"Section 1. Minnesota Statutes 1974, Section 282.01, Subdivision 1, is amended to read:

282.01 [TAX-FORFEITED LANDS.] Subdivision 1. [CLASSIFICATION; USE; EXCHANGE.] (EXCEPT AS OWNERSHIP OF PARTICULAR TRACTS OF LAND SHOULD BE HELD BY THE STATE OR ITS SUBDIVISIONS FOR A RECOGNIZED PUBLIC PURPOSE AND PUBLIC ACCESS, IT IS THE GENERAL POLICY OF THIS STATE TO ENCOURAGE RETURN OF TAX-FORFEITED LANDS TO PRIVATE OWNERSHIP AND THE TAX ROLLS THROUGH SALE, AND CLASSIFICATION OF LANDS ACCORDING TO THIS CHAPTER IS NOT IN CONTRAVENTION OF THIS GENERAL POLICY.) All parcels of land becoming the property of the state in trust under the provisions of any law now existing or hereafter enacted declaring the forfeiture of lands to the state for taxes, shall be classified by the county board of the county wherein such parcels lie as conservation or nonconservation. Such classification shall be made with consideration, among other things, to the present use of adjacent lands, the productivity of the soil, the character of forest or other growth, accessibility of lands to established roads, schools, and other public services, and their peculiar suitability or desirability for particular uses. Such classification, furthermore, shall aid: to encourage and foster a mode of land utilization that will facilitate the economical and adequate provision of transportation, roads, water supply, drainage, sanitation, education, and recreation; to facilitate reduction of governmental expenditures; to conserve and develop the natural resources; and to foster and develop agriculture and other industries in the districts and places

best suited thereto. In making such classification the county board may make use of such data and information as may be made available by any office or department of the federal, state, or local governments, or by any other person or agency possessing information pertinent thereto at the time such classification is made. Such lands may be reclassified from time to time as the county board may deem necessary or desirable, except as to conservation lands held by the state free from any trust in favor of any taxing district. Provided that if any such lands are located within the boundaries of any organized town, with taxable valuation in excess of \$20,000, or incorporated municipality, the classification or reclassification and sale shall first be approved by the town board of such town or the governing body of such municipality insofar as the lands located therein are concerned. Any tax-forfeited lands may be sold by the county board to any organized or incorporated governmental subdivision of the state for any public purpose for which such subdivision is authorized to acquire property or may be released from the trust in favor of the taxing districts upon application of any state agency for any authorized use at not less than their value as determined by the county board. The commissioner of revenue shall have power to convey by deed in the name of the state any tract of tax-forfeited land held in trust in favor of the taxing districts, to any governmental subdivision for any authorized public use, provided that an application therefor shall be submitted to the commissioner with a statement of facts as to the use to be made of such tract and the need therefor and the recommendation of the county board. The deed of conveyance shall be upon a form approved by the attorney general and shall be conditioned upon continued use for the purpose stated in the application, provided, however, that if the governing body of such governmental subdivision by resolution determines that some other public use shall be made of such lands, and such change of use is approved by the county board and an application for such change of use is made to the commissioner, and approved by him, such changed use may be made of such lands without the necessity of the governing body conveying the lands back to the state and securing a new conveyance from the state to the governmental subdivision for such new public use.

Whenever any governmental subdivision to which any tax-forfeited land has been conveyed for a specified public use as provided in this section shall fail to put such land to such use, or to some other authorized public use as provided herein, or shall abandon such use, the governing body of the subdivision shall authorize the proper officers to convey the same, or such portion thereof not required for an authorized public use, to the state of Minnesota, and such officers shall execute a deed of such conveyance forthwith, which conveyance shall be subject to the approval of the commissioner and in form approved by the attorney general, provided, however, that a sale, lease, transfer or other conveyance of such lands by a housing and redevelopment authority as authorized by sections 462.411 to 462.711 shall not be an abandonment of such use and such lands shall not be recon-

veyed to the state nor shall they revert to the state. No vote of the people shall be required for such conveyance. In case any such land shall not be so conveyed to the state, the commissioner of revenue shall by written instrument, in form approved by the attorney general, declare the same to have reverted to the state, and shall serve a notice thereof, with a copy of the declaration, by registered mail upon the clerk or recorder of the governmental subdivision concerned, provided, that no declaration of reversion shall be made earlier than five years from the date of conveyance for failure to put such land to such use or from the date of abandonment of such use if such lands have been put to such use. The commissioner shall file the original declaration in his office, with verified proof of service as herein required. The governmental subdivision may appeal to the district court of the county in which the land lies by filing with the clerk of court a notice of appeal, specifying the grounds of appeal and the description of the land involved, mailing a copy thereof by registered mail to the commissioner of revenue, and filing a copy thereof for record with the register of deeds or registrar of titles, all within 30 days after the mailing of the notice of reversion. The appeal shall be tried by the court in like manner as a civil action. If no appeal is taken as herein provided, the declaration of reversion shall be final. The commissioner of revenue shall file for record with the register of deeds or registrar of titles, of the county within which the land lies, a certified copy of the declaration of reversion and proof of service.

Any city of the first class now or hereafter having a population of 450,000, or over, or its board of park commissioners, which has acquired tax-forfeited land for a specified public use pursuant to the terms of this section, may convey said land in exchange for other land of substantially equal worth located in said city of the first class, provided that the land conveyed to said city of the first class now or hereafter having a population of 450,000, or over, or its board of park commissioners, in exchange shall be subject to the public use and reversionary provisions of this section; the tax-forfeited land so conveyed shall thereafter be free and discharged from the public use and reversionary provisions of this section, provided that said exchange shall in no way affect the mineral or mineral rights of the state of Minnesota, if any, in the lands so exchanged."

"Sec. 16. Minnesota Statutes 1974, Section 354.44, is amended by adding a subdivision to read:

Subd. 1a. [MANDATORY RETIREMENT.] Notwithstanding the provisions of sections 43.30 or 197.45 to 197.48, a member shall terminate employment on August 31, 1975, or at the end of the academic year in which he reaches the age of 65, whichever is later. For purposes of this subdivision, an academic year shall be deemed to end August 31. A member who terminates employment at any time during the academic year at the end of which such person is required to terminate employment pursuant to this subdivision shall, for the purpose of determining eligibility for a proportionate retirement annuity, be considered to have been required to terminate employment at age 65 or earlier pursuant to this subdivision.

Sec. 17. Minnesota Statutes 1974, Section 354.44, Subdivision 4, is amended to read:

Subd. 4. [TIME AND MANNER OF PAYMENTS.] After January 1, 1974, a member may make application to the board for a retirement annuity any time after he has satisfied the age and service requirements of this chapter for retirement except that no application for retirement may be made more than 60 days before termination of teaching service. The annuity payment shall begin to accrue after the termination of teaching service, or after the application for retirement has been filed with the board, or after the member receives his final salary payment, whichever is later, as follows:

(a) on the sixteenth day of the month of termination, or filing or final salary receipt if such termination, or filing or final salary receipt occurs on or before the fifteenth day of such month or

This section shall be effective January 1, 1976.

Sec. 18. Minnesota Statutes 1974, Section 354.44, Subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formula stated in clause (2) hereof on the basis of each member's average salary for the period of his formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

For all years of formula service credit "average salary" for the purpose of determining the member's retirement annuity means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in section 354.511 for the highest five successive years of formula service credit *provided however that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments.*

(2) The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

	Coordinated Member	Basic Member
Each year of service during first ten	1.0 percent per year	2.0 percent per year
Each year of service thereafter	1.5 percent per year	2.5 percent per year

(3) Where any member retires prior to age 65 under a formula annuity, he shall be paid a retirement annuity in an amount equal to the normal annuity provided in subdivisions 6 and 7, reduced by one half of one percent for each month that the member is under age 65 to and including age 60 and reduced by one fourth of one percent for each month under age 60 at the time of retirement except that for any member who has 30 or more years of allowable service credit, such reduction shall be applied only for each month such member is under age 62.

This section shall be effective June 1, 1975."

Page 17, following line 21, insert a new paragraph:

"The requirements and provisions for retirement prior to age 65 contained in section 354.44, subdivision 6, clause (2), shall also apply to an employee fulfilling such requirements with a combination of service as provided in section 354.60."

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1974, Section 462A.03, Subdivision 13, is amended to read:

Subd. 13. "Eligible mortgagor" means a nonprofit corporation (OR), limited profit entity or a builder, as the same are defined by the agency in its rules, which sponsors or constructs residential housing as defined in subdivision 7; or a natural person of low or moderate income, except that the return to a limited dividend (ENTRY) entity shall not exceed eight percent of the capital contribution of the investors or such lesser percentage as the agency shall establish in its rules. Owners of existing residential housing occupied by renters shall be eligible for rehabilitation loans, only if, as a condition to the issuance of the loan, the owner agrees to conditions established by the agency in its rules relating to rental or other matters that will insure that the housing will be occupied by persons and families of low and moderate income including persons of low and moderate income who occupy the residential housing at the time of application for the loans.

Sec. 2. Minnesota Statutes 1974, Section 462A.05, Subdivision 2, is amended to read:

Subd. 2. It may make or participate in the making of eligible construction loans to sponsors or builders of residential housing for occupancy by persons or families of low and moderate income. Such loans shall be made only upon determination by the agency that construction loans are not otherwise available, wholly or in part, from private lenders upon equivalent terms and conditions.

Sec. 3. Minnesota Statutes 1974, Section 462A.05, Subdivision 14, is amended to read:

Subd. 14. It may agree to purchase, make or otherwise participate in the making, and may enter into commitments for the purchase, making, or participation in the making, of eligible loans for rehabilitation to persons and families of low and moderate income, and to (SPONSORS) owners of existing residential housing for occupancy by such persons and families, for the rehabilitation of existing residential housing owned by them. Such loans may be insured or uninsured and may be made with such security, or may be unsecured, as the agency deems advisable. They may be made in amounts sufficient to refinance existing indebtedness secured by the property, if such refinancing is determined by the agency to be necessary to permit the owner to meet his housing cost without expending an unreasonable portion of his income thereon. No loan for rehabilitation shall be made unless the agency determines that such loan will be used primarily to make the housing more desirable to live in, to increase the market value of the housing (OR), for compliance with state, county or municipal building, housing maintenance, fire, health or similar codes and (STANDARD) standards applicable to housing, or to accomplish energy conservation related improvements. In unincorporated areas and municipalities not having such codes and standards, the agency may, solely for the

purpose of administering the provisions of Laws 1974, Chapter 441, establish such codes and standards. No loan for rehabilitation of any property shall be made in an amount which, with all other existing indebtedness secured by the property, would exceed its market value, as determined by the agency. No loan for rehabilitation of owner occupied residential housing shall be denied solely because the loan will not be used for placing such residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. Rehabilitation loans shall be made only when the agency determines that financing is not otherwise available, in whole or in part, from private lenders upon equivalent terms and conditions.

Sec. 4. Minnesota Statutes 1974, Section 462A.07, is amended by adding a subdivision to read:

Subd. 14. It may engage in housing programs for low and moderate income native Americans, as that term is defined in Minnesota Statutes, Section 254A.02, Subdivision 11, developed and administered separately or in combination by the Chippewa tribe, the Red Lake band of Chippewa Indians, and the Sioux communities as determined by such tribe, band, or communities. In developing such housing programs the tribe band, or communities shall take into account the housing needs of all native Americans residing both on and off reservations within the state. A plan for each such program, which specifically describes the program (a) content, (b) utilization of funds, (c) administration, (d) operation, (e) implementation and other matter, as determined by the agency, must be submitted to the agency for its review and approval prior to the making of eligible loans pursuant to section 462A.21. All such programs must conform to rules and regulations promulgated by the agency concerning program administration; the quality of housing; interest rates, fees and charges in connection with making eligible loans; and other matters determined by the agency to be necessary in order to effectuate the purposes of this act. All such programs must provide for a reasonable balance in the distribution of funds appropriated for the purpose of this section between native Americans residing on and off reservations within the state. Nothing in this section shall preclude such tribe, band, or communities from requesting and receiving cooperation, advice, and assistance from the agency as regards program development, operation, delivery, financing, or administration. As a condition to the making of such eligible loans, the Chippewa tribe, the Red Lake band of Chippewa Indians and the Sioux communities shall (a) enter into a loan agreement and other contractual arrangements with the agency for the purpose of transferring the located portion of loan funds as set forth in section 9 of this act and to insure compliance with the provisions of this section and the act, and (b) shall agree that all of their official books and records related to such housing programs shall be subjected to audit by the legislative auditor in the manner prescribed for agencies of state government. The agency shall submit a biennial report concerning

the various housing programs for native Americans, and related receipts and expenditures as provided in section 462A.22, subdivision 9, and such tribe, band, or communities to the extent that they administer such programs, shall be responsible for any costs and expenses related to such administration provided, however, they shall be eligible for payment for costs, expenses and services pursuant to section 462A.07, subdivision 12, and section 7 of this act. The agency shall provide or cause to be provided essential general technical services as set forth in section 462A.07, subdivision 2, and general consultative project assistance services, including, but not limited to, management training, and homeownership counseling as set forth in section 462A.07, subdivision 3.

Sec. 5. Minnesota Statutes 1974, Section 462A.21, is amended by adding a subdivision to read:

Subd. 4b. It may establish loan funds and may make eligible loans from them, at rates of interest and with security as the agency deems advisable, if each loan is determined by the agency to be necessary to permit the occupant of residential housing financed wholly or in part by any such loan to meet his housing cost without expending an unreasonable portion of his income on them.

Sec. 6. Minnesota Statutes 1974, Section 462A.21, is amended by adding a subdivision to read:

Subd. 4c. It may provide housing assistance subsidies, on terms and conditions as it deems advisable, to assist persons and families of low and moderate income in meeting payments on eligible loans or rentals of residential housing, and may pledge funds available for the subsidies for the payment of bonds or notes of the agency.

Section 1. Each state bank and trust company, national banking association, state or federally chartered savings and loan association, mortgage bank, mutual savings bank, insurance company, credit union or assignee of the above requiring funds of a mortgagor to be paid into an escrow, agency or similar account for the payment of taxes or insurance premiums with respect to a mortgaged one to four family, owner occupied residence located in this state, unless such account is required by federal law or regulation, shall calculate interest on such funds at a rate of not less than five percent per annum. Such interest shall be computed on the average monthly balance in such account on the first of each month for the immediately preceding 12 months of the calendar year or such other fiscal year as may be uniformly adopted by the mortgagee for such purposes and shall be annually credited to the remaining principal balance on the mortgage, or at the election of the mortgagee, paid to the mortgagor or credited to his account. If the interest exceeds the remaining balance, the excess shall be paid to the mortgagor or vendee. The requirement to pay interest shall apply to such accounts created prior to the effective date of this article as well as to accounts created after this article is effective.

Sec. 2. The commerce commission shall have the power to prescribe, at the end of each calendar year, a rate of interest higher than that set by this article. The rate so prescribed shall apply to the calendar year during which such rate is prescribed or to such other fiscal year beginning within such calendar year uniformly adopted by the mortgagee for such purposes. In prescribing any rate the commission shall consider pertinent economic and cost factors including, but not limited to: (1) current yields on short term investments, (2) current dividend rates paid

on regular savings accounts throughout this state, (3) currently prevailing interest rates on conventional and insured or guaranteed mortgage loans in this state, (4) cost factors in maintaining accounts described in section 1 and (5) such other pertinent economic or cost factors that the commerce commission shall deem to be appropriate.

Sec. 3. If at any time the use of such account is offered as an option to the mortgagor and the mortgagor continues or elects to use such account, interest need not be credited or paid.

Sec. 4. Mortgagees shall be prohibited from charging a direct fee for the administration of the escrow account.

Sec. 5. A mortgagee shall make timely payments of tax and insurance bills provided that funds paid into such account by the mortgagor are sufficient for such payment. If there is a shortage of funds the mortgagee shall promptly notify the mortgagor of such shortage. Failure to make the payment required by this section shall subject the mortgagee to liability for all damages caused by such failure except that this sentence shall not deprive the mortgagee of the right to present any legal defenses in any subsequent proceeding. The mortgagee is permitted to make any payment on behalf of the mortgagor even though there are not sufficient funds in a particular account to cover the payment.

Sec. 6. [SEVERABILITY.] If any provision of this article is found to be unconstitutional and void, the remaining provisions are expressly made severable.

Sec. 7. Any mortgagee intentionally violating the provisions of this article shall be fined not more than \$100 for each offense."

If the policy, contract or health care plan is administered by a trust, the terminating employer is relieved of the obligation

imposed by clauses (a) to (d). The trust shall inform the employee of the information required by clauses (a) to (d).

(SUCH) Notice may be in writing and sent by first class mail to the employee's (HOME) last known address (AS SHOWN ON THE RECORDS OF) which the employee has provided the employer or trust. If the employer or trust fails to so notify the employee who is properly enrolled in the program, the employee (IS CONCLUSIVELY PRESUMED TO ELECT) shall have the option to retain coverage (AND IS RELIEVED OF HIS OBLIGATION TO MAKE MONTHLY PAYMENTS TO THE EMPLOYER) provided he makes this election within 60 days of the date his employment is terminated by making the proper payment to the employer or trust to provide continuous coverage.

CONFERENCE COMMITTEE REPORT OF H. F. NO. 278

A bill for an act relating to pharmacy and drugs; authorizing pharmacists to dispense generically equivalent drugs in lieu of prescribed brand name legend drugs unless the prescribing practitioner instructs otherwise; providing penalties; amending Minnesota Statutes 1974, Sections 151.01, by adding subdivisions; 151.21; 151.38; and Chapter 151, by adding a section.

April 23, 1975

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Alec G. Olson
President of the Senate

We, the undersigned conferees for H. F. No. 278 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 278 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1974, Section 151.01, is amended by adding subdivisions to read:

Subd. 24. "Brand name" means the registered trademark name given to a drug product by its manufacturer, labeler or distributor.

Subd. 25. "Generic name" means the established name or official name of a drug or drug product.

Subd. 26. "Finished dosage form" means that form of a drug which is or is intended to be dispensed or administered to the patient and requires no further manufacturing or processing other than packaging, reconstitution, or labeling.

Sec. 2. Minnesota Statutes 1974, Section 151.21, is amended to read:

151.21 [SUBSTITUTION.] *Subdivision 1. Except as provided in subdivision 2, it shall be unlawful for any pharmacist, assistant pharmacist, or pharmacist intern who dispenses prescriptions, drugs, and medicines to substitute an article different from the one ordered, or deviate in any manner from the requirements of an order or prescription without the approval of the prescriber.*

Subd. 2. A pharmacist who receives a prescription for a brand name legend drug may, with the written or verbal consent of the purchaser, dispense any drug having the same generic name as the brand name drug prescribed if the prescriber has not written in his own handwriting "dispense as written" or "D.A.W." on the prescription or, when an oral prescription is given, has not expressly indicated the prescription is to be dispensed as communicated. A pharmacist who receives a prescription marked "D.A.W." or "dispense as written", or an oral prescription indicating that the prescription is to be dispensed as communicated, may substitute for the prescribed brand name drug a generically equivalent drug product which is manufactured in the same finished dosage form having the same active ingredients and strength by the same manufacturer as the prescribed brand name drug. A pharmacist may also substitute pursuant to the oral instructions of the prescriber. A pharmacist may not substitute a generically equivalent drug product unless, in the pharmacist's professional judgment, the substituted drug is therapeutically equivalent and interchangeable to the prescribed drug. A pharmacist shall notify the purchaser if he is dispensing a drug other than the brand name drug prescribed.

Subd. 3. A pharmacist dispensing a drug under the provisions of subdivision 2 shall not dispense a drug of a higher retail price than that of the brand name drug prescribed. Any difference between acquisition cost to the pharmacist of the drug dispensed

and the brand name drug prescribed shall be passed on to the purchaser.

Sec. 3. Minnesota Statutes 1974, Section 151.212, is amended to read:

151.212 [LABEL OF PRESCRIPTION DRUGS.] Drugs dispensed pursuant to a prescription shall bear a label permanently affixed to the immediate container in which the drug is dispensed and which is received by the purchaser. (SUCH) The label shall bear the name of the manufacturer of the finished dosage form of the drug and all other information required by law and by regulations of the board.

Sec. 4. Minnesota Statutes 1974, Chapter 151, is amended by adding a section to read:

[151.361] [MANUFACTURER DISCLOSURE.] *The manufacturer, packager, or distributor of any human use legend drug sold, delivered, or offered for sale in the state of Minnesota after January 1, 1976 must have printed on the label on the immediate container of the drug the name and address of the manufacturer of the finished dosage form of the drug. Failure to comply with this requirement shall subject a drug to embargo in accordance with section 151.38.*

Sec. 5. Minnesota Statutes 1974, Section 151.38, is amended to read:

151.38 [EMBARGOES.] (1) Whenever a duly authorized agent of the board finds or has probable cause to believe that any drug or medicine is adulterated, or so misbranded as to be dangerous or fraudulent, or is being sold, delivered, or offered for sale in violation of section 4 of this act, he shall affix thereto an appropriate marking, giving notice that (SUCH) the article is, or is suspected of being, adulterated (OR) , misbranded or sold, delivered, or offered for sale in violation of section 4 of this act and has been embargoed, and warning that it is unlawful for any person to remove or dispose of (SUCH) the embargoed article by sale or otherwise without permission from the agent or the court.

(2) When an embargoed article has been found by (SUCH) the agent to be adulterated (,) or misbranded, or is being sold, delivered, or offered for sale in violation of section 4 of this act, the board shall, within 30 days, petition the district court in whose jurisdiction the article is embargoed for an order of condemnation. When an embargoed article is not so found by the agent he shall remove the marking.

(3) If the court finds that an embargoed article is adulterated or misbranded, or is being sold, delivered, or offered for sale in violation of section 4 of this act, (SUCH) the article shall

be destroyed at the expense of the claimant thereof, who shall also pay all court costs and fees, storage and other proper expenses (; PROVIDED, THAT WHEN). *If the adulteration or misbranding, or lack of manufacturer disclosure as required by section 4 of this act can be corrected by proper labeling or processing of the article, or by filing the proper documents with the court, the court, after (SUCH) the costs, fees, and expenses have been paid and a sufficient bond has been executed, may order that (SUCH) the article be delivered to the claimant for (SUCH) labeling (OR) , processing or filing under supervision of an agent of the board. The expense of (SUCH) the supervision shall be paid by claimant. The bond shall be returned to the claimant on the representation to the court by the board that the article is no longer in violation of this chapter and that the expenses of (SUCH) supervision have been paid.*

Sec. 6. *Sections 3 and 4 shall be effective January 1, 1976."*

Further amend the title as follows:

Page 1, line 6, after "otherwise;" insert "providing for manufacturer disclosure;"

Page 1, line 8, after "151.21;" insert "151.212;"

We request adoption of this report and repassage of the bill in accordance therewith.

H. F. No. 1442, A bill for an act relating to port authorities; changing the sale of property requirements; amending Minnesota Statutes 1974, Section 458.196.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. [PORT AUTHORITY OF THE CITY OF ST. PAUL; ADDITIONAL POWERS.] *In addition to the powers granted to and duties imposed upon port authorities by Minnesota Statutes, Chapters 458 and 474, and any other provision of law, and notwithstanding any law to the contrary, the port authority of the city of St. Paul, hereinafter referred to as "the port authority", may exercise the powers granted and shall perform the duties imposed by this act.*

Sec. 2. [BONDS.] *Subdivision 1. Any revenue bonds issued by the port authority pursuant to law may be refunded by revenue bonds issued pursuant to Minnesota Statutes, Chapter 458 or 474.*

Subd. 2. Bonds issued by the port authority pursuant to law shall be executed in such manner as may be determined by the port authority.

Sec. 3. [SALE OF PROPERTY.] *Subdivision 1. When the port authority deems it for the best interests of the port district of the port authority, hereinafter referred to as "district" or "port district", and the people thereof and in furtherance of its general plan of port improvement, or industrial development, or both, it may sell and convey any property or part thereof owned by it within the port or any industrial district within the port district. This section shall not be limited by other laws pertaining to powers of port authorities.*

Subd. 2. When selling and conveying real property the port authority shall give notice of the proposed sale by publication in a newspaper published and of general circulation in Ramsey county and the port district at least ten days before the date fixed for the hearing thereon. The notice shall describe the real property to be sold and state that the terms and conditions of the sale are available for public inspection at the office of the port authority and that at the time and place specified in the notice the port authority will meet to hear and determine the advisability of the sale. The hearing shall be held not more than 20 days from the publication of notice. At the hearing the port authority shall hear the reasons of any taxpayer in the port district for or against the sale.

Subd. 3. Within 30 days after the hearing, the port authority shall make its findings and determination on the advisability of making the sale of real property and enter its determination on its records. Any taxpayer may appeal the determination of the port authority by filing a notice of appeal with the district court of Ramsey county, and serving the same upon the secretary of the port authority, within 20 days of the entry of the determination but no appeal shall be allowed except on the grounds that the action of the port authority was arbitrary, capricious, or contrary to law.

Subd. 4. The terms and conditions of sale of any real property shall include the use which the bidder will be permitted to make of it. The port authority may require the purchaser to file security as assurance that the property will be used for that purpose. In determining the sale terms and conditions the port authority may consider the nature of the proposed use and the relation thereof to the improvement of the riverfront and the city of St. Paul and the business and the facilities of the port authority in general. All sales of real or personal property shall be made upon such terms and conditions as the port authority may prescribe. In any case the port authority may place real or personal property on the market for sale upon advertisement for bids published in the same manner as and simultaneously with the notice of hearing required in this section for real property and award the sale in accordance with the bid deemed by it to be most favorable having regard to the price and the intended use specified, but the port authority shall have the power to sell such properties at private sale at a negotiated price if such sale is deemed in the public interest by the port authority and in furtherance of the aims and purposes of Minnesota Statutes, Sections 458.09 to 458.1991, and in the case of real property after hearing as herein required.

Subd. 5. The port authority may provide that if the purchaser of real property shall, within one year from the date of purchase, fail to devote the real property to its intended use, or shall fail to commence work on the improvements thereon to devote it to such use, the port authority may cancel the sale in which event title to the real property shall revert to it. Extension of time to comply with such condition may be granted by the port authority on good cause shown by the purchaser. The terms of sale may contain any other provision by the port authority which it deems necessary and proper to protect the public interest. No purchaser shall transfer title to such real property within one year without the consent of the port authority.

Subd. 6. The port authority may incorporate in the instrument of conveyance of title of real property sold in accordance with the provisions of this section the conditions of sections 458.09 to 458.1991 relating to the use of the land as a covenant running with the lands. Any violation of such covenant shall result in a right by the authority to declare a breach of the covenant running with the land and seek a judicial decree from the district court declaring a forfeiture and a cancellation of any deed so given.

Subd. 7. No conveyance of real property shall be made by the port authority until the purchaser shall have submitted to the port authority a written statement of intended use and development of the real property sold, and said written statement shall be approved in writing by the port authority.

Subd. 8. No real property owned by the port authority shall be sold or exchanged nor shall the title thereto be transferred

without the unanimous approval of the members of the port authority present and voting when such sale, conveyance, exchange or transfer of real property is authorized, provided that the approval of at least four members of the port authority shall be required. Any member of the port authority may abstain from voting on such sale or exchange of, or transfer of title to such property, or on any other matter, for any reason.

Sec. 4. [PROPERTY EXEMPT FROM LIEN.] *There shall be no right to a lien as provided for in Minnesota Statutes, Chapter 514, upon property owned by the port authority, or the city of St. Paul, when a contractor's bond to secure performance of contracts with such public bodies and to secure payment of laborers and materialmen has been given to the public body, provided that the penalty of such bond is equal to or greater than the contract price.*

Sec. 5. [UNLAWFUL DETAINER ACTIONS.] *In all lawful detainer proceedings pursuant to Minnesota Statutes, Chapter 566, where the landlord is the port authority and the tenant is a commercial tenant with respect to the property in question, trial shall be by the court and no party may demand a trial by jury. Such proceedings shall take precedence and priority over any other action before the court other than similar actions commenced prior to the commencement of said proceedings.*

Sec. 6. [TAX INCREMENT FINANCING.] *Subdivision 1. The provisions of this section shall apply to the port authority notwithstanding and in lieu of the provisions of Minnesota Statutes, Section 458.192, Subdivisions 11 and 12, applicable to port authorities generally. Upon or after the creation by the port authority of an industrial development district under section 458.191, the auditor of Ramsey county shall upon request of the port authority certify the then most recently determined assessed valuation of all or so much of the taxable real property within the district as is identified by legal description in the request as a tax increment district, other than that portion of the valuation which is contributed to an area wide tax base under Minnesota Statutes, Chapter 473F. The auditor shall certify to the port authority in each year thereafter the amounts and percentages of subsequent increases or decreases in such valuation other than that portion of such increases or decreases which is contributed to an area wide tax base under Minnesota Statutes, Chapter 473F. The auditor shall compute the mill rates or taxes against such original valuation but shall extend such rates also against any incremental value and remit the resulting tax increment to the port authority in the same manner as that provided for the computation and remittance of tax increments under section 462.585, subdivisions 2 and 3. The port authority shall segregate tax increments received with respect to any such property located in said tax increment district in a special account on its official books and records. Such tax increments shall be remitted to the port authority until the cost of redevelopment of the marginal land within the tax increment district, including interest thereon,*

has been fully reimbursed from the tax increments. When such full reimbursement has been made, it shall be reported by the port authority to the Ramsey county auditor, who shall thereafter include the entire assessed valuation of the property in the assessed valuations upon which tax mill rates are computed and extended and taxes are remitted to all taxing districts. Any part or all of such tax, if so directed by the St. Paul city council, shall be pledged and appropriated for the payment of any general obligation bonds of the port authority. Increases in the value of such property, subsequent to certification of the base for computing the tax increment therefrom, shall not be included in the assessed valuation of any taxing district for the purpose of computing any debt or levy limitation or the amount of any states or federal aid to the taxing district, so long as the tax increment therefrom is segregated under the provisions of this section.

Subd. 2. The total acreage of land zoned for industrial use included in any one tax increment district certified to the Ramsey county auditor by the port authority under subdivision 1 of this section shall not exceed three percent of the total acreage of the city of St. Paul which is zoned for industrial use at the time of such certification. Upon certification of a new tax increment district the total acreage of land zoned for industrial use within the district shall not, when added to the total current acreage of the land zoned for industrial use included by the port authority within all tax increment districts for which unrecovered costs remain, exceed ten percent of the total acreage of the city of St. Paul zoned for industrial use.

Sec. 7. [REPEALER.] *Extra Session Laws 1971, Chapter 35, Section 8, is repealed.*"

For registrations existing on the effective date of this act and for registration cards printed before the effective date of this act, it is sufficient for the election judge to enter the party affiliation of the voter on the card directly below the space marked OFFICE USE ONLY.

Sec. 10. Minnesota Statutes 1974, Section 201.071, Subdivision 3, is amended to read:

Subd. 3. No registration is faulty or defective if the registration card contains the voter's name, address, prior residence, prior registration if any and signature, as in items 1, 2, 4, 5 and (6) 7 of the registration card above. A voter may vote only in the primary election of the party appearing on his registration card. A voter who does not indicate his political party affiliation shall not be permitted to vote in a primary election. A voter may change his registered party affiliation at any time except during the 20 days immediately preceding or on the day of a primary election, except that a voter who has voted in the presidential primary election of one political party may not vote in the September primary election of any other party in that year. The judges of election may request a voter to complete a registration card that is incomplete or illegible. No voter may be prevented from voting unless his registration is faulty or defective or he is duly and successfully challenged in accordance with provisions of chapter 201.

Sec. 11. Minnesota Statutes 1974, Section 201.071, is amended by adding a subdivision to read:

Subd. 5. A voter who has not indicated his party affiliation on his registration card may vote in a presidential primary election by stating to the judge of election on the presidential primary election day the party primary in which he wishes to vote. Sec. 13. Minnesota Statutes 1974, Section 206.07, Subdivision 1, is amended to read:

206.07. [CANDIDATES, ARRANGEMENT OF NAMES.] Subdivision 1. [PLACEMENT.] Where voting machines are authorized and employed, the titles of offices may be arranged horizontally with the names of the candidates arranged vertically under the title of the office, or the titles of the offices may be arranged vertically with the names of the candidates arranged horizontally opposite the respective titles. On the ("CONSOLIDATED PRIMARY ELECTION BALLOT") *primary ballot* prepared for primary elections, and on the white ballot prepared for the general election, the order of the names of nominees, or names of candidates for election, as the case may be, shall be the same as is required for paper ballots. More than one column or row may be used for the same office or party. Questions, constitutional amendments, or other propositions shall be placed on the machines in the space provided for that purpose and shall be arranged in a manner which construction of the machine requires.

Sec. 14. Minnesota Statutes 1974, Section 206.07, Subdivision 4, is amended to read:

more than one person for the same office, unless he is lawfully entitled to vote for more than one person therefor, and in that event to limit him to the number to be elected to that office; to prevent him at a primary election(,) from voting for the nomination of candidates of (MORE THAN ONE) *any party not shown on his voter registration card or voter's certificate*, or for any person whose name is not on the official ballot at such election; to prevent him from voting for any candidate or upon any proposed amendment, question or proposition, for whom or upon which he is not lawfully entitled to vote; to permit him to change or retract any vote he has attempted to cast for any candidate for any office or upon any proposition up to the time his vote has been completed, and his vote in favor of such person or proposition has been registered thereon. No machine which does not comply with these requirements shall be approved, authorized or employed; except that machines may be used which are not so constructed as to permit a voter to change from one party to another in a party primary or to retract a vote cast on the irregular ballot device. In such cases the voter shall be required to first return all voting levers to the unvoted position and remove, cross out or erase any vote recorded on the irregular ballot device, as the case may be, and shall then call upon the election officials to witness that it has been done, and they shall then cause the voting machine to be returned to the original unvoted position and shall permit the voter to begin from the beginning once more. Such operation of the voting machine under such conditions as in this paragraph mentioned shall be designated as a spoiled voting machine ballot and the election officials present shall make out and sign a certificate stating the facts for each such case which shall be returned with the official returns of the election.

No state agency shall begin or install any system of program (OR PROGRAMMATIC) bud-

getting until they have first secured the explicit permission of the (COMMISSIONER) *commissioners* of administration and finance.

Sec. 5. Minnesota Statutes 1974, Section 16.141, Subdivision 3a, is amended to read:

Accounts shall be set both as to expenditures and revenue according to generally accepted practice in governmental accounting. The commissioner of finance shall formulate and prescribe for all departments and other state agencies a system of uniform records, accounts, statements, estimates, revenue receipt forms, vouchers, bills, and demands with suitable instructions governing the installation and use thereof. The accounting system and form so prescribed shall be adopted

and employed by all officials, departments, and agencies of the state government. The commissioner of finance shall exercise constant supervision and control thereof. All accounting and financial records shall be kept on the fiscal year basis of 12 months ending at midnight between June 30 and July 1. The commissioner of finance and his designated agents shall at all times have free access to the books, records, accounts, and papers of the several departments and agencies.

The commissioner may assign his designee to any department or agency of the state to direct the budgetary and financial activities of the department or agency.

16A.126 [COMMISSIONER TO APPROVE BILLING RATES FOR REVOLVING FUNDS.] *The commissioner shall approve the rates at which services are billed state departments or agencies by any revolving fund.*

Sec. 9. Minnesota Statutes 1974, Chapter 16A, is amended by adding a section to read:

16A.127 [INDIRECT COSTS.] *Subdivision 1. [DEFINITIONS.] As used in this section the following terms shall have the meanings given them:*

(a) *"State agency" means a state department, board, council, committee, authority, commission or other entity of the state for which money has been appropriated from the general fund or from federal government sources;*

(b) *"Indirect costs" means those costs of a state agency not directly attributable to the agency itself; indirect costs include central payroll, purchasing, state treasurer costs and other costs incurred by the state for the joint benefit of state agencies;*

(c) *"Commissioner" means the commissioner of finance.*

Subd. 2. [STATEWIDE INDIRECT COST PLAN.] *By October 15 of each year the commissioner shall prepare a statewide indirect cost plan showing the category and amount of state indirect costs attributable to each fund maintained for each state agency for the current fiscal year. The commissioner shall submit copies of the plan to the governor and to the legislature pursuant to section 3.195.*

Subd. 3. [TRANSFER OF FUNDS.] *Pursuant to the statewide indirect cost plan the commissioner shall prior to the end of each fiscal year transfer back to the general fund that portion of the statewide indirect costs applicable to the moneys*

received by the agency from sources other than the general fund. Notwithstanding the foregoing, the commissioner may determine, for reasons of sound fiscal management, to waive the transfer to the general fund of the indirect costs for certain funds. The commissioner shall report any waivers under this subdivision to the governor and the legislature at the time of his submission of the statewide indirect cost plan for the following fiscal year.

Subd. 4. [LICENSE FEES.] The commissioner shall transfer to the general fund to defray indirect costs five percent of the gross receipts from fees for licensing, certification or registration received by the health related and nonhealth related licensing boards as defined in section 214.01, the board of health, the board of education and any other state agency charged with licensing, certifying or registering persons to engage in occupations or professions. Transfers under this subdivision shall be made at the end of each quarter in the fiscal year.

Subd. 5. [LEGISLATIVE AUDITOR.] Unless otherwise specified by law, a state agency whose financial affairs are audited by the legislative auditor shall transfer to the general fund that portion of the cost of the audit applicable to the moneys received by the agency from sources other than the general fund. The collection by the legislative auditor of the cost of an audit may be waived in whole or in part by the legislative audit commission upon recommendation by the legislative auditor.

Subd. 6. [FEDERAL INDIRECT COST PROPOSALS.] A state agency which receives federal moneys and prepares an indirect cost proposal shall prepare and submit the proposal under the supervision and with the approval of the commissioner. The state agency shall submit a copy of the proposal to the commissioner at the time it is submitted to the appropriate federal agency.

Subd. 7. [TRANSFER OF FUNDS; FEDERAL INDIRECT COST PROPOSAL.] The commissioner shall transfer to the general fund that portion of the federal moneys received by a state agency attributable to statewide indirect costs if the federal agency has approved the state agency's indirect cost proposal. If the federal agency fails to approve the indirect cost proposal, the state agency shall submit to the commissioner documentation of the failure to approve together with a statement of the reasons therefor, if known. The commissioner may permit, for reasons of sound fiscal management, a state agency whose proposal was not approved by a federal agency to retain that portion of the federal moneys attributable to indirect costs.

Subd. 8. [FAILURE TO SUBMIT PROPOSAL.] If a state agency fails to submit a federal indirect costs proposal, the commissioner shall determine the statewide indirect costs attributable to federal programs and he shall transfer such amounts from state funds appropriated to the agency to the general fund.

Subd. 9. [REPORTS.] The commissioner shall require information and reports from each state agency that he deems necessary to carry out the duties of this section.

Sec. 10. Minnesota Statutes 1974, Section 16A.129, is amended to read:

16A.129 [COMMISSIONER TO MAKE RULES.] The commissioner of finance shall have the following powers: to approve or reject the compensation schedules submitted by the personnel board for the various classes, grades, and titles of the employees of the various officials, departments, and agencies of the state government and institutions under their control; to require a complete record of the officers, assistants, and employees appointed thereby or employed therein, and to require the salaries of the same to be in conformity with the scale of compensation established pursuant to law; to prepare and prescribe classes of expenditures and revenue for the purpose of budget-making and accounting (; TO PROCURE BY LEASE, WITH THE APPROVAL OF THE GOVERNOR, OFFICE SPACE AND BUILDINGS FOR THE USE OF THE STATE GOVERNMENT OR ANY DEPARTMENT, OFFICE, OR INSTITUTION THEREOF; TO PURCHASE, EXCEPT AS OTHERWISE PROVIDED IN LAWS 1925, CHAPTER 426, AS AMENDED, ALL SUPPLIES AND EQUIPMENT FOR ALL STATE OFFICIALS, DEPARTMENTS, AND AGENCIES OF THE STATE GOVERNMENT, INCLUDING TOOLS, MACHINERY, AND MATERIALS TO BE USED BY THE STATE IN THE CONSTRUCTION AND MAINTENANCE OF STATE HIGHWAYS; BUT THE COMMISSIONER, IN HIS DISCRETION, MAY DESIGNATE AN OFFICER OR EMPLOYEE OF ANY SUCH DEPARTMENT TO MAKE, UNDER THE GENERAL SUPERVISION AND DIRECTION OF THE COMMISSIONER, SUCH PURCHASES FOR THE DEPARTMENT IN WHICH SUCH DESIGNATION IS SO MADE AS HE MAY SPECIFY.)

The authority of the commissioner to approve or reject a scale of compensation therefor shall not apply to the unclassified service as prescribed by the state civil service law.

Sec. 11. Minnesota Statutes 1974, Chapter 16, is amended by adding a section to read:

[COMMISSIONER TO MAKE RULES.] *The commissioner of administration shall have the following powers: to procure by lease, with the approval of the governor, office space and buildings for the use of the state government or any department, office, or institution thereof; to purchase, except as otherwise provided in Laws 1925, Chapter 426, as amended, all supplies and equipment for all state officials, departments, and agencies of the state government, including tools, machinery, and materials to be used by the state in the construction and maintenance of state highways; but the commissioner, in his discretion, may*

designate an officer or employee of any such department to make, under the general supervision and direction of the commissioner, such purchases for the department in which such designation is so made as he may specify.

Sec. 12. Minnesota Statutes 1974, Section 16A.15, Subdivision 3, is amended to read:

Subd. 3. [PAYMENT WITHIN ALLOTMENT AND ENCUMBRANCE; EXCEPTIONS.] No payment shall be made and *without prior obligation*, no obligation shall be incurred against any fund, allotment, or appropriation unless the commissioner of finance shall first certify that there is a sufficient unencumbered balance in such fund, allotment, or appropriation to meet the same. Every expenditure or obligation authorized or incurred in violation of the provisions of Laws 1939, Chapter 431, shall be presumed invalid and shall be ineligible for payment until its validity is established as hereinafter provided. Every payment made in violation of the provisions of Laws 1939, Chapter 431, shall be deemed illegal, and every official authorizing or making such payment, or taking part therein, and every person receiving such payment, or any part thereof, shall be jointly and severally liable to the state for the full amount so paid or received. If any (APPOINTIVE OFFICER OR) employee of the state shall knowingly incur any obligation or shall authorize or make any expenditure in violation of the provisions of Laws 1939, Chapter 431, or take part therein, it shall be grounds for (HIS) removal (BY THE OFFICER APPOINTING HIM, AND, IF THE APPOINTING OFFICER BE OTHER THAN THE GOVERNOR AND SHALL FAIL TO REMOVE SUCH OFFICER OR EMPLOYEE, THE GOVERNOR MAY EXERCISE SUCH POWER OF REMOVAL, AFTER GIVING NOTICE OF THE CHARGES AND OPPORTUNITY FOR HEARING THEREON TO THE ACCUSED OFFICER OR EMPLOYEE AND TO THE OFFICER APPOINTING HIM) *under the provisions of chapter 43.* Claims presented against existing appropriations without prior allotment or encumbrance may, upon investigation, review, and approval by the commissioner of finance be determined valid where the services, materials, and supplies for which payment is claimed have been actually rendered or furnished to the state in good faith without collusion and without intent to defraud. Thereafter the commissioner of finance may draw his warrant in payment of such claims in the same manner in which other claims, properly allotted and encumbered prior to inception thereof, are paid.

Subject to approval by the commissioner of finance, and the department of administration, the payment amount for materials and supplies may exceed the obligation amount to reflect normal cost adjustment.

Sec. 13. Minnesota Statutes 1974, Section 16A.17, is amended to read:

16A.17 [PREPARATION OF STATE PAYROLL.] Subdivision 1. [COMMISSIONER TO DETERMINE PAY PERIOD.] The commissioner of finance, with the approval of the governor, shall fix the time for payment of salaries due elective and appointive officers and employees of the state government. (AS HEREIN DETERMINED SAID) salaries shall be paid either monthly, semi-monthly or for each two week period; provided, however, that no employee whose salary is less than (\$500 A MONTH) *the amount prescribed by Title 29, Code of Federal Regulations, Part 541, as amended through December 31, 1974,* shall be paid on a monthly or longer basis.

(SUBD. 2. UNTIL THE COMMISSIONER OF FINANCE, WITH THE APPROVAL OF THE GOVERNOR, EXERCISES THE POWER HEREIN CONFERRED, PAYMENT OF SALARIES TO ELECTIVE AND APPOINTIVE OFFICERS AND EMPLOYEES OF THE STATE GOVERNMENT SHALL CONTINUE TO OCCUR IN THE MANNER NOW PROVIDED BY LAW.)

Subd. (3) 2. [COMMISSIONER TO ADJUST SALARIES.] In order to utilize modern accounting methods in processing payrolls, the commissioner of finance may adjust salaries of all state (OFFICERS AND) employees whether fixed by statute or otherwise on an annual, monthly, semi-monthly, daily or other basis, so that they are payable in equal payments throughout the year. The salaries so adjusted shall be based on a year of 2088 working hours. Odd fractions may be dropped or added in order to permit equal payments throughout the year regardless of whether the computation slightly decreases or increases the fixed annual, monthly, semi-monthly, daily or other salary of the state (OFFICERS OR) employees.

Subd. (4) 3. If the commissioner provides for equal payments of salaries throughout the year, the payroll shall be allocated as provided in this subdivision.

(1) If the payroll period extends beyond one quarter of the year and into another quarter of the year, the amount of the payroll for such payroll period shall be chargeable to the respective allotments and encumbrances according to procedures to be established by the commissioner of finance.

(2) This subdivision is applicable to salaries of state (OFFICERS AND) employees payable in equal payments throughout the year notwithstanding any provision in Minnesota Statutes (1957, CHAPTER 16, AND ANY ACT AMENDATORY THEREOF RELATING TO THE BUDGET, ALLOTMENT, AND ENCUMBRANCE SYSTEM.) No provision of any subsequent law relating to the budget, allotment, and encumbrance system or to appropriations for the payment of salaries of state (OFFICERS AND) employees shall be construed as inconsistent with this subdivision unless and except only so

far as expressly provided in such subsequent act that the provisions of this subdivision shall not be applicable or shall be superseded, modified, amended, or repealed.

Subd. (5) 4. [PAYROLL DEDUCTIONS MADE BY FINANCE.] Whenever in any law the duty is imposed upon the head of a state department or agency to make deductions from, or employer contributions on, the salaries and wages of state (OFFICERS AND) employees for such purposes as are authorized or directed by law and to prepare or issue vouchers in connection therewith and the payroll for such (OFFICERS AND) employees is prepared by the (CENTRAL PAYROLL SECTION OF THE) department of finance, such duties (AS HEREINBEFORE REFERRED TO) shall devolve upon the commissioner of finance. Notwithstanding any other law to the contrary, where a state (OFFICER OR) employee directs, in writing, that a voluntary deduction shall be made from his salary or wages, the (OFFICER OR) employee shall file an original and one copy of his written instruction with the credit union, organization, association, agency, or carrier to which the deduction is to be paid and the intended recipient of such deduction shall forward the original of the instruction, signed by the employee, together with such other information as the commissioner of finance may prescribe concerning the amount of the deduction or change therein to the head of the state department or agency who prepares the payroll involved.

Subd. (6) 5. All payrolls for the compensation of work performed, by elective and appointive state (OFFICERS AND) employees, (WITH THE EXCEPTION OF THE LEGISLATIVE AND JUDICIAL BRANCHES,) *in the executive branch* shall be prepared by the (CENTRAL PAYROLL SECTION OF THE) department of finance. *Upon request of the rules committees of the senate or house of representatives or the supreme court, as appropriate, the commissioner shall also prepare payrolls for the legislative and judicial branches by using pay procedures similar to those used in the executive branch.*

Subd. (7) 6. [REPORTING OF HOURS WORKED.] ((1) TO FACILITATE THE LOWERING OF THE PAYROLL PREPARATION COST,) the commissioner of finance may authorize certification by authorized officials as to hours worked for payroll purposes in anticipation of the hours actually worked. The commissioner shall prescribe such procedures as may be necessary to assure that no payment shall be made for hours not worked unless covered by leave in accordance with civil service rules and regulations (OR AS PROVIDED IN CLAUSE (2)).

((2) UPON CERTIFICATION BY THE COMMISSIONER OF FINANCE, ANY AGENCY OF THE STATE GOVERNMENT SHALL RELEASE PART OR ALL OF ANY FUND HELD FOR AN EMPLOYEE TO CORRECT AN OVERPAY-

MENT TO ANY OFFICER OR EMPLOYEE DESCRIBED IN SUBDIVISION 6 WHO HAS BEEN ERRONEOUSLY PAID.)

(PROVIDED, HOWEVER, THAT EMPLOYEE CONTRIBUTIONS IN A RETIREMENT FUND SHALL NOT BE RELEASED UNTIL SUCH TIME AS THE FORMER STATE EMPLOYEE OR PERSON OTHERWISE ENTITLED THERETO WOULD BE ELIGIBLE TO APPLY FOR A REFUNDMENT AND HAS BEEN GIVEN PROPER NOTICE. AMOUNTS PAID UNDER THE PROVISIONS OF THIS SECTION SHALL BE CONSIDERED THE EQUIVALENT OF A REFUNDMENT. IF AN EMPLOYEE OR SURVIVOR IS ENTITLED TO AN IMMEDIATE OR DEFERRED ANNUITY OR SURVIVOR BENEFIT, NO FUNDS SHALL BE PAID FROM HIS RETIREMENT ACCOUNT UNDER THE PROVISIONS OF THIS SECTION.)

Subd. (6) 7. [COMPENSATION.] (1) At the request of an (OFFICER OR) employee of the state of Minnesota, the appointing authority shall, by payroll deduction, defer the payment of such part of the compensation of the officer or employee as provided in a written agreement between the (OFFICER OR) employee and the state of Minnesota in such a manner as will qualify the deferred amount for benefits afforded under federal and state tax laws, regulations, and rulings.

(2) The amount of compensation so deferred shall be used to purchase shares in the Minnesota supplemental retirement fund established in section 11.18. The shares so purchased shall stand in the name of the state of Minnesota for the (OFFICER OR) employee whose deferred compensation purchased said shares until distributed to said (OFFICER OR) employee in a manner agreed upon by the appointing authority and the employee. Nothing in this subdivision shall be construed as to authorize an employer contribution, nor shall the state be responsible for any loss which may result from investment of the deferred compensation.

(3) The provisions of this subdivision, except clause (2), shall be administered by the Minnesota state retirement system pursuant to the provisions of clause (4).

