CONFERENCE COMMITTEE REPORT ON S. F. NO. 702

A bill for an act relating to health; requiring counties to establish local nursing home pre-admission screening teams; prescribing duties of the teams and the commissioner of public welfare; appropriating money; amending Minnesota Statutes 1978, Chapter 256B, by adding a section.

April 3, 1980

The Honorable Edward J. Gearty
President of the Senate

The Honorable Fred C. Norton
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 702, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and that S. F. No. 702 be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1978, Chapter 256B, is amended by adding a section to read:

[256B.091] [NURSING HOME PRE-ADMISSION SCREENING PROGRAM.] *Subdivision 1. [PURPOSE.] It is the purpose of this section to prevent inappropriate nursing home placement by establishing a program of pre-admission screening teams for all medical assistance recipients and any individual who would become eligible for medical assistance within 90 days of admission to a licensed nursing home participating in the program. Further, it is the purpose of this section and the program to gain further information about how to contain costs associated with inappropriate nursing home admissions. The commissioners of public welfare and health shall seek to maximize use of available federal and state funds and establish the broadest program possible within the appropriation available. The commissioner of public welfare shall promulgate temporary rules in order to implement this section by September 1, 1980.*

Subd. 2. [SCREENING TEAMS; ESTABLISHMENT.] Each county agency designated by the commissioner of public welfare to participate in the program shall contract with the local board of health organized under Minnesota Statutes, Section 145.911 to 145.922 or other public or non-profit agency to establish a screening team to assess, prior to admission to a nursing home licensed under section 144A.02, the health and social needs of medical assistance recipients and individuals

who would become eligible for medical assistance within 90 days of nursing home admission. Each local screening team shall be composed of a public health nurse from the local public health nursing service and a social worker from the local community welfare agency. Each screening team shall have a physician available for consultation and shall utilize individuals' attending physicians' physical assessment forms, if any, in assessing needs. The individual's physician shall be included on the screening team if the physician chooses to participate. Other personnel as deemed appropriate by the county agency may be included on the team. No member of a screening team shall have a direct or indirect financial or self-serving interest in a nursing home or non-institutional referral such that it would not be possible for the member to consider each case objectively.

Subd. 3. [SCREENING TEAM; DUTIES.] Local screening teams shall seek cooperation from other public and private agencies in the community which offer services to the disabled and elderly. The responsibilities of the agency responsible for screening shall include:

(a) Provision of information and education to the general public regarding availability of the screening program;

(b) Acceptance of referrals from individuals, families, human service professionals and nursing home personnel of the community agencies;

(c) Assessment of health and social needs of referred individuals and identification of services needed to maintain these persons in the least restrictive environments;

(d) Identification of available noninstitutional services to meet the needs of individuals referred;

(e) Recommendations for individuals screened regarding:

(1) Nursing home admission; and

(2) Maintenance in the community with specific service plans and referrals and designation of a lead agency to implement each individual's plan of care;

(f) Provision of follow up services as needed; and

(g) Preparation of reports which may be required by the commissioner of public welfare.

Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home admission, screening teams shall assess the needs of all persons receiving medical assistance and of all persons who would be eligible for medical assistance within 90 days of ad-

mission to a nursing home, except patients from acute care facilities or transfers from other nursing homes. Any other interested person may be assessed by a screening team upon payment of a fee based upon a sliding fee scale.

Subd. 5. [APPEALS.] Appeals from the screening team's determination shall be made pursuant to the procedures set forth in Minnesota Statutes, Section 256.045, Subdivisions 2 and 3. An appeal shall be automatic if the individual's physician does not agree with the recommendation of the screening team.

Subd. 6. [TEAM REIMBURSEMENT.] The commissioner of public welfare shall amend the Minnesota medical assistance plan to include reimbursement for the local screening teams. Reimbursement shall not be provided for any recipient placed in a nursing home in opposition to the screening team's recommendation after January 1, 1981; provided, however, the commissioner shall not deny reimbursement for (1) an individual admitted to a nursing home who is assessed to need long-term supportive services if long-term supportive services other than nursing home care are not available in that community; or (2) any eligible individual placed in the nursing home pending an appeal of the preadmission screening team's decision; or (3) any eligible individual placed in the nursing home by a physician in an emergency situation and where the screening team has not made a decision within five working days of its initial contact.

Subd. 7. [REPORT.] The commissioner of public welfare, in consultation with the commissioner of health, shall evaluate the screening program established pursuant to this section and provide a report to the legislature by April 1, 1981, which shall include a description of:

- (a) The cost effectiveness of the program;
- (b) The unmet needs in the community;
- (c) Similar screening activities in the counties;
- (d) Methods to improve the program.

Sec. 2. [APPROPRIATION.] For the biennium ending June 30, 1981, there is appropriated from the general fund to the department of public welfare the sum of \$48,000 for the purposes of section 1 and the approved complement shall be increased by one until June 30, 1981.

Sec. 3. [EFFECTIVE DATE.] This act shall be effective the day following its enactment."

Further amend the title as follows:

Page 1, lines 2 and 3, delete "requiring counties to establish" and insert "establishing"

“UNIFORM CONDOMINIUM ACT

ARTICLE I

GENERAL PROVISIONS

Section 515.1-101. [SHORT TITLE.] Sections 515.1-101 to 515.4-117 shall be known and may be cited as the uniform condominium act.

Sec. 515.1-102. [APPLICABILITY.] (a) Sections 515.1-105 (Separate Titles and Taxation; Homestead), 515.1-106 (Applicability of Local Ordinances, Regulations, and Building Codes), 515.1-107 (Eminent Domain), 515.2-103 (Construction and Validity of Declaration and Bylaws), 515.2-104 (Description of Units), 515.3-102 (1) to (5) and (9) to (12) (Powers of Unit Owners Association), 515.3-111 (Tort and Contract Liability), 515.3-112 (Insurance), 515.3-115 (Lien for Assessments), 515.3-116 (Association Records), 515.4-107 (Resales of Units), and 515.1-103 (Definitions) to the extent necessary in construing any of those sections, apply to all condominiums created in this state prior to the effective date of sections 515.1-101 to 515.4-117; provided, however, that these sections apply only with respect to events and circumstances occurring after the effective date of sections 515.1-101 to 515.4-117, and do not invalidate existing provisions of the declaration, bylaws, or floor plans of those condominiums.

(b) Sections 515.1-101 to 515.4-117 apply to all condominiums created within this state after August 1, 1980. The provisions of Minnesota Statutes, Sections 515.01 to 515.29 do not apply to condominiums created after August 1, 1980 and do not invalidate any amendment to the declaration, bylaws, or floor plans of any condominium created before August 1, 1980 if the amendment would be permitted by sections 515.1-101 to 515.4-117. The amendment must be adopted in conformity with the procedures and requirements specified by those instruments and by Minnesota Statutes, Sections 515.01 to 515.29. If the amendment grants to any person any rights, powers or privileges permitted by sections 515.1-101 to 515.4-117, all correlative obligations, liabilities, and restrictions in sections 515.1-101 to 515.4-117 also apply to that person.

Sec. 515.1-103. [DEFINITIONS.] In the declaration and bylaws, unless specifically provided otherwise or the context otherwise requires, and in sections 515.1-101 to 515.4-117:

(1) “Additional real estate” means real estate that may be added to a flexible condominium.

(2) "Affiliate of a declarant" means any person who controls, is controlled by, or is under common control with a declarant. A person "controls" a declarant if the person (i) is a general partner, officer, director, or employer of the declarant or (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than 20 percent of the voting interest in the declarant, or (iii) controls in any manner the election of a majority of the directors of the declarant, or (iv) has contributed more than 20 percent of the capital of the declarant. A person "is controlled by" a declarant if the declarant (i) is a general partner, officer, director, or employer of the person or (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than 20 percent of the voting interest in the person, or (iii) controls in any manner the election of a majority of the directors of the person, or (iv) has contributed more than 20 percent of the capital of the person. Control does not exist if the powers described in this paragraph are held solely as security for an obligation and are not exercised.

(3) "Association" or "unit owners association" means the unit owners association organized under section 515.3-101.

(4) "Common elements" means all portions of a condominium other than the units.

(5) "Common expenses" means expenditures made or liabilities incurred by or on behalf of the association, together with any allocations to reserves.

(6) "Common expense liability" means the liability for common expenses allocated to each unit pursuant to section 515.2-108.

(7) "Condominium" means real estate, portions of which are designated for separate ownership and the remainder of which is designated for common ownership solely by the owners of those portions. Real estate is not a condominium unless the undivided interests in the common elements are vested in the unit owners.

(8) "Conversion condominium" means a condominium in which a building was at any time before the recording of the declaration wholly or partially occupied by persons other than purchasers and persons who occupied with the consent of the purchasers.

(9) "Declarant" means:

(a) if the condominium has been created, (1) any person who has executed a declaration or an amendment to a declaration to add additional real estate, other than persons holding interests in the real estate solely as security for an obligation,

persons whose interests in the real estate will not be conveyed to unit owners, or, in the case of a leasehold condominium, a lessor who possesses no special declarant rights and who is not an affiliate of a declarant who possesses special declarant rights, or (2) any person who succeeds under section 515.3-104 to any special declarant rights; or

(b) any person who has offered prior to creation of a condominium to dispose of his interest in a unit to be created and not previously disposed of.

(10) "Dispose" or "disposition" means a voluntary transfer of any legal or equitable interest in a unit, other than as security for an obligation.

(11) "Flexible condominium" means a condominium to which additional real estate may be added.

(12) "Leasehold condominium" means a condominium in which all of the real estate is subject to a lease, the expiration or termination of which will terminate the condominium.

(13) "Limited common element" means a portion of the common elements allocated by the declaration or by operation of section 515.2-102(2) or (4) for the exclusive use of one or more but fewer than all of the units.

(14) "Person" means a natural person, corporation, partnership, trust, or other entity, or any combination thereof.

(15) "Purchaser" means any person, other than a declarant, who prior to creation of the condominium enters into a purchase agreement with a declarant or who by means of a voluntary transfer after creation of the condominium holds a legal or equitable interest in a unit, other than (i) a leasehold interest (including renewal options) of less than three years, or (ii) as security for an obligation.

(16) "Real estate" means any leasehold for three years or more or other estate or interest in, over, or under land, including structures, fixtures, and other improvements and interests which by custom, usage, or law pass with a conveyance of land though not described in the contract of sale or instrument of conveyance. "Real estate" includes parcels with or without upper or lower boundaries.

(17) "Security for an obligation" means the vendor's interest in a contract for deed, mortgagee's interest in a mortgage, purchaser's interest under a sheriff's certificate of sale during the period of redemption, or the holder's interest in a lien.

(18) "Special declarant rights" means rights reserved for the benefit of a declarant to complete improvements indicated on floor plans (section 515.2-110); to add additional real estate to a flexible condominium (section 515.2-111); to subdivide or convert a unit (section 515.2-115); to maintain sales offices, management offices, signs advertising the condominium, and models (section 515.2-117); to use easements through the common elements for the purpose of making improvements within the condominium or any additional real estate (section 515.2-118); or to appoint or remove any board member during any period of declarant control (section 515.3-103(a)).

(19) "Unit" means a portion of the condominium, whether or not contained solely or partially within a building, designated for separate ownership, the boundaries of which are described pursuant to section 515.2-110.

(20) "Unit owner" means a declarant who owns a unit, a person to whom ownership of a unit has been conveyed or transferred, or in a leasehold condominium a lessee of a unit whose lease expires simultaneously with any lease the expiration or termination of which will remove the unit from the condominium, but does not include a holder of an interest as security for an obligation.

Sec. 515.1-104. [VARIATION BY AGREEMENT.] Except as expressly otherwise provided in sections 515.1-101 to 515.4-117, provisions of sections 515.1-101 to 515.4-117 may not be varied by agreement, and rights conferred by sections 515.1-101 to 515.4-117 may not be waived. A declarant may not act under a power of attorney, or use any other device, to evade the limitations or prohibitions of sections 515.1-101 to 515.4-117 or the declaration.

Sec. 515.1-105. [SEPARATE TITLES AND TAXATION; HOMESTEAD.] (a) Each unit together with its common element interest constitutes for all purposes a separate parcel of real estate.

(b) If a declaration is recorded prior to ten days before any installment of real estate taxes becomes payable, the local taxing authority shall split the taxes so payable on the condominium among the units. Interest and penalties which would otherwise accrue shall not begin to accrue until at least 30 days after the split is accomplished.

(c) A unit used for residential purposes together with not more than two units used for vehicular parking and their common element interests shall be treated the same as any other real estate in determining whether homestead exemptions or classifications shall apply.

Sec. 515.1-106 [APPLICABILITY OF LOCAL ORDINANCES, REGULATIONS, AND BUILDING CODES.] (a) Except as provided in subsections (b) and (c), a zoning, subdivision, building code, or other real estate use law, ordinance, charter provision, or regulation may not directly or indirectly prohibit the condominium form of ownership or impose any requirement upon a condominium, upon the creation or disposition of a condominium or upon any part of the condominium conversion process which it would not impose upon a physically similar development under a different form of ownership. Otherwise, no provision of sections 515.1-101 to 515.4-117 invalidates or modifies any provision of any zoning, subdivision, building code, or other real estate use law, ordinance, charter provision, or regulation.

(b) Subsection (a) shall not apply to any ordinance, rule, regulation, charter provision or contract provision relating to the financing of housing construction, rehabilitation, or purchases provided by or through a housing finance program established and operated pursuant to state or federal law by a state or local agency or local unit of government.

(c) A statutory or home rule charter city, pursuant to an ordinance or charter provision establishing standards to be applied uniformly within its jurisdiction, may prohibit or impose reasonable conditions upon the conversion of buildings to the condominium form of ownership only if there exists within the city a significant shortage of suitable rental dwellings available to low and moderate income individuals or families or to establish or maintain the city's eligibility for any federal or state program providing direct or indirect financial assistance for housing to the city. Prior to the adoption of an ordinance pursuant to the authority granted in this subsection, the city shall conduct a public hearing.

Any ordinance or charter provision adopted pursuant to this subsection shall not apply to any conversion condominium or proposed conversion condominium for which a bona fide loan commitment for a consideration has been issued by a lender and is in effect on the date of adoption of the ordinance or charter provision, or for which a notice of condominium conversion or intent to convert prescribed by section 515.4-110(a), containing a termination of tenancy, has been given to at least 75 percent of the tenants and subtenants in possession prior to the date of adoption of the ordinance or charter provision.

(d) For purposes of providing marketable title, a statement in the declaration showing that the condominium is not subject to an ordinance or showing that any conditions required under an ordinance have been complied with shall be prima facie evidence that the condominium was not created in violation thereof.

(e) A violation of an ordinance or charter provision adopted pursuant to the provisions of subsections (b) or (c) shall not

affect the validity of a condominium. This subsection shall not be construed to in any way limit the power of a city to enforce the provisions of an ordinance or charter provision adopted pursuant to subsections (b) or (c).

Any ordinance or charter provision enacted hereunder shall not be effective for a period exceeding 18 months.

Sec. 515.1-107. [EMINENT DOMAIN.] (a) If a unit is acquired by eminent domain, or if part of a unit is acquired by eminent domain leaving the unit owner with a remnant which may not practically or lawfully be used for any purpose permitted by the declaration, the award shall compensate the unit owner and holders of an interest as security for an obligation in the unit and its common element interest as their interests may appear, whether or not any common element interest is acquired. Upon acquisition, unless the decree otherwise provides, that unit's entire common element interest, votes in the association, and common expense liability are automatically reallocated to the remaining units in proportion to the respective interests, votes, and liabilities of those units prior to the taking, and the association shall promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

(b) Except as provided in subsection (a), if part of a unit is acquired by eminent domain, the award shall compensate the unit owner and the holders of an interest as security for an obligation as their interests may appear for the reduction in value of the unit and its common element interest. Upon acquisition, unless the apportionment thereof pursuant to the declaration is based upon equality, (1) that unit's common element interest, votes in the association, and common expense liability are reduced in proportion to the reduction in the size of the unit, and (2) the portion of common element interest, votes, and common expense liability divested from the partially acquired unit are automatically reallocated to that unit and the remaining units in proportion to the respective interests, votes, and liabilities of those units prior to the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced interests, votes, and liabilities.

(c) If part of the common elements is acquired by eminent domain, the award shall be paid to the association. The association shall divide any portion of the award not used for any restoration or repair of the remaining common elements among the unit owners and holders of an interest as security for an obligation as their interests may appear in proportion to their respective interests in the common elements before the taking, but the portion of the award attributable to the acquisition of a limited common element shall be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition and the respective holders of an interest as security for an obligation of the units as their interests may

appear of the units to which that limited common element was allocated at the time of acquisition, or in such other manner as the declaration may provide.

(d) The court decree shall be recorded in every county in which any portion of the condominium is located.

Sec. 515.1-108. [SUPPLEMENTAL GENERAL PRINCIPLES OF LAW APPLICABLE.] The principles of law and equity, including the law of corporations, the law of real property and the law relative to capacity to contract, principal and agent, eminent domain, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating cause supplement the provisions of sections 515.1-101 to 515.4-117, except to the extent inconsistent with sections 515.1-101 to 515.4-117. Documents required by sections 515.1-101 to 515.4-117 to be recorded shall in the case of registered land be filed.

Sec. 515.1-109. [CONSTRUCTION AGAINST IMPLICIT REPEAL.] Sections 515.1-101 to 515.4-117 being a general act intended as a unified coverage of its subject matter, no part of it shall be construed to be impliedly repealed by subsequent legislation if that construction can reasonably be avoided.

Sec. 515.1-110. [UNIFORMITY OF APPLICATION AND CONSTRUCTION.] Sections 515.1-101 to 515.4-117 shall be applied and construed so as to effectuate its general purpose to make uniform the law with respect to the subject of sections 515.1-101 to 515.4-117 among states enacting it.

Sec. 515.1-111. [SEVERABILITY.] If any provision of sections 515.1-101 to 515.4-117 or the application thereof to any person or circumstances is held invalid, the invalidity does not affect other provisions or applications of sections 515.1-101 to 515.4-117 which can be given effect without the invalid provisions or application, and to this end the provisions of sections 515.1-101 to 515.4-117 are severable.

Sec. 515.1-112. [UNCONSCIONABLE AGREEMENT OR TERM OF CONTRACT.] (a) The court, upon finding as a matter of law that a contract or contract clause to which the declarant or the affiliate of a declarant is a party was unconscionable at the time the contract was made, may refuse to enforce the contract, enforce the remainder of the contract without the unconscionable clause, or limit the application of any unconscionable clause in order to avoid an unconscionable result.

(b) Whenever it is claimed, or appears to the court that such a contract or contract clause is or may be unconscionable, the parties, in order to aid the court in making the determination, shall be afforded a reasonable opportunity to present evidence as to:

- (1) the commercial setting of the negotiations;

(2) whether a party has knowingly taken advantage of the inability of the other party reasonably to protect his interests by reason of physical or mental infirmity, illiteracy, or inability to understand the language of the agreement or similar factors;

(3) the effect and purpose of the contract or clause; and

(4) if a sale, any gross disparity, at the time of contracting, between the amount charged for the real estate and the value of the real estate measured by the price at which similar real estate was readily obtainable in similar transactions, but a disparity between the contract price and the value of the real estate measured by the price at which similar real estate was readily obtainable in similar transactions does not, of itself, render the contract unconscionable.

Sec. 515.1-113. [OBLIGATION OF GOOD FAITH.] Every contract or duty governed by sections 515.1-101 to 515.4-117 imposes an obligation of good faith in its performance or enforcement.

Sec. 515.1-114. [REMEDIES TO BE LIBERALLY ADMINISTERED.] (a) The remedies provided by sections 515.1-101 to 515.4-117 shall be liberally administered to the end that the aggrieved party is put in as good a position as though the other party had fully performed, provided that rights of bona fide purchasers shall be protected. However, consequential, special, or punitive damages may not be awarded except as specifically provided in sections 515.1-101 to 515.4-117 or by other rule of law.

(b) Any right or obligation declared by sections 515.1-101 to 515.4-117 is enforceable by judicial proceeding unless the provision declaring it provides otherwise.

Sec. 515.1-115. [NOTICE.] Except as otherwise stated in sections 515.1-101 to 515.4-117 all notices required by sections 515.1-101 to 515.4-117 shall be in writing and shall be effective upon hand delivery or upon mailing if properly addressed with postage prepaid and deposited in the United States mail.

Sec. 515.1-116. [EFFECTIVE DATE.] Section 515.1-106 is effective the day following final enactment.

ARTICLE II

CREATION, ALTERATION, AND TERMINATION OF CONDOMINIUMS

Sec. 515.2-101. [CREATION OF CONDOMINIUM.] (a) A condominium may be created pursuant to sections 515.1-101 to 515.4-117 only by recording a declaration executed, in the same

manner as a deed, by all persons whose interests in the real estate will be conveyed to unit owners, except vendors under contracts for deed, and by every lessor of a lease the expiration or termination of which will terminate the condominium. The condominium shall not include real estate covered by a lease affecting less than all of the condominiums and the expiration or termination of which will reduce the size of the condominium. The declaration and bylaws shall be recorded in every county in which any portion of the condominium is located. Failure of any party to join in a declaration shall have no effect on the validity of a condominium provided that after the recording of the declaration the party acknowledges the condominium in a recorded instrument or the interest of the party is extinguished.

(b) A declaration, or an amendment to a declaration adding units to a condominium, may not be recorded unless all structural components and mechanical systems serving more than one unit of all buildings containing or comprising any units thereby created are substantially completed consistent with the floor plans, as evidenced by a certificate executed by a registered professional engineer or architect and recorded or attached to the floor plans.

(c) No possessory interest in a unit may be conveyed until the unit is substantially completed as evidenced by a recorded certificate of completion executed by a registered professional engineer or architect. For the purpose of this section "substantially completed" means entirely completed consistent with the floor plans. This subsection does not prevent the conveyance prior to substantial completion of all units owned by the declarant to a person who is a transferee of special declarant rights.

(d) The declaration, any amendment or amendments thereof, and every instrument affecting a condominium or any unit shall be entitled to be recorded.

(e) In addition to the records and indexes required to be maintained by the recording officer, the recording officer shall maintain an index or indexes whereby the record of each declaration contains a reference to the record of each conveyance of a unit affected by the declaration.

(f) The recording officer shall upon request assign a number to a condominium to be formed.

(g) The recording officer shall separate the floor plans from the declaration and the floor plans shall be kept by the recording officer in a separate file for each condominium indexed in the same manner as a conveyance entitled to record indicating the number of the condominium.

Sec. 515.2-102. [UNIT BOUNDARIES.] Except as otherwise provided by the declaration:

(1) If walls, floors, or ceilings are designated as boundaries of a unit, all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit, and all other portions of the walls, floors, or ceilings are a part of the common elements.

(2) If any chute, flue, duct, pipe, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside of the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated solely to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements.

(3) Subject to the provisions of paragraph (2), all spaces, interior partitions, and other fixtures and improvements within the boundaries of a unit are a part of the unit.

(4) All exterior doors and windows and any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, or other fixtures designed to serve a single unit, but located outside the unit's boundaries, are limited common elements allocated exclusively to that unit.

Sec. 515.2-103. [CONSTRUCTION AND VALIDITY OF DECLARATION AND BYLAWS.] (a) All provisions of the declaration and bylaws are severable.

(b) The rule against perpetuities may not be applied to defeat any provision of the declaration or sections 515.1-101 to 515.4-117, or any instrument executed pursuant to the declaration or sections 515.1-101 to 515.4-117.

(c) In the event of a conflict between the provisions of the declaration and the bylaws, the declaration prevails except to the extent that the declaration is inconsistent with sections 515.1-101 to 515.4-117.

Sec. 515.2-104. [DESCRIPTION OF UNITS.] After the declaration is recorded, a description of a unit which sets forth the number of the condominium, the county in which the condominium is located, and the identifying number of the unit, is a sufficient legal description of that unit and its common element interest whether or not the common element interest is described or referred to therein.

Sec. 515.2-105. [CONTENTS OF DECLARATION; ALL CONDOMINIUMS.] The declaration for a condominium shall contain:

(1) the name and number of the condominium, which shall include the word "condominium" or be followed by the words "a condominium";

(2) the name of every county in which any part of the condominium is situated;

(3) a legally sufficient description of the real estate included in the condominium;

(4) a description or delineation of the boundaries of a unit;

(5) the floor plans as required by section 515.2-110;

(6) an allocation to each unit of an undivided interest in the common elements, a portion of the votes in the association, and a percentage or fraction of the common expenses of the association (section 515.2-108);

(7) a statement of the maximum number of any units which may be created by the subdivision or conversion of units owned by the declarant pursuant to section 515.2-115(c);

(8) an allocation of any limited common elements, as provided in section 515.2-109;

(9) any restrictions on use, occupancy, and alienation of the units;

(10) a statement showing that the condominium is not subject to an ordinance provided for in section 515.1-106 or showing that any conditions required under an ordinance have been complied with;

(11) any other matters the declarant deems appropriate.

Sec. 515.2-106. [CONTENTS OF DECLARATION; FLEXIBLE CONDOMINIUMS.] The declaration for a flexible condominium shall include, in addition to the matters specified in section 515.2-105:

(1) an explicit reservation of any options to add additional real estate;

(2) a statement of any time limit, not exceeding seven years after the recording of the declaration, upon which any option reserved under paragraph (1) will lapse, together with a state-

ment of any circumstances that will terminate the option before the expiration of the time limit. If no time limit is set forth in the declaration, the time limit shall be seven years after the recording of the declaration;

(3) a statement of any limitations on any option reserved under paragraph (1), other than limitations created by or imposed pursuant to law;

(4) legally sufficient descriptions of each portion of additional real estate;

(5) if portions of any additional real estate may be added at different times, a statement to that effect together with a statement fixing the boundaries of those portions and regulating the order in which they may be added or a statement that no assurances are made in those regards;

(6) a statement of (i) the maximum number of units that may be created within any additional real estate and within any portion, the boundaries of which are fixed pursuant to paragraph (5), and (ii) how many of those units will be restricted exclusively to residential use;

(7) a statement that any buildings and units that may be erected upon the additional real estate or a portion thereof will be compatible with the other buildings and units in the condominium in terms of architectural style, quality of construction, principal materials employed in construction, and size, or a statement of any differences with respect to the buildings or units, or a statement that no assurances are made respecting those matters;

(8) a statement that all restrictions in the declaration affecting use, occupancy, and alienation of units will apply to units created in the additional real estate, or a statement of any differentiations that may be made as to those units;

(9) general descriptions of all other improvements and common elements that may be made or created upon or within the additional real estate or each portion thereof;

(10) a statement of the extent to which any assurances made in the declaration regarding additional real estate pursuant to paragraphs (5) to (9) apply in the event any additional real estate is not added to the condominium, or a statement that those assurances do not apply if the real estate is not added to the condominium.

Sec. 515.2-107. [LEASEHOLD CONDOMINIUMS.] (a)
Any lease the expiration or termination of which may terminate

the condominium shall be recorded and the declaration shall include, in addition to the matters specified in section 515.2-105:

(1) the county of recording and recorder's document number for the lease;

(2) the date on which the lease is scheduled to expire;

(3) any right of the unit owners to purchase the lessor's interest in the real estate and the manner whereby those rights may be exercised, or a statement that they do not have those rights;

(4) any right of the unit owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(5) any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

(b) After the declaration for a leasehold condominium is recorded, neither the lessor nor his successor in interest may terminate the leasehold interest of a unit owner who makes timely payment of his share of the rent which shall be the same portion thereof as that of his common area expense and who otherwise complies so far as practicable with his share of all other covenants which, if violated, would entitle the lessor to terminate the lease. No unit owner's leasehold interest is affected by failure of any other person to pay rent or fulfill any other covenant.

(c) Acquisition of the leasehold interest of any unit owner by the lessor does not merge the leasehold and fee simple interests and the lessor shall hold the title to the unit subject to the declaration unless the leasehold interests of all unit owners subject to the lease are so acquired.

Sec. 515.2-108. [ALLOCATION OF COMMON ELEMENT INTERESTS, VOTES, AND COMMON EXPENSE LIABILITIES.] (a) The declaration shall allocate a fraction or percentage of the undivided interests in the common elements, common expenses and votes in the association to each unit in such manner that each of the items is equally allocated or is allocated according to the proportion of the area or volume of each unit to the area or volume of all units, and the items need not be allocated the same for all purposes. The declaration may provide that a portion of each common expense assessment may be allocated on the basis of equality and the remainder on the basis of area or volume of each unit. The sum of the percentages or fractions shall equal 100 percent or 1.

(b) Except in the case of eminent domain (section 515.1-107), expansion of a flexible condominium (section 515.2-111), relocation of boundaries between adjoining units (section 515.2-114), or subdivision of units (section 515.2-115), the common element interest, votes and common expense liability allocated to any unit may not be altered, except as an amendment to the declaration which is signed by all unit owners and first mortgagees, and which complies with section 515.2-119. The common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest or involuntary transfer of an undivided interest in the common elements without the unit to which the interest is allocated is void.

(c) The association may assess certain common expenses against fewer than all units pursuant to section 515.3-114.

Sec. 515.2-109. [COMMON ELEMENTS AND LIMITED COMMON ELEMENTS.] Common elements other than limited common elements may be used in common with all unit owners. Except for the limited common elements described in section 515.2-102(2) and (4), the declaration shall specify to which unit each limited common element is allocated.

Sec. 515.2-110. [FLOOR PLANS.] (a) Floor plans are a part of the declaration. The floor plans shall contain a certification by a registered professional engineer, surveyor or architect that the floor plans accurately depict all information required by this section.

(b) Each floor plan shall show:

(1) the number of the condominium, and the boundaries and dimensions of the land included in the condominium;

(2) the dimensions and location of all existing structural improvements and roadways;

(3) the intended location and dimensions of any contemplated common element improvements to be constructed within the condominium labeled either "MUST BE BUILT" or "NEED NOT BE BUILT";

(4) the location and dimensions of any additional real estate, labeled as such;

(5) the extent of any encroachments by or upon any portion of the condominium;

(6) the location and dimensions of all recorded easements within the condominium serving or burdening any portion of the condominium;

(7) the distance between noncontiguous parcels of real estate;

(8) the location and dimensions of limited common elements, including porches, balconies and patios, other than limited common elements described in section 515.2-102(2) and (4);

(9) the location and dimensions of the vertical boundaries of each unit, and that unit's identifying number;

(10) the location and dimensions of the horizontal unit boundaries with reference to established or assumed datum, and that unit's identifying number;

(11) any units which may be converted by the declarant to create additional units or common elements (section 515.2-115) identified separately.

(c) When adding additional real estate (section 515.2-111), the declarant shall record supplemental floor plans for that real estate conforming to the requirements of subsection (b). If less than all additional real estate is being added, the supplemental floor plans shall also show the location and dimensions of the remaining portion.

(d) If a declarant subdivides or converts any unit into two or more units, common elements or limited common elements (section 515.2-115), he shall record an amendment to the floor plans showing the location and dimensions of any new units, common elements and limited common elements thus created.

Sec. 515.2-111. [EXPANSION OF FLEXIBLE CONDOMINIUMS.] (a) To add additional real estate pursuant to an option reserved under section 515.2-106(1), all persons having an interest in the additional real estate, excepting any holder of an easement or any holder of an interest to secure an obligation which interest was recorded or created subsequent to the recording of the declaration, shall prepare and execute and, after notice as provided in subsection (b), record an amendment to the declaration. The amendment to the declaration shall assign an identifying number to each unit formed in the additional real estate, and reallocate common element interests, votes in the association, and common expense liabilities according to section 515.2-108. The amendment shall describe or delineate any limited common elements formed out of the additional real estate, showing or designating the unit to which each is allocated to the extent required by section 515.2-109 (Limited Common Elements).

(b) The declarant shall serve notice of his intention to add additional real estate as follows:

(1) To the association in the same manner as service of summons in a civil action in district court at least 30 days prior to recording the amendment. The amendment shall be attached to the notice and shall not thereafter be changed so as to materially affect the rights of unit owners.

(2) To the occupants of each unit by notice given in the manner provided in section 515.1-115 not less than 20 days prior to recording the amendment addressed to "Occupant Entitled to Legal Notice" at each unit. Attached to the notice shall be a statement that the amendment has been served on the association.

(3) Proof of service upon the association and the occupants shall be attached to the recorded amendment.

Sec. 515.2-112. [RESERVED.]

Sec. 515.2-113. [ALTERATIONS OF UNITS.] Subject to the provisions of the declaration and other provisions of law, a unit owner:

(1) may make any improvements or alterations to his unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the condominium;

(2) after acquiring an adjoining unit or an adjoining part of an adjoining unit, may with consent of the association and first mortgagees of the affected units, remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the condominium. The adjoining unit owners shall have the exclusive license to use the space occupied by the common elements, but the use shall not create an easement or vested right. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries. The association may reasonably require that the owner or owners of units affected replace or restore any such partition.

Sec. 515.2-114. [RELOCATION OF BOUNDARIES BETWEEN ADJOINING UNITS.] (a) Subject to the provisions of the declaration and other provisions of law, the boundaries between adjoining units may be relocated by an amendment to the declaration upon application to the association by the owners of those units. The owners of the adjoining units shall specify the proposed reallocation between their units of their common element interests, votes in the association, and common expense liabilities in the application and in accord with section 515.2-108. Unless the board of directors determines within 60 days after receipt of the application by the association that the proposed amendment is not in the best interests of the condominium, the unit owners shall prepare an amendment which shall identify the units involved, state the reallocation, be exe-

cuted by those unit owners and by any holder of an interest as security for an obligation, contain words of conveyance between them, contain written consent of the association, and upon recordation be indexed in the name of the grantor and the grantee. The amendment shall include an amended floor plan to show the altered boundaries between the adjoining units and their dimensions and identifying numbers. If a holder of an interest as security for an obligation joins in the amendment pursuant to this section, the extent of the interest and the remedies shall be deemed to be modified as provided in the amendment. The association shall incur no liability to any party by reason of performing those acts enumerated in this section.

(b) The association may require the owners of the affected units to build a boundary wall and other common elements between the units.

(c) The applicant shall deliver a certified copy of the amendment to the association.

Sec. 515.2-115. [SUBDIVISION OR CONVERSION OF UNITS.] (a) If the declaration expressly so permits, (i) a unit may be subdivided into two or more units, or, (ii) if owned by a declarant, a unit may be subdivided or converted into two or more units, limited common elements, common elements, or a combination of units, limited common elements and common elements. Subject to the provisions of the declaration and other provisions of law, the unit owner shall prepare and execute an amendment to the declaration, including the floor plans, subdividing or converting that unit. The amendment to the declaration shall be executed by the unit owner and any holder of an interest as security for an obligation of the unit to be subdivided or converted, assign an identifying number to each unit created, and reallocate the common element interest, votes in the association, and common expense liability formerly allocated to the subdivided unit to the units in accord with section 515.2-108.

(b) The unit owner shall deliver a certified copy of the recorded amendment to the association.

(c) In the case of a unit owned by a declarant, if a declarant converts part or all of a unit to common elements, the amendment to the declaration shall reallocate among the other units the common element interest, votes in the association, and common expense liability formerly allocated to the converted unit or portion thereof on the same basis used for the initial allocation thereof.

(d) If a holder of an interest as security for an obligation joins in the amendment pursuant to this section, the interest and remedies shall be deemed to apply to the units and the common element interests that result from the subdivision or conversion under this section. In the event of enforcement of any remedy, including foreclosure by advertisement, all instruments and no-

tices shall describe the subject property in terms of the amended description.

Sec. 515.2-116. [MINOR VARIATION IN BOUNDARIES.] The existing physical boundaries of a unit or of a unit reconstructed in substantial accordance with the floor plans are conclusively presumed to be its boundaries regardless of settling or lateral movement of the building.

Sec. 515.2-117. [USE FOR SALES PURPOSES.] If the declaration so provides and specifies the rights of a declarant with regard to their number, size, location and relocation, a declarant may maintain sales offices, management offices, and models in the condominium. Any sales office, management office, or model not designated a unit by the declaration is a common element, and if a declarant ceases to be a unit owner, he ceases to have any rights with regard thereto unless it is removed promptly from the condominium in accordance with a right to remove reserved in the declaration. Subject to any limitations in the declaration, a declarant may maintain signs on the common elements advertising the condominium.

Sec. 515.2-118. [EASEMENT TO FACILITATE COMPLETION, CONVERSION, AND EXPANSION.] Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging a declarant's obligations or exercising special declarant rights, whether arising under sections 515.1-101 to 515.4-117 or reserved in the declaration.

Sec. 515.2-119. [AMENDMENT OF DECLARATION.] (a) Except in cases of amendments which may be executed by a declarant under sections 515.2-110(c) and (d), 515.2-111(a); the association under section 515.1-107(a); or certain unit owners under sections 515.2-114, 515.2-115, or 515.2-120(b), and except as limited by subsection (d), the declaration may be amended by the association only by a vote or written agreement of unit owners to which at least 67 percent of the votes in the association are allocated, and 67 percent of the first mortgagees of the units (each mortgagee having one vote per unit financed) or any larger or smaller majority the declaration specifies. The declaration may specify any percentage if all of the units are restricted exclusively to nonresidential use.

(b) Every amendment to the declaration shall be recorded in every county in which any portion of the condominium is located, and is effective only when recorded.

(c) Except to the extent expressly permitted or required by other provisions of sections 515.1-101 to 515.4-117, no amendment may create or increase special declarant rights, increase the number of units, convert common elements to limited common elements, or change the boundaries of any unit, the common

element interest, common expense liability, or voting strength in the association allocated to a unit, or the uses to which any unit is restricted, in the absence of unanimous written agreement of the unit owners and holders of an interest as security for an obligation.

(d) Limited common elements shall not be altered without the written agreement of the unit owners and holders of an interest to secure an obligation of the units to which the limited common elements are allocated.

(e) An affidavit of the secretary of the association stating that the votes or agreements required by this section have occurred, shall be attached to the amendment and shall constitute prima facie evidence of the representations contained therein.

Sec. 515.2-120. [TERMINATION OF CONDOMINIUM.]

(a) Except in the case of a taking of all the units by eminent domain (section 515.1-107), a condominium may be terminated only by agreement of unit owners of units to which at least 80 percent of the votes in the association are allocated, and 80 percent of the first mortgagees of the units (each mortgagee having one vote per unit financed), or any larger percentage the declaration specifies. The declaration may specify a smaller percentage only if all of the units in the condominium are restricted exclusively to nonresidential uses.

(b) An agreement of unit owners and mortgagees to terminate a condominium must be evidenced by their execution of a termination agreement or ratification thereof. If, pursuant to a termination agreement, the real estate constituting the condominium is to be sold following termination, the termination agreement shall set forth the terms of the sale. A termination agreement and all ratifications thereof shall be effective upon recording in every county in which a portion of the condominium is situated.

(c) If the termination agreement provides that the real estate constituting the condominium is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. The association as trustee hereafter has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers and responsibilities it had before termination whether under the declaration or otherwise. Unless the termination agreement otherwise provides, proceeds of the sale shall be paid to the association as trustee and shall be distributed to the unit owners and holders of an interest as security for an obligation as their interests may appear and according to the priority enjoyed prior to termination in proportion to the respective interests of unit owners as provided in subsection (f). Any interest as security for an ob-

ligation formerly affecting a unit shall constitute a claim against the proceeds in the amount existing at the time of termination plus interest and other amounts accrued until distribution. Except as otherwise specified in the termination agreement, as long as the association as trustee holds title to the real estate, each unit owner and his successors in interest have the right to use the real estate that formerly constituted the common elements and have an exclusive right to occupancy of the portion of the real estate that formerly constituted his unit and limited common elements. During the period of such occupancy, each unit owner and his successors in interest remain liable for all assessments and other obligations imposed on unit owners by sections 515.1-101 to 515.4-117, the declaration, or the termination agreement.

(d) If the real estate constituting the condominium is not to be sold following termination, title to the real estate, upon termination, vests in the unit owners as tenants in common in proportion to their respective interests as provided in subsection (f). Any interests held as security for an obligation and the respective instruments formerly affecting a unit shall be deemed to be an interest affecting the resulting undivided interest in the same manner as they formerly affected the unit. As long as the tenancy in common exists, each unit owner and his successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted his unit and limited common elements. Unless the termination agreement otherwise provides during the period of tenancy in common, the cotenants and the association shall have the rights and obligations under sections 515.1-101 to 515.4-117, the declaration and bylaws and the termination agreement.

(e) Following termination of the condominium, and after payment of or provision for the claims of the association's creditors, the assets of the association shall be distributed to unit owners and holders of an interest as security for an obligation in proportion to their respective interests as provided in subsection (f). The proceeds of sale described in subsection (c) and held by the association as trustee are not assets of the association.

(f) The respective interests of unit owners referred to in subsections (c), (d), and (e) are as follows:

(1) except as provided in paragraph (2), the respective interests of unit owners are the fair market values of their units, limited common elements, and common element interests immediately before the termination, as determined by one or more independent appraisers selected by the association. The decision of the independent appraisers shall be delivered in the manner provided in section 515.1-115 addressed to the "Occupant Entitled to Legal Notice" at each unit and the first mortgagee of each unit at its last known address and becomes final unless

disapproved within 30 days after delivery by unit owners of units to which 25 percent of the votes in the association are allocated or by 25 percent of the first mortgagees, each mortgagee having one vote per unit financed. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of his interest by the total fair market values of the interests of all unit owners.

(2) if any unit is destroyed to the extent that an appraisal of the fair market value thereof prior to destruction cannot be made and there is not satisfactory evidence to afford such an appraisal, the interests of all unit owners are their respective common element interests immediately before the termination.

Sec. 515.2-121. [RIGHTS OF HOLDERS OF AN INTEREST AS SECURITY FOR AN OBLIGATION.] (a) Nothing in sections 515.1-101 to 515.4-117 unless expressly stated diminishes the rights of holders of an interest as security for an obligation or prevents the declaration from requiring that all or a specified number or percentage of holders of an interest as security for an obligation affecting the units approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to (1) deny or delegate control over the general administrative affairs of the association by the unit owners, or (2) prevent the association from commencing, intervening in or settling any litigation or proceeding, or receiving and distributing any insurance proceeds pursuant to section 515.3-112.

(b) Foreclosure or enforcement of an interest as security for an obligation against the entire condominium does not of itself terminate the condominium. Foreclosure or enforcement of an interest as security for an obligation against a portion of the condominium without redemption withdraws that portion from the condominium unless (i) the interest is recorded subsequent to the recording of the declaration or is otherwise subordinate to the declaration, or (ii) the holder or his predecessor has issued a release or deed for a unit.

ARTICLE III

MANAGEMENT OF THE CONDOMINIUM

Section 515.3-101. [ORGANIZATION OF UNIT OWNERS ASSOCIATION.] A unit owners association shall be organized no later than the date the condominium is created. The membership of the association at all times shall consist exclusively of all the unit owners or, following termination of the condominium, of all former unit owners entitled to distributions of proceeds under section 515.2-120, or their heirs, successors, or assigns. The association shall be organized as a profit or nonprofit corporation.

Sec. 515.3-102. [POWERS OF UNIT OWNERS ASSOCIATION.] (a) Unless limited by the provisions of the declaration, the association may:

- (1) adopt and amend rules and regulations;
- (2) adopt and amend budgets for revenues, expenditures, and reserves and collect assessments for common expenses from unit owners;
- (3) hire and terminate managing agents and other employees, agents, and independent contractors;
- (4) institute, defend, or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more unit owners on matters affecting the condominium;
- (5) regulate the use, maintenance, repair, replacement and modification of common elements;
- (6) cause improvements to be made as a part of the common elements;
- (7) grant leases, licenses, and concessions not to exceed one year and utility easements through or over the common elements; provided, however, that after conveyance to owners other than the declarant or affiliate of a declarant of units to which more than 50 percent of the voting power is allocated, the association may by resolution of a meeting of the members duly called grant leases, licenses, and concessions in excess of one year and easements through or over the common elements;
- (8) impose and receive any payments, fees, or charges for the use, rental, or operation of the common elements other than limited common elements described in section 515.2-102 (2) and (4);
- (9) impose reasonable charges including reasonable costs and attorneys' fees, for the evaluation, preparation and recordation of amendments to the declaration, resale certificates required by section 515.4-107, or statements of unpaid assessments;
- (10) provide for the indemnification of its officers and board and maintain directors' and officers' liability insurance;
- (11) impose charges for late payment of assessments and, after notice and an opportunity to be heard, levy reasonable fines for violations of the declaration, bylaws, and rules and regulations of the association;

(12) exercise any other powers conferred by state law, the declaration, or bylaws.

(b) Notwithstanding subsection (a), the declaration may not impose limitations on the power of the association to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons.

Sec. 515.3-103. [BOARD OF DIRECTORS, MEMBERS AND OFFICERS.] (a) The declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by him, may elect the members of the board of directors. Any period of declarant control extends from the date of the first conveyance of a unit to a unit owner other than a declarant for a period not exceeding five years in the case of a flexible condominium or three years in the case of any other condominium. Regardless of the period provided in the declaration, a period of declarant control terminates upon surrender of control by the declarant or no later than 60 days after conveyance of 75 percent of the units to unit owners other than a declarant.

(b) Not later than 60 days after conveyance of 50 percent of the units to unit owners other than a declarant not less than 33-1/3 percent of all of the members of the board of directors shall be elected by unit owners other than the declarant.

(c) Not later than the termination of the period of declarant control and thereafter the unit owners shall elect a board of directors of at least three members, at least a majority of whom shall be unit owners or the individual nominees of unit owners other than individuals. The board of directors shall elect the officers. The persons elected shall take office upon election.

(d) In determining whether the period of declarant control has terminated under subsection (a), or whether unit owners other than a declarant are entitled to elect members of the board of directors under subsection (b), the percentage of the units which has been conveyed is presumed to be that percentage which would have been conveyed if all the units which the declarant has built or reserved the right to build in the declaration were included in the condominium.

Sec. 515.3-104. [TRANSFER OF SPECIAL DECLARANT RIGHTS.] (a) No special declarant rights (section 515.1-103 (18)) created or reserved under sections 515.1-101 to 515.4-117 may be transferred except by an instrument evidencing the transfer recorded in every county where any portion of the condominium is located. The instrument shall be recordable and is not effective unless executed by the transferor and transferee. If additional real estate is transferred by the declarant, the

transferee shall be deemed to receive all special declarant rights with respect thereto and shall be subject to any obligations imposed by the declaration respecting the additional real estate so transferred.

(b) Upon transfer of any special declarant right, the liability of a transferor declarant is as follows:

(1) a transferor is not relieved of any obligation or liability which arose before the transfer, and remains liable for warranty obligations imposed on him by sections 515.1-101 to 515.4-117. Lack of privity does not deprive any unit owner of standing to bring an action to enforce any obligation of the transferor;

(2) if a transferor retains any special declarant right, or if a successor to any special declarant right is an affiliate of a declarant (section 515.1-103(2)), the transferor is subject to liability for all obligations and liabilities imposed on a declarant by sections 515.1-101 to 515.4-117 or by the declaration arising after the transfer and is jointly and severally liable with the successor for the liabilities and obligations of the successor which relate to the condominium; and

(3) a transferor who retains no special declarant right has no liability for any act or omission or any breach of a contractual or warranty obligation arising from the exercise of a special declarant right by a successor declarant who is not an affiliate of the transferor.

(c) In case of foreclosure of a mortgage or cancellation of a contract for deed or sale under the bankruptcy act or receivership proceeding or the foreclosure of any other lien against any unit owned by a declarant in the condominium, a person first acquiring title to all the units being cancelled, foreclosed or sold, succeeds to all then existing special declarant rights except the special declarant rights with respect to additional real estate, unless the mortgage or other instrument or proceeding also covers additional real estate.

(d) The liabilities and obligations of persons who succeed to special declarant rights are as follows:

(1) A successor to any special declarant right who is an affiliate of a declarant is subject to all the obligations and liabilities imposed on any declarant by sections 515.1-101 to 515.4-117 or by the declaration.

(2) A successor to any special declarant right, other than a successor described in paragraphs (3) or (4) of this subsection, who is not an affiliate of a declarant, is subject to all obligations and liabilities imposed on a declarant by sections 515.1-101 to 515.4-117 or the declaration, except that he is not subject to liability for misrepresentations or warranty obligations on im-

provements made by any previous declarant, or made before the condominium was created, or for a breach of fiduciary obligation by any previous declarant.

(3) A successor to only a right reserved in the declaration to maintain models, sales offices, and signs (section 515.2-117), if he is not an affiliate of a declarant, may not exercise any other special declarant right, and is not subject to any liability or obligation as a declarant, except the obligation to provide a disclosure statement and any liability arising as a result thereof.

(4) A successor to all special declarant rights, who is not an affiliate of a declarant and who succeeded to those rights pursuant to a deed in lieu of foreclosure or by reason of subsection (c), may declare his intention in a recorded instrument to hold those rights solely for transfer to another person. Thereafter, until transferring all special declarant rights to any person acquiring title to any unit owned by the successor, or until recording an instrument permitting exercise of all those rights, that successor may not exercise any of those rights other than the right to control the board of directors in accordance with the provisions of section 515.3-103 for the duration of any period of declarant control, and any attempted exercise of those rights is void. So long as any successor declarant may not exercise special declarant rights under this subsection, he is not subject to any liability or obligation as a declarant other than liability for his acts and omissions under section 515.3-103.

(e) Nothing in this section subjects any successor to a special declarant right to any claims against or other obligations of a transferor declarant, other than claims and obligations arising under sections 515.1-101 to 515.4-117 or the declaration.

Sec. 515.3-105. [TERMINATION OF CONTRACTS AND LEASES OF DECLARANT.] If entered into prior to expiration of the period of declarant control pursuant to section 515.3-103, (1) any management contract, employment contract, or lease of recreational or parking areas or facilities, (2) any other contract or lease binding the association or any unit owner other than the declarant or an affiliate of the declarant to which a declarant or an affiliate of a declarant is a party, or (3) any contract or lease binding the association or any unit owner other than the declarant or an affiliate of the declarant which is not bona fide or which was unconscionable to the unit owners at the time entered into under the circumstances then prevailing, may be terminated without penalty by the association at any time after the expiration of declarant control upon not less than 90 days' notice to the other party. This section does not apply to any lease the termination of which would terminate the condominium.

Sec. 515.3-106. [BYLAWS.] The bylaws and any amendments thereto must be recorded to be effective and shall provide:

(a) The meeting of the members shall be held at least once each year and shall specify an officer who shall, at least 21 days in advance of any annual or regularly scheduled meeting and at least seven days in advance of any other meeting, send to each unit owner notice of the time, place and complete agenda of the meeting. The notice shall be hand delivered or sent by United States mail to all unit owners of record at the address of the respective units and to other addresses as any of them may have designated to the officer.

(b) No vote in the association of unit owners shall be deemed to inure to any unit during the time when the unit owner is the association.

(c) For a mechanism to resolve disputes regarding voting among more than one unit owner of a unit in such a way that the vote allocated to the unit is not split or otherwise cast separately by the several unit owners.

(d) An annual report be prepared by the association and a copy of the report be provided to each unit owner and the report contain a minimum of the following:

(1) A statement of any capital expenditures in excess of two percent of the current budget or \$5,000 whichever is the greater anticipated by the association during the current year or succeeding two fiscal years.

(2) A statement of the status and amount of any reserve or replacement fund and portion of the fund designated for any specified project by the board of directors.

(3) A copy of the statement of financial condition for the association for the last fiscal year.

(4) A statement of the status of any pending suits or judgments to which the association is a party.

(5) A statement of the insurance coverage provided by the association.

(6) A statement of any unpaid assessments by the association on individual units identifying the unit number and the amount of the unpaid assessment.

Sec. 515.3-107. [UPKEEP OF THE CONDOMINIUM.] Except to the extent otherwise provided by the declaration or section 515.3-112(d), the association is responsible for maintenance, repair, and replacement of the common elements and each unit owner is responsible for maintenance, repair, and replacement of his unit. Each unit owner shall afford to the association and the other unit owners, and to their agents or employees, access through his unit reasonably necessary for those purposes.

If damage is inflicted on the common elements or any unit through which access is taken, the unit owner responsible for the damage, or the association if it is responsible, is liable for the prompt repair thereof.

Sec. 515.3-108. [RESERVED.]

Sec. 515.3-109. [RESERVED.]

Sec. 515.3-110. [RESERVED.]

Sec. 515.3-111. [TORT AND CONTRACT LIABILITY.]

(a) If a tort or breach of contract occurred during any period of declarant control (section 515.3-103), the declarant shall indemnify the association for all liability incurred by the association as a result of that tort or breach of contract, including legal fees. Any statute of limitation affecting the association's right of action under this section is tolled until the period of declarant control terminates.

(b) No unit owner shall have tort liability arising out of his ownership of the common elements provided that the association has liability insurance coverage on the occurrence in an amount not less than \$1,000,000.

Sec. 515.3-112. [INSURANCE.] (a) Commencing not later than the time of the first conveyance of a unit to a unit owner other than a declarant, the association shall maintain, to the extent reasonably available:

(1) Property insurance on the common elements and units, exclusive of land, excavations, foundations, and other items normally excluded from property policies, insuring against all risks of direct physical loss. The total amount of insurance after application of any deductibles shall be not less than 80 percent of the full insurable replacement cost of the insured property. The association or its authorized agent may enter a unit at reasonable times upon reasonable notice for the purpose of making appraisals for insurance purposes.

(2) Comprehensive general liability insurance, in an amount determined by the board of directors but not less than any amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(b) If the insurance described in subsection (a) is not maintained, the association shall immediately cause notice of that fact to be sent postage prepaid by United States mail to all unit owners at their respective units and other addresses provided to the association. The declaration may require the association to carry

any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(c) Insurance policies carried pursuant to subsection (a) shall provide that:

(1) Each unit owner and holder of a vendor's interest in a contract for deed is an insured person under the policy with respect to liability arising out of his ownership of an undivided interest in the common elements;

(2) The insurer waives its right to subrogation under the policy against any unit owner of the condominium or members of his household and against the association and members of the board of directors;

(3) No act or omission by any unit owner or holder of an interest as security for an obligation, unless acting within the scope of his authority on behalf of the association, shall void the policy or be a condition to recovery under the policy; and

(4) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same property covered by the policy, the policy is primary insurance not contributing with the other insurance.

(d) Any loss covered by the property policy under subsection (a)(1) shall be adjusted with the association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the association. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and holders of an interest as security for an obligation as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged common elements and units, and unit owners and holders of an interest as security for an obligation are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the common elements and units have been completely repaired or restored, or the condominium is terminated.

(e) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for his own benefit.

(f) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance, upon request, to any unit owner, or holder of an interest as security for an obligation. The insurance may not be cancelled until 30 days after notice of the proposed cancellation has been mailed to the association and to each unit owner and holder of an interest

as security for an obligation to whom certificates of insurance have been issued.

(g) Any portion of the condominium damaged or destroyed shall be promptly repaired or replaced by the association unless (1) the condominium is terminated and the association votes not to repair or replace all or part thereof, (2) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (3) 80 percent of the unit owners, including every owner and first mortgagee of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement of a unit or the common area in excess of insurance proceeds and reserves shall be a common expense. If less than the entire condominium is repaired or replaced, (1) the insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium, (2) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the holders of an interest as security for an obligation of those units and the owners and holders of an interest as security for an obligation of the units to which those limited common elements were assigned, as their interests may appear, and (3) the remainder of the proceeds shall be distributed to all the unit owners and holders of an interest as security for an obligation as their interests may appear in proportion to their common element interest. In the event the unit owners vote not to rebuild a unit, that unit's entire common element interest, votes in the association, and common expense liability are automatically reallocated upon the vote as if the unit had been condemned under section 515.1-107(a), and the association shall promptly prepare, execute and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, if the condominium is terminated, insurance proceeds not used for repair or replacement shall be distributed in the same manner as sales proceeds pursuant to section 515.2-120.

(h) The provisions of this section may be varied or waived in the case of a condominium all of the units of which are restricted to nonresidential use.

Sec. 515.3-113. [SURPLUS FUNDS.] Unless otherwise provided in the declaration, any surplus funds of the association remaining after payment of or provision for common expenses and any prepayment of reserves shall be credited to the unit owners to reduce their future common expense assessments.

Sec. 515.3-114. [ASSESSMENTS FOR COMMON EXPENSES.] (a) Until the association levies a common expense assessment, the declarant shall pay all accrued expenses of the condominium. After any assessment has been levied by the association, assessments shall be levied at least annually and

shall be based on a budget adopted at least annually by the association.

(b) Except for assessments under subsections (c) and (d), common expenses shall be assessed against all the units in accordance with the common expense liability allocated to each unit (section 515.2-108). Any past due assessment or installment thereof shall bear interest at the rate established by the association not exceeding the rate of interest provided in section 549.09.

(c) Except as provided by the declaration any common expense associated with the maintenance, repair, or replacement of a limited common element shall be assessed against the unit or in equal shares against the units to which that limited common element was assigned at the time the expense was incurred.

(d) If the declaration so provides, the association may assess any common expense benefiting less than all of the units against the units benefited. In that case the common expense shall be allocated among units benefited in proportion to their common expense liability.

Sec. 515.3-115. [LIEN FOR ASSESSMENTS.] (a) The association has a lien on a unit for any assessment levied against that unit from the time the assessment becomes payable. The association's lien may be foreclosed as provided by the laws of this state as if it were a lien under a mortgage containing a power of sale. The rights of the parties shall be the same as those provided by law except that the period of redemption for unit owners shall be six months from the date of sale. Unless the declaration otherwise provides, fees, charges, late charges, and interest charges pursuant to section 515.3-102(8), (9) and (12) are enforceable as assessments under this section.

(b) A lien under this section is prior to all other liens and encumbrances on a unit except (1) liens and encumbrances recorded before the recordation of the declaration, (2) any recorded mortgage on the unit securing a first mortgage holder, and (3) liens for real estate taxes and other governmental assessments or charges against the unit. This subsection does not affect the priority of mechanics' or materialmen's liens.

(c) Recording of the declaration constitutes record notice and perfection of the lien, and no further recordation of any claim of lien for assessment under this section is required.

(d) Proceedings to enforce an assessment must be instituted within three years after the last installment of the assessment becomes payable.

(e) Unit owners at the time an assessment is payable are personally liable to the association for payment of the assessments.

(f) A foreclosure sale, judgment or decree in any action, proceeding or suit brought under this section shall include costs and reasonable attorney's fees for the prevailing party.

(g) The association shall furnish to a unit owner or his authorized agent upon written request of the unit owner or his authorized agent a recordable statement setting forth the amount of unpaid assessments currently levied against his unit. The statement shall be furnished within ten business days after receipt of the request and is binding on the association and every unit owner.

Sec. 515.3-116. [ASSOCIATION RECORDS.] The association shall keep financial records sufficiently detailed to enable the association to comply with section 515.4-107. All financial records shall be made reasonably available for examination by any unit owner and his authorized agents.

Sec. 515.3-117. [ASSOCIATION AS TRUSTEE.] With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers and a third person, without actual knowledge that the association is exceeding its powers or improperly exercising them, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee.

Sec. 515.4-106. [PURCHASER'S RIGHT TO CANCEL.]

(a) Unless delivery of a disclosure statement is not required under section 515.4-101(b), a declarant shall provide at least one of the purchasers of a unit with a copy of a disclosure statement not later than the date of any purchase agreement. Unless a purchaser is given the disclosure statement more than 15 days prior to execution of a purchase agreement for the unit, the purchaser may, prior to the conveyance, cancel the agreement within 15 days after receiving the disclosure statement.

Sec. 515.4-107. [RESALES OF UNITS.] (a) In the event of a resale of a unit by a unit owner other than a declarant, the unit owner shall furnish to a purchaser before execution of any purchase agreement for a unit, or otherwise before conveyance, a copy of the declaration, other than the floor plans, the bylaws, the rules and regulations of the association, and any amendments thereto, and a certificate dated not more than 90 days prior to the date of the purchase agreement or otherwise before conveyance, containing:

(4) a statement of any capital expenditures approved by the association for the current and next succeeding two fiscal years;

(5) a statement that a copy of the floor plans and any amendments thereof are available in the office of the association for inspection;

(6) a statement of the amount of any reserves for capital expenditures and of any portions of those reserves designated by the association for any specified projects;

(7) the most recent regularly prepared balance sheet and income and expense statement, if any, of the association;

(8) the current budget of the association;

(9) a statement of any judgments against the association and the status of any pending suits to which the association is a party;

(10) a statement describing any insurance coverage provided for the benefit of unit owners.

(b) The association shall, within seven days after a request by a unit owner or his authorized agent, furnish a certificate containing the information necessary to enable the unit owner to comply with this section. A unit owner without actual knowledge providing a certificate pursuant to subsection (a) shall have no liability to the purchaser for any erroneous information provided by the association and included in the certificate.

(c) A purchaser is not liable for any unpaid assessment or fee existing as of the date of the certificate greater than the amount set forth in the certificate prepared by the association. A unit owner is not responsible to a purchaser for the failure or delay of the association to provide the certificate in a timely manner.

Sec. 515.4-1075. [PURCHASER'S RIGHT TO CANCEL.]

(a) The information required to be delivered by section 515.4-107 shall be delivered to a purchaser not later than the date of any purchase agreement. Unless a purchaser is given the information more than 15 days prior to the execution of the purchase agreement for the unit the purchaser may, prior to the conveyance, cancel the agreement within 15 days after receiving the information.

(b) If a purchaser elects to cancel a purchase agreement pursuant to subsection (a), he may do so by hand delivering notice thereof to the seller or his agent or by mailing notice thereof by postage prepaid United States mail to the seller or his agent. Cancellation is without penalty and all payments made by the purchaser shall be refunded promptly.

