Any city may thereafter enforce such regulations in the area to the same extent as if such property were situated within its corporate limits, until the county or town board adopts a comprehensive zoning regulation which includes the area.

The court shall issue findings of fact and conclusions of law showing its reasons for denying full emancipation to the minor.

A guardian's authority and responsibility terminates upon the death, resignation or removal of the guardian or upon the minor's death, adoption, marriage (OR), attainment of majority or emancipation pursuant to sections 11 to 14, but termination does not affect his liability for prior acts, nor his obligation to account for funds and assets of his ward. A guardian may be discharged without notice or hearing on petition and acceptance of the guardian's accounts by the ward after the ward marries or attains majority, or, in the case of the ward's death, by the personal representative of the ward's estate. In other cases the court may discharge the guardian upon approval of his accounts after notice and a hearing. Resignation of a guardian does not terminate the guardianship until it has been approved by the court. A testamentary appointment under an informally probated will terminates if the will is later denied probate in a formal proceeding."

(c) *Actions necessary to monitor, assess, and evaluate a release or threatened release of hazardous substances;*

(d) *Disposal or processing of removed material; or*

(e) *Other actions necessary to prevent, minimize, or mitigate damage to the public health or welfare or to the environment, which may otherwise result from a release or threatened release.*

“Remove” or “removal” includes, but is not limited to, security fencing or other measures to limit access, provision of alternative water supplies, temporary evacuation and housing of threatened individuals not otherwise provided for, action taken pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9604(b), and any emergency assistance which may be provided under the Disaster Relief Act of 1974, 42 U.S.C. Section 5121 et seq.

Subd. 15. [RESPOND OR RESPONSE.] “Respond” or “response” means remove, removal, remedy, and remedial action.

Subd. 16. [WATER.] “Water” has the meaning given to the term “waters of the state” in section 115.01, subdivision 9.

Sec. 3. [115B.03] [LIABILITY FOR RESPONSE COSTS AND DAMAGES.]

Subdivision 1. [GENERAL RULE.] Except as otherwise provided in subdivisions 3 to 9 and section 4, and notwithstanding any other provision or rule of law, any person who is responsible for a release or threatened release of a hazardous substance from a facility shall be strictly liable, jointly and severally, for:

(a) *All reasonable and necessary costs of removal, or remedial action incurred by the state, a political subdivision of the state or the United States;*

(b) *Any other reasonable and necessary costs or expenses incurred by any person to remove a hazardous substance; and*

(c) *All damages for economic loss or loss due to personal injury or disease or loss of natural resources resulting from such a release including:*

(1) *Any injury to, destruction of, or loss of any real or personal property, including relocation costs;*

(2) *Any loss of use of real or personal property;*

(3) *Any injury to, destruction of, or loss of natural resources, including the reasonable costs of assessing such injury, destruction, or loss;*

(4) *Any loss of income or profits or impairment of earning capacity resulting from personal injury or disease or from injury to or destruction of real or personal property or natural resources without regard to the ownership of such property or resources; and*

(5) *All medical expenses, rehabilitation costs or burial expenses due to personal injury or disease.*

Subd. 2. [RESPONSIBLE PERSON.] *For the purpose of subdivision 1, a person is responsible for a release or threatened release of a hazardous substance from a facility if the person:*

(a) *Owned or operated the facility at the time the hazardous substance was placed or came to be located in or on the facility, during the time of the release or threatened release, or at any time between those occurrences;*

(b) *Owned or possessed the hazardous substance and arranged, by contract, agreement or otherwise, for the disposal, treatment or transport for disposal or treatment of the hazardous substance; or*

(c) *Accepted the hazardous substance for transport to a disposal or treatment facility and either selected the facility to which it was transported or disposed of the substance in a manner contrary to law.*

Subd. 3. [DEFENSES AVAILABLE TO RESPONSIBLE PERSONS.] *There shall be no liability under subdivision 1 for any person otherwise liable if the person establishes by a preponderance of the evidence that the release or threatened release was caused solely by:*

(a) *An act of God;*

(b) *An act of war; or*

(c) *An act or omission of a third party.*

“Third party” for the purposes of clause (c) does not include an employee or agent of the defendant, or a person whose act or omission occurs in connection with a contractual relationship, existing directly or indirectly, with the defendant.

