Insert the words and characters constituting the amending matter in the proper place in such text and underscore them. When the bill is typewritten, the amending matter shall be underscored and the words and characters to be eliminated by the amendment shall have a line drawn through them. When the bill is printed, the new matter shall be in italics and the words and characters to be eliminated shall be capitalized and in brackets.

A bill drafted by the Revisor of Statutes for the purpose of correcting errors in Minnesota Statutes need not comply with the provisions of the foregoing paragraph if the bill is labeled, immediately below the title "[REVISOR'S BILL]" and if there

is attached thereto a memorandum of information explaining the reasons for the bill.

In a bill amending the language of an existing chapter, section, or subdivision, and also adding a new section or subdivision thereto, the text of the new section or subdivision shall likewise be underscored. When the bill is printed, the amending matter, including the new section or subdivision, shall be put in italics.

Before a committee reports favorably upon such a bill, the chairman of the committee shall see that the bill conforms to this rule.

Bills shall refer to the Session Laws of this state as follows: "Laws—, Chapter—, Section—".

Bills shall refer to compilations of the laws of this state as follows: "Revised Laws 1905, Section—".

When referring to laws passed at the session of 1891 and prior years, and only in those cases, references shall be as follows:

"Special Laws—, Chapter—, Section".

"General Laws—, Chapter—, Section".

Reference shall be made to the latest edition Minnesota Statutes for the provisions appearing therein, unless reference to previous Session Laws is required for some special reason.

If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. No such bill assigning to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes shall be introduced, unless there is attached thereto a written authorization by the Revisor of Statutes for such headnotes or for such identification.

If the bill is for an amendment of a statute, all statutory references shall be to the latest edition Minnesota Statutes, and it shall contain the full text of the section or subdivision to be amended as it appears in the latest edition Minnesota Statutes, unless it has been amended at a later session, in which event it shall contain the full text as amended.

When a law is sought to be amended or repealed the title of the amendatory act shall contain a proper reference to the law to be amended or repealed and briefly express its subject matter.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of laws shall be in figures. In the body of a bill numbers in excess of 10 shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers in parentheses.

FIRST READING AND REFERENCE OF BILLS

5. All bills, memorials, resolutions and joint resolutions shall be read at length upon their introductions. No bills, memorial

resolution or joint resolution shall be objected to upon its introduction.

All bills, memorials, resolutions and joint resolutions shall after reading be referred by the Speaker to the appropriate standing committee, except that when it is introduced by such committee as above provided and contains an amendment to an existing law of the state, it shall be referred by the Speaker to the appropriate committee of the House appointed with reference to the subject matter contained in the law proposed to be amended.

After a reference of a bill by the Speaker, a majority vote of the whole House shall, except as herein otherwise provided, be required for a re-reference or recommittal thereof by the House.

Any bill whether emanating from the House or the Senate carrying an appropriation or which may involve any financial obligation either present or future on the part of the State, which has been previously referred by the Speaker under the Rules to any committee of the House other than the Committee on Appropriations shall, after the same has been reported back to the House, be re-referred, or if originally introduced by a committee, referred to the Committee on Appropriations for action by that committee, and the fact that any such bill referred to any committee other than the Committee on Appropriations carries an appropriation shall be noted by the committee to which it was referred in the report of such committee returning the same.

Any bill whether emanating from the House or the Senate which creates any new department, agency, commission, board or bureau or which substantially changes or alters the organization of any department or agency thereof of state government or the organization of any department or agency thereof, or substantially changes, alters, vests or divests official rights, powers, or duties of any official, department or agency of the state government or any institution under its control, which has been previously referred by the Speaker under the Rules to any committee, other than the Committee on Governmental Operations, shall, after the same has been reported back to the House, be re-referred by the Speaker, or if originally introduced by a committee, referred by the Speaker, to the Committee on Governmental Operations for action by that committee. Any such bill referred to a committee other than Governmental Operations shall be recommended for re-reference to the Committee on Governmental Operations by such committee.

RECORDS AND REPORTS OF COMMITTEES

6. The chairman, or acting chairman, of each standing committee shall keep, or cause to be kept, a record, in the form prescribed by the Committee on Rules and Legislative Administration, on which shall be entered:

(a) The time and place of each hearing and of each meeting of the committee.

(b) The attendance of committee members at each meeting.

(c) The name of each person appearing before the committee, with the name of the person or persons, association, firm or corporation in whose behalf the appearance is made.

(d) The language of each motion made at each hearing and each meeting of the committee, the names of the committee members who make such motions, and the result of any vote taken upon such motions.

(e) The dates on which any subcommittees are created, the members appointed thereto, the bills referred thereto, and any roll call votes taken therein.

(f) Other important matters related to the work of the committee.

Any member of any committee may demand a roll call on any bill, resolution, or amendment before the committee and upon such demand being made and not otherwise the roll call shall be called on such bill, resolution or amendment, and a record of the vote of each member thereon made and kept; and the name of the member making such demands shall also be recorded.

Such record shall be approved at the next regular meeting of the committee.

Such records, after approval by the committee, shall be filed with the Chief Clerk and shall be open to public inspection in said office until the end of each biennium. After the expiration of the biennium, the Chief Clerk shall deliver the committee books to the Director of the Legislative Reference Library where they shall be open for public inspection during regular office hours. Any person may obtain copies of the pages of such record during said biennium upon payment of a fee determined by the Chief Clerk to be adequate to cover the cost of preparing such copy.

Meetings of all committees of the House shall be open to the public, except as may be provided by law.

The chairman of a standing committee reporting the action taken by his committee upon bills submitted to it shall do so upon the form provided for such reports, stating the date of the meeting when such action was taken, shall authenticate the same by his signature, and except during the last seven legislative days shall place the same in the hands of the Chief Clerk at least four hours prior to the opening of the daily session. The provisions of this paragraph as to placement of the bills in the hands of the Chief Clerk shall also apply to minority reports. Each bill shall have a separate report and such report shall be accepted or rejected without amendment.

The members of a standing committee may, by majority vote, order the preparation of a Revisor's Analysis of a bill being considered by the committee. A Revisor's Analysis shall consist of a concise description of the terms of the bill and shall be provided

by the Revisor of Statutes. The members of a standing committee may also, by majority vote, order the preparation of a Revisor's Analysis at the time a bill is given committee approval, which analysis shall accompany the committee report to the House and which shall thereafter be attached to the printed bill by the Chief Clerk.

The members of a standing committee may, by majority vote, order the preparation of a Fiscal Note at the time a bill is being considered by the committee. A Fiscal Note shall consist of a brief explanation of the approximate financial impact of the proposed bill in terms of revenues that will be raised or costs that will be incurred by the State of Minnesota if the bill should become law. The members of a standing committee may also, by majority vote, order the preparation of a Fiscal Note at the time a bill is given committee approval, which note shall accompany the committee report to the House and which shall thereafter be attached to the printed bill by the Chief Clerk. The Fiscal Note shall not be requested on bills passed out of committee within ten days of the end of the regular legislative session.

Neither the Revisor's Analysis nor the Fiscal Note shall be considered a part of a bill or indication of legislative intent nor shall more than one Revisor's Analysis or Fiscal Note be prepared for any bill.

The report of any committee may be laid upon the table for a day and printed in the Journal, if so ordered by the House.

In the event of a minority report, the majority and minority reports shall be made separately and the minority report shall be first considered. If such minority report be adopted the majority report shall not be considered by the House. If the minority report is not adopted the majority report shall then be considered.

(g) Every chairman of every standing committee of the House shall consider each bill referred to his committee for the further purpose of determining whether or not such bill is of a non-controversial nature. If said chairman with a majority vote of the said committee shall determine that any bill is of a non-controversial nature, he shall in his report to the House upon such bill indicate the decision of his committee determining that such bill is of a non-controversial nature.

When such report is made by said chairman and the committee report on the bill is adopted, thereafter the bill so reported as being of a non-controversial nature shall be given its second reading and be placed upon a separate calendar to be known as the Consent Calendar. Such Consent Calendar of the House shall be taken up immediately prior to the order of business known as "Calendar for the Day." All bills on such Consent Calendar shall thereupon be debated, given their third reading, and voted upon, provided, however, that at any time prior to the third reading of such bill, ten members may object to the same as being controversial. If such objection is made by ten members, the bill shall be stricken from the said Consent Calendar, and

shall immediately be returned to General Orders and take its place thereon in the usual order.

All such bills so recommended shall be printed and placed in the House files at least one day before they can be considered on said Consent Calendar.

QUORUM ON COMMITTEE

7. A majority of the members of any standing or special committee shall constitute a quorum.

SECOND READING OF BILLS

8. All bills, concurrent resolutions, memorials, orders, resolutions and votes requiring the approval of the Governor, shall after a second reading, be considered in a Committee of the Whole before they shall be finally acted upon by the House. Unless otherwise ordered bills, resolutions authorizing the expenditure of money, and joint memorials to Congress only, shall require a second and third reading.

THIRD READING OF BILLS

9. If the House has ordered the reprinting or reproduction of a bill amended in the Committee of the Whole, the bill shall not have its third reading until reprinted or reproduced except during the last five days during which a bill may be passed by the House in any year.

No amendment shall be received on the third reading except to fill blanks or to amend titles, without the unanimous consent of the House; and all bills and resolutions may, at any time previous to their passage, be committed or recommitted only by majority votes of the whole House. If any amendment be reported upon by such commitment or recommitment by any other than a Committee of the Whole, it shall be read a second time, considered in the Committee of the Whole and question for third reading and passage again put.

DISPOSITION OF SENATE BILLS

10. When a Senate File has been received by the House, with a message announcing that the same has passed the Senate, such bill shall be referred to the appropriate standing committee; provided, however, that when a Senate File is received and provisions of which are stated by a member to be identical with those of a House File, which has already been considered by one of the committees of the House and is on General Orders or the Calendar, such Senate File shall be referred to the Chief Clerk for comparison, who shall report forthwith whether the said Senate File is identical with the House File. And, if reported identical, such Senate File may, by majority vote, be substituted for the House File (the latter in such case being considered withdrawn) and shall take the place of the House File; provided, however, that the fact that the bills are identical shall be entered on the Journal.

COMMITTEE OF THE WHOLE

11. The Committee of the Whole shall mean and include a committee of the entire membership of the House. When the House has arrived at the General Orders of the Day, they shall go into a Committee of the Whole upon General Orders. And unless a particular bill is ordered up, the Committee of the Whole shall consider, act upon or pass the General Orders according to order of their reference.

In forming a Committee of the Whole, the Speaker may appoint a chairman to preside.

Bills committed to the Committee of the Whole shall, in the Committee of the Whole thereon, be first read through, unless the Committee shall otherwise order, and then read and debated by sections, leaving the title to be last considered. All amendments shall be in writing, in triplicate, and reported to the House by the chairman.

