S. F. No. 2809: A bill for an act relating to the creation of a state economic opportunity commission and community action agencies; appropriating money to the economic opportunity commission for the purposes of this act.

Reports the same back with the recommendation that the bill be amended as follows:

Strike everything after the enacting clause and insert in lieu thereof:

"Section 1. [POLICY; PURPOSE.] The legislature declares that it is in the public interest to better coordinate all available local, state, private and federal resources for programs and projects designed to aid low-income families and individuals throughout the state in obtaining basic education, health care, vocational training, employment opportunities and other services needed for the achievement of self sufficiency; to encourage the participation by the residents of a community served in the planning of community programs and projects; and to provide funding for the continuation of programs and projects that are now in danger of losing federal moneys. To that end, the legislature directs that community action agencies be developed and maintained and that a state economic opportunity agency be created to administer state funds appropriated for community action agencies.

Sec. 2. [DEFINITIONS.] Subdivision 1. For purposes of this act, the following terms shall have the meanings given them.

Subd. 2. "Community action agency" shall mean a public agency or a private nonprofit corporation organized pursuant to Minnesota Statutes, Chapter 317, which is designated by a city, a county, counties, or region and the economic opportunity agency to perform the functions set forth in this act.

Subd. 3. "Community action program" shall mean a community based and operated program which includes a sufficient number of components to provide a range of services and activities having a reasonable and potentially major impact on causes of poverty in the community. Components of a community action program may be projects funded by the state under this act, or by other public or private sources. Projects may be either uniquely local in character or part of a state or federal program providing assistance to a particular kind of activity or individual.

Subd. 4. "Community" shall mean a city, county, multicounty, or multicounty unit, an Indian reservation, or a neighborhood or other area, irrespective of boundaries or political subdivisions, which provides a suitable organizational base and possesses the commonality of interest needed for a community action program.

Sec. 3. [COMMUNITY ACTION AGENCIES; ORGANIZATION.] Subdivision 1. Each community action agency shall be governed by a board of directors, not to exceed 51 members, one-third of the members of the board shall be public officials from the local community, including the chief elected official or officials, or their representatives. One-third to one-half of the members shall be persons chosen in accordance with democratic selection procedures adequate to assure that they are representative of the poor in the area served. The remainder of the members shall be representatives of business, industry, labor, religious, welfare, education, or other major groups and interests in the community. Each mem-

ber of the board selected to represent a specific geographic area within a community must reside in the area he represents. Except for public officials of the local community, no person selected as a member of a board shall serve on such board for more than five consecutive years, or more than a total of ten years.

Subd. 2. Members of a board of directors shall serve without compensation but may be reimbursed for their out-of-pocket expenses incurred as a result of their participation on the board.

Subd. 3. A board shall be governed by the procedural rules and standards promulgated by the state economic opportunity agency.

Sec. 4. [COMMUNITY ACTION AGENCIES; DUTIES AND FUNCTIONS.] A community action agency shall:

(1) Receive and administer funds from any lawful private or public source, including local, state, and federal sources; however, any funds received under this section may be transferred to other agencies when consistent with the community action agency program;

(2) Plan, review, approve and evaluate all community action programs within the area served by the agency;

(3) Encourage cooperation and coordination of existing non-agency programs in applying for funds and in providing non-duplicative services;

(4) Initiate and sponsor projects to meet the needs of the poor of the community which are not being met under existing programs;

(5) Establish procedures by which the members of the community may participate actively in planning and implementing community action programs;

(6) Encourage business, labor, and other private investment and participation in the community;

(7) Establish and adopt rules relating to staff, public access to information and records of the community action agency, and other necessary procedures;

(8) Define the lawful duties of employees as advocates for the poor;

(9) Submit to the economic opportunity agency three months before each fiscal year a budget outlining its proposed activities and expenditures; and a quarterly report within 45 days of the end of each quarter on the expenditures of the previous quarter.

Sec. 5. [ECONOMIC OPPORTUNITY AGENCY; CREATION; MEMBERSHIP; VACANCIES.] Subdivision 1. [CREATION.] The economic opportunity agency is hereby established in the executive branch of the state government. The agency shall be composed of ten members, appointed by the governor with the advice and consent of the senate. The members of the council shall include representatives of the following interests: poor; urban; rural; male; female; minority; ethnic; labor; business; religious; education; welfare; health; and public officials. No

more than five members may be members of the same political party.