The defense provided in clause (c) applies only if the defendant establishes by a preponderance of the evidence that he exercised due care with respect to the hazardous substance concerned, taking into consideration the characteristics of the hazardous substance in light of all relevant facts and circumstances which he knew or should have known, and that he took precautions against foreseeable acts or omissions of a third party and the consequences that could foreseeably result from those acts or omissions.

Subd. 4. [DEFENSE AVAILABLE TO OWNER OF REAL PROPERTY.] *An owner of real property is not liable for damages under subdivision 1, clause (c), if he:*

(a) Shows by a preponderance of the evidence that he neither knew nor reasonably should have known that any hazardous substance was present on the property before the release or threatened release; and

(b) Notifies the agency of the release or threatened release as soon as practicable after he knows about it.

Subd. 5. [CERTAIN EMPLOYEE CLAIMS NOT COVERED.] *Except for a third party who is subject to liability under section 176.061, subdivision 5, there is no liability under subdivision 1 for personal injury or disease of employees arising out of and in the course of employment which is compensable under chapter 176.*

Subd. 6. [NATURAL RESOURCES.] *No liability with respect to natural resources shall be imposed when the defendant has demonstrated that:*

(a) The damages to natural resources complained of were specifically identified as an irreversible and irretrievable commitment of natural resources in an approved final state or federal environmental impact statement, or other comparable approved final environmental analysis; and

(b) The facility or project was operating within the terms of its permit or license.

Subd. 7. [LIABILITY FOR A THREATENED RELEASE.] *Liability for a threatened release of a hazardous substance is limited to the recovery by the agency of reasonable and necessary response costs pursuant to section 14, subdivision 7.*

Subd. 8. [LIABILITY OF POLITICAL SUBDIVISIONS.] *The liability of a political subdivision under this section is subject to the limits imposed under section 466.04, subdivision 1.*

Subd. 9. [ACTS OF EMPLOYEES.] When a person who is responsible for a release or threatened release as provided in subdivision 2 is an employee who is acting in the scope of his employment:

(a) The employee is liable under subdivision 1 only if he failed to exercise due care with respect to the hazardous substance; and

(b) His employer shall be considered a person responsible for the release or threatened release and shall be liable under subdivision 1 regardless of the degree of care exercised by the employee.

Subd. 10. [AWARD OF COSTS.] Upon motion of a party prevailing in an action under sections 1 to 11 the court may award costs, disbursements and reasonable attorney fees and witness fees to that party.

Sec. 4. [115B.04] [EXEMPTION FROM LIABILITY.]

A person shall not be liable under sections 1 to 12:

(a) For damages as a result of acts taken or omitted in preparation for, or in the course of rendering care, assistance, or advice to the director or agency pursuant to section 14 or in accordance with the national hazardous substance response plan pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9605, or at the direction of an on-scene coordinator appointed under that plan, with respect to an incident creating a danger to public health or welfare or the environment as a result of any release or threatened release of a hazardous substance;

(b) For damages or response costs as a result of the release or threatened release of a hazardous substance from a hazardous waste facility as defined under section 115A.03, for which a permit has been issued pursuant to section 116.07 or pursuant to subtitle C of the Solid Waste Disposal Act, 42 U.S.C. Section 6921 et seq., if the hazardous substance is specifically identified in the permit and the release is within the limits allowed in the permit for release of that substance;

(c) For damage or response costs as a result of the release of a hazardous substance: (1) if the hazardous substance is specifically identified in a federal or state permit held by the person and the release is within the limits allowed therein, (2) if the release results from circumstances identified and reviewed and made a part of the public record of a federal or state agency with respect to a permit held by the person, and the permit was issued or modified under federal or state law, and the release was subject to a condition of the permit, (3) if the release is any emission into the air subject to a permit held by the person or is in

compliance with control rules or regulations adopted pursuant to state or federal law, or (4) if the release is the introduction of any pollutant into a publicly owned treatment works when the pollutant is specified in, and is in compliance with, applicable pretreatment standards under state or federal law; or

(d) If his liability has been transferred to and assumed by the federal post-closure liability fund pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9607(k).