(4) The commissioner of finance shall establish rules, regulations, and procedures to carry out the provisions of this subdivision including allocation of administrative costs against the assets accumulated under this subdivision. Funds to pay such costs are hereby appropriated from the fund or account in which the assets accumulated under this subdivision are placed.

Subd. 8. [PAYROLL COSTS.] *The moneys in the computer services revolving fund used for the costs of preparing the state payroll, and all the earnings accrued thereto, are appropriated to a central payroll revolving fund under the department*

of finance. In the instance of a direct appropriation for the costs of preparing the state payroll, all state departments and agencies shall be billed for their share of the payroll preparation costs through the indirect cost billing system, with the moneys collected being deposited in the general fund.

Sec. 14. Minnesota Statutes 1974, Section 16A.28, is amended to read:

16A.18 [APPROPRIATIONS TO REVERT TO STATE TREASURY.] Except as specifically provided for in appropriation acts, every appropriation or part thereof of any kind hereafter made subject to the provisions of this section remaining unexpended and unencumbered at the close of any fiscal year shall lapse and be returned to the fund from which such appropriation was made; provided, that an appropriation for construction or other permanent improvement shall not lapse until the purposes for which the appropriation was made shall have been accomplished or abandoned unless such appropriation has stood during the entire fiscal biennium without any expenditure therefrom or encumbrances thereon.

After the close of a fiscal year all allotments and encumbrances for that fiscal year shall be cancelled unless an agency certifies to the commissioner that there is an encumbrance incurred pursuant to law for services rendered or goods ordered in the preceding fiscal year. The commissioner may reinstate that portion of the cancellation needed to meet the certified encumbrance or he may charge the certified encumbrance against the current year's appropriation.

Except as otherwise expressly provided by law, the provisions of this section shall apply to every appropriation of a stated sum for a specified purpose or purposes heretofore or hereafter made from the general fund, but shall not, unless expressly so provided by law, apply to any fund or balance of a fund derived wholly or partly from special taxes, fees, earnings, fines, federal grants, or other sources which are by law appropriated for special purposes by standing, continuing, or revolving appropriations.

Sec. 15. Minnesota Statutes 1974, Section 84A.04, is amended to read:

84A.04 [LISTS OF LANDS.] (NOT LATER THAN SEPTEMBER 1, 1929,) the auditor of each county in which a portion of this preserve and hunting ground is situated shall certify to the commissioner of (FINANCE) *natural resources* a list of all the lands within the boundaries of the preserve and hunting ground, except lands lying within the boundaries of any incorporated city, which have been bid in for the state at the delinquent tax sale held in the year 1928 for the non-payment of taxes or special drainage assessments and not redeemed or assigned to

an actual purchaser, which certificate shall contain the following information:

- (1) The legal description of each parcel of such lands;
- (2) The amount of principal and interest of delinquent drainage assessments, if any, or instalments thereof, for all years prior to the date of such report, against each such parcel of land; and
- (3) The amount of drainage assessments thereof assessed against each such parcel of land which have been or are to be extended upon the tax rolls of such county for collection with the taxes for the year 1927 and subsequent years.

On or before June fifteenth, of each year thereafter, such county auditor shall certify to the commissioner of (FINANCE) *natural resources* a supplemental report giving the information contained in the original report covering such lands within this preserve and hunting ground bid in for the state at the annual tax sale of that year and not included in the previous report.

When redemption is made of any parcel of such land within the preserve and hunting ground which has been bid in for the state at any tax sale for taxes heretofore levied or when the tax liens on such land are assigned to an actual purchaser, the county auditor shall report the same forthwith to the commissioner of (FINANCE) *natural resources*, and the county treasurer shall transmit forthwith the proceeds of such redemption to the state treasurer.

After each distribution has been made of the tax collections on the June and November tax settlements, such county auditor shall certify to the commissioner of (FINANCE) *natural resources* the following information relating to bonds issued to finance or refinance public drainage ditches lying wholly or partly within this preserve and hunting ground and the collection of assessments levied on account of such ditches:

- (1) The amount of principal and interest to become due on such bonds prior to the next ensuing tax settlement and distribution;
- (2) The amount of moneys collected from such drainage assessments and credited to the funds of these ditches; and
- (3) The amount of the deficit in the ditch fund of the county chargeable to such ditches.

Upon the approval of this certificate by the commissioner of (FINANCE) *natural resources*, he shall draw a warrant or warrants on the state treasurer, payable out of the Red Lake

game preserve fund, for the amount of the deficit in favor of such county.

As to all public drainage ditches which lie wholly within this preserve and hunting ground, the maximum amount of money which shall be paid to or for the benefit of such county, in the manner above provided, shall never exceed the principal and interest of the bonds issued to finance and refinance such ditches outstanding at the time of the passage and approval of sections 84A.01 to 84A.11, less moneys on hand in the county ditch fund to the credit of such ditches, and such liability shall be reduced, from time to time, by the amount of any and all payments of assessments hereafter extended, made by the owners of lands heretofore assessed for benefits on account of such ditches. As to all public drainage ditches which lie partly within and partly without the boundaries of this preserve and hunting ground, the maximum amount which shall be paid to or for the benefit of such county shall never exceed the percentage of bonds issued to finance and refinance such ditches so outstanding, less moneys on hand in the county ditch fund to the credit of such ditches at the time of the passage and approval of sections 84A.01 to 84A.11, which bears the same proportion to the whole amount of such bonds as the original benefits assessed against lands within the game preserve bear to the original total benefits assessed to the entire system of such ditches, and such liability shall be reduced, from time to time, by the payments of all assessments hereafter extended, made by the owners of lands in this preserve and hunting ground, of assessments for benefits heretofore assessed on account of any such ditch. The commissioner of (FINANCE) *natural resources* shall have authority to provide and prescribe the forms for any reports required by sections 84A.01 to 84A.11 to be made to him, and to require any further and additional information from any officials of these counties which he deems necessary for the proper administration of sections 84A.01 to 84A.11.

Sec. 16. Minnesota Statutes 1974, Section 93.12, is amended to read:

93.12 [FORFEITURE OF PERMITS AND LEASES.] In the event the holder of such permit or lease shall fail to comply with all the provisions contained in sections 93.08 to 93.12 to be by him performed or observed and such default shall continue for a period of 30 days the commissioner of *natural resources* upon 30 days notice to the holder of such permit or lease by registered mail to the address of such holder as shown by the records of the commissioner of (FINANCE) *natural resources* may declare such permit or lease and all rights acquired thereunder forfeited. Upon the filing of the order of forfeiture with the commissioner of (FINANCE) *natural resources* all rights under such lease or permit shall cease.

Sec. 17. Minnesota Statutes 1974, Section 124.23, Subdivision 2, is amended to read:

Subd. 2. Any district entitled to a tax refund under the provisions of this section shall apply to the commissioner of (FINANCE) *revenue* on or before July 1 of each year for such a refund and the commissioner of (FINANCE) *revenue* shall immediately secure the necessary information on the valuation of the railroad property located in such a district from the department of public service subject to taxation under the gross earnings tax act, except rolling stock and the main tracks, and the local school tax rate in such a district, and compute the amount of the refund. For the purposes of this section the railroad valuation shall be taken as of December 31 of the year preceding the application, the taxable valuation as of the first Monday of January of the year of the application, the tax rates of the year of the application and the enrollments as of June 1 of the year of application. The commissioner of (FINANCE) *revenue* shall forthwith (DRAW) *request the commissioner of finance to issue a warrant on the state treasurer for such a refund to be paid from the appropriation otherwise made for that purpose. Provided, however, that no school district qualifying for a refund under this section shall receive more money than would be produced by a tax rate of 53 1/3 mills applied to the railroad property assessed at 30 percent of its full value as reported by the department of public service; nor shall any school district receive a larger refund the second fiscal year of the biennium than it receives the first fiscal year of the biennium by reason of the school district raising its mill rate for school purposes by more than 1.6 2/3 mills.*

If the appropriation made for the purposes of this section is insufficient to pay all the school districts eligible for refund under this section the appropriation shall be prorated among the school districts entitled thereto.

Sec. 18. Minnesota Statutes 1974, Section 276.09, is amended to read:

276.09 [SETTLEMENT BETWEEN AUDITOR AND TREASURER.] On the last day of February, May, and October, of each year, the county treasurer shall make full settlement with the county auditor of his receipts and collections for all purposes, from the date of the last settlement up to and including each day mentioned, and the auditor shall, within 30 days after each settlement, send an abstract of same to the (COMMISSIONER OF FINANCE) *state auditor* in such form as the (COMMISSIONER OF FINANCE) *state auditor* may prescribe. At each settlement the treasurer shall make complete returns of his collections on the current tax list, showing the amount collected on account of the several funds included in the list.

Sec. 19. Minnesota Statutes 1974, Section 276.10, is amended to read:

276.10 [APPORTIONMENT AND DISTRIBUTION OF FUNDS.] On the last day of February, May, and October, of each year, the county auditor and county treasurer shall make distribution of all undistributed funds remaining in the treasury, apportioning the same, as provided by law, and placing the same to the credit of the state, town, city, or school district, and each county fund. Within 20 days after such distribution is completed, the county auditor shall make report thereof to the (COMMISSIONER OF FINANCE) *state auditor*, in such form as the (COMMISSIONER OF FINANCE) *state auditor* may prescribe. The county auditor shall issue his warrant for the payment of any moneys remaining in the county treasury to the credit of the state, town, city, or school district on application of the persons entitled to receive the same.

Sec. 20. Minnesota Statutes 1974, Section 293.10, is amended to read:

293.10 [DRAFT ON DELINQUENT; EVIDENCE.] On or before the tenth day of June, in each year, the commissioner of (FINANCE) *revenue* shall (MAKE HIS DRAFT UPON THE) *issue his order to any* person delinquent in the payment of such tax for the amount of taxes and penalty due thereon and (PLACE THE SAME IN THE HANDS OF THE STATE TREASURER FOR COLLECTION. THE DRAFT OF THE COMMISSIONER OF FINANCE FOR THE TAX AND PENALTY IMPOSED BY THE PROVISIONS OF THIS CHAPTER) *this order* shall be prima facie evidence in any court where proceedings may be brought for its enforcement that the amount therein stated is due from the person (AGAINST WHOM THE SAME IS DRAWN).

Sec. 21. Minnesota Statutes 1974, Section 348.04, is amended to read:

348.04 [PROOFS SENT TO COMMISSIONER OF NATURAL RESOURCES.] Before August first the county auditor shall compare the proofs furnished by the claimant with the assessor's report, and, if they correspond in substance, he shall immediately forward to the commissioner of (FINANCE) *natural resources* the original proofs of claim and a certified list of all plats filed.

Sec. 22. Minnesota Statutes 1974, Section 354A.07, is amended to read:

354A.07 [STATE AID FOR BENEFITS.] Subdivision 1. [CITIES OF FIRST CLASS.] The provisions of this section apply to teachers retirement fund associations and the benefits provided thereby in cities of the first class in which the teaching body thereof has established and incorporated such an association under the provisions of sections 354A.01 to 354A.10.

Subd. 2. [CONTRIBUTION BY STATE.] Notwithstanding any of the provisions of section 354A.06, before the proper officials of the association make the certification to the authorities having charge of levying taxes for school purposes as provided in section 354A.06, and in no case later than September 15 of each year, it shall furnish a copy of the certification which it proposes to make to the (COMMISSIONER OF FINANCE) *teachers retirement association* and at the same time furnish the (COMMISSIONER OF FINANCE) *teachers retirement association* with the number of teachers in the association who are currently contributing to the fund of such association, the amount of the annual salary of each of such teachers, the amount of each teacher's contribution and such other information as the (COMMISSIONER OF FINANCE) *teachers retirement association* may from time to time require.

From such information the (COMMISSIONER OF FINANCE) *teachers retirement association* shall determine the state's obligation as prescribed in subdivisions 3 and 3b and shall *certify such amount to the commissioner of finance who shall then pay the same to the association from the general fund in the state treasury and so much thereof as may be necessary to annually make such payment is hereby appropriated to the commissioner of finance for such purpose. This payment shall be made no later than October 15 of each year. When the association receives such payment from the commissioner of finance it shall deduct the amount thereof from the amount it proposes to certify to the proper authorities having charge of the levying of taxes for school purposes as provided for in section 354A.06 and the amount necessary to raise by taxation in order to carry out the retirement plan of the association shall be reduced by the amount of the state's payment.*

Subd. 3. [FORMULA FOR CONTRIBUTION.] The state's obligation under this section to a teachers retirement fund association in a city of the first class is an amount equal to the average amount, expressed as a percentage of payroll, that the state of Minnesota is required to pay annually for all contributing members of the (STATE) teachers retirement association including social security taxes. This percentage of payroll shall be based on annual estimated payroll amounts and certification information prepared by the (STATE) teachers retirement fund association for the current year, including social security taxes paid the previous year. This percentage of payroll shall be applied to total salary as reported in the annual salary information (FURNISHED) prepared by each teachers retirement association in a city of the first class (TO THE COMMISSIONER OF FINANCE) in compliance with subdivision 2 to determine the state's obligation to each teachers retirement fund association in each city of the first class. Any amount by which subsequent actual experience may deviate from the amounts allocated through the foregoing estimates shall be adjusted on succeeding allocations to said associations in cities of the first class. In no

event shall the state's obligation be in excess of the amount required to be certified by such associations under applicable law to the proper authorities who have charge of the levying of taxes for school purposes.

Subd. 3a. Notwithstanding the provisions of subdivisions 1, 2 and 3, the state's obligation under this section to a teachers retirement fund association in a city of the first class which has a fully coordinated teachers retirement social security fund is an amount equal to the average amount, expressed as a percentage of payroll, that the state of Minnesota is required to pay annually for all contributing members of the state teachers retirement association including social security taxes. This percentage of payroll shall be based on annual estimated payroll amounts and certification information prepared by the (STATE) teachers retirement fund association for the current year, including social security taxes paid the previous year. This percentage of payroll shall be applied to total salary as reported in the annual salary information (FURNISHED) prepared by the teachers retirement association (TO THE COMMISSIONER OF FINANCE) in compliance with subdivision 2, to determine the state's obligation to the teachers retirement fund association. Any amount by which subsequent actual experience may deviate from the amounts allocated through the foregoing estimates shall be adjusted on succeeding allocations to the association. The yearly amount received by the association shall then be apportioned in the following manner:

(a) To the teachers retirement fund association, that amount expressed in dollars equivalent to the portion of the state's obligation as determined under this subdivision that results from the payment by the state to the (STATE) teachers retirement association, exclusive of social security taxes.

(b) To Independent School District No. 709, St. Louis county, that amount expressed in dollars equivalent to the portion of the state's obligation as determined under this section that results from payment by the state of social security taxes on contributing members of the (STATE) teachers retirement association.

Subd. 4. The allocation of the commissioner of finance to a teachers retirement fund association in a city of the first class as provided in subdivision 3 shall be reduced by an amount obtained by applying the percentage of payroll calculated in subdivision 3 to that portion of salaries paid from sources other than normal school operating funds as defined in section 354.05, subdivision 27. Before such allocation may be made, each teachers retirement fund association in a city of the first class shall furnish to the (COMMISSIONER OF FINANCE) *teachers retirement association* a satisfactory certification which shows the total of all salaries paid which are subject to teachers retirement deductions. Such certification shall also show the total amount of salaries paid from normal school operating funds and the total

amount of salaries paid from sources other than normal school operating funds as defined in section 354.05, subdivision 27. For each individual salary included in the total of all salaries paid from sources other than normal school operating funds as defined in section 354.05, subdivision 27, the certification shall show each person's name, his salary or related portion of salary and amount of employer contributions determined by applying the percentage of payroll calculated in subdivision 3 to such salary. Such amount of related employer contributions shall be remitted to the state teachers retirement association by the commissioner of finance until the amount of these remittances and those described in section 354.43, subdivision 3 are equal to the social security receivable as defined in section 354.05, subdivision 29.

Page 74, line 9, after "*levies*" insert "*for the prior year*".

Page 80, line 15, after the period insert "*If the distribution to any municipality would exceed that municipality's permissible levy for the prior year, computed pursuant to Minnesota Statutes, Sections 275.50 to 275.59, the excess shall be distributed to the other qualifying municipalities on a per capita basis.*".

The motion prevailed and the amendment was adopted.

Adams, S., moved to amend H. F. No. 1674 as follows:

Delete all of Article I and insert a new Article I as follows:

"Article I

Section 1. Minnesota Statutes 1974, Section 290.0601, Subdivision 6 is repealed.

Sec. 2. Minnesota Statutes 1974, Section 290.0601 is amended by adding a subdivision to read:

Subd. 6a. [CLAIMANT.] Any resident who files an individual Minnesota income tax return and who is not a dependent of another taxpayer may claim a tax credit for property taxes to which he has been subject during the taxable year for which the return is filed. The tax credit may be claimed even though the resident has no income taxable under the Income Tax Act. A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half of the tax credit that would have been allowed on a joint return.

Sec. 3. Minnesota Statutes 1974, Section 290.0601, Subd. 9, is amended to read:

Subd. 9. [PROPERTY TAXES ACCRUED.] Property taxes accrued means the net property tax after deducting the credit allowed by Minnesota Statutes 1967, Section 273.13, Subdivisions 6 and 7, (exclusive of special assessments, delinquent interest and charges for service) levied on a claimant's homestead (IN 1967 OR ANY CALENDAR YEAR THEREAFTER PURSUANT TO MINNESOTA STATUTES 1965, CHAPTERS 272 AND 273). When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more persons or entities is not a member of claimant's household, 'property taxes accrued' is that part of property taxes levied on such homestead as reflects the ownership percentage of the claimant and his household. For the purposes of this paragraph property taxes are 'levied' when the tax roll is delivered to the local treasurer for collection. (THE LOCAL TREASURER WILL INCLUDE WITH THE TAX BILL A STATEMENT THAT IF THE OWNER OF THE PROPERTY IS 65 YEARS OF AGE OR OVER, OR WAS ELIGIBLE TO RECEIVE 'SUPPLEMENTARY SECURITY INCOME FOR THE AGED, BLIND, AND DISABLED' UNDER THE SOCIAL SECURITY AMENDMENTS OF 1972 (P. L. 92-603), OR WAS ELIGIBLE TO RECEIVE SOCIAL SECURITY AID TO THE DISABLED UNDER USCA TITLE 42, SECTION 416, PARAGRAPH (1) (1) OR SECTION 423 (D) HE MAY BE ELIGIBLE FOR THE CREDIT ALLOWED BY SECTIONS 290.0601 TO 290.0616 AND 290.0618.) When a claimant and his household own their homestead part of the preceding calendar year and rent the same or a different homestead for part of the same year 'property taxes accrued' means only taxes levied on the homestead when both owned and occupied as such by claimant and his household at the time of the levy, multiplied by the percentage of 12 months that such property was owned and occupied by such household as its homestead during the preceding year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall relate only to that property occupied by the household as a homestead on the levy date. Whenever a homestead is an integral part of a farm, the claimant may use the total property taxes accrued for the larger unit, but not exceeding 120 acres of land, as described in section 273.13, subdivision 6, except as the limitations of section 290.0608 apply. For the purpose of sections 290.0601 to 290.0616 and 290.0618, the 'unit' refers to that parcel of property covered by a single tax statement of which the homestead is a part.

Sec. 4. Minnesota Statutes 1974, Section 290.0618 is amended by deleting the words 'Senior Citizens' where it appears in the title of the credit schedule.

Sec. 5. Minnesota Statutes 1974, Section 290.0618 is amended as follows: Numbering the credit columns contained in the section from left to right, increase all of the figures to the nearest whole number in column 6 by 20%, in column 7 by 40%, in column 8 by 60%, in column 9 by 80% and in column 10 by 100%.

In the columns labeled 'Total Household Income' in the line that reads 'At least \$5,500, but less than \$6,000' delete "\$6,000" and insert "\$10,000".

Sec. 6. Minnesota Statutes 1974, Section 290.061 is repealed."

REPORTS OF STANDING COMMITTEES

Munger from the Committee on Environment and Natural Resources to which was referred:

H. F. No. 1373, A bill for an act relating to natural resources; establishing an accelerated program of inventorying, classifying, and designating state waters; prescribing the powers and duties of the commissioner of natural resources and counties in connection therewith; prescribing interim rules and regulations; appropriating money; amending Minnesota Statutes 1974, Chapter 105, by adding a section.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. [LEGISLATIVE FINDINGS.] Minnesota is blessed with an abundance of water, including more than 15,000 lakes and 25,000 miles of rivers and streams. This abundance of water creates an abundance of regulatory problems for all levels of government and for private individuals, associations, and corporations. The commissioner of natural resources, who has jurisdiction over public waters pursuant to Minnesota Statutes, Chapter 105, and related laws, has not, by reason of limitations of personnel and appropriations, inventoried, classified, and designated by rule and regulation all of the waters of this state as to their status under the laws defining public waters. The legislature finds that increasing demands upon, and controversies relating to, the waters of this state in matters such as changes in course, current, or cross sections, dams, drainage, flood plain management, and shoreland management, have created a situation which requires an early inventory of the waters of the state for the purpose of accelerating the classification of those waters of the state which should be designated public waters. The purpose of this act is to expedite that process.

Sec. 2. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.391] [PUBLIC WATERS INVENTORY AND CLASSIFICATION.] *Subdivision 1. On the basis of all information available to him, the commissioner shall inventory the water basins of each county and make a preliminary designation as to which of those waters constitute public waters. The commissioner shall send his preliminary designation for each county to the county board of that county for its review and comment.*

Subd. 2. Within 90 days after a county board has received the commissioner's preliminary designation, it shall notify the commissioner of any disagreement with that designation. The com-

missioner may extend the time within which a county may notify him of a disagreement.

Subd. 3. If there is no disagreement between the commissioner and a county concerning the preliminary designation of public waters in that county, the commissioner by rule shall designate as public waters those waters listed in the preliminary designation. In the same rule-making procedure the commissioner may also designate as public waters any watercourses which have been determined to be public and classified as to the level of regulation in accordance with the procedures of the commissioner's interim rules and regulations. The designation of watercourses as public waters pursuant to this subdivision shall remain in effect until changed by rule of the commissioner following the inventory, designation, and classification of watercourses prescribed by this section. A hearing on proper designation of a body of water shall be held in the county in which the waters to be designated are located. Except as provided below, no water basin designated public water may be drained, and no permit authorizing drainage of a water basin containing public water may be issued, unless the public water being drained is replaced by a body of water which will have equal or greater public value. However, after a state water bank program has been established, public waters which are eligible for inclusion in that program may be drained if, upon receiving an application for a permit to drain such water, the commissioner elects neither to place the water basin in the state water bank program nor to acquire it under a wetland acquisition program.

Subd. 4. If there is a disagreement between the commissioner and a county concerning a preliminary designation of water basins as public waters in that county, the commissioner shall attempt to resolve the disagreement with the county within 60 days after receiving notice of disagreement from the county. During the 60 day period the commissioner may proceed, in the manner provided by subdivision 3, to make a final designation for those water basins which are not the subject of disagreement between the commissioner and the county.

Subd. 5. If after 60 days from the date of receiving notice of disagreement by a county, there remains matters upon which the commissioner and the county disagree, the commissioner shall order a public hearing to be held in the county pursuant to the rule-making provisions of Minnesota Statutes, Chapter 15. A hearings unit composed of two persons appointed by the commissioner, one person appointed by the affected county board and one person appointed by the area soil and water conservation district shall select a fifth member within 45 days of the public hearing order. If the fifth member of the hearings unit cannot be agreed upon by the four appointees within the 45 day period, then the state soil and water conservation commission shall select such member within 30 days. The hearings unit shall conduct a public hearing within the affected county, and such unit

may designate a hearings officer. In the event there is a watershed district whose boundaries include the waters involved, the district shall provide the hearings unit with its recommendations. Upon completion of the hearing, the hearings unit shall issue its findings of fact, conclusions and an order, which shall be considered the decision of an agency in a contested case for purposes of judicial review pursuant to chapter 15. The order of the hearings unit after the appeal period has expired, or the final order of the court in the case of an appeal, shall be binding and the commissioner shall then promulgate by rule a list of those waters which are determined to be public waters. In the event the county appeals an order of the hearings unit, the commissioner shall be obligated to pay 50 percent of the reasonable appeal costs of the county. In the event the commissioner appeals an order of the hearings unit, the commissioner shall be obligated to pay the reasonable costs incurred by the county in defense of the appeal.

Subd. 6. From money appropriated to him for the following purposes, the commissioner shall grant aid to counties to facilitate an inventory of all watercourses for the purpose of designating which of the watercourses in the county are watercourses constituting public waters and for the purpose of recommending a management classification for each watercourse. The commissioner shall consider the size of a county and the number of watercourses within the county when making a grant. Within a reasonable time following the grant of aid for a watercourse inventory, as specified by the commissioner, the county shall report to the commissioner on its watercourse inventory, its recommendations as to which watercourses in the county should be designated as public waters, and its recommended management classifications. Within 90 days after receiving a county's report, the commissioner shall notify the county of any disagreement with the county's report. If there is no disagreement concerning a particular watercourse the commissioner shall by rule designate that watercourse as public waters and shall specify its proper management classification. The commissioner shall attempt to resolve any disagreement between the commissioner and a county within 60 days after notifying the county of his disagreement. During the 60 day period the commissioner may proceed, in the manner provided by subdivision 3, to make a final designation for those watercourses which are not the subject of disagreement between the commissioner and the county. If, after 60 days from the date the county receives notice of the commissioner's disagreement, there remain matters upon which the commissioner and a county disagree, the commissioner, in accordance with subdivision 5, shall present the disagreement to a hearings unit as stipulated therein who shall conduct a public hearing which upon completion shall further comply with the provisions of subdivision 5 relating to judicial review, final order and appeal costs.

Subd. 7. Waters of this state are public waters for the purposes of this section if they have been determined to be public waters or navigable waters by the district court or, if appealed,

by the supreme court of this state or by the United States supreme court.

Subd. 8. Notwithstanding any other law to the contrary the procedures, rules and guidelines set forth in the order of the commissioner of natural resources dated prior to the effective date of this act and filed with the secretary of state before the effective date of this act and given a document number by the secretary of state, shall be valid and enforceable emergency rules and regulations of the commissioner of natural resources for the purposes of Minnesota Statutes, Sections 15.0411 to 15.0422, with respect to public waters during the period between the effective date of this act and the designation of those waters as public water pursuant to this section, without further act or deed of the commissioner.

Sec. 3. [APPROPRIATION.] The sum of \$1,160,000 is appropriated from the general fund to the commissioner of natural resources for the purpose of section 2 of this act. Of this amount, \$400,000 is appropriated for grants to counties for watercourse inventories. Notwithstanding the provisions of section 16A.28 or any other law relating to the lapse of an appropriation, the appropriation made by this section shall not lapse but shall continue until fully expended.

Sec. 4. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.392] [WATER BANK PROGRAM.] Subdivision 1. The legislature finds that it is in the public interest to preserve the wetlands of the state and thereby to conserve surface waters, to preserve wildlife habitat, to reduce runoff, to provide for floodwater retention, to reduce stream sedimentation, to contribute to improved subsurface moisture, to enhance the natural beauty of the landscape, and to promote comprehensive and total water management planning. Therefore, the commissioner of natural resources is authorized and directed to prepare proposed rules, procedures, and payment rates designed to effectuate the terms of this section, for submission to the legislature by January 15, 1976. This program is intended to supplement and complement the federal water bank program and the payment rates established shall be equal to the federal rates existing at the time any agreements are entered into.

Subd. 2. The commissioner shall have authority to enter into agreements with landowners and operators for the conservation of wetlands. These agreements shall be entered into for a period of ten years, with provision for renewal for additional ten year periods. The commissioner may re-examine the payment rates at the beginning of any such ten year renewal period in the light of the then current land and crop values and make needed adjustments in rates for any such renewal period. For purposes of this

section, except as provided below, wetlands shall mean wetlands types one through four, as described in Circular 39, Wetlands of the United States, published by the United States Department of the Interior, when the commissioner determines that it is lawful and feasible and practical to drain such wetlands, and that drainage would provide high quality cropland which in fact would be used for such purpose. However, as to those water basins which have been declared to be public waters under the provisions of section 2 of this act, only those which are wetlands types three and four and less than 50 acres in area which were declared public waters because of their beneficial public value as wildlife habitat, shall be considered for inclusion in the water bank program.

Subd. 3. In the agreement between the commissioner and an owner or operator, the owner or operator shall agree:

(1) to place in the program for the period of the agreement eligible wetland areas he designates, which areas may include wetlands covered by a federal or state government easement which permits agricultural use, together with such adjacent areas as determined desirable by the commissioner;

(2) not to drain, burn, fill, or otherwise destroy the wetland character of such areas, nor to use such areas for agricultural purposes, as determined by the commissioner;

(3) to effectuate the wetland conservation and development plan for his land in accordance with the terms of the agreement, unless any requirement thereof is waived or modified by the commissioner;

(4) to forfeit all rights to further payments or grants under the agreement and refund to the state all payments or grants received thereunder upon his violation of the agreement at any stage during the time he has control of the land subject to the agreement if the commissioner determines that such violation is of such a nature as to warrant termination of the agreement, or to make refunds or accept such payment adjustments as the commissioner may deem appropriate if he determines that the violation by the owner or operator does not warrant termination of the agreement;

(5) upon transfer of his right and interest in the lands subject to the agreement during the agreement period, to forfeit all rights to further payments or grants under the agreement and refund to the state all payments or grants received thereunder during the year of the transfer unless the transferee of any such land agrees with the commissioner to assume all obligations of the agreement;

(6) not to adopt any practice specified by the commissioner in the agreement as a practice which would tend to defeat the purposes of the agreement; and

(7) to such additional provisions as the commissioner determines are desirable and includes in the agreement to effectuate the purposes of the program or to facilitate its administration.

Subd. 4. In return for the agreement of the owner or operator, the commissioner shall (1) make an annual payment to the owner or operator for the period of the agreement at such rate or rates as the commissioner determines to be fair and reasonable in consideration of the obligations undertaken by the owner or operator; and (2) provide advice on conservation and development practices on the wetlands and adjacent areas for the purposes of this act as the commissioner determines to be appropriate. In making his determination, the commissioner shall consider, among other things, the rate of compensation necessary to encourage owners or operators of wetlands to participate in the water bank program.

Subd. 5. Any agreement may be renewed or extended at the end of the agreement period for an additional period of ten years by mutual agreement of the commissioner and the owner or operator, subject to any rate redetermination by the commissioner. If during the agreement period the owner or operator sells or otherwise divests himself of the ownership or right of occupancy of such land, the new owner or operator may continue such agreement under the same terms or conditions, or enter into a new agreement in accordance with the provisions of this act, including the provisions for renewal and adjustment of payment rates, or he may choose not to participate in such program, except that for any water declared public waters they shall not be drained.

Subd. 7. The commissioner may terminate any agreement by mutual agreement with the owner or operator if the commissioner determines that such termination would be in the public interest, and may agree to such modification of agreements as he may determine to be desirable to carry out the purposes of the program or facilitate its administration.

Subd. 6. The corrections advisory board shall promulgate and implement rules concerning attendance of members at board meetings.

Sec. 11. Minnesota Statutes 1974, Section 401.10, is amended to read:

401.10 [CORRECTIONS EQUALIZATION FORMULA.]
To determine the amount to be paid participating counties (DURING THE BIENNIUM ENDING JUNE 30, 1975,) the commissioner of corrections will apply the following formula:

(1) All 87 counties will be (RANKED) scored in accordance with a formula involving four factors:

- (a) per capita income;
- (b) per capita taxable value;
- (c) per capita expenditure per 1,000 population for correctional purposes; and;
- (d) percent of county population aged six through 30 years of age according to the most recent federal census, and, in the intervening years between the taking of the federal census, according to the state demographer.

"Per capita expenditure per 1,000 population" for each county is to be determined by multiplying the number of (ADULTS AND "YOUTHFUL OFFENDERS") persons convicted of a felony under supervision in each county at the end of the current year by \$350. To the product thus obtained will be added:

(i) the number of presentence investigations completed in that county for the current year multiplied by \$50;

(ii) the annual cost to the county for county probation officers' salaries for the current year; and

(iii) $33\frac{1}{3}$ percent of such annual cost for probation officers' salaries.

The total figure obtained by adding the foregoing items is then divided by the total county population according to the most recent federal census, or, during the intervening years between federal censuses, according to the state demographer.

(2) The percent of county population aged six through 30 years shall be determined according to the most recent federal census, or, during the intervening years between federal censuses, according to the state demographer.

(3) Each county is then (RANKED) scored as follows:

(a) (ON THE BASIS OF PER CAPITA INCOME THE RANKING IS FROM THE LOWEST TO THE HIGHEST) Each county's per capita income is divided into the 87 county average;

(b) (PER CAPITA TAXABLE VALUE IS RANKED FROM LOWEST TO HIGHEST) Each county's per capita taxable value is divided into the 87 county average;

(c) (PER CAPITA EXPENDITURE IS RANKED FROM HIGHEST TO LOWEST) Each county's per capita expenditure for correctional purposes is divided by the 87 county average;

(d) (PERCENT OF COUNTY POPULATION AGED SIX THROUGH 30 YEARS IS RANKED FROM HIGHEST TO LOWEST) Each county's percent of county population aged six through 30 is divided by the 87 county average.

(4) The (RANKING) scores given each county on each of the foregoing four factors (IS) are then totaled and (THE COUNTIES RANKED IN NUMERICAL ORDER ACCORDING TO SCORE) divided by four.

(5) (THE TOTAL SCORE FOR EACH COUNTY THUS DETERMINED IS THEN DIVIDED INTO A MEDIAN TOTAL SCORE. THE MEDIAN TOTAL SCORE IS THE SCORE OBTAINED BY THAT COUNTY RANKED NUMBER 44 IN THE FINAL RANKING.) The quotient thus obtained then becomes the computation factor for the county. This computation factor is then multiplied by a "dollar value", as fixed by the appropriation pursuant to sections 401.01 to 401.16, times the total county population. The resulting product is the amount of subsidy to which the county is eligible under sections 401.01 to 401.16. Notwithstanding any law to the contrary, the commissioner of corrections, after notifying the committees on finance of the senate and appropriations of the house of representatives, may, at the end of any fiscal year, transfer any unobligated

funds in any appropriation to the department of corrections to the appropriation under sections 401.01 to 401.16, which appropriation shall not cancel but is reappropriated for the purposes of sections 401.01 to 401.16.

Sec. 12. Minnesota Statutes 1974, Section 401.11, is amended to read:

401.11 [ITEMS INCLUDED IN PLAN PURSUANT TO REGULATION.] The comprehensive plan submitted to the commissioner for his approval shall include those items prescribed by regulation of the commissioner, which may require the inclusion of the following: (a) the manner in which presentence and postsentence investigations and reports for the district courts and social history reports for the juvenile courts will be made; (b) the manner in which probation and parole services to the courts and persons under jurisdiction of the (YOUTH CONSERVATION COMMISSION AND THE ADULT CORRECTIONS COMMISSION) *commissioner of corrections and the Minnesota corrections authority* will be provided; (c) a program for the detention, supervision and treatment of persons under pre-trial detention or under commitment; (d) delivery of other correctional services defined in section 401.01; (e) proposals for new programs, which proposals must demonstrate a need for the program, its purpose, objective, administrative structure, staffing pattern, staff training, financing, evaluation process, degree of community involvement, client participation and duration of program.

In addition to the foregoing requirements made by this section, each participating county or group of counties shall be required to develop and implement a procedure for the review of grant applications made to the corrections advisory board and for the manner in which corrections advisory board action shall be taken thereon. A description of this procedure shall be made available to members of the public upon request.

"Section 1. [116C.22] [CITATION.] Sections 1 to 14 may be cited as the Minnesota environmental coordination procedures act.

Sec. 2. [116C.23] [PURPOSES.] It shall be the purpose of sections 1 to 14:

(a) to provide an optional procedure to assist those who, in the course of satisfying the requirements of state government prior to undertaking a project which contemplates the use of the state's air, land, or water resources, must obtain more than one state permit, by establishing a mechanism in state government which will coordinate administrative decision-making procedures, and related quasi-judicial and judicial review, pertaining to these permits;

(b) to provide to the members of the public a better and easier opportunity to present their views comprehensively on proposed uses of natural resources and related environmental matters prior to the making of decisions on these uses by state agencies;

(c) to provide to the members of the public a greater degree of certainty in terms of permit requirements of state government; and

(d) to establish the opportunity for members of the public to obtain information pertaining to requirements of state and local law which must be satisfied prior to undertaking a project in this state.

Sec. 3. [116C.24] [DEFINITIONS.] Subdivision 1. For the purposes of sections 1 to 14, the terms defined in this section have the meanings given them.

Subd. 2. "Agency" means a state department, commission, board or other agency of the state however titled, when acting within existing legal authority to grant or deny a permit.

Subd. 3. "Council" means the Minnesota environmental quality council.

Subd. 4. "Coordination unit" means the environmental coordination unit established pursuant to section 4.

Subd. 5. "Local governmental unit" means a county, city, town, or special district with legal authority to issue a permit.

Subd. 6. "Permit" means a license, permit, certificate, certification, approval, compliance schedule, or other similar document pertaining to a regulatory or management program related to the protection, conservation, or use of, or interference with, the natural resources of land, air or water, which is required to be obtained from a state agency prior to constructing or operating a project in this state.

Nothing in sections 1 to 14 shall relate to the granting of a proprietary interest in publicly owned property through a sale, lease, easement, use permit, license or other conveyance.

Subd. 7. "Person" means an individual, an association or partnership, or a cooperative, or a municipal, public or private corporation, including but not limited to a state agency and a county.

Subd. 8. "Project" means a new activity or an expansion of or addition to an existing activity, which is fixed in location and for which permits are required from an agency prior to construction or operation, including but not limited to industrial and commercial operations and developments. This act shall not apply to projects which are covered by Minnesota Statutes, Sections 116C.51 to 116C.69 and 116H.13.

Sec. 4. [116C.25] [CREATION OF ENVIRONMENTAL PERMITS COORDINATION UNIT.] The council shall establish an environmental permits coordination unit to implement and administer the provisions of sections 1 to 14 and the chairman of the council shall employ necessary staff to work for the coordination unit on a continuous basis.

Sec. 5. [116C.26] [MASTER APPLICATION PROCEDURE.] Subdivision 1. A person proposing a project which may require more than one permit may, prior to the initial construction of the project or prior to the initial operation of the

project if construction of the project required no state permit, submit a master application to the coordination unit requesting the issuance of all state permits necessary for construction and operation of the project. The master application shall be on a form furnished by the coordination unit and shall contain precise information as to the location of the project, and shall describe the nature of the project including any contemplated discharges of wastes therefrom and any uses of, or interferences with, natural resources. No master application shall be accepted for processing by the coordination unit pursuant to sections 1 to 14, unless it is accompanied by the certifications issued not more than 90 days prior to the date of the master application as required by section 10. If an environmental impact statement is required by Minnesota Statutes, Chapter 116D, or any regulations or orders promulgated thereunder, for a project which is the subject of the master application, then no master application shall be accepted for processing by the coordination unit pursuant to sections 1 to 14, unless it is accompanied by a certification from the council that either an environmental impact statement concerning the project has been completed or that the council has determined that an environmental impact statement is not required concerning the project.

Subd. 2. Upon receipt of a completed master application, the coordination unit shall immediately notify in writing each agency having a possible interest in the master application arising from requirements pertaining to a permit program under its jurisdiction. The notification from the coordination unit shall be accompanied by a copy of the master application together with the date by which the agency shall respond to the notice. Each notified agency shall respond in writing to the coordination unit within 20 days from receipt unless this period is extended by the chairman of the council upon a showing of cause by the agency, advising whether the agency does or does not have an interest in the master application. In the event that an agency fails to respond timely to the coordination unit, the council shall be permitted to respond for the agency, provided the council has given five days advance notice to the agency of its intention to respond. If an agency responds that it has an interest in the master application, the response shall include information concerning the specific permit programs under its jurisdiction which are pertinent to the project described in the master application. The agency response shall also contain a recommendation whether a public hearing concerning the master application as provided in section 7 would or would not be of value considering the overall public interest.

Subd. 3. The coordination unit shall submit application forms concerning the permits programs identified in the affirmative responses under subdivision 2, to the applicant with a direction to complete and return them to the coordination unit within 90 days.

Subd. 4. No agency for which an affirmative response is not made pursuant to subdivision 2, shall subsequently require a permit for the proposed project unless the master application contained false, misleading, or deceptive information, or other information, or lack of information, which would reasonably lead an agency to misjudge its interest in a proposed project, or unless new information or subsequent laws or regulations require additional permits.

Subd. 5. Within ten days of receipt of the full set of completed application forms by the coordination unit, each application shall be transmitted to the appropriate agency for the performance of its responsibilities of decision making in accordance with the procedures of sections 1 to 12.

Subd. 6. If an agency has a procedure for setting priorities in issuing a permit according to the date of the application for the permit, the date used shall be the date upon which a master application is received by the coordination unit.

Sec. 6. [116C.27] [NOTICE.] Subdivision 1. The coordination unit immediately after transmittal of the completed applications to the appropriate agency shall cause a notice to be published at the applicant's expense once in the Minnesota Register and once each week on the same day of the week for three consecutive weeks in a newspaper of general circulation within each county in which the project is proposed to be constructed or operated. The notice shall describe the nature of the master application including, with reasonable specificity, the project proposed, its location, the various permits applied for, and the agency having jurisdiction over each permit. Except as provided in subdivision 2, the notice shall also state the time and place of the public hearing, to be held not less than 20 days after the date of last publication of the notice. It shall further state that a copy of the master application and a copy of all permit applications for the project are available for public inspection in the office of the county auditor of each county in which the project is proposed to be constructed or operated, as well as in other locations which the coordination unit may designate.

Subd. 2. If the responses to the master application received by the coordination unit from the state agencies unanimously state the position that a public hearing in relation to a master application would not be of value in consideration of the overall public interest, the provisions of subdivision 1 pertaining to the time and place of a public hearing shall not be included in the notice. In place thereof the notice shall state that members of the public may present relevant views and supporting materials in writing to the coordination unit concerning any of the permits applied for within 30 days after the last date of publication of the notice in a newspaper.

Sec. 7. [116C.28] [PUBLIC HEARING.] Subdivision 1. When an agency indicates that a public hearing is required

or appropriate on matters relating to the project described in the master application, the affected agencies shall hold a joint hearing, unless the council determines that a joint hearing is not in the public interest. Any agency which responded with an affirmative interest in the master application need not participate in, nor share the costs of, the joint hearing if the agency has certified to the coordination unit prior to the date scheduled for the joint hearing that the agency has sufficient information concerning the permit applications within its jurisdiction and either has issued, or intends to issue, the required permits. Unless the council orders otherwise, the hearing shall be held in the county in which all or a major part of the proposed project is to be constructed or operated. The hearing shall be held pursuant to the requirements of section 6, and applicable provisions of Minnesota Statutes, Chapter 15. At the hearing the applicant may submit relevant information and material in support of his applications, and members of the public may present relevant views and supporting materials in relation to the applications being considered.

Subd. 2. Each state agency having an application for a permit before it, as described in the hearing notice, shall be represented at the public hearing by its chief administrative officer or his designee unless excused pursuant to section 7, subdivision 1. Unless otherwise provided in Minnesota Statutes, Chapter 15, a hearing officer appointed jointly by the party agencies or, in the event the party agencies do not agree, appointed by the chairman of the council shall chair the hearing; however, the representative of any state agency within whose jurisdiction a specific application lies shall participate in the portion of the hearing pertaining to submission of information, views, and supporting materials which are relevant to its application. The hearing officer may, when appropriate, continue a hearing from time to time and place to place. The hearing shall be recorded in any manner suitable for transcription pursuant to Minnesota Statutes, Chapter 15, as determined by the coordination unit. Costs of the public hearing shall be equitably apportioned among the affected agencies pursuant to rules which the council shall adopt pursuant to section 11.

Subd. 3. Upon completion of the public hearing and the closing of the hearing record, the hearing officer shall insure that copies of the official transcript of the joint hearing are forwarded to each party agency. Within a reasonable time after the closing of the hearing record, the representative of each party agency shall prepare a report in the matter of the joint hearing consisting of proposed findings of fact, conclusions and recommendations. The report of the hearing shall be forwarded to the party agencies in accordance with rules or requirements of each party agency. Each state agency which is a party to the hearing shall forward its final decision on permit applications within its jurisdiction to the coordination unit within 60 days; provided that this date may be extended by the chairman of the council for reasonable cause. Every final decision shall set forth the basis for the decision together with a final order denying the permit or

granting the permit including the specifying of any conditions under which the permit is issued.

Subd. 4. If notice has been published pursuant to section 7, subdivision 2, and no public hearing is conducted, the coordination unit shall, after 30 days after the last notice publication in the newspaper, submit a copy of all views and supporting material received by it to each agency having jurisdiction concerning any permit application described in the notice. Concurrently therewith, the coordination unit shall notify each state agency, in writing, of the date not to exceed 60 days by which final decisions on applications shall be forwarded to the coordination unit; provided that this date may be extended by the chairman of the council for reasonable cause. Each final decision shall set forth the information required by subdivision 3.

Subd. 5. As soon as all final decisions are received by the coordination unit from the various participating state agencies, the coordination unit shall immediately incorporate them, without modification, into one document and shall transmit the document to the applicant either personally or by registered mail.

Sec. 8. [116C.29] [WITHDRAWAL OF AGENCY PARTICIPATION.] After an agency has responded that it has an interest in the master application, it may withdraw from further participation in the processing of that master application at any time by written notification to the coordination unit, if it subsequently appears to the agency that it has no permit programs under its jurisdiction which are applicable to the project.

Sec. 9. [116C.30] [APPLICATION.] Subdivision 1. A person aggrieved by a final decision of an agency in granting or denying a permit shall seek redress directly and individually from that agency in the manner provided by Minnesota Statutes, Chapter 15, or any other statute authorizing either judicial or administrative review of an agency decision.

Subd. 2. Each state agency having jurisdiction to approve or deny an application for a permit shall have continuing power as vested in it prior to the effective date of this section, to make such determinations. Nothing in sections 1 to 14 shall lessen or reduce such powers, and such sections shall modify only the procedures to be followed in the carrying out of such powers.

Subd. 3. A state agency may in the performance of its responsibilities of decision making under sections 1 to 12, request or receive additional information from an applicant.

Subd. 4. Fee schedules authorized by statute for an application or permit shall continue to be applicable even though the application or permit is processed under the provisions set forth in sections 1 to 12.

Subd. 5. The council shall by rule establish the extent to which the applicant is required to pay the costs of preparation, notice, hearings and other relevant expenses of the council, state agencies and departments, and political subdivisions as a result of their participation and responsibilities in the permit issuance procedure and certification. No current permit, issuance procedure or certification costs shall be reduced or abolished by the council; however, the council review may demonstrate that such fees are adequate and sufficient to execute the responsibilities imposed by this act.

Subd. 6. Sections 1 to 12 shall have no applicability to an application for a permit renewal, amendment, extension, or other similar document required subsequent to the completion of decisions and proceedings under sections 6 to 8, or to a replacement thereof or to a quasi-judicial or judicial proceeding held pursuant to an order of remand or similar order by a court in relation to a final decision of a state agency.

Sec. 10. [116C.31] [LOCAL CERTIFICATION.] Subdivision 1. No master application shall be processed pursuant to sections 1 to 12 unless it is accompanied by a certification issued, not more than 90 days prior to the date the master application is first received by the coordination unit, from the local governmental units in whose jurisdiction the proposed project is located, certifying that the project is in compliance with all zoning ordinances, subdivision regulation, environmental regulations and other laws administered by the local governmental unit and certifying that the preparation of any environmental impact statement which the local governmental unit is authorized to require pursuant to local ordinance, state statute, or council rule, has been completed or deemed not necessary. If the local governmental unit has required any environmental impact statement concerning the project, a copy of the completed environmental impact statement shall be attached to the local governmental unit's certification. If the local governmental unit has no zoning ordinances, subdivision regulations, or environmental regulations, or other applicable laws, the certification from the local governmental unit shall so state. A local governmental unit may accept applications for certifications as provided in this section and shall rule upon the same expeditiously to insure that the purposes of sections 1 to 12 are accomplished fully.

Subd. 2. Nothing in sections 1 to 14 shall modify in any manner whatsoever the applicability or inapplicability of any land use regulation statutes or local zoning ordinances to lands of any state agency.

Subd. 3. A ruling by a local governmental unit denying an application for certification shall not be appealable under sections 1 to 14. The denial of an application for certification by a local governmental unit shall not preclude the applicant from

filing a permit application under any other available statute or procedure.

Sec. 11. [116C.32] [RULES; COOPERATION.] The council shall as soon as practicable adopt rules in the manner provided by Minnesota Statutes, Chapter 15, to implement the provisions of sections 1 to 14, including master application procedures, notice procedures, and public hearing procedures and costs.

Sec. 12. [116C.33] [CONFLICT WITH FEDERAL REQUIREMENTS.] Subdivision 1. If in a final order of a court of competent jurisdiction, any part of sections 1 to 14 as enacted or administered is found to be in conflict with federal requirements which are a condition precedent to the allocation of federal funds authorized to this state, the conflicting part of sections 1 to 14 shall be void to the limited extent necessary to remove the conflict and the remainder of sections 1 to 14 shall remain effective.

Subd. 2. The council, to the limited extent necessary to comply with procedural requirements of federal statutes relating to permit systems operated by the state, may modify the notice, timing, hearing and related procedural matters provided in sections 1 to 14.

Sec. 13. [116C.34] [PERMIT INFORMATION CENTERS.] Subdivision 1. The council shall establish a permit information center in its office at St. Paul, which shall establish and maintain an information and referral system to assist the public in the understanding and compliance with the requirements of state and local governmental regulations concerning the use of natural resources and protection of the environment. The system shall provide a telephone information service and dissemination printed materials. The council shall provide assistance to regional development commissions desiring to create a permit information center.

Subd. 2. The permit information center shall:

(a) Identify all existing state licenses, permit certifications, approvals, compliance schedules, or other programs which pertain to the use of natural resources and to protection of the environment.

(b) Standardize permit titles and assign designation codes to all such permits which would thereafter be imprinted on all permit forms.

(c) Develop permit profiles including applicable rules and regulations, copies of all appropriate permit forms, statutory mandate and legislative history, names of individuals administer-

ing the program, permit processing procedures, documentation of the magnitude of the program and of geographic and seasonal distribution of the workload, and estimated application processing time.

