Introduction

The November, 1980 election brought twenty-three new Senators to the Seventy-Second Legislature, and re-elected forty-four Senators. Of the twenty-three new Senators, one was a former member of the Senate, seven had prior service in the House of Representatives; fourteen were members of the DFL Caucus and nine were members of the Independent Republican Caucus.

Senator Roger D. Moe, Ada, was elected Senate Majority Leader and Chairman of the Committee on Rules and Administration.

Senator Jack Davies, Minneapolis, was elected President of the Senate.

Senator Jerome M. Hughes, Maplewood, was elected President Pro Tem.

Senator Robert O. Ashbach, St. Paul, was re-elected Senate Minority Leader.

Former Senator Nicholas D. Coleman died March 5, 1981. Senator Coleman (DFL) represented Senate District 65, St. Paul, from 1962 through 1980. During his service in the Minnesota Senate, he served in several leadership positions. In 1969 he was elected Assistant Minority Leader; in 1971, Minority Leader; and in 1973, Majority Leader and he served in that role until his term expired on January 5, 1981. His body lay in state on the West (Senate) side of the Capitol Rotunda during the day and evening of March 8, during which citizens of the State of Minnesota paid their respects. Eulogies were delivered by Senate Majority Leader Roger D. Moe, Senate Minority Leader Robert O. Ashbach, Speaker of the House of Representatives Harry A. Sieben, Jr. and Attorney General Warren Spannaus.

The political makeup of the 1981 Senate, Seventy-Second Legislature, was 45 DFL-ers and 22 Independent Republicans until the District 20 special election which changed the makeup to 44 DFL-ers and 23 Independent Republicans.

On April 10, 1981, Senator Jim Nichols (DFL), District 20, resigned his Senate seat. A special election was held May 12, 1981, and Randy P. Kamrath (IR) was elected to serve out the remainder of Senator Nichols' term and was sworn in on May 15, 1981.

Three Special Sessions were called by Governor Albert H. Quie during 1981. The First Special Session lasted one day, Saturday, June 6, 1981, and the Second Special Session lasted two days, Wednesday, July 1 and Thursday, July 2, 1981, and both accomplished items agreed upon by legislative leaders prior to the calling of the Special Sessions. The Third Special Session was called for December 1, 1981, and the proceedings for that session are included in the 1982 Journal of the Senate.

(2) In 1980, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 21 mills times the 1979 adjusted assessed valuation of the district.

(3) For any district levying less than 95 percent of the maximum levy allowable in clauses (1) and (2), the foundation aid to the district for the school year when the levy is recognized as revenue, calculated pursuant to section 124.212, subdivision 7c, clauses (1) and (6); or section 124.212, subdivision 7d, clauses (1) and (6); *or section 1;* or their successor provisions, as applicable, shall be reduced to an amount equal to the ratio between the actual levy and the maximum levy allowable under clauses (1) and (2) times the foundation aid calculated pursuant to section 124.212, subdivision 7c, clauses (1) and (6); or section 124.212, subdivision 7d, clauses (1) and (6); *or section 1;* or their successor provisions, as applicable, to which the district is otherwise entitled for that year. The amount approved by the voters of the district pursuant to clause (a) of this clause must be levied at least once before it is subject to a referendum on its revocation for subsequent years. Only one such revocation election may be held to revoke a levy for any specific year and for years thereafter.

(c) A petition authorized by clauses (a) or (b) of this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or ten percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(d) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(e) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

Mr. Moe, R. D. from the Committee on Rules and Administration makes the following report:

The permanent rules of the Senate for the 72nd Legislature shall read as follows:

"PERMANENT RULES OF THE SENATE

PARLIAMENTARY REFERENCE

1. The rules of parliamentary practice comprised in Mason's Manual of Legislative Procedure shall govern the Senate in all cases in which they are applicable, and in which they are not inconsistent with these rules and orders of the Senate and the joint rules and orders of the Senate and House of Representatives.

HOUR OF CONVENING

2. The Senate shall convene on days of meeting at 11 o'clock a.m. unless the Senate directs otherwise.

PRESIDENT

3. The President shall take the chair at the hour to which the Senate adjourned. He shall immediately call the members to order and, on the appearance of a quorum, shall proceed with the regular order of business. He shall preserve order and decorum, may speak on points of order in preference to members, and shall also decide all questions of order, subject to an appeal to the Senate by a member. An appeal is decided by a majority vote of those present and voting. Upon an appeal from the decision of the President, the question is, "Shall the decision of the President be the judgment of the Senate?"

SUBSTITUTES FOR THE PRESIDENT

4. The president may call a member to preside. In the absence of the President *the President Pro Tem shall preside over the Senate, and in the*

absence of both the President and the President Pro Tem, the Chairman of the Committee on Rules and Administration, or his designee, shall preside over the Senate. In the absence of *the President, the President Pro Tem, and* the Chairman, a member may be selected by the Senate to perform the duties of the President. Substitutions do not extend beyond adjournment.

ABSENCE OF ~~SENATORS~~ *MEMBERS*

5. No ~~Senator~~ *member* or officer of the Senate shall be absent from a session of the Senate unless excused by the Senate.

DECORUM DURING BUSINESS

6. When the President puts a question, or addresses the Senate, no one shall walk out of or cross the Chamber. When a member is speaking, no one shall pass between the member speaking and the President. No member, or other person, shall proceed to or remain by the Secretary's desk while the ~~ayes~~ *yeas* and nays are being called or counted. No member may speak without using a microphone.

ORDER OF BUSINESS

7. The order of business is as follows:

1. Petitions, letters, remonstrances.
2. Executive and official communications.
3. Messages from the House of Representatives.
4. First reading of House bills.
5. Reports of committees.
   (a) From standing committees.
   (b) From select committees.
6. Second reading of Senate bills.
7. Second reading of House bills.
8. Motions and Resolutions.
9. Calendar.
10. Consent Calendar.
11. General Orders.
12. Introduction and first reading of Senate bills.
13. Announcements of Senate interest.

Under the order of business of Motions and Resolutions the Senate may by a majority vote of the whole Senate temporarily revert or proceed to any other order of business.

CALENDAR

8. The Secretary shall make a Calendar of all bills, resolutions and other matters coming before the Senate for final action. He shall place them on the Calendar in the order in which they have been acted upon in Committee of the Whole. The Calendar shall be printed and placed upon the members' desks at

least one calendar day before the matters on it are considered.

CONSENT CALENDAR

9. If a committee determines that a bill it recommends to pass is of a routine nature or otherwise of a nature which likely will not be opposed, it may in its report recommend that the bill be placed on the Consent Calendar. If the report is adopted, the bill shall be printed and placed on the Consent Calendar after its second reading. On the question of adoption of the report the question of accepting the recommendation that the bill be placed on the Consent Calendar may be divided from the question of adopting the report in other respects.

A majority of the whole Senate , *or the Subcommittee on Bill Scheduling,* may order a bill on General Orders to be placed on the Consent Calendar.

The Consent Calendar consists of bills placed on it. Senate bills shall be positioned ahead of House bills. The Consent Calendar shall be printed and placed on the members' desks at least one calendar day before the matters on it are considered.

If a member objects to consideration of a bill on the Consent Calendar at any time during its consideration in the Senate before the question on final passage is put, and that objection is supported by at least two other members, the bill shall be referred to the ~~Subcommittee on Bill Scheduling of the~~ Committee ~~on Rules and Administration~~ *of the Whole, and shall be placed at the bottom of General Orders subject to Rule 11, except that it need not lie over one calendar day before consideration in the Committee of the Whole* .

SPECIAL ORDER

10. The Chairman of the Subcommittee on Bill Scheduling of the Committee on Rules and Administration, as authorized by the subcommittee, may designate a special order for a bill that has been given its second reading.

A special order shall provide that the bill be considered immediately, at a time certain, or after specific other business is completed.

During consideration of a special order, Rule 20 is suspended. As nearly as applicable, debate on the bill and all proceedings including amendments and substitutions shall be that of the Committee of the Whole.

On any question a member may call for the ~~ayes~~ *yeas* and nays which shall be entered in the Journal.

Unless it is otherwise disposed of, after consideration a bill on Special Orders of the Senate shall immediately proceed to its third reading and final passage.

GENERAL ORDERS

11. The Secretary shall make a list of all bills, resolutions, reports of committees, and other proceedings of the Senate, which are referred to the Committee of the Whole, and which are not made the order of the day, for a particular day, and number them. The lists are called the "General Orders". They shall be taken up in the order in which they are numbered unless otherwise ordered by a majority of the committee.

General Orders, together with all bills included on it required to be printed under the rules or orders of the Senate, shall be printed and placed upon the members' desks at least one calendar day before being considered in Committee of the Whole.

MOTIONS

12. When a motion is made it shall be stated by the President. If it is in writing it shall be handed to the Secretary and read to the members.

13. A motion or amendment shall be written if the president or a member requests. In that case it must be signed by the member or committee offering it.

14. After a motion is stated by the President, or read by the Secretary, it is in possession of the Senate, but may be withdrawn by the author at any time before decision or amendment.

PRECEDENCE OF MOTIONS

15. When a question is under debate no motion shall be received, except:

1. To adjourn.
2. To recess.
3. To reconsider.
4. To lay on the table.
5. For the previous question.

(Motions numbered 1, 2, 4 and 5 above shall be decided without debate.)

6. To refer.
7. To postpone to a day certain.
8. To amend.
9. To postpone indefinitely.

These several motions have precedence in the foregoing order; but when a motion for the previous question has been seconded, or the main question ordered, a motion to lay on the table is not in order.

A motion to postpone to a day certain, to refer, to postpone indefinitely, or to amend, having been decided, shall not again be put on the same day, nor at the same stage of the bill or proposition.

MOTION TO ADJOURN

16. A motion to adjourn is always in order, and also a motion to adjourn to a time certain. The latter motion is debatable solely as to the time. When either motion is rejected it shall not be renewed until further business has been transacted.

AMENDMENTS TO RULES AND SUSPENSION OF RULES

17. Every proposition to amend a rule of the Senate shall be referred to the Committee on Rules and Administration. The proposition shall not be acted upon until the report of the committee is received by the Senate. A rule shall not be suspended except by at least two-thirds vote of the whole Senate. A motion to suspend the rules for the purpose of advancing a bill shall be made only under the order of business, "Motions and Resolutions".

ORDER IN DEBATE

18. When a member is about to speak in debate, or deliver a matter to the Senate, the member shall rise and respectfully address "Mr. President". The

member shall not proceed to speak further until recognized by the President. The member shall speak only to the question under debate and avoid personality. In discussing a resolution, ~~Senators are~~ *each member is* limited to ten minutes ~~each~~.

19. When a member is called to order, he shall be silent until it is determined whether or not he is in order. If a member is called to order for words spoken in debate, the words excepted to shall be taken down in writing by the Secretary immediately.

20. No member shall speak more than twice on the same question on the same day without leave of the Senate.

COMMITTEES NOT TO BE ABSENT

21. Committees shall not be absent from the Senate without permission of the Senate. The names of the ~~Senators~~ *members* excused shall be printed in the Journal.

~~SENATORS~~ *MEMBERS* TO VOTE UNLESS EXCUSED

22. Every member ~~of the Senate~~ who is in the Senate Chamber during a roll call shall vote upon the request of ~~any Senator~~ *another member* unless ~~the Senate~~, for special reasons, ~~excuses the member~~ *excused by the Senate* .

A motion by a member to be excused from voting shall be made before the question is put. A member wishing to be excused from voting may make a brief statement of the reason for making the request and the question on the motion shall be taken without further debate.

When members have had an opportunity to vote and fail to do so, a majority of all the members of the Senate may, by motion, direct the President to close the roll. The vote on a motion to close the roll shall be taken without debate and no member is required to vote on the motion.

CALL OF THE SENATE

23. A member may impose a call of the Senate requiring the attendance of all members before any further proceedings occur except a motion to adjourn. Upon the imposition of a call, a record of those present shall be obtained~~,~~ upon the request of any member, and the Sergeant at Arms instructed to bring in the absent members. When the Senate has been placed under call, *a member may demand that* the doors ~~shall~~ be closed and no member permitted to leave the Chamber until the matter or question, if any, under consideration at the time of the call is disposed of, or until the call is lifted by a majority vote of all the members of the Senate, or until the Senate adjourns. A majority vote of all the members of the Senate may excuse from attendance ~~absent~~ members not answering the call.

A call cannot be made after voting has commenced.

QUESTIONS—HOW STATED AND DECIDED

24. Questions shall be distinctly put. The President shall declare all votes but if a member rises to question a vote, the President shall order a division.

ONLY MEMBERS PRESENT TO VOTE

25. Upon a division and count of the Senate on a question, only members

present in the Senate chamber shall be counted. No member may vote on a question except at the member's own seat in the chamber.

ANY ~~SENATOR~~ *MEMBER* MAY DEMAND ~~AYES~~ *YEAS* AND NAYS

26. At any time prior to the start of voting on a question, a member may call for the ~~ayes~~ *yeas* and nays which shall be entered in the Journal. A call for the ~~ayes~~ *yeas* and nays cannot be interrupted except as provided in Rule No. 22.

AUTHORIZED ELECTRICAL VOTING DEVICE

27. Unless otherwise ordered, a vote, except upon elections and upon the overriding of a governor's veto, may be taken by means of the electrical voting system which is under the control of the President.

CERTIFICATE FOR MONEY

28. No certificate authorizing the payment of money appropriated by the Legislature shall be issued by the Secretary ~~,~~ by virtue of a motion or resolution, unless the motion or resolution is voted for by a majority of all members of the Senate~~. All motions or resolutions authorizing the issuing of certificates by the Secretary for the payment of money shall be~~ upon a call of the ~~ayes~~ *yeas* and nays.

THE PREVIOUS QUESTION

29. Unless the motion for the previous question is made specifically applicable to a subsidiary motion, the previous question shall be in this form:

"Shall the main question now be put?" It shall only be admitted when demanded by a majority of the members present, and its effect is to put an end to all debate, and bring the Senate to a direct vote upon amendments reported by a committee, if any, then upon all pending amendments in their order and then upon the main question.

On a motion for the previous question a call of the Senate is in order before the President submits the question to the Senate.

On a previous question there is no debate. All incidental questions of order, arising after a motion is made for the previous question, and pending the motion, shall be decided, whether on appeal or otherwise, without debate.

DIVISION OF QUESTION

30. A member may call for a division of the question when the question will admit of it. A motion to strike out and insert is indivisible. A motion to strike out being lost does not preclude an amendment nor a motion to strike out and insert.

RECONSIDERATION

31. When a motion or question has been once put and carried in the affirmative or negative, it is in order for a member who voted with the prevailing side to move for reconsideration on the same day on which the vote was taken or within the next two calendar days or, if later, the first day the Senate meets after the vote was taken. The motion takes precedence over all other questions except a motion to adjourn or recess. When a motion to adjourn is adopted prior to the disposition of the motion for reconsideration, a motion for reconsideration shall lie over until the next succeeding day the Senate meets except

as provided in this rule. When notice of intention to move reconsideration of the final action of the Senate on a question is given by a member, the Secretary shall retain the subject of the notice until after the expiration of the time during which the motion can be made.

During the six calendar days before the first Tuesday following the third Saturday in May of any year a notice of intention to move for reconsideration is not in order, but a motion to reconsider may be made and have priority over all other business except a motion to adjourn. A motion for reconsideration having been once voted on shall not be put again nor reconsidered.

INTRODUCTION OF BILLS

32. Bills, memorials, concurrent or joint resolutions may be introduced by a member or by order of the Senate on a report of a committee. An original and three copies are required for introduction. The number of authors shall not exceed five. A member or a committee desiring to introduce a bill, memorial or concurrent or joint resolution shall place it in the hands of the Secretary, and the Secretary shall promptly deliver all the bills, memorials or concurrent or joint resolutions to the President who shall present them to the Senate.

The name of the author or authors shall be prefixed to each bill, memorial or resolution and the name of a committee introducing a bill, memorial or resolution shall be endorsed on it.

RECESS BILL INTRODUCTIONS

33. During the period between the last day of the session in any odd-numbered year and the first day of the session in the following year, a bill filed with the ~~President~~ *Secretary* for introduction shall be given a file number and may be unofficially referred by the ~~Committee on Rules and Administration~~ *President, with the approval of the Subcommittee on Bill Scheduling,* to an appropriate standing committee of the Senate. All bills filed for introduction during this period shall be presented to the Senate when it reconvenes and shall be referred to the standing committees previously indicated by the ~~Committee on Rules and Administration~~ *President* , subject to objection under Rule 35.

REPORTING OF BILLS

34. Every bill, memorial, order, resolution or vote requiring the approval of the Governor shall be reported to the Senate on three different days previous to its passage. The first report, called the first reading, is made when it has been received for introduction; the second report, called the second reading, is made when it has been considered by all the necessary standing committees and is ready for debate; the third report, called the third reading, is made when it is ready for final passage.

REFERRING OF BILLS

35. All bills shall be referred by the President without motion to the proper standing committee unless otherwise referred by the Senate. A bill introduced by a committee need not be referred to a standing committee unless a question arises but rather shall lie over one day before being given its second reading. When a question arises concerning the proper reference of a bill during the order of business of first reading on the day of introduction or at the time of report on it by a standing committee to which the bill was previously referred, the bill shall be referred without debate to the Committee on Rules and Administration to report the proper reference, and upon adoption of the report *of*

the Committee on Rules and Administration , it shall be referred accordingly.

All bills appropriating money, or obligating the state to pay or expend money, or establishing a policy which to be effective will require expenditure of money, when referred to and reported by any other than the Committee on Finance, shall, before passage, be referred to the Committee on Finance.

36. No bill or resolution shall be referred to committee or amended until it has been given its first reading. No bill or resolution shall be objected to on its introduction.

AMENDMENTS TO BE GERMANE

37. An amendment proposed to the Senate or to the Committee of the Whole that is not germane is out of order. A non-germane amendment includes one that relates to a substantially different subject, or is intended to accomplish a substantially different purpose than that of the original bill to which it is proposed. Whether an amendment is germane is a question to be decided by the President, who may put the question to the body if he chooses.

AMENDMENTS TO BILLS

38. In drawing an amendment to a bill or resolution reference shall be made therein, first to the number of the bill, then to the page, and then to the line or lines from which matter is to be stricken or in which new matter is to be inserted.

AMENDMENTS TO TITLE

39. The title to a bill may be amended at any time during its pendency in the Senate.

RECALL FROM COMMITTEE

40. A majority of the Senate may at any time recall a bill from any committee or take a bill from the table and place it on General Orders.

By a report of the Committee on Rules and Administration, adopted by the Senate, the Committee on Rules and Administration , on request of the first author , may remove a bill from committee and re-refer it to any other committee or place it on General Orders.

DISTRIBUTION AND PRINTING OF BILLS

41. To the extent practical the Secretary shall provide a copy of any bill to the public. He may charge a reasonable fee.

Unless otherwise ordered by the Senate, all Senate bills which have been reported upon favorably or without recommendation by a committee shall be printed prior to consideration by the Senate or the Committee of the Whole. *A committee chairman, a majority of the last committee to consider a bill, or the Senate may require a House bill that has been amended by the Senate to be unofficially engrossed and printed when placed on General Orders.* A bill may be printed by order of the Secretary when amended after second reading. A bill shall be printed when ordered by a majority vote of the Senate. Action by the Senate on a bill which has not been printed is a waiver of the printing requirement.

~~BILL SCHEDULING~~ *COMMITTEE OF THE WHOLE*

42. All bills, memorials, orders, resolutions and votes requiring the ap-

proval of the Governor shall, after a second reading, ~~be referred to the Subcommittee on Bill Scheduling of the Committee on Rules and Administration, except as provided for in Rule 9. At least every seven calendar days, the subcommittee shall report to the Senate the bills and other matters recommended by the subcommittee for Senate action, and any subcommitte action taken or proposed on bills and other matters that are recommended to remain in the subcommittee. All matters reported out by the subcommittee shall be placed on General Orders in the order designated by the subcommittee and shall~~ be considered in Committee of the Whole before they are finally acted upon by the Senate, except as provided for in Rules 9 and 10.

~~COMMITTEE OF THE WHOLE~~

43. The President may call a member to the Chair when the Senate resolves itself into the Committee of the Whole. The rules observed in the Senate govern, as far as practicable, the proceedings of the Committee of the Whole, and the Chairman of the Committee of the Whole has the powers of the President, as appropriate. However, a member may speak more than twice on the same subject and a call for the previous question cannot be made. The ~~ayes~~ *yeas* and nays shall be taken only upon the request of three members, and when taken shall be recorded in the Journal along with the amendment; provided, however, that a member may, with the approval of the Chairman of the Committee on Rules and Administration, submit a description of the amendment for printing. In those cases the Secretary shall retain in the minutes of the Committee of the Whole the full text of the amendment.

44. The recommendations of the Committee of the Whole shall be reported to the Senate. If a recommendation contains a proposed amendment of a bill, that amendment shall be noted on a separate piece of paper but when reported need not be read by the President unless required by one or more of the members. The question is on the adoption or rejection of the report, and no other question shall be admitted. The question may be divided to permit separate Senate action on the report as to any bill. On adoption of the report of the Committee of the Whole all bills recommended to pass shall be placed upon the Calendar.

AMENDMENT ON THIRD READING

45. Except as provided for in Rule 39 and to fill blanks, no amendment is in order on third reading without the unanimous consent of the Senate. In filling blanks, the largest sum, the longest time and the greatest distance shall be first taken.

MOTION TO REFER

46. A bill or resolution may be referred to committee at any time prior to its passage, and if an amendment is reported on the referral to any other than a Committee of the Whole, it shall again be read the second time, ~~referred to the Subcommittee on Bill Scheduling of the Committee on Rules and Administration,~~ considered in Committee of the Whole, read the third time and placed on final passage. If the referral is to the Committee of the Whole it shall be placed at the head of General Orders, except when the referral is under Rule 9.

FINAL PASSAGE

47. The final question upon a bill or other matter requiring action by both Houses after its first and second reading, and after the consideration in Committee of the Whole, is upon its final passage.

TRANSMITTING OF BILLS TO THE HOUSE

48. Except as provided in Rule 31, immediately after the passage of a bill or other matter in which the concurrence of the House of Representatives is requested, the Secretary shall transmit it to the House. On the concurrence of a bill or other matter of the House by the Senate, or on the concurrence or disagreement in a vote of the House, the Secretary shall notify the House.

COMPARISON AND SUBSTITUTION OF BILLS

49. Unless there is a motion or objection, a House bill, after its first reading, shall be referred as follows:

(a) If there is no Senate companion bill, the House bill shall be referred to the appropriate standing committee;

(b) If there is a Senate companion bill, the House bill shall be referred to the standing committee possessing the Senate companion;

(c) If the Senate companion bill has been reported to the Senate, the House bill shall be referred to the Committee on Rules and Administration, which shall report whether the House bill is identical to the Senate companion bill. If the bills are identical, the report shall recommend that the House bill be given its second reading and substituted for the Senate companion bill and the Senate companion bill be indefinitely postponed. If the House bill is not identical to the Senate companion bill, the report of the committee shall so state and recommend an amendment to the House bill that when adopted will render the House bill identical to the Senate bill. Upon adoption of a committee report containing the proposed amendment, the House bill as amended shall be given its second reading and substituted for the Senate companion bill and the Senate companion bill shall be indefinitely postponed.

Reports of the Committee on Rules and Administration pursuant to this rule shall be prepared and submitted on behalf of the committee by the Secretary.

A House bill placed on the Calendar by substitution shall not be given its third reading on the same day as the substitution.

ENGROSSING AND ENROLLING OF BILLS

50. All engrossing and enrolling of bills shall be done at the direction and under authority of the Senate.

Every bill, memorial, order or resolution originating in the Senate shall be carefully engrossed before being transmitted to the House of Representatives for concurrence.

All bills shall be carefully enrolled under the supervision of the Committee on Rules and Administration, which may report to the Senate at any time on the enrollment of bills.

DISPOSITION OF BILLS ON ADJOURNMENT

51. Adjournment of the regular session in an odd-numbered year to a date certain in the following year shall be equivalent to daily adjournment, except that a bill on the Calendar, Consent Calendar, or General Orders shall be returned to the standing committee other than the Committee on Rules and Administration from which it was last reported to the Senate, unless otherwise provided for by motion prior to adjournment. Bills returned to committee pursuant to this rule shall, upon request of the author, be given priority for

consideration by the committee ahead of all other bills in the order in which they appeared on the Calendar, Consent Calendar, or General Orders.

PETITIONS AND OTHER COMMUNICATIONS

52. In presenting a petition, memorial, remonstrance or other communication addressed to the Senate, a member shall only state the general purpose of it.

Every petition, memorial, remonstrance, resolution, bill and report of committee, shall have an appropriate title, and the name of the member presenting it written on it.

RESOLUTIONS

53. Memorial resolutions addressed to the President or the Congress of the United States, or a house or member of Congress, or a department or officer of the United States, or a state or foreign government, and resolutions requiring the signature of the Governor shall follow the same procedure as bills before being adopted.

Upon a member giving notice of intention to debate a resolution not requiring the signature of the Governor and not offered by the Committee on Rules and Administration, the resolution shall lie over one calendar day without debate or other action. Upon the request of a ~~Senator~~ *member*, the resolution shall be referred to the proper committee. Whenever a question arises concerning the proper reference the procedure provided by Rule 35 applies.

