16.173 [APPROVED COMPLEMENTS.] Whenever an appropriation to any state department or agency for salaries discloses an approved complement, that department or agency, except for seasonal employees, and part time employees, and service workers is limited in the employment of the number of persons indicated by such approved complement. The employment of seasonal employees, and part time employees, and service workers shall be in addition to the approved complement but subject to the approval of the commissioner of administration who shall determine the need therefor.

Additional employees over the number of the approved complement may be employed on the basis of public necessity or emergency with the written approval of the governor, but the governor shall not approve such additional personnel until he has consulted with the legislative advisory committee created by Laws 1943, Chapter 594, and such committee has made its recommendation upon the matter. Such recommendation shall be advisory only. Failure or refusal of the committee to make a recommendation promptly shall be deemed a negative recommendation. The provisions hereof shall extend to any other agency to which the present authority of the legislative advisory committee may be transferred, but shall be deemed to be repealed in case such authority shall be abolished.

S. F. No. 737: A bill for an act relating to water and related land resources planning; imposing certain duties in relation thereto on the governor, the Minnesota resources commission, the commissioner of natural resources, counties, municipalities, regional development commissions, the metropolitan council, the state planning agency, sanitary districts, watershed districts, lake conservation districts, and soil and water conservation districts; setting the terms for state participation in state-federal river basin commissions; providing for statewide flood control planning; extending shoreland conservation ordinance requirements to incorporated areas; providing for the development of state, regional, and local water and related land resources plans; appropriating money; amending Minnesota Statutes 1971, Sections 104.03; 104.04, Subdivision 3, and by adding subdivisions; 105.485, Subdivisions 2 and 3, and by adding subdivisions; 112.43, Subdivision 1; 112.54; 462.358, Subdivision 1; and 462.391, Subdivision 1.

Reports the same back with the recommendation that the bill be amended as follows:

Strike everything after the enacting clause and insert in lieu thereof:

"Section 1. [4.51] [FEDERAL-STATE RIVER BASIN COMMISSIONS.] *The state shall not participate in any federal-state river basin commission except as provided by law in each instance.*

Sec. 2. [4.52] [CONSULTATION REQUIRED.] *Prior to submitting to the United States water resources council any comments on a federal-state river basin plan, the governor shall consult the Minnesota resources commission for its advice.*

Sec. 3. [4.53] [ENDORSEMENTS.] *The governor shall not endorse any federal flood plain management project or plan that does not conform to local, regional, and state flood plain management plans or is not based on a federal flood plain management plan that includes data on the alternative benefits and costs of accomplishing the goal of the project both through primarily structural methods and through primarily nonstructural methods.*

Sec. 4. [4.54] [WATERWAY DEVELOPMENT.] *Subdivision 1. Neither the governor nor the commissioner of natural resources shall approve or endorse the development of any public waterway with public funds for commercial transportation until after a determination by the commissioner of natural resources that no alternative means of transportation can be provided at less public expense.*

Subd. 2. In determining the relative merits of various means of transportation for purposes of commenting on a waterway development project, the governor and the commissioner of natural resources shall consider, among other things, the amount of adverse impact on the environment caused by each one.

Sec. 5. [4.60] [LIAISON WITH CONGRESSIONAL DELEGATION.] *The governor shall routinely inform Minnesota senators and representatives in congress about state water and related land use policies and shall encourage them to guide federal projects, plans, and policies that relate to Minnesota in accordance with such state policies.*

Sec. 6. Minnesota Statutes 1971, Section 105.485, Subdivision 3, is amended to read:

Subd. 3. [COMMISSIONER'S DUTIES.] *Before July 1, 1970, the commissioner of natural resources shall promulgate, in the manner provided in chapter 15, model standards and criteria for the subdivision, use, and development of shoreland in unincorporated areas, including but not limited to the following: (a) The area of a lot and length of water frontage suitable for a building site; (b) the placement of structures in relation to shorelines and roads; (c) the placement and construction of sanitary and waste disposal facilities; (d) designation of types of land uses; (e) changes in bottom contours of adjacent public waters; (f) preservation of natural shorelands through the restriction of land uses; (g) variances from the minimum standards and criteria; and (h) a model ordinance. The following agencies shall provide such information and advice as may be necessary to the preparation of the rules and regulations, or amendments thereto: The state departments of agriculture, economic development, and health; the state planning agency; the pollution control agency; the state soil and water conservation commission; and the Minnesota historical society. In addition to other requirements of chapter 15, the model standards and ordinance promulgated pursuant to this section, or amendments thereto, shall not be filed with the secretary of state unless approved by the executive officer of the state board of*

health and the director of the pollution control agency. *The commissioner shall assist counties in the development and enforcement of shoreland conservation ordinances within the limits of available appropriations and personnel in cooperation with the office of local and urban affairs and the state planning officer.*

Sec. 7. Minnesota Statutes 1971, Section 105.485, is amended by adding a subdivision to read:

Subd. 3a. County planning and land use controls for land other than shoreland in the vicinity of shoreland shall be, to the maximum extent practical, compatible with planning and land use controls for shoreland adopted pursuant to subdivisions 3 and 4.

