of the expert advisory panel and other persons, all selected in the sole discretion of the commissioners. The expert advisory panel and the workgroups shall assist and advise the commissioners of health and commerce in preparing the implementation report described in subdivision 5.

Subd. 5. [IMPLEMENTATION REPORT TO THE LEGISLATURE.] The commissioners of health and commerce shall submit a report to the legislature by January 15, 1995, with recommendations on the process, organization, resource needs, and specific work plan to define, develop, and implement a risk adjustment system by July 1, 1997, and to continually improve risk adjustment over time. In developing the January 15, 1995 report, the commissioners of commerce and health must consider and describe the following:

- (1) the relationship of risk adjustment to the implementation of universal coverage and community rating;
- (2) the role of reinsurance in the risk adjustment system, as a short-term alternative in the absence of a risk adjustment methodology;
- (3) the relationship of the risk adjustment system to the implementation of reforms in underwriting and rating requirements;
- (4) the potential role of the health coverage reinsurance association in the risk adjustment system;
- (5) the need for mandatory participation of all health plan companies in the risk adjustment system;
- (6) current and emerging applications of risk adjustment methodologies used for reimbursement purposes at the state and national level and the reliability and validity of current risk assessment and risk adjustment methodologies;
- (7) the levels and types of risk to be distributed through the risk adjustment system;
- (8) the extent to which prepaid contracting by public programs needs to be addressed by the risk adjustment methodology;
- (9) a plan for testing of the risk adjustment options being proposed, including simulations using existing health plan data, and development and testing of models on simulated data to assess the feasibility and efficacy of specific methodologies;
- (10) the appropriate role of the state in the supervision of the risk adjustment association created pursuant to subdivision 6;
- (11) risk adjustment methodologies that take into account differences among health plan companies due to their relative efficiencies, characteristics, and relative to existing insured contracts, new business, underwriting, or rating restrictions required or permitted by law; and
- (12) methods to encourage health plan companies to enroll higher risk populations.

To the extent possible, the implementation report shall identify a specific methodology or methodologies that may serve as a starting point for risk adjustment, explain the advantages and disadvantages of each such methodology, and provide a specific workplan for implementing the methodology.

Subd. 6. [CREATION OF RISK ADJUSTMENT ASSOCIATION.] The Minnesota risk adjustment association is created on July 1, 1994, and may operate as a nonprofit unincorporated association.

Subd. 7. [PURPOSE OF ASSOCIATION.] The association is established to carry out the purposes of subdivision 1, as further elaborated on by the implementation report described in subdivision 5 and by legislation enacted in 1995 or subsequently.

Subd. 8. [GOVERNANCE.] (a) The association shall be governed by an interim 19-member board as follows: one provider member appointed by the Minnesota Hospital Association; one provider member appointed by the Minnesota Medical Association; one provider member appointed by the governor; three members appointed by the Minnesota Council of HMOs to include an HMO with at least 50 percent of total membership enrolled through a public program; three members appointed by Blue Cross and Blue Shield of Minnesota, to include a member from a Blue Cross and Blue Shield of Minnesota affiliated health plan with fewer than 50,000 enrollees and located outside the Minneapolis-St. Paul metropolitan area; two members appointed by the Insurance Federation of Minnesota; one member appointed by the Minnesota Association of Counties; and three public members appointed by the governor, to include at least one representative of a public program. The commissioners of health, commerce, human services, and employee relations shall be nonvoting ex-officio members.

(b) The board may elect officers and establish committees as necessary.

(c) A majority of the members of the board constitutes a quorum for the transaction of business.

(d) Approval by a majority of the board members present is required for any action of the board.

(e) Interim board members shall be appointed by July 1, 1994, and shall serve until a new board is elected according to the plan developed by the association.

(f) A member may designate a representative to act as a member of the interim board in the member's absence.

Subd. 9. [DATA COLLECTION.] The board of the association shall consider antitrust implications and establish procedures to assure that pricing and other competitive information is appropriately shared among competitors in the health care market or members of the board. Any information shared shall be distributed only for the purposes of administering or developing any of the tasks identified in subdivisions 2 and 4. In developing these procedures, the board of the association may consider the identification of a state agency or other appropriate third party to receive information of a confidential or competitive nature.

Subd. 10. [SUPERVISION.] The association's activities shall be supervised by the commissioners of health and commerce.

Subd. 11. [REPORTING.] The board of the association shall provide a status report on its activities to the health care commission on a quarterly basis.

Sec. 17. [62Q.05] [DATA.]

Health plan companies are subject to the data reporting requirements of the 1992 and 1993 MinnesotaCare acts, as amended.

Sec. 18. [62Q.07] [ACTION PLANS.]

Subdivision 1. [ACTION PLANS REQUIRED.] (a) To increase public awareness and accountability of health plan companies, all health plan companies must annually file with the applicable commissioner an action plan that satisfies the requirements of this section beginning July 1, 1994, as a condition of doing business in Minnesota. Each health plan company must also file its action plan with the information clearinghouse. Action plans are required solely to provide information to consumers, purchasers, and the larger community as a first step toward greater accountability of health plan companies. The sole function of the commissioner in relation to the action plans is to ensure that each health plan company files a complete action plan, that the action plan is truthful and not misleading, and that the action plan is reviewed by appropriate community agencies.

(b) If a commissioner responsible for regulating a health plan company required to file an action plan under this section has reason to believe an action plan is false or misleading, the commissioner may conduct an investigation to determine whether the action plan is truthful and not misleading, and may require the health plan company to submit any information that the commissioner reasonably deems necessary to complete the investigation. If the commissioner determines that an action plan is false or misleading, the commissioner may require the health plan company to file an amended plan or may take any action authorized under chapter 72A.

Subd. 2. [CONTENTS OF ACTION PLANS.] (a) An action plan must include a detailed description of all of the health plan company's methods and procedures, standards, qualifications, criteria, and credentialing requirements for designating the providers who are eligible to participate in the health plan company's provider network, including any limitations on the numbers of providers to be included in the network. This description must be updated by the health plan company and filed with the applicable agency on a quarterly basis.

(b) An action plan must include the number of full-time equivalent physicians, by specialty, nonphysician providers, and allied health providers used to provide services. The action plan must also describe how the health plan company intends to encourage the use of nonphysician providers, midlevel practitioners, and allied health professionals, through at least consumer education, physician education, and referral and advisement systems. The annual action plan must also include data that is broken down by type of provider, reflecting actual utilization of midlevel practitioners and allied professionals by enrollees of the health plan company during the previous year. Until July 1, 1995, a health plan company may use estimates if actual data is not available. For purposes of this paragraph, "provider" has the meaning given in section 62J.03, subdivision 8.

(c) An action plan must include a description of the health plan company's policy on determining the number and the type of providers that are necessary to deliver cost-effective health care to its enrollees. The action plan must also include the health plan company's strategy, including provider recruitment and retention activities, for ensuring that sufficient providers are available to its enrollees.

(d) An action plan must include a description of actions taken or planned by the health plan company to ensure that information from report cards, outcome studies, and complaints is used internally to improve quality of the services provided by the health plan company.

(e) An action plan must include a detailed description of the health plan company's policies and procedures for enrolling and serving high risk and special needs populations. This description must also include the barriers that are present for the high risk and special needs population and how the health plan company is addressing these barriers in order to provide greater access to these populations. "High risk and special needs populations" includes, but is not limited to, recipients of medical assistance, general assistance medical care, and MinnesotaCare; persons with chronic conditions or disabilities; individuals within certain racial, cultural, and ethnic communities; individuals and families with low income; adolescents; the elderly; individuals with limited or no English language proficiency; persons with high-cost preexisting conditions; chemically dependent persons; and persons who are at high-risk of requiring treatment. The action plan must also reflect actual utilization of providers by enrollees defined by this section as high risk or special needs populations during the previous year. For purposes of this paragraph, "provider" has the meaning given in section 62J.03, subdivision 8.

(f) An action plan must include a general description of any action the health plan company has taken and those it intends to take to offer health coverage options to rural communities and other communities not currently served by the health plan company.

(g) A health plan company may satisfy any of the requirements of the action plan in paragraphs (a) to (f) by stating that it has no policies, procedures, practices, or requirements, either written or unwritten, or formal or informal, and has undertaken no activities or plans on the issues required to be addressed in the action plan, provided that the statement is truthful and not misleading.

Sec. 19. [62Q.11] [DISPUTE RESOLUTION.]

Subdivision 1. [ESTABLISHED.] The commissioners of health and commerce shall make dispute resolution processes available to encourage early settlement of disputes in order to avoid the time and cost associated with litigation and other formal adversarial hearings. For purposes of this section, "dispute resolution" means the use of negotiation, mediation, arbitration, mediation-arbitration, neutral fact finding, and minitrials. These processes shall be nonbinding unless otherwise agreed to by all parties to the dispute.

Subd. 2. [REQUIREMENTS.] (a) If an enrollee of a health plan company chooses to use a dispute resolution process prior to the filing of a formal claim or of a lawsuit, the health plan company must participate.

(b) If an enrollee chooses to use a dispute resolution process after the filing of a lawsuit, the health plan company must participate in dispute resolution, including, but not limited to, alternative dispute resolution under Rule 114 of the Minnesota general rules of practice.

(c) The commissioners of health and commerce shall inform and educate health plan companies' enrollees about dispute resolution and its benefits.

(d) A health plan company may encourage but not require an enrollee to submit a complaint to alternative dispute resolution.

Sec. 20. [62Q.13] [LIMITATION ON EXCLUSIVE CONTRACTS.]

A contract requirement between a health care provider and health plan company that obligates the health care provider to provide health care services exclusively to enrollees or insureds of the health plan company applies only if the health plan company maintains the same licensure status that it did at the time the contract was entered into. If the health plan company changes its licensure status, a contract for the exclusive provision of services is not valid and is not enforceable. For purposes of this section, the provision of health care services through a preferred provider organization is considered a form of licensure status. This section does not apply to health care providers employed by a health plan company.

Sec. 21. [62Q.14] [FREEDOM OF CHOICE.]

No health plan company may restrict the choice of an enrollee as to where the enrollee receives the services defined under United States Code, title 42, section 1396d(a)(4)(c), or receives services for the treatment of sexually transmitted diseases.

Sec. 22. [62Q.16] [STANDARD POLICY TERMS.]

The termination of any health plan as defined in section 62A.011, subdivision 3, with the exception of individual health plans, issued or renewed after January 1, 1995, must provide coverage until the end of the month in which coverage was terminated.

Sec. 23. [UTILIZATION REVIEW STUDY.]

The commissioners of health and commerce shall study means of funding the registration required by Minnesota Statutes, section 62M.03, and of monitoring and enforcing the requirements of Minnesota Statutes, chapter 62M. They shall jointly report their recommendations to the legislature by January 15, 1995.

Sec. 24. [ALTERNATIVE DISPUTE RESOLUTION PILOT PROJECT.]

Subdivision 1. [ESTABLISHMENT.] The commissioner of health, in consultation with the commissioner of commerce, the Minnesota health care commission, and the state office of dispute resolution at the bureau of mediation services, shall establish an alternative dispute resolution pilot project. The project shall be administered by the commissioner of health. For purposes of this section, "dispute resolution" means the use of negotiation, mediation, mediation-arbitration, neutral fact finding, and minitrials.

Subd. 2. [REQUIREMENTS.] The pilot project may be used by health care providers and their patients to attempt to resolve disputes before litigation is commenced in any court. The pilot project requires the use of negotiation, mediation, arbitration, mediation-arbitration, neutral fact finding, and minitrials prior to the filing of a lawsuit. These processes shall be nonbinding unless otherwise agreed to by all parties to the dispute.

Subd. 3. [REPORT.] The commissioner of health shall report to the legislature by January 1, 1995, on the results of the pilot project and on any recommended legislative changes.

Sec. 25. [EXEMPTION.]

The commissioner of health shall apply to the health care financing administration for an exemption to the requirement that physicians report settlements of \$10,000 or less to the National Practitioners Data Bank under Code of Federal Regulations, title 45, part 60.

Sec. 26. [EFFECTIVE DATE.]

Sections 15 to 17 and 23 are effective the day following final enactment. Sections 1 to 6 and 18 are effective July 1, 1994. Sections 7 to 14, 19, and 21 are effective January 1, 1995.

ARTICLE 3

THE REGULATED ALL-PAYER OPTION

Section 1. Minnesota Statutes 1993 Supplement, section 62P.01, is amended to read:

62P.01 [REGULATED ALL-PAYER SYSTEM OPTION.]

~~The regulated all-payer system established under this chapter governs all health care services that are provided outside of an integrated service network. The regulated all-payer system is designed to control costs, prices, and utilization of all health care services not provided through an integrated service network while maintaining or improving the quality of services. The commissioner of health shall adopt rules establishing controls within the system to ensure that the rate of growth in spending in the system, after adjustments for population size and risk, remains within the limits set by the commissioner under section 62J.04. All providers that serve Minnesota residents and all health carriers that cover Minnesota residents shall comply with the requirements and rules established under this chapter for all health care services or coverage provided to Minnesota residents. The purpose of the regulated all-payer option is to provide an alternative to integrated service networks for those consumers, providers, third-party payers, and group purchasers who prefer to participate in a fee-for-service system. The initial goal of the all-payer option is to reduce administrative costs and burdens by including the all-payer option in a uniform, standardized system of billing forms and procedures and utilization review. The longer-term goal of the all-payer option is to establish a uniform reimbursement system, reimbursement and utilization controls, and quality standards and monitoring; to ensure that the annual growth in the costs for all services not provided through integrated service networks will remain within the growth limits established under section 62J.04; and to ensure that quality for these services is maintained or improved.~~

Sec. 2. [62P.02] [DEFINITIONS.]

(a) For purposes of this chapter, the following definitions apply:

(b) "All-payer insurer" means a health carrier as defined in section 62A.011, subdivision 2. The term does not include community integrated service networks or integrated service networks licensed under chapter 62N.

(c) "All-payer reimbursement level" means the reimbursement amount specified by the all-payer reimbursement system.

(d) "All-payer reimbursement system" means the Minnesota-specific fee schedule, the Minnesota-specific diagnosis related groups system, and other provider payment methods established under this chapter or rules adopted under this chapter.

(e) "Commissioner" means the commissioner of health.

(f) "Health care provider" has the meaning given in section 62J.03, subdivision 8.

(g) "Cosmetic medical or cosmetic dental procedures" means elective medical or dental procedures not part of the universal standard benefits set which are primarily performed to improve physical appearance.

Sec. 3. Minnesota Statutes 1993 Supplement, section 62P.03, is amended to read:

62P.03 [IMPLEMENTATION.]

~~(a) By January 1, 1994, the commissioner of health, in consultation with the Minnesota health care commission, shall report to the legislature recommendations for the design and implementation of the all-payer system. The commissioner may use a consultant or other technical assistance to develop a design for the all-payer system. The commissioner's recommendations shall include the following:~~

~~(1) methods for controlling payments to providers such as uniform fee schedules or rate limits to be applied to all health plans and health care providers with independent billing rights;~~

~~(2) methods for controlling utilization of services such as the application of standardized utilization review criteria, incentives based on setting and achieving volume targets, recovery of excess spending due to overutilization, or required use of practice parameters;~~

- ~~(3) methods for monitoring quality of care and mechanisms to enforce the quality of care standards;~~
- ~~(4) requirements for maintaining and reporting data on costs, prices, revenues, expenditures, utilization, quality of services, and outcomes;~~
- ~~(5) measures to prevent or discourage adverse risk selection between the regulated all-payer system and integrated service networks;~~
- ~~(6) measures to coordinate the regulated all-payer system with integrated service networks to minimize or eliminate barriers to access to health care services that might otherwise result;~~
- ~~(7) an appeals process;~~
- ~~(8) measures to encourage and facilitate appropriate use of midlevel practitioners and eliminate undesirable barriers to their participation in providing services;~~
- ~~(9) measures to assure appropriate use of technology and to manage introduction of new technology;~~
- ~~(10) consequences to be imposed on providers whose expenditures have exceeded the limits established by the commissioner; and~~
- ~~(11) restrictions on provider conflicts of interest.~~

(b) On July 1, 1994, the regulated all-payer system option shall begin to be phased in with full implementation of the all-payer reimbursement system by July 1, 1996 1997. During the transition period, expenditure limits for health carriers shall be established in accordance with section 62P.04 and health care provider revenue limits shall be established in accordance with section 62P.05.

Sec. 4. Minnesota Statutes 1993 Supplement, section 62P.04, is amended to read:

62P.04 [EXPENDITURE LIMITS FOR HEALTH PLAN COMPANY.]

Subdivision 1. [DEFINITIONS.] (a) For purposes of this section, the following definitions apply.

(b) "Health carrier plan company" has the definition provided in section 62A.011 62Q.01.

(c) ~~"Total expenditures" mean incurred claims or expenditures on health care services, administrative expenses, charitable contributions, and all other payments made by health carriers out of premium revenues, except taxes and assessments, and payments or allocations made to establish or maintain reserves. Total expenditures are equivalent to the amount of total revenues minus taxes and assessments. Taxes and assessments~~ "Exempted taxes and assessments" means direct payments for taxes to government agencies, contributions to the Minnesota comprehensive health association, the medical assistance provider's surcharge under section 256.9657, the MinnesotaCare provider tax under section 295.52, assessments by the health coverage reinsurance association, assessments by the Minnesota life and health insurance guaranty association, assessments by the Minnesota reinsurance and risk adjustment association, and any new assessments imposed by federal or state law.

Total expenditures are equivalent to the amount of total revenue minus taxes and assessments.

Subd. 2. [ESTABLISHMENT.] The commissioner of health shall establish limits on the increase in total expenditures by each health carrier plan company for calendar years 1994 and, 1995, 1996, and 1997. The limits must be the same as the annual rate of growth in health care spending established under section 62J.04, subdivision 1, paragraph (b). Health carriers plan companies that are affiliates may elect to meet one combined expenditure limit.

Subd. 3. [DETERMINATION OF EXPENDITURES.] Health carriers plan companies shall submit to the commissioner of health, by April 1, 1994, for calendar year 1993, and by, April 1, 1995, for calendar year 1994; April 1, 1996, for calendar year 1995; April 1, 1997, for calendar year 1996; and April 1, 1998, for calendar year 1997 all

information the commissioner determines to be necessary to implement and enforce this section. The information must be submitted in the form specified by the commissioner. The information must include, but is not limited to, expenditures per member per month or cost per employee per month, and detailed information on revenues and reserves. The commissioner, to the extent possible, shall coordinate the submittal of the information required under this section with the submittal of the financial data required under chapter 62J, to minimize the administrative burden on health carriers plan companies. The commissioner may adjust final expenditure figures for demographic changes, risk selection, changes in basic benefits, and legislative initiatives that materially change health care costs, as long as these adjustments are consistent with the methodology submitted by the health carrier plan company to the commissioner, and approved by the commissioner as actuarially justified. The methodology to be used for adjustments and the election to meet one expenditure limit for affiliated health carriers plan companies must be submitted to the commissioner by September 1, 1993 June 1, 1994. Community integrated service networks may submit the information with their application for licensure. The commissioner shall also accept changes to methodologies already submitted. The adjustment methodology submitted and approved by the commissioner must apply to all periods of the interim limits.

Subd. 4. [MONITORING OF RESERVES.] (a) The ~~commissioner~~ commissioners of health and commerce shall monitor health carrier plan company reserves and net worth as established under chapters 60A, 62C, 62D, 62H, and 64B with respect to the health plan companies that each commissioner respectively regulates, to ensure that savings resulting from the establishment of expenditure health care provider revenue limits are passed on to consumers in the form of lower premium rates.

(b) Health carriers plan companies shall fully reflect in the premium rates the savings generated by the expenditure limits and the health care provider revenue limits. No premium rate increase may be approved for those health carriers plan companies unless the health carrier plan company establishes to the satisfaction of the commissioner of commerce or the commissioner of health, as appropriate, that the proposed new rate would comply with this paragraph.

Subd. 5. [NOTICE.] The commissioner of health shall publish in the State Register and make available to the public by July 1, 1995, a list of all health carriers plan companies that exceeded their expenditure target for the 1994 calendar year. The commissioner shall publish in the State Register and make available to the public by July 1, 1996, a list of all health carriers plan companies that exceeded their combined expenditure limit for calendar years 1994 and 1995. The commissioner shall notify each health carrier plan company that the commissioner has determined that the carrier health plan company exceeded its expenditure limit, at least 30 days before publishing the list, and shall provide each carrier health plan company with ten days to provide an explanation for exceeding the expenditure target. The commissioner shall review the explanation and may change a determination if the commissioner determines the explanation to be valid.

Subd. 6. [ASSISTANCE BY THE COMMISSIONER OF COMMERCE.] The commissioner of commerce shall provide assistance to the commissioner of health in monitoring health carriers plan companies regulated by the commissioner of commerce. The commissioner of commerce, in consultation with the commissioner of health, shall enforce compliance by those health carriers plan companies.