CONFIRMATIONS

54. Every gubernatorial appointment requiring the advice and consent of the Senate shall be referred by the President to the appropriate committee. If a question arises as to the proper committee, the appointment shall be referred without debate to the Committee on Rules and Administration for a report making the proper reference.

The final question on the appointment is, "Will the Senate, having given its advice, now consent to this appointment?" The question shall not be put the same day the appointment is received or on the day it is reported by committee unless by unanimous consent.

SIGNING OF ACTS, RESOLUTIONS

55. In addition to his duties under Rule 3, the President shall sign all acts, memorials, addresses and resolutions. All writs, warrants and subpoenas issued by the Senate shall be signed by the President and attested by the Secretary. ~~When the Senate is not in session,~~ Upon a finding by the Committee on Rules and Administration that the President refuses or is unable to sign any of the documents described in this rule, the *President Pro Tem,* Chairman of the Committee on Rules and Administration , or some other member selected by the committee shall assume the duties of the President under this rule until the President is able to sign the documents described or until the Senate elects a new President, whichever occurs first.

APPOINTMENT OF COMMITTEES

56. The majority and minority shall each be represented on all standing committees of the Senate. The majority group shall assign the number of

positions the minority group will hold on each committee. The minority group shall be given adequate notice about its positions prior to the commencement of the session. Both the majority and minority groups shall appoint their own members to fill the number of positions each group will hold on each committee. The minority group shall transmit notice of its assignments to the majority group within ten calendar days after receipt of the notice of positions available. If the minority group for any reason fails to make its appointments pursuant to this rule, the majority group may make all the committee assignments.

The majority and minority committee assignments are subject to the uniform criteria governing committee assignments applicable to both the majority and minority. The uniform criteria shall be promulgated by the majority group and transmitted to the minority group together with notification of committee positions available to the minority.

Committee assignments as made by the majority and minority groups shall be followed by the Senate in the resolution establishing representation on all Senate standing committees.

After the organization of the Senate, all committees of the Senate and members of commissions to be appointed by the Senate authorized by rule, statute, resolution or otherwise, shall be appointed by the Subcommittee on Committees of the Committee on Rules and Administration, unless otherwise provided, subject to confirmation by the Senate. In the appointment of members of conference committees between the two houses, the Subcommittee on Committees of the Committee on Rules and Administration of the Senate shall appoint those who are in accord with the position of the Senate, and whenever practical, give preference to authors of bills in dispute and to members of standing committees in which the bills were considered.

''Sec. 3. Minnesota Statutes 1980, Section 176.021, Subdivision 3, is amended to read:

Subd. 3. [COMPENSATION, COMMENCEMENT OF PAYMENT.] All employers shall commence payment of the compensation at the time and in the manner prescribed by this chapter without the necessity of any agreement or any order of the division. Except those of medical, burial, and other non-periodic benefits, payments shall be made as nearly as may be at the intervals when the wage was payable; provided, however, that payments for permanent partial disability ~~in cases in which return to work occurs prior to four weeks from the date of injury~~ shall be made by lump sum payment, and the provisions of section 176.165 shall not apply, without the necessity of any agreement, or order of the division, upon cessation of payments for temporary total disability ~~and upon the employee's return to work. In cases in which return to work does not occur prior to four weeks after injury, payments for permanent partial disability shall be made according to the following schedule: 25 percent of the amount due after four weeks from the date of injury, 25 percent after eight weeks, 25 percent after 12 weeks and 25 percent after 16 weeks, provided that any and all payments remaining shall be paid upon the cessation of payments for temporary total disability and upon the employee's return to work~~ *or as soon thereafter as such permanent partial disability can be ascertained, unless, upon good cause shown, it is otherwise ordered by the division.* If doubt exists at that time as to the eventual permanent partial disability, payment shall be then made for the minimum permanent partial disability ascertainable in lump sum, and further lump sum payment shall be made upon any later ascertainment of greater permanent partial disability. At the time of the tender of the lump sum payment, the employee and employer shall be furnished with a copy of the medical report upon which the payment is based, together with a statement by the insurer as to whether the tendered payment is for minimum permanent partial disability or final and eventual disability. ~~Compensation for permanent partial disability is payable concurrently and in addition to compensation for temporary total disability and temporary partial disability as set forth in section 176.101, subdivisions 1 and 2, and for permanent total disability as defined in section 176.101, subdivision 5; and such compensation for permanent partial disability shall not be deferred pending completion of payment for temporary disability or permanent total disability, and no credit shall~~

~~be taken for payment of permanent partial disability against liability for permanent total disability. Liability on the part of an employer or his insurer for disability of a temporary total, temporary partial, and permanent total nature shall be considered as a continuing product and part of the employee's inability to earn or reduction in earning capacity due to injury or occupational disease and shall be payable accordingly. Permanent partial disability is payable for functional loss of use or impairment of function, permanent in nature, and payment therefore shall be separate, distinct, and in addition to payment for any other compensation.~~ The right to receive temporary total, temporary partial, permanent partial or permanent total disability payments shall vest in the injured employee or his dependents under this chapter or, if none, in his legal heirs at the time the disability can be ascertained and the right shall not be abrogated by the employee's death prior to the making of the payment."

Mr. Merriam from the Committee on Agriculture and Natural Resources, to which was referred

S. F. No. 2: A bill for an act relating to Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison Counties; authorizing a joint board to prepare and implement a land use plan for the upper Mississippi River and adjacent lands.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [114B.01] [PURPOSE AND INTENT.]

The legislature finds that:

(a) The Mississippi River from its outlet at Lake Itasca, Clearwater County, to the southerly boundary of Morrison County, Minnesota, possesses outstanding and unique natural, scientific, historical, recreational and cultural values deserving of protection and enhancement;

(b) The counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison have entered into a joint powers agreement pursuant to law for the purpose of developing a plan for the protection and enhancement of the foregoing values; and

(c) The plan adopted by the counties pursuant to the joint powers agreement establishes guidelines and minimum standards for cooperative local management of this segment of the Mississippi River.

It is the intent of sections 1 to 7 to authorize and direct the joint board and the counties to implement this comprehensive plan for the Mississippi headwaters area.

Sec. 2. [114B.02] [MISSISSIPPI HEADWATERS BOARD.]

Subdivision 1. [DEFINITIONS.] *For the purpose of sections 1 to 6, the following terms have the meanings given them in this subdivision unless the context clearly requires otherwise.*

(a) [BOARD.] *"Board" means the Mississippi headwaters board established pursuant to subdivision 2 of this section.*

(b) [COUNTIES.] *"Counties" means the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison.*

Subd. 2. [ESTABLISHMENT.] *The Mississippi headwaters board established by the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison by agreement entered into on February 22, 1980, pursuant to section 471.59, is hereby established as a permanent board with authority to prepare, adopt and implement a comprehensive land use plan designed to protect and enhance the Mississippi River and related shoreland areas situated within the counties.*

Subd. 3. [MEMBERSHIP; TERMS; VACANCIES.] *The board shall consist of eight members. The governing body of each county shall appoint one of its members to serve on the board. The members appointed to the board and serving on the effective date of this section shall constitute the first board as provided in this subdivision. The term of a member serving on the board on the effective date of this section shall expire on the first Monday in January of*

1983. Thereafter, the terms of board members shall be two years commencing on the first Monday in January of odd numbered years. Vacancies on the board shall be filled for the remainder of the term by the governing body that made the original appointment. The governing body of a county may designate another member of the governing body or a county officer to act as an alternate for the member appointed by that county.

Subd. 4. [OFFICERS.] *The board shall annually appoint from among its members a chairman, vice-chairman and secretary-treasurer who shall serve for concurrent one year terms.*

The chairman shall preside over all meetings of the board and may call special meetings at reasonable times and upon adequate notice when necessary. The vice-chairman shall preside over the meetings of the board in the absence of the chairman. The secretary-treasurer or his designee shall keep a record of all proceedings of the board. The secretary-treasurer shall provide for the proper receipt and disbursement of funds.

Subd. 5. [MEETINGS.] *The regular meetings of the board shall be held at times and places prescribed by it. A majority of all members of the board shall constitute a quorum and a majority vote of all members shall be required for actions taken by the board.*

Sec. 3. [114B.03] [COMPREHENSIVE PLAN.]

Subdivision 1. [EXISTING PLAN CONFIRMED; MINIMUM STANDARDS.] *The comprehensive land use plan prepared by the board and approved by resolution adopted on February 12, 1981, shall be the comprehensive land use plan authorized by section 2, subdivision 2, and shall be implemented by the board as provided in this section and section 4. The counties shall adopt land use ordinances consistent with the comprehensive land use plan of the board. The standards set forth in the plan are the minimum standards which may be adopted by the board and by the counties for the protection and enhancement of the natural, scientific, historical, recreational and cultural values of the Mississippi River and related shoreland areas subject to the plan. The board may amend the plan in any way that does not reduce the minimum standards set forth in the plan approved on February 12, 1981.*

Subd. 2. [ADVISORY COMMITTEES; HEARINGS.] *The board may appoint advisory committees and conduct public meetings and hearings necessary to afford the public an opportunity to become fully informed of all deliberations in the preparation and implementation of the plan.*

Subd. 3. [GOVERNMENTAL AGENCIES.] *The board shall initiate and maintain contacts with governmental agencies as necessary to properly prepare the plan and shall negotiate cooperative management agreements with the United States forest service and bureau of land management and the state department of natural resources. The board, Beltrami, Cass, Hubbard, and Itasca Counties shall initiate and maintain contacts with the governing body of the Leech Lake Indian Reservation and shall negotiate a cooperative management and jurisdiction agreement with the reservation governing body on or before September 1, 1981.*

Subd. 4. [LEECH LAKE INDIAN RESERVATION.] *Sections 1 to 7 shall not be construed to alter or expand the zoning jurisdiction of the counties within the exterior boundaries of the Leech Lake Indian Reservation. The comprehensive plan of the board and the county ordinances adopted pursuant to section 3, subdivision 1, shall apply only to areas within the zoning juris-*

diction of the counties as provided by law in effect prior to the enactment of sections 1 to 7.

Subd. 5. [IMPLEMENTATION.] *The board shall develop and establish a schedule for implementation and common administration of the plan by the counties. The schedule shall be binding upon the counties subject to approval by the governing bodies of the respective counties.*

Subd. 6. [FUNDS.] *The board shall annually submit to each county for its approval an estimate of the funds it will need from that county in the next fiscal year to prepare and implement the plan and otherwise carry out the duties imposed upon it by sections 1 to 6. Each county shall, upon approval of the estimate by its governing body, furnish the necessary funds to the board. The board may apply for, receive and disburse federal, state and other grants and donations.*

Subd. 7. [CONTRACTS.] *The board may employ staff and contract for goods and services as necessary to implement sections 1 to 6. Contracts are subject to the statutory procedures and restrictions applicable to county contracts.*

Sec. 4. [114B.04] [REVIEW AND CERTIFICATION OF LAND USE ACTIONS.]

Subdivision 1. [PURPOSE.] *In order to insure that the comprehensive land use plan prepared by the board is not nullified by unjustified exceptions in particular cases and to promote uniformity in the treatment of applications for exceptions, a review and certification procedure is established for the following categories of land use actions taken by the counties and directly or indirectly affecting land use within the area covered by the plan:*

(a) The adoption or amendment of an ordinance regulating the use of land, including rezoning of particular tracts of land;

(b) The granting of a variance from provisions of the land use ordinance; and

(c) The approval of a plat which is inconsistent with the land use ordinance.

Subd. 2. [CERTIFICATION.] *Notwithstanding any provision of chapter 394 to the contrary no action of a type specified in subdivision 1, clauses (a) to (c) is effective until the board has reviewed the action and certified that it is consistent with the comprehensive plan of the board. In determining consistency of ordinances and ordinance amendments, the provisions of the comprehensive land use plan shall be considered minimum standards. An aggrieved person may appeal a decision of the type specified in subdivision 1, clauses (a) to (c) which is reviewed by the board under this section in the same manner as provided for review of a decision of a board of adjustment in section 394.27, subdivision 9, but only after the procedures prescribed under this section have been completed.*

Subd. 3. [PROCEDURE FOR CERTIFICATION.] *A copy of all notices of public hearings or, when a hearing is not required, a copy of the application to consider any actions of a type specified in subdivision 1, clauses (a) to (c) shall be forwarded to the board by the county at least 30 days prior to the hearing or meetings to consider the actions. The county shall notify the board of its final decision on the proposed action within ten days of the decision. No later than 30 days from the time it receives the notice, the board shall notify the county and the applicant of its approval or disapproval of the proposed action.*

Subd. 4. [DISAPPROVAL OF ACTIONS; HEARING.] *In the case of notice of disapproval issued by the board, either the county or the applicant may, within 30 days of notice, file with the board a demand for a hearing. If no demand is filed during that period, the disapproval becomes final. If a demand is filed during that period, a hearing shall be held within 60 days of demand and shall be preceded by two weeks published notice. Within 30 days after the hearing, the board shall either affirm its disapproval of the proposed action or certify its approval thereof.*

Sec. 5. [114B.05] [INCORPORATION AND ANNEXATION.]

When land subject to the comprehensive land use plan of the board is annexed, incorporated or otherwise subjected to the land use planning authority of a home rule charter or statutory city, a moratorium shall exist on all subdivision platting and building permits on that land until zoning regulations are adopted for that land which comply with the provisions of the comprehensive plan of the board. The moratorium shall also apply to construction, grading and filling, and vegetative cutting as those activities are defined in the comprehensive plan. This section does not apply to work done pursuant to lawful permits issued before the land became subject to the land use planning authority of the city.

Sec. 6. [114B.06] [BIENNIAL REPORT.]

During the first year of each biennial legislative session, the board shall prepare and present to the appropriate policy committees of the legislature a report concerning the actions of the board in exercising the authority granted by the legislature pursuant to sections 1 to 5. The report shall include an assessment of the effectiveness of the board's comprehensive land use plan and its implementation in protecting and enhancing the natural, scientific, historical, recreational and cultural values of the Mississippi River and related shorelands situated within the member counties.

Sec. 7. [114B.07] [APPLICABILITY.]

Sections 1 to 6 apply to the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison.

Sec. 8. [EFFECTIVE DATE.]

Sections 1 to 7 are effective upon approval by all the respective governing bodies of the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison, and upon compliance with Minnesota Statutes, Section 645.021, Subdivision 3. Sections 1 to 7 shall not be effective unless all of the counties approve and comply with Minnesota Statutes, Section 645.021, Subdivision 3, by September 1, 1981."

Amend the title as follows:

Page 1, delete lines 2 to 6 and insert:

"relating to the Mississippi River headwaters area; establishing a joint board of counties to prepare, adopt and implement a comprehensive land use plan for the Mississippi River headwaters area; imposing a temporary moratorium on the use of certain lands subject to city land use controls; proposing new law coded as Minnesota Statutes, Chapter 114B."

And when so amended the bill do pass. Amendments adopted. Report adopted.

Mr. Tennessen from the Committee on Commerce, to which was referred

S. F. No. 352: A bill for an act relating to commerce; providing for the regulation of motor vehicle franchises; prohibiting certain practices by motor vehicle manufacturers; removing motor vehicle franchises from the general statutory provisions regarding franchises; prescribing penalties; providing remedies; amending Minnesota Statutes 1980, Section 80C.01, Subdivision 4; proposing new law coded as Minnesota Statutes, Chapter 80E; repealing Minnesota Statutes 1980, Sections 168.27, Subdivision 21; and 325D.17 to 325D.29.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [80E.01] [LEGISLATIVE PURPOSE AND INTENT.]

The legislature finds and declares that the distribution and sale of motor vehicles within this state vitally affects the general economy of the state and the public interest and the public welfare, and that in order to promote the public interest and the public welfare, and in the exercise of its police power, it is necessary to regulate and license motor vehicle manufacturers, distributors or wholesalers, and factory or distributor representatives, and to regulate dealers of motor vehicles doing business in this state in order to prevent fraud, impositions, and other abuses upon its citizens and to protect and preserve the investments and properties of the citizens of this state.

Sec. 2. [80E.02] [APPLICABILITY.]

The provisions of sections 1 to 18 shall apply to all new motor vehicle dealers and contracts existing between new motor vehicle dealers and manufacturers on the effective date of sections 1 to 18 and to all subsequent contracts between new motor vehicle dealers and manufacturers.

Sec. 3. [80E.03] [DEFINITIONS.]

Subdivision 1. [TERMS.] *As used in sections 1 to 18, unless the context otherwise requires, the following terms have the meanings given them.*

Subd. 2. [MOTOR VEHICLE.] *"Motor vehicle" is as defined in Minnesota Statutes, Section 168.011, Subdivision 4, but does not include farm implements or machinery.*

Subd. 3. [DEALER.] *"New motor vehicle dealer" or "dealer" means a person who in the ordinary course of business is engaged in the business of selling new motor vehicles to consumers or other end users and who holds a valid sales and service agreement, franchise, or contract, granted by a manufacturer, distributor, or wholesaler for the sale of its motor vehicles.*

Subd. 4. [MANUFACTURER.] *"Manufacturer" means any person who manufactures or assembles new motor vehicles or any person, partnership, firm, association, joint venture, corporation, or trust which is controlled by the manufacturer.*

Subd. 5. [DISTRIBUTOR.] *"Distributor" means any person who in whole or in part offers for sale, sells, or distributes any new motor vehicle to new motor vehicle dealers, or who maintains factory representatives or who controls any person who in whole or in part offers for sale, sells, or distributes any new motor vehicle to new motor vehicle dealers.*

Subd. 6. [FACTORY BRANCH.] *"Factory branch" means a branch office*

maintained by a manufacturer for the purpose of selling, or offering for sale, motor vehicles to a distributor or new motor vehicle dealer, or for directing or supervising in whole or in part factory or distributor representatives.

Subd. 7. [NEW MOTOR VEHICLE.] *"New motor vehicle" means a motor vehicle which is in the possession of a manufacturer, distributor, or wholesaler, or has been sold only to the holders of a valid sales and service agreement, franchise, or contract, granted by the manufacturer, distributor, or wholesaler for the sale of the new motor vehicle and which is in fact new and on which the original title has not been issued from the franchised dealer.*

Subd. 8. [FRANCHISE.] *"Franchise" means the agreement of contract between any new motor vehicle manufacturer, written or otherwise, and any new motor vehicle dealer which purports to fix the legal rights and liabilities of the parties to the agreement or contract.*

Subd. 9. [GOOD FAITH.] *"Good faith" means honesty in fact and the observation of reasonable commercial standards of fair dealing in the trade as is defined and interpreted in Minnesota Statutes, Section 336.2-103, Clause (1)(b).*

Subd. 10. [DESIGNATED FAMILY MEMBER.] *"Designated family member" means the spouse, child, grandchild, parent, brother, or sister of the owner of a new motor vehicle dealer who, in the case of the owner's death, is entitled to inherit the ownership interest in the new motor vehicle dealer under the terms of the owner's will or who, in the case of an incapacitated owner of a new motor vehicle dealer, has been appointed by a court as the legal representative of the new motor vehicle dealer's property.*

Subd. 11. [RELEVANT MARKET AREA.] *"Relevant market area" means the area within a radius of ten miles around an existing new motor vehicle dealer.*

Sec. 4. [80E.04] [WARRANTY OBLIGATIONS TO DEALERS.]

Subdivision 1. [REQUIREMENTS.] *Each new motor vehicle manufacturer shall specify in writing to each of its new motor vehicle dealers licensed in this state the dealer's obligations for preparation, delivery, and warranty service on its products. The manufacturer shall also compensate the new motor vehicle dealer for warranty service and parts required of the dealer by the manufacturer, and shall provide the dealer the schedule of compensation to be paid the dealer for parts, work, and service in connection with warranty services, and the time allowance for the performance of the work and service.*

Subd. 2. [REASONABLE COMPENSATION FOR SERVICES.] *In no event shall the schedule of compensation fail to include reasonable compensation for diagnostic work, as well as repair service, parts, and labor. Time allowances for the diagnosis and performance of warranty work and service shall be reasonable and adequate for the work to be performed. In the determination of what constitutes reasonable compensation under this section, the principal factors to be given consideration shall be the prevailing wage rates paid by the dealer in the community in which the dealer is doing business, and in no event shall the hourly labor rate paid to a dealer for warranty services be less than the rate charged by the dealer for like service to nonwarranty customers for nonwarranty service and repairs.*

Subd. 3. [VIOLATIONS.] *It is a violation of this section for any new motor vehicle manufacturer to fail to: (a) perform any warranty obligations that it*

undertakes under the motor vehicle manufacturer's warranty; (b) include in written notices of factory recalls to new motor vehicle owners and dealers the expected date by which necessary parts and equipment will be available to dealers for the correction of the defects; or (c) to compensate any of the motor vehicle dealers licensed in this state for repairs effected by a recall.

Subd. 4. [PAYMENT OF CLAIMS.] *All claims made by new motor vehicle dealers pursuant to this section for labor and parts shall be paid within 30 days of their approval. Claims shall be either approved or disapproved within 30 days after they are submitted to the manufacturer in the manner and on the forms it prescribes, and any claims not specifically disapproved in writing within 30 days after the manufacturer receives them shall be construed to be approved and payment must follow within 30 days; provided, however, that the manufacturer retains the right to audit the claims for a period of two years and to charge back any amounts paid on unsubstantiated or fraudulent claims.*

Subd. 5. [PRODUCT LIABILITY; LIMITATION.] *As between the dealer and the manufacturer, the obligations imposed by this section shall constitute the dealer's only responsibility for product liability based in whole or in part on strict liability in tort.*

Sec. 5. [80E.05] [INDEMNIFICATION REQUIRED.]

Notwithstanding the terms of any franchise agreement to the contrary, it shall be a violation of sections 1 to 18 for any new motor vehicle manufacturer to fail to indemnify and hold harmless its franchised dealers against any judgment for damages, including, but not limited to, those based on strict liability, negligence, misrepresentation, warranty (express or implied), or revocation of acceptance as is defined in Minnesota Statutes, Section 336.2-608, where the complaint, claim, or lawsuit relates solely to the alleged defective or negligent manufacture, assembly, or design of new motor vehicles, parts or accessories or other functions by the manufacturer, beyond the control of the dealer.

Sec. 6. [80E.06] [CANCELLATIONS; TERMINATIONS.]

Subdivision 1. [REQUIREMENTS.] *Notwithstanding the terms of any franchise agreement or waiver to the contrary, no manufacturer shall cancel or terminate any franchise relationship with a licensed new motor vehicle dealer unless the manufacturer has:*

(a) Satisfied the notice requirement of section 8;

(b) Acted in good faith as defined in section 3, subdivision 9; and

(c) Good cause for the cancellation, termination, nonrenewal, or noncontinuance.

Subd. 2. [CIRCUMSTANCES CONSTITUTING GOOD CAUSE.] *Notwithstanding the terms of any franchise agreement or waiver to the contrary, good cause exists for the purposes of a termination or cancellation, when the new motor vehicle dealer fails to comply with a provision of the franchise which is both reasonable and of material significance to the franchise relationship; provided, that the dealer has been notified in writing of the failure within 180 days after the manufacturer first acquired knowledge of the failure; and*

If failure by the new motor vehicle dealer relates to the performance of the new motor vehicle dealer in sales or service, then good cause shall be defined as the failure of the new motor vehicle dealer to comply with reasonable

performance criteria established by the manufacturer; provided, that the new motor vehicle dealer was apprised by the manufacturer in writing of the failure; the notification stated that notice was provided for failure of performance pursuant to sections 1 to 18; the new motor vehicle dealer was afforded a reasonable opportunity in no event less than six months to comply with the criteria; and the dealer did not demonstrate substantial progress towards compliance with the manufacturer's performance criteria during the period.

Sec. 7. [80E.07] [CANCELLATION, TERMINATION; LIMITATIONS.]

Subdivision 1. [CIRCUMSTANCES NOT CONSTITUTING GOOD CAUSE.] *Notwithstanding the terms of any franchise agreement or waiver to the contrary, the following examples represent circumstances which do not by themselves constitute good cause for the termination or cancellation of a franchise:*

(a) A change of ownership of the new motor vehicle dealer's dealership. This paragraph does not authorize any change in ownership which would have the effect of the sale of the franchise without the manufacturer's or distributor's consent, but consent shall not in any case be unreasonably withheld. The burden of establishing the reasonableness is on the franchisor;

(b) The fact that the new motor vehicle dealer refused to purchase or accept delivery of any new motor vehicle parts, accessories, or any other commodity or services not ordered by the new motor vehicle dealer, other than parts necessary to conduct recall campaigns; or

(c) The fact that the new motor vehicle dealer owns, invests in, participates in the management of, holds a license for the sale of another make or line of new motor vehicle, or has established another make or line of new motor vehicle in the same dealership facilities as those of the manufacturer; provided, that the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicle, and that the new motor vehicle dealer remains in substantial compliance with the terms and conditions of the franchise and with any reasonable facilities' requirements of the manufacturer.

Subd. 2. [BURDEN OF PROOF.] *The manufacturer has the burden of proving that it acted in good faith; that the notice requirements have been complied with; and that there was good cause for the franchise termination or cancellation.*

Sec. 8. [80E.08] [NOTICE OF TERMINATION OR CANCELLATION.]