RULES OF THE HOUSE TO APPLY TO THE
COMMITTEE OF THE WHOLE

12. The Rules of the House shall be observed in the Committee of the Whole, so far as may be applicable, except that the previous question shall not be forced, nor speaking limited.

Upon demand of 10 members, the ayes and nays shall be counted with the electrical voting device and announced by the presiding officer.

Upon the demand of fifteen (15) members, the ayes and nays shall be called, the question voted on, and the ayes and nays recorded in the Journal of the House.

Provided that in the Committee of the Whole, there shall be a record vote on any amendment increasing the amount or amounts carried by any appropriation bill.

A motion that the committee arise shall always be in order and shall be decided without debate.

GENERAL ORDERS OF THE DAY

13. The Speaker shall cause the Chief Clerk to make out a list of all bills and resolutions which have not been made a Special Order or been placed on the Consent Calendar and to number the same. This list shall be called "General Orders of the Day"; and items listed thereon shall be taken up in the order in which they are numbered, unless otherwise ordered by a majority of the committee. All bills included therein and required to be printed under the Rules or Orders of the House, shall be printed and placed upon the members' desks at least one day before the same are to be considered in the Committee of the Whole.

Each member of the House shall leave on or under the desk, each time the House adjourns for the day, his file for bills. It

shall be the duty of the Clerk of the House to have placed in each file one copy of each bill printed under the Rules or Orders of the House at least twenty-four hours before the same shall be considered in the Committee of the Whole, and under the first order of business each day said Clerk shall report to the House what bills he has placed in the files.

If progress is reported on a bill by the committee for three days, such bills shall go to the foot of General Orders, unless otherwise ordered by a majority vote.

The Committee of the Whole may, in its report on a bill which had been amended by said committee, recommend that the bill be reprinted or reproduced as amended.

SPECIAL ORDERS

14. Bills may be made the Order of the Day for a special time. Such bills shall be entered upon a separate list known as "Special Orders." Bills may be made a Special Order by a two-thirds vote of the whole House upon two days' notice. The motion pursuant to said notice may be made only by the member giving the same or another member designated by him in writing in possession of the Speaker. Such notice shall state the House File number or Senate File number, as the case may be, and the title of the bill to be made a Special Order and shall specify the day that such Special Order will be set for a day certain. The time within which said motion may be made pursuant to said notice shall not be extended and if the member giving such notice or the person so designated by him, as the case may be, shall fail to make the motion for a Special Order on the day specified therein, his right to make the same pursuant to said notice shall expire. Appropriation bills introduced by the House Committee on Appropriations, or by the Senate Committee on Finance coming into the possession of the House during the last ten days in which a bill may be passed in regular session in any year, may be made a Special Order without notice. A motion to make a bill a Special Order when made as heretofore prescribed, shall be a privileged motion, shall take precedence over all other motions except to fix the time to adjourn, the motion to adjourn and questions of personal privilege, and may be made at any time on the day designated in the notice and shall not be suspended except by a three-fourths vote of the whole House.

With respect to any bill which has had its second reading, the Committee on Rules and Legislative Administration, by committee report, may designate the bill to be a Special Order.

Any Special Order, or any part thereof, may be continued or postponed by two-thirds vote of the whole House at the time of such Special Order.

When the time arrives for the consideration of any Special Order, the House shall proceed to the consideration of the bill or bills upon the said Special Order in the order in which they are respectively listed; and after consideration they shall immediately be read the third time and placed upon final passage.

16. The presiding officer may call a member to the Chair, but such substitution shall not extend beyond an adjournment. In the absence of the presiding officer the Committee on Rules and Legislative Administration shall select a member to preside until the return of the regular presiding officer.

DUTIES OF MEMBERS

17. When the House adjourns, the members shall keep their seats until the Speaker announces the adjournment.

Every member, before speaking, shall rise from his seat and respectfully address the Speaker, but shall not proceed to speak further until recognized by the Chair. When two or more members rise at once, the Speaker shall designate which shall speak first.

18. No member shall be allowed to explain his vote or discuss the question while the yeas and nays are being taken; and no member shall be allowed to change his vote after the same is announced from the Chair.

20. No member or officer of the House shall, unless from illness or some other sufficient cause he be unable to attend, absent himself from any session of the House during the entire day without having first obtained leave of absence from the Speaker.

DUTIES OF THE CHIEF CLERK AND ASSISTANTS OR EMPLOYEES

21. Neither the Chief Clerk nor his assistants or employees shall permit any records or papers belonging to the House to be taken out of their custody otherwise than in the regular course of business. The Chief Clerk shall report any missing papers to the Speaker. He shall have general supervision of all clerical duties appertaining to the business of the House; shall perform under the direction of the Speaker, all the duties pertaining to his office, and shall keep a book showing the situation and progress of bills, memorials, and joint resolutions.

CLERICAL CORRECTIONS TO BILLS

22. (a) Minor clerical errors in any bill, memorial or resolution, such as errors in orthography or grammar, or the incorrect use of one word for another (as "affect" for "effect"), or wrong numbering of references, whether such errors occur in the original bill or any amendment thereto, shall be corrected by the Chief Clerk, as a matter of course, upon the approval of the chairman of any committee to which the bill was referred.

(b) The Chief Clerk shall insert the enacting clause in any bill before its passage if the same shall have been omitted.

(c) Webster's New International Dictionary shall be the standard authority in matters falling under the above rules.

26. No member shall speak more than twice on the same subject without leave of the House, nor more than once until every other member wishing to speak on the pending question shall have spoken.

MOTIONS

27. No motion shall be debated until put by the Speaker before debate, and any such motion shall be reduced to writing if required by the Speaker.

After a motion has been stated by the Speaker, it shall be deemed to be in the possession of the House, but may be withdrawn by the mover at any time before amendment or decision; but all motions, resolutions or amendments shall be entered in the Journal unless withdrawn the same day.

MOTION TO ADJOURN

28. A motion to adjourn shall always be in order except during roll call.

When a motion to adjourn is made it shall be in order for the Speaker, before putting the question, to permit any member to state any facts to the House, relative to the condition of the business of the House, which would seem to render it improper to adjourn at that time. Such statement, however, shall not be debatable and shall not, in any case, occupy more than two minutes.

PRECEDENCE OF MOTIONS

29. When a question is under debate, no motion shall be received but:

1. Fix time to which to adjourn.
2. To adjourn.
3. To lay on the table.
4. For the previous question.
(Which four motions shall be decided without debate.)
5. To commit.
6. To postpone to a day certain.
7. To amend.
8. To postpone indefinitely.

These several motions shall have precedence in the foregoing order; but the previous question having been seconded, and the main question ordered, a motion to lay on the table shall not be in order.

THE PREVIOUS QUESTION

30. (a) The previous question shall be in this form: "The gentleman from moves the previous question. Do fifteen members second the motion?" If the motion be properly seconded, the question shall be stated as follows: "As many as are in favor of ordering the previous question will say 'aye'; as many as are opposed will say 'no'." There shall be a motion for the previous question, which, being ordered by a majority of all members present, shall have the effect to cut off all debate and bring the House to a direct vote upon the immediate question or questions upon which it has been ordered.

The previous question may be asked and ordered upon a single motion, a series of motions allowable under the rules or an amendment or amendments; or it may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection.

(b) On a motion for the previous question, and prior to the ordering of the same, a call of the House shall be in order, but after a majority shall have ordered the previous question, no call shall be in order prior to the decision of the main question.

(c) When the previous question is decided in the negative it shall leave the main question under debate for the residue of the sitting, unless sooner disposed of by taking a vote, on the question or in some other manner.

INCIDENTAL QUESTIONS OF ORDER

31. All incidental questions of order arising after a motion is made for the previous question, during the pendency of such motion, or after the House shall have determined that the main question now be put, shall be decided whether on appeal or otherwise without debate.

PETITIONS, ETC. — HOW PRESENTED

32. Petitions, memorials and other papers presented to the House shall be presented by the Speaker or member in his place, and a brief statement of the contents thereof shall be made verbally and endorsed thereon, together with the name of the member introducing the same.

EVERY MEMBER TO VOTE UNLESS EXCUSED

33. Every member who shall be present before the vote is declared from the chair, shall vote for or against the matter before the House, unless the House shall excuse him, or unless he is immediately interested in the question, in which case he shall not vote.

PROCEDURE IN EXCUSING MEMBER FROM VOTING

34. When a member declines to vote on a call of his name, he shall be required to assign his reasons therefor; and having

assigned them, the presiding officer shall submit the question to the House, "Shall the member, for the reasons assigned by him, be excused from voting?" which shall be decided without debate. And these proceedings shall be had after the vote has been taken and before the chair has announced the vote, and any further proceedings in reference thereto shall be after such announcement.

ORDER DURING SESSION

35. When the Speaker is putting the question, no member shall walk out of or across the House, nor when a member is speaking shall any other member entertain any private discourse or pass between the speaking member and the Chair.

ORDER OF PUTTING QUESTION

36. All questions, whether in committee or in the House, shall be put in the order in which they are moved, except in the case of privileged questions, and in filling up blanks the largest sum and the longest time shall be put first.

DIVISION OF A QUESTION

37. If the question in debate contains several points, any member may have the question divided. A motion to strike out and insert shall be deemed indivisible, but a motion to strike out being lost shall preclude neither amendment nor a motion to strike out and insert.

QUESTIONS OF ORDER

38. If any member of the House, in speaking or otherwise, transgress the Rules, the Speaker shall (or any member may) call him to order, in which case he shall immediately sit down unless permitted on motion of another member to explain, and the House, if appealed to, shall decide in either case without debate. If the decision be in favor of the member called to order, he shall be at liberty to proceed, but not otherwise; and if the case require it, he shall be liable to censure or such punishment as the House may deem proper.

CALLED TO ORDER FOR OFFENSIVE WORDS IN DEBATE

39. If any member be called to order for offensive words in debate, the person calling him to order shall report the words excepted to, and they shall be taken down in writing at the clerk's desk and no member shall be held to answer, or be subjected to the censure of the House, for language used in debate if any other member has spoken or other business has intervened after the words spoken and before exception to them shall have been taken.

MEMBERS MAY DEMAND YEAS AND NAYS

40. The yeas and nays shall not be ordered unless demanded by 15 members, except upon final passage of bills, joint resolutions, and motions directing the payment of money. In these cases yeas and nays shall be ordered without demand.

NOTICE OF INTENTION TO DEBATE

41. Upon any member giving notice of his intention to debate any resolution, the same shall lie over one day without debate or any other action. This notice of intention to debate may be given at any time before the vote is taken on the resolution.

CALL OF THE HOUSE

42. Ten members may demand a call of the House and require absent members to be sent for; but a call of the House cannot be made after the voting has commenced, and such call being ordered, the doors shall be closed and no member permitted to leave the chamber until the call is suspended. And, pending the call, no motion shall be in order except it pertains to matters incidental to the call or motion to suspend further proceedings under the same, provided that the call shall not be suspended until a record of those present has been completed. Thereafter the call may be suspended by majority vote of the whole House only when all members are present or at any time by a two-thirds vote of the whole House. After the call of the House has been ordered and proceedings thereunder are suspended, the Sergeant at Arms shall not permit any member to leave the chamber unless excused by the Speaker.

