A majority of all of the members of the commission shall constitute a quorum, but a lesser number may meet and adjourn from time to time and compel the attendance of absent members.

Any properties, real or personal, acquired, owned, leased, controlled, used, and occupied by the corporation for any of the purposes of Laws 1943, Chapter 500, are declared to be acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes, and shall be exempt from taxation by the state or any of its political subdivisions. Any plans adopted by the commission pursuant to this section after January 1, 1975, shall be consistent with the development guide of the council.~~

Sec. 21. Minnesota Statutes 1971, Section 360.109, Subdivision 1, is amended to read:

Subd. 5. The investment of the cities of Minneapolis and St. Paul in the metropolitan airports system, from the date of the original enactment of this section to January 1, 1973, includes the land comprising airports owned by them and taken over pursuant to subdivision 2, and taxes levied on property within the cities in the years 1944 to 1969, the proceeds of which, together with revenues of the system and federal funds, were expended for the operation, administration, maintenance, improvement, and extension of the system and the service of debt incurred for such improvement and extension, including improvement of the city lands. The aggregate amount of such taxes was \$19,816,873, of

which \$7,294,022 would have been assessed and extended against property outside the cities if the entire metropolitan area, which will be taxable by the corporation in 1973 and subsequent years under section 360.114, as amended, had been within its taxing jurisdiction when those levies were made. If it should become necessary for the corporation to levy any such taxes for any purpose other than the payment of bonds and interest, they shall be extended and assessed exclusively against taxable property outside the cities until the total amount so assessed and extended equals \$7,294,022. In the event that the airport land owned by either city should no longer be used for airport purposes, the corporation's control thereof shall cease, and title to the land and all improvements shall be and remain in the city, but the city shall become liable to the corporation for the repayment, without interest, of an amount of the taxes so paid which is proportionate to its own share of the cities' original investment, being 60 percent for Minneapolis and 40 percent for St. Paul. In the event that any other land or improvements owned or controlled by the corporation should ever cease to be used for airport purposes, all income therefrom and all proceeds received upon disposal thereof shall continue to be used for purposes of the metropolitan airports system, subject to federal laws and regulations governing such disposal; or if the operation of the system should ever be terminated, all such income and proceeds shall be distributed to the seven counties in the metropolitan area, in amounts proportionate to the assessed valuation of taxable property in each county at the time of such distribution.

Sec. 23. Minnesota Statutes 1971, Section 360.109, is amended by adding a subdivision to read:

Subd. 6. All capital projects of the commission shall be submitted to the metropolitan council for review. No capital project which the council determines to have a significant effect on land use in, or the orderly and economic development of the metropolitan area may be commenced without the approval of the metropolitan council.

Sec. 24. Minnesota Statutes 1971, Section 360.111, is amended to read:

360.111 [EXISTING AIRPORTS; CONTROL, JURISDICTION.] ~~After taking over operation and maintenance of the municipally owned airports, in accordance with the provisions of section 360.109, subdivision 2, The corporation shall exercise control and jurisdiction over any other airport within 25 miles of the city hall of either city either 35 miles of the city hall of either city or within the metropolitan area. No airport shall be acquired or operated within the metropolitan area above set forth without first securing the approval of the corporation, provided, however, such approval~~

shall not be withheld except after notice to all interested parties and a public hearing held thereon, as provided in Minnesota Statutes 1945, Section 360.018, Subdivision 7, as amended by this act, and then only upon a finding by the corporation that the acquisition or operation of such airport would create a flight hazard to any airport or airports owned or operated by it. As to any airport once licensed with the approval of the corporation, approval of the continued operation of such airport shall at no time be withdrawn by the corporation except after notice to all interested parties, a public hearing had, and a finding by the corporation based on substantial evidence that the operation of such airport is inconsistent with the safety of flight to and from an airport owned or operated or presently to be or being constructed to be operated by the corporation, and then only after payment of just compensation to cover the loss sustained by reason of such withdrawal, such just compensation, if not arrived at by agreement, to be ascertained in the condemnation of said airport by the corporation under the power of eminent domain, the commission to institute the condemnation proceedings promptly and to pay in connection with the prosecution thereof all reasonable and necessary expenses incurred not only by it but also by the owner of such airport.

