"Sec. 12. Minnesota Statutes, 1977 Supplement, Section 524.3-105, is amended to read:

524.3-105 [PROCEEDINGS AFFECTING DEVOLUTION AND ADMINISTRATION; JURISDICTION OF SUBJECT MATTER.] Any interested person in a decedent's estate may apply to the registrar for determination in the informal proceedings provided in this article, and may petition the court for orders in formal proceedings within the court's jurisdiction including but not limited to those described in this article. Interim orders approving or directing partial distributions, sale of property or granting other relief, including, but not limited to, waiving the lien of inheritance taxes on specific property may be issued by the court at any time during the pendency of an administration on the petition of the personal representative or any interested person. The court has exclusive jurisdiction of proceedings, to determine how decedents' estates subject to the laws of this state are to be administered, expended and distributed. The court has concurrent jurisdiction of any other action or proceeding concerning a succession or to which an estate, through a personal representative, may be a party, (EXCEPT) *including actions to determine title to property, (TORT ACTIONS, FORECLOSURE OF MECHANIC'S LIENS,)* *alleged to belong to the estate, and of any action or proceeding in which property distributed by a personal representative or its value is sought to be subjected to rights of creditors or successors of the decedent (AND ANY ACTIONS UNDER SECTION 573.02).*

The court shall not have jurisdiction of tort actions, foreclosure of mechanic liens, or of any action under section 573.02.

Sec. 13. Minnesota Statutes 1976, Section 524.3-306, is amended to read:

524.3-306 [INFORMAL PROBATE; NOTICE REQUIREMENTS.] The moving party must give notice as described by section 524.1-401 of his application for informal probate (1) to any person demanding it pursuant to section 524.3-204; and (2) to any personal representative of the decedent whose appointment has not been terminated. Upon issuance of the written statement by the registrar pursuant to section 524.3-302, notice of the informal probate proceedings, in the form prescribed by court rule, shall be given under the direction of the clerk of court by publication once a week for two consecutive weeks in a legal newspaper *in the county where the application is filed* and by mailing a copy of the notice by ordinary first class mail to all interested persons, other than creditors. Further if the decedent was born in a foreign country or left heirs or devisees in any foreign country, notice shall be given to the consul or other representative of such country, if he resides in this state and has filed a copy of his appointment with the secretary of state, or to the nominee or nominees of such consul or representative. If no such consul or representative exists, then notice shall be given to the chief diplomatic representative of such country at Washington, D.C. or to the secretary of state at St. Paul, Minnesota, who shall forward the same to such representative.

Sec. 14. Minnesota Statutes 1976, Section 524.3-310, is amended to read:

524.3-310 [INFORMAL APPOINTMENT PROCEEDINGS; NOTICE REQUIREMENTS.] The moving party must give notice as described by section 524.1-401 of his intention to seek an appointment informally; (1) to any person demanding it pursuant to section 524.3-204; and (2) to any person having a prior or equal right to appointment not waived in writing and filed with the court. Notice of the appointment of the personal representative shall be given under the direction of the clerk of court by publication once a week for two consecutive weeks in a legal newspaper *in the county where the application is filed* and by mailing a copy of the notice by ordinary first class mail to all interested persons, other than creditors. The notice, in the form prescribed by court rule, shall state that any heir, devisee or other interested person may be entitled to appointment as personal representative or may object to the appointment of the personal representative and that the personal representative is empowered to fully administer the estate including, after 30 days from the date of issuance of his letters, the power to sell, encumber, lease or distribute real estate, unless objections thereto are filed with the court (pursuant to section 524.3-607) and the court otherwise orders. Further, if the decedent was born in a foreign country or left heirs or devisees in any foreign country, notice shall be given to the consul or other representative of such country, if he resides in this state and has filed a copy of his appoint-

ment with the secretary of state, or to the nominee or nominees of such consul or representative. If no such consul or representative exists, then notice shall be given to the chief diplomatic representative of such country at Washington, D.C. or to the secretary of state at St. Paul, Minnesota, who shall forward the same to such representative. No defect in any notice nor in publication or service thereof shall limit or affect the validity of the appointment of the personal representative, his powers or other duties.

Sec. 15. Minnesota Statutes, 1977 Supplement, Section 524.3-714, is amended to read:

524.3-714 [PERSONS DEALING WITH PERSONAL REPRESENTATIVE; PROTECTION.] (a) A person who in good faith either assists a personal representative or deals with him for value is protected as if the personal representative properly exercised his power. The fact that a person knowingly deals with a personal representative does not alone require the person to inquire into the existence of a power or the propriety of its exercise. Except for restrictions on powers of supervised personal representatives which are endorsed on letters as provided in section 524.3-504, no provision in any will or order of court purporting to limit the power of a personal representative is effective except as to persons with actual knowledge thereof. A person is not bound to see to the proper application of estate assets paid or delivered to a personal representative. The protection here expressed extends to instances in which some procedural irregularity or jurisdictional defect occurred in proceedings leading to the issuance of letters, including a case in which the alleged decedent is found to be alive. The protection here expressed is not by substitution for that provided by comparable provisions of the laws relating to commercial transactions and laws simplifying transfers of securities by fiduciaries.

(b) If property is wrongfully transferred by a person acting as a personal representative to a person who is not in good faith, a subsequent good faith purchaser is protected as if the original transferee dealt in good faith. *Any purchaser in good faith is protected as if all prior transfers were made in good faith.*

Sec. 16. Minnesota Statutes 1976, Section 524.3-1003, is amended to read:

524.3-1003 [CLOSING ESTATES; BY SWORN STATEMENT OF PERSONAL REPRESENTATIVE.] (a) Unless prohibited by order of the court and except for estates being administered in supervised administration proceedings, a personal representative may close an estate by filing with the court no earlier than six months after the date of original appointment of a general personal representative for the estate, a statement stating that he, or a prior personal representative whom he has succeeded, has or have:

(1) published notice to creditors and that the first publication occurred more than six months prior to the date of the statement;

(2) fully administered the estate of the decedent by making payment, settlement or other disposition of all claims which were presented, expenses of administration and estate, inheritance and other taxes, except as specified in the statement, and that the assets of the estate have been inventoried and distributed to the persons entitled. If any claims, expenses or taxes remain undischarged, the statement shall state in detail other arrangements which have been made to accommodate outstanding liabilities; and

(3) sent a copy thereof to all distributees of the estate and to all creditors or other claimants of whom he is aware whose claims are neither paid nor barred and has furnished a full account in writing of his administration to the distributees whose interests are affected thereby.

(b) If no proceedings involving the personal representative are pending in the court one year after the closing statement is filed, the appointment of the personal representative terminates. *Letters of appointment remain in full force until one year after the filing of the closing statement at which time the authority of the personal representative shall terminate.*"

Renumber the sections.

Also there shall be added to federal adjusted gross income the amount of any distributions in cash or property made by said corporation to its shareholders during the taxable year.

(2) In cases where the small business corporation has made an election under section 1372 of the Internal Revenue Code of 1954, but has not elected under section 290.972 of this chapter and said corporation is liquidated or the individual shareholder disposes of his stock and there is no capital loss reflected in federal adjusted gross income because of the fact that corporate losses have exhausted the shareholders basis for federal purposes, such shareholders shall be entitled, nevertheless, to a capital loss commensurate to their Minnesota basis for the stock.

(3) In cases where the election under section 1372 of the Internal Revenue Code of 1954 antedates the election under section 290.972 of this chapter and at the close of the taxable year immediately preceding the effective election under section 290.972 the corporation has a reserve of undistributed taxable income previously taxed to shareholders under the provisions of the Internal Revenue Code of 1954, in the event and to the extent that such reserve is distributed to shareholders such distribution shall be taxed as a dividend for purposes of this act.

Items of gross income includible within these definitions shall be deemed such regardless of the form in which received. Items of gross income shall be included in gross income of the taxable year in which received by a taxpayer unless properly to be accounted for as of a different taxable year under methods of accounting permitted by section 290.07, except that (1) amounts transferred from a reserve or other account, if in effect transfers to surplus, shall, to the extent that such amounts were accumulated through deductions from gross income or entered into the computation of taxable net income during any taxable year, be treated as gross income for the year in which the transfer occurs, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act, and (2) amounts received as refunds on account of taxes deducted from gross income during any taxable year shall be treated as gross income for the year in which actually received, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act.

(d) Modification in computing taxable income of the estate of a decedent. Amounts allowable under section 291.07, subdivision 1(2) in computing Minnesota inheritance tax liability shall not be allowed as a deduction in computing the taxable income of the estate unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts have not been allowed as a deduction under section 291.07 and a waiver of the right to have such amounts allowed at any time as deductions under section 291.07. The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). In the event that the election made for federal tax purposes under section 642(g) of the Internal Revenue Code of 1954 differs from the election made under this paragraph appropriate modification of the estate's federal taxable income shall be made to implement the election made under this paragraph in accordance with regulations prescribed by the commissioner.

Except for refunding bonds and certificates of indebtedness, the *principal* amount of (BORROWING AUTHORIZED BY) *bonds that may be issued under this section*, over and above the amount of bonds of the commission outstanding (JULY 1, 1974) *March 1, 1978*, is limited to (\$20,000,000) *\$30,000,000* until and unless this limitation is increased by law. The pledge of revenues of the commission to its debt service fund in lieu of the taxes otherwise required by section 473.665 to be assessed and extended shall be and remain a first charge on all current revenues of the commission to the extent required annually to cancel such taxes.

Sec. 2. Minnesota Statutes 1976, Section 473.667, Subdivision 4, is amended to read:

Subd. 4. [DEBT SERVICE FUND.] The commission shall maintain permanently on its official books and records an account or accounts referred to herein collectively as the debt service fund, separate from all other funds and accounts, to record all receipts and disbursements of money for principal and interest payments on its bonds, and on certificates of indebtedness issued pursuant to subdivision 10. At or before the due date of each principal and interest payment on said bonds and certificates the treasurer shall remit from the debt service fund to the payment agent for the issue an amount sufficient for such payment, without further order from the commission. At or before the time of delivery of any series of bonds the commission shall withdraw from the proceeds thereof, or from revenues then on hand and available for the purpose, and shall deposit in the debt service fund such amount, if any, as may be required to establish in the fund a balance of cash and investments at least equal to the total amount of principal and interest then due and to become due on bonds of the commission to the end of the following year, *but not exceeding the total amount of principal and interest then due and to become due on bonds of the commission to the end of the second following year.* The commission shall also deposit in the fund (AS NEEDED AND AVAILABLE) *on or before Octo-*

ber 10 in each year, from revenues received in excess of budgeted current expenses of operation and maintenance of its property and of carrying on its business and activities, (AND IN EXCESS OF AMOUNTS REQUIRED TO CANCEL TAXES UNDER SUBDIVISION 2, SUCH AMOUNTS AS SHALL BE REQUIRED TO REIMBURSE THE FUND FOR BOND AND CERTIFICATE PAYMENTS AND TO PRODUCE A BALANCE OF CASH AND INVESTMENTS THEREIN BY OCTOBER 10 IN EACH YEAR AT LEAST EQUAL TO THE TOTAL AMOUNT OF PRINCIPAL AND INTEREST DUE AND TO BECOME DUE ON GENERAL OBLIGATION REVENUE) or from other available moneys, amounts at least sufficient to permit cancellation of the taxes referred to in subdivision 2 and to pay principal and interest due on the following year on general obligation revenue bonds of the commission; and, to the extent determined by the commission, sufficient to produce a balance of cash and investments therein not exceeding the total amount of principal and interest due and to become due on all bonds of the commission to the end of the second following year. If (THE) such revenues or other available moneys are insufficient in any year to produce the required minimum balance or any larger balance established by the commission, then unless provision is made for restoring the deficiency in accordance with the provisions of subdivision 8, the commission shall levy and appropriate to the debt service fund, and certify to the county auditors of all counties in the metropolitan area, a tax in accordance with subdivision 3 in an amount at least five percent in excess of the deficiency. For the purpose of determining the balance in the debt service fund at any time, investments held therein shall be valued at the principal amount payable at maturity if they mature in the following year, or otherwise at market value, plus the amount of interest receivable thereon to the end of the following year.

Subd. 23. [OPEN FIRE.] "*Open fire*" means a fire burning in matter, whether concentrated or dispersed, which is not contained within a fully enclosed firebox, structure or vehicle and from which the products of combustion are emitted directly to the open atmosphere without passing through an adequate stack, duct or chimney.

Sec. 2. Minnesota Statutes 1976, Section 88.10, is amended to read:

88.10 [FIGHTING FOREST FIRES, AUTHORITY OF STATE FOREST OFFICERS.] Subdivision 1. Under the direction of the commissioner, forest officers are charged with preventing and extinguishing forest fires in their respective districts and the performance of such other duties as may be required by him. They may arrest without warrant any person found violating any provisions of sections 88.03 to (88.21) 88.22, take him before a court of competent jurisdiction in the county charging the person so arrested, and the person so charged shall be arraigned and given a hearing on the complaint. The forest officers shall not be liable in civil action for trespass committed in the discharge of their duties. All authorized state forest officers, including rangers, guards, township fire wardens, smoke chasers, fire foremen or individuals legally employed as fire fighters, may in the performance of their duties of fire fighting go onto the property of any person, company, or corporation and in so doing may set backfires, dig or plow trenches, cut timber for clearing fire lines, dig water holes, remove fence wires to provide access to the fire or carry on all other customary activities necessary for the fighting of forest, prairie or brush fires without incurring a liability to anyone, except for damages arising out of wilful or gross negligence.

Subd. 2. Any forest officer may serve any warrant for the arrest of any person violating any provision of sections 88.03 to (88.21) 88.22 and for that purpose all forest officers are hereby vested with the same powers as constables or other similar officers of the courts issuing such warrants.

Sec. 3. Minnesota Statutes 1976, Section 88.16, is amended to read:

88.16 [STARTING FIRES; CAMPFIRES; INCINERATORS; BURNING BAN.] Subdivision 1. *Except as provided in subdivision 2*, it shall be unlawful, when the ground is not snow-covered, in any place where there are standing or growing native coniferous trees, or in areas of ground from which (NATIVE) *natural* coniferous trees have been cut, or where there are slashings of such trees, or native brush, timber, slashings thereof, or excavated stumps, or where there is peat or peat roots excavated or growing, to start or have any open fire(, OR ANY BACK FIRE,) without the written permission of the commissioner(,) or other authorized forest officer.

Subd. 2. No permit is required for the following open fires:

(a) A cooking or warming fire contained in a fireplace, fire-ring, charcoal grill, portable gas or liquid fueled camp stove or other similar container or device designed for the purpose of cooking or heating, if the area within a radius of five feet of the fire is kept clear of all combustible material.

(b) The burning of grass, leaves, rubbish, garbage, branches, and similar combustible material in an approved incinerator. An approved incinerator shall be constructed of fire resistant material, have a capacity of at least three bushels, be maintained with a minimum burning capacity of at least two bushels, and have a cover which is closed when in use and openings in the top or sides of one inch maximum diameter. No combustible material shall be nearer than three feet to the burner or incinerator when in use.

Subd. (2) 3. The occupant of any premises upon which any unauthorized fire is burning in the vicinity of forest lands, whether the fire was started by him or otherwise, shall promptly report the fire to the commissioner, or to the nearest forest officer or fire warden. Failure to make this report shall be deemed a violation of sections 88.03 to (88.21) 88.22 and the occupant of the premises shall be deemed prima facie guilty of negligence if the unreported fire spreads from the premises to the damage, loss, or injury of the state or any person.

Sec. 4. Minnesota Statutes 1976, Section 88.17, is amended to read:

88.17 [PERMISSION TO START FIRES; PROSECUTION FOR UNLAWFULLY STARTING FIRES.] Subdivision 1. Permission to set fire to any grass, stubble, peat, brush, raking of leaves, rubbish, garbage, branches, slashings or woods for the purpose of cleanup, clearing and improving land or preventing other fire shall be given whenever the same may be safely burned, upon such reasonable conditions and restrictions as the commissioner may prescribe, to prevent same from spreading and getting beyond control. This permission shall be in the form of a written permit signed by a regular forest officer or some other suitable person to be designated by him, as town fire warden, these permits to be on forms furnished by the commissioner. (THE COMMISSIONER, OR ANY OF HIS AUTHORIZED ASSISTANTS, MAY AT HIS DISCRETION IN CASES OF EXTREME DANGER REFUSE, REVOKE, OR POSTPONE THE USE OF PERMITS TO BURN WHEN SUCH ACT IS CLEARLY NECESSARY FOR THE SAFETY OF LIFE AND PROPERTY.) Any person setting any fire or burning anything under such permit shall keep the permit on his person while so engaged and produce and exhibit the permit to any forest officer, when requested to do so. (NO PERMIT IS RE-

QUIRED FOR THE BURNING OF GRASS, LEAVES, RUBBISH, GARBAGE, BRANCHES AND SIMILAR COMBUSTIBLE MATERIAL UNDER THE FOLLOWING CONDITIONS: (1) THE MATERIAL SHALL BE BURNED WITHIN AN INCINERATOR OR BURNER CONSTRUCTED OF FIRE RESISTANT MATERIAL HAVING A CAPACITY OF NOT LESS THAN THREE BUSHELS AND MAINTAINED WITH A MINIMUM BURNING CAPACITY OF NOT LESS THAN TWO BUSHELS, A COVER WHICH IS CLOSED WHEN IN USE, AND MAXIMUM OPENINGS IN THE TOP OR SIDES NO GREATER THAN ONE INCH IN DIAMETER; AND (2) NO COMBUSTIBLE MATERIAL SHALL BE NEARER THAN THREE FEET TO THE BURNER OR INCINERATOR WHEN IT IS IN USE.)

Subd. 2. In any prosecution under sections 88.03 to (88.21) 88.22 for unlawfully starting or setting or having or permitting the continuation or spread of any fire or back-fire, proof upon the part of the prosecution that such fire or back-fire originated upon, or was permitted to burn upon, or that it spread from, lands or premises occupied by the person charged with the offense, and that this person had knowledge of the fire and made no effort to put it out, shall be prima facie evidence that he is guilty. The burden of proof as to any matter in refutation of this prima facie guilt, or in extenuation or excuse, shall be and rest upon the person so appearing prima facie to be guilty.

Sec. 5. Minnesota Statutes 1976, Section 88.22, is amended to read:

88.22 [FOREST FIRE PREVENTION; CLOSING FOREST ROADS AND TRAILS; PROHIBITING OPEN FIRES AND SMOKING; REGULATING PRIVATE AND PUBLIC DUMPING AREAS; PENALTIES.] *Subdivision 1.* When the commissioner of natural resources shall determine that conditions conducive to forest fire hazards exist in the forest areas of the state and that the presence of persons in the forest areas tends to aggravate forest fire hazards, render forest trails impassable by driving thereon during wet seasons and hampers the effective enforcement of state timber trespass and game laws, he may by written order, close any road or trail leading into any land used for any conservation purposes, to all modes of travel except that considered essential such as residents traveling to and from their homes or in other cases to be determined by the authorized forest officers assigned to guard the area. The commissioner may also, upon such determination, by written order, (PROHIBIT THE BUILDING OF ALL CAMPFIRES EXCEPT BY PERMIT ISSUED BY AN AUTHORIZED OFFICER) *suspend the issuance of permits for open fires, revoke or suspend the operation of a permit previously issued and, to the extent he deems necessary, prohibit the building of all or some kinds of open fires in all or any part of a forest area regardless of whether a permit is otherwise required;* and the commissioner also may, by written order, prohibit smoking except at places of habitation or automobiles

or other enclosed vehicles properly equipped with an efficient ash tray.

Subd. 2. The commissioner may close any public or private dumping area, by posting such area as closed to dumping, whenever he deems it necessary for the prevention of forest fires. Thereafter no person shall deposit refuse of any kind within or adjacent to such closed area, or along the road leading thereto.

The commissioner shall establish such minimum standards governing public and private dumping areas as he deems necessary for the prevention of forest fires.

Subd. 3. Any violations of this section shall constitute a misdemeanor.

Sec. 6. Minnesota Statutes 1976, Section 88.73, is amended to read:

88.73 [ADMINISTRATION; DELEGATED POWERS AND DUTIES.] The director is hereby empowered and directed to administer and enforce sections 88.03 to (88.21) 88.22; and, to that end, he may make and enforce all necessary or convenient rules and regulations not inconsistent with the provisions and purposes of these sections. In every case the powers delegated to, and the duties imposed upon, the director, and other state or municipal representatives by sections 88.03 to (88.21) 88.22 shall be exercised and performed in good faith, without undue oppression, and in a manner as reasonable as the exigencies of the situation will permit.

Nothing in sections 88.03 to (88.21) 88.22 shall be construed as abrogating the laws specifically governing state parks or other public parks, or state or municipal forests. The provisions of all such laws and of sections 88.03 to (88.21) 88.22 shall be harmonized and both given effect wherever possible.

Nothing in sections 88.03 to (88.21) 88.22 shall be construed as restricting the state, or any political subdivision thereof, in the exercise of any power, right, or privilege which may be conferred by separate enactment of the legislature under authority of the so-called forest fire prevention amendment to the State Constitution, approved by vote of the electors of this state at the general election held in November, 1924.

Sec. 7. Minnesota Statutes 1976, Section 88.75, Subdivision 1, is amended to read:

88.75 [VIOLATIONS; PENALTIES.] Subdivision 1. Any person who violates any of the provisions of sections 88.03 to (88.21) 88.22 for which no specific penalty is therein prescribed shall be guilty of a misdemeanor and be punished accordingly.

Failure by any person to comply with any provision or requirement of sections 88.03 to (88.21) 88.22 to which such person is subject shall be deemed a violation thereof.

Any person who violates any provisions of sections 88.03 to (88.21) 88.22, in addition to any penalties therein prescribed, or hereinbefore in this section prescribed, for such violation, shall also be liable in full damages to any and every person suffering loss or injury by reason of such violation, including liability to the state, and any of its political subdivisions, for all expenses incurred in fighting or preventing the spread of, or extinguishing, any fire caused by, or resulting from, any violation of these sections. When a fire set by any person spreads to and damages or destroys property belonging to another, the person setting the fire shall be prima facie guilty of negligence in setting and allowing the same to spread.

At any time the state, or any political subdivision thereof, either of its own motion, or at the suggestion or request of the director, may bring an action in any court of competent jurisdiction to restrain, enjoin, or otherwise prohibit any violation of sections 88.03 to (88.21) 88.22, whether therein described as a crime or not, and likewise to restrain, enjoin, or prohibit any person from proceeding further in, with, or at any timber cutting or other operations without complying with the provisions of those sections, or the requirements of the director pursuant thereto; and the court may grant such relief, or any other appropriate relief, whenever it shall appear that the same may prevent loss of life or property by fire, or may otherwise aid in accomplishing the purposes of sections 88.03 to (88.21) 88.22.

Sec. 8. Minnesota Statutes 1976, Section 88.76, is amended to read:

88.76 [REWARDS.] Upon conviction of any person for violating any of the provisions of sections 88.03 to (88.21) 88.22, the director, at his discretion, may pay, from any money placed at his disposal under those sections, a reward of not more than \$25 to the person or persons giving the information leading to such conviction.

Sec. 9. Minnesota Statutes 1976, Section 88.77, is amended to read:

88.77 [DISPOSAL OF FINES AND PENALTIES.] Except as otherwise expressly provided in sections 88.03 to (88.21) 88.22, all moneys received as penalties for violations of the provisions of those sections, less the cost of collection, shall be paid into the treasury of the county in which the penalties for these violations were imposed; provided, that fines collected for violations of those sections, where prosecutions are instituted upon the complaint of town or city officers duly appointed by the

director as fire wardens, shall be paid into the treasury of the town or city where the offense was committed.

Sec. 10. Minnesota Statutes 1976, Section 88.78, is amended to read:

88.78 [APPEALS.] No appeal shall be allowed from a judgment in any court of a justice of the peace, or a municipal court, or other similar court, to the district court in any prosecution under sections 88.03 to (88.21) 88.22, unless the person appealing shall, within the time prescribed by law, enter into a recognizance, with sufficient sureties, or deposit cash bail in twice the amount of the fine and costs, to be approved by the justice, conditioned to appear before the district court on the first day of the next general term thereof to be held in and for the same county, and abide the judgment of the court therein.

The justice or judge may examine the proposed sureties under oath and, in such case, shall make and keep a record of their answers in respect to the kinds and amount of their property not exempt from execution, and he shall furnish a copy of the same to the director.

When an arrest shall have been made for violation of any of the provisions of sections 88.03 to (88.21) 88.22, or when information of such violation shall have been lodged with him, the county attorney of the county in which the offense was committed shall prosecute the accused with diligence and energy.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 238.02, is amended by adding a subdivision to read:

Subd. 14. "Core service unit" shall mean the municipality, or, in the case of a joint powers agreement, municipalities, in which a cable communications system first provides service under a lawful franchise and from which the cable communications system extends service into additional areas which are included in the boundaries of a cable service territory approved by the board.

Sec. 2. Minnesota Statutes 1976, Section 238.02, is amended by adding a subdivision to read:

Subd. 15. "Extension area" shall mean a municipality or municipalities located outside the franchise boundaries of the core service unit.

Sec. 3. Minnesota Statutes 1976, Section 238.02, is amended by adding a subdivision to read:

Subd. 16. "Extension permit" shall mean any authorization granted by an extension area in the form of a franchise, privilege, permit, license or other municipal authorization to construct, operate, maintain, or manage a cable communications system within the boundaries of the extension area.

Sec. 4. Minnesota Statutes 1976, Section 238.08, Subdivision 1, is amended to read:

238.08 [FRANCHISE REQUIREMENT.] Subdivision 1. A municipality shall require a franchise or extension permit of any cable communications system providing service within the municipality.

Sec. 5. Minnesota Statutes 1976, Chapter 238, is amended by adding a section to read:

[238.17] [PROVISION OF SERVICE TO EXTENSION AREAS.] *Subdivision 1. Notwithstanding the provisions of section 238.09 or any other law to the contrary, a cable communications system may extend service outside the boundaries of a core service unit if: (1) the extension area is not within the seven county metropolitan area, as defined in section 473.121, subdivision 4; (2) the board first approves, in accordance with procedures set forth in the board's rules, the inclusion of the extension area in the same cable service territory which contains the core service unit; and (3) the cable communications system obtains and files with the board an extension permit issued by the municipality or municipalities which have jurisdiction over the extension area.*

Subd. 2. [EXEMPTION.] Notwithstanding any law to the contrary, a cable communications system with less than 50 subscribers in a municipality shall be exempt from obtaining a permit from that municipality.

Subd. 3. [MUNICIPAL PERMIT.] Any extension permit awarded pursuant to this section shall be issued at a regular or special meeting of the governing body affording reasonable notice and reasonable opportunity to be heard. Such extension permits shall include:

(a) A schedule of the rates to be charged to the subscribers and the procedure to be used to change subscriber rates;

(b) A stipulation that the parties to the extension permit agree, to the extent applicable, to abide by those terms of the franchise of the core service unit which pertain to system-wide channel capacity, access channels, equipment for production and reproduction or playback of programming, two way communications capability, standards for system installation, maintenance and operation, indemnification of the franchisor, liability insurance, abandonment of service, removal of equipment and termination or cancellation of the franchise; and

(c) A statement to the effect that the expiration date of the extension permit shall be coincident with that of the franchise of the core service unit, provided that a change in the expiration date of the core service unit franchise, by way of either renewal or amendment of the franchise, shall automatically apply to the extension permit unless an extension area elects otherwise.

Subd. 4. Nothing in this section shall be construed to prevent a municipality having jurisdiction over an extension area from becoming a party to the franchise of the core service unit under an agreement for the joint exercise of powers executed pursuant to section 471.59.

Subd. 5. Nothing in this section shall be construed to prevent a municipality having jurisdiction over an extension area from prescribing extension permit requirements which are in excess of those required by this section, unless such requirements are inconsistent with chapter 238 or with any rule or regulation of the board.

Subd. 6. The board shall liberally construe this section and may, upon petition by either of the parties to an extension permit, waive or modify requirements to abide by the terms of the franchise of the core service unit if such terms are found to be unique to the core service unit and either inapplicable or inoperable in the extension area.

Subd. 7. Notwithstanding the provisions of section 238.08 or any other law to the contrary, any cable communications system which, pursuant to the terms of an existing franchise, was lawfully engaged in actual operations and which was providing extension of service to an area or areas outside of its franchise boundaries on the effective date of this act, may continue to provide service within the boundaries of the municipality or municipalities into which service was previously extended, but not to any new subscribers in any other municipality. Any such system shall have until April 30, 1979 to obtain approval of revised cable service territory boundaries which include the extension area being served, and until March 31, 1980 to obtain an extension permit or extension permits from the municipality or municipalities having jurisdiction in the extension area. If the franchise of the core service unit is being exercised pursuant to section

238.09, subdivisions 3, 4, 5, or 9, the franchisee may continue to provide service in the extension area without further proceedings until such time as the certificate of confirmation currently in effect is required to be renewed. The franchisee shall, by that time, be required to have established a cable service territory approved by the board which includes all areas to be served by the cable communications system and to have obtained an extension permit from each municipality in the cable service territory, except where two or more municipalities agree upon the joint exercise of powers pursuant to section 471.59. Nothing in this subdivision shall be construed to prevent a municipality from requiring an extension permit prior to the time required by this subdivision.

Subd. 8. The board may promulgate such rules and regulations as it deems necessary to effectuate the purposes and provisions of this section.

Sec. 6. This act is effective the day following final enactment."

H. F. No. 1243, A bill for an act relating to public utilities; providing lifeline rates for electricity and natural gas; providing exemptions for electrical cooperatives; amending Minnesota Statutes 1976, Chapter 216B, by adding a section.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Chapter 216B, is amended by adding a section to read:

[216B.031] [LIFELINE RATES.] *Subdivision 1. The legislature hereby finds that the cost of service is no longer the*

proper standard to use for determining the rate to be charged for an essential amount of energy consumption for residential, small business and family farm customers; that all classes of customers should bear the cost of providing an essential amount of energy to residential customers to insure the quality of life; that the escalation of the cost of essential energy for residential customers should be slowed; and that conservation should be encouraged.

Subd. 2. [RESIDENTIAL; DEFINITION.] For the purpose of this section "residential" means the permanent dwelling of a user and excludes vacation residences and residences which are unoccupied for more than 180 days in a year.

Subd. 3. [ELECTRICITY.] The public service commission is directed to explore and design potential electrical lifeline rates for residential electrical customers. The commission is authorized to implement the electrical lifeline rates as may be feasible, in accordance with the following provisions:

(1) Existing service charges shall be eliminated or converted to a minimum usage charge. If the minimum usage charge is utilized, it shall constitute the cost of the first 100 kilowatt-hours on the lifeline rate;

(2) The lifeline rate for each utility shall not exceed the average revenue per kilowatt-hour (kwh) for either the utility as a whole or the residential class thereof;

(3) The lifeline rate shall be applied to no less than the first 500 kwh per month, taking into consideration regional differences in usage;

(4) The commission shall not unduly burden high usage residential customers;

(5) Existing summer-winter rate differentials shall not be eliminated;

(6) The commission shall create a new class to be designated "master metered multifamily residential". In determining lifeline rates, the commission shall give the master metered multifamily residential class the same degree of protection that it provides to single metered residential users;

(7) Special lifeline rates shall be established for family farms, as defined by Minnesota Statutes, Section 500.24, Subdivision 1, Clauses (b) and (c);

(8) No utility's small business class that is shown to be generating a disproportionately higher rate of return, as compared to the utility's other nonresidential classes, shall be re-

quired to absorb a portion of any interclass burden created by implementation of lifeline rates;

(9) *The public service commission shall require that every public utility file a schedule of lifeline rates no later than January 1, 1979, consistent with the provisions of this section. The commission shall not authorize an increase in the lifeline rate until the average revenue per kilowatt-hour of nonlifeline rates for the public utility has increased 25 percent or more, exclusive of fuel adjustment clauses. This requirement shall apply to the initial increase in a utility's lifeline rate and all subsequent increases in the lifeline rate.*

Subd. 4. [NATURAL GAS.] The public service commission is directed to explore and design potential natural gas rates based on the lifeline principles set forth in this section. The commission is authorized to implement natural gas lifeline rates as may be feasible.

Subd. 5. [ELECTRICAL COOPERATIVES; EXEMPTION.] Any electrical cooperative that serves less than 10,000 customers or derives 90 percent or more of its gross revenue from residential customers may petition the public service commission to be excluded from the provisions of this section. If the commission determines that the electrical cooperative satisfies the requirements of this subdivision, it shall exempt the cooperative from the provisions of this section for a period of three years. An extension of the exemption period shall be granted in accordance with the provisions of this subdivision. Strike everything after the enacting clause and insert:

"Section 1. [273.1105] [DELAYED VALUATION OF CERTAIN IMPROVEMENTS.] Subdivision 1. Notwithstanding other provisions of the law dealing with assessed valuation of real property, there shall be no increase in the assessed valuation of a multiple unit residential building based on the improvements made during rehabilitation of the building during the rehabilitation year or any of the five years following the rehabilitation if the building meets the criteria set forth in subdivision 2. After the fifth year following rehabilitation, the building will be valued as are other buildings in the same property class in that taxing district.

Subd. 2. To qualify for valuation pursuant to subdivision 1, the owner of a building shall apply to the assessor prior to commencing a rehabilitation project. The assessor shall approve treatment pursuant to subdivision 1 for a building if: (a) the building is more than 25 years old; (b) the anticipated rehabilitation costs, which are those expenses incurred in the process of renovation, including labor, materials, and management costs, exceed 60 percent of the estimated market value of the building at the time when the application is made; (c) the rehabilitation is completed within one year and prior to the January 2 assessment date; (d) the building contains more than three rental units; (e) the building is not used as a hotel or motel in which the rental units are used by tenants for rental periods of less than 30 days; (f) the property is not classified pursuant to Minnesota Statutes, Section 273.13, Subdivisions 17, 17a or 17b; (g) not more than 25 percent of the residential units in the building are subsidized through section 8 of the U. S. Housing Act of 1937, 42 USC 1437(f); and (h) limits the rehabilitation to the original structure.

Subd. 3. Any increase in value of a building approved for treatment pursuant to subdivision 1 which results from a general rise in value of similar buildings of the same class throughout the taxing district or from improvements made to the building which were not part of the rehabilitation program submitted to the assessor for his approval shall be added to the assessed valuation of the building.

Subd. 4. Each assessor who grants the delayed assessment treatment provided in this section shall maintain records of the location and number of the buildings which qualify and the amount of value added by the rehabilitation. The governing body of each municipality in which qualifying property is located shall review that information and evaluate the impact of the program in the municipality, particularly with respect to its effect on the municipality's tax base and mill rate during the course of the program and its completion. This review shall be completed within six months after the delayed assessment of all property subject to the provisions of this section in the municipality has terminated.

Sec. 2. [EFFECTIVE DATE.] This act is effective for taxes levied in 1978 and thereafter, payable in 1979 and thereafter, and shall expire for taxes levied in 1983, payable in 1984 and thereafter; provided that any project approved prior to the expiration of this section shall continue to receive treatment pursuant to subdivision 1 until the end of the fifth year following the rehabilitation year.”.

Page 3, after line 15, insert:

"Sec. 2. Minnesota Statutes, 1977 Supplement, Section 47.20, Subdivision 2, is amended to read:

Subd. 2. For the purposes of this section the terms defined in this subdivision have the meanings given them:

(1) "Actual closing costs" mean reasonable charges for or sums paid for the following, whether or not retained by the mortgagee or lender:

(a) Any insurance premiums including but not limited to premiums for title insurance, fire and extended coverage insurance, flood insurance, and private mortgage insurance, *but excluding any charges or sums retained by the mortgagee or lender as self-insured retention.*

(b) Abstracting, title examination and search, and examination of public records.

(c) The preparation and recording of any or all documents required by law or custom for closing a conventional loan.

(d) Appraisal and survey of real property securing a conventional loan.

(e) A single service charge, which shall include any consideration, not otherwise specified herein as an "actual closing cost" paid by the borrower and received and retained by the lender for or related to the acquisition, making, refinancing or modification of a conventional loan, and shall also include any consideration received by the lender for making a commitment for a conventional loan, whether or not an actual loan follows such commitment. The term service charge shall not include developer's commitment fees. The service charge shall not exceed one percent of the original bona fide principal amount of the conventional loan, except that in the case of a construction loan, the service charge shall not exceed two percent of the original bona fide principal amount of the loan. That portion of the service charge imposed because the loan is a construction loan shall be itemized and a copy of the itemization furnished the borrower. A lender

shall not collect from a borrower the additional one percent service charge permitted for a construction loan if it does not perform the service for which the charge is imposed or if third parties perform and charge the borrower for the service for which the lender has imposed the charge.

(f) Charges and fees necessary for or related to the transfer of real property securing a conventional loan or the closing of a conventional loan paid by the borrower and received by any party other than the lender.

(2) "Conventional loan" means a loan or advance of credit, other than a loan or advance of credit made by a credit union or made pursuant to section 334.011, to a noncorporate borrower in an original principal amount of less than \$100,000, secured by a mortgage upon real property containing one or more residential units or upon which at the time the loan is made it is intended that one or more residential units are to be constructed, and which is not insured or guaranteed by the secretary of housing and urban development, by the administrator of veterans affairs, or by the administrator of the farmers home administration. The term mortgage shall not include contracts for deed or installment land contracts.

(3) "Developer's commitment fee" means a fee or other consideration paid to a lender by a person in the business of building or arranging for building residential units for the purpose of securing a commitment by the lender to make conventional loans to credit worthy purchasers of residential units, or a fee or other consideration paid to a lender for the purpose of securing a commitment by the lender to make conventional loans to credit worthy purchasers of apartments as defined in section 515.02 to be created out of existing structures pursuant to the Minnesota condominium act, by a person creating the apartments.

(4) "Finance charge" means the total cost of a conventional loan including extensions or grant of credit regardless of the characterization of the same and includes interest, finders fees, and other charges levied by a lender directly or indirectly against the person obtaining the conventional loan or against a seller of real property securing a conventional loan, or any other party to the transaction except any actual closing costs and any developer's commitment fee. The finance charges plus the actual closing costs and any developer's commitment fee, charged by a lender shall include all charges made by a lender other than the principal of the conventional loan.

(5) "Lender" means any person making a conventional loan. The term shall also include the holder or assignee at any time of a conventional loan.

(6) "Loan yield" means the annual rate of return obtained by a lender over the term of a conventional loan and shall be

computed as the annual percentage rate as computed in accordance with sections 226.5 (b), (c) and (d) of Regulation Z, 12 C.F.R. section 226, but using the definition of finance charge provided for in this subdivision. The finance charge shall be amortized over the contract term of the conventional loan.

(7) "Monthly index of long term United States government bond yields" means the monthly unweighted average of the daily unweighted average of the closing bid yield quotations in the over the counter market for all outstanding United States treasury bond issues, based on available statistics, which are either maturing or callable in ten years or more. This index is expressed in terms of percentage interest per annum.

(8) "Person" means an individual, corporation, business trust, partnership or association or any other legal entity.

(9) "Residential unit" means any structure used principally for residential purposes or any portion thereof, and shall include a unit in a townhouse or planned unit development, a condominium apartment, a non-owner occupied residence, and any other type of residence regardless of whether such unit is used as a principal residence, secondary residence, vacation residence or residence of some other denomination.

Sec. 3. Minnesota Statutes, 1977 Supplement, Section 47.20, Subdivision 4, is amended to read:

Subd. 4. No conventional loan shall be made at a rate of interest or loan yield in excess of a maximum lawful interest rate which shall be based upon the monthly index of long term United States government bond yields as compiled by the United States treasury department and published by the department in the monthly treasury bulletin. The maximum lawful interest rate shall be computed as follows:

(1) The maximum lawful rate of interest for a conventional loan made or contracted for during any calendar month shall be equal to the monthly index of long term United States government bond yields for the second preceding calendar month plus an additional two percent per annum rounded off to the nearest quarter of one percent per annum or rounded off to the highest quarter of one percent per annum if equidistant.

(2) On or before the 20th day of each month the commissioner of banking shall determine, based on available statistics, the monthly index of long term United States government bond yields for the preceding calendar month and shall determine the maximum lawful rate of interest for conventional loans for the next succeeding month, as defined in clause (1) and shall cause the maximum lawful rate of interest to be published in a legal newspaper in Ramsey county on or before the 20th day of each

month and in the state register on or before the last day of each month; the maximum lawful rate of interest to be effective on the first day of the next succeeding month.

((3) THE LOAN YIELD OBTAINED FROM A CONVENTIONAL LOAN SHALL NOT EXCEED THE MAXIMUM LAWFUL RATE OF INTEREST ESTABLISHED IN CLAUSE (1).)

((4) (3) A contract rate within the maximum lawful interest rate applicable to a conventional loan at the time the loan is made shall be the maximum lawful interest rate for the term of the conventional loan.

((5) (4) Conventional loans made pursuant to a commitment for a conventional loan, including a commitment for conventional loans made upon payment of a developer's commitment fee, which provides for consummation within some future time following the issuance of the commitment may be consummated pursuant to the provisions, including the interest rate, of the commitment notwithstanding the fact that the maximum lawful rate of interest at the time such conventional loan is actually made is less than the commitment rate of interest, provided the commitment rate of interest does not exceed the maximum lawful interest rate in effect on the date the commitment was issued and provided that the commitment when issued and agreed to shall constitute a legally binding obligation on the part of the mortgagee or lender to make a conventional loan within a specified time period in the future at a rate of interest not exceeding the maximum lawful rate of interest effective as of the date the commitment was issued. The refinancing of (a) an existing conventional loan, (b) a loan insured or guaranteed by the secretary of housing and urban development, the administrator of veterans affairs, or the administrator of the farmers home administration, or (c) a contract for deed by making a conventional loan shall be deemed to be a new conventional loan for purposes of determining the maximum lawful rate of interest under this subdivision. A commitment shall be deemed to be issued on the date the commitment is hand delivered by the lender to the borrower, or mailed to the borrower or to any one of them if there should be more than one.

((6) (5) A loan made pursuant to a commitment, including a commitment for conventional loans made upon payment of a developer's commitment fee, issued on or before July 31, 1979 at a rate of interest not in excess of the rate of interest authorized by this subdivision at the time the contract or commitment for the loan was made shall continue to be enforceable in accordance with its terms until the indebtedness is fully satisfied.

((7) (6) This subdivision expires July 31, 1979.

Sec. 4. Minnesota Statutes, 1977 Supplement, Section 47.20, Subdivision 13, is amended to read:

Subd. 13. Any conventional loan having an interest rate *or loan yield* in excess of the maximum lawful interest rate provided for in subdivision 4 shall be usurious and subject to the same penalties as a loan made in violation of section 334.01. Any lender intentionally violating any other provision of this section shall be fined not more than \$100 for each offense.

Sec. 5. Minnesota Statutes 1976, Section 51A.39, Subdivision 1, is amended to read:

51A.39 [LOAN EXPENSES.] Subdivision 1. [FEES AND CHARGES.] Every association may require borrowing members to pay all reasonable expenses incurred in connection with the making, closing, disbursing, extending, readjusting, or renewing of real estate loans. Without limiting the generality of the foregoing, such expenses may include appraisal, attorney, abstract, recording, and registration fees, title examination, loan insurance, credit report, survey, drawing of papers, escrow services, loan closing costs, and taxes or charges imposed upon or in connection with the making and recording of any loan. Every association also may require borrowing members to pay the cost of all other necessary and incidental services rendered by the association or by others in connection with real estate and other loans in such reasonable amounts as may be fixed by the board of directors. Without limiting the generality of the foregoing, such costs may include the costs of services of inspectors, engineers, and architects. Such initial charges may be collected by the association from the borrower and paid to any persons, including any director, officer, or employee of the association rendering such services, or paid directly by the borrower. In lieu of such initial charges to cover such expenses and costs, an association may make a reasonable charge, part or all of which may be retained by the association which renders such service, or part of all of which may be paid to others who render such services. The fees and charges authorized by this and the preceding section shall be in addition to interest authorized by law, and shall not be deemed to be a part of the interest collected or agreed to be paid on such loans within the meaning of any law of this state which limits the rate of interest which may be exacted in any transaction. No director, officer, or employee of an association shall receive any fee or other compensation of any kind in connection with procuring any loan for an association, except for services actually rendered as above provided. *This section shall not apply to a conventional loan made pursuant to section 47.20.*

Sec. 6. Minnesota Statutes 1976, Section 334.02, is amended to read:

334.02 [USURIOUS INTEREST; RECOVERY.] Every person who for any such loan or forbearance shall have paid or delivered any greater sum or value than in section 334.01 allowed to be received may, by himself or his personal representatives, recover in an action against the person who shall have received the same, or his personal representatives, the full amount of interest or premium so paid, with costs, if action (THEREFOR BE) is brought within two years after such payment or delivery (; PROVIDED, THAT ONE-HALF OF THE AMOUNT SO RECOVERED SHALL BE PAID BY THE OFFICER COLLECTING THE SAME INTO THE TREASURY OF THE COUNTY WHERE COLLECTED, FOR THE USE OF COMMON SCHOOLS).

Sec. 7. Minnesota Statutes 1976, Section 334.03, is amended to read:

334.03 [USURIOUS CONTRACTS INVALID; EXCEPTIONS.] All bonds, bills, notes, mortgages, and all other contracts and securities, and all deposits of goods, or any other thing, whereupon or whereby there shall be reserved, secured, or taken any greater sum or value for the loan or forbearance of any money, goods, or things in action than (HEREINBEFORE) prescribed, except such instruments which are taken or received in accordance with and in reliance upon the provisions of any statute, shall be void except as to (BONA FIDE PURCHASERS OF NEGOTIABLE PAPER, IN GOOD FAITH, FOR A VALUABLE CONSIDERATION AND BEFORE MATURITY, AS HEREINAFTER PROVIDED) a holder *in due course*. No merely clerical error in the computation of interest, made without intent to avoid the provisions of this chapter, shall constitute usury. Interest at the rate of one-twelfth of eight percent for every 30 days shall not be construed to exceed eight percent per annum; nor shall the payment of interest in advance of one year, or any less time, at a rate not exceeding eight percent per annum constitute usury; and nothing herein shall prevent the purchase of negotiable mercantile paper, usurious or otherwise, for a valuable consideration, by (AN INNOCENT) a purchaser *without notice*, at any price before the maturity of the same, when there has been no intent to evade the provisions of this chapter, or where such purchase has not been a part of the original usurious transactions; but where the original holder of a usurious note sells the same to an innocent purchaser, the maker thereof, or his representatives, may recover back from the original holder the amount of principal and interest paid by him on the note.

Sec. 8. *This act is effective the day following final enactment.*"

Further, delete the title and insert:

Subd. 7. [COMPENSATION DURING RETRAINING.] For any injury producing permanent disability which will prevent the employee from adequately performing the duties of the occupation he held at the time of injury, or any other injury which will or is likely to produce indefinite and continuous disability in excess of 26 weeks, the commissioner of the department of labor and industry shall require that the injured employee be

Employees within the 30 percent limitation who are at or above the maximum of their salary range may be granted an achievement award, but the award, if granted, shall be paid in a lump sum equal to the annual equivalent of one-half the difference between the last two steps of the employee's range. This payment shall be provided in accordance with the procedures established by the commissioner of finance. Appointing authorities shall make every effort to distribute achievement awards equitably among and within all classifications to eligible employees. *Individual salary increases and achievement awards*

Sec. 15. Minnesota Statutes 1976, Chapter 43, is amended by adding a section to read:

Notice of the verification responsibilities of the appointing authority for misrepresentations shall be conspicuously printed on all state employment application forms.*

Sec. 16. Minnesota Statutes 1976, Section 43.13, is amended to read:

43.13 [EXAMINATIONS.] Subdivision 1. **[FAIR TESTS; RECORDS.]** All examinations for positions in the classified service and also in the executive branch unclassified service shall relate to those matters which will fairly test the capacity and fitness of the persons examined to efficiently discharge the duties of the (OFFICE OR EMPLOYMENT) position sought by them. Each applicant in an oral examination shall be rated individually by (EACH EXAMINER) at least two examiners who shall sign (HIS) their rating of the applicant. The average of the examiners (,) separate ratings (, IF MORE THAN ONE EXAMINER CONDUCTS THE ORAL EXAMINATIONS,) is the applicant's oral examination rating. Subd. 2. **[ELIGIBILITY; TIME; PLACE.]** The competitive examinations shall (, AFTER PUBLISHED NOTICE,) be open to all applicants (, AND WHO MEET WITH REASONABLE STANDARDS OR REQUIREMENTS FIXED BY THE COMMISSIONER WITH REGARD TO SUCH FACTORS AS MAY BE HELD TO RELATE TO THE ABILITY OF THE CANDIDATES TO PERFORM WITH REASONABLE EFFICIENCY THE DUTIES OF THE POSITION. The commissioner shall have discretionary authority regarding oral entrance level examinations.

Subd. 4. [INFORMATION TO APPLICANTS.] *Each applicant for a classified position or an unclassified position in the executive branch shall:*

Before requesting a recertification based on unavailability or rejection of an eligible, the appointing authority shall demonstrate the unavailability of an eligible or shall provide reasons for requesting the removal of an eligible's name from the certification.

nation pursuant to professionally accepted procedures. Based upon this determination, the commissioner shall establish the length of the certified list of eligibles for that class and that examination. The list shall be composed of those persons who received a passing score and whose scores fell within that top range of scores which the reliability determination reveals to be substantially indistinguishable together with any additional names of persons having the same score as the last name so certified. In no event shall a certified list prepared under the band width certification procedure contain less than ten names unless fewer than ten persons received passing scores, in which case all persons who received passing scores shall be placed on the list. If more than ten persons receive passing scores but fewer than ten persons are included in the top band, then all the persons on each succeeding band shall be added to the certified list until the total number of persons on the included bands first equals or exceeds ten persons. Names on a certified list prepared under this section shall be placed in alphabetical order and shall not be ranked when delivered to an appointing authority. This section shall not be deemed to be inconsistent with other laws which would expand the size of an eligible list beyond the size provided for in this section.

Sec. 24. Minnesota Statutes 1976, Section 43.20, Subdivision 2, is amended to read:

Subd. 2. *When the commissioner determines there are urgent reasons for filling a vacancy in any position in the classified service and the commissioner is unable to certify from (ANY) a complete and appropriate eligible list for the vacancy, the commissioner may, upon the request of the appointing authority, issue a provisional permit or certify a suitable person to fill such vacancy provisionally only until a selection and appointment can be made after competitive examination (; BUT). When requesting a provisional appointment, an appointing authority shall give consideration to any persons certified to the appointing authority on an appropriate but incomplete eligible list. Before granting a provisional permit to a person, the commissioner shall review the qualifications of the prospective employee and shall make a preliminary determination that the person satisfies the minimum qualification requirements for the position on a permanent basis or is qualified in all respects except for completion of a licensure requirement. No person shall receive more than one provisional appointment (NOR SERVE MORE THAN) for a period up to six months in any 12 month period as a provisional appointee, except, where in individual cases the commissioner grants an exception for the good of the service. If the position is opened for competitive examination after the appointment of a provisional employee, no person shall be denied certification to an eligible list for the position solely because he did not serve in the position in a provisional capacity. If a provisional appointment is made after a determination of the unavailability or unsuitability of all persons on the incomplete list, the commissioner may at the request of the*

appointing authority designate the provisional appointee as a permanent appointee only if the employee has taken and passed a competitive exam for the position and has performed satisfactorily for at least 60 days in the provisional capacity and if no other person has taken and passed a competitive exam for the position prior to the expiration of the provisional appointment. A person receiving a permanent appointment after serving as a provisional appointee, shall be required to complete a probationary period comparable to other appointees to similar permanent positions.

Sec. 25. Minnesota Statutes 1976, Section 43.20, Subdivision 5, is amended to read:

Subd. 5. Where the services to be rendered by an appointee are for a temporary period not to exceed six months, the commissioner shall certify from an eligible list for the temporary service any person he deems qualified; the acceptance or refusal by an eligible of a temporary appointment shall not affect his standing on the register for permanent employment, nor shall the period of temporary service be counted as a part of the probationary period in case of subsequent appointment to a permanent position. No person shall receive more than one temporary appointment within one year. No temporary appointment shall exceed six months (EXCEPT TO FILL A VACANCY CREATED BY AN APPROVED LEAVE OF ABSENCE NOT TO EXCEED ONE YEAR OR WHERE THE COMMISSIONER GRANTS AN EXTENSION OF TEMPORARY APPOINTMENT TO THE MAXIMUM OF ONE YEAR IN THE BEST INTERESTS OF THE STATE). *If the temporary appointment is for more than 10 working days, the appointee must satisfy the minimum qualification requirements for the position.*

Sec. 26. Minnesota Statutes 1976, Section 43.20, is amended by adding a subdivision to read:

Subd. 7. Where the position to be filled is of a routine, service nature involving unskilled tasks, the performance of which cannot be directly related to qualifications beyond a minimum competency level, the commissioner may authorize the administration of a basic qualifying selection process designed to ascertain which candidates could perform the tasks of the job in a satisfactory manner. Any candidate found so qualified may be certified and appointed to such a position.

Sec. 27. Minnesota Statutes 1976, Section 43.24, Subdivision 1, is amended to read:

43.24 [REMOVAL.] Subdivision 1. [WRITTEN STATEMENT.] No permanent employee in the classified service, under the provisions of this chapter or the rules made pursuant thereto, shall be removed, discharged, suspended without pay for

more than 30 days, or reduced in pay or position, except for just cause, which shall not be religious or political, or because of the employee's race, sex, disability or age, subject however to the mandatory retirement ages specified by law. In case of any disciplinary action, as enumerated in this section, the employee shall, before the action is taken, be furnished with a statement, in writing, setting forth the reasons for the disciplinary action, be permitted five days time to reply thereto, in writing, or upon his request, to appear personally and reply to the head of the department. A copy of the statement and the employee's reply, if any, shall be filed with the commissioner prior to the effective date thereof. *Any permanent employee in the classified service who is removed, discharged, suspended without pay, or reduced in pay or position, shall be notified no later than the effective date of the action of his right to appeal the action to the board.*

Sec. 28. Minnesota Statutes 1976, Section 43.245, is amended to read:

43.245 [PERFORMANCE APPRAISAL SYSTEM.] The commissioner shall design and implement an employee performance appraisal system for the classified service *and also for the unclassified service in the executive branch.* This system shall be based on uniform position description and results oriented performance standards formats. The commissioner, in consultation with the departments, shall develop criteria and content as necessary so long as the system is uniform for all departments. The commissioner shall establish and enforce rules with respect to the utilization of the results of this performance appraisal system in all decisions relating to the status of employees. The commissioner may further by rule prescribe the extent to which these reports shall be open to inspection by the public and by the affected employee. Each employee in the classified and unclassified service in the executive branch shall be evaluated and counseled at least once a year on his work performance. Individual pay increases shall be based on such evaluation.

Sec. 29. Minnesota Statutes 1976, Section 43.25, is amended to read:

43.25 [COMMISSIONER NOTIFIED OF ANY DISCHARGE OR EMPLOYMENT.] Each appointing officer shall report to the commissioner forthwith, in writing, upon any appointment or employment in the service, the name of the appointee, or employee, *his exam score,* the title and character of his office or employment, the date of commencement of service by virtue thereof, and the salary or compensation thereof, and shall report, from time to time, upon the date of the official action in, or knowledge of, any separation of a person from the service, or any promotion, reduction, suspension, transfer, reinstatement, or other change therein, the efficiency of his subordinates and employees, and other information, in such manner as may be prescribed by the commissioner.

Each applicant in an oral examination shall be rated individually by each examiner who shall sign his rating of the applicant. The average of the (EXAMINERS,) *examiners'* separate ratings, if more than one examiner conducts the oral examinations, is the applicant's oral examination rating. (THE APPOINTING AUTHORITY MAY PAY REASONABLE TRAVEL EXPENSES ACTUALLY INCURRED TO APPLICANTS INVITED FOR ORAL EXAMINATIONS FOR THOSE POSITIONS WHERE UNUSUAL DIFFICULTY IN RECRUITING QUALIFIED APPLICANTS IS BEING ENCOUNTERED.)

Sec. 2. [TRANSITION PROVISION.] *The commissioner shall promulgate temporary rules in order to implement as soon as possible the testing schedule provided in section 1.*

Sec. 3. Minnesota Statutes 1976, Section 43.14, Subdivision 1, is amended to read:

43.14 [EXAMINATION REFUSED; APPEAL; BOND.] Subdivision 1. [REASONS FOR REFUSAL.] The commissioner may refuse to examine an applicant, or after examination may refuse to certify an eligible, who is found to lack any of the preliminary requirements established for the examination for the position (OR EMPLOYMENT) for which he applies; or who is physically so disabled as to be rendered unfit for the proper performance of the duties of the position to which he seeks appointment; or who is addicted to habit-forming drugs or is an habitual user of intoxicating liquors to excess; (OR WHO HAS BEEN GUILTY OF ANY CRIME INVOLVING MORAL TURPITUDE OR OF INFAMOUS OR NOTORIOUSLY DISGRACEFUL CONDUCT;) or who has been dismissed from the public service for delinquency or misconduct; or who has made a false statement of any material fact; or who, directly or indirectly, shall give, render or pay, or promise to give, render or pay, any money, service, or other valuable thing to any person for, or on account of, or in connection with, his test, appointment, or proposed appointment; or who practiced, or attempted to practice, any deception or fraud in his application, in his certificate, in his examination, or in securing his eligibility or appointment; or who refuses to furnish testimony as required in section 43.07.