Sec. 515.4-108. [ESCROW OF DEPOSITS.] Any earnest money paid in connection with the purchase or reservation of a unit from a declarant shall be escrowed and held in this state in an account, savings deposit or certificate of deposit designated solely for that purpose in an institution whose accounts are insured by a governmental agency or instrumentality until (1) delivered to the declarant at closing; (2) delivered to the declarant because of purchaser's default under the purchase agreement or reservation; or (3) delivered to the purchaser.

Sec. 515.4-109. [RELEASE OF INTERESTS AS SECURITY FOR AN OBLIGATION.] (a) Before conveying a unit to a purchaser other than a declarant, the seller shall furnish to

the purchaser releases for that unit and its common element interest of all interests as security for an obligation affecting more real estate than that unit and its common element interest, or if the purchaser expressly agrees, a policy of title insurance insuring against loss or damage by reason of such interests. Failure to furnish the releases does not of itself invalidate the lien or the conveyance. This subsection does not apply to conveyance of all of the units in the condominium or to deeds in lieu of foreclosure.

(b) Whether perfected before or after creation of the condominium, if a lien other than a mortgage, including a lien attributable to work performed or materials supplied before creation of the condominium, becomes effective against two or more units, the unit owner of such a unit may pay to the lienholder the amount of the lien attributable to his unit, and the lienholder, upon receipt of payment, shall promptly deliver a release of the lien covering that unit and its common element interest. The amount of the payment shall be proportionate to the ratio which that unit owner's common expense liability bears to the common expense liabilities of all unit owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.

(c) Labor performed or materials furnished for the common elements, if duly authorized by the association, shall be deemed to be performed or furnished with the express consent of each unit owner and shall be the basis for the filing of a lien pursuant to the lien law against each of the units and shall be subject to the provisions of subsection (b) of this section.

Sec. 515.4-110. [CONVERSION CONDOMINIUMS.] (a) A declarant of a conversion condominium shall give each of the tenants and any subtenant in possession of buildings subject to sections 515.1-101 to 515.4-117 notice of the conversion or the intent to convert no later than 120 days before the declarant will require them to vacate. The notice shall set forth generally the rights conferred by this section and shall have attached thereto a form of purchase agreement setting forth the terms of sale contemplated by subsection (b) and a statement of any significant restrictions on the use and occupancy of the unit to be imposed by the declarant and shall be hand delivered or mailed by postage prepaid United States mail to the tenant and subtenant at the address of the unit. The notice shall further state that the tenants or subtenants in possession of a residential unit may demand to be given 60 additional days before being required to vacate, if any of them, or any person residing with them, is 62 years of age or older, handicapped as defined in Minnesota Statutes 129A.01, or a minor child on the date the notice is given. This demand must be in writing, contain reasonable proof of qualification, and be given to the declarant within

30 days after the notice of condominium conversion is delivered or mailed. The notice shall be contained in an envelope upon which the following words shall be boldly printed: "Notice of Condominium Conversion". No tenant or subtenant may be required by the declarant to vacate upon less than 120 days notice, except by reason of nonpayment of rent, waste, or conduct which disturbs other tenants' peaceful enjoyment of the premises, and the terms of the tenancy may not be altered during that period, except that a tenant or subtenant in possession of a residential unit may vacate upon 30 days' written notice to the declarant. Nothing in this section prevents the declarant and the tenant or subtenant in possession of the unit from agreeing to an extension of the tenancy on a month to month basis beyond the 120-day notice period. No repair work or remodeling may be commenced or undertaken in the occupied units or common areas of the building during the notice period, unless reasonable precautions are taken to ensure the safety and security of the tenants or subtenants in possession of the premises. Failure of a declarant to give notice as required by this section constitutes a defense to an action for possession.

(b) For 60 days after delivery or mailing of the notice described in subsection (a), the holder of the lessee's interest for each unit on the date the notice is delivered or mailed shall have an option to purchase that unit on the terms set forth in the purchase agreement attached to the notice. The purchase agreement shall contain no terms or conditions preventing the purchase of the unit by the holder because of the age of the holder or of persons residing with the holder. If the holder fails to exercise the option during that 60 day period, the declarant may not offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the holder. This subsection does not apply to any unit in a conversion condominium if that unit will be restricted exclusively to nonresidential use or if the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(c) If a declarant, in violation of subsection (b), conveys a unit to a purchaser for value who has no knowledge of the violation, delivery of the deed conveying the unit extinguishes any right which a holder of a lessee's interest not in possession may have under subsection (b) to purchase that unit, but does not affect the right of the holder to recover damages from the declarant for a violation of subsection (b).

(d) Nothing in this section permits termination of a lease by a declarant in violation of its terms.

Sec. 515.4-111. [EXPRESS WARRANTIES.] (a) Express warranties made by a declarant or an affiliate of a declarant to a purchaser of a unit if reasonably relied upon by the purchaser, are created as follows:

(1) any affirmation of fact or promise which relates to the unit, its use, or rights appurtenant thereto, area improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium, creates an express warranty that the unit and related rights and uses will conform to the affirmation or promise;

(2) any model or description of the physical characteristics of the condominium, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the model or description. A notice prominently displayed on a model or description shall prevent a purchaser from reasonably relying upon the model or description to the extent of the disclaimer set forth on the notice;

(3) any description of the quantity or extent of the real estate comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerance; and

(4) a provision that a buyer may put a unit only to a specified use is an express warranty that the specified use is lawful.

(b) Neither formal words, such as "warranty" or "guarantee", nor a specific intention to make a warranty, are necessary to create an express warranty. A statement purporting to be merely an opinion or commendation of the real estate or its value does not create a warranty.

(c) Any conveyance of a unit transfers to the purchaser all express warranties made by a declarant or an affiliate of a declarant.

Sec. 515.4-112. [IMPLIED WARRANTIES.] (a) A declarant warrants to a purchaser that a unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, reasonable wear and tear excepted.

(b) A declarant warrants to a purchaser that a unit and the common elements in the condominium are structurally suitable for the ordinary uses of real estate of its type and that any improvements or repairs made or contracted for by him or made by any person in contemplation of the creation of the condominium, will be:

(1) free from defective materials; and

(2) constructed in accordance with applicable law, according to sound engineering and construction standards, and in a workmanlike manner.

(c) A declarant warrants to a purchaser of a unit which may be used for residential use that the residential use does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(d) Warranties imposed by this section may be excluded or modified as specified in section 515.4-113.

(e) For purposes of this section, improvements made or contracted for by an affiliate of a declarant (section 515.1-103(2)) are made or contracted for by the declarant.

(f) Any conveyance of a unit transfers to the purchaser all of any declarant's implied warranties.

Sec. 515.4-113. [EXCLUSION OR MODIFICATION OF IMPLIED WARRANTIES.] (a) Except as limited by subsection (b) implied warranties:

(1) may be excluded or modified by agreement of the parties; and

(2) are excluded by expression of disclaimer, such as "as is", "with all faults", or other language which in common understanding calls the buyer's attention to the exclusion of warranties.

(b) With respect to a purchaser of a unit which may be occupied for residential use, no general disclaimer of implied warranties is effective, but a declarant may disclaim liability in an instrument signed by the purchaser for a specified defect or specified failure to comply with applicable law, if the defect or failure entered into and became a part of the basis of the bargain.

Sec. 515.4-114. [STATUTE OF LIMITATIONS FOR WARRANTIES.] (a) A judicial proceeding for breach of any obligation arising under section 515.4-111 or 515.4-112 must be commenced within six years after the cause of action accrues, but the parties may reduce the period of limitation to not less than two years. With respect to a unit which may be occupied for residential use, an agreement to reduce the period of limitation shall be evidenced by a separate instrument executed by the purchaser.

(b) Subject to subsection (c), a cause of action under section 515.4-111 or 515.4-112, regardless of the purchaser's lack of knowledge of the breach, accrues:

(1) as to a unit, when the purchaser to whom the warranty is first made enters into possession after a conveyance of a possessory interest if a possessory interest is conveyed or otherwise

at the time of acceptance of the instrument of conveyance if a nonpossessory interest was conveyed; and

(2) as to each common element, the later of (i) the time the common element is completed, (ii) the time the first unit in the condominium is conveyed to a bona fide purchaser, or (iii) as to a common element within any additional real estate or portion thereof the time the first unit therein is conveyed to a bona fide purchaser.

(c) If a warranty under section 515.4-111 or 515.4-112 explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

Sec. 515.4-115. [EFFECT OF VIOLATIONS ON RIGHTS OF ACTION; ATTORNEYS' FEES.] If a declarant or any other person subject to sections 515.1-101 to 515.4-117 violates any provision thereof or any provision of the declaration or bylaws, any person or class of persons adversely affected by the violation has a claim for appropriate relief. Punitive damages may be awarded in the case of a willful violation of sections 515.1-101 to 515.4-117. The court, in an appropriate case, may award reasonable attorneys' fees.

Sec. 515.4-116. [LABELING OF PROMOTIONAL MATERIAL.] If any improvement contemplated in a condominium is required by section 515.2-110(b)(3) to be labeled "NEED NOT BE BUILT" on the floor plan, no promotional material may be displayed or delivered to prospective purchasers which describes or depicts that improvement unless the description or depiction of the improvement is conspicuously labeled or identified as "NEED NOT BE BUILT".

Sec. 515.4-117. [DECLARANT'S OBLIGATION TO COMPLETE AND RESTORE.] (a) The declarant shall complete all improvements labeled "MUST BE BUILT" on the floor plans prepared pursuant to section 515.2-110.

(b) The declarant is subject to liability for the prompt repair and restoration to a condition compatible with the remainder of the condominium of any portion of the condominium affected by the exercise of rights reserved pursuant to or created by sections 515.2-111, 515.2-117, and 515.2-118.

The motion may be submitted on pleadings mailed to the court without the necessity of personal appearance.

CONFERENCE COMMITTEE REPORT ON H. F. NO. 2429

A bill for an act relating to usury; changing the penalty for usurious loans made by state banks and savings banks; amending Minnesota Statutes 1978, Sections 334.02; 334.03; and Chapter 48, by adding a section.

April 9, 1980

The Honorable Fred C. Norton
Speaker of the House of Representatives

The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 2429, report that we have agreed upon the items in dispute and recommend as follows:

The Senate recede from its amendments and that H. F. No. 2429 be further amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Laws 1980, Chapter 522, Section 1, is amended to read:

48.153 [INSTALLMENT LOANS; FINANCE CHARGES: MINIMUM CHARGES.] Subdivision 1. A bank organized under the laws of this state, or a national banking association doing business in this state making a loan of money not exceeding \$35,000 repayable in installments, may charge upon the unpaid principal balance of the financed amount a rate of interest not in excess of 12 percent a year. A loan made prior to June 30, 1982, at a greater rate than permitted by this subdivision may continue to bear the greater rate of interest if that greater rate was lawful when the loan was made.

Subd. 1a. (a) Notwithstanding subdivision 1, a bank organized under the laws of this state, or a national banking association doing business in this state, making a loan of money not exceeding \$35,000 repayable in installments, may charge, at the time the loan is made, a rate of interest upon the unpaid principal balance of the amount financed of 12 percent a year, or the rate of interest authorized by section 334.011, whichever is greater. If the rate of interest charged is permitted by section 334.011 at the time the loan is made, the rate does not later become usurious because of a fluctuation in the federal discount rate.

(b) This subdivision supersedes subdivision 1 from its effective date until June 30, 1982.

Subd. 2. Installment payments on loans made pursuant to this section by a bank or national banking association shall not extend beyond a period of 12 years and 32 days from the date of the loan. The loan may be secured by a mortgage, pledge, or other collateral.

Subd. 3. A savings bank organized pursuant to chapter 50, *a savings association or savings and loan association subject to the provisions of sections 51A.01 to 51A.57, or a savings and loan association chartered under the laws the United States*, that has its principal place of business in this state, may make a loan for consumer purposes to a natural person in an amount not exceeding \$25,000 repayable in installments, and may charge upon the unpaid principal balance of the financed amount a rate of interest not in excess of 12 percent a year. A loan made prior to June 30, 1982, at a greater rate than permitted by this subdivision may continue to bear the greater rate of interest if that greater rate was lawful when the loan was made.

Subd. 3a. (a) Notwithstanding subdivision 3, a savings bank organized pursuant to chapter 50, *a savings association or savings and loan association subject to the provisions of sections 51A.01 to 51A.57, or a savings and loan association chartered under the laws of the United States*, that has its principal place

of business in this state, may make a loan for consumer purposes to a natural person in an amount not exceeding \$25,000 repayable in installments, and may charge a rate of interest upon the unpaid principal balance of the amount financed of 12 percent a year, or the rate of interest authorized by section 334.011, whichever is greater. If the rate of interest charged is permitted by section 334.011 at the time the loan is made, the rate does not later become usurious because of a fluctuation in the federal discount rate.

(b) This subdivision supersedes subdivision 3 from its effective date until June 30, 1982.

Subd. 4. Installment payments on loans made pursuant to this section by a savings bank, a *savings association* or *savings and loan association* subject to the provisions of sections 51A.01 to 51A.57, or a *savings and loan association chartered under the laws of the United States* shall not extend beyond a period of (FIVE) 12 years and 32 days from the date of the loan. The loan may be secured by a mortgage, pledge, or other collateral.

Subd. 5. Charges in reference to installment loans under this section shall be computed and collected only on the unpaid principal balance of the amount financed actually outstanding. One day's finance charge means an amount equal to $1/365$ of the per annum rate provided for in an installment loan. If the total finance charge determined on an installment loan, single payment or demand loan shall be less than \$10 the amount charged may nevertheless be \$10. No loan shall be made pursuant to this section if over 50 percent of the proceeds of the loan are used to finance the purchase of a borrower's primary residence other than a mobile home.

Sec. 2. Minnesota Statutes 1978, Chapter 48, is amended by adding a section to read:

[48.195] [PENALTY FOR USURIOUS INTEREST CHARGED BY BANKS AND SAVINGS BANKS.] *The taking, receiving, reserving or charging by a lender of a rate of interest greater than is allowed by state law shall be deemed a forfeiture of the entire interest which the note, bill, or other evidence of debt carries with it, or which has been agreed to be paid thereon. In case the greater rate of interest has been paid, the person paying it, or his legal representatives, may recover, in an action in the nature of an action of debt, twice the amount of the interest thus paid from the lender taking or receiving the interest, if the action is commenced within two years from the time the usurious transaction occurred. For purposes of this section, the term "lender" means a bank or savings bank organized under the laws of this state, a federally chartered savings and loan association, a savings association organized under chapter 51A, a federally chartered credit union, a credit union organized under chapter 52, or a mortgagee or lender ap-*

proved or certified by the secretary of housing and urban development or approved or certified by the administrator of veterans affairs.

Sec. 3. Minnesota Statutes 1978, Section 334.02, is amended to read:

334.02 [USURIOUS INTEREST; RECOVERY.] Every person who for any such loan or forbearance shall have paid or delivered any greater sum or value than in section 334.01 allowed to be received may, by himself or his personal representatives, recover in an action against the person who shall have received the same, or his personal representatives, the full amount of interest or premium so paid, with costs, if action is brought within two years after such payment or delivery. *This section does not apply when the loan or forbearance is made by a lender and the lender is liable for the penalty provided in section 2 in connection with the loan or forbearance. For purposes of this section, the term "lender" means a bank or savings bank organized under the laws of this state, a federally chartered savings and loan association, a savings association organized under chapter 51A, a federally chartered credit union, a credit union organized under chapter 52, or a mortgagee or lender approved or certified by the secretary of housing and urban development or approved or certified by the administrator of veterans affairs.*

Sec. 4. Minnesota Statutes 1978, Section 334.03, is amended to read:

334.03 [USURIOUS CONTRACTS INVALID; EXCEPTIONS.] All bonds, bills, notes, mortgages, and all other contracts and securities, and all deposits of goods, or any other thing, whereupon or whereby there shall be reserved, secured, or taken any greater sum or value for the loan or forbearance of any money, goods, or things in action than prescribed, except such instruments which are taken or received in accordance with and in reliance upon the provisions of any statute, shall be void except as to a holder in due course. No merely clerical error in the computation of interest, made without intent to avoid the provisions of this chapter, shall constitute usury. Interest at the rate of one-twelfth of eight percent for every 30 days shall not be construed to exceed eight percent per annum; nor shall the payment of interest in advance of one year, or any less time, at a rate not exceeding eight percent per annum constitute usury; and nothing herein shall prevent the purchase of negotiable mercantile paper, usurious or otherwise, for a valuable consideration, by a purchaser without notice, at any price before the maturity of the same, when there has been no intent to evade the provisions of this chapter, or where such purchase has not been a part of the original usurious transactions; but where the original holder of a usurious note sells the same to an innocent purchaser, the maker thereof, or his representatives, may recover back from the original holder the amount of principal and

interest paid by him on the note. *This section does not apply when the loan or forbearance is made by a lender and the lender is liable for the penalty provided in section 2 in connection with the loan or forbearance. For purposes of this section, the term "lender" means a bank or savings bank organized under the laws of this state, a federally chartered savings and loan association, a savings association organized under chapter 51A, a federally chartered credit union, a credit union organized under chapter 52, or a mortgagee or lender approved or certified by the secretary of housing and urban development or approved or certified by the administrator of veterans affairs.*

Sec. 5. [EFFECTIVE DATE.] *Sections 1 to 4 are effective the day following final enactment."*

(a) the product in section 275.125, subdivision 6b, clause (1), part (b), computed for the component district, times

(b) the quotient obtained by dividing the number of pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), from that component district who are enrolled in the newly created or enlarged district in the year when the consolidation or dissolution and attachment becomes effective, by the total number of pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), enrolled in the component district in the year preceding the year when the consolidation or dissolution and attachment becomes effective.

(3) In lieu of the quotient used in the computation in section 275.125, subdivision 6b, clause (2), part (b), subpart (ii), and in section 124.212, subdivision 7d, clause (3), part (a), subpart (ii), there shall be used the quotient obtained by dividing:

(a) the sum derived in clause (2) of this subdivision, by

(b) the sum of the amounts derived by performing the following computation for each component district:

(i) the number of pupil units identified in section 124.17, subdivision 1, clauses (1) and (2) in the component district in 1979-1980, times

(ii) the quotient derived for that component district in clause (2), part (b) of this subdivision.

Subd. 5. (1) For purposes of computing the levy limitation under section 275.125, subdivision 6c, of a district newly created through consolidation or enlarged through the dissolution of a district and its attachment to one or more other districts, there shall be used in lieu of the amount specified in section 275.125, subdivision 6c, clause (1), part (a)(i)(A), the quotient obtained by dividing:

(a) the sum of the amounts derived by performing the following multiplication for each component district:

(i) the quotient in section 275.125, subdivision 6c, clause (1), part (a)(i)(A), computed for the component district for purposes of 1979 payable 1980 levy limitations, times

(ii) the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4), and (5), from that component district who are enrolled in the newly created or enlarged district in the year when the consolidation or dissolution and attachment becomes effective; by

(b) the total number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4), and (5), in the newly created or enlarged district in the year when the consolidation or dissolution and attachment becomes effective.

(2) For purposes of computing the district's foundation aid pursuant to section 124.212, in lieu of the amount derived in section 124.212, subdivision 7c, clause (4), part (a), there shall be used the sum derived in clause (1), part (a) of this subdivision.

Sec. 3. Minnesota Statutes 1978, Section 122.531, is amended by adding a subdivision to read:

(1) For purposes of computing foundation aid under section 124.212, subdivision 7c, clauses (3) and (4), or section 124.212, subdivision 7d, clauses (3) and (4), of a district newly created through consolidation or enlarged through the dissolution of a district and its attachment to one or more other districts, in the year when the consolidation or dissolution and attachment becomes effective, there shall be used in lieu of the ratio of the district's actual levy to its permitted levy in 1979 payable 1980 or 1980 payable 1981, as applicable, pursuant to section 275.125, subdivision 6b or 6c, as applicable, the quotient obtained by dividing:

(a) the sum of the products derived for each component district by multiplying the component district's actual levy in the applicable year pursuant to the applicable subdivision, times the ratio of the amount of the adjusted assessed valuation of the property from the component district which is included in the new district to the total amount of the adjusted assessed valuation of the new district; by

(b) the sum of the products derived for each component district by multiplying the component district's permitted levy in the applicable year pursuant to the applicable subdivision, times the ratio of the amount of the adjusted assessed valuation of the property from the component district which is included in the new district to the total amount of the adjusted assessed valuation of the new district.

Subd. 8. [EXPIRATION.] This section shall expire (JUNE 30, 1980) *with the final 1980 payment pursuant to subdivision 7.*

Sec. 9. Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In 1979, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 23 mills times the 1978 adjusted assessed valuation of the district.

(2) In 1980, a school district may levy for all general and special school purposes, an amount equal to the amount raised by 21 mills times the 1979 adjusted assessed valuation of the district.

(3) For any district levying less than 95 percent of the maximum levy allowable in clauses (1) and (2), (BEGINNING WITH THE LEVY CERTIFIED IN 1978, PAYABLE IN 1979,) the foundation aid to the district for the (1979-1980) school year (, AND FOR SUBSEQUENT LEVIES, FOUNDATION AID FOR SUBSEQUENT SCHOOL YEARS) *when the levy is recognized as revenue, calculated pursuant to section 124.212, subdivision 7c, clauses (1) and (6); or section 124.212, subdivision 7d, clauses (1) and (6); or their successor provisions, as applicable, shall be reduced to an amount equal to the ratio between the actual levy and the maximum levy allowable under clauses (1) and (2) times the foundation aid calculated pursuant to section 124.212, subdivision 7c, clauses (1) and (6); or section 124.212, subdivision 7d, clauses (1) and (6); or their successor provisions, as applicable, to which the district is otherwise entitled for that year. For purposes of computations pursuant to this clause, the maximum levy allowable and the actual levy under clauses (1) and (2) shall be increased by any reduction of this levy which is required by section 275.125, subdivision 9 or any other law.*

(4) (a) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the dis-

trict. The referendum shall be held on a date set by the school board. Only one such election may be held to approve a levy increase which will commence in a specific school year. The question on the ballot shall state the maximum amount of the increased levy in mills, the amount that will be raised by that millage in the first year it is to be levied, and that the millage shall be used to finance school operations. The question may designate a specific number of years for which the referendum authorization shall apply. If approved, the amount provided by the approved millage applied to each year's taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked by the voters of the district at a subsequent referendum.

(b) A referendum on the question of revoking the increased levy amount authorized pursuant to clause (a) of this clause may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. The amount approved by the voters of the district pursuant to clause (a) of this clause must be levied at least once before it is subject to a referendum on its revocation for subsequent years. Only one such revocation election may be held to revoke a levy for any specific year and for years thereafter.

(c) A petition authorized by clauses (a) or (b) of this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or 10 percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(d) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(e) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

Sec. 10. Minnesota Statutes, 1979 Supplement, Section 275.-125, Subdivision 2b, is amended to read:

Subd. 2b. (1) (BEGINNING IN 1979,) In any year when the amount of the maximum levy allowed by subdivision 2a, clause (1) or (2), for any district with 950 or more pupil units under section 124.17, subdivision 1, clauses (1) and (2), exceeds the product of the district's foundation aid formula allowance under section 124.212 for the (CORRESPONDING) school year *in which the levy is recognized as revenue* times the estimated number of pupil units computed for that district under section 124.17, subdivision 1, clauses (1), (2), (4) and (5), for that school year, the levy permitted that district by subdivision 2a,

clause (1) or (2) shall be limited to the greater of the dollar amount of the levy the district certified in 1977 under subdivision 2a, clause (1) or (107 PERCENT OF) the sum of the following, but not to exceed the (AMOUNT RAISED BY THE NUMBER OF MILLS PERMITTED) *levy limitation* under subdivision 2a, clause (1) or (2):

(a) (i) the product of the district's foundation aid formula allowance under section 124.212 for the school year in which the levy is (CERTIFIED) *recognized as revenue*, times the *estimated* number of pupil units computed for that district under section 124.17, subdivision 1, clauses (1), (2), (4) and (5), for (THE) *that school year (IN WHICH THE LEVY IS CERTIFIED); (PLUS) less*

(ii) *the estimated amount of any payments which would reduce the district's foundation aid entitlement as provided in section 124.212, subdivision 5a in the school year in which the levy is recognized as revenue; plus*

(b) the district's estimated aid entitlement pursuant to section 124.20 for the summer school which begins in the school year in which the levy is (CERTIFIED) *recognized as revenue; plus*

(c) that district's *estimated* entitlement, for the year in which the levy is (CERTIFIED) *recognized as revenue*, for transportation aid pursuant to section 124.225, special education aid pursuant to section 124.32, secondary vocational aid pursuant to section 124.573 and secondary vocational aid for handicapped children pursuant to section 124.574.

(2) IF A DISTRICT LEVIES THE FULL 107 PERCENT OF ITS ENTITLEMENT UNDER CLAUSE (1) FOR A SCHOOL YEAR AND THAT AMOUNT IS LESS THAN THE AMOUNT TO WHICH THE DISTRICT WOULD ACTUALLY HAVE BEEN ENTITLED UNDER SECTIONS 124.20, 124.212, 124.225, 124.32, 124.573, AND 124.574, FOR THE YEAR TO WHICH THE LEVY IS ATTRIBUTABLE, THE DISTRICT MAY ADJUST ITS LEVIES IN THE SUCCEEDING YEARS TO MAKE UP THIS DIFFERENCE. THE AMOUNT BY WHICH THE DISTRICT ADJUSTS ANY LEVY IN THE SUCCEEDING YEARS PURSUANT TO THIS SECTION SHALL BE RECOGNIZED AS REVENUE IN THE SCHOOL YEAR WHEN THE LEVY WHICH IS SO ADJUSTED IS RECOGNIZED AS REVENUE.)

(3) IF A DISTRICT LEVIES PURSUANT TO CLAUSE (1) FOR SCHOOL YEAR AND THE AMOUNT LEVIED IS GREATER THAN THE AMOUNT TO WHICH THE DISTRICT WOULD ACTUALLY HAVE BEEN ENTITLED UNDER SECTIONS 124.20, 124.212, 124.225, 124.32, 124.573, AND 124.574, FOR THE YEAR TO WHICH THE LEVY IS ATTRIBUTABLE, THE DISTRICT SHALL REDUCE ITS LE-

VIES IN THE SUCCEEDING YEARS BY THE AMOUNT OF THIS DIFFERENCE.)

((4) HOWEVER, IF THE AMOUNT OF THE DIFFERENCE IN CLAUSE (2), WHEN CALCULATED AS AN ADDITION TO THE ORIGINAL LEVY FOR THAT YEAR, WOULD HAVE EXCEEDED THE AMOUNT RAISED BY THE MILLAGE LIMITATION IN SUBDIVISION 2A, CLAUSE (1) OR (2) FOR THAT YEAR, THE STATE SHALL PAY THE AMOUNT TO WHICH THE DISTRICT IS ENTITLED UNDER SECTIONS 124.20, 124.212, 124.225, 124.32, 124.573, AND 124.574, FOR THAT SCHOOL YEAR, WHICH EXCEEDS THE AMOUNT RAISED BY THAT MILLAGE LIMITATION.)

((5) IF THE DISTRICT IS UNABLE TO LEVY THE FULL 107 PERCENT OF ITS ENTITLEMENT FOR A SCHOOL YEAR BECAUSE OF THE MILLAGE LIMITATION IN SUBDIVISION 2A, CLAUSE (1) OR (2), THE STATE SHALL PAY THE AMOUNT UNDER SECTIONS 124.20, 124.212, 124.225, 124.32, 124.573, OR 124.574 TO WHICH THE DISTRICT IS ENTITLED FOR THAT SCHOOL YEAR WHICH EXCEEDS THE AMOUNT RAISED BY THAT MILLAGE LIMITATION.)

((6)) (2) Prior to the certification of levies, the commissioner of education shall notify an applicable district that it is subject to the levy limitation of this subdivision and of its estimated entitlements pursuant to sections 124.20, 124.212, 124.225, 124.32, 124.573, and 124.574. (THE COMMISSIONER SHALL DECIDE THAT A DISTRICT IS SUBJECT TO THIS LEVY LIMITATION IF IT APPEARS REASONABLY CERTAIN THAT THE MAXIMUM LEVY ALLOWED THAT DISTRICT PURSUANT TO SUBDIVISION 2A, CLAUSE (1) OR (2) WILL EXCEED THE DISTRICT'S FOUNDATION AID FORMULA ALLOWANCE TIMES THE NUMBER OF PUPIL UNITS COMPUTED FOR THAT DISTRICT UNDER SECTION 124.17, SUBDIVISION 1, CLAUSES (1), (2), (4) AND (5), FOR THAT CORRESPONDING YEAR. IF, UPON THE ORDER OF THE COMMISSIONER, THE DISTRICT LEVIES PURSUANT TO THIS SUBDIVISION BUT THE MAXIMUM LEVY ALLOWED THAT DISTRICT PURSUANT TO SUBDIVISION 2A, CLAUSE (1) OR (2) WOULD NOT ACTUALLY HAVE EXCEEDED THE DISTRICT'S FOUNDATION AID FORMULA ALLOWANCE TIMES THE NUMBER OF PUPIL UNITS COMPUTED FOR THAT DISTRICT UNDER SECTION 124.17, SUBDIVISION 1, CLAUSES (1), (2), (4) AND (5), FOR THAT CORRESPONDING YEAR, THE DISTRICT SHALL REDUCE ITS LEVY FOR THE NEXT YEAR BY THE AMOUNT BY WHICH THE LEVY CERTIFIED PURSUANT TO THIS SUBDIVISION EXCEEDED THE AMOUNT THE DISTRICT COULD HAVE LEVIED UNDER SUBDIVISION 2A, CLAUSE (1) OR (2). ALSO IN THAT

CASE, THE DISTRICT SHALL RECEIVE ALL AIDS FROM THE STATE PURSUANT TO SECTIONS 124.20, 124.212, 124.225, 124.32, 124.573, AND 124.574 TO WHICH IT WOULD OTHERWISE HAVE BEEN ENTITLED IF ITS PERMITTED LEVY HAD NOT BEEN COMPUTED PURSUANT TO THIS SUBDIVISION.

((7)) (3) Any district which is required to compute its (PERMITTED LEVY) *levy limitation* under this subdivision shall not be eligible to receive *that amount of aid for the corresponding school year* under sections 124.20, (124.212,) 124.225, 124.32, 124.573, and 124.574 (FOR THE CORRESPONDING YEAR EXCEPT AS AUTHORIZED BY THIS SUBDIVISION) *for which it is eligible to levy pursuant to this subdivision and subdivision 20. Clause (1) and this clause shall apply to aids pursuant to these sections in the following order: (a) 124.20; (b) 124.225; (c) 124.32; (d) 124.573; (e) 124.574.*

((8)) (4) Nothing within the provisions of this subdivision shall be construed to affect any other levy under this section, including levies made pursuant to subdivision 2a, clause (4), to which a district is otherwise entitled.

((9)) (5) A levy made by a district pursuant to the provisions of this subdivision shall be construed to be the levy made by that district pursuant to subdivision 2a, clause (1) and (2), for purposes of statutory cross-reference.

((10)) THE PROVISIONS OF CLAUSES (2) TO (9) SHALL GOVERN 1979-1980 AIDS, THE ADJUSTMENT OF LEVIES, AND STATUTORY CROSS-REFERENCES TO THE 1978 LEVY, FOR ANY DISTRICT WHICH LEVIED PURSUANT TO CLAUSE (1) IN 1978 AND WHICH IS NOT REQUIRED TO LEVY PURSUANT TO CLAUSE (1) IN 1979 OR SUBSEQUENT YEARS.)

Sec. 11. Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 7a, is amended to read:

Subd. 7a. (1) (IN 1979) *In 1980* each district which levies the maximum permissible amount pursuant to (SUBDIVISIONS 2A, CLAUSES (1), (2), AND (4),;) *subdivision 2a, clause (1) or (2) and subdivision 6b, (AND 6C,)* may levy an additional amount which shall not exceed the lesser of (a) an amount equal to (ONE-HALF) *one* mill times the district's (1978) 1979 adjusted assessed valuation or (b) the product obtained by multiplying (\$27.50) \$64.48 times the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4), and (5), in the district in (1979-1980) *the 1980-1981 school year.*

(2) In (1980) 1981 and each year thereafter, each district which levies the maximum permissible amount pursuant to

(SUBDIVISIONS 2A, CLAUSES (1), (2) AND (4),) *subdivision 2a, clause (1) or (2) and subdivision 6b (, AND 6C,)* may levy an additional amount which shall not exceed the lesser of (a) an amount equal to one (MILL) and *one-half mills* times the district's adjusted assessed valuation for the preceding year or (b) the product obtained by multiplying (i) *one and one-half times (I)* (ii) the ratio of the equalizing factor to 1,000, times ((II)) (iii) the number of pupil units identified in section 124.-17, subdivision 1, clauses (1), (2), (4), and (5), in the district in the school year when the levy is certified.

(3) (BY AUGUST 1 BEFORE A DISTRICT CERTIFIES ANY LEVY PURSUANT TO THIS SUBDIVISION IN 1979, OR) By the July 1 before a district certifies any levy pursuant to this subdivision in 1980, in any even-numbered year thereafter, or in any odd-numbered year thereafter when the district has not certified a levy pursuant to this subdivision in the preceding year, the board of the district shall hold a public hearing on the need for the proposed levy pursuant to this subdivision. At least three weeks published notice of the hearing in 10 point type, on 12 point body, with a larger headline, shall be given in the legal newspaper with the largest circulation in the district. The notice shall state the amount of the proposed levy in dollars and mills, the *estimated* net unappropriated fund balance in the district's operating funds as of the June 30 before the levy is certified, and the tax impact of the proposed levy on homesteads with market values of \$30,000 and \$50,000. At the hearing, the district shall present its proposed revenue and expenditure budgets for the next two school years and the *estimated* net unappropriated fund balances in all district funds as of the June 30 before the levy is certified, and the board shall hear all parties requesting to give testimony for and against the proposed levy. Upon petition within 20 days after the hearing of (FIVE PERCENT) *the greater of (a) 50 voters, or (b) 15 percent* of the number of voters who voted in the district at the (PRECEDING STATEWIDE GENERAL) *most recent regular school board* election, the board shall call a referendum on a reduction of the proposed levy. The petition shall state the number of mills on the district's adjusted assessed valuation by which it proposes to reduce the proposed levy. No petition or referendum shall provide for a reduction of a proposed levy pursuant to this subdivision to a rate less than one-half mill on the district's adjusted assessed valuation below the rate levied by the district pursuant to this subdivision in the preceding year. The referendum shall be held on a date set by the school board, but no later than (SEPTEMBER 20 IN 1979 OR) the August 20 before the levy is certified (IN SUBSEQUENT YEARS.) The question on the ballot shall state the maximum amount of the proposed levy, the amount of the proposed reduction of the levy and the amount of the levy if the reduction is approved, in mills on the district's adjusted assessed valuation and in dollars in the first year of the proposed levy. The district may levy the amount provided by

the millage proposed by the school board, reduced by any reduction in millage approved at a referendum pursuant to this clause, applied to the preceding year's adjusted assessed valuation until the next even-numbered year. The district is not required to hold a public hearing or call a referendum on a levy pursuant to this subdivision in any odd-numbered year (AFTER 1979) which succeeds a year in which a levy is certified pursuant to this subdivision.

Sec. 12. Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 7b, is amended to read:

Subd. 7b. (1) It is the intention of the legislature that the revenue provided by the discretionary levy authorized in subdivision 7a and by the corresponding portion of foundation aid provided in section 124.212, subdivisions 7c, clause (5), and 7d, clause (5), be used to improve instructional programs in grades kindergarten through 12 *and not be used to increase a district's balance* (. IF THE BOARD OF ANY DISTRICT WITH A REASONABLE GENERAL FUND BALANCE DETERMINES THAT ALL OR PART OF THIS REVENUE IS NOT NEEDED FOR THIS PURPOSE AND IF THIS DETERMINATION IS DEMONSTRATED BY AN INCREASE IN THE DISTRICT'S GENERAL FUND BALANCE IN ANY FISCAL YEAR STARTING IN FISCAL YEAR 1981, THE MILL RATE USED TO CALCULATE THE AUTHORIZED DISCRETIONARY LEVY AND THE CORRESPONDING PORTION OF FOUNDATION AID SHALL BE REDUCED AS PROVIDED IN THIS SUBDIVISION. FOR PURPOSES OF THIS SUBDIVISION, A "REASONABLE GENERAL FUND BALANCE" SHALL MEAN \$150) *in all operating funds above \$165 per pupil unit identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5).*

(2) In any district where the maximum permissible levy pursuant to subdivision 7a in 1981 or in any year thereafter is determined according to clause (2), part (a), of that subdivision, and where the net unappropriated (GENERAL) fund balance *in all operating funds* has increased between the second June 30 before the levy is certified and the June 30 before the levy is certified, the maximum permissible levy pursuant to subdivision 7a in that year shall be reduced by an amount equal to the product obtained by multiplying

(a) the ratio of

(i) the quotient obtained by dividing the amount of that increase in the (GENERAL FUND) balance *in all operating funds* by the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), in the district in the year when the levy is certified, to

(ii) the equalizing factor, times

(b) the district's adjusted assessed valuation for the preceding year.

No levy reduction pursuant to this clause, however, shall exceed an amount equal to the product obtained by multiplying

(a) the ratio of

(i) the difference obtained by subtracting (\$150) \$165 from the quotient obtained by dividing the *total* amount of the net unappropriated (GENERAL FUND) balance in *all operating funds* of the district as of the June 30 before the levy is certified, by the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), in the district in the year when the levy is certified, to

(ii) the equalizing factor, times

(b) the district's adjusted assessed valuation for the preceding year.

(3) In any district where the maximum permissible levy pursuant to subdivision 7a in 1981 or in any year thereafter is determined according to clause (2), part (b), of that subdivision, and where the net unappropriated (GENERAL FUND) balance in *all operating funds* has increased between the second June 30 before the levy is certified and the June 30 before the levy is certified, the maximum permissible levy pursuant to subdivision 7a in that year shall be reduced by the *total* amount of (THAT) *the* increase in the (GENERAL FUND) *balance in all operating funds*. No levy reduction pursuant to this clause, however, shall exceed an amount equal to the difference obtained by subtracting

(a) the product obtained by multiplying (\$150) \$165 times the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), in the district in the year when the levy is certified, from

(b) the *total* amount of the net unappropriated (GENERAL FUND) balance in *all operating funds* in the district as of the June 30 before the levy is certified.

Sec. 13. Minnesota Statutes, 1979 Supplement, Section 275-125, Subdivision 20, is amended to read:

Subd. 20. The computation of levy limitations pursuant to subdivisions 2b, 2c, 6c and 19 shall be based on estimates where necessary. If as a result of using estimates for these computations the amount of any levy is different from the amount which could actually have been levied if actual data had been available, levy limitations in the first year when the actual data is known shall be adjusted to reflect for this difference. The amount of

any adjustment to levy limitations pursuant to this subdivision shall be recognized as revenue in the school year when the levy for which the levy limitation is so adjusted is recognized as revenue.

Sec. 14. [REPEALER.] *Minnesota Statutes 1978, Section 122.531, Subdivision 3, is repealed.*

Sec. 15. [DEFICIENCY APPROPRIATION; SUMMER SCHOOL.] *The sum of \$685,000 is appropriated from the general fund to the department of education for the fiscal year ending June 30, 1980, for the payment of a deficiency in funds available for state aid for summer school. This amount is for 1979 summer school programs and shall be added to the sum appropriated for fiscal year 1980 for summer school aid in Laws 1979, Chapter 334, Article I, Section 28, Subdivision 3.*

Sec. 16. [DEFICIENCY APPROPRIATION; SPARSITY AID.] *There is appropriated from the general fund to the department of education the sum of \$30,000 for the fiscal year ending June 30, 1980, and the sum of \$6,000 for the fiscal year ending June 30, 1981, for the payment of a deficiency in funds available for sparsity aid for 1980 pursuant to section 124.224. These appropriations shall be added to the amounts appropriated for sparsity aid in Laws 1979, Chapter 334, Article I, Section 28, Subdivision 4.*

Sec. 17. [EFFECTIVE DATE.] *Sections 8, 15 and 16 are effective on the day following final enactment.*

ARTICLE II

A mobile unit located off nonpublic school premises is a neutral site as defined in section 123.932, subdivision 9.*

Subd. 1a. For the 1980-1981 school year and thereafter, in computing transportation aid, the department of education shall

establish the pupil weighting factors for each transportation category for each region using transportation cost data for the second prior school year. The department shall use the statewide pupil weighting factor for any transportation category for which a region had no experience during the second prior school year.

Subd. 2. For the 1979-1980 school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive state aid an amount determined according to this section. A linear regression formula shall be determined for each planning region by the department of education, using the terms specified in subdivision 4, to maximize the amount of variance accounted for between the total actual authorized cost per FTE for the 1977-1978 school year and the total authorized predicted cost per FTE for the 1977-1978 school year. The formula determined for each region shall be used to determine a total authorized predicted cost per FTE for the 1977-1978 school year for each district in the region. The amount determined for each district shall be adjusted according to the provisions of subdivisions 5 and 7. (THE LINEAR REGRESSION FORMULAS SHALL BE DETERMINED SO THAT THE TOTAL TRANSPORTATION AID FOR THE 1979-1980 SCHOOL YEAR DOES NOT EXCEED THE AMOUNT APPROPRIATED FOR TRANSPORTATION AID FOR THE 1979-1980 SCHOOL YEAR.)

Subd. 3. For the 1980-1981 school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive state aid an amount determined according to this section. A (LINEAR) *multiple regression formula* shall be determined *through stepwise multiple regression analysis* for each (PLANNING) region by the department of education, using the terms specified in subdivision (4) 4a, to maximize the amount of variance accounted for between the total actual authorized cost per *weighted* FTE for the 1978-1979 school year and the total authorized predicted cost per *weighted* FTE for the 1978-1979 school year. The formula determined for each region shall be used to determine a total authorized predicted cost per *weighted* FTE for the 1978-1979 school year for each district in the region. The amount determined for each district shall be adjusted according to the provisions of subdivisions 6 and (7) 7a. (THE LINEAR REGRESSION FORMULAS SHALL BE DETERMINED SO THAT THE TOTAL TRANSPORTATION AID FOR ALL DISTRICTS FOR THE 1980-1981 SCHOOL YEAR DOES NOT EXCEED THE AMOUNT APPROPRIATED FOR TRANSPORTATION AID FOR THE 1980-1981 SCHOOL YEAR.)

Subd. 4. To predict the natural logarithm of the total authorized cost per FTE transported authorized by law for the 1979-1980 school year, the linear regression formula shall use the following terms and all their cross products:

(1) The natural logarithm of the quotient of 1.00 divided by the total number of authorized FTE's transported;

(2) The natural logarithm of the sum of 100 plus the difference between the average of the square roots computed for all districts in the state of the number of regular and summer school authorized FTE's transported per square mile minus the square root of the number of regular and summer school authorized FTE's transported per square mile in the district;

(3) The natural logarithm of the ratio of the number of regular and summer school authorized FTE's transported to the district's total average daily membership;

(4) The natural logarithm of the number of regular and summer school authorized FTE's transported per square mile;

(5) The natural logarithm of the district's average daily membership;

(6) The natural logarithm of the size of the district measured in square miles; and

(7) The natural logarithm of the total number of FTE's transported by the district authorized for aid pursuant to section 124.223 minus the number of regular and summer school authorized FTE's transported.

Subd. 4a. To predict the total authorized cost per weighted FTE for each district beginning in the 1980-1981 school year, each regional multiple regression formula shall use the following terms and their squares for each district in the region:

(1) *The area of the district measured in square miles;*

(2) *The district's average daily membership;*

(3) *The total number of authorized FTE's transported by the district;*

(4) *The total number of authorized FTE's transported by the district in the handicapped, shared time special education, and to and from board and lodging facility transportation categories as a percentage of the total number of authorized FTE's transported by the district;*

(5) *The number of authorized FTE's transported by the district in the board and lodging transportation category as a percentage of the total number of authorized FTE's transported by the district;*

(6) *The number of authorized FTE's transported by the district in the between schools transportation category as a percentage of the total number of authorized FTE's transported by the district;*

(7) *The number of authorized FTE's transported by the district in the shared time regular transportation category as a percentage of the total number of authorized FTE's transported by the district;*

(8) *The number of authorized FTE's transported by the district in the secondary vocational center transportation category as a percentage of the total number of authorized FTE's transported by the district;*

(9) *The number of authorized FTE's per square mile transported by the district in the regular transportation category;*

(10) *The number of authorized FTE's per square mile transported by the district in the handicapped transportation category;*

(11) *The number of authorized FTE's transported by the district in the regular transportation category as a percentage of the district's average daily membership;*

(12) *An index of the district's shape computed by the department of education based on a comparison of the perimeter of the district to the perimeter of a circle with the same square mile area as the district;*

(13) *The percentage of the district's square mile area which is classified by the state planning agency as water-covered or marshland;*

(14) *The number of 40 acre parcels of land in the district which are contiguous to or intersected by unpaved roads, as a percentage of the number of 40 acre parcels of land in the district which are contiguous to or intersected by any roads, paved or unpaved. The number of 40 acre parcels of each type shall be obtained from the state planning agency;*

(15) *The percentage of the district's square mile area which is classified by the state planning agency as having a slope of land exceeding six percent;*

(16) *The number of authorized FTE's transported to non-public schools by the district in the regular transportation category as a percentage of the total number of authorized FTE's transported by the district in the regular transportation category.*

Subd. 5. The total authorized predicted cost per FTE determined for a district under subdivision 2 for 1977-1978 shall be increased by (17) 27 percent.

Subd. 6. The total authorized predicted cost per *weighted* FTE determined for a district under subdivision 3 for 1978-1979 shall be increased by (17) 29 percent.

Subd. 7. (1) Each district's adjusted total authorized predicted cost per FTE determined for (EACH) *the 1979-1980* school year according to subdivision 5 (OR 6) shall be compared to the total actual expenditure per FTE for authorized transportation for that district for that year to determine the district's aid entitlement per FTE for that year.

(2) *For the 1979-1980 school year*, if the adjusted total authorized predicted cost per FTE is greater than the district's actual authorized expenditure per FTE, its aid entitlement per FTE shall equal the adjusted predicted cost per FTE minus 10 percent of the first \$10 of difference between the adjusted total authorized predicted cost per FTE and the actual expenditure per FTE; minus 20 percent of the next \$20; minus 40 percent of the next \$20; minus 60 percent of the next \$50; and minus 75 percent of the difference which exceeds \$100.

(3) *For the 1979-1980 school year*, if the adjusted total authorized predicted cost per FTE is less than the district's actual authorized expenditure per FTE, its aid entitlement per FTE shall equal the adjusted total authorized predicted cost per FTE plus 10 percent of the first \$10 of difference between the adjusted predicted cost per FTE and the actual expenditure per FTE; plus 20 percent of the next \$20; plus 40 percent of the next \$20; plus 60 percent of the next \$50; and plus 75 percent of the difference which exceeds \$100.

(4) Notwithstanding clauses (2) and (3), for the 1979-1980 school year, no district's aid entitlement per FTE shall be less than its actual authorized expenditure per FTE minus \$20 or more than its actual authorized expenditure per FTE plus \$20.

Subd. 7a. (1) *Each district's adjusted total authorized predicted cost per weighted FTE determined for the 1980-1981 school year and each year thereafter according to subdivision 6 shall be compared to the total actual expenditure per weighted FTE for authorized transportation for that district for that year to determine the district's aid entitlement per weighted FTE for that year.*

(2) *If the adjusted total authorized predicted cost per weighted FTE is greater than the district's actual authorized expenditure per weighted FTE, its aid entitlement per weighted FTE shall equal the adjusted predicted cost per weighted FTE minus 20 percent of the first \$10 of difference between the ad-*

justed total authorized predicted cost per weighted FTE and the actual expenditure per weighted FTE; minus 40 percent of the next \$10; 60 percent of the next \$10; minus 75 percent of the difference which exceeds \$30.

(3) If the adjusted total authorized predicted cost per weighted FTE is less than the district's actual authorized expenditure per weighted FTE, its aid entitlement per weighted FTE shall equal the adjusted total authorized predicted cost per weighted FTE plus 20 percent of the first \$10 of difference between the adjusted predicted cost per weighted FTE and the actual expenditure per weighted FTE; plus 40 percent of the next \$10; plus 60 percent of the next \$10; plus 75 percent of the difference which exceeds \$30.

Subd. 8. A district's aid pursuant to this section for (EACH) the 1979-1980 school year shall equal the district's aid entitlement per FTE determined according to subdivision 7 times the total number of authorized FTE's transported in the district in that school year, minus the amount raised by one mill times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year.

Subd. 8a. A district's aid pursuant to this section for the 1980-1981 school year and each year thereafter shall equal the district's aid entitlement per weighted FTE determined according to subdivision 7a times the total number of authorized weighted FTE's transported in the district in that school year, minus the amount raised by one mill times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year.

Subd. 8b. (a) In addition to the amount authorized in subdivision 8a, for the 1980-1981 school year, the state shall pay aid for the excess costs of providing transportation for handicapped students as provided in this subdivision to a district where:

(1) the average daily membership in that year is 2,500 or fewer pupils,

(2) the total actual authorized expenditures exceed the aid entitlement, and

(3) the actual authorized expenditure per weighted FTE in the handicapped and board and lodging categories exceeds 140 percent of the aid entitlement per weighted handicapped and board and lodging FTE.

(b) This aid shall equal 80 percent of the difference between:

(1) the actual authorized expenditure per weighted handicapped and board and lodging FTE and

(2) 140 percent of the aid entitlement per weighted handicapped and board and lodging FTE.

(3) For purposes of the computation of aid pursuant to this subdivision, the amounts of the actual authorized expenditure and the aid entitlement shall exclude amounts attributable to depreciation. Aid pursuant to this subdivision shall not exceed the difference between the district's total actual authorized expenditures and its total aid entitlement.

Subd. 9. Each district shall report to the department before July 1 of each year an estimate for the next school year of the total number of FTE's transported by *transportation* category and an estimate of the district's total actual authorized transportation expenditure by *transportation* category. The district's aid shall be determined for purposes of the first three transportation aid payments for the school year using these estimates. Before August 15 (OF EACH YEAR), 1980, each district shall provide the department with the information for the (PRECEDING) 1979-1980, school year which the department determines is necessary to compute the district's actual authorized expenditure per FTE for purposes of the computation in subdivision 7 and the district's actual total number of FTE's transported for purposes of the aid computation in subdivision 8. Before August 15, 1981, and each August 15 thereafter, each district shall provide the department with the information for the preceding school year which the department determines is necessary to compute the district's actual authorized expenditure per weighted FTE for purposes of the computation in subdivision 7a and the district's actual total number of weighted FTE's transported for purposes of the aid computation in subdivision 8a. The district's final transportation aid payment for (THAT) the school year shall be based on these computations.

Subd. 10. Any school district which owns school buses or mobile units shall transfer annually from the unappropriated fund balance account in its transportation fund to the appropriated fund balance account for bus purchases in its (BUS PURCHASE) transportation fund at least an amount equal to 12-1/2 percent of the original cost of each bus or mobile unit until the original cost of each bus or mobile unit is fully amortized, plus 33-1/3 percent of the cost to the district as of July 1 of each year for school bus reconditioning done by the department of corrections until the cost of the reconditioning is fully amortized. Any school district may transfer any amount from the unappropriated fund balance account in its transportation fund to any other operating fund or to the appropriated fund balance account for bus purchases in its (BUS PURCHASE) transportation fund.

Subd. 11. [PAYMENT SCHEDULE.] Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program, the state shall pay to each school

district 30 percent of its estimated school transportation aid entitlement for the fiscal year on or before each of the following dates: August 31, December 31, and March 31. The final aid distribution to each district shall be made on or before October 31 of the following fiscal year.

Sec. 3. Minnesota Statutes 1978, Section 275.125, Subdivision 5, is amended to read:

Subd. 5. For school transportation services, a school district may levy an amount not to exceed the amount raised by a levy of one mill times the adjusted assessed valuation of the taxable property of the district for the preceding year. A district may levy under this subdivision for the (ANNUAL CASH PAYMENTS TO BE MADE FOR THE PURCHASE OF BUSES, BUT ONLY FOR THAT PORTION OF THE PAYMENTS NOT OFFSET BY STATE TRANSPORTATION AID RECEIVED ON ACCOUNT OF DEPRECIATION) *amount necessary to eliminate any projected deficit in the appropriated fund balance account for bus purchases in its transportation fund as of June 30 in the school year when the levy is recognized as revenue.* (BEGINNING WITH THE LEVY CERTIFIED IN 1976,) A district may also levy for transportation costs or other related services which are approved by the commissioner as necessary because of extraordinary traffic hazards for the current fiscal year.

Sec. 4. Minnesota Statutes 1978, Section 275.125, Subdivision 5a, is amended to read:

Sec. 14. Minnesota Statutes 1978, Chapter 121, is amended by adding a section to read:

[121.935] [REGIONAL MANAGEMENT INFORMATION CENTERS.] *Subdivision 1. [CREATION.] Any group of two or more independent, special or common school districts may with the approval of the state board pursuant to sections 10 and 16 create a regional management information center pursuant to section 123.58 or 471.59 to provide computer services to school districts. A regional management information center which is not in existence on July 1, 1979 shall not come into existence until the first July 1 of an odd-numbered year after its creation is approved by the state board or until it can be accommodated by state appropriations, whichever occurs first.*

Subd. 2. [DUTIES.] Every regional management information center shall:

(a) Assist its affiliated districts in complying with the reporting requirements of the annual data acquisition calendar and the rules of the state board of education;

(b) Respond within 15 calendar days to requests from the department for information based on the data elements in the data element dictionary;

(c) Operate financial management information systems consistent with the uniform financial accounting and reporting standards for Minnesota school districts adopted by the state board pursuant to sections 121.90 to 121.92;

(d) Make available to districts the opportunity to participate fully in all the subsystems of ESV-IS;

(e) Before July 1, 1981, develop a plan for the provision of services during a system failure or a disaster; and

(f) Beginning in 1981, comply with the requirement in section 121.908, subdivision 2, on behalf of districts affiliated with it.

Subd. 3. [ANNUAL PLANS AND BUDGETS.] No regional management information center may expend funds for administrative or management computer activities unless it receives state board approval of an annual plan, budget and financial report for these activities pursuant to sections 10 and 16. The annual budget and financial report shall be in a common format specified by the department and approved by the department of finance for all regional management information centers and shall conform to the uniform financial accounting and reporting standards for school districts. The annual financial report shall be accompanied by a summary statement of the accounting by district of resources consumed in support of the ESV-IS subsystems and any other management information systems.

Subd. 4. [BIENNIAL BUDGET ESTIMATES.] Every regional management information center shall submit to the department by July of each even-numbered year a biennial budget estimate for its administrative and management computer activities. The biennial budget estimates shall be in a program budget format and shall include all estimated and actual revenues, expenditures, and fund balances of the center for the appropriate fiscal years. Budget forms developed pursuant to section 16A.10 may be used for these estimates. The department of education shall assemble this budget information into a supplemental biennial budget summary for the statewide elementary, secondary, and vocational management information system. Copies of this supplemental biennial budget summary shall be provided to the ESV computer council and the department of finance, and shall be available to the legislature upon request.

Subd. 5. [REGIONAL SUBSIDIES.] In any year when a regional management information center's annual plan and budget are approved pursuant to subdivision 3, the center shall receive a regional reporting subsidy grant from the department of education. The subsidy grant shall be in the amount allocated by the state board in the process of approving the annual budgets of the regional management information centers pursuant to subdivision 3. The amounts of the subsidy grants and an explanation of the allocation decisions shall be filed by the state board with the committees on education and finance of the senate and the committees on education and appropriations of the house of representatives.

For subsidy grants for fiscal year 1981 and for each fiscal year thereafter, the state board is encouraged to recognize that the diversity of regional management information centers precludes a formula-based allocation of subsidy grants, to promote equity and access to regional services in the allocation process, and to consider the following factors:

(a) The number of students in districts affiliated with the center;

(b) *The number of districts affiliated with the center;*

(c) *Fixed and overhead costs to be incurred in operating the regional center, the finance subsystem, the payroll/personnel subsystem, and the student support subsystem;*

(d) *Variable costs to be incurred which differ in proportion to the number of districts served and the number of subsystems implemented for those districts;*

(e) *Services provided to districts which enable the districts to meet state reporting requirements;*

(f) *The cost of meeting the reporting requirements of subdivision 2 for districts using approved alternative management information systems; and*

(g) *The number of districts affiliated with a regional management information center in relation to the geographic area occupied by those districts.*

Subd. 6 [FEES.] Regional management information centers may charge fees to affiliated districts. A district which submits financial transactions to the center in summary form pursuant to section 15, subdivision 1, or which uses an approved alternative financial management information system pursuant to section 15, subdivisions 2 to 4, may apply to the commissioner to set the fee if the district and the center cannot agree on a fee. The commissioner shall issue an order setting the fee, which shall be binding on both the center and the district.

Sec. 15. Minnesota Statutes 1978, Chapter 121, is amended by adding a section to read:

[121.936] [SCHOOL DISTRICT MANAGEMENT INFORMATION SYSTEMS.] *Subdivision 1. [MANDATORY PARTICIPATION.] (a) By July 1, 1980, every district shall perform financial accounting and reporting operations on a financial management accounting and reporting system utilizing multi-dimensional accounts and records defined in accordance with the uniform financial accounting and reporting standards adopted by the state board pursuant to sections 121.90 to 121.92.*

(b) *By July 1, 1980, every school district shall be affiliated with one and only one regional management information center. This affiliation shall include at least the following components:*

(1) *The center shall provide reports to the department of education for the district to the extent required by the data acquisition calendar;*

(2) *The district shall use the ESV-IS finance subsystem through the center to process every detailed financial transaction of the district.*

Notwithstanding the foregoing, a district with 3,000 or fewer pupils in average daily membership as defined in section 124.17, subdivision 2, may submit its financial transactions to the center for processing in summary form if before July 1, 1980, the planned form of the district's submission of its transactions and the conformance of the district's financial accounting and reporting system to the uniform financial accounting and reporting standards adopted by the state board pursuant to sections 121.90 to 121.92 are approved by the following team: the director of school financial management in the department of education, and the director of management information services and the coordinator for the ESV-IS finance subsystem for the Minnesota educational computing consortium.

(c) *The provisions of this subdivision shall not be construed to prohibit a district from purchasing services other than those described in clause (b) from a center other than the center with which it is affiliated pursuant to clause (b).*

Subd. 2. [ALTERNATIVE FINANCIAL MANAGEMENT INFORMATION SYSTEMS.] *After July 1, 1980 a district may be exempted from the requirement in subdivision 1, clause (b) (2), if it receives the approval of the state board to use an alternative financial management information system. A district permitted before July 1, 1980, to submit its financial transactions in summary form to a regional management information center pursuant to subdivision 1 may continue to submit transactions in the approved form without obtaining the approval of the state board pursuant to this subdivision. Any district desiring to use an alternative system shall submit a detailed proposal to the state board, the ESV computer council and the regional management information center with which it is affiliated. The detailed proposal shall include a statement of all costs to the district, regional management information center or state for software development or operational services needed to provide data to the regional management information center pursuant to the data acquisition calendar.*

Subd. 3. [ALTERNATIVE FINANCIAL MANAGEMENT INFORMATION SYSTEMS; EVALUATION.] *The regional management information center shall evaluate the district proposal according to the approval criteria in section 16, subdivision 1. The regional management information center shall submit its evaluation of the district proposal to the state board and the ESV computer council for their consideration in evaluating the proposal.*

The ESV computer council shall evaluate the district proposal for cost effectiveness and conformance to the systems architecture plan, the long range plan, and the uniform financial ac-

counting and reporting standards adopted by the state board pursuant to sections 121.90 to 121.92. Upon completion of the evaluation, the ESV computer council shall recommend to the state board that it (a) approve the proposal, (b) disapprove the proposal, or (c) approve the proposal if it is modified by the district in ways which are specified by the council.

Subd. 4. [ALTERNATIVE SYSTEMS; STATE BOARD.] Upon approval of the proposal by the state board the district may proceed in accordance with its approved proposal. Except as provided in section 10, subdivision 5, an alternative system approved pursuant to this subdivision shall be developed and purchased at the expense of the district. A district which has submitted a proposal for an alternative system which has been disapproved may not submit another proposal for that fiscal year, but it may submit a proposal for the subsequent fiscal year.

Subd. 5. [REPORT TO LEGISLATURE.] The department shall report to the legislature in the biennial budget on the number and status of districts which have received approval to operate alternative systems.

Subd. 6. [APPROVED EXPENDITURES.] A district may not expend funds for administrative or management computer activities without state board approval except for the payment of fees to regional management information centers.

Sec. 16. Minnesota Statutes 1978, Chapter 121, is amended by adding a section to read:

ARTICLE VIII

RESEARCH AND DEVELOPMENT

Section 1. [PURPOSE.] The legislature of the state of Minnesota recognizes the long standing tradition and commitment of the people of this state to quality in education. This commitment has required a growing and unprecedented expenditure of public funds. As these expenditures continue to grow, it becomes necessary to insure that the expectations and priorities of the people of Minnesota for education continue to be met. One of the most effective means of maintaining and improving quality in public education, as in business, industry, science and medicine, is through research and development. Research and development in education makes it possible for those concerned to find answers to questions of educational importance, develop improved measures for education and create new responses to address future problems. Presently, however, only a small fraction of one percent of the total revenues spent on public education is allocated for research and development. The purpose of this article is to encourage research and development programs at the local school district level.