Subd. 7. [ENFORCEMENT.] The commissioners of health and commerce shall enforce the reserve limits referenced in subdivision 4, with respect to the health carriers plan companies that each commissioner respectively regulates. Each commissioner shall require health carriers plan companies under the commissioner's jurisdiction to submit plans of corrective action when the reserve requirement is not met. Each commissioner may adopt rules necessary to enforce this section. Carriers Health plan companies that exceed the expenditure limits based on two-year average expenditure data (1994 and 1995, 1996 and 1997) or whose reserves exceed the limits referenced in subdivision 4 shall be required by the appropriate commissioner to pay back the amount overspent through an assessment on the carrier health plan company. A health plan company may appeal the commissioner's order to pay back the amount overspent by mailing to the commissioner a written notice of appeal within 30 days from the date the commissioner's order was mailed. The contested case and judicial review provisions of chapter 14 apply to the appeal. The health plan company shall pay the amount specified by the commissioner either to the commissioner or into an escrow account until final resolution of the appeal. Notwithstanding sections 3.762 to 3.765, each party is responsible for its own fees and expenses, including attorneys fees, for the appeal. Any amount required to be paid back under this section shall be deposited in the general fund. The appropriate commissioner may approve a different repayment method to take into account the carrier's health plan company's financial condition. Health plan companies shall comply with the limits but shall also guarantee that their contractual obligations are met. Health plan companies are prohibited from meeting spending obligations by increasing subscriber liability, including copayments and deductibles.

Sec. 5. Minnesota Statutes 1993 Supplement, section 62P.05, is amended to read:

62P.05 [HEALTH CARE PROVIDER REVENUE LIMITS.]

Subdivision 1. [DEFINITION.] For purposes of this section, "health care provider" has the definition given in section 62J.03, subdivision 8.

Subd. 2. [ESTABLISHMENT.] The commissioner of health shall establish limits on the increase in revenue for each health care provider, for calendar years 1994 ~~and 1995, 1996, and 1997~~. The limits must be the same as the annual rate of growth in health care spending established under section 62J.04, subdivision 1, paragraph (b). The commissioner may adjust final revenue figures for case mix complexity, ~~inpatient to outpatient conversion~~, payer mix, out-of-period settlements, certain taxes and assessments including the MinnesotaCare provider tax and provider surcharge, any new assessments imposed by federal or state law, research and education costs, donations, grants, and legislative initiatives that materially change health care ~~costs~~ revenues, as long as these adjustments are consistent with the methodology submitted by the health care provider to the commissioner, and approved by the commissioner as actuarially justified. The methodology to be used for adjustments must be submitted to the commissioner by ~~September 1, 1993~~ June 1, 1994. The commissioner shall also accept changes to methodologies already submitted. The adjustment methodology submitted and approved by the commissioner must apply to all periods of the interim limits. A health care provider's revenues for purposes of these growth limits are net of the contributions, surcharges, taxes, and assessments listed in section 62P.04, subdivision 1, that the health care provider pays.

Subd. 3. [MONITORING OF REVENUE.] The commissioner of health shall monitor health care provider revenue, to ensure that savings resulting from the establishment of revenue limits are passed on to consumers in the form of lower charges. The commissioner shall monitor hospital revenue by examining net ~~patient inpatient~~ patient outpatient revenue per adjusted admission and net outpatient revenue per outpatient visit. The commissioner shall monitor the revenue of physicians and other health care providers by examining revenue per patient per year or revenue per encounter. If this information is not available, the commissioner may enforce an annual limit on the rate of growth of the provider's current fees ~~based on the limits on the rate of growth established for calendar years 1994 and 1995~~.

Subd. 4. [MONITORING AND ENFORCEMENT.] Health care providers shall submit to the commissioner of health, in the form and at the times required by the commissioner, all information the commissioner determines to be necessary to implement and enforce this section. ~~Health care providers shall submit to audits conducted by the commissioner. The commissioner shall enforce limits based on survey data supplied to the commissioner by April 1 for the previous calendar year's revenue and spending data. Providers that do not submit survey data to the commissioner are required to meet the growth limits and may be subject to random audits.~~ The commissioner shall regularly audit all health clinics employing or contracting with over 100 physicians. The commissioner shall also audit, at times and in a manner that does not interfere with delivery of patient care, a sample of smaller clinics, hospitals, and other health care providers. Providers that exceed revenue limits based on two-year average revenue data shall be required by the commissioner to pay back the amount overspent during the following calendar year.

The commissioner shall monitor providers meeting the growth limits based on their current fees on an annual basis. The fee charged for each service must be averaged across 12 months and compared to the previous 12-month period. The percentage increase in the average fee from 1993 to 1994, from 1994 to 1995, from 1995 to 1996, and from 1996 to 1997 is subject to the growth limits established under section 62J.04, subdivision 1, paragraph (b). The audit process must include a review of the provider's monthly fee schedule, and a random claims analysis for the provider during different parts of the year to monitor variations in fees. The commissioner shall require providers that exceed growth limits, based on annual fees, to pay back during the following calendar year the amount overspent.

The commissioner shall notify each provider that has exceeded its revenue limit, at least 30 days before taking action, and shall provide each provider with ten days to provide an explanation for exceeding the revenue target. The commissioner shall review the explanation and may change a determination if the commissioner determines the explanation to be valid.

The commissioner may approve a different repayment schedule for a health care provider that takes into account the provider's financial condition. ~~For those providers subject to fee limits established by the commissioner, Based on claims data submitted under section 62J.38, the commissioner may adjust the percentage increase in the fee schedule to account for changes in utilization. The commissioner may adopt rules in order to enforce this section.~~

A provider may appeal the commissioner's order to pay back the amount overspent by mailing a written notice of appeal to the commissioner within 30 days after the commissioner's order was mailed. The contested case and judicial review provisions of chapter 14 apply to the appeal. The provider shall pay the amount specified by the commissioner either to the commissioner or into an escrow account until final resolution of the appeal. Notwithstanding sections 3.762 to 3.765, each party is responsible for its own fees and expenses, including attorneys fees, for the appeal. Any amount required to be paid back under this section shall be deposited in the general fund.

Sec. 6. [62P.07] [SCOPE.]

Subdivision 1. [GENERAL APPLICABILITY.] (a) Minnesota health care providers shall comply with the requirements and rules established under this chapter for: (1) all health care services provided to Minnesota residents who are not enrolled in a community integrated service network or an integrated service network; (2) all out-of-network services provided to enrollees of community integrated service networks and integrated service networks; and (3) all health care services provided to persons covered by an all-payer insurer.

(b) All-payer insurers shall comply with the requirements and rules established under this chapter for all coverage provided.

(c) Community integrated service networks and integrated service networks shall comply with the requirements and rules established under this chapter when reimbursing health care providers for out-of-network services.

(d) The rules and requirements of this chapter do not apply to cosmetic medical or cosmetic dental procedures performed by a physician or dentist.

Subd. 2. [PROGRAMS EXCLUDED.] This chapter does not apply to services reimbursed under Medicare, medical assistance, general assistance medical care, the MinnesotaCare program, or worker's compensation programs.

Subd. 3. [PAYMENT REQUIRED AT ALL-PAYER LEVEL.] (a) All reimbursements to Minnesota health care providers from all-payer insurers, for services provided to covered persons, shall be at the all-payer reimbursement level.

(b) All-payer insurers shall reimburse out-of-state health care providers for nonemergency services provided to covered persons at the all-payer reimbursement level. For purposes of this paragraph, "nonemergency services" means services that do not meet the definition of "emergency care" under Minnesota Rules, part 4685.0100, subpart 5.

(c) Community integrated service networks and integrated service networks shall reimburse Minnesota health care providers for out-of-network services at the all-payer reimbursement level.

(d) Community integrated service networks and integrated service networks shall reimburse out-of-network health care providers located out-of-state for nonemergency out-of-network services at the all-payer reimbursement level. For purposes of this paragraph, "nonemergency out-of-network services" means out-of-network services that do not meet the definition of "emergency care" under Minnesota Rules, part 4685.0100, subpart 5.

Subd. 4. [BALANCE BILLING PROHIBITED.] Minnesota health care providers shall accept reimbursement at the all-payer reimbursement level, including applicable copayments, deductibles, and coinsurance, as payment in full for services provided to Minnesota residents and persons covered by all-payer insurers, and for out-of-network services provided to enrollees of community integrated service networks and integrated service networks.

Sec. 7. [62P.09] [DUTIES OF THE COMMISSIONER.]

Subdivision 1. [GENERAL DUTIES.] The commissioner of health is responsible for developing and administering the all-payer option. The commissioner shall:

(1) develop, implement, and administer fee schedules for physicians and providers with independent billing rights;

(2) develop, implement, and administer a reimbursement system for hospitals and other institutional providers, but excluding intermediate care facilities for the mentally retarded, nursing homes, state-operated community service sites operated by the commissioner of human services, regional treatment centers, and child care facilities;

(3) modify and adjust all-payer reimbursement levels so that health care spending under the all-payer option does not exceed the growth limits on health care spending established under section 62J.04;

- (4) collect data from all-payer insurers, health care providers, and patients to monitor spending and quality of care;
- (5) provide incentives for the appropriate utilization of services and the appropriate use and distribution of technology;
- (6) coordinate the development and administration of the all-payer option with the development and administration of the integrated service network system; and
- (7) develop and implement a fair and efficient system for resolving appeals by providers and insurers.

Subd. 2. [COORDINATION.] The commissioner shall regularly consult with the commissioner of commerce in developing and administering the all-payer option and in applying the all-payer reimbursement system to health carriers regulated by the commissioner of commerce.

Subd. 3. [TIMELINES FOR IMPLEMENTATION.] In developing and implementing the all-payer option, the commissioner shall comply with the following implementation schedule:

- (a) The phase-in of standardized billing requirements must be completed following the timetable set forth in article 9.
- (b) The phase-in of the all-payer reimbursement system must begin January 1, 1996.
- (c) The all-payer reimbursement system must be fully implemented by July 1, 1997.

Subd. 4. [IMPLEMENTATION PLAN.] The commissioner, as part of the implementation plan due January 1, 1995, shall present recommendations and draft legislation to the legislature to:

- (1) establish reimbursement methods for the all-payer option reimbursement system;
- (2) provide an implementation schedule to phase-in the all-payer reimbursement system, beginning January 1, 1996; and
- (3) establish mechanisms to ensure compliance by all-payer insurers, health care providers, and patients with the all-payer option reimbursement system and all-payer option reimbursement limits established under section 62I.04.

Sec. 8. [62P.11] [PAYMENT TO PHYSICIANS AND INDEPENDENT PROVIDERS.]

Subdivision 1. [FEE SCHEDULE.] The commissioner shall adopt a Minnesota-specific fee schedule, based upon the Medicare resource based relative value scale, to reimburse physicians and other independent providers. The fee schedule must assign each service a relative value unit that measures the relative resources required to provide the service. Payment levels for each service must be determined by multiplying relative value units by a conversion factor that converts relative value units into monetary payment. The conversion factor used to derive the fee schedule must be set at a level that is consistent with current relevant health care spending, subject to the state's target for spending growth. The conversion factor must be set at a level that equalizes total aggregate expenditures for a given period before and after implementation of the all-payer option.

Subd. 2. [DEVELOPMENT AND MODIFICATION OF RELATIVE VALUE UNITS.] (a) When appropriate, the relative value unit for each service shall be the Medicare value adjusted to reflect Minnesota health care costs. The commissioner may assign a different relative value to a service if, in the judgment of the commissioner, the Medicare relative value unit is not accurate. The commissioner may also develop or adopt relative value units for services not covered under the Medicare resource based relative value scale. Except as provided in paragraph (b), modifications or additions to relative value units are subject to the rulemaking requirements of chapter 14.

(b) The commissioner may modify the relative value units used in the Minnesota-specific fee schedule, or increase the number of services assigned relative value units, to reflect changes and improvements in the Medicare resource based relative value scale. When adopting these federal changes, the commissioner is exempt from the rulemaking requirements of chapter 14, but shall publish a notice of modifications and additions to relative value units in the State Register 30 days before they take effect.

Subd. 3. [DEVELOPMENT OF THE CONVERSION FACTOR.] The commissioner shall develop a conversion factor using actual Minnesota claims data available to the commissioner.

Sec. 9. [62P.13] [VOLUME PERFORMANCE STANDARD FOR PHYSICIAN AND OUTPATIENT SERVICES.]

Subdivision 1. [DEVELOPMENT.] The commissioner shall establish an annual, statewide volume performance standard for physician and outpatient services. The volume performance standard shall serve as an expenditure target and must be set at a level that is consistent with achieving the limits on health care spending growth pursuant to section 62J.04. The volume performance standard must combine expenditures for all services provided by physicians and other independent providers and all ambulatory care services that are not provided through an integrated service network. The statewide volume performance standard must be developed from aggregated and encounter level data reported to the state, including the claims database established under section 62J.38, when it becomes operational.

Subd. 2. [APPLICATION.] The commissioner shall compare actual expenditures for physician and outpatient services with the volume performance standard in order to keep all-payer option expenditures within the statewide growth limits. If total expenditures during a particular year exceed the expenditure target for that year, the commissioner shall update the fee schedule rates for the second year following the year in which the target was exceeded, by adjusting the conversion factor, in order to offset this increase.

Sec. 10. [62P.15] [REIMBURSEMENT.]

The commissioner, as part of the implementation report due January 1, 1995, shall recommend to the legislature and the governor which health care professionals should be paid at the full fee schedule rate and which at a partial rate, for services covered in the fee schedule.

Sec. 11. [62P.17] [PAYMENT FOR SERVICES NOT IN THE FEE SCHEDULE.]

The commissioner shall examine options for paying for services not covered in the fee schedule and shall present recommendations to the legislature and the governor as part of the implementation report due January 1, 1995. The options examined by the commissioner must include, but are not limited to, updates and modifications to the Medicare resource based relative value scale; development of additional relative value units; development of a fee schedule based on a percentage of usual, customary, and reasonable charges; and use of rate of increase controls.

Sec. 12. [62P.19] [PAYMENT FOR URBAN AND SELECTED RURAL HOSPITALS.]

Subdivision 1. [ESTABLISHMENT OF RATE.] The commissioner shall develop a Minnesota-specific diagnosis related groups system to pay for inpatient services in those acute-care general hospitals not qualifying for reimbursement under section 62P.25. In developing this system, the commissioner shall consider the all-patient refined diagnosis related groups system and other diagnosis related groups systems. Payment rates must be standardized on a statewide basis based on hospital cost data for operating and capital expenses, adjusted for area wage rates, and consistent with the overall growth target for health care spending. The commissioner shall consider whether other adjustments are needed, based on studies of the cost of graduate medical education and uncompensated care. The commissioner shall recommend any needed adjustments to the legislature and governor as part of the implementation report due January 1, 1995.

Subd. 2. [SHORT STAY AND LONG STAY OUTLIERS.] The reimbursement system must provide, on a budget neutral basis, lower charges for self-pay patients with short or low cost stays. The commissioner shall phase out this exception once universal coverage is achieved. The commissioner, as part of the implementation report due January 1, 1995, shall recommend to the legislature and the governor whether an outlier payment for long stays is needed.

Sec. 13. [62P.21] [STATEWIDE VOLUME PERFORMANCE STANDARD FOR HOSPITALS.]

Subdivision 1. [DEVELOPMENT.] The commissioner shall establish an annual, statewide volume performance standard for inpatient hospital expenditures. The volume performance standard shall serve as an expenditure target and must be set at a level that is consistent with meeting the limits on health care spending growth.

Subd. 2. [APPLICATION.] The commissioner shall compare actual inpatient hospital expenditures with the volume performance standard in order to keep all-payer option expenditures within the statewide growth limits. If aggregate inpatient hospital expenditures for a particular year exceed the volume performance standard, the commissioner shall adjust the annual increase in payment levels for diagnosis related groups for the following year.

Sec. 14. [62P.23] [FLEXIBILITY IN APPLYING THE VOLUME PERFORMANCE STANDARD; REVIEW.]

Subdivision 1. [REALLOCATION.] The commissioner may reallocate spending limits between the inpatient hospital services volume performance standard and the physician and outpatient services volume performance standard, if this promotes the efficient use of health care services and does not cause total health care spending in the all-payer option to exceed the level allowed by the growth limits on health care spending.

Subd. 2. [REVIEW.] The commissioner shall review the effectiveness of the volume performance standard after the first three years of operation and shall recommend any necessary changes to the legislature and the governor.

Sec. 15. [62P.25] [REIMBURSEMENT FOR SMALL RURAL HOSPITALS.]

All-payer insurers shall pay small rural hospitals on the basis of reasonable charges, subject to a rate of increase control. For purposes of this requirement, a "small rural hospital" means a hospital with 40 or fewer licensed beds that is located at least 25 miles from any other hospital. The commissioner shall recommend to the legislature and the governor a methodology for determining reasonable charges as part of the implementation report due January 1, 1995.

Sec. 16. [62P.27] [PAYMENT FOR OUTPATIENT SERVICES.]

Outpatient services provided in acute-care general hospitals and freestanding ambulatory surgery centers shall be paid on the basis of approved charges, subject to rate of increase controls. The rate of increase allowed must be consistent with the volume performance standard for physician and outpatient services.

Sec. 17. [62P.29] [OTHER INSTITUTIONAL PROVIDERS.]

Subdivision 1. [SPECIALTY HOSPITALS AND HOSPITAL UNITS.] The commissioner shall develop payment mechanisms for specialty hospitals providing pediatric and psychiatric care and distinct psychiatric and rehabilitation units in hospitals. The commissioner shall present these recommendations to the legislature and governor as part of the implementation report due January 1, 1995.

Subd. 2. [OTHER PROVIDERS.] The commissioner shall apply rate of increase limits on charges or fees to other nonhospital institutional providers. These providers include, but are not limited to, home health agencies, substance abuse treatment centers, and nursing homes, to the extent their services are included in the all-payer option.

Sec. 18. [62P.31] [LIMITATIONS ON ALL-PAYER OPTION.]

Beginning July 1, 1997, all-payer insurers shall not employ or contract with health care providers, establish a network of exclusive or preferred providers, or negotiate provider payments that differ from the all-payer fee schedule, except that all-payer insurers may establish and maintain preferred provider networks solely for utilization control and quality management and not for negotiation of provider payments. Preferred provider organizations may continue to provide care to their existing enrollees, without becoming licensed as an integrated service network or otherwise becoming subject to this section, through December 31, 1997.

Sec. 19. [62P.33] [RECOMMENDATIONS FOR A USER FEE.]

The commissioner of health shall present to the legislature, as part of the implementation plan due January 1, 1996, recommendations for establishing and collecting a user fee from all-payer insurers. The user fee must be set at a level that reflects the state's investment in fee schedules, standard utilization reviews, quality monitoring, and other regulatory and administrative functions provided for the regulated all-payer option. The commissioner may consult actuaries in developing recommendations for and setting the level of the user fee. The commissioner may also present recommendations to establish additional fees and assessments if the commissioner determines they are needed to assure equal levels of accountability between the integrated service network system and the regulated all-payer option in terms of public health goals, serving high-risk and special needs populations, and other obligations imposed on the integrated service network system.

Sec. 20. [STUDY OF STANDARD UTILIZATION REVIEW CRITERIA FOR SERVICES.]

The commissioner of health, after consulting with providers, utilization review organizations, the practice parameters advisory committee, and the health technology advisory committee, shall report to the legislature by July 1, 1995, and recommend clinical criteria for determining the necessity, appropriateness, and efficacy of five frequently used health care services for which standard criteria for utilization review would decrease providers' administrative costs.

Sec. 21. [INSTRUCTION TO THE REVISOR.]

The revisor, in the next edition of Minnesota Statutes, shall replace the term "regulated all-payer system" and similar terms with "regulated all-payer option" and similar terms in sections 62J.04, 62J.09, 62J.152, 62P.01, and 62P.03.

Sec. 22. [EFFECTIVE DATE.]

Sections 1 to 21 are effective the day following final enactment, except that section 6 is effective January 1, 1996, and section 18 is effective July 1, 1997.

ARTICLE 4

FUTURE REQUIREMENTS FOR HEALTH PLAN COMPANIES

Section 1. [62J.48] [CRITERIA FOR REIMBURSEMENT.]

All ambulance services licensed under section 144.802 are eligible for reimbursement under the integrated service network system and the regulated all-payer option. The commissioner shall require community integrated service networks, integrated service networks, and all-payer insurers to adopt the following reimbursement policies.

(1) All emergency calls must be reimbursed without prior approval. Reimbursement must not be denied through retroactive review.

(2) All scheduled or prearranged air and ground ambulance transports must be reimbursed if requested by an attending physician or nurse, or if approved by a designated representative of an integrated service network who is immediately available on a 24-hour basis.

(3) Reimbursement must be provided for all emergency ambulance calls in which a patient is transported or medical treatment rendered.

(4) Special transportation services must not be billed or reimbursed if the patient needs medical attention immediately before transportation.

Sec. 2. Minnesota Statutes 1993 Supplement, section 62N.06, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZED ENTITIES.] (a) An integrated service network may be organized as a separate nonprofit corporation under chapter 317A or, as a cooperative under chapter 308A, or as an insurance company licensed under chapter 60A.

