[HARDSHIP ACQUISITION AND RELOCATION.] (a) The council may make hardship loans to acquiring authorities within the metropolitan area to purchase homestead property located in a proposed state trunk highway corridor or project, and to provide relocation assistance. Acquiring authorities are authorized to accept the loans and to acquire the property. Except as provided in this subdivision, the loans shall be made as provided in subdivision 2. Loans shall be in the amount of the appraised fair market value of the homestead property plus relocation costs and less salvage value. Before construction of the highway begins, the acquiring authority shall convey the property to the commissioner of transportation at the same price it paid, plus relocation costs and less its salvage value. Acquisition and assistance under this subdivision must conform to sections 117.50 to 117.56.

(b) The council may make hardship loans only when:

(1) the owner of affected homestead property requests acquisition and relocation assistance from an acquiring authority;

(2) federal financial participation is not available;

(3) the owner is unable to sell the homestead property at its appraised market value because the property is located in a proposed state trunk highway corridor or project as indicated on an official map or plat adopted under sections 160.085, 394.361, or 462.359;

(4) the appraisal of the fair market value of the homestead property has been approved by the council. The council's approval shall not be unreasonably withheld; and

(5) the owner of the homestead property is burdened by circumstances that the council determines constitute a hardship, such as catastrophic medical expenses; a transfer of the homestead owner by his or her employer to a distant site of employment; or inability of the owner to maintain the property due to physical or mental disability or the permanent departure of children from the homestead.

(c) For purposes of this subdivision, the following terms have the meanings given them.

(1) "Acquiring authority" means counties, towns, and statutory and home rule charter cities in the metropolitan area.

(2) "Homestead property" means a single-family dwelling occupied by the owner, and the surrounding land, not exceeding a total of ten acres.

(3) "Salvage value" means the probable sale price of the dwelling and other property that is severable from the land if offered for sale on the condition that it be removed from the land at the buyer's expense, allowing a reasonable time to find a buyer with knowledge of the possible uses of the property, including separate use of serviceable components and scrap when there is no other reasonable prospect of sale.

Sec. 2. Minnesota Statutes 1984, section 473.167, subdivision 3, is amended to read:

Subd. 3. [TAX.] The council may levy a tax on all taxable property in the metropolitan area, as defined in section 473.121, to provide funds for loans made pursuant to ~~subdivision~~ subdivisions 2 and 2a. The tax shall be certified by the council, levied, and collected in the manner provided by section 473.08. The tax shall be in addition to that authorized by section 473.249 and any other law and shall not affect the amount or rate of taxes which may be levied by the council or any metropolitan agency or local governmental unit. The amount of the levy shall be as determined and certified by the council, except as otherwise provided in this subdivision. The tax shall not be levied at a rate higher than five one-hundredths of one mill. The tax shall not be levied at a rate higher than that determined by the council to be sufficient, considering the other anticipated revenues of and disbursements from the loan fund, to produce a balance in the loan fund at the end of the next calendar year equal to twice the amount that a tax levy of five one-hundredths of a mill would raise in that year.

Sec. 3. [AFFECTED COUNTIES.]
