CONSIDERATION UNDER RULE 1.10

Pursuant to rule 1.10, Solberg requested immediate consideration of S. F. No. 2289.

S. F. No. 2289 was reported to the House.

Weaver moved to amend S. F. No. 2289 as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1992, section 116.07, subdivision 4d, is amended to read:

Subd. 4d. [PERMIT FEES.] (a) The agency may collect permit fees in amounts not greater than those necessary to cover the reasonable costs of reviewing and acting upon applications for agency permits and implementing and enforcing the conditions of the permits pursuant to agency rules. Permit fees shall not include the costs of litigation. The agency shall adopt rules under section 16A.128 establishing the amounts and methods of collection of any permit fees collected under this subdivision. The fee schedule must reflect reasonable and routine permitting, implementation, and enforcement costs. The agency may impose an additional enforcement fee to be collected for a period of up to two years to cover the reasonable costs of implementing and enforcing the conditions of a permit under the rules of the agency. Any money collected under this paragraph shall be deposited in the special revenue account.

(b) Notwithstanding paragraph (a), and section 16A.128, subdivision 1, the agency shall collect an annual fee from the owner or operator of all stationary sources, emission facilities, emissions units, air contaminant treatment facilities, treatment facilities, potential air contaminant storage facilities, or storage facilities subject to the requirement to obtain a permit under Title V of the federal Clean Air Act Amendments of 1990, Public Law Number 101-549, Statutes at Large, volume 104, pages 2399 et seq., or section 116.081. The annual fee shall be used to pay for all direct and indirect reasonable costs, including attorney general costs, required to develop and administer the permit program requirements of Title V of the federal Clean Air Act Amendments of 1990, Public Law Number 101-549, Statutes at Large, volume 104, pages 2399 et seq., and sections of this chapter and the rules adopted under this chapter related to air contamination and noise. Those costs include the reasonable costs of reviewing and acting upon an application for a permit; implementing and enforcing statutes, rules, and the terms and conditions of a permit; emissions, ambient, and deposition monitoring; preparing generally applicable regulations; responding to federal guidance; modeling, analyses, and demonstrations; preparing inventories and tracking emissions; providing information to the public about these activities; and, after June 30, 1992, the costs of acid deposition monitoring currently assessed under section 116C.69, subdivision 3.

(c) The agency shall adopt fee rules in accordance with the procedures in section 16A.128, subdivisions 1a and 2a, that will result in the collection, in the aggregate, from the sources listed in paragraph (b), of the following amounts:

(1) in fiscal years 1992 and 1993, the amount appropriated by the legislature from the air quality account in the environmental fund for the agency's air quality program;

(2) for fiscal year 1994 and thereafter, an amount not less than $25 per ton of each volatile organic compound; pollutant regulated under United States Code, title 42, section 7411 or 7412 (section 111 or 112 of the federal Clean Air Act); and each pollutant, except carbon monoxide, for which a national primary ambient air quality standard has been promulgated; and

(3) for fiscal year 1994 and thereafter, the agency fee rules may also result in the collection, in the aggregate, from the sources listed in paragraph (b), of an amount not less than $25 per ton of each pollutant not listed in clause (2) that is regulated under Minnesota Rules, chapter 7005, or for which a state primary ambient air quality standard has been adopted.

The agency must not include in the calculation of the aggregate amount to be collected under the fee rules any amount in excess of 4,000 tons per year of each air pollutant from a source.

(d) To cover the reasonable costs described in paragraph (b), the agency shall provide in the rules promulgated under paragraph (c) for an increase in the fee collected in each year beginning after fiscal year 1993 by the percentage, if any, by which the Consumer Price Index for the most recent calendar year ending before the beginning of the year the fee is collected exceeds the Consumer Price Index for the calendar year 1989. For purposes of this paragraph the Consumer Price Index for any calendar year is the average of the Consumer Price Index for all-urban consumers published by the United States Department of Labor, as of the close of the 12-month period ending on August 31 of each calendar year. The revision of the Consumer Price Index that is most consistent with the Consumer Price Index for calendar year 1989 shall be used.

(e) Any money collected under paragraphs (b) to (d) must be deposited in an air quality account in the environmental fund and must be used solely for the activities listed in paragraph (b).

(f) Persons who wish to construct or expand an air emission facility may offer to reimburse the agency for the costs of staff overtime or consultant services needed to expedite permit review. The reimbursement shall be in addition to fees imposed by paragraphs (a) to (d). When the agency determines that it needs additional resources to review the permit application in an expedited manner, and that expediting the review would not disrupt air permitting program priorities, the agency may accept the reimbursement. Reimbursements accepted by the agency are appropriated to the agency for the purpose of reviewing the permit application. Reimbursement by a permit applicant shall precede and not be contingent upon issuance of a permit and shall not affect the agency's decision on whether to issue or deny a permit, what conditions are included in a permit, or the application of state and federal statutes and rules governing permit determinations.

Sec. 2. [REPORT.]

By June 1, 1995, the commissioner of the pollution control agency shall submit to the chairs of the environment and natural resources policy and finance committees of the house of representatives and the senate a report detailing the agency's experience under section 1, paragraph (f), including:

(1) the number of requests for expedited permit review;

(2) the number of staff hours used for each expedited review;

(3) the amount of reimbursements received by the agency from each person who requested expedited review;

(4) an indication of whether expedited review results in a sufficiently thorough examination of all aspects of a project or operation; and

(5) an analysis of the effect of expedited review on routine review of permit requests for other businesses or individuals."

Subd. 5a. [TRAFFIC CONTROL SIGNALS; OVERRIDE SYSTEM.] All electronic traffic control signals installed by a road authority on and after January 1, 1995, must be prewired to facilitate a later addition of a system that allows the operator of an authorized emergency vehicle to activate a green traffic signal for the vehicle.

Sec. 3. [169.745] [MILEAGE RECORDING EQUIPMENT REQUIRED.]

(b) The automatic mileage recorder must:

(1) accurately record all miles traveled by the vehicle;

(2) display the mileage traveled within the vehicle in a manner easily read by the driver of the vehicle; and

(3) be capable of being read by sensors that are maintained by the commissioner of transportation.

This section does not apply to a motor vehicle sold in Minnesota and permanently removed from the state within ten days of the sale.

Sec. 4. [COMMISSIONER OF TRANSPORTATION; STUDY; REPORT.]

Subdivision 1. [HIGHWAY USER REVENUE SYSTEM STUDY.] The commissioner of transportation shall conduct a study of the desirability and feasibility of replacing, by January 1, 2001, the present highway user taxes on motor fuel and motor vehicle licenses with a highway user revenue system based on a charge on each vehicle based on the number of miles traveled by that vehicle in each year, as recorded by the automatic mileage recorder required in section 1. The study must include:

(1) an analysis of the possible benefits of such a system, including ease of collection, tax fairness, reduction of tax evasion, and effects on vehicles powered by alternative fuels;

(2) an analysis of the possible costs of such a system, including costs of installing and maintaining a mileage monitoring system, cost of collection compared to costs of collection for existing highway user taxes, and costs to the various classes of vehicles;

(3) an analysis of the feasibility of extending this revenue-collection system to nonresident vehicles;

(4) an evaluation of the state of technology for on-vehicle automated mileage recorders and mileage-recorder sensors, and the probable state of that technology on January 1, 2000;

(5) an analysis of the impact on commercial vehicle users, including those operating in interstate commerce;

(6) an analysis of such a system from the standpoint of the motorist, including a discussion of ease of payment, freedom of travel, tax fairness, and issues of privacy and data confidentiality;

(8) a recommendation as to (i) whether the requirement contained in section 2 should be allowed to go into effect on January 1, 2000, and (ii) whether legislation should be enacted to replace the existing highway user tax system with one based on recorded mileage.

If the report recommends that legislation described in clause (8), item (ii), should be enacted, the report must contain draft legislation to accomplish this purpose.

The commissioner shall submit to the governor and legislature a preliminary report covering the above subjects not later than January 15, 1996, and a final report not later than January 15, 1998.

297B.09 [ALLOCATION OF REVENUE.]

Subdivision 1. [GENERAL FUND SHARE.] (a) Money collected and received under this chapter must be deposited in the state treasury and credited ~~to the general fund. The amounts collected and received shall be credited as provided in this subdivision, and transferred from the general fund on July 15 and February 15 of each fiscal year. The commissioner of finance must make each transfer based upon the actual receipts of the preceding six calendar months and include the interest earned during that six-month period. The commissioner of finance may establish a quarterly or other schedule providing for more frequent payments to the transit assistance fund if the commissioner determines it is necessary or desirable to provide for the cash flow needs of the recipients of money from the transit assistance fund.~~

~~(b) Twenty-five percent of the money collected and received under this chapter after June 30, 1990, and before July 1, 1991, must be transferred to the highway user tax distribution fund and the transit assistance fund for apportionment as follows: 75 percent must be transferred to the highway user tax distribution fund for apportionment in the same manner and for the same purposes as other money in that fund, and the remaining 25 percent of the money must be transferred to the transit assistance fund to be appropriated to the commissioner of transportation for transit assistance within the state and to the regional transit board.~~

~~(c) The distributions under this subdivision to the highway user tax distribution fund until June 30, 1991, and to the trunk highway fund thereafter, must be reduced by the amount necessary to fund the appropriation under section 41A.09, subdivision 1. For the fiscal years ending June 30, 1988, and June 30, 1989, the commissioner of finance, before making the transfers required on July 15 and January 15 of each year, shall estimate the amount required to fund the appropriation under section 41A.09, subdivision 1, for the six-month period for which the transfer is being made. The commissioner shall then reduce the amount transferred to the highway user tax distribution fund by the amount of that estimate. The commissioner shall reduce the estimate for any six-month period by the amount by which the estimate for the previous six-month period exceeded the amount needed to fund the appropriation under section 41A.09, subdivision 1, for that previous six-month period. If at any time during a six-month period in those fiscal years the amount of reduction in the transfer to the highway user tax distribution fund is insufficient to fund the appropriation under section 41A.09, subdivision 1 for that period, the commissioner shall transfer to the general fund from the highway user tax distribution fund an additional amount sufficient to fund the appropriation for that period, but the additional amount so transferred to the general fund in a six-month period may not exceed the amount transferred to the highway user tax distribution fund for that six-month period.~~ as follows:

(a) In fiscal years 1997 and 1998, 75 percent to the general fund, 18.75 percent to the highway user tax distribution fund, and 6.25 percent to the transit assistance fund.

(b) In fiscal years 1999 and 2000, 50 percent to the general fund, 37.5 percent to the highway user tax distribution fund, and 12.5 percent to the transit assistance fund.

(c) In fiscal years 2001 and 2002, 25 percent to the general fund, 56.25 percent to the highway user tax distribution fund, and 18.75 percent to the transit assistance fund.

[DISCLOSURE OF WELLS TO BUYER.] (a) Before signing an agreement to sell or transfer real property, the seller must disclose in writing to the buyer information about the status and location of all known wells on the property, by delivering to the buyer either a statement by the seller that the seller does not know of any wells on the property, or a disclosure statement indicating the legal description and county, and a map drawn from available information showing the location of each well to the extent practicable. In the disclosure statement, the seller must indicate, for each well, whether the well is in use, not in use, or sealed.

(b) At the time of closing of the sale, the disclosure statement information, name and mailing address of the buyer, and the quartile, section, township, and range in which each well is located must be provided on a well disclosure certificate signed by the seller or a person authorized to act on behalf of the seller.

(c) A well disclosure certificate need not be provided if the seller does not know of any wells on the property and the deed or other instrument of conveyance contains the statement: "The Seller certifies that the Seller does not know of any wells on the described real property."

(d) If a deed is given pursuant to a contract for deed, the well disclosure certificate required by this subdivision shall be signed by the buyer or a person authorized to act on behalf of the buyer. If the buyer knows of no wells on the property, a well disclosure certificate is not required if the following statement appears on the deed followed by the signature of the grantee or, if there is more than one grantee, the signature of at least one of the grantees: "The Grantee certifies that the Grantee does not know of any wells on the described real property." The statement and signature of the grantee may be on the front or back of the deed or on an attached sheet and an acknowledgment of the statement by the grantee is not required for the deed to be recordable.

(e) This subdivision does not apply to the sale, exchange, or transfer of real property:

(1) that consists solely of a sale or transfer of severed mineral interests; or

(2) that consists of an individual condominium unit as described in chapters 515 and 515A.

(f) For an area owned in common under chapter 515 or 515A the association or other responsible person must report to the commissioner by July 1, 1992, the location and status of all wells in the common area. The association or other responsible person must notify the commissioner within 30 days of any change in the reported status of wells.

(g) For real property sold by the state under section 92.67, the lessee at the time of the sale is responsible for compliance with this subdivision.

(h) If the seller fails to provide a required well disclosure certificate, the buyer, or a person authorized to act on behalf of the buyer, may sign a well disclosure certificate based on the information provided on the disclosure statement required by this section or based on other available information.

(i) A county recorder or registrar of titles may not record a deed or other instrument of conveyance dated after October 31, 1990, for which a certificate of value is required under section 272.115, or any deed or other instrument of conveyance dated after October 31, 1990, from a governmental body exempt from the payment of state deed tax, unless the deed or other instrument of conveyance contains the statement made in accordance with paragraph (c) or (d) or is accompanied by the well disclosure certificate containing all the information required by paragraph (b) or (d). The county recorder or registrar of titles must not accept a certificate unless it contains all the required information. The county recorder or registrar of titles shall note on each deed or other instrument of conveyance accompanied by a well disclosure certificate that the well disclosure certificate was received. The notation must include the statement "No wells on property" if the disclosure certificate states there are no wells on the property. The well disclosure certificate shall not be filed or recorded in the records maintained by the county recorder or registrar of titles. After noting "No wells on property" on the deed or other instrument of conveyance, the county recorder or registrar of titles shall destroy or return to the buyer the well disclosure certificate. The county recorder or registrar of titles shall collect from the buyer or the person seeking to record a deed or other instrument of conveyance, a fee of ~~$10~~ $20 for receipt of a completed well disclosure certificate. By the tenth day of each month, the county recorder or registrar of titles shall transmit the well disclosure certificates to the commissioner of health. By the tenth day after the end of each calendar quarter, the county recorder or registrar of titles shall transmit to the commissioner of health ~~$7.50~~ $17.50 of the fee for each well disclosure certificate received during the quarter. The commissioner shall maintain the well disclosure certificate for at least six years. The commissioner may store the certificate as an electronic image. A copy of that image shall be as valid as the original.

(j) No new well disclosure certificate is required under this subdivision if the buyer or seller, or a person authorized to act on behalf of the buyer or seller, certifies on the deed or other instrument of conveyance that the status and number of wells on the property have not changed since the last previously filed well disclosure certificate. The following statement, if followed by the signature of the person making the statement, is sufficient to comply with the certification requirement of this paragraph: "I am familiar with the property described in this instrument and I certify that the status and number of wells on the described real property have not changed since the last previously filed well disclosure certificate." The certification and signature may be on the front or back of the deed or on an attached sheet and an acknowledgment of the statement is not required for the deed or other instrument of conveyance to be recordable.

(k) The commissioner in consultation with county recorders shall prescribe the form for a well disclosure certificate and provide well disclosure certificate forms to county recorders and registrars of titles and other interested persons.

(l) Failure to comply with a requirement of this subdivision does not impair:

(1) the validity of a deed or other instrument of conveyance as between the parties to the deed or instrument or as to any other person who otherwise would be bound by the deed or instrument; or

(2) the record, as notice, of any deed or other instrument of conveyance accepted for filing or recording contrary to the provisions of this subdivision.

The proceeds of the bonds, except accrued interest and any premium received on the sale of the bonds, must be credited to a bond proceeds account in the state transportation fund.

Sec. 35. [16A.115] [RELOCATION REQUESTS.]

An agency request for an appropriation to fund relocation of all or part of the agency must include a statement of the cost per square foot of space currently occupied by the affected part of the agency, and the anticipated cost per square foot of the space the affected part of the agency will occupy after the proposed relocation.

Sec. 36. [16A.501] [REPORT ON MATCHING MONEY.]

The commissioner of finance must report annually to the legislature on the degree to which entities receiving appropriations of bond proceeds contingent upon obtaining matching money have been successful in raising that money. The report must be submitted to the chairs of the house ways and means committee and the senate finance committee by February 1 of each year.

Sec. 37. [16A.642] [CANCELLATION OF BOND AUTHORIZATIONS BY COMMISSIONER OF FINANCE.]

If the commissioner determines that the purposes for which general obligation bonds of the state have been issued are accomplished or abandoned, after consultation with the affected agencies, and there is a remaining authorization for a specific project of $100 or less, the commissioner may cancel the remaining authorization for that project. The commissioner must notify the chairs of the senate finance committee and the house capital investment committee of any bond authorizations canceled under this section.

Sec. 38. [16A.695] [PROPERTY PURCHASED WITH STATE BOND PROCEEDS.]

Subdivision 1. [DEFINITIONS.] (a) The definitions in this subdivision apply to this section.

(b) "State bond financed property" means property acquired or bettered in whole or in part with the proceeds of state general obligation bonds authorized to be issued under article XI, section 5, clause (a), of the Minnesota Constitution.

(c) "Public officer or agency" means a state officer or agency, the University of Minnesota, the Minnesota historical society, and any county, home rule charter or statutory city, school district, special purpose district, or other public entity, or any officer or employee thereof.

(d) "Fair market value" means, with respect to the sale of state bond financed property, the price that would be paid by a willing and qualified buyer to a willing and qualified seller as determined by an appraisal of the property, or the price bid by a purchaser under a public bid procedure after reasonable public notice.

Subd. 2. [LEASES AND MANAGEMENT CONTRACTS.] (a) A public officer or agency that is authorized by law to lease or enter into a management contract with respect to state bond financed property shall comply with this subdivision.

(b) The lease or management contract may be entered into for the express purpose of carrying out a governmental program established or authorized by law and established by official action of the contracting public officer or agency, in accordance with orders of the commissioner intended to ensure the legality and tax-exempt status of bonds issued to finance the property, and with the approval of the commissioner. A lease or management contract, including any renewals that are solely at the option of the lessee, must be for a term substantially less than the useful life of the property, but may allow renewal beyond that term upon a determination by the lessor that the use continues to carry out the governmental program. A lease or management contract must be terminable by the contracting public officer or agency if the other contracting party defaults under the contract or if the governmental program is terminated or changed, and must provide for program oversight by the contracting public officer or agency. Money received by the public officer or agency under the lease or management contract that is not needed to pay and not authorized to be used to pay operating costs of the property must be paid to the commissioner in the same proportion as the state bond financing is to the total public financing for the property, deposited in the state bond fund, and used to pay or redeem or defease bonds issued to finance the property in accordance with the commissioner's order authorizing their issuance; the money paid to the commissioner is appropriated for this purpose.

(c) With the approval of the commissioner, a lease or management contract between a city and a nonprofit corporation under section 471.191, subdivision 1, need not require the lessee to pay rentals sufficient to pay the principal, interest, redemption premiums, and other expenses when due with respect to state bonds issued to acquire and better the facilities.

Subd. 3. [SALE OF PROPERTY.] A public officer or agency shall not sell any state bond financed property unless the public officer or agency determines by official action that the property is no longer usable or needed by the public officer or agency to carry out the governmental program for which it was acquired or constructed, the sale is made as authorized by law, the sale is made for fair market value, and the sale is approved by the commissioner. If any state bonds issued to purchase the state bond financed property that is sold remain outstanding on the date of sale, the net proceeds of sale must be applied as follows:

(1) if the state bond financed property was acquired and bettered solely with state bond proceeds, an amount equal to the principal amount of the outstanding state bonds must be paid to the commissioner, deposited in the state bond fund, and used to pay or redeem or defease the outstanding bonds in accordance with the commissioner's order authorizing their issuance, and the proceeds are appropriated for this purpose;

(2) if the state bond financed property was acquired or bettered partly with state bond proceeds and partly with other money, the net proceeds of sale must first be used to pay or redeem or defease the state bonds as provided in clause (1), and any excess over the amount needed for that purpose must be divided in proportion to the shares contributed to its acquisition or betterment and paid to the interested public and private entities, and the proceeds are appropriated for this purpose.

Subd. 4. [RELATION TO OTHER LAWS.] This section applies to all state bond financed property unless otherwise provided by law.

Sec. 39. Minnesota Statutes 1992, section 16A.85, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] The commissioner of administration may determine, in conjunction with the commissioner of finance, the personal property needs of the various state departments, agencies, boards, ~~and~~ commissions and the legislature of the kinds of property identified in this subdivision that may be economically funded through a master lease program and request the commissioner of finance to execute a master lease. The master lease may be used only to finance the following kinds of purchases:

(a) The master lease may be used to finance purchases by the commissioner of administration with money from an internal services fund.

(b) The master lease may be used to refinance a purchase of equipment already purchased under a lease-purchase agreement.

(c) The master lease may be used to finance purchases of large equipment with a capital value of more than $100,000 and a useful life of more than ten years.

(d) The legislature may specifically authorize a particular purchase to be financed using the master lease. The legislature anticipates that this authorization will be given only to finance the purchase of major pieces of equipment with a capital value of more than $10,000.

(e) The legislature may finance the purchase of computer and telecommunications equipment for official business of legislators and legislative staff using the master lease.

The commissioner of finance may authorize the sale and issuance of certificates of participation relative to a master lease in an amount sufficient to fund these personal property needs. The term of the certificates must be less than the expected useful life of the equipment whose purchase is financed by the certificates. The commissioner of administration may use the proceeds from the master lease or the sale of the certificates of participation to acquire the personal property through the appropriate procurement procedure in chapter 16B. Money appropriated for the lease or acquisition of this personal property is appropriated to the commissioner of finance to make master lease payments.

Sec. 40. [16B.331] [PLANNING FOR NEW BUILDINGS.]

No state agency may develop plans for a new state building in the capitol area, as defined in section 15.50, subdivision 2, unless a law specifically grants planning authority for that building.

Sec. 41. Minnesota Statutes 1993 Supplement, section 16B.335, is amended by adding a subdivision to read:

Subd. 3. [PREDESIGN REQUIREMENT.] An agency to whom an appropriation is made for a construction or major remodeling project subject to review or notice under this section, shall prepare a predesign package and submit it to the commissioner of administration for review and approval, and to the chairs of the house capital investment committee and the senate finance committee for review and recommendation. The predesign package shall include evidence of architectural or engineering programming, cost planning, scheduling, impact on operating costs, and similar components as defined by the department of administration and must be submitted and approved before proceeding with design activities.

The predesign package must include a preliminary plan and a cost benefit analysis of how the agency will use information technology to reduce the need for office space, enable it to provide more of its services electronically, and enable greater decentralization of operations. The information policy office must approve the information technology portion of the predesign package before an agency may proceed with design activities.

Sec. 42. Minnesota Statutes 1993 Supplement, section 16B.335, is amended by adding a subdivision to read:

Subd. 4. [INFORMATION TECHNOLOGY.] Agency requests for construction and remodeling funds shall include money for cost-effective information technology investments that would enable an agency to reduce its need for office space, provide more of its services electronically, and decentralize its operations. The information policy office must review and approve the information technology portion of construction and major remodeling program plans before the plans are submitted to the chairs of the senate finance committee and the house ways and means committee for their recommendations as required by subdivision 1.

Sec. 43. Minnesota Statutes 1992, section 85.015, subdivision 4, is amended to read:

Subd. 4. [DOUGLAS TRAIL, OLMSTED, WABASHA, AND GOODHUE COUNTIES.] (a) The trail shall originate at Rochester in Olmsted county and shall follow the route of the Chicago Great Western Railroad to Pine Island in Goodhue county and there terminate.

(b) Additional trails may be established that extend the Douglas Trail System to include Pine Island, Mazeppa in Wabasha county to Zumbrota, Goodhue, and Red Wing in Goodhue county. In addition to the criteria in section 86A.05, subdivision 4, these trails must utilize abandoned railroad rights-of-way where possible.

(c) The trail shall be developed primarily for riding and hiking.

~~(c)~~ (d) Under no circumstances shall the commissioner acquire any of the right-of-way of the Chicago Great Western Railroad until the abandonment of the line of railway described in this subdivision has been approved by the Interstate Commerce Commission.

Sec. 44. [124C.498] [METROPOLITAN MAGNET SCHOOL GRANTS.]

Subdivision 1. [POLICY AND PURPOSE.] A metropolitan magnet school grant program is established for the purpose of ensuring equal educational opportunities for all school age children residing in the seven-county metropolitan area, regardless of race or socioeconomic status. The program is intended to promote integrated education for students in prekindergarten through grade 12, increase mutual understanding among all students, and address the inability of local school districts to provide required construction funds through local property taxes. The program seeks to encourage school districts located in whole or in part within the seven-county metropolitan area to make available to school age children residing in the metropolitan area those educational programs, services, and facilities that are essential to meeting all children's needs and abilities. The program anticipates using the credit of the state, to a limited degree, to provide grants to metropolitan area school districts to improve the educational opportunities and academic achievement of disadvantaged children and the facilities that are available to those children.

Subd. 2. [APPROVAL AUTHORITY; PROJECT APPLICATIONS.] To the extent money is available, the commissioner of education, in consultation with a voluntary interdistrict coordinating council, if established, may approve projects from applications submitted under this section. The grant money must be used only to acquire, construct, remodel, or improve the building or site of a magnet school facility according to contracts entered into within 15 months after the date on which a grant is awarded.

Subd. 3. [GRANT APPLICATION PROCESS.] (a) Any group of school districts that meets the criteria required under paragraph (b) may apply for a magnet school grant in an amount not to exceed the lesser of $10,000,000 or 75 percent of the approved construction costs of a magnet school facility.

(b) Any group of districts that submits an application for a grant shall submit a proposal to the commissioner for review and comment under section 121.15, and the commissioner shall prepare a review and comment on the proposed magnet school facility, regardless of the amount of the capital expenditure required to acquire, construct, remodel, or improve the facility. The commissioner must not approve an application for a magnet school grant for any facility unless the facility receives a favorable review and comment under section 121.15 and the participating districts:

(1) establish a joint powers board under section 471.59 to represent all participating districts and govern the magnet school facility;

(2) design the planned magnet school facility to meet the applicable requirements contained in Minnesota Rules, chapter 3535;

(3) submit a statement of need, including reasons why the magnet school will facilitate desegregation/integration and improve learning;

(4) prepare an educational plan, that includes input from both community and professional staff; and

(5) develop an education program that will improve learning opportunities for students attending the magnet school.

(c) The districts may develop a plan that permits social service, health, and other programs serving students and community residents to be located within the magnet school facility. The commissioner shall consider this plan when preparing a review and comment on the proposed facility.

(d) When two or more districts enter into an agreement establishing a joint powers board to govern the magnet school facility, all member districts shall have the same powers.

(e) A joint powers board of participating school districts established under paragraphs (b) and (d) that intends to apply for a grant shall adopt a resolution stating the costs of the proposed project, the purpose for which the debt is to be incurred, and an estimate of the dates when the contracts for the proposed project will be completed. A copy of the resolution must accompany any application for a state grant under this section.

(f) The commissioner, in consultation with a voluntary interdistrict coordinating council, if established, shall examine and consider all grant applications. If the commissioner finds that any joint powers district is not a qualified grant applicant, the commissioner shall promptly notify that joint powers board. The commissioner shall make awards to no more than two qualified applicants whose applications have been on file with the commissioner more than 30 days.

(g) A grant award is subject to verification by the joint powers board under paragraph (h). A grant award must not be made until the participating districts determine the site of the magnet school facility. If the total amount of the approved applications exceeds the amount of grant funding that is or can be made available, the commissioner shall allot the available amount equally between the approved applicant districts. The commissioner shall promptly certify to each qualified joint powers board the amount, if any, of the grant awarded to it.

(h) Each grant must be evidenced by a contract between the joint powers board and the state acting through the commissioner. The contract obligates the state to pay to the joint powers board an amount computed according to paragraph (g) and a schedule, and terms and conditions acceptable to the commissioner of finance.

Sec. 45. [134.45] [LIBRARY ACCESSIBILITY GRANTS.]

Subdivision 1. [APPLICATION; DEFINITION.] Public library jurisdictions may apply to the commissioner of education for grants to improve accessibility to their library facilities. For the purposes of this section, "public library jurisdictions" means regional public library systems, regional library districts, cities, and counties operating libraries under chapter 134.

Subd. 2. [APPROVAL BY COMMISSIONER.] The commissioner of education, in consultation with the state council on disability, may approve or disapprove applications under this section. The grant money must be used only to remove architectural barriers from a building or site.

Subd. 3. [APPLICATION FORMS.] The commissioner of education shall prepare application forms and establish application dates.

Subd. 4. [MATCH.] A public library jurisdiction applying for a grant under this section must match the grant with local funds.

Subd. 5. [QUALIFICATION.] A public library jurisdiction may apply for a grant in an amount up to 50 percent of the approved costs of removing architectural barriers from a building or site.

Subd. 6. [AWARD OF GRANTS.] The commissioner, in consultation with the state council on disability, shall examine and consider all applications for grants. If a public library jurisdiction is found not qualified, the commissioner shall promptly notify it. The commissioner shall prioritize grants on the following bases: the public library jurisdiction's tax burden, the long-term feasibility of the project, the suitability of the project, and the need for the project. If the total amount of the applications exceeds the amount that is or can be made available, the commissioner shall award grants according to the commissioner's judgment and discretion and based upon a ranking of the projects according to the factors listed in this subdivision. The commissioner shall promptly certify to each public library jurisdiction the amount, if any, of the grant awarded to it.

Subd. 7. [PROJECT BUDGET.] A public library jurisdiction that receives a grant must provide the commissioner with the project budget and any other information the commissioner requests.

Sec. 46. [135A.045] [POST-SECONDARY SYSTEMS]

Each post-secondary governing board shall report on any petroleum tank release cleanup account reimbursements as part of each biennial budget request. The board shall specify its costs in relation to any tank removal, replacement, and cleanup and shall identify all petroleum tank release cleanup account reimbursements it received or assigned and the specific activity for which the reimbursement or assignment was made. The board must place all reimbursements it receives into its capital repair and betterment account.

Sec. 47. [135A.046] [HIGHER EDUCATION ASSET PRESERVATION AND RENEWAL.]

Subdivision 1. [PURPOSE.] The legislature recognizes that post-secondary governing boards operate campus physical plants that in number, size, and programmatic use differ significantly from the physical plants operated by state departments and agencies. However, the legislature recognizes the need for standards to aid in categorizing and funding capital projects. The purpose of this section is to provide standards for those higher education projects that are intended to preserve and replace existing campus facilities.

Subd. 2. [STANDARDS.] Capital budget expenditures for Higher Education Asset Preservation and Renewal (HEAPR) projects must be for one or more of the following: code compliance including health and safety, hazardous material abatement, access improvement, or air quality improvement; and building or infrastructure repairs necessary to preserve the interior and exterior of existing buildings.

Subd. 3. [REPORTING PRIORITIES.] Each post-secondary governing board shall establish priorities within its HEAPR projects. By December 31 of each year, it shall submit a list of those priorities for which capital bonding appropriations will be sought in the next legislative session, as well as a list of the projects that have received bond proceeds during that calendar year to the chairs of the higher education finance divisions, the senate finance committee, and the house capital investment committee.

Sec. 48. Minnesota Statutes 1992, section 136.651, is amended to read:

136.651 [SURPLUS COMMUNITY COLLEGE LAND.]

At the request of the state board for community colleges, the commissioner of administration shall transfer and convey, or lease for a term of years, state land under the control of but no longer needed by a community college to the city where the community college is located. The land must be used by the city for student housing. The conveyance must be made for no monetary consideration, and by quitclaim deed in a form approved by the attorney general. The deed must provide that the land reverts to the state if it is no longer used for student housing unless the owner of improvements on the land agrees before the reversion to pay the state the value of the unimproved land as determined by the commissioner prior to the improvements. For purposes of determining the value, the commissioner shall designate two or more of the regularly appointed and qualified state appraisers to determine the value of the land.

Sec. 49. [241.0222] [SECURE JUVENILE DETENTION FACILITY CONSTRUCTION GRANTS.]

Subdivision 1. [GRANTS AUTHORIZED.] The commissioner of corrections shall make grants to Hennepin county, Ramsey county, or groups of counties for up to 80 percent of the construction cost of secure juvenile detention and treatment facilities. The commissioner shall ensure that grants are distributed so that facilities are available for both male and female juveniles, and that the needs of very young offenders can be met. The commissioner shall also require that programming in the facilities be culturally specific and sensitive. To the extent possible, grants should be made for facilities or living units of 12 beds or fewer. No more than one grant shall be made in each judicial district.

Subd. 2. [APPLICATIONS.] Applications for grants shall be submitted to the commissioner using forms and instructions which the commissioner shall provide. The commissioner must notify counties of the amount available for grants under this section for the counties in their judicial district. Applications can be submitted by Hennepin county, Ramsey county, or by a group of counties. The application must indicate that all counties in the judicial district have been consulted in the development of the proposal for the facility. If a county bordering a judicial district requests to join with counties in the adjoining judicial district, the commissioner may allow the county to cooperate in the grant application with the counties in the adjoining district. If the commissioner allows this, the commissioner shall reallocate the grant money attributable to that county to the judicial district with which the county will be cooperating.

Subd. 3. [ELIGIBILITY.] Applicants must include a cooperative plan for the secure detention and treatment of juveniles among the applicant counties. The cooperative plan must identify the location of the facility. The facility must be located within 15 miles of a permanent chambers within the judicial district, as specified in section 2.722, or at the site of an existing county home facility, as authorized in section 260.094, or at the site of an existing detention home, as authorized in section 260.101.

Subd. 4. [ALLOCATION FORMULA.] (a) The commissioner must determine the amount available for grants for counties in each judicial district under this subdivision.

(b) Five percent of the money appropriated for these grants shall be allocated for the counties in each judicial district for a mileage distribution allowance in proportion to the percent each county's surface area comprises of the total surface area of the state. Ninety-five percent of the money appropriated for these grants shall be allocated for the counties in each judicial district using the formula in section 401.10.

(c) The amount allocated for all counties within a judicial district shall be totaled to determine the amount available for a grant within that judicial district. Amounts attributable to a county which the commissioner has authorized to cooperate in a grant with a county or counties in an adjacent judicial district shall be reallocated to that judicial district.

Subd. 5. [AWARD OF GRANT.] The commissioner shall determine the amount of the grant for each applicant. Prior to determining the amount of the grant, the commissioner must determine that a facility of the size proposed is needed in the proposed service area, and that the proposed facility meets the minimum standards and requirements established by the commissioner under section 241.0221, subdivision 4, paragraph (a). The commissioner may reduce the amount of the grant below the amount requested by the applicant if the commissioner determines that the facility could be constructed at lesser cost, or that a smaller facility is warranted. Grants shall be for up to 80 percent of the cost of the facility, but not to exceed the amount allocated for the counties in the judicial district under subdivision 4. The grant may only be used for capital expenditures to acquire, design, construct, renovate, equip, and furnish a secure juvenile detention and treatment facility.

Subd. 6. [AGREEMENT.] Counties receiving grants must agree to provide the money needed to finance the nonstate share of the cost of construction of the facility, and if the grant is to a group of counties, the counties must specify how this cost is allocated among the counties in the group. Counties receiving grants must also agree that the county or group of counties will operate the facility according to the minimum standards and requirements established by the commissioner under section 241.0221, subdivision 4, paragraph (a). Counties and groups of counties receiving grants must also agree to make beds available to all other counties in the judicial district. All costs of operation of the facility must be paid by the county or counties receiving the grants, except that costs for juveniles placed in the facility may be billed to their county of residence by agreement among the counties or by law.

Subd. 7. [BONDS FOR LOCAL SHARE.] Counties receiving a grant under this section may issue general obligation bonds under chapter 475 without an election to finance the nonstate share of the cost of the facility, and the indebtedness will not be included in the net debt limit of the county. Groups of counties receiving a grant may issue these bonds individually, or may agree that the bonds will be issued by a single county, with the full faith, credit, and taxing power of each of the counties in the group pledged for the repayment of the obligations.

Subd. 8. [REALLOCATION OF UNUSED GRANT MONEY.] On December 31, 1996, the commissioner shall determine whether any money remains of the appropriations made in 1994 for the purposes of this section. If any money remains that has not been granted to counties, the commissioner shall invite counties to submit applications for capital improvements to acquire or better publicly owned secure juvenile detention facilities. The commissioner shall consider the needs of applicants for improvements at the facilities and shall make grants to counties whose needs, in the commissioner's judgment, are greatest.

Sec. 50. Minnesota Statutes 1992, section 471.191, subdivision 1, is amended to read:

Subdivision 1. Any city operating a program of public recreation and playgrounds pursuant to sections 471.15 to 471.19 may acquire or lease, equip, and maintain land, buildings, and other recreational facilities, including, but without limitation, outdoor or indoor swimming pools, skating rinks and arenas, athletic fields, golf courses, marinas, concert halls, museums, and facilities for other kinds of athletic or cultural participation, contests, and exhibitions, together with related automobile parking facilities as defined in section 459.14, and may expend funds for the operation of such program and borrow and expend funds for capital costs thereof pursuant to the provisions of this section. Any facilities to be operated by a nonprofit corporation, as contemplated in section 471.16, may be leased to the corporation upon such rentals and for such term, not exceeding 30 years, and subject to such other provisions as may be agreed; including but not limited to provisions (a) permitting the lessee, subject to whatever conditions are stated, to provide for the construction and equipment of the facilities by any means available to it and in the manner determined by it, without advertisement for bids as required for other municipal facilities, and (b) granting the lessee the option to renew the lease upon such conditions and rentals, or to purchase the facilities at such price, as may be agreed; provided that (c) any such lease shall require the lessee to pay net rentals sufficient to pay the principal, interest, redemption premiums, and other expenses when due with respect to all bonds issued for the acquisition or betterment of the facilities, less such amount of taxes and special assessments, if any, as may become payable in any year of the term of the lease, on the land, building, or other facilities leased, and (d) no option shall be granted to purchase the facilities at any time at a price less than the amount required to pay all principal and interest to become due on such bonds to the earliest date or dates on which they may be paid and redeemed, and all redemption premiums and other expenses of such payment and redemption.

Sec. 51. Laws 1993, chapter 373, section 25, subdivision 5, is amended to read:

Subd. 5. [DULUTH PORT DREDGING AND DEVELOPMENT.] With the mutual consent by July 1, 1993, of the commissioner of trade and economic development, the seaway port authority of Duluth, the U.S. Army Corps of Engineers, and any private parties who have pledged private investment to match the $6,100,000 appropriated in Laws 1989, chapter 300, article 1, section 19, item (a), to dredge the upper harbor area of Duluth harbor, the commissioner of finance shall reduce the appropriation to $2,000,000. The appropriation is available to the extent it is matched, dollar for dollar, by federal money. No private match is required. If the appropriation is reduced to $2,000,000, then $1,550,000 is reappropriated as provided in sections 12 and 13. The bond sale authorization in Laws 1989, chapter 300, article 1, section 23, subdivision 1, is reduced by $2,550,000.

Upon the seaway port authority of Duluth and the U.S. Army Corps of Engineers advising the commissioner of trade and economic development that no further state of Minnesota funds will be required for the upper harbor cross-channel dredging project, and the consent of the seaway port authority of Duluth that upper river deepening will terminate at the Erie Pier site, the commissioner is authorized to disburse the balance of the funds remaining, up to $1,200,000, as a grant to the seaway port authority of Duluth for development of a down-river bulk cargo handling alternative to succeed and replace the upper river deepening project for bulk cargo whereby the seaway port authority of Duluth will demolish an existing abandoned grain elevator facility owned by the seaway port authority of Duluth and prepare the site for the handling, storage, care, and shipment of bulk cargo or other waterborne freight.

Sec. 52. [PROGRAM FUNDING.]

Recipients of grants from money appropriated in this act must demonstrate to the commissioner of the agency making the grant that the recipient has the ability and a plan to fund the program intended for the facility.

Sec. 53. [INFORMATION TECHNOLOGY; SPACE UTILIZATION.]

(a) This section applies to all appropriations in this act for new construction of state agency office space. The commissioner of administration must reduce the proposed square feet of office space in each project by 20 percent, and the appropriation for each project is reduced 20 percent.

(b) An amount equal to half of the 20 percent appropriation reduction under paragraph (a) is appropriated to the commissioner of administration. This amount may be spent, as directed by the commissioner on:

(1) information technology expenditures, such as expenditures necessary to facilitate increased telecommuting, that will reduce the need for office space while providing efficient and effective services to the public; and

(2) improving citizen access to agencies in a manner such that citizens will not need to come to the agency office buildings.

(c) Before approving an expenditure under paragraph (b), the commissioner must obtain a recommendation from the information policy office on the proposed expenditure.

Sec. 54. [WINDOWS.]

The state offices in any state building constructed with funds appropriated by this act must have windows that can be opened.

Sec. 55. [RENT STUDY.]

The commissioner of administration must report on rent billing to state agencies for the use of state facilities. The report must include:

(1) the amount of rent billed;

(2) a description of the way rent amounts are determined;

(3) an explanation of the disposition of rent proceeds;

(4) recommendations on ways that state agency rent billings can be used to fund capital asset preservation and repair needs in state facilities, replacing the program established in Minnesota Statutes, section 16A.632; and

(5) other information which the commissioner deems relevant.

The report must be submitted to the legislature by January 31, 1995.

Sec. 56. [DEBT SERVICE.]

The commissioner of finance must not assess post-secondary governing boards any portion of the debt service for general obligation bonds sold to finance capital improvement projects authorized in this act.

Sec. 57. [INDEPENDENT SCHOOL DISTRICT NO. 518, WORTHINGTON.]

Subdivision 1. [BOND AUTHORITY.] To provide funds for the construction of facilities to meet the educational and residential needs of adolescents attending the Lakeview school for whom independent school district No. 518, Worthington, has the responsibility of providing services, independent school district No. 518, Worthington, may, by two-thirds majority plus one vote of all the members of the school board, issue general obligation bonds in one or more series in calendar years 1994 and 1995 as provided in this section. The aggregate principal amount of any bonds issued under this section for calendar years 1994 and 1995 may not exceed $2,600,000. Issuance of the bonds is not subject to Minnesota Statutes, section 475.58 or 475.59. If the school board proposes to issue bonds under this section, it must publish a resolution describing the proposed bond issue once each week for two successive weeks in a legal newspaper published in the county of Nobles. The bonds may be issued without the submission of the question of their issue to the electors unless, within 30 days after the second publication of the resolution, a petition requesting an election signed by a number of people residing in the school district equal to ten percent of the people registered to vote in the last general election in the school district is filed with the recording officer. If a petition is filed, no bonds shall be issued under this section unless authorized by a majority of the electors voting on the question at the next general or special election called to decide the issue. The bonds must otherwise be issued as provided in Minnesota Statutes, chapter 475. The authority to issue bonds under this section is in addition to any bonding authority authorized by Minnesota Statutes, chapter 124, or other law.

Subd. 2. [DEBT SERVICE.] Independent school district No. 518, Worthington, shall include the yearly debt service amounts in its required debt service levy under Minnesota Statutes, section 124.95, subdivision 1, for purposes of receiving debt service equalization aid. The district may add the portion of the debt service levy remaining after equalization aid is paid to the amount charged back to resident districts according to Minnesota Statutes, section 120.17, subdivision 6, or 120.181. If, for any reason, the receipt of payments from resident districts and debt service equalization aid attributable to this debt service is not sufficient to make the required debt service payments, the district may levy under subdivision 3.

Subd. 3. [LEVY AUTHORITY.] To pay the principal of and interest on bonds issued under subdivision 1, independent school district No. 518, Worthington, shall levy a tax in an amount sufficient under Minnesota Statutes, section 475.61, subdivisions 1 and 3, to pay any portion of the principal of and interest on the bonds that is not paid through the receipt of debt service equalization aid and tuition payments under subdivision 2. The tax authorized under this section is an addition to the taxes authorized to be levied under Minnesota Statutes, chapter 124A or 275, or other law.

Sec. 58. [REPORTS.]

Subdivision 1. [LEASES OR MANAGEMENT CONTRACTS.] A public officer or agency that has entered into a lease or management contract with respect to state bond financed property on or after January 1, 1989, and before the effective date of this act shall file a report with the commissioner stating the purpose of the lease or contract, the name and nature of the lessee or contracting party, the terms of the lease or contract, and the use or disposition of any money received by the public officer or agency under the lease or contract.

Subd. 2. [SALES.] A public officer or agency that has sold state bond financed property on or after January 1, 1989, and before the effective date of this act shall file a report with the commissioner stating the reason for sale, the method of sale, the purchaser, the sale price, and the use or disposition of the net sale proceeds.

Sec. 59. [AGENCY LOCATION STUDY.]

To enable the legislature to assess the administration's assertion that public agencies need to be located in close proximity to the state capitol, the commissioner of administration shall study the feasibility of developing a public agency corridor in St. Paul. The study shall include the area that runs from I94 south to east 7th place between Cedar and Jackson streets. The study shall include a comparison of the building costs and building restrictions in the designated area as compared to the immediate capitol area. In addition the study shall evaluate the issues of public and employee locational preferences, access to locations by the public using various forms of transportation, parking availability, interagency convenience in communications and the general overall impact the development would have on the city of St. Paul. The study shall be completed and a report made to the legislature by December 15, 1994.

Sec. 60. [MUSEUMS IN ST. PAUL.]

The city of St. Paul may establish and maintain one or more museums for purposes of public education and enlightenment, including but not limited to a museum of natural science and technology and a museum for children. The city may exercise the powers granted in Minnesota Statutes, section 471.191, to acquire and better facilities for a museum. Museum facilities that have been acquired or bettered in whole or in part with the proceeds of state bonds must be owned by the city but may be leased to or managed by a nonprofit organization to carry out the purposes of the museum program established by the city. The lease or management agreement must comply with the requirements of Minnesota Statutes, section 16A.695.

Subd. 1c. [ANNUAL GASOLINE TAX RATE ADJUSTMENT.] Beginning in 1995 and annually thereafter, before April 1, 1995, and before April 1 of each following year, the commissioner of revenue shall adjust the rate of the gasoline excise tax. The new rate per gallon must be calculated as follows:

(a) The new rate must be calculated by multiplying the rate in effect at the time of the calculation by an amount obtained under paragraph (b). The new rate must be rounded to the nearest 0.1 cent and is effective on April 1, 1995, and April 1 of each following year, and applies to gasoline and special fuel in distributor storage on the effective date.

(b) For purposes of calculating the rate:

(1) to be effective April 1, 1995, divide the annual average United States Consumer Price Index for all urban consumers, United States city average, as determined by the United States Department of Labor for the year 1994 by that annual average for the year 1989; or

(2) to be effective April 1, 1996, and each following year, divide the annual average United States Consumer Price Index for all urban consumers, United States city average, as determined by the United States Department of Labor for the previous year by that annual average for the year before the previous year.

(b) A county's share under subdivision 1 must be shared pro rata between the county and existing city systems in the county. A county or city shall deposit money received under this subdivision in an interest-bearing fund or account separate from the county's or city's general fund and may use money in the fund or account only for the purposes specified in subdivision 3.

Section 1. Minnesota Statutes 1993 Supplement, section 80A.15, subdivision 2, is amended to read:

Subd. 2. The following transactions are exempted from sections 80A.08 and 80A.16:

(a) Any sales, whether or not effected through a broker-dealer, provided that no person shall make more than ten sales of securities of the same issuer pursuant to this exemption during any period of 12 consecutive months; provided further, that in the case of sales by an issuer, except sales of securities registered under the Securities Act of 1933 or exempted by section 3(b) of that act, (1) the seller reasonably believes that all buyers are purchasing for investment, and (2) the securities are not advertised for sale to the general public in newspapers or other publications of general circulation or otherwise, or by radio, television, electronic means or similar communications media, or through a program of general solicitation by means of mail or telephone.

(b) Any nonissuer distribution of an outstanding security if (1) either Moody's, Fitch's, or Standard & Poor's Securities Manuals, or other recognized manuals approved by the commissioner contains the names of the issuer's officers and directors, a balance sheet of the issuer as of a date not more than 18 months prior to the date of the sale, and a profit and loss statement for the fiscal year preceding the date of the balance sheet, and (2) the issuer or its predecessor has been in active, continuous business operation for the five-year period next preceding the date of sale, and (3) if the security has a fixed maturity or fixed interest or dividend provision, the issuer has not, within the three preceding fiscal years, defaulted in payment of principal, interest, or dividends on the securities.

(c) The execution of any orders by a licensed broker-dealer for the purchase or sale of any security, pursuant to an unsolicited offer to purchase or sell; provided that the broker-dealer acts as agent for the purchaser or seller, and has no direct material interest in the sale or distribution of the security, receives no commission, profit, or other compensation from any source other than the purchaser and seller and delivers to the purchaser and seller written confirmation of the transaction which clearly itemizes the commission, or other compensation.

(d) Any nonissuer sale of notes or bonds secured by a mortgage lien if the entire mortgage, together with all notes or bonds secured thereby, is sold to a single purchaser at a single sale.

(e) Any judicial sale, exchange, or issuance of securities made pursuant to an order of a court of competent jurisdiction.

(f) The sale, by a pledge holder, of a security pledged in good faith as collateral for a bona fide debt.

(g) Any offer or sale to a bank, savings institution, trust company, insurance company, investment company as defined in the Investment Company Act of 1940, pension or profit sharing trust, or other financial institution or institutional buyer, or to a broker-dealer, whether the purchaser is acting for itself or in some fiduciary capacity.