(b) A nonprofit health carrier, as defined in section 62A.011, may establish and operate one or more integrated service networks without forming a separate corporation or cooperative, but only if all of the following conditions are met:

(i) a an existing contract between the health carrier and a health care provider, for a term of less than seven years, that was executed before June 1, 1993, that does not explicitly mention the provider's relationship within an integrated service network, or a future integrated service network, does not bind the health carrier or provider as applied to integrated service network services, except with the mutual consent of the health carrier and provider entered into on or after June 1, 1993. This clause does not apply to contracts between a health carrier and its salaried employees;

(ii) the health carrier shall not apply toward the net worth, working capital, or deposit requirements of this chapter any assets used to satisfy net worth, working capital, deposit, or other financial requirements under any other chapter of Minnesota law;

(iii) the health carrier shall not include in its premiums for health coverage provided under any other chapter of Minnesota law, an assessment or surcharge relating to net worth, working capital, or deposit requirements imposed upon the integrated service network under this chapter; and

(iv) the health carrier shall not include in its premiums for integrated service network coverage under this chapter an assessment or surcharge relating to net worth working capital or deposit requirements imposed upon health coverage offered under any other chapter of Minnesota law.

Sec. 3. [62N.14] [OFFICE OF CONSUMER AFFAIRS.]

Subdivision 1. [DUTIES.] Every integrated service network must have an office of consumer affairs which will be responsible for dealing with all enrollee complaints and inquiries. The integrated service network, through its office of consumer affairs, will be responsible for:

- (1) soliciting consumer comment on the quality and accessibility of services available;
- (2) disseminating information to consumers on the integrated service network's enrollee complaint resolutions system;
- (3) receiving unsolicited comments on and complaints about services;
- (4) taking prompt action upon consumer complaints; and
- (5) providing for and participating in alternative dispute resolution processes.

Subd. 2. [CONTACT WITH COMMISSIONER.] Each integrated service network shall designate a contact person for direct communication with the commissioner. Integrated service network complaint files must be maintained by the integrated service network for seven years and must be made available upon the request of the commissioner. The health department may at any time inspect the integrated service network's office of consumer affairs complaint files.

Subd. 3. [ENROLLEE MEMBERSHIP CARDS.] Integrated service networks shall issue enrollee membership cards to each enrollee of the integrated service network. The enrollee card shall contain, at minimum, the following information:

- (1) the telephone number of the integrated service network's office of consumer affairs;
- (2) the telephone number of the state's office of consumer information; and
- (3) the telephone number of the department of health.

The membership cards shall also conform to the requirements set forth in section 62J.60.

Subd. 4. [ENROLLEE DOCUMENTS.] Each integrated service network, through its office of consumer affairs, is responsible for providing enrollees, upon request, with any reasonable information desired by an enrollee. This information may include duplicate copies of the evidence of coverage form required under section 62N.11; an annually updated list of addresses and telephone numbers of available integrated service network providers, including midlevel practitioners and allied professionals; and information on the enrollee complaint system of the integrated service network.

Sec. 4. [62N.38] [FEDERAL AGENCY PARTICIPATION.]

Subdivision 1. [PARTICIPATION.] An integrated service network may be organized by a department, agency, or instrumentality of the United States government.

Subd. 2. [ENROLLEES.] An integrated service network organized under subdivision 1 may limit its enrollment to those persons entitled to care under the federal program responsible for the integrated service network.

Subd. 3. [PARTICIPATION IN STATE PROGRAMS.] An integrated service network organized under subdivision 1 may request that the commissioner of health waive the requirement of section 62N.10, subdivision 4 with regard to some or all of the programs listed in that provision. The commissioner shall grant the waiver unless the commissioner determines that the applicant does not plan to provide care to low-income persons who are otherwise eligible for enrollment in the integrated service network. The integrated service network may withdraw its waiver with respect to some or all of the programs listed in section 62N.10, subdivision 4 at any time, as long as it is willing and able to enroll in the programs previously waived on the same basis as other integrated service networks.

Subd. 4. [SOLVENCY.] The commissioner shall consult with federal officials to develop procedures to allow integrated service networks organized under subdivision 1 to use the United States government as a guaranteeing organization.

Subd. 5. [VETERANS.] In developing and implementing initiatives to expand access to health care, the commissioner shall recognize the unique problems of veterans and consider methods to reach underserved portions of the veteran population.

Sec. 5. [62N.381] [AMBULANCE SERVICE RATE NEGOTIATION.]

Subdivision 1. [APPLICABILITY.] This section applies to all reimbursement rate negotiations between ambulance services and community integrated service networks or integrated service networks.

Subd. 2. [RANGE OF RATES.] The reimbursement rate negotiated for a new contract period must not be lower than the rate for the current contract period, and must not be greater than the current rate plus the rate of growth allowed under section 62J.04, subdivision 1, unless the ambulance service proposes a lower rate or can justify a higher rate. If the network and ambulance service cannot agree on a rate, each party shall submit their rate proposal along with supportive data to the advisory committee established by the commissioner under subdivision 3.

Subd. 3. [ADVISORY COMMITTEE ON AMBULANCE RATES.] The commissioner shall establish an advisory committee on ambulance rates, by September 1, 1994. Membership of the committee shall consist of: three representatives of integrated service networks, three representatives of the ambulance industry chosen by the Minnesota Ambulance Association, and one representative selected by the commissioner who has expertise in business or finance and is not a state employee. Each member shall designate an alternate, who shall have full voting rights. The committee is governed by section 15.0575.

Subd. 4. [DEVELOPMENT OF CRITERIA.] The commissioner, in consultation with the advisory committee, shall develop criteria for the committee to use in reviewing rate proposals, and criteria for the commissioner to use in making a final determination.

Subd. 5. [REVIEW OF RATE PROPOSALS.] The committee, using the criteria developed under subdivision 4, shall review the rate proposals by ambulance services and integrated service networks, and shall: (1) endorse the network rate proposal; (2) endorse the ambulance service proposal; or (3) develop and recommend its own proposal. The committee shall forward its decision to the commissioner. The commissioner, using the criteria developed under subdivision 4 and after considering the committee's decision, shall make a final rate determination and require the network and the ambulance service to adhere to this reimbursement rate.

Sec. 6. [62Q.19] [ESSENTIAL COMMUNITY PROVIDERS.]

Subdivision 1. [DESIGNATION.] The commissioner shall designate essential community providers. The criteria for essential community provider designation shall be the following:

(1) a demonstrated ability to integrate applicable supportive and stabilizing services with medical care for uninsured persons and high-risk and special needs populations as defined in section 62Q.07, subdivision 2, paragraph (e), underserved, and other special needs populations; and

(2) a commitment to serve low-income and underserved populations by meeting the following requirements:

(i) has nonprofit status in accordance with chapter 317A;

(ii) has tax exempt status in accordance with the Internal Revenue Service Code, section 501(c)(3);

(iii) charges for services on a sliding fee schedule based on current poverty income guidelines; and

(iv) does not restrict access or services because of a client's financial limitation; or

(3) status as a community health board as defined in chapter 145A.

The commissioner may designate an eligible provider as an essential community provider for all the services offered by that provider or for specific services designated by the commissioner.

For the purpose of this subdivision, supportive and stabilizing services include at a minimum, transportation, child care, cultural, and linguistic services where appropriate.

Subd. 2. [APPLICATION.] Any provider may apply to the commissioner for designation as an essential community provider within two years after the effective date of the rules adopted by the commissioner to implement this section.

Subd. 3. [HEALTH PLAN COMPANY AFFILIATION.] A health plan company must offer a provider contract to any designated essential community provider located within the area served by the health plan company. A health plan company shall not unduly restrict enrollee access to the essential community provider for the population that the essential community provider is certified to serve. A health plan company may also make other providers available to this same population. A health plan company may require an essential community provider to meet all data requirements, utilization review, and quality assurance requirements on the same basis as other health plan providers.

Subd. 4. [ESSENTIAL COMMUNITY PROVIDER RESPONSIBILITIES.] Essential community providers must agree to serve enrollees of all health plan companies operating in the area that the essential community provider is certified to serve.

Subd. 5. [CONTRACT PAYMENT RATES.] An essential community provider and a health plan company may negotiate the payment rate for covered services provided by the essential community provider. This rate must be competitive with rates paid to other health plan providers for the same or similar services.

Subd. 6. [TERMINATION.] The designation as an essential community provider is terminated five years after it is granted, and the former essential community provider has no rights or privileges beyond those of any other health care provider.

Subd. 7. [RECOMMENDATIONS ON ESSENTIAL COMMUNITY PROVIDERS.] As part of the implementation plan due January 1, 1995, the commissioner shall present recommendations and draft legislation for defining essential community providers, using the criteria established under subdivision 1, and defining the relationship between essential community providers and health plan companies.

Sec. 7. [62Q.21] [UNIVERSAL STANDARD BENEFITS SET.]

Subdivision 1. [MANDATORY OFFERING.] Effective January 1, 1996, each health plan company shall offer the universal standard benefits set to its enrollees.

Subd. 2. [STANDARD BENEFIT SET.] Effective July 1, 1997, health plan companies shall offer, sell, issue, or renew only the universal standard benefits set and the cost-sharing and supplemental coverage options allowed under sections 62Q.25 and 62Q.27.

Subd. 3. [GENERAL DESCRIPTION.] The universal standard benefits set must contain all appropriate and necessary health care services. Benefits necessary to meet public health goals, adequately serve high risk and special needs populations, facilitate the utilization of cost-effective alternatives to traditional inpatient acute and extended health care delivery, or meet other objectives of health care reform shall be considered by the commissioner for inclusion in the universal standard benefits set. Appropriate and necessary dental services must be included.

Subd. 4. [BENEFIT SET RECOMMENDATIONS.] The commissioner, in consultation with the Minnesota health care commission and the commissioners of commerce and human services, shall develop the universal standard benefits set and report these recommendations to the legislature by January 1, 1995. The commissioner shall include in this report a definition for "appropriate and necessary." In developing this definition, the commissioner shall consider that a benefit set that excludes genuinely appropriate and necessary services will not reduce or contain costs, but will only transfer those costs onto individuals and the public sector. Therefore, the definition of appropriate and necessary must be sufficiently broad to address the type, frequency, level, setting, and duration of services that address an individual's mental or physical condition, the needs of those with chronic conditions or disabilities, including those who need health services to improve their functioning, those for whom maintenance of health may not be possible, and those for whom preventing deterioration in their health conditions might not be achievable, and meet other health care reform objectives. In developing the universal standard benefits set, the commissioner shall take into account factors including, but not limited to:

- (1) information regarding the benefits, risks, and cost-effectiveness of health care interventions;
- (2) development of practice parameters;
- (3) technology assessments;

- (4) medical innovations;
- (5) health status assessments;
- (6) identification of unmet needs or particular barriers to access;
- (7) public health goals;
- (8) expenditure limits available funding; and
- (9) cost-efficient and effective alternatives to inpatient health care services for acute or extended health care needs, such as home health care services; and
- (10) cost savings resulting from the inclusion of a health care service that will decrease the utilization of other health care services in the benefit set.

Subd. 5. [ADVISORY COMMITTEE ON THE UNIVERSAL BENEFITS SET.] The commissioner shall appoint an advisory committee to develop recommendations regarding nondental health care services to be included in the universal benefits set. The committee must include representatives of health care providers, consumers, health plan companies, and counties. No more than half plus one of the members may be of the same gender. Recommendations of the committee must be provided to the Minnesota health care commission by October 1, 1994. The advisory committee expires January 1, 1995.

Subd. 6. [ADVISORY COMMITTEE ON DENTAL SERVICES.] The commissioner shall appoint an advisory committee to develop recommendations regarding the level of appropriate and necessary dental services to be included in the universal standard benefits set. No more than half plus one of the members may be of the same gender. The committee shall also develop recommendations on an appropriate system to deliver dental services. In its analysis, the committee shall study the quality and cost-effectiveness of dental services delivered through capitated dental networks, discounted dental preferred provider organizations, and independent practice dentistry. The committee shall report these recommendations to the Minnesota health care commission by October 1, 1994. The advisory committee expires January 1, 1995.

Subd. 7. [CHEMICAL DEPENDENCY SERVICES.] If chemical dependency services are included in the universal standard benefits set, the commissioner shall consider the cost-effectiveness of requiring health plan companies and chemical dependency facilities to use the assessment criteria in Minnesota Rules, parts 9530.6600 to 9530.6660.

Sec. 8. [62Q.22] [CHEMICAL DEPENDENCY SERVICES.]

In developing benefit set recommendations the commissioner shall develop criteria to ensure that chemically dependent individuals have access to cost-effective treatment options that address the specific needs of individuals. These include, but are not limited to, the need for: treatment that takes into account severity of illness and comorbidities; provision of a continuum of care from primary inpatient to outpatient care, aftercare, and long-term care; the safety of the individual's domestic and community environment; gender appropriate and culturally appropriate programs; and access to appropriate social services.

Sec. 9. [62Q.23] [GENERAL SERVICES.]

(a) Health plan companies shall comply with all continuation and conversion of coverage requirements applicable to health maintenance organizations under state or federal law.

(b) Health plan companies shall comply with sections 62A.047, 62A.27, and any other coverage required under chapter 62A of newborn infants, dependent children who do not reside with a covered person, handicapped children and dependents, and adopted children. A health plan company providing dependent coverage shall comply with section 62A.302.

(c) Health plan companies shall comply with the equal access requirements of section 62A.15, subdivision 2.

Sec. 10. [62Q.25] [SUPPLEMENTAL COVERAGE.]

Health plan companies may choose to offer separate supplemental coverage for services not covered under the universal benefits set. Health plan companies may offer any Medicare supplement, Medicare select, or other

Medicare-related product otherwise permitted for any type of health plan company in this state. Each Medicare-related product may be offered only in full compliance with the requirements in chapters 62A, 62D, and 62E that apply to that category of product.

Sec. 11. [62Q.27] [ENROLLEE COST-SHARING.]

(a) The commissioner, as part of the implementation plan due January 1, 1995, shall present to the legislature recommendations and draft legislation to establish up to five standardized benefit plans which may be offered by each health plan company. The plans must vary only on the basis of enrollee cost sharing and encompass a range of cost-sharing options from (1) lower premium costs combined with higher enrollee cost-sharing, to (2) higher premium costs combined with lower enrollee cost-sharing. Each plan offered may include out-of-network coverage options.

(b) For purposes of this section, "enrollee cost-sharing" or "cost-sharing" means copayments, deductibles, coinsurance, and other out-of-pocket expenses paid by the individual consumer of health care services.

(c) The following principles must apply to cost-sharing:

(1) enrollees must have a choice of cost-sharing arrangements;

(2) enrollee cost-sharing must be administratively feasible and consistent with efforts to reduce the overall administrative burden on the health care system;

(3) cost-sharing for recipients of medical assistance, general assistance medical care, or the MinnesotaCare program must be determined by applicable law and rules governing these programs;

(4) cost-sharing must be capped at an annual limit determined by the commissioner to protect individuals and families from financial catastrophe and to protect individuals with substantial health care needs;

(5) child health supervision services, immunizations, prenatal care, and other preventive services must not be subjected to cost-sharing;

(6) the impact of enrollee cost-sharing requirements on appropriate utilization must be considered when cost-sharing requirements are developed;

(7) additional requirements may be established to assist enrollees for whom an inducement in addition to the elimination of cost-sharing is necessary in order to encourage them to use cost-effective preventive services. These requirements may include the provision of educational information, assistance or guidance, and opportunities for responsible decision making by enrollees that minimize potential out-of-pocket costs;

(8) a copayment may be no greater than 25 percent of the paid charges for the service or product;

(9) cost-sharing requirements and benefit or service limitations for outpatient mental health and outpatient chemical dependency services, except for persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be more restrictive than those requirements and limitations for outpatient medical services; and

(10) cost-sharing requirements and benefit or service limitations for inpatient hospital mental health and inpatient hospital and residential chemical dependency services, except for persons placed in chemical dependency services under Minnesota Rules, parts 9530.6600 to 9530.6660, must not place a greater financial burden on the insured or enrollee, or be more restrictive than those requirements and limitations for inpatient hospital medical services.

(d) The commissioner shall consider whether a health plan company may return all or part of an enrollee's cost-sharing to the enrollee as an incentive for completing preventive care, participating in health education, improving health, or reducing health risks.

Sec. 12. [62Q.29] [STATE-ADMINISTERED PUBLIC PROGRAMS.]

Public agencies, on behalf of eligible recipients enrolled in public programs such as medical assistance, general assistance medical care, and MinnesotaCare, may contract with health plan companies to provide services included in these programs, but not included in the universal standard benefits set.

Sec. 13. [62Q.30] [EXPEDITED FACT FINDING AND DISPUTE RESOLUTION PROCESS.]

The commissioner shall establish an expedited fact finding and dispute resolution process to assist enrollees of integrated service networks and all-payer insurers with contested treatment, coverage, and service issues to be in effect July 1, 1997. The commissioner may order an integrated service network or an all-payer insurer to provide or pay for a service that is within the universal standard benefits set. If the disputed issue relates to whether a service is appropriate and necessary, the commissioner may issue an order only after consulting with appropriate experts, reviewing pertinent literature, and considering the availability of satisfactory alternatives. The commissioner may fine or revoke the license of an integrated service network or an all-payer insurer that is the subject of repeated orders by the commissioner that suggests a pattern of inappropriate underutilization.

Sec. 14. [EFFECTIVE DATE.]

Sections 2, 3, 6, 7, and 11 to 13 are effective the day following final enactment, except that sections 9 and 10 are effective July 1, 1997.

ARTICLE 5

IMPLEMENTATION AND TRANSITION PLANS

Section 1. [62Q.41] [ANNUAL IMPLEMENTATION PLAN.]

The commissioner of health, in consultation with the Minnesota health care commission, shall develop an annual implementation plan to be submitted to the legislature each year beginning January 1, 1995, describing the progress and status of rule development and implementation of the integrated service network system and the regulated all-payer option, and providing recommendations for legislative changes that the commissioner determines may be needed.

Sec. 2. [TRANSITION PLAN.]

The commissioner of health, in consultation with the Minnesota health care commission, shall develop a plan to facilitate the transition from the existing health care delivery and financing system to the integrated service network system and the regulated all-payer option. The plan may include recommendations for integrated service network requirements or other requirements that should become applicable to some or all health plan companies prior to July 1, 1997, and recommendations for requirements that should be modified or waived during a transition period after July 1, 1997, as health plan companies convert to integrated service networks or to the regulated all-payer option. The transition plan must be submitted to the legislature by January 1, 1995.

Sec. 3. [STATE ADMINISTERED HEALTH PROGRAM PHASE-IN.]

(a) The commissioner of human services shall present to the legislature and the governor, as part of the implementation plan due January 1, 1996, a plan to incorporate state administered health programs, into the all-payer option and the integrated service network system. The plan must identify the federal waivers and approvals required. The plan must also provide a schedule for phasing in the state administered health programs beginning July 1, 1997, and for increasing reimbursement levels in stages over the phase-in period. For purposes of this section, "state administered health programs" means the medical assistance, general assistance medical care, and MinnesotaCare programs.

(b) The commissioner shall include with the plan required under paragraph (a) recommendations, including proposed legislation, for a coordinated program for receiving bids from managed care plans to serve enrollees of the state health plan and recipients of state administered health programs, to be phased in beginning July 1, 1997.

(c) The recommendations shall include a requirement that managed care plans interested in contracting to serve enrollees or recipients of any program listed in paragraph (b) submit a bid to provide services to all enrollees and recipients of those programs residing within the plan's service area.

(d) The commissioner must convene an advisory task force to assist with the preparation of plans, recommendations, and legislation required by this section. The task force must include representatives of recipients of state administered health programs, providers with substantial experience in providing services to recipients of these programs, the department of human services, county human services representatives, and other affected persons. No more than one-half plus one of the members may be of the same gender.

Sec. 4. [RECODIFICATION AND HEALTH PLAN COMPANY REGULATORY REFORM.]

Subdivision 1. [PROPOSED LEGISLATION.] The commissioner of health, in consultation with the commissioner of commerce, the Minnesota health care commission, and the legislative commission on health care access, shall draft proposed legislation to recodify, simplify, and standardize all statutes, rules, regulatory requirements, and procedures relating to health plan companies. The recodification and regulatory reform must become effective simultaneously with the full implementation of the integrated service network system and the regulated all-payer option on July 1, 1997. The commissioner of health shall submit to the legislature by January 1, 1996, a report on the recodification and regulatory reform with proposed legislation.

Subd. 2. [ADVISORY TASK FORCE.] The commissioner of health shall convene an advisory task force to advise the commissioner on the recodification and reform of regulatory requirements under this section. The task force must include representatives of health plan companies, consumers, public and private employers, labor unions, providers, and other affected persons. No more than half plus one of the members may be of the same gender.

Sec. 5. [HEALTH REFORM DEMONSTRATION MODELS.]

The commissioner of health, in consultation with appropriate state agencies, is authorized to seek federal and private foundation grants to supplement any funds appropriated under this act in order to conduct demonstration models to develop the implementation strategies for the various components of health care reform. The model projects may include the following:

- (1) risk adjustment formulas;
- (2) integration of special needs populations into integrated service networks;
- (3) organization of health services delivery by post-secondary educational facilities;
- (4) establishment of rural purchasing pools and cooperative service arrangements;
- (5) integration of rural public health nursing agency services with rural community integrated service networks;
- (6) development of appropriate access services which facilitate enrollment of low-income or special needs populations into integrated service networks;
- (7) evaluation methods for the action plans prepared by health plan companies; and
- (8) integration of services provided by licensed school nurses into integrated service networks.

