The commissioner may stop pedestrians and motor vehicles when they are carrying any bees, comb, used bee equipment, or anything else which is capable of transmitting infectious diseases or parasites of bees. The commissioner may inspect at any time or place any bees, bee products, or used bee equipment shipped in or into the state.*

Subd. 2. [IMPEDING COMMISSIONER UNLAWFUL.] *It is unlawful to deny to the commissioner access to any premises which the commissioner is authorized to enter for purposes of inspection or to resist, thwart, or hinder the commissioner in carrying out any authorized inspection, by misrepresentation, concealment or facts or conditions, or otherwise.*

Sec. 4. [19.53] [SANITARY INSPECTION OF APIARY OR STORAGE PLACE.]

The commissioner may inspect the sanitary conditions of any apiary or honey house or building or portion of building or container in which honey is stored, graded, or processed. If the commissioner finds any unsanitary conditions, he shall notify the owner or operator in writing to put the honey house, building, or portion of building or container in a sanitary condition within a reasonable length of time. Any operator or owner of a honey house, building, or container who fails to obey the notice is guilty of a misdemeanor.

Sec. 5. [19.54] [POSTING OF IDENTIFYING INFORMATION.]

An apiary which is not located at the owner's or operator's place of residence must have posted on it in a conspicuous place the name and address of

the owner or the person responsible for the apiary.

Sec. 6. [19.55] [INSPECTION; NOTIFICATION OF DISEASES.]

If, upon inspection of a bee colony, the commissioner finds any bee disease or exotic parasite, the commissioner shall notify the owner or operator of the bees in writing, stating the nature of the disease or parasite. The disease or parasite must be eliminated by the owner or operator within the time period ordered by the commissioner. The written notice may be served by handing a copy to the owner or operator of the apiary, by leaving a copy with an adult person residing upon the premises, or by either registered or certified mail addressed to the owner or operator of the apiary at his last known address.

Sec. 7. [19.56] [PUBLIC NUISANCES; DESTRUCTION OF BEES.]

Apiaries in which an existing disease or parasite cannot be successfully treated; apiaries which are affected by a disease amenable to treatment, but which have not been treated within a period of seven days after the owner received notice of the necessary treatment, as provided in section 6; apiaries having bees in hives without movable frames; and colonies of bees, queen nuclei, or shipments of used bee equipment which entered this state in violation of section 9 or which were found to be infected or infested with a bee disease, exotic parasite, or exotic strain of bee are a public nuisance. The commissioner, after written notice to the owner or operator of the bees and equipment, may destroy, by burning or otherwise, without any remuneration to the owner, any box hives or infected or infested bees, hives, or used bee equipment which are a public nuisance under this section. The notice may be served by handing a copy to the owner or operator, by leaving a copy with an adult person residing upon the premises, or by registered or certified mail addressed to the owner or operator of the apiary at his last known address.

Sec. 8. [19.57] [QUARANTINE.]

It is unlawful for a person to knowingly keep in his possession, without proper treatment, a colony of bees infected or infested with any bee disease, exotic parasite, or exotic strain of honey bees, or to expose any diseased or infested colony or bee equipment so that flying bees have access to them. A person who knows that bees owned or controlled by him are affected with any infectious disease, exotic parasite, or exotic strain of honey bees, shall at once report that fact to the department, stating all facts known to him about the infection or infestation. Where it has been determined that disease, an exotic parasite, or an exotic strain of honey bees has been found in an apiary, the commissioner may quarantine the apiary to restrict or prevent movement of bee colonies. The commissioner shall post any quarantined apiary with a notice of quarantine and shall send a written notice to the owner or operator of the apiary. If any state is willing to accept bees or used bee equipment from a quarantined yard of bees in Minnesota, the commissioner may, after all known disease has been eliminated, issue a permit allowing the bees and used bee equipment to be moved out of the state.

Sec. 9. [19.58] [INTERSTATE MOVEMENT OF BEES AND USED BEE EQUIPMENT.]