SUSPENSION OF THE RULES TO HASTEN A BILL

43. Every bill shall be read on three different days, unless, in case of urgency, two-thirds of the whole House deem it expedient to dispense with this Rule; and no bill shall be passed until it shall have been read at length twice, provided that no motion for suspension of the Rules to advance a bill for consideration out of its regular order shall be made or entertained unless presented to the Speaker in writing stating the present position of the bill and then only under the order of business "Motions and Resolutions", as such order of business is reached under Rule 3. Unanimous consent must be first obtained by the member making the motion before the Speaker can entertain the motion to suspend the Rules at any other time.

A motion to suspend the Rules together with the subject matter to which it pertains shall be open to debate but the previous question may be applied thereto.

UNANIMOUS CONSENT TO MAKE A MOTION

44. Whenever unanimous consent to make a motion is requested by a member, the member as a part of such request shall

state briefly the purpose of such motion and the subject matter involved.

PROCEEDINGS ON THE PASSAGE OF RESOLUTIONS INVOLVING
THE EXPENDITURE OF MONEY, AND OF JOINT RESOLUTIONS

45a. No resolution involving the expenditure of money out of the legislative expense fund or otherwise, or joint resolution, shall be declared passed until voted for by a majority of all members elected to the House, to be determined by a roll call. All resolutions and motions involving the expenditure of money out of the legislative expense fund shall be referred to the Committee on Rules and Legislative Administration before being acted upon by the House.

MOTIONS AND PROPOSITIONS TO BE GERMANE

45b. No motion or proposition on a subject different from that under consideration shall be admitted under color of its being an amendment.

AMENDMENT NOT TO ANNEX ANOTHER BILL

45c. Except in a standing committee no bill or resolution shall at any time be amended by annexing thereto or incorporating therein any other bill or resolution pending before the House.

AMENDMENTS TO APPROPRIATION BILLS

46. No amendment increasing the amount or amounts carried by any appropriation bill shall be declared passed until voted for by a majority of all members elected to the House.

MOTION FOR RECONSIDERATION

47. When a question has once been made and carried in the affirmative or negative, it shall be in order for any member who voted with the prevailing party to move for the reconsideration thereof; but no motion for reconsideration of any vote shall be in order after a bill, resolution, message, report, or other official action upon which the vote was taken shall have gone out of the possession of the House, announcing their decision. Nor shall any motion for reconsideration be in order unless made on the same day upon which the vote was taken, or within the next two days of actual session of the House thereafter.

Such motion shall take precedence over all other questions, except the motion to adjourn; provided that when notice of intention to move such reconsideration of the final action of the House on any bill, resolution, message, report or other final action of the House shall be given by a member, the Chief Clerk of the House shall retain the said bill, resolution, message, report, or other final official action, until after the expiration of the time during which such motion can be made, as hereinbefore provided, unless the same is previously disposed of. Such notice of intention to move reconsideration of the final action of the

House on any bill, resolution, message, report or other final action shall have precedence over the motion to reconsider, except that it shall be in order for any member who voted on the prevailing side to make the motion to reconsider on the last day allowed for the making thereof, unless the same has been previously disposed of. A motion for reconsideration having been put and lost shall not be renewed.

THE MOTION TO RESCIND

48. The motion to rescind shall not be in order at any time in any proceeding in the House or of any committee thereof.

AUTHORIZED MANUAL OF PARLIAMENTARY PRACTICE

49. The rules of parliamentary practice comprised in Mason's Manual of Legislative Procedure shall govern the House in all cases in which they are applicable and in which they are not inconsistent with these Rules and Orders of the House, and the Joint Rules and Orders of the Senate and House of Representatives.

Thirty days prior to the opening of a regular session, the Speaker-designate shall provide the minority group with a list of the standing committees proposed to be established for said session and shall designate the number of minority members to be appointed to each committee. If the minority leader submits to the Speaker-designate, at least fifteen days prior to the opening of said session of the Legislature, a list of proposed committee assignments for the minority group, the Speaker shall make such proposed assignments with the end in view of attaining a proportionate representation on such committees for the minority group. The Speaker-designate may require general membership guidelines to be followed in the selection of committee members.

No committee of the House shall have exclusive membership from any one profession, occupation or vocation.

PURCHASING SUPPLIES

51. The Chief Clerk shall be the agent of the House of Representatives for the purchase of supplies, including pre-session purchase of supplies. Pursuant to Rule 12, a roll call was taken on the following amendment to H. F. No. 8 offered by Mr. Ojala:

Strike everything after the enacting clause and insert in lieu thereof the following:

“Whereas, for more than a decade the current President of the United States of America and his predecessors in office have usurped the power to make and declare war in Indochina without regard to the prerogatives of Congress, although no threat of attack on the United States of America has been occasioned by hostilities there; and

Whereas, the Congress of the United States of America has abdicated its power and its responsibility to the people by refusing to cut off funds for United States military involvement in Indochina; and

Whereas, the administration’s efforts to justify our presence and our conduct in Indochina has resulted in a calculated effort to stifle dissent through tactics of repression and intimidation; and

Whereas, such efforts to stifle dissent and discussion pose an immediate and grave threat to the peace and freedom of our people; and

Whereas, our military activities in Indochina have resulted in the deaths of hundreds of thousands of innocent men, women and children and the devastation of a large part of Indochina; and

Whereas, our preoccupation with our ability to spread death and destruction wherever we wish has made our own people insensitive to the pain and suffering of others; and

Whereas, our continued military activity in Indochina will surely turn the world against us and drain our United States of America of its economic, physical, military and spiritual resources;

Now therefore be it resolved, that the Legislature of the State of Minnesota acknowledge that the people of the State of Minnesota have patiently endured the tragedy of the war in Indochina and have sought an end to the war and a restoration of peace under Law; and

Be it further resolved, that the Legislature of the State of Minnesota hereby demands that the President and the Congress end the war immediately through a cease fire and a peace agreement, withdraw all United States forces, secure a safe release of all Prisoners of War and discontinue military aid to South Vietnam;

Be it further resolved, that the Secretary of State of Minnesota transmit copies of this Resolution to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and to the Minnesota Senators and Representatives in Congress.”

202.03 [LEGISLATIVE AND NONPARTISAN NOMINATION.] Subdivision 1. [Offices, ballot.] The chief justice and associate justices of the supreme court, judges of the district and probate courts, all members of the state legislature, and all elective county officers shall be nominated upon a separate *legislative* and nonpartisan (BALLOTS) *ballot*, as hereinafter provided. The ballot shall be designated “ballot of candidates to be nominated *for the legislature and candidates to be nominated* without party designation.”

Sec. 2. Minnesota Statutes, 1971, Section 202.03, Subdivision 2 is amended to read:

Subd. 2. [*Legislative and Non-partisan primary ballot.*] *Except as stated in subdivisions 1 and 5, (NO) no party or other designation, (EXCEPT AS STATED IN SUBDIVISION 1,) shall be placed on the ballot, nor shall any candidate filing for nomination on said ballot be permitted or required to state his party affiliation on his filing affidavit. All provisions of law relating to the nomination of party candidates as to the form of ballot, including rotation of names, the endorsement thereon, voting, marking ballots, counting, returning and canvassing results, shall apply to nomination of (THESE) all officers on the legislative and nonpartisan ballot. Each voter is entitled to vote a legislative and nonpartisan primary ballot without reference to his party affiliation.*

Sec. 3. Minnesota Statutes 1971, Section 202.03, Subdivision 3 is amended to read:

Subd. 3. [Candidates to be nominated, number.] When only two persons file for the nomination of any legislative or nonpartisan office, or when not more than twice the number of persons to be elected to a *legislative or nonpartisan* office file for the nomination thereof, their names may not be placed upon the *legislative and nonpartisan* ballot, but these persons shall be considered and shall be the nominees for the office, and their names shall be placed upon the general election ballot as the *legislative or nonpartisan* nominees.

Sec. 4. Minnesota Statutes 1971, Section 202.03 is amended by adding a subdivision to read:

Subd. 5. [*Party Designation for Legislative Candidates.*] *When filing for any office in the state legislature the person filing shall indicate, in no more than three words, with which political party or philosophy he identifies himself and such designation shall follow his name on the ballot in upper and lower case type. For purposes of this section such terms as "Conservative," "Liberal," and "Independent" shall be considered to describe political philosophy. An office in the legislature shall be considered a partisan office.*

Sec. 5. Minnesota Statutes 1971, Section 202.07, Subdivision 1, is amended to read:

202.07 [PRIMARY ELECTION BALLOT.] Subdivision 1. [Placing of name on ballot.] Except as provided in section 202.03, subdivision 3, upon proper filing of affidavit and payment of filing fee, the county auditor shall place the name of the candidate upon the primary election ballot in the ticket of the political party designated or on the *legislative and nonpartisan* ballot as provided in section 202.03, as the case may be.

[Partisan and nonpartisan candidates.] All voting at the primary election shall be by ballot. *Except as provided in section 202.03.* There shall be one ballot for all partisan candidates, grouped by parties, and a separate ballot for all candidates to be nominated without party designation.

Subd. 2. When more than one person is to be elected for the same nonpartisan office, the candidates, to a number equal to twice the number of persons to be elected, who receive the highest number of votes, shall be the nominees for the office.

Subd. 3. [Candidates, partisan offices, who nominated.] *Except as provided in subdivision 2.* The candidate for any political

party office receiving the highest (VOTE) *number of votes* at the primary election shall be the nominee of that political party for the office except as provided in subdivision 4.

Subd. 4. [Party primary, ten percent requirement.] If at the primary election any person seeking a party's nomination for an office receives a number of votes equal to ten percent of the average *number of votes* cast at the last general election for state officers of that political party within the district for which the office is voted then all candidates of that political party who receive the highest *number of (VOTE) votes* for an office are the nominees of that political party. If none of the candidates of a political party (RECEIVE) *receives* the required ten percent, then no candidates are nominated, and all the candidates of that political party may be nominated(,) by nominating petitions as provided in sections 202.09 to 202.12. The term "state officers," as used in this section for the purpose of computing the average vote to determine the ten percent as provided in this section, means the governor, lieutenant governor, secretary of state, state auditor, state treasurer, and attorney general. *This subdivison shall not apply relative to candidates for the legislature.*

Subd. 5. [General elections, nominees.] The persons certified by canvassing boards to be nominated shall constitute the nominees of the several political parties or the *legislative and nonpartisan* nominees, as the case may be, to be voted for at the next ensuing general election, and their names shall be printed upon the official ballots prepared for the ensuing election.

