Pages 45 to 60, delete article 5 and insert:

“ARTICLE 5 HOSPITAL SUBSIDIARY CORPORATION EMPLOYEES; AMBULANCE SERVICE PERSONNEL RETIREMENT PLAN

Section 1. Minnesota Statutes 1986, section 246A.12, subdivision 5, is amended to read:

Subd. 5. [RETIREMENT EXCLUSION.] Persons initially employed by the hospital subsidiary corporation following the effective date of Laws 1986, chapter 462, section 12 shall be September 3, 1986, are excluded from the definition of “public employee” pursuant to the public employees retirement act, chapter 353, unless a person initially employed by the hospital subsidiary corporation after September 3, 1986, elects coverage in the public employees retirement association under subdivision 5a.

Sec. 2. Minnesota Statutes 1986, section 246A.12, is amended by adding a subdivision to read:

Subd. 5a. [ELECTION OF COVERAGE.] A person initially employed by the hospital subsidiary corporation after September 3, 1986, may elect, within 30 days of employment or 30 days of the effective date of this act, to be covered by the public employees retirement association and to be included in the definition of “public employee” in section 353.01, subdivision 2. The hospital subsidiary corporation shall make all required

contributions and submit any required information to the association with respect to an employee who exercises the option to elect coverage by the public employees retirement association under this subdivision.

Sec. 3. Minnesota Statutes 1986, section 246A.12, subdivision 6, is amended to read:

Subd. 6. [RETIRED ELECTION CURRENT EMPLOYEES.] All employees presently members of the public employees retirement association transferred to the hospital subsidiary corporation pursuant to subdivision 2 shall continue to be included in the definition of "public employee" pursuant to the public employees retirement act, chapter 353. ~~The transferred employees shall not have the election to terminate their participation in the public employees retirement association created pursuant to chapter 353 prior to June 30, 1987.~~

Sec. 4. [353A.01] [AMBULANCE SERVICE PERSONNEL RETIREMENT PLAN.]

Subdivision 1. [ESTABLISHMENT.] The ambulance service personnel retirement plan is administered by the public employees retirement association under supervision of the association board of directors. To assist it in governing the operations of the plan, the board may appoint an advisory committee of not more than seven members who are representative of governmental ambulance service operators and ambulance service personnel.

Subd. 2. [COVERAGE.] Coverage under the retirement plan is open to basic and advanced life support emergency medical service personnel employed by or providing services for any public ambulance service that elects to participate. First response personnel and emergency medical service personnel who are currently covered by a public or private pension plan because of their employment or provision of services are not eligible to participate in the plan.

Sec. 5. [353A.02] [ELECTION OF COVERAGE.]

Each public ambulance service with eligible personnel may elect to participate in the plan. If a service elects to participate, its eligible personnel may elect to participate or to decline to participate. An individual's election must be made within the latter of 30 days of the service's election to participate or 30 days of the date on which the individual was employed by the service or began to provide service for it. An election by a service or an individual is irrevocable.

Sec. 6. [353A.03] [FUNDING OF PLAN.]

A public ambulance service that elects to participate in the plan shall fund benefits for its qualified personnel who individually elect to participate, except that personnel who are paid for their services may elect to make member contributions in an amount not to exceed the service's contribution on their behalf. Ambulance service contributions on behalf of salaried employees must be a fixed percentage of salary. An ambulance service making contributions for volunteer or largely uncompensated personnel may assign a unit value for each call or each period of alert duty for the purpose of calculating ambulance service contributions.

Sec. 7. [353A.04] [CONTRIBUTIONS TO PLAN.]

Ambulance service contributions to the plan may be made from any

source of funds available to the ambulance service. Contributions must be remitted monthly to the association together with any member contributions paid or withheld during the preceding month. Contributions shall be credited to the individual account of each participating member.

Sec. 8. [353A.05] [INVESTMENT OF FUNDS.]

Subdivision 1. [INVESTMENT.] Ambulance service contributions, after the deduction of an amount for administrative expenses, and member contributions must be remitted to the state board of investment for investment in the Minnesota supplemental investment fund established by section 11A.17.

