Any provider may submit a contract to the commissioner for review if the provider believes this section has been violated. Any provision of a contract found to violate this section is null and void, and the commissioner may seek civil penalties in an amount not to exceed \$25,000 for each such contract."

518.14 [COSTS AND DISBURSEMENTS AND; ATTORNEY FEES; COLLECTION COSTS.]

Subdivision 1. [GENERAL.] Except as provided in subdivision 2, in a proceeding under this chapter, the court shall award attorney fees, costs, and disbursements in an amount necessary to enable a party to carry on or contest the proceeding, provided it finds:

(1) that the fees are necessary for the good-faith assertion of the party's rights in the proceeding and will not contribute unnecessarily to the length and expense of the proceeding;

(2) that the party from whom fees, costs, and disbursements are sought has the means to pay them; and

(3) that the party to whom fees, costs, and disbursements are awarded does not have the means to pay them.

Nothing in this section precludes the court from awarding, in its discretion, additional fees, costs, and disbursements against a party who unreasonably contributes to the length or expense of the proceeding. Fees, costs, and disbursements provided for in this section may be awarded at any point in the proceeding, including a modification proceeding under sections 518.18 and 518.64. The court may adjudge costs and disbursements against either party.

The court may authorize the collection of money awarded by execution, or out of property sequestered, or in any other manner within the power of the court. An award of attorney's fees made by the court during the pendency of the proceeding or in the final judgment survives the proceeding and if not paid by the party directed to pay the same may be enforced as above provided or by a separate civil action brought in the attorney's own name. If the proceeding is dismissed or abandoned prior to determination and award of attorney's fees, the court may nevertheless award attorney's fees upon the attorney's motion. The award shall also survive the proceeding and may be enforced in the same manner as last above provided.

Subd. 2. [ENFORCEMENT OF CHILD SUPPORT.] (a) A child support obligee is entitled to recover from the obligor reasonable attorney fees and other collection costs incurred to enforce a child support judgment, as provided in this subdivision. Attorney fees and collection costs obtained under this subdivision are considered child support and entitled to the applicable remedies for collection and enforcement of child support. The obligee shall serve notice of the obligee's intent to recover attorney fees and collections costs by mail on the obligor at the obligor's last known address. The notice must include an itemization of the attorney fees and collection costs being sought by the obligee and inform the obligor that the fees and costs will become an additional judgment for child support unless the obligor requests a hearing on the reasonableness of the fees and costs within 20 days of service of the notice.

(b) If the obligor requests a hearing, the only issue to be determined by the court is whether the attorney fees or collection costs were reasonably incurred by the obligee for the enforcement of a child support judgment against the obligor. The fees and costs may be based on an hourly rate, or on a percentage of the child support arrearages not to exceed 30 percent. The court may modify the amount of attorney fees and costs as appropriate and shall enter judgment accordingly.

(c) If the obligor fails to request a hearing within 20 days of service of the notice under paragraph (a), the amount of the attorney fees or collection costs requested by the obligee in the notice automatically becomes an additional judgment for child support.

(d) The commissioner of human services shall prepare and make available to the court and the parties forms for use in providing for notice and requesting a hearing under this subdivision. The rulemaking provisions of chapter 14 do not apply to the forms."

Subd. 8. [MANDATORY EMPLOYER AND OBLIGOR NOTICE REPORTING PROGRAM.] When an individual is hired for employment, the employer shall request that the individual disclose whether or not the individual has court-ordered child support obligations that are required by law to be withheld from income and the terms of the court order, if any. The individual shall disclose this information at the time of hiring. When an individual discloses that the individual owes child support that is required to be withheld, the employer shall begin withholding according to the terms of the order and under this section. When a withholding order is in effect and the obligor's employment is terminated or the periodic payment terminates, the obligor and the obligor's employer or the payor of funds shall notify the public agency responsible for child support enforcement of the termination within ten days of the termination date. The notice shall include the obligor's home address and the name and address of the obligor's new employer or payor of funds, if known. Information disclosed under this section shall not be divulged except to the extent necessary for the administration of the child support enforcement program or when otherwise authorized by law. (a) Except as provided in paragraph (b), all employers doing business in the state of Minnesota shall report to the Minnesota office of child support enforcement:

(1) the hiring of any person who resides or works in this state to whom the employer anticipates paying earnings; and

(2) the rehiring or return to work of any employee who was laid off, furloughed, separated, granted a leave without pay, or terminated from employment.