(d) Identify the public information procedures currently associated with each permit program.

(e) Identify the data monitored or acquired through each permit and ascertain current users of that data.

(f) Recommend revisions to the current list of natural resource management and development permits currently listed in Minnesota Statutes, Section 116D.04, Subdivision 5.

(g) Recommend legislative or administrative modifications of the existing permit programs which would increase their efficiency and utility.

(h) Make available to the public, on request, any information referred to in this section.

Subd. 3. The auditor or each county shall post in a conspicuous place in his office the telephone numbers of the permit information centers established in St. Paul and in the office of the applicable regional development commission; copies of any master applications or permit applications forwarded to the auditor pursuant to section 6, subdivision 1; and copies of any information published by any permit information center pursuant to subdivision 1 of this section.

Sec. 14. [116C.35] [REPORT TO THE LEGISLATURE.] The council, after consultation with other agencies and local governments, shall submit to the legislature by January 1, 1977, a report setting forth the results of the experiences under sections 1 to 14 including any recommendations concerning methods to improve the procedures.

Sec. 15. [EFFECTIVE DATE.] Sections 1 to 4 and 11 to 16 shall be effective the date following final enactment. Sections 5 to 10 shall be effective on February 15, 1976.

Sec. 16. [APPROPRIATION.] The sum of \$245,000 is appropriated from the general fund to the director of state planning for the biennium ending June 30, 1977, for purposes of sections 1 to 14 of this act. Of this amount, \$120,000; or \$10,000 per region is appropriated for grants to regional development commissions, excluding the metropolitan council for the purpose of establishing a permit information center."

This levy shall be included in computing the amount of levy subject to tax limitations under any provision of law.

Subd. 2. [REVENUE BONDS.] All discretionary provisions relating to the issuance of revenue bonds under section 4, subdivision 7, shall be determined at the time of issuance of the bonds by the authority by resolution of its board. Bonds legally issued pursuant to this section shall be deemed authorized as securities within the provisions of Minnesota Statutes, Section 50.14 and shall be proper for investment therein by any savings bank or trust company, insurance company, or sinking funds held by any public or municipal corporation, and may be pledged by any bank or trust company as security for the deposit of public moneys therein in lieu of surety bonds. The bonds shall be deemed instruments of a public governmental agency and, as such, shall be exempt from taxation.

Subd. 3. [GENERAL OBLIGATION BONDS.] (a) The authority may issue, with the approval of a majority of the electors of Cook county as provided for in Minnesota Statutes, Section 475.58, general obligation bonds to carry out the plans relating to projects and public facilities after submission of the plans for review as provided in section 5. (b) General obligation bonds issued under this subdivision shall be in the amounts required, at the times and in the series as the authority shall determine by resolution, subject to the ratification of the Cook county board of commissioners evidenced by resolution. Except as otherwise provided by this section, the maturity, rights of prior redemption, execution, paying agency, provision for interest or other terms of the bonds, shall be subject to the provisions of Minnesota Statutes, Section 475.54 to 475.56.

The bonds shall not be included in computing the net indebtedness of the county under any applicable law and the taxing powers here granted to the county of Cook shall be in addition to all taxing powers now possessed by the county.

(d) The authority shall maintain a sinking fund for the payment of its general obligation bonds, to which it shall by resolution irrevocably appropriate taxes levied for the payment of principal and interest on the bonds. Any surplus amount resulting from an excess levy shall be transferred to a special account in the sinking fund after the principal and interest for which the tax was levied and collected has been paid. The authority may on or before October 15 in any year transfer to this sinking fund account any money on hand and available in its own treasury from earnings or other income and may certify to the county auditor the total amount in the account which it will use to pay principal or interest or both on its general obligation bonds, and the county auditor shall reduce by that amount the levy otherwise provided for that year, collectible in the ensuing year. The amount of funds so certified shall be set aside by the authority and shall be used for no other purpose than payment of principal and interest on the bonds. Notwithstanding any other provision of sections 1 to 9, accrued interest on the bonds shall be transferred to the sinking fund and used for the payment of principal and interest on the bonds.

[EXEMPTION FROM TAXATION.] The property, money, and other assets of the authority or revenues or other income of the authority, and all bonds, certificates of indebtedness, or other obligations issued by the authority and the interest thereon shall be exempt from all taxation, license fees, or charges of any kind imposed by the state, or by any county, municipality, political subdivision, taxing district, or other public agency or body of the state.

Sec. 8. [MONEY, ACCOUNTS, INVESTMENTS AND DEPOSITORIES.] All money received by the authority shall be

deposited or invested and disposed of as the board may direct; provided that any moneys that have been pledged or dedicated by the board to the payment of obligations or interest thereon or expenses incident thereto, or for any other specific purpose authorized by law, shall be paid into the fund to which they have been pledged. The board shall designate one or more national or state banks, or trust companies authorized to do banking business, as official depositories for the funds of the authority. The board shall establish from time to time funds and accounts as may be necessary or convenient to handle the receipts and disbursements of the authority in an orderly fashion. Money on hand in the funds in accounts may be deposited in the official depositories of the board or, to the extent not currently needed or required by law to be kept in cash on deposit, may be invested in obligations authorized for the investment of municipal sinking funds by Minnesota Statutes, Section 475.66 or held under certificates of deposit issued by any official depository of the board.

Sec. 9. [REPORTING.] Annually, on or before February 1, beginning on February 1, 1976, the board shall report to the legislature on the activities of the authority.

Sec. 10. [RESTRICTIONS.] The functions, powers and duties of the authority created by the act shall not jeopardize the historical, multiple use management concept applied to the forested area herein designated.

Sec. 11. [EFFECTIVE DATE.] This act shall not take effect until 30 days following its approval by the board of county commissioners of Cook county by resolution adopted in accordance with the provisions of Minnesota Statutes, Section 375.51, until approval by a majority of the qualified electors voting thereon at a regular election or a special election which the board of county commissioners may call for that purpose, and upon compliance with Minnesota Statutes, Section 645.021."

The motion prevailed and the second portion of the Philbrook amendment was adopted.

Dieterich moved to amend H. F. No. 1304, as follows:

Page 6, after Section 5, add the following sections:

"Section 6. [334.20] [DEFINITIONS.] The definitions and provisions in the Truth-In-Lending Act, Title I of the Consumer Credit Protection Act, P.L. 90-321, and in Regulation Z of the Board of Governors of the Federal Reserve System adopted pursuant thereto, 12 CFR 226, as in effect on June 5, 1971, shall apply to the terms used in sections 6 to 12.

Sec. 7. [334.21] [FINANCE CHARGES FOR OTHER THAN OPEN END CREDIT.] Subdivision 1. Unless otherwise authorized by statute, the parties to a consumer credit sale other than a sale pursuant to an open end credit plan may agree to payment by the consumer of a maximum finance charge calculated according to the actuarial method using the rate of finance charge specified by section 334.16.

Subd. 2. For the purposes of this section:

(a) The finance charge may be calculated on the assumption that all scheduled payments will be made when due;

(b) The dollar amount of the finance charge shall include the prepaid finance charge excluded from the amount financed; and

(c) The effect of prepayment is governed by the provisions on rebate upon prepayment under section 9 of this act.

Subd. 3. For the purposes of this section, the term of a consumer credit sale other than one pursuant to an open end credit plan commences with the date the credit is granted or, if goods are delivered, services performed or proceeds of a loan paid ten days or more after that date, with the date of commencement of delivery or performance. Differences in lengths of months are disregarded and a day may be counted as 1/30 of a month.

Subd. 4. A seller may contract for and receive a minimum finance charge with respect to a sale other than one pursuant to an open end credit plan, of not more than sixty cents per month for each month of the original contract term.

Sec. 8. [334.22] [PREPAYMENT PENALTIES PROHIBITED.] Subject to section 4, and unless otherwise authorized by statute, a buyer may prepay in full, or in any part, the unpaid balance of a consumer credit sale at any time without penalty.

Sec. 9. [334.23] [REBATE ON PREPAYMENT.] Subdivision 1. Unless otherwise authorized by statute, and upon

prepayment in full of the unpaid balance of a precomputed consumer credit sale, refinancing or consolidation, an amount not less than the unearned portion of the finance charge calculated according to this section shall be rebated to the buyer. If the total of all rebates, refunds and credits to be paid to the buyer under sections 6 to 12 is less than \$2, no rebate need be made.

Subd. 2. The unearned portion of the precomputed finance charge on consumer credit sales shall be at least as great a proportion of the time price differential as the sum of the periodic time balances after the month in which prepayment is made, bears to the sum of all the periodic time balances under the schedule of payments in the original contract. This method of calculating rebates may be referred to as the "rule of 78" or "sum of the digits" method. When a rebate computed by the "rule of 78" results in a buyer having been charged an effective rate of interest in excess of that allowable under section 334.16, it shall not be a violation of law.

Subd. 3. Unless otherwise authorized by statute, the parties to a consumer credit sale other than one pursuant to an open end credit plan, may agree in writing at any time subsequent to the transaction to a deferral of all or part of any installments and an appropriate deferral charge which may not exceed one percent per month on the amount deferred. If prepayment in full is made on a transaction for which there was a prior agreement for a deferral and a deferral charge, the unearned portion of the finance charge shall be computed without regard to the deferral. The amount of deferral charge accumulated at the date of prepayment shall also be calculated. If the deferral charge accumulated is less than the deferral charge actually paid by the buyer, the difference shall be added to the unearned portion of the finance charge to be rebated to the buyer. If any part of a deferral charge has been accumulated but has not been paid, that part shall be subtracted from the unearned portion of the finance charge to be rebated to the buyer.

Subd. 4. In the absence of an agreement for deferral of any installment, as provided in subdivision 3, and if the contract between the seller and the buyer so provides, the seller may collect, or retain, in the event of prepayment, a delinquency charge with respect to any installment not paid in full within ten days after its due date, as originally scheduled or as deferred by agreement, in an amount which is five percent of the unpaid amount of such delinquency installment, or \$6 whichever is less. Such a delinquency charge with respect to any single delinquent installment may be collected only once, however long such installment remains in default. A separate delinquency charge, as computed above, may be imposed with respect to each separate installment that is delinquent. A delinquency charge may not be collected on an installment paid in full within ten days after its scheduled or deferred installment due date even though an earlier maturing installment or a delinquency or deferral charge on an earlier in-

stallment has not been paid in full. For purposes of this subdivision, and in the absence of specific direction by the buyer to the contrary, a payment is applied first to any installment due and not delinquent at the time in which it is received and then to delinquent installments and charges. A delinquency charge may be collected at the time it accrues or at any time thereafter.

Subd. 5. Unless otherwise authorized by statute, if the maturity of the obligation is accelerated for any reason and judgment is obtained, the buyer is entitled to the same rebate as if payment in full had been made on the date judgment is entered against the buyer excluding delinquency charges previously collected by the creditor.

Sec. 10. [334.24] [PENALTY.] Any seller who violates any of the provisions of sections 6 to 12 except as a bona fide error, shall forfeit to the buyer an amount which is three times any finance charge imposed, charged or collected, in connection with a consumer credit sale, with a minimum forfeiture of \$100 plus reasonable attorneys fees and court costs.

Sec. 11. [334.25] [ASSIGNEES AND PURCHASERS.] Any conditional sales contract, personal note or other instrument arising out of or given in connection with a consumer credit sale which reflects or bears a finance charge higher than allowed under sections 1 to 6, or higher than otherwise authorized by statute, may not be held in good faith by an assignee or purchaser of commercial or negotiable paper, and any assignee who acquires said instrument shall be liable for the penalties provided by section 10.

Sec. 12. [334.26] [MOTOR VEHICLE RETAIL INSTALLMENT SALES ACT.] Sections 6 to 12 shall not apply to sections 168.66 to 168.77, known as the motor vehicle retail installment sales act."

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert in lieu thereof the following:

"Section 1. Minnesota Statutes 1974, Section 363.06, Subdivision 1, is amended to read:

363.06 [GRIEVANCES.] Subdivision 1. [CHARGE FILING.] Any person aggrieved by a violation of this chapter may elect one of two procedures. He may file a verified charge with the commissioner or his designated agent, stating the name and address of the person alleged to have committed an unfair discriminatory practice, setting out the details of the practice complained of and any other information required by the commissioner. The commissioner within five days of such filing shall serve a copy of the charge upon the respondent personally or by registered or certified mail. *In the alternative, the aggrieved person may follow the procedure established by section 4 of this act for a private action. Periodically after the filing of a charge but at intervals of no more than 60 days, until the charge is no longer in the jurisdiction of the department the commissioner shall in writing inform the charging party of the status of his*

charge. A copy of the periodic notice shall be mailed to the respondent.

Sec. 2. Minnesota Statutes 1974, Section 363.06, Subdivision 4, is amended to read:

Subd. 4. [INQUIRY INTO CHARGE.] When a charge has been filed, the commissioner shall promptly inquire into the truth of the allegations of the charge (AND). *The commissioner shall make an immediate inquiry when necessary to prevent a charging party from suffering irreparable loss in the absence of immediate action. On each charge the commissioner shall make a determination as to whether or not there is probable cause to credit the allegation of unfair discriminatory practices, and*

(1) If the commissioner shall determine after investigation that no probable cause exists to credit the allegations of the unfair discriminatory practice, the commissioner shall, within ten days of such determination, serve upon the charging party and respondent written notice of such determination. (THIS SHALL BE A FINAL DECISION OF THE DEPARTMENT UNLESS AN APPEAL IS TAKEN AS HEREINAFTER PROVIDED IN SUBDIVISION 7.) *Within ten days after receipt of this notice, the charging party may request in writing on forms prepared by the department that the commissioner reconsider his determination. The request shall contain a brief statement of the reasons for and any new evidence in support of the request for reconsideration. At the time of submission of the request to the commissioner, the charging party shall deliver or mail to the respondent a copy of the request for reconsideration. The commissioner shall either reaffirm or reverse his determination of no probable cause within 20 days after receipt of the request for reconsideration, and he shall within ten days thereafter notify in writing the charging party and respondent of his decision to reaffirm or reverse. A decision by the commissioner that no probable cause exists to credit the allegations of an unfair discriminatory practice shall not be appealed to district court pursuant to section 363.072 or section 15.0424.*

(2) If the commissioner shall determine after investigation that probable cause exists to credit the allegations of unfair discriminatory practices, the commissioner shall issue a complaint and serve on the respondent, by registered or certified mail, a written notice of hearing together with a copy of the complaint, requiring the respondent to answer the allegations of the complaint at a hearing before a hearing examiner (OR PANEL) at a time and place specified in the notice, not less than ten days after service of said complaint. A copy of the notice shall be furnished to the charging party, the attorney general, and the chairman of the board.

(3) At any time after the commissioner has determined that there is probable cause of believe that a respondent has engaged

in an unfair discriminatory practice the commissioner may file a petition in the district court in a county in which the subject of the complaint occurs, or in a county in which a respondent resides or transacts business, seeking appropriate temporary relief against the respondent, pending final determination of proceedings under this chapter, including an order or decree restraining him from doing or procuring any act tending to render ineffectual any order the commissioner may enter with respect to the complaint. The court shall have power to grant such temporary relief or restraining order as it deems just and proper, but no such relief or order extending beyond ten days shall be granted except by consent of the respondent or after hearing upon notice to the respondent and a finding by the court that there is reasonable cause to believe that the respondent has engaged in a discriminatory practice. The Minnesota rules of civil procedure shall apply to such application, and the district court shall have authority to grant or deny such relief sought on such conditions as it deems just and equitable. All hearings under this section shall be given precedence as nearly as practicable over all other pending civil actions.

(4) If any lessor, after he has engaged in a discriminatory practice defined in section 363.03, subdivision 2, clause (1), (a), shall lease or rent such dwelling unit to a person who has no knowledge of such practice or of the existence of any charge with respect thereto, such lessor shall be liable for actual damages sustained by such person by reason of any final order hereunder requiring such person to be evicted from such dwelling unit.

Sec. 3. Minnesota Statutes 1974, Section 363.071, is amended to read:

363.071 [HEARINGS.] Subdivision 1. [CONDUCT OF HEARINGS.] The commissioner shall appoint (FROM THE BOARD A THREE MAN HEARING PANEL, AT LEAST ONE OF WHOM SHALL BE A LAWYER, OR) an examiner to hear the complaint. The hearing shall be conducted at a place designated by the commissioner, within the county where the unfair discriminatory practice occurred or where the respondent resides or has his principal place of business. The hearing shall be conducted in accordance with Minnesota Statutes 1965, Sections 15.0418, 15.0419, 15.0421, 15.0422, and is subject to appeal in accordance with section 15.0424.

Subd. 2. [DETERMINATION OF DISCRIMINATORY PRACTICE.] If the (PANEL OR) examiner finds that the respondent has engaged in an unfair discriminatory practice, the (PANEL OR) examiner shall make findings of fact and conclusions of law, and shall issue an order directing the respondent to cease and desist from the unfair discriminatory practice found to exist and to take such affirmative action as in the judgment of the (PANEL OR) examiner will effectuate the purposes of this chapter. Such order shall be a final decision of the depart-

ment. In all cases the (PANEL OR) examiner may order the respondent to pay an aggrieved party, who has suffered discrimination, compensatory damages, except damages for mental anguish or suffering, and, in all cases, may also order the respondent to pay an aggrieved party, who has suffered discrimination, punitive damages in an amount not less than \$25 nor more than \$500. *The prevailing party may be awarded, in addition to damages and other remedies as provided, his reasonable costs and disbursements, including reasonable attorney's fees.* In addition to the aforesaid remedies, in a case involving discrimination in

(a) employment, the (PANEL OR) examiner may order the hiring, reinstatement or upgrading of an aggrieved party, who has suffered discrimination, with or without back pay, admission or restoration to membership in a labor organization, or his admission to or participation in an apprenticeship training program, on-the-job-training program, or other retraining program, or any other relief the (PANEL OR) examiner deems just and equitable.

(b) housing, the (PANEL OR) examiner may order the sale, lease or rental of the housing accommodation or other real property to an aggrieved party, who has suffered discrimination, or the sale, lease or rental of a like accommodation or other real property owned by or under the control of the person against whom the complaint was filed, according to terms as listed with a real estate broker, or if no such listing has been made, as otherwise advertised or offered by the vendor or lessor, or any other relief the (PANEL OR) examiner deems just and equitable.

The (PANEL OR) examiner shall cause the findings of fact, conclusions of law, and order to be served on the respondent personally, the charging party by registered or certified mail, and shall furnish copies to the attorney general and the commissioner.

Subd. 3. [DISMISSAL OF HEARING.] If the (PANEL OR) examiner makes findings of fact, conclusions of law, and an order in favor of the respondent, such order shall be a final decision of the department.

Subd. 4. [RESPONDENTS SUBJECT TO STATE LICENSING OR REGULATORY POWER.] In the case of a respondent which is subject to the licensing or regulatory power of the state or any political subdivision or agency thereof, if the (PANEL OR) hearing examiner determines that the respondent has engaged in a discriminatory practice, and if the respondent does not cease to engage in such discriminatory practice, the commissioner may so certify to the licensing or regulatory agency. Unless such determination of discriminatory practice is reversed in the course of judicial review, a final determination is binding on the licensing or regulatory agency. Such agency may take appropriate administrative action, including suspension or revo-

cation of the respondent's license or certificate of public convenience and necessity, if such agency is otherwise authorized to take such action.

Subd. 5. [PUBLIC CONTRACTS.] In the case of a respondent which is a party to a public contract, if the (PANEL OR) hearing examiner determines that the respondent has engaged in a discriminatory practice, the commissioner may so certify to the contract letting agency. Unless such finding of a discriminatory practice is reversed in the course of judicial review, a final determination is binding on the contract letting agency and such agency may take appropriate administrative action, including the imposition of financial penalties or termination of the contract, in whole or in part, if such agency is otherwise authorized to take such action.

Subd. 6. [SUBPOENAS.] *After the issuance of a complaint pursuant to section 363.06, subdivision 4, a charging party or a respondent may request that the hearing examiner issue subpoenas requiring the presence of witnesses or the production for examination of books or papers not privileged and relevant to any matter in question at the hearing.*

Sec. 4. Minnesota Statutes 1974, Section 363.14, Subdivision 1, is amended to read:

363.14 [COURT ACTIONS, SUITS BY PRIVATE PARTIES, INTERVENTION, DISTRICT COURT JURISDICTION, ATTORNEY'S FEES, AND COSTS.] Subdivision 1. [COURT ACTIONS, SUITS BY PRIVATE PARTIES, INTERVENTION.] (IF, AFTER A CHARGE HAS BEEN FILED WITH THE DEPARTMENT, THE COMMISSIONER FINDS PURSUANT TO SECTION 363.06, SUBDIVISION 4, NO PROBABLE CAUSE TO CREDIT THE ALLEGATIONS CONTAINED THEREIN OR IF WITHIN 90 DAYS FROM THE FILING OF A CHARGE, THE COMMISSIONER HAS NOT ISSUED A COMPLAINT PURSUANT TO SECTION 363.06 OR THE DEPARTMENT HAS NOT ENTERED INTO A CONCILIATION AGREEMENT TO WHICH THE CHARGING PARTY IS A PARTY, HE SHALL SO NOTIFY THE CHARGING PARTY AND WITHIN 90 DAYS AFTER THE GIVING OF SUCH NOTICE A CIVIL ACTION MAY BE BROUGHT BY THE CHARGING PARTY AGAINST THE RESPONDENT NAMED IN THE CHARGE.) *A person may bring a civil action seeking redress for an unfair discriminatory practice at the following times:*

(a) *Within one year of the unfair discriminatory practice when the aggrieved person commences a private action in lieu of filing a charge with the commissioner, or after withdrawal of the complaint from the department of human rights. No person shall withdraw a complaint filed with the department of*

human rights after a finding or probable cause except as herein after provided in this subdivision;

(b) Within 90 days after the commissioner has determined that there is no probable cause to credit the allegations contained in a charge filed with the commissioner, or, if the charging party requested a reconsideration, within 90 days after the commissioner has reaffirmed his determination of no probable cause;

(c) Within 180 days after the filing of a charge with the commissioner if within 90 days after the filing of a charge the commissioner has not issued a complaint pursuant to section 363.06 or the department had not entered into a conciliation agreement to which the charging party was a party; or

(d) After the commissioner has determined that probable cause exists if the commissioner has not scheduled a hearing to occur within 90 days after the determination of probable cause.

A charging party bringing a civil action shall mail by registered or certified mail a copy of the summons and complaint to the commissioner, and upon his receipt thereof the commissioner shall cause all proceedings in the department relating to the charge to terminate. No charge shall be filed or reinstated with the commissioner after a civil action relating to the same unfair discriminatory practice has been brought unless the civil action has been dismissed without prejudice.

Upon application by the complaining party to the district court at a special term thereof and in such circumstances as the court may deem just, the court may appoint an attorney for such person and may authorize the commencement of the action without payment of fees, costs, or security.

Upon timely application, the court may, in its discretion, permit the department to intervene in a civil action brought pursuant to this section upon certification that the case is of general public importance.

Upon request, the court may, in its discretion, stay further proceedings for not more than 60 days pending further efforts of the department to obtain voluntary compliance."

Effective July 1, 1975, the state shall also pay to each retirement fund association in a city of the first class an additional employer contribution in the amount of two and one half percent of the salary of each member. All employer contributions which are paid to said funds as described in this section shall be appropriated and remitted in accordance with the procedures described in section 354.43, and all employer social security taxes are hereby appropriated. It is the policy of the legislature that the legislative retirement study commission shall review and compare the retirement provisions of the bylaws and articles of incorporation of the teachers retirement fund associations in the cities of the first class, the laws governing the teachers retirement association and any other retirement benefit proposals. In its review, the commission shall recognize the differing benefit schedules of various programs. The Commission shall report its findings to the legislature by January 30, 1976. The legislature shall review the findings of the commission and shall make a determination regarding teachers retirement benefit adjustment during the 1976 legislative session. The commission shall consider retroactivity regarding any benefit changes for any member retiring from a teachers retirement fund association in a city of the first class between May 1, 1974, and the effective date of the initial benefit change after May 1, 1974. Nothing in this section shall be construed to be enforceable against any other section of this act.

Sec. 10. [MINNESOTA STATE TRANSPORTATION FUND.] *Subdivision 1. State assistance is needed to supplement local effort in financing capital improvements to preserve and develop a balanced transportation system throughout the state. Such a system is a proper function and concern of state government and necessary to protect the safety and personal and economic welfare of all citizens. Immediate needs are reconstruction and addition of key bridges and approaches to remove obstructions to the flow of traffic on state and county roads.*

Subd. 2. A Minnesota state transportation fund is created as a separate bookkeeping account in the general books of ac-

count of the state, to record receipts and disbursements of money appropriated from the fund to agencies and counties of the state for the acquisition and betterment of public land, buildings, and capital improvements needed for the development of the state transportation system.

Subd. 3. The state treasurer shall deposit in the fund as received all proceeds of Minnesota state transportation bonds, except accrued interest and premiums; all other money appropriated by law for the purposes of the fund; and all money granted to the state for these purposes by the federal government or any agency thereof. All such receipts are annually appropriated for the permanent construction and improvement purposes of the fund and shall be and remain available for expenditure in accordance with this section and applicable federal laws until the purposes for which the appropriations were made have been accomplished or abandoned. Upon certification to the commissioner of finance by the agency or county to which any appropriation of bond proceeds has been made that the purpose thereof has been accomplished or abandoned, any unexpended balance of the appropriation, unless reappropriated by law, shall be transferred to the state bond fund and is appropriated to reduce the amount of tax otherwise required by the constitution to be levied for that fund.

Subd. 4. Before disbursement of an appropriation from the fund to the commissioner of highways for construction of bridges and approaches on the trunk highway system, the commissioner of highways shall certify to the commissioner of finance that the project for which the funds are appropriated has been reviewed by the proper state, regional development commissions, or metropolitan council as the case may be, for consistency with the long term comprehensive development plans and guides for which that agency is responsible.

Subd. 5. Before disbursement of an appropriation from the fund to the commissioner of highways for grants of funds to counties, the commissioner of highways shall certify to the commissioner of finance:

(1) That the project for which the grant is made has been reviewed as provided in subdivision 4;

(2) That the project conforms to the program authorized by the appropriation law and to standards, criteria and priorities established by the law and rules adopted by the commissioner of highways consistent therewith; and

(3) That the financing of any estimated cost of the project in excess of the amount of the grant is assured by the appropriation of the proceeds of bonds or other funds of the county, or by a grant from an agency of the federal government, within the amount of funds then appropriated to that agency and al-

located by it to projects within the state, and by an irrevocable undertaking, in a resolution of the governing body of the county, to use all funds so made available exclusively for the project, and to pay any additional amount by which the cost exceeds the estimate through appropriation to the construction fund of additional funds or the proceeds of additional bonds to be issued by the county.

Subd. 6. Procedures for application for grants from the fund, conditions for their administration, standards for eligibility, and criteria for priority, unless in cooperation with the county road authorities and regional planning agencies in the laws authorizing the grants, shall be established by the commissioner of highways consistent with those laws. Criteria for determining priorities and amounts of grants shall be based on consideration of:

(1) *Effectiveness of the project in eliminating a deficiency in the transportation system;*

(2) *Number of persons affected by the deficiency;*

(3) *Economic feasibility;*

(4) *Effect on optimum land use and other concerns of state and regional planning;*

(5) *Availability of other financing capability; and*

(6) *Adequacy of provision for proper operation and maintenance after construction.*

Subd. 7. The commissioner of highways shall develop rules, standards and criteria, including bridge specifications, in cooperation with county road authorities and regional planning agencies, for use in the administration of funds appropriated to the commissioner for recommendation to the state planning agency in the administration of grants to counties.

Sec. 11. [MINNESOTA STATE TRANSPORTATION BONDS.] *Subdivision 1. For the purpose of providing money appropriated to agencies or counties of the state from the Minnesota state transportation fund for the acquisition and betterment of public land, buildings, and capital improvements needed for the development of the state transportation system, when such appropriations or loans are authorized by law and funds therefor are requested by the governor, the commissioner of finance shall sell and issue bonds of the state of Minnesota for the prompt and full payment of which, with interest thereon, the full faith and credit and taxing powers of the state are irrevocably pledged. Bonds shall be issued pursuant to this section only as authorized by a law specifying the purpose thereof and the*

maximum amount of the proceeds authorized to be expended for that purpose. Any such law, together with this section, constitutes complete authority for the issue, and such bonds shall not be subject to restrictions or limitations contained in any other law.

Subd. 2. The bonds shall be sold upon sealed bids and upon notice, at a price, in form and denominations, bearing interest at a rate or rates, maturing in amounts and on dates, subject to prepayment upon notice and at times and prices, payable at a bank or banks within or outside the state, with or without provisions for registration, conversion, exchange, and issuance of notes in anticipation of the sale or delivery of definitive bonds, and in accordance with further regulations, as the commissioner of finance shall determine subject to the approval of the attorney general, but not subject to the provisions of Minnesota Statutes, Sections 15.0411 to 15.0422. The bonds shall be executed by the commissioner of finance and attested by the state treasurer under their official seals. The signatures on the bonds and on any interest coupons and the seals may be printed or otherwise reproduced, except that each bond shall be authenticated by the manual signature on its face of one of the officers or of a person authorized to sign on behalf of a bank designated by them as authenticating agent. The commissioner of finance shall ascertain and certify to the purchasers of the bonds the performance and existence of all acts, conditions, and things necessary to make them valid and binding general obligations of the state of Minnesota, subject to the approval of the attorney general.

Subd. 3. All expenses incidental to the sale, printing, execution, and delivery of bonds pursuant to this section, including but not limited to actual and necessary travel and subsistence expenses of state officers and employees for such purposes, shall be paid from the Minnesota state transportation fund and the amounts necessary therefor are appropriated from that fund; provided that if any amount is specifically appropriated for this purpose in an act authorizing the issuance of bonds pursuant to this section, such expenses shall be limited to the amount so appropriated.

Subd. 4. The commissioner of finance shall maintain in the state bond fund a separate bookkeeping account designated as the Minnesota state transportation bond account, to record receipts and disbursements of money transferred to the fund to pay Minnesota state transportation bonds and interest thereon, and of income from the investment of such money, which income shall be credited to the account in each fiscal year in an amount equal to the approximate average rate of return that year on all funds invested by the state treasurer, as determined by the treasurer, times the average balance in the account that year.

Subd. 5. The premium and accrued interest received on each issue of Minnesota state transportation bonds shall be credited

to the bond account. There shall also be credited to the bond account from the general fund in the state treasury, on November 1 in each year, a sum of money equal to the amount of the tax which the constitution would otherwise require to be levied for collection in the following year, to increase the balance in the account to an amount sufficient to pay principal and interest due and to become due with respect to Minnesota state transportation bonds. All money so credited and all income from the investment thereof is annually appropriated to the bond account for the payment of such bonds and interest thereon, and shall be available in the bond account prior to the levy of the tax for the state bond fund in any year as required by the constitution. The commissioner of finance and the state treasurer are directed to make the appropriate entries in the accounts of the respective funds.

Subd. 6. On or before December 1 in each year, if the full amount appropriated to the bond account in subdivision 5 has not been credited thereto, the tax required by the constitution shall be levied upon all taxable property within the state. This tax shall be levied upon all real property used for the purposes of a homestead, as well as other taxable property, notwithstanding the provisions of Minnesota Statutes, Section 273.13, Subdivisions 6 and 7, and shall be subject to no limitation of rate or amount until all Minnesota state transportation bonds and interest thereon are fully paid. The proceeds of this tax are appropriated and shall be credited to the state bond fund, and the principal of and interest on the bonds are payable from such proceeds, and the whole thereof, or so much as may be necessary, is appropriated for such payments. If at any time there is not sufficient money from the proceeds of such taxes to pay the principal and interest when due on Minnesota state transportation bonds, such principal and interest shall be paid out of the general fund in the state treasury, and the amount necessary therefor is hereby appropriated.

Sec. 12. [APPROPRIATIONS AND BOND AUTHORIZATIONS.] Subdivision 1. The following sums, or so much thereof as is determined to be needed, are appropriated from the Minnesota state transportation fund to the following state agencies and subdivisions for the acquisition and betterment of public lands, buildings and capital improvements needed for the following purposes of a balanced state transportation system:

(1) \$35,000,000 to the commissioner of highways for the construction and reconstruction of key bridges and bridge approaches needed for the trunk highway system;

(2) \$10,000,000 to the commissioner of highways for grants to counties for the construction and reconstruction of key bridges and bridge approaches needed for county highways other than county state-aid highways.

Subd. 2. To provide the money appropriated in subdivision 1, the commissioner of finance is authorized upon the request

of the governor to sell and issue Minnesota state transportation bonds in the amount of \$45,000,000, in the manner and upon the conditions prescribed in section 11 and in the constitution. The proceeds of the bonds, except as provided in section 11, subdivision 5, are appropriated to the Minnesota state transportation fund for expenditure in accordance with section 10.

Sec. 13. Laws 1975, Chapter 12, Section 71, Subdivision 2, is amended to read:

Subd. 2. The commission shall not be obligated to extend service beyond the boundaries of the property taxing district under any law or contract unless or until payment therefor is received.

Sec. 15. *Subdivision 1. H. F. No. 710, A bill for an act relating to small business; authorizing the commissioner of administration to set aside certain state procurements from normal bidding procedures, for first offering to small business concerns as defined herein; requiring the commissioners of administration and economic development to periodically report to the Governor and the Legislature on the administration of the act.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. [16.08] [TITLE] Sections 1 to 8 may be cited as the "Minnesota small business procurement act."

Sec. 2. [16.082] [DEFINITIONS.] Subdivision 1. For the purposes of sections 1 to 8 the following words and phrases shall have the meanings set forth in this section, except where the context clearly indicates that a different meaning is intended.

Subd. 2. "Small business" means a business entity organized for profit, including an individual, partnership, corporation, joint venture, association or cooperative which has its principal place of business in Minnesota and which is not (a) dominant in its field of operation or (b) an affiliate or subsidiary of a business dominant in its field of operation.

Subd. 3. "Dominant in its field of operation" means exercising a controlling or major influence in a business activity in which a number of businesses are engaged. In determining if a business is dominant, the following criteria, among others, shall be considered: number of employees; volume of business; financial resources; competitive status or position; ownership or control of materials, processes, patents, license agreements and facilities; sales territory; and nature of business activity. The following businesses shall be deemed dominant in their field of operation:

(a) Manufacturing businesses which employ more than 100 persons and have in the preceding three fiscal years exceeded a total of \$15,000,000 in gross receipts.

(b) General construction businesses which in the preceding three fiscal years exceeded a total of \$6,000,000 in gross receipts.

(c) Specialty construction businesses which in the preceding three fiscal years exceeded a total of \$3,000,000 in gross receipts.

(d) Nonmanufacturing businesses which employ more than 25 persons and have in the preceding three fiscal years exceeded a total of \$3,000,000 in gross receipts.

Subd. 4. "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in that field of operation, or by partners, officers, directors, majority shareholders, or their equivalent of a business dominant in that field of operation.

Subd. 5. "Socially or economically disadvantaged person" means a person who has been deprived of the opportunity to develop and maintain a competitive position in the economy because of social or economic disadvantage. This disadvantage may arise from cultural, social or economic circumstances or background, physical location if the person resides or is employed in an area declared as a labor surplus area by the United States department of commerce, or other similar cause.

Sec. 3. [16.083] [PROCUREMENT FROM SMALL BUSINESSES.] Subdivision 1. [SMALL BUSINESS SET-ASIDES.] The commissioner of administration shall for each fiscal year designate and set aside for awarding to small businesses approximately ten percent of the value of anticipated total state procurement of goods and services including construction. The commissioner shall divide the procurement so designated into contract award units of economically feasible production runs in order to facilitate offers or bids from small businesses. In making his annual designation of set-aside procurements the commissioner shall attempt to vary the included procurements so that a variety of goods and services produced by different small businesses shall be set aside each year. The failure of the commissioner to set aside particular procurements shall not be deemed to prohibit or discourage small businesses from seeking the procurement award through the normal solicitation and bidding processes.

Subd. 2. [NEGOTIATED PRICE OR BID CONTRACT.] The commissioner may elect to use either a negotiated price or bid contract procedure in the awarding of a procurement contract under the set-aside program established in this act. The amount of an award shall not exceed by more than five percent the commissioner's estimated price for the goods or services, if they were to be purchased on the open market and not under this set-aside program. Surety bonds guaranteed by the federal small business administration shall be acceptable security for a construction award under this section.

Subd. 3. [DETERMINATION OF ABILITY TO PERFORM.] Before announcing a set-aside award, the commissioner shall evaluate whether the small business scheduled to receive the award is able to perform the set-aside contract. This determination shall include consideration of production and financial capacity and technical competence.

Subd. 4. [PREFERENCE TO SMALL BUSINESSES.] At least ten percent of the value of the procurements designated for set-aside awards shall be awarded, if possible, to businesses owned and operated by socially or economically disadvantaged persons. In the event small businesses owned and operated by socially or economically disadvantaged persons are unable to perform at least ten percent of the set-aside awards, then the commissioner shall award the balance of the set-aside contracts to other small businesses.

Subd. 5. [RECOURSE TO OTHER BUSINESSES.] In the event that subdivisions 1 to 4 do not operate to extend a contract award to a small business, the award shall be placed pursuant to the normal solicitation and award provisions set forth in Minnesota Statutes, Chapter 16. The commissioner shall thereupon designate and set aside for small businesses additional state procurements corresponding in approximate value to the contract unable to be awarded pursuant to subdivisions 1 to 4.

Subd. 6. [PROCUREMENT PROCEDURES.] All laws and rules pertaining to solicitations, bid evaluations, contract awards and other procurement matters shall apply as consistent to procurements set aside for small businesses. In the event of conflict with other rules, the provisions of sections 1 to 8 and rules promulgated pursuant thereto shall govern.

Sec. 4. [16.084] [ENCOURAGEMENT OF PARTICIPATION.] The commissioners of administration and economic development shall publicize the provisions of the set-aside program, attempt to locate small businesses able to perform set-aside procurement awards, and encourage participation. When the commissioner of administration determines that a small business is unable to perform under a set-aside contract, he shall so inform the commissioner of economic development who shall assist the small business in attempting to remedy the causes of the inability to perform a set-aside award. In assisting the small business, the commissioner of economic development in cooperation with the commissioner of administration shall use any management or financial assistance programs as may be available by or through the department of economic development, other state or governmental agencies, or private sources.

Sec. 5. [16.085] [RULES.] The commissioner of administration shall promulgate by rule standards and procedures for certifying that small businesses and small businesses owned and operated by socially or economically disadvantaged persons are

eligible to participate under the requirements of this act. The procedure for determination of eligibility may include self-certification by a business, provided that the commissioner retains the ability to verify a self-certification. The commissioner shall promulgate other rules as may be necessary to carry out the duties set forth in this act.

Sec. 6. [16.086] [REPORTS.] Subdivision 1. [COMMISSIONER OF ADMINISTRATION.] The commissioner of administration shall submit an annual report pursuant to Minnesota Statutes, Section 3.195, to the governor and the legislature with a copy to the commissioner of economic development indicating the progress being made toward the objectives and goals of this act during the preceding fiscal year. This report shall include the following information:

(d) The number of contracts which were designated and set-aside pursuant to section 3 but which were not awarded to a small business, the estimated total dollar value of these awards, the lowest offer or bid on each of these awards made by the small business and the price at which these contracts were awarded pursuant to the normal procurement procedures.

Subd. 2. [COMMISSIONER OF ECONOMIC DEVELOPMENT.] The commissioner of economic development shall submit an annual report to the governor and the legislature pursuant to Minnesota Statutes, Section 3.195, with a copy to the commissioner of administration. This report shall include the following information:

6. Political Party Affiliation:

- (6) 7. I certify that I will be at least 18 years old on election day and that the above facts are correct. I understand that giving false information to procure a registration is a felony punishable by not more than five years imprisonment and a fine of not more than \$5,000, or both.

Signature of Voter

For registrations existing on the effective date of this act and for registration cards printed before the effective date of this act, it is sufficient for the election judge to enter the party affiliation of the voter on the card directly below the space marked OFFICE USE ONLY.

Sec. 11. Minnesota Statutes 1974, Section 201.071, Subdivision 3, is amended to read:

Subd. 3. No registration is faulty or defective if the registration card contains the voter's name, address, prior residence,

prior registration if any and signature, as in items 1, 2, 4, 5 and (6) 7 of the registration card above. The absence of a zip code number does not cause the registration to be faulty or defective. A voter may list as his party affiliation one of the major political parties as defined in Minnesota Statutes, Chapter 200, Independent, or one of the minor parties. A voter may vote only in the primary election of the party appearing on his registration card. A voter who does not indicate his political party affiliation shall not be permitted to vote in a primary election of any political party. A voter may change his registered party affiliation at any time except during the 20 days immediately preceding or on the day of a primary election, except that a voter who has voted in the presidential primary election of one political party may not vote in the September primary election of any other party in that year. The judges of election may request a voter to complete a registration card that is incomplete or illegible. No voter may be prevented from voting unless his registration is faulty or defective or he is duly and successfully challenged in accordance with provisions of chapter 201.

Sec. 12. Minnesota Statutes 1974, Section 201.071, is amended by adding a subdivision to read:

Subd. 5. A voter who has not indicated his party affiliation on his registration card may vote in a presidential primary election by stating to the judge of election on the presidential primary election day the party primary in which he wishes to vote. The judge of election shall enter the voter's party preference upon his registration card and shall transmit this information to the county auditor to be entered upon the voter's permanent registration card on file in the auditor's office.

Sec. 13. Minnesota Statutes 1974, Section 206.01, Subdivision 8, is amended to read:

Subd. 8. The term "primary lever" means the lever which the (VOTER) election judge must operate in a political party primary to unlock the voting levers assigned to the candidates of the political party in the primary of which the voter wishes to vote.

Sec. 14. Minnesota Statutes 1974, Section 206.07, Subdivision 1, is amended to read:

206.07 [CANDIDATES, ARRANGEMENT OF NAMES.]
Subdivision 1. [PLACEMENT.] Where voting machines are authorized and employed, the titles of offices may be arranged horizontally with the names of the candidates arranged vertically under the title of the office, or the titles of the offices may be arranged vertically with the names of the candidates arranged horizontally opposite the respective titles. On the ("CONSOLIDATED PRIMARY ELECTION BALLOT") primary ballot prepared for primary elections, and on the white ballot prepared

for the general election, the order of the names of nominees, or names of candidates for election, as the case may be, shall be the same as is required for paper ballots. More than one column or row may be used for the same office or party. Questions, constitutional amendments, or other propositions shall be placed on the machines in the space provided for that purpose and shall be arranged in the manner which the construction of the machine requires.

Sec. 15. Minnesota Statutes 1974, Section 206.07, Subdivision 4, is amended to read:

Subd. 4. [VOTING MACHINES.] The machine adopted or employed must be so constructed as to insure to every elector an opportunity to vote in secret; to permit him to vote once and only once for all the candidates and upon all the propositions for whom or upon which he is legally entitled to vote; to permit him to vote by means of some devices connected with the mechanism of the machine, for any person for any office elective by the voters of his precinct at such election, although such person has not been regularly nominated for such office by any political party, and his name does not appear upon the ballot form on or in such machines as a candidate for such office; to prevent the elector from voting for more than one person for the same office, unless he is lawfully entitled to vote for more than one person therefor, and in that event to limit him to the number to be elected to that office; to prevent him at a primary election (,) from voting for the nomination of candidates of (MORE THAN ONE) *any party not shown on his voter registration card or voter's certificate*, or for any person whose name is not on the official ballot at such election; to prevent him from voting for any candidate or upon any proposed amendment, question or proposition, for whom or upon which he is not lawfully entitled to vote; to permit him to change or retract any vote he has attempted to cast for any candidate for any office or upon any proposition up to the time his vote has been completed, and his vote in favor of such person or proposition has been registered thereon. No machine which does not comply with these requirements shall be approved, authorized or employed; except that machines may be used which are not so constructed as to permit a voter to change from one party to another in a party primary or to retract a vote cast on the irregular ballot device. In such cases the voter shall be required to first return all voting levers to the unvoted position and remove, cross out or erase any vote recorded on the irregular ballot device, as the case may be, and shall then call upon the election officials to witness that it has been done, and they shall then cause the voting machine to be returned to the original unvoted position and shall permit the voter to begin from the beginning once more. Such operation of the voting machine under such conditions as in this paragraph mentioned shall be designated as a spoiled voting machine ballot and the election officials present shall make out and sign a certificate stating the facts for each such case which shall be returned with the official returns of the election.

Sec. 16. Minnesota Statutes 1974, Section 211.23, is amended to read:

211.23 [MAY NOT PROMISE APPOINTMENTS.] No person shall, in order to aid or promote his nomination or election, directly or indirectly, himself, or through any other person, appoint or promise to appoint, secure or promise to secure or aid in securing, or prevent or promise to prevent the appointment, nomination, or election of any person to any public or private position or employment, or to any position of honor, trust, or emolument. Nothing herein contained shall prevent a candidate from stating publicly his preference for or support of any other candidate for any office to be voted for at the same primary or election; nor prevent a candidate, for any office in which the person elected will be charged with the duty of participating in the election or the nomination of any person as a candidate for any office, from publicly stating or pledging his preference for or support of any person for 1 such office or nomination.

Sec. 17. Laws 1975, Chapter 5, Section 51, Subdivision 1, is amended to read:

Sec. 51. [203A.22] [BALLOTS.] Subdivision 1. [PARTISAN AND NONPARTISAN CANDIDATES.] All voting at the primary election shall be by ballot. There shall be one ballot for (ALL PARTISAN) the candidates (, GROUPED BY PARTIES) of each party, and a separate ballot for all candidates to be nominated without party designation.

Sec. 18. Laws 1975, Chapter 5, Section 52, Subdivision 1, is amended to read:

Sec. 52. [203A.23] [PRIMARY BALLOTS, PREPARATION.] Subdivision 1. [FORM.] Except as provided in this section, the primary election ballots shall be printed in the same general manner as is provided for the general election ballots, so far as practicable. The auditor of each county shall have printed a sufficient number of separate primary election ballots, varied as may be necessary for the several precincts and wards. The (CONSOLIDATED) primary election (BALLOT) ballots shall be on white paper, the nonpartisan primary ballot shall be on canary paper, and any municipal primary ballot shall be on light green paper.

Sec. 19. Laws 1975, Chapter 5, Section 52, Subdivision 7, is amended to read:

Subd. 7. [PRIMARY PARTY BALLOT.] The party ballot shall be headed by the (WORDS, "CONSOLIDATED PRIMARY ELECTION BALLOT.") name of the party in three-eighths inch upper case boldface type, or as close to this as practicable. Each political party shall have a separate (TICKET ON THE CONSOLIDATED) ballot, under which the names of all the candidates of the political party shall be grouped. (EACH POLITICAL

PARTY TICKET SHALL BE HEADED BY THE WORDS, "..... PARTY TICKET," GIVING THE PARTY NAME. BELOW THE PARTY NAME SHALL BE PRINTED THE WORDS, "YOU CANNOT SPLIT YOUR BALLOT. IF YOU VOTE FOR CANDIDATES OF MORE THAN ONE PARTY, YOUR BALLOT WILL BE REJECTED." EACH PARTY TICKET SHALL BE SEPARATED BY A 12 POINT SOLID RULE LINE. ON THE CONSOLIDATED BALLOT) The candidates for senator in congress shall be first, candidates for representative in congress shall be second, candidates for senator in the legislature shall be third, and candidates for representative in the legislature shall be fourth. The candidates for state office shall follow the candidates for representative in the legislature.

Sec. 20. Laws 1975, Chapter 5, Section 90, is amended by adding a subdivision to read:

Subd. 1a. [VOTER'S CERTIFICATE, FORM FOR PRIMARY.] For primary elections only there shall be separate voter's certificates printed for the voters of each political party and for independent and minor party voters. The name of the party or the words "Independent or Minor Party" shall appear on the face of the certificates in three-eighths inch upper case bold face type, or as close to this as practicable. The certificates for independent or minor party voters shall also include a line on which the voter shall indicate his party. Unless the name of the party appearing on the voter's certificate is the same as that appearing on the voter's registration card, the voter shall not be permitted to vote in the primary of any party.

Sec. 21. Laws 1975, Chapter 5, Section 52, Subdivision 8, and Section 93, Subdivision 2, are repealed.

Sec. 22. [APPROPRIATION.] *There is hereby appropriated from the general fund to the secretary of state for the purposes of this act the sum of \$600,000 for the biennium ending June 30, 1977. This appropriation shall cover all of the administrative expenses incurred by the secretary of state in carrying out the purposes of this act; the reimbursement for salaries of election judges at a rate not to exceed \$35 per judge; costs incurred by the secretary of state in training election; judges; reimbursement for purchase of ballot boxes and voting booths for precincts which for other elections use mechanical voting systems and which cannot obtain such boxes and booths from any other source; costs incurred in converting mechanical voting machines to comply with the provisions of this act; and reimbursement to counties for the cost of registration in excess of the costs normally incurred in the year of a presidential election. In the event that this appropriation is not sufficient to completely reimburse the local units of government, the secretary of state shall not request a deficiency appropriation, but the amounts reimbursed to the local units of government shall be prorated on the basis of the number of votes cast in said election in the local units."*

And further amend the title as follows:

Page 1, line 2, after "elections;" insert "providing for party registration and a presidential primary election; regulating the selection of convention delegates;" and after "practices;" insert "appropriating money;"

Page 1, line 3, after "1974," delete "Section" and insert "Sections 201.071, Subdivisions 1 and 3, and by adding a subdivision; 206.01, Subdivision 8; 206.07, Subdivisions 1 and 4; and" and after "211.23" insert "; and Laws 1975, Chapter 5, Sections 51, Subdivision 1; 52, Subdivisions 1 and 7; and 90, by adding a subdivision; repealing Laws 1975, Chapter 5, Sections 52, Subdivision 8; and 93, Subdivision 2".

"Sec. 7. [VOCATIONAL-TECHNICAL BUILDING FUND.] Subdivision 1. [PURPOSE.] A vocational-technical building fund is created as a separate bookkeeping account in the general books of the state for the purpose of providing money appropriated to the state board of education for the acquisition and betterment of public land, buildings, and capital improvements needed for the area vocational-technical education program of the state, as established and annually revised in the state plan for the administration of vocational education, for which the state board of education is responsible under the provisions of Minnesota Statutes, Sections 121.21, 123.351, 124.53 to 124.62, and other applicable laws.