Sec. 7. Minnesota Statutes 1971, Section 202.14, Subdivision 1, is amended to read:

202.14 [VACANCY IN NOMINATION.] Subdivision 1. [Death or withdrawal.] A vacancy in a nomination exists when, after the primary election, any candidate who was nominated to a nonpartisan or partisan office dies, withdraws, or for any other reason ceases to be the nominated candidate for that office, or when, on the last day of filing or after the closing of filing for a *legislative or nonpartisan* office for which one or two candidates filed, any such candidate dies or withdraws, *or ceases to be a candidate to be listed on the ballot for any other reason.* When a vacancy in a nomination occurs a nomination to fill the vacancy may be made in the manner provided in subdivisions 2, 3, and 4.

Sec. 8. Minnesota Statutes 1971, Section 202.14, Subdivision 2, is amended to read:

Subd. 2. [Partisan Office.] If a vacancy in a nomination for a partisan office occurs after the primary election, it may be filled any time before the general election by filing with the proper officer a nomination certificate executed by the chairman and secretary of the proper committee of the political party whose voters made the original nomination, under the direction of the committee; and the chairman and secretary when so filing the certificate shall attach thereto an affidavit to the effect that

the candidate has been duly selected by said committee and that the persons signing said certificate and making the affidavit as such are the duly authorized chairman and secretary of said committee, *except that in the case of a vacancy in a nomination for election to the legislature the provisions of subdivision 3 and subdivision 4 shall apply.*

Sec. 9. Minnesota Statutes 1971, Section 203.33, Subdivision 2, is amended to read:

Subd. 2. [Ballots, candidates nominated by petition.] At the general election, and in the case of partisan offices, *exclusive of legislative offices*, only, the names of candidates nominated by petition shall follow those of candidates nominated at primaries in the order in which the petitions are filed.

Sec. 10. Minnesota Statutes 1971, Section 203.33, Subdivision 3, is amended to read:

Subd. 3. [Ballot, party position.] At the general election, and in the case of partisan, *exclusive of legislative*, offices only, the first name printed for each office, or group of names if more than one is to be voted for, for the same office, shall be that of the candidate of the political party which at the last preceding general election polled the largest number of votes, the same to be determined by the average vote cast for that party's candidates for partisan offices except representatives in congress *and legislative offices*. In like manner the second and succeeding lines shall be filled with the names of the candidates of the other political parties receiving the next highest number of votes respectively. For the purposes of this subdivision, the average vote of the party shall be computed by determining the total number of votes counted in the state for all of the party's candidates on the general election ballot except representatives in congress *and legislative offices*, and dividing that sum by the number of the party's candidates, except representatives in congress *and legislative offices*, appearing on the general election ballot.

Sec. 11. Minnesota Statutes 1971, Section 203.34, Subdivision 1, is amended to read:

203.34 [GENERAL ELECTION BALLOT, LEGISLATIVE AND NONPARTISAN OFFICES, ROTATION OF NAMES.] Subdivision 1. At the general election, and in the case of *legislative and nonpartisan* offices only, the names of all candidates for the same office shall be rotated on the ballots in the manner provided for primary election ballots by subdivision 5 of section 203.35, and all the provisions of subdivisions 5 and 6 of section 203.35 are applicable to general election ballots, so far as practicable.

Sec. 12. Minnesota Statutes 1971, Section 203.35, Subdivision 1, is amended to read:

203.35 [PRIMARY BALLOTS.] Subdivision 1. [Form.] Except as provided in this section, the primary election ballots shall be printed in the same general manner as is provided for

the general election ballots, so far as practicable. The auditor of each county shall have printed a sufficient number of separate primary election ballots, varied as may be necessary for the several precincts and wards. The consolidated primary election ballot shall be on white paper, the *legislative and* nonpartisan primary ballot shall be on canary paper, and any municipal primary ballot shall be on light green paper.

Sec. 13. Minnesota Statutes 1971, Section 203.35, Subdivision 2, is amended to read:

Subd. 2. [*Partisan, and legislative and nonpartisan, sample.*] At least two weeks before the primary election each auditor shall group all the *legislative and* nonpartisan candidates and the other candidates of each political party by themselves and prepare for public inspection a sample party ballot and a separate *legislative and* nonpartisan ballot. On the sample ballots only, the names of the candidates shall be arranged alphabetically according to the surname. Only one sample party ballot and one sample *legislative and* nonpartisan ballot shall be printed for any county, and the names of all candidates to be voted upon in the county shall be placed thereon. Each county auditor shall post the sample ballots in a conspicuous place in his office and give one week's published notice thereof in the official newspaper of his county.

Sec. 14. Minnesota Statutes 1971, Section 203.35, Subdivision 3, is amended to read:

Subd. 3. [*Legislative and nonpartisan offices, no contest.*] All *legislative and* nonpartisan offices for which no candidate is to be voted at the primary election shall be omitted from the ballot.

Sec. 15. Minnesota Statutes 1971, Section 203.35, Subdivision 5, is amended to read:

Subd. 5. [*Rotation of names.*] On the primary election ballots for partisan and for *legislative and* nonpartisan offices the name of each candidate for office shall be rotated with the names of the other candidates for the same office so that the name of each candidate appears substantially an equal number of times at the top, at the bottom, and at each intermediate place in the group of candidates for that office.

Sec. 16. Minnesota Statutes 1971, Section 203.35, Subdivision 8, is amended to read:

Subd. 8. [*Primary party ballot, place of ticket.*] The party ticket shall be arranged in columns, and each column shall be substantially the same in width, type and appearance. In the first column on the left shall be placed the names of the candidates of the political party which polled the highest average (VOTE) *number of votes* at the last general election in the county, and in the second column the names of the candidates of the political party which polled the next highest average (VOTE) *number*

of votes at that election in the county, and so on. For the purpose of this subdivision, the average vote of the party shall be computed by determining the total number of votes counted in the county for all of the party's candidates, *except for the legislature*, on the general election ballot, and dividing that sum by the number of the party's candidates, *excluding those for the legislature*, on the general election ballot, and dividing that sum by the number of the party's candidates, *excluding those for the legislature*, on the general election ballot.

Sec. 17. Minnesota Statutes 1971, Section 203.35, Subdivision 9, is amended to read:

Subd. 9. [Primary *legislative and nonpartisan* ballot, form.] The *legislative and nonpartisan* ballot shall be headed, "Primary Election Ballot—Candidates for the *Legislature and Candidates to be Nominated Without Party Designation*," and otherwise the same as the party ballot. At the top of the *legislative and nonpartisan* ballot the auditor shall place the names of the candidates for nomination for senator in the legislature and next, the candidates for representative in the legislature.

Sec. 18. Minnesota Statutes 1971, Section 203.47, is amended to read:

203.47 [NOMINATIONS; VACANCY.] Subdivision 1. *Legislative and Nonpartisan office*. In the case of *legislative and nonpartisan* offices, the two candidates receiving the highest number of votes at the primary election for each office to be filled shall be nominated.

Subd. 2. *Partisan offices other than legislative*. In the case of *partisan offices other than legislative*, one candidate for each office to be filled may be nominated at the primary for each political party, and the candidate of each political party receiving the highest number of votes at the primary shall be nominated without any reference to the number of votes cast by that party at the last general election.

Subd. 3. [No primary, when.] If not more than twice the number of persons to be elected to a *legislative or nonpartisan* office file for the nomination thereof, or if in the case of a *partisan office other than for the legislature* only one person from each party files as a candidate for the nomination of his party, then the persons who have filed therefor shall be nominated, and no primary may be held to make the nominations.

Sec. 19. Minnesota Statutes 1971, Section 206.07, Subdivision 1, is amended to read:

206.07 [CANDIDATES, ARRANGEMENT OF NAMES.] Subdivision 1. Placement. Where voting machines are authorized and employed the titles of offices may be arranged horizontally with the names of the candidates arranged vertically under the title of the office, or the titles of the offices may be

arranged vertically with the names of the candidates arranged horizontally opposite the respective titles. On the *legislative and nonpartisan* ballot prepared for primary elections, and on the county and district ballot prepared for the general election, the names of nominees, or names of candidates for election, as the case may be, for state senate or state house of representatives, shall be placed first on said voting machine ballots. More than one column or row may be used for the same office or party. Questions, constitutional amendments or other propositions shall be placed on the machines in the space provided for that purpose and shall be arranged in the manner which the construction of the machine requires.

Sec. 20. Minnesota Statutes 1971, Section 206.09, is amended to read:

“206.09. [BALLOT LABELS; DIAGRAMS FOR VOTING MACHINES.] The same authorities as are charged with providing paper ballots when such are used shall be required to provide all ballots, ballot labels and ballot cards, diagrams, sample ballots, return sheets and all other necessary supplies needed for the voting machines or electronic voting systems.

In state and county general elections the county auditor of each county in which voting machines or electronic voting systems are used shall provide all ballots, ballot labels, ballot cards, and other necessary printed forms and supplies needed for the voting machines, including all such forms needed for placing on such voting machines, all officers, candidates and constitutional amendments and other questions and propositions, the ballots for which are required by the election laws to be provided by the state when paper ballots are used. The total cost of printing and providing all such forms shall be prorated by each county auditor so that the state and county will pay each its proportionate share based on the total number of candidates and questions under the jurisdiction of each. The state shall pay to the county its proportionate share of such cost as herein provided, all provisions of the statutes of this state notwithstanding.

Except as herein provided all ballots (or ballot labels) shall be printed in black ink on clear white material of such size as will fit the ballot frame of the voting machine or as will conform to the requirements of electronic voting systems where used, and in as plain clear type as the space will reasonably permit. In primary elections where electronic voting systems are used, the ballot pages for the partisan primary ballots may be different colors or may be otherwise distinctively differentiated as between parties and all pages of the partisan primary ballot of a single party shall be consecutive without the intervention of any pages of any other party. In a prominent place on such ballots there shall be conspicuously printed a notice stating in substance the effect of attempting to vote in more than one partisan primary. Preparation of separate ballots for use on separate marking devices, each ballot containing the partisan primary ballot of only one party, shall also be permitted. Candidates' names may be set in as large type as the length of the majority of such names

of all candidates on the ballot permits and the remaining candidates' names may be set in such smaller sizes or styles of type as the length of each such name requires based upon the available space in the frame of the voting machine or upon the space available on any card, paper, booklet, or pages. Ballots (or ballot labels) for constitutional amendments or that portion of the ballot containing constitutional amendments shall be printed on material tinted pink. In a prominent place on such ballots, there shall be conspicuously printed a notice stating in substance that if a voter fails to vote on a constitutional amendment he votes, in effect, in the negative. Ballots (or ballot labels) for other questions shall be printed on material so tinted as to conform with the laws relating to paper ballots.