Sec. 6. [AMBULANCE RATE REGULATION STUDY.]

The commissioner, in consultation with the Minnesota Ambulance Association and the regional emergency medical services systems, shall develop an ambulance rate regulation system for ambulance services provided in both the integrated service network and all-payer option sectors. The commissioner shall present recommendations and an implementation plan for this rate regulation system to the legislature by January 1, 1996.

Sec. 7. [PREPAID MEDICAL ASSISTANCE PLAN STUDY.]

The commissioners of health and human services shall study the coordination between health care reform and the prepaid medical assistance plan. The study must also determine whether there have been cost savings, cost increases, or cost shifting under current implementation of the prepaid medical assistance plan. The commissioners shall jointly report their findings to the legislature by January 1, 1995.

Sec. 8. [POOLED PRESCRIPTION DRUG PURCHASING PROGRAM.]

Subdivision 1. [FINDINGS AND PURPOSE.] The legislature finds that increasing costs are threatening the ability of a number of Minnesotans without prescription drug coverage to afford the purchase of prescription drugs. The legislature also finds that innovative private and public arrangements involving pooled prescription drug benefit management have provided many Minnesotans with economical access to prescription drugs. The legislature desires to make available the advantages of similar arrangements to those Minnesotans not currently enjoying such advantages without disrupting existing and future private and public arrangements in which other Minnesotans participate.

Subd. 2. [PROPOSED LEGISLATION.] By January 15, 1995, the commissioner of health shall provide the legislature with proposed legislation containing the commissioner's recommendations for creation of a pooled prescription drug purchasing program. The program to be created by the proposed legislation shall:

(1) make available the cost savings associated with pooled prescription drug purchasing to those Minnesotans lacking private or public prescription drug coverage who are not eligible to participate in other private or public pooled prescription drug benefit management programs;

(2) not disrupt, displace or otherwise affect existing private and public arrangements for management of prescription drug benefits;

(3) provide that the program may be administered by a private vendor supervised by the state and selected on the basis of competitive bidding; and

(4) take into account the effect of ongoing changes in state and federal health care policy.

Sec. 9. [EFFECTIVE DATE.]

Sections 1 to 8 are effective the day following final enactment.

ARTICLE 6

UNIVERSAL COVERAGE

Section 1. [62Q.16] [UNIVERSAL COVERAGE.]

It is the commitment of the state to achieve universal health coverage for all Minnesotans by July 1, 1997. In order to achieve this commitment, the following goals must be met:

(1) every Minnesotan shall have health coverage and shall contribute to the costs of coverage based on ability to pay;

(2) no Minnesotan shall be denied coverage or forced to pay more because of health status;

(3) quality health care services must be accessible to all Minnesotans;

(4) all health care purchasers must be placed on an equal footing in the health care marketplace; and

(5) a comprehensive and affordable health plan must be available to all Minnesotans.

Sec. 2. [62Q.17] [VOLUNTARY PURCHASING POOLS.]

Subdivision 1. [PERMISSION TO FORM.] Notwithstanding section 62A.10, employers, groups, and individuals may voluntarily form purchasing pools, for the purpose of negotiating and purchasing health plan coverage from health plan companies for members of the pool.

Subd. 2. [COMMON FACTORS.] All participants in a purchasing pool must live within a common geographic region, be employed in a similar occupation, or share some common factor as approved by the commissioner.

Subd. 3. [GOVERNING STRUCTURE.] Each pool must have a governing structure controlled by its members. The governing structure of the pool is responsible for administration of the pool. The governing structure shall review and evaluate all bids for coverage from health plan companies, shall determine criteria for joining and leaving the pool, and may design incentives for healthy lifestyles and health promotion programs. The governing structure may design uniform entrance standards for all employers, except small employers as defined under section 62L.02. Small employers must be permitted to enter any pool if the small employer meets the pool's membership requirements. Pools must provide as much choice in health plans to members as is financially possible. The governing structure may charge all members a fee for administrative purposes.

Subd. 4. [ENROLLMENT.] Pools must have an annual open enrollment period of not less than 15 days, during which all individuals or groups that qualify for membership may enter the pool without any preexisting condition limitations or exclusions or exclusionary riders, except those permitted under chapter 62L for groups or section 62A.65

for individuals. Pools must reach and maintain an enrolled population of at least 1,000 members within six months of formation. If a pool fails to reach or maintain the minimum enrollment, all coverage subsequently purchased through the purchasing pool must be regulated through existing applicable laws and forego all advantages under this section.

Subd. 5. [MEMBERS.] The governing structure of the pool shall set a minimum time period for membership. Members must stay in the purchasing pool for the entire minimum period to avoid paying a penalty. Penalties for early withdrawal from the purchasing pool shall be established by the governing structure.

Subd. 6. [EMPLOYER-BASED PURCHASING POOLS.] Employer-based purchasing pools must, with respect to small employers as defined in section 62L.02, meet all the requirements of chapter 62L. The experience of the pool must be pooled and the rates blended across all groups. Pools may decide to create tiers within the pool, based on experience of group members. These tiers must be designed within the requirements of section 62L.08. The governing structure may establish criteria limiting movement between tiers. Tiers must be phased out within two years of the pool's creation.

Subd. 7. [INDIVIDUAL MEMBERS.] Purchasing pools that contain individual members must meet all of the underwriting and rate restrictions found in the individual health plan market.

Subd. 8. [REPORTS.] Prior to the initial effective date of coverage, and annually thereafter, each pool shall file a report with the information clearinghouse. The information clearinghouse must use the report to promote the purchasing pools. The annual report must contain the following information:

- (1) the number of lives in the pool;
- (2) the geographic area the pool intends to cover;
- (3) the number of health plans offered;
- (4) a description of the benefits under each plan;
- (5) a description of the premium structure, including any copayments or deductibles, of each plan offered;
- (6) evidence of compliance with chapter 62L;
- (7) a sample of marketing information, including a phone number where the pool may be contacted; and
- (8) a list of all administrative fees charged.

Sec. 3. [62Q.18] [UNIVERSAL COVERAGE; INSURANCE REFORMS.]

Subdivision 1. [DEFINITION.] For purposes of this section,

- (1) "continuous coverage" has the meaning given in section 62L.02;
- (2) "guaranteed issue" means:

(i) for individual health plans, that a health plan company shall not decline an application by an individual for any individual health plan offered by that health plan company, including coverage for a dependent of the individual to whom the health plan has been or would be issued; and

(ii) for group health plans, that a health plan company shall not decline an application by a group for any group health plan offered by that health plan company and shall not decline to cover under the group health plan any person eligible for coverage under the group's eligibility requirements, including persons who become eligible after initial issuance of the group health plan;

- (3) "qualifying coverage" has the meaning given in section 62L.02; and
- (4) "underwriting restrictions" has the meaning given in section 62L.03, subdivision 4.

Subd. 2. [INDIVIDUAL MANDATE.] Effective July 1, 1997, each Minnesota resident shall obtain and maintain qualifying coverage.

Subd. 3. [GUARANTEED ISSUE.] (a) Effective July 1, 1997, each health plan company shall offer, sell, issue, or renew each of its individual health plan forms on a guaranteed issue basis to any Minnesota resident.

(b) Effective July 1, 1997, each health plan company shall offer, sell, issue, or renew each of its group health plan forms to any employer that has its principal place of business in this state on a guaranteed issue basis, provided that the guaranteed issue requirement does not apply to employees, dependents, or other persons to be covered, who are not residents of this state.

(c) Effective July 1, 1997, each health plan company that issues a group health plan to an employer that does not have its principal place of business in this state, where the health plan covers or is intended to cover 20 or more residents of this state, must cover residents of this state on a guaranteed issue basis.

Subd. 4. [UNDERWRITING RESTRICTIONS LIMITED.] Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan that has underwriting restrictions that apply to a Minnesota resident, except as expressly permitted under this section.

Subd. 5. [PREEXISTING CONDITION LIMITATIONS.] Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan that contains a preexisting condition limitation or exclusion or exclusionary rider that applies to a Minnesota resident, except a limitation which is no longer than 12 months and applies only to a person who has not maintained continuous coverage. An unexpired preexisting condition limitation from previous qualifying coverage may be carried over to new coverage under a health plan, if the unexpired condition is one permitted under this section. A Minnesota resident who has not maintained continuous coverage may be subjected to a new 12-month preexisting condition limitation after each break in continuous coverage.

Subd. 6. [LIMITS ON PREMIUM RATE VARIATIONS.] (a) Effective July 1, 1995, the premium rate variations permitted under sections 62A.65 and 62L.08 become:

(1) for factors other than age and geography, 12.5 percent of the index rate; and

(2) for age, 25 percent of the index rate.

(b) Effective July 1, 1996, the premium variations permitted under sections 62A.65 and 62L.08 become:

(1) for factors other than age and geography, 7.5 percent of the index rate; and

(2) for age, 15 percent of the index rate.

(c) Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew a health plan, that is subject to section 62A.65 or 62L.08, for which the premium rate varies between covered persons on the basis of any factor other than:

(1) for individual health plans, differences in benefits or benefit design, and for group health plans, actuarially valid differences in benefits or benefit design;

(2) the number of persons to be covered by the health plan;

(3) actuarially valid differences in expected costs between adults and children;

(4) healthy lifestyle discounts authorized by statute; and

(5) for individual health plans, geographic variations permitted under section 62A.65, and for group health plans, geographic variations permitted under section 62L.08.

(d) All premium rate variations permitted under paragraph (c) are subject to the approval of the commissioner.

Subd. 7. [PORTABILITY OF COVERAGE.] (a) Effective July 1, 1997, no health plan company shall offer, sell, issue, or renew any group or individual health plan that does not provide for guaranteed issue, with full credit for previous qualifying coverage against any preexisting condition limitation that would otherwise apply under subdivision 5. No health plan shall be subject to any other type of underwriting restriction.

(b) Effective July 1, 1994, no health plan company shall offer, sell, issue, or renew any group or individual health plan that does not, with respect to individuals who maintain continuous coverage and whose immediately preceding qualifying coverage is a health plan issued by the same health plan company, medical assistance under chapter 256B, general assistance medical care under chapter 256D, or the MinnesotaCare plan established under section 256.9352,

(1) make coverage available on a guaranteed issue basis; and

(2) give full credit for previous continuous coverage against any applicable preexisting condition limitation or exclusion.

(c) Paragraph (b) applies to individuals whose immediately preceding qualifying coverage is medical assistance under chapter 256B, general assistance medical care under chapter 256D, or the MinnesotaCare plan established under section 256.9352, only if the individual has disenrolled from the public program or will disenroll upon issuance of the new coverage. Paragraph (b) does not apply if the public program uses or will use public funds to pay the premiums for an individual who remains or will remain enrolled in the public program. This paragraph does not prohibit public payment of premiums to continue private sector coverage originally obtained prior to enrollment in the public program, where otherwise permitted by state or federal law.

(d) Effective July 1, 1994, no health plan company shall offer, sell, issue, or renew any group health plan that does not, with respect to individuals who maintain continuous coverage:

(1) make coverage available on a guaranteed issue basis; and

(2) give full credit for previous continuous coverage against any applicable preexisting condition limitation or exclusion.

To the extent that this paragraph conflicts with chapter 62L, with respect to small employers as defined in section 62L.02, chapter 62L governs.

Subd. 8. [COMPREHENSIVE HEALTH ASSOCIATION.] Effective July 1, 1997, the comprehensive health association created in section 62E.10 shall not accept new applicants for enrollment, except for medicare-related coverage described in section 62E.12 and for coverage described in section 62E.18.

Subd. 9. [CONTINGENCY; FUTURE LEGISLATION.] This section, except for subdivision 6, paragraphs (a) and (b), and subdivision 7, paragraphs (b), (c), and (d), is not intended to be implemented prior to legislation enacted to achieve the objectives of sections 1, 5, 6, and 7.

Sec. 4. [MARKET REFORM STRATEGIES STUDY.]

The health care commission shall study and recommend to the legislature by January 1, 1995, insurance market reforms designed to promote the formation of large purchasing pools to be available to individuals and small employers by July 1, 1997. The health care commission shall study:

(1) whether mergers between or among health care providers and group purchasers that expand market share beyond a specified percentage should be regulated or prohibited, in order to preserve competition on price and quality;

(2) integrating public and private sector financing mechanisms to extend MinnesotaCare subsidies to employees and dependents who are eligible for employer-based coverage without eroding existing coverage;

(3) requiring purchasing pools to make available to consumers all plans that submit bids to the pool;

(4) whether some or all purchasers should be required to obtain coverage through a public or private pool;

(5) the impact and effectiveness of the Minnesota employees insurance program under section 43A.317 and the public employees insurance plan under section 43A.316; and

(6) how statewide or regional purchasing pools could be developed for all individuals and small groups that do not have access to a private purchasing pool, and for the MinnesotaCare program and other state-subsidized health care programs, by expanding the Minnesota employees insurance program currently operated by the department of employee relations or by other means.

Sec. 5. [SURVEY OF THE UNINSURED AND EVALUATION OF EXISTING REFORMS.]

Subdivision 1. [SURVEY.] The Minnesota health care commission shall authorize a survey of Minnesota households and employers to provide current data on the uninsured population and assess the effectiveness of the existing health care reforms. As part of this survey, the commissioner of human services shall conduct a survey of the MinnesotaCare population to determine the effects of existing health care reforms on this population. Results of this survey shall be presented to the legislature by January 15, 1995.

Subd. 2. [EVALUATION.] The commissioner of health, in consultation with the health care commission and the commissioners of human services and commerce, shall evaluate the effect of existing reforms and the effect of the MinnesotaCare program on the uninsured population. Based on this evaluation, the commissioners of health, commerce, and human services shall recommend modifications to existing reforms as necessary to continue to make progress toward universal coverage by 1997 and report these modifications to the legislature by January 15, 1996.

Sec. 6. [HEALTH CARE AFFORDABILITY STUDY.]

(a) The commissioner of health, in consultation with the commissioners of human services, commerce, and revenue, shall study and report to the Minnesota health care commission by October 1, 1994, the various factors that affect health care affordability, including out-of-pocket spending, insurance premiums, and taxes.

(b) Based on the study in paragraph (a), the Minnesota health care commission shall recommend to the legislature by January 15, 1995, a specific percentage of income that overall health care costs to a family or individual should not exceed.

(c) The recommendations in paragraph (b) must be used by the commissioners of health and human services to develop an appropriate premium subsidy and sliding fee scale for a permanent health care subsidy program.

Sec. 7. [FINANCING STUDY.]

The Minnesota health care commission, in consultation with the commissioners of health, commerce, human services, and revenue, and representatives of county government shall report to the legislature by January 1, 1995, with an implementation schedule and plan for a stable, long-term health care funding system for all government health programs. The report must include recommendations for overhauling the current system, specific financing methods, and detailed cost estimates for an expanded, fully-funded subsidy program to guarantee universal coverage to all Minnesota residents. The report must include an inventory and analysis of the existing system of government financing of health care. It must include recommendations for capturing savings that will accrue under health care reform and reallocating them to offset additional costs of universal coverage. The commission may contract for actuarial, finance, and taxation expertise.

The study must take into account the following goals and guiding principles:

(a) To the extent possible, universal coverage should be achieved without a net increase in total health spending, taxes, or government spending by recapturing savings and reallocating resources within the system.

(b) To the extent that universal coverage will require additional financing mechanisms, revenues should be raised through an income or payroll tax with consideration given to providing appropriate offsets for low-income individuals. Taxing items that are considered to be health risks and contribute to preventable illness and injury shall be considered as a possible funding source.

(c) Financing reform should ensure adequate and equitable financing of all necessary components of the health system.

(d) Activities that benefit the entire community, such as core public health activities, including collection of data on health status and community health needs, and medical education should be financed by broad-based funding sources. Funding mechanisms should promote collaboration between the public and private sectors.

(e) Personal health care services for individuals who are enrolled in a health plan should be provided or paid for by the health plan.

(f) Government subsidy programs for low-income Minnesotans should be financed by broad-based funding sources such as an income or payroll tax.

(g) Funding mechanisms that are inequitable or create undesirable incentives, such as the Minnesota comprehensive health association assessment, should be restructured.

Sec. 8. [PREEXISTING CONDITIONS STUDY.]

The health care commission shall study the feasibility and impact of the following:

- (1) eliminating preexisting condition limitations in steps;
- (2) standardizing preexisting condition limitations;
- (3) narrowing the preexisting condition limitation period from 12 months to six months; and
- (4) requiring limited coverage of services for preexisting conditions.

The health care commission shall provide a written report to the legislature on or before December 15, 1994.

Sec. 9. [REQUIRED OFFER OF INDIVIDUAL HEALTH PLANS.]

The health care commission shall study the effects and desirability of the requirement that all health plan companies offer individual health plans, as provided in section 62Q.18, subdivision 9. The health care commission shall provide a written report to the legislature on or before December 15, 1994.

Sec. 10. [EFFECTIVE DATE.]

Sections 1 and 4 to 9 are effective the day following final enactment. Sections 2 and 3 are effective July 1, 1994.

PUBLIC HEALTH

Section 1. [62Q.075] [LOCAL PUBLIC ACCOUNTABILITY AND COLLABORATION PLAN.]

Subdivision 1. [DEFINITION.] For purposes of this section, "managed care organization" means a health maintenance organization, community integrated service network, or integrated service network.

Subd. 2. [REQUIREMENT.] Beginning July 1, 1995, all managed care organizations shall annually file with the action plans required under section 62Q.07 a plan describing the actions the managed care organization has taken and those it intends to take to contribute to achieving public health goals for each service area in which an enrollee of the managed care organization resides. This plan must be jointly developed in collaboration with the local public health units, appropriate regional coordinating boards, and other community organizations providing health services within the same service area as the managed care organization. Local government units with responsibilities and authority defined under chapters 145A and 256E may designate individuals to participate in the collaborative planning with the managed care organization to provide expertise and represent community needs and goals as identified under chapters 145A and 256E.

Subd. 3. [CONTENTS.] The plan must address the following:

(a) specific measurement strategies and a description of any activities which contribute to public health goals and needs of high risk and special needs populations as defined and developed under chapters 145A and 256E;

(b) description of the process by which the managed care organization will coordinate its activities with the community health boards, regional coordinating boards, and other relevant community organizations servicing the same area;

(c) documentation indicating that local public health units and local government unit designees were involved in the development of the plan;

(d) documentation of compliance with the plan filed the previous year, including data on the previously identified progress measures.

Subd. 4. [REVIEW.] Upon receipt of the plan, the appropriate commissioner shall provide a copy to the regional coordinating boards, local community health boards, and other relevant community organizations within the managed care organization's service area. After reviewing the plan, these community groups may submit written comments on the plan to either the commissioner of health or commerce, as applicable, and may advise the commissioner of the managed care organization's effectiveness in assisting to achieve regional public health goals. The plan may be reviewed by the county boards, or city councils acting as a local board of health in accordance with chapter 145A, within the managed care organization's service area to determine whether the plan is consistent with the goals and objectives of the plans required under chapters 145A and 256E and whether the plan meets the needs of the community. The county board, or applicable city council, may also review and make recommendations on the availability and accessibility of services provided by the managed care organization. The county board, or applicable city council, may submit written comments to the appropriate commissioner, and may advise the commissioner of the managed care organization's effectiveness in assisting to meet the needs and goals as defined under the responsibilities of chapters 145A and 256E. Copies of these written comments must be provided to the managed care organization. The plan and any comments submitted must be filed with the information clearinghouse to be distributed to the public.

Sec. 2. [62Q.32] [LOCAL OMBUDSPERSON.]

Community health service agencies may establish an office of ombudsperson to provide a system of consumer advocacy for persons receiving health care services through an integrated service network system or through the regulated all-payer option. The ombudsperson's functions may include but are not limited to:

(a) mediation or advocacy on behalf of a person who is having difficulty accessing health care services through either an integrated service network or through the regulated all-payer option; and

(b) investigation of the quality of services provided to a person and determine the extent to which quality assurance mechanisms are needed or any other system change may be needed.

Sec. 3. [62Q.33] [LOCAL GOVERNMENT PUBLIC HEALTH FUNCTIONS.]

Subdivision 1. [FINDINGS.] The legislature finds that the local government public health functions of community assessment, policy development, and assurance of service delivery are essential elements in consumer protection and in achieving the objectives of health care reform in Minnesota. The legislature further finds that the site-based and population-based services provided by state and local health departments are a critical strategy for the long-term containment of health care costs. The legislature further finds that without adequate resources, the local government public health system will lack the capacity to fulfill these functions in a manner consistent with the needs of a reformed health care delivery system.

Subd. 2. [REPORT ON SYSTEM DEVELOPMENT.] The commissioner of health, in consultation with the state community health services advisory committee and the commissioner of human services, and representatives of local health departments, county government, a municipal government acting as a local board of health, the Minnesota health care commission, area Indian health services, health care providers, and citizens concerned about public health, shall coordinate the process for defining implementation and financing responsibilities of the local government core public health functions. The commissioner shall submit recommendations and an initial and final report on local government core public health functions according to the timeline established in subdivision 5.

Subd. 3. [CORE PUBLIC HEALTH FUNCTIONS.] (a) The report required by subdivision 2 must describe the local government core public health functions of: assessment of community health needs; goal-determination, public policy, and program development for addressing these needs; and assurance of service availability and accessibility to meet community health goals and needs. The report must further describe activities for implementation of these functions that are the continuing responsibility of the local government public health system, taking into account the ongoing reform of the health care delivery system.