Subd. 2. [RECEIPTS.] The commissioner of finance and treasurer shall deposit in the fund as received all proceeds of vocational-technical building bonds, except accrued interest and premiums received upon the sale thereof. All such receipts are annually appropriated for the permanent acquisition purposes of the fund, and shall be and remain available for expenditure in accordance with this section until the purposes of the appropriations have been accomplished or abandoned.

Subd. 3. [DISBURSEMENTS.] Disbursements from the fund shall be made by the state treasurer upon the order of the commissioner of finance at the times and in the amounts requested by the state board of education in accordance with the applicable appropriation acts, for grants to school districts for the acquisition and betterment of land, buildings, and capital improvements for area vocational-technical institutes, upon the conditions and in accordance with all standards, criteria, and priorities established in the state plan.

Sec. 8. [VOCATIONAL-TECHNICAL BUILDING BONDS.]
Subdivision 1. [PURPOSE; APPROPRIATION.] For the purpose of providing money appropriated from the vocational-technical building fund for the acquisition of public land, buildings, and capital improvements needed for the state plan for the administration of vocational education in accordance with the provisions of section 7, when requested by the state board of education, the commissioner of finance shall sell and issue bonds of the state of Minnesota for the prompt and full payment of which, with interest thereon, the full faith and credit and taxing powers of the state are irrevocably pledged. Bonds shall be issued pursuant to this section only as authorized by a law specifying the purpose thereof and the maximum amount of the proceeds authorized to be expended therefor, as set forth in section 7. Any such law, together with this section and the laws herein referred to, constitutes complete authority for the issue, and such bonds shall not be subject to restrictions or limitations contained in any other law.

Subd. 2. [ISSUANCE.] The bonds shall be sold upon sealed bids and upon notice, at a price, in form and denominations, bearing interest at a rate or rates, maturing in amounts and on dates, subject to prepayment upon notice and at times and prices, payable at a bank or banks within or outside the state, with or without provisions for registration, conversion, exchange, and issuance of notes in anticipation of the sale or delivery of definitive bonds, and in accordance with further regulations, as the commissioner of finance shall determine subject to the approval of the attorney general, but not subject to the provisions of sections 15.0411 to 15.0422. The bonds shall be executed by the commissioner of finance and attested by the state treasurer under their official seals. The signatures on the bonds and on any interest coupons and the seals may be printed or otherwise reproduced, except that each bond shall be authenticated by the

manual signature on its face of one of the officers or of a person authorized to sign on behalf of a bank designated by them as authenticating agent. The commissioner of finance shall ascertain and certify to the purchasers of the bonds the performance and existence of all acts, conditions, and things necessary to make them valid and binding general obligations of the state of Minnesota, subject to the approval of the attorney general.

Subd. 3. [EXPENSES.] All expenses incidental to the sale, printing, execution, and delivery of bonds pursuant to this section, including but not limited to actual and necessary travel and subsistence expenses of state officers and employees for such purposes, shall be paid from the vocational-technical building fund and the amounts necessary therefor are appropriated from that fund; provided that if any amount is specifically appropriated for this purpose in an act authorizing the issuance of bonds pursuant to this section, such expenses shall be limited to the amount so appropriated.

Subd. 4. [VOCATIONAL-TECHNICAL BUILDING BOND ACCOUNT IN THE STATE BOND FUND.] The commissioner of finance shall maintain in the state bond fund a separate bookkeeping account designated as the vocational-technical building bond account, to record receipts and disbursements of money transferred to the fund to pay vocational-technical building bonds and interest thereon, and of income from the investment of such money, which income shall be credited to the account in each fiscal year in an amount equal to the approximate average rate of return that year on all funds invested by the state treasurer, as determined by the treasurer, times the average balance in the account that year.

Subd. 5. [APPROPRIATIONS TO BOND ACCOUNT.] There shall be credited to the vocational-technical building bond account the premium and accrued interest received on each issue of vocational-technical building bonds and, from the general fund in the state treasury, on November 1 in each year, a sum of money equal to the amount of the tax which the Constitution would otherwise require to be levied for collection in the following year, for the purpose of increasing the balance then on hand in the account to an amount sufficient to pay principal and interest due and to become due with respect to vocational-technical building bonds. All money so credited and all income from the investment thereof is annually appropriated to the bond account for the payment of such bonds and interest thereon, and shall be available in the bond account prior to the levy of the tax for the state bond fund in any year as required by the Constitution. The commissioner of finance and the state treasurer are directed to make the appropriate entries in the accounts of the respective funds.

Subd. 6. [TAX LEVY.] On or before December 1 in each year, if the full amount appropriated to the bond account in sub-

division 5 has not been credited thereto, the tax required by the Constitution shall be levied upon all taxable property within the state. This tax shall be levied upon all real property used for the purposes of a homestead, as well as other taxable property, notwithstanding the provisions of section 273.13, subdivisions 6 and 7, and shall be subject to no limitation of rate or amount until all vocational-technical building bonds and interest thereon are fully paid. The proceeds of this tax are appropriated and shall be credited to the state bond fund, and the principal of and interest on the bonds are payable from such proceeds, and the whole thereof, or so much as may be necessary, is appropriated for such payments. If at any time there is not sufficient money from the proceeds of such taxes to pay the principal and interest when due on vocational-technical building bonds, such principal and interest shall be paid out of the general fund in the state treasury, and the amount necessary therefor is hereby appropriated.

Sec. 9. [APPROPRIATION AND AUTHORIZATION OF BONDS.] Subdivision 1. [APPROPRIATION.] The sum of \$15,500,000, or so much thereof as is determined to be needed, is appropriated from the vocational-technical building fund to the state board of education for the acquisition and betterment of public land, buildings, and capital improvements needed to implement the state plan for the administration of vocational education as provided in section 7.

Subd. 2. [BONDS.] To provide the money appropriated in subdivision 1 the commissioner of finance is authorized upon the request of the state board of education to sell and issue vocational-technical building bonds of the state in the amount of \$15,500,000, in the manner and upon the conditions prescribed in section 8 and in the Constitution. The proceeds of the bonds, except as provided in section 8, subdivision 5, are appropriated to the vocational-technical building fund for expenditure in accordance with section 7.

Sec. 10. [SEVERABILITY CLAUSE.] If any provision of this act is found to be unconstitutional, the remaining provisions shall remain valid.

Sec. 11. [CONVEYANCE OF STATE PROPERTY, ST. CLOUD STATE COLLEGE, CITY OF ST. CLOUD.] The St. Cloud state college may acquire the following described real property, to wit:

The committee shall meet at least six times a year and at the call of the chairman or a majority of the members.

Sec. 4. [LOCAL BOARD OF HEALTH; AUTHORITY.]
Subdivision 1. [GENERAL DUTIES.] The board of health shall have general authority and responsibility for the development and maintenance of an integrated system of community health services.

Subd. 2. [POWERS.] In addition to any other powers assigned to a board of health by sections 1 to 11, the board of health for a county shall possess all the powers and duties now assigned by law to local boards of health pursuant to Minnesota Statutes, Section 145.01, and to public health nursing and home health services agencies pursuant to Minnesota Statutes, Sections 145.08 to 145.125, provided however that this subdivision shall not remove or otherwise change the powers and duties of any city or township eligible for the subsidy under the provisions of section 7 of this act, or of any city of the first or second class with an existing program of community health services located within a county with a population of 300,000 or more persons until the city council of said city shall take action to allow the county to pre-empt the powers and duties of said city. Not later than 365 days after the approval of the community health services plan by the state board of health, any county or city board, committee or commission having authorities or duties in any area designated in sections 1 to 11 other than the board of health designated and acting pursuant to sections 1 to 11, shall cease its operation and no per diem or reimbursement of expenses shall be paid to any member of the board, committee, or commission.

Subd. 3. [EMPLOYEES.] The board of health may employ administrators, officers, employees, and agents as necessary to carry out the provisions of this act. Employees of the board of health shall be subject to any personnel administration rules adopted by the county board or boards or the city council or councils unless by law the employees or a class of employees shall be within the scope of a state wide personnel administration system. All persons employed by a county, city or the state, whose functions and duties are assumed by the board of health shall become employees of the board of health without loss in benefits, salaries or rights.

Subd. 4. The board of health by any lawful means, including gifts, purchase, lease, or transfer of custodial control, may acquire and hold in the name of the county or city the lands, buildings, and equipment necessary and incident to the accomplishment of the purposes of this act and accept gifts, grants, and subsidies from any lawful source, apply for and accept state and federal funds, request and accept local tax funds, establish and collect reasonable fees for community health services provided.

Subd. 5. The board of health may contract for services from private firms, nonprofit corporations, primary and secondary schools, state and local governmental agencies, or other community agencies to avoid unnecessary duplication of services and

realize cost advantages. The board of health shall offer to contract to provide public health nursing and other school health services to the schools within its jurisdiction. The contracts shall be employed to improve efficiency and the quality and effectiveness of services and shall give preferential consideration to existing municipal programs. Contracts shall be awarded on the basis of cost benefit comparisons and considerations.

Subd. 6. The board of health shall coordinate community health services with the delivery of personal health services, institutional health services, and related human services in the community; ensure responsible medical consultation and direction by employing a public health physician or by contracting with a local practicing physician; and coordinate community health services with health related environmental control services in the community. The board of health shall coordinate local, state, and federal services and funding for community health services.

Subd. 7. The board of health shall evaluate the effectiveness and efficiency of community health services systems and programs and as a condition of qualifying for the community health services subsidy, prepare the annual community health services plan and budget, as provided in section 10.

Subd. 8. The board of health shall identify community health needs and set priorities among the needs for the broad range of community health services including the health needs of minorities and nonresidents, including tourists and migrants, and ensure that services are accessible to all persons on the basis of need and that no one is denied services because of race, color, sex, age, language, religion, nationality, economic status, political persuasion or place of residence.

Subd. 9. The board of health shall recommend appropriate local legislation pertaining to community health services to the county board or city council and shall advise the state board of health on matters relating to public health that require assistance from the state, or that may be of more than local interest.

Subd. 10. The board of health shall publish for distribution an annual report of the activities of the board of health.

Subd. 11. When the board of health determines that there is an acute shortage of medical or other health manpower, or that there is a significant problem in providing access to health care in the area, the board of health shall address itself to the resolution of those problems. The solution may involve providing assistance to recruit medical or other health personnel to the area, or the development of suitable linkages between area medical and allied health personnel that will make more effective use of existing private, nonprofit and community resources and extend health care into the community.

Sec. 5. [DUTIES OF COUNTY BOARD.] Subdivision 1. A county board of any county having a board of health organized under this act shall review and approve the community health services plan prior to the submission of the plan to the state board of health. The plan submitted by the county board shall incorporate the plans developed by any city organized under the provisions of section 3 that has established eligibility under the provisions of section 7. Upon receipt of the community health services plan, or any proposed revision, from a city, the county board shall review and act on the plan or the proposed revision within 30 days. The county board may approve the plan as written or refer the plan back to the city with comments and instructions for further consideration. The city or the county may appeal to the state board of health for resolution of differences regarding the community health services plan. A failure to act within the specified time shall constitute approval of the plan.

Subd. 2. A county board of any county having a board of health organized under this act may by ordinance adopt and enforce reasonable regulations related to the implementation and administration of sections 1 to 11, provided however that no county regulations shall conflict with state legislation or with higher standards established either by regulation of any agency of state government or by the provisions of the charter or ordinances of any city organized under the provisions of this act.

Sec. 6. [BUDGET; FUNDS.] Subdivision 1. On or before July 1 of each year the board of health, if other than the county board, or the joint board of two or more county boards, or the city council or councils, shall submit to the county board or boards or the city council or councils an estimate of the amount needed by the board of health to perform its duties including costs of administration for the ensuing year. The proposed plan and budget shall set forth the expected source and amounts of funds which are expected to be available to the board of health and its proposed plan of expenditures to perform its duties and responsibilities. The county board or boards or the city council or councils shall consider the estimates of income and the plan for expenditures and as the estimates and plan are approved or approved as modified, shall levy a tax as provided by law for the purpose.

If two or more counties or cities have agreed as provided in Minnesota Statutes, Section 471.59, to a joint or multi-county or multi-city or multi-city-county activity, the county boards or city councils party to the agreement shall determine the proportional financial responsibility of each county or city to support the programs and services of the board of health if the agreement had not provided for the division of costs or other arrangements pursuant to the agreement.

Sec. 7. [ELIGIBILITY; WITHDRAWAL.] Subdivision 1. [ELIGIBILITY OF COUNTIES.] A county or two or more contiguous counties combined under the provisions of Minnesota

Statutes, Section 471.59, shall be eligible for the community health services subsidy provided in section 11 under the following conditions:

(a) There shall be an aggregate population of 30,000 or more persons in the county or multi-county area located within a region designated pursuant to Minnesota Statutes, Sections 462.381 to 462.396, or Chapter 473B. However, when three or more counties combine for the purposes of this act, the 30,000 minimum population shall not be required. When two or more counties combine for the purposes of this act, the state board of health with the approval of the regional development commissions directly involved, may waive the requirements that all counties be within a single development region; provided however, that if a single county has received an exemption for formation of a human services board pursuant to Minnesota Statutes, Section 402.01, the population base of 30,000 is waived and such county shall be eligible for participation in this act;

(b) There shall be a board of health organized under the provisions of section 3;

(c) There shall be substantial compliance with the requirements of the state board of health established under the provisions of section 8;

(d) There shall be local matching funds provided to support the community health services as provided in section 11;

(e) The plan developed under the provisions of section 10 shall be approved by both the county board and the state board of health.

Failure of a county or group of counties to elect to come within the provisions of sections 1 to 11 shall not affect their eligibility for any other state subsidy.

Subd. 2. [ELIGIBILITY OF CITIES.] A city, or two or more contiguous cities combined under the provisions of Minnesota Statutes, Section 471.59, shall be eligible for a proportional share of the subsidy provided in section 11 for the county under the following conditions:

(a) There shall be an aggregate population of 65,000 or more persons in a city or multi-city area located within a county having a population of 300,000 or more persons;

(b) There is a board of health organized under the provisions of section 3;

(c) There is substantial compliance with the requirements established by the state board of health under the provisions of section 8;

(d) There are local matching funds provided to support the community health services as provided in section 11;

(e) The plan developed under the provisions of section 10 shall be consistent with the plan developed by the county and shall be approved by both the city council and the county board.

The city's proportionate share of the community health services subsidy shall be determined by calculating the proportion of local expenditures for community health services within the county that were expended by the city. In a county which has, or hereafter establishes, an operational human services board pursuant to section 3, subdivision 1, the subsidy payment shall be made to the human services board pursuant to Minnesota Statutes, Section 402.02, Subdivision 4. The human services board shall enter into a purchase of service contract to provide a proportional share of the subsidy to those cities that establish eligibility under the provisions of this subdivision.

Subd. 3. [ELIGIBILITY OF CITIES.] A city located within three or more counties and any contiguous political subdivision or subdivisions shall have the authority to combine, for the purposes of this act, under the provisions of Minnesota Statutes, Section 471.59, and shall be eligible for a proportional share of the subsidy provided in section 11 for the counties under the following conditions:

(a) There shall be an aggregate population of 40,000 or more persons;

(b) There is a board of health organized under the provisions of section 3;

(c) There is substantial compliance with the requirements established by the state board of health under the provisions of section 8;

(d) There are local matching funds provided to support the community health services as provided in section 11;

(e) The plan developed under the provisions of section 10 shall be approved by the city council and the governing bodies of each of the political subdivisions and by the state board of health.

The proportionate share of the subsidy for the city and any contiguous political subdivision combined with such city shall be determined by calculating the proportion of total county population that live in the city and the contiguous political subdivisions. When all three counties within which the city is located have combined under the provisions of this act, the subsidy payment shall be made to the multi-county board of health. The multi-county board of health shall enter into a purchase of ser-

vice contract to provide a proportional share of the subsidy to the city and any contiguous political subdivisions that establish eligibility under the provisions of this subdivision.

Subd. 4. [WITHDRAWAL.] Any participating county or city, may by resolution of its governing body, indicate its intention to withdraw from the subsidy program established by this act. Notification shall be given to the state board of health and to each county or city in any multi-county or multi-city combination, at least one year before the beginning of the fiscal year in which it takes effect. When two or more counties or cities have combined for the purposes of sections 1 to 11, the withdrawal provision shall not be applicable during the first two years following the adoption of the initial agreement to combine. The withdrawal of a county or city from a group of two or more counties or cities combined for the purposes of sections 1 to 11 shall not effect the eligibility for the community health services subsidy of the remaining counties or cities for at least one year following the withdrawal.

Sec. 8. [DUTIES OF THE STATE BOARD OF HEALTH.]
Subdivision 1. The state board of health shall:

(a) Provide consultation and technical training to communities to assist them in the development and provision of services, encouraging multi-county configurations to ensure that a county will not be isolated geographically and thereby ineligible for the subsidy.

(b) Develop guidelines and recommended administrative procedures through a planning process with representation from local health boards. Adoption of these guidelines and administrative procedures by the board of health shall not be a prerequisite for plan approval.

(c) Promulgate regulations in accordance with Minnesota Statutes, Chapter 15, for the purposes of establishing standards for:

(1) Training, credentialing, and experience requirements for key personnel to ensure expertise in administration, planning, and in each services program included in the community health services plan;

(2) A uniform reporting system that will permit an assessment of the efficiency and effectiveness of service delivery programs; and

(3) A planning process that will encourage full community participation in the development of the community health services plan.

(d) Review and act on the community health services plan and any proposed revision within 60 days after receiving the plan or revision. The state board of health may approve the plan as written or refer the plan back to the applicant with comments and instructions for further consideration. A failure to act within the specified time shall constitute approval of the plan.

(e) Provide application forms and instructions for preparation and submission of applications for the community health services subsidy, in accordance with the provisions of section 10.

Subd. 2. The state board of health may enter into an agreement as prescribed in Minnesota Statutes, Section 145.55, with any county or city or group of counties or cities organized under the provisions of section 3 to perform all or part of the licensing, inspection, and enforcement duties authorized under the provisions of Minnesota Statutes, Sections 144.075 and 144.12 and Chapter 157.

Sec. 9. [COMMUNITY HEALTH SERVICES ADVISORY COMMITTEE.] An advisory committee is established to advise, consult with, and make recommendations to the state board of health on matters relating to the development, maintenance, funding and evaluation of community health services. Each board of health meeting the eligibility requirements of section 7 of this act may appoint a member to serve on the committee. The terms shall be two years and no member shall serve more than three consecutive terms. Continuity of membership shall be assured by having an approximately equal number of terms expire each year. Members may receive a per diem and shall be reimbursed for travel and other necessary expenses while engaged in their official duties. The committee shall meet at least quarterly and special meetings may be called by the chairman or a majority of the members.

Sec. 10. [COMMUNITY HEALTH SERVICES PLAN.]
Subdivision 1. [PLAN CONTENT.] The community health services plan shall be a written plan for the development, implementation, coordination, and operation of community health services that meet the priority needs of the community. Financial constraints and differing priorities may result in variations in levels of effort for different services. The plan shall include the following:

(a) A description of the process used to encourage full community participation in the development of the plan;

(b) An explanation of the extent to which the planning and service delivery systems have been integrated with the delivery of personal health services, institutional health services, health related environmental programs and services, and with related human services in the community. The plan shall include a state-

ment of the priority needs of the community and an inventory of existing health related services in the community;

(c) Descriptions of each service program including each of the following: Community nursing services, home health services, disease prevention and control services including immunization, emergency medical services, health education, and environmental health services;

(d) The projected amount and sources of funding for carrying out the plan;

(e) A report and evaluation of the two preceding years community health service programs.

Subd. 2. [PLAN SUBMISSION.] The application for a community health services subsidy and the plan and any proposed revision of the plan shall be submitted to the appropriate regional development commission or to the metropolitan council and to the state board of health. The regional development commission or the metropolitan council shall review the plan to determine conformance with regional plans developed by the health systems agency under the provisions of the National Health Planning and Resource Development Act of 1974, and submit their findings and other comments and recommendations to the state board of health within 40 days after receiving the plan.

Sec. 11. COMMUNITY HEALTH SERVICES SUBSIDY.]
Subdivision 1. [PAYMENT.] When a city, county, or group of cities or counties meets the requirements prescribed in section 7, the state board of health shall pay the amount of subsidy to the city or county in accordance with applicable rules and regulations from the funds appropriated for the purpose. The state board of health may make an advancement of funds on a quarterly basis.

Subd. 2. [FORMULA.] To determine the amount to be paid participating cities and counties, the state board of health shall apply the following formula using the most current data available:

(a) All counties will be ranked in accordance with a formula involving three factors:

(1) Per capita income;

(2) Per capita taxable value; and

(3) Per capita local expenditure per 1,000 population for community health services.

(b) Each county is then ranked as follows:

(1) On the basis of per capita income the ranking is from the lowest to the highest;

(2) Per capita taxable value is ranked from lowest to highest;

(3) Per capita expenditure is ranked from highest to lowest.

(c) The ranking given each county on each of the foregoing three factors is then totaled and the counties ranked in numerical order according to score.

(d) The total score for each county thus determined is then divided into a median total score. The quotient thus obtained is then multiplied by \$2.25 times the county population. The resulting product is the amount of subsidy to which the county is eligible under this formula, provided that no city or county shall receive less than \$1.75 or more than \$2.75 per capita, provided that such computation shall not include additional subsidies granted pursuant to subdivision 4 or subdivision 5 of this section.

Subd. 3. [LOCAL MATCH.] The amount of local matching funds required to receive the full subsidy shall be determined by multiplying the population by \$4.50 and subtracting the community health services subsidy allocated under the provisions of this section. The local matching funds may include local tax levies, gifts, fees for services and revenues from contracts. When the amount of local matching funds is less than the amount specified, the state formula subsidy shall be reduced proportionally. When a participating city or county fails to expend the full amount of the subsidy to which it would be entitled in any one year under the provisions of this act, the state board of health may, at its discretion, retain the surplus, subject to disbursement in the following year to the city or county if it can demonstrate a need for and ability to expend the surplus for the purposes provided in section 8. A city organized under the provisions of this act that levies a tax for provision of community health services shall be exempted from any county levy for the same services to the extent of the levy imposed by the city.

Subd. 4. [PAYMENT.] A city, county, or group of cities or counties with an aggregate population of 50,000 or more persons which meet the eligibility requirements of section 5 shall be entitled to an additional annual payment of \$.25 per capita.

Each county that combines with another county or counties for the purposes of sections 1 to 11 shall be entitled to an additional annual payment of \$5,000.

Subd. 5. [PLANNING GRANTS.] The state board of health may provide grants to any county or group of counties

showing intent to come within the provisions of sections 1 to 11 for the purpose of planning for the development, implementation, and operation of community health services. No single county shall receive more than \$25,000 to conduct the planning. The state board of health shall specify the terms and conditions of grants.

Sec. 12. [APPROPRIATION TRANSFER.] The commissioner of finance is authorized to transfer funds from any appropriation made to the state board of health to the appropriation provided in section 13 of this act. Such transfer shall occur after a request by the commissioner of health identifying the specific amounts from each appropriation, and the programs effected by the requested transfer. The commissioner of health shall furnish copies of each request to the committee on finance of the senate and the committee on appropriations of the house of representatives.

Sec. 13. [APPROPRIATION.] Subdivision 1. The sum of \$3,700,000 is appropriated from the general fund to the state board of health for the biennium ending June 30, 1977 for the purposes specified in section 11.

Subd. 2. The sum of \$100,000 is appropriated from the general fund to the state board of health for each year of the biennium ending June 30, 1977 for the purpose of administering section 8.

Sec. 14. [EFFECTIVE DATE.] The effective date of this act is July 1, 1975 except for section 11, subdivisions 1 to 4, which shall be effective January 1, 1977."

With the recommendation that when so amended the bill do pass.

REPORTS OF CHIEF CLERK

Pursuant to Rules of the House, printed copies of H. F. Nos. 1810, 175, 1241, 1137 and 645 and S. F. Nos. 1308, 864, 1444 and 1554 have been placed in the members' files.

S. F. No. 1308 and H. F. No. 1373, which had been referred to the Chief Clerk for comparison, were examined and found to be identical except H. F. No. 1373, after the enacting clause, reads as follows:

"Section 1. [LEGISLATIVE FINDINGS.] Minnesota is blessed with an abundance of water, including more than 15,000 lakes and 25,000 miles of rivers and streams. This abundance of water creates an abundance of regulatory problems for all levels of government and for private individuals, associations, and corporations. The commissioner of natural resources, who has jurisdiction over public waters pursuant to Minnesota Statutes, Chapter 105, and related laws, has not, by reason of limitations of personnel and appropriations, inventoried, classified, and designated by rule and regulation all of the waters of this state as to their status under the laws defining public waters. The legislature finds that increasing demands upon, and controversies relating to, the waters of this state in matters such as changes in course, current, or cross section, dams, drainage, flood plain management, and shoreland management, have created a situation which requires an early inventory of the waters of the state for the purpose of accelerating the classification of those waters of the state which should be designated public waters. The purpose of this act is to expedite that process.

Sec. 2. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.391] [PUBLIC WATERS INVENTORY AND CLASSIFICATION.] *Subdivision 1. On the basis of all information available to him, the commissioner shall inventory the water basins of each county and make a preliminary designation as to which of those waters constitute public waters. The commissioner shall send his preliminary designation for each county to the county board of that county for its review and comment.*

Subd. 2. Within 90 days after a county board has received the commissioner's preliminary designation, it shall notify the commissioner of any disagreement with that designation. The commissioner, may extend the time within which a county may notify him of a disagreement.

Subd. 3. If there is no disagreement between the commissioner and a county concerning the preliminary designation of public waters in that county, the commissioner by rule pursuant to Minnesota Statutes, Chapter 15, shall designate as public waters those waters listed in the preliminary designation. In the same rule making procedure the commissioner may also designate as public waters any watercourses which have been determined to be public and classified as to the level of regulation in accordance with the procedures of the commissioner's interim rules and regulations. The designation of watercourses as public waters pursuant to this subdivision shall remain in effect until changed by rule of the commissioner following the inventory, designation, and classification of watercourses prescribed by this section. A hearing pursuant to Minnesota Statutes, Chapter 15, on proper designation of a body of water shall be held in the county in which the waters to be designated are located. Except as provided below, no water basin designated public water may be drained, and no permit authorizing drainage of a water basin containing public water may be issued, unless the public water being drained is replaced by a body of water which will have equal or greater public value. However, after a state water bank program has been established, public waters which are eligible for inclusion in that program may be drained if, upon receiving an application for a permit to drain such water, the commissioner elects neither to place the water basin in the state water bank program nor to acquire it under a wetland acquisition program.

Subd. 4. If there is a disagreement between the commissioner and a county concerning a preliminary designation of water basins as public waters in that county, the commissioner shall attempt to resolve the disagreement with the county within 60 days after receiving notice of disagreement from the county. During the 60 day period the commissioner may proceed, in the manner provided by subdivision 3, to make a final designation for those water basins which are not the subject of disagreement between the commissioner and the county.

Subd. 5. If after 60 days from the date of receiving notice of disagreement by a county, there remains matters upon which the commissioner and the county disagree, the commissioner shall order a public hearing to be held in the county pursuant to the rule making provisions of Minnesota Statutes, Chapter 15. A hearings unit composed of two persons appointed by the commissioner, one person appointed by the affected county board and one person appointed by the area soil and water conservation district shall select a fifth member within 45 days of the public hearing order. If the fifth member of the hearings unit cannot be agreed upon by the four appointees within the 45 day period, then the state

soil and water conservation commission shall select such member within 30 days. The hearings unit shall conduct the public hearing within the affected county, and such unit may designate a hearings officer. In the event there is a watershed district whose boundaries include the waters involved, the district shall provide the hearings unit with its recommendations. Upon completion of the hearing, the hearings unit shall issue its findings of fact, conclusions and an order, which shall be considered the decision of an agency in a contested case for purposes of judicial review pursuant to chapter 15. The order of the hearings unit after the appeal period has expired, or the final order of the court in the case of an appeal, shall be binding and the commissioner shall then promulgate by rule a list of those waters which are determined to be public waters. In the event the county appeals an order of the hearings unit, the commissioner shall be obligated to pay 50 percent of the appeal costs and disbursements of the county. In the event the commissioner appeals an order of the hearings unit, the commissioner shall be obligated to pay the costs and disbursements incurred by the county in defense of the appeal.

Subd. 6. From money appropriated to him for the following purposes, the commissioner shall grant aid to counties to facilitate an inventory of all watercourses for the purpose of designating which of the watercourses in the county are watercourses constituting public waters and for the purpose of recommending a management classification for each watercourse. The commissioner shall consider the size of a county and the number of watercourses within the county when making a grant. Within a reasonable time following the grant of aid for a watercourse inventory, as specified by the commissioner, the county shall report to the commissioner on its watercourse inventory, its recommendations as to which watercourses in the county should be designated as public waters, and its recommended management classifications. Within 90 days after receiving a county's report, the commissioner shall notify the county of any disagreement with the county's report. If there is no disagreement concerning a particular watercourse the commissioner shall by rule pursuant to Minnesota Statutes, Chapter 15, designate that watercourse as public waters and shall specify its proper management classification. The commissioner shall attempt to resolve any disagreement between the commissioner and a county within 60 days after notifying the county of his disagreement. During the 60 day period the commissioner may proceed, in the manner provided by subdivision 3, to make a final designation for those watercourses which are not the subject of disagreement between the commissioner and the county. If, after 60 days from the date the county receives notice of the commissioner's disagreement, there remain matters upon which the commissioner and a county disagree, the commissioner, in accordance with subdivision 5, shall present the disagreement to a hearings unit as stipulated therein who shall conduct a public hearing which upon completion shall further comply with the provisions of subdivision 5 relating to judicial review, final order and appeal costs.

Subd. 7. Waters of this state are public waters for the purposes of this section if they have been determined to be public waters or navigable waters by the district court or, if appealed, by the supreme court of this state or by the United States supreme court.

Subd. 8. Notwithstanding any other law to the contrary the procedures, rules and guidelines set forth in the order of the commissioner of natural resources dated prior to the effective date of this act and filed with the secretary of state before the effective date of this act and given a document number by the secretary of state, shall be valid and enforceable emergency rules and regulations of the commissioner of natural resources for the purposes of Minnesota Statutes, Sections 15.0411 to 15.0422, with respect to public waters during the period between the effective date of this act and the designation of those waters as public water pursuant to this section, without further act or deed of the commissioner.

Sec. 3. [APPROPRIATION.] The sum of \$1,160,000 is appropriated from the general fund to the commissioner of natural resources for the purpose of sections 2 and 4 of this act. Of this amount, \$400,000 is appropriated for grants to counties for watercourse inventories and \$200,000 is appropriated for the water bank program pursuant to section 4. Notwithstanding the provisions of section 16A.28 or any other law relating to the lapse of an appropriation, the appropriation made by this section shall not lapse but shall continue until fully expended.

Sec. 4. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.392] [WATER BANK PROGRAM.] *Subdivision 1. The legislature finds that it is in the public interest to preserve the wetlands of the state and thereby to conserve surface waters, to preserve wildlife habitat, to reduce runoff, to provide for flood-water retention, to reduce stream sedimentation, to contribute to improved subsurface moisture, to enhance the natural beauty of the landscape, and to promote comprehensive and total water management planning. Therefore, the commissioner of natural resources is authorized and directed to prepare proposed rules, procedures, and payment rates designed to effectuate the terms of this section, for submission to the legislature by January 15, 1976. This program is intended to supplement and complement the federal water bank program and the payment rates established shall be equal to the federal rates existing at the time any agreements are entered into.*

Subd. 2. The commissioner shall have authority to enter into agreements with landowners and operators for the conservation of wetlands. These agreements shall be entered into for a period of ten years, with provision for renewal for additional ten year periods. The commissioner may re-examine the payment rates at

the beginning of any such ten year renewal period in the light of the then current land and crop values and make needed adjustments in rates for any such renewal period. For purposes of this section, except as provided below, wetlands shall mean wetlands types one through four, as described in Circular 39, Wetlands of the United States, published by the United States Department of the Interior, when the commissioner determines that it is lawful and feasible and practical to drain such wetlands, and that drainage would provide high quality cropland which in fact would be used for such purpose. However, as to those water basins which have been declared to be public waters under the provisions of section 2 of this act, only those which are wetlands types three and four and less than 50 acres in area which were declared public waters because of their beneficial public value as wildlife habitat, shall be considered for inclusion in the water bank program.

Subd. 3. In the agreement between the commissioner and an owner or operator, the owner or operator shall agree:

(1) to place in the program for the period of the agreement eligible wetland areas he designates, which areas may include wetlands covered by a federal or state government easement which permits agricultural use, together with such adjacent areas as determined desirable by the commissioner;

(2) not to drain, burn, fill, or otherwise destroy the wetland character of such areas, nor to use such areas for agricultural purposes, as determined by the commissioner;

(3) to effectuate the wetland conservation and development plan for his land in accordance with the terms of the agreement, unless any requirement thereof is waived or modified by the commissioner;

(4) to forfeit all rights to further payments or grants under the agreement and refund to the state all payments or grants received thereunder upon his violation of the agreement at any stage during the time he has control of the land subject to the agreement if the commissioner determines that such violation is of such a nature as to warrant termination of the agreement, or to make refunds or accept such payment adjustments as the commissioner may deem appropriate if he determines that the violation by the owner or operator does not warrant termination of the agreement;

(5) upon transfer of his right and interest in the lands subject to the agreement during the agreement period, to forfeit all rights to further payments or grants under the agreement and refund to the state all payments or grants received thereunder during the year of the transfer unless the transferee of any such land agrees with the commissioner to assume all obligations of the agreement;

(6) not to adopt any practice specified by the commissioner in the agreement as a practice which would tend to defeat the purposes of the agreement; and

(7) to such additional provisions as the commissioner determines are desirable and includes in the agreement to effectuate the purposes of the program or to facilitate its administration.

Subd. 4. In return for the agreement of the owner or operator, the commissioner shall (1) make an annual payment to the owner or operator for the period of the agreement at such rate or rates as the commissioner determines to be fair and reasonable in consideration of the obligations undertaken by the owner or operator; and (2) provide advice on conservation and development practices on the wetlands and adjacent areas for the purposes of this act as the commissioner determines to be appropriate. In making his determination, the commissioner shall consider, among other things, the rate of compensation necessary to encourage owners or operators of wetlands to participate in the water bank program.

Subd. 5. Any agreement may be renewed or extended at the end of the agreement period for an additional period of ten years by mutual agreement of the commissioner and the owner or operator, subject to any rate redetermination by the commissioner. If during the agreement period the owner or operator sells or otherwise divests himself of the ownership or right of occupancy of such land, the new owner or operator may continue such agreement under the same terms or conditions, or enter into a new agreement in accordance with the provisions of this act, including the provisions for renewal and adjustment of payment rates, or he may choose not to participate in such program, except that for any water declared public waters they shall not be drained.

Subd. 7. The commissioner may terminate any agreement by mutual agreement with the owner or operator if the commissioner determines that such termination would be in the public interest, and may agree to such modification of agreements as he may determine to be desirable to carry out the purposes of the program or facilitate its administration.

Sec. 5. [EFFECTIVE DATE.] This act is effective the day following its final enactment."

Whereas S. F. No. 1308, after the enacting clause, reads:

"Section 1. Minnesota Statutes 1974, Section 97.481, is amended to read:

97.481 [ACQUISITION OF WILDLIFE LANDS.] The commissioner of natural resources is hereby authorized and empowered to acquire, in the name of the state, by gift, lease, purchase and transfer of state lands, any such wildlife lands, such as marsh

or wetlands, and the margins thereof, including ponds, small lakes and stream bottom lands, which he finds desirable to acquire in the interests of water conservation relating to wildlife development programs, and, he may also acquire for this purpose from any state agency, itself included, lands now in state ownership or tax-forfeited which are suitable for wildlife purposes, and when such lands are so acquired, he is authorized to develop the same in the interest of wildlife, recreational or public hunting areas as he shall deem desirable. *In the determination of which lands will be acquired as wildlife lands, the commissioner shall assign highest priority to parcels containing type 3 or 4 wetlands, as defined in U.S. Fish and Wildlife Service Circular No. 39 (1971 edition), which were previously determined to be public waters.* No such lands shall be acquired until first approved for such purchase, or lease, by a majority of the members of the board of county commissioners in the counties where the land to be purchased, or leased, is located. In the counties in which a soil and water conservation district is organized the supervisors will act as counsellors to the board of county commissioners regarding the best utilization and capability of the land proposed for purchase, including the questions of drainage and flood control. The commissioner in the purchase of such wetlands must recognize that when a majority of land owners, or owners of a majority of the land in the watershed, petition for a drainage outlet, that the state should not interfere, or unnecessarily delay such drainage proceedings when such proceedings are conducted according to the Minnesota Drainage Code. In no case should state lands, so purchased, or leased, be used to produce crops (WHICH ARE IN A SURPLUS AS DEFINED BY THE FEDERAL GOVERNMENT) unless such crops are needed to sustain wildlife. No lands described herein shall be acquired unless there is acquired simultaneously therewith a right-of-way or easement from said lands to a public road so as to make entry upon said lands available to the public.

Sec. 2. Minnesota Statutes, 1974, Section 105.37, Subdivision 6, is amended to read:

Subd. 6. "Beneficial public (PURPOSE) use", in relation to waters of the state, includes but is not limited to any or all of the following purposes:

(a) Water supply for municipal, industrial, or agricultural (, OR OTHER) purposes;

((C)) (b) Retention of water to prevent or reduce downstream flooding, thereby minimizing erosion and resultant property damage;

((D)) (c) Entrapment and retention of nutrients and other materials which impair the quality of natural resources;

((E)) (d) Recreational activities such as swimming, boating, fishing, and hunting;

((F)) (e) Public navigation other than for recreational purposes;

((G)) (f) Wildlife habitat (SUCH AS FISH SPAWNING AND REARING AREAS, WATERFOWL NESTING AND FEEDING AREAS, AND) areas for the *spawning*, rearing, feeding, and (PROTECTION) *nesting* of (OTHER) wildlife *other than unprotected animals defined pursuant to section 100.26 or rough fish*;

((H)) (g) Areas designated as scientific and natural areas pursuant to section 84.033.

Sec. 3. Minnesota Statutes 1974, Section 105.37, is amended by adding a subdivision to read:

Subd. 9. "Lake basin" means an enclosed natural depression with definable banks capable of containing water which may be partly filled with waters of the state and which is discernible on aerial photographs.

Sec. 4. Minnesota Statutes 1974, Section 105.37, is amended by adding a subdivision to read:

Subd. 10. "Natural watercourse" means any natural channel without man made changes which has definable beds and banks capable of conducting confined runoff from adjacent lands.

Sec. 5. Minnesota Statutes 1974, Section 105.37, is amended by adding a subdivision to read:

Subd. 11. "Altered natural watercourse" means a former natural watercourse which has been affected by man made changes in straightening, deepening, and widening of the original channel.

Sec. 6. Minnesota Statutes 1974, Section 105.37, is amended by adding a subdivision to read:

Subd. 12. "Artificial watercourse" means a watercourse which has been artificially constructed by man where there was no previous natural watercourse.

Sec. 7. Minnesota Statutes 1974, Section 105.38, is amended to read:

105.38 [DECLARATION OF POLICY.] In order to conserve and utilize the water resources of the state in the best interests of the people of the state, and for the purpose of promot-

ing the public health, safety and welfare, it is hereby declared to be the policy of the state:

(1) Subject to existing rights all waters of the state which serve a *substantial* beneficial public (PURPOSE) use are public waters subject to the control of the state. *In the determination of whether a beneficial public use is substantial, specific evidence of the actual beneficial public use must be evaluated with reference to the existing land use of the area, the soil types surrounding and underlying the water, the ownership of the land surrounding the water, the relative agricultural and wildlife productivity of the area, and relevant provisions of a county or municipal shorelands ordinance enacted pursuant to section 105.485.* The public character of water shall not be determined exclusively by the proprietorship of the underlying, overlying, or surrounding land or on whether it is a body or stream of water which was navigable in fact or susceptible of being used as a highway for commerce at the time this state was admitted to the union. This section is not intended to affect determination of the ownership of the beds of lakes or streams.

(2) The state, to the extent provided by law from time to time, shall control the appropriation and use of surface and underground waters of the state.

(3) The state shall control and supervise, so far as practicable, any activity which changes or which will change the course, current, or cross-section of public waters, including but not limited to the construction, reconstruction, repair, removal, abandonment, the making of any other change, or the transfer of ownership of dams, reservoirs, control structures, and waterway obstructions in any of the public waters of the state.

Sec. 8. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.385] [LAKE BASIN CLASSIFICATION PROCEDURE.] *Subdivision 1. [COMMISSIONER'S PRELIMINARY DESIGNATION.] On the basis of all information available to him, the commissioner shall inventory the lake basins of each county and make a preliminary designation as to which lake basins constitute public waters. The preliminary designation shall include specific findings concerning the beneficial public uses stated in section 2 and the policy stated in section 7 for each lake basin classified as public water in the preliminary designation. The commissioner shall forward his preliminary designation for each county to the county board of that county.*

Subd. 2. [COUNTY INVESTIGATION; HEARING; NOTICE.] Upon receipt of the commissioner's preliminary designation of lake basins, the county board may assign any soil and water conservation district or any watershed district with jurisdiction concerning the lake basins specified in the preliminary

designation to conduct an investigation and public hearing concerning the designated lake basins and to report the results thereof to the county board within 80 days after the county board received the commissioner's preliminary designation. Either the county board or its designee authorized above shall conduct at least one public hearing within the affected county concerning the lake basins specified in the commissioner's preliminary designation. Prior to the public hearing, the county board or its designee shall cause notice to be published once a week for three consecutive weeks in a legal newspaper within the county. The notice shall include the date, time, and location of the public hearing, together with a map or list of all lake basins classified as public waters in the commissioner's preliminary designation. Any person under oath may offer testimony during the course of the hearing relevant to any beneficial public uses served by any of the waters under examination or relevant to any of the policy factors stated in section 7. The county board or its designee shall encourage testimony from representatives of the commissioner, watershed districts, soil and water conservation districts, the U. S. Soil Conservation Service, and county planning and engineering departments. The commissioner shall forward \$2,000 for each county board to be used by the county board, a soil and water conservation district, or a watershed district to pay all reasonable expenses in conducting a public hearing pursuant to this section. Any funds not expended for the costs of the public hearing shall be used by the county board for its responsibilities pursuant to section 9. Upon completion of the public hearing and the assigned investigation if any, and within 90 days after the county board received the commissioner's preliminary designation, the county board shall notify the commissioner whether it agrees with each lake basin classified as public water in the preliminary designation. If the county board disagrees with any lake basin classification as public waters, it shall include specific findings concerning the beneficial public uses stated in section 2 and the policy stated in section 7.

Subd. 3. [FINAL CLASSIFICATION OF AGREED BASINS; APPEALS.] Upon receipt of the county board's response to his preliminary designation, the commissioner shall immediately designate by order pursuant to Minnesota Statutes 1974, Section 97.54, Subdivision 2, the public status of the waters within lake basins which are not the subject of any disagreement between the county board and the commissioner. Any person aggrieved by the commissioner's order may appeal to the district court pursuant to Minnesota Statutes 1974, Section 105.47.

Subd. 4. [FINAL CLASSIFICATION OF BASINS WHERE COUNTY AND COMMISSIONER DISAGREE.] If there is a disagreement between the commissioner and the county board concerning the classification of any lake basin within the county as public waters, the commissioner shall attempt to resolve the disagreement within 30 days after receipt of notice thereof. If the commissioner and the county board resolve a disagreement

concerning the classification of any waters of any lake basin as public waters, the commissioners shall issue an order pursuant to subdivision 3. If there remains any disagreement between the commissioner and the county board at the expiration of the 30 day period each disagreement concerning the classification of the waters of any lake basin within the county shall be resolved by the majority vote of three persons. One of the persons shall be a member of, and appointed by, the state soil and water conservation commission. The second person shall be one of the five supervisors of the soil and water conservation district or one of the managers of a watershed district from within the affected county who shall be appointed by the county board. The third person shall be a member of, and appointed by the regional development commission within whose area the disputed lake basin is located; provided that the member of the regional development commission shall not be a resident of the county within which the disputed lake basin is located and is not a member of the state soil and water conservation commission. The decision of the three persons shall include the classification as public waters of all the lake basins in dispute. The decision of the three persons shall be binding on the commissioner and the affected county board and shall include specific written findings concerning the beneficial public uses stated in section 2 and the policy factors stated in section 7 concerning the classification as public waters of each disputed lake basin. If the decision of the three persons agrees with the commissioner's preliminary designation, the commissioner shall immediately issue an order classifying the public water in each of the disputed lake basins. Any person aggrieved by the commissioner's order may appeal to district court pursuant to Minnesota Statutes 1974, Section 105.47.

If the decision of the three persons agrees with the findings of the county board, then the county board shall pass a resolution classifying the public water in each of the disputed lake basins. Any person aggrieved by the resolution may appeal to the district court pursuant to Minnesota Statutes 1974, Section 15.0424.

Sec. 9. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.386] [WATERCOURSE INVENTORY AND CLASSIFICATION PROCEDURE.] *Subdivision 1.* [GRANTS TO COUNTIES.] Notwithstanding any other law to the contrary, neither the commissioner, nor any employee of the department, nor any member of a county board, nor a member of a soil and water conservation district, nor a manager of a watershed district, shall issue or enact any order, directive, rule, resolution, ordinance, or other document classifying any watercourse as public waters prior to March 1, 1976, except upon application of any person contemplating activities regulated by Minnesota Statutes 1974, Sections 105.42 and 105.43, or pursuant to any criminal prosecutions pursuant to violations of chapter 105. This section shall not preclude any preliminary investigation or inventory of watercourses. The commissioner shall grant aid to coun-

ties to complete an inventory of all natural, altered, and artificial watercourses within each county. The inventory shall designate which watercourses constitute public waters based on the beneficial public uses stated in section 2 and the policies stated in section 7. The inventory shall also include a recommendation of a management classification stated in the department rules for each watercourse. The commissioner shall consider the size of a county and the number of watercourses within the county when making a grant.

Subd. 2. [COUNTY PRELIMINARY INVENTORY.] In the preparation of the county preliminary inventory the county board or its designee shall conduct an investigation and public hearing pursuant to section 8, subdivision 2. The county board shall encourage the assistance of watershed districts, the applicable soil and water conservation district, the U.S. Soil Conservation Service, and the county planning commission and engineering department. The county board shall make specific written findings concerning the beneficial public uses stated in section 2 and the policies stated in section 7 relative to each watercourse classified as public waters. Within a reasonable time following the grant of aid for a watercourse inventory, as specified by the commissioner, the county board shall report to the commissioner on its watercourse inventory, including its recommendations concerning which watercourses should be designated as public waters and recommended management classifications.

Subd. 3. [FINAL DESIGNATION AND MANAGEMENT CLASSIFICATION.] Within 90 days after receipt of the county board's preliminary inventory, the commissioner shall by order designate the public status and the management classification of all watercourses which are not the subject of any disagreement between the county board and the commissioner. The commissioner shall immediately notify the county board of any disagreement with its preliminary inventory, including its public waters designation and management classification. The commissioner shall attempt to resolve any disagreement with the county board within 60 days after serving notice of his disagreement. If within the 60 days the commissioner and the county board resolve any disagreement concerning the designation of any watercourses as public watercourses or any disagreement concerning the management classification of any watercourse, the commissioner shall issue an order pursuant to this section. Any person aggrieved by the commissioner's order may appeal to the district court pursuant to Minnesota Statutes 1974, Section 105.47.

Subd. 4. [FINAL DESIGNATION AND MANAGEMENT CLASSIFICATION WHEN COMMISSIONER AND COUNTY DISAGREE.] If there remains any disagreement concerning the designation of any watercourse as public water or concerning the management classification of any watercourse, the commissioner shall prepare specific written findings concerning the beneficial public uses stated in section 2 and the policies stated

in section 7 relative to each disputed watercourse. All such disagreements shall be resolved by three persons selected pursuant to section 8, subdivision 4. The contents, binding affect, and appeal procedure concerning their decision shall be identical to section 8, subdivision 4.

Sec. 10. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

Application for such permit shall be in writing to the commissioner on forms prescribed by him.

Such petition shall be signed by not less than a majority of the resident owners of the land described in the petition or by the owners of at least 60 percent of the area of such land, exclusive of the holder of easements for electric or telephone transmission and distribution lines. The lands described in the petition shall be those over which the proposed ditch passes or upon which the improvement is located, and the petition shall set forth the description of such lands and shall set forth the necessity for the ditch or improvement, and that the same will be of public benefit and utility and will promote the public health, with the description of the starting point, the general course, and terminus or location of the same. The engineer shall also examine and gather information concerning the factors stated in sections 105.37, subdivision 6, and 106.38, clause (1) for consideration in the determination of whether the proposed drainage system substantially affects any public water. If some other plan than that described in the petition is found practical, the engineer shall so report, giving such detail and information as is necessary to inform the court or board on all matters pertaining to the feasibility of the proposed plan, either as outlined in the petition or according to a different plan recommended by the engineer. He shall show all changes, whether by extension, adding laterals, or otherwise, that may be necessary to make the plan of the proposed improvement practicable and feasible. If the construction of a ditch or drain is involved in the proposed improvement, the engineer shall examine and report the nature and capacity of the outlet and any necessary extension thereof.

Sec. 16. Minnesota Statutes 1974, Section 106.081, subdivision 3, is amended to read:

He shall show upon such plan the elevation of the outlet and the controlling elevations of the lands likely to be affected and also the probable size and character of the ditches and laterals necessary to make the plan practicable and feasible. All elevations so far as practical shall be referred to standard sea level datum. He shall show in his report the character of the outlet and the sufficiency thereof and also the probable cost of the drains and improvements shown on his plan, and all other information and data necessary to disclose the practicability, necessity and feasibility of the proposed improvement, including (AN ANALYSIS) consideration of the project as required by section 106.021, subdivision 6, and such other information as the board or court may order.

Subd. 4. [LIMITATION OF SURVEY.] The engineer shall confine his preliminary survey to the drainage area described in the petition, except to secure outlet, unless authorized by order of the board or court, with the consent of the bondsmen, at a hearing after ten days notice by mail to the petitioners and bondsmen; and any investigation made by the engineer as to out-

let, without such order, shall be confined to running the necessary levels to ascertain the distance necessary to secure the proper fall. The preliminary survey shall include (AN ANALYSIS) *consideration of the impact of the project as required by section 106.021, subdivision 6.*

The commissioner may request additional time for review and evaluation of the engineer's report in cases where such additional time can be shown to be necessary for proper evaluation. However, no request for additional time for filing the commissioner's report may be made after five days from the date of notice by the auditor or clerk that a date is to be fixed for the preliminary hearing. No extension of time shall exceed two weeks from the date of the request.