Subdivision 1. [REQUIREMENTS.] *Notwithstanding the terms of any franchise agreement or waiver to the contrary, prior to the termination or cancellation of any franchise, the manufacturer shall furnish notice of the termination, cancellation, or nonrenewal to the new motor vehicle dealer as provided in subdivision 2.*

Subd. 2. [GENERALLY.] *Notice shall be in writing and except as provided in subdivision 3 shall be given not less than 90 days prior to the effective date of the termination or cancellation.*

Subd. 3. [SPECIFIC EXCEPTIONS.] *(1) At least 15 days notice must be provided with respect to terminations or cancellations involving the following circumstances:*

(a) Conviction of or plea of nolo contendere of a franchised motor vehicle dealer, or one of its principal owners, of a crime which constitutes a felony as

defined in Minnesota Statutes, Section 609.02, Subdivision 2;

(b) The business operations of the franchised motor vehicle dealer have been abandoned or closed for seven consecutive business days unless the closing is due to an act of God, strike or labor difficulty, or other cause over which the dealer has no control;

(c) A significant misrepresentation by the new motor vehicle dealer; or

(d) The suspension, revocation, or refusal to renew the franchised motor vehicle dealer's license pursuant to Minnesota Statutes, Section 168.27.

(2) Not less than 180 days notice must be provided prior to the effective date of cancellation or termination where the manufacturer or distributor is discontinuing the sale of the product line.

Subd. 4. [CONTENTS AND DELIVERY.] *The notice shall be sent by certified mail or personally delivered to the new motor vehicle dealer. The notice shall contain the following information:*

(a) A statement of intention to terminate or cancel the franchise;

(b) A statement of the reasons for the termination or cancellation; and

(c) The date on which the termination or cancellation takes effect.

Sec. 9. [80E.09] [PAYMENTS REQUIRED UPON TERMINATION.]

Subdivision 1. [REQUIREMENTS.] *Upon the termination or cancellation of any franchise, the new motor vehicle dealer shall, in the time prescribed, be allowed fair and reasonable compensation by the manufacturer for the following items:*

(a) New motor vehicle inventory which was originally acquired from the manufacturer;

(b) Equipment and furnishings if the new motor vehicle dealer purchased them from the manufacturer;

(c) Special tools;

(d) Supplies, including parts, purchased from the manufacturer. Fair and reasonable compensation as applied to parts means that the manufacturer shall reimburse the dealer for 100 percent of the net cost of all current unused automobile and truck parts, including transportation charges, and 85 percent of the current net prices on repair parts, including superseded parts listed in current price lists or catalogs plus five percent of the current net price of all parts returned to compensate the dealer for the handling, packing, and loading of the parts;

(e) Except as provided in clause (f), dealership facilities if the facilities were required to be purchased or constructed as a precondition to obtaining the franchise or its renewal by the manufacturer. If the facilities described in this clause were leased and the lease was required by the manufacturer as a precondition to obtaining the franchise or to its renewal, then the manufacturer is liable for one year's payment of the rent or the remainder of the term of the lease, whichever is less. The manufacturer has no obligations under this clause if the termination or cancellation was for good cause based on the conviction or a plea of nolo contendere of the dealer or one of its principal owners for a crime which constitutes a felony as defined in Minnesota Statutes, Section 609.02, Subdivision 2, or where it has been demonstrated at the

hearing that the new motor vehicle dealer has repeatedly exhibited a course of conduct constituting fraud with respect to the manufacturer or the general public;

(f) In the event the termination or cancellation is due to a failure of performance of the dealer in sales or service as described in section 6, subdivision 2, the manufacturer shall have no obligation to purchase facilities owned by the dealer but shall be required to pay the dealer a sum equivalent to the reasonable rental value of the facilities for one year. In all other respects the provisions of clause (e) shall apply.

Subd. 2. [TIME IN WHICH PAYMENTS MUST BE MADE.] *Fair and reasonable compensation shall be paid by the manufacturer when possible within 90 days of the effective date of termination or cancellation as long as this period will allow compliance with the notification requirements of Minnesota Statutes, Sections 336.6-101 to 336.6-111 or any other state or federal laws relating to creditor notification.*

Subd. 3. [VOLUNTARY TERMINATIONS OR CANCELLATIONS.] *For the purposes of reimbursement under this section, termination or cancellation includes a voluntary termination or cancellation by the dealer.*

Sec. 10. [80E.10] [NONRENEWALS.]

Subdivision 1. [GENERAL PROVISIONS.] *No manufacturer, distributor, or factory branch shall fail or refuse to renew a franchise unless the manufacturer or distributor provides the new motor vehicle dealer at least 12 months written notice of its intention not to renew and clearly indicating therein the specific grounds for nonrenewal and unless during the 12 months prior to expiration of the franchise, the manufacturer or distributor permits the dealer to sell or transfer his business to a purchaser meeting the manufacturer's or distributor's then current requirements for granting new franchises and in accordance with the provisions of section 12, subdivision 1, clause (j).*

Subd. 2. [PERMITTED IN CERTAIN CIRCUMSTANCES.] *A manufacturer or distributor may fail or refuse to renew a franchise where:*

(a) Termination would be permitted pursuant to sections 1 to 19; or

(b) The dealer and the manufacturer or distributor agree not to renew the franchise;

(c) The manufacturer discontinues distribution of the franchise product at the dealership location, and does not establish a replacement dealer at or within two miles of that location for a period of at least four years;

(d) The manufacturer discontinues production or distribution of the franchise product;

(e) The manufacturer discontinues distribution of the franchise product in a geographic area due to federal, state or local laws;

(f) The dealer and the manufacturer fail to agree to changes or additions to the terms and conditions of the franchise agreement if the changes or additions would result in renewal of the franchise agreement on substantially the same terms and conditions which the manufacturer or distributor is then customarily granting renewal franchises. The manufacturer or distributor may give the new motor vehicle dealer written notice of a date which is at least 60 days subsequent to the notice, on or before which a proposed written agreement of the terms and conditions of the renewal franchise must be accepted in writing by

the dealer; or

(g) The business relationship between the parties has deteriorated to the point that a reasonably harmonious association does not exist; provided the deterioration is the result of actions of a serious and significant nature by the dealer which were not caused by or attributable to unlawful acts or unfair practices of the manufacturer or distributor as described in sections 4, 11 and 12, or any federal law, and provided the manufacturer or distributor has made a good faith effort to advise the dealer of the problems contributing to the deterioration and thereby improve the business relationship in the 12 months prior to expiration of the franchise.

Subd. 3. [RESTRICTIONS.] *Nonrenewal shall not be permitted where the refusal to renew is for the purpose of converting the new motor vehicle dealer's business premises to operation by employees or agents of the manufacturer or distributor. Operation of the premises by employees or agents of the manufacturer or distributor shall be prima facie evidence of intent to convert unless the operation is temporary for a reasonable period or pending sale to any qualified independent person at a fair and reasonable price, or in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions.*

Subd. 4. [PAYMENTS.] *In the event of nonrenewal or failure to renew, the manufacturer or distributor shall be obligated to make the same payments to the dealer and in the same manner, subject to the same limitations and restrictions, as are set forth in section 9.*

Subd. 5. [CERTAIN FRANCHISES ONLY.] *This section applies only when the franchise agreement has a term of at least five years. However, nothing in this section shall prohibit a manufacturer from offering or agreeing before expiration of the current franchise term to extend the term of the franchise for a limited period in order to satisfy the time of notice or nonrenewal requirement contained herein.*

Sec. 11. [80E.11] [SURVIVORSHIP.]

Subdivision 1. [AUTHORIZATION.] *Any designated family member of a deceased or incapacitated owner of a new motor vehicle dealer may succeed to the ownership of the new motor vehicle dealer under the existing franchise or distribution agreement if: (a) the designated family member gives the manufacturer, distributor, factory branch, or importer of new motor vehicles written notice of the intention to succeed to ownership of the dealership within 120 days of the owner's death or incapacity; (b) agrees to be bound by all of the terms and conditions of the existing franchise; and (c) unless there exists good cause for refusal to honor the succession on the part of the manufacturer, factory branch, distributor, or importer.*

Subd. 2. [PERSONAL AND FINANCIAL DATA.] *At the time of serving notice under subdivision 1, the designated family member shall provide, upon the request of the manufacturer, distributor, factory branch, or importer, personal and financial data that is reasonably necessary to determine whether the succession should be honored.*

Subd. 3. [NOTICE OF DISCONTINUANCE OR REFUSAL TO HONOR SUCCESSION.] *If a manufacturer, distributor, factory branch, or importer believes that good cause exists for refusing to honor the succession to the ownership and operation of a new motor vehicle dealer by a family member of a*

deceased or incapacitated owner of a new motor vehicle dealer under the existing franchise agreement, the manufacturer, distributor, factory branch, or importer may, within 60 days after receipt of the personal and financial data requested under subdivision 2, serve notice upon the designated family member of its refusal to honor the succession and of its intent to discontinue the existing franchise agreement with the new motor vehicle dealer no sooner than 90 days from the date the notice is served.

Subd. 4. [CONTENTS OF NOTICE.] *The notice must state the specific grounds for the refusal to honor the succession and discontinue the existing franchise agreement with the new motor vehicle dealer.*

Subd. 5. [EFFECT OF NOTICE NOT TIMELY SERVED.] *If notice of refusal and discontinuance is not timely served upon the family member, the franchise agreement shall continue in effect subject to termination only as otherwise permitted by sections 1 to 18.*

Subd. 6. [BURDEN OF PROOF.] *In determining whether good cause for the refusal to honor the succession exists, the manufacturer, distributor, factory branch, or importer has the burden of proving that the successor is a person who is not of good moral character or does not meet the franchisor's existing and reasonable standards and, considering the volume of sales and service of the new motor vehicle dealer, uniformly applied minimum business experience standards in the market area.*

Subd. 7. [SUCCESSION AGREEMENTS.] *Notwithstanding the foregoing, in the event the new motor vehicle dealer and franchisor have duly executed an agreement concerning succession rights prior to the dealer's death, the agreement shall be observed, even if it designates an individual other than the surviving spouse or heirs of the franchised motor vehicle dealer.*

Sec. 12. [80E.12] [UNLAWFUL ACTS BY MANUFACTURERS, DISTRIBUTORS, OR FACTORY BRANCHES.]

Subdivision 1. [ENUMERATION.] *It shall be unlawful for any manufacturer, distributor, or factory branch to require a new motor vehicle dealer to do any of the following:*

(a) Order or accept delivery of any new motor vehicle, part or accessory thereof, equipment, or any other commodity not required by law which has not been voluntarily ordered by the new motor vehicle dealer;

(b) Order or accept delivery of any new motor vehicle, part or accessory thereof, equipment, or any other commodity not required by law in order for the dealer to obtain delivery of any other motor vehicle ordered by the dealer or to qualify for or participate in any rebate, refund, or similar program offered by the manufacturer;

(c) Order or accept delivery of any new motor vehicle with special features, accessories, or equipment not included in the list price of the motor vehicles as publicly advertised by the manufacturer or distributor;

(d) Participate monetarily in an advertising campaign or contest, or to purchase any promotional materials, showroom, or other display decorations or materials at the expense of the new motor vehicle dealer;

(e) Enter into any agreement with the manufacturer or to do any other act prejudicial to the new motor vehicle dealer by threatening to cancel a franchise or any contractual agreement existing between the dealer and the manufac-

turer. Notice in good faith to any dealer of the dealer's violation of any terms of the franchise agreement shall not constitute a violation of sections 1 to 18;

(f) Change the capital structure of the new motor vehicle dealer or the means by or through which the dealer finances the operation of the dealership; provided, that the new motor vehicle dealer at all times meets any reasonable capital standards agreed to by the dealer; and also provided, that no change in the capital structure shall cause a change in the principal management or have the effect of a sale of the franchise without the consent of the manufacturer or distributor as provided in section 12, subdivision 1(j);

(g) Prevent or attempt to prevent, by contract or otherwise, any motor vehicle dealer from changing the executive management control of the new motor vehicle dealer unless the franchisor proves that the change of executive management will result in executive management control by a person who is not of good moral character or who does not meet the franchisor's existing reasonable capital standards and, with consideration given to the volume of sales and services of the new motor vehicle dealer, uniformly applied minimum business experience standards in the market area; provided, that where the manufacturer, distributor, or factory branch rejects a proposed change in executive management control, the manufacturer, distributor, or factory branch shall give written notice of its reasons to the dealer;

(h) Refrain from participation in the management of, investment in, or the acquisition of, any other line of new motor vehicle or related products; provided, however, that this clause does not apply unless the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicle; and that the new motor vehicle dealer remains in substantial compliance with the terms and conditions of the franchise and with any reasonable facilities requirements of the manufacturer;

(i) During the course of the agreement, change the location of the new motor vehicle dealership or make any substantial alterations to the dealership premises during the course of the agreement, when to do so would be unreasonable; or

(j) Prospectively assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability imposed by sections 1 to 18 or to require any controversy between a new motor vehicle dealer and a manufacturer, distibutor, or factory branch to be referred to any person or tribunal other than the duly constituted courts of this state, the United States, or the commissioner, if the referral would be binding upon the new motor vehicle dealer.

Sec. 13. [80E.13] [UNFAIR PRACTICES BY MANUFACTURERS, DISTRIBUTORS, FACTORY BRANCHES.]

Subdivision 1. [ENUMERATION.] *It is unlawful and an unfair practice for a manufacturer, distributor, or factory branch to engage in any of the following practices:*

(a) To delay, refuse, or fail to deliver new motor vehicles or new motor vehicle parts or accessories in reasonable time and in reasonable quantity relative to the new motor vehicle dealer's facilities and sales potential in the dealer's relevant market area, after having accepted an order from a new motor vehicle dealer having a franchise for the retail sale of any new motor vehicle sold or distributed by the manufacturer or distributor, if the new motor vehicle or new motor vehicle parts or accessories are publicly advertised as

being available for delivery or actually being delivered. This clause is not violated, however, if the failure is caused by acts or causes beyond the control of the manufacturer;

(b) To refuse to disclose to any new motor vehicle dealer handling the same line make, the manner and mode of distribution of that line make within the relevant market area;

(c) To obtain money, goods, service, or any other benefit from any other person with whom the dealer does business, on account of, or in relation to, the transaction between the dealer and the other person, other than for compensation for services rendered, unless the benefit is promptly accounted for, and transmitted to, the new motor vehicle dealer;

(d) To increase prices of new motor vehicles which the new motor vehicle dealer had ordered for private retail consumers prior to the dealer's receiving the written official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order if the vehicle is in fact delivered to that customer. In the event of manufacturer price reductions, the amount of any reduction received by a dealer shall be passed on to the private retail consumer by the dealer if the retail price was negotiated on the basis of the previous higher price to the dealer;

(e) To offer any refunds or other types of inducements to any new motor vehicle dealer for the purchase of new motor vehicles of a certain line make to be sold to the state or any political subdivision thereof without making the same offer to all other new motor vehicle dealers in the same line make within the relevant market area;

(f) To release to any outside party, except under subpoena or in an administrative or judicial proceeding involving the manufacturer or dealer, any business, financial, or personal information which may be provided by the dealer to the manufacturer, without the express written consent of the dealer or unless pertinent to judicial or governmental administrative proceedings or to arbitration proceedings of any kind;

(g) To deny any new motor vehicle dealer the right of free association with any other new motor vehicle dealer for any lawful purpose;

(h) To unfairly discriminate among its new motor vehicle dealers with respect to warranty reimbursement or authority granted its new vehicle dealers to make warranty adjustments with retail customers;

(i) To compete with a new motor vehicle dealer in the same line make operating under an agreement or franchise from the same manufacturer in the relevant market area. A manufacturer shall not, however, be deemed to be competing when operating a dealership either temporarily for a reasonable period, or in a bona fide retail operation which is for sale to any qualified independent person at a fair and reasonable price, or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions; or

(j) To prevent a new motor vehicle dealer from receiving fair and reasonable compensation for the value of the new motor vehicle dealership. There shall be no transfer, assignment of the franchise, or major change in the executive management of the dealership, except as is otherwise provided in sections 1 to 18, without consent of the manufacturer, which shall not be unreasonably

withheld. Denial of the request must be in writing and delivered to the new motor vehicle dealer within 60 days after the manufacturer receives the information necessary to evaluate the proposed transfer. If a denial is not sent within this period, the manufacturer shall be deemed to have given its consent to the proposed transfer or change.

Sec. 14. [80E.14] [LIMITATIONS ON ESTABLISHING OR RELOCATING DEALERSHIPS.]

Subdivision 1. [NOTIFICATION; PROTEST; HEARING.] *In the event that a manufacturer seeks to enter into a franchise establishing an additional new motor vehicle dealership or relocating an existing new motor vehicle dealership within or into a relevant market area where the line make is then represented, the manufacturer shall, in writing, first notify each new motor vehicle dealer in this line make in the relevant market area of the intention to establish an additional dealership or to relocate an existing dealership within or into that market area. The relevant market area is a radius of ten miles around an existing dealership. Within 15 days of receiving the notice or within 15 days after the end of any appeal procedure provided by the manufacturer, the new motor vehicle dealership may commence a civil action in a court of competent jurisdiction pursuant to section 18 challenging the establishing or relocating of the new motor vehicle dealership. An action brought under this section shall be placed on the calendar ahead of other civil actions to be heard and determined as expeditiously as possible. Thereafter the manufacturer shall not establish or relocate the proposed new motor vehicle dealership unless the court has determined that there is good cause for permitting the establishment or relocation of the motor vehicle dealership.*

For the purposes of this section, the reopening in a relevant market area of a new motor vehicle dealership within two miles of a location at which a former dealership of the same line make had been in operation within the previous two years shall not be deemed the establishment of a new motor vehicle dealership.

The relocation of an existing dealer within its area of responsibility as defined in the franchise agreement shall not be subject to this section, if the proposed relocation site is not within five miles of an existing dealer of the same line make.

Subd. 2. [GOOD CAUSE.] *In determining whether good cause has been established for not entering into or relocating an additional franchise for the same line make, the court shall take into consideration the existing circumstances, including, but not limited to:*

(a) The permanency of the investment;

(b) The effect on the retail new motor vehicle business and the consuming public in the relevant market area;

(c) Whether it is injurious to the public welfare for an additional new motor dealership to be established;

(d) Whether the new motor vehicle dealers of the same line make in that relevant market area are providing adequate competition and convenient consumer care for the motor vehicles of the line make in the market area including the adequacy of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts, and qualified service personnel;

(e) Whether the new motor vehicle dealers of the same line make in the relevant market area are providing adequate market penetration and repre-

sentation; provided, that good cause shall not be shown solely by a desire for further market penetration;

(f) Whether the establishment of an additional new motor vehicle dealership would increase competition, and therefore be in the public interest; and

(g) the growth or decline in population and new car registrations in the relevant market area.

Sec. 15. [80E.15] [MANUFACTURERS, DISTRIBUTORS, FACTORY BRANCHES ACTING AS LESSORS.]

A manufacturer, distributor or factory branch acting in the capacity of lessor of buildings or facilities to a new motor vehicle dealer may not include in a lease agreement relating to those buildings or facilities any provisions which would be in contravention of or prohibited by sections 1 to 18.

Sec. 16. [80E.16] [ENFORCEMENT.]

Subdivision 1. [CIVIL PENALTY.] *Any person who violates sections 4, 11, or 12 shall be subject to a fine of not more than $2,000 for each violation. Any person who fails to comply with a final judgment or order rendered by a court of competent jurisdiction, issued for a violation of sections 1 to 18, shall be subject to a fine of not more than $25,000. The fines authorized by this subdivision shall be imposed in a civil action brought by the attorney general on behalf of the state of Minnesota, and shall be deposited into the state treasury.*

Subd. 3. [REMEDIES CUMULATIVE.] *Nothing in this section shall be construed to limit the power of the state to punish any person for any conduct which constitutes a crime under any other statute.*

Sec. 17. [80E.17] [CIVIL REMEDIES.]

Notwithstanding the terms of any franchise agreement or waiver to the contrary, any person who is injured in his business or property by a violation of sections 1 to 18, or any person injured because he refuses to accede to a proposal for an arrangement which, if consummated, would be in violation of sections 1 to 18, may bring a civil action to enjoin further violations and to recover the actual damages sustained, together with costs and disbursements, including reasonable attorney's fees.

Sec. 18. Minnesota Statutes 1980, Section 80C.01, Subdivision 4, is amended to read:

Subd. 4. "Franchise" means a contract or agreement, either express or implied, whether oral or written, for a definite or indefinite period, between two or more persons:

(a) by which a franchisee is granted the right to engage in the business of offering or distributing goods or services using the franchisor's trade name, trademark, service mark, logotype, advertising, or other commercial symbol or related characteristics;

(b) in which the franchisor and franchisee have a community of interest in the marketing of goods or services at wholesale, retail, by lease, agreement, or otherwise; and

(c) for which the franchisee pays, directly or indirectly, a franchise fee.

"Franchise" shall include a contract, lease, or other agreement whereby the

franchisee is granted the right to market ~~(1) automobiles, motorcycles, trucks, truck tractors, or self propelled motor homes or campers if the foregoing are designed primarily for the transportation of persons or property on the public highways or (2)~~ motor vehicle fuel.

"Franchise" does not include any business which is operated under a lease on the premises of the lessor as long as such business is incidental to the business conducted by the lessor on such premises, including, without limitation, leased departments and concessions.

"Franchise" does not include a contract, lease or other agreement whereby the franchisee is granted the right to market automobiles, motorcycles, trucks, truck tractors, or self-propelled motor homes or campers if the foregoing are designed primarily for the transportation of persons or property on public highways.

The limitation shall not apply to the transportation of telegraph poles, telephone poles, electric light and power poles, piling, or pole length pulpwood, and is subject to the following further exceptions: The length limitations shall not apply to vehicles when transporting pipe, or other objects by a public utility when required for emergency or repair of public service facilities or when operated under special permits as provided in this subdivision, but with respect to night transportation a vehicle and the load shall be equipped with a sufficient number of clearance lamps and marker lamps on both sides and upon the extreme ends of a projecting load to clearly mark the dimensions of the load. For purposes of determining compliance with the provisions of this subdivision, the length of the semitrailer or trailer shall be determined separate from the overall length of the combination of vehicles."

Subd. 4a. The Legislature finds that in the enactment of Laws 1975, Chapter 359, Section 20, it did not require identical inflationary assumptions to be applied both to probable required levels of compensation and to probable reserve necessary to meet those compensation payments.

Thus, in any case where an insurer bases its estimate of the amounts required to be reserved in any part on the operation of section 176.645, any assumption as to reserves required due to the operation of that section shall be offset by an

assumption that the amount initially reserved shall be invested and yield a return equal to the assumption as to the annual increase in the statewide average weekly wage, subject to a limitation of six percent a year. In addition, the commissioner shall, in determining rates, fully reflect the investment earnings of insurers which arise from the sale of workers' compensation insurance, either by use of at least a six percent discount rate in determining the reserves necessary for all claims, or by the use of an alternative methodology which the commissioner finds is more appropriate. Insurers shall provide the commissioner with any information he requests so as to arrive at the determination required by this subdivision. This provision is remedial in nature and is to be liberally construed in achieving its end."

"Section 1. Minnesota Statutes 1980, Section 97.488, is amended to read:

97.488 [PROTECTION OF THREATENED AND ENDANGERED SPECIES.]

Subdivision 1. [PROHIBITION.] Notwithstanding any other provision of law, the taking, import, transport, or sale of any endangered species of wild animal, ~~or hides~~ *plant* or ~~other~~ parts thereof, or the sale or possession with intent to sell any article made in whole or in part from the skin, hide, or ~~other~~ *any* parts of any endangered species of wild animal *or plant* is prohibited, except as provided in ~~subdivision~~ *subdivisions 1a and* 6.

Subd. 1a. [APPLICATION.] *The provisions of subdivision 1 do not apply to plants on land classified for property tax purposes as class 3b agricultural land pursuant to section 273.13, subdivision 6, or on ditches and roadways. The provisions of subdivision 1 do not apply to noxious weeds designated pursuant to sections 18.171 to 18.315 or to weeds otherwise designated as troublesome by the department of agriculture. When control of noxious weeds is necessary, it takes priority over the protection of endangered plant species, as long as reasonable effort is taken to preserve the endangered plant species first.*

The taking of an endangered plant species on land adjacent to class 3b agricultural land as a result of the application of pesticides or other agricultural chemical on the class 3b land shall not be a violation of subdivision 1, as long as reasonable care is taken in the pesticide or other chemical application to avoid impact on adjacent lands.

Subd. 2. [DESIGNATION.] The commissioner of natural resources ~~shall~~,

(3) Species of special concern, upon a showing that while a species is not endangered or threatened, it is extremely uncommon in Minnesota, or has unique or highly specific habitat requirements and deserves careful monitoring of its status. Species on the periphery of their range which are not listed as threatened may be included in this category along with those species which were once threatened or endangered but now have increasing or protected, stable populations.

For purposes of this section, the range of the species in Minnesota shall be a factor in determining its status as endangered, threatened or of special concern. A designation by the secretary of the interior that a species is threatened or endangered shall be a prima facie showing for ~~this~~ *the* purpose *of this section.* ~~The commissioner shall withdraw designation in the same manner.~~ Until the commissioner adopts ~~such regulation~~ *rules* , those *animal* species designated as endangered by Section 4 (c) (3) of the Endangered Species Act of 1973 (PL 93-205) at the time of enactment thereof shall be considered endangered within the meaning of this section.

