The impartial third party may be an employee of another county or agency. The foster family must request an administrative review in writing. The request must identify the decision or order being contested and a brief statement of the reasons the family disagrees with the decision or order. Upon receiving the request, the agency must schedule a review hearing. The agency and the family may conduct further investigations and obtain additional information relating to the contested issue. The family must be given an adequate opportunity to examine all documents and records to be considered in the review at a reasonable time prior to, and during, the review hearing. The family may be represented at the review hearing. The hearing must include both the agency caseworker who made or recommended the contested decision or order and either the caseworker's supervisor or another knowledgeable agency worker who did not participate in the original decision. The family and the agency may produce witnesses and other evidence to establish facts and circumstances pertinent to the contested decision. Both the agency and the family may question or refute testimony offered at the review and may cross-examine adverse witnesses. A continuance for a reasonable time may be granted by the impartial third party if an issue is raised for the first time at the review hearing. The right to a continuance may be waived with the consent of the parties. After the hearing, the impartial third party must compile an official record of the hearing consisting of a transcript or description of the substance of the hearing, along with all documents and records presented at the hearing. As soon as possible after the hearing, the impartial third party must make a written recommendation based exclusively on the official record. The recommendation must either affirm the agency's original decision or recommend an alternative decision. The impartial third party's recommendation must specify the reasons for the decision and identify the supporting evidence. A certified copy of the recommendation must be sent to the foster family. Upon receiving the recommendation of the impartial third party, the agency shall notify the foster family of the agency's final decision. The impartial third party's recommendation is not binding on the agency. However, the agency's final decision must be based exclusively on the official record of the hearing. The agency caseworker who made or recommended the original contested order or decision may not participate in the final agency decision. If the agency departs from the recommendation of the impartial third party, the agency must state the reasons for the departure.

(b) This subdivision does not alter or limit any rights or remedies that may be available to a foster family under other laws and rules. However, the recommendation of the impartial third party, the official record of the hearing, and the evidence presented at the hearing are admissible in any other legal action or proceeding, subject to the restrictions of the government data practices act in chapter 13. The foster family need not exhaust the administrative remedies in paragraph (a) before seeking judicial review."

The decal is valid for 12 months after the month specified on the decal. The commissioners of public safety and transportation shall make decals available, at a fee of not more than \$2 for each decal, to persons certified to perform inspections under subdivision 3, paragraph (b).

(b) Minnesota inspection decals may be affixed only to commercial motor vehicles bearing Minnesota-based license plates.

Subd. 6. [REVIEWS; RANDOM INSPECTIONS; AUDITS.] Employees of the state patrol and motor transportation representatives of the department of transportation may review records required to be kept under subdivision 4, paragraph (b), and conduct random vehicle inspections and audits at the facility of an owner of a commercial motor vehicle.

Subd. 7. [DISPOSITION OF REVENUES.] The commissioner shall pay all revenues received under this section to the state treasurer for deposit in the trunk highway fund.

Subd. 8. [VIOLATIONS; PENALTY.] A violation of this section is a misdemeanor.

Sec. 2. [169.782] [DAILY INSPECTION OF COMMERCIAL MOTOR VEHICLES.]

Subdivision 1. [DRIVERS; DAILY INSPECTION REPORT.] (a) The driver of a commercial motor vehicle shall report in writing at the completion of each day's work on each commercial motor vehicle the driver has operated. A person who owns one or more commercial motor vehicles and who employs drivers for those commercial motor vehicles must require each driver to report as required in this section. The report must cover the following parts and accessories: service brakes, including trailer and semitrailer brake connections; parking (hand) brake; steering mechanism; lighting devices and reflectors; tires; horn; windshield wiper or wipers; rear vision mirror or mirrors; coupling devices; wheels and rims; and emergency equipment.

(b) The report must identify the vehicle and list any defect or deficiency discovered by or reported to the driver that would affect the safe operation of the vehicle or result in its mechanical breakdown. If no defect or deficiency is discovered by or reported to the driver, the report must so indicate. The driver must sign the report after completing it. In the case of a commercial motor vehicle operated by two drivers, the signature of one of the drivers satisfies the requirements of this subdivision if both drivers agree concerning the defects or deficiencies. If a driver operates more than one commercial motor vehicle during a day's work, a report must be prepared for each vehicle operated.

(c) Before operating or allowing the operation of a commercial motor vehicle on which a report has been prepared under this subdivision, the owner of the vehicle or the owner's agent must repair defects or deficiencies listed on the report that would be sufficient under inspection procedures established by the state patrol to require the vehicle to be declared out of service. Before allowing the commercial motor vehicle to be operated

again, the owner or the owner's agent must certify, on the report listing the defect or deficiency, that the defect or deficiency has been corrected or that correction is unnecessary. A motor carrier must keep the original vehicle inspection report for at least three months after the date of inspection. The report must be available for inspection by an authorized federal, state, or local official at any time during this period.

(d) A copy of the vehicle inspection report, including a certification of corrections resulting from the report, must be carried in the commercial motor vehicle, or in the power unit of a commercial motor vehicle combination, at all times when the vehicle or power unit is operated until the next inspection report is completed under this subdivision. The copy must be made available on demand to: (1) a peace officer; (2) a person authorized under section 221.221; and (3) a person described in section 299D.06.

Subd. 2. [DRIVERS; PRETRIP INSPECTION.] (a) Before driving a commercial motor vehicle, a driver must:

- (1) review the most recent vehicle inspection report on the vehicle;
- (2) determine that the vehicle is in safe operating condition; and
- (3) sign the inspection report in the vehicle.

