"Section 1. Minnesota Statutes 1978, Chapter 169, is amended by adding a section to read:

[169.421] [CIVIL LIABILITY FOR LITTERING.] *Subdivision 1. [FINDING.] The legislature finds that the cost of removal and disposal of litter from vehicles is an onerous burden*

upon the public, and that the criminal law is not always adequate in dealing with the problem. This requires the imposition of civil liability as provided in this section.

Subd. 2. [DEFINITION.] For purposes of this section, "owner" as to a vehicle means the owner of the vehicle, but in the case of a leased vehicle means the lessee.

Subd. 3. [CIVIL LIABILITY IMPOSED.] If any litter, including glass, nails, tacks, wire, cans, bottles, garbage, papers, refuse, trash, or any form of offensive matter is thrown, deposited, placed, or dumped from a vehicle upon any street or highway, public land, or upon private land without the consent of the owner of the land, a violation of this subdivision occurs and civil liability is imposed upon the owner of the vehicle. The driver and passengers riding in a vehicle are constituted as the agents of the owner of the vehicle for purposes of this subdivision. It is a defense to any action brought pursuant to this section that the vehicle was stolen. This section is not applicable to the owner of a vehicle transporting persons for hire or transporting school children.

Subd. 4. [DAMAGES.] Any person or governmental body injured by a violation of subdivision 3 may bring a civil action and recover as damages the actual costs of removal and disposal of the litter plus exemplary damages not to exceed \$100, together with costs and disbursements, including reasonable attorney's fees, as determined by the court.

Subd. 5. [PROCEDURES.] A civil action may be commenced as is any civil action or by the issuance of a citation to the owner of the vehicle by any law enforcement officer who has reason to believe that a violation has occurred. Actions commenced by the issuance of a citation by a law enforcement officer shall be tried by the prosecuting authority responsible for misdemeanor prosecutions in the jurisdiction where a violation occurs. Any damages recovered in an action brought by a public agency shall be deposited in the treasury of the jurisdiction trying the action. Any county or county municipal court may establish a separate civil calendar for cases brought under this section.

Subd. 6. [RELATIONSHIP TO CRIMINAL LAW; ELECTION OF REMEDIES.] If an act is a violation of this section and of a statute or ordinance providing a criminal penalty, a public agency elects its remedy by commencing either an action under this section or a criminal prosecution, and the commencement of one type of action by a public agency is a bar to its bringing of the other.

Subd. 7. [PAYMENT.] Any county or county municipal court may establish a schedule of costs and civil damages, and procedures for payment, in cases brought by a public agency under which the defendant may consent to default judgment and make payment according to the schedule without making a personal appearance in court.

Subd. 8. [CITATION.] This section may be cited as the civil litter act."

any person or association acting on behalf of its members who is directly affected by a change in the schedule of rates and includes the staff of the insurance division.

Subd. 8. [SCHEDULE OF RATES.] Schedule of rates means the rate level applicable to the various industry groupings or classes, including the risk classifications thereunder upon which the determination of workers' compensation premiums are based, including but not limited to all systems for merit or experience rating, retrospective rating, and premium discounts."

Pages 2 and 3, delete section 2 and insert:

"Sec. 2. Minnesota Statutes 1978, Chapter 79, is amended by adding a section to read:

[79.071] [RATES; HEARINGS.] Subdivision 1. The commissioner shall adopt a schedule of workers' compensation insurance rates for use in this state for each classification under which business is written. The schedule of rates shall not be excessive, inadequate, or unfairly discriminatory. In adopting a schedule of rates, the commissioner may act on the written petition of the association or any other interested party requesting that a hearing be held for modification of the schedule of rates. The commissioner may include the expense of a reasonable charge for the services of an agent of record, for the service of rejected risks as set forth in sections 79.24 to 79.27.

Subd. 2. Upon receipt of a petition requesting a hearing for modification of an existing schedule of rates, the commissioner shall determine whether the petition sufficiently sets forth facts which show that the existing schedule of rates is excessive, inadequate, unfairly discriminatory, or otherwise in need of modification so as to indicate the need to hold a hearing. The commissioner may decline to grant a hearing if the association has failed to provide information requested by previous orders modifying the schedule of rates provided that the request was not unreasonable. The commissioner may accept or reject the petition for a hearing and shall give notice of his determination to the petitioning party within 30 days of receipt of the petition. In the event the commissioner rejects the petition, the petitioning party shall be notified of the reasons for the rejection.

Subd. 3. If the commissioner accepts the petition for hearing, the commissioner shall order a hearing with respect to matters set forth in the petition requesting modification of the schedule of rates. The hearing shall be held pursuant to the contested case procedures set forth in sections 15.0411 to 15.052, provided that the burden of proof shall be on the petitioning party and the hearing examiner may admit documentary and statistical evidence accepted and relied upon by an expert whose field of expertise may have some relevance to workers' compensation rate matter without the requirement of traditional evidentiary foundation. Within 30 days after the close of the hearing record, the hearing examiner shall transmit to the commissioner the entire record of the hearing, including the transcript, exhibits, and all

other material properly accepted into evidence, together with the finding of facts, conclusions, and recommended order as the hearing examiner shall make. The time for filing the report may be extended by the chief hearing examiner for good cause.

Subd. 4. The commissioner may accept, reject, or modify, in whole or in part, matters raised in the petition for modification of the schedule of rates or matters raised in the findings and recommendations of the hearing examiner; provided that the commissioner's determination shall be based upon substantial evidence.

Subd. 5. The commissioner shall make a final determination with respect to adoption of a schedule of rates within 90 days after receipt of the hearing examiner's report. In the event that the commissioner fails to act within the 90 day period, the findings, conclusions, and recommended order of the hearing examiner shall become a final order of the commissioner.

