(1) for aids paid in 1989 only, (i) for a school district in which the school board has adopted a resolution, before April 1, 1988, calling for a referendum levy according to section 124A.03, subdivision 2, first payable in 1989, redetermine the homestead credit that would have been paid to the school district if the referendum levy called for by the board, and subsequently adopted by the district's voters in an election occurring prior to June 1, 1988, had been in effect for taxes payable in 1988, and (ii) determine the amount of homestead credit reimbursement that would have been paid to the taxing jurisdiction in 1988 under Minnesota Statutes 1986, section 273.13, subdivision 15a, on nonagricultural homesteads in 1988 if the homestead credit percentage provided in Minnesota Statutes 1986, section 273.13, subdivision 22, had been determined by using a rate of 52 percent and as if there had been no \$700 maximum; for purposes of the determination under item (ii), any additional amounts resulting from the determination under item (i) shall be taken into account;

(2) for aids payable in 1990 and subsequent years, the initial aid is the amount paid in the previous year; and

(3) for aids paid in ~~1988~~ 1989 only, the initial amount determined under clause (1) for all taxing jurisdictions levying within each school district shall be reapportioned among all taxing jurisdictions in proportion to their share of the total levy by all taxing jurisdictions in payable 1988.

assessed value of the total homestead base value of nonagricultural homesteads in the taxing jurisdiction for the previous assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the previous assessment year. The county auditor shall certify the estimated assessed value of the total homestead base value and the total homestead exemption amount, of nonagricultural homesteads and the estimated assessed value of all property in the taxing jurisdiction as of July 15 to the commissioner of revenue.

(c) For aids paid in 1989 and thereafter, the amounts determined under paragraph (b) shall be adjusted as follows:

(i) for cities, towns, and special taxing districts, multiply the amount by one plus the implicit price deflator as defined in section 275.50, subdivision 8;

(ii) for counties, multiply the amount by the following factors: first, by the ratio of the total county levy, except the sum of the levy for income maintenance not including administrative costs plus the levy for social services, to the total county levy multiplied by one plus the implicit price deflator as defined in section 275.50, subdivision 8; second, by the ratio of the sum of the levy for income maintenance, not including administrative costs plus the social service levy of the county to the total county levy multiplied by the estimated increase in county social service costs and income maintenance program costs, not including income maintenance administrative costs; as used in this subclause (ii), "levy" means the levy for taxes payable in the year preceding the year in which the aid is paid;

(iii) for school districts, multiply the amount by the ratio of the school district's levy limit, exclusive of any referendum levy authorized under section 124A.03, subdivision 2, for taxes payable in the preceding year to its levy limit for taxes payable in the year in which the aid is paid exclusive of any such referendum levy.

The county must certify actual social service and income maintenance levies to the commissioner of revenue, who will adjust the final aid amounts paid under this section and section 273.1395 accordingly.

For purposes of the determination under item (ii), any additional amounts resulting from the determination under item (i) shall be taken into account. For aid payable in 1990 and subsequent*

years, the initial aid is the amount paid in the previous year.

(2) An amount determined in clause (1) shall be multiplied by a fraction, the numerator of which is the ratio of the estimated assessed value of property qualifying for the agricultural credit under Minnesota Statutes 1986, section 124.2137, in the taxing jurisdiction for the current assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the current assessment year, and the denominator of which is the ratio of the estimated assessed value of property qualifying for the agricultural credit under Minnesota Statutes 1986, section 124.2137, in the taxing jurisdiction for the previous assessment year to the estimated total assessed value of all property within the taxing jurisdiction for the previous assessment year. The county auditor shall certify the estimated assessed value of property qualifying for the agricultural credit under Minnesota Statutes 1986, section 124.2137, and the estimated assessed value of all property in the taxing jurisdiction as of July 15 to the commissioner of revenue.