Sec. 8. [105.405] [WATER AND RELATED LAND RESOURCES PLANS.] Subdivision 1. [STATE WATER AND RELATED LAND RESOURCES PLAN.] *The commissioner of natural resources, in cooperation with other state agencies, regional development commissions, the metropolitan council, local governmental units, and citizens, shall prepare a statewide framework and assessment water and related land resources plan for presentation to the legislature by November 15, 1974. This plan shall relate each of the programs of the department of natural resources for specific aspects of water management to the others. The statewide plan shall include but not be limited to provisions for the following:*

(a) Regulation of improvements and land development by abutting landowners of the beds, banks, and shores of lakes, streams, watercourses, and marshes by permit or otherwise in order to preserve them for beneficial use;

(b) regulation of construction of improvements on and prevention of encroachments in the flood plains of the rivers, streams, lakes, and marshes of the state;

(c) reclamation or filling of wet and overflowed lands;

(d) repair, improvement, relocation, modification, consolidation, or abandonment in whole or in part of previously established public drainage systems within the state;

(e) preservation of wetland areas;

(f) management of game and fish resources as related to water resources;

(g) control of water weeds;

(h) control or alleviation of damages by flood waters;

(i) alteration of stream channels for conveyance of surface waters, navigation, and any other public purposes;

(j) diversion or changing of watercourses in whole or in part;

(k) regulation of the flow of streams and conservation of the waters thereof;

(l) regulation of lake water levels;

(m) maintenance of water supply for municipal, domestic, industrial, recreational, agricultural, aesthetic, wildlife, fishery, or other public use;

(n) sanitation and public health and regulation of uses of streams, ditches, or watercourses for the purpose of disposing of waste and maintaining water quality;

(o) preventive or remedial measures to control or alleviate land and soil erosion and siltation of watercourses or bodies of water affected thereby;

(p) regulation of uses of water surfaces.

Subd. 2. [REGIONAL WATER AND RELATED LAND RESOURCES PLANS.] Water and related land resources plans, including but not limited to provisions for the subjects listed in subdivision 1, shall be prepared for each development region of the state as designated pursuant to section 462.385 by its regional development commission if one exists, and for the Twin Cities metropolitan area by the metropolitan council. If no water and related land resources plan has been adopted for a development region or for the metropolitan area by November 15, 1975, or if the commissioner of natural resources at any time after November 15, 1975, after notice and hearing as provided in section 105.44, finds that a development region or the metropolitan area has adopted a water and related land resources plan that is inconsistent with the state plan, the commissioner shall develop and adopt a regional water and related land resources plan for that development region or the metropolitan area. The commissioner shall hold at least one public hearing on the proposed plan in the manner provided in section 394.26, after giving notice as provided in section 394.26. This plan is effective for the development region or the metropolitan area on the date and in accordance with such regulations relating to compliance as the commissioner shall prescribe.

Subd. 3. [LOCAL WATER AND RELATED LAND RESOURCES PLANS.] Local water and related land resources plans, including but not limited to provisions for the subjects listed in subdivision 1, shall be adopted by each county and municipality in the state containing or bordering upon public waters. If a county or municipality fails to adopt a local water and related land resources plan by January 1, 1977, or if the commissioner of natural resources at any time after January 1, 1977, after notice and hearing as provided in section 105.44, finds that a county or municipality has adopted a local water and related land resources plan that is inconsistent with the state or applicable regional plan, the commissioner shall develop and adopt the local water and related land resources plan for that county or municipality. The commissioner shall hold at least one public hearing on the proposed plan in the manner provided in section 394.26 or 462.357, as applicable, after giving notice as provided in section 394.26 or 462.357, as applicable. This plan is effective for the county or municipality on the date and in accordance with such regulations relating to compliance as the commissioner shall prescribe. The plan shall be enforced as provided in section 394.37 or 462.362, as applicable. The penalties provided in section 394.37 or 462.362, as applicable, apply to violations of the plan so adopted by the commissioner.

Subd. 4. [IMPLEMENTATION OF PLANS.] The regional development commission, where one exists, or the metropolitan council, shall be the coordinating agency for the implementation of the regional water and related land resources plan and it may designate and request any local unit of government, including but

not limited to counties, cities, villages, soil and water conservation districts, watershed districts, sanitary districts, and lake conservation districts to initiate, implement and carry out any phase, project or improvement provided for in the regional water and related land resources plan. A regional development commission, or the metropolitan council, may engage in public education programs. Where the regional water and related land resources plan for a region or the Twin Cities metropolitan area has been adopted by the commissioner, the commissioner may at his discretion undertake the above described functions of coordination, implementation and public education concerning the plan.