Sec. 4. Minnesota Statutes 1976, Chapter 43, is amended by adding a section to read:

[43.162] [VALIDITY OF APPLICATIONS.] *No person shall be appointed to a position in the civil service until the appointing authority has made reasonable effort to verify any information contained in the prospective employee's job application which relates to the ability of the person to perform the job. The commissioner shall establish procedures, which shall not be promulgated as rules, for use by an appointing authority in performing this verification function. Notice of the verification responsibilities of the appointing authority for misrepresentations shall be conspicuously printed on all state employment application forms.*

Sec. 5. Minnesota Statutes 1976, Section 43.18, is amended to read:

43.18 [VACANCIES.] Subdivision 1. [NOTICE.] Appointing (OFFICERS) *authorities* shall give written notice to the commissioner of personnel of their intention to establish new positions and of the existence of any vacancy to be filled (IN ANY OFFICE OR EMPLOYMENT) in the classified service, and, within a reasonable time after the receipt of this notice, the commissioner shall certify, from the list of eligibles, appropriate for the (GRADE AND) class in which the position is classified, names in the manner as provided in this section.

Subd. 2. [PROMOTIONS.] In the case of positions to be filled by examinations other than open competitive examinations, the commissioner shall certify, from the list of eligibles, appropriate for the (GRADE AND) class in which the position is classified, the first three names on such list together with any additional names of persons having an examination rating within three points of the person on the list with the highest examination rating *and with any additional names of persons having the same score as the last name certified in accordance with the above*, except as provided in sections 43.23 and 43.19, subdivision 1.

Subd. 3. [ORIGINAL ENTRY.] In the case of positions to be filled by open competitive examination, the commissioner shall certify the first ten names on the list *together with any additional names of persons having the same score as the tenth name so certified*. Appointments from the list shall only be made from the (FIRST TEN AVAILABLE ELIGIBLES) *names so certified*. The commissioner shall promulgate rules so that a determination of unavailability by an appointing authority will be based on a statement of unavailability from the eligible or lack of response by the eligible to notification by certified mail of the open position. Before requesting a recertification based on unavailability or rejection of an eligible, the appointing authority shall demonstrate the unavailability of an eligible or shall pro-

vide reasons for requesting the removal of an eligible's name from the certification.

Subd. 4. [APPOINTMENT; PROBATION.] The appointing (OFFICER) *authority* shall appoint on probation, with sole reference to merit and fitness, one of the said candidates, whose name is certified in the manner above set forth, to fill such vacancy, except as provided in section 43.23. Seniority in length of service shall also be one of the factors in an appointment in the manner as provided by personnel rule. The provisions of this section shall not apply when the (OFFICE OR) employment *situation* is among those listed in section 43.20, for which competitive examinations are not required.

Sec. 6. Minnesota Statutes 1976, Section 43.19, Subdivision 1, is amended to read:

43.19 [VACANCIES; PROMOTIONS; DISMISSALS.] Subdivision 1. [VACANCIES FILLED BY PROMOTION.] (1) Vacancies in positions shall be filled, so far as practicable, by promotion from among persons holding positions in the classified service, and, subject to such exceptions as the commissioner may provide, from the lower class (OR GROUP WITHIN THE PARTICULAR CLASSIFICATION,) and in accordance with section 43.18 and personnel rules. Except as provided in clause (2), promotions shall be based upon merit and fitness, to be ascertained by competitive examinations in which the employee's efficiency (, CHARACTER,) and *job-related* conduct shall (ALL) constitute a factor. For positions defined by personnel rule as "non-managerial" seniority shall also constitute a factor.

(2) The commissioner may authorize the appointing authority of any state (OFFICE OR DEPARTMENT) *agency* to promote any employee in that (OFFICE OR DEPARTMENT) *agency* to a position (OF) *in* a higher (GRADE OR) class requiring peculiar and exceptional qualifications of an administrative, scientific, professional, or expert character, following a non-competitive examination, which shall be practical and shall involve only the duties of the position.

(3) The commissioner shall give the non-competitive examinations provided for in clause (2) upon request of any appointing authority, in accordance with personnel rules.

Sec. 7. Minnesota Statutes 1976, Section 43.20, Subdivision 2, is amended to read:

Subd. 2. When *the commissioner determines* there are urgent reasons for filling a vacancy in any position in the classified service and the commissioner is unable to certify from (ANY) *a complete and* appropriate eligible list for the vacancy, the commissioner may, *upon the request of the appointing au-*

thority, issue a provisional permit or certify a suitable person to fill such vacancy provisionally only until a selection and appointment can be made after competitive examination (; BUT). When requesting a provisional appointment, an appointing authority shall certify to the commissioner that he has determined that all persons on an incomplete appropriate list are unsuitable or unavailable for appointment. Before granting a provisional permit to a person, the commissioner shall review the qualifications of the prospective employee and shall make a preliminary determination that the person would be qualified for the position on a permanent basis or is qualified in all respects except for completion of a licensure requirement. No person shall receive more than one provisional appointment nor serve more than six months in any 12 month period as a provisional appointee, except, where in individual cases the commissioner grants an exception for the good of the service. If the position is opened for competitive examination after the appointment of a provisional employee, no person shall be denied certification to an eligible list for the position solely because he did not serve in the position in a provisional capacity. If a provisional appointment is made after a determination of the unavailability or unsuitability of all persons on the incomplete list, the commissioner may at the request of the appointing authority designate the provisional appointee as a probationary appointee if the employee has performed satisfactorily for at least 60 days in the provisional capacity. A person receiving a probationary appointment after serving as a provisional appointee, shall be required to complete the same probationary period as other appointees to similar permanent positions.

Sec. 8. Minnesota Statutes 1976, Section 43.20, Subdivision 3, is amended to read:

Subd. 3. In case of an emergency, an appointment may be made without regard to the provisions of this chapter, but in no case shall it continue longer than ten working days, and in no case shall successive emergency appointments be made; this provision shall apply to both persons and positions; and no person shall receive more than three emergency appointments in any one or different positions within (ONE YEAR) *any 12 month period.*

Sec. 9. Minnesota Statutes 1976, Section 43.20, Subdivision 5, is amended to read:

Subd. 5. Where the services to be rendered by an appointee are for a temporary period not to exceed six months, the commissioner shall certify from an eligible list for the temporary service any person he deems qualified; the acceptance or refusal by an eligible of a temporary appointment shall not affect his standing on the register for permanent employment, nor shall the period of temporary service be counted as a part of the

probationary period in case of subsequent appointment to a permanent position. (NO PERSON SHALL RECEIVE MORE THAN ONE TEMPORARY APPOINTMENT WITHIN ONE YEAR.) No temporary appointment shall exceed six months except to fill a vacancy created by an approved leave of absence not to exceed one year or where the commissioner grants an extension of temporary appointment to the maximum of one year in the best interests of the state.

Sec. 10. Minnesota Statutes 1976, Section 43.20, is amended by adding a subdivision to read:

Subd. 7. Where the position to be filled is of a routine, service nature involving unskilled tasks, the performance of which cannot be directly related to qualifications beyond a minimum competency level, the commissioner may authorize the administration of a basic qualifying selection process designed to ascertain which candidates could perform the tasks of the job in a satisfactory manner. Any candidate found so qualified may be certified and appointed to such a position.

amounts certified by the commissioner of public welfare. The amount to which each county is entitled shall be determined according to the formula in subdivision 2.

Subd. 2. The amount to which each county is entitled shall be calculated according to the following formula:

(a) Two-thirds shall be allocated on the basis of the average number of persons in each county who are recipients of one of the following: aid to families with dependent children, medical assistance, supplementary security income or Minnesota supplemental aid.

(b) One-third shall be allocated on the basis of the number of persons residing in the county in calendar year 1975 as determined by the state demographer.

(c) At least 94 percent of the funds received from the federal government for social services pursuant to Title XX of the Social Security Act shall be allocated to the counties pursuant to this section. The remaining six percent shall be used by the commissioner of public welfare for administrative purposes, for supplementing state funds for daytime activity centers and for child care services for migrant workers.

If in any year the amount of Title XX funds to the state is reduced, funds allo-

cated to each county shall be reduced by a percentage reduction equal to the percentage reduction in the Title XX funds to the state as a whole.

Subd. 6. The commissioner of public welfare shall quarterly review the use of Title XX funds by each county and reallocate unused funds among the other counties according to the formula in subdivision 2 so that all available federal funds are used within the federal fiscal year.

Subd. 7. The formula prescribed in subdivision 2 shall be effective January 1, 1979. Prior to January 1, 1979, the commissioner of public welfare shall distribute Title XX funds to counties according to the allocation formula authorized by him for the fiscal year beginning October 1, 1977.

Subd. 1b. Any person with 30 years or more of allowable service credit who elects early retirement under subdivision 1, shall receive an annuity reduced by (ONE-HALF) .375 of one percent for each month that such person is under age 62 at the time of retirement.

Sec. 5. Minnesota Statutes 1976, Section 354.42, Subdivision 2, is amended to read:

Subd. 2. This contribution shall be made by deduction from salary. Where any portion of a member's salary is paid from other than public funds, such member's employee contribution shall be based on the entire salary received. For purposes of financing the various options related to the variable annuity division, employee variable annuity contributions will be credited in accordance with section 354.62, subdivision 2.

Sec. 6. Minnesota Statutes 1976, Section 354.44, Subdivision 1, is amended to read:

354.44 [RETIREMENT BENEFITS.] Subdivision 1. [REQUIREMENTS AS TO AGE AND SERVICE.] Any member *who ceases or any former member who* (CEASES OR) has ceased to render teaching services in any school or institution covered by the provisions of this chapter *prior to July 1, 1981,* and (WHO) has attained the age of at least 55 years with not less than ten years allowable service, or who has received credit for not less than 30 years allowable service regardless of age, is entitled upon written application to a retirement annuity. *Any member who ceases or any former member who has ceased to render teaching services in any school or institution covered*

by the provisions of this chapter after June 30, 1981, and has attained either the age of at least 58 years with not less than 20 years of allowable service credit or the age of at least 62 with not less than 10 years of allowable service credit is entitled upon written application to a retirement annuity.

Subd. 6. [COMPUTATION OF FORMULA PROGRAM RETIREMENT ANNUITY.] (1) The formula retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formula stated in clause (2) hereof on the basis of each member's average salary for the period of his formula service credit. For the purposes of computing the formula benefits under the formula and variable program, if a combination of these formulas is used, the formula percentages used will be those percentages in each formula as continued for the respective years of service from one formula to the next.

For all years of formula service credit "average salary" for the purpose of determining the member's retirement annuity means the average salary upon which contributions were made and upon which payments were made to increase the salary limitation provided in Minnesota Statutes 1971, Section 354.511 for the highest five successive years of formula service credit provided however that such "average salary" shall not include any more than the equivalent of 60 monthly salary payments.

(2) The average salary as defined in clause (1), multiplied by the following percentages per year of formula service credit shall determine the amount of the annuity to which the member qualifying therefor is entitled:

| | Coordinated Member | Basic Member |
|---------------------------------------|----------------------|----------------------|
| Each year of service during first ten | 1.0 percent per year | 2.0 percent per year |
| Each year of service thereafter | 1.5 percent per year | 2.5 percent per year |

(3) Where any member retires prior to age 65 under a formula annuity, he shall be paid a retirement annuity in an amount equal to the normal annuity provided in subdivisions 6 and 7, reduced by (ONE-HALF) .375 of one percent for each month that the member is under age 65 (TO AND INCLUDING AGE 60 AND REDUCED BY ONE-FOURTH OF ONE PERCENT FOR EACH MONTH UNDER AGE 60) at the time of retirement except that for any member who has 30 or more years of allowable service credit, (SUCH) the reduction shall be applied only for each month (SUCH) that the member is under age 62.

(THIS SECTION IS EFFECTIVE JUNE 1, 1975.)

Sec. 8. Minnesota Statutes 1976, Section 354.44, Subdivision 7, is amended to read:

Subd. 7. [COMPUTATION OF FORMULA AND VARIABLE PROGRAM RETIREMENT ANNUITY.] The benefits provided in this subdivision are the sum of the benefits provided by the following:

(1) The benefits provided in subdivision 6(2) for formula service credit *prior* to the effective date of the *original* election of this subdivision *and subsequent to June 30, 1978 unless the member elects continued participation in the variable program pursuant to section 4 of this act*, and

(2) The benefits for service credit subsequent to the effective date of the formula and variable program *but prior to July 1, 1978 and the benefits for service credit subsequent to June 30, 1978 if the member elects continued participation in the variable program pursuant to section 4 of this act*, shall be the average salary as defined in subdivision 6, clause (1) of any member multiplied by the following percentages per year of formula service credit,

| | Coordinated Member | Basic Member |
|---------------------------------------|----------------------|----------------------------|
| Each year of service during first ten | .5 percent per year | 1.0 percent per year |
| Each year of service thereafter | .75 percent per year | 1.25 percent per year, and |

(3) the benefits provided in section 354.62, subdivision 5.

354A.12 [STATE PAYMENTS TO RETIREMENT FUND ASSOCIATIONS IN CITIES OF THE FIRST CLASS.] *Notwithstanding any law to the contrary, for taxes levied in 1975 payable in 1976 and thereafter, levies for teachers retirement*

fund associations in cities of the first class, including levies for any employer social security taxes for teachers covered by a fully or partially coordinated teachers retirement social security fund, are disallowed and the state shall assume the total employer obligation. Effective July 1, 1975 the state shall pay to said retirement fund association an employer contribution equal to the amount, expressed as a percentage of payroll, that the state of Minnesota is required to pay for all contributing members of the state teachers retirement association including social security taxes, in accordance with the provisions of Minnesota Statutes 1974, Section 354A.07, Subdivisions 3, 3a and 4, except that:

(1) employer contributions which are paid to the retirement fund associations pursuant to this section shall be appropriated and remitted directly to said retirement fund associations each month in accordance with the procedures described in section 354.43, subdivisions 1, 2, and 5; and

(2) with respect to any city of the first class having a fully or partially coordinated teachers retirement fund association, employer social security taxes on salaries paid after June 30, 1975 shall be paid by the state in accordance with the provisions of section 355.46, subdivision 3, clause (b), and employer contributions to said retirement fund association shall be reduced by the amount of such taxes. No change in bylaws or articles of incorporation affecting benefits, contributions or actuarial assumptions shall be made without approval by the legislature. Notwithstanding any provision of the articles or bylaws, amendments may be made at the annual meeting called for such purpose, without further local approval.

Sec. 13. Minnesota Statutes 1976, Chapter 356, is amended by adding a section to read:

[356.60] [LIMITATION OF PUBLIC RETIREMENT ANNUITIES.] *Subdivision 1.* [DEFINITIONS.] *For purposes of this section, unless the context clearly indicates otherwise, the following terms shall have the meanings given to them:*

(a) "Public pension plan" is any Minnesota public pension plan or fund, including any plan or fund enumerated in sections 356.21, subdivision 2, or 356.30, subdivision 3, any local police or firefighter's relief association to which section 69.77 applies, or any retirement or pension plan or fund, including a supplemental retirement plan or fund, established, maintained or supported by any governmental subdivision or public body whose revenues are derived from taxation, fees, assessments or from other public sources, which provides pension or retirement coverage for public employees other than volunteer firefighters.

(b) "Year of covered service" is a year of covered, credited or allowable service as defined by a public pension plan which provides formula pension or retirement benefits, or a period of 12 consecutive months of service commencing with the date or anniversary date of membership with a public pension plan or program which does not provide formula or other defined benefits and for which contributions on behalf of the covered employee or member have been made.

Subd. 2. [SERVICE MAXIMUM.] Notwithstanding any provisions to the contrary of the laws, bylaws, articles of incorporation, retirement and disability allowance plan agreements or retirement plan contracts, no person who has pension or retirement coverage by a public pension plan shall, except as provided in subdivision 3, be entitled to accrue additional pension or retirement credit, receive credit for additional pension or retirement contributions in a nonformula public pension plan, repay additional refunds, or purchase additional prior service credit in excess of a cumulative total of 40 years of covered service.

If a person has service in more than one public pension plan, all years or portions of years of covered service shall be included in computing the cumulative maximum of 40 years of covered service. For any period of time during which a person simultaneously has a year or a fraction of a year of covered service in more than one public pension plan, the years of covered service in each applicable public pension plan shall be included in computing the cumulative maximum of 40 years of covered service unless the simultaneous covered service is the result of two part time employments, in which case each applicable public pension plan shall split each year of covered service on a pro rata basis. If the simultaneous covered service is the result of primary and principal pension plan coverage and supplemental pension plan coverage based on the same employment and contributed to by the same public employer, then a year of service credited in each shall be considered together as a single year of covered service in computing the cumulative maximum.

Subd. 3. [EXCEPTION TO MAXIMUM.] For any person who, as of the effective date of this section, has covered service in a public pension plan in excess of a cumulative total of 40 years, the provisions of subdivision 2 shall apply to any addi-

tional years of covered service occurring after the effective date of this section.

Sec. 14. Minnesota Statutes, 1977 Supplement, Section 422A.32, Subdivision 2, is amended to read:

Subd. 2. [REDUCED RETIREMENT ANNUITY.] Upon separation from service, any coordinated employee who has attained the age of at least 58 years and who has received credit for not less than 20 years of service is entitled upon application to a retirement annuity in an amount equal to the normal coordinated retirement annuity reduced by (ONE-HALF) .375 of one percent for each month that a coordinated employee is under age 65 at the time of retirement; provided however that for any coordinated employee who has received credit for 30 or more years of service who applies for a retirement annuity, such reduction shall be applied for each month that the coordinated employee is under age 62 at the time of retirement.

Sec. 15. *Any person who was employed by the city of Minneapolis between February 15, 1972 and March 15, 1972, who attained the age of 65 years on December 17, 1974, who was excluded from membership in the Minneapolis municipal employees retirement fund during the period of his employment, and who was terminated from employment by the city of Minneapolis on December 30, 1976, shall be entitled to purchase four years and ten months of service credit in the Minneapolis municipal employees retirement fund. To purchase the prior service credit, the person shall be required to make an employee contribution to the executive secretary of the Minneapolis municipal employees retirement fund in an amount equal to the employee contribution rate in effect and on the salaries in effect during the period of prior service plus interest at the rate of six percent per annum compounded annually from the date the contribution would otherwise have been made to the date the payment is made. Upon the completion by the person of the payment required by this action, the city of Minneapolis shall make an employer contribution to the executive secretary of the Minneapolis municipal employees retirement fund in an amount equal to the employer and employer additional contribution rates in effect and on the salaries in effect during the period of prior service plus interest at the rate of six percent per annum compounded annually from the date the contributions would otherwise have been made to the date the payment is made. In addition, the person making the purchase of prior service pursuant to this section shall be entitled to receive a proportionate annuity pursuant to Minnesota Statutes, Section 356.32, Subdivision 1, notwithstanding the fact that the person did not retire at age 65. The annuity shall be payable on the first day of the month next following the completion of the purchase of prior service, and the first check or warrant shall include payment retroactive January 1, 1977.*

Sec. 16. [STUDY OF OVERTIME ABUSES AND RETIREMENT.] *The commissioner of personnel shall complete a study and shall make an interim report to the legislative commission on pensions and retirement on or before November 15, 1978 on the subject of overtime compensation and extraordinary payment abuses affecting public retirement annuities. The study and report shall consist of an examination of the salary histories of a random sampling of persons from the various departments, divisions and agencies of state government who have retired in the period January 1, 1975 to December 31, 1977, contrasting variations in the compensation paid during the preceding ten years of employment. The examination shall attempt to isolate the effect of any overtime compensation and other extraordinary payments. The persons utilized in the random sample shall not be identified in the report or any materials for public release. The Minnesota state retirement system shall furnish information requested by the commissioner of personnel in connection with this study.*

Sec. 17. *Minnesota Statutes 1976, Section 356.34, as amended by Laws 1977, Chapter 429, Section 49, is repealed.*

Sec. 18. [EFFECTIVE DATE.] *Sections 2, 8, 9, 10, 11, 13, 15, 16 and 17 are effective the day following final enactment. Sections 1, 3, 4, 6, 7 and 14 are effective July 1, 1978. Sections 5 and 12 are effective July 1, 1979."*

S. F. No. 1106 was reported to the House.

Casserly, Munger, Pehler, Sieben, H., and Waldorf moved to amend S. F. No. 1106, the unofficial engrossment, as follows:

Page 1, line 18, delete "This act" and insert "Section 1".

Page 1, after line 20, insert:

"Sec. 3. [PURPOSES; OBJECTIVES.] It is the goal of sections 3 to 9 to assemble the information necessary to identify, evaluate, and select among alternative policies, programs, technologies, institutional arrangements, and proposals designed to further the following purposes:

(a) Reduction in the volumes of solid and hazardous wastes generated and control of toxic substances produced and used in the state;

(b) Separation and recovery or pretreatment of solid and hazardous wastes at their point of generation;

(c) Recovery of materials and energy from solid and hazardous wastes;

(d) Coordination of decisions on the production of energy from solid and hazardous wastes with decisions on the production of energy from coal and from other recoverable residual materials such as sewage sludge and agricultural and timber residues; and

(e) Reduction in needless dependence on land disposal of solid and hazardous wastes.

The research under sections 3 to 9 shall be directed to help:

(i) Identify the most important unrealized potentials for accomplishing these purposes;

(ii) Identify the most important constraints or barriers which are preventing the fuller realization of these potentials and which are amenable to government manipulation;

(iii) Identify, evaluate, and make recommendations on the costs, benefits, and priority of alternative government actions in the state to overcome the constraints and more fully realize the potentials and thereby to further the purposes.

Sec. 4. [GENERAL PROVISIONS.] Subdivision 1. [STATE PLANNING AGENCY; ADMINISTRATION; RELATED RESEARCH.] The director of the state planning agency shall be responsible for the preparation of the research design and coordinated work program under subdivision 3 and for research studies and reports undertaken by the agency or by interagency agreement pursuant thereto. The planning agency may contract with the pollution control agency or other appropriate state agencies for the performance of parts of the studies assigned by section 6, subdivision 3, and section 7, subdivision 2, subject to the approval of the joint legislative committee as provided in subdivision 2 of this section. The planning agency shall summarize, and if and where possible evaluate, laws, programs, and practices in other states relating to solid and hazardous waste and toxic substances. The agency, in cooperation with other units and agencies of government, shall identify available federal funding for research contemplated by sections 3 to 9. The agency shall evaluate the law and government procedures, practices, and responsibilities for planning, locating, reviewing, and regulating solid and hazardous waste disposal and processing facilities and sites and for ensuring public education and involvement and assessing community attitudes in such matters. The agency shall assess local and regional solid and hazardous waste plans and the relationship and coordination of such plans with the goals expressed in section 3 and shall study and recommend means of coordinating federal, state, and local laws and regu-

lations, programs, program administration, and funding relating to solid and hazardous waste and toxic substances.

Subd. 2. [JOINT LEGISLATIVE COMMITTEE.] A joint legislative committee on solid and hazardous waste shall be established by April 15, 1978, and shall go out of existence by June 1, 1979, unless extended by legislative action.

The committee shall be composed of five members of the house of representatives appointed by the speaker and five members of the senate appointed by the majority leader. The committee shall elect a chairman from among its members.

The committee shall assist and advise the director of the planning agency and the other agencies responsible for research under sections 3 to 9 in designing the research program and projects, review the research in progress and the reports, and encourage and facilitate contribution and participation by interested individuals and organizations in the state. The committee shall have authority to approve the research design and work program and any reassignment by the planning agency of parts of studies assigned by section 6, subdivision 3, and section 7, subdivision 2. The joint science and technology staff of the legislature shall serve as staff to the committee.

Subd. 3. [WORK PROGRAM.] By June 15, 1978 the planning agency shall submit a coordinated research design and work program for projects under sections 3 to 9 for review by the joint committee. The research design and work program shall be prepared after consultation with the responsible agencies, the joint science and technology staff of the legislature, and the committee. The research design and work program shall be based upon and shall proceed from preliminary research studies by the joint science and technology staff, particularly studies relating to decision models for resource recovery facilities. The work program shall include provisions for review by the committee of work in progress and agency reports.

Sec. 5. [REPORTS; PURPOSE; GENERAL CONTENT.] The agencies responsible for research under sections 3 to 9 shall submit their research reports to the planning agency by January 1, 1979. By March 1, 1979, the planning agency shall present a report to the legislature on the results of research undertaken pursuant to sections 3 to 9. The report of the planning agency to the legislature shall include the research reports of the planning agency and the other agencies; a general assessment and evaluation of the research program; and recommendations on the continuation and extension of the planning, research, and analysis contemplated by sections 3 to 9. The reports may also recommend strategies; priorities; policies; changes in government structures, responsibilities, and procedures; program development; or other legislative actions related to the research contemplated by sections 3 to 9.

Sec. 6. [NONHAZARDOUS SOLID WASTE RESEARCH PROJECTS.] Subdivision 1. [ENERGY AGENCY.] The planning agency shall contract with the energy agency to perform research studies directed to:

(a) Produce recommendations for relating decisions in the metropolitan area on resource recovery facilities to decisions on coal conversion, co-generation, and district heating;

(b) Develop a model or method for relating decisions in the state on resource recovery facilities, the production of energy from sewage sludge and agricultural and timber residues, coal conversion, co-generation, and district heating; determine the availability of data necessary to apply the model in standard metropolitan statistical areas of the state; and, if possible, test the model.

Subd. 2. [POLLUTION CONTROL AGENCY.] The planning agency shall contract with the pollution control agency to perform research studies directed to:

(a) Develop a profile of solid waste generation and disposal in the state in sufficient detail and reliability at least to identify the boundaries of existing waste sheds of sufficient volume and density to support resource recovery facilities;

(b) Assess the feasibility and effects of alternative methods for recovering and recycling resources from solid waste, including alternative separation and collection systems, coordinated marketing, transportation cost, and the use of sewage sludge as a fertilizer, satellite facilities and transfer stations, refuse derived fuel, ecofuel, and small resource recovery facilities;

(c) Identify land disposal sites of municipal solid waste which may threaten to contaminate groundwater or surface water and develop recommendations for a program to establish priorities for and estimates of the costs of the restoration of such sites or the abatement of such threats.

Subd. 3. [PLANNING AGENCY.] The planning agency shall perform research studies directed to:

(a) Develop and test a model or method for evaluating proposals for resource recovery facilities and alternatives thereto, incorporating at least the following factors: (i) identification, analysis, and control of markets for any products recovered from waste; (ii) identification and control of the waste necessary for economic operation; (iii) identification of risks, reduction of risks, and explicit assignment of risks, financial responsibility, and liability; (iv) facility location and capacity; (v) alternative technologies; (vi) environmental impact; (vii) capital and operating costs; (viii) financing alternatives and alternative

allocations of costs among users and the general public; (ix) legal and institutional requirements; (x) effects on collection and disposal practices and costs;

(b) Produce recommendations on the nature and purposes of any state program of encouragement or assistance to resource recovery facilities;

(c) Produce recommendations for encouraging or requiring state and local government and regional agencies to reduce the amount of solid waste they generate and, wherever markets exist or may be developed, to separate and recover more recyclable waste at the point of generation;

(d) Produce recommendations for encouraging or requiring specific changes in the materials procurement practices and policies of state and local government and regional agencies which will serve to (i) ensure consideration of recyclability and (ii) develop and ensure government markets in the state for products made of recovered waste materials;

(e) Produce recommendations for further research on markets and the development of markets for recovered materials;

(f) Produce recommendations for encouraging or requiring methods to reduce the volumes of solid waste generated, by encouraging reuse of products, reductions in material and energy used in products, and increases in product lifetimes;

(g) Examine whether a conflict exists between the goals of source reduction and resource recovery.

Sec. 7. [HAZARDOUS WASTES RESEARCH PROJECTS.]
Subdivision 1. [POLLUTION CONTROL AGENCY.] The planning agency shall contract with the pollution control agency to perform research studies directed to:

(a) Assess access to and cost of disposal and treatment processes at hazardous waste facilities located within and outside the state;

(b) Identify alternative methods and processes for reducing the generation of hazardous wastes, for separating and recovering or pretreating categories of hazardous wastes at the point of generation and for separating and recovering, treating, or disposing of categories of hazardous wastes at facilities separated from the point of generation;

(c) Identify hazardous waste land disposal sites which may threaten to contaminate groundwater or surface water and develop recommendations for a program to establish priorities for

and estimates of the costs of the restoration of such sites or the abatement of such threats;

(d) Produce recommendations for implementing and enforcing the proposed hazardous waste regulations, including: (i) guidelines for evaluating the role and performance of state, regional, and local agencies in implementing and enforcing the regulations and analyzing data; (ii) education, training, and technical assistance programs for generators of hazardous waste and for regulatory and enforcement officials; (iii) improvements in technical resources and procedures for data analysis; (iv) methods of relating information produced under the regulations to the development of programs to accomplish the purposes of section 3;

(e) Summarize available information on the generation, processing, and disposal of hazardous waste; evaluate the appropriateness and adequacy of the information to the purposes of section 3; and recommend any necessary data gathering devices supplementary to the proposed regulations.

House Concurrent Resolution No. 11, A house concurrent resolution designating May 1st of each year as Law Day U.S.A.

Reported the same back with the recommendation that the resolution be adopted.

The report was adopted.

HOUSE CONCURRENT RESOLUTION NO. 11

A house concurrent resolution designating May 1st of each year as Law Day U.S.A.

Whereas, Law Day was established by an act of Congress in 1961 as an annual observance on May 1st; and

Whereas, citizens today enjoy more rights, greater access to our courts and more ways and means of equitably resolving disputes than ever before; and

Whereas, as citizens of this state and nation, it is proper that we reflect on our great heritage and participate in bar association sponsored community programs in recognition of the special day set aside by the Congress of the United States; and

Whereas, in order to rededicate ourselves to the principles of the democratic form of government; to emphasize that ours is a government of laws and not of men; and to further the philosophy that "the welfare of the people shall be the supreme law"; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, the Senate concurring therein, that the Governor of Minnesota is requested to designate and dedicate May 1st of each year as Law Day U.S.A.; and

Be It Further Resolved, that it is not the purpose of this resolution to declare another holiday, but only to designate a day for rededication by the citizens of Minnesota to the principles of democracy, a respect for the law that is so vital to the democratic way of life, and to the support of our state and federal courts of law which uphold and safeguard individual rights and liberties.

Cohen moved that House Concurrent Resolution No. 11 be now adopted. The motion prevailed and the resolution was adopted.

Be It Resolved, by the House of Representatives of the State of Minnesota that March 16, 1977 and March 16 of all years to come be recognized as St. Urho's Day in Minnesota and celebrated accordingly by all people of Finnish descent and friends.

If the court shall find that the board acted in an arbitrary, capricious, oppressive or unreasonable manner or without sufficiently taking into account the extent of the responsibilities and duties of the office of the sheriff, it shall make such order to take the place of the order appealed from as is justified by the record and shall remand the matter to the county board for further action consistent with the court's findings. After determination of the appeal the county board shall proceed in conformity therewith. *If a sheriff appeals the budget of his office, the court may direct the county to pay the costs of the appeal, including reasonable attorney fees.*

382.265 [CLERK HIRE IN CERTAIN COUNTIES.] In all counties of this state where the amount of clerk hire now or hereafter provided by law for any county office, including the office of probate judge, shall be insufficient to meet the requirements of said office, the county officer in need of additional clerk hire shall prepare a petition and statement setting forth therein the amount of additional clerk hire needed and file the same with the county auditor, who shall present the same to the board of county commissioners at the next meeting of said board. If the board of county commissioners shall grant said petition by majority vote of all members elected to the board, then the amount of additional clerk hire requested in said petition shall thereupon become effective for said office. Said board shall act on any such petition within 60 days from the time it has been filed with the county auditor. If the board of county commissioners shall determine that the amount of additional clerk hire requested in said petition is excessive and more than is necessary for said office, it shall fix the amount of such additional clerk hire to be allowed, if any, and notify such officer thereof. If (SAID COUNTY OFFICER OR) any taxpayer of the county shall be dissatisfied with the decision of the board of county commissioners, he may, at his own expense, within ten days after the decision of said board, appeal to the district court. The district court, either in term or vacation and upon ten days notice to the chairman of the board of county commissioners, shall hear such appeal and summarily determine the amount of additional clerk hire needed by an order, a copy of which shall be filed with the county auditor.

HOUSE CONCURRENT RESOLUTION NO. 12

A house concurrent resolution opposing the closing of the Duluth Air Force Base by the United States Department of Defense.

Whereas, the State of Minnesota already receives far less than its fair share of national military expenditures; and

Whereas, the Duluth Air Force Base represents approximately one third of the total existing military payroll expenditures in the State of Minnesota; and

Whereas, the Duluth Air Force Base is the only major Air Force installation in the state, representing 75 percent of the total Air Force payroll expenditures in the state; and

Whereas, the United States Department of Defense recently indicated that the closing of the Duluth Air Force Base will be announced within the present year; and

Whereas, this closing will have an economic impact of thirty-two million dollars upon all of northeastern Minnesota and further reduce the state's share of national military expenditures; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, the Senate concurring therein, to oppose the closing of the Duluth Air Force Base by the United States Department of Defense; and

Be It Further Resolved, that the Secretary of State be directed to forward copies of this resolution to the President of the United States, the Secretary of the Department of Defense, and the speaker of the house shall appoint a member of the house and the senate subcommittee on committees shall appoint a member of the senate to deliver the resolution to the offices of each Senator and Representative in the United States Congress from the State of Minnesota.

The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 85, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and that H. F. No. 85, be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. [15.0595] [APPOINTMENTS TO MULTI-MEMBER AGENCIES.] Subdivision 1. [DEFINITIONS.] As used in this section, the following terms shall have the meanings given them.

(a) "Agency" means (1) a state board, commission, council, committee, authority, task force or other similar multi-member agency created by statute and having statewide jurisdiction; and (2) the metropolitan council, metropolitan transit commission, metropolitan airports commission, metropolitan parks and open space commission, metropolitan sports facilities commission, metropolitan waste control commission, capitol area architectural and planning board, and any agency with a regional jurisdiction created in this state pursuant to an interstate compact.

(b) "Vacancy" or "vacant agency position" means (1) a vacancy in an existing agency, or (2) a new, unfilled agency position: provided that "agency" shall not mean (1) a vacant position on an agency composed exclusively of persons employed by a political subdivision or another agency, or (2) a vacancy to be filled by a person required to have a specific title or position.

(c) "Secretary" means the secretary of state.

Subd. 2. [COLLECTION OF DATA.] The chairman of an existing agency, or the appointing authority for the members of a newly created agency, shall provide the secretary, on forms prepared and distributed by the secretary, with the following data pertaining to that agency:

(a) The name of the agency, its mailing address, and telephone number;

(b) The legal authority for the creation of the agency and the name of the person appointing agency members;

(c) The powers and duties of the agency;

(d) The number of authorized members, together with any prescribed restrictions on eligibility such as employment experience or geographical representation;

(e) The dates of commencement and expiration of the membership terms and the expiration date of the agency, if any;

(f) The compensation of members, and appropriations or other funds available to the agency;

(g) The regular meeting schedule, if any, and approximate number of hours per month of meetings or other activities required of members;

(h) The roster of current members, including mailing addresses and telephone numbers; and

(i) A breakdown of the membership showing distribution by county and legislative district, and, only if the member has voluntarily supplied the information, the sex, political party preference or lack thereof, race and national origin of the members.

Subd. 3. [PUBLICATION OF AGENCY DATA.] The secretary of state shall provide for periodic updating of the required data and shall annually arrange for the publication in the state register of the compiled data from all agencies on or about November 15 of each year. Beginning in 1979, the compilation may be published together with the agency descriptions required by section 15.0412, subdivision 2. Copies of the compilation shall be delivered to the governor and the legislature. Copies of the compilation shall be made available by the secretary to any interested person at cost, and copies shall be available for viewing by interested persons and for sale. The chairman of an agency who does not submit data required by this section or section 15.0412, subdivision 2, or who does not notify the secretary of a vacancy in his agency, shall not be eligible for a per diem or expenses in connection with agency service until December 1 of the following year.

Subd. 4. [NOTICE OF VACANCIES.] The chairman of an agency, in respect to vacancies in existing agencies, or the appointing authority, in respect to newly created agency positions, shall notify the secretary of a vacancy within 15 days after

the occurrence of the vacancy. Every 15 days the secretary shall prepare a list of all vacancies in state agencies, together with a list of the vacancies scheduled to occur within the next 45 days as a result of the expiration of membership terms or the creation of new agency positions. This listing shall be published in the next available issue of the state register, and one copy of the listing shall be made available at the office of the secretary to any interested person. The secretary shall distribute by mail copies of the listings to requesting persons. The listing for all vacancies scheduled to occur in the month of January shall be published in the state register together with the compilation of agency data required to be published pursuant to subdivision 3.

Subd. 5. [NOMINATIONS FOR VACANCIES.] Any person may nominate himself to be appointed to an agency vacancy by completing an application on a form prepared and distributed by the secretary. The application form shall specify the nominee's name, mailing address, telephone number, preferred agency position sought, a statement that the nominee satisfies any legally prescribed qualifications, and any other information the nominating person feels would be helpful to the appointing authority. The application form shall permit the nominating person at his discretion to indicate the nominee's sex, political party preference or lack thereof, race and national origin. If a person submits an application at the behest of or upon the suggestion of an appointing authority, the person shall so indicate on the application form. The secretary shall, upon 15 days after publication of a vacancy in the state register or upon 15 days prior to a scheduled vacancy, whichever date occurs first, submit copies of all applications received for a position to the appointing authority charged with filling the vacancy. If no applications have been received by the secretary for the vacant position by the date he is required to submit copies to the appointing authority, he shall so inform the appointing authority. Applications received by the secretary shall be deemed to have expired one year after receipt of the application or upon appointment and, if required, advice and consent by the senate to a vacancy, whichever occurs first. An application for a particular agency position shall be deemed to be an application for all vacancies in that agency occurring prior to the expiration of the application.

Subd. 6. [APPOINTMENTS.] In making an appointment to a vacant agency position, the appointing authority shall consider applications for positions in that agency supplied by the secretary. No appointing authority may appoint someone to a vacant agency position until (1) ten days after receipt of the applications for positions in that agency from the secretary or (2) receipt of notice from the secretary that no applications have been received for vacant positions in that agency. The appointing

authority shall issue a public announcement and inform the secretary of the name of the person the appointing authority intends to appoint to fill the agency vacancy at least five days before the date of appointment. Subd. 3. [SCHOOL.] "School" means any individual, partnership, company, firm, society, trust, association, corporation, or any combination thereof, which (a) is, owns, or operates a private, nonprofit post-secondary education institution(,); (b) provides a post-secondary instructional program or course leading to a degree whether or not for profit(, OR); (c) *is, owns, or operates a private, post-secondary education institution which uses the term "college", "academy", "institute" or "university" in its name; or (d) operates for profit and provides programs or courses which are intended to allow an individual to fulfill in part or totally the requirements necessary to maintain a license to practice an occupation. "School" shall also mean any public post-secondary educational institution located in another state or country which offers or makes available to a Minnesota resident any course, program or educational activity which does not require the leaving of the state for its completion.*

Sec. 3. Minnesota Statutes 1976, Section 136A.63, is amended to read:

136A.63 [REGISTRATION.] All schools located within Minnesota and all schools located outside Minnesota which offer programs or courses within Minnesota shall register annually with the board. (THE BOARD SHALL HAVE THE AUTHORITY TO REQUIRE THOSE SCHOOLS LOCATED OUTSIDE MINNESOTA WHICH OFFER PROGRAMS OR COURSES WITHIN MINNESOTA TO REGISTER ANNUALLY.)

Sec. 4. Minnesota Statutes 1976, Section 136A.64, is amended to read:

136A.64 [INFORMATION.] *Subdivision 1.* As a basis for registration, schools shall provide the board with such information as the board needs to determine the nature and activities of the school, including but not limited to, requirements for admission, enrollments, tuition charge, refund policies, curriculum, degrees granted, and faculty employed. The board shall have the authority to verify the accuracy of the information submitted to it by inspection or any other means it deems necessary.

Subd. 2. The board shall not disclose financial records provided to it by a school pursuant to this section except for the purpose of defending, at hearings pursuant to chapter 15, or other appeal proceedings, its decision to approve or not to approve the granting of degrees or the use of a name by the school. Section 15.17, subdivision 4, shall not apply to such records.

Sec. 5. Minnesota Statutes 1976, Section 136A.65, is amended to read:

Subd. 3. A school subject to registration shall be granted approval to use the term "college", "academy", "institute" or "university" in its name whether or not it offers a program leading to a degree, if it was organized, operating and using such term in its name on or before August 1, 1975, and if it meets the other policies and standards for approval established by the board.

Sec. 6. Minnesota Statutes 1976, Chapter 136A, is amended by adding a section to read:

[136A.653] [EXEMPTIONS.] *Subdivision 1.* A school which does not grant a degree and which is subject to licensing by the state board of education pursuant to chapter 141, is exempt from the provisions of sections 136A.61 to 136A.71. The determination of the commissioner of education as to whether a particular school is subject to regulation under chapter 141 is final for the purposes of this exemption.

Subd. 2. Subd. 2. This exemption shall not extend to any school or to any department or branch of a school which through advertisements or solicitations represents to any students or prospective students that the school, its aims, goals, missions or purposes or its programs are different from those described in subdivision 1. March 17, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 2192, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and that H. F. No. 2192, be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. [222.55] [RAIL USER LOAN GUARANTEE PROGRAM; PURPOSE.] *In order to aid rail users in obtaining credit for participation in contracts for rail line rehabilitation, there is established a rail user loan guarantee program to provide state money in guarantee of loans made according to the provisions of sections 1 to 8.*

Sec. 2. [222.56] [DEFINITIONS.] *Subdivision 1. For purposes of sections 1 to 8 the terms defined in this section have the meanings given.*

Subd. 2. "Commissioner" means the commissioner of transportation.

Subd. 3. "Account" means the rail user loan guarantee account created by section 3.

Subd. 5. "Loan" means a loan or advance of credit to a rail user for participation in contracts for rail line rehabilitation.

Subd. 6. "Personal guarantee" means a personal or corporate obligation to pay the loan.

Subd. 7. "Rail user" has the meaning given that term in section 222.48, subdivision 6.

Sec. 3. [222.57] [RAIL USER LOAN GUARANTEE ACCOUNT.] *There is created a rail user loan guarantee account in the special revenue fund in the state treasury, which shall be used by the commissioner for carrying out the provisions of sections 1 to 8 with respect to loans insured under section 4.*

Sec. 4. [222.58] [INSURANCE OF LOANS.] *Subdivision 1. [AUTHORIZATION.] The commissioner is authorized, upon application by the lender, to insure any eligible loan as provided in this section and, under such terms as the commissioner may prescribe by rule, to make commitments for insuring such loans prior to the date of their execution or disbursement.*

Subd. 2. [ELIGIBILITY REQUIREMENTS.] A loan is eligible for insurance under this section under the following conditions:

(a) *The loan shall be in an original principal amount, bear an interest rate, contain complete amortization provisions, and have a maturity satisfactory under such terms as the commissioner may prescribe by rule.*

(b) *The proceeds of the loan shall be used solely for participation in contracts for capital investment loans for rail line rehabilitation.*

(c) *The loan agreement shall contain such terms and provisions with respect to any other matters as the commissioner may, in his discretion, prescribe.*

(d) *The borrower provides a personal guarantee and collateral for the loan which is acceptable to the commissioner as sufficient security to protect the interests of the state.*

Subd. 3. [PRESUMPTIVE VALIDITY.] *Any contract of insurance executed by the commissioner under this section shall be conclusive evidence of the eligibility of the loan for insurance, and the validity of any such contract of insurance properly executed and in the hands of any approved lender shall not be contestable, except for fraud or misrepresentation on the part of the lender.*

Subd. 4. [PROCEDURES UPON DEFAULT.] *Except as provided in subdivision 5, the provisions of this subdivision shall apply upon default. Within 90 days of a default on a loan, the lender shall send notice to the borrower stating that the commissioner must be notified if the default continues for another 90 days, and the consequences of that default. The lender shall send a copy of the notice to the commissioner. The lender and the borrower may agree to take any steps reasonable to assure the fulfillment of the loan obligation.*

After 180 days from the initial default, if the borrower has not made arrangements to meet his obligation, the lender shall file a claim with the commissioner, identifying the loan and the nature of the default. Upon the lender's assignment, transfer, and delivery to the commissioner, within 210 days of the initial default, all rights and interests arising under the loan and any other security interests securing the loan, the commissioner shall pay to the lender from the account an amount equal to the outstanding unpaid principal indebtedness at the time of default less ten percent, plus interest at six percent per annum from the date of default. The failure of the borrower to make any payment under or as provided by any loan insured under this section shall be considered a default under the loan.

Subd. 5. [PROCEDURES UPON DEFAULT; REVENUE BOND PROJECTS.] *If the loan money is obtained by the lender through the issuance of revenue bonds under chapter §62A or 474 the provisions of this subdivision shall apply upon*

default. If the borrower fails to make any payment under or as provided by the loan agreement and remains in default for a period of 15 days, the trustee designated by the lender shall send a notice of the default to the commissioner and to the borrower. After 90 days from the initial default if the borrower remains in default under the loan agreement, the trustee shall file a claim with the commissioner, identifying the loan and the nature of the default. Within ten days of the assignment, transfer, and delivery to the commissioner of all the lender's rights and interests arising under the loan and any other security interests securing the loan, the commissioner shall pay to the trustee from the account an amount equal to the outstanding unpaid principal indebtedness at the time of the default less ten percent, plus interest at six percent per annum from the date of default.

Subd. 6. [REPORT TO LEGISLATURE.] On or before January 1 of each year the commissioner shall submit a report to the legislature, as provided in section 3.195, concerning the actions of the commissioner under this section.

The board of investment may invest this money as provided for investment of moneys in the state treasury by section 11.10. All interest and profits accruing from investment of the account's money shall be credited to and be a part of the account, and any loss incurred in the principal of the investments of the account shall be borne by the account.

Sec. 6. [222.60] [MAXIMUM AMOUNT OF INSURANCE WHICH MAY BE ISSUED.] **Subdivision 1.** The commissioner shall not at any time issue insurance under section 4 aggregating in excess of an amount equal to the current balance contained in the account multiplied by ten.

Subd. 2. Any insurance properly issued under the provisions of subdivision 1 and otherwise in compliance with the requirements of sections 1 to 8 shall be valid if the current balance contained in the account subsequently falls below the amount specified in subdivision 1.

(h) to provide financial or other assistance to rail users as defined in section 222.48, subdivision 6, for the purpose of making capital investment loans for rail line rehabilitation.

CONFERENCE COMMITTEE REPORT ON H. F. NO. 1091

A bill for an act relating to waters; permitting the establishment of rural water user districts.

March 20, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1091, report that we have agreed upon the items in dispute and recommend as follows:

Strike everything after the enacting clause and insert:

"Section 1. [POLICY STATEMENT.] Conservation of the state's water resources is a state function, and the public interest, welfare, convenience, and necessity require the creation of water user districts and the construction of systems of works, in the manner provided, for the conservation, storage, distribution, and use of water. The construction of systems of works by districts, as provided, is hereby declared to be in all respects for the welfare and benefit of the people of Minnesota.

Sec. 2. [DEFINITIONS.] Subdivision 1. For the purposes of this act the following terms have the definitions given in this section.

Subd. 2. "Water user district" or "district" means a district organized under this act, either as originally organized or as re-organized, altered, or extended.

Subd. 3. "Board" means the board of directors of a district organized under this act.

Subd. 4. "Works" and "system" include all lands, property, rights, rights of way, easements, and related franchises deemed necessary or convenient for their operation, all water rights acquired or exercised by the board in connection with works, all means of conserving, controlling, and distributing water, including, but not limited to outlets, treatment plants, pumps, lift stations, service connections, mains, valves, hydrants, wells, reservoirs, tanks and other appurtenances of public water systems. A work or system may be used for domestic, commercial, industrial and stock watering purposes only and shall not be used for irrigation purposes.

Subd. 5. "Project" means any one of the works defined, or any combination of works which are physically connected or jointly managed and operated as a single unit.

Subd. 6. "City" means any home rule charter, statutory or other city, however organized.

Subd. 7. "Court" means district court in the judicial district where the largest number of petitioners resides.

Sec. 3. [WATER USER DISTRICT; ORGANIZATION.] A water user district may be created and organized as provided in this act, and may sue and be sued in its corporate name. The procedure provided by this act is alternative to that provided by

other law. A district may not be organized in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott or Washington counties.

Sec. 4. [PETITION FOR ORGANIZATION.] A water user district may be organized under the provisions of this act after filing in the court a petition in compliance with the requirements set forth, and the approval of the petition by the court. The petition shall state that it is the intent and purpose of the petitioners to create a district under the provisions of this act, subject to approval by the court. The petition shall contain:

- (1) The name of the proposed district;
- (2) The object and purpose of the system proposed to be constructed or acquired, together with a general description of the nature, location, and method of operation of the proposed works;
- (3) A description of the land constituting the proposed district and its boundaries, and the names of any cities or towns included partly or wholly within the boundaries;
- (4) The location of the principal place of business of the proposed district;
- (5) A statement that the proposed district shall not have the power to levy taxes or assessments;
- (6) The number of members of the board of directors of the proposed district, which shall be not less than five nor more than 13, a statement as to whether the directors shall be elected at large or shall be apportioned to election divisions, the names and addresses of the members who shall serve until their successors are elected and qualified as provided in this act, and if election divisions are provided for, the respective divisions which the directors are to represent. The persons named in the petition as directors shall be owners of land within the district. If election divisions are provided for, they shall be owners of land within the divisions they are to represent.

Sec. 5. [LANDS INCLUDED.] The lands proposed to be included within the district need not consist of contiguous parcels. A district may to the extent authorized by resolution of the governing body of the city consist of land within the limits of a city and may consist of land within the limits of any town or county, located outside the metropolitan area, as defined by section 473.121, subdivision 2.

Sec. 6. [ORGANIZATION OF DISTRICT WITHIN TERRITORIAL BOUNDARIES OF ANOTHER DISTRICT.] A district may to the extent authorized by the existing district be organized within, or partly within, the territorial boundaries of another district organized under this or other law, so long as

the works or systems, their operation, the exercise of powers and the assumptions of duties and responsibilities, of one district, do not nullify, conflict with, or materially affect those of another pre-existing district. A new district may not be organized within the boundaries of a pre-existing district if the pre-existing district disapproves within 30 days after mailing of notice pursuant to section 13.

Sec. 7. [DIRECTORS; ELECTION.] Directors may be elected either at large, or from election divisions. If the petition states that the directors shall be elected from election divisions, the petition shall describe the boundaries of the divisions, which may be drawn either with or without regard to the limits of any city or town included within the district boundaries. So far as practicable, each district shall include the same number of parties to contracts with the district for purchase of water.

Sec. 8. [GROUPING OF DIRECTORS ELECTED AT LARGE; TERM OF OFFICE.] Directors shall be elected within 60 days after the petition is approved by the court and filed with the secretary of state. The directors named in the petition shall hold office until the election. So far as possible, an equal number of those elected shall serve one, two and three years.

Sec. 9. [112A.10] [PETITION; SIGNATURES.] The petition must be signed by 50 percent of the landowners, except the holders of easements for electric or telephone transmission and distribution lines, within the area outside the limits of any city constituting the proposed district. If the proposed district includes any area within a city, the petition must be accompanied by a resolution of the governing body of the city requesting a specific area within the city be included within the proposed district. On each petition, set opposite the signature of each petitioner, shall be stated his or her name and post office address and the location of land of which he or she is the owner.

Sec. 10. [INSTRUMENTS CONSTITUTING PETITION.] The petition may contain any number of separate instruments, and to each sheet for petitioners' signatures shall be attached a full and correct copy of the petition. Every sheet of every petition containing signatures shall have below the signatures an affidavit by the circulator in substantially the following form:

[EXAMINATION OF PETITION.] Upon receipt of the petition, the court shall determine whether it complies with the requirements of this act and dismiss the petition if the requirements are not complied with. The petitioners may present a new petition covering the same matter, or the same petition with additional signatures if additional signatures are necessary.

Sec. 13. [PUBLICATION OF PETITION.] Subdivision 1. The petition and a map of the proposed district shall be published in each county in which lands within the proposed district lie, in a newspaper of general circulation published in the county, once each week for at least two successive weeks before the time the petition is filed with the court together with a list of names of the petitioners within the county and their addresses.

Subd. 2. Prior to being filed with the court, the petition and a map of the proposed district shall be sent by certified mail to each city with a population of 20,000 or less if the proposed district comes within one half mile of the city's boundary, each city with a population of greater than 20,000 if the proposed district comes within one mile of the city's boundary and to each existing district organized under sections 1 to 37 or Minnesota Statutes, Chapter 116A if the new district boundary comes within one mile of an existing system's boundary.

Sec. 14. [PROTEST AGAINST ORGANIZATION.] Any owner of land within the proposed district may file with the court a protest against the qualifications of any signer of the petition, and the court shall consider and determine the validity of protests.

Sec. 15. [INVESTIGATION OF PROPOSED DISTRICT AND WORKS.] If the court determines that the petitioners have complied with the requirements of this act, it shall make an immediate investigation of the proposed district and of its proposed works, systems, or plans and of the engineering and economic feasibility of the project. The court, in its discretion,

may make an estimate of the cost of the investigation and require the petitioners to defray part or all of the estimated cost before proceeding with the investigation.

Sec. 16. [FEASIBILITY; RECORDING; ESTABLISHMENT.] The court, within 90 days from the receipt of the petition, or within 90 days from the time funds are available to defray the cost of the investigation, shall declare that the proposed project is or is not feasible, will conform to public health and conform to public convenience and welfare. If the project is not feasible, the court shall dismiss the petition. If the court deems the project feasible and conforming to public convenience and welfare, it shall immediately execute a certificate setting forth a copy of the petition declaring that the petition is approved, and file it in the office of the secretary of state and a copy of it, certified by the secretary of state, in the office of the county auditor of each county in which any of the lands in the district are located. Thereupon, the district, under its designated name, shall be a body politic and corporate under the provisions of this act and a public corporation of the state.

Sec. 17. [DIRECTORS; QUALIFICATION; MEETING.] Upon the filing of the certificate in the office of the secretary of state and a certified copy in the office of each county auditor, the members of the board of directors named in the petition shall immediately qualify and assume the duties of their office. Failure or refusal to qualify within a period of 15 days thereafter shall be deemed to create a vacancy which shall be filled as provided by this act. The first meeting of the board of directors shall be called by the director first named in the petition.

Sec. 18. [ADDITIONAL TERRITORY.] The procedure for extending a water user district by including additional territory shall be as provided by sections 19 to 22.

Sec. 19. [PETITION TO INCLUDE ADDITIONAL TERRITORY.] A water user district may be extended by including additional territory by filing with the court a petition signed by at least 50 percent of the landowners except the holders of easements for electric or telephone transmission and distribution lines, in any area outside the limits of a city to be included, a copy of a resolution of the governing body of a city requesting a specific area within the city be included within the expanded district, and a resolution of the board of directors of the district approving the expansion of the district, upon compliance with the requirements hereinafter set forth. The petition shall contain a description of the lands to be included.

Sec. 20. [MAPS; PLANS; ESTIMATES.] The petition shall be accompanied by maps showing the location of the lands to be included, the proposed system of works and other plans and estimates as necessary to fully describe the project.

Sec. 21. [PUBLICATION; PROTESTS.] Subdivision 1. The petition shall be published in each county in which the lands to be included lie, in a newspaper of general circulation published in the county, once each week for at least two successive weeks before the time the petition is filed with the court together with the list of names of the petitioners and their addresses and land owned. Any owner of land within the area to be included, who did not sign the petition may file a written protest with the court as provided in section 14.

Subd. 2. Prior to being filed with the court, a map of the proposed district shall be sent by certified mail to each city with a population of 20,000 or less if the proposed district comes within one half mile of the city's boundary, each city with a population greater than 20,000 if the proposed district comes within one mile of the city's boundary and to each existing district organized under sections 1 to 37 or Minnesota Statutes, Chapter 116A if the new proposed district boundary comes within two miles of the existing system's boundary.

Sec. 22. [APPROVAL OF EXTENSION.] Upon receipt of the petition the court shall act upon the petition in the same manner as required upon an original petition to create a district, as set forth in sections 12 to 17.

Upon the approval of the petition and project, and the issuance and filing of the certificate of approval in the office of the secretary of state and filing a copy in the office of the county auditor of each county in which any lands in which the district is located, the included areas shall be part of the district.

Sec. 23. [MEMBERS; ELECTION; TERMS.] After the election of the board of directors members of the board to succeed those elected in the initial election provided for in section 8, respectively, and to fill unexpired terms, shall be nominated and elected and shall take office in the following manner. One year from the date of the initial election an election shall be held to elect directors to succeed those whose terms are about to expire. The term of each director thus elected shall commence two weeks after his or her election and continue for three years and until his or her successor is elected and qualified. Election of directors shall be conducted as provided by section 24.