Sec. 5. [115B.05] [PROVING CAUSATION OF PERSONAL INJURY OR DISEASE.]

Subdivision 1. [RELEVANT EVIDENCE.] *In adjudicating under sections 1 to 12 the question of whether a plaintiff's personal injury or disease was caused by the release of a hazardous substance, any evidence having a tendency to make it more probable or less probable that the hazardous substance causes, contributes to or increases the risk of injury or disease of the sort suffered by the plaintiff is relevant evidence on the issue of causation including:*

(a) *Evidence concerning the incidence of that sort of injury or disease in the population exposed to the release of that substance;*

(b) *Evidence of epidemiological studies;*

(c) *Evidence of animal studies;*

(d) *Evidence of tissue culture studies; and*

(e) *Evidence of laboratory or toxicologic studies.*

Subd. 2. [BURDEN OF PRODUCING EVIDENCE.] *In adjudicating under sections 1 to 12 the question of whether a plaintiff's personal injury or disease was caused by the release of a hazardous substance, the burden of producing evidence related to causation shifts to the defendant and the question shall be submitted to the trier of fact if the plaintiff shows evidence sufficient to enable the trier of fact to find that:*

(a) *There is a reasonable likelihood that the plaintiff was exposed to the hazardous substance found in the release;*

(b) *There is a reasonable likelihood that exposure to the hazardous substance causes or significantly contributes to injury or disease of the sort suffered by the plaintiff; and*

(c) *There is a reasonable likelihood that the quantity or duration of the plaintiff's exposure to the hazardous substance*

is sufficient to cause or significantly contribute to injury or disease of the sort suffered by the plaintiff.

Nothing in this subdivision affects the burden of persuasion on the question of whether the release of a hazardous substance caused a personal injury or disease. That burden remains with the plaintiff.

Sec. 6. [115B.06] [APPORTIONMENT OF LIABILITY; LIMITATION; CONTRIBUTION.]

Subdivision 1. [APPORTIONMENT FACTORS.] For the purposes of subdivisions 2 and 3, any person held jointly and severally liable under section 3 may seek an apportionment of the common liability. In apportioning the liability of any party under this section, the trier of fact shall consider the following:

(a) The ability of the party to demonstrate that his contribution to a release of a hazardous substance can be distinguished;

(b) The amount of hazardous substance involved;

(c) The degree of toxicity of the hazardous substance involved;

(d) The degree of involvement and care exercised in manufacturing, treating, transporting, and disposing of the hazardous substance;

(e) The degree of cooperation with federal, state, or local officials to prevent any harm to the public health or the environment; and

(f) Knowledge of the hazardous nature of the substance.

Subd. 2. [LIMITATION OF LIABILITY.] If a person who is held jointly and severally liable under section 3 is able to demonstrate by a preponderance of evidence that his share of the common liability can be apportioned and that his actions were not a significant factor in causing or contributing to the release or the damages resulting from it, then the liability of that person shall be limited to his proportionate share of the common liability.

Subd. 3. [CONTRIBUTION.] Any person held jointly and severally liable under section 3 who is required to pay more than that person's proportionate share of the common liability is entitled to seek contribution from any other person liable for the damages to the extent of their proportionate liability.

Sec. 7. [115B.07] [CIVIL PENALTIES; FAILURE TO TAKE REQUESTED ACTIONS.]

Any person responsible for a release or threatened release of a hazardous substance, pollutant, or contaminant from a facility shall forfeit and pay to the state a penalty in an amount to be determined by the court of not more than \$10,000 per day for each day that the person fails to take response actions or to make reasonable progress in completing response actions requested as provided in this section. A request for emergency removal action shall be made by the director. Other requests for response actions shall be made by the agency. The request shall be in writing, shall state the action requested, the reasons for the action, and a reasonable time by which the action must be begun and completed taking into account the urgency of the action for protection of the public health, welfare, and environment.

