**REPORTS OF COMMITTEES**

Mr. Moe, R.D. moved that the Committee Reports at the Desk be now adopted, with the exception of the report on S.F. No. 505 and reports pertaining to appointments. The motion prevailed.

Ms. Berglin from the Committee on Health and Human Services, to which was re-referred

S.F. No. 590: A bill for an act relating to veterans; requiring a presentence investigation report on a convicted veteran to include information on whether the veteran is suffering from a posttraumatic stress disorder; requiring the chief executive officers of correctional facilities to provide veteran inmates suffering from posttraumatic stress disorders with appropriate medical care; amending Minnesota Statutes 1988, sections 241.06; and 609.115, by adding a subdivision.

Reports the same back with the recommendation that the bill be amended as follows:

Page 1, line 15, after "(a)" insert "*“Posttraumatic stress disorder” means the disorder described in this paragraph. A person who has post-traumatic stress disorder has experienced an event that is outside the range of usual human experience and that would be markedly distressing to almost anyone, such as serious threat to one's life or physical integrity; serious threat or harm to one's children, spouse, or other close relatives and friends; sudden destruction of one's home or community; or seeing another person who has recently been, or is being, seriously injured or killed as the result of an accident or physical violence. The traumatic event is persistently reexperienced in at least one of the following ways:*

*(1) recurrent and intrusive distressing recollections of the event (in young children, repetitive play in which themes or aspects of the trauma are expressed);*

*(2) recurrent distressing dreams of the event;*

*(3) sudden acting or feeling as if the traumatic event were recurring (includes a sense of reliving the experience, illusions, hallucinations, and dissociative (flashback) episodes, even those that occur upon awakening or when intoxicated); or*

*(4) intense psychological distress at exposure to events that symbolize or resemble an aspect of the traumatic event, including anniversaries of the trauma.*

*The person displays persistent avoidance of stimuli associated with the trauma or numbing of general responsiveness (not present before the trauma), as indicated by at least three of the following:*

*(1) efforts to avoid thoughts or feelings associated with the trauma;*

*(2) efforts to avoid activities or situations that arouse recollections of the trauma;*

*(3) inability to recall an important aspect of the trauma (psychogenic amnesia);*

*(4) markedly diminished interest in significant activities (in young children, loss of recently acquired developmental skills such as toilet training or language skills);*

(5) *feeling of detachment or estrangement from others;*

(6) *restricted range of affect, such as, unable to have loving feelings;*  
or

(7) *sense of a foreshortened future, such as, does not expect to have a career, marriage, or children, or a long life.*

*The person experiences persistent symptoms of increased arousal (not present before the trauma), as indicated by at least two of the following:*

(1) *difficulty falling or staying asleep;*

(2) *irritability or outbursts of anger;*

(3) *difficulty concentrating;*

(4) *hypervigilance;*

(5) *exaggerated startle response; or*

(6) *physiologic reactivity upon exposure to events that symbolize or resemble an aspect of the traumatic event (such as, a woman who was raped in an elevator breaks out in a sweat when entering any elevator).*

*Duration of the disturbance is at least one month.*

Ms. Berglin from the Committee on Health and Human Services, to which was referred

S.F. No. 235: A bill for an act relating to health, human services, and corrections; establishing requirements to prevent overconcentration of residential facilities; requiring county plans for the dispersal and downsizing of facilities in overconcentrated areas; limiting municipal zoning restrictions on certain residential facilities; proposing coding for new law in Minnesota Statutes, chapters 245A and 462; repealing Minnesota Statutes 1988, sections 245A.11; and 462.357, subdivisions 6a, 7, and 8.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [245A.111] [OVERCONCENTRATION AND DISPERSAL OF RESIDENTIAL PROGRAMS.]