The county auditor shall extend, spread, and include the same with and as a part of the general taxes for state, county, and municipal purposes, to be collected and enforced therewith, together with penalties and interest and costs, and the county treasurer, upon collection of the same, shall transfer the same to the treasurer of the corporation.

Sec. 29. Minnesota Statutes 1971, Section 360.116, is amended to read:

The levy of taxes authorized in Laws 1943, Chapter 500, shall be in addition to the maximum rate allowed to be levied to defray the cost of government under the provisions of the charter of any city affected by Laws 1943, Chapter 500.

Sec. 30. Minnesota Statutes 1971, Chapter 360, is amended by adding a section to read:

[360.1161] *Notwithstanding the provisions of section 360.116 or any other provision of chapter 360, any tax levy required to be made to pay debt service on any bonds heretofore or hereafter issued by the commission shall not be restricted to the cities of Minneapolis and Saint Paul but shall be levied against all the taxable property in the metropolitan area in accordance with the provisions of section 24 of this act.*

Sec. 31. [360.120] [GENERAL OBLIGATION REVENUE FINANCING.] *Subdivision 1. [SCOPE.] The Minneapolis-St. Paul Metropolitan Airports Commission shall have all the powers and duties set forth in this section, in addition to the powers granted and the duties imposed and notwithstanding any limitations of such powers set forth in any other law or city charter provision. These powers and duties are likewise granted to and imposed upon any successor public corporation, agency, or subdivision of the state in which the commission's property, rights, powers, obligations, and duties, or any of them, may in the future be vested by law.*

Subd. 2. [BORROWING AUTHORIZATION.] No additional bonds shall be issued under the provisions of section 360.117, over and above the amount outstanding April 1, 1974. Except for refunding bonds and certificates of indebtedness, the amount of borrowing authorized by this section, over and above the amount of bonds of the commission outstanding July 1, 1974, is limited to \$20,000,000 until and unless this limitation is increased by law. The pledge of revenues of the commission to its debt service fund in lieu of the taxes otherwise required by section 360.117 to be assessed and extended shall be and remain a first charge on all current revenues of the commission to the extent required annually to cancel such taxes.

Subd. 3. [GENERAL OBLIGATION REVENUE BONDS.] Subject to the provisions of subdivision 2 the commission may issue bonds for the acquisition and betterment of airports and air navigation facilities, and for the refunding of such bonds and of certificates of indebtedness issued under subdivision 10, in the same manner and with the same powers and duties as a municipality under the provisions of chapter 475 except as otherwise provided in this section. The bonds shall be designated as general obligation revenue bonds, and shall be payable primarily from and secured under resolutions of the commission by an irrevocable pledge and appropriation of the revenues to be derived from rates, fees, charges, and rentals to be imposed, maintained, and collected for all use, service, and availability of airport and air navigation facilities owned and to be owned or operated by the commission. They shall be further secured by the pledge of the full faith and credit of the commission, which shall be obligated to levy upon all taxable property within the metropolitan area a tax at such times and in such amounts, if any, as may be required to provide funds sufficient to pay all of the bonds and interest thereon when due and to maintain a reserve securing such payments in the manner and to the extent provided in this section. This tax, if ever required to be levied, shall not be subject to any limitation of rate or amount. The security afforded by this section extends equally and ratably to all general obligation revenue bonds of the commission, except that nothing herein shall prevent the commission from pledging current revenues from a particular facility or group of facilities first to the payment and security of bonds issued to finance such facilities.