Sec. 24. [ELECTIONS; PLACE.] Subdivision 1. The board of directors of the district shall fix the hour and place, within the boundaries of the district, of each election and shall preside. If the district is divided into election divisions, the board in its discretion may fix a place of election within each election division, and the directors who represent that division shall preside.

Subd. 2. Every person or corporation which is a party to a contract with the district for the purchase of water to be

furnished by the district, may cast one vote at each election for each director to be elected. In case election divisions are provided for, each person or corporation entitled to vote by reason of being a party to a contract shall select the division in which he or it shall vote, which selection shall be made under rules established by the board of directors.

Subd. 3. The board shall at least 20 days prior to the date of election, mail to each person or corporation entitled to vote, at his or its last known place of residence or business, a notice stating the time, place, and purpose of the election or, in the alternative, publish in each county in which lands within the district lie, in a newspaper of general circulation in the county, once each week for at least two successive weeks before the time of election, a notice that the election will be held giving the purpose, time and place.

Subd. 4. At the hour and place of the election, the presiding directors shall call the roll of those entitled to vote, and the number of votes to which each is entitled. They shall make a record of the qualified voters present and prescribe the manner of casting ballots and canvassing votes. If election divisions are provided for, but the election is held at one place within the district instead of being held in each division, the board shall call the roll for each division and conduct the election for each division separately. All costs incident to the election of directors shall be paid by the district.

Subd. 5. The candidate for director required to fill an existing vacancy or to succeed an outgoing director who receives the highest number of votes cast shall be declared elected.

Sec. 25. [DIRECTORS.] Subdivision 1. No person shall be qualified to hold office as a member of the board of directors of any district unless he or she is a party to a contract to purchase water from the district.

Subd. 2. Vacancies on the board by reason of death, disability, failure to hold land in the district, or in the election division if election divisions are provided for, or otherwise shall be filled by the board of directors. The members elected to fill vacancies shall serve until members to fill out the remainder of the terms may be elected at the next succeeding district election.

Subd. 3. Members of the board of directors shall be paid their actual expenses while engaged in performing the duties of their office or otherwise engaged upon the business of the district. In addition they shall receive as compensation for services at rates determined by qualified voters at an annual meeting.

Sec. 26. [OFFICERS.] Subdivision 1. The board of directors shall elect the officers of the district who shall be a presi-

dent, a vice president, a secretary and a treasurer. The board shall appoint an executive committee and other officers, agents, and employees as necessary to transact the business of the district. The president, vice president and treasurer shall be elected from the membership of the board of directors.

Subd. 2. The treasurer shall furnish and maintain a corporate surety bond in an amount sufficient to cover all moneys coming into his possession or control, which shall be satisfactory in form and with sureties approved by the board. The bond, as approved, shall be filed with the secretary of state, and copies filed with the auditors of counties within the district and the premium upon the bond paid by the district.

Sec. 27. [BOARD OF DIRECTORS.] Subdivision 1. The corporate powers of the district shall be exercised by the board of directors of the district.

Subd. 2. The board of directors may adopt rules and regulations or bylaws, consistent with this act, for the conduct of the business and affairs of the district. The board of directors shall cause to be kept accurate minutes of their meetings and accurate records and books of account, conforming to approved methods of bookkeeping, clearly setting out and reflecting the entire operation, management, and business of the district. The books and records shall be kept at the principal place of business of the district and at reasonable business hours always open to public inspection.

Sec. 28. [POWERS.] Subdivision 1. The district shall have all the usual powers of a public corporation, and may acquire by purchase, gift, or other lawful means and hold real or personal property reasonably necessary for the conduct of its business, or lease property for its proper purposes, and sell, lease, or otherwise dispose of property when not needed.

Subd. 2. The district may own, construct, reconstruct, improve, purchase, lease, receive by gift, or otherwise acquire, hold, extend, manage, use, or operate any works, as defined in this act, and any and every kind of property, personal or real, necessary, useful, or incident to their acquisition, extension, management, use, and operation, and may sell, mortgage, alienate, or otherwise dispose of works under the terms and conditions provided in this act.

Subd. 3. A district may enter into any contract, lease, agreement, or arrangement with a state, county, city, town, district, governmental or public corporation or association, or with a person, firm, or corporation, public or private, or with the government of the United States, or with any officer, department, bureau, or agency thereof, or with any corporation organized under federal law to exercise the powers set forth in this section, or for the sale, leasing, or otherwise furnishing or establishing

of water rights, water supply, conveyance and distribution of water, water service, or water storage, for domestic, industrial, municipal, or stock watering purposes, or for the financing or payment of the cost and expenses incident to the construction, acquisition, or operation of works, or incident to any obligation or liability entered into or incurred by the district.

Subd. 4. A district may exercise any of the powers enumerated in this section either within or beyond or partly within and partly beyond the boundaries of the district and of the state, unless prohibited by the law of the area or state concerned or of the United States of America.

Subd. 5. A district may appropriate the waters of the state in the same manner as other persons under the laws of this state. A district shall not, in the exercise of the powers conferred by this act, interfere with, injure, or otherwise damage or affect existing water rights, other than through the purchase of the rights or through condemnation proceedings. No district, corporation, association, or individual holding a water right for lands located either within or outside the boundaries of a district shall be in any way affected by the operations of the district other than by reason of a contract voluntarily entered into by the organization or individual with the district, or by reason of the exercise by the district of the power of eminent domain.

Subd. 6. A district may exercise the power of eminent domain pursuant to Minnesota Statutes, Chapter 117, after declaring by resolution the necessity for and purpose of the taking of property and the extent of the taking.

Subd. 7. The district shall have no power of taxation, or of levying assessments for special benefits. No governmental authority shall have power to levy or collect taxes or assessments for the purpose of paying, in whole or in part, any indebtedness or obligation of or incurred by the district or upon which the district may be or become in any manner liable. Nor shall any privately owned property within or outside a district, or the owner thereof, nor any city, town, county, or other political subdivision or public or private corporation or association or its property, be directly or indirectly liable for any district indebtedness or obligation beyond the liability to perform an express contract between the owner or public or private organization and the district.

Subd. 8. No person, city, town, county, or other governmental subdivision, or other public or private corporation or association shall be liable for the payment of any rent or charge for water storage, water supply, or for any of the costs of operation of a district, unless a contract has been entered into between the person or public or private organization and the district furnishing water storage or water supply. All capital and operating expenses shall be borne by the users in proportion to their use of water supplied by the district.

Subd. 9. A district organized under this act may exercise any power conferred by this act to obtain grants or loans or both from any federal agency pursuant to acts of congress, and may accept from private owners or other sources, gifts, deeds or instruments of trust or title relating to land, water rights and any other form of property.

Subd. 10. A district may purchase and acquire lands, water rights, rights of way, and real and personal properties of every nature in cooperation with the United States under conditions as may to the board seem advisable, and to convey them under the conditions, terms and restrictions approved by the directors and the federal government or any of its agencies and to pay the purchase price and any and all construction costs or other necessary expenses and costs in connection with any works contemplated by this act either from its own funds or cooperatively with the federal government.

Subd. 11. A district shall not, in the exercise of the powers conferred by this act, provide service to actual or potential residential, commercial, industrial or publicly-owned land uses within one half mile of the limits of a city of up to 20,000 persons without approval by the city council. Approval shall not be required prior to serving class 3b lands as defined in 273.13.

Subd. 12. A district shall not, in the exercise of the powers conferred by this act, provide service to actual or potential residential, commercial, industrial or publicly-owned land uses within one mile of the limits of a city of more than 20,000 persons without approval by the city council. Approval shall not be required prior to serving class 3b lands as defined in 273.13.

Sec. 29. [CONTRACTS.] Subdivision 1. Before a district shall enter into a contract for the construction, alteration, extension, or improvement of works, or any part or section thereof, or a building for the use of the district, or for the purchase of materials, machinery, or apparatus, the district shall cause estimates of the cost to be made by a competent engineer or engineers, and if the estimated cost exceeds \$10,000 no contract shall be entered into for a price, cost or consideration exceeding the estimate nor without advertising for sealed bids.

Subd. 2. Prior to advertisement, plans and specifications for the proposed construction work or materials shall be prepared and filed at the principal office or place of business of the district. The advertisement shall designate the nature of construction work proposed to be done or materials proposed to be purchased. The board shall supervise bid lettings by water user districts.

Sec. 30. [DEBT.] The district may borrow money and incur indebtedness by issuing its obligations or entering into con-

tracts for any lawful corporate purpose; provided that all such obligations and contracts, whether express or implied, shall be payable solely:

(1) From revenues, income, receipts and profits derived by the district from its operation and management of systems;

(2) From the proceeds of warrants, notes, revenue bonds, debentures, or other evidences of indebtedness issued and sold by the district which are payable solely from such revenues, income, receipts and profits; or

(3) From federal or state grant gifts or other moneys received by the district which are available therefor.

The district may by resolution pledge any such source to the payment of such obligations and contracts and the interest coming due thereon. Any resolution may specify the particular revenues that are pledged and the terms and conditions to be performed by the district and the rights of the holders of district obligations, and may provide for priorities of liens in any revenues as between the holders of district obligations issued at different times or under different resolutions. The district may provide for the refunding of any district obligation through the issuance of other district obligations, entitled to rights and priorities similar in all respects to those held by the obligations that are refunded. All such obligations and refunding obligations shall be issued in accordance with the provisions of Minnesota Statutes, Chapter 475, except that such obligations may be sold by negotiation.

Sec. 31. [SERVICE CHARGES.] Subdivision 1. The directors of the district are authorized to agree with the holders of district obligations as to the maximum or minimum amounts which the district shall charge and collect for water sold by the district.

Subd. 2. The directors of the district are authorized to fix and establish the prices, rates and charges at which any and all services, products, resources and facilities made available under the provisions of this act shall be sold and disposed of; to enter into any and all contracts and agreements, and to do any and all things which in its judgment are necessary, convenient or expedient for the accomplishment of any and all the purposes and objectives of this act, under the general regulations and upon the terms, limitations and conditions it shall prescribe; and the directors shall enter into contracts and fix and establish prices, rates and charges so as to provide at all times funds which will be sufficient to pay all costs of operation and maintenance of any and all of the works and systems authorized by this act, together with necessary repairs thereto, and which will provide at all times sufficient funds to meet and pay the principal and

interest of all obligations and other evidences of indebtedness of the district when due. Nothing in this act shall authorize any change, alteration or revision of rates, prices or charges established by any contract entered into under authority of this act except as provided by the contract.

Subd. 3. Every contract made by the board for the sale, conveyance and distribution of water, use of water, water storage, or other service, or for the sale of any property or facilities, shall provide that in the event of any failure or default in the payment of any moneys specified in the contract to be paid to the board, the board may, upon notice as shall be prescribed in the contract, terminate the contract and all obligations thereunder. The act of the board in ceasing on a default to furnish or deliver water, use of water, or water storage, under a contract shall not deprive the board of, or limit any remedy provided by the contract or by law for the recovery of money due or which may become due under the contract.

Sec. 32. [DISBURSEMENTS; FISCAL YEAR; AUDITS.] Subdivision 1. Money of the district shall be paid only upon approval of the board of directors and by warrant or other instrument in writing signed by the president and by the treasurer of the district. In case of the death, absence or other disqualification of the president, the vice president shall sign warrants or other instruments.

Subd. 2. The fiscal year of the district shall coincide with the calendar year. The board of directors, at the close of each year's business, shall cause an audit of the books, records and financial affairs of the district to be made by an experienced public accountant, copies of a written report of which audit, certified to by the auditors, shall be placed and kept on file at the principal place of business of the district and shall be filed with the secretary of state.

Sec. 33. [WORKS; OWNERSHIP; SALE.] Subdivision 1. No water supply works, owned by the district shall be sold, alienated, or mortgaged by the district, except under the circumstances described by this section.

Subd. 2. If in the judgment of the board of directors it is for the best interest of the district to sell any portion of the district works not needed for the performance of any outstanding contract, and not mortgaged or pledged as provided for in subdivision 3, the board shall pass a resolution to that effect. The board shall call a special election at which the question of selling the portion of the works shall be submitted to the electors of the district qualified to vote for district directors. The board shall mail to each qualified elector, at his last known place of residence or place of business, a notice stating the time, place, and purpose of the election, and so far as practicable shall con-

duct the election in all other respects as provided in section 24. If a majority of all qualified electors of the district vote "yes", the board may sell the portion of the works.

Subd. 3. If, in order to borrow money from the federal government or from any of its agencies, or from the state, it is necessary that the district mortgage or otherwise pledge any or all of its property to secure the payment of loans made to it, the district may mortgage or pledge property and assets for the purpose. Nothing in this section shall prevent the district from assigning, pledging, or otherwise legally committing its revenues, incomes, receipts, or profits to secure the payment of indebtedness to the federal government or any agency thereof, or the state. The state shall never pledge its credit or funds, or any part thereof, for the payment or settlement of any indebtedness or obligation whatsoever of any district created under the provisions of this act. Nothing in this act authorizes any agency of the state to make loans to a district, unless the agency is otherwise authorized by law.

Sec. 34. [FORECLOSURE.] If any district created under this act shall execute and deliver a mortgage or trust deed to secure the payment of any moneys borrowed by it for the purposes herein authorized, it may be provided in the mortgage or trust deed that it may be foreclosed upon default and a receiver may be appointed with the authority provided in the mortgage or trust deed.

Sec. 35. [DISSOLUTION.] Subdivision 1. Any district may be dissolved by authorization of a majority vote of the electors, qualified to vote for district directors, voting thereon at a special election called by the board of directors for that purpose, notice of which shall be mailed to each qualified elector at least 20 days prior to the date of the election and the procedure for which shall conform as nearly as may be to the procedure provided in section 24, for the election of directors. The district shall discharge its obligations before dissolution. The board may liquidate noncash assets prior to dissolution.

Subd. 2. Dissolution shall be completed upon resolution of the board of directors canvassing the vote and declaring that a majority of the qualified electors voting thereon have voted in favor of dissolution. A verified copy of the resolution shall be filed in the office of the secretary of state and with the auditors of counties within the district.

Subd. 3. In case of dissolution all applications for appropriation of water shall be canceled and all rights of the district in applications shall end.

Sec. 36. [112A.37] [APPEALS.] Any party aggrieved by a final order issued pursuant to section 12 of this act which approves or dismisses a petition or which refuses or establishes

a project or a district, may appeal therefrom to the supreme court in the manner provided in civil actions. The appeal shall be made and perfected within 30 days after the filing of the order. The notice of appeal shall be served on the clerk of district court and the members of the district's board of directors.

Sec. 37. [ORGANIZATION OF LINCOLN PIPESTONE DISTRICT.] The Lincoln Pipestone rural water district shall be organized under the provisions of this act instead of chapter 116A if a formal request signed by 50 percent of those who signed the original petition required by chapter 116A is presented to the court .

Sec. 38. This act is effective the day following final enactment.”.

March 20, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 2124, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2124 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 241.021, Subdivision 1, is amended to read:

241.021 [LICENSING AND SUPERVISION OF INSTITUTIONS AND FACILITIES.] Subdivision 1. [SUPERVISION OVER CORRECTIONAL INSTITUTIONS; ADVISORY TASK FORCE.] (1) The commissioner of corrections shall inspect *and license* all correctional facilities throughout the state, whether public or private, established and operated for the detention and confinement of persons detained or confined therein according to law except to the extent that they are inspected or licensed by other state regulating agencies. He shall promulgate (, BY JANUARY 1, 1977,) pursuant to chapter 15, rules establishing minimum standards for these facilities with respect to their management, operation, physical condition, and the security, safety, health, treatment and discipline of persons detained or confined therein. *Commencing September 1, 1980, no individual, corporation, partnership, voluntary association or other private organization legally responsible for the operation of a correctional facility may operate the facility unless licensed by the commissioner of corrections. The commissioner may provide by rule for provisional licenses which authorize the operation of a correctional facility on a temporary basis where the operator is temporarily unable to comply with all of the requirements for a license.* Notwithstanding the provisions of sections 15.0412 and 15.0413, (THESE) rules *setting standards for group homes established under the direction of the juvenile courts* shall not take effect until (JUNE 15, 1977. TO ASSIST IN THE DEVELOPMENT OF STANDARDS FOR JAILS AND LOCKUPS THE COMMISSIONER SHALL PURSUANT TO SECTION 15.059, SUBDIVISION 6, APPOINT A CITIZENS ADVISORY TASK FORCE OF NINE PERSONS, INCLUDING FIVE PERSONS WHO HAVE BEEN ELECTED TO THE OFFICE OF COUN-

TY SHERIFF AND FOUR PERSONS WHO HAVE BEEN ELECTED TO THE OFFICE OF COUNTY BOARD OF COMMISSIONERS) *September 1, 1979*. The commissioner shall have access to the buildings, grounds, books, records, staff and to persons detained or confined in these facilities. He may require the officers in charge of these facilities to furnish all information and statistics he deems necessary, upon forms furnished by him.

(2) Any state agency which regulates, inspects, or licenses certain aspects of correctional facilities shall, insofar as is possible, ensure that the minimum standards it requires are substantially the same as those required by other state agencies which regulate, inspect, or license the same aspects of similar types of correctional facilities, although at different correctional facilities.

(3) Nothing in this section shall be construed to limit the commissioner of corrections' authority to promulgate rules establishing standards of eligibility for counties to receive funds under sections 401.01 to 401.16, or to require counties to comply with operating standards the commissioner establishes as a condition precedent for counties to receive that funding.

(4) When the commissioner finds that any facility described in clause (1) of this subdivision, except foster care facilities for delinquent children and youth as provided in subdivision 2, does not conform to the minimum standards established by law or by the commissioner, he shall promptly notify the chief executive officer and the governing board of the facility of the deficiencies and order that they be remedied within a reasonable period of time. The commissioner may by written order restrict the use of any facility which does not substantially conform to minimum standards to prohibit the detention of any person therein for more than 72 hours at one time. *When, after due notice and hearing, the commissioner finds that any facility described in this subdivision, except county jails and lockups as provided in sections 641.26, 642.10, and 642.11, does not conform to minimum standards, or is not making satisfactory progress toward substantial compliance therewith, he may issue his order revoking the license of that facility. After revocation of its license, that facility shall not be used until its license is renewed.* When the commissioner is satisfied that satisfactory progress towards substantial compliance with minimum standard is being made, he may, at the request of the appropriate officials of the affected facility supported by a written schedule for compliance, grant an extension of time for a period not to exceed one year.

(5) *As used in this subdivision, "correctional facility" means any facility, including a group home, having a residential component, the primary purpose of which is to serve persons placed therein by a court, court services department, parole authority, or other correctional agency having dispositional power over persons charged with, convicted or adjudicated to be guilty or delinquent.*

Sec. 2. Minnesota Statutes 1976, Section 260.185, Subdivision 1, is amended to read:

260.185 [DISPOSITIONS; DELINQUENT CHILD.] Subdivision 1. If the court finds that the child is delinquent, it shall enter an order making any of the following dispositions of the case which are deemed necessary to the rehabilitation of the child:

(a) Counsel the child or his parents, guardian, or custodian;

(b) Place the child under the supervision of a probation officer or other suitable person in his own home under conditions prescribed by the court including reasonable rules for his conduct and the conduct of his parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child, or with the consent of the commissioner of corrections, in a group foster care facility which is under the management and supervision of said commissioner;

(c) Subject to the supervision of the court, transfer legal custody of the child to one of the following:

(1) A child placing agency; or

(2) The county welfare board; or

(3) A reputable individual of good moral character. *No person may receive custody of two or more unrelated children unless he is licensed as a residential facility pursuant to sections 245.781 to 245.813; or*

(4) Except for children found to be delinquent as defined in section 260.015, subdivision 5, clauses (c) and (d), unless the child has previously appeared before a juvenile court on the same charge, and in the judgment of the court, community resources have been exhausted, a county home school, if the county maintains a home school or enters into an agreement with a county home school; or

(5) A county probation officer for placement in a group foster home established under the direction of the juvenile court (IN ACCORDANCE WITH STANDARDS ESTABLISHED BY THE COMMISSIONER OF CORRECTIONS) and licensed pursuant to section 241.021;

(d) Except for children found to be delinquent as defined in section 260.015, subdivision 5, clauses (c) and (d), unless the child has previously appeared before a juvenile court on the same charge, and in the judgment of the court, community resources have been exhausted, transfer legal custody by commitment to the commissioner of corrections;

(e) If the child is found to have violated a state or local law or ordinance which has resulted in damage to the property of another, the court may order the child to make reasonable restitution for such damage;

(f) If the child is in need of special treatment and care for his physical or mental health, the court may order the child's parent, guardian, or custodian to provide it. If the parent, guardian, or custodian fails to provide this treatment or care, the court may order it provided.

(g) If the court believes that it is in the best interests of the child and of public safety that the driver's license of the child be cancelled until his eighteenth birthday, the court may recommend to the commissioner of transportation the cancellation of the child's license for any period up to the child's eighteenth birthday, and the commissioner is hereby authorized to cancel such license without a hearing. At any time before the termination of the period of cancellation, the court may, for good cause, recommend to the commissioner of transportation that the child be authorized to apply for a new license, and the commissioner may so authorize.

Any order for a disposition authorized under this section shall contain written findings of fact to support the disposition ordered, and shall also set forth in writing the following information:

(a) Why the best interests of the child are served by the disposition ordered; and

(b) What alternative dispositions were considered by the court and why such dispositions were not appropriate in the instant case.

Sec. 3. Minnesota Statutes 1976, Section 641.09, is amended to read:

641.09 [POWER OF OFFICERS.] The officer in charge of prisoners so sentenced to labor may use all reasonable means necessary to prevent escape or enforce obedience. For refusal to labor or obey necessary orders in reference thereto, a prisoner may be kept in solitary confinement (ON BREAD AND WATER, UNLESS OTHER FOOD IS REQUIRED FOR THE PRESERVATION OF HEALTH,) but shall not be so confined more than ten days for any one offense, nor more than 90 days in all. Such punishment shall not be treated as any part of the sentence.

Sec. 6. The commissioner shall appoint an advisory task force, to serve for a period of three years after the effective date of this act, consisting of at least nine persons and including representation from the judiciary serving the juvenile court, county probation officers, and county board members to assist in the development of standards for the correctional facilities defined in section 241.021, subdivision 1 (5), including group foster homes established under the direction of the juvenile court. The provisions of section 15.059, subdivision 6, shall

March 20, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1744, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and that H. F. No. 1744, be amended as follows:

Strike everything after the enacting clause and insert:

“Section 1. [DEFINITIONS.] The following terms have the definitions given them for the purposes of sections 1 to 8:

(a) “Wheelchair securement device” or “securement device” means an apparatus installed in a motor vehicle for the purpose of securing an occupied wheelchair into a location in the vehicle and preventing movement of that wheelchair while the vehicle is in motion.

(b) “Operator” means any person, firm, partnership, corporation, service club, public or private agency, city, town or county. The provisions of this act shall not apply to any school bus as defined in Minnesota Statutes, Section 169.01, Subdivision 6, which is subject to regular school bus inspections pursuant to Minnesota Statutes, Section 169.451.

(c) "Transportation service" means the transportation by motor vehicle of any sick, injured, invalid, incapacitated, or handicapped individual while occupying a wheelchair, which transportation is offered or provided by any operator to the public or to its employees or in connection with any other service offered by the operator including schooling or nursing home, convalescent or child care services.

Sec. 2. [WHEELCHAIR SECUREMENT DEVICES.] Subdivision 1. Any vehicle used by an operator to provide transportation service shall be equipped with wheelchair securement devices which are approved by the commissioner of public safety as meeting the specifications of this subdivision. A wheelchair securement device shall prevent any forward, backward or lateral movement of an occupied wheelchair when the device is engaged and the vehicle is in motion, accelerating or braking, and shall attach to the frame of the wheelchair without damaging it. Wheelchair securement devices installed in any vehicle shall be maintained in working order.

Subd. 2. A vehicle used to provide transportation service shall carry only as many persons seated in wheelchairs as the number of securement devices approved by the commissioner of public safety as meeting the specifications of subdivision 1 with which the vehicle is equipped, and each occupied wheelchair shall be secured by such a securement device before the vehicle is set in motion.

Sec. 3. [ADDITIONAL SAFETY REQUIREMENTS.] Subdivision 1. Any vehicle used to provide transportation service shall be equipped with seat belts which are approved by the commissioner of public safety. The seat belts required by this subdivision shall be adequate to secure the occupant of a wheelchair who is being transported by the vehicle. These seat belts shall be used only to secure the person and shall not be used to secure the wheelchair. The seat belts shall meet all other applicable state and federal requirements for safety.

Subd. 2. When transportation service is provided to an individual in an electrically powered wheelchair, the main power switch of the wheelchair shall be placed in the "off" position at all times while the vehicle is in motion.

Sec. 4. [INSPECTION.] Subdivision 1. No person shall drive and no operator shall knowingly permit or cause a vehicle to be used for transportation service unless there is displayed thereon a certificate issued upon inspection by the commissioner of public safety as provided in this section.

Subd. 2. Inspection shall be made by personnel in the department of public safety assigned to the highway patrol. An operator of transportation services shall submit a vehicle for in-

spection after the installation of a wheelchair securement device in the vehicle and before using the vehicle for transportation service, but not later than one month after the date of installation. Evidence of the date of installation shall be provided by the operator at the inspection.

Subd. 3. The inspection shall be made to determine that the vehicle complies with the provisions of section 2, subdivision 1, and section 3, subdivision 1; that the securement device is in working order; and that the securement device is not in need of obvious repair. The inspection may include testing the use of a securement device while the vehicle is in motion.

Subd. 4. A certificate furnished by the commissioner shall be issued upon completion of inspection if the vehicle complies with the requirements set forth in subdivision 3. The certificate shall be affixed to the lower left corner of the windshield. It shall note compliance with this section, record the number of wheelchairs which may be simultaneously carried in the vehicle, and note the month and year in which the next inspection is required.

Subd. 5. Subsequent inspections shall be made annually. If additional securement devices are installed in a vehicle already equipped with a securement device, inspection is required as specified in subdivision 2.

Sec. 5. No agency of the state, political subdivision or other public agency shall grant or approve any financial assistance to any operator for the purchase or operation of any vehicle used for transportation service or grant any permit or license otherwise required by law for operation of that service unless the operator of the transportation service complies with the provisions of sections 1 to 4.

Sec. 6. [EVIDENCE.] Proof of the installation or failure to install wheelchair securement devices, or proof of faulty installation of wheelchair securement devices, or proof of the maintenance or failure to properly maintain wheelchair securement devices, or proof of the use or failure to use wheelchair securement devices is admissible in evidence in any litigation involving personal injuries or property damage arising out of the use or operation of a vehicle providing transportation service. For the purposes of this section "wheelchair securement device" means such a device approved by the commissioner of public safety.

Sec. 7. [PENALTY.] For each failure to comply with any requirement of sections 2, 3 or 4 an operator is guilty of a misdemeanor.

Sec. 8. [RULES; APPROVAL OF DEVICES.] The commissioner of public safety shall, no later than July 1, 1979, adopt

rules containing standards for wheelchair securement devices that meet the requirements of section 2, subdivision 1, and section 3, subdivision 1, and shall approve or disapprove of securement devices that meet those standards.

Sec. 9. [SCHOOL BUSES; AMENDMENT OF RULES.] Upon adoption of rules by the commissioner of public safety pursuant to section 8, the state board of education shall amend its rules relating to the transportation of handicapped students to ensure that the amended rules carry out the intent of this act.

Sec. 10. [EFFECTIVE DATE.] This act is effective the day following final enactment.”.

Further, delete the title and insert:

“A bill for an act relating to mobility disabled persons; requiring installation and use of wheelchair securement devices in vehicles used for transporting wheelchair users; providing for inspection of wheelchair securement devices; requiring other safety measures in vehicles used for transporting wheelchair users; directing the commissioner of public safety to adopt rules and to approve devices required by the act; directing the state board of education to amend its rules for handicapped transportation; authorizing the admissibility of certain evidence in litigation; providing penalties.”.

Sec. 2. The proceeds of all bonds issued pursuant to section 1 hereof shall be used exclusively for the acquisition, construc-

tion, and repair of capital improvements. None of the proceeds of any bonds so issued shall be expended except upon projects which have been reviewed, and have received a priority rating, from a capital improvements committee consisting of (AT LEAST SEVEN) 18 members, of whom a majority shall not hold any paid office or position under the city of St. Paul. *The members shall be appointed by the mayor, with at least three members from each Minnesota senate district.* The priorities and recommendations of such committee shall be purely advisory, and no buyer of any such bonds shall be required to see to the application of the proceeds.

Sec. 3. Laws 1976, Chapter 234, Section 4, Subdivision 4, as amended by Laws 1977, Chapter 165, Section 1, is amended to read:

Subd. 4. [ST. PAUL, CITY OF; HOUSING AND REDEVELOPMENT.] Except as specifically provided herein, the establishment of the St. Paul city council as the commissioners of the St. Paul housing and redevelopment authority or placement of any employees under the direction or control of the mayor or any department of the city, shall not affect rights of any employees of the housing and redevelopment authority, including but not limited to any rights pursuant to an existing collective bargaining agreement or fringe benefit plan, nor shall such action affect any collective bargaining right or contract provision of present city employees. The employees may remain as employees of the housing and redevelopment authority, or any successor agency thereof, or may become employees of the city of St. Paul by resolution of the governing body of the city and by concurrent approval of respective housing and redevelopment authority bargaining units affected. Such approval will be determined by majority vote of those employees in each unit who are actually affected by such council action. All employees of the housing and redevelopment authority who are affected by such council action, and who are not members of a specific bargaining unit, for the purpose of this provision shall be considered as one unit. Any employee who becomes an employee of the city of St. Paul by such action shall become a member of the proper city bargaining unit, if one exists, and shall be governed by the bargaining agreement of that city unit beginning (JULY 1, 1978) *January 1, 1980*, and until that date such employees shall remain in any bargaining units that they were in at the effective date of this act and shall be governed by the collective bargaining agreements of those units.

Sec. 4. Laws 1976, Chapter 234, Section 4, Subdivision 4a, as added by Laws 1977, Chapter 165, Section 2, is amended to read:

Subd. 4a. [TRANSFER OF EMPLOYEES.] All employees of the housing and redevelopment authority who become employees of the city of St. Paul in accordance with the provisions

of subdivision 4, hereinafter called transfer employees, shall be employees of the city of St. Paul notwithstanding any contrary provision of this law, the St. Paul city charter or other statute or ordinance, and shall be governed by applicable provisions of the city civil service laws and city charter, except as modified in clauses (1), (2) and (3).

(1) Transfer employees shall maintain city seniority from the effective date of this act; however, for the purposes of determining their wages and fringe benefits, except pension benefits, their seniority shall be computed from the date that they were originally employed by the housing and redevelopment authority.

(2) Transfer employees shall have promotion rights providing that they qualify for such rights under the city civil service laws, and such rights shall be determined by their combined total length of service with the housing and redevelopment authority and the city.

(3) Any employee, whether a regular city employee or a transfer employee, if assigned to the department of planning and economic development, shall have equal promotional rights with any other such employee. Any regular city employee assigned to the department of planning and economic development and any transfer employee shall have promotional preference for positions in the division of renewal and the division of economic development over regular city employees not assigned to the department of planning and economic development. All regular city employees, whether assigned to the department of planning and economic development or any other position in the classified service, shall have promotional rights over all transfer employees for any position in the classified service which is not in the department of planning and economic development. All city employees, whether assigned to the department of planning and economic development or any other position in the classified service, shall have equal promotional rights with all transfer employees for promotions to positions in the division of planning and the division of community development. The term "employee" as used in clause (3) means professional, supervisory, and confidential employees only. All promotion preferences established by this clause shall expire two years after the effective date of this act.

No city employee holding a regular appointment to a position in the classified service at the time this act takes effect shall be laid off because of the effects of this act.

Notwithstanding any contrary provision of law, the pension plan available to the employees of the housing and redevelopment authority at the effective date of this act shall continue in operation until changed in accordance with law, and all such housing and redevelopment authority employees who shall be

come employees of the city shall have the individual option to remain in the present pension and retirement plan provided to employees of the housing and redevelopment authority with the city assuming the employer's obligations under said pension plan or to become covered as coordinated members of the public employees retirement association upon election, by making such election within one year from the (EFFECTIVE) date (OF THIS ACT) *on which they become an employee of the city of St. Paul.*

Sec. 5. *Within the boundaries of any tax increment district established in the city of St. Paul proceeds from the sale of capital improvement bonds may be expended solely for transportation purposes."*

CONFERENCE COMMITTEE REPORT ON H. F. NO. 2261

A bill for an act relating to energy; changing the powers of the Minnesota energy agency; implementing certain residential energy efficiency standards; establishing insulation product and application standards; prescribing penalties; appropriating money; amending Minnesota Statutes 1976, Section 116H.08; and Minnesota Statutes, 1977 Supplement, Section 116H.129, Subdivision 1, and by adding subdivisions.

March 21, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 2261, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and H. F. No. 2261 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 116H.08, is amended to read:

116H.08 [POWERS.] The director may:

(a) Adopt rules (AND REGULATIONS,) pursuant to chapter 15 necessary to carry out the purposes of sections 116H.01 to 116H.15;

(b) Make all contracts pursuant to sections 116H.01 to 116H.15 and do all things necessary to cooperate with the United States government, and to qualify for, accept and disburse any (PRIVATE) grant intended for the administration of sections 116H.01 to 116H.15. Notwithstanding any other law the agency is designated the state agency to apply for, receive and accept federal or other funds made available to the state for the purposes of sections 116H.01 to 116H.15.

(c) Contract for professional services if such work or services cannot be satisfactorily performed by employees of the agency or by any other state agency;

(d) Enter into interstate compacts to jointly carry out such research and planning with other states or the federal government where appropriate;

(e) Distribute informational material at no cost to the public upon reasonable request.

Sec. 2. Minnesota Statutes, 1977 Supplement, Section 116H.-129, Subdivision 1, is amended to read:

116H.129 [ENERGY CONSERVATION STANDARDS FOR EXISTING RESIDENCES.] Subdivision 1. Before January 1, (1978) 1979, the commissioner of administration, in consultation with the director and the appropriate standing committees of the legislature, shall promulgate minimum energy efficiency standards for existing (RESIDENTIAL BUILDINGS) residences. The standards shall be economically feasible in that the resultant savings in energy procurement costs, based on current and projected average residential energy costs in Minnesota as certified by the director in the state register, will exceed the cost of the energy conserving requirements amortized over (A PERIOD OF FIVE YEARS) the five-year period subsequent to the incurring of such cost. The costs computed under this section shall include reasonable inflation and interest factors.

(BY FEBRUARY 15, 1978, THE DIRECTOR SHALL MAKE RECOMMENDATIONS TO THE LEGISLATURE ON METHODS TO OBTAIN COMPLIANCE WITH THE STANDARDS SET FORTH IN THIS SUBDIVISION.)

Sec. 3. Minnesota Statutes, 1977 Supplement, Section 116H.129, is amended by adding subdivisions to read:

Subd. 2. For the purposes of subdivisions 3 to 7, the following terms shall have the meanings given them.

(a) "Residence" means any dwelling for habitation either seasonally, meaning all or a portion of the months of December through March, or permanently by one or more persons. A residence may be owned or rented and may be part of a multi-dwelling or multi-purpose building, but shall not include buildings such as hotels, hospitals, motels, dormitories, sanitariums, nursing homes, schools and other buildings used for educational purposes, or correctional institutions. A mobile home as defined in section 168.011, subdivision 8, shall be a residence for purposes of this section.

(b) "Time of sale" means the time when a written purchase agreement is executed by the buyer, or, in the absence of a purchase agreement, at the time of the execution of any document providing for the conveyance of a residence.

(c) "Energy disclosure report" means the written and signed evaluation by a person certified pursuant to subdivision 6 of this section made on an approved form, representing to the actual buyer of the residence evaluated that the evaluator has used reasonable care and diligence, and has found no instance of noncompliance with the items contained on the approved form as of the date thereon except as specifically designated.

(d) "Applicable energy efficiency standards" means those standards established under subdivision 1 which are not shown to be economically infeasible for the building in question.

Subd. 3. [ENERGY CONSERVATION FOR RENTAL PROPERTY.] Effective January 1, 1980, all residences constructed prior to January 1, 1976, which are renter-occupied during all or a portion of the months of November through April shall be in compliance with standards pursuant to subdivision 1 pertaining to caulking and weatherstripping of exterior joints and sealing of other openings in the building envelope. Effective July 1, 1983, all residences which are renter-occupied during all or a portion of the months of November through April shall be in compliance with all applicable energy efficiency standards.

Subd. 4. [INSPECTIONS.] The energy agency shall conduct inspections on a random basis for compliance with the provisions of subdivision 3 of this section.

Subd. 5. [RESIDENTIAL ENERGY DISCLOSURE PROGRAM.] By March 1, 1979, the commissioner of administration, in consultation with the director of the energy agency and

the appropriate standing committees of the legislature, shall promulgate rules providing for residential energy disclosure requirements and shall approve forms for the purposes of this subdivision. The rules and forms shall provide only for the disclosure of structural characteristics, energy use characteristics relating to energy consumption and conservation, and the extent of compliance with standards adopted pursuant to section 116H.129, subdivision 1. Nothing in the forms shall indicate or be deemed to indicate that the residence meets all state building code specifications.

Subd. 6. [BUILDING EVALUATORS.] *By August 1, 1979, the commissioner of administration shall certify evaluators in each county of the state who are qualified to determine the compliance of a residence with applicable energy disclosure requirements. The commissioner of administration shall, by rule pursuant to chapter 15, establish standards for the certification and performance of evaluators and set a fee for the certification of evaluators which is sufficient to cover the ongoing costs of the program once it is established. The commissioner shall encourage the certification of existing groups of trained municipal personnel and individuals from public service organizations. Effective August 1, 1979, each certified evaluator shall, on request of the owner, inspect any residence and report the degree to which it complies with applicable energy disclosure requirements. The inspections shall be made within 30 days of the request.*

Subd. 7. [DISCLOSURE REPORT.] *Effective October 1, 1979, no owner or agent shall sell by conveyance or contract for conveyance a residence constructed before January, 1976, without providing to the buyer, prior to the time of sale, a copy of an energy disclosure report for the residence unless the buyer has been provided a copy of the form used in making an energy disclosure report and has declared in writing that he waives his right to a report. If the residence has been evaluated subsequent to the effective date of this section, no new evaluation shall be required for five years after the date of the evaluation, if a copy of the last evaluation has been delivered to the prospective buyer. The provisions of this subdivision shall not apply to the sale or conveyance of any residence to a public body or by a sheriff, constable, marshal or other public or court officer in the performance of his official duties as such, or to trustees in bankruptcy or any other person or persons acting under the direction or authority of any court, state or federal, in selling a residence, except as to a public sale ordered by a probate court, in which case this subdivision shall apply.*

Subd. (2) 8. *Before January 1, 1978, the commissioner of administration, in consultation with the director, shall by rule amend the standards concerning heat loss, illumination, and climate control promulgated pursuant to section 116H.12, subdivision 4, to require that electrical service to individual dwelling*

units in buildings containing two or more units be separately metered, with individual metering readily accessible to the individual occupants. The standards authorized by this subdivision shall only apply to buildings constructed after the effective date of the amended standards. Buildings intended for occupancy primarily by persons who are 62 years of age or older or handicapped, or which contain a majority of units not equipped with complete kitchen facilities, shall be exempt from the provisions of this subdivision.

Sec. 4. [HOME INSULATION; CONSUMER PROTECTION; DEFINITIONS.] *Subdivision 1. For the purposes of sections 4 to 9, the following terms shall have the meanings here given them.*

Subd. 2. "Advertisement" means any written or verbal statement, illustration or depiction which appears in the mass media, in brochures, leaflets, or circulars, outdoor advertising, retail displays, or on vehicles, which is designed to cause the sale of or interest in the purchase of insulation.

Subd. 3. "Energy agency" means the Minnesota energy agency as provided in chapter 116H.

Subd. 4. "Industry members" means producers and suppliers of materials from which insulation is made who promote the sale or distribution of insulation; manufacturers of insulation; jobbers, wholesalers and retailers of insulation; contractors and applicators who sell and install residential insulation; and those engaged in the marketing of insulation who are, or who purport to act as agents of manufacturers or suppliers of insulation.

Subd. 5. "Insulation" means any material or assembly of materials used primarily to provide resistance to heat flow in building structures, including but not limited to mineral fibrous, mineral cellular, organic fibrous, organic cellular or reflective materials, whether in loose fill, flexible, semi-rigid or rigid form.

Subd. 6. "Laboratory qualified to test thermal insulation" means an approved laboratory classified by the energy agency in consultation with industry members as passing an appropriate examination of ability to perform tests and continuing inspection or follow-up service according to specifications for manufacture and installation, also referred to as "testing laboratory".

Subd. 7. "Presenting a clear and present danger" means known to cause physical damage to structure or health hazards to occupants through continuing direct contact or release of hazardous substances as defined in section 24.33.

Subd. 8. "R value" means the measure of resistance to heat flow through a material or the reciprocal of the heat flow

through a material expressed in British thermal units per hour per square foot per degree Fahrenheit at 75 degrees Fahrenheit mean temperature.

Subd. 9. "Specifications for manufacture and installation" means those specifications in section 5.

Sec. 5. [SPECIFICATIONS FOR THE MANUFACTURE, LABELING, AND INSTALLATION OF INSULATION.] *Subdivision 1. Within nine months of the effective date of this act, the energy agency shall promulgate rules pursuant to chapter 15 regarding quality, information, and product safety specifications for the manufacture, labeling, installation, and thermographing of insulation. The specifications and any amendments to them shall conform as far as is practical to federal standards or other standards generally accepted and in use throughout the United States. Such standards, with modifications as may be deemed necessary, may be adopted by reference. The specifications as promulgated and any amendments shall be based on the application of scientific principles, approved tests, and professional judgment. Upon the effective date of this act, the energy agency may issue temporary rules pursuant to section 15.0412, subdivision 5, for the purposes of this section.*

Subd. 2. In addition to the specifications promulgated pursuant to subdivision 1 of this section, no insulation presenting a clear and present danger by the nature of its composition at the time of installation shall be used or offered for sale in Minnesota.

Subd. 3. The manufacturer's written instructions describing the proper methods of application of the insulation and required or recommended safety measures shall be provided to each intermediate and ultimate consumer of all insulation sold for use in Minnesota within ten days of when the insulation is sold.

Sec. 6. [TESTING OF INSULATION.] *Subdivision 1. The director of the energy agency shall promulgate rules concerning qualifications of testing laboratories and the nature of continuing inspection and follow-up services for this section.*

Subd. 2. Effective December 1, 1979, all insulation used or offered for sale in Minnesota shall be subject to a continuing inspection and follow-up service by an approved laboratory qualified to test thermal insulation.

Subd. 3. Upon the adoption of specifications under section 5, subdivision 1, all insulation used or offered for sale in Minnesota shall be tested in accordance with testing procedures required under those specifications by a laboratory qualified to test thermal insulation.

Subd. 4. The director of the energy agency shall purchase from time to time unopened insulation packages which shall be sent to an approved testing laboratory to test for compliance with the specifications established under section 5, subdivision 1.

Sec. 7. [UNFAIR AND DECEPTIVE ADVERTISING PRACTICES.] *Subdivision 1. It shall be considered an unfair and deceptive practice to violate any of the provisions of this section.*

Subd. 2. No advertisement for insulation to be used or offered for sale in Minnesota shall state that a percentage of fuel costs or a certain dollar amount of fuel costs will be saved unless the statement is accompanied by the following or substantially similar disclaimer in letters the same size as the claim of savings: "Stated savings are estimates only. Actual savings may vary depending on type of home, weather conditions, occupant lifestyle, energy prices and other factors."

Subd. 3. No advertisement for insulation to be used or offered for sale in Minnesota shall contain any claim which is false or misleading, or for which there exists no reasonable substantiation at the time the claim is made. Prohibited claims include, but are not limited to, the following: does not burn, non-combustible, self-extinguishing, nonpoisonous, non-irritating, vermin-proof, rodent-proof, resists mildewing, will not shrink, will not crack, permanent, no deterioration, complete coverage, fills all voids, never needs replacing, will not settle. This prohibition shall not apply if the claim is substantiated by tests identified in the specifications established under section 5, subdivision 1, or by appropriate testing procedures of the American Society for Testing and Materials where no test required under section 5, subdivision 1, applies. Such tests shall be made by a laboratory qualified to test thermal insulation. When tests are not designed to duplicate actual conditions, substantiated claims must so state.

Subd. 4. No representation about the thermal resistance value of insulation shall be made unless the R value is given and has been determined by the tests required in the specification established under section 5, subdivision 1, or by appropriate testing procedures of the American Society for Testing and Materials where no test required under section 5, subdivision 1, applies. Such tests shall be made by an approved laboratory qualified to test thermal insulation.

Sec. 8. [MARKING, LABELING, AND CONSUMER INFORMATION.] *Subdivision 1. The outside of all containers and wrappings of insulation used or offered for sale in Minnesota shall have the following information printed legibly thereon in bold type not less than 1/8 inch high:*

(a) Type (pneumatic or blown, pouring, batt, roll, blanket, board, cellular, or reflective);

(b) R value (to the nearest tenth) per inch at the recommended installation density;

(c) Required thickness in inches to obtain four or more commonly used R values and the corresponding coverage areas in square feet of the insulation in the container or wrapping;

(d) Expiration date and expected shelf life of all resins, catalysts, and foaming agents for all foam insulations, whether in powder, diluted or partially diluted state, or canister, drum, container, or package. For purposes of this section, "foam insulation" means products having an organic base or composed of vinyl or plastic material or both, which are manufactured or installed using a process involving a foaming agent, a resin, a catalyst and an air compressor, including but not limited to urea-formaldehyde, other urea-based foams, urethane foam, polyurethane foam, polystyrene foam, and isocyanurate foam.

(e) Name and address of the manufacturer of the insulation;

(f) A notation of those current specifications of the United States General Services Administration, the United States Department of Energy, the United States Department of Housing and Urban Development, the United States Consumer Product Safety Commission, the Federal Trade Commission and the energy agency with which the insulation complies;

(g) The net weight of the contents of the bag, package, or container.

Subd. 2. Where insulation is used or offered for sale without the manufacturer's container, the information required in subdivision 1 shall be provided in a separate printed statement to the intermediate and ultimate consumers.

Sec. 9. [ENFORCEMENT; PENALTIES.] Subdivision 1. Violation of section 5, subdivision 2, or section 6, subdivision 2 or 3, shall constitute a misdemeanor, provided that the sole liability for such violation on insulation sold under the manufacturer's brand or trademark shall be the manufacturer's, and that an industry member who is not a manufacturer shall be liable under this subdivision only if he has actual knowledge or knowledge fairly implied on the basis of the objective circumstances that the insulation presents a clear and present danger or has not been subject to the required testing procedures.

Subd. 2. Violation of section 5, subdivision 3, section 7, or section 8 shall constitute a misdemeanor.

Subd. 3. The provisions of section 7 may be enforced by the attorney general pursuant to section 325.907. The attorney general may recover costs and disbursements, including costs of investigation and reasonable attorney's fees. In addition to the remedies otherwise provided by law, any person injured by a violation of sections 5, 7, or 8 may bring a civil action and recover damages together with costs of investigation and reasonable attorney's fees, and receive other equitable relief as determined by the court. The court may as appropriate enter a consent judgment or decree without the finding of illegality.

Subd. 4. Remedies taken under this section shall not exclude other civil or criminal actions under Minnesota Statutes.

Sec. 10. Minnesota Statutes 1976, Section 273.11, Subdivision 1, is amended to read:

273.11 [VALUATION OF PROPERTY.] Subdivision 1. Except as provided in (SUBDIVISION) *subdivisions 2 and 6* or section 273.17, subdivision 1, all property shall be valued at its market value. In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall he adopt as a criterion of value the price for which such property would sell at auction or at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such sum or price as he believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the assessed value of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under sections 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 11. Minnesota Statutes 1976, Section 273.11, is amended by adding a subdivision to read:

Subd. 6. [EXEMPTION FROM VALUATION INCREASE DUE TO ENERGY SYSTEM.] For purposes of property taxation, the market value of real and personal property installed prior to January 1, 1984, which is a solar, wind, or agriculturally derived methane gas system used as a heating, cooling, or electric power source of a building or structure shall be excluded from the market value of that building or structure if the property is not used to provide energy for sale.

Sec. 12. Minnesota Statutes 1976, Section 394.25, Subdivision 2, is amended to read:

Subd. 2. Zoning ordinances establishing districts within which the use of land or the use of water or the surface of water pursuant to section 378.32 for agriculture, forestry, recreation, residence, industry, trade, soil conservation, water supply conservation, surface water drainage and removal, conservation of shorelands, as defined in section 105.485, and additional uses of land and of the surface of water pursuant to section 378.32, may be by official controls encouraged, regulated, or prohibited and for such purpose the board may divide the county into districts of such number, shape, and area as may be deemed best suited to carry out the comprehensive plan. Official controls may also be applied to wetlands preservation, open space, parks, sewage disposal, protection of ground water, protection of flood plains as defined in section 104.02, protection of wild, scenic or recreational rivers as defined in section 104.33, protection of slope, soils, unconsolidated materials or bedrock from potentially damaging development, preservation of forests, woodlands and essential wildlife habitat, reclamation of non-metallic mining lands; *protection and encouragement of access to direct sunlight for solar energy systems as defined in section 116H.02, subdivision 11; and the preservation of agricultural lands.*

Sec. 13. Minnesota Statutes 1976, Section 394.27, Subdivision 7, is amended to read:

Subd. 7. The board of adjustment shall have the exclusive power to order the issuance of variances from the terms of any official control including restrictions placed on nonconformities. Variances shall only be permitted when they are in harmony with the general purposes and intent of the official control in cases when there are practical difficulties or particular hardship in the way of carrying out the strict letter of any official control, and when the terms of the variance are consistent with the comprehensive plan. "Hardship" as used in connection with the granting of variance means the property in question cannot be put to a reasonable use if used under the conditions allowed by the official controls; the plight of the landowner is due to circumstances unique to his property not created by the landowner; and the variance, if granted, will not alter the essential character of the locality. Economic considerations alone shall not constitute a hardship if a reasonable use for the property exists under the

terms of the ordinance. No variance may be granted that would allow any use that is prohibited in the zoning district in which the subject property is located. The board of adjustment may impose conditions in the granting of variances to insure compliance and to protect adjacent properties and the public interest. *The board of adjustment may consider the inability to use solar energy systems a "hardship" in the granting of variances.*

Sec. 14. Minnesota Statutes 1976, Section 462.357, Subdivision 1, is amended to read:

462.357 [PROCEDURE FOR PLAN EFFECTUATION; ZONING.] Subdivision 1. [AUTHORITY FOR ZONING.] For the purpose of promoting the public health, safety, morals and general welfare, a municipality may by ordinance regulate the location, height, bulk, number of stories, size of buildings and other structures, the percentage of lot which may be occupied, the size of yards and other open spaces, the density and distribution of population, the uses of buildings and structures for trade, industry, residence, recreation, public activities, or other purposes, and the uses of land for trade, industry, residence, recreation, agriculture, forestry, soil conservation, water supply conservation, conservation of shorelands, as defined in section 105.485, *access to direct sunlight for solar energy systems as defined in section 116H.02*, flood control or other purposes, and may establish standards and procedures regulating such uses. The regulations may divide the municipality into districts or zones of suitable numbers, shape and area. The regulations shall be uniform for each class or kind of buildings, structures or land and for each class or kind of use throughout such district, but the regulations in one district may differ from those in other districts. The ordinance embodying these regulations shall be known as the zoning ordinance and shall consist of text and maps. A city may by ordinance extend the application of its zoning regulations to unincorporated territory located within two miles of its limits in any direction, but not in a county or town which has adopted zoning regulations; provided that where two or more noncontiguous municipalities have boundaries less than four miles apart, each is authorized to control the zoning of land on its side of a line equidistant between the two noncontiguous municipalities unless a town or county in the affected area has adopted zoning regulations. Any city may thereafter enforce such regulations in the area to the same extent as if such property were situated within its corporate limits, until the county or town board adopts a comprehensive zoning regulation which includes the area.

Sec. 15. Minnesota Statutes 1976, Section 462.357, Subdivision 6, is amended to read:

Subd. 6. [APPEALS AND ADJUSTMENTS.] Appeals to the board of appeals and adjustments may be taken by any affected person upon compliance with any reasonable conditions

imposed by the zoning ordinance. The board of appeals and adjustments has the following powers with respect to the zoning ordinance:

(1) To hear and decide appeals where it is alleged that there is an error in any order, requirement, decision, or determination made by an administrative officer in the enforcement of the zoning ordinance.

(2) To hear requests for variances from the literal provisions of the ordinance in instances where their strict enforcement would cause undue hardship because of circumstances unique to the individual property under consideration, and to grant such variances only when it is demonstrated that such actions will be in keeping with the spirit and intent of the ordinance. *Undue hardship includes, but is not limited to, inadequate access to direct sunlight for solar energy systems.* The board of appeals and adjustments or the governing body as the case may be, may not permit as a variance any use that is not permitted under the ordinance for property in the zone where the affected person's land is located. The board or governing body as the case may be, may permit as a variance the temporary use of a one family dwelling as a two family dwelling. The board or governing body as the case may be may impose conditions in the granting of variances to insure compliance and to protect adjacent properties.

Sec. 16. Minnesota Statutes 1976, Section 462.358, Subdivision 2, is amended to read:

Subd. 2. [TERMS OF REGULATIONS.] Subdivision regulations shall require that a proposed subdivision plat shall be in conformity with the official map if such exist. In establishing requirements for the location and width of streets, the municipality shall take into consideration anticipated traffic needs and the prospective character of the development and make any reasonable requirements therefor. As a condition to the approval of any subdivision plat of lands to which the regulations apply, subdivision regulations may prescribe requirements concerning the extent and manner in which streets shall be graded and improved, and electric and gas distribution lines or piping, water, sewer, or other facilities shall be installed. The regulations may provide, or authorize the governing body or other platting authority to provide, that, in lieu of the completion of such work before the final approval of the plat, the governing body or platting authority may accept or require a contract secured by a cash deposit, certified check, or a bond in an amount and with surety and conditions satisfactory to it, to assure the municipality that such improvements and utilities will be actually constructed and installed according to the specifications approved by the governing body or platting authority as expressed in the contract; and the municipality may enforce such contracts by appropriate legal and equitable remedies. The subdivision regulations may require that in appropriate plots of subdivisions to be

developed for residential, commercial, industrial or other uses, or as a planned development which includes residential, commercial and industrial uses, or any combination thereof, that a reasonable portion of each proposed subdivision be dedicated to the public for public use as parks, playgrounds, public open space, or storm water holding areas or ponds, or that the subdivider contribute an equivalent amount in cash based on the fair market value of the undeveloped land, as defined by the regulations, provided that cash payments received under such regulations shall be placed in a special fund by the municipality and used only for the acquisition of land for parks, playgrounds, public open space and storm water holding areas or ponds, development of existing park and playground sites, public open space and storm water holding areas or ponds, and debt retirement in connection with land previously acquired for such public purposes. The subdivision regulations, in setting forth the reasonable portion of each proposed subdivision to be dedicated to the public for public use as provided above, may take into consideration the open space, park, recreational or common areas and facilities which the subdivider has provided for the exclusive use of the residents of the subdivision.

A municipality may, through subdivision regulations, prohibit or restrict development for purposes of soil and water conservation. Such soil and water conservation regulations may call for site development plans with provisions for the control of drainage, erosion, and siltation.

A municipality may, for purposes of protecting and assuring access to direct sunlight for solar energy systems, prohibit, restrict or control development through subdivision regulations. The regulations may call for subdivision development plans containing restrictive covenants, height restrictions, side yard and setback requirements, or other permissible forms of land use controls.

Sec. 17. Minnesota Statutes 1976, Section 462.358, Subdivision 6, is amended to read:

Subd. 6. [VARIANCES.] Subdivision regulations may provide for a procedure for varying the regulations as they apply to specific properties where an unusual hardship on the land exists, but variances may be granted only upon the specific grounds set forth in the regulations. *Unusual hardship includes, but is not limited to, inadequate access to direct sunlight for solar energy systems.*

Sec. 18. Minnesota Statutes 1976, Section 462.39, Subdivision 3, is amended to read:

Subd. 3. [PLANNING.] The commission shall prepare and adopt, after appropriate study and such public hearings as may be necessary, a comprehensive development plan for the region. The plan shall consist of a compilation of policy statements,

goals, standards, programs, and maps prescribing guides for an orderly and economic development, public and private, of the region. The comprehensive development plan shall recognize and encompass physical, social, or economic needs of the region, and those future developments which will have an impact on the entire region including but not limited to such matters as land use, parks and open space land needs, *access to direct sunlight for solar energy systems*, the necessity for and location of airports, highways, transit facilities, public hospitals, libraries, schools, public and private, housing, and other public buildings. In preparing the development plan the commission shall use to the maximum extent feasible the resources studies and data available from other planning agencies within the region, including counties, municipalities, special districts, and subregional planning agencies, and it shall utilize the resources of the state planning agency to the same purpose. No development plan or portion thereof for the region shall be adopted by the commission until it has been submitted to the state planning agency for review and comment and a period of 60 days has elapsed after such submission. When a development plan has been adopted, the commission shall distribute it to all local government units within the region.

