BE IT FURTHER RESOLVED that the Rules as herein made reference to be amended as follows:

PARLIAMENTARY REFERENCE

1. The rules of parliamentary practice comprised in Mason's Manual of legislative procedure shall govern the Senate in all cases in which they are applicable, and in which they are not inconsistent with these rules and orders of the Senate and the joint rules and orders of the Senate and House of Representatives.

DECORUM DURING BUSINESS

6. When the President puts a question, or addresses the Senate, no one shall walk out of, or cross the Chamber; nor when a member is speaking shall anyone pass between the member speaking and

the Chair. No member, or other person, shall proceed to or remain by the Secretary's desk while the ayes and nays are being called or counted. *No member shall be recognized by the President to speak on any point unless he is using his microphone.*

ORDER OF BUSINESS

7. The order of business shall be as follows:

1. Petitions, letters, remonstrances.
2. Executive and official communications.
3. Introduction and first reading of Senate bills.
4. Messages from the House of Representatives.
5. First reading of House bills.

SPECIAL ORDER

10. *On two days' notice, two-thirds of the Senate may designate a special order for a bill.*

With respect to any bill on General Orders or on the Calendar, the Committee on Rules and Administration, by committee report, may designate a special order for the bill.

After a time specified by a resolution offered by the Committee on Rules and Administration, the Chairmen of the Committees on Finance and Taxes and Tax Laws, as authorized by their respective committees, may designate a special order for any bill favorably reported by their respective committees.

A special order shall provide that the bill be considered immediately, at a time certain, or after specific other business is completed.

During consideration of a special order, Rule 21 shall be suspended. As nearly as applicable, debate on the bill and all proceedings including amendments and substitutions shall be that of the Committee of the Whole.

On any question any member may call for the ayes and nays which shall be entered in the Journal.

Unless it is otherwise disposed of after consideration, a bill on Special Orders of the Senate shall immediately proceed to its third reading and final passage.

ORDER IN DEBATE

18. When any member is about to speak in debate, or deliver any matter to the Senate, he shall rise to his feet and respectfully address himself to "Mr. President," but shall not proceed to speak further until recognized by the Chair. He shall confine himself to the question under debate, and avoid personality. In discussing any resolution, Senators shall be limited to *ten* minutes each.

THE PREVIOUS QUESTION

29. *Unless the motion for the previous question is made specifically applicable to a subsidiary motion, the previous question shall be in this form: "Shall the main question be now put?" It shall only be admitted when demanded by a majority of the members present, and its effect shall be to put an end to all debate, and bring the Senate to a direct vote upon amendments reported by a committee, if any, then upon all pending amendments in their order and then upon the main question. On a motion for the previous question one call of the Senate shall be in order prior to the time the President submits the decision of the question to the Senate.*

On a previous question there shall be no debate. All incidental questions of order, arising after a motion is made for the previous question, and pending such motion, shall be decided, whether on appeal or otherwise, without debate.

RECONSIDERATION

31. When a motion or question has been once put and carried in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move for reconsideration thereof on the same day on which the vote was taken or within the next two calendar days or if later the first day the Senate meets after the vote was taken and such motion shall take precedence over all other questions except a motion to adjourn. When a motion to adjourn is adopted prior to the disposition of the motion for reconsideration, a motion for reconsideration shall lie over until the next succeeding day except as hereinafter provided. When notice of intention to move such reconsideration of the final action of the Senate on any question shall be given by a member, the Secretary of the Senate shall retain the subject of such notice until after the expiration of the time during which such motion can be made. During the last five legislative days of a session in any year

a notice of intention to move for reconsideration shall not be in order, but a motion to reconsider may be made and have priority over *all* other business except a motion to adjourn. A motion for reconsideration having been once voted on shall not be put again nor reconsidered.

FORM OF BILLS

33. A bill for an amendment of a statute shall contain the full text of the chapter, section, or subdivision to be amended. The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. When the bill is printed, the amending matter shall be inserted in italics. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. A printed bill shall capitalize words and characters to be stricken and enclose them in brackets. The text of the new section or subdivision shall also be underscored when a bill amends an existing chapter, section, or subdivision, by adding a new section or subdivision. When such bill is printed the amending matter, including the new section or subdivision shall appear in italics. Before a committee favorably reports upon such a bill, the chairman of the committee shall see that the bill conforms to this rule. A bill drafted by the Revisor of Statutes for the purpose of correcting errors in Minnesota Statutes need not comply with the provisions of this paragraph if the bill is labeled, immediately below the title 'REVISOR'S BILL' and if there is attached thereto a memorandum of information explaining the reasons for the bill.