Subdivision 1. [ENTRY PERMIT.] No person may bring into this state any bees on comb or used bee equipment without an entry permit issued by the commissioner. A person who wishes to bring any bees on comb or used bee

equipment into the state shall apply for an entry permit at least 60 days before the date of entry. The 60-day requirement may be waived for a hobbyist beekeeper who intends to become a resident of Minnesota and who brings ten colonies or less into the state.

Ten days before entry, any person required to obtain an entry permit shall furnish to the commissioner a copy of a valid certificate of inspection signed by a responsible official of the state where the bees or equipment originated. The certificate must be based on an inspection within 60 days before entry, and must show that a percentage of the shipment acceptable to the commissioner was actually inspected.

This subdivision does not apply to a common carrier transporting bees or used bee equipment from a point of origin outside of the state to a destination outside of the state.

Subd. 2. [CERTIFICATE OF INSPECTION FROM STATE OF ORIGIN.] No person may bring any combless bees, including queen bees or nuclei, into this state without a statement showing the names and addresses of the consignor or shippers, the consignees or persons to whom shipped, and the locality of origin, and a certificate of inspection signed by a responsible official of the state from which it was brought. The statement must appear clearly and legibly in a conspicuous place on the package containing the material, or on a tag or other device attached to the package or the vehicle carrying the package. The certificate of inspection must show that the official found that the materials were free from any infectious bee diseases, exotic parasites, or exotic strains of honey bees.

Subd. 3. [APPLICATION FOR ENTRY PERMIT.] A person applying for an entry permit shall supply:

(a) a statement of facts relating to the disease history of the apiary from which the colonies of bees will originate as required by the commissioner;

(b) a list of locations where the colonies of bees can be inspected after they are brought into the state by county, range, township, section, and quarter section; and

(c) a statement of any convictions of the applicant for violation of any apiary law of any state or of the United States.

Subd. 4. [EFFECT OF INSPECTION CERTIFICATES.] A certificate of inspection from another state is prima facie evidence of the facts stated in the certificate. The commissioner may inspect any bees or used bee equipment brought into the state with a certificate of inspection from the state of origin and may subject the materials to treatment or return them to the consignor at the consignor's expense if the commissioner finds an infectious bee disease, exotic parasite, or exotic strain of bee. If the commissioner repeatedly finds foulbrood in colonies of bees shipped from another state under official certificates of inspection, the commissioner may refuse to recognize the certificate of that state until the commissioner receives satisfactory information that the inspection service in that state has corrected the situation.

Subd. 5. [DENIAL OF PERMIT.] The commissioner may deny a permit for just cause after five days' notice and an opportunity for the person to be heard.

Subd. 6. [PLACEMENT OF COLONIES.] Bee colonies for which an entry permit has been issued must be placed at the locations listed in the permit. Notice of the placement must be forwarded by the beekeeper to the commissioner within three days after the placement. Each placement of a colony of bees in an unlisted location is a separate violation of law.

Subd. 7. [DUTY TO REPORT.] Any person who transports or receives bees or used bee equipment knowing that the material is without a certificate of inspection or entry permit as required by this section shall report that fact promptly to the commissioner. A transporter shall report the names of the consignor and consignee and the nature of the shipment. A person receiving bees or used bee equipment shall keep them until they are released by the commissioner.

Subd. 8. [PENALTIES.] Any person who brings any bees or used bee equipment into the state without a certificate of inspection or entry permit as required by this section is guilty of a misdemeanor. Each shipment of bees or used bee equipment brought into this state in violation of this section is a separate offense. Each day during which a shipment of bees or used bee equipment remains in this state in violation of this section is a separate offense.

Subd. 9. [NUISANCE; REMOVAL.] Bees and used bee equipment brought into the state in violation of this section may be declared a nuisance by the commissioner, and must be removed from the state within seven days after notification by the commissioner. If the bees and used bee equipment are not removed from the state, the commissioner may proceed as provided in section 7.

Sec. 10. [19.59] [ABANDONED APIARIES.]

