#### Sec. 5. [611A.04] [CIVIL ACTIONS.]

*Subdivision 1. Victims have the right to bring against the offender all civil actions for legal and equitable relief authorized by the common laws of this state. Any victim of a crime against the person may bring an action for three times the amount of actual damages sustained by the plaintiff or \$500, whichever is greater, the costs of the suit and reasonable attorneys fees. The provisions of this subdivision shall not limit or prohibit the recovery of punitive damages by the victim in any case where punitive damages would otherwise be allowable by law.*

*Subd. 2. If the victim is deceased, or otherwise legally incompetent to commence or continue with the action described by subdivision 1, the victim's surviving spouse, next of kin or legal representative of his estate may commence or continue the action. Upon written petition by the surviving spouse or one of the next of kin, the court having jurisdiction of an action falling within the provisions of this section, shall appoint a suitable and competent person as trustee to commence or continue the action and obtain recovery of damages therein. The trustee, before commencing his duties shall file his consent and oath. Before the trustee shall receive any money, he shall file a bond as security therefore in such form and with such sureties as the court may require.*

Sec. 6. Minnesota Statutes 1980, Section 609.115, is amended to read:

Subdivision 1. When a defendant has been convicted of a misdemeanor or gross misdemeanor the court may and when the

defendant has been convicted of a felony the court shall, before sentence is imposed, cause a presentence investigation and written report to be made to the court concerning the defendant's individual characteristics, circumstances, needs, potentialities, criminal record and social history, the circumstances of the offense and the harm caused thereby to others and to the community; and the feasibility of restitution as provided in this section. If the court so directs, the report shall include an estimate of the prospects of the defendant's rehabilitation and recommendations as to the sentence which should be imposed. In misdemeanor cases the report may be oral.

*Subd. 2. If the crime of which the defendant is convicted in criminal court, or found admitted or proven true by juvenile court, is a crime against the person, the probation officer or other person conducting the presentence or predispositional report shall make reasonable and good faith efforts to contact the victim of that crime and to provide that victim with information. This information shall consist of: the charge or juvenile court petition to which the defendant has plead guilty or the juvenile respondent has admitted in court, or of any plea agreement between the prosecution and the defense counsel. The probation officer or other person making the report shall also inform the victim of a crime against the person of his right to personally appear and object, or object in writing to the court, prior to the time the court pronounces the sentence or the juvenile court disposition, to the proposed sentence or juvenile dispositional alternative, or terms of the proposed plea agreement. Failure of the probation officer to comply with this section does not and shall not be construed to give any rights or grounds for post conviction or post juvenile disposition relief to the defendant or juvenile court respondent. Failure of a probation officer to comply with this section or failure of a victim of a crime against the person to respond to a probation officer does not entitle a defendant to withdraw a plea of guilty.*

*Subd. 3. The presentence investigation report shall also include the following information relating to a victim or victims of a crime against the person:*

*(a) A summary of the economic loss, physical injury, psychological complications, and any other relevant readjustment problems generated by the criminal occurrence; and*

*(b) A concise statement of what disposition the victim deems appropriate for the defendant or juvenile court respondent, including reasons given, if any, by the victim in support of his opinion;*

*(c) An attachment to the report, consisting of the victim's written objections, if any, to the proposed disposition, or to a*

*plea agreement, if the victim provides the probation officer with this written material within a reasonable time prior to the disposition.*

*If there is more than one victim, the report shall include the information described in clauses (a), (b) and (c), with respect to all of the victims to the extent practical.*

**Subd. 4.** The investigation shall be made by a probation officer of the court, if there is one, otherwise by the commissioner of corrections.

Pending the presentence investigation and report, the court with the consent of the commissioner may commit the defendant to the custody of the commissioner of corrections who shall return the defendant to the court when the court so orders.

Presentence investigations shall be conducted and summary hearings held upon reports and upon the sentence to be imposed upon the defendant in accordance with this section, Minnesota Statutes, Section 244.10, upon its effective date, and Rule 27 of the rules of criminal procedure.

**Subd. (2) 5.** If the defendant has been convicted of a crime for which a mandatory sentence of life imprisonment is provided by law, the probation officer of the court, if there is one, otherwise the commissioner of corrections, shall forthwith make a post-sentence investigation and make a written report as provided by subdivision 1.

**Subd. (3) 6.** All law enforcement agencies shall make available to the probation officer or the commissioner of corrections the criminal record and other relevant information relating to the defendant which they may have, when requested for the purposes of subdivisions 1 and 2.

**Subd. (4) 7.** Any report made pursuant to subdivision 1 shall be, if written, provided to counsel for all parties before sentence. The written report shall not disclose confidential sources of information unless the court otherwise directs. On the request of the prosecuting attorney or the defendant's attorney a summary hearing in chambers shall be held on any matter brought in issue, but confidential sources of information shall not be disclosed unless the court otherwise directs. If the presentence report is given orally the defendant or his attorney shall be permitted to hear the report.

**Subd. (5) 8.** If the defendant is sentenced to the commissioner of corrections, a copy of any report made pursuant to this section and not made by the commissioner shall accompany the commitment.

Subd. (6) 9. Except as provided in subdivisions 4 and 5 or as otherwise directed by the court any report made pursuant to this section shall not be disclosed.

Subd. (7) 10. If imposition of sentence is stayed by reason of an appeal taken or to be taken, the presentence investigation provided for in this section shall not be made until such stay has expired or has otherwise been terminated.

Sec. 7. [611A.05] [RIGHTS TO REQUEST RESTITUTION.]

*A victim of a crime against the person or a major property crime has the right to request that monetary restitution to him or her be considered as part of the disposition of a criminal charge or juvenile delinquency proceeding against the offender.*

*(a) To implement this right, a probation officer or department of court services of the county in which criminal or juvenile proceedings are pending against the alleged offender, or the commissioner of corrections if there is no probation officer, or department of court services shall make reasonable and good faith efforts to notify the victim of a crime against the person or a major property crime that disposition of the criminal or juvenile delinquency case is contemplated and set a date for interview, which may be by phone, of the victim by a probation officer or the commissioner of corrections if there is no probation officer.*

*The date proposed shall be at least seven days after the date of the notice if the interview is to be in person. The victim shall be informed that the purpose of the interview is to gather information concerning the possibilities for monetary restitution from the offender, and that the offender will not be present during the interview. If the victim fails to appear for or otherwise respond to the interview, the criminal or juvenile proceedings against the offender may be concluded without consideration of restitution.*

*(b) Whenever a presentence investigation on a crime against the person or major property crime is conducted pursuant to section 609.115, the interview with the victim shall be part of the presentence investigation and information obtained during the interview shall be summarized and a recommendation on the feasibility of restitution made in the presentence report. In those cases where a presentence investigation is not conducted, the probation officer, department of court services, or commissioner shall make this summary and recommendation in a written report to the court. If the probation officer or other person making the report does not recommend monetary restitution, he or she shall state the reasons therefore in the report.*

(c) *The court shall order or deny restitution at the hearing at which disposition concerning a crime against the person or major property crime is made, and the court shall state on the record its reasons for its decision on restitution.*

(d) *If the court orders restitution, the court shall state in the order the specific amount of restitution to be paid and that the offender make restitution payments to the clerk of court of the county wherein the restitution is to be paid. The court shall retain jurisdiction to modify the restitution order as to the amount of time allowed for payment during the probationary period. Provided, however, that the court may not during the probationary period, increase the amount of restitution or accelerate the restitution payment schedule from the original order, during the probationary period.*

(e) *A decision for or against monetary restitution in any criminal or juvenile proceeding shall not be a bar to any civil action by the victim or by the state pursuant to section 299B.10 against the offender; provided, however, that the offender shall be given credit in any order for judgment in favor of a victim in a civil action for any restitution paid to the victim for the same injuries for which the judgment is awarded.*

(f) *To facilitate collection of judgments in favor of any victim from incarcerated persons, authority is granted to the commissioner of corrections in sections 241.26 and 243.23 to make rules concerning collection of these judgments from income earned by inmates during imprisonment, and section 631.425 authorizes a person or agency designated by the court to collect restitution payments from the earnings of employed persons committed to jail.*

(g) *When a court or jury in a civil action returns a verdict against a convicted offender, the victim may request the court to make a specific finding whether the behavioral incident upon which the civil verdict is based is the same incident for which the offender was convicted. If the court finds that the behavioral incident upon which the civil and criminal case were based are the same, the court shall so state in its written order for judgment. A certified copy of the order for judgment containing this finding shall, unless the judgment is vacated, constitute conclusive proof that the judgment is an award in favor of a victim of the offender's crime for purposes of section 241.26, subdivision 5, section 243.23, subdivision 3, and section 631.425, subdivision 5.*

(h) *No policy of insurance shall delay or deny benefits to its insured merely because the harm for which an insurance claim is made was caused by a criminal offense which was committed against the insured by another person. However, an insurer which has paid benefits to its insured for injury or*

*loss resulting from a crime may be subrogated to the insured's rights to recover damages or restitution from the criminal offender, to the extent of the benefits paid by the insurer.*

*(i) If a crime victim has applied for reparations pursuant to Minnesota Statutes, Sections 299B.01 to 299B.09, the crime victims reparations board shall not delay or diminish payment of reparations to the victim on the ground that restitution has been or may be ordered but has not yet been paid.*

Sec. 8. Minnesota Statutes 1980, Section 241.26, Subdivision 5, is amended to read:

Subd. 5. [EARNINGS; WORK RELEASE ACCOUNT.] The net earnings of each inmate participating in work release program provided by this section shall be collected by or forwarded to the commissioner of corrections under rules established by him and deposited by the commissioner in the state treasury and credited to the "work release account", which account is hereby established, to the account of such inmate. Such moneys shall be and remain under the control of the commissioner for the sole benefit of such inmate, subject to disbursement by the commissioner for the following purpose and in the following order:

(1) The cost of such inmate's keep as determined by the provision of subdivision 7, which moneys shall be deposited in the general fund of the state treasury if such inmate is housed in a state correctional institution, or shall be paid to the appropriate city or county treasurer if such inmate is housed in a city or county facility;

(2) Necessary travel expense to and from work and other incidental expenses of the inmate;

(3) Support of inmate's dependents, if any;

(4) *Court-ordered restitution and judgments in favor of victims of crimes committed by the inmate, if any;*

(5) After the above expenditures, the inmate shall have discretion to direct payment of the balance, if any, upon proper proof of personal legal debts;

((5)) (6) The balance, if any, shall be disbursed to the inmate as provided in section 243.24, subdivision 1.

All moneys in the "work release account" established by this subdivision are appropriated annually to the commissioner of corrections for the purposes of the work release program.

Sec. 9. Minnesota Statutes 1980, Section 241.26, Subdivision 6, is amended to read:

Subd. 6. [EXEMPTION FROM PROCESS.] Wages or salaries of work placement inmates shall not be subject to garnishment, attachment, or execution in the hands of either the employer or a state agent authorized to hold such funds, *except to the extent authorized by the commissioner of corrections by rule.*

Sec. 10. Minnesota Statutes 1980, Section 243.23, Subdivision 3, is amended to read:

Subd. 3. Notwithstanding sections 241.01, subdivision 8, 241.26, subdivision 5, and 243.24, subdivision 1, the commissioner shall promulgate rules for the disbursement of funds earned under subdivision 1 for the support of families and dependent relatives of the respective inmates, *for the payment of restitution and judgments in favor of victims of crimes committed by the respective inmates*, and for the discharge of any legal obligations arising out of litigation under this subdivision. An inmate of an adult correctional facility under the control of the commissioner is subject to actions for the enforcement of support obligations and reimbursement of any public assistance rendered the dependent family and relatives. The commissioner may conditionally release an inmate who is a party to an action under this subdivision and provide for his detention in a local detention facility convenient to the place of the hearing when he is not engaged in preparation and defense.

Sec. 11. Minnesota Statutes 1980, Section 571.55, is amended by adding a subdivision to read:

Subd. 4. *The limitations of subdivision 2 do not apply to the earnings of inmates of state correctional institutions. The commissioner of corrections shall make rules, in accordance with sections 241.26, subdivision 5; and 243.23, subdivision 3 providing for the amount, if any, of an inmate's earnings which may be exempt from garnishment.*

Sec. 12. Minnesota Statutes 1980, Section 631.425, Subdivision 5, is amended to read:

Subd. 5. [EARNINGS.] The earnings of the prisoner may be collected by the sheriff, probation department, welfare board or suitable person or agency designated by the court. From such earnings the person or agency designated to collect them may pay the cost of the prisoner's maintenance, both inside and outside the jail, but the charge for maintenance inside the jail shall not exceed the legal daily allowance for board allowed the sheriff for ordinary prisoners, and, to the extent directed by the court, pay the support of his dependents, if any, (AND) court costs

and fines, restitution, and judgments in favor of victims of the crime for which the prisoner is incarcerated, if any. Any balance shall be retained until his discharge when it shall be paid to him.

**"Section 1. [268A.01] [CITATION.]**

*This act shall be known and may be cited as the "Minnesota Community, Jobs and Business Preservation Act of 1981."*

**Sec. 2. [268A.02] [FINDINGS.]**

*The legislature of the state of Minnesota finds that problems related to the business climate and more specifically to plant closings, plant relocations and/or massive reductions in the number of employees at a plant facility often encompass the concerns and responsibilities of several state agencies as well as the local area affected. The legislature also finds that in view of the often devastating impact of these problems on particular communities in terms of economic, social and personal dislocation that the interaction of various agencies and local communities is vital to a successful solution of the problems. Further, coordination of the cooperative efforts of governmental, business and labor groups is essential to reaching solutions which are timely, equitable and in the best interests of the citizens of the local communities and the state. In order to provide a sound coordination of these efforts and to encourage cooperation among all affected parties, the legislature finds that comprehensive planning and study requires the establishment of a state community, business and job preservation board.*

*Whereas, the citizens of the State of Minnesota are deeply concerned over the issue of peace and liberty for the people of our hemispheric neighbor in El Salvador; and,*

*Whereas, rebel terrorist forces trained and equipped by the Communist governments of Cuba and the Soviet Union have engaged in protracted guerrilla warfare against the government of El Salvador; and,*

*Whereas, the Christian Democratic government of Jose Napolean Duarte has adopted measures to help the poor through public works, land reforms, amnesty to opponents and has scheduled elections for 1982; and,*

*Whereas, acting Archbishop, Artura Rivera Damas, has publicly praised the government’s plans for reforms and urged Salvadorians to believe in the government’s good intentions; and,*

*Whereas, in opposition to the government’s reforms, other extremist terrorists organizations have been committing violence against the people and the government of El Salvador; and,*

*Whereas, citizens of Minnesota condemn terrorism of both the right and the left in the country of El Salvador, or any other country in the world; and,*

*Whereas, the citizens of Minnesota truly wish to avoid the United States military involvement in armed conflict in that country; now, therefore,*

*Be It Resolved* by the Legislature of the State of Minnesota that the President and the Congress are urged to avoid taking any action that would directly involve United States military personnel in a war in El Salvador.

*Be It Further Resolved* that, in cooperation with our friends and allies, we equally urge that appropriate action be taken to oppose the arms aid and military involvement in El Salvador by Communist governments, such as Cuba and the Soviet Union and the Palestine Liberation Organization.

*Be It Further Resolved* that the Secretary of State of the State of Minnesota is instructed to transmit copies of this memorial to the President of the United States, the Secretary of State of the United States, the President and Secretary of the United States Senate, the Speaker and the Chief Clerk of the United States House of Representatives, and to the Minnesota Senators and Representatives in Congress.”

#### HOUSE CONCURRENT RESOLUTION NO. 1

A house concurrent resolution expressing the appreciation of Minnesotans in this day of renewed patriotism to all Vietnam War veterans for their services to the people of the State of Minnesota; and encouraging local demonstrations to engender proper recognition of Vietnam veterans.

*Whereas*, The United States of America was engaged in military activities in Vietnam from 1961 through 1975; and,

*Whereas*, men and women in our armed forces sacrificed their lives for the safety and peace of all citizens during those in-terminable years; and,

*Whereas*, in our great State of Minnesota alone over one thousand veterans died in service to their country in Vietnam; and,

*Whereas*, there are currently 192,000 Vietnam War veterans in Minnesota; and,

*Whereas*, many of these veterans returned from Vietnam with disabilities which make gainful employment and normal family life very difficult, especially given an unstable economic and political environment; and,

*Whereas*, it is clear that veterans of Vietnam have never been given the credit that is due them for their service to the United States and the hardships they endured; and,

*Whereas*, the people of the State of Minnesota want to thank all living veterans and to honor all deceased veterans of Vietnam for all the services they so nobly performed on behalf of their country; and,

*Whereas*, the people of Minnesota do not want to forget the agonies of war and the sacrifices it demands; *Now, Therefore*,

*Be It Resolved* by the House of Representatives of the State of Minnesota, the Senate concurring therein, that on behalf of all Minnesotans, our sincere appreciation is expressed to all Vietnam veterans, and especially to all the families of those who died in Vietnam, for their sacrifice on behalf of the people of the State of Minnesota.

*Be It Further Resolved* that the Chief Clerk of the House of Representatives is directed to prepare an enrolled copy of this resolution, to be authenticated by his signature and those of the Speaker of the House of Representatives, the President of the Senate, and the Secretary of the Senate, and to present it to the Governor for his approval. Upon his approval, it shall be filed with the Secretary of State. The Secretary of State is directed to prepare certified copies and forward them to the Commissioner of Veterans Affairs, the Adjutant General of the Minnesota National Guard, and to the Minnesota Adjutants of the American Legion, Disabled American Veterans, Military Order of the Purple Heart, and Veterans of Foreign Wars. The adjutants of the veterans groups are requested to encourage local units of their organizations to contact local governments, patriotic organizations, and civic organizations, and encourage co-

operation in finding appropriate ways of expressing appreciation to Vietnam veterans living in their areas. The legislature and governor call upon all local communities to hold special appreciation events for Vietnam veterans and to commemorate Vietnam dead on Veterans Day on November 11, 1981.

Sec. 16. Minnesota Statutes 1980, Section 124.212, Subdivision 8a, is amended to read:

Subd. 8a. (1) Notwithstanding any provisions of any other law to the contrary, the adjusted assessed valuation used in calculating foundation aid shall include only that property which is currently taxable in the district. (FOR DISTRICTS WHICH RECEIVED PAYMENTS UNDER SECTION 124.28 THE FOUNDATION AID SHALL BE REDUCED BY: THE PREVIOUS YEAR'S PAYMENT TO THE DISTRICT PURSUANT TO SAID SECTIONS TIMES THE RATIO OF THE MAXIMUM LEVY ALLOWED THE DISTRICT UNDER SECTION 275.125, SUBDIVISION 2A, TO THE TOTAL LEVY ALLOWED BY SECTION 275.125, BUT NOT TO EXCEED 50 PERCENT OF THE PREVIOUS YEAR'S PAYMENT.)

(2) For districts which received payments under sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; 477A.15; any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; the foundation aid shall be reduced in the October adjustment payment by the difference between the dollar amount of the payments received pursuant to those sections in the fiscal year to which the October adjustment is attributable and the amount which was calculated, pursuant to section 275.125, subdivision 9, as a reduction of the levy attributable to the fiscal year to which the October adjustment is attributable. If the October adjustment of a district's foundation aid for a fiscal year is a negative amount because of this clause, the next fiscal year's foundation aid to that district shall be reduced by this negative amount in the following manner: there shall be withheld from each monthly scheduled foundation

aid payment due the district in such fiscal year, 15 percent of the total negative amount, until the total negative amount has been withheld. The amount reduced from foundation aid pursuant to this clause shall be recognized as revenue in the fiscal year to which the October adjustment payment is attributable.

Sec. 17. Minnesota Statutes 1980, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In (1979) 1981, a school district may levy for all general and special school purposes, an amount equal to the amount raised by (23) 21 mills times the (1978) 1980 adjusted assessed valuation of the district.

(2) In 1980 a school district may levy for all general and special school purposes, an amount equal to the amount raised by 21 mills times the 1979 adjusted assessed valuation of the district.

(3) For any district levying less than 95 percent of the maximum levy allowable in clauses (1) and (2), the foundation aid to the district for the school year when the levy is recognized as revenue, calculated pursuant to section (124.212, SUBDIVISION 7C) 14, clauses (1) and (6) of *this article*; or section (124.212, SUBDIVISION 7D) 15, clauses (1) and (6) of *this article*; or their successor provisions, as applicable, shall be reduced to an amount equal to the ratio between the actual levy and the maximum levy allowable under clauses (1) and (2) times the foundation aid calculated pursuant to section (124.212, SUBDIVISION 7C) 14, clauses (1) and (6) of *this article*; or section (124.212, SUBDIVISION 7D) 15, clauses (1) and (6) of *this article*; or their successor provisions, as applicable, to which the district is otherwise entitled for that year. For purposes of computations pursuant to this clause, the maximum levy allowable and the actual levy under clauses (1) and (2) shall be increased by any reduction of this levy which is required by section 275.125, subdivision 9 or any other law.

(4) (a) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only one such election may be held to approve a levy increase which will commence in a specific school year. The question on the ballot shall state the maximum amount of the increased levy in mills, the amount that will be raised by that millage in the first year it is to be levied, and that the millage shall be used to finance school operations. The question may designate a specific number of years for which the referendum authorization shall apply. If approved, the amount pro-

vided by the approved millage applied to each year's taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to clause (a) of this clause may be called by the school board and shall be called by the school board upon the written petition of qualified voters of the district. (THE AMOUNT) A levy approved by the voters of the district pursuant to clause (a) of this clause must be (LEVIED) made at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one such revocation or reduction election may be held to revoke or reduce a levy for any specific year and for years thereafter.

(c) A petition authorized by clauses (a) or (b) of this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or ten percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(d) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

(e) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

Sec. 18. Minnesota Statutes 1980, Section 275.125, Subdivision 2c, is amended to read:

(a) the product of the district's foundation aid formula allowance under section 124.212 for the school year in which the levy is recognized as revenue, times the estimated number of pupil units for that district identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), for that school year, less

(b) the estimated amount of any payments which would reduce the district's foundation aid entitlement as provided in section 124.212, subdivision 5a in the school year in which the levy is recognized as revenue.

(2) A levy made by a district pursuant to this subdivision shall be construed to be the levy made by that district pursuant to subdivision 2a, clause (1) or (2), for purposes of statutory cross-reference.

Sec. 19. Minnesota Statutes 1980, Section 275.125, is amended by adding a subdivision to read:

(3) No levy reduction pursuant to (THIS) clause (2), however, shall exceed an amount equal to the product obtained by multiplying

(a) the ratio of

(i) the difference obtained by subtracting \$165 from the quotient obtained by dividing the total amount of the net unappropriated balance in all operating funds of the district as of the June 30 before the levy is certified, by the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), in the district in the year when the levy is certified, to

(ii) the equalizing factor, times

(b) the district's adjusted assessed valuation for the preceding year.

((3)) (4) In any district where the maximum permissible levy pursuant to subdivision 7a in 1981 or in any year thereafter is determined according to clause ((2), PART) (1) (b), of that subdivision, and where the net unappropriated balance in all operating funds has increased between the second June 30 before the levy is certified and the June 30 before the levy is certified, the maximum permissible levy pursuant to subdivision 7a in that year shall be reduced by the total amount of the increase in the balance in all operating funds. No levy reduction pursuant to this clause, however, shall exceed an amount equal to the difference obtained by subtracting

(a) the product obtained by multiplying \$165 times the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), in the district in the year when the levy is certified, from

(b) the total amount of the net unappropriated balance in all operating funds in the district as of the June 30 before the levy is certified.

Sec. 24. Minnesota Statutes 1980, Section 298.28, Subdivision 1, is amended to read:

Subdivision 1. The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or

town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, less any amount distributed under clause (8), to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton *plus the increase provided in paragraph (c) to qualifying school districts* to be distributed as follows:

(a) Six cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part ((C)) (d), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 (. THE 23 CENTS, LESS ANY AMOUNT DISTRIBUTED UNDER PART (C), SHALL BE DISTRIBUTED) in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year, computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. For purposes of distributions pursuant to this part, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(c) *The amount determined by clause (3) (b) shall be increased in 1982 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. The total amount of increase provided*

*shall be distributed on May 15 of each year commencing in 1982 among the school districts described in (3) (b) on the basis of the total number of pupil units as defined in section 124.17, subdivision 1, clauses (1) and (2), enrolled in each school district during the latest school year according to the following formula: to any qualifying school district which has heretofore held or which hereafter holds a referendum as provided in section 275-125, subdivision 2a, clause 4, for each mill increase approved at such referendum the district shall be entitled to receive \$75 per pupil unit less the product of one mill times the district's taxable valuation per pupil unit. The entitlement of \$75 per pupil unit shall be increased in any year in the same proportion as the increase that the district's taxable valuation is increased over the district's taxable valuation for the year 1980. If the total amount provided by the increase of clause (3) (b) is insufficient to make the payments herein required then the entitlement of \$75 per pupil unit shall be reduced proportionately so as not to exceed the funds available. Only the first two mills approved at any referendum shall be used to determine the district's entitlement per pupil unit pursuant to the above formula, regardless of the number of mills increase approved at the referendum. Any amounts received by a qualifying school district in any fiscal year pursuant to clause (3) (c) shall not be applied to reduce foundation aids which the district is entitled to receive pursuant to section 124.212 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of finance who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection fund as provided in section 298.28, subdivision 1, clause 10.*

**((C)) (d)** There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

**(4)** 19.5 cents per taxable ton to counties to be distributed as follows:

**(a)** 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

**(b)** If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) Four cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) One cent per taxable ton to the state for the cost of administering the tax imposed by section 298.24.

(7) Three cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. The amount determined in this clause shall be increased in 1981 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.

(8) .20 cent per taxable ton shall be paid in 1979 and each year thereafter, to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and cooperative actions and which are common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(9) the amounts determined under clauses (4)(a), (4)(c), and (5) shall be increased in 1979 and subsequent years in the

same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (9) and parts (a) and (b) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1978, 1979, 1980, 1981, and 1982, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund; in 1983 and thereafter, one-half to each fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distrib-

uted under clause (4)(c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under sections 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commission of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

[1981 DISCRETIONARY LEVY FUND BALANCE PENALTY.] *Notwithstanding Minnesota Statutes, Section 275.125, Subdivision 7b, the maximum permissible 1981 payable 1982 levy pursuant to Minnesota Statutes, Section 275.125, Subdivision 7a, shall not be reduced pursuant to Minnesota Statutes, Section 275.125, Subdivision 7b, in any district where the net unappropriated fund balance per pupil unit in all operat-*

*ing funds increased by an amount less than or equal to \$97 between June 30, 1980 and June 30, 1981. Moreover, for purposes of computing reductions of the 1981 payable 1982 levy pursuant to Minnesota Statutes, Section 275.125, Subdivision 7b, any increase in the net unappropriated fund balance in all operating funds shall be reduced by the product obtained by multiplying \$97 times the number of pupil units identified in section 124.17, subdivision 1, clauses (1), (2), (4) and (5), in the district in 1981-1982.*

Sec. 26. [LEVY ADJUSTMENTS.] *In 1981, the maximum levy limitation under Minnesota Statutes, Section 275.125, Subdivision 2a or 2c, as applicable, for any district where the 1980 basic maintenance levy limitation was determined under the provisions of Minnesota Statutes, Section 275.125, Subdivision 2b or 2c, shall be reduced by the difference between the amount of that 1980 levy limitation and the amount of the 1980 levy limitation pursuant to the applicable subdivision which would have been computed for the district using a formula allowance of \$1,338.*

Sec. 27. [REPEALER.] *Minnesota Statutes 1980, Sections 124.212, Subdivision 6c and 7c; and 275.125, Subdivision 2b, are repealed.*

Sec. 28. [DEFICIENCY APPROPRIATION; SUMMER SCHOOL.] *The sum of \$0 is appropriated from the general fund to the department of education for the fiscal year ending June 30, 1982, for the payment of a deficiency in funds available for state aid for summer school. This amount is for 1980 summer school programs and shall be added to the sum appropriated for fiscal year 1981 for summer school aid in Laws 1979, Chapter 334, Article I, Section 28, Subdivision 3.*

Subd. 2. [1981-1982 FORMULA.] For the (1979-1980) *1981-1982* school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive state aid an amount determined according to this section. A (LINEAR) *multiple regression formula* shall be determined *through stepwise multiple regression analysis* for each (PLANNING) region by the department of education, using the terms specified in subdivision (4) *4a*, to maximize the amount of variance accounted for between the total actual authorized cost per *weighted FTE* for the (1977-1978) *1979-1980* school year and the total authorized predicted cost per *weighted FTE* for the (1977-1978) *1979-1980* school year. The formula determined for each region shall be used to determine a total authorized predicted cost per FTE for the (1977-1978) *1979-1980* school year for each district in the region. The amount determined for each district shall be adjusted according to the provisions of subdivisions 5 and (7) *7a*.

Sec. 7. Minnesota Statutes 1980, Section 124.225, Subdivision 3, is amended to read:

Subd. 3. [1982-1983 FORMULA.] For the (1980-1981) *1982-1983* school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive state aid an amount determined according to this section. A multiple regression formula shall be determined through stepwise multiple regression analysis for each region by the department of education, using the terms specified in subdivision *4a*, to maximize the amount of variance accounted for between the total actual authorized cost per weighted FTE for the (1978-1979) *1980-1981* school year and the total authorized predicted cost per weighted FTE for the (1978-1979) *1980-1981* school year. The formula determined

for each region shall be used to determine a total authorized predicted cost per weighted FTE for the (1978-1979) 1980-1981 school year for each district in the region. The amount determined for each district shall be adjusted according to the provisions of subdivisions 6 and 7a.

Sec. 8. Minnesota Statutes 1980, Section 124.225, Subdivision 4a, is amended to read:

Subd. 4a. [FORMULA TERMS.] To predict the total authorized cost per weighted FTE for each district (BEGINNING IN THE 1980-1981 SCHOOL YEAR) pursuant to subdivisions 2 and 3, each regional multiple regression formula shall use the following terms and their squares for each district in the region:

- (1) The area of the district measured in square miles;
- (2) The district's average daily membership;
- (3) The total number of authorized FTE's transported by the district;
- (4) The total number of authorized FTE's transported by the district in the handicapped, shared time special education, and to and from board and lodging facility transportation categories as a percentage of the total number of authorized FTE's transported by the district;

(2) If the adjusted total authorized predicted cost per weighted FTE is greater than the district's actual authorized expenditure per weighted FTE, its aid entitlement per weighted FTE shall equal the adjusted predicted cost per weighted FTE minus 20 percent of the first \$10 of difference between the adjusted total authorized predicted cost per weighted FTE and the actual expenditure per weighted FTE; minus 40 percent of the next \$10; 60 percent of the next \$10; minus 75 percent of the difference which exceeds \$30.

Before August 15 (, 1981, AND) each (AUGUST 15 THEREAFTER) *year*, each district shall provide the department with the information for the preceding school year which the department determines is necessary to compute the district's actual authorized expenditure per weighted FTE for purposes of the computation in subdivision 7a and the district's actual total number of weighted FTE's transported for purposes of the aid computation in sub-

### ARTICLE III

#### SPECIAL AND COMPENSATORY EDUCATION AID

Section 1. Minnesota Statutes 1980, Section 120.17, Subdivision 3, is amended to read:

Subd. 3. [RULES OF THE STATE BOARD.] The state board shall promulgate rules relative to qualifications of essential personnel, courses of study or training, methods of instruction and training, pupil eligibility, size of classes, rooms, equipment, supervision, parent consultation and any other rules and standards it deems necessary, for instruction of handicapped children. These rules shall provide standards and procedures appropriate for the implementation of and within the limitations of subdivisions 3a and 3b. (THESE RULES SHALL ALSO PROVIDE STANDARDS FOR THE DISCIPLINE, CONTROL, MANAGEMENT AND PROTECTION OF HANDICAPPED CHILDREN.)

Sec. 2. Minnesota Statutes 1980, Section 120.17, Subdivision 3b, is amended to read:

Subd. 3b. [PROCEDURES FOR DECISIONS.] Every district shall utilize at least the following procedures for decisions involving identification, assessment and educational placement of handicapped children:

(a) Parents and guardians shall receive prior written notice of: (1) any proposed formal educational assessment or proposed denial of a formal educational assessment of their child; (2) a proposed placement of their child in, transfer from or to or denial of placement in a special education program; or (3) the

proposed provision, addition, denial or removal of special education services for their child;

(b) The district shall not proceed with the initial formal assessment of a child, the initial placement of a child in a special education program or the initial provision of special education services for a child without the prior written consent of the child's parent or guardian; provided the refusal of a parent or guardian to provide this consent may be overridden by the decision in a hearing held pursuant to clause (d) at the district's initiative after at least one attempt to obtain this consent through a conciliation conference held pursuant to clause (c);

(c) Parents and guardians shall have an opportunity to meet with appropriate district staff in at least one conciliation conference if they object to any proposal of which they are notified pursuant to clause (a);

(d) Parents, guardians and the district shall have an opportunity to obtain an impartial due process hearing initiated and conducted in the school district where the child resides, if after at least one conciliation conference the parent or guardian continues to object to: (1) a proposed formal educational assessment or proposed denial of a formal educational assessment of their child; (2) the proposed placement of their child in, or transfer of their child to a special education program; (3) the proposed denial of placement of their child in a special education program or the transfer of their child from a special education program; (4) the proposed provision or addition of special education services for their child; or (5) the proposed denial or removal of special education services for their child. *At least five calendar days before the hearing, the objecting party shall provide the other party with a brief written statement of the objection and the reasons for the objection.*

The hearing shall take place before an impartial hearing officer mutually agreed to by the school board and the parent or guardian. If the school board and the parent or guardian are unable to agree on a hearing officer, the school board shall request the commissioner to appoint a hearing officer. The hearing officer shall not be a school board member or employee of the school district where the child resides or of the child's school district of residence, an employee of any other public agency involved in the education or care of the child, or any person with a personal or professional interest which would conflict with his objectivity at the hearing. A person who otherwise qualifies as a hearing officer is not an employee of the district solely because the person is paid by the district to serve as a hearing officer. If the hearing officer requests an independent educational assessment of a child, the cost of the assessment shall be at district expense. The proceedings shall be recorded and preserved, at the expense of the school district, pending ultimate disposition of the action.

(e) The decision of the hearing officer pursuant to clause (d) shall be rendered not more than 45 calendar days from the date of the receipt of the request for the hearing. A hearing officer may grant specific extensions of time beyond the 45 day period at the request of either party. The decision of the hearing officer shall be binding on all parties unless appealed to the commissioner by the parent, guardian, or the school board of the district where the child resides pursuant to clause (f).

The local decision shall:

- (1) be in writing;
  - (2) state the controlling facts upon which the decision is made in sufficient detail to apprise the parties and the commissioner of the basis and reason for the decision;
  - (3) state whether the special education program or special education services appropriate to the child's needs can be reasonably provided within the resources available to the responsible district or districts;
  - (4) state the amount and source of any additional district expenditure necessary to implement the decision; and
  - (5) be based on the standards set forth in subdivision 3a and the rules of the state board.
- (f) Any local decision issued pursuant to clauses (d) and (e) may be appealed to the commissioner within 15 calendar days of receipt of that written decision, by the parent, guardian, or the school board of the district where the child resides.

If the decision is appealed, a written transcript of the hearing shall be made by the school district and shall be accessible to the parties involved within five calendar days of the filing of the appeal. The commissioner shall issue a final decision based on an impartial review of the local decision and the entire record within 30 calendar days after the filing of the appeal. The commissioner shall seek additional evidence if necessary and may afford the parties an opportunity for written or oral argument; provided any hearing held to seek additional evidence shall be an impartial due process hearing but shall be deemed not to be a contested case hearing for purposes of chapter 15. The commissioner may grant specific extensions of time beyond the 30 day period at the request of any party.

The final decision shall:

- (1) be in writing;
- (2) include findings and conclusions; and

(3) be based upon the standards set forth in subdivision 3a and in the rules of the state board.

(g) The decision of the commissioner shall be final unless appealed by the parent or guardian or school board to the district court of the county in which the school district in whole or in part is located. The scope of judicial review shall be as provided in chapter 15.

(h) Pending the completion of proceedings pursuant to this subdivision, unless the district and the parent or guardian of the child agree otherwise, the child shall remain in his current educational placement and shall not be denied initial admission to school.

(i) The child's school district of residence, if different from the district where the child actually resides, shall receive notice of and may be a party to any hearings or appeals pursuant to this subdivision.

**((J) THIS SUBDIVISION SHALL EXPIRE ON JUNE 30, 1981. THE DEPARTMENT OF EDUCATION SHALL REPORT TO THE EDUCATION COMMITTEES OF THE LEGISLATURE ON OR BEFORE JANUARY 1, 1981, ON THE IMPACT OF THE AMENDMENTS MADE IN THIS SUBDIVISION BY LAWS 1979, CHAPTER 334 AND ON THE ADVISABILITY OF AMENDING THIS SUBDIVISION TO READ AS IT READS IN MINNESOTA STATUTES 1978.)**

Sec. 3 Minnesota Statutes 1980, Section 120.17, Subdivision 4, is amended to read:

Subd. 4. [SPECIAL (INSTRUCTIONS) *INSTRUCTION* FOR NON-RESIDENT CHILDREN.]