(b) The activities to be defined in terms of the local government core public health functions include, but are not limited to:

- (1) consumer protection and advocacy;
- (2) targeted outreach and linkage to personal services;
- (3) health status monitoring and disease surveillance;
- (4) investigation and control of diseases and injuries;
- (5) protection of the environment, work places, housing, food, and water;
- (6) laboratory services to support disease control and environmental protection;
- (7) health education and information;
- (8) community mobilization for health-related issues;
- (9) training and education of public health professionals;
- (10) public health leadership and administration;
- (11) emergency medical services;
- (12) violence prevention; and
- (13) other activities that have the potential to improve the health of the population or special needs populations and reduce the need for or cost of health care services.

Subd. 4. [CAPACITY BUILDING, ACCOUNTABILITY AND FUNDING.] The recommendations required by subdivision 2 shall include:

- (1) a definition of minimum outcomes for implementing core public health functions, including a local ombudsperson under the assurance of services function;
- (2) the identification of counties and applicable cities with public health programs that need additional assistance to meet the minimum outcomes;
- (3) a budget for supporting all functions needed to achieve the minimum outcomes, including the local ombudsperson assurance of services function;
- (4) an analysis of the costs and benefits expected from achieving the minimum outcomes;
- (5) strategies for improving local government public health functions throughout the state to meet the minimum outcomes including: (i) funding distribution for local government public health functions necessary to meet the minimum outcomes; and (ii) strategies for the financing of personal health care services within the uniform benefits set and identifying appropriate mechanisms for the delivery of these services; and
- (6) a recommended level of dedicated funding for local government public health functions in terms of a percentage of total health service expenditures by the state or in terms of a per capita basis, including methods of allocating the dedicated funds to local government.

Subd. 5. [TIMELINE.] (a) By October 1, 1994, the commissioner shall submit to the legislative commission on health care access the initial report and recommendations required by subdivisions 2 to 4.

(b) By February 15, 1995, the commissioner, in cooperation with the legislative commission on health care access, shall submit a final report to the legislature, with specific recommendations for capacity building and financing to be implemented over the period from January 1, 1996, through December 31, 1997.

(c) By January 1, 1997, and by January 1 of each odd-numbered year thereafter, the commissioner shall present to the legislature an updated report and recommendations.

Sec. 4. [PUBLIC HEALTH GOALS REPORT.]

The commissioner of health shall provide a written report to the legislature by January 1, 1996, of recommendations on how providers and payers participating in the regulated all-payer option shall participate in achieving public health goals.

Sec. 5. [EFFECTIVE DATE.]

Sections 1 to 4 are effective the day following final enactment.

ARTICLE 8

Subd. 2. [SALARY RATIO LIMITATION.] No health care provider or health plan company serving enrollees or clients of a state health care plan, or serving as a contractor or third-party administrator for a state health care plan, may compensate its most highly paid executive or administrative employee an amount exceeding 25 times the compensation paid to its lowest paid employee. For purposes of this requirement, stock options are valued at fair market value at the time they become the property of the employee.

Subd. 3. [REPORTING.] Each health care provider and health plan company subject to the salary ratio limitation in subdivision 2 shall report the compensation received by its most highly paid executive or administrative employee, based upon full-time equivalents, and its lowest paid employee, based upon full-time equivalents, to the commissioner of employee relations. Subd. 4. [ENFORCEMENT.] The commissioner of employee relations shall verify that all health care providers and health plan companies subject to subdivision 2 have reported the information required in subdivision 3 and shall verify that all health care providers and health plan companies have complied with the salary ratio limitation. The commissioner shall notify all health care providers and health plan companies in violation of subdivision 2 and shall provide four years for the health care provider or health plan company to comply with the salary ratio limitation. The commissioner shall require health care providers and health plan companies to submit the information necessary to demonstrate compliance. If at the end of four years the health care provider or health plan company has not complied, the commissioner, in conjunction with the appropriate agency commissioner or commissioners, shall prohibit the health care provider or health plan company from serving enrollees or clients of a state health care plan, or from serving as a contractor or third-party administrator for state health care plans. All state agency commissioners shall cooperate with the commissioner of employee relations in administering and enforcing this section.

Sec. 2. Minnesota Statutes 1992, section 60A.15, subdivision 1, is amended to read:

Subdivision 1. [DOMESTIC AND FOREIGN COMPANIES.] (a) On or before April 1, June 1, and December 1 of each year, every domestic and foreign company, including town and farmers' mutual insurance companies, domestic mutual insurance companies, marine insurance companies, health maintenance organizations, integrated service networks, community integrated service networks, and nonprofit health service plan corporations, shall pay to the commissioner of revenue installments equal to one-third of the insurer's total estimated tax for the current year. Except as provided in paragraphs (b) and (e), installments must be based on a sum equal to two percent of the premiums described in paragraph (c).

(b) For town and farmers' mutual insurance companies and mutual property and casualty insurance companies other than those (i) writing life insurance, or (ii) whose total assets on December 31, 1989, exceeded \$1,600,000,000, the installments must be based on an amount equal to the following percentages of the premiums described in paragraph (c):

- (1) for premiums paid after December 31, 1988, and before January 1, 1992, one percent; and
- (2) for premiums paid after December 31, 1991, one-half of one percent.

(c) Installments under paragraph (a), (b), or (e) are percentages of gross premiums less return premiums on all direct business received by the insurer in this state, or by its agents for it, in cash or otherwise, during such year.

(d) Failure of a company to make payments of at least one-third of either (1) the total tax paid during the previous calendar year or (2) 80 percent of the actual tax for the current calendar year shall subject the company to the penalty and interest provided in this section, unless the total tax for the current tax year is \$500 or less.

(e) For health maintenance organizations and nonprofit health services plan corporations, integrated service networks, and community integrated service networks, the installments must be based on an amount equal to one percent of premiums described in paragraph (c) that are paid after December 31, 1995.

(f) Premiums under the children's health plan medical assistance, the health right plan MinnesotaCare program, and the Minnesota comprehensive health insurance plan are not subject to tax under this section.

Sec. 3. Minnesota Statutes 1992, section 62A.48, subdivision 1, is amended to read:

Subdivision 1. [POLICY REQUIREMENTS.] No individual or group policy, certificate, subscriber contract, or other evidence of coverage of nursing home care or other long-term care services shall be offered, issued, delivered, or renewed in this state, whether or not the policy is issued in this state, unless the policy is offered, issued, delivered, or renewed by a qualified insurer and the policy satisfies the requirements of sections 62A.46 to 62A.56. A long-term

care policy must cover prescribed long-term care in nursing facilities and at least the prescribed long-term home care services in section 62A.46, subdivision 4, clauses (1) to (5), provided by a home health agency. Coverage under a long-term care policy AA must include: a maximum lifetime benefit limit of at least \$100,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Coverage under a long-term care policy A must include: a maximum lifetime benefit limit of at least \$50,000 for services, and nursing facility and home care coverages must not be subject to separate lifetime maximums. Prior hospitalization may not be required under a long-term care policy.

Coverage under either policy designation must cover preexisting conditions during the first six months of coverage if the insured was not diagnosed or treated for the particular condition during the 90 days immediately preceding the effective date of coverage. Coverage under either policy designation may include a waiting period of up to 90 days before benefits are paid, but there must be no more than one waiting period per benefit period; for purposes of this sentence, "days" means calendar days. No policy may exclude coverage for mental or nervous disorders which have a demonstrable organic cause, such as Alzheimer's and related dementias. No policy may require the insured to be homebound or house confined to receive home care services. The policy must include a provision that the plan will not be canceled or renewal refused except on the grounds of nonpayment of the premium, provided that the insurer may change the premium rate on a class basis on any policy anniversary date. A provision that the policyholder may elect to have the premium paid in full at age 65 by payment of a higher premium up to age 65 may be offered. A provision that the premium would be waived during any period in which benefits are being paid to the insured during confinement in a nursing facility must be included. A nongroup policyholder may return a policy within 30 days of its delivery and have the premium refunded in full, less any benefits paid under the policy, if the policyholder is not satisfied for any reason.

No individual long-term care policy shall be offered or delivered in this state until the insurer has received from the insured a written designation of at least one person, in addition to the insured, who is to receive notice of cancellation of the policy for nonpayment of premium. The insured has the right to designate up to a total of three persons who are to receive the notice of cancellation, in addition to the insured. The form used for the written designation must inform the insured that designation of one person is required and that designation of up to two additional persons is optional and must provide space clearly designated for listing between one and three persons. The designation shall include each person's full name, home address, and telephone number. Each time an individual policy is renewed or continued, the insurer shall notify the insured of the right to change this written designation.

The insurer may file a policy form that utilizes a plan of care prepared as provided under section 62A.46, subdivision 5, clause (1) or (2).

Subdivision 1. [LIMITS ON THE RATE OF GROWTH.] (a) The commissioner of health shall set annual limits on the rate of growth of public and private spending on health care services for Minnesota residents, as provided in paragraph (b). The limits on growth must be set at levels the commissioner determines to be realistic and achievable but that will reduce the rate of growth in health care spending by at least ten percent per year for the next five years. The commissioner shall set limits on growth based on available data on spending and growth trends, including data from group purchasers, national data on public and private sector health care spending and cost trends, and trend information from other states.

(b) The commissioner shall set the following annual limits on the rate of growth of public and private spending on health care services for Minnesota residents:

(1) for calendar year 1994, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1993 plus 6.5 percentage points;

(2) for calendar year 1995, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1994 plus 5.3 percentage points;

(3) for calendar year 1996, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1995 plus 4.3 percentage points;

(4) for calendar year 1997, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1996 plus 3.4 percentage points; and

(5) for calendar year 1998, the rate of growth must not exceed the change in the regional consumer price index for urban consumers for calendar year 1997 plus 2.6 percentage points.

~~If the health care financing administration forecast for the total growth in national health expenditures for a calendar year is lower than the rate of growth for the calendar year as specified in clauses (1) to (5), the commissioner shall adopt this forecast as the growth limit for that calendar year.~~ The commissioner shall adjust the growth limit set for calendar year 1995 to recover savings in health care spending required for the period July 1, 1993 to December 31, 1993. The commissioner shall publish:

(1) the projected limits in the State Register by April 15 of the year immediately preceding the year in which the limit will be effective except for the year 1993, in which the limit shall be published by July 1, 1993;

(2) the quarterly change in the regional consumer price index for urban consumers; and

(3) the health care financing administration forecast for total growth in the national health care expenditures. In setting an annual limit, the commissioner is exempt from the rulemaking requirements of chapter 14. The commissioner's decision on an annual limit is not appealable.

Sec. 16. Minnesota Statutes 1993 Supplement, section 62J.04, subdivision 1a, is amended to read:

Subd. 1a. [ADJUSTED GROWTH LIMITS AND ENFORCEMENT.] (a) The commissioner shall publish the final adjusted growth limit in the State Register by January ~~15~~ 31 of the year that the expenditure limit is to be in effect. The adjusted limit must reflect the actual regional consumer price index for urban consumers for the previous calendar year, and may deviate from the previously published projected growth limits to reflect differences between the actual regional consumer price index for urban consumers and the projected Consumer Price Index for urban consumers. The commissioner shall report to the legislature by ~~January~~ February 15 of each year on differences between the projected increase in health care expenditures, the implementation of growth limits, and the reduction in the trend in the growth based on the limits imposed the actual expenditures based on data collected, and the impact and validity of growth limits within the overall health care reform strategy.

(b) The commissioner shall enforce limits on growth in spending and revenues for integrated service networks and for the regulated all-payer system. If the commissioner determines that artificial inflation or padding of costs or prices has occurred in anticipation of the implementation of growth limits, the commissioner may adjust the base year spending totals or growth limits or take other action to reverse the effect of the artificial inflation or padding.

(c) The commissioner shall impose and enforce overall limits on growth in revenues and spending for integrated service networks, with adjustments for changes in enrollment, benefits, severity, and risks. If an integrated service network exceeds a spending limit, the commissioner may reduce future limits on growth in aggregate premium revenues for that integrated service network by up to the amount overspent. If the integrated service network system exceeds a systemwide spending limit, the commissioner may reduce future limits on growth in premium revenues for the integrated service network system by up to the amount overspent.

(d) The commissioner shall set prices, utilization controls, and other requirements for the regulated all-payer system to ensure that the overall costs of this system, after adjusting for changes in population, severity, and risk, do not exceed the growth limits. If spending growth limits for a calendar year are exceeded, the commissioner may reduce reimbursement rates or otherwise recoup overspending for all or part of the next calendar year, to recover in savings up to the amount of money overspent. To the extent possible, the commissioner may reduce reimbursement rates or otherwise recoup overspending from individual providers who exceed the spending growth limits.

(e) The commissioner, in consultation with the Minnesota health care commission, shall research and make recommendations to the legislature regarding the implementation of growth limits for integrated service networks and the regulated all-payer option. The commissioner must consider both spending and revenue approaches and will report on the implementation of the interim limits as defined in sections 62P.04 and 62P.05. The commissioner must examine and make recommendations on the use of annual update factors based on volume performance standards as a mechanism for achieving controls on spending in the all-payer option. The commissioner must make recommendations regarding the enforcement mechanism and must consider mechanisms to adjust future growth limits as well as mechanisms to establish financial penalties for noncompliance. The commissioner must also address the feasibility of system-wide limits imposed on all integrated service networks.

Each integrated service network is accountable to keep its total revenues within the limit of growth set by the commissioner of health under section 62N.05, subdivision 2. Integrated service networks can be formed by health care providers, health maintenance organizations, insurance companies, employers, or other organizations. Competition between integrated service networks on the quality and price of health care services is encouraged.

In an effort to achieve the stated purposes of ~~sections 62N.01 to 62N.24~~ this chapter, in order to safeguard the underlying nonprofit status of integrated service networks; and to ensure that payment of integrated service network money to any person or organization results in a corresponding benefit to the integrated service network and its enrollees; when determining whether an integrated service network has incurred an unreasonable expense in relation to payments made to a person or organization, due consideration shall be given to, in addition to any other appropriate factors, whether the officers and trustees of the integrated service network have acted with good faith and in the best interests of the integrated service network in entering into, and performing under, a contract under which the integrated service network has incurred an expense. In addition to the compliance powers under subdivision 3, the commissioner has standing to sue, on behalf of an integrated service network, officers or trustees of the integrated service network who have breached their fiduciary duty in entering into and performing such contracts.

Sec. 29. Minnesota Statutes 1993 Supplement, section 62N.10, subdivision 1, is amended to read:

(3) financial solvency; ~~and~~

(4) the ability to develop and complete the action plans required by law; and

(5) the ability to fully comply with this chapter and all other applicable law.

The commissioner may adopt rules to specify licensure requirements for integrated service networks in greater detail, consistent with this subdivision.

The program shall provide rural communities and community organizations with technical assistance, capital grants for start-up costs, and short term assistance with operating costs. The technical assistance component of the program must provide assistance in review of practice management, market analysis, practice feasibility analysis, medical records system analysis, and scheduling and patient flow analysis. The program must: (1) include a local match requirement for state dollars received; (2) require local communities, through instrumentalities of the state of Minnesota or nonprofit boards comprised of local residents, to operate and own their community's health care program; (3) encourage the use of midlevel practitioners; and (4) incorporate a quality assurance strategy that provides regular evaluation of clinical performance and allows peer review comparisons for rural practices. The commissioner shall report to the legislature on implementation of the program by February 15, 1994.~~

Subdivision 1. [COMMUNITY HEALTH CENTER.] "Community health center" means a community owned and operated primary and preventive health care practice that meets the unique, essential health care needs of a specified population.

Subd. 2. [PROGRAM GOALS.] The Minnesota community health center program shall increase health care access for residents of rural Minnesota by creating new community health centers in areas where they are needed and maintaining essential rural health care services. The program is not intended to duplicate the work of current health care providers.

Subd. 3. [GRANTS.] (a) The commissioner shall provide grants to communities for planning and establishing community health centers through the Minnesota community health center program. Grant recipients shall develop and implement a strategy that allows them to become self-sufficient and qualify for other supplemental funding and enhanced reimbursement. The commissioner shall coordinate the grant program with the federal rural health clinic, federally qualified health center, and migrant and community health center programs to encourage federal certification. The commissioner may award planning, project, and initial operating expense grants, as provided in paragraphs (b) to (d).

(b) Planning grants may be awarded to communities to plan and develop state funded community health centers, federally qualified health centers, or migrant and community health centers.

(c) Project grants may be awarded to communities for community health center start-up or expansion, and the conversion of existing practices to community health centers. Start-up grants may be used for facilities, capital equipment, moving expenses, initial staffing, and setup. Communities must provide reasonable assurance of their ability to obtain health care providers and effectively utilize existing health care provider resources. Funded community health center projects must become operational before funding expires. Communities may obtain funding for conversion of existing health care practices to community health centers. Communities with existing community health centers may apply for grants to add sites in underserved areas. Governing boards must include representatives of new service areas.

(d) Centers may apply for grants for up to two years to subsidize initial operating expenses. Applicants for initial operating expense grants must demonstrate that expenses exceed revenues by a minimum of ten percent or demonstrate other extreme need that cannot be met using organizational reserves.

Subd. 4. [ELIGIBILITY REQUIREMENTS.] In order to qualify for community health center program funding, a project must:

"Rural" means an area of the state outside the ten-county Twin Cities metropolitan area and outside of the Duluth, St. Cloud, East Grand Forks, Moorhead, Rochester, and LaCrosse census defined urbanized areas;

(2) represent or propose the formation of a nonprofit corporation with local resident governance, or be a governmental entity. Applicants in the process of forming a nonprofit corporation may have a nonprofit coapplicant serve as financial agent through the remainder of the formation period. (3) result in a locally owned and operated community health center that provides primary and preventive health care services, and incorporates quality assurance, regular reviews of clinical performance, and peer review;

(4) seek to employ midlevel professionals, where appropriate;

(5) demonstrate community and popular support and provide a 20 percent local match of state funding; and

(6) propose to serve an area that is not currently served by a federally certified medical organization.

Subd. 5. Program documentation must communicate program objectives, philosophy, expectations, and other conditions of funding to potential applicants.

The commissioner shall establish an impartial review process to objectively evaluate grant applications. Proposals must be categorized, ranked, and funded using a 100-point rating scale. Fifty-two points shall be assigned to relative need and 48 points to project merit.

(b) The scoring of relative need must be based on proposed service area factors, including but not limited to:

(1) population below 200 percent of poverty;

(2) geographic barriers based on average travel time and distance to the next nearest source of primary care that is accessible to Medicaid and Medicare recipients and uninsured low-income individuals;

(3) a shortage of primary care health professionals, based on the ratio of the population in the service area to the number of full-time equivalent primary care physicians in the service area; and

(4) other community health issues including a high unemployment rate, high percentage of uninsured population, high growth rate of minority and special populations, high teenage pregnancy rate, high morbidity rates due to specific diseases, late entry into prenatal care, high percentage geriatric population, high infant mortality rate, high percentage of low birth weight, cultural and language barriers, high percentage minority population, excessive average travel time and distance to next nearest source of subsidized primary care.

(c) Project merit shall be determined based on expected benefit from the project, organizational capability to develop and manage the project, and probability of success, including but not limited to the following factors:

(1) proposed scope of health services;

(2) clinical management plan;

(3) governance;

(4) financial and administrative management; and

Up to 65 percent of the grant funds may be used to reimburse owners of rural practices for the reasonable market value of usable facilities, equipment, furnishings, supplies, and other resources that the community health center chooses to purchase.

Grant funds shall not be used to reimburse applicants for preexisting debt amortization, entertainment, and lobbying expenses.

Subd. 7. [SPECIAL CONSIDERATION.] The commissioner, through the office of rural health, shall make special efforts to identify areas of the state where need is the greatest, notify representatives of those areas about grant opportunities, and encourage them to submit applications.

Subd. 8. [REQUIREMENTS.] The commissioner shall develop a list of requirements for community health centers and a tracking and reporting system to assess benefits realized from the program to ensure that projects are on schedule and effectively utilizing state funds.

The commissioner shall require community health centers established through the grant program to:

Subd. 3. [METHOD OF ELECTION.] An election by an association under subdivision 2 must be made by resolution approved by the affirmative vote of the trustees of the association and by the affirmative vote of the members or other persons with voting rights in the association. The affirmative vote of both the trustees of the association and of the members or other persons with voting rights, if any, in the association must be of the same proportion that is required for an amendment of the declaration of trust of the association before the election, in each case upon proper notice that a purpose of the meeting is to consider an election by the association to cease to be an association subject to and governed by chapter 318 and to become and be a nonprofit corporation subject to and governed by this chapter. The resolution and the articles of the amendment of the declaration of trust must be filed with the secretary of state and are effective upon filing, or a later date as may be set forth in the filed resolution. Upon the effective date, without any other action or filing by or on behalf of the association, the association automatically is subject to this chapter in the same manner and to the same extent as though it had been formed as a nonprofit corporation pursuant to this chapter. Upon the effective date of the election, the association is not considered to be a new entity, but is considered to be a continuation of the same entity.