The penalty provided under this section may be recovered by an action brought by the attorney general in the name of the state in connection with an action to recover expenses of the agency under section 14, subdivision 7, or by a separate action in the district court of Ramsey County. All penalties recovered under this section shall be deposited in the fund.

Sec. 8. [115B.08] [AGREEMENTS TO TRANSFER LIABILITY; INSURANCE AND SUBROGATION.]

No indemnification, hold harmless, conveyance, or similar agreement shall be effective to transfer the liability imposed under section 3 from the owner or operator of a facility or from any person who may be liable under section 3 to any other person. Nothing in this section shall be construed:

(a) To prohibit any party who may be liable under section 3 from entering an agreement by which that party is insured, held harmless or indemnified for part or all of that liability;

(b) To prohibit the enforcement of any insurance, hold harmless or indemnification agreement; or

(c) To bar any cause of action brought by a party who may be liable under section 3 or by an insurer or guarantor, whether by right of subrogation or otherwise.

Sec. 9. [115B.09] [STATUTE OF LIMITATIONS.]

No person may recover for any injury or loss pursuant to sections 3 to 11 unless the action is commenced within six years from the date of discovery of the injury or loss.

Sec. 10. [115B.10] [OTHER REMEDIES PRESERVED.]

Nothing in sections 1 to 12 shall affect the right of any person to bring a legal action or use any remedy available under any other provision of state or federal law, including common law,

to recover for injury, disease or economic loss resulting from a release of any hazardous substance, or for removal or the costs of removal of that hazardous substance.

Sec. 11. [115B.11] [DOUBLE RECOVERY PROHIBITED.]

A person who recovers response costs or damages pursuant to sections 1 to 12 may not recover the same costs or damages pursuant to any other law. A person who recovers response costs or damages pursuant to any other state or federal law may not recover for the same costs or damages pursuant to sections 1 to 12.

Sec. 12. [115B.12] [APPLICATION OF SECTIONS 1 TO 11.]

Sections 1 to 11 apply to any release or threatened release of a hazardous substance occurring on or after July 1, 1982, including any release which began before July 1, 1982 and continued after that date. Sections 1 to 11 do not apply to a release or threatened release which occurred wholly before July 1, 1982, regardless of the date of discovery of any injury or loss caused by the release or threatened release.

Sec. 13. [115B.13] [DISPOSITION OF FACILITIES.]

Subdivision 1. [CLOSED DISPOSAL FACILITIES; USE OF PROPERTY.] *No person shall use any property on or in which hazardous waste remains after closure of a disposal facility as defined in section 115A.03, subdivision 10, in any way that disturbs the integrity of the final cover, liners, or any other components of any containment system, or the function of the disposal facility's monitoring systems, unless the agency finds that the disturbance:*

(a) Is necessary to the proposed use of the property, and will not increase the potential hazard to human health or the environment; or

(b) Is necessary to reduce a threat to human health or the environment.

Subd. 2. [RECORDING OF AFFIDAVIT AND NOTATION.] *Before any transfer of ownership of any property on which the owner knew or should have known that a hazardous substance was disposed of or which the owner knew or should have known was contaminated by release of a hazardous substance, the owner shall record with the county recorder of the county in which the property is located an affidavit that discloses to any potential transferee:*

(a) That the land has been used to dispose of hazardous waste or that the land has been contaminated by a release of a hazardous substance;

(b) The identity, quantity, location, condition and circumstances of the disposal or contamination to the full extent known or ascertainable; and

(c) That the use of the property may be restricted as provided in subdivision 1.

An owner must also file an affidavit within 60 days after any material change in any matter required to be disclosed under clauses (a) to (c) with respect to property for which an affidavit has already been recorded.

When an affidavit is recorded, the owner shall record with the county recorder a notation on the deed to the property which states the existence of a hazardous substance on the property and the place where the recorded affidavit may be found.

If the owner or any subsequent owner of the property removes the hazardous substance, together with any residues, liner, and contaminated underlying and surrounding soil, that owner may record a notation to the deed indicating the removal of the hazardous substance.

Failure to record an affidavit or notation as provided in this subdivision does not affect or prevent any transfer of ownership of the property.