(a) When (A SCHOOL) *the district of residence* provides *special instruction and services outside the district (OF RESIDENCE, BOARD AND LODGING, AND ANY TUITION TO BE PAID, SHALL BE PAID BY THE DISTRICT OF RESIDENCE. TRANSPORTATION COSTS SHALL BE PAID BY THE DISTRICT PROVIDING THE TRANSPORTATION, AND THE STATE SHALL REIMBURSE THE DISTRICT WITHIN THE LIMITS PROVIDED BY LAW), it shall pay tuition to the district providing the instruction and services.* The tuition (RATE TO BE) charged (FOR ANY HANDICAPPED CHILD) shall be the actual cost of providing special instruction and services to the child including a proportionate amount for capital outlay and debt service (BUT NOT INCLUDING ANY AMOUNT FOR TRANSPORTATION), minus the amount of special aid for handicapped children received on behalf of that child. If the boards involved do not agree upon the tuition rate, either board may apply to the commissioner to fix the rate. The

commissioner shall then set a date for a hearing, giving each board at least ten days' notice (, AND). After the hearing the commissioner shall make his order fixing the tuition rate, which shall be binding on both school districts.

(b) *Transportation or board and lodging costs shall be paid by the child's district of residence. Foundation and transportation aid shall be paid to the district of residence.*

(c) For the purposes (HEREIN) of this section, any school district may enter into an agreement, upon (SUCH) terms and conditions (AS MAY BE) which are mutually agreed upon, to provide special instruction and services for handicapped children. In that event, one of the participating units may employ and contract with necessary qualified personnel to offer services in the several districts (, AND). Each participating unit shall reimburse the employing unit a proportionate amount of the actual cost of providing the special instruction and services, less the amount of state special education aid, which shall be claimed in full by the employing district.

Sec. 4. Minnesota Statutes 1980, Section 120.17, Subdivision 5a, is amended to read:

Subd. 5a. [SUMMER PROGRAMS.] (EVERY) A district may provide summer programs for handicapped children living within the district (, INCLUDING) and nonresident children temporarily placed in the district pursuant to subdivisions 6 or 7. Prior to March 31 or 30 days after the handicapped child is placed in the district, whichever is later, the providing district shall give notice to the district of residence of any nonresident children temporarily placed in the district pursuant to subdivisions 6 or 7, of its intention to provide these programs. Notwithstanding any contrary provisions in subdivisions 6 and 7, the school district providing the special instruction and services shall apply for (ALL STATE AID FOR THE SUMMER PROGRAM, INCLUDING) special (STATE) education aid (PURSUANT TO SECTION 124.32,) and foundation aid (AND TRANSPORTATION AID) for the summer program. For the purposes of computing foundation aid for these programs, all pupils enrolled in these programs shall be construed to be residents of the district providing the programs. The unreimbursed actual cost of providing the program for nonresident handicapped children may be billed to the district of the child's residence and shall be paid by the resident district. *Transportation or board and lodging costs shall be paid by the resident district and transportation aid shall be paid to the resident district.*

Sec. 5. Minnesota Statutes 1980, Section 120.17, Subdivision 6, is amended to read:

Subd. 6. [PLACEMENT IN ANOTHER DISTRICT; RESPONSIBILITY.] The responsibility for special instruction and services for a handicapped child temporarily placed in another district for care and treatment shall be determined in the following manner:

(a) The school district of residence of (SUCH A) *the* child shall be the district in which his parent resides, if living, or his guardian, or the district designated by the commissioner of education if neither parent nor guardian is living within the state.

(b) *If the child is temporarily placed for care and treatment in a day program located in another district and the child continues to live within the district of residence during the care and treatment, the district of residence is responsible for providing an appropriate educational program for the child. The district may provide the educational program at a school within the district of residence, at the child's residence, or in the district in which the day treatment center is located by paying tuition to that district.*

((B)) (c) *If the child is temporarily placed in a residential program for care and treatment, the district in which the child is placed is responsible for providing (THE INSTRUCTION SHALL MAINTAIN) an appropriate educational program for (SUCH A) the child and shall bill the district of the child's residence for the actual costs of providing the program, as outlined in subdivision 4, except that the board, lodging, and treatment costs incurred in behalf of a handicapped child placed outside of the school district of his residence by the commissioner of public welfare or the commissioner of corrections or their agents, for reasons other than for making provision for his special educational needs shall not become the responsibility of either the district providing the instruction or the district of the child's residence.*

((C)) (d) The district of residence shall pay tuition and other program costs, (NOT INCLUDING) *and* transportation costs (,) to the district providing the instruction and services. The district of residence may claim foundation *and* transportation aid (FOR THE CHILD) as provided by law. (SPECIAL TRANSPORTATION COSTS SHALL BE PAID BY THE DISTRICT PROVIDING THE TRANSPORTATION AND THE STATE SHALL REIMBURSE THE DISTRICT FOR SUCH COSTS WITHIN THE LIMITS PROVIDED BY LAW.)

Sec. 6. Minnesota Statutes 1980, Section 120.17, Subdivision 7, is amended to read:

Subd. 7. [PLACEMENT IN STATE INSTITUTION; RESPONSIBILITY.] Responsibility for special instruction and services for a handicapped child placed in a state institution

on a temporary basis shall be determined in the following manner:

(a) The legal residence of (SUCH) *the* child shall be the school district in which his parent resides, if living, or his guardian;

(b) When the educational needs of (SUCH) *the* child can be met through the institutional program, the costs for (SUCH) *this* instruction shall be paid by the department to which the institution is assigned;

(c) When it is determined that (SUCH) *the* child can benefit from public school enrollment, provision for (SUCH) *this* instruction shall be made in the following manner:

(1) Determination of eligibility for special instruction and services shall be made by the commissioner of education and the commissioner of the department responsible for the institution;

(2) The school district where the institution is located shall provide an appropriate educational program *and transportation services* for the child and shall make a tuition charge to the child's district of residence for the (ACTUAL COST OF PROVIDING THE PROGRAM) *unreimbursed costs of the educational program and for transportation costs. The district providing the educational program shall claim special education aid.*

(3) The district of (THE CHILD'S) residence shall pay (THE) tuition and other program costs including the (UNREIMBURSED) transportation costs and may claim foundation *and transportation aid (FOR THE CHILD. SPECIAL TRANSPORTATION SHALL BE PROVIDED BY THE DISTRICT PROVIDING THE EDUCATION PROGRAM AND THE STATE SHALL REIMBURSE SUCH DISTRICT WITHIN THE LIMITS PROVIDED BY LAW.)*

Sec. 7. Minnesota Statutes 1980, Section 120.17, is amended by adding a subdivision to read:

*Subd. 11. [TRANSPORTATION AID AGREEMENTS.] Notwithstanding the provisions of subdivisions 4, 5a, 6 and 7, when a district provides special instruction and services to a nonresident child, the district of residence and the providing district may enter into an agreement under which the providing district pays the cost of providing the child transportation in any of the particular transportation categories specified in section 124.225, subdivision 1, and claims transportation aid for those categories. In this case, the providing district may not obtain any payment from the district of residence for the categories covered by the agreement.*

Sec. 8. [120.172] [LEGISLATIVE COMMITMENT TO CONCILIATION.]

*Subdivision 1. [POLICY STATEMENT.] The legislature finds that conciliation conferences pursuant to section 120.17 serve better than formal hearings to promote communications between parents and school staff and to reach prompt, shared decisions about educational programs for handicapped children. Further, the legislature urges the U.S. department of education and the U.S. office of civil rights to acknowledge that the conciliation conference process violates no federal statute or regulation.*

*Subd. 2. [STATE PLAN.] The state board of education shall not adopt any provision in the state plan for special education which reduces the opportunities for parents and school districts to resolve their differences through conciliation.*

*Subd. 3. [REPORT.] The Minnesota commissioner of education shall report to the education committees of the legislature before January 1, 1983, on the effect of the procedures required in section 120.17, Subdivision 3a, and on any changes in federal statutes or regulations which would contribute to greater flexibility in the procedures for decisions about educational programs for handicapped children.*

Sec. 9. Minnesota Statutes 1980, Section 124.212, Subdivision 9a, is amended to read:

Subd. 9a. Shared time pupils are defined as those pupils who attend public school programs for part of the regular school day and who otherwise fulfill the requirements of section 120.10 by attendance at a (PRIVATE) *nonpublic* school.

(a) The average daily membership of a pupil enrolled on a shared time basis shall equal the ratio of the total minutes for which the pupil is enrolled and the minimum minutes required during the year for a regularly enrolled public school pupil.

(b) Foundation aid for shared time pupils shall equal the amount which would accrue if shared time pupil units, counted pursuant to section 124.17, subdivision 1, clauses (1) and (2), were added to the district's total pupil units used in determining its foundation aid. Foundation aid for shared time pupils shall be in addition to any other aid to which the district is otherwise entitled and shared time average daily membership shall not be used in the computation of pupil units under section 124.17, subdivision 1, for any purpose other than the computation of shared time foundation aid pursuant to this subdivision.

(c) Foundation aid for shared time pupils shall be paid to the district of the pupil's residence. If a pupil attends shared time classes in another district, the resident district shall pay to the district of attendance an amount of tuition equal to the ratio in clause (a) times the amount of tuition which would be charged and paid for a nonresident public school pupil in a similar circumstance. The district of residence shall not be obligated for tuition except by previous agreement.

(d) Notwithstanding the provisions of clause (c), the resident district of a shared time pupil attending shared time classes in another district may grant the district of attendance, upon its request, permission to claim the pupil as a resident for state aid purposes. In this case, state aid shall be paid to the district of attendance and, upon agreement, the district of attendance may bill the resident district for (ANY) unreimbursed education costs (, INCLUDING) *but not for unreimbursed transportation costs. The agreement may, however, provide for the resident district to pay the cost of providing the child transportation in any of the particular transportation categories specified in section 124.225, subdivision 1, and in this case, aid for those categories shall be paid to the district of residence rather than to the district of attendance.*

(e) Minutes of enrollment in a public school during which a nonpublic school pupil receives services pursuant to section 123.935 shall not be used in the computation of shared time foundation aid pursuant to this subdivision.

Sec. 10. Minnesota Statutes 1980, Section 124.32, Subdivision 1a is amended to read:

Subd. 1a. [FOUNDATION AID FORMULA ALLOWANCE.] For purposes of this section, (THE) "foundation aid formula allowance" (PER PUPIL UNIT) shall (BE \$1,182 FOR THE 1979-1980 SCHOOL YEAR, AND \$1,265 FOR THE 1980-1981 SCHOOL YEAR) *have the meaning attributed to it in section 124.01, subdivision 2.* For the purposes of computing foundation aid formula allowances pursuant to this section, each handicapped child shall be counted as prescribed in section 124.17, subdivision 1, clause (1) or (2).

Sec. 11. Minnesota Statutes 1980, Section 124.32, Subdivision 1b, is amended to read:

Subd. 1b. [CONTRACT SERVICES.] (1) For special instruction or training and services provided for any pupil pursuant to section 120.17, subdivision 2, clause (h), by contract with public, private or voluntary agencies other than Minnesota school districts, the state shall pay each district 60 percent of the difference between the amount of the contract and the foundation aid formula allowance of the district for that pupil or a pro rata portion of the foundation aid formula allowance

for pupils who receive services by contract on less than a full time basis.

(2) For special instruction or training and services provided for a pupil by such a contract as part of a summer school program, the state shall pay each district 60 percent of the difference between the amount of the contract and the foundation aid received by the district for that pupil pursuant to section 124.20, or a pro rata portion of that foundation aid for a pupil who receives services by such a contract on less than a full time summer school basis. (THIS CLAUSE SHALL BE EFFECTIVE FOR THE 1977 SUMMER SCHOOL AND THEREAFTER.)

Sec. 12. Minnesota Statutes 1980, Section 124.32, Subdivision 6, is amended to read:

Subd. 6. [FULL STATE PAYMENT.] The state shall pay each district the actual cost incurred in providing instruction and services for a handicapped child whose district of residence has been determined by section 120.17, subdivision 8a, and who is temporarily placed in a state institution or a licensed residential facility for care and treatment. This section does not apply for a child placed in a foster home or a foster group home.

Upon following (SUCH) *the* procedure (AS REQUESTED) *specified* by the commissioner of education, (A) *the* district (PROVIDING INSTRUCTION AND SERVICES FOR SUCH HANDICAPPED CHILD) may bill the state the actual cost incurred in providing (SAID) *the* services including transportation costs and a proportionate amount of capital outlay and debt service, minus the amount of the foundation aid formula allowance for the child and the special education aid, transportation aid, and any other aid earned in behalf of (SUCH) *the* child (, SUCH ACTION PURSUANT TO LIMITS). *The limit set forth in subdivision 4 shall apply to aid paid pursuant to this subdivision.*

*To the extent possible, the commissioner shall obtain reimbursement from another state for the cost of serving any child whose parent or guardian resides in that state. The commissioner may contract with the appropriate authorities of other states to effect reimbursement. All money received from other states shall be paid to the state treasury and placed in the general fund.*

Sec. 13. Minnesota Statutes 1980, Section 124.32, Subdivision 9, is amended to read:

Subd. 9. Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program, *for school years through 1981-1982*, the state shall pay to each school district 30 percent of its estimated special education aid for the school year on or before each of the following dates: September

30, December 31 and March 31. The final aid distribution to the district shall be made on or before October 31 of the following year.

Sec. 14. Minnesota Statutes 1980, Section 124.32 is amended by adding a subdivision to read:

Sec. 9. Minnesota Statutes 1980, Section 124.43, Subdivision 3, is amended to read:

Subd. 3. [AWARD OF LOANS.] The (COMMITTEE) *commissioner* shall examine and consider all applications for capital loans which have been recommended by the state board of education, and if any applicant district is found not qualified it shall be promptly notified thereof. On January 1 and July 1 of each year, the (COMMITTEE) *commissioner* shall make (ITS) a determination on all pending applications which have been on file with (IT) *the commissioner* more than one month. If an applicant is qualified in the opinion of the (COMMITTEE) *commissioner* and the aggregate of the amounts applied for does not exceed the amount available or which can be made available in the capital loan account, all loans so applied for shall be granted, subject to acceptance by the respective districts as specified below. If the aggregate exceeds the amount which is or can be made available, the (COMMITTEE) *commissioner* shall allot the available amount among the qualified applicant districts, or any of them, according to the (COMMITTEE'S) *commissioner's* judgment and discretion based upon their respective needs. The (COMMITTEE) *commissioner* shall promptly certify

to each qualified applicant district the amount, if any, of the capital loan granted to it, subject to adjustment under subdivision 1, clause (4).

Sec. 10. Minnesota Statutes 1980, Section 124.43, Subdivision 4, is amended to read:

Subd. 4. Each capital loan shall be evidenced by a contract between the school district and the state acting through the (COMMITTEE) *commissioner*. It shall obligate the state to pay to the district, out of the maximum effort school loan fund, an amount computed as provided in subdivision 1, upon receipt by the (COMMITTEE) *commissioner* of a certified resolution of the school board reciting that contracts for construction of the facilities for which the loan is granted have been awarded and that bonds of the district have been issued and sold in the amount necessary to pay all costs thereof in excess of the amount of the loan, and estimating (SUCH) *the* costs. It shall obligate the district to repay the loan out of the excesses of its maximum effort debt service levy over its required debt service levy, including interest at a rate (DETERMINED ANNUALLY BY THE COMMISSIONER OF FINANCE, AT THE MULTIPLE OF ONE-TENTH OF ONE PERCENT PER ANNUM NEXT HIGHER THAN) *equal to the average annual rate payable on Minnesota state school loan bonds most recently issued prior to the disbursement of the loan to the district*, but in no event less than 3 1/2 percent per annum on the principal amount from time to time unpaid. The district shall each year, as long as it is indebted to the state, levy for debt service (a) the amount of its maximum effort debt service levy or (b) the amount of its required debt service levy, whichever is greater, except as (SUCH) *the* required debt service levy may be reduced by a loan under section 124.42. Whenever the maximum effort debt service levy is greater, the district shall remit to the commissioner within ten days after its receipt of the last regular tax distribution in each year, that portion of the debt service tax collections, including penalties and interest, which exceeded the required debt service levy. The commissioner shall supervise the collection of outstanding accounts due the fund and may, by notice to the proper county auditor require the maximum levy to be made as required hereunder. Interest on capital loans shall be paid on December 15 of the year next following that in which the loan is granted and annually thereafter. On or before November 1 in each year the commissioner shall notify the county auditor of each county containing taxable property situated within the school district of the amount of the maximum effort debt service levy of the district for that year, and (SAID) *the* county auditor or auditors shall extend upon the tax rolls an ad valorem tax upon all taxable property within the district in the aggregate amount so certified. (IN THE EVENT THAT) *If any capital loan granted before the effective date of this section of this article is not paid within 30 years after it is granted from maximum effort debt service levies in excess of required debt*

service levies, the liability of the school district thereon shall be satisfied and discharged and interest thereon shall cease. After a district's capital loan has been outstanding for 20 years, the district shall not issue bonds on the public market except for the purpose of refunding (SUCH A) *the* loan.

Sec. 11. Minnesota Statutes 1980, Section 124.43, Subdivision 5, is amended to read:

Subd. 5. [PARTICIPATION BY COUNTY AUDITOR; RECORD OF CONTRACT; PAYMENT OF LOAN.] Before delivery of any capital loan contract, the school district shall file a copy thereof with the county auditor of each county in which any portion of the district is situated, and shall obtain from each (SUCH) county auditor and furnish to the (COMMITTEE) *commissioner* a certificate stating that (SUCH) *the* county auditor has entered the capital loan evidenced thereby in his bond register. As each executed contract is delivered to the (COMMITTEE) *commissioner*, (ITS SECRETARY) *the commissioner* shall cause a record thereof to be made and preserved showing the name and address of the district, the date of the contract, and the amount of the loan initially approved in accordance with subdivision 1. Upon receipt of the resolution required in subdivision 4, the commissioner shall issue a warrant on the capital loan account for the amount which may be disbursed in accordance with subdivision 1, payable on presentation to the state treasurer. On presentation the treasurer shall remit the amount to the district and enter the date and amount in his account with the district. Interest thereon shall accrue from (SUCH) *that* date.

Any expenses incidental to the sale, printing, execution, and delivery of the bonds, including, but without limitation, actual and necessary travel and subsistence expenses of state officers and employees for (SUCH) *those* purposes, shall be paid from the maximum effort school loan fund, and the amounts necessary therefor are appropriated from (SUCH FUND) *it*.

The members of the county boards of commissioners and the school boards may present their comments at the public hearing on the tax increment financing plan required by subdivision 3. *An authority shall not request certification of a tax increment financing district pursuant to section 273.76, subdivision 1, until the county board of commissioners has presented to the authority its written comments on the plan or until 30 days have passed from the date of the initial transmittal to the county of the authority's estimate regarding the fiscal and economic implication of the district, whichever happens first.* Upon adoption of the tax increment financing plan, the authority shall file the same with the state planning agency.

Subd. 3. [MUNICIPALITY APPROVAL.] No county auditor shall certify the original assessed value of a tax increment financing district until the tax increment financing plan proposed for that district has been approved by the municipality in which the district is located. If an authority which proposes to establish a tax increment financing district and the municipality are not the same, the authority shall apply to the municipality in which the district is proposed to be located and shall

obtain the approval of its tax increment financing plan by the municipality before the authority may use tax increment financing. The municipality shall approve the tax increment financing plan only after a public hearing thereon after published notice in a newspaper of general circulation in the municipality at least once not less than ten days nor more than 30 days prior to the date of the hearing. This hearing may be held before or after the approval or creation of the project or it may be held in conjunction with a hearing to approve the project. Before or at the time of approval of the tax increment financing plan, the municipality shall make the following findings, *and shall set forth in writing the bases or reasons for each determination*:

(a) That the proposed tax increment financing district is a redevelopment district, a housing district or an economic development district (AND THE SPECIFIC BASES FOR SUCH DETERMINATION).

(b) That the proposed development or redevelopment, in the opinion of the municipality, would not occur solely through private investment within the reasonably foreseeable future and therefore the use of tax increment financing is deemed necessary.

(c) That the tax increment financing plan conforms to the general plan for the development or redevelopment of the municipality as a whole.

(d) That the tax increment financing plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the development or redevelopment of the district by private enterprise.

(e) That the municipality elects the method of tax increment computation set forth in section 273.76, subdivision 3, clause (b), if applicable.

When the municipality and the authority are not the same, the municipality shall approve or disapprove the tax increment financing plan within 60 days of submission by the authority, or the plan shall be deemed approved. When the municipality and the authority are not the same, the municipality may not amend or modify a tax increment financing plan except as proposed by the authority pursuant to subdivision 4. Once approved, the determination of the authority to undertake the project through the use of tax increment financing and the resolution of the governing body shall be conclusive of the findings therein and of the public need for such financing.

Sec. 5. Minnesota Statutes 1980, Section 273.74, Subdivision 4, is amended to read:

Subd. 4. [MODIFICATION OF PLAN.] A tax increment financing plan may be modified by an authority, provided that any reduction or enlargement of geographic area (,); increase in amount of bonded indebtedness to be incurred, *including a deter-*

mination to capitalize interest on the debt; increase in the portion of the captured assessed value to be retained by the authority (,); increase in total estimated tax increment expenditures or designation of additional property to be acquired by the authority shall be approved upon the notice and after the discussion, public hearing, and findings required for approval of the original plan.

The geographic area of a tax increment financing district may be reduced, but shall not be enlarged after five years following the date of certification of the original assessed value by the county auditor or five years from August 1, 1979, for tax increment financing districts authorized prior to August 1, 1979, except that development districts created pursuant to chapter 472A prior to August 1, 1979, may be reduced but shall not be enlarged after five years following the date of designation of such district.

Sec. 6. Minnesota Statutes 1980, Section 273.77, is amended to read:

**273.77 [TAX INCREMENT BONDING.]**

Any other law, general or special, notwithstanding, after August 1, 1979 no bonds, payment for which tax increment is pledged, shall be issued in connection with any project for which tax increment financing has been undertaken other than as is authorized hereby and the proceeds therefrom shall be used only in accordance with section 273.75, subdivision 4 as if said proceeds were tax increment, except that a tax increment financing plan need not be adopted for any project for which tax increment financing has been undertaken prior to August 1, 1979, pursuant to statutes not requiring a tax increment financing plan. Such bonds shall not be included for purposes of computing the net debt of any municipality.

(a) A municipality may issue general obligation bonds to finance any expenditure by the municipality or an authority the jurisdiction of which is wholly or partially within that municipality, pursuant to section 273.75, subdivision 4 in the same manner and subject only to the same conditions as those provided in chapter 475 for bonds financing improvement costs reimbursable from special assessments. *A municipality may also issue general obligation temporary bonds in the same manner and subject only to the same conditions as those provided for temporary improvement bonds in section 429.091, subdivision 3, except that the general obligation temporary bonds may be payable from the proceeds of definitive bonds issued pursuant to clauses (b) and (c) of this section, as well as definitive general obligation bonds pursuant to this clause thereby required to be issued to the extent that the general obligation temporary bonds cannot be paid as otherwise provided in section 429.091, subdivision 3.* Any pledge of tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision, except when the authority

and the municipality are the same, shall be made by written agreement by and between the authority and the municipality and filed with the county auditor. When the authority and the municipality are the same, the municipality may by covenant pledge tax increment, assessments or other revenues for the payment of the principal of and interest on general obligation bonds issued under this subdivision and thereupon shall file the resolution containing such covenant with the county auditor. When tax increment, assessments and other revenues are pledged, the estimated collections of said tax increment, assessments and any other revenues so pledged may be deducted from the taxes otherwise required to be levied before the issuance of the bonds under section 475.61, subdivision 1, or the collections thereof may be certified annually to reduce or cancel the initial tax levies in accordance with section 475.61, subdivision 1 or 3.

(b) When the authority and the municipality are not the same, an authority may, by resolution, authorize, issue and sell its general obligation bonds to finance any expenditure which that authority is authorized to make by section 273.75, subdivision 4. Said bonds of the authority shall be authorized by its resolution, shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322, and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, the bonds shall be fully negotiable. In any suit, actions, or proceedings involving the validity of enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a district shall be conclusively deemed to have been issued for such purpose, and the district shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds of the authority, and such bonds shall so state on their face, shall not be a debt of any municipality, the state or any political subdivision thereof, and neither the municipality nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds be payable out of any funds or properties other than those of the authority and any tax increment and revenues of a tax increment financing district pledged therefor.

(c) Notwithstanding any other law general or special, an authority may, by resolution, authorize, issue and sell revenue bonds payable solely from all or a portion of revenues, including but not limited to tax increment revenues and assessments, derived from a tax increment financing district located wholly or partially within the municipality to finance any expenditure which the authority is authorized to make by section 273.75, subdivision 4. The bonds shall mature as determined by resolution of the authority in accordance with Laws 1979, Chapter 322 and may be issued in one or more series and shall bear such date or dates, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in medium of payment at such place or places, and be subject to such terms of redemption, with or without premium, as such resolution, its trust indenture or mortgage may provide. The bonds may be sold at public or private sale at the price or prices as the authority by resolution shall determine, and any provision of any law to the contrary notwithstanding, shall be fully negotiable. In any suit, action, or proceedings involving the validity or enforceability of any bonds of the authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a district shall be conclusively deemed to have been issued for such purpose, and the district shall be conclusively deemed to have been planned, located, and carried out in accordance with the purposes and provisions of Laws 1979, Chapter 322. Neither the authority, nor any director, commissioner, council member, board member, officer, employee or agent of the authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds may be further secured by a pledge and mortgage of all or any portion of the district in aid of which the bonds are issued and such covenants as the authority shall deem by such resolution to be necessary and proper to secure payment of the bonds. The bonds, and the bonds shall so state on their face, shall not be payable from nor charged upon any funds other than the revenues and property pledged or mortgaged to the payment thereof, nor shall the issuing authority be subject to any liability thereon or have the powers to obligate itself to pay or pay the bonds from funds other than the revenues and properties pledged and mortgaged and no holder or holders of the bonds shall ever have the right to compel any exercise of any taxing power of the issuing authority or any other public body, other than as is permitted or required under Laws 1979, Chapter 322 and pledged therefor hereunder, to pay the principal of or interest on any such bonds, nor to enforce payment thereof against any property of the authority or other public body other than that expressly pledged or mortgaged for the payment thereof.

"Section 1. Minnesota Statutes 1980, Section 174.24, Subdivision 3, is amended to read:

Subd. 3. [FINANCIAL ASSISTANCE.] Payment of financial assistance shall be by contract between the commissioner and an eligible recipient. The commissioner shall determine the operating deficit of any public transit system receiving or applying for assistance in accordance with generally accepted accounting principles, provided that any financial assistance received from any agency of the federal government for the operation of a public transit system shall be treated as revenue for the purposes of determining the operating deficit. To be eligible for financial assistance an applicant or recipient shall provide

to the commissioner all financial records and other information and shall permit any inspection reasonably necessary to determine the amount of assistance which may be paid to the applicant or recipient. Where more than one county or municipality contributes assistance to the operation of a public transit system the commissioner shall identify one as lead agency for the purpose of receiving moneys under this section. The commissioner may adopt rules establishing performance standards for public transit systems for use in determining the amount of assistance which may be paid to an eligible recipient. Except as otherwise provided in this subdivision, payments shall not exceed two-thirds of the operating deficit of a public transit system. The commissioner shall adopt rules establishing uniform performance standards for private operators of regular route transit systems in the transit taxing district as defined in section 473.446, subdivision 2. Payments to those private operators shall be based on the uniform performance standards and shall not exceed 100 percent of the operating deficit. (PAYMENTS TO THE METROPOLITAN TRANSIT COMMISSION SHALL BE BASED UPON A PERFORMANCE FUNDING SYSTEM AS PROVIDED IN SECTION 174.28.)

Sec. 2. Minnesota Statutes 1980, Section 174.24, is amended by adding a subdivision to read:

*Subd. 3a. [TRANSIT COMMISSION.] The commissioner shall provide financial assistance by contract to the metropolitan transit commission from appropriations provided for that purpose.*

Sec. 3. [174.265] [METROPOLITAN TRANSIT SERVICE DEMONSTRATION PROGRAM.]

*Subdivision 1. [DEFINITIONS.] For the purposes of this section, the terms defined in this subdivision have the meanings given them, unless the context requires otherwise.*

(a) "Available local transit funds" means an amount equal to 90 percent of the tax proceeds which would accrue to the metropolitan transit commission from a tax levied in the applicant community or communities in accordance with section 473.446, subdivision 1, clauses (a) to (c).

(b) "Off-peak hours" has the meaning given it in section 473.408, subdivision 1.

*Subd. 2. [ESTABLISHMENT OF PROGRAM.] A metropolitan transit service demonstration program is established to provide financial assistance for projects designed to test the efficiency and effectiveness of alternative methods of providing public transit service for communities that are within the metropolitan transit taxing district but are not adequately served by existing regular route transit.*

*Subd. 3. [ELIGIBILITY.] The commissioner may provide assistance under the program to any statutory or home rule charter city or town, or group of such cities or towns, which: (a) is located within the metropolitan transit taxing district, as defined in section 473.446, subdivision 2; (b) is not served by the metropolitan transit commission or is served only with bus routes which end or begin within the city or town, or group of cities or towns; and (c) has fewer than four scheduled runs of bus service provided by the commission during off-peak hours. Eligible cities or towns may apply on behalf of any operator of public transit with whom they propose to contract for service.*

*Subd. 4. [ASSISTANCE FOR REPLACEMENT SERVICE.] An application for financial assistance for replacement services shall: describe the existing service provided to the applicant by the metropolitan transit commission, including the estimated number of passengers carried and the routes, schedules, and fares; describe the transit service proposed for funding under the demonstration program, including the anticipated number of passengers and the routes, schedules, and fares; and indicate the total amount of available local transit funds, the portion of the available local transit funds proposed to be used to subsidize replacement services, and the amount of state assistance requested for the replacement services. Financial assistance shall not be granted under this subdivision unless the commissioner determines that the service proposed for funding is intended and designed to replace and substitute for that provided by the metropolitan transit commission at the time of application and that the average subsidy per passenger for the replacement service will not exceed the average subsidy per passenger during the six months preceding the application on the commission's routes which serve the applicant communities. If the applicant communities are not served by the commission at the time of the application, the average subsidy per passenger for the replacement service shall not exceed the average subsidy per passenger during the six months preceding the application on all routes of the commission extending into zone four. After the first year of replacement service, the maximum subsidy shall be escalated at a rate equal to the rate of inflation in the revised consumer price index for all urban consumers in the Minneapolis-St. Paul metropolitan area. The amount of financial assistance provided for replacement service under this subdivision shall not exceed the sum of: (a) the portion of the available local transit funds which the applicant proposes to use to subsidize the service, and (b) an amount of state assistance bearing an identical proportional relationship to the amount under (a) as the total amount of state assistance available to the metropolitan transit commission under section 2 bears to the total amount of taxes collected by the commission under section 473.446, subdivision 1, clauses (a) to (c). The commissioner shall transfer the amounts provided to the recipient from the assistance available to the metropolitan transit commission pursuant to section 174.24, subdivision 3.*

*Subd. 5. [ASSISTANCE FOR ADDITIONAL SERVICE.] Any city or town or group of cities or towns receiving financial assistance under subdivision 4 may also receive assistance pursuant to section 174.24, subdivision 3, or section 174.25. In addition to the information required of applicants for assistance under those sections, an application shall describe the portion of the available local transit funds which are not obligated to subsidize replacement service, under the assistance contract entered into pursuant to subdivision 4, and which the applicant proposes to use to subsidize additional services. An applicant which has exhausted its available local transit funds may use any other local subsidy funds to complete the required local share. If the commissioner grants financial assistance pursuant to this subdivision, the commissioner shall transfer the portion of the available local transit funds which the applicant proposes to use to subsidize the additional service from the assistance available to the metropolitan transit commission pursuant to section 174.24, subdivision 3.*

For the purpose of this section "project" means the (DEMONSTRATION) project established under this subdivision.

Subd. 2. [FINANCING; IMPLEMENTATION; MANAGEMENT AND ADVISORY GROUPS.] The project shall be operated pursuant to the rules governing and funded with money available under the paratransit grant program. (f) Insure that a full range of service is made available through the project to all parts of the metropolitan transit taxing district;

(g) Encourage public agencies that provide transportation to eligible individuals as a component of human services and educational programs to coordinate with the project and to allow

reimbursement for services provided through the project at rates that reflect the public cost of providing those services.

Subd. 4. [COORDINATION REQUIRED.] The commissioner shall not grant any financial assistance under section 174.24 or 174.25 to any recipient that proposes to use any part of the grant to provide special transportation service in the metropolitan area unless the program is coordinated with the project in the manner determined by the commissioner. (A RECIPIENT OF A GRANT MADE BEFORE JUNE 8, 1979 SHALL COORDINATE ITS PROGRAM WITH THE PROJECT AS FAR AS PRACTICABLE BUT SHALL NOT BE DENIED ANY ADDITIONAL GRANT FOR WHICH IT IS OTHERWISE QUALIFIED SOLELY BECAUSE IT IS NOT COORDINATED WITH THE PROJECT.)

Subd. 5. [(COMPLIANCE WITH) OPERATING AND SERVICE STANDARDS.] A vehicle providing special transportation service which is subject to the operating standards adopted pursuant to section 174.30 shall not be allowed to provide service through the project after January 1, 1981, unless a current certificate of compliance has been issued to the vehicle. *A person operating or assisting the operation of a vehicle may leave the vehicle to enter premises in order to help a passenger who does not require emergency ambulance service. Operators and assistants shall provide the help necessary for door-through-door service, including help in entering and leaving the vehicle and help through the exterior entrance and over any exterior steps at either departure or destination buildings, provided that both the steps and the wheelchair are in good repair. If an operator or assistant refuses help because of the condition of the steps or the wheelchair, the operator of the service shall send letters to the commissioner of transportation and the person denied service describing the corrective measures necessary to qualify for service.*

Subd. 6. [EVALUATION AND REPORTS.] The commissioner shall evaluate the project and submit a report to the legislature in January, 1981, including the following information:

(a) All amounts of money spent or obligated for the project by the commissioner and the persons receiving those amounts;

(b) The types of service provided, number of individuals served and areas covered;

(c) A comparison of the cost of providing different types of service;

(d) A review of the achievements or failures of the project, problems encountered in implementation and conclusions and recommendations concerning future action.

The commissioner shall submit a preliminary report to the legislature in January, 1980, covering the above information to the extent it is available at that time.

Subd. 7. [EXPIRATION OF PROJECT.] The project shall expire June 30, 1981, and the commissioner shall not enter a contract or make any grant the proceeds of which may be expended for the purpose of implementing or continuing the project beyond June 30, 1981.