Not later than January 1, 1984, the commissioner shall propose any species of plant for designation under clauses (1) to (3) by submitting the proposed designations to the appropriate policy committees of the legislature. The designations are effective upon the passage of a legislative act authorizing the adoption of the designations, with any additions or deletions as set forth in the act, and upon the issuance of an order by the commissioner adopting the designations in accordance with the terms of the act.

The commissioner shall reevaluate the designated species list every three years after it is first adopted and make or propose appropriate changes. In particular, the review shall consider the need for further protection of species on the species of special concern list. Species may be withdrawn from designation in the same manner that species are designated pursuant to this subdivision.

Subd. 3. [STUDIES.] The commissioner of natural resources may conduct such investigations as he shall deem appropriate to determine the status and requirements for survival of any resident species of wild animal *or plant* .

Subd. 4. [MANAGEMENT.] Notwithstanding any other provision of law, whenever any resident species of wild animal *or plant* has been designated as threatened or endangered pursuant to this section, the commissioner of natural resources may undertake ~~such~~ management programs and in connection therewith *may* issue ~~such~~ orders , *related to wild animals,* and ~~promulgate such regulations~~ *adopt rules* as he deems necessary to bring the species to a point at which it is no longer threatened or endangered. Subject to the provisions of subdivision 6, management programs for endangered or threatened species

may include, but need not be limited to, methods and procedures such as research, census, law enforcement, habitat acquisition and maintenance, propagation, live trapping, transplantation and regulated taking.

Subd. 5. [ENFORCEMENT.] Any peace officer or conservation officer, pursuant to chapter 626, may execute a warrant to search for and seize any goods, merchandise, ~~or wildlife~~ *plant or animal* taken, sold or offered for sale in violation of this section, or any thing used in connection with a violation of this section. Seized property shall be held pending judicial proceedings. Upon conviction, seized property is forfeit. Goods, merchandise, ~~or wildlife~~ *plants or animals* shall be offered to a scientific or educational institution or destroyed.

Subd. 6. [GENERAL EXCEPTIONS.] The commissioner may permit, on prescribed conditions, any act otherwise prohibited by subdivision 1 ~~for any of the following purposes~~ *if*:

(1) *The act is for the purpose of* zoological, educational or scientific study;

(2) ~~Enhancement of~~ *The act enhances* the propagation or survival of the affected species; ~~or~~

(3) ~~Prevention of~~ *The act prevents* injury to persons or property~~, provided that for the purpose of preventing such injury~~ *; or*

(4) The social and economic benefits of the act outweigh the harm caused by it.

No member of an endangered species may be destroyed *pursuant to clause (3) or (4)* until all alternatives, including but not limited to live trapping and transplantation, have been evaluated and rejected. ~~He~~ *The commissioner* may permit, on prescribed conditions, the propagation of a species or subspecies for its preservation. A member of a threatened or endangered species may be captured or destroyed without permit by any person when necessary in an emergency to avoid an immediate and demonstrable threat to human life or property.

Subd. 7. [APPLICATION.] This section shall not apply retroactively or so as to prohibit importation into this state and subsequent possession, transport and sale of wild animals or ~~hides or other~~, *wild plants or* parts thereof legally imported into the United States or legally acquired and exported from another territory, state, possession or political subdivision of the United States.

Sec. 2. [TECHNICAL COMMITTEE.]

The commissioner shall appoint a technical committee of not more than 30 persons with knowledge and experience in botany, zoology, and other relevant disciplines to recommend criteria for determining the special concern, endangered or threatened status of species and those species appropriate for designation. For purposes of these recommendations, the commissioner shall organize appropriate working subcommittees in various species areas. In addition, the committee shall generally advise the commissioner regarding administration of this section and shall review current programs of the department and recommend appropriate changes and new programs for restoration, recovery, habitat improvement and habitat protection for designated species. The committee shall be appointed not later than July 1, 1981, and shall recommend its list of species for designation to the commissioner not later than January 1,

1983, and shall make a written report to the commissioner and the legislature on program recommendations prior to January 1, 1984. No. 294: A bill for an act relating to employment; providing relief to employees who lose their jobs due to business closings, plant relocations, and reductions in operations; requiring advance notification to affected employees, employee organizations, municipalities, and the state of business closings, plant relocations, and reductions of operations; prescribing duties of certain departments, governmental bodies, and officers with respect to business closings, plant relocations, and reductions of operations; creating a community services council; providing for the creation of a community jobs assistance fund; providing penalties; proposing new law coded as Minnesota Statutes, Chapter 179A.

"Section 1. [268A.01] [CITATION.]

This act shall be known and may be cited as the "Minnesota Community, Jobs and Business Preservation Act."

Sec. 2. [268A.02] [FINDINGS.]

The legislature of the state of Minnesota finds that problems related to the business climate and more specifically to plant closings, plant relocations and/or massive reductions in the number of employees at a plant facility often encompass the concerns and responsibilities of several state agencies as well as the local area affected. The legislature also finds that, in view of the often devastating impact of these problems on particular communities in terms of economic, social and personal dislocation, the interaction of various agencies and local communities is vital to a successful solution of the problems. Further, coordination of the cooperative efforts of governmental, business and labor groups is essential to reaching solutions which are timely, equitable and in the best interests of the citizens of the local communities and the state. In order to provide a sound coordination of these efforts and to encourage cooperation among all affected parties, the legislature finds that comprehensive planning and study requires the establishment of a state community, business and job preservation board.

If the employer operating the affected establishment establishes to the satisfaction of the board that the closing,*

Subdivision 1. [COMPLAINTS.] *An employee who believes that his or her employer has violated this act may file a written complaint with the board. Subd. 5. [BOARD POWERS.] *For the purpose of an investigation or pro-*

Subd. 2. [DISCRIMINATION COMPLAINT.] *An employee who believes that he or she has been discharged, discriminated against, or otherwise penalized by an employer operating an affected establishment in violation of this section may file a complaint with the board within 30 days of the occurrence of the violation.*

Subd. 3. [BOARD INVESTIGATION.] *Upon receipt of an employee complaint, or upon its own initiative, the board shall investigate the compliance of an employer operating an affected establishment with this act. The board has the powers given in section 8, subdivision 5, in connection with an investigation except an inquiry made pursuant to section 5, subdivision 6. After completion of the investigation, if the board determines that this section was violated, it shall notify the attorney general who shall bring an action in district court against the employer. In the action, the district court may restrain the violation of this section and provide any other appropriate relief.*

Subd. 4. [NOTICE TO COMPLAINANT.] *Within 90 days after the receipt of a complaint filed under this section, the board shall notify the complainant of the determination under subdivision 3.*

Sec. 10. [268A.10] [VIOLATIONS; PENALTIES.]

Subd. 2. [CIVIL FINE.] *The board may assess an employer operating an affected establishment who violates the notice requirement of section 6, subdivision 1, unless the board approves a shorter period of notification, a civil fine of not more than $250 per day. The civil fine shall be deposited in the general fund.*

The board may assess an employer operating an affected establishment who violates the time limitation, unless the board approves a shorter period of notification, or who provides an incomplete economic impact statement, which time limitation or economic impact statement is provided for in section 6, a civil fine of not more than $250 per day. The civil fine shall be deposited in the general fund.

Sec. 11. [268A.11] [PRIORITY OF CLAIMS.]

A money claim against an employer operating an affected establishment, on behalf of an affected employee, pursuant to this act, shall have priority over all other claims against an employer except wage claims.

Sec. 12. [268A.12] [SEVERABILITY OF PROVISIONS.]

The provisions of sections 1 to 12 shall be severable, and if a provision or the application of a provision under any circumstances is held invalid or unconstitutional, the invalidity shall not affect any other provision of sections 1 to 12 or the application of a provision under different circumstances."

Pages 2 to 6, delete sections 2 to 5 and insert:

"Sec. 2. Minnesota Statutes 1980, Section 290.01, is amended by adding a subdivision to read:

Subd. 28. [MAJOR OIL COMPANY.] *The term "major oil company" means a corporation which is engaged in all of the following activities: (1) the extraction or production of crude oil in excess of an average of 100,000 barrels of crude oil per day; (2) the refining of crude oil in excess of an average of 100,000 barrels of crude oil per day; and (3) the marketing or distribution for marketing in this state of gasoline, motor fuel, fuel oil, and similar products from the refining or manufacture of crude oil. A major oil company includes a parent corporation and the subsidiaries of a company engaging in a unitary business if the parent itself or through one or more of its subsidiaries markets or distributes petroleum or petroleum products in Minnesota. In the case of a major oil company that includes a subsidiary or parent as described in the preceding sentence in its unitary business operation, the company shall be required to file a combined or consolidated report showing the combined net income of those companies and other information deemed necessary. The tax on those corporations shall be assessed against either of the corporations whose net income is involved in the report upon the basis of the combined entire net income and other information received in order to accurately reflect the net income earned by the corporation or corporations from business done in this state. For purposes of this subdivision, a subsidiary is a corporation in which the parent owns not less than 50 percent of its voting stock, and whose business activities include the production, refining or marketing of crude petroleum or*

petroleum products; and a company engaging in a unitary business is a group of two or more corporations having some degree of common ownership, each of which is engaged in related business activities.

Sec. 3. Minnesota Statutes 1980, Section 290.09, Subdivision 1, is amended to read:

Subdivision 1. [LIMITATIONS.] *(a) Except as provided in clause (b),* the following deductions from gross income shall be allowed in computing net income, provided that any item which was deducted in arriving at gross income under the provisions of section 290.01, subdivision 20, shall not be again deducted under this section.

(b) A major oil company shall not deduct amounts otherwise deductible for depletion or intangible drilling costs, including ordinary loss deductions taken for nonproductive wells, with respect to the production of petroleum, not including the production of natural gas.

Sec. 4. Minnesota Statutes 1980, Section 290.091, is amended to read:

290.091 [MINIMUM TAX ON PREFERENCE ITEMS.]

~~(a)~~ In addition to all other taxes imposed by this chapter there is hereby imposed, a tax which, in the case of a resident individual, estate or trust, shall be equal to 40 percent of the amount of the taxpayer's minimum tax liability for tax preference items pursuant to the provisions of sections 55 to 58 and 443(d) of the Internal Revenue Code of 1954 as amended through December 31, 1979 except that for purposes of the tax imposed by this section, excess itemized deductions as defined in section 57(b) shall not include any deduction taken for Minnesota income tax paid and capital gain as defined in section 57(a) of the Internal Revenue Code shall not include that portion of any gain occasioned by sale, transfer or the granting of a perpetual easement pursuant to any eminent domain proceeding or threat thereof as described in section 290.13, subdivision 5. This modification shall apply to the years in which the gain or reduction in loss is actually included in federal adjusted gross income even though amounts received pursuant to the eminent domain proceedings were received in prior years. In the case of a taxpayer other than a corporation, an amount equal to one-half of the net capital gain for the taxable year shall be used as the definition of capital gain in place of the deduction determined under section 1202 of the Internal Revenue Code. In the case of a resident individual, estate or trust having preference items which could not be taken to reduce income from sources outside the state pursuant to section 290.17, subdivision 1, or any other taxpayer the tax shall equal 40 percent of that federal liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference item income allocated to this state pursuant to the provisions of sections 290.17, subdivision 1, to 290.20, and the denominator of which is the taxpayer's total preference item income for federal purposes.

~~(b) In the case of a resident individual, estate or trust having preference items in taxable years beginning after December 31, 1976, and before January 1, 1978, which are not allocable to Minnesota under the provisions of sections 290.17 to 290.20 in effect for such years, the tax shall equal 40 percent of the taxpayer's federal minimum tax liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference items allocable to Minnesota under the provisions of sections 290.17 to 290.20 in effect for those~~

~~years and the denominator of which is the taxpayer's total preference items for federal purposes.~~ *In the case of a major oil company, any amount deducted for depletion for federal tax purposes but not deductible for state tax purposes pursuant to section 290.09, subdivision 1, clause (b) shall not be considered a tax preference item.*

Sec. 5. Minnesota Statutes 1980, Section 290.19, Subdivision 1, is amended to read:

Subdivision 1. [COMPUTATION, BUSINESS CONDUCTED PARTLY WITHIN STATE; APPORTIONMENT.] The taxable net income from a trade or business carried on partly within and partly without this state shall be computed by deducting from the gross income of such business, wherever derived, deductions of the kind permitted by section 290.09, so far as connected with or allocable against the production or receipt of such income. The remaining net income shall be apportioned to Minnesota as follows:

(1) If the business consists of the mining, producing, smelting, refining, or any combination of these activities of copper and nickel ores, or of the manufacture of personal property and the sale of said property within and without the state, the remainder shall be apportioned to Minnesota on the basis of the percentage obtained by taking the ~~arithmetical~~ *weighted* average of the following three percentages *as provided in clause (d)* :

(a) The percentage which the sales made within this state is of the total sales wherever made;

(b) The percentage which the total tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in this state during the tax period in connection with such trade or business is of the total tangible property, real, personal, or mixed, wherever located, owned or rented and, used by the taxpayer in connection with such trade or business during the tax period; and,

(c) The percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with such trade or business is of the taxpayer's total payrolls paid or incurred in connection with such entire trade or business;

(d) The percentage of such remainder to be assigned to this state shall ~~not~~ be ~~in excess of~~ the sum of the following percentages: 70 percent of the percentage determined under clause (1) (a), 15 percent of the percentage determined under clause (1) (b), and 15 percent of the percentage determined under clause (1) (c);

(2) (a) In all other cases the remainder shall be apportioned to Minnesota on the basis of the percentage obtained by taking the ~~arithmetical~~ *weighted* average of the following three percentages *as provided in clause (4)* :

(1) The percentage which the sales, gross earnings, or receipts from business operations, in whole or in part, within this state bear to the total sales, gross earnings, or receipts from business operations wherever conducted;

(2) The percentage which the total tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in this state during the tax period in connection with such trade or business is of the total tangible property, real, personal, or mixed, wherever located, owned, or rented, and used by the taxpayer in connection with such trade or business during the tax period;

and

(3) The percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with such trade or business is of the taxpayer's total payrolls paid or incurred in connection with such entire trade or business;

(4) The percentage of such remainder to be assigned to this state shall ~~not~~ be ~~in excess of~~ the sum of the following percentages: 70 percent of the percentage determined under clause (2) (a) (1), 15 percent of the percentage determined under clause (2) (a) (2), and 15 percent of the percentage determined under clause (2) (a) (3);

(b) If the methods prescribed under clause (2) (a) will not properly reflect taxable net income assignable to the state, there may be used, if practicable and if such use will properly and fairly reflect such income, the percentage which the sales, gross earnings, or receipts from business operations, in whole or in part, within this state bear to the total sales, gross earnings, or receipts from business operations wherever conducted; or the separate or segregated accounting method. *If the commissioner determines that the methods prescribed in clause (2) (a) will not properly reflect the taxable net income of a major oil company assignable to the state he shall use only the sales factor to determine the amount so assignable*;

(3) The sales, payrolls, earnings, and receipts referred to in this section shall be those for the taxable year in respect of which the tax is being computed. The property referred to in this section shall be the average of the property owned or used by the taxpayer during the taxable year in respect of which the tax is being computed.

Sec. 6. Minnesota Statutes 1980, Section 290.21, Subdivision 4, is amended to read:

Subd. 4. (a) 85 percent of dividends received by a corporation during the taxable year from another corporation, when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of his trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of the income and gains therefrom. The remaining 15 percent shall be allowed if the recipient owns 80 percent or more of all the voting stock of such other corporation, and the dividends were paid from income arising out of business done in this state by the corporation paying such dividends; but if the income out of which the dividends are declared was derived from business done within and without this state, then so much of the remainder shall be allowed as a credit as the amount of the taxable net income of the corporation paying the dividends assignable or allocable to this state bears to the entire net income of the corporation, such rate being determined by the returns under this chapter of the corporation paying such dividends for the taxable year preceding the distribution thereof; the burden shall be on the taxpayer of showing that the amount of remainder claimed as a credit has been received from income arising out of business done in this state,

(b) if the trade or business of the taxpayer consists principally of the holding

of the stocks and the collection of the income and gains therefrom, dividends received by a corporation during the taxable year from another corporation, if the recipient owns 80 percent or more of all the voting stock of such other corporation, from income arising out of business done in this state by the corporation paying such dividends; but, if the income out of which the dividends are declared was derived from business done within and without this state, then so much of the dividends shall be allowed as credit as the amount of the taxable net income of the corporation paying the dividends assignable or allocable to this state bears to the entire net income of the corporation, such rate being determined by the returns under this chapter of the corporation paying such dividends for the taxable year preceding the distribution thereof. The burden shall be on the taxpayer of showing that the amount of dividends claimed as a credit has been received from income arising out of business done in this state.

(c) The dividend credit provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

(d) In the case of a major oil company, no credit shall be allowed for dividends received from a foreign corporation, unless the dividends are received from a subsidiary whose income is combined with that of the parent company receiving the dividend pursuant to section 290.01, subdivision 28."

The retirement board shall also establish a deferred yield adjustment account within this fund.*

Sec. 8. [TEMPORARY PROVISION: TRANSFER OF CERTAIN ASSETS AND LIABILITIES.]

The state board of investment shall transfer the assets and obligations in the Minnesota post-retirement investment fund attributable to the retired members of the Minneapolis employees retirement fund to the retirement benefit fund

established pursuant to section 7.

Notwithstanding any law to the contrary, the transfer of assets and obligations shall be based on the proportional share of required reserves of the Minnesota post-retirement investment fund attributable by Minneapolis retirement fund retired members as determined by the actuary for the legislative commission on pensions and retirement as of the established date for the transfer of assets and liabilities. The proportional share of required reserves attributable to retired members of the Minneapolis employees retirement fund shall determine the proportional share of the assets of the Minnesota post-retirement investment fund to be transferred based on market value.

As of the established date for the transfer of assets and liabilities, the liability for the payment of all annuities to annuitants of the Minneapolis employees retirement fund previously payable from the Minnesota post-retirement investment fund shall be transferred to the retirement benefit fund of the Minneapolis employees retirement fund and shall no longer be the liability of the Minnesota post-retirement investment fund.

At the close of the business day as of the established date for the transfer of assets and liabilities there shall be transferred to the Minneapolis retirement fund board title to assets equal to not less than 90 percent of the total market value of the estimated Minneapolis employees retirement fund participation in the Minnesota post-retirement investment fund. All market valuations shall be determined by a nationally recognized firm known to perform such evaluations which is mutually agreed upon by the state board of investment and Minneapolis retirement fund board. The transfer shall be in securities which are mutually agreeable to both parties and in cash, and shall be representative of the portfolio composition on the established date for the transfer of assets and liabilities. The remainder of the transfer shall be in cash with interest at the average rate earned in the Minnesota post-retirement investment fund short term portfolio from the established date for the transfer of assets and liabilities to the actual date of transfer after the actuarial determination of the proportional share of reserves attributable to retired members of the Minneapolis retirement fund is calculated by the actuary for the legislative commission on pensions and retirement. The proportional share of the deferred yield adjustment account of the Minnesota post-retirement investment fund attributable to the Minneapolis employees retirement fund as of the established date for the transfer of assets and liabilities shall be credited to the deferred yield adjustment account in the retirement benefit fund.

Upon the completion of the transfer authorized by this section, the legislative auditor shall conduct an examination of the transfer proceedings, prepare specific findings as to the propriety of fiscal correctness thereof and transmit these findings to the state board of investment, Minneapolis retirement fund board, the board of directors of the Minnesota state retirement system, the board of trustees of the public employees retirement association, the board of trustees of the teachers retirement association, the committee on public employees and pensions of the senate, the committee on governmental operations of the house of representatives, and the legislative commission on pensions and retirement. If the legislative auditor finds any error in the transfer proceedings, the parties to the transfer shall immediately cause the error to be corrected.

The Minneapolis retirement fund board shall pay any costs arising from the transfer authorized by this subdivision if the costs would not have been incurred in the absence of the transfer.

The established date for the transfer of assets and liabilities shall be June 30, 1981, unless the state board of investment and the Minneapolis employees retirement fund board jointly agree that the transfer authorized by this section should not be consummated on that date, whereupon the established date for the transfer of assets and liabilities shall be June 30, 1982.

Sec. 9. [REVISOR OF STATUTES; INSTRUCTIONS.]

Sec. 2. Minnesota Statutes 1980, Section 474.01, Subdivision 7b, is amended to read:

Subd. 7b. Prior to submitting an application to the commissioner of ~~securi-~~

~~ties and real estate~~ *economic development* requesting approval of a project pursuant to subdivision 7a, the governing body or a committee of the governing body of the municipality or redevelopment agency shall conduct a public hearing on the proposal to undertake and finance the project. Notice of the time and place of hearing, and stating the general nature of the project and an estimate of the principal amount of bonds or other obligations to be issued to finance the project, shall be published at least once not less than 15 days nor more than 30 days prior to the date fixed for the hearing, in the official newspaper and a newspaper of general circulation of the municipality or redevelopment agency. The notice shall state that a draft copy of the proposed application to the commissioner of ~~securities and real estate~~ *economic development*, together with all attachments and exhibits thereto, shall be available for public inspection following the publication of such notice and shall specify the place and times where and when it will be so available. At the time and place fixed for the public hearing, the governing body of the municipality or the redevelopment agency shall give all parties who appear at the hearing an opportunity to express their views with respect to the proposal to undertake and finance the project. Following the completion of the public hearing, the governing body of the municipality or redevelopment agency shall adopt a resolution determining whether or not to proceed with the project and its financing and may thereafter apply to the commissioner of ~~securities and real estate~~ *economic development* for approval of the project.

If the determination is to proceed with the project, the resolution shall contain the following findings:

(a) That the project furthers the purposes stated in section 474.01;

(b) That the project is consistent with the community's development plans or policies and the zoning requirements of the municipality;

(c) That the project is consistent with the municipal operating guidelines governing the authorized uses for revenue bond projects under this act;

(d) That the project will not directly compete with existing business or industry in the issuing jurisdiction or, if direct competition is found, that it will not result in a substantial detriment to existing business or industry or that the project would serve the overriding needs of the area as a whole;

(e) That an estimated increased cost of providing municipal services, utilities or public improvement to the project would not be unreasonable in light of anticipated gains in revenue to the municipality by virtue of an expanded property tax base or increases in other taxes, fees and charges; and

(f) That the project would not be likely to occur solely through private investment within the reasonably foreseeable future and that the use of industrial revenue bond financing is deemed necessary.

The determination to proceed or not to proceed shall be based on the provisions of this subdivision and guidelines established by the governing body of the municipality or the redevelopment agency and any other criteria, published or otherwise, which the governing body of the municipality or the redevelopment agency determines are applicable to the specific project under consideration.

Sec. 3. Minnesota Statutes 1980, Section 474.01, is amended by adding a

subdivision to read:

Subd. 7c. Prior to the undertaking of any project, the governing body of the municipality or redevelopment agency shall adopt operating guidelines specifying the authorized uses for revenue bonds within that municipality. The guidelines for a municipality shall include a priority list of areas within the municipality to be developed and prioritized with respect to each of the projects enumerated in section 474.02, subdivisions 1a through 1f. The priority areas shall be identified by areas of not larger than 20 square blocks whenever feasible. The guidelines shall be adopted following the hearing procedure provided for individual projects by subdivision 7b. The guidelines are effective when filed with the commissioner of economic development by the governing body of the municipality or redevelopment agency. Municipalities which have adopted guidelines prior to the effective date of this act may file them with the commissioner, together with evidence of public hearing and final passage, and upon filing the guidelines shall be effective for projects approved subsequent to the filing date. Amendments to the guidelines may be adopted pursuant to the hearing process of subdivision 7b and shall be effective when filed with the commissioner. No project inconsistent with applicable guidelines shall be authorized by a municipality. Each municipality or redevelopment agency issuing revenue bonds pursuant to chapter 474 shall designate a public office or official within that municipality or agency to serve as a coordinating body or official for small businesses who desire to use revenue bond financing. The public office or official designated by the municipality or redevelopment agency shall coordinate the use of revenue bonds by small businesses to facilitate their economic feasibility.

Sec. 4. Minnesota Statutes 1980, Section 474.01, Subdivision 8, is amended to read:

(a) The name and address of the contracting party and if the contracting party is a subsidiary corporation, the name and address of any corporation owning 25 percent or more of the subsidiaries' voting stock;

(b) The nature and location of the enterprise or project to be financed;

(c) The estimated number of permanent full-time and part-time employees who will be employed as a result of the project including a general categorizing of wage scales of the estimated employees, but listing separately those employed solely in constructing the project;

(d) The amount of bonds or notes issued, and the date issued;

(e) The amount of bonds or notes authorized for the project pursuant to subdivision 7a but unissued;

(f) Whether the bonds or notes were sold through a private placement, as

defined in section 80A.15, subdivision 2, clause (h), or through a public offer;

(g) If the bonds or notes were privately placed, the name and address of the purchaser;

(h) If the bonds or notes were publicly offered, the name and address of the underwriter;

(i) The average annual interest rate paid on the bonds or notes, amortizing any discount or premium over the life of the bonds or notes; and

(j) A brief statement of the benefit which the municipality or redevelopment agency has found will accrue to the community as a result of the project.

The contracting party shall timely furnish to the municipality or redevelopment agency the information required to be reported in this subdivision and any other information the municipality or redevelopment agency may prescribe. If information is not furnished when required, the municipality or redevelopment agency may refuse to proceed with the project. Information that is not available until the bonds are issued must be furnished to the municipality or redevelopment agency within 15 days after issuance.