An abandoned apiary is subject to quarantine. If an abandoned apiary remains abandoned for 20 days after the owner or operator has been notified by the commissioner to cease the abandonment and neglect of the apiary, the commissioner shall take possession of the apiary and proceed to sell it at public auction. A notice specifying the time and place of the auction must be served upon the owner in the manner provided for the service of process. No abandoned apiary may be sold at a public sale to the owner or operator who abandoned and neglected it. A purchaser at the public sale shall receive a certificate of purchase signed by the commissioner reciting the description of the apiary purchased and the amount paid.

After deducting the expense of the public sale and applying the unpaid balance upon all encumbrances or liens existing against the abandoned apiary sold, the balance of the proceeds shall be paid to the owner of the apiary which was sold.

Sec. 11. [19.60] [RECIPROCAL AGREEMENTS.]

A person bringing a colony of bees from another state shall pay all fees required by sections 1 to 16 unless that state has been a party to a reciprocal agreement with Minnesota as provided in this section for at least 90 days prior to the date of application for an entry permit to bring the bees into Minnesota.

The commissioner may enter into written reciprocal agreements with the

responsible officials of other states having laws governing apiculture. The agreements shall provide that persons transporting bee colonies from this state have exemptions, benefits, and privileges similar to those extended to persons from the other state transporting bee colonies into Minnesota. The commissioner may withdraw from a reciprocal agreement on 30 days' notice when it is in the best interests of Minnesota.

Reciprocal agreements under this section are effective when filed in the office of the commissioner. Withdrawals must be in writing and are effective at the end of the 30-day period.

Reciprocal agreements under this section may contain provisions denying exemptions, benefits, or privileges to persons who violate specified conditions.

Sec. 12. [19.61] [REARING QUEEN BEES.]

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [260.58] [REPORTING OF CHEMICAL ABUSE BY MINORS.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.

(a) “Chemical abuse” or “abuse of chemicals” means use of any psychoactive or mood altering chemical substance, without compelling medical reason, in a manner that induces mental, emotional, or physical impairment and causes socially dysfunctional or socially disordering behavior, to the extent that the minor’s normal functioning in academic, school, or social activities is impaired.

(b) “Informed consent” means consent after the effect and possible consequences of giving consent have been explained in a manner understandable to the person giving consent.

(c) “Minor” means an individual under the age of 18.

(d) “Chemical dependency counselor” means a person with professional training to diagnose or evaluate and counsel minors who are abusing chemicals and who meets the requirements specified by rule for counselors in licensed outpatient programs. For the purposes of this section, except as provided in subdivision 11, a chemical dependency counselor must meet the foregoing definition and also be employed by or under contract with a school, school district, community mental health center, or local unit of government.

Subd. 2. [PERSONS REQUIRED TO REPORT.] A professional who engages in the practice of the healing arts, social services, psychological or psychiatric treatment, child care, or education, who has knowledge or reasonable cause to believe that a minor is abusing chemicals, shall immediately report the information to a chemical dependency counselor. Any professional or delegate of a professional governed by this section who has knowledge that a minor is abusing chemicals shall immediately report the information to a chemical dependency counselor. Each school, school district, institution, facility, or agency that employs a professional or professionals required to report under this section shall designate a chemical dependency counselor to which the professional shall report. Nothing in this subdivision shall be construed to require any report based on a minor’s presence in an institution described in the Code of Federal Regulations, title 42, section 2.12 (a), or more than one report from any school, institution, facility, or agency.

Any person not required to report under this subdivision may voluntarily report to a chemical dependency counselor if the person has knowledge that a minor is abusing chemicals.

Subd. 3. [IMMUNITY FROM LIABILITY.] Any person, including persons voluntarily reporting and persons required to report under subdivision 2, who in good faith and exercising due care makes a report pursuant to this section, is immune from liability, civil or criminal, that otherwise might result by reason of the person’s action, and any individual who so reports shall not be held responsible financially for evaluation or treatment of the minor,

unless the individual is the minor's parent or legal guardian.

