The legislature finds that the disposal and transportation of high level radioactive waste is of vital concern to the health, safety, and welfare of the people of Minnesota, and to the economic and environmental resources of Minnesota. To insure the health, safety and welfare of the people, and to protect the air, land, water, and other natural resources in the state from pollution, impairment, or destruction, it is necessary for the state to regulate and control, under the laws of the United States, the exploration for high level radioactive waste disposal within the state of Minnesota. It is the intent of the legislature to exercise all legal authority for the purpose of regulating the disposal and transportation of high level radioactive waste.

Sec. 2. [121.61] [FUND ESTABLISHED.] A school employee fringe benefit fund is established in the state treasury to provide self-funded fringe

benefit coverage. The fund consists of the premiums received from employers participating in the fund. All money in the fund is appropriated to the commissioner to administer the fund and to pay claims made upon the fund.

Sec. 3. [121.62] [BOARD ESTABLISHED.]

Subdivision 1. [MEMBERSHIP; APPOINTMENT.] The school employee fringe benefit board consists of 11 members: four teachers, one other school employee, five public members knowledgeable in the field of insurance and employee benefits, and the commissioner or a designee. The governor shall appoint all of the members of the board, after seeking recommendations from the Minnesota Education Association and the Minnesota Federation of Teachers for members, for terms ending June 30, 1987.

Subd. 2. [SUBSEQUENT APPOINTMENTS.] The governor shall, after seeking recommendations from the Minnesota Education Association and Minnesota Federation of Teachers, appoint four teachers, as defined in section 179.63, subdivision 13, who represent the exclusive bargaining agents in the same proportion those bargaining agents bear to one another in the total population of participating employees at the time of the appointment. The governor shall appoint other school employees from among remaining fund participants.

Subd. 3. [TERMS.] Members shall serve four-year terms but half of the members in each appointment category shall be appointed to a two-year term ending June 30, 1989, and half to a four-year term ending June 30, 1991.

Subd. 4. [EXPENSES.] Members of the board serve without compensation, but receive necessary expenses while attending meetings of the board or meetings of a committee authorized by the board, to be paid out of the fund under section 15.0575. In addition, necessary expenses may include the salary of a substitute teacher whom the employing unit is required to hire. The board may reimburse the employing unit for the salary of the substitute teacher. Members of the board shall suffer no loss of compensation because of service on or for the board or a committee authorized by the board.

Subd. 5. [MEETINGS.] Members of the board elect one member to be chair of the board and the chair is responsible for calling and presiding at all board meetings. The board shall meet regularly at a time it determines. Special meetings may be held at any time at the call of the chair or any three board members.

Subd. 6. [DUTIES.] The board shall:

(1) establish the level of benefits consistent with sections 5 to 7 and the amount of premium consistent with section 8, and shall make these determinations by May 15, 1985;

(2) establish the effective dates for group insurance contracts;

(3) establish effective dates for changes in coverage and changes in premium payments;

(4) determine eligibility requirements for active and retired employees and for dependents;

(5) report annually to the legislative commission on employee relations a detailed statement of assets and liabilities, the amount and character of the

business transacted, and money reserved and expended during the previous year; and

(6) establish procedures for holding school district elections on the question of participation in and withdrawal from the fund.

Sec. 4. [121.63] [DUTIES OF COMMISSIONER.]

The commissioner shall:

(1) provide staff assistance and technical advice to the board;

(2) adopt rules to carry out the purposes of the fund; the rules may be adopted as temporary rules under sections 14.29 to 14.36 and, if so adopted, remain in effect through the end of the school year during which they are adopted or up to 180 days, whichever is greater;

(3) contract with one or more carriers to administer the fund consistent with section 43A.23 without regard to sections 471.616 and 471.617;

(4) procure excess or stop loss coverage as the commissioner deems necessary; and

(5) establish necessary accounts and reserves.

Sec. 5. [121.64] [ELIGIBILITY.]

Subdivision 1. [EMPLOYER-PAID BENEFIT.] Eligibility for employer-paid benefits shall be determined by a collective bargaining agreement. For employees not represented by an exclusive representative, the employer may determine eligibility subject to board approval. Eligible employees are also entitled to receive coverage from the close of regular classes to the beginning of the following school year.

Subd. 2. [CONTINUATION OF COVERAGE.] (a) A participating employee who is laid off or on unrequested leave may elect to continue the fringe benefit coverage at the expense of the employee unless otherwise provided by a collective bargaining agreement. This coverage continues until the employee is reemployed and eligible for health care coverage under a group policy or for a period not to exceed five years from the date the benefits would have ceased, whichever is less.

(b) A participating employee who retires prior to age 65 and is entitled at the time of retirement to receive an annuity under chapters 352, 353, 354, or 354A is eligible to continue to participate at the retiree's expense in the group health, dental, and life plan established by section 7 at premiums established by the board, unless otherwise provided by a collective bargaining agreement. A spouse of a deceased retired employee who receives an annuity under chapters 352, 353, 354, or 354A may purchase the coverage established by this subdivision if the spouse was a dependent under the retired employee's coverage at the time of the death of the retired employee.

(c) The fringe benefit coverage established by section 7 may continue in the event of a strike permitted by section 179.64, if the exclusive representative chooses to have coverage continue and the employee pays the monthly premiums when due.