Subd. 2. [INVESTMENT OPTIONS.] (a) An individual participant may elect to purchase shares in the income share account, the growth share account, the money market account, the bond market account, or the common stock index account established by section 11A.17, or a combination of those accounts. The participant may elect to purchase shares in a combination of those accounts by specifying the percentage of contributions to be used to purchase shares in each of the accounts.

(b) Twice in a calendar year, a participant may indicate in writing a choice of options for subsequent purchases of shares. Thereafter, until the participant makes a different written indication, the executive director of the association shall purchase shares in the supplemental investment fund or funds specified by the participant. If no initial option is indicated by a participant, the executive director shall invest all contributions made by or on behalf of a participant in the income share account. A choice of investment options is effective no later than the first pay date first occurring more than 30 days after receipt of the written choice of options.

(c) Twice in a calendar year, a participant or former participant may also change the investment options selected for all or a portion of the individual's previously purchased shares. If a partial transfer of previously purchased shares is selected, a minimum of \$500 must be transferred and a minimum balance of \$500 must remain in the previously selected investment option. A change may be made only from one account or a combination of accounts to a single account. A change under this paragraph is effective as soon as cash flow to an account permits, but not later than six months from the requested change.

Subd. 3. [ADMINISTRATIVE EXPENSES.] The public employees retirement association may deduct an amount, set annually by the executive director of the association, but not to exceed two percent of ambulance service contributions to the plan, to defray the expenses of the association in administering the plan.

Sec. 9. [353A.06] [REPORTING BY AMBULANCE SERVICES.]

The executive director of the public employees retirement association shall prescribe the form of monthly and any other reports required from an ambulance service and the election forms required from ambulance service members. Member forms shall contain names, identification numbers, amount of contribution by and on behalf of each member, and such other data as is required to keep an accurate account of the account value of each participating employee.

Sec. 10. [353A.07] [BENEFITS.]

Subdivision 1. [TYPE OF PLAN; UNIFORMITY.] The plan is a defined contribution plan where the benefits payable upon retirement, death, or

withdrawal when permitted, are determined by the value of accumulated contributions plus a proportionate share of investment income of the fund credited to each individual account. Each ambulance service shall determine eligibility for participation subject to terms of this act. Eligibility standards must be uniform among all ambulance service personnel of an ambulance service electing to participate.

Subd. 2. [AGE; VESTING.] Normal retirement age is 50 years. Early retirement is not allowed. Sixty months of service credit are required for vesting of retirement benefits. No minimum period of service is required for vesting of death benefits. Withdrawal of or a retirement benefit based on member contributions plus accrued investment income vests immediately. Upon completion of 60 months of service under the plan with one or more ambulance services, a participant terminating active service prior to age 50 is entitled to receive the value of the participant's individual account upon or after attaining age 50. An application by or on behalf of the participant must be filed before any payment of benefits may be made.

Subd. 3. [FORM OF BENEFIT.] A retirement benefit is payable in a lump sum equal to the value of a participant's account at the date of retirement and may be rolled over into another qualified plan at the option of the member. As an alternative to a lump sum distribution, the member may choose to have the association use the total account value to purchase an annuity payable at a designated age from an insurance company licensed to do business in the state.

Subd. 4. [DISABILITY OR DEATH.] No disability coverage shall be provided by the plan. In the event of the death of an active participant with any credited service or a deferred participant under age 50, the total value of the account shall be paid in a lump sum to the designated beneficiary or, if none, the heirs at law of the decedent.

Subd. 5. [FORFEITURES.] The account value of any participant terminating service prior to acquiring a vested interest or of a participant who dies leaving no designated beneficiary or heirs at law must be returned to the public employees retirement association and credited against future ambulance service contributions by the applicable ambulance service or services after the expiration of two years from the date of termination or death.

Sec. 11. [353A.08] [PORTABILITY.]

Qualified ambulance service personnel who change employment or membership among participating ambulance services may continue participation in the plan without penalty or forfeiture after their interest vests. Qualified ambulance service personnel who change employment or membership to a nonparticipating ambulance service are not subject to the forfeiture required by section 10, subdivision 5.