Subd. 6. The commissioner is authorized to hire a consulting actuary and other experts as he deems necessary to assist in the hearing for modification of the schedule of rates. The costs of conducting the hearing provided under subdivision 3, including the costs of hiring a consulting actuary and other experts, shall be assessed against the rating association and its members.

Subd. 7. The office of hearing examiners, upon approval of the chief hearing examiner, is authorized to hire consultants necessary to assist the hearing examiner assigned to a given workers' compensation rate proceeding.

Sec. 3. Minnesota Statutes 1978, Chapter 79, is amended by adding a section to read:

[79.072] [PETITION FOR REHEARING.] *Subdivision 1. Any interested party may petition the commissioner for rehearing and reconsideration of a determination made pursuant to section 2 of this act. The petition for rehearing and reconsideration shall be served upon the commissioner and all parties to the rate hearing within 30 days after service of the commissioner's final order. The petition shall set forth factual grounds the petitioning party deems to exist in support of its petition. Any interested party adversely affected by a petition for review and reconsideration shall be afforded 15 days to respond to factual matters so alleged in the petition.*

Subd. 2. At his discretion, the commissioner may grant a rehearing upon the filing of a petition under subdivision 1. Upon rehearing, the commissioner may limit the scope of factual matters which shall be subject to rehearing and reconsideration. The rehearing shall be subject to the provisions of section 2 of this act.

Subd. 3. Following rehearing, the commissioner may modify the terms of the initial order adopting a change in the schedule of rates upon a determination that adequate factual grounds exist to support modification. Adequate factual grounds shall include, but need not be limited to, erroneous testimony by any witness or party to the hearing, material change in Minnesota loss or expense data

occurring after petition for modification of the schedule of rates has been filed, or any other mistake of fact which has a substantial effect upon the schedule of rates adopted in the initial order of the commissioner.

Sec. 4. Minnesota Statutes 1978, Chapter 79, is amended by adding a section to read:

[79.073] [JUDICIAL REVIEW.] *Final orders of the commissioner pursuant to sections 2 and 3 of this act are subject to judicial review by writ of certiorari brought in the district court in Ramsey County by any interested party of record adversely affected thereby. The operation of the commissioner's order shall not be suspended during such review; provided that in the event of a judicial determination against the validity of the commissioner's order, any subsequent order shall be modified so as to give effect to the court's ruling. For purposes of further judicial review, the commissioner shall be deemed to be an aggrieved party to the extent that his orders are modified or set aside by the district court.*

Sec. 5. Minnesota Statutes 1978, Chapter 79, is amended by adding a section to read:

[79.074] [DISCRIMINATION.] *Subdivision 1. [RATES.] One rate is unfairly discriminatory in relation to another if it clearly fails to reflect equitably the differences in expected losses, expenses, and the degree of risk. Rates are not unfairly discriminatory because different premiums result for policyholders with like loss exposures but different expense factors, or like expense factors but different loss exposures, so long as the rates reflect the differences with reasonable accuracy.*

Subd. 2. [DIVIDENDS.] Dividend plans shall not be deemed to be unfairly discriminatory where different premiums result for different policyholders with similar loss exposures but different expense factors, or where different premiums result for different policyholders with similar expense factors but different loss exposures, so long as the respective premiums reflect the differences with reasonable accuracy. Every insurer referred to in section 79.20 who issues participating policies shall file with the commissioner a true copy or summary as the commissioner shall direct of its participating dividend rates as to policyholders. The commissioner may study such participating dividend rates and make recommendations to the legislature concerning possible basis for unfair discrimination.

Sec. 6. Minnesota Statutes 1978, Chapter 79, is amended by adding a section to read:

[79.075] [AUTOMATIC ADJUSTMENT OF RATES.] *The commissioner shall, by rule, establish a formula by which a schedule of rates may be automatically adjusted to reflect benefit changes which have been mandated by operation of law subsequent to the most recent change in the statewide schedule of rates. This adjustment shall also reflect the annual change in the maximum weekly compensation made pursuant to section 176.101, and adjustment in the assessment rate for the financing of the special fund, and the annual adjustment made pursuant to section 176.645. Any*

automatic adjustment made pursuant to this subdivision shall be effective on October 1 or as soon thereafter as possible and shall not otherwise be subject to sections 15.0411 to 15.052.

At each rate hearing held pursuant to section 2 of this act or rehearing pursuant to section 3 of this act, following an automatic adjustment, the commissioner shall review the rate adjustment to assure that the schedule of rates adopted subsequent to the adjustment are not excessive, inadequate, or unfairly discriminatory. If the commissioner finds that the schedule of rates adopted subsequent to the adjustment are excessive, inadequate, or unfairly discriminatory, the commissioner shall order appropriate remedial action.

Sec. 7. Minnesota Statutes 1978, Chapter 79, is amended by adding a section to read:

[79.076] [RATE REVISION ORDER; EFFECT.] *Subdivision 1. Following adoption of a revised schedule of rates pursuant to sections 2 or 3 of this act, the revised rates shall be applicable to new and renewal policies issued after the effective date of the commissioner's final order.*

Subd. 2. The revised schedule of rates shall be applied to all insureds and prospective insureds pursuant to the provisions of the workers' compensation rating manual adopted by the association and approved by the commissioner, provided that the manual:

(1) Shall be deemed to have met the applicable requirements of sections 15.0411 to 15.052 as of the effective date of sections 2 and 3 of this act.

(2) Shall not be amended except by a contested case proceeding held pursuant to sections 2 and 3 of this act."

The proposed findings and recommended order shall be served on all affected parties at the same time that the staff transmits its findings and recommendations to the commissioner.