(h) Any sales by an issuer to the number of persons that shall not exceed 25 persons in this state, or 35 persons if the sales are made in compliance with Regulation D promulgated by the Securities and Exchange Commission, Code of Federal Regulations, title 17, sections 230.501 to 230.506, (other than those designated in paragraph (a) or (g)), whether or not any of the purchasers is then present in this state, if (1) the issuer reasonably believes that all of the buyers in this state (other than those designated in clause (g)) are purchasing for investment, and (2) no commission or other remuneration is paid or given directly or indirectly for soliciting any prospective buyer in this state (other than those designated in clause (g)), except reasonable and customary commissions paid by the issuer to a broker-dealer licensed under this chapter, and (3) the issuer has, ten days prior to any sale pursuant to this paragraph, supplied the commissioner with a statement of issuer on forms prescribed by the commissioner, containing the following information: (i) the name and address of the issuer, and the date and state of its organization; (ii) the number of units, price per unit, and a description of the securities to be sold; (iii) the amount of commissions to be paid and the persons to whom they will be paid; (iv) the names of all officers, directors and persons owning five percent or more of the equity of the issuer; (v) a brief description of the intended use of proceeds; (vi) a description of all sales of securities made by the issuer within the six-month period next preceding the date of filing; and (vii) a copy of the investment letter, if any, intended to be used in connection with any sale. Sales that are made more than six months before the start of an offering made pursuant to this exemption or are made more than six months after completion of an offering made pursuant to this exemption will not be considered part of the offering, so long as during those six-month periods there are no sales of unregistered securities (other than those made pursuant to paragraph (a) or (g)) by or for the issuer that are of the same or similar class as those sold under this exemption. The commissioner may by rule or order as to any security or transaction or any type of security or transaction, withdraw or further condition this exemption, or increase the number of offers and sales permitted, or waive the conditions in clause (1), (2), or (3) with or without the substitution of a limitation or remuneration.

The commissioner may by rule exempt offers (but not sales) of securities for which a registration statement has been filed as the commissioner deems appropriate, consistent with the purposes of sections 80A.01 to 80A.31.

April 26, 1994

The Honorable Allan H. Spear
President of the Senate

The Honorable Irv Anderson
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 2710, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 2710 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1993 Supplement, section 16B.61, subdivision 3, is amended to read:

Subd. 3. [SPECIAL REQUIREMENTS.] (a) [SPACE FOR COMMUTER VANS.] The code must require that any parking ramp or other parking facility constructed in accordance with the code include an appropriate number of spaces suitable for the parking of motor vehicles having a capacity of seven to 16 persons and which are principally used to provide prearranged commuter transportation of employees to or from their place of employment or to or from a transit stop authorized by a local transit authority.

(b) [SMOKE DETECTION DEVICES.] The code must require that all dwellings, lodging houses, apartment houses, and hotels as defined in section 299F.362 comply with the provisions of section 299F.362.

(c) [DOORS IN NURSING HOMES AND HOSPITALS.] The state building code may not require that each door entering a sleeping or patient's room from a corridor in a nursing home or hospital with an approved complete standard automatic fire extinguishing system be constructed or maintained as self-closing or automatically closing.

(d) [CHILD CARE FACILITIES IN CHURCHES; GROUND LEVEL EXIT.] A licensed day care center serving fewer than 30 preschool age persons and which is located in a below ground space in a church building is exempt from the state building code requirement for a ground level exit when the center has more than two stairways to the ground level and its exit.

(e) [CHILD CARE FACILITIES IN CHURCHES; VERTICAL ACCESS.] Until August 1, 1996, an organization providing child care in an existing church building which is exempt from taxation under section 272.02, subdivision 1, clause (5), shall have five years from the date of initial licensure under chapter 245A to provide interior vertical access, such as an elevator, to persons with disabilities as required by the state building code. To obtain the extension, the organization providing child care must secure a $2,500 performance bond with the commissioner of human services to ensure that interior vertical access is achieved by the agreed upon date.

(f) [FAMILY AND GROUP FAMILY DAY CARE.] The commissioner of administration shall establish a task force to determine occupancy standards specific and appropriate to family and group family day care homes and to examine hindrances to establishing day care facilities in rural Minnesota. The task force must include representatives from rural and urban building code inspectors, rural and urban fire code inspectors, rural and urban county day care licensing units, rural and urban family and group family day care providers and consumers, child care advocacy groups, and the departments of administration, human services, and public safety.

By January 1, 1989, the commissioner of administration shall report the task force findings and recommendations to the appropriate legislative committees together with proposals for legislative action on the recommendations.

Until the legislature enacts legislation specifying appropriate standards, the definition of Group R-3 occupancies in the state building code applies to family and group family day care homes licensed by the department of human services under Minnesota Rules, chapter 9502.

(g) [MINED UNDERGROUND SPACE.] Nothing in the state building codes shall prevent cities from adopting rules governing the excavation, construction, reconstruction, alteration, and repair of mined underground space pursuant to sections 469.135 to 469.141, or of associated facilities in the space once the space has been created, provided the intent of the building code to establish reasonable safeguards for health, safety, welfare, comfort, and security is maintained.

(h) [ENCLOSED STAIRWAYS.] No provision of the code or any appendix chapter of the code may require stairways of existing multiple dwelling buildings of two stories or less to be enclosed.

(i) [DOUBLE CYLINDER DEAD BOLT LOCKS.] No provision of the code or appendix chapter of the code may prohibit double cylinder dead bolt locks in existing single-family homes, townhouses, and first floor duplexes used exclusively as a residential dwelling. Any recommendation or promotion of double cylinder dead bolt locks must include a warning about their potential fire danger and procedures to minimize the danger.

(j) [RELOCATED RESIDENTIAL BUILDINGS.] A residential building relocated within or into a political subdivision of the state need not comply with the state energy code or section 326.371 provided that, where available, an energy audit is conducted on the relocated building.

(k) [AUTOMATIC GARAGE DOOR OPENING SYSTEMS.] The code must require all residential buildings as defined in section 325F.82 to comply with the provisions of sections 325F.82 and 325F.83.

(l) [EXIT SIGN ILLUMINATION.] For a new building on which construction is begun on or after October 1, 1993, or an existing building on which remodeling affecting 50 percent or more of the enclosed space is begun on or after October 1, 1993, the code must prohibit the use of internally illuminated exit signs whose electrical consumption during nonemergency operation exceeds 20 watts of resistive power. All other requirements in the code for exit signs must be complied with.

(m) [RESIDENTIAL WORK.] By January 1, 1996, the commissioner of administration shall develop building code provisions in accordance with the directives and provisions developed under section 144.874, subdivision 11a.

Sec. 2. Minnesota Statutes 1993 Supplement, section 144.871, subdivision 2, is amended to read:

Subd. 2. [ABATEMENT.] "Abatement" means ~~removal of, replacement of, or encapsulation of deteriorated paint, bare soil, dust, drinking water, or other lead-containing materials that are or may become readily accessible during the lead abatement process and pose an immediate threat of actual lead exposure to people~~ any set of procedures designed to eliminate or reduce human exposure to lead hazards.

Sec. 3. Minnesota Statutes 1992, section 144.871, is amended by adding a subdivision to read:

Subd. 2a. [LEAD HAZARD.] "Lead hazard" means a condition that causes exposure to lead from lead-contaminated dust, lead-contaminated bare soil, lead-contaminated drinking water, lead-contaminated deteriorating paint, or lead-contaminated intact paint on accessible, friction, or impact surfaces that poses an immediate threat that would result in adverse human health effects.

Sec. 4. Minnesota Statutes 1992, section 144.871, subdivision 3, is amended to read:

Subd. 3. [ABATEMENT CONTRACTOR.] "Abatement contractor" means any person hired by a property owner or resident to perform abatement of a lead source in violation of standards under section 144.878 and who is licensed by the commissioner according to rules adopted under section 144.878, subdivision 5.

Sec. 5. Minnesota Statutes 1992, section 144.871, is amended by adding a subdivision to read:

Subd. 5a. [DETERIORATED PAINT.] "Deteriorated paint" or "deteriorating paint" means paint that is chipped, peeled, or otherwise separated from its substrate or that is attached to damaged substrate.

Sec. 6. Minnesota Statutes 1993 Supplement, section 144.872, subdivision 2, is amended to read:

Subd. 2. [~~HOME ASSESSMENTS~~ CONTRACTS.] ~~(a)~~ The commissioner shall, within available federal or state appropriations, contract with boards of health~~, who may determine priority for responding to cases of elevated blood lead levels,~~ to conduct assessments to determine sources of lead contamination ~~in the residences of pregnant women whose blood lead levels are at least ten micrograms per deciliter and of children whose blood lead levels are at least 20 micrograms per deciliter or whose blood lead levels persist in the range of 15 to 19 micrograms per deciliter for 90 days after initial identification to the board of health or the commissioner. Assessments must be conducted within five working days of the board of health receiving notice that the criteria in this subdivision have been met. The commissioner or boards of health must be notified of all violations of standards under section 144.878, subdivision 2, that are identified during a home assessment~~ in accordance with section 144.878.

~~(b) The commissioner or boards of health must identify the known addresses for the previous 12 months of the child or pregnant woman with elevated blood lead levels and notify the property owners at those addresses. The commissioner may also collect information on the race, sex, and family income of children and pregnant women with elevated blood lead levels.~~

~~(c) Within the limits of appropriations, a board of health shall conduct home assessments for children and pregnant women whose confirmed blood lead levels are in the range of ten to 19 micrograms per deciliter.~~

~~(d) The commissioner shall also provide educational materials on all sources of lead to boards of health to provide education on ways of reducing the danger of lead contamination. The commissioner may provide laboratory or field lead testing equipment to a board of health or may reimburse a board of health for direct costs associated with assessments.~~

Sec. 7. Minnesota Statutes 1993 Supplement, section 144.872, subdivision 4, is amended to read:

Subd. 4. [LEAD CLEANUP EQUIPMENT AND MATERIAL GRANTS.] (a) Within the limits of available state or federal appropriations, funds shall be made available under a grant program to nonprofit community-based organizations in areas at high risk for toxic lead exposure. Grantees shall use the money to purchase lead cleanup equipment and to pay for training for staff and volunteers for lead abatement certification. Grantees may work with licensed lead abatement contractors and ~~certified trainers~~ sponsors of approved training courses in order to receive

training necessary for certification under section 144.876, subdivision 1. Lead cleanup equipment shall include: high efficiency particle accumulator and wet vacuum cleaners, drop cloths, secure containers, respirators, scrapers, dust and particle containment material, and other cleanup and containment materials to remove loose paint and plaster, patch plaster, control household dust, wax floors, clean carpets and sidewalks, and cover bare soil.

(b) Upon certification, the grantee's staff and volunteers may make equipment and educational materials available to residents and property owners and instruct them on the proper use. Equipment shall be made available to low-income households on a priority basis at no fee, and other households on a sliding fee scale. Equipment shall not be made available to any person~~, licensed lead abatement contractor, or certified trainer~~ who charges or intends to charge a fee for services performed using equipment or materials purchased by a nonprofit community-based organization through a grant obtained under this subdivision.

Sec. 8. Minnesota Statutes 1993 Supplement, section 144.873, subdivision 1, is amended to read:

Subdivision 1. [REPORT REQUIRED.] Medical laboratories performing blood lead analyses must report to the commissioner finger stick and venipuncture blood lead results and the method used to obtain these results. Boards of health must report to the commissioner the results of analyses from residential samples of paint, soil, dust, and drinking water. The commissioner shall require the type of blood sample tested and the date of the test, ~~and~~ the current address and birthdate of the patient, the gender and race of the patient, and other related information from medical laboratories and boards of health as may be needed to monitor and evaluate blood lead levels in the public. Clinic staff and physicians who collect blood samples for lead analyses must provide the information in this subdivision to the medical laboratory performing the analyses. If a clinic or physician sends a blood lead test to a medical laboratory outside of Minnesota, that clinic or physician must meet the reporting requirements under this subdivision.

Sec. 9. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 1, is amended to read:

Subdivision 1. [RESIDENCE ASSESSMENT.] (a) A board of health must conduct ~~a timely~~ an assessment of a residence ~~and all common areas, if the residence is located in a building with two or more residential units,~~ within ~~five~~ ten working days of receiving notification that the criteria in this subdivision have been met, as confirmed by lead analysis of a venous blood sample, to determine sources of lead exposure if:

(1) a pregnant woman in the residence is identified as having a blood lead level of at least ten micrograms of lead per deciliter of whole blood;

(2) a child in the residence is identified as having a blood lead level at or above 20 micrograms per deciliter; or

(3) a child in the residence is identified as having a blood lead level that persists in the range of 15 to 19 micrograms per deciliter for 90 days after initial identification. In a building with two or more residential units, a board of health must inspect the individual unit in which the conditions of this subdivision are met and must also inspect all common areas in the building. Assessments must be conducted by a board of health regardless of the availability of state or federal appropriations for assessments.

(b) Within the limits of available state and federal appropriations, a board of health shall also conduct home assessments for children whose confirmed blood lead levels are in the range of ten to 19 micrograms per deciliter. A board of health may assess a residence even if none of the three criteria in this subdivision are met.

(c) If a child regularly spends several hours at one or more other sites such as another residence, or a residential or commercial child care facility, the board of health must also assess the other sites. The board of health shall have one additional day to complete the assessment for each additional site.

(d) ~~Sections 144.871 to 144.879 neither authorize nor prohibit a board of health from charging a property owner for the cost of assessment.~~ The commissioner or boards of health must identify the known addresses for the previous 12 months of the child or pregnant woman with elevated blood lead levels and notify the property owners at those addresses. This information shall be classified as private data on individuals as defined under section 13.02, subdivision 12.

(e) The board of health must conduct the residential assessment according to rules adopted by the commissioner under section 144.878. A board of health must have residence assessments performed by lead inspectors licensed by the commissioner according to rules adopted under section 144.878. A board of health may observe the performance

of lead abatement in progress and may enforce the provisions of sections 144.871 to 144.879 under section 144.8781. The staff complement of the department of health shall be increased by two full-time equivalent positions who shall be lead inspectors.

(f) A lead inspector must notify the commissioner or the board of health of all violations under section 144.878, subdivision 2, that are identified in a residence assessment under this section.

(g) The commissioner may provide laboratory or field lead testing equipment to a board of health or may reimburse a board of health for direct costs associated with assessments.

(h) Sections 144.871 to 144.879 neither authorize nor prohibit a board of health from charging a property owner for the cost of assessment.

Sec. 10. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 3, is amended to read:

Subd. 3. [~~SWAB TEAMS; LEAD ASSESSMENT;~~ LEAD ABATEMENT ORDERS.] A board of health must order a property owner to perform abatement on a lead source that exceeds a standard adopted according to section 144.878 at the residence of a child with an elevated blood lead level or a pregnant woman with a blood lead level of at least ten micrograms per deciliter. If the paint standard under section 144.878 is violated, but the paint is intact, the board of health must not order paint removal unless the intact paint is a known source, or reasonably expected to be a source, of actual lead exposure to a specific person. Before the board of health may order the intact paint to be removed, a reasonable effort must be made to protect the child and preserve the intact paint by the use of guards or other protective devices. Lead abatement orders must require that any source of damage, such as leaking roofs, plumbing, and windows, must be repaired or replaced, as needed, to prevent damage to lead-containing interior surfaces. The board of health is not required to pay for lead abatement. With each lead abatement order, the board of health must coordinate with swab team abatement and provide a residential lead abatement guide.

Sec. 11. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 3a, is amended to read:

Subd. 3a. [SWAB TEAM SERVICES.] After issuing abatement orders for a residence of a child or pregnant women with elevated blood lead levels, the commissioner or a board of health must send a swab team within ~~five~~ ten working days to the residence to perform swab team services as defined in section 144.871, subdivision 9. If the commissioner or board of health provides swab team services after an assessment, but before the issuance of an abatement order, swab team services do not need to be repeated after the issuance of an abatement order. Swab team services are not considered completed until the reassessment required under subdivision 6 shows no violation of one or more of the standards under section 144.878, subdivision 2. If assessments and abatement orders are conducted at times when weather or soil conditions do not permit the assessment or abatement of lead in soil, the residences shall have their soil assessed and abated, if necessary, at the first opportunity that weather and soil conditions allow.

Sec. 12. Minnesota Statutes 1993 Supplement, section 144.874, subdivision 11a, is amended to read:

Subd. 11a. [LEAD ABATEMENT AND LEAD-SAFE WORK DIRECTIVES.] (a) In order to achieve statewide consistency in the application of lead abatement standards, the commissioner shall issue program directives that interpret the application of rules under section 144.878 in ambiguous or unusual lead abatement situations. These directives are guidelines to local boards of health. The commissioner shall periodically review the evaluation of lead abatement orders and the program directives to determine if the rules under section 144.878 need to be amended to reflect new understanding of lead abatement practices and methods.

(b) By July 1, 1995, the commissioner shall develop in cooperation with the commissioner of administration provisions, procedures, and directives to define residential remodeling, renovation, installation, and rehabilitation activities that are not lead abatement but may disrupt lead-based paint surfaces. The directives and provisions must define lead-safe procedures for nonlead abatement activities including preparation, cleanup, and disposal procedures. The directives must be based on the different levels and types of work involved and the potential for lead hazards. The directives must address activities including, but not limited to, painting, remodeling, weatherization, installation of cable, wire, plumbing, and gas, and replacement of doors and windows. The commissioners of health and administration shall consult with representatives of builders, weatherization providers, nonprofit rehabilitation organizations, a representative of each of the affected trades, and housing and redevelopment authorities in developing the directives and procedures. This group shall also make recommendations for consumer and contractor education and training. Directives developed under this section are exempt from chapter 14. The commissioner of health shall report to the legislature by February 15, 1995, regarding development of the provisions required under this subdivision.

Sec. 13. Minnesota Statutes 1993 Supplement, section 144.8771, subdivision 2, is amended to read:

Subd. 2. [LICENSE APPLICATION.] (a) An application for a license and for renewal of a license must be on a form provided by the commissioner and be accompanied by:

(1) the fee set by the commissioner; and

(2) evidence that the applicant has successfully completed a lead inspection training course approved by the commissioner or, within the previous 180 days, an initial lead inspection training course.

(b) The fee required by this subdivision is waived for an employee of ~~a board of health~~ the federal, state, or local government within Minnesota.

Sec. 14. Minnesota Statutes 1993 Supplement, section 144.878, subdivision 2, is amended to read:

Subd. 2. [LEAD STANDARDS AND ABATEMENT METHODS.] (a) The commissioner shall adopt rules establishing standards and abatement methods for lead in paint, dust, ~~and~~ drinking water, and soil in a manner that protects public health and the environment for all residences, including residences also used for a commercial purpose.

(b) The commissioner shall differentiate between intact paint and deteriorating paint. The commissioner and political subdivisions shall require abatement of intact paint only if the commissioner or political subdivision finds that the intact paint is on a chewable or lead-dust producing surface that is a known source or reasonably expected to be a source of actual lead exposure to a specific person. The commissioner shall work cooperatively with the commissioner of administration to determine which practices under section 144.874, subdivision 11a, may be used for lead-safe work including preparation and cleanup. The commissioner shall work cooperatively with the commissioner of the pollution control agency to develop disposal procedures. In adopting rules under this subdivision, the commissioner shall require the best available technology for lead abatement methods, paint stabilization, and repainting.

~~(b)~~ (c) The commissioner of health shall adopt standards and abatement methods for lead in bare soil on playgrounds and residential property in a manner to protect public health and the environment. The commissioner shall adopt a maximum standard of 100 parts of lead per million in bare soil, unless it is proven that a different standard provides greater protection of public health.

~~(c)~~ (d) The commissioner of the pollution control agency shall adopt rules to ensure that removal of exterior lead-based coatings from residential property by abrasive blasting methods is conducted in a manner that protects public health and the environment.

~~(d)~~ (e) All standards adopted under this subdivision must provide reasonable margins of safety that are consistent with a detailed review of scientific evidence and an emphasis on overprotection rather than underprotection when the scientific evidence is ambiguous. The rules must apply to any individual performing or ordering the performance of lead abatement.

~~(e)~~ (f) No unit of local government may have an ordinance or regulation governing lead abatement methods for lead in paint, dust, or soil for residences and residential land that require a different lead abatement method than the lead abatement standards established under sections 144.871 to 144.879.

(g) The commissioner shall adopt standards and abatement methods for lead in drinking water in a manner to protect the public health and the environment. The commissioner shall adopt rules for controlling lead in drinking water as contained in Code of Federal Regulations, title 40, part 141. Samples collected for the purposes of lead analysis of drinking water shall be done in accordance with lab certification requirements and analytical techniques specified by the Code of Federal Regulations, title 40, part 141.89.

Sec. 15. Minnesota Statutes 1992, section 144.878, is amended by adding a subdivision to read:

Subd. 2b. [PRIORITIES FOR RESPONSE ACTION.] The commissioner of health must establish, by publication in the State Register, a priority list of census tracts at high risk for toxic lead exposure for primary prevention response actions. In establishing the list, the commissioner shall award points under this subdivision to each census tract on which information is available. The priority for primary prevention response actions in census tracts at high risk for

toxic lead exposure shall be based on the cumulative points awarded to each census tract. A greater number of points means a higher priority. If a tie occurs in the number of points, priority shall be given to the census tract with the higher percentage of population with blood lead levels greater than ten micrograms of lead per deciliter. All local governmental units and boards of health shall follow the priorities under this subdivision. The commissioner shall revise and update the priority list at least every five years. Points shall be awarded to each census tract for each criteria, considered independently, as described in section 144.871, subdivision 7a. Points shall be awarded as follows:

(a) In a census tract where at least 20 children have been screened in the last five years, one point shall be awarded for each ten percent of children who were under six years old at the time they were screened for lead in blood and whose blood lead level exceeds ten micrograms of lead per deciliter. An additional point shall be awarded if one percent of the children had blood levels greater than 20 micrograms per deciliter of blood. Two points shall be awarded to a census tract, where the blood lead screening has been inadequate, that is contiguous with a census tract where more than ten percent of the children under six years of age have blood lead levels exceeding ten micrograms per deciliter.

(b) One point shall be awarded for every five percent of housing that is defined as dilapidated or deteriorated by the planning department or similar agency of the city in which the housing is located. Where data is available by neighborhood or section within a city, the percent of dilapidated or deteriorated housing shall apply equally to each census tract within the neighborhood or section.

(c) One point shall be awarded for every 100 parts per million of lead soil, based on the median soil lead values of foundation soil samples, calculated on 100 parts per million intervals, or fraction thereof. For the cities of St. Paul and Minneapolis, the commissioner shall use the June 1988 census tract version of the houseside map entitled "Distribution of Houseside Lead Content of Soil-Dust in the Twin Cities," prepared by the Center for Urban and Regional Affairs. Where the map displays a census tract that is crossed by two or more intervals, the commissioner shall make a reasoned determination of the median foundation soil lead value for that tract. Values for census tracts may be updated by surveying the tract according to the procedures under Minnesota Rules, part 4761.0400, subpart 8.

Sec. 16. Minnesota Statutes 1993 Supplement, section 144.878, subdivision 5, is amended to read:

Subd. 5. [LEAD ABATEMENT CONTRACTORS AND EMPLOYEES.] The commissioner shall adopt rules to license lead abatement contractors, to certify employees of lead abatement contractors who perform abatement, and to certify lead abatement trainers who provide lead abatement training for contractors, employees, or other lead abatement trainers. ~~A person who performs painting, renovation, rehabilitation, remodeling, or other residential work that is not lead abatement need not be a licensed lead abatement contractor. By July 1, 1994, a person who performs work that removes intact paint on residences built before February 27, 1978, must determine whether lead sources are present and whether the planned work would be lead abatement as defined in section 144.871, subdivision 2. This determination may be made by quantitative chemical analysis, X-ray fluorescence analyzer, or chemical spot test using sodium rhodizonate. If lead sources are identified, the work must be performed by a licensed lead abatement contractor. An owner of an owner-occupied residence with one or two units is not subject to the requirements under this subdivision.~~ All lead abatement training must include a hands-on component and instruction on the health effects of lead exposure, the use of personal protective equipment, workplace hazards and safety problems, abatement methods and work practices, decontamination procedures, cleanup and waste disposal procedures, lead monitoring and testing methods, and legal rights and responsibilities. The commissioner shall adopt rules to approve lead abatement training courses and to charge a fee for approval. At least 30 days before publishing initial notice of proposed rules under this subdivision on the licensing of lead abatement contractors, the commissioner shall submit the rules to the chairs of the health and human services committee in the house of representatives and the health care committee in the senate, and to any legislative committee on licensing created by the legislature.

Sec. 17. Minnesota Statutes 1992, section 144.878, is amended by adding a subdivision to read:

Subd. 5a. [RESIDENTIAL RENOVATION AND REMODELING.] A person who performs painting, renovation, rehabilitation, remodeling, demolition, or other residential work that is not lead abatement need not be a licensed lead abatement contractor. After July 1, 1995, a person who performs work that removes intact paint on residences built before February 27, 1978, must determine whether lead sources are present. This determination may be made by quantitative chemical analysis, X-ray fluorescence analyzer, or chemical spot test using sodium rhodizonate. A person does not have to be licensed as a lead inspector to use sodium rhodizonate for this purpose. If lead sources are identified, the work must be performed in accordance with the standard in section 144.878, subdivision 2, as modified by the program directives developed under section 144.874, subdivision 11a. An owner of an owner-occupied residence with one or two units is not subject to the requirements under this subdivision.

Sec. 18. [144.8782] [EXEMPTIONS.]

The provisions of sections 144.876 and 144.878, subdivision 5, do not apply to homeowners, apartment owners, farmers, and small business persons with 50 or fewer employees who do their own maintenance and remodeling work, or to small contractors, excluding lead abatement contractors. Exemptions under this section also apply to purchasers of one or two unit residences. Nothing in this section affects any federal grant from the Department of Housing and Urban Development or state financed swab teams.

Sec. 19. Minnesota Statutes 1993 Supplement, section 326.71, subdivision 4, is amended to read:

Subd. 4. [ASBESTOS-RELATED WORK.] "Asbestos-related work" means the enclosure, ~~repair,~~ removal, or encapsulation of asbestos-containing material in a quantity that meets or exceeds 260 lineal feet of friable asbestos-containing material on pipes, 160 square feet of friable asbestos-containing material on other facility components, or, if linear feet or square feet cannot be measured, a total of 35 cubic feet of friable asbestos-containing material on or off all facility components in one facility. In the case of single or multifamily residences, "asbestos-related work" also means the enclosure, ~~repair,~~ removal, or encapsulation of greater than ten but less than 260 lineal feet of friable asbestos-containing material on pipes or ducts or greater than six but less than 160 square feet of friable asbestos-containing material on other facility components. This provision excludes asbestos-containing ~~vinyl~~ floor tiles and sheeting ~~under 160 square feet~~, roofing materials, siding, and all ceilings with asbestos-containing material in single family residences and buildings with no more than four dwelling units. Asbestos-related work includes asbestos abatement area preparation; enclosure, removal, encapsulation, or repair operations; and an air quality monitoring specified in rule to assure that the abatement and adjacent areas are not contaminated with asbestos fibers during the project and after completion.

For purposes of this subdivision, the quantity of asbestos containing material applies separately for every project permit fee paid under section 326.75, subdivision 3.

Sec. 20. Minnesota Statutes 1993 Supplement, section 326.75, subdivision 3, is amended to read:

Subd. 3. [PERMIT FEE.] ~~One~~ Five calendar ~~day~~ days before beginning asbestos-related work, a person shall pay a project permit fee to the commissioner equal to one percent of the total costs of the asbestos-related work. For asbestos-related work performed in single or multifamily residences, of greater than ten but less than 260 linear feet of asbestos-containing material on pipes, or greater than six but less than 160 square feet of asbestos-containing material on other facility components, a person shall pay a project permit fee of $35 to the commissioner.

Sec. 21. [REVIEW AND CODIFICATION; LEAD LAWS AND STATUTES.]

The commissioners of health, the pollution control agency, and the housing finance agency in collaboration with the revisor of statutes shall review current lead abatement standards, statutes, laws, and rules, and propose a reorganization and recodification to the legislature by January 10, 1995.

Sec. 22. [PROPOSAL FOR FEDERAL CONFORMING LEGISLATION.]

The commissioners of the pollution control agency, and the department of health shall monitor federal rules proposed and adopted for lead hazard reduction of public buildings and structures under title X, of the federal Residential Lead-Based Paint Hazard Reduction Act of 1992, Public Law Number 102-550. The commissioner of health shall report to the legislature by January 10, 1995, with a legislative proposal to bring Minnesota law into conformance with the federal requirements for accreditation of training, inspection, contracting, and employment. The proposal shall be developed jointly with the commissioners of other affected agencies.

Sec. 23. [FEDERAL TRAINING GRANTS.]

The commissioner shall identify and apply for federal grants to subsidize the cost of the current lead abatement training program and to increase the number of certified trainers. The commissioner shall take necessary actions to expand the number of certified trainers, and increase the capacity of the current lead abatement training program to train and certify contractors and employees as required under section 144.876, subdivision 1, and rules adopted under section 144.878, subdivision 5.

Sec. 24. [REPEALER.]

(a) Minnesota Statutes 1993 Supplement, sections 144.8771, subdivision 5; 144.8781, subdivisions 1, 2, 3, and 5; 157.082; and 157.09, are repealed.

(b) Laws 1993, First Special Session chapter 1, article 9, section 49, is repealed.

Sec. 25. [RULE DELAY.]

The requirement for testing of intact paint found in Minnesota Rules, part 4761.0100, "Applicability," paragraph C, shall not take effect until July 1, 1995.

Sec. 26. [EFFECTIVE DATE.]

Sec. 3. Minnesota Statutes 1992, section 242.31, is amended to read:

242.31 [RESTORATION OF CIVIL RIGHTS; POSSESSION OF FIREARMS.]

Subdivision 1. Whenever a person who has been committed to the custody of the commissioner of corrections upon conviction of a crime following ~~reference for prosecution~~ certification to district court under the provisions of section 260.125 is finally discharged by order of the commissioner, that discharge shall restore the person to all civil rights and, if so ordered by the commissioner of corrections, also shall have the effect of setting aside the conviction, nullifying it and purging the person of it. The commissioner shall file a copy of the order with the district court of the county in which the conviction occurred; upon receipt, the court shall order the conviction set aside. An order setting aside a conviction for a crime of violence as defined in section 624.712, subdivision 5, must provide that the person is not entitled to ship, transport, possess, or receive a firearm until ten years have elapsed since the order was entered and during that time the person was not convicted of any other crime of violence. A person whose conviction was set aside under this section and who thereafter has received a relief of disability under United States Code, title 18, section 925, shall not be subject to the restrictions of this subdivision.

Subd. 2. Whenever a person described in subdivision 1 has been placed on probation by the court pursuant to section 609.135 and, after satisfactory fulfillment of it, is discharged from probation, the court shall issue an order of discharge pursuant to subdivision 2a and section 609.165. On application of the defendant or on its own motion and after notice to the county attorney, the court in its discretion may also order that the defendant's conviction be set aside with the same effect as a court order under subdivision 1.

These orders restore the defendant to civil rights and purge and free the defendant from all penalties and disabilities arising from the defendant's conviction and the conviction shall not thereafter be used against the defendant, except in a criminal prosecution for a subsequent offense if otherwise admissible therein. In addition, the record of the defendant's conviction shall be sealed and may be opened only upon court order for purposes of a criminal investigation, prosecution, or sentencing. Upon request by law enforcement, prosecution, or corrections authorities, the court or the department of public safety shall notify the requesting party of the existence of the sealed record and the right to seek a court order to open it pursuant to this section.

Subd. 2a. [CRIMES OF VIOLENCE; INELIGIBILITY TO POSSESS FIREARMS.] The order of discharge must provide that a person who has been convicted of a crime of violence, as defined in section 624.712, subdivision 5, is not entitled to ship, transport, possess, or receive a firearm until ten years have elapsed since the person was restored to civil rights and during that time the person was not convicted of any other crime of violence. Any person who has received such a discharge and who thereafter has received a relief of disability under United States Code, title 18, section 925, shall not be subject to the restrictions of this subdivision.

Subd. 3. The commissioner of corrections shall file a copy of the order with the district court of the county in which the conviction occurred; upon receipt, the court shall order the conviction set aside and all records pertinent to the conviction sealed. These records shall only be reopened in the case of a judicial criminal proceeding instituted at a later date or upon court order, for purposes of a criminal investigation, prosecution, or sentencing, in the manner provided in subdivision 2.

The term "records" includes, but is not limited to, all matters, files, documents and papers incident to the arrest, indictment, information, complaint, trial, appeal, dismissal and discharge, which relate to the conviction for which the order was issued.

The criteria must ensure that the programming is distributed throughout the state. The commissioner is authorized to license long-term residential secure programming up to a maximum of 100 beds statewide in addition to those licensed as of the date of enactment of this section.

Sec. 6. Minnesota Statutes 1992, section 257.3571, subdivision 3, is amended to read:

Subd. 3. [REQUEST FOR PROPOSALS.] The commissioner shall request proposals for ~~primary support for Indian child welfare programs and special focus programs~~ grants under subdivisions 1 ~~and~~, 2, and 2a, and specify the information and criteria required.

~~(c)~~ (3) who has escaped from confinement to a state juvenile correctional facility after being committed to the custody of the commissioner of corrections; or

~~(d)~~ (4) who has escaped from confinement to a local juvenile correctional facility after being committed to the facility by the court.

Sec. 10. Minnesota Statutes 1992, section 260.111, is amended by adding a subdivision to read:

Subd. 1a. [NO JUVENILE COURT JURISDICTION OVER CERTAIN OFFENDERS.] Notwithstanding any other law to the contrary, the juvenile court lacks jurisdiction over proceedings concerning a child excluded from the definition of delinquent child under section 260.015, subdivision 5, paragraph (b). The district court has original and exclusive jurisdiction in criminal proceedings concerning a child excluded from the definition of delinquent child under section 260.015, subdivision 5, paragraph (b).

Sec. 11. Minnesota Statutes 1992, section 260.115, subdivision 1, is amended to read:

Subdivision 1. Except where a juvenile court has ~~referred~~ certified an alleged violation to ~~a prosecuting authority~~ district court in accordance with the provisions of section 260.125 or a court has original jurisdiction of a child who has committed ~~a minor~~ an adult court traffic offense, as defined in section 260.193, subdivision 1, clause (c), a court other than a juvenile court shall immediately transfer to the juvenile court of the county the case of a minor who appears before the court on a charge of violating any state or local law or ordinance and who is under 18 years of age or who was under 18 years of age at the time of the commission of the alleged offense.

Sec. 12. Minnesota Statutes 1992, section 260.121, subdivision 3, is amended to read:

Subd. 3. Except when a child is alleged to have committed ~~a minor~~ an adult court traffic offense, as defined in section 260.193, subdivision 1, clause (c), if it appears at any stage of the proceeding that a child before the court is a resident of another state, the court may invoke the provisions of the interstate compact on juveniles or, if it is in the best interests of the child or the public to do so, the court may place the child in the custody of the child's parent, guardian, or custodian, if the parent, guardian, or custodian agrees to accept custody of the child and return the child to their state.

Sec. 13. Minnesota Statutes 1992, section 260.125, is amended to read:

260.125 [~~REFERENCE FOR PROSECUTION~~ CERTIFICATION TO DISTRICT COURT.]

Subdivision 1. When a child is alleged to have ~~violated a state or local law or ordinance~~ committed, after becoming 14 years of age, an offense that would be a felony if committed by an adult, the juvenile court may enter an order ~~referring~~ certifying the ~~alleged violation~~ proceeding to the ~~appropriate prosecuting authority~~ district court for action under the criminal laws ~~in force governing the commission of and punishment for violations of statutes or local laws or ordinances. The prosecuting authority to whom the matter is referred shall within the time specified in the order of reference, which time shall not exceed 90 days, file with the court making the order of reference notice of intent to prosecute or not to prosecute. If the prosecuting authority files notice of intent not to prosecute or fails to act within the time specified, the court shall proceed as if no order of reference had been made. If such prosecuting authority files with the court notice of intent to prosecute the jurisdiction of the juvenile court in the matter is terminated~~.

Subd. 2. [ORDER OF ~~REFERENCE~~ CERTIFICATION; REQUIREMENTS.] Except as provided in subdivision 3a or 3b, the juvenile court may order a ~~reference~~ certification to district court only if:

~~(a)~~ (1) a petition has been filed in accordance with the provisions of section 260.131;

~~(b)~~ (2) a motion for certification has been filed by the prosecuting authority;

(3) notice has been given in accordance with the provisions of sections 260.135 and 260.141;

~~(c)~~ (4) a hearing has been held in accordance with the provisions of section 260.155 within 30 days of the filing of the ~~reference~~ certification motion, unless good cause is shown by the prosecution or the child as to why the hearing should not be held within this period in which case the hearing shall be held within 90 days of the filing of the motion; ~~and~~

~~(d)~~ (5) the court finds that

~~(1)~~ there is probable cause, as defined by the rules of criminal procedure promulgated pursuant to section 480.059, to believe the child committed the offense alleged by delinquency petition; and

~~(2)~~ (6) the court finds either:

(i) that the presumption of certification created by subdivision 2a applies and the child has not rebutted the presumption by clear and convincing evidence demonstrating that retaining the proceeding in the juvenile court serves public safety; or

(ii) that the presumption of certification does not apply and the prosecuting authority has demonstrated by clear and convincing evidence that ~~the child is not suitable to treatment or that the~~ retaining the proceeding in the juvenile court does not serve public safety ~~is not served under the provisions of laws relating to juvenile courts~~. If the court finds that the prosecutor has not demonstrated by clear and convincing evidence that retaining the proceeding in juvenile court does not serve public safety, the court shall retain the proceeding in juvenile court.

Subd. 2a. [PRESUMPTION OF CERTIFICATION.] It is presumed that a proceeding involving an offense committed by a child will be certified to district court if:

(1) the child was 16 or 17 years old at the time of the offense; and

(2) the delinquency petition alleges that the child committed an offense that would result in a presumptive commitment to prison under the sentencing guidelines and applicable statutes, or that the child committed any felony offense while using, whether by brandishing, displaying, threatening with, or otherwise employing, a firearm.

If the court determines that probable cause exists to believe the child committed the alleged offense, the burden is on the child to rebut this presumption by demonstrating by clear and convincing evidence that retaining the proceeding in the juvenile court serves public safety. If the court finds that the child has not rebutted the presumption by clear and convincing evidence, the court shall certify the child to district court.

Subd. 2b. [PUBLIC SAFETY.] In determining whether the public safety is served by certifying a child to district court, the court shall consider the following factors:

(1) the seriousness of the alleged offense in terms of community protection, including the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm, and the impact on any victim;

(2) the culpability of the child in committing the alleged offense, including the level of the child's participation in planning and carrying out the offense and the existence of any mitigating factors recognized by the sentencing guidelines;

(3) the child's prior record of delinquency;

(4) the child's programming history, including the child's past willingness to participate meaningfully in available programming;

(5) the adequacy of the punishment or programming available in the juvenile justice system; and

(6) the dispositional options available for the child.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the child's prior record of delinquency than to the other factors listed in this subdivision.

~~Subd. 3. [PRIMA FACIE CASE.] A prima facie case that the public safety is not served or that the child is not suitable for treatment shall have been established if the child was at least 16 years of age at the time of the alleged offense and:~~

~~(1) is alleged by delinquency petition to have committed an aggravated felony against the person and (a) in committing the offense, the child acted with particular cruelty or disregard for the life or safety of another; or (b) the offense involved a high degree of sophistication or planning by the juvenile; or (c) the juvenile, at the time of the offense, used, whether by brandishing, displaying, threatening with, or otherwise employing, a firearm; or~~

~~(2) is alleged by delinquency petition to have committed murder in the first degree; or~~

~~(3) is alleged by delinquency petition (a) to have committed the delinquent act of escape from confinement to a state juvenile correctional facility or a local juvenile correctional facility and (b) to have committed an offense as part of, or subsequent to, escape from custody that would be a felony listed in section 609.11, subdivision 9, if committed by an adult; or~~

~~(4) has been found by the court, pursuant to an admission in court or after trial, to have committed an offense within the preceding 24 months which would be a felony if committed by an adult, and is alleged by delinquency petition to have committed murder in the second or third degree, manslaughter in the first degree, criminal sexual conduct in the first degree or assault in the first degree; or~~

~~(5) has been found by the court, pursuant to an admission in court or after trial, to have committed two offenses, not in the same behavioral incident, within the preceding 24 months which would be felonies if committed by an adult, and is alleged by delinquency petition to have committed manslaughter in the second degree, kidnapping, criminal sexual conduct in the second degree, arson in the first degree, aggravated robbery, or assault in the second degree; or~~

~~(6) has been found by the court, pursuant to an admission in court or after trial, to have committed two offenses, not in the same behavioral incident, within the preceding 24 months, one or both of which would be the felony of burglary of a dwelling if committed by an adult, and the child is alleged by the delinquency petition to have committed another burglary of a dwelling. For purposes of this subdivision, "dwelling" means a building which is, in whole or in part, usually occupied by one or more persons living there at night; or~~

~~(7) has previously been found by the court, pursuant to an admission in court or after trial, to have committed three offenses, none in the same behavioral incident, within the preceding 24 months which would be felonies if committed by an adult, and is alleged by delinquency petition to have committed any felony other than those described in clause (2), (4), or (5); or~~

~~(8) is alleged by delinquency petition to have committed an aggravated felony against the person, other than a violation of section 609.713, in furtherance of criminal activity by an organized gang; or~~

~~(9) has previously been found by the court, pursuant to an admission in court or after trial, to have committed an offense which would be a felony if committed by an adult, and is alleged by delinquency petition to have committed a felony level violation of chapter 152 involving the unlawful sale or possession of a schedule I or II controlled substance, while in a park zone or a school zone as defined in section 152.01, subdivisions 12a and 14a. This clause does not apply to a juvenile alleged to have unlawfully possessed a controlled substance in a private residence located within the school zone or park zone; or~~

~~(10) is alleged by delinquency petition to have committed a violation of section 624.713, subdivision 1, clause (a), and has been previously found by the court, pursuant to an admission in court or after trial, to have committed a violation of section 624.713, subdivision 1, clause (a).~~

~~For the purposes of this subdivision, "aggravated felony against the person" means a violation of any of the following provisions: section 609.185; 609.19; 609.195; 609.20, subdivision 1 or 2; 609.221; 609.222; 609.223; 609.245; 609.25; 609.342; 609.343; 609.344, subdivision 1, clause (c) or (d); 609.345, subdivision 1, clause (c) or (d); 609.561; 609.582, subdivision 1, clause (b) or (c); or 609.713.~~

~~For the purposes of this subdivision, an "organized gang" means an association of five or more persons, with an established hierarchy, formed to encourage members of the association to perpetrate crimes or to provide support to members of the association who do commit crimes.~~

Subd. 3a. [PRIOR ~~REFERENCE~~ CERTIFICATION; EXCEPTION.] Notwithstanding the provisions of subdivisions 2, ~~and 3~~ 2a, and 2b, the court shall order a ~~reference~~ certification in any felony case ~~where~~ if the prosecutor shows that the child has been previously ~~referred for prosecution~~ prosecuted on a felony charge by an order of ~~reference~~ certification issued pursuant to either a hearing held under subdivision 2 or pursuant to the waiver of the right to such a hearing, other than a prior ~~reference~~ certification in the same case.

This subdivision only applies if the child is convicted of the offense or offenses for which the child was prosecuted pursuant to the order of ~~reference~~ certification or of a ~~lesser included~~ lesser-included offense which is a felony.

This subdivision does not apply to juvenile offenders who are subject to criminal court jurisdiction under section 609.055.

Subd. 3b. [ADULT CHARGED WITH JUVENILE OFFENSE.] The juvenile court has jurisdiction to hold a certification hearing on motion of the prosecuting authority to certify the matter to district court if:

(1) an adult is alleged to have committed an offense before the adult's 18th birthday; and

(2) a petition is filed under section 260.131 before expiration of the time for filing under section 628.26.

The court may not certify the matter to district court under this subdivision if the adult demonstrates that the delay was purposefully caused by the state in order to gain an unfair advantage.

Subd. 4. [EFFECT OF ORDER.] When the juvenile court enters an order ~~referring~~ certifying an alleged violation to ~~a prosecuting authority~~ district court, the prosecuting authority shall proceed with the case as if the jurisdiction of the juvenile court had never attached.

Subd. 5. [WRITTEN FINDINGS; OPTIONS.] The court shall decide whether to order certification to district court within 15 days after the certification hearing was completed, unless additional time is needed, in which case the court may extend the period up to another 15 days. If the juvenile court orders ~~a reference for prosecution~~ certification, and the presumption described in subdivision 2a does not apply, the order shall contain in writing, findings of fact and conclusions of law as to why ~~the child is not suitable to treatment or the~~ public safety is not served ~~under~~ by retaining the ~~provisions of laws relating to~~ proceeding in the juvenile ~~courts~~ court. If the juvenile court, after a hearing conducted pursuant to subdivision 2, decides not to order ~~a reference for prosecution~~ certification to district court, the decision shall contain, in writing, findings of fact and conclusions of law as to why ~~a reference for prosecution~~ certification is not ordered. If the juvenile court decides not to order certification in a case in which the presumption described in subdivision 2a applies, the court shall designate the proceeding an extended jurisdiction juvenile prosecution and include in its decision written findings of fact and conclusions of law as to why the retention of the proceeding in juvenile court serves public safety, with specific reference to the factors listed in subdivision 2b. If the court decides not to order certification in a case in which the presumption described in subdivision 2a does not apply, the court may designate the proceeding an extended jurisdiction juvenile prosecution.

Subd. 6. [FIRST-DEGREE MURDER.] When a motion for certification has been filed in a case in which the petition alleges that the child committed murder in the first degree, the prosecuting authority shall present the case to the grand jury for consideration of indictment under chapter 628 within 14 days after the petition was filed.

Subd. 7. [INAPPLICABILITY TO CERTAIN OFFENDERS.] This section does not apply to a child excluded from the definition of delinquent child under section 260.015, subdivision 5, paragraph (b).

Sec. 14. [260.126] [EXTENDED JURISDICTION JUVENILE PROSECUTIONS.]

Subdivision 1. [DESIGNATION.] A proceeding involving a child alleged to have committed a felony offense is an extended jurisdiction juvenile prosecution if:

(1) the child was 14 to 17 years old at the time of the alleged offense, a certification hearing was held, and the court designated the proceeding an extended jurisdiction juvenile prosecution;

(2) the child was 16 or 17 years old at the time of the alleged offense; the child is alleged to have committed an offense for which the sentencing guidelines and applicable statutes presume a commitment to prison or to have committed any felony in which the child allegedly used a firearm; and the prosecutor designated in the delinquency petition that the proceeding is an extended jurisdiction juvenile prosecution; or

(3) the child was 14 to 17 years old at the time of the alleged offense, the prosecutor requested that the proceeding be designated an extended jurisdiction juvenile prosecution, a hearing was held on the issue of designation, and the court designated the proceeding an extended jurisdiction juvenile prosecution.

Subd. 2. [HEARING ON PROSECUTOR'S REQUEST.] When a prosecutor requests that a proceeding be designated an extended jurisdiction juvenile prosecution, the court shall hold a hearing under section 260.155 to consider the request. The hearing must be held within 30 days of the filing of the request for designation, unless good cause is shown by the prosecution or the child as to why the hearing should not be held within this period in which case the hearing shall be held within 90 days of the filing of the request. If the prosecutor shows by clear and convincing evidence that designating the proceeding an extended jurisdiction juvenile prosecution serves public safety, the court shall grant the request for designation. In determining whether public safety is served, the court shall consider the factors specified in section 260.125, subdivision 2b. The court shall decide whether to designate the proceeding an extended jurisdiction juvenile prosecution within 15 days after the designation hearing is completed, unless additional time is needed, in which case the court may extend the period up to another 15 days.

Subd. 3. [PROCEEDINGS.] A child who is the subject of an extended jurisdiction juvenile prosecution has the right to a trial by jury and to the effective assistance of counsel, as described in section 260.155, subdivision 2.

Subd. 4. [DISPOSITION.] (a) If an extended jurisdiction juvenile prosecution results in a guilty plea or finding of guilt, the court shall:

(1) impose one or more juvenile dispositions under section 260.185; and

(2) impose an adult criminal sentence, the execution of which shall be stayed on the condition that the offender not violate the provisions of the disposition order and not commit a new offense.

(b) If a child prosecuted as an extended jurisdiction juvenile after designation by the prosecutor in the delinquency petition is convicted of an offense after trial that is not an offense described in subdivision 1, clause (2), the court shall adjudicate the child delinquent and order a disposition under section 260.185. If the extended jurisdiction juvenile proceeding results in a guilty plea for an offense not described in subdivision 1, clause (2), the court may impose a disposition under paragraph (a) if the child consents.