Subd. 4. [DEBT SERVICE FUND.] The commission shall maintain permanently on its official books and records an account or accounts referred to herein collectively as the debt service fund, separate from all other funds and accounts, to record all receipts and disbursements of money for principal and interest payments on its bonds, and on certificates of indebtedness issued pursuant to subdivision 10. At or before the due date of each principal and interest payment on said bonds and certificates the treasurer shall remit from the debt service fund to the payment agent for the issue an amount sufficient for such payment, without further order from the commission. At or before the time of delivery of any series of bonds the commission shall withdraw from the proceeds thereof, or from revenues then on hand and available for the purpose, and shall

deposit in the debt service fund such amount, if any, as may be required to establish in the fund a balance of cash and investments at least equal to the total amount of principal and interest then due and to become due on bonds of the commission to the end of the following year. The commission shall also deposit in the fund as needed and available, from revenues received in excess of budgeted current expenses of operation and maintenance of its property and of carrying on its business and activities, and in excess of amounts required to cancel taxes under subdivision 2, such amounts as shall be required to reimburse the fund for bond and certificate payments and to produce a balance of cash and investments therein by October 10 in each year at least equal to the total amount of principal and interest due and to become due on general obligation revenue bonds of the commission to the end of the following year. If the revenues are insufficient in any year to produce the required balance, then unless provision is made for restoring the deficiency in accordance with the provisions of subdivision 8, the commission shall levy and appropriate to the debt service fund, and certify to the county auditors of all counties in the metropolitan area, a tax in accordance with subdivision 3 in an amount at least five percent in excess of the deficiency. For the purpose of determining the balance in the debt service fund at any time, investments held therein shall be valued at the principal amount payable at maturity if they mature in the following year, or otherwise at market value, plus the amount of interest receivable thereon to the end of the following year.

Subd. 5. [RATES, FEES, CHARGES, AND RENTALS.] The commission shall be obligated to the holders of its bonds, and to the owners of all property subject to taxation for the payment thereof, to establish, revise from time to time, and collect rates, fees, charges, and rentals for all airport and air navigation facilities and service used by and made available to any person, firm, association, or corporation according to schedules such as to produce revenues at all times sufficient for the requirements of the debt service fund as provided in subdivision 4, and sufficient also to pay when due all expenses of operation and maintenance of the commission's property and of carrying on its business and activities in accordance with law. The payment of such rates, charges, fees, and rentals by any party for the use of any facility or service for any period, other than use permitted to the public generally, shall be secured by a lease or other agreement requiring such party to pay each year an amount sufficient to provide for the payment of a share of the principal and interest due during this period on all bonds of the commission, proportionate to the amount of such bonds issued to provide the facility or service and to the amount of use thereof assured to such party in comparison with others. If a tax is ever required to be levied for a debt service fund deficiency under the provisions of subdivision 4, the commission shall immediately take all action permitted by law and under its leases and other agreements to enforce the payment of rates, fees, charges, and rentals then due, and to raise the amounts thereof payable in the future to the extent required for conformity with subdivision 4 and for repayment of the deficiency with interest at six percent per annum.

Subd. 6. [REIMBURSEMENT OF DEBT SERVICE FUND DEFICIENCIES.] If a debt service fund deficiency tax is ever cer-

tified in accordance with subdivision 4, each county auditor shall extend it on the tax roll of his county in that proportion which the assessed valuation of taxable property within his county then bears to the assessed valuation of all taxable property within the metropolitan area, and shall certify to the commission the amount so extended. Thereafter the commission shall be obligated to repay to the treasurer of each county the amount extended upon its tax roll with interest at six percent per annum from the dates of payment of the deficiency tax to the commission to the date or dates of repayment. The commission shall certify to each county auditor the principal amount to be so paid to the county before October 10 in each subsequent year, and the county auditor shall reduce by this amount the taxes levied by the county which are to be extended upon its tax rolls then in preparation.