(b) Employers are not required to report the hiring of any person who:

(1) will be employed for less than one month's duration;

(2) will be employed sporadically so that the employee will be paid for less than 350 hours during a continuous six-month period;

(3) will have gross earnings less than \$300 in every month; or

(4) is less than 18 years of age.

(c) Employers may report by mailing a copy of the employee's W-4 form, transmitting magnetic tape in a compatible format, or by other means authorized by the office of child support enforcement which will result in timely reporting.

(d) Employers shall submit reports required under this subdivision within ten days of the hiring, rehiring, or return to work of the employee. The report shall contain:

(1) the employee's name, address, social security number, and date of birth; and

(2) the employer's name, address, and employment security reference number or unified business identifier number.

(e) An employer who fails to report as required under this section shall be given a written warning for the first violation and shall be subject to a civil

penalty of up to \$500 per month for each subsequent violation after the warning has been given. All violations within a single month shall be considered a single violation for purposes of assessing the penalty. The penalty may be imposed and collected by the office of child support enforcement.

(f) The office of child support enforcement shall retain the information for a particular employee only if a public agency is responsible for establishing, enforcing, or collecting a support obligation or arrearage of the employee. If the employee does not owe an obligation or arrearage, no record shall be created regarding the employee and the information contained in the notice shall be promptly destroyed.

(g) Employers required to report under this section may charge \$1 per new employee to cover the cost of reporting.

Sec. 6. Minnesota Statutes 1993 Supplement, section 518.64, subdivision 2, is amended to read:

Subd. 2. [MODIFICATION.] (a) The terms of an order respecting maintenance or support may be modified upon a showing of one or more of the following: (1) substantially increased or decreased earnings of a party; (2) substantially increased or decreased need of a party or the child or children that are the subject of these proceedings; (3) receipt of assistance under sections 256.72 to 256.87 or 256B.01 to 256B.40; (4) a change in the cost of living for either party as measured by the federal bureau of statistics, any of which makes the terms unreasonable and unfair; (5) extraordinary medical expenses of the child not provided for under section 518.171; or (6) the addition or ~~elimination~~ of work-related or education-related child care expenses of the obligee or a substantial increase or decrease in existing work-related or education-related child care expenses.

It is presumed that there has been a substantial change in circumstances under clause (1), (2), or (4) and the terms of a current support order shall be rebuttably presumed to be unreasonable and unfair if the application of the child support guidelines in section 518.551, subdivision 5, to the current circumstances of the parties results in a calculated court order that is at least 20 percent and at least \$50 per month higher or lower than the current support order.

(b) On a motion for modification of maintenance, including a motion for the extension of the duration of a maintenance award, the court shall apply, in addition to all other relevant factors, the factors for an award of maintenance under section 518.552 that exist at the time of the motion. On a motion for modification of support, the court:

(1) shall apply section 518.551, subdivision 5, and shall not consider the financial circumstances of each party's spouse, if any; and

(2) shall not consider compensation received by a party for employment in excess of a 40-hour work week, provided that the party demonstrates, and the court finds, that:

(i) the excess employment began after entry of the existing support order;

(ii) the excess employment is voluntary and not a condition of employment;

(iii) the excess employment is in the nature of additional, part-time employment, or overtime employment compensable by the hour or fractions of an hour;

(iv) the party's compensation structure has not been changed for the purpose of affecting a support or maintenance obligation;

(v) in the case of an obligor, current child support payments are at least equal to the guidelines amount based on income not excluded under this clause; and

(vi) in the case of an obligor who is in arrears in child support payments to the obligee, any net income from excess employment must be used to pay the arrearages until the arrearages are paid in full.