The municipality or redevelopment agency shall file the information required by this subdivision with the commissioner either within 60 days of the issuance of the bonds or notes or by the end of the calendar quarter in which the bonds were issued, whichever is later. The department shall keep a record of the information which shall be available to the public at times the department shall prescribe. *The department of economic development shall prepare summary tables from these reports and submit its report annually to the legislature and the governor by November 15, documenting the activity of the municipalities and redevelopment agencies in the preceding calendar year.*

In addition to the reporting requirements for individual projects, each municipality or redevelopment agency issuing revenue bonds shall keep a permanent record of the number and types of jobs which have been created as a result of all projects within that jurisdiction, and shall submit a copy of the record to the department of economic development no later than five years from the date of the first issuance of revenue bonds by that municipality or redevelopment agency. After the initial five-year report, the municipality or redevelopment agency shall continue to maintain a permanent job record for any subsequent projects and submit a copy of the record to the commissioner of economic development every five years.

Sec. 5. Minnesota Statutes 1980, Section 474.01, is amended by adding a subdivision to read:

Subd. 11. It is the policy of the state that any bonds sold pursuant to this chapter, whether by a political subdivision, a redevelopment agency, or by the state, as well as all revenue bonds sold pursuant to any other provision of state law, except bonds of the Minnesota housing finance agency issued pursuant to chapter 462A, are sold without moral obligation on the part of the state or its political subdivisions, and may be paid only from revenues specifically pledged for repayment.

Mr. Humphrey from the Committee on Energy and Housing, to which was referred

S. F. No. 783: A bill for an act relating to energy; creating the Minnesota renewable energy financing commission; establishing a program of loans and financial assistance for small businesses and municipalities; authorizing the issuance of bonds; appropriating money; proposing new law coded in Minnesota Statutes 1980, Chapter 116H.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [116H.135] [ENERGY FINANCING COMMISSION ACT.]

Subdivision 1. [TITLE.] *Sections 1 to 3 may be cited as the "Minnesota energy financing commission act."*

Subd. 2. [POLICIES.] *Improving energy efficiency and developing economical renewable energy systems is a public purpose for state financing and a proper function of state government. Climate and geography make a reliable, economic supply of energy essential for municipalities and small businesses. Imported supplies are increasingly costly, unreliable, and environmentally disadvantageous. Renewable energy systems offer an important means of increasing the efficiency of Minnesota's energy systems and reducing the state's reliance on imported energy supplies. The combination of the large initial capital cost and investors' lack of familiarity with renewable energy systems has made the private market reluctant to provide the necessary capital for their development. As a result, public leadership, cooperation, and aid are needed to develop economically viable renewable energy systems.*

Subd. 3. [DEFINITIONS.] *Each term defined in this subdivision has the meaning given it whenever used in sections 1 to 3.*

(a) "Commission" means the renewable energy financing commission created in this section.

(b) "Owner" means a person, partnership, firm, or corporation engaged in a small business and applying to the commission for a loan under section 2.

(c) "Small business" means an enterprise defined as a small business con-

cern in regulations of the United States small business administration pursuant to 15 U.S. Code, Sections 631 to 647, as in effect March 1, 1980, which is engaged in any industrial or commercial activity. For the purposes of sections 1 to 3, a small business includes a cooperative association organized pursuant to chapter 308, a charitable organization as defined in section 309.50, a nonprofit corporation as defined in section 317.02, a conservation service company, or a labor union. A small business also includes a family farm, a family farm corporation, or an authorized farm corporation as defined in section 500.24, subdivision 2.

(d) "Target small business" for the purpose of section 2, subdivision 6, means a small business entity as defined in clause (c) which:

(1) Is not an affiliate or subsidiary of a business dominant in its field of operation;

(2) Has 50 or fewer full time employees or not more than the equivalent of $2,000,000 in annual gross revenues in the preceding fiscal year; and

(3) Demonstrates a commitment to employ individuals who are from low income households and have a history of unemployment.

(e) "Dominant in its field of operation" means having more than 50 full time employees and more than $2,000,000 in annual gross revenues.

(f) "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in its field of operation.

(g) "Financial institution" means any bank or other financial corporation described in chapter 47, any insurance company licensed to do business under chapter 60A, any securities broker-dealer licensed under chapter 80A, and any credit union.

(h) "Renewable energy system" includes, but is not limited to, the systems that qualify under the provisions of section 290.06, subdivision 14, and the rules promulgated under it except that qualifying systems described in section 290.06, subdivision 14, clause (c) may sell any fuels they produce.

(i) "Conservation" means a capital investment designed to reduce the use of energy so that the resulting fuel savings amortize the cost of the investment over a period of ten years or less.

(j) "Municipality" means any city, however organized, or any municipal power agency governed by chapter 453, or any group or combination of those units operating under an agreement to jointly undertake projects authorized by sections 1 to 3.

Subd. 4. [ENERGY COMMISSION.] *An energy financing commission is estabished to carry out the powers and duties authorized in sections 1 to 3 to implement a loan program by which, in cooperation with cities, towns, counties and private or public lenders, adequate funds may be provided on sufficiently favorable terms to assist and encourage the establishment, maintenance and growth of small renewable energy and conservation businesses in Minnesota and to reduce to a manageable level the cost of energy to businesses and municipalities. The commission shall make loans to assist small businesses and*

municipalities in the manufacture, design, distribution, maintenance, installation or acquisition of renewable energy systems and energy conservation materials and devices.

Because of its ability to pool or combine loans to be funded from one or more issues of bonds, the commission will be able to spread its financing costs among the municipalities, small businesses and individuals to which the commission makes loans.

Subd. 5. [PURPOSE.] *Sections 1 to 3 are enacted to promote the welfare and prosperity of the state by maintaining and increasing the career and job opportunities of its citizens, by reducing waste of resources and by protecting and enhancing the tax base on which state and local governments depend for the financing of public services.*

Subd. 6. [LIABILITY.] *Neither the state nor any other agency or political subdivision of the state shall be liable on any bond, note or other obligation of the commission, and no bond, note, or other obligation of the commission shall constitute a debt or loan of credit of the state or any political subdivision.*

Subd. 7. [LIMIT OF STATE ACTION.] *The state pledges and agrees with all holders of obligations of the commission that it will not limit or alter the rights vested in the commission to fulfill their terms, and will not in any way impair the rights or remedies of the holders, until all of the obligations and interest on them, with interest on any unpaid installments of interest and all costs and expenses in connection with any action or proceeding by or on behalf of the holders to enforce the payment and other provisions of the obligations, are fully met and discharged. The commission may include and recite this pledge and agreement of the state in any obligation or related document.*

Subd. 8. [POWERS OF THE STATE.] *This section does not affect the power of the state to supervise and control the commission or to discontinue its operation or alter its organization, programs or activities or transfer its powers to a successor agency, but the action of the state must be consistent with the provisions of subdivision 7 and title to all property owned by the commission at the time of the state's action must remain or vest in the commission, its successor or the state, as the case may be.*

Subd. 9. [TAXES.] *The property of the commission and its income and operation shall be exempt from all taxation by the state or any of its political subdivisions and all bonds and notes of the commission shall be exempt from all taxation by the state or any of its political subdivisions.*

Subd. 10. [BONDS; TAX STATUS.] *The state covenants with the purchasers and all subsequent holders and transferees of notes and bonds issued by the commission in consideration of the acceptance of and payment for the notes and bonds, that the notes and bonds of the commission issued pursuant to sections 1 to 3 and the income from them and all its fees, charges, gifts, grants, revenues, receipts, and other moneys received or to be received, pledges to pay or secure the payment of the notes or bonds shall at all times be free and exempt from all state, city, county or other taxation provided by the laws of the state, except for estate and gift taxes and taxes on transfers, and except for the Minnesota corporate franchise tax measured by income, so long as the interest on federal bonds is included in the income by which the corporate franchise tax is measured.*

Subd. 11. [COMMISSION; MEMBERS.] *The commission shall have five members knowledgeable about energy appointed by the governor with the advice and consent of the senate. The commissioners shall include:*

(a) One renewable energy or conservation entrepreneur managing a small business;

(b) One officer from a commercial lending institution; and

(c) One labor union official.

The director of the energy agency, the director of the housing finance agency, and the commissioner of economic development shall serve as ex officio members of the commission.

Subd. 12. [TERMS.] *The commissioners shall serve three year terms. The first members shall be appointed for terms as follows: (a) one for a term ending the first Monday in January, 1982; (b) two for terms ending the first Monday in January, 1983; and (c) two for terms ending the first Monday in January, 1984.*

Subd. 13. [CHAIR.] *The members of the commission shall annually elect a chairman and other officers they deem necessary.*

Subd. 14. [STAFF.] *The commission shall hire permanent and temporary employees necessary for the performance of its duties. The commission may enter into agreements under which the housing finance agency will provide administrative support for the commission.*

Subd. 15. [SERVICES.] *The commission shall identify general consultative and technical services to assist in financing municipalities and small business facilities for which loans may be made pursuant to section 2. It may enter into agreements or other transactions concerning the receipt or provision of those services.*

Sec. 2. [116H.136] [LOANS.]

Subdivision 1. [GENERAL.] *The commission may make or purchase or participate with financial institutions in making or purchasing renewable energy loans or energy conservation loans upon the conditions described in this section, and may enter into commitments for loans.*

Subd. 2. [LOAN PURCHASES.] *The commission may participate with financial institutions in making or purchasing business loans not exceeding $1,000,000 in principal amount, to be serviced by the institutions, provided that:*

(a) The commission's share shall not exceed 90 percent of the total principal amount, and shall be payable with interest at the same times but not necessarily at the same interest rate as the share of the financial institution, and both shares shall be equally and ratably secured by a valid mortgage on or security interest in real and personal property;

(b) The total principal amount shall not exceed 90 percent of the value of the property securing the loan, unless the amount in excess of 90 percent is:

(1) Loaned from available funds which are not proceeds received directly from the sale of the commission's bonds or notes and are not restricted under the terms of any resolution or indenture securing bonds or notes, or

(2) Insured or guaranteed by a federal agency or by a private insurer qualified to write the insurance in the state, insuring a percentage of any claim for loss at least equal to the percentage by which the loan exceeds 90 percent of the value;

(c) The value of the property securing the loan shall be certified by the participating financial institution, on the basis of appraisals, bids, purchase orders, and engineers' certificates as the commission may require;

(d) The commission shall not disburse more than one-third of the total funds under a commitment to participate in a loan for the construction or substantial improvement of property until the construction or improvement has been completed in accordance with plans and specifications, unless the financial institution furnishes an irrevocable letter of credit or a qualified corporate surety furnishes payment and performance bonds, satisfactory to the commission and in an aggregate amount equal to the amount payable under the construction contract; and

(e) No other indebtedness may be secured by a mortgage on or security interest in property securing a business loan made or purchased pursuant to this subdivision.

Subd. 3. [LOANS; AMOUNT.] *The commission may make small business and municipal loans not exceeding $200,000 in principal amount, but each loan shall be made only from the proceeds of a bond or note sold and issued to a financial institution, payable exclusively from the repayments of principal and interest on the loan, which shall be assigned to and serviced by the financial institution.*

Subd. 4. [ASSURED FINANCING.] *No loan of state funds for any project shall be disbursed until the commission has determined the total estimated cost of a qualified project and ascertained that financing of the project is assured by:*

(a) A loan or grant of funds authorized by state law;

(b) A grant of funds by an agency of the federal government which is within the amount of funds appropriated to that agency and allocated by it to the project;

(c) A grant or loan of funds from any other public or private entity;

(d) The appropriation of the proceeds of bonds or other funds of a municipality; or

(e) Any combination of the sources referred to in clauses (a) to (d).

Subd. 5. [MUNICIPAL PLEDGE.] *In addition to the requirements of subdivision 4, no loan of state funds shall be disbursed until the governing body of the qualifying municipality has adopted a resolution agreeing to utilize not only all funds it allocates specifically for the qualifying project, but also to pay any additional amount by which the cost of the project exceeds those allocated funds. The resolution shall agree to obtain the additional amounts which are necessary to fully fund the project from either the appropriation of additional municipal funds or the appropriation of the proceeds of additional bonds to be issued by the municipality.*

Subd. 6. [LOANS; TYPES.] *The commission shall make every effort to*

assure that at least 40 percent of the principal amount of the loans made or purchased by the agency in each fiscal year consists of loans to target small businesses as defined in section 1, subdivision 3, clause (d), and shall provide technical assistance needed by target small business owners to complete applications and meet other requirements for those loans. The commission shall report to the legislature annually on or before October 1 as to its compliance with the requirements of this subdivision during the preceding fiscal year.

Subd. 7. [REPORTS.] *(a) Each financial institution which participates in a residential or business loan with the commission shall annually on or before March 1 submit a report for the prior calendar year to the agency on a form prescribed by the state auditor. The report shall include a listing of each new and outstanding loan in which the financial institution is a participant, the amount and terms of the loan, the purpose of the loan and any other information as the state auditor may reasonably require.*

(b) The commission shall annually on or before May 1 submit a report on a form prescribed by the state auditor for the prior calendar year to the state auditor on all loans which it makes, purchases or participates in. (c) The state auditor shall annually on or before July 1 submit a report for the prior calendar year to the governor and the legislature summarizing the report submitted pursuant to clause (b).

(d) The cost of preparing and submitting the reports required by this subdivision shall be borne by the party submitting it. Any financial institution which fails to comply with the requirements of this subdivision shall be prohibited from participating in future loans until it complies.

S. F. No. 1096: A bill for an act relating to energy; authorizing the Minnesota energy agency to administer a program of loans to municipalities for establishing and improving district heating systems; authorizing the issuance of state bonds pursuant to Article XI of the Minnesota constitution; appropriating money; amending Minnesota Statutes 1980, Sections 412.321, Subdivision 1; 412.351; 412.361, Subdivision 3; and 429.021, Subdivision 1; proposing new law coded in Minnesota Statutes, Chapters 116H, 216B, and 465.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [116H.31] [DISTRICT HEATING GRANTS AND LOANS.]

Subdivision 1. [POLICIES.] *Developing and improving efficient and economical district heating systems is a public purpose for state financing and a proper function of state government. Climate and geography make a reliable, economic supply of energy essential for industrial, commercial, and residential heating. Imported supplies are increasingly costly, unreliable, and environmentally disadvantageous. District heating systems employing cogeneration techniques and innovative technology offer an important means of increasing the efficiency of Minnesota's energy systems and reducing the state's reliance on imported energy supplies. The combination of the large initial capital cost and investors' lack of familiarity with district heating has made the private market reluctant to provide the necessary capital for district heating projects. As a result, public leadership, cooperation, and aid are needed to demonstrate the feasibility of district heating systems by establishing economically viable district heating systems as demonstration projects. District heating systems may be financed by loans from the state and from other sources available to municipalities.*

Subd. 2. [DEFINITIONS.] *In this section:*

(a) "Commissioner" means the commissioner of finance.

(b) "Construction costs" means all costs associated with the construction, modification or expansion of a district heating system except for preliminary planning costs and detailed design costs. Construction costs include the cost of debt service from the time a construction loan is made until six years after the beginning of the operation of the district heating system constructed or the part of the system being modified or expanded.

(c) "Director" means the director of the Minnesota energy agency.

(d) "District heating" means the use of a central energy conversion facility to produce hot water or steam for distribution to homes or businesses. District heating facilities may also produce electricity in addition to hot water or steam.

(e) "District heating utility" means any person, firm, public, nonprofit, or private corporation, or other entity that owns and operates or plans to own and operate a district heating system.

(f) "Municipality" means any county, city, town, municipal power agency, or public utility, as defined in section 452.01, subdivision 3, owned and operated by a city, however organized.

Subd. 3. [PRELIMINARY PLANNING GRANTS.] *Upon application by a municipality, on a form prescribed by rule, the director shall make grants to municipalities for preliminary planning related to the development of district heating systems on the following conditions:*

(a) The municipality demonstrates that a community heatload survey and map have been completed;

(b) The potential district heating load is sufficiently large to justify further consideration; and

(c) Sufficient resources are available for the municipality to meet the financial requirements of the proposed system.

Eligible planning grant costs include project definition, development of preliminary financing and distribution system plans, and obtaining community commitment for detailed planning or design and preparation of a final report. The amount of a grant shall be limited to 90 percent of eligible planning costs and shall not exceed $20,000.

Subd. 4. [LOANS; ELIGIBILITY.] *The commissioner of finance, upon request of the governor, pursuant to subdivision 7, may make loans to municipalities for the acquisition, construction, expansion, or modification of district heating systems. A municipality may apply for and receive a loan on behalf of a district heating utility that is or shall operate pursuant to a municipal utility franchise or pursuant to a written agreement with the district heating utility. A loan shall be made only to a municipality that has demonstrated in its application that:*

(a) The municipality has the financial capability to sponsor the project;

(b) The project is technologically feasible;

(c) The district heating project: (i) will become a cogeneration facility or (ii) will utilize hot water or (iii) will allow the use of nonpetroleum fuels or (iv) will construct an efficient heat transmission system;

(d) If the project involves an existing district steam heating system, the project will be integrated with a hot water district heating system, and if the existing system or an expansion or modification of the existing system is not owned by the city, that the city shall enter into a written agreement with the district heating utility, before the municipality makes a loan to the utility, which includes a requirement that the utility restrict expansion of its existing steam system within its current geographic boundaries as determined by the municipality and develop a hot water system on a specific time schedule; and

(e) The municipality has made adequate provision to assure proper and efficient operation and maintenance of the project after construction is completed.

Subd. 5. [LOANS; APPLICATION.] *Application for a loan to be made pursuant to subdivision 7 shall be made by a municipality to the director on a form prescribed by the director by rule. The director shall review each application and determine:*

(a) Whether or not the project is eligible for a loan;

(b) The priority of the project when ranked with all other eligible projects for which a loan application has been submitted;

(c) The total estimated cost of the project;

(d) The amount of the loan for which the project is eligible;

(e) The terms upon which the loan would be made; and

(f) The means by which the project shall be financed, including, but not limited to: grants, other loans, bond proceeds, appropriations, user charges, fees, special assessments, or taxes.

Subd. 6. [LOAN REVIEW; PRIORITIES.] *In reviewing the projects, the director shall give higher priority to a project that does more to achieve the following goals:*

(a) The district heating conversion facility employs cogeneration techniques;

(b) The facility uses renewable or nonpetroleum sources of energy;

(c) The district heating facility will save petroleum or natural gas;

(d) The operation of the district heating facility will not have an adverse impact on the environment;

(e) The district heating facility may readily be expanded to serve additional customers or to supply additional amounts of energy, and market demand for the energy exists;

(f) The project has obtained additional financing from the federal government, private sources, or other sources of capital; and

(g) Other goals the director finds desirable for district heating systems.

Subd. 7. [LOAN APPROVAL.] *The director shall prepare and submit to the legislative advisory commission a list of district heating loan requests in rank order based on priority. The list shall contain the supporting information required by subdivisions 4, 5 and 6. The recommendation of the legislative advisory commission shall be transmitted to the governor. The governor shall approve or disapprove, or return for further consideration, each project recommended for approval by the legislative advisory commission. Loans shall be disbursed only upon approval by the governor.*

Subd. 8. [LOAN; ELIGIBLE EXPENSES.] *Upon the recommendation of the governor pursuant to subdivision 7, the commissioner shall make loans to municipalities for the following expenses:*

(a) Design costs; provided that a municipality demonstrate that the pre-

liminary planning as described in subdivision 3 has been completed.

For cities of the first class, the amount of the loan shall not exceed 40 percent of the design costs. For cities of the second, third and fourth class, the amount of the loan shall not exceed 90 percent of the design costs;

(b) Construction costs; provided that a municipality shall demonstrate that all design activities have been completed, that the project is economically and technologically feasible, and that it has made adequate provisions to assure proper and efficient construction operation, and maintenance of the project.

For cities of the first class, the amount of the loan shall not exceed 50 percent of the construction costs. For cities of the second, third or fourth class, the amount of the loan shall not exceed 90 percent of the construction costs.

A loan made pursuant to this section is repayable over a period of 20 years, with interest payments beginning the first year. Interest shall accrue from the date of the loan at a rate of interest assigned at the date of loan commitment. Principal payments shall begin in the sixth year after the receipt of the loan on a 25 year level payment schedule with the balance of the principal to be retired with the payment due 20 years after receipt of the loan.

Subd. 9. [LOAN PAYMENT; OBLIGATION.] *The commissioner shall not pay money to a municipality pursuant to an approved loan until he has determined that:*

(a) Financing of the project as proposed by the municipality is assured by an irrevocable undertaking, by resolution of the governing body of the municipality, to use all money made available by the loan exclusively for the eligible costs of the project, and to pay any additional amount by which the cost of the project exceeds the estimate by the appropriation to the construction account of additional municipal money or the proceeds of additional bonds to be issued by the municipality; and that

(b) The governing body of the municipality has adopted a resolution obligating the municipality to repay the loan according to the terms in the loan. The obligation may be payable from user charges, franchise fees, special assessments or other money available to the municipality. The resolution shall obligate the municipality to annually impose and collect user charges, franchise fees, special assessments, or to use any other money available to it from any other specified source, in amounts and at times that if collected in full will annually produce at least five percent in excess of the amount needed for all annual costs of the system, including annual repayment on state loans. A municipality may also pledge to levy an ad valorem tax to guarantee the payments under the loan agreement. For the purpose of repaying the loan, the municipality by resolution of its governing body may fix the rates and charges for district heating system service and products, may enter into contracts for the payment by others of costs of construction, maintenance, and use of the project in accordance with section 444.075 and may pledge the revenues derived therefrom. The commissioner shall condition a loan upon the establishment of rates and charges or the execution of contracts sufficient to produce annually the revenues pledged for repayment of all annual costs of the system, including annual repayment of the state loan, and may require additional means of security as he deems necessary.

Subd. 10. [LOAN RECEIPTS.] *All principal and interest payments received*

by the commissioner in repayment of the loans authorized by this section shall be deposited in the state treasury and credited to the state bond fund and are appropriated to the commissioner for the purposes of that account.

Subd. 11. [RULES.] *The director shall adopt rules necessary to carry out this section. The director shall adopt temporary rules pursuant to section 15.0412, subdivision 5, meeting the requirements of this section. The rules shall contain as a minimum:*

(a) Procedures for application by municipalities; and

(b) Criteria for reviewing grant and loan applications.

Sec. 2. Minnesota Statutes 1980, Section 412.321, Subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY TO OWN AND OPERATE.] Any statutory city may own and operate any waterworks, *district heating system,* or gas, light, power, or heat plant for supplying its own needs for utility service or for supplying utility service to private consumers or both. It may construct and install all facilities reasonably needed for that purpose and may lease or purchase any existing utility properties so needed. It may, in lieu of providing for the local production of gas, electricity, water, *hot water, steam,* or heat, purchase the same wholesale and resell it to local consumers. After any such utility has been acquired, the council, except as its powers have been limited through establishment of a public utilities commission in the city, shall make all necessary rules and regulations for the protection, maintenance, operation, extension, and improvement thereof and for the sale of its utility products.

Sec. 3. Minnesota Statutes 1980, Section 412.351, is amended to read:

412.351 [COMMISSION, JURISDICTION.]

The council shall, in the ordinance establishing the commission, decide which of the following public utilities shall be within the commission's jurisdiction: (1) the city water system; (2) light and power system, including any system then in use or later acquired for the production and distribution of steam heat; (3) gas system; (4) sanitary or storm sewer system or both, including the city sewage disposal plant; (5) public buildings owned or leased by the city; *(6) district heating system.* As used subsequently in sections 412.351 to 412.391, the term "public utility" means any water, light and power, gas or sewer system, or public buildings thus placed by ordinance under the jurisdiction of the public utilities commission. Any public utility not placed under the jurisdiction of the public utilities commission by the ordinance establishing the commission may be placed under the jurisdiction of the commission by an amendment to the original ordinance.

Sec. 4. Minnesota Statutes 1980, Section 412.361, Subdivision 3, is amended to read:

Subd. 3. The commission shall have power to buy all fuel and supplies, and it may purchase wholesale electric energy, steam heat, *hot water energy,* gas or water, as the case may be, for municipal distribution.

Sec. 5. Minnesota Statutes 1980, Section 429.021, Subdivision 1, is amended to read:

Subdivision 1. [IMPROVEMENTS AUTHORIZED.] The council of a

municipality shall have power to make the following improvements:

(1) To acquire, open, and widen any street, and to improve the same by constructing, reconstructing, and maintaining sidewalks, pavement, gutters, curbs, and vehicle parking strips of any material, or by grading, graveling, oiling, or otherwise improving the same, including the beautification thereof and including storm sewers or other street drainage and connections from sewer, water or similar mains to curb lines.

(2) To acquire, develop, construct, reconstruct, extend and maintain storm and sanitary sewers and systems, including outlets, holding areas and ponds, treatment plants, pumps, lift stations, service connections, and other appurtenances of a sewer system, within and without the corporate limits.

(14) To construct, reconstruct, extend, and maintain district heating systems.

Sec. 6. [465.74] [AUTHORIZATION TO OPERATE DISTRICT HEATING SYSTEMS.]