Subd. 2. [TERM OF OFFICE; VACANCIES.] The members of the agency first appointed by the governor shall be appointed to serve the following terms: five members for one year and five members for two years. Thereafter, each appointment shall be for two years. Each term shall terminate on the first day of January, except that it shall continue until a successor is appointed and qualified. The members of the council first appointed by the governor shall be appointed by August 1, 1974 and shall be subject to confirmation by the senate at the next regular session of the legislature. Vacancies shall be filled by the governor, with the advice and consent of the senate, for the unexpired term.

Subd. 3. [COMPENSATION; EXPENSES.] Members shall serve without compensation but shall be reimbursed for out of pocket expenses incurred as a result of participation in the agency.

Subd. 4. [MEETINGS.] The agency shall meet on the second Tuesdays in January, April, July and October of each year at the capitol. At the first regular meeting of each year, a chairman shall be elected from among the members of the agency. Special meetings may be held at such times and places as any three members of the agency shall appoint upon three days notice to other members by mail. A majority shall be a quorum; and any meeting may be adjourned from time to time.

Sec. 6. [DIRECTOR OF ECONOMIC OPPORTUNITY.] Subdivision 1. [APPOINTMENT; REMOVAL.] The agency shall select, with the advice and consent of the senate, a director of economic opportunity who shall serve as executive secretary to the agency and as its chief administrator. The director shall be selected without regard to residence and shall be an individual experienced in the administration of programs for the poor and in advocacy for the poor. The director may be removed by the agency for good cause shown after the submission of written charges and an opportunity to be heard.

Subd. 2. [POWERS AND DUTIES.] The executive director shall perform such duties as the law and the rules of the agency may provide; and shall be held responsible for the efficient administration of agency operations. The director shall be required to make recommendations to the agency and shall be charged with the execution of powers and duties the agency may prescribe to promote and insure the effectiveness of community action programs in the state; to safeguard the finances pertaining thereto; and to enable the agency to carry out the provisions of this act.

(c) act as special advocate for the poor in state government by mobilizing state resources and coordinating efforts of all state agencies in an attempt to make the poverty programs more responsive to the needs and desires of the poor;

(d) provide technical assistance, training and related services to communities, community action agencies, grantees and potential grantees of federal and state anti-poverty funds, and monitor federal and state funded programs in accordance with state and federal regulations;

(e) provide information and assistance to the governor, the legislature and state agencies with the objective of developing programs and seeking legislation for the benefit of the poor;

(f) apply for and receive available grants from federal and state sources in order to fulfill its missions;

(g) develop rules and regulations pertaining to the operation and administration of community action agencies; and

(h) report to the governor and the legislature by November 15 of each year on expenditures and activities of the economic opportunity agency and the community action agencies.

Sec. 8. [RESTRICTIONS AND DISBURSEMENTS.] Subdivision 1. Funds appropriated by the state shall be disbursed by the agency to community action agencies only in the event that federal funding for community action programs is less than 90 percent of the dollar amount that the community action agency received during the fiscal year of 1973 in its administration and community development accounts. Nothing in this subdivision shall be construed to prohibit the disbursement of state funds to community action agencies which received no federal funds during fiscal year 1973.

Subd. 2. Each fiscal year a sum of no more than five percent of the appropriation for all community action agencies shall be appropriated for the expenses of the economic opportunity agency.

Subd. 3. No community action agency shall be assessed or have deducted any sum for planning or evaluation purposes.

Subd. 4. The agency shall not provide state funds after January 1, 1975 to any community action agency which has not conformed to regional economic development boundaries by November 1, 1974. If federal money is available, the director shall encourage and assist the community action agencies in the implementation of the regionalization plan.

Subd. 5. If the federal government continues the funding of community action agencies at a level of 90 percent or more of the money received in fiscal year 1973, the \$300,000 appropriated to the commissioner of public welfare pursuant to Laws 1973,

Chapter 765, Section 8, Subdivision 1, or so much thereof as is unexpended on the effective date of this act, shall be used by the economic opportunity agency for funding the development of community action agencies in those areas in the state that currently are not served by a community action agency, including the counties of Hennepin, Dakota, Washington, Olmsted, Mower, Freeborn, and Faribault.

Sec. 9. The economic opportunity agency is the state agency to perform the functions, duties and powers afforded the state under the Economic Opportunity Act of 1964, Public Law 88-452, as amended; and the agency shall comply with all state and federal laws and rules or regulations promulgated for any purposes related to the powers and duties of the economic opportunity agency.