Subd. 4. [FALSE REPORTS.] Any person who willfully or recklessly makes a false report under this section is liable in a civil action for any actual damages suffered by the minor or minors so reported and for any punitive damages set by the court or jury.

Subd. 5. [REPORT.] A person required to report or voluntarily reporting under subdivision 2 to a chemical dependency counselor shall report orally by telephone or otherwise. As soon as possible after reporting orally, a person required to report shall submit a written report to the chemical dependency counselor. Any report shall be of sufficient content to identify the minor, the indicators of the minor's chemical abuse and the chemical or chemicals abused, if known, and the name of the reporter, and the address and telephone number at the reporter's place of employment. The oral and written reports shall be confidential, except as provided in subdivisions 8 and 9.

Subd. 6. [EVIDENCE NOT PRIVILEGED; DISCLOSURE.] Evidence regarding the minor's chemical abuse shall not be excluded in any proceeding arising out of alleged neglect, abuse, or dependency on the grounds of physician-patient or husband-wife privilege. Disclosure of evidence shall comply with the data practices act, chapter 13 and applicable federal law and regulations, including Code of Federal Regulations, title 42, section 2.1, et seq.

Subd. 7. [DUTIES OF CHEMICAL DEPENDENCY COUNSELOR UPON RECEIPT OF REPORT.] The chemical dependency counselor shall investigate the report as soon as possible and, if indicated and consented to by the minor, diagnose or evaluate the minor. If the counselor recommends treatment, the chemical dependency counselor shall ensure that the minor receives information regarding available treatment alternatives that include educational instruction appropriate to the minor's educational level, unless the minor has completed secondary school. The chemical dependency counselor shall involve the minor's parents or other responsible family members as soon as practical in the course of evaluation or treatment. The responsibility of a school district for providing educational instruction and transportation, if needed, for the minor shall be determined in accordance with section 120.181.

Subd. 8. [MAINTENANCE, PRIVACY, AND DESTRUCTION OF RECORDS.] Each chemical dependency counselor who receives, maintains, or destroys records collected in accordance with this section shall comply with the Code of Federal Regulations, title 42, sections 2.1, et seq. and with chapter 13. An individual subject of a record shall have access to the record in accordance with that chapter and federal regulations, except that the name of the reporter shall be confidential while the report is under investigation. After the investigation is completed, the name of the reporter shall be confidential but shall be accessible to the minor upon court order. If upon investigation a report is found to be unsubstantiated, the chemical dependency counselor shall notify the minor of the counselor's intent to destroy the records. At the minor's request, the records shall be maintained for two years as private data. If the minor does not so request within 30 days of the notice of intent to destroy, the chemical dependency counselor shall destroy

the records.

Subd. 9. [DISCLOSURE OF RECORDS.] Records related to a minor's alleged abuse of chemicals shall be disclosed only:

(a) with the minor's prior written informed consent, except that disclosure is limited to information necessary in light of the need or purpose for the disclosure and, where applicable, shall comply with Code of Federal Regulations, title 42, sections 2.1, et seq.; or

(b) as needed to medical personnel in a medical emergency; to qualified personnel for research, audits, or program evaluation, but those personnel shall not disclose the minor's identity; or as authorized by court order upon a showing of good cause.

Subd. 10. [CONSEQUENCES OF FAILURE TO COMPLY.] A minor who refuses to undergo a diagnosis or evaluation by either a chemical dependency counselor as defined in subdivision 1, paragraph (d) or another chemical dependency counselor, whether or not employed or under contract as specified in section 1, subdivision 1, paragraph (d), whom the minor or the minor's parent selects, might be subject to action under chapter 127 for suspension or dismissal, chapter 253 for civil commitment, or chapter 260 for neglect or dependency, if action is taken in accordance with and under the conditions of those chapters.

