Messrs. Laidig, Lessard, Isackson, Chmielewski and Schmitz introduced—

Senate Resolution No. 14: A Senate resolution requesting the governments of the United States and the Socialist Republic of Vietnam to take all possible actions to determine the fate of persons missing in action in Southeast Asia; joining with the families of those who are missing in the hope that their long wait will soon be over.

WHEREAS, a decade ago, on January 27, 1973, the Paris Peace Accords were signed to end American involvement in the war in Southeast Asia; and

WHEREAS, one of the conditions of that agreement was provision for a return or accounting for prisoners of war and persons missing in action; and

WHEREAS, the government of Vietnam has only provided information on a few of the missing and this only through the pressure of determined families and dedicated congressmen; and

WHEREAS, 2,490 Americans, including 48 Minnesotans, remain unaccounted for with investigation of their status arrested by failure of the Socialist Republic of Vietnam and its allied governments to cooperate and assist; and

WHEREAS, there have been repeated verified sighting reports that some of the missing men are still alive in Southeast Asia; and

WHEREAS, the sorrow, anxiety, and frustration of the families of these men cannot be dispelled by delay or neglect; and

WHEREAS, it is America's duty to ensure, through an authentic, comprehensive investigation, the return of Americans still in Southeast Asia and to account for Americans who have perished there; and

WHEREAS, it is absolutely essential that the governments of the United States and the Socialist Republic of Vietnam act NOW to account for the missing; NOW, THEREFORE,

BE IT RESOLVED by the Senate of the State of Minnesota that it joins with the families of the missing men in maintaining a constant vigil of anticipation and hope for a true accounting of their loved ones and the immediate return of the remains of those who died as a result of the war or imprisonment.

BE IT FURTHER RESOLVED that the government of the United States should do all it can to answer the questions surrounding the status of the missing men, to secure the return of any living prisoners or missing persons, and to secure the return of the remains of the dead.

BE IT FURTHER RESOLVED that the Socialist Republic of Vietnam should immediately yield all information it has on the status of the missing especially since there is no reason for them to refuse to give this information other than a calculated effort to protract the agony of the families of the missing.

BE IT FURTHER RESOLVED that the Secretary of the Senate is directed to send enrolled copies of this resolution, authenticated by his signature and that of the President, to the President of the United States, the Speaker and Chief Clerk of the United States House of Representatives, the President and Secretary of the United States Senate, the chairman of the Committee on Foreign Affairs of the United States House of Representatives, the chairman of the Committee on Foreign Relations of the United States Senate, to the Minnesota Representatives and Senators in Congress and to the Permanent Representatives of the Socialist Republic of Vietnam to the United Nations.

 12. Introduction and first reading of Senate bills.
 13. Announcements of Senate interest.

Under the order of business of Motions and Resolutions the Senate may by a majority vote of the whole Senate temporarily revert or proceed to any other order of business.

CALENDAR

8. The Secretary shall make a Calendar of all bills, resolutions and other matters coming before the Senate for final action. He shall place them on the Calendar in the order in which they have been acted upon in Committee of the Whole. The Calendar shall be printed and placed upon the members' desks at least one calendar day before the matters on it are considered.

CONSENT CALENDAR

9. If a committee determines that a bill it recommends to pass is of a routine nature or otherwise of a nature which likely will not be opposed, it may in its report recommend that the bill be placed on the Consent Calendar. If the report is adopted, the bill shall be printed and placed on the Consent Calendar after its second reading. On the question of adoption of the report the question of accepting the recommendation that the bill be placed on the Consent Calendar may be divided from the question of adopting the report in other respects.

A majority of the whole Senate, or the Subcommittee on Bill Scheduling, may order a bill on General Orders to be placed on the Consent Calendar.

The Consent Calendar consists of bills placed on it. Senate bills shall be

positioned ahead of House bills. The Consent Calendar shall be printed and placed on the members' desks at least one calendar day before the matters on it are considered.

If a member objects to consideration of a bill on the Consent Calendar at any time during its consideration in the Senate before the question on final passage is put, and that objection is supported by at least two other members, the bill shall be referred to the Committee of the Whole, and shall be placed at the bottom of General Orders subject to Rule 11, except that it need not lie over one calendar day before consideration in the Committee of the Whole.

SPECIAL ORDER

10. The Chairman of the Subcommittee on Bill Scheduling of the Committee on Rules and Administration, as authorized by the subcommittee, may designate a special order for a bill that has been given its second reading.

A special order shall provide that the bill be considered immediately, at a time certain, or after specific other business is completed.

During consideration of a special order, Rule 20 is suspended. As nearly as applicable, debate on the bill and all proceedings including amendments and substitutions shall be that of the Committee of the Whole.

On any question a member may call for the yeas and nays which shall be entered in the Journal.

Unless it is otherwise disposed of, after consideration a bill on Special Orders of the Senate shall immediately proceed to its third reading and final passage.

GENERAL ORDERS

11. The Secretary shall make a list of all bills, resolutions, reports of committees, and other proceedings of the Senate, which are referred to the Committee of the Whole, and which are not made the order of the day, for a particular day, and number them. The lists are called the "General Orders". They shall be taken up in the order in which they are numbered unless otherwise ordered by a majority of the committee.

General Orders, together with all bills included on it required to be printed under the rules or orders of the Senate, shall be printed and placed upon the members' desks at least one calendar day before being considered in Committee of the Whole.

MOTIONS

12. When a motion is made it shall be stated by the President. If it is in writing it shall be handed to the Secretary and read to the members.

13. A motion or amendment shall be written if the president or a member requests. In that case it must be signed by the member or committee offering it.

14. After a motion is stated by the President, or read by the Secretary, it is

positioned ahead of House bills. The Consent Calendar shall be printed and placed on the members' desks at least one calendar day before the matters on it are considered.

If a member objects to consideration of a bill on the Consent Calendar at any time during its consideration in the Senate before the question on final passage is put, and that objection is supported by at least two other members, the bill shall be referred to the Committee of the Whole, and shall be placed at the bottom of General Orders subject to Rule 11, except that it need not lie over one calendar day before consideration in the Committee of the Whole.

SPECIAL ORDER

10. The Chairman of the Subcommittee on Bill Scheduling of the Committee on Rules and Administration, as authorized by the subcommittee, may designate a special order for a bill that has been given its second reading.

A special order shall provide that the bill be considered immediately, at a time certain, or after specific other business is completed.

During consideration of a special order, Rule 20 is suspended. As nearly as applicable, debate on the bill and all proceedings including amendments and substitutions shall be that of the Committee of the Whole.

On any question a member may call for the yeas and nays which shall be entered in the Journal.

Unless it is otherwise disposed of, after consideration a bill on Special Orders of the Senate shall immediately proceed to its third reading and final passage.

GENERAL ORDERS

11. The Secretary shall make a list of all bills, resolutions, reports of committees, and other proceedings of the Senate, which are referred to the Committee of the Whole, and which are not made the order of the day, for a particular day, and number them. The lists are called the "General Orders". They shall be taken up in the order in which they are numbered unless otherwise ordered by a majority of the committee.

General Orders, together with all bills included on it required to be printed under the rules or orders of the Senate, shall be printed and placed upon the members' desks at least one calendar day before being considered in Committee of the Whole.

MOTIONS

12. When a motion is made it shall be stated by the President. If it is in writing it shall be handed to the Secretary and read to the members.

13. A motion or amendment shall be written if the president or a member requests. In that case it must be signed by the member or committee offering it.

14. After a motion is stated by the President, or read by the Secretary, it is

in possession of the Senate, but may be withdrawn by the author at any time before decision or amendment.

PRECEDENCE OF MOTIONS

15. When a question is under debate no motion shall be received, except:

1. To adjourn.
2. To recess.
3. To reconsider.
4. To lay on the table.
5. For the previous question.

(Motions numbered 1, 2, 4 and 5 above shall be decided without debate.)

6. To refer.
7. To postpone to a day certain.
8. To amend.
9. To postpone indefinitely.

These several motions have precedence in the foregoing order; but when a motion for the previous question has been seconded, or the main question ordered, a motion to lay on the table is not in order.

A motion to postpone to a day certain, to refer, to postpone indefinitely, or to amend, having been decided, shall not again be put on the same day, nor at the same stage of the bill or proposition.

MOTION TO ADJOURN

16. A motion to adjourn is always in order, and also a motion to adjourn to a time certain. The latter motion is debatable solely as to the time. When either motion is rejected it shall not be renewed until further business has been transacted.

AMENDMENTS TO RULES AND SUSPENSION OF RULES

17. Every proposition to amend a rule of the Senate shall be referred to the Committee on Rules and Administration. The proposition shall not be acted upon until the report of the committee is received by the Senate. A rule shall not be suspended except by at least two-thirds vote of the whole Senate. A motion to suspend the rules for the purpose of advancing a bill shall be made only under the order of business, "Motions and Resolutions".

ORDER IN DEBATE

18. When a member is about to speak in debate, or deliver a matter to the Senate, the member shall rise and respectfully address "Mr. President". The member shall not proceed to speak further until recognized by the President. The member shall speak only to the question under debate and avoid personality. In discussing a resolution, each member is limited to ten minutes.

19. When a member is called to order, he shall be silent until it is determined whether or not he is in order. If a member is called to order for words

spoken in debate, the words excepted to shall be taken down in writing by the Secretary immediately.

20. No member shall speak more than twice on the same question on the same day without leave of the Senate.

COMMITTEES NOT TO BE ABSENT

21. Committees shall not be absent from the Senate without permission of the Senate. The names of the members excused shall be printed in the Journal.

MEMBERS TO VOTE UNLESS EXCUSED

22. Every member who is in the Senate Chamber during a roll call shall vote upon the request of another member unless, for special reasons, excused by the Senate.

A motion by a member to be excused from voting shall be made before the question is put. A member wishing to be excused from voting may make a brief statement of the reason for making the request and the question on the motion shall be taken without further debate.

When members have had an opportunity to vote and fail to do so, a majority of all the members of the Senate may, by motion, direct the President to close the roll. The vote on a motion to close the roll shall be taken without debate and no member is required to vote on the motion.

CALL OF THE SENATE

23. A member may impose a call of the Senate requiring the attendance of all members before any further proceedings occur except a motion to adjourn. Upon the imposition of a call, a record of those present shall be obtained upon the request of any member, and the Sergeant at Arms instructed to bring in the absent members. When the Senate has been placed under call, a member may demand that the doors be closed and no member permitted to leave the Chamber until the matter or question, if any, under consideration at the time of the call is disposed of, or until the call is lifted by a majority vote of all the members of the Senate, or until the Senate adjourns. A majority vote of all the members of the Senate may excuse from attendance members not answering the call.

A call cannot be made after voting has commenced.

QUESTIONS—HOW STATED AND DECIDED

24. Questions shall be distinctly put. The President shall declare all votes but if a member rises to question a vote, the President shall order a division.

ONLY MEMBERS PRESENT TO VOTE

25. Upon a division and count of the Senate on a question, only members present in the Senate chamber shall be counted. No member may vote on a question except at the member's own seat in the chamber.

ANY MEMBER MAY DEMAND YEAS AND NAYS

26. At any time prior to the start of voting on a question, a member may call for the yeas and nays which shall be entered in the Journal. A call for the yeas and nays cannot be interrupted except as provided in Rule No. 22.

AUTHORIZED ELECTRICAL VOTING DEVICE

27. Unless otherwise ordered, a vote, except upon elections and upon the overriding of a governor's veto, may be taken by means of the electrical voting system which is under the control of the President.

CERTIFICATE FOR MONEY

28. No certificate authorizing the payment of money appropriated by the Legislature shall be issued by the Secretary by virtue of a motion or resolution, unless the motion or resolution is voted for by a majority of all members of the Senate upon a call of the yeas and nays.

THE PREVIOUS QUESTION

29. Unless the motion for the previous question is made specifically applicable to a subsidiary motion, the previous question shall be in this form:

“Shall the main question now be put?” It shall only be admitted when demanded by a majority of the members present, and its effect is to put an end to all debate, and bring the Senate to a direct vote upon amendments reported by a committee, if any, then upon all pending amendments in their order and then upon the main question.

On a motion for the previous question a call of the Senate is in order before the President submits the question to the Senate.

On a previous question there is no debate. All incidental questions of order, arising after a motion is made for the previous question, and pending the motion, shall be decided, whether on appeal or otherwise, without debate.

DIVISION OF QUESTION

30. A member may call for a division of the question when the question will admit of it. A motion to strike out and insert is indivisible. A motion to strike out being lost does not preclude an amendment nor a motion to strike out and insert.

RECONSIDERATION

31. When a motion or question has been once put and carried in the affirmative or negative, it is in order for a member who voted with the prevailing side to move for reconsideration on the same day on which the vote was taken or within the next two calendar days or, if later, the first day the Senate meets after the vote was taken. The motion takes precedence over all other questions except a motion to adjourn or recess. When a motion to adjourn is adopted prior to the disposition of the motion for reconsideration, a motion for reconsideration shall lie over until the next succeeding day the Senate meets except as provided in this rule. When notice of intention to

move reconsideration of the final action of the Senate on a question is given by a member, the Secretary shall retain the subject of the notice until after the expiration of the time during which the motion can be made.

During the six calendar days before the first Tuesday following the third Saturday in May of any year a notice of intention to move for reconsideration is not in order, but a motion to reconsider may be made and have priority over all other business except a motion to adjourn. A motion for reconsideration having been once voted on shall not be put again nor reconsidered.

