Senate Resolution No. 23: A Senate resolution stating the sense of the Senate that the governments of the United States and the Socialist Republic of Vietnam take all possible action to determine the fate of persons missing in action and/or held as prisoners of war in Asian nations.

WHEREAS, on the 27th of January 1987, 14 years will have elapsed since the agreement to end American involvement in the war in Southeast Asia; and

WHEREAS, one of the conditions of that agreement was a provision for a return or an accounting of those persons who were missing in action and those persons who were prisoners of war; and

WHEREAS, the government of Vietnam has only provided information on a limited number of those still carried as unaccounted for, and this only through the pressure of determined families, concerned citizens, and very dedicated elected officials; and

WHEREAS, 2,421 Americans, including 44 Minnesotans, remain unaccounted for, with investigation of their status arrested by failure of the Socialist Republic of Vietnam and its allied governments to cooperate and assist; and

WHEREAS, there have been and continue to be live sightings and reports that some of these missing men are still alive in Southeast Asia; and

WHEREAS, the sorrow, anxiety, and frustration of the families and the citizens of the State of Minnesota for these men cannot be dispelled by either delay or neglect; and

WHEREAS, it is America's duty to ensure, through an authentic, comprehensive investigation, the return of Americans still within Southeast Asia and to account for Americans who have perished there; and

WHEREAS, Congress has established several task forces on American Prisoners and Missing in Southeast Asia that have held hearings to consider evidence relating to the status of the missing in Southeast Asia; and

WHEREAS, through these many hearings over the years, it has been resolved to not rule out the possibility that Americans remain alive in Asian nations; and

WHEREAS, many of those who have served on those committees and have knowledge resulting from the hearings have attempted to express their beliefs that there are Americans possibly still detained; and

WHEREAS, it is absolutely essential that the governments of the United States and the Socialist Republic of Vietnam act NOW to address this question of those missing Americans; NOW, THEREFORE,

BE IT RESOLVED by the Senate of the State of Minnesota that the government of the United States should do all it can to answer the questions surrounding the status of the missing men, to secure the return of any living

prisoners or missing men, and to secure the return of the remains of those that have died.

BE IT FURTHER RESOLVED that the Socialist Republic of Vietnam should immediately yield all information it has on the status of the missing especially since there is no reason for them to refuse to give this information other than a calculated effort to protract the agony of the families of the missing.