Sec. 19. Minnesota Statutes 1976, Section 473.05, Subdivision 1, is amended to read:

473.05 [PLANS.] Subdivision 1. The commission shall make plans for the physical, social, and economic development of its metropolitan area with the general purpose of guiding and accomplishing a coordinated and harmonious development of the area and of public facilities, improvements, and utilities which do not begin and terminate within the boundaries of any single governmental unit or which do not relate exclusively to the development of any single governmental unit. Such plans may include, among other things, suggestions as to highways and other transportation facilities, parks and recreational facilities, *methods for protection and assuring access to direct sunlight for solar energy systems*, drainage and water supply facilities, public buildings, utilities and services, as well as suggested standards for the subdivision of land and for control over the construction, height, bulk, location and use of buildings and premises. The commission may adopt by resolution of a majority of its full membership any such plan or portion of any plan as its official recommendation for the development of the area.

Sec. 20. Minnesota Statutes 1976, Section 473.859, Subdivision 2, is amended to read:

Subd. 2. [LAND USE PLAN.] A land use plan shall designate the existing and proposed location, intensity and extent of use of land and water for agricultural, residential, commercial, industrial and other public and private purposes, or any combination of such purposes. A land use plan shall contain a pro-

tection element, as appropriate, for historic sites and the matters listed in section 473.204, and an element for protection and development of access to direct sunlight for solar energy systems. A land use plan shall also include a housing element containing standards, plans and programs for providing adequate housing opportunities to meet existing and projected local and regional housing needs, including but not limited to the use of official controls and land use planning to promote the availability of land for the development of low and moderate income housing.

Sec. 21. Subdivision 1. "Solar easement" means a right, whether or not stated in the form of a restriction, easement, covenant, or condition, in any deed, will, or other instrument executed by or on behalf of any owner of land or solar skyspace for the purpose of ensuring adequate exposure of a solar energy system as defined in section 116H.02, subdivision 11, to solar energy.

Subd. 2. Any property owner may grant a solar easement in the same manner and with the same effect as a conveyance of an interest in real property. The easements shall be created in writing and shall be filed, duly recorded, and indexed in the office of the recorder of the county in which the easement is granted. No duly recorded solar easement shall be unenforceable on account of lack of privity of estate or privity of contract; such easements shall run with the land or lands benefited and burdened and shall constitute a perpetual easement, except that a solar easement may terminate upon the conditions stated therein or pursuant to the provisions of section 500.20.

Subd. 3. Any deed, will, or other instrument that creates a solar easement shall include, but the contents are not limited to:

(a) a description of the real property subject to the solar easement and a description of the real property benefiting from the solar easement;

(b) a description of the vertical and horizontal angles, expressed in degrees and measured from the site of the solar energy system, at which the solar easement extends over the real property subject to the solar easement, or any other description which defines the three dimensional space, or the place and times of day in which an obstruction to direct sunlight is prohibited or limited;

(c) any terms or conditions under which the solar easement is granted or may be terminated;

(d) any provisions for compensation of the owner of the real property benefiting from the solar easement in the event of interference with the enjoyment of the solar easement, or compensation of the owner of the real property subject to the solar easement for maintaining the solar easement;

(e) any other provisions necessary or desirable to execute the instrument.

Subd. 4. A solar easement may be enforced by injunction or proceedings in equity or other civil action.

Subd. 5. Any depreciation caused by any solar easement which is imposed upon designated property, but not any appreciation caused by any solar easement which benefits designated property, shall be included in the valuation of the property for property tax purposes.

Sec. 22. Notwithstanding the provisions of section 16.851, the date by which the state building code must be enforced within all municipalities in the state is January 1, 1979, except that those portions of the state building code relating to the grading of lumber shall not be effective until January 1, 1980.

Sec. 23. [APPROPRIATIONS.] Subdivision 1. For the year ending June 30, 1979, the sum of \$26,000 is appropriated from the general fund to the energy agency for the purposes of sections 5 and 6.

Subd. 2. For the year ending June 30, 1979, the sum of \$18,000 is appropriated from the general fund to the department of administration for the purposes of section 3.

Subd. 3. The sum of \$80,000 of the funds appropriated pursuant to Laws 1976, Chapter 254, Section 16, Clause (e), is cancelled. For the fiscal years 1978 and 1979, the sum of \$80,000 is appropriated from the general fund to the director of the housing finance agency for the purpose of studying and reporting to the legislature by January 15, 1979, on existing loan programs for the rehabilitation of low and moderate income rental housing for energy conservation purposes. In particular, the study shall focus on the financial impact of rehabilitation and energy conservation programs on tenants. The director shall also include in the report to the legislature his recommendations for additional legislation for energy conservation programs for low and moderate income rental housing, and for methods of protecting tenants from unreasonable costs as a result of such programs. The spending limit on general administrative cost of housing finance agency programs for fiscal years 1978 and 1979 shall be increased by the amount of the funds appropriated by this subdivision.

Sec. 24. [EFFECTIVE DATE.] This act shall be effective the day after enactment. Section 11 shall be effective for assessments made for taxes levied in 1978 and payable in 1979 and thereafter."

Subd. 3. As a condition of receiving any moneys from the state elections campaign fund, a candidate shall agree by stating in writing to the board that (a) his expenditures and approved expenditures shall not exceed the expenditure limits as set forth in section 10A.25 and that (b) he shall not accept contributions or allow approved expenditures to be made on his behalf for the period beginning with January 1 of the election year or with the registration of his principal campaign committee, whichever occurs later, and ending December 31 of the election year, which aggregate contributions and approved expenditures exceed the difference between the amount which may legally be expended by him or on his behalf, and the amount which he receives from the state elections campaign fund. The agreement, insofar as it relates to the expenditure limits set forth in section 10A.25, remains effective until the dissolution of the principal campaign committee of the candidate or the opening of filings for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first. Beginning in 1980, money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought shall be considered contributions accepted by that candidate in that year for the purposes of this subdivision. Notwithstanding the effective date of this section, for 1978, the period for determining the aggregate con-

That amount of all contributions accepted by a candidate in an election year which equals the amount of noncampaign disbursements made by that candidate in that year, *and the amount of contributions received and approved expenditures made between January 1, 1978, and February 28, 1978 which equals the amount of expenditures made between January 1, 1978, and February 28, 1978, for goods consumed and services used before February 28, 1978,* shall not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision. Any amount by which his aggregate contributions and approved expenditures agreed to under clause (b) exceed the difference shall be returned to the state treasurer in the manner provided in subdivision 2. In no case shall the amount returned exceed the amount received from the state elections campaign fund.

The candidate may submit his signed agreement to the filing officer on the day he files his affidavit of candidacy or petition to appear on the ballot, or he may submit the agreement to the board no later than September 1.

The board prior to the first day of filing for office shall forward forms for the agreement to all filing officers. The filing officer shall without delay forward signed agreements to the board. An agreement may not be rescinded after September 1.

For the purposes of this subdivision only, the total amount to be distributed to each candidate is calculated to be his share of the total estimated funds in his party account as provided in subdivision 3a, plus the total amount estimated as provided in subdivision 3a to be in the general account of the state elections campaign fund and set aside for that office divided by the number of candidates whose names are to appear on the general election ballot for that office. If for any reason the amount actually received by the candidate is greater than his share of the estimate, and his contributions thereby exceed the difference, the agreement shall not be considered violated.

(c) 4 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(6) 1 cent per taxable ton to the state.

(7) 3 cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. Of this amount, one cent per taxable ton is to be used to provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 60 issued on June 12, 1970, which does not contain a municipality qualifying pursuant to section 273.134.

(8) the amounts determined under clauses (4) (a), (4) (c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(9) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (8) and parts (a), (b), (c), and (d) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1978,

1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

(d) (IN 1978 AND 1979, \$150,000 SHALL BE DISTRIBUTED TO THE DEPARTMENT OF REVENUE FOR THE PURPOSE OF ADMINISTERING SECTION 298.48. IN 1980 AND EACH YEAR THEREAFTER, \$100,000 SHALL BE DISTRIBUTED TO THE DEPARTMENT OF REVENUE.) On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in

which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4)(c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

The crime control planning board shall provide by rule the application form, procedures for making application form, criteria for review of the application, and kinds of contributions in addition to cash that qualify as local matching money. No grant to any agency shall exceed \$25,000.

CONFERENCE COMMITTEE REPORT ON H. F. NO. 1943

A bill for an act relating to fire and related insurance; permitting cancellation of fire and related insurance policies only under certain circumstances; requiring notice of reason for cancellation or nonrenewal; amending Minnesota Statutes 1976, Section 65A.01, by adding subdivisions.

March 20, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1943, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and H. F. No. 1943 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 65A.01, Subdivision 1, is amended to read:

65A.01 [MINNESOTA STANDARD FIRE INSURANCE POLICY.] Subdivision 1. [DESIGNATION AND SCOPE.] The printed form of a policy of fire insurance, as set forth in subdivision 3 and section 2 of this act, shall be known and designated as the "Minnesota Standard Fire Insurance Policy" to be used in the state of Minnesota. No policy or contract of fire insurance shall be made, issued or delivered by any insurer including reciprocals or inter-insurance exchanges or any agent or representative thereof, on any property in this state, unless it shall provide the specified coverage and conform as to all provisions, stipulations, and conditions, with such form of policy, except as provided in section 65A.06. Any policy or contract otherwise subject to the provisions of this subdivision (AND), subdivision 3 and section 2 of this act which includes either on an unspecified basis as to coverage or for a single premium, coverage against the peril of fire and coverage against other perils may be issued without incorporating the exact language of the Minnesota Standard Fire Insurance Policy, provided: Such policy or contract shall, with respect to the peril of fire, afford the insured all the

rights and benefits of the Minnesota Standard Fire Insurance Policy and such additional benefits as the policy provides; the provisions in relation to mortgagee interests and obligations in said Minnesota Standard Fire Insurance Policy shall be incorporated therein without change; such policy or contract is complete as to its terms of coverage; and, the commissioner is satisfied that such policy or contract complies with the provisions hereof.

Sec. 2. Minnesota Statutes 1976, Section 65A.01, is amended by adding a subdivision to read:

Subd. 3a. (1) There shall be printed in the policy or an endorsement attached to the policy a printed form in the following words:

When this policy has been issued to cover buildings used for residential purposes other than a hotel or motel and has been in effect for at least six months, or if it has been renewed, this policy shall not be cancelled, except for one or more of the following reasons which shall be stated in the notice of cancellation:

- (a) Nonpayment of premium;*
- (b) Misrepresentation or fraud made by or with the knowledge of the insured in obtaining the policy or in pursuing a claim thereunder;*
- (c) An act or omission of the insured which materially increases the risk originally accepted;*
- (d) Physical changes in the insured property which are not corrected or restored within a reasonable time after they occur and which result in the property becoming uninsurable; or*
- (e) Nonpayment of dues to an association or organization, other than an insurance association or organization, where payment of dues is a prerequisite to obtaining or continuing the insurance.*

Provided, however, that this limitation on cancellation shall not apply to additional coverages in a divisible policy, other than a policy of fire and extended coverage insurance. If this company cancels the additional coverages, it may issue a new, separate fire policy at a premium calculated on a pro rata basis for the remaining period of the original policy.

(2) The provisions of clause (1)(e) shall not be included in the language of the policy or endorsement unless the payment of dues to an association or organization, other than an insurance association or organization, is a prerequisite to obtaining or continuing the insurance.

Sec. 3. Minnesota Statutes 1976, Section 65A.01, is amended by adding a subdivision to read:

Subd. 6. When policies covered by section 65A.01 are subject to limitations or cancellation as provided in section 2 of this act, the notice of cancellation shall include a statement of the reason for cancellation in a sufficiently clear and specific form so that an insured of reasonable intelligence will be able to identify the basis for the company's cancellation without making further inquiry."

Further, amend the title as follows:

Page 1, line 7, after the comma insert "Subdivision 1, and".

We request adoption of this report and repassage of the bill.

CONFERENCE COMMITTEE REPORT ON H. F. NO. 1736

A bill for an act relating to state-leased buildings and sites for state meetings; concerning the handicapped; requiring state-leased buildings and sites for state meetings to be accessible to the handicapped; amending Minnesota Statutes 1976, Section 471.467, by adding subdivisions.

March 21, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1736, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1736 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 16.84, is amended by adding subdivisions to read:

Subd. 7. "Public building" means any building and the grounds appurtenant thereto, the cost of which is paid for by the state of Minnesota or any governmental subdivision thereof, or any agency of the state or of any governmental subdivision, or school district.

Subd. 8. "Physically handicapped" means sight disabilities, hearing disabilities, disabilities of incoordination, disabilities of aging, and any other disability that significantly reduces mobility, flexibility, coordination, or perceptiveness.

Subd. 9. "Remodeling" means deliberate reconstruction of an existing public building in whole or in part in order to bring it up to date in conformity with present uses of the structure and to which other rules on the upgrading of health and safety provisions are applicable.

Sec. 2. Minnesota Statutes, 1977 Supplement, Section 16.85, is amended to read:

16.85 [GENERAL POWERS OF COMMISSIONER, STATE BUILDING CODE.] Subdivision 1. Subject to the provisions of sections 16.83 to 16.867, the commissioner shall by rule establish a code of standards for the construction, reconstruction, alteration, and repair of state-owned buildings, governing matters of structural materials, design and construction, fire protection, health, sanitation, and safety. *The code shall also provide for making public buildings constructed or remodeled after July 1, 1963, accessible to and usable by physically handicapped persons; provided that this shall not require the remodeling of public buildings solely to provide accessibility and usability to the physically handicapped when remodeling would not otherwise be undertaken.* The commissioner may amend the code from time to time as provided in sections 16.83 to 16.867. The code and any amendment thereof shall conform insofar as practicable to model building codes generally accepted and in use throughout the United States. In the preparation of the code consideration shall be given to the existing state-wide specialty codes presently in use in the state of Minnesota. Such model codes with modifications as may be deemed necessary and state-wide specialty codes may be adopted by reference. The code so promulgated and any amendments thereof shall be based on the application of scientific principles, approved tests, and professional judgment; and to the extent that it is practical so to do the code shall be promulgated in terms of desired results instead of the means of achieving such results, avoiding wherever possible the incorporation of specifications of particular methods or materials. To that end the code shall encourage the use of new methods and new materials. *Except as otherwise provided in sections 16.83 to 16.867, the commissioner shall administer and enforce the provisions of those sections.*

The code shall require that any parking ramp or other parking facility constructed in accordance with the code include an appropriate number of spaces suitable for the parking of motor vehicles having a capacity of seven to 16 persons and which are principally used to provide prearranged commuter transportation of employees to or from their place of employment or to or from a transit stop authorized by a local transit authority.

The code shall require that all dwellings, lodging houses, apartment houses, and hotels as defined in section 299F.362 comply with the provisions of section 299F.362.

Subd. 1a. Construction or remodeling shall not be commenced on any public building owned by the state of Minnesota until the plans and specifications of the public building have been approved by the commissioner. In the case of any other public building the plans and specifications thereof shall be submitted to the commissioner for review, and within 30 days after his receipt thereof he shall notify the submitting authority of his recommendations if any.

Subd. 1b. No agency of the state may lease space for agency operations in a non-state owned building, unless the building satisfies the requirements of the state building code for accessibility by the physically handicapped, or is eligible to display the state symbol of accessibility. This limitation shall apply in respect to leases of thirty days or more for space of at least 1,000 square feet commencing on or after July 1, 1980.

Subd. 1c. After July 1, 1979, meetings or conferences attended by the public and sponsored by a state agency in non-publicly owned buildings shall be held in buildings that either meet the state building code requirements relating to accessibility for the physically handicapped or are eligible to display the state symbol for accessibility.

Subd. 1d. The commissioner of administration may grant an exemption from the requirements of subdivisions 1b and 1c if reasonable efforts were made to secure facilities which complied with the requirements of subdivision 1b and if the selected facilities are the best available for access for handicapped persons.

Sec. 3. [TEMPORARY PROVISION.] *Persons, appropriations and materials in respect to those functions in the office of state fire marshal transferred by this act shall be transferred by the commissioners of administration and finance, as appropriate, from the state fire marshal to the commissioner of administration.*

Sec. 4. [REPEALER.] *Minnesota Statutes 1976, Sections 299F.41, 299F.42, 299F.43, 299F.44 and 299F.45 are repealed.*

Sec. 5. [EFFECTIVE DATE.] *This act is effective July 1, 1978."*

Further, amend the title by striking it in its entirety and inserting:

"A bill for an act relating to publicly-owned buildings; providing for access and usability by physically handicapped persons; requiring leased space and state agency meetings to be accessible; transferring enforcement from the state fire marshal to the commissioner of administration; amending Minnesota Statutes 1976, Section 16.84 by adding subdivisions; and Minnesota

We request adoption of this report and repassage of the bill.

124.564 [POST-SECONDARY VOCATIONAL DEBT SERVICE AID.] *Subdivision 1. The state board for vocational education shall provide, for credit against the debt service levy of qualifying districts, post-secondary vocational debt service aid equal to the state portion of debt service costs. The state portion of debt service costs shall equal the amount necessary to make payments due in each school year ending June 30 with respect to qualifying bonds issued to finance post-secondary vocational facilities and interest thereon, multiplied by the average of the district's nonresident reimbursement percentage pursuant to Minnesota Statutes 1974, Section 121.21, Subdivision 5, in fiscal years ended June 30, 1973, 1974, and 1975. For purposes of the computation of debt service aid, qualifying bonds shall include only:*

(a) *bonds issued prior to January 1, 1978;*

(b) *bonds issued after January 1, 1978, to finance post-secondary vocational facilities projects which receive funds appropriated in section 8 of this act; and*

(c) *bonds issued at any time to refund the bonds described in (a) and (b). No district shall qualify for this post-secondary vocational debt service aid unless it has certified a levy in the total amount required by section 475.61, for collection in the calendar year in which the aid credit is to be given.*

Subd. 2. There shall be no post-secondary vocational debt service aid for the state portion of debt service costs for bonds issued on or after January 1, 1978 to finance post-secondary vocational facilities and interest thereon, unless these bonds are issued to finance post-secondary vocational facilities projects which receive funds appropriated in section 8 of this act.

Subd. 3. Post-secondary vocational debt service aid shall be computed each year before October 1 (, COMMENCING OCTOBER 1, 1976,) by the state board for vocational education (WITH REFERENCE TO EACH SCHOOL DISTRICT BOND ISSUE FINANCING POST-SECONDARY VOCATIONAL FACILITIES) as (A) the percentage specified in subdivision 1 of the sum of the (BONDS) principal and interest (TO) on qualifying bonds which will become due in the school year commencing on the following July 1.

Subd. 4. The amount for each school district shall be certified by the board on or before October 1 to the school district, and to the county auditors of all counties containing taxable property within the school district, and to the state commissioner of finance. This amount shall be deducted by the county auditors from the amount of the debt service levies of the school district to be assessed and extended against the taxable property therein for collection in the following year, and shall be payable instead from the appropriation made by this section.

Subd. 5. The commissioner of finance shall issue to the state treasurer warrants for payment of one-half of the amount to the treasurer of the school district on or before July 15 and one-half thereof on or before November 15 in the following year, in lieu of the distributions of this amount otherwise payable by county treasurers at these times under the provisions of section 276.11.

Subd. 6. The amount (OF \$7,500,000) necessary is annually appropriated from the general fund to the respective districts entitled to these payments, for expenditure in fiscal years beginning with fiscal year 1978. This appropriation shall not lapse until and unless otherwise provided by law, but shall be reduced by the amount of any funds specifically appropriated for the same purpose in any year from any state fund. In the event that the appropriation is revoked in any future year, the state board

for vocational education shall certify this fact to each school district theretofore entitled to an aid credit under this subdivision.

Subd. 7. The appropriation heretofore made for post-secondary vocational debt service aid payable in the school year ending June 30, 1977, is confirmed, and the board shall continue to provide for the payment of debt service aids therefrom at or before the due dates of school district bonds and interest in that school year. In addition, the state board for vocational education shall pay to districts which expended cash balances to finance the construction of new post-secondary vocational facilities and which the state board prior to May 15, 1975 agreed to repay for these expenditures the amount of the repayment specified in the agreement. Funds received in repayment shall revert to the fund of origin in the district.

Sec. 29. [REPEALER.] *Minnesota Statutes, 1977 Supplement, Sections 16.015 and 16.016 are repealed.*

The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 2137, report that we have agreed upon the items in dispute and recommend as follows:

Strike everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1976, Section 105.42, Subdivision 2, is amended to read:

Subd. 2. Nothing in this section shall prevent the owner of any dam, reservoir, control structure, or waterway obstruction from instituting repairs which are immediately necessary in case of emergency. However, the owner shall notify the commissioner at once of the emergency and of the emergency repairs being instituted and, as soon as practicable, shall apply for a permit for the emergency repairs and any necessary permanent repairs. Nothing in this section shall apply to routine maintenance, not affecting the safety of the structures.

In case of an emergency where the commissioner declares that repairs or remedial action is immediately necessary to safeguard life and property, the repairs, *remedial action*, or *both*, shall be started immediately by the owner.

Sec. 2. Minnesota Statutes 1976, Section 105.482, Subdivision 2, is amended to read:

Subd. 2. [DEFINITION.] For the purposes of this section, the term “local governmental unit” means (A COUNTY OR CITY) *any political subdivision of the state*, or *any two or more of these (UNITS) subdivisions acting jointly*.

Sec. 4. Minnesota Statutes 1976, Section 105.52, is amended to read:

105.52 [EXAMINATION AND REPAIR OF DAMS AND RESERVOIRS.] Upon complaint or upon his own initiative, the commissioner is authorized to examine any reservoir, dam, control structure, or waterway obstruction. *In so doing the commissioner or his authorized agent shall be granted access at any reasonable time to examine the reservoir, dam, control structure, or waterway obstruction.* If the commissioner determines that additional engineering investigations are necessary in order to determine the safety of the dam, reservoir, control structure, or waterway obstruction and the nature and extent of the necessary repairs or alterations, he shall notify the owner thereof to cause such investigations to be made at the owner's expense and filed with the commissioner for his use in determining the condition of the structures and the need for the repair, alteration or removal thereof. If the commissioner determines that such reservoir, dam, control structure, or waterway obstruction is unsafe or needs repair or alteration, he shall notify the owner thereof to repair, alter, or remove the same as the exigencies of the case may require, and shall issue an order to that effect in the same manner and subject to the same conditions as if the owner had made application for permit for the said repairs, alterations, or removal. The engineering investigations or the work of repair, alteration, or removal shall be commenced and completed within such reasonable time as may be prescribed by the commissioner.

Nothing in sections 105.37 to 105.55 shall (APPLY TO) *authorize the commissioner to require a permit for the original construction of dams, reservoirs or control works in existence on and prior to July 1, 1937 (, EXCEPT AS MAY BE NECESSARY TO PROTECT THE HEALTH AND SAFETY OF THE PEOPLE OF THE STATE).*

Sec. 7. [APPROPRIATION.] *There is appropriated from the general fund to the commissioner of natural resources the sum of \$200,000 for the fiscal year ending June 30, 1979 for the examination of dams, reservoirs, control structures, and waterway obstructions. March 22, 1978

The Honorable Edward J. Gearty
President of the Senate
The Honorable Martin O. Sabo
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1943, report that we have agreed upon the items in dispute and recommend as follows:

That the house recede from its amendments and S. F. No. 1943 be amended as follows:

Strike everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1976, Section 88.01, is amended by adding a subdivision to read:

Subd. 23. [OPEN FIRE.] “Open fire” means a fire burning in matter, whether concentrated or dispersed, which is not contained within a fully enclosed firebox, structure or vehicle and from which the products of combustion are emitted directly to the open atmosphere without passing through a stack, duct or chimney.

Sec. 2. Minnesota Statutes 1976, Section 88.10, is amended to read:

88.10 [FIGHTING FOREST FIRES, AUTHORITY OF STATE FOREST OFFICERS.] Subdivision 1. Under the direction of the commissioner, forest officers are charged with

preventing and extinguishing forest fires in their respective districts and the performance of such other duties as may be required by him. They may arrest without warrant any person found violating any provisions of sections 88.03 to (88.21) 88.22, take him before a court of competent jurisdiction in the county charging the person so arrested, and the person so charged shall be arraigned and given a hearing on the complaint. The forest officers shall not be liable in civil action for trespass committed in the discharge of their duties. All authorized state forest officers, including rangers, guards, township fire wardens, smoke chasers, fire foremen or individuals legally employed as fire fighters, may in the performance of their duties of fire fighting go onto the property of any person, company, or corporation and in so doing may set backfires, dig or plow trenches, cut timber for clearing fire lines, dig water holes, remove fence wires to provide access to the fire or carry on all other customary activities necessary for the fighting of forest, prairie or brush fires without incurring a liability to anyone, except for damages arising out of wilful or gross negligence.

Subd. 2. Any forest officer may serve any warrant for the arrest of any person violating any provision of sections 88.03 to (88.21) 88.22 and for that purpose all forest officers are hereby vested with the same powers as constables or other similar officers of the courts issuing such warrants.

Sec. 3. Minnesota Statutes 1976, Section 88.16, is amended to read:

88.16 [STARTING FIRES; CAMPFIRE; INCINERATORS; BURNING BAN.] Subdivision 1. *Except as provided in subdivision 2*, it shall be unlawful, when the ground is not snow-covered, in any place where there are standing or growing native coniferous trees, or in areas of ground from which (NATIVE) *natural* coniferous trees have been cut, or where there are slashings of such trees, or native brush, timber, slashings thereof, or excavated stumps, or where there is peat or peat roots excavated or growing, to start or have any open fire (, OR ANY BACK FIRE,) without the written permission of the commissioner (,) or other authorized forest officer.

Subd. 2. *No permit is required for the following open fires:*

(a) *A cooking or warming fire contained in a fireplace, fire-ring, charcoal grill, portable gas or liquid fueled camp stove or other similar container or device designed for the purpose of cooking or heating, or if the area within a radius of five feet of the fire is reasonably clear of all combustible material.*

(b) *The burning of grass, leaves, rubbish, garbage, branches, and similar combustible material in an approved incinerator. An approved incinerator shall be constructed of fire*

resistant material, have a capacity of at least three bushels, be maintained with a minimum burning capacity of at least two bushels, and have a cover which is closed when in use and openings in the top or sides of one inch maximum diameter. No combustible material shall be nearer than three feet to the burner or incinerator when in use.

Subd. (2) 3. The occupant of any premises upon which any unauthorized fire is burning in the vicinity of forest lands, whether the fire was started by him or otherwise, shall promptly report the fire to the commissioner, or to the nearest forest officer or fire warden. Failure to make this report shall be deemed a violation of sections 88.03 to (88.21) 88.22 and the occupant of the premises shall be deemed prima facie guilty of negligence if the unreported fire spreads from the premises to the damage, loss, or injury of the state or any person.

Sec. 4. Minnesota Statutes 1976, Section 88.17, is amended to read:

88.17 [PERMISSION TO START FIRES; PROSECUTION FOR UNLAWFULLY STARTING FIRES.] Subdivision 1. Permission to set fire to any grass, stubble, peat, brush, raking of leaves, rubbish, garbage, branches, slashings or woods for the purpose of cleanup, clearing and improving land or preventing other fire shall be given whenever the same may be safely burned, upon such reasonable conditions and restrictions as the commissioner may prescribe, to prevent same from spreading and getting beyond control. This permission shall be in the form of a written permit signed by a regular forest officer or some other suitable person to be designated by him, as town fire warden, these permits to be on forms furnished by the commissioner. (THE COMMISSIONER, OR ANY OF HIS AUTHORIZED ASSISTANTS, MAY AT HIS DISCRETION IN CASES OF EXTREME DANGER REFUSE, REVOKE, OR POSTPONE THE USE OF PERMITS TO BURN WHEN SUCH ACT IS CLEARLY NECESSARY FOR THE SAFETY OF LIFE AND PROPERTY.) Any person setting any fire or burning anything under such permit shall keep the permit on his person while so engaged and produce and exhibit the permit to any forest officer, when requested to do so. (NO PERMIT IS REQUIRED FOR THE BURNING OF GRASS, LEAVES, RUBBISH, GARBAGE, BRANCHES AND SIMILAR COMBUSTIBLE MATERIAL UNDER THE FOLLOWING CONDITIONS: (1) THE MATERIAL SHALL BE BURNED WITHIN AN INCINERATOR OR BURNER CONSTRUCTED OF FIRE RESISTANT MATERIAL HAVING A CAPACITY OF NOT LESS THAN THREE BUSHELS AND MAINTAINED WITH A MINIMUM BURNING CAPACITY OF NOT LESS THAN TWO BUSHELS, A COVER WHICH IS CLOSED WHEN IN USE, AND MAXIMUM OPENINGS IN THE TOP OR SIDES NO GREATER THAN ONE INCH IN DIAMETER; AND (2) NO COMBUSTIBLE MATERIAL SHALL BE NEARER THAN THREE

FEET TO THE BURNER OR INCINERATOR WHEN IT IS IN USE.)

Subd. 2. In any prosecution under sections 88.03 to (88.21) 88.22 for unlawfully starting or setting or having or permitting the continuation or spread of any fire or back-fire, proof upon the part of the prosecution that such fire or back-fire originated upon, or was permitted to burn upon, or that it spread from, lands or premises occupied by the person charged with the offense, and that this person had knowledge of the fire and made no effort to put it out, shall be prima facie evidence that he is guilty. The burden of proof as to any matter in refutation of this prima facie guilt, or in extenuation or excuse, shall be and rest upon the person so appearing prima facie to be guilty.

Sec. 5. Minnesota Statutes 1976, Section 88.22, is amended to read:

88.22 [FOREST FIRE PREVENTION; CLOSING FOREST ROADS AND TRAIL; PROHIBITING OPEN FIRES AND SMOKING; REGULATING PRIVATE AND PUBLIC DUMPING AREAS; PENALTIES.] *Subdivision 1.* When the commissioner of natural resources shall determine that conditions conducive to forest fire hazards exist in the forest areas of the state and that the presence of persons in the forest areas tends to aggravate forest fire hazards, render forest trails impassable by driving thereon during wet seasons and hampers the effective enforcement of state timber trespass and game laws, he may by written order, close any road or trail leading into any land used for any conservation purposes, to all modes of travel except that considered essential such as residents traveling to and from their homes or in other cases to be determined by the authorized forest officers assigned to guard the area. The commissioner may also, upon such determination, by written order, (PROHIBIT THE BUILDING OF ALL CAMPFIRES EXCEPT BY PERMIT ISSUED BY AN AUTHORIZED OFFICER) *suspend the issuance of permits for open fires, revoke or suspend the operation of a permit previously issued and, to the extent he deems necessary, prohibit the building of all or some kinds of open fires in all or any part of a forest area regardless of whether a permit is otherwise required;* and the commissioner also may, by written order, prohibit smoking except at places of habitation or automobiles or other enclosed vehicles properly equipped with an efficient ash tray.

Subd. 2. The commissioner may close any public or private dumping area, by posting such area as closed to dumping, whenever he deems it necessary for the prevention of forest fires. Thereafter no person shall deposit refuse of any kind within or adjacent to such closed area, or along the road leading thereto.

The commissioner shall establish such minimum standards governing public and private dumping areas as he deems necessary for the prevention of forest fires.

Subd. 3. Any violations of this section shall constitute a misdemeanor.

Sec. 6. Minnesota Statutes 1976, Section 88.73, is amended to read:

88.73 [ADMINISTRATION; DELEGATED POWERS AND DUTIES.] The director is hereby empowered and directed to administer and enforce sections 88.03 to (88.21) *88.22*; and, to that end, he may make and enforce all necessary or convenient rules and regulations not inconsistent with the provisions and purposes of these sections. In every case the powers delegated to, and the duties imposed upon, the director, and other state or municipal representatives by sections 88.03 to (88.21) *88.22* shall be exercised and performed in good faith, without undue oppression, and in a manner as reasonable as the exigencies of the situation will permit.

Nothing in sections 88.03 to (88.21) *88.22* shall be construed as abrogating the laws specifically governing state parks or other public parks, or state or municipal forests. The provisions of all such laws and of sections 88.03 to (88.21) *88.22* shall be harmonized and both given effect wherever possible.

Nothing in sections 88.03 to (88.21) *88.22* shall be construed as restricting the state, or any political subdivision thereof, in the exercise of any power, right, or privilege which may be conferred by separate enactment of the legislature under authority of the so-called forest fire prevention amendment to the State Constitution, approved by vote of the electors of this state at the general election held in November, 1924.

Sec. 7. Minnesota Statutes 1976, Section 88.75, Subdivision 1, is amended to read:

88.75 [VIOLATIONS; PENALTIES.] Subdivision 1. Any person who violates any of the provisions of sections 88.03 to (88.21) *88.22* for which no specific penalty is therein prescribed shall be guilty of a misdemeanor and be punished accordingly.

Failure by any person to comply with any provision or requirement of sections 88.03 to (88.21) *88.22* to which such person is subject shall be deemed a violation thereof.

Any person who violates any provisions of sections 88.03 to (88.21) *88.22*, in addition to any penalties therein prescribed, or hereinbefore in this section prescribed, for such violation, shall also be liable in full damages to any and every person suffering loss or injury by reason of such violation, including liability to the state, and any of its political subdivisions, for all expenses incurred in fighting or preventing the spread of, or extinguishing, any fire caused by, or resulting from, any violation

of these sections. When a fire set by any person spreads to and damages or destroys property belonging to another, the person setting the fire shall be prima facie guilty of negligence in setting and allowing the same to spread.

At any time the state, or any political subdivision thereof, either of its own motion, or at the suggestion or request of the director, may bring an action in any court of competent jurisdiction to restrain, enjoin, or otherwise prohibit any violation of sections 88.03 to (88.21) 88.22, whether therein described as a crime or not, and likewise to restrain, enjoin, or prohibit any person from proceeding further in, with, or at any timber cutting or other operations without complying with the provisions of those sections, or the requirements of the director pursuant to thereto; and the court may grant such relief, or any other appropriate relief, whenever it shall appear that the same may prevent loss of life or property by fire, or may otherwise aid in accomplishing the purposes of sections 88.03 to (88.21) 88.22.

Sec. 8. Minnesota Statutes 1976, Section 88.76, is amended to read:

88.76 [REWARDS.] Upon conviction of any person for violating any of the provisions of sections 88.03 to (88.21) 88.22, the director, at his discretion, may pay, from any money placed at his disposal under those sections, a reward of not more than \$25 to the person or persons giving the information leading to such conviction.

Sec. 9. Minnesota Statutes 1976, Section 88.77, is amended to read:

88.77 [DISPOSAL OF FINES AND PENALTIES.] Except as otherwise expressly provided in sections 88.03 to (88.21) 88.22, all moneys received as penalties for violations of the provisions of those sections, less the cost of collection, shall be paid into the treasury of the county in which the penalties for these violations were imposed; provided, that fines collected for violations of those sections, where prosecutions are instituted upon the complaint of town or city officers duly appointed by the director as fire wardens, shall be paid into the treasury of the town or city where the offense was committed.

Sec. 10. Minnesota Statutes 1976, Section 88.78, is amended to read:

88.78 [APPEALS.] No appeal shall be allowed from a judgment in any court of a justice of the peace, or a municipal court, or other similar court, to the district court in any prosecution under sections 88.03 to (88.21) 88.22, unless the person appealing shall, within the time prescribed by law, enter into a recognizance, with sufficient sureties, or deposit cash bail in

twice the amount of the fine and costs, to be approved by the justice, conditioned to appear before the district court on the first day of the next general term thereof to be held in and for the same county, and abide the judgment of the court therein.

The justice or judge may examine the proposed sureties under oath and, in such case, shall make and keep a record of their answers in respect to the kinds and amount of their property not exempt from execution, and he shall furnish a copy of the same to the director.

When an arrest shall have been made for violation of any of the provisions of sections 88.03 to (88.21) 88.22, or when information of such violation shall have been lodged with him, the county attorney of the county in which the offense was committed shall prosecute the accused with diligence and energy.

Sec. 11. [EFFECTIVE DATE.] *This act is effective the day following its final enactment."*

We, the undersigned conferees for H. F. No. 1885, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and H. F. No. 1885 be amended as follows:

Strike everything after the enacting clause and insert:

[LEVY OF TAX.] Counties, cities (,) and towns (, AND SCHOOL DISTRICTS) are authorized, if necessary, to levy, over and above tax levy limitations for other governmental purposes, an amount sufficient to pay the expense of a post-audit by the state auditor.

A school district is authorized to levy an amount sufficient to pay for the expense of a post-audit by the state auditor if the audit is performed at the discretion of the state auditor pursuant to section 6.51 or if the audit has been requested through a petition by freeholders pursuant to section 6.54. A school district is not authorized to levy these amounts if the post-audit by the state auditor is requested by the school board pursuant to section 6.55.

Sec. 2. Minnesota Statutes 1976, Chapter 120, is amended by adding a section to read:

[120.075] *Any pupil who, pursuant to the provisions of Minnesota Statutes 1976, Section 120.065, or Minnesota Statutes, 1977 Supplement, Section 123.39, Subdivision 5a, was enrolled on January 1, 1978, in a school district of which he was not a resident may continue in enrollment in that district. If the pupil attends a public school located in a contiguous district and the district of attendance does not provide special instruction and services, the district of residence shall provide necessary transportation for the pupil between the boundary of the district of residence and the educational facility where special instruction and services are provided within the district of residence. The district of residence may provide necessary transportation for the pupil between its boundary and the school attended in the contiguous district, but shall not pay the cost of transportation provided outside the boundary of the district of residence.

If the district to be dissolved is divided by the interlocutory order of dissolution and attachment, the commissioner shall, within 30 days after the interlocutory order is issued, issue his order for the distribution of its current assets and liabilities, real and personal. If the commissioner's order provides for the transfer of an interest in real estate to a district, this order may also impose a dollar amount as a claim against that district in favor of other districts and this claim shall be paid and enforced in the manner provided by law for the payment of judgments against a district. The obligations of districts to the teachers employed by the dissolved district shall be governed by the provisions of section 122.532.

The resolution or petition shall show the approximate area proposed for consolidation. The resolution or petition may propose either that the bonded debt of the component districts will be paid according to the levies previously made for that debt under chapter 475, as provided in subdivision 16a, or that the taxable property in the newly created district will be taxable for the payment of the bonded debt previously incurred by any component district as provided in subdivision 16b. The resolution or petition may also propose that the board of the newly created district consist of seven members, and may also propose the establishment of separate election districts from which school board members will be elected, the boundaries of these election districts, and the initial term of the member elected from each of these election districts. If more than one request for a plat is received by a county auditor and the requests involve parts of identical districts, he shall forthwith prepare a plat which in his opinion best serves the educational interests of the inhabitants of the districts or areas affected. The plat shall show:

(a) Boundaries of the proposed district, as determined by the county auditor, and present district boundaries,

(b) The location of school buildings in the area proposed as a new district and the location of school buildings in adjoining districts,

Sec. 21. Minnesota Statutes 1976, Section 122.23, Subdivision 6, is amended to read:

Subd. 6. The state board shall, upon receipt of a plat, forthwith examine it and approve, modify or reject it. *The state board shall also approve or reject any proposal contained in the*

resolution or petition regarding the disposition of the bonded debt of the component districts. If the plat shows the boundaries of proposed separate election districts and if the state board modifies the plat, the state board shall also modify the boundaries of the proposed separate election districts. Prior thereto the state board or a member thereof or the commissioner or assistant commissioner as designated by the state board shall conduct a hearing at the nearest county seat in the area upon reasonable notice to the affected districts and county boards if requested within 20 days after submission of the plat. Such a hearing may be requested by the board of any affected district, a county board of commissioners, or the petition of 20 resident voters living within the area proposed for consolidation. (IT) The state board shall endorse (THEREON) on the plat its action regarding any proposal for the disposition of the bonded debt of component districts and its reasons for its actions and within 60 days of the date of the receipt of the plat, it shall return it to the county auditor who submitted it. (HE) The state board shall furnish a copy of that plat, and the supporting statement and (HIS) its endorsement to the auditor of each county containing any land area of the proposed new district. If land area of a particular county was included in the plat, as submitted by the county auditor, and all of such land area is excluded in the plat as modified and approved, the state board shall also furnish a copy of the modified plat, supporting statement, and (HIS) its endorsement to the auditor of such county.

Sec. 22. Minnesota Statutes 1976, Section 122.23, Subdivision 13, is amended to read:

Subd. 13. If a majority of the votes cast on the question at the election approve the consolidation, and if the necessary approving resolutions of boards entitled to act on the plat have been adopted, the county auditor shall, within ten days of the election *or of the expiration of the period during which an election can be called*, issue his order setting a date (NOT LATER THAN JULY 1 NEXT FOLLOWING THE ELECTION) for the effective date of the change. *The effective date shall be at least three months after the day when the date must be set, and shall be July 1 of an odd-numbered year.* He shall mail or deliver a copy of such order to each auditor holding a copy of the plat and to the clerk of each district affected by the order and to the commissioner. If the election fails, the proceedings are terminated and the county auditor shall so notify the commissioner and the auditors and the clerk of each school district affected.

Sec. 23. Minnesota Statutes 1976, Section 122.23, Subdivision 15, is amended to read:

Subd. 15. If no district is divided by virtue of the proceedings, all of the assets, real and personal, of the districts involved and all legally valid and enforceable claims and contract obliga-

tions of the districts pass to the new district, *except as provided in section 122.532*. If a district is divided by virtue of the proceedings, upon receipt of the order of the commissioner, the auditor of the county containing the greatest land area of the new district shall present a copy of the plat and supporting statement and orders issued in the proceedings to the commissioner, together with such information as is available to him concerning the assets and liabilities not secured by bonds of each district, any part of which is included in the newly created district. Thereafter within 30 days the commissioner shall issue his order providing for a division of the assets and liabilities of the districts involved and apportioning and dividing these assets and liabilities according to such terms as he may deem just and equitable. In making this division of assets and liabilities, the commissioner may consider the amount of bonded debt to be assumed by property in each area under the provisions of this section. If the order of consolidation transfers any real estate interest to the new district or to another district, the order apportioning assets and liabilities may impose a dollar claim on the district receiving the real estate in favor of any other district involved in an amount not exceeding the reasonable value of the real estate interest involved, which claim shall be paid in the manner provided by law for the enforcement of judgments.

Sec. 24. Minnesota Statutes 1976, Section 122.23, Subdivision 16, is amended to read:

Subd. 16. As of the effective date of the consolidation, *the bonded debt of all component districts shall be paid according to the plan for consolidation proposed in the approved plat, pursuant to the provisions of subdivision 16a or 16b, as applicable.*

Subd. 16a. If the plan for consolidation so provides, the bonded debt of all component districts shall be paid according to levies previously made for that debt under chapter 475. In this case, the obligation of the taxable property in the component districts with reference to the payment of such bonded debt is not affected by the consolidation.

Subd. 16b. If the plan for consolidation so provides or makes no provision for the disposition of bonded debt, all the taxable property in the newly created district is taxable for the payment of any bonded debt theretofore incurred by any component district in the proportion which the assessed valuation of that part of a pre-existing district which is included in the newly created district bears to the assessed valuation of the entire pre-existing district as of the time of the consolidation. This apportionment shall be made by the county auditor and shall be incorporated as an annex to the order of the (COUNTY BOARD) commissioner dividing the assets and liabilities of the component parts. This subdivision shall not relieve any property from any tax liability for payment of any bonded obligation but taxable property

in the newly created district becomes primarily liable for the payment of bonded debts to the extent of the proportion stated.

Subd. 16c. The board of the newly created district, when constituted as provided in subdivision 17, may provide for an election of that district on the issuance of bonds, and may issue and sell bonds authorized at such an election, or bonds authorized at an election previously held in any pre-existing district wholly included within the newly created district, or bonds for a purpose for which an election is not required by law. Such actions may be taken at any time after the date of the county auditor's order issued under subdivision 13, and before or after the date upon which the consolidation becomes effective for other purposes, and taxes for the payment of any such bonds shall be levied upon all taxable property in the newly created district; except that no bonds shall be delivered to purchasers until 30 days after the date of the county auditor's order. If within this period a notice of appeal from the county auditor's order to the district court is filed in accordance with section 127.25, no bonds shall be delivered by the newly created district to purchasers until and unless the county auditor's order is affirmed by final order of the district court in such special proceeding, and a period of 30 days from the service of such final order expires without an appeal to the supreme court being commenced or, if an appeal is taken, the order is affirmed by the supreme court; except that if all of the territory of one and only one independent district maintaining a secondary school is included in the newly created district, and if the assessed valuation of taxable property in such territory comprises 90 percent or more of the assessed valuation of all taxable property in the newly created district, the board may issue, sell, and deliver any bonds voted by the pre-existing independent district and any bonds voted or otherwise authorized by the newly created district, notwithstanding the pendency of any such appeal, and such bonds shall be paid by the levy of taxes upon the property within the territory of the pre-existing independent district and within such other areas, if any, as may be finally determined to be properly included within the newly created district. In any election held in the newly created district as authorized in the preceding sentence, all qualified electors residing within the area of that district as defined in the county auditor's order shall be entitled to vote, but the votes cast by residents of former districts or portions of former districts included in such area, other than the independent district maintaining the secondary school, shall be received and counted separately; and the bonds shall not be issued and sold unless authorized by a majority of the votes cast thereon by electors of the independent district maintaining the secondary school, and also by a majority of the votes cast thereon by electors residing within the entire area of the newly created district.

Sec. 25. Minnesota Statutes 1976, Section 122.23, Subdivision 18, is amended to read:

Subd. 18. (a) If no board is provided for under the foregoing provision, upon receipt of the assigned identification number, the county auditor shall determine a date, not less than 20 nor more than 60 days from the date of the receipt by him of the assigned identification number, upon which date shall be held a special election in the district for the purpose of electing a board of six members for terms as follows: two until *the July (FOLLOWING THE NEXT ANNUAL ELECTION) 1 one year after the effective date of the consolidation*, two until the expiration of one year from said July 1, and two until the expiration of two years from said July 1, to hold office until a successor is elected and qualifies according to provisions of law governing the election of board members in independent districts. *If the resolution or petition for consolidation pursuant to subdivision 2 proposed that the board of the newly created district consists of seven members, then seven members shall be elected at this election for the terms provided in this clause except that three members shall hold office until the expiration of two years from said July 1. If the resolution or petition for consolidation pursuant to subdivision 2 proposed the establishment of separate election districts, these members shall be elected from separate election districts according to the provisions of that resolution or petition and of section 123.32.*

(b) The county auditor shall give ten days' posted notice of election in the area in which the election is to be held and also if there be a newspaper published in the proposed new district, one weeks' published notice shall be given. The notice shall specify the time, place and purpose of the election.

(c) The county may pay the election judges not to exceed \$1 per hour for their services.

(d) Any person desiring to be a candidate for a school election shall file an application with the county auditor to have his name placed on the ballot for such office, specifying the term for which the application is made. The application shall be filed not less than 12 days before the election.

(e) The county auditor shall prepare, at the expense of the county, necessary ballots for the election of officers, placing thereon the names of the proposed candidates for each office. The ballots shall be marked and signed as official ballots and shall be used exclusively at the election. The county auditor shall determine the number of voting precincts and the boundaries of each. He shall determine the location of polling places and the hours the polls shall be open. He shall appoint three election judges for each polling place who shall act as clerks of election. Election judges shall certify ballots and results to the county auditor for tabulation and canvass.

(f) Upon canvass and tabulation by the county auditor he shall issue a certificate of election to the candidate for each

office who received the largest number of votes cast for the office. He shall deliver such certificate to the person entitled thereto by registered mail, and each person so certified shall file an acceptance and oath of office with the county auditor within 30 days of the date of mailing of the certificate. A person who fails to qualify prior to the time specified shall be deemed to have refused to serve, but such filing may be made at any time before action to fill vacancy has been taken.

(g) The board of each district included in the new enlarged district shall continue to maintain school therein until (JULY 1 NEXT FOLLOWING, BUT) *the effective date of the consolidation*. Such boards shall have power and authority only to make such contracts (AND), to do such things as are necessary to maintain properly the schools for the period (THEY MAY BE IN SESSION) prior to (SAID FIRST DAY OF JULY) *that date, and to certify to the county auditor according to levy limitations applicable to the component districts the taxes collectible in the calendar year when the consolidation becomes effective.*

(h) It shall be the immediate duty of the newly elected board of the new enlarged district, when the members thereof have qualified and the board has been organized, to plan for the maintenance of the school or schools of the new district for the next school year (AND), to enter into the necessary *negotiations and contracts* for the employment of personnel, purchase of equipment and supplies, and other acquisition and betterment purposes (AND), when authorized by the voters to issue bonds under the provisions of chapter 475; and on (SAID JULY 1) *the effective date of the consolidation* to assume the full duties of the care, management and control of the new enlarged district. The board of the new enlarged district shall give due consideration to the feasibility of maintaining such existing attendance centers and of establishing such other attendance centers, especially in rural areas, as will afford equitable and efficient school administration and assure the convenience and welfare of the pupils residing in the enlarged district. *The obligations of the new board to teachers employed by component districts shall be governed by the provisions of section 122.532.*

Sec. 26. Minnesota Statutes 1976, Chapter 122, is amended by adding a section to read:

[122.531] [LEVY LIMITATIONS OF REORGANIZED DISTRICTS.] *Subdivision 1. As of the effective date of the involuntary dissolution of a district and its attachment to one or more existing districts pursuant to sections 122.32, or 122.41 to 122.52, the authorization for any referendum levy previously approved by the voters of the dissolved district in that district pursuant to section 275.125, subdivision 2a, clause (4), or its predecessor or successor provision, is cancelled. The authorization for any referendum levy previously approved by the voters of a district to which all or part of the dissolved district is*

Subd. 2. As of the effective date of a consolidation pursuant to section 122.23 or the voluntary dissolution of a district and its attachment to one or more existing districts pursuant to section 123.22, the authorization for all referendum levies previously approved by the voters of all affected districts for those districts pursuant to section 275.125, subdivision 2a, clause (4), or its predecessor or successor provision, is cancelled. However, if all of the territory of any independent district is included in the newly created district, and if the adjusted assessed valuation of taxable property in that territory comprises 90 percent or more of the adjusted assessed valuation of all taxable property in a newly created or enlarged district, the board of the newly created or enlarged district may levy the increased amount previously approved by a referendum in the pre-existing independent district upon all taxable property in the newly created or enlarged district. Any new referendum levy shall be certified only after approval is granted by the voters of the entire newly created or enlarged district in an election pursuant to section 275.125, subdivision 2a, clause (4), or its successor referendum provision.

Subd. 3. (1) In the year when any consolidation of districts or dissolution of a district and its attachment to one or more existing districts pursuant to chapter 122 becomes effective, any newly created or enlarged district may levy an amount per pupil unit which is equal to the sum of the products of the amounts per pupil unit levied pursuant to section 275.125, subdivision 6 or 7, in each component district in the previous year times the number of pupil units from that component district who are enrolled in the newly created or enlarged district in the year of the levy, divided by the total number of pupil units in the newly created or enlarged district in the year of the levy.

(2) In each year thereafter, the newly created or enlarged district may levy the same amount per pupil unit as allowed by clause (1).

(3) The provisions of section 275.125, subdivision 6 or 7, shall not apply to any district affected by the provisions of this subdivision.

(4) For purposes of computing allowable levies under this subdivision, pupil units shall include only those units identified in section 124.17, subdivision 1, clauses (1), (2), (6) and (7).

Subd. 4. As of the effective date of a consolidation of districts or the dissolution of a district and its attachment to one or more existing districts pursuant to chapter 166, and subject

to the conditions of section 275.125, subdivision 9a, all the taxable property which is in the newly created or enlarged district and which was previously taxable for the payment of any statutory operating debt theretofore incurred by any pre-existing district of which the taxable property was a part prior to the consolidation or dissolution and attachment shall remain taxable for the payment of that debt and shall not become taxable for the payment of any statutory operating debt theretofore incurred by any pre-existing district of which the taxable property was not a part prior to the consolidation or dissolution and attachment. The amount of statutory operating debt attributable to that taxable property and to the newly created or enlarged district in which it is located, and the amount of a pre-existing district's appropriated fund balance reserve account for purposes of reducing statutory operating debt attributable to the newly created or enlarged district, shall be apportioned according to the proportion which the adjusted assessed valuation of that part of the pre-existing district bears to the total adjusted assessed valuation of the entire pre-existing district at the time of the consolidation or dissolution and attachment. This apportionment shall be made by the county auditor and shall be incorporated as an annex to the order of the commissioner dividing the assets and liabilities of the component districts. As used in this section, "statutory operating debt" shall have the meaning given it in section 121.914.

Sec. 27. Minnesota Statutes 1976, Chapter 122, is amended by adding a section to read:

As of the effective date of any consolidation or the dissolution of any district and its attachment to one or more existing districts, each teacher employed by an affected district shall be assigned to the newly created or enlarged district in which is located the building where that teacher was primarily employed prior to the consolidation or dissolution and attachment.

Subd. 3. The organization certified as the exclusive bargaining representative for the teachers in the particular pre-existing district which employed the largest proportion of the teachers who are assigned to a new employing district according to subdivision 2 shall be certified as the exclusive bargaining representative for the teachers assigned to that new employing district, until that organization is decertified or another organization is certified in its place pursuant to sections 179.61 to 179.77. If no new contract has been executed as of the effective date of the consolidation or dissolution and attachment, the terms and conditions of employment of teachers assigned to the new em-

ploying district shall be temporarily governed by the contract executed by that exclusive bargaining representative and that particular pre-existing district, until a new contract is executed between the newly elected board or the board of the district to which a dissolved district is attached and the exclusive bargaining representative. For purposes of negotiation of a new contract with the board of the new employing district and the certification of an exclusive bargaining representative for purposes of that negotiation, the teachers assigned to that district shall be considered an appropriate unit of employees of that district as of the date the county board orders its interlocutory order of dissolution and attachment to be final and effective or as of the date the commissioner assigns an identification number to a new district created by consolidation. During the school year before the consolidation becomes effective, the newly elected board or the board of the district to which a dissolved district is attached, may place teachers assigned to it on unrequested leave of absence as provided in section 125.12 according to: (a) a plan negotiated in a new master contract between it and the exclusive bargaining representative of the teachers assigned to it, or (b) if no such plan exists, an applicable plan negotiated in the contract which according to this subdivision will temporarily govern the terms and conditions of employment of teachers assigned to it, or (c) if no plan exists pursuant to either (a) or (b), the provisions of section 125.12, subdivision 6b, on the basis of a combined seniority list of all teachers assigned to it.

Subd. 4. Except as provided in this section, the provisions of section 125.12 or 125.17 shall apply to the employment of each teacher by the new employing district on the same basis as they would have applied to his employment if he had been employed by that new district before the effective date of the consolidation or dissolution and attachment. For the purpose of applying the provisions of subdivision 3, clause (b), and the provisions of section 125.12, subdivision 6b, pursuant to this section, a teacher's date of first employment shall be the date he began continuous employment in the pre-existing district which employed him.

These orders shall be paid by the treasurer of the district from district funds after the effective date of the consolidation or dissolution and attachment. Notwithstanding the provisions of section 275.125, the district may, in the year the consolidation or dissolution and attachment*

No district shall issue orders for funds or make a levy pursuant to this subdivision without the commissioner's approval of the expenses to be paid with the funds from the orders and levy.

This subdivision shall not be construed to prohibit a district from providing some or all transportation to its resident pupils by contracting with the other district which has entered the agreement. For purposes of aid calculations pursuant to section 124.222, the commissioner may adjust the base cost per eligible pupil transported to reflect changes in costs resulting from (THE) any agreement which provides for each district to discontinue at least one grade.

In no case shall the additional cost of this transportation be paid by the school district.

The provisions of section 65B.47, subdivision 4, shall be applicable to senior citizens being transported pursuant to this subdivision.

Sec. 38. Minnesota Statutes 1976, Section 124.15, Subdivision 2, is amended to read:

(1) employment in a public school of the district of a teacher who does not hold a valid teaching certificate or permit, or

(3) continued performance by the district of a contract made for the rental of rooms or buildings for school purposes (, OR FOR THE FREE TRANSPORTATION OF CHILDREN TO AND FROM SCHOOL) or for the rental of any facility owned or operated by or under the direction of any private organization, which contract has been disapproved where time for review of the determination of disapproval has expired and no proceeding for review is pending, or

Sec. 39. Minnesota Statutes 1976, Section 124.15, Subdivision 6, is amended to read:

Subd. 6. Reductions in special aid under this section shall be from foundation (PROGRAM) aid. If there is not sufficient foundation (PROGRAM) aid remaining to be paid for the school year in which the violation occurred, the reduction shall be from the other special aids payable to the district for that year in the order in which special state aids are listed in this code. (IF THE VIOLATION IS FOR PERFORMANCE OF A CONTRACT

FOR TRANSPORTATION, WHICH HAS BEEN DISAPPROVED, THE PRIMARY REDUCTION SHALL BE FROM TRANSPORTATION AID. IF REDUCTION IS FOR SEVERAL VIOLATIONS ONE OF WHICH IS CONTINUED PERFORMANCE OF SUCH A CONTRACT, THE TRANSPORTATION AID WILL BE THE PRIMARY FUND FOR REDUCTION IN THE PROPORTION THAT THE VIOLATION FOR PERFORMANCE OF SUCH A CONTRACT BEARS TO THE TOTAL NUMBER OF VIOLATIONS INVOLVED.) If there is not a sufficient amount of special state aids remaining payable to the district for the school year in which the violation occurred to permit the full amount of reduction required, that part of the required reduction not taken from that school year's aids will be taken from the special state aids payable to the district for the next school year, and the reduction will be made from the various aids payable for the next year in the order above specified.

