Sec. 13. [BOND SALE; DEBT SERVICE.] *To provide the money appropriated in this act from the state building fund the commissioner of finance upon request of the governor shall sell and issue bonds of the state in an amount up to \$46,815,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, Sections 16A.63 to 16A.67 and by the Constitution, Article XI, Sections 4 to 7.*

Sec. 14. [CONSULTATION REQUIRED.] *No land shall be purchased and no buildings shall be purchased, constructed, or erected on lands of the university of Minnesota until the regents have first consulted with the chairman of the senate finance committee and the chairman of the house appropriations committee and obtained their recommendations, which are advisory only.*

Sec. 15. [REVIEW OF PLANS.] *The commissioner of administration and the board of regents of the university of Minnesota shall not prepare final plans and specifications for any construction or major remodeling authorized by this act until the using agency or department has presented the program and schematic plans to the chairman of the house appropriations committee and the chairman of the senate finance committee and the chairmen have made their recommendations thereon. The recommendations are advisory only. Failure or refusal to make a recommendation promptly is deemed a negative recommendation.*

Sec. 16. [APPROPRIATIONS FOR CONSTRUCTION; TRANSFER.] *Upon the awarding of final contracts for the completion of any project for construction or other permanent improvement authorized by this act, the commissioner of administration and the board of regents of the university of Minnesota as to appropriations made to them may transfer any unencumbered balance in the project account to any other project enumerated in the same section of the appropriation act as the project about to be completed. The money transferred pursuant to this section is appropriated for the purposes for*

which transferred. The commissioner of administration and the board of regents of the university of Minnesota shall report to the chairman of the house appropriations committee and the chairman of the senate finance committee on any transfer made pursuant to this section.

Sec. 17. [APPROPRIATIONS FOR CONSTRUCTION; FEDERAL MONEY; EXCEEDING AUTHORIZED COST.] *The commissioner of administration and the board of regents of the university of Minnesota shall apply for the maximum federal share for each capital improvement project for which money is appropriated by this act. Encumbrance or expenditure of money in excess of the project authorization shall be made only after the commissioner of administration and the board of regents, as appropriate, have consulted with the chairman of the house appropriations committee and the chairman of the senate finance committee and the chairmen have made their recommendations thereon. The recommendations are advisory only. Failure or refusal to make a recommendation promptly is deemed a negative recommendation.*

Sec. 18. [METHODS OF ACQUISITION.] *Where money has been appropriated by this act to the commissioner of administration to acquire lands or sites for public buildings or real estate, acquisition may be by gift, purchase, or condemnation proceedings. Condemnation proceedings shall be pursuant to chapter 117.*

Sec. 19. [CANCELLATION.]

For each appropriation made in this act, each project shall have completed the designer selection board process within 60 days, and shall be obligated by award of contract within 26 weeks. Those projects not meeting each of these requirements shall be abandoned and the appropriation shall immediately lapse and be cancelled to the state bond fund. If an extraordinary condition arises, the governor may authorize the continuation of a project beyond the deadline only after consulting with the chairmen of the house appropriations and senate finance committees for their recommendation. The deadlines established shall be determined from the date of final enactment.