Subd. 4. [EFFECTS OF ELECTION.] Upon the effective date of an association's election under subdivision 3, and consistent with the continuation of the association under this chapter:

(1) the organization has the rights, privileges, immunities, powers, and is subject to the duties and liabilities, of a corporation formed under this chapter;

(2) all real or personal property, debts, including debts arising from a subscription for membership and interests belonging to the association, continue to be the real and personal property, and debts of the organization without further action;

(3) an interest in real estate possessed by the association does not revert to the grantor, or otherwise, nor is it in any way impaired by reason of the election, and the personal property of the association does not revert by reason of the election;

(4) except where the will or other instrument provides otherwise, a devise, bequest, gift, or grant contained in a will or other instrument, in a trust or otherwise, made before or after the election has become effective, to or for the association, inures to the organization;

(5) the debts, liabilities, and obligations of the association continue to be the debts, liabilities, and obligations of the organization, just as if the debts, liabilities, and obligations had been incurred or contracted by the organization after the election;

(6) existing claims or a pending action or proceeding by or against the association may be prosecuted to judgment as though the election had not been affected;

(7) the liabilities of the trustees, members, officers, directors, or similar groups or persons, however denominated, of the association, are not affected by the election;

(8) the rights of creditors or liens upon the property of the association are not impaired by the election;

(9) an electing association may merge with one or more nonprofit corporations in accordance with the applicable provisions of this chapter, and either the association or a nonprofit corporation may be the surviving entity in the merger; and

(10) the provisions of the bylaws of the association that are consistent with this chapter remain or become effective and provisions of the bylaws that are inconsistent with this chapter are not effective.

Sec. 52. Minnesota Statutes 1992, section 318.02, is amended by adding a subdivision to read:

Subd. 5. [ELECTION TO BE GOVERNED BY CHAPTER 317A.] An association may cease to be subject to or governed by this chapter by filing an election in the manner described in section 317A.022, to be subject to and governed by chapter 317A in the same manner and to the same extent provided in chapter 317A as though it were a nonprofit corporation if:

(1) it is not formed for a purpose involving pecuniary gain to its members, other than to members that are nonprofit organizations or subdivisions, units, or agencies of the United States or a state or local government; and

(2) it does not pay dividends or other pecuniary remuneration, directly or indirectly, to its members, other than to members that are nonprofit organizations or subdivisions, units, or agencies of the United States or a state or local government.

Sec. 53. [REVISOR INSTRUCTION.]

The revisor of statutes shall change the term "health right" to "MinnesotaCare," "health right plan" to "MinnesotaCare program," and "MinnesotaCare plan" to "MinnesotaCare program," wherever these terms are used in Minnesota Statutes or Minnesota Rules.

Sec. 54. [REPEALER.]

Minnesota Statutes 1992, section 256.362, subdivision 5; Minnesota Statutes 1993 Supplement, sections 62J.04, subdivision 8; 62N.07; 62N.075; 62N.08; 62N.085; and 62N.16, are repealed.

Subdivision 1. [GENERAL PROVISIONS.] (a) The legislature finds that there is a need to advance the use of electronic methods of data interchange among all health care participants in the state in order to achieve significant administrative cost savings. The legislature also finds that in order to advance the use of health care electronic data interchange in a cost-effective manner, the state needs to implement electronic data interchange standards that are

nationally accepted, widely recognized, and available for immediate use. The legislature intends to set forth a plan for a systematic phase-in of uniform health care electronic data interchange standards in all segments of the health care industry.

(b) The commissioner of health, with the advice of the Minnesota health data institute and the Minnesota administrative uniformity committee, shall administer the implementation of and monitor compliance with, electronic data interchange standards of health care participants, according to the plan provided in this section.

(c) The commissioner may grant exemptions to category I and II industry participants from the requirements to implement some or all of the provisions in this section if the commissioner determines that the cost of compliance would place the organization in financial distress, or if the commissioner determines that appropriate technology is not available to the organization.

Subd. 2. [IDENTIFICATION OF CORE TRANSACTION SETS.] (a) All category I and II industry participants in Minnesota shall comply with the standards developed by the ANSI ASC X12 for the following core transaction sets, according to the implementation plan outlined for each transaction set.

These alternative standards may be used during a transition period while ASC X12 standards are developed.

Subd. 3. [IMPLEMENTATION GUIDES.] (a) The commissioner, with the advice of the Minnesota administrative uniformity committee, and the Minnesota Center for Health Care Electronic Data Interchange shall review and recommend the use of guides to implement the core transaction sets. Implementation guides must contain the background and technical information required to allow health care participants to implement the transaction set in the most cost-effective way.

(b) The commissioner shall promote the development of implementation guides among health care participants for those business transaction types for which implementation guides are not available, to allow providers and group purchasers to implement electronic data interchange. In promoting the development of these implementation guides, the commissioner shall review the work done by the American hospital association through the national uniform billing committee and its state representative organization; the American medical association through the uniform claim task force; the American dental association; the national council of prescription drug programs; and the workgroup for electronic data interchange.

Sec. 8. [62J.57] [MINNESOTA CENTER FOR HEALTH CARE ELECTRONIC DATA INTERCHANGE.]

(a) It is the intention of the legislature to support, to the extent of funds appropriated for that purpose, the creation of the Minnesota center for health care electronic data interchange as a broad-based effort of public and private organizations representing group purchasers, health care providers, and government programs to advance the use of health care electronic data interchange in the state. The center shall attempt to obtain private sector funding to supplement legislative appropriations, and shall become self-supporting by the end of the second year.

(b) The Minnesota center for health care electronic data interchange shall facilitate the statewide implementation of electronic data interchange standards in the health care industry by:

When acting under this subdivision, an agent is not an agent of the health carrier, integrated service network, or community integrated service network, with respect to that transaction.

Sec. 2. Minnesota Statutes 1993 Supplement, section 60K.14, subdivision 7, is amended to read:

Subd. 7. [DISCLOSURE OF COMMISSIONS.] Before selling, or offering to sell, any health insurance or a health plan as defined in section 62A.011, subdivision 3, an agent shall disclose in writing to the prospective purchaser the amount of any commission or other compensation the agent will receive as a direct result of the sale. - (11) workers' compensation insurance; or
- (12) issued solely as a companion to a health maintenance contract as described in section 62D.12, subdivision 1a, so long as the health maintenance contract meets the definition of a health plan.

Sec. 4. Minnesota Statutes 1992, section 62A.303, is amended to read:

62A.303 [PROHIBITION; SEVERING OF GROUPS.]

Section 62L.12, subdivisions ~~1, 2, 3,~~ and 4, apply to all employer group health plans, as defined in section 62A.011, regardless of the size of the group.

Sec. 5. [62A.305] [USE OF GENDER PROHIBITED.]

Subdivision 1. [APPLICABILITY.] This section applies to all health plans as defined in section 62A.011 offered, sold, issued, or renewed, by a health carrier on or after January 1, 1995.

Subd. 2. [PROHIBITION ON USE OF GENDER.] No health plan described in subdivision 1 shall determine the premium rate or any other underwriting decision, including initial issuance, through a method that is in any way based upon the gender of any person covered or to be covered under the health plan. This subdivision prohibits use of marital status or generalized differences in expected costs between employees and spouses or between principal insureds and their spouses.

Sec. 6. Minnesota Statutes 1993 Supplement, section 62A.31, subdivision 1h, is amended to read:

Subd. 1h. [LIMITATIONS ON DENIALS, CONDITIONS, AND PRICING OF COVERAGE.] No issuer of Medicare supplement policies, including policies that supplement Medicare issued by health maintenance organizations or those policies governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395,

et seq., in this state may impose preexisting condition limitations or otherwise deny or condition the issuance or effectiveness of any Medicare supplement insurance policy form available for sale in this state, nor may it discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant where an application for such insurance is submitted during the six-month period beginning with the first month in which an individual first enrolled for benefits under Medicare Part B. This paragraph applies regardless of whether the individual has attained the age of 65 years. If an individual who is enrolled in Medicare Part B due to disability status is involuntarily disenrolled due to loss of disability status, the individual is eligible for the six-month enrollment period provided under this subdivision if the individual later becomes eligible for and enrolls again in Medicare Part B.

Sec. 7. Minnesota Statutes 1993 Supplement, section 62A.36, subdivision 1, is amended to read:

Subdivision 1. [LOSS RATIO STANDARDS.] (a) For purposes of this section, "Medicare supplement policy or certificate" has the meaning given in section 62A.31, subdivision 3, but also includes a policy, contract, or certificate issued under a contract under section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et seq. A Medicare supplement policy form or certificate form shall not be delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to policyholders and certificate holders in the form of aggregate benefits, not including anticipated refunds or credits, provided under the policy form or certificate form:

(1) at least 75 percent of the aggregate amount of premiums earned in the case of group policies, and

(2) at least 65 percent of the aggregate amount of premiums earned in the case of individual policies, calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period and according to accepted actuarial principles and practices. An insurer shall demonstrate that the third year loss ratio is greater than or equal to the applicable percentage. The applicable percentage for group policies or contracts shall increase by one percentage point on July 1 of each year, beginning on July 1, 1994, until an 82 percent loss ratio is reached on July 1, 2000. The applicable percentage for individual policies or contracts shall increase by one percentage point on July 1 of each year, beginning on July 1, 1994, until a 72 percent loss ratio is reached on July 1, 2000.

All filings of rates and rating schedules shall demonstrate that expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards, and aggregate loss ratio from inception of the policy or certificate shall equal or exceed the appropriate loss ratio standards.

(b) An issuer shall collect and file with the commissioner by May 31 of each year the data contained in the National Association of Insurance Commissioners Medicare Supplement Refund Calculating form, for each type of Medicare supplement benefit plan.

If, on the basis of the experience as reported, the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation must be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount to be refunded or credited exceeds a de minimis level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the secretary of health and human services, but in no event shall it be less than the average rate of interest for 13-week treasury bills. A refund or credit against premiums due shall be made by September 30 following the experience year on which the refund or credit is based.

(c) An issuer of Medicare supplement policies and certificates in this state shall file annually its rates, rating schedule, and supporting documentation including ratios of incurred losses to earned premiums by policy or certificate duration for approval by the commissioner according to the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. The demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policies or certificates in force less than three years.

As soon as practicable, but before the effective date of enhancements in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

(1) a premium adjustment that is necessary to produce an expected loss ratio under the policy or certificate that will conform with minimum loss ratio standards for Medicare supplement policies or certificates. No premium adjustment that would modify the loss ratio experience under the policy or certificate other than the adjustments described herein shall be made with respect to a policy or certificate at any time other than on its renewal date or anniversary date;

(2) if an issuer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds, or premium credits considered necessary to achieve the loss ratio required by this section;

(3) any appropriate riders, endorsements, or policy or certificate forms needed to accomplish the Medicare supplement insurance policy or certificate modifications necessary to eliminate benefit duplications with Medicare. The riders, endorsements, or policy or certificate forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(d) The commissioner may conduct a public hearing to gather information concerning a request by an issuer for an increase in a rate for a policy form or certificate form if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance is made without consideration of a refund or credit for the reporting period. Public notice of the hearing shall be furnished in a manner considered appropriate by the commissioner.

(e) An issuer shall not use or change premium rates for a Medicare supplement policy or certificate unless the rates, rating schedule, and supporting documentation have been filed with, and approved by, the commissioner according to the filing requirements and procedures prescribed by the commissioner.

Sec. 8. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 2, is amended to read:

Subd. 2. [GUARANTEED RENEWAL.] No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the health plan provides that the plan is guaranteed renewable at a premium rate that does not take into account the claims experience or any change in the health status of any covered person that occurred after the initial issuance of the health plan to the person. The premium rate upon renewal must also otherwise comply with this section. A health carrier must not refuse to renew an individual health plan may be subject to refusal to renew only under the conditions provided in chapter 62L for health benefit plans prior to enrollment in Medicare Parts A and B, except for nonpayment of premiums, fraud, or misrepresentation.

Sec. 9. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 3, is amended to read:

Subd. 3. [PREMIUM RATE RESTRICTIONS.] No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the premium rate charged is determined in accordance with the ~~rating and premium restrictions provided under chapter 62L, except that the minimum loss ratio applicable to an individual health plan is as provided in section 62A.021. All rating and premium restrictions of chapter 62L apply to the individual market, unless clearly inapplicable to the individual market.~~ following requirements:

(a) Premium rates must be no more than 25 percent above and no more than 25 percent below the index rate charged to individuals for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this paragraph must be based only upon health status, claims experience, and occupation. For purposes of this paragraph, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined by the commissioner to be actuarially valid and have been approved by the commissioner. Variations permitted under this paragraph must not be based upon age or applied differently at different ages. This paragraph does not prohibit use of a constant percentage adjustment for factors permitted to be used under this paragraph.

(b) Premium rates may vary based upon the ages of covered persons only as provided in this paragraph. In addition to the variation permitted under paragraph (a), each health carrier may use an additional premium variation based upon age of up to plus or minus 50 percent of the index rate.

(c) A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than 20 percent. Health carriers that do not do business in the Minneapolis/St. Paul metropolitan area may request approval for no more than two geographic regions, and clauses (2) and (3) do not apply to approval of requests made by those health carriers. The commissioner may grant approval if the following conditions are met:

(1) the geographic regions must be applied uniformly by the health carrier;

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) for each geographic region that is rural, the index rate for that region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area; and

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

(d) Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based upon the number of adults or children covered under the policy and may reflect the availability of medicare coverage. The rates for different rate cells must not in any way reflect generalized differences in expected costs between principal insureds and their spouses.

(e) In developing its index rates and premiums for a health plan, a health carrier shall take into account only the following factors:

(1) actuarially valid differences in rating factors permitted under paragraphs (a) and (b); and

(2) actuarially valid geographic variations if approved by the commissioner as provided in paragraph (c).

(f) All premium variations must be justified in initial rate filings and upon request of the commissioner in rate revision filings. All rate variations are subject to approval by the commissioner.

(g) The loss ratio must comply with the section 62A.021 requirements for individual health plans.

(h) The rates must not be approved, unless the commissioner has determined that the rates are reasonable. In determining reasonableness, the commissioner shall consider the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risks associated with the enrollee populations, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549.

Sec. 10. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 4, is amended to read:

Subd. 4. [GENDER RATING PROHIBITED.] No individual health plan offered, sold, issued, or renewed to a Minnesota resident may determine the premium rate or any other underwriting decision, including initial issuance, ~~on~~ through a method that is in any way based upon the gender of any person covered or to be covered under the health plan. This subdivision prohibits the use of marital status or generalized differences in expected costs between principal insureds and their spouses.

Sec. 11. Minnesota Statutes 1993 Supplement, section 62A.65, subdivision 5, is amended to read:

Subd. 5. [PORTABILITY OF COVERAGE.] (a) No individual health plan may be offered, sold, issued, or with respect to children age 18 or under renewed, to a Minnesota resident that contains a preexisting condition limitation or exclusion or exclusionary rider, unless the limitation or exclusion ~~would be~~ is permitted under chapter 62L, this subdivision, provided that, except for children age 18 or under, underwriting restrictions may be retained on individual contracts that are issued without evidence of insurability as a replacement for prior individual coverage that was sold before May 17, 1993. The individual may be ~~treated as a late entrant, as defined in chapter 62L~~ subjected to an 18-month preexisting condition limitation, unless the individual has maintained continuous coverage as defined in ~~chapter 62L~~ section 62L.02. The individual must not be subjected to an exclusionary rider. An individual who has maintained continuous coverage may be subjected to a one-time preexisting condition limitation ~~as permitted under chapter 62L for persons who are not late entrants, of up to 12 months, with credit for time covered~~

under qualifying coverage as defined in section 62L.02, at the time that the individual first is covered under an individual health plan by any health carrier. The individual must not be subjected to an exclusionary rider. Thereafter, the individual must not be subject to any preexisting condition limitation or exclusion or exclusionary rider under an individual health plan by any health carrier, except an unexpired portion of a limitation under prior coverage, so long as the individual maintains continuous coverage.

(b) A health carrier must offer an individual health plan to any individual previously covered under a group health benefit plan issued by that health carrier, regardless of the size of the group, so long as the individual maintained continuous coverage as defined in ~~chapter 62L~~ section 62L.02. The offer must not be subject to underwriting, except as permitted under this paragraph. A health plan issued under this paragraph must be a qualified plan and must not contain any preexisting condition limitation or exclusion or exclusionary rider, except for any unexpired limitation or exclusion under the previous coverage. The individual health plan must cover pregnancy on the same basis as any other covered illness under the individual health plan. The initial premium rate for the individual health plan must comply with subdivision 3. The premium rate upon renewal must comply with subdivision 2. In no event shall the premium rate exceed 90 percent of the premium charged for comparable individual coverage by the Minnesota comprehensive health association, and the premium rate must be less than that amount if necessary to otherwise comply with this section. An individual health plan offered under this paragraph to a person satisfies the health carrier's obligation to offer conversion coverage under section 62E.16, with respect to that person. Section 72A.20, subdivision 28, applies to this paragraph.

Sec. 12. Minnesota Statutes 1993 Supplement, section 62A.65, is amended by adding a subdivision to read:

Subd. 7. [SHORT TERM COVERAGE.] (a) For purposes of this section, "short term coverage" means an individual health plan that:

(1) is issued to provide coverage for a period of 185 days or less, except that the health plan may permit coverage to continue until the end of a period of hospitalization for a condition for which the covered person was hospitalized on the day that coverage would otherwise have ended;

(2) is nonrenewable, provided that the health carrier may provide coverage for one or more subsequent periods that satisfy clause (1), if the total of the periods of coverage do not exceed a total of 185 days out of any 365 day period, plus any additional days covered as a result of hospitalization on the day that a period of coverage would otherwise have ended;

(3) does not cover any preexisting conditions, including ones that originated during a previous identical policy or contract with the same health carrier where coverage was continuous between the previous and the current policy or contract; and

(4) is available with an immediate effective date without underwriting upon receipt of a completed application indicating eligibility under the health carrier's eligibility requirements, provided that coverage that includes optional benefits may be offered on a basis that does not meet this requirement.

(b) Short term coverage is not subject to subdivisions 2 and 5. Short term coverage may exclude as a preexisting condition any injury, illness, or condition for which the covered person had medical treatment, symptoms, or any manifestations before the effective date of the coverage, but dependent children born or placed for adoption during the policy period must not be subject to this provision.

(c) Notwithstanding subdivision 3, and section 62A.021, a health carrier may combine short term coverage with its most commonly sold individual qualified plan as defined in section 62E.02, other than short term coverage, for purposes of complying with the loss ratio requirement.

(d) The 185 day coverage limitation provided in paragraph (a), applies to the total number of days of short term coverage that covers a person, regardless of the number of policies, contracts, or health carriers that provide the coverage. A written application for short term coverage must ask the applicant whether the applicant has been covered by short term coverage by any health carrier within the 365 days immediately preceding the effective date of the coverage being applied for. Short term coverage issued in violation of the 185 day limitation is valid until the end of its term, and does not lose its status as short term coverage, in spite of the violation. A health carrier that knowingly issues short term coverage in violation of the 185 day limitation is subject to the administrative penalties otherwise available to the commissioner of commerce or the commissioner of health, as appropriate.

(e) Time spent under short term coverage counts as time spent under a preexisting condition limitation for purposes of group or individual health plans, other than short term coverage, subsequently issued to that person, or to cover that person, by any health carrier, if the person maintains continuous coverage as defined in section 62L.02. Short term coverage is a health plan and is qualifying coverage as defined in section 62L.02. Notwithstanding any other law to the contrary, a health carrier is not required under any circumstances to provide a person covered by short-term coverage the right to obtain coverage on a guaranteed issue basis under another health plan offered by the health carrier, as a result of the person's enrollment in short-term coverage.

Sec. 13. Minnesota Statutes 1993 Supplement, section 62A.65, is amended by adding a subdivision to read:

Subd. 8. [CESSATION OF INDIVIDUAL BUSINESS.] Notwithstanding the provisions of subdivisions 1 to 7, a health carrier may elect to cease doing business in the individual market if it complies with the requirements of this subdivision. A health carrier electing to cease doing business in the individual market shall notify the commissioner 180 days prior to the effective date of the cessation. The cessation of business does not include the failure of a health carrier to offer or issue new business in the individual market or continue an existing product line, provided that a health carrier does not terminate, cancel, or fail to renew its current individual business or other product lines. A health carrier electing to cease doing business in the individual market shall provide 120 days' written notice to each policyholder covered by a health plan issued by the health carrier. A health carrier that ceases to write new business in the individual market shall continue to be governed by this section with respect to continuing individual business conducted by the carrier. A health carrier that ceases to do business in the individual market after July 1, 1994, is prohibited from writing new business in the individual market in this state for a period of five years from the date of notice to the commissioner. This subdivision applies to any health maintenance organization that ceases to do business in the individual market in one service area with respect to that service area only. Nothing in this subdivision prohibits an affiliated health maintenance organization from continuing to do business in the individual market in that same service area.

Sec. 14. Minnesota Statutes 1993 Supplement, section 62D.12, subdivision 17, is amended to read:

Subd. 17. [DISCLOSURE OF COMMISSIONS.] Any person receiving commissions for the sale of coverage or enrollment in a health plan, as defined in section 62A.011, offered by a health maintenance organization shall, before selling or offering to sell coverage or enrollment, disclose in writing to the prospective purchaser the amount of any commission or other compensation the person will receive as a direct result of the sale. The disclosure may be expressed in dollars or as a percentage of the premium. The amount disclosed need not include any anticipated renewal commissions.