Sec. 6. [121.641] [PARTICIPATION IN FUND.]

Subdivision 1. Each exclusive representative for an eligible employer de-

termines whether the employees it represents will participate in the fund. The exclusive representative must give notice to the employer of its determination to participate in the fund prior to the execution of a new collective bargaining agreement. The employer and exclusive representative may by mutual consent determine to participate in the fund at any time. For employees not represented by an exclusive representative, the employer must conduct an election among its eligible employees. The decision to participate in the fund is for a three-year term if coverage begins in an even-numbered year and a four-year term if coverage begins in an odd-numbered year. An eligible employer not participating in the fund may begin to participate by notifying the commissioner. Participation begins the following July 1.

Subd. 2. [WITHDRAWAL.] Once an employer participates in the fund, it continues to participate until the exclusive representative notifies the commissioner of his intention to withdraw. Withdrawal is effective the next July 1 in an odd-numbered year. Where there is no exclusive representative, an election may be held on the withdrawal question if a demonstration of significant interest in withdrawal is made to the commissioner.

Sec. 7. [121.642] [BENEFITS.]

Subdivision 1. [MANDATORY COVERAGE.] Coverage is established by the board and must include health, dental, and life insurance benefits for eligible employees and health benefits for dependents.

Subd. 2. [OPTIONAL COVERAGE.] (a) The plan must offer optional dependent dental coverage and optional long-term disability coverage for employees consistent with applicable collective bargaining agreements.

(b) The board may make available to eligible employees and their dependents other optional coverage provided by carriers selected by the commissioner. This optional coverage requires approval of the exclusive representative and the employer. For employees not represented by an exclusive representative, the employer may offer optional coverage to eligible employees and their dependents.

Subd. 3. [HEALTH BENEFITS.] (a) The self-funded plan approved by the board is subject to the requirements of chapters 62A and 62E, unless specifically exempted. At a minimum, the self-funded plan must offer the number three qualified plan described in section 62E.06, subdivision 1, or its actuarial equivalent, except as provided in this section. The plan must include a maximum lifetime benefit of not less than \$500,000; an annual deductible amount of \$100 or an annual family deductible of \$300; and a total annual maximum out-of-pocket expense of \$1,000.

(b) The plan must contain cost containment measures designed to control premium costs. The plan may contain such cost containment measures as: second opinion surgery, presurgery approval for selected procedures, re-evaluation of hospital confinement after 14 days, self-auditing bill credit, hospice care, incentives for out-of-hospital testing and surgical procedures, and wellness programs.

Subd. 4. [HEALTH MAINTENANCE ORGANIZATIONS.] Participating employees may choose to enroll in a health maintenance organization in lieu of the coverage established by this section. The plans available are those offered by the commissioner under section 43A.23. An employee electing

coverage under this subdivision is covered by the life and dental coverage established by this section.

Sec. 8. [121.643] [PREMIUMS.]

Subdivision 1. [NOTICE.] On receiving notice that a group of employees of an eligible employer elects to participate in the fund, the commissioner shall promptly notify the employer of the total monthly premium.

Subd. 2. [EMPLOYER CONTRIBUTION.] The employer pays the total monthly premium for employee health, dental, and life benefits. The employer contribution for dependent health benefits shall be determined by a collective bargaining agreement. For employees not represented by an exclusive representative, the employer may make reasonable modifications in these amounts.

Subd. 3. [OPTIONAL COVERAGE.] The employer and employee contributions toward the premium for optional coverage are determined by a collective bargaining agreement. For an employee not represented by an exclusive representative, the employer determines the amount to be contributed by each.

Subd. 4. [PAYMENT.] (a) The eligible employer shall pay the total monthly premium to the commissioner. If the total monthly premium of an eligible employer is not paid when due, the unpaid balance bears interest at the rate of 1-1/2 percent per month or any part of a month. Interest collected under this subdivision is deposited in the fund.

(b) Each eligible employer shall deduct and withhold the amount the employee is required to pay to the fund and shall regularly furnish the employee a statement showing the amount.

Subd. 5. [NONTAXABLE EMPLOYEE PAYMENTS.] (a) The board shall establish a dependent care assistance program for eligible employees so that it qualifies as a nontaxable employee benefit program under section 129 of the Internal Revenue Code of 1954, as amended through December 31, 1983. The program shall provide that employees may elect to convert part of their salary to dependent care assistance payments. The commissioner shall charge participating employees a fee to cover the cost of administering the program.

(b) The board shall immediately establish benefit expense accounts for employee-paid premiums that are designed to qualify as nontaxable under section 125 of the Internal Revenue Code of 1954, as amended through December 31, 1983.

Sec. 9. [121.65] [DATA PRIVACY.]

No member of the board, eligible employer, or carrier shall disclose any information about individual claims or total claims of an individual without the consent of the individual, unless necessary to enable them to perform their duties in administering the fund. This provision does not prevent the disclosure of aggregate claims for the group without identification of any individual. A parent or legal guardian of a minor may act on behalf of the minor in the disclosure of a record.

Sec. 10. [APPROPRIATION.]

The sum of \$..... is appropriated to the commissioner of employee relations from the general fund for the purpose of administering the fringe benefit board and fund under sections 1 to 9, to be available for the fiscal year ending June 30, 1985.