Subd. 5. [EXECUTION OF ADULT SENTENCE.] When it appears that a person convicted as an extended jurisdiction juvenile has violated the conditions of the stayed sentence, or is alleged to have committed a new offense, the court may, without notice, revoke the stay and probation and direct that the offender be taken into immediate custody. The court shall notify the offender in writing of the reasons alleged to exist for revocation of the stay of execution of the adult sentence. If the offender challenges the reasons, the court shall hold a summary hearing on the issue at which the offender is entitled to be heard and represented by counsel. After the hearing, if the court finds that reasons exist to revoke the stay of execution of sentence, the court shall treat the offender as an adult and order any of the adult sanctions authorized by section 609.14, subdivision 3. If the offender was convicted of an offense described in subdivision 1, clause (2), and the court finds that reasons exist to revoke the stay, the court must order execution of the previously-imposed sentence unless the court makes written findings regarding the mitigating factors that justify continuing the stay.

Subd. 6. [INAPPLICABILITY TO CERTAIN OFFENDERS.] This section does not apply to a child excluded from the definition of delinquent child under section 260.015, subdivision 5, paragraph (b).

Sec. 15. Minnesota Statutes 1992, section 260.131, is amended by adding a subdivision to read:

Subd. 4. [DELINQUENCY PETITION; EXTENDED JURISDICTION JUVENILE.] When a prosecutor files a delinquency petition alleging that a child committed a felony offense after reaching the age of 16 years, the prosecutor shall indicate in the petition whether the prosecutor designates the proceeding an extended jurisdiction juvenile prosecution. When a prosecutor files a delinquency petition alleging that a child aged 14 to 17 years committed a felony offense, the prosecutor may request that the court designate the proceeding an extended jurisdiction juvenile prosecution.

Sec. 16. Minnesota Statutes 1992, section 260.132, is amended to read:

260.132 [PROCEDURE; HABITUAL TRUANTS, RUNAWAYS, JUVENILE PETTY AND MISDEMEANOR OFFENDERS.]

Subdivision 1. [NOTICE.] When a peace officer, or attendance officer in the case of a habitual truant, has probable cause to believe that a child:

(1) is in need of protection or services under section 260.015, subdivision 2a, clause (11) or (12)~~, or~~;

(2) is a juvenile petty offender~~;~~ or

(3) has committed a delinquent act that would be a petty misdemeanor or misdemeanor if committed by an adult;

the officer may issue a notice to the child to appear in juvenile court in the county in which the child is found or in the county of the child's residence or, in the case of a juvenile petty offense, or a petty misdemeanor or misdemeanor delinquent act, the county in which the offense was committed. The officer shall file a copy of the notice to appear with the juvenile court of the appropriate county. If a child fails to appear in response to the notice, the court may issue a summons notifying the child of the nature of the offense alleged and the time and place set for the hearing. If the peace officer finds it necessary to take the child into custody, sections 260.165 and 260.171 shall apply.

Subd. 2. [EFFECT OF NOTICE.] Filing with the court a notice to appear containing the name and address of the child, specifying the offense alleged and the time and place it was committed, has the effect of a petition giving the juvenile court jurisdiction. In the case of running away, the place where the offense was committed may be stated in the notice as either the child's custodial parent's or guardian's residence or lawful placement or where the child was found by the officer. In the case of truancy, the place where the offense was committed may be stated as the school or the place where the child was found by the officer.

Subd. 3. [NOTICE TO PARENT.] Whenever a notice to appear or petition is filed alleging that a child is in need of protection or services under section 260.015, subdivision 2a, clause (11) or (12), ~~or~~ is a juvenile petty offender, or has committed a delinquent act that would be a petty misdemeanor or misdemeanor if committed by an adult, the court shall summon and notify the person or persons having custody or control of the child of the nature of the offense alleged and the time and place of hearing. This summons and notice shall be served in the time and manner provided in section 260.135, subdivision 1.

Sec. 17. Minnesota Statutes 1992, section 260.145, is amended to read:

260.145 [FAILURE TO OBEY SUMMONS OR SUBPOENA; CONTEMPT, ARREST.]

If any person personally served with summons or subpoena fails, without reasonable cause, to appear or bring the ~~minor~~ child, or if any custodial parent or guardian fails, without reasonable cause, to accompany the child to a hearing as required under section 260.155, subdivision 4b, the person may be proceeded against for contempt of court or the court may issue a warrant for the person's arrest, or both. Subd. 4. Sec. 2. Minnesota Statutes 1992, section 500.24, subdivision 3, is amended to read:

Subd. 3. [FARMING AND OWNERSHIP OF AGRICULTURAL LAND BY CORPORATIONS RESTRICTED.] No corporation, limited liability company, pension or investment fund, or limited partnership shall engage in farming; nor shall any corporation, limited liability company, pension or investment fund, or limited partnership, directly or indirectly, own, acquire, or otherwise obtain an interest, whether legal, beneficial or otherwise, in any title to real estate used for farming or capable of being used for farming in this state. Livestock that are delivered for slaughter or processing may be fed and cared for by a corporation up to 20 days prior to slaughter or processing. Provided, however, that the restrictions in this subdivision do not apply to corporations or partnerships in clause (b) and do not apply to corporations, limited partnerships, and pension or investment funds that record its name and the particular exception under clauses (a) to (s) under which the agricultural land is owned or farmed, have a conservation plan prepared for the agricultural land, report as required under subdivision 4, and satisfy one of the following conditions under clauses (a) to (s):

(a) a bona fide encumbrance taken for purposes of security;

(b) a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership as defined in subdivision 2 or a general partnership;

(c) agricultural land and land capable of being used for farming owned by a corporation as of May 20, 1973, or a pension or investment fund as of May 12, 1981, including the normal expansion of such ownership at a rate not to exceed 20 percent of the amount of land owned as of May 20, 1973, or, in the case of a pension or investment fund, as of May 12, 1981, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(d) agricultural land operated for research or experimental purposes with the approval of the commissioner of agriculture, provided that any commercial sales from the operation must be incidental to the research or experimental objectives of the corporation. A corporation, limited partnership, or pension or investment fund seeking to operate agricultural land for research or experimental purposes must submit to the commissioner a prospectus or proposal of the intended method of operation, containing information required by the commissioner including a copy of any operational contract with individual participants, prior to initial approval of an operation. A corporation, limited partnership, or pension or investment fund operating agricultural land for research or experimental purposes prior to May 1, 1988, must comply with all requirements of this clause except the requirement for initial approval of the project;

(e) agricultural land operated by a corporation or limited partnership for the purpose of raising breeding stock, including embryos, for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod. An entity that is organized to raise livestock other than dairy cattle under this clause after April 1, 1994, that does not meet the definition requirement for an authorized farm corporation must:

(1) sell all castrated animals to be fed out or finished to farming operations that are neither directly or indirectly owned by the business entity operating the breeding stock operation; and

(2) report its total production and sales annually to the commissioner of agriculture;

(f) agricultural land and land capable of being used for farming leased by a corporation or limited partnership in an amount, measured in acres, not to exceed the acreage under lease to such corporation as of May 20, 1973, or to the limited partnership as of May 1, 1988, and the additional acreage required for normal expansion at a rate not to exceed 20 percent of the amount of land leased as of May 20, 1973, for a corporation or May 1, 1988, for a limited partnership in any five-year period, and the additional acreage reasonably necessary to meet the requirements of pollution control rules;

(g) agricultural land when acquired as a gift (either by grant or a devise) by an educational, religious, or charitable nonprofit corporation or by a pension or investment fund or limited partnership; provided that all lands so acquired by a pension or investment fund, and all lands so acquired by a corporation or limited partnership which are not operated for research or experimental purposes, or are not operated for the purpose of raising breeding stock for resale to farmers or operated for the purpose of growing seed, wild rice, nursery plants or sod must be disposed of within ten years after acquiring title thereto;

(h) agricultural land acquired by a pension or investment fund or a corporation other than a family farm corporation or authorized farm corporation, as defined in subdivision 2, or a limited partnership other than a family farm partnership or authorized farm partnership as defined in subdivision 2, for which the corporation or limited partnership has documented plans to use and subsequently uses the land within six years from the date of purchase for a specific nonfarming purpose, or if the land is zoned nonagricultural, or if the land is located within an incorporated area. A pension or investment fund or a corporation or limited partnership may hold such agricultural land in such acreage as may be necessary to its nonfarm business operation; provided, however, that pending the development of agricultural land for nonfarm purposes, such land may not be used for farming except under lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership, or except when controlled through ownership, options, leaseholds, or other agreements by a corporation which has entered into an agreement with the United States of America pursuant to the New Community Act of 1968 (Title IV of the Housing and Urban Development Act of 1968, United States Code, title 42, sections 3901 to 3914) as amended, or a subsidiary or assign of such a corporation;

(i) agricultural lands acquired by a pension or investment fund or a corporation or limited partnership by process of law in the collection of debts, or by any procedure for the enforcement of a lien or claim thereon, whether created by mortgage or otherwise; provided, however, that all lands so acquired be disposed of within ten years after acquiring the title if acquired before May 1, 1988, and five years after acquiring the title if acquired on or after May 1, 1988, acquiring the title thereto, and further provided that the land so acquired shall not be used for farming during the ten-year or five-year period except under a lease to a family farm unit, a family farm corporation, an authorized farm corporation, a family farm partnership, or an authorized farm partnership. The aforementioned ten-year or five-year limitation period shall be deemed a covenant running with the title to the land against any grantee, assignee, or successor of the pension or investment fund, corporation, or limited partnership. Notwithstanding the five-year divestiture requirement under this clause, a financial institution may continue to own the agricultural land if the agricultural land is leased to the immediately preceding former owner, but must divest of the agricultural land within the ten-year period. Livestock acquired by a pension or investment fund, corporation, or limited partnership in the collection of debts, or by a procedure for the enforcement of lien or claim on the livestock whether created by security agreement or otherwise after the effective date of this act, must be sold or disposed of within one full production cycle for the type of livestock acquired or 18 months after the livestock is acquired, whichever is later;

(j) agricultural land acquired by a corporation regulated under the provisions of Minnesota Statutes 1974, chapter 216B, for purposes described in that chapter or by an electric generation or transmission cooperative for use in its business, provided, however, that such land may not be used for farming except under lease to a family farm unit, a family farm corporation, or a family farm partnership;

(k) agricultural land, either leased or owned, totaling no more than 2,700 acres, acquired after May 20, 1973, for the purpose of replacing or expanding asparagus growing operations, provided that such corporation had established 2,000 acres of asparagus production;

(l) all agricultural land or land capable of being used for farming which was owned or leased by an authorized farm corporation as defined in Minnesota Statutes 1974, section 500.24, subdivision 1, clause (d), but which does not qualify as an authorized farm corporation as defined in subdivision 2, clause (d);

(m) a corporation formed primarily for religious purposes whose sole income is derived from agriculture;

(n) agricultural land owned or leased by a corporation prior to August 1, 1975, which was exempted from the restriction of this subdivision under the provisions of Laws 1973, chapter 427, including normal expansion of such ownership or leasehold interest to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1975, in any five-year period and the additional ownership reasonably necessary to meet requirements of pollution control rules;

(o) agricultural land owned or leased by a corporation prior to August 1, 1978, including normal expansion of such ownership or leasehold interest, to be exercised at a rate not to exceed 20 percent of the amount of land owned or leased on August 1, 1978, and the additional ownership reasonably necessary to meet requirements of pollution control rules, provided that nothing herein shall reduce any exemption contained under the provisions of Laws 1975, chapter 324, section 1, subdivision 2;

(p) an interest in the title to agricultural land acquired by a pension fund or family trust established by the owners of a family farm, authorized farm corporation or family farm corporation, but limited to the farm on which one or more of those owners or shareholders have resided or have been actively engaged in farming as required by subdivision 2, clause (b), (c), or (d);

(q) agricultural land owned by a nursing home located in a city with a population, according to the state demographer's 1985 estimate, between 900 and 1,000, in a county with a population, according to the state demographer's 1985 estimate, between 18,000 and 19,000, if the land was given to the nursing home as a gift with the expectation that it would not be sold during the donor's lifetime. This exemption is available until July 1, 1995;

(r) the acreage of agricultural land and land capable of being used for farming owned and recorded by an authorized farm corporation as defined in Minnesota Statutes 1986, section 500.24, subdivision 2, paragraph (d), or a limited partnership as of May 1, 1988, including the normal expansion of the ownership at a rate not to exceed 20 percent of the land owned and recorded as of May 1, 1988, measured in acres, in any five-year period, and including additional ownership reasonably necessary to meet the requirements of pollution control rules;

(s) agricultural land owned or leased as a necessary part of an aquatic farm as defined in section 17.47, subdivision 3."

Delete the title and insert:

The motion prevailed and the amendment was adopted.

Winter moved to amend S. F. No. 1948, as amended, as follows:

Page 1, after line 5, insert:

"Section 1. [17.4999] [STORAGE, HANDLING, AND DISPOSAL OF FISH MANURE.]

Fish manure from aquatic farm operations:

(1) is subject to the same requirements under state law and rules as other animal manures; and

Sec. 2. Minnesota Statutes 1992, section 97A.135, subdivision 3, is amended to read:

Subd. 3. [COOPERATIVE FARMING AGREEMENTS.] On any public hunting, game refuge, ~~or~~ wildlife management area, or scientific and natural area lands, the commissioner may enter into written cooperative farming agreements with nearby farmers on a sharecrop basis, without competitive bidding, for the purpose of ~~establishing or maintaining~~ wildlife ~~food or cover for habitat purposes~~ and plant management. Cooperative farming agreements may also be used to allow pasturing of livestock. The agreements may provide for the bartering of a share of any crop, ~~not exceeding $1,500 in value and~~ produced from these lands, for services ~~such as weed control, planting, cultivation, or other wildlife habitat practices~~ or products that will enhance or benefit the management of state lands for plant and animal species. Cooperative farming agreements pursuant to this section shall not be considered leases for tax purposes under section 272.01, subdivision 2, or 273.19.

Sec. 3. Minnesota Statutes 1992, section 180.03, is amended by adding a subdivision to read:

Subd. 5. Upon written notice to the county mine inspector, a person, firm, or corporation that is actively and exclusively engaged in the business of cold water aquaculture shall be exempt from the requirements of subdivision 3. The exemption shall only apply to those portions of idle or abandoned open pit mines that are actively being used for aquaculture operations and that are owned by the person, firm, or corporation. A landowner exempted assumes all responsibility for inspection and safety measures pertaining to the affected parcels of land and the county mine inspector is relieved of inspection requirements. The notice provided to the county mine inspector pursuant to this subdivision shall be annual and shall be filed with the county mine inspector's office by January 15 of each year. The notice shall describe the affected parcels of land and shall provide a sworn affidavit by the landowner that the subject property will be actively and exclusively used for aquaculture purposes during the calendar year. Failure to comply with the notice requirement of this subdivision makes the idle or abandoned open pit mines subject to the provisions of subdivision 3."

"Sec. 3. [STUDY; CORPORATE IMPACT ON RURAL ECONOMY, ENVIRONMENT.]

(a) Changes to Minnesota corporate farming law under sections 1 and 2 are expected to have significant impacts on the sociology, the economic structure, and the natural environment of rural Minnesota. Greatest changes during early months and years following passage will relate to business enterprises organized as authorized farm corporations for the production of swine. The impacts and effects of changes in corporate farming law must be monitored and evaluated to determine whether they are of overall benefit or detriment to the rural economy and to efforts to effectively control non-point source pollution from livestock operations. The advisory task force created under this section will examine actual and projected effects and report findings and recommendations to the legislature.

(b) An advisory task force is authorized, consisting of two members of the Minnesota Senate appointed by the senate committee on rules and administration, two members of the Minnesota house of representatives appointed by the speaker of the house, and eight citizen members appointed by the commissioner of agriculture. No fewer than two of the members appointed by the commissioner must be production agriculture farmers with investment and direct involvement in a swine production enterprise having multiple shareholders or partners. No fewer than two of the members appointed by the commissioner must be family farmer swine producers with no investment or involvement in a consolidated or shared facility for swine production. Other members appointed by the commissioner must include persons with training and experience in agricultural economics, rural sociology, feedlot pollution control, and business organization structures. Each of the appointing authorities must make the required appointments not later than June 15, 1994. The commissioner shall convene the first meeting of the advisory task force not later than July 15, 1994.

(c) The commissioner of agriculture shall provide necessary resources and staff support for the meetings, activities, and report of the advisory task force. To the extent the advisory task force deems it necessary, the commissioner shall serve as fiscal agent for the task force for the purchase of non-state research and analytical services.

(d) The advisory task force shall report its findings and recommendations to the legislature not later than March 1, 1995. Recommendations must include proposals (1) to minimize non-point source pollution from livestock operations under the ownership or management of an authorized farm corporation; (2) to authorize and encourage farm business structures that maximize opportunities for economic success by farm families with both large scale and small scale livestock operations; (3) to support the economic health of small business enterprises in farming areas of the state; and (4) to examine the issue of responsibility for potential pollution damage.

Sec. 4. [APPROPRIATION.]

$50,000 is appropriated from the general fund to the commissioner of agriculture to provide staff and research support for the advisory task force under section 3.

Sec. 5. [EFFECTIVE DATE.]

(a) If the conditions in paragraph (b) are not met, sections 3 and 4 are effective the day following final enactment.

(b) If a bill styled as Senate File number 2168 is enacted into law during the 1994 regular session of the Minnesota legislature, and if the law includes authorization for and an appropriation for a task force on corporate farming law, sections 3 and 4 are of no effect upon and after the effective date of that act."

Money appropriated for the purposes of this subdivision must be distributed as grants.

(b) Except as provided in paragraph (c), a project may receive grant assistance up to 25 percent of the capital cost of the project or $2,000,000, whichever is less, except that projects constructed as a result of intercounty cooperative agreements may receive (1) grant assistance up to 25 percent of the capital cost of the project; or (2) $2,000,000 times the number of participating counties, whichever is less.

(c) A recycling project or a project to compost or cocompost waste may receive grant assistance up to 50 percent of the capital cost of the project or $2,000,000, whichever is less, except that projects completed as a result of intercounty cooperative agreements may receive (1) grant assistance up to 50 percent of the capital cost of the project; or (2) $2,000,000 times the number of participating counties, whichever is less. The following projects may also receive grant assistance in the amounts specified in this paragraph:

(1) a project to improve control of or reduce air emissions at an existing resource recovery facility; and

(2) a project to substantially increase the recovery of materials or energy, substantially reduce the amount or toxicity of waste processing residuals, or expand the capacity of an existing resource recovery facility to meet the resource recovery needs of an expanded region if each county from which waste is or would be received has achieved a recycling rate in excess of the goals in section 115A.551, and is implementing aggressive waste reduction and household hazardous waste management programs.

(d) Notwithstanding paragraph (e), the director may award grants for transfer stations that will initially transfer waste to landfills if the transfer stations are part of a planned resource recovery project, the county where the planned resource recovery facility will be located has a comprehensive solid waste management plan approved by the director, and the solid waste management plan proposes the development of the resource recovery facility. If the proposed resource recovery facility is not in place and operating within eight years of the date of the grant award, the recipient shall repay the grant amount to the state.

(e) Projects without resource recovery are not eligible for assistance.

(f) In addition to any assistance received under paragraph (b) or (c), a project may receive grant assistance for the cost of tests necessary to determine the appropriate pollution control equipment for the project or the environmental effects of the use of any product or material produced by the project.

(g) In addition to the application requirements of section 115A.51, an application for a project serving eligible jurisdictions in only a single county must demonstrate that cooperation with jurisdictions in other counties to develop the project is not needed or not feasible. Each application must also demonstrate that the project is not financially prudent without the state assistance, because of the applicant's financial capacity and the problems inherent in the waste management situation in the area, particularly transportation distances and limited waste supply and markets for resources recovered.

(h) For the purposes of this subdivision, a "project" means a processing facility, together with any transfer stations, transmission facilities, and other related and appurtenant facilities primarily serving the processing facility. The director shall adopt rules for the program by July 1, 1985.

(i) Notwithstanding anything in this subdivision to the contrary, a project to construct a new mixed municipal solid waste transfer station that has an enforceable commitment of at least ten years, or of sufficient length to retire bonds sold for the facility, to serve an existing resource recovery facility may receive grant assistance up to 75 percent of the capital cost of the project if addition of the transfer station will increase substantially the geographical area served by the resource recovery facility and the ability of the resource recovery facility to operate more efficiently on a regional basis and the facility meets the criteria in paragraph (c), the second clause (2). A transfer station eligible for assistance under this paragraph is not eligible for assistance under any other paragraph of this subdivision.

Sec. 6. Minnesota Statutes 1992, section 115A.5501, subdivision 1, is amended to read:

Subdivision 1. [STATEWIDE WASTE PACKAGING REDUCTION GOAL.] It is the goal of the state that there be a minimum 25 percent statewide per capita reduction in the amount of discarded packaging delivered to ~~solid waste composting, incineration, refuse-derived fuel and disposal~~ facilities by December 31, 1995, based on a reasonable estimate of the amount of packaging that was delivered to ~~solid waste composting, incineration, and disposal~~ facilities in calendar year 1992.

Sec. 7. Minnesota Statutes 1992, section 115A.5501, subdivision 2, is amended to read:

Subd. 2. [MEASUREMENT; PROCEDURES.] To measure the overall percentage of packaging in the statewide solid waste stream, the commissioner and the chair of the metropolitan council, in consultation with the director, shall each conduct an annual four-season solid waste composition study in the nonmetropolitan and metropolitan areas respectively or shall develop an alternative method that is as statistically reliable as a waste composition study to measure the percentage of packaging in the waste stream.

Beginning in 1993, the chair of the council shall submit the results from the metropolitan area to the commissioner by March 1 of each year. The commissioner shall average the nonmetropolitan and metropolitan results and submit the statewide percentage, along with a statistically reliable margin of error, to the director by April 1 of each year. The director shall report the information to the legislative commission on waste management by July 1 of each year. The 1994 report must include a discussion of the reliability of data gathered under this subdivision and the methodology used to determine a statistically reliable margin of error.

Sec. 8. Minnesota Statutes 1993 Supplement, section 115A.5501, subdivision 3, is amended to read:

Subd. 3. [FACILITY COOPERATION AND REPORTS.] The owner or operator of a ~~solid waste composting, incineration, refuse-derived fuel or disposal~~ facility shall allow access upon reasonable notice to authorized office, agency, or metropolitan council staff for the purpose of conducting waste composition studies or otherwise assessing the amount of total packaging in the waste delivered to the facility under this section.

Beginning in 1993, by February 1 of each year the owner or operator of a facility governed by this subdivision shall submit a report to the commissioner, on a form prescribed by the commissioner, specifying the total amount of solid waste received by the facility between January 1 and December 31 of the previous year. The commissioner shall calculate the total amount of solid waste delivered to solid waste facilities from the reports received from the facility owners or operators and shall report the aggregate amount to the director by April 1 of each year. The commissioner shall assess a nonforgivable administrative penalty under section 116.072 of $500 plus any forgivable amount necessary to enforce this subdivision on any owner or operator who fails to submit a report required by this subdivision.

Sec. 9. Minnesota Statutes 1992, section 115A.5501, is amended by adding a subdivision to read:

Subd. 5. [RECOMMENDATIONS FOR FURTHER REDUCTION GOALS.] If the goal in subdivision 1 is met, the director shall include in the report required in subdivision 4 recommendations for appropriate goals for further reducing the amount of discarded packaging delivered to facilities. The report must include an analysis of the costs of further reductions.

Sec. 10. Minnesota Statutes 1992, section 115A.5501, is amended by adding a subdivision to read:

Subd. 6. [DEFINITION.] For the purposes of this section, "facility" means a composting, incineration, refuse-derived fuel, or disposal facility that accepts mixed municipal solid waste or construction waste.

Sec. 11. [115A.5502] [PACKAGING PRACTICES; PREFERENCES; GOALS.]

Packaging forms a substantial portion of solid waste and contributes to environmental degradation and the costs of managing solid waste. It is imperative to reduce the amount and toxicity of packaging that must be managed as solid waste. In order to achieve significant reduction of packaging in solid waste and to assist packagers and others to meet the packaging reduction goal in section 115A.5501, the goal of the state is that items be distributed without any packaging where feasible and, only when necessary to protect health and safety or product integrity, with the minimal amount of packaging possible. The following categories of packaging are listed in order of preference for use by all persons who find it necessary to package items for distribution or use in the state:

(1) minimal packaging that contains no intentionally introduced toxic materials and that is designed to be and actually is reused for its original purpose at least five times;

(2) minimal packaging that contains no intentionally introduced toxic materials, that is recyclable, and is regularly collected through recycling collection programs available to at least 75 percent of the residents of the state;

(3) minimal packaging that does not comply with clauses (1) and (2) because it is required under federal or state law and for which there does not exist a commercially feasible alternative that does comply with clauses (1) and (2);

(4) packaging that contains no intentionally introduced toxic materials but does not comply with clauses (1) to (3); and

(5) all other packaging.

Sec. 12. Minnesota Statutes 1992, section 115A.554, is amended to read:

115A.554 [AUTHORITY OF SANITARY DISTRICTS.]

A sanitary district ~~with the authority to regulate solid waste~~ has the ~~authority~~ authorities and ~~duty~~ duties of counties within the district's boundary for purposes of sections 115A.46, subdivision 4; 115A.48; 115A.551; 115A.552; 115A.553; 115A.919; 115A.929; 115A.93; 115A.96, subdivision 6; 115A.961; 115A.991; 375.18, subdivision 14; ~~and~~ 400.08, ~~subdivision 5~~ except subdivision 4, paragraph (b); 400.16; and 400.161.

Sec. 13. Minnesota Statutes 1992, section 115A.557, subdivision 3, is amended to read:

Subd. 3. [ELIGIBILITY TO RECEIVE MONEY.] (a) To be eligible to receive money distributed by the office under this section, a county shall within one year of October 4, 1989:

(1) create a separate account in its general fund to credit the money; and

(2) set up accounting procedures to ensure that money in the separate account is spent only for the purposes in subdivision 2.

(b) In each following year, each county shall also:

(1) have in place an approved solid waste management plan or master plan including a recycling implementation strategy under section 115A.551, subdivision 7, or 473.803, subdivision 1e, and a household hazardous waste management plan under section 115A.96, subdivision 6, by the dates specified in those provisions;

(2) submit a report by ~~March~~ April 1 of each year to the office detailing how the money was spent and the resulting gains achieved in solid waste management practices during the previous calendar year; and

(3) provide evidence to the office that local revenue equal to 25 percent of the money sought for distribution under this section will be spent for the purposes in subdivision 2.

(c) The office shall withhold all or part of the funds to be distributed to a county under this section if the county fails to comply with this subdivision and subdivision 2.

Sec. 14. Minnesota Statutes 1992, section 115A.87, is amended to read:

115A.87 [JUDICIAL REVIEW; ATTORNEY GENERAL TO PROVIDE COUNSEL.]

An action challenging a designation must be brought within 60 days of the approval of the designation by the reviewing authority. The action is subject to section 562.02.

In any action challenging a designation ordinance or the implementation of a designation ordinance, the person bringing the challenge shall notify the attorney general. The attorney general may intervene in any administrative or court action to represent the state's interest in designation of solid waste, and, on request of a county whose designation ordinance has been challenged, provide legal representation for the county in any administrative or court action related to the challenge.

Sec. 15. Minnesota Statutes 1992, section 115A.882, subdivision 3, is amended to read:

Subd. 3. [INSPECTION.] A person authorized by a county in which a designation ordinance is effective may, anywhere in the state:

(1) upon presentation of identification and without a search warrant, inspect or copy the records required to be kept on a waste collection vehicle under subdivision 2 and inspect the waste on the vehicle at the time of deposit of the waste at a facility;

(2) when reasonable notice under the circumstances has been given, upon presentation of identification and without a search warrant, inspect or copy the records of an owner or operator of a solid waste facility that are required to be maintained under subdivision 2;

(3) request, in writing, copies of records of a solid waste collector that indicate the type, origin, and weight or, if applicable, the volume of waste collected, the identity of the facility at which the waste was deposited, and the date of deposit at the facility; and

(4) upon presentation of identification and without a search warrant, inspect or copy that portion of the business records of a waste collector necessary to comply with clause (3) at the central record-keeping location of the waste collector only if the collector fails to provide copies of the records within 15 days of receipt of a written request for them, unless the time has been extended by agreement of the parties.

Records or information received, inspected, or copied by a county under this section are classified as nonpublic data as defined in section 13.02, subdivision 9, and may be used by the county solely for enforcement of a designation ordinance. A waste collector or the owner or operator of a waste facility shall maintain business records needed to comply with this section for two years.

Sec. 16. Minnesota Statutes 1992, section 115A.882, is amended by adding a subdivision to read:

Subd. 4. [CIVIL ENFORCEMENT; VENUE.] (a) A person who fails to comply with this section is subject to:

(1) an action to compel performance or to restrain or enjoin any activity that interferes with the requirement to keep records in subdivision 2 or the requirement to allow timely entry and inspection in subdivision 3;

(2) damages caused by the failure to keep records or by refusal to allow timely entry or inspection;

(3) a civil penalty payable to the county seeking enforcement of up to $10,000 per day for each day of refusal to allow timely entry or inspection; or

(4) any or all of the above.

(b) A county in which a designation ordinance is in effect may enforce this section by commencing an action in district court in the county in which the facility is located or in the county in which the designation ordinance is in effect. The court may compel performance in any manner deemed appropriate by the court, including, but not limited to, issuance of an order to show cause, a temporary restraining order, or an injunction. In addition, the court may order payment of damages or a civil penalty or both. In an action brought by a county to enforce this section in which the county substantially prevails, the court may order payment by the defendant of the county's costs and disbursements, including reasonable attorney fees.

Sec. 17. Minnesota Statutes 1992, section 115A.9157, subdivision 4, is amended to read:

Subd. 4. [PILOT PROJECTS.] By April 15, 1992, manufacturers whose rechargeable batteries or products powered by rechargeable batteries are sold in this state shall implement pilot projects for the collection and proper management of all rechargeable batteries and the participating manufacturers' products powered by nonremovable rechargeable batteries. Manufacturers may act as a group or through a representative organization. The pilot projects must run for a minimum of 18 months and be designed to collect sufficient statewide data for the design and implementation of permanent collection and management programs that may be reasonably expected to collect at least 90 percent of waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state.

By December 1, 1991, the manufacturers or their representative organization shall submit plans for the projects to the legislative commission. ~~At least every six months during the pilot projects the manufacturers shall submit progress reports to the commission. The commission shall review the plans and progress reports.~~

By November 1, 1993, the manufacturers or their representative organization shall report to the legislative commission the final results of the projects and plans for implementation of permanent programs. The commission shall review the final results and plans.

By October 1, 1994, and by October 1, 1995, each manufacturer or a representative organization shall submit to the commission additional reports that detail progress made toward implementing permanent management programs. The October 1, 1995, report must include a description of the programs implemented under subdivision 5. These progress reports must include the estimated amount of rechargeable batteries subject to this section sold in the state by each manufacturer and the amount of batteries each collected during the previous year. A representative organization may report amounts in aggregate for all the members of the organization.

Sec. 18. Minnesota Statutes 1992, section 115A.9157, subdivision 5, is amended to read:

Subd. 5. [COLLECTION AND MANAGEMENT PROGRAMS.] By ~~April 15, 1994~~ September 20, 1995, the manufacturers or their representative organization shall implement permanent programs, based on the results of the pilot projects required in subdivision 4, that may be reasonably expected to collect 90 percent of the waste rechargeable batteries and the participating manufacturers' products powered by rechargeable batteries that are generated in the state. The batteries and products collected must be recycled or otherwise managed or disposed of properly.

In every odd-numbered year after 1995, each manufacturer or a representative organization shall provide information to the commission that specifies at least the estimated amount of rechargeable batteries subject to this section sold in the state by each manufacturer and the amount of batteries each collected during the previous two years. A representative organization may report the amounts in aggregate for all the members of the organization.

Sec. 19. Minnesota Statutes 1993 Supplement, section 115A.916, is amended to read:

115A.916 [MOTOR AND VEHICLE FLUIDS AND FILTERS; PROHIBITIONS.]

(a) A person may not knowingly place motor oil, brake fluid, power steering fluid, transmission fluid, motor oil filters, or antifreeze:

(1) in solid waste or in a solid waste management facility other than a recycling facility or a household hazardous waste collection facility;

(2) in or on the land, unless approved by the agency; or

(3) in or on the waters of the state or in a stormwater or wastewater collection or treatment system.

(b) For the purposes of this section, "antifreeze" does not include small amounts of antifreeze contained in water used to flush the cooling system of a vehicle after the antifreeze has been drained and does not include deicer that has been used on the exterior of a vehicle.

(c) This section does not apply to antifreeze placed in a wastewater collection system that includes a publicly or privately owned treatment works that is permitted by the agency until ~~July 1, 1995~~ December 31, 1996.

(d) Notwithstanding paragraph (a), motor oil filters and portions of motor oil filters may be processed at a permitted mixed municipal solid waste resource recovery facility that directly burns the waste if:

(1) the facility is subject to an industrial waste management plan that addresses management of motor oil filters and the owner or operator of the facility can demonstrate to the satisfaction of the commissioner that the facility is in compliance with that plan;

(2) the facility recovers ferrous metal after incineration for recycling as part of its operation; and

(3) the motor oil filters are collected separately from mixed municipal solid waste and are not combined with it except for the purpose of incinerating the waste.

Sec. 20. Minnesota Statutes 1992, section 115A.918, subdivision 1, is amended to read:

Subdivision 1. [SCOPE.] The definitions in this section apply to this section and sections 115A.919 ~~and 115A.921~~ to 115A.929.

Sec. 21. Minnesota Statutes 1992, section 115A.918, is amended by adding a subdivision to read:

Subd. 2a. [EQUIVALENT.] For mixed municipal solid waste, the measure of "equivalent" or "equivalent cubic yards of waste" is 3.33 cubic yards per ton of waste.

Sec. 22. Minnesota Statutes 1992, section 115A.919, subdivision 3, is amended to read:

Subd. 3. [EXEMPTIONS.] (a) Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from any fee imposed by a county under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate county, except that for facilities operating outside of the metropolitan area the commissioner shall prescribe procedures for verifying the required 85 percent volume reduction.

(b) A facility permitted for the disposal of construction debris is exempt from 25 percent of a fee imposed under subdivision 1 if the facility has implemented a recycling program approved by the county and 25 percent if the facility contains a liner and leachate collection system approved by the agency.

Sec. 23. Minnesota Statutes 1992, section 115A.921, subdivision 1, is amended to read:

Subdivision 1. [MIXED MUNICIPAL SOLID WASTE.] A city or town may impose a fee, not to exceed $1 per cubic yard of waste, or its equivalent, on operators of facilities for the disposal of mixed municipal solid waste located within the city or town. The revenue from the fees must be credited to the city or town general fund. Revenue produced by 25 cents of the fee must be used only for purposes of landfill abatement or for purposes of mitigating and compensating for the local risks, costs, and other adverse effects of facilities. Revenue produced by the balance of the fee may be used for any general fund purpose.

Waste residue from recycling facilities at which recyclable materials are separated or processed for the purpose of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse shall be exempt from the fee imposed by a city or town under this section if there is at least an 85 percent volume reduction in the solid waste processed. Before any fee is reduced, the verification procedures of section 473.843, subdivision 1, paragraph (c), must be followed and submitted to the appropriate city or town, except that for facilities operating outside of the metropolitan area the commissioner shall prescribe procedures for verifying the required 85 percent volume reduction.

Sec. 24. Minnesota Statutes 1993 Supplement, section 115A.929, is amended to read:

115A.929 [FEES; ACCOUNTING.]

Sec. 25. Minnesota Statutes 1992, section 115A.9301, is amended by adding a subdivision to read:

Subd. 3. [ALTERNATIVE.] A local government unit may satisfy the requirements of this section by establishing at least three price categories for collection of household mixed municipal solid waste to include, for households that generate small volumes of waste, a waste collection unit that is smaller than and priced lower than for other generators if the local government unit:

(1) operates or contracts for the operation of a residential recycling program that collects more categories of recyclable materials than required in section 115A.552;

(2) has a residential participation rate in its recycling programs of at least 70 percent or in excess of the participation rate for the county in which it is located, whichever is greater;

(3) is located in a county that has exceeded the recycling goals in section 115A.551; and

Sec. 26. Minnesota Statutes 1992, section 115A.95, is amended to read:

115A.95 [RECYCLABLE MATERIALS.]

A disposal facility or a resource recovery facility that is composting waste, burning waste, or converting waste to energy or to materials for combustion~~, and is owned or operated by a public agency or supported by public funds or by obligations issued by a public agency,~~ may not accept source-separated recyclable materials, and a solid waste collector or transporter may not deliver source-separated recyclable materials to such a facility, except for recycling or transfer to a recycler, unless the director determines that no other person is willing to accept the recyclable materials.

Sec. 27. Minnesota Statutes 1992, section 115A.9561, subdivision 2, is amended to read:

Subd. 2. [RECYCLING REQUIRED.] Major appliances must be recycled or reused. Each county shall ensure that its ~~residents~~ households have the opportunity to recycle used major appliances. For the purposes of this section, recycling includes:

Subd. 6. [~~RULES~~ IMPLEMENTATION; DISPUTE RESOLUTION.] In lieu of adopting rules to implement this section, the commissioner of the pollution control agency~~, in consultation with the director of the office of waste management, shall adopt rules to implement this section~~ shall seek membership in the toxics in packaging clearinghouse administered by the source reduction task force of the Coalition of Northeastern Governors for the purposes of implementation of this section and resolving issues and disputes that arise in connection with it. The commissioner shall seek a recommendation from the clearinghouse prior to making a decision on an issue or dispute of first impression and shall implement the recommendation unless the commissioner specifically finds that the recommended determination is not in the state's best interest. A package for which a request for exemption has been submitted to the commissioner is not subject to enforcement action pending the commissioner's determination.

Sec. 29. Minnesota Statutes 1992, section 115A.965, is amended by adding a subdivision to read:

Subd. 7. [REPORT.] By September 1 of each odd-numbered year, the commissioner shall prepare and submit to the legislative commission a report to include:

(1) enforcement actions taken by the commissioner under this section for the reporting period; and

(2) issues and disputes that have arisen under this section, the recommendations made by the toxics in packaging clearinghouse for resolution of those issues and disputes, and how those issues and disputes were finally resolved by the commissioner.

Sec. 30. Minnesota Statutes 1993 Supplement, section 115A.9651, is amended to read:

115A.9651 [TOXICS IN SPECIFIED PRODUCTS; ENFORCEMENT.]

Subdivision 1. [PROHIBITION.] ~~After July 1, 1994,~~ (a) No person may ~~deliberately introduce lead, cadmium, mercury, or hexavalent chromium into~~ distribute for sale or use in this state any ink, dye, pigment, paint, or fungicide ~~that is intended for use or for sale in this state~~ manufactured after September 1, 1994, into which lead, cadmium, mercury, or hexavalent chromium has been intentionally introduced.

~~Until July 1, 1997, this section does not apply to electrodeposition primer coating or primer coating used on aircraft, porcelain enamel coatings, medical devices, hexavalent chromium in the form of chromine acid when processed at a temperature of at least 750 degrees Fahrenheit, or ink used for computer identification markings.~~

(b) For the purposes of this subdivision, "intentionally introduce" means to deliberately use a metal listed in paragraph (a) as an element during manufacture or distribution of an item listed in paragraph (a). Intentional introduction does not include the incidental presence of any of the prohibited elements.

(c) The concentration of a listed metal in an item listed in paragraph (a) may not exceed 100 parts per million.

Subd. 2. [TEMPORARY EXEMPTION.] (a) An item listed in subdivision 1 is exempt from this section until July 1, 1997, if the manufacturer of the item submits to the commissioner a written request for an exemption by August 1, 1994. The request must include at least:

(1) an explanation of why compliance is not technically feasible at the time of the request;

(2) how the manufacturer will comply by July 1, 1997; and

(3) the name, address, and telephone number of a person the commissioner can contact for further information.

(b) By September 1, 1994, a person who uses an item listed in subdivision 1, into which one of the listed metals has been intentionally introduced, may submit, on behalf of the manufacturer, a request for temporary exemption only if the manufacturer fails to submit an exemption request as provided in paragraph (a). The request must include:

(1) an explanation of why the person must continue to use the item and a discussion of potential alternatives;

(2) an explanation of why it is not technically feasible at the time of the request to formulate or manufacture the item without intentionally introducing a listed metal;

(3) that the person will seek alternatives to using the item by July 1, 1997, if it still contains an intentionally introduced listed metal; and

(4) the name, address, and telephone number of a person the commissioner can contact for further information.

(c) A person who submits a request for temporary exemption under paragraph (b) may submit a request for a temporary exemption after September 1, 1994, for an item that the person will use as an alternative to the item for which the request was originally made as long as the new item has a total concentration level of all the listed metals that is significantly less than in the original item. An exemption under this paragraph expires July 1, 1997, and the person who requests it must submit the progress description required in paragraph (e).

(d) By October 1, 1994, and annually thereafter if requests are received under paragraph (c), the commissioner shall submit to the legislative commission on waste management a list of manufacturers and persons that have requested an exemption under this subdivision and the items for which exemptions were sought, along with copies of the requests.

(e) By July 1, 1996, each manufacturer on the list shall submit to the commissioner a description of the progress the manufacturer has made toward compliance with subdivision 1, and the date compliance has been achieved or the date on or before July 1, 1997, by which the manufacturer anticipates achieving compliance. By July 1, 1996, each person who has requested an exemption under paragraph (b) or (c) shall submit to the commissioner:

(1) a description of progress made to eliminate the listed metal or metals from the item or progress made by the person to find a replacement item that does not contain an intentionally introduced listed metal; and

(2) the date or anticipated date the item is or will be free of intentionally introduced metals or the date the person has stopped or will stop using the item.

By October 1, 1996, the commissioner shall submit to the legislative commission a summary of the progress made by the manufacturers and other persons and any recommendations for appropriate legislative or other action to ensure that products are not distributed in the state after July 1, 1997, that violate subdivision 1.

Subd. 3. [APPLICATION; ENFORCEMENT.] (a) This section does not apply to art supplies.

(b) This section may be enforced under sections 115.071 and 116.072. The attorney general or the commissioner of the agency shall coordinate enforcement of this section with the director of the office.

Sec. 31. Minnesota Statutes 1993 Supplement, section 115A.981, subdivision 3, is amended to read:

Subd. 3. [REPORT.] (a) The commissioner shall report to the legislative commission on waste management by July 1 of each odd-numbered year on the economic status and outlook of the state's solid waste management sector including an estimate of the extent to which prices for solid waste management paid by consumers reflect costs related to environmental and public health protection, including a discussion of how prices are publicly and privately subsidized and how identified costs of waste management are not reflected in the prices.

(b) In preparing the report, the commissioner shall:

(1) consult with the director; the metropolitan council; local government units; solid waste collectors, transporters, and processors; owners and operators of solid waste facilities; and other interested persons;

(2) consider and analyze information received under subdivision 2 and information available under section 115A.929; and

(3) analyze information gathered and comments received relating to the most recent solid waste management policy report prepared under section 115A.411.

The commissioner shall also recommend any legislation necessary to ensure adequate and reliable information needed for preparation of the report.

(c) The report must also include:

(1) statewide and facility by facility estimates of the total potential costs and liabilities associated with solid waste disposal facilities for closure and postclosure care, response costs under chapter 115B, and any other potential costs, liabilities, or financial responsibilities;

(2) statewide and facility by facility requirements for proof of financial responsibility under section 116.07, subdivision 4h, and how each facility is meeting those requirements.

Sec. 32. Minnesota Statutes 1992, section 116.07, subdivision 4h, is amended to read:

Subd. 4h. [FINANCIAL RESPONSIBILITY RULES.] (a) The agency shall adopt rules requiring the operator or owner of a solid waste disposal facility to submit to the agency proof of the operator's or owner's financial capability to provide reasonable and necessary response during the operating life of the facility and for ~~20~~ 30 years after closure

for a mixed municipal solid waste disposal facility or for a minimum of 20 years after closure, as determined by agency rules, for any other solid waste disposal facility, and to provide for the closure of the facility and postclosure care required under agency rules. Proof of financial responsibility is required of the operator or owner of a facility receiving an original permit or a permit for expansion after adoption of the rules. Within 180 days of the effective date of the rules or by July 1, 1987, whichever is later, proof of financial responsibility is required of an operator or owner of a facility with a remaining capacity of more than five years or 500,000 cubic yards that is in operation at the time the rules are adopted. Compliance with the rules and the requirements of paragraph (b) is a condition of obtaining or retaining a permit to operate the facility.

(b) A municipality, as defined in section 475.51, subdivision 2, including a sanitary district, that owns or operates a solid waste disposal facility that was in operation on May 15, 1989, may meet its financial responsibility for all or a portion of the contingency action portion of the reasonable and necessary response costs at the facility by pledging its full faith and credit to meet its responsibility.

The pledge must be made in accordance with the requirements in chapter 475 for issuing bonds of the municipality, and the following additional requirements:

(1) The governing body of the municipality shall enact an ordinance that clearly accepts responsibility for the costs of contingency action at the facility and that reserves, during the operating life of the facility and for ~~20 years~~ the time period required in paragraph (a) after closure, a portion of the debt limit of the municipality, as established under section 475.53 or other law, that is equal to the total contingency action costs.

(2) The municipality shall require that all collectors that haul to the facility implement a plan for reducing solid waste by using volume-based pricing, recycling incentives, or other means.

(3) When a municipality opts to meet a portion of its financial responsibility by relying on its authority to issue bonds, it shall also begin setting aside in a dedicated long-term care trust fund money that will cover a portion of the potential contingency action costs at the facility, the amount to be determined by the agency for each facility based on at least the amount of waste deposited in the disposal facility each year, and the likelihood and potential timing of conditions arising at the facility that will necessitate response action. The agency may not require a municipality to set aside more than five percent of the total cost in a single year.

(4) A municipality shall have and consistently maintain an investment grade bond rating as a condition of using bonding authority to meet financial responsibility under this section.

(5) The municipality shall file with the commissioner of revenue its consent to have the amount of its contingency action costs deducted from state aid payments otherwise due the municipality and paid instead to the environmental response, compensation, and compliance account created in section 115B.20, if the municipality fails to conduct the contingency action at the facility when ordered by the agency. If the agency notifies the commissioner that the municipality has failed to conduct contingency action when ordered by the agency, the commissioner shall deduct the amounts indicated by the agency from the state aids in accordance with the consent filed with the commissioner.

(6) The municipality shall file with the agency written proof that it has complied with the requirements of paragraph (b).

(c) The method for proving financial responsibility under paragraph (b) may not be applied to a new solid waste disposal facility or to expansion of an existing facility, unless the expansion is a vertical expansion. Vertical expansions of qualifying existing facilities cannot be permitted for a duration of longer than three years.

Sec. 33. [116.073] [FIELD CITATIONS.]

Subdivision 1. [AUTHORITY TO ISSUE.] Pollution control agency staff designated by the commissioner and department of natural resources conservation officers may issue citations to a person who disposes of solid waste as defined in section 116.06, subdivision 22, at a location not authorized by law for the disposal of solid waste without permission of the owner of the property. A citation issued under this subdivision must include a requirement that the person cited remove and properly dispose of or otherwise manage the waste or reimburse any government agency that has disposed of the waste for the reasonable costs of disposal.

Subd. 2. [PENALTY AMOUNT.] The citation must impose the following penalty amounts:

(1) $100 per major appliance, as defined in section 115A.03, subdivision 17a, up to a maximum of $2,000;

(2) $25 per waste tire, as defined in section 115A.90, subdivision 11, up to a maximum of $2,000;

(3) $25 per lead acid battery governed by section 115A.915, up to a maximum of $2,000;

(4) $1 per pound of other solid waste or $20 per cubic foot up to a maximum of $2,000; and

(5) up to $200 for any amount of waste that escapes from a vehicle used for the transportation of solid waste if, after receiving actual notice that waste has escaped the vehicle, the person or company transporting the waste fails to immediately collect the waste.

Subd. 3. [APPEALS.] Citations may be appealed under the procedures in section 116.072, subdivision 6, if the person requests a hearing by notifying the commissioner in writing within 15 days after receipt of the citation. If a hearing is not requested within the 15-day period, the citation becomes a final order not subject to further review.

Subd. 4. [ENFORCEMENT OF FIELD CITATIONS.] Field citations may be enforced under section 116.072, subdivisions 9 and 10.

Subd. 5. [CUMULATIVE REMEDY.] The authority to issue field citations is in addition to other remedies available under statutory or common law, except that the state may not seek penalties under any other provision of law for the incident subject to the citation.

Sec. 34. Minnesota Statutes 1992, section 116.731, is amended by adding a subdivision to read:

Subd. 4a. [VENTING.] A person may not knowingly vent or otherwise release into the environment any CFC used as a refrigerant in appliances.

Sec. 35. [116.735] [APPLIANCE RECYCLERS AND SERVICERS; TRAINING AND CERTIFICATION.]

The agency shall develop standards of competence for persons who service or recycle appliances that may contain CFCs and the commissioner may conduct training programs for persons who service or recycle appliances. A person engaged in the business of recycling appliances as described in section 115A.9561, subdivision 2, shall, and a person who services appliances may, obtain from the commissioner a certificate of competence or equivalent federal certification that has been approved by the commissioner.

The agency may adopt rules to implement this section.

Sec. 36. Minnesota Statutes 1992, section 116.76, subdivision 4, is amended to read:

Subd. 4. [COMMERCIAL TRANSPORTER.] "Commercial transporter" means a person, other than the United States government, who transports infectious or pathological waste for compensation.