INTRODUCTION OF BILLS

32. Bills, memorials, concurrent or joint resolutions may be introduced by a member or by order of the Senate on a report of a committee. An original and three copies are required for introduction. The number of authors shall not exceed five. A member or a committee desiring to introduce a bill, memorial or concurrent or joint resolution shall place it in the hands of the Secretary, and the Secretary shall promptly deliver all the bills, memorials or concurrent or joint resolutions to the President who shall present them to the Senate.

The name of the author or authors shall be prefixed to each bill, memorial or resolution and the name of a committee introducing a bill, memorial or resolution shall be endorsed on it.

RECESS BILL INTRODUCTIONS

33. During the period between the last day of the session in any odd-numbered year and the first day of the session in the following year, a bill filed with the Secretary for introduction shall be given a file number and may be unofficially referred by the President, with the approval of the Subcommittee on Bill Scheduling, to an appropriate standing committee of the Senate. All bills filed for introduction during this period shall be presented to the Senate when it reconvenes and shall be referred to the standing committees previously indicated by the President, subject to objection under Rule 35.

REPORTING OF BILLS

34. Every bill, memorial, order, resolution or vote requiring the approval of the Governor shall be reported to the Senate on three different days previous to its passage. The first report, called the first reading, is made when it has been received for introduction; the second report, called the second reading, is made when it has been considered by all the necessary standing committees and is ready for debate; the third report, called the third reading, is made when it is ready for final passage.

REFERRING OF BILLS

35. All bills shall be referred by the President without motion to the proper standing committee unless otherwise referred by the Senate. A bill introduced by a committee need not be referred to a standing committee unless a question arises but rather shall lie over one day before being given its

second reading. When a question arises concerning the proper reference of a bill during the order of business of first reading on the day of introduction or at the time of report on it by a standing committee to which the bill was previously referred, the bill shall be referred without debate to the Committee on Rules and Administration to report the proper reference, and upon adoption of the report of the Committee on Rules and Administration, it shall be referred accordingly.

All bills appropriating money, or obligating the state to pay or expend money, or establishing a policy which to be effective will require expenditure of money, when referred to and reported by any other than the Committee on Finance, shall, before passage, be referred to the Committee on Finance.

36. No bill or resolution shall be referred to committee or amended until it has been given its first reading. No bill or resolution shall be objected to on its introduction.

AMENDMENTS TO BE GERMANE

37. An amendment proposed to the Senate or to the Committee of the Whole that is not germane is out of order. A non-germane amendment includes one that relates to a substantially different subject, or is intended to accomplish a substantially different purpose than that of the original bill to which it is proposed. Whether an amendment is germane is a question to be decided by the President, who may put the question to the body if he chooses.

AMENDMENTS TO BILLS

38. In drawing an amendment to a bill or resolution reference shall be made therein, first to the number of the bill, then to the page, and then to the line or lines from which matter is to be stricken or in which new matter is to be inserted.

AMENDMENTS TO TITLE

39. The title to a bill may be amended at any time during its pendency in the Senate.

RECALL FROM COMMITTEE

40. A majority of the Senate may at any time recall a bill from any committee or take a bill from the table and place it on General Orders.

By a report of the Committee on Rules and Administration adopted by the Senate, the Committee on Rules and Administration, on request of the first author, may remove a bill from committee and re-refer it to any other committee or place it on General Orders.

DISTRIBUTION AND PRINTING OF BILLS

41. To the extent practical the Secretary shall provide a copy of any bill to the public. He may charge a reasonable fee.

Unless otherwise ordered by the Senate, all Senate bills which have been

reported upon favorably or without recommendation by a committee shall be printed prior to consideration by the Senate or the Committee of the Whole. A committee chairman, a majority of the last committee to consider a bill, or the Senate may require that a House bill amended by the Senate be unofficially engrossed and printed when placed on General Orders. A bill may be printed by order of the Secretary when amended after second reading. A bill shall be printed when ordered by a majority vote of the Senate. Action by the Senate on a bill which has not been printed is a waiver of the printing requirement.

COMMITTEE OF THE WHOLE

42. All bills, memorials, orders, resolutions and votes requiring the approval of the Governor shall, after a second reading, be considered in Committee of the Whole before they are finally acted upon by the Senate, except as provided for in Rules 9 and 10.

43. The President may call a member to the Chair when the Senate resolves itself into the Committee of the Whole. The rules observed in the Senate govern, as far as practicable, the proceedings of the Committee of the Whole, and the Chairman of the Committee of the Whole has the powers of the President, as appropriate. However, a member may speak more than twice on the same subject and a call for the previous question cannot be made. The yeas and nays shall be taken only upon the request of three members, and when taken shall be recorded in the Journal along with the amendment; provided, however, that a member may, with the approval of the Chairman of the Committee on Rules and Administration, submit a description of the amendment for printing. In those cases the Secretary shall retain in the minutes of the Committee of the Whole the full text of the amendment.

44. The recommendations of the Committee of the Whole shall be reported to the Senate. If a recommendation contains a proposed amendment of a bill, that amendment shall be noted on a separate piece of paper but when reported need not be read by the President unless required by one or more of the members. The question is on the adoption or rejection of the report, and no other question shall be admitted. The question may be divided to permit separate Senate action on the report as to any bill. On adoption of the report of the Committee of the Whole all bills recommended to pass shall be placed upon the Calendar.

AMENDMENT ON THIRD READING

45. ~~Except as provided for in Rule 39 and to fill blanks,~~ No amendment is in order on third reading without the unanimous consent of the Senate *unless it fills a blank, amends the title as provided by Rule 39, is proposed to the chief author of the bill by the Revisor of Statutes to correct technical defects found by the Revisor while engrossing earlier amendments to the bill, or is proposed to a bill on the consent calendar before the bill is given its third reading.*

In filling blanks, the largest sum, the longest time and the greatest distance shall be first taken.

MOTION TO REFER

46. A bill or resolution may be referred to committee at any time prior to its passage, and if an amendment is reported on the referral to any other than a Committee of the Whole, it shall again be read the second time, considered in Committee of the Whole, read the third time and placed on final passage. If the referral is to the Committee of the Whole it shall be placed at the head of General Orders, except when the referral is under Rule 9.

FINAL PASSAGE

47. The final question upon a bill or other matter requiring action by both Houses after its first and second reading, and after the consideration in Committee of the Whole, is upon its final passage.

TRANSMITTING OF BILLS TO THE HOUSE

48. Except as provided in Rule 31, immediately after the passage of a bill or other matter in which the concurrence of the House of Representatives is requested, the Secretary shall transmit it to the House. On the concurrence of a bill or other matter of the House by the Senate, or on the concurrence or disagreement in a vote of the House, the Secretary shall notify the House.

COMPARISON AND SUBSTITUTION OF BILLS

49. Unless there is a motion or objection, a House bill, after its first reading, shall be referred as follows:

(a) If there is no Senate companion bill, the House bill shall be referred to the appropriate standing committee;

(b) If there is a Senate companion bill, the House bill shall be referred to the standing committee possessing the Senate companion;

(c) If the Senate companion bill has been reported to the Senate, the House bill shall be referred to the Committee on Rules and Administration, which shall report whether the House bill is identical to the Senate companion bill. If the bills are identical, the report shall recommend that the House bill be given its second reading and substituted for the Senate companion bill and the Senate companion bill be indefinitely postponed. If the House bill is not identical to the Senate companion bill, the report of the committee shall so state and recommend an amendment to the House bill that when adopted will render the House bill identical to the Senate bill. Upon adoption of a committee report containing the proposed amendment, the House bill as amended shall be given its second reading and substituted for the Senate companion bill and the Senate companion bill shall be indefinitely postponed.

Reports of the Committee on Rules and Administration pursuant to this rule shall be prepared and submitted on behalf of the committee by the Secretary.

A House bill placed on the Calendar by substitution shall not be given its third reading on the same day as the substitution.

ENGROSSING AND ENROLLING OF BILLS

50. All engrossing and enrolling of bills shall be done at the direction and

under authority of the Senate.

Every bill, memorial, order or resolution originating in the Senate shall be carefully engrossed before being transmitted to the House of Representatives for concurrence.

All bills shall be carefully enrolled under the supervision of the Committee on Rules and Administration, which may report to the Senate at any time on the enrollment of bills.

DISPOSITION OF BILLS ON ADJOURNMENT

51. Adjournment of the regular session in an odd-numbered year to a date certain in the following year shall be equivalent to daily adjournment, except that a bill on the Calendar, Consent Calendar, or General Orders shall be returned to the standing committee other than the Committee on Rules and Administration from which it was last reported to the Senate, unless otherwise provided for by motion prior to adjournment. Bills returned to committee pursuant to this rule shall, upon request of the author, be given priority for consideration by the committee ahead of all other bills in the order in which they appeared on the Calendar, Consent Calendar, or General Orders.

PETITIONS AND OTHER COMMUNICATIONS

52. In presenting a petition, memorial, remonstrance or other communication addressed to the Senate, a member shall only state the general purpose of it.

Every petition, memorial, remonstrance, resolution, bill and report of committee, shall have an appropriate title, and the name of the member presenting it written on it.

RESOLUTIONS

53. Memorial resolutions addressed to the President or the Congress of the United States, or a house or member of Congress, or a department or officer of the United States, or a state or foreign government, *joint resolutions*, and resolutions requiring the signature of the Governor shall follow the same procedure as bills before being adopted.

Upon a member giving notice of intention to debate a resolution not ~~requiring the signature of the Governor~~ *required to follow the same procedure as bills* and not offered by the Committee on Rules and Administration, the resolution shall lie over one calendar day without debate or other action. Upon the request of a member, the resolution shall be referred to the proper committee. Whenever a question arises concerning the proper reference the procedure provided by Rule 35 applies.

CONFIRMATIONS

54. Every gubernatorial appointment requiring the advice and consent of the Senate shall be referred by the President to the appropriate committee. If a question arises as to the proper committee, the appointment shall be referred without debate to the Committee on Rules and Administration for a

report making the proper reference.

The final question on the appointment is, "Will the Senate, having given its advice, now consent to this appointment?" The question shall not be put the same day the appointment is received or on the day it is reported by committee unless by unanimous consent.

SIGNING OF ACTS, RESOLUTIONS

55. In addition to his duties under Rule 3, the President shall sign all acts, memorials, addresses and resolutions. All writs, warrants and subpoenas issued by the Senate shall be signed by the President and attested by the Secretary. Upon a finding by the Committee on Rules and Administration that the President refuses or is unable to sign any of the documents described in this rule, the ~~President Pro Tem~~, Chairman of the Committee on Rules and Administration, or some other member selected by the committee shall assume the duties of the President under this rule until the President is able to sign the documents described or until the Senate elects a new President, whichever occurs first.

APPOINTMENT OF COMMITTEES

56. The majority and minority shall each be represented on all standing committees of the Senate. The majority group shall assign the number of positions the minority group will hold on each committee. The minority group shall be given adequate notice about its positions prior to the commencement of the session. Both the majority and minority groups shall appoint their own members to fill the number of positions each group will hold on each committee. The minority group shall transmit notice of its assignments to the majority group within ten calendar days after receipt of the notice of positions available. If the minority group for any reason fails to make its appointments pursuant to this rule, the majority group may make all the committee assignments.

The majority and minority committee assignments are subject to the uniform criteria governing committee assignments applicable to both the majority and minority. The uniform criteria shall be promulgated by the majority group and transmitted to the minority group together with notification of committee positions available to the minority.

Committee assignments as made by the majority and minority groups shall be followed by the Senate in the resolution establishing representation on all Senate standing committees.

After the organization of the Senate, all committees of the Senate and members of commissions to be appointed by the Senate authorized by rule, statute, resolution or otherwise, shall be appointed by the Subcommittee on Committees of the Committee on Rules and Administration, unless otherwise provided, subject to confirmation by the Senate. In the appointment of members of conference committees between the two houses, the Subcommittee on Committees of the Committee on Rules and Administration of the Senate shall appoint those who are in accord with the position of the Senate, and whenever practical, give preference to authors of bills in dispute and to members of standing committees in which the bills were considered.

Section 3.153.

COMMITTEE MEETINGS

58. All meetings of the Senate, its committees and subcommittees are open to the public.

To the extent practical, meetings of all committees shall be announced to the public at least three calendar days prior to convening. The notice shall state the name of the committee, the bill or bills to be considered, the place and time of meeting. The notice shall be posted on all Senate bulletin boards in the Capitol, and the State Office Building. A notice shall be sent to the House of Representatives for posting as it deems necessary.

Upon request of three members of the committee, the record of a roll call vote in a standing committee shall accompany the committee report and be printed in the Journal.

The Secretary shall cause to be recorded on magnetic tape the proceedings of the Senate, the Committee of the Whole, each standing committee and standing subcommittee. Each tape shall be clearly labeled to show the name of the body whose proceedings are recorded and the dates the proceedings occurred. "Sec. 8. [115B.08] [COMPARATIVE FAULT OF PLAINTIFF AND DEFENDANT; LIABILITY LIMITED; CONTRIBUTION.]

Subdivision 1. [COMPARATIVE FAULT.] In an action under section 5, the court may, and when requested by any party shall, direct the jury to find separate special verdicts determining the amount of damages that are recoverable in the action, and the percentage of fault attributable to each party. The court shall then reduce the amount of damages that are recoverable by the percentage of fault attributable to the plaintiff.