The special discount on passes sold pursuant to this subdivision shall be (TWO DOLLARS ON A SINGLE ZONE PASS AND A PROPORTIONATE AMOUNT ON OTHER PASSES. (a) An amount equal to 1.72 mills times the assessed value of all such property, the proceeds of which shall be used for payment of the expenses of operating (REGULAR ROUTE BUS) *transit and paratransit* service;

Sec. 8. Minnesota Statutes 1980, Section 256B.03, is amended to read:

#### 256B.03 [PAYMENTS TO VENDORS.]

*Subdivision 1. [GENERAL LIMIT.] All payments for medical assistance hereunder must be made to the vendor. The amount of \$\_\_\_\_\_ is appropriated to the department of public welfare for the biennium ending June 30, 1983, for medical assistance and general assistance medical care. All payments*

*for vendors of medical care shall be limited to the 60th percentile of usual and customary fees based upon billings during calendar year 1978 for physician services, dental care, vision care, podiatric services, chiropractic care, mental health centers, psychologists, public health clinics, and independent laboratory and x-ray services. If the appropriation is inadequate to meet all billings, the commissioner shall prorate the payments among all eligible vendors in proportion to their share of the total available appropriation. Limits established pursuant to this section shall not be subject to the provisions of section 15.0412.*

*If the commissioner refuses to pay all or a part of the charge for a health service, the unpaid portion of the charge shall be deemed to be an unconscionable fee, against the public policy of this state, and unenforceable in any action brought for the recovery of moneys owed.*

*Subd. 2. [LIMIT ON ANNUAL INCREASES.] For the biennium ending June 30, 1983, annual growth of payment rates for any provider of health care services shall not exceed ten percent. The period for measuring growth shall be the state fiscal year.*

**Sec. 9. [256B.031] [LIMIT ON ANNUAL INCREASE TO LONG-TERM CARE PROVIDERS.]**

*The commissioner shall establish the rates of reimbursement for nursing homes and intermediate care facilities based upon the state fiscal year and may modify reporting requirements as necessary.*

*The commissioner shall have the authority to review and adjust the rates of all nursing homes and intermediate care facilities which were in operation under the same owner during the fiscal year ending June 30, 1981 so that the rate of reimbursement to a nursing home or intermediate care facility for care of medical assistance recipients during the state fiscal year 1982 shall not be more than ten percent greater than the average rate established for the facility for the same level of care to medical assistance recipients during the state fiscal year 1981. The rate of reimbursement in the state fiscal year 1983 shall not be more than ten percent greater than the average rate established for the facility during the state fiscal year 1982. The average rate for each facility shall be the sum of the rates established for the facility each month of the state fiscal year divided by 12.*

*A facility operating less than a year prior to June 30, 1981 or a facility which changed owners during the state fiscal year 1981 shall remain at the June 30, 1981 rate for care of medical assistance recipients until a cost report is submitted and actual costs are audited by the department during the state fiscal year 1982. The rate of reimbursement for the months remaining in the*

*state fiscal year 1982 shall not be more than ten percent greater than the audited historic cost per diem for the first year of operation.*

*The interim rate for the care of medical assistance recipients established for a facility starting operation or changing owners during the state fiscal year 1982 shall not be more than ten percent greater than the average rate established for similar facilities which started operation or were sold during the state fiscal year 1981. Similar facilities are facilities of comparable size, level of care and geographic location.*

Sec. 10. Minnesota Statutes 1980, Section 256B.06, Subdivision 1, is amended to read:

Subdivision 1. Medical assistance may be paid for any person:

(1) Who is eligible for or receiving public assistance under the aid to families with dependent children program; or

(2) Who is eligible for or receiving supplemental security income for the aged, blind and disabled; or

(3) Who except for the amount of income or resources would qualify for supplemental security income for the aged, blind and disabled, or aid to families with dependent children and is in need of medical assistance; or

(4) Who is under 21 years of age and in need of medical care that neither he nor his relatives responsible under sections 256B.-01 to 256B.26 are financially able to provide; or

(5) Who is residing in a hospital for treatment of mental disease or tuberculosis and is 65 years of age or older and without means sufficient to pay the per capita hospital charge; and

(6) Who resides in Minnesota, or, if absent from the state, is deemed to be a resident of Minnesota in accordance with the regulations of the state agency; and

(7) Who alone, or together with his spouse, does not own real property other than the homestead. Real estate not used as a home may not be retained unless it produces net income applicable to the family's needs or the family is making a continuing effort to sell it at a fair and reasonable price; and

(8) Who (, IF SINGLE,) *individually* does not (HAVE) *own* more than \$2,000 in cash or liquid assets, (PLUS \$150 FOR EACH ADDITIONAL LEGAL DEPENDENT OR, IF MARRIED, WHOSE CASH OR LIQUID ASSETS DO NOT EXCEED \$10,000,) or \$5,000 for two family members (husband and wife, parent and child, or two siblings), plus \$200 for each additional legal dependent, except that the value of the homestead, defined as one house and the adjoining land upon which it is situated, limited to one lot in a platted or laid out city or town or the smallest practicable parcel allowed under applicable zoning regulations in unplatted land, and one (AUTOMOBILE) motor vehicle shall be disregarded; and

(9) Who has or anticipates receiving an annual income not in excess of \$2,600 for a single person, or \$3,250 for two family members ((MAN) husband and wife, parent and child, or two siblings), plus \$625 for each additional legal dependent, or who has income in excess of these maxima and in the month of application, or during the three months prior to the month of application, incurs expenses for medical care that total more than one-half of the annual excess income in accordance with the regulations of the state agency. In computing income to determine eligibility of persons who are not residents of long term care facilities, the commissioner shall disregard increases in income of social security or supplementary security income recipients due solely to increases required by sections 215(i) and 1617 of the social security act, and shall disregard income of disabled persons that is also disregarded in determining eligibility for supplemental aid under section 256D.37, subdivision 1. In excess income cases, eligibility shall be limited to a period of six months beginning with the first of the month in which these medical obligations are first incurred; and

(10) Who has continuing monthly expenses for medical care that are more than the amount of his excess income, computed on a monthly basis, in which case eligibility may be established before the total income obligation referred to in the preceding paragraph is incurred, and medical assistance payments may be made to cover the monthly unmet medical need. In licensed nursing home and state hospital cases, income over and above that required for justified needs, determined pursuant to a schedule of contributions established by the commissioner of public welfare, is to be applied to the cost of institutional care. The commissioner of public welfare may establish a schedule of contributions to be made by the spouse of a nursing home resident to the cost of care and shall seek a waiver from federal regulations which establish the amount required to be contributed by either spouse when one spouse is a nursing home resident; and

(11) Who has applied or agrees to apply all proceeds received or receivable by him or his spouse from automobile accident coverage and private health care coverage to the costs of medical care for himself, his spouse, and children. The state

agency may require from any applicant or recipient of medical assistance the assignment of any rights accruing under private health care coverage. Any rights or amounts so assigned shall be applied against the cost of medical care paid for under this chapter. Any assignment shall not be effective as to benefits paid or provided under automobile accident coverage and private health care coverage prior to receipt of the assignment by the person or organization providing the benefits.

*Subd. 2. [PRESUMPTION OF PURPOSE.] Any transaction described in subdivision 1 shall be presumed to have been for the purpose of establishing eligibility for benefits or assistance under this chapter unless the individual or eligible spouse furnishes convincing evidence to establish that the transaction was exclusively for another purpose.*

*Subd. 3. [RESOURCE VALUE.] For purposes of subdivision 1, the value of the resource or interest shall be the fair market value at the time it was sold or given away, less the amount of compensation received.*

*Subd. 4. [PERIOD OF INELIGIBILITY.] In any case where the uncompensated value of transferred resources exceeds \$12,000, the commissioner shall require a period of ineligibility*

*which exceeds 24 months, provided that the period of ineligibility bears a reasonable relationship to the excess uncompensated value of the transferred asset.*

*Subdivision 1. [REQUIRED PROVISIONS.] No motor fuel franchisor shall initially execute or renew a franchise agreement in the state after July 1, 1981 unless it contains the provisions of subdivisions 3 to 9.*

*Subd. 2. [DEFINITION; DESIGNATED FAMILY MEMBER.] For purposes of this section, “designated family member” means the spouse, child, grandchild, parent, brother, or sister of the motor fuel franchisee who, in the case of the motor fuel franchisee’s death, is entitled to inherit the franchisee’s interest in the motor fuel franchise under the terms of the franchisee’s will or under the law of intestate succession of this state or who, in the case of an incapacitated franchisee, has been appointed by a court as the legal representative of the franchisee’s property.*

*Subd. 3. [AUTHORIZATION.] Any designated family member of a deceased or incapacitated owner of a motor fuel franchise may succeed to the ownership of the existing franchise: (a) if the designated family member gives the motor fuel franchisor written notice of the intention to succeed to the motor fuel franchise within 60 days of the motor fuel franchisee's death or incapacity; (b) if the designated family member agrees to be bound by all terms and conditions of the existing franchise; and (c) unless there exists good cause for the refusal to honor the succession on the part of the motor fuel franchisor.*

*Subd. 8. [BURDEN OF PROOF.] In determining whether good cause for the refusal to honor the succession exists, the motor fuel franchisor has the burden of proving that the successor is a person who is not of good moral character or does not meet the franchisor's existing, reasonable standards.*

*Subd. 9. [SUCCESSION AGREEMENTS.] Notwithstanding the foregoing, in the event the motor fuel franchisee and the motor fuel franchisor have duly executed an agreement concerning the succession rights prior to the franchisee's death or incapacitation, the agreement shall be observed, even if the agreement designates an individual other than the surviving spouse or heirs of the franchisee.*

#### HOUSE RESOLUTION NO. 10

A house resolution expressing the anguish of the people of Minnesota at the continuing news of the disappearance and murder of more than twenty-two children in Atlanta, Georgia, and extending condolences to the citizens of Atlanta and to the parents, relatives and friends of the children.

*Whereas*, the news for the past months has continued to carry stories of the continuing disappearance and then murder of more than twenty-two Atlanta children; and,

*Whereas*, despite long and diligent work by the Atlanta police, state law enforcement agencies, and Atlanta citizens, solving the crimes has proved frustratingly elusive; and,

*Whereas*, the anguish of Atlanta children with the continued threat of personal harm seemingly without hope of resolution can be easily understood; and,

*Whereas*, the outrage of successive murders should not have to be endured by any group of citizens but particularly not by the people of one of Americas's great cities; and

*Whereas*, it is important that the citizens of Atlanta should know that they are not bearing the burden alone; and,

*Whereas*, it is especially necessary to extend to the families and friends of the deceased children the condolences of the people of the State of Minnesota at their terrible loss; *Now, Therefore*,

*Be It Resolved* by the House of Representatives of the State of Minnesota that, on behalf of all people of the State of Minnesota, that its sympathy and condolences are given to all Atlanta citizens, but especially to the families and friends of the deceased children. We join with them in the earnest hope that a resolution of this terrible series of acts will soon be found.

*Be It Further Resolved* that the Chief Clerk of the House of Representatives is directed to enroll a copy of this resolution, to be authenticated by his signature and that of the Speaker, and present it to the Mayor of Atlanta.

Staten moved to amend House Resolution No. 10, as amended by the Committee on Rules and Legislative Administration, as follows:

(2) Vacation and sick leave accrual at the rate of the appropriate shared-time percent of the entitlement of comparable full-time employees;

(3) Employee dental, medical and hospital benefits coverage shall be available of the same type and coverage afforded to comparable full-time employees. (THE COUNTY AUDITOR SHALL APPORTION THE AMOUNT OF AID TO EACH MUNICIPALITY AND/OR FIREFIGHTER'S RELIEF ASSOCIATION IN AN AMOUNT NOT LESS THAN 100 PERCENT NOR MORE THAN 150 PERCENT OF THE AVERAGE STATE AID CALCULATED FOR APPORTIONMENT TO THE MUNICIPALITY AND/OR FIREFIGHTER'S RELIEF ASSOCIATION. NO MUNICIPALITY OR FIREFIGHTER'S RELIEF ASSOCIATION SHALL RECEIVE LESS THAN PROVIDED FOR UNDER THIS SUBDIVISION.) *Necessary adjustments shall be made to subsequent apportionments.*

In the case of municipalities or independent fire departments qualifying for the aid the county auditor shall calculate the state aid for the municipality or relief association on the basis of the population and the property valuation of the area furnished fire protection service by the fire department as evidenced by duly executed and valid fire service agreements filed with him. If one or more fire departments are furnishing contracted fire service to a city, town or township only the population and valuation of the area served by each fire department shall be considered in calculating the state aid and the fire departments furnishing service shall enter into an agreement apportioning among themselves the percent of the population and the assessed property valuation of each service area. Agreement shall be in writing and filed with the commissioner in duplicate. The commissioner shall forward one copy of the agreement to the county auditor of the county wherein the fire department is located and retain one copy.

In the case of cities of the first and second class the state aid calculated shall be paid directly to the treasurer of the relief association. In the case of all other municipalities and independent fire department relief associations or retirement plans

the aid shall be paid to the treasurer of the municipality where the fire department is located and the treasurer of the municipality shall within 30 days transmit the aid to the relief association if the relief association has filed a financial report with the treasurer of the municipality and has met all other statutory provisions pertaining to the aid apportionment.

The county auditor and commissioner are hereby empowered to make rules and regulations to permit the administration of the provisions of this section.

(2) The county auditor shall apportion the state police aid received by him to each municipality and to the county in the following manner:

(a) For all municipalities maintaining police departments and the county, the state aid shall be distributed by the county auditor in proportion to the total number of police officers, as (DEFINED IN) *determined pursuant to section 69.011, subdivision 1, clause ((H)) (g), and subdivision 2, clause (b), employed by each municipality and by the county for 12 calendar months and the proportional or fractional number who were employed less than 12 months;*

(b) For each municipality which contracts with the county for police service, a proportionate amount of the state aid distributed to the county based on the full time equivalent number of police officers providing contract service shall be credited against the municipality's contract obligation;

(c) For each municipality which contracts with another municipality for police service, a proportionate amount of the state aid distributed to the municipality providing contract service based on the full time equivalent number of police officers providing contract service on a full time equivalent basis shall be credited against the contract obligation of the municipality receiving contract service;

(d) No municipality entitled to receive police state aid shall be apportioned less police state aid for any year under Laws 1976, Chapter 315, than the amount which was apportioned to it for calendar year 1975 based on premiums reported to the commissioner for calendar year 1974; provided, the amount of police state aid to other municipalities within the county and to the county shall be adjusted in proportion to the total number of police officers in the municipalities and the county, so that the amount of police state aid apportioned shall not exceed the amount of police state aid available for apportionment.

The county auditor and commissioner are hereby empowered to make rules and regulations to permit the administration of the provisions of this section.

Sec. 9. Minnesota Statutes 1980, Section 69.031, Subdivision 5, is amended to read:

Subd. 5. [DEPOSIT OF STATE AID.] (1) The municipal treasurer, when the state aid and tax is received by him, shall within 30 days after receipt pay over the portion of it attributed to premiums reported on the Minnesota Firetown Premium Report to the treasurer of the duly incorporated firefighter's relief association if there is one organized and the association has filed a financial report with the municipality; but if there is no relief association organized, or if any association dissolve, be removed, or has heretofore dissolved, or has been removed as trustees of state aid, then the treasurer of the municipality shall keep the money in the municipal treasury as provided for in (SECTIONS 424.30 AND 424.31) *section 424A.08* and shall be disbursed only for the purposes and in the manner set forth in those sections.

(2) The municipal treasurer, upon receipt of the state aid and tax attributed to insurance premiums reported on the Minnesota Aid to Police Premium Report, shall disburse the state aid in the following manner.

(THE JUDGE BY AN ORDER FILED WITH THE COUNTY AUDITORS ON OR BEFORE THE SECOND MONDAY IN JUNE SHALL ANNUALLY FIX AND ESTABLISH THE SALARY OF THE COURT REPORTER AT AN AMOUNT NOT EXCEEDING \$22,500 PER YEAR, AND, IN SUCH ORDER, EACH JUDGE, EXCEPT THOSE JUDGES IN THE SECOND AND FOURTH JUDICIAL DISTRICTS, SHALL APPORTION THE SALARIES OF THE REPORTERS IN THEIR RESPECTIVE DISTRICTS AMONG THE SEVERAL COUNTIES, AND) *In all judicial districts a salary range for court reporters shall be established annually by the judicial district administrator with the approval of a majority of judges of the district. The salary for each court reporter shall be set within that range annually by the district administrator after consultation with the chief judge. Nothing herein shall change the manner by which court reporters are paid, the proportions among the various counties of a judicial district by which the funds are allocated or any statutory provisions related to court reporter compensation other than the manner of setting salary.* Each county shall be required by (SUCH) order to pay a specified amount thereof in monthly installments, which shall be such proportion of the whole salary as the population in each county bears to the total population in the district as set forth in the most recent federal census. Each reporter shall have and maintain his residence in the district in which he is appointed. The reporter, in addition to his salary, shall be paid such sums as he shall accrue as necessary mileage, traveling, and hotel expenses while absent from the city in which he resides in the discharge of his official duties, such expenses to be paid by the county for which the same were incurred upon presentation of a verified itemized statement thereof approved by the judge; and the auditor of such county, upon presentation of such approved statement, shall issue his warrant in payment thereof.

All laws now in force relating to the salary of district court reporters inconsistent herewith relating to any and all counties are hereby repealed and superseded, except the manner of setting salary as hereinbefore set forth shall not apply to the second and fourth judicial districts.

Sec. 2. Minnesota Statutes 1980, Section 487.11, Subdivision 2, is amended to read:

Subd. 2. [TRANSCRIPTION OF COURT PROCEEDINGS.] Electronic recording equipment may be used for the purposes of Laws 1971, Chapter 951 to record court proceedings in lieu of a court reporter. However, at the request of any

party to any proceedings the court may in its discretion require the proceedings to be recorded by a competent court reporter who shall perform such additional duties as the court directs. (THE CHIEF JUDGE OF THE COUNTY COURT, BY ORDER FILED WITH THE COUNTY BOARD OR BOARDS SHALL FIX THE SALARY OF A REPORTER APPOINTED IN AN AMOUNT NOT TO EXCEED THE SALARY OF DISTRICT COURT REPORTERS AS PROVIDED BY SECTIONS 486.05 AND 486.06) *The salary of a reporter shall be set in accordance with the procedure provided by sections 486.05 and 486.06.*"

Subdivision 1. (THE JUDGE BY AN ORDER FILED WITH THE COUNTY AUDITORS ON OR BEFORE THE SECOND MONDAY IN JUNE SHALL ANNUALLY FIX AND ESTABLISH THE SALARY OF THE COURT REPORTER AT AN AMOUNT NOT EXCEEDING \$22,500 PER YEAR, AND, IN SUCH ORDER, EACH JUDGE, EXCEPT THOSE JUDGES IN THE SECOND AND FOURTH JUDICIAL DISTRICTS, SHALL APPORTION THE SALARIES OF THE REPORTERS IN THEIR RESPECTIVE DISTRICTS AMONG THE SEVERAL COUNTIES, AND) *In all judicial districts a salary range for court reporters shall be established annually by the judicial district administrator with the approval of a majority of judges of the district. The salary for each court reporter shall be set within that range annually by the district administrator after consultation with the chief judge. Nothing herein shall change the manner by which court reporters are paid, the proportions among the various counties of a judicial district by which the funds are allocated or any statutory provisions related to court reporter compensation other than the manner of setting salary.* Each county shall be required by (SUCH) order to pay a specified amount thereof in monthly installments, which shall be such proportion of the whole salary as the population in each county bears to the total population in the district as set forth in the most recent federal census. It is provided, however, that in the event a judge is temporarily transferred to hold court in some county other than in his judicial district then, and in that event, the said county shall pay that part of the monthly salary of the judge's reporter as that part of the month worked by said reporter in said county. Each reporter shall have and maintain his residence in the district in which he is appointed. The reporter, in addition to his salary, shall be paid such sums as he shall accrue as necessary mileage, traveling, and hotel expenses while absent from the city in which he resides in the discharge of his official duties, such expenses to be paid by the county for which the same were incurred upon presentation of a verified itemized statement thereof approved by the judge; and the auditor of such county, upon presentation

of such approved statement, shall issue his warrant in payment thereof.

All laws now in force relating to the salary of district court reporters inconsistent herewith relating to any and all counties are hereby repealed and superseded, except the manner of setting salary as hereinbefore set forth shall not apply to the second and fourth judicial districts.

Sec. 2. Minnesota Statutes 1980, Section 487.11, Subdivision 2, is amended to read:

Subd. 2. [TRANSCRIPTION OF COURT PROCEEDINGS.] Electronic recording equipment may be used for the purposes of Laws 1971, Chapter 951 to record court proceedings in lieu of a court reporter. However, at the request of any party to any proceedings the court may in its discretion require the proceedings to be recorded by a competent court reporter who shall perform such additional duties as the court directs. (THE CHIEF JUDGE OF THE COUNTY COURT, BY ORDER FILED WITH THE COUNTY BOARD OR BOARDS SHALL FIX THE SALARY OF A REPORTER APPOINTED IN AN AMOUNT NOT TO EXCEED THE SALARY OF DISTRICT COURT REPORTERS AS PROVIDED BY SECTIONS 486.05 AND 486.06) *The salary of a reporter shall be set in accordance with the procedure provided by sections 486.05 and 486.06.*"

The state employer contributions shall be remitted directly to each teachers retirement fund association each month in accordance with the procedures described in section 354.43, subdivisions 1 and 5.

Once each month the executive secretary of each teachers retirement fund association shall determine the amount of money necessary and presently needed to meet the state obligation as provided in this subdivision by applying the percentage of payroll figure to the estimated payroll amounts for the current month and shall certify the amount to the commissioner of finance. The moneys required to meet the amounts certified by each executive secretary of a teachers retirement fund association shall be remitted directly to the applicable teachers retirement fund association from the general fund each month. If subsequent actual experience deviates from the anticipated experience upon which the amount certified was determined, the allocation to the first class city teachers retirement fund association involved next following the discovery of the deviation shall be adjusted. If the state makes an excess employer contribution to a teachers retirement fund association as the result of a false or wrongful certification, the state shall be entitled to recover the excess employer contribution by any appropriate means, including recovery from future state allocations, state aid or other funds payable to the school district in which the association is located. If an employee of that school district is responsible for the false or wrongful certification, any excess employer contribution recovered by the state shall be the obligation of the school district.

*From the employer contribution received from the state, the teachers retirement fund association shall subtract and shall pay to the state teachers retirement association an amount equal to the applicable percentage of payroll employer contribution rate applied to that portion of estimated payroll amounts which are paid from sources other than normal school operating funds as certified to the commissioner of finance pursuant to subdivision 3.*

(a) *If the entrance fee applies to a living unit that has been previously occupied in the facility, the entrance fee shall be released to the provider at the time the living unit becomes available for occupancy by the new resident, or shall be returned to the resident or the resident's personal representative under the conditions described in section 80D.04, subdivision 3, if the escrow agent has received written demand for return of the entrance fee prior to the release thereof to the provider;*

(1) *The facility has 65 percent of its units reserved as determined by signed written agreements and minimum deposits received; or if the written agreement requires a minimum deposit of more than one-third of the entrance fee, then the facility may have 50 percent of the units reserved and 50 percent of the facility must be completely constructed; and*

(2) The sum of entrance fees received or receivable by the provider pursuant to binding contracts for continuing care, plus the anticipated proceeds of any first mortgage loan or other long-term financing commitment, plus funds from other sources in the actual possession of the provider, equals or exceeds the sum of 90 percent of the aggregate cost of constructing or purchasing, equipping and furnishing the facility plus 90 percent of the funds estimated in the statement of anticipated source and application of funds submitted by the provider as part of its permit application, to be necessary to fund start-up losses of the facility plus 90 percent of the amount of the reserve fund escrow, if any, required to be maintained by the provider pursuant to section 80D.06; and

If construction or purchase of the facility has been substantially completed, an occupancy permit covering the living unit has been issued by the local government having authority to issue these permits.

Subd. 2. [LIMITATION.] The aggregate amount of entrance fees which may be released to the provider pursuant to subdivision 1, clause (b) prior to the date on which any reserve fund escrow under section 80D.06 is established shall not exceed the aggregate amount of entrance fees then received or receivable by the provider pursuant to binding contracts for continuing care less the amount of the entrance fees received or receivable which will be required to be initially maintained in the reserve fund escrow;

The funds in the escrow account may be invested with the earnings thereon payable to the provider. If the provider requests and sets forth its reasons in writing, the escrow agent shall release up to 1/12 of the original principal balance of the escrow account. A release of funds shall not be made more than once during any calendar month, and then only after the escrow agent has given written notice of the release and the reasons therefor to the (COMMISSIONER) office of the attorney general and to any association of residents that has requested it at least ten days prior to the release.*

(THE PROVIDER SHALL NOTIFY THE COMMISSIONER TEN DAYS PRIOR TO ANY WITHDRAWAL FROM THE RESERVE FUND AND THE REASONS THEREFOR.) Any person or affiliate of any person that controls any reserve fund comprised in part or totally of funds removed from the provider's resources, is liable for the debts of the provider up to the amount of the provider's contribution to the fund plus any prorated interest the fund may earn.

Subd. 2. [FACILITIES ESTABLISHED PRIOR TO 1975.] In those instances where a provider has been offering continuing care in a facility since prior to January 1, 1975, the following shall apply. The provider shall establish a reserve escrow fund and shall contribute to it (A PORTION) *15 percent of each new entrance fee (IN A PERCENTAGE TO BE DETERMINED BY THE COMMISSIONER) received by the provider after December 31, 1981.* The funds thereby received shall be permitted to accumulate until there is in the reserve fund an amount equal to the total of all principal and interest payments due during the next 12 months on account of any first mortgage loan or other long term financing obligation of the facility. (THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE OF ANY FACILITY SUBJECT TO THE LOWER ESCROW REQUIREMENTS OF SUBDIVISION 2, THE POSTING OF A SURETY BOND IN AN AMOUNT SUFFI-

CIENT TO PROTECT THE TOTAL OF ALL PRINCIPAL AND INTEREST PAYMENTS DUE DURING THE NEXT 12 MONTHS ON ACCOUNT OF ANY FIRST MORTGAGE LOAN OR OTHER LONG TERM FINANCING OBLIGATION OF THE FACILITY. A COPY OF THE BOND IS TO BE FILED WITH THE COMMISSIONER.)

Sec. 8. Minnesota Statutes 1980, Section 80D.08, is amended to read:

80D.08 [LIEN ON BEHALF OF RESIDENTS.]

(THE PROVIDER SHALL NOTIFY THE COMMISSIONER AT THE TIME THE FACILITY IS READY FOR OCCUPANCY. UPON RECEIVING THIS NOTIFICATION THE COMMISSIONER SHALL FILE) *Effective at the time a facility is first occupied by any resident, there shall exist a lien on the real and personal property of the provider or facility to secure the obligations of the provider pursuant to existing and future contracts for continuing care. A lien (FILED) under this section is effective for a period of ten years (FOLLOWING THE FILING AND MAY BE EXTENDED BY THE COMMISSIONER UPON A FINDING THAT THE EXTENSION IS ADVISABLE FOR THE PROTECTION OF RESIDENTS OF THE FACILITY).* The lien may be foreclosed on *application of the attorney general* upon the liquidation of the facility or the insolvency or bankruptcy of the provider, and in that event the proceeds shall be used in full or partial satisfaction of obligations of the provider pursuant to contracts for continuing care then in effect. The lien provided for in this section is subordinate to the lien of any first mortgage on the real property of the facility and may be subordinated with the written consent of the (COMMISSIONER) *attorney general* to the claims of other persons if the (COMMISSIONER) *attorney general* determines the subordination to be advisable for the efficient operation of the facility.

Sec. 9. Minnesota Statutes 1980, Section 80D.09, is amended to read:

80D.09 [(ANNUAL REPORT) *REVISED DISCLOSURE.*]

(THE REGISTRATION OF A FACILITY UNDER SECTION 80D.03 REMAINS EFFECTIVE UNTIL WITHDRAWN BY THE PROVIDER OR REVOKED OR SUSPENDED BY THE COMMISSIONER UNDER SECTION 80D.12.) Annually within 120 days following the end of the provider's fiscal year, (UNLESS THE TIME IS EXTENDED WITH THE WRITTEN CONSENT OF THE COMMISSIONER,) the provider shall file with the (COMMISSIONER AN ANNUAL REPORT THAT INCLUDES) *county recorder of the county in which the facility is or will be located* a revised disclosure statement

setting forth, as of the end of the fiscal year, information meeting the requirements of section 80D.04, and pay a \$100 filing fee. The (ANNUAL REPORT) revised disclosure statement shall (BE ACCOMPANIED BY) include a narrative describing any material differences between (a) the pro forma income statements filed in response to section 80D.04, subdivision 1, clause (1) as a part of the disclosure statement filed most immediately (PRECEDING REGISTRATION APPLICATION OR ANNUAL REPORT) subsequent to the start of the provider's most recently completed fiscal year and (b) the actual results of operations during the fiscal year together with the revised pro forma income statements being filed as a part of the (CURRENT ANNUAL REPORT) revised disclosure statement. A provider may (AMEND), upon payment of a \$100 filing fee, revise its disclosure statement on file with the (COMMISSIONER) county recorder at any other time if, in the opinion of the provider, (AN AMENDMENT) revision is necessary to prevent the disclosure statement from containing a material misstatement of fact or omitting to state a material fact required to be stated therein. Only the most recently filed disclosure statement with respect to a facility, and in any event only a disclosure statement dated within 120 days prior to the date as of which the determination is made, shall be deemed current for purposes of sections 80D.01 to 80D.16 or be delivered pursuant to section 80D.04. In addition, the provider shall make the revised disclosure statement available for inspection by residents during regular business hours.

Sec. 10. Minnesota Statutes 1980, Section 80D.11, is amended to read:

#### 80D.11 [REHABILITATION OR LIQUIDATION.]

Subdivision 1. [APPOINTMENT OF TRUSTEES.] If (THE COMMISSIONER DETERMINES, AFTER NOTICE AND AN OPPORTUNITY FOR THE PROVIDER TO BE HEARD, THAT) (a) a portion of a reserve fund escrow required under section 80D.06 has been or is proposed to be released, or (b) the attorney general determines upon complaint and investigation that a provider has been or will be unable, in a manner as may endanger the ability of the provider to fully perform its obligations pursuant to contracts for continuing care or to meet the pro forma income or cash flow projections previously filed by the provider, or (c) a provider is bankrupt or insolvent or (IN IMMINENT DANGER OF BECOMING BANKRUPT OR INSOLVENT) has filed for protection from creditors under any federal or state bankruptcy or insolvency law, then the (COMMISSIONER MAY) attorney general may apply to a district court of this state, or to the federal bankruptcy court which may have previously taken jurisdiction over the provider or facility for an order directing the (COMMISSIONER, OR AUTHORIZING THE COMMISSIONER TO APPOINT) appointment of a trustee (,) to rehabilitate or liquidate a facility.

Subd. 2. [REHABILITATION.] An order to rehabilitate a facility shall direct the (COMMISSIONER OR) trustee to take possession of the property of the provider and to conduct the business thereof, including the employment of such managers or agents as the (COMMISSIONER OR) trustee may deem necessary, and to take steps as the court may direct toward removal of the causes and conditions which have made rehabilitation necessary.

Subd. 3. [TERMINATION OF REHABILITATION; RETURN OF FACILITY TO PROVIDER.] If the court finds, upon petition of the (COMMISSIONER,) trustee or the provider, or on its own motion, that the objectives of an order to rehabilitate a provider have been accomplished and that the facility can be returned to the provider's management without further jeopardy to the residents of the facility, creditors, owners of the facility, or to the public, the court may, upon a full report and accounting of the conduct of the facility's affairs during the rehabilitation and of the facility's current financial condition, terminate the rehabilitation and by order return the facility and its assets and affairs to the provider's management.

Subd. 4. [LIQUIDATION.] If, at any time, the (COMMISSIONER) *trustee or attorney general* determines that further efforts to rehabilitate the provider would be useless, it may apply to the court for an order of liquidation.

Subd. 5. [REHABILITATION ATTEMPT NOT NECESSARY PRIOR TO LIQUIDATION.] An order to liquidate a facility may be issued upon application of the (COMMISSIONER) *attorney general* whether or not there has been issued a prior order to rehabilitate the facility. The order shall (ACT AS A REVOCATION OF THE REGISTRATION OF THE FACILITY UNDER SECTION 80D.03, AND SHALL ORDER THE COMMISSIONER OR) *appoint* a trustee to marshal and liquidate all of the provider's assets located within this state. *Effective upon the entry of an order to liquidate a facility, no additional contracts for the provision of continuing care at that facility shall be made by any person.*

Subd. 6. [CONSIDERATION OF WELFARE OF RESIDENTS.] In (APPLYING) *connection with an application* for an order to rehabilitate or liquidate a facility, (THE COMMISSIONER) *a court* shall give due consideration to the manner in which the welfare of persons who have previously contracted with the provider for continuing care may be best served. In furtherance of this objective, the proceeds of any lien (OBTAINED BY THE COMMISSIONER) pursuant to section 80D.08 may be used in full or partial payment of entrance fees, on behalf of residents of a facility being liquidated, to other facilities (REGISTERED UNDER SECTION 80D.03) *then in compliance with the provisions of sections 80D.01 to 80D.16.*

Subd. 7. [POSTING OF BOND IN LIEU OF REHABILITATION.] An order for rehabilitation under this section shall be refused or vacated if the provider posts a *surety* bond issued by an insurer authorized to do business in this state. The *surety* bond shall be filed with the (COMMISSIONER) *attorney general*, with the state as obligee, conditioned for the prompt payment to persons who are entitled to a refund of entrance fees from the provider or for the prompt payment of other damages, in the event the provider is unable to fulfill its contracts to provide continuing care at the facility. The *surety* bond shall be in an amount determined by the court to be equal to the reserve funding which would otherwise be needed to fulfill the obligations.

Sec. 11. Minnesota Statutes 1980, Section 80D.13, Subdivision 1, is amended to read:

Subdivision 1. Any person who, as or on behalf of a provider, enters into a contract for continuing care at a facility (THAT IS NOT REGISTERED UNDER SECTION 80D.03, OR ENTERS INTO A CONTRACT FOR CONTINUING CARE AT A FACILITY) without having first delivered a disclosure statement meeting the requirements of section 80D.04 to the person contracting for the continuing care, or enters into a contract for continuing care at a facility with a person who has relied on a disclosure statement that omits to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading, is liable to the person contracting for the continuing care for damages and repayment of all fees paid to the provider, facility or person violating sections 80D.01 to 80D.12, less the reasonable value of care and lodging provided to the resident by or on whose behalf the contract for continuing care was entered into prior to discovery of the violation, misstatement or omission or the time the violation, misstatement or omission should reasonably have been discovered, together with interest thereon at the legal rate for judgments, and court costs and reasonable attorney fees.

Sec. 12. Minnesota Statutes 1980, Section 80D.14, Subdivision 1, is amended to read:

"Sec. 7. Minnesota Statutes 1980, Section 69.77, Subdivision 2, is amended to read:

Subd. 2. Subdivision 1 does not apply to an association enumerated in subdivision 1a under the following circumstances:

(1) Each member of the association pays into the retirement funds of the association during his term of covered employment from and after January 1, 1981, a contribution for retirement and survivorship benefits of not less than eight percent of the maximum rate of salary from which retirement and survivorship credits and amounts of benefits are determined, and that the contributions of a member are deducted from his salary by his governmental employer, transmitted to the association, and deposited to the credit of the proper fund thereof, provided that to avoid undue increase in the amount of employee contributions in any one year, any increase in the amount of contributions required by this section may be spread over several years, but the increase in rate of contribution in each year commencing in 1981 shall not be less than one percent until the appropriate levels of required employee contributions have been reached. This paragraph shall not apply to members who are volunteer firefighters, provided that the local governing body shall have given their approval to the exemption following consideration of the most recent actuarial survey.

(2) The officers of the association determine on or before the date established by the municipality, which shall not be later than September 1 and shall not be earlier than August 1, of each year the financial requirements and minimum obligation of the association for the following calendar year in accordance with the following requirements:

The financial requirements shall be based on the most recent actuarial survey prepared in accordance with sections 356.215, subdivision 4 and 356.216.

The total of the amounts calculated pursuant to clauses (a) and (b) shall constitute the financial requirements of the relief association for the following year.

(a) The normal level cost expressed as a percent of covered payroll determined from the actuarial survey shall be applied to the estimated covered payroll of the membership for the following year to determine the dollar amount of normal cost for said following year.

(b) To the dollar amount of normal cost thus determined shall be added an amount equal to the level annual dollar amount

sufficient to amortize the unfunded accrued liability by December 31, 2010, as determined from the actuarial survey of the fund.

Except as otherwise provided in this paragraph, the minimum obligation of the governmental subdivision shall be the financial requirements of the association less the estimated amount of member contributions herein provided from covered salary anticipated for the following calendar year and less one year's estimated receipts expected from the applicable state aid program established pursuant to sections 69.011 to 69.051, and from the local police and salaried firefighters' relief association amortization aid program established pursuant to section 423A.02. The minimum obligation may, by vote of the governing body of the governmental subdivision, be reduced to the amount levied in the preceding year for purposes of the association, plus the following percentage of the difference between that levy and the amount of the minimum obligation determined without benefit of this sentence: for the levy made in 1971, ten percent; in 1972, 20 percent; in 1973, 30 percent; in 1974, 40 percent; in 1975, 50 percent; in 1976, 60 percent; in 1977, 70 percent; in 1978, 80 percent; and in 1979, 90 percent. Commencing with the levy made in 1980, there shall be no reduction in the minimum obligation pursuant to this paragraph.

(3) The foregoing determination of the obligation of a governmental subdivision shall be submitted to its governing body on or before the date established by the municipality which shall not be earlier than August 1 and shall not be later than September 1 of each year so that it may ascertain if it has been prepared in accordance with law.

(4) The governmental subdivision shall provide and pay as promptly as funds are available to the association at least the amount of the minimum obligation each year. Any portion of this amount not paid to the association at the end of any calendar year shall be increased at the rate of six percent per annum until so paid. On September 1 of any year the unpaid amount subject to interest shall be added to the obligation of the governmental subdivision.

(5) The governmental subdivision shall provide in its annual budget at least its minimum obligation and may levy taxes for the payment thereof without limitation as to rate or amount and irrespective of limitations imposed by other provisions of law upon the rate or amount of taxation when the balance of any fund of the association has attained a specified level; the levy of such taxes shall not cause the amount of other taxes levied or to be levied by the governmental subdivision, which are subject to any such limitation, to be reduced in any amount whatsoever. If the governmental subdivision does not include the full amount of the minimum obligation in its levy for any year, the officers of the association shall certify that amount to the county auditor, who shall spread a levy in the amount of the obligation.

(6) Moneys paid by the governmental subdivision to the association in excess of the minimum amount so required shall be applied to the reduction in the unfunded liabilities of the association.

(7) The funds of the association shall be invested in securities which are proper investments pursuant to section 11A.24, except that up to \$10,000 may be invested in the stock of any one corporation in any account of such small size that the three percent stock limitation specified in section 11A.24, subdivision 5 would necessitate a lesser investment. Securities held by the association before July 1, 1971, which do not meet the requirements of this paragraph may be retained after that date if they were proper investments for the association on April 28, 1969. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board under the provisions of section 11A.17, provided that there be no limit to the amount which may be invested in the income share account, *in the bond account* or in the fixed-return account, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental (RETIREMENT) investment fund may be invested in the growth share account.

(8) The association shall procure an actuarial survey showing the condition of its fund pursuant to section 356.216 as of December 31, 1978, and shall procure an actuarial survey every two years thereafter. The association shall also procure a quadrennial experience study pursuant to section 356.216 as of December 31, 1978, and shall procure a quadrennial experience study every four years thereafter. A copy of the actuarial survey and the quadrennial experience study shall be filed with the director of the legislative reference library, the governing body of the municipality in which the association is organized, the executive secretary of the legislative commission on pensions and retirement, and the commissioner of insurance, not later than June 1 of the following year.

Sec. 8. Minnesota Statutes 1980, Section 69.775, is amended to read:

69.775 [INVESTMENTS.]