Sec. 40. Minnesota Statutes, 1977 Supplement, Section 124.17, Subdivision 1, is amended to read:

124.17 [DEFINITION OF PUPIL UNITS.] Subdivision 1. Pupil units for each resident pupil in average daily membership shall be counted as follows:

(1) In an elementary school (,):

(a) *For handicapped pre-kindergarten pupils, as defined in section 120.03, enrolled in programs approved by the commissioner, one-half pupil unit;*

(b) **For kindergarten (AND FOR HANDICAPPED PRE-KINDERGARTEN) pupils (AS DEFINED IN SECTION 120.03, AND) enrolled in one-half day sessions throughout the school year or the equivalent thereof, (APPROVED BY THE COMMISSIONER OF EDUCATION,) one-half pupil unit; and**

(c) *For other elementary pupils, one pupil unit.*

(2) In secondary schools, one and four-tenths pupil units. Pupils enrolled in the seventh and eighth grades of any school shall be counted as secondary pupils.

(4) To meet the problems of educational overburden caused by broken homes, poverty and low income, each pupil in clauses (1) and (2) from families receiving aid to families with dependent children or its successor program who is enrolled in the school district on October 1 shall be counted as an additional five-tenths pupil unit. By March 1 of each year the department of public welfare shall certify to the department of education, and to each school district to the extent the information pertains to it, that information concerning children from families with de-

pendent children who were enrolled in the school district on the preceding October 1 which is necessary to calculate pupil units. Additional aids to a district for such pupils may be distributed on a delayed basis until the department of education publicly certifies that the information needed for paying such aids is available on such a timely basis that such aids may be paid concurrently with other foundation aids.

(5) In every district where the number of pupils from families receiving aid to families with dependent children or its successor program exceeds five percent of the total actual pupil units in the district for the same year, as computed in clauses (1) and (2), each such pupil shall be counted as an additional one-tenth of a pupil unit for each percent of concentration over five percent of such pupils in the district. The percent of concentration shall be rounded down to the nearest whole percent for purposes of this clause, provided that in districts where the percent of concentration is less than six, no additional pupil units shall be counted under this clause for pupils from families receiving aid to dependent children or its successor program and provided further that no such pupil shall be counted as more than one and one-tenth additional pupil units pursuant to clauses (4) and (5). Such weighting shall be in addition to the weighting provided in clauses (1), (2), (3), and (4). School districts are encouraged to allocate a major portion of the aids that they receive on account of clauses (4) and (5) to primary grade programs and services, particularly to programs and services that involve participation of parents. Each district receiving aids on account of both clauses (4) and (5) shall establish and maintain accounts separate from all other district accounts for the receipt and disbursement of all such aids received.

(6) Where the total pupil units of a district are used as a multiplier in determining foundation aids and spending and levy limitations and where the actual number of pupil units has decreased from the prior year, the number of pupil units shall equal the greater of (a) the (AVERAGE) *quotient obtained when the sum of the numbers of actual pupil units in the district for the two prior years and the current year and one quarter of the number of actual pupil units in the district for the third prior year, is divided by 3.25* or (b) the number of actual pupil units for the current year increased by .6 times the difference between the actual pupil units for the prior year and the current year. Only pupil units as computed in clauses (1) and (2) shall be included for purposes of computations made pursuant to this clause.

(7) In districts maintaining classified secondary schools where the actual number of pupil units has increased from the prior year by two percent or more, the additional pupil units over the prior year, as computed in clauses (1) and (2), shall be multiplied times one-tenth for each percent of increase over the prior year and a number of pupil units equal to the product shall be added to the other units for the district. The percent of increase shall be rounded up to the next whole percent for purposes of

this clause, provided that in districts where the percent of increase is less than two, no additional pupil units shall be added to the other units for the district and provided further that the number of pupil units of increase over the prior year shall under no circumstances be multiplied by more than five-tenths.

(8) Only pupil units in clauses (1) and (2) shall be used in computing adjusted maintenance cost per pupil unit.

Sec. 41. Minnesota Statutes, 1977 Supplement, Section 124.17, Subdivision 2, is amended to read:

Subd. 2. Membership for pupils in grades kindergarten through twelve and for handicapped pre-kindergarten pupils shall mean the number of pupils on the current roll of the school, counted from the date of entry until withdrawal. The date of withdrawal shall mean the day the pupil permanently leaves the school or the date it is officially known that the pupil has left or has been legally excused; provided that any pupil, regardless of age, who has been absent from school (WITHOUT A LEGALLY JUSTIFIABLE EXCUSE) for 15 consecutive school days *without receiving instruction in the home or hospital* shall be dropped from the roll and classified as withdrawn. Nothing in (EXTRA SESSION LAWS 1971, CHAPTER 31,) *this section* shall be construed as waiving the compulsory attendance provisions cited in section 120.10. Average daily membership shall equal the sum for all pupils of the number of days of the school year each pupil is enrolled in the district's schools divided by the number of days said schools are in session. (FOR DISTRICTS OPERATING 12 MONTHS SCHOOLS, DAYS SCHOOLS ARE IN SESSION SHALL MEAN THE NUMBER OF SESSION DAYS REQUIRED BY SECTION 124.19, SUBDIVISION 1.)

Sec. 42. Minnesota Statutes 1976, Section 124.17, is amended by adding a subdivision to read:

Subd. 2c. Notwithstanding the provisions of subdivision 2, in any case where school is in session but pupils are prevented from attending for more than 15 consecutive days because of epidemic, calamity, weather, fuel shortage, or other justifiable cause, the state board, upon application, may allow the district to continue to count these pupils in average daily membership. A lawful employees' strike is not a justifiable cause for purposes of this subdivision.

Sec. 43. Minnesota Statutes 1976, Section 124.17, Subdivision 3, is amended to read:

Subd. 3. In computing pupil units for a prior year, the number of pupil units shall be adjusted to reflect any change for the current year in relative weightings by grade level or category of special assistance (AND), any change in measurement from

average daily attendance to average daily membership *and any change in school district boundaries*, but not for the addition for the first time in the current year of a specified category of special assistance as provided in subdivision 1, clause (4).

Sec. 44. Minnesota Statutes, 1977 Supplement, Section 124.19, Subdivision 1, is amended to read:

124.19 [REQUIREMENTS FOR AID GENERALLY.] Subdivision 1. Every district which receives special state aid shall maintain school or provide instruction in other districts, in state university laboratory school or in the university laboratory school, at least a minimum term as defined by the state board. The normal school year when school is in session shall be not less than 175 days, or their equivalent *in a district operating a flexible school year program*. A district which holds school for that period and is otherwise qualified is entitled to special state aid as by law provided. If school is held a less period such special state aid shall be reduced by the ratio that the difference between 175 days and the number of days school is held bears to 175 days, multiplied by 60 percent of the product of the district's foundation aid formula allowance times its pupil units for that year; but districts maintaining less than the required minimum number of days of school in session do not lose special state aid if the circumstances causing such loss of school time below the required minimum number of days were beyond the control of the board and provided proper evidence has been submitted and a good faith attempt made to make up time lost on account of these circumstances. Days devoted to teachers' institutes or other meetings authorized or called by the commissioner may not be included as part of the required minimum number of days of school in session. Effective the 1977-1978 school year, not more than five days may be devoted to parent-teacher conferences or teachers' workshops as part of the required minimum number of days school is in session.

Sec. 45. Minnesota Statutes 1976, Section 124.20, is amended to read:

124.20 [EDUCATION; STATE AID; SUMMER SCHOOL AND FLEXIBLE SCHOOL YEAR CLASSES.] Foundation aid for (1) summer school classes which are not a part of the regular school term in hospitals, sanatoriums, and home instruction programs, (2) inter-session classes of flexible school year programs (AND), (3) summer school classes in elementary and secondary schools, and ((3)) (4) summer school instruction in teachers college laboratory schools or in the university laboratory school, shall be paid at a proportionate rate for foundation aids paid for the preceding regular school year (,); provided that no district shall receive aid for programs under this section in an amount greater than its actual expenditures for these programs; *provided further, that for purposes of computing summer school foundation aid, a district's foundation aid for the regular school*

year shall be reduced by the amount of the agricultural tax credit included in that foundation aid. (PAYMENTS OF AID FOR SUMMER CLASSES AT A PROPORTIONATE RATE TO FOUNDATION AID PURSUANT TO THIS SECTION IN 1972 AND PRECEDING YEARS ARE HEREBY SANCTIONED. THE PROVISION IN THIS SECTION FOR PAYMENT OF AID FOR SUMMER CLASSES AT A PROPORTIONATE RATE TO FOUNDATION AID FOR THE PRECEDING SCHOOL YEAR SHALL APPLY TO SUMMER CLASSES IN 1973 AND SUBSEQUENT YEARS.)

Sec. 46. Minnesota Statutes, 1977 Supplement, Section 124.212, Subdivision 5a, is amended to read:

Subd. 5a. (1) In the 1977-1978 school year and each school year thereafter, the amount of money apportioned to a school district (IN) for that year pursuant to section 124.10, subdivision 2 which exceeds the amount apportioned to that district pursuant to section 124.10, subdivision 2 (IN) for the 1976-1977 school year, shall be deducted from the foundation aid earned by that district for the same year.

(2) In addition to the deduction in clause (1), the following amounts apportioned pursuant to section 124.10, subdivision 2 shall be deducted from foundation aid (IN) for the school years designated:

(a) In the 1977-1978 school year, one-sixth of the amount apportioned, but not to exceed one-sixth of the amount apportioned (IN) for the 1976-1977 school year;

(b) In the 1978-1979 school year, one-third of the amount apportioned, but not to exceed one-third of the amount apportioned (IN) for the 1976-1977 school year;

(c) In the 1979-1980 school year, one-half of the amount apportioned, but not to exceed one-half of the amount apportioned (IN) for the 1976-1977 school year;

(d) In the 1980-1981 school year, two-thirds of the amount apportioned, but not to exceed two-thirds of the amount apportioned (IN) for the 1976-1977 school year; and

(e) In the 1981-1982 school year, five-sixths of the amount apportioned, but not to exceed five-sixths of the amount apportioned (IN) for the 1976-1977 school year.

(3) In the 1982-1983 school year and each school year thereafter, the entire amount of money apportioned to a school district (IN) for that year pursuant to section 124.10, subdivision 2, shall be deducted from the foundation aid earned by that district for the same year.

Sec. 47. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

Subd. 6c. For the 1979-1980 school year a district shall receive in foundation aid \$1,155 per pupil unit less 27 mills times the 1977 adjusted assessed valuation of the district, plus the amount of the agricultural tax credit by which 1978 payable 1979 property taxes in the district are reduced pursuant to section 273.132.

Sec. 48. Minnesota Statutes, 1977 Supplement, Section 124.212, Subdivision 7b, is amended to read:

the number of pupil units computed for the district under section 124.17 for that school year, an amount equal to the difference between *the sum of the levy as certified plus the amount of any reductions pursuant to section 275.125, subdivision 9, of the maximum levy*, and the specified product shall be deducted in the following order from the aids for the purposes specified receivable during the same school year pursuant to the following sections: (1) transportation aid pursuant to section 124.222; (2) secondary vocational aid pursuant to section 124.57 or 124.573; (3) special education aid pursuant to section 124.32. Subd. 2. [ABATEMENTS.] Whenever by virtue of chapter 278, sections 270.07, 375.192, or otherwise, the assessed valuation of any school district for any taxable year is changed after the taxes for that year have been spread by the county auditor and whenever the mill rate as determined by the county auditor based upon the original assessed valuation is applied upon such changed valuations, the county auditor shall, prior to February 1 of each year, beginning in 1979, certify to the commissioner of education the amount of any resulting net revenue loss that accrued to the school district during the preceding year. In August of each year, beginning in 1979, when

the district's net revenue loss during the preceding year exceeds \$1 per pupil unit in the district in the most recent school year for which data is available, the commissioner shall pay an abatement adjustment to the district in an amount calculated according to the provisions of this subdivision. This amount shall be deducted from the amount of the levy authorized by section 275.48. (e) Increased costs resulting from changes in transportation patterns required by a schoolhouse closing provided that (1) the cost increases can be demonstrated to be a direct result of the closing; (2) the increases result in costs above the formula limitation; and (3) application is made prior to December 15 of the school year following the last school year in which the schoolhouse is open;

(f) Increased costs resulting from changes in transportation patterns caused by a schoolhouse opening provided that (1) the cost increases can be demonstrated to be a direct result of the opening; (2) the increases result in costs above the formula limitation; and (3) application is made prior to December 15, 1978 or December 15 of the school year following the first school year in which the schoolhouse is open, whichever is later.

In the 1978 fiscal year and thereafter, the commissioner shall appropriately adjust the base cost per eligible pupil transported during the 1976 fiscal year to reflect changes in the treatment of depreciation and qualification for depreciation aid resulting from changes in school bus fleet ownership from district owned and managed to privately owned and contracted or from privately owned and contracted to district owned and managed. Districts shall report any such changes to the commissioner within 60 days of the date the changes are made.

Prior to making any base cost change pursuant to this subdivision, the department shall examine the appropriate factors that relate to the determination of the authorized transportation costs and aid for that district.

(THE AID PAID BY THE STATE FOR SALARIES AND TRAVEL PURSUANT TO THIS SUBDIVISION SHALL BE REDUCED BY ANY AUTHORIZED FEDERAL VOCATIONAL AID FUNDS PAID BY THE DEPARTMENT TO THAT DISTRICT OR CENTER FOR ADULT VOCATIONAL EDUCATION PROGRAMS.) *The commissioner may withhold all or any portion of this aid for an adult vocational education program which receives funds from any other source, and in no event shall a district or center receive a total amount of state aid for salaries and travel pursuant to this section which, when added to funds from other sources, will provide the program an amount for salaries and travel which exceeds 100 percent of the amount of its expenditures for salaries and travel in the program.*

Sec. 68. Minnesota Statutes, 1977 Supplement, Section 124.572, Subdivision 3, is amended to read:

Subd. 3. This aid shall be paid only for services rendered or for travel costs incurred in adult vocational education programs approved by the state department of education and operated in accordance with rules promulgated by the state board; provided, in 1977-1978 the department may pay this aid for programs operated in accordance with the state plan for vocational education and current state board rules. By 1978-1979, these rules shall provide minimum student-staff ratios required for an adult vocational education program to qualify for this aid. (EXCEPT AS PROVIDED IN SECTION 125.185, SUBDIVISION 4,) By 1978-1979, rules relating to adult vocational education programs shall not incorporate the provisions of the state plan for vocational education by reference.

which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are certified shall be negotiable;

(c) Notwithstanding clauses (a) and (b), if either the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights or the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority would place the district in violation of its affirmative action program, the district may retain the probationary teacher or the teacher with less seniority;

(d) Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are certified. Reinstatement shall be in the inverse order of placement on leave of absence. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

REINSTATEMENT SHALL BE IN THE ORDER OF SENIORITY. THE ORDER OF REINSTATEMENT OF CONTINUING CONTRACT TEACHERS WHO HAVE EQUAL SENIORITY AND WHO ARE TERMINATED UNDER MINNESOTA STATUTES 1971, SECTION 125.12, SUBDIVISION 6, CLAUSE (E) IN THE 1973-74 SCHOOL YEAR SHALL BE NEGOTIABLE. THESE TEACHERS SHALL ALSO BE SUBJECT TO CLAUSES (F), (G), (H), (I) AND (K) OF THIS SUBDIVISION.)

((F)) (e) No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly certified to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to him, that he may return to employment and that he will assume the duties of the position to which appointed on a future date determined by the board;

((G)) (f) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

((H)) (g) The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

((I)) (h) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence prior to January 1, 1978 and who is not reinstated shall continue for a period of two years after which the right to reinstatement shall terminate (;) . *The unrequested leave of absence of a teacher who is placed on unrequested leave of absence on or after January 1, 1978 and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if he fails to file with the board by April 1 of any year a written statement requesting reinstatement;*

((J)) (i) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 3 and 4 shall apply to placement on unrequested leave of absence;

Any contract between employer school board and an exclusive representative of teachers shall in every instance be (FOR AN INITIAL TERM OF ONE YEAR COMMENCING ON JULY 1, 1974, THROUGH JUNE 30, 1975, AND THEREAFTER) for a term of two years beginning on July 1 of each odd-numbered year. *For contracts effective July 1, 1979 or thereafter, the written contract executed by an employer school board and an exclusive representative of teachers shall contain the teachers' compensation including fringe benefits for the entire two year term and shall not contain a wage reopening clause or any other provision for the renegotiation of the teachers' compensation for the second year of the contract.* All contracts shall include a grievance procedure which shall provide compulsory binding arbitration of grievances. In the event that the parties cannot reach agreement on the grievance procedure, they shall be subject to the grievance procedure promulgated by the director pursuant to section 179.71, subdivision 5, clause (i).

Sec. 101. Minnesota Statutes, 1977 Supplement, Section 275.07, is amended to read:

275.07 [CITY, TOWN AND SCHOOL DISTRICT TAXES.]
Subdivision 1. The taxes voted by cities, towns, and school districts shall be certified by the proper authorities to the county auditor on or before October tenth in each year. If a city, town, county, school district or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year. If the local unit notifies the commissioner of revenue

before October tenth of its inability to certify its levy by that date, and the commissioner is satisfied that the delay is unavoidable and is not due to the negligence of the local unit's officials or staff, the commissioner shall extend the time within which the local unit shall certify its levy.

Subd. 2. In school districts lying in more than one county, the clerk shall certify the tax levied to the auditor of the county in which the administrative offices of the school district are located.

Sec. 102. Minnesota Statutes, 1977 Supplement, Section 275.124, is amended to read:

275.124 [REPORT OF CERTIFIED LEVY.] Prior to (MARCH) *February* 1 of each year, each county auditor shall report to the commissioner of education on forms furnished by the commissioner, the amount of the certified levy made by each school district within the county which has taxable property *and any other information concerning these levies that is deemed necessary by the commissioner.*

Sec. 103. Minnesota Statutes, 1977 Supplement, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In 1977, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 28 mills times the 1976 adjusted assessed valuation of the district.

(2) In 1978, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 27 mills times the 1977 adjusted assessed valuation of the district.

(3) For any district levying less than 95 percent of the maximum levy allowable in clauses (1) and (2), beginning with the levy certified in (1976) *1978*, payable in (1977) *1979*, the foundation aid to the district for the (1977-1978) *1979-1980* school year, and for subsequent levies, foundation aid for subsequent school years, calculated pursuant to section 124.212, shall be reduced (BY 50 PERCENT OF THE) *to an amount (OF) equal to the (DIFFERENCE) ratio* between the actual levy and the maximum levy allowable under clauses (1) and (2) *times the foundation aid to which the district is otherwise entitled for that year. (IN THE APPLICATION OF) For purposes of computations pursuant to this clause, the maximum levy allowable and the actual levy under clauses (1) and (2) shall be (REDUCED) increased* by any reduction of this levy which is required by section 275.125, subdivision 9 or any other law.

(4) (a) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only one such election may be held to approve a levy increase which will commence in a specific school year. The question on the ballot shall state the maximum amount of the increased levy in mills, the amount that will be raised by that millage in the first year it is to be levied, and that the millage shall be used to finance school operations. The question may designate a specific number of years for which the referendum authorization shall apply. If approved, the amount provided by the approved millage applied to each year's taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked by the voters of the district at a subsequent referendum.

(b) A referendum on the question of revoking the increased levy amount authorized pursuant to clause (a) of this clause may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. The amount approved by the voters of the district pursuant to clause (a) of this clause must be levied at least once before it is subject to a referendum on its revocation for subsequent years. Only one such revocation election may be held to revoke a levy for any specific year and for years thereafter.

(c) A petition authorized by clauses (a) or (b) of this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or 10 percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(d) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(e) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

Sec. 104. Minnesota Statutes 1976, Section 275.125, is amended by adding a subdivision to read:

Subd. 2b. (1) Beginning in 1978, in any year when the amount of the maximum levy allowed for any district by section

275.125, subdivision 2a, clause (1) or (2), exceeds the product of the district's foundation aid formula allowance under section 124.212 for the corresponding school year times the number of pupil units computed for that district under section 124.17 for that school year, the levy permitted that district by section 275.125, subdivision 2a, clause (1) or (2) shall be limited to the greater of the dollar amount of the levy the district certified in 1977 under section 275.125, subdivision 2a, clause (1) or 107 percent of the sum of the following, but not to exceed the amount raised by the number of mills permitted under section 275.125, subdivision 2a, clause (1) or (2):

(a) the product of the district's foundation aid formula allowance under section 124.212 for the school year in which the levy is certified times the number of pupil units computed for that district under sections 124.17 for the school year in which the levy is certified; plus

(b) the district's estimated aid entitlement pursuant to section 124.20 for the summer school which begins in the school year in which the levy is certified; plus

(c) that district's entitlement, for the year in which the levy is certified, for transportation aid pursuant to section 124.222, special education aid pursuant to section 124.32, secondary vocational aid pursuant to section 124.573 and secondary vocational aid for handicapped children pursuant to section 124.574.

(2) If a district levies the full 107 percent of its entitlement under clause (1) for a school year and that amount is less than the amount to which the district would actually have been entitled under sections 124.20, 124.212, 124.222, 124.32, 124.573 and 124.574, for the year to which the levy is attributable, the district may adjust its levies in the succeeding years to make up this difference. The amount by which the district is allowed to adjust its levies in the succeeding years pursuant to this clause shall be recorded as a receivable in the school year to which the aids are attributable.

(3) If a district levies pursuant to clause (1) for a school year and the amount levied is greater than the amount to which the district would actually have been entitled under sections 124.20, 124.212, 124.222, 124.32, 124.573 and 124.574, for the year to which the levy is attributable, the district shall reduce its levies in the succeeding years by the amount of this difference.

(4) However, if the amount of the difference in clause (2), when calculated as an addition to the original levy for that year, would have exceeded the amount raised by the millage limitation in section 275.125, subdivision 2a, clause (1) or (2) for that year, the state shall pay the amount to which the district is entitled

under sections 124.20, 124.212, 124.222, 124.32, 124.573 and 124.574, for that school year, which exceeds the amount raised by that millage limitation.

(5) If the district is unable to levy the full 107 percent of its entitlement for a school year because of the millage limitation in section 275.125, subdivision 2a, clause (1) or (2), the state shall pay the amount under sections 124.20, 124.212, 124.222, 124.32, 124.573 or 124.574 to which the district is entitled for that school year which exceeds the amount raised by that millage limitation.

(6) Prior to the certification of levies, the commissioner of education shall notify an applicable district that it is subject to the levy limitation of this subdivision and of its estimated entitlements pursuant to sections 124.20, 124.212, 124.222, 124.32, 124.573 and 124.574. The commissioner shall decide that a district is subject to this levy limitation if it appears reasonably certain that the maximum levy allowed that district pursuant to section 275.125, subdivision 2a, clause (1) or (2) will exceed the district's foundation aid formula allowance times the number of pupil units computed for that district under section 124.17 for that corresponding year. If, upon the order of the commissioner, the district levies pursuant to this subdivision but the maximum levy allowed that district pursuant to section 275.125, subdivision 2a, clause (1) or (2) would not actually have exceeded the district's foundation aid formula allowance times the number of pupil units computed for that district under section 124.17 for that corresponding year, the district shall reduce its levy for the next year by the amount by which the levy certified pursuant to this subdivision exceeded the amount the district could have levied under subdivision 2a, clause (1) or (2). Also in that case, the district shall receive all aids from the state pursuant to sections 124.20, 124.212, 124.222, 124.32, 124.573 and 124.574 to which it would otherwise have been entitled if its permitted levy had not been computed pursuant to this subdivision.

(7) Any district which is required to compute its permitted levy under this subdivision shall not be eligible to receive aid under sections 124.20, 124.212, 124.222, 124.32, 124.573 and 124.574 for the corresponding year except as authorized by this subdivision.

(8) Nothing within the provisions of this subdivision shall be construed to affect any other levy under section 275.125, including levies made pursuant to section 275.125, subdivision 2a, clause (4), to which a district is otherwise entitled.

(9) A levy made by a district pursuant to the provisions of this subdivision shall be construed to be the levy made by that district pursuant to subdivision 2a, clause (1) and (2), of this section, for purposes of statutory cross-reference.

Sec. 105. Minnesota Statutes, 1977 Supplement, Section 275.125, Subdivision 4, is amended to read:

Subd. 4. A school district may levy the amounts necessary to make payments for bonds issued and for interest thereon, including the bonds and interest thereon, issued as authorized by section 275.125, subdivision 3, clause (7) (C), as it read in Minnesota Statutes 1974; the amounts necessary for repayment of debt service loans and capital loans; the amounts necessary to pay the district's obligations under section 6.62; the amount authorized for liabilities of dissolved districts pursuant to section 122.45; the amounts necessary to pay the district's obligations under section 268.06, subdivision 25; (AND) the amounts necessary to pay the district's obligations under section 127.05; *the amounts authorized by section 122.531; and the amounts necessary to pay the district's obligations under section 122.533.*

Sec. 106. Minnesota Statutes, 1977 Supplement, Section 275.125, Subdivision 9, is amended to read:

Subd. 9. (1) Districts which receive payments which result in deductions from foundation aid pursuant to section 124.212, subdivision 8a, clause (1), shall reduce the permissible levies authorized by subdivisions 3 to 14 by that portion of the previous year's payment not deducted from foundation aid on account of the payment. The levy reductions shall be made in the proportions that each permissible levy bears to the sum of the permissible levies. Reductions in levies pursuant to this clause, subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section (TO BE CERTIFIED IN THE CALENDAR YEAR IN WHICH THE DEDUCTION FROM FOUNDATION AID IS MADE PURSUANT TO SECTION 124.212, SUBDIVISION 8A, BY THE PORTION OF THE PREVIOUS FISCAL YEAR'S PAYMENT WHICH WAS NOT DEDUCTED FROM FOUNDATION AID IN THAT CALENDAR YEAR PURSUANT TO SECTION 124.212, SUBDIVISION 8A) *by the greater of the following:*

(a) *an amount equal to 50 percent of the total dollar amount of the payments received pursuant to those sections in the previous fiscal year; or*

(b) *an amount equal to the total dollar amount of the payments received pursuant to those sections in the previous fiscal year less the product of the same dollar amount of payments times the ratio of the maximum levy allowed the district under*

section 275.125, subdivision 2a, to the total levy allowed the district under section 275.125 in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, clause 1 or 2, to an amount less than the amount raised by a levy of 10 mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2a, clause (4) shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision.

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by section 275.125, subdivision 11a, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to that subdivision. The reduction of the capital expenditure levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year after fiscal year 1975 pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124.212, subdivision 8a, clause (2), and not applied to reduce levies pursuant to this subdivision shall be paid by the district to the commissioner of finance in the following amounts pursuant to this clause on the designated dates: on or before March 15, 1977, 20 percent of the amounts received in fiscal 1976 and not deducted from foundation aid in August 1976 and not applied to reduce 1976 payable 1977 levies; on or before March 15, 1978, 60 percent of the amounts received in fiscal 1977 and not deducted from foundation aid and not applied to reduce 1977 payable 1978 levies (**; ON OR BEFORE MARCH 15, 1979 AND MARCH 15 OF EACH YEAR THEREAFTER, 100 PERCENT OF THE AMOUNTS RECEIVED IN THE PRECEDING FISCAL YEAR AND NOT DEDUCTED FROM FOUNDATION AID AND NOT APPLIED TO REDUCE LEVIES CERTIFIED IN THE PRECEDING OCTOBER**). *Any amounts received by districts in any fiscal year after fiscal year 1977 pursuant to the sections specified in this clause shall be paid by the district to the commissioner of finance in the following amounts on the designated dates: on or before March 15, 1979 and March 15 of each year thereafter, 100 percent of the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section 124.212, subdivision 8a, which is in excess*

of the foundation aid earned for that fiscal year. The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

Sec. 107. Minnesota Statutes, 1977 Supplement, Section 275.125, Subdivision 11a, is amended to read:

Subd. 11a. (a) A school district may levy an amount not to exceed the amount equal to \$75 per pupil unit or, in districts where the pupil unit count is increased pursuant to section 124.17, subdivision 1, clause (7), \$80 per pupil unit. For purposes of computing allowable levies under section 275.125, pupil units shall include only those units identified in section 124.17, subdivision 1, clauses (1), (2), (4), (5), (6) and (7). No levy under this subdivision shall exceed 10 mills times the adjusted assessed valuation of the taxable property in the district for the preceding year, notwithstanding the provisions of sections 272.64 and 275.49.

(b) The proceeds of the tax may be used only to acquire land, to equip and reequip buildings and permanent attached fixtures, and to pay leasing fees for computer systems hardware, computer terminals and telecommunications equipment, and related proprietary software. The proceeds of the tax may also be used for capital improvement and repair of school sites, buildings and permanent attached fixtures, *energy assessments as required pursuant to section 116H.126*, and for the payment of any special assessments levied against the property of the district authorized pursuant to section 435.19 or any other law or charter provision authorizing assessments against publicly owned property; provided that a district may not levy amounts to pay assessments for service charges, including but not limited to those described in section 429.101, whether levied pursuant to that section or pursuant to any other law or home rule provision. The proceeds of the tax may also be used for capital expenditures for the purpose of reducing or eliminating barriers to or increasing access to school facilities by handicapped individuals.

(c) Subject to the commissioner's approval, the tax proceeds may also be used to rent or lease buildings for school purposes and to acquire or construct buildings. The state board shall promulgate rules establishing the criteria to be used by the commissioner in approving and disapproving district applications requesting the use of capital expenditure tax proceeds for the renting or leasing of buildings for school purposes and the acquisition or construction of buildings. The approval criteria for purposes of building acquisition and construction shall include: the appropriateness of the proposal with respect to the district's long term needs; the availability of adequate existing facilities; and

the economic feasibility of bonding because of the proposed building's size or cost.

(d) The board shall establish a fund in which the proceeds of this tax shall be accumulated until expended.

(e) The proceeds of the tax shall not be used for custodial or other maintenance services.

Sec. 108. Minnesota Statutes, 1977 Supplement, Section 275.125, Subdivision 13, is amended to read:

Subd. 13. Districts maintaining a post-secondary vocational-technical school (SHALL) *may* levy for post-secondary vocational-technical purposes as follows:

(1) For districts in cities of the first class, one-half mill, exclusive of debt service, times the adjusted assessed valuation of the taxable property of the district for the preceding year as determined by the equalization aid review committee.

(2) For districts formed pursuant to Laws 1967, Chapter 822, as amended, and Laws 1969, Chapters 775 and 1060 as amended, one-half mill, exclusive of debt service, times the adjusted assessed valuation of the taxable property of the district for the preceding year as determined by the equalization aid review committee.

(3) For other districts maintaining post-secondary vocational schools, one mill, exclusive of debt service, times the adjusted assessed valuation of the taxable property of the district for the preceding year as determined by the equalization aid review committee.

Sec. 109. Minnesota Statutes 1976, Section 275.125, Subdivision 15, is amended to read:

Subd. 15. (ANY DISTRICT WHICH IN ANY YEAR LEVIES AN AMOUNT WHICH IS GREATER THAN THE AMOUNT ALLOWED BY SUBDIVISIONS 2A TO 14, SHALL LOSE AN AMOUNT OF STATE FOUNDATION AID EQUAL TO ONE-HALF OF THE EXCESS IN THE LEVY. HOWEVER,) If any *school district* levy is found to be excessive as a result of a decision of the tax court of appeals or a redetermination by the equalization aid review committee under section 124.212, subdivisions 11 to 18 *or for any other reason*, the amount of the excess shall be deducted from the levy certified in the next year for the same purpose; provided that if no levy is certified in the next year for the same purpose or if the amount certified is less than the amount of the excess, the excess shall be deducted from that levy and the levy certified pursuant to subdivision 2a. (THE AMOUNT OF AID LOST

SHALL BE DEDUCTED FROM THE AID WHICH WOULD OTHERWISE HAVE BEEN RECEIVED FOR THE SCHOOL YEAR WHICH COMMENCES IN THE CALENDAR YEAR DURING WHICH THE EXCESSIVE LEVY IS BEING COLLECTED. ANY FOUNDATION AID SO WITHHELD SHALL BE WITHHELD IN ACCORDANCE WITH THE PROCEDURES SPECIFIED IN SECTION 124.15) *If any aid entitlement pursuant to sections 124.212, 124.222 and 124.245 would have been increased in a prior year as a result of a decision of the tax court of appeals or a redetermination by the equalization aid review committee, the amount of the increase shall be added to the current aid entitlement for the same purposes.*

Sec. 110. Minnesota Statutes 1976, Section 275.125, Subdivision 16, is amended to read:

Subd. 16. For the purposes of this section, the number of *resident* pupil units in average daily membership shall be computed in accordance with section 124.17, provided that the district may use an estimated average daily membership for the current school year. Any district which increased its pupil units, exclusive of consolidation, or merger of districts, or change of definition of pupil units by more than five percent from one year to another *for two consecutive years* may use an estimated pupil unit count for the next succeeding school year for determining a levy certified in the current year. If as a result of such estimate the levy is different from the amount that could actually have been levied under this section had such levy been based upon the pupil units computed under section 124.17 for that school year, (THEN IN THAT EVENT) the authorized levy for the following year shall be adjusted for the difference.

Sec. 111. Minnesota Statutes 1976, Section 275.125, Subdivision 18, is amended to read:

Subd. 18. By November 1 of each year each district shall (SUBMIT TO) *notify* the commissioner of education (A CERTIFICATE) of the levies certified in compliance with the levy limitations of this section. The commissioner of education shall prescribe the form of this (CERTIFICATE) *notification*.

Sec. 112. Minnesota Statutes 1976, Section 275.48 is amended to read:

275.48 [ADDITIONAL TAX LEVIES IN CERTAIN MUNICIPALITIES.] Whenever by virtue of chapter 278, sections 270.07, 375.192, or otherwise, the assessed valuation of any city, township or school district for any taxable year is reduced after the taxes for such year have been spread by the county auditor and whenever the mill rate as determined by the county auditor based upon the original assessed valuation is applied upon such reduced valuations and does not produce the full amount of

taxes as actually levied and certified for such taxable year upon the original assessed valuations, such city, township or school district may include in its tax levy made following final determination and notice of such reduction in assessed valuation, an amount equal to the difference between the total amount of taxes actually levied and certified for such taxable year upon the original assessed valuation, not exceeding the maximum amount which could be raised upon such assessed valuation as reduced, within existing mill limitations, if any, and the amount of taxes collected for such taxable year upon such reduced valuations. *The total tax levy authorized for a school district by this section shall be reduced by the total amount of any abatement adjustments received by the district pursuant to section 124.214, subdivision 2, in the same calendar year in which the levy is certified. Prior to September 15 of each year, the commissioner of education shall certify to each county auditor the amount of any abatement adjustments paid in that year to each school district in that county.*

The amount of taxes so included shall be levied separately and shall be levied in addition to all limitations imposed by law; and further shall not result in any penalty in the nature of a reduction in state aid of any kind.

Sec. 113. Minnesota Statutes, 1977 Supplement, Section 298.28, Subdivision 1, is amended to read:

298.28 [DIVISION AND DISTRIBUTION OF PROCEEDS.] Subdivision 1. The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court of appeals at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton to school districts to be distributed as follows:

(a) 6 cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (c), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 or in which is located property which is entitled to the reduction of tax pursuant to section 273.135, subdivision 2, clause (c). The 23 cents, less any amount distributed under part (c), shall be distributed in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year, computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. (THAT PORTION OF THE AMOUNT SO DEDUCTED TO A SCHOOL DISTRICT WHICH IS NOT DEDUCTED FROM STATE AIDS IN SECTION 124.212, SUBDIVISION 8A, SHALL BE INCLUDED IN COMPUTING THE PERMISSIBLE LEVIES UNDER SECTION 275.125.) For purposes of distributions pursuant to this part, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(c) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which

the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) 4 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) 1 cent per taxable ton to the state.

(7) 3 cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. Of this amount, one cent per taxable ton is to be used to provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 60 issued on June 12, 1970, which does not contain a municipality qualifying pursuant to section 273.134.

(8) the amounts determined under clauses (4) (a), (4) (c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(9) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (8) and parts (a), (b), (c), and (d) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1978, 1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to

each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

(c) In 1978 and each year thereafter, \$50,000 shall be distributed to the department of revenue for auditing and enforcing the production tax imposed by Laws 1977, Chapter 423, Article 10.

(d) In 1978 and 1979, \$150,000 shall be distributed to the department of revenue for the purpose of administering section 298.48. In 1980 and each year thereafter, \$100,000 shall be distributed to the department of revenue. On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4)(c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable

under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

Sec. 114. Minnesota Statutes 1976, Section 298.39, is amended to read:

298.39 [DISTRIBUTION OF PROCEEDS.] The proceeds of the tax collected under section 298.35 shall be distributed by the state treasurer, upon certificate of the commissioner of revenue to the general fund of the state and to the various taxing districts in which the lands from which the semi-taconite was mined or quarried were located in the following proportions: 22 percent thereof to the city or town; 50 percent thereof to the

school district; 22 percent thereof to the county; six percent thereof to the state. If the mining and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities or towns among such subdivisions, and the part going to school districts among such districts, and the part going to counties among such counties, upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the semi-taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court of appeals at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner. The amount so distributed shall be divided among the various funds of the state, or of the taxing districts in the same proportion as the general ad valorem tax thereof. If in any year the state shall not spread any general ad valorem tax levy against real property, the state's proportion of the tax shall be paid into the general fund. The amount distributed to any city (AND ONE-THIRD IN 1971 AND THAT PORTION NOT DEDUCTED FROM STATE AIDS IN SECTION 124.212, SUBDIVISION 8, THEREAFTER OF THE AMOUNT DISTRIBUTED TO ANY SCHOOL DISTRICT UNDER THE PROVISIONS HEREOF) shall be included in computing the permissible levies of such city (OR SCHOOL DISTRICT) under (SECTIONS) *section* 275.11 (OR 275.125), but shall not be included in computing mill rate limitations, including cost of living adjustments thereof, so long as the levies do not exceed the limitations provided by (SAID SECTIONS) *section* 275.11 (OR 275.125). On or before October 10 of each calendar year each producer of semi-taconite subject to taxation under section 298.35, hereinafter called "taxpayer," shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district or city which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in such next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such

correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district (EXCEPT IN THE CASE OF SCHOOL DISTRICTS ONE-THIRD IN 1971 AND THAT PORTION NOT DEDUCTED FROM STATE AIDS IN SECTION 124.212, SUBDIVISION 8, THEREAFTER OF THE INDICATED AMOUNT IS TO BE USED) in computing, pursuant to (SECTIONS) *section* 275.11 (OR 275.125), the permissible tax levy of such city (OR SCHOOL DISTRICT) in the year in which such estimate is made, and payable in the next ensuing calendar year. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.36, as the amount of tax payable under section 298.35, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.35, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.11 or 275.125 has been made, if the taxes distributable to any such city or school district are greater than the amount estimated to be paid to any such city or school district in such year, the excess of such distribution shall be held in a special fund by the city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.11 or 275.125 of such city or school district payable in such year. If the amounts distributable to any such city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.11 or 275.125 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby appropriated to such taxing districts as are stated herein, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer.

Sec. 115. Minnesota Statutes 1976, Section 298.396, is amended to read:

298.396 [DISTRIBUTION OF PROCEEDS.] The proceeds of the tax collected under section 298.393 shall be distributed by

the state treasurer, upon certificate of the commissioner to the general fund of the state and to the various taxing districts in which the agglomerating facility is located in the following proportions: 22 percent thereof to the city or town; 50 percent thereof to the school district; 22 percent thereof to the county; 6 percent thereof to the state. If the agglomerating facility is located in more than one tax district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities or towns among such subdivisions, and the part going to school districts among such districts, and the part going to counties among such counties, giving due consideration to the relative extent of the facilities located in each such taxing district. His order making such apportionment shall be subject to review by the tax court of appeals at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner. The amount to be distributed among the several taxing districts of the state shall be divided by such districts among the funds of such districts in the same proportion as the general ad valorem tax thereof. The amount distributed to any city (AND ONE-THIRD IN 1971 AND THAT PORTION NOT DEDUCTED FROM STATE AIDS IN SECTION 124.212, SUBDIVISION 8, THEREAFTER OF THE AMOUNT DISTRIBUTED TO ANY SCHOOL DISTRICT UNDER THE PROVISIONS HEREOF) shall be included in computing the permissible amount of the levies of such city (OR SCHOOL DISTRICT) under (SECTIONS) *section* 275.11 (OR 275.125), but shall not be included in computing mill rate limitations, including cost of living adjustments thereof, so long as the levies do not exceed the limitations provided by (SAID SECTIONS) *section* 275.11 (OR 275.125).

(2) Interest income on obligations of any authority, commission, or instrumentality of the United States, which the laws of the United States exempt from federal income tax, but not from state income taxes;

(3) Income taxes imposed by this state or any other taxing jurisdiction, to the extent deductible in determining federal adjusted gross income and not credited against federal income tax;

(4) Interest on indebtedness incurred or continued to purchase or carry securities the income from which is exempt from tax under this chapter, to the extent deductible in determining federal adjusted gross income;

(6) The amount of any federal income tax overpayment for any previous taxable year, received as refund or credited to another taxable year's income tax liability, proportionate to the percentage of federal income tax that was claimed as a deduction in determining Minnesota income tax for such previous taxable year.

The overpayment refund or credit, determined with respect to a husband and wife on a joint federal income tax return for a previous taxable year, shall be reported on joint or separate Minnesota income tax returns. In the case of separate Minnesota returns, the overpayment shall be reported by each spouse proportionately according to the relative amounts of federal income tax claimed as a deduction on his or her separate Minnesota income tax return for such previous taxable year;

((13)) (12) Interest income from qualified scholarship funding bonds as defined in section 103(e) of the Internal Revenue Code of 1954, as amended through December 31, 1976, if the non-profit corporation is domiciled outside of Minnesota;

((15)) (14) The amount of any excluded gain realized by a trust on the sale or exchange of property as defined in section 641(c)(1).

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes, that does not exceed such difference in basis; but if such gain is

considered a long-term capital gain for federal income tax purposes, the modification shall be limited to fifty per centum of such portion of the gain. This modification shall not be applicable if the difference in basis is due to disallowance of depreciation pursuant to section 290.101.

(3) Interest or dividend income on securities to the extent exempt from income tax under the laws of this state authorizing the issuance of such securities but includible in gross income for federal income tax purposes;

(4) Losses, not otherwise reducing federal adjusted gross income assignable to Minnesota, arising from events or transactions which are assignable to Minnesota under the provisions of sections 290.17 to 290.20, including any capital loss or net operating loss carryforwards or carrybacks resulting from such losses;

(5) If included in federal adjusted gross income, the amount of any credit received, whether received as a refund or credit to another taxable year's income tax liability, pursuant to chapter 290A, and the amount of any overpayment of income tax to Minnesota, or any other state, for any previous taxable year, whether such amount is received as a refund or credited to another taxable year's income tax liability;

The maximum amount of this subtraction shall be \$7,200 less the sum of (a) social security retirement benefits received during the taxable year, (b) railroad retirement benefits received during the taxable year, and (c) the amount by which the individual's federal adjusted gross income exceeds \$13,000. In the case of a volunteer fireman who receives an involuntary lump sum distribution of his pension or retirement benefits, the maximum amount of this subtraction shall be \$7,200 less the sum of social security retirement benefits and railroad retirement benefits; this subtraction shall not be reduced by the amount of the individual's federal adjusted gross income in excess of \$13,000; (AND)*

(7) In the case of property acquired on or after January 1, 1973, the amount of any credit to the taxpayer's federal tax liability under section 38 of the Internal Revenue Code of 1954, as amended through December 31, 1976, but only to the extent that the credit is connected with or allocable against the production or receipt of income included in the measure of the tax imposed by this chapter;

((10)) (8) The amount of any distribution from a qualified pension or profit sharing plan included in federal adjusted gross income in the year of receipt to the extent of any contribution not previously allowed as a deduction by reason of a change in federal law which was not adopted by Minnesota law for a taxable year beginning in 1974 or later.

(c) Modifications affecting shareholders of electing small business corporations under section 1372 of the Internal Revenue Code of 1954, or section 290.972 of this chapter.

(1) Shareholders in a small business corporation, which has elected to be so taxed under the Internal Revenue Code of 1954, but has not made an election under section 290.972 of this chapter, shall deduct from federal adjusted gross income the amount of any imputed income from such corporation and shall add to federal adjusted gross income the amount of any loss claimed as a result of such stock ownership. Also there shall be added to federal adjusted gross income the amount of any distributions in cash or property made by said corporation to its shareholders during the taxable year.

(2) In cases where the small business corporation has made an election under section 1372 of the Internal Revenue Code of 1954, but has not elected under section 290.972 of this chapter and said corporation is liquidated or the individual shareholder disposes of his stock and there is no capital loss reflected in federal adjusted gross income because of the fact that corporate losses have exhausted the shareholders basis for federal purposes, such shareholders shall be entitled, nevertheless, to a capital loss commensurate to their Minnesota basis for the stock.

(3) In cases where the election under section 1372 of the Internal Revenue Code of 1954 antedates the election under section 290.972 of this chapter and at the close of the taxable year immediately preceding the effective election under section 290.972 the corporation has a reserve of undistributed taxable income previously taxed to shareholders under the provisions of the Internal Revenue Code of 1954, in the event and to the extent that such reserve is distributed to shareholders such distribution shall be taxed as a dividend for purposes of this act.

Items of gross income includible within these definitions shall be deemed such regardless of the form in which received. Items of gross income shall be included in gross income of the taxable

year in which received by a taxpayer unless properly to be accounted for as of a different taxable year under methods of accounting permitted by section 290.07, except that (1) amounts transferred from a reserve or other account, if in effect transfers to surplus, shall, to the extent that such amounts were accumulated through deductions from gross income or entered into the computation of taxable net income during any taxable year, be treated as gross income for the year in which the transfer occurs, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act, and (2) amounts received as refunds on account of taxes deducted from gross income during any taxable year shall be treated as gross income for the year in which actually received, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act.

(d) Modification in computing taxable income of the estate of a decedent. Amounts allowable under section 291.07, subdivision 1 (2) in computing Minnesota inheritance tax liability shall not be allowed as a deduction in computing the taxable income of the estate unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts have not been allowed as a deduction under section 291.07 and a waiver of the right to have such amounts allowed at any time as deductions under section 291.07. The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). In the event that the election made for federal tax purposes under section 642(g) of the Internal Revenue Code of 1954 differs from the election made under this paragraph appropriate modification of the estate's federal taxable income shall be made to implement the election made under this paragraph in accordance with regulations prescribed by the commissioner.

Section 1. Minnesota Statutes, 1977 Supplement, Section 290.06, Subdivision 9a, is amended to read:

Subd. 9a. [FEEDLOT POLLUTION CONTROL EQUIPMENT.] A credit of 10 percent of the net cost of pollution control and abatement equipment, including but not limited to, lagoons, concrete storage pits, slurry handling equipment, and other equipment and devices approved by the pollution control agency, purchased, installed and operated within the state by a feedlot operator to prevent pollution of air, land, or water in connection with the operation of a livestock feedlot, poultry lot or other animal lot, may be deducted from the tax due under this chapter in the taxable year in which such equipment is purchased; provided that no deduction shall be taken for any portion of the cost of the same equipment pursuant to subdivision 9. The credit provided for in subdivision 9 shall terminate on December 31, 1976. The credit provided for in this subdivision shall terminate on December 31, 1980, except any amounts that are carried forward to a subsequent year may be taken as a credit in such subsequent years.

If the amount of the credit provided by this subdivision exceeds the taxpayer's liability for taxes pursuant to chapter 290 in the taxable year, *beginning after December 31, 1972*, in which the equipment is purchased, the excess amount may be carried forward to the four taxable years following the year of purchase. The entire amount of the credit not used in the year purchased shall be carried to the earliest of the four taxable years to which the credit may be carried and then to each of the three successive taxable years.

The homestead may be owned or rented and may be a part of a multi-dwelling or multi-purpose building and the land on which it is built. A mobile home, as defined in section 168.011, subdivision 8, assessed as personal property may be a dwelling for purposes of this subdivision.

Sec. 3. Minnesota Statutes, 1977 Supplement, Section 298.28, Subdivision 1, is amended to read:

298.28 [DIVISION AND DISTRIBUTION OF PROCEEDS.] Subdivision 1. The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court of appeals at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, *less any amount distributed under clause 8*, to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton to school districts to be distributed as follows:

(a) 6 cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, *less any amount distributed under part (c)*, shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 or in which is located property which is entitled to the reduction of tax pursuant to section 273.135, subdivision 2, clause (c). The 23 cents, *less any amount distributed under part (c)*, shall be distributed in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year,

computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. That portion of the amount so distributed to a school district which is not deducted from state aids in section 124.212, subdivision 8a, shall be included in computing the permissible levies under section 275.125. For purposes of distributions pursuant to this part, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(c) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) 4 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to

the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) 1 cent per taxable ton to the state.

(7) 3 cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. Of this amount, one cent per taxable ton is to be used to provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 60 issued on June 12, 1970, which does not contain a municipality qualifying pursuant to section 273.134.

(8) .20 cent per taxable ton shall be paid in 1979 and each year thereafter, to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and cooperative actions and which are common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

((8)) (9) the amounts determined under clauses (4)(a), (4)(c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

((9)) (10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to ((8)) (9) and parts (a), (b), (c), and (d) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1978, 1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

(c) In 1978 and each year thereafter, \$50,000 shall be distributed to the department of revenue for auditing and enforcing the production tax imposed by Laws 1977, Chapter 423, Article 10.

(d) In 1978 and 1979, \$150,000 shall be distributed to the department of revenue for the purpose of administering section 298.48. In 1980 and each year thereafter, \$100,000 shall be distributed to the department of revenue. On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4)(c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in

which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

Sec. 4. Minnesota Statutes, 1977 Supplement, Section 298.293, is amended to read:

298.293 [DECLARATION OF EMERGENCY; EXPENDING FUNDS.] The funds provided by section 298.28, subdivision 1, clause (9), relating to the northeast Minnesota economic protection fund shall not be expended prior to (a) a declaration by the governor to the effect that the economic situation of northeast Minnesota requires remedial action by the legislature as a result of a decline in mineral-related activities, and (b) an appropriation of the funds by the legislature. The governor shall recommend to the legislature those measures that he believes will be appropriate in order to accomplish the purpose of his declaration. The funds provided by this fund may be spent only in those areas that are tax relief areas as defined in section 273.134. The funds provided by section 298.28, subdivision 1, clause (9), for this fund shall not be expended for this purpose prior to January 1, 2002. *If during any year the taconite property tax account under sections 273.134 to 273.136 does not contain sufficient funds to pay the property tax relief specified in*

Laws 1977, Chapter 423, Article X, Section 4, there is appropriated from this fund to the relief account sufficient funds to pay the relief specified in Laws 1977, Chapter 423, Article X, Section 4.

Sec. 5. [EFFECTIVE DATE.] *Section 1 is effective for taxable years beginning after December 31, 1973. Section 2 is effective for claims based on rent paid in 1979 and subsequent years and property taxes payable in 1980 and subsequent years. Section 3 is effective July 1, 1978. Subd. 3. No referee sitting in juvenile court may hear a contested trial on any petition, or any motion made pursuant to section 260.125.

Sec. 3. Minnesota Statutes, 1977 Supplement, Section 487.08, is amended to read:

Their salary shall be fixed by the chief judge, with the approval of the county board or boards of the counties in which they hold office, and shall be paid by the county or counties.

Sec. 4. Minnesota Statutes 1976, Section 508.13, is amended to read:

508.13 [REFERENCES TO EXAMINERS; POWERS; REPORTS.] Immediately after the filing of the abstract of title, the court shall enter an order referring the application to an examiner of titles, who shall proceed to examine into the title of the land described in the application, and into the truth of all matters set forth therein. He shall also ascertain whether or not any judgments exist which may be a lien upon the land. He shall search all public records, and fully investigate all facts pertaining to the title which may be brought to his notice, and shall file in the case a full report thereof, to-

gether with his opinion upon the title. The court shall not be bound by any report of the examiner of titles, but may require further or other proof. An examiner of titles shall have full power to administer oaths and examine witnesses concerning any matter involved in his investigation of titles. (IN SUCH MATTERS HE SHALL POSSESS THE SAME AUTHORITY AS IS VESTED BY LAW IN REFEREES APPOINTED BY THE DISTRICT COURT.) When, in the opinion of the examiner, the state has any interest in, or lien upon, the land, he shall state the nature and character thereof in his report, and in such cases, the state shall be joined as a party, and named in the summons as a party thereto, in order that its interest, estate or lien may be defined and preserved. The clerk shall give notice to the applicant of the filing of such report. If the report of the examiner is adverse to the applicant, he shall have a reasonable time in which to proceed further, or to withdraw his application. This election shall be made in writing and filed with the clerk. Examiners shall, upon the request of the registrar, advise him upon any act or duty pertaining to the conduct of his office, or prepare the form of any memorial to be made or entered by the registrar.

In all cases where under the provisions of this chapter application is made to the court for any order or decree, the court may refer the matter to the examiner of titles for hearing and report in like manner as herein provided for the reference of the initial application for registration.

Sec. 5. Minnesota Statutes 1976, Section 508.20, is amended to read:

508.20 [TRIAL; REFERENCE.] When an answer is filed, the case shall be tried by the court in like manner as an ordinary civil action. The court may refer the case, or any part thereof, to one of the examiners (, AS REFEREE,) to hear the parties and their evidence, and make report thereon to the court. (ANY REPORT OF AN EXAMINER SHALL HAVE THE SAME WEIGHT AS THAT OF A REFEREE APPOINTED BY THE DISTRICT COURT.) After the filing of (SUCH) *the* report, the court may order such other or further hearing of the cause before the court, or before the examiner, and may require such other or further proof by any of the parties to the cause as it shall deem proper.

Sec. 6. [VACANCIES.] *No vacancy in the office of referee or judicial officer shall be filled, nor new office created, except as specified in section 487.08, subdivision 2. If the chief justice determines, after investigation by the state court administrator, that the judicial personnel of the district are working at maximum capacity and that the work of the district cannot be ac-*

complished with present judicial personnel, including those temporarily transferred from other judicial districts pursuant to section 2.724, a temporary referee or judicial officer may be appointed by the chief judge of the district for a period that shall terminate no later than July 31, 1981.

Sec. 7. [JUVENILE COURT; HENNEPIN AND RAMSEY COUNTIES.] *Subdivision 1. In Hennepin and Ramsey counties, the district court is the juvenile court.*

Subd. 2. In each county, the chief judge of the district shall designate one or more judges to hear cases arising under sections 260.011 to 260.301.

Sec. 8. [SUPREME COURT; LEGISLATIVE REPORT.] *The supreme court, or an agency designated by it, shall study and review the following issues, and report its findings and recommendations to the legislature on or before October 1, 1980: whether the office of referee or judicial officer should be retained or abolished; whether, if it is recommended that referees and judicial officers be retained, their powers and duties should be modified; whether, in the event that some or all of the existing offices of referee and judicial officer are recommended for abolition, new judgeships should be created and in which districts; whether a consolidated family division should be created in the district or county municipal court of Hennepin and Ramsey counties, and what categories of cases should be assigned thereto; and any other issues the court deems relevant to the function of the office of referee and judicial officer in the state court system.*

Sec. 9. [REPEALER.] *Minnesota Statutes 1976, Section 260.021, Subdivisions 1, 2, and 3, are repealed.*

“Section 1. [UNIVERSITY OF MINNESOTA PEACE OFFICERS; PENSION AND RETIREMENT COVERAGE.] Subdivision 1. [TRANSFER OF PENSION COVERAGE FOR EXISTING EMPLOYEES.] Notwithstanding any provisions of law to the contrary, as of July 1, 1978, all active peace officers employed by the university of Minnesota at any campus or facility of the university shall cease to be members of the university of Minnesota police department retirement plan and fund and shall cease to have any accrual of service credit, rights, or benefits under that plan. From and after July 1, 1978, any active peace officer shall be a member of the public employees police and fire fund, shall be considered a police officer for purposes of chapter 353 if otherwise meeting the requirements of section 353.64, and shall have any past service as a peace officer with the university of Minnesota credited as allowable service by the public employees police and fire fund for purposes of section 353.01, subdivision 16.

Subd. 2. [PENSION COVERAGE FOR NEW PEACE OFFICERS.] All persons first employed by the university of Minnesota at any campus or facility of the university and appointed by the board of regents as peace officers after July 1, 1978, shall be members of the public employees police and fire fund and shall be considered police officers for purposes of section 356.64, subdivisions 1 and 2.