Sec. 2. Subdivision 1. For the 1980-1981 and 1981-1982 school years, the state board of education, with the approval of the governor after consultation with the legislative advisory commission in the manner provided in section 3.30, shall make up to 15 grants to school districts to engage in educational research and development. Districts are encouraged, but are not limited, to conduct educational research and development in the following areas:

(1) *Review of school district purposes and priorities for education;*

(2) *Programs encouraging the development of local citizen task forces on educational issues;*

(3) *Programs in preventive education and basic living skills;*

(4) *Developing programs which emphasize the purpose and results of education for the effective development of the child, including programs which focus on the importance of the home environment, the behavior of parents and family members in promoting the total development of the child, and programs which focus on the responsibility of parents as teachers and on membership in a family as a career; and*

(5) *Developing uses for computerized instruction, cable television and other innovations in media technology.*

The research may include a review of existing national and international research and may involve the cooperation of the private sector.

Subd. 2. Districts which wish to participate in the funded research and development shall submit a research and development proposal to the department of education no later than June 1 preceding the school year for which the research and development is proposed. Two or more districts may submit a joint proposal for cooperative research and development. A proposal may request funding for one year or two years. Districts are encouraged to establish offices of research and development with the grant funds and to coordinate the research and development grant received pursuant to this section with grants for research and development from other sources. The council on quality education shall provide technical assistance to the state board of education in evaluating proposals. Districts shall be notified of their participation in the funding no later than August 1 preceding the school year for which the research and development is proposed.

Subd. 3. The funds shall be as equally distributed as possible among districts in cities of the first class, in suburbs, and outside the seven county metropolitan area. Districts are encouraged to propose research and development which is district wide or statewide in its implementation.

Subd. 4. The department of education shall make a report to the legislature on the research and development conducted in accordance with this section before September 15, 1982.

Sec. 3. [APPROPRIATION; RESEARCH AND DEVELOPMENT PROGRAM.] *The sum of \$250,000 is appropriated*

from the general fund to the department of education for the fiscal year ending June 30, 1981 for the program authorized pursuant to sections 1 and 2 of this article. This appropriation is available until June 30, 1982.

Applications processed under this subdivision shall be either approved or disapproved by the commissioner within 90 days of the receipt of the application. For purposes of subdivision 1, the data which is the subject of the classification shall be deemed to be classified as set forth in the application for a period of 90 days, or until the application is disapproved or granted by the commissioner, whichever is earlier. If requested in the application, or determined to be necessary by the commissioner, the data in the application shall be so classified for all agencies, political subdivisions, or statewide systems similar to the applicant until the application is disapproved or granted by the commissioner, whichever is earlier. The Honorable Edward J. Gearty
President of the Senate

The Honorable Fred C. Norton
Speaker of the House of Representatives

We, the undersigned conferees for S. F. No. 129, report that we have agreed upon the items in dispute and recommend as follows:

That the House recede from its amendments and the bill be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Subdivision 1. An amendment to the Minnesota Constitution is proposed to the people as provided by subdivisions 2 and 3.

Subd. 2. If the amendment is adopted, article IV, sections 2 and 3 will read as follows:

Sec. 2 [APPORTIONMENT OF MEMBERS.] The number of members who compose the senate and house of representatives shall be prescribed by law. (THE REPRESENTATION IN BOTH HOUSES SHALL BE APPORTIONED EQUALLY THROUGHOUT THE DIFFERENT SECTIONS OF THE STATE IN PROPORTION TO THE POPULATION THEREOF.) *A law changing the number of senators or representatives shall be effective on January 1 of the next year ending in the number one following enactment of the law and shall govern general elections held under an apportionment plan that becomes effective after that date.*

Sec. 3. (AT ITS FIRST SESSION AFTER EACH ENUMERATION OF THE INHABITANTS OF THIS STATE

MADE BY THE AUTHORITY OF THE UNITED STATES, THE LEGISLATURE SHALL HAVE THE POWER TO PRESCRIBE THE BOUNDS OF CONGRESSIONAL AND LEGISLATIVE DISTRICTS. SENATORS SHALL BE CHOSEN BY SINGLE DISTRICTS OF CONVENIENT CONTIGUOUS TERRITORY. NO REPRESENTATIVE DISTRICT SHALL BE DIVIDED IN THE FORMATION OF A SENATE DISTRICT. THE SENATE DISTRICTS SHALL BE NUMBERED IN A REGULAR SERIES.) *The legislature shall not prescribe the boundaries for the districts of senators and representatives or for the districts of representatives in the congress of the United States.*

Subd. 3. If the amendment is adopted, a new article will be added to the constitution which will read as follows:

ARTICLE XV

REAPPORTIONMENT COMMISSION

Section 1. [REAPPORTIONMENT COMMISSION.] In each year ending in the number one, or when required by court order, a reapportionment commission shall be established to draw the boundaries of legislative and congressional districts.

The commission shall consist of nine members who are eligible voters of the state. One member shall be appointed by the speaker of the house and one by the members of the house representing political parties other than the party represented by the speaker. One member shall be appointed by the president of the senate and one by the members of the senate representing political parties other than the party represented by the president. Article IV, section 5 shall not apply to the appointment of these four members of the reapportionment commission. The term "political party" as used in this section shall have the meaning provided by law.

The remaining five members shall be appointed by unanimous agreement of the legislative appointees. The qualifications of these members shall be provided by law.

Members of the commission shall be appointed within the time provided by law but not later than March 15 when the commission is established in a year ending in the number one. The supreme court shall fill any vacancy caused by failure to appoint a member within the time required by law.

Sec. 2. [APPORTIONMENT STANDARDS.] The commission shall draw the boundaries of legislative and congressional districts in accordance with the requirements of this section. There shall be one district for each representative, senator and representative in congress. No state representative district shall be divided in the formation of a senate district.

All districts of the same kind shall be as equal in population as practicable. Population shall be the controlling factor in drawing the district boundaries.

The districts shall be composed of compact and contiguous territory. To the extent consistent with other standards, the boundaries of the districts shall follow the boundaries of local governmental units and, wherever practicable, natural and man-made physical boundaries. No apportionment plan shall be drawn for the purpose of favoring any person or political party.

Sec. 3. [APPORTIONMENT PLAN.] *The commission shall adopt an apportionment plan within the time provided by law but not later than December 1 when the commission is established in a year ending in the number one. The plan shall set forth all of the new legislative and congressional districts. An apportionment plan is adopted by the commission when it is approved by a vote of at least six of its members.*

Sec. 4. [EFFECTIVE DATE; ELECTIONS GOVERNED BY NEW DISTRICTS.] *An apportionment plan is effective when it is adopted and any judicial proceedings under section 5 have been completed. The districts set forth in an apportionment plan shall govern elections of state senators, state representatives and representatives in congress beginning with the first general election after the plan is effective.*

Sec. 5. [JUDICIAL REVIEW; COURT DRAWN PLAN.] *The supreme court shall exercise original jurisdiction in any matter relating to apportionment in the manner provided by law. If the commission fails to adopt an apportionment plan within the time provided by law the supreme court shall adopt its own plan in accordance with the requirements of section 2 of this article. If an apportionment plan for legislative districts is adopted by the supreme court later than April 1 of a general election year, the time for establishing residency for legislative candidates as set forth in article IV, section 6, is extended to either 45 days after the effective date of the plan or to the last day provided by law for filing for office at the general election, whichever is earlier.*

Sec. 6. [IMPLEMENTATION.] *The legislature may enact the laws necessary to implement this article provided that reapportionment shall be governed by the law in effect on January 1 of the year in which a reapportionment commission is established.*

Sec. 2. The amendment shall be submitted to the people at the 1980 general election. The question proposed shall be:

“Shall the Minnesota Constitution be amended to transfer from the legislature to a bipartisan commission the power to draw the boundaries of legislative and congressional districts?”

Yes

No”

Sec. 3. [2A.01] [CITATION.] Sections 3 to 14 may be cited as the “Reapportionment Implementation Act”.

Sec. 4. [2A.02] [APPOINTMENT.] Subdivision 1. For the purpose of Article XV, Section 1 of the Minnesota Constitution “political party” means the political party or political principle by which a legislator was designated on the general election ballot when the legislator was last elected.

Subd. 2. Not more than five members of the commission shall be residents of the metropolitan area as defined in section 473.121, subdivision 2 and not more than five shall be residents of the area consisting of the remainder of the state.

Subd. 3. Except for the members appointed pursuant to subdivision 5, no individual shall be appointed or shall serve as a member of the commission who:

(a) Holds or has held within two years prior to appointment an elected or appointed office in the executive, judicial or legislative branch or in an independent agency of the federal or state government;

(b) Is or has been within two years prior to appointment an officer of a campaign committee of a candidate for state or federal office or an officer of a political party other than a precinct officer;

(c) Is an employee of the legislature or congress;

(d) Is a member of the immediate family of a legislator or representative in congress. “Member of the immediate family” means father, mother, son, daughter, brother, sister, spouse, ex-spouse or member of the same household; or,

(e) Is or has been within two years prior to appointment a lobbyist as that term is defined by section 10A.01, subdivision 11.

Subd. 4. Except for members appointed pursuant to subdivision 5, no individual appointed as a member of the commission shall remain a member if he becomes a candidate for any elective state or federal office.

Subd. 5. Not later than January 15 of each year ending in the number one the secretary of state shall request the legislators who are authorized by the constitution to appoint members to serve on the commission to certify the names of their appointees. The representatives representing political parties other than the

party represented by the speaker of the house and the senators representing political parties other than the party represented by the president of the senate shall convene during the ten days following the request of the secretary of state, at a time and place directed by the secretary, to appoint members of the commission. The secretary of state shall preside at these conventions. The names of all legislative appointees shall be certified to the secretary of state not later than the following February 1. If a certification is not received within the required time, the secretary of state shall notify the chief justice of the supreme court that there is a vacancy on the commission. Within ten days after notification the supreme court shall fill the vacancy and certify the name of the appointee to the secretary of state.

Subd. 6. Not later than March 15 the commission members whose appointments have been certified pursuant to subdivision 5 shall appoint the five remaining members by unanimous agreement and certify the names to the secretary of state. When a certificate is not received within the required time, the secretary of state shall notify the chief justice that there is a vacancy. Within ten days after the notification the supreme court shall appoint the necessary number of members and certify their names to the secretary of state.

Subd. 7. Vacancies other than those resulting from a failure to appoint a member within the time provided by law shall be filled by the appointing authority that made the original appointment within five days after the vacancy occurs. If the vacancy is not filled within five days the supreme court shall fill the vacancy.

Sec. 5. [2A.03] [COMMENCEMENT OF DUTIES; MEETINGS.] Subdivision 1. The secretary of state shall select a time and place of the first meeting of the commission, which shall not be later than April 1 of the year ending in one, and shall notify the commission members of the time and place selected. Before beginning to exercise their official duties the members of the commission shall take an oath in the form required for other state officers. The secretary of state shall preside at the meeting until the election of a permanent presiding officer. The commission shall elect a presiding officer and other officers as it shall find necessary.

Subd. 2. The commission, after notice and opportunity for public comment, may adopt and publish procedures necessary to carry out its duties. Chapter 15 does not apply to these procedures.

Subd. 3. The commission shall meet upon the call of either the presiding officer or a majority of the members of the commission. The proceedings of the commission are open to the public. The commission shall give public notice of its proceedings and shall keep minutes and audio recordings of those proceed-

ings. All materials submitted to or developed by the commission, together with the minutes and audio record of its proceedings shall be preserved and made available for public inspection and copying. The commission may administer oaths to individuals appearing before it.

Subd. 4. A majority of the members of the commission constitutes a quorum to conduct business. At any meeting of the commission at which a quorum is present, a majority of those present may compel the attendance of absent members. The attendance of absent members may be compelled in the manner that either the senate or house of representatives provide for their members.

Sec. 6. [2A.04] [REMOVAL OF COMMISSION MEMBER.] Any member of the commission may be removed from the commission by the supreme court upon petition filed by any eligible voter. The member may be removed after a hearing and upon a finding by the supreme court, by a preponderance of the evidence, that the member:

(a) Has been convicted, during his membership, of a gross misdemeanor or felony;

(b) Is unqualified to serve under the provisions of section 4, subdivision 3 or 4;

(c) Is physically or mentally incapable of serving; or

(d) Is unwilling to serve.

It is prima facie evidence that a member is unwilling to serve if he fails to attend three successive meetings of the commission or fails to attend a total of six meetings of the commission. Upon removal, the position shall be filled in the manner provided for filling vacancies. An individual who is removed from the commission pursuant to this section may not be reappointed to the commission.

Sec. 7. [2A.05] [ADMINISTRATIVE SUPPORT.] The presiding officer of the commission shall supervise the staff of the commission. The secretary of state, commissioner of administration, attorney general and revisor of statutes shall make available the personnel, facilities, technical services and other assistance requested by the commission. The commission may employ or contract for the services of other staff personnel.

Sec. 8. [2A.06] [APPORTIONMENT PLAN.] Subdivision 1. An apportionment plan adopted by the commission shall include:

(f) An explanation of the standards used by the commission to draw the districts; and

(g) Any other information which the commission deems relevant to the plan.

Subd. 2. An apportionment plan shall be adopted not later than September 1 of the year in which the commission is established. When an apportionment plan adopted by the commission is remanded by the supreme court or by a federal court, the commission shall adopt an amended plan consistent with the finding of the court not later than 30 days after the original plan is remanded.

Subd. 3. The commission shall file the original or any amended plan with the secretary of state within five days of its adoption.

Subd. 4. Any commission members in the minority may prepare a minority report which shall be published with the plan adopted by the commission.

Sec. 9. [2A.07] [COURT ORDER OR CHANGE IN CONGRESSIONAL REPRESENTATION.] *Subdivision 1. When a commission is not otherwise constituted and either the number of the state's representatives in congress is changed by federal law or a federal court order requires adoption or amendment of an original apportionment plan, a commission shall be established and shall draw the congressional district boundaries or amend the plan.*

Subd. 2. The supreme court shall set a timetable for establishing a reapportionment commission and drawing the boundaries or amending the plan. The timetable shall be consistent with

the time provided for adoption of an apportionment plan pursuant to section 8, subdivision 2, as far as practicable.

Sec. 10. [2A.08] [COMPENSATION.] *Members of the commission who are not paid a salary by the state shall be compensated at the rate provided by section 15.059, subdivision 3, for members of advisory councils and committees. Members shall be compensated for their actual and necessary expenses incurred in carrying out their duties on the commission in the same manner and amount as other state employees.*

Sec. 11. [2A.09] [DISSOLUTION.] *The commission shall conclude its business and dissolve when:*

(a) *30 days have passed from the adoption of an original, unamended apportionment plan without the filing of any petition for review by the supreme court and all legal actions concerning the plan which are known at that time have been decided; or*

(b) *The commission has adopted an amended apportionment plan after remand by a court and has completed its duties under section 12; or*

(c) *The commission has failed to adopt a plan or amended plan within the time required by law.*

The conclusion of business shall include preparation of the official record of the commission and a financial statement disclosing all expenditures made by the commission. The official record shall contain all information developed by the commission pursuant to carrying out its duties including records of public hearings, data collected, minutes and audio recordings of hearings and meetings, and other information of a similar nature. The official record shall be submitted to the secretary of state who shall provide for its preservation.

Sec. 12. [2A.10] [PUBLICATION OF REPORT.] *Subdivision 1. Promptly after the adoption of an apportionment plan the commission shall:*

(a) *Prepare and transmit a copy of the plan to each county auditor;*

Sec. 13. [2A.11] [JUDICIAL REVIEW.] *Subdivision 1. An action to review an original or amended apportionment plan adopted by the reapportionment commission shall be commenced by petition to the supreme court within 30 days of the date the plan is filed with the secretary of state. The petition shall set forth the facts and the law on the basis of which petitioner believes the plan does not comply with the provisions of the United States Constitution, the Minnesota Constitution or other provisions of law. A copy of the petition shall be served upon the commission and upon the attorney general. The court shall hold hearings upon the petition and shall render its opinion on an original unamended plan of the commission within 60 days of the date that the petition to review the plan is filed. If the court retains jurisdiction of an action to review an apportionment plan when the plan is remanded to the commission, the court shall render its opinion on any amended plan within 30 days after the date the amended plan is filed with the secretary of state.

Subd. 3. If a federal court finds that an original unamended plan of the reapportionment commission is invalid because it does not comply with constitutional or legal requirements, and the court permits the commission to redraw the boundaries with consideration to the court's findings and conclusions, the plan shall be remanded to the commission for amendment.

Subd. 4. If the commission fails to adopt an apportionment plan or an amended plan within the time provided by law, or an amended plan adopted by the commission is found invalid upon review by the supreme court or by any federal court, the supreme

Sec. 14. [2A.12] [DUTIES OF ATTORNEY GENERAL.]

The attorney general shall represent the commission and shall defend the apportionment plan adopted by the commission in any action to review the plan in the supreme court. He shall represent the state and shall defend the apportionment plan adopted pursuant to Article XV of the Minnesota Constitution and sections 3 to 14 in any action to review the plan in a federal court. [PURPOSE.] *The purpose of the regional railroad authorities act is to provide a means whereby counties, with state and federal aids as may be available, may provide for the preservation and improvement of local rail service for agriculture, industry, or passenger traffic when determined to be practicable and necessary for the public welfare, particularly in the case of abandonment of local rail lines.*

Sec. 3. [ORGANIZATION OF AUTHORITY.] *Subdivision 1. [ORGANIZATION RESOLUTION.] A regional railroad authority may be organized by resolution or joint resolution adopted by the governing body or bodies of one or more counties, providing and stating:*

(a) *That the authority is organized under the regional railroad authorities act as a political subdivision and local government unit of Minnesota, to exercise thereunder part of the sovereign power of the state;*

(b) *The name of the authority, including the words "regional railroad authority";*

Subd. 2. [HEARING.] *Before final adoption of an organization resolution, the governing body of each county named in it shall provide for a public hearing upon notice published in the official county newspaper and mailed to the governing body of each municipality in the county, at least 30 days before the hearing. The hearing may be adjourned from time to time, to a time and place publicly announced at the hearing, or to a time and place fixed by notice published in the official county newspaper at least ten days before the adjourned session. Subd. 3. [CERTIFICATE OF INCORPORATION.] A copy of the organization resolution, certified by the recording officer of each county adopting it, shall be filed with the secretary of state, who shall issue a certificate of incorporation if the resolution conforms to the requirements of this section, stating in the certificate the name of the authority and the date of its incorporation, which shall be the date of acceptance for filing. The certificate of incorporation shall be conclusive evidence of the valid organization and existence of the authority.

Subd. 4. All other amendments shall take effect upon filing with the secretary of state and issuance of an amended certificate of incorporation in the same manner as provided for the organization resolution.

Subd. 5. [BOARD OF COMMISSIONERS.] All powers granted to an authority shall be exercised by its board of commissioners. Commissioners shall be appointed and vacancies in their office shall be filled by the governing body of each county named in the organization resolution, in accordance with the provisions of that resolution. The term of each commissioner shall be one year, or the remainder of the one year term for which a vacancy is filled, and until a successor is appointed. Commissioners shall receive no compensation for services but shall be reimbursed for necessary expenses incurred in the performance of their duties.

Subd. 6. [MEETINGS AND ACTIONS.] The board of commissioner shall by resolution establish the time and place or places of its regular meetings and the method and notice required for calling special meetings, all of which shall be open to the public. A majority of the commissioners being present at a meeting, any action may be taken by resolution or motion adopted by recorded vote of a majority of those present, unless a larger majority is required by bylaws adopted by the board.

Subd. 7. [OFFICERS AND EMPLOYEES.] The board of commissioners shall appoint a chairman, vice chairman, secretary, and treasurer from its members, each to serve for a term of one year and until a successor is appointed. The offices of secretary and treasurer may be combined, and deputies or assistants may be appointed for either office or the combined office, from members of the board or otherwise. The powers and duties of each office shall be determined by the board, which shall require and pay for a surety bond for each officer handling funds. The board shall provide for the keeping of a full and accurate record of all proceedings and of resolutions, regulations, and orders issued or adopted; the state auditor shall, as time and resources permit, annually audit the books of said regional railroad authority. The board may appoint an executive director and other officers, fix their compensation, and delegate to them the powers and duties, as it may determine. It may also employ, or authorize the executive director to employ, all other employees, consultants, and agents needed to perform its duties and exercise its powers. Minnesota Statutes, Chapter 353 shall apply to all salaried employees.

Sec. 4. [POWERS.] Subdivision 1. [GENERAL.] An authority may exercise all the powers necessary or desirable to implement the powers specifically granted in this section, and in exercising the powers is deemed to be performing an essential governmental function and exercising a part of the sovereign power of the state, and is a local government unit and political subdivision of the state. Without limiting the generality of the foregoing, the authority may:

(a) Sue and be sued, have a seal, which may but need not be affixed to documents as directed by the board, make and perform contracts, and have perpetual succession;

(b) Acquire real and personal property within or outside its taxing jurisdiction, by purchase, gift, devise, condemnation, conditional sale, lease, lease purchase, or otherwise; and

(c) Hold, manage, control, sell, convey, lease, mortgage, or otherwise dispose of real or personal property.

Subd. 2. [RAILROAD ACQUISITION AND OPERATION.] The authority may plan, establish, acquire, develop, construct, purchase, enlarge, extend, improve, maintain, equip, operate, regulate, and protect railroads and railroad facilities, including but not limited to terminal buildings, roadways, crossings, bridges, causeways, tunnels, equipment, and rolling stock.

Subd. 3. [PERMITS.] The authority may apply to any public agency for permits, consents, authorizations, and approvals required for any project and take all actions necessary to comply with their conditions.

Subd. 4. [EMINENT DOMAIN.] *The authority shall have all powers granted to a political subdivision in Minnesota Statutes, Chapter 117 for the acquisition of property for a public purpose, except that it shall have no power of eminent domain with respect to property owned by another authority or political subdivision of Minnesota or any other state, or with respect to property owned or used by a railroad corporation unless the Interstate Commerce Commission, or another authority with power to make the finding, has found that the public convenience and necessity permit discontinuance of rail service on the property. All property taken for the exercise of the powers granted herein is declared to be taken for a public governmental purpose and as a matter of public necessity.*

Subd. 5. [FUNDS.] *The authority may establish charges and rentals for the use, sale, and availability of its property and service and may hold, use, dispose of, invest, and reinvest the income, revenues, and funds derived therefrom. Subject to any agreement with bondholders, it may invest money not required for immediate use, including bond proceeds, in the securities it shall deem prudent, notwithstanding the provisions of any other law relating to the investment of public funds.*

Subd. 6. [INSURANCE AND INDEMNITY.] *The authority shall be subject to tort liability to the extent provided in Minnesota Statutes, Chapter 466 and may procure insurance against the liability, and may indemnify and purchase and maintain insurance on behalf of any of its commissioners, officers, employees, or agents, in connection with any threatened, pending, or completed action, suit, or proceeding, as provided in Minnesota Statutes, Chapter 466, and to the same extent and in the same manner and with the same force and effect as provided in the case of a private corporation by Minnesota Statutes, Section 300.082. It may also procure insurance against loss of or damage to property in the amounts, by reason of the risks, and from the insurers as it deems prudent.*

Subd. 7. [GRANTS.] *The authority may accept, contract for, and receive and disburse federal, state, and other funds or property, public or private, made available by grant, loan, or lease, to be used in the exercise of any of its powers, and may comply with the terms and conditions of the grant or loan.*

Subd. 8. [TAXATION.] *Before deciding to exercise the power to tax, the authority shall give six weeks published notice in all counties in the region. If a number of voters in the region equal to five percent of those who voted for candidates for governor at the last gubernatorial election present a petition within nine weeks of the first published notice to the secretary of state requesting that the matter be submitted to popular vote, it shall be submitted at the next general election. The question prepared shall be:*

“Shall the regional rail authority have the power to impose a property tax?”

Yes

No”

If a majority of those voting on the question approve or if no petition is presented within the prescribed time the authority may thereafter levy a tax at any annual rate not exceeding four mills on the assessed valuation of all taxable property situated within the county or counties named in its organization resolution. Its recording officer shall file in the office of the county auditor of each county a certified copy of the board of commissioners' resolution levying the tax, and each county auditor shall assess and extend upon the tax rolls the portion of the tax that bears the same ratio to the whole amount that the assessed valuation of taxable property in that county bears to the assessed value of taxable property in all counties named in the organization resolution. Collections of the tax shall be remitted by each county treasurer to the treasurer of the authority.

Subd. 9. [MUNICIPAL AGREEMENTS.] The authority may enter into agreements with the county or counties named in the organization agreement, or with other municipalities situated in the counties, respecting the matters referred to in section 6.

Subd. 10. [BONDS.] The authority may issue bonds in the manner and upon the conditions provided in section 7.

Subd. 11. [CONTRACTS FOR OPERATION AND USE OF FACILITIES.] The authority may enter into contracts including leases with any person, firm, or corporation, for terms the authority may determine:

(a) Providing for the operation of any facilities on behalf of the authority, at the rate of compensation as may be determined;

(b) Leasing a rail line for operation by the lessee or any facility or space therein for other commercial purposes, at rentals as may be determined, but no person may be authorized to operate a rail line other than as a common carrier;

(c) Granting the privilege, for compensation as the authority shall determine, of supplying goods, commodities, services, or facilities along rail lines or in or upon other property; and

(d) Making available services furnished by the authority or its agents, at charges, rentals, or fees which shall be reasonable and uniform for the same class of privilege or service.

Sec. 5. [TAX EXEMPTION.] *The property and income of an authority shall be exempt from all taxation, except that Minnesota Statutes, Sections 272.01, Subdivision 2, and 273.19 shall apply to any use or lease of the property, other than operation of a railroad line by a railroad company.*

Sec. 6. [MUNICIPAL POWERS.] Subdivision 1. [GENERAL.] *Any county named in the organization resolution of an authority, and any other municipality situated within a named county, may exercise the powers granted in this section, in aid or in consideration of the exercise of the authority's powers in ways which are determined by the governing body of the municipality to be for the benefit and welfare of its citizens.*

Subd. 2. [LOANS AND DONATIONS.] *The municipality may lend or donate money to the authority and may levy taxes, appropriate money, and issue bonds for that purpose in the manner and within the limitations prescribed by law, including but not limited to Minnesota Statutes, Chapters 275 and 475.*

Subd. 3. [JOINT ACTION.] *The municipality may enter into an agreement with the authority respecting the joint exercise of their powers pursuant to Minnesota Statutes, Section 471.59.*

Subd. 4. [PUBLIC IMPROVEMENTS.] *The municipality may cause water, sewer, storm sewer, drainage, street, highway and sidewalk, or other public improvements to be furnished adjacent to or in connection with property of the authority; but the property shall be exempt from special assessment as in the case of highway rights of way pursuant to Minnesota Statutes, Section 435.19.*

Subd. 5. [CONVEYANCE OF PROPERTY.] *The municipality may dedicate, sell, convey, or lease to the authority its interest in any property and may grant easements, licenses, and other rights in it to the authority.*

Sec. 7. [BONDS.] Subdivision 1. [AUTHORIZATION.] *An authority may from time to time issue bonds, or other obligations however designated, in principal amounts as it shall deem necessary to fulfill its purpose and to exercise any of its powers, to provide funds for operating expenses in anticipation of revenues of the current year, or for capital expenditures in anticipation of the issuance of long term bonds or the receipt of a grant or loan of state or federal funds, to refund the principal of or interest or redemption premiums on outstanding bonds whether or not the amounts refunded have become due and payable, to establish or increase reserves to secure the payment of bonds or interest on them, and to pay costs and expenses of the issuance of the bonds.*

Subd. 2. [SECURITY.] Bonds may be made payable exclusively from the revenues from one or more projects, or from one or more revenue producing contracts, or from the authority's revenues generally, and may be additionally secured by a pledge of any grant, subsidy, or contribution from any public agency or any income or revenues from any source. They may be secured by a mortgage or deed of trust of the whole or any part of the property of the authority. They shall be payable solely from the revenues, funds, and property pledged or mortgaged for their payment. No commissioner, officer, employee, agent, or trustee of the authority shall be liable personally on its bonds or be subject to any personal liability or accountability by reason of their issuance. Neither the state nor a county or other municipality except the authority may pledge its faith and credit or taxing power or shall be obligated in any manner for the payment of the bonds or interest on them; but nothing herein shall affect the obligation of the state or municipality to perform any contract made by it with the authority, and when the authority's rights under a contract with the state or a municipality are pledged by the authority for the security of its bonds, the holders or a bond trustee may enforce the rights as a third party beneficiary. All bonds shall be negotiable within the meaning and for the purposes of the uniform commercial code, subject only to any registration requirement.

Subd. 3. [BOND RESOLUTION OR INDENTURE.] Bonds of the authority shall be authorized by resolutions of its board of commissioners which may set forth, or may authorize and direct the execution of an indenture or security agreement with a corporate trustee setting forth, the terms and conditions thereof, the covenants and agreements entered into by the authority for their security, the real and personal property, if any, which is mortgaged or pledged for their further security, the rights and duties of the trustee, if any, and the manner of and conditions for adoption of amending or supplemental resolutions or indentures. Covenants may be made regarding:

(a) The custody, collection, securing, investment, reinvestment, and disbursement of bond proceeds and any revenues with respect to which the authority has any right or interest;

(b) The purposes to which the proceeds shall be applied, and the pledge of the proceeds, until so applied, to secure the payment of the bonds and interest thereon;

(c) The rentals, rates, or charges to be established for use and availability of the authority's property or service;

(d) The establishment of funds or accounts for the disbursement of proceeds, the segregation of revenues, and the debt service and reserve requirements of the bonds;

(e) *The conditions for the issuance of any additional bonds and the refunding of outstanding bonds and the terms upon which additional bonds may be issued and secured;*

(f) *The priority of any bonds with respect to any pledge of revenues, mortgage, or security interest;*

(g) *The operation and maintenance of any property, the revenues of which are pledged;*

(h) *The custody of any of the authority's property or investments, its safekeeping, the kinds of securities in which funds may be invested and reinvested, the insurance to be carried on property and against liability, and the use and disposition of insurance proceeds;*

(i) *The vesting in a corporate trustee, within or outside the state, and successors and individual cotrustees as may be provided for, of funds and properties and trust rights and power as the authority may determine, and the limitation of the rights, powers, duties, and obligations of the trustees;*

(j) *The appointment of any paying agent within or outside the state; and*

(k) *Any other matter reasonably related to the security of the bonds.*

Subd. 4. [SALE.] *Bonds may be issued and sold in one or more series, at public and private sale, at the price, bearing the date or dates, maturing at the time or times, bearing interest at the rate or rates, in the denominations, in the form whether coupon or registered, with the privileges of conversion, exchange, and registration of transfer, having the rank or priority, to be executed on behalf of the authority by the officers and other persons, to be subject to the terms of redemption with or without premium, and to contain or be subject to the other terms the resolution, indenture, or security agreement may provide, and shall not be restricted by any other law limiting the amount, maturities, interest rates, purchase price, or other terms of obligations of public agencies or municipalities.*

Subd. 5. [RECITALS.] *The authority shall be estopped to deny the correctness of any recital in any bond or any certificate given by direction of the authority, that it has been issued pursuant to the provisions and for the purposes of the regional railroad authorities act, and that all conditions precedent to the issuance exist or have been performed.*

Subd. 6. [BONDS AS INVESTMENTS AND SECURITY FOR DEPOSITS.] *Notwithstanding any other law, the state of Minnesota and all its public officers, governmental units,*

agencies, and instrumentalities, all banks, trust companies, savings banks and institutions, building and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, money, or other funds belonging to them or within their control in any bonds or other obligations issued pursuant to this section, and the bonds or obligations may be pledged as security for any public deposits.

Sec. 8. [EMPLOYMENT PREFERENCE.] *Individuals who have been previously employed by railroads, any part of whose property or assets are acquired pursuant to this act, shall have priority, based upon their length of service with that railroad, in employment with a purchasing carrier or other operator of a railroad incorporating that property or those assets.*

Sec. 9. [CONSTRUCTION.] *Sections 1 to 8 shall be construed liberally to effectuate their legislative intent and purpose, as complete and independent authority for the performance of every act and thing authorized, and all powers granted shall be broadly interpreted to effectuate this intent and purpose and not as a limitation of powers. In the event of any conflict or inconsistency with any other law or charter provision, the provisions of sections 1 to 8 shall prevail.*

Sec. 10. Minnesota Statutes 1978, Section 270.12, Subdivision 3, is amended to read:

Subd. 3. *For taxes levied in 1980 and 1981, when a taxing jurisdiction lies in two or more counties, and the sales ratio studies prepared by the department of revenue show that the average level of assessment in the several portions of the district in the different counties differs by more than (TEN) 20 percent, the board (MAY) shall order that the levy of the taxing jurisdiction be apportioned among the portions in the different counties in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value, as determined by the equalization aid review committee, of the taxing jurisdiction; if the studies show that the level differs by more than five percent, the board may order the apportionment of the levy. For taxes levied in 1982 and thereafter, if the studies show that the level differs by more than five percent, the board shall order the apportionment of the levy.*

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following November 15.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

Sec. 11. *This act is effective the day after final enactment.*"

"Section 1. Minnesota Statutes 1978, Section 327.43, Subdivision 1, is amended to read:

327.43 [ENTRANCE AND TRANSFER FEES PROHIBITED; SECURITY DEPOSITS LIMITED.] Subdivision 1. No fee other than the periodic rental payment specified in the lease or rental agreement may be charged to a mobile home park tenant or prospective tenant or *any agent of a tenant or prospective tenant* for the right to obtain or retain a space or lot, provided that a lessor may impose a reasonable charge for goods and services actually furnished by or at his expense in setting up a mobile home on a space or lot.

Sec. 2. Minnesota Statutes, 1979 Supplement, Section 327.43, Subdivision 2, is amended to read:

Subd. 2. No lessor shall deny any mobile home park tenant the right to sell said tenant's mobile home within the park or require the tenant to remove the mobile home from the park solely on the basis of the sale thereof unless the home is more than 15

years old. The lessor may reserve the right to approve the purchaser of said mobile home as a tenant, but such permission may not be unreasonably withheld, and the lessor shall not exact a commission or fee with respect to the price realized by the seller unless the lessor has acted as agent for the seller in the sale pursuant to a written contract. *The rights of a tenant as provided in this subdivision shall also extend to any party holding a security interest in the tenant's mobile home who chooses to exercise its rights under a security agreement to repossess and sell the mobile home and who so notifies the lessor in writing. Temporary vacancy of a mobile home during a period not to exceed 90 days when the mobile home is being sold shall not be cause for removal so long as the mobile home is maintained in a manner consistent with the reasonable regulations of the mobile home park.*

Sec. 3. Minnesota Statutes, 1979 Supplement, Section 327.44, is amended to read:

327.44 [TERMINATION FOR CAUSE.] A lessor may recover possession of land upon which an occupied mobile home is situated only if:

(a) The tenant fails to comply with a local ordinance or state law or regulation relating to mobile homes within the time the ordinance, law or regulation provides or, if no time is provided, within a reasonable time after the tenant has received written notice of noncompliance;

(b) The tenant fails to comply with the terms and conditions of the lease or rental agreement within 30 days after the tenant has received written notice of the alleged noncompliance except the 30 day notice shall not apply to nonpayment of rent;

(c) The owner voluntarily ceases to operate as a park all or the part of the mobile home park occupied by the tenant, and the tenant has received six months written notice of the planned cessation of operation;

(d) The tenant conducts himself upon the mobile home park premises in a manner which substantially annoys or endangers the health or safety of other tenants or causes substantial damage to the mobile home park premises and has received 30 days written notice to vacate, except the park owner may require the tenant to vacate immediately if the tenant violates this clause a second or subsequent time after receipt of the notice;

(e) The mobile home park owner intends to make improvements to the mobile home park premises which necessitate removal of the tenant's mobile home from the park and the tenant has received 90 days' written notice; or

(f) (A LEASE OF A TERM OF AT LEAST ONE YEAR EXPIRES AND THE LESSOR SEEKS TO RECOVER POSSESSION WITHIN 15 DAYS AFTER EXPIRATION.) *The lessor seeking to recover possession on grounds of nonpayment of rent or utilities gives ten days written notice to the tenant, and to any party holding a security interest in the mobile home known to the lessor, to pay the amounts then owing and cure the default. If neither the tenant nor the secured party cures within ten days from receipt of notice, the lessor may commence legal proceedings to recover possession.*

Any third party sustaining injuries within the terms of the bond may proceed against the principal and surety without making the state a party to such proceedings. Provided, however, that the aggregate liability of the surety to all such persons for all such losses or damages shall in no event, exceed the amount of such bond.

(4) *That the applicant has established a trust account as required by section 12, subdivision 2, unless the applicant intends to limit his business to selling, offering for sale, soliciting or advertising the sale of new mobile homes.*

A dealer shall deposit only trust funds in a trust account and shall not commingle personal funds or other funds in that account, except that a dealer may deposit and maintain a sum from his personal funds not to exceed \$100 in a trust account, which sum shall be specifically identified and used to pay service charges relating to the trust account.

At least 15 percent of the purchase price of the land shall be paid in cash at the time of purchase, and the balance in not to exceed 20 equal annual instalments, with interest at (THE RATE OF FOUR PERCENT PER ANNUM) a rate equal to the rate in effect at the time advertised for sale pursuant to section 47.20, subdivision 4 on the unpaid balance each year, both principal and interest to become due and payable on December 31 each year following that in which the purchase was made. The purchaser may pay any number of instalments of principal and interest on or before their due date. When the sale is on terms other than for cash in full the purchaser shall receive from the county auditor a contract for deed, in such form as shall be prescribed by the attorney general. The county auditor shall make a report to the commissioner of natural resources not more than 30 days after each public sale, showing the lands sold at such sales, and submit a copy of each contract of sale.

All lands sold pursuant to the provisions hereof shall, on the second day of January following the date of such sale, be restored to the tax rolls and become subject to taxation in the same manner as the same were assessed and taxed before becoming the absolute property of the state.

Sec. 5. Minnesota Statutes 1978, Section 282.222, Subdivision 4, is amended to read:

Subd. 4. [TERMS OF SALE.] All sales under sections 282.-221 to 282.226 shall be for cash or on the following terms: at least 15 percent of the purchase price shall be paid in cash at the time of the sale, and the balance thereof shall be paid in equal annual instalments over a period of 20 years, with interest at (THE RATE OF FOUR PERCENT PER ANNUM) a rate equal to the rate in effect at the time advertised for sale pursuant to section 47.20, subdivision 4, payable annually, on the portion from time to time remaining unpaid, with privilege of

prepayment of any instalment on any interest date. Sales on terms shall be evidenced by a certificate issued by the county auditor in such form as the attorney general shall prescribe, a copy of which shall be submitted to the commissioner of natural resources forthwith. The appraised value of all merchantable timber on such agricultural lands shall be paid for in cash in full at the time of sale. The county auditor shall report all sales to the commissioner of natural resources forthwith. Failure of the purchaser to make any payment of any instalment or of any interest required under any contract within six months from the date on which such payment shall become due, or to pay before they become delinquent all taxes that may be levied upon the land so purchased, shall constitute a default, and thereupon the contract shall be deemed canceled and all right, title, and interest of the purchaser, his heirs, representatives, or assigns in the premises shall terminate without the doing by the state of any act or thing whatsoever. A record of such default shall be made in the state land records kept by or under the direction of the commissioner of natural resources, and a certificate of such default may be made by or under the direction of the commissioner and filed with the county treasurer or recorded in the office of the county recorder of the county in which the premises are situated. Any such record or certificate shall be prima facie evidence of the facts therein stated, but the making of such record or certificate shall not be essential to the taking effect of such cancelation and termination, and thereupon the land described in the contract shall be subject to disposition as provided in this section, upon first having been reclassified and reappraised as provided by section 282.221. The county auditor shall report any such default to the commissioner of natural resources on or before June 30th of each year.

Sec. 6. Minnesota Statutes 1978, Section 282.261, is amended to read:

282.261 [DOWN PAYMENT.] A person repurchasing under section 282.241 shall pay at the time of repurchase not less than one-tenth of such repurchase price and shall pay the balance in ten equal annual instalments, with the privilege of paying the unpaid balance in full at any time, with interest at (THE RATE OF FOUR PERCENT) *a rate equal to the rate in effect at the time advertised for sale pursuant to section 47.20, subdivision 4*, on the balance remaining unpaid each year, the first instalment of principal and interest to become due and payable on December 31 of the year following the year in which the repurchase was made, the remaining instalments to become due and payable on December 31 of each year thereafter until fully paid. He shall pay the current taxes each year thereafter before the same shall become delinquent up to the time when he shall pay the repurchase price in full.

Sec. 7. Minnesota Statutes 1978, Section 282.35, Subdivision 2, is amended to read:

Subd. 2. [SPECIAL ASSESSMENTS TO BE REINSTAT-ED.] Upon the repurchase of land pursuant to subdivision 1 any special assessments heretofore canceled under sections 282.01 to 282.13, or any other law, shall be reinstated by the county auditor and any such special assessments so reinstated which are payable in the future shall be paid at the time and in the manner said special assessments would have been payable except for forfeiture, except that special assessments payable in 1943 shall be paid in full at the time of repurchase. The sum of such special assessments that would except for forfeiture have been levied and assessed against such land between the date of forfeiture and January 1, 1943, and payable before such date, shall be computed by the county auditor and included in the purchase price hereunder. When an application to repurchase a parcel of land under this section is made the county auditor shall compute and determine as in the case of omitted taxes, upon the basis of the assessed valuation of such parcel in effect at the time of forfeiture, the amount of taxes that would have been assessed and levied against such parcel between the date of forfeiture and the date of repurchase, and the amount so determined without penalties and costs, with interest at (FOUR PERCENT) *a rate equal to the rate in effect at the time advertised for sale pursuant to section 47.20, subdivision 4*, shall be included in the purchase price hereunder. When the term "delinquent taxes" is used in subdivision 1, it shall mean the sum of taxes and assessments without penalties or costs, with interest at four percent to the date of repurchase from the time such taxes and assessments became delinquent, accrued against a parcel at the time of forfeiture, and also the sum of taxes and assessments without penalties or costs, with interest at four percent to the date of repurchase from the time such taxes and assessments would have been delinquent that would have been levied and assessed against a parcel between the date of forfeiture and the date of repurchase, computed by the county auditor in the manner provided by this section. If the repurchase is made after May 1, the county auditor shall levy taxes for 1943 on the parcel as in the case of omitted taxes.

Sec. 8. Minnesota Statutes 1978, Section 282.35, Subdivision 3, is amended to read:

Subd. 3. [PAYMENTS TO BE MADE UNDER THIS SECTION.] A person repurchasing under subdivision 1 shall pay at the time of repurchase not less than one-tenth of such repurchase price and shall pay the balance in ten equal annual instalments, with the privilege of paying the unpaid balance in full at any time, with interest at (THE RATE OF FOUR PERCENT) *a rate equal to the rate in effect at the time advertised for sale pursuant to section 47.20, subdivision 4* on the balance remaining unpaid each year, the first instalment of principal and interest to become due and payable on December 31 of the year following the year in which the repurchase was made, the remaining instalments to become due and payable on December 31 of each year thereafter until fully paid. He shall

pay the current taxes each year thereafter before the same shall become delinquent up to the time when he shall pay the repurchase price in full."

Sec. 23. Minnesota Statutes 1978, Chapter 116H, is amended by adding a section to read:

[116H.31] **[DISTRICT HEATING LOANS.]** Subdivision 1. **[POLICIES.]** Developing and improving efficient and economical district heating systems is a public purpose for state financing and a proper function of state government. Climate and

geography make a reliable, economic supply of energy essential for industrial, commercial and residential heating. Imported supplies are increasingly costly, unreliable, and environmentally disadvantageous. District heating systems employing cogeneration techniques and innovative technology offer an important means of increasing the efficiency of Minnesota's energy systems and reducing the state's reliance on imported energy supplies. The combination of the large initial capital cost and investors' lack of familiarity with district heating has made the private market reluctant to provide the necessary capital for district heating projects. As a result, public leadership, cooperation, and aid are needed to demonstrate the feasibility of district heating systems by establishing economically viable municipal district heating systems as demonstration projects. Municipal district heating systems may be financed by loans from the state.

Subd. 2. [DEFINITIONS.] In this section:

(a) "Commissioner" means the commissioner of finance.

(b) "Director" means the director of the Minnesota energy agency.

(c) "District heating" means the use of a central energy conversion facility to produce hot water or steam for distribution to homes or businesses. District heating facilities may also produce electricity in addition to hot water or steam.

(d) "Municipality" means any county, city, town, municipal power agency, or public utility, as defined in section 452.01, subdivision 3, owned and operated by a city, however organized.

Subd. 3. [ELIGIBILITY.] The commissioner of finance, upon request of the director of the energy agency, shall make loans to municipalities for the acquisition and betterment of district heating systems. A loan shall be made only to a municipality that has demonstrated that:

(a) The municipality has the financial capability to sponsor the project;

(b) The project is technologically and economically feasible;

(c) The district heating project will become a cogeneration facility or, if the project involves an existing district steam heating system, the project will become integrated with a hot water district heating system; and

(d) The municipality has made adequate provision to assure proper and efficient operation and maintenance of the project after construction is completed.

Subd. 4. [PRIORITIES.] The director shall give higher priority to a project that does more to achieve the following goals:

(a) The district heating conversion facility employs cogeneration techniques;

(b) The facility uses renewable or non-petroleum sources of energy;

(c) The district heating facility will save petroleum or natural gas;

(d) The operation of the district heating facility will not have an adverse impact on the environment;

(e) The district heating facility may readily be expanded to serve additional customers or to supply additional amounts of energy, and market demand for the energy exists;

(f) The project has obtained additional financing from the federal government, private sources, or other sources of capital; and

(g) Other goals the director finds desirable for district heating systems.

Subd. 5. [ELIGIBLE COST.] The eligible cost of any municipal district heating project includes (a) preliminary planning to determine the economic, engineering, and environmental feasibility of the project; (b) engineering, architectural, legal, fiscal, economic, and project administrative costs of the agency and the municipality, and other investigations and studies; (c) surveys, designs, plans, working drawings, specifications, procedures, and other actions necessary to the planning, design, and construction of the project; (d) erection, building, acquisition, alteration, remodeling, improvement, and extension of district heating systems, including (1) the capital expenditure incurred by users of the system who undertake modifications of their physical plants to utilize the thermal energy and (2) the capital expenditure incurred by any wholesale supplier of thermal energy to make those modifications necessary to provide the thermal energy to the municipality; (e) inspection and supervision of construction; and (f) loans to potential users of the district heating system to finance conversion of, additions to, or other necessary alterations of their energy systems to facilitate use of energy supplied by the district heating system.

Subd. 6. [AMOUNT.] The amount of a loan shall not exceed:

(a) 40 percent of the costs included under subdivision 5, clause (a);

(b) 80 percent of the costs included under subdivision 5, clauses (b) to (f).

Subd. 7. [TERMS.] A loan is repayable over a period not to exceed 20 years, with interest at a rate sufficient to cover the cost to the state of borrowing the money.

Subd. 8. [APPLICATION.] Application for a loan shall be made by a municipality to the director on a form prescribed by the director by rule. The director shall review each application and determine:

- (a) *Whether or not the project is eligible for a loan;*
- (b) *The priority of the project when ranked with all other eligible projects for which a loan application has been submitted;*
- (c) *The total estimated cost of the project;*
- (d) *The amount of the loan for which the project is eligible;*
- (e) *The terms upon which the loan would be made; and*
- (f) *The means by which the municipality proposes to finance the project, including:*
 - (1) *A loan authorized by state law; or*
 - (2) *A grant of money appropriated by state law; or*
 - (3) *A grant to the municipality by an agency of the federal government within the amount of money then appropriated to that agency and allocated by it to projects within the state; or*
 - (4) *The appropriation of proceeds of bonds or other money of the municipality to an account for the construction of the project; or*
 - (5) *User charges, franchise fees, special assessments, or taxes; or*
 - (6) *Any or all of the means referred to in clauses (1) to (5).*

Subd. 9. [PROJECT APPROVAL.] The director shall prepare and submit to the legislature a list of district heating projects, if any, for which loan applications have been submitted and reviewed. The list shall contain supporting information, including descriptions of the projects, plans, and the determina-

tions made by the director pursuant to subdivision 8. The director shall request the commissioner of finance to make loans for projects within the limits of appropriations provided by the legislature.

Subd. 10 [PAYMENT; OBLIGATION.] The commissioner shall not pay money to a municipality pursuant to an approved loan until he has determined that:

(a) Financing of the project as proposed by the municipality is assured by an irrevocable undertaking, by resolution of the governing body of the municipality, to use all money made available by the financing plan exclusively for the construction of the project, and to pay any additional amount by which the cost of the project exceeds the estimate by the appropriation to the construction account of additional municipal money or the proceeds of additional bonds to be issued by the municipality; and that

(b) The governing body of the municipality has adopted a resolution obligating the municipality to repay the loan according to the terms of the loan. The obligation may be payable solely from user charges, special assessments or other money available to the municipality. The resolution shall obligate the municipality to annually impose and collect user charges or special assessments or to use any other money available to it from any other specified source, in amounts and at times that if collected in full will annually produce at least five percent in excess of the amount needed for all annual costs of the system, including annual repayment on state loans. A municipality may also pledge to levy an ad valorem tax to guarantee the payments under the loan agreement. For the purpose of repaying the loan the municipality by resolution of its governing body may fix the rates and charges for district heating system service and products, may enter into contracts for the payment by others of costs of construction, maintenance, and use of the project in accordance with section 444.075, and may pledge the revenues derived therefrom. The commissioner shall condition a loan upon the establishment of rates and charges or the execution of contracts sufficient to produce annually the revenues pledged for repayment of all annual costs of the system, including annual repayment of the state loan.

Subd. 11. [RECEIPTS.] All principal and interest payments received by the commissioner in repayment of the loans authorized by this section shall be deposited in the state treasury and credited to the state bond fund and are appropriated to the commissioner for the purposes of that account.

Subd. 12. [RULES.] The director shall adopt rules necessary to carry out this section. The director may adopt temporary rules pursuant to section 15.0412, subdivision 5, meeting the requirements of this section. The rules shall contain as a minimum:

- (a) *Procedures for application by municipalities; and*
- (b) *Criteria for reviewing loan applications, including those specified in subdivisions 3 and 4.*

Sec. 24. Minnesota Statutes 1978, Chapter 121, is amended by adding a section to read:

[121.2155] [VOCATIONAL-TECHNICAL BUILDING APPROPRIATIONS.] *Money appropriated from the state building fund to the state board of education for post-secondary vocational-technical construction in school districts shall be used for grants to school districts for the acquisition and betterment of land, buildings, and capital improvements for area vocational-technical institutes. These grants shall only be made upon the conditions and in accordance with all standards and criteria established in state board rules and in the legislative act authorizing the specific post-secondary vocational facilities project. A grant shall cover 85 percent of the cost of the post-secondary vocational facilities authorized by the specific legislative act, and 15 percent of the cost of these facilities shall be financed by the school district operating the post-secondary vocational-technical school, unless otherwise provided by the specific legislative act. No local bonds shall be authorized, issued, or sold, nor shall any election be held to authorize the issuance of bonds, if the proceeds will be used to finance a project for which specific legislative approval is required, until after that specific legislative approval has been given.*

Sec. 25. Minnesota Statutes 1978, Section 174.50, Subdivision 1, is amended to read:

174.50 [MINNESOTA STATE TRANSPORTATION FUND.] Subdivision 1. *State assistance is needed to supplement local effort and the highway user tax distribution fund in financing capital improvements to preserve and develop a balanced transportation system throughout the state. Such a system is a proper function and concern of state government and necessary to protect the safety and personal and economic welfare of all citizens. It requires capital expenditures for public facilities, improvements, and equipment that are complementary, additional, or alternate to the trunk highway system and are a proper purpose for contracting public debt and engaging in works of internal improvement under Article XI, Section 5, clause (a) of the Constitution. Reasons for such expenditures are to provide auxiliary facilities for the convenience and safety of persons crossing highways and persons living and working adjacent thereto; to remove or bridge natural obstructions to transportation; to avoid harmful environmental impact of highways on urban, scenic, and recreational areas; to meet the requirements and expedite the completion of the federal interstate highway system; and to reduce the number of private motor cars*

on highways by aiding the development of alternate modes of transportation. Capital expenditures for these purposes exceed requirements for the establishment and maintenance of highways and should be funded from sources other than taxes authorized in Article XIV of the Constitution. Immediate improvement needs are reconstruction and replacement of key bridges and approaches to remove obstructions to the flow of traffic on state and county highways, municipal streets and township roads; and expediting the completion of the interstate highway system in Minnesota by paying the state and local shares of interstate highway segments, and interstate highway substitution projects when approved by the United States secretary of transportation, the governor and the regional councils and local government units responsible.

Sec. 26. Minnesota Statutes 1978, Chapter 198, is amended by adding a section to read:

[198.32] [VETERANS HOME; FERGUS FALLS.] *The commissioner of veterans affairs shall establish a 150 bed veterans home on the grounds of the Fergus Falls state hospital. The veterans home shall be licensed in accordance with the boarding care rules of the department of health. To the extent practical, the veterans home at Fergus Falls shall also be operated as a domiciliary home for veterans in accordance with the United States Veteran's Administration regulations, as amended through January 1, 1980, for veterans' domiciliary homes.*

Sec. 27. Minnesota Statutes 1978, Chapter 216B, is amended by adding a section to read:

[216B.166] [COGENERATING POWER PLANTS.] *Subdivision 1. The legislature finds and declares that significant public benefits may be derived from the cogeneration of electrical and thermal energy and that cogenerated district heating may result in improved utilization and conservation of fuel, the substitution of coal for scarce oil and natural gas, the substitution of domestic fuel for imported fuel, and the establishment of a reliable, competitively priced heat source. Since the cost of cogenerated thermal energy is dependent upon the method used to allocate costs between the production of electric and thermal energy at a power plant, and because the method of cost allocation can be a significant factor in determining investment in district heating, it is necessary to develop cost allocation methods.*

Subd. 2. For the purpose of this section, the following terms shall have the meanings given.

(a) "Cogeneration" means a combined process whereby electrical and thermal energy are simultaneously produced by a public utility power plant.

(b) "District heating" means a process whereby thermal energy is distributed within a community for use as a primary heat source.

(c) "District heating utility" means any person that owns and operates a facility for district heating.

Subd. 3. The methods used to allocate or assign costs between electrical and thermal energy produced by cogeneration power plants owned by public utilities shall be consistent with the following principles:

(a) *The method used shall result in a cost per unit of electricity that is no greater than the cost per unit that would exist if the power plants owned by the public utility had been normally constructed and operated without cogenerating capability;*

(b) *Costs that the public utility incurs for the exclusive benefit of the district heating utility, including but not limited to backup and peaking facilities, shall be assigned to thermal energy produced by cogeneration;*

(c) *The methods and procedures may be different for retrofitted than for new cogeneration power plants; and*

(d) *The methods should encourage cogeneration while preventing subsidization by electric consumers so that both heating and electricity consumers are treated fairly and equitably with respect to the costs and benefits of cogeneration.*

Sec. 28. Minnesota Statutes 1978, Section 241.022, Subdivision 3, is amended to read:

Subd. 3. [APPLICATION FOR GRANTS.] Any county or group of counties operating any of the facilities described in subdivision 1 or desiring to construct and operate or to rehabilitate existing facilities may apply for assistance under this section by submitting to the commissioner of corrections for his approval its plans, specifications, budget, program for training and treatment, and staffing pattern, including personnel qualifications. The commissioner shall prescribe the format and procedures for handling grant applications. The commissioner may recommend (SUCH) changes or modifications (AS) that he deems necessary to effect substantial compliance with the standards provided in subdivision 2. When the commissioner has determined that any county or group of counties has substantially complied with the minimum standards, or is making satisfactory progress toward (SUCH) compliance he may (PAY) award a grant to (SUCH) the counties. Grants shall be awarded to eligible counties in the order in which their applications are accepted and approved by the commissioner. (AN) The amount of a grant shall not (TO) exceed (50) 25 percent of the cost of construction or rehabilitation of the facilities described in this section (, AND,). Fifty per-

cent of the grant shall be paid to the county or group of counties upon approval of the application by the commissioner, and the remaining 50 percent shall be paid after inspection of the newly constructed or renovated facility and a determination by the commissioner that it substantially conforms to minimum standards. In the case of improvement of program and continued operation of any program in a regional facility as described in subdivision 1, he may pay to the governing board of such facility a sum not to exceed \$1,800 per year for each adult bed and \$3,200 per year for each juvenile bed as approved in the submitted plans and specifications.

Sec. 29. [ADVISORY TASK FORCE ON JAILS.] Subdivision 1. [APPOINTMENT; PURPOSE.] By July 1, 1980, the commissioner of corrections shall appoint a 13 member advisory task force to:

(a) Study and make recommendations to the commissioner concerning the scope, content, reasonableness and necessity for the existing rules for operation, construction and remodeling of jails;

(b) Make recommendations to the commissioner of corrections concerning the statutory duties and obligations of the commissioner to implement and enforce the minimum jail standards and the policies and procedures of the commissioner in the discharge of his duties; and

(c) Study and make recommendations on other aspects as requested by the commissioner.

Subd. 2. [MEMBERSHIP; CHAIRMAN.] The advisory task force shall consist of the following:

(a) Three county commissioners;

(b) Three sheriffs;

(c) One judge of the district court designated by the chief justice of the state supreme court;

(d) A member of the house of representatives appointed by the speaker;

(e) A member of the senate appointed by the subcommittee on committees;

(f) A county attorney; and

(g) Three public members, at least one of whom has had lengthy experience in general commercial construction.

The task force shall elect one of the public members to serve as chairman.

In making his appointments the commissioner shall, insofar as possible, ensure that the appointees are representative of the geography of the state; that the economic diversity of the counties is represented; that counties having old, new, large and small jail facilities are represented; and that densely populated and sparsely populated counties are represented.

Subd. 3. [TERMS, COMPENSATION, REMOVAL.] The provisions of section 15.059 shall govern the terms, compensation and removal of the members of the advisory task force.

Sec. 30. Minnesota Statutes 1978, Section 253.015, is amended to read:

253.015 [LOCATION; MANAGEMENT; COMMITMENT; SUPERINTENDENT.] The state hospitals located at Anoka, Brainerd, Fergus Falls (*except for that portion designated as a veterans home*), (HASTINGS,) Moose Lake, Rochester, St. Peter, and Willmar shall constitute the state hospitals for mentally ill, and shall be maintained under the general management of the commissioner of public welfare. The commissioner of public welfare shall determine to what state hospital mentally ill persons shall be committed from each county and notify the probate judge thereof, and of changes made from time to time. The chief executive officer of each hospital for the mentally ill shall be known as the superintendent.

Sec. 31. Minnesota Statutes 1978, Section 412.321, Subdivision 1, is amended to read:

412.321 [MUNICIPAL UTILITIES.] Subdivision 1. [AUTHORITY TO OWN AND OPERATE.] Any statutory city may own and operate any waterworks, *district heating system*, or gas, light, power, or heat plant for supplying its own needs for utility service or for supplying utility service to private consumers or both. It may construct and install all facilities reasonably needed for that purpose and may lease or purchase any existing utility properties so needed. It may, in lieu of providing for the local production of gas, electricity, water, *hot water, steam*, or heat, purchase the same wholesale and resell it to local consumers. After any such utility has been acquired, the council, except as its powers have been limited through establishment of a public utilities commission in the city, shall make all necessary rules and regulations for the protection, maintenance, operation, extension, and improvement thereof and for the sale of its utility products.

Sec. 32. Minnesota Statutes 1978, Section 412.351, is amended to read:

412.351 [COMMISSION, JURISDICTION.] The council shall, in the ordinance establishing the commission, decide which of the following public utilities shall be within the commission's jurisdiction: (1) the city water system; (2) light and power system, including any system then in use or later acquired for the production and distribution of steam heat; (3) gas system; (4) sanitary or storm sewer system or both, including the city sewage disposal plant; (5) public buildings owned or leased by the city; (6) *district heating system*. As used subsequently in sections 412.351 to 412.391, the term "public utility" means any water, light and power, gas or sewer system, or public buildings thus placed by ordinance under the jurisdiction of the public utilities commission. Any public utility not placed under the jurisdiction of the public utilities commission by the ordinance establishing the commission may be placed under the jurisdiction of the commission by an amendment to the original ordinance.

Sec. 33. Minnesota Statutes 1978, Section 412.361, Subdivision 3, is amended to read:

Subd. 3. The commission shall have power to buy all fuel and supplies, and it may purchase wholesale electric energy, steam heat, *hot water energy*, gas or water, as the case may be, for municipal distribution.

Sec. 34. Minnesota Statutes, 1979 Supplement, Section 429.021, Subdivision 1, is amended to read:

429.021 [LOCAL IMPROVEMENTS, COUNCIL POWERS.] Subdivision 1. [IMPROVEMENTS AUTHORIZED.] The council of a municipality shall have power to make the following improvements:

(1) To acquire, open, and widen any street, and to improve the same by constructing, reconstructing, and maintaining sidewalks, pavement, gutters, curbs, and vehicle parking strips of any material, or by grading, graveling, oiling, or otherwise improving the same, including the beautification thereof and including storm sewers or other street drainage and connections from sewer, water or similar mains to curb lines.

(2) To acquire, develop, construct, reconstruct, extend and maintain storm and sanitary sewers and systems, including outlets, holding areas and ponds, treatment plants, pumps, lift stations, service connections, and other appurtenances of a sewer system, within and without the corporate limits.

(4) To install, replace, extend and maintain street lights and street lighting systems and special lighting systems.

(5) To acquire, improve, construct, reconstruct, extend and maintain water works systems, including mains, valves, hydrants, service connections, wells, pumps, reservoirs, tanks, treatment plants, and other appurtenances of a water works system, within and without the corporate limits.

(6) To acquire, improve and equip parks, open space areas, playgrounds and recreational facilities within or without the corporate limits.

(7) To plant trees on streets and provide for their trimming, care and removal.

(8) To abate nuisances and to drain swamps, marshes and ponds on public or private property and to fill the same.