Subdivision 1. [CITIES OF THE FIRST CLASS.] *Any city operating or authorized to operate a public utility pursuant to chapter 452 or its charter is authorized to acquire, construct, own, and operate a municipal district heating system pursuant to the provisions of that chapter or its charter. Acquisition*

or construction of a municipal district heating system shall not be subject to the election requirement of sections 452.11 and 452.12, or city charter provision, but must be approved by a three-fifths vote of the city's council or other governing body. Loans obtained by a municipality pursuant to section 1 are not subject to the limitations on the amount of money which may be borrowed upon a pledge of the city's full faith and credit or the election requirements for general obligation borrowing, contained in section 452.08.

Subd. 2. [CITIES OF THE SECOND, THIRD, AND FOURTH CLASS.] *A home rule or statutory city of the second, third or fourth class may, pursuant to sections 412.331 to 412.391, or chapter 455 or its charter acquire, construct, own, and operate a municipal district heating system.*

Subd. 3. [EXTENSION OF SERVICE OUTSIDE CITY.] *A municipal district heating system, operating pursuant to this section, may sell energy to customers located outside of the municipality.*

Subd. 4. [NET DEBT LIMITS.] *The loan obligations or debt incurred by a political subdivision pursuant to sections 1 or 7 shall not be considered as a part of its indebtedness under the provisions of its governing charter or of any law of this state fixing a limit of indebtedness.*

Subd. 5. [DISTRICT HEATING FACILITIES.] *Notwithstanding any other law, general or special, or the provisions of any home rule charter city to the contrary, a municipality may grant a district heating franchise for a term not to exceed 31 years upon the affirmative vote of the city council and the concurrence of the mayor.*

Sec. 7. [475.525] [MUNICIPAL DISTRICT HEATING BONDS.]

Subdivision 1. [GENERAL OBLIGATION BONDS.] *A municipality may, by resolution, authorize, issue and sell general obligation bonds or obligations to finance any expenditure by the municipality for the acquisition, construction, expansion, modification or operation of a district heating system and for the purpose of loaning the proceeds of the bonds or obligations to any person, firm or public or private corporation to acquire, construct, expand or modify a district heating system. Except with regard to the net debt limit as provided in section 6, subdivision 4, the general obligation bonds or obligations authorized by this subdivision shall be authorized, issued and sold in the same manner and subject only to the same conditions as those provided in chapter 475. When revenues from the operation of a district heating system are pledged to the repayment of the bonds or obligations, the estimated collections of said revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds or obligations under section 475.61, subdivision 1, or the collections thereof may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 1 or 3.*

Subd. 2. [REVENUE BONDS.] *Notwithstanding any other law, general or special, or the provisions of any home rule charter to the contrary, a municipality may, by resolution, authorize, issue and sell revenue bonds or obligations payable solely from all or a portion of revenues derived from a district heating system located wholly or partially within a municipality to finance the acquisition, construction, expansion, modification, or operation of a district heating system and for the purpose of loaning the proceeds of the bonds or obligations to any person, firm or public or private corporation to acquire, construct, expand or modify a district heating system. The bonds or obligations shall mature as determined by resolution of the municipality and may be issued*

in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds or obligations may be sold at public or private sale at the price or prices as the municipality by resolution shall determine, and any provision of any law to the contrary notwithstanding, shall be fully negotiable. In any suit, action, or proceedings involving the validity or enforceability of any bonds or obligations of the municipality or the security therefor, any bond or obligation reciting in substance that it has been issued by the municipality to aid in the acquisition, construction, expansion, modification or operation of a district heating system shall be conclusively deemed to have been issued for such purpose. Neither the municipality nor any council member, officer, employee or agent of the municipality nor any person executing the bonds or obligations shall be liable personally on the bonds or obligations by reason of the issuance thereof. The bonds or obligations may be further secured by a pledge and mortgage of all or any portion of the property in aid of which the bonds or obligations are issued and such covenants as the municipality shall deem by such resolution to be necessary and proper to secure payment of the bonds or obligations. The bonds or obligations, and the bonds or obligations shall so state on their face, shall not be payable from nor charged upon any funds other than the revenues and property pledged or mortgaged to the payment thereof, nor shall the issuing municipality be subject to any liability thereon or have the powers to obligate itself to pay or pay the bonds or obligations from funds other than the revenues and properties pledged and mortgaged and no holder or holders of the bonds or obligations shall ever have the right to compel any exercise of any taxing power of the issuing municipality or any other public body to pay the principal of or interest on any such bonds or obligations, nor to enforce payment thereof against any property of the municipality or other public body other than that expressly pledged or mortgaged for the payment thereof.

Subd. 3. [DEFAULT, FILING CLAIM.] Within 90 days of a default on a guaranteed family farm security loan, the lender shall send notice to the applicant stating that the commissioner must be notified if the default continues for 180 days, and the consequences of that default. The lender and the applicant may agree to take any steps reasonable to assure the fulfillment of the loan obligation.

After 180 days from the initial default, if the applicant has not made arrangements to meet his obligation, the lender shall file a claim with the commissioner, identifying the loan and the nature of the default, and assigning to the state all of the lender's security and interest in the loan in exchange for payment according to the terms of the family farm security loan guarantee. In the case of a seller-sponsored loan, the seller may elect to pay the commissioner all sums owed the commissioner by the applicant and retain title to the property in lieu of payment by the commissioner under the terms of the loan guarantee. If the commissioner determines that the terms of the family farm security loan guarantee have been met, he shall authorize payment of state funds to the lender, and shall notify the defaulting party. The state of Minnesota shall then ~~become the holder of the mortgage and~~ *succeed to the interest of the mortgagee or the vendor of the contract for deed.* Taxes shall be levied and paid on the land as though the owner were a natural person and not a political subdivision of the state. The commissioner may, on behalf of the state, commence foreclosure *or termination* proceedings in the manner provided by law.

Subd. 4. [SALE OF DEFAULTED PROPERTY.] In the event that title to the property is acquired by the state, upon conveyance of title to the state and expiration of the period of redemption, the commissioner shall, within 15 days of the expiration of such period, undertake to sell the property by publishing a notice of the impending sale at least once each week for four successive weeks in a legal newspaper and also in a newspaper of general distribution in the county in which the property to be sold is situated. Such notice shall specify the time and place in the county at which the sale will commence, a description of the lots or tracts to be offered, and a general statement of the terms of sale. Except as further provided in this subdivision, the terms and method of sale shall be determined by the commissioner. The commissioner shall sell the property to the highest bidder as determined by taking sealed bids or by public auction, provided that in either event he shall select the successful bidder within 15 days of the date of the last published notice of sale. Bidders shall

submit bid security in the form of a certified check or bid bond in the amount of two percent of their bid price and the successful bidder shall remit the balance of the purchase price to the commissioner within 90 days of the date of sale. Upon remittance of such balance within 90 days of the date of sale, the commissioner shall transfer title to the property , *including any acquired mineral rights,* to the purchaser by quitclaim deed. In the event that the purchaser fails to remit any part of such balance within 90 days of the date of sale, the purchaser shall forfeit all rights to the property and any moneys paid thereon and the state shall recommence the sale process as specified in this subdivision. Proceeds from the sale of a parcel of property obtained by the state pursuant to this section shall be paid into the ~~into the~~ special account authorized in section 41.61, subdivision 1, to the extent that funds from the special account were disbursed according to the terms of the family farm security loan guarantee and into the general fund to the extent that funds were disbursed as payment adjustments by the commissioner. Proceeds in excess of these amounts shall be paid to the lender to the extent that payment to the lender pursuant to the loan guarantee was less than the money due and payable to the lender under the family farm security loan. *Proceeds in excess of these amounts shall be paid to cooperating agencies according to the terms of the family farm security memorandum of understanding.* Additional proceeds, if any, shall be paid into the general fund."

The overpayment refund or credit, determined with respect to a husband and wife on a joint federal income tax return for a previous taxable year, shall be reported on joint or separate Minnesota income tax returns. In the case of separate Minnesota returns, the overpayment shall be reported by each spouse proportionately according to the relative amounts of federal income tax claimed as a deduction on his or her separate Minnesota income tax return for such previous taxable year;

(7) In the case of a change of residence from Minnesota to another state or nation, the amount of moving expenses which exceed total reimbursements and which were therefore deducted in arriving at federal adjusted gross income;

(8) In the case of property disposed of on or after January 1, 1973, the amount of any increase in the taxpayer's federal tax liability under section 47 of the Internal Revenue Code of 1954 to the extent of the credit under section 38 of the Internal Revenue Code of 1954 that was previously allowed as a deduction either under section 290.01, subdivision 20 (b) (7) or under section 290.09, subdivision 24;

for that portion of exempt-interest dividends derived from interest income on obligations of the state of Minnesota, any of its political or governmental subdivisions, any of its municipalities, or any of its governmental agencies or instrumentalities;

(15) The amount of any excluded gain recognized by a trust on the sale or exchange of property as defined in section 641(c)(1) of the Internal Revenue Code of 1954;

This modification shall not exceed the difference in basis. If the gain is considered a long term capital gain for federal income tax purposes, the modification shall be limited to 50 percent of the portion of the gain. (b) Modifications reducing federal adjusted gross income. There shall be subtracted from federal adjusted gross income:

(1) Interest income on obligations of any authority, commission or instrumentality of the United States to the extent includible in gross income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes, that does not exceed such difference in basis; but if such gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to 50 per centum of the portion of the gain. This modification shall not be applicable if the difference in basis is due to disallowance of depreciation pursuant to section 290.101.

(3) Interest or dividend income on securities to the extent exempt from income tax under the laws of this state authorizing the issuance of the securities but includible in gross income for federal income tax purposes;

The maximum amount of this subtraction shall be $11,000 less the amount by which the individual's federal adjusted gross income, plus the ordinary income portion of a lump sum distribution as defined in section 402(e) of the Internal Revenue Code of 1954, exceeds $17,000. This modification does not apply to compensation defined in clause (b)(6);

(12) The amount of any income earned for personal services rendered out-

side of Minnesota prior to the date when the taxpayer became a resident of Minnesota. This modification does not apply to compensation defined in clause (b)(6);

(13) In the case of wages or salaries paid or incurred on or after January 1, 1977, the amount of any credit for employment of certain new employees under sections 44B and 51 to 53 of the Internal Revenue Code of 1954 which is claimed as a credit against the taxpayer's federal tax liability, but only to the extent that the credit is connected with or allocable against the production or receipt of income included in the measure of the tax imposed by this chapter;

Also there shall be added to federal adjusted gross income the amount of any distributions in cash or property made by said corporation to its shareholders during the taxable year.

(2) In cases where the small business corporation has made an election under section 1372 of the Internal Revenue Code of 1954, but has not elected under section 290.972 of this chapter and the corporation is liquidated or the individual shareholder disposes of the stock and there is no capital loss reflected in federal adjusted gross income because of the fact that corporate losses have exhausted the shareholders basis for federal purposes, the shareholders shall be entitled, nevertheless, to a capital loss commensurate to their Minnesota basis for the stock.

(3) In cases where the election under section 1372 of the Internal Revenue Code of 1954 antedates the election under section 290.972 of this chapter and at the close of the taxable year immediately preceding the effective election

under section 290.972 the corporation has a reserve of undistributed taxable income previously taxed to shareholders under the provisions of the Internal Revenue Code of 1954, in the event and to the extent that the reserve is distributed to shareholders the distribution shall be taxed as a dividend for purposes of this act.

Items of gross income includible within these definitions shall be deemed such regardless of the form in which received. Items of gross income shall be included in gross income of the taxable year in which received by a taxpayer unless properly to be accounted for as of a different taxable year under methods of accounting permitted by section 290.07, except that (1) amounts transferred from a reserve or other account, if in effect transfers to surplus, shall, to the extent that the amounts were accumulated through deductions from gross income or entered into the computation of taxable net income during any taxable year, be treated as gross income for the year in which the transfer occurs, but only to the extent that the amounts resulted in a reduction of the tax imposed by this act, and (2) amounts received as refunds on account of taxes deducted from gross income during any taxable year shall be treated as gross income for the year in which actually received, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act.

(d) Modification in computing taxable income of the estate of a decedent. Amounts allowable under section 291.07, subdivision 1, clause (2) in computing Minnesota inheritance or estate tax liability shall not be allowed as a deduction in computing the taxable income of the estate unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts have not been allowed as a deduction under section 291.07 and a waiver of the right to have the amounts allowed at any time as deductions under section 291.07. The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). In the event that the election made for federal tax purposes under section 642(g) of the Internal Revenue Code of 1954 differs from the election made under this paragraph appropriate modification of the estate's federal taxable income shall be made to implement the election made under this paragraph in accordance with regulations prescribed by the commissioner."

Rule 1.01. The Speaker of the House shall preside at all Conventions of the two houses of the Legislature and shall call the members to order. The Chief Clerk of the House shall be the Secretary and the Sergeant at Arms of the House shall be the Sergeant at Arms of the Convention.

PRESIDENT'S DUTIES

Rule 1.02. The President of the Convention shall preserve order and decorum. He may speak on all points of order in preference to other members and shall decide questions of order, subject to an appeal to the Convention by any member. He shall rise to put a question but may state it while seated.

PRESIDENT'S RIGHT TO VOTE

Rule 1.03. The President shall have the right to vote in all cases except appeals from his decisions. He shall vote last on all questions.

STATING QUESTIONS

Rule 1.04. Questions shall be put to the Convention in the following form: "As many as are of the opinion that (the question) shall pass, say 'Aye.'" After an affirmative vote is expressed the nays shall be called as follows: "As many as are of the contrary opinion, say 'No.'" If the President is in doubt or a division is called, those in the affirmative shall rise first and those in the negative afterward.

ORDER OF DEBATE

Rule 1.05. When any member wishes to speak to the Convention on any matter, he shall rise and respectfully address the President, and not speak further until recognized. He shall confine himself to the question under debate and avoid personal remarks. When two or more members rise at the same time, the President shall designate the member to speak first. No member shall speak more than twice on the same question without permission of the Convention.

CALLING MEMBER TO ORDER

Rule 1.06. If any member of the Joint Convention is called to order for offensive words in debate, the member calling him to order shall report the words to which exception is taken and the Secretary shall record them. A member called to order shall immediately sit down unless another member moves to permit him to explain. In any case, the Joint Convention, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall he be at liberty to proceed.

ARTICLE II: BILLS

FORM

Rule 2.01. The title of each bill shall clearly state its subject and briefly state its purpose. When a bill amends or repeals an existing act, the title shall refer to the chapter, section or subdivision.

Reference shall be made to Minnesota Statutes for the provisions appearing therein unless reference to previous session laws is required for some special reason.

Bills shall refer to Minnesota Statutes as follows:

"Minnesota Statutes ....., Section ....."

Bills shall refer to the session laws as follows:

"Laws ....., Chapter ....., Section ....."

A bill for the amendment of a statute shall contain the full text of the section or subdivision to be amended as it appears in the latest edition of Minnesota Statutes unless it has been amended ~~at a later session~~, in which event it shall contain the full text as amended.

The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of a new section or subdivision shall also be underscored when a bill amends an existing chapter or section by adding a new section or subdivision. In the omnibus appropriation bills required by Joint Rule 2.02, sections making an appropriation or transfer and not amending a statute or session law need not have new material underscored. Before a committee favorably reports upon a bill, the chairman of the committee shall see that the bill conforms to this rule. ~~Printed bills shall be in the same form.~~ When a bill is printed in the Journal, the new matter shall be in italics or underscored and the matter to be eliminated shall be capitalized and in parentheses or stricken by drawing a line through it. A bill drafted by the Revisor of Statutes for the purposes of correcting errors in Minnesota Statutes need not comply with the provisions of this paragraph if the bill is labeled "REVISOR'S BILL" immediately below the title, and if there is attached thereto a memorandum of information explaining the reasons for the bill.

If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Min-

nesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for examination. Any such headnotes shall be capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, Section 648.36.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of law shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers or parentheses.

APPROPRIATING MONEY

Rule 2.02. The same bill shall not appropriate public money or property to more than one local or private purpose.

No clause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions. All resolutions authorizing the issuing of abstracts by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of "yeas" and "nays."

In odd-numbered years, at least twenty calendar days prior to the ~~adjournment of~~ *last day* the Legislature *can meet in regular session* [April 28, 1981], the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective houses, unless directed by concurrent resolution to report different appropriation bills, eight separate appropriation bills as follows:

(a) A bill appropriating money for the general administrative and judicial expenses of the State government for the succeeding two fiscal years including salaries, office expenses and supplies and other necessary expenses connected therewith;

(b) A bill covering all appropriations relating to public welfare, health and corrections for the support and maintenance of all State penal and charitable institutions, and other institutions of the State except educational for the two succeeding fiscal years;

(c) A bill appropriating money for the support and maintenance of all State educational institutions for the two succeeding fiscal years;

(d) A bill covering all appropriations providing for the payment of claims against the State of Minnesota which may have been allowed by the Finance Committee of the Senate or the Appropriations Committee of the House;

(e) A bill covering all appropriations made for semi-state activities;

(f) A bill covering all appropriations for construction and major rehabilitation of public buildings to be financed by issuance of bonds;

(g) A bill covering all appropriations for maintenance, repair, and minor rehabilitation and construction of public buildings; and

(h) A bill covering appropriations for the department of transportation.

No other appropriations shall be contained in any of said bills but all other appropriations shall be contained in separate bills.

In order to recede, and if the matter is not in the possession of a house, that house shall request return of the matter from the other house. To recede, a majority of a house shall govern, except in cases otherwise provided in the Constitution. If the question is put and lost, it shall not be put again on the same day. A reconsideration of the question shall in all respects be regulated by the rules of that house.

CONFERENCE COMMITTEES

Rule 2.06. In all cases of disagreement between the Senate and House on amendments adopted by either house to a bill, memorial or resolution passed by the other house, a Conference Committee consisting of not less than three

members nor more than five members from each house may be requested by either house. The other house shall appoint a similar committee.

The manner of procedure shall be as follows: The house of origin passes a bill and transmits it to the other body. If the other body adopts an amendment to the bill and passes it as amended, it shall return the bill with a record of its actions to the house of origin. If the house of origin refuses to concur in the amendment, it shall ask for a conference committee, appoint such a committee on its part, and transmit the bill with a record of its action to the other house. If the other house adheres to its amendment, it shall appoint a like committee and return the bill to the house of origin.

At an agreed upon hour the conference committee shall meet. The members from each house shall state to the members from the other house, orally or in writing, the reason for their respective positions. The members shall confer thereon and shall report to their respective houses the agreement they have reached, or, if none, the fact of a disagreement. ~~Within seven calendar days after the appointment of a conference committee, and every seven calendar days thereafter until such time as the conference committee is discharged, the conference committee shall report its progress to each house.~~ If an agreement is reported, the house of origin shall act first upon the report. If the report is adopted and repassed as amended by the conference committee by the house of origin, the report, the bill and a record of its action shall be transmitted to the other house.

All Conference Committees shall be open to the public. Meetings of Conference Committees shall be announced as far in advance as practical.

Except ~~on the last two days on which a bill may be passed in any year~~ *after the last Thursday on which the Legislature can meet in regular session in odd-numbered years* [May 14, 1981], *and after the last Thursday on which the Legislature intended, when it adopted the concurrent resolution required by Rule 2.03, paragraph (b), to meet in regular session in even-numbered years*, a written copy of a report of a Conference Committee shall be placed on the desk of each member of a house twelve hours before action on the report by that house. If the report has been reprinted in the Journal of either house for a preceding day and is available to the members, the Journal copy shall serve as the written report.

ENROLLMENT AND SIGNATURE

Rule 2.07. After a bill or memorial has been passed by both houses, it shall be carefully and properly enrolled by the Revisor of Statutes under the direction of the Secretary of the Senate for a matter originating in the Senate or the Chief Clerk of the House for a matter originating in the House. The Revisor of Statutes shall obtain the signatures and certificates of the proper officers to the enrolled copy of the bill or memorial and present it to the Governor for his approval.

A bill or memorial may be prepared for presentation to the Governor on good quality paper approximately 8 1/2" x ~~13~~ *14* " in size and may be produced by means of a copying machine. S. F. No. 732: A bill for an act relating to insurance; revising the statutory provisions relating to surplus lines insurance; clarifying its operation and coverage; providing penalties; proposing new law coded in Minnesota Statutes, Chapter 60A; repealing Minnesota Statutes 1980, Section 60A.20.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

''Section 1. [60A.195] [CITATION.]

Sections 1 to 14 shall be known and may be cited as the Minnesota surplus lines insurance act.

Sec. 2. [60A.196] [DEFINITIONS.]

Unless the context otherwise requires, the following terms have the meanings given them for the purposes of sections 1 to 14:

(a) ''Surplus lines insurance'' means insurance placed with an insurer permitted to transact the business of insurance in this state only pursuant to sections 1 to 14.

(b) ''Eligible surplus lines insurer'' means an insurer recognized as eligible to write insurance business under sections 1 to 14 but not licensed by any other Minnesota law to transact the business of insurance.

(c) ''Ineligible surplus lines insurer'' means an insurer not recognized as an eligible surplus lines insurer pursuant to sections 1 to 14 and not licensed by any other Minnesota law to transact the business of insurance.

(d) ''Surplus lines licensee'' or ''licensee'' means a person licensed under sections 1 to 14 to place insurance with an eligible or unlicensed surplus lines

insurer.

(e) "Association" means an association registered under section 13.

(f) "Alien insurer" means any insurer which is incorporated or otherwise organized outside of the United States.

(g) "Insurance laws" means chapters 60 to 79 inclusive.

Sec. 3. [60A.197] [RATES AND FORMS.]

(a) Rates used by eligible and unlicensed surplus lines insurers shall not be subject to the insurance laws except that a rate shall not be unfairly discriminatory.

(b) Forms used by eligible and unlicensed surplus lines insurers pursuant to sections 1 to 14 shall not be subject to the insurance laws, except that a policy shall not contain language which misrepresents the true nature of the policy or class of policies.

Sec. 4. [60A.198] [TRANSACTION OF SURPLUS LINES INSURANCE.]

Subdivision 1. [LICENSE REQUIRED.] *A person shall not act in any other manner as an agent or broker in the transaction of surplus lines insurance unless licensed under sections 1 to 14.*

Subd. 2. [COMPLIANCE WITH STATUTORY PROVISIONS.] *A person shall not offer, solicit, make a quotation on, sell, or issue a policy of insurance, binder, or any other evidence of insurance with an eligible or unlicensed surplus lines insurer, except in compliance with sections 1 to 14.*

Subd. 3. [PROCEDURE FOR OBTAINING LICENSE.] *A person licensed as a resident agent in this state pursuant to other law may obtain a surplus lines license by doing the following:*

(a) Filing an application in the form and with the information the commissioner may reasonably require to determine the ability of the applicant to act in accordance with sections 1 to 14;

(b) Maintaining a resident agent license in this state;

(c) Delivering to the commissioner a financial guarantee bond from a surety acceptable to the commissioner for the greater of the following:

(1) $5,000; or

(2) The largest semiannual surplus lines premium tax liability incurred by him in the immediately preceding five years; and

(d) Agreeing to file with the commissioner no later than February 15 and August 15 annually, a sworn statement of the charges for insurance procured or placed and the amounts returned on the insurance canceled under the license for the preceding six month period ending December 31 and June 30 respectively, and at the time of the filing of this statement, paying the commissioner a tax on premiums equal to three percent of the total written premiums less cancellations.

Subd. 4. [LICENSEE'S POWERS.] *A surplus lines licensee may do any or all of the following:*

(a) Place insurance on risks in this state with eligible surplus lines insurers;

(b) Place insurance on risks in this state with unlicensed surplus lines insurers in strict compliance with section 14. If the insurance is provided through the participation of several surplus lines insurers and the licensee has reason to believe that a substantial portion of the insurance would be assumed by eligible surplus lines insurers, then with respect to the unlicensed surplus lines insurers, the insured or the insured's representative shall be informed as provided in section 14, subdivision 1, clause (a); or

(c) Engage in any other acts expressly or implicitly authorized by sections 1 to 14 and the other insurance laws.

Subd. 5. [DISCLOSURES.] *Before placement of insurance with an eligible surplus lines insurer, a surplus lines licensee shall inform an insured or the insured's representative that coverage may be placed in conformance with sections 1 to 14 with an insurer not licensed in this state and that payment of loss is not guaranteed in the event of insolvency of the eligible surplus lines insurer.*

Sec. 5. [60A.199] [EXAMINATIONS.]

If the commissioner considers it necessary, he may examine the books and records of a surplus lines licensee to determine whether the licensee is conducting business in accordance with sections 1 to 14. For the purposes of facilitating examinations, the licensee shall allow the commissioner free access at reasonable times to all of the licensee's books and records relating to the transactions to which sections 1 to 14 apply. If an examination is conducted, the cost of the examination shall be paid by the insurer.

Sec. 6. [60A.201] [PLACEMENT OF INSURANCE BY LICENSEE.]

Subdivision 1. [RESTRICTIONS.] *Insurance shall not be placed by the surplus lines licensee with an eligible or unlicensed surplus lines insurer when coverage is available from a licensed insurer.*

Subd. 2. [AVAILABILITY OF OTHER COVERAGE; PRESUMPTION.] *There shall be a rebuttable presumption that the following coverages are available from a licensed insurer:*

(a) All mandatory automobile insurance coverages required by chapter 65B;

(b) Private passenger automobile physical damage coverage;

(c) Homeowners and property insurance on owner occupied dwellings whose value is less than $500,000. This figure shall be changed annually by the commissioner by the same percentage as the consumer price index for the Minneapolis-St. Paul metropolitan area is changed;

(d) Any coverage readily available from three or more licensed insurers unless the licensed insurers quote a premium and terms not competitive with a premium and terms quoted by an eligible surplus lines insurer; and

(e) Workers' compensation insurance, except excess workers' compensation insurance which is not available from the workers' compensation reinsurance association.