Subd. 2. [FAULT ATTRIBUTABLE TO PLAINTIFF.] For the purpose of subdivision 1, fault attributable to a plaintiff is limited to:

(a) Voluntary assumption of a known risk; or

(b) Knowingly and unreasonably subjecting himself to a risk which results from the special or unusual character of the hazardous substance.

A plaintiff does not assume a risk for purposes of clause (a) if, in order to avoid assuming the risk, the plaintiff would be required to forego the exercise of a valuable right or privilege.

Subd. 3. [FAULT ATTRIBUTABLE TO DEFENDANT.] For the purpose of subdivision 1, the following factors shall be considered in determining the percentage of fault attributable to a defendant:

(a) The extent to which the defendant's contribution to the release of a hazardous substance can be distinguished;

(b) The amount of hazardous substance involved;

(c) The degree of toxicity of the hazardous substance involved;

(d) The degree of involvement of and care exercised by the defendant in manufacturing, treating, transporting, and disposing of the hazardous substance;

(e) The degree of cooperation by the defendant with federal, state, or local officials to prevent any harm to the public health or the environment; and

(f) Knowledge of the defendant of the hazardous nature of the substance.

The burden is on a defendant to show the percentage of fault which is attributable to him or to other defendants.

Subd. 4. [LIMITATION OF LIABILITY.] If the percentage of fault attributable to a defendant is determined as provided in this section, the defendant shall be liable for that percentage of the damages recoverable in the action.

Subd. 5. [CONTRIBUTION.] Any defendant held liable for damages which exceed that proportion of the damages recoverable in the action which is attributable to the fault of the defendant is entitled to seek contribution from any other defendant to the extent of that other defendant's proportionate share of the damages."

“Section 1. Minnesota Statutes 1982, section 144.651, is amended to read:

144.651 [PATIENTS AND RESIDENTS OF HEALTH CARE FACILITIES; BILL OF RIGHTS.]

Subdivision 1. [LEGISLATIVE INTENT.] It is the intent of the legislature and the purpose of this section to promote the interests and well being of the patients and residents of health care facilities. No health care facility may require a patient or resident to waive these rights as a condition of admission to the facility. Any guardian or conservator of a patient or resident or, in the absence of a guardian or conservator, an interested person, may seek enforcement of these rights on behalf of a patient or resident. It is the intent of this section that every patient's civil and religious liberties, including the right to independent personal decisions and knowledge of available choices, shall not be infringed and that the facility shall encourage and assist in the fullest possible exercise of these rights.

Subd. 2. [DEFINITIONS.] For the purposes of this section, “patient” means a person who is admitted to an acute care inpatient facility for a continuous period longer than 24 hours, for the purpose of diagnosis or treatment bearing on the physical or mental health of that person. “Resident” means a person who is admitted to a non-acute care facility including extended care facilities, nursing homes, and board and care homes for care required because of prolonged mental or physical illness or disability, recovery from injury or disease, or advancing age.

(2) Every patient and resident can reasonably expect to obtain from his physician or the resident physician of the facility complete and current information concerning his diagnosis, treatment and prognosis in terms and language the patient can reasonably be expected to understand. (3) Every patient and resident shall have the right to know by name and specialty, if any, the physician responsible for coordination of his care;

(4) Every patient and resident shall have the right to every consideration of his privacy and individuality as it relates to his social, religious, and psychological well being;

(10) Every patient and resident shall be afforded the opportunity to participate in the planning of his medical treatment and to refuse to participate in experimental research;

(11) No resident shall be arbitrarily transferred or discharged but may be transferred or discharged only for medical reasons, for his or other residents' welfare, or for nonpayment for stay unless prohibited by the welfare programs paying for the care of the resident, as documented in the medical record. Reasonable advance notice of any transfer or discharge must be given to a resident;

(12) Every resident may manage his personal financial affairs, or shall be given at least a quarterly accounting of financial transactions on his behalf if he delegates this responsibility in accordance with the laws of Minnesota to the facility for any period of time;

(13) Every resident shall be encouraged and assisted, throughout his period

of stay in a facility; to understand and exercise his rights as a patient and as a citizen; and to this end; he may voice grievances and recommend changes in policies and services to facility staff and outside representatives of his choice; free from restraint; interference; coercion; discrimination or reprisal;

This information shall include the probable medical or psychological consequences of the treatment and its alternatives. In cases where it is medically inadvisable, as documented by the attending physician in a patient's or resident's care record, the information shall be given to the patient's or resident's guardian or other person designated by the patient or resident as his or her representative. Individuals have the right to refuse this information.

This right does not apply to complaint investigations and inspections by the department of health, where required by third party payment contracts, or where otherwise provided by law.

Subd. 17. [DISCLOSURE OF SERVICES AVAILABLE.] Patients and residents shall be fully informed, prior to or at the time of admission and during their stay, of services which are included in the facility's basic per diem rate and other available services for which there are additional charges. Facilities shall make every effort to assist patients and residents in obtaining information regarding whether the medicare or medical assistance program will pay for any or all of the aforementioned services. A resident may purchase or rent goods or services not included in the per diem rate from a supplier of his or her choice unless otherwise provided by law. The

supplier shall ensure that these purchases are sufficient to meet the medical or treatment needs of the resident.

Subd. 21. [GRIEVANCES.] Patients and residents shall be encouraged and assisted, throughout their stay in a facility, to understand and exercise their rights as patients, residents, and citizens. Patients and residents may voice grievances and recommend changes in policies and services to facility staff and others of their choice, free from restraint, interference, coercion, discrimination, or reprisal, including threat of discharge. Notice of the facility's grievance procedure, as well as addresses and telephone numbers for the office of health facility complaints and the area nursing home ombudsman pursuant to the Older Americans Act, section 307(a)(12), shall be posted in a conspicuous place.

Subd. 22. [COMMUNICATION PRIVACY.] Patients and residents may associate and communicate privately with persons of their choice and enter and leave the facility as they choose. Patients and residents shall have access, at their expense, to writing instruments, stationery, and postage. Personal mail shall be sent without interference and received unopened unless medically or programmatically contraindicated and documented by the physician in the medical record. There shall be access to a telephone where patients and residents can make and receive calls as well as speak privately. Facilities which are unable to provide a private area shall make reasonable arrangements to accommodate the privacy of patients' and residents' calls.

Subd. 23. [RIGHT TO ASSOCIATE.] Residents may meet with visitors and participate in activities of commercial, religious, political, as defined in section 203B.11, and community groups without interference at their discretion if the activities do not infringe on the right to privacy of other residents or are not programmatically contraindicated. Resident and family councils shall be encouraged to make recommendations regarding facility policies.

Subd. 25. [PERSONAL PROPERTY.] Patients and residents may retain and use their personal clothing and possessions as space permits, unless to do so would infringe upon rights of other patients or residents, and unless medically or programmatically contraindicated and documented by their physicians in the medical record. The facility must either maintain a central locked depository or provide individual locked storage areas in which residents may store their valuables for safekeeping. The facility may, but is not required to, provide compensation for or replacement of lost or stolen items.

Subd. 28. [TRANSFERS AND DISCHARGES.] Residents shall not be arbitrarily transferred or discharged. Residents must be notified, in writing, of the proposed discharge or transfer and its justification no later than 30 days before discharge from the facility and seven days before transfer to another room within the facility. This notice shall include the resident's right to contest the proposed action, with the address and telephone number of the area nursing home ombudsman pursuant to the Older Americans Act, section 307(a)(12). The resident, informed of this right, may choose to relocate before the notice period ends. The notice period may be shortened in situations outside the facility's control, such as a determination by utilization review, the accommodation of newly-admitted residents, a change in the resident's medical or treatment program, the resident's own or another resident's welfare, or non-payment for stay unless prohibited by the public program or programs paying for the resident's care, as documented in the medical record. Facilities shall make a reasonable effort to accommodate new residents without disrupting room assignments.

Sec. 3. Minnesota Statutes 1982, section 260.011, subdivision 2, is amended to read:

Subd. 2. [PURPOSE; CONSTRUCTION.] (a) The purpose of the laws

relating to juvenile courts is to secure for each child alleged or adjudicated neglected or dependent and under the jurisdiction of the court, the care and guidance, preferably in his own home, as will serve the spiritual, emotional, mental, and physical welfare of the child and the best interests of the state; to preserve and strengthen the child's family ties whenever possible, removing him from the custody of his parents only when his welfare or safety cannot be adequately safeguarded without removal; and, when the child is removed from his own family, to secure for him custody, care and discipline as nearly as possible equivalent to that which should have been given by his parents court and alleged or adjudicated dependent or neglected children is to carry out the public policy of protecting children whose health or welfare may be jeopardized by physical abuse, neglect, or sexual abuse and to secure for each of these children care and guidance which will serve the spiritual, emotional, mental, and physical welfare of the child and further the best interests of the state in protecting its child citizens.

Further, it is the policy of this state to preserve and strengthen the family by improving parental and guardian capacity for responsible child care so that a child under the jurisdiction of the juvenile court may safely reside in his or her own home. It is preferable that a child's needs be met in his or her own home. However, if the child's welfare or safety cannot be adequately safeguarded without removal, the child should be removed from the custody of his or her parents, guardian, or custodian and placed in a safe temporary or permanent home environment.

When the child is removed from his or her own family, it is the policy of the state to secure for him or her custody, care and discipline, as nearly as possible equivalent to that which should have been given by his or her parents.

(b) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(c) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 4. Minnesota Statutes 1982, section 260.242, is amended by adding a subdivision to read:

Subd. 1a. [BOTH PARENTS DECEASED.] If upon petition to the juvenile court by any reputable person, including but not limited to any agent of the commissioner of public welfare, and upon hearing in the manner provided in section 260.155, the court finds that both parents are deceased and no appointment has been made or petition for appointment filed pursuant to sections 525.6155 to 525.6165, the court shall order the guardianship and legal custody of the child transferred to:

(a) the commissioner of public welfare;

(b) a licensed child placing agency; or

(c) an individual who is willing and capable of assuming the appropriate

duties and responsibilities to the child.

Sec. 5. Minnesota Statutes 1982, section 260.242, subdivision 2, is amended to read:

Subd. 2. [GUARDIAN'S POWERS.] (a) A guardian appointed under the provisions of ~~subdivision 1~~ *this section* has legal custody of his ward unless the court which appoints him gives legal custody to some other person. If the court awards custody to a person other than the guardian, the guardian nonetheless has the right and responsibility of reasonable visitation, except as limited by court order.

(b) The guardian may make major decisions affecting the person of his ward, including but not limited to giving consent (when consent is legally required) to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment, or adoption of the ward. When, pursuant to ~~subdivision 1, clause (a)~~ *this section*, the commissioner of public welfare is appointed guardian, he may delegate to the welfare board of the county in which, after the appointment, the ward resides, the authority to act for him in decisions affecting the person of his ward, including but not limited to giving consent to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment of the ward.

(c) A guardianship created under the provisions of ~~subdivision 1~~ *this section* shall not of itself include the guardianship of the estate of the ward.

Sec. 6. Minnesota Statutes 1982, section 364.09, is amended to read:

364.09 [LAW ENFORCEMENT; EXCEPTION.]

This chapter shall not apply to the practice of law enforcement; ~~but or to eligibility for a family day care license or a family foster care license.~~ Nothing in this section shall be construed to preclude the Minnesota police and peace officers training board from recommending policies set forth in this chapter to the attorney general for adoption in his discretion *to apply to law enforcement.*

Subd. 16. [PERSON.] "Person" means an individual, firm, partnership, association, corporation, or organized group of persons whether incorporated or not.

Subd. 17. [QUEEN APIARY.] "Queen apiary" means any apiary or premises in which queen bees are reared or kept for sale or gift.

Subd. 18. [AUTHORIZED AGENT.] "Authorized agent" means an individual who is not a state employee and who performs inspections under sections 1 to 16 under contract with the commissioner.

Sec. 2. [19.51] [COMMISSIONER'S DUTIES.]

Subdivision 1. [ENFORCEMENT; RULES.] The commissioner shall enforce sections 1 to 16. The commissioner may make all necessary examinations and inspections, and adopt temporary or permanent rules necessary to

enforce sections 1 to 16 promptly and effectively. The commissioner may employ classified civil service employees necessary to administer sections 1 to 16, and may contract with individuals to serve as authorized agents.

Subd. 2. [PREVENTION OF DISEASE, EXOTIC PARASITES, EXOTIC STRAINS.] The commissioner shall take measures necessary to prevent the introduction, spread, or dissemination of infectious diseases, exotic parasites, or exotic strains of honey bees and to bring actions and proceedings to enforce sections 1 to 16.

Subd. 3. [APIARY SUPERVISOR.] An apiary supervisor shall be appointed by the commissioner. He must be a graduate of a recognized university with a major or its equivalent in entomology or apiculture, or have a demonstrated interest in and knowledge of apiculture or entomology covering a minimum of five years' experience in apicultural interests and bee diseases.

Sec. 3. [19.52] [INSPECTIONS; ACCESS TO PROPERTY; IMPEDING COMMISSIONER.]