If a parent refuses to allow his minor child to undergo a diagnosis or evaluation by any chemical dependency counselor, whether or not employed or under contract as specified in section 1, subdivision 1, paragraph (d), or to participate in any appropriate treatment program, after the petitioner under section 260.131 or the county attorney consults with at least two chemical dependency counselors who both recommend diagnosis, evaluation, or treatment, the minor may be alleged to be neglected or dependent in accordance with sections 260.011 to 260.301.

Sec. 2. [260.585] [RULES.]

The commissioner of public welfare may promulgate rules to implement the provisions of section 1 governing receipt, investigation, and maintenance of reports and records.

Sec. 3. [260.587] [NOTICE.]

The commissioners of health, education, and public welfare shall notify persons required to report under section 1, subdivision 2, of their duty to report and the provisions of section 1.

Sec. 4. [EFFECTIVE DATE.]

Mr. Purfeerst from the Committee on Transportation, to which was referred

S.F. No. 379: A bill for an act relating to metropolitan government; giving the metropolitan transit commission power to regulate the operation of taxicabs within the seven county metropolitan area; amending Minnesota Statutes 1982, section 473.405, subdivision 1; proposing new law coded in Minnesota Statutes, chapter 473.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [221.85] [TAXICAB OPERATOR.]

Subdivision 1. [DEFINITION.] For the purposes of this section, the following terms have the meanings given them.

(a) "Taxicab operator" means a person licensed by the board to engage in transporting persons, property, or freight for hire and whose principal place of business is within the metropolitan area. "Taxicab operator" does not mean:

(1) a permit carrier as defined in section 221.011;

(2) a cartage service performed or to be performed by, for, or on behalf of a common carrier by rail or truck or any motor carrier subsidiary or affiliate of the common carrier by rail or truck.

(b) "Taxicab" means a passenger automobile carrying persons, property, or freight for hire upon the public highways in the metropolitan area.

(c) "Metropolitan area" means the counties of Hennepin, Ramsey, Anoka, Washington, Dakota, Carver, and Scott.

Subd. 2. [RULES FOR SAFETY AND SERVICE.] The commissioner

shall prescribe rules for the operation of all taxicab operators, including their facilities, accounts, service, safety of operation and equipment, vehicle marking and identification, qualifications of drivers, maximum hours of service of drivers, and vehicle safety standards including installation of safety devices, interior and exterior condition of vehicle, and vehicle inspections. The commissioner shall inspect or contract for the inspection of each vehicle proposed to be operated under the taxicab permit prior to the issuance of the permit and annually thereafter. The commissioner shall require the filing of annual financial and other reports and shall regulate the taxicab operators in all matters affecting the relationship between the taxicab operators and the traveling or shipping public, and prescribe other rules as necessary to carry out this section. Rules shall be prescribed in accordance with chapter 14 and shall have the force and effect of law. The commissioner shall investigate the operation of all taxicab operators, their compliance with rules of the board and the commissioner and the provisions of this section, and may institute and prosecute actions and proceedings in the district court for enforcement. The commissioner shall establish a procedure for receiving and resolving complaints. The board shall make rules relating to rates and tariffs, and the granting of permits.

Subd. 3. [RATE MAKING POWERS.] The board shall fix and establish just, reasonable, and nondiscriminatory rates, fares, charges, and the rules and classifications incident to tariffs for all taxicab operators. In prescribing the rates, fares, charges, classifications, and rules for carrying freight, persons, or property, the board shall take into consideration the effect of the proposed rates or fares upon the users of the service and upon competitive carriers by motor vehicle and rail. In making its determination, the board shall consider, among other things, the cost of the service rendered by the taxicab operator, including an adequate sum for maintenance and depreciation, and an adequate operating ratio under economical and efficient management. The board shall establish a maximum rate for all taxicab operators, but may not prescribe a minimum rate. No rate or fare shall be put into effect or changed except after public hearing by the board, or except as otherwise provided in this section. The board may authorize changes *ex parte* which, in its opinion, are not of sufficient import to require a hearing. In an emergency, the board may order a change in existing rates or fares without a hearing. In instances of *ex parte* or emergency orders, the board shall, within five days, serve a copy of its order granting the change in rates upon all parties whom the board has reason to believe are interested in the matter. Any party shall have 30 days from the date of the issuance of the order to object to the order. If objection is made, the matter shall be set for hearing with notice to all taxicab operators within the metropolitan area and other interested persons.