*Subdivision 1. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them:*

(a) [STATE-LICENSED RESIDENTIAL FACILITY.] “State-licensed residential facility” means a program or facility licensed by the commissioner of health, the commissioner of human services, or the commissioner of corrections to provide lodging in conjunction with monitoring, supervision, treatment, rehabilitation, habilitation, education, or training of the residents in the facility. “State-licensed residential facility” does not include:

(1) a foster care program operated in the permanent residence of the license holder, or in which a client or the client’s guardian owns, rents, or leases the home;

(2) a motel, hotel, or board and lodging facility licensed by the commissioner of health, unless the facility receives more than 50 percent of its residents under a contract or other arrangement with the state or a local government human services agency to provide lodging for people who are mentally ill or chemically dependent, or who have other human services needs;

(3) a hospital or nursing home licensed only by the commissioner of health;

(4) a regional treatment center operated by the commissioner of human services;

(5) a municipal, county, or regional jail, workhouse, or juvenile detention facility, or a state correctional program operated by the commissioner of corrections;

(6) semi-independent living services for persons with mental retardation or related conditions or mental illness, if the license holder has no financial or ownership interest in the housing used by persons receiving the semi-independent living services;

(7) a residential school operated by the commissioner of education; or

(8) a facility described in section 256B.431, subdivision 4, paragraph (c).

(b) [FREESTANDING FOSTER CARE PROGRAM.] “Freestanding foster care program” means a foster care program that is licensed by the

*commissioner of human services and that is not operated in the permanent residence of the license holder.*

(c) [OVERCONCENTRATED AREA.] *“Overconcentrated area” means a municipality or planning district with more than one percent of its population residing in state-licensed residential facilities. If a municipality has planning districts, the concentration percentage is determined for each district and not for the municipality as a whole. Municipal population is determined using the figures reported annually by the state demographer.*

(d) [NURSING HOME.] *“Nursing home” has the meaning given in section 256B.421, subdivision 7.*

*Subd. 2. [REQUIREMENTS FOR SITING OF RESIDENTIAL PROGRAMS.] (a) In order to protect residents of state-licensed residential facilities from the potential detrimental impact of an overconcentration of facilities and to preserve the character of residential neighborhoods, the following requirements apply to the locations of state-licensed residential facilities:*

*(1) for facilities other than freestanding foster care programs, the facility must not be located within 450 feet of an existing freestanding foster care program or within 1,320 feet of another state-licensed residential facility or a facility described in subdivision 1, paragraph (a), clause (8);*

*(2) for freestanding foster care programs, the program must not be located within 450 feet of an existing state-licensed residential facility, including another freestanding foster care program, or a facility described in subdivision 1, paragraph (a), clause (8);*

*(3) the facility must not be located within an overconcentrated area; and*

*(4) if the facility will be located in a multiple-family dwelling and does not have exclusive use of the dwelling, a total of no more than 25 percent of the units or the floor area in the building may be used by the facility. In the case of two- to four-family dwellings, if the facility does not have exclusive use of the dwelling, no more than one of the units may be used by the facility.*

*(b) At the joint request of a county and a city or town, the licensing commissioner may waive one or more of the requirements of paragraph (a) if the commissioner is satisfied that the waiver will not be detrimental to the residents of affected facilities. A city or town may not submit a request for a waiver under this paragraph unless the local governing body has approved the request using the procedures for granting conditional use permits.*

*Subd. 3. [INITIAL LICENSES.] The commissioner of human services, the commissioner of health, and the commissioner of corrections shall not issue an initial license to an applicant for licensure as a state-licensed residential facility unless the facility satisfies the requirements of subdivision 2.*

*Subd. 4. [DISPERSAL OF OVERCONCENTRATED PROGRAMS.] (a) By July 1, 1990, every county shall report to the commissioner of human services on the number, location, and type of state-licensed residential facilities located in the county and the extent to which the existing locations of the facilities satisfy the requirements of subdivision 2. If the existing locations of facilities do not satisfy the requirements of subdivision 2, the*

county shall submit with the report a plan for the dispersal, downsizing, and future siting of state-licensed residential facilities. A county may prepare a joint plan with other contiguous counties. In developing the plan, the counties shall solicit the participation of license holders, local zoning and land use planning authorities, consumers, advocacy groups, and the general public. The plan must be designed to achieve the objectives of this section and must include:

(1) specific target neighborhoods, data describing the extent to which each of the target neighborhoods is overconcentrated, and the addresses and licensed capacity of facilities in the target neighborhoods;

(2) a description of the specific actions the county will take to bring the county's state-licensed residential facilities into full compliance with subdivision 2 by January 1, 1996, including changes in client placement policies and procedures, the levels of concentration that will be achieved, timelines for achieving target levels of concentration, and the agency or agencies that will be responsible for carrying out each action;