Subdivision 1. [ACCESS FOR INSPECTION AND ENFORCEMENT.] The commissioner may enter upon any public or private premises at all reasonable times to inspect any apiary or other structure which contains bees, honey, bee equipment, or comb; to ascertain the existence of or treat any contagious or infectious bee disease; or to destroy diseased bees or bee equipment which are a public nuisance. The commissioner may open any hive, colony, package, or receptacle which contains, or which he has reason to believe contains, any bees, comb, bee products, used bee equipment, or anything else which is capable of transmitting infectious bee diseases or exotic parasites. The commissioner may stop pedestrians and motor vehicles when they are carrying any bees, comb, used bee equipment, or anything else which is capable of transmitting infectious diseases or parasites of bees. The commissioner may inspect at any time or place any bees, bee products, or used bee equipment shipped in or into the state.

Subd. 2. [IMPEDING COMMISSIONER UNLAWFUL.] It is unlawful to deny to the commissioner access to any premises which the commissioner is authorized to enter for purposes of inspection or to resist, thwart, or hinder the commissioner in carrying out any authorized inspection, by misrepresentation, concealment or facts or conditions, or otherwise.

Sec. 4. [19.53] [SANITARY INSPECTION OF APIARY OR STORAGE PLACE.]

The commissioner may inspect the sanitary conditions of any apiary or honey house or building or portion of building or container in which honey is stored, graded, or processed. If the commissioner finds any unsanitary conditions, he shall notify the owner or operator in writing to put the honey house, building, or portion of building or container in a sanitary condition within a reasonable length of time. Any operator or owner of a honey house, building, or container who fails to obey the notice is guilty of a misdemeanor.

Sec. 5. [19.54] [POSTING OF IDENTIFYING INFORMATION.]

An apiary which is not located at the owner's or operator's place of residence must have posted on it in a conspicuous place the name and address of

the owner or the person responsible for the apiary.

Sec. 6. [19.55] [INSPECTION; NOTIFICATION OF DISEASES.]

If, upon inspection of a bee colony, the commissioner finds any bee disease or exotic parasite, the commissioner shall notify the owner or operator of the bees in writing, stating the nature of the disease or parasite. The disease or parasite must be eliminated by the owner or operator within the time period ordered by the commissioner. The written notice may be served by handing a copy to the owner or operator of the apiary, by leaving a copy with an adult person residing upon the premises, or by either registered or certified mail addressed to the owner or operator of the apiary at his last known address.

Sec. 7. [19.56] [PUBLIC NUISANCES; DESTRUCTION OF BEES.]

Apiaries in which an existing disease or parasite cannot be successfully treated; apiaries which are affected by a disease amenable to treatment, but which have not been treated within a period of seven days after the owner received notice of the necessary treatment, as provided in section 6; apiaries having bees in hives without movable frames; and colonies of bees, queen nuclei, or shipments of used bee equipment which entered this state in violation of section 9 or which were found to be infected or infested with a bee disease, exotic parasite, or exotic strain of bee are a public nuisance. The commissioner, after written notice to the owner or operator of the bees and equipment, may destroy, by burning or otherwise, without any remuneration to the owner, any box hives or infected or infested bees, hives, or used bee equipment which are a public nuisance under this section. The notice may be served by handing a copy to the owner or operator, by leaving a copy with an adult person residing upon the premises, or by registered or certified mail addressed to the owner or operator of the apiary at his last known address.

Sec. 8. [19.57] [QUARANTINE.]

It is unlawful for a person to knowingly keep in his possession, without proper treatment, a colony of bees infected or infested with any bee disease, exotic parasite, or exotic strain of honey bees, or to expose any diseased or infested colony or bee equipment so that flying bees have access to them. A person who knows that bees owned or controlled by him are affected with any infectious disease, exotic parasite, or exotic strain of honey bees, shall at once report that fact to the department, stating all facts known to him about the infection or infestation. Where it has been determined that disease, an exotic parasite, or an exotic strain of honey bees has been found in an apiary, the commissioner may quarantine the apiary to restrict or prevent movement of bee colonies. The commissioner shall post any quarantined apiary with a notice of quarantine and shall send a written notice to the owner or operator of the apiary. If any state is willing to accept bees or used bee equipment from a quarantined yard of bees in Minnesota, the commissioner may, after all known disease has been eliminated, issue a permit allowing the bees and used bee equipment to be moved out of the state.

Sec. 9. [19.58] [INTERSTATE MOVEMENT OF BEES AND USED BEE EQUIPMENT.]

Subdivision 1. [ENTRY PERMIT.] No person may bring into this state any bees on comb or used bee equipment without an entry permit issued by the commissioner. A person who wishes to bring any bees on comb or used bee

equipment into the state shall apply for an entry permit at least 60 days before the date of entry. The 60-day requirement may be waived for a hobbyist beekeeper who intends to become a resident of Minnesota and who brings ten colonies or less into the state.

Ten days before entry, any person required to obtain an entry permit shall furnish to the commissioner a copy of a valid certificate of inspection signed by a responsible official of the state where the bees or equipment originated. The certificate must be based on an inspection within 60 days before entry, and must show that a percentage of the shipment acceptable to the commissioner was actually inspected.

This subdivision does not apply to a common carrier transporting bees or used bee equipment from a point of origin outside of the state to a destination outside of the state.

Subd. 2. [CERTIFICATE OF INSPECTION FROM STATE OF ORIGIN.] No person may bring any combless bees, including queen bees or nuclei, into this state without a statement showing the names and addresses of the consignors or shippers, the consignees or persons to whom shipped, and the locality of origin, and a certificate of inspection signed by a responsible official of the state from which it was brought. The statement must appear clearly and legibly in a conspicuous place on the package containing the material, or on a tag or other device attached to the package or the vehicle carrying the package. The certificate of inspection must show that the official found that the materials were free from any infectious bee diseases, exotic parasites, or exotic strains of honey bees.

Subd. 3. [APPLICATION FOR ENTRY PERMIT.] A person applying for an entry permit shall supply:

(a) a statement of facts relating to the disease history of the apiary from which the colonies of bees will originate as required by the commissioner;

(b) a list of locations where the colonies of bees can be inspected after they are brought into the state by county, range, township, section, and quarter section; and

(c) a statement of any convictions of the applicant for violation of any apiary law of any state or of the United States.

Subd. 4. [EFFECT OF INSPECTION CERTIFICATES.] A certificate of inspection from another state is prima facie evidence of the facts stated in the certificate. The commissioner may inspect any bees or used bee equipment brought into the state with a certificate of inspection from the state of origin and may subject the materials to treatment or return them to the consignor at the consignor's expense if the commissioner finds an infectious bee disease, exotic parasite, or exotic strain of bee. If the commissioner repeatedly finds foulbrood in colonies of bees shipped from another state under official certificates of inspection, the commissioner may refuse to recognize the certificate of that state until the commissioner receives satisfactory information that the inspection service in that state has corrected the situation.

Subd. 5. [DENIAL OF PERMIT.] The commissioner may deny a permit for just cause after five days' notice and an opportunity for the person to be heard.

Subd. 6. [PLACEMENT OF COLONIES.] Bee colonies for which an entry permit has been issued must be placed at the locations listed in the permit. Notice of the placement must be forwarded by the beekeeper to the commissioner within three days after the placement. Each placement of a colony of bees in an unlisted location is a separate violation of law.

Subd. 7. [DUTY TO REPORT.] Any person who transports or receives bees or used bee equipment knowing that the material is without a certificate of inspection or entry permit as required by this section shall report that fact promptly to the commissioner. A transporter shall report the names of the consignor and consignee and the nature of the shipment. A person receiving bees or used bee equipment shall keep them until they are released by the commissioner.

Subd. 8. [PENALTIES.] Any person who brings any bees or used bee equipment into the state without a certificate of inspection or entry permit as required by this section is guilty of a misdemeanor. Each shipment of bees or used bee equipment brought into this state in violation of this section is a separate offense. Each day during which a shipment of bees or used bee equipment remains in this state in violation of this section is a separate offense.

Subd. 9. [NUISANCE; REMOVAL.] Bees and used bee equipment brought into the state in violation of this section may be declared a nuisance by the commissioner, and must be removed from the state within seven days after notification by the commissioner. If the bees and used bee equipment are not removed from the state, the commissioner may proceed as provided in section 7.

Sec. 10. [19.59] [ABANDONED APIARIES.]

An abandoned apiary is subject to quarantine. If an abandoned apiary remains abandoned for 20 days after the owner or operator has been notified by the commissioner to cease the abandonment and neglect of the apiary, the commissioner shall take possession of the apiary and proceed to sell it at public auction. A notice specifying the time and place of the auction must be served upon the owner in the manner provided for the service of process. No abandoned apiary may be sold at a public sale to the owner or operator who abandoned and neglected it. A purchaser at the public sale shall receive a certificate of purchase signed by the commissioner reciting the description of the apiary purchased and the amount paid.

After deducting the expense of the public sale and applying the unpaid balance upon all encumbrances or liens existing against the abandoned apiary sold, the balance of the proceeds shall be paid to the owner of the apiary which was sold.

Sec. 11. [19.60] [RECIPROCAL AGREEMENTS.]

A person bringing a colony of bees from another state shall pay all fees required by sections 1 to 16 unless that state has been a party to a reciprocal agreement with Minnesota as provided in this section for at least 90 days prior to the date of application for an entry permit to bring the bees into Minnesota.

The commissioner may enter into written reciprocal agreements with the

responsible officials of other states having laws governing apiculture. The agreements shall provide that persons transporting bee colonies from this state have exemptions, benefits, and privileges similar to those extended to persons from the other state transporting bee colonies into Minnesota. The commissioner may withdraw from a reciprocal agreement on 30 days' notice when it is in the best interests of Minnesota.

Reciprocal agreements under this section are effective when filed in the office of the commissioner. Withdrawals must be in writing and are effective at the end of the 30-day period.

Reciprocal agreements under this section may contain provisions denying exemptions, benefits, or privileges to persons who violate specified conditions.

Sec. 12. [19.61] [REARING QUEEN BEES.]

Subdivision 1. [CANDY FOR MAILING CAGES.] It is unlawful for any person who sells queen bees in this state in mailing cages to place any candy containing honey in any mailing cage.

Subd. 2. [INSPECTION OF APIARIES.] All queen rearing and queen mating apiaries shall be inspected at least once during each summer season by the commissioner. If upon an inspection, bee diseases are found to exist in an apiary, no queen bees may be shipped from the apiary until the commissioner declares the apiary free from bee diseases.

Sec. 13. [19.62] [BEE MOVEMENT AND SALES.] It is unlawful for any person to knowingly sell or offer for sale or to remove or ship from any apiary or other premises bees, hives, or bee equipment infested with American or European foulbrood. Exceptions may be granted by the commissioner by special inspection and authorization.

Sec. 14. [19.63] [REVOCAION OF INSPECTION CERTIFICATE.]

An inspection certificate issued by the commissioner may be revoked for just cause.

Sec. 15. [19.64] [REGISTRATION; FEES.]

Subdivision 1. [REGISTRATION.] Every person who owns, leases, or possesses colonies of bees shall register the bees with the commissioner on or before July 1 of each year. The registration application shall include the name and address of the applicant, a description of the exact location and number of each of the applicant's bee colonies by county, township, range and quarter section, and other information required by the commissioner. The fee for registration under this subdivision is \$7.50.

Subd. 2. [INSPECTION FEE.] In addition to the annual registration fee, a person owning, leasing, or possessing 11 or more bee colonies shall pay an annual inspection fee of 17 cents for each colony of bees owned, leased, or possessed. A person owning, leasing, or possessing one to ten colonies is not required to pay an inspection fee. The inspection fee is based upon the colony count taken as of June 15 of each year, and is payable on or before June 30 each year. A penalty of 50 percent of both the inspection fee and the registration fee imposed by subdivision 1 is imposed if a registrant does not apply for a registration renewal certificate before August 1 of any year.

Subd. 3. [INITIAL ENTRY INSPECTION FEE.] Upon initial entry into this state, beekeepers from other states desiring to locate apiaries in Minnesota shall pay in advance the required registration fee and an initial inspection fee of \$1.50 per colony of bees to be located in this state.

Subd. 4. [INSPECTION FEE FOR INTERSTATE SHIPMENT OF BEE COLONIES.] An interstate inspection fee of 40 cents for each colony inspected shall be paid by the owner, lessor, or possessor requesting inspection service.

Subd. 5. [DEPOSIT IN GENERAL FUND.] The commissioner shall deposit all fees collected under this section in the general fund.

Sec. 16. [19.65] [VIOLATION; PENALTY.]

A person who violates any provision of sections 1 to 16 is guilty of a misdemeanor. A person whose agents or representatives violate any provision of sections 1 to 16 is also guilty of a misdemeanor.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. [260.58] [REPORTING OF CHEMICAL ABUSE BY MINORS.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.

(a) “Chemical abuse” or “abuse of chemicals” means use of any psychoactive or mood altering chemical substance, without compelling medical reason, in a manner that induces mental, emotional, or physical impairment and causes socially dysfunctional or socially disordering behavior, to the extent that the minor’s normal functioning in academic, school, or social activities is impaired.

(b) “Informed consent” means consent after the effect and possible consequences of giving consent have been explained in a manner understandable to the person giving consent.

(c) “Minor” means an individual under the age of 18.

(d) “Chemical dependency counselor” means a person with professional training to diagnose or evaluate and counsel minors who are abusing chemicals and who meets the requirements specified by rule for counselors in licensed outpatient programs. For the purposes of this section, except as provided in subdivision 11, a chemical dependency counselor must meet the foregoing definition and also be employed by or under contract with a school, school district, community mental health center, or local unit of government.