Sec. 15. Minnesota Statutes 1992, section 62E.141, is amended to read:

62E.141 [INCLUSION IN EMPLOYER-SPONSORED PLAN.]

No employee, or dependent of an employee, of an employer who that offers a health benefit plan, under which the employee or dependent is eligible to enroll under chapter 62L for coverage, is eligible to enroll, or continue to be enrolled, in the comprehensive health association, except for enrollment or continued enrollment necessary to cover conditions that are subject to an unexpired preexisting condition limitation or exclusion or exclusionary rider under the employer's health benefit plan. This section does not apply to persons enrolled in the comprehensive health association as of June 30, 1993. With respect to persons eligible to enroll in the health plan of an employer that has more than 29 current employees, as defined in section 62L.02, this section does not apply to persons enrolled in the comprehensive health association as of December 31, 1994.

Sec. 16. Minnesota Statutes 1992, section 62E.16, is amended to read:

62E.16 [POLICY CONVERSION RIGHTS.]

Every program of self-insurance, policy of group accident and health insurance or contract of coverage by a health maintenance organization written or renewed in this state, shall include, in addition to the provisions required by section 62A.17, the right to convert to an individual coverage qualified plan without the addition of underwriting restrictions if the individual insured leaves the group regardless of the reason for leaving the group or if an employer member of a group ceases to remit payment so as to terminate coverage for its employees, or upon cancellation or termination of the coverage for the group except where uninterrupted and continuous group coverage is otherwise provided to the group. If the health maintenance organization has canceled coverage for the group because of a loss of providers in a service area, the health maintenance organization shall arrange for other health maintenance or

indemnity conversion options that shall be offered to enrollees without the addition of underwriting restrictions. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. The person may exercise this right to conversion within 30 days of leaving the group or within 30 days following receipt of due notice of cancellation or termination of coverage of the group or of the employer member of the group and upon payment of premiums from the date of termination or cancellation. Due notice of cancellation or termination of coverage for a group or of the employer member of the group shall be provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Plans of health coverage shall also include a provision which, upon the death of the individual in whose name the contract was issued, permits every other individual then covered under the contract to elect, within the period specified in the contract, to continue coverage under the same or a different contract without the addition of underwriting restrictions until the individual would have ceased to have been entitled to coverage had the individual in whose name the contract was issued lived. An individual conversion contract issued by a health maintenance organization shall not be deemed to be an individual enrollment contract for the purposes of section 62D.10. An individual health plan offered under section 62A.65, subdivision 5, paragraph (b), to a person satisfies the health carrier's obligation to offer conversion coverage under this section with respect to that person.

Sec. 17. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 8, is amended to read:

Subd. 8. [COMMISSIONER.] "Commissioner" means the commissioner of commerce for health carriers subject to the jurisdiction of the department of commerce or the commissioner of health for health carriers subject to the jurisdiction of the department of health, or the relevant commissioner's designated representative. [DEPENDENT.] "Dependent" means an eligible employee's spouse, unmarried child who is under the age of 19 years, unmarried child under the age of 25 years who is a full-time student as defined in section 62A.301 ~~and financially dependent upon the eligible employee, or, dependent child of any age who is handicapped and who meets the eligibility criteria in section 62A.14, subdivision 2, or any other person whom state or federal law requires to be treated as a dependent for purposes of health plans.~~ For the purpose of this definition, a child may include a child for whom the employee or the employee's spouse has been appointed legal guardian.

Sec. 23. Minnesota Statutes 1992, section 62L.02, is amended by adding a subdivision to read:

Subd. 14a. [GUARANTEED ISSUE.] "Guaranteed issue" means that a health carrier shall not decline an application by a small employer for any health benefit plan offered by that health carrier and shall not decline to cover under a health benefit plan any eligible employee or eligible dependent, including persons who become eligible employees or eligible dependents after initial issuance of the health benefit plan, subject to the health carrier's right to impose preexisting condition limitations permitted under this chapter.

Sec. 24. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 15, is amended to read:

Subd. 15. [HEALTH BENEFIT PLAN.] "Health benefit plan" means a policy, contract, or certificate offered, sold, issued, or renewed by a health carrier to a small employer for the coverage of medical and hospital benefits. - (5) credit accident and health insurance as defined in section 62B.02;
- (6) designed solely to provide dental or vision care;
- (7) blanket accident and sickness insurance as defined in section 62A.11;
- (8) accident-only coverage;
- (9) a long-term care policy as defined in section 62A.46;
- (10) issued as a supplement to Medicare, as defined in sections 62A.31 to 62A.44, or policies, contracts, or certificates that supplement Medicare issued by health maintenance organizations or those policies, contracts, or certificates governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395, et seq., as amended ~~through December 31, 1991~~;
- (11) workers' compensation insurance; or
- (12) issued solely as a companion to a health maintenance contract as described in section 62D.12, subdivision 1a, so long as the health maintenance contract meets the definition of a health benefit plan.

For the purpose of this chapter, a health benefit plan issued to eligible employees of a small employer who meets the participation requirements of section 62L.03, subdivision 3, is considered to have been issued to a small employer. A health benefit plan issued on behalf of a health carrier is considered to be issued by the health carrier.

Sec. 25. Minnesota Statutes 1992, section 62L.02, subdivision 16, is amended to read:

Subd. 16. [HEALTH CARRIER.] "Health carrier" means an insurance company licensed under chapter 60A to offer, sell, or issue a policy of accident and sickness insurance as defined in section 62A.01; a health service plan licensed under chapter 62C; a health maintenance organization licensed under chapter 62D; a fraternal benefit society operating under chapter 64B; a joint self-insurance employee health plan operating under chapter 62H; and a multiple employer welfare arrangement, as defined in United States Code, title 29, section 1002(40), as amended ~~through December 31, 1991~~. For purposes of sections

62L.01 to 62L.12, but not for purposes of sections 62L.13 to 62L.22, "health carrier" includes a community integrated service network or integrated service network licensed under chapter 62N. Any use of this definition in another chapter by reference does not include a community integrated service network or integrated service network, unless otherwise specified. For the purpose of this chapter, companies that are affiliated companies or that are eligible to file a consolidated tax return must be treated as one health carrier, except that any insurance company or health service plan corporation that is an affiliate of a health maintenance organization located in Minnesota, or any health maintenance organization located in Minnesota that is an affiliate of an insurance company or health service plan corporation, or any health maintenance organization that is an affiliate of another health maintenance organization in Minnesota, may treat the health maintenance organization as a separate health carrier.

Sec. 26. Minnesota Statutes 1992, section 62L.02, subdivision 17, is amended to read:

Subd. 17. [HEALTH PLAN.] "Health plan" means a health benefit plan ~~issued by a health carrier, except that it may be issued:~~

- (1) to a small employer;
- (2) ~~to an employer who does not satisfy the definition of a small employer as defined under subdivision 26; or~~
- (3) ~~to an individual purchasing an individual or conversion policy of health care coverage issued by a health carrier as defined in section 62A.011 and includes individual and group coverage regardless of the size of the group, unless otherwise specified.~~

Sec. 27. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 19, is amended to read:

Subd. 19. [LATE ENTRANT.] "Late entrant" means an eligible employee or dependent who requests enrollment in a health benefit plan of a small employer following the initial enrollment period applicable to the employee or dependent under the terms of the health benefit plan, provided that the initial enrollment period must be a period of at least 30 days. However, an eligible employee or dependent must not be considered a late entrant if:

(1) the individual was covered under qualifying ~~existing~~ coverage at the time the individual was eligible to enroll in the health benefit plan, declined enrollment on that basis, and presents to the health carrier a certificate of termination of the qualifying ~~prior~~ coverage, due to loss of eligibility for that coverage, provided that the individual maintains continuous coverage. For purposes of this clause, ~~eligibility for prior coverage does not include eligibility for an individual is not a late entrant if the individual elects coverage under the health benefit plan rather than accepting continuation coverage required for which the individual is eligible under state or federal law with respect to the individual's previous qualifying coverage;~~

(2) the individual has lost coverage under another group health plan due to the expiration of benefits available under the Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law Number 99-272, as amended, and any state continuation laws applicable to the employer or health carrier, provided that the individual maintains continuous coverage;

(3) the individual is a new spouse of an eligible employee, provided that enrollment is requested within 30 days of becoming legally married;

(4) the individual is a new dependent child of an eligible employee, provided that enrollment is requested within 30 days of becoming a dependent;

(5) the individual is employed by an employer that offers multiple health benefit plans and the individual elects a different plan during an open enrollment period; or

(6) a court has ordered that coverage be provided for a former spouse or dependent child under a covered employee's health benefit plan and request for enrollment is made within 30 days after issuance of the court order.

Sec. 28. Minnesota Statutes 1992, section 62L.02, subdivision 24, is amended to read:

Subd. 24. [~~QUALIFYING PRIOR COVERAGE OR QUALIFYING EXISTING COVERAGE.~~] "Qualifying ~~prior~~ coverage" ~~or "qualifying existing coverage"~~ means health benefits or health coverage provided under:

- (1) a health plan, as defined in this section;

- (2) Medicare;
- (3) medical assistance under chapter 256B;
- (4) general assistance medical care under chapter 256D;
- (5) MCHA;
- (6) a self-insured health plan;

(7) the ~~health right~~ MinnesotaCare plan program established under section 256.9352, when the plan includes inpatient hospital services as provided in section 256.9353;

- (8) a plan provided under section 43A.316, 43A.317, or 471.617; or

(9) a plan similar to any of the above plans provided in this state or in another state as determined by the commissioner.

Sec. 29. Minnesota Statutes 1993 Supplement, section 62L.02, subdivision 26, is amended to read:

Subd. 26. [SMALL EMPLOYER.] (a) "Small employer" means a person, firm, corporation, partnership, association, or other entity actively engaged in business ~~who, including a political subdivision of the state, that~~, on at least 50 percent of its working days during the preceding ~~calendar year~~ 12 months, employed no fewer than two nor more than 29 ~~eligible, or after June 30, 1995, more than 49, current~~ employees, the majority of whom were employed in this state. A political subdivision of the state is not a small employer and is not subject to this chapter when it provides health coverage to its employees, officers, and retirees, and their dependents, by participation in group purchasing of health plan coverage by or through an association of political subdivisions or by or through an educational cooperative service unit created under section 123.58 or by participating in a joint self-insurance pool authorized under section 471.617, subdivision 2. If an employer has only two eligible employees and one is the spouse, child, sibling, parent, or grandparent of the other, the employer must be a Minnesota domiciled employer and have paid social security or self-employment tax on behalf of both eligible employees. If an employer has only one eligible employee who has not waived coverage, the sale of a health plan to or for that eligible employee is not a sale to a small employer and is not subject to this chapter and may be treated as the sale of an individual health plan. A small employer plan may be offered through a domiciled association to self-employed individuals and small employers who are members of the association, even if the self-employed individual or small employer has fewer than two ~~current~~ employees. Entities that are eligible to file a combined tax return for purposes of state tax laws are considered a single employer for purposes of determining the number of ~~eligible current~~ employees. Small employer status must be determined on an annual basis as of the renewal date of the health benefit plan. The provisions of this chapter continue to apply to an employer who no longer meets the requirements of this definition until the annual renewal date of the employer's health benefit plan.

(b) Where an association, described in section 62A.10, subdivision 1, comprised of employers contracts with a health carrier to provide coverage to its members who are small employers, the association shall be considered to be a small employer, with respect to those employers in the association that employ no fewer than two nor more than 29 ~~eligible, or after June 30, 1995, more than 49, current~~ employees, even though the association provides coverage to its members that do not qualify as small employers. An association in existence prior to July 1, 1993, is exempt from this chapter with respect to small employers that are members as of that date. However, in providing coverage to new ~~groups~~ employers after July 1, 1993, the existing association must comply with all requirements of this chapter. Existing associations must register with the commissioner of commerce prior to July 1, 1993. With respect to small employers having not fewer than 30 nor more than 49 current employees, the July 1, 1993 date in this paragraph becomes July 1, 1995, and the reference to "after" that date becomes "on or after."

(c) If an employer has employees covered under a trust ~~established~~ specified in a collective bargaining agreement under the federal Labor-Management Relations Act of 1947, United States Code, title 29, section 141, et seq., as amended, or employees whose health coverage is determined by a collective bargaining agreement and, as a result of the collective bargaining agreement, is purchased separately from the health plan provided to other employees, those employees are excluded in determining whether the employer qualifies as a small employer. Those employees are considered to be a separate small employer if they constitute a group that would qualify as a small employer in the absence of the employees who are not subject to the collective bargaining agreement.

Sec. 30. Minnesota Statutes 1992, section 62L.03, subdivision 1, is amended to read:

Subdivision 1. [GUARANTEED ISSUE AND REISSUE.] Every health carrier shall, as a condition of authority to transact business in this state in the small employer market, affirmatively market, offer, sell, issue, and renew any of its health benefit plans, on a guaranteed issue basis, to any small employer that meets the participation and contribution requirements of subdivision 3, as provided in this chapter. This requirement does not apply to a health benefit plan designed for a small employer to comply with a collective bargaining agreement, provided that the health benefit plan otherwise complies with this chapter and is not offered to other small employers, except for other small employers that need it for the same reason. Every health carrier participating in the small employer market shall make available both of the plans described in section 62L.05 to small employers and shall fully comply with the underwriting and the rate restrictions specified in this chapter for all health benefit plans issued to small employers. A health carrier may cease to transact business in the small employer market as provided under section 62L.09.

Sec. 31. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 3, is amended to read:

Subd. 3. [MINIMUM PARTICIPATION AND CONTRIBUTION.] (a) A small employer that has at least 75 percent of its eligible employees who have not waived coverage participating in a health benefit plan and that contributes at least 50 percent toward the cost of coverage of eligible employees must be guaranteed coverage on a guaranteed issue basis from any health carrier participating in the small employer market. The participation level of eligible employees must be determined at the initial offering of coverage and at the renewal date of coverage. A health carrier ~~may~~ must not increase the participation requirements applicable to a small employer at any time after the small employer has been accepted for coverage. For the purposes of this subdivision, waiver of coverage includes only waivers due to: (1) coverage under another group health plan; (2) coverage under Medicare parts A and B; or (3) coverage under MCHA permitted under section 62E.141.

(b) If a small employer does not satisfy the contribution or participation requirements under this subdivision, a health carrier may voluntarily issue or renew individual coverage health plans, or a health benefit plan which, ~~except for guaranteed issue,~~ must fully comply with this chapter. A health carrier that provides ~~group coverage a health benefit plan~~ to a small employer that does not meet the contribution or participation requirements of this subdivision must maintain this information in its files for audit by the commissioner. A health carrier may not offer an individual coverage health plan, purchased through an arrangement between the employer and the health carrier, to any employee unless the health carrier also offers coverage the individual health plan, on a guaranteed issue basis, to all other employees of the same employer.

(c) Nothing in this section obligates a health carrier to issue coverage to a small employer that currently offers coverage through a health benefit plan from another health carrier, unless the new coverage will replace the existing coverage and not serve as one of two or more health benefit plans offered by the employer.

Sec. 32. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 4, is amended to read:

Subd. 4. [UNDERWRITING RESTRICTIONS.] Health carriers may apply underwriting restrictions to coverage for health benefit plans for small employers, including any preexisting condition limitations, only as expressly permitted under this chapter. For purposes of this ~~subdivision section~~, "underwriting restrictions" means any refusal of the health carrier to issue or renew coverage, any premium rate higher than the lowest rate charged by the health carrier for the same coverage, ~~or any preexisting condition limitation or exclusion, or any exclusionary rider.~~ Health carriers may collect information relating to the case characteristics and demographic composition of small employers, as well as health status and health history information about employees, and dependents of employees, of small employers. Except as otherwise authorized for late entrants, preexisting conditions may be excluded by a health carrier for a period not to exceed 12 months from the effective date of coverage of an eligible employee or dependent, but exclusionary riders must not be used. When calculating a preexisting condition limitation, a health carrier shall credit the time period an eligible employee or dependent was previously covered by qualifying prior coverage, provided that the individual maintains continuous coverage. Late entrants may be subject to a preexisting condition limitation not to exceed 18 months from the effective date of coverage of the late entrant, but must not be subject to any exclusionary rider or exclusion. ~~Late entrants may also be excluded from coverage for a period not to exceed 18 months, provided that if a health carrier imposes an exclusion from coverage and a preexisting condition limitation, the combined time period for both the coverage exclusion and preexisting condition limitation must not exceed 18 months.~~ A health carrier shall, at the time of first issuance or renewal of a health benefit plan on or after July 1, 1993, credit against any preexisting condition limitation or exclusion permitted under this section, the time period prior to July 1, 1993, during which an eligible employee or dependent was covered by qualifying existing coverage or ~~qualifying prior coverage~~, if the person has maintained continuous coverage.

Sec. 33. Minnesota Statutes 1993 Supplement, section 62L.03, subdivision 5, is amended to read:

Subd. 5. [CANCELLATIONS AND FAILURES TO RENEW.] (a) No health carrier shall cancel, decline to issue, or fail to renew a health benefit plan as a result of the claim experience or health status of the persons covered or to be covered by the health benefit plan. A health carrier may cancel or fail to renew a health benefit plan:

(1) for nonpayment of the required premium;

(2) for fraud or misrepresentation by the small employer, or, with respect to coverage of an individual eligible employee or dependent, fraud or misrepresentation by the eligible employee or dependent, with respect to eligibility for coverage or any other material fact;

(3) if eligible employee participation during the preceding calendar year declines to less than 75 percent, subject to the waiver of coverage provision in subdivision 3;

(4) if the employer fails to comply with the minimum contribution percentage legally required by the health carrier under subdivision 3;

(5) if the health carrier ceases to do business in the small employer market under section 62L.09; or

(6) if a failure to renew is based upon the health carrier's decision to discontinue the health benefit plan form previously issued to the small employer, but only if the health carrier permits each small employer covered under the prior form to switch to its choice of any other health benefit plan offered by the health carrier, without any underwriting restrictions that would not have been permitted for renewal purposes; or

(7) for any other reasons or grounds expressly permitted by the respective licensing laws and regulations governing a health carrier, including, but not limited to, service area restrictions imposed on health maintenance organizations under section 62D.03, subdivision 4, paragraph (m), to the extent that these grounds are not expressly inconsistent with this chapter.

(b) A health carrier need not renew a health benefit plan, and shall not renew a small employer plan, if an employer ceases to qualify as a small employer as defined in section 62L.02. If a health benefit plan, other than a small employer plan, provides terms of renewal that do not exclude an employer that is no longer a small employer, the health benefit plan may be renewed according to its own terms. If a health carrier issues or renews a health plan to an employer that is no longer a small employer, without interruption of coverage, the health plan is subject to section 60A.082.

Sec. 34. Minnesota Statutes 1993 Supplement, section 62L.04, subdivision 1, is amended to read:

Subdivision 1. [APPLICABILITY OF CHAPTER REQUIREMENTS.] (a) Beginning July 1, 1993, health carriers participating in the small employer market must offer and make available on a guaranteed issue basis any health benefit plan that they offer, including both of the small employer plans provided in section 62L.05, to all small employers who that satisfy the small employer participation and contribution requirements specified in this chapter. Compliance with these requirements is required as of the first renewal date of any small employer group occurring after July 1, 1993. For new small employer business, compliance is required as of the first date of offering occurring after July 1, 1993.

(b) Compliance with these requirements is required as of the first renewal date occurring after July 1, 1994, with respect to employees of a small employer who had been issued individual coverage prior to July 1, 1993, administered by the health carrier on a group basis. Notwithstanding any other law to the contrary, the health carrier shall offer to terminate any individual coverage for employees of small employers who satisfy the small employer participation and contribution requirements specified in section 62L.03 and offer to replace it with a health benefit plan. If the employer elects not to purchase a health benefit plan, the health carrier must offer all covered employees and dependents the option of maintaining their current coverage, administered on an individual basis, or replacement individual coverage. Small employer and replacement individual coverage provided under this subdivision must be without application of underwriting restrictions, provided continuous coverage is maintained.

(c) With respect to small employers having no fewer than 30 nor more than 49 current employees, all dates in this subdivision become July 1, 1995, and any reference to "after" a date becomes "on or after" July 1, 1995.

Sec. 35. Minnesota Statutes 1992, section 62L.05, subdivision 1, is amended to read:

Subdivision 1. [TWO SMALL EMPLOYER PLANS.] Each health carrier in the small employer market must make available, on a guaranteed issue basis, to any small employer that satisfies the contribution and participation requirements of section 62L.03, subdivision 3, both of the small employer plans described in subdivisions 2 and 3. Under subdivisions 2 and 3, coinsurance and deductibles do not apply to child health supervision services and prenatal services, as defined by section 62A.047. The maximum out-of-pocket costs for covered services must be \$3,000 per individual and \$6,000 per family per year. The maximum lifetime benefit must be \$500,000. ~~The out-of-pocket cost limits and the deductible amounts provided in subdivision 2 must be adjusted on July 1 every two years, based upon changes in the consumer price index, as of the end of the previous calendar year, as determined by the commissioner of commerce. Adjustments must be in increments of \$50 and must not be made unless at least that amount of adjustment is required.~~

Sec. 36. Minnesota Statutes 1992, section 62L.05, subdivision 5, is amended to read:

Subd. 5. [PLAN VARIATIONS.] (a) No health carrier shall offer to a small employer a health benefit plan that differs from the two small employer plans described in subdivisions 1 to 4, unless the health benefit plan complies with all provisions of chapters 62A, 62C, 62D, 62E, 62H, 62N, and 64B that otherwise apply to the health carrier, except as expressly permitted by paragraph (b).