The authorities charged with the duty of providing ballots for any polling place where voting machines are used shall provide therefor at least two sample ballots which shall be arranged in the form of a diagram showing such part of the face of the voting machine as shall be in use at that election for voting for all candidates whose names are entitled to be placed on the ballot at such election and shall also show such part of the face of the voting machine as shall be in use for voting for all referendum questions, constitutional amendments or other propositions; the proper authorities shall provide at least two sample ballots, ballot cards, or ballot labels which shall be arranged in the form of a diagram showing the ballot label containing the names of all candidates and propositions to be voted upon at that election in each polling place. Candidates' names shall not be rotated on such sample ballots but shall be arranged in alphabetical order for all offices where rotation of names on the official ballots on the voting machines is required by law. Such sample ballots shall be either in full or reduced size and shall contain suitable illustrated directions for voting on the voting machine, or for operating a marking device, or such illustrated instructions shall be provided on a separate poster, to be posted adjacent to each sample ballot. Not less than two such sample ballots shall be posted in a prominent place in the polling place and shall remain open to inspection by the voters throughout the election day.

The county auditor may use a one inch or more space between the partisan ballot and the *legislative and nonpartisan* ballot, but in all cases a canary yellow color shall be used as background color on the *legislative and nonpartisan* ballots."

Subdivision 1. The commissioner or his authorized representative may enter during reasonable office hours or upon request and inspect the place of business or employment of any employer of employees in any occupation in the state, for the purpose of examining and inspecting any or all books, registers, payrolls, and other records of any such employer that in any way relate to or have a bearing upon the question of wages, hours, and other conditions of employment of any such employees; transcribe any or all of such books, registers, payrolls, and other records as he or his authorized representative may deem necessary or appropriate; and question such employees for the purpose of ascertaining whether the provisions of this act and the regulations issued pursuant thereto have been and are being complied with.

Subd. 2. The commissioner or his authorized representative may require from any employer of employees in any occupation in the state full and correct statements in writing, including sworn statements, with respect to wages, hours, name, addresses, and such other information pertaining to his employees and their employment as the commissioner or his authorized representative may deem necessary or appropriate.

Subd. 3. The commissioner or his authorized representative may issue any order requiring any employer to comply with the provisions of this act or with any regulation promulgated under the provisions of section 8. Any order shall be served by the department upon the employer or his authorized representative in person or by certified mail at the employer's place of business. If an employer wishes to contest the order for any reason, he shall file written notice of his objection to the order with the commissioner within 10 days after service of said order upon said employer. Thereafter, a public hearing shall be held in accordance with the provisions of Minnesota Statutes, Sections 15.0418 to 15.0426, and such regulations consistent therewith as the commissioner may make.

Subd. 4. The commissioner may investigate, mediate, and settle wage claims by an employee against an employer if the

failure to pay any such wage may violate Minnesota laws or any order or regulation of the department thereunder.

Subd. 5. The commissioner may commence a civil action in any court of competent jurisdiction for the benefit of any employee for a declaratory judgment with respect to any wage claim which the commissioner deems to be valid, upon a written request being filed with the commissioner by such employee, provided: (1) the failure to pay such wage would constitute a violation of Minnesota laws or any order or regulation of the department thereunder, and (2) the wage claim does not exceed \$300. The employer shall pay all costs and disbursements as may be allowed by the court, and shall further pay an assessment of ten percent of the amount of any awarded wage claim to the treasurer of the state of Minnesota. In any action herein no security for payment of costs shall be required. Nothing herein shall be construed to prevent an employee from prosecuting his own claim for wages.

Subd. 6. Upon the written request of the commissioner, the attorney general of the state of Minnesota shall commence a civil action for declaratory judgment against the employer as provided in subdivision 5.

Sec. 8. [POWER TO MAKE REGULATIONS.] Subdivision 1. The commissioner shall make and revise such regulations, including definitions of terms, as he shall deem appropriate to carry out the purposes of this act, to prevent the circumvention or evasion thereof, and to safeguard the minimum wage and overtime rates established by sections 4 and 5.

Subd. 2. The commissioner shall appoint an advisory committee composed of an equal number of not more than three representatives each of employers and employees and of not more than three disinterested persons representing the public, which he shall consult concerning the making and revising of administrative regulations.

Subd. 4. In order to prevent curtailment of opportunities for employment, avoid undue hardship, and safeguard the minimum wage rates under sections 4 and 5, the department shall also issue regulations providing for the employment of handicapped workers at wages lower than the wage rates applicable under sections 4 and 5, under permits and for such periods of time as specified therein; and providing for the employment of learners and apprentices at wages lower than the wage rates applicable

Such regulations shall have the force and effect of law upon filing as provided herein.

Sec. 9. [JUDICIAL REVIEW.] Subdivision 1. Any person who may be aggrieved by any administrative regulation issued pursuant to section 8 may obtain a review thereof in the district court for Ramsey county, by filing in such court a written petition for declaratory judgment praying that the regulation be modified or set aside. A copy of such petition shall be served upon the department. The department's findings of fact, if any, shall be conclusive upon the court if supported by substantial evidence. The court shall determine whether the regulation is in accordance with law.

If the court determines that such regulation is not in accordance with law, it shall remand the case to the department with directions to modify or revoke such regulation. If application is made to the court by any aggrieved party for leave to adduce additional evidence, such party shall show to the satisfaction of the court that such additional evidence is material, and that there were reasonable grounds for the failure to adduce such evidence before the department. If the court finds that such evidence is material and that reasonable grounds exist for the failure of the aggrieved party to adduce such evidence in prior proceedings, the court may remand the case to the department with directions that such additional evidence be taken by the department. The department may modify its findings and conclusions, in whole or in part, by reason of such additional evidence.

Subd. 2. Hearings in the district court on all appeals taken under subdivision 1 shall be privileged and take precedence over all matters, except matters of the same character. The jurisdiction of the court shall be exclusive and its judgment and decree shall be final except that the same shall be subject to review on appeal to the supreme court.

Subd. 3. The commencement of proceedings under subdivision 1 shall not, unless specifically ordered by the court, operate as a stay of an administrative regulation issued pursuant to section 8. The court shall not grant any stay of an administrative regulation unless the person complaining of such regulation shall file in the court an undertaking with a surety or sureties satisfactory to the court for the payment to the employees affected by the regulation, in the event such regulation is affirmed, of the amount by which the compensation such employees are

an additional equal amount as liquidated damages, and for costs and such reasonable attorney's fees as may be allowed by the court. Any agreement between such employee and the employer to work for less than the applicable wage rate shall be no defense to such action. Such action may be maintained in any court of competent jurisdiction by any one or more employees for and in behalf of himself or themselves.

Sec. 14. [RELATION TO OTHER LAWS.] Any standards relating to minimum wages, maximum hours, overtime compensation, or other working conditions in effect under any other law of this state on the effective date of this act which are more favorable to employees than those applicable hereunder shall not be deemed to be amended, rescinded, or otherwise affected by this act but shall continue in full force and effect until they are specifically superseded by standards more favorable to such employees by operation of or in accordance with this act or regulations issued pursuant thereto.

Sec. 15. [RIGHT OF COLLECTIVE BARGAINING.] Nothing in this act shall be deemed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers through representatives of their own choosing in order to establish wages or other conditions of work more favorable to the employees than those required by this act and regulations issued pursuant thereto.

REPORT FROM THE COMMITTEE ON RULES AND
LEGISLATIVE ADMINISTRATION

Mr. Anderson, I., for the Committee on Rules and Legislative Administration, offered the following report on the proposed Joint Rules of the Senate and House:

JOINT RULES OF THE SENATE
AND HOUSE

JOINT CONVENTIONS—HOW GOVERNED

Rule 1. The Speaker of the House shall preside at all Conventions of the two branches of the Legislature, and shall call the members to order. The Chief Clerk of the House shall be the Secretary, and the Sergeant at Arms of the House shall be the Sergeant at Arms at the Convention.

DUTIES OF THE PRESIDENT

Rule 2. The President of the Convention shall preserve order and decorum, may speak on all points of order in preference to other members; shall decide questions of order, subject to an appeal to the Convention by any member. He shall rise to put a question, but may state it sitting.

QUESTIONS—HOW STATED

Rule 3. Questions shall be distinctly put in this form, to-wit: "As many as are of the opinion that (as the question may be), say 'Aye'", and after an affirmative vote is expressed, "As many as are of the contrary opinion, say 'No' ". If the President doubts, or a division be called, the Convention shall decide—those in the affirmative of the question shall first rise and afterwards those in the negative.

PRESIDENT'S RIGHT TO VOTE

Rule 4. The President shall have the right of voting in all cases except on an appeal from the decisions, and on all questions he shall vote last.

ORDER OF DEBATE

Rule 5. When any member is about to speak or deliver any matter to the Convention, he shall rise and respectfully address himself to "Mr. President," and confine himself to the question under debate and avoid personalities.

Rule 6. Whenever any member is called to order, he shall be seated until the point of order is determined; and if called to order for words spoken in debate the exceptional words shall be reduced to writing immediately.

Rule 7. When two or more members rise at the same time, the President shall name the member who is in order.

Rule 8. No member shall speak more than twice on the same question, without permission of the Convention.

CALL OF THE CONVENTION

Rule 9. Any five members may move a call of the Convention, and require absent members to be sent for, but a call cannot be made after voting is commenced; and a call being ordered and the absentees noted, the door shall be closed and no member permitted to leave the hall until the report of the Sergeant at Arms be received and acted upon, or further proceedings under the call are suspended by a vote of the majority of all the members of the Convention.

EITHER HOUSE MAY AMEND, ETC.

Rule 10. It shall be in the power of either House to amend any amendment made by the other to any bill or resolution.

BILLS—HOW ENROLLED AND SIGNED

Rule 11. After a bill, memorial, or resolution shall have passed both Houses, it shall be duly and carefully enrolled by the enrolling clerk of the House in which it originated. The enrolling clerk of that House shall then obtain the signatures and certificates of the proper officers to the enrolled copies, present the same to the Governor for his approval, and report the date of such presentation to the respective Houses.

ELECTIONS BY JOINT CONVENTIONS

Rule 12. Whenever there shall be an election of any officer in Joint Convention, the result shall be certified by the President of the Senate and the Speaker of the House, and by them announced to their respective Houses, and shall be entered on the Journal of each and communicated to the Governor by the Secretary of the Convention.