(9) To construct, reconstruct, extend, and maintain dikes and other flood control works.

(10) To construct, reconstruct, extend and maintain retaining walls and area walls.

(11) To acquire, construct, reconstruct, improve, alter, extend, operate, maintain and promote a pedestrian skyway system.

(12) To acquire, construct, reconstruct, extend, operate, maintain and promote underground pedestrian concourses.

(13) To acquire, construct, improve, alter, extend, operate, maintain and promote public malls, plazas or courtyards.

(14) *To construct, extend, and maintain district heating systems.*

Sec. 35. Minnesota Statutes 1978, Chapter 465, is amended by adding a section to read:

[465.74] [AUTHORIZATION TO OPERATE DISTRICT HEATING SYSTEMS.] *Subdivision 1.* [CITIES OF THE FIRST CLASS.] *A city operating or authorized to operate a public utility pursuant to chapter 452 or its charter may acquire, construct, own, and operate a municipal district heating system pursuant to the provisions of that chapter or its charter. Acquisition or construction of a municipal district heating system that is not financed by a pledge of the city's full faith and credit shall not be subject to the election requirement of sections 452.11 and 452.12 or any other law or city charter provision, but must be approved by a three-fifths vote of the city's council or other governing body. Loans obtained by a city pursuant to section 23 that are not secured by a pledge of the city's full faith and credit are not subject to the limitations on the amount*

of money which may be borrowed upon a pledge of the city's full faith and credit or the election requirements for general obligation borrowing, contained in section 452.08 or any other law.

Subd. 2. [CITIES OF THE SECOND AND THIRD CLASS.] A city authorized to operate an electric light plant or an electric light and power plant pursuant to chapter 455 or its charter may acquire, construct, own, and operate a municipal district heating system under that chapter or its charter.

Subd. 3. [EXTENSION OF SERVICE OUTSIDE CITY.] A municipal district heating system, operating pursuant to this section, may sell hot water energy to customers located outside of the municipality and within the state but not more than a distance of 30 miles from the corporate limits of the municipality.

Subd. 4. [NET DEBT LIMITS.] The loan obligations incurred by a political subdivision pursuant to section 23 shall not be considered as a part of its indebtedness under the provisions of its governing charter or of any law of this state fixing a limit of indebtedness.

Sec. 36. [SYSTEM AUDIT.] A municipality operating a district heating system funded in part under the lending provisions of section 23 shall contract a qualified engineering auditing firm to examine the performance of the system every two years after the beginning of operation of the system. The audit shall specifically examine the adequacy of system revenues to insure the proper maintenance and long-term operation of the system. The audit report shall be forwarded to the governor, the energy agency, and the commissioner of finance.

Sec. 37. [EFFECTIVE DATE.] This act is effective the day following final enactment."

(6) The amount of any federal income tax overpayment for any previous taxable year, received as refund or credited to another taxable year's income tax liability, proportionate to the percentage of federal income tax that was claimed as a deduction

in determining Minnesota income tax for (SUCH) *the* previous taxable year.

The overpayment refund or credit, determined with respect to a husband and wife on a joint federal income tax return for a previous taxable year, shall be reported on joint or separate Minnesota income tax returns. In the case of separate Minnesota returns, the overpayment shall be reported by each spouse proportionately according to the relative amounts of federal income tax claimed as a deduction on his or her separate Minnesota income tax return for such previous taxable year;

(7) In the case of a change of residence from Minnesota to another state or nation, the amount of moving expenses which exceed total reimbursements and which were therefore deducted in arriving at federal adjusted gross income;

(8) In the case of property disposed of on or after January 1, 1973, the amount of any increase in the taxpayer's federal tax liability under section 47 of the Internal Revenue Code of 1954 (, AS AMENDED THROUGH DECEMBER 31, 1976,) to the extent of the credit under section 38 of the Internal Revenue Code of 1954 (, AS AMENDED THROUGH DECEMBER 31, 1976,) that was previously allowed as a deduction either under section 290.01, subdivision 20 (b) (7) or under section 290.09, subdivision 24;

(13) Interest income from qualified scholarship funding bonds as defined in section 103(e) of the Internal Revenue Code of 1954, (AS AMENDED THROUGH DECEMBER 31, 1976,) if the nonprofit corporation is domiciled outside of Minnesota; (AND)

justed gross income pursuant to section 852(b)(5)(B) of the Internal Revenue Code of 1954, (AS AMENDED THROUGH DECEMBER 31, 1976,) except for that portion of (SUCH) exempt-interest dividends derived from interest income on obligations of the state of Minnesota, any of its political or governmental subdivisions, any of its municipalities, or any of its governmental agencies or instrumentalities;

(15) the amount of any excluded gain (REALIZED) *recognized* by a trust on the sale or exchange of property as defined in section 641(c)(1) of the Internal Revenue Code of 1954;

This modification shall not exceed the difference in basis. If the gain is considered a long term capital gain for federal income tax purposes, the modification shall be limited to 50 percent of the portion of the gain. This modification is limited to property that qualified for the energy credit contained in section 290.06, subdivision 14, and to property acquired in exchange for the release of the taxpayer's marital rights contained in section 290.14, clause (9); and

(18) The amount of any loss from a source outside of Minnesota which is not allowed under section 290.17 including any capital loss or net operating loss carryforwards or carrybacks resulting from the loss.

(b) Modifications reducing federal adjusted gross income. There shall be subtracted from federal adjusted gross income:

(1) Interest income on obligations of any authority, commission or instrumentality of the United States to the extent includible in gross income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes, that does not exceed such difference in basis; but if such gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to 50 per centum of (SUCH) the portion of the gain. For purposes of this subdivision, the term "building" shall include a condominium or townhouse used by the taxpayer as a residence. In the case of qualifying expenditures incurred in connection with a building under construction by a contractor, the credit shall be deducted from the tax liability of the first individual to purchase the building for use as a principal residence or for residential rental purposes; the contractor shall not be eligible for the credit given pursuant to this subdivision for that expenditure.

A "renewable energy source expenditure" which qualifies shall include:

(a) Expenditures which qualify for the federal renewable energy source credit, pursuant to Section 44C of the Internal Revenue Code of 1954, as amended through December 31, 1978, and any regulations promulgated pursuant thereto, *provided that, after December 31, 1980, any solar collector included in the claimed expenditure is certified by the energy agency. A solar collector is a device designed to absorb incident solar radiation, convert it to thermal energy, and transfer the thermal energy to a fluid passing through or in contact with the device. "Solar collector" shall not include passive solar energy systems as defined in clause (d);*

(b) Expenditures for earth sheltered dwelling units. For purposes of this credit, an "earth sheltered dwelling unit" shall mean a structure which complies with applicable building standards and which is constructed so that:

(1) 80 percent or more of the (WALL) roof area is covered with a minimum depth of 12 inches of earth; and

(2) 50 percent or more of the wall area is covered with a minimum depth of 12 inches of earth; and

(3) Those portions of the structure not insulated with a minimum of seven feet of earth shall have additional insulation;

(c) Expenditures for biomass conversion equipment *located in Minnesota* which produces ethanol, methane or methanol for use as a *gaseous or as a liquid fuel* which is not offered for sale; and

A passive system shall include:

(1) Collection aperture, including glazing installed in south facing walls and roofs; and

(2) Storage element, including thermal mass in the form of water, masonry, rock, concrete, or other mediums which is designed to store heat collected from solar radiation.

A passive system may include:

(1) Control and distribution element, including fans, louvers, and air ducts; and/or

(2) Retention element, including movable insulation used to minimize heat loss caused by nocturnal radiation through areas used for direct solar heat gain during daylight hours.

Eligible passive expenditures shall be for equipment, materials or devices that are an integral part of the components listed above and essential to the functioning of a passive design which qualifies pursuant to rules promulgated by the commissioner of revenue in cooperation with the director of the energy agency. Expenditures for equipment, materials, or devices which are a part of the normal heating, cooling, or insulation system of a building are not eligible for the credit.

If a credit was allowed to a taxpayer under this subdivision for any prior taxable year, the dollar amount of the maximum expenditure for which a taxpayer may qualify for a credit under this subdivision in subsequent years shall be \$10,000 reduced by the amount of expenditures which a credit was claimed pursuant to this subdivision in prior years. *A taxpayer shall never be allowed to claim more than \$10,000 of expenditures during the duration of the renewable energy credit.*

The credit provided in this subdivision shall not be allowed in a taxable year if the amount of the credit would be less than \$10.

If the credit allowable under this subdivision exceeds the amount of tax due in a taxable year, the excess credit shall

not be refunded but may be carried forward to the succeeding taxable year and added to the credit allowable for that year. No amount may be carried forward to a taxable year beginning after December 31, 1984.

A shareholder in a family farm corporation and each partner in a partnership operating a family farm shall be eligible for the credit provided by this subdivision in the same manner and to the same extent allowed a joint owner of property under (CLAUSE (A)) *section 44C (d) of the Internal Revenue Code of 1954, as amended through December 31, 1979.* "Family farm corporation" and "family farm" have the meanings given in section 500.24.

The credit provided in this subdivision is subject to the provisions of Section 44C, (c) (7), (d) (1) to (3), and (e), of the Internal Revenue Code of 1954, as amended through December 31, 1978, and any regulations promulgated pursuant thereto.

The commissioner of revenue in cooperation with the director of the energy agency shall promulgate rules establishing additional qualifications and definitions for the credits provided in (CLAUSES (A) TO (D)) *this subdivision.*

Notwithstanding section 290.61, the commissioner of revenue may request the energy agency to assist in the review and auditing of the information furnished by the taxpayer for purposes of claiming this credit. The provisions of section 290.61 shall apply to employees of the energy agency who receive information furnished by a taxpayer for purposes of claiming this credit.

The director of the energy agency shall promulgate rules establishing the criteria for certification of solar collectors as required by clause (a). The criteria shall:

- (1) Specify the testing procedures to be used in the evaluation of solar collectors;*
- (2) Establish minimum levels of collector quality for safety;*

Sec. 8. Minnesota Statutes 1978, Section 290.08, Subdivision 24, is amended to read:

Subd. 24. [FAMILY FARM SECURITY LOAN INTEREST.] Gross income shall not include interest, including payment adjustment to the extent that it is applied to interest, earned by the seller of property on a family farm security loan executed (AFTER DECEMBER 31, 1977 AND) before January 1, 1982 that is guaranteed by the commissioner of agriculture as provided in sections 41.51 to 41.60.

Sec. 9. Minnesota Statutes, 1979 Supplement, Section 290.081, is amended to read:

290.081 [INCOME OF NONRESIDENTS, RECIPROCITY.]

(a) The compensation received for the performance of personal or professional services within this state by an individual who resides and has his place of abode and place to which he customarily returns at least once a month in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of his residence; provided that such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein, or

(b) Whenever a nonresident taxpayer has become liable for income taxes to the state where he resides upon his net income for the taxable year derived from the performance of personal or professional services within this state and subject to taxation under this chapter, there shall be allowed as a credit against the amount of income tax payable by him under this chapter, such proportion of the tax so paid by him to the state where he resides as his gross income subject to taxation under this chapter bears to his entire gross income upon which the tax so paid to such other state was imposed; provided, that such credit shall be allowed only if the laws of such state grant a substantially similar credit to residents of this state subject to income tax under such laws, or

(c) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net

income to another state or a province or territory of Canada upon, if the taxpayer is an individual or a resident estate or resident trust, any income, or if it is a corporation, upon income derived from the performance of personal or professional services within such other state or province or territory of Canada and subject to taxation under this chapter he or it shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state or province or territory of Canada bears to his entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state or province or territory of Canada on the gross income earned within such other state or province or territory of Canada and subject to taxation under this chapter, and (2) that such credit shall not be allowed if such other state or province or territory of Canada allows residents of this state a credit against the taxes imposed by such state or province or territory of Canada for taxes payable under this chapter substantially similar to the credit provided for by paragraph (b) of this section, and (3) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state or province or territory of Canada had been excluded in computing net income under this chapter.

(d) The commissioner shall by regulation determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply.

(e) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state or province or territory of Canada on income earned within the taxable year for which the credit is claimed, provided that such tax is actually paid in that taxable year, or subsequent taxable years.

(f) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1977. The commissioner of revenue is authorized to enter into agreements with the state of Wisconsin specifying the reciprocity payment due

date, conditions constituting delinquency, interest rates, and a method for computing interest due on any delinquent amounts.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chairman. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Notwithstanding the provisions of section 290.61, the commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that he will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

Sec. 10. Minnesota Statutes 1978, Section 290.09, Subdivision 2, is amended to read:

(1) A reasonable allowance for salaries or other compensation for personal services actually rendered;

(2) Traveling expenses (including the entire amount expended for meals and lodging) while away from home in the pursuit of a trade or business; and

(3) Rentals or other payments required to be made as a condition to the continued use or possession, for purposes of the trade or business, of property to which the taxpayer has not taken or is not taking title or in which he has no equity. For purposes of the preceding sentence, the place of residence of a member of congress within the state shall be considered his home, but amounts expended by such members within each taxable year for living expenses shall not be deductible for income tax purposes in excess of \$3,000.

(b) Expenses for Production of Income. In the case of an individual, there shall be allowed as a deduction all the ordinary and necessary expenses paid or incurred during the taxable year.

- (1) For the production or collection of income;
- (2) For the management, conservation, or maintenance of property held for the production of income; or
- (3) In connection with the determination, collection, or refund of any tax.

(c) Campaign expenditures in an amount not to exceed the limits set out in section 210A.22, not subsequently reimbursed, which have been personally paid by a candidate for public office if the candidate has complied with the expenditure limitations set out in section 210A.22:

(No deduction shall be allowed under this clause for any contribution or gift which would be allowable as a credit under section 290.21 were it not for the percentage limitations set forth in such section);

(d) All expense money paid by the legislature to legislators;

(e) The provisions of section 280A (disallowing certain expenses in connection with the business use of the home and rental of vacation homes) of the Internal Revenue Code of 1954, as amended through December 31, (1976) 1979, shall be applicable in determining the availability of any deduction under this subdivision.

(f) *Entertainment, amusement, or recreation expenses shall be allowed under this subdivision only to the extent that they qualify as a deduction under section 274 of the Internal Revenue Code of 1954, as amended through December 31, 1979.*

Sec. 11. Minnesota Statutes, 1979 Supplement, Section 290.-067, Subdivision 1, is amended to read:

290.067 [DEPENDENT CARE CREDIT.] Subdivision 1. [AMOUNT OF CREDIT.] A taxpayer may take as a credit against the tax due from him and his spouse, if any, under this chapter an amount equal to (50 PERCENT OF) the dependent care credit for which he is eligible pursuant to the provisions of section 44A of the Internal Revenue Code of 1954, as amended through December 31, (1978) 1979, subject to the limitations provided in subdivision 2.

Sec. 12. Minnesota Statutes 1978, Section 290.067, Subdivision 2, is amended to read:

Subd. 2. [LIMITATIONS.] The credit for expenses incurred for the care of each dependent shall not exceed (\$150) \$400 in any taxable year, and the total credit for all dependents of a claimant shall not exceed (\$300) \$800 in a taxable year. The total credit shall be reduced by five percent of the amount by which the combined federal adjusted gross income of the claimant and his spouse, if any, exceeds (\$12,000) \$15,000. A married claimant shall file his income tax return for the year for which he claims the credit either jointly or separately on one form with his spouse. In the case of a married claimant only one spouse may claim the credit. No expense for which a medical expense deduction is claimed pursuant to section 290.09, subdivision 10, shall be claimed as a dependent care expense.

Sec. 13. Minnesota Statutes, 1979 Supplement, Section 290.09, Subdivision 3, is amended to read:

Subd. 3. [INTEREST.] (a) All interest paid or accrued within the taxable year on indebtedness, except as hereinafter provided.

(b) Interest paid or accrued within the taxable year on indebtedness incurred or continued to purchase or carry obligations or securities the income from which is excludable from gross income under section 290.08, or shares of a regulated investment company which during the taxable year of the holder thereof distributes Minnesota exempt-interest dividends as defined in section 2, or on indebtedness incurred or continued in connection with the purchasing or carrying of a single premium life insurance, annuity, or endowment contract, shall not be allowed as deduction. (For purposes of this paragraph, a contract shall be treated as a single premium contract if substantially all the premiums on the contract are paid within a period of four years from the date on which the contract is purchased, or if an amount is deposited after January 1, 1955 with the insurer for payment of a substantial number of future premiums on the contract.)

(c) If personal property or educational services are purchased under a contract which provides that payment of part or all of the purchase price is to be made in installments, and in which carrying charges are separately stated but the interest charge cannot be ascertained, then the payments made during the taxable year under the contract shall be treated for purposes of this paragraph as if they included interest equal to six percent of the average unpaid balance under the contract during the taxable year, and such interest shall be allowed as a deduction. For purposes of the preceding sentence, the average unpaid balance is the sum of the unpaid balance outstanding on the first day of each month beginning during the taxable year, divided by 12. In the case of any contract to which this paragraph applies, the amount treated as interest for any taxable year shall not exceed

the aggregate carrying charges which are properly attributable to such taxable year.

For purposes of this subdivision the term "educational services" means any service including lodging which is purchased from an educational institution (as defined in section 151(e) (4) of the Internal Revenue Code of 1954, as amended through December 31, 1976) and which is provided for a student of such institution.

(d) A cash basis taxpayer may elect to deduct interest as it accrues on a reverse mortgage loan as defined in section 47.58, subdivision 1, rather than when it is actually paid. This election must be made, if at all, in the first taxable year in which it is available to the cash basis taxpayer and, if made, shall be binding on the taxpayer for each subsequent taxable year until maturity of the loan.

Sec. 14. Minnesota Statutes 1978, Section 290.09, Subdivision 28, is amended to read:

Subd. 28. [REAL ESTATE INVESTMENT TRUSTS; DEDUCTIBLE DIVIDENDS.] A "real estate investment trust," as defined in section 856 of the Internal Revenue Code of 1954, as amended through December 31, (1976) 1979, and to which sections 856 to (858) 860 of the Code apply for the taxable year, may deduct its dividends paid to the extent permitted by section (857(B) (2) (C)) 857(b) (2) (B) of the Code (, AND ITS CAPITAL GAINS DIVIDENDS PAID AS DEFINED AND LIMITED BY SECTION 857(B) (3) (C) OF THE CODE). Such a trust and its shareholders and beneficiaries shall be subject to all of the provisions of sections 857 and 858 of the Code which are applicable under this chapter, in determining their respective taxable net incomes, provided that the (EXCESS) amount determined and (SUBJECTED TO) *available for the alternative* tax under section 857(b) (3) (A) (ii) of the Code shall be included in gross income subject to the deduction provided by section 290.16, subdivision 4.

Sec. 15. Minnesota Statutes, 1979 Supplement, Section 290.091, is amended to read:

290.091 [MINIMUM TAX ON PREFERENCE ITEMS.]
(a) In addition to all other taxes imposed by this chapter there is hereby imposed, a tax which, in the case of a resident individual, estate or trust, shall be equal to 40 percent of the amount of the taxpayer's minimum tax liability for tax preference items pursuant to the provisions of sections (56) 55 to 58 and 443(d) of the Internal Revenue Code of 1954 as amended through December 31, (1976) 1979 except that for purposes of the tax imposed by this section, excess itemized deductions as defined in section 57(b) shall not include any deduction taken for Minne-

sota income tax paid and capital gain as defined in section 57(a) of the Internal Revenue Code shall not include that portion of any gain occasioned by sale, transfer or the granting of a perpetual easement pursuant to any eminent domain proceeding or threat thereof as described in section 290.13, subdivision 5. This modification shall apply to the years in which the gain or reduction in loss is actually included in federal adjusted gross income even though amounts received pursuant to the eminent domain proceedings were received in prior years. *In the case of a taxpayer other than a corporation, an amount equal to one-half of the net capital gain for the taxable year shall be used as the definition of capital gain in place of the deduction determined under section 1202 of the Internal Revenue Code.* In the case of a resident individual, estate or trust having preference items which could not be taken to reduce income from sources outside the state pursuant to section 290.17, subdivision 1, or any other taxpayer the tax shall equal 40 percent of that federal liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference item income allocated to this state pursuant to the provisions of sections 290.17, subdivision 1, to 290.20, and the denominator of which is the taxpayer's total preference item income for federal purposes.

(b) In the case of a resident individual, estate or trust having preference items in taxable years beginning after December 31, 1976, and before January 1, 1978, which are not allocable to Minnesota under the provisions of sections 290.17 to 290.20 in effect for such years, the tax shall equal 40 percent of the taxpayer's federal minimum tax liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference items allocable to Minnesota under the provisions of sections 290.17 to 290.20 in effect for (SUCH) those years and the denominator of which is the taxpayer's total preference items for federal purposes.

((C) THE PREFERENCE ITEMS FOR TAXABLE YEARS BEGINNING AFTER DECEMBER 31, 1978 SHALL NOT INCLUDE THE PORTION OF THE SALE OF RESIDENCE EXCLUDED UNDER SECTION 121 OF THE INTERNAL REVENUE CODE OF 1954 AS AMENDED THROUGH DECEMBER 31, 1978.)

Sec. 16. Minnesota Statutes, 1979 Supplement, Section 290.095, Subdivision 1, is amended to read:

290.095 [OPERATING LOSS DEDUCTION.] Subdivision 1. [ALLOWANCE OF DEDUCTION.] (a) There shall be allowed as a deduction for the taxable year the amount of any net operating loss deduction as defined in subdivision 2, clause (b); provided, however, that the modifications specified in subdivision 4 shall be made in computing the taxable net income for the taxable year before the net operating loss deduction shall be allowed.

(b) A net operating loss deduction shall be available under this section only to corporate taxpayers except as provided in subdivisions 6, 7 and 9 hereof, and, with respect to individuals, (ESTATES AND TRUSTS,) no deduction shall be allowed for or with respect to losses which constitute tax preference items as set forth in section 290.17, subdivision 1.

Sec. 17. Minnesota Statutes 1978, Section 290.095, is amended by adding a subdivision to read:

Subd. 10. [PRODUCT LIABILITY LOSS CARRYBACK.] In the case of a taxpayer which has a product liability loss, as defined in section 172(i) of the Internal Revenue Code of 1954 as amended through December 31, 1979, for a taxable year beginning after September 30, 1979 (referred to as "loss year"), the product liability loss shall be a net operating loss carryback to each of the 10 taxable years preceding the loss year.

Sec. 18. Minnesota Statutes 1978, Section 290.13, is amended by adding a subdivision to read:

Subd. 5a. [GAIN OR LOSS FROM SALE OR EXCHANGE TO EFFECTUATE POLICIES OF F.C.C.] If the sale or exchange of property, including stock in a corporation, is certified by the Federal Communications Commission to be necessary or appropriate to effectuate a change in a policy of, or the adoption of a new policy by the commission with respect to the ownership and control of radio broadcasting stations, the sale or exchange shall, if the taxpayer so elects, be treated as an involuntary conversion of the property within the meaning of subdivision 5. For purposes of this subdivision, "radio broadcasting" includes telecasting.

For purposes of subdivision 5 as made applicable by the provisions of this subdivision, stock of a corporation operating a radio broadcasting station located in Minnesota, whether or not representing control of the corporation, shall be treated as property similar or related in service or use to the property so converted. The part of the gain, if any, on the sale or exchange to which subdivision 5 is not applied shall nevertheless not be recognized, if the taxpayer so elects, to the extent that it is applied to reduce the basis for determining gain or loss on sale or exchange of property of a character subject to the allowance for depreciation under section 290.09, subdivision 7, remaining in the hands of the taxpayer immediately after the sale or exchange, or acquired in the same taxable year and with its situs in the state of Minnesota. The manner and amount of the reduction shall be determined under regulations prescribed by the commissioner. Any election made by the taxpayer under this subdivision shall be made by a statement to that effect in his return for the taxable year in which the sale or exchange takes place, and the election shall be binding for that taxable year and all subsequent taxable years.

The basis of property acquired on a sale or exchange treated as an involuntary conversion under this subdivision shall be determined pursuant to the provisions of subdivision 5.

Sec. 19. Minnesota Statutes, 1979 Supplement, Section 290.14, is amended to read:

290.14 [GAIN OR LOSS ON DISPOSITION OF PROPERTY, BASIS.] The basis for determining the gain or loss from the sale or other disposition of property acquired on or after January 1, 1983, shall be the cost to the taxpayer of such property, with the following exceptions:

(1) If the property should have been included in the last inventory, it shall be the last inventory value thereof;

(2) If the property was acquired by gift, it shall be the same as it would be if it were being sold or otherwise disposed of by the last preceding owner not acquiring it by gift; if the facts required for this determination cannot be ascertained, it shall be the fair market value as of the date, or approximate date, of acquisition by (SUCH) *the* last preceding owner, as nearly as the requisite facts can be ascertained by the commissioner;

(3) If the property was acquired by gift through an *inter vivos* transfer in trust, it shall be the same as it would be if it were being sold or otherwise disposed of by the grantor;

(4) Except as otherwise provided in this clause, the basis of property in the hands of a person acquiring the property from a decedent or to whom the property passed from a decedent shall, if not sold, exchanged or otherwise disposed of before the decedent's death by (SUCH) *the* person, be the fair market value of the property at the date of decedent's death.

For the purposes of the preceding paragraph, the following property shall be considered to have been acquired from or to have passed from the decedent:

(a) Property acquired by bequest, devise, or inheritance, or by the decedent's estate from the decedent;

(b) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent, with the right reserved to the decedent at all times before his death to revoke the trust;

(c) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent with the right reserved to the decedent at all times before his death to make any change in the enjoyment thereof through the exercise of a power to alter, amend, or terminate the trust;

(d) Property passing without full and adequate consideration under a general power of appointment exercised by the decedent by will;

(e) In the case of a decedent's dying after December 31, 1956, property acquired from the decedent by reason of death, form of ownership, or other conditions (including property acquired through the exercise or non-exercise of a power of appointment), if by reason thereof the property is required to be included in determining the value of the decedent's gross estate for Minnesota inheritance tax purposes. In (SUCH) *this* case, if the property is acquired before the death of the decedent, the basis shall be the amount determined under the first paragraph of this clause reduced by the amount allowed to the taxpayer as deductions in computing taxable net income under this chapter or prior Minnesota income tax laws for exhaustion, wear and tear, obsolescence, amortization, and depletion on (SUCH) *the* property before the death of the decedent. (SUCH) *The* basis shall be applicable to the property commencing on the death of the decedent. This paragraph shall not apply to annuities described in section 290.08; and property described in paragraphs (a), (b), (c) and (d) of this clause.

This clause shall not apply to property which constitutes a right to receive an item of income in respect of a decedent under section 290.077. Nor shall it apply to restricted stock options described in section 290.078 which the employee has not exercised at death.

(5) If the property was acquired after December 31, 1932, upon an exchange described in section 290.13, subdivision 1, the basis shall be the same as in the case of the property exchanged, decreased in the amount of any money received by the taxpayer and increased in the amount of gain or decreased in the amount of loss to the taxpayer that was recognized upon (SUCH) *the* exchange under the law applicable to the year in which the exchange was made. If the property so acquired consisted in part of the type of property permitted by section 290.13, subdivision 1, to be received without the recognition of gain or loss, and in part of other property, the basis provided in this clause shall be allocated between the properties, other than money, received, and for the purpose of the allocation there shall be assigned to (SUCH) *the* other property an amount equivalent to its fair market value at the date of the exchange. This clause shall not apply to property acquired by a corporation by the issuance of its stock or securities as the consideration, in whole or in part, for the transfer of the property to it;

(6) If substantially identical property was acquired in the place of stocks or securities which were sold or disposed of and in respect of which loss was not allowed as a deduction under section 290.09, subdivision 5, the basis in the case of property so acquired shall be the same as in the case of the stock or securities

so sold or disposed of, increased by the excess of the repurchase price of (SUCH) *the* property over the sale price of (SUCH) *the* stock or securities, or decreased by the excess of the sale price of (SUCH) *the* stock or securities over the repurchase price of (SUCH) *the* property;

(7) If the property was acquired after December 31, 1932, as the result of a compulsory or involuntary conversion described in section 290.13, subdivision 5, the basis shall be the same as in the case of the property so converted, decreased in the amount of any money received by the taxpayer which was not expended in accordance with the provisions of law applicable to the year in which (SUCH) conversion was made, determining the taxable status of the gain or loss upon (SUCH) conversion, and increased in the amount of gain or decreased in the amount of loss to the taxpayer recognized upon (SUCH) conversion under the law applicable to the year in which (SUCH) conversion was made.

(8) Neither the basis nor the adjusted basis of any portion of real property shall, in the case of a lessor of (SUCH) *the* property, be increased or diminished on account of income derived by the lessor in respect of (SUCH) *the* property and excludable from gross income under section 290.08, subdivision 14.

If an amount representing any part of the value of real property attributable to buildings erected or other improvements made by a lessee in respect of (SUCH) *the* property was included in gross income of the lessor for any taxable year beginning before January 1, 1943, the basis of each portion of (SUCH) *the* property shall be properly adjusted for the amount (SO) included in gross income.

(9) If the property was acquired by the taxpayer as a transfer of property in exchange for the release of the taxpayer's marital rights, the basis of the property shall be the same as it would be if it were being sold or otherwise disposed of by the person who transferred the property to the taxpayer.

(10) The basis of property subject to the provisions of section 1034 of the Internal Revenue Code of 1954, as amended through December 31, 1979 (relating to the rollover of gain on sale of principal residence) shall be the same as the basis for federal income tax purposes. The basis shall be increased by the amount of gain realized on the sale of a principal residence outside of Minnesota, while a nonresident of this state, which gain was not recognized because of the provisions of section 1034.

Sec. 20. Minnesota Statutes, 1979 Supplement, Section 290.17, Subdivision 1, is amended to read:

290.17 [GROSS INCOME, ALLOCATION TO STATE.]
Subdivision 1. [INCOME OF RESIDENT INDIVIDUALS,
ESTATES AND TRUSTS.] The gross income of individuals during the period of time when they are residents of Minnesota

(AND THE GROSS INCOME OF RESIDENT ESTATES AND TRUSTS) shall be their gross income as defined in section 290.01, subdivision 20, except that the amount of otherwise deductible losses incurred in connection with income derived from sources outside the state shall be reduced by the sum of the taxpayer's items of tax preference as defined in section 57 of the Internal Revenue Code of 1954, as amended through December 31, 1978, which are attributable to losses incurred in connection with sources of income outside the state.

Sec. 21. Minnesota Statutes 1978, Section 290.17, is amended by adding a subdivision to read:

Subd. 1a. [SUBSEQUENT ADJUSTMENT.] When a loss has been reduced by the amount of tax preference items pursuant to subdivision 1, and the taxpayer subsequently sells or otherwise disposes of an asset in relation to which arose an item of tax preference which caused the reduction of the loss, the taxpayer may increase the basis of the asset by the amount of the tax preference item that was used to reduce the loss. If the asset is a depletable asset, the taxpayer may elect to so increase its basis upon disposition or to reduce the amount of otherwise taxable income subsequently produced by that asset by the amount of the tax preference item.

Sec. 22. Minnesota Statutes 1978, Section 290.26, Subdivision 2, is amended to read:

Subd. 2. [EMPLOYER CONTRIBUTIONS.] Contributions of an employer to an employee's trust or annuity plan and compensation under a deferred-payment plan or to a simplified employee pension shall be allowed as a deduction in accordance with the provisions of (SECTION) Sections 404 or 408(k) of the Internal Revenue Code of 1954, as amended through December 31, (1976) 1979 as adapted to the provisions of this (ACT) chapter under (REGULATIONS) rules issued by the commissioner of revenue.

Sec. 23. Minnesota Statutes, 1979 Supplement, Section 290.37, Subdivision 1, is amended to read:

290.37 [FILING REQUIREMENTS FOR INDIVIDUALS.]
Subdivision 1. [PERSONS MAKING RETURNS.] The commissioner of revenue shall annually determine the gross income levels at which individuals and estates shall be required to file a return for each taxable year.

The trustee or other fiduciary of property held in trust shall file a return with respect to the taxable net income of such trust if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed, or if the gross income of such trust exceeds \$750, if in either case such trust belongs to the class of taxable persons.

Every corporation shall file a return with respect to its taxable net income if in excess of \$500, or if its gross income exceeds \$5,000. The return in this case shall be signed by an officer of the corporation.

The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed (or, if the taxpayer is a corporation, if the taxable net income exceeds \$500), or if such taxpayer's gross income exceeds \$5,000.

Such return shall (a) be verified or contain a written declaration that it is made under the penalties of criminal liability for wilfully making a false return, and (b) shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.

A fractional point increase shall be disregarded if less than one-half point and treated as one point if one-half point, or more. In any city where more than 25 percent of the assessed valuation consists of iron ore and in any statutory city, the levy permitted by this paragraph shall be in addition to any statutory or charter limitations. In any other city, the levy authorized by this paragraph shall be made within charter limitations.

Sec. 18. Minnesota Statutes 1978, Section 275.28, Subdivision 3, is amended to read:

Sec. 19. Minnesota Statutes, 1979 Supplement, Section 275.50, Subdivision 5, is amended to read:

Subd. 5. Notwithstanding any other law to the contrary for taxes levied in 1979 payable in 1980 and thereafter, "special levies" means those portions of ad valorem taxes levied by governmental subdivisions to:

(a) satisfy judgments rendered against the governmental subdivision by a court of competent jurisdiction in any tort action, or to pay the costs of settlements out of court against the governmental subdivision in a tort action when substantiated by a stipulation for the dismissal of the action filed with the court of competent jurisdiction and signed by both the plaintiff and the legal representative of the governmental subdivision, but only to the extent of the increase in levy for such judgments and out of court settlements over levy year 1970, taxes payable in 1971;

(b) pay the costs of complying with any written lawful order initially issued prior to January 1, 1977 by the state of Minnesota, or the United States, or any agency or subdivision thereof, which is authorized by law, statute, special act or ordinance and is enforceable in a court of competent jurisdiction, or any stipulation agreement or permit for treatment works or disposal system for pollution abatement in lieu of a lawful order signed by the governmental subdivision and the state of Minnesota, or the United States, or any agency or subdivision thereof which is enforceable in a court of competent jurisdiction. The commissioner of revenue shall in consultation with other state departments and agencies, develop a suggested form for use by the state of Minnesota, its agencies and subdivisions in issuing orders pursuant to this subdivision;

(c) pay the costs to a governmental subdivision for their minimum required share of any program otherwise authorized by law, including the administrative costs of social services but not administrative costs of public assistance programs or of county welfare systems, for which matching funds have been appropriated by the state of Minnesota or the United States, but only to the extent that the costs to the governmental subdivision for the program exceed those expended in calendar year 1970,

subject to rules promulgated by the commissioner of revenue pursuant to the administrative procedures act. Amounts levied pursuant to this clause which are in excess of the amount necessary to meet the minimum required share of a program shall be deducted from the general levy made in the following year;

(d) pay the costs not reimbursed by the state or federal government, of payments made to or on behalf of recipients of aid under any public assistance program authorized by law;

(e) pay the costs of principal and interest on bonded indebtedness, or, effective for taxes levied in 1973 and years thereafter, to reimburse for the amount of liquor store revenues used to pay the principal and interest due in the year preceding the year for which the levy limit is calculated on municipal liquor store bonds;

(f) pay the costs of principal and interest on certificates of indebtedness, except tax anticipation or aid anticipation certificates of indebtedness, issued for any corporate purpose except current expenses or funding an insufficiency in receipts from taxes or other sources or funding extraordinary expenditures resulting from a public emergency;

(g) fund the payments made to the Minnesota state armory building commission pursuant to section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(h) provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(i) pay the amounts required to compensate for a decrease in revenues from public service enterprises, municipal liquor stores, licenses, permits, fines and forfeits and no other, to the extent that the aggregate of revenues from these sources in the calendar year preceding the year of levy are less than the *inflation adjusted* aggregate of revenues from these sources in calendar year 1971. "Revenues" from a public service enterprise or a municipal liquor store shall mean the net income or loss of such public service enterprise or municipal liquor store, determined by subtracting total expenses from total revenues, and before any contribution to or from the governmental subdivision. "Fines" for a municipal court means the net amount remaining after subtracting total municipal court expenses from total collections of municipal court fines. *The "inflation adjusted aggregate of revenues in calendar year 1971" shall be the sum of (a) the aggregate of revenues received in calendar year 1971 multiplied by the total percentage increase in the consumer price index for the Minneapolis-St. Paul area from the calendar year 1971 to June of the levy year plus (b) the aggregate of revenues received in calendar year 1971. The commissioner of revenue shall calculate and notify the governmental subdivisions of the infla-*

tion adjustment by September of the levy year. A governmental subdivision shall qualify for this special levy only if the decrease in aggregate revenues as computed herein and divided by the population of the governmental subdivision in the preceding levy year is equal to or greater than two percent of the per capita levy limitation for the preceding levy year;

(j) pay the amounts required to compensate for a decrease in mobile homes property tax receipts to the extent that the governmental subdivision's portion of the total levy in the current levy year, pursuant to section 273.13, subdivision 3, as amended, is less than the distribution of the mobile homes tax to the governmental subdivision pursuant to section 273.13, subdivision 3, in calendar year 1971;

(k) pay the amounts required, in accordance with section 275.075, to correct for a county auditor's error of omission in levy year 1971 or a subsequent levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(l) pay amounts required to correct for an error of omission in the levy certified to the appropriate county auditor or auditors by the governing body of a city or town with statutory city powers in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.50 to 275.56 in the preceding levy year;

(m) pay the increased cost of municipal services as the result of an annexation or consolidation ordered by the Minnesota municipal board in levy year 1971 or a subsequent levy year, but only to the extent and for the levy years as provided by the board in its order pursuant to section 414.01, subdivision 15. Special levies authorized by the board shall not exceed 50 percent of the levy limit base of the governmental subdivision and may not be in effect for more than three years after the board's order;

(n) pay the increased costs of municipal services provided to new private industrial and nonresidential commercial development, to the extent that the extension of such services are not paid for through bonded indebtedness or special assessments, and not to exceed the amount determined as follows. The governmental subdivision may calculate the aggregate of:

(1) The increased expenditures necessary in preparation for the delivering of municipal services to new private industrial and nonresidential commercial development, but limited to one year's expenditures one time for each such development;

(2) The amount determined by dividing the overall levy limitation established pursuant to sections 275.50 to 275.56, and exclusive of special levies and special assessments, by the total taxable value of the governmental subdivision, and then multiplying this quotient times the total increase in assessed value of private industrial and nonresidential commercial development within the governmental subdivision. For the purpose of this clause, the increase in the assessed value of private industrial and nonresidential commercial development is calculated as the increase in assessed value over the assessed value of the real estate parcels subject to such private development as most recently determined before the building permit was issued. In the fourth levy year subsequent to the levy year in which the building permit was issued, the increase in assessed value of the real estate parcels subject to such private development shall no longer be included in determining the special levy.

The aggregate of the foregoing amounts, less any costs of extending municipal services to new private industrial and non-residential commercial development which are paid by bonded indebtedness or special assessments, equals the maximum amount that may be levied as a "special levy" for the increased costs of municipal services provided to new private industrial and non-residential commercial development. In the levy year following the levy year in which the special levy made pursuant to this clause is discontinued, one-half of the amount of that special levy made in the preceding year shall be added to the permanent levy base of the governmental subdivision;

(o) recover a loss or refunds in tax receipts incurred in non-special levy funds resulting from abatements or court action in the previous year pursuant to section 275.48;

(p) pay amounts required by law to be paid to reduce unfunded accrued liability of public pension funds, including interest thereon, in accordance with the actuarial standards and guidelines specified in sections 69.71 to 69.776 and 356.215 reduced for levy year 1977 and subsequent years by 106 percent of the amount levied for that purpose in 1976, payable in 1977. For the purpose of this special levy, the estimated receipts expected from the state of Minnesota pursuant to sections 69.011 to 69.031 or any other state aid expressly intended for the support of public pension funds shall be considered as a deduction in determining the required levy for the normal costs of the public pension funds. No amount of these aids shall be considered as a deduction in determining the governmental subdivision's required levy for the reduction of the unfunded accrued liability of public pension funds;

(q) the amounts allowed under section 174.27 to establish and administer a commuter van program;

(r) pay the costs of financial assistance to local governmental units and certain administrative, engineering, and legal expenses pursuant to Laws 1979, Chapter 253, Section 3 (.);

(s) *compensate for revenue lost as a result of abatements or court action pursuant to sections 270.07, 270.17 or 278.01 due to a reassessment ordered by the commissioner of revenue pursuant to section 270.16.*

Sec. 20. Minnesota Statutes 1978, Section 275.52, Subdivision 2, is amended to read:

Subd. 2. The levy limit base, as adjusted for previous increases pursuant to this section, may be increased each year by the governing body of the governmental subdivision affected thereby in the amount not to exceed, *in the case of a home rule charter or statutory city other than a city of the first class or a county not containing a city of the first class, eight percent, or in the case of any other governmental subdivision, six percent* of the previous year's levy limit base.

Sec. 21. Minnesota Statutes 1978, Section 275.52, Subdivision 5, is amended to read:

Subd. 5. For taxes levied in (1977) 1980 payable in (1978 OR FOR TAXES LEVIED IN 1978 PAYABLE IN 1979) 1981 *and subsequent years* a city other than a city of the first class, town, or county not containing a city of the first class which, in the preceding levy year, levied at least 98 percent of its total limited levy amount, may determine to levy in excess of the limitation provided in sections 275.50 to 275.56 by not to exceed 10 percent of its levy limit base by passing a resolution setting forth the amount by which the levy limit is proposed to be exceeded. The resolution shall be published for four successive weeks in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation therein, together with a notice fixing a date for a public hearing on the proposed increase which hearing shall be held not less than four weeks nor more than six weeks after the first publication of the resolution. Following the public hearing, the governing body may determine to take no further action, or in the alternative, adopt a resolution authorizing the levy as originally proposed, or adopt a resolution approving a levy in such lesser amount as it so determines. The resolution shall be published in the official newspaper of the governmental subdivision or if there is no official newspaper, in a newspaper of general circulation therein. If within 30 days thereafter, a petition signed by voters equal in number to five percent of the votes cast in the governmental subdivision in the last general election or 2,000 voters, whichever is less, requesting a referendum on the proposed resolution is filed with the clerk or recorder of the governmental subdivision if the governmental subdivi-

sion is a city or town, or with the county auditor if the governmental subdivision is a county, the resolution shall not be effective until it has been submitted to the voters at a general or special election and a majority of votes cast on the question of approving the resolution are in the affirmative. The commissioner of revenue shall prepare a suggested form of question to be presented at any such referendum. A levy increased pursuant to this subdivision, whether not challenged or approved at a referendum held at a special or general election held prior to October 1 in any levy year, increases the allowable levy in that same levy year and provides a permanent adjustment to the levy limit base of the governmental subdivision for future levy years. There shall be no reduction in distributions of formula aids to the governmental subdivision as a result of the additional levy.

The excess levy authorized by this subdivision is a one-time levy adjustments to the levy limit base. If an adjustment was made after June 3, 1977, pursuant to this subdivision, in an amount less than ten percent of the base, calculated at the time of the adjustment, an additional adjustment to the current levy limit base is authorized in an amount equal to ten percent less the percent by which it was previously adjusted.

Sec. 22. *By February 15, 1981, each county assessor shall report to the commissioner of revenue on the range of average rental values of tillable agricultural land located in each township in the county and the estimated market values established in those townships in 1981.*

Sec. 23. *The 1979 adjusted assessed values determined under the provisions of section 124.212 shall be computed using the classification ratios which were in effect for taxes payable in 1980.*

Sec. 24. [REPEALER.] *Minnesota Statutes, 1979 Supplement, Section 273.122, is repealed.*

Sec. 25. [EFFECTIVE DATE.] *Sections 1 and 5 through 17, 19, 20 and 24 are effective for taxes levied in 1980 and subsequent years, payable in 1981 and subsequent years.*

Section 1. Minnesota Statutes, 1979 Supplement, Section 273.73, Subdivision 7, is amended to read:

Subd. 7. [ORIGINAL ASSESSED VALUE.] "Original assessed value" means the assessed value of all taxable real property within a tax increment financing district as most recently certified by the commissioner of revenue as of the date of the request by an authority for certification by the county auditor, together with subsequent adjustments as set forth in section 273.76, subdivisions 1 and 4; provided, however, that in determining the original assessed value the assessed value of real property exempt from taxation at the time of the request shall be zero except for real property which is tax exempt by reason of public ownership by the requesting authority and which has been publicly owned for less than one year prior to the date of the request for certification, in which event the assessed value of the property shall be the assessed value as most recently determined by the commissioner of revenue. For purposes of this subdivision, "real property" shall include any property normally taxable as personal property by reason of its location on or over *publicly-owned* property (OWNED BY A TAX EXEMPT ENTITY).

Sec. 2. Minnesota Statutes, 1979 Supplement, Section 273.73, Subdivision 8, is amended to read:

Subd. 8. [PROJECT.] "Project" means a project as defined in section 362A.01; an industrial development district as defined in section 458.191, subdivision 1; a (REDEVELOPMENT) project as defined in section 462.421, subdivision 14; a development district as defined in (SECTION 472A.02, SUBDIVISION 3) *chapter 472A* or any special law; or a project as defined in section 474.02, subdivisions 1, 1a or 1b.

Sec. 3. Minnesota Statutes, 1979 Supplement, Section 273.73, Subdivision 10, is amended to read:

Subd. 10. [REDEVELOPMENT DISTRICT.] (a) "Redevelopment (PROJECT) *district*" means a *type of tax increment financing district consisting of a project, or portions of a project, within which the authority finds by resolution that one of the following conditions, reasonably distributed throughout the (PROJECT) district, exists:*

(1) The land is predominantly occupied by buildings, streets, utilities or other improvements and more than 50 percent of the buildings, not including outbuildings, are structurally substandard to a degree requiring substantial renovation or clearance; or

(2) The land is predominantly occupied by buildings, streets, utilities or other improvements and 20 percent of the buildings are structurally substandard and an additional 30 percent of the buildings are found to require substantial renovation or clearance in order to remove such existing conditions as: inadequate street layout, incompatible uses or land use relationships, overcrowding of buildings on the land, excessive dwelling unit density, obsolete buildings not suitable for improvement or conversion, or other identified hazards to the health, safety and general well being of the community; or

(3) The land is not predominantly occupied by buildings, streets, utilities or other improvements, but at least 80 percent of the total acreage of such land has a fair market value upon inclusion in the (PROJECT) *redevelopment district* which, when added to the estimated cost of preparing the land for use, including utilities, if any, exceeds its anticipated fair market value after completion of said preparation; or

(4) The property consists of underutilized air rights existing over a public street, highway or right-of-way.

(b) For purposes of this subdivision, "structurally substandard" shall mean containing defects in structural elements or a combination of deficiencies in essential utilities and facilities, light and ventilation, fire protection including adequate egress,

layout and condition of interior partitions, or similar factors, which defects or deficiencies are of sufficient total significance to justify substantial renovation or clearance. "Predominantly occupied" shall mean at least 50 percent of the parcels comprising at least 50 percent of the acreage.

Sec. 4. Minnesota Statutes, 1979 Supplement, Section 273.73, Subdivision 11, is amended to read:

Subd. 11. [HOUSING DISTRICT.] "Housing (PROJECT) *district*" means a type of tax increment financing district which consists of a project, or (THAT PART OF) a portion of a project, intended for occupancy, in part, by persons or families of low and moderate income, as defined in chapter 462A, Title II of the National Housing Act of 1934, the National Housing Act of 1959, the United States Housing Act of 1937, as amended, Title V of the Housing Act of 1949, as amended, any other similar present or future federal, state, or municipal legislation, or the regulations promulgated under any of those acts.

Sec. 5. Minnesota Statutes, 1979 Supplement, Section 273.73, Subdivision 12, is amended to read:

Subd. 12. [ECONOMIC DEVELOPMENT DISTRICT.] "Economic development (PROJECT) *district*" means a type of tax increment financing district which consists of any project, or portions of a project, not meeting the requirements found in the definition of redevelopment (PROJECT) *district* or housing (PROJECT) *district*, but which the authority finds to be in the public interest because:

- (a) It will discourage commerce, industry or manufacturing from moving their operations to another state; or
- (b) It will result in increased employment in the municipality; or
- (c) It will result in preservation and enhancement of the tax base of the municipality.

Sec. 6. Minnesota Statutes, 1979 Supplement, Section 273.74, Subdivision 3, is amended to read:

Subd. 3. [MUNICIPALITY APPROVAL.] No county auditor shall certify the original assessed value of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the (PROJECT) *district* is located. If an authority which proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall obtain the approval of its tax increment financing plan by the municipality before the authority may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the

municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. This hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project. Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings:

(a) That the (PROJECT COMPRISING THE) proposed tax increment financing district is a redevelopment (PROJECT) *district*, a housing (PROJECT) *district* or an economic development (PROJECT) *district* and the specific bases for such determination.

(b) That the proposed development or redevelopment, in the opinion of the municipality, would not occur solely through private investment within the reasonably foreseeable future and therefore the use of tax increment financing is deemed necessary.

(c) That the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole.

(d) That the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the district by private enterprise.

(e) That the municipality elects the method of tax increment computation set forth in section 273.76, subdivision 3, clause (b), if applicable.

When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority, or the plan shall be deemed approved. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for such financing.

Sec. 7. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 1, is amended to read:

273.75 [LIMITATIONS.] Subdivision 1. [DURATION OF TAX INCREMENT FINANCING DISTRICTS.] Subject to the limitations contained elsewhere in this subdivision any tax increment financing district as to which bonds are outstanding, payment for which the tax increment and other revenues have been pledged, shall remain in existence at least as long as any

such bonds continue to be outstanding; provided, however, the tax increment pledged to the payment of bonds and interest thereon may be discharged and the tax increment financing district may be terminated if sufficient funds have been irrevocably deposited in the debt service fund or other escrow account held in trust for all outstanding bonds to provide for the payment of the bonds at maturity or date of redemption and interest thereon to such maturity or redemption date, provided that for bonds issued pursuant to section 273.77, clauses (a) and (b) the full faith and credit and any taxing powers of the municipality or authority shall continue to be pledged to the payment of the bonds until the principal of and interest on the bonds has been paid in full; provided, further, that no tax increment shall be paid to an authority for a tax increment financing district after three years from the date of certification of the original assessed value of the taxable real property in the district by the county auditor or three years from August 1, 1979, for tax increment financing districts authorized prior to August 1, 1979, unless within the three year period (a) bonds have been issued pursuant to section 273.77, or in aid of a project pursuant to any other law, except revenue bonds issued pursuant to chapter 474, prior to August 1, 1979, or (b) the authority has acquired property within the district, or (c) the authority has constructed or caused to be constructed public improvements within the district; and provided, further, that no tax increment shall in any event be paid to the authority from a redevelopment (PROJECT) *district* after 25 years from date of receipt by the authority of the first tax increment, after 25 years from the date of the receipt for a housing (PROJECT) *district* and after eight years from the date of the receipt, or 10 years from approval of the tax increment financing plan, whichever is less, for an economic development (PROJECT) *district*.

For tax increment financing districts created prior to August 1, 1979, no tax increment shall be paid to the authority after 30 years from August 1, 1979.

Modification of a tax increment financing plan pursuant to section 273.74, subdivision 4, shall not extend the durational limitations of this subdivision.

Sec. 8. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 2, is amended to read:

Subd. 2. [EXCESS TAX INCREMENTS.] In any year in which the tax increment exceeds the amount necessary to pay the costs authorized by the tax increment financing plan, including the amount necessary to cancel any tax levy as provided in section 475.61, subdivision 3, the authority shall use the excess amount to (a) prepay any outstanding bonds, (b) discharge the pledge of tax increment therefor, (c) pay into an escrow account dedicated to the payment of such bond, or shall return the excess amount to the *county auditor who shall distribute the*

excess amount to the municipality, county and school district in which the tax increment financing district is located in direct proportion to their respective mill rates.

Sec. 9. Minnesota Statutes, 1979 Supplement, Section 273.75, Subdivision 5, is amended to read:

Subd. 5. [REQUIREMENT FOR AGREEMENTS.] No more than 25 percent, by acreage, of the property to be acquired within a redevelopment (PROJECT) *district*, or ten percent, by acreage, of the property to be acquired within a housing or economic development (PROJECT) *district*, as set forth in the tax increment financing plan, shall at any time be owned by an authority as a result of acquisition with the proceeds of bonds issued pursuant to section 273.77 without the authority having prior to acquisition in excess of the percentages concluded an agreement for the development or redevelopment of the property acquired and which provides recourse for the authority should the development or redevelopment not be completed.

Sec. 10. Minnesota Statutes, 1979 Supplement, Section 273.-75, Subdivision 6, is amended to read:

Subd. 6. [LIMITATION ON INCREMENT.] If, after five years from the date of certification of the original assessed value of the tax increment financing district pursuant to section 273.-76, no demolition, rehabilitation or renovation of property or other site preparation, including improvement of a street adjacent to a (PROPERTY) *parcel* but not installation of utility service, has been commenced on a (PROPERTY) *parcel* located within a tax increment financing district by the authority or by the owner of the (PROPERTY) *parcel* in accordance with the tax increment financing plan, no additional tax increment may be taken from that (PROPERTY) *parcel*, and the original assessed value of that (PROPERTY) *parcel* shall be excluded from the original assessed value of the tax increment financing district. If the authority or the owner of the (PROPERTY) *parcel* subsequently commences demolition, rehabilitation or renovation or other site preparation on that (PROPERTY) *parcel* including improvement of a street adjacent to that (PROPERTY) *parcel*, in accordance with the tax increment financing plan, the authority shall certify to the county auditor that the activity has commenced, and (THE PROPERTY MAY BE ADDED INTO THE TAX INCREMENT FINANCING DISTRICT.) the county auditor shall certify the (MOST RECENTLY ASSESSED VALUE OF THAT PROPERTY) *assessed value thereof as most recently certified by the commissioner of revenue* and add it to the original assessed value of the tax increment financing district. *For purposes of this subdivision "parcel" means a tract or plat of land established as a single unit for purposes of assessment.*

Sec. 11. Minnesota Statutes, 1979 Supplement, Section 273.76, Subdivision 1, is amended to read:

273.76 [COMPUTATION OF TAX INCREMENT.] Subdivision 1. [ORIGINAL ASSESSED VALUE.] Upon or after adoption of a tax increment financing plan, the auditor of any county in which the district is situated shall, upon request of the authority, certify the original assessed value of the tax increment financing district as described in the tax increment financing plan and shall certify in each year thereafter the amount by which the original assessed value has increased or decreased as a result of a change in tax exempt status of property within the district, reduction or enlargement of the district or changes pursuant to subdivision 4. The amount to be added to the original assessed value of the district as a result of previously tax exempt real property within the district becoming taxable shall be equal to the assessed value of the real property as most recently assessed pursuant to section 273.18 or, if that assessment was made more than one year prior to the date of title transfer rendering the property taxable, the value which shall be assessed by the assessor at the time of such transfer (AS OF THE DATE OF TITLE TRANSFER). The amount to be added to the original assessed value of the district as a result of enlargements thereof shall be equal to the assessed value of the added real property as most recently certified by the commissioner of revenue as of the date of *modification* of the tax increment financing plan pursuant to section 273.74, subdivision 4. The amount to be subtracted from the original assessed value of the district as a result of previously taxable real property within the district becoming tax exempt, or a reduction in the geographic area of the district, shall be the amount of original assessed value initially attributed to the property becoming tax exempt or being removed from the district. If the assessed value of property located within the tax increment financing district is reduced by *reason of* a court-ordered abatement, (THE ORIGINAL ASSESSED VALUE OF THE DISTRICT SHALL BE REDUCED BY THAT AMOUNT) *stipulation agreement, voluntary abatement made by the assessor or auditor or by order of the commissioner of revenue, the reduction shall be applied to the original assessed value of the district when the property upon which the abatement is made has not been improved since the date of certification of the district and to the captured assessed value of the district in each year thereafter when the abatement relates to improvements made after the date of certification.* The county auditor shall have the power to specify reasonable form and content of the request for certification of the authority and any modification thereof pursuant to section 273.74, subdivision 4.

Sec. 12. Minnesota Statutes, 1979 Supplement, Section 273.76, Subdivision 2, is amended to read:

Subd. 2. [CAPTURED ASSESSED VALUE.] The county auditor shall certify the amount of the captured assessed value

to the authority each year, together with the proportion that the captured assessed value bears to the total assessed value of the real property within the tax increment financing district for that year.

(a) An authority may choose to retain any part or all of the captured assessed value for purposes of tax increment financing according to one of the two following options:

(1) If the plan provides that all the captured assessed value is necessary to finance or otherwise make permissible expenditures under section 273.75, subdivision (5) 4, the authority may retain the full captured assessed value.

(2) If the plan provides that only a portion of the captured assessed value is necessary to finance or otherwise make permissible expenditures under section 273.75, subdivision (5) 4, only that portion shall be set aside and the remainder shall be distributed among the affected taxing districts by the county auditor.

(b) The portion of captured assessed value that an authority intends to use for purposes of tax increment financing must be clearly stated in the tax increment financing plan.

Sec. 13. Minnesota Statutes, 1979 Supplement, Section 273.76, Subdivision 3, is amended to read:

Subd. 3. [TAX INCREMENT, RELATIONSHIP TO CHAPTER 473F.] (a) Unless the governing body elects pursuant to clause (b) the following method of computation shall apply:

((1) THE ORIGINAL ASSESSED VALUE SHALL INCLUDE ANY PORTION THEREOF WHICH IS SUBJECT TO THE AREA-WIDE TAX IMPOSED BY SECTION 473F.08, SUBDIVISION 6, IN THE LEVY AND ASSESSMENT OF TAXES IN THE YEAR THE DISTRICT IS CERTIFIED AND THE CURRENT ASSESSED VALUE SHALL NOT BE REDUCED TO ANY EXTENT TO REFLECT THE CONTRIBUTION OF THE MUNICIPALITY TO THE AREA-WIDE TAX BASE PURSUANT TO SECTION 473F.08, SUBDIVISION 2, CLAUSE (A).)

((2) IN EACH SUBSEQUENT YEAR, THE COUNTY AUDITOR SHALL COMPUTE ASSESSED VALUATION, MILL RATES AND THE TAX INCREMENT AS FOLLOWS:)

((1) IF THE AUTHORITY RETAINS THE FULL CAPTURED ASSESSED VALUE, THE COUNTY AUDITOR SHALL INCLUDE NO MORE THAN THE ORIGINAL ASSESSED VALUE OF THE REAL PROPERTY IN THE TAX INCREMENT FINANCING DISTRICT FOR PURPOSES OF

DETERMINING ASSESSED VALUE FOR LOCAL MILL RATES. THE COUNTY AUDITOR SHALL COMPUTE THE MILL RATES OF ALL TAXES LEVIED BY THE STATE, THE COUNTY, THE MUNICIPALITY OR TOWN, THE SCHOOL DISTRICT AND EVERY OTHER TAXING DISTRICT IN WHICH THE DISTRICT IS LOCATED IN WHOLE OR IN PART OF THE AFOREMENTIONED ASSESSED VALUE. THE COUNTY AUDITOR SHALL EXTEND ALL MILL RATES AGAINST THE CURRENT ASSESSED VALUE, INCLUDING THE CAPTURED ASSESSED VALUE, EXCEPT FOR THAT PORTION OF THE CURRENT ASSESSED VALUE WHICH IS SUBJECT TO THE AREA-WIDE TAX RATE DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION 5. IN EACH YEAR FOR WHICH THE CURRENT ASSESSED VALUE EXCEEDS THE ORIGINAL ASSESSED VALUE, THE COUNTY TREASURER SHALL REMIT TO THE AUTHORITY THAT PORTION OF ALL TAXES PAID THAT YEAR ON REAL PROPERTY IN THE DISTRICT, INCLUDING TAXES PAID AS A RESULT OF THE APPLICATION OF THE AREA-WIDE TAX DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION 5, WHICH EXCEEDS THE TAXES ATTRIBUTABLE TO THE APPLICATION OF LOCAL MILL RATES TO THE ORIGINAL ASSESSED VALUE. THE AMOUNT SO REMITTED EACH YEAR IS REFERRED TO IN THIS SECTION AS THE TAX INCREMENT FOR THAT YEAR.)

((II) IF THE AUTHORITY RETAINS ONLY A PORTION OF THE CAPTURED ASSESSED VALUE FOR ITS USE AND RETURNS THE REMAINING PORTION TO THE TAX ROLLS OF ALL AFFECTED TAXING DISTRICTS, THE COUNTY AUDITOR SHALL INCLUDE THE ORIGINAL ASSESSED VALUE WHICH IS SHARED WITH ALL THE AFFECTED TAXING DISTRICTS IN DETERMINING THE ASSESSED VALUE FOR COMPUTING MILL RATES. HE SHALL COMPUTE THE MILL RATES OF ALL TAXES LEVIED BY THE STATE, COUNTY, MUNICIPALITY, SCHOOL DISTRICT, AND EVERY OTHER TAXING DISTRICT IN WHICH THE DISTRICT IS LOCATED IN WHOLE OR IN PART ON THIS ASSESSED VALUE. HE SHALL EXTEND ALL MILL RATES AGAINST THE TOTAL CURRENT ASSESSED VALUE INCLUDING THAT PORTION OF THE CAPTURED ASSESSED VALUE WHICH THE AUTHORITY IS RETAINING FOR ITS USE ONLY, EXCEPT FOR THAT PORTION OF THE CURRENT ASSESSED VALUE WHICH IS SUBJECT TO THE AREA-WIDE TAX RATE DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION 5. IN EACH YEAR FOR WHICH THE CURRENT ASSESSED VALUE EXCEEDS THE ORIGINAL ASSESSED VALUE, THE COUNTY TREASURER SHALL REMIT TO THE AUTHORITY THAT PORTION OF ALL TAXES PAID ON REAL PROPERTY IN THE DISTRICT, INCLUDING TAXES PAID AS A RESULT OF THE AREA-WIDE TAX RATE DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION

5, THAT EXCEEDS THE TAXES ATTRIBUTABLE TO THE APPLICATION OF LOCAL MILL RATES TO THE ORIGINAL ASSESSED VALUE AND TO THAT PORTION OF THE CAPTURED ASSESSED VALUE WHICH IS SHARED WITH ALL THE AFFECTED TAXING DISTRICTS. THE AMOUNT SO REMITTED EACH YEAR IS REFERRED TO AS THE TAX INCREMENT.)