Subd. 3. [DUTY OF COUNTY RECORDER.] The county recorder shall record all affidavits and notations presented to him in accordance with subdivision 2. The affidavits shall be recorded in a manner which will assure their disclosure in the ordinary course of a title search of the subject property.

Subd. 4. [PENALTIES.] (a) Any person who knowingly violates the provisions of subdivision 1 is subject to a civil fine of not more than \$100,000, and shall be liable under section 3 for any release or threatened release of any hazardous substance resulting from the violation.

(b) Any person who knowingly fails to record an affidavit or notation as required by subdivision 2 shall be liable under section 3 for any release or threatened release of any hazardous substance from a facility located on that property.

(c) A civil fine may be imposed and recovered by an action brought by a county attorney or by the attorney general in the district court of the county in which the property is located.

(d) Any civil fines recovered under this subdivision shall be deposited in the fund.

Sec. 14. [115B.14] [STATE RESPONSE TO RELEASES OF HAZARDOUS SUBSTANCES.]

Subdivision 1. [REMOVAL AND REMEDIAL ACTION.] Whenever there is a release or substantial threat of release from a facility into the environment of any pollutant or contaminant which presents an imminent and substantial danger to the public health or welfare, or whenever a hazardous substance is released or there is a threatened release of a hazardous substance into the environment from a facility:

(a) The agency may take any removal or remedial action relating to the hazardous substance, pollutant, or contaminant which the agency deems necessary to protect the public health or welfare or the environment. Before taking any action the agency shall:

(1) Request any responsible party known to the agency to take actions which the agency deems reasonable and necessary to protect the public health, welfare or the environment, stating the reasons for the actions, a reasonable time for beginning and completing the actions taking into account the urgency of the actions for protecting the public health, welfare and environment, and the intention of the agency to take action if the requested actions are not taken as requested; and

(2) Determine that the actions requested by the agency will not be taken by any known responsible party in the manner and within the time requested.

(b) The director may take removal action which he deems necessary to protect the public health, welfare or the environment if the director determines that the release or threatened release constitutes an emergency requiring immediate action to prevent, minimize or mitigate damage to the public health, welfare or the environment. Before taking any action the director shall make reasonable efforts in light of the urgency of the action to follow the procedure provided in clause (a).

No removal action taken by any person shall be construed as an admission of liability for a release or threatened release.

Subd. 2. [POLLUTANT OR CONTAMINANT.] For the purposes of this section and section 7, "pollutant" or "contaminant" includes, but is not limited to, any element, substance, compound, or mixture, including disease-causing agents, which after release from a facility into the environment and upon exposure, ingestion, inhalation, or assimilation into any organism, either directly from the environment or indirectly by inges-

tion through food chains, will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, genetic mutation, physiological malfunctions (including malfunctions in reproduction) or physical deformations, in the organisms or their offspring.

Subd. 3. [OTHER ACTIONS.] Whenever the agency or director is authorized to act pursuant to subdivision 1 or whenever the agency or director has reason to believe that a release of a hazardous substance, pollutant or contaminant has occurred or is about to occur, or that illness, disease, or complaints thereof may be attributable to exposure to a hazardous substance, pollutant, or contaminant, the agency or director may undertake investigations, monitoring, surveys, testing, and other information gathering necessary or appropriate to identify the existence and extent of the release or threat thereof, the source and nature of the hazardous substances, pollutants or contaminants involved, and the extent of danger to the public health or welfare or to the environment. In addition, the agency may undertake planning, legal, fiscal, economic, engineering, architectural, and other studies or investigations necessary or appropriate to plan and direct a response action, to recover the costs of the response action, and to enforce the provisions of sections 1 to 14.

Subd. 4. [DUTY TO PROVIDE INFORMATION.] Any person who is responsible for a release or threatened release as provided in section 3, subdivision 2, including a release or threatened release of a pollutant or contaminant, when requested by the agency, or any member, employee or agent thereof who is authorized by the agency, shall furnish to the agency any information which he may have or may reasonably obtain which is relevant to the release or threatened release.