CONFERENCE COMMITTEES

Rule 13. In all cases of disagreement between the Senate and House on amendments, adopted by either House to a bill, memorial, or resolution passed by the other House, a Conference Committee, consisting of not less than three members, nor more than five members from each House, may be requested by either House, and the other House shall appoint a similar committee. The manner of procedure shall be as follows: The Senate, for instance, passes a bill and it is duly transmitted to the House, which body adopts an amendment to the bill and passes the bill as amended, returning the same with the record of the actions of the House, to the Senate; the Senate refuses to concur in the House amendment, asks for a Conference Committee, appoints such a committee on the part of the Senate, and with a record of the action of the Senate, returns the bill to the House; if the

House adheres to its amendment, a like committee is appointed on the part of the House. The joint committee shall, at a convenient hour agreed upon, meet and state to each other, verbally or in writing, the reason of their respective Houses for or against the disagreement, and confer thereon, and shall report to both Houses such agreement as they may arrive at, if any—and if not, the fact of a disagreement. Within seven calendar days after the appointment of such committee and every seven calendar days thereafter until such time as such committee is discharged, the committee shall report its progress to both Houses. The House last having possession of the bill before the conference commences shall first act upon such report, if an agreement is reported, and duly transmit the same with the record of its action thereon to the other House together with the bill. All Conference Committees shall be open to the public. Meetings of Conference Committees shall be announced as far in advance as practicable. Except on the last day during which a bill may be passed in any year, a copy of a report of a Conference Committee shall be placed on the desk of each member of a House in written form twelve hours in advance of action on the report by that House unless the report has been reprinted in the Journal of either House for a preceding day and is available to the members.

EITHER HOUSE MAY RECEDE, ETC.

Rule 14. It shall be in order for either House to recede from any subject or matter of difference existing between the two Houses at any time previous to a conference, whether the papers upon which the difference has arisen are before it or not, and a majority shall govern, except in cases otherwise provided in the Constitution; and the question having been put and lost, shall not be again put upon the same day, and a reconsideration thereof shall in all respects be regulated by the rules of the respective Houses.

APPROPRIATIONS OF MONEY—HOW MADE

Rule 15. The same bill shall not appropriate public money or property to more than one local or private purpose.

No cause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions, and all resolutions authorizing the issuing of certificates by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of the “yeas” and “nays.”

At least twenty calendar days prior to the adjournment of the Legislature, the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective Houses eight separate appropriation bills as follows:

8. A bill covering appropriations for the highway department.

No other appropriations shall be contained in any of said bills but all other appropriations shall be contained in separate bills.

RULES OF JOINT CONVENTION

Rule 16. The Rules of the House shall be the Rules of the Joint Convention of both Houses in all cases where the foregoing rules are not applicable.

TITLE OF BILLS SHALL EXPRESS THEIR SUBJECT

Rule 17. The subject of each bill shall be clearly expressed in the title and when a bill is amendatory of an existing act, it shall not be sufficient to refer to the chapter, section or page, but the subject thereof shall be clearly stated.

Rule 18. Except where otherwise specifically provided by law, all reports of interim committees or commissions, to the Legislature, except the permanent Legislative Buildings Commission, shall be submitted on paper 8½"x11" in size, bound on the left side with three binder holes to fit a standard-size binder for 8½"x11" paper. PROTEST AND DISSENT

Pursuant to the provisions of Article 4, Section 16, of the Minnesota Constitution, the undersigned request that the following dissent and protest be entered in the Journal of the House.

The undersigned members of the House, dissent and protest the action of the House on H. F. No. 307, for the following reasons:

H. F. No. 307 is an unwarranted interference in the constitutionally-tested right of citizens to secure privately-owned premises from uninvited callers.

Owners and occupants of condominiums, cooperatives, hospitals, apartments, religious residences and other community dwellings should be free to regulate the admittance of the uninvited, be they proselytizers, peddlers or politicians. As the Court said in *Watchtower Bible and Tract Society v. Metropolitan Life Insurance Company*, "there is no invitation either expressed or implied, to the public to enter into the common hallways of an apartment house for the purpose of using them as a forum in which to air one's views on any subject, be it religious, political or anything else" (69 NYS₂385,393, affirmed 75 NYS₂81, 272 App. Div. 103, appeal denied 297 NY805, certiorari denied 69 D Ct. 232, rehearing denied 69 S. Ct. 479).

Also, governmental agencies (such as state colleges and universities) should be free to adopt reasonable rules and regulations regarding visits to campus living quarters by campaigning politicians.

"Section 1. [104.31] [WILD AND SCENIC RIVERS ACT.] This act may be cited as the "Minnesota wild and scenic rivers act."

Sec. 2. [104.32] [POLICY.] The legislature finds that certain of Minnesota's rivers and their adjacent lands possess

outstanding scenic, recreational, natural, historical, scientific and similar values. Because it is in the interest of present and future generations to retain these values, it is hereby declared to be a policy of Minnesota and an authorized public purpose to preserve and protect these rivers.

Sec. 3. [104.33] [SYSTEM; CRITERIA FOR INCLUSION.] Subdivision 1. The whole or a segment of any river and its adjacent lands in this state that possesses outstanding scenic, recreational, natural, historical, scientific, or similar values shall be eligible for inclusion within the Minnesota wild and scenic rivers system. "River" means a flowing body of water such as a stream or a segment or tributary thereof, and may include lakes through which the river or stream flows.

Subd. 2. Rivers or segments thereof included within the system shall be classified as wild, scenic, or recreational.

(a) "Wild" rivers are those rivers that exist in a free-flowing state, with excellent water quality, and with adjacent lands that are essentially primitive. "Free-flowing" means existing in natural condition without significant artificial modification such as impoundment, diversion, or straightening. The existence, however, of low dams, diversion works or other minor structures at the time any river is proposed for inclusion shall not automatically bar its inclusion as a wild, scenic, or recreational river.

(b) "Scenic" rivers are those rivers that exist in a free-flowing state and with adjacent lands that are largely undeveloped.

(c) "Recreational" rivers are those rivers that may have undergone some impoundment or diversion in the past and may have adjacent lands that are considerably developed, but that are still capable of being managed so as to further the purposes of this act.

Sec. 4. [104.34] [COMMISSIONER'S DUTIES.] Subdivision 1. The commissioner of natural resources shall be responsible for administering the wild and scenic rivers system and his duties shall include but not be limited to conducting studies, developing criteria for classification and designation of rivers, designating rivers for inclusion within the system, and management of the components of the system including promulgation of regulations with respect thereto.

Subd. 2. The commissioner shall promulgate, in the manner provided in chapter 15, statewide minimum standards and criteria for the preservation and protection of shorelands within the boundaries of wild, scenic, and recreational rivers. Such standards and criteria (a) may include but need not be limited to the matters covered in the commissioner's standards and criteria for shoreland areas, as set out in section 105.485; (b) shall further the purposes of this act and of the classifications of rivers established hereunder; and (c) shall apply to the same local governments as are or may hereafter be specified in section 105.485.

Sec. 5. [104.35] [MANAGEMENT PLANS; HEARING; ESTABLISHMENT.] Subdivision 1. For each river proposed to be included in the wild and scenic rivers system, the commissioner shall prepare a management plan to preserve and enhance the values that cause the river to be proposed for inclusion in the system. The plan shall give primary emphasis to the area's scenic, recreational, historical, scientific, and similar values. The plan shall set forth the proposed classification of the river and segments thereof, and the boundaries of the area along the river to be included within the system. The boundaries shall include not more than 320 acres per mile on both sides of the river. The plan shall include proposed regulations governing the use of public lands and waters within the area, which may differ from any statewide regulations to the extent necessary to take account of the particular attributes of the area. The plan may include proposed standards and criteria for local land use controls that differ from the statewide standards and criteria to the extent necessary to take account of the particular attributes of the area.

Subd. 2. The commissioner shall make the proposed management plan available to affected local governmental bodies, shoreland owners, conservation and outdoor recreation groups, and the general public. Not less than sixty days after making such information available, the commissioner shall conduct a public hearing on the proposed management plan in the county seat of each county which contains a portion of the designated area, in the manner provided in chapter 15.

Subd. 3. Following the public hearing, and such additional public hearings as the commissioner shall deem necessary, he may by order establish the river or segment thereof as a wild, scenic, or recreational river, and shall adopt a management plan to govern the area. The commissioner shall notify and inform public agencies and private landowners of the plan and its purposes so as to encourage their cooperation in the management and use of their land in a manner consistent with the plan and its purposes.

Subd. 4. The legislature may at any time designate additional rivers to be included within the system, delete rivers previously included in the system, or change the classification of rivers theretofore classified by the commissioner.

Sec. 6. [104.36] [LOCAL LAND USE ORDINANCES.] Subdivision 1. Within six months after establishment of a wild, scenic, or recreational river area, each local government containing any portion thereof shall adopt or amend its local ordinances and land use district maps to the extent necessary to comply with the standards and criteria of the commissioner and the management plan. If a local government fails to adopt adequate ordinances, maps, or amendments thereto within six months, the commissioner shall adopt such ordinances, maps, or amendments in the manner and with the effect specified in section 105.485, subdivisions 4 and 5.

Subd. 2. The commissioner shall assist local governments in the preparation, implementation and enforcement of the ordinances required herein, within the limits of available appropriations and personnel.

Sec. 7. [104.37] [ACQUISITION OF INTEREST IN LAND.] To further the purposes of this act, the commissioner of administration, for the commissioner of natural resources, may acquire the title, scenic easements or other interests in land, by purchase, grant, gift, devise, exchange, lease, eminent domain, or other lawful means. "Scenic easement" means an interest in land, less than the fee title, which limits the use of such land for the purpose of protecting the scenic, recreational, or natural characteristics of a wild, scenic or recreational river area. Unless otherwise expressly and specifically provided by the parties, such easement shall be (a) perpetually held for the benefit of the people of Minnesota; (b) specifically enforceable by its holder or any beneficiary; and (c) binding upon the holder of the servient estate, his heirs, successors and assigns. Unless specifically provided by the parties, no such easement shall give the holder or any beneficiary the right to enter on the land except for enforcement of the easement.

Sec. 8. [104.38] [RESPONSIBILITIES OF OTHER GOVERNMENTAL UNITS.] All state, local and special governmental units, councils, commissions, boards, district, agencies, departments and other authorities shall exercise their powers so as to further the purposes of this act and management plans adopted by the commissioner hereunder. Land owned by the state, its agencies and subdivisions shall be administered in accordance with the management plan, and no land owned by such governmental bodies within the designated boundaries of a wild, scenic or recreational river area shall be transferred to any other person or entity if such transfer would be inconsistent with such plan.

Sec. 9. [104.39] [FEDERAL-STATE REGULATIONS.] Nothing in this act shall preclude a river in the Minnesota wild and scenic rivers system from becoming a part of the federal wild and scenic rivers system as established in the wild and scenic rivers act, Public Law 90-542; 16 United States Code Section 1271 et seq., as amended. The commissioner is authorized to seek, alone or in conjunction with other governmental authorities, financial and technical assistance from the federal government and to enter into written cooperative agreements for the joint administration of a Minnesota river in the federal wild and scenic rivers system. The commissioner is hereby empowered to adopt any regulation concerning a river or rivers in the wild and scenic rivers system which is necessary or desirable in order to qualify a river for inclusion in the federal wild and scenic rivers system or for federal financial assistance.

Sec. 10. [104.40] [CONFLICT WITH OTHER LAWS.] Each river in the wild and scenic rivers system shall be subject to the provisions of this act, provided that in case of conflict with

some other law of this state the more protective provision shall apply.”.