The special fund assets of the relief associations governed by sections 69.771 to 69.776 shall be invested in securities which are proper investments pursuant to section 11A.24, except that up to five percent of the special fund assets, or a minimum of \$10,000, may be invested in the stock of any one corporation. Securities held by the associations before January 1, 1972, which do not meet the requirements of this section may be retained after that date if they were proper investments for the association on May 14, 1971. The governing board of the association may select and appoint investment agencies to act for and in its behalf or may certify funds for investment by the state board under the provisions of section 11A.17, provided that there be

no limit to the amount which may be invested in the income share account, *in the bond account* or in the fixed-return account, and that up to 20 percent of that portion of the assets of the association invested in the Minnesota supplemental (RETIREMENT) investment fund may be invested in the growth share account.

H. F. No. 848, A bill for an act relating to the city of Duluth; authorizing the establishment of a home energy conservation program as part of its municipal utility system and the issuance of municipal revenue bonds or notes for that purpose.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [PROGRAM AND PURPOSE.]

*The city of Duluth may establish a home energy conservation program as part of the service furnished and made available by its municipal utility system. All provisions for the operation and financing of the program shall be made by and pursuant to resolutions adopted by the city council, subject to approval or veto by the mayor. The purpose of this authorization is to provide means for the city to aid all residents of the city, but particularly families of low and moderate income, to maintain their essential home energy requirements at affordable cost, and to reduce progressively, as fast as economically possible, the peak demands for energy needed to maintain the livability of all homes within the city, and thereby tend to assure the continuance of essential public, industrial, and commercial activities as well, under the severest conditions of weather, supply shortages, and transmission failures. The extension of utility services and expenditures of public funds authorized herein are determined to be necessary governmental functions, particularly under present conditions of uncertain and limited oil supplies, high cost of oil and gas, and difficulty and delay in the increase of energy supplies from all sources due to environmental problems. The powers granted herein are supplemental, and the procedures authorized for exercising them are alternative, to those provided in any other law or the city charter.*

Sec. 2. [SURVEY AND CONTRACTS WITH HOME-OWNERS.]

*The city may survey homes to identify those where significant energy waste exists and can be reduced by energy conservation projects including but not limited to insulation, weather-stripping, temperature controls, storm windows and doors, furnace modifications, or conversion to cheaper or more plentiful energy sources, at a capital cost recoverable within a ten year period from energy cost savings. It may contract with the owners of such homes to cause work and materials to be furnished for such projects by the means authorized in section 3 and subject to reimbursement in the ways contemplated in section 4. The program shall be limited to homes containing not more than four dwelling units, one occupied as a principal residence by an owner not engaged in the trade or business of rental*

*real estate. Nothing herein, however, shall preclude the city from constructing or financing similar improvements to other property, in any manner otherwise authorized by law or the city charter.*

### Sec. 3. [CONTRACTS FOR WORK AND MATERIALS.]

*Subdivision 1. The city may negotiate and contract with building trade unions, union members, or contractors, subject to the requirements of Minnesota Statutes, Section 471.345, to perform work or furnish materials or both, for one or more projects, in accordance with schedules coordinated and approved by the city, providing labor at union rates with optimum use of apprentices and trainees under supervision by union members, and with or without public advertisement for bids.*

*Subd. 2. A homeowner, subject to the approval of the city, may negotiate and contract with building trade unions, union members, or contractors to perform work or furnish materials or both, for one or more projects, in accordance with schedules coordinated and approved by the city.*

*Subd. 3. The city may contract with a homeowner for labor or materials, or both, provided that in such cases the city may inspect the work performed and shall not pay the homeowner for his labor.*

*Subd. 4. The city may provide all or part of the materials needed for the program during any period, by contracting with suppliers on a lump sum or unit price basis pursuant to the provisions of Minnesota Statutes, Section 471.345.*

### Sec. 4. [REIMBURSEMENT.]

*Subdivision 1. [CASH PAYMENTS.] The city may contract with each homeowner for payment of the cost in cash upon completion of the project, with payment secured by deposit in advance of an amount equal to at least 90 percent of the contract price, or by a written commitment by a bank or other approved financial institution to loan the full amount of the contract price to the homeowner.*

*Subd. 2. [INSTALLMENT PAYMENTS.] Alternatively, the city may accept payment by a promissory note in a principal amount equal to the contract price, repayable in equal periodic installments, including both principal and interest on the declining principal balance, payable on the due dates of bills for utility service furnished by the city and made available to the home from the completion date until the principal and interest are fully paid, and matching as closely as possible the estimated reduction in current home energy cost resulting from the project; with*

*such provisions as may be agreed, permitting or restricting prepayment. The installments shall be added to and deemed a part of the charges for municipal utility service to the premises, but shall be deposited when received in a special fund or funds separate from other utility or municipal funds and used only for the payment and security of revenue bonds or notes issued by the city to finance the cost of projects to be paid as provided in this subdivision.*

**Subd. 3. [LIEN FOR UNPAID INSTALLMENTS.]** *The payment of note installments may be enforced in the same manner as other utility charges. Subject to the provisions of applicable grants or bond instruments, it may combine these funds with the proceeds of revenue bonds or notes and may pledge and appropriate such funds and the income therefrom, and the repayments of promissory notes given for projects financed thereby, for the security of the revenue bonds or notes.*

They may be sold at public or private sale at the price and in the manner that the council shall determine, and shall not be restricted by the provisions of any other law limiting the amounts, price, maturities, interest rates, or other terms of city obligations, but no holder may enforce payment of the principal or interest from taxes, except as provided in section 4, subdivision 3, or from city funds other than utility revenues, and the revenue bonds or notes shall not be included in the net debt of the city as defined in Minnesota Statutes, Chapter 475. Temporary revenue bonds or notes may be issued pending preparation of and may be exchanged for definitive revenue bonds or notes. Any revenue bonds or notes may be issued and delivered notwithstanding that one or more of the officers executing them shall have ceased to hold office at the time of actual delivery.*

*(2) The creation, regulation, and disposition of reserves or sinking funds for the security of the revenue bonds or notes;*

*(3) The establishment and maintenance of and the use of revenues from charges for service furnished and made available by any or all of the municipal utilities, sufficient at all times to pay the current expenses of operation and maintenance thereof, to pay debt service for and perform covenants securing other obligations payable from municipal utility revenues, and also to restore any deficiency in any reserve established for the security of revenue bonds or notes issued hereunder;*

The proceeds are not to be used for owner-financing of home improvements generally, but for financing the city's undertaking of improvements which, though situated on private premises, are needed to protect all the citizens, in a manner which is intended to pay the cost without thereby raising materially the level of current home*

*energy costs of either the owners of the premises or other utility customers.*

*Subd. 3. Until and unless it is determined by a clarifying amendment of section 103A of the Internal Revenue Code of 1954, as amended, or by rulings or regulations of the internal revenue service or a decision of a court of competent jurisdiction, that such issues are not mortgage subsidy bonds, the applicable limit established pursuant to section 103A of the Internal Revenue Code of 1954, as amended, upon the amount of qualified mortgage bonds which the city may issue in any calendar year, shall be \$3,000,000.*

*The commissioner may independently conduct classification studies or, upon request of an appointing authority or a permanent employee, shall investigate the duties of a classified position. The commissioner may reclassify the position, change the title of the position or establish a new class. The commissioner shall assign an appropriate salary rate or range to the class. If the class is in a collective bargaining unit under the provisions of section 179.741, and there is an applicable provision in the collective bargaining agreement, the commissioner shall establish the salary rate or range pursuant to the agreement.*

**Subd. 3. [PROTESTED ALLOCATION OR RECLASSIFICATION.]** *An appointing authority who is affected by a position allocation or reclassification or an employee who is affected by a position reclassification may protest the allocation or reclassification in writing to the commissioner. The commissioner shall review the allocation or reclassification and may change the allocation or reclassification decision. This procedure shall not be subject to contested case provisions of the administrative procedure act.*

**Subd. 4. [EFFECT OF RECLASSIFICATION.]** *Except as provided in section 17, subdivision 5, the incumbent of a position which has been reclassified shall continue in the position only if the employee is eligible for and is appointed to the position of the new class in accordance with the provisions of this chapter and the rules, administrative procedures or a collective bargaining agreement entered into under sections 179.61 to 179.76 governing reallocation or change in allocation of positions, promotion, transfer, and demotion. If the incumbent is ineligible to continue in the position and is not transferred, promoted or demoted, the layoff provisions of this chapter and plans pursuant to section 18 or a collective bargaining agreement entered into under sections 179.61 to 179.76 shall apply. Personnel changes required by the reclassification of positions shall be completed within a reasonable period of time, as prescribed by the commissioner, following the reclassification notice to an appointing authority. Any employee with permanent or probationary status whose position is reallocated shall be considered eligible to compete in any examination held to fill the reallocation position, as provided in the rules or administrative procedures.*

**Subd. 5. [LEAVES TO ACCEPT UNCLASSIFIED APPOINTMENTS.]** *An employee who is granted a leave of absence from a position in the classified service to accept a position in the unclassified service shall retain an inactive classified service status. Upon his request, during the unclassified appointment or within sixty days of the end of the unclassified appointment, the employee shall be reappointed in the agency from which the employee was granted the leave, to a classified position comparable to that which he held immediately prior to being appointed to the unclassified position.*

**Subd. 6. [RIGHTS OF INCUMBENTS OF DECLASSIFIED POSITIONS.]** *Except for just cause, an employee with permanent status shall not be removed from a position which is declassified for a period of one year following the declassification. An appointing authority may remove an incumbent of a declassified position after one year with 30 days prior notice. At any time after the declassification, and prior to the end of the thirty-day notice period, if he so requests, the employee shall be appointed within the same agency to a classified position comparable to the position that was declassified or, if a comparable position*

is unavailable, to a position in that agency comparable to that which he held immediately prior to being appointed to the declassified position.

(a) The positions involve only deputy or assistant heads of agencies, or director level positions which are not specifically established by law, and who are appointed by and report directly to a head of an agency who is required by law to be appointed by the governor, or by a board appointed by the governor.

[UNCLASSIFIED TITLES; SALARY RATES AND RANGES; INVESTIGATIONS.] Except for those positions listed in section 18, subdivision 4, when a new position is to be established in the unclassified service, the commissioner shall compare the position to a class in the classified service if a comparable class exists or if not, establish a salary rate or range and official title for the position.*

*The commissioner shall independently or upon request of an appointing authority or employee investigate the duties of a position unclassified under provisions of subdivision 2 or rule. If the commissioner determines the position is incorrectly placed in the unclassified service, the commissioner shall place the position in the classified service. If the commissioner determines the position is improperly compared or assigned to an inappropriate salary range, the commissioner shall recompare the position, change the title or establish a new title or reassign the position to a different salary rate or range.*

*If a new title is established for the position or if the position is reassigned to a different salary rate or range and the position will be covered by a bargaining unit under the provisions of section 179.741, and if there is an applicable provision in a collective bargaining agreement, the commissioner shall establish the salary rate or range pursuant to the collective bargaining agreement.*

**Sec. 9. [43.09] [RECRUITMENT.]**

*The commissioner in cooperation with appointing authorities of all state agencies shall maintain an active recruiting program publicly conducted and designed to attract sufficient numbers of well qualified people to meet the needs of the civil service, and to enhance the image and public esteem of state service employment. Special emphasis shall be given to recruitment of protected group members to assist state agencies in meeting affirmative action goals to achieve a balanced work force.*

**Sec. 10. [43A.10] [EXAMINATIONS; ELIGIBILITY TO COMPETE.]**

*Subdivision 1. [GENERAL.] Entrance to the classified service shall be through successful competition in an examination and certification and appointment from an eligible list except as provided in section 15 or other law.*

*Subd. 2. [EXAMINATION CRITERIA.] All examinations for positions in the classified service shall be job related and designed to fairly assess ability to perform the duties of the class for which the examination is given.*

**Subd. 3. [FACILITIES FURNISHED EXAMINERS.]** *The authorities having control of public buildings in political subdivisions of the state and school districts, upon written request of the commissioner, shall furnish without charge convenient facilities for the administration of examinations. **Subd. 4. [CANDIDATES, ELIGIBLES; EXPENSES.]** *The commissioner or an appointing authority may pay travel expenses incurred by candidates or eligibles invited for oral examinations or employment interviews in the manner and amounts authorized by the commissioner.*

**Subd. 5. [ELIGIBILITY FOR COMPETITIVE OPEN EXAMINATIONS.]** *Competitive open examinations shall, upon public notice, be open to all applicants who meet reasonable job related requirements fixed by the commissioner.*

**Subd. 6. [ELIGIBILITY FOR COMPETITIVE PROMOTIONAL EXAMINATIONS.]** *Competitive promotional examinations shall be open only to employees of the civil service, the Minnesota state retirement system and the teacher's retirement association. The commissioner may require that competition be extended to all employees as defined above or may limit competition to employees of one or more agencies or organizational units thereof or to employees meeting specified employment conditions.*

**Subd. 7. [EXAMINATION ACCOMMODATIONS.]** *Upon request, the commissioner shall provide examination accommodations to a candidate with a handicap that does not prevent performance of the duties of the class. The accommodations shall provide an opportunity to fairly examine the ability of the candidate to perform the duties of the class notwithstanding the handicap but shall preserve, to the extent feasible, the validity of the examination process and equitable comparison of examination scores with competitors without handicaps.*

**Subd. 8. [ELIGIBILITY FOR QUALIFIED HANDICAPPED EXAMINATIONS.]** *The commissioner shall establish examination procedures for candidates whose handicaps are of such a severe nature that the candidates are unable to demonstrate their abilities in competitive examination processes. The examination procedures shall consist of up to 700 hours on-the-job trial work experience which will be in lieu of a competitive examination and for which the employee will be paid or unpaid at the employee's option. This work experience shall be limited to candidates who are mentally retarded, have severe hearing or visual impairments, are confined to wheelchairs, or have other impairments that comprise serious employment handicaps and who have been referred for employment to a specific suitable*

*vacancy by a vocational rehabilitation, veterans administration, or services for the blind counselor. Implementation of provisions of this subdivision shall not be deemed a violation of other provisions of this act or chapter 363.*

**Sec. 11. [43A.11] [VETERAN'S PREFERENCE.]**

*Subdivision 1. [CREATION.] Recognizing that training and experience in the military services of the government and loyalty and sacrifice for the government are qualifications of merit which cannot be readily assessed by examination, a veteran's preference shall be available pursuant to this section to United States citizens who entered the military service of this country prior to December 31, 1976 and separated under honorable conditions (a) after having served on active duty for 181 consecutive days or (b) by reason of disability incurred while serving on active duty.*

*Subd. 2. [RESTRICTIONS.] Veteran's preference credit under this section may not be used by any veteran who is currently receiving or is eligible to receive a monthly veteran's pension based exclusively on length of military service.*

*Subd. 3. [NONDISABLED VETERAN'S CREDIT.] There shall be added to the competitive open examination score of a nondisabled veteran, if he so elects, a credit of five points provided that the veteran obtained a passing score on the examination without the addition of the credit points.*

*Subd. 4. [DISABLED VETERAN'S CREDIT.] There shall be added to the competitive open examination score of a disabled veteran, if he so elects, a credit of ten points provided that the veteran obtained a passing score on the examination without the addition of the credit points. There shall be added to the competitive promotional examination score of a disabled veteran, if he so elects, a credit of five points provided that (a) the veteran obtained a passing score on the examination without the addition of the credit points and (b) the veteran is applying for his first promotion after securing public employment.*

*Subd. 5. [DISABLED VETERAN; DEFINITIONS.] For the purpose of the preference to be used in securing appointment from a competitive open examination, "disabled veteran" means a person who has a compensable service connected disability as adjudicated by the United States Veterans Administration, or by the retirement board of one of the several branches of the armed forces, which disability is existing at the time preference is claimed. For purposes of the preference to be used in securing appointment from a competitive promotional examination, "disabled veteran" means a person who, at the time of election to use his promotional preference, is entitled to disability compensation under laws administered by the veterans administra-*

tion for a permanent service connected disability rated at 50 percent or more.

**Subd. 6. [PREFERENCE FOR SPOUSES.]** A preference available pursuant to this section may be used by the surviving spouse of a deceased veteran and by the spouse of a disabled veteran who because of the disability is unable to qualify.

**Subd. 7. [RANKING OF VETERANS.]** An eligible with a score augmented by veteran's preference shall be entered on an eligible list ahead of a nonveteran with the same score.

**Subd. 8. [NOTIFICATION.]** A governmental agency when notifying eligibles that they have passed examinations shall show the final examination scores and the preference credits and shall notify eligibles that they may elect to use veteran's preference to augment passing scores.

**Subd. 9. [REJECTION; EXPLANATION.]** If the appointing authority rejects a certified eligible who has received veteran's preference, the appointing authority shall notify the eligible in writing of the reasons for the rejection.

## Sec. 12. [43A.12] [RANKING OF ELIGIBLES.]

**Subdivision 1. [GENERAL.]** The commissioner shall prepare eligible lists as provided in this section.

**Subd. 2. [LAYOFF LISTS.]** On layoff lists former employees of the class shall be ranked as provided in collective bargaining agreements, the plans established pursuant to section 18, rules, or procedures implemented pursuant to section 4, subdivision 4.

**Subd. 3. [REEMPLOYMENT LISTS.]** On reemployment lists former employees of the class with satisfactory prior service ratings shall be ranked as provided in collective bargaining agreements, the plans established pursuant to section 18, rules, or procedures implemented pursuant to section 4, subdivision 4.

**Subd. 4. [COMPETITIVE LISTS.]** On competitive open and competitive promotional lists eligibles shall be ranked according to their ratings in examinations and the veteran's preference provisions of section 11.

**Subd. 5. [QUALIFIED HANDICAPPED LISTS.]** On qualified handicapped lists eligibles shall be ranked in alphabetical order.

*Subd. 6. [TERM OF ELIGIBILITY.] The term of eligibility of eligibles on lists shall be determined by the commissioner but shall not be less than six months.*

**Sec. 13. [43A.13] [CERTIFICATION OF ELIGIBLES.]**

*Subdivision 1. [GENERAL.] Upon request of an appointing authority the commissioner shall certify eligibles from an eligible list determined appropriate by the commissioner, or as provided in collective bargaining agreements, rules or section 4, subdivision 4. The commissioner shall certify qualified available eligibles as provided in this section. Where the vacancy to be filled is in a position covered by a collective bargaining agreement, the list of certified eligibles shall be made available upon request to the exclusive representative as defined in sections 179.61 to 179.76.*

*Subd. 2. [LAYOFF.] If an agency has a layoff list for the class and employment conditions of the vacancy to be filled, the commissioner shall certify eligibles as provided in collective bargaining agreements, plans established pursuant to section 18, rules, or procedures implemented pursuant to section 4, subdivision 4.*

*Subd. 3. [REEMPLOYMENT.] For positions to be filled by reemployment of a former employee, the commissioner may certify any eligible on the reemployment list for the class or approve direct reinstatement of a former classified employee within three years of separation.*

*Subd. 4. [COMPETITIVE OPEN.] For positions to be filled by competitive open examination, the commissioner shall certify the first 10 eligibles on the list plus those eligibles having the same score as the tenth eligible certified.*

*Subd. 5. [COMPETITIVE PROMOTIONAL.] For positions to be filled by competitive promotional examination, the commissioner shall certify the first three eligibles on the list plus those eligibles having an examination rating within three points of the eligible with the highest examination rating and any additional eligible having the same score as the last eligible certified.*

*Subd. 6. [QUALIFIED HANDICAPPED.] For a position to be filled by qualified handicapped examination, the commissioner shall certify only the one eligible who has successfully completed the examination processes provided in section 10, Subdivision 8 for the position.*

*Subd. 7. [EXPANDED CERTIFICATION.] When the commissioner determines that a disparity as defined in rules exists between an agency's work force and its affirmative action plan approved in accordance with section 19, the commissioner*

shall ensure to the extent possible that eligibles who are members of the protected groups for which the disparity exists are certified for appointment. When fewer than three eligibles of all protected groups for which a disparity has been determined to exist would be certified under subdivisions 4 and 5, the commissioner shall certify as many additional eligibles from all of the protected groups for which disparities have been determined to exist as are necessary to bring the number of such protected group eligibles certified to an aggregate total of three. Implementation of this subdivision shall not be deemed a violation of other provisions of this act or chapter 363.

**Subd. 8. [REFUSAL TO CERTIFY.]** The commissioner may refuse to certify an eligible who (a) is found to lack any of the requirements established for the examination for which the eligible has applied, (b) has been dismissed from the public service for delinquency or misconduct, (c) has been dismissed from the same or a similar classification within the civil service for unsatisfactory job performance, (d) has, directly or indirectly, given or promised to give anything of value to any person in connection with the eligible's examination, appointment, or proposed appointment, or (e) has made a false statement of any material fact or practiced or attempted to practice any deception or fraud in the application, or examination or in securing eligibility or appointment.

When the commissioner refuses to certify an eligible, the commissioner shall, upon request of the eligible refused, furnish the eligible a statement of the reasons for the refusal. Upon receipt of relevant information, the commissioner shall reconsider the refusal and may certify the eligible.

#### **Sec. 14. [43A.14] [APPOINTMENTS.]**

All appointments to the classified service shall be based upon merit and ability to perform the duties of the position and the needs of the employing agency, including the need to achieve and maintain a representative work force. For employees in a bargaining unit as defined in section 179.741 appointments shall be subject to applicable provisions of collective bargaining agreements.

#### **Sec. 15. [43A.15] [NONCOMPETITIVE AND QUALIFYING APPOINTMENTS.]**

**Subdivision 1. [GENERAL.]** Positions in the classified service may be filled other than by appointment from eligible lists only as provided in this section or other law, provided that appointments made pursuant to subdivisions 5, 6, 9, 10, 11, and 12 shall be subject to applicable provisions of collective bargaining agreements.

*Subd. 2. [EMERGENCY APPOINTMENTS.] An appointing authority may make an emergency appointment for up to 30 working days. No person shall be employed in any one agency on an emergency basis for more than 30 working days in any 12 month period.*

*Subd. 3. [TEMPORARY APPOINTMENTS.] The commissioner may authorize an appointing authority to make a temporary appointment of up to six months. The commissioner may, in the best interest of the state, grant an extension of a temporary appointment or approve a temporary appointment to fill a vacancy created by an approved leave of absence to a maximum period of one year. When practicable, the commissioner may certify any qualified eligible from an eligible list for the temporary appointment, but may authorize the appointment of any person deemed qualified by the appointing authority.*

*No person shall be employed on a temporary basis in any one agency for more than 12 months in any 24 month period.*

*Subd. 4. [PROVISIONAL APPOINTMENTS.] The commissioner may authorize an appointing authority to make a provisional appointment if there is an urgent reason for filling a vacancy and no person on an incomplete certification is suitable or available for appointment.*

*No person shall be provisionally appointed unless the person has passed an appropriate qualifying examination or is qualified in all respects except for completion of a licensure or certification requirement. To the extent possible, the commissioner shall ensure that provisional appointments are kept to a minimum.*

*No person shall be employed on a provisional basis for more than six months unless the commissioner grants an extension to a maximum of 12 months in the best interest of the state. No extension may be granted beyond 12 months except for persons provisionally appointed to physician positions or other positions requiring licensure or certification where there is a lack of eligibles.*

*At the request of an appointing authority, the commissioner may authorize the probationary appointment of a provisional appointee who has performed satisfactorily for at least 60 days.*

*Subd. 5. [NONCOMPETITIVE PROMOTIONS.] The commissioner may authorize an appointing authority to promote the incumbent with permanent or probationary status to a reallocated classified position.*

*Subd. 6. [APPOINTMENTS THROUGH TRANSFER OR DEMOTION.] The commissioner may authorize the transfer or demotion of an employee in the classified service within an*

agency or between agencies. An authorized transfer may result in the movement of an employee between different positions in the same class or between positions in different classes provided that the compensation for the classes is similar.

The commissioner may enter into arrangements with public personnel agencies in other jurisdictions for the purpose of effecting transfers or voluntary demotions of employees between jurisdictions.

**Subd. 7. [APPOINTMENTS FOR UNCLASSIFIED INCUMBENTS OF NEWLY CLASSIFIED POSITIONS.]** The commissioner may authorize the probationary appointment of an incumbent who has passed a qualifying examination and who has served at least one year in an unclassified position which has been placed in the classified service by proper authority.

**Subd. 8. [EXCEPTIONAL APPOINTMENTS.]** Where a position requires exceptional qualifications of a scientific, professional or expert character and competition is impracticable, the commissioner may, at the request of an appointing authority, authorize the probationary appointment of a designated person possessing the required exceptional qualifications.

**Subd. 9. [LABOR SERVICE APPOINTMENTS.]** The commissioner shall designate classes involving unskilled labor as comprising a labor service and shall authorize appointing authorities to make appointments to such classes without prior approval.

**Subd. 10. [ROUTINE SERVICE APPOINTMENTS.]** The commissioner may authorize the administration of a qualifying selection process where the position to be filled is of a routine, service nature involving unskilled tasks, the performance of which cannot be directly related to qualifications beyond a minimum competency level. Appointing authorities may consider any candidate found so qualified for probationary appointment to such a position.

**Subd. 11. [APPOINTMENTS TO POSITIONS IN SHORTAGE OCCUPATIONS.]** The commissioner may designate classifications for which qualified applicants are in critically short supply and may develop recruitment, qualifying examination and referral processes as will provide agencies opportunity to make prompt appointments.

**Subd. 12. [WORK-TRAINING APPOINTMENTS.]** The commissioner may authorize the probationary appointment of persons who successfully complete on-the-job state training programs which have been approved by the commissioner.

**Sec. 16. [43A.16.] [PROBATIONARY PERIODS.]**

*Subdivision 1. [GENERAL.] All unlimited appointments to positions in the classified service except as provided in this subdivision shall be for a probationary period the duration of which shall be determined through collective bargaining agreements or plans established pursuant to section 18 but which shall not be less than 30 days of full-time equivalent service nor more than two years of full-time equivalent service. An appointing authority may require a probationary period for transfers, re-employments, reinstatements, voluntary demotions, and appointments from layoff lists of former employees of a different appointing authority. For employees in a bargaining unit as defined in 179.741 the requirement of such a probationary period shall be subject to applicable provisions of collective bargaining agreements.*

*Subd. 2. [TERMINATION DURING PROBATIONARY PERIOD.] There is no presumption of continued employment during a probationary period. Terminations or demotions may be made at any time during the probationary period subject to the provisions of this section and collective bargaining agreements or plans established pursuant to section 18.*

*If during the probationary period an employee with permanent status is dismissed for inability to perform the duties of the new position or for other cause not related to misconduct or delinquency, the employee shall be restored to a position in the employee's former class and agency.*

**Sec. 17. [43A.17] [SALARY LIMITS, RATES, RANGES AND EXCEPTIONS.]**

*Subdivision 1. [SALARY LIMITS.] As used in this section, "salary" means hourly, monthly, or annual rate of pay including any lump-sum payments and cost-of-living adjustment increases but excluding payments due to overtime worked, shift or equipment differentials, work out of class as required by collective bargaining agreements or plans established pursuant to section 18, and back pay on reallocation or other payments related to the hours or conditions under which work is performed rather than to the salary range or rate to which a class is assigned.*

*The salary, as established in section 15A.081, of the head of a state agency in the executive branch is the upper limit of compensation in the agency. The salary of the commissioner of labor and industry is the upper limit of compensation of employees in the bureau of mediation services. The commissioner may grant exemptions from these upper limits as provided in subdivisions 3 and 4.*

**Subd. 2. [GENERAL COMPENSATION.]** *For classes or positions covered under the provisions of section 18, subdivision 1, the commissioner shall negotiate compensation. For classes or positions covered under the provisions of section 18, subdivisions 2 and 3, the commissioner shall establish compensation. Employees covered under section 18 shall receive salary at the appropriate single rate or within the limits of the salary range to which their class is assigned or their position compared except for any lump sum payments including cost of living lump sum payments. The commissioner may grant further exemptions from this subdivision as provided in subdivisions 3, 5, 6, and 7.*

**Subd. 3. [UNUSUAL EMPLOYMENT SITUATIONS.]** *Upon the request of the appointing authority, and when the commissioner determines that changes in employment situations create difficulties in attracting or retaining employees, the commissioner may approve an unusual employment situation increase to advance an employee within the compensation plan. Such action will be consistent with applicable provisions of collective bargaining agreements or plans pursuant to section 18. The commissioner shall review each proposal giving due consideration to salary rates paid to other employees in the same class and agency and may approve any request which in the commissioner's judgment is in the best interest of the state. If the commissioner determines that the position requires special expertise necessitating a higher salary to attract or retain qualified persons, the commissioner may grant an exemption not to exceed 120 percent of the base salary of the head of the agency.*

**Subd. 4. [MEDICAL SPECIALISTS.]** *The commissioner may without regard to subdivision 1 establish special salary rates and plans of compensation designed to attract and retain exceptionally qualified doctors of medicine. In establishing salary rates and eligibility for nomination for payment at special rates, the commissioner shall consider the standards of eligibility established by national medical specialty boards where appropriate. The incumbents assigned to these special ranges shall be excluded from the collective bargaining process.*

**Subd. 5. [SALARY ON DEMOTION; SPECIAL CASES.]** *The commissioner may, upon request of an appointing authority, approve payment of an employee with permanent status at a salary rate above the maximum of the class to which the employee is demoted. The commissioner shall take such action as required by collective bargaining agreements or plans pursuant to section 18. If the action is justified by the employee's long or outstanding service, exceptional or technical qualifications, age, health, or substantial changes in work assignment beyond the control of the employee, the commissioner may approve a rate up to and including the employee's salary immediately prior to demotion. Thereafter, so long as the employee remains in the same position, the employee shall not be eligible to receive any increase in salary until the employee's salary is within the range*

*of the class to which the employee's position is allocated unless such increases are specifically provided in collective bargaining agreements or plans pursuant to section 18.*

*Subd. 6. [SALARY ON TRANSFER.] The commissioner may authorize an employee transferring between two classes established as equivalent for purposes of transfer to retain a rate of compensation above the maximum of the range of the class to which the employee is transferring. The commissioner shall take such action as required by a collective bargaining agreement or plans pursuant to section 18. Thereafter, so long as the employee remains in the same class, the employee shall receive an increase in salary only as provided pursuant to applicable collective bargaining agreements or plans pursuant to section 18, until his salary is within the range of the class to which his position is allocated.*

*Subd. 7. [INJURED ON DUTY PAY.] Notwithstanding section 176.021, subdivision 5, the commissioner may provide for injured on duty pay through collective bargaining agreements or plans pursuant to section 18.*

**Sec. 18. [43A.18] [TOTAL COMPENSATION; COLLECTIVE BARGAINING AGREEMENTS; PLANS.]**

*Subdivision 1. [COLLECTIVE BARGAINING AGREEMENTS.] Except as provided in section 1 and to the extent they are covered by a collective bargaining agreement, the compensation, terms and conditions of employment for all employees represented by an exclusive representative certified pursuant to chapter 179 shall be governed solely by the collective bargaining agreement executed by the parties and approved by the legislature.*

*Subd. 2. [COMMISSIONER'S PLAN.] Except as provided in section 1 of this act, the compensation, terms and conditions of employment for all classified and unclassified employees who are not covered by a collective bargaining agreement and not otherwise provided for in this act or other law shall be governed solely by the commissioner's plan. The legislative commission on employee relations shall review the plan and submit it to the legislature along with any recommendations it deems appropriate. The plan need not be adopted in accordance with the rulemaking provisions of chapter 15.*

*The plan shall not take effect until approved by the legislature, provided that the legislative commission may give interim approval to effect the plan and subsequently submit it to the entire legislature for ratification in the same manner as provided for negotiated agreements and arbitration awards under section 179.74, subdivision 5. If the legislature modifies or rejects the plan or adjourns without action during the following*

*legislative session, any total compensation increases which were provided pursuant to interim approval by the commission and not ratified by the legislature shall not be affected but shall cease to be provided.*

*Subd. 3. [MANAGERIAL PLAN.] The commissioner shall identify individual positions or groups of positions in the classified and unclassified service, except those listed in subdivision 4, in the executive branch as being managerial.*

*(a) The commissioner shall establish appropriate plans for training and development, mobility, total compensation and terms and conditions of employment for employees of those positions identified as being managerial and whose salaries and benefits are not otherwise provided for in law or other plans established under this act. The plans shall include a career executive service to provide a system for identifying, developing and recognizing key individuals who occupy managerial positions in the classified service.*

*(b) Incumbents of managerial positions as identified under this subdivision shall be excluded from any bargaining units under the provisions of chapter 179.*

*(c) The management compensation plan shall provide methods and levels of compensation for managers that will be generally comparable to those applicable to managers in other public and private employment. Provisions of the plan shall ensure that compensation within assigned salary ranges is related to level of performance.*

*The commissioner shall develop a total compensation plan for individuals appointed to the career executive service. Salaries established under this plan shall be limited to 120 percent of the maximum of the salary range for the employee's job classification in the classified service. The total compensation established under the provisions of this clause may be extended to unclassified managers and the employee benefits established under the provisions of this clause may be extended to those heads of agencies whose salaries are established in section 15A.081, subdivision 1.*

*(d) No rights or tenure shall attach to a career executive service assignment. An incumbent in the career executive service may be removed from the career executive service by the appointing authority, provided the action is made without regard to sex, race, religion, color, creed, marital status, age, national origin, disability, status with regard to public assistance or political affiliation. An employee removed from the career executive service shall receive compensation at the level formerly received plus any increases the employee would have received*

had the employee not been appointed to the career executive service.

*An employee who is in the career executive service on the effective date of this section and whose position, as a result of this act, is no longer eligible for inclusion in the career executive service is nonetheless eligible to remain a member of the career executive service in accordance with the provisions of this section so long as the employee remains in that position.*

**Subd. 4. [PLANS NOT ESTABLISHED BUT APPROVED BY COMMISSIONER.]** *Notwithstanding any other law to the contrary, total compensation for employees listed in this subdivision shall be set by appointing authorities subject to the following limitations:*

*(a) Total compensation paid pursuant to this subdivision and that paid pursuant to section 6.582, shall be within the limits of compensation plans which shall have been approved by the commissioner before becoming effective;*

*(b) Total compensation for unclassified employees in the office of the governor shall be determined by the governor;*

*(c) Total compensation for unclassified employees in the office of the attorney general shall be determined by the attorney general;*

Each benefit contract shall be for a uniform term of at least one year, but may be made automatically renewable from term to term in the absence of notice of termination by either party. The commissioner need not provide health maintenance organization services to an employee who resides in an area which is not served by a licensed health maintenance organization. The commissioner may refuse to allow a health maintenance organization to continue as a carrier if it was selected by less than 200 employees in the preceding benefit year. The commissioner may elect not to offer all three types of carriers if there are no bids or no acceptable bids by that type of carrier or if the offering of additional carriers would result in substantial additional administrative costs. Coverages shall be coordinated with relevant health insurance benefits provided through the federally sponsored medicare program. Appointing authorities shall provide notice to employees no later than the effective date of their retirement of the right to exercise the option provided in this subdivision. In order to enable the commissioner of finance to maintain proper records covering the appropriations pursuant to this section, the commissioner of finance may require certifications in connection with payments as the commissioner of finance deems necessary from the Minnesota historical society, the University of Minnesota, or any agency whose employees receive benefits pursuant to this act. The accounts and funds from which agencies receive appropriations under the terms of this section are a source of revenue for the purposes of any other law or statutory enactment.*

Prior to the hearing, both parties may stipulate on mutually agreed matters relevant to the disciplinary action. The issues and facts on which agreement has not been reached will be decided during the hearing at which technical rules of evidence shall not apply. If the hearing examiner finds, based on the hearing record, that the action appealed was not taken by the appointing authority for just cause, the employee shall be reinstated to his position, or an equal position in another division within the same agency, without loss of pay. If the hearing examiner finds that there exists sufficient grounds for institution of the appointing authority's action but the hearing record establishes extenuating circumstances, he may in his discretion reinstate the employee, with full, partial, or no pay, or may modify the appointing authority's action. The hearing examiner's order shall be the final decision, but it may be appealed according to the provisions of section 15.0424. Settlement of the entire dispute by mutual agreement is encouraged at any stage of the proceedings. Any settlement agreement shall be final and binding when signed by all parties and submitted to the chief hearing examiner of the office of administrative hearings. Except as provided in collective bargaining agreements the appointing authority shall bear the costs of the hearing examiner for hearings provided for in this section.

Upon receiving the request, the appointing authority shall have a medical examination made of the employee. If the results of the medical examination establish the mental and physical ability of the employee to continue the duties of his employment, he shall be continued in his employment for the following year. If the determination of the appointing authority based upon the results of the physical examination is adverse, the disposition of the matter shall be decided by the commissioner of corrections or, for employees of the Minnesota security hospital, the commissioner of public welfare. H. F. No. 968, A bill for an act relating to peace officers; creating the Minnesota law enforcement training account; appropriating money; proposing new law coded in Minnesota Statutes, Chapter 626.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [626.86] [MINNESOTA LAW ENFORCEMENT TRAINING ACCOUNT.]