Subd. 5. [ACCESS TO INFORMATION AND PROPERTY.] The agency or any member, employee or agent thereof authorized by the agency, upon presentation of credentials, may:

(a) Examine and copy any books, papers, records, memoranda or data of any person who the agency has reason to believe is responsible for a release or threatened release as provided in section 3, subdivision 2, including a release of a pollutant or contaminant; and

(b) Enter upon any property, public or private, for the purpose of taking any action authorized by this section including obtaining information, examining records, conducting surveys or investigations, and taking removal or remedial action.

Subd. 6. [CLASSIFICATION OF DATA.] Except as otherwise provided in this subdivision, data obtained from any person pursuant to subdivision 4 or 5 is public data as defined in section 15.162. Upon certification by the subject of the data that the data relates to sales figures, processes or methods of produc-

tion unique to that person, or information which would tend to affect adversely the competitive position of that person, the director shall classify the data as private or nonpublic data as defined in section 15.162. Notwithstanding any other law to the contrary, data classified as private or nonpublic under this subdivision may be disclosed when relevant in any proceeding under sections 1 to 14, or to other public agencies concerned with the implementation of sections 1 to 14.

Subd. 7. [RECOVERY OF EXPENSES.] *Any reasonable and necessary expenses incurred by the agency or director pursuant to this section including administrative and legal expenses may be recovered in a civil action brought by the attorney general under sections 1 to 12 or under any other law. The agency's certification of expenses shall be prima facie evidence that the expenses are reasonable and necessary. Any expenses incurred pursuant to this section which are recovered by the attorney general pursuant to sections 3 to 11 or any other law shall be deposited in the fund and may be appropriated only for additional response actions as provided in section 16, subdivision 2, clause (b) or (c).*

Subd. 8. [ACTIONS RELATING TO NATURAL RESOURCES.] *For the purpose of this subdivision, the state is the trustee of the air, water and wildlife of the state. An action pursuant to sections 1 to 12 for damages with respect to air, water or wildlife may be brought by the attorney general in the name of the state as trustee for those natural resources. Any damages recovered by the attorney general pursuant to sections 1 to 12 or any other law for injury to, or loss of natural resources resulting from the release of a hazardous substance shall be deposited in the fund and may be appropriated only for rehabilitation or restoration of natural resources as provided in section 16, subdivision 2, clause (e).*

Subd. 9. [ACTIONS RELATING TO PESTICIDES.] *When the commissioner of agriculture has reported an incident involving the release of pesticides under the provisions of section 18A.37, and the agency determines that the incident constitutes a release of a hazardous substance, pollutant or contaminant, the agency shall authorize the commissioner, subject to the provisions of subdivision 13, to take any action which the agency would be authorized to take under subdivisions 1 to 5. Subject to the provisions of section 16, subdivision 3, the agency shall reimburse the commissioner from the fund for the reasonable and necessary expenses incurred in taking those actions and may recover any amount spent from the fund under subdivision 7.*

Subd. 10. [ACTIONS RELATING TO OCCUPATIONAL SAFETY AND HEALTH.] *The agency, director and the commissioner of labor and industry shall make reasonable efforts to coordinate any actions taken under this section and under*

sections 182.65 to 182.674 to avoid duplication or conflict of actions or requirements with respect to a release or threatened release affecting the safety of any conditions or place of employment.

Subd. 11. [ACTIONS RELATING TO HEALTH.] The agency and director shall make reasonable efforts to coordinate and consult with the commissioner of health in planning and directing response actions with respect to a release or threatened release affecting the public health. If the commissioner of health, upon the request of the agency, takes any actions authorized under this section, the agency shall reimburse the commissioner from the fund for the reasonable and necessary expenses incurred in taking those actions and may recover any amount spent from the fund under subdivision 7.

Subd. 12. [LIMIT ON ACTIONS BY POLITICAL SUBDIVISIONS.] When the agency or director has requested a person who is responsible for a release or threatened release to take any response action under subdivision 1, no political subdivision shall request or order that person to take any action which conflicts with the action requested by the agency or director.