((3) IN ANY YEAR IN WHICH THE CURRENT ASSESSED VALUE OF THE TAX INCREMENT FINANCING DISTRICT IS LESS THAN THE ORIGINAL ASSESSED VALUE, THEREBY CREATING A TAX INCREMENT DEFICIT, THE COUNTY AUDITOR SHALL COMPUTE AND EXTEND TAXES AGAINST THE CURRENT ASSESSED VALUE, EXCEPT FOR THAT PORTION OF THE CURRENT ASSESSED VALUE WHICH IS SUBJECT TO THE AREA-WIDE TAX RATE DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION 5. TAXES, INCLUDING TAXES PAID AS A RESULT OF THE APPLICATION OF THE AREA-WIDE TAX RATE DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION 5, SHALL BE DISTRIBUTED FROM THE AFFECTED PROPERTY TO EACH OF THE TAXING JURISDICTIONS AS DETERMINED BY THE CURRENT LEVY AND THERE WILL BE NO TAX INCREMENT. IN ANY YEAR SUBSEQUENT TO A YEAR IN WHICH THERE EXISTS A TAX INCREMENT DEFICIT, THE TAX INCREMENT SHALL BE COMPUTED WITHOUT REGARD TO SAID DEFICIT.)

(1) The original assessed value and the current assessed value shall be determined before the application of the fiscal disparity provisions of chapter 473F. Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured assessed value of the authority.

(2) The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of the local taxing district mill rates to the retained captured assessed value of the authority is the tax increment of the authority.

(b) Notwithstanding clause (a), the governing body may, by resolution approving the tax increment financing plan pur-

suant to section 273.74, subdivision 3, elect the following method of computation:

((1) THE ORIGINAL ASSESSED VALUE SHALL NOT INCLUDE ANY PORTION THEREOF WHICH IS SUBJECT TO THE AREA-WIDE TAX IMPOSED BY SECTION 473F.08, SUBDIVISION 6, IN THE LEVY AND ASSESSMENT OF TAXES IN THE YEAR THE DISTRICT IS CERTIFIED AND THE CURRENT ASSESSED VALUE SHALL NOT INCLUDE THE PORTION THEREOF WHICH IS SUBJECT TO THE AREA-WIDE TAX IMPOSED BY SECTION 473F.08, SUBDIVISION 6, BUT SHALL NOT OTHERWISE BE REDUCED BY THE AMOUNT OF THE CONTRIBUTION OF THE MUNICIPALITY TO THE AREA-WIDE TAX BASE PURSUANT TO SECTION 473F.08, SUBDIVISION 2, CLAUSE (A).)

((2) IN EACH SUBSEQUENT YEAR, THE COUNTY AUDITOR SHALL COMPUTE ASSESSED VALUATION, MILL RATES AND TAX INCREMENTS AS FOLLOWS:)

((I) IF THE AUTHORITY RETAINS THE FULL CAPTURED ASSESSED VALUE, THE COUNTY AUDITOR SHALL INCLUDE NO MORE THAN THE ORIGINAL ASSESSED VALUE OF THE REAL PROPERTY IN THE TAX INCREMENT FINANCING DISTRICT FOR PURPOSES OF DETERMINING ASSESSED VALUE FOR LOCAL MILL RATES. THE COUNTY AUDITOR SHALL COMPUTE THE MILL RATES OF ALL TAXES LEVIED BY THE STATE, THE COUNTY, THE MUNICIPALITY OR TOWN, THE SCHOOL DISTRICT AND EVERY OTHER TAXING DISTRICT IN WHICH THE DISTRICT IS LOCATED IN WHOLE OR IN PART ON THE AFOREMENTIONED ASSESSED VALUE. THE COUNTY AUDITOR SHALL EXTEND ALL MILL RATES AGAINST THE CURRENT ASSESSED VALUE, INCLUDING THE CAPTURED ASSESSED VALUE. IN EACH YEAR FOR WHICH THE CURRENT ASSESSED VALUE EXCEEDS THE ORIGINAL ASSESSED VALUE, THE COUNTY TREASURER SHALL REMIT TO THE AUTHORITY THAT PROPORTION OF ALL TAXES PAID THAT YEAR ON REAL PROPERTY IN THE DISTRICT WHICH THE CAPTURED ASSESSED VALUE BEARS TO THE CURRENT ASSESSED VALUE. THE AMOUNT SO REMITTED EACH YEAR IS REFERRED TO IN THIS SECTION AS THE TAX INCREMENT FOR THAT YEAR.)

((II) IF THE AUTHORITY RETAINS ONLY A PORTION OF THE CAPTURED ASSESSED VALUE FOR ITS USE AND RETURNS THE REMAINING PORTION TO THE TAX ROLLS OF ALL AFFECTED TAXING DISTRICTS, THE COUNTY AUDITOR SHALL INCLUDE THE ORIGINAL ASSESSED VALUE AND THAT PORTION OF THE

CAPTURED ASSESSED VALUE WHICH IS SHARED WITH ALL THE AFFECTED TAXING DISTRICTS IN DETERMINING THE ASSESSED VALUE FOR COMPUTING MILL RATES. HE SHALL COMPUTE THE MILL RATES OF ALL TAXES LEVIED BY THE STATE, COUNTY, MUNICIPALITY, SCHOOL DISTRICT, AND EVERY OTHER TAXING DISTRICT IN WHICH THE DISTRICT IS LOCATED IN WHOLE OR IN PART ON THIS AFOREMENTIONED ASSESSED VALUE. HE SHALL EXTEND ALL MILL RATES AGAINST THE TOTAL CURRENT ASSESSED VALUE INCLUDING THAT PORTION OF THE CAPTURED ASSESSED VALUE WHICH THE AUTHORITY IS RETAINING FOR ITS USE ONLY. IN EACH YEAR FOR WHICH THE CURRENT ASSESSED VALUE EXCEEDS THE ORIGINAL ASSESSED VALUE, THE COUNTY TREASURER SHALL REMIT TO THE AUTHORITY THAT PORTION OF ALL TAXES PAID ON REAL PROPERTY IN THE DISTRICT THAT THE RETAINED CAPTURED ASSESSED VALUE BEARS TO THE TOTAL CURRENT ASSESSED VALUE IN THE DISTRICT. THE AMOUNT SO REMITTED EACH YEAR IS REFERRED TO AS THE TAX INCREMENT.)

(3) IN ANY YEAR IN WHICH THE CURRENT ASSESSED VALUE OF THE TAX INCREMENT FINANCING DISTRICT IS LESS THAN THE ORIGINAL ASSESSED VALUE, THEREBY CREATING A TAX INCREMENT DEFICIT, THE COUNTY AUDITOR SHALL COMPUTE AND EXTEND TAXES AGAINST THE CURRENT ASSESSED VALUE. TAXES SHALL BE DISTRIBUTED FROM THE AFFECTED PROPERTY TO EACH OF THE TAXING JURISDICTIONS AS DETERMINED BY THE CURRENT LEVY AND THERE IS NO TAX INCREMENT, IN ANY YEAR SUBSEQUENT TO A YEAR IN WHICH THERE EXISTS A TAX INCREMENT DEFICIT, TAX INCREMENTS SHALL BE COMPUTED WITHOUT REGARD TO THE DEFICIT.)

(1) *The original assessed value shall be determined before the application of the fiscal disparity provisions of chapter 473F. The current assessed value shall exclude any fiscal disparity commercial-industrial assessed value increase between the original year and the current year multiplied by the fiscal disparity ratio determined pursuant to section 473F.08, subdivision 6. Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured assessed value of the authority.*

(2) *The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill*

rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of the local taxing district mill rates to the retained captured assessed value of the authority is the tax increment of the authority.

((4)) (3) An election by the governing body pursuant to part (b) shall be submitted to the county auditor by the authority at the time of the request for certification pursuant to subdivision 1.

(c) The method of computation of tax increment applied to a district pursuant to clause (a) or (b), once established, shall remain the same for the duration of the district.

Sec. 14. Minnesota Statutes, 1979 Supplement, Section 273.76, is amended by adding a subdivision to read:

Subd. 6. A request for certification of a new tax increment financing district pursuant to subdivision 1 or of a modification to an existing tax increment financing district pursuant to section 273.74, subdivision 4, received by the county auditor on or before October 10 of the calendar year shall be recognized by the county auditor in determining mill rates for the current and subsequent levy years. Such requests received by the county auditor after October 10 of the calendar year shall not be recognized by the county auditor in determining mill rates for the current levy year but shall be recognized by the county auditor in determining mill rates for subsequent levy years.

Sec. 15. Minnesota Statutes, 1979 Supplement, Section 273.76, is amended by adding a subdivision to read:

Subd. 7. [PROPERTY CLASSIFICATION CHANGES.] In the event that any law governing the classification of real property and thereby determining the percentage of market value to be assessed for ad valorem taxation purposes is amended after August 1, 1979, the increase or decrease in assessed valuation resulting therefrom shall be applied proportionately to original assessed value and captured assessed value of any tax increment financing district in each year thereafter, whether created pursuant to the Minnesota Tax Increment Financing Act or any prior tax increment law.

Sec. 16. Minnesota Statutes, 1979 Supplement, Section 273.76, is amended by adding a subdivision to read:

Subd. 8. [ASSESSMENT AGREEMENTS.] An authority may, upon entering into a development or redevelopment agreement pursuant to section 273.75, subdivision 5, enter into a written assessment agreement in recordable form with the de-

veloper or redeveloper of property within the tax increment financing district which establishes a minimum market value of the land and completed improvements to be constructed thereon until a specified termination date, which date shall be not later than the date upon which tax increment will no longer be remitted to the authority pursuant to section 273.75, subdivision 1. The assessment agreement shall be presented to the county assessor, or city assessor having the powers of the county assessor, of the jurisdiction in which the tax increment financing district is located. The assessor shall review the plans and specifications for the improvements to be constructed, review the market value previously assigned to the land upon which the improvements are to be constructed and, so long as the minimum market value contained in the assessment agreement appears, in the judgment of the assessor, to be a reasonable estimate, shall execute the following certification upon such agreement:

The undersigned assessor, being legally responsible for the assessment of the above described property upon completion of the improvements to be constructed thereon, hereby certifies that the market value assigned to such land and improvements upon completion shall not be less than \$

Upon transfer of title of the land to be developed or redeveloped from the authority to the developer or redeveloper, such assessment agreement, together with a copy of this subdivision, shall be filed for record and recorded in the office of the county recorder or filed in the office of the registrar of titles of the county where the real estate or any part thereof is situated. Upon completion of the improvements by the developer or redeveloper, the assessor shall value the property pursuant to section 273.11, except that the market value assigned thereto shall not be less than the minimum market value contained in the assessment agreement. Nothing herein shall limit the discretion of the assessor to assign a market value to the property in excess of the minimum market value contained in the assessment agreement nor prohibit the developer or redeveloper from seeking, through the exercise of administrative and legal remedies, a reduction in market value for property tax purposes; provided, however, that the developer or redeveloper shall not seek, nor shall the city assessor, the county assessor, the county auditor, any board of review, any board of equalization, the commissioner of revenue or any court of this state grant a reduction of the market value below the minimum market value contained in the assessment agreement during the term of the agreement filed of record regardless of actual market values which may result from incomplete construction of improvements, destruction or diminution by any cause, insured or uninsured, except in the case of acquisition or reacquisition of the property by a public entity. Recording or filing of an assessment agreement complying with the terms of this subdivision shall constitute notice of the agreement to any subsequent purchaser or encumbrancer of the land or any part

thereof, whether voluntary or involuntary, and shall be binding upon them.

Sec. 17. Minnesota Statutes, 1979 Supplement, Section 273.77, is amended to read:

273.77 [TAX INCREMENT BONDING.] Any other law, general or special, notwithstanding, after August 1, 1979 no bonds, payment for which tax increment is pledged, shall be issued in connection with any project for which tax increment financing has been undertaken other than as is authorized hereby and the proceeds therefrom shall be used only in accordance with section 273.75, subdivision (5) 4 as if said proceeds were tax increment, except that a tax increment financing plan need not be adopted for any project for which tax increment financing has been undertaken prior to August 1, 1979, pursuant to statutes not requiring a tax increment financing plan. Such bonds shall not be included for purposes of computing the net debt of any municipality.

(a) A municipality may issue general obligation bonds to finance any expenditure by the municipality or an authority the jurisdiction of which is wholly or partially within that municipality, pursuant to section 273.75, subdivision (5) 4 in the same manner and subject only to the same conditions as those provided in chapter 475 for bonds financing improvement costs reimbursable from special assessments. Any pledge of tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision, except when the authority and the municipality are the same, shall be made by written agreement by and between the authority and the municipality and filed with the county auditor. When the authority and the municipality are the same, the municipality may by covenant pledge tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision and thereupon shall file the resolution containing such covenant with the county auditor. When tax increment, assessments and other revenues are pledged, the estimated collections of said tax increment, assessment and any other revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds under section 475.61, subdivision 1, or the collections thereof may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 1 or 3.

(b) When the authority and the municipality are not the same, an authority may, by resolution, authorize, issue and sell its general obligation bonds to finance any expenditure which that authority is authorized to make by section 273.75, subdivision (5) 4. Said bonds of the authority shall be authorized by its resolution, shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322 and may

be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, the bonds shall be fully negotiable. In any suit, actions, or proceedings involving the validity of enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a district shall be conclusively deemed to have been issued for such purpose, and the district shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds of the authority, and such bonds shall so state on their face, shall not be a debt of any municipality, the state or any political subdivision thereof, and neither the municipality nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds be payable out of any funds or properties other than those of the authority and any tax increment and revenues of a tax increment financing district pledged therefor.

(c) Notwithstanding any other law general or special, an authority may, by resolution, authorize, issue and sell revenue bonds payable solely from all or a portion of revenues, including but not limited to tax increment revenues and assessments, derived from a tax increment financing district located wholly or partially within the municipality to finance any expenditure which the authority is authorized to make by section 273.75, subdivision (5) 4. The bonds shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322 and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, shall be fully negotiable. In any suit, action, or proceedings, involving the validity or enforceability of any bonds of the authority or the security

therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a district shall be conclusively deemed to have been issued for such purpose, and the district shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds may be further secured by a pledge and mortgage of all or any portion of the district in aid of which the bonds are issued and such covenants as the authority shall deem by such resolution to be necessary and proper to secure payment of the bonds. The bonds, and the bonds shall so state on their face, shall not be payable from nor charged upon any funds other than the revenues and property pledged or mortgaged to the payment thereof, nor shall the issuing authority be subject to any liability thereon or have the powers to obligate itself to pay or pay the bonds from funds other than the revenues and properties pledged and mortgaged and no holder or holders of the bonds shall ever have the right to compel any exercise of any taxing power of the issuing authority or any other public body, other than as is permitted or required under Laws 1979, Chapter 322 and pledged therefor hereunder, to pay the principal of or interest on any such bonds, nor to enforce payment thereof against any property of the authority or other public body other than that expressly pledged or mortgaged for the payment thereof.

The commissioner shall by September 1 of each year prepare a list of projects to be funded from the taconite environmental protection fund, with such supporting information including description of the projects, plans, and cost estimates as may be necessary. Upon recommendation of the Iron Range Resources and Rehabilitation Board, this list shall be submitted to the legislative advisory commission for its review. This list with the recommendation of the legislative advisory commission shall then be transmitted to the governor by November 1 of each year. By December 1 of each year, the governor shall approve or disapprove, or return for further consideration, each individual project. Funds for a project may be expended only upon approval of the project by the governor.

Subdivision 1. The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of

the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, less any amount distributed under clause (8), to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton to school districts to be distributed as follows:

(a) 6 cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (c), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 (OR IN WHICH IS LOCATED PROPERTY WHICH IS ENTITLED TO THE REDUCTION OF TAX PURSUANT TO SECTION 273.135, SUBDIVISION 2, CLAUSE (C)). The 23 cents, less any amount distributed under part (c), shall be distributed in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year, computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. For purposes of distributions pursuant to this part, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(c) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be

distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) 4 cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) 1 cent per taxable ton to the state *for the cost of administering the tax imposed by section 298.24.*

(7) 3 cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. (OF THIS AMOUNT, ONE CENT PER TAXABLE TON IS TO BE USED TO PROVIDE ENVIRONMENTAL DEVELOPMENT GRANTS TO LOCAL GOVERNMENTS LOCATED WITHIN ANY COUNTY IN REGION 3 AS DEFINED IN GOVERNOR'S EXECUTIVE ORDER NUMBER 60 ISSUED ON JUNE 12, 1970, WHICH DOES NOT CONTAIN A MUNICIPALITY QUALIFYING PURSUANT TO) *The amount determined in this clause shall be increased in 1981 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined*

in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.

(8) .20 cent per taxable ton shall be paid in 1979 and each year thereafter, to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and cooperative actions and which are common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(9) the amounts determined under clauses (4) (a), (4) (c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (9) and parts (a) (,) and (b) (, AND (C)) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1978, 1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

((C)) On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and

production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4)(c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certifi-

icates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

Sec. 6. Minnesota Statutes 1978, Chapter 477A, is amended by adding a section to read:

[477A.15] [TACONITE AID REIMBURSEMENT.] *Any school district in which is located property which had been entitled to a reduction of tax pursuant to Minnesota Statutes 1978, Section 273.135, Subdivision 2, clause (c), shall receive in 1981 and subsequent years an amount equal to the amount it received in 1980 pursuant to Minnesota Statutes 1978, Section 298.28, Subdivision 1, clause (3)(b). Payments shall be made pursuant to this section by the commissioner of revenue to the taxing jurisdiction on July 15 of 1981 and each year thereafter.*

Sec. 7. Minnesota Statutes 1978, Chapter 273, is amended by adding a section to read:

[273.139] [SUPPLEMENTARY HOMESTEAD PROPERTY TAX RELIEF.] *Subdivision 1. The property tax to be paid in respect to property taxable within a tax relief area described in subdivision 2 on class 3b property not exceeding 240 acres, on class 3c property, and on class 3cc property, as otherwise determined by law and regardless of the market value of the property, for all purposes shall be reduced in the amount prescribed by subdivision 2, subject to the limitations contained therein.*

Subd. 2. The amount of the reduction authorized by subdivision 1 shall be:

(a) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a county with a population of less than 100,000 in which taconite is mined or quarried and wherein a school district is located which does meet the qualifications of a tax relief area; and provided that at least 90 percent of the area of the school district which does not meet the

qualifications of section 273.134 lies within such county, 57 percent of the amount of the tax on qualified property located in the school district that does not meet the qualifications of section 273.134, provided that the amount of said reduction shall not exceed the maximum amount specified in clause (c). The reduction provided by this clause shall only be applicable to property located within the boundaries of the county described therein.

(b) In the case of property located within a school district which does not meet the qualifications of section 273.134 as a tax relief area, but which is located in a school district in a county containing a city of the first class and a qualifying municipality, but not in a school district containing a city of the first class or adjacent to a school district containing a city of the first class unless the school district so adjacent contains a qualifying municipality, 57 percent of the amount of the tax, but not to exceed the maximum specified in clause (c).

(c) The maximum reduction shall be \$375 for taxes payable in 1981. These maximum amounts shall increase by \$15 per year for taxes payable in 1982 and subsequent years.

Subd. 3. Not later than December 1 of each year, commencing in 1980, each county auditor having jurisdiction over one or more tax relief areas defined in subdivision 2 shall certify to the commissioner of revenue his estimate of the total amount of the reduction, determined under subdivision 2, in taxes payable the next succeeding year with respect to all tax relief areas in his county.

Subd. 4. For the purposes of this section, the amount of property tax to be paid shall be determined before the allowance of any reduction prescribed by section 273.13, and the reduction prescribed by this section shall be in addition to that prescribed by section 273.13.

Sec. 8. Minnesota Statutes 1978, Section 124.212, Subdivision 8a, is amended to read:

Subd. 8a. (1) Notwithstanding any provisions of any other law to the contrary, the adjusted assessed valuation used in calculating foundation aid shall include only that property which is currently taxable in the district. For districts which received payments under sections 124.215, subdivision 2a; 124.25; 124.28; 124.30; 473.633 and 473.635; the foundation aid shall be reduced by: The previous year's payment to the district pursuant to said sections times the ratio of the maximum levy allowed the district under section 275.125, subdivision 2a, to the total levy allowed by section 275.125, but not to exceed 50 percent of the previous year's payment.

(2) For districts which received payments under sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; section 6; any

law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; the foundation aid shall be reduced in the October adjustment payment by the difference between the dollar amount of the payments received pursuant to those sections in the fiscal year to which the October adjustment is attributable and the amount which was calculated, pursuant to section 275.125, subdivision 9, as a reduction of the levy attributable to the fiscal year to which the October adjustment is attributable. If the October adjustment of a district's foundation aid for a fiscal year is a negative amount because of this clause, the next fiscal year's foundation aid to that district shall be reduced by this negative amount in the following manner: there shall be withheld from each monthly scheduled foundation aid payment due the district in such fiscal year, 15 percent of the total negative amount, until the total negative amount has been withheld. The amount reduced from foundation aid pursuant to this clause shall be recognized as revenue in the fiscal year to which the October adjustment payment is attributable.

Sec. 9. Minnesota Statutes, 1979 Supplement, Section 275.125, Subdivision 9, is amended to read:

Subd. 9. (1) Districts which receive payments which result in deductions from foundation aid pursuant to section 124.212, subdivision 8a, clause (1), shall reduce the permissible levies authorized by subdivisions 3 to 14 by that portion of the previous year's payment not deducted from foundation aid on account of the payment. The levy reduction shall be made in the proportions that each permissible levy bears to the sum of the permissible levies. Reductions in levies pursuant to this clause, subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.32; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; section 6; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section by the greater of the following:

(a) an amount equal to 50 percent of the total dollar amount of the payments received pursuant to those sections in the previous fiscal year; or

(b) an amount equal to the total dollar amount of the payments received pursuant to those sections in the previous fiscal year less the product of the same dollar amount of payments

times the ratio of the maximum levy allowed the district under subdivision 2a, to the total levy allowed the district under this section in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, clause 1 or 2, to an amount less than the amount raised by a levy of 10 mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2a, clause (4) shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 7a shall not be reduced pursuant to this subdivision.

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by subdivision 11a, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to that subdivision. The reduction of the capital expenditure levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year pursuant to sections 294.21 to 294.28; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124.212, subdivision 8a, clause (2), and not applied to reduce levies pursuant to this subdivision shall be paid by the district to the commissioner of finance in the following amount on the designated date: on or before March 15 of each year, 100 percent of the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section 124.212, subdivision 8a, which is in excess of the foundation aid earned for that fiscal year. The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

Sec. 10. Minnesota Statutes 1978, Chapter 298, is amended by adding a section to read:

Section 10 is effective the day following final enactment as a restatement of the intent of Minnesota Statutes, Section 298.40, as originally enacted.

Section 1. Minnesota Statutes 1978, Section 273.36, is amended to read:

273.36 [ELECTRIC LIGHT AND POWER COMPANIES.] Personal property of electric light and power companies having a fixed situs in any city in this state shall be listed and assessed where situated, without regard to where the principal or other place of business of the company is located. *Transmission lines having a voltage of 69 kv and above, all attachments and appurtenances thereto, having a fixed situs in this state, other than in an unorganized township, shall be listed and assessed where situated, without regard to where the principal or other place of business of the company is located.*

Sec. 2. Minnesota Statutes 1978, Section 273.37, Subdivision 2, is amended to read:

Subd. 2. (ALL) *Transmission lines of less than 69 kv, transmission lines of 69 kv and above located in an unorganized town-*

ship, and distribution lines, and equipment attached thereto, having a fixed situs outside the corporate limits of cities except distribution lines taxed as provided in sections 273.40 and 273.41, shall be listed with and assessed by the commissioner of revenue in the county where situated. The commissioner shall assess such property at the percentage of market value fixed by law; and, on or before the fifteenth day of November, shall certify to the auditor of each county in which such property is located the amount of the assessment made against each company and person owning such property.

Sec. 3. Minnesota Statutes, 1979 Supplement, Section 273.42, is amended to read:

273.42 [RATE OF TAX; ENTRY AND CERTIFICATION; CREDIT ON PAYMENT; PROPERTY TAX CREDIT.] Subdivision 1. The property set forth in section 273.37, subdivision 2, consisting of transmission lines of less than 69 kv and distribution lines of 69 kv and above located in an unorganized township, and distribution lines not taxed as provided in sections 273.38, 273.40 and 273.41 shall be taxed at the average rate of taxes levied for all purposes throughout the county and shall be entered on the tax lists by the county auditor against the owner thereof and certified to the county treasurer at the same time and in the same manner that other taxes are certified, and, when paid, shall be credited, 35 percent to the general revenue fund of the county, 50 percent to the general school fund of the county, and 15 percent to the townships within the county in which the lines are located (, AFTER DEDUCTING THE AMOUNT REQUIRED FOR THE PROPERTY TAX CREDIT AS PROVIDED IN SUBDIVISION 2). The amount available for distribution to the townships shall be divided among the townships in the same proportion that the length of transmission line in each township bears to the total length of transmission line in the county (, EXCEPT THAT IF A PAYMENT TO A TOWN EXCEEDS TEN PERCENT OF THE TOWN'S LEVY FOR THE PRECEDING YEAR, THE EXCESS AMOUNT SHALL BE PAID TO THE COUNTY).

Subd. 2. Owners of land defined as class 3, 3b, 3c, 3cc, 3d or 3f pursuant to section 273.13 listed on records of the county auditor or county treasurer over which runs a high voltage transmission line as defined in section 116C.52, subdivision 3, except a high voltage transmission line the construction of which was commenced prior to July 1, 1974, shall receive a property tax credit in an amount determined by multiplying a fraction, the numerator of which is the length of high voltage transmission line which runs over that parcel and the denominator of which is the total length of that particular line running over all property within the (COUNTY) city, township or unorganized township by ten percent of the transmission line tax revenue derived from the tax on that portion of the line within the city, township or unorganized township pursuant to (THIS SECTION) section 273.36. Where a right-of-way width is shared by more than one

property owner, the numerator shall be adjusted by multiplying the length of line on the parcel by the proportion of the total width on the parcel owned by that property owner. The amount of credit for which the property qualifies shall not exceed 20 percent of the total gross tax on the parcel prior to deduction of the state paid agricultural credit and the state paid homestead credit, *provided that, if the property containing the right of way is included in a parcel which exceeds 40 acres, the total gross tax on the parcel shall be multiplied by a fraction, the numerator of which is the sum of the number of acres in each quarter section or portion thereof which contains a right of way and the denominator of which is the total number of acres in the parcel set forth on the tax statement, and the maximum credit shall be 20 percent of the product of that computation, prior to deduction of those credits. The auditor of the county in which the affected parcel is located shall calculate the amount of the credit due for each parcel and transmit that information to the county treasurer. The county auditor, in computing the credits received pursuant to sections 273.13 and 273.135, shall reduce the gross tax by the amount of the credit received pursuant to this section, unless the amount of the credit would be less than \$10.*

Sec. 4. Minnesota Statutes, 1979 Supplement, Section 275.51, Subdivision 3d, is amended to read:

Subd. 3d. The property tax levy limitation for governmental subdivisions in 1977 payable in 1978 and subsequent years shall be calculated as follows:

(a) The sum of the following amounts shall be computed:
 (1) the property tax permitted to be levied in 1976 payable 1977 computed pursuant to Minnesota Statutes 1976, Section 275.51, Subdivision 3c, plus

(2) the amount of any state aids the governmental subdivision was entitled to receive in calendar year 1977 pursuant to sections 477A.01; 298.26; 298.28, subdivisions 1 and 1a; 298.281, subdivision 1; 298.282; and 294.26, plus

(3) the amount levied in 1976 payable 1977 pursuant to Minnesota Statutes 1976, Section 275.50, Subdivision 5, Clauses (a), (c), (d), (e), and (f), except for levies made to pay tort judgments and make settlements of tort claims or to pay the salaries and benefits of municipal and probate court judges, plus

(4) the amount levied in 1976 payable 1977 pursuant to Minnesota Statutes 1976, Section 275.50, Subdivision 5, Clause (g) for the administrative costs of public assistance programs or county welfare systems, plus

(5) one-half of the amount of the special levy authorized under section 275.50, subdivision 5, clause (n) shall be added to the permanent levy limit base of the governmental subdivision in the year following the year in which it has been discontinued as

a special levy pursuant to the provisions of section 275.50, subdivision 5, clause (n).

(b) The sum computed in clause (a) shall be increased annually in the manner provided in section 275.52 to derive the levy limit base for successive years.

(c) For taxes levied in 1978 payable 1979 and subsequent years, the levy limit base is the levy limit base which was computed for the immediately preceding year under the provisions of this section increased according to the provisions of section 275.52. To determine the levy limit base for taxes levied in 1979 payable 1980 and subsequent years, (a) the levy limit base used for taxes levied in 1979 payable in 1980 shall be increased by the excess of the amount levied in 1979 for refuse collection and street maintenance over the amount levied in 1978 payable 1979 for those purposes; and (b) in the case of a city of the first class located within the metropolitan area defined in section 473.121, subdivision 2, for the purpose of calculating the levy limit base to be used for taxes levied in 1979, payable 1980, the levy limit base used for taxes levied in 1978, payable 1979, shall be reduced by an amount sufficient to reduce the levy limitation for taxes levied in 1978 payable 1979 by 15 percent. *To determine the levy limit base used for taxes levied in 1981 payable in 1982 and subsequent years, the levy limit base used for taxes levied in 1981 payable in 1982 shall be increased by the revenue derived by the governmental subdivision for taxes levied in 1980 payable in 1981 from transmission lines of 69 kv or greater assessed under Minnesota Statutes 1978, Section 273.37.* Any amount levied in 1976 payable 1977 under the provisions of section 275.50, subdivision 5, clauses (a), (c), (d), (e) or (f) to meet the costs of programs, services or legal requirements which cease to exist in a subsequent year shall be subtracted from the levy limit base in the year in which the programs, services or legal requirements for which the levy was made cease to exist.

(d) The levy limit base shall be reduced by the total amount of state formula aids pursuant to section 477A.01 and taconite taxes and aids pursuant to sections 294.26; 298.26; 298.28, subdivision 1; 298.282 and state reimbursements for wetlands property tax exemptions provided in section 272.02, subdivision 1, clause (16); and the payments in lieu of taxes to a county pursuant to section 477A.12 which are required to be used to provide property tax levy reduction, to be paid in the calendar year in which property taxes are payable. As provided in section 298.28, subdivision 1, for taxes payable in 1978 and 1979, two cents per taxable ton, and for taxes payable in 1980 and thereafter, one cent per taxable ton of the amount distributed under section 298.28, subdivision 1, clause (4)(c) shall not be deducted from the levy limit base of the counties that receive that aid. The resulting figure is the amount of property taxes which a governmental subdivision may levy for all purposes other than those for which special levies and special assessments are made.

Sec. 5. Laws 1979, Chapter 303, Article II, Section 39, is amended to read:

Sec. 39. [EFFECTIVE DATE.] Sections 5, 8, 18, 19 and 24, except as otherwise provided and 38, subdivision (2) 1, are effective for taxes levied in 1980 payable in 1981 and thereafter.

Sections 6, 16 and 17 are effective for taxes levied in 1979 payable 1980 and thereafter.

Sections 20, 21 and 38, subdivision 2, are effective for 1981 payable 1982 and thereafter.

Sections 28 to 34 are effective for claims based on property taxes payable in 1980 and rent constituting property taxes in 1979 and subsequent years, except that section 28, subdivision 3, clause (f) is effective for property tax refund claims based on rent paid in 1976 and property taxes payable in 1977 and subsequent years.

Sec. 6. [EFFECTIVE DATE.] *Sections 1 to 3 are effective for taxes levied in 1981 and thereafter, and payable in 1982 and thereafter.*

ARTICLE XI

SPECIAL ASSESSMENT APPEALS

Section 1. Minnesota Statutes 1978, Section 429.061, Subdivision 1, is amended to read:

429.061 [ASSESSMENT PROCEDURE.] Subdivision 1. [CALCULATION, NOTICE.] At any time after (A CONTRACT IS LET OR THE WORK ORDERED BY DAY LABOR,) the expense incurred or to be incurred in (ITS) making *an improvement* shall be calculated under the direction of the council (.), the council shall (THEN) determine by resolution the amount of the total expense the municipality will pay, other than the amount, if any, which it will pay as a property owner, and the amount to be assessed. Thereupon the clerk, with the assistance of the engineer or other qualified person selected by the council, shall calculate the proper amount to be specially assessed for the improvement against every assessable lot, piece or parcel of land, without regard to cash valuation, in accordance with the provisions of section 429.051. The proposed assessment roll shall be filed with the clerk and be open to public inspection. The clerk shall thereupon, under the council's direction, publish notice that the council will meet to consider the proposed assessment. Such notice shall be published in the newspaper at least once and shall be mailed to the owner of each parcel described in the assessment roll. For the purpose of giving mailed notice under this subdivision, owners shall be those shown to be such on the records of the county auditor or, in any county where tax statements are mailed by

the county treasurer, on the records of the county treasurer; but other appropriate records may be used for this purpose. Such publication and mailing shall be no less than two weeks prior to such meeting of the council. Except as to the owners of tax exempt property or property taxes on a gross earnings basis, every property owner whose name does not appear on the records of the county auditor or the county treasurer shall be deemed to have waived such mailed notice unless he has requested in writing that the county auditor or county treasurer, as the case may be, include his name on the records for such purpose. Such notice shall state the date, time, and place of such meeting, the general nature of the improvement, the area proposed to be assessed, that the proposed assessment roll is on the file with the clerk, and that written or oral objections thereto by any property owner will be considered. *No appeal may be taken as to the amount of any assessment adopted pursuant to subdivision 2, unless a written objection signed by the affected property owner is filed with the municipal clerk prior to the assessment hearing or presented to the presiding officer at the hearing.* The notice shall also state that an owner may appeal an assessment to district court pursuant to section 429.081 by serving notice of the appeal upon the mayor or clerk of the municipality within 20 days after the adoption of the assessment and filing such notice with the district court within ten days after service upon the mayor or clerk. The notice shall also inform property owners of the provisions of sections 435.193 to 435.195 and the existence of any deferment procedure established pursuant thereto in the municipality.

Sec. 2. Minnesota Statutes 1978, Section 429.061, Subdivision 2, is amended to read:

Subd. 2. [ADOPTION; INTEREST.] At such meeting or at any adjournment thereof the council shall hear and pass upon all objections to the proposed assessment, whether presented orally or in writing. The council may amend the proposed assessment as to any parcel and by resolution adopt the same as the special assessment against the lands named in the assessment roll. Notice of any adjournment of the hearing shall be adequate if the minutes of the meeting so adjourned show the time and place when and where the hearing is to be continued, or if three days notice thereof be published in the newspaper.

The council may consider any objection to the amount of a proposed assessment as to a specific parcel of land at an adjourned hearing upon further notice to the affected property owner as it deems advisable. At the adjourned hearing the council or a committee of it may hear further written or oral testimony on behalf of the objecting property owner and may consider further written or oral testimony from appropriate city officials and other witnesses as to the amount of the assessment. The council or committee shall prepare a record of the proceedings at the adjourned hearing and written findings as to the amount of the assessment. The amount of the assessment as finally determined

by the council shall become a part of the adopted assessment roll. All objections to the assessments not received at the assessment hearing in the manner prescribed by this section are waived, unless the failure to object at the assessment hearing is due to a reasonable cause.

The assessment, with accruing interest, shall be a lien upon all private and public property included therein, from the date of the resolution adopting the assessment, concurrent with general taxes; but the lien shall not be enforceable against public property as long as it is publicly owned, and during such period the assessment shall be recoverable from the owner of such property only in the manner and to the extent provided in section 435.19. Except as provided below, all assessments shall be payable in equal annual installments extending over such period, not exceeding 30 years, as the resolution determines, payable on the first Monday in January in each year, but the number of installments need not be uniform for all assessments included in a single assessment roll if a uniform criterion for determining the number of installments is provided by the resolution. The first installment of each assessment shall be included in the first tax rolls completed after its adoption and shall be payable in the same year as the taxes contained therein; except that the payment of the first installment of any assessment levied upon unimproved property may be deferred until a designated future year, or until the platting of the property or the construction of improvements thereon, upon such terms and conditions and based upon such standards and criteria as may be provided by resolution of the council. In any event, every assessment the payment of which is so deferred, when it becomes payable, shall be divided into a number of installments such that the last installment thereof will be payable not more than 30 years after the levy of the assessment. All assessments shall bear interest at such rate as the resolution determines, not exceeding eight percent per annum, except that the rate may in any event equal the average annual interest rate on bonds issued to finance the improvement for which the assessments are levied. To the first installment of each assessment shall be added interest on the entire assessment from a date specified in the resolution levying the assessment, not earlier than the date of the resolution, until December 31 of the year in which the first installment is payable, and to each subsequent installment shall be added interest for one year on all unpaid installments; or alternatively, any assessment may be made payable in equal annual installments including principal and interest, each in the amount annually required to pay the principal over such period with interest at such rate as the resolution determines, not exceeding the maximum period and rate specified above. In the latter event no prepayment shall be accepted under subdivision 3 without payment of all installments due to and including December 31 of the year of prepayment, together with the original principal amount reduced only by the amounts of principal included in such installments, computed on an annual amortization basis. When payment of an assessment is deferred, as authorized in this subdivision, interest there-

on for the period of deferment may be made payable annually at the same times as the principal installments of the assessment would have been payable if not deferred; or interest for this period may be added to the principal amount of the assessment when it becomes payable; or, if so provided in the resolution levying the assessment, interest thereon to December 31 of the year before the first installment is payable may be forgiven.

Sec. 3. Minnesota Statutes 1978, Section 429.081, is amended to read:

429.081 [APPEAL TO DISTRICT COURT.] Within 30 days after the adoption of the assessment, any person aggrieved, *who is not precluded by failure to object prior to or at the assessment hearing, or whose failure to so object is due to a reasonable cause*, may appeal to the district court by serving a notice upon the mayor or clerk of the municipality. The notice shall be filed with the clerk of the district court within ten days after its service. The municipal clerk shall furnish appellant a certified copy of objections filed in the assessment proceedings, the assessment roll or part complained of, and all papers necessary to present the appeal. The appeal shall be placed upon the calendar of the next general term commencing more than five days after the date of serving the notice and shall be tried as other appeals in such cases. The court shall either affirm the assessment or set it aside and order a reassessment as provided in section 429.071, subdivision 2. If appellant does not prevail upon the appeal, the costs incurred shall be taxed by the court and judgment entered therefor. All objections to the assessment shall be deemed waived unless presented on such appeal. This section provides the exclusive method of appeal from a special assessment levied pursuant to this chapter.

REVENUE RECAPTURE ACT

Section 1. [CITATION.] *This article may be cited as the "revenue recapture act".*

Sec. 2. [PURPOSE.] *The purpose of this article is to establish a system of collecting debts owed to state government by applying any of the debtor's tax refunds to the amount of his debt. To further this purpose a policy of cooperation is established between the department of revenue and claimant agencies in identifying individuals who both owe a claimant agency money and qualify for a tax refund.*

A debt does not include any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant.

Subd. 2. Any debt owed to a claimant agency shall be submitted by the agency for collection under the procedure established by sections 1 to 14 unless (a) an alternative means of collection is pending and believed to be adequate, (b) the collection attempt would result in a loss of federal funds, or (c) the agency is unable to supply the department with the necessary identifying information required by subdivision 3 or rules promulgated by the commissioner.

Subd. 3. For each debt submitted, the claimant agency shall provide the commissioner with the name and social security number of the debtor and any other identifying information required by rules promulgated by the commissioner.

Sec. 5. [MINIMUM SUM COLLECTIBLE.] The minimum sum which a claimant agency may collect through use of the set-off procedure is \$25.

Sec. 6 [COLLECTION OF DEBTS THROUGH SET-OFF.] Subject to the limitations of sections 1 to 14, the department shall, upon request by a claimant agency, render assistance in the collection of any debt owing to the agency. This assistance shall be provided by use of a procedure in which the sum of the refund due the debtor is applied to the amount due and owing from the debtor to the claimant agency.

Sec. 7. [PROCEDURE FOR SET-OFF COLLECTION.]
Subdivision 1. [NOTIFICATION REQUIREMENT.] On or before December 15 any claimant agency, seeking collection of a debt through set-off against a refund due in the succeeding year, shall submit to the commissioner information indicating the amount of each debt and information identifying the debtor, as required by section 4, subdivision 3. Subject to the notification deadline specified above, the notification shall be effective only to initiate set-off for claims against refunds that would be made in the calendar year subsequent to the year in which notification is made to the commissioner.

Subd. 2. [SET-OFF PROCEDURES.] (a) The commissioner, upon receipt of notification, shall initiate procedures to detect any refunds otherwise payable to the debtor. When the commissioner determines that a refund is due to a debtor whose debt was submitted by a claimant agency, the commissioner shall remit the refund or the amount claimed, whichever is less, to the agency. In transferring or remitting moneys to the claimant agency, the commissioner shall provide information indicating the amount applied against each debtor's obligation and the debtor's address listed on the tax return.

(b) The commissioner shall remit to the debtor the amount of any refund due in excess of the debt submitted for set-off by the claimant agency. Notice of the amount set-off and address of the claimant agency shall accompany any disbursement to the debtor of the balance of a refund.

Subd. 3. [DEPOSIT OF FUNDS.] Any amounts remitted or transferred to state agencies shall be deposited as provided in Minnesota Statutes, Section 16A.72.

Any action for the set-off funds shall be made against the claimant agency pursuant to section 9.

Subd. 5. [INTEREST ON REFUNDS.] Any refund wrongfully or incorrectly applied to a debt and transferred to a claimant agency shall be paid by the agency to the debtor. The sum wrongfully or incorrectly withheld shall bear interest at six

percent per year, computed from the date when the refund would begin to bear interest under Minnesota Statutes, Section 290.92, Subdivision 13, Clause (1), regardless of whether the refund is payable under Minnesota Statutes, Chapter 290 or 290A. If the claimant agency is a state agency, the payment shall be made out of the agency's appropriation.

Sec. 8. [NOTICE AND HEARING REQUIRED.] *Subdivision 1. Not later than five days after the claimant agency has sent notification to the department pursuant to section 7, subdivision 1, the claimant agency shall send a written notification to the debtor asserting the right of the claimant agency to the refund or any part thereof.*

Subd. 2. (a) This written notice shall clearly set forth the basis for the claim to the refund and, further, shall advise the debtor of the claimant agency's intention to request set-off of the refund against the debt.

(b) The notice will also advise the debtor of his right to contest the validity of the claim at a hearing. The debtor must assert this right by written request to the claimant agency, which request the agency must receive within 45 days of the mailing date of the original notice, as required by subdivision 1.

Sec. 9. [CONTESTED CLAIMS PROCEDURE.] *Subdivision 1. If a claimant agency, except for a public agency responsible for child support enforcement, receives written notice of a debtor's intention to contest at hearing the claim upon which the intended set-off is based, it shall initiate a hearing according to contested case procedures established in the state administrative procedure act not later than 30 days after receipt of the debtor's request for a hearing. The public agency responsible for child support enforcement shall provide for hearing in the manner prescribed by Minnesota Statutes, Section 256.045.*

Sec. 10. [PRIORITY OF CLAIMS.] *If two or more debts, in a total amount exceeding the debtor's refund, are submitted for set-off, the priority of payment shall be as follows: First, any delinquent tax obligations of the debtor which are owed to the department shall be satisfied. Secondly, the refund shall be applied to the remaining debts based on the order in time in which the commissioner received the debts.*

Sec. 11. [DATA PRIVACY.] *Notwithstanding Minnesota Statutes, Sections 290.61 and 290A.17, private and confidential*

data on individuals may be exchanged among the department, the claimant agency, and the debtor as necessary to accomplish and effectuate the intent of sections 1 to 14, as provided by Minnesota Statutes, Section 15.163, Subdivision 4, Clause (b). The department may disclose to the claimant agency only the debtor's name, address, social security number and the amount of the refund. Any person employed by, or formerly employed by, a claimant agency who discloses any such information for any other purpose, shall be subject to the civil and criminal penalties of Minnesota Statutes, Sections 15.167 and 290.61.

Subd. 4. [INVESTMENT.] The permanent school fund shall be invested by the state board in the following securities as directed by Article XI, Section 8 of the constitution of the state of Minnesota:

(a) Interest bearing fixed income securities of the United States and its agencies, including securities fully guaranteed by the United States, bonds of Minnesota or its political subdivisions or agencies, or of other states but not more than 50 percent of any issue by a political subdivision;

(b) Stocks of corporations with cash dividends paid from earnings for the five consecutive years prior to purchase, but not more than 20 percent of the fund shall be invested therein nor more than one percent in stock of any one corporation, nor more than five percent of the voting stock of any one corporation shall be owned;

(c) Bonds of corporations whose earnings have been at least three times the interest requirements on outstanding bonds for five consecutive years or longer immediately prior to purchase, but not more than 40 percent of the fund shall be so invested;

(d) The percentages referred to above shall be computed using the cost price of the stocks or bonds.

Subd. 5. [CALCULATION OF INCOME.] As of the end of each fiscal year, the state board shall calculate the investment income earned by the permanent school fund. The investment

income earned by the fund shall equal the amount of interest on debt securities and dividends on equity securities. If the sale of securities results in a net loss during a fiscal year, the net loss shall be recovered from interest and dividend income in equal installments over a period equal to (a) the average period prior to maturity remaining on the debt securities which were sold if the sale of debt securities resulted in the loss, or (b) over a period of five years if the sale of equity securities resulted in the loss unless there is a net gain in the sale of securities sufficient to eliminate the amount of the loss prior to the end of the period. In any fiscal year in which gains on the sale of securities exceed the losses on the sales of securities, the excess shall be added to the principal of the fund.

Subd. 6. [DISPOSITION OF INCOME.] Notwithstanding provisions of section 10, the income of the permanent school fund as calculated pursuant to subdivision 5, shall be credited to the permanent school fund, and transferred to the school endowment fund as needed for payments made pursuant to Minnesota Statutes, Section 124.08.

Sec. 15. [11A.17] [MINNESOTA SUPPLEMENTAL RETIREMENT INVESTMENT FUND.] Subdivision 1. [ESTABLISHMENT.] There is hereby established a supplemental retirement investment fund for the purpose of providing an investment vehicle for the assets of various public retirement plans and funds. This fund shall consist of three investment accounts: an income share account, a growth share account, and a fixed-return account. The supplemental retirement investment fund shall be a continuation of the supplemental retirement fund in existence on January 1, 1980.

Subd. 2. [ASSETS.] The assets of the supplemental retirement investment fund shall consist of the moneys certified and transmitted to the state board from the participating public retirement plans and funds and shall be used to purchase investment shares in the investment accounts specified by the plan or fund.

Subd. 3. [MANAGEMENT.] The supplemental retirement investment fund shall be managed by the state board.

Subd. 4. [INVESTMENT.] The assets of the supplemental retirement investment fund shall be invested by the state board subject to the provisions of section 22; provided, however, that the fixed-return account shall be invested entirely in debt obligations and the growth share account shall be invested as follows:

(a) Up to 100 percent of the book value may be invested in corporate stocks;

(b) Up to six percent of the book value may be invested in the stock of any one corporation;

(c) Up to ten percent of the book value may be invested in corporate stocks which do not conform with the dividend standard provided for in section 22.

Subd. 5. [PARTICIPATING PUBLIC RETIREMENT PLANS OR FUNDS.] Any public retirement plan or fund authorized or required by law to invest its assets in the supplemental retirement investment fund may from time to time as provided by law certify moneys to the state board for the purchase of investment shares in the investment accounts of the supplemental retirement investment account. The state board shall credit each purchase of investment shares to the appropriate participating public retirement plan or fund and shall confirm each purchase in writing to the appropriate plan or fund. Each participating public retirement plan or fund shall maintain adequate records to account for moneys certified to the supplemental retirement investment fund.

Subd. 6. [PARTICIPATION IN FUND.] Each public retirement plan or fund which has certified moneys to the state board for investment in the supplemental retirement investment fund shall have a participation in each investment account of the fund in which it has moneys invested. The participation shall be determined by the ratio of the number of shares credited to the public retirement plan or fund to the total number of shares in that account.

Subd. 7. [PURCHASE OF SHARES.] The state board shall allocate shares in the investment account or accounts at least monthly following the receipt of the funds for purchase of shares from the public retirement plan or fund as specified in the certification. The purchase price for shares shall be determined using the procedure specified in subdivision 9.

Subd. 8. [REDEMPTION OF SHARES.] The state board shall redeem shares in the investment account or accounts on the first business day after the valuation date next following the receipt of the request for redemption of shares from the public retirement plan or fund. The redemption value for shares shall be determined using the procedure specified in subdivision 9. Moneys representing the value of the redeemed shares shall be transmitted to the public retirement plan or fund making the request.

Subd. 9. [VALUATION OF INVESTMENT SHARES.] The value of investment shares in the income share investment account or in the growth share investment account shall be determined by dividing the total market value of the securities constituting the respective account by the total number of shares then outstanding in the investment account. Whenever the value of investment shares of an investment account has exceeded \$10 per share for a period of six consecutive months, each invest-

ment share in the investment account may be split at the direction of the board on a two new shares for one prior share basis. The value of investment shares in the fixed-return investment account shall be \$5 per share; provided, however, if the fixed-return investment account shares are redeemed by a public retirement fund where the shares are not attributable to the individual account of any person prior to the expiration of the multi-year period set by the board for the payment of the applicable assumed rate, the value of the investment shares shall be at market value. Terms as to withdrawal schedules will be agreed upon by the public retirement fund and the state board. Notwithstanding the provisions of section 10, the investment income earned by the fixed-return investment account shall be used to purchase additional shares on behalf of each participating public retirement plan or fund.

Subd. 10. [CERTIFICATIONS FOR INVESTMENT AND REQUESTS FOR REDEMPTION.] The state board may specify the required forms for certifications of moneys for investment and requests for redemption of investment shares and may require the filing of any other documents which it deems necessary.

Subd. 11. [PROSPECTUS.] Annually, on or before July 1, the state board shall prepare and shall issue a prospectus for the supplemental retirement investment fund with separate exhibits for each investment account. The exhibit for each account shall list for each security representing the current assets of the account the following items, whichever are applicable:

- (1) The purchase price of the security;
- (2) The current market value of the security;
- (3) The current dividend or interest rate of the security;
- (4) The rating of a debt security issued by a nationally recognized rating agency if it is other than a security issued or guaranteed by the United States government.

The prospectus shall set forth the statutory provisions governing the supplemental retirement investment account.

Sufficient copies of the prospectus shall be transmitted to each public retirement plan or fund participating in the supplemental retirement investment account to meet the plan or fund's distribution requirements. Ten copies of the prospectus shall be filed with the director of the legislative reference library.

Subd. 12. [RATE OF INTEREST FOR FIXED RETURN.] At the beginning of each fiscal year, the state board shall set an

assumed interest rate for moneys invested in the account during that year, with the rate applicable to all sums invested during that 12 month period. At the end of the 12 months, the state board may determine the period over which the an assumed rate is to apply to funds so invested, depending on the average yield and maturity of the securities purchased. Any earnings accrued to the account above the rate earlier indicated may be used to purchase additional shares on behalf of each participating public retirement plan or fund at fiscal year end after necessary reserves are established.

Sec. 16. [11A.18] [MINNESOTA POST-RETIREMENT INVESTMENT FUND.] Subdivision 1. [ESTABLISHMENT.] *There is hereby established a post-retirement investment fund for the purpose of providing an investment vehicle for the reserves for various retirement annuities and benefits payable by the participating retirement funds and plans. The post-retirement investment fund shall be a continuation of the Minnesota adjustable fixed benefit fund in existence on January 1, 1980.*

Subd. 2. [ASSETS.] *The assets of the post-retirement investment fund shall consist of the moneys representing the reserves for various retirement annuities and benefits payable by participating retirement funds and plans which have been certified to and received by the state board from the participating public retirement funds and plans.*

Subd. 3. [MANAGEMENT.] *The post-retirement investment fund shall be managed by the state board.*

Subd. 4. [INVESTMENT.] *The assets of the post-retirement investment fund shall be invested by the state board subject to the provisions of section 22.*

Subd. 5. [DEFERRED YIELD ADJUSTMENT ACCOUNT.] *There is hereby established a deferred yield adjustment account which shall be increased by the sale or disposition of any debt securities at less than book value and shall be decreased by the sale or disposition of debt securities at more than book value. At the end of each fiscal year, a portion of the balance of this account shall be offset against the investment income for that year. The annual portion of the balance to be offset shall be proportional to the reciprocal of the average remaining life of the bonds sold, unless the amounts are offset by gains on the future sales of these securities. The amount of this account shall be included in the recognized value of assets other than corporate stocks and all other equity investments. In any fiscal year in which the gains on the sales of debt securities exceed the discounts realized on the sales of such securities, the excess shall be used to reduce the balance of the account.*

Subd. 6. [PARTICIPATING PUBLIC RETIREMENT FUNDS OR PLANS.] Any public retirement fund or plan authorized by law to participate in the post-retirement investment fund shall no later than the commencement of a benefit payment from the post-retirement investment fund, certify and transfer to the state board moneys equal to the actuarially determined reserves required for those retirement annuities and benefits which are payable by the public retirement fund or plan and which are specified in law to be included in the participation in the fund. The state board shall confirm in writing each certification and transfer of moneys made by a participating public retirement fund or plan. Each participating public retirement fund or plan shall maintain adequate records to account for moneys transferred to the post-retirement investment fund.

Subd. 7. [PARTICIPATION IN FUND.] Each participating public retirement fund or plan which has transferred moneys to the state board for investment in the post-retirement investment fund shall have an undivided participation in the fund. The participation on any valuation date shall be determined by adding to the participation on the prior valuation date: (a) funds transferred in accordance with subdivision 6, (b) the amount of required investment income on its participation as defined in subdivision 9, clause (1)(c) and (c) the reserves for any benefit adjustment made as of the current valuation date with the result adjusted for any mortality gains or losses determined pursuant to subdivision 11.

Subd. 8. [WITHDRAWAL OF MONEYS.] Upon certification by the applicable executive director that a portion of the certified moneys representing the required reserves for various retirement annuities or benefits payable from the participating public retirement fund or plan are required for the payment of a retirement annuity or benefit, the state board shall sell sufficient securities or transfer sufficient available cash to equal the amount of money certified as required and shall order the transfer of that amount to the appropriate executive director.

Subd. 9. [CALCULATION OF POST-RETIREMENT ADJUSTMENT.] Annually, following June 30, the state board shall determine whether a post-retirement adjustment shall be payable and shall determine the amount of any post-retirement adjustment which shall be payable.

(1) The state board shall determine whether a post-retirement adjustment shall be payable using the following procedure:

(a) The state board shall determine the amount of dividends, interest, accruals and realized equity capital gains or losses applicable to the most recent fiscal year ending June 30;

(b) The participating public pension funds or plans shall determine the amount of reserves required for every annuitant and benefit recipient as of the current June 30. Every annuitant

or benefit recipient who has been receiving an annuity or benefit for at least one year as of the current June 30 shall be eligible to receive a post-retirement adjustment. Each fund shall report separately the amount of the reserves for those annuitants and benefit recipients who are eligible to receive a post-retirement benefit adjustment and those annuitants and benefit recipients who are not eligible to receive a post-retirement adjustment. The amount of the required reserves shall be certified to the board as soon as is practical following the current June 30;

(c) The state board shall determine the amount of investment income required to equal five percent of the required reserves as of the preceding June 30 adjusted by five percent of each transfer in or transfer out multiplied by the fraction of a year from the date of transfer to the current June 30. This amount of required investment income shall be subtracted from the actual amount of investment income determined pursuant to clause (1)(a), to determine the amount of excess investment income. If this amount is positive, then a post-retirement adjustment may be paid.

(2) The state board shall determine the amount of any post-retirement adjustment which is payable using the following procedure:

(a) The state board shall determine the amount of excess investment income by the method indicated in clause (1);

(b) The participating public pension funds and plans shall certify to the state board the total required reserves as of the first of January next following the end of the fiscal year for the annuitants and benefit recipients eligible to receive the post-retirement adjustment as determined by clause (1)(b);

(c) If the state board determines that the book value of the assets of the fund is less than an amount equal to 100 percent of the current June 30 required reserves, with the book value to be determined after the adjustments provided for in subdivision 11, then the board shall allocate 25 percent of the excess investment income as an asset of the fund. The remaining 75 percent will be termed available for distribution. The book value of assets on any given date shall be the cost of equity investments and the amortized cost of fixed income investments.

(d) The resulting total amount available for distribution shall be increased by two and one-half percent, and the result shall be stated as a percentage of the total required reserves pursuant to clause (2)(b), and if the percentage is equal to or greater than one percent, the amount shall be certified to each participating public pension fund or plan as the amount of the post-retirement adjustment. If the percentage is less than one percent, the amount shall be credited to a separate reserve established for this purpose. The reserve shall be invested in the same

manner as all other assets of the fund and shall be credited with any investment income as specified in clause (1)(a). Amounts credited to the reserve shall be utilized in determining a post-retirement adjustment in the subsequent year. The amount certified shall be carried to five decimal places and stated as a percentage.

Subd. 10. [PAYMENT OF POST-RETIREMENT ADJUSTMENT.] Upon receiving the certification of the amount of the post-retirement adjustment from the state board, each participating public pension fund or plan shall determine the amount of the post-retirement adjustment payable to each eligible annuitant and benefit recipient. The dollar amount of the post-retirement adjustment payable to each annuitant or benefit recipient shall be calculated by applying the certified post-retirement adjustment percentage to the amount of the monthly annuity or benefit payable to each eligible annuitant or benefit recipient. The post-retirement adjustment shall commence to be paid on January 1 following the calculations required pursuant to this section and shall thereafter be included in the monthly annuity or benefit paid to the recipient. Notwithstanding Minnesota Statutes, Section 356.18, any adjustment pursuant to this section shall be paid automatically unless the intended recipient files a written notice with the applicable participating public pension fund or plan requesting that the adjustment not be paid.

Subd. 11. [ADJUSTMENT FOR MORTALITY GAINS AND LOSSES.] As of June 30 annually, the actuary of each participating public pension fund or plan shall calculate the amount of required reserves representing any mortality gains and any mortality losses incurred by the fund or plan during the fiscal year. The actuary shall report separately the amount of the reserves for annuitants and benefit recipients who are eligible for a post-retirement benefit adjustment and the amount of reserves for annuitants and benefit recipients who are not eligible for a post-retirement benefit adjustment. If the net amount of required reserves represents a mortality gain, the participating public pension fund or plan shall certify that amount to the state board, which shall sell sufficient securities or transfer sufficient available cash to equal the amount of money certified. If the amount of required reserves represents a mortality loss, the participating public pension fund or plan shall transfer to the state board an amount equal to the amount of the net mortality loss. The amount of the transfers shall be determined before any post-retirement benefit adjustments have been made. All book values of the assets of the fund for the purposes of subdivision 9 shall be determined only after all adjustments for mortality gains and losses for the fiscal year have been made.

Subd. 12. [APPROPRIATION OF REQUIRED AMOUNTS.] All moneys necessary to meet the requirements of the certification of withdrawals and all moneys necessary to pay post-retirement adjustments pursuant to this section are

hereby and from time to time appropriated from the post-retirement investment fund to the state board.

Sec. 17. [11A.19] [VARIABLE ANNUITY INVESTMENT FUND.] *Subdivision 1. [ESTABLISHMENT.] There is hereby established a variable annuity investment fund for the purpose of providing an investment vehicle for the assets of the variable annuity program of the teachers retirement association. The variable annuity investment fund shall be a continuation of the variable annuity fund in existence on January 1, 1980.*

Subd. 2. [ASSETS.] The assets of the variable annuity investment fund shall consist of all cash and investments credited to the variable annuity program of the teachers retirement association.

Subd. 3. [MANAGEMENT.] The variable annuity investment fund shall be managed by the state board.

Subd. 4. [INVESTMENT.] The assets of the variable annuity investment fund shall be invested by the state board subject to the provisions of section 22 except that:

(a) Up to 100 percent of the book value may be invested in corporate stocks;

(b) Up to six percent of the book value may be invested in the stock of any one corporation;

(c) Up to ten percent of the book value may be invested in corporate stocks which do not conform with the dividend standard provided for in section 22, subdivision 5.

Subd. 5. [VALUATION OF FUND.] The variable annuity investment fund shall be valued by the state board bimonthly, using the closing market prices of the last business days of August, October, December, February, April and June of each fiscal year. The ratio of the total market value of investments to the admitted value of investments at the end of the preceding fiscal year, plus the cost of investments acquired, less the net receipts from investments sold during the fiscal year, shall be determined for each valuation date. The admitted value of the investments of the variable annuity investment fund at the end of each fiscal year shall be the book value of all investments held at that date multiplied by the average of the ratios at the 12 bimonthly valuation dates for the fiscal year and the immediately preceding fiscal year. The book value of investments during any fiscal year shall be the admitted value at the end of the preceding fiscal year or the cost of the investments if acquired during the fiscal year.