Subd. 7. [CONDITIONS.] Bonds of the commission shall not be conditioned upon an election, but no bonds shall be issued at any time, except for refunding in the cases described in subdivision 8, unless the required balance in the debt service fund is first established in accordance with subdivision 4, and the commission determines on one of the bases described in this subdivision that the revenues to be received by it each year during the term of the proposed issue will be at least sufficient to pay when due all of the commission's bonds and interest thereon, including the new issue but excluding any bonds refunded thereby, and to establish the balance required in the debt service fund by October 10. Before the bonds are delivered to the purchaser, the commission shall secure either:

(a) A report of audit of the commission's financial records for the fiscal year most recently ended or, if this is not yet available, a report for the preceding year, prepared by a nationally recognized firm of certified public accountants, showing that the net revenues received that year, computed as the gross receipts less any refunds of rates, fees, charges, and rentals for airport and air navigation facilities and service, less the aggregate amount of current expenses, paid or accrued, of operation and maintenance of property and carrying on the commission's business and activities, equaled or exceeded the maximum amount of then outstanding bonds of the commission and interest thereon to become due in any fiscal year; or

(b) A lease or other agreement or agreements for the operation or use by one or more airline corporations of the facility for which the bonds are proposed to be issued, requiring such corporation or corporations to pay all costs of operation and maintenance thereof and to pay additional rentals or charges at the times and in not less than the amounts required to pay all of the bonds and interest thereon when due and to establish the annual balance required in the debt service fund to secure such payments, together with a report of audit showing net revenues fulfilling the condition in clause (a) as to all other bonds then outstanding or then to be issued; or

(c) A written report prepared by a nationally recognized consultant on airport management and financing, projecting gross receipts, current expenses, and net revenues at least sufficient during each year of the term of the proposed bonds to pay all principal and interest due on all

bonds and to establish and maintain the required annual debt service fund balance, and stating the estimates of air traffic, rate increases, inflation, and other factors on which the projection is based.

Subd. 8. [REFUNDING DEFICIENCIES.] If in any year the revenues available for transfer to the debt service fund are or will in the judgment of the commission be insufficient to produce the balance required thereon on October 10 under the provisions of subdivision 4, or to make any interest or principal payment due on certificates of indebtedness issued under the provisions of subdivision 10, the commission may, with the approval of the council, issue refunding bonds and appropriate the proceeds to the debt service fund in the amount needed to restore the deficiency, provided that the refunding bonds shall not mature earlier than the date or dates when the commission estimates that the revenues from enforced or increased rates, fees, charges, and rentals will be sufficient to pay them and to meet all other requirements of the debt service fund as stated in subdivision 4.

Subd. 9. [ADDITIONAL TAXES.] Nothing herein shall prevent the commission from levying a tax not to exceed in any year one twentieth of one mill on the assessed valuation of taxable property within its taxing jurisdiction, over and above any levies found necessary for the debt service fund, as authorized by section 360.116. Nothing herein shall prevent the levy and appropriation for purposes of the commission of any other tax on property or on any income, transaction, or privilege, when and if authorized by law. All collections of any taxes so levied shall be included in the revenues appropriated for the purposes referred to in this section, unless otherwise provided in the law authorizing such levies; but no covenant as to the continuance or as to the rate and amount of any such levy shall be made with the holders of the commission's bonds unless specifically authorized by law.

Subd. 10. [EMERGENCY BORROWING.] If in any budget year revenue receipts should from any unforeseen cause become insufficient to pay budgeted current expenses, or if a public emergency should necessitate expenditures in excess of revenues anticipated to meet the current budget, the commission may make an emergency appropriation sufficient to meet the deficiency and may authorize the issuance and sale of general obligation certificates of indebtedness in this amount, maturing not later than October 10 in the following budget year, at public or private sale and upon such other terms and conditions as the commission may determine. The principal of and interest on such certificates of indebtedness, unless paid from other revenues, shall be payable from the debt service fund.