Sec. 37. Minnesota Statutes 1993 Supplement, section 116.79, subdivision 1, is amended to read:

Subdivision 1. [PREPARATION OF MANAGEMENT PLANS.] (a) To the extent applicable to the facility, a person in charge of a facility that generates, stores, decontaminates, incinerates, or disposes of infectious or pathological waste must prepare a management plan for the infectious or pathological waste handled by the facility. A person may prepare a common management plan for all generating facilities owned and operated by the person. If a single plan is prepared to cover multiple facilities, the plan must identify common policy and procedures for the facilities and any management procedures that are facility specific. The plan must identify each generating facility covered by the plan. A management plan must list all physicians, dentists, chiropractors, podiatrists, veterinarians, certified nurse practitioners, certified nurse midwives, or physician assistants, employed by, under contract to, or working at the generating facilities, except hospitals or laboratories. A management plan from a hospital must list the number of licensed beds and from a laboratory must list the number of generating employees.

(b) The management plan must describe, to the extent the information is applicable to the facility:

(1) the type of infectious waste and pathological waste that the person generates or handles;

(2) the segregation, packaging, labeling, collection, storage, and transportation procedures for the infectious waste or pathological waste that will be followed;

(3) the decontamination or disposal methods for the infectious or pathological waste that will be used;

(4) the transporters and disposal facilities that will be used for the infectious waste;

(5) the steps that will be taken to minimize the exposure of employees to infectious agents throughout the process of disposing of infectious or pathological wastes; and

(6) the name of the individual responsible for the management of the infectious waste or pathological waste.

(c) If the generator mails sharps for storage, decontamination, or disposal, the plan must specify how the generator will comply with applicable federal laws and rules. The plan must also specify the name, address, and telephone number of the facility to which the sharps are mailed, the name of the person who receives the sharps at the facility, and the annual amount mailed to the facility. If the facility to which the sharps are mailed is not the disposal facility, the plan must also identify the disposal facility.

(d) The management plan must be kept at the facility.

~~(d)~~ (e) To the extent applicable to the facility, management plans must be accompanied by a statement of the quantity of infectious and pathological waste generated, decontaminated, stored, incinerated, or disposed of at the facility during the previous two-year period. Quantities shall be reported in pounds.

~~(e)~~ (f) A management plan must be updated at least once every two years.

Sec. 38. Minnesota Statutes 1992, section 116.92, subdivision 8, is amended to read:

Subd. 8. [BAN; TOYS ~~OR~~, GAMES, AND APPAREL.] A person may not sell for resale or at retail in this state a toy or game that contains mercury, or an item of clothing or wearing apparel that is exempt from sales tax under section 297A.25, subdivision 8, that contains an electric switch that contains mercury.

Sec. 39. Minnesota Statutes 1993 Supplement, section 400.04, subdivision 4, is amended to read:

Subd. 4. [MANAGEMENT AND SERVICE CONTRACTS.] Notwithstanding sections 375.21 and 471.345, a county may enter into contracts for the construction, installation, maintenance and operation of property and facilities on private or public lands and may contract for the furnishing of solid waste management services upon terms and conditions determined by the board, with or without advertisement for bids, including the use of conditional sales contracts and lease-purchase agreements. If a county contract is let by negotiation, without advertising for bids, the county shall conduct negotiations and award the contract using a fair and open procedure and in full compliance with section 471.705. If an agency permit is required for a solid waste service, a contract entered into under this subdivision is not binding until the permit is issued.

Sec. 40. Minnesota Statutes 1993 Supplement, section 473.149, subdivision 6, is amended to read:

Subd. 6. [REPORT TO LEGISLATURE.] The council shall report on abatement to the legislative commission on waste management by July 1 of each year. The report must include an assessment of whether the objectives of the metropolitan abatement plan have been met and whether each county and each class of city within each county have achieved the objectives set for it in the council's plan. The report must recommend any legislation that may be required to implement the plan. The report shall include the reports required by sections 115A.551, subdivision ~~5~~ 4; 473.846; and 473.848, subdivision 4. If in any year the council reports that the objectives of the council's abatement plan have not been met, the council shall evaluate and report on the need to reassign governmental responsibilities among cities, counties, and metropolitan agencies to assure implementation and achievement of the metropolitan and local abatement plans and objectives.

The report in each even-numbered year must include a report on the operating, capital, and debt service costs of solid waste facilities in the metropolitan area; changes in the costs; the methods used to pay the costs; and the resultant allocation of costs among users of the facilities and the general public. The facility costs report must present the cost and financing analysis in the aggregate and broken down by county and by major facility.

Sec. 41. Minnesota Statutes 1992, section 473.803, is amended by adding a subdivision to read:

Subd. 5. [ROLE OF PRIVATE SECTOR; COUNTY OVERSIGHT.] A county may include in its solid waste management master plan and in its plan for county land disposal abatement a determination that the private sector will achieve, either in part or in whole, the goals and requirements of sections 473.149 and 473.803, as long as the county:

(1) retains active oversight over the efforts of the private sector and monitors performance to ensure compliance with the law and the goals and standards of the council and the county as expressed in the metropolitan solid waste management plan and the county master plan;

(2) continues to meet its responsibilities under the law for ensuring proper waste management, including, at a minimum, enforcing waste management law, providing waste education, promoting waste reduction, and providing its residents the opportunity to recycle waste materials; and

(3) continues to provide all required reports on the county's progress in meeting the waste management goals and standards of this chapter and chapter 115A.

Sec. 42. Minnesota Statutes 1992, section 473.811, subdivision 5, is amended to read:

Subd. 5. [ORDINANCES; SOLID WASTE COLLECTION AND TRANSPORTATION.] (a) Each metropolitan county may adopt ordinances governing the collection of solid waste. A county may adopt, but may not be required to adopt, an ordinance that requires the separation from mixed municipal waste, by generators before collection, of materials that can readily be separated for use or reuse as substitutes for raw materials or for transformation into a usable soil amendment.

(b) Each local unit of government within the metropolitan area shall adopt an ordinance governing the collection of solid waste within its boundaries. If the county within which it is located has adopted a collection ordinance, the local unit shall adopt either the county ordinance by reference or a more strict ordinance. If the county within which it is located has adopted a separation ordinance, the ordinance applies in all local units within the county that have failed to meet the local abatement performance standards, as stated in the most recent annual county report.

(c) Ordinances of counties and local government units may establish reasonable conditions respecting but shall not prevent the transportation of solid waste by a licensed collector through and between counties and local units, except as required for the enforcement of any designation of a facility by a county under chapter 115A or for enforcement of the prohibition on disposal of unprocessed mixed municipal solid waste under sections 473.848 and 473.849.

(d) A licensed collector or a metropolitan county or local government unit may request review by the council of an ordinance adopted under this subdivision. The council shall approve or disapprove the ordinance within 60 days of the submission of a request for review. The ordinance shall remain in effect unless it is disapproved.

(e) Ordinances of counties and local units of government:

(1) shall provide for the enforcement of any designation of facilities by the counties under chapter 115A.;

(2) may require waste collectors and transporters to deliver unprocessed mixed municipal waste generated in the county to processing facilities; and

(3) may prohibit waste collectors and transporters from delivering unprocessed mixed municipal solid waste generated in the county to disposal facilities for final disposal.

(f) Nothing in this subdivision ~~shall be construed to limit~~ limits the authority of the local government unit to regulate and license collectors of solid waste or to require review or approval by the council for ordinances regulating collection.

Sec. 43. Minnesota Statutes 1992, section 473.811, subdivision 5a, is amended to read:

Subd. 5a. [ORDINANCES; SOLID WASTE FACILITIES.] Each metropolitan county shall by ordinance establish and from time to time revise rules, regulations, and standards for solid waste facilities within the county, relating to location, sanitary operation, periodic inspection and monitoring, maintenance, termination and abandonment, and

other pertinent matters. The county ordinance may require facilities accepting mixed municipal solid waste for disposal to install scales. The county ordinance may prohibit disposal facilities from accepting unprocessed mixed municipal solid waste for final disposal. The county ordinance shall require permits or licenses for solid waste facilities and shall require that such facilities be registered with a county office.

Sec. 44. [473.812] [RECORDS; INSPECTION.]

For the purpose of enforcing section 473.811 or ordinances adopted under that section, a county has the responsibilities and authorities for record inspection under section 115A.882, regardless of whether the county has adopted a designation ordinance under sections 115A.80 to 115A.893.

Sec. 45. Minnesota Statutes 1992, section 473.843, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT OF FEE; APPLICATION.] The operator of a mixed municipal solid waste disposal facility in the metropolitan area shall pay a fee on solid waste accepted and disposed at the facility as follows:

(a) A facility that weighs the waste that it accepts must pay a fee of ~~$2 per cubic yard based on equivalent cubic yards~~ $6.66 per ton of waste accepted at the entrance of the facility.

(b) A facility that does not weigh the waste but that measures the volume of the waste that it accepts must pay a fee of $2 per cubic yard of waste accepted at the entrance of the facility. This fee and the tipping fee must be calculated on the same basis.

(c) Waste residue, from recycling facilities at which recyclable materials are separated or processed for the purposes of recycling, or from energy and resource recovery facilities at which solid waste is processed for the purpose of extracting, reducing, converting to energy, or otherwise separating and preparing solid waste for reuse, is exempt from the fee imposed by this subdivision if there is at least an 85 percent volume reduction in the solid waste processed. To qualify for exemption under this clause, waste residue must be brought to a disposal facility separately. The commissioner of revenue, with the advice and assistance of the council and the agency, shall prescribe procedures for determining the amount of waste residue qualifying for exemption.

Sec. 46. Minnesota Statutes 1992, section 473.844, subdivision 1a, is amended to read:

Subd. 1a. [USE OF FUNDS.] (a) The money in the account may be spent only for the following purposes:

(1) assistance to any person for resource recovery projects funded under subdivision 4 or projects to develop and coordinate markets for reusable or recyclable waste materials, including related public education, planning, and technical assistance;

(2) grants to counties under section 473.8441;

(3) program administration by the metropolitan council;

(4) public education on solid waste reduction and recycling; ~~and~~

(5) solid waste research; and

(6) grants to multicounty groups for regionwide planning for solid waste management system operations and use of management capacity.

(b) The council shall allocate at least 50 percent of the annual revenue received by the account for grants to counties under section 473.8441.

Sec. 47. Minnesota Statutes 1992, section 473.845, subdivision 3, is amended to read:

Subd. 3. [EXPENDITURES FROM THE FUND.] Money in the fund may only be appropriated to the agency for expenditure for:

(1) reasonable and necessary expenses for closure and postclosure care of a mixed municipal solid waste disposal facility in the metropolitan area for a ~~20-year~~ 30-year period after closure, if the agency determines that the operator or owner will not take the necessary actions requested by the agency for closure and postclosure in the manner and within the time requested;

(2) reasonable and necessary response and postclosure costs at a mixed municipal solid waste disposal facility in the metropolitan area that has been closed for ~~20~~ 30 years in compliance with the closure and postclosure rules of the agency; or

(3) reimbursement to a local government unit for costs incurred over $400,000 under a work plan approved by the commissioner of the agency to remediate methane at a closed disposal facility owned by the local government unit.

Sec. 48. Minnesota Statutes 1993 Supplement, section 473.846, is amended to read:

473.846 [REPORT TO LEGISLATURE.]

The agency and metropolitan council shall submit to the senate finance committee, the house ways and means committee, and the legislative commission on waste management separate reports describing the activities for which money from the landfill abatement account and contingency action trust fund has been spent ~~during the previous fiscal year~~. The agency shall report by November 1 of each year on expenditures during its previous fiscal year. The council shall report on expenditures during the previous calendar year and must incorporate its report in the report required by section 473.149, due July 1 of each year. The council shall make recommendations to the legislative commission on waste management on the future management and use of the metropolitan landfill abatement account.

Sec. 49. Minnesota Statutes 1992, section 473.848, subdivision 1, is amended to read:

Subdivision 1. [RESTRICTION.] (a) ~~After January 1, 1990~~ For the purposes of implementing the waste management policies in section 115A.02 and metropolitan area goals related to landfill abatement established under this chapter, a person may not dispose of unprocessed mixed municipal solid waste generated in the metropolitan area at a waste disposal ~~facilities located in the metropolitan area~~ facility unless the waste disposal facility meets the standards in section 473.849 and:

(1) the waste has been certified as unprocessible by a county under subdivision 2; or

(2)(i) the waste has been transferred to the disposal facility from a resource recovery facility;

(ii) no other resource recovery facility ~~in~~ serving the metropolitan area is capable of processing the waste; and

(iii) the waste has been certified as unprocessible by the operator of the resource recovery facility under subdivision 3.

(b) For purposes of this section, mixed municipal solid waste does not include street sweepings, construction debris, mining waste, foundry sand, and other materials, if they are not capable of being processed by resource recovery as determined by the council.

Sec. 50. Minnesota Statutes 1992, section 473.848, subdivision 5, is amended to read:

Subd. 5. [DEFINITION.] For the purpose of this section, waste is "unprocessed" if it has not, after collection and before disposal, undergone ~~at least one process, as defined in section 115A.03, subdivision 25, excluding storage, exchange, and transfer of the waste~~ separation of materials for resource recovery through recycling, incineration for energy production, production and use of refuse-derived fuel, composting, or any combination of these processes so that the weight of the waste remaining that must be disposed of in a mixed municipal solid waste disposal facility is not more than 35 percent of the weight before processing, on an annual average.

Sec. 51. [ELECTRONIC APPLIANCES; REPORT.]

By July 1, 1995, the director of the office of waste management, in consultation with the commissioner of the pollution control agency and counties, shall submit a report to the legislative commission on waste management regarding management of waste electronic appliances that:

(1) identifies types of electronic appliances that contain materials that pose problems in the solid waste management system;

(2) explains how those waste appliances are presently managed and identifies any adverse environmental effects of present management; and

(3) recommends, if necessary, legislation to govern management of waste electronic appliances.

For the purposes of this section, "electronic appliances" includes at least audio, video, computing, printing, communication, and telecommunication equipment and apparatuses that contain electronic components, including but not limited to radios, televisions, computers, computer printers, small electronic kitchen appliances, telefacsimile equipment, and household and commercial communication transmission and reception equipment, but does not include major appliances as defined in Minnesota Statutes, section 115A.03, subdivision 17a.

Sec. 52. [MERCURY IN PRODUCTS; REPORT.]

By December 1, 1994, the commissioner of the pollution control agency, after consultation with interested manufacturers, retailers, public interest groups, political subdivisions, and other persons, shall prepare and submit to the legislative commission on waste management a report that:

(1) identifies products and portions or elements of products into which mercury is intentionally introduced;

(2) identifies whether the use of mercury in the products is essential, whether alternatives exist to using mercury, and what those alternatives are; and

(3) recommends legislation to address public health and environmental protection in the distribution, sale, and use of products into which mercury has been intentionally introduced and to address reduction of mercury in the products and management of the products when they become waste, including recommendations for banning specific products when the costs of management as waste outweigh the benefits that accrue from distribution, sale, and use of the products.

Sec. 53. [RECYCLING FACILITIES; REPORT.]

By July 1, 1995, the commissioner of the pollution control agency shall submit to the legislative commission on waste management a report that contains:

(1) a description of the different types of recycling facilities and the numbers of each type that are currently in operation;

(2) a survey of recycling facilities that indicates, for each facility, the type of facility, the extent to which materials delivered to the facility are not actually recycled, and other information pertaining to the facility's performance;

(3) a discussion of issues affecting the performance of recycling facilities;

(4) a comparison of markets for commingled and source-separated recyclable materials; and

(5) recommendations regarding performance standards for recycling facilities, including whether different standards should apply to different types of facilities.

In preparing the report, the commissioner shall consult with the director of the office of waste management, the chair of the metropolitan council, counties, and the recycling industry.

Sec. 54. [ADDITION TO FEE REPORT.]

The director of the office of waste management shall include in the solid waste fee report due December 1, 1994, required under Laws 1993, chapter 172, section 92, an analysis of the advantages and disadvantages of expanding the authority of counties, under Minnesota Statutes, section 115A.919, to also authorize fees on waste delivered to transfer stations, incinerator ash disposal facilities, and industrial waste disposal facilities. This portion of the report must discuss at least:

(1) arguments for and against expansion of the fees;

(2) if expansion may be appropriate, whether expanded fee authority should be limited to the metropolitan area or should be applied statewide;

(3) if expansion may be appropriate, whether the legislature should set the amount of the fees, place a maximum amount on fees in statute, or allow counties to determine the amount of the fees;

(4) if expansion may be appropriate, how revenue from the fees should be used, how to avoid fees being paid for the same waste more than once and how to structure fees to have a minimal effect on cooperative agreements between counties governing waste management; and

(5) how expanding or not expanding application of the fees will affect competition between similar types of facilities and will affect whether waste is managed in the most environmentally sound manner.

Sec. 55. [DELAYED REPORTS.]

The 1994 date for reports required under Minnesota Statutes, sections 115A.551, subdivision 4; and 115A.557, subdivision 4, is delayed until August 1, 1994.

Subd. 2. Portions of chapters 245A, 257, 260, and 317A may also affect the adoption of a particular child.

Subdivision 1. Any person who has resided in the state for one year or more may petition to adopt a child or an adult, and the same petitioner may petition for the adoption of two or more persons in one petition. The provisions as to length of residence in the state may be ~~waived~~ reduced to 30 days by the court whenever it appears to be for the best interest of the child.

The court may waive any residence requirement of this section if the petitioner is an individual who is related, as defined in section 245A.02, subdivision 13, or a member of a child's extended family or important friends with whom the child has resided or had significant contact.

Sec. 12. Minnesota Statutes 1992, section 259.22, subdivision 2, is amended to read:

Subd. 2. No petition for adoption shall be filed unless the child sought to be adopted has been placed by the commissioner of human services, the commissioner's agent, or a licensed child-placing agency. The provisions of this subdivision shall not apply if

(b) the child is sought to be adopted by a stepparent;

(c) the child is sought to be adopted by a relative related by blood or marriage within the third degree;

Sec. 13. Minnesota Statutes 1992, section 259.22, is amended by adding a subdivision to read:

Subd. 4. [TIME FOR FILING PETITION.] A petition shall be filed not later than 24 months after a child is placed in a prospective adoptive home. If a petition is not filed by that time, the agency that placed the child, or, in a direct adoptive placement, the agency that prepared the postplacement adoptive study shall file with the district court in the county where the prospective adoptive parent resides a motion for an order and a report recommending one of the following:

(1) that the time for filing a petition be extended because of the special needs as defined under title IV-E of the Social Security Act, United States Code, title 42, section 673, of the child; or

(2) that the child be removed from the prospective adoptive home.

The prospective adoptive parent must reimburse an agency for the cost of preparing and filing a report under this section, unless the costs are reimbursed by the commissioner under section 259.40 or 259.44.

Sec. 14. [259.256] [AGENCY PLACEMENT FACTORS.]

A child-placing agency shall document, in the records required to be kept under section 259.46, the reasons for each child placement decision.

Sec. 15. [259.258] [AGENCY; FEE SCHEDULE; DISCLOSURE; CIVIL ACTION.]

Subdivision 1. [PAYMENT SCHEDULE.] An agency may only require payment of fees in stages as services are performed. An agency engaged in placement activities must provide a prospective adoptive parent with a schedule of fees and a timeline indicating when each fee or portion of the total fees for the agency services must be paid. The agency must also provide a fee schedule for prefinalization postplacement services.

Subd. 2. [DISCLOSURE TO BIRTH PARENTS AND ADOPTIVE PARENTS.] An agency shall provide a disclosure statement written in clear, plain language to be signed by the prospective adoptive parents and birth parents, except that in inter-country adoptions, the signatures of birth parents are not required. The disclosure statement must contain the following information:

(1) fees charged to the adoptive parent, including any policy on sliding scale fees or fee waivers and an itemization of the amount that will be charged for the adoption study, counseling, postplacement services, family of origin searches, birth parent expenses authorized under section 259.271, or any other services;

(2) timeline for the adoptive parent to make fee payments;

(3) likelihood, given the circumstances of the prospective adoptive parent and any specific program to which the prospective adoptive parent is applying, that an adoptive placement may be made and the estimated length of time for making an adoptive placement. These estimates must be based on adoptive placements made with prospective parents in similar circumstances applying to a similar program with the agency during the immediately preceding three to five years. If an agency has not been in operation for at least three years, it must provide summary data based on whatever adoptive placements it has made and may include a statement about the kind of efforts it will make to achieve an adoptive placement, including a timetable it will follow in seeking a child. The estimates must include a statement that the agency cannot guarantee placement of a child or a time by which a child will be placed;

(4) a statement of the services the agency will provide the birth and adoptive parents;

(5) a statement prepared by the commissioner under section 259.2585 that explains the child placement and adoption process and the respective legal rights and responsibilities of the birth parent and prospective adoptive parent during the process including a statement that the prospective adoptive parent is responsible for filing an adoption petition not later than 24 months after the child is placed in the prospective adoptive home;

(6) a statement regarding any information the agency may have about attorney referral services, or about obtaining assistance with completing legal requirements for an adoption; and

(7) an acknowledgment to be signed by the birth parent and prospective adoptive parent that they have received, read, and had the opportunity to ask questions of the agency about the contents of the disclosure statement.

Subd. 3. [CIVIL ACTION.] An action for damages, including punitive damages, may be brought by a birth parent or prospective adoptive parent aggrieved by:

(1) a violation of subdivision 1;

(2) the failure of an agency to provide services listed in the disclosure form under subdivision 2, clause (4); or

(3) deceptive practices or misrepresentations made by an agency about its services or ability to place children for adoption.

Sec. 16. [259.2585] [COMMISSIONER'S STATEMENT.]

The commissioner shall prepare and make available to all agencies, prospective adoptive parents, and birth parents a short, plain description of the legal adoption process and the rights and responsibilities of agencies, birth parents, and prospective adoptive parents in the process.

Sec. 17. [259.2586] [ADOPTION STUDY.]

A written adoption study must be completed before the child is placed in a prospective adoptive home under this chapter and the study must be completed and filed with the court at the time the adoption petition is filed. In a direct adoptive placement, the study must be filed with the court in support of a motion for temporary preadoptive custody

under section 259.2591, subdivision 3. The study shall be completed by a licensed child-placing agency and must be thorough and comprehensive. The study shall be paid for by the prospective adoptive parent, except as otherwise required under section 259.40 or 259.44.

A step-parent adoption is not subject to this section.

At a minimum, the study must include the following about the prospective adoptive parent:

(1) a check of criminal conviction data, data on substantiated maltreatment of a child under section 626.556, and domestic violence data of each person over the age of 13 living in the home. The prospective adoptive parents, the bureau of criminal apprehension, and other state, county, and local agencies, after written notice to the subject of the study, shall give the agency completing the adoption study substantiated criminal conviction data and reports about maltreatment of minors and vulnerable adults and domestic violence. The adoption study must also include a check of the juvenile court records of each person over the age of 13 living in the home. Notwithstanding provisions of section 260.161 to the contrary, the juvenile court shall release the requested information to the agency completing the adoption study. The study must include an evaluation of the effect of a conviction or finding of substantiated maltreatment on the ability to care for a child;

(2) medical and social history and current health;

(3) assessment of potential parenting skills;

(4) ability to provide adequate financial support for a child; and

(5) the level of knowledge and awareness of adoption issues including where appropriate matters relating to interracial, cross-cultural, and special needs adoptions.

The adoption study must include at least one in-home visit with the prospective adoptive parent. The adoption study is the basis for completion of a written adoption study report. The adoption study report must be in a format specified by the commissioner and must contain recommendations regarding the suitability of the subject of the study to be an adoptive parent. An adoption study report is valid for 12 months following its date of completion.

A prospective adoptive parent seeking a study under this section must authorize access by the agency to any private data needed to complete the study and must disclose any names used previously other than the name used at the time of adoption; and must provide a set of fingerprints.

Sec. 18. [259.2587] [BIRTH PARENT HISTORY; COMMISSIONER'S FORM.]

In any adoption under this chapter, except a stepparent adoption, a birth parent or an agency shall provide a prospective adoptive parent with a detailed social and medical history of the birth families, if known after reasonable inquiry. Each birth family history must be provided on a form prepared by the commissioner in a manner so that the completed form protects the identities of all individuals described in it. The commissioner shall make the form available to agencies and court administrators for public distribution. The birth family history must be filed with the court when the adoption petition is filed, or, in a direct adoptive placement, with the motion for temporary preadoptive custody.

Sec. 19. [259.259] [STATE AUDIT OF ADOPTION AGENCY; CIVIL ACTION.]

Subdivision 1. [AUDIT.] If the commissioner or attorney general has good cause to believe that a child-placing agency has violated section 259.258, subdivision 1, 259.271, 317A.907, or any other applicable law dealing with fees, payments, accounts, or financial disclosure by a child-placing agency, the commissioner or the attorney general may seek a court order requiring a financial audit of the agency, at the agency's expense, by an auditor chosen by the commissioner or attorney general.

Subd. 2. [CIVIL ACTION.] A court may grant equitable or monetary relief that is just and reasonable in the circumstances or may dissolve an adoption agency and liquidate its assets if the assets of the agency are being misapplied or wasted. The attorney general or the commissioner may bring an action in district court if the directors or those in control of the agency have misapplied or wasted assets of the agency or have acted fraudulently, illegally, or in a manner unfairly prejudicial toward a client of the agency in the capacity of a director or one in control of the agency.

Sec. 20. [259.2591] [DIRECT ADOPTIVE PLACEMENT.]

Subdivision 1. [INTENT.] The intent of the provisions governing direct adoptive placement is to safeguard the best interests of the child by providing services and protections to the child, birth parents, and adoptive parents which are consistent with those available through an agency placement.

Subd. 2. [PREPLACEMENT STUDY.] In a direct adoptive placement, a preplacement study under section 259.2586 must be completed and filed with the court as required by subdivision 3.

Subd. 3. [PREADOPTIVE CUSTODY ORDER.] (a) Within 30 days after a child is placed in a prospective adoptive home by a birth parent or legal guardian, other than an agency, the placement must be approved by the district court in the county where the prospective adoptive parent resides. Court approval must be obtained prior to placement if the prospective adoptive parent does not have health care coverage for the child. Any order under this subdivision or subdivision 6 shall state that the prospective adoptive parent's right to custody of the child is subject to the birth parents' right to custody until the consents to the child's adoption become irrevocable. The prospective adoptive parent must meet the residence requirements of section 259.22, subdivision 1, and must file with the court an affidavit of intent to remain a resident of the state for at least 90 days after the child is placed in the prospective adoptive home. The prospective adoptive parent shall file with the court a notice of intent to file an adoption petition and submit a written motion seeking an order granting temporary preadoptive custody. The notice and motion required under this subdivision may be considered by the court ex parte, without a hearing. The prospective adoptive parent shall serve a copy of the notice and motion upon any parent whose consent is required under section 259.24 or who is named in the affidavit required under paragraph (b) of this subdivision if that person's mailing address is known. The motion may be filed up to 60 days before the placement is to be made and must include:

(1) the adoption study required under section 259.2586;

(2) affidavits from the birth parents indicating their support of the motion, or, if there is no affidavit from the birth father, an affidavit from the birth mother under paragraph (b);

(3) an itemized statement of expenses that have been paid and an estimate of expenses that will be paid by the prospective adoptive parents to the birth parents, any agency, attorney, or other party in connection with the prospective adoption;

(4) the name of counsel for each party, if any;

(5) a statement that the birth parents:

(i) have provided the social and medical history required under section 259.2587 to the prospective adoptive parent;

(ii) have received the written statement of their legal rights and responsibilities under section 259.2585; and

(iii) have been notified of their right to receive counseling under subdivision 4; and

(6) the name of the agency chosen by the adoptive parent to supervise the adoptive placement and complete the postplacement adoption study required by subdivision 9.

The court shall review the expense statement submitted under this subdivision to determine whether payments made or to be made by the prospective adoptive parent are lawful and in accordance with section 259.271, subdivision 1.

(b) If the birth mother submits the affidavit required in paragraph (a), clause (2), but the birth father fails to do so, the birth mother must submit an additional affidavit that describes her good faith efforts or efforts made on her behalf to identify and locate the birth father for purposes of securing his consent. In the following circumstances, the birth mother may instead submit an affidavit stating on which ground she is exempt from making efforts to identify and locate the father:

(1) the child was conceived as the result of incest or rape;

(2) efforts to locate the father could reasonably result in physical harm to the birth mother or child; or

(3) efforts to locate the father by the affiant or anyone acting on the affiant's behalf could reasonably result in emotional impairment of the birth mother or child.

A court shall consider the motion for temporary preadoptive custody within 30 days of receiving the motion or by the anticipated placement date stated in the motion, whichever comes sooner.

Subd. 4. [BIRTH PARENT COUNSELING.] In a direct adoptive placement, the prospective adoptive parent must notify the birth parent that the birth parent has a right to receive counseling about adoption issues at the expense of the prospective adoptive parent. The prospective adoptive parent must bear the cost of up to 35 hours of counseling upon the request of a birth parent at any time between conception of child and six months after the birth of the child or the placement in the adoptive home, whichever is later. A birth parent may waive the right to receive counseling under this subdivision.

Subd. 5. [BIRTH PARENT LEGAL COUNSEL.] Upon the request of a birth parent, separate legal counsel must be made available to the birth parent at the expense of the prospective adoptive parent. A birth parent may waive this right only by a written waiver signed and submitted to the court at the consent hearing under subdivision 6. Representation of a birth parent and a prospective adoptive parent by the same attorney is prohibited.

Subd. 6. [EMERGENCY ORDER.] (a) A court may issue an emergency order granting temporary preadoptive custody of a child to a prospective adoptive parent for up to 14 days if the following conditions are met:

(1) the motion is supported by:

(i) affidavits from the prospective adoptive parent and birth parent indicating that an emergency order is needed because of the unexpected premature birth of the child or other specifically described extraordinary circumstances which prevented the completion of the requirements of subdivision 3; and

(ii) the information required by subdivision 3, paragraph (a), clause (2), and clause (5), items (ii) and (iii); and

(iii) a completed adoption study which meets the requirements of section 259.2586; or

(iv) affidavits from each prospective adoptive parent stating whether they or any person residing in the household have been convicted of a crime; or are the subject of an open investigation of, or have been the subject of substantiated allegations of, child or vulnerable-adult abuse within the past ten years. If so, a complete description of the crime, open investigation, or substantiated abuse and a complete description of any sentence, treatment, or disposition must be included. If, at any time before the adoption is final, a court receives evidence leading it to conclude that a prospective adoptive parent knowingly gave false information in this affidavit, it shall be presumed that the placement of the child with the adoptive parent is not in the best interests of the child.

(2) the court concludes from the record submitted that the emergency order will preserve the health and safety of the child.

(b) An order granting or denying the motion shall be issued under this section within 24 hours of the time it is brought. Notwithstanding section 259.23, any judge of district court may consider a motion brought under this subdivision. An order granting the motion shall direct that an adoption study be commenced immediately, if that has not occurred, and that the agency conducting the study shall supervise the emergency placement.

(c) An emergency order under this subdivision expires 14 days after it is issued. If the requirements of section 259.2591 are completed and a preadoptive custody motion is filed on or before the expiration of the emergency order, placement may continue until the court rules on the motion. The court shall consider the preadoptive custody motion within seven days of filing.

Subd. 7. [CONSENT OF BIRTH PARENTS; HEARING; VENUE; COMMISSIONER'S FORM.] In all adoptions, regardless of the manner of placement, not sooner than 72 hours after the birth of a child and not later than 60 days after the child's placement in a prospective adoptive home, a birth parent whose consent is required under section 259.24, shall execute a consent. In all direct adoptive placements, a birth parent, whose consent is required under section 259.24 and who has chosen not to receive counseling through a licensed agency or a licensed social services professional trained in adoption issues, shall appear before a judge or judicial officer to sign the birth parent's written consent to the child's adoption by the prospective adoptive parent who has temporary preadoptive custody of the child. Notwithstanding where the prospective adoptive parent resides, the consent hearing may be held in any county in this state where the birth parent is found. If a birth parent has chosen to receive counseling through a licensed agency or a licensed social services professional trained in adoption issues, the birth parent may choose to execute a written consent under section 259.24, subdivision 5, or participate in a voluntary termination of parental rights.

If a consent hearing is held in a county other than where the prospective adoptive parent resides, the court shall forward the executed consents to the district court in the county where the prospective adoptive parent resides.

The consent becomes irrevocable on the tenth working day after it is given, except that if the consent was obtained by fraud, proceedings to determine the existence of fraud shall be governed by section 259.24, subdivision 6a. Until the consent becomes irrevocable, the child shall be returned to the birth parent upon request.

The written consent under this subdivision must state that:

(1) the birth parent has had the opportunity to consult with independent legal counsel at the expense of the prospective adoptive parent, unless the birth parent knowingly waived the opportunity;

(2) the birth parent was notified of the right to receive counseling at the expense of the prospective adoptive parent and has chosen to exercise or waive that right; and

(3) the birth parent was informed that if the birth parent withdraws consent, the prospective adoptive parent cannot require the birth parent to reimburse any costs the prospective adoptive parent has incurred in connection with the adoption, including payments made to or on behalf of the birth parent.

If a birth parent has chosen to have legal counsel, the attorney must be present at the execution of consents. If a birth parent waives counsel, the written waiver must be filed with the consent under this subdivision.

The consent signed under this subdivision must be on a form prepared by the commissioner and made available to agencies and court administrators for public distribution.

Subd. 8. [NOTICE AND CONSENT DEADLINE; CONSENT HEARING; BIRTH PARENT NOT APPEARING.] (a) A birth parent who intends to consent to the adoption of a child or to confer authority on an agency to place a child for adoption under section 259.25 shall notify the other birth parent of that fact if the other birth parent's consent to the adoption is required under subdivision 1. Notice shall be provided to the other birth parent by personal service in the manner provided in the rules of civil procedure for service of a summons and complaint within 72 hours of the date on which the child is placed. The notice shall inform the birth parent of the notifying birth parent's intent regarding consent to adoption or an agreement under section 259.25 and shall notify the receiving birth parent that, not later than 60 days after the date of service, the birth parent must either consent or refuse to consent to the adoption or the agreement under section 259.25. On the sixty-first day following service of the notice required under this subdivision, a birth parent who fails to take either of these actions, is deemed to have consented to the child's adoption or the agreement under section 259.25 regarding the child.

(b) If a birth parent whose consent is required under section 259.24 does not appear at a consent hearing under this section, the agency which conducted the adoption study shall notify the court and the court shall issue an order regarding continued placement of the child.

Subd. 9. [POSTPLACEMENT ADOPTION STUDY.] The agency designated by the prospective adoptive parent under subdivision 3, paragraph (a), clause (6), shall complete a postplacement adoption study and file it with the court with which the adoption petition has been filed not later than 90 days after the filing of a petition for adoption.

At a minimum, the postplacement study must include the following information:

(1) assessment of adaptation by the prospective adoptive parents to parenting the child;

(2) assessment of the health and well-being of the child in the prospective adoptive parents' home;

(3) analysis of the level of incorporation by the child into the prospective adoptive parents' home, extended family and community; and

(4) assessment of the level of incorporation of the child's previous history into the prospective adoptive home, such as cultural or ethnic practices, or contact with former foster parents, or biological relatives.

The postplacement adoption study shall be filed with the local social service agency in the county where the prospective adoptive parent resides. The local social service agency may seek a court order to remove the child from the prospective adoptive home, if the study so recommends and the agency finds that continued placement in the adoptive home endangers the physical or emotional health of the child. A postplacement adoption study is valid for 12 months after its date of completion.

Subd. 10. [RECORDS.] All records filed with the court in a direct adoptive placement under this section must be permanently maintained by the agency which completed the adoption study. Notwithstanding the provisions of section 259.31, an agency shall, upon request, be given any court records needed to provide postadoption services pursuant to section 259.47 at the request of adoptive parents, birth parents, or adopted individuals age 19 or older.

Subd. 11. [PENALTY.] It is a gross misdemeanor for a person, not being the commissioner or an agency, knowingly to engage in placement activities as defined in section 259.21, subdivision 9, without being licensed by the commissioner under chapter 245A, except as authorized by section 245A.03, subdivision 2.

Sec. 21. Minnesota Statutes 1992, section 259.27, subdivision 1, is amended to read:

Subdivision 1. [~~COMMISSIONER'S~~ NOTICE TO COMMISSIONER; COUNTY DUTIES.] Upon the filing of a petition for adoption of a child the court administrator shall immediately transmit a copy of the petition to the commissioner of human services. ~~The commissioner~~ and the social services department of the county in which the prospective adoptive parent lives. Except as provided in subdivision 2, the county social services department shall verify the allegations of the petition, investigate the conditions and antecedents of the child for the purpose of ascertaining whether the child is a proper subject for adoption, ~~and make appropriate inquiry to ascertain~~ whether the proposed ~~foster~~ adoptive home and the child are suited to each other and whether the proposed ~~foster home~~ adoption meets the preferences described in section 259.28, subdivision 2. The report of the county welfare board ~~submitted to the commissioner of human services bearing on the suitability of the proposed foster home and the child to each other~~ shall be confidential, and the records of the county welfare board or the contents ~~thereof~~ of them shall not be disclosed either directly or indirectly to any person other than the commissioner of human services or a judge of the court having jurisdiction of the matter. Within 90 days after the receipt of ~~said~~ the copy of the petition the ~~commissioner~~ county social services department shall submit to the court and the commissioner a full report in writing with recommendations as to the granting of the petition. If ~~such~~ the report is not returned within the 90 days, without fault of petitioner, the court may hear the petition upon giving the ~~commissioner~~ county social services department five days notice by mail of the time and place of the hearing. If ~~such~~ the report disapproves of the adoption of the child, the ~~commissioner~~ county social services department may recommend that the court dismiss the petition.

Sec. 22. Minnesota Statutes 1992, section 259.27, subdivision 2, is amended to read:

Subd. 2. [ADOPTION AGENCIES.] Notwithstanding the provisions of subdivision 1, if the child to be adopted has been committed to the guardianship of an agency pursuant to section 260.241, or if the child has been surrendered to an agency pursuant to section 259.25, or the child's direct adoptive placement is being supervised by an agency pursuant to section 259.2591 the court~~, in its discretion, may~~ shall refer the adoption petition to ~~such~~ the agency, or, if the adopting parent has a stepparent relationship to the child, to the county welfare department of the county in which the adoption is pending. The agency or county welfare department, within 90 days of receipt of a copy of the adoption petition, shall file with the court a report of its investigation of the environment and antecedents of the child to be adopted and of the home of the petitioners and its determination whether the home of the petitioners meets the preferences described in section 259.28, subdivision 2. If ~~such~~ the report disapproves of the adoption of the child, the agency or county welfare department may recommend that the court dismiss the petition. In the case of a direct adoptive placement under section 259.2591, a postplacement adoption study completed under subdivision 9 of that section shall be considered as meeting the requirement for a report under this section.

Sec. 23. Minnesota Statutes 1992, section 259.27, subdivision 5, is amended to read:

Subd. 5. [RESIDENCE AND INVESTIGATION WAIVED; STEPPARENT.] ~~Such~~ The investigation and period of residence required by this section may be waived by the court when the petition for adoption is submitted by a stepparent or when, upon good cause being shown, the court is satisfied that the proposed adoptive home and the child are suited to each other, but in either event at least ten working days notice of the hearing shall be given to the ~~commissioner~~ county social services department by certified mail. The reports of investigations shall be a part of the court files in the case, unless otherwise ordered by the court.

Sec. 24. Minnesota Statutes 1992, section 259.27, is amended by adding a subdivision to read:

Subd. 6. [FEES AND PAYMENTS; FILING WITH ADOPTION PETITION.] Upon the filing of a petition for adoption, an agency shall file with the court a statement of expenses that have been paid or are required to be paid by the prospective adoptive parent in connection with the adoption. In a direct adoptive placement, the statement of expenses shall be filed by the prospective adoptive parent.

Sec. 25. [259.271] [PAYMENT OF BIRTH PARENT EXPENSES; PENALTY.]

Subdivision 1. [AUTHORIZED PAYMENTS.] In any adoption under this chapter, a prospective adoptive parent or anyone acting in concert with, at the direction of, or in behalf of a prospective adoptive parent may pay only the following expenses of the birth parent:

(1) reasonable counseling, medical, and legal fees, which shall be paid directly to the provider of the service;

(2) reasonable expenses for transportation, meals, and lodging incurred for placement of the child;

(3) reasonable expenses for adoption services provided by an agency at the request of the birth parent, which shall be paid directly to the agency; and

(4)(i) reasonable living expenses of the birth mother which are needed to maintain an adequate standard of living which the birth mother is unable to otherwise maintain because of loss of income or other support resulting from the pregnancy. The payments may cover expenses incurred during the pregnancy-related incapacity but not for a period longer than six weeks following delivery;

(ii) the payment shall not be contingent upon placement of the child for adoption, consent to adoption, or cooperation in the completion of the adoption; and

(iii) reasonable living expenses does not include expenses for lost wages, gifts, educational expenses, or other similar expenses of the birth mother

Subd. 2. [NO BIRTH PARENT REIMBURSEMENT TO ADOPTIVE PARENT.] A contract purporting to require a birth parent to reimburse a prospective adoptive parent for such payments under any circumstances, including circumstances in which a birth parent refuses to consent to adoption or withdraws consent to adoption, is void as against public policy.

Subd. 3. [PROHIBITED PAYMENTS; PENALTY.] (a) Except as authorized under subdivision 1, it is a felony for an individual to give, or for a birth parent to accept, money or anything of value as compensation for the placement of a child for adoption.

(b) It is a felony for any person to give money or anything of value as compensation to the birth parent of a child if the person is engaged or has engaged in any placement activity, as defined in section 259.21, subdivision 9, in connection with the adoption of the child.

Sec. 26. Minnesota Statutes 1992, section 259.31, is amended to read:

259.31 [HEARINGS, CONFIDENTIAL.]

All hearings held in proceedings under sections 259.21 to 259.32 shall be confidential and shall be held in closed court without admittance of any persons other than the petitioners, their witnesses, the commissioner of human services or an agency, or their authorized representatives, attorneys, and persons entitled to notice by sections 259.21 to 259.32, except by order of the court. The files and records of the court in adoption proceedings shall not be open to inspection by any person except the commissioner of human services or the commissioner's representatives, an agency acting under section 259.2591, subdivision 10, or upon an order of the court expressly so permitting pursuant to a petition setting forth the reasons therefor.

Sec. 27. Minnesota Statutes 1992, section 317A.907, subdivision 6, is amended to read:

Subd. 6. [EXPENSE REIMBURSEMENT.] ~~(a)~~ An organization, association, or society licensed by the commissioner of human services may receive payment for expenses related to adoption services in an amount that fairly reflects the agency's reasonable and necessary expenses of:

(1) adoptive counseling, whether or not legal adoption is completed;

(2) provision of services to children before adoptive placement; ~~or~~

(3) the supervision of children in the home until legal adoption is completed; or

(4) expenses of a birth parent authorized under section 259.271 if paid to the agency to forward to the birth parent.

Only that part of the expenses may be requested that the person seeking to adopt is financially able to meet. No person may be barred from receiving a child for adoption because of inability to pay part of the expenses referred to in this subdivision. In addition to other reports as may be required, a licensed agency shall file annually with the commissioner of human services a full accounting of expense reimbursement received under this subdivision, together with the record of the services given for which the reimbursement was made. If the person returns the child to the corporation, the person may not receive compensation for the care, clothing, or medical expenses of the child. ~~This paragraph does not preclude voluntary contributions by an individual or organization. A pledge by an adoption applicant to make a voluntary contribution is voidable at the option of the person pledging.~~

~~(b) No organization, association, or society is eligible to receive an expense reimbursement from a person who takes a child into the person's home or who adopts a child during the first 12 months that the organization, association, or society is licensed by the commissioner of human services.~~

PETITIONS AND COMMUNICATIONS

The following communication was received:

STATE OF MINNESOTA
OFFICE OF THE GOVERNOR
SAINT PAUL 55155

April 29, 1994

The Honorable Irv Anderson
Speaker of the House of Representatives
The State of Minnesota

Dear Speaker Anderson:

I am vetoing and returning to you Chapter 544, House File No. 2920, a bill relating to the reestablishment of the Office of Waste Management as the Office of Environmental Assistance.

The Executive Order that this bill nullifies implemented changes in the organizations responsible for waste management that would have streamlined service and eliminated duplication. It was the product of months of study and was implemented after lengthy consultation with agency personnel and customers. It was widely heralded by many of the customers served.

In addition, this bill prohibits the executive branch from using its reorganization powers on the Office of Environmental Assistance. This is clearly an infringement on executive branch powers by the legislative branch of government and is not acceptable.

Warmest regards,

ARNE H. CARLSON
Governor

April 30, 1994

The Honorable Irv Anderson
Speaker of the House of Representatives

The Honorable Allan H. Spear
President of the Senate

We, the undersigned conferees for H. F. No. 3209, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 3209 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1

INCOME TAX AND BUSINESS TAXES

Section 1. Minnesota Statutes 1992, section 60A.02, is amended by adding a subdivision to read:

Subd. 4a. [MUTUAL PROPERTY AND CASUALTY INSURANCE COMPANY.] "Mutual property and casualty insurance company" includes a property and casualty insurance company that was converted to a stock company after December 31, 1987, and before January 1, 1994, if the company was controlled on the date of conversion by a mutual life insurance company and so long as the company continues to be controlled by a mutual life insurance company.

Sec. 2. Minnesota Statutes 1992, section 60A.15, is amended by adding a subdivision to read:

Subd. 15. [GUARANTY ASSOCIATION ASSESSMENT OFFSET.] An insurance company may offset against its premium tax liability to this state any amount paid pursuant to assessments made for insolvencies which occur after July 31, 1994, under sections 60C.01 to 60C.22, and any amount paid pursuant to assessments made after July 31, 1994, under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32 as follows:

(a) Each such assessment shall give rise to an amount of offset equal to 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid.

(b) The amount of offset initially determined for each taxable year is the sum of the amounts determined under paragraph (a) for that taxable year.

(c) Each year the commissioner of revenue shall compare total guaranty association assessments levied over the preceding five calendar years to the sum of all premium tax and corporate franchise tax revenues collected from insurance companies, without reduction for any guaranty association assessment offset in the preceding calendar year, referred to in this subdivision as "preceding year insurance tax revenues." If total guaranty association assessments levied over the preceding five years exceed the preceding year insurance tax revenues, insurance companies shall be allowed only a proportionate part of the premium tax offset calculated under paragraph (b) for the current calendar year. The proportionate part of the premium tax offset allowed in the current calendar year is determined by multiplying the amount calculated under paragraph (b) by a fraction, the numerator of which equals the preceding year insurance tax revenues and the denominator of which equals total guaranty association assessments levied over the preceding five-year period. The proportionate part of the premium tax offset that is not allowed shall be carried forward to subsequent tax years and added to the amount of premium tax offset calculated under paragraph (b) prior to application of the limitation imposed by this paragraph. Any amount carried forward from prior years must be allowed before allowance of the offset for the current year calculated under paragraph (b). The premium tax offset limitation must be calculated separately for (1) insurance companies subject to assessment under sections 60C.01 to 60C.22, and (2) insurance companies subject to assessment under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32. When the premium tax offset is limited by this provision, the commissioner of revenue shall notify affected insurance companies on a timely basis for purposes of completing premium and corporate franchise tax returns. The guaranty associations created under sections 60C.01 to 60C.22, Minnesota Statutes 1992, sections 61B.01 to 61B.16, and sections 61B.18 to 61B.32, shall provide the commissioner of revenue with the necessary information on guaranty association assessments. The limitation in this paragraph is effective for offsets allowable in 1999 and thereafter.

(d) If the offset determined by the application of paragraphs (a) to (c) exceeds the greater of the insurance company's premium tax liability under this section or its corporate franchise tax liability under chapter 290 prior to allowance of the credit for premium taxes, then the insurance company may carry forward the excess, referred to in this subdivision as the "carryforward credit," to subsequent taxable years. The carryforward credit shall be allowed as an offset against premium tax liability for the first succeeding year to the extent that the premium tax liability for that year exceeds the amount of the allowable offset for the year determined under paragraphs (a) to (c). The carryforward credit shall be reduced, but not below zero, by the greater of the amount of the carryforward credit allowed as an offset against the premium tax under this paragraph or the amount of the carryforward credit allowed as an offset against the insurance company's corporate franchise tax liability under section 290.35, subdivision 6, paragraph (d). The remainder, if any, of the carryforward credit must be carried forward to succeeding taxable years until the entire carryforward credit has been credited against the insurance company's liability for premium tax under this chapter and corporate franchise tax under chapter 290 if applicable for that taxable year.

(e) A refund paid by the Minnesota life and health insurance guaranty association to member insurers under Minnesota Statutes 1992, section 61B.07, subdivision 6, or section 61B.24, subdivision 6, with respect to an assessment payment which has been offset against taxes shall reduce the carryforward credit determined under paragraph (d). If the refund exceeds the amount of the carryforward credit, it shall be repaid by the insurers to the extent of the offset to the state in the manner the commissioner of revenue requires.