Subd. 3. [TRANSFER OF EXISTING RECIPIENTS OF PENSION AND OTHER RETIREMENT BENEFITS.] As of July 1, 1978, the accrued liability for all retirement annuities, disability benefits, survivorship annuities and survivor of deceased active employee benefits paid or payable by the university of Minnesota police department retirement plan and fund shall be transferred to the public employees police and fire fund and shall no longer be the liability of the university of Minnesota police department retirement plan and fund. The required reserves for retirement annuities in effect as of June 30, 1978, including future automatic survivor benefits for survivors of deceased former retirement annuitants attributable to those annuities, and the required reserves for benefits of survivor of deceased former retirement annuitants in effect as of June 30, 1978 shall be determined using a five percent interest assumption and the applicable public employees police and fire fund mortality table and shall be transferred by the public employees police and fire fund to the Minnesota adjustable fixed benefit fund on the effective date of this section but shall be considered transferred as of June 30, 1978. The annuity or benefit amount on the effective date of this section shall be considered the "originally determined benefit" for purposes of further adjustments pursuant to section 11.25. If an adjustment from the Minnesota adjustable fixed benefit fund pursuant to section 11.25 is payable as of January 1, 1979, any annuitant or benefit recipient receiving an annuity or benefit from the Minnesota adjustable fixed benefit fund pursuant to this section shall be entitled to receive the adjustment if the annuitant or recipient began receiving the annuity or benefit from the university of Minnesota police department retirement plan and fund on or before June 30, 1977. If an adjustment from the Minnesota adjustable fixed benefit fund pursuant to section 11.25 is payable as of January 1, 1979, the required reserves for the increase determined using a five percent interest assumption and the applicable public employees police and fire fund mortality table shall be transferred by the public employees police and fire fund to the Minnesota adjustable fixed benefit fund on January 1, 1979. For persons receiving benefits as survivors of deceased former retirement annuitants, the benefit shall be considered as having commenced on the date on which the retirement annuitant began receiving the retirement annuity.

Sec. 2. [TERMINATION OF PLAN AND FUND.] Subdivision 1. [TRANSFER OF ASSETS.] Prior to August 1, 1978 the board of regents of the university of Minnesota shall transfer the entire cash value of the assets of the university of Minnesota police department retirement plan and fund to the public employees police and fire fund. The assets shall also include all accounts receivable, if any, irrespective of source. Any accounts payable on July 1, 1978 shall also be transferred to the public employees police and fire fund. The public employees police and fire fund shall be the successor in interest to all claims for and against the university of Minnesota police department retirement plan and fund or the board of regents of the univer-

sity of Minnesota with respect to the plan and fund, except any claim against the plan and fund or any person connected with the plan and fund in a fiduciary capacity, based on any act or acts by that person which were not done in good faith and which constituted a breach of his obligation as a fiduciary. As a successor in interest, the public employees police and fire fund may assert any applicable defense in any judicial proceeding which the university of Minnesota police department retirement plan and fund or the board of regents of the university of Minnesota would otherwise have been entitled to assert.

Subd. 2. [TRANSFER OF RECORDS.] Prior to August 1, 1978, the board of regents of the university of Minnesota shall transfer to the public employees police and fire fund original copies of all records and documents relating to the university of Minnesota police department retirement plan and fund and any of its members which are in the possession of the university, and shall provide from time to time whatever additional relevant information the board of trustees of the public employees retirement association may request.

Subd. 3. [TERMINATION OF THE FUND.] Upon the transfer of the assets, liabilities and records of the university of Minnesota police department retirement plan and fund to the public employees police and fire fund, the university of Minnesota police department retirement plan and fund shall terminate and shall cease to exist as a legal entity.

Sec. 3. [ADDITIONAL EMPLOYER OBLIGATION TO AMORTIZE UNFUNDED ACCRUED LIABILITIES.] In order to amortize the additional unfunded accrued liability incurred by the public employees police and fire fund as a result of the consolidation of the university of Minnesota police department plan and fund, and to place the university of Minnesota on an equivalent basis with the other public employing units having employees covered by the public employees police and fire fund, the university of Minnesota shall make an annual contribution to the public employees police and fire fund in addition to the employer contribution specified in section 353.65, subdivision 3. The additional contribution shall be a level annual dollar amount of \$82,904, payable at the beginning of each fiscal year, commencing July 1, 1978 and payable for a period of ten years; provided however that upon request of the board of regents of the university of Minnesota, the board of trustees of the public employees retirement association may specify an alternative procedure of periodic payments.

Sec. 4. [GENERAL ADMINISTRATION.] The provisions of chapter 353 shall govern in all instances where not inconsistent with the provisions of this act.

Sec. 5. [FUTURE ACTUARIAL VALUATIONS.] Notwithstanding Minnesota Statutes 1976, Section 356.215, the ad-

ministration of the university of Minnesota police department retirement plan and fund shall not be required to have an actuarial valuation made as of July 1, 1978. The executive director of the public employees retirement association shall include the transferred membership, liabilities and assets of the university of Minnesota police department retirement plan and fund in the valuation of the public employees retirement association as of June 30, 1978.

Sec. 6. This act is effective July 1, 1978.”.

Further, amend the title by deleting lines 7 through 13 and inserting “assets and records.”.

CONFERENCE COMMITTEE REPORT ON H. F. NO. 338

A bill for an act relating to commerce; providing an exclusive remedy for products liability actions; providing a statute of limitations; providing certain defenses; providing for the reporting of claims to the commissioner of insurance.

March 23, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 338, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and that H. F. No. 338, be amended as follows:

Strike everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1976, Section 541.05, is amended to read:

541.05 [VARIOUS CASES, SIX YEARS.] *Subdivision 1.* Except where the uniform commercial code otherwise prescribes, the following actions shall be commenced within six years:

(1) Upon a contract or other obligation, express or implied, as to which no other limitation is expressly prescribed;

(2) Upon a liability created by statute, other than those arising upon a penalty or forfeiture or where a shorter period is provided by section 541.07;

(3) For a trespass upon real estate;

(4) For taking, detaining, or injuring personal property, including actions for the specific recovery thereof;

(5) For criminal conversation, or for any other injury to the person or rights of another, not arising on contract, and not hereinafter enumerated;

(6) For relief on the ground of fraud, in which case the cause of action shall not be deemed to have accrued until the discovery by the aggrieved party of the facts constituting the fraud;

(7) To enforce a trust or compel a trustee to account, where he has neglected to discharge the trust, or claims to have fully performed it, or has repudiated the trust relation;

(8) Against sureties upon the official bond of any public officer, whether of the state or of any county, town, school district, or a municipality therein; in which case the limitation shall not begin to run until the term of such officer for which the bond was given shall have expired;

(9) For damages caused by a dam, used for commercial purposes.

Subd. 2. Unless otherwise provided by law, any action based on the strict liability of the defendant and arising from the manufacture, sale, use or consumption of a product shall be commenced within four years.

Sec. 2. Minnesota Statutes 1976, Section 541.07, is amended to read:

541.07 [TWO YEAR LIMITATIONS.] Except where the uniform commercial code otherwise prescribes, the following actions shall be commenced within two years:

(1) For libel, slander, assault, battery, false imprisonment, or other tort, resulting in personal injury, and all actions against physicians, surgeons, dentists, hospitals, sanatoriums, for malpractice, error, mistake or failure to cure, whether based on contract or tort; provided a counter-claim may be pleaded as a defense to any action for services brought by a physician, surgeon, dentist, hospital or sanatorium, after the limitations herein described notwithstanding it is barred by the provisions of this chapter, if it was the property of the party pleading it at the time it became barred and was not barred at the time the claim sued on originated, but no judgment thereof except for costs can be rendered in favor of the party so pleading it;

(2) Upon a statute for a penalty or forfeiture;

(3) For damages caused by a dam, other than a dam used for commercial purposes; but as against one holding under the pre-emption or homestead laws, such limitations shall not begin to run until a patent has been issued for the land so damaged;

(4) Against a master for breach of an indenture of apprenticeship; the limitation, in such case, to run from the expiration of the term of service;

(5) For the recovery of wages or overtime or damages, fees or penalties accruing under any federal or state law respecting the payment of wages or overtime or damages, fees or penalties. (The term "wages" as used herein shall mean all remuneration for services or employment, including commissions and bonuses and the cash value of all remuneration in any medium other than cash, where the relationship of master and servant exists and the term "damages," as used herein, shall mean single, double, or treble damages, accorded by any statutory cause of action whatsoever and whether or not the relationship of master and servant exists);

(6) For damages caused by the establishment of a street or highway grade or a change in the originally established grade;

(7) For sales or use taxes imposed by the laws of any other state;

(8) *Against the person who applies the pesticide for injury or damage to property resulting from the application, but not the manufacture or sale, of a pesticide.*

Sec. 3. Minnesota Statutes 1976, Chapter 544, is amended by adding a section to read:

[544.23] [AD DAMNUM: LIMITATION.] *In a pleading in a civil action which sets forth an unliquidated claim for relief, whether an original claim, cross-claim, or third-party claim, if a recovery of money is demanded in an amount less than \$50,000, the amount shall be stated. If a recovery of money in an amount greater than \$50,000 is demanded, the pleading shall state merely that recovery of reasonable damages in an amount greater than \$50,000 is sought.*

This section may be superseded by an amendment to the rules of civil procedure adopted after July 31, 1978.

Sec. 4. Minnesota Statutes 1976, Chapter 549, is amended by adding a section to read:

[549.20] [PUNITIVE DAMAGES.] *Subdivision 1. Punitive damages shall be allowed in civil actions only upon clear*

and convincing evidence that the acts of the defendant show a willful indifference to the rights or safety of others.

Subd. 2. Punitive damages can properly be awarded against a master or principal because of an act done by an agent only if:

(a) the principal authorized the doing and the manner of the act, or

(b) the agent was unfit and the principal was reckless in employing him, or

(c) the agent was employed in a managerial capacity and was acting in the scope of employment, or

(d) the principal or a managerial agent of the principal ratified or approved the act.

Subd. 3. Any award of punitive damages shall be measured by those factors which justly bear upon the purpose of punitive damages, including the seriousness of hazard to the public arising from the defendant's misconduct, the profitability of the misconduct to the defendant, the duration of the misconduct and any concealment of it, the degree of the defendant's awareness of the hazard and of its excessiveness, the attitude and conduct of the defendant upon discovery of the misconduct, the number and level of employees involved in causing or concealing the misconduct, the financial condition of the defendant, and the total effect of other punishment likely to be imposed upon the defendant as a result of the misconduct, including compensatory and punitive damage awards to the plaintiff and other similarly situated persons, and the severity of any criminal penalty to which the defendant may be subject.

Sec. 5. Minnesota Statutes 1976, Chapter 549, is amended by adding a section to read:

[549.21] [REIMBURSEMENT FOR CERTAIN COSTS IN CIVIL ACTIONS.] *Upon motion of a party prevailing as to an issue, the court in its discretion may award to that party costs, disbursements, reasonable attorney fees and witness fees relating to the issue if the party or attorney against whom costs, disbursements, reasonable attorney and witness fees are charged acted in bad faith as to that issue. To qualify for an award under this section, a party shall give timely notice of intent to claim an award, which notice shall in any event be given prior to the resolution of the issue. An award under this section shall be without prejudice and as an alternative to any claim for sanctions that may be asserted under the rules of civil procedure.*

Sec. 6. Minnesota Statutes 1976, Section 604.01, Subdivision 1, is amended to read:

604.01 [COMPARATIVE FAULT; EFFECT.] Subdivision 1. [SCOPE OF APPLICATION.] Contributory (NEGLIGENCE) *fault* shall not bar recovery in an action by any person or his legal representative to recover damages for (NEGLIGENCE) *fault* resulting in death or in injury to person or property, if (SUCH NEGLIGENCE) *the contributory fault* was not (AS GREAT AS) *greater than* the (NEGLIGENCE OF THE PERSON) *fault of the person* against whom recovery is sought, but any damages allowed shall be diminished in (THE) proportion to the amount of (NEGLIGENCE) *fault* attributable to the person recovering. The court may, and when requested by (EITHER) *any party* shall, direct the jury to find separate special verdicts determining the amount of damages and the percentage of (NEGLIGENCE) *fault* attributable to each party; and the court shall then reduce the amount of (SUCH) damages in proportion to the amount of (NEGLIGENCE) *fault* attributable to the person recovering. (WHEN THERE ARE TWO OR MORE PERSONS WHO ARE JOINTLY LIABLE, CONTRIBUTIONS TO AWARDS SHALL BE IN PROPORTION TO THE PERCENTAGE OF NEGLIGENCE ATTRIBUTABLE TO EACH, PROVIDED, HOWEVER, THAT EACH SHALL REMAIN JOINTLY AND SEVERALLY LIABLE FOR THE WHOLE AWARD.)

Sec. 7. Minnesota Statutes 1976, Section 604.01, is amended by adding a subdivision to read:

Subd. 1a. "Fault" includes acts or omissions that are in any measure negligent or reckless toward the person or property of the actor or others, or that subject a person to strict tort liability. The term also includes breach of warranty, unreasonable assumption of risk not constituting an express consent, misuse of a product and unreasonable failure to avoid an injury or to mitigate damages. Legal requirements of causal relation apply both to fault as the basis for liability and to contributory fault.

Sec. 8. Minnesota Statutes 1976, Chapter 604, is amended by adding a section to read:

[604.02] [APPORTIONMENT OF DAMAGES.] *Subdivision 1. When two or more persons are jointly liable, contributions to awards shall be in proportion to the percentage of fault attributable to each, except that each is jointly and severally liable for the whole award.*

Subd. 2. Upon motion made not later than one year after judgment is entered, the court shall determine whether all or part of a party's equitable share of the obligation is uncollectible from that party and shall reallocate any uncollectible amount among the other parties, including a claimant at fault, according to their respective percentages of fault. A party whose liability is reallocated is nonetheless subject to contribution and to any continuing liability to the claimant on the judgment.

Subd. 3. In the case of a claim arising from the manufacture, sale, use or consumption of a product, an amount uncollectible from any person in the chain of manufacture and distribution shall be reallocated among all other persons in the chain of manufacture and distribution but not among the claimant or others at fault who are not in the chain of manufacture or distribution of the product. Provided, however, that a person whose fault is less than that of a claimant is liable to the claimant only for that portion of the judgment which represents the percentage of fault attributable to him.

Sec. 9. Minnesota Statutes 1976, Chapter 604, is amended by adding a section to read:

[604.03] [USEFUL LIFE OF PRODUCT.] *Subdivision 1. In any action for the recovery of damages for personal injury, death or property damage arising out of the manufacture, sale, use or consumption of a product, it is a defense to a claim against a designer, manufacturer, distributor or seller of the product or a part thereof, that the injury was sustained following the expiration of the ordinary useful life of the product.*

Subd. 2. The useful life of a product is not necessarily the life inherent in the product, but is the period during which with reasonable safety the product should be useful to the user. This period shall be determined by reference to the experience of users of similar products, taking into account present conditions and past developments, including but not limited to (1) wear and tear or deterioration from natural causes, (2) the progress of the art, economic changes, inventions and developments within the industry, (3) the climatic and other local conditions peculiar to the user, (4) the policy of the user and similar users as to repairs, renewals and replacements, (5) the useful life as stated by the designer, manufacturer, distributor, or seller of the product in brochures or pamphlets furnished with the product or in a notice attached to the product, and (6) any modification of the product by the user.

Sec. 10. Minnesota Statutes 1976, Chapter 604, is amended by adding a section to read:

[604.04] [NOTICE OF POSSIBLE CLAIM REQUIRED.] *Subdivision 1. The attorney for a person who intends to claim damage for or on account of personal injury, death or property damage arising out of the manufacture, sale, use or consumption of a product shall cause to be presented a notice of possible claim stating the time, place and circumstances of events giving rise to the claim and an estimate of compensation or other relief to be sought. This notice shall be given within six months of the date of entering into an attorney-client relation with the claimant in regard to the claim. Notice shall be given to all persons against whom the claim is likely to be made. Any person in the chain of manufacture and distribution shall promptly furnish to the*

claimant's attorney the names and addresses of all persons he knows to be in the chain of manufacture and distribution if requested to do so by the attorney at the time the notice is given. Failure to furnish this information shall subject the person to the liability provided for in subdivision 3.

Actual notice of sufficient facts to reasonably put a person against whom the claim is to be made or his insurer on notice of a possible claim satisfies the notice requirements of this section. Failure to state an estimate of the amount of compensation or other relief demanded does not invalidate the notice, but the claimant shall furnish full information regarding the nature and extent of the injuries and damages within 15 days after demand by a person to whom the notice was given or by his insurer.

Subd. 2. A claimant who delays entering into an attorney-client relation with the purpose of delaying unreasonably the notice required by subdivision 1 is subject to liability as provided in subdivision 3.

Subd. 3. Any person injured by the failure of a claimant or his attorney or of a person in the chain of manufacture and distribution to comply with the requirements of this section may recover damages, costs and reasonable attorney fees from a person who violated this section, but failure to give notice does not affect the validity of a claim against a party who did not receive notice.

Sec. 11. [EFFECTIVE DATE.] Sections 1, 2, 4, 5, 6, 7, 8, 9 and 10 are effective April 15, 1978, and apply to all causes of action arising on or after that date.

Section 3 is effective August 1, 1978."

Further, strike the title and insert:

"A bill for an act relating to civil actions; limiting ad damnum clauses; establishing rules for punitive damages; authorizing costs and attorney fees to be awarded when one party acts in bad faith; modifying rules of comparative fault, contribution, and joint liability; codifying a useful life defense; requiring notice of possible claims; establishing a statute of limitations for certain strict liability actions and for actions based on the application of pesticides; amending Minnesota Statutes 1976, Sections 541.05; 541.07; 604.01, Subdivision 1, and by adding a subdivision; and Chapters 544, by adding a section; 549, by adding sections; and 604, by adding sections."

We request adoption of this report and repassage of the bill.

March 23, 1978

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 669, report that we have agreed upon the items in dispute and recommend as follows:

That the senate recede from its amendments and H. F. No. 669 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 97.53, Subdivision 1, is amended to read:

97.53 [PUBLICATION OF ORDERS AND LAWS.] Subdivision 1. As soon as practicable after each legislative session, the commissioner, under the direction of the attorney general, shall make a compilation of the laws relating to wild animals, brought up to date and properly indexed. This compilation shall be printed in pamphlet form of pocket size, and 50 copies distributed to each senator, 25 copies to each representative, and ten copies to each county auditor. Not more than 10,000 copies in addition shall be printed for general distribution. The commissioner shall also prepare syllabi of the laws and deliver to county auditors a sufficient supply to furnish one copy to each person procuring a hunting, fishing, or trapping license. *At the beginning of these syllabi, under the heading "Trespass", the commissioner shall summarize the text of section 100.273.*

Sec. 2. Minnesota Statutes 1976, Section 100.273, is amended to read:

100.273 [TRESPASS.] Subdivision 1. *For purposes of this section, "agricultural lands" mean lands being used to raise agricultural products or lands enclosing domestic livestock, except lands within 66 feet of the water's edge of streams or lakes.*

Subd. 2. (DURING THE SEASONS FOR TAKING SMALL GAME OR BIG GAME) No person shall enter upon the agricultural lands of another (WHICH ARE BEING USED TO RAISE AGRICULTURAL PRODUCTS OR UPON LAND ENCLOSING DOMESTIC STOCK OF ANY KIND) for (THE) any recreational purpose (OF HUNTING THE ABOVE MENTIONED

GAME) as defined by section 87.021 unless and until the permission of the owner, occupant, or lessee is obtained. (WOODED AREAS OTHER THAN TREE FARMS SHALL IN NO CASE BE CONSTRUED TO BE AGRICULTURAL LANDS WITHIN THE MEANING OF THIS STATUTE.)

Subd. 3. No person shall enter upon any land not his own regardless if it is agricultural land with intent to take any wild animals after being notified not to do so, either orally by the owner, occupant or lessee, or by signs erected pursuant to subdivision 6.

Subd. (2) 4. No person while engaged in (HUNTING SMALL GAME OR BIG GAME) any recreational purpose as defined by section 87.021 shall enter or leave the lands of another, or pass from one portion of another person's land, through a closed gate without returning the gate to its original position, nor shall any person destroy, cut or tear down any fence, building, grain, crops, any sign erected pursuant to subdivision 6 or live trees, or wound or kill any domestic (LIVESTOCK) animals.

Subd. 5. No person shall take any wild animal with a firearm without the written permission of the owner or occupant of the premises on any private agricultural land not his own or any public right-of-way within 500 feet of any building occupied by a human being or by livestock, or within 500 feet of any stockade or corral containing livestock, nor shall any person take any wild animal with a firearm within 200 feet of any building occupied by a human being on any land other than agricultural land without the oral permission of the owner or occupant of the premises, or within 500 feet of any burning area.

Subd. 6. No person shall erect "no hunting", "no trapping", "no fishing", "no trespassing", or other signs prohibiting trespass upon any lands or waters in which he has no right, title, interests, or license. The owner, occupant, or lessee of any private land, or a duly constituted legal authority of public land, may erect signs prohibiting trespassing, hunting, trapping, or fishing if the signs bear letters not less than two inches high, are signed by the owner, occupant, or lessee, and are posted at intervals of not more than 1000 feet upon the boundaries of the area so protected.

The surviving spouse of a former member who, after attaining 55 years of age, elected to receive a joint and survivor annuity, shall, notwithstanding her remarriage, receive such joint and survivor annuity, for her natural life, in lieu of the annuity prescribed by this subdivision. In the event such former member did not elect to receive a joint and survivor annuity his surviving spouse shall receive the annuity provided herein.

A dependent child over the age of 18 years and under the age of 22 years also may receive the monthly benefit provided herein, if said child is continuously attending an accredited school as a fulltime student during the normal school year as determined by the board of the fund. If said child does not continuously attend school but separates himself

during any portion of a school year, the annuity shall cease at the end of the month of separation. In addition, the association shall make a payment of \$20 per month to be prorated equally to such children when the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child shall be made to the surviving spouse, or if there be none, to the legal guardian of such child. The maximum monthly benefit shall not exceed (\$400) *40 percent of the average monthly salary* for any number of children. The provisions of this clause are effective (RETROACTIVELY TO) March 1, (1967, PROVIDED THAT THE INCREASE IN THE MAXIMUM MONTHLY BENEFIT SHALL NOT TAKE EFFECT UNTIL JULY 1, 1973; AND PROVIDED FURTHER THAT THE INCREASE IN THE MAXIMUM MONTHLY BENEFIT FROM \$200 TO \$400 SHALL NOT BE EFFECTIVE RETROACTIVELY) 1973.

The provisions of this clause are effective retroactively to June 30, 1964.

(e) In the event any former member who had separated from service prior to having completed 20 years of service except former members permanently disabled in performance of duty and was not employed by the state in a capacity entitling him to accumulate allowable service credit at the time of his death, his widow and children or heirs shall be entitled to receive any funds he may have left on deposit in the highway patrolmen's retirement fund, but shall receive no further benefits under this chapter."

Notice of the publication of the guidebook shall be published in the state register.*

Sec. 10. Minnesota Statutes, 1977 Supplement, Section 15-0412, Subdivision 4, is amended to read:

Subd. 4. No rule shall be adopted by any agency unless the agency first holds a public hearing thereon, affording all affected interests an opportunity to participate, and gives notice of its intention to hold such a hearing at least 30 days prior to the date set for the hearing by United States mail, to representatives of associations or other interested groups or persons who have registered their names with the secretary of state for that purpose and in the state register. The notice in the state register shall include the full text of the rule proposed for adoption; provided that, with the approval of the chief hearing examiner, the agency may incorporate by reference provisions of federal law or rule or other materials from sources which the chief hearing examiner determines are conveniently available for viewing, copying and acquisition by interested persons. The chief hearing examiner shall not approve incorporation by reference of materials which are less than 3000 words in length or which would require less than five pages of publication in the state register. The agency shall make available at least one free copy of the proposed rule to any person requesting it. *The free copy shall be an exact duplicate of the proposed rule and notice of hearing as published in the state register.* At the public hearing the agency shall make an affirmative presentation of facts establishing the need for and reasonableness of the rule proposed for adoption and fulfilling any relevant substantive or procedural requirements imposed on the agency by law or rule. write a report as provided for in section 15.052, subdivision 3, which report shall be completed within 30 days after the close of the hearing record unless the chief hearing examiner, upon written request of the agency (AND) or the hearing examiner, orders an extension. In no case shall an extension be granted if the chief hearing examiner determines that an extension would prohibit a rule from being adopted or becoming effective until after a date for adoption or effectiveness as required by statute. The report shall be available to all affected persons upon request for at least five working days before the agency takes any final action on the rule. If the agency adopts the rule, it shall be submitted with the complete hearing record to the attorney general, who shall review the rule as to form and legality. If the agency, the chief hearing examiner or the attorney general requests, the hearing examiner shall cause a transcript to be prepared of the hearing. The agency shall give notice to all persons who requested to be informed that the hearing record has been submitted to the attorney general. The attorney general shall, within 20 days, either approve or disapprove the rule. If he approves the rule, he shall promptly file it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary, nor published. A rule shall become effective after it has been subjected to all requirements described in this subdivision and five working days after publication in the state register, as hereinafter provided, unless a later date is required by statutes or specified in the rule. If the rule as adopted does not differ from the proposed rule as published in the state register, publication may be made by publishing notice in the state register that the rule has been adopted as proposed and by publishing a citation to the prior publication. If the rule as adopted differs from the proposed rule, the adopted rule or subdivisions thereof which differ from the proposed rule shall be published together with a citation to the prior state register publication of the remainder of the proposed rule.

The proposed temporary rule shall be published in the state register and for at least 20 days thereafter the agency shall afford all interested persons an opportunity to submit data and views on the proposed temporary rule in writing. The proposed temporary rule may be modified if the modifications are supported by the data and views submitted to the agency. The agency shall submit to the attorney general the proposed temporary rule as published, with any pro-

posed modifications. The attorney general shall review the proposed temporary rule as to form and legality and shall approve or disapprove the proposed temporary rule and any proposed modifications within five working days. The temporary rule shall take effect upon approval of the attorney general. Failure of the attorney general to approve or disapprove within five working days shall be deemed approval. As soon as practicable notice of the attorney general's decision shall be published in the state register and the adopted rule shall be published in the manner as provided for adopted rules in subdivision 4. Temporary rules adopted under this subdivision shall be effective for not longer than 90 days and may be reissued or continued in effect for an additional 90 days, but may not immediately be reissued thereafter without following the procedure of subdivision 4.

Sec. 26. Minnesota Statutes 1976, Section 112.801, Subdivision 8, is amended to read:

Subd. 8. All proceedings before the board *conducted pursuant to this chapter and chapter 105* shall be in conformity with sections 15.0411 to (15.0422) 15.052.

The notice shall require the licensee to appear at the time and place fixed therein before the registrar or inspector, and show cause why his license should not be suspended or revoked.

The registrar shall, at the time and place fixed in the notice, proceed to hear and determine the matter on its merits. All hearings shall be conducted in accordance with the provisions of chapter 15(, EXCEPT THAT THE PROVISIONS OF SECTION 15.052, SUBDIVISION 3, SHALL NOT APPLY). The registrar is authorized to subpoena witnesses and administer oaths. If the registrar shall find the existence of any of the

causes for suspension or revocation as set forth in subdivision 12 and determine that corrective action has not been taken or that corrective action will not prevent repetition of the violations charged or that the public interest will not be served by corrective action and the licensee's license should be suspended or revoked, the registrar shall issue a written order setting out his decision, and a copy of such order shall be served upon such licensee in the manner provided by law for the service of summons in a civil action. If the registrar finds the dealer has violated any of the provisions of this section but that the nature of said violation or the circumstances thereof are such that a suspension of the license would be adequate, he may, instead of revoking the license suspend it for a period not exceeding 90 days. If he finds the violation does not justify a suspension only, he shall revoke the license. Upon a suspension or revocation, if it be a new or used motor vehicle dealer, said licensee shall immediately return to the registrar all number plates, including any "in transit" plates, in its possession and its dealer's license certificate.

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty

We, the undersigned conferees for H. F. No. 1914, report that we have agreed upon the items in dispute and recommend as follows:

That H. F. No. 1914 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. [KOOCHICHING COUNTY; LAW LIBRARY; JUDICIALLY IMPOSED FEES.] The board of county commissioners of the county of Koochiching may by resolution establish a fee system for the county law library. The library shall be for the use of the judges of the district and county courts, all county and municipal officials, the members of the bar and the inhabitants of the county.

Sec. 2. [MANAGEMENT.] The management of the library if the fee system authorized by section 1 is adopted shall be as provided in sections 1 to 7 and shall be under a board of three law library trustees, the members of which board shall serve without compensation and shall be appointed by the judges of the district and county courts in the county. The board shall first meet immediately after its appointment and shall hold its

annual meeting thereafter on a day to be designated by the judges of the district and county courts in the county as the date of the annual meeting in each year, at which first meeting and at each annual meeting thereafter it shall select from its members a president and a secretary, who shall each hold his office until the following annual meeting. When the board is first appointed there shall be appointed one trustee whose term shall extend until the first annual meeting, one trustee whose term shall extend until the second annual meeting, and one trustee whose term shall extend until the third annual meeting of the board after such appointment. Immediately prior to each annual meeting there shall be appointed a trustee whose term shall commence at the annual meeting and extend until the third annual meeting after the annual meeting he takes his office. Vacancies in office shall be filled for the unexpired term.

Sec. 3. [BOARD OF TRUSTEES TO MAKE BYLAWS.] The board of trustees shall adopt and may from time to time thereafter amend and alter such bylaws, rules and regulations for the conduct of its business, the government of the library and the use thereof as shall be expedient and conformable to law. It may accept on behalf of the county a gift, grant, devise or bequest, or the loan of books or other property for the use of purposes of the library, and carry out the conditions of the donation or loan. It may purchase books or other library facilities upon conditional sales contract, or otherwise, the purchase price therefor to be paid out of the county law library fund. The title to the library and the property thereof, except the books and property as shall be leased or loaned to it, shall vest and be in the county establishing the library. The board of trustees may sell or exchange items of the property of the library which it deems no longer suitable or advantageous for the purposes of the library, upon terms as it may deem best. It shall, before the second Monday of January of each year, file with the county auditor a report containing a detailed statement of the receipts and disbursements for the preceding year and a detailed inventory of the property belonging to the library and the property loaned or leased to it. The county board shall provide suitable rooms in the court house for the use of the library.

Sec. 4. [FEES FOR EXPENSES.] It shall be the duty of the clerk of the ninth judicial district and the duty of the clerk of court of the county court district of Koochiching to collect in each civil suit, action or proceeding filed in his court relating to Koochiching county, in the manner in which other fees are collected therein, and in addition thereto, as a county law library fee:

(a) The sum of \$5 from the plaintiff or person instituting the suit, action or proceedings at the time of the filing of the first paper therein, and

other adverse or intervening parties appearing separately from the others, to be collected when his or their appearance is entered in the action or proceeding or when the first paper on his or their part is filed therein.

The county law library fees shall be costs in the case and taxable as such. The provision of this section shall not apply to actions or proceedings commenced by the state, the county or any municipality, to garnishment proceedings, to the filing of transcripts, to compensation awards or to complaints in intervention in receivership proceedings.

Sec. 5. March 16, 1978

The Honorable Edward J. Gearty
President of the Senate
The Honorable Martin O. Sabo
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 65, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 65 be amended as follows:

Strike everything after the enacting clause and insert:

“ARTICLE I

Section 1. [DEFINITIONS.] *Subdivision 1. For purposes of sections 1 to 11, the following terms shall have the meanings given them.*

Subd. 2. "Inmate" means any person who is convicted of a felony, is committed to the custody of the commissioner of corrections and is confined in a state correctional institution or released from a state correctional institution pursuant to sections 5, 7 or 12.

Subd. 3. "Commissioner" means the commissioner of corrections or his designee.

Subd. 4. "Correctional institution" means any state institution under the operational authority of the commissioner of corrections.

Subd. 5. "Good time" means the period of time by which an inmate's term of imprisonment is reduced pursuant to section 4.

Subd. 6. "Commission" means the Minnesota sentencing guidelines commission established pursuant to section 9.

Subd. 7. "Supervised release" means the release of an inmate pursuant to section 5.

Subd. 8. "Term of imprisonment" is a period of time equal to the period of time to which the inmate is committed to the custody of the commissioner of corrections following a conviction for a felony.

Sec. 2. [MUTUAL AGREEMENT PROGRAMS.] Subdivision 1. Within seven days after the commissioner assumes custody of an inmate, he shall inform the inmate of the availability and scope of mutual agreement programs and of the fact that participation by the inmate is optional and has no effect on the length of his sentence. If the inmate decides to enter into a mutual agreement program, the commissioner shall draft one for the inmate within 90 days after receiving a request to do so from the inmate. The mutual agreement program shall be drafted after a classification study of the inmate has been made by the commissioner. In drafting a mutual agreement program, the commissioner shall also refer to the presentence investigation which has been made of the inmate. The agreement shall provide the following:

(a) A program of vocational or educational training with specific chronological and achievement objectives, including completion of specified educational and vocational programs;

(b) Frequent and regular evaluation of the inmate by the commissioner; and

(c) A consideration of any educational qualifications or skills of the inmate when specifying certain types of work expectations.

The participation of inmates in the mutual agreement program shall be limited by the appropriations made for that purpose.

Subd. 2. The inmate may decline to enter into the agreement drafted by the commissioner. Failure to enter into an agreement shall not affect the earning of good time by an inmate, nor shall violation of the terms of the agreement constitute a disciplinary offense which may result in the loss of good time.

Sec. 3. [VOLUNTARY PROGRAMS.] *The commissioner shall provide appropriate mental health programs and vocational and educational programs with employment-related goals for inmates who desire to voluntarily participate in such programs. The selection, design and implementation of programs under this section shall be the sole responsibility of the commissioner, acting within the limitations imposed on him by the funds appropriated for such programs.*

No action challenging the level of expenditures for programs authorized under this section, nor any action challenging the selection, design or implementation of these programs, may be maintained by an inmate in any court in this state.

Sec. 4. [GOOD TIME.] *Subdivision 1. An inmate's term of imprisonment shall be reduced in duration by one day for each two days during which the inmate violates none of the disciplinary offense rules promulgated by the commissioner. The reduction shall accrue to the period of supervised release to be served by the inmate.*

If an inmate violates a disciplinary offense rule promulgated by the commissioner, good time earned prior to the violation may not be taken away, but the inmate may be required to serve an appropriate portion of his term of imprisonment after the violation without earning good time.

Subd. 2. By May 1, 1980, the commissioner shall promulgate rules specifying disciplinary offenses which may result in the loss of good time and the amount of good time which may be lost as a result of each disciplinary offense. In no case shall an individual disciplinary offense result in the loss of more than 90 days of good time. The loss of good time shall be considered to be a disciplinary sanction imposed upon an inmate, and the procedure for the loss of good time and the rights of the inmate in the procedure shall be those in effect for the imposition of other disciplinary sanctions at each state correctional institution.

Subd. 3. The provisions of this section do not apply to an inmate serving a mandatory life sentence.

Sec. 5. [SUPERVISED RELEASE TERM.] *Subdivision 1. Except as provided in subdivisions 4 and 5, every inmate shall*

serve a supervised release term upon completion of his term of imprisonment as reduced by any good time earned by the inmate. The supervised release term shall be equal to the period of good time the inmate has earned, and shall not exceed the length of time remaining in the inmate's sentence.

Subd. 2. The Minnesota corrections board shall promulgate rules for the placement and supervision of inmates serving a supervised release term. The rules shall also provide standards and procedures for the revocation of supervised release, and shall specify the period of revocation for each violation of supervised release. Procedures for the revocation of supervised release shall provide due process of law for the inmate.

Subd. 3. If an inmate violates the conditions of his supervised release imposed by the Minnesota corrections board, the board may:

(1) Continue the inmate's supervised release term, with or without modifying or enlarging the conditions imposed on the inmate; or

(2) Revoke the inmate's supervised release and reimprison him for the appropriate period of time.

The period of time for which a supervised release may be revoked may not exceed the period of time remaining in the inmate's sentence.

Subd. 4. An inmate serving a mandatory life sentence shall not be given supervised release under this section unless he has served a minimum term of imprisonment of 17 years.

Subd. 5. The Minnesota corrections board may, under rules promulgated by it, give supervised release to an inmate serving a mandatory life sentence after he has served the minimum term of imprisonment specified in subdivision 4.

Sec. 6. [EXTRAORDINARY DISCHARGE.] The Minnesota corrections board may give extraordinary discharge to an inmate for reasons of serious health problems, senility, advanced age or other extraordinary circumstances. The board shall promulgate rules specifying the circumstances under which extraordinary discharge may be approved by the board and the appropriate procedures for approving the same. No extraordinary discharge shall be effective unless also approved by the Minnesota board of pardons.

Sec. 7. [FURLOUGHS.] Subdivision 1. If consistent with the public interest, the commissioner may, under rules prescribed by him, furlough any inmate in his custody to any point within the state for up to five days. A furlough may be granted to assist the inmate with family needs, personal health needs, or

his reintegration into society. No inmate may receive more than three furloughs under this section within any 12 month period.

Subd. 2. Notwithstanding the provisions of subdivision 1, if the commissioner determines that the inmate requires health care not available at the state correctional institution, he may grant the inmate the furloughs necessary to provide appropriate noninstitutional or extra-institutional health care.

Sec. 8. [MINNESOTA CORRECTIONS BOARD; COMMISSIONER.] *Subdivision 1. Effective May 1, 1980, the Minnesota corrections board shall have only those powers and duties vested in and imposed upon it in sections 1 to 16 with relation to persons sentenced for crimes committed on or after May 1, 1980.*

The Minnesota corrections board shall retain all powers and duties presently vested in and imposed upon it with relation to persons sentenced for crimes committed on or before April 30, 1980.

The Minnesota corrections board shall take into consideration, but not be bound by, the sentence terms embodied in the sentencing guidelines promulgated by the Minnesota sentencing guidelines commission and the penal philosophy embodied in sections 1 to 16 in its deliberations relative to parole, probation, release, or other disposition of inmates who commit the crimes giving rise to their sentences on or before April 30, 1980.

Subd. 2. Nothing in sections 1 to 16 shall be deemed to limit the powers and duties otherwise provided by law to the commissioner of corrections with regard to the management of correctional institutions or the disposition of inmates unless those powers and duties are inconsistent with the provisions of sections 1 to 16, in which case those powers and duties shall be superseded by sections 1 to 16.

Sec. 9. [MINNESOTA SENTENCING GUIDELINES COMMISSION.] *Subdivision 1. There is hereby established the Minnesota sentencing guidelines commission which shall be comprised of nine members.*

Subd. 2. The sentencing guidelines commission shall consist of the following:

- (1) The chief justice of the supreme court or his designee;*
- (2) Two district court judges appointed by the chief justice of the supreme court;*
- (3) One public defender appointed by the governor upon recommendation of the state public defender;*

(4) *One county attorney appointed by the governor upon recommendation of the board of governors of the county attorneys council;*

(5) *The commissioner of corrections or his designee;*

(6) *The chairman of the Minnesota corrections board or his designee; and*

(7) *Two public members appointed by the governor.*

One of the members shall be designated by the governor as chairman of the commission.

Subd. 3. Each appointed member shall be appointed for four years and shall continue to serve during that time as long as he occupies the position which made him eligible for the appointment. Each member shall continue in office until his successor is duly appointed. Members shall be eligible for reappointment, and appointment may be made to fill an unexpired term. The members of the commission shall elect any additional officers necessary for the efficient discharge of their duties.

Subd. 4. Each member of the commission shall be reimbursed for all reasonable expenses actually paid or incurred by him in the performance of his official duties in the same manner as other employees of the state. The public members of the commission shall be compensated at the rate of \$50 for each day or part thereof spent on commission activities.

Subd. 5. The commission shall, on or before January 1, 1980, promulgate sentencing guidelines for the district court. The guidelines shall be based on reasonable offense and offender characteristics. The guidelines promulgated by the commission shall be advisory to the district court and shall establish:

(1) *The circumstances under which imprisonment of an offender is proper; and*

(2) *A presumptive, fixed sentence for offenders for whom imprisonment is proper, based on each appropriate combination of reasonable offense and offender characteristics. The guidelines may provide for an increase or decrease of up to 15 percent in the presumptive, fixed sentence.*

The sentencing guidelines promulgated by the commission may also establish appropriate sanctions for offenders for whom imprisonment is not proper. Any guidelines promulgated by the commission establishing sanctions for offenders for whom imprisonment is not proper shall make specific reference to noninstitutional sanctions, including but not limited to the following: payment of fines, day fines, restitution, community work orders,

work release programs in local facilities, community based residential and nonresidential programs, incarceration in a local correctional facility, and probation and the conditions thereof.

In establishing the sentencing guidelines, the commission shall take into substantial consideration current sentencing and release practices and correctional resources, including but not limited to the capacities of local and state correctional facilities.

The provisions of sections 15.0411 to 15.052 do not apply to the promulgation of the sentencing guidelines.

Subd. 6. The commission, in addition to establishing sentencing guidelines, shall serve as a clearing house and information center for the collection, preparation, analysis and dissemination of information on state and local sentencing practices, and shall conduct ongoing research regarding sentencing guidelines, use of imprisonment and alternatives to imprisonment, plea bargaining, and other matters relating to the improvement of the criminal justice system. The commission shall from time to time make recommendations to the legislature regarding changes in the criminal code, criminal procedures, and other aspects of sentencing.

Subd. 7. The commission shall study the impact of the sentencing guidelines promulgated by the commission after their implementation. The commission shall also, after implementation of the guidelines, review the powers and duties of the Minnesota corrections board and make recommendations to the legislature on the appropriate role, if any, of the board under the guidelines.

Subd. 8. The commissioner of corrections shall provide adequate office space and administrative services for the commission, and the commission shall reimburse the commissioner for the space and services provided. The commission may also utilize, with their consent, the services, equipment, personnel, information and resources of other state agencies; and may accept voluntary and uncompensated services, contract with individuals, public and private agencies, and request information, reports and data from any agency of the state, or any of its political subdivisions, to the extent authorized by law.

Subd. 9. When any person, corporation, the United States government, or any other entity offers funds to the sentencing guidelines commission to carry out its purposes and duties, the commission may accept the offer by majority vote and upon acceptance the chairman shall receive the funds subject to the terms of the offer, but no money shall be accepted or received as a loan nor shall any indebtedness be incurred except in the manner and under the limitations otherwise provided by law.

Subd. 10. The commission may select and employ a research director who shall perform the duties the commission directs, including the hiring of any clerical help and other employees as the commission shall approve. The research director and other staff shall be in the unclassified service of the state and their salary shall be established by the commission. They shall be reimbursed for the expenses necessarily incurred in the performance of their official duties in the same manner as other state employees.

Subd. 11. The commission shall meet as necessary for the purpose of modifying and improving the guidelines.

Subd. 12. The guidelines shall be submitted to the legislature on January 1, 1980, and shall be effective May 1, 1980, unless the legislature provides otherwise.

Sec. 10. [SENTENCING HEARING; DEVIATION FROM GUIDELINES.] *Subdivision 1. [SENTENCING HEARING.] Whenever a person is convicted of a felony, the court, upon motion of either the defendant or the state, shall hold a sentencing hearing. The hearing shall be scheduled so that the parties have adequate time to prepare and present arguments regarding the issue of sentencing. The parties may submit written arguments to the court prior to the date of the hearing and may make oral arguments before the court at the sentencing hearing. Prior to the hearing, the court shall transmit to the defendant or his attorney and the prosecuting attorney copies of the pre-sentence investigation report.*

At the conclusion of the sentencing hearing or within 20 days thereafter, the court shall issue written findings of fact and conclusions of law regarding the issues submitted by the parties, and shall enter an appropriate order.

Subd. 2. [DEVIATION FROM GUIDELINES.] Whether or not a sentencing hearing is requested pursuant to subdivision 1, the district court shall make written findings of fact as to the reasons for departure from the sentencing guidelines in each case in which the court imposes or stays a sentence that deviates from the sentencing guidelines applicable to the case.

Sec. 11. [APPELLATE REVIEW OF SENTENCE.] *An appeal to the supreme court may be taken by the defendant or the state from any sentence imposed or stayed by the district court according to the rules of criminal procedure for the district court of Minnesota. A dismissal of an appeal brought under this section shall not prejudice an appeal brought under any other section or rule.*

When an appeal taken under this section is filed, the clerk of the district court shall certify to the supreme court the transcript of the proceedings and any files or records relating to the de-

defendant, the offense, and the sentence imposed or stayed, that the supreme court by rule or order may require.

On an appeal pursuant to this section, the supreme court may review the sentence imposed or stayed to determine whether the sentence is inconsistent with statutory requirements, unreasonable, inappropriate, excessive, unjustifiably disparate, or not warranted by the findings of fact issued by the district court. This review shall be in addition to all other powers of review presently existing. The supreme court may dismiss or affirm the appeal, vacate or set aside the sentence imposed or stayed and direct entry of an appropriate sentence or order further proceedings to be had as the supreme court may direct.

This section shall not be construed to confer or enlarge any right of a defendant to be released pending an appeal.

241.26 [PRIVATE EMPLOYMENT OF INMATES OF STATE CORRECTIONAL INSTITUTIONS IN COMMUNITY.] Subdivision 1. A bill for an act relating to solid waste disposal; authorizing counties to prohibit transportation of solid waste to other counties for disposal; authorizing counties to designate disposal sites for solid waste generated within their boundaries; amending

Minnesota Statutes 1976, Section 400.04, by adding a subdivision.

March 21, 1978

The Honorable Edward J. Gearty
President of the Senate
The Honorable Martin O. Sabo
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1106, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 1106 be further amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. [PURPOSES; OBJECTIVES.] It is the goal of sections 1 to 6 to assemble the information necessary to identify, evaluate, and select among alternative policies, programs, technologies, institutional arrangements, and proposals designed to further the following purposes:

(a) Reduction in the volumes of solid and hazardous wastes generated and control of toxic substances produced and used in the state;

(b) Separation and recovery or pretreatment of solid and hazardous wastes at their point of generation;

(c) Recovery of materials and energy from solid and hazardous wastes;

(d) Coordination of decisions on the production of energy from solid and hazardous wastes with decisions on the production of energy from coal and from other recoverable residual materials such as sewage sludge and agricultural and timber residues; and

(e) Reduction in needless dependence on land disposal of solid and hazardous wastes.

The research under sections 1 to 6 shall be directed to help:

(i) Identify the most important unrealized potentials for accomplishing these purposes;

(ii) Identify the most important constraints or barriers which are preventing the fuller realization of these potentials and which are amenable to government manipulation;

(iii) Identify, evaluate, and make recommendations on the costs, benefits, and priority of alternative government actions in the state to overcome the constraints and more fully realize the potentials and thereby to further the purposes.

Sec. 2. [GENERAL PROVISIONS.] Subdivision 1. [STATE PLANNING AGENCY; ADMINISTRATION; RELATED RESEARCH.] The director of the state planning agency shall be responsible for the preparation of the research design and coordinated work program under subdivision 3 and for research studies and reports undertaken by the agency or by interagency agreement pursuant thereto. The planning agency may contract with the pollution control agency or other appropriate state agencies for the performance of parts of the studies assigned by section 4, subdivision 3, and section 5, subdivision 2, subject to the approval of the joint legislative committee as provided in subdivision 2 of this section. The planning agency shall summarize, and if and where possible evaluate, laws, programs, and practices in other states relating to solid and hazardous waste and toxic substances. The agency, in cooperation with other units and agencies of government, shall identify available federal funding for research contemplated by sections 1 to 6. The agency shall evaluate the law and government procedures, practices, and responsibilities for planning, locating, reviewing, and regulating solid and hazardous waste disposal and processing facilities and sites and for ensuring public education and involvement and assessing community attitudes in such matters. The agency shall assess local and regional solid and hazardous waste plans and the relationship and coordination of such plans with the goals expressed in section 1 and shall study and recommend means of coordinating federal, state, and local laws and regulations, programs, program administration, and funding relating to solid and hazardous waste and toxic substances.

Subd. 2. [JOINT LEGISLATIVE COMMITTEE.] A joint legislative committee on solid and hazardous waste shall be established by April 15, 1978, and shall go out of existence by June 1, 1979, unless extended by legislative action.

The committee shall be composed of seven members of the house of representatives appointed by the speaker and seven members of the senate appointed by the majority leader. The committee shall elect a chairman from among its members.

The committee shall assist and advise the director of the planning agency and the other agencies responsible for research under sections 1 to 6 in designing the research program and projects, review the research in progress and the reports, and encourage and facilitate contribution and participation by interested individuals and organizations in the state. The committee shall have authority to approve the research design and work program and any reassignment by the planning agency of parts of studies assigned by section 4, subdivision 3, and section 5, sub-

division 2. The joint science and technology staff of the legislature shall serve as staff to the committee.

Subd. 3. [WORK PROGRAM.] By June 15, 1978 the planning agency shall submit a coordinated research design and work program for projects under sections 1 to 6 for review by the joint committee. The research design and work program shall be prepared after consultation with the responsible agencies, the joint science and technology staff of the legislature, and the committee. The research design and work program shall be based upon and shall proceed from preliminary research studies by the joint science and technology staff, particularly studies relating to decision models for resource recovery facilities. The work program shall include provisions for review by the committee of work in progress and agency reports.

Sec. 3. [REPORTS; PURPOSE; GENERAL CONTENT.] The agencies responsible for research under sections 1 to 6 shall submit their research reports to the planning agency by January 1, 1979. By March 1, 1979, the planning agency shall present a report to the legislature on the results of research undertaken pursuant to sections 1 to 6. The report of the planning agency to the legislature shall include the research reports of the planning agency and the other agencies; a general assessment and evaluation of the research program; and recommendations on the continuation and extension of the planning, research, and analysis contemplated by sections 1 to 6. The reports may also recommend strategies; priorities; policies; changes in government structures, responsibilities, and procedures; program development; or other legislative actions related to the research contemplated by sections 1 to 6.

Sec. 4. [NONHAZARDOUS SOLID WASTE RESEARCH PROJECTS.] Subdivision 1. [ENERGY AGENCY.] The planning agency shall contract with the energy agency to perform research studies directed to:

(a) Produce recommendations for relating decisions in the metropolitan area on resource recovery facilities to decisions on coal conversion, co-generation, and district heating;

(b) Develop a model or method for relating decisions in the state on resource recovery facilities, the production of energy from sewage sludge and agricultural and timber residues, coal conversion, co-generation, and district heating; determine the availability of data necessary to apply the model in standard metropolitan statistical areas of the state; and, if possible, test the model.

Subd. 2. [POLLUTION CONTROL AGENCY.] The planning agency shall contract with the pollution control agency to perform research studies directed to:

(a) Develop a profile of solid waste generation and disposal in the state in sufficient detail and reliability at least to identify the boundaries of existing waste sheds of sufficient volume and density to support resource recovery facilities;

(b) Assess the feasibility and effects of alternative methods for recovering and recycling resources from solid waste, including alternative separation and collection systems, coordinated marketing, transportation cost, satellite facilities and transfer stations, refuse derived fuel, ecofuel, small resource recovery facilities, and the use of sewage sludge as a fertilizer;

(c) Identify land disposal sites of municipal solid waste which may threaten to contaminate groundwater or surface water and develop recommendations for a program to establish priorities for and estimates of the costs of the restoration of such sites or the abatement of such threats.

Subd. 3. [PLANNING AGENCY.] The planning agency shall perform research studies directed to:

(a) Develop and test a model or method for evaluating proposals for resource recovery facilities and alternatives thereto, incorporating at least the following factors: (i) identification, analysis, and control of markets for any products recovered from waste; (ii) identification and control of the waste necessary for economic operation; (iii) identification of risks, reduction of risks, and explicit assignment of risks, financial responsibility, and liability; (iv) facility location and capacity; (v) alternative technologies; (vi) environmental impact; (vii) capital and operating costs; (viii) financing alternatives and alternative allocations of costs among users and the general public; (ix) legal and institutional requirements; (x) effects on collection and disposal practices and costs;

(b) Produce recommendations on the nature and purposes of any state program of encouragement or assistance to resource recovery facilities;

(c) Produce recommendations for encouraging or requiring state and local government and regional agencies to reduce the amount of solid waste they generate and, wherever markets exist or may be developed, to separate and recover more recyclable waste at the point of generation;

(d) Produce recommendations for encouraging or requiring specific changes in the materials procurement practices and policies of state and local government and regional agencies which will serve to (i) ensure consideration of recyclability and (ii) develop and ensure government markets in the state for products made of recovered waste materials;

(e) Produce recommendations for further research on markets and the development of markets for recovered materials;

(f) Produce recommendations for encouraging or requiring methods to reduce the volumes of solid waste generated, by encouraging reuse of products, reductions in material and energy used in products, and increases in product lifetimes;

(g) Examine whether a conflict exists between the goals of source reduction and resource recovery.

Sec. 5. [HAZARDOUS WASTES RESEARCH PROJECTS.]
Subdivision 1. [POLLUTION CONTROL AGENCY.] The planning agency shall contract with the pollution control agency to perform research studies directed to:

(a) Assess access to and cost of disposal and treatment processes at hazardous waste facilities located within and outside the state;

(b) Identify alternative methods and processes for reducing the generation of hazardous wastes, for separating and recovering or pretreating categories of hazardous wastes at the point of generation and for separating and recovering, treating, or disposing of categories of hazardous wastes at facilities separated from the point of generation;

(c) Identify hazardous waste land disposal sites which may threaten to contaminate groundwater or surface water and develop recommendations for a program to establish priorities for and estimates of the costs of the restoration of such sites or the abatement of such threats;

(d) Produce recommendations for implementing and enforcing the proposed hazardous waste regulations, including: (i) guidelines for evaluating the role and performance of state, regional, and local agencies in implementing and enforcing the regulations and analyzing data; (ii) education, training, and technical assistance programs for generators of hazardous waste and for regulatory and enforcement officials; (iii) improvements in technical resources and procedures for data analysis; (iv) methods of relating information produced under the regulations to the development of programs to accomplish the purposes of section 1;

(e) Summarize available information on the generation, processing, and disposal of hazardous waste; evaluate the appropriateness and adequacy of the information to the purposes of section 1; and recommend any necessary data gathering devices supplementary to the proposed regulations.

Subd. 2. [PLANNING AGENCY.] The planning agency shall perform research studies directed to:

(a) Assess the effect of existing and proposed federal and state law and regulations affecting the treatment and disposal of hazardous wastes and toxic substances on: (i) the volume and types of hazardous waste and waste sludges generated in the state; (ii) the economic feasibility and use of practices and processes by generators to reduce the generation of hazardous waste and to separate and recover or pretreat the waste at the point of generation; and (iii) the control of toxic substances;

(b) Assess the need for and means of developing hazardous waste treatment, processing, and disposal schemes and capabilities within the state, based on goals relating at least to the following: (i) technical feasibility; (ii) alternative technologies; (iii) anticipation of future technical developments; (iv) capital and operating costs and allocation thereof; (v) availability of similar facilities outside the state; (vi) volume and properties of the waste; (vii) reclamation and reuse of materials and energy in the waste; (viii) environmental impact; (ix) siting and land use; (x) public education and participation; (xi) operation and ownership; (xii) liability and long term care; (xiii) encouragement of generators and private processors to reduce the volumes of hazardous waste generated and to separate and recover or pretreat the waste at the point of generation; and (xiv) transportation costs and safety;

(c) Produce recommendations on methods and institutional arrangements by which this state and surrounding states may develop the capacity to plan for and manage hazardous waste control problems cooperatively and share reciprocally the burdens of treatment and disposal of hazardous waste.

Sec. 6. [APPROPRIATIONS.] Subdivision 1. There is appropriated from the general fund to the state planning agency the sum of \$225,000 for expenditure pursuant to sections 1 to 6. Of this amount, \$25,000 shall be available to the energy agency; \$65,000 shall be available to the pollution control agency; and \$135,000 shall be available to the state planning agency for general administration and research or research contracts.

March 20, 1978

The Honorable Edward J. Gearty
President of the Senate
The Honorable Martin O. Sabo
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 1864, report that we have agreed upon the items in dispute and recommend as follows:

That the house recede from its amendments and S. F. No. 1864 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 43.13, Subdivision 1, is amended to read:

43.13 [EXAMINATIONS.] Subdivision 1. [FAIR TESTS; RECORDS.] All examinations for positions in the classified service shall relate to those matters which will fairly test the capacity and fitness of the persons examined to efficiently discharge the duties of the (OFFICE OR EMPLOYMENT) *position* sought by them. Each applicant in an oral examination shall be rated individually by each examiner who shall sign his rating of the applicant. The average of the (EXAMINERS,) *examiners'* separate ratings, if more than one examiner conducts the oral examinations, is the applicant's oral examination rating. (THE APPOINTING AUTHORITY MAY PAY REASONABLE TRAVEL EXPENSES ACTUALLY INCURRED TO APPLICANTS INVITED FOR ORAL EXAMINATIONS FOR THOSE POSITIONS WHERE UNUSUAL DIFFICULTY IN RECRUITING QUALIFIED APPLICANTS IS BEING ENCOUNTERED.)

Sec. 2. Minnesota Statutes 1976, Section 43.13, is amended by adding a subdivision to read:

Subd. 4. [FREQUENCY OF TESTING.] The commissioner shall devise and publicize a schedule of testing for all classes in the classified service designed to insure that examinations will be given at a frequency commensurate with the occurrence of vacancies in positions in each class and reflective of the need of appointing authorities to fill vacant positions rapidly. Procedures for the incorporation of scores into one eligible list if more than one examination is given for a class in one year and necessary restrictions on the ability of an applicant to take repeated examinations for the same class shall be adopted as rules.