*Subdivision 1. [CREATION OF ACCOUNT.] The Minnesota law enforcement training account is created as a separate account in the general fund of the state treasury.*

*Subd. 2. [PURPOSES.] All penalty assessments collected pursuant to section 3 for violations of Minnesota Statutes, Chapters 168 to 173 or an equivalent local traffic ordinance and forwarded to the state treasurer shall be deposited in the Minnesota law enforcement training account. All money in the state treasury credited to the Minnesota law enforcement training account is annually appropriated to the Minnesota board of peace officer standards and training for the purpose of providing law enforcement financial assistance to local units of government. Financial assistance shall be available for board approved skill courses and in-service training under Minnesota Statutes, Chapters 214 and 626.*

*Subd. 3. [DISBURSEMENTS.] Disbursements from the account shall be made by the state treasurer upon order of the commissioner of finance at the times and in the amounts determined by the board of peace officer standards and training.*

*Subd. 4. [ALLOCATION OF DISBURSEMENTS.] Disbursements of funds pursuant to subdivision 3 shall be made according to the following method for the purposes of subdivision 2:*

*(a) Ten percent shall be provided for reimbursement to board approved skills courses in proportion to the number of students successfully completing the boards skills licensing examination.*

*(b) To each local unit of government an amount in proportion to the number of licensed peace officers and constables employed, at a rate to be determined by the board. The disbursed amount shall be used exclusively for reimbursement of the cost of in-service training required under chapters 214 and 626.*

**Sec. 2. [626.861] [CRIME VICTIMS ASSISTANCE ACCOUNT.]**

*Subdivision 1. [CREATION OF ACCOUNT.] The crime victims assistance account is created as a separate account in the general fund of the state treasury.*

*Subd. 2. [APPROPRIATION; PURPOSE.] All penalty assessments collected pursuant to section 3 for petty misdemeanors or for violations of the criminal laws of this state, except for penalty assessments imposed for violations of Minnesota Statutes, Chapters 168 to 173 or equivalent local traffic ordinances and forwarded to the state treasurer shall be deposited in the crime victims assistance account. All money in the state trea-*

*sury credited to the crime victims assistance account is annually appropriated to the crime victims reparations board for the purposes authorized by sections 299B.01 to 299B.17.*

*Subd. 3. [DISBURSEMENTS.] Disbursements from the crime victims assistance account shall be made by the state treasurer upon order of the commissioner of finance at the times and in the amounts determined by the crime victims reparations board.*

**Sec. 3. [626.862] [LEVY AND COLLECTION OF PENALTY ASSESSMENTS.]**

*Subdivision 1. [LEVY OF ASSESSMENT.] On and after the effective date of sections 1, 2, and 3, there is levied a penalty assessment of ten percent on each fine imposed and collected by the courts of this state for petty misdemeanors or for criminal or traffic offenses, other than a fine or forfeiture for a violation of a local ordinance or other law relating to the parking of a vehicle. In cases where the defendant is convicted but a fine is not imposed, or execution of the fine is stayed, the court shall impose a penalty assessment of not less than \$5 nor more than \$10 when the conviction is for a misdemeanor or petty misdemeanor, and shall impose a penalty assessment of not less than \$10 but not more than \$50 when the conviction is for a gross misdemeanor or felony. Where multiple offenses are involved, the penalty assessment shall be assessed separately on each offense for which the defendant is sentenced. If imposition or execution of sentence is stayed for all of the multiple offenses, the penalty assessment shall be based upon the most serious offense of which the defendant was convicted. Where the court suspends a portion of a fine, the suspended portion shall not be counted in determining the amount of the penalty assessment unless the offender is ordered to pay the suspended portion of the fine. Suspension of an entire fine shall be treated as a stay of execution for purposes of computing the amount of the penalty assessment.*

*Subd. 2. [PAYMENT GUIDELINES.] The sentencing court may, upon a showing of indigency or undue hardship upon the convicted person or his immediate family, authorize payment of the penalty assessment in installments. If the convicted person is sentenced and committed to imprisonment, the chief executive officer of the institution in which the person is confined may collect the assessment from any earnings the inmate shall accrue for work performed in the institution or while on conditional release therefrom under the provisions of Minnesota Statutes, Sections 241.26 or 631.425 and forward same to the clerk of the court in which he was sentenced, for transmittal to the state treasurer in the manner provided in section 3, subdivision 3.*

*The court may decline to impose a penalty assessment or may forgive payment of a penalty assessment previously imposed, in cases where undue hardship cannot otherwise be avoided.*

*Subd. 3. [COLLECTION BY COURT.] After a determination by the court of the amount of the fine or penalty assessment due, the clerk of court shall collect the appropriate penalty assessment and transmit it to the county treasurer separately but with the same frequency as fines are transmitted. Amounts collected under this subdivision shall then be transmitted to the state treasurer for deposit in the Minnesota law enforcement training account or in the victim assistance account, whichever account is designated by the transmitting court, in the same manner as fines collected for the state by a county.*

Sec. 4. Minnesota Statutes 1980, Section 171.16, Subdivision 3, is amended to read:

*Subd. 3. [SUSPENSION FOR FAILURE TO PAY FINE.] When any court reports to the commissioner that a person: (1) has been convicted of violating a law of this state or an ordinance of a political subdivision which regulates the operation or parking of motor vehicles, (2) has been sentenced to the payment of a fine (ONLY) or had a penalty assessment levied against him or her, or sentenced to a fine upon which a penalty assessment was levied, and (3) has refused or failed to comply with that sentence or to pay the penalty assessment, notwithstanding the fact that the court has determined that the person has the ability to pay the fine or penalty assessment, the commissioner shall suspend the driver's license of such person for 30 days for a refusal or failure to pay or until notified by the court that the fine or penalty assessment, or both if a fine and penalty assessment were not paid, has been paid.*

ments respecting the design and operation of a disposal facility at the proposed site.

No land shall be excluded from consideration except land determined by the agency to be intrinsically unsuitable for the use intended.

Sec. 13. Minnesota Statutes 1980, Section 115A.21, Subdivision 1, is amended to read:

Subdivision 1. [SELECTION.] By (AUGUST 1, 1981) *March 15, 1982*, the board shall select six locations in the state, no more than one site per county, as candidate sites for commercial disposal facilities for hazardous waste. No location shall be selected as a candidate site unless the agency certifies its intrinsic suitability for the use intended. The board shall consult with the agency and the private waste management industry in selecting candidate sites. Any sites proposed in applications for permits for disposal facilities being reviewed by the agency (ON AUGUST 1, 1981,) may be included by the board as candidate sites, provided the agency certifies the intrinsic suitability of the sites. *The agency shall suspend its review of any permit application being reviewed by the board for inclusion as a candidate site until the site is eliminated from consideration as a candidate site.*

Sec. 14. Minnesota Statutes 1980, Section 115A.21, Subdivision 2, is amended to read:

Subd. 2. [PROCEDURE.] As soon as practicable, the board through its chairperson shall publish a request soliciting proposals and permit applications for hazardous waste disposal facilities from potential developers and operators of such facilities. Notice of the request shall be published in the state register and newspapers of general circulation in the state and shall be transmitted to all regional development commissions, the metropolitan council, and all counties in the state. The board may select conceptual design and operating specifications for a variety of hazardous waste disposal facilities in sufficient detail and extent in the judgment of the board to assist the evaluation of sites and the selection of candidate sites. By November 1, 1980, the board through its chairperson shall notify each regional development commission, or the metropolitan council, and each local government unit within whose jurisdiction the board intends to search for candidate sites. The notification shall explain the selection of the jurisdiction as a search area; shall summarize any conceptual specifications and the evaluation factors, criteria, standards, and procedures the board intends to use in selecting candidate sites; and shall describe the relationship of the candidate site selection process to the other review procedures under sections 115A.18 to 115A.30 and the hazardous waste reports and plans required under sections 115A.04 to 115A.15. The notification shall request recommendations and

suggestions from each such commission, the metropolitan council, and local government unit on the criteria, standards, and procedures the board should use in selecting candidate sites within the time allowed. The board through its chairperson shall make a written response to any recommendations, explaining its disposition of the recommendations. *The board shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed as candidate sites as soon as available but no later than November 1, 1981.* By (MAY 1) November 15, 1981, the board shall propose at least six locations as candidate sites, *the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable, and the board through its chairperson and the director shall publish notice of hearings on the board's proposal and the director's recommendations. Notice shall be published in the state register and newspapers of general circulation in the state and shall (NOTIFY) be sent by mail to all regional development commissions, or the metropolitan council, and to local government units containing a proposed candidate site. (ANY PERSON OBJECTING TO THE AGENCY'S CERTIFICATION OR THE BOARD'S PROPOSAL OF A SITE FOR CANDIDACY SHALL HAVE 30 DAYS IN WHICH TO REQUEST A HEARING. IF A HEARING IS REQUESTED, THE HEARING SHALL BE ORDERED BY THE CHAIRPERSON OF THE BOARD AND) The hearings shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency and board in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the board and additional information on the proposed sites which is relevant to the board's decision on candidate sites and the agency's decision on intrinsic suitability. The contested case procedures of chapter 15 shall not apply to this hearing. The hearing examiner may consolidate hearings. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify sites accordingly by March 1, 1982. No action of the board or agency shall be held invalid by reason of the board's or agency's failure to notify any of the entities listed in this subdivision.*

Sec. 15. Minnesota Statutes 1980, Section 115A.22, Subdivision 3, is amended to read:

Subd. 3. [MEMBERSHIP ON LOCAL COMMITTEES.] By (SEPTEMBER 1, 1981) April 15, 1982, the governor shall appoint the chairperson and members of each local project review committee, ensuring a balanced representation of all parties with a legitimate and direct interest in the outcome of the project review. The governor shall consult particularly with affected

local units of government before selecting members. Members may be added to the local committee from time to time by the governor.

Sec. 16. Minnesota Statutes 1980, Section 115A.22, Subdivision 4, is amended to read:

Subd. 4. [APPOINTMENT OF TEMPORARY BOARD MEMBERS.] By (OCTOBER 1, 1981) *May 15, 1982*, each local committee shall select a temporary board member to be added to the board for the purposes of the reports, certifications, and review conducted under sections 115A.18 to 115A.30. *If a local committee fails to appoint a temporary board member within 45 days after the appointment of the committee the governor shall appoint a temporary board member to represent the committee on the board.* Temporary board members may be members of the local project review committee, and they shall be residents of the county where the candidate site is located. *Temporary board members shall serve for terms lasting until the board has taken final action pursuant to section 115A.28 and, in the case of members representing the site or sites finally chosen for the facility, until the commencement of the operation of the facility at that site.*

Sec. 17. Minnesota Statutes 1980, Section 115A.23, is amended to read:

**115A.23 [DISPOSAL FACILITIES; PRELIMINARY DESIGN AND OPERATING SPECIFICATIONS.]**

By (JANUARY 1) *August 15, 1982*, the board shall select, for further study and consideration, design and operating specifications for a variety of disposal facilities for hazardous waste in sufficient detail and extent in the judgment of the agency to allow the agency to begin preparing an environmental impact statement on the alternative facilities at each of the candidate sites pursuant to section 115A.25. The preliminary design and operating specifications shall not be final and shall not preclude the consideration of other specifications nor foreclose the subsequent addition by the board of other disposal facility alternatives.

Sec. 18. Minnesota Statutes 1980, Section 115A.24, is amended to read:

**115A.24 [CERTIFICATION OF NEED.]**

By (MAY 1) *December 15, 1982*, on the basis of and consistent with its hazardous waste management plan adopted under section 115A.11, the board shall issue a certificate or certificates of need for disposal facilities for hazardous wastes in the state. The certificate or certificates shall indicate the types and volumes of waste for which disposal facilities are and will be

needed through the year 2000 and the number, types, sizes, general design and operating specifications, and function or use of the disposal facilities needed in the state. The board shall certify need only to the extent that the board has determined that there are no feasible and prudent alternatives including waste reduction, separation, pretreatment, processing, and resource recovery which would minimize adverse impact upon natural resources, provided that the board shall require the establishment of at least one commercial disposal facility in the state. Economic considerations alone shall not justify certification nor the rejection of alternatives. Alternatives that are speculative and conjectural shall not be deemed to be feasible and prudent. The certificate or certificates shall not be subject to the provisions of chapter 15 but shall be the final determination required on the matters decided by the certificate or certificates and shall have the force and effect of law. The certificate or certificates shall not be amended for five years. The board and the permitting agencies, in reviewing and selecting sites, completing environmental impact statements, and issuing approvals and permits for waste disposal facilities described in the certificate or certificates of need, shall not reconsider matters determined in the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of facilities consistent with the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of at least one commercial disposal facility for hazardous waste in the state.

Sec. 19. Minnesota Statutes 1980, Section 115A.26, is amended to read:

115A.26 [AGENCIES; PERMIT CONDITIONS.]

Within 60 days following (THE ACCEPTANCE) *determination of adequacy* of the final environmental impact statement, and after consulting with the board, facility developers, affected local government units, and the local project review committees, each permitting state agency shall issue a notice of intent to issue permits, indicating the terms, conditions, and requirements of agency approval for all permits needed at each candidate site for the establishment of the facilities described in the board's certification of need. The agency decisions shall be consistent with the establishment of facilities in accordance with the certification of need.

Sec. 20. Minnesota Statutes 1980, Section 115A.28, Subdivision 2, is amended to read:

Subd. 2. [BOARD'S DECISION PARAMOUNT.] The board's decision under subdivision 1 shall be final and shall supersede and preempt requirements of state agencies and political subdivisions (, EXCEPTING ONLY) *and the requirements of sections 473H.02 to 473H.17; except that a facility*

*established pursuant to the decision shall be subject to those terms, conditions, and requirements of permitting agencies embodied in the board's decision and (EXCEPT AS PROVIDED IN) any requirements imposed pursuant to subdivision 3. The permitting agencies shall issue permits within 60 days following and in accordance with the board's final decision, and all permits shall conform to the terms, conditions, and requirements of the board's decision. No charter provision, ordinance, regulation, permit, or other requirement of any state agency or political subdivision shall prevent or restrict the establishment, operation, expansion, continuance, or closure of a facility in accordance with the final decision of the board and permits issued pursuant thereto.*

Sec. 21. Minnesota Statutes 1980, Section 115A.33, is amended to read:

**115A.33 [ELIGIBILITY; REQUEST FOR REVIEW.]**

The following persons shall be eligible to request supplementary review by the board pursuant to sections 115A.32 to 115A.39:

- (a) a generator of sewage sludge within the state who has been issued permits by the agency for a facility to dispose of sewage sludge or solid waste resulting from sewage treatment;
- (b) a political subdivision which has been issued permits by the agency, or a political subdivision acting on behalf of a person who has been issued permits by the agency, for a solid waste facility which is no larger than 250 acres, not including any proposed buffer area, and located outside the metropolitan area;
- (c) a generator of hazardous waste within the state who has been issued permits by the agency for a hazardous waste facility to be owned and operated by the generator, on property owned by the generator, and to be used by the generator for managing the hazardous wastes produced by the generator only;
- (d) a person who has been issued permits by the agency for a commercial hazardous waste processing facility at a site included in the board's inventory of preferred sites for such facilities adopted pursuant to section 115A.09;
- (e) a person who has been issued permits by the agency for a disposal facility for the nonhazardous sludge, ash, or other solid waste generated by a permitted hazardous waste processing facility operated by the person.

The metropolitan waste control commission shall not be eligible to request review under clause (a) for a sewage sludge disposal facility. The metropolitan waste control commission shall not be eligible to request review under clause (a) for a solid waste facility with a proposed permitted life of longer than four years. The board may require completion of a plan conforming to the requirements of section 115A.46, before granting review under clause (b). A request for supplementary review shall show that the required permits for the facility have been issued by the agency and that a political subdivision has refused to approve the establishment or operation of the facility.

Sec. 22. Minnesota Statutes 1980, Section 115A.34, is amended to read:

**115A.34 [APPOINTMENT OF TEMPORARY BOARD MEMBERS.]**

Within 45 days of the submission of a request determined by the board to satisfy the requirements for review under sections 115A.32 to 115A.39, temporary board members shall be added to the board for the purpose of the supplementary review. Three members shall be selected by the governing body of the city or town in which the chairperson of the waste management board determines the facility would be principally located, and three members shall be selected by the governing body of the county in which the chairperson of the waste management board determines the proposed facility would be principally located. If the proposed facility is located in unorganized territory, all six members shall be selected by the governing board of the county. Temporary members shall be residents of the county in which the proposed facility would be located and shall be selected to represent broadly the local interests that would be directly affected by the proposed facility. At least one member appointed by the city or town shall live within one mile of the proposed facility, and at least one member appointed by the county shall be a resident of a city or town in which the proposed facility would be located. *If the appointing authority fails to appoint temporary board members in the period allowed, the governor shall appoint the temporary members to represent the local interests in accordance with this section.* Temporary board members shall serve for terms lasting until the board has taken final action on the facility.

Sec. 23. Minnesota Statutes 1980, Section 115A.37, Subdivision 2, is amended to read:

Subd. 2. [DECISION PARAMOUNT.] The decision of the board to approve a facility shall be final and shall supersede and preempt requirements of state agencies and political subdivisions (, EXCEPTING ONLY) *and the requirements of sections 473H.02 to 473H.17; except that the facility shall be subject* to those terms, conditions, and requirements of permitting agencies embodied in the board's approval and (EXCEPT AS PROVIDED IN) *any requirements imposed pursuant to* subdivision 3. The permitting agencies shall issue or amend the permits for the facility within 60 days following and in accordance with the final decision of the board, and all permits shall conform to the terms, conditions, and requirements of the board's decision. No charter provision, ordinance, regulation, permit, or other requirement of any state agency or political subdivision shall prevent or restrict the establishment, operation, expansion, continuance, or closure of the facility in accordance with the final decision of the board and permits issued pursuant thereto.

Sec. 24. Minnesota Statutes 1980, Section 115A.54, Subdivision 3, is amended to read:

Subd. 3. [OBLIGATIONS OF RECIPIENT.] No grant or loan for any project shall be disbursed until the governing body of the recipient has made an irrevocable undertaking, by resolution, to use all funds made available exclusively for the capital cost of the project and to pay any additional amount by which the cost of the project exceeds the estimate by appropriation to the construction fund of additional funds or proceeds of additional bonds of the recipient. The resolution shall also indicate that any subsequent withdrawal of allocated or additional funds of the recipient will impair the obligation of contract between the state of Minnesota, the recipient, and the bondholders. The resolution shall pledge payment to the debt service account of all revenues of the project to the extent that they exceed costs and shall also obligate the recipient to levy a tax sufficient to make timely payments under the loan agreement, if a deficiency occurs in the amount of user charges, taxes, special assessments, or other moneys pledged for payment under the loan agreement. Each loan made to a recipient shall be secured by resolutions adopted by the board and the governing body of the recipient, obligating the recipient to repay the loan to the state treasurer in annual installments including both principal and interest. Installments shall be in an amount sufficient to pay the principal amount within the period required by the (AGENCY) board. The interest on the loan shall be calculated on the declining balance at a rate not less than the average annual interest rate on the state bonds of the issue from which proceeds of the loan were made. The resolution shall obligate the recipient to provide money for the repayment from user charges, taxes, special assessments or any other funds available to it.

Sec. 25. Minnesota Statutes 1980, Section 116.07, Subdivision 2, is amended to read:

Subd. 2. [ADOPTION OF STANDARDS.] The pollution control agency shall improve air quality by promoting, in the most practicable way possible, the use of energy sources and waste disposal methods which produce or emit the least air contaminants consistent with the agency's overall goal of reducing all forms of pollution. The agency shall also adopt standards of air quality, including maximum allowable standards of emission of air contaminants from motor vehicles, recognizing that due to variable factors, no single standard of purity of air is applicable to all areas of the state. In adopting standards the pollution control agency shall give due recognition to the fact that the quantity or characteristics of air contaminants or the duration of their presence in the atmosphere, which may cause air pollution in one area of the state, may cause less or not cause any air pollution in another area of the state, and it shall take into consideration in this connection such factors, including others which it

may deem proper, as existing physical conditions, zoning classifications, topography, prevailing wind directions and velocities, and the fact that a standard of air quality which may be proper as to an essentially residential area of the state, may not be proper as to a highly developed industrial area of the state. Such standards of air quality shall be premised upon scientific knowledge of causes as well as effects based on technically substantiated criteria and commonly accepted practices. No local government unit shall set standards of air quality which are more stringent than those set by the pollution control agency.

The pollution control agency shall promote solid waste disposal control by encouraging the updating of collection systems, elimination of open dumps, and improvements in incinerator practices. The agency shall also adopt standards for the control of the collection, transportation, storage, processing, and disposal of solid waste and (THE DISPOSAL OF) sewage sludge for the prevention and abatement of water, air and land pollution, recognizing that due to variable factors, no single standard of control is applicable to all areas of the state. In adopting standards, the pollution control agency shall give due recognition to the fact that elements of control which may be reasonable and proper in densely populated areas of the state may be unreasonable and improper in sparsely populated or remote areas of the state, and it shall take into consideration in this connection such factors, including others which it may deem proper, as existing physical conditions, topography, soils and geology, climate, transportation, and land use. Such standards of control shall be premised on technical criteria and commonly accepted practices.

The pollution control agency shall also adopt standards describing the maximum levels of noise in terms of sound pressure level which may occur in the outdoor atmosphere, recognizing that due to variable factors no single standard of sound pressure is applicable to all areas of the state. Such standards shall give due consideration to such factors as the intensity of noises, the types of noises, the frequency with which noises recur, the time period for which noises continue, the times of day during which noises occur, and such other factors as could affect the extent to which noises may be injurious to human health or welfare, animal or plant life, or property, or could interfere unreasonably with the enjoyment of life or property. In adopting standards, the pollution control agency shall give due recognition to the fact that the quantity or characteristics of noise or the duration of its presence in the outdoor atmosphere, which may cause noise pollution in one area of the state, may cause less or not cause any noise pollution in another area of the state, and it shall take into consideration in this connection such factors, including others which it may deem proper, as existing physical conditions, zoning classifications, topography, meteorological conditions and the fact that a standard which may be proper in an essentially residential area of the state, may not be proper as to a highly developed industrial area of the state. Such noise standards shall

be premised upon scientific knowledge as well as effects based on technically substantiated criteria and commonly accepted practices. No local governing unit shall set standards describing the maximum levels of sound pressure which are more stringent than those set by the pollution control agency.

The pollution control agency shall adopt standards for the identification of hazardous waste and for the management, identification, labeling, classification, storage, collection, transportation, processing, and disposal of hazardous waste, recognizing that due to variable factors, a single standard of hazardous waste control may not be applicable to all areas of the state. In adopting standards, the pollution control agency shall recognize that elements of control which may be reasonable and proper in densely populated areas of the state may be unreasonable and improper in sparsely populated or remote areas of the state. The agency shall consider existing physical conditions, topography, soils, and geology, climate, transportation and land use. Standards of hazardous waste control shall be premised on technical knowledge, and commonly accepted practices. No local government unit shall set standards of hazardous waste control which are in conflict or inconsistent with those set by the pollution control agency.

Sec. 26. Minnesota Statutes 1980, Section 116.07, Subdivision 4, is amended to read:

Subd. 4. [RULES AND STANDARDS.] Pursuant and subject to the provisions of chapter 15, and the provisions hereof, the pollution control agency may adopt, amend and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1969, Chapter 1046, for the prevention, abatement, or control of air pollution. Any such rule or standard may be of general application throughout the state, or may be limited as to times, places, circumstances, or conditions in order to make due allowance for variations therein. Without limitation, rules or standards may relate to sources or emissions of air contamination or air pollution, to the quality or composition of such emissions, or to the quality of or composition of the ambient air or outdoor atmosphere or to any other matter relevant to the prevention, abatement, or control of air pollution.

Pursuant and subject to the provisions of chapter 15, and the provisions hereof, the pollution control agency may adopt, amend, and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1969, Chapter 1046, for the collection, transportation, storage, processing, and disposal of solid waste and the prevention, abatement, or control of water, air, and land pollution which may be related thereto, and the deposit in or on land of any other material that may tend to cause pollution. The agency shall adopt such rules and standards for (THE DISPOSAL OF)

sewage sludge, addressing the intrinsic suitability of land, the volume and rate of application of sewage sludge of various degrees of intrinsic hazard, design of (DISPOSAL) facilities, and operation of (DISPOSAL) facilities and (DISPOSAL) sites. The agency shall promulgate temporary rules for sewage sludge (DISPOSAL) pursuant to section 15.0412, subdivision 5. Any such rule or standard may be of general application throughout the state or may be limited as to times, places, circumstances, or conditions in order to make due allowance for variations therein. Without limitation, rules or standards may relate to collection, transportation, processing, disposal, equipment, location, procedures, methods, systems or techniques or to any other matter relevant to the prevention, abatement or control of water, air, and land pollution which may be advised through the control of collection, transportation, processing, and disposal of solid waste and (THE DISPOSAL OF) sewage sludge, and the deposit in or on land of any other material that may tend to cause pollution.

Pursuant and subject to the provisions of chapter 15, and the provisions hereof, the pollution control agency may adopt, amend and rescind rules and standards having the force of law relating to any purpose within the provisions of Laws 1971, Chapter 727, for the prevention, abatement, or control of noise pollution. Any such rule or standard may be of general application throughout the state, or may be limited as to times, places, circumstances or conditions in order to make due allowances for variations therein. Without limitation, rules or standards may relate to sources or emissions of noise or noise pollution, to the quality or composition of noises in the natural environment, or to any other matter relevant to the prevention, abatement, or control of noise pollution.

As to any matters subject to this chapter, local units of government may set emission regulations with respect to stationary sources which are more stringent than those set by the pollution control agency.

Pursuant to chapter 15, the pollution control agency may adopt, amend, and rescind rules and standards having the force of law relating to any purpose within the provisions of this chapter for the management, identification, labeling, classification, storage, collection, treatment, transportation, processing, and disposal of hazardous waste and location of hazardous waste facilities. A rule or standard may be of general application throughout the state or may be limited as to time, places, circumstances, or conditions. The public utilities commission, in cooperation with the pollution control agency, shall set standards for the transportation of hazardous waste in accordance with chapter 221. In implementing its hazardous waste rules, the pollution control agency shall give high priority to providing planning and technical assistance to hazardous waste gen-

erators. The agency shall assist generators in investigating the availability and feasibility of both interim and long term hazardous waste management methods. The methods shall include waste reduction, waste separation, waste processing, resource recovery, and temporary storage.

The pollution control agency shall give highest priority in the consideration of permits to authorize disposal of diseased shade trees by open burning at designated sites to evidence concerning economic costs of transportation and disposal of diseased shade trees by alternative methods.

Sec. 27. Minnesota Statutes 1980, Section 116.41, Subdivision 2, is amended to read:

Subd. 2. [TRAINING AND CERTIFICATION PROGRAMS.] The agency shall develop standards of competence for persons operating and inspecting various classes of disposal facilities. The agency shall conduct training programs for persons operating facilities for the disposal of waste and for inspectors of such facilities, and may charge such fees as are necessary to cover the actual costs of the training programs.

The agency shall require operators and inspectors of such facilities to obtain from the agency a certificate of competence. The agency shall conduct examinations to test the competence of applicants for certification, and shall require that certificates be renewed at reasonable intervals. The agency may charge such fees as are necessary to cover the actual costs of receiving and processing applications, conducting examinations, and issuing and renewing certificates. *Certificates shall not be required for a private individual for landspreading and associated interim and temporary storage of sewage sludge on property owned or farmed by that individual.*

Sec. 28. Minnesota Statutes 1980, Section 400.161, is amended to read:

#### 400.161 [HAZARDOUS WASTE REGULATIONS.]

The county may by ordinance establish and revise rules, regulations, and standards relating to (a) identification of hazardous waste, (b) the labeling and classification of hazardous waste, (c) the collection, transportation, processing, disposal, and storage of hazardous waste, (d) other matters as may be determined necessary for the public health, welfare and safety. The county may issue permits or licenses for hazardous waste generation and may require the generators be registered with a county office. The ordinance may require appropriate procedures for the payment by the generator of any costs incurred by the county in completing such procedures. If the generator fails to complete such procedures, the county may recover the costs of completion in a civil action in any court of competent

jurisdiction or, in the discretion of the board, the costs may be certified to the county auditor as a special tax against the land as other taxes are collected. The ordinance may be enforced by injunction, action to compel performance, or other action in district court. (ANY ORDINANCE UNDER THIS SECTION SHALL EMBODY STANDARDS AND REQUIREMENTS ESTABLISHED BY RULE OF THE AGENCY.) *County hazardous waste ordinances shall embody and be consistent with agency hazardous waste rules. Counties shall submit adopted ordinances to the agency for review. In the event that agency rules are modified, each county shall modify its ordinances accordingly and shall submit the modification to the agency for review within 120 days. Issuing, denying, modifying, imposing conditions upon, or revoking permits (PURSUANT TO THE PROVISIONS OF THIS SECTION) or licenses and county hazardous waste regulations (PROMULGATED HEREUNDER) and ordinances shall be subject to review, denial, suspension, modification, and reversal by the pollution control agency. The pollution control agency shall after written notification have 15 days in the case of hazardous waste permits and licenses and 30 days in the case of hazardous waste ordinances to review, deny, suspend, modify, or reverse the action of the county. After (15 DAYS) this period, the action of the county board shall be final subject to appeal to the district court as provided in section 115.05.*

Sec. 29. Minnesota Statutes 1980, Section 473.149, Subdivision 2b, is amended to read:

Subd. 2b. [INVENTORY OF SOLID WASTE DISPOSAL SITES.] By (OCTOBER 1, 1981) *February 1, 1982*, the council shall adopt by resolution an inventory of eligible solid waste disposal sites and buffer areas within the metropolitan area. The council's inventory shall be composed of the sites and buffer areas proposed by the counties and reviewed and approved by the council pursuant to section 473.803, subdivision 1a. If a county does not have an approved inventory, the council shall adopt the required inventory for the county, following investigations by the council and public hearings as the council deems appropriate. The council's inventory shall satisfy all requirements and standards described in section 473.803, subdivision 1a, for sites and buffer areas proposed by counties. For sites and buffer areas included in the council's inventory, the moratorium imposed under section 473.803, subdivision 1a, shall extend until October 1, 1983.

Sec. 30. Minnesota Statutes 1980, Section 473.149, Subdivision 2c, is amended to read:

Subd. 2c. [REPORT ON LOCAL EFFECTS OF SOLID WASTE DISPOSAL FACILITIES; REPORT TO LEGISLATURE.] By (JANUARY 1) *August 15, 1982*, the council shall report to the legislative commission on methods of mitigating

and compensating for the local risks, costs, and other adverse effects of solid waste disposal facilities and on methods of financing mitigation and compensation measures. The methods of mitigating and compensating to be considered shall include but not be limited to the following: payment outside of levy limitations in lieu of taxes for all property taken off the tax rolls; preference for the city or town containing a facility in federal A-95 reviews conducted by the council; payment of all costs to service the facilities including the costs of roads, monitoring, inspection, enforcement, police and fire, and litter clean up costs; payment for buffer zone amenities and improvements; city or town control over buffer zone design; elimination of the tipping charge for solid waste collected in the city or town; a guarantee against any and all liability that may occur; payment for reclamation of closed sites to local design specifications.

Sec. 31. Minnesota Statutes 1980, Section 473.149, Subdivision 2e, is amended to read:

Subd. 2e. [SOLID WASTE DISPOSAL FACILITIES DEVELOPMENT SCHEDULE.] By January 1, 1983, after requesting and considering recommendations from the counties, cities, and towns, the council as part of its policy plan shall determine the number of sites to be acquired within each metropolitan county for solid waste disposal facilities in accordance with section 473.833. The council shall adopt a schedule for development of disposal facilities by each such county through the year 2000. The schedule shall be based upon the council's reduced estimate of the disposal capacity needed because of the council's land disposal abatement plan. The schedule may include procedures to be used by counties in selecting sites for acquisition pursuant to section 473.833. The schedule shall include standards and procedures for council certification of need pursuant to section 473.823. The schedule shall include a facility closure schedule and plans for post-closure management and disposition, for the use of property after acquisition and before facility development, and for the disposition of property and development rights, as defined in section 473.833, no longer needed for disposal facilities. *The schedule shall also include a closure schedule and plans for post-closure management for facilities in existence prior to January 1, 1983.*

Sec. 32. Minnesota Statutes 1980, Section 473.149, is amended by adding a subdivision to read:

Subd. 4a. [RIGHT OF ACCESS.] *Whenever the council deems it necessary to the evaluation of a disposal site or buffer area under chapter 473, the council or any member, employee, or agent thereof, when authorized by it, may enter upon any public or private property for the purpose of obtaining information or conducting surveys or investigations if the entrance and activity are undertaken after reasonable notice and during nor-*

*mal business hours. The council shall compensate for any damage to the property caused by the entrance and activity.*

Sec. 33. Minnesota Statutes 1980, Section 473.153, Subdivision 1, is amended to read:

Subdivision 1. [FACILITIES REQUIRED.] Except as provided in subdivision 7 and section 115A.33, all sewage sludge disposal facilities and facilities for the disposal of solid waste generated by the metropolitan waste control commission shall be established and operated in accordance with this section and section 473.516. The council and the commission shall establish (AT LEAST ONE FACILITY FOR SEWAGE SLUDGE DISPOSAL AND AT LEAST ONE FACILITY FOR SOLID WASTE DISPOSAL) *the facilities needed for the disposal of sewage sludge and solid waste generated by the commission. The council and the commission shall establish at least one facility.*

Sec. 34. Minnesota Statutes 1980, Section 473.153, Subdivision 2, is amended to read:

Subd. 2. [CANDIDATE SITE SELECTION.] By (JULY) *November (1) 15, 1981*, the council shall select (THREE) *six* candidate sites for the disposal of the commission's sewage sludge and (THREE CANDIDATE SITES FOR THE DISPOSAL OF THE COMMISSION'S) solid waste, together with appropriate surrounding buffer areas. The council shall evaluate sites for candidacy on the basis of at least the following factors: local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities, distance from the points of generation, and the intrinsic suitability of sites compared with other potential sites. Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of the council, counties, or local units of government, no land shall be excluded from consideration for candidacy except land determined by the agency to be intrinsically unsuitable. No site shall be selected for candidacy unless the agency certifies its (APPARENT) intrinsic suitability for the use intended, based on preliminary environmental analysis and on-site surveys and investigations conducted by the (AGENCY) *council. The council shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed as candidate sites as soon as available but no later than August 15, 1981. By September 1, 1981, the council shall propose at least six locations as candidate sites and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. The director shall publish notice of a consolidated hearing on the recommendation. Notice shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to local government units containing a proposed candidate site. The hearing shall be conducted by the state office of administrative hearings in a manner consistent*

*with the completion of the proceedings and the hearing examiner's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the council and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The contested case procedures of chapter 15 shall not apply to this hearing. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify them accordingly by November 1, 1981. The agency shall not be required to promulgate rules pursuant to chapter 15 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. In selecting candidate sites, the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county, or local unit of government use after closure of a disposal facility.*

Sec. 35. Minnesota Statutes 1980, Section 473.153, Subdivision 6, is amended to read:

Subd. 6. [COUNCIL SITE SELECTION.] Within 90 days following the agency's decision on permit conditions and terms, the council shall select at least one of the candidate sites for acquisition and development by the commission (AS A SEWAGE SLUDGE DISPOSAL FACILITY AND AT LEAST ONE OF THE CANDIDATE SITES FOR ACQUISITION AND DEVELOPMENT BY THE COMMISSION AS A SOLID WASTE DISPOSAL FACILITY.) Before its selection the council shall consult with the advisory committee and affected counties, cities, and towns. *The requirements of sections 473H.02 to 473H.17 shall not apply to the selection and acquisition of the sites.*

Sec. 36. Minnesota Statutes 1980, Section 473.516, Subdivision 4, is amended to read:

Subd. 4. [TECHNICAL MONITORING; SEWAGE SLUDGE DISPOSAL.] Each sewage sludge disposal facility of the waste control commission, or site used for the disposal of sewage sludge of the commission, shall be required to have an agency permit issued pursuant to agency rules for permitting sewage sludge disposal facilities and sites. Each permit shall require a regular monitoring and testing program to be carried out by the waste control commission. A regular inspection program shall be conducted by the agency or a county under contract to the agency. The commission shall reimburse the agency quarterly for the cost of the program, and the amounts reimbursed are hereby appropriated to the agency for the purposes

of the program. *The commission shall attempt to the greatest practical extent to provide a sludge quality that permits desired nutrient loadings and minimizes elements not essential for plant growth when sludge is disposed of on private property as a soil conditioner or amendment. The commission shall provide recipients with information on the facility generating the sludge and the content of the sludge taken from its various treatment facilities.*

Sec. 37. Minnesota Statutes 1980, Section 473.801, is amended by adding a subdivision to read:

*Subd. 4. Unless otherwise provided the definitions of terms defined in section 115A.03 shall apply to sections 473.801 to 473.823.*

Sec. 38. Minnesota Statutes 1980, Section 473.803, Subdivision 1a, is amended to read:

Subd. 1a. [PROPOSED INVENTORY OF DISPOSAL SITES.] By (JUNE) *October (1) 15, 1981*, each county shall adopt, by resolution of its governing body, an inventory of four proposed sites in the county suitable for mixed municipal solid waste disposal facilities and one proposed site in the county suitable for the disposal of demolition debris and shall submit the inventory to the council for approval or disapproval. The council shall evaluate and approve or disapprove each proposed site in accordance with the standards set out in this subdivision. Except as otherwise provided in this subdivision, each site shall satisfy the standards and criteria in federal and state regulations and the council's policy plan for solid waste management. In proposing and approving sites for the inventory, the counties and the council shall prefer land which is capable of being returned to its existing use or the use anticipated in a plan of a metropolitan agency, county, or local unit of government use after closure of a disposal facility. Each site shall contain no less than 80 acres and no more than 250 acres. Each proposed site shall be surrounded by a buffer area at least equal to the area of the site. No site shall be (PROPOSED BY THE COUNTY OR APPROVED) *adopted by a county or the council as part of an inventory unless the agency certifies its intrinsic suitability for the use intended, based on preliminary environmental analysis and on site surveys and investigations conducted by the county (OR AGENCY). Notwithstanding any plan, charter provision, law, ordinance, regulation, or other requirement of any state agency or political subdivision, no land shall be excluded from consideration for inclusion in the inventory except land determined by the agency to be intrinsically unsuitable. Each county shall provide to the agency data relating to the intrinsic suitability of the sites to be proposed for the inventory as soon as available but no later than June 15, 1981. By July 1, 1981 each county shall propose at least the number of sites re-*

quired for the inventory, and the director of the agency shall issue a notice indicating which of those sites the director recommends be certified as intrinsically suitable. Notice of hearings on the director's recommendation shall be published in the state register and newspapers of general circulation in the metropolitan area and shall be sent by mail to the metropolitan council and local government units containing a proposed inventory site. A hearing shall be held in each metropolitan county and shall be conducted by the state office of administrative hearings in a manner consistent with the completion of the proceedings and the hearing examiner's report to the agency in the time allowed by this section. The hearing shall afford all interested persons an opportunity to testify and present evidence on the subject of the hearing. The subject of the hearing shall be limited to information submitted by the county and additional information on the proposed sites which is relevant to the agency's decision on intrinsic suitability. The contested case procedures of chapter 15 shall not apply to this hearing. The report of the hearing examiner shall contain findings of fact, conclusions, and recommendations on the subject of the hearing. The agency shall make a final determination as to the intrinsic suitability of each proposed site and shall certify them accordingly by October 1, 1981. The agency shall not be required to promulgate rules pursuant to chapter 15 on criteria and standards to govern its certification of intrinsic suitability under this section. No action of the agency shall be held invalid by reason of the agency's failure to notify any of the entities listed in this subdivision. The council shall evaluate each site with respect to local land use and land use controls, the protection of agriculture and natural resources, existing and future development patterns, transportation facilities and other services and facilities appropriate to land disposal facilities, the quality of other potential sites, and patterns of generation of solid waste. The council shall notify a county of any site proposed by the county which the council disapproves and shall allow the county 60 days to propose an alternative site. If the county fails to propose an alternative acceptable to the council in the time allowed, the council shall propose a site acceptable to it for inclusion in the inventory of sites in that county. If in the council's judgment a county does not contain the requisite number of satisfactory sites, the council may reduce the number of sites required of that county. A moratorium is hereby imposed on development within the area of each site and buffer area proposed by a county, pending the council's adoption of an inventory pursuant to section 473.149, subdivision 2b. For sites and buffer areas included in the council's inventory, the moratorium shall extend until October 1, 1983. No development shall be allowed to occur within the area of a site or buffer area during the period of the moratorium. No county, city, or town land use control shall permit such development, nor shall any county, city, or town sanction or approve any subdivision, permit, license, or other authorization which would allow such development to occur.