Sec. 3. Minnesota Statutes 1992, section 289A.02, is amended by adding a subdivision to read:

Subd. 7. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 4. Minnesota Statutes 1992, section 289A.25, subdivision 5, is amended to read:

Subd. 5. [AMOUNT OF REQUIRED INSTALLMENT.] The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in clause (3). The term "required annual payment" means the lesser of

(1) 90 percent of the tax shown on the return for the taxable year or 90 percent of the tax for the year if no return is filed, or

(2) the total tax liability shown on the return of the ~~individual~~ taxpayer for the preceding taxable year, if a return showing a liability for the taxes was filed by the ~~individual~~ taxpayer for the preceding taxable year of 12 months~~,~~. If the adjusted gross income shown on the return of the taxpayer for the preceding taxable year exceeds $150,000, this clause shall be applied by substituting "110 percent of the total tax liability" for "the total tax liability"

(i) for an individual who is not a Minnesota resident for the entire year, the term "adjusted gross income" means the Minnesota share of that income apportioned to Minnesota under section 290.06, subdivision 2c, paragraph (e), or

(ii) for a trust the term "adjusted gross income" means the income assigned to Minnesota under section 290.17; or

(3) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this clause, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid; and

(ii) dividing the resulting amount by the number of months in the taxable year ending before the month in which the installment date falls.

A reduction in an installment under clause (3) must be recaptured by increasing the amount of the next required installment by the amount of the reduction.

Sec. 5. Minnesota Statutes 1993 Supplement, section 289A.26, subdivision 7, is amended to read:

Subd. 7. [REQUIRED INSTALLMENTS.] (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

(1) ~~97~~ 100 percent of the tax shown on the return for the taxable year, or, if no return is filed, ~~97~~ 100 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the entity for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the entity.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of $1,000,000 or more for any taxable year during the testing period. The term

"testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:
1st	~~24.25~~ 25
2nd	~~48.5~~ 50
3rd	~~72.75~~ 75
4th	~~97~~ 100

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the entity determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Sec. 6. Minnesota Statutes 1993 Supplement, section 290.01, subdivision 19, is amended to read:

Subd. 19. [NET INCOME.] The term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(h) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply; and

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code.

The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

(7) in the case of mines, oil and gas wells, other natural deposits, and timber for which percentage depletion was disallowed pursuant to subdivision 19c, clause (11), a reasonable allowance for depletion based on actual cost. In the case of leases the deduction must be apportioned between the lessor and lessee in accordance with rules prescribed by the commissioner. In the case of property held in trust, the allowable deduction must be apportioned between the income beneficiaries and the trustee in accordance with the pertinent provisions of the trust, or if there is no provision in the instrument, on the basis of the trust's income allocable to each;

(8) for certified pollution control facilities placed in service in a taxable year beginning before December 31, 1986, and for which amortization deductions were elected under section 169 of the Internal Revenue Code of 1954, as amended through December 31, 1985, an amount equal to the allowance for depreciation under Minnesota Statutes 1986, section 290.09, subdivision 7;

Sec. 9. Minnesota Statutes 1992, section 290.01, is amended by adding a subdivision to read:

Subd. 31. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 10. Minnesota Statutes 1992, section 290.05, subdivision 3, is amended to read:

Subd. 3. (a) An organization exempt from taxation under subdivision 2 shall, nevertheless, be subject to tax under this chapter to the extent provided in the following provisions of the Internal Revenue Code:

(i) section 527 (dealing with political organizations);

(ii) section 528 (dealing with certain homeowners associations);

(iii) sections 511 to 515 (dealing with unrelated business income); ~~and~~

(iv) section 521 (dealing with farmers' cooperatives); and

(v) section 6033(e)(2) (dealing with lobbying expense); but

notwithstanding this subdivision, shall be considered an organization exempt from income tax for the purposes of any law which refers to organizations exempt from income taxes.

(b) The tax shall be imposed on the taxable income of political organizations or homeowner associations or the unrelated business taxable income, as defined in section 512 of the Internal Revenue Code, of organizations defined in section 511 of the Internal Revenue Code, provided that the tax is not imposed on:

(1) advertising revenues from a newspaper published by an organization described in section 501(c)(4) of the Internal Revenue Code; or

(2) revenues from lawful gambling authorized under chapter 349 that are expended for purposes that qualify for the deduction for charitable contributions under section 170 of the Internal Revenue Code of 1986, as amended through December 31, ~~1991~~ 1993, disregarding the limitation under section 170(b)(2), but only to the extent the contributions are not deductible in computing federal taxable income.

The tax shall be at the corporate rates. The tax shall only be imposed on income and deductions assignable to this state under sections 290.17 to 290.20. To the extent deducted in computing federal taxable income, the deductions contained in section 290.21 shall not be allowed in computing Minnesota taxable net income.

(c) The tax shall be imposed on organizations subject to federal tax under section 6033(e)(2) of the Internal Revenue Code of 1986, as amended through December 31, 1993, in an amount equal to the corporate tax rate multiplied by the amount of lobbying expenses taxed under section 6033(e)(2) which are attributable to lobbying the Minnesota state government.

Sec. 11. Minnesota Statutes 1992, section 290.05, is amended by adding a subdivision to read:

Subd. 8. [AUTHORITY TO REVOKE EXEMPTION FOR FAILURE TO COMPLY WITH FEDERAL LAW.] The commissioner may examine or investigate an entity claiming exemption under this section and subpart F of the Internal Revenue Code. The commissioner may revoke the exemption under this section for violations of federal law that would permit the commissioner of internal revenue or the secretary of the treasury to revoke the exemption under federal law, regardless of whether such action has been taken under federal law. A revocation under this subdivision is subject to administrative review under section 289A.65.

Sec. 12. Minnesota Statutes 1992, section 290.06, subdivision 2c, is amended to read:

Subd. 2c. [SCHEDULES OF RATES FOR INDIVIDUALS, ESTATES, AND TRUSTS.] (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code of 1986 as amended through December 31, 1991, must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first $19,910, 6 percent;

(2) On all over $19,910, but not over $79,120, 8 percent;

(3) On all over $79,120, 8.5 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $13,620, 6 percent;

(2) On all over $13,620, but not over $44,750, 8 percent;

(3) On all over $44,750, 8.5 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code of 1986, as amended through December 31, 1991, must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $16,770, 6 percent;

(2) On all over $16,770, but not over $67,390, 8 percent;

(3) On all over $67,390, 8.5 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) The numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, 1991, ~~less the deduction allowed by section 217 of the Internal Revenue Code of 1986, as amended through December 31, 1991,~~ after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, as amended through December 31, ~~1991~~ 1993, increased by the addition required for interest income from non-Minnesota state and municipal bonds under section 290.01, subdivision 19a, clause (1).

Sec. 13. Minnesota Statutes 1992, section 290.067, subdivision 1, is amended to read:

Subdivision 1. [AMOUNT OF CREDIT.] (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as an aid to families with dependent children grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code ~~of 1986, as amended through December 31, 1991,~~ do not apply.

(b) If a child who is six years of age or less at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but not older than six years of age at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child one year of age or less at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) $2,400 will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

Sec. 14. Minnesota Statutes 1992, section 290.068, subdivision 2, is amended to read:

(c) "Base amount" means base amount as defined in section 41(c) of the Internal Revenue Code, except that the average annual gross receipts must be calculated using Minnesota sales or receipts under section 290.191 and the definitions contained in clauses (a) and (b) shall apply.

~~(d) "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1991.~~

Sec. 15. Minnesota Statutes 1992, section 290.0802, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given.

(a) "Adjusted gross income" means federal adjusted gross income as used in section 22(d) of the Internal Revenue Code for the taxable year, plus a lump sum distribution as defined in section 402(e)(3) of the Internal Revenue Code, and less any pension, annuity, or disability benefits included in federal gross income but not subject to state taxation other than the subtraction allowed under section 290.01, subdivision 19b, clause (4).

(e) "Social security benefits above the second federal threshold" means the amount of social security benefits included in federal taxable income due to the provisions of section 13215 of the Omnibus Budget Reconciliation Act of 1993, Public Law Number 103-66.

Sec. 16. Minnesota Statutes 1992, section 290.0802, subdivision 2, is amended to read:

Subd. 2. [SUBTRACTION.] (a) A qualified individual is allowed a subtraction from federal taxable income for the greater of (1) the individual's subtraction base amount or (2) the minimum amount. The excess of the subtraction base amount over the taxable net income computed without regard to the subtraction for the elderly or disabled under section 290.01, subdivision 19b, clause (5), may be used to reduce the amount of a lump sum distribution subject to tax under section 290.032.

(b)(1) The initial subtraction base amount equals

(i) ~~$10,000~~ $12,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,

(ii) ~~$8,000~~ $9,600 for a single taxpayer, and

(iii) ~~$5,000~~ $6,000 for a married taxpayer filing a separate federal return.

(2) The qualified individual's initial subtraction base amount, then, must be reduced by the sum of nontaxable retirement and disability benefits and one-half of the amount of adjusted gross income in excess of the following thresholds:

(i) ~~$15,000~~ $18,000 for a married taxpayer filing a joint return if both spouses are qualified individuals,

(ii) ~~$12,000~~ $14,500 for a single taxpayer or for a married couple filing a joint return if only one spouse is a qualified individual, and

(iii) ~~$7,500~~ $9,000 for a married taxpayer filing a separate federal return.

(3) In the case of a qualified individual who is under the age of 65, the maximum amount of the subtraction base may not exceed the taxpayer's disability income.

(4) The resulting amount is the subtraction base amount.

(c) Qualified individuals who must include social security benefits above the second federal threshold in federal taxable income may claim a minimum amount equal to the lesser of

(1) the amount of social security benefits above the second federal threshold included in federal taxable income; or

(2) a minimum amount subject to an income phase-out.

For taxable years beginning after December 31, 1993, and before January 1, 1995, the minimum amount equals

(i) $3,750 for married individuals filing a joint return if both spouses are qualified individuals,

(ii) $3,000 for a single taxpayer or for married individuals filing a joint return if one spouse is a qualified individual, and

(iii) $1,875 for a married individual filing a separate return.

For taxable years beginning after December 31, 1994, and before January 1, 1996, the minimum amount equals

(i) $2,250 for married individuals filing a joint return if both spouses are qualified individuals,

(ii) $1,800 for a single taxpayer or for married individuals filing a joint return if one spouse is a qualified individual, and

(iii) $1,125 for married individuals filing a separate return.

For taxable years beginning after December 31, 1995, and before January 1, 1997, the minimum amount equals

(i) $1,000 for married individuals filing a joint return if both spouses are qualified individuals,

(ii) $800 for a single taxpayer or for married individuals filing a joint return if one spouse is a qualified individual, and

(iii) $500 for married individuals filing a separate return.

For taxable years beginning after December 31, 1996, the minimum amount is zero.

The minimum amount is reduced by 20 percent for each $1,000 of adjusted gross income above an income threshold, but in no case may the minimum amount be reduced to less than zero. The income thresholds equal

(i) $75,000 for married individuals filing a joint return if both spouses are qualified individuals,

(ii) $60,000 for single taxpayers and for married individuals filing a joint return if only one spouse is a qualified individual, and

(iii) $37,500 for married individuals filing a separate return.

Sec. 17. Minnesota Statutes 1993 Supplement, section 290.091, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] For purposes of the tax imposed by this section, the following terms have the meanings given:

(a) "Alternative minimum taxable income" means the sum of the following for the taxable year:

(1) the taxpayer's federal alternative minimum taxable income as defined in section 55(b)(2) of the Internal Revenue Code;

(2) the taxpayer's itemized deductions allowed in computing federal alternative minimum taxable income, but excluding the Minnesota charitable contribution deduction and ~~non-Minnesota charitable deductions to the extent they are included in federal alternative minimum taxable income under section 57(a)(6) of the Internal Revenue Code, and excluding~~ the medical expense deduction;

(3) for depletion allowances computed under section 613A(c) of the Internal Revenue Code, with respect to each property (as defined in section 614 of the Internal Revenue Code), to the extent not included in federal alternative minimum taxable income, the excess of the deduction for depletion allowable under section 611 of the Internal Revenue Code for the taxable year over the adjusted basis of the property at the end of the taxable year (determined without regard to the depletion deduction for the taxable year);

(4) to the extent not included in federal alternative minimum taxable income, the amount of the tax preference for intangible drilling cost under section 57(a)(2) of the Internal Revenue Code determined without regard to subparagraph (E);

(5) to the extent not included in federal alternative minimum taxable income, the amount of interest income as provided by section 290.01, subdivision 19a, clause (1); less the sum of

(i) interest income as defined in section 290.01, subdivision 19b, clause (1);

(ii) an overpayment of state income tax as provided by section 290.01, subdivision 19b, clause (2), to the extent included in federal alternative minimum taxable income; and

(iii) the amount of investment interest paid or accrued within the taxable year on indebtedness to the extent that the amount does not exceed net investment income, as defined in section 163(d)(4) of the Internal Revenue Code. Interest does not include amounts deducted in computing federal adjusted gross income.

In the case of an estate or trust, alternative minimum taxable income must be computed as provided in section 59(c) of the Internal Revenue Code.

~~(b) "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1992.~~

~~(c)~~ "Investment interest" means investment interest as defined in section 163(d)(3) of the Internal Revenue Code.

~~(d)~~ (c) "Tentative minimum tax" equals seven percent of alternative minimum taxable income after subtracting the exemption amount determined under subdivision 3.

~~(e)~~ (d) "Regular tax" means the tax that would be imposed under this chapter (without regard to this section and section 290.032), reduced by the sum of the nonrefundable credits allowed under this chapter.

~~(f)~~ (e) "Net minimum tax" means the minimum tax imposed by this section.

~~(g)~~ (f) "Minnesota charitable contribution deduction" means a charitable contribution deduction under section 170 of the Internal Revenue Code to or for the use of an entity described in section 290.21, subdivision 3, clauses (a) to (e).

Sec. 18. Minnesota Statutes 1992, section 290.091, subdivision 3, is amended to read:

Subd. 3. [EXEMPTION AMOUNT.] For purposes of computing the alternative minimum tax, the exemption amount is the exemption determined under section 55(d) of the Internal Revenue Code, as amended through December 31, 1992, except that alternative minimum taxable income as determined under this section must be substituted in the computation of the phase out under section 55(d)(3).

Sec. 19. Minnesota Statutes 1992, section 290.0921, subdivision 2, is amended to read:

Subd. 2. [DEFINITIONS.] (a) For purposes of this section, the following terms have the meanings given them.

(b) "Alternative minimum taxable net income" is alternative minimum taxable income,

(1) less the exemption amount, and

(2) apportioned or allocated to Minnesota under section 290.17, 290.191, or 290.20.

(c) The "exemption amount" is $40,000, reduced, but not below zero, by 25 percent of the excess of alternative minimum taxable income over $150,000.

(d) ~~"Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1991.~~

~~(e)~~ "Minnesota alternative minimum taxable income" is alternative minimum taxable net income, less the deductions for alternative tax net operating loss under subdivision 4; charitable contributions under subdivision 5; and dividends received under subdivision 6. The sum of the deductions under this paragraph may not exceed 90 percent of alternative minimum taxable net income. This limitation does not apply to a deduction for dividends paid to or received from a corporation which is subject to tax under section 290.35 or 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code.

Sec. 20. Minnesota Statutes 1992, section 290.35, is amended by adding a subdivision to read:

Subd. 6. [GUARANTY ASSOCIATION ASSESSMENT OFFSET.] An insurance company may offset against its corporate franchise tax liability under this chapter any amount paid pursuant to assessments made for insolvencies which occur after July 31, 1994, under sections 60C.01 to 60C.22, and any amount paid pursuant to assessments made after July 31, 1994, under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32, as follows:

(a) Each such assessment shall give rise to an amount of offset equal to 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid.

(b) The amount of offset initially determined for each taxable year is the sum of the amounts determined under paragraph (a) for that taxable year.

(c) Each year the commissioner of revenue shall compare total guaranty association assessments levied over the preceding five calendar years to the sum of all premium tax and corporate franchise tax revenues collected from insurance companies without reduction for any guaranty association assessment offset, in the preceding calendar year, referred to in this subdivision as "preceding year insurance tax revenues." If total guaranty association assessments levied over the preceding five years exceed the preceding year insurance tax revenues, insurance companies shall be allowed only a proportionate part of the corporate franchise tax offset calculated under paragraph (b) for the current calendar year. The proportionate part of the corporate franchise tax offset allowed in the current calendar year is determined by multiplying the amount calculated under paragraph (b) by a fraction, the numerator of which equals the preceding year insurance tax revenues and the denominator of which equals total guaranty association assessments levied over the preceding five-year period. The proportionate part of the premium tax offset that is not allowed shall be carried forward to subsequent tax years and added to the amount of corporate franchise tax offset calculated under paragraph (b) before application of the limitation imposed by this paragraph. Any amount carried forward from prior years must be allowed before allowance of the offset for the current year calculated under paragraph (b). The corporate franchise tax offset limitation must be calculated separately for (1) insurance companies subject to assessment under sections 60C.01 to 60C.22, and (2) insurance companies subject to assessment under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or sections 61B.18 to 61B.32. When the corporate franchise tax offset is limited by this provision, the commissioner of revenue will notify affected insurance companies on a timely basis for purposes of completing premium and corporate franchise tax returns. The guaranty associations created under sections 60C.01 to 60C.22, Minnesota Statutes 1992, 61B.01 to 61B.16, and sections 61B.18 to 61B.32, shall provide the commissioner of revenue with the necessary information on guaranty association assessments. The limitation in this paragraph is effective for offsets allowable in 1999 and thereafter.

(d) If the offset determined by the application of paragraphs (a) to (c) exceeds the greater of the insurance company's corporate franchise tax liability under this chapter prior to allowance of the credit provided by subdivision 3 or its premium tax liability under chapter 60A, then the insurance company may carry forward the excess, referred to in this subdivision as the "carryforward credit," to subsequent taxable years. The carryforward credit must be allowed as an offset against corporate franchise tax liability for the first succeeding year to the extent that the corporate franchise tax liability for that year exceeds the amount of the allowable offset for the year determined under paragraphs (a) to (c). The carryforward credit shall be reduced, but not below zero, by the greater of the amount of the carryforward credit allowed as an offset against the corporate franchise tax pursuant to this paragraph or the amount of the carryforward credit allowed as an offset against the insurance company's premium tax liability under chapter 60A pursuant to section 60A.15, subdivision 15, paragraph (d). The remainder, if any, of the carryforward credit must be carried forward to succeeding taxable years until the entire carryforward credit has been credited against the insurance company's liability for corporate franchise tax under this chapter and premium tax under chapter 60A.

(e) A refund paid by the Minnesota life and health insurance guaranty association to member insurers under Minnesota Statutes 1992, section 61B.07, subdivision 6, or section 61B.24, subdivision 6, with respect to an assessment payment which has been offset against taxes shall reduce the carryforward credit determined under paragraph (d) and, if the refund exceeds the amount of the carryforward credit, shall be repaid by the insurers to the extent of the offset to the state in the manner the commissioner of revenue requires.

Sec. 21. Minnesota Statutes 1992, section 297.01, is amended by adding a subdivision to read:

Subd. 17. [INTERNAL REVENUE CODE.] Unless specifically defined otherwise, "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 1993.

Sec. 22. Minnesota Statutes 1992, section 298.017, subdivision 2, is amended to read:

Subd. 2. [DEDUCTIONS ALLOWED.] (a) In calculating the net proceeds for the purpose of determining the tax provided in section 298.015, only those expenses specifically allowed in this subdivision may be deducted from gross proceeds. The carryback or carryforward of deductions shall not be allowed.

(b) Ordinary and necessary expenses actually paid for the mining, production, processing, beneficiation, smelting, or refining of metal or mineral products for:

(1) labor, including wages, salaries, fringe benefits, unemployment and workers' compensation insurance;

(2) machinery, equipment, and supplies, including any sales and use tax paid on it, except that machinery and equipment subject to depreciation shall only be deductible under clause (b)(3);

(3) depreciation as defined and allowed by section 167 of the Internal Revenue Code of 1986, as amended through December 31, ~~1986~~ 1993;

(4) administrative expenses inside Minnesota; and

(5) reclamation costs actually incurred in Minnesota and paid in a year of production, including the payment of bonds required by the provisions of an environmental permit issued by the state of Minnesota

are deductible.

ARTICLE 2

SALES, USE, AND MOTOR VEHICLE EXCISE TAXES

Section 1. Minnesota Statutes 1993 Supplement, section 289A.11, subdivision 1, is amended to read:

Subdivision 1. [RETURN REQUIRED.] Except as provided in section 289A.18, subdivision 4, for the month in which taxes imposed by sections 297A.01 to 297A.44 are payable, or for which a return is due, a return for the preceding reporting period must be filed with the commissioner in the form and manner the commissioner prescribes. A person making sales at retail at two or more places of business may file a consolidated return subject to rules prescribed by the commissioner. In computing the dollar amount of items on the return, the amounts are rounded off to the nearest whole dollar, disregarding amounts less than 50 cents and increasing amounts of 50 cents to 99 cents to the next highest dollar.

Notwithstanding this subdivision, a person who is not required to hold a sales tax permit under chapter 297A and who makes annual purchases of less than ~~$5,000~~ $18,500 that are subject to the use tax imposed by section 297A.14, may file an annual use tax return on a form prescribed by the commissioner. If a person who qualifies for an annual use tax reporting period is required to obtain a sales tax permit or makes use tax purchases in excess of ~~$5,000~~ $18,500 during the calendar year, the reporting period must be considered ended at the end of the month in which the permit is applied for or the purchase in excess of ~~$5,000~~ $18,500 is made and a return must be filed for the preceding reporting period.

Sec. 2. Minnesota Statutes 1993 Supplement, section 297A.01, subdivision 16, is amended to read:

Subd. 16. [CAPITAL EQUIPMENT.] (a) Capital equipment means machinery and equipment ~~and the materials and supplies necessary to construct or install the machinery or equipment. To qualify under this definition the capital equipment must be~~ purchased or leased for use in this state and used by the purchaser or lessee primarily for manufacturing, fabricating, mining, ~~quarrying,~~ or refining tangible personal property, to be sold ultimately at retail and for electronically transmitting results retrieved by a customer of an on-line computerized data retrieval system, ~~or for the generation of electricity or steam, to be sold at retail and must be used for the establishment of a new or the physical expansion of an existing manufacturing, fabricating, mining, quarrying, or refining facility in the state. For purposes of this subdivision, "mining" includes peat mining, and "on-line computerized data retrieval system" refers to a system whose cumulation of information is equally available and accessible to all its customers~~.

(b) Capital equipment includes all machinery and equipment that is essential to the integrated production process. Capital equipment includes, but is not limited to:

(1) machinery and equipment used or required to operate, control, or regulate the production equipment;

(2) machinery and equipment used for research and development, design, quality control, and testing activities;

(3) environmental control devices that are used to maintain conditions such as temperature, humidity, light, or air pressure when those conditions are essential to and are part of the production process; or

(4) materials and supplies necessary to construct and install machinery or equipment.

(c) Capital equipment does not include the following:

(1) ~~machinery or equipment purchased or leased to replace machinery or equipment performing substantially the same function in an existing facility;~~

~~(2)~~ repair or replacement parts, including accessories, whether purchased as spare parts, repair parts, or as upgrades or modifications, and whether purchased before or after the machinery or equipment is placed into service. Parts or accessories are treated as capital equipment only to the extent that they are a part of and are essential to the operation of the machinery or equipment as initially purchased;

(2) motor vehicles taxed under chapter 297B;

(3) machinery or equipment used to receive or store raw materials;

(4) building materials~~, including materials used for foundations that support machinery or equipment~~;

(5) machinery or equipment used for nonproduction purposes, including, but not limited to, the following: machinery and equipment used for plant security, fire prevention, first aid, and hospital stations; machinery and equipment used in support operations or for administrative purposes; machinery and equipment used solely for pollution control, prevention, or abatement; ~~machinery and equipment used for environmental control, except that when a controlled environment is essential for the manufacture of a particular product, the machinery or equipment that controls the environment can qualify as capital equipment;~~ and machinery and equipment used in plant cleaning, disposal of scrap and waste, plant communications, space heating, lighting, or safety;

(6) "farm machinery" as defined by subdivision 15, ~~"special tooling" as defined by subdivision 17, and~~ "aquaculture production equipment" as defined by subdivision 19, and "replacement capital equipment" as defined by subdivision 20; or

(7) any other item that is not essential to the integrated process of manufacturing, fabricating, mining, ~~quarrying,~~ or refining.

(d) For purposes of this subdivision:

(1) "Equipment" means independent devices or tools separate from machinery but essential to an integrated production process, including computers and software, used in operating machinery and equipment; and any subunit or assembly comprising a component of any machinery or accessory or attachment parts of machinery, such as tools, dies, jigs, patterns, and molds.

(2) "Fabricating" means to make, build, create, produce, or assemble components or property to work in a new or different manner.

(3) "Machinery" means mechanical, electronic, or electrical devices, including computers and software, that are purchased or constructed to be used for the activities set forth in paragraph (a), beginning with the removal of raw materials from inventory through the completion of the product, including packaging of the product.

(4) "Manufacturing" means an operation or series of operations where raw materials are changed in form, composition, or condition by machinery and equipment and which results in the production of a new article of tangible personal property. For purposes of this subdivision, "manufacturing" includes the generation of electricity or steam to be sold at retail.

(5) "Mining" means the extraction of minerals, ores, stone, and peat.

(6) "On-line data retrieval system" means a system whose cumulation of information is equally available and accessible to all its customers.

(7) "Pollution control equipment" means machinery and equipment used to eliminate, prevent, or reduce pollution resulting from an activity described in paragraph (a).

(8) "Primarily" means machinery and equipment used 50 percent or more of the time in an activity described in paragraph (a).

(9) "Refining" means the process of converting a natural resource to a product, including the treatment of water to be sold at retail.

~~(c)~~ (e) For purposes of this subdivision:

~~(1)~~ the requirement that the machinery or equipment "must be used by the purchaser or lessee" means that the person who purchases or leases the machinery or equipment must be the one who uses it for the qualifying purpose. When a contractor buys and installs machinery or equipment as part of an improvement to real property, only the contractor is considered the purchaser;.

~~(2) the requirement that the machinery and equipment must be used "for manufacturing, fabricating, mining, quarrying, or refining" means that the machinery or equipment must be essential to the integrated process of manufacturing, fabricating, mining, quarrying, or refining. Neither legal requirements nor practical necessity determines whether or not the equipment is essential to the integrated process;~~

~~(3) "facility" means a coordinated group of fixed assets, which may include land, buildings, machinery, and equipment that are essential to and used in an integrated manufacturing, fabricating, refining, mining, or quarrying process;~~

~~(4) "establishment of a new facility" means the construction of a facility, or the purchase by a new owner of a facility that was previously closed and not operational for a period of at least 12 consecutive months. Relocating operations from an existing facility within Minnesota to another facility within Minnesota does not constitute establishing a new facility;~~

~~(5) "physical expansion of an existing facility" means adding a new production line, adding new machinery or equipment to an existing production line, new construction which will become part of the existing facility and which is used for a qualifying activity, or conversion of an area in an existing facility from a nonqualifying activity to a qualifying activity; and~~

~~(6) performing "substantially the same function" means that the new machinery or equipment serves fundamentally or essentially the same purpose as did the old equipment or that it produces the same or similar end product, even though it may increase speed, efficiency, or production capacity.~~

~~(d)~~ (f) Notwithstanding prior provisions of this subdivision, machinery and equipment purchased or leased to replace machinery and equipment used in the mining or production of taconite shall qualify as capital equipment ~~regardless of whether the facility has been expanded~~.

Sec. 3. Minnesota Statutes 1992, section 297A.01, is amended by adding a subdivision to read:

Subd. 20. [REPLACEMENT CAPITAL EQUIPMENT.] (a) Replacement capital equipment means machinery and equipment, as defined in subdivision 16, that serves fundamentally or essentially the same purpose or function or that produces the same or similar end product as did the old equipment, even though it may increase speed, efficiency, or production capacity.

(b) Replacement capital equipment includes:

(1) repair and replacement parts, including accessories, whether purchased as spare parts, repair parts, or as upgrades or modifications to machinery or equipment;

(2) replacement or enhanced software used or required to operate, control, or regulate machinery or equipment;

(3) materials used for foundations that support machinery or equipment or special purpose buildings used in the production process; or

(4) all machinery and equipment that is replacing an existing piece of machinery or equipment that is essential to the integrated production process.

Sec. 4. Minnesota Statutes 1992, section 297A.02, is amended to read:

297A.02 [IMPOSITION OF TAX.]

The 3.2 percent malt liquor is subject to taxation under this subdivision only when sold at an on-sale or off-sale municipal liquor store or other establishment licensed to sell any type of intoxicating liquor.

Subd. 4. [MANUFACTURED HOUSING.] Notwithstanding the provisions of subdivision 1, for sales at retail of manufactured homes used for residential purposes the excise tax is imposed upon 65 percent of the sales price of the home.

Subd. 5. [REPLACEMENT CAPITAL EQUIPMENT.] Notwithstanding the provisions of subdivision 1, the rate of excise tax imposed upon retail sales of replacement capital equipment is:

for purchases after June 30, 1994, and prior to July 1, 1995, 5.0 percent,

for purchases after June 30, 1995, and prior to July 1, 1996, 4.0 percent,

This subdivision shall cease to be operative on July 1, 2001, or on July 1 of the earliest year thereafter, if the total employment in the manufacturing sector in this state, as determined by the commissioner of jobs and training on the preceding January 1, does not exceed by 4,500 the total employment in the manufacturing sector in the state on January 1, 1994.

Sec. 5. [297A.022] [COORDINATION OF STATE AND LOCAL SALES TAX RATES.]

In preparing and distributing a sales tax schedule for use within a local jurisdiction with a separate general sales tax, the state department of revenue shall coordinate the state, local option, and local sales tax so that a sale of $1 reflects a tax equal to the combination of the state, local option, and local sales tax rate. The combined sales tax on other sales amounts shall also reflect the coordinated rather than the separate effects of the three sales taxes. The schedule must be coordinated as long as the local sales tax is in effect. If the sales tax percentage is changed for any of the taxes, the schedule shall be adjusted to reflect the change.

Sec. 6. Minnesota Statutes 1992, section 297A.135, subdivision 1, is amended to read:

Subdivision 1. In the case of building materials qualifying under section 297A.25, subdivision 50, where the tax was paid by a contractor, application must be made by the owner for the sales tax paid by all the contractors, subcontractors, and builders for the project. The application must include sufficient information to permit the commissioner to verify the sales tax paid for the project. The application shall include information necessary for the commissioner initially to verify that the purchases qualified as capital equipment under section 297A.25, subdivision 42, replacement capital equipment under section 297A.01, subdivision 20, or capital equipment or construction materials and supplies under section 297A.25, subdivision 50. Subd. 5. [APPROPRIATION.] There is annually appropriated from the general fund to the commissioner of education a sum sufficient to pay the aids provided under this section for school districts, intermediate school districts, or any group of school districts levying as a single taxing entity. Sec. 10. Minnesota Statutes 1993 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current year. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy.

In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and

~~(5) any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes; and~~

~~(6)~~ the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672;

(3) regional transit board under section 473.446; and

(4) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 11. Minnesota Statutes 1993 Supplement, section 290A.23, is amended by adding a subdivision to read:

The report shall be in a form and contain the information necessary to determine the aid amounts, as prescribed by the commissioner. The report shall contain, at least, for each mortgage loan for which a mortgage credit certificate was issued: (1) the principal amount of the loan, (2) the interest rate on the loan, (3) the term of the loan, and (4) the credit rate.

Subd. 2. [PAYMENT OF AID.] By July 15 of each year, the commissioner of trade and economic development shall pay mortgage credit certificate aid to each city issuing certificates during the previous calendar year and submitting a timely application under subdivision 1. The amount of aid to be paid to a city for a calendar year equals the sum of the aid for each mortgage credit certificate issued by the city for a mortgage loan that is outstanding during the calendar year, assuming no prepayment of principal. The amount of mortgage credit certificate aid for each mortgage credit certificate equals eight percent multiplied by the product of the credit rate, the outstanding principal amount of the loan, and the original interest rate on the loan. For purposes of calculating the aid for a variable rate loan, the original interest rate means the interest rate that applies in the first year of the loan. For purposes of calculating the aid, the commissioner shall assume level amortization with no prepayment of principal.

Subd. 3. [USE OF AID.] The city shall transfer the aid to its housing authority to be used to provide homeownership programs to families or individuals whose incomes are at or below 80 percent of the area median income.

Subd. 4. [APPROPRIATION.] An amount sufficient to pay the aid under this section is appropriated from the general fund to the commissioner of trade and economic development.

By July 1 of each subsequent year, the commissioner of human services shall certify to the commissioner of revenue the income maintenance caseload for each county for the most recent calendar year available.

Subd. 3. [AID DISTRIBUTION; CALENDAR YEAR 1995.] For aid paid in calendar year 1995 only, one-half of the aid amount shall be paid to each county in the same proportion that the county's number of children in out-of-home placement is to the number of children in out-of-home placement for all counties within the state for 1991 and 1992, and one-half of the aid amount shall be paid to each county in the same proportion that the county's income maintenance caseload is to the income maintenance caseload for all counties within the state.

Subd. 4. [AID DISTRIBUTION; CALENDAR YEAR 1996 AND THEREAFTER.] For aid paid in calendar year 1996 and thereafter, each county shall receive the same proportion of the total aid it received in the prior year, multiplied by one plus the percentage change in the county's share of the statewide income maintenance caseload. If the amount appropriated does not equal the aid amounts calculated under this subdivision, the commissioner of revenue shall proportionately reduce or increase the aid amounts so that their sum equals the amount appropriated.

Subd. 5. [PAYMENT.] The commissioner of revenue shall pay the amounts determined under this section as provided in section 477A.015.

Subd. 6. [REPORT.] On or before March 15 of the year following the year in which the distributions under this section are received, each county shall file with the commissioner of revenue and commissioner of human services a report on prior year expenditures for out-of-home placement and family preservation, including expenditures under this section.

Sec. 3. Minnesota Statutes 1993 Supplement, section 290A.04, subdivision 2h, as amended by Laws 1994, chapter 383, section 1, is amended to read:

Subd. 2h. (a) If the gross property taxes payable on a homestead increase more than 12 percent over the net property taxes payable in the prior year on the same property that is owned and occupied by the same owner on January 2 of both years, and the amount of that increase is $100 or more for taxes payable in ~~1994,~~ 1995~~,~~ and 1996, a claimant who is a homeowner shall be allowed an additional refund equal to ~~75~~ 60 percent of the amount of the increase over the greater of 12 percent of the prior year's net property taxes payable or $100 for taxes payable in ~~1994,~~ 1995~~,~~ and 1996. This subdivision shall not apply to any increase in the gross property taxes payable attributable to improvements made to the homestead after the assessment date for the prior year's taxes.

The maximum refund allowed under this subdivision is ~~$1,500~~ $1,000.

(b) For purposes of this subdivision, the following terms have the meanings given:

(1) "Net property taxes payable" means property taxes payable minus refund amounts for which the claimant qualifies pursuant to subdivision 2 and this subdivision.

(2) "Gross property taxes" means net property taxes payable determined without regard to the refund allowed under this subdivision.

(c) In addition to the other proofs required by this chapter, each claimant under this subdivision shall file with the property tax refund return a copy of the property tax statement for taxes payable in the preceding year or other documents required by the commissioner.

(d) On or before December 1, ~~1994 and~~ 1995, the commissioner shall estimate the cost of making the payments provided by this subdivision for taxes payable in ~~the following year~~ 1996. Notwithstanding the open appropriation provision of section 290A.23, if the estimated total refund claims for taxes payable in ~~1995 and~~ 1996 exceed $5,500,000, ~~for each of the two years~~ the commissioner shall ~~increase the $100 amount of tax increase which must occur before a taxpayer qualifies for a refund, and increase by an equal amount the $100 threshold used in determining the amount of the refund, so that the estimated total refund claims do not exceed $5,500,000 for taxes payable in 1995, or for taxes~~

~~payable in 1996~~ first reduce the 60 percent refund rate enough, but to no lower a rate than 50 percent, so that the estimated total refund claims do not exceed $5,500,000. If the commissioner estimates that total claims will exceed $5,500,000 at a 50 percent refund rate, the commissioner shall also reduce the $1,000 maximum refund amount by enough so that total estimated refund claims do not exceed $5,500,000.

The determinations of the revised thresholds by the commissioner are not rules subject to chapter 14.

(e) Upon request, the appropriate county official shall make available the names and addresses of the property taxpayers who may be eligible for the additional property tax refund under this section. The information shall be provided on a magnetic computer disk. The county may recover its costs by charging the person requesting the information the reasonable cost for preparing the data. The information may not be used for any purpose other than for notifying the homeowner of potential eligibility and assisting the homeowner, without charge, in preparing a refund claim.

Subd. 6. [INFLATION ADJUSTMENT.] Beginning for property tax refunds payable in calendar year ~~1995~~ 1996, the commissioner shall annually adjust the dollar amounts of the income thresholds and the maximum refunds under subdivisions 2 and 2a for inflation. The commissioner shall make the inflation adjustments in accordance with section 290.06, subdivision 2d, except that for purposes of this subdivision the percentage increase shall be determined from the year ending on August 31, 1993, to the year ending on August 31 of the year preceding that in which the refund is payable. The commissioner shall use the appropriate percentage increase to annually adjust the income thresholds and maximum refunds under subdivisions 2 and 2a for inflation without regard to whether or not the income tax brackets are adjusted for inflation in that year. The commissioner shall round the thresholds and the maximum amounts, as adjusted to the nearest $10 amount. If the amount ends in $5, the commissioner shall round it up to the next $10 amount.

The commissioner shall annually announce the adjusted refund schedule at the same time provided under section 290.06. The determination of the commissioner under this subdivision is not a rule under the administrative procedure act.

This limitation shall not apply to increases in value due to improvements. For purposes of this subdivision, the term "assessment" means the value prior to any exclusion under subdivision 16.

The provisions of this subdivision shall be in effect only for assessment years 1993 through ~~1998~~ 1997.

For purposes of the assessment/sales ratio study conducted under section 124.2131, and the computation of state aids paid under chapters 124, 124A, and 477A, market values and net tax capacities determined under this subdivision and subdivision 16, shall be used.

Sec. 4. Minnesota Statutes 1993 Supplement, section 273.11, subdivision 16, is amended to read:

Subd. 16. [VALUATION EXCLUSION FOR CERTAIN IMPROVEMENTS.] Improvements to homestead property made before January 2, 2003, shall be fully or partially excluded from the value of the property for assessment purposes provided that (1) the house is at least 35 years old at the time of the improvement and (2) either (a) the assessor's estimated market value of the house on January 2 of the current year is equal to or less than $150,000, or (b) if the estimated market value of the house is over $150,000 market value but is less than $300,000 on January 2 of the current year, the property qualifies if

(i) it is located in a city or town in which 50 percent or more of the homes were constructed before 1960 based upon the 1990 federal census, and

(ii) the city or town's median family income based upon the 1990 federal census is less than the statewide median family income based upon the 1990 federal census.

Any house which has an estimated market value of $300,000 or more on January 2 of the current year is not eligible to receive any property valuation exclusion under this section. For purposes of determining this eligibility, "house" means land and buildings.

The age of a residence is the number of years that the residence has existed at its present site. In the case of an owner-occupied duplex or triplex, the improvement is eligible regardless of which portion of the property was improved.

If the property lies in a jurisdiction which is subject to a building permit process, a building permit must have been issued ~~covering~~ prior to commencement of the improvement. ~~If the property lies in a jurisdiction which is not subject to a building permit process, the~~ Any improvement must add at least $1,000 to the value of the property to be eligible for exclusion under this subdivision. Only improvements to the structure which is the residence of the qualifying

homesteader or ~~the~~ construction of or improvements to no more than one two-car garage per residence qualify for the provisions of this subdivision. If an improvement was begun between January 2, 1992, and January 2, 1993, any value added from that improvement for the January 1994 and subsequent assessments shall qualify for exclusion under this subdivision provided that a building permit was obtained for the improvement between January 2, 1992, and January 2, 1993. Whenever a building permit is issued for property currently classified as homestead, the issuing jurisdiction shall notify the ~~assessor~~ property owner of the possibility of valuation exclusion under this subdivision. The assessor ~~may~~ shall require an application ~~process and~~, including documentation of the age of the house from the owner, if unknown by the assessor. The application may be filed subsequent to the date of the building permit provided that the application is filed prior to the next assessment date.

After the adjournment of the 1994 county board of equalization meetings, no exclusion may be granted for an improvement by a local board of review or county board of equalization unless (1) a building permit was issued prior to the commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed on a timely basis. No abatement of the taxes for qualifying improvements may be granted by a county board unless (1) a building permit was issued prior to commencement of the improvement if the jurisdiction requires a building permit, and (2) an application was completed on a timely basis.

The assessor shall note the qualifying value of each improvement on the property's record, and the sum of those amounts shall be subtracted from the value of the property in each year for ten years after the improvement has been made, at which time an amount equal to 20 percent of the qualifying value shall be added back in each of the five subsequent assessment years. The valuation exclusion shall terminate whenever (1) the property is sold, or (2) the property is reclassified to a class which does not qualify for treatment under this subdivision. Improvements made by an occupant who is the purchaser of the property under a conditional purchase contract do not qualify under this subdivision unless the seller of the property is a governmental entity. The qualifying value of the property shall be computed based upon the increase from that structure's market value as of January 2 preceding the acquisition of the property by the governmental entity.

The total qualifying value for a homestead may not exceed $50,000. The total qualifying value for a homestead with a house that is less than 70 years old may not exceed $25,000. The term "qualifying value" means the increase in estimated market value resulting from the improvement if the improvement occurs when the house is at least 70 years old, or one-half of the increase in estimated market value resulting from the improvement otherwise. The $25,000 and $50,000 maximum qualifying value under this ~~section~~ subdivision may result from up to three separate improvements to the homestead. The application shall state, in clear language, that if more than three improvements are made to the qualifying property, a taxpayer may choose which three improvements are eligible, provided that after the taxpayer has made the choice and any valuation attributable to those improvements has been excluded from taxation, no further changes can be made by the taxpayer.

If 50 percent or more of the square footage of a structure is voluntarily razed or removed, the valuation increase attributable to any subsequent improvements to the remaining structure does not qualify for the exclusion under this subdivision. If a structure is unintentionally or accidentally destroyed by a natural disaster, the property is eligible for an exclusion under this subdivision provided that the structure was not completely destroyed. The qualifying value on property destroyed by a natural disaster shall be computed based upon the increase from that structure's market value as determined on January 2 of the year in which the disaster occurred. A property receiving benefits under the homestead disaster provisions under section 273.123 is not disqualified from receiving an exclusion under this subdivision. If any combination of improvements made to a structure after January 1, 1993, increases the size of the structure by 100 percent or more, the valuation increase attributable to the portion of the improvement that causes the structure's size to exceed 100 percent does not qualify for exclusion under this subdivision.

Sec. 5. Minnesota Statutes 1993 Supplement, section 273.11, is amended by adding a subdivision to read:

Subd. 17. [DISCLOSURE OF VALUATION EXCLUSION.] No seller of real property shall sell or offer for sale property that, for purposes of property taxation, has an exclusion from market value for home improvements under subdivision 16, without disclosing to the buyer the existence of the excluded valuation and informing the buyer that the exclusion will end upon the sale of the property and that the property's estimated market value for property tax purposes will increase accordingly.

Sec. 6. Minnesota Statutes 1992, section 273.111, subdivision 11, is amended to read:

Subd. 11. The payment of special local assessments levied after June 1, 1967 for improvements made to any real property described in subdivision 3 together with the interest thereon shall, on timely application as provided in subdivision 8, be deferred as long as such property meets the conditions contained in subdivisions 3 and 6 or is

transferred to an agricultural preserve under sections 473H.02 to 473H.17. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. When such property no longer qualifies under subdivisions 3 and 6, all deferred special assessments plus interest shall be payable in equal installments spread over the time remaining until the last maturity date of the bonds issued to finance the improvement for which the assessments were levied. If the bonds have matured, the deferred special assessments plus interest shall be payable within 90 days. The provisions of section 429.061, subdivision 2, apply to the collection of these installments. Penalty shall not be levied on any such special assessments if timely paid.

Sec. 7. Minnesota Statutes 1993 Supplement, section 273.112, subdivision 3, is amended to read:

Subd. 3. Real estate shall be entitled to valuation and tax deferment under this section only if it is:

(a) actively and exclusively devoted to golf, skiing, lawn bowling, croquet, or archery or firearms range recreational use or uses and other recreational uses carried on at the establishment;

(b) five acres in size or more, except in the case of a lawn bowling or croquet green or an archery or firearms range;

(c)(1) operated by private individuals or, in the case of a lawn bowling or croquet green, by private individuals or corporations, and open to the public; or

(2) operated by firms or corporations for the benefit of employees or guests; or

(3) operated by private clubs having a membership of 50 or more or open to the public, provided that the club does not discriminate in membership requirements or selection on the basis of sex or marital status; and

(d) made available, in the case of real estate devoted to golf, for use without discrimination on the basis of sex during the time when the facility is open to use by the public or by members, except that use for golf may be restricted on the basis of sex no more frequently than one, or part of one, weekend each calendar month for each sex and no more than two, or part of two, weekdays each week for each sex.

If a golf club membership allows use of golf course facilities by more than one adult per membership, the use must be equally available to all adults entitled to use of the golf course under the membership, except that use may be restricted on the basis of sex as permitted in this section. Memberships that permit play during restricted times may be allowed only if the restricted times apply to all adults using the membership. A golf club may not offer a membership or golfing privileges to a spouse of a member that provides greater or less access to the golf course than is provided to that person's spouse under the same or a separate membership in that club, except that the terms of a membership may provide that one spouse may have no right to use the golf course at any time while the other spouse may have either limited or unlimited access to the golf course.

A golf club may have or create an individual membership category which entitles a member for a reduced rate to play during restricted hours as established by the club. The club must have on record a written request by the member for such membership.

A golf club that has food or beverage facilities or services must allow equal access to those facilities and services for both men and women members in all membership categories at all times. Nothing in this paragraph shall be construed to require service or access to facilities to persons under the age of 21 years or require any act that would violate law or ordinance regarding sale, consumption, or regulation of alcoholic beverages.

For purposes of this subdivision and subdivision 7a, discrimination means a pattern or course of conduct and not linked to an isolated incident.

Sec. 8. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 1, is amended to read:

Subdivision 1. [GENERAL RULE.] (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property of a trustee, beneficiary, or grantor of a trust is not disqualified from receiving homestead benefits if the homestead requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner shall apply for it to the assessor by July 1 of the year when the treatment is initially sought. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph, "relative" means a parent, stepparent, child, stepchild, ~~spouse,~~ grandparent, grandchild, brother, sister, uncle, or aunt. This relationship may be by blood or marriage. Property that was classified as seasonal recreational residential property at the time when treatment under this paragraph would first apply shall continue to be classified as seasonal recreational residential property for the first four assessment years beginning after the date when the relative of the owner occupies the property as a homestead; this delay also applies to property that, in the absence of this paragraph, would have been classified as seasonal recreational residential property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son ~~or~~, daughter, father, or mother of the owner of the agricultural property or a son or daughter of the spouse of the owner of the agricultural property,

(2) the owner of the agricultural property must be a Minnesota resident,

(3) the owner of the agricultural property is not eligible to receive homestead treatment on any other agricultural property in Minnesota, and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location as provided under subdivision 13, or (4) residence in a nursing home or boarding care facility.

Sec. 9. Minnesota Statutes 1993 Supplement, section 273.124, subdivision 13, is amended to read:

Subd. 13. [HOMESTEAD APPLICATION.] (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) On or before January 2, 1993, each county assessor shall mail a homestead application to the owner of each parcel of property within the county which was classified as homestead for the 1992 assessment year. The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall consult with the chairs of the house and senate tax committees on the contents of the homestead application form. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to continue receiving homestead treatment. The envelope containing the homestead application shall clearly identify its contents and alert the taxpayer of its necessary immediate response.

(c) Every property owner applying for homestead classification must furnish to the county assessor the social security number of each occupant who is listed as an owner of the property on the ~~homestead application~~ deed of record, ~~and~~ the name and address of each owner who does not occupy the property~~.~~, and the name and social security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property owner's spouse does not occupy the homestead because marriage dissolution proceedings are pending, the spouses are legally separated, or the spouse's employment or self-employment location requires the spouse to have a separate homestead. The assessor may require proof of employment or self-employment and employment or self-employment location, or proof of dissolution proceedings or legal separation.

If the social security number or affidavit or other proof is not provided, the county assessor shall classify the property as nonhomestead.

The social security numbers or affidavits or other proofs of the property owners and spouses are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The social security number of each relative occupying the property and the social security number of each owner who is related to an occupant of the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The social security number of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for the 1993 assessment, or any assessment year thereafter, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner or the relative is no longer occupying the property as a homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. Beginning with assessment year 1993 for all properties, If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and social security number of each property owner and the property owner's spouse occupying the property, or relative of a property owner, applying for homestead classification under this subdivision. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If, in comparing the lists supplied by the counties, the commissioner finds that a property owner is claiming more than one homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, and the supplemental homestead credit under section 273.1391.

The county auditor shall send a notice to the owners of the affected property, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The property owners may appeal the county's determination by filing a notice of appeal with the Minnesota tax court within 60 days of the date of the notice from the county. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the succeeding year's tax list to be collected as part of the property taxes.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis county auditor to be deposited in the taconite property tax relief account. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners.