Sec. 20. Minnesota Statutes 1974, Section 106.101, Subdivision 4, is amended to read:

Subd. 4. [DISMISSAL.] At said hearing or any adjournment thereof, if it shall appear that the proposed improvement is not feasible, or that the adverse environmental impact is greater than the public benefit or utility based upon the (REQUIREMENTS AND) criteria required to be considered by section 106.021, *subdivision 6*, and no plan is reported by the engineer whereby it can be made feasible, and acceptable, or that it is not

of public benefit or utility, or that the outlet is not adequate, the petition shall be dismissed.

Subd. 5. [FINDINGS AND ORDER.] If the board or court shall be satisfied that the proposed improvement as outlined in the petition or as modified and recommended by the engineer is feasible, that there is necessity therefor, that it will be of public benefit and promote the public health, based upon the (REQUIREMENTS AND) criteria required to be considered by section 106.021, *subdivision 6*, and that the outlet is adequate, the board or court shall so find and by such order shall designate the changes that shall be made in the proposed improvement from that outlined in the petition including such changes as are necessary to minimize (OR COMPENSATE FOR) adverse impact on the environment. These changes may be described in general terms and shall be sufficiently described by filing with the order a map outlining the proposed improvement thereon. Thereafter the petition shall be treated as modified accordingly. When the ditch shall outlet into an existing county or judicial ditch, the board or court may find that the outlet is adequate subject to confirmation and permission being obtained in accordance with section 106.531. In such case the board or court shall assign a number to the ditch and the board or court shall proceed to act in behalf of the ditch to obtain outlet rights in accordance with section 106.531.

Sec. 24. Minnesota Statutes 1974, Section 106.121, Subdivision 4, is amended to read:

Subd. 4. [DATA AND REPORT.] The engineer shall prepare and submit the following data and report:

(a) A complete map of the drainage system or improvement drawn to scale, showing thereon (1) the termini and course of each drain and whether open or tile, and the location of all other proposed improvements; (2) the location and situation of the outlet; (3) the watershed of the drainage system and the sub-watershed of main branches, if any, together with the location of existing highway bridges and culverts; (4) all lands and properties affected, together with the names of the owners thereof so far as known; (5) public streets, highways and railways affected; (6) the outlines of any lake basin, wetland and public body of water affected; (7) such other physical characteristics of the watershed as may appear necessary for the understanding thereof.

(b) A profile of all lines of ditch proposed showing graphically, the elevation of the ground and gradient at each 100-foot station, the station number at each section line and at each property line, whether open or tiled, the size of tile and the bottom width and side slope of open ditch sections, and such other information as may appear necessary for the understanding thereof.

(c) Plans for all private bridges and culverts proposed to be constructed by and as a part of the ditch system, together with plans for all other works and items of construction necessary for the completion of the drainage system or improvement. A list showing the required minimum hydraulic capacity of all bridges and culverts at all railway and highway open ditch crossings and at other prospective open ditch crossings where bridges and culverts are not specified to be constructed as a part of the ditch, together with plans and estimates of the cost of highway bridges and culverts required for the information of the viewers in determining benefits and damages.

(d) A tabular statement showing the number of cubic yards of tile on each tile line with the average depth thereof, and all bridges, culverts, works and other construction items required by the plans for the completion of the system, together with the estimated unit cost of each of said items and a summary of the total cost thereof. Such summary shall include an estimate of the cost of fully completing the system, including supervision and other costs thereof.

(e) The acreage which will be required and taken as right of way upon each government lot and 40-acre tract or fraction thereof under separate ownership required for right of way for any open ditch.

(f) Specifications for drain tile shall require that all drain tile used shall comply with the requirements of the American Society for Testing Materials standard specifications for drain tile, except where the depths to which the drains are to be laid or the conditions of the soil, in the opinion of the engineer, require tile of a special and higher quality.

(g) When more economical construction will result, the engineer may recommend that the work be divided into sections and let separately, and that open and tile work or tile and labor thereon be let separately, and the time and manner so far as practicable in which the whole work or any section thereof shall be done.

(h) Such other detail and information as shall appear requisite to fully inform the board or court of the practicability and necessity of the proposed improvements shall be made available including a comprehensive examination of all (REQUIREMENTS) *the criteria* of section 106.021, *subdivision 6*, together with his recommendations thereon.

The commissioner shall examine the same and within 30 days make his *advisory* report thereon to the board or court. If he finds the report incomplete and not in accordance with the provisions of this chapter, he shall so report *specifying the incomplete or nonconforming provisions of the engineer's report*. If he approves the same as being an acceptable plan for the drainage of the lands affected, he shall so state. If he does not approve the plan, he shall file his recommendations for changes deemed advisable (, OR,). If in his opinion, the proposed system or improvement is not of public benefit or utility based upon the (REQUIREMENTS OR) criteria required to be considered by section 106.021, *subdivision 6*, he shall (SO) report *specifically what facts or evidence support his advisory opinion*. If a soil survey appears advisable, he shall so advise, and in such event the engineer shall make the soil survey and report thereon before the final hearing. The commissioner's report shall be directed to the board or court and shall be filed with the auditor or clerk.

No notice shall issue for the final hearing until the commissioner's report shall be filed.

Sec. 26. Minnesota Statutes 1974, Section 106.201, Subdivision 1, is amended to read:

106.201 [ORDER ESTABLISHING.] Subdivision 1. [DISMISSAL.] If it shall appear that the benefits are not more than the total cost, including damages awarded, or that the proposed system will not be of public benefit and utility, or (THAT THE SAME IS) not practicable (, OR THAT THE SYSTEM DOES NOT COMPLY WITH REQUIREMENTS) *based upon the criteria of section 106.021, subdivision 6*, the board or court shall so find and the petition shall be dismissed.

Sec. 27. Minnesota Statutes 1974, Section 106.201, Subdivision 2, is amended to read:

Subd. 2. [ESTABLISHMENT.] If the board or court shall find that the engineer's and viewers' reports have been made and all other proceedings in the matter had in accordance with law, that the estimated benefits are greater than the total estimated cost, including damages, that the damages and benefits have been duly determined, that the proposed drainage system will be of public utility and benefit, and will promote the public health, that the proposed system is practicable, and that such reports as made or amended are complete, just and correct, (AND COMPLY WITH REQUIREMENTS OF SECTION 106.021,) then the board or court shall by order containing such findings, establish the drainage improvement as reported or amended, and adopt and confirm the viewers' report as made or amended.

Sec. 28. [APPROPRIATION.] *The sum of \$840,000, is appropriated from the general fund for the biennium ending June 30, 1977, to the commissioner of natural resources for the purposes of this act. "Section 1. [LEGISLATIVE POLICY AND INTENT.] It is the policy of the Legislature and the Legislative Retirement Study Commission to insure solvency, uniformity and equity, in the public pension plans of Minnesota for the protection and the good of the members and taxpayers of Minnesota. This legislature finds, as did the Legislature in 1967 and 1969, that a pension plan providing escalated benefits which are increased after retirement by the same percentage and at the same time as salary increases of their former position, are not consistent with sound pension policy.

The Legislature finds that to maintain the solvency of such escalated plans would place an undue financial burden on the state, and is thus not in the best interests of the taxpayers unless the members themselves pay for all or substantial portion of the cost of the escalation. The legislature also finds that escalation if permitted in only one of the major public pension plans of Minnesota would violate the principles of uniformity and equity and would lead to demands for equivalent benefits for other public employees.

By means of this act the Legislature reaffirms the actions of 1967 and 1969 Legislatures and expresses its intent to insure consistent sound pension policy in Minnesota by terminating the escalation feature interpreted by court decision to exist within the judicial retirement plan.

By this act the legislature reluctantly accepts escalation of the retirement benefits to date and will finance the retirement benefits of the affected judges and the surviving spouses provided that such judges and beneficiaries waive any future claim to the right of escalation."

Sherwood moved that the rules of the House be so far suspended that S. F. No. 1308 be given its third reading and be placed upon its final passage. The motion prevailed.

Sherwood moved to amend S. F. No. 1308, as follows:

Strike everything after the enacting clause and insert:

"Section 1. [LEGISLATIVE FINDINGS.] *Minnesota is blessed with an abundance of water, including more than 15,000*

lakes and 25,000 miles of rivers and streams. This abundance of water creates an abundance of regulatory problems for all levels of government and for private individuals, associations, and corporations. The commissioner of natural resources, who has jurisdiction over public waters pursuant to Minnesota Statutes, Chapter 105, and related laws, has not, by reason of limitations of personnel and appropriations, inventoried, classified, and designated by rule and regulation all of the waters of this state as to their status under the laws defining public waters. The legislature finds that increasing demands upon, and controversies relating to, the waters of this state in matters such as changes in course, current, or cross section, dams, drainage, flood plain management, and shoreland management, have created a situation which requires an early inventory of the waters of the state for the purpose of accelerating the classification of those waters of the state which should be designated public waters. The purpose of this act is to expedite that process.

Sec. 2. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.391] [PUBLIC WATERS INVENTORY AND CLASSIFICATION.] Subdivision 1. On the basis of all information available to him, the commissioner shall inventory the water basins of each county and make a preliminary designation as to which of those waters constitute public waters. The commissioner shall send his preliminary designation for each county to the county board of that county for its review and comment.

Subd. 2. Within 90 days after a county board has received the commissioner's preliminary designation, it shall notify the commissioner of any disagreement with that designation. The commissioner may extend the time within which a county may notify him of a disagreement.

Subd. 3. If there is no disagreement between the commissioner and a county concerning the preliminary designation of public waters in that county, the commissioner by rule pursuant to Minnesota Statutes, Chapter 15, shall designate as public waters those waters listed in the preliminary designation. In the same rule making procedure the commissioner may also designate as public waters any watercourses which have been determined to be public and classified as to the level of regulation in accordance with the procedures of the commissioner's interim rules and regulations. The designation of watercourses as public waters pursuant to this subdivision shall remain in effect until changed by rule of the commissioner following the inventory, designation, and classification of watercourses prescribed by this section. A hearing pursuant to Minnesota Statutes, Chapter 15, on proper designation of a body of water shall be held in the county in which the waters to be designated are located. Except as provided below, no water basin designated public water may be drained, and no permit authorizing drainage of a water basin

containing public water may be issued, unless the public water being drained is replaced by a body of water which will have equal or greater public value. However, after a state-water bank program has been established, public waters which are eligible for inclusion in that program may be drained if, upon receiving an application for a permit to drain such water, the commissioner elects neither to place the water basin in the state water bank program nor to acquire it under a wetland acquisition program.

Subd. 4. If there is a disagreement between the commissioner and a county concerning a preliminary designation of water basins as public waters in that county, the commissioner shall attempt to resolve the disagreement with the county within 60 days after receiving notice of disagreement from the county. During the 60 day period the commissioner may proceed, in the manner provided by subdivision 3, to make a final designation for those water basins which are not the subject of disagreement between the commissioner and the county.

Subd. 5. If after 60 days from the date of receiving notice of disagreement by a county, there remains matters upon which the commissioner and the county disagree, the commissioner shall order a public hearing to be held in the county pursuant to the rule making provisions of Minnesota Statutes, Chapter 15. A hearings unit composed of two persons appointed by the commissioner, one person appointed by the affected county board and one person appointed by the area soil and water conservation district shall select a fifth member within 45 days of the public hearing order. If the fifth member of the hearings unit cannot be agreed upon by the four appointees within the 45 day period, then the state soil and water conservation commission shall select such member within 30 days. The hearings unit shall conduct the public hearing within the affected county, and such unit may designate a hearings officer. In the event there is a watershed district whose boundaries include the waters involved, the district shall provide the hearings unit with its recommendations. Upon completion of the hearing, the hearings unit shall issue its findings of fact, conclusions and an order, which shall be considered the decision of an agency in a contested case for purposes of judicial review pursuant to chapter 15. The order of the hearings unit after the appeal period has expired, or the final order of the court in the case of an appeal, shall be binding and the commissioner shall then promulgate by rule a list of those waters which are determined to be public waters. In the event the county appeals an order of the hearings unit, the commissioner shall be obligated to pay 50 percent of the appeal costs and disbursements of the county. In the event the commissioner appeals an order of the hearings unit, the commissioner shall be obligated to pay the costs and disbursements incurred by the county in defense of the appeal.

Subd. 6. From money appropriated to him for the following purposes, the commissioner shall grant aid to counties to facili-

tate an inventory of all watercourses for the purpose of designating which of the watercourses in the county are watercourses constituting public waters and for the purpose of recommending a management classification for each watercourse. The commissioner shall consider the size of a county and the number of watercourses within the county when making a grant. Within a reasonable time following the grant of aid for a watercourse inventory, as specified by the commissioner, the county shall report to the commissioner on its watercourse inventory, its recommendations as to which watercourses in the county should be designated as public waters, and its recommended management classifications. Within 90 days after receiving a county's report, the commissioner shall notify the county of any disagreement with the county's report. If there is no disagreement concerning a particular watercourse the commissioner shall by rule pursuant to Minnesota Statutes, Chapter 15, designate that watercourse as public waters and shall specify its proper management classification. The commissioner shall attempt to resolve any disagreement between the commissioner and a county within 60 days after notifying the county of his disagreement. During the 60 day period the commissioner may proceed, in the manner provided by subdivision 3, to make a final designation for those watercourses which are not the subject of disagreement between the commissioner and the county. If, after 60 days from the date the county receives notice of the commissioner's disagreement, there remain matters upon which the commissioner and a county disagree, the commissioner, in accordance with subdivision 5, shall present the disagreement to a hearings unit as stipulated therein who shall conduct a public hearing which upon completion shall further comply with the provisions of subdivision 5 relating to judicial review, final order and appeal costs.

Subd. 7. Waters of this state are public waters for the purposes of this section if they have been determined to be public waters or navigable waters by the district court or, if appealed, by the supreme court of this state or by the United States supreme court.

Subd. 8. Notwithstanding any other law to the contrary the procedures, rules and guidelines set forth in the order of the commissioner of natural resources dated prior to the effective date of this act and filed with the secretary of state before the effective date of this act and given a document number by the secretary of state, shall be valid and enforceable emergency rules and regulations of the commissioner of natural resources for the purposes of Minnesota Statutes, Sections 15.0411 to 15.0422, with respect to public waters during the period between the effective date of this act and the designation of those waters as public water pursuant to this section, without further act or deed of the commissioner.

Sec. 3. [APPROPRIATION.] The sum of \$1,160,000 is appropriated from the general fund to the commissioner of natural resources for the purpose of sections 2 and 4 of this act. Of this

amount, \$400,000 is appropriated for grants to counties for watercourse inventories and \$200,000 is appropriated for the water bank program pursuant to section 4. Notwithstanding the provisions of section 16A.28 or any other law relating to the lapse of an appropriation, the appropriation made by this section shall not lapse but shall continue until fully expended.

Sec. 4. Minnesota Statutes 1974, Chapter 105, is amended by adding a section to read:

[105.392] [WATER BANK PROGRAM.] Subdivision 1. The legislature finds that it is in the public interest to preserve the wetlands of the state and thereby to conserve surface waters, to preserve wildlife habitat, to reduce runoff, to provide for flood-water retention, to reduce stream sedimentation, to contribute to improved subsurface moisture, to enhance the natural beauty of the landscape, and to promote comprehensive and total water management planning. Therefore, the commissioner of natural resources is authorized and directed to prepare proposed rules, procedures, and payment rates designed to effectuate the terms of this section, for submission to the legislature by January 15, 1976. This program is intended to supplement and complement the federal water bank program and the payment rates established shall be equal to the federal rates existing at the time any agreements are entered into.

Subd. 2. The commissioner shall have authority to enter into agreements with landowners and operators for the conservation of wetlands. These agreements shall be entered into for a period of ten years, with provision for renewal for additional ten year periods. The commissioner may re-examine the payment rates at the beginning of any such ten year renewal period in the light of the then current land and crop values and make needed adjustments in rates for any such renewal period. For purposes of this section, except as provided below, wetlands shall mean wetlands types one through four, as described in Circular 39, Wetlands of the United States, published by the United States Department of the Interior, when the commissioner determines that it is lawful and feasible and practical to drain such wetlands, and that drainage would provide high quality cropland which in fact would be used for such purpose. However, as to those water basins which have been declared to be public waters under the provisions of section 2 of this act, only those which are wetlands types three and four and less than 50 acres in area which were declared public waters because of their beneficial public value as wildlife habitat, shall be considered for inclusion in the water bank program.

Subd. 3. In the agreement between the commissioner and an owner or operator, the owner or operator shall agree:

(1) to place in the program for the period of the agreement eligible wetland areas he designates, which areas may include wetlands covered by a federal or state government easement

which permits agricultural use, together with such adjacent areas as determined desirable by the commissioner;

(2) not to drain, burn, fill, or otherwise destroy the wetland character of such areas, nor to use such areas for agricultural purposes, as determined by the commissioner;

(3) to effectuate the wetland conservation and development plan for his land in accordance with the terms of the agreement, unless any requirement thereof is waived or modified by the commissioner;

May 16, 1975

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Alec G. Olson
President of the Senate

We, the undersigned conferees for H. F. No. 235 report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and that H. F. No. 235 be amended as follows:

Strike everything after the enacting clause and insert the following:

"Section 1. Notwithstanding Laws 1974, Chapter 521, Section 33, districts qualifying for increased foundation aid calculated pursuant to the provisions of Laws 1974, Chapter 521, Section 18, shall be eligible to receive such foundation aid for the 1973-74 school year, and only pupil units in section 124.17, clauses (1) and (2) shall be used in computing adjusted maintenance cost per pupil unit for the 1973-1974 school year.

Sec. 2. Notwithstanding section 124.17, subdivision 2, pupils enrolled in the Minnesota National Guard junior enlistment program shall be construed to be in attendance for purposes of computing average daily membership during any period of the regular school year, but not to include summer school, during which the pupil is attending military active duty training pursuant to that program. During that period of military active duty training, the pupil shall earn all aid for the district of residence or attendance which would be otherwise earned by his presence. This section shall expire October 15, 1975.

Sec. 3. The commissioner of education shall gather and report to the committees on education of the senate and house of representatives from presently available reports or from new reports it may require of school districts, the following types of information: the number of classroom teachers in every district at each training, experience and salary level; the ratio of pupils to full time equivalent certified classroom teachers in every district; and any other district staffing characteristics of fiscal import. This information shall be gathered in such a manner as to

render it capable of district by district, regional and statewide comparison and analysis.

Sec. 4. [STATE AID FOR EXTRAORDINARY TAX DELINQUENCY.] *Subdivision 1. For any calendar year in which:*

(1) a school district's tax delinquency, which for purposes of this section shall equal the difference between

(a) the amount the school district receives in real property tax proceeds of any kind, including interest, penalties and collections of delinquencies from previous years, resulting from levies certified pursuant to section 275.125, subdivision 2a, clause (1) or (2), and its predecessor and successor general school purpose levy authorization statutes; and

(b) the amount certified in October of the preceding calendar year pursuant to section 275.125, subdivision 2a, clause (1) or (2),

is greater than two and one half percent of the sum of the amounts authorized for the school district by Minnesota Statutes 1974, Section 275.125, Subdivision 2a, Clause (1) or (2), and section 28 of this act for the 1975-1976 school year, and the successor statutory provisions for succeeding school years;

(2) these receipts are less than this certified levy; and

(3) the maximum permissible amounts were certified in October of the preceding year pursuant to section 275.125, subdivision 2a, clause (1) or (2), and Minnesota Statutes 1974, Section 275.125, Subdivision 3, Clause (5), or its successor excess levy authorization statute; the school district may apply to the commissioner of education within 30 days after the end of the calendar year and the commissioner shall pay aid to the school district by the following February 28, in the amount by which the tax delinquency exceeds the two and one half percent figure.

For purposes of the calculation of a district's tax delinquency in clause (1), if the assessed valuation of the school district was reduced after the taxes were spread by the county auditor in October of the preceding calendar year, the amount certified in October of the preceding calendar year shall be reduced by any difference between the amount certified and the amount of taxes collected upon such reduced valuation, for which the district is authorized to make an additional levy pursuant to section 275.48. If a district's adjusted assessed valuation is under contest and it is receiving foundation aid computed on the basis of the uncontested portion of its valuation, taxes levied against the contested portion of its valuation shall not be included in the amount certified in October of the preceding calendar year for purposes of the calculation of the tax delinquency in clause (1).

Subd. 2. If the school district has received aid pursuant to subdivision 1 and in any subsequent calendar year its tax delinquency is less than two and one half percent of the sum described in subdivision 1, clause (1), the foundation aid for the school district shall be reduced in the fiscal year which begins in that calendar year by the difference between such delinquency and two and one half percent of such sum or the amount of state aid previously paid pursuant to subdivision 1 and still outstanding, whichever is lesser. Any reduction in state aid shall be applied to the state aid paid earliest in time pursuant to subdivision 1 and shall be made as equally as possible in the four aid installments commencing in February.

Subd. 3. Any aid so paid shall constitute an advance to the district without interest and in the fiscal year six years after the fiscal year in which state aid has been paid to the school district pursuant to subdivision 1, foundation aid for the school district shall be reduced by the amount of such state aid paid six years previous, to the extent the aid payment has not been offset by any prepayment made by the school district.

Subd. 4. The application, aid payments, and repayments made pursuant to this section shall be based upon the best information available, subject to correction by the department of education in the next succeeding year. The provisions of subdivision 1 shall expire June 30, 1981, but shall be effective with respect to real property taxes received in calendar year 1975 and thereafter.

Sec. 5. Minnesota Statutes 1974, Section 3.924, is amended by adding a subdivision to read:

Subd. 2. [COMPENSATION.] Members of the council on quality education shall be compensated at the rate of \$35 per day spent at council meetings or other meetings authorized by the council, plus expenses in the same manner and amount as received by state employees.

Sec. 6. Minnesota Statutes 1974, Section 3.9271, Subdivision 1, is amended to read:

3.9271 [EARLY CHILDHOOD IDENTIFICATION AND EDUCATION PROGRAMS.] Subdivision 1. For the (1974-75) 1975-76 and 1976-1977 school (YEAR) years, the council on quality education shall make grants to no fewer than (SIX) ten pilot early childhood identification and education programs. Early childhood identification and education programs are programs for children before kindergarten and below age six which may include the following: identification of potential barriers to learning, education of parents on child development, libraries of educational materials, family services, education for parenthood programs in secondary schools, in-center activity, home-based programs, and referral services.

Notwithstanding section 3.926, subdivision 2, every early childhood identification and education program proposal shall be submitted to the council on quality education not less than six weeks before the planned commencement of the program. These programs or grants shall be as equally distributed as possible among districts in cities of the first class, in suburbs, and outside the seven county metropolitan area. Each pilot program shall serve one elementary school attendance area in the local school district.

The council on quality education shall prescribe the form and manner of application and shall determine the participating pilot programs. In the determination of pilot programs, programs shall be given preference for their ability to coordinate their services with existing programs and other governmental agencies. The council on quality education shall report on the programs annually to the committees on education of the senate and house of representatives.

Sec. 7. Minnesota Statutes 1974, Section 120.03, Subdivision 3, is amended to read:

Subd. 3. Every child who by reason of an emotional disturbance, or a learning disability, or a special behavior problem needs special instruction and services, but who is educable, as determined by the standards of the state board is a handicapped child.

Sec. 8. Minnesota Statutes 1974, Section 120.17, Subdivision 1, is amended to read:

No levy under this section shall

exceed 10 mills on each dollar of assessed valuation of the taxable property in the district as adjusted for the preceding year by the equalization aid review committee notwithstanding the provisions of sections 272.64 and 275.49, provided that said levy may not exceed by more than two mills (three mills if the district adds units pursuant to section 124.17, subdivision 1, clause (7)) the levy under this section in the previous year and provided further that any district which did not levy pursuant to this section in 1972 may certify a maximum levy of six mills not to exceed \$65 per pupil unit in 1974. The tax so levied shall be collected in the manner provided by law for the collection of school taxes. The proceeds of the tax may be used only to acquire land, improve and repair school sites (AND) , to equip, re-equip, repair and improve buildings and permanent attached fixtures , *and to pay leasing fees for computers and computer services.* Subject to the commissioner's approval, the tax proceeds may also be used to rent or lease buildings for school purposes and to acquire or construct buildings. 124.11 [DATES OF AID PAYMENTS.] Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program, ten percent of the estimated *elementary and secondary* foundation aids shall be paid to districts in each of the months from September through May based upon information available and the final distribution shall be made in the following August. *Estimated post-secondary vocational foundation aid shall be paid to districts in 12 equal monthly payments beginning July 15, 1976. The estimated post-secondary vocational foundation aid shall be paid on the basis of the prior year's average daily membership except that the average daily membership and the payments based thereon may be adjusted in September, December, March and June to reflect any increases or decreases in enrollment. The September payment in each fiscal year shall be increased or decreased to reflect any deficit or excess in post-secondary vocational foundation aid received in the prior fiscal year.* If any school district is unable to borrow necessary funds for the operation of its facilities during any fiscal year, due to legal borrowing restrictions or the lack of reasonable credit facilities, the commissioner of finance and state treasurer may, upon certification of such conditions by the commissioner of administration, advance such education aids as may be required to such district, with the condition that such aids be discounted by an amount equal to six percent or the current yield on U.S. treasury bills on the date of such payment to a maturity approximating the date on which aids are to be paid, whichever rate is higher, pursuant to the terms of this section. The amount

of such discount shall be determined by the commissioner of finance, with the six percent discount or the "bid" price quoted on treasury bills of an appropriate maturity calculated after consultation with the staff of the state board of investment.

Estimated *elementary and secondary* foundation aids shall be paid out on the basis of the prior year's pupil unit enrollment unless the October 1 enrollment is larger, in which case the October enrollment shall be used. Adjustment for final *elementary and secondary* final pupil unit figures shall be made in the August payment of aids.

Sec. 20. Minnesota Statutes 1974, Section 124.14, Subdivision 1, is amended to read:

124.14 [DISTRIBUTION OF SCHOOL AIDS; APPROPRIATION.] Subdivision 1. The state board shall supervise distribution of the school aids in accordance with law. It may make rules and regulations consistent with law for such distribution which will enable districts to perform efficiently the services required by law and further education in the state, including reasonable requirements for such reports and accounts to it as will assure accurate and lawful apportionment of aids. *It shall require that the pupil unit count of a minimum of 25 school districts be audited each fiscal year. The audits shall be conducted at random throughout the state with no prior notice to any district. Disparities between pupil unit counts reported by the school districts and those found by the auditors shall be reported to the commissioner who shall order an increase or reduction of foundation aids accordingly. A reduction of foundation aid under this section may be appealed to the state board of education and its decision shall be final.* Public schools shall at all times be open to the inspection of the state board, and the accounts and records of any district are open to inspection by the state auditor, or the state board.

Sec. 21. Minnesota Statutes 1974, Section 124.17, Subdivision 1, is amended to read:

124.17 [DEFINITION OF PUPIL UNITS.] Subdivision 1. Pupil units for each resident pupil in average daily membership shall be counted as follows:

(1) In an elementary school, for kindergarten and for handicapped pre-kindergarten pupils as defined in section 120.03, and enrolled in one-half day sessions throughout the school year or the equivalent thereof, approved by the commissioner of education, one-half pupil unit and other elementary pupils, one pupil unit.

(2) In secondary schools, (PUPILS IN JUNIOR HIGH SCHOOL OR A SIX-YEAR SCHOOL AND ALL OTHER PUPILS IN SECONDARY SCHOOLS,) one and four-tenths

pupil units. Pupils enrolled in the seventh and eighth grades of (A MIDDLE) *any* school shall be counted as secondary pupils.

(3) In area vocational-technical schools one and one-half pupil units. *This clause shall expire June 30, 1976.*

(4) To meet the problems of educational overburden caused by broken homes, poverty and low income, each pupil in clauses (1) and (2) from families receiving aid to families with dependent children or its successor program shall be counted as an additional five-tenths pupil unit. *By May 1 of each year* the department of public welfare is directed to furnish to the department of education, and to each school district to the extent the information pertains to it, that information concerning children from families with dependent children which is necessary to calculate pupil units. Additional aids to a district for such pupils may be distributed on a delayed basis until the department of education publicly certifies that the information needed for paying such aids is available on such a timely basis that such aids may be paid concurrently with other foundation aids.

(5) In every district where the number of pupils from families receiving aid to families with dependent children or its successor program exceeds (NINE) *five* percent of the total actual pupil units in the district for the same year, as computed in clauses (1) and (2), each such pupil shall be counted as an additional $(35/100)$ *one-tenth* of a pupil unit (*; FOR THOSE DISTRICTS WHERE THE NUMBER OF SUCH PUPILS IS MORE THAN EIGHT PERCENT BUT NOT MORE THAN NINE PERCENT OF THE TOTAL PUPIL UNITS IN THE DISTRICT FOR THE SAME YEAR, AS COMPUTED IN CLAUSES (1) AND (2), EACH SUCH PUPIL SHALL BE COUNTED AS AN ADDITIONAL TWO-TENTHS OF A PUPIL UNIT AND FOR THOSE DISTRICTS WHERE THE NUMBER OF SUCH PUPILS IS AT LEAST FIVE PERCENT BUT NOT MORE THAN EIGHT PERCENT OF THE TOTAL PUPIL UNITS IN THE DISTRICT FOR THE SAME YEAR, AS COMPUTED IN CLAUSES (1) AND (2), EACH SUCH PUPIL SHALL BE COUNTED AS AN ADDITIONAL ONE-TENTH OF A PUPIL UNIT*) *for each percent of concentration over five percent of such pupils in the district. The percent of concentration shall be rounded down to the nearest whole percent for purposes of this clause, provided that in districts where the percent of concentration is less than six, no additional pupil units shall be counted under this clause for pupils from families receiving aid to dependent children or its successor program and provided further that no such pupil shall be counted as more than one and one-tenth additional pupil units pursuant to clauses (4) and (5). Such (WEIGHING) weighting shall be in addition to the (WEIGHING) weighting provided in clauses (1), (2), (3), and (4) of this section. School districts are encouraged to allocate a major portion of the aids that they receive on account of clauses (4) and (5) to primary grade programs and services,*

particularly to programs and services that involve participation of parents. *Each district receiving aids on account of both clauses (4) and (5) shall establish and maintain accounts separate from all other district accounts for the receipt and disbursement of all such aids received.*

(6) Where the total pupil units of a district are used as a multiplier in determining foundation aids and spending and levy limitations and where the actual number of pupil units has decreased from the prior year, the number of pupil units (FOR SUCH DISTRICT) shall equal the average of actual pupil units for the prior and current years in a district with boundaries coterminous with the boundaries of a city of the first class and shall be increased by .6 times the difference between the actual pupil units for the two years in any other district.

(7) (WHERE THE ACTUAL NUMBER OF PUPIL UNITS HAS INCREASED FROM THE PRIOR YEAR BY MORE THAN THREE PERCENT, A NUMBER OF PUPIL UNITS EQUAL TO ONE-FOURTH OF THE DIFFERENCE BETWEEN THE UNITS AS COMPUTED IN CLAUSES (1) AND (2) FOR THE TWO YEARS SHALL BE ADDED TO THE OTHER UNITS FOR THE DISTRICT) *In districts maintaining classified secondary schools where the actual number of pupil units has increased from the prior year by two percent or more, the additional pupil units over the prior year, as computed in clauses (1) and (2), shall be multiplied times one-tenth for each percent of increase over the prior year and a number of pupil units equal to the product shall be added to the other units for the district. The percent of increase shall be rounded up to the next whole percent for purposes of this clause, provided that in districts where the percent of increase is less than two, no additional pupil units shall be added to the other units for the district and provided further that the number of pupil units of increase over the prior year shall under no circumstances be multiplied by more than five-tenths.*

(8) Only pupil units in clauses (1) and (2) shall be used in computing adjusted maintenance cost per pupil unit.

Sec. 22. Minnesota Statutes 1974, Section 124.17, Subdivision 2, is amended to read:

Subd. 2. Membership for pupils in grades kindergarten through twelve (, FOR PUPILS IN AREA VOCATIONAL-TECHNICAL SCHOOLS) and for handicapped prekindergarten pupils shall mean the number of pupils on the current roll of the school, counted from the date of entry until withdrawal. The date of withdrawal shall mean the day the pupil permanently leaves the school or the date it is officially known that the pupil has left or has been legally excused; provided that any pupil, regardless of age, who has been absent from school without a legally justifiable excuse for 15 consecutive school days shall be dropped from the

roll and classified as withdrawn. Nothing in Extra Session Laws 1971, Chapter 31, shall be construed as waiving the compulsory attendance provisions cited in section 120.10. Average daily membership shall equal the sum for all pupils of the number of days of the school year each pupil is enrolled in the district's schools divided by the number of days said schools are in session. For districts operating 12 months schools, days schools are in session shall mean the number of session days required by section 124.19, subdivision 1. The average daily membership of a pupil enrolled on a shared time basis shall equal the ratio of the total minutes for which such pupil is enrolled and the minimum minutes required during the year for a regularly enrolled public school pupil. (FOUNDATION AID FOR EACH PUPIL IN SUCH SHARED TIME CLASSES SHALL BE PAID AT A RATE PROPORTIONATE TO AID PAID FOR OTHER RESIDENT PUPILS OF THE DISTRICT PROVIDING INSTRUCTION.) *Foundation aid for shared time pupils shall equal the amount which would accrue if shared time pupil units, counted pursuant to this section, were added to the district's total pupil units used in determining its foundation aid.* A district shall not be entitled to transportation aid under section 124.22 for pupils enrolled on a shared time basis unless the statutes specifically provide for transportation aid to such student. *This section of this act shall be effective July 1, 1975 as applied to shared time foundation aid and July 1, 1976 as applied to pupils in area vocational-technical schools.*

Sec. 23. Minnesota Statutes 1974, Section 124.18, Subdivision 2, is amended to read:

Subd. 2. [TUITION.] Every district which provides instruction in other districts and which receives foundation program aid (, AND THE COUNTY WHICH PAYS TUITION AID) shall pay to the district furnishing *this* elementary and secondary (OR AREA VOCATIONAL-TECHNICAL) school instruction (ON ACCOUNT OF SUCH INSTRUCTION,) the actual cost thereof chargeable to maintenance exclusive of transportation costs (OR THE LEGAL MAXIMUM PRESCRIBED IN SECTION 124.211, SUBDIVISION 2, CLAUSE (1)).

There shall also be paid for capital outlay and debt service to the district providing such instruction \$10 per pupil unit in average daily (ATTENDANCE) *membership* for each non-resident pupil unit, except that every district educating non-resident pupils may charge and include in its tuition, for capital outlay and debt service, an amount per pupil unit in average daily (ATTENDANCE) *membership* based on the amount that the average expenditure for capital outlay and debt service determined by dividing such annual expenditure by the total number of pupil units in average daily (ATTENDANCE) *membership* in the district exceeds \$10 per pupil unit. If the district has no capital outlay or debt service the district receiving such funds may use them for any purpose for which it is authorized to spend money. Provided further that(,) if a district (IN-

VESTS CAPITAL MONEYS TO REMODEL EXISTING FACILITIES OR TO BUILD NEW FACILITIES FOR THE PRIMARY PURPOSE OF PROVIDING) *provides* instruction for *nonresident* handicapped and trainable children; *tuition shall be* as specified in Minnesota Statutes (1961, SECTIONS) *Section 120.17 (AND 120.18), Subdivision 4* (SUCH DISTRICT MAY CHARGE AND INCLUDE IN ITS TUITION FOR CAPITAL OUTLAY AND DEBT SERVICE AN AMOUNT PER PUPIL UNIT IN AVERAGE DAILY ATTENDANCE DETERMINED BY DIVIDING SUCH EXPENDITURE OVER A PERIOD OF YEARS MUTUALLY AGREEABLE TO THE DISTRICTS CONCERNED, AND BY DIVIDING EACH ANNUAL AMOUNT SO DETERMINED BY THE TOTAL NUMBER OF PUPIL UNITS IN AVERAGE DAILY ATTENDANCE ENROLLED IN THIS AREA OF HANDICAP INSTRUCTION IN THE DISTRICT).

The provision in this section for payment of aid for summer classes at a proportionate rate to foundation aid for the preceding school year shall apply to summer classes in 1973 and subsequent years.*

(IN ADDITION TO THE FOREGOING, THE DISTRICT SHALL LEVY IN EACH YEAR, COMMENCING IN THE YEAR A DEBT SERVICE LOAN IS GRANTED AND CONTINUING UNTIL THE ENTIRE LOAN IS PAID, A SUM SUFFICIENT TO PRODUCE FULL PAYMENT OF THE INTEREST PAYABLE IN THE ENSUING YEAR ON ITS DEBT SERVICE NOTE, AND THE PROCEEDS OF SUCH LEVY SHALL IN EACH YEAR BE REMITTED TO THE COMMISSIONER FOR PAYMNT OF SUCH INTEREST.) On or before November 1 in each year the commissioner shall notify the county auditor of each county containing taxable property situated within the school district of the amount of the maximum effort debt service levy of the district for that year, (AND THE ADDITIONAL AMOUNT NECESSARY TO BE LEVIED TO PRODUCE A SUM FIVE PERCENT IN EXCESS OF THE TOTAL AMOUNT OF INTEREST TO BECOME DUE IN THE ENSUING YEAR ON ALL DEBT SERVICE NOTES AND CAPITAL LOANS OF THE DISTRICT,) and said county auditor or auditors shall extend upon the tax rolls an ad valorem tax upon all taxable property within the district in the aggregate amount so certified. (IF ANY INTEREST IS NOT PAID WHEN DUE, THE COMMISSIONER SHALL ADD THE AMOUNT THEREOF TO THE AMOUNT OF INTEREST SO CERTIFIED IN THE FOLLOWING YEAR, WITH ONE YEAR'S INTEREST ON SUCH AMOUNT AT THE RATE BORNE BY THE LOAN.)

Sec. 58. Minnesota Statutes 1974, Section 124.43, Subdivision 1, is amended to read:

124.43. [CAPITAL LOANS.] Subdivision 1. To the extent moneys are from time to time available hereunder, the committee is authorized, *after review and recommendation by the state board of education*, to effect capital loans to school districts. Proceeds of such loans shall be used only for sites for school (HOUSES) *buildings* and for acquiring, bettering, furnishing, or equipping school (HOUSES) *buildings* under contracts to be entered into within 12 months from and after the date on which

each loan is granted. Applications with the accompanying data specified in subdivision 2 shall be filed between October 1 of any year and June 1 next following. *No application shall be approved unless the state board of education certifies that the loan is needed to replace facilities dangerous to the health and safety of pupils, or to provide for pupils for whom no adequate facilities exist; that such facilities could not be made available by consolidating the district with an adjacent district without substantially lowering the fiscal capacity of that district or so increasing its area that it would no longer be viable; and that existing institutions or facilities within the area could not be acquired or leased to provide the needed facilities safely and at a lower cost. The state board shall make recommendations to the committee.* No loan shall be approved for any district exceeding an amount computed as follows:

- (1) The amount voted by the district under subdivision 2;
- (2) Plus the aggregate principal amount of general obligation bonds of the district outstanding on the date of approval, not exceeding the limitation on net debt of the district in section 475.53, subdivision 4;
- (3) Less the maximum net debt permissible for the district on the date of approval, under the limitation in section 475.53, subdivision 4; and
- (4) Less any amount by which the amount voted exceeds the total cost of the facilities for which the loan is granted, as estimated in accordance with subdivision 4, provided that the loan may be approved in an amount computed as provided in clauses (1) to (3), subject to subsequent reduction in accordance with this clause (4).

Sec. 59. Minnesota Statutes 1974, Section 124.43, Subdivision 2, is amended to read:

Subd. 2. The school board of any district desiring a loan shall adopt a resolution stating the amount proposed to be borrowed, the purpose for which the debt is to be incurred, and an estimate of the dates when the facilities for which the loan is requested will be contracted for and completed. The question of authorizing the borrowing shall then be submitted to the voters of the district at a regular or special election. The question submitted shall state the entire amount to be borrowed and that application will be made for a loan from the maximum effort school loan fund of such amount as may be available and allowable to the district and the remainder will be borrowed on bonds sold at a public sale within the limitations prescribed by law. A majority of those voting on the question shall be sufficient to authorize the district to effect the state loan and also to issue the bonds on public sale in accordance with chapter 475. Applications for loans shall be accompanied by (a) a copy of such resolution, (b) a certificate

by the clerk showing the vote at the election, (c) a certificate by the clerk and treasurer showing the then outstanding indebtedness of the district, and (d) a certificate by the county auditor of each county in which a portion of the district lies showing the information in his official records which is required to be used in computing the debt limit of the district under section 475.53, subdivision 4. The clerk's and treasurer's certificate shall show, as to each outstanding bond issue, the amount originally issued, the purpose for which issued, the date of issue, the amount remaining unpaid as of the date of resolution, and the interest rates and due dates and amounts of principal thereon. Applications shall be in such form and accompanied by such additional data as the committee and state board of education shall prescribe, which may include a statement from the state department of education as to the district's need of the proposed schoolhouses in comparison with needs of other districts. When an application is received, the committee shall obtain from the commissioner of revenue, and from the public service commission when required, the information in their official records which is required to be used in computing the debt limit of the district under section 475.53, subdivision 4.

Sec. 60. Minnesota Statutes 1974, Section 124.43, Subdivision 3, is amended to read:

Subd. 3. The committee shall examine and consider all applications for capital loans *which have been recommended by the state board of education*, and if any applicant district is found not qualified it shall be promptly notified thereof. On January 1 and July 1 of each year, the committee shall make its determination on all pending applications which have been on file with it more than one month. If an applicant is qualified in the opinion of the committee and the aggregate of the amounts applied for does not exceed the amount available or which can be made available in the capital loan account, all loans so applied for shall be granted, subject to acceptance by the respective districts as specified below. If the aggregate exceeds the amount which is or can be made available, the committee shall allot the available amount among the qualified applicant districts, or any of them, according to the committee's judgment and discretion based upon their respective needs. The committee shall promptly certify to each qualified applicant district the amount, if any, of the capital loan granted to it, subject to adjustment under subdivision 1, clause (4).

Sec. 61. Minnesota Statutes 1974, Section 124.43, Subdivision 4, is amended to read:

Subd. 4. Each capital loan shall be (FOR A TERM OF 30 YEARS AND) evidenced by a contract between the school district and the state acting through the committee. It shall obligate the state to pay to the district, out of the maximum effort school loan fund, an amount computed as provided in subdivision 1,

upon receipt by the committee of a certified resolution of the school board reciting that contracts for construction of the facilities for which the loan is granted have been awarded and that bonds of the district have been issued and sold in the amount necessary to pay all costs thereof in excess of the amount of the loan, and estimating such costs. It shall obligate the district (ON ITS FULL FAITH AND CREDIT) to repay the (ENTIRE PRINCIPAL OF THE STATE) loan out of the excesses of its maximum effort debt service levy over its required debt service levy, (AND ALSO TO PAY) *including* interest at a rate determined *annually* by the commissioner of finance, (NOT LESS) *at the multiple of one-tenth of one percent per annum next higher than the average annual rate payable on Minnesota state school loan bonds (MOST RECENTLY ISSUED PRIOR TO THE DISBURSEMENT OF THE LOAN TO THE DISTRICT)*, but in no event less than 3 1/2 percent per annum on the principal amount from time to time unpaid. The district shall each year, as long as it is indebted to the state, levy for debt service (a) the amount of its maximum effort debt service levy or (b) the amount of its required debt service levy, whichever is greater, except as such required debt service levy may be reduced by a loan under section 124.42. Whenever the maximum effort debt service levy is greater, the district shall remit to the commissioner within ten days after its receipt of the last regular tax distribution in each year, that portion of the debt service tax collections, including penalties and interest, which exceeded the required debt service levy. The commissioner shall supervise the collection of outstanding accounts due the fund and may, by notice to the proper county auditor require the maximum levy to be made as required hereunder. Interest on capital loans shall be paid on December 15 of the year next following that in which the loan is granted and annually thereafter. (IN ADDITION TO THE LEVIES OTHERWISE REQUIRED BY THIS SUBDIVISION, THE DISTRICT SHALL LEVY IN EACH YEAR, COMMENCING IN THE YEAR A CAPITAL LOAN IS GRANTED AND CONTINUING UNTIL THE ENTIRE LOAN IS PAID, A SUM SUFFICIENT TO PRODUCE FULL PAYMENT OF THE INTEREST PAYABLE IN THE ENSUING YEAR ON ITS CAPITAL LOAN CONTRACT, AND THE PROCEEDS OF SUCH LEVY SHALL IN EACH YEAR BE REMITTED TO THE COMMISSIONER FOR PAYMENT OF SUCH INTEREST.) On or before November 1 in each year the commissioner shall notify the county auditor of each county containing taxable property situated within the school district of the amount of the maximum effort debt service levy of the district for that year, (AND THE ADDITIONAL AMOUNT NECESSARY TO BE LEVIED TO PRODUCE A SUM FIVE PERCENT IN EXCESS OF THE TOTAL AMOUNT OF INTEREST TO BECOME DUE IN THE ENSUING YEAR ON ALL CAPITAL AND DEBT SERVICE LOANS OF THE DISTRICT,) and said county auditor or auditors shall extend upon the tax rolls an ad valorem tax upon all taxable property within the district in the aggregate amount so certified. (IF ANY

INTEREST IS NOT PAID WHEN DUE, THE COMMISSIONER SHALL ADD THE AMOUNT THEREOF TO THE AMOUNT OF INTEREST SO CERTIFIED IN THE FOLLOWING YEAR, WITH ONE YEAR'S INTEREST ON SUCH AMOUNT AT THE RATE BORNE BY THE LOAN.) *In the event that any capital loan is not paid within 30 years after it is granted from maximum effort debt service levies in excess of required debt service levies, the liability of the school district thereon shall be satisfied and discharged and interest thereon shall cease. After a district's capital loan has been outstanding for 20 years, the district shall not issue bonds on the public market except for the purpose of refunding such a loan.*

Sec. 62. Minnesota Statutes 1974, Section 124.45, is amended to read:

124.45 [APPLICATIONS OF PAYMENT.] The commissioner shall apply payments received from collections of maximum effort debt service levies in excess of required debt service levies of a district on its debt service notes and capital loan contracts as follows: First, to payment of interest accrued on its notes, if any; second, to interest on its contracts, if any; third, toward principal (ON) of its notes, if any; and last, toward (PAYMENT OF) principal of its contracts, if any. While more than one note or more than one contract is held, priority of (APPLICATION) payment of interest shall be given to the one of earliest date (OF THE INSTRUMENT), and after interest accrued on all notes is paid, similar priority shall be given in the application of any remaining amount to the payment of principal. In any year when the receipts from a district are not sufficient to pay the interest accrued on any of its notes or contracts, the deficiency shall be added to the principal, and the commissioner shall notify the district and each county auditor concerned of the new amount of principal of the note or contract.

Sec. 63. Minnesota Statutes 1974, Chapter 124, is amended by adding a section to read:

[124.561] [POST-SECONDARY VOCATIONAL-TECHNICAL EDUCATION FUNDING.] *Subdivision 1. [PURPOSE.] The purpose of sections 63 to 67 of this act is to change the funding of post-secondary vocational-technical education from reimbursement of past expenditures to a current funding process.*

Subd. 2. [CURRENT AID.] Beginning July 1, 1975, the state board for vocational education shall not enter into agreements to pay reimbursements but shall be obligated for reimbursement payments incurred in fiscal year 1975. Beginning July 1, 1976, all post-secondary vocational foundation aid and post-secondary vocational categorical, capital expenditure and debt service aid shall be paid for the current fiscal year in accordance with sections 63 to 67 of this act.

Subd. 3. [BUDGETS.] Before January 1, 1976, and before January 1 of each year thereafter post-secondary vocational-technical school budgets for the following fiscal year shall be submitted to the state board for vocational education. The state board for vocational education shall approve the budgets for each district at a consolidated public hearing held pursuant to Minnesota Statutes, Chapter 15, which shall be held prior to June 1 of each year and which shall continue until all interested persons, representatives, and organizations have had an opportunity to be heard. The total amount of reimbursement payments approved for fiscal year 1975 payable in fiscal year 1976 shall not exceed by more than 14 percent the amount appropriated for post-secondary vocational-technical education for payment in fiscal year 1975. No district shall increase its operating deficit during fiscal year 1976 unless authorized to do so by the state board for vocational education. The state board for vocational education shall before September 1, 1975 promulgate rules and regulations which establish the approval criteria for budgets, including responsiveness to current and projected manpower needs of population groups to be served in the various geographic areas and communities of the state, particularly disadvantaged and handicapped persons; adequacy of evaluation of programs; and other criteria set forth in the state plan for vocational education. The commissioner, in cooperation with the department of finance, shall establish program budget standards by which area vocational-technical institutes shall submit financial requests.

Subd. 4. [LOCAL DEFICITS.] The commissioner with the approval of the state board for vocational education shall establish a uniform auditing procedure for post-secondary vocational-technical education. This procedure shall be used to determine the local operating deficit or surplus in each district as of July 1, 1975 and as of July 1 for each year thereafter. This deficit or surplus shall be certified to the commissioner before September 1, 1975 and September 1 of each year thereafter.

Sec. 64. Minnesota Statutes 1974, Chapter 124, is amended by adding a section to read:

[124.562] [POST-SECONDARY VOCATIONAL FOUNDATION AID.] *Subdivision 1. For the 1976-77 school year a district shall receive post-secondary vocational foundation aid in the amount of \$2,000 times the number of post-secondary vocational-technical pupils in average daily membership, as defined in subdivision 2, less the sum of (1) any amounts received as tuition and fees for post-secondary vocational-technical pupils, (2) the amount raised by the minimum levy required in 1975 by section 76 of this act, and (3) any amounts received for post-secondary vocational programs as federal vocational categorical aid and as special grants from state allocations of federal vocational funds, unless these grants are used to fund additional services beyond the normal program.*

Subd. 2. Membership for pupils in post-secondary vocational-technical schools shall mean the number of pupils on the current

roll of the school, counted from the date of entry until withdrawal. The date of withdrawal shall mean the day the pupil permanently leaves the school or the date it is officially known that he has left or has been legally excused; provided that any pupil, regardless of age, who has been absent from school without a legally justifiable excuse for 15 consecutive school days shall be dropped from the roll and classified as withdrawn. No pupil who is counted in average daily membership pursuant to this section shall be counted in average daily membership in any district pursuant to section 124.17, subdivision 2. Average daily membership shall equal the sum for all pupils of the number of days of the school year each pupil is enrolled in a post-secondary vocational-technical school in a district divided by 175. Average daily membership for pupils who are enrolled on a part time basis, but not including adult vocational pupils, shall equal (a) the sum for all pupils of the number of days of the school year each pupil is enrolled in a post-secondary vocational-technical school in the district times the number of hours per day each student is enrolled divided by the number of hours the school is in session per day (b) divided by 175. For a post-secondary vocational-technical school, the normal school year shall be at least the number of session days required by Minnesota Statutes, Section 124.19, Subdivision 1. In all post-secondary vocational-technical schools, the minimum length of the school day for each pupil, exclusive of the noon intermission, shall be six hours. Exceptions may be made by the local school administration for approved programs to meet individual student needs.