Subd. 2. [PERSONS REQUIRED TO REPORT.] A professional who engages in the practice of the healing arts, social services, psychological or psychiatric treatment, child care, or education, who has knowledge or reasonable cause to believe that a minor is abusing chemicals, shall immediately report the information to a chemical dependency counselor. Any professional or delegate of a professional governed by this section who has knowledge that a minor is abusing chemicals shall immediately report the information to a chemical dependency counselor. Each school, school district, institution, facility, or agency that employs a professional or professionals required to report under this section shall designate a chemical dependency counselor to which the professional shall report. Nothing in this subdivision shall be construed to require any report based on a minor’s presence in an institution described in the Code of Federal Regulations, title 42, section 2.12 (a), or more than one report from any school, institution, facility, or agency.

Any person not required to report under this subdivision may voluntarily report to a chemical dependency counselor if the person has knowledge that a minor is abusing chemicals.

Subd. 3. [IMMUNITY FROM LIABILITY.] Any person, including persons voluntarily reporting and persons required to report under subdivision 2, who in good faith and exercising due care makes a report pursuant to this section, is immune from liability, civil or criminal, that otherwise might result by reason of the person’s action, and any individual who so reports shall not be held responsible financially for evaluation or treatment of the minor.

unless the individual is the minor's parent or legal guardian.

Subd. 4. [FALSE REPORTS.] Any person who willfully or recklessly makes a false report under this section is liable in a civil action for any actual damages suffered by the minor or minors so reported and for any punitive damages set by the court or jury.

Subd. 5. [REPORT.] A person required to report or voluntarily reporting under subdivision 2 to a chemical dependency counselor shall report orally by telephone or otherwise. As soon as possible after reporting orally, a person required to report shall submit a written report to the chemical dependency counselor. Any report shall be of sufficient content to identify the minor, the indicators of the minor's chemical abuse and the chemical or chemicals abused, if known, and the name of the reporter, and the address and telephone number at the reporter's place of employment. The oral and written reports shall be confidential, except as provided in subdivisions 8 and 9.

Subd. 6. [EVIDENCE NOT PRIVILEGED; DISCLOSURE.] Evidence regarding the minor's chemical abuse shall not be excluded in any proceeding arising out of alleged neglect, abuse, or dependency on the grounds of physician-patient or husband-wife privilege. Disclosure of evidence shall comply with the data practices act, chapter 13 and applicable federal law and regulations, including Code of Federal Regulations, title 42, section 2.1, et seq.

Subd. 7. [DUTIES OF CHEMICAL DEPENDENCY COUNSELOR UPON RECEIPT OF REPORT.] The chemical dependency counselor shall investigate the report as soon as possible and, if indicated and consented to by the minor, diagnose or evaluate the minor. If the counselor recommends treatment, the chemical dependency counselor shall ensure that the minor receives information regarding available treatment alternatives that include educational instruction appropriate to the minor's educational level, unless the minor has completed secondary school. The chemical dependency counselor shall involve the minor's parents or other responsible family members as soon as practical in the course of evaluation or treatment. The responsibility of a school district for providing educational instruction and transportation, if needed, for the minor shall be determined in accordance with section 120.181.

Subd. 8. [MAINTENANCE, PRIVACY, AND DESTRUCTION OF RECORDS.] Each chemical dependency counselor who receives, maintains, or destroys records collected in accordance with this section shall comply with the Code of Federal Regulations, title 42, sections 2.1, et seq. and with chapter 13. An individual subject of a record shall have access to the record in accordance with that chapter and federal regulations, except that the name of the reporter shall be confidential while the report is under investigation. After the investigation is completed, the name of the reporter shall be confidential but shall be accessible to the minor upon court order. If upon investigation a report is found to be unsubstantiated, the chemical dependency counselor shall notify the minor of the counselor's intent to destroy the records. At the minor's request, the records shall be maintained for two years as private data. If the minor does not so request within 30 days of the notice of intent to destroy, the chemical dependency counselor shall destroy

the records.

(a) with the minor's prior written informed consent, except that disclosure is limited to information necessary in light of the need or purpose for the disclosure and, where applicable, shall comply with Code of Federal Regulations, title 42, sections 2.1, et seq.; or

(b) as needed to medical personnel in a medical emergency; to qualified personnel for research, audits, or program evaluation, but those personnel shall not disclose the minor's identity; or as authorized by court order upon a showing of good cause.

Subd. 10. [CONSEQUENCES OF FAILURE TO COMPLY.] A minor who refuses to undergo a diagnosis or evaluation by either a chemical dependency counselor as defined in subdivision 1, paragraph (d) or another chemical dependency counselor, whether or not employed or under contract as specified in section 1, subdivision 1, paragraph (d), whom the minor or the minor's parent selects, might be subject to action under chapter 127 for suspension or dismissal, chapter 253 for civil commitment, or chapter 260 for neglect or dependency, if action is taken in accordance with and under the conditions of those chapters.

If a parent refuses to allow his minor child to undergo a diagnosis or evaluation by any chemical dependency counselor, whether or not employed or under contract as specified in section 1, subdivision 1, paragraph (d), or to participate in any appropriate treatment program, after the petitioner under section 260.131 or the county attorney consults with at least two chemical dependency counselors who both recommend diagnosis, evaluation, or treatment, the minor may be alleged to be neglected or dependent in accordance with sections 260.011 to 260.301.

Sec. 2. [260.585] [RULES.]

The commissioner of public welfare may promulgate rules to implement the provisions of section 1 governing receipt, investigation, and maintenance of reports and records.

Sec. 3. [260.587] [NOTICE.]

Mr. Purfeerst from the Committee on Transportation, to which was referred

S.F. No. 379: A bill for an act relating to metropolitan government; giving the metropolitan transit commission power to regulate the operation of taxicabs within the seven county metropolitan area; amending Minnesota Statutes 1982, section 473.405, subdivision 1; proposing new law coded in Minnesota Statutes, chapter 473.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. [221.85] [TAXICAB OPERATOR.]

Subdivision 1. [DEFINITION.] For the purposes of this section, the following terms have the meanings given them.

(a) "Taxicab operator" means a person licensed by the board to engage in transporting persons, property, or freight for hire and whose principal place of business is within the metropolitan area. "Taxicab operator" does not mean:

(1) a permit carrier as defined in section 221.011;

(2) a cartage service performed or to be performed by, for, or on behalf of a common carrier by rail or truck or any motor carrier subsidiary or affiliate of the common carrier by rail or truck.

(b) "Taxicab" means a passenger automobile carrying persons, property, or freight for hire upon the public highways in the metropolitan area.

(c) "Metropolitan area" means the counties of Hennepin, Ramsey, Anoka, Washington, Dakota, Carver, and Scott.

Subd. 2. [RULES FOR SAFETY AND SERVICE.] The commissioner

shall prescribe rules for the operation of all taxicab operators, including their facilities, accounts, service, safety of operation and equipment, vehicle marking and identification, qualifications of drivers, maximum hours of service of drivers, and vehicle safety standards including installation of safety devices, interior and exterior condition of vehicle, and vehicle inspections. The commissioner shall inspect or contract for the inspection of each vehicle proposed to be operated under the taxicab permit prior to the issuance of the permit and annually thereafter. The commissioner shall require the filing of annual financial and other reports and shall regulate the taxicab operators in all matters affecting the relationship between the taxicab operators and the traveling or shipping public, and prescribe other rules as necessary to carry out this section. Rules shall be prescribed in accordance with chapter 14 and shall have the force and effect of law. The commissioner shall investigate the operation of all taxicab operators, their compliance with rules of the board and the commissioner and the provisions of this section, and may institute and prosecute actions and proceedings in the district court for enforcement. The commissioner shall establish a procedure for receiving and resolving complaints. The board shall make rules relating to rates and tariffs, and the granting of permits.

Subd. 3. [RATE MAKING POWERS.] The board shall fix and establish just, reasonable, and nondiscriminatory rates, fares, charges, and the rules and classifications incident to tariffs for all taxicab operators. In prescribing the rates, fares, charges, classifications, and rules for carrying freight, persons, or property, the board shall take into consideration the effect of the proposed rates or fares upon the users of the service and upon competitive carriers by motor vehicle and rail. In making its determination, the board shall consider, among other things, the cost of the service rendered by the taxicab operator, including an adequate sum for maintenance and depreciation, and an adequate operating ratio under economical and efficient management. The board shall establish a maximum rate for all taxicab operators, but may not prescribe a minimum rate. No rate or fare shall be put into effect or changed except after public hearing by the board, or except as otherwise provided in this section. The board may authorize changes ex parte which, in its opinion, are not of sufficient import to require a hearing. In an emergency, the board may order a change in existing rates or fares without a hearing. In instances of ex parte or emergency orders, the board shall, within five days, serve a copy of its order granting the change in rates upon all parties whom the board has reason to believe are interested in the matter. Any party shall have 30 days from the date of the issuance of the order to object to the order. If objection is made, the matter shall be set for hearing with notice to all taxicab operators within the metropolitan area and other interested persons.

Subd. 4. [PERMITS REQUIRED.] Despite section 221.011, subdivision 22, clause (g), no person shall operate a taxicab within the metropolitan area without a permit with respect to the operation. A permit may not be transferred from one operator to another. The board may revoke or suspend the permit of any taxicab operator after notice and hearing for violating a provision of this section or a rule of the commissioner or board governing taxicab operators.

Subd. 5. [PETITION FOR PERMITS.] A person desiring to operate as a

taxicab operator shall file an application with the board specifying the service offered, the name and address of the applicant, and the names and addresses of the officers, if a corporation, and other information the board may require. The applicant shall pay a nonrefundable application fee of \$150 for each vehicle which is proposed to be operated under the permit. The board shall issue the permit upon compliance with all laws and rules relating to the permit unless the applicant's vehicles do not meet the vehicle and equipment rules adopted by the commissioner. The board shall issue a permit to any qualified applicant without regard to the number of existing permits. A permit once granted shall continue in effect until abandoned or unless suspended or revoked, subject to compliance by the permit holder with all applicable provisions of law and rules of the commissioner and board governing taxicab operators.

Subd. 6. [PERMIT FEES.] Upon receiving a permit and upon annual renewal, the petitioner shall pay a registration fee of \$150 for each vehicle to be operated under the permit. Upon issuance of the permit the commissioner shall assign the carrier a permit number, which shall be painted or prominently displayed on both sides of all vehicles used by the taxicab operator under authority of the permit. Permits shall be renewed annually. The commissioner shall furnish annually a distinguishing identification card for each vehicle to be operated under the permit and for which the fee has been paid. The identification card must be carried at all times in the vehicle to which it has been assigned. Identification cards issued under this section are valid only for the period for which the permit is effective. Identification cards must be displayed to any police officer upon request.

Subd. 7. [INSURANCE OF TAXICAB OPERATORS.] Before a permit is issued to a taxicab operator, the operator shall secure and file with the commissioner a certificate of insurance in a form required by the commissioner, evidencing public liability and indemnity insurance in the amount and form the commissioner prescribes, covering injuries and damage to persons, property, or freight arising from the operation of the taxicab. Any insurance issued to satisfy the requirements of this subdivision shall be subject to cancellation for nonpayment of premiums or withdrawals from service of a vehicle covered thereby upon not less than 30 days' written notice to the insured and to the commissioner. Such insurance may from time to time be reduced or increased by order of the commissioner. The failure to maintain and cause to be filed a certificate for any required insurance or security shall, two days after dispatch by the commissioner by certified mail of notice of such suspension, addressed to the last known address of the permit holder, suspend the permit without further administrative proceedings until such time as the requirements of this subdivision have been satisfied.

Sec. 2. [LOCAL REGULATION.]

Subdivision 1. Section 1 supersedes section 412.221, subdivision 20, and any other inconsistent provisions of law, charter, ordinance, rule, and regulation within the metropolitan area relating to regulation of taxicab operators. After June 30, 1984, no local cartage carrier permit shall be issued for the transportation, by taxicab, of property or freight for hire in the metropolitan area. Taxicab operators who hold a courier service permit issued under section 221.121 or a local cartage carrier permit issued under section 221.296 must obtain a permit under section 1 in order to transport property

or freight, for hire by taxicab, in the metropolitan area after June 30, 1984. Section 1 does not give the board or commissioner authority to regulate traffic matters or streets or highways, including taxicab stands.

Subd. 2. A political subdivision which licenses taxicabs must prorate any license fee collected after June 30, 1983, so that the taxicab operator pays only 1/12 of the current annual license fee for each month after June 30, 1983, for which it is subject to local regulation.

Sec. 3. [EFFECTIVE DATE.]

Sections 1 and 2 are effective July 1, 1984, in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington."

“Section 1. Minnesota Statutes 1982, section 69.772, subdivision 1, is amended to read:

Subdivision 1. [APPLICATION.] This section shall apply to any firefighter's relief association specified in section 69.771, subdivision 1, which pays a lump sum service pension, but which does not pay a monthly service pension, to a retiring firefighter when at least the minimum requirements for entitlement to a service pension specified in section 424A.02, or any applicable special legislation and the articles of incorporation or bylaws of the relief association have been met. Each firefighter's relief association to which this section applies shall determine the accrued liability of the special fund of the relief association in accordance with the ~~applicable~~ accrued liability table set forth in subdivision 2 and the financial requirements of the relief association and the minimum obligation of the municipality in accordance with the procedure set forth in subdivision 3.