Bills shall refer to the session laws as follows: "Laws_____, Chapter_____, Section_____."

Bills shall refer to Minnesota Statutes as follows:

"Minnesota Statutes 1971, Section_____."

Reference shall be made to Minnesota Statutes 1971 for the provisions appearing therein, unless reference to previous session laws is required for some special reason.

If the bill is for an original law and not for an amendment of an existing law the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes 1971. If such bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for his examination. Any such headnotes shall be in capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes 1971, Section 648.36.

If the bill is for an amendment of a statute, all statutory references shall be to Minnesota Statutes 1971, and it shall contain the full text of the section or subdivision to be amended as it appears in Minnesota Statutes 1971.

The title of each bill shall state its subject and briefly state its purpose.

When a law is sought to be amended or repealed the title of the amendatory act shall contain a proper reference to the law to be amended or repealed and briefly express its subject matter.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of laws shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they should not be followed by numbers in parentheses.

RECALL FROM COMMITTEE

40. A majority of the Senate may at any time recall a bill from any committee or take a bill from the table and place such bill on General Orders.

By a report of the Committee on Rules and Administration, adopted by the Senate, the Committee on Rules and Administration may remove any bill from any committee and re-refer the same to any other committee including the Committee of the Whole.

COMMITTEE OF THE WHOLE

43. *The President may call some member to the Chair when the Senate goes into the Committee of the Whole. The rules observed in the Senate shall govern, as far as practicable, the proceedings of the Committee of the Whole, except that a member may speak more than twice on the same subject, a call for the previous question cannot be made, and the ayes and nays shall be taken only upon the demand of five members.*

44. The recommendations of the Committee of the Whole shall be reported to the Senate. If the recommendation contains a proposed amendment of any bill, that amendment shall be noted on a separate piece of paper but when reported need not be read by the President unless required by one or more of the members. The question shall be on the adoption or rejection of the report, and no other question shall be admitted. The question may be divided to permit separate Senate action on the report as to any bill. On adoption of the report of the Committee of the Whole all bills recommended to pass shall be placed upon the calendar.

APPOINTMENT OF COMMITTEES

53. *The majority and minority shall each be represented on all standing committees of the Senate. The majority group shall assign the number of positions the minority group will hold on each committee. The minority group shall be given adequate notice about its positions prior to the commencement of the session. Both the majority and minority groups shall appoint their own members to fill the number of positions each group will hold on each committee. The minority group shall transmit notice of its assignments to the majority group within ten days after receipt of the notice of positions available. If the minority group for any reason fails to make its appointments pursuant to this rule, the majority group may make all the committee assignments.*

The majority and minority committee assignments shall be subject to the uniform criteria governing committee assignments applicable to both the majority and minority, which uniform criteria shall be promulgated by the majority group and transmitted to the minority group together with notification of committee positions available to the minority.

Committee assignments as made by the majority and minority groups shall be followed by the Senate in the resolution establishing representation on all Senate standing committees.

After the organization of the Senate, all committees of the Senate and members of commissions to be appointed by the Senate authorized by rule, statute, resolution or otherwise, shall be appointed by a Committee on Committees, unless otherwise provided, subject to confirmation by the Senate. In the appointment of members of conference committees between the two houses, the Committee on Committees of the Senate shall appoint those who are in accord with the position of the Senate, and whenever practical, give preference to authors of bills in dispute and to members of standing committees in which the bills were considered.

SENATE CONCURRENT RESOLUTION NO. 2

A senate concurrent resolution stating the gratitude of the people of Minnesota for the public services of Harry S. Truman.

WHEREAS, President Truman's programs and policies were the basis for the economic recovery of the world from the desperate ruin of the Second World War; and

WHEREAS, President Truman's policies at home were constantly directed toward the removal of social and economic injustice and well began the eradication of the institutional protection of racial discrimination; and