Subd. 6. [ACCOUNTING PROCEDURES.] Notwithstanding provisions of section 10, the following procedures shall be employed by the state board:

(1) The earnings from the investments of the variable annuity investment fund shall consist of dividends, interest and all other income derived from the investments and shall be determined on an accrual basis as of each bimonthly valuation date. The income shall be attributed to those funds in the account at the beginning of the bimonthly period. Earnings from investments shall not include changes in the admitted values of the investments.

(2) Any realized gain or loss shall be recorded in a realized appreciation account, and shall consist of the amount received on sale less the cost of the security. Unrealized gains or losses for any fiscal year shall be determined as provided in subdivision 5.

Subd. 7. [TOTAL ANNUAL INCREMENT OR DECREMENT.] The total annual increment or decrement for any one year shall be the sum of (a) the six bimonthly computations of earnings as computed under subdivision 6, clause (1); (b) total realized gains or losses for the fiscal year as computed under subdivision 6, clause (2), after adjusting for the approximate unrealized gain or loss evidenced for such securities in the admitted value; and (c) total unrealized gains or losses for the fiscal year as computed under subdivision 6, clause (2).

Subd. 8. [RATE OF RETURN.] The total annual increment or decrement divided by the admitted value of the assets of the Minnesota variable annuity fund, as computed pursuant to subdivision 5, shall be defined as the rate of return for the fiscal year. The rate of return is to be used as the percentage of increase or decrease which shall be credited to the individual member's account balances at the end of the fiscal year.

Sec. 18. [11A.20] [INVESTMENT OF STATE TREASURY FUNDS NOT CURRENTLY NEEDED.] Subdivision 1. [CERTIFICATION OF STATE TREASURY FUNDS NOT CURRENTLY NEEDED.] The state treasurer shall make a report to the commissioner of finance daily or at other times as the commissioner of finance shall determine of the funds in the state treasury together with any other information which the commissioner may prescribe. When there are funds in the state treasury over and above the amount that the commissioner of finance has advised the treasurer is currently needed, the state treasurer shall certify to the state board the amount thereof.

Sec. 26. Minnesota Statutes, 1979 Supplement, Section 43.064, is amended to read:

43.064 [OTHER SALARIES SET BY COMMISSIONER OF PERSONNEL.] Notwithstanding any other law to the contrary, compensation for all unclassified positions in the executive branch not enumerated in the listing described in section 15A.081, shall be established by the commissioner except for the following: (1) positions listed in section 299D.03; (2) employees in the office of the governor whose salaries shall be determined by the governor; (3) employees in the office of the attorney general; (4) *employees of the state board of investment*; (5) positions in the state university system, the community college system, and in the higher education coordinating board whose primary duties consist of instructing and counseling students; directing academic programs of schools, divisions or departments of colleges and community colleges, or conducting research on academic subjects, or conducting academic support programs; and the positions of state university and community college presidents. Individual salaries for positions enumerated in clauses (3) (AND), (4) *and* (5) and for classified hearing examiners in the office of hearing examiners shall be determined by the attorney general, *the state board of investment*, the state university board, the state board for community colleges, the higher education coordinating board, and the chief hearing examiner, respectively, within the limits of salary plans which shall have been approved by the commissioner before becoming effective.

No provision of any subsequent law relating to salaries of state employees shall be construed as inconsistent with this section unless it is expressly provided in (SUCH) *the* subsequent act that

the provisions of this section shall not be applicable or shall be superseded, amended, or repealed.

Sec. 27. Minnesota Statutes 1978, Section 69.77, Subdivision 2, as amended by Laws 1980, Chapter 341, Section 1, is amended to read:

Subd. 2. Subdivision 1 does not apply to an association enumerated in subdivision 1a under the following circumstances:

(1) Each member of the association pays into the retirement funds of the association during his term of covered employment from and after January 1, 1981, a contribution for retirement and survivorship benefits of not less than eight percent of the maximum rate of salary from which retirement and survivorship credits and amounts of benefits are determined, and that (SUCH) *the* contributions of a member are deducted from his salary by his governmental employer, transmitted to the association, and deposited to the credit of the proper fund thereof, provided that to avoid undue increase in the amount of employee contributions in any one year, any increase in the amount of contributions required by this section may be spread over several years, but the increase in rate of contribution in each year commencing in 1981 shall not be less than one percent until the appropriate levels of required employee contributions have been reached. This paragraph shall not apply to members who are volunteer firefighters, provided that the local governing body shall have given their approval to the exemption following consideration of the most recent actuarial survey.

(2) The officers of the association determine on or before the date established by the municipality, which shall not be later than September 1 and shall not be earlier than August 1, of each year the financial requirements and minimum obligation of the association for the following calendar year in accordance with the following requirements:

The financial requirements shall be based on the most recent actuarial survey prepared in accordance with sections 356.215, subdivision 4 and 356.216.

The normal level cost expressed as a percent of covered payroll determined from the actuarial survey shall be applied to the estimated covered payroll of the membership for the following year to determine the dollar amount of normal cost for said following year.

To the dollar amount of normal cost thus determined shall be added the amount of one year's interest at five percent on the amount of the (deficit) unfunded liability found by the actuarial survey of the fund.

The total of these two amounts represents the financial requirements of the association for the following year.

Except as otherwise provided in this paragraph, the minimum obligation of the governmental subdivision shall be the financial requirements of the association less member contributions herein provided from covered salary and less one year's estimated receipts expected from the state of Minnesota through state collected insurance premium taxes or other state aids. The minimum obligation may, by vote of the governing body of the governmental subdivision, be reduced to the amount levied in the preceding year for purposes of the association, plus the following percentage of the difference between that levy and the amount of the minimum obligation determined without benefit of this sentence: for the levy made in 1971, 10 percent; in 1972, 20 percent; in 1973, 30 percent; in 1974, 40 percent; in 1975, 50 percent; in 1976, 60 percent; in 1977, 70 percent; in 1978, 80 percent; and in 1979, 90 percent. Commencing with the levy made in 1980, there shall be no reduction in the minimum obligation pursuant to this paragraph.

(3) The foregoing determination of the obligation of a governmental subdivision shall be submitted to its governing body not later than September 1 of each year so that it may ascertain if it has been prepared in accordance with law.

(4) The governmental subdivision shall provide and pay as promptly as funds are available to the association at least the amount of the minimum obligation each year. Any portion of this amount not paid to the association at the end of any calendar year shall be increased at the rate of six percent per annum until so paid. On September 1 of any year the unpaid amount subject to interest shall be added to the obligation of the governmental subdivision.

(5) The governmental subdivision shall provide in its annual budget at least its minimum obligation and may levy taxes for the payment thereof without limitation as to rate or amount and irrespective of limitations imposed by other provisions of law upon the rate or amount of taxation when the balance of any fund of the association has attained a specified level; the levy of such taxes shall not cause the amount of other taxes levied or to be levied by the governmental subdivision, which are subject to any such limitation, to be reduced in any amount whatsoever. If the governmental subdivision does not include the full amount of the minimum obligation in its levy for any year, the officers of the association shall certify that amount to the county auditor, who shall spread a levy in the amount of (SUCH) *the* obligation.

(6) Moneys paid by the governmental subdivision to the association in excess of the minimum amount so required shall be applied to the reduction in the unfunded liabilities of the association.

(7) The funds of the association shall be invested in securities which are proper investments (FOR FUNDS OF THE MINNESOTA STATE RETIREMENT SYSTEM) pursuant to section 22, except that up to \$10,000 may be invested in the stock of any one corporation in any account of such small size that the three percent stock limitation (APPLICABLE TO THE MINNESOTA STATE RETIREMENT SYSTEM) specified in section 22, subdivision 5, would necessitate a lesser investment. Securities held by the association before July 1, 1971, which do not meet the requirements of this paragraph may be retained after that date if they were proper investments for the association on April 28, 1969. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board (OF INVESTMENT) under the provisions of section (11.21) 15, provided that there be no limit to the amount which may be invested in the income share account (DESCRIBED IN SECTION 11.18, SUBDIVISION 2), or in the fixed-return account (DESCRIBED IN SECTION 11.18, SUBDIVISION 3A), and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental retirement investment fund may be invested in the growth share account (DESCRIBED IN SECTION 11.18, SUBDIVISION 3).

(8) The association shall procure an actuarial survey showing the condition of its fund pursuant to section 356.216 as of December 31, 1978, and shall procure an actuarial survey every two years thereafter. The association shall also procure a quadrennial experience study pursuant to section 356.216 as of December 31, 1978, and shall procure a quadrennial experience study every four years thereafter. A copy of the actuarial survey and the quadrennial experience study shall be filed with the director of the legislative reference library, the governing body of the municipality in which the association is organized, the executive secretary of the legislative commission on pensions and retirement, and the commissioner of insurance, not later than June 1 of the following year.

Sec. 28. Minnesota Statutes 1978, Section 69.775, is amended to read:

69.775 [INVESTMENTS.] The special fund assets of the relief associations governed by sections 69.771 to 69.776 shall be invested in securities which are proper investments (FOR FUNDS OF THE MINNESOTA STATE RETIREMENT SYSTEM) pursuant to section 22, except that up to five percent of the special fund assets, or a minimum of \$10,000, may be invested in the stock of any one corporation. Securities held by the associations before January 1, 1972, which do not meet the requirements of this section may be retained after that date if they were proper investments for the association on May 14, 1971. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board (OF INVESTMENT)

under the provisions of section (11.21) 15, provided that there be no limit to the amount which may be invested in the income share account (DESCRIBED IN SECTION 11.18, SUBDIVISION 2), or in the fixed-return account (DESCRIBED IN SECTION 11.18, SUBDIVISION 3A), and that up to 20 percent of that portion of the assets of the associations invested in the Minnesota supplemental retirement fund may be invested in the growth share account (DESCRIBED IN SECTION 11.18, SUBDIVISION 3).

Subd. 8. [ACCRUAL OF ANNUITY.] State employees shall make application for an annuity but such application shall not be made *more than 60 days* prior to the time the employee is eligible to retire by reason of both age and service requirements. If the director determines an applicant for annuity has fulfilled all the requirements of the law to entitle him to an annuity, he shall authorize payment thereof in accordance with the provisions of this chapter and payment shall be made pursuant to this authorization. An annuity shall begin to accrue no earlier than 60 days prior to the date the application is filed with the director except that if an optional annuity as provided in section 352.116, subdivision 3 is selected the annuity shall begin to accrue 30 days after the application is filed with the director but in no event prior to the day following the termination of state service *or prior to the day the employee is eligible to retire by reason of both age and service requirements.* The retirement annuity shall cease with the last payment which had accrued to the retired employee during his lifetime unless he elected an optional annuity provided in section 352.116, subdivision 3, and he had become entitled to payment thereof. The joint and last survivor annuity shall cease with the last payment received by the survivor in his or her lifetime. If a retired employee had not selected an optional annuity, or a survivor annuity is not payable under the option; and a spouse survives, such spouse shall be entitled only to the annuity for the calendar month in which the retired employee died. In that event, he may repay all (REFUNDMENTS) *refunds* which he had taken from the retirement fund. Repayment of (REFUNDMENTS) *refunds* will entitle the employee only to credit for service covered by (a) salary deductions, (b) payments made in lieu of salary deductions, and (c) payments made to obtain credit for service as permitted by laws in effect at the time payment was made. If an employee before taking one or more (REFUNDMENTS) *refunds* had credit for prior service or for military service without payment in either case, he may obtain credit for such forfeited service prior to July 1, 1929, and for such forfeited military service by making payments at a contribution rate of three percent of his average salary upon which deductions for the retirement fund were based, for the three year period immediately preceding repayment of (REFUNDEMENT) *refund* for service credit prior to July 1, 1929, and on the salary received by him at the time of entering military service to restore his military service credit. The annuity or benefit amount in effect on the effective date of Laws 1978, Chapter 538, including the increase granted pursuant to subdivision 6, shall be considered the "originally determined benefit" for purposes of any adjustments made pursuant to section 11.25. IF AN ADJUSTMENT FROM THE MINNESOTA ADJUSTABLE FIXED BENEFIT FUND PURSUANT TO SECTION 11.25 IS PAYABLE AS OF JANUARY 1, 1979, ANY ANNUITANT OR BENEFIT RECIPIENT RECEIVING AN ANNUITY OR BENEFIT FROM THE MINNESOTA ADJUSTABLE FIXED BENEFIT FUND PURSUANT TO THIS SECTION SHALL BE ENTITLED TO RECEIVE THE ADJUSTMENT IF THE ANNUITANT OR RECIPIENT BEGAN RECEIVING THE ANNUITY OR BENEFIT FROM THE METROPOLITAN TRANSIT COMMISSION TRANSIT OPERATING DIVISION EMPLOYEES RETIREMENT FUND ON OR BEFORE JUNE 30, 1977, BUT THAT ADJUSTMENT SHALL NOT INCLUDE IN THE BASE FOR CALCULATION THE AMOUNT OF ANY INCREASE GRANTED PURSUANT TO SUBDIVISION 6. Within 30 days of July 1, 1979, the board of trustees of the Minneapolis municipal employees retirement fund shall transfer the entire assets attributable to the coordinated program of the Minneapolis municipal employees retirement fund to the coordinated program of the public employees retirement association. The assets transferred shall be an amount equal in value to the amount of employee contributions made by coordinated program members since July 1, 1978, the amount of employer matching contributions made by an employing unit on behalf of a coordinated program member since July 1, 1978, an amount equal to the employer additional contribution for the members of the coordinated program, and an amount equal to the investment income earned by the fund on the invested assets of the program since July 1, 1978. The assets transferred to the public employees retirement fund shall only include securities which are proper investments pursuant to section (11.16) 22. Within 30 days of July 1, 1979, the board of trustees and the actuary of the Minneapolis municipal employees retirement fund shall transfer to the public employees retirement association original copies of all records and documents which are in their possession relating to the coordinated program of the Minneapolis municipal employees retirement fund and any of its members and shall provide from time to time whatever additional relevant information which the board of trustees of the public employees retirement association may request. Upon the transfer of the assets, liabilities and records of the coordinated program of the Minneapolis municipal employees retirement fund to the coordinated program of the public employees retirement association, the coordinated program of the Minneapolis municipal employees retirement fund shall terminate and shall cease to exist.

Sec. 42. Minnesota Statutes 1978, Section 353.661, Subdivision 3, is amended to read:

Subd. 3. [TRANSFER OF EXISTING RECIPIENTS OF PENSION AND OTHER RETIREMENT BENEFITS.] As of July 1, 1978, the accrued liability for all retirement annuities, disability benefits, survivorship annuities and survivor of deceased active employee benefits paid or payable by the university of Minnesota police department retirement plan and fund shall be transferred to the public employees police and fire fund and shall no longer be the liability of the university of Minnesota police department retirement plan and fund. The required reserves for retirement annuities in effect as of June 30, 1978, including future automatic survivor benefits for survivors of deceased former retirement annuitants attributable to those annuities, and the required reserves for benefits of survivor of

deceased former retirement annuitants in effect as of June 30, 1978 shall be determined using a five percent interest assumption and the applicable public employees police and fire fund mortality table and shall be transferred by the public employees police and fire fund to the Minnesota adjustable fixed benefit fund on July 1, 1978 but shall be considered transferred as of June 30, 1978. The annuity or benefit amount on July 1, 1978 shall be considered the "originally determined benefit" for purposes of further adjustments pursuant to section (11.25. IF AN ADJUSTMENT FROM THE MINNESOTA ADJUSTABLE FIXED BENEFIT FUND PURSUANT TO SECTION 11.25 IS PAYABLE AS OF JANUARY 1, 1979, ANY ANNUITANT OR BENEFIT RECIPIENT RECEIVING AN ANNUITY OR BENEFIT FROM THE MINNESOTA ADJUSTABLE FIXED BENEFIT FUND PURSUANT TO THIS SECTION SHALL BE ENTITLED TO RECEIVE THE ADJUSTMENT IF THE ANNUITANT OR RECIPIENT BEGAN RECEIVING THE ANNUITY OR BENEFIT FROM THE UNIVERSITY OF MINNESOTA POLICE DEPARTMENT RETIREMENT PLAN AND FUND ON OR BEFORE JUNE 30, 1977. IF AN ADJUSTMENT FROM THE MINNESOTA ADJUSTABLE FIXED BENEFIT FUND PURSUANT TO SECTION 11.25 IS PAYABLE AS OF JANUARY 1, 1979, THE REQUIRED RESERVES FOR THE INCREASE DETERMINED USING A FIVE PERCENT INTEREST ASSUMPTION AND THE APPLICABLE PUBLIC EMPLOYEES POLICE AND FIRE FUND MORTALITY TABLE SHALL BE TRANSFERRED BY THE PUBLIC EMPLOYEES POLICE AND FIRE FUND TO THE MINNESOTA ADJUSTABLE FIXED BENEFIT FUND ON JANUARY 1, 1979) 16. For persons receiving benefits as survivors of deceased former retirement annuitants, the benefit shall be considered as having commenced on the date on which the retirement annuitant began receiving the retirement annuity.

Sec. 43. Minnesota Statutes 1978, Section 462.631, Subdivision 1, is amended to read:

462.631 [APPROVED MORTGAGES, BOND ISSUE; LIMITATIONS, PROVISIONS.] Subdivision 1. Any redevelopment company, subject to the approval of the state housing commission, may borrow funds and secure the repayment thereof by bond and mortgage or by an issue of bonds under a trust indenture. Each mortgage or issue of bonds of a redevelopment company shall relate only to a single specified project and to no other, and those bonds shall be secured by mortgage upon all of the real property of which (SUCH) *the* project consists. First lien bonds of a redevelopment company, when secured by a mortgage not exceeding 80 percent of the estimated cost prior to the completion of the project, or 80 percent of the appraised value or actual cost, but in no event in excess of 80 percent of the actual cost, after that completion, as certified by the state housing commission, are hereby declared securities in which all public officers and bodies of the state and of its municipal subdivisions,

including the state board of investment if the bonds meet the requirements of section 22, subdivision 2, all insurance companies and associations, all savings banks and savings institutions, including savings, building and loan associations, executors, administrators, guardians, trustees, and all other fiduciaries in the state may properly and legally invest the funds within their control. The bonds so issued and secured and the mortgage or trust indenture relating thereto may create a first or senior lien and a second or junior lien upon the real property embraced in any project; provided, however, that the total mortgage liens shall not exceed 80 percent of the estimated cost prior to the completion of the project, or 80 percent of the appraised value or actual cost, but in no event in excess of 80 percent of the actual cost after that completion, as certified by the state housing commission; and provided further that, where there are first and second mortgage liens upon the property embraced in a project, only the first or senior lien thereon shall be deemed a security in which (SUCH) *the* officers, bodies, corporations, associations, and fiduciaries may invest the funds within their control. (SUCH) *The* bonds and mortgages may contain (SUCH) other clauses and provisions as shall be approved by the state housing commission, including the right to assignment of rents and entry into possession in case of default; but the operation of the housing project in the event of such entry by mortgagee or receiver shall be subject to regulations promulgated by the state housing commission. Provisions for the amortization of the bonded indebtedness of companies formed under sections 462.415 to 462.711 shall be subject to the approval of the state housing commission. So long as funds made available by the federal government or any instrumentality thereof or any mortgage or mortgage bonds insured by the federal housing administrator or any other instrumentality of the federal government are used in financing, in whole or in part, any project under sections 462.415 to 462.711, the capital structure of a redevelopment company undertaking such project and the proportionate amount of the cost of the lands and improvements to be represented by mortgages or bonds shall be entirely in the discretion of the housing commission; and all restrictions as to the amounts to be represented by mortgages, mortgage bonds, income debenture, or stock shall be inapplicable to (SUCH) *the* projects or to redevelopment companies undertaking (SUCH) *the* projects, except that the bonds, mortgages, debentures, and stock covering any project shall not exceed the total actual final cost of (SUCH) *the* project as defined in section 462.635, clause 2.

Interest rates on mortgage indebtedness shall not exceed five percent per annum.

Sec. 44. Minnesota Statutes 1978, Section 475.73, Subdivision 1, is amended to read:

475.73 [STATE BOARD OF INVESTMENT.] Subdivision 1. Obligations sold under the provisions of section 475.60 may

be purchased by the state board of investment *if the obligations meet the requirements of section 22, subdivision 2*, upon the approval of the Attorney General as to form and execution of the application therefor, and under (SUCH) rules (AND REGULATIONS) as the board may specify, and the state board (OF INVESTMENT) shall have authority to purchase the same to an amount not exceeding 15 percent of the assessed valuation of the taxable property of (SUCH) *the* municipality, according to the last preceding assessment. (SUCH) *The* obligations shall not run for a shorter period than one year, nor for a longer period than 30 years and shall bear interest at a rate to be fixed by the state board (OF INVESTMENT) but not less than two percent per annum. Forthwith upon the delivery to the state of Minnesota of any obligations issued by virtue thereof, the commissioner of finance shall certify to the respective auditors of the various counties wherein are situated the municipalities issuing the same, the number, denomination, amount, rate of interest and date of maturity of each (SUCH) obligation.

Sec. 45. [INSTRUCTIONS TO THE REVISOR.] *Subdivision 1. In the next and subsequent editions of Minnesota Statutes, the revisor of statutes shall substitute the term "executive director" for the term "executive secretary" wherever that term appears in reference to the state board of investment, shall substitute the term "Minnesota supplemental retirement investment fund" for the term "Minnesota supplemental retirement fund" wherever that term appears, and shall substitute the term "Minnesota variable annuity investment fund" for the term "Minnesota variable annuity fund" wherever that term appears.*

ARTICLE XV

POLICE, FIRE AND JUDGES RETIREMENT

Section 1. [LEGISLATIVE INTENT AND PURPOSE.] *It is the intent and purpose of sections 1 to 11 to provide:*

(a) *A means by which municipalities may establish an orderly phase-out of local police and salaried firefighters relief associations governed by Minnesota Statutes, Section 69.77, by allowing municipalities to provide that all newly hired police officers and salaried firefighters shall be covered by the public employees police and fire fund established by Minnesota Statutes, Sections 353.63 to 353.68;*

(b) *Assistance to municipalities and local police and salaried firefighters relief associations by establishing a local police and salaried firefighters relief association amortization state aid program; and*

(c) *An increase in retirement benefits to members of local police and salaried firefighters relief associations under certain conditions while not diminishing or impairing any retirement benefits of any persons who are members of local police and salaried firefighters relief associations, either active or retired.*

Sec. 2. Minnesota Statutes 1978, Section 69.77, Subdivision 2, as amended by Laws 1980, Chapter 341, Section 1, is amended to read:

Subd. 2. Subdivision 1 does not apply to an association enumerated in subdivision 1a under the following circumstances:

(1) Each member of the association pays into the retirement funds of the association during his term of covered employment from and after January 1, 1981, a contribution for retirement and survivorship benefits of not less than eight percent of the maximum rate of salary from which retirement and survivorship credits and amounts of benefits are determined, and that such contributions of a member are deducted from his salary by his governmental employer, transmitted to the association, and deposited to the credit of the proper fund thereof, provided that to avoid undue increase in the amount of employee contributions

in any one year, any increase in the amount of contributions required by this section may be spread over several years, but the increase in rate of contribution in each year commencing in 1981 shall not be less than one percent until the appropriate levels of required employee contributions have been reached. This paragraph shall not apply to members who are volunteer firefighters, provided that the local governing body shall have given their approval to the exemption following consideration of the most recent actuarial survey.

(2) The officers of the association determine on or before the date established by the municipality, which shall not be later than September 1 and shall not be earlier than August 1, of each year the financial requirements and minimum obligation of the association for the following calendar year in accordance with the following requirements:

The financial requirements shall be based on the most recent actuarial survey prepared in accordance with sections 356.215, subdivision 4 and 356.216.

The total of the amounts calculated pursuant to clauses (a) and (b) shall constitute the financial requirements of the relief association for the following year.

(a) The normal level cost expressed as a percent of covered payroll determined from the actuarial survey shall be applied to the estimated covered payroll of the membership for the following year to determine the dollar amount of normal cost for said following year.

(TO THE DOLLAR AMOUNT OF NORMAL COST THUS DETERMINED SHALL BE ADDED THE AMOUNT OF ONE YEAR'S INTEREST AT FIVE PERCENT ON THE AMOUNT OF THE (DEFICIT) UNFUNDED LIABILITY FOUND BY THE ACTUARIAL SURVEY OF THE FUND.)

(THE TOTAL OF THESE TWO AMOUNTS REPRESENTS THE FINANCIAL REQUIREMENTS OF THE ASSOCIATION FOR THE FOLLOWING YEAR.)

(b) *To the dollar amount of normal cost thus determined shall be added an amount equal to the level annual dollar amount sufficient to amortize the unfunded accrued liability by December 31, 2010, as determined from the actuarial survey of the fund.*

Except as otherwise provided in this paragraph, the minimum obligation of the governmental subdivision shall be the financial requirements of the association less the estimated amount of member contributions herein provided from covered salary anticipated for the following calendar year and less one year's estimated receipts expected from the applicable state (OF

MINNESOTA THROUGH STATE COLLECTED INSURANCE PREMIUM TAXES OR OTHER STATE AIDS) *aid program established pursuant to sections 69.011 to 69.051, and from the local police and salaried firefighters' relief association amortization aid program established pursuant to section 5.* The minimum obligation may, by vote of the governing body of the governmental subdivision, be reduced to the amount levied in the preceding year for purposes of the association, plus the following percentage of the difference between that levy and the amount of the minimum obligation determined without benefit of this sentence: for the levy made in 1971, 10 percent; in 1972, 20 percent; in 1973, 30 percent; in 1974, 40 percent; in 1975, 50 percent; in 1976, 60 percent; in 1977, 70 percent; in 1978, 80 percent; and in 1979, 90 percent. Commencing with the levy made in 1980, there shall be no reduction in the minimum obligation pursuant to this paragraph.

(3) The foregoing determination of the obligation of a governmental subdivision shall be submitted to its governing body *on or before the date established by the municipality which shall not be earlier than August 1 and shall not be later than September 1* of each year so that it may ascertain if it has been prepared in accordance with law.

(4) The governmental subdivision shall provide and pay as promptly as funds are available to the association at least the amount of the minimum obligation each year. Any portion of this amount not paid to the association at the end of any calendar year shall be increased at the rate of six percent per annum until so paid. On September 1 of any year the unpaid amount subject to interest shall be added to the obligation of the governmental subdivision.

(5) The governmental subdivision shall provide in its annual budget at least its minimum obligation and may levy taxes for the payment thereof without limitation as to rate or amount and irrespective of limitations imposed by other provisions of law upon the rate or amount of taxation when the balance of any fund of the association has attained a specified level; the levy of such taxes shall not cause the amount of other taxes levied or to be levied by the governmental subdivision, which are subject to any such limitation, to be reduced in any amount whatsoever. If the governmental subdivision does not include the full amount of the minimum obligation in its levy for any year, the officers of the association shall certify that amount to the county auditor, who shall spread a levy in the amount of such obligation.

(6) Moneys paid by the governmental subdivision to the association in excess of the minimum amount so required shall be applied to the reduction in the unfunded liabilities of the association.

(7) The funds of the association shall be invested in securities which are proper investments for funds of the Minnesota state retirement system, except that up to \$10,000 may be invested in the stock of any one corporation in any account of such small size that the three percent stock limitation applicable to the Minnesota state retirement system would necessitate a lesser investment. Securities held by the association before July 1, 1971, which do not meet the requirements of this paragraph may be retained after that date if they were proper investments for the association on April 28, 1969. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board of investment under the provisions of section 11.21, provided that there be no share account described in section 11.18, subdivision 2, or in the fixed-return account described in section 11.18, subdivision 3a, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental retirement fund may be invested in the growth share account described in section 11.18, subdivision 3.

(8) The association shall procure an actuarial survey, showing the condition of its fund pursuant to section 356.216 as of December 31, 1978, and shall procure an actuarial survey every two years thereafter. The association shall also procure a quadrennial experience study pursuant to section 356.216 as of December 31, 1978, and shall procure a quadrennial experience study every four years thereafter. A copy of the actuarial survey and the quadrennial experience study shall be filed with the director of the legislative reference library, the governing body of the municipality in which the association is organized, executive secretary of the legislative commission on pensions and retirement, and the commissioner of insurance, not later than June 1 of the following year.

Sec. 3. Minnesota Statutes 1978, Section 353.657, Subdivision 3, is amended to read:

Subd. 3. Each dependent child, until the child reaches the age of 18 years, shall receive a monthly benefit equal to ten percent of the member's average monthly salary earned as a police officer or fire fighter on which employee contributions were paid over the last full six months of allowable service preceding death. Payments for the benefit of any qualified dependent child under the age of 18 years shall be made to the surviving parent, or if there be none, to the legal guardian of (SUCH) the child. The maximum monthly benefit for any one family shall not exceed (\$450) *an amount equal to 50 percent of the member's specified average monthly salary*, and the minimum benefit per family shall not be less than 30 percent of the member's (SAID) *specified average monthly salary* (, SUBJECT TO THE AFOREMENTIONED MAXIMUM).

Sec. 4. [POLICE AND SALARIED FIREFIGHTER'S RELIEF ASSOCIATIONS.] Subdivision 1. [MEMBERSHIP OF NEW POLICE AND SALARIED FIREFIGHTERS IN THE PUBLIC EMPLOYEES POLICE AND FIRE FUND.] *Notwithstanding any law to the contrary, all persons first employed by any municipality as police officers or police officer trainees, salaried firefighters or firefighter trainees or public safety officers or public safety officer trainees after the effective date of this section shall be members of the public employees police and fire fund established by sections 353.63 to 353.68, and shall not be members of any local police or paid firefighter's relief association established or maintained by the municipality, unless the municipality elects to retain the local relief association by the adoption of a municipal resolution approved by a majority of the governing body of the municipality following the holding of a public meeting at which the views of the public are considered and a copy of the municipal resolution is filed with the secretary of state, the commissioner of finance, the commissioner of insurance and the executive secretary of the legislative commission on pensions and retirement on or before August 15, 1980.*

Subd. 2. [OPERATION OF LOCAL RELIEF ASSOCIATION UPON MODIFICATION OF RETIREMENT COVERAGE FOR NEWLY HIRED POLICE OFFICERS AND FIREFIGHTERS.] *The minimum obligation of a municipality in which the retirement coverage for newly hired police officers or salaried firefighters has been modified pursuant to subdivision 1 with respect to the local relief association shall be determined and governed in accordance with the provisions of Minnesota Statutes, Sections 69.77, 356.215 and 356.216, except that the normal cost calculation for the relief association shall be computed as a percentage of the compensation paid to the active members of the relief association. The compensation paid to persons with retirement coverage modified pursuant to subdivision 1 shall not be included in any of the computations made in determining the obligation of the municipality with respect to the local relief association.*

The contribution rate of members of the local relief association shall be governed by Minnesota Statutes, Section 69.77, unless a special law establishing a greater member contribution rate is applicable whereupon it shall continue to govern. The member contribution rate of persons with retirement coverage modified pursuant to subdivision 1 shall be governed by Minnesota Statutes, Section 353.65.

When every active member of the local relief association retires or terminates from active duty, the local relief association shall cease to exist as a legal entity and the assets of the special fund of the relief association shall be transferred to a trust fund to be established by the appropriate municipality for the purpose of paying service pensions and retirement benefits to recipient beneficiaries. If there are at least five recipient beneficiaries,

the trust fund shall be managed by a board of trustees composed of five members selected by the recipient beneficiaries of the fund, subject to the approval of the governing body of the municipality. If there are fewer than five recipient beneficiaries, the trust fund shall be managed by the governing body of the municipality. The term of the elected members of the board of trustees shall be indefinite and shall continue until a vacancy occurs in one of the board of trustee member positions. Board of trustee members shall not be compensated for their services, but shall be reimbursed for any expenses actually and necessarily incurred as a result of the performance of their duties in their capacity as board of trustee members. The municipality shall perform whatever services are necessary to administer the trust fund. The balance of assets remaining in the trust fund shall not revert to the municipality until all obligations of the trust fund are paid.

The financial requirements of the trust fund and the minimum obligation of the municipality with respect to the trust fund shall be determined in accordance with Minnesota Statutes, Sections 69.77, 356.215 and 356.216 until the unfunded accrued liability of the trust fund is fully amortized in accordance with this act. The municipality shall provide in its annual budget for at least the aggregate amount of service pensions, disability benefits, survivorship benefits and refunds which are projected as payable for the following calendar year, as determined by the board of trustees of the trust fund, less the amount of assets in the trust fund as of the end of the most current calendar year for which figures are available, valued pursuant to Minnesota Statutes, Section 356.20, Subdivision 4, Clause (1) (a), if the difference between those two figures is a positive number.

In calculating the amount of service pensions and other retirement benefits payable from the local relief association and in calculating the amount of any automatic post retirement increases in those service pensions and retirement benefits based on the salary paid or payable to active members or escalated in any fashion, the salary for use as the base for the service pension or retirement benefit calculation and the post retirement increase calculation for the local relief association shall be the salary for the applicable position as specified in the articles of incorporation or bylaws of the relief association as of the date immediately prior to the effective date of the modification of retirement coverage for newly hired personnel pursuant to subdivision 1, as the applicable salary is reset by the municipality periodically, irrespective of whether retirement coverage for persons holding the applicable position used in calculations is provided by the relief association or by the public employees police and fire fund.

If the modification of retirement coverage implemented pursuant to subdivision 1 is applicable to a local police relief association, the police state aid received by the municipality shall be disbursed pursuant to Minnesota Statutes, Section 69.031,

Subdivision 5, Clause (2) (c). If the modification of retirement coverage implemented pursuant to subdivision 1 is applicable to a local firefighters' relief association, the fire state aid received by the applicable municipality shall be disbursed as the municipality at its option may elect. The municipality may elect: (1) to transmit the total fire state aid to the treasurer of the local relief association for immediate deposit in the special fund of the relief association; or (2) to apply the total fire state aid toward the employer contribution of the municipality to the public employees police and fire fund pursuant to Minnesota Statutes, Section 353.65, Subdivision 3; or (3) to allocate the total fire state aid proportionately between the special fund of the local relief association and employer contribution of the municipality to the public employees police and fire fund on the basis of the respective number of active full time salaried firefighters receiving retirement coverage from each.

Subd. 3. [BENEFIT INCREASE FOR CERTAIN RELIEF ASSOCIATION MEMBERS.] *Notwithstanding any law to the contrary, any member of a local police or salaried firefighters' relief association located in a municipality which has not adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, except the city of Minneapolis, shall be entitled to receive, after the effective date for the modification of pension coverage for newly employed personnel, a retirement annuity in addition to the service pension to which the member may be eligible upon retirement. The additional retirement annuity shall be payable for the life of the retired member. The additional retirement annuity shall be equal to one-half of one percent of the salary upon which the service pension is calculated payable on the date of termination of active service per year of service credit acquired in excess of 25 years of service credit. The retirement annuity under this subdivision shall not be subject to any post retirement increases granted pursuant to increases in the salary payable to a certain employment category or in the salaries payable to active members or be in any other manner escalated or increased after retirement.*

Subd. 4. [AUTOMATIC POST RETIREMENT ADJUSTMENTS FOR CERTAIN NEWLY EMPLOYED, ACTIVE AND RETIRED MEMBERS.] *(1) Notwithstanding any provision of law, municipal charter, municipal ordinance or resolution, or relief association articles of incorporation or bylaws to the contrary, any person who meets one of the following requirements for entitlement shall be entitled to an annual automatic post retirement adjustment in the amount of the service pension calculated pursuant to clause (2). A person meets the requirements for entitlement if:*

(a) the person is a member of a covered local police or salaried firefighters' relief association enumerated in clause (3) unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, if applicable, commences receiving a service pension at an age no

earlier than attaining the age of 55 years, and has met all applicable requirements for entitlement to a service pension specified in the applicable laws and relief association articles of incorporation or bylaws governing the local relief association;

(b) the person is a retired member of a covered local police or salaried firefighters' relief association enumerated in clause (3) unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, if applicable, retired on a service pension after the effective date of this section and after attaining the age of at least 50 years but prior to attaining the age of 55 years and attains the age of 55 years subsequent to retirement; or

(c) the person was a retired member on the effective date of this section of a covered local police or salaried firefighters' relief association or retirement trust fund enumerated in clause 3, unless the municipality has adopted a municipal resolution retaining the local relief association pursuant to subdivision 1, if applicable, on the effective date of this section, is receiving a service pension, and has attained the age of at least 55 years.

(2) Any person who meets the requirements specified in clause (1)(a) or (1)(b) shall be entitled to receive the annual automatic post retirement adjustment on the January 1 next following the date upon which the requirements for entitlement are met but in no event prior to the date upon which the person attains the age of 55 years. The annual automatic post retirement adjustment shall be first payable with the service pension payment made for January. Each annual automatic post retirement adjustment in the amount of the service pension shall be equal to the dollar amount determined by applying the percentage by which the salary payable by the municipality to a top grade patrol officer or a top grade firefighter, whichever is applicable, has increased during the year subject to the limitation provided for in this clause to the amount of service pension payable to the person for the month immediately prior to the month in which the determination is made. Prior to becoming effective, a copy of the municipal resolution shall be filed with the secretary of state, the commis-

To be deemed an implementing municipal resolution within the meaning of this section, the municipal resolution shall either refer to this section and the applicable subdivisions of section 4 or shall describe in summary form the modifications to be implemented.

The city of Minneapolis shall provide sufficient financial support to each relief association to meet the minimum obligation of the governmental subdivision including the cost of the health and welfare benefit, effective January 1, 1981.*

The post retirement increase may only be granted pursuant to an amendment to the bylaws of the relief association and shall be applicable only to retired members and other retirement benefit recipients receiving a service pension or retirement benefit as of the effective date of the bylaw amendment. The authority to provide a post retirement increase to retired members and other retirement benefit recipients of a relief association contained in this subdivision shall supersede any prior special law authorization relating to the provision of post retirement increases.

(6) Any person who is employed by the city or any of its boards, departments, commissions or a public corporation, as herein outlined, and is excluded from participation in the fund by paragraph (4) shall be separated from the service upon reaching the age of 70 regardless of the provisions of the veterans preference act.

Every candidate who does not designate and cause to be formed a principal campaign committee, and any individual who makes independent expenditures or expenditures expressly advocating the approval or defeat of a ballot question in aggregate in excess of \$100 in any year, shall file with the board a report containing the information required by subdivision 3. Reports required by this subdivision shall be filed on the dates on which reports by committees and funds are filed.

Sec. 12. Minnesota Statutes 1978, Section 10A.32, Subdivision 3, is amended to read:

Subd. 3. As a condition of receiving any (MONEYS) money from the state elections campaign fund, a candidate shall agree by stating in writing to the board that (a) his expenditures and approved expenditures shall not exceed the expenditure limits as set forth in section 10A.25 and that (b) he shall not accept contributions or allow approved expenditures to be made on his behalf for the period beginning with January 1 of the election year or with the registration of his principal campaign committee, whichever occurs later, and ending December 31 of the election year, which aggregate contributions and approved expenditures exceed the difference between the amount which may legally be expended by him or on his behalf, and the amount which he receives from the state elections campaign fund. The agreement,

insofar as it relates to the expenditure limits set forth in section 10A.25, remains effective until the dissolution of the principal campaign committee of the candidate or the opening of filings for the next succeeding election to the office held or sought at the time of agreement, whichever occurs first. (BEGINNING IN 1980.) Money in the account of the principal campaign committee of a candidate on January 1 of the election year for the office held or sought shall be considered contributions accepted by that candidate in that year for the purposes of this subdivision. (NOTWITHSTANDING THE EFFECTIVE DATE OF THIS SECTION, FOR 1978, THE PERIOD FOR DETERMINING THE AGGREGATE CONTRIBUTION AND APPROVED EXPENDITURE LIMIT AGREED TO PURSUANT TO THIS SUBDIVISION SHALL BEGIN JANUARY 1, 1978.) That amount of all contributions accepted by a candidate in an election year which equals the amount of noncampaign disbursements and contributions and expenditures to promote or defeat a ballot question which are made by that candidate in that year (, AND THE AMOUNT OF CONTRIBUTIONS RECEIVED AND APPROVED EXPENDITURES MADE BETWEEN JANUARY 1, 1978, AND FEBRUARY 28, 1978 WHICH EQUALS THE AMOUNT OF EXPENDITURES MADE BETWEEN JANUARY 1, 1978, AND FEBRUARY 28, 1978, FOR GOODS CONSUMED AND SERVICES USED BEFORE FEBRUARY 28, 1978,) shall not count toward the aggregate contributions and approved expenditure limit imposed by this subdivision. Any amount by which his aggregate contributions and approved expenditures agreed to under clause (b) exceed the difference shall be returned to the state treasurer in the manner provided in subdivision 2. In no case shall the amount returned exceed the amount received from the state elections campaign fund.

The candidate may submit his signed agreement to the filing officer on the day he files his affidavit of candidacy or petition to appear on the ballot, or he may submit the agreement to the board no later than September 1.

The board prior to the first day of filing for office shall forward forms for the agreement to all filing officers. The filing officer shall without delay forward signed agreements to the board. An agreement may not be rescinded after September 1.

For the purposes of this subdivision only, the total amount to be distributed to each candidate is calculated to be his share of the total estimated funds in his party account as provided in subdivision 3a, plus the total amount estimated as provided in subdivision 3a to be in the general account of the state elections campaign fund and set aside for that office divided by the number of candidates whose names are to appear on the general election ballot for that office. If for any reason the amount actually received by the candidate is greater than his share of the estimate, and his contributions thereby exceed the difference, the agreement shall not be considered violated.

Sec. 13. Minnesota Statutes 1978, Section 210A.26, Subdivision 3, is amended to read:

Subd. 3. [STATEMENTS OF POLITICAL COMMITTEES.] Statements shall also be made by any political committee showing the total amount of receipts and disbursements, and for what purpose such disbursements were made. Subd. 2. [EXISTING MAJORITY.] The director shall certify an employee organization as exclusive representative for an appropriate unit established by section 40 upon a petition filed with the director by the organization within 30 days of the effective date of this section for state employees and within 180 days of the effective date of this section for university of Minnesota employees stating that the petitioner is certified pursuant to section 179.67 as the exclusive representative of a majority of the employees included within the unit established by section 40 on the effective date of this section. Two or more employee organizations which represent the employees in a unit established by section 40, may petition jointly pursuant to this subdivision, provided that any organization may withdraw from a joint certification in favor of the remaining organization or organizations on 30 days notice to the remaining organization or organizations, the employer, and the director without effect upon the rights and obligations of the remaining organization or organizations or the employer. The director shall make a determination on a timely petition within 45 days of its receipt.

Subd. 3. [NO EXISTING MAJORITY.] (1) If no exclusive representative is certified under subdivision 2, the director shall certify an employee organization as exclusive representative for an appropriate unit established by section 40 upon a petition filed by the organization within the time period provided in subdivision 2, stating that the petitioner is certified pursuant to section 179.67 as the exclusive representative of fewer than a majority of the employees included within the unit established by section 40, where no other employee organization so certified has filed a petition within the time period provided in subdivision 2 so long as a majority of the employees in the unit established by section 40 are represented by employee organizations pursuant to section 179.67 on the effective date of this section. Two or more employee organizations, each of which represents employees included in the unit established by section 40 may petition jointly pursuant to this clause, provided that any organization may withdraw from a joint certification in favor of the remaining organization or organizations on 30 days notice to the remaining organization or organizations, the

employer, and the director without effect upon the rights and obligations of the remaining organization or organizations or the employer. The director shall make a determination on a timely petition within 45 days of its receipt.

(2) If no exclusive representative is certified under subdivision 2 or subdivision 3, clause (1), and an employee organization petitions the director within 45 days of the effective date of this section for state employees and within 195 days of the effective date of this section for university of Minnesota employees stating that at least 30 percent of the employees included within a unit established by section 40 wish to be represented by the petitioner, where this 30 percent is evidenced by current dues deduction rights, signed statements plainly indicating that the signatories wish to be represented for collective bargaining purposes by the petitioner rather than by any other organization, or a combination thereof, the director shall conduct a secret ballot election to determine the wishes of the majority. The election shall be conducted within 75 days of the effective date of this section for state employees and within 225 days of the effective date of this section for university of Minnesota employees and shall, where not inconsistent with other provisions of this section, be governed by section 179.67.

Subd. 4. [DECERTIFICATION.] Prior to January 1, 1981 the director shall consider a petition for decertification of an exclusive representative certified under this section only when the petition is filed within 60 days of the initial certification and only when the certification was made pursuant to subdivisions 2 or 3(1). The petition shall be considered under the provisions of section 179.67 except where they are inconsistent with this subdivision.

Subd. 5. [CONTRACT AND REPRESENTATION RESPONSIBILITIES.] Notwithstanding the provisions of section 40, the exclusive representatives of units of state employees and university of Minnesota employees certified prior to the effective date of this section shall remain responsible for administration of their contracts and for all other contractual duties and shall enjoy the right to dues and fair share fee deduction and all other contractual privileges and rights until June 30, 1981. Exclusive representatives of state employees and university of Minnesota employees certified after the effective date of this section shall immediately upon certification have the responsibility of bargaining on behalf of employees within the unit. They shall also have the responsibility of administering grievances arising under previous contracts covering employees included within the unit which remain unresolved on June 30, 1981. Where the employer does not object, these responsibilities may be varied by agreement between the outgoing and incoming exclusive representatives. All other rights and duties of representation shall commence on July 1, 1981, except that exclusive representatives certified after the effective date of this section

shall immediately upon certification have the right to all employer information and all forms of access to employees within the bargaining unit which would be permitted to the current contract-holder. This section shall in no way affect any existing collective bargaining contract. Should an exclusive bargaining agent not be certified for the unit provided for in section 40, subdivision 3, clause (2), the employees assigned to that unit shall continue to be compensated pursuant to the appropriate university of Minnesota civil service rules, or by the terms of any master or uniform contract of their particular trade which exists between associations of employers in their local area representing all or substantially all of the employees of that trade.

Nothing in sections 1 to 42 shall prevent an exclusive representative certified after the effective date of sections 1 to 42 from assessing fair share or dues deductions immediately upon certification for employees in a unit established under section 40 if the employees were unrepresented for collective bargaining purposes prior to that certification.

Sec. 42. Minnesota Statutes 1978, Chapter 179, is amended by adding a section to read:

[179.743] [STATE EMPLOYEES.] When no prior determination has been made with respect to the supervisory status of a state employee or his predecessor and no agreement can be reached between the employer and petitioning employee organizations, the commissioner of employee relations may petition the director for a determination. When no agreement can be reached between the employer and petitioning employee organizations on the confidential status of a state employee, the commissioner of employee relations may petition the director for a determination. The commissioner shall serve a copy of the petition on the exclusive representatives of the affected employees. The director shall not exclude any supervisory or confidential employee from an appropriate unit of nonsupervisory or nonconfidential state employees on the basis of a petition filed later than 30 days after the effective date of this section, except as provided in section 34. The director shall make all determinations under this subdivision within 60 days of receipt of a timely petition. The director shall have full discretion in his determination of the application of sections 179.63, subdivisions 8, 9, and 9a, and 179.-71, subdivision 3, paragraph 2 in all cases arising under this subdivision. Notwithstanding any other law, his decision shall be final and no appeal whatsoever shall be heard. For the purposes of the certification of a bargaining agent for units provided in subdivision 1 of section 40 employees sought to be excluded by a timely and valid petition as supervisory or confidential shall be counted or shall vote separately in a fashion which shall permit them to be individually excluded or included after a determination as to their status. When a certification is dependent upon challenged employees, the director shall determine the

status of the challenged employees prior to deciding the cases of challenged employees whose status need not be determined for a certification. In the latter situation the certification of a bargaining agent shall proceed irrespective of pending challenges.

A bill for an act relating to financial institutions; authorizing examinations of certain bank holding companies; providing for the institution of cease and desist proceedings and the issuance of temporary orders; amending Minnesota Statutes 1978, Section 46.24; and Minnesota Statutes, 1979 Supplement, Section 46.04.

April 10, 1980

The Honorable Fred C. Norton
Speaker of the House of Representatives

The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 2268, report that we have agreed upon the items in dispute and recommend as follows:

The Senate recede from its amendments and that H. F. No. 2268 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes, 1979 Supplement, Section 46.04, is amended to read:

46.04 [COMMISSIONER; POWERS.] *Subdivision 1.* The commissioner of banks, referred to in Minnesota Statutes, Chapters 46 to 59, as the commissioner, is vested with all the powers, authority, and privileges which, prior to the enactment of Laws 1909, Chapter 201, were conferred by law upon the public examiner, and he shall take over all duties in relation to state banks, savings banks, trust companies, savings associations, and other financial institutions within the state which, prior to the enactment of chapter 201, were imposed upon the public examiner. The commissioner of banks shall exercise a constant supervision, either personally or through the examiners herein provided for, over the books and affairs of all state banks, savings banks, trust companies, savings associations, and other financial institutions doing business within this state; and shall, through examiners, examine at least once in every 18 month period the state banks and savings banks as are also subject to annual examinations by the federal deposit insurance corporation or the federal reserve bank. If any state bank or savings bank is not examined by one of these federal agencies annually, the commissioner shall examine the bank or savings bank, so that the bank or savings bank is examined at least once annually by either one of these federal agencies or the commissioner. Trust companies, savings associations, credit unions,

industrial loan and thrift companies and other financial institutions shall be examined once a year. With the exception of industrial loan and thrift companies which do not have deposit liabilities and small loan companies, it shall be the principal purpose of these examinations to inspect and verify the assets and liabilities of each and so far investigate the character and value of the assets of each such institution as to determine with reasonable certainty that the values are correctly carried on its books. Assets and liabilities shall be verified in accordance with methods of procedure which the commissioner may determine to be adequate to carry out the intentions of this section. None of the above provisions (SHALL LIMIT) *limits* the commissioner in making additional examinations as he deems necessary or advisable. He shall investigate the methods of operation and conduct of these institutions and their systems of accounting, to ascertain whether these methods and systems are in accordance with law and sound banking principles. He may make such requirements as to records as he deems necessary to facilitate the carrying out of his duties and to properly protect the public interest. He may examine, or cause to be examined by these examiners, on oath, any officer, director, trustee, owner, agent, clerk, customer, or depositor of any such financial institution touching the affairs and business thereof, and may issue, or cause to be issued by the examiners, subpoenas, and administer, or cause to be administered by the examiners, oaths. In case of any refusal to obey any subpoena issued by him or under his direction, the refusal may at once be reported to the district court of the district in which the bank or other financial institution is located, and this court shall enforce obedience to these subpoenas in the manner provided by law for enforcing obedience to subpoenas of the court. In all matters relating to his official duties, the commissioner of banks has the power possessed by courts of law to issue subpoenas and cause them to be served and enforced, and all officers, directors, trustees, and employees of state banks, savings banks, trust companies, savings associations, and other financial institutions within the state, and all persons having dealings with or knowledge of the affairs or methods of these institutions, shall afford reasonable facilities for these examinations, make (SUCH) returns and reports to the commissioner of banks as he may require; attend and answer, under oath, his lawful inquiries; produce and exhibit (SUCH) *any* books, accounts, documents, and property as he may desire to inspect, and in all things aid him in the performance of his duties.

Subd. 2. With respect to specific transactions between a bank holding company and a state bank affiliate, the commissioner of banks shall have the authority to examine the records of such holding company that directly pertain to such transactions to the same extent such holding company were a state bank or trust company. For purposes of this subdivision, a bank holding company is defined as a company registered as such with the Federal Reserve System pursuant to the Bank Holding Company Act of 1956, as amended.

Sec. 2. Minnesota Statutes 1978, Section 46.24, is amended to read:

46.24 [CEASE AND DESIST PROCEEDINGS; INJUNCTIVE RELIEF.] Subdivision 1. [NOTICE OF CHARGES, ISSUANCE, CONTENTS; HEARING; CEASE AND DESIST ORDER. ISSUANCE, SERVICE, CONTENTS.] If in the opinion of the commissioner any institution or a director, officer, employee, agent or other person participating in the conduct of the affairs of the institution is engaging, or has engaged, or the commissioner has reasonable cause to believe that the institution is about to engage, in an unsafe or unsound practice in conducting the business of such institution or is violating, has violated, or the commissioner has reasonable cause to believe that the institution or a director, officer, employee, agent or other person participating in the conduct of the affairs of the institution is about to violate a law or rule, or a condition imposed in writing by the commissioner in connection with the granting of any application or other request by the institution or any written agreement entered into with the commissioner, the commissioner may issue and serve upon the institution or director, officer, employee, agent or other person, a notice of charges in respect thereof. The notice shall contain a statement of the facts constituting the alleged unsafe or unsound practice or violation, and shall fix a time and place at which a hearing will be held to determine whether an order to cease and desist therefrom should issue against the institution or a director, officer, employee, agent or other person participating in the conduct of the affairs of the institution. The hearing shall be not earlier than 10 days nor later than 30 days after service of the notice unless an earlier or a later date is set by the commissioner at the request of (THE INSTITUTION) any party so served. Unless the (INSTITUTION APPEARS) party or parties so served appear at the hearing by a duly authorized representative, (IT) they (SHALL BE) are deemed to have consented to the issuance of the cease and desist order. In the event of (SUCH) consent, or if upon the record made at any (SUCH) hearing the commissioner finds that any unsafe or unsound practice or violation specified in the notice of charges has been established, the commissioner may issue and serve upon the institution or a director, officer, employee, agent or other person participating in the conduct of the affairs of the institution an order to cease and desist from (ANY SUCH) the practice or violation. By provisions which may be mandatory or otherwise, the order may require the institution (AND) or its directors, (TRUSTEES,) officers, employees (AND), agents and other persons participating in the conduct of the affairs of the institution to cease and desist from the same and to take affirmative action to correct the conditions resulting from (ANY SUCH) the practice or violation.

Subd. 2. [EFFECTIVE DATE.] A cease and desist order (SHALL BECOME) is effective at the expiration of 30 days after the service of the order upon the institution or other per-

son concerned, except in the case of an order issued upon consent which (SHALL BECOME) is effective at the time specified therein, and (SHALL REMAIN) *remains* effective and enforceable as provided therein, except to the extent it is stayed, modified, terminated or set aside by the action of the commissioner or a reviewing court.

Subd. 3. [TEMPORARY CEASE AND DESIST ORDERS.]

(1) *Whenever the commissioner of banks determines that the violation or threatened violation or the unsafe or unsound practice or practices, specified in the notice of charges served upon the institution or a director, officer, employee, agent, or other person participating in the conduct of the affairs of the institution pursuant to subdivision 1, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the institution, or is likely to seriously weaken the condition of the institution or otherwise seriously prejudice the interests of the institution's depositors prior to the completion of the proceedings conducted pursuant to subdivision 1, the commissioner may issue a temporary order requiring the institution or a director, officer, employee, agent, or other person to cease and desist from the violation or practice and to take affirmative action to prevent insolvency, dissipation, condition, or prejudice pending completion of the proceedings. The order becomes effective upon service upon the institution or a director, officer, employee, agent, or other person participating in the conduct of the affairs of the institution and, unless set aside, limited, or suspended by a court in proceedings authorized by clause (2), remains effective and enforceable pending the completion of the administrative proceedings pursuant to the notice and until the time the commissioner dismisses the charges specified in the notice, or if a cease and desist order is issued against the institution or a director, officer, employee, agent or other person, until the effective date of the order.*

(2) *Within ten days after the institution concerned or a director, officer, employee, agent, or other person participating in the conduct of the affairs of the institution has been served with a temporary cease and desist order, the institution or a director, officer, employee, agent, or other person may apply to the appropriate district court for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of the order pending the completion of the administrative proceedings pursuant to the notice of charges served upon the institution or a director, officer, employee, agent, or other person under subdivision 1, and the court has jurisdiction to issue an injunction.*

Sec. 3. Minnesota Statutes 1978, Chapter 47, is amended by adding a section to read:

[47.202] [COMMISSIONER'S REPORT ON FEDERAL PREEMPTION.] *The commissioner shall, in his next annual*

report to the legislature, as required by section 47.20, subdivision 12, include an analysis of the effect of the provisions of P. L. 96-211, Title V, Part A on real estate lending in Minnesota.

Sec. 4. Minnesota Statutes 1978, Chapter 47, is amended by adding a section to read:

[47.203] [FEDERAL PREEMPTION OVERRIDE.] *The provisions of P.L. 96-211, Title V, Part A, Section 501 (a)(1), do not apply with respect to a loan, mortgage, credit sale or advance made in this state after the effective date of this section, nor with respect to a loan, mortgage, credit sale or advance secured by real property located in this state and made after the effective date of this section.*

Sec. 5. [EFFECTIVE DATE.] *Section 4 is effective December 31, 1981."*

Delete the title and insert:

"A bill for an act relating to financial institutions; authorizing examinations of certain bank holding companies; providing for the institution of cease and desist proceedings and the issuance of temporary orders; requiring commissioner to report on federal usury preemption; amending Minnesota Statutes 1978, Section 46.24; Chapter 47, by adding sections; and Minnesota Statutes, 1979 Supplement, Section 46.04."

April 11, 1980

The Honorable Fred C. Norton
Speaker of the House of Representatives

The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1302, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1302 be further amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1978, Section 48.19, Subdivision 1, is amended to read:

48.19 [LOANS ON REAL ESTATE RESTRICTED.] Subdivision 1. [RESTRICTIONS; EXCEPTION.] No bank or trust company shall make any loan upon the security of real estate unless it is a first lien thereon, except that a bank or trust company may take a junior lien: (a) upon real estate to secure a loan previously contracted; (OR) (b) upon farm real estate to secure a loan made to a farmer who resides in a county which due to weather conditions is a declared federal disaster area at the time the loan contract is signed; or (c) upon real estate to secure a loan if the total unpaid aggregate of all outstanding liens against the same real estate does not exceed 80 percent of its appraised value. Before any such loans are made the value of the real estate shall be determined by an appraisal made by a committee appointed by the board of directors, which appraisal shall be made a matter of record; except that the board may accept an appraisal made by or for an agency of the United States government when such agency is guaranteeing or insuring the loan or any part thereof.

A bank may take additional liens on the same security and these shall be considered to be part of the same mortgage lien thereon providing it has been established that there are no intervening liens.

Loans in which the small business administration cooperates through agreements to participate on an immediate or deferred basis under the federal small business act or loans or obligations secured or guaranteed by the United States or any department, bureau, board, commission, or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States, shall not be subject to the restrictions or limitations of this section imposed upon loans secured by real estate.

Sec. 2. Minnesota Statutes 1978, Section 50.14, Subdivision 5, is amended to read:

Subd. 5. (1) Class four shall be:

(a) Notes or bonds secured by mortgages or trust deeds on unencumbered real estate, whether in fee or in a leasehold of a duration not less than ten years beyond the maturity of the loan, in any state of the United States, worth at least twice the amount loaned thereon;

(b) Notes or bonds secured by mortgages or trust deeds on unencumbered real estate in clause (1) (a) where (SUCH) *the* notes or bonds do not exceed 80 percent of the appraised value of the security for the same, provided that (SUCH) *the* notes or bonds are payable in instalments aggregating not less than five percent of the original principal (PER ANNUM) *a year* in addition to the interest; or, are payable on a regular amortization basis in equal instalments including principal and interest, (SUCH) *these* instalments to be payable monthly in (SUCH) amounts that the debt will be fully paid in not to exceed 30 years if the security is non-agricultural real estate, and (SUCH) *these* instalments to be payable annually or semi-annually in (SUCH) amounts that the debt will be fully paid in not to exceed 25 years if the security is agricultural real estate. A construction loan (SHALL BE) *is* deemed amortized as required by this clause if the first instalment thereon (SHALL BE) *is* payable not later than 18 months after the date of the first advance in the case of residential construction or not later than 36 months after the date of the first advance in the case of nonresidential construction; and

(c) Notes or bonds secured by mortgages or trust deeds on unencumbered real estate in clause (1) (a) which are in an original principal amount of \$100,000 or more and which do not exceed 95 percent of the appraised value of the security for the same which may be payable in (SUCH) *the* manner as the trustees of the bank (SHALL) prescribe, provided that construction loans made by a savings bank pursuant to this clause (1) (c) (SHALL) *do* not exceed in the aggregate five percent of the assets of the savings bank.

(2) Class four investments shall be made only on report of a committee directed to investigate the same and report its value, according to the judgment of its members, and its report shall be preserved among the bank's records.

(3) Notwithstanding anything to the contrary in clause (1) (b), a mutual savings bank organized under the laws of this state may invest in notes or bonds secured by mortgages or trust deed where (SUCH) *the* notes or bonds do not exceed 95 percent of the appraised value of the security for the same. Except as modified herein, the other provisions of clause (1) (b) (SHALL) apply.

(4) For purposes of this subdivision, real estate (SHALL BE) *is* deemed unencumbered if the only existing mortgage or lien against the real estate is a first mortgage lien in favor of the savings bank making a second mortgage loan *or if the total unpaid aggregate of all outstanding liens against the same real estate does not exceed 80 percent of its appraised value.*

Sec. 3. Minnesota Statutes 1978, Chapter 47, is amended by adding a section to read:

[47.202] [COMMISSIONER'S REPORT ON FEDERAL PREEMPTION.] *The commissioner of banks shall, in his next annual report to the legislature, as required by section 47.20, subdivision 12, include an analysis of the effect of the provisions of P. L. 96-211, Title V, Part A on real estate lending in Minnesota.*

Sec. 4. Minnesota Statutes 1978, Chapter 47, is amended by adding a section to read:

[47.203] [FEDERAL PREEMPTION OVERRIDE.] *The provisions of Pub. L. 96-211, Title V, Part A, Section 501(a)(1), do not apply with respect to a loan, mortgage, credit sale or advance made in this state after the effective date of this section, nor with respect to a loan, mortgage, credit sale or advance secured by real property located in this state and made after the effective date of this section.*

Sec. 5. Minnesota Statutes 1978, Section 168.72, is amended to read:

168.72 [TIME PRICE DIFFERENTIALS.] *Subdivision 1. [MOTOR VEHICLES.] (a) The time price differential authorized by sections 168.66 to 168.77 in a retail installment sale shall not exceed the following rates:*

Class 1. Any motor vehicle designated by the manufacturer by a year model of the same or not more than one year prior to the year in which the sale is made—\$8 per \$100 per year.