(3) identification of priority areas for the siting of new facilities, including a description of the existing level of concentration in priority areas and the level of concentration that will exist after full implementation of the plan;

(4) specific plans for community and neighborhood education and public relations efforts to ease siting of facilities;

(5) a mechanism for soliciting and recording complaints about state-licensed residential facilities to be used in making decisions about dispersal, downsizing, and the awarding of county contracts, including samples of forms that will be used, methods for collecting information, and the objective criteria that will be used in decision making;

(6) plans for the coordinated development of related services, including projections of services that will be needed, a description of existing services in the priority areas for siting new facilities, timelines for developing needed services, a description of the methods that will be used to develop services, and the agency or agencies that will be responsible for developing needed services;

(7) the annualized, detailed costs of implementing the plan on forms provided by the commissioner;

(8) a statement of the standards and criteria that will be used to monitor and evaluate the implementation of the dispersal plan;

(9) provisions to ensure that no person in a state-licensed residential facility will be displaced as a result of the plan until a relocation plan has been implemented that provides for an acceptable alternative placement; and

(10) for counties required to submit plans, an annual report on the county's progress toward substantial compliance with the plan which is due on July 1 of each year following July 1, 1990.

(b) By September 1, 1989, the commissioner must provide counties with planning guidelines for preparing the plans and reports. The commissioner shall approve plans and reports required under paragraph (a) if they conform with the requirements of paragraph (a), they are prepared using forms and in a manner prescribed by the commissioner, and the commissioner

determines that the plan will achieve the objectives of this section. The guidelines must be developed in consultation with the commissioners of health and corrections. The commissioner of human services shall provide copies of all plans and reports received under this subdivision to the commissioners of health and corrections. The commissioner of human services may not approve a county plan unless the plan has been approved by the commissioners of health and corrections. Within 90 days after receiving a plan or report, the commissioner shall certify whether the plan or report satisfies the requirements of this section.

(c) The commissioner may order a county that has not submitted a plan or report required under paragraph (a) to pay a fine. The commissioner shall notify the affected county of the order to pay the fine. The notice must be in writing and delivered by certified mail or personal service to the chair of the county board of commissioners or county human service board. The notice must state the reasons for ordering the fine. The notice must inform the county of the right to a contested case hearing under chapter 14. The county may appeal the commissioner's order by notifying the commissioner, by certified mail, within ten calendar days after receiving the commissioner's order.

(d) After January 1, 1991, the commissioner may order a county to pay a fine if the county does not have an approved plan. The notice and appeal provisions of paragraph (c) apply to orders issued under this paragraph.

(e) After July 1, 1991, the commissioner may order a county to pay a fine if the commissioner determines that the county has failed to make good faith efforts to implement the plan. The notice requirements of paragraph (c) apply to fines ordered under this paragraph. The notice must state the reasons for the commissioner's determination and must identify the specific actions the county must take to implement the plan. The notice must also include a timetable that sets deadlines for each required action that must be taken by the county to implement the plan. If the county fails to meet a deadline set in the commissioner's notice, the commissioner may order the county to pay an additional fine. The appeal provisions of paragraph (c) apply to fines ordered under this paragraph.

(f) The amount of the fine to be imposed by the commissioner under this section for noncompliance is ten percent of the county's annual allocation under chapter 256E, the community social services act, or \$10,000, whichever is less.

(g) After January 1, 1991, the commissioner may develop or arrange for the development of a plan for any county that does not have an approved plan, and may impose the plan upon the county. The commissioner shall calculate the actual cost of the development of the plan and withhold an equivalent amount from the community social services act funding or state administrative aids for any county affected by the plan.

(h) After January 1, 1991, the commissioner of human services, the commissioner of health, and the commissioner of corrections shall not issue or renew a residential facility license unless the county has certified that issuing or renewing the license is consistent with the county's plan developed under this subdivision. If the county is not required to have a plan, it must certify that the facility meets the standards outlined in subdivision 2. The county shall respond to a commissioner's request for certification within 15 calendar days after receiving the request.