Subd. 4. [PERMITS REQUIRED.] Despite section 221.011, subdivision 22, clause (g), no person shall operate a taxicab within the metropolitan area without a permit with respect to the operation. A permit may not be transferred from one operator to another. The board may revoke or suspend the permit of any taxicab operator after notice and hearing for violating a provision of this section or a rule of the commissioner or board governing taxicab operators.

Subd. 5. [PETITION FOR PERMITS.] A person desiring to operate as a

taxicab operator shall file an application with the board specifying the service offered, the name and address of the applicant, and the names and addresses of the officers, if a corporation, and other information the board may require. The applicant shall pay a nonrefundable application fee of \$150 for each vehicle which is proposed to be operated under the permit. The board shall issue the permit upon compliance with all laws and rules relating to the permit unless the applicant's vehicles do not meet the vehicle and equipment rules adopted by the commissioner. The board shall issue a permit to any qualified applicant without regard to the number of existing permits. A permit once granted shall continue in effect until abandoned or unless suspended or revoked, subject to compliance by the permit holder with all applicable provisions of law and rules of the commissioner and board governing taxicab operators.

Subd. 6. [PERMIT FEES.] Upon receiving a permit and upon annual renewal, the petitioner shall pay a registration fee of \$150 for each vehicle to be operated under the permit. Upon issuance of the permit the commissioner shall assign the carrier a permit number, which shall be painted or prominently displayed on both sides of all vehicles used by the taxicab operator under authority of the permit. Permits shall be renewed annually. The commissioner shall furnish annually a distinguishing identification card for each vehicle to be operated under the permit and for which the fee has been paid. The identification card must be carried at all times in the vehicle to which it has been assigned. Identification cards issued under this section are valid only for the period for which the permit is effective. Identification cards must be displayed to any police officer upon request.

Subd. 7. [INSURANCE OF TAXICAB OPERATORS.] Before a permit is issued to a taxicab operator, the operator shall secure and file with the commissioner a certificate of insurance in a form required by the commissioner, evidencing public liability and indemnity insurance in the amount and form the commissioner prescribes, covering injuries and damage to persons, property, or freight arising from the operation of the taxicab. Any insurance issued to satisfy the requirements of this subdivision shall be subject to cancellation for nonpayment of premiums or withdrawals from service of a vehicle covered thereby upon not less than 30 days' written notice to the insured and to the commissioner. Such insurance may from time to time be reduced or increased by order of the commissioner. The failure to maintain and cause to be filed a certificate for any required insurance or security shall, two days after dispatch by the commissioner by certified mail of notice of such suspension, addressed to the last known address of the permit holder, suspend the permit without further administrative proceedings until such time as the requirements of this subdivision have been satisfied.

Sec. 2. [LOCAL REGULATION.]

Subdivision 1. Section 1 supersedes section 412.221, subdivision 20, and any other inconsistent provisions of law, charter, ordinance, rule, and regulation within the metropolitan area relating to regulation of taxicab operators. After June 30, 1984, no local cartage carrier permit shall be issued for the transportation, by taxicab, of property or freight for hire in the metropolitan area. Taxicab operators who hold a courier service permit issued under section 221.121 or a local cartage carrier permit issued under section 221.296 must obtain a permit under section 1 in order to transport property

or freight, for hire by taxicab, in the metropolitan area after June 30, 1984. Section 1 does not give the board or commissioner authority to regulate traffic matters or streets or highways, including taxicab stands.

Subd. 2. A political subdivision which licenses taxicabs must prorate any license fee collected after June 30, 1983, so that the taxicab operator pays only 1/12 of the current annual license fee for each month after June 30, 1983, for which it is subject to local regulation.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 are effective July 1, 1984, in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington."