Subd. 3. All funds, whether state, federal, or from other sources, which may be made available to the department of education for carrying out the purposes of post-secondary vocational-technical education shall be apportioned by the state board for vocational education to the various school districts in accordance with law and shall be distributed by the state aids, statistics and research section of the state department of education. All post-secondary vocational foundation and categorical aids shall be paid to the school district where the pupil is in attendance.

Subd. 4. Each district providing post-secondary vocational-technical education programs shall establish and maintain accounts separate from all other district accounts for the receipt and disbursement of all funds related to these post-secondary vocational-technical education programs. All post-secondary vocational foundation and categorical aids and all funds received pursuant to the levy authorized by section 76 of this act, shall be utilized solely for the purposes of post-secondary vocational-technical education programs.

Subd. 5. None of the provisions of Minnesota Statutes, Chapter 16, shall apply to appropriations enacted to carry out the provisions of this section.

Subd. 6. This section shall be effective July 1, 1976.

Sec. 65. Minnesota Statutes 1974, Chapter 124, is amended by adding a section to read:

[124.563] [POST-SECONDARY VOCATIONAL AND CAPITAL EXPENDITURE CATEGORICAL AID.] *Subdivision 1. "Post-secondary vocational categorical aid" means all state and federal funds, exclusive of post-secondary vocational foundation, capital expenditure and debt service aid, apportioned by the state board for vocational education to local school districts for the purpose of assisting in the conduct of post-secondary vocational-technical training. No district shall qualify for post-secondary vocational categorical aid unless it has certified the minimum levy required by section 76 of this act. This aid shall be given to districts conducting high cost programs which require funds in addition to the post-secondary vocational foundation aid provided.*

Subd. 2. "Post-secondary vocational capital expenditure aid" means state and federal funds exclusive of post-secondary vocational foundation, categorical and debt service aid, apportioned by the state board for vocational education to local school districts for the purpose of improving or repairing school sites or equipping, re-equipping, repairing or improving buildings and permanent attached fixtures, as necessary for the conduct of post-secondary vocational-technical training. No district shall qualify for post-secondary vocational capital expenditure aid unless it has certified the minimum levy required by section 76 of this act. Post-secondary vocational capital expenditure aid shall be utilized solely for the purposes enumerated in this subdivision.

Subd. 3. Post-secondary vocational categorical and capital expenditure aid shall be apportioned by the state board for vocational education at the consolidated public hearing held pursuant to section 63, subdivision 3, of this act. All post-secondary vocational categorical and capital expenditure aid approved at this public hearing shall be distributed to the districts on or before August 1, December 1, March 1 and June 1 of each year. Additional post-secondary vocational categorical and capital expenditure aid may be distributed on or before March 1 and June 1 if it is apportioned at a consolidated public hearing held in February pursuant to Minnesota Statutes, Chapter 15. On the date of each post-secondary vocational categorical and capital expenditure aid payment, the state board shall report to the appropriate committees of the legislature on the distribution of post-secondary vocational categorical and capital expenditure aid. The report shall include (a) the recipients of the aid; (b) the amounts distributed, and (c) the reasons for these distributions.

Subd. 4. This section shall be effective July 1, 1976.

Sec. 66. Minnesota Statutes 1974, Chapter 124, is amended by adding a section to read:

[124.564] [POST-SECONDARY VOCATIONAL DEBT SERVICE AID.] *The state board for vocational education shall pay to qualifying districts post-secondary vocational debt service aid equal to the state portion of debt service costs. The state portion of debt service costs shall equal the amount necessary to make payments for bonds issued to finance post-secondary vocational facilities and for interest thereon multiplied by the average of the district's nonresident reimbursement percentage pursuant to Minnesota Statutes 1974, Section 121.21, subdivision 5, in fiscal years 1973, 1974 and 1975. The local portion of debt service costs shall equal the amount necessary to make these payments, less the state portion of debt service costs. No district shall qualify for this post-secondary vocational debt service aid unless it has certified a levy equal in amount to the local portion of debt service costs, pursuant to section 75, subdivision 4, of this act. Post-secondary vocational debt service aid shall be utilized solely for payments for bonds issued to finance post-secondary vocational facilities and for interest thereon, and these bond and interest payments shall be made solely with proceeds from this aid and the local debt service levy. In addition, the state board for vocational education shall pay to districts which expended cash balances to finance the construction of new post-secondary vocational facilities and which the state board prior to May 15, 1975 agreed to repay for these expenditures the amount of the repayment specified in the agreement. Funds received in repayment shall revert to the fund of origin in the district. This section shall be effective July 1, 1976.*

Sec. 67. Minnesota Statutes 1974, Chapter 124, is amended by adding a section to read:

[124.565] [POST-SECONDARY VOCATIONAL EDUCATION TUITION.] *Subdivision 1. Any Minnesota resident who is under 21 years of age may attend a post-secondary vocational-technical school without tuition, provided that the individual meets the entrance requirements for the training course in which enrollment is sought and the school has the room and the facility to receive him.*

Subd. 2. Any person who has attained his 21st birthday and who would, but for that fact, qualify under subdivision 1 to attend a post-secondary vocational-technical school without tuition, may attend the school without tuition subject to the other provisions of this subdivision, if he entered active military service in any branch of the armed forces of the United States before his 21st birthday, and who has then been separated or discharged from active military service under conditions other than dishonorable, and if he applies for admission to the school before his 29th birthday. Time after separation or discharge from military service spent as an in-patient in a hospital or similar in-

stitution for treatment of an illness or disability or in recovery from an illness or disability that prevents gainful occupation or study shall be added to the time allowed for application.

Subd. 3. Tuition at a post-secondary vocational-technical school for a Minnesota resident pupil who does not come within the exemptions provided in subdivisions 1 and 2, shall be two dollars per day for each school day the pupil is enrolled.

Subd. 4. Unless covered by a higher education reciprocity agreement relating to nonresident tuition, entered into by the Minnesota higher education coordinating commission and approved by the state board for vocational education, tuition at a post-secondary vocational-technical school for a pupil who is not a resident of Minnesota shall be five dollars per day for each school day the pupil is enrolled.

Subd. 5. The state board for vocational education may pay a school district or post-secondary vocational-technical school in another state for tuition charges for Minnesota pupils who meet the qualifications of subdivisions 1 and 2 and who are enrolled in post-secondary vocational-technical schools in that state. This payment may not exceed the amount specified for post-secondary vocational foundation aid in section 64 of this act. This subdivision shall expire June 30, 1976.

Sec. 68. Minnesota Statutes 1974, Section 124.57, is amended to read:

124.57 [AID FOR VOCATIONAL EDUCATION.] Whenever any district shall have established a vocational school, department, or classes in accordance with the rules and regulations established by the state board adopted by that board, and the plan for vocational education, and approved by the United States office of education or other federal agency to which its functions are assigned, the state board shall reimburse such district or state tax supported institution for its expenditures for salaries and necessary travel of vocational teachers or other reimbursable expenditures from federal funds and may supplement such federal funds with such state aid as it may deem desirable under such rules as it may adopt, provided, however, that in the event of such funds not being sufficient to make such reimbursement in full, the state board shall prorate the respective amounts available to the various districts entitled to receive reimbursement. All instruction may be given at the place of the abode of the pupils, and adults may be given instruction in adjoining or nearby districts.

In like manner the state board shall have power to reimburse other governmental agencies for expenditures for salaries and necessary travel expenses of vocational teachers from federal funds, according to rules and regulations adopted by the state board.

When local districts desire but cannot provide vocational instruction for the related training required by apprentices and other learners in the trade, industrial, and distributive fields, the state board is empowered upon request of such local district or districts to employ itinerant vocational teachers to provide this service and pay the salary and necessary travel expense from authorized federal and state vocational aid funds under such rules as it may adopt. An itinerant vocational teacher in this section is defined as a vocational teacher employed to give part-time or periodic vocational instruction in one or more districts.

This section shall apply only to secondary and adult vocational education programs. Sections 63 to 67 of this act shall not apply to secondary and adult vocational education programs. This section of this act shall be effective July 1, 1976.

Sec. 69. [124.611] [ELIGIBLE TEACHER PROGRAM.]
Subdivision 1. *Any teacher who has been or will be placed on unrequested leave of absence pursuant to section 125.12, subdivision 6a or 6b, as a result of a discontinued position, lack of pupils or financial limitations, may apply by May 1, 1976, to the state board of education to be classified as an eligible teacher. The state board shall approve applications of teachers on unrequested leave of absence from districts which, according to criteria established by the state board, are experiencing cost limitations because of severely declining enrollments. By June 1, 1976, the state board shall issue a list of approved eligible teachers.*

Subd. 2. *Any district which has not placed or will not place any teachers on unrequested leave of absence pursuant to section 125.12, subdivision 6a or 6b, may petition the state board of education by July 1, 1976 to be eligible to receive aid for hiring an eligible teacher.*

The state board of education shall approve or disapprove each petition by August 1, 1976, giving priority to districts which have a high proportion of inexperienced teachers, increasing enrollments and cost limitations which prevent the employment of experienced teachers. Eligible teacher aid shall be paid in the 1976-77 school year to the hiring school district in an amount equal to 80% of the difference between the B.A. minimum salary in the hiring district and the salary which the teacher would receive in that year in the hiring district based upon his training, credits and experience. In the 1977-78 school year the hiring district shall receive eligible teacher aid equal to 60% of the amount calculated in the first year; in the 1978-79 school year the hiring district shall receive eligible teacher aid equal to 40% of the amount calculated for the first year, and in the 1979-80 school year and thereafter such aids shall terminate.

Subd. 3. *The state board shall approve petitions and pay aid pursuant to this section only to the extent that funds are available. The amount appropriated for this purpose shall not be prorated.*

Sec. 70. Minnesota Statutes 1974, Section 125.12, Subdivision 4, is amended to read:

Subd. 4. [TERMINATION OF CONTRACT AFTER PROBATIONARY PERIOD.] A teacher who has completed his probationary period in any school district, and who has not been discharged or advised of a refusal to renew his contract pursuant to subdivision 3, shall have a continuing contract with such district. Thereafter, the teacher's contract shall remain in full force and effect, except as modified by mutual consent of the board and the teacher, until terminated by a majority roll call vote of the full membership of the board, upon one of the grounds specified in subdivisions 6 or 6a or 6b, or until the teacher is discharged pursuant to subdivision 8, or by the written resignation of the teacher submitted prior to April 1; provided, however, that if an agreement as to the terms and conditions of employment for the succeeding school year has not been adopted pursuant to the provisions of sections 179.61 to 179.77 prior to March 1, the teacher's right of resignation shall be extended to the 30th calendar day following the adoption of said contract in compliance with section 179.70, subdivision 2. Such written resignation by the teacher shall be effective as of June 30 if submitted prior to that date (OR, IF SUBMITTED THEREAFTER, SHALL BE EFFECTIVE AUGUST 15,) and the teachers' right of resignation for the school year then beginning shall cease on (AUGUST) *July* 15. Before a teacher's contract is terminated by the board, the board shall notify the teacher in writing and state its ground for the proposed termination in reasonable detail together with a statement that the teacher may make a written request for a hearing before the board within 14 days after receipt of such notification. Within 14 days after receipt of this notification the teacher may make a written request for a hearing before the board and it shall be granted before final action is taken. If no hearing is requested within such period, it shall be deemed acquiescence by the teacher to the board's action. Such termination shall take effect at the close of the school year in which the contract is terminated in the manner aforesaid. Such contract may be terminated at any time by mutual consent of the board and the teacher and this section shall not affect the powers of a board to suspend, discharge, or demote a teacher under and pursuant to other provisions of law.

Sec. 71. [126.151] [VOCATIONAL EDUCATION STUDENT ORGANIZATIONS.] *Any pupil enrolled in a vocational-technical education program approved by the state board of education may belong to a vocational student organization which is operated as an integral part of the program. The commissioner of education may provide assistance and leadership to these organizations.*

Sec. 72. Minnesota Statutes 1974, Section 128.04, is amended to read:

128.04 [DUTIES OF BOARD.] It shall be the duty of the board to furnish school facilities to every child of school age residing in any part of the county district, either by building school houses, leasing schoolrooms, transporting the children to the nearest school, boarding the children within convenient distance of school at the expense of the board, or otherwise, and to provide necessary supplies and text and library books.

The annual meeting as held in (TEN OR MORE TOWNSHIPS) *independent* districts need not be held, but the clerk of the board shall publish once in a legal newspaper published in the county the annual report required by law to be made by the district treasurer.

When not otherwise provided in sections 128.01 to 128.06, the school board of any such county district shall have and exercise all of the powers and be subject to the same laws and regulations as boards of (TEN OR MORE TOWNSHIPS) *independent* districts, and all laws applicable to (TEN OR MORE TOWNSHIPS) *independent* districts (, AND ALL LAWS APPLICABLE TO STATE AID FOR EQUALIZING EDUCATIONAL OPPORTUNITIES IN UNORGANIZED TERRITORY SHALL APPLY TO THE COUNTY DISTRICT INCLUDING LAWS 1921, CHAPTER 467).

Sec. 73. Minnesota Statutes 1974, Section 273.138, Subdivision 3, is amended to read:

Subd. 3. Each school district shall receive reimbursement in 1974 and subsequent years in an amount equal to the product of its 1972 assessed value of real property exempted from taxation by section 272.02, subdivision 1 times the sum of its mill rates for the following levies:

- (1) A levy for capital outlay, pursuant to section 124.04;
- (2) A levy to pay the principal and interest on bonded indebtedness, including the levy to pay the principal and interest on bonds issued pursuant to *Minnesota Statutes 1974*, Section 275.125, Subdivision 3 ((6)) (7) (c);
- (3) A levy to pay the principal and interest on debt service loans, pursuant to section 124.42;
- (4) A levy to pay the principal and interest on capital loans, pursuant to section 124.43;
- (5) A levy to pay amounts required in support of a teacher retirement fund, pursuant to section 422.13;
- (6) A levy for additional maintenance cost in excess of 30 mills times the adjusted assessed valuation of the school district,

pursuant to (SECTION 275.125, SUBDIVISION 3 (4)) *section 75, subdivision 6, of this act.*

For the purpose of this subdivision, a school district mill rate for any of the forementioned levies which was not applied to the total taxable value of such school district shall be added to the forementioned sum of mill rates as if it had been applied to the entire taxable value of the school district.

Sec. 74. Minnesota Statutes 1974, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In (1973) 1975, a school district may levy for all general and special school purposes, an amount equal to the amount raised by the (1972) 1974 adjusted assessed valuation of the district times the number of mills, not to exceed (30) 29, that bears the same relation to (30) 29, as the greater sum computed pursuant to section (124.212, SUBDIVISION 7A) 29, clause (2), of this act, bears to (\$820) \$960.

(2) In (1974) 1976, a school district may levy for all general and special school purposes, an amount equal to the amount raised by the (1973) 1975 adjusted assessed valuation of the district times the number of mills, not to exceed (30) 29, that bears the same relation to (30) 29, as the sum of the greater sum computed pursuant to section (124.212, SUBDIVISION 7A) 29; clause (2), of this act, and the greater of (a) (ONE-HALF) five-sixths of the difference that results when such greater sum is subtracted from (\$875) \$1015, or (b) (\$50) \$55, bears to (\$875) \$1015.

(3) For any district levying less than the maximum levy allowable in clauses (1) and (2), beginning with the levy certified in 1976, payable in 1977, the foundation aid to the district for the 1977-78 and subsequent school years, calculated pursuant to section 124.212, shall be reduced by the amount of the difference between the actual levy and the maximum levy allowable under clauses (1) and (2). In the application of this clause, the maximum levy allowable under clauses (1) and (2) shall be reduced by any reduction of this levy which is required by section 75, subdivision 9 of this act or any other law.

((3)) (4) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only one such election may be held in a single school year. The question on the ballot shall be whether a specific millage which will yield a specific amount based on the most recent assessed valuation may be added to that authorized by clauses (1) or (2). If approved, the amount provided by the millage applied

to each year's assessed valuation shall be authorized for certification until revoked by the voters of the district at a subsequent referendum, which may be called by the school board and which shall be called by the school board upon the written petition of qualified voters of the district unless the petition for revocation is submitted in the same year in which a levy has been increased by the voters pursuant to this clause. A petition authorized by this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or 10 percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board unless the petition for revocation is submitted in the same year in which a levy has been increased by the voters pursuant to this clause. Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

Sec. 75. Minnesota Statutes 1974, Section 275.125, Subdivision 3, is amended to read:

Subd. 3. In addition to the levy authorized by section 275.125, subdivision 2a, a qualifying district may levy additional amounts as (FOLLOWS:) *provided in subdivisions 3 to 14 of this section.*

((2)) *Subd. 5.* For school transportation services, an amount not to exceed the amount raised by a levy of one mill times the adjusted assessed valuation of the taxable property of the district for the preceding year (; PROVIDED THAT IN 1973 AND THEREAFTER A DISTRICT HAVING BOUNDARIES COTERMINOUS WITH THE BOUNDARIES OF A CITY OF THE FIRST CLASS MAY LEVY AN AMOUNT NOT TO EXCEED 20 PERCENT OF ITS COSTS FOR TRANSPORTATION AND RELATED SERVICES FOR WHICH STATE AID IS AUTHORIZED FOR THE 1974-1975 SCHOOL YEAR AND THEREAFTER, AND PROVIDED FURTHER THAT). A district may levy under this (CLAUSE) *subdivision* for the annual cash payments to be made for the purchase of buses, but only for that portion of the payments not offset by state transportation aid received on account of depreciation; and provided further that beginning with the levy certified in (1974) 1975, a district may levy for (THAT PORTION OF) transporta-

tion costs approved by the commissioner as (QUALIFYING FOR AID) *necessary* because of extraordinary traffic hazards (BUT FOR WHICH NO STATE AID IS RECEIVABLE) for the current fiscal year (PURSUANT TO SECTION 124.223, CLAUSE (1)).

((3) FOR PURPOSES OF THE 1973 LEVY, COLLECTIBLE IN 1974, ANY DISTRICT WHICH QUALIFIED FOR AN EXTRA LEVY UNDER MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (4), SHALL BE ALLOWED TO LEVY THE SAME AMOUNT PER PUPIL UNIT ALLOWED BY THAT CLAUSE. PROVIDED, HOWEVER, THAT A DISTRICT HAVING BOUNDARIES COTERMINOUS WITH THE BOUNDARIES OF A CITY OF THE FIRST CLASS WHICH WAS AFFECTED BY THE LIMITATION OF AN EXTRA LEVY NOT TO EXCEED 1.5 MILLS TIMES THE ADJUSTED ASSESSED VALUATION OF THE DISTRICT SHALL BE ALLOWED TO LEVY 1.9 MILLS. FOR PURPOSES OF THE 1973 LEVY, COLLECTIBLE IN 1974, ANY DISTRICT WHICH QUALIFIED FOR AN EXTRA LEVY IN 1971, COLLECTIBLE IN 1972, UNDER MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (3) BUT DID NOT QUALIFY FOR AN EXTRA LEVY UNDER MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (4) IN 1972; COLLECTIBLE IN 1973, SHALL BE ALLOWED TO LEVY THE AMOUNT PER PUPIL UNIT IT WAS QUALIFIED TO LEVY UNDER MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (3).)

((4) IN 1973 ONLY, FOR A DISTRICT WHICH WAS AUTHORIZED TO LEVY PURSUANT TO MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (3), BUT WHICH WAS NOT AUTHORIZED TO LEVY PURSUANT TO MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (4), AN AMOUNT NOT TO EXCEED THE AGGREGATE AMOUNT AUTHORIZED BY MINNESOTA STATUTES 1971, SECTION 275.125, SUBDIVISION 3, CLAUSE (3).)

((5) *Subd. 6.* (FOR THE 1974 LEVY, COLLECTIBLE IN 1975,)

(1) *In 1975* any district (,) in which the 1970-1971 adjusted maintenance cost per pupil unit in average daily membership was greater than \$663 per pupil unit (,) may levy an amount per pupil unit which is equal to or less than the difference between the 1970-1971 adjusted maintenance cost per pupil unit in average daily membership and \$663 per pupil unit (, REDUCED BY TWO AND ONE-HALF PERCENT). (NO DISTRICT MAY LEVY UNDER THIS CLAUSE AN AMOUNT WHICH EXCEEDS THE SUM OF THE LEVY PERMITTED UNDER SECTION 275.125, SUBDIVISION 3(3) AND THE AMOUNT RAISED BY 2 MILLS TIMES THE ADJUSTED

ASSESSED VALUATION OF THE TAXABLE PROPERTY OF THE DISTRICT FOR THE PRECEDING YEAR.) Provided, however, that a district with boundaries coterminous with the boundaries of a city of the first class which was affected by the limitation of an extra levy not to exceed 1.9 mills times the adjusted assessed valuation of the district shall be allowed to levy (2.0 MILLS) *an amount per pupil unit which is equal to 2.0 mills times the 1974 adjusted assessed valuation of the district, divided by the number of pupil units in the district in 1975-1976.*

(2) *In 1976, any district which qualified in 1975 for an extra levy under clause (1) shall be allowed to levy the same amount per pupil unit allowed by that clause.*

(3) *In 1977 and each year thereafter, any district which qualified in 1976 for an extra levy under clause (2) shall be allowed to levy the same amount per pupil unit allowed by that clause, reduced by two and one half percent each year.*

(4) *For purposes of computing allowable levies under this subdivision, pupil units shall include only those units identified in section 124.17, subdivision 1, clauses (1), (2), (6) and (7). The provisions of this clause shall not affect or modify any district's 1970-1971 adjusted maintenance cost per pupil unit in average daily membership.*

Subd. 7. (1) *In addition to the excess levy authorized in subdivision 6, any district in Hennepin county or Ramsey county, other than a district with boundaries coterminous with the boundaries of a city of the first class, whose excess levy per pupil unit pursuant to Minnesota Statutes 1974, Section 275.125, Subdivision 3, Clause (5), was among the lowest 20 percent of these levies in such districts shall be allowed in 1975 to make an excess levy if the district has had a decrease in actual pupil units for the previous three years. This additional permitted excess levy per pupil unit shall equal the difference between the excess levy per pupil unit for the district and the average excess levy per pupil unit for the districts in Hennepin and Ramsey counties, other than districts with boundaries coterminous with the boundaries of a city of the first class, allowed pursuant to Minnesota Statutes 1974, Section 275.125, Subdivision 3, Clause (5), or 2.0 mills times the 1974 adjusted assessed valuation of the property in the district, whichever is less.*

(2) *In 1976 any district which in 1975 qualified for an additional levy under the provisions of clause (1) and which continues to decline in enrollment may levy that same amount per pupil unit plus an amount equal to 2.0 mills times the 1975 adjusted assessed valuation of the taxable property in the district.*

(3) *In 1977 and each year thereafter, any district which in 1976 qualified for an additional levy under the provisions of clause (2) and which continues to decline in enrollment may levy*

the same amount per pupil unit reduced by two and one half per cent each year.

((6) FOR DISTRICTS IN CITIES OF THE FIRST CLASS, MAINTAINING POST-SECONDARY VOCATIONAL SCHOOLS, ONE-HALF MILLS TIMES THE ADJUSTED ASSESSED VALUATION OF THE TAXABLE PROPERTY OF THE DISTRICT FOR THE PRECEDING YEAR; AND FOR OTHER DISTRICTS MAINTAINING POST-SECONDARY VOCATIONAL SCHOOLS, THREE MILLS TIMES THE ADJUSTED ASSESSED VALUATION OF THE TAXABLE PROPERTY OF THE DISTRICT FOR THE PRECEDING YEAR, PROVIDED THAT DISTRICTS FORMED PURSUANT TO LAWS 1967, CHAPTER 822, AND LAWS 1969, CHAPTERS 775 AND 1060, SHALL BE SUBJECT TO THE LEVY LIMITATIONS IMPOSED BY THOSE LAWS, AS AMENDED.)

((7) (A) IN ORDER THAT THE TRANSITION FROM EXISTING PATTERNS OF FINANCING PUBLIC SCHOOLS TO THE SYSTEM PRESCRIBED IN EXTRA SESSION LAWS 1971, CHAPTER 31, ARTICLE 20 MAY BE MADE IN AN ORDERLY FASHION, A DISTRICT MAY LEVY AN ADDITIONAL LEVY UNDER THE TERMS OF THIS SECTION.)

((B) IF THAT PART OF THE LEVY CERTIFIED BY THE SCHOOL DISTRICT IN 1970, RECEIVED IN 1971, PLUS SO MUCH OF THE LEVY ALLOWED UNDER SUBDIVISIONS 2 AND 3, SECTIONS 1 TO 5 OF THIS ACT, TO BE CERTIFIED IN 1971, RECEIVED IN 1972, AS WILL BE RECEIVED BETWEEN JULY 1, 1971 AND JUNE 30, 1972, AND WHEN ADDED TO ALL OTHER STATE AIDS, LOCAL FUNDS AVAILABLE AND NET EXISTING LOCAL DEBTS, EXCLUSIVE OF BONDED DEBT AND EXISTING CAPITAL LOANS WILL NOT BE SUFFICIENT TO ALLOW A DISTRICT TO SPEND AN AMOUNT PER PUPIL UNIT SUFFICIENT TO RAISE ITS 1970-1971 ADJUSTED MAINTENANCE COST PER PUPIL UNIT BY \$42 IT MAY PETITION THE COMMISSIONER OF EDUCATION FOR AUTHORITY TO LEVY AN ADDITIONAL LEVY. BEFORE SUCH A LEVY CAN BE MADE, THE COMMISSIONER MUST AUTHORIZE SUCH A LEVY. SUCH AUTHORIZATION SHALL SPECIFY THE AMOUNT OF THE LEVY, PROVIDED THAT SUCH LEVY MAY NOT EXCEED 5 MILLS IN A CITY OF THE FIRST CLASS OR 1.5 MILLS IN ANY OTHER DISTRICT TIMES THE 1970 ADJUSTED ASSESSED VALUATION OF THE DISTRICT AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE.)

((C) IF THE ADDITIONAL LEVY ALLOWED IN (B) IS INSUFFICIENT TO RAISE THE ADJUSTED MAINTENANCE COST PER PUPIL UNIT BY \$42, THE DISTRICT MAY PETITION THE COMMISSIONER OF EDUCATION FOR AUTHORITY TO LEVY AN ADDITIONAL LEVY. BEFORE SUCH A LEVY CAN BE MADE, THE COMMISSIONER MUST AUTHORIZE SUCH A LEVY. SUCH AUTHORIZATION SHALL SPECIFY THE AMOUNT OF THE LEVY, PROVIDED THAT SUCH LEVY MAY NOT EXCEED 5 MILLS IN A CITY OF THE FIRST CLASS OR 1.5 MILLS IN ANY OTHER DISTRICT TIMES THE 1970 ADJUSTED ASSESSED VALUATION OF THE DISTRICT AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE.)

NANCE COST OF A DISTRICT TO \$42 ABOVE ITS COSTS IN 1970-1971 IT MAY PETITION THE COMMISSIONER OF EDUCATION FOR AUTHORITY TO ISSUE GENERAL OBLIGATION BONDS OF AN AMOUNT SUFFICIENT TO MEET THE DEFICIENCY. THE COMMISSIONER MUST AUTHORIZE SUCH A BOND ISSUE. THE AUTHORIZATION SHALL SPECIFY THE AMOUNT OF THE BOND ISSUE PROVIDED THAT THE LEVY AUTHORIZATION TO PAY THE PRINCIPAL AND INTEREST ON THE BONDS MAY NOT EXCEED .5 MILLS IN A DISTRICT WITHIN A CITY OF THE FIRST CLASS, OR 1.5 MILLS IN ANY OTHER DISTRICT, TIMES THE 1970 ADJUSTED ASSESSED VALUATION OF THE DISTRICT AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE. THE BONDS AUTHORIZED BY THIS SECTION SHALL BE SOLD AND ISSUED PURSUANT TO THE PROVISIONS OF CHAPTER 475, EXCEPT AS OTHERWISE PROVIDED HEREIN. SUCH BONDS SHALL NOT BE INCLUDED IN COMPUTING ANY DEBT LIMITATION FOR A DISTRICT AND NO ELECTION SHALL BE REQUIRED FOR THEIR SALE AND ISSUANCE.)

(A DISTRICT MAY NOT BE AUTHORIZED AN ADDITIONAL LEVY UNDER BOTH (B) AND (C) OF THIS SECTION.)

(8). *Subd. 8.* In (1973) 1975, and each year thereafter, (FOR) a district with a population of more than 15,000 persons which has established a community school advisory council pursuant to section 121.88 (, WHETHER OR NOT THE DISTRICT RECEIVES REIMBURSEMENT FROM THE STATE PURSUANT TO SECTION 121.89.) may levy an amount of money raised by the greater of (A) \$1 per capita, or (B) the number of EARC mills not to exceed the number of EARC mills necessary in 1973 to raise \$1 per capita in 1973. In 1975, and each year thereafter, a district with a population of fewer than 15,000 persons which has established a community school advisory council pursuant to section 121.88, may levy an amount of money raised by the greater of (A) \$2 per capita, or (B) the number of EARC mills not to exceed the number of EARC mills necessary in 1975 to raise \$2 per capita in 1975. These levies shall be used for community services including summer school, nonvocational adult programs, recreation programs, and programs contemplated by sections 121.85 to (121.89) 121.88.

A district which provides 95 percent or more of the cost of the recreation program for the municipalities and townships in which the district or any part thereof is located may, with the approval of the commissioner, levy an additional amount, not to exceed one mill times the adjusted assessed valuation of the district for the preceding year, to be used for the costs of the recreation program.

A school district shall be authorized to make a levy pursuant to this subdivision only after it has filed a certificate of compliance with the commissioner of education, certifying that members of the school board have met with members of the governing bodies of the county, municipality or township in which the school district, or any part thereof, is located, in order to discuss methods of increasing mutual cooperation between such bodies.

The population of the district for purposes of this (CLAUSE) subdivision is the population determined as provided in section 275.14 or as certified by the department of education from the most recent federal census.

((9)) *Subd. 9.* Districts which receive payments which result in deductions from foundation aid pursuant to section 124.212, subdivision 8a, shall reduce the permissible levies authorized by (THIS SUBDIVISION) subdivisions 3 to 14 of this section by 25 percent in 1973, 50 percent in 1974, 75 percent in 1975, and 100 percent for each year thereafter of that portion of the previous year's payment not deducted from foundation aid on account of the payment, unless such a levy reduction is otherwise required by law. The levy reductions shall be made in the proportions that each permissible levy bears to the sum of the permissible levies.

Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by section 275.125 to be spread in the calendar year in which the deduction from foundation aid is made pursuant to section 124.212, subdivision 8a, by the portion of the previous fiscal year's payment which was not deducted from foundation aid in that calendar year pursuant to section 124.212, subdivision 8a.

((10)) *Subd. 10.* The commissioner shall certify to the county auditors the levy limits for all school districts headquartered in the respective counties together with adjustments for errors in levies not penalized pursuant to subdivision (4) 15 as well as adjustments to final pupil unit counts.

A school district shall have the right to require the commissioner to review his certification and to present evidence in support of modification of his certification.

The county auditor shall reduce levies for any excess of levies over levy limitations pursuant to section 275.16. Such reduction

in excess levies may at the discretion of the school district be spread over not to exceed two calendar years.

((11)) *Subd. 11.* The commissioner of education shall certify to the county auditors any underlevies made in 1971 and 1972 in the transportation levy amounts. The 1971 underlevies shall be determined to be (1) the actual net costs of reimbursable transportation as reported to the department of education for the 1972-1973 school year plus the amount expended by the district to acquire school buses in 1972-1973 used for reimbursable transportation, less (2) the 1971 certified transportation levy as amended and state aids received in 1972-1973 for transportation including depreciation. Underlevies in the 1972 transportation levy shall be computed in like manner using 1973-1974 costs and state aids received in the 1973-1974 school year. The 1974 levy shall be adjusted to correct for such underlevies, provided that upon written request of the affected school board to the commissioner, the adjustment shall be prorated in the 1974 and 1975 transportation levies. No district may levy under this clause in any year an amount which exceeds the amount raised by a levy of two mills times the previous year's adjusted assessed valuation of the taxable property of the district.

((12)) *Subd. 12.* When a district finds it economically advantageous to rent or lease existing school buildings for instructional purposes, and the proceeds of the levy permitted under section 124.04 are insufficient for this purpose, it may apply to the commissioner for permission to make an additional capital expenditure levy for this purpose. An application for permission to levy under this clause shall contain financial justification for the proposed levy, the terms and conditions of the proposed lease, and a description of the space to be leased and its proposed use. The criteria for approval of applications to levy under this clause shall include: the reasonableness of the price, the appropriateness of the space to the proposed activity, the feasibility of transporting pupils to the leased building, conformity of the lease to the laws and regulations of the state of Minnesota, and the appropriateness of the proposed lease to the space needs and the financial condition of the district. The commissioner shall not authorize a levy under this clause in an amount greater than the cost to the district of renting or leasing a school building for approved purposes.

Sec. 76. Minnesota Statutes 1974, Section 275.125, is amended by adding a subdivision to read:

Subd. 13. Districts maintaining a post-secondary vocational-technical school shall levy for post-secondary vocational-technical purposes as follows:

(1) *For districts in cities of the first class, a minimum of one-half mill up to a maximum of one mill, exclusive of debt service, times the adjusted assessed valuation of the taxable prop-*

erty of the district for the preceding year as determined by the equalization aid review committee.

(2) For districts formed pursuant to Laws 1967, Chapter 822, as amended, and Laws 1969, Chapters 775 and 1060 as amended, a minimum of one-half mill up to a maximum of one mill, exclusive of debt service, times the adjusted assessed valuation of the taxable property of the district for the preceding year as determined by the equalization aid review committee.

(3) For other districts maintaining post-secondary vocational schools, a minimum of one mill up to a maximum of three mills, exclusive of debt service, times the adjusted assessed valuation of the taxable property of the district for the preceding year as determined by the equalization aid review committee.

Sec. 77. Minnesota Statutes 1974, Section 275.125, is amended by adding a subdivision to read:

Subd. 14. Districts maintained a post-secondary vocational-technical school may levy additional amounts as follows:

(1) A district maintaining a post-secondary vocational-technical school shall assume responsibility for a local share of the district post-secondary vocational deficit. The local share shall be 30 percent, or 15 percent in Independent School District Nos. 595 and 793, of the district post-secondary vocational deficit as of July 1, 1975, as certified to the commissioner of education pursuant to section 63, subdivision 4 of this act.

(2) For the purpose of eliminating the local share of its post-secondary vocational deficit, a district may petition the commissioner of education for authority to make an additional levy. Before such a levy may be made, it must be approved by the commissioner. The approval shall specify the years in which the additional levy may be made and shall specify its dollar amount. No levy so approved shall be made in more than four successive years, beginning with the levy certified in 1975, and shall not annually exceed .25 mills in a district in a city of the first class, 1.5 mills in districts formed pursuant to Laws 1969, Chapter 1060, as amended; Laws 1969, Chapter 775, as amended; or Laws 1967, Chapter 822, as amended, or three mills in any other district maintaining a post-secondary vocational-technical school times the adjusted assessed valuation of the district for the preceding year as determined by the equalization aid review committee. Under no circumstances may a district levy a total amount greater than the local share of its post-secondary vocational deficit as of July 1, 1975, as certified to the commissioner of education.

(3) If the additional levy allowed in clause (2) of this subdivision would be insufficient to eliminate the local share of the district's post-secondary vocational deficit as of July 1, 1975, as

certified to the commissioner of education, it may petition the commissioner of education for authority to issue general obligation bonds in an amount sufficient to meet the deficiency. Before the bonds may be issued, they must be authorized by the commissioner. The authorization shall specify a term not to exceed seven years and the amount of the bond issue provided that the levy authorization to pay the principal and interest on the bonds may not annually exceed .25 mills in a district in a city of the first class, .5 mills in districts formed pursuant to Laws 1969, Chapter 1060, as amended; Laws 1969, Chapter 775, as amended; or Laws 1967, Chapter 822, as amended, or six mills in any other district maintaining a post-secondary vocational-technical school times the 1974 adjusted assessed valuation of the district as determined by the equalization aid review committee; provided, however, that the mill limitation is subject to the provisions of Minnesota Statutes, Section 475.74. The bonds authorized by this section shall be sold and issued pursuant to the provisions of Minnesota Statutes, Chapter 475, except as otherwise provided herein. The bonds shall not be included in computing any debt limitation for a district and no election shall be required for their sale and issuance.

(4) A district may not be authorized an additional levy under both clauses (2) and (3) of this subdivision.

(5) The state shall assume responsibility for 70 percent, or in Independent School District Nos. 595 and 793 for 85 percent, of a district's post-secondary vocational deficit as of July 1, 1975, as certified to the commissioner of education. The state portion of the deficit shall be paid to each district in fiscal years 1977 and 1978 in two equal payments, provided that the levy for the district's portion of the deficit has been approved by the commissioner and the required portion for the 1975 levy has been certified to the county auditor.

Sec. 78. Minnesota Statutes 1974, Section 275.125, Subdivision 4, is amended to read:

Subd. (4) 15. Any district which in any year levies an amount which is greater than the amount allowed by (SUBDIVISIONS 2 AND 3) sections 74 to 77 of this act, shall lose an amount of state foundation aid equal to one-half of the excess in the levy, provided that any levy which is found to be excessive as a result of a decision of the tax court or a redetermination by the equalization aid review committee under section 124.212, subdivisions 11 to (20) 18, shall not be compensated for in the next levy of the district. The amount of aid lost shall be deducted from the aid which would otherwise have been received for the school year which commences in the calendar year during which the excessive levy is being collected. Any foundation aid so withheld shall be withheld in accordance with the procedures specified in section 124.15. A levy made in 1971 prior to the effective date of Extra Session Laws 1971, Chapter 31, Article 20 shall

be reviewed, and may be modified, by the appropriate authority of the district for the purpose of reducing such levy to conform to the limitation imposed by Extra Session Laws 1971, Chapter 31, Article 20. Any reduction in such levy made prior to December 15, 1971 shall be given the same effect as though such reduction had been made prior to the expiration of the time allowed by law for making the levy.

Sec. 79. Minnesota Statutes 1974, Section 275.125, Subdivision 5, is amended to read:

Subd. (5) 16. For the purposes of this section, the number (BY) of pupil units in average daily membership shall be computed in accordance with section 124.17, provided that the district may use an estimated average daily membership for the current school year. Any district which increased its pupil units, exclusive of consolidation, or merger of districts, or change of definition of pupil units by more than five percent from one year to another may use an estimated pupil unit count for the next succeeding school year for determining a levy certified in the current year. If as a result of such estimate the levy is different from the amount that could actually have been levied under this section had such levy been based upon the pupil units computed under section 124.17 for that school year, then in that event the authorized levy for the following year shall be adjusted for the difference.

Sec. 80. Minnesota Statutes 1974, Section 275.125, Subdivision 6, is amended to read:

Subd. (6) 17. Notwithstanding any other charter provision, general or special laws to the contrary, every school district in the state shall abide by the terms and provisions of this section.

Sec. 81. Minnesota Statutes 1974, Section 275.125, Subdivision 7, is amended to read:

Subd. (7) 18. By November 1 of each year each district shall submit to the commissioner of education a certificate of compliance with the levy limitations of this section. The commissioner of education shall prescribe the form of this certificate.

Sec. 82. Minnesota Statutes 1974, Section 275.48, is amended to read:

275.48 [ADDITIONAL TAX LEVIES IN CERTAIN MUNICIPALITIES.] Whenever by virtue of chapter 278, sections 270.07, 375.192, or otherwise, the assessed valuation of any city, township or school district for any taxable year is reduced after the taxes for such year have been spread by the county auditor and whenever the mill rate as determined by the county auditor based upon the original assessed valuation is applied upon such

reduced valuations and does not produce the full amount of taxes as actually levied and certified for such taxable year upon the original assessed valuations, such city, township or school district may include in its tax levy made following *final determination and notice of such reduction* in assessed valuation, an amount equal to the difference between the total amount of taxes actually levied and certified for such taxable year upon the original assessed valuation, not exceeding the maximum amount which could be raised upon such assessed valuation as reduced, within existing mill limitations, if any, and the amount of taxes collected for such taxable year upon such reduced valuations.

The amount of taxes so included shall be levied separately and shall be levied in addition to all limitations (PERMITTED BY SECTION 275.11, AS OTHER APPLICABLE LAWS LIMITING LEVIES IN CITIES, TOWNS OR SCHOOL DISTRICTS) *imposed by law; and further shall not result in any penalty in the nature of a reduction in state aid of any kind.*

Sec. 83. Minnesota Statutes 1974, Section 475.54, Subdivision 2, is amended to read:

Subd. 2. A serial maturity schedule conforming to subdivision 1 may be established for each new issue of obligations of a municipality, or the governing body may in its discretion adjust such schedule so that the combined maturities of the new issue and any other designated issue or issues will conform to subdivision 1, provided that all such issues are general obligations or all are payable from a common fund. Notwithstanding the provisions of any other general or special law, any school district having an outstanding state loan or loans, if it issues and sells bonds on the public market for any purpose other than refunding such loans, *or refunding outstanding bonds as provided in this subdivision* shall adjust the schedule of the maturities thereof so that the total amount of principal and interest to become due on these bonds and on all other bonds of the school district, during each of the 30 fiscal or calendar years next following, will be as nearly equal as practicable, provided that the annual amounts of maturing principal may be fixed at multiples of \$5,000. *A school district which has an outstanding state loan or loans may refund outstanding bonds, provided that the school loan committee established in section 124.41 approves such refunding. The committee shall approve refunding outstanding bonds only if such refunding results in lower annual debt service payments than the district made prior to the refunding.*

Sec. 84. Laws 1967, Chapter 822, Section 7, as amended by Laws 1969, Chapter 945, Section 2, is amended to read:

Sec. 7. [TAX LEVIES.] (IF SO PROVIDED IN THE AGREEMENT.) The joint school board (MAY) *shall* each year, for the purpose of paying any administrative, planning, operating, or capital expenses incurred or to be incurred for area vocational-technical schools, certify to each participating school dis-

CONFERENCE COMMITTEE REPORT ON H. F. NO. 929

A bill for an act relating to banks, savings banks and credit unions; authorizing consumer banking facilities; providing penalties.

May 16, 1975

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Alec G. Olson
President of the Senate

We, the undersigned conferees for H. F. No. 929 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 929 be further amended as follows:

Strike everything after the enacting clause and insert:

“Section 1. [DEFINITIONS.] Subdivision 1. For the purposes of sections 1 to 10 the terms defined in this section have the meanings ascribed to them:

Subd. 2. “Bank” means a bank or savings bank organized under the laws of this state as defined in Minnesota Statutes, Section 47.02, or any national banking association having its principal office in this state.

Subd. 3. “Consumer banking facility” means any manned or unmanned device located separate and apart from a bank’s principal office or detached facility as authorized by Minnesota Statutes, Sections 47.51 to 47.57, which meets all of the following specifications:

(a) A consumer banking facility shall perform only services which may legally be provided by banks for their customers. However, a consumer banking facility located on the business premises of a person engaged in the sale of goods may be used to perform internal nonbanking functions for such persons.

(b) Banking services, when performed by a consumer banking facility, must be pursuant to the terms of an existing contractual arrangement between the bank providing its services and its customers.

(c) The person maintaining a consumer banking facility shall make it available for use by a bank located in Minnesota on a fair, equitable and non-discriminatory basis consistent with the provisions of this act.

Subd. 4. "Municipality" means the geographical area within the legal boundaries of any city or organized town located in Minnesota.

Sec. 2. [AUTHORIZATION.] Subdivision 1. Thirty days after written notice has been filed with the commissioner of banks, any bank may establish and maintain at a specific location, one or more consumer banking facilities for use by its customers, or may provide for the use of such facility to its customers by entering into agreement with any person or persons maintaining one or more consumer banking facilities. The commissioner of banks shall adopt rules and regulations specifying the contents of such notice. Written notification shall not be deemed filed until all information required by the commissioner of banks has been received by his office, which shall make such information available to any other bank requesting the use of any or all consumer banking facilities which are the subject of such notice.

Subd. 2. Subject to the notification procedures adopted by the commissioner of banks, a consumer banking facility may be established and maintained anywhere within a municipality in which no banks or detached facilities are located, or anywhere within a municipality in which at least one bank is located, provided a bank in that municipality, pursuant to the provisions of this section, has established and maintains or provides the use of one or more consumer banking facilities located in one or more municipalities. The location and placement of consumer banking facilities shall not be designed to give or promote an unfair competitive advantage to any bank in Minnesota.

Sec. 3. [FUNCTIONS OF A CONSUMER BANKING FACILITY.] Subdivision 1. Banking transactions which may be performed through the use of a consumer banking facility shall be limited to only lawful banking services, provided the services performed are pursuant to the terms of a preexisting contractual agreement between the bank and its customers. In particular

and not in limitation on the foregoing, deposits and withdrawals may be made through the use of a consumer banking facility, but accounts may not be opened at such facilities.

Subd. 2. The method by which a consumer banking facility performs banking transactions may include, but are not limited to, the utilization of electronic based systems.

Subd. 3. A consumer banking facility may be operated exclusively by bank customers or it may perform banking transactions through the assistance of any person provided that person is not employed by any bank, bank holding company or subsidiary. Such assistance shall not be deemed to be engaging in the business of banking. Persons assisting bank customers at the site of a consumer banking facility may be trained by bank employees and nothing in this section shall be construed to prohibit periodic servicing of a consumer banking facility by a bank employee.

Sec. 4. [ESTABLISHMENT AND MAINTENANCE OF A CONSUMER BANKING FACILITY.] *Subdivision 1. One or more consumer banking facilities may be established and maintained by a bank, or a group or combination of banks or by a third party if the party establishing and maintaining a consumer banking facility, exclusive of any supporting equipment, structure or system, limits its use to the performance of banking transactions for customers of Minnesota banks.*

Subd. 2. All banks shall comply with the notification procedures adopted by the commissioner of banks prior to providing the services of a consumer banking facility to its customers. Nothing in sections 1 to 10 shall be construed to provide authority for a party, other than a bank, to engage in the business of banking. The activities of third parties referred to in sections 1 to 10 are limited to the ownership, operation and maintenance of consumer banking facilities and any supporting equipment, structures or systems.

Subd. 3. A bank, group or combination of banks or third party establishing and maintaining a consumer banking facility shall, upon written request, make the services available to any bank on a fair, equitable and nondiscriminatory basis approved by the commissioner of banks which includes a pricing structure limited to the owner's direct costs, including a reasonable return on the capital expenditures incurred by the owner in establishing and maintaining consumer banking facilities.

Subd. 4. Sections 1 to 10 shall be construed as permitting the use of a consumer banking facility only to facilitate, between bank and a customer thereof, banking transactions deemed a part of the authorized business of such bank as conducted at its principal office. Content, use and distribution of any information, advertising material, or the use of any other promotional effort,

to the contrary, is prohibited. Consistent with the foregoing, any advertisement, either on or off a consumer banking facility, promoting the use or the location of a consumer banking facility which identifies any bank, group or combination of banks or any third parties owning or providing for the use of its services, is prohibited. Provided, however, the following shall be expressly permitted:

(a) A simple directory listing placed at the site of a consumer banking facility identifying the particular banks using its services;

(b) The use and the name, either on or off the consumer banking facility, which does not promote or identify any particular bank, group or combination of banks or any third party;

(c) A direct mailing of any information from a bank to its customers identifying the location and use of any consumer banking facility which said banks will provide, under the provisions of sections 1 to 10, for its customers.

Sec. 5. [VIOLATIONS; PENALTIES.] A violation of sections 1 to 10 shall be subject to penalties applicable to violations of laws affecting banks. In addition, a violation of sections 1 to 10 may be enjoined by a civil action for injunction by any aggrieved bank.

Sec. 6. The authorization for banks to establish, maintain or use the services of a consumer banking facility granted in sections 1 to 10 is rescinded upon a ruling by a federal court that any of the restrictions contained in sections 1 to 10 which regulate consumer banking facilities including the prohibition on opening new accounts at a consumer banking facility, the prohibition on advertising a consumer banking facility in a manner which identified it as belonging to a particular bank and the requirement that a consumer banking facility be available to all banks on a nondiscriminatory basis, do not apply to national banking associations.

Sec. 7. [CONSUMER PRIVACY.] To protect the privacy of customers using consumer banking facilities, a consumer banking facility, financial institution, or commercial business, except as provided by law, rule of the commissioner of banks, or consent of a customer, shall not provide any information about a customer transaction or a customer account to any unauthorized party.

Sec. 8. [ANTI-TRUST.] No financial institution, bank or bank holding company or service corporation engaged in consumer banking facility activities shall contract, combine or conspire to restrain trade in the market for consumer banking facilities or engage in anti-competitive practices to the detriment of the public interest.

Sec. 9. [EXAMINATION.] *A service corporation that provides any services to a consumer bank facility may be examined whenever the commissioner of banks deems it necessary. The service corporation shall pay examination fees as determined by the commissioner of banks.*

Sec. 10. [RULES AND REGULATIONS.] *The commissioner of banks may promulgate such rules and regulations as are reasonably necessary to carry out and make effective the provisions and purposes of this act pursuant to Minnesota Statutes 1974, Chapter 15.*

Sec. 11. Minnesota Statutes 1974, Chapter 52, is amended by adding a section to read:

[52.041] *Subdivision 1. [DEFINITIONS.] (a) A "credit union" means a cooperative association organized in accordance with the provisions of this chapter or Title 12 of the United States Code. (b) A "credit union consumer facility" means any manned or unmanned electronic based system, device or machine located separate and apart from the credit union offices through which a credit union member may communicate and obtain from his credit union any authorized service pursuant to terms of an existing contractual arrangement between a credit union and its member. The device may receive or dispense cash or transfer funds for a member's benefit, subject to verification of the credit union.*

Subd. 2. [CREDIT UNION CONSUMER FACILITY; AUTHORITY.] A credit union having its principal office in this state may own, establish, maintain or use one or more credit union consumer facilities.