(i) *The commissioner may not order a county to pay a fine under paragraph (e) for failure to implement a plan unless the legislature has taken action regarding the costs of implementing the plan. Beginning January 1, 1991, the commissioner shall provide an annual report to the legislature on the estimated costs to the state, counties, and providers of implementing county plans, including recommendations regarding appropriations of money and other legislative action that will be needed for full implementation of the plans by the deadlines established in this section.*

**Subd. 5. [RELOCATION PLANS FOR DISPLACED RESIDENTS.]** *No person in a state-licensed residential facility may be displaced as a result of this section until a relocation plan has been implemented that provides for an acceptable alternative placement.*

**Subd. 6. [INITIAL LICENSES ISSUED BEFORE REPORTS AND PLANS ARE SUBMITTED.]** *For the period beginning on the effective date of this section and ending June 30, 1990, if the licensing commissioner notifies a municipality under section 2, subdivision 3, of a pending application for an initial license for a residential program proposed to be located in the municipality and the municipality does not provide the commissioner with information that shows that the facility would violate the requirements of subdivision 2, the commissioner may issue an initial license without further verification that the requirements of subdivision 2 are satisfied.*

**Sec. 2. [462.3575] [REQUIREMENTS FOR HUMAN SERVICES, HEALTH, AND CORRECTIONAL RESIDENTIAL PROGRAMS.]**

**Subdivision 1. [HUMAN SERVICES PROGRAMS.]** (a) *It is the policy of this state that persons in need of residential services from programs licensed by the commissioner of human services should not be excluded from the benefits of normal residential surroundings by municipal zoning ordinances, comprehensive municipal plans, regional development plans, or other land use plans or regulations.*

(b) *A residential program licensed by the commissioner of human services with a licensed capacity of six or fewer persons is a permitted use of property in districts where one- and two-family dwellings are allowed. The program must not be subjected to conditional or special use requirements for the purposes of zoning and other land use plans or regulations. A town, municipality, or other local government authority may only impose conditions or requirements on the property that apply to all one- or two-family properties in that zoning district.*

(c) *A residential program licensed by the commissioner of human services with a licensed capacity of 16 or fewer persons is a permitted use of property in districts where multiple family dwellings are allowed. The program must not be subjected to conditional or special use requirements for the purposes of zoning and other land use plans or regulations. A town, municipality, or other local government authority may only impose conditions or requirements on the property that apply to all multiple-family properties of similar size in that zoning district.*

(d) *Nothing in this section requires local governments to allow one- or two-family dwellings in multiple-family districts.*

**Subd. 2. [CORRECTIONS PROGRAMS.]** *A residential program licensed by the commissioner of corrections with a licensed capacity of 50 or fewer residents is a permitted use of property in zones in which a hotel or motel is allowed and is not subject to conditional or special use requirements*

*for the purposes of zoning and other land use plans or regulations, provided the program is not located within 750 feet of any residential use of property. A town, municipality, or other local government authority may only impose conditions or requirements on the program that apply to similar uses in the zoning district.*

*Subd. 3. [NOTIFICATION OF MUNICIPALITIES.] The commissioner of human services, the commissioner of health, and the commissioner of corrections shall notify a municipality of a pending application for an initial license or license renewal for a residential program located within the municipality. The notice must be provided at least 45 days before the license is issued or renewed and must solicit the written comments of the municipality regarding the appropriateness of the zoning district, distance or concentration issues arising under section 1, and other matters of concern to the municipality. This subdivision does not limit the authority of the commissioner to issue or renew a license if at least 45 days' notice was provided.*

*Subd. 4. [CONCILIATION CONFERENCE.] An applicant or license holder who has been denied a conditional or special use permit to operate a residential program licensed by the commissioner of health, the commissioner of human services, or the commissioner of corrections, or who believes that the zoning or land use planning authority or other local government authority has imposed conditions on the use of property in violation of this section, may request a review of the decision by submitting a written request for review to the local government authority within ten days after the date of receiving notice of the authority's action to require or to deny a permit or to impose conditions on the use of property. Upon receipt of the request for review, the local government authority shall notify the appropriate licensing commissioner of the request and schedule a conciliation conference. The local government authority shall notify the applicant or license holder, the county, and the commissioner of the time, date, and location of the conciliation conference. The conference must occur within 30 days after receipt of the request for review. The commissioner shall assign a trained conciliator to be present at the conciliation conference and assist in the resolution of the dispute without judicial review. Within five days after the conciliation conference, the local government authority must give the applicant or license holder, the county, and the commissioner written notice, by certified mail, of the final action it will take, when the action will be taken, and the applicant or license holder's right to appeal the final action.*

"Section 1. [176.2615] [LEGAL ASSISTANCE PILOT PROJECT PROGRAM.]