Subd. 13. [PRIORITIES; RULES.] By August 1, 1982, the agency shall establish a temporary list of priorities among releases or threatened releases for the purpose of taking remedial action and, to the extent practicable consistent with the urgency of the action, for taking removal action under this section. The temporary list, with any necessary modifications, shall remain in effect until nine months after criteria for determining priorities are published in the national contingency plan pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9605. By that date, the agency shall adopt rules establishing state criteria for determining priorities among releases and threatened releases. After rules are adopted, a permanent priority list shall be established, and may be modified from time to time, according to the criteria set forth in the rules. Before any list is established under this subdivision the agency shall publish the list in the state register and allow 30 days for comments on the list by the public.

The temporary list and the rules required by this subdivision shall be based upon the relative risk or danger to public health or welfare or the environment, taking into account to the extent possible the population at risk, the hazardous potential of the hazardous substances at the facilities, the potential for contamination of drinking water supplies, the potential for direct human contact, the potential for destruction of sensitive ecosystems, the administrative and financial capabilities of the agency, and other appropriate factors.

Subd. 14. [REWARDS FOR INFORMATION.] The agency may, subject to the availability of legislative appropriation, es-

establish an informer fund for the purpose of rewarding persons furnishing information regarding violations of sections 1 to 14, which information leads to the arrest and conviction of a violator or the imposition of a civil fine or punitive damages pursuant to sections 1 to 14. No official or employee of the agency shall be entitled to a reward pursuant to this subdivision. The agency shall maintain confidential the identity of the informant in all instances wherein disclosure is not essential to prosecution of the violation or recovery of civil penalties.

Sec. 15. [PURPOSES OF FUND, TAXES AND FEES.]

In establishing the environmental response, compensation and compliance fund and imposing the taxes in sections 18 and 19, it is the purpose of the legislature to:

(a) Encourage treatment and disposal of hazardous waste in a manner that adequately protects the public health and welfare and the environment;

(b) Encourage responsible parties to provide the response actions necessary to protect the public and the environment from the effects of the release of hazardous substances;

(c) Encourage the use of alternatives to land disposal of solid and hazardous waste including resource recovery, recycling, neutralization and reduction;

(d) Provide state agencies with the financial resources needed to prepare and implement an effective and timely state response to the release of hazardous substances, including investigation, planning, removal and remedial action;

(e) Compensate local units of government for increased governmental expenses and loss of revenue and to provide other appropriate assistance to mitigate any adverse impact on communities in which commercial hazardous waste processing or disposal facilities are located under the siting process provided in chapter 115A; and

(f) Recognize the environmental and public health costs of land disposal of solid waste and of the use and disposal of hazardous substances and to place the burden of financing state waste management activities on those whose products and services contribute to waste management problems and increase the risks of harm to the public and the environment.

Sec. 16. [ENVIRONMENTAL RESPONSE, COMPENSATION AND COMPLIANCE FUND.]

Subdivision 1. [ESTABLISHMENT.] The environmental response, compensation and compliance fund is created as an ac-

count in the state treasury and may be spent only for the purposes provided in subdivision 2.

Subd. 2. [PURPOSES FOR WHICH MONEY MAY BE SPENT.] Subject to appropriation by the legislature the money in the fund may be spent for any of the following purposes:

(a) Preparation by the agency for taking removal or remedial action under section 14, including investigation, monitoring and testing activities, enforcement and compliance efforts relating to the release of hazardous substances, pollutants or contaminants;

(b) Removal and remedial actions taken or authorized by the agency or director under section 14 and payment of the state share of the cost of remedial action which may be carried out under a cooperative agreement with the federal government pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9604(c)(3) for actions related to facilities other than those located under the siting authority of chapter 115A;

(c) Removal and remedial actions taken or authorized by the agency or director under section 14 and payment of the state share of the cost of remedial action which may be carried out under a cooperative agreement with the federal government pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9604(c)(3) for actions related to commercial hazardous waste facilities located under the siting authority of chapter 115A;

(d) Compensation to local units of government as provided by law, after submission by the waste management board of the report required under section 115A.08, subdivision 5, to mitigate any adverse impact of the location of commercial hazardous waste processing or disposal facilities located pursuant to the siting authority of chapter 115A;