Sec. 39. Minnesota Statutes 1980, Section 473.811, Subdivision 2, is amended to read:

Subd. 2. [COUNTY FINANCING OF FACILITIES.] Each metropolitan county may by resolution authorize the issuance of bonds to provide funds for the acquisition or betterment of solid waste facilities or property or property rights for a solid waste facility, or for refunding any outstanding bonds issued for any such purpose, and may pledge to the payment of the bonds and the interest thereon, its full faith, credit and taxing powers, or the proceeds of any designated tax levies, or the gross or net revenues or charges to be derived from any facility operated by or for the county, or any combination thereof. Taxes levied for the payment of the bonds and interest shall not reduce the amounts of other taxes which the county is authorized by law to levy. *The proceeds of the bonds may be used in part to establish a reserve as further security for the payment of the principal and interest of the bonds when due. Revenue bonds issued pursuant to this section may be sold at public or private sale upon such conditions as the county board shall determine, but any bonds to which the full faith and credit and taxing powers of the county are pledged shall be sold in accordance with the provisions of chapter 475.* No election shall be required to authorize the issuance of the bonds. Except as otherwise provided, the bonds shall be issued and sold in accordance with the provisions of chapter 475.

Sec. 40. Minnesota Statutes 1980, Section 473.811, is amended by adding a subdivision to read:

Sec. 41. Minnesota Statutes 1980, Section 473.811, Subdivision 3, is amended to read:

Subd. 3. [COUNTY OPERATION OF FACILITIES.] Each metropolitan county may operate and maintain solid waste facilities, and for this purpose may employ all necessary personnel, may adopt regulations governing operation, and may establish and collect reasonable, non-discriminatory rates and charges for the use of the facilities by any local government unit or person, estimated to be sufficient, with any other moneys appropriated for the purpose, to pay all costs of acquisition, operation and maintenance. Each metropolitan county may use itself or sell all or any part of materials or energy recovered from solid waste to private interests or public agencies for consumption or reuse by them. Section 471.345 and Laws 1951,

Chapter 556, as amended shall not apply to the sale of the materials or energy (PROVIDED THAT THE DEALINGS OF EACH COUNTY SHALL BE ON A COMPETITIVE BASIS SO AS NOT TO CREATE AN UNFAIR OR UNREASONABLE ADVANTAGE OR RESTRAINT OF TRADE ON THE PART OF THE COUNTY).

Sec. 42. Minnesota Statutes 1980, Section 473.811, Subdivision 4, is amended to read:

Subd. 4. [COUNTY CONTRACTS.] Each metropolitan county may contract for the *acquisition or use of existing public or private solid waste facilities or any facilities deemed necessary or useful for resource recovery from solid waste* and may contract with any person for the operation (AND) or maintenance, or both, of any solid waste facility owned by the county. The contract shall provide for the operation (AND) or maintenance, or both, of the facility in accordance with any regulations, criteria, and standards of the agency, the metropolitan council and the county relating thereto. *Any contract for the operation or maintenance of a solid waste facility may provide for the sale of solid waste, materials, electric energy, steam or other product to the operator or for a fee payable to the operator, which may be a fixed fee, or a fee based on tonnage or a percentage of income or other measure, or any combination thereof. A metropolitan county may warrant to the operator of a solid waste facility or contract purchaser of any solid waste, materials, electric energy, steam or other product the quality, composition and available quantity of the solid waste, materials, electric energy, steam or other product to be sold or delivered.*

Sec. 43. Minnesota Statutes 1980, Section 473.811, is amended by adding a subdivision to read:

A metropolitan county may select and employ a construction manager for construction and acquisition of solid waste facilities or property or property rights for solid waste facilities and negotiate and enter into a construction management agreement, which may but need not include a guaranteed maximum price. A construction manager shall give a bond to the county in accordance with section 574.26 if a construction management agreement provides for a guaranteed maximum price, provided that the amount of any bond furnished by any contractor or subcontractor for performance of and payment of labor and materials under a contract or subcontract for solid waste facilities or property or property rights for solid waste facilities included in the guaranteed maximum price may be substituted*

*to the extent of the bond amount for the bond of the construction manager. A construction management agreement for acquisition and construction of solid waste facilities or property or property rights for solid waste facilities may be combined with a contract for maintenance or operation, or both, of the facilities and negotiated with the same person.*

The county shall require permits or licenses for the generation, collection, processing, and disposal of hazardous waste and shall require registration with a county office. *County hazardous waste ordinances shall embody and be consistent with agency hazardous waste rules. Counties shall submit adopted ordinances to the agency for review. In the event that agency rules are modified, each county shall modify its ordinances accordingly and shall submit the modification to the agency for review within 120 days.* Issuing, denying, suspending, modifying, imposing conditions upon, or revoking hazardous waste permits or licenses, and county hazardous waste regulations and ordinances, shall be subject to review, denial, suspension, modification, and reversal by the agency. The agency shall after written notification have 15 days *in the case of hazardous waste permits and licenses and 30 days in the case of hazardous waste ordinances* to review, suspend, modify, or reverse the action of the county. After this period, the action of the county board shall be final subject to appeal to the district court in the manner provided in Chapter 15.

Sec. 45. Minnesota Statutes 1980, Section 473.811, Subdivision 8, is amended to read:

Subd. 8. [COUNTY SALE OR LEASE.] Each metropolitan county may sell or lease any facilities or property or property rights previously used or acquired to accomplish the purposes specified by sections 473.149, 473.151, and 473.801 to 473.823 and sections 473.827, 473.831, 473.833, and 473.834. No real property or property rights acquired pursuant to this section, may be disposed of in any manner unless and until the county

shall have submitted to the agency and the metropolitan council for review and comment the terms on and the use for which the property will be disposed of. The agency and the council shall review and comment on the proposed disposition within 60 days after each has received the data relating thereto from the county.

[GENERAL OBLIGATION BONDS.] (FOLLOWING THE ADOPTION OF THE REVISIONS TO ITS POLICY PLAN REQUIRED BY SECTION 473.149, SUBDIVISION 2C,) The council may by resolution authorize the issuance of general obligation bonds of the council to provide funds for the acquisition of sites and surrounding buffer areas for development as solid waste disposal facilities pursuant to this section and section 473.833 and to provide funds for refunding obligations issued under this section. The bonds shall be sold, issued, and secured in the manner provided in Chapter 475 for general obligation bonds, and the council shall have the same power and duties as a municipality and its governing body in issuing bonds under chapter 475, except as otherwise provided in this chapter. No election shall be required, and the net debt limitations in chapter 475 shall not apply. *The council shall have the power to levy ad valorem taxes for debt service of the council's solid waste bonds upon all taxable property within the metropolitan area, without limitation of rate or amount and without affecting the amount or rate of taxes which may be levied by the council for other purposes or by any local government unit in the area. Each of the county auditors shall annually assess and extend upon the tax rolls in his county the portion of the taxes levied by the council in each year which is certified to him by the council.* The principal amount of bonds issued pursuant to this section shall not exceed \$15,000,000.

[ALLOCATION OF DEBT SERVICE.] The annual debt service on the council's solid waste bonds, issued under section 473.831, shall be annually apportioned and certified by the council to each (CITY AND TOWN) county in the metropolitan area, in the proportion that the assessed value of all taxable property within (SUCH CITY OR TOWN) each county bears to the assessed value of the taxable property in all (SUCH CITIES AND TOWNS, AS LAST FINALLY EQUALIZED BEFORE OCTOBER 1 IN THE YEAR IN WHICH THE ALLOCATION IS MADE) the counties, except that the apportionment to each county shall first be adjusted to reflect exemptions from payment required by subdivision 1 and reductions in payment required by subdivision 3.

(d) Modification in computing taxable income of the estate of a decedent. Amounts allowable under section 291.07, subdivision 1, clause (2) in computing Minnesota inheritance or estate tax liability shall not be allowed as a deduction in computing the taxable income of the estate unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts have not been allowed as a deduction under section 291.07 and a waiver of the right to have the amounts allowed at any time as deductions under section 291.07. The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). In the event that the election made for federal tax purposes under section 642(g) of the Internal Revenue Code of 1954 differs from the election made under this paragraph appropriate modification of the estate's federal taxable income shall be made to implement the election made under this paragraph in accordance with regulations prescribed by the commissioner."

#### HOUSE RESOLUTION NO. 16

A house resolution commemorating the 90th anniversary of the establishment of Itasca State Park.

*Whereas*, the mystery of the source of the Mississippi River was the cause of much of the early exploration of Minnesota in the late 1700s and early 1800s; and,

*Whereas*, in 1832 Henry Rowe Schoolcraft located the most northerly source of the Mississippi at what he called Lake Itasca; and,

*Whereas*, the Lake Itasca area is not only interesting as the source of the Mississippi River but also for its unspoiled forests, wildlife, prehistoric sites, and sites connected with the exploration of Minnesota; and,

*Whereas*, the 27th Legislature passed Laws of Minnesota 1891, Chapter 56, which established Itasca State Park, and was signed into law on April 20, 1891; and,

*Whereas*, Itasca State Park is one of the first state or national parks established in America; and,

*Whereas*, the establishment of Itasca State Park has been widely accepted as an act of inspired foresightedness; and,

*Whereas*, on the 90th anniversary of its establishment, it is fitting and proper to commemorate the preservation of the park lands and resources not only for Minnesotans of today but also for future generations; *now therefore*,

*Be it resolved* by the House of Representatives of the State of Minnesota that it acknowledges the debt to those who fought for and obtained the preservation of the lands and resources of the Itasca State Park. It calls upon all Minnesotans to reflect upon the wealth that has been preserved for their use and enjoyment at the park. It urges Minnesotans to see and enjoy that wealth.

(1) "Financial institution" means a state bank or trust company, a national banking association, a state or federally chartered savings and loan association, a mortgage bank or mutual savings bank.

(2) "Graduated payment home loan" means a conventional or cooperative apartment loan made pursuant to section 47.20 and subject to the provisions therein, whereunder initial periodic repayments are lower than those under the standard

conventional or cooperative apartment loan having equal periodic repayments, and gradually rise to a predetermined point after which they remain constant.

Subd. 2. [AUTHORIZATION.] Notwithstanding the provisions of sections 334.01, subdivision 1, and 51A.37, subdivision 3, clause (d), any financial institution is authorized to make graduated payment home loans and purchases representing graduated payment home loans pursuant to such rules as the commissioner of banks finds to be necessary and proper, if any, at an interest rate not in excess of the maximum lawful interest rate prescribed in section 47.20, subdivision 4. Notwithstanding the provisions of section 334.01, subdivision 1, where initial repayments of a graduated payment home loan are less than the total accrued outstanding interest, the excess accrued and unpaid interest may be added to the outstanding loan balance on which interest accrues at the contracted rate.

Subd. 3. [GRADUATED PAYMENTS.] A. (MORTGAGE) *graduated payment home loan* may provide that periodic repayments of principal and interest on (VARIABLE) *graduated payment home loans* may increase in amounts not exceeding the following:

Subd. 4. [CHANGES RESTRICTED.] Payments of principal and interest may not be changed more than once a year. The first change may not occur until one year after the date of the first payment under the (MORTGAGE) *graduated payment home loan*.

Subd. 5 [CONVERSION RIGHTS.] Borrowers taking a (MORTGAGE WITH GRADUATED PAYMENTS) *graduated payment home loan* shall have the right to convert, at a time

chosen by the borrower, to a standard nongraduated payment (MORTGAGE) *conventional loan or cooperative apartment loan*. No assessment or penalties shall be made if the borrower chooses to convert at the interest rate and outstanding principal of the graduated payment (MORTGAGE) *home loan*.

Subd. 6 [DISCLOSURE.] Each prospective borrower shall receive materials explaining in reasonably simple terms the graduated payment (MORTGAGE) *home loan* offered and a comparable standard (MORTGAGE) *conventional loan or cooperative apartment loan* instrument with a fixed interest rate and level payments. (c) A description of the conversion option; and

(d) A prominent statement that borrowers have the option to elect a standard (MORTGAGE) *conventional loan or cooperative apartment loan* instrument.

Subd. 7. [SAVINGS AND LOAN ASSOCIATIONS; FIRST LIEN.] Capitalization of interest resulting from any negative amortization of a graduated payment home loan made by a savings and loan association shall not change the status of the mortgage as a first lien against the property securing the loan pursuant to section 51A.38, subdivision 5. The capitalization of interest in a negative amortization shall not be considered as a loan or debt separate from the graduated payment mortgage contracted for at the time of loan origination."

Subd. 2. [INSTRUCTIONS.] A registration card shall be accompanied by instructions specifying the manner and method of registration, the qualifications for voting and the penalties for false registration.

Subd. 3. [DEFICIENT REGISTRATION.] No registration is deficient if it contains the voter's name, address, prior registration if any and signature. The absence of a zip code number does not cause the registration to be deficient. The election judges shall request an individual to correct a registration card if it is deficient or illegible. No eligible voter may be prevented from voting unless his registration card is deficient or he is duly and successfully challenged in accordance with *Laws 1981, Chapter 29, Article II, Section 22* or *Article V, Section 12*.

Subd. 4. [CHANGE OF REGISTRATION.] Any county auditor who receives a registration card indicating that an individual was previously registered in a different county in Minnesota shall notify the county auditor of that county on a form prescribed by the secretary of state. A county auditor receiving a registration card indicating that a voter was previously registered in a different precinct in the same county or receiving a notification form as provided in this subdivision or *Laws 1981, Chapter 29, Article V, Section 30, Subdivision 2*, shall delete that individual's name from the registration lists and remove the (ORIGINAL AND) duplicate voter registration card, if any, and the original voter registration cards from the files. Any county auditor who receives a registration card or notification requiring a change of registration records under this subdivi-

*Subd. 5. A county or municipality with an electronic or automatic data processing system for maintaining duplicate voter registration records may elect to use the system in place of duplicate voter registration cards. The auditor of a county or the clerk of a city making such an election shall notify the secretary of state of that election in writing.*

*Subd. 6. A county or municipality which makes the election authorized in subdivision 5 of this section shall maintain in their data processing system the information required by the alternate form of the duplicate registration file prescribed by the secretary of state under Laws 1981, Chapter 29, Article II, Section 24, Subdivision 3. A county or municipality which makes the election shall not be required to obtain or maintain a duplicate voter registration card. Any reference in chapter 201 to "duplicate registration file" shall not be interpreted as requiring duplicate registration cards or signatures on duplicate registration cards.*

*Subd. 7. Notwithstanding subdivisions 1 and 3 of this section, a county or municipality which makes the election authorized by subdivision 5 of this section shall require the day and month of birth of the registrant on the voter registration card. A registration in a county or municipality which makes the election is defective if it does not contain the day and month of birth of the registrant. Currently registered voters shall not be required to re-register to comply with this subdivision but shall be requested to give their day and month of birth to the county or municipality at any time except at the polling place. A county or municipality which makes the election authorized in subdivision 5 of this section shall make the prescribed duplicate registration file available as authorized by section 201.091 provided that no list which is made available for examination or purchase shall include the day and month of birth of any registered voter.*

Sec. 2. Laws 1981, Chapter 29, Article II, Section 24, is amended to read:

Sec. 24. Minnesota Statutes 1980, Section 201.221, is amended to read:

#### 201.221 [RULES.]

**Subdivision 1. [ADOPTION OF RULES.]** To implement the provisions of this chapter, the secretary of state shall adopt rules consistent with federal and state election laws.

**Subd. 2. [UNIFORM PROCEDURES FOR COUNTIES.]** The secretary of state shall assist local election officers by devis-

ing uniform forms and procedures. The secretary of state shall provide uniform rules for counties maintaining voter registration records on data processing systems so that the systems are compatible with a uniform system of electronic data maintenance. The secretary of state shall supervise the development and use of the system to insure that it conforms to applicable laws and rules.

**Subd. 3. [PROCEDURES FOR DUPLICATE REGISTRATION FILE.]** The secretary of state shall prescribe the form of the duplicate registration file so that a duplicate card contains spaces for the voter's name, address, telephone number, and signature, and space to indicate whether the voter has voted in a given election. The secretary of state shall prescribe procedures for transporting the duplicate registration files to the election judges for use on election day.

*The secretary of state shall prescribe an alternate form of the duplicate registration file for counties and cities which make the election authorized by section 1, subdivision 5. The alternate form shall not require a duplicate card or voter's signature. Information contained in the duplicate registration file shall include the voter's name, address, month and day of birth, last registration (if any), and a record of the vote history for the previous four years of elections. The secretary of state shall prescribe the form for the duplicate registration file to be used on election day in the polling place and the file shall include the name, address, month and day of birth, and a space for the voters to sign the file when they vote. He shall prescribe the form for a county or municipality to request the day and month of birth from currently registered voters. The county or municipality shall not request the day and month of birth from currently registered voters by any communication other than the prescribed form and the form shall clearly indicate that a currently registered voter does not lose his or her registration status by failing to provide his or her day and month of birth. The secretary of state shall prescribe procedures for transporting the duplicate registration files to the judges on election day. In accordance with Laws 1981, Chapter 29, Article IV, Section 40, the county auditor and the clerk of any municipality shall retain the prescribed duplicate registration file used on the date of election for one year following the election.*

**Subd. 4. [COUNTY RULES.]** The county auditor of each county may adopt rules which delegate to municipal officials in that county the duties assigned to county auditors by this chapter. If the county auditor delegates the duty to accept registrations, that delegation does not relieve him of the duty to accept registrations. When a municipal official is delegated duties given to the county auditor by this chapter, the governing body of the municipality shall immediately provide the necessary funds, equipment and facilities, establish a place of registration and put the registration plan into operation without delay.

Sec. 3. Laws 1981, Chapter 29, Article V, Section 10, is amended to read:

**Sec. 10. [204C.10] [PERMANENT REGISTRATION; COMPLETION OF VOTER CERTIFICATES; VERIFICATION OF REGISTRATION.]**

*Subdivision 1.* In election precincts with a permanent registration system, an individual seeking to vote shall print his name and address on a certificate which states that the individual is registered and will be voting only in that precinct. The individual shall then sign the certificate.

An election judge shall compare the signature on the voter's certificate with the signature as it appears on the duplicate registration card. If the election judge is satisfied that the signatures are the same, the election judge shall initial the certificate and record the fact of voting on the back of the duplicate registration card. The initialed certificate shall be handed to the voter, who shall deliver it to the election judge in charge of ballots as proof of the right to vote.

*Subd. 2* *Subdivision 1 does not apply to voting in counties or municipalities which make the election authorized by section 1, subdivision 5. In lieu of the certificate required by subdivision 1, an applicant shall sign the duplicate registration file in the space provided next to his name in the file. In lieu of the signature comparison required by subdivision 1, a judge may, before the applicant signs the duplicate registration file, request that the applicant give his name, address, and day and month of birth. After the applicant signs the registration file, the judge shall give the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in charge of ballots as proof of his right to vote, and thereupon the judge shall hand to the voter the ballot. The judges shall destroy the voters' receipts at the end of the day.*

**Sec. 4. [TEMPORARY RULES.]**

*The secretary of state shall have authority to promulgate temporary rules pursuant to chapter 15 to carry out the purposes of section 2.*

**Sec. 5. [EFFECTIVE DATE.]**

*This act is effective the day after final enactment."*

Brinkman from the Committee on Financial Institutions and Insurance to which was referred:

H. F. No. 658, A bill for an act relating to financial institutions; permitting banks to make adjustable-rate mortgage loans; proposing new law coded in Minnesota Statutes, Chapter 48.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [48.186] [ADJUSTABLE-RATE MORTGAGE LOANS.]

*Subdivision 1. [DEFINITIONS.] For purposes of this section the following terms have the meanings given them:*

(a) "Adjustable-rate mortgage loan" means a loan or advance of credit to a noncorporate borrower in an original principal amount of less than \$100,000 secured by a lien on a one to

four family dwelling, including a condominium unit, cooperative apartment unit, or a mobile home, made pursuant to an agreement intended to enable the lender to adjust the rate of interest from time to time.

(b) "Bank" means any bank organized under the laws of this state or any national banking association doing business in this state.

Subd. 2. [ADJUSTABLE-RATE MORTGAGE LOAN AGREEMENT.] Pursuant to rules the commissioner finds necessary and proper, a bank may contract to extend credit pursuant to an adjustable-rate mortgage loan agreement. An adjustable-rate mortgage loan agreement shall provide that the loan issued be for a term of three to five years, secured by a mortgage maturing in not to exceed 40 years, and automatically renewable at the end of each term for a subsequent term of three to five years. An adjustable-rate mortgage loan agreement must provide that the loan be repayable in equal monthly installments of principal and interest during the loan term, in an amount at least sufficient to amortize a loan with the same principal and at the same interest rate over the remaining life of the mortgage.

An adjustable-rate mortgage loan agreement must grant to the borrower an option to renew the loan for a new term, but not beyond the maturity date of the mortgage, at a new interest rate which will be the bank's current market rate of interest on similar loans determined 30 days before the due date of the loan; provided, that the maximum interest rate increase shall be equal to one-half of one percent per year multiplied by the number of years in the loan term with the maximum net increase or decrease not to exceed one-half of the initial contract interest rate over the life of the mortgage. Interest rate increases are optional with the bank; net decreases from the previous loan term are mandatory.

Subd. 3. [LIMITATION ON ASSUMPTIONS.] An adjustable-rate mortgage agreement may provide that if all or any part of the property or an interest therein is sold or transferred by the borrower without the bank's prior written consent, the bank may declare all sums secured by the mortgage due and payable. The bank shall consent to a subsequent transfer of the property if the transferee meets the bank's reasonable standards of credit worthiness, including, but not limited to, the ability of the transferee to make the loan payments and satisfactorily maintain the real estate used as collateral. Any such agreement shall not affect the priority, validity, or enforceability of any loan instrument. A lender may charge a fee not in excess of one percent of the remaining unpaid principal balance in the event the remaining indebtedness is assumed by the transferee, and the existing borrower is released from all obligations under the loan instrument.

*Subd. 4. [INTEREST.] The interest rate or loan yields of an adjustable-rate mortgage loan and subsequent renewals thereof are subject to the maximum lawful interest rate ceiling as prescribed for conventional loans by Minnesota Statutes, Sections 47.20 and 47.21.*

*Subd. 5. [WRITTEN DISCLOSURES.] At the time an initial application for an adjustable-rate mortgage loan is requested, the applicant must be given written disclosures prepared in reasonably simple terms that contain at least the following information: (a) an explanation of how an adjustable rate mortgage loan differs from a standard, fixed-rate mortgage; (b) an example of an adjustable rate mortgage loan indicating the maximum possible interest rate increase and monthly payment calculated on that rate at the time of the first renewal; (c) an explanation of how the bank determines what the rate will be at the end of the term; and (d) an estimate of possible costs of renewal.*

*Subd. 6. [NOTICE TO BORROWER.] Thirty days before the due date of the adjustable-rate mortgage loan, the bank shall send a written notification to the borrower containing the following information: (a) the date on which the entire balance of borrower's loan is due and payable; (b) a statement that the loan will be renewed automatically by the bank at the rate specified in the notice unless the borrower pays the loan by the due date; (c) the amount of the monthly payment, calculated according to the new rate determined by the time of notice; (d) a statement that the borrower may prepay the loan without penalty at any time after the original loan becomes due and payable; (e) the cost, if any, of document preparation and recording; and (f) the telephone number of the bank where questions concerning the information in the notice may be obtained by the borrower.*

## **Sec. 2. [EFFECTIVE DATE.]**

*Section 1 is effective the day following final enactment."*

With the recommendation that when so amended the bill pass.

"Section 1. Minnesota Statutes 1980, Section 168.013, Subdivision 3, is amended to read:

Subd. 3. [APPLICATION; CANCELLATION; EXCESSIVE GROSS WEIGHTS FORBIDDEN.] The applicant for all licenses based on gross weight shall state in writing upon oath, (AMONG OTHER THINGS,) the unloaded weight of (SUCH) *the motor vehicle (OR), trailer or semi-trailer* and the maximum load the applicant proposes to carry thereon, the sum of which shall constitute the gross weight upon which the license tax shall be paid, but in no case shall the declared gross weight upon which the tax is paid be less than 1-1/2 times the declared unloaded weight of the *motor vehicle (OR), trailer or semi-trailer* to be registered, except recreational vehicles taxed under subdivision 1g, school buses taxed under subdivision 18 and wreckers defined in section 169.01, subdivision 52. The gross weight of a wrecker is the actual weight of the wrecker fully equipped, but does not include the weight of a wrecked or disabled vehicle towed or drawn by the wrecker.

The gross weight of no *motor vehicle (OR), trailer or semi-trailer* shall exceed the gross weight upon which the license tax has been paid by more than four percent or 1000 pounds, whichever is greater.

The gross weight of the *motor vehicle (OR), trailer or semi-trailer* for which (SUCH) *the* license tax is paid shall be indicated by a distinctive character on the license plate or plates except as provided in subdivision 12 and the plate or plates shall be kept clean and clearly visible at all times.

The owner, driver, or user of a *motor vehicle (OR), trailer or semi-trailer* upon conviction for transporting a gross weight in excess of the gross weight for which it was registered or for operating a vehicle with an axle weight exceeding the maximum

lawful axle load weight shall be guilty of a misdemeanor and be subject to increased registration or re-registration according to the following schedule:

(1) The owner, driver or user of a *motor* vehicle (OR), trailer or *semi-trailer* upon conviction for transporting a gross weight in excess of the gross weight for which it is registered by more than four percent or 1000 pounds, whichever is greater, but less than 25 percent or for operating or using a *motor* vehicle (OR), trailer or *semi-trailer* with an axle weight exceeding the maximum lawful axle load as provided in section (169.83) 4 by more than four percent or 1000 pounds, whichever is greater, but less than 25 percent, in addition to any penalty imposed (ON HIM) for the misdemeanor shall apply to the registrar to increase the authorized gross weight to be carried on the vehicle to a weight equal to or greater than the gross weight (OF WHICH) the owner, driver, or user was convicted of carrying, the increase computed for the balance of the calendar year on the basis of 1/12 of the annual tax for each month remaining in the calendar year beginning with the first day of the month in which the violation occurred. If the additional registration tax computed upon that weight, plus the tax already paid, amounts to more than the regular tax for the maximum gross weight permitted for (SUCH A) *the* vehicle under section (169.83) 4, that additional amount shall nevertheless be paid into the highway fund, but the additional tax thus paid shall not (BE DEEMED TO) permit the vehicle to be operated with a gross weight in excess of the maximum legal weight as provided by section (169.83) 4. Unless the owner within 30 days after (SUCH) a conviction shall apply to increase the authorized weight and pay the additional tax as (HEREIN) provided *in this section*, the registrar shall revoke the registration on the vehicle and demand the return of the registration card and plates issued (BY HIM) on that registration.

(2) The owner or driver or user of a *motor* vehicle (OR), trailer or *semi-trailer* upon conviction for transporting a gross weight in excess of the gross weight for which the *motor* vehicle (OR), trailer or *semi-trailer* was registered by 25 percent or more, or for operating or using a vehicle or trailer with an axle weight exceeding the maximum lawful axle load as provided in section (169.83) 4 by 25 percent or more, in addition to any penalty imposed (ON HIM) for the misdemeanor, shall have the reciprocity privileges on the vehicle involved if the (SAME) *vehicle* is being operated under reciprocity (CANCELED) *cancelled* by the registrar, or if the vehicle is not being operated under reciprocity, the certificate of registration on the vehicle (SO) operated shall be (CANCELED) *cancelled* by the registrar and the registrar shall demand the return of the registration certificate and registration plates. The registrar may investigate any allegation of gross weight violations and demand that the operator show cause why all future operating privileges in the state should not be revoked unless the additional tax assessed (BE) *is* paid.

(3) When the registration on a motor vehicle, trailer or semi-trailer (HAS BEEN) is revoked by the registrar according to provisions of this section, (SUCH) *the* vehicle shall not be (AGAIN) operated on the highways of the state until it is registered or re-registered, as the case may be, and new plates issued, and the registration fee (THEREFOR) shall be the annual tax for the total gross weight of the vehicle at the time of violation. *The re-registration pursuant to this subdivision of any vehicle operating under reciprocity agreements pursuant to section 168.181 or 168.187 shall be at the full annual registration fee without regard to the percentage of vehicle miles traveled in this state.*

Sec. 2. Minnesota Statutes 1980, Section 169.01, Subdivision 46, is amended to read:

Subd. 46. [GROSS VEHICLE WEIGHT.] “Gross vehicle weight” means the unloaded weight of a vehicle or the unloaded weight of a truck-tractor and semi-trailer combination, plus the weight of the load.

Sec. 3. Minnesota Statutes 1980, Section 169.03, Subdivision 6, is amended to read:

Subd. 6. The provisions of this chapter shall not apply to persons, motor vehicles, and other equipment while actually engaged in work upon the (ROADWAY OF A) highway, but shall apply to (SUCH) *those* persons and vehicles when traveling to or from such work, except that persons operating equipment owned (OR), rented or hired by road authorities shall be exempt from the *width, height and length* provisions of sections 169.80 and 169.81 and shall be exempt from the *weight limitations of this chapter while engaged in snow or ice removal and while engaged in flood control operations on behalf of the state or a local governmental unit.*

(c) Where the maximum wheel load exceeds 600 pounds per inch of tire width or the manufacturer's recommended load, whichever is less;

(d) Where the gross weight on any axle of a tridem exceeds 15,000 pounds, except that for vehicles to which an additional axle has been added prior to June 1, 1981, the maximum gross weight on any axle of a tridem shall not exceed 16,000 pounds and the gross weight of the tridem combination shall not exceed 37,000 pounds where the first and third axles of the tridem are spaced seven feet apart; 38,500 pounds where the first and third axles of the tridem are spaced eight feet apart; and 39,900 pounds where the first and third axles of the tridem are spaced nine feet apart;

(e) Where the gross weight on any group of axles exceeds the weights permitted under this section with any or all of the interior axles disregarded and their gross weights subtracted from the gross weight of all axles of the vehicle.

**Subd. 9. [VEHICLES NOT EQUIPPED WITH PNEUMATIC TIRES.]** A vehicle or combination of vehicles not equipped with pneumatic tires shall be governed by the provisions of this section, except that the gross weight limitations shall be reduced by 40 percent.

*Subd. 10. [GROSS WEIGHT SCHEDULE.] (a) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated upon the highways of this state where the total gross weight on any group of two or more consecutive axles of any vehicle or combination of vehicles exceeds that given in the following table for the distance between the centers of the first and last axles of any group of two or more consecutive axles under consideration; the distance between axles being measured longitudinally to the nearest even foot, and when the measurement is a fraction of exactly one-half foot the next largest whole number in feet shall be used, except that when the distance between axles is more than three feet four inches and less than three feet six inches the distance of four feet shall be used:*

(b) *is inconsistent with structural capacity of the route, including consideration of the volume of traffic expected to occur on the route after designation.*

Notwithstanding any finding under clause (b), the commissioner shall designate any route which he determines is needed to provide

The commissioner may undesignate any route when continued designation is inconsistent with the provisions of this subdivision, subject to the approval of any local authority having jurisdiction over the route.

Upon weighing a vehicle and load, as provided (ABOVE) *in this section*, an officer may require the driver to stop the vehicle in a suitable place and remain standing until a portion of the load is removed that is sufficient to reduce the gross weight of the vehicle to the limit permitted under (SECTIONS 169.83 OR 169.832, WHICHEVER APPLIES) *section 4*. A driver may be required to unload a vehicle only if the weighing officer determines that (a) on routes subject to the provisions of section (169.83) *4*, the weight on any axle exceeds the lawful gross weight prescribed by section (169.83) *4*, by 2,000 pounds or more, or the weight on any group of two or more consecutive axles in cases where the distance between the centers of the first and last axles of the group under consideration is ten feet or less exceeds the lawful gross weight prescribed by section (169.83) *4*, by 4,000 pounds or more; or (b) on routes (SUBJECT TO THE PROVISIONS OF SECTION 169.832) *designated by the commissioner in section 5*, the overall weight of the vehicle or the weight on any axle or group of consecutive axles exceeds the maximum lawful gross weights prescribed by section (169.832) *4*; or (c) the weight is unlawful on any axle or group of consecutive axles on any road restricted in accordance with section 169.87. All material so unloaded shall be cared for by the owner or driver of (SUCH) *the vehicle at the risk of (SUCH) the owner or driver.*

Any driver of a vehicle who fails or refuses to stop and submit the vehicle and load to a weighing as required (HEREIN) *in this section*, or who fails or refuses, when directed by an officer upon a weighing of the vehicle, to stop the vehicle and otherwise comply with the provisions of this section, (SHALL BE) *is guilty of a misdemeanor.*

(THE PROVISIONS OF THIS SECTION DO NOT APPLY TO THE TRANSPORTATION OF UNPROCESSED OR RAW FARM PRODUCTS FROM THE PLACE OF PRODUCTION TO MARKET PROVIDED THE TRANSPORTATION CONSTITUTES THE FIRST HAUL OF THE PRODUCTS.) For the purposes of this section and sections 169.871 and 169.872, a document required to be kept under section 169.872 indicating a unit of measure that, when converted to weight and combined with the weight of the empty vehicle, indicates a gross weight in excess of the prescribed maximum weight limitation permitted by this chapter is relevant evidence that the weight of the vehicle and load is unlawful. The foregoing provisions do not limit the introduction of other competent evidence bearing upon the question of whether or not there is a violation of the prescribed maximum weight limitations permitted by this chapter.*

*Subd. 5. [EXCEPTION.] The provisions of this section do not apply to the first haul of unprocessed or raw farm products and the transportation of raw and unfinished forest products.*

Sec. 10. Minnesota Statutes 1980, Section 79.01, Subdivision 2, is amended to read:

Subd. 2. [INSURER.] The word "insurer" means any insurance carrier authorized by license issued by the commissioner of insurance to transact the business of workers' compensation insurance in this state (. Sec. 11. Minnesota Statutes 1980, Section 79.01, Subdivision 3, is amended to read:

Subd. 3. [INSURANCE.] The word "insurance" means workers' compensation insurance and insurance covering any part of the liability of an employer exempted from insuring his liability for compensation, as provided in section 176.181 (.) *and includes* a program of self insurance, self insurance revolving fund or pool established under section 471.981 (IS NOT INSURANCE FOR PURPOSES OF THIS SUBDIVISION).