Sec. 3. [TRANSITION PROVISION.] *The commissioner may promulgate temporary rules in order to implement section 2 as soon as possible.*

Sec. 4. Minnesota Statutes 1976, Section 43.14, Subdivision 1, is amended to read:

43.14 [EXAMINATION REFUSED; APPEAL BOND.] Subdivision 1. [REASONS FOR REFUSAL.] The commissioner may refuse to examine an applicant, or after examination may refuse to certify an eligible, who is found to lack any of the preliminary requirements established for the examination for the position (OR EMPLOYMENT) for which he applies; or who is physically so disabled as to be rendered unfit for the proper performance of the duties of the position to which he seeks appointment; or who is addicted to habit-forming drugs or is an habitual user of intoxicating liquors to excess; (OR WHO HAS BEEN GUILTY OF ANY CRIME INVOLVING MORAL TURPITUDE OR OF INFAMOUS OR NOTORIOUSLY DISGRACEFUL CONDUCT;) or who has been dismissed from the public service for delinquency or misconduct; (OR) *and shall refuse to certify an eligible who has made a false statement of any material fact; or who, directly or indirectly, shall give, render or pay, or promise to give, render or pay, any money, service, or other valuable thing to any person for, or on account of, or in connection with, his test, appointment, or proposed appointment; or who practiced, or attempted to practice, any deception or fraud in his application, in his certificate, in his examination, or in securing his eligibility or appointment; or who refuses to furnish testimony as required in section 43.07.*

Sec. 5. Minnesota Statutes 1976, Chapter 43, is amended by adding a section to read:

[43.162] [VALIDITY OF APPLICATIONS.] *No person shall be appointed to a position in the civil service until the appointing authority has made reasonable effort to verify any information contained in the prospective employee's job application which relates to the ability of the person to perform the*

job. The commissioner shall establish procedures, which shall not be promulgated as rules, for use by an appointing authority in performing this verification function. Notice of the verification responsibilities of the appointing authority shall be conspicuously printed on all state employment application forms.

Sec. 6. Minnesota Statutes 1976, Section 43.18, is amended to read:

43.18 [VACANCIES.] Subdivision 1. **[NOTICE.]** Appointing (OFFICERS) *authorities* shall give written notice to the commissioner of personnel of their intention to establish new positions and of the existence of any vacancy to be filled (IN ANY OFFICE OR EMPLOYMENT) in the classified service, and, within a reasonable time after the receipt of this notice, the commissioner shall certify, from the list of eligibles, appropriate for the (GRADE AND) class in which the position is classified, names in the manner as provided in this section.

Subd. 2. **[PROMOTIONS.]** In the case of positions to be filled by examinations other than open competitive examinations, the commissioner shall certify, from the list of eligibles, appropriate for the (GRADE AND) class in which the position is classified, the first three names on such list together with any additional names of persons having an examination rating within three points of the person on the list with the highest examination rating *and with any additional names of persons having the same score as the last name certified in accordance with the above*, except as provided in sections 43.23 and 43.19, subdivision 1.

Subd. 3. **[ORIGINAL ENTRY.]** In the case of positions to be filled by open competitive examination, the commissioner shall certify the first ten names on the list *together with any additional names of persons having the same score as the tenth name so certified*. Appointments from the list shall only be made from the (FIRST TEN AVAILABLE ELIGIBLES) *names so certified*. The commissioner shall promulgate rules so that a determination of unavailability by an appointing authority will be based on a statement of unavailability from the eligible or lack of response by the eligible to notification by certified mail of the open position. Before requesting a recertification based on unavailability or rejection of an eligible, the appointing authority shall demonstrate the unavailability of an eligible or shall provide reasons for requesting the removal of an eligible's name from the certification.

Subd. 4. **[APPOINTMENT; PROBATION.]** The appointing (OFFICER) *authority* shall appoint on probation, with sole reference to merit and fitness, one of the said candidates, whose name is certified in the manner above set forth, to fill such vacancy, except as provided in section 43.23. Seniority in length of service shall also be one of the factors in an appointment in the manner as provided by personnel rule. The provisions of this

section shall not apply when the (OFFICE OR) employment *situation* is among those listed in section 43.20, for which competitive examinations are not required.

Sec. 7. Minnesota Statutes 1976, Section 43.19, Subdivision 1, is amended to read:

43.19 [VACANCIES; PROMOTIONS; DISMISSALS.]
Subdivision 1. [VACANCIES FILLED BY PROMOTION.]

(1) Vacancies in positions shall be filled, so far as practicable, by promotion from among persons holding positions in the classified service, and, subject to such exceptions as the commissioner may provide, from the lower class (OR GROUP WITHIN THE PARTICULAR CLASSIFICATION,) and in accordance with section 43.18 and personnel rules. Except as provided in clause (2), promotions shall be based upon merit and fitness, to be ascertained by competitive examinations in which the employee's efficiency (, CHARACTER,) and *job-related* conduct shall (ALL) constitute a factor. For positions defined by personnel rule as "non-managerial" seniority shall also constitute a factor.

(2) The commissioner may authorize the appointing authority of any state (OFFICE OR DEPARTMENT) *agency* to promote any employee in that (OFFICE OR DEPARTMENT) *agency* to a position (OF) *in* a higher (GRADE OR) class requiring peculiar and exceptional qualifications of an administrative, scientific, professional, or expert character, following a non-competitive examination, which shall be practical and shall involve only the duties of the position.

(3) The commissioner shall give the non-competitive examinations provided for in clause (2) upon request of any appointing authority, in accordance with personnel rules.

Sec. 8. Minnesota Statutes 1976, Section 43.20, Subdivision 2, is amended to read:

Subd. 2. When *the commissioner determines* there are urgent reasons for filling a vacancy in any position in the classified service and the commissioner is unable to certify from (ANY) *a complete and appropriate eligible list for the vacancy, the commissioner may, upon the request of the appointing authority, issue a provisional permit or certify a suitable person to fill such vacancy provisionally only until a selection and appointment can be made after competitive examination (; BUT). When requesting a provisional appointment, an appointing authority shall certify to the commissioner that he has determined that all persons on an incomplete appropriate list are unsuitable or unavailable for appointment. Before granting a provisional permit to a person, the commissioner shall review the qualifications of the prospective employee and shall make a preliminary determination that the person would be qualified for the position on a permanent basis or is qualified in all respects except for completion*

of a licensure requirement. No person shall receive more than one provisional appointment nor serve more than six months in any 12 month period as a provisional appointee, except, where in individual cases the commissioner grants an exception for the good of the service. If the position is opened for competitive examination after the appointment of a provisional employee, no person shall be denied certification to an eligible list for the position solely because he did not serve in the position in a provisional capacity. If a provisional appointment is made after a determination of the unavailability or unsuitability of all persons on the incomplete list, the commissioner may at the request of the appointing authority designate the provisional appointee as a probationary appointee if the employee has performed satisfactorily for at least 60 days in the provisional capacity and has received a passing score on an appropriate examination. A person receiving a probationary appointment after serving as a provisional appointee, shall be required to complete the same probationary period as other appointees to similar permanent positions.

Sec. 9. Minnesota Statutes 1976, Section 43.20, Subdivision 3, is amended to read:

Subd. 3. In case of an emergency, an appointment may be made without regard to the provisions of this chapter, but in no case shall it continue longer than ten working days, and in no case shall successive emergency appointments be made; this provision shall apply to both persons and positions; and no person shall receive more than three emergency appointments in any one or different positions within (ONE YEAR) *any 12 month period.*

Sec. 10. Minnesota Statutes 1976, Section 43.20, Subdivision 5, is amended to read:

Subd. 5. Where the services to be rendered by an appointee are for a temporary period not to exceed *an accumulation of six months in any 12 month period*, the commissioner shall certify from an eligible list for the temporary service any person he deems qualified; the acceptance or refusal by an eligible of a temporary appointment shall not affect his standing on the register for permanent employment, nor shall the period of temporary service be counted as a part of the probationary period in case of subsequent appointment to a permanent position. (NO PERSON SHALL RECEIVE MORE THAN ONE TEMPORARY APPOINTMENT WITHIN ONE YEAR.) No temporary appointment shall exceed *an accumulation of six months* except to fill a vacancy created by an approved leave of absence not to exceed one year or where the commissioner grants an extension of temporary appointment to the maximum of one year in the best interests of the state.

Sec. 11. Minnesota Statutes 1976, Section 43.20, is amended by adding a subdivision to read:

Subd. 7. Where the position to be filled is of a routine, service nature involving unskilled tasks, the performance of which cannot be directly related to qualifications beyond a minimum competency level, the commissioner may authorize the administration of a basic qualifying selection process designed to ascertain which candidates could perform the tasks of the job in a satisfactory manner. Any candidate found so qualified may be certified and appointed to such a position.

Sec. 12. Minnesota Statutes 1976, Section 43.24, Subdivision 1, is amended to read:

43.24 [REMOVAL.] Subdivision 1. In case of any disciplinary action, as enumerated in this section, the employee shall, before the action is taken, be furnished with a statement, in writing, setting forth the reasons for the disciplinary action, be permitted five days time to reply thereto, in writing, or upon his request, to appear personally and reply to the head of the department. A copy of the statement and the employee's reply, if any, shall be filed with the commissioner prior to the effective date thereof. *Any permanent employee in the classified service who is removed, discharged, suspended without pay, or reduced in pay or position, shall be notified no later than the effective date of the action of his right to appeal the action to the board.*

Sec. 13. Minnesota Statutes 1976, Section 43.32, Subdivision 11, is amended to read:

Subd. 11. [REVIEW OF TRAINING PLANS.] The head of each department shall be responsible, with the advice and counsel of the commissioner, for planning, budgeting and conducting training programs within the scope of the overall training plan. He shall submit his training plans and budgets for each year of the biennium to the commissioner for review and comment prior to the implementation of any program, but in any case no later than six weeks after the budget appropriations are approved.

For purposes of training, the commissioner may accept funds from any source and may be reimbursed by the various departments for reasonable program cost. *Moneys transferred to the commissioner pursuant to this subdivision are appropriated to the commissioner to perform training functions as provided herein.*

Subd. 2. [COMMISSIONER TO MAKE RULES ON TRAVEL.] The commissioner shall make personnel rules relating to travel of state (OFFICERS AND) employees on state business and expenses incurred thereon. *When unusual difficulty in recruiting qualified applicants is being encountered the commissioner may authorize the appointing authority to pay travel expenses incurred by applicants invited for oral examinations or for employment interviews in the same manner and amounts authorized by personnel rules for state employees.*

Sec. 16. Minnesota Statutes 1976, Section 43.491, is amended by adding a subdivision to read:

Subd. 5. Notwithstanding the restrictions contained in section 43.44, subdivision 2, a retired state employee who is eligible for, applies for and receives an annuity under a state retirement program shall be eligible to continue to participate at his own expense in the hospital benefits coverage and medical benefits coverage provided for other state employees by sections 43.42 to 43.50. The retired employee may also, at his own expense, continue hospital benefits coverage and medical benefits coverage for his dependents who meet the general dependent eligibility requirements for those coverages. The coverage shall be coordinated with relevant health insurance benefits provided through the federally-sponsored medicare program. Within 30 days after the effective date of this section or within 30 days after the effective date of his retirement, whichever day is later, the employee shall notify the commissioner or his designee of his intention to continue the coverage. The commissioner shall establish forms and procedures for exercise of the option provided by this section and for payment of necessary premiums.

Sec. 17. [RELIABILITY-BASED BAND WIDTH CERTIFICATION.] Subdivision 1. [SELECTION OF CLASSES.] *Notwithstanding the provisions of Minnesota Statutes, Section 43.18 or any other law to the contrary, the commissioner of personnel shall designate job classes in the state classified civil service to be filled according to the reliability-based band width*

certification procedure specified in this section. The commissioner shall designate classes covering a broad spectrum of types of employment and shall designate classes which include positions under the jurisdiction of the greatest possible number of state agencies.

Subd. 2. [DEFINITION.] As used in this section, reliability-based band width certification shall mean a process for the preparation of a list of certified eligibles for filling vacant positions within a job class, based upon the statistical reliability of the examination. The list shall be composed of those persons who received a passing score and whose scores fell within that top range of scores which the reliability determination reveals to be substantially indistinguishable. In no event shall a list of certified eligibles prepared under the band width certification procedure contain less than ten names unless fewer than ten persons received passing scores, in which case all persons who received passing scores shall be placed on the list. Names of certified eligibles on a list prepared under this section shall be placed in random order and shall not be ranked when delivered to an appointing authority. This section shall not be deemed to be inconsistent with other laws which would expand the size of an eligible list beyond the size provided for in this section.

Subd. 3. [PROCEDURES.] The commissioner shall establish uniform procedures for the implementation of this section. The procedures shall be adopted as temporary rules and, notwithstanding the limitations of Minnesota Statutes, Section 15.0412, shall be effective for the duration of the band width certification program unless superseded, repealed or amended by temporary or other rule. When a list of certified eligibles prepared pursuant to this section is supplied to an appointing authority, the list shall be accompanied by an explanation of the program and a copy or summary of applicable rules.

Subd. 4. [MONITORING; REPORT.] No later than January 1, 1980, the commissioner shall provide the governor and the legislature with a report giving the procedures, results, costs and evaluations of the program and the substance of comments received from affected persons. In the report he shall recommend whether to continue the program and what changes may be necessary. Periodically throughout the duration of the program he shall advise the governmental operations committees of the senate and the house of representatives and the legislative audit commission on the progress of the program and his evaluation to date.

Sec. 18. [APPROPRIATIONS.] *\$244,700 is appropriated from the general fund in the state treasury to the commissioner of personnel for the period ending June 30, 1979, to be used for personnel technical services, revision and mailing of job announcements, establishment of a toll free telephone service to*

assist potential applicants, determination of applicant availability and any other activity authorized by this act.

The authorized complement of the department is increased by ten persons.

Sec. 19. [EFFECTIVE DATE.] *This act is effective the day following final enactment. Section 17 expires June 30, 1980. Procedures relating to examinations announced prior to May 1, 1978, shall be completed pursuant to law in effect on the day prior to the effective date of this act. Certifications of eligibles in force on May 1, 1978, shall remain effective pursuant to law in effect on the day prior to the effective date of this act."*

[356.60] [LIMITATION OF PUBLIC RETIREMENT ANNUITIES.] *Subdivision 1. [DEFINITIONS.] For purposes of this section, unless the context clearly indicates otherwise, the following terms shall have the meanings given to them:*

(a) "Public pension plan" is any Minnesota public pension plan or fund, including any plan or fund enumerated in sections 356.21, subdivision 2, or 356.30, subdivision 3, any local police or firefighter's relief association to which section 69.77 applies, or any retirement or pension plan or fund, including a supplemental retirement plan or fund, established, maintained or supported by any governmental subdivision or public body whose revenues are derived from taxation, fees, assessments or from other public sources, which provides pension or retirement coverage for public employees other than volunteer firefighters.

(b) "Year of covered service" is a year of covered, credited or allowable service as defined by a public pension plan which provides formula pension or retirement benefits, or a period of 12 consecutive months of service commencing with the date or

anniversary date of membership with a public pension plan or program which does not provide formula or other defined benefits and for which contributions on behalf of the covered employee or member have been made.

Subd. 2. [SERVICE MAXIMUM.] Notwithstanding any provisions to the contrary of the laws, bylaws, articles of incorporation, retirement and disability allowance plan agreements or retirement plan contracts, no person who has pension or retirement coverage by a public pension plan shall, except as provided in subdivision 3, be entitled to accrue additional pension or retirement credit, receive credit for additional pension or retirement contributions in a nonformula public pension plan, repay additional refunds, or purchase additional prior service credit in excess of a cumulative total of 40 years of covered service.

If a person has service in more than one public pension plan, all years or portions of years of covered service shall be included in computing the cumulative maximum of 40 years of covered service. For any period of time during which a person simultaneously has a year or a fraction of a year of covered service in more than one public pension plan, the years of covered service in each applicable public pension plan shall be included in computing the cumulative maximum of 40 years of covered service unless the simultaneous covered service is the result of two part time employments, in which case each applicable public pension plan shall split each year of covered service on a pro rata basis. If the simultaneous covered service is the result of primary and principal pension plan coverage and supplemental pension plan coverage based on the same employment and contributed to by the same public employer, then a year of service credited in each shall be considered together as a single year of covered service in computing the cumulative maximum.

Subd. 3. [EXCEPTION TO MAXIMUM.] For any person who, as of the effective date of this section, has covered service in a public pension plan in excess of a cumulative total of 40 years, the provisions of subdivision 2 shall apply to any additional years of covered service occurring after the effective date of this section.

Subd. 2. [REDUCED RETIREMENT ANNUITY.] Upon separation from service, any coordinated employee who has attained the age of at least 58 years and who has received credit for not less than 20 years of service is entitled upon application to a retirement annuity in an amount equal to the normal coordinated retirement annuity reduced (BY ONE HALF OF ONE PERCENT FOR EACH MONTH THAT A COORDINATED EMPLOYEE IS UNDER AGE 65 AT THE TIME OF RETIREMENT) so that the reduced annuity shall be the actuarial equiva-

lent of the annuity which would be payable to the coordinated employee if the coordinated employee deferred receipt of the annuity from the date of retirement to age 65; provided however that for any coordinated employee who has received credit for 30 or more years of service who applies for a retirement annuity, (SUCH REDUCTION) the normal coordinated retirement annuity shall be (APPLIED FOR EACH MONTH THAT THE COORDINATED EMPLOYEE IS UNDER) reduced so that the reduced annuity shall be the actuarial equivalent of the annuity which would be payable to the coordinated employee if the coordinated employee deferred receipt of the annuity from the date of retirement to age 62 (AT THE TIME OF RETIREMENT).

Sec. 11. Any person who was employed by the city of Minneapolis between February 15, 1972 and March 15, 1972, who attained the age of 65 years on December 17, 1974, who was excluded from membership in the Minneapolis municipal employees retirement fund during the period of his employment, and who was terminated from employment by the city of Minneapolis on December 30, 1976, shall be entitled to purchase four years and ten months of service credit in the Minneapolis municipal employees retirement fund. To purchase the prior service credit, the person shall be required to make an employee contribution to the executive secretary of the Minneapolis municipal employees retirement fund in an amount equal to the employee contribution rate in effect and on the salaries in effect during the period of prior service plus interest at the rate of six percent per annum compounded annually from the date the contribution would otherwise have been made to the date the payment is made. Upon the completion by the person of the payment required by this action, the city of Minneapolis shall make an employer contribution to the executive secretary of the Minneapolis municipal employees retirement fund in an amount equal to the employer and employer additional contribution rates in effect and on the salaries in effect during the period of prior service plus interest at the rate of six percent per annum compounded annually from the date the contributions would otherwise have been made to the date the payment is made. In addition, the person making the purchase of prior service pursuant to this section shall be entitled to receive a proportionate annuity pursuant to Minnesota Statutes, Section 356.32, Subdivision 1, notwithstanding the fact that the person did not retire at age 65. The annuity shall be payable on the first day of the month next following the completion of the purchase of prior service, and the first check or warrant shall include payment retroactive January 1, 1977.

Sec. 12. [STUDY OF OVERTIME ABUSES AND RETIREMENT.] The commissioner of personnel shall complete a study and shall make an interim report to the legislative commission on pensions and retirement on or before November 15, 1978 on the subject of overtime compensation and extraordinary payment abuses affecting public retirement annuities. The study and report shall consist of an examination of the salary histories of a random sampling of persons from the various departments,

divisions and agencies of state government who have retired in the period January 1, 1975 to December 31, 1977, contrasting variations in the compensation paid during the final five years of service with the compensation paid during the preceding ten years of employment. The examination shall attempt to isolate the effect of any overtime compensation and other extraordinary payments. The persons utilized in the random sample shall not be identified in the report or any materials for public release. The Minnesota state retirement system shall furnish information requested by the commissioner of personnel in connection with this study.

Sec. 13. *Minnesota Statutes 1976, Section 356.34, as amended by Laws 1977, Chapter 429, Section 49, is repealed.*

(c) Foundation aid for shared time pupils shall be paid to the district of the pupil's residence. If a pupil attends shared time classes in another district, the resident district shall pay to the district of attendance an amount of tuition equal to the ratio in clause (a) times the amount of tuition which would be charged and paid for a nonresident public school pupil in a similar circumstance. The district of residence shall not be obligated for tuition except by previous agreement.

(d) Notwithstanding the provisions of clause (c), the resident district of a shared time pupil attending shared time classes in another district may grant the district of attendance, upon its request, permission to claim the pupil as a resident for state aid purposes. The authority shall make the plan available to the public at least 15 days prior to the date of the public hearing.

Subd. 5. [PLANNING AGENCY APPROVAL.] The governing body of the municipality shall furnish the planning agency or commission of the municipality with a copy of the public improvement district plan. No plan may be adopted by the municipality until the planning agency or commission has reviewed the tax increment financing plan and commented as to its conformity with the general plan for the development of the municipality or 60 days have passed from the date of submission of the plan to the agency or commission.

Sec. 4. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.74] [INTERVAL BEFORE REDEVELOPMENT ACTIVITY.] Planning and preliminary procedures relating to the development of a tax increment financing plan pursuant to section 5 may be carried on during the time when the procedure described in section 3 is being conducted; provided that no tax increment financing project may be approved within a public improvement district until at least 90 days have passed from the date of final approval of a public improvement plan by the governing body of a municipality pursuant to section 3.

Sec. 5. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.75] [APPROVAL OF USE OF TAX INCREMENT FINANCING.] **Subdivision 1. [APPROVAL BY GOVERNING BODY.]** No county auditor shall certify the value of a tax increment district until the tax increment financing plan proposed for that district has been approved by the governing body of the municipality in which the project is proposed to be located. If an authority which proposes to establish a tax increment project and the governing body of the municipality are not the same, the authority shall apply to the governing body of the municipality in which the project would be located and shall obtain the approval of its tax increment financing plan by the governing body before the authority may use tax increment financing.

Subd. 2. [TAX INCREMENT FINANCING PLAN.] In the application, the authority shall furnish the governing body with its plan for the use of tax increment financing. The tax increment financing plan submitted to the governing body for its approval shall include findings made by the authority that the use of tax increment financing in the proposed tax increment district is necessary because of the lack of private investment

activity in the area. If the project is proposed to be located in a public improvement district, the plan shall include a finding that the tax increment financing plan conforms to the public improvement district plan of the municipality. The specific factual bases for these findings shall be set forth. The plan shall also contain the following information: a statement by the authority of the objectives of the project; the development program for the project; estimates of the following: cost of the project, including administrative expenses; amount of bonded indebtedness to be incurred; sources of revenue to finance project costs; the original assessed value of property in the project; and the projected captured assessed value of the project at the time of its completion. If the authority proposes to use only a portion of the captured assessed value of a district for tax increment financing purposes, the plan shall state what portion is proposed to be used.

Subd. 3. [PUBLIC HEARING.] Before approving a tax increment financing plan the governing body shall hold a public hearing on the plan. Notice of the hearing shall be published in a newspaper of general circulation in the municipality at least twice no less than ten days nor more than 30 days prior to the date of the hearing. The authority shall make the plan available to the public at least 30 days prior to the date of the public hearing.

Subd. 4. [NOTICE TO LOCAL BOARDS; STATE PLANNING AGENCY.] At least thirty days prior to the date of the public hearing held pursuant to subdivision 3, the school board and board of county commissioners of the school district and county within which the tax increment project is proposed to be located, the state planning agency, and, if the proposed project is located in the metropolitan area defined in section 473.121, subdivision 2, the metropolitan council, shall be furnished with copies of the tax increment financing plan. A representative of the state planning agency may comment and a representative of each other board and agency receiving the plan shall comment on the plan at the public hearing. Absence of comment shall not prevent approval of a plan nor invalidate bonds issued to finance its execution.

Subd. 5. [APPROVAL BY GOVERNING BODY.] No bonds shall be issued to finance a tax increment project unless the authority has concluded an agreement or agreements with one or more developers which provide for the execution of the project plan covering in the case of a housing or economic development project, 85 percent or in the case of a redevelopment project, 75 percent of the area of the proposed project and which provide recourse for the authority against the developer should the execution of the project plan fail because of the default of the developer. A copy of the agreement shall be submitted to and approved by the governing body. No plan shall be approved unless the governing body finds that the proposed project will

not contribute to urban sprawl. Any proposal to use tax increment financing in relation to any previously unincorporated real property annexed by the municipality pursuant to chapter 414 within three years prior to the date of the application shall be deemed to contribute to urban sprawl. If the authority and the governing body of the municipality are not the same, the governing body shall within 90 days after submission of the application or resubmission as provided herein, give written notice to the authority of its decision with respect to the tax increment financing plan. If approval is not given within 90 days the application shall be deemed to have been rejected. A plan which has not been approved by the governing body when submitted to it may be again submitted to it with such modifications as are necessary to meet its objections.

Subd. 6. [MODIFICATION OF PLAN.] Any tax increment financing plan may be modified by an authority. Any enlargement of geographic area, increase in amount of bonded indebtedness to be incurred, increase in the portion of the captured assessed value to be retained by the authority or use of revenues derived from any district in the municipality, if not included in the original tax increment financing plan, shall be approved by the governing body of the municipality upon notice and after public hearing as are required pursuant to the provisions of subdivision 3.

The original assessed value of any taxable real property added to a tax increment project pursuant to this subdivision shall be the assessed value of that real property as most recently determined prior to the modification of the financing plan which added the property.

If property which is added to a project pursuant to this subdivision is exempt from taxation at the time of its addition to the project, the value of the parcel shall be added to the base at zero.

Subd. 7. [ELIMINATION OF TAX-EXEMPT PROPERTY.] If, at any time after certification of the original assessed value of a tax increment district pursuant to section 7, a parcel located within the district is acquired by an owner who pays gross earnings tax in lieu of property tax, so that the parcel becomes exempt from property taxation, an authority may eliminate that parcel from the district. Upon application of the authority, the county auditor shall reduce the original assessed value of the district by the amount of the value of that parcel at the time of certification of the district.

Sec. 6. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.76] [LIMITATION ON INCREMENTS.] If, after five years from the date of certification of the value of the tax

increment district pursuant to section 7, no demolition, rehabilitation or renovation of property or other site preparation, including improvement of a street adjacent to a parcel in the district but not installation of utility service property has been commenced on a parcel located within a project by the authority or by the owner of the property in accordance with the tax increment financing plan, no additional tax increments may be taken from that parcel, and the original assessed value of that parcel shall be excluded from the certified value of the tax increment district. If the authority subsequently commences demolition, rehabilitation or renovation or other site preparation on that parcel in accordance with the tax increment financing plan, the authority shall certify to the county auditor that the activity has commenced, and the parcel may be added into the tax increment district. The county auditor shall certify the most recently assessed value of that parcel and add it to the original assessed value of the tax increment district.

Sec. 7. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.77] [COMPUTATION OF TAX INCREMENT.] *Subdivision 1. [ORIGINAL ASSESSED VALUE.] After a tax increment financing plan has been approved by the governing body the auditor of the county in which the district is situated shall, upon request of the authority, certify the original assessed value of the tax increment district as described in the tax increment financing plan. The county auditor shall have the power to specify the form and content of the request for certification of the authority and any modification thereof pursuant to section 5, subdivision 6.*

Subd. 2. [RELATIONSHIP OF CERTAIN DISTRICTS TO CHAPTER 473F.] For purposes of the computations required by this section for any tax increment district, the original assessed value shall not include any portion thereof which is subject to the area wide tax imposed by section 473F.08, subdivision 6, in the levy and assessment of taxes in the year the project is certified or thereafter. For purposes of the computations required by this section for tax increment districts created for the purpose of financing economic development or redevelopment, the current assessed value shall not include the portion thereof which is subject to the area wide tax imposed by section 473F.08, subdivision 6, but shall not otherwise be reduced by the amount of the contribution of the municipality to the area wide tax base pursuant to section 473F.08, subdivision 2 (a). As provided in chapter 473F, that portion of the valuation of property in a tax increment district which is residential property shall be exempt from the requirements of chapter 473F. This subdivision shall apply to taxes payable in 1979 and thereafter for all development districts created pursuant to Minnesota Statutes, Chapter 472A, or any special law, whether approved before or after the effective date of sections 1 to 15.

Subd. 3. [CAPTURED ASSESSED VALUE.] *The county auditor shall certify the amount of the captured assessed value to the authority each year. If the plan provides that all the captured assessed value is necessary to finance or otherwise make permissible expenditures under section 9, subdivision 3, the authority may retain the full captured assessed value. If the plan provides that only a portion of the captured assessed value is necessary to finance or otherwise make those expenditures, only that portion should be set aside and the remainder shall be distributed among the affected taxing districts by the county auditor.*

Subd. 4. [TAX INCREMENTS.] (a) *In each subsequent year, the county auditor shall compute assessed valuation, mill rates and tax increments according to the following method:*

(1) *If the authority retains the full captured assessed value, the county auditor shall include no more than the original assessed value in the tax increment district for purposes of determining assessed value for local mill rates. The county auditor shall compute the mill rates of all taxes levied by the state, the county, the municipality or town, the school district and every other taxing district in which the project is located in whole or in part on that assessed value. The county auditor shall extend all mill rates against the current assessed value, including the captured assessed value. In each year for which the current assessed value exceeds the original assessed value, the county treasurer shall remit to the authority that proportion of all taxes paid that year on real property in the district which the captured assessed value bears to the total current assessed value. The amount so remitted each year is referred to in this section as the tax increment for that year.*

(2) *If the authority retains only a portion of the captured assessed value for its use and returns the remaining portion to the tax rolls of all affected taxing districts, the county auditor shall include the original assessed value and that portion of the captured assessed value which is shared with all the affected taxing districts in determining the assessed value for computing mill rates. He shall compute the mill rates of all taxes levied by the state, county, municipality, school district, and every other taxing district in which the project is located in whole or in part on that assessed value. He shall extend all mill rates against the total current assessed value including that portion of the captured assessed value which the authority is retaining for its use only. In each year for which the current assessed value exceeds the original assessed value, the county treasurer shall remit to the authority that proportion of all taxes paid on real property in the district that the retained captured assessed value bears to the total current assessed value in the district. The amount so remitted each year is referred to as the tax increment.*

(b) *In any year in which the current assessed value of the tax increment district is less than the original assessed value,*

the county auditor shall compute and extend taxes against the current assessed value. Taxes shall be distributed from the affected property to each of the taxing jurisdictions as determined by the current levy and there shall be no tax increment.

Sec. 8. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.78] [LIMITATION ON TAX INCREMENT DISTRICTS.] *Subdivision 1. [PERCENTAGE OF VALUE.] No tax increment district may be certified in a municipality by the county auditor if the sum of (1) the total captured assessed value of taxable real property in all tax increment projects or districts within the municipality, plus (2) the estimated captured assessed valuation of the proposed project at completion of construction as stated in the tax increment financing plan, plus (3) the unrealized estimated captured assessed valuation of all other previously approved tax increment projects or districts at completion of construction according to the tax increment financing plan, or in the case of projects or districts which were approved prior to the effective date of sections 1 to 15, pursuant to law which did not at the time of approval require adoption of a tax increment financing plan, the unrealized estimated captured assessed valuation, upon completion of all improvements which have been approved by the authority within the project or district at the time when the new project is proposed, exceeds the percent of the total assessed value of taxable real property in the municipality, as most recently determined by the county auditor specified herein: if the total assessed value is \$750,000,000 or more, seven percent; if the total assessed value is more than \$199,999,999, and less than \$750,000,000, seven and one half percent; if more than \$24,999,999 but less than \$200,000,000, ten percent; if more than \$7,499,999 but less than \$25,000,000, twelve percent; and if less than \$7,500,000, fifteen percent.*

Subd. 2. [DURATION OF TAX INCREMENT DISTRICTS.] Any pledge of revenues, including tax increments, to the payment of bonds and interest thereon may be discharged and the tax increment district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to such maturity or redemption date, provided that for bonds issued pursuant to sections 11 or 12 the full faith and credit and any taxing powers of the municipality or authority, as the case may be, shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full.

Sec. 9. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.79] [TAX INCREMENT PROCEEDS.] *Subdivision 1. [ACCOUNTS.] The proceeds of tax increments received*

with respect to any project shall be segregated by the authority receiving them in a special account or accounts on its official books and records or otherwise established by resolution of the authority to be held by a trustee for the benefit of holders of the bonds.

Subd. 2. [EXCESS INCREMENTS.] *In any year in which the tax increments exceed the amount necessary to pay the costs authorized by the tax increment financing plan, including the amount necessary to cancel any tax levy as provided in section 475.61, subdivision 3, the authority shall use the excess amount to prepay any outstanding bonds or discharge the pledge of tax increments therefor or shall return the money to the municipality, county and school district in which the tax increment district is located in direct proportion to their respective mill rates.*

Subd. 3. [LIMITATION ON USE OF TAX INCREMENTS.] *Except in the case of a tax increment project or district for which certification was requested prior to the effective date of sections 1 to 15 pursuant to a law which did not at that date require adoption of a tax increment financing plan, revenues derived from tax increments subsequent to the effective date of sections 1 to 15 shall be used only to pay off bonds or to make any other expenditure authorized by the general or special law under which the authority was created or operates, and only as authorized in the tax increment financing plan.*

Subd. 4. [LIMITATION ON ADMINISTRATIVE EXPENSES.] *Tax increments shall not be used to pay any administrative expenses which exceed five percent of the total cost of a project which is subject to the provisions of sections 1 to 15.*

Subd. 5. [LIMITATION ON DURATION OF INCREMENTS.] *Tax increments may be taken from parcels comprising a redevelopment project or a housing project for a period lasting no more than 25 years from the approval of the plan pursuant to section 5, and from parcels comprising an economic development project for a period lasting no more than ten years after receipt of the first increments or twelve years from the approval of the plan pursuant to section 5, whichever is sooner.*

Sec. 10. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.80] [RESTRICTION ON FUTURE BOND ISSUES.] *Notwithstanding the provisions of any other law to the contrary, after the effective date of this act, no bonds for payment of which tax increments are pledged shall be issued in connection with any tax increment project or district other than as authorized by sections 11 to 13. The proceeds of any bonds authorized hereby shall be used only in accordance with section 9, subdivision 3, as if the proceeds were tax increments.*

Sec. 11. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.81] [MUNICIPAL GENERAL OBLIGATION BONDS.] *Subdivision 1. [ISSUANCE.] A municipality may authorize general obligation bonds to finance any expenditure which the municipality or any other authority the jurisdiction of which is wholly or partially within that municipality is permitted to make pursuant to section 9, subdivision 3. The bonds shall be issued, sold and secured in the same manner and subject only to the same conditions as those provided in chapter 475, for bonds financing improvement costs reimbursable from special assessments.*

Subd. 2. [PLEDGE.] Any pledge of tax increments, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this section, except when the authority and the municipality are the same, shall be made by written agreement by and between the authority and the municipality and filed with the county auditor. When the authority and the municipality are the same, the municipality may by covenant pledge tax increments, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this section. The resolution containing the covenant shall be filed with the county auditor. When tax increments, assessments and other revenues are pledged, the estimated collections of the tax increments, assessments and other revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds under section 475.61, subdivision 1, or may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 1 or 3. The pledge of any revenues, including tax increments, to the payment of bonds and interest may be discharged if sufficient funds have been irrevocably deposited in escrow to provide for payment when due of the bonds and interest. The full faith and credit and taxing powers of the municipality shall continue to be pledged to the payment of any general obligation bonds until the principal of and interest on the bonds have been paid in full.

Sec. 12. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.82] [AUTHORITY GENERAL OBLIGATION BONDS.] *When the authority and the municipality are not the same, an authority may, by resolution, authorize, issue and sell its general obligation bonds to finance any expenditure which that authority is authorized to make by section 9, subdivision 3. The full faith and credit and taxing power of the authority shall be and are hereby pledged to the payment of the bonds and interest thereon. Any revenues, including tax increments and assessments, derived from a tax increment district, may be pledged to the payment of the bonds and interest thereon. The bonds of*

the authority shall be authorized by its resolution, shall mature as determined by resolution of the authority in accordance with sections 1 to 15. The bonds may be issued in one or more series and shall bear the date or dates, bear interest at the rate or rates, be in the denomination or denominations, be in the form, either coupon or registered, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable in medium of payment at the place or places, and be subject to the terms of redemption, with or without premium, as the resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine. Notwithstanding any provision of law to the contrary, the bonds shall be fully negotiable. In any suit, action, or proceedings involving the validity or enforceability of any such bonds of the authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a project shall be deemed to have been issued for that purpose, and the project shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of sections 1 to 15.

Subd. 2. [LIABILITY ON BONDS.] Neither the governing body of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds of the authority, as the bonds shall state on their face, shall not be a debt of any municipality, the state or any political subdivision thereof, and neither the municipality nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall the bonds be payable out of any funds or properties other than those of the authority and any tax increments and revenues of a tax increment district pledged therefor.

Sec. 13. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.83] [REVENUE BONDS.] Subdivision 1. [ISSUANCE.] *An authority may, by resolution, authorize, issue and sell revenue bonds payable solely from all or a portion of revenues, including but not limited to tax increment revenues and assessments, derived from a tax increment district located wholly or partially within the municipality to finance any expenditure which that authority is authorized to make by section 9, subdivision 3, and may pledge the revenues to the payment of the bonds and the interest thereon. The bonds shall mature as determined by resolution of the authority in accordance with the provisions of sections 1 to 15 and may be issued in one or more series and shall bear the date or dates, bear interest at the rate or rates, be in the denomination or denominations, be in the form, either coupon or registered, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable in medium of payment at the place or places, and be subject to the terms of redemption, with or without*

premium, as the resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine. Notwithstanding any provision of law to the contrary, the bonds shall be fully negotiable. In any suit, action, or proceedings involving the validity or enforceability of any such bonds of the authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a project shall be deemed to have been issued for that purpose, and the project shall be deemed to have been planned, located, and carried out in accordance with the purposes and provisions of sections 1 to 15.

Subd. 2. [LIABILITY ON BONDS.] Neither the governing body of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds may be further secured by a pledge and mortgage of all or any portion of the project in aid of which the bonds are issued and the covenants the authority deems by the resolution to be necessary and proper to secure payment of the bonds. The bonds, as they shall state on their face, shall not be payable from nor charged upon any funds other than the revenues and property pledged or mortgaged to the payment thereof, nor shall the authority issuing the same be subject to any liability thereon or have the powers to obligate itself to pay or to pay the bonds from funds other than the revenues and properties pledged and mortgaged and no holder of the bonds shall ever have the right to compel any exercise of any taxing power of the issuing authority or any other public body, other than as is permitted or required under sections 1 to 16 and pledged therefor hereunder, to pay the principal of or interest on the bonds, nor to enforce payment thereof against any property of the authority or other public body other than that expressly pledged or mortgaged for the payment thereof.

Sec. 14. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.84] [ANNUAL DISCLOSURE.] *For all tax increment districts, whether created prior, or subsequent to the effective date of this act, on or before July 1 each year, the authority shall submit to the county board, the school board, the state planning agency and, if the authority is other than the governing body, the governing body of the municipality a report on the status of the district. The report shall include the following information: the amount and the source of revenue in the account, the amount and purpose of expenditures from the account, the amount of principal and interest on any outstanding bonded indebtedness, the original assessed value of the district, the captured assessed value retained by the authority, the captured assessed value shared with other taxing districts, the tax increments received and any additional information necessary to demonstrate compliance with any applicable tax increment fi-*

nancing plan. An annual statement showing the tax increments received and expended in that year, the original assessed value, captured assessed value, amount of outstanding bonded indebtedness, and any additional information the authority deems necessary shall be published in a newspaper of general circulation in the municipality.

Sec. 15. Minnesota Statutes 1976, Chapter 273, is amended by adding a section to read:

[273.85] [EXISTING PROJECTS.] *The provisions of sections 1 to 16 shall not affect any redevelopment project as defined in section 462.421, subdivision 13, industrial development district as defined in section 458.191, project as defined in section 474.02, subdivision 1 or section 362A.01, subdivision 2, or development district as defined in section 472A.02, subdivision 3 or any special law, for which certification was requested pursuant to those laws prior to the effective date of sections 1 to 15, or any project carried on by an authority pursuant to Minnesota Statutes, Section 462.545, Subdivision 5 with respect to which the governing body has by resolution designated properties for inclusion in the project prior to the effective date of sections 1 to 15, except:*

(a) *As otherwise provided in sections 1 to 15;*

(b) *As an authority may elect to proceed with an existing redevelopment project, industrial development district, project or development district under the provisions of sections 1 to 15; or*

(c) *That any geographic area added to an existing redevelopment project, industrial development district, project or development district as a result of boundary expansion subsequent to the effective date of sections 1 to 15 shall be added in accordance with and be subject to the terms and conditions of sections 1 to 15.*

Sec. 16. Minnesota Statutes 1976, Section 458.192, Subdivision 11, is amended to read:

Subd. 11. Upon or after the creation of an industrial development district under section 458.191 *which is not subject to the provisions of sections 1 to 15*, the auditor of the county in which it is situated shall upon request of the port authority certify the then most recently determined assessed valuation of all or so much of the taxable real property within the district as is identified by legal description in the request, other than that portion of the valuation which is contributed to an area-wide tax base under chapter 473F. The auditor shall certify to the authority in each year thereafter the amounts and percentages of subsequent increases or decreases in such valuation other than that portion

of such increases or decreases which is contributed to an area-wide tax base under chapter 473F. The auditor shall compute the mill rates of taxes against such original valuation but shall extend such rates also against any incremental value and remit the resulting tax increment to the port authority in the same manner as that provided for the computation and remittance of tax increments under section 462.585, subdivisions 2 and 3. The port authority shall segregate tax increments received with respect to any such property district in a special account on its official books and records. Such tax increments shall be remitted to the port authority until the cost of redevelopment of the marginal land within the district, including interest thereon, has been fully reimbursed from the tax increments. When such full reimbursement has been made, it shall be reported by the port authority to the county auditor, who shall thereafter include the entire assessed valuation of the property in the assessed valuations upon which tax mill rates are computed and extended and taxes are remitted to all taxing districts. Any part or all of such tax, if so directed by the city council, shall be pledged and appropriated for the payment of any general obligation bonds of the port authority. Increases in the value of such property, subsequent to certification of the base for computing the tax increment therefrom, shall not be included in the assessed valuation of any taxing district for the purpose of computing any debt or levy limitation or the amount of any state or federal aid to the taxing district, so long as the tax increment therefrom is segregated under the provisions of this section. *The provisions of this subdivision shall not apply with respect to any project, certification of which is requested subsequent to the effective date of the tax increment financing act.*

Sec. 17. Minnesota Statutes 1976, Section 462.545, Subdivision 5, is amended to read:

Subd. 5. [SPECIAL BENEFIT TAX FUND.] In the event the authority shall issue bonds or other obligations to finance a redevelopment project, the authority may, in its discretion, with the consent of the governing body obtained at the time of the approval of the redevelopment plan as required in section 462.521, notify the county treasurer to set aside in a special fund, for the retirement of such bonds and interest thereon, all or part of the real estate tax revenues derived from the real property in the redevelopment area which is in excess of the tax revenue derived therefrom in the tax year immediately preceding the acquisition of such property by the authority, and it shall be the duty of the county treasurer so to do. Such setting aside of funds shall continue until the bonds or other obligations have been retired. *The provisions of this subdivision shall not apply with respect to any property which the governing body has not by resolution designated for inclusion in a project prior to the effective date of this act.*

Sec. 18. Minnesota Statutes 1976, Section 462.585, Subdivision 1, is amended to read:

462.585 [AGREEMENTS RESPECTING TAX INCREMENTS AND EQUIVALENTS; PLEDGE FOR BONDS.] Subdivision 1. [GENERAL.] In connection with any project of an authority located wholly or partly within the corporate limits of any municipality or other state public body, such body may agree with the authority with respect to the payment by the authority of such sums in lieu of taxes for any year or period of years in accordance with the provisions of section 462.575, but for no longer period than the period of tax exemption provided for under that section. In any case where property owned by the authority in a redevelopment project area is leased or otherwise made available by the authority to a private individual, firm, or corporation which previously owned the same or other property within the area, not for development in connection with the project but for temporary use pending relocation of such former owner's residence or business, the authority may agree to payment of sums in lieu of taxes for any year or period of such temporary use, not exceeding the amount of the annual rentals or other payments it receives for such use, but during such use the property and the authority shall be exempt from all taxes and special assessments as provided in section 462.575, and the provisions of section 272.01, subdivision 2 and of section 273.19 shall not apply to such property or to such use thereof. In connection with any redevelopment project, an authority may make further agreements respecting taxes as provided below *in the case of projects which are not subject to the provisions of sections 1 to 15. The provisions of subdivisions 2 and 3 shall not apply with respect to any project, certification of which is requested subsequent to the effective date of the tax increment financing act.*

Sec. 19. Minnesota Statutes 1976, Section 462.585, Subdivision 4, is amended to read:

Subd. 4. [TAX INCREMENT FINANCING.] The authority may pledge and appropriate any part or all of the tax increments received for any redevelopment project, and any part or all of the revenues received from lands in the project area while owned by the authority, for the payment of the principal of and interest on bonds issued in aid of the project pursuant to sections 462.551, 462.581, or chapter 474, by the authority or by the governing body of the municipality or other state public body within whose corporate limits the project area is situated. Any such pledge for the payment of bonds issued by the governing body shall be made by written agreement executed on behalf of the authority and the governing body and filed with the county auditor. The estimated collections of the tax increments and any other revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds under section 475.61, subdivision 1, or the collections thereof may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 3. When such an agreement is made and filed, the bonds may be issued by the governing body in the same manner and subject only to the same conditions as those provided in chapter 475 for bonds financing improve-

ment costs reimbursable from special assessments. *Bonds shall not be issued nor tax increments or other revenues pledged pursuant to this subdivision subsequent to the effective date of the tax increment financing act.*

Sec. 20. Minnesota Statutes 1976, Section 472A.06, is amended to read:

We, the undersigned conferees for S. F. No. 804, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and S. F. No. 804 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 169.01, is amended by adding a subdivision to read:

Subd. 61. [ALCOHOL CONCENTRATION.] "Alcohol concentration" means

(a) the number of grams of alcohol per 100 milliliters of blood, or

(b) the number of grams of alcohol per 210 liters of breath, or

(c) the number of grams of alcohol per 67 milliliters of urine.

Sec. 2. Minnesota Statutes 1976, Section 169.121, is amended to read:

169.121 [MOTOR VEHICLE DRIVERS UNDER INFLUENCE OF ALCOHOL OR CONTROLLED SUBSTANCE.] Subdivision 1. It (SHALL BE) is a misdemeanor for any person (DESCRIBED IN CLAUSES (A), (B), (C) OR (D)) to drive, operate or be in (ACTUAL) physical control of any motor vehicle within this state:

(a) (A) When the person (WHO) is under the influence of (AN ALCOHOLIC BEVERAGE OR NARCOTIC DRUG) alcohol;

(b) (A) When the person (WHO IS AN HABITUAL USER OF NARCOTIC DRUGS OR WHO) is under the influence of a controlled substance (WHICH IMPAIRS THE ABILITY TO DRIVE);

(WHEN A POLICE OFFICER HAS REASON TO BELIEVE FROM THE MANNER IN WHICH A DRIVER IS DRIVING, OPERATING, OR ACTUALLY CONTROLLING, OR HAS DRIVEN, OPERATED, OR ACTUALLY CONTROLLED, A

VEHICLE THAT SUCH DRIVER MAY BE VIOLATING THIS SUBDIVISION HE MAY REQUIRE THE DRIVER TO PROVIDE A SAMPLE OF HIS BREATH FOR AN IMMEDIATE PRELIMINARY SCREENING TEST OR ANALYSIS BEFORE AN ARREST IS MADE, USING A DEVICE APPROVED BY THE COMMISSIONER FOR THIS PURPOSE. THE RESULTS OF SUCH A PRELIMINARY SCREENING TEST OR ANALYSIS SHALL BE USED ONLY FOR THE PURPOSE OF GUIDING THE OFFICER IN DECIDING WHETHER AN ARREST SHOULD BE MADE, AND SHALL NOT BE USED AS EVIDENCE IN ANY COURT ACTION.)

(THE DRIVER OF ANY MOTOR VEHICLE SHALL FURNISH SUCH A SAMPLE OF HIS BREATH WHEN REQUIRED TO DO SO. THE PROVISIONS OF SECTION 169.123, SHALL APPLY TO ANY DRIVER WHO REFUSES TO FURNISH A SAMPLE OF HIS BREATH; PROVIDED THAT THE LICENSE OR PERMIT OF A DRIVER SHALL NOT BE REVOKED PURSUANT TO SECTION 169.123, SUBDIVISION 4, FOR REFUSAL TO PROVIDE A SAMPLE OF HIS BREATH FOR PRELIMINARY SCREENING PURPOSES, IF HE SUBMITS TO A BLOOD, BREATH OR URINE TEST TO DETERMINE THE ALCOHOLIC CONTENT OF HIS BLOOD PURSUANT TO SECTION 169.123, SUBDIVISION 2. ANOTHER TEST MAY BE REQUIRED OF THE DRIVER FOLLOWING THE SCREENING TEST PURSUANT TO THE PROVISIONS OF THIS CHAPTER, WHICH SHALL BE ADMISSIBLE EVIDENCE IN ACCORDANCE THEREWITH.)

(NOTHING IN THIS SUBDIVISION AUTHORIZING SUCH PRELIMINARY SCREENING TEST OR ANALYSIS SHALL BE CONSTRUED AS CHANGING, LIMITING, OR OTHERWISE MODIFYING THE PROCEDURES, SAFEGUARDS, AND OTHER PROVISIONS OF SECTIONS 169.121 TO 169.123 OR ORDINANCES IN CONFORMITY THEREWITH.)

The provisions of this subdivision apply, but are not limited in application, to any person who drives, operates, or (WHO) is in (ACTUAL) physical control of any *motor* vehicle in the manner prohibited by this subdivision upon the ice of any lake, stream, or river, including but not limited to the ice of any boundary water.

For the purposes of this subdivision:

(a) evidence that there was at the time *an alcohol concentration of 0.05 (PERCENT) or less (BY WEIGHT OF ALCOHOL IN THE PERSON'S BLOOD)* is prima facie evidence that (SUCH) *the person was not under the influence of (AN ALCOHOLIC BEVERAGE) alcohol;*

(b) evidence that there was at the time *an alcohol concentration of more than 0.05 (PERCENT) and less than 0.10 (PERCENT BY WEIGHT OF ALCOHOL IN THE PERSON'S BLOOD)* is relevant evidence (BUT IT IS NOT TO BE GIVEN PRIMA FACIE EFFECT) in indicating whether or not the person was under the influence of (AN ALCOHOLIC BEVERAGE) *alcohol.*

The foregoing provisions (SHALL NOT BE CONSTRUED AS LIMITING) *do not limit* the introduction of any other competent evidence bearing upon the question whether or not (SUCH) *the person was under the influence of (AN ALCOHOLIC BEVERAGE) alcohol or a controlled substance.*

(FOR THE PURPOSES OF THIS SECTION, AN "ALCOHOLIC BEVERAGE" MEANS ANY LIQUID CONTAINING MORE THAN ONE-HALF OF ONE PERCENT OF ALCOHOL BY VOLUME.)

(FOR THE PURPOSES OF THIS SECTION "PERCENT BY WEIGHT OF ALCOHOL" SHALL BE DEFINED AS THE NUMBER OF GRAMS OF ALCOHOL PER 100 MILLILITERS OF BLOOD.)

Subd. 6. When a peace officer has reason to believe from the manner in which a person is driving, operating, or controlling a motor vehicle, or has driven, operated, or controlled a motor vehicle, that the driver may be violating or has violated subdivision 1, he may require the driver to provide a sample of his breath for a preliminary screening test using a device approved by the commissioner of public safety for this purpose. The results of this preliminary screening test shall be used for the purpose of deciding whether an arrest should be made and whether to require the chemical tests authorized in section 169.123, but shall not be used in any court action except to prove that a chemical test was properly required of a person pursuant to section 169.123, subdivision 2. Following the screening test additional tests may be required of the driver pursuant to the provisions of section 169.123.

The driver of a motor vehicle who refuses to furnish a sample of his breath is subject to the provisions of section 169.123 unless, in compliance with 169.123, he submits to a blood, breath

or urine test to determine the presence of alcohol or a controlled substance.

Subd. 7. On behalf of the commissioner of public safety a court shall serve notice of revocation on a person convicted of a violation of this section. The court shall take the license or permit of the driver, if any, or obtain a sworn affidavit stating that the license or permit cannot be produced, and send it to the commissioner with a record of the conviction and issue a temporary license effective only for the period during which an appeal from the conviction may be taken. No person who is without driving privileges at the time shall be issued a temporary license and any temporary license issued shall bear the same restrictions and limitations as the driver's license or permit for which it is exchanged.

The commissioner shall issue additional temporary licenses until the final determination of whether there shall be a revocation under this section.

Subd. 3. Upon the request of the person who is tested, full information concerning the test or tests taken at the direction of the peace officer shall be made available to him. The physician, medical technician, medical technologist, laboratory assistant or registered nurse drawing blood at the request of a peace officer for the purpose of determining (ALCOHOLIC CONTENT) *alcohol concentration* shall in no manner be liable in any civil or criminal action except for negligence in drawing the blood. IF THE PERSON IS A RESIDENT WITHOUT A LICENSE OR PERMIT TO OPERATE A MOTOR VEHICLE IN THIS STATE, THE COMMISSIONER OF PUBLIC SAFETY SHALL DENY TO THE PERSON THE ISSUANCE OF A LICENSE OR PERMIT FOR A PERIOD OF SIX MONTHS AFTER THE DATE OF THE ALLEGED VIOLATION, SUBJECT TO REVIEW AS HEREINAFTER PROVIDED) *peace officer shall report the refusal to the commissioner of public safety and the authority having responsibility for prosecution of misdemeanor offenses for the jurisdiction in which the acts occurred. If a person submits to chemical testing and the test results indicate an alcohol concentration of 0.10 or more, the results of the test shall be reported to the commissioner of public safety and to the authority having responsibility for prosecution of misdemeanor offenses for the jurisdiction in which the acts occurred.*

Upon certification by the peace officer that there existed reasonable and probable grounds to believe the person had been driving, operating, or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance and that the person refused to submit to chemical testing, the commissioner of public safety shall revoke the person's license or permit to drive, or his nonresident operating privilege, for a period of six months. Upon certification by the peace officer that there existed reasonable and probable grounds to believe the person had been driving, operating or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance and that the person submitted to chemical testing and the test results indicate an alcohol concentration of 0.10 or more, the commissioner of public safety shall revoke the person's license or permit to drive, or his nonresident operating privilege, for a period of 90 days.

If the person is a resident without a license or permit to operate a motor vehicle in this state, the commissioner of public safety shall deny to the person the issuance of a license or permit for the same period after the date of the alleged violation as provided herein for revocation, subject to review as hereinafter provided.

Subd. 5. [NOTICE OF REVOCATION OR DETERMINATION TO DENY; REQUEST FOR HEARING.] No revocation under subdivision 4 (SHALL BE MADE) is effective until the commissioner of public safety or a peace officer acting on his behalf notifies the person (BY CERTIFIED OR REGISTERED MAIL) of the intention to revoke and of revocation and allows (SAID) the person a (20) 30 day period (AFTER THE DATE OF RECEIVING SAID NOTICE) to request of the com-

missioner of public safety, in writing, a hearing as herein provided. If no request is filed within the (20) 30 day period (THE COMMISSIONER OF PUBLIC SAFETY MAY THEN ISSUE AN ORDER OF REVOCATION) *the order of revocation becomes effective.* (HOWEVER) If a request for hearing is filed, (NO) a revocation (HEREUNDER SHALL BE MADE) *is not effective until a final judicial determination resulting in (AN) a decision adverse (DECISION) to (SAID) the person.*

Subd. 5a. [PEACE OFFICER AGENT FOR NOTICE OF REVOCATION.] On behalf of the commissioner of public safety a peace officer offering a chemical test or directing the administration of a chemical test may serve immediate notice of intention to revoke and of revocation on a person who refuses to permit chemical testing or on a person who submits to a chemical test the results of which indicate an alcohol concentration of .10 or more. The officer shall take the license or permit of the driver, if any, and issue a temporary license effective only for 30 days. The peace officer shall send the person's driver's license to the commissioner of public safety along with the certificate required by subdivision 4.

If the person requests a hearing within the 30 day period, the commissioner shall issue additional temporary licenses until the final determination of whether there shall be a revocation under this section.