Subd. 3. [SHARED FACILITIES.] A credit union may participate in the ownership, establishment, maintenance or use of one or more credit union consumer facilities with one or more credit unions. Approval to own, establish, maintain or use a credit union consumer facility shall be given by the commissioner of banks upon application of a credit union if it shall appear that the facility will benefit the members of the credit union and is consistent with purposes of Minnesota Statutes, Chapter 52.

Subd. 4. [RULES AND REGULATIONS.] Pursuant to Minnesota Statutes, Chapter 15, the commissioner of banks shall promulgate rules and regulations consistent with all applicable provisions of this act that are reasonably necessary to carry out and make effective the provisions and purposes of this section.

Subd. 4. Any person who is a former member and is presently employed by the Minnesota federation of teachers or its affiliated branches within the state, the Minnesota education association, the Minnesota association of school principals, the Minnesota association of secondary school principals or the Minnesota association of school administrators may elect to be a coordinated member in the fund based on such employment; provided, however, that no person shall also be entitled to such membership if he is also a member of a teachers retirement association in a city of the first class organized pursuant to chapter 354A for the same period of service. For such persons so employed on June 30, 1975, the election must be made prior to July 1, 1976. Subd. 4. The lump sum payments provided in this section for any person who is entitled to receive more than one such payment shall be reduced by dividing the amount of each such payment by the total number of such payments to which such person is entitled.

Subd. 5. Notwithstanding Minnesota Statutes 1974, Section 356.18, additional payments pursuant to this act will be made automatically unless the intended recipient files written notice with the retirement fund requesting that the additional payment not be made. Nothing in this act shall authorize payment to an estate. The additional payments provided in this section shall be payable December 1, 1975, and may be included in the regular monthly annuity payments for the month of November 1975. The amounts necessary to make such additional payments are hereby appropriated from the retirement funds enumerated in this section.

Notwithstanding any law to the contrary, for taxes levied in 1975 payable in 1976 and thereafter, levies for teachers retirement fund associations in cities of the first class, including levies for any employer social security taxes for teachers covered by a fully coordinated teachers retirement social security fund, are disallowed and the state shall assume the total employer obligation. Effective July 1, 1975 the state shall pay to said retirement fund association an employer contribution equal to the amount, expressed as a percentage of payroll, that the state of Minnesota is required to pay for all contributing members of the state teachers retirement association including social security taxes, in accordance with the provisions of Minnesota Statutes 1974, Section 354A.07, Subdivisions 3 and 4, except that:

Provided, however, that the changes in the employee contribution to the teachers retirement fund are contingent upon a determination of benefit adjustment by the legislature before March 1, 1976, as provided in section 30. After April 1, 1975, no teachers retirement fund association in a city of the first class shall enact any amendment to the bylaws or articles of incorporation; provided, however, that benefits for a teachers retirement fund association in a city of the first class may be increased by special law or general statute.

(c) [HEALTH DEPARTMENT.] (1) [HEALTH DEPARTMENT; PURPOSE.] It is the purpose of this subsection to provide enabling authority for Ramsey county to establish a comprehensive health department and to provide coordinated public and mental health services to the residents of Ramsey county. May 17, 1975

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Alec G. Olson
President of the Senate

We, the undersigned conferees for H. F. No. 1674 report that we have agreed upon the items in dispute and recommend as follows:

Strike everything after the enacting clause and insert:

"ARTICLE I

Section 1. [290A.01] *Sections 1 to 21 may be cited as the "State of Minnesota Income-Adjusted Homestead Credit Act."*

Sec. 2. [290A.02] [PURPOSE.] *The purpose of sections 1 to 21 is to provide property tax relief to certain persons who own or rent their homesteads.*

Sec. 3. [290A.03] [DEFINITIONS.] *Subdivision 1. [GENERALLY.] The following words, terms, and phrases when used in sections 1 to 21 shall have the meaning ascribed to them in this section, except where the context indicates a different meaning.*

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of revenue of the state of Minnesota.

Subd. 3. [INCOME.] "Income" means the sum of federal adjusted gross income as defined in the Internal Revenue Code of 1954 as amended through December 31, 1974, additions to federal adjusted gross income as provided in Minnesota Statutes, Section 290.01, Subdivision 20, Clause (a) (1), (a) (2), (a) (3), (a) (4), (a) (8), and (a) (10), and all nontaxable income, including but not limited to the amount of recognized net long term capital gains excluded from adjusted gross income, cash public assistance and relief, the gross amount of any pension or annuity (including railroad retirement benefits, all payments received under the federal social security act, and veterans disability pensions), nontaxable interest received from the state or federal government or any instrumentality thereof, workmen's compensation, unemployment benefits, nontaxable strike benefits, and the gross amount of "loss of time" insurance. In the case of an individual who files an income tax return on a fiscal year basis, the term "federal adjusted gross income" shall mean federal adjusted gross income reflected in the fiscal year ending in the calendar year. "Income" does not include gifts from nongovernmental sources, surplus food or other relief in kind supplied by a governmental agency, or relief granted under sections 1 to 21 or section 273.012, subdivision 2.

Subd. 4. [HOUSEHOLD.] "Household" means a claimant and an individual related to the claimant as husband or wife who are domiciled in the same homestead.

Subd. 5. [HOUSEHOLD INCOME.] "Household income" means all income received by all persons of a household in a calendar year while members of the household.

Subd. 6. [HOMESTEAD.] "Homestead" means the dwelling occupied by a claimant as a place of residence and so much of the land surrounding it, not exceeding one acre, as is reasonably necessary for use of the dwelling as a home, except that this restriction shall not be applicable to agricultural land assessed as part of a homestead pursuant to section 273.13, subdivision 6. The homestead may be owned or rented and may be a part of a multi-dwelling or multi-purpose building and the land on which it is built. A mobile home, as defined in section 168.011, subdivision 8, assessed as personal property may be a dwelling for purposes of this subdivision.

Subd. 7. [DEPENDENT.] "Dependent" means any person who is under 18 years of age at the end of the calendar year who receives more than 50 percent of his support from the claimant, or who is between 18 and 21 years of age and is a full time student who receives more than 50 percent of his support from the claimant.

Subd. 8. [CLAIMANT.] "Claimant" means a person who filed a claim authorized by sections 1 to 21 and who was domiciled in this state during the calendar year for which the claim

for relief was filed. In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes are payable for not less than six months of the calendar year covered by the claim. In the case of a part year resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. Maximum credit allowed under this computation would be at a rate of one twelfth of the maximum credit allowed pursuant to section 4 per month of residency computed to the nearest full month. When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final.

If a homestead is occupied by two or more unrelated renters, the rent shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Subd. 9. [DISABLED CLAIMANT.] "Disabled claimant" means any claimant who has a disability.

Subd. 10. [DISABILITY.] "Disability" means:

(a) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, or

(b) Blindness; and the term "blindness" means central acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered as having a central visual acuity of 20/200 or less.

(c) An individual shall be determined to be under a disability only if his physical or mental impairment or impairments are of such severity that he is not only unable to do his previous work but cannot, considering his age, education, and work experience, engage in any other kind of substantial gainful work which exists in the state economy, regardless of whether the work exists in the immediate area in which he lives, or whether a specific job vacancy exists for him, or whether he would be hired if he applied for work. For purposes of the preceding sentence, "work which exists in the state economy" means work which exists in significant numbers either in the area where the individual lives or in several areas of the state.

(d) A "physical or mental impairment" is an impairment that results from anatomical, physiological, or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques.

Subd. 11. [RENT CONSTITUTING PROPERTY TAXES.] "Rent constituting property taxes" means 20 percent of the gross rent actually paid in cash, or its equivalent, in 1975 or any subsequent calendar year by a claimant solely for the right of occupancy of his Minnesota homestead in the calendar year, and which rent constitutes the basis, in the succeeding calendar year of a claim for relief under sections 1 to 21 by the claimant.

Subd. 12. [GROSS RENT.] "Gross rent" means rental paid solely for the right of occupancy, at arms-length, of a homestead, exclusive of charges for any utilities, services, furniture, furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether expressly set out in the rental agreement or not. If the landlord and tenant have not dealt with each other at arms-length and the commissioner determines that the gross rent charged was excessive, he may adjust the gross rent to a reasonable amount for purposes of sections 1 to 21.

If the landlord does not supply the charges for any utilities, furniture, furnishings or personal property appliances furnished by him, or if the charges appear to be incorrect the commissioner may apply a percentage determined from samples of similar gross rents paid solely for the right of occupancy.

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made pursuant to Minnesota Statutes, Section 273.13, Subdivisions 6 and 7, but after deductions made pursuant to Minnesota Statutes, Section 273.135, in 1976 or any calendar year thereafter. For homesteads which are mobile homes as defined in Minnesota Statutes, Section 168.011, Subdivision 8, "property taxes payable" shall also include 20 percent of gross rent paid in the preceding year for the site on which the homestead is located, exclusive of charges for utilities or services. When a homestead is owned by two or more persons as joint tenants or tenants in common and one or more is not a claimant or spouse of a claimant, "property taxes payable" is that part of the property taxes payable on the homestead as reflects the percentage of ownership of the claimant and spouse. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

When a claimant and his spouse own their homestead part of the calendar year and rent it or a different homestead for part of the same year "property taxes payable" means only taxes payable on the homestead which was owned and occupied as such

by claimant and spouse on January 2 of the year in which the tax is payable, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead during the preceding year.

Sec. 4. [290A.04] [CREDIT ALLOWABLE.] Subdivision 1. A credit shall be allowed each claimant in the amount that property taxes payable or rent constituting property taxes exceed the percentage of the household income of the claimant specified in subdivision 2 in the year for which the taxes were levied or in the year in which the rent was paid. The maximum credit for any claimant who was disabled on June 1 or who attained the age of 65 prior to June 1 of the year following the year for which the taxes were levied or in which the rent was paid shall be \$200 above the maximum for which that claimant would otherwise be eligible according to his income.

Subd. 2. The credit shall be paid to claimants whose property taxes payable exceed the following percentages of their income up to the designated maximum credit amounts:

For claimants earning:

0 to \$ 2,499,	1.0 percent,	up to \$475;
2,500 to 19,999,	1.5 percent,	up to \$475;
20,000 to 22,999,	1.6 percent,	up to \$475;
23,000 to 25,999,	1.8 percent,	up to \$425;
26,000 to 30,999,	2.0 percent,	up to \$375;
31,000 to 35,999,	2.2 percent,	up to \$350;
36,000 to 40,999,	2.4 percent,	up to \$325;
41,000 to 44,999,	2.6 percent,	up to \$325;
45,000 to 52,999,	2.8 percent,	up to \$325;
53,000 to 65,999,	3.0 percent,	up to \$325;
66,000 to 81,999,	3.2 percent,	up to \$325;
82,000 to 99,999,	3.5 percent,	up to \$325;
100,000 and over,	4.0 percent,	up to \$325;

provided that maximum credits for incomes above \$20,000 decline according to the following schedule:

between \$20,000 and \$26,000 decline \$16.67 per \$1,000; between \$26,000 and \$36,000 decline \$5 per \$1,000.

The credit shall be the amount calculated pursuant to this subdivision, less the homestead credit given pursuant to Minnesota Statutes, Section 273.13, Subdivisions 6 and 7.

Subd. 3. The commissioner of revenue shall construct and make available to taxpayers a comprehensive table showing the property taxes to be paid and credit allowed at various levels of income and assessment. The table shall follow the schedule of income percentages and maximums specified in subdivision 2, except that the commissioner may graduate the transition between income brackets.

Sec. 5. [290A.05] [COMBINED HOUSEHOLD INCOME.] If a person occupies a homestead with another person or persons not related to the person as husband and wife, excluding dependent children, roomers or boarders on contract, and has property tax payable with respect to the homestead, the household income of the claimant or claimants for the purpose of computing the credit allowed by section 4 shall include the total income received by the other persons residing in the homestead. If a person occupies a homestead with another person or persons not related as husband and wife or as dependent children, the property tax payable or rent constituting property tax shall be reduced as follows:

If the other person or persons are residing at the homestead under rental or lease agreement, the amount of property tax payable or rent constituting property tax shall be that portion not covered by the rental agreement.

Sec. 6. [290A.06] [FILING TIME LIMIT, LATE FILING.] Any claim for property taxes payable shall be filed with the department of revenue on or before August 31 of the year in which the property taxes are due and payable, except that for homesteads which are mobile homes the claim shall be filed on or before October 31 of the year in which the property taxes are due and payable. The commissioner may extend the time for filing these claims for a period not to exceed six months in the case of sickness, absence, or other disability, or when in his judgment other good cause exists.

A claim filed after the original or extended due date shall be allowed, but the amount of credit shall be reduced by five percent of the amount otherwise allowable, plus an additional five percent for each month of delinquency, not exceeding a total reduction of 25 percent. In any event no claim shall be allowed if the claim is filed two years after the original due date for filing the claim.

Sec. 7. [290A.07] [TIME FOR PAYMENT.] *Subdivision 1. Allowable claims filed pursuant to the provisions of this article shall be paid by the commissioner from the general fund.*

Subd. 2. Subd. 2. *The county board may select the hospital at which the indigent person shall receive care.*

Sec. 10. Minnesota Statutes 1974, Section 261.22, Subdivision 2, is amended to read:

Subd. 2. [DUTIES OF COUNTY BOARD.] If upon filing of such report and a full investigation of the application the county board shall be satisfied that the case is one which could be remedied by hospital treatment and that such afflicted person is financially unable to secure or provide the same for himself and that the persons legally charged with the support and maintenance of such person, if any there be, are financially unable to provide such hospitalization, the county board may grant or approve said application. If the county board is not so satisfied, it may take additional testimony or make such further investigation as it shall deem proper and it shall reject any application if it finds that the facts do not merit the expenditure of public money for the relief of such afflicted person. Upon the approving and granting such application and the relief therein prayed for, the chairman of such county board shall arrange for the hospitalization of such afflicted person, *in a hospital selected by the county.* If the county board shall find that the applicant or the person legally responsible for his support and maintenance is not able to pay in full but is able to pay in part for such hospitalization at such hospital, the county board may approve such application of such afflicted person on such terms of division of hospital charges and costs as it may deem equitable and just. The county board shall provide for taking such afflicted person to the hospital. When a physician certifies that an emergency exists in any case and that he believes that the person suffering is unable to pay for hospitalization such person shall be admitted to any such hospital upon the order of the chairman of the county board or upon the order of the county commissioner of the district in which such alleged indigent person resides; and thereafter an investigation shall be made in the manner hereinbefore provided. When a physician certifies in a case of an injury (or an emergency) that immediate surgical or medical

treatment is necessary, the patient shall forthwith be admitted to any such hospital upon said certificate for a period not to exceed 72 hours; and thereafter an investigation shall be certified and made in the manner provided in sections 261.21 to 261.23.

Sec. 11. Minnesota Statutes 1974, Section 261.23, is amended to read:

261.23 [COSTS OF HOSPITALIZATION.] The costs of hospitalization of such indigent persons exclusive of medical and surgical care and treatment shall not exceed in amount the full rates fixed and charged by the Minnesota general hospital under the provisions of sections 158.01 to 158.11 for the hospitalization of such indigent patients. *Ninety percent of the cost of the hospitalization of indigent persons under the provisions of sections 261.21 to (261.23) 261.231 and section 12 of this article shall be paid by the state and ten percent of the cost of hospitalization shall be paid by the county of the residence of such indigent persons at such times as may be provided for in such contract; and in case of an injury or emergency requiring immediate surgical or medical treatment, for a period not to exceed 72 hours, 90 percent of the cost shall be paid by the state and ten percent of the cost shall be paid by the county from which such patient, if indigent, is certified. If the county of residence of the patient is not the county in which the patient has legal settlement for the purposes of poor relief, then the county of residence may seek reimbursement from the county in which the patient has settlement for the purposes of poor relief for all costs it has necessarily incurred and paid in connection with the hospitalization of said patient.*

Subd. 5. *Notwithstanding any other law to the contrary for taxes levied in 1975 payable in 1976 and thereafter, "special*

levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any action other than an action on an express contract or default on an express contract, or to pay the costs of settlements out of court against the governmental subdivision in any action other than an action on an express contract when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, but only to the extent of the increase in levy for such judgments and out of court settlements over levy year 1970, taxes payable in 1971;

The commissioner of revenue shall in consultation with other state departments and agencies, develop a suggested form for use by the state of Minnesota, its agencies and subdivisions in issuing orders pursuant to this subdivision;

(c) pay the costs of complying with any law enacted by the (1971) 1975 legislature or a (PRIOR OR) subsequent year's legislature which specifically and directly requires a new or altered activity after levy year (1970) 1974, taxes payable in (1971) 1975, but only to the extent of the increased cost for such activity after levy year (1970) 1974, taxes payable in (1971) 1975;

(d) pay the costs of an expanded county court system to the extent of the increase in costs over the amount levied in support of a county court or a probate court in levy year (1970) 1974, taxes payable in (1971) 1975;

(e) pay amounts required by any public pension plan to the extent that operation of the laws of the state of Minnesota or the United States governing such fund directly causes the level of governmental financial support to exceed the level of such support prior to July 1, 1971, provided that such increases are not the result of amendment by any means to the benefit plan after July 1, 1971, which required the approval of the governing body of the governmental subdivision;

(f) pay amounts required to be levied in support of a volunteer firemen's relief association if resulting from the operation of sections 69.772 and 69.773;

(g) pay the costs to a governmental subdivision for their share of any program otherwise authorized by law, including the administrative costs of social services and of county welfare systems, for which matching funds have been appropriated by the state of Minnesota or the United States, but only to the extent that the costs to the governmental subdivision for the program exceed those expended in calendar year 1970, subject to rules promulgated by the commissioner of revenue pursuant to the administrative procedures act;

(h) pay expenses reasonably and necessarily incurred in preventing, preparing for or repairing the effects of natural disaster. "Natural disaster" as used herein means the occurrence or threat of widespread or severe damage, injury or loss of life or property resulting from natural causes, including and limited to fire, flood, earthquake, wind storm, wave action, oil spill, or other water contamination requiring action to avert danger or damage, volcanic activity, drought or air contamination. The emergency services division of the state department of public safety shall formulate standards by which an occurrence of any of the aforementioned natural phenomena would be deemed a natural disaster by reason of the level of damage, injury or loss of life or property that has occurred or would occur if preventative action was not taken;

(i) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law;

(j) pay the costs of principal and interest on bonded indebtedness, or, effective for taxes levied in 1973 and years thereafter, to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(k) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency;

(l) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(m) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(n) pay the amounts required to compensate for a decrease in revenues from public service enterprises, municipal liquor stores, licenses, permits, fines and forfeits and no other, to the extent that the aggregate of revenues from these sources in the calendar year preceding the year of levy are less than the aggregate of revenues from these sources in calendar year 1971. "Revenues" from a public service enterprise or a municipal liquor store shall mean the net income or loss of such public service enterprise or municipal liquor store, determined by subtracting total expenses from total revenues, and before any contribution to or from the governmental subdivision. "Fines" for a municipal court means the net amount remaining after subtracting total municipal court expenses from total collections of municipal court fines. A governmental subdivision shall qualify for this special levy only if the decrease in aggregate revenues as computed herein and divided by the population of the governmental subdivision in the preceding levy year is equal to or greater than two percent of the per capital levy limitation for the preceding levy year;

(o) pay the amounts required to compensate for a decrease in mobile homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 273.13, subdivision 3, as amended, is less than the distribution of the mobile homes tax to the governmental subdivision pursuant to section 273.13, subdivision 3, in calendar year 1971;

(q) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission in levy year 1971 or a subsequent levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(r) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in levy year 1971 or a subsequent levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(s) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal commission in levy year 1971 or a subsequent levy year, but only to the extent and for the levy years as provided by the commission in its order pursuant to section 414.01, subdivision 15. *Special levies authorized by the commission shall not exceed 50 percent of the levy limit base of the governmental subdivi-*

sion and may not be in effect for more than three years after the commission's order;

(t) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows. The governmental subdivision may calculate the aggregate of:

(1) The increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) The amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value of private industrial and nonresidential commercial development within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate parcels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and nonresidential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy" for the increased costs of municipal services provided to new private industrial and nonresidential commercial development (.);

(u) recover a loss or refunds in tax receipts incurred in non-special levy funds resulting from abatements or court action in the previous year pursuant to section 275.48.

Sec. 2. Minnesota Statutes 1974, Section 275.51, Subdivision 1, is amended to read:

275.51 [LEVY LIMITS.] Subdivision 1. Notwithstanding any provisions of law or municipal charter to the contrary which

authorize ad valorem levies in excess of the limitations established by sections 275.50 to 275.56, but subject to section 275.56, the provisions of this section shall apply to the levies by governmental subdivisions in the years (1971, 1972) 1975, 1976 and subsequent years for all purposes other than those for which special levies and special assessments are made.

Sec. 3. Minnesota Statutes 1974, Section 275.51, is amended by adding a subdivision to read:

Subd. 3b. The property tax levy limitation for governmental subdivisions in 1975 payable in 1976 shall be calculated as follows:

(a) *The sum of (1) the property tax permitted to be levied in 1974 payable in 1975 computed pursuant to Minnesota Statutes 1974, Section 275.51, Subdivisions 3 or 3a plus (2) the amount of any state aids the governmental subdivision was entitled to receive in calendar year 1975 pursuant to sections 477A.01, 298.26, 298.282, 298.28, subdivisions 1 and 1a, 298.281, subdivision 1, 298.32 and 294.26, plus (3) the amount levied in 1974 payable in 1975 pursuant to Minnesota Statutes 1974, Section 275.50, Subdivision 5, Clauses (c) and (d) plus (4) the amount of any increase authorized pursuant to section 6 plus (5) the amount of any increase allowed pursuant to Laws 1974, Chapter 490.*

(b) *The sum derived in clause (a) shall be divided by the population of the governmental subdivision as determined pursuant to section 275.53 for calendar year 1974.*

(c) *The resultant quotient shall be increased pursuant to section 275.52, subdivision 2 to derive the levy limit base per capita for taxes levied in 1975 payable in 1976.*

(d) *The levy limit base per capita for 1975 payable 1976 shall be multiplied by the population of the governmental subdivision as determined pursuant to section 275.53 for calendar year 1975. This is the levy limit base for 1975 payable in 1976.*

In cities and townships the levy limit base shall be reduced by 82.5 percent of the amount of state formula aids to be paid in 1976 pursuant to Minnesota Statutes, Section 477A.01, and the taconite aids to be paid in 1976 pursuant to Minnesota Statutes, Sections 294.26, 298.26, 298.28, Subdivision 1, 298.282, and 298.32 and article XI of this act. In the case of counties the levy limit base shall be reduced by the total amount of state formula aids to be paid in 1976 pursuant to Minnesota Statutes, Section 477A.01 and the taconite aids to be paid in 1976 pursuant to Minnesota Statutes, Sections 294.26, 298.26, 298.28, Subdivisions

1 and 1a, 298.281, Subdivision 1, and 298.32 and article XI of this act. The resulting figure is the amount of property taxes which a governmental subdivision may levy in 1975 payable in 1976 for all purposes other than those for which special levies and special assessments are made.

Sec. 4. Minnesota Statutes 1974, Section 275.51, is amended by adding a subdivision to read:

Subd. 3c. The property tax levy limitation for governmental subdivisions in 1976 payable in 1977 shall be calculated as follows:

(a) In cities and townships, the sum of the levy limit base computed pursuant to subdivision 3b plus 17.5 percent of the local government aids received in calendar year 1976 pursuant to Minnesota Statutes, Section 477A.01 plus any increases authorized by section 6 shall be determined. This sum shall be divided by the population of the city or township as determined in accordance with section 275.53 for calendar year 1975. The resultant quotient shall be increased pursuant to section 275.52, subdivision 2 to derive the levy limit base per capita for the city or town for taxes levied in 1976 payable in 1977.

(b) In the case of counties, the levy limit base computed pursuant to subdivision 3b plus any increase pursuant to section 6 plus any increase allowed pursuant to Laws 1974, Chapter 490 shall be divided by the population of the county for calendar year 1976 as determined pursuant to section 275.53. The resultant quotient shall be increased pursuant to section 275.52, subdivision 2 to derive the levy limit base per capita for the county for taxes levied in 1976 payable in 1977.

(c) In all governmental subdivisions the levy limit base per capita for 1976 payable 1977 shall be multiplied by the population of the governmental subdivision as determined pursuant to section 275.53 for calendar year 1976. This is the levy limit base for 1976 taxes payable in 1977.

The levy limit base shall be reduced by the full amount of state formula aids to be paid in 1977 pursuant to Minnesota Statutes, Section 477A.01, and taconite aids to be paid in 1977 pursuant to Minnesota Statutes, Sections 294.26, 298.26, 298.28, Subdivisions 1 and 1a, 298.281, Subdivision 1, 298.282, and 298.32 and article XI of this act. The resulting figure is the amount of property taxes which a governmental subdivision may levy in 1976 payable in 1977 for all purposes other than those for which special levies and special assessments are made.

Sec. 5. Minnesota Statutes 1974, Section 275.51, Subdivision 4, is amended to read:

Subd. 4. (IF IN 1971 THE LEVY MADE BY ANY GOVERNMENTAL SUBDIVISION EXCEEDS THE LIMITATION PROVIDED IN THIS SECTION, EXCEPT WHEN SUCH EXCESS LEVY IS DUE TO THE ROUNDING OF THE MILL RATES OF THE GOVERNMENTAL SUBDIVISION IN ACCORDANCE WITH SECTION 275.28, SUBSEQUENT DISTRIBUTIONS OF FORMULA AIDS PURSUANT TO SECTIONS 298.282 AND 477A.01, AS AMENDED, SHALL BE REDUCED 10 CENTS FOR EACH FULL DOLLAR THAT THE LEVY EXCEEDS THE LIMITATION IMPOSED BY THIS SECTION.) If in any year subsequent to (1971) 1973 the levy made by a governmental subdivision exceeds the limitation provided in sections 275.50 to 275.56, except when such excess levy is due to the rounding of the mill rates of the governmental subdivision in accordance with section 275.28, subsequent distributions required to be made by the commissioner of finance from any formula aids pursuant to (SECTIONS 298.282 AND 477A.01, AS AMENDED) *Minnesota Statutes, Section 477A.01*, shall be reduced 33 cents for each full dollar the levy exceeds the limitation; provided that a governmental subdivision may determine to levy in excess of the limitation provided in sections 275.50 to 275.56 by not to exceed five percent by passing a resolution setting forth the amount by which the levy limit is proposed to be exceeded. Thereafter the resolution shall be published for two successive weeks in the official newspaper of the governmental subdivision or if there be no official newspaper, in a newspaper of general circulation therein, together with a notice fixing a date for a public hearing on the proposed increase which hearing shall be held not less than two weeks nor more than four weeks after the first publication of the resolution. Following the public hearing, the governing body may determine to take no further action, or in the alternative, adopt a resolution authorizing the levy as originally proposed, or adopt a resolution approving a levy in such lesser amount as it so determines. The resolution authorizing a levy in excess of the limitation imposed by sections 275.50 to 275.56 shall be published in the official newspaper of the governmental subdivision or if there be no official newspaper, in a newspaper of general circulation therein. If within 30 days thereafter, a petition signed by voters equal in number to five percent of the votes cast in the governmental subdivision in the last general election or 2,000 voters, whichever is less, requesting a referendum on the proposed resolution is filed with the clerk or recorder of the governmental subdivision if the governmental subdivision is a city or town, or with the county auditor if the governmental subdivision is a county, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue is directed to prepare a suggested form of question to be presented at any such referendum. A levy approved at any such referendum held at a special or general election held prior to October 1 in any levy year increases the allowable levy in that same levy year and provides a permanent adjustment to the levy limit base per capita of the

governmental subdivision for future levy years, and there shall be no reduction in distributions of formula aids to the governmental subdivision as a result of such levy. If no referendum is requested, the excess levy authorized by the resolution, if the resolution is adopted prior to October 1 in any year, may be levied in that same levy year and subsequent distributions required to be made by the commissioner of finance from any formula aids pursuant to (EXTRA SESSION LAWS 1971, CHAPTER 31). *Minnesota Statutes, Section 477A.01*, shall be reduced 15 cents for each full dollar the levy exceeds the limitation. (A LEVY MADE IN 1971 PRIOR TO THE EFFECTIVE DATE OF EXTRA SESSION LAWS 1971, CHAPTER 31 SHALL BE REVIEWED AND MAY BE MODIFIED BY THE APPROPRIATE AUTHORITY OF THE GOVERNMENTAL SUBDIVISION FOR THE PURPOSE OF REDUCING SUCH LEVY TO CONFORM TO THE LIMITATIONS IMPOSED BY THIS SECTION. ANY REDUCTION IN SUCH LEVY MADE PRIOR TO DECEMBER 15, 1971, SHALL BE GIVEN THE SAME EFFECT AS THOUGH SUCH REDUCTION HAD BEEN MADE PRIOR TO THE EXPIRATION OF THE TIME ALLOWED BY LAW FOR MAKING THE LEVY.) The provisions of this subdivision shall apply to the levy of a metropolitan county before the reduction required pursuant to section 163.051, subdivision 5.

Sec. 6. Minnesota Statutes 1974, Section 275.52, is amended by adding a subdivision to read:

Subd. 4. For taxes levied in 1975 payable in 1976 and subsequent years the levy limit base of a governmental subdivision may be increased upon approval by the levy limit review board established in section 275.551, for the following reasons:

(a) Any governmental subdivision which spent money from its surplus funds for nonspecial levy purposes in calendar year 1971 may have its levy limit base increased by an amount not to exceed the amount of revenue it used from surplus funds for nonspecial levy purposes in calendar year 1971.

(b) Any governmental subdivision which has been required to provide new services because of changes in state law, whether or not the changed law directly mandates new services, may have its levy limit base increased by an amount not to exceed the amount required to finance the services, provided that the services may not be financed by special levies or special assessments.

(c) Any governmental subdivision which has been required to provide new or expanded services because of annexations, consolidations, mergers or new incorporations since 1971 may have its levy limit base increased by an amount not to exceed the

amount required to finance the general operating costs involved in such services.

Any governmental subdivision which desires to have its levy limit base adjusted under the provisions of this subdivision shall apply to the commissioner of revenue, who shall submit all applications to the levy limit review board established in section 275.551. Applications shall be in the form and accompanied by the data required by the levy limit review board. Adjustments authorized by the levy limit review board shall become a permanent part of the levy limit base for the governmental subdivision. The levy limit review board may authorize only one levy limit base adjustment for any governmental subdivision under this subdivision.

Sec. 7. Minnesota Statutes 1974, Section 275.53, Subdivision 3, is amended to read:

Subd. 3. (a) In lieu of passing a resolution pursuant to subdivision 2, the governing body of a governmental subdivision may pass by June 1 of any year a resolution containing an estimate of the current population of the subdivision. The resolution shall describe (WITH SPECIFICITY) the criteria upon which the estimate is based, and shall state that the estimate is made for purposes of increasing that subdivision's tax levy pursuant to sections 275.50 to 275.56. *The resolution shall be in the form and accompanied by the data required by the state planning agency.*

(b) The resolution shall then be submitted to the state planning agency. The agency shall determine, and (SO) inform the subdivision in writing within 30 days of receipt of the resolution, whether the criteria *and process* described therein do or do not provide a reasonable basis for the population estimate. (NO DETERMINATION BY THE AGENCY MADE PURSUANT TO THIS SUBDIVISION SHALL CONSTITUTE, NOR SHALL IT BE REPRESENTED AS CONSTITUTING, A DETERMINATION OF ACTUAL POPULATION) *The estimate prepared by the subdivision shall be reviewed by the state planning agency with reference to county population estimates prepared by the state demographer. The state demographer's county population estimates will be used as a county control.*

(c) If the agency determines that the criteria *and process* used by the subdivision do not provide a reasonable basis for the population estimate, the resolution shall be of no effect. If the agency determines that the criteria do provide a reasonable basis for the population estimate, the resolution shall be published at least once in a legal newspaper of general circulation in said subdivision. Said estimate may be used for computing the amount of ad valorem taxes the subdivision may levy, unless within 30 days following the publication of the resolution, 10 percent or

more of the registered voters of the subdivision, or if the subdivision does not require voter registration, then 10 percent or more of its voters, who voted at the subdivision's last election, sign a petition demanding a special census, and submit the petition to the governing body of the subdivision.

(d) Attached to the petition shall be an affidavit executed by the circulator or circulators thereof, stating that he or they personally circulated the petition, the number of signatures thereon, that all signatures were affixed in his or their presence and that he or they believe them to be genuine signatures of the persons whose names they purport to be. Each signature need not be notarized.

(e) Upon the receipt of a petition conforming to this subdivision, the governing body shall pass a resolution requesting the secretary of state to take a special census of the governmental subdivision. The census shall be taken and financed pursuant to the provisions of subdivision 2. Any population estimate made by the governing body of any governmental subdivision shall be superseded by any subsequent state or federal census taken pursuant to sections 275.50 to 275.56 or any other law, or by a population estimate made by the metropolitan council or the state demographer. The governing body of a governmental subdivision may not avail itself of the provisions of this subdivision during any year for which any state or federal census has been taken or for which the metropolitan council has made a population estimate of the subdivision.

Sec. 8. Minnesota Statutes 1974, Section 275.59, is amended to read:

275.59 [GOVERNMENTAL SUBDIVISIONS UNDER 2,500 POPULATION; EXEMPTION FROM LEVY LIMITS.] Commencing with levy year (1973) 1975 and thereafter, taxes payable in (1974) 1976 and thereafter, the provisions of sections 275.50 to 275.56 shall not apply to any city, statutory city or town with statutory city powers whose population according to the latest state or federal census is under (500) 2,500.

Sec. 9. Minnesota Statutes 1974, Section 273.138, Subdivision 6, is amended to read:

Subd. 6. If a county government, city or township is subject to the provisions of sections 275.50 to 275.56, the amount of aid calculated for such taxing district pursuant to subdivision 2 for (1974 OR A SUBSEQUENT YEAR) 1976 shall be deducted from the taxing district's (CURRENT LEVY YEAR'S) *levy year 1975, taxes payable 1976* levy limit base determined pursuant to (SECTION 275.51, SUBDIVISION 3 IN DETERMINING) *section 3 and the amount of aid calculated for such taxing*

district pursuant to subdivision 2 for 1977 shall be deducted from the taxing district's levy year 1976, taxes payable 1977 levy limit base determined pursuant to section 4 for the purpose of calculating the taxing district's levy limitation for taxes payable in (1974 OR SUCH SUBSEQUENT YEAR) 1976 or 1977 as the case may be. The amount of aid calculated for a school district pursuant to subdivision 3, clauses (2), (3), (4), (5) and (6) for 1975 or a subsequent year shall be deducted from the school district's maintenance levy limitation established pursuant to section 275.125, subdivision 2a, in determining the amount of taxes the school district may levy for general and special purposes for taxes payable in 1975 or a subsequent year.

Sec. 10. [REPEALER.] *Minnesota Statutes 1974, Section 275.51, Subdivisions 3 and 3a, are repealed.*

ARTICLE V

Section 1. *Minnesota Statutes 1974, Section 290.09, Subdivision 29, is amended to read:*

Subd. 29. [DEDUCTIONS ATTRIBUTABLE TO FARMING.] (a) [DEFINITION.] For purposes of (LAWS 1973, CHAPTER 737) *this subdivision*, income and gains and expenses and losses shall be considered as "arising from a farm" if such items are received or incurred in connection with cultivating the soil, or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, bees, poultry, and fur-bearing animals and wildlife, and all operations incident thereto, including but not limited to the common use of "hedging".

(b) [DEDUCTIONS LIMITED.] Except as provided in (LAWS 1973, CHAPTER 737) *this subdivision*, expenses and losses, except for interest and taxes, arising from a farm shall not be allowed as deductions in excess of income and gains arising from a farm.

(c) [DEDUCTIONS ALLOWED; CARRYOVER DEDUCTIONS.] *For taxable years beginning on or after January 1, 1974*, expenses and losses arising from a farm or farms shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the (AMOUNT OF NON-FARM GROSS INCOME, OR TAXABLE NET INCOME IN THE CASE OF A CORPORATION, NOT TO EXCEED THE AMOUNT OF \$10,000 REDUCED BY THE AMOUNT BY WHICH SUCH NON-FARM INCOME EXCEEDS THE AMOUNT OF \$10,000. ANY REMAINING BALANCE OF SUCH DEDUCTIONS SHALL BE CARRIED BACK

THREE YEARS AND CARRIED FORWARD FIVE YEARS, IN CHRONOLOGICAL ORDER) *first \$15,000 of non-farm gross income, or non-farm taxable net income in the case of a corporation, provided however that in any case where non-farm income exceeds \$15,000, the maximum allowable amount of \$15,000 shall be reduced by twice the amount by which the non-farm income exceeds the amount of \$15,000. Any remaining balance of the deductions shall be carried back three years and carried forward five years, in chronological order.*

Current expenses and losses shall be utilized as deductions in any taxable year, to the extent herein allowable, prior to the application of any carryback or carryover deductions. In any event, the combined amounts of such current expenses and losses and carryback or carryover deductions shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the (AMOUNT OF NON-FARM GROSS INCOME, OR TAXABLE NET INCOME IN THE CASE OF A CORPORATION, NOT TO EXCEED THE AMOUNT OF \$10,000 REDUCED BY THE AMOUNT BY WHICH SUCH NON-FARM INCOME EXCEEDS THE AMOUNT OF \$10,000) *first \$15,000 of non-farm gross income, or non-farm taxable net income in the case of a corporation, provided however that in any case where non-farm income exceeds \$15,000, the maximum allowable amount of \$15,000 shall be reduced by twice the amount by which the non-farm income exceeds the amount of \$15,000.*

(d) For purposes of (LAWS 1973, CHAPTERS 737) *this subdivision, individual shareholders of an electing small business corporation shall be considered separate entities.*

(e) [SPECIAL PERIOD OF LIMITATION WITH RESPECT TO FARM LOSS LIMITATION CARRYBACKS.] *For the purposes of sections 290.46 and 290.50, if the claim for refund relates to an overpayment attributable to a farm loss limitation carryback under this subdivision, in lieu of the period of limitation prescribed in sections 290.46 and 290.50, the period of limitation shall be that period which ends with the expiration of the 15th day of the 46th month (or the 45th month, in the case of a corporation) following the end of the taxable year of the farm loss which results in the carryback. No deduction or refund shall be allowed on 1974 returns for farm losses which have been previously carried back to earlier years and for which a tax refund or reduction has been allowed.*

(f) [INTEREST ON CLAIMS.] *In any case in which a taxpayer is entitled to a refund in a carryback year due to the carryback of a farm loss, interest shall be computed only from the end of the taxable year in which the loss occurs.*

Sec. 2. [EFFECTIVE DATE.] *The provisions of this article shall be applicable to taxable years beginning on or after January 1, 1974.*

ARTICLE VI

Section 1. [EXEMPTION FOR FEDERAL INCOME TAX REBATE.] *All amounts received by individual taxpayers pursuant to Title I of Public Law 94-12 of the Tax Reduction Act of 1975, shall be exempt from taxation as income as provided by Minnesota Statutes, Chapter 290.*

The amount appropriated by this subdivision is in addition to such sums of money which may be heretofore appropriated to the "Tax Study Commission."*

ARTICLE VIII

Section 1. Minnesota Statutes 1974, Section 270.16, is amended to read:

270.16 [PROPERTY OMITTED OR UNDERVALUED; REASSESSMENT.] *Subdivision 1. When it shall be made to appear to the commissioner of revenue, by complaint or by the finding of a court or of the legislature, or either body of the legislature, or any committee of the legislature, or any city council or county board, that any considerable amount of property has been improperly omitted from the tax list or assessment roll of any district or county for any year, or, if assessed, that the same has been undervalued or overvalued, as compared with like property in the same county or in the state so that the assessment for such year in such district or county is grossly unfair and inequitable, whether or not the same has been equalized by the county board of equalization or the commissioner of revenue, the commissioner of revenue shall examine into the facts in the*

matter and, if satisfied therefrom that it would be for the best interests of the state that a reassessment of such property be made, he shall appoint a special assessor and such deputy assessors as may be necessary and cause a reassessment to be made of all or any of the real and personal property, or either, in any such district or county as he may deem best, to the end that all property in such district or county shall be assessed equitably as compared with like property in such district or county.

Subd. 2. When an assessor has failed to appraise or has improperly appraised at least one quarter of the parcels of property in a district or county for two consecutive years, the commissioner of revenue shall appoint a special assessor and deputy assessor as necessary and cause a reappraisal to be made of the property due for reassessment pursuant to that section.

Sec. 2. Minnesota Statutes 1974, Section 273.01, is amended to read:

273.01 [LISTING AND ASSESSMENT, TIME.] All real property subject to taxation shall be listed and (ASSESSED EVERY ODD-NUMBERED) *at least one fourth of the parcels listed shall be appraised each year with reference to (ITS) their value on January 2 preceding the assessment (, AND) so that each parcel shall be reappraised at maximum intervals of four years.* All real property becoming taxable in any (INTERVENING) year shall be listed (AND ASSESSED) with reference to its value on January 2 of that year. Except for the corrections permitted herein, all real property assessments shall be completed two weeks prior to the date scheduled for the local board of review or equalization and no valuations entered thereafter shall be of any force and effect. In the event a valuation and classification is not placed on any real property by the dates scheduled for the local board of review or equalization the valuation and classification determined in the preceding assessment shall be continued in effect and the provisions of section 273.13 shall, in such case, not be applicable, except with respect to real estate which has been constructed since the previous assessment. The county assessor or any assessor in any city of the first class may either before or after the dates specified herein correct any errors in valuation of any parcels of property, that may have been incurred in the assessment; provided, that in the case of such correction it increases the valuation of any parcel of property, the assessor shall notify the owner of record or the person to whom the tax statement is mailed. Not more than two percent of the total number of parcels in his jurisdiction may be corrected after the dates specified herein and in the event of any corrections in excess of the authorized number of such corrections, all corrections shall be void. Real property containing iron ore, the fee to which is owned by the state of Minnesota, shall, if leased by the state after January 2 in any year, be subject to assessment for that year on the value of any iron ore removed under said lease prior to January 2 of the following year. Personal property subject to taxation shall be listed and assessed

annually with reference to its value on January 2; and, if acquired on that day, shall be listed by or for the person acquiring it.

Sec. 3. Minnesota Statutes 1974, Section 273.03, Subdivision 1, is amended to read:

273.03 [REAL ESTATE; ASSESSMENT; METHOD.] Subdivision 1. The county auditor shall annually provide the necessary assessment books and blanks at the expense of the county, for and to correspond with each assessment district. He shall make out, in the real property assessment book, complete lists of all lands or lots subject to taxation, showing the names of the owners, if to him known; and, if unknown, so stated opposite each tract or lot, the number of acres, and the lots or parts of lots or blocks, included in each description of property. The list of real property becoming subject to assessment and taxation (**EVERY ODD-NUMBERED YEAR**) may be appended to the personal property assessment book. The assessment books and blanks for real and personal property shall be in readiness for delivery to the assessors on or before the first Monday in December of each year.

The assessors and at least one member of each local board of review shall meet at the office of the county auditor on a day to be fixed by the commissioner of revenue for the purpose of receiving instructions as to their duties under the laws of the state. Each assessor and board of review member attending such meetings shall receive as compensation for such service the sum of \$10 per day for each day necessarily consumed in attending such meeting, and mileage at the rate of 7 1/2 cents per mile for each mile necessarily traveled in going from his home to and returning from the county seat, to be computed by the usually traveled route, and paid out of the county treasury upon the warrant of the county auditor.

Sec. 4. Minnesota Statutes 1974, Section 273.11, Subdivision 1, is amended to read:

273.11 [VALUATION OF PROPERTY.] Subdivision 1. Except as provided in (SUBDIVISION) *subdivision 2* (,) or *section 273.17, subdivision 1*, all property shall be valued at its market value. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall he adopt as a criterion of value the price for which such property would sell at auction or at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such sum or price as he believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon,

and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the assessed value of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under sections 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 5. Minnesota Statutes 1974, Section 273.11, Subdivision 2, is amended to read:

Subd. 2. (IN THE CASE OF PROPERTY DESCRIBED IN SECTION 273.13, SUBDIVISIONS 6, 7, 7B, 10, 12, 17, 17B, AND 19, PLUS ALL AGRICULTURAL PROPERTY AND ALL REAL ESTATE DEVOTED TO TEMPORARY AND SEASONAL RESIDENTIAL OCCUPANCY FOR RECREATIONAL PURPOSES,) The assessor after determining the value of any (SUCH) property shall compare the value with that determined in the preceding assessment. (IF THE INCREASE EXCEEDS FIVE PERCENT OF THE PRECEDING VALUATION,) The amount of the increase entered in the current assessment shall not exceed (FIVE) *ten percent of the value in the preceding assessment or one fourth of the total amount of the increase in valuation whichever is greater*; the excess ((NOT EXCEEDING FIVE PERCENT OF THE LATEST ASSESSORS MARKET VALUATION) MAY) *shall be entered in (THE FOLLOWING YEARS ASSESSMENT) a subsequent year or years. However, no increase shall be greater than ten percent of the preceding valuation or one fourth of the total amount of increase in valuation, whichever is greater, notwithstanding the provisions of section 273.17.*

Sec. 6. Minnesota Statutes 1974, Section 273.11, Subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other provision of law to the contrary, the limitation contained in subdivisions 1 to (3) 5 shall also apply to the authority of the local board of review as provided in section 274.01, the county board of equalization as provided in section 274.13, the state board of equalization and the commissioner of taxation as provided in section 270.11, 270.12

and 270.16, and any increase effected by these boards (, THE CUMULATIVE EFFECT OF WHICH MAY INCREASE PROPERTY ABOVE THE FIVE PERCENT PERMISSIBLE INCREASE SHALL BE INVALID) *over the valuation currently being used in computing taxes shall be added to the previous assessed valuation in annual increments as provided in subdivision 2.*

Sec. 7. Minnesota Statutes 1974, Section 273.121, is amended to read:

273.121 [VALUATION OF REAL PROPERTY, NOTICE.]

Any county assessor or city assessor having the powers of the county assessor, valuing taxable real property shall in each (ASSESSMENT) year notify (THE PERSON) *those persons whose property is to be assessed that year* if the person's address is known to the assessor, otherwise the occupant of the property. The notice shall be in writing and shall be sent by ordinary mail at least ten days before the meeting of the local board of review or equalization. It shall contain the amount of the valuation in terms of market value, the assessor's office address, and the dates, places, and times set for the meetings of the local board of review or equalization and the county board of equalization. If such valuation is limited by section 273.11, the notice shall also contain the valuation as limited therein *and an explanation, in terms prescribed by the commissioner, of the annual increase in the assessed valuation which may take place pursuant to valuation according to that section.* If the assessment roll is not complete, the notice shall be sent by ordinary mail at least ten days prior to the date on which the board of review has adjourned. The assessor shall attach to the assessment roll a statement that the notices required by this section have been mailed. Any such assessor who is not provided sufficient funds from his governing body to provide such notices, may make application to the commissioner of revenue to finance such notices. The commissioner of revenue shall conduct an investigation and if he is satisfied that the assessor does not have the necessary funds, issue his certification to the commissioner of finance of the amount necessary to provide such notices. The commissioner of finance shall issue a warrant for such amount and shall deduct such amount from any state payment to such county or municipality. The necessary funds to make such payments are hereby appropriated. Failure to receive the notice shall in no way affect the validity of the assessment, the resulting tax, the procedures of any board of review or equalization, or the enforcement of delinquent taxes by statutory means.

Sec. 8. Minnesota Statutes 1974, Section 273.17, Subdivision 1, is amended to read:

273.17 [ASSESSMENT OF REAL PROPERTY.] Subdivision 1. In every (EVEN-NUMBERED) year, on January 2, the assessor shall also assess all real property that may have be-

come subject to taxation since the last previous assessment, including all real property platted since the last real estate assessment (IN THE ODD-NUMBERED YEAR), and all buildings or other structures of any kind, whether completed or in process of construction, of over (\$100) \$1,000 in value, the value of which has not been previously added to or included in the valuation of the land on which they have been erected. *The newly assessed property shall be valued initially at the average level of assessment which exists at that time in its assessment district. The assessment shall be increased to market value in annual increments as provided in section 273.11, subdivision 2 until such time as the property is reassessed.* He shall make return thereof to the county auditor, with his return of personal property, showing the tract or lot on which each structure has been erected and the market value added thereto by such erection. Every assessor shall list, without revaluing, in each (EVEN-NUMBERED) year, on a form to be prescribed by the commissioner of revenue, all parcels of land that shall have become homesteads or shall have ceased to be homesteads for taxation purposes since the last real estate assessment.

The county auditor shall note such change in the assessed valuation upon the tax lists, caused by a change in classification, and shall calculate the taxes for such (EVEN-NUMBERED) year on such changed valuation. In case of the destruction by fire, flood, or otherwise of any building or structure, over \$100 in value, which has been erected previous to the last valuation of the land on which it stood, or the value of which has been added to any former valuation, the assessor shall determine, as nearly as practicable, how much less such land would sell for at private sale in consequence of such destruction, and make return thereof to the auditor.

Sec. 9. Minnesota Statutes 1974, Section 273.08, is amended to read:

273.08 [ASSESSOR'S DUTIES.] The assessor shall perform his duties in the manner following. *In 1976 and thereafter, he shall actually view, (WHEN PRACTICABLE,) and determine the (TRUE AND FULL) market value of each tract or lot of real property listed for taxation, (AND SHALL ENTER THE VALUE THEREOF,) including the value of all improvements and structures thereon, opposite each description at maximum intervals of four years and shall enter the value thereof according to the provisions of this article.*

Sec. 10. [REPEALER.] *Minnesota Statutes 1974, Section 273.11, Subdivision 3, is repealed.*

Sec. 11. [EFFECTIVE DATE.] *This article shall be in effect for taxes levied in 1975 to be paid in 1976 and thereafter. Increases in value due to reassessment in the 1975 assessment shall be limited as provided in sections 5 and 6.*

ARTICLE IX

clause (1), or his tax obligation as it would have been in the absence of section 290.012 and this subdivision, whichever is less.