Each firefighters' relief association which pays a service pension when a

retiring firefighter meets the minimum requirements for entitlement to a service pension specified in section 424A.02 and which in its articles of incorporation or bylaws requires service credit for a period of service of at least 20 years of active service for a totally nonforfeitable service pension shall determine the accrued liability of the special fund of the firefighters' relief association relative to each active or deferred member of the relief association, calculated individually using the following table:

The accrued liability of the special fund for each active or deferred member of the relief association shall be determined as the multiple or portion of the accrued liability amounts corresponding to the cumulative years of active service with the fire department to which the relief association is affiliated to the credit of the member as set forth in the applicable table that the lump sum service pension amount currently provided for in the articles of incorporation or the bylaws of the relief association bears to a lump sum service pension of \$50 per year of service. As set forth in the table the accrued liability for each member or deferred member of the relief association corresponds to the cumulative years of active service to the credit of the member. The accrued liability of the special fund for each active or deferred member is determined by multiplying the accrued liability from the chart by the ratio of the lump sum service pension amount currently provided for in the bylaws of the relief association to a service pension of \$100 per year of service. If a member has fractional service as of December 31, the figure for service credit to be used for the determination of accrued liability pursuant to this section shall be rounded up to the nearest full year of service credit. The total accrued liability of the special fund of the relief association as of December 31 shall be the sum of the accrued liability attributable to each active or deferred member of the relief association.

Sec. 3. Minnesota Statutes 1982, section 69.772, subdivision 3, is

amended to read:

Subd. 3. [FINANCIAL REQUIREMENTS OF THE RELIEF ASSOCIATION; MINIMUM OBLIGATION OF THE MUNICIPALITY.] During the month of July, the officers of the relief association shall determine the overall funding balance of the special fund ~~of the relief association~~ for the current calendar year, the financial requirements of the special fund ~~of the relief association~~ for the following calendar year and the minimum obligation of the municipality with respect to the special fund ~~of the relief association~~ for the following calendar year in accordance with the requirements of this subdivision.

(1) The overall funding balance of the special fund ~~of the relief association~~ for the current calendar year shall be determined in the following manner:

(a) The total accrued liability of the special fund ~~of the relief association~~ for all active and deferred members of the relief association as of December 31 of the current year shall be calculated pursuant to subdivisions 2 and 2a, if applicable.

(b) The total present assets of the special fund ~~of the relief association~~ projected to December 31 of the current year, including receipts by and disbursements from the special fund anticipated to occur on or before December 31 shall be calculated.

(c) The amount of the total present assets of the special fund ~~of the relief association~~ calculated pursuant to clause (b) shall be subtracted from the amount of the total accrued liability of the special fund ~~of the relief association~~ calculated pursuant to clause (a). If the amount of total present assets exceeds the amount of the total accrued liability, then the special fund shall be considered to have a surplus over full funding. If the amount of the total present assets is less than the amount of the total accrued liability, then the special fund shall be considered to have a deficit from full funding. If the amount of total present assets is equal to the amount of the total accrued liability, then the special fund shall be considered to be fully funded.

(2) The financial requirements of the special fund ~~of the relief association~~ for the following calendar year shall be determined in the following manner:

(a) The total accrued liability of the special fund ~~of the relief association~~ for all active and deferred members of the relief association as of December 31 of the calendar year next following the current calendar year shall be calculated pursuant to subdivisions 2 and 2a, if applicable.

(b) The increase ~~or decrease~~ in the total accrued liability of the special fund ~~of the relief association~~ for the following calendar year over the total accrued liability of the special fund ~~of the relief association~~ for the current year shall be calculated.

(c) If the special fund ~~of the relief association~~ is fully funded, the financial requirement of the special fund for the following calendar year shall be ~~either the positive or the negative~~ figure which represents the increase ~~or the decrease~~ in the total accrued liability of the special fund ~~respectively~~ as calculated pursuant to subclause (b).

(d) If the special fund ~~of the relief association~~ has a deficit from full funding, the financial requirements of the special fund for the following calendar

year shall be the financial requirements of the special fund calculated as though the special fund were fully funded pursuant to subclause (c) plus an amount equal to one-tenth of the amount of the deficit from full funding of the special fund as determined pursuant to this section for the calendar year 1971 until that deficit is fully retired, and plus an amount equal to one-tenth of the increase in the deficit from full funding of the special fund resulting from an increase in the amount of the service pension accruing subsequent to December 31, 1971 until each increase in the deficit is fully retired.

(e) If the special fund of the relief association has a surplus over full funding, the financial requirements of the special fund for the following calendar year shall be the financial requirements of the special fund calculated as though the special fund were fully funded pursuant to subclause (c) reduced by an amount equal to one-tenth of the amount of the surplus over full funding of the special fund.

(3) The minimum obligation of the municipality with respect to the special fund of the relief association shall be the financial requirements of the special fund of the relief association reduced by the amount of any fire state aid payable pursuant to sections 69.011 to 69.051 anticipated to be received by the municipality for transmittal to the special fund of the relief association during the following calendar year, an amount of interest on the assets of the special fund projected to the end of the current beginning of the following calendar year calculated at the rate of five percent per annum, and the amount of any anticipated contributions to the special fund by the members of the relief association during the following calendar year."

(1) Within six months after the dissolution of the fire department, the board of trustees of the relief association shall convert all of the assets of the relief association to cash or negotiable instruments.

Mr. Pehler from the Committee on Education, to which was referred

S.F. No. 683: A bill for an act relating to education; requiring the board of teaching to adopt temporary rules relating to placing provisionally licensed teachers on unrequested leaves of absence.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1982, section 125.12, is amended by adding a subdivision to read:

Subd. 1a. [NONPROVISIONAL LICENSE DEFINED.] For purposes of this section, “nonprovisional license” shall mean an entrance, continuing, or life license.

Sec. 2. Minnesota Statutes 1982, section 125.12, subdivision 6a, is amended to read:

*Subd. 6a. [NEGOTIATED UNREQUESTED LEAVE OF ABSENCE.] The school board and the exclusive bargaining representative of the teachers may negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. Failing to successfully negotiate such a plan, the provisions of subdivision 6b shall apply. *The negotiated plan shall not include provisions which would result in the exercise of seniority by a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (c), or the reinstatement of a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (e).* The provisions of section 179.72 shall not apply for the purposes of this subdivision.*

Sec. 3. Minnesota Statutes 1982, section 125.12, subdivision 6b, is amended to read:

Subd. 6b. [UNREQUESTED LEAVE OF ABSENCE.] The school board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the board shall be governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence

while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable;

(c) Notwithstanding the provisions of clause (b), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses;

~~(e)~~ (d) Notwithstanding clauses (a) and, (b) and (c), if either the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, or the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of clause (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher or, the teacher with less seniority, or the provisionally licensed teacher;

~~(d)~~ (e) Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. *No teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave.* The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

~~(e)~~ (f) No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to him, that he may return to employment and that he will assume the duties of the position to which appointed on a future date determined by the board;

~~(f)~~ (g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

~~(g)~~ (h) The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

~~(h)~~ (i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence prior to January 1, 1978 and who is not reinstated shall continue for a period of two years after which the right to rein-

statement shall terminate. The unrequested leave of absence of a teacher who is placed on unrequested leave of absence on or after January 1, 1978 and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if he fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 3 and 4 shall apply to placement on unrequested leave of absence;

(k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible.

Sec. 4. Minnesota Statutes 1982, section 125.17, subdivision 1, is amended to read:

Subdivision 1. [WORDS, TERMS, AND PHRASES.] Unless the language or context clearly indicates that a different meaning is intended, the following words, terms, and phrases, for the purposes of the following subdivisions in this section shall be defined as follows:

(a) [TEACHERS.] The term "teacher" includes every person regularly employed, as a principal, or to give instruction in a classroom, or to superintend or supervise classroom instruction, or as placement teacher and visiting teacher. Persons regularly employed as counselors and school librarians shall be covered by these sections as teachers if licensed as teachers or as school librarians.

(b) [SCHOOL BOARD.] The term "school board" includes a majority in membership of any and all boards or official bodies having the care, management, or control over public schools.

(c) [DEMOTE.] The word "demote" means to reduce in rank or to transfer to a lower branch of the service or to a position carrying a lower salary or compensation.

(d) [NONPROVISIONAL LICENSE.] *For purposes of this section, "nonprovisional license" shall mean an entrance, continuing, or life license.*

Sec. 5. Minnesota Statutes 1982, section 125.17, subdivision 11, is amended to read:

Subd. 11. [SERVICES TERMINATED BY DISCONTINUANCE OR LACK OF PUPILS; PREFERENCE GIVEN.] (a) Any teacher whose services are terminated on account of discontinuance of position or lack of pupils shall receive first consideration for other positions in the district for which she is qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers shall be discontinued in any department in the inverse order in which they were employed.

(b) *Notwithstanding the provisions of clause (a), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise*

of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses.

(c) Notwithstanding the provisions of clause (a), no teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.

Sec. 6. Laws 1974, chapter 237, section 1, is amended to read:

Section 1. [INDEPENDENT SCHOOL DISTRICT NO. 709; TERMINATION OF TEACHING POSITIONS.] Independent School District No. 709, St. Louis county, and the exclusive representative of teachers as defined by Minnesota Statutes, 1973 Supplement, Section 179.63, Subdivision 13, may enter into a written agreement with respect to the termination of such teachers due to discontinuance of position or lack of pupils within the school district, which may include a method, system or scheme other than that provided by Minnesota Statutes, Section 125.17, Subdivision 11, or any act amendatory thereof. *The written agreement entered into pursuant to this section shall not include provisions allowing a teacher to exercise any seniority when that exercise results in the teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, other than vocational education license, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. In addition, the written agreement entered into pursuant to this section shall not include provisions allowing a teacher to be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.*

Sec. 7. [EXEMPTION FROM APPLICATION.]

The provisions of sections 1 to 6 shall not apply to any final decisions relating to placing teachers, as defined in Minnesota Statutes 1982, section 125.12, subdivision 1, on unrequested leaves of absence or, in the case of cities of the first class, termination of services of teachers, as defined in Minnesota Statutes 1982, section 125.17, subdivision 1, on account of discontinuance of position or lack of pupils made by school boards prior to the effective date of this act. The provisions of this act shall not apply to any school district that, on the effective date of this act, is governed by a contractual agreement which includes specific terms explicitly allowing the exercise of seniority rights by teachers holding provisional licenses, the results of which would be contrary to the provisions of this act, until the expiration of that contractual agreement. All contractual agreements entered into after the effective date of this act shall be consistent with this act.

Sec. 8. [EFFECTIVE DATE.]

This act shall be effective the day after final enactment."

[REASONABLENESS.] ~~All~~ ~~minimum~~ Standards of the commissioner defining airport hazard areas and the categories of uses permitted ~~therein~~ and ~~all~~ airport zoning regulations adopted under sections 360.011 to 360.076, shall be reasonable, and none shall impose ~~any~~ *a* requirement or restriction which is not reasonably necessary to effectuate the purposes of sections 360.011 to 360.076. In determining what minimum ~~standards~~ ~~and~~ ~~airport~~ zoning regulations may be adopted, the commissioner and ~~any~~ *a* local airport zoning authority shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the location of the airport, the nature of the terrain within the airport hazard area, the existing land uses and character of the neighborhood around the airport, ~~and~~ the uses to which the property to be zoned ~~is~~ ~~put~~ *are planned* and adaptable, *and the social and economic costs of restricting land uses versus the benefits derived from a strict application of the standards of*

Subdivision 1. [PERMITS.] (1) ~~Any~~ Airport zoning regulations adopted under sections 360.011 to 360.076, may require that a permit be obtained before ~~any~~ a new structure or use may be constructed or established and before ~~any~~ an existing use or structure may be substantially changed or substantially altered or repaired. In any event, all ~~such~~ regulations shall provide that before ~~any~~ a nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing ~~such~~ *the* replacement, change, or repair. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a nonconforming structure or tree or nonconforming use to be made or become higher or become a greater hazard to air navigation than it was when the applicable regulation was adopted or than it is when the application for a permit is made.

(2) Whenever the administrative agency determines that a nonconforming use or nonconforming structure or tree has been abandoned or more than 80 percent torn down, ~~destroyed~~, deteriorated, or decayed: (a) no permit shall be granted that would allow ~~said~~ *the* structure or tree to exceed the applicable height limit or otherwise deviate from the zoning regulations; and (b), whether application is made for a permit under this subdivision or not, the ~~said~~ agency may by appropriate action compel the owner of the nonconforming structure or tree, at ~~his own~~ *the owner's* expense, to lower, remove, reconstruct, or equip ~~such~~ *the* object as may be necessary to conform to the regulations. If the owner of the nonconforming structure or tree ~~shall neglect~~ *neglects* or ~~refuse~~ *refuses* to comply with ~~such~~ *the* order for ten days after notice ~~thereof~~ *of the order*, the ~~said~~ agency may proceed to have the object ~~so~~ lowered, removed, reconstructed, or equipped and assess the cost and expense ~~thereof~~ upon the object of the land ~~whereon~~ *where* it is or was located. Unless ~~such~~ an assessment is paid within 90 days from the service of notice ~~thereof~~ on the agent or owner of ~~such~~ *the* object or land, the sum ~~shall~~ *will* bear interest at the rate of eight percent per annum until paid, and shall be collected in the same manner as are general taxes.