HOUSE RESOLUTION NO. 15

A house resolution in tribute to Dr. Irvamae Applegate.

Whereas, the death of Dr. Irvamae Applegate, dean of the School of Education at St. Cloud State College and a past president of the National Education Association and the Minnesota Education Association, is a deep, abiding loss to education in general and to Minnesota in particular; and

Whereas, Dr. Applegate was totally dedicated to improving lives, individually and collectively, through education so that in exhausting her life she renewed life in others; and

Whereas, this outstanding teacher and administrator played a significant role in the advancement of education in this state, throughout the nation and in other parts of the world; and

Whereas, she taught by active example:

She graduated in 1937 from Beulah (North Dakota) High School and in 1941 earned her BS degree in home economics at North Dakota Agricultural College (now North Dakota State University).

She received an MA degree in audiovisual education in 1951 and a PhD in curriculum and instruction in 1957 at the University of Minnesota.

From 1941 to 1943 she was a junior high school science teacher in Cass Lake.

She was a classroom teacher and principal at Hazen, North Dakota, from 1943 to 1946. For one year she worked as a newspaper reporter in Aitkin. From 1947 to 1954 she taught biology and was a guidance director in Princeton, followed by two years as junior high school principal.

Dr. Applegate joined the faculty of St. Cloud State College as a supervisor of student teachers in 1956. She became associate dean for teacher education and head of the Division of Education in 1961. The next year she became the first woman dean of a school of education at a comprehensive college or university in the United States.

As active in education outside the classroom as inside it, Dr. Applegate moved from organizing a Future Teachers of America chapter in Princeton to heading the National Education Association, which passed the one-million-member mark during her 1966-67 term, as president.

Her climb to national prominence in education began on a local level, when she helped organize and then served as president of the Princeton Education Association. She was a commit-

tee chairman, board member and, in 1960, president of the Central Minnesota Education Association. After serving on state education committees and the Minnesota Education Association's board of Directors, in 1963 she became president of the MEA, which at that time had 36,000 members.

On the national level, Dr. Applegate was on the executive committee of the National Council of State Association Presidents and was active in the NEA Teacher Education and Professional Standards group. In 1967 she presided over the NEA Convention in Minneapolis, attended by some 12,000 educators from throughout the country.

Her involvement in education continued after her year as NEA president. Dr. Applegate served on the Minnesota Advisory Committee on Teacher Education, the Minnesota Mental Health Planning Council, the Governor's Advisory Council on Children and Youth and the Governor's Commission on the Status of Women.

In 1967 she received the Award for Service to Education in the areas of civil and human rights. She was named NEA's H. Council Trenholm chairman of NEA's Task Force on Urban Education in 1968. In 1971 Dr. Applegate was named chairman pro tem of NEA's Constitutional Convention.

She also was re-elected in 1971 to her second two-year term as a representative to the executive committee of the World Confederation of Organizations of the Teaching Profession (WCOTP). She attended annual meetings of the WCOTP, an international group of representatives of teacher organizations in 66 nations, in Korea, British Columbia, Ireland, Australia, Ivory Coast and Jamaica.

Last January, Dr. Applegate was elected to a one-year term on the board of directors of the American Association of Colleges for Teacher Education.

Her work in education has been recognized in many ways. She has been listed in "Who's Who in America," "Who's Who of American Women," "Who's Who in American Education" and, most recently, in the 1971 edition of "Outstanding Educators of America" and the 1972 edition of "Two Thousand Women of Achievement."

She received an honorary doctor of science degree from North Dakota State University in 1963 for outstanding Educational leadership. The same year she received the President's Citation from the Minnesota Audio-Visual Coordinators Association.

She was a member of the American Association of University Women and the American Legion Auxiliary. The St. Cloud Business and Professional Women's Club named her outstanding woman of the year and she later received the Top Hat Award at the state level. She also was active in Delta Kappa Gamma, Pi Lambda Theta, Zonta and the Girl Scout organization.

Whereas, during her remarkable career Dr. Applegate influenced major developments affecting large organizations without ever losing the personal touch characteristic of greatness; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, that recognition of that proud heritage of excellence be recorded in the Journal of the House of Representatives of the 1973 session of the Minnesota Legislature.

Pehler moved that House Resolution No. 15 be now adopted.
House Resolution No. 15 was adopted.

Pleasant introduced:

House Resolution No. 16, A house resolution expressing congratulations, and commending the first graduating class of the Bloomington Volunteer Reserve Police Officers.

SUSPENSION OF RULES

Pleasant moved that the Rules be so far suspended that House Resolution No. 16 be now considered and be placed upon its adoption. The motion prevailed.

HOUSE RESOLUTION NO. 16

A house resolution expressing congratulations, and commending the first graduating class of the Bloomington Volunteer Reserve Police Officers.

Whereas, thirty volunteer persons from the city of Bloomington have completed 210 formal hours of extensive classroom training over a two year period, plus many hours of on the job training with members of the regular police force, to serve as an auxiliary to the Bloomington Police Force; and

Whereas, they are the first group of volunteers in the United States to complete such an extensive program of training, as the longest training period that is known is 180 hours; and

Whereas, these men have demonstrated through their stamina and ability to complete this course, a sincere interest in the well-being of their city and the persons who reside in it; and

Whereas, they will graduate in a formal ceremony on the evening of March 19, 1973 during the Bloomington City Council meeting; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, that special tribute be paid and sincere congratulations be expressed to the thirty members of the first graduating class of the Volunteer Reserve Police Officers.

Be It Further Resolved, that the Chief Clerk of the House of Representatives forward a formal copy of this resolution to the Chief of Police in Bloomington, Minnesota.

The minimum rate for all employers shall be (SEVEN) *nine* tenths of one percent if the amount in the unemployment compensation fund is less than (\$130,000,000) \$90,000,000 on June 30 of the preceding calendar year; or (SIX) *eight* tenths of one percent if the fund is more than (\$130,000,000) \$90,000,000 but less than (\$150,000,000) \$110,000,000; or (FIVE) *seven* tenths of one percent if the fund is more than (\$150,000,000) \$110,000,000 but less than (\$170,000,000) \$130,000,000; or (THREE) *six* tenths of one percent if the fund is more than (\$170,000,000) \$130,000,000 but less than (\$200,000,000) \$150,000,000; or (ONE TENTH) *five tenths* of one

Provided that in no event shall a successor be assigned a rate of less than 2.7 percent until such time as all of the unpaid contributions of the predecessor have been paid. Credits due to a predecessor as a result of overpayment of contributions under this subdivision may be granted to the successor upon assignment thereof by such predecessor in such form and in accordance with such regulations as may be prescribed by the commissioner. Subd. 5. [SERVICES PERFORMED FOR STATE, MUNICIPALITIES OR CHARITABLE CORPORATIONS.] *Effective January 1, 1974*, benefits based on service in employment defined in section 268.04, subdivision 12, clauses (7), (8), and (9), shall be payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this law (;) except that, (a) benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education (as defined in section 268.04, subdivision 12, clause (15)) shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years,

or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or contracts to perform services in any such capacity for any institution or institutions of higher education for both such academic years or both such terms (.); (b) *benefits based on wage credits earned in the employment of a public school shall not be paid to an individual during any period between two successive school years when the activity in which the wage credits were earned is not normally performed. This provision shall not apply to any individual who, prior to the end of a school year, has voluntarily left or has been indefinitely separated from such employment. For the purposes of this clause, school year means that period established by a school board in accordance with Minnesota Statutes 1971, Section 126.12.*

Sec. 9. Minnesota Statutes 1971, Section 268.09, Subdivision 1, as amended by Laws 1973, Chapter 23, Section 1, is amended to read:

268.09 [DISQUALIFIED FROM BENEFITS.] Subdivision 1. [DISQUALIFYING CONDITIONS.] An individual shall be disqualified for benefits:

(1) [VOLUNTARY LEAVING OR DISCHARGE FOR MISCONDUCT.] If such individual voluntarily and without good cause attributable to the employer discontinued his employment with such employer or was discharged for misconduct, not amounting to gross misconduct, connected with his work or for misconduct which interferes with and adversely affects his employment, if so found by the commissioner, for not less than five nor more than eight weeks of unemployment in addition to and following the waiting period, or was discharged for gross misconduct connected with his work or gross misconduct which interferes with and adversely affects his employment, if so found by the commissioner, for 12 weeks of unemployment in addition to and following the waiting period, which disqualification shall not be removed by subsequent employment, and provided further that the commissioner is empowered to impose a total disqualification for the benefit year and to cancel part or all of the wage credits from the last employer from whom he was discharged for gross misconduct connected with his work, and the maximum benefit amount payable to such individual shall be reduced as follows:

(a) by an amount equal to the weekly benefit amount times the number of weeks for which such individual was disqualified, when the separation occurs as a result of discharge for misconduct;

(b) by an amount equal to two times the weekly benefit amount, when the separation occurs because of a voluntary separation as described in this clause;

(c) by an amount equal to 12 times his weekly benefit amount, when the separation occurs as a result of a discharge for gross misconduct.

For the purpose of this clause "gross misconduct" shall be defined as misconduct involving assault and battery, or an immoral act, or the malicious destruction of property or the theft of money or property of a value of \$50, or more.

This provision shall not apply to any individual who left his employment to accept work offering substantially better conditions of work or substantially higher wages or both, or whose separation from such employment was due to serious illness of such individual.

(2) [SEPARATION TO ASSUME FAMILY OBLIGATIONS.] If such individual (IS SEPARATED FROM HIS EMPLOYMENT BECAUSE OF PREGNANCY OR VOLUNTARILY DISCONTINUES HIS EMPLOYMENT FOR THE PURPOSE OF VISITING OR LIVING WITH HIS SPOUSE, OR ASSUMING HOUSEHOLD DUTIES;) *voluntarily leaves employment because of pregnancy without availing herself of maternity leave rights provided by law*, provided that such disqualifications shall be removed by subsequent employment in insured work for a period of not less than six weeks.

(3) [LIMITED OR NO CHARGE OF BENEFITS.] Benefits paid subsequent to an individual's separation under any of the foregoing clauses or because of his failure, without good cause, to accept an offer of suitable re-employment, shall not be used as a factor in determining the future contribution rate of the employer from whose employment such individual separated or whose offer of re-employment he refused; provided that this clause shall not apply to an individual involuntarily separated from employment because of pregnancy.

(4) [FAILURE TO APPLY FOR OR ACCEPT SUITABLE WORK.] If the commissioner finds that he has failed, without good cause, either to apply for available, suitable work when so directed by the employment office, or the commissioner or to accept suitable work when offered him, or to return to his customary self-employment (if any) when so directed by the commissioner, or to actively seek employment. Such disqualification shall continue for the week in which such refusal or failure occurred and for a period of seven weeks of unemployment immediately following such refusal or failure.