Subd. 3. [UNAVAILABILITY OF OTHER COVERAGE; PRESUMPTION.] *There shall be a rebuttable presumption that the following coverages*

are unavailable from a licensed insurer:

(a) Coverages on a list of unavailable coverages maintained by the commissioner pursuant to subdivision 4;

(b) Coverages where one portion of the risk is acceptable to licensed insurers but another portion of the same risk is not acceptable. The entire coverage may be placed with eligible surplus lines insurers if it can be shown that the eligible surplus lines insurer will accept the entire coverage but not the rejected portion alone; and

(c) Any coverage that the licensee is unable to procure after diligent search among licensed insurers.

Subd. 4. [LISTS OF UNAVAILABLE LINES OF INSURANCE; MAINTENANCE.] *The commissioner shall maintain on a current basis a list of those lines of insurance for which coverages are believed by the commissioner to be generally unavailable from licensed insurers. The commissioner shall republish a list and make available to all licensees the list every six months. Any person may request in writing that the commissioner add or remove coverage from the current list at the next publication of the list. The commissioner's determinations of coverages to be added to or removed from the list shall not be subject to the administrative procedure act but prior to making determinations the commissioner shall provide opportunity for comment from interested parties.*

Sec. 7. [60A.202] [PLACEMENT OF INSURANCE BY LICENSEE.]

Subdivision 1. [RESTRICTION.] *Only a surplus lines licensee shall issue evidence of placement of insurance with an eligible or unlicensed surplus lines insurer.*

Subd. 2. [WRITTEN COMMUNICATION OF COVERAGE TO BE DELIVERED.] *A licensee shall, within seven working days after the date on which the risk was bound or the insured or applicant was advised that coverage has been or will be obtained, deliver to the insured or the insured's representative a policy, a written binder, a certificate or other written evidence of insurance placed with an eligible or unlicensed surplus lines insurer.*

Subd. 3. [CONTENTS OF WRITTEN COMMUNICATION.] *The written communication showing that insurance has been obtained shall identify all known surplus lines insurers directly assuming any risk of loss. If there is more than one surplus lines insurer, any document issued or certified by the licensee pursuant to subdivision 2 shall specify, to the extent known by the licensee, whether the obligation is joint or several, and if the obligation is several, the proportion of the obligation assumed by each insurer.*

Sec. 8. [60A.203] [LICENSEES TO FILE EVIDENCE OF TRANSACTIONS.]

Each surplus lines licensee shall keep a separate account of each transaction entered into pursuant to sections 1 to 14. Evidence of these transactions shall be filed with the commissioner in the form, manner, and time designated by the commissioner or if designated by the commissioner, with an association.

Sec. 9. [60A.204] [ADDITIONAL CHARGES AND FEES.]

Subdivision 1. [PLACEMENT FEES.] *A surplus lines licensee may charge,*

in addition to the premium charged by an eligible or unlicensed surplus lines insurer, a fee to cover the cost incurred in the placement of the policy which exceeds $25, but only to the extent that the actual additional cost incurred for services performed by persons or entities unrelated to the licensee exceeds that amount.

Subd. 2. [REGULATION OF FEES.] *A fee charged pursuant to subdivision 1 shall not be excessive or discriminatory. The licensee shall maintain complete documentation of all fees charged. Those fees shall not be included as part of the premium for purposes of the computation of the premium taxes.*

Subd. 3. [COMMISSION CHARGES.] *Notwithstanding the provisions of subdivision 1, a licensee may add a commission charge if the insurer quotes a rate net of commission and the commission is not excessive or discriminatory.*

Sec. 10. [60A.205] [COMPENSATION.]

Subdivision 1. [AUTHORIZATION.] *A surplus lines licensee may be compensated by an eligible surplus lines insurer and the licensee may compensate a licensed resident agent in this state for obtaining surplus lines insurance business. A licensed resident agent authorized by the licensee may collect a premium on behalf of the licensee, and as between the insured and the licensee, the licensee shall be considered to have received the premium if the premium payment has been made to the agent.*

Subd. 2. [CONSEQUENCES OF RECEIPT.] *If an eligible surplus lines insurer has assumed a risk, and if the premium for that risk has been received by the licensee who placed the insurance, then as between the insurer and the insured, the insurer shall be considered to have received the premium due to it for the coverage and shall be liable to the insured for any loss covered by the insurance and for the unearned premium upon cancellation of the insurance, regardless of whether the licensee is indebted to the insurer.*

Sec. 11. [60A.206] [QUALIFICATION AS ELIGIBLE SURPLUS LINES INSURER.]

Subdivision 1. [INSURERS TO BE RECOGNIZED BY THE COMMISSIONER.] *A surplus lines licensee shall place surplus lines insurance only with insurers which are in a stable and unimpaired financial condition. An insurer recognized by the commissioner as an eligible surplus lines insurer pursuant to subdivision 2 shall be considered to meet the requirements of this subdivision. Recognition as an eligible surplus lines insurer shall be conditioned upon the insurers continued compliance with sections 1 to 14.*

Subd. 2. [APPLICATION FOR RECOGNITION.] *An insurer not otherwise licensed to engage in the business of insurance in Minnesota may apply for recognition as an eligible surplus lines insurer by filing an application in the form and with the information as reasonably required by the commissioner regarding the insurer's financial stability, reputation, integrity and operating plans. The commissioner may delegate to an association the power to process and make recommendations on applications for recognition as an eligible surplus lines insurer. Notwithstanding delegation by the commissioner, an applicant may file an application directly with the commissioner.*

Subd. 3. [STANDARDS TO BE MET BY INSURERS.] *(a) The commissioner shall recognize the insurer as an eligible surplus lines insurer when*

satisfied that the insurer is in a stable, unimpaired financial condition and that the insurer is qualified to provide coverage in compliance with sections 1 to 14. If filed with full supporting documentation before July 1 of any year, applications submitted under subdivision 2 shall be acted upon by the commissioner before December 31 of the year of submission.

(b) The commissioner shall not authorize an insurer as an eligible surplus lines insurer unless the insurer continuously maintains capital and surplus of at least $3,000,000 and transaction of business by the insurer is not hazardous, financially or otherwise, to its policyholders, its creditors, or the public. Each alien surplus lines insurer shall have current financial data filed with the National Association of Insurance Commissioners Non-admitted Insurers Information Office.

Subd. 4. [REMOVAL OF INSURERS.] *When the commissioner considers it necessary, he may request information about or examine the affairs of any eligible surplus lines insurer at the expense of the insurer, to determine whether the insurer should continue to remain on the list of eligible surplus lines insurers. If the commissioner determines that it is in the public interest to remove an insurer from the list because the insurer no longer meets the requirements of sections 1 to 14, or is no longer qualified to provide coverage under sections 1 to 14, the commissioner shall do so. If an insurer removed from the list desires a hearing pursuant to the administrative procedure act, the hearing shall be scheduled within 30 days following request for the hearing.*

Subd. 5. [TRUST FUND TO BE MAINTAINED.] *Before recognition as an eligible surplus lines insurer in this state, an alien insurer shall maintain a trust fund in the United States in cash, marketable securities, or other substantially equivalent instruments of at least $1,500,000 with a United States bank which is a member of the Federal Reserve System or which is on deposit with regulatory authorities in this or another state for the benefit of all United States policyholders and beneficiaries. A trust fund required under this subdivision shall not have an expiration date which is at any time less than five years in the future, on a continuing basis.*

Subd. 6. [ALTERNATIVE MEANS OF COMPLIANCE.] *Subdivisions 3 and 5 shall not apply to unincorporated, individual alien insurers which, in place of the requirements prescribed in subdivisions 3 and 5, maintain assets as provided in subdivision 3 and hold in trust for all policyholders and beneficiaries in the United States not less than $50,000,000 in the aggregate.*

Subd. 7. [APPOINTMENT OF AGENT FOR SERVICE OF PROCESS.] *Each eligible surplus lines insurer shall appoint the commissioner as its resident agent, for purposes of service of process.*

Sec. 12. [60A.207] [POLICIES TO INCLUDE NOTICE.]

Each policy, cover note, or instrument evidencing surplus lines insurance from an eligible surplus lines insurer which is delivered to an insured or a representative of an insured shall have printed, typed, or stamped in red ink upon its face in not less than 10 point type, the following notice: "THIS INSURANCE IS ISSUED PURSUANT TO THE MINNESOTA SURPLUS LINES INSURANCE ACT. THE INSURER IS AN ELIGIBLE SURPLUS LINES INSURER BUT IS NOT OTHERWISE LICENSED BY THE STATE OF MINNESOTA. IN CASE OF INSOLVENCY, PAYMENT OF CLAIMS IS NOT

GUARANTEED." This notice shall not be covered or concealed in any manner.

Sec. 13. [60A.208] [LICENSEE ASSOCIATION.]

Subdivision 1. [LICENSEE'S RIGHT TO ASSOCIATE.] *Surplus lines licensees may associate and the commissioner may register the association for one or more of the following purposes:*

(a) Advising the commissioner as to the availability of surplus lines coverage and market practices and standards for surplus lines insurers and licensees;

(b) Collecting and furnishing records and statistics; or

(c) Submitting recommendations regarding administration of sections 1 to 14.

Subd. 2. [FILING REQUIREMENTS.] *(a) Each association shall file with the commissioner for approval all of the following:*

(1) A copy of the association's constitution and articles of agreement or association, or the association's certificate of incorporation and bylaws and any rules governing the association's activities; and

(2) An agreement that, as a condition of continued registration under subdivision 1, the commissioner may examine the association.

(b) Each association shall file with the commissioner and keep current all of the following:

(1) A list of members; and

(2) The name and address of a resident of this state upon whom notices or orders of the commissioner or process issued by the commissioner may be served.

Subd. 3. [COMMISSIONER'S POWERS; SUSPENSION OF REGISTRATION.] *The commissioner may refuse to register, or may suspend or revoke the registration of an association for any of the following reasons:*

(a) It reasonably appears that the association will not be able to carry out the purposes of sections 1 to 14;

(b) The association fails to maintain and enforce rules which will assure that members of the association and persons associated with those members comply with sections 1 to 14, other applicable chapters of the insurance laws and rules promulgated under either;

(c) The rules of the association do not assure a fair representation of its members in the selection of directors and in the administration of its affairs;

(d) The rules of the association do not provide for an equitable allocation of reasonable dues, fees, and other charges among members;

(e) The rules of the association impose a burden on competition; or

(f) The association fails to meet other applicable requirements prescribed in sections 1 to 14.

Subd. 4. [MEMBERSHIP LIMITED TO LICENSEES.] *An association shall deny membership to any person who is not a licensee.*

Subd. 5. [ASSOCIATION IS VOLUNTARY.] *No licensee may be compelled to join an association as a condition of receiving a license or continuing to be licensed under sections 1 to 14.*

Subd. 6. [FINANCIAL STATEMENT TO BE FILED.] *Each association shall annually file a certified audited financial statement.*

Subd. 7. [REPORTS AND RECOMMENDATIONS BY THE ASSOCIATION.] *An association may submit reports and make recommendations to the commissioner regarding the financial condition of any eligible surplus lines insurer. These reports and recommendations shall not be considered to be public information. There shall not be liability on the part of, or a cause of action of any nature shall not arise against, eligible surplus lines insurers, the association or its agents or employees, the directors, or the commissioner or authorized representatives of the commissioner, for statements made by them in any reports or recommendations made under this subdivision.*

Subd. 8. [OPERATING ASSESSMENT.] *(a) Upon request from the association, the commissioner may approve the levy of an assessment of not more than one-half of one percent of premiums charged pursuant to sections 1 to 14 for operation of the association to the extent that the operation relieves the commissioner of duties otherwise required of the commissioner pursuant to sections 1 to 14. Any assessment so approved may be subtracted from the premium tax owed by the licensee.*

(b) The association may revoke the membership and the commissioner may revoke the license in this state, of any licensee who fails to pay an assessment when due, if the assessment has been approved by the commissioner.

Sec. 14. [60A.209] [INSURANCE PROCURED FROM UNLICENSED INSURERS.]

Subdivision 1. [AUTHORIZATION; REGULATION.] *A resident of this state may obtain insurance from an unlicensed surplus lines insurer in this state through a surplus lines licensee. The licensee shall first attempt to place the insurance with a licensed insurer, or if that is not possible, with an eligible surplus lines insurer. If coverage is not obtainable from a licensed insurer or an eligible surplus lines insurer, the licensee shall certify to the commissioner, on a form prescribed by the commissioner, that these attempts were made. Upon obtaining coverage from an unlicensed surplus lines insurer, the licensee shall:*

(a) Have printed, typed, or stamped in red ink upon the face of the policy in not less than 10 point type the following notice: "THIS INSURANCE IS ISSUED PURSUANT TO THE MINNESOTA SURPLUS LINES INSURANCE ACT. THIS INSURANCE IS PLACED WITH AN INSURER THAT IS NOT LICENSED BY THE STATE NOR RECOGNIZED BY THE INSURANCE COMMISSIONER AS AN ELIGIBLE SURPLUS LINES INSURER. IN CASE OF ANY DISPUTE RELATIVE TO THE TERMS OR CONDITIONS OF THE POLICY OR THE PRACTICES OF THE INSURER, THE INSURANCE COMMISSIONER WILL NOT BE ABLE TO ASSIST IN THE DISPUTE. IN CASE OF INSOLVENCY, PAYMENT OF CLAIMS IS NOT GUARANTEED." The notice may not be covered or concealed in any manner; and

(b) Collect from the insured appropriate premium taxes and report the transaction to the commissioner on a form prescribed by the commissioner. If

the insured fails to pay the taxes when due, the insured shall be subject to a civil fine of not more than $1,000, plus accrued interest from the inception of the insurance.

Subd. 2. [PENALTY.] *Except as provided in this section, a person who assists or in any manner aids directly or indirectly in the procurement of insurance from an unlicensed surplus lines insurer in this state is guilty of a misdemeanor, punishable by imprisonment for not more than one year, or by a fine of not more than $1,000, or both.*

Subd. 3. [DUTY TO REPORT.] *Each insured in this state who procures, causes to be procured, or continues or renews insurance with an unlicensed surplus lines insurer or any self-insurer in this state who procures or continues excess of loss, catastrophe, or other insurance upon a subject of insurance resident, located, or to be performed within this state, other than insurance procured pursuant to section 6 or subdivision 1 of this section shall file a written report regarding the insurance with the commissioner on forms prescribed by the commissioner and furnished to the insured upon request. The report shall be filed within 30 days after the date the insurance was procured, continued, or renewed and shall be accompanied by the tax on the premiums of two percent. The report shall show all of the following:*

(a) The name and address of the insured;

(b) The name and address of the insurer;

(c) The subject of the insurance;

(d) A general description of the coverage;

(e) The amount of premium currently charged for the insurance; and

(f) Any additional pertinent information reasonably requested by the commissioner.

Subd. 4. [ALLOCATION OF PREMIUMS ACCORDING TO LOCATION OF SUBJECT MATTER.] *If the insurance described in subdivision 1 also covers a subject of insurance residing, located, or to be performed outside this state, for the purposes of this section, a proper pro rata portion of the entire premium payable for all of that insurance shall be allocated according to the subjects of insurance residing, located, or to be performed in this state.*

Subd. 5. [ACTS CONSTITUTING PROCUREMENT OF INSURANCE IN THE STATE.] *Any insurance placed with an unlicensed surplus lines insurer procured through negotiations or an application in whole or in part occurring or made within or from without this state, or for which premiums in whole or in part are remitted directly or indirectly from within this state, shall be considered to be insurance procured, continued, or renewed in this state under subdivision 3.*

Subd. 6. [UNLICENSED SURPLUS LINES INSURERS; LIABILITY ON POLICIES OR CONTRACTS.] *Except with respect to placement pursuant to section 4, subdivision 4, if an unlicensed insurer offering benefits under a written contract which constitutes the transaction of insurance or which offers benefits substantially similar to benefits under policies of insurance, whether or not the benefits are identified or described as insurance, fails to pay a claim or loss within the provision of the contract, any person who assisted or aided,*

directly or indirectly, in the procurement of the contract shall be liable to the person to whom the obligations are owed for the full amount of the claim or loss, in the manner provided by the contract.

Sec. 2. [15.039] [EFFECT OF TRANSFER OF POWERS AMONG AGENCIES.]

Subdivision 1. [APPLICATION OF SECTION.] *The provisions of this section apply whenever the responsibilities of an agency are transferred by law to another agency unless the act directing the transfer provides otherwise. The term "responsibilities" includes powers, duties, rights, obligations, and other authority imposed by law on an agency. The term "new agency" means the agency to which responsibilities have been transferred from another agency.*

Subd. 2. [IN GENERAL.] *The new agency is a continuation of the former agency as to those matters within the jurisdiction of the former agency which are transferred to the new agency. Following a transfer the new agency shall carry out the assigned responsibilities as though the responsibilities of the former agency had not been transferred. No transfer constitutes a new authority for the purpose of succession to all responsibilities of the former agency as*

constituted at the time of the transfer.

Subd. 3. [RULES.] *All rules adopted pursuant to responsibilities which are transferred to another agency remain effective and shall be enforced by the new agency. Any rulemaking authority which existed to implement the responsibilities which are transferred is transferred to the new agency.*

Subd. 4. [COURT ACTIONS.] *Any proceeding, court action, prosecution, or other business or matter which is pending on the effective date of a transfer of responsibilities may be conducted by the new agency in the same manner as though it were conducted by the former agency prior to the transfer.*

Subd. 5. [CONTRACTS; RECORDS.] *The agency whose responsibilities are transferred shall give all contracts, books, maps, plans, papers, records, and property of every description relating to the transferred responsibilities and within its jurisdiction or control to the new agency. The new agency shall accept the material presented.*

Subd. 6. [UNEXPENDED FUNDS.] *All unexpended funds originally appropriated to an agency for the purposes of any responsibilities which are transferred to another agency are reappropriated under the same conditions as the original appropriation to the new agency effective on the date of the transfer of responsibilities. If the responsibilities are transferred to more than one agency, the commissioner of finance shall allocate any unexpended appropriation to the agencies affected.*

Subd. 7. [PERSONNEL.] *The positions associated with the responsibilities being transferred are abolished in the agency whose responsibilities are transferred. The approved staff complement for that agency is decreased accordingly. The employees who fill the abolished positions are employees of the agency receiving the new responsibilities. The approved staff complement for that agency is increased accordingly. Personnel changes are effective on the date of transfer of responsibilities.*

Sec. 3. Minnesota Statutes 1980, Section 15.0411, Subdivision 2, is amended to read:

Subd. 2. "Agency" means any state officer, board, commission, bureau, division, department, or tribunal, other than a *judicial branch* court, having a statewide jurisdiction and authorized by law to make rules or to adjudicate contested cases. "Agency" also means the capitol area architectural and planning board.

Before publication of Minnesota Rules, the revisor shall notify the agency whose rules are affected, the attorney general, the chief hearing examiner, and the legislative commission to review administrative rules.

If a comparison of documents shows that a rule as adopted in the state register has apparently not been filed with the secretary of state, the revisor may not publish the rule in Minnesota Rules unless the attorney general approves the publication. Before publication of Minnesota Rules the revisor shall notify the agency affected, the attorney general, the chief hearing examiner and the legislative commission to review administrative rules of the apparent lack of filing of the rule. If the revisor publishes the rule, the revisor shall add an appropriate footnote describing the apparent lack of filing.

The text of the rules in the first compilation published by the revisor is prima facie evidence of the text of the rules as against any previous documents. However, the previous documents may be used to construe the text of a rule. Except as provided in section 71, the compilation shall not be construed as repealing any unpublished rule. The rules published in the compilation shall be construed as continuations of prior rules and not as new rules.

Sec. 67. Minnesota Statutes 1980, Section 648.50, Subdivision 2, is amended to read:

Subd. 2. The revisor of statutes shall file with the secretary of state one copy of each compilation or supplement which is published. The *first compilation shall contain the revisor's certificate that the rules contained in it have been incorporated into the compilation in the manner required by law and that the incorporation is correct. Each* copy *thereafter* shall contain the revisor's certificate that the rules ~~contained in~~ *added to* the compilation or supplement have been compared to the original rules filed with the secretary of state and are correctly incorporated into the compilation.

Sec. 68. Minnesota Statutes 1980, Section 648.50, Subdivision 3, is amended to read:

Subd. 3. Any *subsequent* compilation or supplement published by the revisor and containing his certificate is prima facie evidence of the administrative rules in all courts and proceedings. ~~A~~ *Except as provided in section 71, a* compilation or supplement shall not be construed as repealing an unpublished rule. If there is any *material* inconsistency through omission or otherwise between *the first compilation*, a *subsequent* compilation or supplement, the state register, and a rule filed with the secretary of state, *and the omission or change was not due to the provisions of section 70 or 71 or the correction of an obvious error or unintentional omission as required by section 66*, the rule filed with the secretary shall prevail.

Sec. 69. Minnesota Statutes 1980, Section 648.50, Subdivision 4, is amended to read:

Subd. 4. *(a)* In preparing a compilation or supplement, the revisor ~~shall not alter the sense, meaning or effect of any rule, but~~ may renumber rules, paragraphs, clauses or other parts of a rule; combine or divide rules, paragraphs, clauses or other parts of a rule; rearrange the order of rules, paragraphs,

clauses, or other parts of a rule; move paragraphs, clauses, or other parts of a rule to another rule; *remove redundant language; make minor punctuation and grammatical changes to facilitate the renumbering, combining, dividing, and rearranging of rules or parts of rules;* change reference numbers to agree with renumbered rules, paragraphs, clauses or other parts of a rule; substitute the proper rule, paragraph, clause, or other part of a rule for the term "this rule", "the preceding rule" and the like; substitute numbers for written words and written words for numbers; *substitute the term "rule" for the term "regulation" when "regulation" refers to a Minnesota rule;* substitute the date on which the rule becomes effective for the words "the effective date of this rule", and the like; change capitalization, *punctuation, and forms of citation* for the purpose of uniformity; correct manifest clerical or typographical errors; correct all misspelled words; and correct manifest grammatical and punctuation errors.

(b) The revisor shall provide headnotes as catch words to rules and, if appropriate, to paragraphs, clauses, or other parts of a rule. The headnotes are not part of the rule even if included with the rule when ~~it is~~ adopted. The revisor shall change headnotes to clearly indicate the subject matter of the rules. *"Headnote" means any text functioning as catch words to the substance of text and not itself communicating the substantive content of the rule.*

Sec. 70. Minnesota Statutes 1980, Section 648.50, is amended by adding a subdivision to read:

Subd. 4a. For purposes of any compilation or publication of the rules, the revisor, unless the attorney general objects, may omit any extraneous descriptive or informative text which is not an operative portion of the rule. The revisor may also omit effective date provisions, statements that a rule is repealed, prefaces, appendices, guidelines, organizational descriptions, explanations of federal or state law, and similar material. The revisor shall consult with the agency, the attorney general, the legislative commission to review administrative rules, and with the chief hearing examiner before omitting any text from publication.

Sec. 71. Minnesota Statutes 1980, Section 648.50, is amended by adding a subdivision to read:

Subd. 4b. For the purposes of any compilation or publication of the rules, the revisor, unless the attorney general objects, may omit any rules that, by their own terms, are no longer effective or have been repealed directly by the agency, repealed by the legislature, or declared unconstitutional or otherwise void by a court of last resort. The revisor shall not remove a rule which is suspended and not fully repealed, but shall, if practicable, note the fact of suspension in Minnesota Rules. The revisor shall consult the agency involved, the attorney general, the chief hearing examiner, and the legislative commission to review administrative rules before omitting a rule from publication.

Sec. 72. Minnesota Statutes 1980, Section 648.50, Subdivision 6, is amended to read:

Subd. 6. In determining the *drafting* form of rules the revisor shall:

(a) minimize duplication of statutory language;

(b) not permit incorporations into the rules by reference of publications

which are not conveniently available to the public;

(c) to the extent practicable, use plain language in rules and avoid technical language; and

(d) amend rules by showing the text of the rule, paragraph, clause, or other part of a rule being amended *as necessary to provide adequate notice of the nature of the proposed amendment*, as it is shown in the latest compilation or supplement, or, if not yet published in a compilation or supplement, then as the text is shown in the state register, with changes shown by striking and underlining words.

The court shall include the agreement in its judgment and decree unless it makes specific findings stating the reason why the joint custody agreement is not in the best interests of the child.*

Subd. 4. [CUSTODY ORDER.] Upon adjudging the nullity of a marriage, or a dissolution or separation, *or a child custody proceeding,* the court ~~may~~ *shall* make such further order as it deems just and proper concerning ~~the care, custody, and maintenance of the minor children of the parties and may determine with which of the parents they, or any of them, shall remain~~ *: (a) the legal custody of the minor children of the parties which shall be sole or joint; (b) their physical custody and residence; and (c) their support.* In determining ~~the parent with whom a child shall remain~~ *custody*, the court shall consider the best interests of the child and shall not prefer one parent over the other solely on the basis of the sex of the parent.

Subd. ~~3~~ *5.* [CHILD SUPPORT.] The court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for his support, without regard to marital misconduct, after considering all relevant factors including:

(a) The financial resources and needs of the child;

(b) The financial resources and needs of ~~the custodial parent~~ *each party*;

(c) The standard of living the child would have enjoyed had the marriage not been dissolved; *and*

(d) The physical and emotional condition of the child, and his educational needs~~; and~~ .