(3) Except as provided ~~herein~~ *in this subdivision*, all applications for permits shall be granted."

“Section 1. Minnesota Statutes 1982, section 214.001, subdivision 2, is amended to read:

Subd. 2. [CRITERIA FOR REGULATION.] The legislature declares that no regulation shall hereafter be imposed upon any occupation unless required for the safety and well being of the citizens of the state. In evaluating whether an occupation shall hereafter be regulated, the following factors shall be considered:

(a) Whether the unregulated practice of an occupation may harm or endanger the health, safety and welfare of citizens of the state and whether the potential for harm is recognizable and not remote;

(b) Whether the practice of an occupation requires specialized skill or training and whether the public needs and will benefit by assurances of initial and continuing occupational ability; and

(c) Whether the citizens of this state are or may be effectively protected by other means; and

(d) Whether the overall cost effectiveness and economic impact would be positive for citizens of the state.

Sec. 2. Minnesota Statutes 1982, section 214.06, subdivision 1, is amended to read:

Subdivision 1. [FEES.] ~~Notwithstanding any law to the contrary, the commissioner of health as authorized by section 214.13, all health related licensing boards and all non-health related licensing boards shall by rule, with the approval of the commissioner of finance, adjust any fee which the board is empowered to assess a sufficient amount so that the total fees collected by each board will as closely as possible equal anticipated expenditures during the fiscal biennium, including the portion of the general support costs and statewide indirect costs of the department providing administrative support services to the board that is attributable to the board. Examination fees, if any, shall be set by rule so that the total amount of annual examination fee income approximately meets the anticipated cost of administering the examinations during the fiscal biennium. Fee adjustments authorized under this subdivision may be made without a public hearing when the total fees estimated to be received during the biennium will not exceed 110 percent of the sum of all direct appropriations, transfers in, and salary supplements to the board for the biennium. All fees received shall be deposited with the state treasurer and credited to the general fund. Notwithstanding any law to the contrary, the commissioner of health, for occupations registered pursuant to section 214.13, all health related licensing boards and all non-health related licensing boards shall, by rule and in accordance with this subdivision, set and adjust fees which they are authorized to assess. These fees must be set and adjusted so that the total amounts collected by the commissioner and each board will, as closely as possible, equal the relevant anticipated biennial expenditures of each, including the relevant portions of general support costs and statewide indirect costs of any department which provides administrative support services to the commissioner or board. The total amounts collected by the commissioner and each health related licensing board must also include an amount set by the commissioner that represents the commissioner's or board's percentage of the total anticipated biennial occupational registra-~~

tion and health related licensing board expenditures as applied to the total anticipated biennial expenditures associated with the commissioner's discharge of the relevant responsibilities of sections 214.13 and 214.14. The total amount collected from each health related licensing board and each occupation registered pursuant to section 214.13 for the purposes of the commissioner's responsibilities in sections 214.13 and 214.14 shall not exceed 5 percent of each board's and registered occupations's total anticipated biennial expenditures. Any examination fees must be set and adjusted so that the relevant total amount collected will, as closely as possible, equal the anticipated biennial expenditures associated with administering examinations. The setting or adjusting of any fee under this subdivision is exempt from the definition of "rule" in section 14.02, subdivision 4, when the resulting total receipts of the commissioner or board will not exceed 110 percent of the sum of all relevant biennial direct appropriations, transfers and salary supplements. These fees must be reviewed at least once every six months, and any new fees or adjustments must be approved by the commissioner of finance prior to adoption. All fees received must be deposited with the state treasurer and credited to the general fund.

The fee is nonrefundable and must be deposited with the state treasurer and credited to the general fund. The commissioner may require an occupational applicant group to submit information relating to, and to recommend and justify regulatory modes and standards consistent with, the provisions of section 214.001.* If the commissioner determines that credentialing of an occupation is appropriate, the commissioner is empowered only to register the occupation. Before promulgating any rules resulting in registration for an occupation the commissioner shall consult with state boards or agencies charged with regulating similar occupations in order to define the scope and range of practice for the registered occupation and the degree of supervision required. As used in this section and section 214.14, registration ~~shall be~~ is defined as in section 214.001, subdivision 3, clause (c).

another state agency. If the commissioner so determines, then he must submit the proposed rules to the head or governing board of that agency for review and approval. The agency shall review the rules to insure compliance with laws which are administered or enforced by that agency. ~~The rules must have received the approval of that agency before promulgation~~ *Agency approval or disapproval shall be forwarded to the commissioner within 90 days of receiving the proposed rules. After receipt of agency approval or disapproval, the commissioner may proceed to promulgate the rules.*

These rules shall not be in conflict with provisions of chapter 214 and Laws 1976, Chapter 222, Sections 1 to 7. *Notwithstanding any law to the contrary, persons practicing under the authority of the rules promulgated by the commissioner shall not, for a period of four years after the effective date of the rules, be subject to any action by a health related licensing board for violation of the board's laws or rules provided the person's practice or conduct is authorized by the rules promulgated by the commissioner. Three years after the effective date of the commissioner's rules, the commissioner shall make a report to the legislature on the usefulness of the new occupational group, any problems encountered in administering the regulation of the group, and any necessary statutory changes recommended to continue, discontinue, or modify the regulation of the group.*

Sec. 6. Minnesota Statutes 1982, section 214.13, subdivision 4, is amended to read:

A council shall have seven members appointed by the commissioner of which five are members of the registered occupation or related registered or licensed occupations, and two are public members. A council shall expire, and the terms, compensation and removal of members shall be as provided in section 15.059.

Subd. 5. [RECOMMENDATION ON REGULATION; APPLICATION RENEWAL.] The commissioner of health shall exercise care to prevent the proliferation of unessential registered human services occupations. If in evaluating a currently unregistered occupation the commissioner determines that registration of the occupation is not appropriate, but that imple-

mentation of another mode as set forth in section 214.001, subdivision 3, is appropriate the commissioner shall promptly so report to the legislature. *For a period of two years after a determination by the commissioner as to the appropriate regulatory mode, if any, for an occupational applicant group, the same or substantially equivalent group may not submit a letter of intent to enter the credentialing process, unless invited to do so by the commissioner.*

Sec. 8. Minnesota Statutes 1982, section 214.14, subdivision 1, is amended to read:

HOW GOVERNED

Rule 1.01. The Speaker of the House shall preside at all Conventions of the two houses of the Legislature and shall call the members to order. The Chief Clerk of the House shall be the Secretary and the Sergeant at Arms of the House shall be the Sergeant at Arms of the Convention.

PRESIDENT'S DUTIES

Rule 1.02. The President of the Convention shall preserve order and decorum. He may speak on all points of order in preference to other members and shall decide questions of order, subject to an appeal to the Convention by any member. He shall rise to put a question but may state it while seated.

PRESIDENT'S RIGHT TO VOTE

Rule 1.03. The President shall have the right to vote in all cases except appeals from his decisions. He shall vote last on all questions.

STATING QUESTIONS

Rule 1.04. Questions shall be put to the Convention in the following form: "As many as are of the opinion that (the question) shall pass, say 'Aye.' " After an affirmative vote is expressed the nays shall be called as follows: "As many as are of the contrary opinion, say 'No.' " If the President is in doubt or a division is called, those in the affirmative shall rise first and those in the negative afterward.

ORDER OF DEBATE

Rule 1.05. When any member wishes to speak to the Convention on any matter, he shall rise and respectfully address the President, and not speak further until recognized. He shall confine himself to the question under debate and avoid personal remarks. When two or more members rise at the same time, the President shall designate the member to speak first. No member shall speak more than twice on the same question without permission of the Convention.

CALLING MEMBER TO ORDER

Rule 1.06. If any member of the Joint Convention is called to order for offensive words in debate, the member calling him to order shall report the words to which exception is taken and the Secretary shall record them. No member may be called to order for any language used in debate if exception is not taken before any other member has spoken or any other business has taken place. A member called to order shall immediately sit down unless another member moves to permit him to explain. In any case, the Joint Convention, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall he be at liberty to proceed.

CALL OF THE CONVENTION

Rule 1.07. Five members may demand a call of the Convention at any time except after voting has commenced. When such a call is demanded, the doors shall be closed, the roll shall be called, the absent members shall be sent for, and no member may be permitted to leave the Chamber, unless excused by the President, until the call is lifted. Proceedings under the roll call may be suspended by a majority vote of all the members of the Convention. A call of the Convention may be lifted by a majority vote of all the members of the Convention.

ELECTIONS

Rule 1.08. In all elections by the Joint Convention, members shall vote viva voce and the role of Senate members shall be called first. Whenever there is an election of any officer in Joint Convention, the result shall be certified by the President of the Senate and the Speaker of the House and announced by them to their respective houses. The result shall be entered on the Journal of each house and communicated to the Governor by the Secretary of the Convention.

NO SMOKING

Rule 1.09. No person is permitted to smoke in the Chamber or in the gallery during a Joint Convention.

PARLIAMENTARY PROCEDURE

Rule 1.10. The rules of the House shall be the Rules of the Joint Convention of both houses in all cases in which the foregoing rules are not applicable.

ARTICLE II: BILLS

FORM

Rule 2.01. The title of each bill shall clearly state its subject and briefly state its purpose. When a bill amends or repeals an existing act, the title shall refer to the chapter, section or subdivision.

Reference shall be made to Minnesota Statutes for the provisions appearing therein unless reference to previous session laws is required for some special reason.

Bills shall refer to Minnesota Statutes as follows:

“Minnesota Statutes, section”

Bills shall refer to the session laws as follows:

“Laws, chapter, section”

A bill for the amendment of a statute shall contain the full text of the section or subdivision to be amended as it appears in the latest edition of Minnesota Statutes unless it has been amended, in which event it shall contain the full text as amended.

The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of a new section or subdivision shall also be underscored when a bill amends an existing chapter or section by adding a new section or subdivision. In the omnibus appropriation bills required by Joint Rule 2.02, sections making an appropriation or transfer and not amending a statute or session law need not have new material underscored. Before a committee favorably reports upon a bill, the chairman of the committee shall see that the bill conforms to this rule. When a bill is printed in the Journal, the new matter shall be in italics or underscored and the matter to be eliminated shall be capitalized and in parentheses or stricken by drawing a line through it. A bill drafted by the Revisor of Statutes for the purposes of correcting errors in Minnesota Statutes need not comply with the provisions of this paragraph if the bill is labeled “REVISOR’S BILL” immediately below the title, and if there is attached thereto a memorandum of information explaining the reasons for the bill.

If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for examination. Any such headnotes shall be capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, section 648.36.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of law shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers or parentheses.

APPROPRIATING MONEY

Rule 2.02. The same bill shall not appropriate public money or property to more than one local or private purpose.

No clause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions. All resolutions authorizing the issuing of abstracts by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of “yeas” and “nays.”

In odd-numbered years, at least twenty calendar days prior to the last day

the Legislature can meet in regular session [May 3, 1983], the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective houses, unless directed by concurrent resolution to report different appropriation bills, eight separate appropriation bills as follows:

(a) A bill appropriating money for the general administrative and judicial expenses of the State government for the succeeding two fiscal years including salaries, office expenses and supplies and other necessary expenses connected therewith;

(b) A bill covering all appropriations relating to public welfare, health and corrections for the support and maintenance of all State penal and charitable institutions, and other institutions of the State except educational for the two succeeding fiscal years;

(c) A bill appropriating money for the support and maintenance of all State educational institutions for the two succeeding fiscal years;

(d) A bill covering all appropriations providing for the payment of claims against the State of Minnesota which may have been allowed by the Finance Committee of the Senate or the Appropriations Committee of the House;

(e) A bill covering all appropriations made for semi-state activities;

(f) A bill covering all appropriations for construction and major rehabilitation of public buildings to be financed by issuance of bonds;

(g) A bill covering all appropriations for maintenance, repair, and minor rehabilitation and construction of public buildings; and

(h) A bill covering appropriations for the department of transportation.

No other appropriations shall be contained in any of said bills but all other appropriations shall be contained in separate bills.

DEADLINES

Rule 2.03. (a) In odd-numbered years, committee reports on bills favorably acted upon by a committee in the house of origin after the ~~fifth~~ *sixth* Friday prior to the last Friday on which the Legislature can meet in regular session [April 15 8, 1983], and committee reports on bills originating in the other house favorably acted upon by a committee after *the Monday before* the third Friday prior to the last Friday on which the Legislature can meet in regular session [April 29 25, 1983] shall be referred in the Senate to the Committee on Rules and Administration, and in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. Referral is not required when a committee after the earlier date and by the later date set by this paragraph acts on a bill that is a companion to a bill that has met the earlier deadline in the other house. This rule does not apply to the Senate Committees on Finance and on Taxes and Tax Laws, and the House Committees on Appropriations and on Taxes.

Conference Committees on the major appropriation bills specified in Joint Rule 2.02 shall have their reports on the members' desks by the last Thursday on which the Legislature can meet in regular session [May 19, 1983]. After the last Friday on which the Legislature can meet in regular session

[May 20, 1983], neither house shall act on bills other than those contained in:

(1) Reports of Conference Committees;

(2) Messages from the other house;

(3) Reports of the Committee on Rules and Administration in the Senate or the Committee on Rules and Legislative Administration in the House; or

(4) Messages from the Governor.