(3) The total income of the claimant and his spouse, if any, shall be the figure employed for the purposes of this subdivision. No (DEPENDENT) *individual dependent upon and receiving his chief support from any other individual* may be a claimant under section 290.012 and this subdivision. Section 1. Minnesota Statutes 1974, Chapter 273, is amended by adding a section to read:

[273.122] [FLEXIBLE HOMESTEAD BASE VALUE.] *Subdivision 1. [HOMESTEAD BASE VALUE.] For 1975 and prior years, the homestead base value shall mean \$12,000 of market value of any property which qualifies as homestead property for assessment purposes. The homestead base value shall be increased in any subsequent assessment year as provided in subdivision 2.*

Subd. 2. [HOMESTEAD BASE VALUE INDEX.] In assessment years subsequent to 1975, the homestead base value shall be adjusted pursuant to the homestead base value index. The homestead base value index shall be computed by the equalization aid review committee for each year immediately preceding an assessment year. This index is computed in the following manner. The annual statewide average market value of homestead property as indicated by bona fide real estate sales during the year shall be divided by the statewide average market value of all homestead property sold in 1974. This quotient is multiplied by 100. For each increase of a full three and one half points in the index the homestead base value shall be increased \$500 in the following assessment year. On or before December 1 of any year preceding an assessment year the commissioner of revenue shall certify the homestead base value for that year.

May 19, 1975

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Alec G. Olson
President of the Senate

We, the undersigned conferees for H. F. No. 1137 report that we have agreed upon the items in dispute and recommend as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1974, Section 334.01, Subdivision 2, is amended to read:

Subd. 2. (TRANSACTIONS) A *contract* for the loan or forbearance of money, goods, or things in action, in the amount of \$100,000 or more, shall be exempt from the provisions of this

section and the interest for such an indebtedness shall be at the rate of \$6 upon \$100 for a year, unless a different rate is contracted for in writing. *This subdivision expires July 1, 1978. A contract for a loan or forbearance made on or before July 1, 1978, at a rate of interest not in excess of the rate of interest authorized by this subdivision at the time the loan or forbearance was made shall continue to be enforceable in accordance with its terms until the indebtedness is fully satisfied.*

Sec. 2. Minnesota Statutes 1974, Section 334.01, is amended by adding a subdivision to read:

Subd. 3. Notwithstanding subdivisions 1 and 2, a financial institution, as defined in section 47.015, subdivision 1, or a mortgage bank, an insurance company as defined in section 60A.02, subdivision 4, or any agricultural credit corporation organized to lend money for agricultural purposes, may contract for the loan or forbearance of money (a) at a rate of interest not exceeding the lesser of nine percent or one percent above the federal reserve discount rate on 90 day commercial paper in effect for national banking associations in the ninth federal reserve district or (b) at an interest rate that is otherwise permitted by law. This subdivision expires July 1, 1976. A contract for a loan or forbearance of money made before July 1, 1976 at a rate of interest authorized by this subdivision shall continue to be enforceable in accordance with its terms until the indebtedness is fully satisfied.

Sec. 3. Minnesota Statutes 1974, Section 462A.03, Subdivision 13, is amended to read:

Subd. 13. "Eligible mortgagor" means a nonprofit corporation (OR), limited profit entity or a builder, as the same are defined by the agency in its rules, which sponsors or constructs residential housing as defined in subdivision 7, or a natural person of low or moderate income, except that the return to a limited dividend (ENTRY) entity shall not exceed (EIGHT) six percent of the capital contribution of the investors or such lesser percentage as the agency shall establish in its rules. Owners of existing residential housing occupied by renters shall be eligible for rehabilitation loans, only if, as a condition to the issuance of the loan, the owner agrees to conditions established by the agency in its rules relating to rental or other matters that will insure that the housing will be occupied by persons and families of low or moderate income. The agency shall require by rules that the owner give preference to those persons of low or moderate income who occupied the residential housing at the time of application for the loan.

Sec. 4. Minnesota Statutes 1974, Section 462A.05, Subdivision 2, is amended to read:

Subd. 2. It may make or participate in the making of eligible construction loans to sponsors or builders of residential housing for occupancy by persons or families of low and moderate income. Such loans shall be made only upon determination by the agency that construction loans are not otherwise available, wholly or in part, from private lenders upon equivalent terms and conditions.

Sec. 5. Minnesota Statutes 1974, Section 462A.05, Subdivision 14, is amended to read:

Subd. 14. It may agree to purchase, make, or otherwise participate in the making, and may enter into commitments for the purchase, making, or participation in the making, of eligible loans for rehabilitation to persons and families of low and moderate income, and to (SPONSORS) owners of existing residential housing for occupancy by such persons and families, for the rehabilitation of existing residential housing owned by them. Such loans may be insured or uninsured and may be made with such security, or may be unsecured, as the agency deems advisable. They may be made in amounts sufficient to refinance existing indebtedness secured by the property, if such refinancing is determined by the agency to be necessary to permit the owner to meet his housing cost without expending an unreasonable portion of his income thereon. No loan for rehabilitation shall be made unless the agency determines that such loan will be used primarily to make the housing more desirable to live in, to increase the market value of the housing (OR), for compliance with state, county or municipal building, housing maintenance, fire, health or similar codes and (STANDARD) standards applicable to housing, or to accomplish energy conservation related improvements. In unincorporated areas and municipalities not having such codes and standards, the agency may, solely for the purpose of administering the provisions of (LAWS 1974, CHAPTER 441) this chapter, establish such codes and standards. No loan for rehabilitation of any property shall be made in an amount which, with all other existing indebtedness secured by the property, would exceed its market value, as determined by the agency. No loan for rehabilitation of owner occupied residential housing shall be denied solely because the loan will not be used for placing such residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. Rehabilitation loans shall be made only when the agency determines that financing is not otherwise available, in whole or in part, from private lenders upon equivalent terms and conditions.

Sec. 6. Minnesota Statutes 1974, Section 462A.05, Subdivision 15, is amended to read:

Subd. 15. It may make grants to persons and families of low and moderate income to pay or to assist in paying a loan made

pursuant to subdivision 14, or to rehabilitate or to assist in rehabilitating existing residential housing owned or occupied by such persons or families. For the purposes of this section, persons of low and moderate income include administrators appointed pursuant to section 566.25, clause (c). No such grant shall be made unless the agency determines that such grant will be used primarily to make the housing more desirable to live in, to increase the market value of the housing or for compliance with state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. In unincorporated areas and municipalities not having such codes and standards, the agency may, solely for the purpose of administering this provision, establish such codes and standards. No grant for rehabilitation of owner occupied residential housing shall be denied solely because the grant will not be used for placing such residential housing in full compliance with all state, county or municipal building, housing maintenance, fire, health or similar codes and standards applicable to housing. The amount of any such grant shall not exceed the lesser of (a) \$5,000, or (b) the actual cost of the work performed, or (c) that portion of the cost of rehabilitation which the agency determines cannot otherwise be paid by such person or family without spending an unreasonable portion of the income of such person or family thereon. In making such grants, the agency shall determine the circumstances under which and the terms and conditions under which all or any portion thereof will be repaid and shall determine the appropriate security should such repayment be required.

The agency may also make grants to rehabilitate or to assist in rehabilitating housing under this subdivision to persons of low and moderate income for the purpose of qualifying as foster parents.

Sec. 7. Minnesota Statutes 1974, Section 462A.07, is amended by adding a subdivision to read:

Subd. 9a. It shall promulgate rules as may be necessary to insure that priority for assistance by the agency will be given to a project located in a county or municipality that has zoning or land use codes or ordinances which do not unreasonably inhibit the economical construction of housing units for persons and families of low and moderate income.

Sec. 8. Minnesota Statutes 1974, Section 462A.07, Subdivision 13, is amended to read:

Subd. 13. (IT MAY ENGAGE IN THE DEVELOPMENT AND ADMINISTRATION OF LOW RENT HOUSING, BUT ONLY IF (1) THE FEDERAL GOVERNMENT PROVIDES ASSISTANCE IN CONNECTION WITH SUCH HOUSING PURSUANT TO 42 U.S.C. 1401 — 1435, AND (2) THE APPLICABLE COUNTY OR MUNICIPAL GOVERNMENT

BODY OR RESERVATION HOUSING AUTHORITY HAS REQUESTED THE AGENCY TO ENGAGE IN SUCH DEVELOPMENT AND ADMINISTRATION. FOR THE PURPOSE OF THIS SUBDIVISION, THE TERMS "DEVELOPMENT", "ADMINISTRATION", AND "LOW RENT HOUSING" SHALL HAVE THE MEANINGS SET FORTH IN 42 U.S.C. 1401 — 1435, AS IN EFFECT ON APRIL 11, 1974. IN THE ALLOCATION OF FEDERAL HOUSING ASSISTANCE FUNDS PROVIDED PURSUANT TO THIS SUBDIVISION, THE AGENCY SHALL GIVE PRIORITY TO PROGRAMS WHICH INCREASE OPPORTUNITIES FOR LOW COST RESIDENTIAL HOUSING ON OR ADJACENT TO THE INDIAN RESERVATIONS OF THIS STATE) *It may engage or assist in the development and operation of low income housing if the federal government provides assistance in connection with the housing and the development and operation is in conformity with the applicable provisions of federal laws and regulations.*

Sec. 9. Minnesota Statutes 1974, Section 462A.07, is amended by adding a subdivision to read:

Subd. 14. It may engage in housing programs for low and moderate income native Americans, as that term is defined in Minnesota Statutes, Section 254A.02, Subdivision 11, developed and administered separately or in combination by the Minnesota Chippewa tribe, the Red Lake band of Chippewa Indians, and the Sioux communities as determined by such tribe, band, or communities. In developing such housing programs the tribe, band, or communities shall take into account the housing needs of all native Americans residing both on and off reservations within the state. A plan for each such program, which specifically describes the program (a) content, (b) utilization of funds, (c) administration, (d) operation, (e) implementation and other matter, as determined by the agency, must be submitted to the agency for its review and approval prior to the making of eligible loans pursuant to section 462A.21. All such programs must conform to rules and regulations promulgated by the agency concerning program administration; the quality of housing; interest rates, fees and charges in connection with making eligible loans; and other matters determined by the agency to be necessary in order to effectuate the purposes of this act. All such programs must provide for a reasonable balance in the distribution of funds appropriated for the purpose of this section between native Americans residing on and off reservations within the state. Nothing in this section shall preclude such tribe, band, or communities from requesting and receiving cooperation, advice, and assistance from the agency as regards program development, operation, delivery, financing, or administration. As a condition to the making of such eligible loans, the Minnesota Chippewa tribe, the Red Lake band of Chippewa Indians and the Sioux communities shall (a) enter into a loan agreement and other contractual arrangements with the agency for the purpose of transferring the allocated portion of loan funds as set forth in section

15 of this act and to insure compliance with the provisions of this section and the act, and (b) shall agree that all of their official books and records related to such housing programs shall be subjected to audit by the legislative auditor in the manner prescribed for agencies of state government. The agency shall submit a biennial report concerning the various housing programs for native Americans, and related receipts and expenditures as provided in section 462A.22, subdivision 9, and such tribe, band, or communities to the extent that they administer such programs, shall be responsible for any costs and expenses related to such administration provided, however, they shall be eligible for payment for costs, expenses and services pursuant to section 462A.07, subdivision 12, and section 11 of this act. The agency may provide or cause to be provided essential general technical services as set forth in section 462A.07, subdivision 2; and general consultative project assistance services, including, but not limited to, management training, and home ownership counseling as set forth in section 462A.07, subdivision 3.

Sec. 10. Minnesota Statutes 1974, Section 462A.21, is amended by adding a subdivision to read:

Subd. 4b. It may establish loan funds and may make eligible loans from them, at rates of interest and with security as the agency deems advisable, if each loan is determined by the agency to be necessary to permit the occupant of residential housing financed wholly or in part by any such loan to meet his housing costs without expending an unreasonable portion of his income on them.

Sec. 11. Minnesota Statutes 1974, Section 462A.21, is amended by adding a subdivision to read:

Subd. 4c. It may establish a revolving loan fund and may make eligible loans, pursuant to section 10 of this act, to low and moderate income native Americans as provided in section 9 of this act and may pay the costs and expenses necessary and incidental to the development and operation of such programs.

Sec. 12. Minnesota Statutes 1974, Section 462A.21, is amended by adding a subdivision to read:

Subd. 7. The agency may make loans to low and moderate income persons who own residential housing constructed before 1965, for improving the energy efficiency of the dwellings through the installation or upgrading of insulation, storm windows and caulking and weatherstripping, from funds appropriated for such purpose to the housing development fund, created in section 462A.20. Any loan for such purpose shall be made only upon determination by the agency that such loan is not otherwise available, wholly or in part, from private lenders upon equivalent terms and conditions.

Sec. 13. Minnesota Statutes 1974, Section 462A.22, Subdivision 9, is amended to read:

Subd. 9. The agency shall also submit a biennial report of its activities, *projected activities, receipts, and expenditures for the next biennium*, to the governor and the legislature on or before January 15 in each odd-numbered year.

Sec. 14. Minnesota Statutes 1974, Chapter 462A, is amended by adding a section to read:

[462A.25] [DUTIES OF COMMISSIONER OF BANKS.] *The commissioner of banks shall strongly encourage all financial institutions organized under Minnesota Statutes, Chapter 47, to cooperate with the Minnesota housing finance agency to effectuate the purposes of the Minnesota housing finance agency law of 1971, as amended.*

Sec. 15. The amounts determined by the agency to be used for each of those purposes shall not exceed:*

(a) *\$28,000,000 for making rehabilitation grants and low interest rehabilitation loans to persons and families of low and moderate income, of which \$6,000,000 shall be used for the purpose of improving the energy efficiency of dwellings, and of which \$6,000,000 shall be used for the purpose of making loans and grants to owners of residential housing who are senior citizens or owners of residential housing occupied by senior citizens, as determined by the agency. Up to \$12,500,000 of this appropriation may be used for making rehabilitation grants.*

Grants made under terms of this appropriation shall contain a requirement that the grant be recovered by the agency in accordance with the following schedule:

(1) *If the property is sold, transferred, or otherwise conveyed within the first year after receipt of a grant, the recipient shall repay the full amount of the grant; or*

(2) *If the property is sold, transferred, or otherwise conveyed within the second year after receipt of a grant, the recipient shall repay 80 percent of the amount of the grant; or*

(3) *If the property is sold, transferred, or otherwise conveyed within the third year after receipt of a grant, the recipient shall repay 60 percent of the amount of the grant; or*

(4) *If the property is sold, transferred, or otherwise conveyed within the fourth year after receipt of a grant, the recipient shall repay 40 percent of the amount of the grant; or*

(5) *If the property is sold, transferred, or otherwise conveyed within the fifth year after receipt of a grant, the recipient shall repay 20 percent of the amount of the grant; or*

(6) *If the property is sold, transferred, or otherwise conveyed within the sixth year after receipt of the grant, or thereafter, there shall be no repayment requirement.*

(b) *\$5,000,000 for the purpose of establishing a revolving loan fund for the development of housing for occupancy by native Americans as described in sections 9 and 11 of this act, and for the payment of costs and expenses necessary and incidental to such programs provided, however, that 64 percentum of said appropriations shall be used in the development and operation of housing programs by the Minnesota Chippewa tribe; 30 percentum of such appropriations shall be used in the development and operation of housing programs by the Red Lake band; six percentum of such appropriations shall be used in the development and operation of housing programs by the Sioux communities.*

Notwithstanding the provisions of Minnesota Statutes, Section 16A.28, or any other law relating to lapse of an appropriation, the appropriation made by this section shall not lapse but shall continue until fully expended.

Sec. 16. *Laws 1974, Chapter 238, Section 2, is repealed.*

None of the moneys hereby appropriated shall cancel but shall be available until expended.

Sec. 13. During the second year of the biennium, funds, other than funds designated for use by the metropolitan transit commission, remaining unobligated under the supplemental public transit aid program and the public transit demonstration program, sections 9 and 10 of this act, may be allocated for either of the purposes described in sections 9 and 10.

Sec. 14. [APPROPRIATION TO COMMISSIONER OF HIGHWAYS.] There is appropriated to the commissioner of highways from the general fund the sum of \$14,000,000 for the fiscal year ending June 30, 1975, to enable the department of highways to complete its 1975 fiscal year construction program.

Sec. 15. Following the effective date of this act the department of highways shall not cause any construction on, nor shall any lands be acquired for, any of the trunk highways designated as I-335, that portion of I-35E in Ramsey county described in section 19, clause (3), nor for proposed I-394 between I-494 and the Hawthorne interchange, nor for any extension or connector of the Dartmouth interchange of the interstate route designated as I-94; nor shall the department construct or improve Legislative Route No. 116, marked trunk highway route No. 55, within the city of Minneapolis, to freeway or expressway standards; provided, that nothing in this section shall be construed to prohibit the department from taking the following actions:

Sec. 16. The metropolitan council with the transportation advisory board and the city councils of the affected cities shall review the uncompleted sections of the interstate system in the seven county metropolitan area. The commissioner of highways shall cause to be constructed adequate and effective acoustical barriers or implement other sound abatement programs in or along the perimeter of any interstate highway within incorporated areas located within the metropolitan area whenever the noise level attributable to vehicular traffic at the abutting residential property line is in excess of the federal noise standards. The commissioner shall utilize available federal matching funds in constructing the acoustical barriers.

Subd. 2. Beginning with the fiscal year ending June 30, 1976, the commissioner shall annually expend an amount equal to one percent of an amount equal to sixty-two percent of the revenues derived from the tax imposed on gasoline used in producing and generating power for propelling motor vehicles used on the public highways of this state when federal funds are available, for the purpose of carrying out the provisions of subdivision 1 of this section. In the event that funds derived from such one percent exceed the amount necessary to carry out the provisions of subdivision 1, the excess funds shall be utilized by the commissioner to construct adequate and effective acoustical barriers along other trunk highways in the metropolitan area where he deems them necessary to counteract vehicle noise.

Sec. 21. The legislature of the state of Minnesota expresses concern over the future transportation needs of the citizens of our state and the many businesses and industries which need to transport their products to the marketplace.

The possibility of achieving better and more efficient utilization of both federal and state monies should be thoroughly examined prior to the 1977 legislature's approval of the highway department's budget. Therefore, a study commission is hereby created to evaluate the policies, programs, projects, costs and financing of the Minnesota department of highways.

The commission shall work in conjunction with the legislative audit commission and present its report and specific legislative recommendations to the House appropriations committee and the Senate finance committee prior to consideration of the department's 1977 budget.

The rules and regulations of the commissioner of highways relating to the expenditure of funds for the purposes of this subdivision shall include review of township bridge projects by the regional development commissions or the metropolitan council to determine the relative need of the township for financial assistance.

Sec. 24. [PROVISIONS OF SECTIONS 22 AND 23 NOT SEVERABLE.] *The provisions of sections 22 and 23 are not severable, and if any provision of sections 22 or 23 is found to be unconstitutional, the provisions of sections 22 and 23 are not valid, and the law as it existed prior to the effective date of these sections shall remain in effect.*

Sec. 25. *The following amendment to the Minnesota Constitution, Article XIV, is proposed to the people of the state. If the amendment is adopted the article shall read:*

ARTICLE XIV

PUBLIC HIGHWAY SYSTEM

Section 1. The state may construct, improve and maintain public highways, may assist political subdivisions in this work and by law may authorize any political subdivision to aid in highway work within its boundaries.

Sec. 2. There is hereby created a trunk highway system which shall be constructed, improved and maintained as public highways by the state. The highways shall extend as nearly as possible along the routes number 1 to 70 described in the constitutional amendment adopted November 2, 1920, and the routes described in any act of the legislature which has made or hereafter makes a route a part of the trunk highway system.

The legislature may add by law new routes to the trunk highway system. The trunk highway system may not exceed 12,200 miles in extent, except the legislature may add trunk highways in excess of the mileage limitation as necessary or expedient to take advantage of any federal aid made available by the United States to the state of Minnesota.

Any route added by the legislature to the trunk highway system may be relocated or removed from the system as provided by law. The definite location of trunk highways numbered 1 to 70 may be relocated as provided by law but no relocation shall cause a deviation from the starting points or terminals nor cause any deviation from the various villages and cities through which the routes are to pass under the constitutional amendment adopted November 2, 1920. The location of routes may be determined by boards, officers or tribunals in the manner prescribed by law.

Sec. 3. A county state-aid highway system shall be constructed, improved and maintained by the counties as public highways in the manner provided by law. The system shall include streets in municipalities of less than 5,000 population where necessary to provide an integrated and coordinated highway system and may include similar streets in larger municipalities.

Sec. 4. A municipal state-aid street system shall be constructed, improved and maintained as public highways by municipalities having a population of 5,000 or more in the manner provided by law.

Sec. 5. There is hereby created a highway user tax distribution fund to be used solely for highway purposes as specified in this article. The fund consists of the proceeds of any taxes authorized by sections 9 and 10 of this article, *except as otherwise provided in section 10*. The net proceeds of the taxes shall be apportioned: 62 percent to the trunk highway fund; 29 percent to the county state-aid highway fund; nine percent to the municipal state-aid street fund. Five percent of the net proceeds of the highway user tax distribution fund may be set aside and apportioned by law to one or more of the three foregoing funds. The balance of the highway user tax distribution fund shall be transferred to the trunk highway fund, the county state-aid highway fund, and the municipal state-aid street fund in accordance with the percentages set forth in this section. No change in the apportionment of the five percent may be made within six years of the last previous change.

Sec. 6. There is hereby created a trunk highway fund which shall be used solely for the purposes specified in section 2 of this article and the payment of principal and interest of any bonds issued under the authority of section 11 of this article and any bonds issued for trunk highway purposes prior to July 1, 1957. All payments of principal and interest on bonds issued shall be a first charge on money coming into this fund during the year in which the principal or interest is payable.

Sec. 7. There is hereby created a county state-aid highway fund. The county state-aid highway fund shall be apportioned among the counties as provided by law. The funds apportioned shall be used by the counties as provided by law for aid in the construction, improvement and maintenance of county state-aid highways. The legislature may authorize the counties by law to use a part of the funds apportioned to them to aid in the construction, improvement and maintenance of other county highways, township roads, municipal streets and any other public highways, including but not limited to trunk highways and municipal state-aid streets within the respective counties.

Sec. 8. There is hereby created a municipal state-aid street fund to be apportioned as provided by law among municipalities

having a population of 5,000 or more. The fund shall be used by municipalities as provided by law for the construction, improvement and maintenance of municipal state-aid streets. The legislature may authorize municipalities to use a part of the fund in the construction, improvement and maintenance of other municipal streets, trunk highways, and county state-aid highways within the counties in which the municipality is located.

Sec. 9. The legislature by law may tax motor vehicles using the public streets and highways on a more onerous basis than other personal property. Any such tax on motor vehicles shall be in lieu of all other taxes thereon, except wheelage taxes imposed by political subdivisions solely for highway purposes. The legislature may impose this tax on motor vehicles of companies paying taxes under the gross earnings system of taxation notwithstanding that earnings from the vehicles may be included in the earnings on which gross earnings taxes are computed. The proceeds of the tax shall be paid into the highway user tax distribution fund. The law may exempt from taxation any motor vehicle owned by a nonresident of the state properly licensed in another state and transiently or temporarily using the streets and highways of the state.

Sec. 10. The legislature may levy an excise tax on any means or substance used for propelling vehicles on the public highways of this state or on the business of selling it. The proceeds of the tax, up to and including the unit tax rate thereon in effect on August 1, 1975 shall be paid into the highway user tax distribution fund. Any unit tax rate levied in excess of the unit tax rate in effect on August 1, 1975, shall be paid into the general fund in the state treasury.

Sec. 11. The legislature may provide by law for the sale of bonds to carry out the provisions of section 2. (BONDS ISSUED AND UNPAID SHALL NOT AT ANY TIME EXCEED \$150,000,000 PAR VALUE.) The proceeds shall be paid into the trunk highway fund. (ANY BONDS SHALL MATURE SERIALLY OVER A TERM NOT EXCEEDING 20 YEARS, SHALL NOT BE SOLD FOR LESS THAN PAR AND ACCRUED INTEREST AND SHALL NOT BEAR INTEREST AT A GREATER RATE THAN FIVE PERCENT PER ANNUM.) If the trunk highway fund is not adequate to pay principal and interest of these bonds when due, the legislature may levy on all taxable property of the state in an amount sufficient to meet the deficiency or it may appropriate to the fund money in the state treasury not otherwise appropriated.

Sec. 26. *The proposed amendment shall be submitted to the people at the 1976 general election. The question proposed shall read:*

"Shall Article XIV of the Constitution of the State of Minnesota be amended to permit proceeds resulting from any increases

in motor fuel taxes to be used for general purposes and to remove certain restrictions on highway bonds?

Yes

No "

Sec. 27. *Laws 1974, Chapter 534, Section 5, Subdivision 4, is repealed.*

Sec. 28. [EFFECTIVE DATE.] *Sections 1, 2, 3, and 8 of this act are effective June 1, 1975. Sections 9 to 14, 16, 17, and 22 to 24 are effective July 1, 1975. Sections 15 and 18 to 21 are effective on the day following final enactment. Sections 4 to 7 are effective for taxes levied in 1975 and subsequent years."*

Further, strike the title and insert:

"A bill for an act relating to transportation; increasing the tax on gasoline and special fuels; eliminating the excise tax on certain products from waste materials; decreasing the tax levies authorized for the metropolitan transit commission; providing for a redefinition of the transit taxing district; authorizing contract service beyond the boundaries thereof; authorizing a limited tax outside the boundaries thereof; providing for public transit assistance and demonstration projects; establishing conditions upon the construction of certain highways; amending a route on the interstate system; adding additional routes to the trunk highway system; providing for the construction of acoustical barriers on interstate highways; reapportioning five percent of the highway user tax; allocating part of the tax for bridge purposes; proposing an amendment to the Minnesota Constitution, Article XIV to permit proceeds from future increases in motor fuel taxes to be deposited in the state treasury and removing certain restrictions on highway bonds; appropriating money; amending Minnesota Statutes 1974, Sections 161.081; 161.082, by adding a subdivision; 161.12; 296.02, Subdivision 1; Chapter 296, by adding a section; and Laws 1974, Chapter 534, Section 4, Subdivision 4, and Section 5, Subdivision 3; and Laws 1975, Chapter 13, Section 71, Subdivisions 1, 2, 4, and by adding a subdivision; repealing Laws 1974, Chapter 534, Section 5, Subdivision 4."

We request adoption of this report and repassage of the bill.

Sec. 3. [LOCAL BOARD OF HEALTH; ORGANIZATION.] Subdivision 1. [COUNTIES.] A county may by

resolution organize a board of health under the provisions of this section exercising one of the following options, and assign the responsibilities of this act accordingly:

(a) **Human Services Board**—The county board of a county that has or hereafter establishes an operational human services board pursuant to Minnesota Statutes, Chapter 402, or Laws 1974, Chapter 293, shall assign the responsibilities of this act to the human services board.

(b) **County Board**—The county board may assume the responsibilities of the board of health pursuant to this act.

(c) **Board of Health**—The county board may assign the responsibilities of a board of health under this act to the board of health of said county organized under Minnesota Statutes, Sections 145.47 to 145.55, or Laws 1969, Chapter 235.

(d) **Board of Health**—The county board may organize a board of health and assign the responsibilities of this act to such board of health. The board of health for a single county shall consist of five members appointed by the county board. When two or more counties combine to form a board of health, each county board shall appoint two members to the board of health, except that the county board having the largest population shall appoint three such members. At least two members of the board of health shall be providers of health services. The remaining members shall be laymen representative of the people in the community and shall include at least one person who is not a member of the county board. Continuity of membership shall be assured by having approximately one third of the members terms expire each year. First appointments may be for less than three years, thereafter all terms shall be three years. No member shall serve more than three consecutive terms. The board shall elect a chairman and vice chairman with terms of one year.

Subd. 2. [CITIES.] A city, located in a county with a population of 300,000 or more persons, or any city which is located in three counties, may by resolution organize a board of health under the provisions of this section exercising one of the following options, and assign the responsibilities of this act accordingly;

(a) **City Council**—The city council may assume the responsibilities of the board of health pursuant to this act.

(b) **Board of Health**—The city council may assign the responsibilities of the board of health to the board of health of said city organized under Minnesota Statutes, Section 145.01.

(c) **Board of Health**—The city council may organize a board of health and assign the responsibilities of this act to such board

of health. The board of health for a single city shall consist of five members appointed by the city council. When two or more cities combine to form a board of health, each city council shall appoint two members to the board of health, except that the city council of the city having the largest population shall appoint three such members. At least two members of the board of health shall be providers of health services. The remaining members shall be laymen representative of the people in the community and shall include at least one person who is not a member of the city council. Continuity of membership shall be assured by having approximately one third of the members' terms expire each year. First appointments may be for less than three years, thereafter all terms shall be three years. No member shall serve more than three consecutive terms. The board shall elect a chairman and a vice chairman with terms of one year.

Subd. 3. [ADVISORY COMMITTEE.] In each case where a board of health has been assigned the responsibilities of this act a single local community health services advisory committee shall be established by the participating county boards or city councils to advise, consult with, or make recommendations to the board of health on matters relating to the development, maintenance, funding, and evaluation of community health services. The committee shall consist of not less than nine members and no more than 21 members. The membership of the advisory committee shall be as follows: at least one third providers of health services, including at least three licensed health professionals; and at least one third consumers selected to represent consumers organizations or constituencies within the community, provided, however, that the advisory committee to a county board of health for a county with 300,000 or more persons shall be as follows: at least 51 percent local government officials and the remainder divided equally between providers of health services and consumers. Continuity of membership of each advisory committee shall be assured by having an approximately equal number of terms expire each year. First appointments may be for less than two years, thereafter all terms shall be two years and no member shall serve more than three consecutive terms. Notwithstanding any law to the contrary, members may receive a per diem and be reimbursed for travel and other necessary expenses while engaged in their official duties, as determined by the appointing authority. The committee shall elect officers including a chairman and vice chairman with terms of one year. The committee shall meet at least six times a year and at the call of the chairman or a majority of the members.

Sec. 4. [LOCAL BOARD OF HEALTH; AUTHORITY.]
Subdivision 1. [GENERAL DUTIES.] The board of health shall have general authority and responsibility for the development and maintenance of an integrated system of community health services.

Subd. 2. [POWERS.] In addition to any other powers assigned to a board of health by sections 1 to 11, the board of health

for a county shall possess all the powers and duties now assigned by law to local boards of health pursuant to Minnesota Statutes, Section 145.01, and to public health nursing and home health services agencies pursuant to Minnesota Statutes, Sections 145.08 to 145.125, provided however that this subdivision shall not supersede or otherwise change the powers and duties of any city or township eligible for the subsidy under the provisions of section 7 of this act, or of any city of the first or second class with an existing program of community health services located within a county with a population of 300,000 or more persons until the city council of said city shall take action to allow the county to pre-empt the powers and duties of said city. Not later than 365 days after the approval of the community health services plan by the state board of health, any county or city board, committee or commission having authorities or duties in any area designated in sections 1 to 11 other than the board of health designated and acting pursuant to sections 1 to 11, shall cease its operation and no per diem or reimbursement of expenses shall be paid to any member of the board, committee, or commission.

Subd. 3. [EMPLOYEES.] The board of health may employ administrators, officers, employees, and agents as necessary to carry out the provisions of this act. Employees of the board of health shall be subject to any personnel administration rules adopted by the county board or boards or the city council or councils unless by law the employees or a class of employees shall be within the scope of a state wide personnel administration system. All persons employed by a county, city or the state, whose functions and duties are assumed by the board of health shall become employees of the board of health without loss in benefits, salaries or rights.

Subd. 4. The board of health by any lawful means, including gifts, purchase, lease, or transfer of custodial control, may acquire and hold in the name of the county or city the lands, buildings, and equipment necessary and incident to the accomplishment of the purposes of this act and accept gifts, grants, and subsidies from any lawful source; apply for and accept state and federal funds, request and accept local tax funds, establish and collect reasonable fees for community health services provided.

Subd. 5. The board of health may contract for services from private firms, nonprofit corporations, primary and secondary schools, state and local governmental agencies, or other community agencies to avoid unnecessary duplication of services and realize cost advantages. The board of health may offer to contract to provide public health nursing and other school health services to the schools within its jurisdiction. The contracts shall be employed to improve efficiency and the quality and effectiveness of services and shall give preferential consideration to existing municipal programs. Contracts shall be awarded on the basis of cost benefit comparisons and considerations.

Subd. 6. The board of health shall coordinate community health services with the delivery of personal health services, in-

stitutional health services, and related human services in the community; ensure responsible medical consultation and direction by employing or contracting with a practicing licensed physician; and coordinate community health services with health related environmental control services in the community. The board of health shall coordinate local, state, and federal services and funding for community health services.

Subd. 7. The board of health shall evaluate the effectiveness and efficiency of community health services systems and programs and as a condition of qualifying for the community health services subsidy, prepare the annual community health services plan and budget, as provided in section 10.

Subd. 8. The board of health shall identify community health needs and set priorities among the needs for the broad range of community health services including the health needs of minorities and nonresidents, including tourists and migrants, and ensure that services are accessible to all persons on the basis of need and that no one is denied services because of race, color, sex, age, language, religion, nationality, economic status, political persuasion or place of residence.

Subd. 9. The board of health shall recommend appropriate local legislation pertaining to community health services to the county board or city council and shall advise the state board of health on matters relating to public health that require assistance from the state, or that may be of more than local interest.

Subd. 10. The board of health shall publish for distribution an annual report of the activities of the board of health.

Subd. 11. When the board of health determines that there is an acute shortage of medical or other health manpower, or that there is a significant problem in providing access to health care in the area, the board of health shall address itself to the resolution of those problems. The solution may involve providing assistance to recruit medical or other health personnel to the area, or the development of suitable linkages between area medical and allied health personnel that will make more effective use of existing private, nonprofit and community resources and extend health care into the community.

Sec. 5. [DUTIES OF COUNTY BOARD.] Subdivision 1. A county board of any county having a board of health organized under this act shall review and approve the community health services plan prior to the submission of the plan to the state board of health. The plan submitted by the county board shall incorporate the plans developed by any city organized under the provisions of section 3 that has established eligibility under the provisions of section 7. Upon receipt of the community health services plan, or any proposed revision, from a city, the county board shall review and act on the plan or the proposed revision

within 30 days. The county board may approve the plan as written or refer the plan back to the city with comments and instructions for further consideration. The city or the county may appeal to the state board of health for resolution of differences regarding the community health services plan. A failure to act within the specified time shall constitute approval of the plan.

Subd. 2. A county board of any county having a board of health organized under this act may by ordinance adopt and enforce minimum standards and regulations for the services comprehended under this act; provided, however, that no county regulations shall conflict with state legislation or with higher standards established either by regulation of an agency of state government or by the provisions of the charter or ordinances of any city organized under the provisions of this act.

Sec. 6. [BUDGET; FUNDS.] Subdivision 1. On or before July 1 of each year the board of health, if other than the county board, or the joint board of two or more county boards, or the city council or councils, shall submit to the county board or boards or the city council or councils an estimate of the amount needed by the board of health to perform its duties including costs of administration for the ensuing year. The proposed plan and budget shall set forth the expected source and amounts of funds which are expected to be available to the board of health and its proposed plan of expenditures to perform its duties and responsibilities. The county board or boards or the city council or councils shall consider the estimates of income and the plan for expenditures and as the estimates and plan are approved or approved as modified, shall levy a tax within the levy limits provided by law.

If two or more counties or cities have agreed as provided in Minnesota Statutes, Section 471.59, to a joint or multi-county or multi-city or multi-city-county activity, the county boards or city councils party to the agreement shall determine the proportional financial responsibility of each county or city to support the programs and services of the board of health if the agreement had not provided for the division of costs or other arrangements pursuant to the agreement.

Sec. 7. [ELIGIBILITY; WITHDRAWAL.] Subdivision 1. [ELIGIBILITY OF COUNTIES.] A county or two or more contiguous counties combined under the provisions of Minnesota Statutes, Section 471.59, shall be eligible for the community health services subsidy provided in section 11 under the following conditions:

(a) There shall be an aggregate population of 30,000 or more persons in the county or multi-county area located within a region designated pursuant to Minnesota Statutes, Sections 462.381 to 462.396, or Chapter 473B. However, when three or more counties combine for the purposes of this act, the 30,000 minimum

population shall not be required. When two or more counties combine for the purposes of this act, the state board of health with the approval of the regional development commissions directly involved, may waive the requirements that all counties be within a single development region; provided however, that if a single county has received an exemption for formation of a human services board pursuant to Minnesota Statutes, Section 402.01, the population base of 30,000 is waived and such county shall be eligible for participation in this act;

(b) There shall be a board of health organized under the provisions of section 3;

(c) There shall be substantial compliance with the requirements of the state board of health established under the provisions of section 8;

(d) There shall be local matching funds provided to support the community health services as provided in section 11;

(e) The plan developed under the provisions of section 10 shall be approved by both the county board and the state board of health.

Failure of a county or group of counties to elect to come within the provisions of sections 1 to 11 shall not affect their eligibility for any other state subsidy.

Subd. 2. [ELIGIBILITY OF CITIES.] A city having a city health department organized under the provisions of chapter 145 and located in a county having a population of 300,000 or more persons, or two or more contiguous cities combined under the provisions of section 471.59, having an aggregate population of 65,000 or more persons and located in a county having a population of 300,000 or more persons, shall be eligible for the community health services subsidy under the provisions of this act if:

(a) There is a board of health organized under the provisions of section 3, subdivision 2;

(b) There is substantial compliance with the requirements established by the state board of health under the provisions of section 8;

(c) There are local matching funds provided to support the community health services as provided in section 11;

(d) The plan developed under the provisions of section 10 shall be consistent with the plan developed by the county and shall be approved by both the city council and the county board.

The city's proportionate share of the community health services subsidy shall be determined by calculating the proportion of local expenditures for community health services within the county that were expended by the city. In a county which has, or hereafter establishes, an operational human services board pursuant to section 3, subdivision 1, the subsidy payment shall be made to the human services board pursuant to Minnesota Statutes, Section 402.02, Subdivision 4. The human services board shall assure that those cities which establish eligibility under this subdivision receive their proportional share of the subsidy by entering into a contract with the city under which the city shall provide community health services in return for their share of the subsidy.

Subd. 3. [ELIGIBILITY OF CITIES.] A city located within three or more counties and any contiguous political subdivision or subdivisions shall have the authority to combine, for the purposes of this act, under the provisions of Minnesota Statutes, Section 471.59, and shall be eligible for a proportional share of the subsidy provided in section 11 for the counties under the following conditions:

(a) There shall be an aggregate population of 40,000 or more persons;

(b) There is a board of health organized under the provisions of section 3;

(c) There is substantial compliance with the requirements established by the state board of health under the provisions of section 8;

(d) There are local matching funds provided to support the community health services as provided in section 11;

(e) The plan developed under the provisions of section 10 shall be approved by the city council and the governing bodies of each of the political subdivisions and by the state board of health.

The proportionate share of the subsidy for the city and any contiguous political subdivision combined with such city shall be determined by calculating the proportion of total county population that live in the city and the contiguous political subdivisions. When all three counties within which the city is located have combined under the provisions of this act, the subsidy payment shall be made to the multi-county board of health. The multi-county board of health shall enter into a purchase of service contract to provide a proportional share of the subsidy to the city and any contiguous political subdivisions that establish eligibility under the provisions of this subdivision.

Subd. 4. [WITHDRAWAL.] Any participating county or city, may by resolution of its governing body, indicate its intention to withdraw from the subsidy program established by this act. Notification shall be given to the state board of health and to each county or city in any multi-county or multi-city combination, at least one year before the beginning of the fiscal year in which it takes effect. When two or more counties or cities have combined for the purposes of sections 1 to 11, the withdrawal provision shall not be applicable during the first two years following the adoption of the initial agreement to combine. The withdrawal of a county or city from a group of two or more counties or cities combined for the purposes of sections 1 to 11 shall not affect the eligibility for the community health services subsidy of the remaining counties or cities for at least one year following the withdrawal.

Sec. 8. [DUTIES OF THE STATE BOARD OF HEALTH.]
Subdivision 1. The state board of health shall:

(a) Provide consultation and technical training to communities to assist them in the development and provision of services, encouraging multi-county configurations to ensure that a county will not be isolated geographically and thereby ineligible for the subsidy.

(b) Develop guidelines and recommended administrative procedures through a planning process with representation from local health boards. Adoption of these guidelines and administrative procedures by the board of health shall not be a prerequisite for plan approval.

(c) Promulgate regulations in accordance with Minnesota Statutes, Chapter 15, for the purposes of establishing standards for:

(1) Training, credentialing, and experience requirements for key administrative personnel to ensure expertise in administration, planning, and in each services program included in the community health services plan;

(2) A uniform reporting system that will permit an assessment of the efficiency and effectiveness of service delivery programs; and

(3) A planning process that will encourage full community participation in the development of the community health services plan.

(d) Review and act on the community health services plan and any proposed revision within 60 days after receiving the plan or revision. The state board of health may approve the plan as written or refer the plan back to the applicant with comments

and instructions for further consideration. A failure to act within the specified time shall constitute approval of the plan.

(e) Provide application forms and instructions for preparation and submission of applications for the community health services subsidy, in accordance with the provisions of section 10.

Subd. 2. The state board of health may enter into an agreement as prescribed in Minnesota Statutes, Section 145.55, with any county or city or group of counties or cities organized under the provisions of section 3 to perform all or part of the licensing, inspection, and enforcement duties authorized under the provisions of Minnesota Statutes, Sections 144.075 and 144.12 and Chapter 157.

Sec. 9. [COMMUNITY HEALTH SERVICES ADVISORY COMMITTEE.] An advisory committee is established to advise, consult with, and make recommendations to the state board of health on matters relating to the development, maintenance, funding and evaluation of community health services. Each board of health meeting the eligibility requirements of section 7 of this act may appoint a member to serve on the committee. The terms shall be two years and no member shall serve more than three consecutive terms. Continuity of membership shall be assured by having an approximately equal number of terms expire each year. Members may receive a per diem and shall be reimbursed for travel and other necessary expenses while engaged in their official duties. The committee shall meet at least quarterly and special meetings may be called by the chairman or a majority of the members.

Sec. 10. [COMMUNITY HEALTH SERVICES PLAN.]
Subdivision 1. [PLAN CONTENT.] The community health services plan shall be a written plan for the development, implementation, coordination, and operation of community health services that meet the priority needs of the community. Financial constraints and differing priorities may result in variations in levels of effort for different services. The plan shall include the following:

(a) A description of the process used to encourage full community participation in the development of the plan;

(b) An explanation of the extent to which the planning and service delivery systems have been integrated with the delivery of personal health services, institutional health services, health related environmental programs and services, and with related human services in the community. The plan shall include a statement of the priority needs of the community and an inventory of existing health related services in the community;

(c) Descriptions of each service program including each of the following: Community nursing services, home health ser-

VICES, disease prevention and control services including immunization, emergency medical services, health education, and environmental health services;

(d) The projected amount and sources of funding for carrying out the plan;

(e) A report and evaluation of the two preceding years community health service programs.

Subd. 2. [PLAN SUBMISSION.] The application for a community health services subsidy and the plan and any proposed revision of the plan shall be submitted to the appropriate regional development commission or to the metropolitan council and to the state board of health. The regional development commission or the metropolitan council shall review the plan to determine conformance with regional plans developed by the health systems agency under the provisions of the National Health Planning and Resource Development Act of 1974, and submit their findings and other comments and recommendations to the state board of health within 40 days after receiving the plan.

Sec. 11. [COMMUNITY HEALTH SERVICES SUBSIDY.]
Subdivision 1. [PAYMENT.] When a city, county, or group of cities or counties meets the requirements prescribed in section 7, the state board of health shall pay the amount of subsidy to the city or county in accordance with applicable rules and regulations from the funds appropriated for the purpose. The state board of health may make an advancement of funds on a quarterly basis.

Subd. 2. [FORMULA.] To determine the amount to be paid participating cities and counties, the state board of health shall apply the following formula using the most current data available:

(a) All counties will be ranked in accordance with a formula involving three factors:

- (1) Per capita income;
- (2) Per capita taxable value; and
- (3) Per capita local expenditure per 1,000 population for community health services.

(b) Each county is then ranked as follows:

- (1) On the basis of per capita income the ranking is from the lowest to the highest;

(2) Per capita taxable value is ranked from lowest to highest;

(3) Per capita expenditure is ranked from highest to lowest.

(c) The ranking given each county on each of the foregoing three factors is then totaled and the counties ranked in numerical order according to score.

(d) The total score for each county thus determined is then divided into a median total score. The quotient thus obtained is then multiplied by \$2.25 times the county population. The resulting product is the amount of subsidy to which the county is eligible under this formula, provided that no city or county shall receive less than \$1.75 or more than \$2.75 per capita, provided that such computation shall not include additional subsidies granted pursuant to subdivision 4 or subdivision 5 of this section.

Subd. 3. [LOCAL MATCH.] The amount of local matching funds required to receive the full subsidy shall be determined by multiplying the population by \$4.50 and subtracting the community health services subsidy allocated under the provisions of this section. The local matching funds may include local tax levies, gifts, fees for services and revenues from contracts. When the amount of local matching funds is less than the amount specified, the state formula subsidy shall be reduced proportionally. When a participating city or county fails to expend the full amount of the subsidy to which it would be entitled in any one year under the provisions of this act, the state board of health may, at its discretion, retain the surplus, subject to disbursement in the following year to the city or county if it can demonstrate a need for and ability to expend the surplus for the purposes provided in section 8. A city organized under the provisions of this act that levies a tax for provision of community health services shall be exempted from any county levy for the same services to the extent of the levy imposed by the city.

Subd. 4. [PAYMENT.] A city, county, or group of cities or counties with an aggregate population of 50,000 or more persons which meet the eligibility requirements of section 5 shall be entitled to an additional annual payment of \$.25 per capita.

Each county that combines with another county or counties for the purposes of sections 1 to 11 shall be entitled to an additional annual payment of \$5,000.

Subd. 5. [PLANNING GRANTS.] The state board of health may provide grants to any county or group of counties showing intent to come within the provisions of sections 1 to 11 for the purpose of planning for the development, implementation, and operation of community health services. No single county shall receive more than \$25,000 to conduct the planning. The

state board of health shall specify the terms and conditions of grants.

Sec. 12. [SPECIAL GRANTS.] Subdivision 1. The state board of health may make special grants to cities, counties, groups of cities or counties, or nonprofit corporations to establish, operate or subsidize clinic facilities and services, including mobile clinics, to furnish health services for migrant agricultural workers and their families in areas of the state in which significant numbers of migrant workers are located. Applicants shall submit for approval a plan and budget for the use of the funds in the form and detail specified by the state board of health. They shall maintain records, including records of expenditures to be audited, as the state board of health specifies.

Subd. 2. The state board of health may make special grants to local boards of health to establish, operate, or subsidize clinic facilities and services to furnish health services for native Americans who have no established county of residence. The community health services plan submitted by the local board of health must contain a proposal for the delivery of the services and documentation of input by affected segments of the community to the plan in order to qualify for a grant under this subdivision.

Sec. 13. [APPROPRIATION TRANSFER.] The commissioner of finance is authorized to transfer funds from any appropriation made to the state board of health to the appropriation provided in section 14 of this act. Such transfer shall occur after a request by the commissioner of health identifying the specific amounts from each appropriation, and the programs effected by the requested transfer. The commissioner of health shall furnish copies of each request to the committee on finance of the senate and the committee on appropriations of the house of representatives.

Sec. 14. [APPROPRIATION.] Subdivision 1. The sum of \$1,500,000 is appropriated from the general fund to the state board of health for the biennium ending June 30, 1977 for the purposes specified in section 11, subdivisions 1 to 4.

Subd. 2. The sum of \$400,000 is appropriated from the general fund to the state board of health for the biennium ending June 30, 1977 for the purposes specified in section 11, subdivision 5.

Subd. 3. The sum of \$150,000 is appropriated from the general fund to the state board of health for the biennium ending June 30, 1977 for the purposes specified in section 12, subdivision 1.

Subd. 4. The sum of \$150,000 is appropriated from the general fund to the state board of health for the biennium ending

June 30, 1977 for the purposes specified in section 12, subdivision 2.

Subd. 5. The sum of \$500,000 is appropriated to the general contingent fund for the purposes specified in section 11, subdivisions 1 through 4, to be expended in the manner prescribed in Minnesota Statutes 1974, Section 3.30.

Subd. 6. The sum of \$50,000 is appropriated from the general fund to the state board of health for the biennium ending June 30, 1977 for the purpose of administering section 8.

Sec. 14. [EFFECTIVE DATE.] The effective date of this act is July 1, 1975 except for section 11, subdivisions 1 to 4, which shall be effective July 1, 1976."

May 19, 1975

The Honorable Martin O. Sabo

The Honorable Alec G. Olson
President of the Senate

We, the undersigned conferees for H. F. No. 1199 report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and that H. F. No. 1199 be further amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1974, Section 254A.02, Subdivision 1, is amended to read:

254A.02 [DEFINITIONS.] Subdivision 1. For the purposes of (LAWS 1973, CHAPTER 572) *chapter 254A*, unless the context clearly indicates otherwise, the terms defined in this section have the meanings given them.

The Honorable Martin Olav Sabo
Speaker of the House

Sir:

I am returning H. F. 929, a bill which authorizes the use of electronic funds transfer systems by banks and credit unions, without my signature.

I am vetoing this legislation because I believe it prematurely creates a basis for additional competition among the various types of financial institutions in the state before sufficient time has elapsed to permit assessment of the electronic technology and the consequences for the consuming public and the financial institutions of the state.

While the bill seeks integration of financial institutions and electronic facilities to accommodate the service needs of bank customers, H. F. 929 actually establishes a system for branch

banking without limitation on locations or numbers or appropriate safeguards of the present basis of competition among financial institutions.

The legislation includes banks and credit unions, but omits the savings and loan associations of the state, thus providing a piecemeal rather than a comprehensive approach to the regulation of electronic fund transfer systems in the state's financial systems.

Independent studies of this new technology and its implications are currently being conducted by the Congress, the American Banking Association and a number of other states. There is no need to be precipitous in legislating the regulation of this new technology. The passage of several months may permit a better understanding of the consequences of authorizing the use of such machines by banking institutions, and the 1976 session can act if necessary on this matter.

With warmest regards.

Sincerely,

WENDELL R. ANDERSON