~~(e) The financial resources and needs of the noncustodial parent.~~

Sec. 10. Minnesota Statutes 1980, Section 518.54, Subdivision 5, is amended to read:

Subd. 5. [MARITAL PROPERTY; EXCEPTIONS.] "Marital property" means property, real or personal, including vested pension benefits or rights, acquired by the parties, or either of them, to a dissolution, legal separation, or annulment proceeding at any time during the existence of the marriage relation between them, or at any time during which the parties were living together as husband and wife under a purported marriage relationship which is annulled in an annulment proceeding. All property acquired by either spouse subsequent to the marriage and before a decree of legal separation is presumed to be marital

property regardless of whether title is held individually or by the spouses in a form of co-ownership such as joint tenancy, tenancy in common, tenancy by the entirety, or community property. *Each spouse has a common ownership in marital property that vests not later than the time of the entry of the decree in a proceeding for dissolution or annulment. The extent of the vested interest shall be determined and made final by the court pursuant to section 518.58 and any amendments thereto.* The presumption of marital property is overcome by a showing that the property is ~~of a type listed in clauses (a) to (e)~~ *non-marital property*.

"Non-marital property" means property real or personal, acquired by either spouse before, during, or after the existence of their marriage, which

(a) is acquired as a gift, bequest, devise or inheritance made by a third party to one but not to the other spouse;

(b) is acquired before the marriage;

(c) is acquired in exchange for or is the increase in value of property which is described in clauses (a), (b), (d), and (e);

(d) is acquired by a spouse after a decree of legal separation; or

(e) is excluded by a valid antenuptial contract.

Sec. 11. Minnesota Statutes 1980, Section 518.551, is amended to read:

518.551 [MAINTENANCE AND SUPPORT PAYMENTS MADE TO WELFARE AGENCIES.]

Subdivision 1. [ORDER FOR PAYMENTS.] A court having jurisdiction over proceedings for dissolution or legal separation shall direct that all payments ordered for maintenance and support shall be made to the agency responsible for the welfare payments, when it appears that the party who is to receive the maintenance and support payments will receive public assistance. Amounts received by the agency greater than the amount granted to the party receiving public assistance shall be remitted to that party.

The petitioner shall notify the agency responsible for the welfare payments of all proceedings for dissolution, legal separation or for the custody of a child if either party is receiving aid to families of dependent children or applies for such aid subsequent to the commencement of the proceeding. After receipt of the notice, the agency shall recommend to the court the support that is proper and adequate for the care and support of the child or children before the issuance of the order for judgment and decree in the proceeding.

If the court finds in a dissolution or legal separation proceeding before issuing the order for judgment and decree that notification has not been given to the agency responsible for the welfare payments, the court shall order that notification be made and shall not issue its order for judgment and decree until the agency has made its recommendations. In those proceedings in which no notification has been made pursuant to this section and in which the agency determines that the judgment is not proper and adequate for the care and support of the child or children, it may petition the court for a redetermination of the support payments ordered.

Subd. 2. [SERVICE FEE.] *When the public agency responsible for child support enforcement provides child support collection services either to a*

public assistance recipient or to a party who does not receive public assistance, the public agency may upon written notice to the obligor charge a collection fee of $2 per month during the time it provides collection services, in addition to the amount of the child support which was ordered by the court. The fee shall be deposited in the county general fund. No fee shall be imposed on the party who requests child support collection services.

Sec. 12. Minnesota Statutes 1980, Section 518.58, is amended to read:

518.58 [DISPOSITION OF MARITAL PROPERTY.]

Upon a dissolution of a marriage, an annulment, or in a proceeding for disposition of property following a dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of the property and which has since acquired jurisdiction, the court shall make a just and equitable disposition of the marital property of the parties without regard to marital misconduct, after making findings regarding the disposition of the property. The court shall base its findings on all relevant factors including the length of the marriage, any prior marriage of a party, the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, needs, and opportunity for future acquisition of capital assets, the amount of support, maintenance and income of each party, whether the property award is in lieu of or in addition to maintenance or support. The court shall also consider the contribution of each in the acquisition, preservation, depreciation or appreciation in the amount or value of the marital property, as well as the contribution of a spouse as a homemaker. It shall be presumed that each spouse made a substantial contribution to the acquisition of income and property while they were living together as husband and wife. The court may also award to either spouse the household goods and furniture of the parties, whether or not acquired during the marriage.

If the court finds that either spouse's resources or property, including his portion of the marital property as defined in section 518.54, subdivision 5 are so inadequate as to work an unfair hardship, considering all relevant circumstances, the court may, in addition to the marital property, apportion up to one-half of the property otherwise excluded under section 518.54, subdivision 5, clauses (a) to (d) to prevent the unfair hardship. If the court apportions property other than marital property, it shall make findings in support of the apportionment. The findings shall be based on all relevant factors including the length of the marriage, any prior marriage of a party, the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, needs, and opportunity for future acquisition of capital assets and income of each party.

~~Unless otherwise specifically set forth in the decree, if in a decree of dissolution one party is awarded the homestead and the other party is awarded a fixed dollar amount based on an assumed or appraised market value of the homestead and within 24 months following the decree the homestead is sold, within six months of the sale either party may petition, and the court may grant, an apportionment of the proceeds in the proportion awarded in the decree, based upon the net sale price rather than the assumed or appraised market value. This paragraph shall not apply to a decree of dissolution entered before May 30, 1979.~~

If the court finds that it is necessary to preserve the marital assets of the

parties, the court may order the sale of the homestead of the parties or the sale of other marital assets, as the individual circumstances may require, during the pendency of a proceeding for a dissolution of marriage or an annulment. If the court orders a sale, it may further provide for the disposition of the funds received from the sale during the pendency of the proceeding.

Sec. 13. Minnesota Statutes 1980, Section 518.64, Subdivision 2, is amended to read:

Subd. 2. The terms of a decree respecting maintenance or support may be modified upon a showing *either* of substantially increased or decreased earnings, *or income or financial circumstances* of a party or *of* substantially increased or decreased need of a party *or the children of the parties*, which makes the terms unreasonable and unfair. On a motion for modification of support, the court shall take into consideration the needs of the children and the financial circumstances of ~~the custodial parent's spouse, if any~~ *both parties including their spouses*. A modification which decreases support or maintenance may be made retroactive only upon a showing that any failure to pay in accord with the terms of the original order was not willful. A modification which increases support or maintenance shall not be made retroactive if the obligor has substantially complied with the previous order. Except for an award of the right of occupancy of the homestead, provided in section 518.63, all divisions of real and personal property provided by section 518.58 shall be final, and may be revoked or modified only where the court finds the existence of conditions that justify reopening a judgment under the laws of this state. The court may impose a lien or charge on the divided property at any time while the property, or subsequently acquired property, is owned by the parties or either of them, for the payment of maintenance or support money, or may sequester the property as is provided by section 518.24.

Sec. 14. [EFFECTIVE DATE.]

Sections 3, 7, 12, and 13 are effective the day following final enactment. Section 10 is effective on July 1, 1981, for child support collection cases pending or opened on or after that date.

All duties of support, including the duty to pay arrearages, are enforceable by a proceeding under sections 1 to 37, including a proceeding for civil contempt. Subdivision 1. [CONTENTS.] *The petition shall be verified and shall state the name and, so far as known to the obligee, the address and circumstances of the obligor and the persons for whom support is sought, and all other pertinent information. The obligee may include in or attach to the petition any information that may help in locating, or identifying, the obligor, including a photograph of the obligor, a description of any distinguishing marks on his person, other names and aliases by which he has been or is known, the name of his employer, his fingerprints and his social security number.*

Subd. 2. [FILING.] *The petition may be filed in the appropriate court of a state in which the obligee resides. The court shall not decline or refuse to accept and forward the petition on the ground that it should have been filed with some other court of this or any other state where there is pending another action for legal separation, annulment, dissolution, habeas corpus, adoption, or custody between the same parties, or where another court has already issued a support order in some proceeding and has retained jurisdiction for its enforcement.*

Sec. 7. [518C.07] [PROSECUTING ATTORNEY TO REPRESENT OBLIGEE.]

If this state is acting as an initiating state, the prosecuting attorney shall represent the obligee in a proceeding under sections 1 to 37. If the prosecuting attorney neglects or refuses to represent the obligee, the attorney general may undertake the representation. In addition to the foregoing representation, an attorney retained by the obligee may represent the obligee in an interstate proceeding under sections 1 to 37.

Sec. 8. [518C.08] [PETITION FOR A MINOR.]

A petition on behalf of a minor obligee may be executed and filed by a person having legal custody of the minor without appointment as guardian ad litem.

Sec. 9. [518C.09] [DUTY OF INITIATING COURT.]

If the initiating court finds that the petition sets forth facts from which it may be determined that the obligor owes a duty of support, and that a court of the responding state may obtain jurisdiction of the obligor or his property, it shall so certify and cause three copies of the petition and its certificate and one copy of sections 1 to 37 to be sent to the responding court. Certification shall be in accordance with the requirements of the initiating state. If the name and address of the responding court are unknown and the responding state has an information agency comparable to that established in the initiating state, it

shall cause the copies to be sent to the state information agency or other proper official of the responding state, with a request that the agency or official forward them to the proper court and that the court of the responding state acknowledge their receipt to the initiating court.

Sec. 10. [518C.10] [COURT COSTS AND FEES.]

An initiating court shall not require payment of either a filing fee or other costs from the obligee, but may request the responding court to collect fees and costs from the obligor. A responding court shall not require payment of a filing fee or other costs from the obligee, but it may direct that all fees and costs requested by the initiating court and incurred in this state when acting as a responding state, including fees for filing of pleadings, service of process, seizure of property, stenographic or duplication service, or other service supplied to the obligor, be paid, in whole or in part, by the obligor or by the state or political subdivision thereof. These costs or fees do not have priority over amounts due to the obligee.

Sec. 11. [518C.11] [JURISDICTION BY ARREST.]

If the court of this state believes that the obligor may flee it may:

(1) As an initiating court, request in its certificate that the responding court obtain the person of the obligor by appropriate process; or

(2) As a responding court, obtain the person of the obligor by appropriate process.

Thereupon, it may release him either upon his own recognizance or upon his giving a bond in an amount set by the court to assure his appearance at the hearing.

Sec. 12. [518C.12] [STATE INFORMATION AGENCY.]

Subdivision 1. [DESIGNATION; DUTIES.] *The department of public welfare is designated as the state information agency under sections 1 to 37. It shall:*

(1) Compile a list of the courts and their addresses in this state having jurisdiction under sections 1 to 37 and transmit that information to the state information agency of every other state which has adopted the same or a substantially similar law. Upon the adjournment of each session of the legislature, the agency shall distribute copies of amendments to sections 1 to 37 and a statement of their effective date to each other state information agency;

(2) Maintain a register of lists of courts received from other states and transmit copies thereof promptly to every court in this state having jurisdiction under sections 1 to 37; and

(3) Forward to the court in the state that has jurisdiction over the obligor or his property, petitions, certificates, and copies of the substantially similar reciprocal law that it receives from courts or information agencies of other states.

Subd. 2. [FINDING OBLIGOR OR HIS PROPERTY.] *If the state information agency does not know the location of the obligor or his property in the state and no state location service is available, it shall use all means at its disposal to obtain this information, including the examination of official rec-*

ords in the state and other sources such as telephone directories, real property records, vital statistics records, police records, requests for the name and address from employers who are able or willing to cooperate, records of motor vehicle license offices, requests made to the tax offices, both state and federal, where such offices are able to cooperate, and requests made to the social security administration, as permitted by the Social Security Act as amended.

Sec. 13. [518C.13] [DUTY OF THE COURT AND THE PROSECUTING ATTORNEY OF THIS STATE AS RESPONDING STATE.]

Subdivision 1. [DOCKETING CASE.] *After the responding court receives copies of the petition, the certificate and the substantially similar reciprocal act from the initiating court, the clerk of the court shall docket the case and notify the prosecuting attorney of his action.*

Subd. 2. [PROSECUTION OF CASE.] *The prosecuting attorney shall prosecute the case diligently. He shall take all action necessary in accordance with the laws of this state to enable the court to obtain jurisdiction over the obligor or his property and shall request the court to set a time and place for a hearing and give notice thereof to the obligor in accordance with law.*

Subd. 3. [INVESTIGATION BY PROSECUTING ATTORNEY.] *The prosecuting attorney, on his own initiative, shall use all means at his disposal to locate the obligor or his property, and if, because of inaccuracies in the petition or otherwise, the court cannot obtain jurisdiction, the prosecuting attorney shall inform the court of what he has done and request the court to continue the case pending receipt of more accurate information or an amended petition from the initiating court.*

Subd. 4. [OBLIGOR LOCATED IN ANOTHER COUNTY OR STATE.] *If the obligor or his property is not found in the county, and the prosecuting attorney discovers that the obligor or his property may be found in another county of this state, or another state, he shall so inform the court. Thereupon, the clerk of the court shall forward the documents received from the court in the initiating state to a court in the other county, or to a court in the other state, or to the information agency or other proper official of the other state, with a request that the documents be forwarded to the proper court. All powers and duties provided by sections 1 to 37 apply to the recipient of the documents so forwarded. If the clerk of a court of this state forwards documents to another court, he shall forthwith notify the initiating court.*

Subd. 5. [NO INFORMATION.] *If the prosecuting attorney has no information as to the location of the obligor or his property he shall so inform the initiating court.*

Sec. 14. [518C.14] [HEARING AND CONTINUANCE.]

If the obligee is not present at the hearing and the obligor denies owing the duty of support alleged in the petition or offers evidence constituting a defense, the court, upon request of either party, shall continue the hearing to permit evidence relative to the duty to be adduced by either party by deposition or by appearing in person before the court. The court may designate the judge of the initiating court as a person before whom a deposition may be taken.

Sec. 15. [518C.15] [IMMUNITY FROM CRIMINAL PROSECUTION.]

If, at a hearing, the obligor is called for examination as an adverse party

and he declines to answer upon the ground that his testimony may tend to incriminate him, the court may require him to answer, in which event he is immune from criminal prosecution with respect to matters revealed by his testimony, except for perjury committed in his testimony.

Sec. 16. [518C.16] [EVIDENCE OF HUSBAND AND WIFE.]

Laws attaching a privilege against the disclosure of communications between husband and wife are inapplicable to proceedings under sections 1 to 37. Husband and wife are competent witnesses and may be compelled to testify to a relevant matter, including marriage and parentage.

Sec. 17. [518C.17] [RULES OF EVIDENCE.]

In any hearing for the civil enforcement of sections 1 to 37, the court is governed by the Minnesota rules of evidence. If the action is based on a support order issued by another court, a certified copy of the order shall be received as evidence of the duty of support, subject only to defenses available to an obligor with respect to paternity under section 19 or to a defendant in an action or a proceeding to enforce a foreign money judgment. The determination or enforcement of a duty of support owed to one obligee is unaffected by interference by another obligee with rights of custody or visitation granted by a court.

Sec. 18. [518C.18] [ORDER OF SUPPORT.]

Subdivision 1. [ISSUANCE OF ORDER.] *If the responding court finds a duty of support, it may order the obligor to furnish support or reimbursement therefor and subject the property of the obligor to the order. Support orders made under sections 1 to 37 shall require that payments be made as the responding court directs. The court and the prosecuting attorney of a county in which the obligor is present or has property have the same powers and duties to enforce the order as have those of the county in which it was first issued. If enforcement is impossible, or cannot be completed in the county in which the order was issued, the prosecuting attorney shall send a certified copy of the order to the prosecuting attorney of a county in which it appears that the proceedings to enforce the order would be effective. The prosecuting attorney to whom the certified copy of the order is forwarded shall proceed with enforcement and report the results of the proceedings to the court first issuing the order.*

Subd. 2. [COPY TO INITIATING COURT.] *The responding court shall cause a copy of each support order to be sent to the initiating court.*

Subd. 3. [ADDITIONAL POWERS OF RESPONDING COURT.] *In addition to the foregoing powers, a responding court may subject the obligor to the terms and conditions proper to assure compliance with orders and in particular to:*

(1) Require the obligor to furnish a cash deposit or bond of a character and amount to assure payment of the amount due;

(2) Require the obligor to report personally and to make payments at specified intervals in the manner that the court directs; and

(3) Punish the obligor who violates an order of the court under the court's contempt power.

Sec. 19. [518C.19] [PATERNITY.]

If an obligor asserts as a defense that he is not the father of the child for whom support is sought and it appears to the court that the defense is not frivolous, and if both the parties are present at the hearing or the proof required in the case indicates that the presence of either or both of the parties is not necessary, the court may adjudicate the paternity issue. Otherwise the court may adjourn the hearing until the paternity issue has been adjudicated.

Sec. 20. [518C.20] [PROCEEDINGS NOT TO BE STAYED.]

A responding court shall not stay the proceeding or refuse a hearing under sections 1 to 37 because of a pending or prior action or proceeding for legal separation, annulment, dissolution, habeas corpus, adoption, or custody in this or another state. The court shall hold a hearing and may issue a support order pendente lite. In aid thereof, it may require the obligor to give a bond for the prompt prosecution of the pending proceeding. If the other action or proceeding is concluded before the hearing in the instant proceeding, and the judgment therein provides for the support demanded in the petition being heard, the court must conform its support order to the amount allowed in the action or proceeding. Thereafter, the court shall not stay enforcement of its support order because of the retention of jurisdiction for enforcement purposes by the court in the other action or proceeding.

Sec. 21. [518C.21] [MULTIPLE SUPPORT ORDERS.]

A support order made by a court of this state under sections 1 to 37 does not nullify and is not nullified by a support order made by a court of this state under another law or a support order made by a court of another state under a substantially similar act or another law, regardless of priority of issuance, unless specifically provided by the court. Amounts paid for a particular period under a support order made by the court of another state shall be credited against amounts accruing or accrued for the same period under a support order made by the court of this state.

Sec. 22. [518C.22] [EFFECT OF PARTICIPATION IN PROCEEDING.]

Participation in a proceeding under sections 1 to 37 does not confer jurisdiction upon a court over the parties thereto in another proceeding.

Sec. 23. [518C.23] [REGISTRATION.]

If the duty of support is based on a foreign support order, the obligee may register the foreign support order in a court of this state in the manner, with the effect, and for the purposes herein provided.

Sec. 24. [518C.24] [PROSECUTING ATTORNEY TO REPRESENT OBLIGEE.]

If this state is acting either as a rendering or a registering state, the prosecuting attorney shall represent the obligee in proceedings under sections 23 to 26. If the prosecuting attorney neglects or refuses to represent the obligee, the attorney general may undertake the representation. In addition to the preceding representation, an attorney retained by the obligee may represent him in interstate proceedings under sections 23 to 26.

Sec. 25. [518C.25] [REGISTRATION PROCEDURE; NOTICE.]

Subdivision 1. [PROCEDURE.] *An obligee seeking to register a foreign support order in a court of this state shall transmit to the clerk of the court: (1)*

three certified copies of the order with all modifications thereof; (2) a copy of the reciprocal enforcement of support act of the state in which the order was made; and (3) a statement verified and signed by the obligee, showing the post office address of the obligee, the last known place of residence and post office address of the obligor, the amount of support remaining unpaid, a description and the location of property of the obligor available upon execution, and a list of the states in which the order is registered. Upon receipt of these documents, the clerk of the court, without payment of a filing fee or other costs to the obligee, shall file them. The filing constitutes registration under sections 1 to 37.

Subd. 2. [DUTIES AFTER REGISTRATION.] *Promptly upon registration, the clerk of the court shall send, by certified or registered mail, a notice of the registration with a copy of the registered support order and the post office address of the obligee to the obligor at the address given. He shall also docket the case and notify the prosecuting attorney of his action. The prosecuting attorney shall proceed diligently to enforce the order.*

Sec. 26. [518C.26] [EFFECT OF REGISTRATION; ENFORCEMENT PROCEDURE.]

Subdivision 1. [EFFECT OF REGISTERED FOREIGN SUPPORT ORDER.] *Upon registration, the registered foreign support order shall be treated in the same manner as a support order issued by a court of this state. It has the same effect and is subject to the same procedures, defenses, and proceedings for reopening, vacating, or staying as a support order of this state and may be enforced and satisfied in like manner.*

Subd. 2. [TIME TO PETITION COURT TO VACATE ORDER.] *The obligor has 20 days after the mailing of notice of the registration in which to petition the court to vacate the registration or for other relief. If he does not so petition, the registered support order is confirmed.*

Subd. 3. [HEARING; STAY OF ORDER.] *At the hearing to enforce the registered support order, the obligor may present only matters that would be available to him as defenses in an action to enforce a foreign money judgment. If he shows to the court that an appeal from the order is pending or will be taken, or that a stay of execution has been granted, the court shall stay enforcement of the order until the appeal is concluded, the time for appeal has expired, or the order is vacated, upon satisfactory proof that the obligor has furnished security for payment of the support order, as required by the rendering state. If he shows to the court any ground upon which enforcement of a support order of this state may be stayed, the court shall stay enforcement of the order for an appropriate period if the obligor furnishes the same security for payment of the support order that is required for a support order of this state.*

Sec. 27. [518C.27] [REMEDIES OF STATE OR POLITICAL SUBDIVISION FURNISHING SUPPORT.]

If a state or political subdivision furnishes support to an individual obligee, it has the same right as the individual obligee to initiate a proceeding under sections 1 to 37 to secure reimbursement for the support furnished and to obtain continuing support.

Sec. 28. [518C.28] [PAYMENTS.]

Subdivision 1. [DUTIES OF RESPONDING COURT.] *A responding court*

has the following duties that shall be carried out through the public authority responsible for support enforcement:

(1) To transmit to the initiating court a payment made by the obligor pursuant to an order of the court or otherwise; and

(2) To furnish to the initiating court, upon request, a certified statement of each payment made by the obligor.

Subd. 2. [DUTIES OF INITIATING COURT.] *An initiating court shall receive and disburse promptly each payment made by the obligor or sent by the responding court. This duty shall be carried out through the public authority responsible for support enforcement.*

Sec. 29. [518C.29] [CHOICE OF LAW.]

Duties of support applicable under sections 1 to 37 are those imposed under the laws of the state where the obligor was present for the period during which support is sought. The obligor is presumed to have been present in the responding state during the period for which support is sought until otherwise shown.

Sec. 30. [518C.30] [EXTENT OF DUTIES OF SUPPORT.]

Duties of support arising under the law of this state, when applicable under section 29, bind the obligor present in this state, regardless of the presence or residence of the obligee.

Sec. 31. [518C.31] [REMEDIES ADDITIONAL TO THOSE NOW EXISTING.]

The remedies herein provided are in addition to, and not in substitution for, other remedies.

Sec. 32. [518C.32] [INTERSTATE RENDITION.]

The governor of this state may:

(1) Demand of the governor of another state the surrender of a person found in that state who is charged criminally in this state with failing to provide for the support of a person; or

(2) On demand by the governor of another state, surrender a person found in this state who is charged criminally in that state with failing to provide for the support of a person. Provisions for extradition of criminals, not inconsistent with sections 1 to 37, apply to the demand even if the person whose surrender is demanded was not in the demanding state at the time of the commission of the crime and has not fled therefrom. The demand, the oath, and proceedings for extradition under this section need not state or show that the person whose surrender is demanded has fled from justice or at the time of the commission of the crime was in the demanding state.

Sec. 33. [518C.33] [CONDITIONS OF INTERSTATE RENDITION.]

Subdivision 1. [DEMAND OF OTHER STATE.] *Before making the demand upon the governor of another state for the surrender of a person charged criminally in this state with failing to provide for the support of a person, the governor of this state may require a prosecuting attorney of this state to satisfy him that the obligee initiated proceedings for support under sections 1 to 37 at*

least 60 days earlier or that such proceedings would be of no avail.

Subd. 2. [DEMAND BY OTHER STATE.] *If, under a substantially similar reciprocal law, the governor of another state makes a demand upon the governor of this state for the surrender of a person charged criminally in that state with failure to provide for the support of a person, the governor may require a prosecuting attorney to investigate the demand and to report to him whether proceedings for support have been initiated or would be effective. If it appears to the governor that a proceeding would be effective but has not been initiated, he may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.*

Subd. 3. [REFUSAL OF DEMAND.] *If proceedings have been initiated and the person demanded has prevailed therein, the governor may decline to honor the demand. If the obligee prevailed and the person demanded is subject to a support order, the governor may decline to honor the demand if the person demanded is complying with the support order.*

Sec. 34. [518C.34] [INTRASTATE APPLICATION.]

Subdivision 1. [OBLIGEE AND OBLIGOR IN DIFFERENT COUNTIES.] *Sections 1 to 37 apply if both the obligee and the obligor are in this state but in different counties.*

Subd. 2. [PROCEDURE; DUTIES.] *If the court of the county in which the petition is filed finds that the petition sets forth facts from which it may be determined that the obligor owes a duty of support and finds that a court of another county in this state may obtain jurisdiction over the obligor or his property, the clerk of the court shall send the petition and a certification of the findings to the court of the county in which the obligor or his property is found. The clerk of the court of the county receiving these documents shall notify the prosecuting attorney of their receipt. The prosecuting attorney and the court in the county to which the copies are forwarded shall then have duties corresponding to those imposed upon them when acting for this state as a responding state.*
