Mr. Chmielewski from the Committee on Employment, to which was referred

S. F. No. 294: A bill for an act relating to employment; providing relief to employees who lose their jobs due to business closings, plant relocations, and reductions in operations; requiring advance notification to affected employees, employee organizations, municipalities, and the state of business closings, plant relocations, and reductions of operations; prescribing duties of certain departments, governmental bodies, and officers with respect to business closings, plant relocations, and reductions of operations; creating a community services council; providing for the creation of a community jobs assistance fund; providing penalties; proposing new law coded as Minnesota Statutes, Chapter 179A.

Delete everything after the enacting clause and insert:

"Section 1. [268A.01] [CITATION.]

*This act shall be known and may be cited as the "Minnesota Community, Jobs and Business Preservation Act."*

Sec. 2. [268A.02] [FINDINGS.]

*The legislature of the state of Minnesota finds that problems related to the business climate and more specifically to plant closings, plant relocations and/or massive reductions in the number of employees at a plant facility often encompass the concerns and responsibilities of several state agencies as well as the local area affected. The legislature also finds that, in view of the often devastating impact of these problems on particular communities in terms of economic, social and personal dislocation, the interaction of various agencies and local communities is vital to a successful solution of the problems. Further, coordination of the cooperative efforts of governmental, business and labor groups is essential to reaching solutions which are timely, equitable and in the best interests of the citizens of the local communities and the state. In order to provide a sound coordination of these efforts and to encourage cooperation among all affected parties, the legislature finds that comprehensive planning and study requires the establishment of a state community, business and job preservation board.*

If the employer operating the affected establishment establishes to the satisfaction of the board that the closing,*

**Subd. 2. [ECONOMIC IMPACT STATEMENT.]** Within 45 days after the notice required in subdivision 1, or within a shorter period of time as determined by the board for an employer who provides less than a 270 day notice, the employer operating an affected establishment shall provide an economic impact statement of the closing, relocation, or reduction in operations to the commissioner, each affected employee, each affected employee organization, and each affected municipality. #### **Sec. 8. [268A.08] [VIOLATIONS.]**

**Subdivision 1. [COMPLAINTS.]** An employee who believes that his or her employer has violated this act may file a written complaint with the board. An order shall be sent to each party by registered mail.

**Subd. 4. [REVIEW OF ORDER.]** The employer operating the affected establishment, the employee who filed the complaint, or the board may file for a review of the board's order within 14 calendar days after the order is issued. If a request for a review is not filed within 14 calendar days, the order is final.

**Subd. 5. [BOARD POWERS.]** For the purpose of an investigation or pro-

ceeding under this section the board may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of records or other documents which the board considers relevant or material to the inquiry.

*Subd. 6. [REVIEW HEARING.] If either party files for a review, the board shall hold a hearing on the order which shall be treated as a contested case under the administrative procedure act.*

*Subd. 2. [DISCRIMINATION COMPLAINT.] An employee who believes that he or she has been discharged, discriminated against, or otherwise penalized by an employer operating an affected establishment in violation of this section may file a complaint with the board within 30 days of the occurrence of the violation.*

*Subd. 3. [BOARD INVESTIGATION.] Upon receipt of an employee complaint, or upon its own initiative, the board shall investigate the compliance of an employer operating an affected establishment with this act. The board has the powers given in section 8, subdivision 5, in connection with an investigation except an inquiry made pursuant to section 5, subdivision 6. After completion of the investigation, if the board determines that this section was violated, it shall notify the attorney general who shall bring an action in district court against the employer. In the action, the district court may restrain the violation of this section and provide any other appropriate relief.*

*Subd. 4. [NOTICE TO COMPLAINANT.] Within 90 days after the receipt of a complaint filed under this section, the board shall notify the complainant of the determination under subdivision 3.*

**Sec. 10. [268A.10] [VIOLATIONS; PENALTIES.]**

*Subd. 2. [CIVIL FINE.] The board may assess an employer operating an affected establishment who violates the notice requirement of section 6, subdivision 1, unless the board approves a shorter period of notification, a civil fine of not more than \$250 per day. The civil fine shall be deposited in the general fund.*

*The board may assess an employer operating an affected establishment who violates the time limitation, unless the board approves a shorter period of notification, or who provides an incomplete economic impact statement, which time limitation or economic impact statement is provided for in section 6, a civil fine of not more than \$250 per day. The civil fine shall be deposited in the general fund.*

**Sec. 11. [268A.11] [PRIORITY OF CLAIMS:]**

*A money claim against an employer operating an affected establishment, on behalf of an affected employee, pursuant to this act, shall have priority over all other claims against an employer except wage claims.*

## Sec. 12. [268A.12] [SEVERABILITY OF PROVISIONS.]

*The provisions of sections 1 to 12 shall be severable, and if a provision or the application of a provision under any circumstances is held invalid or unconstitutional, the invalidity shall not affect any other provision of sections 1 to 12 or the application of a provision under different circumstances."*