(c) A modification of support or maintenance may be made retroactive only with respect to any period during which the petitioning party has pending a motion for modification but only from the date of service of notice of the motion on the responding party and on the public authority if public assistance is being furnished or the county attorney is the attorney of record. However, modification may be applied to an earlier period if the court makes express findings that the party seeking modification was precluded from serving a motion by reason of a significant physical or mental disability, a material misrepresentation of another party, or fraud upon the court and that the party seeking modification, when no longer precluded, promptly served a motion.

(d) Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state, including motions under section 518.145, subdivision 2. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

(e) The court need not hold an evidentiary hearing on a motion for modification of maintenance or support.

(f) Section 518.14 shall govern the award of attorney fees for motions brought under this subdivision.

Sec. 7. Minnesota Statutes 1993 Supplement, section 518.68, subdivision 2, is amended to read:

Subd. 2. [CONTENTS.] The required notices must be substantially as follows:

IMPORTANT NOTICE

1. PAYMENTS TO PUBLIC AGENCY

Pursuant to Minnesota Statutes, section 518.551, subdivision 1, payments ordered for maintenance and support must be paid to the public agency responsible for child support enforcement as long as the person entitled to receive the payments is receiving or has applied for public assistance or has

A copy of that section is available from any district court clerk.

(a) Payment of support or spousal maintenance is to be as ordered, and the giving of gifts or making purchases of food, clothing, and the like will not fulfill the obligation.

(c) The payment of support or spousal maintenance takes priority over payment of debts and other obligations.

(d) A party who remarries after dissolution and accepts additional obligations of support does so with the full knowledge of the party's prior obligation under this proceeding.

(e) Child support or maintenance is based on annual income, and it is the responsibility of a person with seasonal employment to budget income so that payments are made throughout the year as ordered.

4. PARENTAL RIGHTS FROM MINNESOTA STATUTES, SECTION 518.17, SUBDIVISION 3

Unless otherwise provided by the Court:

(a) Each party has the right of access to, and to receive copies of, school, medical, dental, religious training, and other important records and information about the minor children. Each party has the right of access to information regarding health or dental insurance available to the minor children. Presentation of a copy of this order to the custodian of a record or other information about the minor children constitutes sufficient authorization for the release of the record or information to the requesting party.

(b) Each party shall keep the other informed as to the name and address of the school of attendance of the minor children. Each party has the right to be informed by school officials about the children's welfare, educational progress and status, and to attend school and parent teacher conferences. The school is not required to hold a separate conference for each party.

(c) In case of an accident or serious illness of a minor child, each party shall notify the other party of the accident or illness, and the name of the health care provider and the place of treatment.

(d) Each party has the right of reasonable access and telephone contact with the minor children.

5. WAGE AND INCOME DEDUCTION OF SUPPORT AND MAINTENANCE

Child support and/or spousal maintenance may be withheld from income, with or without notice to the person obligated to pay, when the conditions of Minnesota Statutes, sections 518.611 and 518.613, have been met. A copy of those sections is available from any district court clerk.

6. CHANGE OF ADDRESS OR RESIDENCE

Unless otherwise ordered, the person responsible to make support or maintenance payments shall notify the person entitled to receive the payment and the public authority responsible for collection, if applicable, of a change of address or residence within 60 days of the address or residence change.

7. COST OF LIVING INCREASE OF SUPPORT AND MAINTENANCE

Child support and/or spousal maintenance may be adjusted every two years based upon a change in the cost of living (using Department of Labor Consumer Price Index, unless otherwise specified in this order) when the conditions of Minnesota Statutes, section 518.641, are met. Cost of living increases are compounded. A copy of Minnesota Statutes, section 518.641, and forms necessary to request or contest a cost of living increase are available from any district court clerk.