*Subd. 1a. If the legislature enacts amendments to the workers' compensation laws of this state which indicate a reduction in the schedule of rates, or the commissioner determines that the loss experience of Minnesota workers' compensation insurers indicates a change in the existing schedule of rates, the commissioner may, in his discretion order a change in the schedule of rates or order a hearing to determine whether and by what percentage the schedule of rates should be changed. A hearing held pursuant to this subdivision is not subject to the contested case proceeding requirements of sections 79.071 and 79.072, notwithstanding section 79.076.*

Sec. 13. Minnesota Statutes 1980, Section 79.071, is amended by adding subdivisions to read:

*Subd. 8. When an insurer's estimate of amounts required to be reserved is based in any part on the operation of section 176.645, any assumption as to reserves required due to the operation of section 176.645, shall, for the purposes of determining rates, be offset by an assumption that the amount initially reserved shall be invested and yield a return equal to the annual percentage increase in the statewide average weekly wage. With respect to other reserved amounts, the commissioner shall, in determining rates, cause those rates to fully reflect the investment earnings of insurers which arise from revenues derived from the sale of workers' compensation insurance, either by use of a discount rate of no less than six percent in determining the reserves necessary for all claims, or by the use of an alternative methodology which the commissioner finds is more appropriate. Insurers shall provide the commissioner with any information which he deems necessary to arrive at the determination required by this subdivision.*

*Subd. 9. [EXPENSE ALLOWANCE.] A schedule of rates shall be deemed excessive and shall not be approved by the commissioner if it contemplates or would result in an expense allocation for workers' compensation insurers in excess of 30.85 percent of premium. Any approved schedule of rates which would result in an excessive expense allocation shall be modified to comply with this subdivision pursuant to section 12.*

*Subd. 10. In no case shall more than one insurer reserve amounts in anticipation of losses on a single claim, nor shall an insurer reserve amounts in anticipation of losses which are the responsibility of the reinsurance association.*

Sec. 14. Minnesota Statutes 1980, Section 79.34, Subdivision 1, is amended to read:

Subdivision 1. A nonprofit association known as the workers' compensation reinsurance association is created, which may be incorporated under chapter 317 with all the powers of a corporation formed under that chapter, except that if the pro-

visions of that chapter are inconsistent with sections 79.34 to 79.42 or any amendments thereto, sections 79.34 to 79.42 shall govern. Each insurer as defined by section 79.01, subdivision 2, shall as a condition of its authority to transact workers' compensation insurance in this state, be a member of the reinsurance association and shall be bound by the plan of operation of the reinsurance association; *provided, that all affiliated insurers within a holding company system as defined in sections 60D.01 to 60D.13 shall be considered a single entity for purposes of the exercise of all rights and duties of membership in the reinsurance association.* Each self-insurer approved pursuant to section 176.181 and each political subdivision which self-insures shall, as a condition of its authority to self-insure workers' compensation liability in this state, be a member of the reinsurance association and shall be bound by its plan of operation; *provided, that (a) all affiliated companies within a holding company system, as determined by the commissioner in a manner consistent with the standards and definitions in sections 60D.01 to 60D.13, shall be considered a single entity for purposes of the exercise of all rights and duties of membership in the reinsurance association, and (b) all group self-insurers granted authority to self-insure pursuant to section 176.181 shall be considered a single entity for purposes of the exercise of all the rights and duties of membership in the reinsurance association.* The reinsurance association shall not be deemed a state agency. Actions of the reinsurance association and its board of directors and actions of the commissioner of insurance with respect to the reinsurance association shall not be subject to chapter 15. The reinsurance association shall be exempt from taxation under the laws of this state and all property owned by the association shall be exempt from taxation. The reinsurance association shall not be obligated to make any payments or pay any assessments to any funds or pools established pursuant to this chapter or chapter 176 or any other law.

Sec. 15. Minnesota Statutes 1980, Section 79.34, Subdivision 2, is amended to read:

Subd. 2. The reinsurance association shall provide and each member shall accept indemnification for 100 percent of the amount of ultimate loss sustained in each loss occurrence relating to one or more claims arising out of a single compensable event, including aggregate losses related to a single event or occurrence which constitutes a single loss occurrence, under chapter 176 on and after October 1, 1979, in excess of \$300,000 or \$100,000 retention limit, at the option of the member. In case of occupational disease causing disablement on and after October 1, 1979, each person suffering such disablement shall be considered to be involved in a separate loss occurrence. (EACH) *The \$100,000 retention limit shall be increased to the nearest \$10,000, on January 1, (1981) 1982 and on each January 1 thereafter by the percentage increase in the statewide average weekly wage, as determined in accordance with section 176.011, subdivision 20. On January 1, 1982 and on each January 1 there-*

after, the \$300,000 retention limit shall be increased by the amount necessary to retain a \$200,000 difference between the two retention limits. Ultimate loss as used in this section means the actual loss amount which a member is obligated to pay and which is paid by the member for workers' compensation benefits payable under chapter 176 and shall not include claim expenses, assessments, damages or penalties. A loss is incurred by the reinsurance association on the date on which the accident or other compensable event giving rise to the loss occurs, and a member is liable for a loss up to its retention limit in effect at the time that the loss was incurred, except that members which are determined by the reinsurance association to be controlled by or under common control with another member, and which are liable for claims from one or more employees entitled to compensation for a single compensable event, including aggregate losses relating to a single loss occurrence, may aggregate their losses and obtain indemnification from the reinsurance association for the aggregate losses in excess of the higher retention limit in effect at the time the loss was incurred. Each member is liable for payment of its ultimate loss and shall be entitled to indemnification from the reinsurance association for the ultimate loss in excess of the member's retention limit in effect at the time of the loss occurrence.

A member that chooses the higher retention limit shall retain the liability for all losses below the higher retention limit itself and shall not transfer the liability to any other entity or reinsure or otherwise contract for reimbursement or indemnification for losses below its retention limit, except in the following cases: (a) when the reinsurance or contract is with another member which, directly or indirectly, through one or more intermediaries, control or are controlled by or are under common control with the member; (b) when the reinsurance or contract provides for reimbursement or indemnification of a member if and only if the total of all claims which the member pays or incurs, but which are not reimbursable or subject to indemnification by the reinsurance association for a given period of time, exceeds a dollar value or percentage of premium written or earned and stated in the reinsurance agreement or contract; (c) when the reinsurance or contract is a pooling arrangement with other insurers where liability of the member to pay claims pursuant to chapter 176 is incidental to participation in the pool and not as a result of providing workers' compensation insurance to employers on a direct basis under chapter 176; (OR (D) ANY OTHER REINSURANCE OR CONTRACT APPROVED BY THE COMMISSIONER UPON HIS DETERMINATION THAT THE REINSURANCE OR CONTRACT IS NOT INCONSISTENT WITH THE BASES FOR EXCEPTION PROVIDED UNDER CLAUSES (A), (B) AND (C) ABOVE) (d) when the reinsurance or contract is limited to all the claims of a specific insured of a member which are reimbursed or indemnified by a reinsurer which, directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with the insured of the member so long as any subsequent contract or re-

*insurance of the reinsurer relating to the claims of the insured of a member is not inconsistent with the bases of exception provided under clauses (a), (b) and (c) above; or (e) when the reinsurance or contract is limited to all claims of a specific self-insurer member which are reimbursed or indemnified by a reinsurer which, directly or indirectly, through one or more intermediaries, controls or is controlled by or is under common control with the self-insurer member so long as any subsequent contract or reinsurance of the reinsurer relating to the claims of the self-insurer member are not inconsistent with the bases for exception provided under clauses (a), (b) and (c) above.*

*Whenever it appears to the commissioner that any member that chooses the higher retention limit has participated in the transfer of liability to any other entity or reinsured or otherwise contracted for reimbursement or indemnification of losses below its retention limit in a manner inconsistent with the bases for exception provided under clauses (a), (b), (c), (d), and (e), the commissioner may, after giving notice and an opportunity to be heard, order the member to pay to the state of Minnesota an amount not to exceed twice the difference between the reinsurance premium for the higher and lower retention limit applicable to the member for each year in which the prohibited reinsurance or contract was in effect. Any member subject to this penalty provision shall continue to be bound by its selection of the higher retention limit for purposes of membership in the reinsurance association.*

Sec. 16. Minnesota Statutes 1980, Section 79.35, is amended to read:

#### 79.35 [DUTIES; RESPONSIBILITIES; POWERS.]

The reinsurance association shall do the following on behalf of its members:

(a) Assume 100 percent of the liability as provided in section 79.34;

(b) Establish procedures by which members shall promptly report to the reinsurance association each claim which, on the basis of the injury sustained, may reasonably be anticipated to involve liability to the reinsurance association if the member is held liable under chapter 176. Solely for the purpose of reporting claims, the member shall in all instances consider itself legally liable for the injury. The member shall advise the reinsurance association of subsequent developments likely to materially affect the interest of the reinsurance association in the claim;

(c) Maintain relevant loss and expense data relative to all liabilities of the reinsurance association and require each member to furnish statistics in connection with liabilities of the rein-

surance association at the times and in the form and detail as may be required by the plan of operation;

(d) Calculate and charge to members a total premium sufficient to cover the expected liability which the reinsurance association will incur in excess of the higher retention limit but less than (\$500,000) *the prefunded limit*, together with incurred or estimated to be incurred operating and administrative expenses for the period to which this premium applies and actual claim payments to be made by members, during the period to which this premium applies, for claims in excess of (\$500,000 FOR THE PERIOD TO WHICH THIS PREMIUM IS APPLICABLE) *the prefunded limit in effect at the time the loss was incurred. The prefunded limit shall be \$2,500,000 on and after October 1, 1979, provided that the prefunded limit shall be increased on January 1, 1983 and on each January 1 thereafter by the percentage increase in the statewide average weekly wage, to the nearest \$100,000, as determined in accordance with section 176.011, subdivision 20.* Each member shall be charged a proportion of the total premium in an amount equal to its proportion of the total standard earned premium of all members during the period to which the reinsurance association premium will apply, as determined by the commissioner. Each member exercising the lower retention option shall also be charged a premium established by the board as sufficient to cover incurred or estimated to be incurred claims for the liability the reinsurance association is likely to incur between the lower and higher retention limits for the period to which the premium applies. Each (MEMBER'S PREMIUM) member shall (INCLUDE AN AMOUNT) *also be charged a premium determined by the board to equitably distribute excess or deficient premiums from previous periods including any excess or deficient premiums resulting from a retroactive change in the prefunded limit.* An equitable basis for determining standard earned premium for self-insurers shall be established by the commissioner. The premiums charged to members shall not be unfairly discriminatory as defined in section 79.074. All premiums shall be approved by the commissioner;

(e) Require and accept the payment of premiums from members of the reinsurance association;

(f) Receive and distribute all sums required by the operation of the reinsurance association;

(g) Establish procedures for reviewing claims procedures and practices of members of the reinsurance association. If the claims procedures or practices of a member are considered inadequate to properly service the liabilities of the reinsurance association, the reinsurance association may undertake, or may contract with another person, including another member, to adjust or assist in the adjustment of claims which create a potential liability to the association and may charge the cost of the adjustment to the member; and

(h) Provide each member of the reinsurance association with an annual report of the operations of the reinsurance association in a form the board of directors may specify.

Sec. 17. Minnesota Statutes 1980, Section 79.36, is amended to read:

79.36 [ADDITIONAL POWERS.]

In addition to the powers granted in section 79.35, the reinsurance association may do the following:

(a) Sue and be sued. A judgment against the reinsurance association shall not create any direct liability against the individual members of the reinsurance association. The reinsurance association shall provide in the plan of operation for the indemnification, to the extent provided in the plan of operation, of the members, members of the board of directors of the reinsurance association, and officers, employees and other persons lawfully acting on behalf of the reinsurance association;

(b) Reinsure all or any portion of its potential liability, including potential liability in excess of (\$500,000) *the pre-funded limit*, with reinsurers licensed to transact insurance in this state or otherwise approved by the commissioner;

(c) Provide for appropriate housing, equipment, and personnel as may be necessary to assure the efficient operation of the reinsurance association;

(d) Contract for goods and services, including but not limited to independent claims management, actuarial, investment, and legal services from others within or without this state to assure the efficient operation of the reinsurance association;

(e) Adopt operating rules, consistent with the plan of operation, for the administration of the reinsurance association, enforce those operating rules, and delegate authority as necessary to assure the proper administration and operation of the reinsurance association;

If the action is not diligently prosecuted by the employer, or the attorney general on behalf of the special compensation fund, or the court deems it advisable in order to protect the interest of the employee, the court, upon application, may grant to the employee or his dependents the right to intervene in the action for the prosecution thereof. The proceeds of such action or settlement thereof shall be paid in accordance with subdivision 6.

(b) If an employer, being then insured, sustains damages due to a change in workers' compensation insurance premiums, whether by a failure to achieve a decrease or by a retroactive or prospective increase, as a result of the injury or death of his employee which was caused under circumstances which created a legal liability for damages on the part of a party other than the employer, the employer, notwithstanding other remedies provided, may maintain an action against the other party for recovery of such premiums. This cause of action may be brought either by joining in an action described in clause (a) or by a separate action. Damages recovered under this clause shall be for the benefit of the employer and the provisions of subdivision 6 shall not be applicable to such damages.

(c) The third party is not liable to any person other than the employee or his dependents, or his employer, or the special compensation fund, for any damages resulting from the injury or death.

A co-employee working for the same employer is not liable for a personal injury incurred by another employee unless the injury resulted from the gross negligence of the co-employee or was intentionally inflicted by the co-employee.

Sec. 46. Minnesota Statutes 1980, Section 176.061, Subdivision 6, is amended to read:

Subd. 6. [COSTS, ATTORNEY FEES, EXPENSES.] The proceeds of all actions for damages or settlement thereof under this section, except for damages received under subdivision 5, clause (b) received by the injured employee or his dependents or by the employer, or the special compensation fund, as provided by subdivision 5, shall be divided as follows:

(a) After deducting the reasonable cost of collection, including but not limited to attorneys fees and burial expense in excess of the statutory liability, then

(b) One-third of the remainder shall in any event be paid to the injured employee or his dependents, without being subject to any right of subrogation.

(c) Out of the balance remaining, the employer, or the special compensation fund, shall be reimbursed in an amount equal

to all (COMPENSATION) *benefits* paid under this chapter to *or on behalf of* the employee or his dependents by the employer, *or special compensation fund*, less the product of the costs deducted under clause (a) divided by the total proceeds received by the employee or his dependents from the other party multiplied by all (COMPENSATION) *benefits* paid by the employer, *or the special compensation fund*, to the employee or his dependents.

(d) Any balance remaining shall be paid to the employee or his dependents, and shall be a credit to employer, *and the special compensation fund*, for any (COMPENSATION) *benefits* which employer is obligated to pay, but has not paid, and for any (COMPENSATION) *benefits* that such employer shall be obligated to make in the future.

There shall be no reimbursement or credit to *the* employer, *or the special compensation fund*, for interest or penalties.

Sec. 47. Minnesota Statutes 1980, Section 176.061, Subdivision 7, is amended to read:

Subd. 7. [MEDICAL TREATMENT.] The liability of an employer, *or the special compensation fund*, for medical treatment under this chapter shall not be affected by the fact that his employee was injured through the fault or negligence of a third party, against whom the employee may have a cause of action which may be sued under this chapter, but the employer, *or the attorney general on behalf of the special compensation fund*, shall have a separate additional cause of action against such third party to recover any amounts paid (BY HIM) for medical treatment under this section resulting from the negligence of such third party. This separate cause of action of the employer, *or the attorney general on behalf of the special compensation fund*, may be asserted in a separate action brought by the employer, *or the attorney general on behalf of the special compensation fund*, against such third party or in the action commenced by the employee or the employer, *or the attorney general on behalf of the special compensation fund*, under this chapter, but in the latter case the cause of action shall be separately stated, the amount awarded thereon shall be separately set out in the verdict, and the amount recovered by suit or otherwise as reimbursement for medical expenses shall be for the benefit of the employer, *or the special compensation fund*, to the extent that the employer, *or the special compensation fund*, has paid or will be required to pay for medical treatment of the injured employee and shall not affect the amount of periodic compensation to be paid.

Sec. 48. Minnesota Statutes 1980, Section 176.081, Subdivision 1, is amended to read:

Subdivision 1. No claim for legal services or disbursements pertaining to any demand made or suit or proceeding brought

(THE WORKERS' COMPENSATION COURT OF APPEALS JUDGE SHALL HAVE AUTHORITY ONLY TO APPROVE FEES IN SETTLEMENTS UPON APPEAL BEFORE THEM UP TO 25 PERCENT OF THE FIRST \$4,000 OF COMPENSATION AWARDED TO THE EMPLOYEE AND UP TO 20 PERCENT OF THE NEXT \$20,000 OF COMPENSATION AWARDED TO THE EMPLOYEE.)* If the employer or his insurer or the defendant is given written notice of such claims for legal services or disbursements, the same shall be a lien against the amount paid or payable as compensation, subject to determination of the amount and approval provided by this chapter. *Provided, however, that in no case shall fees be calculated on the basis of any undisputed portion of compensation awards. Allowable fees under this chapter shall be based solely upon genuinely disputed portions of claims.*

Sec. 49. Minnesota Statutes 1980, Section 176.081, Subdivision 2, is amended to read:

Subd. 2. Any application for attorney fees in excess of the amount (WHICH A COMPENSATION JUDGE OR THE WORKERS' COMPENSATION COURT OF APPEALS MAY AUTHORIZE) *authorized in subdivision 1* shall be made to the (COMMISSIONER OF LABOR AND INDUSTRY) *workers' compensation court of appeals*. The application shall set forth the fee requested and the basis for such request and whether or not a hearing is requested. The application, with affidavit of service upon the employee, shall be filed by the attorney requesting the fee. If a hearing is requested by an interested party, a hearing shall be set with notice of such hearing served upon known interested parties. In all cases the employee shall be served with notice of hearing.

Sec. 50. Minnesota Statutes 1980, Section 176.081, Subdivision 3, is amended to read:

Subd. 3. An employee who is dissatisfied with his attorney fees, may file an application for review by the (COMMIS-

SIONER OF LABOR AND INDUSTRY) *workers' compensation court of appeals*. Such application shall state the basis for the need of review and whether or not a hearing is requested. A copy of such application shall be served upon the attorney for the employee by the (COMMISSIONER) *court administrator* and if a hearing is requested by either party, the matter shall be set for hearing. The notice of hearing shall be served upon known interested parties. The attorney for the employee shall be served with a notice of the hearing. The (COMMISSIONER OF LABOR AND INDUSTRY) *workers' compensation court of appeals* shall have the authority to raise the question of the issue of the attorney fees at any time upon (HIS) *its own motion* and shall have continuing jurisdiction over attorney fees.

Sec. 51. Minnesota Statutes 1980, Section 176.081, Subdivision 4, is amended to read:

Subd. 4. The review of a determination by the commissioner (OF LABOR AND INDUSTRY) *or the workers' compensation court of appeals* shall be only by supreme court by certiorari upon the ground that it is arbitrary and unwarranted by the evidence. There shall be no review under sections 176.421 and 176.442.

Sec. 52. Minnesota Statutes 1980, Section 176.081, Subdivision 6, is amended to read:

Subd. 6. Sec. 53. Minnesota Statutes 1980, Section 176.081, is amended by adding a subdivision to read:

Subd. 7a. *At any time prior to one day before a matter is to be heard, a party litigating a claim made pursuant to this chapter may serve upon the adverse party a reasonable offer of settlement of the claim, with provision for costs and disbursements then accrued. If before the hearing the adverse party serves written notice that the offer is accepted, either party may then file the offer and notice of acceptance, together with the proof of service thereof, and thereupon judgment shall be entered.*

*If an offer by an employer or insurer is not accepted by the employee, it shall be deemed withdrawn and evidence thereof is not admissible, except in a proceeding to determine attorney's fees. Notwithstanding the provisions of subdivision 7, if the*

*judgment finally obtained by the employee is less favorable than the offer, the employer shall not be liable for any part of the attorney's fees awarded pursuant to this section.*

*If an offer by an employee is not accepted by the employer or insurer, it shall be deemed withdrawn and evidence thereof is not admissible, except in a proceeding to determine attorney's fees. Notwithstanding the provisions of subdivision 7, if the judgment finally obtained by the employee is at least as favorable as the offer, the employer shall pay an additional 25 percent, over the amount provided in subdivision 7, of that portion of the attorney's fee which has been awarded pursuant to this section that is in excess of \$250.*

*The fact that an offer is made but not accepted does not preclude a subsequent offer.*

No fee shall be awarded pursuant to this section in the absence of a signed retainer agreement.*

Subd. 10. The special compensation fund is created for the purposes provided in this chapter in the following manner:

(1) In every case of death of an employee resulting from personal injury arising out of and in the course of employment where there are no persons entitled to monetary benefits of dependency compensation, the employer shall pay to the commissioner (OF LABOR AND INDUSTRY) the sum of \$5,000 for the benefit of the special compensation fund; in every case of death of an employee resulting from personal injury arising out of and in the course of employment where there are no persons entitled to at least \$5,000 in monetary benefits of dependency compensation, the employer shall pay to the commissioner (OF LABOR AND INDUSTRY) for the benefit of the special compensation fund the difference between the amounts actually paid for the dependency benefits and \$5,000; but in no event shall the employer pay the commissioner (OF LABOR AND INDUSTRY) less than \$1,000;

(2) When an employee suffers a personal injury which results in permanent partial disability, temporary total disability, temporary partial disability, permanent total disability or death and which entitles him or his dependents to compensation under sections 176.101 or 176.111, the employer shall, in addition to compensation provided therein, pay to the commissioner (OF LABOR AND INDUSTRY) for the benefit of the special compensation fund a lump sum without interest deduction equal to (SEVEN) a percent of the total compensation (,) *determined as provided in this subdivision as soon as the amount payable for the particular injury is determined, or arrived at by agreement of the parties, and the amount is approved by the commissioner (OF LABOR AND INDUSTRY).*

The provisions of clauses (1) and (2) shall apply to all workers' compensation payments, exclusive of medical costs, paid

under sections 176.101 and 176.111 for all injuries or death occurring on or after June 1, 1971.

Personal injuries that occurred prior to June 1, 1971 shall be assessed at the rate in effect on the date of occurrence.

(THE SEVEN PERCENT OF THE TOTAL COMPENSATION REQUIRED TO BE PAID BY THE EMPLOYER TO THE COMMISSIONER OF LABOR AND INDUSTRY FOR THE BENEFIT OF THE SPECIAL COMPENSATION FUND AS PROVIDED IN CLAUSE (2) OF THIS SUBDIVISION SHALL REMAIN FIXED AT SAID SEVEN PERCENT FOR THE PERIOD FROM JUNE 1, 1971, TO JUNE 1, 1972. EFFECTIVE JUNE 1, 1972, THROUGH JUNE 1, 1975, AND THEREAFTER ON JANUARY 1, BEGINNING IN 1976, THE RATE SHALL BE ADJUSTED ON THE FOLLOWING BASIS: IF THE BALANCE IN THE SPECIAL COMPENSATION FUND AS OF APRIL 30 IN ANY YEAR THROUGH 1975 AND AS OF SEPTEMBER 30, 1975, AND EACH SEPTEMBER 30 THEREAFTER, IS BELOW \$1,000,000, THE RATE OF PAYMENT SHALL BE INCREASED BY TWO PERCENT OVER THE THEN PREVAILING RATE. IF THE BALANCE IS AT LEAST \$1,000,000 BUT BELOW \$1,500,000, THE RATE WILL BE INCREASED BY ONE PERCENT. IF THE BALANCE IS AT LEAST \$1,500,000 BUT BELOW \$2,000,000, THERE SHALL BE NO CHANGE. IF THE BALANCE IS AT LEAST \$2,000,000 BUT LESS THAN \$2,500,000, THE RATE SHALL BE DECREASED BY ONE PERCENT. IF THE BALANCE IS AT LEAST \$2,500,000, THE RATE SHALL BE DECREASED BY TWO PERCENT. IF THE BALANCE IS \$3,000,000 OR MORE THE COMMISSIONER OF LABOR AND INDUSTRY SHALL WITHIN 30 DAYS DETERMINE THE PERCENT OF DECREASE, WHICH SHALL BE NOT LESS THAN TWO PERCENT NOR MORE THAN FIVE PERCENT.)

*In determining the percentage of the total compensation required to be paid by the employer to the commissioner for the benefit of the special compensation fund as provided in clause (2) beginning September 30, 1981 and each September 30 thereafter, the commissioner shall use the following schedule:*

<i>Balance in the Fund</i>	<i>Permissible Range of Rate Adjustment</i>
<i>Less than \$2,000,000</i>	<i>+1 percent to +7 percent</i>
<i>At least \$2,000,000 But less than \$3,000,000</i>	<i>0 percent to +6 percent</i>
<i>At least \$3,000,000 but less than \$4,000,000</i>	<i>-2 percent to +4 percent</i>

*At least \$4,000,000*                      *-5 percent to +3 percent*  
*but less than \$5,000,000*

*At least \$5,000,000*                      *-6 percent to +2 percent*  
*but less than \$6,000,000*

*\$6,000,000 or more*                      *-7 percent to +2 percent*

*In determining the actual adjustment, the commissioner shall take into account his estimate of the likely amount of expenditures to be made from the fund in the next calendar year.*

Sums paid to the commissioner (OF LABOR AND INDUSTRY) pursuant to the provisions hereof, shall be deposited with the state treasurer for the benefit of the special compensation fund and be used to pay the benefits provided by this chapter. All money heretofore arising from the provisions of this section or similar law shall be transferred to this special compensation fund. Any interest or profit accruing from investment of these sums shall be credited to the special compensation fund.

The state treasurer shall be the custodian of this special fund and the workers' compensation division (AND), *compensation judges*, the workers' compensation court of appeals or *district court* in cases before (IT) *them* shall direct the distribution thereof, the same to be paid as other payments of compensation are paid. In case deposit is or has been made under the provisions of clause (1) and dependency later is shown, or if deposit is or has been made pursuant to either clause (1) or (2) by mistake or inadvertence, or under circumstances that justice requires a refund thereof, the state treasurer is authorized to refund the deposit under order of the workers' compensation division (OR) *a compensation judge*, the workers' compensation court of appeals or *a district court*. There is appropriated to the persons entitled to the refunds from the fund an amount sufficient to make the refund and payment.

Costs within the department (OF LABOR AND INDUSTRY) for the accounting, *investigation* and legal procedures necessary for the administration of the programs financed by the special compensation fund shall (BE PAID FROM THE MONEYS BIENNIALY APPROPRIATED TO THE DEPARTMENT AND NOT FROM THE SPECIAL COMPENSATION FUND) *come from the fund during each biennium commencing July 1, 1981. Staffing and expenditures related to the administration of the fund shall be approved through the regular budget and appropriations process.*

Sec. 66. Minnesota Statutes 1980, Section 176.132, Subdivision 2, is amended to read:

Subd. 2. [AMOUNT.] (a) The supplementary benefit payable under this section shall be the difference between the

amount the employee receives on or after January 1, 1976, under section 176.101, subdivision 1 or subdivision 4, and 65 percent of the statewide average weekly wage as computed annually.

(b) In the event an eligible recipient is currently receiving no compensation or is receiving a reduced level of compensation because of a credit being applied as the result of a third party liability or damages, the employer or insurer shall compute the offset credit as if the individual were entitled to the actual benefit or 65 percent of the statewide average weekly wage as computed annually, whichever is greater. If this results in the use of a higher credit than otherwise would have been applied and the employer or insurer becomes liable for compensation benefits which would otherwise not have been paid, the additional benefits resulting shall be handled according to this section.

(c) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of a valid agreement in settlement of a claim, no supplementary benefit shall be payable under this section. *Attorney's fees shall be allowed in settlements of claims for supplementary benefits in accordance with this chapter.*

(d) In the event an eligible recipient is receiving no compensation or is receiving a reduced level of compensation because of prior limitations in the maximum amount payable for permanent total disability or because of reductions resulting from the simultaneous receipt of old age or disability benefits, the supplementary benefit shall be payable for the difference between the actual amount of compensation currently being paid and 65 percent of the statewide average weekly wage as computed annually.

(e) In the event that an eligible recipient is receiving simultaneous benefits from any government disability program, the amount of supplementary benefits payable under this section shall be reduced by five percent. If the individual does not receive the maximum benefits for which he is eligible under other governmental disability programs due to the provisions of 42 U.S.C. 424a (d), this reduction shall not apply.

Sec. 67. Minnesota Statutes 1980, Section 176.133, is amended to read:

176.133 [ATTORNEYS FEES, SUPPLEMENTARY BENEFITS.]

(NO ATTORNEYS) *Attorney's fees (SHALL) may be (PERMITTED OR) approved by a compensation judge or by the workers' compensation court of appeals from the supplementary workers' compensation benefits provided by section 176.132 (, OR AMENDMENTS THERETO, UNLESS) if the case (SOLELY) involves the obtaining of supplementary workers'*

compensation benefits. When such fees are allowed an amount equal to 25 percent of that portion of the fee which is in excess of \$250 shall be added to the employee's benefit as provided in section 176.081 rather than deducted as a portion thereof. The fees shall be (SUBJECT) *determined according to* (THE LIMITATIONS CONTAINED IN) section 176.081.

Sec. 68. Minnesota Statutes 1980, Section 176.136, is amended to read:

176.136 [MEDICAL FEE REVIEW.]

The commissioner of (LABOR AND INDUSTRY) *insurance* shall by rule establish procedures for determining whether or not the charge for a health service is excessive. In order to accomplish this purpose, the commissioner of *insurance* shall consult with insurers, associations and organizations representing the medical and other providers of treatment services and other appropriate groups. *The procedures established by the commissioner of insurance shall limit the charges allowable for medical, chiropractic, podiatric, surgical, hospital and other health care provider treatment or services, as defined and compensable under section 176.135, to the 90th percentile of usual and customary fees or charges based upon billings for each class of health care provider during all of the calendar year preceding the year in which the determination is made of the amount to be paid the health care provider for the billing.* If the commissioner of *insurance* determines that the charge for a health service or medical service is excessive, (HE MAY LIMIT) *no payment (TO) in excess of the reasonable charge for that service shall be made under this chapter nor may the provider collect or attempt to collect from the injured employee or any other insurer or government amounts in excess of the amount payable under this chapter; however, the commissioner shall by rule establish procedures allowing for a provider to appeal such determination. The commissioner (MAY) of insurance shall contract with a review organization as defined in section 145.61 (IN MAKING ANY DETERMINATIONS AS TO WHETHER OR NOT A CHARGE IS EXCESSIVE) for the purposes listed in section 145.61, subdivision 5, and report to the legislature by January 15, 1983 and thereafter on January 15 of every odd-numbered year, regarding the delivery of medical and health care services under the workers' compensation laws of this state.*

*The commissioner of insurance shall adopt temporary rules in order to implement the provisions of this subdivision. Notwithstanding the provisions of section 15.0412, subdivision 4, and any amendments, the temporary rules adopted by the commissioner of insurance pursuant to this subdivision may be extended for an additional 180 days if the procedures for adoption of a rule pursuant to section 15.0412, subdivisions 4 to 4g, or 4h, and other provisions of the administrative procedure*

act related to final agency action and rule adoption have not been concluded.

Sec. 69. [176.1361] [TESTIMONY OF PROVIDERS.]

*When a compensation judge or the workers' compensation court of appeals has reason to believe that a medical or other provider of treatment services has submitted false testimony or a false report in any proceeding under this chapter, the compensation judge or the workers' compensation court of appeals shall refer the matter to an appropriate licensing body or other professional certifying organization for review and recommendations. Based upon their recommendations, the commissioner may bar the provider from making an appearance, and disallow the admission into evidence of written reports of the provider, in any proceeding under this chapter for a period not to exceed one year in the first instance and three years in the second instance, and may permanently bar the provider from appearance and his reports from admission in evidence thereafter.*

Sec. 70. [176.152] [PERMANENT PARTIAL DISABILITY PANEL.]

*Subdivision 1. [BINDING OPINION; PERMANENT PARTIAL DISABILITY DISPUTES.] Prior to a hearing before a compensation judge at which a significant issue of the extent of permanent partial disability is to be determined a permanent partial disability panel shall be constituted to render a final and binding opinion on the dispute subject to the limitation in subdivisions 7 and 8.*

*Subd. 2. [PANEL LIST.] The chief judge of the workers' compensation court of appeals shall compile and maintain a list of names of physicians, podiatrists, chiropractors and other health care providers qualified to determine the extent of permanent partial disability. Names may be added to the list and removed at any time by the chief judge of the workers' compensation court of appeals. In maintaining the list the chief judge of the workers' compensation court of appeals shall to the maximum extent possible select persons from varying geographical areas of the state.*

*Subd. 3. [PANEL SELECTION.] When a panel is required to be constituted by subdivision 1 the chief judge of the workers' compensation court of appeals shall furnish the employer and employee parties to the dispute a list of seven appropriate health care providers from which the parties shall alternately strike names until only three remain who shall constitute the panel. If both parties agree, the dispute may be decided by a single health care provider. If the parties are unable to agree on who shall strike the first name, priority shall be decided by a flip of the coin.*

*Subd. 4. [REPORT; CONCLUSION.] The compensation judge shall propound specific written questions to the panel at the time they are notified of their selection. The questions shall be framed in such a manner that answers to them shall resolve the dispute as to the extent of permanent partial disability. The panel's answers shall be binding upon any compensation judge before whom a hearing may be held subsequent to review by the panel.*

*Subd. 5. [EXAM; REPORT.] At least one member of the panel shall personally examine the employee within 30 days of the panel's selection. After reviewing the examination report and all other available pertinent information the panel shall report its conclusions to the compensation judge within 45 days after their selection. The compensation judge may extend the time limit for good cause.*

*Subd. 6 [COSTS; PAYMENT.] Any physician, podiatrist, chiropractor or other health care provider who agrees to serve on a panel constituted pursuant to this section shall be deemed to agree that any dispute concerning his fees for serving on the panel shall be decided by the compensation judge hearing the case. The judge's decision shall be binding on the health care provider. A consent form to this effect shall be provided for the signature of the health care provider. No fee shall be approved which exceeds the reasonable and customary fee in the area for similar service. The employer shall pay all the panel members' fees, unless the employee has proceeded in bad faith, in which case the employee may be ordered to pay the fees.*

*Subd. 7. [PILOT PROJECT; REPORT TO LEGISLATURE AND GOVERNOR.] The chief judge of the workers' compensation court of appeals shall establish the permanent partial disability panel provided for in this section on a pilot basis in three counties of his choice, including at least one rural county. The chief judge of the workers' compensation court of appeals shall report to the legislature and governor by January 1, 1983, on the number of cases reviewed, the number of health care providers participating, the number of cases settled prior to any hearing before a compensation judge, the cost of the program and his recommendations concerning the panel.*

*Subd. 8. [LIMITATION.] This section shall operate in lieu of section 176.155, subdivision 2, in the counties in which the medical panel is established pursuant to subdivision 7.*

**Sec. 71. Minnesota Statutes 1980, Section 176.161, Subdivision 1, is amended to read:**

**Subdivision 1. [RESIDING OUTSIDE UNITED STATES.] In case a deceased employee for whose injury or death compensation is payable leaves surviving him an alien dependent residing**

outside the United States the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) shall direct the payment of all compensation due the dependent to be made to the duly accredited consular officer of the country of which the beneficiary is a citizen residing within the state, or to his designated representative residing within the state; or, if the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) believes that the interests of the dependent will be better served and at any time prior to the final settlement the dependant files with the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) a power of attorney designating any other suitable person residing in this state to act as attorney in fact in such proceedings, the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) may appoint such person. If it appears necessary to institute proceedings to enforce payment of compensation due the dependent, the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) may permit the consular officer to institute these proceedings. If during the pendency of these proceedings, such power of attorney is filed by the alien dependent, the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) shall then determine whether such attorney in fact be substituted to represent such dependent or if the consular officer or his representative continue therein. The person so appointed may carry on proceedings to settle all claims for compensation and receive for distribution to such dependent all compensation arising under this chapter. The settlement and distribution of the funds shall be made only on the written order of the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY). The person so appointed shall furnish a bond satisfactory to the (WORKERS' COMPENSATION COURT OF APPEALS) *commissioner*, conditioned upon the proper application of the money received by him. Before the bond is discharged, the person so appointed shall file with the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) a verified account of his receipts and disbursements of such compensation.

Sec. 72. Minnesota Statutes 1980, Section 176.181, Subdivision 2, is amended to read:

Subd. 2. [COMPULSORY INSURANCE; SELF-INSURERS.] (1) Every employer, except the state and its municipal subdivisions, liable under this chapter to pay compensation shall insure payment of compensation with some insurance carrier authorized to insure workers' compensation liability in this state, or obtain a written order from the commissioner of insurance exempting the employer from insuring his liability for compensation and permitting him to self-insure the liability. The terms, conditions and requirements governing self-insurance shall be established by the commissioner pursuant to chapter 15. The commissioner of insurance shall also adopt, pursuant to clause (2) (c), rules permitting two or more employers, *whether or not they are* in the same industry, to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying

as group self-insurers. With the approval of the commissioner of insurance, any employer may exclude medical, chiropractic and hospital benefits as required by this chapter. An employer conducting distinct operations at different locations may either insure or self-insure the other portion of his operations which may be determined by the commissioner of insurance to be a distinct and separate risk. An employer desiring to be exempted from insuring his liability for compensation shall make application to the commissioner of insurance, showing his financial ability to pay the compensation, whereupon by written order the commissioner of insurance may make an exemption as he deems proper. The commissioner of insurance may require further statements of financial ability of the employer to pay compensation. Upon ten days written notice the commissioner of insurance may revoke his order granting an exemption, in which event the employer shall immediately insure his liability. As a condition for the granting of an exemption the commissioner of insurance may require the employer to furnish security the commissioner of insurance considers sufficient to insure payment of all claims under this chapter. If the required security is in the form of currency or negotiable bonds, the commissioner of insurance shall deposit it with the state treasurer. In the event of any default upon the part of a self-insurer to abide by any final order or decision of the commissioner of labor and industry directing and awarding payment of compensation and benefits to any employee or the dependents of any deceased employee, then upon at least ten days notice to the self-insurer, the commissioner of insurance may by written order to the state treasurer require him to sell the pledged and assigned securities or a part thereof necessary to pay the full amount of any such claim or award with interest thereon. This authority to sell may be exercised from time to time to satisfy any order or award of the commissioner of labor and industry or any judgment obtained thereon. When securities are sold the money obtained shall be deposited in the state treasury to the credit of the commissioner of insurance and awards made against any such self-insurer by the commissioner of insurance shall be paid to the persons entitled thereto by the state treasurer upon warrants prepared by the commissioner of insurance and approved by the commissioner of finance out of the proceeds of the sale of securities. Where the security is in the form of a surety bond or personal guaranty the commissioner of insurance, at any time, upon at least ten days notice and opportunity to be heard, may require the surety to pay the amount of the award, the payments to be enforced in like manner as the award may be enforced.