(b) In even-numbered years the Legislature shall establish by concurrent resolution deadlines comparable to those set by paragraph (a) based on the date intended to be the date of adjournment sine die.

AMENDING BILLS ORIGINATING IN OTHER HOUSE

Rule 2.04. Either house shall have the power to amend any bill, memorial, or resolution passed by the other house.

RECEDING FROM POSITION

Rule 2.05. Prior to a Conference Committee on any matter, either house may recede from its position on any difference existing between the two houses. In order to recede, and if the matter is not in the possession of a house, that house shall request return of the matter from the other house. To recede, a majority of a house shall govern, except in cases otherwise provided in the Constitution. If the question is put and lost, it shall not be put again on the same day. A reconsideration of the question shall in all respects be regulated by the rules of that house.

CONFERENCE COMMITTEES

Rule 2.06. In all cases of disagreement between the Senate and House on amendments adopted by either house to a bill, memorial or resolution passed by the other house, a Conference Committee consisting of not less than three members nor more than five members from each house may be requested by either house. The other house shall appoint a similar committee.

The manner of procedure shall be as follows: The house of origin passes a bill and transmits it to the other body. If the other body adopts an amendment to the bill and passes it as amended, it shall return the bill with a record of its actions to the house of origin. If the house of origin refuses to concur in the amendment, it shall ask for a Conference Committee, appoint such a committee on its part, and transmit the bill with a record of its action to the other house. If the other house adheres to its amendment, it shall appoint a like committee and return the bill to the house of origin.

At an agreed upon hour the Conference Committee shall meet. The members from each house shall state to the members from the other house, orally or in writing, the reason for their respective positions. The members shall confer thereon and shall report to their respective houses the agreement they have reached, or, if none, the fact of a disagreement. If an agreement is reported, the house of origin shall act first upon the report. If the report is

adopted and repassed as amended by the Conference Committee by the house of origin, the report, the bill and a record of its action shall be transmitted to the other house.

All Conference Committees shall be open to the public. Meetings of Conference Committees shall be announced as far in advance as practical.

Except after the last Thursday on which the Legislature can meet in regular session in odd-numbered years [May 19, 1983], and after the last Thursday on which the Legislature intended, when it adopted the concurrent resolution required by Rule 2.03, paragraph (b), to meet in regular session in even-numbered years, a written copy of a report of a Conference Committee shall be placed on the desk of each member of a house twelve hours before action on the report by that house. If the report has been reprinted in the Journal of either house for a preceding day and is available to the members, the Journal copy shall serve as the written report.

ENROLLMENT AND SIGNATURE

Rule 2.07. After a bill or memorial has been passed by both houses, it shall be carefully and properly enrolled by the Revisor of Statutes under the direction of the Secretary of the Senate for a matter originating in the Senate or the Chief Clerk of the House for a matter originating in the House. The Revisor of Statutes shall obtain the signatures and certificates of the proper officers to the enrolled copy of the bill or memorial and present it to the Governor for his approval.

A bill or memorial may be prepared for presentation to the Governor on good quality paper approximately 8 1/2" x 14" in size and may be produced by means of a copying machine. An enrolled bill shall be labeled "An Act" and it shall be identical to the bill passed by the Legislature. An enrolled bill which is amendatory of any existing law or constitutional provision shall indicate deletions and additions in the manner provided in Rule 2.01 for printed bills.

Delete everything after the enacting clause and insert:

“Section 1. [48.512] [PROCEDURES FOR OPENING CHECKING ACCOUNTS.]

Subdivision 1. [DEFINITIONS.] For the purpose of this section the following terms have the meanings given:

(a) “Financial intermediary” means a person doing business in this state who offers transaction accounts to the public.

(b) “Transaction account” means a deposit or account established or maintained by a natural person or persons under an individual or business name for personal, household, or business purposes on which the depositor or account holder is permitted to make withdrawals by negotiable or transferable instruments, payment orders of withdrawal, or other similar device for the purpose of making payments or transfers to third persons or others, including demand deposits or accounts subject to check, draft, negotiable order of withdrawal, share draft, or other similar item. “Transaction account” does not include the deposit or account of a partnership having more than three partners, the personal representative of an estate, the trustee of a trust, or a limited partnership.

Subd. 2. [REQUIRED INFORMATION.] Before opening or authorizing signatory power over a transaction account, a financial intermediary shall require one applicant to provide the following information on an application document signed by the applicant under the penalties for perjury in section 609.48:

(a) full name;

(b) birth date;

(c) address of residence;

(d) address of current employment, if employed;

(e) residence telephone number, if any;

(f) social security number;

(g) driver’s license or identification card number issued pursuant to section 171.07. If the applicant does not have a driver’s license or identification card, the applicant may provide an identification document number if the document includes the applicant’s photograph, full name, birth date, and signature;

(h) whether the applicant has had a transaction account at the same or another financial intermediary within 12 months immediately preceding the application and, if so, the identity of the financial intermediary;

(i) whether the applicant has had a transaction account closed by financial intermediary without the applicant’s consent within 12 months immediately

preceding the application and, if so, the identity of the financial intermediary and the reason the account was closed; and

(j) whether the applicant has been convicted of a criminal offense involving the use of a check or other similar item within 24 months immediately preceding the application.

A financial intermediary may require an applicant to disclose additional information.

Subd. 3. [ACCOUNT OPENING DATE.] All checks, drafts, negotiable orders of withdrawal, share drafts, or other similar items which are drawn against a transaction account after the effective date of this section shall, for a period of not less than 12 months, clearly display on the face thereof the month and year in which the account was opened, if:

(a) the applicant represents on the application document that he has not maintained a transaction account within 12 months immediately preceding the application; or

(b) the applicant represents on the application document that he has been convicted of a criminal offense involving the use of a check or other similar item within 24 months immediately preceding the application.

Subd. 4. [CONFIRM NO INVOLUNTARY CLOSING.] Before opening or authorizing signatory power over a transaction account, the financial intermediary shall obtain oral or written confirmation of the information disclosed for subdivision 2, clause (i), if it is available from a commercially reliable source. The financial intermediary may not open or authorize signatory power over a transaction account if it obtains information that the applicant had a transaction account closed by a financial intermediary without his consent because of his issuance of dishonored checks within 12 months immediately preceding the application.

Subd. 5. [NO LIABILITY.] The requirements of this section shall not be construed to impose any liability on financial intermediaries offering transaction accounts nor, except as provided in subdivision 4, to limit a financial intermediary's discretion as to whether to grant or deny an application subject to this section.

Sec. 2. [332.50] [CIVIL LIABILITY FOR ISSUANCE OF WORTHLESS CHECK.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them.

(a) "Check" means a check, draft, order of withdrawal or similar negotiable or nonnegotiable instrument.

(b) "Credit" means an arrangement or understanding with the drawee for the payment of the check.

Subd. 2. [ACTS CONSTITUTING.] Whoever issues any check which, at the time of issuance, he intends shall not be paid, is liable to the holder for twice the amount of the check, interest at 18 percent per year on the amount of the check from the date of dishonor, reasonable attorney fees if the amount of the check is over \$1,000, and a service charge not exceeding \$15 if written notice of the service charge (1) was conspicuously displayed on the premises

when the check was issued; or (2) was contained in any document obligating the drawer to make any payment to the payee.

This subdivision prevails over any provision of law limiting, prohibiting, or otherwise regulating service charges authorized by this subdivision.

Subd. 3. [PROOF OF INTENT.] Any of the following establishes a rebuttable presumption that the person at the time he issued the check intended it should not be paid:

(1) proof that, at the time of issuance, he did not have an account with the drawee; or

(2) proof that, at the time of issuance, he did not have sufficient funds or credit with the drawee and that he failed to pay the check within ten business days after mailing of notice of nonpayment or dishonor as provided in this subdivision; or

(3) proof that, when presentment was made within a reasonable time, the issuer did not have sufficient funds or credit with the drawee and that he failed to pay the check within ten business days after mailing of notice of nonpayment or dishonor as provided in this subdivision.

Notice of nonpayment or dishonor must be sent by the payee or holder of the check to the drawer by certified mail, return receipt requested, or by regular mail, supported by an affidavit of service by mailing, to the address printed or written on the check. The issuance of a check with an address printed or written on it is a representation by the drawer that the address is the correct address for receipt of mail concerning the check. Failure of the drawer to receive a regular or certified mail notice sent to that address is not a defense to liability under this section, nor does it rebut the presumption of intent established by this subdivision, if the drawer has had actual notice for a period of ten days that the check was dishonored.

An affidavit of service by mailing must be retained by the holder of the check.

Subd. 4. [PROOF OF LACK OF FUNDS OR CREDIT.] If the check has been protested, the notice of protest thereof is admissible as proof of presentation, nonpayment, and protest, and is evidence sufficient to sustain a finding that there was a lack of funds or credit with the drawee.

Subd. 5. [PROOF OF IDENTITY.] The check is prima facie evidence of the identity of the drawer if the person receiving the check:

(a) records the following information about the drawer on the check, unless it is printed on the face of the check:

(1) full name,

(2) home or work address,

(3) home or work telephone number, and

(4) identification number issued pursuant to section 171.07;

(b) compares the drawer's physical appearance, signature, and the personal information recorded on the check with the drawer's identification card issued pursuant to section 171.07; and

(c) initials the check to indicate compliance with these requirements.

Subd. 6. [EXCEPTION.] Subdivision 3, clause (2), does not apply to a postdated check.

Subd. 7. [DEFENSES.] Any defense otherwise available to the drawer also applies to liability under this section.

Sec. 3. Minnesota Statutes 1982, section 487.30, subdivision 4, is amended to read:

Subd. 4. [JURISDICTION; ~~WORTHLESS DISHONORED CHECKS.~~] The conciliation court has jurisdiction to determine a civil action commenced by a plaintiff, resident of the county, to recover the amount of a ~~worthless dishonored~~ check as defined in section 2 issued in the county ~~within the meaning of section 609.535, notwithstanding that even though~~ the defendant or defendants are not residents of the county ~~provided that~~; if the notice of nonpayment or dishonor ~~required by described in section 609.535, subdivision 3, is sent to the maker or drawer as specified therein and the notice states that the payee or holder of the check or other order of payment of money~~ may commence a conciliation court action in the county where the ~~worthless dishonored~~ check was issued to recover the amount of the check. (c) Notwithstanding the provisions of ~~clause paragraph~~ (a) or any rule of court to the contrary, the conciliation court of Ramsey county has jurisdiction to determine a civil action commenced by a plaintiff, resident of Ramsey county, to recover the amount of a ~~worthless~~ *dishonored* check as defined in section 2 issued in the county ~~within the meaning of section 609.535, notwithstanding that even though~~ the defendant or defendants are not residents of Ramsey county ~~provided that~~; if the notice of nonpayment or dishonor ~~required by described in~~ section 609.535, subdivision 3, is sent to the ~~maker or drawer~~ as specified therein and the notice states that the ~~payee~~ or holder of the check ~~or other order of payment of money~~ may commence a conciliation court action in the county where the ~~worthless~~ *dishonored* check was issued to recover the amount of the check. Sec. 8. Minnesota Statutes 1982, section 609.535, subdivision 3, is amended to read:

If the child's genetic parent or parents explicitly request that the preference described in clause (a) or clauses (a) and (b) not be followed, the authorized child placing agency shall honor that request consistent with the best interests of the child.

Notwithstanding the provisions of sections 216-24, 216.25, 216B.27 and 216B.52, no interim rate schedule ordered by the commission pursuant to this subdivision shall be subject to an application for a rehearing or an appeal to a court until the commission has rendered its final determination. Unless the commission finds that exigent circumstances exist, the interim rate schedule shall be calculated using the proposed test year cost of capital, rate base, and expenses, except that it shall include: (1) a rate of return on common equity for the utility equal to that authorized by the commission in the utility's most recent rate proceeding; (2) rate base or expense items the same in nature and kind as those allowed by a currently effective

order of the commission in the utility's most recent rate proceeding; and (3) no change in the existing rate design. In the case of a utility which has not been subject to a prior commission determination, the commission shall base the interim rate schedule on its most recent determination concerning a similar utility.

If, at the time of its final determination, the commission finds that the interim rates are in excess of the rates in the final determination, the commission shall order the utility to refund the excess amount collected under the interim rate schedule, including interest ~~thereon~~ *on it* which shall be at the rate of interest determined by the commission. The utility shall commence distribution of the refund to its customers within 120 days of the final order, not subject to rehearing or appeal. If, at the time of its final determination, the commission finds that the interim rates are less than the rates in the final determination, the commission shall prescribe a method ~~whereby~~ *by which* the utility will recover the difference in revenues from the date of the final determination to the date the new rate schedules are put into effect.

If the public utility fails to make refunds within the period of time prescribed by the commission, the commission shall sue therefor and may recover on behalf of all persons entitled to a refund. In addition to the amount of the refund and interest due, the commission shall be entitled to recover reasonable attorney's fees, court costs and estimated cost of administering the distribution of the refund to persons entitled ~~thereto~~ *to it*. No suit under this subdivision shall be maintained unless instituted within two years after the end of the period of time prescribed by the commission for repayment of refunds. The commission shall not order an interim rate schedule into effect as provided by this subdivision until at least four months after it has made a final determination concerning any previously filed change of the rate schedule or the change has otherwise become effective under subdivision 2, unless it finds that a four month delay would unreasonably burden the utility, its customers, or its shareholders and that an earlier imposition of interim rates is therefore necessary.