Subd. 5. [COORDINATION OF ACTIONS.] Each regional development commission and the metropolitan council shall develop and coordinate an efficient system whereby the political subdivisions, commissions, departments, agencies, local units of government, and other authorities within its region having the necessary powers may carry out in an efficient and coordinated manner all activities reasonable and necessary to prepare and approve the regional water and related land resources plan and thereafter to foster and promote its implementation by the various federal, state, and local units of government thereby affected.

Subd. 6. [COOPERATION.] Each local and regional governmental unit, its officers and employees, and each regional development commission, its officers and employees, and the metropolitan council and its officers and employees shall cooperate with the commissioner in accomplishing his duties as established by this section.

Subd. 7. [STATE ASSISTANCE.] The commissioner shall assist municipalities and counties in the preparation and adoption of local water and related land resources plans within the limits of available appropriations and personnel.

Subd. 8. [SPECIAL LEVY.] The governing body of any county or municipality may levy a tax in such amount as may be required for the purpose of complying with the provisions of this section. Such tax shall be in addition to any tax or levy limitations otherwise imposed by law or home rule charter or the provisions of Minnesota Statutes, Sections 275.50 to 275.56.

Sec. 9. Minnesota Statutes 1971, Section 112.48, Subdivision 1, is amended to read:

112.48 [APPROVAL OF OVERALL PLAN; FILING OF PETITION; CONTENTS; HEARING; BONDS.] Subdivision 1. After the overall plan of the district has been prescribed, as provided for in section 112.46, a petition may be filed with the managers for any project or improvement within the district conforming in general with said plan. The petition therefor must be signed by: (1) Not less than 25 percent of the resident freeholders, or by the owners of more than 25 percent of the property within the limits of the area proposed to be improved, provided however if the project or improvement petition consists of a drainage proceeding as defined in chapter 106, such petition shall be signed by a majority of the resident owners of the land described in the petition or by the owners of at least 60 percent of the areas of such land. The lands described in the petition shall be those over which the proposed

improvement passes or is located. For the purposes of this subdivision, holders of easements for electric or telephone transmission or distribution lines shall not be deemed freeholders or owners; or (2) a county board of any county affected; or (3) the governing body of any city, village, or borough lying wholly or partly within the area proposed to be improved. Provided, however, if the proposed project affects lands exclusively within a county, city, village, or borough, the petition shall originate from the governing body of such county, city, village, or borough *provided that the requirement of a county petition shall not apply to a watershed project in the metropolitan area*. Such petition shall contain the following:

- (1) A description of the work proposed, and the purpose to be accomplished;
- (2) A description of the lands over which the proposed improvement passes or is located;
- (3) A general description of the part of the district which will be affected, if less than the entire district;
- (4) The need and necessity for the proposed improvement;
- (5) That the proposed improvement will be conducive to public health, convenience, and welfare;
- (6) A statement that the petitioners will pay all costs and expenses which may be incurred in case the proceedings are dismissed or for any reason no contract for the construction thereof is let.

Sec. 10. Minnesota Statutes 1971, Section 112.48, Subdivision 3, is amended to read:

Subd. 3. Where an improvement is to be constructed within the district under an agreement between the managers and the state of Minnesota, or any department or agency thereof, or the United States of America, or any department or agency thereof, wherein the cost of the improvement is to be paid for in whole or in part by the governmental agency but the rights of way, and the expenses of the improvement are assumed by the district or where the managers are undertaking all or a portion of the basic water management project as identified in the overall plan, the following procedure shall be followed. The managers shall hold a public hearing on the proposed improvement following publication once each week for two successive weeks prior to the date of the hearing in a legal newspaper, published in the county or counties in which a part or all of the affected waters and lands are located. The last publication shall occur not more than 30 days and at least ten days before the hearing. The notice shall state the time and place of hearing, the general nature of the proposed improvement, the estimated cost thereof and the method by which the cost of the improvement is to be paid, including the cost to be allocated to each affected municipal corporation or the state of Minnesota or any department thereof. Not less than ten days before the hearing, notice by mail shall be given to the director and to the municipal corporations wholly or partly within the improvement project area, but failure to give mailed notice or defects in the notice shall not invalidate the proceedings. At the time and place specified in the notice the managers shall hear all parties interested in the proposed project

or improvement. If upon full hearing the managers find that the improvement will be conducive to public health and promote the general welfare, and is in compliance with the overall plan and the provisions of chapter 112, *and is in compliance with the plan of the regional development commission where one exists or the metropolitan council*, they shall make findings accordingly and authorize the project.

Sec. 11. Minnesota Statutes 1971, Section 394.25, is amended by adding a subdivision to read:

Subd. 9. A water and related land resources plan, adopted pursuant to the requirements of Section 8, subdivision 3 of this act.

Sec. 12. *There is appropriated from the general fund in the state treasury to the department of natural resources the sum of \$75,000 to defray expenses of preparing and publishing the state water and related land resources plan pursuant to section 8 of this act."*