Sec. 10. Minnesota Statutes 1993 Supplement, section 273.13, subdivision 23, is amended to read:

Subd. 23. [CLASS 2.] (a) Class 2a property is agricultural land including any improvements that is homesteaded. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a property under subdivision 22. The value of the remaining land including improvements up to $115,000 has a net class rate of .45 percent of market value and a gross class rate of 1.75 percent of market value. The remaining value of class 2a property over $115,000 of market value that does not exceed 320 acres has a net class rate of one percent of market value, and a gross class rate of 2.25 percent of market value. The remaining property over the $115,000 market value in excess of 320 acres has a class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(b) Class 2b property is (1) real estate, rural in character and used exclusively for growing trees for timber, lumber, and wood and wood products; (2) real estate that is not improved with a structure and is used exclusively for growing trees for timber, lumber, and wood and wood products, if the owner has participated or is participating in a cost-sharing program for afforestation, reforestation, or timber stand improvement on that particular property, administered or coordinated by the commissioner of natural resources; ~~or~~ (3) real estate that is nonhomestead agricultural land; or (4) a landing area or public access area of a privately owned public use airport. Class 2b property has a net class rate of 1.5 percent of market value, and a gross class rate of 2.25 percent of market value.

(c) Agricultural land as used in this section means contiguous acreage of ten acres or more, primarily used during the preceding year for agricultural purposes. Agricultural use may include pasture, timber, waste, unusable wild land, and land included in state or federal farm programs. "Agricultural purposes" as used in this section means the raising or cultivation of agricultural products.

(d) Real estate of less than ten acres used principally for raising or cultivating agricultural products, shall be considered as agricultural land, if it is not used primarily for residential purposes.

(e) The term "agricultural products" as used in this subdivision includes:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock described in sections 18.44 to 18.61, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses if the boarding is done in conjunction with raising or cultivating agricultural products as defined in clause (1); ~~and~~

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing; and

(5) game birds and waterfowl bred and raised for use on a shooting preserve licensed under section 97A.115.

(f) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(g) To qualify for classification under paragraph (b), clause (4), a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of paragraph (b), clause (4), "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxi-ways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under paragraph (b), clause (4), must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of paragraph (b), clause (4). For purposes of paragraph (b), clause (4), "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

Sec. 11. Minnesota Statutes 1993 Supplement, section 273.13, subdivision 24, is amended to read:

Subd. 24. [CLASS 3.] (a) Commercial and industrial property and utility real and personal property, except class 5 property as identified in subdivision 31, clause (1), is class 3a. It has a class rate of three percent of the first $100,000 of market value for taxes payable in 1993 and thereafter, and 5.06 percent of the market value over $100,000. In the case of state-assessed commercial, industrial, and utility property owned by one person or entity, only one parcel has a reduced class rate on the first $100,000 of market value. In the case of other commercial, industrial, and utility property owned by one person or entity, only one parcel in each county has a reduced class rate on the first $100,000 of market value, except that:

(1) if the market value of the parcel is less than $100,000, and additional parcels are owned by the same person or entity in the same city or town within that county, the reduced class rate shall be applied up to a combined total market value of $100,000 for all parcels owned by the same person or entity in the same city or town within the county; ~~and~~

(2) in the case of grain, fertilizer, and feed elevator facilities, as defined in section 18C.305, subdivision 1, or 232.21, subdivision 8, the limitation to one parcel per owner per county for the reduced class rate shall not apply, but there shall be a limit of $100,000 of preferential value per site of contiguous parcels owned by the same person or entity. Only the value of the elevator portion of each parcel shall qualify for treatment under this clause. For purposes of this subdivision, contiguous parcels include parcels separated only by a railroad or public road right-of-way~~.~~; and

(3) in the case of property owned by a nonprofit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code of 1986, as amended through December 31, 1993, if the property is used as a business incubator, the limitation to one parcel per owner per county for the reduced class rate shall not apply, provided that the reduced rate applies only to the first $100,000 of value per parcel owned by the organization. As used in this clause, a "business incubator" is a facility used for the development of nonretail businesses, offering access to equipment, space, services, and advice to the tenant businesses, for the purpose of encouraging economic development, diversification, and job creation in the area served by the organization.

To receive the reduced class rate on additional parcels under ~~clauses~~ clause (1) ~~and~~, (2), or (3), the taxpayer must notify the county assessor that the taxpayer owns more than one parcel that qualifies under clause (1) ~~or~~, (2), or (3).

(b) Employment property defined in section 469.166, during the period provided in section 469.170, shall constitute class 3b and has a class rate of 2.3 percent of the first $50,000 of market value and 3.6 percent of the remainder, except that for employment property located in a border city enterprise zone designated pursuant to section 469.168, subdivision 4, paragraph (c), the class rate of the first $100,000 of market value and the class rate of the remainder is determined under paragraph (a), unless the governing body of the city designated as an enterprise zone determines that a specific parcel shall be assessed pursuant to the first clause of this sentence. The governing body may provide for assessment under the first clause of the preceding sentence only for property which is located in an area which has been designated by the governing body for the receipt of tax reductions authorized by section 469.171, subdivision 1.

Sec. 12. Minnesota Statutes 1992, section 273.165, subdivision 1, is amended to read:

Subdivision 1. [MINERAL INTEREST.] "Mineral interest," for the purpose of this subdivision, means an interest in any minerals, including but not limited to gas, coal, oil, or other similar interest in real estate, which is owned separately and apart from the fee title to the surface of such real property. Mineral interests which are filed for record in the offices of either the county recorder or registrar of titles, whether or not filed pursuant to sections 93.52 to 93.58, are taxed as provided in this subdivision unless specifically excluded by this subdivision. A tax of ~~25~~ 40 cents per acre or portion of an acre of mineral interest is imposed and is payable annually. If an interest is a fractional undivided interest in an area, the tax due on the interest per acre or portion of an acre is equal to the product obtained by multiplying the fractional interest times ~~25~~ 40 cents, computed to the nearest cent. However, the minimum annual tax on any mineral interest is ~~$2~~ $3.20. No such tax on mineral interests is imposed on the following: (1) mineral interests valued and taxed under other laws relating to the taxation of minerals, gas, coal, oil, or other similar interests; or (2) mineral interests which are exempt from taxation pursuant to constitutional or related statutory provisions. Taxes received under this subdivision must be apportioned to the taxing districts included in the area taxed in the same proportion as the surface interest local tax rate of a taxing district bears to the total local tax rate applicable to surface interests in the area taxed. The tax imposed by this subdivision is not included within any limitations as to rate or amount of taxes which may be imposed in an area to which the tax imposed by this

subdivision applies. Subd. 2. [PRIMARY OBJECTIVE.] The pilot project's primary objective is to help stabilize costs for the conscientious, industrious landlord who is already providing safe, decent, and affordable housing. The landlord may withdraw from the program at any time without making required repairs except those for life or safety hazards, which may be otherwise required. Property for which the evaluator's report is approved must be certified by the appropriate city officials to the county assessor. The city must limit the number of qualifying properties so that the credit payable under subdivision 8 will not, in the city's estimate, exceed $1,000,000.

(h) A landlord who chooses to participate must complete an application for certification by November 1, 1994.

(i) An owner may apply this program to no more than two nonhomestead, single- or two-family, tenant-occupied properties.

The evaluator must pay a filing fee, as determined by the city, to file the evaluator's report. The evaluator may be reimbursed by the landlord for this fee. The landlord must pay the city a fee, as determined by the city, to apply for recertification. If additional inspections are required, a reinspection fee, as determined by the city, must be paid by the landlord.

Subd. 8. [CREDIT AND REIMBURSEMENT.] (a) [CREDIT PROVIDED.] Property that meets the requirements under this section is eligible for a property tax credit equal to the difference between (1) the tax on the property and (2) the tax that would be payable if the property were classified under Minnesota Statutes, section 273.13, subdivision 22, paragraph (a).

(b) [PROPERTY TAX STATEMENTS.] The property tax statement provided under Minnesota Statutes, section 276.04, to an owner of property that receives the credit under this subdivision shall include information on the amount of the credit given to the property. (c) [GENERAL FUND; REPLACEMENT OF REVENUE.] Payment from the general fund shall be made as provided in this subdivision for the purpose of replacing revenue lost as a result of the reduction of property taxes provided in this subdivision.

The Ramsey county auditor shall certify to the commissioner of revenue the amount of reduction resulting from this subdivision. This certification shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of Minnesota Statutes, section 275.29. The commissioner of revenue shall review the certification to determine its accuracy and make changes in the certification as necessary or return the certification to the county auditor for corrections.

Based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall determine the taxing district distribution of the amounts certified. The commissioner of revenue shall pay to each taxing district, other than school districts, its total payment for the year at the times provided in Minnesota Statutes, section 473H.10. The credit reimbursement to school districts must be certified to the commissioner of education and paid as provided under Minnesota Statutes, section 273.1392.

The reimbursement paid under this subdivision shall be made only in 1995, and is limited to $1,000,000. To the extent the amount of credit originally certified exceeds $1,000,000, reimbursements to the taxing districts shall be prorated according to the proportions of their levies so as not to exceed $1,000,000.

Subd. 9. [REPORT TO THE LEGISLATURE.] By January 15, 1995, the Saint Paul city council shall provide a report to the committee on housing and the committee on taxes and tax laws of the senate and the housing committee and the tax committee of the house of representatives on the program. The report must include the program guidelines, housing costs, rents and the extent of participation in the program for the 1995 tax year.

Subd. 10. [EFFECTIVE DATE.] This section is effective the day following final enactment, upon compliance with Minnesota Statutes, section 645.021, subdivision 3, by the city of Saint Paul, and applies to property taxes payable in 1995 on nonhomestead, single- and two-family rental properties existing on the effective date.

Sec. 28. [PILOT PROJECT STUDY FOR INFORMATION ON SQUARE FOOTAGE OF PROPERTY.]

The commissioner of revenue shall coordinate a pilot project study with the counties of Hennepin and Blue Earth. The primary purpose is to collect, by legal classification of real property, information on the total square footage of land and structures within the respective counties by taxing jurisdiction. The square footage shall be identified separately for land and for structures.

By February 15, 1995, the commissioner shall provide a report to the tax committee of the house of representatives and the committee on taxes and tax laws of the senate. Besides reporting the basic data, the report shall discuss the feasibility of developing a statewide system of property taxation in which a property's tax base would be determined by its square footage.

Sec. 29. [STUDY OF HOMESTEAD PROPERTY TAX RELIEF.]

The commissioner of revenue shall conduct a study of the methods of delivering property tax relief to homeowners. The study must specifically include an analysis of the administrative feasibility, policy implications, and state revenue impacts of proposals to:

(1) pay the additional property tax refund under Minnesota Statutes, section 290A.04, subdivision 2h, as a state paid property tax credit on the property tax statement, and

(2) pay the property tax refund under Minnesota Statutes, section 290A.04, subdivision 2, as a state paid credit on the property tax statement.

The study must also consider alternative computations of the refund amounts wherein the additional property tax refund is deducted before computation of the regular property tax refund.

The study must consider options to pay the credits as an equal deduction from both of the property tax payments on the property tax statement, and as a deduction only from the second half payment, thus requiring a second property tax statement.

The study must determine income and other data needed to implement the proposals and consider the forms, methods, and dates by which the necessary data can be made available.

The study should consider the possibility of showing the credit(s) on the property tax statement only or on both the property tax statement and the notice of proposed property taxes.

The study must also determine the changes in property tax administration that would be necessary to implement the tax credit proposals.

The study must separately estimate the costs to each county necessary to implement and administer the tax credit proposals, considering both initial start-up costs and ongoing administrative expenses, including programming, form design, data entry, and computer hardware costs, and must also estimate the costs to the department of revenue.

The commissioner shall consult with the chair of the senate committee on taxes and tax laws and with the chair of the house of representatives committee on taxes, and with their staffs, in planning and conducting the study.

On or before January 20, 1995, the commissioner of revenue shall report to the legislature on the information collected, and on the study's findings, including its policy and fiscal implications to the state. The report shall include a discussion of the proposals and any statutory changes necessary to implement them.

Sec. 30. [EXTENSION OF PAYABLE 1995 LEVY CERTIFICATION DATE.]

The July 1 dates specified in Laws 1994, chapter 416, article 1, section 29, shall be extended to September 1, for the purposes of the 1994 levy, payable in 1995, for (1) the Cross Lake area water and sanitary sewer district under article 10, (2) the Chisholm/Hibbing airport authority under article 11, and (3) the airport municipal bonding under sections 17 to 20 of this article.

ARTICLE 6

MINERALS TAXATION

Section 1. [297A.2573] [MINERAL PRODUCTION FACILITIES; EXEMPTION.]

Materials, equipment, and supplies used or consumed in constructing, or incorporated into the construction of exempted facilities as defined in this section are exempt from the taxes imposed under this chapter and from any sales and use tax imposed by a local unit of government, notwithstanding any ordinance or city charter provision.

As used in this section, "exempted facilities" means:

(1) a value added iron products plant, which may be either a new plant or a facility incorporated into an existing plant that produces iron upgraded to a minimum of 75 percent iron content or any iron alloy with a total minimum metallic content of 90 percent;

(2) a facility used for the manufacture of fluxed taconite pellets as defined in section 298.24;

(3) a new capital project that has a total cost of over $40,000,000 that is directly related to production, cost, or quality at an existing taconite facility that does not qualify under clause (1) or (2); and

(4) a new mine or minerals processing plant for any mineral subject to the net proceeds tax imposed under section 298.015.

The tax shall be imposed and collected as if the rates under sections 297A.02, subdivision 1, and 297A.021, applied, and then refunded in the manner provided in section 297A.15, subdivision 5.

Sec. 2. Minnesota Statutes 1993 Supplement, section 298.227, is amended to read:

298.227 [TACONITE ECONOMIC DEVELOPMENT FUND.]

An amount equal to that distributed pursuant to each taconite producer's taxable production and qualifying sales under section 298.28, subdivision 9a, shall be held by the iron range resources and rehabilitation board in a separate taconite economic development fund for each taconite producer. Money from the fund for each producer shall be released only on the written authorization of a joint committee consisting of an equal number of representatives of

the salaried employees and the nonsalaried production and maintenance employees of that producer. The district 33 director of the United States Steelworkers of America, on advice of each local employee president, shall select the employee members. In nonorganized operations, the employee committee shall be elected by the nonsalaried production and maintenance employees. Each producer's joint committee may authorize release of the funds held pursuant to this section only for acquisition of equipment and facilities for the producer or for research and development in Minnesota on new mining, or taconite, iron, or steel production technology. Funds may be released only upon a majority vote of the representatives of the committee. If a taconite production facility is sold after operations at the facility had ceased, any money remaining in the fund for the former producer may be released to the purchaser of the facility on the terms otherwise applicable to the former producer under this section. Any portion of the fund which is not released by a joint committee within two years of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection trust fund created in section 298.292 for placement in their respective special accounts. Two-thirds of the unreleased funds shall be distributed to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection trust fund. This section is effective for taxes payable in 1993 and 1994.

Sec. 3. Minnesota Statutes 1992, section 298.24, subdivision 1, is amended to read:

Subdivision 1. (a) For concentrate produced in 1992 ~~and~~, 1993, and 1994 there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of $2.054 per gross ton of merchantable iron ore concentrate produced therefrom.

(b) For concentrates produced in ~~1994~~ 1995 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" for the gross national product means the implicit price deflator prepared by the bureau of economic analysis of the United States Department of Commerce.

(c) The tax shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable.

(d) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of $2.054 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(e) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(f) Notwithstanding any other provision of this subdivision, for concentrates produced in 1994 through 1999, the rate of the tax on direct reduced ore is determined under this paragraph. As used in this paragraph, "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. The rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision for the first 500,000 of taxable tons for the production year, and 50 percent of the rate otherwise determined for any remainder. If the taxpayer had no production in the two years prior to the the current production year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 166,667 tons. If the taxpayer had some production in the year prior to the current production year but no production in the second prior year, the tonnage eligible to be taxed at 25 percent of the rate otherwise determined under this subdivision is the first 333,333 tons.

Sec. 4. Minnesota Statutes 1993 Supplement, section 298.28, subdivision 9a, is amended to read:

Subd. 9a. [TACONITE ECONOMIC DEVELOPMENT FUND.] (a) 10.4 cents per ton for distributions in 1993 and 15.4 cents per ton for distributions in 1994, 1995, and 1996 shall be paid to the taconite economic development fund. No distribution shall be made under this paragraph in any year in which total industry production falls below 30 million tons.

(b) An amount equal to 50 percent of the tax under section 298.24 for concentrate sold in the form of pellet chips and fines not exceeding 1/4 inch in size and not including crushed pellets shall be paid to the taconite economic development fund. The amount paid shall not exceed $700,000 annually for all companies. If the initial amount to be paid to the fund exceeds this amount, each company's payment shall be prorated so the total does not exceed $700,000.

Sec. 5. Minnesota Statutes 1992, section 298.28, is amended by adding a subdivision to read:

Subd. 11a. [PRORATED DISTRIBUTIONS.] For production years 1994 through 1999, distributions under this section that are based on a number of cents per ton explicitly provided in this section shall be reduced on a pro rata basis to reflect the reduction in tax proceeds as a result of the tax rate reduction applied to direct reduced ore under section 298.24, subdivision 1, paragraph (f).

Sec. 6. Minnesota Statutes 1992, section 298.296, subdivision 2, is amended to read:

Subd. 2. [EXPENDITURE OF FUNDS.] Before January 1, 2002, funds may be expended on projects and for administration of the trust fund only from the net interest, earnings, and dividends arising from the investment of the trust at any time, including net interest, earnings, and dividends that have arisen prior to July 13, 1982, plus $10,000,000 made available for use in fiscal year 1983, except that any amount required to be paid out of the trust fund to provide the property tax relief specified in Laws 1977, chapter 423, article X, section 4, and to make school bond payments and payments to recipients of taconite production tax proceeds pursuant to section 298.225, may be taken from the corpus of the trust. Additionally, upon recommendation by the board, up to $10,000,000 from the corpus of the trust may be made available for use as provided in subdivision 4. On and after January 1, 2002, funds may be expended on projects and for administration from any assets of the trust. Annual administrative costs, not including detailed engineering expenses for the projects, shall not exceed five percent of the net interest, dividends, and earnings arising from the trust in the preceding fiscal year.

Principal and interest received in repayment of loans made pursuant to this section, and earnings on other investments made under section 298.292, subdivision 2, clause (4), shall be deposited in the state treasury and credited to the trust. These receipts are appropriated to the board for the purposes of sections 298.291 to 298.298.

Sec. 7. Minnesota Statutes 1992, section 298.296, is amended by adding a subdivision to read:

Subd. 4. [TEMPORARY LOAN AUTHORITY.] The board may recommend that up to $10,000,000 from the corpus of the trust may be used for loans as provided in this subdivision. The money would be available for loans for construction and equipping of facilities constituting (1) a value added iron products plant, which may be either a new plant or a facility incorporated into an existing plant that produces iron upgraded to a minimum of 75 percent iron content or any iron alloy with a total minimum metallic content of 90 percent; or (2) a new mine or minerals processing plant for any mineral subject to the net proceeds tax imposed under section 298.015. A loan under this subdivision may not exceed $5,000,000 for any facility. The authority to make loans under this subdivision terminates December 31, 1995.

Sec. 8. [EFFECTIVE DATE.]

Section 1 is effective for sales after June 30, 1994, provided that no refunds will be paid under section 1 until after June 30, 1995.

ARTICLE 7

BUDGETING REFORM

Section 1. [16A.102] [BUDGETING REVENUES RELATIVE TO PERSONAL INCOME.]

Subdivision 1. [GOVERNOR'S RECOMMENDATION.] By the fourth Monday in January of each odd-numbered year, the governor shall submit to the legislature a recommended revenue target for the next two bienniums. The recommended revenue target must specify

(1) the maximum share of Minnesota personal income to be collected in taxes and other revenues to pay for state and local government services;

(2) the division of the share between state and local government revenues; and

(3) the appropriate mix and rates of income, sales, and other state and local taxes and other revenues, other than property taxes, and the amount of property taxes and the effect of the recommendations on the incidence of the tax burden by income class.

The recommendations must be based on the November forecast prepared under section 2.

Subd. 2. [LEGISLATIVE BUDGET RESOLUTION.] By March 15 of each odd-numbered year, the legislature shall by concurrent resolution adopt revenue targets for the next two bienniums. The resolution must specify:

(1) the maximum share of Minnesota personal income to be collected in taxes and other revenues to pay for state and local government services;

(2) the division of the share between state and local government services; and

(3) the appropriate mix and rates of income, sales, and other state and local taxes and other revenues, other than property taxes, and the amount of property taxes and the effect of the resolution on the incidence of the tax burden by income class.

The resolution must be based on the February forecast prepared under section 2 and take into consideration the revenue targets recommended by the governor under subdivision 1.

Subd. 3. [EVEN-NUMBERED YEAR AND SPECIAL SESSIONS.] The governor or the legislature may elect to modify their revenue targets in a special session or an even-numbered year regular session. The requirements of subdivisions 1 and 2 apply, except that within ten days of the start of the session the dates provided in those subdivisions must be modified to be consistent with the planned date of adjournment.

Sec. 2. [16A.103] [FORECASTS OF REVENUE AND EXPENDITURES.]

Subdivision 1. [STATE REVENUE AND EXPENDITURES.] In February and November each year, the commissioner shall prepare and deliver to the governor and legislature a forecast of state revenue and expenditures. The forecast must assume the continuation of current laws and reasonable estimates of projected growth in the national and state economies and affected populations. Revenue must be estimated for all sources provided for in current law. Expenditures must be estimated for all obligations imposed by law and those projected to occur as a result of inflation and variables outside the control of the legislature. In addition, the commissioner shall forecast Minnesota personal income for each of the years covered by the forecast and include these estimates in the forecast documents. A forecast prepared during the first fiscal year of a biennium must cover that biennium and the next biennium. A forecast prepared during the second fiscal year of a biennium must cover that biennium and the next two bienniums.

Subd. 2. [LOCAL REVENUE.] In February and November of each year, the commissioner of revenue shall prepare and deliver to the governor and the legislature forecasts of revenue to be received by school districts as a group, counties as a group, and the group of cities and towns that have a population of more than 2,500. The forecasts must assume the continuation of current laws, projections of valuation changes in real property, and reasonable estimates of projected growth in the national and state economies and affected populations. Revenue must be estimated for property taxes, state and federal aids, local sales taxes, if any, and a single projection for all other revenue for each group of affected local governmental units. As part of the February forecast, the commissioner of revenue shall report to the governor and legislature on which groups of local government units exceeded the revenue targets of the governor and legislature in the most recent biennium.

Subd. 3. [SEPARATE ESTIMATES OF FEE REVENUES.] In preparing the November estimates under subdivision 1, the commissioner shall separately report the amount of departmental earnings as defined in section 16A.1285. In preparing the estimates under subdivision 2, the commissioner of revenue shall separately estimate local government revenues similar to departmental earnings as defined in section 16A.1285.

Sec. 3. Minnesota Statutes 1992, section 124.196, is amended to read:

124.196 [CHANGE IN PAYMENT OF AIDS AND CREDITS.]

If the commissioner of finance determines that modifications in the payment schedule ~~are required to avoid~~ would reduce the need for state short-term borrowing, the commissioner of education shall modify payments to school districts according to this section. The modifications shall begin no sooner than September 1 of each fiscal year, and

shall remain in effect until no later than May 30 of that same fiscal year. In calculating the payment to a school district pursuant to section 124.195, subdivision 3, the commissioner may subtract the sum specified in that subdivision, plus an additional amount no greater than the following:

(1) the net cash balance in the district's four operating funds on June 30 of the preceding fiscal year; minus

(2) the product of $150 times the number of actual pupil units in the preceding fiscal year; minus

(3) the amount of payments made by the county treasurer during the preceding fiscal year, pursuant to section 276.11, which is considered revenue for the current school year. However, no additional amount shall be subtracted if the total of the net unappropriated fund balances in the district's four operating funds on June 30 of the preceding fiscal year, is less than the product of $350 times the number of actual pupil units in the preceding fiscal year. The net cash balance shall include all cash and investments, less certificates of indebtedness outstanding, and orders not paid for want of funds.

A district may appeal the payment schedule established by this section according to the procedures established in section 124.195, subdivision 3a.

Sec. 4. [275.064] [ESTIMATED PERSONAL INCOME INCREASE.]

By July 1 of each year, the commissioner of revenue shall estimate the percentage increase in Minnesota personal income for the next calendar year over the current calendar year, using the most recent forecast prepared by the commissioner of finance. The commissioner of revenue shall notify each local government subject to the requirements of section 275.065 of this percentage by July 15.

Sec. 5. Minnesota Statutes 1993 Supplement, section 275.065, subdivision 3, is amended to read:

Subd. 3. [NOTICE OF PROPOSED PROPERTY TAXES.] (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes and, in the case of a town, final property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority other than a town proposes to collect for taxes payable the following year and, for a town, the amount of its final levy. It must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting and an address where comments will be received by mail. The notice must include the estimated percentage increase in Minnesota personal income, provided by the commissioner of revenue under section 275.064, in a way to facilitate comparison of the proposed budget and levy increases with the increase in personal income. For 1993, the notice must clearly state that each taxing authority holding a public meeting will describe the increases or decreases of the total budget, including employee and independent contractor compensation in the prior year, current year, and the proposed budget year.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) by county, city or town, school district excess referenda levy, remaining school district levy, regional library district, if in existence, the total of the metropolitan special taxing districts as defined in paragraph (i) and the sum of the remaining special taxing districts, and as a total of the taxing authorities, including all special taxing districts, the proposed or, for a town, final net tax on the property for taxes payable the following year and the actual tax for taxes payable the current year. In the case of the city of Minneapolis, the levy for the Minneapolis library board and the levy for Minneapolis park and recreation shall be listed separately from the remaining amount of the city's levy.

In the case of a parcel where tax increment or the fiscal disparities areawide tax applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease in the amounts in clause (2) from taxes payable in the current year to proposed or, for a town, final taxes payable the following year, expressed as a dollar amount and as a percentage.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

(1) special assessments;

(2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda, school district levy referenda, and levy limit increase referenda;

(3) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;

(4) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified;

(5) any additional amount levied in lieu of a local sales and use tax, unless this amount is included in the proposed or final taxes; and

(6) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead and the homeowner provides satisfactory documentation to the county assessor that the property is owned and has been used as the owner's homestead prior to June 1 of that year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

(1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or

(2) post a copy of the notice in a conspicuous place on the premises of the property.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

(1) metropolitan council under section 473.132, 473.167, 473.249, 473.325, 473.521, 473.547, or 473.834;

(2) metropolitan airports commission under section 473.667, 473.671, or 473.672;

(3) regional transit board under section 473.446; and

(4) metropolitan mosquito control commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

Sec. 6. [EFFECTIVE DATE.]

Sections 1 to 3 are effective the day following final enactment. Sections 4 and 5 apply beginning for notices of proposed property taxes for taxes payable in 1995.

ARTICLE 8

A local government unit or two or more units acting jointly may apply for a waiver or exemption on behalf of a nonprofit organization providing services to clients whose costs are paid by the unit or units. A waiver or exemption granted to a nonprofit organization under this section applies to services provided to all the organization's clients.

(b) A school district that is granted a variance from rules of the state board of education under section 121.11, subdivision 12, need not apply to the board for a waiver of those rules under this section. A school district may not seek a waiver of rules under this section if the state board of education has authority to grant a variance to the rules under section 121.11, subdivision 12. This paragraph does not preclude a school district from being included in a cooperative effort with another local government unit under this section.

Sec. 4. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 2, is amended to read:

Subd. 2. [APPLICATION.] A local government unit requesting a waiver of a rule or exemption from enforcement of a law under this section shall present a written application to the board. The application must include:

(1) identification of the service or program at issue;

(2) identification of the administrative rule or the law imposing a procedural requirement with respect to which the waiver or exemption is sought; and

(3) a description of the improved service outcome sought, including an explanation of the effect of the waiver or exemption in accomplishing that outcome;.

~~(4) a description of the means by which the attainment of the outcome will be measured; and~~

~~(5) if the waiver or exemption is proposed by a single local government unit, a description of the consideration given to intergovernmental cooperation in providing this service, and an explanation of why the local government unit has elected to proceed independently.~~

A copy of the application must be provided by the requesting local government unit to the exclusive representative ~~of its employees as~~ certified under section 179A.12 to represent employees who provide the service or program affected by the requested waiver or exemption.

Sec. 5. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 3, is amended to read:

Subd. 3. [REVIEW PROCESS.] (a) Upon receipt of an application from a local government unit, the board shall review the application. The board shall dismiss ~~or request modification of~~ an application ~~within 60 days of its receipt~~ if it finds that ~~(1) the application does not meet the requirements of subdivision 2, or (2)~~ the application ~~should not be granted because it clearly~~ proposes a waiver of rules or exemption from enforcement of laws that would result in due process violations, violations of federal law or the state or federal constitution, or the loss of services to people who are entitled to them.

(b) The board shall determine whether a law from which an exemption for enforcement is sought is a procedural law, specifying how a local government unit is to achieve an outcome, rather than a substantive law prescribing the outcome or otherwise establishing policy. In making its determination, the board shall consider whether the law specifies such requirements as:

(1) who must deliver a service;

(2) where the service must be delivered;

(3) to whom and in what form reports regarding the service must be made; and

(4) how long or how often the service must be made available to a given recipient.

(c) If the commissioner of finance, the commissioner of administration, or the state auditor has jurisdiction over a rule or law affected by an application, the chief administrative law judge, as soon as practicable after receipt of the application, shall designate a third administrative law judge to serve as a member of the board in place of that official while the board is deciding whether to grant the waiver or exemption.

(d) If the application is submitted by a local government unit in the metropolitan area or the unit requests a waiver of a rule or temporary, limited exemptions from enforcement of a procedural law over which the metropolitan council or a metropolitan agency has jurisdiction, the board shall also transmit a copy of the application to the council for review and comment. The council shall report its comments to the board within 60 days of the date the application was transmitted to the council. The council may point out any resources or technical assistance it may be able to provide a local government submitting a request under this section. ~~If it does not dismiss~~

(e) Within 15 days after receipt of the application, the board shall transmit a copy of it to the commissioner of each agency having jurisdiction over a rule or law from which a waiver or exemption is sought. The agency may mail a notice that it has received an application for a waiver or exemption to all persons who have registered with the agency under section 14.14, subdivision 1a, identifying the rule or law from which a waiver or exemption is requested. If

no agency has jurisdiction over the rule or law, the board shall transmit a copy of the application to the attorney general. ~~If the commissioner of finance, the commissioner of administration, or the state auditor has jurisdiction over the rule or law, the chief administrative law judge shall appoint a second administrative law judge to serve as a member of the board in the place of that official for purposes of determining whether to grant the waiver or exemption.~~ The agency shall inform the board of its agreement with or objection to and grounds for objection to the waiver or exemption request within 60 days of the date when the application was transmitted to it. An agency's failure to do so is considered agreement to the waiver or exemption. The board shall decide whether to grant a waiver or exemption at its next regularly scheduled meeting following its receipt of an agency's response or the end of the 60-day response period. If consideration of an application is not concluded at that meeting, the matter may be carried over to the next meeting of the board. Interested persons may submit written comments to the board on the waiver or exemption request ~~within 60 days of the board's receipt of~~ up to the time of its vote on the application. ~~If the agency fails to inform the board of its conclusion with respect to the application within 60 days of its receipt, the agency is deemed to have agreed to the waiver or exemption.~~

(f) If the exclusive representative of the affected employees of the requesting local government unit objects to the waiver or exemption request it may inform the board of the objection to and the grounds for the objection to the waiver or exemption request within 60 days of the receipt of the application.

Sec. 6. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 4, is amended to read:

Subd. 4. [HEARING.] If the agency or the exclusive representative does not agree with the waiver or exemption request, the board shall set a date for a hearing on the application~~, which may be no earlier than 90 days after the date when the application was transmitted to the agency~~. The hearing must be conducted informally at a meeting of the board. Persons representing the local government unit shall present their case for the waiver or exemption, and persons representing the agency shall explain the agency's objection to it. Members of the board may request additional information from either party. The board may also request, either before or at the hearing, information or comments from representatives of business, labor, local governments, state agencies, consultants, and members of the public. If necessary, the hearing may be continued at a subsequent board meeting. A waiver or exemption must be granted by a vote of a majority of the board members. The board may modify the terms of the waiver or exemption request in arriving at the agreement required under subdivision 5.

Sec. 7. Minnesota Statutes 1993 Supplement, section 465.797, subdivision 5, is amended to read:

Subd. 5. [CONDITIONS OF AGREEMENTS.] If the board grants a request for a waiver or exemption, the board and the local government unit shall enter into an agreement providing for the delivery of the service or program that is the subject of the application. The agreement must specify desired outcomes and the means of measurement by which the board will determine whether the outcomes specified in the agreement have been met. The agreement must specify the duration of the waiver or exemption, which may be for no less than two years and no more than four years, subject to renewal if both parties agree. The board may reconsider or renegotiate the agreement if the rule or law affected by the waiver or exemption is amended or repealed during the term of the original agreement. A waiver of a rule under this section has the effect of a variance granted by an agency under section 14.05, subdivision 4. A local unit of government that is granted an exemption from enforcement of a procedural requirement in state law under this section is exempt from that law for the duration of the exemption. The board may require periodic reports from the local government unit, or conduct investigations of the service or program.

Sec. 8. Minnesota Statutes 1993 Supplement, section 465.798, is amended to read:

465.798 [SERVICE BUDGET MANAGEMENT MODEL GRANTS.]

One or more local units of governments, an association of local governments, the metropolitan council, ~~or an organization~~ a local unit of government acting in conjunction with ~~a local unit of government~~ an organization or a state agency, or an organization established by two or more local units of government under a joint powers agreement may apply to the board of government innovation and management for a grant to be used to develop models for innovative service budget management. A copy of the application must be provided by the units to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

A copy of the work product for which the grant was provided must be furnished to the board upon completion, and the board may disseminate it to other local units of government

If the board finds that the model was not completed or implemented according to the terms of the grant agreement, it may require the grantee to repay all or a portion of the grant. Agreements solely to make joint purchases are not sufficient to qualify under this section. A copy of the application must be provided by the applicants to the exclusive representatives certified under section 179A.12 to represent employees who provide the service or program affected by the application.

The proposal must include plans fully to integrate a service or function provided by two or more local government units. Sec. 11. [465.802] [SCORING SYSTEM.]

In deciding whether to award a grant under section 465.798, 465.799, or 465.801, the board shall use the following scoring system:

(1) Up to 15 points shall be awarded to reflect the extent to which the application demonstrates creative thinking, careful planning, cooperation, involvement of the clients of the affected service, and commitment to assume risk.

(2) Up to 20 points shall be awarded to reflect the extent to which the proposed project is likely to improve the quality of the service and to have benefits for other local governments.

(3) Up to 15 points shall be awarded to reflect the extent to which the application's budget provides sufficient detail, maximizes the use of state funds, documents the need for financial assistance, commits to local financial support, and limits expenditures to essential activities.

No action may be taken under section 25 to impose a fee unless owners of 25 percent or more of the housing units subject to the proposed fee file a petition requesting a public hearing on the proposed fee with the city clerk.

Sec. 24. [ESTABLISHMENT OF HOUSING IMPROVEMENT AREA.]

Subdivision 1. [ORDINANCE.] The governing body of the city may adopt an ordinance establishing a housing improvement area. The ordinance must specifically describe the portion of the city to be included in the area, the basis for the imposition of the fees, and the number of years the fee will be in effect. In addition, the ordinance must include findings that without the housing improvement area, the proposed improvements could not be made by the condominium associations or housing unit owners, and the designation is needed to maintain and preserve the housing units within the housing improvement area. The ordinance may not be adopted until a public hearing has been held regarding the ordinance. The ordinance may be amended by the governing body of the city, provided the governing body complies with the public hearing notice provisions of subdivision 2.

Subd. 2. [PUBLIC HEARING.] The notice of public hearing must include the time and place of hearing, a map showing the boundaries of the proposed area, and a statement that all persons owning housing units in the proposed area that would be subject to a fee for housing improvements will be given an opportunity to be heard at the hearing. Notice of the hearing must be given by publication in the official newspaper of the city. The public hearing must be held at least seven days after the publication. Not less than ten days before the hearing, notice must also be mailed to the owner of each housing unit within the proposed area. For the purpose of giving mailed notice, owners are those shown on the records of the county auditor. Other records may be used to supply the necessary information.

At the public hearing a person owning property in the proposed housing improvement area may testify on any issues relevant to the proposed area. The hearing may be adjourned from time to time. The ordinance establishing the area may be adopted at any time within six months after the date of the conclusion of the hearing by a vote of the majority of the governing body of the city.

Subd. 3. [PROPOSED HOUSING IMPROVEMENTS.] At the public hearing held under subdivision 2, the city shall provide a preliminary listing of the housing improvements to be made in the area. The listing shall identify those improvements, if any, that are proposed to be made to all or a portion of the common elements of a condominium. The listing shall also identify those housing units that have completed the proposed housing improvements and are proposed to be exempted from a portion of the fee. In preparing the list the city shall consult with the residents of the area and the condominium associations.

Subd. 4. [BENEFIT; OBJECTION.] Before the ordinance is adopted or at the hearing at which it is to be adopted, the owner of a housing unit in the proposed housing improvement area may file a written objection with the city clerk asserting that the owner's property should not be included in the area or should not be subjected to a fee and objecting to the inclusion of the housing unit in the area, for the reason that the property would not benefit from the improvements.

The governing body shall make a determination of the objection within 60 days of its filing. Pending its determination, the governing body may delay adoption of the ordinance or it may adopt the ordinance with a reservation that the landowner's property may be excluded from the housing improvement area or fee when the determination is made.

Subd. 5. [APPEAL TO DISTRICT COURT.] Within 30 days after the determination of the objection, any person aggrieved, who is not precluded by failure to object before or at the hearing, or whose failure to object is due to a reasonable cause, may appeal to the district court by serving a notice upon the mayor or city clerk. The notice shall be filed with the court administrator of the district court within ten days after its service. The city clerk shall furnish the appellant a certified copy of the findings and determination of the governing body. The court may affirm the action objected to or, if the appellant's objections have merit, modify or cancel it. If the appellant does not prevail upon the appeal, the costs incurred are taxed to the appellant by the court and judgment entered for them. All objections are deemed waived unless presented on appeal.

Sec. 25. [IMPROVEMENT FEES AUTHORITY; NOTICE AND HEARING.]

Subdivision 1. [AUTHORITY.] Fees may be imposed by the city on the housing units within the housing improvement area at a rate, term, or amount sufficient to produce revenue required to provide housing improvements in the area. The fee can be imposed on the basis of the tax capacity of the housing unit, or the total amount of square footage of the housing unit, or a method determined by the council and specified in the resolution. Before the imposition of the fees, a hearing must be held and notice must be published in the official newspaper at least seven days before the hearing and shall be mailed at least seven days before the hearing to any housing unit owner subject to a fee. For purposes of this section, the notice must also include:

(1) a statement that all interested persons will be given an opportunity to be heard at the hearing regarding a proposed housing improvement fee;

(2) the estimated cost of improvements including administrative costs to be paid for in whole or in part by the fee imposed under the ordinance;

(4) the right of the property owner to prepay the entire fee;

(5) the number of years the fee will be in effect; and

(6) a statement that the petition requirements of section 23 have either been met or do not apply to the proposed fee;

Within six months of the public hearing, the city may adopt a resolution imposing a fee within the area not exceeding the amount expressed in the notice issued under this section.

Prior to adoption of the resolution approving the fee, the condominium associations located in the housing improvement area shall submit to the city a financial plan prepared by an independent third party, acceptable to the city and associations, that provides for the associations to finance maintenance and operation of the common elements in the condominium and a long-range plan to conduct and finance capital improvements.

Sec. 26. [COLLECTION OF FEES.]

The city may provide for the collection of the housing improvement fees according to the terms of Minnesota Statutes, section 428A.05.

Sec. 27. [BONDS.]

At any time after a contract for the construction of all or part of an improvement authorized under sections 22 to 31 has been entered into or the work has been ordered, the governing body of the city may issue obligations in the amount it deems necessary to defray in whole or in part the expense incurred and estimated to be incurred in making the improvement, including every item of cost from inception to completion and all fees and expenses incurred in connection with the improvement or the financing.

The obligations are payable primarily out of the proceeds of the fees imposed under section 25, or from any other special assessments or revenues available to be pledged for their payment under charter or statutory authority, or from two or more of those sources. The governing body may, by resolution adopted prior to the sale of obligations, pledge the full faith, credit, and taxing power of the city to assure payment of the principal and interest if the proceeds of the fees in the area are insufficient to pay the principal and interest. The obligations must be issued in accordance with Minnesota Statutes, chapter 475, except that an election is not required, and the amount of the obligations are not included in determination of the net debt of the city under the provisions of any law or charter limiting debt.

Sec. 28. [ADVISORY BOARD.]

The governing body of the city may create and appoint an advisory board for the housing improvement area in the city to advise the governing body in connection with the planning and construction of housing improvements. In appointing the board, the council shall consider for membership, members of condominium associations located in the housing improvement area. The advisory board shall make recommendations to the governing body to provide improvements or impose fees within the housing improvement area. Before the adoption of a proposal by the governing body to provide improvements within the housing improvement area, the advisory board of the housing improvement area shall have an opportunity to review and comment upon the proposal.

Sec. 29. [VETO POWERS OF OWNERS.]

Subdivision 1. [NOTICE OF RIGHT TO FILE OBJECTIONS.] The effective date of any ordinance or resolution adopted under sections 24 and 25 must be at least 45 days after it is adopted. Within five days after adoption of the ordinance or resolution, a summary of the ordinance or resolution shall be mailed to the owner of each housing unit included in the housing improvement area. The mailing shall include a notice that owners subject to a fee have a right to veto the ordinance or resolution by filing the required number of objections with the city clerk before the effective date of the ordinance or resolution and that a copy of the ordinance or resolution is on file with the city clerk for public inspection.

Subd. 2. [REQUIREMENTS FOR VETO.] If owners of 35 percent or more of the housing units in the area subject to the fee file an objection to the ordinance adopted by the city under section 24 with the city clerk before the effective date of the ordinance, the ordinance does not become effective. If owners of 35 percent or more of the housing units' tax capacity subject to the fee under section 25 file an objection with the city clerk before the effective date of the resolution, the resolution does not become effective.

Sec. 30. [ANNUAL REPORTS.]

Each condominium association located within the housing improvement area must, by August 15 annually, submit a copy of its audited financial statements to the city. The city may also, as part of the enabling ordinance, require the submission of other relevant information from the associations.

Sec. 31. [SPECIAL ASSESSMENTS.]

Within a housing improvement area, the governing body of the city may, in addition to the fee authorized in section 25, special assess housing improvements to benefited property. The governing body of the city may by ordinance adopt regulations consistent with this section.

(2) to appoint and remove, upon the basis of merit and fitness, all subordinate officers and regular employees of the board except the secretary and the treasurer and their deputies;

(3) to present to the board plans, studies, and other reports prepared for board purposes and recommend to the board for adoption the measures the executive director deems necessary to enforce or carry out the powers and the duties of the board, or the efficient administration of the affairs of the board;

(4) to keep the board fully advised as to its financial condition, and to prepare and submit to the board and to the governing bodies of the local governmental units, the board's annual budget and other financial information the board may request;

(5) to recommend to the board for adoption rules and regulations the executive director deems necessary for the efficient operation of the district disposal system; and

(6) to perform other duties prescribed by the board.

Subd. 5. [PUBLIC EMPLOYEES.] The executive director and other persons employed by the district are public employees and have all the rights and duties conferred on public employees under Minnesota Statutes, sections 179A.01 to 179A.25. The board may elect to have employees become members of either the public employees retirement association or the Minnesota state retirement system. The compensation and conditions of employment of the employees must be governed by rules applicable to state employees in the classified service and to the provisions of Minnesota Statutes, chapter 15A.

Subd. 6. [PROCEDURES.] The board shall adopt resolutions or bylaws establishing procedures for board action, personnel administration, keeping records, approving claims, authorizing or making disbursements, safekeeping funds, and auditing all financial operations of the board.

Subd. 7. [SURETY BONDS AND INSURANCE.] The board may procure surety bonds for its officers and employees, in amounts deemed necessary to ensure proper performance of their duties and proper accounting for funds in their custody. It may procure insurance against risks to property and liability of the board and its officers, agents, and employees for personal injuries or death and property damage and destruction, in amounts deemed necessary or desirable, with the force and effect stated in Minnesota Statutes, chapter 466.

Sec. 4. [GENERAL POWERS OF BOARD.]

Subdivision 1. [SCOPE.] The board has all powers necessary or convenient to discharge the duties imposed upon it by law. The powers include those specified in this section, but the express grant or enumeration of powers does not limit the generality or scope of the grant of powers contained in this subdivision.

Subd. 2. [SUIT.] The board may sue or be sued.

Subd. 3. [CONTRACT.] The board may enter into any contract necessary or proper for the exercise of its powers or the accomplishment of its purposes.

Subd. 4. [RULEMAKING.] The board may adopt rules relating to its responsibilities and may provide penalties for their violation, not exceeding the maximum that may be specified for a misdemeanor, and the cost of prosecution may be added to the penalties imposed. Any rule prescribing a penalty for violation must be published at least once in a newspaper having general circulation in the district. The violations may be prosecuted before any court in the district having jurisdiction of misdemeanors, and every court having misdemeanor jurisdiction has jurisdiction of the violations. Any constable or other peace officer of any governmental unit in the district may make arrests for violations committed anywhere in the district in like manner and with like effect as for violations of city ordinances or for statutory misdemeanors. Fines collected in cases arising under this subdivision must be deposited in the treasury of the board, or may be allocated between the board and the governmental unit in which the prosecution occurs on a basis as the board and the governmental unit agree.

Subd. 5. [GIFTS, GRANTS, LOANS.] The board may accept gifts, apply for and accept grants or loans of money or other property from the United States, the state, or any person for any of its purposes, enter into any agreement required in connection with them, and hold, use, and dispose of the money or property in accordance with the terms of the gift, grant, loan, or agreement relating to it. With respect to loans or grants of funds or real or personal property or other assistance from any state or federal government or its agency or instrumentality, the board may contract to do and perform all acts and things required as a condition or consideration for the gift, grant, or loan pursuant to state or federal law or regulations, whether or not included among the powers expressly granted to the board in this article.

Subd. 6. [COOPERATIVE ACTION.] The board may act under Minnesota Statutes, section 471.59, or any other appropriate law providing for joint or cooperative action between governmental units.

Subd. 7. [STUDIES AND INVESTIGATIONS.] The board may conduct research studies and programs, collect and analyze data, prepare reports, maps, charts, and tables, and conduct all necessary hearings and investigations in connection with the design, construction, and operation of the district disposal system.

Subd. 8. [EMPLOYEES, TERMS.] The board may employ on terms it deems advisable, persons or firms performing engineering, legal, or other services of a professional nature; require any employee to obtain and file with it an individual bond or fidelity insurance policy; and procure insurance in amounts it deems necessary against liability of the board or its officers or both, for personal injury or death and property damage or destruction, with the force and effect stated in Minnesota Statutes, chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property as it deems necessary.

Subd. 9. [PROPERTY RIGHTS, POWERS.] The board may acquire by purchase, lease, condemnation, gift, or grant, any real or personal property including positive and negative easements and water and air rights, and it may construct, enlarge, improve, replace, repair, maintain, and operate any interceptor, treatment works, or water facility determined to be necessary or convenient for the collection and disposal of sewage in the district. Any local governmental unit and the commissioners of transportation and natural resources are authorized to convey to or permit the use of any of the above-mentioned facilities owned or controlled by it, by the board, subject to the rights of the holders of any bonds issued with respect to those facilities, with or without compensation, without an election or approval by any other governmental unit or agency. All powers conferred by this subdivision may be exercised both within or without the district as may be necessary for the exercise by the board of its powers or the accomplishment of its purposes. The board may hold, lease, convey, or otherwise dispose of the above-mentioned property for its purposes upon the terms and in the manner it deems advisable. Unless otherwise provided, the right to acquire lands and property rights by condemnation may be exercised only in accordance with Minnesota Statutes, sections 117.011 to 117.232, and shall apply to any property or interest in the property owned by any local governmental unit. No property devoted to an actual public use at the time, or held to be devoted to such a use within a reasonable time, shall be so acquired unless a court of competent jurisdiction determines that the use proposed by the board is paramount to the existing use. Except in the case of property in actual public use, the board may take possession of any property on which condemnation proceedings have been commenced at any time after the issuance of a court order appointing commissioners for its condemnation.

Subd. 10. [RELATIONSHIP TO OTHER PROPERTIES.] The board may construct or maintain its systems or facilities in, along, on, under, over, or through public waters, streets, bridges, viaducts, and other public rights-of-way without first obtaining a franchise from a county or municipality having jurisdiction over them. However, the facilities must be constructed and maintained in accordance with the ordinances and resolutions of the county or municipality relating to constructing, installing, and maintaining similar facilities on public properties and must not unnecessarily obstruct the public use of those rights-of-way.

Subd. 11. [DISPOSAL OF PROPERTY.] The board may sell, lease, or otherwise dispose of any real or personal property acquired by it which is no longer required for accomplishment of its purposes. The property may be sold in the manner provided by Minnesota Statutes, section 469.065, insofar as practical. The board may give notice of sale as it deems appropriate. When the board determines that any property or any part of the district disposal system acquired from a local governmental unit without compensation is no longer required but is required as a local facility by the governmental unit from which it was acquired, the board may by resolution transfer it to that governmental unit.