(b) As an exception to paragraph (a), a health benefit plan is deemed to be a small employer plan and to be in compliance with paragraph (a) if it differs from one of the two small employer plans described in subdivisions 1 to 4 only by providing benefits in addition to those described in subdivision 4, provided that the health ~~care~~ benefit plan has an actuarial value that exceeds the actuarial value of the benefits described in subdivision 4 by no more than two percent. "Benefits in addition" means additional units of a benefit listed in subdivision 4 or one or more benefits not listed in subdivision 4.

Sec. 37. Minnesota Statutes 1992, section 62L.05, subdivision 8, is amended to read:

Subd. 8. [CONTINUATION COVERAGE.] Small employer plans must include the continuation of coverage provisions required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Public Law Number 99-272, as amended ~~through December 31, 1991~~, and by state law.

Sec. 38. Minnesota Statutes 1992, section 62L.08, subdivision 2, is amended to read:

Subd. 2. [GENERAL PREMIUM VARIATIONS.] Beginning July 1, 1993, each health carrier must offer premium rates to small employers that are no more than 25 percent above and no more than 25 percent below the index rate charged to small employers for the same or similar coverage, adjusted pro rata for rating periods of less than one year. The premium variations permitted by this subdivision must be based only on health status, claims experience, industry of the employer, and duration of coverage from the date of issue. For purposes of this subdivision, health status includes refraining from tobacco use or other actuarially valid lifestyle factors associated with good health, provided that the lifestyle factor and its effect upon premium rates have been determined to be actuarially valid and approved by the commissioner. Variations permitted under this subdivision must not be based upon age or applied differently at different ages. This subdivision does not prohibit use of a constant percentage adjustment for factors permitted to be used under this subdivision.

Sec. 39. Minnesota Statutes 1993 Supplement, section 62L.08, subdivision 4, is amended to read:

Subd. 4. [GEOGRAPHIC PREMIUM VARIATIONS.] A health carrier may request approval by the commissioner to establish no more than three geographic regions and to establish separate index rates for each region, provided that the index rates do not vary between any two regions by more than 20 percent. Health carriers that do not do business in the Minneapolis/St. Paul metropolitan area may request approval for no more than two geographic regions, and clauses (2) and (3) do not apply to approval of requests made by those health carriers. A health carrier may also request approval to establish one or more additional geographic region regions and a one or more separate index rate rates for premiums for employees working and residing outside of Minnesota, and that index rate must not be more than 30 percent higher than the next highest index rate. The commissioner may grant approval if the following conditions are met:

(1) the geographic regions must be applied uniformly by the health carrier;

(2) one geographic region must be based on the Minneapolis/St. Paul metropolitan area;

(3) if one geographic region is rural, the index rate for the rural region must not exceed the index rate for the Minneapolis/St. Paul metropolitan area;

(4) the health carrier provides actuarial justification acceptable to the commissioner for the proposed geographic variations in index rates, establishing that the variations are based upon differences in the cost to the health carrier of providing coverage.

Sec. 40. Minnesota Statutes 1992, section 62L.08, subdivision 5, is amended to read:

Subd. 5. [GENDER-BASED RATES PROHIBITED.] Beginning July 1, 1993, no health carrier may determine premium rates through a method that is in any way based upon the gender of eligible employees or dependents. Rates must not in any way reflect marital status or generalized differences in expected costs between employees and spouses.

Sec. 41. Minnesota Statutes 1992, section 62L.08, subdivision 6, is amended to read:

Subd. 6. [RATE CELLS PERMITTED.] Health carriers may use rate cells and must file with the commissioner the rate cells they use. Rate cells must be based on the number of adults and children covered under the policy and may reflect the availability of Medicare coverage. The rates for different rate cells must not in any way reflect marital status or differences in expected costs between employees and spouses.

Sec. 42. Minnesota Statutes 1992, section 62L.08, subdivision 7, is amended to read:

Subd. 7. [INDEX AND PREMIUM RATE DEVELOPMENT.] (a) In developing its index rates and premiums, a health carrier may take into account only the following factors:

(1) actuarially valid differences in benefit designs of health benefit plans;

(2) actuarially valid differences in the rating factors permitted in subdivisions 2 and 3;

(3) actuarially valid geographic variations if approved by the commissioner as provided in subdivision 4.

(b) All premium variations permitted under this section must be based upon actuarially valid differences in expected cost to the health carrier of providing coverage. The variation must be justified in initial rate filings and upon request of the commissioner in rate revision filings. All premium variations are subject to approval by the commissioner.

Sec. 43. Minnesota Statutes 1993 Supplement, section 62L.08, subdivision 8, is amended to read:

Subd. 8. [FILING REQUIREMENT.] No later than July 1, 1993, and each year thereafter, a health carrier that offers, sells, issues, or renews a health benefit plan for small employers shall file with the commissioner the index rates and must demonstrate that all rates shall be within the rating restrictions defined in this chapter. Such demonstration must include the allowable range of rates from the index rates and a description of how the health carrier intends to use demographic factors including case characteristics in calculating the premium rates. The rates shall not be approved, unless the commissioner has determined that the rates are reasonable. In determining reasonableness, the commissioner shall consider the growth rates applied under section 62J.04, subdivision 1, paragraph (b), to the calendar year or years that the proposed premium rate would be in effect, actuarially valid changes in risk associated with the enrollee population, and actuarially valid changes as a result of statutory changes in Laws 1992, chapter 549. For premium rates proposed to go into effect between July 1, 1993 and December 31, 1993, the pertinent growth rate is the growth rate applied under section 62J.04, subdivision 1, paragraph (b), to calendar year 1994. ~~As provided in section 62A.65, subdivision 3, this subdivision applies to the individual market, as well as to the small employer market.~~

Sec. 44. Minnesota Statutes 1992, section 62L.12, is amended to read:

62L.12 [PROHIBITED PRACTICES.]

Subdivision 1. [PROHIBITION ON ISSUANCE OF INDIVIDUAL POLICIES.] A health carrier operating in the small employer market shall not knowingly offer, issue, or renew an individual policy, ~~subscriber contract, or certificate health plan~~ to an eligible employee or dependent of a small employer that meets the minimum participation and contribution requirements ~~defined in~~ under section 62L.03, subdivision 3, except as authorized under subdivision 2.

Subd. 2. [EXCEPTIONS.] (a) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage under section 62D.104 as a result of leaving a health maintenance organization's service area.

(b) A health carrier may sell, issue, or renew individual conversion policies to eligible employees and dependents otherwise eligible for conversion coverage as a result of the expiration of any continuation of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101, and 62D.105.

(c) A health carrier may sell, issue, or renew conversion policies under section 62E.16 to eligible employees and dependents.

(d) A health carrier may sell, issue, or renew individual continuation policies to eligible employees and dependents as required.

(e) A health carrier may sell, issue, or renew individual coverage health plans if the coverage is appropriate due to an unexpired preexisting condition limitation or exclusion applicable to the person under the employer's group coverage health plan or due to the person's need for health care services not covered under the employer's group policy group health plan.

(f) A health carrier may sell, issue, or renew an individual policy, ~~with the prior consent of the commissioner,~~ health plan, if the individual has elected to buy the individual coverage health plan not as part of a general plan to substitute individual coverage health plans for a group coverage health plan nor as a result of any violation of subdivision 3 or 4.

(g) Nothing in this subdivision relieves a health carrier of any obligation to provide continuation or conversion coverage otherwise required under federal or state law.

(h) Nothing in this chapter restricts the offer, sale, issuance, or renewal of coverage issued as a supplement to Medicare under sections 62A.31 to 62A.44, or policies or contracts that supplement Medicare issued by health maintenance organizations, or those contracts governed by section 1833 or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et. seq., as amended.

(i) Nothing in this chapter restricts the offer, sale, issuance, or renewal of individual health plans necessary to comply with a court order.

Subd. 3. [AGENT'S LICENSURE.] An agent licensed under chapter ~~60A~~ 60K or section 62C.17 who knowingly and willfully breaks apart a small group for the purpose of selling individual policies health plans to eligible employees and dependents of a small employer that meets the participation and contribution requirements of section 62L.03, subdivision 3, is guilty of an unfair trade practice and subject to disciplinary action, including the revocation or suspension of license, under section ~~60A.17, subdivision 6,~~ 60K.11 or 62C.17. The action must be by order and subject to the notice, hearing, and appeal procedures specified in section ~~60A.17, subdivision 6d~~ 60K.11. The action of the commissioner is subject to judicial review as provided under chapter 14.

Subd. 4. [EMPLOYER PROHIBITION.] A small employer shall not encourage or direct an employee or applicant to:

(1) refrain from filing an application for health coverage when other similarly situated employees may file an application for health coverage;

(2) file an application for health coverage during initial eligibility for coverage, the acceptance of which is contingent on health status, when other similarly situated employees may apply for health coverage, the acceptance of which is not contingent on health status;

(3) seek coverage from another health carrier, including, but not limited to, MCHA; or

(4) cause coverage to be issued on different terms because of the health status or claims experience of that person or the person's dependents.

Subd. 5. [SALE OF OTHER PRODUCTS.] A health carrier shall not condition the offer, sale, issuance, or renewal of a health benefit plan on the purchase by a small employer of other insurance products offered by the health carrier or a subsidiary or affiliate of the health carrier, including, but not limited to, life, disability, property, and general liability insurance. This prohibition does not apply to insurance products offered as a supplement to a health maintenance organization plan, including, but not limited to, supplemental benefit plans under section 62D.05, subdivision 6.

Sec. 45. Minnesota Statutes 1992, section 62L.21, subdivision 2, is amended to read:

Subd. 2. [ADJUSTMENT OF PREMIUM RATES.] The board of directors shall establish operating rules to allocate adjustments to the reinsurance premium charge of no more than minus 25 percent of the monthly reinsurance premium for health carriers that can demonstrate administrative efficiencies and cost-effective handling of equivalent risks. The adjustment must be made ~~annually on a retrospective basis~~ monthly, unless the board provides for a different interval in its operating rules. The operating rules must establish objective and measurable criteria which must be met by a health carrier in order to be eligible for an adjustment. These criteria must include consideration of efficiency attributable to case management, but not consideration of such factors as provider discounts.

Sec. 4. [308B.01] [STATEMENT OF LEGISLATIVE PURPOSE AND INTENT.]

The legislature finds that the goals of containing health care costs, improving the quality of health care, and increasing the access of Minnesota citizens to health care services reflected under chapters 62J and 62N may be further enhanced through the promotion of health care cooperatives. The legislature further finds that locally based and

controlled efforts among health care providers, local businesses, units of local government, and health care consumers, can promote the attainment of the legislature's goals of health care reform, and takes notice of the long history of successful operations of cooperative organizations in this state. Therefore, in order to encourage cooperative efforts which are consistent with the goals of health care reform, including efforts among health care providers as sellers of health care services and efforts of consumers as buyers of health care services and health plan coverage, and to encourage the formation of and increase the competition among health plans in Minnesota, the legislature enacts the Minnesota health care cooperative act.

This chapter may be cited as the "Minnesota health care cooperative act."

295.582 [AUTHORITY.]

(a) A hospital, surgical center, pharmacy, or health care provider that is subject to a tax under section 295.52, or a pharmacy that has paid additional expense transferred under this section by a wholesale drug distributor, may transfer additional expense generated by section 295.52 obligations on to all third-party contracts for the purchase of health care services on behalf of a patient or consumer. The expense must not exceed two percent of the gross revenues received under the third-party contract, including plus two percent of copayments and deductibles paid by the individual patient or consumer. The expense must not be generated on revenues derived from payments that are excluded from the tax under section 295.53. All third-party purchasers of health care services including, but not limited to, third-party purchasers regulated under chapter 60A, 62A, 62C, 62D, 62H, 62N, 64B, or 62H, 65A, 65B, 79, or 79A, or under section 471.61 or 471.617, must pay the transferred expense in addition to any payments due under existing or future contracts with the hospital, surgical center, pharmacy, or health care provider, to the extent allowed under federal law. A third-party purchaser of health care services includes, but is not limited to, a health carrier, integrated service network, or community integrated service network that pays for health care services on behalf of patients or that reimburses, indemnifies, compensates, or otherwise insures patients for health care services. A wholesale drug distributor may transfer additional expense generated by section 295.52 obligations to entities that purchase from the wholesaler. Nothing in this subdivision section limits the ability of a hospital, surgical center, pharmacy, wholesale drug distributor, or health care provider to recover all or part of the section 295.52 obligation by other methods, including increasing fees or charges.

(b) Each third-party purchaser regulated under any chapter cited in paragraph (a) shall include with its annual renewal for certification of authority or licensure documentation indicating compliance with paragraph (a). If the commissioner responsible for regulating the third-party purchaser finds at any time that the third-party purchaser has not complied with paragraph (a) the commissioner may by order fine or censure the third-party purchaser or revoke or suspend the certificate of authority or license of the third-party purchaser to do business in this state. The third-party purchaser may appeal the commissioner's order through a contested case hearing in accordance with chapter 14.

Sec. 14. Laws 1992, chapter 549, article 9, section 22, is amended to read:

Sec. 22. [GROSS RECEIPTS TAX; EFFECTIVE DATE.]

Sections 1 and 16 to 21 are effective the day following final enactment. Section 4 is effective for taxable years beginning after December 31, 1992. Section 7, subdivision 1, is effective for gross revenues generated by services performed and goods sold after December 31, 1992. Section 7, subdivisions 2 to 4, are effective for gross revenues generated by services performed and goods sold after December 31, 1993. Section 8 is effective for hospitals and surgical centers for gross revenues generated by services performed and goods sold after December 31, 1992, except the exclusion under subdivision 1, clause (6) applies to payments for prescription drug purchases made after December 31, 1993. Section 8 is effective for health care providers for gross revenues generated by services performed and goods sold after December 31, 1993, except the exclusion under subdivision 1, clause (6) applies to payments for prescription drug purchases made after December 31, 1993. Sections 14 and 15 are effective July 1, 1992.

Sec. 15. [CLARIFICATION; STATEMENT OF INTENT.]

The amendment in section 14 corrects and clarifies an effective date in the 1992 legislation enacting the gross receipts tax on hospitals and health care providers. This legislation imposed a gross receipts tax on hospitals effective January 1, 1993 and on health care providers and wholesale drug distributors effective January 1, 1994. To avoid double taxation or pyramiding of the tax burden, hospitals and health care providers were allowed an exclusion for amounts paid to wholesale drug distributors for prescription drugs. These amounts would already be taxed to the wholesale drug distributors. The section creating this exclusion did not contain an effective date. As a result, under Minnesota Statutes, section 645.02, the law may permit hospitals to deduct these amounts for prescription drugs purchased during 1993, even though no tax was imposed on the wholesale drug distributor and no double taxation or pyramiding of the tax could occur. Section 14 corrects this by providing an explicit effective date that makes it clear that the exclusion applies only after the wholesale drug distributor tax goes into effect.

Sec. 16. [EFFECTIVE DATES.]

(a) Sections 5, 7, and 12 are effective the day following final enactment.

(b) Sections 1, 3, 8, and 9 and the section 13 amendment to section 295.582, creating paragraph (b), are effective July 1, 1994. The section 6 amendment to section 295.53, subdivision 1, creating clauses (16) to (18), is effective July 1, 1994.

(c) Section 4 is effective retroactively from January 1, 1994. Section 2 amending section 295.50, subdivision 3, and the section 6 amendment to section 295.53, subdivision 1, clause (6), are effective retroactively from January 1, 1994.

(d) The section 13 amendment to section 295.582, paragraph (a), is effective retroactively from January 1, 1993, except that it is effective for pharmacies and wholesale drug distributors July 1, 1994.

Subd. 2. [MUST NOT HAVE ACCESS TO EMPLOYER-SUBSIDIZED COVERAGE.] (a) To be eligible for subsidized premium payments based on a sliding scale, a family or individual must not have access to subsidized health coverage through an employer, and must not have had access to subsidized health coverage through an employer for the 18 months prior to application for subsidized coverage under the MinnesotaCare plan. The requirement that the family or individual must not have had access to employer-subsidized coverage during the previous 18 months does not apply if employer-subsidized coverage was lost for reasons that would not disqualify the individual for unemployment benefits under section 268.09 and the family or individual has not had access to employer-subsidized coverage since the layoff. If employer-subsidized coverage was lost for reasons that disqualify an individual for unemployment benefits under section 268.09, children of that individual are exempt from the requirement of no access to employer subsidized coverage for the 18 months prior to application, as long as the children have not had access to employer subsidized coverage since the disqualifying event.

(b) For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee, excluding dependent coverage, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans as qualified employer subsidies toward the cost of health coverage for employees for purposes of this subdivision."

Bergson and Goodno moved to amend S. F. No. 2192, as amended, as follows:

Page 129, after line 22, insert:

"Sec. 49. Minnesota Statutes 1993 Supplement, section 256B.0625, subdivision 13, is amended to read:

Subd. 13. [DRUGS.] (a) Medical assistance covers drugs, except for fertility drugs, if prescribed by a licensed practitioner and dispensed by a licensed pharmacist, or by a physician enrolled in the medical assistance program as a dispensing physician. The commissioner, after receiving recommendations from professional medical associations and professional pharmacist associations, shall designate a formulary committee to advise the commissioner on the names of drugs for which payment is made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of human services, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve three-year terms and shall serve without compensation. Members may be reappointed once.

(b) The commissioner shall establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary committee shall review and recommend drugs which require prior authorization. The formulary committee may recommend drugs for prior authorization directly to the commissioner, as long as opportunity for public input is provided. Prior authorization may be requested by the commissioner based on medical and clinical criteria before certain drugs are eligible for payment. Before a drug may be considered for prior authorization at the request of the commissioner:

(1) the drug formulary committee must develop criteria to be used for identifying drugs; the development of these criteria is not subject to the requirements of chapter 14, but the formulary committee shall provide opportunity for public input in developing criteria;

(2) the drug formulary committee must hold a public forum and receive public comment for an additional 15 days; and

(3) the commissioner must provide information to the formulary committee on the impact that placing the drug on prior authorization will have on the quality of patient care and information regarding whether the drug is subject to clinical abuse or misuse. Prior authorization may be required by the commissioner before certain formulary drugs are eligible for payment. The formulary shall not include:

(i) drugs or products for which there is no federal funding;

(ii) over-the-counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, products for the treatment of lice, vitamins for adults with documented vitamin deficiencies, and vitamins for children under the age of seven and pregnant or nursing women;

(iii) any other over-the-counter drug identified by the commissioner, in consultation with the drug formulary committee, as necessary, appropriate, and cost-effective for the treatment of certain specified chronic diseases, conditions or disorders, and this determination shall not be subject to the requirements of chapter 14;

(iv) anorectics; and

(v) drugs for which medical value has not been established.

The commissioner shall publish conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

(c) The basis for determining the amount of payment shall be the lower of the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner, the maximum allowable cost set by the federal government or by the commissioner plus the fixed dispensing fee or the usual and customary price charged to the public. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost of a drug shall be estimated by the commissioner, at average wholesale price minus 7.6 percent effective January 1, 1994. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third party payors in this state who have maximum allowable cost programs. Establishment of the amount of payment for drugs shall not be subject to the requirements of the administrative procedure act. An additional dispensing fee of \$.30 may be added to the dispensing fee paid to pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. The pharmacy provider will be required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse. Over-the-counter medications must be dispensed in the manufacturer's unopened package. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written - brand necessary" on the prescription as required by section 151.21, subdivision 2. Implementation of any change in the fixed dispensing fee that has not been subject to the administrative procedure act is limited to not more than 180 days, unless, during that time, the commissioner initiates rulemaking through the administrative procedure act.

(d) Until the date the on-line, real-time Medicaid Management Information System (MMIS) upgrade is successfully implemented, as determined by the commissioner of administration, a pharmacy provider may require individuals who seek to become eligible for medical assistance under a one-month spend-down, as provided in section 256B.056, subdivision 5, to pay for services to the extent of the spend-down amount at the time the services are provided. A pharmacy provider choosing this option shall file a medical assistance claim for the pharmacy services provided. If medical assistance reimbursement is received for this claim, the pharmacy provider shall return to the individual the total amount paid by the individual for the pharmacy services reimbursed by the medical assistance program. If the claim is not eligible for medical assistance reimbursement because of the provider's failure to comply with the provisions of the medical assistance program, the pharmacy provider shall refund to the individual the total amount paid by the individual. Pharmacy providers may choose this option only if they apply similar credit restrictions to private pay or privately insured individuals. A pharmacy provider choosing this option must inform individuals who

seek to become eligible for medical assistance under a one-month spend-down of (1) their right to appeal the denial of services on the grounds that they have satisfied the spend-down requirement, and (2) their potential eligibility for the health right program or the children's health plan."