(2) (a) No association, corporation, partnership, sole proprietorship, trust or other business entity shall provide services in the design, establishment or administration of a group self-insurance plan under rules adopted pursuant to this subdivision unless it is licensed to do so by the commissioner of insurance. An applicant for a license shall state in writing the type of activities it seeks authorization to engage in and the type of services it seeks authorization to provide. The license shall be grant-

ed only when the commissioner of insurance is satisfied that the entity possesses the necessary organization, background, expertise, and financial integrity to supply the services sought to be offered. The commissioner of insurance may issue a license subject to restrictions or limitations, including restrictions or limitations on the type of services which may be supplied or the activities which may be engaged in. The license is for a two year period.

(b) To assure that group self-insurance plans are financially solvent, administered in a fair and capable fashion, and able to process claims and pay benefits in a prompt, fair and equitable manner, entities licensed to engage in such business are subject to supervision and examination by the commissioner of insurance.

(c) To carry out the purposes of this subdivision, the commissioner of insurance may promulgate administrative rules, including emergency rules, pursuant to sections 15.0411 to 15.052. These rules may:

(i) establish reporting requirements for administrators of group self-insurance plans;

(ii) establish standards and guidelines to assure the adequacy of the financing and administration of group self-insurance plans;

(iii) establish bonding requirements or other provisions assuring the financial integrity of entities administering group self-insurance plans;

(iv) establish standards, including but not limited to minimum terms of membership in self-insurance plans, as necessary to provide stability for those plans;

(v) establish standards or guidelines governing the formation, operation, administration and dissolution of self-insurance plans; and

(vi) establish other reasonable requirements to further the purposes of this subdivision.

Sec. 73. Minnesota Statutes 1980, Section 176.181, Subdivision 3, is amended to read:

Subd. 3. [FAILURE TO INSURE, PENALTY.] Any employer who fails to comply with the provisions of subdivision 2 to secure payment of compensation is liable to the state of Minnesota for a penalty of (\$50) \$100, if the number of uninsured employees in his employment is less than five and for a penalty

of (\$200) \$400 if the number of such uninsured employees in his employment is five or more. *If the commissioner determines that the failure to comply with the provisions of subdivision 2 was willful and deliberate, the employer shall be liable to the state of Minnesota for a penalty of \$500, if the number of uninsured employees in his employment is less than five, and for a penalty of \$2,000 if the number of his uninsured employees is five or more.* If the employer continues his noncompliance, he is liable for five times the lawful premium for compensation insurance for such employer for the period he fails to comply with such provisions, commencing ten days after notice has been served upon him by the commissioner of the department of labor and industry by certified mail. These penalties may be recovered jointly or separately in a civil action brought in the name of the state by the attorney general in any court having jurisdiction. Whenever any such failure occurs the commissioner of the department of labor and industry shall immediately certify the fact thereof to the attorney general. Upon receipt of such certification the attorney general shall forthwith commence and prosecute such action. All penalties recovered by the state in any such action shall be paid into the state treasury and credited to the special compensation fund. If an employer fails to comply with the provisions of subdivision 2, to secure payment of compensation after having been notified of his duty, the attorney general, upon request of the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY), may proceed against the employer in any court having jurisdiction for an order restraining him from having any person in his employment at any time when he is not complying with the provisions of subdivision 2.

Sec. 74. Minnesota Statutes 1980, Section 176.181, is amended by adding a subdivision to read:

*Subd. 6. No group self-insurer shall be required to provide financial statements certified by an "independent certified public accountant" or "certified public accountant" as a condition of approval for group self-insurance.*

Sec. 75. [176.182] [BUSINESS LICENSES OR PERMITS; COVERAGE REQUIRED.]

*Every state or local licensing agency shall withhold the issuance of a license or permit to operate a business in Minnesota until the applicant presents acceptable evidence of compliance with the workers' compensation insurance coverage requirement of section 176.181, subdivision 2.*

*Neither the state nor any governmental subdivision thereof shall enter into any contract before receiving from all other contracting parties acceptable evidence of compliance with the workers' compensation insurance coverage requirement of section 176.181, subdivision 2.*

Sec. 76. Minnesota Statutes 1980, Section 176.191, is amended to read:

**176.191 [DISPUTE BETWEEN TWO OR MORE EMPLOYERS OR INSURERS REGARDING LIABILITY.]**

Subdivision 1. Where compensation benefits are payable under this chapter, and a dispute exists between two or more employers or two or more insurers as to which is liable for payment, the commissioner (OF LABOR AND INDUSTRY), compensation judge, or workers' compensation court of appeals upon appeal (MAY) *shall direct, unless action is taken under subdivision 2, that one or more of the employers or insurers make payment of the benefits pending a determination of liability.*

When liability has been determined, the party held liable for the benefits shall be ordered to reimburse any other party for payments which the latter has made, including interest at the rate of (FIVE) 12 percent a year. The claimant (MAY) *shall also be awarded a reasonable attorney fee, to be paid by the party held liable for the benefits.*

An order directing payment of benefits pending a determination of liability may not be used as evidence before a compensation judge, the workers' compensation court of appeals, or court in which the dispute is pending.

Subd. 2. Where compensation benefits are payable under this chapter, and a dispute exists between two or more employers or two or more insurers as to which is liable for payment, the commissioner (OF LABOR AND INDUSTRY MAY) *shall authorize, unless action is taken under subdivision 1, the special compensation fund established in section 176.131 to make payment of the benefits pending a determination of liability.*

The personal injury for which the commissioner (MAY) *shall order compensation from the special fund is not limited by section 176.131, subdivision 8.*

When liability has been determined, the party held liable for benefits shall be ordered to reimburse the special compensation fund for payments made, including interest at the rate of 12 percent a year.

Subd. 3. If a dispute exists as to whether an employee's injury is compensable under this chapter and the employee is otherwise covered by an insurer pursuant to chapters 62A, 62C and 62D, that insurer shall pay any medical costs incurred by the employee for the injury *and shall make any disability payments otherwise payable by that insurer in the absence of or in addition to workers' compensation liability.* If the injury is subsequently determined to be compensable pursuant to this chapter, the workers' compensation insurer shall be ordered to

reimburse the insurer that made the payments for all (MEDICAL) payments made *under this subdivision* by the insurer (FOR THE INJURY), including interest at a rate of 12 percent a year.

If the employee's medical expenses for a personal injury are paid pursuant to any program administered by the commissioner of public welfare and it is subsequently determined that the injury is compensable pursuant to this chapter, the workers' compensation insurer shall reimburse the commissioner of public welfare for the medical expenses paid and attributable to the personal injury, including interest at a rate of 12 percent a year.

Sec. 77. Minnesota Statutes 1980, Section 176.221, is amended to read:

**176.221 [PAYMENT OF COMPENSATION AND TREATMENT CHARGES, COMMENCEMENT.]**

Subdivision 1. [(DENIAL OF LIABILITY, REQUEST FOR EXTENSION OF TIME) *COMMENCEMENT OF PAYMENT.*] (WITHIN 30 DAYS FROM THE DATE OF NOTICE TO OR KNOWLEDGE BY THE EMPLOYER OF AN INJURY COMPENSABLE UNDER THE CHAPTER, AND UNLESS WITHIN THAT 30 DAY PERIOD THE EMPLOYER OR THE INSURER FILES WITH THE COMMISSIONER OF THE DEPARTMENT OF LABOR AND INDUSTRY A DENIAL OF LIABILITY OR A REQUEST FOR AN EXTENSION OF TIME WITHIN WHICH TO DETERMINE LIABILITY, THE PERSON RESPONSIBLE FOR PAYMENT OF COMPENSATION, CHARGES FOR TREATMENT UNDER SECTION 176.135 OR RETRAINING EXPENSES UNDER 176.102, SUBDIVISION 9 SHALL BEGIN PAYMENT OF COMPENSATION OR CHARGES FOR TREATMENT.) *Within 14 days of notice to or knowledge by the employer of an injury compensable under this chapter the payment of compensation due pursuant to section 176.101, subdivision 1, shall commence. Commencement of payment by an employer or insurer does not waive any rights to any defense the employer may have on any claim or incident either with respect to the compensability of the claim under chapter 176 or the amount of the compensation due. Where there are multiple employers, the first employer shall pay, unless it is shown that the injury has arisen out of employment with the second or subsequent employer. When the employer determines that the disability is not a result of a personal injury, payment of compensation may be discontinued upon notice of discontinuance pursuant to section 176.241. Upon the determination, payments made may be recovered by the employer if the commissioner finds that the employee's claim of work related disability was not made in good faith.*

Subd. 2. [GRANT OF EXTENSION.] Upon application made within (THE) 30 (DAY PERIOD REFERRED TO IN SUBDIVISION 1) *days after the date on which the first payment was due*, the commissioner (OF THE DEPARTMENT OF LABOR AND INDUSTRY) may grant an extension of time within which to determine liability. The extension shall not exceed 30 days.

Subd. 3. [PAYMENTS TO SPECIAL COMPENSATION FUND.] Where an employer or insurer fails to begin payment of compensation, charges for treatment under section 176.135 or retraining expenses under 176.102, subdivision 9, or to file a denial of liability, or to request an extension of time within (THE) 30 (DAY PERIOD REFERRED TO IN SUBDIVISION 1) *days after the date on which the first payment was due*, he shall pay to the special compensation fund an amount equal to the total amount of compensation to which the employee is entitled because of the injury. In addition, each day subsequent to the end of the (30 DAY) period and until a compensation payment is made to the injured employee, the person responsible for payment of compensation shall pay to the special compensation fund an amount equal to the total compensation to which *the injured employee is entitled*.

Subd. 4. [FAILURE TO MAKE PAYMENTS AFTER EXTENSION.] Where an employer or insurer has been granted an extension of time within which to determine liability and fails to begin payment of compensation, charges for treatment under section 176.135 or retraining expenses under 176.102, subdivision 9 or to file a denial of liability within such extended period, he shall make the payments provided in subdivision 3.

Subd. 5. [DOUBLE PAYMENTS TO SPECIAL COMPENSATION FUND.] Where an employer or insurer has failed to make the payments required by subdivision 3 or subdivision 4 within (60) 30 days from the end of the (30 DAY) period or the extended period, the division may require him to pay to the special compensation fund, each day subsequent to the end of the period and until a compensation payment is made to the injured employee, a sum equal to double the total amount of compensation to which the employee is entitled because of the injury. In addition, the person responsible for compensation, charges for treatment under section 176.135 or retraining expenses under 176.102, subdivision 9 shall pay to the special compensation fund an amount equal to the total amount of compensation to which the employee is entitled.

Subd. 6. [ASSESSMENT OF PENALTIES.] The division shall assess the penalty payments provided for by subdivisions 3 to 5, *and any increase in benefit payments provided by section 176.225, subdivision 5*, against either the employer or the insurer depending upon to whom the delay is attributable in making

payment of compensation, charges for treatment under section 176.135 or retraining expenses under 176.102, subdivision 9. The insurer is not liable for a penalty payment assessed against the employer.

Subd. 7. [INTEREST.] *If no appeal is made of an order to pay, any payment of compensation, charges for treatment under section 176.135 or retraining expenses under 176.102, subdivision 9 not made when due shall bear interest at the rate of eight percent per annum from the due date to the date the payment is made.*

Subd. 8. [METHOD AND TIMELINESS OF PAYMENT.] *Payment of compensation under this chapter shall be by immediately payable negotiable instrument, or if by any other method, arrangements shall be available to provide for the immediate payment of the negotiable instrument.*

*All payment of compensation shall be made within 14 days of an appropriate order by the division, unless the order is to be appealed, or where a different time period is provided by this chapter.*

These reductions may be altered if the commissioner finds that the savings are greater or less than contemplated by this subdivision.

#### Sec. 121. [SEVERABILITY.]

If any provision of this act is found to be unconstitutional and void, the remaining provisions of the act shall remain valid, unless the court finds the valid provisions of the act are so essentially and inseparably connected with, and so dependent upon, the void provisions that the court cannot presume the legislature would have enacted the remaining valid provisions without the void one; or unless the court finds the remaining valid provisions, standing alone, are incomplete and are incapable of being executed in accordance with the legislative intent.

Subdivision 1. [EXISTING PLAN CONFIRMED; MINIMUM STANDARDS.] *The comprehensive land use plan prepared by the board and approved by resolution adopted on February 12, 1981, shall be the comprehensive land use plan authorized by section 2, subdivision 2, and shall be implemented by the board as provided in this section and section. 4. The counties shall adopt land use ordinances consistent with the comprehensive land use plan of the board. The standards set forth in the plan are the minimum standards which may be adopted by the board and by the counties for the protection and enhancement of the natural,*

scientific, historical, recreational and cultural values of the Mississippi River and related shoreland areas subject to the plan. Except for forest management, fish and wildlife habitat improvement, and open space recreational uses as defined in the plan, no state or county lands within the boundaries established by the plan shall be offered for public sale or lease. The board may amend the plan in any way that does not reduce the minimum standards set forth in the plan approved on February 12, 1981.

*Subd. 2. [ADVISORY COMMITTEES; HEARINGS.] The board shall appoint advisory committees, representing a broad geographical area and diverse public interests, and conduct public meetings and hearings necessary to afford the public an opportunity to become fully informed of all deliberations in the preparation and implementation of the plan.*

*Subd. 5. [IMPLEMENTATION.] The board shall develop and establish a schedule for implementation and common administration of the plan by the counties. The schedule shall be binding upon the counties subject to approval by the governing bodies of the respective counties.*

*Subd. 6. **Sec. 4. [114B.04] [REVIEW AND CERTIFICATION OF LAND USE ACTIONS.]**

*Subdivision 1. [PURPOSE.] In order to insure that the comprehensive land use plan prepared by the board is not nullified by unjustified exceptions in particular cases and to promote uniformity in the treatment of applications for exceptions, a review and certification procedure is established for the following categories of land use actions taken by the counties and directly or indirectly affecting land use within the area covered by the plan:*

*(a) The adoption or amendment of an ordinance regulating the use of land, including rezoning of particular tracts of land;*

*(b) The granting of a variance from provisions of the land use ordinance; and*

*(c) The approval of a plat which is inconsistent with the land use ordinance.*

*Subd. 2. [CERTIFICATION.] Notwithstanding any provision of chapter 394 to the contrary no action of a type specified in subdivision 1, clauses (a) to (c) is effective until the board has reviewed the action and certified that it is consistent with the comprehensive plan of the board. In determining consistency of ordinances and ordinance amendments, the provisions of the comprehensive land use plan shall be considered minimum standards. An aggrieved person may appeal a decision of the type specified in subdivision 1, clauses (a) to (c) which is reviewed by the board under this section in the same manner as provided for review of a decision of a board of adjustment in section 394.27, subdivision 9, but only after the procedures prescribed under this section have been completed.*

*Subd. 3. [PROCEDURE FOR CERTIFICATION.] A copy of all notices of public hearings or, when a hearing is not required, a copy of the application to consider any actions of a type specified in subdivision 1, clauses (a) to (c) shall be forwarded to the board by the county at least 15 days prior to the hearing or meetings to consider the actions. The county shall notify the board of its final decision on the proposed action within ten days of the decision. No later than 30 days from the time it receives the notice, the board shall notify the county and the applicant of its approval or disapproval of the proposed action.*

*Subd. 4. [DISAPPROVAL OF ACTIONS; HEARING.] In the case of notice of disapproval issued by the board, either the county or the applicant may, within 30 days of notice, file with the board a demand for a hearing. If no demand is filed during that period, the disapproval becomes final. If a demand is filed during that period, a hearing shall be held within 60 days of demand and shall be preceded by two weeks published notice. Within 30 days after the hearing, the board shall either affirm its disapproval of the proposed action or certify its approval thereof.*

**Sec. 5. [114B.05] [INCORPORATION AND ANNEXATION.]**

*When land subject to the comprehensive land use plan of the board is annexed, incorporated or otherwise subjected to the land use planning authority of a home rule charter or statutory city, a moratorium shall exist on all subdivision platting and building permits on that land until zoning regulations are adopted for that land which comply with the provisions of the comprehensive plan of the board. The moratorium shall also apply to construction, grading and filling, and vegetative cutting as those activities are defined in the comprehensive plan. This section does not apply to work done pursuant to lawful permits issued before the land became subject to the land use planning authority of the city.*

**Sec. 6. [114B.06] [BIENNIAL REPORT.]**

*During the first year of each biennial legislative session, the board shall prepare and present to the appropriate policy committees of the legislature a report concerning the actions of the board in exercising the authority granted by the legislature pursuant to sections 1 to 5. The report shall include an assessment of the effectiveness of the board's comprehensive land use plan and its implementation in protecting and enhancing the natural, scientific, historical, recreational and cultural values of the Mississippi River and related shorelands situated within the member counties.*

**Sec. 7. [114B.07] [APPLICABILITY.]**

*Sections 1 to 6 apply to the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison.*

**Sec. 8. [EFFECTIVE DATE.]**

*Sections 1 to 7 are effective upon approval by all the respective governing bodies of the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison, and upon compliance with Minnesota Statutes, Section 645.021, Subdivision 3. Sections 1 to 7 shall not be effective unless all of the*

*counties approve and comply with Minnesota Statutes, Section 645.021, Subdivision 3, by September 1, 1981. In the event any of the counties shall fail to approve and comply with Minnesota Statutes, Section 645.021, Subdivision 3, that portion of the Mississippi river and related shoreland areas within the areas subject to the plan lying within such county shall be designated under Minnesota Statutes, Section 104.35, Subdivision 4, and shall be managed in accordance with the plan approved on February 12, 1981. #### SENATE CONCURRENT RESOLUTION NO. 6

A senate concurrent resolution commemorating the victims of the Holocaust, honoring the survivors, and proclaiming the week of April 26 to May 3 as Minnesota Days of Holocaust Remembrance.

*Whereas*, within the lifetimes of nearly half of the current population of these United States, six million men, women, and children were murdered in the Nazi Holocaust because they happened to be Jews; and,

*Whereas*, millions of other innocent men, women and children were also brutally murdered by the machinery of the state; and,

*Whereas*, April 30, 1981 has been designated pursuant to Act of Congress, Public Law 96-388, as a Day of Remembrance of Victims of the Nazi Holocaust, known internationally as Yom Hashoah, for the six million and other millions; and,

*Whereas*, it is fitting for the legislature to remember them, honor the survivors and their liberators, and to rededicate itself to eternal vigilance against all tyranny and against those who

would deny the principle of equal justice for all people; *Now, Therefore,*

*Be It Resolved* by the Senate of the State of Minnesota, the House of Representatives concurring, that they join with the Governor of the State of Minnesota in proclaiming the week of April 26 through May 3, 1981 as the Minnesota Days of Holocaust Remembrance. The people of Minnesota are urged to reflect upon these past horrors to better recognize that bigotry gave them birth and is the womb of tyranny. The legislature and the Governor dedicate April 30, 1981, to a Holocaust Commemoration and resolve that the victims shall not die a second death in our reluctance to ponder and meditate upon the deeds done in those dark days.

*Be It Further Resolved* that copies of this resolution with the signature of the Governor be forwarded by the Secretary of State to the President of the United States, to the Minnesota Congressional delegation, to the Minnesota Senators, and to the United States Holocaust Memorial Council.

istration. The restrictions imposed by this clause shall not apply to share accounts and deposit accounts of Minnesota central credit union in U.S. central credit union;

(9) To contract with any licensed insurance company or society to insure the lives of members to the extent of their share accounts, in whole or in part, and to pay all or a portion of the premium therefor;

(10) To indemnify each director, officer, or committee member, or former director, officer, or committee member against all expenses, including attorney's fees but excluding amounts paid pursuant to a judgment or settlement agreement, reasonably incurred by him in connection with or arising out of any action, suit, or proceeding to which he is a party by reason of being or having been a director, officer, or committee member of the credit union, except with respect to matters as to which he shall be finally adjudged in such action, suit, or proceeding to be liable for negligence or misconduct in the performance of his duties. Such indemnification shall not be exclusive of any other rights to which he may be entitled under any bylaw, agreement, vote of members, or otherwise;

(11) Upon written authorization from a member, retained at the credit union, to make payments to third parties by withdrawals from the member's share or deposit accounts or through proceeds of loans made to such member, or by permitting the credit union to make such payments from the member's funds prior to deposit; to permit draft withdrawals from member accounts; however, this clause does not permit a credit union to establish demand deposits (checking accounts) for its members;

(12) To inform its members as to the availability of various group purchasing plans which are related to the promotion of thrift or the borrowing of money for provident and productive purposes by means of informational materials placed in the credit union's office, through its publications, or by direct mailings to members by the credit union;

(14) To contract with another credit union to furnish services which either could otherwise perform. Contracted services under this clause are subject to regulation and examination by the commissioner of banks like other services;

(15) In furtherance of the twofold purpose of promoting thrift among its members and creating a source of credit for them at legitimate rates of interest for provident purposes, and not in limitation of the specific powers hereinbefore conferred, to have all the powers enumerated, authorized, and permitted by this chapter, and such other rights, privileges and powers as may be incidental to, or necessary for, the accomplishment of the objectives and purposes of the credit union;

(16) To rent safe deposit boxes to its members provided the credit union obtains adequate insurance or bonding coverage for losses which might result from the rental of safe deposit boxes;

*(20) In addition to the sale of loans secured by a first lien on real estate, to sell, pledge, discount, or otherwise dispose of, in whole or in part, to any source, a loan or group of loans, other than a self-replenishing line of credit; provided, that within a calendar year beginning January 1 the total dollar value of loans sold, other than loans secured by real estate or insured by a state or federal agency, shall not exceed 25 percent of the dollar amount of all loans and participating interests in loans held by the credit union at the beginning of the calendar year, unless otherwise authorized in writing by the commissioner.*

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1980, Section 363.03, Subdivision 7, is amended to read:

Subd. 7. [REPRISALS.] It is an unfair discriminatory practice for any employer, labor organization, employment agency, public accommodation, public service, educational institution, or owner, lessor, lessee, sublessee, assignee or managing agent of any real property, or any real estate broker, real estate salesperson or employee or agent thereof to intentionally engage in any reprisal against any person because that person:

(1) Opposed a practice forbidden under this chapter or has filed a charge, testified, assisted, or participated in any matter in an investigation, proceeding or hearing under this chapter; or

(2) Associated with a person or group of persons of different race, color, creed, religion or national origin.

*A reprisal includes, but is not limited to, any form of intimidation, retaliation, or harassment. It is a reprisal for an employer to do any of the following with respect to an individual because that individual has engaged in the activities listed in clause (1) or (2): refuse to hire the individual; depart from any customary employment practice; transfer or assign the individual to a lesser position in terms of wages, hours, job classification, job security, or other employment status; or inform another employer that the individual has engaged in the activities listed in clause (1) or (2).*

Sec. 2. Minnesota Statutes 1980, Section 363.06, Subdivision 1, is amended to read:

Subdivision 1. [CHARGE FILING.] Any person aggrieved by a violation of this chapter *may bring a civil action as provided in section 363.14, subdivision 1, clause (a), or may file a verified charge with the commissioner or his designated agent, stating the name and address of the person alleged to have committed an unfair discriminatory practice, setting out the details of the practice complained of and, if applicable, providing witnesses, documents, and any other information required by the commissioner. The commissioner may dismiss a charge when the charging party fails to provide required information.* The commissioner within five days of (SUCH) the filing shall serve a copy of the charge *and a request for a response* upon the respondent personally or by registered or certified mail. (PERIODICALLY) After the filing of a charge (BUT AT INTERVALS OF NO MORE THAN 60 DAYS, UNTIL THE CHARGE IS NO LONGER IN THE JURISDICTION OF THE DEPARTMENT) the commissioner shall in writing inform the charging party of *any change in the status of (HIS) the charge.* A copy of the (PERIODIC) notice shall be mailed to the respondent.

Sec. 3. Minnesota Statutes 1980, Section 363.06, Subdivision 3, is amended to read:

Subd. 3. [TIME FOR FILING (CHARGE) CLAIM.] A (CHARGE) *claim* of an unfair discriminatory practice must be brought as a civil action pursuant to section 363.14, subdivision 1, clause (a), or filed in a charge with the commissioner within six months after the occurrence of the practice.

Sec. 4. Minnesota Statutes 1980, Section 363.06, Subdivision 4, is amended to read:

Subd. 4. [INQUIRY INTO CHARGE.] (1) *Consistent with clause (7), when a charge has been filed, the commissioner shall promptly inquire into the truth of the allegations of the charge. The commissioner shall make an immediate inquiry when necessary to prevent a charging party from suffering irreparable loss in the absence of immediate action. The commissioner shall also make an immediate inquiry when it appears that a charge is frivolous or without merit and shall dismiss those charges. The charging party shall be notified in writing of intent to dismiss a charge because it is frivolous or without merit ten days prior to dismissal by the commissioner.* On (EACH CHARGE) all other charges the commissioner shall make a determination as to whether or not there is probable cause to credit the allegation of unfair discriminatory practices, and

((1)) (2) If the commissioner (SHALL DETERMINE) *determines* after investigation that no probable cause exists to

credit the allegations of the unfair discriminatory practice, the commissioner shall, within ten days of the determination, serve upon the charging party and respondent written notice of the determination. Within ten days after receipt of notice, the charging party may request in writing on forms prepared by the department that the commissioner reconsider his determination. The request shall contain a brief statement of the reasons for and new evidence in support of the request for reconsideration. At the time of submission of the request to the commissioner, the charging party shall deliver or mail to the respondent a copy of the request for reconsideration. The commissioner shall either reaffirm or reverse his determination of no probable cause within 20 days after receipt of the request for reconsideration, and he shall within ten days notify in writing the charging party and respondent of his decision to reaffirm or reverse.

A decision by the commissioner that no probable cause exists to credit the allegations of an unfair discriminatory practice shall not be appealed to district court pursuant to section 363.072 or section 15.0424.

(2) (3) If the commissioner (SHALL DETERMINE) *determines* after investigation that probable cause exists to credit the allegations of unfair discriminatory practices, the commissioner shall serve on the respondent and his attorney if he is represented by counsel, by first class mail, a notice setting forth a short plain written statement of the alleged facts which support the finding of probable cause and an enumeration of the provisions of law allegedly violated. If the commissioner determines that attempts to eliminate the alleged unfair practices through conciliation pursuant to subdivision 5 have been or would be unsuccessful or unproductive, the commissioner shall issue a complaint and serve on the respondent, by registered or certified mail, a written notice of hearing together with a copy of the complaint, requiring the respondent to answer the allegations of the complaint at a hearing before a hearing examiner at a time and place specified in the notice, not less than ten days after service of said complaint. A copy of the notice shall be furnished to the charging party and the attorney general.

((3) AFTER) (4) *If, at any time after the filing of a charge, the commissioner has (DETERMINED THAT THERE IS PROBABLE CAUSE) reason to believe that a respondent has engaged in (AN) any unfair discriminatory practice, the commissioner may file a petition in the district court in a county in which the subject of the complaint occurs, or in a county in which a respondent resides or transacts business, seeking appropriate temporary relief against the respondent, pending final determination of proceedings under this chapter, including an order or decree restraining him from doing or procuring an act tending to render ineffectual an order the commissioner may enter with respect to the complaint. The court shall have power to grant temporary relief or a restraining order as it deems just*

and proper, but no relief or order extending beyond ten days shall be granted except by consent of the respondent or after hearing upon notice to the respondent and a finding by the court that there is reasonable cause to believe that the respondent has engaged in a discriminatory practice. *Except as modified by this section*, the Minnesota rules of civil procedure shall apply to an application, and the district court shall have authority to grant or deny such relief sought on conditions as it deems just and equitable. All hearings under this section shall be given precedence as nearly as practicable over all other pending civil actions.

((4)) (5) If a lessor, after he has engaged in a discriminatory practice defined in section 363.03, subdivision 2, clause (1), (a), shall lease or rent a dwelling unit to a person who has no knowledge of the practice or of the existence of a charge with respect to the practice, the lessor shall be liable for actual damages sustained by a person by reason of a final order as provided in this section requiring the person to be evicted from the dwelling unit.

((5)) (6) In any complaint issued under this section, the commissioner may seek relief for a class of individuals affected by an unfair discriminatory practice occurring on or after a date six months prior to the filing of the charge from which the complaint originates.

(7) *The commissioner may adopt policies to determine the order in which charges are processed based on their particular social or legal significance, administrative convenience, difficulty of resolution, or other standard consistent with the provisions of this chapter.*

Sec. 5. Minnesota Statutes 1980, Section 363.06, is amended by adding a subdivision to read:

*Subd. 8. [ACCESS TO DOCUMENTS.] The charging party or his representative may review the answer of the respondent to the charge submitted pursuant to subdivision 1. The department shall make these documents available to the charging party in a reasonable manner and consistent with any law requiring a state agency to make the answer available to the public.*

Sec. 6. Minnesota Statutes 1980, Section 363.14, Subdivision 1, is amended to read:

Subdivision 1. [COURT ACTIONS, SUITS BY PRIVATE PARTIES, INTERVENTION.] A person may bring a civil action seeking redress for an unfair discriminatory practice (, UPON WITHDRAWAL OF THE COMPLAINT FROM THE DEPARTMENT OF HUMAN RIGHTS, AT THE FOLLOWING TIMES):

(a) *Directly to district court; or*

(b) *Notwithstanding the provisions of any law to the contrary, (1) within 45 days after the commissioner has dismissed a charge because it is frivolous or without merit or has determined that there is no probable cause to credit the allegations contained in a charge filed with the commissioner (, OR, IF THE CHARGING PARTY REQUESTED A RECONSIDERATION, WITHIN 45 DAYS AFTER THE COMMISSIONER HAS REAFFIRMED HIS DETERMINATION OF NO PROBABLE CAUSE); or ((b)) (2) after 45 days from the filing of a charge pursuant to section 363.06, subdivision 1 if a hearing has not been held pursuant to section 363.071 or if the commissioner has not entered into a conciliation agreement to which the charging party is a signator. The charging party shall notify the commissioner of his intention to bring a civil action, which shall be commenced within 90 days of giving the notice;*

(c) *The commissioner may discharge, without prejudice to the charging party, any case filed with the department on or before June 30, 1978. The commissioner shall notify a charging party by regular mail sent before August 1, 1981, that he has a right to bring a civil action pursuant to this section. Within ten days after receipt of the notice, the charging party may request in writing that the commissioner reinstate his complaint. The request shall contain a brief statement of the reasons for and new evidence in support of the request for reinstatement. At the time the charging party submits this request to the commissioner, he shall deliver or mail a copy of it to the respondent. The commissioner shall either reaffirm dismissal of the charge or reinstate the charge within 60 days after receipt of the request for reinstatement, and shall immediately notify the charging party and respondent of the decision. Upon giving notice of a decision to reaffirm dismissal, the commissioner shall end all proceedings relating to the charge. Notwithstanding any statutory period of limitation to the contrary, an individual notified pursuant to this clause may bring a civil action relating to his charge; provided that the action is filed on or before February 1, 1982.*

A charging party bringing a civil action shall mail by registered or certified mail a copy of the summons and complaint to the commissioner, and upon his receipt thereof the commissioner shall cause all proceedings in the department relating to the charge to terminate. No charge shall be filed or reinstated with the commissioner after a civil action relating to the same unfair discriminatory practice has been brought unless the civil action has been dismissed without prejudice.

Upon application by the complaining party to the district court at a special term thereof and in such circumstances as the court may deem just, the court may appoint an attorney for such per-

son and may authorize the commencement of the action without payment of fees, costs, or security.

Upon timely application, the court may, in its discretion, permit the department to intervene in a civil action brought pursuant to this section upon certification that the case is of general public importance.

(UPON REQUEST, THE COURT MAY, IN ITS DISCRETION, STAY FURTHER PROCEEDINGS FOR NOT MORE THAN 60 DAYS PENDING FURTHER EFFORTS OF THE DEPARTMENT TO OBTAIN VOLUNTARY COMPLIANCE.)

Subdivision 1. [TIMBER SOLD FOR CASH.] The county auditor may sell dead, down and mature timber upon any tract that may be approved by the natural resources commissioner. Such sale of timber products shall be made for cash at not less than the appraised value determined by the county board to the highest bidder after not less than one week's published notice in an official paper within the county. Any timber offered at such public sale and not sold may thereafter be sold at private sale by the county auditor at not less than the appraised value thereof, until such time as the county board may withdraw such timber from sale. The appraised value of the timber and the forestry practices to be followed in the cutting of said timber shall be approved by the commissioner of natural resources. Payment of the full sale price of all timber sold on tax-forfeited lands shall be made in cash at the time of the timber sale. The county board may require final settlement on the basis of a scale of cut products. Any parcels of land from which timber is to be sold by scale of cut products shall be so designated in the published notice of sale above mentioned, in which case the notice shall contain a description of such parcels, a statement of the estimated quantity of each species of timber thereon and the appraised

price of each specie of timber for 1,000 feet, per cord or per piece, as the case may be. In such cases any bids offered over and above the appraised prices shall be by percentage, the percent bid to be added to the appraised price of each of the different species of timber advertised on the land. The purchaser of timber from such parcels shall pay in cash at the time of sale at the rate bid for all of the timber shown in the notice of sale as estimated to be standing on the land, and in addition shall pay at the same rate for any additional amounts which the final scale shows to have been cut or was available for cutting on the land at the time of sale under the terms of such sale. Where the final scale of cut products shows that less timber was cut or was available for cutting under terms of such sale than was originally paid for, the excess payment shall be refunded from the forfeited tax sale fund upon the claim of the purchaser, to be audited and allowed by the county board as in case of other claims against the county. No timber, except hardwood pulpwood, may be removed from such parcels of land or other designated landings until scaled by a person or persons designated by the county board and approved by the commissioner of natural resources. Landings other than the parcel of land from which timber is cut may be designated for scaling by the county board by written agreement with the purchaser of the timber. The county board may, by written agreement with the purchaser and with a consumer designated by him when the timber is sold by the county auditor, and with the approval of the commissioner of natural resources, accept the consumer's scale of cut products delivered at the consumer's landing. No timber shall be removed until fully paid for in cash. Small amounts of green standing, dead, down, dying, insect infected or diseased timber not exceeding (\$1,500) \$3,000 in appraised valuation may be sold for not less than the full appraised value at private sale to individual persons without first publishing notice of sale or calling for bids, provided that in case of such sale involving a total appraised value of more than \$200 the sale shall be made subject to final settlement on the basis of a scale of cut products in the manner above provided and not more than two such sales, directly or indirectly to any individual shall be in effect at one time. As directed by the county board, the county auditor may lease tax-forfeited land to individuals, corporations or organized subdivisions of the state at public or private vendue, and at such prices and under such terms as the county board may prescribe, for use as cottage and camp sites and for agricultural purposes and for the purpose of taking and removing of hay, stumpage, sand, gravel, clay, rock, marl, and black dirt therefrom, and for garden sites and other temporary uses provided that no leases shall be for a period to exceed ten years; provided, further that any leases involving a consideration of more than \$300 per year, except to an organized subdivision of the state shall first be offered at public sale in the manner provided herein for sale of timber. Upon the sale of any such leased land, it shall remain subject to the lease for not to exceed one year from the beginning of the term of the lease. Any rent paid by the lessee for the portion of the term cut off by such cancellation shall be refunded from the forfeited tax sale fund upon

the claim of the lessee, to be audited and allowed by the county board as in case of other claims against the county. The county auditor, with the approval of the county board is authorized to grant permits, licenses, and leases to tax-forfeited lands for the depositing of stripping, lean ores, tailings, or waste products from mines or ore milling plants, upon such conditions and for such consideration and for such period of time, not exceeding 15 years, as the county board may determine; said permits, licenses, or leases to be subject to approval by the commissioner of natural resources. Any person who removes any timber from tax-forfeited land before said timber has been scaled and fully paid for as provided in this subdivision is guilty of a misdemeanor. The county auditor may, with the approval of the county board and the commissioner of natural resources, and without first offering at public sale, grant leases, for a term not exceeding 25 years, for the removal of peat from tax-forfeited lands upon such terms and conditions as the county board may prescribe.

Provided, however, that no lease for the removal of peat shall be made by the county auditor pursuant to this section without first holding a public hearing on his intention to lease. One printed notice in a legal newspaper in the county at least ten days before the hearing, and posted notice in the courthouse at least 20 days before the hearing shall be given of the hearing."