8. JUDGMENTS FOR UNPAID SUPPORT

If a person fails to make a child support payment, the payment owed becomes a judgment against the person responsible to make the payment by operation of law on or after the date the payment is due, and the person entitled to receive the payment or the public agency may obtain entry and docketing of the judgment WITHOUT NOTICE to the person responsible to make the payment under Minnesota Statutes, section 548.091.

9. JUDGMENTS FOR UNPAID MAINTENANCE

Sec. 10. [MINNESOTA CHILD SUPPORT ASSURANCE PROGRAM.]

Subdivision 1. [AUTHORIZATION TO DESIGN DEMONSTRATION.] The commissioner of human services, in consultation with the commissioners of education, finance, jobs and training, health, and planning, the director of the higher education coordinating board, and the attorney general, is authorized to proceed with planning and designing the Minnesota child support assurance program. The child support assurance program shall provide that each child in the state is guaranteed a minimum level of support from a noncustodial parent and shall further provide that the state will provide that level of support to the child in instances where it is not provided by the child's noncustodial parent. The program plan shall specifically provide that any benefits received by a family under the Minnesota child support assurance program will reduce benefits paid to the family through the aid to families with dependent children program on a dollar-for-dollar basis. The program plan shall also

provide that the receipt of child support assurance benefits does not negatively affect any existing eligibility for child care assistance under existing programs.

Subd. 2. [GOALS OF THE MINNESOTA CHILD SUPPORT ASSURANCE PROGRAM.] The commissioner shall design the program to meet the following goals:

(1) to support parents in their efforts to provide financial support for their children;

(2) to encourage parents to meet their legal obligations of support;

(3) to prevent long-term dependence on public assistance; and

(4) to allow the state to compare the cost-effectiveness and the efficacy of child support assurance to the Minnesota family investment program in attempting to restructure the existing system of public assistance.

Subd. 3. [PROGRAM DATA.] As part of planning and designing the Minnesota child support assurance program, the commissioner shall study and make recommendations on:

(1) the amount of the guaranteed child support assurance benefit;

(2) the anticipated reduction in the aid to families with dependent children caseload which should result from the implementation of a child support assurance program;

(3) the anticipated cost of the program on a demonstration basis; and

(4) the selection of counties to serve as field trial or comparison sites based on criteria which will ensure reliable evaluation of the program. This selection shall be made so that an adverse impact on the Minnesota family investment program is avoided.

The commissioner shall report the findings and recommendations to the legislature by January 15, 1995.

Subd. 4. [FEDERAL WAIVERS.] The commissioner shall seek authority from the United States Congress to implement the Minnesota child support assurance project on a demonstration basis. The commissioner shall seek waivers of all applicable federal requirements of United States Code, title 7, section 2011 et seq., and title 42, sections 601 et seq. and 1396 et seq., as needed to implement the Minnesota child support assurance program in a manner consistent with the goals of the program. The commissioner shall seek terms from the federal government that are consistent with the goals of the Minnesota child support assurance program. The commissioner shall also seek terms from the federal government that will maximize federal financial participation so that the extra costs to the state of implementing the program are minimized, to the extent that those terms are consistent with the goals of the Minnesota child support assurance program.

Sec. 11. [REPEALER.]

Minnesota Statutes 1993 Supplement, sections 518.171, subdivision 2a; and 518.561, are repealed.

Sec. 12. [EFFECTIVE DATE; APPLICATION.]

Sections 2 and 7 to 9 are effective August 1, 1994, and apply to attorney fees

and collection costs incurred on and after that date, regardless of when the arrearages accrued.

Section 3 is effective retroactive to July 1, 1993."

Renumber the sections in sequence