Subd. 12. [AGREEMENTS WITH OTHER GOVERNMENTAL UNITS.] The board may contract with the United States or any agency thereof, any state or agency thereof, or any regional public planning body in the state with jurisdiction over any part of the district, or any other municipal or public corporation, or governmental subdivision or agency or political subdivision in any state, for the joint use of any facility owned by the board or such entity, for the operation by that entity of any system or facility of the board, or for the performance on the board's behalf of any service, including but not limited to planning, on terms as may be agreed upon by the contracting parties. Unless designated by the board as a local water and sanitary sewer facility, any treatment works or interceptor jointly used, or operated on behalf of the board, as provided in this subdivision, is deemed to be operated by the board for purposes of including those facilities in the district disposal system.

Sec. 5. [COMPREHENSIVE PLAN.]

Subdivision 1. [BOARD PLAN AND PROGRAM.] The board shall adopt a comprehensive plan for the collection, treatment, and disposal of sewage in the district for a designated period the board deems proper and reasonable. The board shall prepare and adopt subsequent comprehensive plans for the collection, treatment, and disposal of sewage in the district for each succeeding designated period as the board deems proper and reasonable. The first plan, as modified by the board, and any subsequent plan shall take into account the preservation and best and most economic use of water and other natural resources in the area; the preservation, use, and potential for use of lands adjoining waters of the state to be used for the disposal of sewage; and the impact the disposal system will have on present and future land use in the area affected. The plans shall include the general location of needed interceptors and treatment works, a description of the area that is to be served by the various interceptors and treatment works, a long-range capital improvements program, and any other details as the board deems appropriate. In developing the plans, the board shall consult with persons designated for the purpose by governing bodies of any governmental unit within the district to represent the entities and shall consider the data, resources, and input offered to the board by the entities and any planning agency acting on behalf of one or more of the entities. Each plan, when adopted, must be followed in the district and may be revised as often as the board deems necessary.

Subd. 2. [COMPREHENSIVE PLANS; HEARING.] Before adopting any subsequent comprehensive plan, the board shall hold a public hearing on the proposed plan at a time and place in the district that it selects. The hearing may be continued from time to time. Not less than 45 days before the hearing, the board shall publish notice of the hearing in a newspaper having general circulation in the district, stating the date, time, and place of the hearing, and the place where the proposed plan may be examined by any interested person. At the hearing, all interested persons must be permitted to present their views on the plan.

Subd. 3. [GOVERNMENTAL UNIT PLANS AND PROGRAMS; COORDINATION WITH BOARD'S RESPONSIBILITIES.] Once the board's plan is adopted, no construction project involving the construction of new sewers or other disposal facilities may be undertaken by the local governmental unit unless its governing body shall first find the project to be in accordance with the governmental unit's comprehensive plan and program as approved by the board. Before approval by the board of the comprehensive plan and program of any local governmental unit in the district, no water and sanitary sewer construction project may be undertaken by the governmental unit unless approval of the project is first secured from the board as to those features of the project affecting the board's responsibilities as determined by the board.

Sec. 6. [POWERS TO ISSUE OBLIGATIONS AND IMPOSE SPECIAL ASSESSMENTS.]

The Cross Lake area water and sanitary sewer board, in order to implement the powers granted under this article to establish, maintain, and administer the Cross Lake area water and sanitary sewer district, may issue obligations and impose special assessments against benefited property within the limits of the district benefited by facilities constructed under this article in the manner provided for local governments by Minnesota Statutes, chapter 429.

Sec. 7. [SYSTEM EXPANSION; APPLICATION TO CITIES.]

The authority of the water and sanitary sewer board to establish water or sewer or combined water and sewer systems under this section extends to areas within the Cross Lake area water and sanitary sewer district organized into cities when requested by resolution of the governing body of the affected city or when ordered by the Minnesota pollution control agency after notice and hearing. For the purpose of any petition filed or special assessment levied with respect to any system, the entire area to be served within a city must be treated as if it were owned by a single person, and the governing body shall exercise all the rights and be subject to all the duties of an owner of the area, and shall have power to provide for the payment of all special assessments and other charges imposed upon the area with respect to the system by the appropriation of money, the collection of service charges, or the levy of taxes, which shall be subject to no limitation of rate or amount.

Sec. 8. [SEWAGE COLLECTION AND DISPOSAL; POWERS.]

Subdivision 1. [POWERS.] In addition to all other powers conferred upon the board in this article, it has the powers specified in this section.

Subd. 2. [DISCHARGE OF TREATED SEWAGE.] The board may discharge the effluent from any treatment works operated by it into any waters of the state, subject to approval of the agency if required and in accordance with any effluent or water quality standards lawfully adopted by the agency, any interstate agency, or any federal agency having jurisdiction.

Subd. 3. [UTILIZATION OF DISTRICT SYSTEM.] The board may require any person or local governmental unit to provide for the discharge of any sewage, directly or indirectly, into the district disposal system, or to connect any disposal system or a part of it with the district disposal system wherever reasonable opportunity for connection is provided; may regulate the manner in which the connections are made; may require any person or local governmental unit discharging sewage into the disposal system to provide preliminary treatment for it; may prohibit the discharge into the district disposal system of any substance that it determines will or may be harmful to the system or any persons operating it; and may require any local governmental unit to discontinue the acquisition, betterment, or operation of any facility for the unit's disposal system wherever and so far as adequate service is or will be provided by the district disposal system.

Subd. 4. [SYSTEM OF COST RECOVERY TO COMPLY WITH APPLICABLE REGULATIONS.] Any charges, connection fees, or other cost-recovery techniques imposed on persons discharging sewage directly or indirectly into the district disposal system must comply with applicable state and federal law, including state and federal regulations governing grant applications.

Sec. 9. [BUDGET.]

The board shall prepare and adopt, on or before October 1 in 1995 and each year thereafter, a budget showing for the following calendar year or other fiscal year determined by the board, sometimes referred to in this article as the budget year, estimated receipts of money from all sources, including but not limited to payments by each local governmental unit, federal or state grants, taxes on property, and funds on hand at the beginning of the year, and estimated expenditures for:

(1) costs of operation, administration, and maintenance of the district disposal system;

(2) cost of acquisition and betterment of the district disposal system; and

(3) debt service, including principal and interest, on general obligation bonds and certificates issued pursuant to section 13, and any money judgments entered by a court of competent jurisdiction. Expenditures within these general categories, and any other categories as the board may from time to time determine, must be itemized in detail as the board prescribes. The board and its officers, agents, and employees shall not spend money for any purpose other than debt service without having set forth the expense in the budget nor in excess of the amount set forth in the budget for it. No obligation to make an expenditure of the above-mentioned type is enforceable except as the obligation of the person or persons incurring it. The board may amend the budget at any time by transferring from one purpose to another any sums except money for debt service and bond proceeds or by increasing expenditures in any amount by which actual cash receipts during the budget year exceed the total amounts designated in the original budget. The creation of any obligation under section 13 or the receipt of any federal or state grant is a sufficient budget designation of the proceeds for the purpose for which it is authorized, and of the tax or other revenue pledged to pay the obligation and interest on it, whether or not specifically included in any annual budget.

Sec. 10. [ALLOCATION OF COSTS.]

Subdivision 1. [DEFINITION OF CURRENT COSTS.] The estimated cost of administration, operation, maintenance, and debt service of the district disposal system to be paid by the board in each fiscal year and the estimated costs of acquisition and betterment of the system that are to be paid during the year from funds other than state or federal grants and bond proceeds and all other previously unallocated payments made by the board pursuant to this article to be allocated in the fiscal year are referred to as current costs and must be allocated by the board as provided in subdivision 2 in the budget for that year.

Subd. 2. [METHOD OF ALLOCATION OF CURRENT COSTS.] Current costs must be allocated in the district on an equitable basis as the board may determine by resolution to be in the best interests of the district. The adoption or revision of any method of allocation used by the board must be by the affirmative vote of at least two-thirds of the members of the board.

Sec. 11. [TAX LEVIES.]

To accomplish any duty imposed on it the board may, in addition to the powers granted in this article and in any other law or charter, exercise the powers granted any municipality by Minnesota Statutes, chapters 117, 412, 429, 475, sections 115.46, 444.075, and 471.59, with respect to the area in the district. The board may levy taxes upon all taxable property in the district for all or a part of the amount payable to the board, pursuant to section 10, to be assessed and extended as a tax upon that taxable property by the county auditor for the next calendar year, free from any limitation of rate or amount imposed by law or charter. The tax must be collected and remitted in the same manner as other general taxes.

Sec. 12. [PUBLIC HEARING AND SPECIAL ASSESSMENTS.]

Subdivision 1. [PUBLIC HEARING REQUIREMENT ON SPECIFIC PROJECT.] Before the board orders any project involving the acquisition or betterment of any interceptor or treatment works, all or a part of the cost of which will be allocated pursuant to section 10 as current costs, the board shall hold a public hearing on the proposed project. The hearing must be held following two publications in a newspaper having general circulation in the district, stating the time and place of the hearing, the general nature and location of the project, the estimated total cost of acquisition and betterment, that portion of costs estimated to be paid out of federal and state grants, and that portion of costs estimated to be allocated. The estimates must be best available at the time of the meeting and if costs exceed the estimate, the project cannot proceed until an additional public hearing is held, with notice as required at the initial meeting. The two publications must be a week apart and the hearing at least three days after the last publication.

Not less than 45 days before the hearing, notice of the hearing must also be mailed to each clerk of all local governmental units in the district, but failure to give mailed notice or any defects in the notice does not invalidate the proceedings. The project may include all or part of one or more interceptors or treatment works. No hearing may be held on any project unless the project is within the area covered by the comprehensive plan adopted by the board pursuant to section 5 except that the hearing may be held simultaneously with a hearing on a comprehensive plan. A hearing is not required with respect to a project, no part of the costs of which are to be allocated as the current costs of acquisition, betterment, and debt service.

Subd. 2. [NOTICE TO BENEFITED PROPERTY OWNERS.] If the board proposes to assess against benefited property within the district all or any part of the allocable costs of the project as provided in subdivision 5, the board shall, not less than ten days before the hearing provided for in subdivision 1, cause mailed notice of the hearing to be given to the owner of each parcel within the area proposed to be specially assessed and shall also give one week's published notice of the hearing. The notice of hearing must contain the same information provided in the notice published by the board pursuant to subdivision 1, and a description of the area proposed to be assessed. For the purpose of giving mailed notice, owners are those shown to be on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. For properties that are tax exempt or subject to taxation on a gross earnings basis and not listed on the records of the county auditor or the county treasurer, the owners must be ascertained by any practicable means and mailed notice given them as herein provided. Failure to give mailed notice or any defects in the notice does not invalidate the proceedings of the board.

Subd. 3. [BOARD PROCEEDINGS PERTAINING TO HEARING.] Before adoption of the resolution calling for a hearing under this section, the board shall secure from the district engineer or some other competent person of the board's selection a report advising it in a preliminary way as to whether the proposed project is feasible and whether it should be made as proposed or in connection with some other project and the estimated costs of the project as recommended. No error or omission in the report invalidates the proceeding. The board may also take other steps before the hearing, as will in its judgment provide helpful information in determining the desirability and feasibility of the project, including but not limited to preparation of plans and specifications and advertisement for bids on them. The hearing may be adjourned from time to time and a resolution ordering the project may be adopted at any time within six months after the date of hearing. In ordering the project the board may reduce but not increase the extent of the project as stated in the notice of hearing and shall find that the project as ordered is in accordance with the comprehensive plan and program adopted by the board pursuant to section 5.

Subd. 4. [EMERGENCY ACTION.] If the board by resolution adopted by the affirmative vote of not less than two-thirds of its members determines that an emergency exists requiring the immediate purchase of materials or supplies or the making of emergency repairs, it may order the purchase of those supplies and materials and the making of the repairs before any hearing required under this section, provided that the board shall set as early a date as practicable for the hearing at the time it declares the emergency. All other provisions of this section must be followed in giving notice of and conducting the hearing. Nothing herein may be construed as preventing the board or its agents from purchasing maintenance supplies or incurring maintenance costs without regard to the requirements of this section.

Subd 5. [POWER OF THE BOARD TO SPECIALLY ASSESS.] The board may specially assess all or any part of the costs of acquisition and betterment as herein provided, of any project ordered pursuant to this section. The special assessments must be levied in accordance with the provisions of Minnesota Statutes, sections 429.051 to 429.081, except as otherwise provided in this subdivision. No other provisions of Minnesota Statutes, chapter 429, apply. For purposes of levying the special assessments, the hearing on the project required in subdivision 1 serves as the hearing on the making of the original improvement provided for by Minnesota Statutes, section 429.051. The area assessed may be less than but may not exceed the area proposed to be assessed as stated in the notice of hearing on the project provided for in subdivision 2.

Sec. 13. [BONDS, CERTIFICATES, AND OTHER OBLIGATIONS.]

Subdivision 1. [BUDGET ANTICIPATION CERTIFICATES OF INDEBTEDNESS.] At any time after adoption of its annual budget and in anticipation of the collection of tax and other revenues estimated and set forth by the board in the budget, except in the case of deficiency taxes levied under this subdivision and taxes levied for the payment of certificates issued under subdivision 2, the board may, by resolution, authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon terms it determines, of its negotiable general obligation certificates of indebtedness in aggregate principal amounts not exceeding 50 percent of the total amount of tax collections and other revenues, and maturing not later than three months after the close of the budget year in which issued. The proceeds of the sale of the certificates must be used solely for the purposes for which the tax collections and other revenues are to be expended pursuant to the budget.

All the tax collections and other revenues included in the budget for the budget year, after the expenditure of the tax collections and other revenues in accordance with the budget, must be irrevocably pledged and appropriated to a special fund to pay the principal and interest on the certificates when due. If for any reason the tax collections and other revenues are insufficient to pay the certificates and interest when due, the board shall levy a tax in the amount of the deficiency on all taxable property in the district and shall appropriate this amount when received to the special fund.

Subd. 2. [EMERGENCY CERTIFICATES OF INDEBTEDNESS.] If in any budget year the receipts of tax and other revenues should for some unforeseen cause become insufficient to pay the board's current expenses, or if any public emergency should subject it to the necessity of making extraordinary expenditures, the board may by resolution authorize the issuance, negotiation, and sale, in accordance with subdivision 4 in the form and manner and upon the terms and conditions it determines, of its negotiable general obligation certificates of indebtedness in an amount sufficient to meet the deficiency. The board shall levy on all taxable property in the district a tax sufficient to pay the certificates and interest on the certificates and shall appropriate all collections of the tax to a special fund created for the payment of the certificates and the interest on them. Certificates issued under this subdivision mature not later than April 1 in the year following the year in which the tax is collectible.

Subd. 3. [GENERAL OBLIGATION BONDS.] The board may by resolution authorize the issuance of general obligation bonds for the acquisition or betterment of any part of the district disposal system, including but without limitation the payment of interest during construction and for a reasonable period thereafter, or for the refunding of outstanding bonds, certificates of indebtedness, or judgments. The board shall pledge its full faith and credit and taxing power for the payment of the bonds and shall provide for the issuance and sale and for the security of the bonds in the manner provided in Minnesota Statutes, chapter 475. The board has the same powers and duties as a municipality issuing bonds under that law, except that no election is required and the debt limitations of Minnesota Statutes, chapter 475, do not apply to the bonds. The board may also pledge for the payment of the bonds and deduct from the amount of any tax levy required under Minnesota Statutes, section 475.61, subdivision 1, and any revenues receivable under any state and federal grants anticipated by the board and may covenant to refund the bonds if and when and to the extent that for any reason the revenues, together with other funds available and appropriated for that purpose, are not sufficient to pay all principal and interest due or about to become due, provided that the revenues have not been anticipated by the issuance of certificates under subdivision 1.

Subd. 4. [MANNER OF SALE AND ISSUANCE OF CERTIFICATES.] Certificates issued under subdivisions 1 and 2 may be issued and sold by negotiation, without public sale, and may be sold at a price equal to the percentage of the par value of the certificates, plus accrued interest, and bearing interest at the rate determined by the board. No election is required to authorize the issuance of the certificates. The certificates must bear the same rate of interest after maturity as before and the full faith and credit and taxing power of the board must be pledged to the payment of the certificates.

Sec. 14. [DEPOSITORIES.]

The board shall designate one or more national or state banks, or trust companies authorized to do a banking business, as official depositories for money of the board, and shall require the treasurer to deposit all or a part of the money in those institutions. The designation must be in writing and set forth all the terms and conditions upon which the deposits are made, and must be signed by the chair and treasurer and made a part of the minutes of the board. A designated bank or trust company shall qualify as a depository by furnishing a corporate surety bond or collateral in the amounts required by Minnesota Statutes, section 118.01. No bond or collateral is required to secure any deposit insofar as it is insured under federal law.

Sec. 15. [MONEY, ACCOUNTS, AND INVESTMENTS.]

Subdivision 1. [RECEIPT AND APPLICATION.] Money received by the board must be deposited or invested by the treasurer and disposed of as the board may direct in accordance with its budget; provided that any money that has been pledged or dedicated by the board to the payment of obligations or interest on the obligations or expenses incident thereto, or for any other specific purpose authorized by law, must be paid by the treasurer into the fund to which it has been pledged.

Subd. 2. [FUNDS AND ACCOUNTS.] (a) The board's treasurer shall establish funds and accounts as may be necessary or convenient to handle the receipts and disbursements of the board in an orderly fashion.

(b) The funds and accounts must be audited annually by a certified public accountant at the expense of the district.

Subd. 3. [DEPOSIT AND INVESTMENT.] The money on hand in those funds and accounts may be deposited in the official depositories of the board or invested as provided in this subdivision. Any amount not currently needed or required by law to be kept in cash on deposit may be invested in obligations authorized for the investment of municipal sinking funds by Minnesota Statutes, section 475.66. The money may also be held under certificates of deposit issued by any official depository of the board.

Subd. 4. [BOND PROCEEDS.] The use of proceeds of all bonds issued by the board for the acquisition and betterment of the district disposal system, and the use, other than investment, of all money on hand in any sinking fund or funds of the board, is governed by the provisions of Minnesota Statutes, chapter 475, the provisions of this article, and the provisions of resolutions authorizing the issuance of the bonds. When received, the bond proceeds must be transferred to the treasurer of the board for safekeeping, investment, and payment of the costs for which they were issued.

Subd. 5. [AUDIT.] The board shall provide for and pay the cost of an independent annual audit of its official books and records by the state auditor or a public accountant authorized to perform that function under Minnesota Statutes, chapter 6.

Sec. 16. [SERVICE CONTRACTS WITH GOVERNMENTAL ENTITIES OUTSIDE THE JURISDICTION OF THE BOARD.]

(a) The board may contract with the United States or any agency of the federal government, any state or its agency, or any municipal or public corporation, governmental subdivision or agency or political subdivision in any state, outside the jurisdiction of the board, for furnishing services to those entities, including but not limited to planning for and the acquisition, betterment, operation, administration, and maintenance of any or all interceptors, treatment works, and local water and sanitary sewer facilities. The board may include as one of the terms of the contract that the entity must pay to the board an amount agreed upon as a reasonable estimate of the proportionate share properly allocable to the entity of costs of acquisition, betterment, and debt service previously allocated in the district. When payments are made by entities to the board, they must be applied in reduction of the total amount of costs thereafter allocated in the district, on an equitable basis as the board deems to be in the best interests of the district, applying so far as practicable and appropriate the criteria set forth in section 10, subdivision 2. A municipality in the state of Minnesota may enter into a contract and perform all acts and things required as a condition or consideration therefor consistent with the purposes of this article, whether or not included among the powers otherwise granted to the municipality by law or charter.

(b) The board shall contract with the city of Pine City, or another qualified entity to make necessary inspections on the district facilities, and to otherwise process or assist in processing any of the work of the district.

Sec. 17. [CONTRACTS FOR CONSTRUCTION, MATERIALS, SUPPLIES, AND EQUIPMENT.]

Subdivision 1. [PLANS AND SPECIFICATIONS.] When the board orders a project involving the acquisition or betterment of a part of the district disposal system, it shall cause plans and specifications of the project to be made, or if previously made, to be modified, if necessary, and to be approved by the agency if required, and after any required approval by the agency, one or more contracts for work and materials called for by the plans and specification may be awarded as provided in this section.

Subd. 2. [CONTRACTS IN EXCESS OF $5,000.] No contract for construction work, or for the purchase of materials, supplies, or equipment, estimated to cost more than $5,000 may be made by the board without publishing once in a newspaper having general circulation in the district and once in a trade paper or legal newspaper published in any city of the first class, not less than 14 days before the last day for submission of bids, notice that bids or proposals will be received. The notice must state the nature of the work or purchase, the terms and conditions upon which the contract is to be awarded, and the time and place where bids will be received, opened, and read publicly. After the bids have been duly received, opened, read publicly, and recorded, the board shall within a reasonable time award the contract to the lowest responsible bidder or it may reject all bids and readvertise. Each contract must be duly executed in writing and the party to whom the contract is awarded shall give sufficient bond or security to the board for the faithful performance of the contract as required by law. If the board by an affirmative vote of not less than two-thirds of its members declares that an emergency exists requiring the immediate purchase of materials or supplies or in making emergency repairs, at a cost estimated to be in excess of $5,000, it shall not be necessary to advertise for bids.

Subd. 3. [CONTRACTS OR PURCHASES FOR $5,000 OR LESS.] The board may, without advertising for bids, enter into any contract or purchase any materials, supplies, or equipment of the type referred to in subdivision 2, the cost of which is estimated to be $5,000 or less, or it may authorize the executive director to enter into a contract on behalf of the board for that work or to make those purchases without prior approval of the board and without advertising for bids.

Subd. 4. [UNIFORM MUNICIPAL CONTRACTING LAW.] Except as otherwise provided in this section, Minnesota Statutes, section 471.345, shall apply.

Sec. 18. [PROPERTY EXEMPT FROM TAXATION.]

Any properties, real or personal, owned, leased, controlled, used, or occupied by the water and sanitary sewer board for any purpose under this article are declared to be acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes, and are exempt from taxation by the state or any political subdivision of the state, provided that the properties are subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement. No possible use of any properties in any manner different from their use as part of a disposal system at the time may be considered in determining the special benefit received by the properties. All assessments are subject to final approval by the board, whose determination of the benefits is conclusive upon the political subdivision levying the assessment.

Sec. 19. [RELATION TO EXISTING LAWS.]

The provisions of this article must be given full effect notwithstanding the provisions of any law or charter inconsistent with this article. [TERMS; TRANSITION.] The members of the Chisholm/Hibbing airport commission as of the day before the effective date of this article shall be the original directors of the authority and shall serve until the remainder of their term and until their respective successors are appointed and qualified. Subsequent terms of directors are for three years, and all terms must expire on December 31 of the appropriate year. Directors shall serve until their respective successors are appointed and qualified.

Subd. 3. [EXPENSE REIMBURSEMENTS.] Each director may be paid a per diem for attending monthly, executive, and special meetings. Each director shall be reimbursed for reasonable and authorized out-of-pocket expenses incurred in the fulfillment of their duties.

The members shall adopt, and thereafter may amend, rules and regulations for the conduct of the authority as the authority deems in the public interest and most likely to advance, enhance, foster, and promote air transportation in the airports of the city of Chisholm and the city of Hibbing. The rules and regulations must at all times be consistent with this article. At this organizing meeting, and at all subsequent meetings of the authority, four directors constitutes a quorum for the transaction of business, and the affirmative vote of the majority of the directors present is required for the passage of any measure. The quorum must be present to act on any measure.

Subd. 8. [OFFICERS.] The directors shall elect from among their members a president, a vice-president, and a treasurer. They shall also elect a secretary, who may or may not be a director. No two offices may be held by one director. Under the supervision of the authority, the executive director is responsible for the operation, management, and promotion of all activities with which the authority is charged, together with other duties as may be prescribed by the authority. The executive director has those powers necessary and incidental to the performance of duties, and other powers as may be granted by the authority.

Sec. 4. [FINANCIAL MATTERS.]

Subdivision 1. [TREASURER; BUDGET; ACCOUNTING; FINANCIAL STATEMENT.] The treasurer shall receive and retain custody of all money of the authority. That money is deemed public funds. The authority shall prepare an annual budget before the joint meeting of the city councils to approve the levy and a copy of the annual budget must be provided to the councils at the joint meeting. The treasurer shall disburse funds only in accordance with the annual budget of the authority and only upon written orders drawn against those funds, signed by the executive director and approved by the president of the authority, or in the president's absence, the vice-president of the authority or other employee of the authority as may be authorized or directed so to do. Each order must state the name of the payee and the nature of the claim for which the order is issued. The treasurer shall keep an account of all money received, showing the source of all receipts and the nature, purpose, and authority of all disbursements. At least four times each year, in the form to be determined by the directors, the authority shall file with the city clerks of the cities of Chisholm and Hibbing a financial statement from the authority, showing all receipts and disbursements, the nature and purposes of those receipts and disbursements, the money on hand, the credits and assets of the authority, and its outstanding liability.

Subd. 2. [SPENDING POWER.] Within the total budget approved as provided in subdivision 1, the authority has the exclusive power to receive, control, and order the expenditure of money in the control and management of the airport facilities of the authority.

Subd. 3. [AUDIT.] A complete examination and audit of all books and accounts of the authority must be done at least annually by a certified public accountant. One copy of the yearly audit must be filed with each city clerk as a public document.

Sec. 5. [POWERS.]

Subdivision 1. [SUITS; CONTRACTS; EMINENT DOMAIN; OPERATION; ACCEPT GIFTS; LEVY AND TAX.] Notwithstanding any law or charter or ordinance provision to the contrary, the following powers and duties are conferred upon the authority:

(1) to sue and be sued;

(2) to enter into and execute agreements, instruments, and other arrangements necessary, proper, and convenient to the exercise of its powers;

(3) to acquire:

(i) by purchase, lease, or gift any personal property, franchises, easements, or other rights in its own name that may be necessary or proper for the operation of the Chisholm/Hibbing airport, or any airport facilities that may be acquired in the future;

(ii) real property for use as airport terminal facilities, maintenance facilities, parking facilities, runway or taxiway facilities with approval of the city councils; and

(iii) other facilities used or useful for operating the airport;

(4) to acquire, construct, equip, improve, operate, and maintain airports and airport terminal facilities, maintenance facilities, runways and taxiways, parking areas, and other facilities useful for or related to operating an airport;

(5) to lease to or contract with any person or operator for the use of any real or personal property under the authority's control; provided, however, that the authority does not have the power to make agreements for the sale of any real estate under its control without the approval by resolution of the city councils;

(6) to accept gifts, grants, or loans of money or other property from the United States, the state, or any person or entity, and for those purposes may enter into any agreement required to do so, subject to prior notice to the city councils; and

(7) to levy a tax on all taxable property, according to the total tax capacity in each city, in the city of Chisholm and in the city of Hibbing, to provide funds for the operation of the authority. A joint meeting of the city councils must be convened annually for the purpose of either adopting or rejecting the proposed levy. Each city council shall vote separately on the proposed levy. If the proposed levy is rejected by either city council, the authority shall revise the levy and resubmit the proposal for consideration by the city councils who shall either reject or approve the revised proposed levy. This procedure shall continue until a levy is approved by resolution of both city councils. No later than September 15 each year, the secretary of the authority shall certify to the auditor of St. Louis county the total levy approved by the city councils, accompanied by a certified copy of the resolution of each city approving the levy. The auditor shall add the total levy made by the authority to other tax levies of the county on taxable property in the cities of Chisholm and Hibbing for collection by the county auditor with other taxes. When collected, the county auditor shall make settlement of those taxes with the treasurer of the authority in the same manner as other taxes are distributed to political subdivisions.

Subd. 2. [MANAGEMENT CONTRACTS.] Notwithstanding other provisions of this article to the contrary, the authority is authorized, in lieu of directly operating the Chisholm/Hibbing airports or any part of them, to enter into management contracts with persons for managing the airports or any part of them, for a period of time, for purposes, and under any compensation and other terms and conditions as deemed advisable and proper by the authority. The agreement is subject to the approval by resolution of the city councils.

Sec. 6. [ADDITIONAL POWERS.]

The authority is authorized:

(1) when not in conflict with this article, to adopt and alter bylaws and rules and regulations that it deems necessary for conducting the business of the authority, for using and operating the Chisholm/Hibbing airports and the facilities of the authority, and for carrying out the objects of this article;

(2) to appoint the executive director, engineers and other consultants, accountants, attorneys, and other officers, agents, and employees as it deems necessary, who shall perform duties and receive compensation as the authority may determine and who are removable at the pleasure of the authority;

(3) to prescribe or provide for a policy or policies of insurance for the defense and indemnification of the cities of Chisholm and Hibbing and their officers and employees, and the authority's directors, executive director, and other employees against claims arising against them out of the performance of duty, whether the claims be groundless or otherwise, with premiums for any policies of insurance required by this article to be paid out of the funds of the authority;

(4) to authorize and direct the treasurer to invest, in the manner provided by law, any funds held in reserve, sinking funds, or any funds not required for immediate disbursement; and

(5) to fix, alter, change, and collect fees, rentals, and all other charges to be made for all services or facilities furnished by the authority to the public, to any persons, or to public or private agencies leasing any and all facilities at the Chisholm/Hibbing airports.

Sec. 7. [EXECUTIVE DIRECTOR.]

Subdivision 1. [CUSTODY OF MONEY COLLECTED DAILY.] The executive director of the authority is responsible for the custody and control of all money received and collected from the daily operations of the Chisholm/Hibbing airports until that money is delivered to the treasurer and the executive director has obtained a receipt for it, or until the money is deposited in a bank account under the control of the treasurer.

Subd. 2. [INSURANCE.] In addition to other insurance provisions of this article, the executive director shall provide for insurance on any of the Chisholm/Hibbing airports' property, rights, revenue, workers' compensation, public liability, or any other risk or hazard arising from its activities; and the premiums for that insurance must be paid for out of funds of the Chisholm/Hibbing airport authority.

Sec. 8. [TAX-EXEMPT PROPERTY.]

Notwithstanding other law to the contrary, the property, money, and other assets of the authority, or revenues or other income of the authority are exempt from all taxation, licensing, fees, or charges of any kind imposed by the state of Minnesota, or by any county, municipality, political subdivision, taxing district, or other public agency or body of the state.

Sec. 9. [REVENUE BONDS.]

Subdivision 1. [AUTHORITY TO ISSUE.] Notwithstanding any limitations imposed by law or by the charter of the city of Chisholm, the authority is authorized to issue negotiable revenue bonds for any one or more of its purposes. Revenue bonds under this section shall be issued in the amounts, times, and series to the authority determined by resolution. No election is necessary to authorize the issuance of the revenue bonds. Except as otherwise provided by this section, the maturities, any right of prior redemption, execution, paying agency, provision for interest, and other terms of the bonds, are subject to Minnesota Statutes, sections 475.54 and 475.56.

Subd. 2. [PLEDGED FROM REVENUES.] Revenue bonds issued under this section do not constitute a debt of the city of Chisholm or the city of Hibbing, and no tax levy may be compelled for their payment. The bonds are payable only from the revenues of the Chisholm/Hibbing airport pledged by the authority; to payment of principal of and interest on the bonds; and they must so recite. At or before the issuance of revenue bonds, the authority, by resolution, shall pledge and appropriate to the payment of principal and interest the net revenues of the Chisholm/Hibbing airports, or some part of those airports, after provision for reasonable and necessary expenses of operation and maintenance, as described and defined in the authorizing resolution.

Subd. 3. [RESOLUTION.] By the authorizing resolution, the authority may provide covenants for the protection of the bondholders relating to disposition of bond proceeds and revenues; their reserves and investment; construction, acquisition, repair, replacement, operation and insurance of the Chisholm/Hibbing airports facilities; accounting and reports; issuance of parity or subordinate lien bonds, rates and charges to be established or maintained; and other covenants the authority finds to be usual and reasonably necessary for the protection of the airport revenue bondholders.

Subd. 4. [DEFAULT.] The authority may also define the event or events of default and other requisites for suit by bondholders or their representatives, conditions upon which any covenant may be amended. Any terms, covenants, or conditions of revenue bonds to be provided by resolution of the authority may be set forth in a trust indenture with a corporation having trust powers appointed by the authority, to represent and act for bondholders, to hold and disburse pledged revenues, and to perform other duties as may be provided in the trust indenture. However, the trust indenture must not confer or authorize any mortgage lien on the real or operating properties or general funds of the authority.

Subd. 5. [PUBLIC INSTRUMENTALITY.] Revenue bonds of the authority are deemed and must be treated as instrumentalities of the public government agency; and as such, together with interest on the bonds, are exempt from taxation.

Sec. 10. [GENERAL OBLIGATION BONDS.]

Subdivision 1. [AUTHORITY TO ISSUE.] The authority may request the issuance of general obligation bonds to improve or construct, and equip, terminal facilities, maintenance and hangar facilities, runway or taxiway facilities, parking areas, or similar facilities used or useful in connection with the operation by the authority of the Chisholm/Hibbing airports, or any part of them.

Subd. 2. [RESOLUTION.] General obligation bonds under this section shall be issued in the amounts, at times, and in a series as the cities shall determine by joint resolution. Except as otherwise provided by this section, the maturities, any right of prior redemption, execution, paying agency, provision for interest, or other terms of the bonds, are subject to Minnesota Statutes, sections 475.54 and 475.56.

Subd. 3. [PLEDGED WITH TAXES.] General obligation bonds issued according to the total tax capacity in each city under this section constitute a debt of the city of Chisholm and the city of Hibbing for which the full faith and credit of the city is pledged. A tax levy must be compelled for their payment and the bonds must recite that.

Sec. 11. [PROPERTY TRANSACTIONS.]

Subdivision 1. [EMINENT DOMAIN.] If it becomes necessary for any of the purposes provided in this article to exercise the power of eminent domain, that power must not be exercised by the authority. However, the city of Chisholm and the city of Hibbing shall, at the request of the authority, acquire any of the properties allowed pursuant to this article and necessary for the conduct and operation of the authority, or for the purpose of acquiring any land, waters, easements, or other rights or interests in them by the exercise of the power of eminent domain, either as provided for under the home rule charter of the city of Chisholm, or under Minnesota Statutes, chapter 117. An exercise of the power of eminent domain by the cities must be at the request and expense of the authority. The fact that the property is owned by a public service corporation organized for the purpose specified in Minnesota Statutes, section 300.03, or is already devoted to a public use, or to use by a corporation, or was acquired for a public use by condemnation, does not prevent its acquisition by the cities for the authority by condemnation. The cities, on behalf of the authority, may take possession of any property for which condemnation proceedings have been commenced at any time after the filing of the petition describing the property in the proceedings. After the condemnation is completed, the cities shall transfer the property condemned to the authority.

Subd. 2. [PROPERTY TRANSFERS.] Subject to prior notice to the city councils, any state department or other agency of the state government, or any county, municipality, or other public agency, may sell, lease, grant, transfer, or convey to the authority, with or without consideration, any facilities or any part of the facilities, or any interest in real or personal property, which may be useful to the authority for any authorized purpose.

Sec. 12. [LIMITED REGULATION BY OTHER GOVERNMENTAL UNITS.]

The exercise by the authority and the city councils of the powers provided in this article are not subject to regulation by the jurisdiction or control of any other public body or agency, whether state, county, or municipal, except as specifically provided in this article. However, the authority is subject to rules administered by the state department of public safety, division of aeronautics, and to laws of the United States or regulations of the Federal Aviation Administration of the United States Department of Transportation, as may be applicable to the operations of the Chisholm/Hibbing airports.

Sec. 13. [PROPERTY TRANSFERRED BY THIS ARTICLE.]

On the effective date of this article, the Chisholm/Hibbing airport commission is dissolved and the title to all real and personal property presently used and occupied by the Chisholm/Hibbing airport commission vests in the authority. The city of Chisholm and the city of Hibbing shall execute all deeds or other appropriate documents necessary to confirm the vesting of title in the Chisholm/Hibbing airport authority. If the authority is dissolved, the fair market value of all real estate owned by the city of Hibbing prior to the formation of the Chisholm/Hibbing joint airport commission in 1957 including improvements on that real estate prior to that time must be credited to the city of Hibbing.

Sec. 14. [EFFECTIVE DATE.]

This article is effective after its approval by a majority of the city council of the city of Chisholm and a majority of the city council of the city of Hibbing, and upon compliance with the provisions of Minnesota Statutes, section 645.021, subdivision 3.

The permit must be attached to the lower left corner of the windshield of the motor vehicle for which it was issued. The permit must provide a space to enter the license number of the motor vehicle for which the permit is issued. The permit must show the year for which it is issued and the date of expiration of the permit.

Subd. 7. [PERMIT NOT TRANSFERABLE.] An alternate fuel permit is not transferable, either to a new vehicle or to a new owner. Upon the transfer of ownership of a motor vehicle with a permit, the department of public safety shall credit the transferor with the number of unexpired months remaining in the registration period, except that when the vehicle is transferred within the same month in which acquired, no credit for the month is allowed. If a transferor acquires another motor vehicle for which an alternate fuel permit is required at the time of transfer, the credit provided by this section must be applied toward payment of the alternate fuel permit fee then due; otherwise the transferor may file a claim for the amount of the credit with the commissioner on a form prescribed by the commissioner. The department shall pay the claim from the undistributed alternate fuel permit fees.

Subd. 8. [MOTOR VEHICLE CONVERSION REPORT.] A person who installs equipment in a motor vehicle to permit it to be powered by compressed natural gas or propane shall report the installation to the department of public safety within 30 days. The report must include the name and address of the owner of the vehicle; the make, model, and identification number of the vehicle; the type of fuel that the vehicle was equipped to use before the installation; and, if the vehicle is registered, the license plate number of the vehicle.

Subd. 9. [FEES DEPOSITED IN HIGHWAY USER FUND.] The permit fees collected under subdivision 2 are in lieu of the gasoline and special fuels excise taxes imposed by sections 296.02 and 296.025. Compressed natural gas or propane sold as fuel for motor vehicles displaying valid annual alternate fuel permit stickers is not subject to any additional tax at the time of sale. All alternate fuel permit fees collected by the department of public safety must be deposited in the state treasury and credited to the highway user tax distribution fund.

Sec. 10. Minnesota Statutes 1992, section 296.16, subdivision 1, is amended to read:

Approximately 1-1/2 percent of all gasoline received in this state and 1-1/2 percent of all gasoline produced or brought into this state, except gasoline used for aviation purposes, is being used as fuel for the operation of motorboats on the waters of this state and of the total revenue derived from the imposition of the gasoline fuel tax for uses other than for aviation purposes, 1-1/2 percent of such revenues is the amount of tax on fuel used in motorboats operated on the waters of this state.

(1) the application is made by the governing body of the city as prescribed by section 469.304;

(2) the area is determined by the commissioner to be eligible for designation under section 469.303.

Subd. 2. [DURATION.] The designation of an area as an enterprise zone is effective for ten years after the date of designation.

Subd. 3. [DATE OF DESIGNATION.] Designation is effective immediately following approval of the enterprise zone application by the commissioner.

Sec. 14. [469.303] [ELIGIBILITY REQUIREMENTS.]

An area within the city is eligible for designation as an enterprise zone if the area is (1) designated as a proposed federal empowerment zone or enterprise community by the city in an application to the United States Department of Housing and Urban Development under Public Law Number 103-66, provided the city can demonstrate that it can meet the maximum zone population standard under the federal empowerment zone program for cities with a population under 500,000 or (2) an area within a city of the second class that is designated as an economically depressed area by the United States Department of Commerce.

Sec. 15. [469.304] [APPLICATION FOR ENTERPRISE ZONE DESIGNATION.]

Subdivision 1. [SUBMISSION OF APPLICATIONS.] An applicant may seek enterprise zone designation by submitting an application to the commissioner. The commissioner shall establish procedures and forms for the submission of applications for enterprise zone designation. The commissioner may promulgate rules for the administration of the program. The commissioner of revenue shall establish a schedule to determine the tax credits in section 469.305.

Subd. 2. [APPLICATIONS; CONTENTS.] The application for designation as an enterprise zone must contain, at a minimum:

(4) any additional information that the municipality considers relevant to the designation of the area as an enterprise zone.

Subd. 3. [CERTIFICATION.] The governing body must certify to the commissioner that activity within the municipality's enterprise zone will not transfer existing employment from other municipalities within the state.

Sec. 16. [469.305] [ENTERPRISE ZONE CREDITS.]

Subdivision 1. [INCOME OR FRANCHISE TAX CREDIT.] An income or corporate franchise tax credit is available to businesses located in an enterprise zone that meet the conditions of this section. Each city designated as an enterprise zone is allocated $3,000,000 to be used to provide credits under this section for the duration of the program. Each city of the second class designated as an economically depressed area by the United States Department of Commerce is allocated $300,000 to be used to provide credits under this section for the duration of the program. For fiscal year 1998 and subsequent years, the proration in section 21 shall continue to apply until the amount designated in this subdivision is expended.

The credit is in an amount equal to 20 percent of the wages paid to an employee, not to exceed $5,000 per employee per taxable year. The credit is available to an employer for a zone resident employed in the zone at full-time wage levels of not less than 170 percent of minimum wage. The credit is not available to workers employed in construction or employees of financial institutions, gambling enterprises, public utilities, sports, fitness, and health facilities, or racetracks. The employee must be employed at that rate at the time the business applies for a tax credit, and must have been employed for at least one year at the business. The credit applies to new jobs; for purposes of this section, a "new job" is a job that did not exist in Minnesota before the effective date of this section. The credit is applicable to the five taxable years after the application has been approved to the extent the allocation to the city remains available to fund the credit, and provided that the city certifies to the commissioner on an annual basis that the business is in compliance with the plan to recruit, hire, train, and retain zone residents.

Subd. 2. [REFUNDABLE CREDITS.] To the extent the credit provided under subdivision 1 exceeds the business' tax liability under chapter 290, the credit is refundable.

Subd. 3. [REVIEW AND ANALYSIS.] The city must submit the proposed tax credit proposal to the commissioner for approval. The proposal shall include a plan to recruit, hire, train, and retain zone residents. The tax credit proposal shall be approved unless the commissioner finds that the proposal is not in conformity with the provisions of sections 469.301 to 469.308.

If the city submits the tax credit proposal to the commissioner before the expiration of the zone designation under section 469.302, subdivision 2, the authority of the commissioner to approve the tax credit proposal continues until the commissioner acts on the proposal.

Sec. 17. [469.306] [REVOCATION.]

The commissioner may revoke a business' tax credit if the applicant has not proceeded in good faith with its operations in a manner which is consistent with the purpose of sections 469.301 to 469.308 and is possible under circumstances reasonably within the control of the applicant.

The commissioner may reconsider the revocation of the tax credit if the business provides evidence that circumstances of its failure to proceed were beyond its control or that it did not act in bad faith.

Sec. 18. [469.307] [RECAPTURE.]

Subdivision 1. [TERMINATION OF OPERATIONS; OTHER VIOLATIONS.] Any business that receives a tax credit authorized by section 469.305 and ceases to operate or otherwise violates the criteria for obtaining the credit for its facility located within the enterprise zone within seven years after the first receipt of a credit by the business shall repay the portion of the tax credit received as provided in the following schedule:

Termination of Operations or Other Violations	Repayment of Portion
Less than two years	100 percent
Between two years and four years	75 percent
Between four years and seven years	50 percent
More than seven years	0 percent

Subd. 2. [REPAYMENT.] The repayment must be paid to the state. The amount repaid must be credited to the amount certified as available for tax credits in the zone under section 469.305.

Subd. 3. [LIEN.] If an event occurs that creates an obligation under subdivision 1 to repay all or part of the tax credit, the repayment obligation immediately becomes a lien against the business's real and personal property located in Minnesota, including the property of subsidiaries, parents, and related corporations. A lien against real property under this subdivision has the same legal effect and must be collected in the same manner as unpaid real property taxes.

Sec. 19. [469.308] [ADMINISTRATION.]

Subdivision 1. [TECHNICAL ASSISTANCE.] The commissioner shall provide technical assistance to the city seeking an enterprise zone designation.

Subd. 2. [ADMINISTRATIVE PROCEDURE ACT.] Chapter 14 does not apply to the designation of enterprise zones.

Subd. 3. [REPORTING.] The commissioner shall require cities receiving enterprise zone designations to report to the state regarding the economic activity that has occurred in the zone following the designation.

Subd. 4. [REPORT TO THE LEGISLATURE.] The commissioner of jobs and training, in consultation with the commissioner of revenue and any cities receiving the designation, shall evaluate the enterprise zone program and assess options for expansion of the enterprise zone program to businesses throughout the metropolitan area that hire zone residents. The commissioner of jobs and training shall submit its findings in a report to the 1996 session of the legislature.

Sec. 20. [469.309] [RURAL JOB CREATION CREDIT.]

Subdivision 1. [CREDIT FOR JOB CREATION.] The commissioner of trade and economic development may approve a credit against the tax due under chapter 290 for an eligible business beginning with the first taxable year after December 31, 1994. The maximum credit available is $5,000 per eligible employee. The actual credit is based on the following schedule:

$2,000 for each eligible employee with wages greater than or equal to 170 percent and less than 200 percent of the minimum wage;

$3,000 for each eligible employee with wages greater than or equal to 200 percent and less than 250 percent of the minimum wage;

$4,000 for each eligible employee with wages greater than or equal to 250 percent and less than 300 percent of the minimum wage; and

$5,000 for each eligible employee with wages greater than or equal to 300 percent of the minimum wage.

The total credit for an employer is equal to the actual credit multiplied by the number of employees eligible for that credit. For purposes of this section "minimum wage" means the minimum wage that is required by federal law. An eligible business may apply for a rural job creation credit only once for each new job. The credit is refundable.

Subd. 2. [ELIGIBLE BUSINESS.] An employer eligible for a job credit under this section must (1) be located outside the metropolitan area as defined under section 473.121 (2) create at least ten qualifying new jobs in a two-year period, and (3) consist of a for-profit business. For the purposes of this section, a "qualifying new job" is a job that did not exist in Minnesota before the effective date of this section.

Subd. 3. [ELIGIBLE EMPLOYEE.] To be eligible for a credit, the employee must be employed full-time by an eligible business at a wage level of not less than 170 percent of the minimum wage at the time the eligible business applies for the credit and must have been employed there at that wage level for a minimum of 12 months. The credit applies only to new jobs created at the eligible business after the effective date of this section.

Subd. 4. [RESTRICTIONS.] The tax credits provided by this section do not apply to racetracks, financial institutions, gambling enterprises, public utilities, or sports, fitness, and health facilities. An employer is not eligible for a tax credit if the commissioner determines that the position held by the employee for which the business is seeking a credit was transferred from an enterprise conducted by substantially the same business enterprise at another site in the state.

Sec. 21. [LIMIT ON TAX CREDITS.]

The maximum amount of tax credits allowable under Minnesota Statutes, sections 469.305 and 469.309 is $900,000 for fiscal year 1997. Of that amount, one-third must be allocated to the city of Minneapolis, one-third to the city of St. Paul, and one-third to the remaining cities. Of the amounts allocated to the cities of Minneapolis and St. Paul, $25,000 must be subtracted from each city's allocation and is appropriated to the commissioner of jobs and training for administration of this program, provided that $25,000 of the appropriation is for fiscal year 1996 and $25,000 is for fiscal year 1997. Of the amount allocated to the remaining cities, a minimum of $60,000 must be allocated to the city of South St. Paul. No tax credits are allowable before fiscal year 1997. If the commissioner of revenue estimates by March 1, 1996, that tax credits for fiscal year 1997 will exceed $900,000, the commissioner shall proportionately reduce each city's allocation to remain within the limit.

Sec. 22. [473.197] [HOUSING BOND CREDIT ENHANCEMENT PROGRAM.]

Subdivision 1. [AUTHORIZATION.] The metropolitan council may establish a housing bond credit enhancement program as provided in this section. The council may pledge its full faith and credit and taxing powers to the payment of bonds issued under section 469.034 for qualified housing development projects in the metropolitan area, as provided in this section. A "qualified housing development project" has the meaning given that term in section 469.034, subdivision 2, paragraph (e), except that the council is substituted for "general jurisdiction governmental unit" in clause (3) and "60 percent of the median family income" is substituted for "80 percent of the median family income."

Subd. 2. [PROJECT SELECTION.] Before pledging its full faith and credit, the council must establish criteria for selecting appropriate qualified housing development projects for the credit enhancement program. The council may award preferences for qualified housing development projects that meet criteria for preferences established by the council. The council must establish the criteria in consultation with housing providers in the metropolitan area. In developing priorities for projects for the credit enhancement program, the council shall give priority to projects that develop or redevelop housing for low income households. The council shall consider the extent to which projects for the credit enhancement program are developed in collaboration with Minnesota Youth-Build under sections 268.361 to 268.367; or training for housing programs for homeless adults under Laws 1992, chapter 376, article 6; or other employment training programs.

Subd. 3. [LIMITATION.] The aggregate principal amount of bonds that may be secured by a pledge of the council's full faith and credit under this section may not exceed $20,000,000. The bonds must be payable from revenues derived from the project or projects financed under the credit enhancement program, or from income of the authority or authorities that participate in the program, including earnings on any reserves established for the program. The council must find that the pledged revenues will equal or exceed 110 percent of the principal and interest due on the bonds.