Class 2. Any motor vehicle designated by the manufacturer by a year model of two or three years prior to the year in which the sale is made—\$11 per \$100 per year.

Class 3. Any motor vehicle not in Class 1 or Class 2—\$13 per \$100 per year plus a flat charge of \$3 for each (SUCH) retail installment sale.

(b) (SUCH) *The time price differential shall be computed on the principal balance as determined under section 168.71(b) and shall be computed at the rate indicated on contracts payable in successive monthly installment payments substantially equal in amount extending for a period of one year. On contracts providing for installment payments extending for a period less than or greater than one year, the time price differential shall be computed proportionately.*

(c) When a retail installment contract provides for unequal or irregular installment payments, the time price differential (SHALL BE) *is at the effective rate provided in subsection (a) hereof, having due regard for the irregular schedule of payment.*

(d) The time price differential (SHALL BE) is inclusive of all charges incident to investigating and making the contract, and for the extension of the credit provided for in the contract and no fee, commission, expense or other charge whatsoever shall be taken, received, reserved or contracted for except as provided in sections 168.66 to 168.77.

Subd. 2. [MOBILE HOMES.] (a) Notwithstanding any other law to the contrary the time price differential authorized by sections 168.66 to 168.77 in a retail installment sale of a mobile home, as defined in section 168.011, subdivision 8, shall not exceed 12 percent per year or at a rate of not more than 4-1/2 percent in excess of the discount rate on 90 day commercial paper in effect at the Federal Reserve bank in the Federal Reserve district encompassing Minnesota, whichever is greater.

(b) This subdivision supersedes the provisions of subdivision 3 for purposes of determining the lawful time price differential in a retail installment sale of a mobile home if the sale is made between the effective date of this subdivision and July 31, 1983.

Subd. 3. A sale of a mobile home made after July 31, 1983, is governed by the provisions of subdivision 1 for purposes of determining the lawful time price differential rate. A retail installment sale of a mobile home that imposes a time price differential rate that is greater than the rate permitted by this subdivision is lawful and enforceable in accordance with its terms until the indebtedness is fully satisfied if the rate was lawful when the sale was made.

The appropriation made in Laws 1979, Chapter 333, Section 27, shall stand.

During consideration of the zoological garden's transportation system legislation, the legislature was consistently and unequivocally assured that the only post enactment responsibility of the legislature would be to appropriate the receipts of the transportation system for the purpose of effecting the installment payments of the system. Accordingly, authorization for the acquisition by installment purchase agreement of the transportation system at the Minnesota zoological garden pursuant to Minnesota Statutes, Section 85A.02, Subdivision 16 was made on the understanding that the system would produce revenues sufficient to meet all operating costs and installment payments. This authorization did not constitute a direct or indirect obligation of the state for the acquisition of the system beyond net revenues generated by the system.

This section is intended to make clear to all potential investors in state and local bonds and to financial institutions that the state is not and never has been responsible otherwise for the financing of the zoo ride. The legislature's action regarding appropriations for installment purchase payments for the zoo ride is intended to have no effect on the security of bonds for which the state's full faith credit, and taxing power are pledged, or bonds of the Minnesota housing finance agency secured in the manner provided by Minnesota Statutes, Section 462A.22, Subdivision 8. This section is further intended to forestall any attempt by any person to cause damage to the credit rating of the state in order to force the state to assume an obligation for which it is neither legally nor morally responsible.

[WRITTEN STATEMENT.] No permanent employee in the classified service, under the provisions of this chapter or the rules made pursuant thereto, shall be removed, discharged, suspended without pay for more than 30 days, or reduced in pay or position, except for just cause. In case of any disciplinary action, as enumerated in this section, the employee shall, before the action is taken, be furnished with a statement, in writing, setting forth the reasons for the disciplinary action, be permitted five days time to reply thereto, in writing, or upon his request, to appear personally and reply to the head of the department. A copy of the statement and the employee's reply, if any, shall be filed with the commissioner prior to the effective date thereof. Any permanent employee in the classified service who is removed, discharged, suspended without pay for more than 30 days, or reduced in pay or position,

shall be notified no later than the effective date of the action of his right to appeal the action to the (BOARD) *chief hearing examiner of the state office of administrative hearings who shall assign a hearing examiner to hear the matter.*

Subd. 1a. [JUST CAUSE.] For the purposes of this section, "just cause" includes, but is not limited to, consistent failure to perform assigned duties, substandard performance, insubordination, and serious violation of written policies and procedures, provided the policies and procedures are applied in a uniform, non-discriminatory manner. "Just cause" excludes the religious beliefs, political beliefs, race, sex, disability status and age of the employee, subject however to mandatory retirement ages specified by law and excludes discharge for mere whim or caprice.

Subd. 2. [APPEAL TO BOARD; PUBLIC HEARINGS, FINDINGS, HEARING CONFERENCE.] Any permanent employee who is removed, discharged, suspended without pay for more than 30 days, or reduced in pay or position and who has not elected to proceed pursuant to a grievance procedure, if (SUCH) *the procedure is available, pursuant to sections 179.61 to 179.77, may appeal to the (BOARD) chief hearing examiner of the state office of administrative hearings who shall assign a hearing examiner to hear the matter within 30 days after the effective date of (SUCH) the removal, discharge, suspension or reduction in pay or position. In no event may an employee avail himself of both the procedure under this section and the grievance procedure under sections 179.61 to 179.77. Upon (SUCH) appeal, both the appealing employee and the appointing authority or their representatives shall meet with the hearing officer, at a place and on (SUCH) a date as set by him for the purpose of determining the facts at issue. Prior to the hearing conference, both parties may stipulate on mutually agreed matters relevant to the dismissal or other disciplinary action referred to in this subdivision. If the hearing officer is successful in reaching a mutually agreed settlement between both parties, such agreement shall be certified to the (BOARD) chief hearing examiner, with copies furnished to both parties, and (SUCH) the agreement, if approved by the (BOARD) chief hearing examiner, shall become binding on both parties. The hearing conference shall be conducted in such manner and follow such procedures as prescribed by the (BOARD) contested case provisions of chapter 15. The issues and facts on which agreement has not been reached will be decided during the hearing at which hearing technical rules of evidence shall not apply. If the (BOARD) hearing examiner finds that the action complained of was not taken by the appointing authority for just cause, the employee shall be reinstated to his position, or an equal position in another department or division, without loss of pay. If the (BOARD) hearing examiner finds that there exist sufficient grounds for institution of dismissal but extenuating circumstances are brought out in testimony and evidence, (IT) he may in (ITS) his discretion reinstate the employee, with full, partial, or no*

pay, or it may modify the appointing authority's action by substituting a lesser disciplinary action. The hearing officer shall recommend to the (BOARD) *chief hearing examiner* an appropriate disposition of the case. If no exceptions are made, the hearing officer's recommended disposition shall, at the option of the (BOARD) *chief hearing examiner*, become final. If exceptions are taken, the (BOARD) *chief hearing examiner*, upon a review of the record, may accept the officer's recommendations with or without additional oral or written evidence from the parties, may remand the case to the officer for further hearing, adopt the hearing officer's report with any changes warranted by the record, or issue its own report of findings and orders. In those cases in which the (BOARD) *chief hearing examiner* finds just cause for dismissal, the findings and recommendations of the (BOARD) *chief hearing examiner* shall be submitted to and considered by the appointing authority, who may, not later than 30 days after receipt of (SUCH) *the findings and recommendations*, reinstate the employee with or without pay for the period of suspension, or otherwise modify his original decision of suspension, demotion, or discharge. When any permanent employee is dismissed and not reinstated after appeal, the (BOARD) *chief hearing examiner* may direct that his name be placed on an appropriate reemployment list, for employment in any similar position other than the one from which he has been removed, which direction shall be enforced by the commissioner. *If the chief hearing examiner supports the agency decision, or if the agency refuses to accept the chief hearing examiner's recommendations, the employee may appeal as though from a contested case decision pursuant to chapter 15.*

Subd. 3. [REQUEST FOR WRITTEN STATEMENT.] When any such permanent employee shall be suspended without pay, he shall, within 30 days time after being notified of such disciplinary action, be furnished with a statement in writing specifically setting forth the reasons for the disciplinary action, and a copy of such statement shall then also be filed with the commissioner.

Sec. 71. Minnesota Statutes 1978, Section 43.323, Subdivision 1, is amended to read:

43.323 [PERSONNEL RULE; PROCEDURE.] Subdivision 1. When so authorized by law, the commissioner of personnel shall issue (,) *personnel rules or revisions* in conformance with the requirements of chapter 15 (, PERSONNEL RULES, OR CHANGES THEREOF, AND SHALL SUBMIT SUCH PROPOSED RULES, OR CHANGES TO EXISTING RULES, TO THE PERSONNEL BOARD, FOR ITS OPINION WHICH SHALL BE ADVISORY ONLY).

(WITHIN THREE WEEKS AFTER RECEIPT OF SUCH PROPOSED RULES OR CHANGES TO EXISTING RULES, THE PERSONNEL BOARD SHALL FILE ITS OPINION ON

THE PROPOSED RULE OR RULE CHANGE WITH THE COMMISSIONER.)

(AFTER RECEIPT OF THE BOARD'S ADVISORY OPINION ON THE PROPOSED RULE OR CHANGE OF RULE, THE COMMISSIONER SHALL WITHIN SEVEN DAYS PROMULGATE OR WITHDRAW THE PROPOSED RULE OR PROPOSED CHANGE OF RULE.) A provision of an agreement entered into by the commissioner pursuant to section 179.74, subdivision 5 shall supersede the provisions of any rule or portion thereof which is inconsistent therewith.

Sec. 72. Minnesota Statutes 1978, Section 43.324, Subdivision 2, is amended to read:

Subd. 2. The recommendation of the commissioner as required by subdivision 1 shall include the recommendations (OF THE PERSONNEL BOARD) concerning salaries in the unclassified service or any modifications thereof which he has made. (BUT NO MODIFICATION OF THE PERSONNEL BOARD'S RECOMMENDATIONS SHALL BE MADE BY THE COMMISSIONER WITHOUT A WRITTEN EXPLANATION THEREFOR, AND IN NO EVENT MAY THE COMMISSIONER MAKE ANY CHANGES IN THE RECOMMENDATIONS OF THE PERSONNEL BOARD CONCERNING POSITIONS IN THE LEGISLATIVE AND JUDICIAL BRANCHES.)

Sec. 73. Minnesota Statutes 1978, Section 43.35, is amended to read:

43.35 [VIOLATIONS; PENALTIES.] Any (PERSONNEL) board member, the commissioner, or examiner or any other person,

(1) who wilfully or corruptly, by himself or in cooperation with one or more persons, defeats, deceives, or obstructs any person with respect to his rights of examination or application according to this chapter, or to any rules or regulations prescribed pursuant thereto, or

(2) who wilfully or corruptly falsely marks, grades, estimates, or reports upon the examination or proper standing of any person examined, registered, certified, employed, or promoted pursuant to the provisions of these sections, or aids in so doing, or who wilfully destroys any examination questions, answers, or records thereon of any applicant for civil service within a period of one year after any examination has been completed, or

(3) who wilfully or corruptly makes or files any false representations concerning the persons examined, registered, certified, appointed, employed, or promoted, or

(5) who personates any other person, or permits or aids in any manner any other person to personate him in connection with any examination or registration, or application or request to be examined or registered, or

(6) who wilfully or corruptly shall appoint to a position in the classified service, or dismisses, suspends, reduces in rank or pay any officer or employee from any position in the classified service otherwise than in compliance with, and in conformity to, the provisions of this chapter and the rules and regulations of the commissioner of personnel adopted pursuant thereto, or

(7) who wilfully or corruptly refuses or neglects otherwise to comply with, or conform to, the provisions of this chapter and the rules and regulations made pursuant thereto, or violates any of these provisions, shall be deemed guilty of a misdemeanor and punished accordingly.

Any conviction under this section shall render the public officer or position held by the person so convicted vacant, and such person shall be ineligible to hold public office for a period of five years from the date of the conviction.

Sec. 74. Minnesota Statutes 1978, Section 62D.12, is amended by adding a subdivision to read:

Subd. 12. No health maintenance contract issued or renewed on or after July 1, 1980 shall contain any provision denying or reducing benefits because services are rendered to an insured or dependent who is eligible for or receiving medical assistance pursuant to chapter 256B or services pursuant to sections 252.27; 260.251, subdivision 1a; 261.27; or 393.07, subdivisions 1 or 2.

Sec. 75. Minnesota Statutes, 1979 Supplement, Section 82.21, Subdivision 1, is amended to read:

82.21 [FEES.] Subdivision 1. [AMOUNTS.] The following fees shall be paid to the commissioner:

(a) A fee of \$50 for each initial individual broker's license, and a fee of \$25 for each annual renewal thereof;

(b) A fee of \$25 for each initial salesperson's license, and a fee of \$10 for each annual renewal thereof;

(c) A fee of \$50 for each initial corporate or partnership license, and a fee of \$25 for each annual renewal thereof;

(d) A fee not to exceed (\$20) \$40 per year for payment to the education, research and recovery fund in accordance with section 82.34;

(e) A fee of \$10 for each transfer.

Sec. 76. Minnesota Statutes 1978, Section 82.34, is amended to read:

82.34 [REAL ESTATE EDUCATION, RESEARCH AND RECOVERY FUND.] Subdivision 1. There is established a "real estate education, research and recovery fund" to be administered by the commissioner of securities. The state treasurer shall be the custodian of the fund and shall operate under the direction of the commissioner.

Subd. 2. There is hereby created in the state treasury a real estate education, research and recovery fund which shall be administered by the commissioner in the manner and for the purposes prescribed in this section.

Subd. 3. Each real estate broker and real estate salesperson entitled under this chapter to renew his license, when renewing for the first time after July 1, 1973, shall pay in addition to the appropriate renewal fee a further fee of \$20 which shall be credited to the real estate education, research and recovery fund. Any person who receives a new real estate broker's or real estate salesperson's license after July 1, 1973 shall pay said fee of \$20 in addition to all other fees payable, provided that in no case shall any real estate broker or real estate salesperson be required under this subdivision to pay said fee of \$20 more than once. *The one time fee shall increase to \$40 for any person who receives a new real estate broker's or real estate salesperson's license after July 1, 1980. In addition each real estate broker or real estate salesperson when renewing his license after July 1, 1980, shall each time pay a fee of \$5 to be credited to the real estate education, research and recovery fund.*

Subd. 4. If at the end of any fiscal year *prior to calendar year 1981* following the establishment of the real estate education, research and recovery fund, the amount remaining in the fund is less than \$200,000, every licensed real estate broker and real estate salesperson, when renewing his license, shall pay in addition to the annual renewal fee, a sum not to exceed \$20 said sum having been determined by the commissioner to be sufficient to restore the balance in the fund to at least \$200,000.

Commencing with calendar year 1981, not to exceed \$400,000 of the fund shall be available for recovery purposes to satisfy all claims authorized for payment each calendar year. This shall

be designated as the recovery portion of the fund. Commencing in calendar year 1981, if the amount remaining in the fund after payment of all amounts authorized during the preceding calendar year for payment to claimants is less than \$400,000 plus the amount appropriated pursuant to subdivision 6, every licensed real estate broker and real estate salesperson, when renewing his license, shall pay, in addition to the annual renewal fee and the \$5 fee set forth in subdivision 3, a sum not to exceed \$35, said sum having been reasonably determined by the commissioner to be necessary to restore the balance in the fund.

Subd. 5. Any funds (IN EXCESS OF \$200,000) shall, upon request of the commissioner, be invested by the state board of investment in the class of securities specified in section 11.16 and acts amendatory thereto. All interest and profits from such investments shall be credited to the real estate education, research and recovery fund. The state treasurer shall be the custodian of securities purchased under the provisions of this section.

Subd. 6. The commissioner (, IN HIS DISCRETION MAY USE ANY FUNDS IN EXCESS OF \$200,000) *may expend monies as appropriated* for the following purposes:

- (a) To promote the advancement of education and research in the field of real estate for the benefit of those licensed under this chapter;
- (b) To underwrite educational seminars and other forms of educational projects for the benefit of real estate licensees;
- (c) To establish a real estate chair or courses at Minnesota state institutions of higher learning for the purpose of making such courses available to licensees and the general public;
- (d) To contract for a particular educational or research project in the field of real estate to further the purposes of this chapter (.);
- (e) *To pay the costs of the real estate advisory council established under section 82.30; and*
- (f) *To pay any reasonable costs and disbursements, excluding attorney's fees, incurred in defending actions against the real estate education, research and recovery fund including the cost of mailing or publication of notice pursuant to subdivision 12 and subdivision 14.*

Subd. 7. When any aggrieved person obtains a final judgment in any court of competent jurisdiction against any person licensed under this chapter, on grounds of fraudulent, deceptive or dishonest practices, or conversion of trust funds arising directly out of any transaction when the judgment debtor was

licensed and performed acts for which a license is required under this chapter, and which cause of action occurred on or after July 1, 1973, the aggrieved person may, upon the judgment becoming final, and upon termination of all proceedings, including reviews and appeals, file a verified application in the court in which the judgment was entered for an order directing payment out of the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the fund of the amount of actual and direct out of pocket loss in such transaction, but excluding interest on the loss and on any judgment obtained as a result of such loss*, up to the sum of \$20,000 of the amount unpaid upon the judgment, provided that nothing in this chapter shall be construed to obligate the fund for more than \$20,000 per transaction, *subject to the limitations set forth in subdivisions 12 and 14*, regardless of the number of persons aggrieved or parcels of real estate involved in such transaction. A copy of the verified application shall be served upon the commissioner and upon the judgment debtor, and a certificate or affidavit of such service filed with the court.

Subd. 8. The court shall conduct a hearing upon such application 30 days after service of the application upon the commissioner. Upon petition of the commissioner, the court shall continue the hearing up to 60 days further; and upon a showing of good cause may continue the hearing for such further period as the court deems appropriate. At the hearing the aggrieved person shall be required to show that:

(a) He is not a spouse of debtor, or the personal representative of such spouse;

(b) He has complied with all the requirements of this section;

(c) He has obtained a judgment as set out in subdivision 7, stating the amount thereof and the amount owing thereon at the date of the application;

(d) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of real or personal property or other assets, liable to be sold or applied in satisfaction of the judgment;

(e) By such search he has discovered no personal or real property or other assets liable to be sold or applied, or that he has discovered certain of them, describing them, owned by the judgment debtor and liable to be so applied, and that he has taken all necessary action and proceedings for the realization thereof, and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized;

(f) He has diligently pursued his remedies against all the judgment debtors and all other persons liable to him in the transaction for which he seeks recovery from the real estate education, research and recovery fund;

(g) He is making said application no more than one year after the judgment becomes final, or no more than one year after the termination of any review or appeal of the judgment.

Subd. 9. Whenever the court proceeds upon an application as set forth in subdivision 7, it shall order payment out of the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the fund* only upon a determination that the aggrieved party has a valid cause of action within the purview of subdivision 7 and has complied with the provisions of subdivision 8. The judgment shall be only prima facie evidence of such cause of action and for the purposes of this section shall not be conclusive. The commissioner may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review including examination of witnesses. The commissioner may move the court at any time to dismiss the application when it appears there are no triable issues and the petition is without merit. The motion may be supported by affidavit of any person or persons having knowledge of the facts, and may be made on the basis that the petition, and the judgment referred to therein, does not form the basis for a meritorious recovery claim within the purview of subdivision 7; provided, however, the commissioner shall give written notice at least ten days before such motion. The commissioner may, subject to court approval, compromise a claim based upon the application of an aggrieved party. He shall not be bound by any prior compromise or stipulation of the judgment debtor.

Subd. 10. The commissioner may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses. The judgment debtor may defend any such action on his own behalf and shall have recourse to all appropriate means of defense and review, including examination of witnesses. Whenever an applicant's judgment is by default, stipulation, or consent, or whenever the action against the licensee was defended by a trustee in bankruptcy, the applicant shall have the burden of proving his cause of action for fraudulent, deceptive or dishonest practices, or conversion of trust funds. Otherwise, the judgment shall create a rebuttable presumption of the fraudulent, deceptive or dishonest practices, or conversion of trust funds. This presumption is a presumption affecting the burden of producing evidence.

Subd. 11. If the court finds after the hearing that said claim should be levied against the *recovery* portion of the fund (ALLOCATED FOR THE PURPOSE OF CARRYING OUT THE PROVISIONS OF THIS SECTION), the court shall enter

an order directed to the commissioner requiring payment from the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the* fund of whatever sum it shall find to be payable upon the claim pursuant to the provisions of and in accordance with the limitations contained in this section.

Subd. 12. (a) Notwithstanding any other provision of this section, the liability of (THAT) *the recovery* portion of the (REAL ESTATE EDUCATION, RESEARCH AND RECOVERY) fund (ALLOCATED FOR THE PURPOSES OF THIS SECTION) *to all persons for all losses* shall not exceed (\$20,000) \$25,000 for any one licensee;

(b) If the (\$20,000) \$25,000 liability of the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the* fund is insufficient to pay in full the valid claims of all aggrieved persons by whom claims have been filed against any one licensee, such (\$20,000) \$25,000 shall be distributed among them in the ratio that their respective claims bear to the aggregate of such valid claims or in such other manner as the court deems equitable. Distribution of such moneys shall be among the persons entitled to share therein, without regard to the order of priority in which their respective judgments may have been obtained or their claims have been filed. Upon petition of the commissioner, the court may require all claimants and prospective claimants against one licensee to be joined in one action, to the end that the respective rights of all such claimants to the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the* fund may be equitably adjudicated and settled.

Subd. 13. Should the commissioner pay from the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the* fund any amount in settlement of a claim or toward satisfaction of a judgment against a licensed broker or salesperson, the license of the broker or salesperson shall be automatically suspended upon the effective date of an order by the court as set forth herein authorizing payment from the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the* fund. No such broker or salesperson shall be granted reinstatement until he has repaid in full, plus interest at the rate of (FOUR) 12 percent a year, *twice* the amount paid from the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the* fund on his account, *and has obtained a surety bond issued by an insurer authorized to transact business in this state in the amount of \$40,000. The bond shall be filed with the commissioner, with the state of Minnesota as obligee, conditioned for the prompt payment to any aggrieved person entitled thereto, of any amounts received by the real estate broker or salesperson or to protect any aggrieved person from loss resulting from fraudulent, deceptive or dishonest practices or conversion of trust funds arising out of any transaction when the real estate broker or salesperson was licensed and performed acts for which a license is required under this chapter. The bond shall remain*

operative for as long as that real estate broker or salesperson is licensed. No payment shall be made from the recovery portion of the fund based upon claims against any broker or salesperson who is granted reinstatement pursuant to this subdivision. A discharge in bankruptcy shall not relieve a person from the penalties and disabilities provided in this section.

Subd. 14. (IF, AT ANY TIME, THE MONEY DEPOSITED IN THE REAL ESTATE EDUCATION, RESEARCH AND RECOVERY FUND AND ALLOCATED FOR PURPOSES OTHER THAN REAL ESTATE EDUCATION AND RESEARCH IS INSUFFICIENT TO SATISFY ANY DULY AUTHORIZED CLAIM OR PORTION THEREOF, THE COMMISSIONER SHALL, WHEN SUFFICIENT MONEY HAS BEEN DEPOSITED IN THE REAL ESTATE EDUCATION, RESEARCH AND RECOVERY FUND, SATISFY SUCH UNPAID CLAIMS OR PORTIONS THEREOF, IN THE ORDER THAT SUCH CLAIMS OR PORTIONS THEREOF WERE ORIGINALLY FILED, PLUS ACCUMULATED INTEREST AT THE RATE OF FOUR PERCENT A YEAR.) *The commissioner shall satisfy all claims against licensees for which an order pursuant to subdivision 11 directing payment from the recovery portion of the fund has become final during the calendar year. Each claim shall be satisfied by the commissioner in not less than 30 and not more than 90 days following the end of the calendar year in which the order directing payment of the claim becomes final, commencing with calendar year 1981. If, at the end of any calendar year, the commissioner determines that the courts have issued orders that have become final during the year directing payment out of the recovery portion of the fund in a total amount in excess of \$400,000, the commissioner shall allocate the \$400,000 available for recovery purposes among all claimants in the ratio that the amount ordered paid to each claimant bears to the aggregate of all amounts ordered paid. The commissioner shall mail notice of the allocation to all claimants not less than 45 days following the end of the calendar year. Any claimant who objects to the plan of allocation shall file a petition in the district court of Ramsey or Hennepin County within 20 days of the mailing of notice setting forth the grounds for objection. Upon motion of the commissioner the court shall summarily dismiss the petition and order distribution in accordance with the proposed plan of allocation unless it finds substantial reason to believe that the distribution would be in violation of the provisions of this section. If a petition is filed, no distribution shall be made except in accordance with a final order of the court. In the event no petition is filed within 20 days of the mailing of notice, the commissioner shall make a distribution in accordance with the plan of allocation. Any distribution made by the commissioner in accordance with this subdivision shall be deemed to satisfy and extinguish the claims of any claimant receiving a distribution against the recovery portion of the fund.*

Subd. 15. Any sums received by the commissioner pursuant to any provisions of this section shall be deposited in the state

treasury, and credited to the real estate education, research and recovery fund, and said sums shall be allocated exclusively for the purposes provided in this section. All moneys in the fund are appropriated annually to the commissioner for the purposes of this section.

Subd. 16. It shall be unlawful for any person or the agent of any person to knowingly file with the commissioner any notice, statement, or other document required under the provisions of this section which is false or untrue or contains any material misstatement of fact. Such conduct shall constitute a gross misdemeanor.

Subd. 17. When, upon the order of the court, the commissioner has paid from the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the fund* any sum to the judgment creditor, the commissioner shall be subrogated to all of the rights of the judgment creditor to the extent of the amount so paid and the judgment creditor shall assign all his right, title and interest in the judgment to the extent of the amount so paid to the commissioner and any amount and interest so recovered by the commissioner on the judgment shall be deposited to the fund.

Subd. 18. Nothing contained in this section shall limit the authority of the commissioner to take disciplinary action against any licensee under other provisions of this chapter; nor shall the repayment in full of all obligations to the (REAL ESTATE EDUCATION, RESEARCH AND) recovery *portion of the fund* by any licensee nullify or modify the effect of any other disciplinary proceeding brought pursuant to the provisions of this chapter.

Subd. 19. The commissioner shall include in the annual report of the commerce commission pursuant to section 45.033, a report on the activities of the real estate education, research and recovery fund; noting the amount of money received by the fund, the amount of money expended and the purposes therefor.

Subd. 20. Claims for which orders for payment have become final prior to January 1, 1981 shall be paid in accordance with Minnesota Statutes 1978, Section 82.34, but shall be subject to the limitations set forth in subdivisions 7 and 12. If at any time the amount deposited in the recovery portion of the fund is insufficient to satisfy any duly authorized claim or portion thereof for which an order directing payment has become final prior to January 1, 1981, the commissioner shall treat the unpaid claims or portions thereof as if entered pursuant to orders which become final in the calendar year 1981. Those claims shall be paid in accordance with the procedure set forth in subdivision 14 and shall be subject to the limitations set forth in subdivisions 4 and 14.

Sec. 77. [APPROPRIATION.] *Subdivision 1. The sum of \$158,900 is appropriated from the real estate education, re-*

search, and recovery fund to the commissioner of securities for the purpose of section 82.34, subdivision 6, as amended by this act. This appropriation is available until June 30, 1981.

The approved complement for the department of commerce—securities division is increased by three positions upon termination of the university of Minnesota contract for real estate education activities.

Subd. 2. If the position of St. Cloud State University chair of real estate has not been filled by August 1, 1980, all further contractual obligations of the state are void and \$25,000 of this appropriation shall cancel and revert to the real estate education research and recovery fund. In this event, an additional \$25,000 within this appropriation is earmarked for repayment of any bona fide contractual expenses incurred by St. Cloud State University during the life of the contract.

Sec. 78. Minnesota Statutes 1978, Section 90.195, is amended to read:

90.195 [SPECIAL USE PERMIT.] The commissioner (, FOR A \$5 FEE,) may issue a permit to salvage or cut not to exceed 25 cords of fuelwood per year for personal use from either or both of the following sources: (1) Dead, down, and diseased trees; (2) other trees that are of negative value under good forest management practices. (SUCH) *The permits may be issued for a period not to exceed one year. The commissioner shall charge a fee, not less than \$5, in an amount up to the stumpage current market value of fuelwood of similar species, grade, and volume that is being sold in the area where the salvage or cutting is authorized under the permit.*

Sec. 79. Minnesota Statutes 1978, Section 94.10, Subdivision 1, is amended to read:

94.10 [SURVEYS, APPRAISALS AND SALE.] Subdivision 1. Before offering any surplus state owned lands for sale, the commissioner of administration may survey such lands, and if the value thereof is estimated to be (\$5,000) \$20,000 or less, may have such lands appraised. He shall have the lands appraised if the estimated value is in excess of (\$5,000) \$20,000. The appraisal shall be made by not less than three appraisers, at least two of whom shall be residents of the county in which the lands are situated. Each appraiser shall before entering upon the duties of his office take and subscribe an oath that he will faithfully and impartially discharge his duties as appraiser according to the best of his ability and that he is not interested directly or indirectly in any of the lands to be appraised or the timber or improvements thereon or in the purchase thereof and has entered into no agreement or combination to purchase the same or any part thereof, which oath shall

be attached to the report of such appraisal. Before offering such surplus state owned lands for public sale, such lands shall first be offered to the city, county, town, school district, or other public body corporate or politic in which the lands are situated for public purposes and they may be sold for such public purposes for not less than the appraised value thereof. To determine whether a public body desires to purchase the surplus land, the commissioner of administration shall publish notice describing the land on the same day of at least two successive weeks in a newspaper of general circulation in the county in which the land is located; however, the commissioner shall give a written notice to the governing body of each political subdivision whose jurisdictional boundaries include or are adjacent to the surplus land. If a public body desires to purchase the surplus land it shall submit a written offer to the commissioner not later than two weeks after the last published notice setting forth in detail its reasons for desiring to acquire and its intended use of the land. In the event that more than one public body tenders an offer, the commissioner shall determine which party shall receive the property, and he shall submit written findings regarding his decision. If lands are offered for sale for such public purposes, and if a public body notifies the commissioner of administration of its desire to acquire such lands, the public body may have not to exceed two years from the date of the accepted offer to commence payment for the lands in the manner provided by law.

Sec. 80. Minnesota Statutes 1978, Section 94.16, is amended to read:

94.16 [FUNDS, HOW DISPOSED OF.] All moneys received from the sale of such lands or lots shall be credited to the general fund of the state, *except that a portion of the proceeds from the sale equal in amount to the survey, appraisal, legal, advertising, and other expenses incurred by the commissioner of administration or other state official in rendering the property saleable shall be remitted to the account from which the expenses were paid, and are appropriated and immediately available for expenditure in the same manner as other money in the account.*

Sec. 81. Minnesota Statutes 1978, Section 97.431, Subdivision 4, is amended to read:

Subd. 4. [COMMISSIONER'S POWERS AND DUTIES.] Notwithstanding the provisions of any other law to the contrary, the commissioner of natural resources, on behalf of the state of Minnesota, shall take all actions, by order or otherwise, which are necessary to carry out the duties and obligations of the state of Minnesota arising from the agreement entered into by the parties to the settlement agreement. These actions include but are not limited to the following:

(a) The implementation of the exemption of members of the band and other members of the Minnesota Chippewa tribe from state laws relating to hunting, fishing, trapping, the taking of minnows and other bait, and the gathering of wild rice while within the reservation, together with exemption from related possession and transportation laws, to the extent necessary to effectuate the terms of the settlement agreement;

(b) The establishment of a system of special licenses and related license fees for persons who are not members of the Minnesota Chippewa tribe for the privilege of hunting, fishing, trapping, or taking minnows and other bait, within the reservation. All money collected by the commissioner for special licenses shall be deposited in the state treasury and credited to the Leech Lake Band and White Earth Band special license account, which is hereby created. All money in the state treasury credited to the Leech Lake Band and White Earth Band special license account, less any deductions for administrative costs authorized by the terms of the settlement agreement, is appropriated to the commissioner who shall remit the money to the committee pursuant to the terms of the settlement agreement;

(c) To the extent necessary to effectuate the terms of the settlement agreement, the promulgation of regulations for the harvesting of wild rice within the reservation by non-Indians;

Subd. 2. [DEFINITIONS.] (a) For the purpose of this section the terms defined in this subdivision have the meanings ascribed to them.

(b) "Drainage system" means a ditch as defined by Minnesota Statutes, Section 106.011, Subdivision 17.

This fund shall be maintained by an annual ad valorem tax levy on each dollar of assessed valuation of all taxable property within the respective districts sufficient to raise an amount each year of up to, but not to exceed, an amount of \$125,000 in each district. This levy is in lieu of, not in addition to, the administrative levy contained in Minnesota Statutes 1978, Section 112.61, Subdivision 3. Commercial viability shall be determined without regard to the*

presence of the utility route or site. The owner or, when applicable, the contract vendee shall have only one such option and may not expand or otherwise modify his election without the consent of the utility. The required acquisition of land (CONTIGUOUS TO, BUT OUTSIDE THE DESIGNATED RIGHT OF WAY OF A ROUTE OR THE BOUNDARY OF A SITE,) pursuant to this subdivision shall be considered an acquisition for a public purpose and for use in the utility's business, for purposes of chapter 117 and section 500.24, respectively; provided that a utility shall divest itself completely of all such lands used for farming or capable of being used for farming (WITHIN FIVE YEARS AFTER THE DATE OF ACQUISITION, OR SUCH LAND SHALL BE SOLD AT A PUBLIC SALE IN THE MANNER PRESCRIBED BY LAW FOR THE FORECLOSURE OF A MORTGAGE BY ACTION) not later than the time it can receive the market value paid at the time of acquisition of lands less any diminution in value by reason of the presence of the utility route or site. (5) Apply to contract with the national institute on drug abuse for receipt of dosage forms of THC, fully characterized as to contents and delivery to the human system, pursuant to regulations promulgated by the national institute on drug abuse, and the federal food and drug administration. The principal investigator shall ensure delivery of the THC dosages to clinical investigators as needed for participation in the program;

(6) Conduct the research program in compliance with federal laws and regulations promulgated by the federal food and drug administration, the drug enforcement administration, the national institute on drug abuse, and the purposes and provisions of this section;

237.12 [CONNECTIONS BETWEEN TELEPHONE COMPANIES DISCONTINUED ONLY ON ORDER.] When public convenience requires the same, every telephone company shall, for a reasonable compensation, permit a physical connection or connections to be made, and telephone service to be furnished between any telephone exchange system operated by it, and the telephone toll line or lines operated by another company, or between its telephone toll line or lines and the telephone exchange system of another telephone company, or between its toll line and the toll line of another company, whenever such physical connection or connections are practicable and will not result in irreparable injury to the telephone system so compelled to be connected. The term "physical connection," as used in this section, means such number of trunk lines or complete wire circuits and connections as may be required to furnish reasonable and adequate service between such telephone lines and exchanges and shall not be deemed to provide for any connection whereby one line or circuit is to be bridged upon another line or circuit. In case of failure of the telephone companies concerned to allow or agree upon such physical connection or connections, or the terms and conditions upon which the same shall be made, application may be made to the department for an order requiring such connection and fixing the compensation, terms and conditions thereof, and if after investigation and hearing the department shall find that such physical connections will not result in irreparable injury to such telephone properties, it shall by order direct that such connections be made, and prescribe reasonable conditions and compensation therefor and for the joint use thereof, and by whom the expense of making and maintaining such connection or connections shall be paid. When application is made to the department requesting physical connection it shall be presumed that such connection is necessary, and that the public convenience will be promoted thereby, and the burden of overcoming such presumption shall be upon the party resisting such application. The telephone companies so connecting shall give service over the connecting line or lines without preference to or discrimination against any service or telephone company whatever.

Wherever a physical connection or connections exist between any telephone exchange system operated by a telephone company and the toll line or lines operated by another telephone company or between its toll line or lines and the telephone exchange system of another telephone company, or between its toll line and the toll line of another telephone company, neither of the companies shall cause such connection to be severed or the service between the companies to be discontinued without first obtaining an order from the department upon an application for permission to discontinue such physical connection. Upon the filing of an application for discontinuance of such a connection, the department shall investigate and ascertain whether public convenience re-

quires the continuance of such physical connection, and if the department so finds, *the commission* shall fix the compensation, terms and conditions of the continuance of the physical connection and service between the telephone companies.

Sec. 120. Minnesota Statutes 1978, Section 237.295, Subdivision 1, is amended to read:

The department *and commission* shall ascertain the expenses, and *the department* shall render a bill therefor to the telephone company, either at the conclusion of the investigation, appraisal, or services, or from time to time during its progress, which bill shall constitute notice of the assessment and a demand for payment. The amount of the bills so assessed by the department shall be paid by the telephone company into the state treasury within 30 days from the date of assessment. The total amount, in any one calendar year, for which any telephone company shall become liable, by reason of costs incurred by the department *and commission* within that calendar year, shall not exceed two-fifths of one percent of the gross jurisdictional operating revenue of the telephone company in the last preceding calendar year. Where, pursuant to this subdivision, costs are incurred within any calendar year which are in excess of two-fifths of one percent of the gross jurisdictional operating revenues, the excess costs shall not be chargeable as part of the remainder under subdivision 2, but shall be paid out of the general appropriation of the department.

The remainder shall be assessed by the department to the several telephone companies in proportion to their respective gross jurisdictional operating revenues during the last calendar year. The assessment shall be paid into the state treasury within 30 days after the bill has been mailed to the several telephone companies, which shall constitute notice of the assessment and demand of payment thereof. The total amount which may be assessed to the

telephone companies, under authority of this subdivision, shall not exceed one-eighth of one percent of the total gross jurisdictional operating revenues during such calendar year.

The commissioner may subdivide the lands and interest in lands into smaller parcels for the purpose of the sale or exchange.*

Sec. 164. [ABANDONED RIGHT OF WAY.] *Subdivision 1. [LEGISLATIVE FINDINGS AND CONCLUSIONS.] The legislature finds, for the reasons stated below, that it is in the best interest of the state to acquire the portions of the abandoned Chicago, Milwaukee, St. Paul, and Pacific Railroad right-of-way between the Red Cedar River and the high voltage transmission line from Prairie Island to Adams which crosses the right-of-way east of Dexter in Mower County and between Isinour Junction in Fillmore County and Money Creek Woods in Houston County. The reasons are: (1) An approximately 33 mile portion of the right-of-way, east of Isinour Junction, as more specifically described and recommended for acquisition in the report of the hearing examiner on the Root River Trail dated March 5, 1980, satisfies the criteria stated in Minnesota Statutes, Section 86A.05, Subdivision 4, Clause (b) for the establishment of a state trail pursuant to Minnesota Statutes, Sections 84.029, Subdivision 2, and 85.015, Subdivision 7; (2) Other portions of the right-of-way west of Dexter, satisfy the criteria stated in Minnesota Statutes, Section 86A.05, Subdivision 5, Clause (b), for the establishment of a state scientific and natural area; (3) Development of these units of the outdoor recreation system can be accomplished in such a way as to minimize adverse effects on adjoining agricultural lands; (4) The right-of-way from the high voltage transmission line east of Dexter to the Red Cedar River has been proposed for, and has high potential for use by the Austin Utilities Board as a high voltage transmission line; and (5) the right-of-way from the Red Cedar River to Dexter has potential for trail development.*

Subd. 2. [ACQUISITION AUTHORITY.] The commissioner of natural resources, having completed the study and hearing process specified in Laws 1979, Chapter 301, Section 7, shall acquire, for development of a state recreational trail and to hold for a potential utility use, the portions of the abandoned

Chicago, Milwaukee, St. Paul and Pacific Railroad right-of-way described in subdivision 1, including trestles, bridges and culverts from the railroad or from any person to whom the right-of-way may revert or be sold upon abandonment. The commissioner shall have the first rights of purchase and may acquire by gift, purchase, or condemnation pursuant to Minnesota Statutes, Chapter 117.

Subd. 3. [MITIGATION OF ADVERSE IMPACTS.] *To the maximum extent the commissioner shall develop and maintain the portion of right-of-way used for trail purposes so as to minimize adverse effects on adjoining agricultural lands and property owners. To this end the commissioner shall:*

(a) Notwithstanding the provisions of Minnesota Statutes, Section 94.342, Subdivision 3, offer to exchange land with landowners whose land is crossed or adjacent to the trail right-of-way where the exchange will minimize or mitigate impact on farming use, privacy or other beneficial use of the lands of the adjacent owner and is consistent with the trail use;

(b) Allow easements for drainage culverts and tile lines to cross the trail right-of-way without cost to adjacent landowners, provided that the commissioner may restrict the location and construction method of the culverts and tile lines to protect the resource;

(c) Provide and maintain fencing on both sides of the line at the expense of the state where requested by the adjoining landowner;

(d) Allow easements for crossing livestock and farm equipment of adjoining owners where necessary and convenient; and

(e) Assign, prior to the opening of the trail, a full time trail manager to this trail.

Subd. 4. [FURTHER STUDY.] *The commissioner shall study, and hold a hearing, in the manner provided in Laws 1979, Chapter 301, Section 7, on the appropriateness of developing a trail on the portion of the right-of-way from the Red Cedar River to the western edge of Dexter. If the commissioner determines such a trail use is appropriate, it shall conform to all requirements of subdivision 3, except the requirement for land exchanges under clause (a). Notwithstanding the provisions of Minnesota Statutes, Chapter 86A or other laws to the contrary, this portion of the right-of-way if used for a trail may be used for high voltage transmission line purposes.*

Subd. 5. [SCIENTIFIC AND NATURAL AREAS.] *The commissioner shall designate and manage as scientific and natural areas those portions of the right-of-way from the Red Cedar River to the western edge of Dexter recommended by the Scientific and Natural Area Advisory Committee totaling approximately 7.75 miles. Notwithstanding the provisions of Min-*

nesota Statutes, Chapter 86A, the commissioner may operate a trail on the land described in subdivision 1 that is designated as a scientific and natural area, provided that trail uses shall be limited and controlled in a manner to assure the protection of the scientific and natural area resource values. Further, notwithstanding the provisions of Minnesota Statutes, Chapter 86A, or any other laws to the contrary, the scientific and natural areas may be used for a high voltage power line, provided towers are located and constructed and the line maintained in a manner to insure protection of the resource.

Subd. 6. [ACQUISITION; SALE.] If necessary in order to effectuate the purposes of this section, the commissioner may acquire by gift or purchase from a willing seller those portions of the entire abandoned railroad right-of-way between Ramsey in Mower County and LaCrescent in Houston County not described in subdivision 1, but may not retain in state ownership any portion thereof other than those portions described in subdivision 1, and shall dispose of those lands not retained in state ownership in the manner provided in sections 94.09 to 94.16, within one year after their acquisition.

Sec. 165. [RAMSEY COUNTY WETLANDS.] The following described lands are wetlands within the meaning of Minnesota Statutes, Section 105.37, Subdivision 15: lot 101 of Gardena addition, which is located in the northeast quarter of the southeast quarter of section 4, township 29 north, range 22 west, Ramsey County, Minnesota.

Sec. 166. [CONVEYANCE OF LAND; WILLMAR SEWER LIFT SYSTEM.] The governor, upon the recommendation of the commissioner of administration, may convey by quitclaim deed in a form the attorney general approves to the city of Willmar the land on which the sewer lift system which serves the Willmar state hospital and the Willmar department of transportation district headquarters is located. The consideration for the property shall be the maintenance and operation of the sewer lift system by the city of Willmar without charge for the services to the state facilities.

For such purposes the city may exercise all powers conferred upon it by law or charter and, notwithstanding any other law or charter provision, may negotiate an agreement with a contracting agency. The terms of the agreement with the contracting agency shall comply with the St. Paul People Mover Act.*

Sec. 171. [SYSTEM PROCUREMENT.] *Subdivision 1. [SPECIFICATIONS; EVALUATION CRITERIA.] Before final solicitation of bids from suppliers, the city shall approve the functional, physical, and performance specifications to be prescribed for the people mover system and the criteria to be used to evaluate alternative systems and bids. At a minimum, the system specifications shall require the system to provide access for handicapped to connect the major downtown activity centers with fringe parking and radial bus routes and to have been proven in operation. The specifications shall be developed so as not to limit future adaptability of the system to provide origin to destination service without stops, to eliminate transfers, and to allow a capacity of 5,000 passengers per hour. The system evaluation criteria shall give particular emphasis to the environmental, visual, and aesthetic effects of the system, especially the size of the guideways and guideway columns energy consumption and reliability during winter operation and adaptability to extension and development over time and increased capacity requirements. The specifications and evaluation criteria shall also address the cost of the vehicle system; the effect of the vehicle system on the cost of other elements of the people mover system; construction, operating, and maintenance costs; winter operation; the ability of the supplier to perform design, furnishing, installing, and testing services for all vehicle system elements and to coordinate construction; ability of the supplier to meet requirements imposed as contract conditions in any grant contract entered into with the federal government; and such other matters as the city deems necessary. If the capital cost of the accepted bid is sufficiently less than the available capital funds to allow extensions of the people mover system, the urban mass transportation administration shall be requested to approve an extension. The city shall select the extension based on community acceptance and ridership potential.

Subd. 3. [SELECTION OF SUPPLIER; CONTRACT REQUIREMENTS.] Notwithstanding the provisions of Minnesota Statutes, Section 471.345 and 471.35, or any other provision of law or charter, contracts for the acquisition and betterment of the people mover system shall be awarded to the bidder whose proposal is determined pursuant to subdivisions 1 and 2 to best meet the system specifications and evaluation criteria. The city shall review and evaluate submitted bids on the basis of the system specifications and evaluation criteria developed pursuant to subdivision 1. The purchase contract for the vehicle system shall require the supplier to assure that the vehicle system operates within the specifications of the contract and to maintain the vehicle system for a five year period of revenue service at a fixed base price with escalation clauses. The contract shall contain a provision permitting termination by the contracting agency of the operation and maintenance portion of the contract at the end of any year of revenue service. The supplier of the vehicle system and all contractors for the people mover system, at the time of execution of a contract shall furnish a payment or performance bond as security for the faithful payment and performance of all obligations under the contract. The purchase contract for the vehicle system shall so provide. The written notice from the administrator shall not imply any legal liability of the federal government for construction or operation of the people mover system.

Sec. 172. [SPECIAL ASSESSMENT.] The people mover system and related facilities are determined to be local improvements within the meaning of the Minnesota Constitution, Arti-

cle X, the city's charter, and Minnesota Statutes, Chapters 429 and 430. Accordingly, the costs of acquisition, construction, reconstruction, extension, operation, maintenance and promotion of the people mover system and such facilities, whether paid or to be paid by the city may be specially assessed against property determined to be specially benefited thereby, to the extent of and in proportion to the benefits, except that special assessments shall be forgiven against property owned by the state of Minnesota or any instrumentality of the state. Special assessments which are pledged to the payment of improvement warrants or other obligations shall be levied separately and the proceeds segregated from any other special assessments authorized by this section. The special assessment shall be levied by the city pursuant to its charter, Minnesota Statutes, Chapter 429 or 430, and the collections thereof may be pledged to the payment of the costs.

Sec. 173. [OPERATING DEFICIT; PAYMENT.] *The city and the owners of benefited properties shall share in the payment of the operating deficit in such proportion as determined by the city. Payment by owners of benefited properties may be levied as special assessments pursuant to the St. Paul People Mover Act. The city share shall not be included in any ad valorem tax levy of the city. The commission shall not participate in any deficit funding of the people mover system.*

Sec. 174. [CAPITOL AREA FACILITIES; STATE OWNED PROPERTY.] *Subdivision 1. Construction of the people mover system within the capitol area shall be exempt from the provision of Minnesota Statutes 1978, Section 15.50, Subdivision 2, Clause (e), requiring design competition, except that capitol station west shall be subject to an invited competition, as defined in part II, 6, c(2) of the American Institute of Architecture document number 6-J332, issued November, 1976, sponsored and conducted by the capitol area architectural and planning board upon guidelines and criteria as determined by agreement between that board and the city. People mover system improvements within the capitol area shall be in conformity with the comprehensive use plan for the capitol area and subject to the approval of the capitol area architectural and planning board.*

Subd. 2. Sec. 175. [METROPOLITAN COUNCIL REVIEW AND RECOMMENDATION.] *The metropolitan council established*

by Minnesota Statutes, Section 473.123, in making its review under Minnesota Statutes, Section 473.171, of the application for a federal grant in connection with the people mover system as a matter of metropolitan significance, shall conduct a public hearing upon the application and the program proposed thereby within 30 days of submission of the application to the council. Not less than 14 days before the hearing the council shall publish notice thereof in a newspaper having general circulation in the metropolitan area, stating the date, time and place of hearing, and the place where the application may be examined by any interested person. Within 14 days after the hearing the council shall make its recommendation upon the application and cause notice of the same to be published in the same manner as the hearing notice.

Sec. 176. [JUDICIAL PROCEEDINGS; TIME TO COMMENCE.] No action shall be commenced or maintained, nor defense interposed in an eminent domain proceeding, questioning the public purpose, propriety of expenditure of public funds, or validity of any law authorizing the acquisition, betterment, operation, maintenance or financing of the people mover system, except by lawsuit commenced in the district court of Ramsey County within 90 days of the date of publication of the metropolitan council recommendation given pursuant to the St. Paul People Mover Act, or within 90 days of the date of written notice mailed to persons whose property may be taken by subsequent proceedings in eminent domain for the people mover system or right of way. Such action timely commenced by any taxpayer, any person whose property is or may be taken or interfered with by reason of the proposed implementation of the people mover system, or other person with standing, shall be maintained in the manner provided by law, including Minnesota Statutes, Chapter 562. Nothing in this section nor notice given pursuant thereto shall be construed as a taking of private property, nor as limiting a property owner's right to just compensation for the taking of private property to be litigated in proceedings in eminent domain subsequently instituted under charter or Minnesota Statutes, Chapter 117, for the taking and assessment and award of damages.

Sec. 177. [CAPITAL EXPENDITURES; SALES TAX.]

[BONDS.] The city may issue and sell bonds for the acquisition and betterment of the people mover system in an amount not to exceed the total estimated costs of such acquisition and betterment. The city may loan the proceeds of such bonds to a nonprofit corporation to be used for such purpose in which event the city and nonprofit corporation shall enter into an agreement which shall provide for payment to the city by the nonprofit corporation of sums sufficient to pay the principal and interest on such bonds. The agreement may contain such other provisions relating to security for the bonds, the use of a trustee, remedies of bondholders, investment of bond proceeds, issuance of temporary bonds or notes, or any other matter, without limitation, as may be necessary or desirable for implementing the provisions of the St. Paul People Mover Act and financing the people mover system. The bonds shall be issued in accordance with the provisions of Minnesota Statutes, Chapter 475, except section 475.61 and except that neither public sale nor election is required, the bonds may mature at any time or times, in such amount or amounts, within 30 years from date of issue, and may be sold at a price equal to such percentage of the par value thereof, plus accrued interest, and bear interest at such rate or rates, as may be agreed by the purchaser and the city, notwithstanding any limitation of interest rate or cost or of the amounts of annual maturities contained in any other law or charter. Bonds issued under this subdivision shall not constitute a debt within the meaning of any debt limitation established by law or charter, and no holder or holders of the bonds shall have the right to compel any exercise of the taxing power of the city to pay any such bonds or interest thereon, or to enforce payment thereof against any property of the city. The city or other owner of the people mover system is authorized to pledge, mortgage, and give a security interest therein to secure the bonds, except that no ad valorem tax levy of the city shall be used to secure the bonds. Any earnings on such bonds which are not used for payment of the bonds and interest thereon may be used to pay capital and operating costs of the people mover system or may be applied to reduce the total amount of special assessments levied or to be levied pursuant to the St. Paul People Mover Act, or both.

Subd. 3. [TAX EXEMPT BONDS.] Interest paid on bonds issued under authority of this section shall not be included in gross income for the purpose of computing any tax imposed by or under the provisions of Minnesota Statutes, Chapter 290 or any act amendatory thereof or supplemental thereto.

Sec. 179. [ADDITIONAL AND SUPPLEMENTAL POWERS; CHARTER PROVISIONS.] *The powers conferred by the St. Paul People Mover Act shall be in addition and supplemental to the powers conferred by any other law or charter. The city may exercise the powers conferred notwithstanding any law or charter provision and without election, except a charter provision for initiative or referendum.*

Sec. 180. [STATE NOT OBLIGATED.] *The authorization for the acquisition of a people mover system in the city of St. Paul is made on the basis that the system will be locally and federally financed and produce revenues that, with local and federal sources, will be sufficient to meet all operating costs and debt retirement. This authorization does not constitute a direct or indirect obligation of the state. The notes and bonds issued to finance the people mover system shall contain on their face a statement that the notes or bonds are not a debt of the state and that the state of Minnesota is not liable on them. This section is intended to forestall any unwarranted attempt by any person to cause damage to the credit rating of the state in order to force the state to assume an obligation for which it is neither legally nor morally responsible.*

Sec. 181. [COPPER NICKEL STUDY REVIEW.] *The Minnesota state planning agency, the Minnesota pollution control agency, the Minnesota department of natural resources, and the Minnesota department of health shall by January 1, 1981, review the Minnesota Regional Copper Nickel Study, authorized by Laws 1975, Chapter 204, and shall report to the legislature, the house committee on environment and natural resources, and the senate committee on agriculture and natural resources concerning any changes in statutory authority, administrative rules and current policies and procedures that are necessary or desirable to respond to the development of the copper and nickel resource in Minnesota, and shall propose alternative legislative policies pertaining to the development of that resource.*

In examining the programs of the state transportation system, the commission shall review and make recommendations regarding the need and advisability of maintenance, upgrading, and new construction after analyzing the system to determine where reductions in design would minimize economic and social costs and adverse impacts.*

April 11, 1980

The Honorable Fred C. Norton
Speaker of the House of Representatives

The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 874, report that we have agreed upon the items in dispute and recommend as follows:

That the House concur in the Senate amendments and that H. F. No. 874 be further amended as follows:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1978, Section 3.965, is amended to read:

3.965 [LEGISLATIVE COMMISSION TO REVIEW ADMINISTRATIVE RULES.] Subdivision 1. [COMPOSITION; MEETINGS.] A legislative commission for review of administrative rules (DEFINED PURSUANT TO SECTIONS 15.0411 TO 15.0422), consisting of five senators appointed by the committee on committees of the senate and five representatives appointed by the speaker of the house of representatives shall be appointed. The commission shall meet at the call of its chairman or upon a call signed by two of its members or signed by five members of the legislature. The legislative commission chairmanship shall alternate between the two houses of the legislature every two years.

Subd. 2. [REVIEW OF RULES BY COMMISSION.] The commission shall promote adequate and proper rules by agencies and an understanding upon the part of the public respecting them. *The jurisdiction of the commission shall include all rules as defined in section 15.0411, subdivision 3 and all rules promulgated by agencies specified in section 15.0411, subdivision 2, clauses (c) through (i).* It may hold public hearings to investigate complaints with respect to rules if it considers the complaints meritorious and worthy of attention and may, on the basis of the testimony received at the public hearings, suspend any rule complained of by the affirmative vote of at least six members provided the provisions of subdivision 4 have been met. If any rule is suspended, the commission shall as soon as possible place before the legislature, at the next year's session, a bill to repeal the suspended rule. If the bill is defeated, or fails of enactment in that year's

session, the rule shall stand and the commission may not suspend it again. If the bill becomes law, the rule is repealed and shall not be enacted again unless a law specifically authorizes the adoption of that rule. The commission shall make a biennial report to the legislature and governor of its activities and include therein its recommendations.

Subd. 3. [PUBLIC HEARINGS BY STATE AGENCIES.] By a vote of a majority of its members, the commission may request any (DEPARTMENT) *agency* issuing rules to hold a public hearing in respect to recommendations made pursuant to subdivision 2 *including recommendations made by the commission to promote adequate and proper rules by that agency and recommendations contained in the commission's biennial report.* The (DEPARTMENT) *agency* shall give notice as provided in section 15.0412, subdivision 4 of a hearing thereon, to be conducted in accordance with section 15.0412. The hearing shall be held not more than 60 days after receipt of the request.

Subd. 4. [REVIEW BY STANDING COMMITTEES.] Before the commission suspends any rule, it shall request the speaker of the house and the president of the senate to refer the question of suspension of the given rule or rules to the appropriate committee or committees of the respective houses for the committees' (RECOMMENDATION) *recommendations.* No suspension shall take effect until the (RECOMMENDATION IS) *committees' recommendations are received,* or 60 days after referral of the question of suspension to the speaker of the house and the president of the senate. However, the (RECOMMENDATION) *recommendations shall be advisory only.*

Sec. 2. Minnesota Statutes, 1979 Supplement, Section 15.0411, Subdivision 2, is amended to read:

Subd. 2. "Agency" means any state officer, board, commission, bureau, division, department, or tribunal, other than a court, having a statewide jurisdiction and authorized by law to make rules or to adjudicate contested cases. "Agency" also means the capitol area architectural and planning board. Sections 15.0411 to 15.052 do not apply to (a) agencies directly in the legislative or judicial branches, (b) emergency powers in sections 12.31 to 12.37, ((C) CORRECTIONS BOARD AND PARDON BOARD, (D) THE UNEMPLOYMENT INSURANCE PROGRAM IN THE DEPARTMENT OF ECONOMIC SECURITY, (C) THE DIRECTOR OF MEDIATION SERVICES, (F) THE WORKERS' COMPENSATION DIVISION IN THE DEPARTMENT OF LABOR AND INDUSTRY, (G) THE WORKERS' COMPENSATION COURT OF APPEALS, (H) BOARD OF PARDONS,) or ((I) (c) the department of military affairs. Sections 15.0418 to 15.0426 do not apply to (a) the Minnesota municipal board, (b) *the corrections board,* (c) *the unemployment insurance program in the department of economic security,* (d) *the director of mediation services,* (e) *the workers'*

compensation division in the department of labor and industry, (f) the workers' compensation court of appeals, (g) the board of pardons, or (h) the public employees relations board.

Sec. 3. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 1a. Unless otherwise provided by law, an agency may grant a variance to a rule. Before an agency grants a variance, it shall have promulgated rules setting forth procedures and standards by which variances shall be granted and denied. An agency receiving a request for a variance shall set forth in writing its reasons for granting or denying the variance. This subdivision shall not constitute authority for an agency to grant variances to statutory standards.

Sec. 4. Minnesota Statutes 1978, Section 15.0412, Subdivision 2, is amended to read:

Subd. 2. To assist interested persons dealing with it, each agency shall, in a manner prescribed by the commissioner of administration, prepare a description of its organization, stating the process whereby the public may obtain information or make submissions or requests. The commissioner of administration shall (ANNUALLY) publish these descriptions at least in every odd-numbered year commencing in 1981 in a guidebook of state agencies. Notice of the publication of the guidebook shall be published in the state register.

Sec. 5. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 2a. The revisor of statutes may upon request, provide technical and legal assistance to state agencies in drafting rules.

Sec. 6. Minnesota Statutes 1978, Section 15.0412, Subdivision 4, is amended to read:

Subd. 4. No rule shall be adopted by any agency unless the agency first holds a public hearing thereon, affording all affected interests an opportunity to participate (, AND GIVES NOTICE OF ITS INTENTION TO HOLD SUCH A HEARING AT LEAST 30 DAYS PRIOR TO THE DATE SET FOR THE HEARING BY UNITED STATES MAIL, TO REPRESENTATIVES OF ASSOCIATIONS OR OTHER INTERESTED GROUPS OR PERSONS WHO HAVE REGISTERED THEIR NAMES WITH THE SECRETARY OF STATE FOR THAT PURPOSE AND IN THE STATE REGISTER). Each agency shall maintain a list of all persons who have registered with the agency for the purpose of receiving notice of rule hearings. The agency may inquire as to whether those persons on the list wish to maintain their names thereon and may remove names for which there is a negative reply or no reply within 60 days. The

agency shall, at least 30 days prior to the date set for the hearing, give notice of its intention to hold a hearing by United States mail to all persons on its list, and by publication in the state register. Each agency may, at its own discretion, also contact persons not on its list and may give notice of its intention to hold a hearing in newsletters, newspapers or other publications or through other means of communication. The notice in the state register shall include the full text of the rule proposed for adoption (; PROVIDED THAT,) and, when amending existing rules, whatever portion of the existing rules is necessary to provide adequate notice of the nature of the proposed action. When an entire rule is proposed to be repealed or renumbered, the agency need only publish that fact, giving the exact citation to the rule to be repealed or renumbered in the notice.

Subd. 4a. With the approval of the chief hearing examiner, the agency may incorporate by reference provisions of federal law or rule or other materials from sources which the chief hearing examiner determines are conveniently available for viewing, copying and acquisition by interested persons. The chief hearing examiner shall not approve incorporation by reference of federal law or rule or other materials which are less than 3000 words in length or which would require less than five pages of publication in the state register.

Subd. 4b. The agency shall make available at least one free copy of the proposed rule to any person requesting it. The free copy shall contain the exact wording and form of the proposed rule and notice of hearing as published in the state register and shall be available to the public at least 30 days prior to the date set for the hearing.

Subd. 4c. At the public hearing the agency shall make an affirmative presentation of facts establishing the need for an reasonableness of the rule proposed for adoption and fulfilling any relevant substantive or procedural requirements imposed on the agency by law or rule. The agency may, in addition to its affirmative presentation, rely upon facts presented by others on the record during the rule proceeding to support the rule finally adopted.