(a) In determining whether or not any work is suitable for an individual, the commissioner shall consider the degree of risk involved to his health, safety, and morals, his physical fitness and prior training, his experience, his length of unemployment and prospects of securing local work in his customary occupation, and the distance of the available work from his residence.

(b) Notwithstanding any other provisions of sections 268.03 to 268.24, no work shall be deemed suitable, and benefits shall not be denied thereunder to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

(1) if the position offered is vacant due directly to a strike, lockout, or other labor dispute;

(2) if the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality;

(3) if as a condition of being employed the individual would be required to join a union or to resign from or refrain from joining any bona fide labor organization;

(4) if after December 31, 1971, such individual is in training with the approval of the commissioner.

(5) [LABOR DISPUTE.] If such individual has left or partially or totally lost his employment with an employer because of a strike or other labor dispute. Such disqualification shall prevail for each week during which such strike or other labor dispute is in progress at the establishment in which he is or was employed, except that such disqualification shall be for one week following commencement of the strike or other labor dispute for any employee who is not participating in or directly interested in the labor dispute which caused such individual to leave or partially or totally lose such employment. Failure or refusal of an individual to accept and perform available and customary work in the establishment constitutes participation. For the purpose of this section the term "labor dispute" shall have the same definition as provided in the Minnesota labor relations act. Nothing in this subdivision shall be deemed to deny benefits to any employee:

- (a) who becomes unemployed because of a lockout,
- (b) who is dismissed during the period of negotiation in any labor dispute and prior to the commencement of a strike, or
- (c) unless he is unemployed because of a jurisdictional dispute between two or more unions.

Provided, however, that voluntary separation during the time that such strike or other labor dispute is in progress at such establishment shall not be deemed to terminate such individual's participation in or direct interest in such strike or other labor dispute for purposes of this subdivision.

Benefits paid to an employee who has left or partially or totally lost his employment because of a strike or other labor dispute shall not be charged to his employer's account unless the employer was a party to the particular strike or labor dispute.

(6) [REFUSAL OF SUITABLE RE-EMPLOYMENT.] If such individual has failed without good cause to accept suitable re-employment offered by a base period employer. Such disqualification shall prevail for the week in which the failure occurred and for a period of seven weeks of unemployment following such failure, provided such disqualification shall not apply if such individual is in training with the approval of the commissioner."

Sec. 2. Minnesota Statutes 1971, Chapter 514, is amended by adding a section to read:

[514.011] [NOTICE.] *Subdivision 1. [CONTRACTORS.] Every person who enters into a contract with the owner for the*

improvement of real property and who has contracted or will contract with any subcontractors or materialmen to provide labor, skill or materials for the improvement shall give the owner the notice required in this subdivision. The notice shall be delivered personally or by certified mail to the owner or his authorized agent within ten days after the contract for the work of improvement is agreed upon. The notice shall be in at least 10-point bold type, if printed, or in capital letters, if typewritten and shall state as follows:

(a) Persons or companies furnishing labor or materials for the improvement of real property may enforce a lien upon the improved land if they are not paid for their contributions, even if such parties have no direct contractual relationship with the owner;

(b) Minnesota law permits the owner to withhold from his contractor so much of the contract price as may be necessary to meet the demands of all other lien claimants, pay directly such liens and deduct the cost thereof from the contract price, or withhold amounts from his contractor until the expiration of 90 days from the completion of such improvement unless the contractor furnishes to the owner waivers of claims for mechanics' liens signed by persons who furnished any labor or material for the improvement and who provided the owner with timely notice.

A person who fails to provide the notice shall not have the lien and remedy provided by this chapter.

The notice required by this subdivision is not required of any person who is himself an owner of the improved real estate, to any corporate contractor of which the owner of the improved real estate is an officer or controlling shareholder, to any contractor who is an officer or controlling shareholder of a corporation which is the owner of the improved real estate, or to any corporate contractor managed or controlled by substantially the same persons who manage or control a corporation which is the owner of the improved real estate.

If we are not paid by your CONTRACTOR, we can file a claim against your property for the price of our services unless you have ALREADY paid your CONTRACTOR in full. ENFORCEMENT OF OUR CLAIM COULD MEAN THE LOSS OF YOUR PROPERTY IF YOU ARE UNABLE TO PAY US FOR OUR SERVICES.

To protect yourself, Minnesota law allows you to either:

1. Withhold payment to your CONTRACTOR for up to 90 days from the completion of the improvement or until he provides you with a waiver of claim from us which states that we will not file a claim against your property; or

2. Pay us directly and deduct the amount paid from the amount you owe your CONTRACTOR."

Subd. 3. [MATERIALMEN; MAY REQUEST INFORMATION; OWNER DEFINED.] A contractor who contracts with any subcontractors or materialmen to provide labor, skill or materials for the improvement shall upon request provide the subcontractor or materialmen with the name and address of the owner. 514.03 [EXTENT AND AMOUNT OF LIEN.] Subdivision 1. With respect to any contract or improvement as to which notice is not required by section 2, the lien shall be as follows:

(a) If the contribution (BE) is made under a contract with the owner and for an agreed price, the lien as against him shall be for the sum (SO) agreed upon (, OTHERWISE, AND) ;

(b) In all *other* cases, (AS AGAINST OTHERS THAN THE OWNER,) it shall be for the reasonable value of the work done, and of the skill, material, and machinery furnished.

Subd. 2. With respect to any contract or improvement as to which notice is required by section 2, the lien shall be as follows:

(a) *If the contribution is made under a contract with the owner and for an agreed price, the lien as against him shall be for the sum agreed upon;*

(b) *In all other cases, it shall be for the reasonable value of the work done, and of the skill, material, and machinery furnished. Provided, however:*

(c) *No lien shall exceed the lien claimant's proportional share of the total amount due between the owner and his contractor; and provided further:*

(d) *The total sum of all liens, whether the contribution is made under a contract with the owner or otherwise, shall not exceed the total of said contract price plus the contract price or reasonable value of any additional contract or contracts between the owner and the contractor or additional work ordered by the owner, less the total of the following:*

(i) *Payments made by the owner or his agent to the contractor prior to receiving any notice prescribed by section 2, subdivision 2;*

(ii) *Payments made by the owner or his agent to discharge any lien claims as authorized by section 514.07; and*

Sec. 4. Minnesota Statutes 1971, Section 514.05, is amended to read:

514.05 [WHEN LIEN ATTACHES; NOTICE.] All such liens, as against the owner of the land, shall attach and take effect from the time the first item of material or labor is furnished upon the premises for the beginning of the improvement, and shall be preferred to any mortgage or other encumbrance not then of record, unless the lienholder had actual notice thereof. As against a bona fide purchaser, mortgagee, or encumbrancer without notice, no lien shall attach prior to the actual and visible beginning of the improvement on the ground, but a person having a contract for the furnishing of labor, skill, material, or machinery for such improvement, may file for record with the register of deeds of the county within which the premises are

situated, or, if claimed under section 514.04, with the secretary of state, a brief statement of the nature of such contract, which statement shall be notice of his lien (FOR THE CONTRACT PRICE OR VALUE OF ALL CONTRIBUTIONS TO SUCH IMPROVEMENT THEREAFTER MADE BY HIM OR AT HIS INSTANCE).

Sec. 5. Minnesota Statutes 1971, Section 514.07, is amended to read:

514.07 [PAYMENTS WITHHELD; LIEN WAIVERS.] The owner may withhold from his contractor so much of the contract price as may be necessary to meet the demands of all persons, other than such contractor, having a lien upon the premises for labor, skill, or material furnished for the improvement, and for which the contractor is liable; and he may pay and discharge all such liens and deduct the cost thereof from such contract price. (ANY SUCH PERSON HAVING A LIEN UNDER THE CONTRACTOR, MAY SERVE UPON THE OWNER, AT ANY TIME, A NOTICE OF HIS CLAIM.) *No owner shall be required to pay his contractor until the expiration of 90 days from the completion of the improvement, except to the extent that the contractor shall furnish to the owner waivers of claims for mechanics' liens signed by persons who furnished labor, skill or material for the improvement and who have given the notice required by section 2, subdivision 2.* The owner, within 15 days after the completion of the contract, may require any person having a lien hereunder, by written request therefor, to furnish to him an itemized and verified account of his lien claim, the amount thereof, and his name and address; and no action or other proceeding shall be commenced for the enforcement of such lien until ten days after such statement is so furnished. The word "owner," as used in this section, includes any person interested in the premises otherwise than as a lienor thereunder.

Sec. 6. Minnesota Statutes 1971, Section 514.08, is amended to read:

514.08 [STATEMENT; NOTICE; NECESSITY FOR RECORDING; CONTESTS.] *Subdivision 1.* The lien shall cease at the end of 90 days after doing the last of such work, or furnishing the last item of such skill, material, or machinery, unless within such period:

(1) A statement of the claim therefor, be filed for record with the register of deeds of the county in which the improved premises are situated, or, if the claim be made under section 514.04, with the secretary of state; *and*

(2) *A copy of such statement be served personally or by certified mail on the owner or his authorized agent.*

Subd. 2. Such statement shall be made by or at the instance of the lien claimant, be verified by the oath of some person shown by such verification to have knowledge of the facts stated, and shall set forth:

(1) A notice of intention to claim and hold a lien, and the amount thereof;

(2) That such amount is due and owing to the claimant for labor performed, or for skill, material, or machinery furnished, and for what improvement the same was done or supplied;

(3) The names of the claimant, and of the person for or to whom performed or furnished;

(4) The dates when the first and last items of the claimant's contribution to the improvement were made;

(5) A description of the premises to be charged, identifying the same with reasonable certainty;

(6) The name of the owner thereof at the time of making such statement, according to the best information then had; (AND)

(7) The post-office address of the claimant. (The failure to insert such post-office address shall not invalidate the lien statement);

(8) *That a copy of such statement has been served on the owner or his authorized agent as provided herein; and*

(9) *That notice as required by section 2, subdivision 2, if any, was given.*

Sec. 7. Minnesota Statutes 1971, Section 514.11, is amended to read:

514.11 [COMMENCEMENT OF ACTION; PROCEEDINGS.] The action may be commenced by any lienholder who has filed his lien statement for record *and served a copy thereof on the owner pursuant to section 514.08*, and all other such lienholders shall be made defendants therein. The summons shall state that the complaint has been filed with the clerk and shall be of no effect unless such complaint be in fact so filed. It shall contain a notice that the action is brought to foreclose a lien, giving the amount thereof, and a brief description of the premises affected, and of the improvement out of which the lien arose, and shall require each defendant to file his answer to the complaint with the clerk within 20 days after service on him. Such answer, in addition to all other matters proper to be pleaded, shall set up any lien claimed by the defendant, and demand the enforcement thereof. No copies of such complaint or answer need be served on any party, upon demand or otherwise, and all averments of the answer shall be taken as denied without further pleading.