*Subdivision 1. [PURPOSE.] The commissioner shall establish a workers' compensation legal assistance pilot project program within the department for the purpose of providing legal representation to injured employees who meet the eligibility requirements set forth under subdivision 2.*

*Subd. 2. [ELIGIBILITY.] (a) The commissioner shall determine who is eligible to receive legal representation services under this section. To be eligible, the injured employee must:*

*(1) have a claim not exceeding \$1,500 that appears meritorious;*

*(2) be unable to obtain private counsel to represent the employee in a proceeding under this chapter, as evidenced by at least one turn down by an attorney who handles workers' compensation cases as a part of the attorney's regular practice; and*

*(3) demonstrate that an undue hardship will result or has resulted because of the employee's inability to pursue the claim for lack of private counsel willing to take the case.*

*(b) The commissioner may limit participation in the legal assistance pilot project program to the extent of funds available under the appropriation authorized under section 2.*

*Subd. 3. [FEES; COSTS AND EXPENSES.] (a) An employer or insurer and an employee are liable for attorney fees for representation provided to employees pursuant to this section to the same extent that the employer or insurer and employee would be liable in all other cases under chapter 176. The fees shall be paid directly to the special compensation fund, and shall be in an amount equal to the usual and customary fee of a private*

*attorney handling a similar matter; except that, notwithstanding section 176.081, subdivisions 7 and 7a, the employer or insurer fee calculation must also be made on the first \$250 of fees, and the employee is not responsible for the first \$250 of fees.*

*(b) The employee is liable for costs and expenses not reimbursable under section 176.511.*

Sec. 2. [APPROPRIATION.]

*\$50,000 is appropriated for the biennium ending June 30, 1991, from the special compensation fund to the commissioner of labor and industry to establish the workers' compensation legal assistance pilot project program under section 1.*

Sec. 3. [REPORT TO LEGISLATURE.]

*The commissioner of labor and industry shall report to the legislature by January 1, 1991, concerning the number of employees served under the workers' compensation legal assistance pilot project program established under section 1, the effectiveness of the program, and the need, if any, for further funding on a permanent basis of the program. The report shall include accompanying recommendations.*

Sec. 4. [EFFECTIVE DATE.]

*This act is effective July 1, 1989."*

*Subdivision 1. [ACTIVITIES; CONTRACTS.] The city may acquire, design, construct, equip, improve, control, operate, and maintain the convention center and related facilities. The city shall have all powers necessary*

or convenient for those purposes and may enter into any contract for those purposes, including the financing of the convention center and any related facilities.

The city may contract for construction materials, supplies, and equipment in accordance with Minnesota Statutes, section 471.345, except that it may enter into contracts with persons, firms, or corporations to perform one or more or all of the functions of architect, engineer, and construction manager with respect to all or part of a project to build or remodel the convention center and related facilities. Contractors shall be selected through the process of public bidding, provided that it shall be permissible for the city to narrow the listing of eligible bidders to those which the city determines to possess sufficient expertise to perform the intended functions and the city may negotiate with the three lowest responsible bidders to achieve the lowest possible bid. Notwithstanding any other law or charter provision to the contrary, the city may, at the discretion of the city council, enter into agreements *relating to the convention center, related facilities or any other city construction project* with appropriate labor organizations and contractors which provide that no strike or lockout may be ordered during the term of the agreements. These provisions and necessary procedures may be utilized for the purpose of maintaining employment stability and avoiding delay or interference with the performance of the fast-track construction schedule in connection with the project. The city may require any construction manager to certify a construction price and completion date to the city. The city may require the posting of a bond in an amount determined by the city to cover any costs which may be incurred over and above the certified price, including but not limited to costs incurred by the city or loss of revenues resulting from incomplete construction on the completion date and any other obligations the city may require the construction manager to bear. The city shall secure surety bonds as required in Minnesota Statutes, section 574.26, securing payment of just claims in connection with all public work undertaken by it. Persons entitled to the protection of the bonds may enforce them as provided in Minnesota Statutes, sections 574.28 to 574.32, and shall not be entitled to a lien on any property of the city under the provisions of Minnesota Statutes, sections 514.01 to 514.16.”