Subd. 4d. After allowing written material to be submitted and recorded in the hearing record for five working days after the public hearing ends, or for a longer period not to exceed 20 days if ordered by the hearing examiner, the hearing examiner assigned to the hearing shall proceed to write a report as provided for in section 15.052, subdivision 3 (, WHICH). If the report contains a finding that the proposed rule is substantially different from that which was proposed at the public hearing, or that the agency has not met the requirements of section 15.0412, subdivisions 4 through 4f, it shall be submitted to the chief hearing examiner for approval. If the chief hearing examiner approves the finding of the hearing examiner, he shall advise the agency of actions which will correct the defects, and

the agency shall not adopt the rule until the chief hearing examiner determines that the defects have been corrected. If the chief hearing examiner determines that the need for and reasonableness of the rule has not been established pursuant to subdivision 4, clause (c), and if the agency does not elect to follow the suggested actions of the hearing examiner to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not proceed to adopt the rule until it has received and considered the advice of the commission; provided, that the agency is not required to delay adoption longer than 30 days after the commission's receipt of the agency's submission. Advice of the commission shall not be binding on the agency. The report shall be completed within 30 days after the close of the hearing record unless the chief hearing examiner, upon written request of the agency (AND) or the hearing examiner, orders an extension. In no case shall an extension be granted if the chief hearing examiner determines that an extension would prohibit a rule from being adopted or becoming effective until after a date for adoption or effectiveness as required by statute. The report shall be available to all affected persons upon request or at last five working days before the agency takes any final action on the rule.

Subd. 4e. If the agency adopts the rule as recommended by the hearing examiner, it shall be submitted with the complete hearing record to the attorney general, who shall review the rule as to form and legality. If the agency makes changes in the rule other than those recommended by the hearing examiner, it shall submit the rule with the complete hearing record to the chief hearing examiner for a review of the changes prior to adopting it and submitting it to the attorney general for review. If the chief hearing examiner determines that the proposed final rule of the agency is substantially different from that which was proposed at the public hearing, he shall advise the agency of actions which will correct the defects, and the agency shall not adopt the rule until the chief hearing examiner determines that the defects have been corrected. If the agency, the chief hearing examiner or the attorney general requests, the hearing examiner shall cause a transcript to be prepared of the hearing. The agency shall give notice to all persons who requested to be informed that the hearing record has been submitted to the attorney general. This notice shall be given on the same day that the record is submitted. The attorney general shall, within 20 days, either approve or disapprove the rule. If he approves the rule, he shall promptly file it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary, nor published.

Subd. 4f. A rule shall become effective after it has been subjected to all requirements described in (THIS SUBDIVI-

SION) *subdivisions 4 through 4f* and five working days after publication in the state register, as hereinafter provided, unless a later date is required by statutes or specified in the rule. If the rule as adopted does not differ from the proposed rule as published in the state register, publication may be made by publishing notice in the state register that the rule has been adopted as proposed and by publishing a citation to the prior publication. If the rule as adopted differs from the proposed rule, the adopted rule or subdivisions thereof which differ from the proposed rule shall be published together with a citation to the prior state register publication of the remainder of the proposed rule.

Sec. 7. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 4g. When an agency determines that its proposed adoption, amendment, suspension or repeal of a rule will be non-controversial in nature, it may utilize the provisions herein in lieu of the provisions of subdivisions 4 through 4f. The agency shall publish a notice of its intent to adopt the rule without public hearing, together with the proposed rule, in the state register, and shall give the same notice by United States mail to persons who have registered their names with the agency pursuant to subdivision 4. When an entire rule is proposed to be repealed or renumbered, the agency need only publish that fact, giving the exact citation to the rule to be repealed or renumbered in the notice. The notice shall include a statement advising the public:

- (1) that they have 30 days in which to submit comment on the proposed rule;*
- (2) that no public hearing will be held unless seven or more persons make a written request for a hearing within the 30 day comment period;*
- (3) of the manner in which persons shall request a hearing on rules proposed pursuant to this subdivision; and*
- (4) that the rule may be modified if modifications are supported by the data and views submitted.*

Before the date of the notice, the agency shall prepare a statement of need and reasonableness which shall be available to the public. For at least 30 days following the notice, the agency shall afford all interested persons an opportunity to object to the lack of a hearing and to submit data and views on the proposed rule in writing. The proposed rule may be modified if the modifications are supported by the data and views submitted to the agency and do not result in a substantial change. If, during the 30 day period allowed for comment, seven or more persons sub-

mit to the agency a written request for a hearing of the proposed rule, the agency shall proceed under the provisions of subdivisions 4 through 4f. In the event that a hearing is required, a citation in the state register to the prior publication of the proposed rule may be substituted for republication unless the agency has modified the proposed rule. If no hearing is required, the agency shall submit to the attorney general the proposed rule and notice as published, the rule as proposed for adoption, any written comments received by the agency, and a statement of need and reasonableness for the rule. The agency shall give notice to all persons who requested to be informed that these materials have been submitted to the attorney general. This notice shall be given on the same day that the record is submitted. The attorney general shall approve or disapprove the rule as to form and legality, including the issue of substantial change, within 14 days. If he approves the rule, he shall promptly file it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary of state, nor published. The rule shall become effective upon publication in the state register in the same manner as provided for adopted rules in subdivision 4f.

Sec. 8. For purposes of implementing section 15.0412, subdivision 4, the attorney general shall prepare a notice which shall be published by the state register on or before August 4, 1980, which notice shall be mailed, by the office of hearing examiners, to all persons presently registered with the secretary of state for the purpose of being advised of rulemaking hearings. The notice shall be sufficiently specific to inform all persons of the manner in which they may register their names with the various state agencies in order to be notified of all rulemaking hearings.

Sec. 9. Minnesota Statutes 1978, Section 15.0412, Subdivision 5, is amended to read:

Subd. 5. When an agency is directed (OR AUTHORIZED) by statute, federal law or court order to adopt, amend, suspend or repeal a rule in a manner that does not allow for compliance with subdivisions 4 through 4g, or if an agency is expressly required or authorized by statute to adopt temporary rules, the agency shall (PROMULGATE A) adopt temporary (RULE) rules in accordance with this subdivision. The proposed temporary rule shall be published in the state register and for at least 20 days thereafter the agency shall afford all interested persons an opportunity to submit data and views on the proposed temporary rule in writing. The proposed temporary rule may be modified if the modifications are supported by the data and views submitted to the agency. The agency shall submit to the attorney general the proposed temporary rule as published, with any proposed modifications. The attorney general shall review the proposed temporary rule as to form and legality and shall approve or disapprove the proposed temporary rule and any pro-

posed modifications within five working days. The temporary rule shall take effect upon approval of the attorney general. Failure of the attorney general to approve or disapprove within five working days shall be deemed approval. As soon as practicable notice of the attorney general's decision shall be published in the state register and the adopted rule shall be published in the manner as provided for adopted rules in subdivision 4. Temporary rules adopted under this subdivision shall be effective for not longer than 90 days and may be reissued or continued in effect for an additional 90 days, but may not immediately be reissued thereafter without following the procedure of (SUBDIVISION 4) subdivisions 4 through 4g.

Sec. 10. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 8. Each agency shall, within six months after the effective date of a law requiring rules to be promulgated, unless otherwise specified by law, publish notice of hearing or notice of intent to adopt a rule without public hearing in accordance with this section. If an agency has not given this notice, it shall report to the appropriate committees of the legislature and the governor its failure to do so, and the reasons for that failure.

Sec. 11. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 9. The agency shall, within six months after issuance of the hearing examiner's report, either withdraw the proposed rules or publish its adopted final action in the state register. If the agency has not published its adopted final action in the state register within six months, it shall not proceed to adopt the subject rules without rehearing the rules pursuant to all the procedures of this section, and it shall report to the appropriate committees of the legislature and to the governor its failure to adopt rules and the reasons for that failure.

Sec. 12. Minnesota Statutes 1978, Section 15.0413, Subdivision 1, is amended to read:

15.0413 [EFFECT OF ADOPTION OF RULES; PUBLICATION; APPROPRIATION.] Subdivision 1. Every rule approved by the attorney general and filed in the office of the secretary of state as provided in section 15.0412 shall have the force and effect of law (20) *five working days* after its publication in the state register unless a later date is required by statute or specified in the rule. The secretary of state shall keep a permanent record of rules filed with that office open to public inspection. *Should a discrepancy exist between the rules published in the state register and the rules on file with the secretary of state, the rules on file with the secretary of state shall have effect.*

Sec. 13. Minnesota Statutes 1978, Section 15.0413, Subdivision 2, is amended to read:

Subd. 2. Each rule hereafter amended, suspended, or repealed shall become amended, suspended, or repealed (20) *five working days* after the new or amended rule or notice of suspension or repeal is published in the state register unless a later date is required by statute or specified in the rule.

Sec. 14. Minnesota Statutes 1978, Section 15.0418, is amended to read:

15.0418 [CONTESTED CASE.] *Subdivision 1. An agency shall initiate a contested case proceeding when one is required by law. Unless otherwise provided by law, an agency shall decide a contested case only in accordance with the contested case procedures of the administrative procedure act.*

Subd. 2. [NOTICE AND HEARING.] In any contested case all parties shall be afforded an opportunity for hearing after reasonable notice. The notice shall state the time, place and issues involved, but if, by reason of the nature of the (PROCEEDING) case, the issues cannot be fully stated in advance of the hearing, or if subsequent amendment of the issues is necessary, they shall be fully stated as soon as practicable, and opportunity shall be afforded all parties to present evidence and argument with respect thereto. Prior to assignment of a case to a hearing examiner as provided by section 15.052, all papers shall be filed with the agency. Subsequent to assignment of the case, the agency shall certify the official record to the office of (HEARING EXAMINERS) administrative hearings, and thereafter, all papers shall be filed with that office. The office of (HEARING EXAMINERS) administrative hearings shall maintain the official record which shall include subsequent filings, testimony and exhibits. All filings are deemed effective upon receipt. The record shall contain a written transcript of the hearing only if preparation of a transcript is requested by the agency, a party, or the chief hearing examiner. The agency or party requesting a transcript shall bear the cost of preparation. When the chief hearing examiner requests preparation of the transcript, the agency shall bear the cost of preparation. Upon issuance of the hearing examiner's report, the official record shall be certified to the agency.

Subd. 4g. No rule shall be filed with the secretary of state or published in the state register unless the revisor of statutes has endorsed on the rule that it is approved as to form.

Sec. 47. Minnesota Statutes 1978, Section 15.0412, Subdivision 4g, as added by section 7, is further amended to read:

Subd. (4G) 4h. When an agency determines that its proposed adoption, amendment, suspension or repeal of a rule will be noncontroversial in nature, it may utilize the provisions herein in lieu of the provisions of subdivisions 4 through (4F) 4g. The agency shall publish a notice of its intent to adopt the rule without public hearing, together with the proposed rule, in the state register, and shall give the same notice by United States mail to persons who have registered their names with the agency pursuant to subdivision 4. When an entire rule is proposed to be repealed (OR RENUMBERED), the agency need only publish that fact, giving the exact citation to the rule to be repealed (OR RENUMBERED) in the notice. The notice shall include a statement advising the public:

(1) that they have 30 days in which to submit comment on the proposed rule;

(2) that no public hearing will be held unless seven or more persons make a written request for a hearing within the 30 day comment period;

(3) of the manner in which persons shall request a hearing on rules proposed pursuant to this subdivision; and

(4) that the rule may be modified if modifications are supported by the data and views submitted.

Before the date of the notice, the agency shall prepare a statement of need and reasonableness which shall be available to the public. For at least 30 days following the notice, the agency shall afford all interested persons an opportunity to object to the lack of a hearing and to submit data and views on the proposed rule in writing. The proposed rule may be modified if the modifications are supported by the data and views submitted to the agency and do not result in a substantial change. If, during the 30 day period allowed for comment, seven or more persons submit to the agency a written request for a hearing of the proposed rule, the agency shall proceed under the provisions of subdivisions 4 through (4F) 4g. In the event that a hearing is required, a citation in the state register to the prior publication of the proposed rule may be substituted for republication unless the agency has modified the proposed rule. If no hearing is required, the agency shall submit to the attorney general the proposed rule and notice as published, the rule as proposed for adoption, any written comments received by the

agency, and a statement of need and reasonableness for the rule. The agency shall give notice to all persons who requested to be informed that these materials have been submitted to the attorney general. This notice shall be given on the same day that the record is submitted. The attorney general shall approve or disapprove the rule as to (FORM AND) *its legality and its form to the extent the form relates to legality*, including the issue of substantial change, within 14 days. If he approves the rule, he shall promptly file *two copies* of it in the office of the secretary of state. If he disapproves the rule, he shall state in writing his reasons therefor, and the rule shall not be filed in the office of the secretary of state, nor published. The rule shall become effective upon publication in the state register in the same manner as provided for adopted rules in subdivision 4f. *The secretary of state shall forward one copy of each rule to the revisor of statutes.*

No rule shall be filed with the secretary of state or published in the state register unless the revisor of statutes has endorsed on the rule that it is approved as to form.

Sec. 48. Minnesota Statutes 1978, Section 15.0412, Subdivision 5, as amended by section 9, is further amended to read:

Subd. 5. When an agency is directed by statute, federal law or court order to adopt, amend, suspend or repeal a rule in a manner that does not allow for compliance with subdivisions 4 through (4G) *4h*, or if an agency is expressly required or authorized by statute to adopt temporary rules, the agency shall adopt temporary rules in accordance with this subdivision. The proposed temporary rule shall be published in the state register (AND). For at least 20 days (THEREAFTER) *after publication* the agency shall afford all interested persons an opportunity to submit data and views on the proposed temporary rule in writing. The proposed temporary rule may be modified if the modifications are supported by the data and views submitted to the agency. The agency shall submit to the attorney general the proposed temporary rule as published, with any proposed modifications. The attorney general shall review the proposed temporary rule as to (FORM AND) *its legality and its form to the extent the form relates to legality* and shall approve or disapprove the proposed temporary rule and any proposed modifications within five working days. The temporary rule shall take effect upon approval of the attorney general. *The attorney general shall file two copies of the approved rule with the secretary of state.* Failure of the attorney general to approve or disapprove within five working days shall be deemed approval. As soon as practicable notice of the attorney general's decision shall be published in the state register and the adopted rule shall be published in the manner as provided for adopted rules in subdivision 4. Temporary rules adopted under this subdivision shall be effective for not longer than 90 days and may be re-issued or continued in effect for an additional 90 days, but may

not immediately be reissued thereafter without following the procedure of *either* subdivisions 4 through 4g or 4h. *The secretary of state shall forward one copy of each approved and filed temporary rule to the revisor of statutes.*

No approved temporary rule shall be filed with the secretary of state or published in the state register unless the revisor of statutes has endorsed on the rule that it is approved as to form.

Sec. 49. Minnesota Statutes 1978, Section 15.0412, Subdivision 9, as added by section 11, is further amended to read:

Subd. 9. The agency shall, within six months after issuance of the hearing examiner's report, either withdraw the proposed rules or publish its adopted final action in the state register. If the agency has not *both filed the rules with the secretary of state and published its adopted final action in the state register* within six months, it shall not proceed to adopt the subject rules without rehearing the rules pursuant to all the procedures of this section, and it shall report to the appropriate committees of the legislature and to the governor its failure to adopt rules and the reasons for that failure.

Sec. 50. Minnesota Statutes 1978, Section 15.0412, is amended by adding a subdivision to read:

Subd. 10. For the purpose of obtaining the revisor's approval of the form of a rule prior to filing the rule with the secretary of state, a copy of the rule shall be submitted to the revisor at the same time it is submitted to the attorney general as required by subdivisions 4d, 4e, and 5. Within five days the revisor shall notify the attorney general and the agency of whether he or she will approve the form of the rule when it is presented for his or her endorsement.

Sec. 51. Minnesota Statutes 1978, Section 15.0413, Subdivision 1, as amended by section 12, is further amended to read:

15.0413 [EFFECT OF ADOPTION OF RULES; PUBLICATION; APPROPRIATION.] Subdivision 1. Every rule approved by the attorney general and filed in the office of the secretary of state as provided in section 15.0412 shall have the force and effect of law five working days after its publication in the state register unless a later date is required by statute or specified in the rule. The secretary of state shall keep a permanent record of rules filed with that office open to public inspection. (SHOULD A DISCREPANCY EXIST BETWEEN THE RULES PUBLISHED IN THE STATE REGISTER AND THE RULES ON FILE WITH THE SECRETARY OF STATE, THE RULES ON FILE WITH THE SECRETARY OF STATE SHALL HAVE EFFECT.)

Sec. 52. Minnesota Statutes 1978, Section 15.05, is amended to read:

15.05 [PUBLICATION ACCOUNT.] (AN ADMINISTRATIVE RULES AND) A state register publication account is created in the state treasury. All receipts from the sale of (RULES AND) the state register shall be deposited in the account. All funds in the (ADMINISTRATIVE RULES AND) state register publication account in the state treasury are appropriated annually to the commissioner of administration to carry out the provisions of (SECTIONS 15.047 AND) *section 15.051.*

Sec. 53. Minnesota Statutes 1978, Section 15.051, Subdivision 1, is amended to read:

15.051 [STATE REGISTER.] Subdivision 1. [PURPOSE.] The commissioner of administration shall publish a state register containing all notices for hearings concerning rules, giving time, place and purpose of the hearing and the full text of the action being proposed. Further, the register shall contain all rules, amendments, suspensions, or repeals thereof, pursuant to the provisions of this chapter. The commissioner shall further publish any executive order issued by the governor which shall become effective 15 days after publication except as provided in section 4.035, subdivision 2. The commissioner shall further publish any official notices in the register which a state agency requests him to publish. Such notices shall include, but shall not be limited to, the date on which a new agency becomes operational, the assumption of a new function by an existing state agency, or the appointment of commissioners. The commissioner may prescribe the form, *excluding the form of the rules*, and manner in which agencies submit any material for publication in the state register, and he may withhold publication of any material not submitted according to the form or procedures he has prescribed.

The commissioner of administration may organize and distribute the contents of the register according to such categories as will provide economic publication and distribution and will offer easy access to information by any interested party.

Sec. 54. Minnesota Statutes 1978, Section 15.051, Subdivision 3, is amended to read:

Subd. 3. [SUBMISSION OF ITEMS FOR PUBLICATION.] Any state agency which desires to publish a notice of hearing, rule or regulation or change thereof shall submit a copy of the entire document, including dates when adopted, and filed with the secretary of state, to the commissioner of administration in addition to any other copies which may be required to be filed with the commissioner by other law.

The revisor of statutes shall provide assistance to the commissioner if requested. Alternatively, the commissioner may designate a contract compositor to whom the assistance is to be supplied. The assistance, in either case, shall consist of furnishing a machine readable computer tape, or similar services, for rules which are available in the revisor's computer data base and for which a written copy has been submitted by an agency to the commissioner for publication in the state register.

Sec. 55. Minnesota Statutes 1978, Section 648.31, is amended by adding a subdivision to read:

Subd. 6. [AGENCY RULES.] The revisor may integrate agency rules adopted pursuant to Minnesota Statutes, Section 15.0412, Subdivisions 4, 4a to 4h, and 5, into the Minnesota Statutes, or publish the rules as an adjunct to the Minnesota Statutes, or coordinate publication of the rules with the Minnesota Statutes.

Sec. 56. Minnesota Statutes 1978, Section 648.43, is amended to read:

648.43 [PAMPHLETS AUTHORIZED.] The (COMMISSIONER OF ADMINISTRATION IS REQUIRED TO) *revisor of statutes shall compose, print and deliver (IN PAMPHLET FORM SUCH EDITIONS OR) pamphlets containing parts of the Minnesota Statutes, parts of Minnesota Rules, or combinations of parts of the Statutes and Rules as may be necessary for the use of public officers and departments, the cost thereof to be borne by the office or department requesting the (SAME) pamphlets. (SUCH) The printing shall be (DISCRETIONARY,) limited to actual needs as shown by experience or other competent proof. The revisor shall use a standard form for the pamphlets.*

Sec. 57. [648.50] [COMPILATION AND DRAFTING OF ADMINISTRATIVE RULES.] *Subdivision 1. The revisor of statutes shall:*

(a) formulate a plan for the compilation of all permanent agency rules and, to the extent practicable, temporary agency rules, including their order, classification, arrangement, form, and indexing, and any appropriate tables, annotations, cross references, citations to applicable statutes, explanatory notes, and other appropriate material to facilitate use of the rules by the public, and for the compilation's composition, printing, binding and distribution;

(b) publish the compilation of agency rules which shall be called "Minnesota Rules" for the year of the compilation's publication;

(c) periodically either publish a supplement or a new compilation, which includes all rules adopted since the last supplement or compilation was published and removes rules incorporated in prior compilations or supplements which are no longer effective;

(d) periodically prepare and submit to the appropriate agency those revisions of the rules, which will, if adopted by the agency, in accordance with section 15.0412, subdivisions 4a to 4g, clarify, modernize or simplify the text of the rule without substantive alteration;

(e) maintain an agency rules drafting department to draft or aid in the drafting of rules or amendments to rules for any agency in accordance with the objective or other instructions which the agency shall give the revisor;

(f) prepare and publish an agency rules drafting guide which shall set out the form and method for drafting rules and amendments to rules, and to which all rules shall comply; and

(g) copyright any compilations and or supplements in the name of the state of Minnesota.

Subd. 2. The revisor of statutes shall file with the secretary of state one copy of each compilation or supplement which is published. The copy shall contain the revisor's certificate that the rules contained in the compilation or supplement have been compared to the original rules filed with the secretary of state and are correctly incorporated into the compilation.

Subd. 3. Any compilation or supplement published by the revisor and containing his certificate is prima facie evidence of the administrative rules in all courts and proceedings. A compilation or supplement shall not be construed as repealing an unpublished rule. If there is any inconsistency through omission or otherwise between a compilation or supplement, the state register, and a rule filed with the secretary of state, the rule filed with the secretary shall prevail.

Subd. 4. In preparing a compilation or supplement, the revisor shall not alter the sense, meaning or effect of any rule, but may renumber rules, paragraphs, clauses or other parts of a rule; combine or divide rules, paragraphs, clauses or other parts of a rule; rearrange the order of rules, paragraphs, clauses, or other parts of a rule; move paragraphs, clauses, or other parts of a rule to another rule; change reference numbers to agree with renumbered rules, paragraphs, clauses or other parts of a rule; substitute the proper rule, paragraph, clause, or other part of a rule for the term "this rule", "the preceding rule" and the like; substitute numbers for written words and written words for numbers; substitute the date on which the rule becomes effective for the words "the effective date of this rule", and the like; change

capitalization for the purpose of uniformity; correct manifest clerical or typographical errors; correct all misspelled words; and correct manifest grammatical and punctuation errors.

The revisor shall provide headnotes as catch words to rules and, if appropriate, to paragraphs, clauses, or other parts of a rule. The headnotes are not part of the rule even if included with the rule when it is adopted. The revisor shall change headnotes to clearly indicate the subject matter of the rules.

Subd. 5. Insofar as economically feasible, the revisor shall utilize the same equipment, computer assistance and procedures for drafting agency rules and publishing compilations and supplements as for preparing bill drafts and statutory publications.

Subd. 6. In determining the form of rules the revisor shall:

- (a) minimize duplication of statutory language;
- (b) not permit incorporations into the rules by reference of publications which are not conveniently available to the public;
- (c) to the extent practicable, use plain language in rules and avoid technical language; and
- (d) amend rules by showing the text of the rule, paragraph, clause, or other part of a rule being amended, as it is shown in the latest compilation or supplement, or, if not yet published in a compilation or supplement, then as the text is shown in the state register, with changes shown by striking and underlining words.

Subd. 7. Any compilation, reissue, or supplement published by the revisor shall be sold by the revisor for a reasonable fee and its proceeds deposited in the general fund. An agency shall purchase from the revisor the number of copies of the compilation or supplement needed by the agency. The revisor shall provide one copy of any compilation or supplement to all Minnesota county libraries and to any public library upon its request.

Sec. 58. [648.51] [PUBLICATION OF MINNESOTA RULES.] Notwithstanding any provision of law to the contrary, the revisor of statutes may obtain competitive bids from and enter into contracts with the lowest responsible bidder for compiling, editing, indexing, composition, printing, binding, distribution, or other services, if the work either cannot be performed by the revisor or it is uneconomical for the revisor to do so.

Sec. 59. The department of administration may not, as part of publishing the Minnesota Code of Agency Rules, renumber rules or compile them in a form different from that adopted by

an agency. This limitation does not restrict an agency from re-numbering or recompiling its own rules in accordance with the procedures of chapter 15. If it is determined by the commissioner of administration and the revisor of statutes that the product will be compatible with work to be done by the revisor under sections 50 to 69, the department may complete any work currently in progress to create a computer data base of agency rules. If completed, a computer tape of the completed data base and a printed copy shall be delivered to the revisor of statutes.

Sec. 60. *In the next and subsequent editions of Minnesota Statutes the revisor of statutes shall substitute the term "office of administrative hearings" for "office of hearing examiners" in every place where the latter term is used.*

Sec. 61. [REPEALER.] *Minnesota Statutes 1978, Sections 5.21, and 15.0423 are repealed.*

Sec. 62. [REPEALER.] *Minnesota Statutes 1978, Section 15.047, is repealed.*

Sec. 63. [EFFECTIVE DATE.] *Sections 1, 2, 5, 24, and 34 are effective the day after final enactment. Section 3 is effective on August 1, 1981. Section 7 is effective on September 1, 1980. Section 8 is effective on July 1, 1980. Any variance to a rule granted by an agency prior to the effective date of section 3 is valid notwithstanding the fact that the agency had not promulgated a rule governing the granting of variances at the time the variance was granted. Sections 39 to 51 and 53 to 59 are effective July 1, 1981, except that section 57, subdivision 1, clause (a) is effective July 1, 1980. Sections 52 and 62 are effective July 1, 1982.*

Sec. 64. A law enacted at the 1980 regular session styled as H. F. No. 1121, Article XII, Section 9, is amended to read:

Sec. 9. [CONTESTED CLAIMS PROCEDURE.] Subdivision 1. If a claimant agency (**EXCEPT FOR A PUBLIC AGENCY RESPONSIBLE FOR CHILD SUPPORT ENFORCEMENT**), receives written notice of a debtor's intention to contest at hearing the claim upon which the intended set-off is based, it shall initiate a hearing according to contested case procedures established in the state administrative procedure act not later than 30 days after receipt of the debtor's request for a hearing. (**THE PUBLIC AGENCY RESPONSIBLE FOR CHILD SUPPORT ENFORCEMENT SHALL PROVIDE FOR HEARING IN THE MANNER PRESCRIBED BY MINNESOTA STATUTES, SECTION 256.045.**)

This amendment is effective notwithstanding that H. F. No. 1121 may be approved or effective at a time later than this section. This section is effective the day after final enactment."

We, the undersigned conferees for H. F. No. 2304, report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 2304 be further amended as follows:

Delete everything after the enacting clause and insert:

“ARTICLE I

INITIATIVE AND REFERENDUM

Section 1. Subdivision 1. An amendment to the Minnesota Constitution is proposed to the people. If the amendment is adopted, a new section shall be added to Article IV, which shall read:

Sec. 27. [INITIATIVE AND REFERENDUM.] A law may be initiated or referred for repeal upon petition by eligible voters. An initiative or referendum measure shall be placed on the ballot at a general election if petitions for the measure are signed by eligible voters in each congressional district of the state in a number not less than five percent of the number of persons who voted at the last general election in that congressional district. An initiative or referendum measure shall be adopted upon the affirmative vote of a majority of those voting on the question. The voters may not initiate or refer for repeal a constitutional amendment, an appropriation or a special law.

The governor shall have no power to approve or veto an initiative or referendum measure adopted by the voters.

No law adopted by initiative shall be amended or repealed and no law repealed by referendum shall be reenacted by the legislature until another general election has intervened.

The sponsors of an initiative or referendum measure, if the legislature enacts a law with a similar scope and purpose, may elect to place the measure on the ballot or to abandon the measure. If the measure is not abandoned, the legislature may submit the law which it has enacted to a vote of the people in the same manner as an initiative or referendum measure at the election at which the initiative or referendum measure is submitted. If a law enacted by the legislature is submitted to the people at the same election as an initiative or referendum measure, it shall not be subject to veto by the governor and it shall not be effective unless approved by a majority of those voting on the question.

The legislature shall implement the provisions of this section by law.

This section expires January 1, 1985.

Sec. 2. The amendment proposed in section 1 shall be submitted to the people at the 1980 general election. The question submitted shall be:

“Shall the Minnesota Constitution be amended to provide for initiative and referendum?”

Yes

No

Sec. 3. [3B.01] [CITATION.] *Sections 3 to 30 may be cited as “The Initiative and Referendum Implementation Act”.*

Sec. 4. [3B.02] [DEFINITIONS.] *Subdivision 1. The words defined by this section shall, when used in sections 3 to 30, have the meanings given them.*

Subd. 2. “General election” is as defined in section 200.02, subdivision 2.

Subd. 3. “Measure” means the proposed law in an initiative petition or the law proposed to be repealed in a referendum petition.

Subd. 4. “Petition drive” means the organized process by which the sponsors and their authorized agents solicit eligible voters to sign initiative or referendum petitions.

Subd. 5. “Eligible voter” has the meaning provided in section 200.02, subdivision 25.

Subd. 6. “Sponsors” means the persons specified by section 5, subdivision 2, clause (a).

Sec. 5. [3B.03] [PREPARATION FOR PETITIONING ON AN INITIATIVE OR REFERENDUM MEASURE.] *Subdivision 1. Before circulation of any petitions to have an initiative or referendum measure placed on the ballot, the sponsors shall file a declaration with the secretary of state not later than March 1 of an odd numbered year.*

Subd. 2. The declaration shall:

(a) State the names, mailing addresses and any business or residential phone numbers of not less than 50 eligible voters with an indication of who is the chairman and who is the treasurer;

(b) State the name and mailing address of all committees, groups or organizations known to the sponsors who intend to support the petition drive on the measure or otherwise aid the sponsors;

(c) Give a description of the intent or purpose of an initiative or referendum measure;

(d) For a referendum measure, give a precise citation of the law, or portion of a law, which the sponsors seek to have referred. The citation shall be to the Laws of Minnesota, by chapter and, if appropriate, section number, or to the chapter, section or subdivision of the latest edition of Minnesota Statutes;

(e) State a short title by which the sponsors want the initiative or referendum measure to be identified and which is not misleading; and

(f) State the name, address and phone number of a person who is generally available to work on the final form and wording of the measure and is authorized to approve its final form and wording.

Subd. 3. The secretary of state shall provide a sample declaration form.

Subd. 4. The sponsors shall pay to the secretary of state a filing fee of \$200 which shall be deposited in the general fund.

Sec. 6. [3B.04] [ADVICE BY REVISOR OF STATUTES.]

Subdivision 1. The secretary of state shall immediately forward one copy of each declaration provided for in section 5 to the revisor of statutes. The secretary of state shall also advise the sponsors to consult with the revisor.

Subd. 2. The revisor of statutes shall, within 42 days after the filing of the declaration, prepare a final draft of an initiative or referendum measure. The intent and purpose may be amplified or refined by the sponsor authorized in the declaration to approve the form and wording of the measure. The revisor shall advise that sponsor as to the measure's constitutionality, and the best form of the measure to accomplish the sponsors' intent and purpose. However, if the revisor and the sponsors disagree as to the best form and content of the measure to accomplish the sponsors' intent and purpose, or disagree as to constitutionality, the directions of the sponsors shall prevail. All discussions by the revisor with the sponsors shall be treated by the revisor as confidential. If, after consulting with the revisor, the sponsors do not desire the revisor's assistance, they shall sign a written waiver of assistance. The waiver shall then be filed with the secretary of state and the revisor, together with a final draft of the initiative or referendum measure prepared by the sponsors. Together with the final draft prepared by the revisor, or within

seven days after receiving the waiver and final draft prepared by the sponsors, the revisor shall furnish the sponsors and the secretary of state with a summary of the measure to be proposed to the people.

Subd. 3. The form of initiative and referendum measures shall conform to the form of bills considered by the legislature. The enacting clause shall be "BE IT ENACTED BY THE PEOPLE OF THE STATE OF MINNESOTA". No initiative or referendum measure shall embrace more than one subject. The measure may not provide for the form of the ballot question by which it would be submitted to the electors.

Subd. 4. If the sponsors, within 63 days after filing their declaration have not filed with the secretary of state either the revisor's final draft of the measure or their waiver of assistance from the revisor and a final draft of the measure prepared by them, the petition drive shall be deemed abandoned.

Sec. 7. [3B.05] [PETITIONS FOR INITIATIVE OR REFERENDUM.] Subdivision 1. Each initiative or referendum petition shall consist of as many copies as the sponsors print, each of which shall be not more than one sheet of paper and contain the following on the front:

(a) In not less than 24 point bold type on a 30 point body at the top of the front page, the printed words "OFFICIAL INITIATIVE (OR REFERENDUM) PETITION";

(b) The short title by which the initiative or referendum measure is to be identified and the chairman of the sponsors;

(c) The summary of the measure prepared by the revisor;

(d) A statement that a verbatim copy of the initiative or referendum measure is available for public examination at the office of the secretary of state or any county auditor; and

(e) Space for eligible voters to sign the petition including space for the signature, printed name, telephone number, mailing address, county and congressional district of residence and an indication of status as eligible voter.

Subd. 2. On the front or back of each petition shall be an affidavit for the person circulating the petition which shall include his name, mailing address, and phone number; indicate that he circulated the petition; indicate that to the best of his knowledge each of the signers is an eligible voter and resident in the county and congressional district indicated; identify the sponsors on whose behalf the petition was circulated; and state the period during which it was circulated.

Subd. 3. At the time the final draft of the initiative or referendum measure is filed with the secretary of state, as provided by section 6 the sponsors shall also file a copy of the petition with the secretary of state. Within seven days the secretary shall examine the petition and determine whether it complies with this section. If the petition complies, the secretary shall approve it and notify the sponsors. If the secretary finds that the form of the petition is not in compliance, he shall disapprove it and order it redrafted. The secretary shall notify the sponsors that the petition is not in compliance with the law and specify what changes are necessary to bring it into compliance. Failure to refile a new petition drafted in accordance with the secretary's instructions not later than seven days after the secretary's notice constitutes abandonment of the petition drive. Upon refiling, the secretary shall again examine the petition for its compliance with this section and approve it or again reject it within seven days after the refiling. The petition may subsequently be refiled until it is found to comply with the law and rules.

Subd. 4. The secretary of state shall, within seven calendar days after approving the initiative or referendum petition, send to the county auditor in each county a verbatim copy of the initiative or referendum measure as on file in his office.

Sec. 8. [3B.06] [TIME OF CIRCULATION OF INITIATIVE OR REFERENDUM PETITIONS; VOLUNTARY ABANDONMENT.] *Subdivision. 1. Initiative and referendum petitions may only be circulated on those days of odd numbered years which are more than eight calendar days after the date of the secretary of state's approval of the petition. This limitation shall not prevent the sponsors from undertaking organizational activity or completing the procedures of sections 5, 6 or 7 prior to the time petitions are circulated.*

Subd. 2. The sponsors may voluntarily abandon the petition drive any time before December 31 of the year in which the petitions are filed or the date on which the petition is certified by the secretary of state as provided in section 14, whichever occurs first. To abandon the drive, a declaration to that effect shall be filed with the secretary of state. The filing of the declaration shall not prevent other sponsors from beginning a similar or identical petition drive. All petitions signed prior to the declaration are invalid upon the filing of the declaration and may not subsequently be utilized by the new sponsors.

Subd. 3. Petitions which are signed but never filed, or which are filed but the number of signatures is later determined to be insufficient, are invalid on June 1 after the year in which they were signed. The petitions may not be used for similar or identical petition circulation efforts in subsequent years.

Sec. 9. [3B.07] [AMOUNT OF SIGNATURES FOR INITIATIVE OR REFERENDUM.] *An initiative or referendum measure shall be placed on the ballot if petitions for the measure*

are signed by eligible voters in each congressional district of the state in a number not less than five percent of the number of persons who voted at the last general election in that congressional district. For the purpose of determining the number of persons who voted at the last general election, when an election precinct contains more than one congressional district the number of persons voting at the last general election in each district in that precinct shall be the number of persons who voted for the office of representative in congress in that portion of the precinct.

Sec. 10. [3B.08] [FILING OF PETITIONS.] *The sponsors shall file the signed petitions with the secretary of state not later than October 1 of the year in which the petitions were circulated. Before filing the signed petitions the sponsors shall securely bind them together.*

Only the sponsors, or those authorized in writing by the sponsors, may file petitions.

Sec. 11. [3B.09] [PETITIONS RECEIVED BY SECRETARY OF STATE AND SIGNATURES COUNTED.] *The secretary of state shall determine the total number of signatures on the petitions filed and shall, not later than October 10, give written notification to the sponsors of the number of signatures in each congressional district. If the number of signatures filed is less than the minimum number of signatures required in a congressional district, petitions for additional signatures may be circulated for one additional period of 21 days commencing from the date of notification.*

Sec. 12. [3B.10] [VERIFICATION OF PETITIONS.] *Subdivision 1. Not later than December 31 of the year in which the petitions were signed the secretary of state shall determine whether a sufficient number of valid signatures has been obtained. The secretary may verify signatures by the random sampling method provided in section 13. County auditors shall assist the secretary in verifying signatures, at the secretary's request. Any eligible voter may challenge the number or validity of signatures on the petition. The secretary of state shall determine the contest of the number or validity of signatures by an eligible voter.*

Subd. 2. A signature is valid when:

- (a) It is signed by the person named;*
- (b) It is voluntarily signed;*
- (c) The signatory is an eligible voter;*
- (d) The signatory is a resident of the congressional district indicated on the petition; and,*

(e) *The signature is identifiable.*

Subd. 3. An eligible voter contesting the sufficiency or validity of signatures shall file a protest within the time provided in subdivision 1 for the secretary of state to verify the petitions or within seven days of the determination of the secretary of state under subdivision 1, whichever occurs earlier. The protest shall include a brief statement of the evidence of insufficiency or invalidity. If an eligible voter contests the sufficiency or validity of signatures in bad faith, he may be assessed costs of the contest up to a maximum of \$200. The secretary of state shall hear evidence and determine contests within 21 days after the protest is filed.

Subd. 4. If the secretary of state determines that the number of valid signatures is less than the number required, he shall so notify the sponsors and petitions for additional signatures may be circulated for an additional period of 21 days, in the case of a determination of an actual number deficiency, or 35 days, in the case of an estimated number deficiency, commencing from the date of notification. The secretary shall verify a random sample of the additional signatures within 10 days of receiving them. If the verification from the random sample of the additional signatures does not show that the total number of valid signatures on the additional petitions is 100 percent or more of the deficiency, the secretary shall notify the sponsors. No further action shall then be taken on the petitions.

Sec. 13. [3B.11] [RANDOM SAMPLING METHOD OF SIGNATURE VERIFICATION.] *Subdivision 1. A sample of signatures to be verified shall be drawn in such a manner that every signature filed with the secretary of state shall be given an equal opportunity to be included in the sample. The sample shall include five percent of the signatures.*

Subd. 2. If the verification from the statistical sample shows that the total number of valid signatures on all the petitions is 100 percent or more of the minimum number of signatures needed to declare the number of petition signatures to be sufficient for each congressional district, the secretary of state shall determine the number of valid signatures to be sufficient. The number of valid signatures shall be determined by taking the total number of signatures filed in each congressional district and multiplying it by the percentage of signatures in the statistical sample which were found to be valid. In calculating the number of valid signatures, any fractions shall be rounded up to one.

Subd. 3. If the verification from the statistical sample shows that the number of valid signatures is less than 100 percent of the minimum number of signatures needed to declare the number of petition signatures to be sufficient for each congressional district, the secretary of state shall determine that the number of

petition signatures is insufficient. The secretary shall give the sponsors written notice of what percentage of the signatures is valid.

Sec. 14. [3B.12] [CERTIFICATION BY SECRETARY OF STATE.] *If the number of petition signatures from each congressional district meets the minimum number required, the secretary of state shall certify the sufficiency of the initiative or referendum petitions to the sponsors and all county auditors. The question of adoption of a proposed law in an initiative petition or of repeal of a law in a referendum petition shall then be placed on the ballot for the general election. The secretary of state's certificate shall state the wording of the question to be placed on the ballot. The executive council shall recommend to the secretary of state a wording for the question. The ballot question shall be a true and impartial statement of the intent and purpose of the initiative or referendum measure. It shall be in similar form as a ballot question for a legislative proposal of a constitutional amendment.*

Sec. 15. [3B.13] [ABANDONMENT OF INITIATIVE OR REFERENDUM.] *The sponsors of an initiative or referendum measure may abandon the measure after the sufficiency and validity of the petition is certified by the secretary of state and before June 1 of the even numbered year after the petition is filed, if the legislature has enacted a law with a similar scope and purpose during that period. The measure is abandoned if four-fifths of the sponsors sign a written declaration abandoning the measure and the declaration is filed with the secretary of state. If an initiative or referendum measure is abandoned as provided in this section it shall not be placed on the ballot and the petition shall not be effective to initiate any other proposed law or refer any other existing law.*

Sec. 16. [3B.14] [PLACEMENT OF LAW ON BALLOT.] *If an initiative or referendum petition has been certified so that an initiative or referendum measure will appear on the ballot at the next general election and the legislature enacts a law with a scope and purpose similar to that of the initiative or referendum measure during its regular session in that general election year, the legislature may place that law on the ballot in the manner provided for an initiative or referendum measure under section 14. The law shall appear on the ballot as provided by the legislature unless the initiative or referendum measure is abandoned as provided in section 15.*

Sec. 17 [3B.15] [NUMBERING OF BALLOT MEASURES.] *The secretary of state shall number in consecutive order each initiative or referendum ballot measure with the wording "BALLOT QUESTION . . .". Ballot questions shall be numbered sequentially starting from the number one for the first ballot question certified to be placed on the ballot after the*

effective date of this section. Ballot questions which are certified to appear on the ballot in general elections in subsequent years shall be numbered sequentially beginning with the first number after the number of the last ballot question at the last general election. The order shall be assigned by the secretary of state in the order that it is finally determined that each question will be placed on the statewide ballot at the next general election.

Sec. 18. [3B.16] [BALLOTS, VOTING AND CANVASING OF INITIATIVE OR REFERENDUM QUESTIONS.] *On all initiative and referendum measures, the ballots shall be prepared, voting conducted, results canvassed, contests conducted and results certified as provided by chapters 200 to 209.*

Sec. 19. [3B.17] [TIME OF ELECTION ON INITIATIVE AND REFERENDUM QUESTIONS.] *Voting upon initiative or referendum questions shall be held only at a general election.*

Sec. 20. [3B.18] [SIMULTANEOUS PETITIONS FOR INITIATIVE MEASURES.] *Nothing shall prevent multiple simultaneous petition drives involving identical initiative or referendum measures whether by the same or different sponsors. However, the first determination by the secretary of state of the sufficiency of the signatures for one measure shall automatically constitute abandonment of the other petition drives as of the date of the secretary's determination.*

Sec. 21. [3B.19] [COSTS OF COUNTY AUDITORS TO VERIFY SIGNATURES.] *Subdivision 1. The state of Minnesota shall reimburse all county auditors for all reasonable costs of assisting in the verification of signatures on initiative or referendum petitions.*

Subd. 2. Each year prior to May 1, each auditor shall submit to the secretary of state a verified statement of expenditures incurred in the previous calendar year. The statement shall specify how all costs were incurred.

Subd. 3. The secretary of state shall, within 30 days after receipt of each auditor's statement, pay to each county auditor the costs which the secretary determines are reasonable.

Subd. 4. The secretary of state shall, by rule, provide for the standards of what costs will be reimbursed by the state.

Sec. 22. [3B.20] [RESOLUTION OF CONFLICTS BETWEEN INITIATIVE OR REFERENDUM MEASURES.] *Subdivision 1. Nothing shall prevent petitioning for measures which are apparently in substantial conflict.*

Subd. 2. If two or more measures which substantially conflict are adopted by a vote of the people, including a measure

placed on the ballot by the legislature, the one receiving the highest number of affirmative votes shall be effective. In the event that it is finally determined that the measures received an equal number of affirmative votes, neither measure shall become effective, but they shall again be placed on the ballot at the next general election.

Subd. 3. A petition may be filed with the district court by any eligible voter alleging that two or more adopted measures substantially conflict. A copy of the petition shall be served upon the sponsors and upon the attorney general. The district court shall issue its findings and conclusions within 60 days of the filing of the petition.

Subd. 4. The district court shall find that two or more measures substantially conflict when any material provision in one measure is irreconcilable with a material provision in another measure. Upon a finding that any provisions of measures substantially conflict, the district court shall find that the entire measures conflict and state which measure prevails under the provisions of subdivision 2.

Sec. 23. [3B.21] [PUBLICATION OF ADOPTED INITIATIVE MATTERS.] Subdivision 1. Initiative or referendum measures which are adopted by the people shall be published by the revisor of statutes in the laws of Minnesota for the legislative session for the year subsequent to the year of the election at which the law is adopted. Initiative and referendum measures shall be placed in a separate section of the Laws of Minnesota and given chapter numbers by the revisor of statutes distinctive from the chapter numbers given legislative enactments by the secretary of state.

Subd. 2. If an initiative or referendum measure is adopted by the people, the revisor of statutes may incorporate it into the next edition of the Minnesota Statutes or the supplement to the Minnesota Statutes in the same manner as for legislative enactments.

Sec. 24. [3B.22] [LITERATURE MUST INCLUDE NAMES.] Any person or committee who shall publish, issue, post, circulate, or cause to be published, issued, posted, circulated, other than in a newspaper as provided in section 25, any literature, campaign material, or any publication, including cards, pamphlets, flyers, signs, banners, leaflets, announcements, or other material tending to influence desire to sign or refusal to sign an initiative or referendum petition or the voting at an election on a ballot issue, which fails to prominently display the name and mailing address of the author, the name of the person or committee in whose behalf the same is published, issued, posted, or circulated, and the name and mailing address of any other person or committee causing the same to be pub-

lished, issued, posted, circulated, or broadcasted shall be guilty of a misdemeanor.

Sec. 25. [3B.23] [PAID ADVERTISEMENTS IN NEWS.]

Subdivision 1. No publisher of a newspaper, periodical, or magazine shall insert in that newspaper, magazine, or periodical, and no radio or television station shall broadcast any matter paid or to be paid for which tends or is intended to influence directly or indirectly the desire to sign or refusal to sign an initiative or referendum petition or any voting at an election on a ballot issue unless it is prominently indicated that it is a paid advertisement. There shall also be a statement of the amount paid or to be paid, or a statement that the same is to be paid at regular advertising rates, the name of the person or committee in whose behalf the matter is inserted or broadcast and of any other person or the names of the officer and the committee authorizing the publication.

Subd. 2. To the extent that any person sells either advertising space or broadcast time used on behalf of any measure, the charges made shall not exceed the charges made for any other comparable purpose or use according to the seller's rate schedule.

Sec. 26. [3B.24] [DISCLOSURE TO ETHICAL PRACTICES BOARD.] *For the purpose of section 10A.01, subdivision 15, "political committee" includes any association organized to promote or defeat a ballot question, including the sponsors of a petition as defined by section 4, subdivision 6, and any association that gives implicit or explicit consent for any other person to receive contributions or make expenditures to promote or defeat a ballot question.*

Sec. 27. [3B.25] [PROHIBITIONS.] *Subdivision 1. No person shall:*

(a) Be paid compensation for signing an initiative or referendum petition;

(b) Willfully refuse to file a statement of expenses regarding an initiative or referendum measure when required by law;

(i) *Sign a petition with a name other than his own name; or*

(j) *Intentionally sign the same petition more than once.*

Subd. 2. Any person violating any provision of subdivision 1, clauses (a), (b), (c), (d) or (e) is guilty of a misdemeanor. Any person violating any provision of subdivision 1, clauses (f), (g), (h), (i) or (j) is guilty of a gross misdemeanor.

Sec. 28. [3B.26] [ACTION BY AND NOTIFICATIONS TO SPONSORS.] *Subdivision 1. Only sponsors, or those authorized by them in writing, may file any required document or statement regarding initiative or referendum petitions, measures or campaigns including election contests or petition signature count or validity contests.*

Subd. 2. The signature of the chairman, of the sponsors, or a person authorized in writing by the chairman, is sufficient to authorize the filing of any statement or document required by law. If the chairman authorizes another person to file any statement or document, a copy of the authorization shall be attached to the filed statement or document.

Subd. 3. If notice is required to be given to the sponsors, it shall be given to those persons provided in subdivision 2 who may authorize any filing.

Sec. 29. [3B.27] [DATES OF ACTIONS.] *Subdivision 1. Subd. 2. In sections 3 to 30, whenever a document is required to be filed or received, only physical deposit of the document

Sec. 30. [3B.28] [JUDICIAL REVIEW OF INITIATIVE OR REFERENDUM MATTERS.] *Subdivision 1. The district court shall have original jurisdiction of any suit involving:*

Subd. 2. Venue for all suits and criminal prosecutions involving initiative or referendum matters shall be in the district court in Ramsey County.

Subd. 3. Suits contesting a final administrative determination of the number or validity of signatures on petitions shall be filed not later than 10 calendar days after the final determination.

Suits involving conflicts between initiative or referendum measures shall be filed prior to the effective date of the initiative or referendum measures.

Subd. 4. A court may defer the effective date of an adopted initiative or referendum measure when a deferral, in the discretion of the court, is found to be in the interest of justice.

Sec. 31. Minnesota Statutes 1978, Section 10A.20, is amended by adding a subdivision to read:

Subd. 2a. In addition to the reports required by subdivision 2, a political committee organized to promote or defeat a ballot question shall also file reports not later than five days after a petition to place the question on the ballot is certified pursuant to section 14.

Sec. 32. Minnesota Statutes 1978, Section 203A.31, Subdivision 2, is amended to read:

Subd. 2. [STATE PINK AND BLUE BALLOTS.] *There shall be one ballot on pink paper, hereinafter called the "pink ballot," upon which all (PROPOSITIONS AND QUESTIONS) constitutional amendments to be voted upon throughout the state shall be printed so that the voters may indicate by a mark (X) either a negative or affirmative vote. All initiative or referendum ballot questions shall be on one blue ballot. The order of*

the questions shall be in the order of their sequential numbers assigned pursuant to section 17. In preparing the pink (BALLOT) and blue ballots the secretary of state shall apply an appropriate title to each proposition and question, which title shall be approved by the attorney general, and shall consist of not more than one printed line above the proposition or question to which it refers. (AT THE HEAD OF THE BALLOT OR IN SOME OTHER PROMINENT PLACE ON THE BALLOT THERE SHALL BE PRINTED CONSPICUOUSLY) After each question on a constitutional amendment shall be printed a notice stating in substance that a voter's failure to vote on a constitutional amendment has the effect of a negative vote. The pink ballots shall be deposited in a separate pink ballot box. The blue ballots shall be deposited in a separate blue ballot box. They shall be counted, canvassed and returned as in the case of white ballots, and the tally books and return blanks shall provide suitable columns and spaces therefor. The total of the "yes" votes, the total of the "no" votes, and the total number of votes cast shall be reported in the returns.

Sec. 33. Minnesota Statutes 1978, Section 203A.31, Subdivision 3, is amended to read:

Subd. 3. The compensation prescribed in section 204A.23, clauses (d) and (e), the cost of printing the municipal light green ballots, of providing ballot boxes and polling places, and equipping the same, and all necessary expenses of the clerks of

municipalities on account of elections, except special county elections, shall be paid by the respective towns or cities where the elections are held. All disbursements hereunder shall be presented, audited, and paid as in the case of other public expenses.

Sec. 35. Minnesota Statutes 1978, Section 204A.40, Subdivision 2, is amended to read:

Subd. 2. (c) The amount in his party account allocated in that county and set aside for the candidates for the office for which he is a candidate.

The sum of all the county shares calculated in the formula above is the candidate's share of his party account.

In a year in which an election for the state senate occurs, with respect to votes for candidates for the state senate only, "last general election" means the last general election in which an election for the state senate occurred.

For any party under whose name no candidate's name appeared on the ballot in each voting precinct in the state in the last general election, "last general election" means the last general election in which the name of a candidate of that party appeared on the ballot in each voting precinct in the state.

If in a district there was no candidate of a party for the state senate or state house of representatives in the last general election, or if a candidate for the state senate or state house of representatives was unopposed, the vote for that office for that party shall be the average vote of all the remaining candidates of that party in each county of that district whose votes are included in the sums in clauses (a) and (b). The average vote shall be added to the sums in clauses (a) and (b) before the calculation is made for all districts in the county.

(MONEYS) Money from (ANY) a party account not distributed to candidates for state senator and representative in any

election year shall be returned to the general fund of the state. *Money from a party account not distributed to candidates for other offices in an election year shall be returned to the party account for reallocation to candidates as provided in clauses (1) to (6) of this subdivision in the following year. Moneys from the general account refused by any candidate shall be distributed to all other qualifying candidates in proportion to their shares as provided in this subdivision.*

Sec. 7. Minnesota Statutes 1978, Section 10A.32, Subdivision 4, is amended to read:

Subd. 4. *If a political party for whose candidates funds have been accumulated in the state elections campaign fund does not have a candidate for (ANY) the office of state senator or representative at a general election, the moneys set aside for that office shall be returned to the general fund of the state. If that party does not have a candidate for any other office at a general election the money set aside for that office shall be returned to the general account of the state elections campaign fund for reallocation to candidates as provided in section 10A.31, subdivision 5, clauses (1) to (6).*

Sec. 8. [10A.316] *Minnesota Statutes 1978, Sections 10A.-25, Subdivisions 2, 3, 4, 5, 6, 7 and 10; 10A.28, Subdivision 1; and 10A.32, Subdivisions 3 and 3b, as amended as of the effective date of this section, are repealed. Notwithstanding any law to the contrary, the tax credit provided in Minnesota Statutes, Section 290.06, Subdivision 11, may be allowed for contributions to any candidate as defined in Minnesota Statutes, Section 10A.-01, Subdivision 5, without any agreement by the candidate to limit his campaign expenditures.*

Sec. 9. [EFFECTIVE DATE.] *Subdivision 1. Sections 3 to 7 are effective upon ratification of the amendment to the Minnesota Constitution proposed in section 1 of this article as provided in the constitution.*

Subd. 2. Section 8 is effective December 31, 1981 if the amendment to the Minnesota Constitution proposed in section 1 of this article is not ratified, as provided by the constitution."

Speaker of the House

Dear Mr. Speaker:

In transmitting H. F. 1121, passed by the Legislature in the 1980 Session with my signature, I hereby notify you that this approval does not include the approval of two items of appropriation.

The first is contained in Article XIII, Section 2, Subdivision 4, on page 174 and that I am therefore vetoing that item of appropriation which reads:

Subd. 4. The sum of \$50,000 is appropriated to the department of transportation from the general fund for the purposes of this section. The sum is available the day after final enactment and until January 1, 1982.

Further, the second item of appropriation is contained in Article XIX, Section 14, on page 308 and that I am therefore vetoing that item of appropriation which reads:

Sec. 14. [APPROPRIATION.] The sum of \$30,000 is appropriated annually from the general fund in the state treasury to the commissioner of revenue for the purchase of heat-applied stamps.

I am line item vetoing these items because of the uncertain economic conditions that face the State. It is necessary to examine every spending item. As Governor, I have the responsibility to ensure a balanced budget. These appropriation items are the first of several which I will be examining, and other vetoes may be necessary in order to maintain a balanced budget during this biennium.

Honorable Fred C. Norton
Speaker of the House
House of Representatives
State Office Building
St. Paul, Minnesota 55155

Dear Speaker Norton:

This letter is to advise you that I have signed House File 2476 and will deposit the same in the office of the Secretary of State. In signing this legislative enactment, I have exercised the authority granted to me in Article IV, Section 23, of the Constitution of the State of Minnesota to veto items of appropriation contained in this bill. A copy of this letter has been appended to the bill and constitutes the statement of items vetoed which shall not become law.

The following items have been lined out of the bill and are hereby vetoed:

1. Section 7 (c) appropriating \$100,000 to Administration for Micrographics Acceleration and appearing on page 4, lines 32 through 52 and page 5, lines 1 through 9 of H. F. 2476.

2. Section 13 (g) appropriating \$150,000 to Natural Resources for inflation expenses at state parks and appearing on page 7, line 41 of H. F. 2476.

3. Section 21 (c) appropriating \$90,000 to Crime Control Planning Board for grants for juvenile intervention programs and appearing on page 11, lines 40 through 42 of H. F. 2476.

4. Section 21 (e) appropriating \$169,000 to Crime Control Planning Board for updating the automated fingerprint identification system and appearing on page 12, lines 10 through 15 of H. F. 2476.

5. Section 23 (a) appropriating \$3,000,000 to Housing Finance Agency for Indian housing and appearing on page 12, lines 20 through 34 of H. F. 2476.

6. Section 23 (b) appropriating \$100,000 to Housing Finance Agency for temporary shelter residential housing and appearing on page 12, lines 35 through 42 of H. F. 2476.

7. Section 27 (a) appropriating \$60,000 to Transportation for a Transportation Finance Study Commission and appearing on page 14, lines 17 and 18 of H. F. 2476.

8. Section 28 (b) appropriating \$39,000 to Corrections for crime victim services and appearing on page 15, line 3 of H. F. 2476.

9. Section 30 (d) appropriating \$100,000 to Health for the THC Therapeutic Research Act and appearing on page 17, line 54 and page 18, lines 1 through 5 of H. F. 2476.

10. Section 33 appropriating \$500,000 to the Board of the Arts for a grant to the West Central Minnesota Educational Television Company and appearing on page 18, lines 35 through 52 of H. F. 2476.

The preceding items have been vetoed because of the uncertain economic conditions that face the state. As Governor, I have the legal responsibility to ensure that the state maintains a balanced budget. Thus, it has been necessary to examine every spending item to ensure that the state's budget will not be in deficit during this biennium.

In addition to the items which I have already identified, I am vetoing the following appropriation item:

Section 41 appropriating interest and profit from the state bond fund to the general fund and appearing on page 23, lines 26 through 33 and page 24, lines 1 through 8 of H. F. 2476.

This section appropriates "all interest and profit accruing after January 1, 1980, from any investment of the state bond fund . . ." to the general fund. The purpose for retaining interest and profit in the state bond fund is to assure that sufficient monies are available in the bond fund when the debt service obligations of the fund must be met. I agree with that purpose and have, therefore, vetoed the appropriation of monies out of the state bond fund to the general fund.

Sincerely yours,

ALBERT H. QUIE

STATE OF MINNESOTA
OFFICE OF THE GOVERNOR
ST. PAUL 55155

April 24, 1980

Honorable Fred C. Norton
Speaker of the House
House of Representatives
State Office Building
St. Paul, Minnesota 55155

Dear Speaker Norton:

This letter is to advise you that I have signed House File 1781 and will deposit the same in the office of the Secretary of State. In signing this legislative enactment, I have exercised the authority granted to me in Article IV, Section 23, of the Constitution of the State of Minnesota to veto items of appropriation contained in this bill. A copy of this letter has been appended to the bill and constitutes the statement of items vetoed which shall not become law.

The following items have been lined out of the bill and are hereby vetoed:

1. Article I, Section 15 appropriating \$685,000 to the Department of Education for summer school deficiency and appearing on page 22, lines 3 through 11 of H. F. 1781.

2. Article II, Section 9 appropriating \$150,000 to the Department of Education for a school transportation bus routing study and appearing on page 40, lines 24 through 28 of H. F. 1781.

3. Article VIII, Section 3 appropriating \$250,000 to the Department of Education for educational research and development and appearing on page 157, lines 11 through 16 of H. F. 1781.

The preceding items have been vetoed because of the uncertain economic conditions that face the state. As Governor, I have the legal responsibility to ensure that the state maintains a balanced budget. Thus, it has been necessary to examine every spending item to ensure that the state's budget will not be in deficit during this biennium.

Sincerely yours,

ALBERT H. QUIE
Governor

POCKET VETO

The following bill was pocket vetoed by Governor Albert H. Quie:

H. F. No. 1507.

PROTEST AND DISSENT

We, the undersigned members, protest and dissent from the unprincipled and disgraceful behavior of the Chairman of the Committee on Rules and Legislative Administration and several members of his caucus during the closing minutes of the 1979 regular legislative session.

In deliberately attempting to thwart any discussion on a resolution properly presented to the House, the Rules Chairman and a few other of his caucus members acted in reckless disregard of the House's parliamentary rules. A few of the more flagrant violations which we protest included:

1. Leaving the House after a call of the House without the permission of the Chair (House Rule 2.2);
2. Walking out of the House while the Speaker is putting a question before the body (House Rule 4.7);
3. Refusing to vote on a matter before the body when not excused from voting by a majority of the House (House Rule 2.5);
4. Improperly interrupting another member who was addressing the House (House Rule 4.2 and Mason's Section 121);

5. Using dilatory motions to intentionally obstruct the business of the House (House Rule 3.9 and Mason's Section 180);

6. Heckling and interrupting other members and the Speaker during debate (Mason's Section 61); and

7. Acting in a manner designed to deny other members of their right to free speech (Mason's Section 60 and 120).

Along with these violations of the rules, we also wish to protest the unruly and offensive conduct of a number of members. Such behavior is clearly inconsistent and contrary to every principle of order and decorum in the House of Representatives.

We strongly feel that the above-named actions not only violated basic provisions of the Rules of the House and parliamentary law, but also exhibited wholesale contempt for the democratic process. We are aware of no other single event in the history of the Minnesota House in which the legislative process was so blatantly abused.

Given this unsavory situation, we believe that the Speaker should be commended for his unfaltering patience and extraordinary efforts in attempting to complete the business of the House during the last 15 minutes of the regular 1979 Session.