Subd. 6. [HEARING.] (THE) A hearing under this section shall be before a municipal or county judge (, LEARNED IN THE LAW), in the county where the alleged offense occurred, unless there is agreement that the hearing may be held in some other county. (THE HEARING SHALL BE RECORDED AND PROCEED AS IN A CRIMINAL MATTER, WITHOUT THE RIGHT OF TRIAL BY JURY, AND ITS SCOPE SHALL COVER THE ISSUES OF WHETHER THE PEACE OFFICER HAD REASONABLE AND PROBABLE GROUNDS TO BELIEVE THE PERSON WAS DRIVING OR OPERATING A MOTOR VEHICLE WHILE UNDER THE INFLUENCE OF AN ALCOHOLIC BEVERAGE; WHETHER THE PERSON WAS LAWFULLY PLACED UNDER ARREST, IF APPLICABLE; WHETHER HE REFUSED TO PERMIT THE TEST, AND IF HE REFUSED WHETHER HE HAD REASONABLE GROUNDS FOR REFUSING TO PERMIT THE TEST; AND WHETHER AT THE TIME OF REQUEST FOR THE TEST THE PEACE OFFICER INFORMED THE SAID PERSON THAT HIS RIGHT TO DRIVE MIGHT BE REVOKED OR DENIED IF HE REFUSED TO PERMIT THE TEST AND OF HIS RIGHT TO HAVE ADDITIONAL TESTS MADE BY A PERSON OF HIS OWN CHOOSING. THE MUNICIPAL COURT SHALL ORDER EITHER THAT THE REVOCATION OR DENIAL BE RESCINDED OR SUSTAINED AND REFER SUCH ORDER TO THE COMMISSIONER OF PUBLIC SAFETY FOR HIS FURTHER AC-

TION.) *The hearing shall be to the court and may be conducted at the same time and in the same manner as hearings upon pre-trial motions in the criminal prosecution under section 169.121, if any. The hearing shall be recorded. The commissioner of public safety may appear through his own attorney or, by agreement with the jurisdiction involved, through the prosecuting authority for that jurisdiction.*

The scope of the hearing shall cover the issues of: (1) whether the peace officer had reasonable and probable grounds to believe the person was driving, operating, or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance, and whether the person was lawfully placed under arrest for violation of section 169.121, or the person was involved in a motor vehicle accident or collision resulting in property damage, personal injury or death, or the person refused to take a screening test provided for by section 169.121, subdivision 6, or the screening test was administered and recorded an alcohol concentration of 0.10 or more; and (2) whether at the time of the request for the test the peace officer informed the person of his rights and the consequences of taking or refusing the test as required by subdivision 2; and (3) either (a) whether the person refused to permit the test, or (b) whether a test was taken and the test results indicated an alcohol concentration of 0.10 or more, and whether the testing method used was valid and reliable, and whether the test results were accurately evaluated.

It shall be an affirmative defense for the person to prove that his refusal to permit the test was based upon reasonable grounds.

The court shall order either that the revocation be rescinded or sustained and forward the order to the commissioner of public safety. If the revocation is sustained, the court shall also forward the person's driver's license to the commissioner of public safety for his further action if the license is not already in the commissioner's possession.

Subd. 7. [REVIEW BY DISTRICT COURT.] If the revocation or denial is sustained, the person whose license or permit to drive, or nonresident operating privilege has been revoked or denied, may within 20 days after notice of the determination by the commissioner of public safety file a petition for a hearing of the matter in the district court in the county where the hearing pursuant to subdivision 6 was held unless there is agreement that the hearing may be held in some other county. The petition shall be filed with the clerk of the (SAID) court together with proof of service of a copy thereof on the commissioner of public safety. It (SHALL BE) is the duty of the court to set the matter for hearing on a day certain with reasonable notice thereof to the parties. The (MATTER) hearing shall be (HEARD DE NOVO WITH A RIGHT OF TRIAL BY JURY) on the record

and shall be conducted in the same manner provided in sections 487.39 and 484.63 for appeal of misdemeanor convictions.

Subd. 8. [NOTICE OF ACTION TO OTHER STATES.] When it has been finally determined that a nonresident's privilege to operate a motor vehicle in this state has been revoked or denied, the commissioner of public safety shall give information in writing of the action taken to the official in charge of traffic control or public safety of the state of the person's residence and of any state in which he has a license.

Subd. 9. [LIMITED LICENSE.] *In any case in which a license has been revoked under this section, the commissioner may issue a limited license to the driver. The commissioner in issuing a limited license may impose the conditions and limitations which in his judgment are necessary to the interests of the public safety and welfare, including re-examination of the driver's qualifications, attendance at a driver improvement clinic, or attendance at counseling sessions. The license may be limited to the operation of particular vehicles and to particular classes and time of operation. The limited license issued by the commissioner shall clearly indicate the limitations imposed and the driver operating under a limited license shall have the license in his possession at all times when operating as a driver. In determining whether to issue a limited license, the commissioner shall consider the number and the seriousness or prior convictions and the entire driving record of the driver.*

Subd. 10. [TERMINATION OF REVOCATION PERIOD.] *If the commissioner receives notice of the driver's attendance at a driver improvement clinic, attendance at counseling sessions, or participation in treatment for an alcohol problem the commissioner may, 30 days prior to the time the revocation period would otherwise expire, terminate the revocation period. The commissioner shall not terminate the revocation period under this subdivision for a driver who has had a license revoked under section 169.121 or this section for another incident during the preceding three year period.*

Sec. 4. Minnesota Statutes 1976, Section 169.124, is amended to read:

Subd. 2. The (PRESENTENCE INVESTIGATION) *alcohol problem assessment* shall be conducted under the direction of the

court and by such persons or agencies as the court deems qualified to provide the (INVESTIGATION AND REPORT) *alcohol problem assessment and assessment report* as described in section 169.126. The (PRESENTENCE INVESTIGATION) *alcohol problem assessment* may be conducted by court services probation officers having the required knowledge and skills in the assessment of alcohol problems, by alcoholism counselors, by persons conducting court sponsored driver improvement clinics if in the judgment of the court such persons have the required knowledge and skills in the assessment of alcohol problems, by appropriate staff members of public or private alcohol treatment programs and agencies or mental health clinics, by court approved volunteer workers such as members of Alcoholics Anonymous, or by such other qualified persons as the court may direct. The commissioner of public safety shall provide the courts with information and assistance in establishing (PRESENTENCE INVESTIGATION) *alcohol problem assessment* programs suited to the needs of the area served by each court. The commissioner shall consult with the alcohol and other drug abuse section in the department of public welfare and with local community mental health boards in providing such information and assistance to the courts. The commissioner of public safety shall promulgate rules and standards, consistent with this subdivision, for reimbursement under the provisions of subdivision 3. The promulgation of such rules and standards shall not be subject to chapter 15.

Subd. 3. The cost of (PRESENTENCE INVESTIGATION) *alcohol problem assessment* outlined in this section shall be borne by the county. Upon application by the county to the commissioner of public safety, the commissioner shall reimburse the county up to 50 percent of the cost of each (PRESENTENCE INVESTIGATION) *alcohol problem assessment* not to exceed \$25 in each case. Payments shall be made annually and prorated if insufficient funds are appropriated.

Sec. 5. Minnesota Statutes 1976, Section 169.125, is amended to read:

Sec. 6. Minnesota Statutes 1976, Section 169.126, is amended to read:

169.126 [ALCOHOL PROBLEM ASSESSMENT.] Subdivision 1. (A PRESENTENCE INVESTIGATION) *An alcohol problem assessment* shall be conducted in counties of more than 10,000 population and (A) *an assessment* report submitted to the

court by the county agency administering the alcohol safety counseling program when:

(a) The defendant is convicted of an offense described in section 169.121; or

(b) The defendant is arrested for committing an offense described in section 169.121, is not convicted therefor, but is convicted of another offense arising out of the circumstances surrounding such arrest.

Subd. 2. The *assessment* report shall contain an evaluation of the convicted defendant concerning his prior traffic record, characteristics and history of alcohol problems, and amenability to rehabilitation through the alcohol safety program. The *assessment* report shall include a recommendation as to a treatment or rehabilitation program for the defendant. The *assessment* report shall be classified as private data on individuals as defined in section 15.162, subdivision 5a.

Subd. 3. The *assessment* report required by this section shall be prepared by a person knowledgeable in diagnosis of chemical dependency.

Subd. 4. The court (BEFORE IMPOSING SENTENCE AFTER CONVICTION FOR ONE OF THE OFFENSES DESCRIBED IN SUBDIVISION 1) shall give due consideration to the agency's *assessment* report.

Subd. 5. Whenever a person is convicted of a second or subsequent offense described in subdivision 1 and the court is either provided with an appropriate treatment or rehabilitation recommendation from sources other than the (PRESENTENCE INVESTIGATION) *alcohol problem assessment* provided for in this section, or has sufficient knowledge both of the person's need for treatment and an appropriate treatment or rehabilitation plan, and the court finds that requiring a (PRESENTENCE INVESTIGATION) *alcohol problem assessment* would not substantially aid the court in sentencing, such a (PRESENTENCE INVESTIGATION) *alcohol problem assessment* need not be conducted.

Subd. 6. This section shall not apply to persons who are not residents of the state of Minnesota at the time of the offense and at the time of the (PRESENTENCE INVESTIGATION) *alcohol problem assessment*.

Sec. 7. Minnesota Statutes 1976, Chapter 169, is amended by adding a section to read:

[169.1261] [REINSTATEMENT OF DRIVING PRIVILEGES; NOTICE.] *Upon expiration of any period of revoca-*

tion under section 169.121 or section 169.123, the commissioner of public safety shall notify the person of the terms upon which his driving privileges can be reinstated, which terms are: (1) successful completion of a driving test and proof of compliance with any terms of alcohol treatment or counseling previously prescribed, if any; and (2) any other requirements imposed by the commissioner and applicable to that particular case. The commissioner shall also notify the person that if driving is resumed without reinstatement of driving privileges, the person will be subject to criminal penalties.

Jurisdiction over prosecutions under this section is in the district court.*

Sec. 10. Minnesota Statutes 1976, Section 171.30, Subdivision 1, is amended to read:

171.30 [LIMITED LICENSE.] Subdivision 1. In any case where a person's license has been suspended under (SECTIONS 169.123 OR) section 171.18 or revoked under sections (169.123) 169.121 or 171.17, if the driver's livelihood or attendance at a chemical dependency treatment or counseling pro-

gram depends upon the use of his driver's license, the commissioner may at his own discretion and shall upon recommendation by the court excluding justices of the peace in which the driver was convicted, issue a limited license to (SUCH) *the* driver. (IN CASES INVOLVING A SUSPENSION OR REVOCATION OF A DRIVER'S LICENSE UNDER MINNESOTA STATUTES 1969, SECTION 169.123, THE COMMISSIONER SHALL NOT ISSUE A LIMITED LICENSE TO ANYONE WHOSE DRIVER'S LICENSE HAS BEEN REVOKED UNDER MINNESOTA STATUTES 1969, SECTION 171.17, CLAUSE (2), OR UNDER MINNESOTA STATUTES 1969, SECTION 169.123, DURING THE PRECEDING THREE YEAR PERIOD.) The commissioner in issuing (SUCH) *a* limited license may impose such conditions and limitations as in his judgment are necessary to the interests of the public safety and welfare including re-examination as to the driver's qualifications. (SUCH) *The* license may be limited to the operation of particular vehicles, to particular classes and times of operation and to particular conditions of traffic.

The limited license issued by the commissioner shall clearly indicate the limitations imposed and the driver operating under (SUCH) *the* limited license shall have (SUCH) *the* license in his possession at all times when operating as a driver.

In determining whether to issue a limited license, the commissioner shall consider the number and the seriousness of prior convictions and the entire driving record of the driver and shall consider the number of miles driven by (SUCH) *the* driver annually.

Sec. 11. [REPEALER.] *Minnesota Statutes 1976, Sections 171.245 and 169.127, are repealed.*

Sec. 12. [EFFECTIVE DATE.] *Sections 4, 5, 6, and 8 of this act are effective the date following final enactment. Sections 1, 2, 3, 7, 9, 10 and 11 are effective September 1, 1978 and shall apply to all offenses committed on or after that date. The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1861, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments, and that H. F. No. 1861 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 3A.01, is amended by adding a subdivision to read:

Subd. 7. [AVERAGE MONTHLY SALARY.] With regard to any member of the legislature whose service terminates prior to the beginning of the 1981 legislative session, "average monthly salary" means final monthly salary during the member's final

term of office as a member of the legislature; and with regard to any member of the legislature whose service terminates after the beginning of the 1981 legislative session, "average monthly salary" means the average of the member's highest five successive years of salary received as a member of the legislature after the beginning of the 1981 legislative session, or all salary after the beginning of the 1981 legislative session if less than five years.

Sec. 2. Minnesota Statutes 1976, Section 3A.01, is amended by adding a subdivision to read:

Subd. 8. [NORMAL RETIREMENT AGE.] "Normal retirement age" means the age of 60 years with regard to any member of the legislature whose service terminates prior to the beginning of the 1981 legislative session, and the age of 62 years with regard to any member of the legislature whose service terminates after the beginning of the 1981 session.

Sec. 3. Minnesota Statutes, 1977 Supplement, Section 3A.02, Subdivision 1, is amended to read:

3A.02 [RETIREMENT ALLOWANCE.] Subdivision 1. [QUALIFICATIONS.] Any former legislator:

(1) Who has served at least (EIGHT) *six full years, without regard to the application of section 3A.10, subdivision 2, or who has served during all or part of four regular sessions as such member of the legislature, which service need not be continuous, but must have been after January 1, 1965 except as hereinafter provided; and*

(2) Who attains the *normal retirement age (OF 60 YEARS); and*

(3) Who has retired as a member of the legislature; and

(4) Who has made all contributions provided for in sections 3A.01 to 3A.10, or who has made payments in lieu of all contributions provided for in sections 3A.01 to 3A.10 as provided for in subdivision 2; shall be entitled upon written application to the director to receive a retirement allowance monthly (OF 40 PERCENT) *in an amount equal to five percent per year of service, not to exceed eight years of service, of that member's (FINAL) average monthly salary (DURING THE FINAL TERM OF OFFICE AS A MEMBER OF THE LEGISLATURE) beginning with the first day of the month of receipt of such application and for the remainder of his life, provided he is not serving as a member of the legislature or as a constitutional officer or commissioner.*

In addition to the amount provided above, the retired member who meets the qualifications of clauses (1), (2), (3) and (4) shall receive for every year of service over eight years a monthly allowance which equals two and one-half percent of the average monthly salary (DETERMINED PURSUANT TO CLAUSE (4)).

Notwithstanding clause (4), a member shall receive two and one-half percent of the average monthly salary (DETERMINED PURSUANT TO CLAUSE (4)) for each year of service served after the beginning of the 1979 legislative session. *Any member who has served during all or part of four regular sessions shall be deemed to have served eight years as a member of the legislature.*

The retirement allowance shall cease with the last payment which had accrued to the retired legislator during his lifetime except that the surviving spouse, if any, shall be entitled to the retirement allowance for the calendar month in which the retired legislator died.

Effective for service rendered after the beginning of the 1981 legislative session, no member may accrue credit for more than 20 years service, nor shall member contributions thereafter be required for more than 20 years service.

For the purposes of this chapter the term salary shall not be deemed to include any additional payments provided by law for legislative leadership positions.

This subdivision is applicable to members of the legislature who terminate service after January 1, 1973, and to any widow or dependent child of any such member. Clauses (1) and (2) shall also be applicable to any former legislator who applies for a deferred annuity after June 5, 1975. Any former legislator who was in office on or after January 1, 1965, who had at least eight years of service but less than ten years of service as a member of the legislature, and who took a refund of his contributions, may upon application to the director repay to the director for credit to his account all refundments taken plus interest thereon at six percent per annum compounded annually. Upon repayment of the refundment, he shall then be entitled when otherwise qualified to a retirement allowance pursuant to subdivision 1, provided however that the retirement allowance shall be based on his salary at the time of his termination of service as a member of the legislature.

Sec. 4. Minnesota Statutes 1976, Section 3A.02, is amended by adding a subdivision to read:

*Subd. 1b. [REDUCED RETIREMENT ALLOWANCE.]
Upon separation from service after the beginning of the 1981*

legislative session, a former member of the legislature who has attained the age of at least 60 years and who is otherwise qualified in accordance with subdivision 1 is entitled upon making written application on forms supplied by the director to a retirement allowance in an amount equal to the retirement allowance specified in subdivision 1 reduced by one half of one percent for each month that the former member of the legislature is under age 62.

Sec. 5. Minnesota Statutes 1976, Section 3A.02, Subdivision 2, is amended to read:

Subd. 2. [PAYMENT FOR PAST SERVICE.] Any member of the legislature who is a member on July 1, 1965 or thereafter, may, notwithstanding the provisions of subdivision 1, clause (1), receive credit for service rendered as a member of the legislature prior to July 1, 1965, and the pension based thereon provided that he pays to the director for credit to his account an amount equal to (EIGHT) *nine* percent of all salary received by him for all periods of service rendered by him as a member of the legislature, even if such periods are not continuous and exceed ten years in duration. Such payment may be made at any time after the commencement of any regular session of the legislature of which he is a member.

Sec. 6. Minnesota Statutes 1976, Section 3A.02, Subdivision 4, is amended to read:

Subd. 4. [DEFERRED ANNUITIES AUGMENTATION.] The deferred annuity of any former legislator shall be augmented as provided herein. The required reserves applicable to the deferred annuity, determined as of the date the benefit begins to accrue using an appropriate mortality table and an interest assumption of five percent, shall be augmented (BY INTEREST AT THE RATE OF FIVE PERCENT PER ANNUM COMPOUNDED ANNUALLY) from the (DATE OF) *first of the month following* termination of service, or July 1, 1973, whichever is later, to the first day of the month in which the annuity begins to accrue, *at the rate of five percent per annum compounded annually until January 1, 1981, and thereafter at the rate of three percent per annum compounded annually.*

Sec. 7. Minnesota Statutes 1976, Section 3A.03, Subdivision 1, is amended to read:

3A.03 [CONTRIBUTIONS.] Subdivision 1. [PERCENTAGE.] Every member of the legislature shall contribute (EIGHT) *nine* percent of his total salary, by payroll deduction, to be paid into the state treasury and deposited in the general fund. It shall be the duty of the director to record the periodic contributions of each member of the legislature and credit such contribution to the member's account.

Sec. 8. Minnesota Statutes, 1977 Supplement, Section 3A.04, Subdivision 1, is amended to read:

3A.04 [SURVIVOR BENEFIT.] Subdivision 1. **[SURVIVING SPOUSE.]** Upon the death of a member of the legislature while serving as such member after June 30, 1973, or upon the death of a former member of the legislature with at least (EIGHT) *the number of years of service* as required by section 3A.02, subdivision 1, clause (1), the surviving spouse shall be paid a survivor benefit in the amount of one-half of the retirement allowance of the member of the legislature computed as though the member were at least *normal retirement age* (60) on the date of his death and based upon his allowable service or eight years whichever is greater. The augmentation provided in section 3A.02, subdivision 4, if applicable, shall be applied to the month of death. Subd. 2. [DEPENDENT CHILDREN.] Upon the death of a member of the legislature while serving as such member after June 30, 1973, or upon the death of a former member of the legislature with at least (EIGHT) *the number of years of service* as required by section 3A.02, subdivision 1, clause (1), each dependent child of such member shall be paid a survivor benefit in the following amount: First dependent child, a monthly allowance which equals 25 percent of the monthly retirement allowance of the member of the legislature computed as though the member were at least *normal retirement age* (60) on the date of his death and based upon his allowable service or eight years whichever is greater; for each additional dependent child, a monthly allowance which equals 12 1/2 percent of the monthly retirement allowance of the member computed as in the case of the first child; but the total amount paid to the surviving spouse and dependent children shall not exceed in any one month 100 percent of the monthly retirement allowance of the member computed as in the case of the first child. The augmentation provided in section 3A.02, subdivision 4, if applicable, shall be applied to the month of death. Upon the death of a former legislator receiving a retirement allowance, the surviving dependent child shall be entitled to the applicable percentage of the amount of the allowance being paid to the former legislator. The payments for dependent children shall be made to the surviving spouse or the guardian of the estate of the dependent children, if there is one. A posthumous child qualifies as a dependent child for benefits provided herein from the date of its birth.

Sec. 10. Minnesota Statutes 1976, Section 352.72, Subdivision 2, is amended to read:

Subd. 2. [COMPUTATION OF DEFERRED ANNUITY.] The deferred annuity, if any, accruing under subdivision 1, or section 352.22, subdivision 3, shall be computed in the manner provided in section 352.22, subdivision 3, and acts amendatory thereof, on the basis of allowable service prior to termination of state service and augmented as provided herein. The required reserves applicable to a deferred annuity or to an annuity for which a former employee was eligible but had not applied or to any deferred segment of an annuity shall be determined as of the date the benefit begins to accrue and augmented by interest compounded annually from the first day of the month following the month in which the employee ceased to be a state employee, or July 1, 1971, whichever is later, to the first day of the month in which the annuity begins to accrue. The rates of interest used for this purpose shall be five percent compounded annually *until January 1, 1981, and thereafter three percent compounded annually*. If a person has more than one period of uninterrupted service, the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so determined shall be the present value of the annuity. Uninterrupted service for the purpose of this subdivision shall mean periods of covered employment during which the employee has not been separated from state service for more than two years. If a person repays a refundment, the service restored by such repayment shall be considered as continuous with the next period of service for which the employee has credit with this system. The formula percentages used for each period of uninterrupted service shall be those as would be applicable to a new employee. The mortality table and interest assumption used to compute such annuity shall be those in effect at the time the employee files application for annuity. This section shall not reduce the annuity otherwise payable under this chapter.

Sec. 11. Minnesota Statutes 1976, Section 352B.30, Subdivision 2, is amended to read:

Subd. 2. [COMPUTATION OF DEFERRED ANNUITY.] Deferred annuities shall be computed in the manner provided by this chapter and acts amendatory thereof, on the basis of allowable service prior to termination of service and augmented as provided herein. The required reserves applicable to a deferred annuity shall be augmented by interest compounded annually from the first day of the month following the month in which the member terminated service, or July 1, 1971, whichever is later, to the first day of the month in which the annuity begins to accrue. The rates of interest used for this purpose shall be five percent per annum compounded annually *until January 1, 1981, and thereafter three percent per annum compounded annually*. The mortality table and interest assumption used to compute

such annuity shall be those in effect at the time the member files application for annuity.

Sec. 12. Minnesota Statutes 1976, Section 352C.01, is amended to read:

352C.01 [LEGISLATIVE FINDING AND INTENT.] The legislature finds that service to Minnesota in the capacity of a constitutional officer or commissioner as defined in (SECTIONS 352C.01 TO 352C.09) *section 13 of this act* constitutes a unique contribution to the state and that such service is dissimilar to any other public employment. The legislature further finds that service as a constitutional officer or commissioner for a period of (TEN) *eight years or longer* deprives the individual so serving of normal opportunities to establish retirement benefits in his usual vocational pursuit and justifies adoption of special retirement provisions. The provisions of (SECTIONS 352C.01 TO 352C.09) *this chapter* are intended by the legislature to reflect the unique nature of service as a constitutional officer or commissioner and to have due regard for the unusual disruption of normal retirement planning that such service entails.

Sec. 13. Minnesota Statutes 1976, Chapter 352C, is amended by adding a section to read:

[352C.021] [DEFINITIONS.] *Subdivision 1. For purposes of this chapter, the following terms shall have the meanings given to them unless the language or context clearly indicates that a different meaning is intended.*

Subd. 7. [ALLOWABLE SERVICE.] "Allowable service" means any years or months of service as a constitutional officer or as a commissioner, for which service the person made the contributions required by section 352C.09 on a current basis. Subd. 4. [RETIREMENT ALLOWANCE FORMULA.]
The average salary multiplied by two and one half percent for each year of allowable service and pro rata for completed months less than a full year shall determine the amount of the normal retirement allowance.

Subd. 5. [BENEFIT ACCRUAL AND TERMINATION.]
The benefit shall begin to accrue the first day of the month in which the application is received by the director but in no event earlier than the day following the termination of service or the attainment of the age required to receive such benefit, whichever is later. The augmentation provided in section 15 of this act, if applicable, shall be applied to the month of death. Upon the death of a*

former constitutional officer or commissioner receiving a retirement allowance, the surviving spouse shall be entitled to one half of the amount of the retirement allowance being paid to the former constitutional officer or commissioner as of the date of death. Such benefit shall be paid to a surviving spouse eligible therefor during the remainder of the spouse's natural life or until remarriage. Upon remarriage such spouse shall no longer be eligible for such benefit except as provided in Minnesota Statutes, 1975 Supplement, Section 356.31.

The retirement allowance from each plan shall be determined by the appropriate provisions of the law governing each plan, except that the requirement that a person must have at least eight years of allowable service in the respective plan shall not apply for purposes of this section, provided that the aggregate service in the two plans equals eight or more years. The augmentation of deferred annuities provided in section 3A.02, subdivision 4, and section 15 of this act, shall apply to the retirement allowances accruing hereunder.*

The augmentation of deferred annuities provided in section 15 of this act shall apply to the annuities accruing hereunder.

If any governmental unit is located in more than one area, place of employment shall be deemed to be in the area in which the main office of the governmental unit is located. Each year for three years one area trustee shall be elected to a four-year term from each area by the members employed in the respective areas. In the fourth year one trustee shall be elected at large by the police and fire fund membership and one trustee elected at large by the annuitants.

Notwithstanding the foregoing, however, in order to provide for a transition to regional elections, in the year 1978 only, a retired trustee shall be elected by the annuitants, and three trustees shall be elected from each of the three areas by the members of the area who may vote for only one candidate. The annuitant candidate receiving the most votes shall serve a three-year term, the candidate in each area receiving the largest number of votes shall serve a four-year term, the candidate in each area receiving the second largest number of votes shall serve a two-year term and the candidate in each area receiving the third largest number of votes shall serve a one-year term. The elections shall be supervised by the secretary of state. It shall be the duty of the board of trustees to faithfully administer the law without prejudice and consistent with the expressed

intent of the legislature. They shall act as trustees with a fiduciary obligation to the state of Minnesota which created the fund, the taxpayers of the governmental subdivisions which aid in financing it and the public employees who are its beneficiaries.

Sec. 29. Minnesota Statutes 1976, Section 353.30, Subdivision 1, is amended to read:

353.30 [ANNUITIES UPON RETIREMENT.] Subdivision 1. Upon separation from public service any person who has attained the age of at least 58 years *but not more than 65 years* and who received credit for not less than 20 years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, reduced (BY ONE-HALF OF ONE PERCENT FOR EACH MONTH THAT THE MEMBER IS UNDER AGE 65 AT THE TIME OF RETIREMENT) *so that the reduced annuity shall be the actuarial equivalent of the annuity which would be payable to the member if the member deferred receipt of the annuity from the date of retirement to age 65.*

Sec. 30. Minnesota Statutes 1976, Section 353.30, Subdivision 1b, is amended to read:

Subd. 1b. Any person with 30 years or more of allowable service credit who elects early retirement under subdivision 1, shall receive an annuity reduced (BY ONE HALF OF ONE PERCENT FOR EACH MONTH THAT SUCH PERSON IS UNDER AGE 62 AT THE TIME OF RETIREMENT) *so that the reduced annuity shall be the actuarial equivalent of the annuity which would be payable to the member if the member deferred receipt of the annuity from the date of retirement to age 62.*

Sec. 31. Minnesota Statutes 1976, Section 353.30, is amended by adding a subdivision to read:

Subd. 1c. [EARLY RETIREMENT AT AGE 62; REDUCTION IN ANNUITY.] *Any person who has attained the age of at least 62 years but not more than 65 years, and who received credit for not less than ten years of allowable service is entitled upon application to a retirement annuity in an amount equal to the normal annuity provided in section 353.29, subdivisions 2 and 3, reduced so that the reduced annuity shall be the actuarial equivalent of the annuity which would be payable to the member if the member deferred receipt of the annuity from the date of retirement to age 62.*

Sec. 32. Minnesota Statutes 1976, Section 353.31, Subdivision 1, is amended to read:

353.31 [SURVIVOR BENEFITS.] Subdivision 1. [BENEFITS FOR SURVIVING SPOUSE AND DEPENDENT CHILDREN; BEFORE RETIREMENT.] Upon the death of a "basic member" before retirement or upon the death of a "basic member" who was disabled and receiving disability benefits pursuant to section 353.33 at the time of his death who has had at least 18 months of credited allowable service, his surviving (DEPENDENT) spouse and dependent children, as defined in section 353.01, subdivisions 15 and 20, shall receive the monthly benefit provided below:

- | | |
|--------------------------------|--|
| (a) Surviving dependent spouse | 30 percent of the member's monthly average salary in effect over the last full six months of allowable service preceding death |
| (b) Each dependent child | 10 percent of the member's monthly average salary in effect over the last full six months of allowable service preceding death |

Payments for the benefit of any dependent child, as defined in section 353.01, subdivision 15, shall be made to the surviving parent, or if there be none, to the legal guardian of such child. The maximum monthly benefit for any one family shall not exceed \$450, and the minimum benefit per family shall not be less than 30 percent of the "basic member's" said average salary, subject to the aforementioned maximum. The surviving (DEPENDENT) spouse benefit shall terminate upon his or her remarriage, and the dependent children's benefit shall be reduced pro tanto when any child is no longer dependent.

Any survivor of a "basic member" whose average salary was less than \$75 per month shall not be entitled to the benefits provided in this subdivision.

Under the terms of this subdivision there are no survivor benefits, as such, payable to the surviving spouse or dependent children of any deceased "coordinated member."

Sec. 33. Minnesota Statutes 1976, Section 353.32, Subdivision 5, is amended to read:

Subd. 5. [\$1,500 OR LESS, LIMITED.] If a member or former member dies without having designated a beneficiary, or if the beneficiary should die before making application for refund of the sum to the credit of such decedent, and the amount of the refund is (\$500) \$1,500 or less, the board of trustees may 90 days after the date of death in the absence of probate proceedings, make payment to the surviving spouse of the said decedent, or, if none, to the next of kin under the laws of descent of the

state of Minnesota. Such payment shall be a bar to recovery by any other person or persons. Any retirement annuity, disability or survivor benefit which shall have accrued at the time of death of an annuitant, disabilitant or survivor may be paid in like manner.

Sec. 34. Minnesota Statutes 1976, Section 353.32, Subdivision 9, is amended to read:

Subd. 9. [PAYMENT TO A MINOR.] If a member or former member dies having named as his beneficiary a person who is a minor at the time of the application for refund and the amount of the refund does not exceed (\$500) \$1,500, exclusive of interest, the board of trustees in the absence of guardianship or probate proceedings may make payment to the natural guardian having custody of such minor beneficiary, for the benefit of such child. Any annuity or disability benefit payable at the time of death of an annuitant or recipient of a disability benefit, which is payable to a beneficiary who is a minor, may be paid in the same manner. Such payment shall be a bar to recovery by any other person or persons.

Sec. 35. Minnesota Statutes 1976, Section 353.33, Subdivision 11, is amended to read:

Subd. 11. [RETIREMENT STATUS AT AGE 65.] No person shall be entitled to receive disability benefits and a retirement annuity at the same time. The disability benefits paid to a person hereunder shall terminate when he reaches age 65, if he is still totally and permanently disabled. At that time he shall be deemed to be on retirement status and may at his option be paid either a normal retirement annuity as provided in section 353.29 or normal retirement annuity equal to the disability benefit paid to him before he reached age 65, whichever amount is greater. Any disabled person who becomes age 65 after June 30, 1973, shall have his annuity computed in accordance with the law in effect (ON JULY 1, 1973) upon attainment of age 65. A person who elects an annuity under section 353.29 may, prior to age 65, select an optional annuity pursuant to section 353.30, subdivision 3.

Sec. 36. Minnesota Statutes 1976, Section 353.34, Subdivision 6, is amended to read:

Subd. 6. [ADDITIONS TO FUND.] The board of trustees may credit to the fund any moneys received in the form of contributions, donations, gifts, appropriations, bequests, or otherwise. (REFUNDABLE ACCUMULATED DEDUCTIONS OF ANY FORMER MEMBER, IF UNCLAIMED FOR A PERIOD OF FIVE YEARS AFTER SEPARATION FROM PUBLIC SERVICE, SHALL BE CREDITED TO A DONATIONS SUSPENSE ACCOUNT. THE BOARD OF TRUSTEES MAY PAY REFUNDS OF ACCUMULATED DEDUCTIONS, FROM

SUCH DONATIONS SUSPENSE ACCOUNT, UPON PROPER APPLICATION THEREFOR. AFTER THE REFUNDABLE ACCUMULATED DEDUCTIONS OF ANY FORMER MEMBER HAVE REMAINED IN SUCH DONATIONS SUSPENSE ACCOUNT FOR A PERIOD OF TEN YEARS, WITHOUT APPLICATION FOR A REFUND THEREOF HAVING BEEN MADE, SUCH DEDUCTIONS SHALL BE TRANSFERRED TO AND CREDITED TO THE RETIREMENT FUND PROPER. IN THE EVENT THE FORMER MEMBER SHOULD RETURN TO PUBLIC SERVICE, THE AMOUNT SO CREDITED TO THE RETIREMENT FUND SHALL BE RESTORED TO HIS INDIVIDUAL ACCOUNT.)

Sec. 37. Minnesota Statutes, 1977 Supplement, Section 353.36, Subdivision 2, is amended to read:

Subd. 2. [EMPLOYEE CONTRIBUTIONS; INTEREST; MATCHING PAYMENT.] A person who has at least one year of allowable service with the association and who has prior public service on which salary deductions were not taken for the retirement fund and who does not have the required minimum number of years of allowable service credit to qualify for an annuity, may apply for such annuity if otherwise qualified, and within 90 days thereafter purchase whatever period of said public service is necessary to bring his total allowable service credit to said minimum, provided that last service shall be purchased first. Such person may gain such allowable service credit by paying (SIX PERCENT) *the applicable percentage* of the salary covered under the law in effect at the time that such public service was performed (, WITH INTEREST). *If the person is a basic member, the applicable percentage is eight percent, and if the person is a coordinated member, the applicable percentage is four percent.* Interest thereon at the rate of six percent per annum compounded annually from the date first payable to the date payment is made, plus a matching amount *must be paid*, unless the employer agrees to pay said matching amount pursuant to subdivision 2a. An annuity shall accrue as provided in section 353.29, subdivision 7, but no annuity shall be paid until the applicant's payment is made in full for the prior public service; if said payment is not made within such 90 days, the application for retirement shall be void.

Sec. 38. Minnesota Statutes 1976, Section 353.656, Subdivision 6, is amended to read:

Subd. 6. [RETIREMENT STATUS AT AGE 55.] All disability benefits payable under this section shall terminate when the disabled fireman or police officer becomes 55 years of age. Thereafter, retirement benefits shall be paid to the disabled fireman or police officer in the same amount as the disability benefits which he was previously receiving. Any disabled person who becomes age 55 after June 30, 1973, shall have his annuity computed in accordance with the law in effect (ON JULY 1, 1973)

upon attainment of age 55. Prior to reaching age 55, a disabled person may select an optional annuity pursuant to section 353.30, subdivision 3.

Sec. 39. Minnesota Statutes 1976, Section 353.657, Subdivision 1, is amended to read:

353.657 [SURVIVOR BENEFITS.] Subdivision 1. In the event any member of the police and fire fund shall die from any cause, the association shall grant survivor benefits to any (DEPENDENT) *surviving* spouse who was residing with him at the time of his death and who was married to him for a period of at least one year, and to a dependent child or children, unmarried and under the age of 18 years. The spouse and child or children shall be entitled to monthly benefits as provided in the following subdivisions.

Sec. 40. Minnesota Statutes 1976, Section 353.71, Subdivision 2, is amended to read:

Subd. 2. [DEFERRED ANNUITY COMPUTATION; AUGMENTATION.] The deferred annuity, if any, accruing under subdivision 1, or sections 353.34, subdivision 3, and 353.68, subdivision 4, shall be computed in the manner provided in said sections, on the basis of allowable service prior to termination of public service and augmented as provided herein. The required reserves applicable to a deferred annuity, or to an annuity for which a former member was eligible but had not applied, or to any deferred segment of an annuity shall be determined as of the date the annuity begins to accrue and shall be augmented (BY INTEREST AT THE RATE OF FIVE PERCENT PER ANNUM COMPOUNDED ANNUALLY) from the first day of the month following the month in which the former member ceased to be a public employee, or July 1, 1971, whichever is later, to the first day of the month in which the annuity begins to accrue, *at the rate of five percent per annum compounded annually until January 1, 1981, and thereafter at the rate of three percent per annum compounded annually.* If a person has more than one period of uninterrupted service, the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so determined shall be the present value of the annuity. Uninterrupted service for the purpose of this subdivision shall mean periods of covered employment during which the employee has not been separated from public service for more than two years. If a person repays a refund, the service restored thereby shall be considered as continuous with the next period of service for which the employee has credit with this association. The formula percentages used for each period of uninterrupted service shall be those as would be applicable to a new employee. This section shall not reduce the annuity otherwise payable under this chapter. This subdivision shall apply to deferred annuitants of record on July 1, 1971 and to employees who thereafter become deferred

annuitants; it shall also apply from July 1, 1971 to former members who make application for an annuity after July 1, 1973.

Sec. 41. Minnesota Statutes, 1977 Supplement, Section 354.41, Subdivision 6, is amended to read:

Subd. 6. Any such former member who elects membership in the fund as authorized by subdivision 4 shall be eligible to make payment for service which was rendered prior to July 1, 1975 in any of the organizations enumerated in subdivision 4, provided the organization makes satisfactory certification of such service as prescribed in section 354.05, subdivision 28. This payment shall be limited to the most recent five years of allowable service credit and shall include all required employee and employer contributions as provided in section 354.42, subdivisions 2, 3 and 5 *at the rates in effect when the service was rendered*. Interest shall be paid on both the employee and employer contributions at the rate of six percent per annum compounded annually from the end of the fiscal year during which such service was rendered to the date of payment. *The employer may pay the required employer contributions as provided in section 354.42, subdivisions 3 and 5, plus interest at the specified rate*. The payment described herein must be made in one lump sum prior to July 1, 1980 or prior to retirement, whichever is earlier. *No allowable or formula service with respect to such payment shall be credited to the employee's account until payment is received by the executive director*.

Sec. 42. Minnesota Statutes 1976, Section 354.41, is amended by adding a subdivision to read:

Subd. 8. Any member who has been employed by an organization designated in subdivision 4 may receive up to five years of allowable service credit in the fund by making payment for such service under the conditions prescribed by subdivision 6.

Sec. 43. Minnesota Statutes 1976, Section 354.55, Subdivision 11, is amended to read:

Subd. 11. Any person covered under section 354.44, subdivisions 6 and 7, who ceases or has ceased to render teaching service may leave his accumulated deductions in the fund for the purpose of receiving a deferred annuity at retirement. Eligibility for such an annuity shall be determined by the provisions of section 354.44, subdivision 1, or section 354.60.

The amount of the deferred retirement annuity shall be determined by section 354.44, subdivisions 6 and 7, and augmented as provided herein. The required reserves related to that portion of the annuity which had accrued at the time the member ceased to render teaching service shall be augmented by interest compounded annually from the first day of the month following the month

during which the member ceased to render teaching service to the effective date of retirement. There shall be no augmentation if this period is less than three months. The rates of interest used for this purpose shall be five percent commencing July 1, 1971, *until January 1, 1981, and three percent thereafter.* If a person has more than one period of uninterrupted service, the required reserves related to each period shall be augmented by interest pursuant to this subdivision. The sum of the augmented required reserves so determined shall be the basis for purchasing the deferred annuity. If a person does not render teaching service in any one or more consecutive fiscal years and then resumes teaching service, the formula percentages used from date of resumption will be those applicable to new members. The mortality table and interest assumption contained therein used to compute such annuity will be determined by the law in effect at the time of the member's retirement. A period of uninterrupted service for the purposes of Laws 1971, Chapter 87 shall mean a period of covered teaching service during which the member has not been separated from such service for more than one fiscal year.

The provisions of this subdivision shall not apply to variable account accumulations as defined in section 354.05, subdivision 23.

In no case shall the annuity payable herein be less than the amount of annuity payable pursuant to section 354.44, subdivisions 6 and 7.

The requirements and provisions for retirement prior to age 65 contained in section 354.44, subdivision 6, clause (2) shall also apply to an employee fulfilling such requirements with a combination of service as provided in section 354.60.

Sec. 44. Minnesota Statutes 1976, Section 356.32, Subdivision 1, is amended to read:

356.32 [PROPORTIONATE RETIREMENT ANNUITY.]
Subdivision 1. Notwithstanding any provision to the contrary of the laws governing any of the retirement funds enumerated in subdivision 2, any person who is employed in a position covered by any such fund, who has credit for at least three years but less than ten years of allowable service in such fund or a combination of such funds, and who is required to terminate service (AT AGE 65 OR EARLIER) pursuant to a mandatory retirement statute or a uniformly applied mandatory retirement policy established by the employer, shall be entitled upon application to a proportionate retirement annuity from each such fund in which he has allowable service credit, based upon his allowable service credit at the time of mandatory retirement; provided, however, that nothing in this section shall prevent the actuarial reduction of an annuity for which application is made prior to normal retirement age.

Sec. 45. Minnesota Statutes 1976, Section 422A.16, Subdivision 10, is amended to read:

Subd. 10. All deferred allowances granted under this section shall be calculated as of the date of separation and shall be increased by the interest assumption rate provided for in chapter 356 until January 1, 1981, and thereafter by the interest rate of three percent per year compounded annually.

Sec. 46. [REPEALER.] Minnesota Statutes 1976, Sections 352C.02; 352C.03; 352C.05; 352C.06; and 352C.08; and Minnesota Statutes, 1977 Supplement, Section 353.32, Subdivision 7, are repealed.

Sec. 47. Sections 1, 2, 3, 4, 6, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 21, 22, 27, 28, 40, 43, and 45 shall be effective the day following final enactment. Sections 23, 24, 25, 26, 32, 33, 34, 35, 36, 37, 38, 39, 41, 42, 44, and 46 shall be effective July 1, 1978. Sections 5, 7 and 20 shall be effective January 1, 1979. Sections 29, 30, and 31 shall be effective April 1, 1979. Any person who was a member pursuant to section 353.01, subdivision 16, clause (3) prior to the election authorized by section 27 and was a basic member shall remain a basic member notwithstanding the provisions of section 353.017, subdivision 1 to the contrary.

The reduced augmentation rates shall apply to persons who are already on deferred status as of December 31, 1980, as well as to persons who terminate public service thereafter, but shall have no effect on rates of augmentation for periods of deferral prior to December 31, 1980. The augmentation rate added to the elective state officers plan shall apply to persons who are already on deferred status as of the day prior to the effective date of section 15, as well as to persons who terminate public service thereafter."

Notice of the publication of the guidebook shall be published in the state register.*

Sec. 9. Minnesota Statutes, 1977 Supplement, Section 15.0412, Subdivision 4, is amended to read:

Subd. 4. No rule shall be adopted by any agency unless the agency first holds a public hearing thereon, affording all affected interests an opportunity to participate, and gives notice of its intention to hold such a hearing at least 30 days prior to the date set for the hearing by United States mail, to representatives of associations or other interested groups or persons who have registered their names with the secretary of state for that purpose and in the state register. The notice in the state register shall include the full text of the rule proposed for adoption; provided that, with the approval of the chief hearing examiner, the agency may incorporate by reference provisions of federal law or rule or other materials from sources which the chief hearing examiner determines are conveniently available for viewing, copying and acquisition by interested persons. The chief hearing examiner shall not approve incorporation by reference of materials which are less than 3000 words in length or which would require less than five pages of publication in the state register. The agency shall make available at least one free copy of the proposed rule to any person requesting it. *The free copy shall be an exact duplicate of the proposed rule and notice of hearing as published in the state register.* At the public hearing the agency shall make an affirmative presentation of facts establishing the need for and reasonableness of the rule proposed for adoption and fulfilling any relevant substantive or procedural requirements imposed on the agency by law or rule. After allowing written material to be submitted and recorded in the hearing record for five working days after the public hearing ends, or for a longer period not to exceed 20 days if ordered by the hearing examiner, the hearing examiner assigned to the hearing shall proceed to write a report as provided for in section 15.052, subdivision 3, which report shall be completed within 30 days after the close of the hearing record unless the chief hearing examiner,

upon written request of the agency (AND) or the hearing examiner, orders an extension. In no case shall an extension be granted if the chief hearing examiner determines that an extension would prohibit a rule from being adopted or becoming effective until after a date for adoption or effectiveness as required by statute. The report shall be available to all affected persons upon request for at least five working days before the agency takes any final action on the rule. If the agency adopts the rule, it shall be submitted with the complete hearing record to the attorney general, who shall review the rule as to form and legality. If the agency, the chief hearing examiner or the attorney general requests, the hearing examiner shall cause a transcript to be prepared of the hearing. The agency shall give notice to all persons who requested to be informed that the hearing record has been submitted to the attorney general. The attorney general shall, within 20 days, either approve or disapprove the rule. If he approves the rule, he shall promptly file it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary, nor published. A rule shall become effective after it has been subjected to all requirements described in this subdivision and five working days after publication in the state register, as hereinafter provided, unless a later date is required by statutes or specified in the rule. If the rule as adopted does not differ from the proposed rule as published in the state register, publication may be made by publishing notice in the state register that the rule has been adopted as proposed and by publishing a citation to the prior publication. If the rule as adopted differs from the proposed rule, the adopted rule or subdivisions thereof which differ from the proposed rule shall be published together with a citation to the prior state register publication of the remainder of the proposed rule.

Sec. 10. Minnesota Statutes, 1977 Supplement, Section 15-0412, Subdivision 5, is amended to read:

Subd. 5. The proposed temporary rule shall be published in the state register and for at least 20 days thereafter the agency shall afford all interested persons an opportunity to submit data and views on the proposed temporary rule in writing. The proposed temporary rule may be modified if the modifications are supported by the data and views submitted to the agency. The agency shall submit to the attorney general the proposed temporary rule as published, with any proposed modifications. The attorney general shall review the proposed temporary rule as to form and legality and shall approve or disapprove the proposed temporary rule and any proposed

modifications within five working days. The temporary rule shall take effect upon approval of the attorney general. Failure of the attorney general to approve or disapprove within five working days shall be deemed approval. As soon as practicable notice of the attorney general's decision shall be published in the state register and the adopted rule shall be published in the manner as provided for adopted rules in subdivision 4. Temporary rules adopted under this subdivision shall be effective for not longer than 90 days and may be reissued or continued in effect for an additional 90 days, but may not immediately be reissued thereafter without following the procedure of subdivision 4.

In addition, the commissioner of administration may require a department or agency to make advance payments to any of the aforesaid revolving funds sufficient to cover the department's or agency's estimated obligation for a period of at least 60 days. 16A.126 [COMMISSIONER TO APPROVE BILLING RATES FOR REVOLVING FUNDS.] The commissioner of finance shall approve the rates at which services are billed state departments or agencies by any revolving fund. In order to reduce revolving fund reserves maintained for unforeseen needs and thereby reduce the rates which using agencies must pay, the commissioner may transfer moneys not otherwise appropriated in the general fund to a revolving fund if, in the commissioner's judgment, a bona fide, immediate expenditure is necessary and if there are insufficient moneys in the revolving fund to meet the expenditure. Any moneys so transferred, shall be repaid to the general fund within (TWO) *three* calendar years from the revolving fund charges paid by benefited state departments and agencies.

(, THE GOVERNOR) shall convey the excess real estate by quitclaim deed in a form approved by the attorney general in the name of the state to the highest responsible bidder. The deed may contain restrictive clauses limiting the use of the real estate in the interest of preserving the integrity of the trail when the commissioner finds that the restrictions are reasonably necessary.

Sec. 25. Minnesota Statutes 1976, Section 112.801, Subdivision 8, is amended to read:

Subd. 8. All proceedings before the board *conducted pursuant to this chapter and chapter 105* shall be in conformity with sections 15.0411 to (15.0422) 15.052.

[SUSPENSION AND REVOCATION; HEARING.] The registrar of motor vehicles, upon his own motion or upon the complaint of another, shall prepare and cause to be served upon the licensee complained of, a written notice or complaint setting forth, in substance, the violations charged, a statement of the deficiencies which exist and any corrective action deemed appropriate. Said notice shall include a statement that in the event corrective action is deemed appropriate and corrective action is not taken, the dealer's license may be suspended or revoked. The notice shall require the licensee to appear at the time and place fixed therein before the registrar or inspector, and show cause why his license should not be suspended or revoked.

The registrar shall, at the time and place fixed in the notice, proceed to hear and determine the matter on its merits. All hearings shall be conducted in accordance with the provisions of chapter 15 (, EXCEPT THAT THE PROVISIONS OF SECTION 15.052, SUBDIVISION 3, SHALL NOT APPLY). The registrar is authorized to subpoena witnesses and administer

oaths. If the registrar shall find the existence of any of the causes for suspension or revocation as set forth in subdivision 12 and determine that corrective action has not been taken or that corrective action will not prevent repetition of the violations charged or that the public interest will not be served by corrective action and the licensee's license should be suspended or revoked, the registrar shall issue a written order setting out his decision, and a copy of such order shall be served upon such licensee in the manner provided by law for the service of summons in a civil action. If the registrar finds the dealer has violated any of the provisions of this section but that the nature of said violation or the circumstances thereof are such that a suspension of the license would be adequate, he may, instead of revoking the license suspend it for a period not exceeding 90 days. If he finds the violation does not justify a suspension only, he shall revoke the license. Upon a suspension or revocation, if it be a new or used motor vehicle dealer, said licensee shall immediately return to the registrar all number plates, including any "in transit" plates, in its possession and its dealer's license certificate.

March 21, 1978

The Honorable Edward J. Gearty
President of the Senate
The Honorable Martin O. Sabo
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 438, report that we have agreed upon the items in dispute and recommend as follows:

That the house recede from its amendments and S. F. No. 438 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. [FINDINGS.] The legislature finds that the laws governing our financial institutions have not been reviewed as a whole by the governing bodies of this state for over forty years; that during that period major and significant social, competitive and technological changes have occurred which have affected many categories of financial institutions; and that a comprehensive study of the effects of these changes upon the institutions and existing laws and the resulting need for any changes in our laws is necessary to ensure that the financial institutions of this state may develop to their maximum extent and to ensure that the future financial needs of the citizens and institutions are met.

Sec. 2. [STUDY COMMISSION ON FINANCIAL INSTITUTIONS.] Subdivision 1. A study commission is created to study and report on the services and regulation of financial institutions in Minnesota, including banks subject to chapter 48; savings banks organized and operated pursuant to chapter 50;

savings and loan associations subject to chapter 51A; credit unions organized pursuant to chapter 52; industrial loan and thrift companies organized pursuant to chapter 53; small loan companies subject to chapter 56; federally-chartered banks, savings and loan associations and credit unions; insurance companies, to the extent of their credit extension activities only; and such other financial institutions as the commission deems necessary and important to carry out its duties under this section.

Subd. 2. The commission consists of seven members appointed by the governor. The members shall be knowledgeable in the area of financial services and shall have had practical experience in the provision of financial services, regulation of financial service providers, representation of interests of consumers of financial services, or actual use of financial services to a significant degree, but shall not have been employees of the financial services industry within the six months preceeding their appointment. Members shall serve until December 31, 1979. The compensation of members, their removal and the filling of vacancies shall be as provided in section 15.059.

Subd. 3. The commission shall study, make findings and recommendations, and report on:

(a) The roles, functions and services of all categories of financial institutions, their inter-relationships and any specific changes in state laws;

(b) The expected future need for capital and financial services of all consumers and the means to achieve the needs;

(c) The feasibility of and methods for this state becoming a more significant financial center;

(d) Regulation of the structure of the financial services industry, competition within the financial services industry and consumer protection;

(e) The propriety of present interest rate ceilings and the need for alternative systems for altering interest rate ceilings; and

(f) The adequacy of or need for the present degree of regulation of financial institutions by the commissioner of banking.

Subd. 4. The commission may study, make findings and recommendations and report on other matters the commission believes necessary and important.

Subd. 5. The commission shall hold meetings and hearings at the times and places it designates to accomplish the purposes set forth in this section. It shall select a chairman and vice

chairman from its membership. The commission may conduct inspections, take testimony, require by subpoena the attendance of witnesses and production of records and documents, and administer oaths as it deems advisable to accomplish the purposes set forth in this section. A subpoena shall be issued only upon an affirmative vote of a majority of all members of the commission. Subpoenas shall be issued over the signature of the chairman and shall be served by any person designated by the chairman. Any member of the commission may administer oaths or affirmations to witnesses appearing before the commission.

Subd. 6. The commission has authority to employ staff, rent office space and enter into contracts. Commission staff members shall work in consultation with appropriate staff members of the office of senate counsel and house research. Commission members shall be compensated at the rate of \$50 per day spent on commission activities, when authorized by the commission, plus expenses in the same manner and amount as received by state employees.

Subd. 7. The chairman of the commission, or the vice chairman in the absence of the chairman, shall be the official spokesman of the commission in its relations with the legislature, governmental agencies, other persons and the public, and, on behalf of the commission, shall see that the administrative policies and decisions of the commission are faithfully executed.

Sec. 3. Minnesota Statutes 1976, Section 45.04, Subdivision 1, is amended to read:

45.04 [BANK APPLICATIONS.] Subdivision 1. [FILING; FEE; HEARING.] The incorporators of any bank proposed to be organized under the laws of this state shall execute and acknowledge an application, in writing, in the form prescribed by the department of commerce, and shall file the same in its office, which application shall be signed by two or more of the incorporators, requesting a certificate authorizing the proposed bank to transact business at the place and in the name stated in the application. At the time of filing the application the applicant shall pay a filing fee of \$1,000, which shall be paid into the state treasury and credited to the general fund and shall pay to the commissioner of banks the sum of \$500 as a fee for investigating the application which shall be turned over by him to the state treasurer and credited by the treasurer to the general fund of the state. *Notwithstanding Minnesota Statutes, Section 15.052, the applicant shall pay to the commission the lesser of the actual costs of the hearing or \$3,000. If the actual costs of the hearing exceed \$3,000, the applicant and objectors shall pay to the commission all the excess costs of the hearing, sharing those costs equally among them.* Thereupon the commission shall fix a time, within 60 days after the filing of the application, for a hearing (AT ITS OFFICE AT THE STATE CAPITOL,) at which (HEARING) it shall decide whether or not the applica-

tion shall be granted. A notice of the hearing shall be published in the form prescribed by the commission in some newspaper published in the municipality in which the proposed bank is to be located, and if there be no such newspaper, then at the county-seat of the county in which the bank is proposed to be located. The notice shall be published once, at the expense of the applicants, not less than 30 days prior to the date of the hearing. *In addition to the publication of the notice of hearing the applicant shall, at least 20 days prior to the hearing, serve a copy of the notice, by certified mail, on all financial institutions within a five mile radius of the proposed location of the proposed bank if it is to be located in the metropolitan area as defined in Minnesota Statutes 1976, Section 473.121, Subdivision 2; and if proposed to be located at any other location in Minnesota, on all financial institutions located in the county of the proposed location and in all adjacent counties of the proposed location. The applicant shall file an affidavit of service, listing the financial institutions served, with the department of commerce at least 15 days prior to the hearing. Such publication, service, and filing of the affidavit shall be deemed jurisdictional. At the hearing the commission shall consider the application and hear the applicants and such witnesses as may appear in favor of or against the granting of the application of the proposed bank.*

For the purpose of this section, "objector" means any person who gives notice of intent to appear at a hearing in opposition to the granting of an application.

Sec. 4. Minnesota Statutes, 1977 Supplement, Section 47.52, is amended to read:

47.52 [AUTHORIZATION.] (a) With the prior approval of the commissioner, any bank doing business in this state may establish and maintain not more than two detached facilities provided the facilities are located within the municipality in which the principal office of the applicant bank is located; or within 5,000 feet of its principal office measured in a straight line from the closest points of the closest structures involved; or within 25 miles of its principal office measured in a straight line from the closest points of the closest structures involved, if the detached facility is within any municipality in which no bank is located at the time of application or if the detached facility is in a municipality having a population of more than 10,000, according to the last previous United States census, or if the detached facility is located in a municipality having a population of 10,000 or less and all the banks having a principal office in the municipality have consented in writing to the establishment of the facility; *or within the premises of an airport, acquired, established, maintained or operated by a political subdivision, public corporation, authority or district in this state, which is within 25 miles of the bank's principal office measured in a straight line from the closest structures involved.* (b) A detached facility shall not be closer than 50 feet to a detached facility oper-

ated by any other bank and shall not be closer than 100 feet to the principal office of any other bank, the measurement to be made in the same manner as provided above. This clause shall not be applicable if the proximity to the facility or the bank is waived in writing by the other bank and filed with the application to establish a detached facility.

Sec. 5. [LEOTA, TOWN OF; DETACHED BANKING FACILITY; AUTHORIZATION.] *With the prior approval of the commissioner of banks, a bank doing business in this state may establish and maintain not more than one detached facility in the town of Leota in Nobles county. Any bank desiring to establish a detached facility shall follow the approval procedure prescribed in Minnesota Statutes, Section 47.54. The establishment of a detached facility in the town of Leota shall be subject to the provisions of Minnesota Statutes, Sections 47.51 to 47.57.*

Sec. 6. [APPROPRIATION.] *There is appropriated from the general fund to the legislative coordinating commission the sum of \$150,000 for the period ending June 30, 1979, to pay the expenses incurred by the study commission in the exercise of its duties pursuant to section 2.*

Sec. 7. [EFFECTIVE DATE.] *Sections 2, 3, 4 and 6 are effective the day following final enactment. Section 5 is effective upon approval by the town board of the town of Leota and upon compliance with Minnesota Statutes, Section 645.021. Section 3 shall apply to applications for certificates of authorization filed on that date and thereafter."*