Sec. 12. [353A.09] [TAX QUALIFICATION.]

The public employees retirement association shall adopt rules required for administration of the plan. The proposed plan shall be formulated and adopted in accordance with applicable restrictions and standards of the Internal Revenue Code and rulings and regulations of the Internal Revenue Service in order to assure the tax exempt status of the plan as a qualified pension plan. Contributions by ambulance service personnel and by ambulance service operators may be accepted only after approval by the Internal Revenue Service.

Sec. 13. [353A.10] [NOT CONSIDERED A LOCAL PLAN.]

The plan is not a local governmental pension plan or fund for purposes of section 356.25."

Subd. 3b. [SET-ASIDE MONEY FOR AFDC PRIORITY GROUPS.] (a) Set-aside money for AFDC priority groups must be allocated among the counties based on the average monthly number of caretakers receiving AFDC under the age of 22 and the average monthly number of AFDC cases open 24 or more consecutive months. For each fiscal year the average monthly caseload shall be based on the 12-month period ending March 31 of the previous fiscal year. The commissioner may reallocate quarterly unspent set-aside money to counties that expend their full allocation. The county shall use the set-aside money for AFDC priority groups.

(b) The county shall develop cooperative agreements with the employment and training service provider for coordination of child care funding with employment, training, and education programs for aid to families with dependent children priority groups. The cooperative agreement shall specify that individuals receiving employment, training, and education services under an employability plan from the employment and training service provider shall, as resources permit, be guaranteed set-aside money for child care assistance from the county of their residence.

(c) Counties may contract for administration of the program or may arrange for or contract for child care funds to be used by other appropriate programs, in accordance with this section and as permitted by federal law and regulations.

(d) If the commissioner finds, on or after January 1 of a fiscal year, that set-aside money for AFDC priority groups is not being fully utilized, the commissioner may permit counties to use set-aside money for other eligible applicants, as long as priority for use of the money will continue to be given to the AFDC priority groups.

Sec. 60. Minnesota Statutes 1986, section 268.91, is amended by adding a subdivision to read:

Subd. 3c. [SET-ASIDE MONEY FOR AFDC POST-SECONDARY STUDENTS.] (a) Set-aside money for persons listed in subdivision 3a, clause (2), shall be allocated to the counties based on caseloads of aid to families with dependent children for the preceding fiscal year, as determined by the commissioner of human services.

(b) Money allocated in paragraph (a) must be used for child care expenses of AFDC recipients attending post-secondary educational programs, excluding post-baccalaureate programs, and making satisfactory progress towards completion of the program.

(c) Once each quarter the commissioner shall review the use of child care fund allocations under this subdivision by county. The commissioner may reallocate unexpended or unencumbered money among those counties that have expended their full portion for the purposes of this subdivision.

(d) A county may claim federal reimbursement under the AFDC special

(e) Recipients of AFDC who have completed their post-secondary education and had received child care funds during that education shall be assured, to the extent of available resources, of sliding fee money for employment programs after graduation if they meet sliding fee program eligibility standards.

The post-secondary educational systems shall allocate their money among institutions under their authority based on the number of students with dependent children enrolled in each institution in the last fiscal year. The commissioner shall transfer the allocation for each post-secondary institution to the county board of the county in which the institution is located, to be held in an account for students found eligible for child care sliding fee assistance and attending the institution.

(b) Post-secondary educational institutions shall take applications for the child care sliding fee program from students and determine eligibility based on this section and rules promulgated by the commissioner. If a person is eligible for the child care sliding fee program, the post-secondary institution shall notify the county. The county shall process the person's application and make vendor payments to the person's child care provider from the institution's account. Set-aside money must be used to subsidize child care expenses for eligible students making satisfactory progress toward completion of a program. The post-secondary institution must provide the county with quarterly reports on students' progress. The post-secondary educational institution shall not approve applications for sliding fee assistance in excess of the set-aside money allocated to it under paragraph (a).

(c) The post-secondary educational systems may reallocate unspent money among institutions under their authority. If by May 15 of any year set-aside money is unspent, the commissioner may reallocate the money among post-secondary educational systems, or reallocate it to the counties.