The driver shall sign the report only if all defects and deficiencies listed in the report have been certified as having been corrected or as not requiring correction.

(b) If the commercial motor vehicle does not contain the previous day's inspection report, the driver must make the inspection and complete the report required under subdivision 1.

Subd. 3. [OPERATION PROHIBITED.] It is a misdemeanor to drive or to cause another person to drive a commercial motor vehicle that does not contain a copy of an inspection report complying with this section.

Subd. 4. [EXCEPTIONS.] (a) With the exception of subdivision 2, paragraph (a), clause (2), this section does not apply to a commercial motor vehicle that is a farm truck that may be operated by a person not holding a commercial driver's license.

(b) This section does not apply to a commercial motor vehicle held for resale by a motor vehicle dealer licensed under section 168.27.

Sec. 3. [169.783] [ACCIDENTS; REINSPECTION.]

Subdivision 1. [POSTCRASH INSPECTION.] A peace officer responding to an accident involving a commercial motor vehicle must immediately notify the state patrol if the accident results in death, personal injury, or property damage to an apparent extent of more than \$4,500. It is a misdemeanor for a person to drive or cause to be driven a commercial motor vehicle after such an accident unless the vehicle: (1) has been inspected by a state trooper or other person authorized to conduct inspections under section 1, subdivision 3, paragraph (a), who is an employee of the department of public safety or transportation, and the person inspecting the vehicle has determined that the vehicle may safely be operated; or (2) a waiver has been granted under subdivision 2.

Subd. 2. [WAIVER.] A state trooper or other authorized person called to the scene of an accident by a responding peace officer under subdivision 1 may waive the inspection requirement of that subdivision if the person

determines that a postcrash inspection is not needed or cannot be accomplished without unreasonable delay. A person who grants a waiver must provide to the driver of the commercial motor vehicle for which the waiver is granted a written statement that the inspection has been waived. The written statement must include the incident report number assigned to the accident by the state patrol.

Sec. 4. Minnesota Statutes 1988, section 221.031, subdivision 1, is amended to read:

Subdivision 1. [POWERS, DUTIES, REPORTS, LIMITATIONS.] (a) This subdivision applies to motor carriers engaged in intrastate commerce.

(b) The commissioner shall prescribe rules for the operation of motor carriers, including their facilities, accounts, leasing of vehicles and drivers, service, safe operation of vehicles, equipment, parts and accessories, maximum hours of service of drivers, driver qualifications, accident reporting, identification of vehicles, installation of safety devices, inspection, repair, and maintenance, and proper automatic speed regulators if, in the opinion of the commissioner, there is a need for the rules.

(c) The commissioner shall direct the repair and reconstruction or replacement of an inadequate or unsafe motor carrier vehicle or facility. The commissioner may require the construction and maintenance or furnishing of suitable and proper freight terminals, passenger depots, waiting rooms, and accommodations or shelters in a city in this state or at a point on the highway traversed which the commissioner, after investigation by the department, may deem just and proper for the protection of passengers or property.

(d) The commissioner shall require the filing of annual and other reports including annual accounts of motor carriers, schedules of rates and charges, or other data by motor carriers, regulate motor carriers in matters affecting the relationship between them and the traveling and shipping public, and prescribe other rules as may be necessary to carry out the provisions of this chapter.

(e) A motor carrier having gross revenues from for-hire transportation in a calendar year of less than \$50,000 may, at the discretion of the commissioner, be exempted from the filing of an annual report, if instead of filing the report the motor carrier files an affidavit, in a form as may be prescribed by the commissioner, attesting that the motor carrier's gross revenues did not exceed \$50,000 in the previous calendar year. Motor carrier gross revenues from for-hire transportation, for the purposes of this subdivision only, do not include gross revenues received from the operation of school buses as defined in section 169.01, subdivision 6.

(f) *The commissioner shall enforce sections 1 to 3.*

(g) The commissioner shall make no rules relating to the granting, limiting, or modifying of permits or certificates of convenience and necessity, which are powers granted to the board.

(h) The board may extend the termini of a route or alter or change the route of a regular route common carrier upon petition and after finding that public convenience and necessity require an extension, alteration, or change.

Sec. 5. Minnesota Statutes 1989 Supplement, section 221.031, subdivision 2a, is amended to read:

Subd. 2a. [AGRICULTURAL EXEMPTIONS.] (a) Notwithstanding the provisions of subdivision 2, private carriers engaged in intrastate commerce and operating vehicles transporting agricultural and other farm products within an area having a 50-mile radius from the business location of the private carrier must comply only with the commissioner's rules for safety of operations and equipment, except as provided in ~~paragraph~~ paragraphs (b) and (c).

(b) A rear-end dump truck or other rear-unloading truck while being used for hauling agricultural and other farm products from a place of production or on-farm storage site to a place of processing or storage, is not subject to any rule of the commissioner requiring rear-end protection, including a federal regulation adopted by reference.

(c) A private carrier operating a commercial motor vehicle as defined in section 1, subdivision 1, must comply with sections 1 to 3.

Sec. 6. Minnesota Statutes 1988, section 221.031, is amended by adding a subdivision to read:

The representatives of the department have the power to inspect records, logs, freight bills, bills of lading, or other documents which may provide evidence to determine compliance with sections 1 to 3, 221.041, and 221.171.

Sec. 9. Minnesota Statutes 1988, section 221.605, subdivision 1, is amended to read:

Subdivision 1.