Subd. 4. [DEBT RESERVE; LEVY.] To provide money to pay debt service on bonds issued under the credit enhancement program if pledged revenues are insufficient to pay debt service, the council must maintain a debt reserve fund in the manner and with the effect provided by section 475.66 for public debt service funds. To provide funds for the debt reserve fund, the council may use up to $3,000,000 of the proceeds of solid waste bonds issued by the council under section 473.831 before its repeal. To provide additional funds for the debt reserve fund, the council may levy a tax on all taxable property in the metropolitan area and must levy the tax if sums in the debt reserve fund are insufficient to cure any deficiency in the debt service fund established for the bonds. The tax authorized by this section does not affect the amount or rate of taxes that may be levied by the council for other purposes and is not subject to limit as to rate or amount.

Subd. 5. [AGREEMENTS.] The council and each authority that participates in the credit enhancement program may enter into agreements they determine to be necessary to implement the credit enhancement program. The agreements may extend over any period, notwithstanding any law to the contrary.

Sec. 23. [APPROPRIATION.]

$225,000 is appropriated from the general fund to the commissioner of revenue for the costs of administering Laws 1994, chapter 383, and the provisions of this act. This amount does not cancel and is available until July 1, 1995.

Sec. 24. [EFFECTIVE DATE.]

Section 1 is effective July 1, 1994.

Section 2 is effective July 1, 1995.

Notwithstanding section 609.135, the above sentence must be executed, unless the court departs from the mandatory minimum sentence under paragraph ~~(b) or~~ (c) or (d).

(b) A person must be sentenced to a minimum of one year of incarceration, at least 48 hours of which must be served consecutively, or of intensive probation using an electronic alcohol monitoring system, or a combination thereof, if the person is convicted of violating this section, section 169.129, or an ordinance in conformity with either of them: (1) within 10 years of the first of five, or within 15 years of the first of seven, prior license revocations, as defined in subdivision 3, paragraph (a), clause (2), or (2) within 10 years of the first of five, or within 15 years of the first of seven, prior convictions under this section, section 169.129, or an ordinance in conformity with either of them.

~~(b)~~ (c) Prior to sentencing the prosecutor may file a motion to have the defendant sentenced without regard to the mandatory minimum sentence established by this subdivision. The motion must be accompanied by a statement on the record of the reasons for it. When presented with the prosecutor's motion and if it finds that substantial mitigating factors exist, the court shall sentence the defendant without regard to the mandatory minimum sentence established by this subdivision.

~~(c)~~ (d) The court may, on its own motion, sentence the defendant without regard to the mandatory minimum sentence established by this subdivision if it finds that substantial mitigating factors exist and if its sentencing departure is accompanied by a statement on the record of the reasons for it.

~~(d)~~ (e) The court may sentence the defendant without regard to the mandatory minimum sentence established by this subdivision if the defendant is sentenced to probation and ordered to participate in a program established under section 169.1265.

~~(e)~~ (f) When any portion of the sentence required by this subdivision is not executed, the court should impose a sentence that is proportional to the extent of the offender's prior criminal and moving traffic violation record. Any sentence required under this subdivision must include a mandatory sentence that is not subject to suspension or a stay of imposition or execution, and that includes incarceration for not less than 48 consecutive hours or at least 80 hours of community work service.

Sec. 13. Minnesota Statutes 1993 Supplement, section 169.121, subdivision 4, is amended to read:

(1) first offense under subdivision 1: not less than 30 days;

(2) first offense under subdivision 1a: not less than 90 days;

(3) second offense in less than five years, or third or subsequent offense on the record: (i) if the current conviction is for a violation of subdivision 1, not less than 180 days and until the court has certified that treatment or rehabilitation has been successfully completed where prescribed in accordance with section 169.126; or (ii) if the current conviction is for a violation of subdivision 1a, not less than one year and until the court has certified that treatment or rehabilitation has been successfully completed where prescribed in accordance with section 169.126;

(5) fourth or subsequent offense on the record: not less than two years, together with denial under section 171.04, subdivision 1, clause (8), until rehabilitation is established in accordance with standards established by the commissioner.

(b) If the person convicted of violating this section is under the age of 21 years, the commissioner of public safety shall revoke the offender's driver's license or operating privileges for a period of six months or for the appropriate period of time under paragraph (a), clauses (1) to (5), for the offense committed, whichever is the greatest period.

(c) For purposes of this subdivision, a juvenile adjudication under this section, section 169.129, an ordinance in conformity with either of them, or a statute or ordinance from another state in conformity with either of them is an offense.

Subd. 2. [REQUIREMENT FOR DRIVER WHETHER OR NOT THE OWNER.] Every driver shall have in possession at all times when operating a vehicle and shall produce on demand of a peace officer proof of insurance in force at the time of the demand covering the vehicle being operated. If the driver does not produce the required proof of insurance upon the demand of a peace officer, the driver is guilty of a misdemeanor. A person is guilty of a gross

misdemeanor who violates this section within ten years of the first of two prior convictions under this section, section 169.797, or a statute or ordinance in conformity with one of those sections. The same prosecuting authority who is responsible for prosecuting misdemeanor violations of this section is responsible for prosecuting gross misdemeanor violations of this section. A driver who is not the owner of the vehicle may not be convicted under this section unless the driver knew or had reason to know that the owner did not have proof of insurance required by this section, provided that the driver provides the officer with the name and address of the owner at the time of the demand or complies with subdivision 3.

Sec. 18. Minnesota Statutes, 1992 is amended by adding a section to read:

[169.991] [TAB CHARGES.]

The supreme court is requested to consider adding to the offenses listed in rule 17.01 of the Rules of Criminal Procedures a gross misdemeanor violation of section 171.24 (driving without a license) so that that offense may be prosecuted by tab charge in lieu of indictment or complaint.

Sec. 19. Minnesota Statutes 1992, section 171.12, subdivision 2, is amended to read:

Subd. 2. [ACCIDENT REPORTS AND RECORDS OF CONVICTION FILED.] The department shall file all accident reports and abstracts of court records of convictions and violations received by it under the laws of this state and its political subdivisions, and in connection therewith maintain convenient records or make suitable notations in order that an individual record of each licensee showing the convictions of such licensee and the traffic accidents in which the licensee has been involved shall be readily ascertainable and available for the consideration of the department upon any application for renewal of license and the revocation, suspension, or limitation of licenses.

Sec. 20. Minnesota Statutes 1993 Supplement, section 171.24, is amended to read:

171.24 [VIOLATIONS; DRIVING WITHOUT VALID LICENSE.]

(a) Except as otherwise provided in paragraph (c), any person whose driver's license or driving privilege has been canceled, suspended, or revoked and who has been given notice of, or reasonably should know of the revocation, suspension, or cancellation, and who disobeys such order by operating anywhere in this state any motor vehicle, the operation of which requires a driver's license, while such license or privilege is canceled, suspended, or revoked is guilty of a misdemeanor.

(b) Any person who has been disqualified from holding a commercial driver's license or been denied the privilege to operate a commercial motor vehicle, who has been given notice of or reasonably should know of the disqualification, and who disobeys the order by operating in this state a commercial motor vehicle while the person is disqualified to hold the license or privilege, is guilty of a misdemeanor.

(c) A person is guilty of a gross misdemeanor if:

(1) the person's driver's license or driving privileges has been canceled under section 171.04, subdivision 1, clause (8), and the person has been given notice of or reasonably should know of the cancellation; and

(2) the person disobeys the order by operating in this state any motor vehicle, the operation of which requires a driver's license, while the person's license or privilege is canceled.

(d) The attorney in the jurisdiction in which the violation occurred who is responsible for prosecution of misdemeanor violations of this section is also responsible for prosecution of gross misdemeanor violations of this section.

(e) Notice of revocation, suspension, cancellation, or disqualification is sufficient if personally served, or if mailed by first class mail to the person's last known address or to the address listed on the person's driver's license. Notice is also sufficient if the person was informed that revocation, suspension, cancellation, or disqualification would be imposed upon a condition occurring or failing to occur, and where the condition has in fact occurred or failed to occur. It is not a defense that a person failed to file a change of address with the post office, or failed to notify the department of public safety of a change of name or address as required under section 171.11.

Sec. 21. Minnesota Statutes 1993 Supplement, section 340A.503, subdivision 1, is amended to read:

(2) person under the age of 21 years to consume any alcoholic beverages. ~~As used in this clause, "consume" includes the ingestion of an alcoholic beverage and the physical condition of having ingested an alcoholic beverage.~~ If proven by a preponderance of the evidence, it is an affirmative defense to a violation of this clause that the defendant consumed the alcoholic beverage in the household of the defendant's parent or guardian and with the consent of the parent or guardian.

(b) An offense under paragraph (a), clause (2), may be prosecuted either at the place where consumption occurs or the place where evidence of consumption is observed.

(c) When a person is convicted of or adjudicated for an offense under paragraph (a), clause (2), the court shall determine whether the person ~~committed the offense~~ consumed the alcohol while operating a motor vehicle. If so, the court shall notify the commissioner of public safety of its determination. Upon receipt of the court's determination, the commissioner shall suspend the person's driver's license or operating privileges for 30 days, or for 180 days if the person has previously been convicted of or adjudicated for an offense under paragraph (a), clause (2).

(d) As used in this paragraph, "consume" includes the ingestion of an alcoholic beverage and the physical condition of having ingested an alcoholic beverage.

Subd. 10. [PROSECUTING ATTORNEYS.] Except as otherwise provided by law, violations of state law that are petty misdemeanors or misdemeanors must be prosecuted by the attorney of the statutory or home rule charter city where the violation is alleged to have occurred, if the city has a population greater than ~~500~~ 600. If a city has a population of ~~500~~ 600 or less, it may, by resolution of the city council, and with the approval of the board of county commissioners, give the duty to the county attorney. All other petty misdemeanors, misdemeanors, and gross misdemeanors must be prosecuted by the county attorney of the county in which the alleged violation occurred. All violations of a municipal ordinance, charter provision, rule, or regulation must be prosecuted by the attorney for the governmental unit that promulgated the municipal ordinance, charter provision, rule, or regulation, regardless of its population, or by the county attorney with whom it has contracted to prosecute these matters.

In the counties of Anoka, Carver, Dakota, Scott, and Washington, violations of state law that are petty misdemeanors, misdemeanors, or gross misdemeanors except as provided in section 388.051, subdivision 2, must be prosecuted by the attorney of the statutory or home rule charter city where the violation is alleged to have occurred. The statutory or home rule charter city may enter into an agreement with the county board and the county attorney to provide prosecution services for any criminal offense. 609.035 [CRIME PUNISHABLE UNDER DIFFERENT PROVISIONS.]

Subdivision 1. Except as provided in subdivision 2, and in sections 609.251, 609.585, 609.21, subdivisions 3 and 4, 609.2691, 609.486, 609.494, and 609.856, if a person's conduct constitutes more than one offense under the laws of this state, the person may be punished for only one of the offenses and a conviction or acquittal of any one of them is a bar to prosecution for any other of them. All the offenses, if prosecuted, shall be included in one prosecution which shall be stated in separate counts.

Subd. 2. (a) When a person is being sentenced for a violation of a provision listed in paragraph (f), the court may sentence the person to a consecutive term of imprisonment for a violation of any other provision listed in paragraph (f), notwithstanding the fact that the offenses arose out of the same course of conduct, subject to the limitation on consecutive sentences contained in section 609.15, subdivision 2, and except as provided in paragraphs (b), (c), and (d) of this subdivision.

(b) When a person is being sentenced for a violation of section 169.129 the court may not impose a consecutive sentence for a violation of a provision of section 169.121, subdivision 1, or for a violation of a provision of section 171.20, 171.24, or 171.30.

(c) When a person is being sentenced for a violation of section 171.20, 171.24, or 171.30, the court may not impose a consecutive sentence for another violation of a provision in chapter 171.

(e) This subdivision does not limit the authority of the court to impose consecutive sentences for crimes arising on different dates or to impose a consecutive sentence when a person is being sentenced for a crime and is also in violation of the conditions of a stayed or otherwise deferred sentence under section 609.135.

(f) This subdivision applies to misdemeanor and gross misdemeanor violations of the following if the offender has two or more prior impaired driving convictions as defined in section 169.121, subdivision 3:

Subd. 2. (a) If the conviction is for a felony the stay shall be for not more than ~~three~~ four years or the maximum period for which the sentence of imprisonment might have been imposed, whichever is longer.

(b) If the conviction is for a gross misdemeanor violation of section 169.121 or 169.129, the stay shall be for not more than ~~three~~ four years. (d) If the conviction is for any misdemeanor under section 169.121; 609.746, subdivision 1; 609.79; or 617.23; or for a misdemeanor under section 609.224, subdivision 1, in which the victim of the crime was a family or household member as defined in section 518B.01, the stay shall be for not more than two years. We, the undersigned conferees for H. F. No. 2617, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2617 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1992, section 325B.02, is amended to read:

325B.02 [NO INDUCEMENT OR COERCION.]

No brewer shall:

(1) Induce or coerce, or attempt to induce or coerce, any beer wholesaler to accept delivery of any alcoholic beverage or any other commodity which shall not have been ordered by the beer wholesaler.

(2) Induce or coerce, or attempt to induce or coerce, any beer wholesaler to do any illegal act or thing by threatening to amend, cancel, terminate, or refuse to renew any agreement existing between a brewer and a beer wholesaler.

(3) Require a wholesaler to assent to any condition, stipulation or provision limiting the wholesaler's right to sell the product of any other brewer anywhere in the state of Minnesota, provided that the acquisition of the product of another brewer does not materially impair the quality of service or quantity of sales of the existing brand or brands of the brewer seeking to impose the condition, stipulation or provision.

(4) Refuse to supply, in reasonable quantities and within a reasonable time after receipt of the wholesaler's order, beer ordered by a wholesaler who has an agreement with the brewer for sale and distribution of the brewer's beer, unless the refusal to supply is due to:

(i) the brewer's prudent and reasonable restrictions on extension of credit to the wholesaler;

(ii) weather or other natural events;

(iii) a work stoppage or delay resulting from a strike or other labor dispute;

(iv) a bona fide shortage of materials;

(v) a freight embargo; or

(vi) any other cause over which the brewer or the brewer's agents have no control.

Sec. 2. [325B.031] [BRANDS; BRAND EXTENSIONS.]

Subdivision 1. [DEFINITIONS.] For purposes of this section:

(a) "Brand" is any word, name, group of letters, symbol, or combination thereof, that is adopted and used by a brewer or importer to identify a specific beer product, and to distinguish that beer product from another beer product.

(b) "Brand extension" is any brand that (1) incorporates all or a substantial part of the unique features of a preexisting brand of the same brewer or importer, and (2) which relies to a significant extent on the goodwill associated with that preexisting brand.

Subd. 2. [BRAND EXTENSION TO BE ASSIGNED.] A brewer or importer who assigns a brand extension to a wholesaler must assign the brand extension to the wholesaler to whom the brewer or importer granted the exclusive sales territory to the brand from which the brand extension resulted. This requirement does not apply to assignments of brand extensions to wholesalers that were made by a brewer or importer before the effective date of this section.

Subd. 3. [ADDITIONAL BRAND EXTENSION.] In the event that prior to the effective date of this section a brewer or importer had assigned a brand extension to a wholesaler who was not the appointed wholesaler for the brand from which the brand extension was made, then any additional brand extension must be assigned to the wholesaler who first had the brand.

Sec. 3. Minnesota Statutes 1992, section 325B.04, is amended to read:

325B.04 [~~CANCELLATION~~ TERMINATION OF AGREEMENTS.]

Subdivision 1. [TERMINATIONS.] Notwithstanding the terms, provisions or conditions of any agreement, no brewer shall amend, cancel, terminate or refuse to continue to renew any agreement, or cause a wholesaler to resign from an agreement, unless ~~good cause exists for amendment, termination, cancellation, nonrenewal, noncontinuation or causing a resignation. "Good cause" shall not include the sale or purchase of a brewer. "Good cause" shall include, but not be limited to, the following:~~

~~(2) Bankruptcy or insolvency of the wholesaler.~~

~~(3) Assignment for the benefit of creditors or similar disposition of the assets of the wholesaler.~~

(1) has satisfied the notice and opportunity to cure requirements of section 325B.05;

(2) has acted in good faith; and

Subd. 2. [GOOD CAUSE.] For purposes of subdivision 1:

(a) "Good cause" includes, but is not limited to, the following:

(1) revocation of the wholesaler's license under section 340A.304;

(4) a failure by the wholesaler to substantially comply, without reasonable excuse or justification, with any reasonable and material requirement imposed on the wholesaler by the brewer, where the failure was discovered by the brewer not more than one year before the date on which the brewer gave notice to the wholesaler under section 325B.05.

(b) "Good cause" does not include the sale or purchase of a brewer.

Sec. 4. Minnesota Statutes 1992, section 325B.05, is amended to read:

325B.05 [NOTICE OF INTENT TO TERMINATE.]

~~Except as provided in this section, a brewer shall provide a wholesaler at least 90 days prior written notice of any intent to amend, terminate, cancel or not renew any agreement. Subd. 6. [OPERATION AREA AS TAXING DISTRICT, SPECIAL TAX.] All of the territory included within the area of operation of any authority shall constitute a taxing district for the purpose of levying and collecting special benefit taxes as provided in this subdivision. All of the taxable property, both real and personal, within that taxing district shall be deemed to be benefited by projects to the extent of the special taxes levied under this subdivision. Subject to the consent by resolution of the governing body of the city in and for which it was created, an authority may levy ~~each year~~ a tax upon all taxable property within that taxing district. ~~The authority shall certify the tax to the auditor of the county in which the taxing district is located on or before five working days after December 20 in each year.~~ The tax shall be extended, spread, and included with and as a part of the general taxes for state, county, and municipal purposes by the county auditor, to be collected and enforced therewith, together with the penalty, interest, and costs. As the tax, including any penalties, interest, and costs, is collected by the county treasurer it shall be accumulated and kept in a separate fund to be known as the "housing and redevelopment project fund." The money in the fund shall be turned over to the authority at the same time and in the same manner that the tax collections for the city are turned over to the city, and shall be expended only for the purposes of sections 469.001 to 469.047. It shall be paid out upon vouchers signed by the chair of the authority or an authorized representative. The amount of the levy shall be an amount approved by the governing body of the city, but shall not exceed 0.0131 percent of taxable market value. The authority may levy an additional levy, not to exceed 0.0013 percent of taxable market value, to be used to defray costs of providing informational service and relocation assistance as set forth in section 469.012, subdivision 1. The authority shall each year formulate and file a budget in accordance with the budget procedure of the city in the same manner as required of executive departments of the city or, if no budgets are required to be filed, by August 1. The amount of the tax levy for the following year shall be based on that budget ~~and shall be approved by the governing body~~.

For purposes of calculation of a debt service levy, determination of a rate of interest on a special assessment or other calculation based on the rate of interest on an obligation, a municipality which has entered into an interest rate swap agreement described in this subdivision may determine to treat the amount or rate of interest on the obligation as the net rate or amount of interest payable after giving effect to the swap agreement. Subject to any applicable ~~bonds~~ bond covenants, ~~any payments required to be made by the municipality under the swap agreement may be made from sums secured~~ the municipality may pledge to the payment of amounts due or to become due under the swap agreement, including termination payments, sources of payment pledged or available to pay debt service on the obligations with respect to which the swap agreement was made or from any other available source of the municipality. HOUSE RESOLUTION NO. 14

A house resolution congratulating Al Brodie on his retirement and thanking him for his many years of meritorious service.

Whereas, the Minnesota Tourism industry has grown and prospered, and it has enriched the lives of Minnesota's residents during the last three decades; and

Whereas, during Al Brodie's tenure, the Minnesota Tourism industry has been well served and represented with distinction at the State Capitol for nearly 30 years; and

Whereas, hundreds of Minnesota's Representatives and Senators and their staff have been honorably lobbied and positively impacted; and

Whereas, upon Al's retirement, tobacco futures will plummet and the world cigar industry will suffer an immediate loss of sales; and

Whereas, Minnesota's natural aquatic life will notice no change in population; *Now, Therefore,*

Be It Resolved by the House of Representatives of the State of Minnesota that it bids a fond farewell to Al Brodie on his retirement, thanks him for his many years of meritorious service, and wishes him the best in years to come.

Be It Further Resolved that the Chief Clerk of the House of Representatives is directed to prepare a copy of this resolution, to be authenticated by his signature and that of the Speaker, and transmit it to Al Brodie.

The commissioner shall use the mailing address in place of the residence address in all documents and notices pertaining to the motor vehicle. The records of juvenile probation officers and county home schools are records of the court for the purposes of this subdivision. Court services data relating to delinquent acts that are contained in records of the juvenile court may be released as allowed under section 13.84, subdivision 5a. This subdivision applies to all proceedings under this chapter, including appeals from orders of the juvenile court, except that this subdivision does not apply to proceedings under section 260.255, 260.261, or 260.315 when the proceeding involves an adult defendant. The court shall maintain

the confidentiality of adoption files and records in accordance with the provisions of laws relating to adoptions. In juvenile court proceedings any report or social history furnished to the court shall be open to inspection by the attorneys of record and the guardian ad litem a reasonable time before it is used in connection with any proceeding before the court.

When a judge of a juvenile court, or duly authorized agent of the court, determines under a proceeding under this chapter that a child has violated a state or local law, ordinance, or regulation pertaining to the operation of a motor vehicle on streets and highways, except parking violations, the judge or agent shall immediately report the violation to the commissioner of public safety. The report must be made on a form provided by the department of public safety and must contain the information required under section 169.95.

Sec. 33. Minnesota Statutes 1993 Supplement, section 260.161, subdivision 3, is amended to read:

Subd. 3. [PEACE OFFICER RECORDS OF CHILDREN.] (a) Except for records relating to an offense where proceedings are public under section 260.155, subdivision 1, peace officers' records of children who are or may be delinquent or who may be engaged in criminal acts shall be kept separate from records of persons 18 years of age or older and are private data but shall be disseminated: (1) by order of the juvenile court, (2) as required by section 126.036, (3) as authorized under section 13.82, subdivision 2, (4) to the child or the child's parent or guardian unless disclosure of a record would interfere with an ongoing investigation, or (5) as otherwise provided in ~~paragraph (d)~~ this subdivision. Except as provided in paragraph (c), no photographs of a child taken into custody may be taken without the consent of the juvenile court unless the child is alleged to have violated section 169.121 or 169.129. Peace officers' records containing data about children who are victims of crimes or witnesses to crimes must be administered consistent with section 13.82, subdivisions 2, 3, 4, and 10. Any person violating any of the provisions of this subdivision shall be guilty of a misdemeanor.

In the case of computerized records maintained about juveniles by peace officers, the requirement of this subdivision that records about juveniles must be kept separate from adult records does not mean that a law enforcement agency must keep its records concerning juveniles on a separate computer system. Law enforcement agencies may keep juvenile records on the same computer as adult records and may use a common index to access both juvenile and adult records so long as the agency has in place procedures that keep juvenile records in a separate place in computer storage and that comply with the special data retention and other requirements associated with protecting data on juveniles.

(b) Nothing in this subdivision prohibits the exchange of information by law enforcement agencies if the exchanged information is pertinent and necessary to the requesting agency in initiating, furthering, or completing a criminal investigation.

(c) A photograph may be taken of a child taken into custody pursuant to section 260.165, subdivision 1, clause (b), provided that the photograph must be destroyed when the child reaches the age of 19 years. The commissioner of corrections may photograph juveniles whose legal custody is transferred to the commissioner. Photographs of juveniles authorized by this paragraph may be used only for institution management purposes, case supervision by parole agents, and to assist law enforcement agencies to apprehend juvenile offenders. The commissioner shall maintain photographs of juveniles in the same manner as juvenile court records and names under this section.

(d) Traffic investigation reports are open to inspection by a person who has sustained physical harm or economic loss as a result of the traffic accident. Identifying information on juveniles who are parties to traffic accidents may be disclosed as authorized under section 13.82, subdivision 4, and accident reports required under section 169.09 may be released under section 169.09, subdivision 13, unless the information would identify a juvenile who was taken into custody or who is suspected of committing an offense that would be a crime if committed by an adult, or would associate a juvenile with the offense, and the offense is not a minor traffic offense under section 260.193.

(e) A law enforcement agency shall notify the principal or chief administrative officer of a juvenile's school of an incident occurring within the agency's jurisdiction if:

(1) the agency has probable cause to believe that the juvenile has committed an offense that would be a crime if committed as an adult, that the victim of the offense is a student or staff member of the school, and that notice to the school is reasonably necessary for the protection of the victim; or

(2) the agency has probable cause to believe that the juvenile has committed an offense described in subdivision 1b, paragraph (a), clauses (1) to (3), that would be a crime if committed by an adult.

A law enforcement agency is not required to notify the school under this paragraph if the agency determines that notice would jeopardize an ongoing investigation. Notwithstanding section 138.17, data from a notice received from a law enforcement agency under this paragraph must be destroyed when the juvenile graduates from the school or at the end of the academic year when the juvenile reaches age 23, whichever date is earlier. For purposes of this paragraph, "school" means a public or private elementary, middle, or secondary school.

(f) In any county in which the county attorney operates or authorizes the operation of a juvenile prepetition or pretrial diversion program, a law enforcement agency or county attorney's office may provide the juvenile diversion program with data concerning a juvenile who is a participant in or is being considered for participation in the program.

(g) Upon request of a local social service agency, peace officer records of children who are or may be delinquent or who may be engaged in criminal acts may be disseminated to the agency to promote the best interests of the subject of the data.

Sec. 34. Minnesota Statutes 1992, section 260.161, is amended by adding a subdivision to read:

(b) [SPECIAL MEETINGS.] For a special meeting, except an emergency meeting or a special meeting for which a notice requirement is otherwise expressly established by statute, the public body shall post written notice of the date, time, place, and purpose of the meeting on the principal bulletin board of the public body, or if the public body has no principal bulletin board, on the door of its usual meeting room. The notice shall also be mailed or otherwise delivered to each person who has filed a written request for notice of special meetings with the public body. This notice shall be posted and mailed or delivered at least three days before the date of the meeting. As an alternative to mailing or otherwise delivering notice to persons who have filed a written request for notice of special meetings, the public body may publish the notice once, at least three days before the meeting, in the official newspaper of the public body or, if there is none, in a qualified newspaper of general circulation within the area of the public body's authority. A person filing a request for notice of special meetings may limit the request to notification of meetings concerning particular subjects, in which case the public body is required to send notice to that person only concerning special meetings involving those subjects. A public body may establish an expiration date for requests for notices of special meetings pursuant to this paragraph and require refiling of the request once each year. Not more than 60 days before the expiration date of a request for notice, the public body shall send notice of the refiling requirement to each person who filed during the preceding year.

(c) [EMERGENCY MEETINGS.] For an emergency meeting, the public body shall make good faith efforts to provide notice of the meeting to each news medium that has filed a written request for notice if the request includes the news medium's telephone number. Notice of the emergency meeting shall be given by telephone or by any other method used to notify the members of the public body. Notice shall be provided to each news medium which has filed a written request for notice as soon as reasonably practicable after notice has been given to the members. Notice shall include the subject of the meeting. Posted or published notice of an emergency meeting shall not be required. An "emergency" meeting is a special meeting called because of circumstances that, in the judgment of the public body, require immediate consideration by the public body. If matters not directly related to the emergency are discussed or acted upon at an emergency meeting, the minutes of the meeting shall include a specific description of the matters. The notice requirement of this paragraph supersedes any other statutory notice requirement for a special meeting that is an emergency meeting.

(d) [RECESSED OR CONTINUED MEETINGS.] If a meeting is a recessed or continued session of a previous meeting, and the time and place of the meeting was established during the previous meeting and recorded in the minutes of that meeting, then no further published or mailed notice is necessary. For purposes of this clause, the term "meeting" includes a public hearing conducted pursuant to chapter 429 or any other law or charter provision requiring a public hearing by a public body.

(e) [CLOSED MEETINGS.] The notice requirements of this subdivision apply to closed meetings.

(f) [STATE AGENCIES.] For a meeting of an agency, board, commission, or department of the state, (i) the notice requirements of this subdivision apply only if a statute governing meetings of the agency, board, or commission does not contain specific reference to the method of providing notice, and (ii) all provisions of this subdivision relating to publication shall be satisfied by publication in the State Register.

(g) [ACTUAL NOTICE.] If a person receives actual notice of a meeting of a public body at least 24 hours before the meeting, all notice requirements of this subdivision are satisfied with respect to that person, regardless of the method of receipt of notice.

~~(h) [LIABILITY.] No fine or other penalty may be imposed on a member of a public body for a violation of this subdivision unless it is established that the violation was willful and deliberate by the member.~~

Subd. 1d. [TREATMENT OF DATA CLASSIFIED AS NOT PUBLIC.] (a) Except as provided in this section, meetings may not be closed to discuss data that are not public data. Data that are not public data may be discussed at a meeting subject to this section without liability or penalty, if the disclosure relates to a matter within the scope of the public body's authority, and is reasonably necessary to conduct the business or agenda item before the public body~~, and is without malice. During an open meeting, a public body shall make reasonable efforts to protect from disclosure data that are not public data, including where practical acting by means of reference to a letter, number, or other designation that does not reveal the identity of the data subject~~. Data discussed at an open meeting retain the data's original classification; however, a record of the meeting, regardless of form, shall be public.

(b) Any portion of a meeting must be closed if expressly required by other law or if the following types of data are discussed:

(1) data that would identify alleged victims or reporters of criminal sexual conduct, domestic abuse, or maltreatment of minors or vulnerable adults;

(2) active investigative data as defined in section 13.82, subdivision 5, or internal affairs data relating to allegations of law enforcement personnel misconduct collected or created by a state agency, statewide system, or political subdivision; or

(3) educational data, health data, medical data, welfare data, or mental health data that are not public data under section 13.32, 13.38, 13.42, or 13.46, subdivision 2 or 7.

(c) A public body shall close ~~a meeting~~ one or more meetings for preliminary consideration of allegations or charges against an individual subject to its authority. If the members conclude that discipline of any nature may be warranted as a result of those specific charges or allegations, further meetings or hearings relating to those specific charges or allegations held after that conclusion is reached must be open. A meeting must also be open at the request of the individual who is the subject of the meeting.

(d) A public body may close a meeting to evaluate the performance of an individual who is subject to its authority. The public body shall identify the individual to be evaluated prior to closing a meeting. At its next open meeting, the public body shall summarize its conclusions regarding the evaluation. A meeting must be open at the request of the individual who is the subject of the meeting.

(e) Meetings may be closed if the closure is expressly authorized by statute or permitted by the attorney-client privilege.

Subd. 1e. [REASONS FOR CLOSING A MEETING.] Before closing a meeting, a public body shall state on the record the specific grounds permitting the meeting to be closed and describe the subject to be discussed.

Subd. 2. [~~VIOLATION; PENALTY~~ PENALTIES.] (a) Any person who intentionally violates ~~subdivision 1~~ this section shall be subject to personal liability in the form of a civil penalty in an amount not to exceed ~~$100~~ $300 for a single occurrence, which may not be paid by the public body. An action to enforce this penalty may be brought by any person in any court of competent jurisdiction where the administrative office of the governing body is located. ~~Upon a third violation by the same person connected with~~ If a person has been found to have intentionally violated this section in three or more actions brought under this section involving the same governing body, such person shall forfeit any further right to serve on such governing body or in any other capacity with such public body for a period of time equal to the term of office such person was then serving. The court determining the merits of any action in connection with any alleged third violation shall receive competent, relevant evidence in connection therewith and,

upon finding as to the occurrence of a separate third violation, unrelated to the previous violations issue its order declaring the position vacant and notify the appointing authority or clerk of the governing body. As soon as practicable thereafter the appointing authority or the governing body shall fill the position as in the case of any other vacancy.

(b) In addition to other remedies, the court may award reasonable costs, disbursements, and reasonable attorney fees of up to $13,000 to any party in an action under this section. The court may award costs and attorney fees to a defendant only if the court finds that the action under this section was frivolous and without merit. A public body may pay any costs, disbursements, or attorney fees incurred by or awarded against any of its members in an action under this section.

(c) No monetary penalties or attorney fees may be awarded against a member of a public body unless the court finds that there was a specific intent to violate this section.

Subd. 3. [~~POPULAR NAME~~ CITATION.] This section may be cited as the "Minnesota open meeting law".

Sec. 40. Minnesota Statutes 1993 Supplement, section 595.02, subdivision 1, is amended to read:

Subdivision 1. [COMPETENCY OF WITNESSES.] Every person of sufficient understanding, including a party, may testify in any action or proceeding, civil or criminal, in court or before any person who has authority to receive evidence, except as provided in this subdivision:

(a) A husband cannot be examined for or against his wife without her consent, nor a wife for or against her husband without his consent, nor can either, during the marriage or afterwards, without the consent of the other, be examined as to any communication made by one to the other during the marriage. This exception does not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other or against a child of either or against a child under the care of either spouse, nor to a criminal action or proceeding in which one is charged with homicide or an attempt to commit homicide and the date of the marriage of the defendant is subsequent to the date of the offense, nor to an action or proceeding for nonsupport, neglect, dependency, or termination of parental rights.

(b) An attorney cannot, without the consent of the attorney's client, be examined as to any communication made by the client to the attorney or the attorney's advice given thereon in the course of professional duty; nor can any employee of the attorney be examined as to the communication or advice, without the client's consent.

(c) A member of the clergy or other minister of any religion shall not, without the consent of the party making the confession, be allowed to disclose a confession made to the member of the clergy or other minister in a professional character, in the course of discipline enjoined by the rules or practice of the religious body to which the member of the clergy or other minister belongs; nor shall a member of the clergy or other minister of any religion be examined as to any communication made to the member of the clergy or other minister by any person seeking religious or spiritual advice, aid, or comfort or advice given thereon in the course of the member of the clergy's or other minister's professional character, without the consent of the person.

(d) A licensed physician or surgeon, dentist, or chiropractor shall not, without the consent of the patient, be allowed to disclose any information or any opinion based thereon which the professional acquired in attending the patient in a professional capacity, and which was necessary to enable the professional to act in that capacity; after the decease of the patient, in an action to recover insurance benefits, where the insurance has been in existence two years or more, the beneficiaries shall be deemed to be the personal representatives of the deceased person for the purpose of waiving this privilege, and no oral or written waiver of the privilege shall have any binding force or effect except when made upon the trial or examination where the evidence is offered or received.

(e) A public officer shall not be allowed to disclose communications made to the officer in official confidence when the public interest would suffer by the disclosure.

(f) Persons of unsound mind and persons intoxicated at the time of their production for examination are not competent witnesses if they lack capacity to remember or to relate truthfully facts respecting which they are examined.

(g) A registered nurse, psychologist ~~or~~, consulting psychologist, or licensed social worker engaged in a psychological or social assessment or treatment of an individual at the individual's request shall not, without the consent of the professional's client, be allowed to disclose any information or opinion based thereon which the

professional has acquired in attending the client in a professional capacity, and which was necessary to enable the professional to act in that capacity. Nothing in this clause exempts licensed social workers from compliance with the provisions of sections 626.556 and 626.557.

(h) An interpreter for a person handicapped in communication shall not, without the consent of the person, be allowed to disclose any communication if the communication would, if the interpreter were not present, be privileged. For purposes of this section, a "person handicapped in communication" means a person who, because of a hearing, speech or other communication disorder, or because of the inability to speak or comprehend the English language, is unable to understand the proceedings in which the person is required to participate. The presence of an interpreter as an aid to communication does not destroy an otherwise existing privilege.

(i) Licensed chemical dependency counselors shall not disclose information or an opinion based on the information which they acquire from persons consulting them in their professional capacities, and which was necessary to enable them to act in that capacity, except that they may do so:

(1) when informed consent has been obtained in writing, except in those circumstances in which not to do so would violate the law or would result in clear and imminent danger to the client or others;

(2) when the communications reveal the contemplation or ongoing commission of a crime; or

(3) when the consulting person waives the privilege by bringing suit or filing charges against the licensed professional whom that person consulted.

(j) A parent or the parent's minor child may not be examined as to any communication made in confidence by the minor to the minor's parent. A communication is confidential if made out of the presence of persons not members of the child's immediate family living in the same household. This exception may be waived by express consent to disclosure by a parent entitled to claim the privilege or by the child who made the communication or by failure of the child or parent to object when the contents of a communication are demanded. This exception does not apply to a civil action or proceeding by one spouse against the other or by a parent or child against the other, nor to a proceeding to commit either the child or parent to whom the communication was made or to place the person or property or either under the control of another because of an alleged mental or physical condition, nor to a criminal action or proceeding in which the parent is charged with a crime committed against the person or property of the communicating child, the parent's spouse, or a child of either the parent or the parent's spouse, or in which a child is charged with a crime or act of delinquency committed against the person or property of a parent or a child of a parent, nor to an action or proceeding for termination of parental rights, nor any other action or proceeding on a petition alleging child abuse, child neglect, abandonment or nonsupport by a parent.

(k) Sexual assault counselors may not be compelled to testify about any opinion or information received from or about the victim without the consent of the victim. However, a counselor may be compelled to identify or disclose information in investigations or proceedings related to neglect or termination of parental rights if the court determines good cause exists. In determining whether to compel disclosure, the court shall weigh the public interest and need for disclosure against the effect on the victim, the treatment relationship, and the treatment services if disclosure occurs. Nothing in this clause exempts sexual assault counselors from compliance with the provisions of sections 626.556 and 626.557.

"Sexual assault counselor" for the purpose of this section means a person who has undergone at least 40 hours of crisis counseling training and works under the direction of a supervisor in a crisis center, whose primary purpose is to render advice, counseling, or assistance to victims of sexual assault.

(l) A person cannot be examined as to any communication or document, including worknotes, made or used in the course of or because of mediation pursuant to an agreement to mediate. This does not apply to the parties in the dispute in an application to a court by a party to have a mediated settlement agreement set aside or reformed. A communication or document otherwise not privileged does not become privileged because of this paragraph. This paragraph is not intended to limit the privilege accorded to communication during mediation by the common law.

(m) A child under ten years of age is a competent witness unless the court finds that the child lacks the capacity to remember or to relate truthfully facts respecting which the child is examined. A child describing any act or event may use language appropriate for a child of that age.

(n) A communication assistant for a telecommunications relay system for communication-impaired persons shall not, without the consent of the person making the communication, be allowed to disclose communications made to the communication assistant for the purpose of relaying.

Sec. 41. Minnesota Statutes 1993 Supplement, section 624.7131, subdivision 1, is amended to read:

In the disclosure statement the seller must indicate whether the individual sewage treatment system is in use and, to the seller's knowledge, in compliance with applicable sewage treatment laws and rules. Unless the buyer and seller agree to the contrary in writing before the closing of the sale, a seller who fails to disclose the existence or known status of an individual sewage treatment system at the time of sale, and who knew or had reason to know of the existence or known status of the system, is liable to the buyer for costs relating to bringing the system into compliance with the individual sewage treatment system rules and for reasonable attorney fees for collection of costs from the seller. (e) The commissioner of agriculture and the commissioner of the pollution control agency shall consult with the advisory committee during the development of any policies, rules, or funding proposals or recommendations relating to feedlots or feedlot-related manure management.

(f) The commissioner of agriculture shall consult with the advisory committee on establishing a list of manure management research needs and priorities.

(g) The advisory committee shall advise the commissioners on other appropriate matters.

(h) Nongovernment members of the advisory committee shall receive expenses, in accordance with section 15.059, subdivision 6. The advisory committee expires on June 30, 1997.

The commissioner shall develop memorandums of agreement among all state and federal agencies that have authority to inspect property in agricultural use, as defined in section 17.81, subdivision 4, to ensure that reasonable and effective protocols are followed when inspecting sites in agricultural use. The memorandum shall specify procedures that address, but are not limited to, the following:

(1) when appropriate, advance notice to the agricultural use landowner or operator;

(2) procedures for notification of the inspection results or conclusions to the owner or operator; and

(3) special procedures as might be necessary, such as to prevent the introduction of diseases.

Sec. 4. Minnesota Statutes 1992, section 18B.07, subdivision 3, as amended by Laws 1994, chapter 482, section 1, is amended to read:

(b) Sites being treated with pesticides through irrigation systems must be posted throughout the period of pesticide treatment. The posting must be done in accordance with labeling and rules adopted under this chapter.

Sec. 5. Minnesota Statutes 1992, section 41B.02, is amended by adding a subdivision to read:

Subd. 10a. [LIVESTOCK EXPANSION.] "Livestock expansion" means improvements to a livestock operation, including the purchase and construction or installation of improvements to land, buildings, and other permanent structures, including equipment incorporated in or permanently affixed to the land, buildings, or structures, which are useful for and intended to be used for the purpose of raising livestock.

Sec. 6. Minnesota Statutes 1993 Supplement, section 41B.03, subdivision 3, is amended to read:

Subd. 3. [ELIGIBILITY FOR BEGINNING FARMER LOANS.] (a) In addition to the requirements under subdivision 1, a prospective borrower for a beginning farm loan in which the authority holds an interest, must:

(1) have sufficient education, training, or experience in the type of farming for which the loan is desired;

(2) have a total net worth, including assets and liabilities of the borrower's spouse and dependents, of less than $200,000 in 1991 and an amount in subsequent years which is adjusted for inflation by multiplying $200,000 by the cumulative inflation rate as determined by the United States All-Items Consumer Price Index;

(3) demonstrate a need for the loan;

(4) demonstrate an ability to repay the loan;

(5) certify that the agricultural land to be purchased will be used by the borrower for agricultural purposes;

(6) certify that farming will be the principal occupation of the borrower;

(7) agree to participate in a farm management program approved by the commissioner of agriculture for at least the first five years of the loan, if an approved program is available within 45 miles from the borrower's residence. The commissioner may waive this requirement for any of the programs administered by the authority if the participant requests a waiver and has either a four-year degree in an agricultural program or certification as an adult farm management instructor; and

(8) agree to file an approved soil and water conservation plan with the soil conservation service office in the county where the land is located.

(b) If a borrower fails to participate under paragraph (a), clause (7), the borrower is subject to penalty as determined by the authority.

Sec. 7. [41B.045] [LIVESTOCK EXPANSION LOAN PROGRAM.]

Subdivision 1. [ESTABLISHMENT.] The authority may establish, adopt rules for, and implement a loan program to finance livestock expansions in the state.

Subd. 2. [LOAN PARTICIPATION.] The authority may participate in a livestock expansion loan with an eligible lender to a livestock farmer who meets the requirements of section 41B.03, subdivision 1, clauses (1) and (2), and who are actively engaged in a livestock operation. Participation is limited to 45 percent of the principal amount of the loan or $100,000, whichever is less. The interest rates and repayment terms of the authority's participation interest may be different from the interest rates and repayment terms of the lender's retained portion of the loan.

Subd. 3. [SPECIFICATIONS.] No loan may be made to refinance an existing debt. Each loan participation must be secured by a mortgage on real property and such other security as the authority may require.

Subd. 4. [APPLICATION AND ORIGINATION FEE.] The authority may impose a reasonable nonrefundable application fee for each application for a loan participation and an origination fee for each loan issued under the livestock expansion loan program. The origination fee initially shall be set at 1.5 percent and the application fee at $50. The authority may review the fees annually and make adjustments as necessary. The fees must be deposited in the state treasury and credited to an account in the special revenue fund. Money in this account is appropriated to the commissioner for administrative expenses of the livestock expansion loan program.

Subd. 5. [INTEREST RATE.] The interest rate per annum on the livestock expansion loan participation must be at the rate of interest determined by the authority to be necessary to provide for the timely payment of principal and interest when due on bonds or other obligations of the authority issued under this chapter, to provide financing for loan participations made under the livestock expansion loan program, and to provide for reasonable and necessary costs of issuing, carrying, administering, and securing the bonds or notes and to pay the costs incurred and to be incurred by the authority in the implementation of the livestock expansion loan program.

Sec. 8. Minnesota Statutes 1992, section 116.07, subdivision 7, is amended to read:

Subd. 7. [COUNTIES; PROCESSING OF APPLICATIONS FOR ANIMAL LOT PERMITS.] Any Minnesota county board may, by resolution, with approval of the pollution control agency, assume responsibility for processing applications for permits required by the pollution control agency under this section for livestock feedlots, poultry lots or other animal lots. The responsibility for permit application processing, if assumed by a county, may be delegated by the county board to any appropriate county officer or employee.

(a) For the purposes of this subdivision, the term "processing" includes:

~~(a)~~ (1) the distribution to applicants of forms provided by the pollution control agency;

~~(b)~~ (2) the receipt and examination of completed application forms, and the certification, in writing, to the pollution control agency either that the animal lot facility for which a permit is sought by an applicant will comply with applicable rules and standards, or, if the facility will not comply, the respects in which a variance would be required for the issuance of a permit; and

~~(c)~~ (3) rendering to applicants, upon request, assistance necessary for the proper completion of an application.

(b) For the purposes of this subdivision, the term "processing" may include, at the option of the county board:

~~(d),~~ issuing, denying, modifying, imposing conditions upon, or revoking permits pursuant to the provisions of this section or rules promulgated pursuant to it, subject to review, suspension, and reversal by the pollution control agency. The pollution control agency shall, after written notification, have 15 days to review, suspend, modify, or reverse the issuance of the permit. After this period, the action of the county board is final, subject to appeal as provided in chapter 14.

(c) For the purpose of administration of rules adopted under this subdivision, the commissioner and the agency may provide exceptions for cases where the owner of a feedlot has specific written plans to close the feedlot within five years. These exceptions include waiving requirements for major capital improvements.

(d) For purposes of this subdivision, a discharge caused by an extraordinary natural event such as a precipitation event of greater magnitude than the 25-year, 24-hour event, tornado, or flood in excess of the 100-year flood is not a "direct discharge of pollutants."

(e) In adopting and enforcing rules under this subdivision, the commissioner shall cooperate closely with other governmental agencies.

(f) The pollution control agency shall work with the Minnesota extension service, the department of agriculture, the board of water and soil resources, producer groups, local units of government, as well as with appropriate federal agencies such as the Soil Conservation Service and the Agricultural Stabilization and Conservation Service, to notify and educate producers of rules under this subdivision at the time the rules are being developed and adopted and at least every two years thereafter.

(g) The pollution control agency shall adopt rules governing the issuance and denial of permits for livestock feedlots, poultry lots or other animal lots pursuant to this section. These rules apply both to permits issued by counties and to permits issued by the pollution control agency directly.

(h) The pollution control agency shall exercise supervising authority with respect to the processing of animal lot permit applications by a county.

Sec. 9. Minnesota Statutes 1992, section 561.19, subdivision 1, is amended to read:

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:

(a) "Agricultural operation" means a facility and its appurtenances for the production of crops, livestock, poultry, dairy products or poultry products, but not a facility primarily engaged in processing agricultural products.

(b) "Established date of operation" means the date on which the agricultural operation commenced. If the agricultural operation is subsequently expanded or significantly altered, the established date of operation for each expansion or alteration is deemed to be the date of commencement of the expanded or altered operation. As used in this paragraph, "expanded or significantly altered" means:

(1) an expansion by at least 25 percent in the amount of a particular crop grown or the number of a particular kind of animal or livestock located on an agricultural operation; or

(2) a distinct change in the kind of agricultural operation, as in changing from one kind of crop, livestock, animal, or product to another, but not merely a change from one generally accepted agricultural practice to another in producing the same crop or product.

~~(c) "Family farm" means an unincorporated farm unit owned by one or more persons or spouses of persons related to each other within the third degree of kindred according to the rules of the civil law at least one of whom is residing or actively engaged in farming on the farm unit, or a "family farm corporation," as that term is defined in section 500.24, subdivision 2.~~

Sec. 10. Minnesota Statutes 1992, section 561.19, subdivision 2, is amended to read:

Subd. 2. [AGRICULTURAL OPERATION NOT A NUISANCE.] An agricultural operation ~~which is a part of a family farm~~ is not and shall not become a private or public nuisance after ~~six~~ two years from its established date of operation if the operation was not a nuisance at its established date of operation.

The provisions of this subdivision do not apply:

~~(a)~~ (1) to a condition or injury which results from the negligent or improper operation of an agricultural operation or from operations contrary to commonly accepted agricultural practices or to applicable state or local laws, ordinances, rules, or permits;

~~(b)~~ (2) when an agricultural operation causes injury or direct threat of injury to the health or safety of any person;

~~(c)~~ (3) to the pollution of, or change in the condition of, the waters of the state or the overflow of waters on the lands of any person;

~~(d)~~ (4) to an animal feedlot facility with a swine capacity of 1,000 or more animal units as defined in the rules of the pollution control agency for control of pollution from animal feedlots, or a cattle capacity of 2,500 animals or more; or

~~(e)~~ (5) to any prosecution for the crime of public nuisance as provided in section 609.74 or to an action by a public authority to abate a particular condition which is a public nuisance.

Sec. 11. [1994 and 1995 DEMONSTRATION PROGRAM; RESTRICTIONS.]

(a) During the years 1994 and 1995, loan participations under Minnesota Statutes, section 41B.045, must comply with the restrictions in this section.

(b) To the extent that herd health will not be jeopardized, farms receiving assistance from the authority must be available for tours within the first two years after completion of the expansion.

(c) All livestock expansion loans must be for expansions that include some of the most up-to-date, efficient systems available. Projects must be approved by a University of Minnesota extension livestock specialist prior to approval by the authority.

Sec. 12. [EFFECTIVE DATE.]

Section 4 is effective the day following final enactment."
