### MOTIONS AND RESOLUTIONS

Mr. Isackson moved that Senate Resolution No. 26 be taken from the table. The motion prevailed.

**Senate Resolution No. 26:** A Senate resolution declaring the sense of the Senate that the Commodity Credit Corporation should authorize loan advances to fund spring planting.

WHEREAS, dangerously high interest rates, coupled with low grain prices, decreasing land values and the strong dollar preventing exports have caused grave concern among farmers and economic experts throughout the United States; and

WHEREAS, there is currently desperate concern within the agricultural community that the federal government will repeal programs that have provided farmers financial aid during recent years; and

WHEREAS, the approval of a federal farm program that is less than attentive to the urgent needs of American agriculture could cause the virtual collapse of the farm industry and submerge this nation into an economic depression; and

WHEREAS, with the spring planting season just weeks away, farmers need capital to put in their crops; **NOW; THEREFORE,**

**BE IT RESOLVED** by the Senate of the State of Minnesota that it is the sense of the Senate that the Secretary of Agriculture of the United States should expeditiously act to authorize the Commodity Credit Corporation to advance part of the loan that farmers normally receive for sealing grain as either a recourse or nonrecourse loan to pay for spring planting expenses. This advance could be handled by local ASCS offices which are already in place requiring no extra funding and would be paid back at the 9-1/8 percent rate at which the Commodity Credit Corporation receives money.

Mr. Isackson moved the adoption of the foregoing resolution. The motion prevailed. So the resolution was adopted.

Without objection, the Senate reverted to the Order of Business of Reports
