Mr. Bernhagen moved to amend S.F. No. 1636 as follows:

Delete everything after the enacting clause and insert:

"Section 1. [17.89] [PROCEEDINGS.]

Subdivision 1. [COMMENCEMENT.] All proceedings for the foreclosure of a mortgage, the cancellation of a contract-for-deed, or the repossession of or collection against agricultural property having a current fair market value of more than \$5,000 must be suspended following notice of default until (1) the creditor commencing the foreclosure proceedings has engaged in mediation or otherwise has negotiated in good faith with the debtor concerning possible adjustment and refinancing, as well as payment, of the debt; (2) the creditor has offered to engage in mediation or to negotiate in good faith with the debtor, and the debtor has refused to participate in mediation or refused to negotiate in good faith; (3) the debtor has failed to request mediation within 15 days after notice of default is given; or (4) an additional 60 days have elapsed beyond any time period that normally must elapse after notice of default and before foreclosure, cancellation, or repossession may be commenced.

Subd. 2. [CONTENTS OF NOTICE OF DEFAULT.] A notice of default affecting a mortgage, cancellation of a contract-for-deed, or repossession against agricultural property having a fair market value of more than \$5,000 may contain an affidavit stating how the conditions of subdivision 1, clause

(1) or (2), have been met. Actions initiated by a default notice containing such an affidavit may proceed without regard to the 60-day suspension period unless the debtor challenges the accuracy of the affidavit in district court.

Subd. 3. [DEFINITION.] For purposes of sections 1 to 5, "agricultural property" means real property that is principally used for farming, as defined in section 500.24, subdivision 2, paragraph (a), and any property that is used as security in financing a farm operation or used as part of a farm operation including but not limited to equipment, crops, livestock, and proceeds of the property. "Agricultural property" does not include property of farm operations of less than 60 acres, including leased property, with less than \$20,000 in gross sales of agricultural products in the preceding year.

Subd. 4. [REDEMPTION PERIOD INCREASED.] If the proceedings for the foreclosure of agricultural property are allowed to proceed only because the 60-day suspension period has expired under subdivision 1, clause (4), then the period of time within which the debtor may redeem the property is increased by 60 days.

Sec. 2. [17.892] [EVIDENCE.]

Participation in mediation, as specified in section 3, over a period of at least 30 days creates a presumption that a creditor has negotiated in good faith as required by section 1. A creditor's request to the agricultural extension service to participate in mediation, as specified in section 3, creates a presumption that the creditor has offered to negotiate in good faith with the debtor.

Sec. 3. [17.894] [MEDIATION.]

A debtor or creditor with an interest in agricultural property may request mediation from the agricultural extension service by filing a written request with the service. A creditor may not file a request for mediation under this section unless there has been a default on the loan that would be the subject of mediation. However, a creditor need not have given official notice of default in order to request mediation.

A creditor must file a copy of its request for mediation with the debtor. A debtor may file a copy of any request for mediation with any of the debtor's other creditors. A debtor's request to the extension service must be submitted on a form supplied by the extension service, and must provide all information relevant to the relationship with the creditor asked for on the form.

The extension service shall accept each request for mediation and may appoint a mediator or a team of mediators as needed. The extension service shall notify the creditor filing the request, all other creditors named by the debtor, and the debtor, within 20 days of receiving a request for mediation, of whether or not it will appoint a mediator, and the name of the mediator if one is appointed. The mediator shall offer to meet with the creditor and debtor together within ten days of appointment. Unreasonable failure of a debtor or a creditor to meet as requested by the mediator over a period of 30 days, starting with the day on which the first meeting is scheduled, creates a presumption that a creditor or debtor is not negotiating in good faith.

The mediator shall meet with the debtor and all named creditors desiring to participate and attempt to help the parties reach an agreement. The mediator

has no authority to impose an agreement on the debtor or any creditor. At the conclusion of mediation sessions the mediator shall file a written report with the extension service summarizing the results of mediation efforts and noting any failure of the debtor or any named creditor to attend a meeting when requested to attend by the mediator.

Sec. 4. [17.896] [MEDIATORS.]

The agricultural extension service shall provide mediators by contracting with qualified persons and shall assure that mediators are knowledgeable in as many as possible of the following areas: agricultural economics, legal issues related to agriculture and financial institutions, lending, and mediation. Contracts for mediation services must assure that the mediator will be available to meet with the parties at reasonable times for at least 30 days from the first mediation session.

A mediator must not:

- (1) advise a farmer to engage in a criminal or fraudulent act;
- (2) engage in mediation involving a lending institution with which the mediator has, or has had, a farm-related loan or account;
- (3) engage in mediation involving a farmer that the mediator has a business relationship with; or
- (4) accept compensation in any form from a party to mediation that the mediator is engaged in.

Contracts between the extension service and a mediator must incorporate the terms of clauses (1) to (4).

Sec. 5. [17.898] [DATA.]

All data regarding the finances of individual debtors and creditors created, collected, or maintained by the extension service or a mediator under contract to the extension service are private data or nonpublic data, as defined in chapter 13, except as to those entitled to participate in mediation meetings.

Sec. 6. [APPROPRIATION.]

Subdivision 1. [AGRICULTURAL EXTENSION SERVICE.] \$1,277,200 is appropriated from the general fund to the University of Minnesota agricultural extension service for purposes of sections 1 to 5 to be available until June 30, 1987.

Subd. 2. [FARM ADVOCATES.] \$356,200 is appropriated from the general fund to the commissioner of agriculture to provide for farm advocates to be available until June 30, 1987."