(e) Planning and implementation by the commissioner of natural resources of the rehabilitation, restoration or acquisition of natural resources to remedy injuries or losses to natural resources resulting from the release of a hazardous substance;

(f) Inspection and monitoring by the agency, or by local units of government with agency approval, of commercial hazardous waste facilities located under the siting authority of chapter 115A;

(g) Grants by the agency or the waste management board to demonstrate alternatives to land disposal of solid and hazardous waste including reduction, separation, pretreatment, processing and resource recovery, for education of persons involved in regulating and handling solid and hazardous waste, and to as-

sist counties to develop comprehensive waste management plans; and

(h) Intervention and environmental mediation by the legislative commission on waste management under chapter 115A.

Subd. 3. [LIMIT ON CERTAIN EXPENDITURES.] *The director or agency may not spend any money under subdivision 2, clause (b) or (c) for removal or remedial actions to the extent that the costs of those actions may be compensated from any fund established under the Federal Superfund Act, 42 U.S.C. Section 9600 et seq. The director or agency shall determine the extent to which any of the costs of those actions may be compensated under the federal act based on the likelihood that the compensation will be available in a timely fashion taking into account:*

(a) The urgency of the removal or remedial actions and the priority assigned under the Federal Superfund Act to the release which necessitates those actions;

(b) The availability of money in the funds established under the Federal Superfund Act; and

(c) The consistency of any compensation for the cost of the proposed actions under the Federal Superfund Act with the national contingency plan, if such a plan has been adopted under that act.

Subd. 4. [REVENUE SOURCES.] *Revenue from the following sources shall be deposited in the environmental response, compensation and compliance fund:*

(a) The proceeds of the taxes imposed pursuant to sections 18 and 19, including interest and penalties;

(b) All money recovered by the state under section 14, subdivisions 7 and 8;

(c) All money paid to the agency in matters relating to the enforcement of sections 1 to 13 or any other statute or rule related to the regulation of hazardous waste or hazardous substances, including civil penalties and money paid under any agreement, stipulation or settlement;

(d) All interest attributable to investment of money deposited in the fund; and

(e) All money received in the form of gifts, grants, reimbursement or appropriation from any source for any of the purposes provided in subdivision 2, except federal grants.

Subd. 5. [RECOMMENDATION BY LCWM.] The legislative commission on waste management shall make recommendations on appropriations from the fund to the standing legislative committees on finance and appropriations.

Subd. 6. [REPORT TO LEGISLATURE.] At the end of each fiscal year, the agency shall submit to the senate finance committee, the house appropriations committee and the legislative commission on waste management a report detailing the activities for which money from the environmental response, compensation and compliance fund has been spent during that year.

Sec. 17. [TAXES AND FEES; DEFINITIONS.]

Subdivision 1. [APPLICATION.] The definitions provided in this section apply to sections 17 to 22.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of revenue.

Subd. 3. [MIXED MUNICIPAL SOLID WASTE.] "Mixed municipal solid waste" means the waste defined in section 115A.02, subdivision 21.

Subd. 4. [SOLID WASTE DISPOSAL FACILITY.] "Solid waste disposal facility" means real or personal property which is primarily used for the land disposal of mixed municipal solid waste.

Subd. 5. [GENERATOR.] "Generator" means a person who generates hazardous waste and who is required to disclose the generation of hazardous waste under the hazardous waste rules of the agency adopted under section 116.07.

Subd. 6. [OPERATOR.] "Operator" means the permittee, owner, or other person in control of the facility under a lease, contract, or other arrangement.

Sec. 18. [SOLID WASTE DISPOSAL TAX.]

Subdivision 1. [AMOUNT OF TAX; APPLICATION.] The operator of any solid waste disposal facility shall pay a tax on solid waste accepted at the facility as follows:

(a) A solid waste disposal facility that weighs the waste which it accepts shall pay a tax of \$2 per ton of solid waste accepted;

(b) A solid waste disposal facility which does not weigh the waste which it accepts but which measures the volume of

the waste shall pay a tax of 80 cents per cubic yard of waste accepted;

(c) A solid waste disposal facility which does not measure the weight or volume of waste accepted shall pay an annual tax of \$1.80 per capita based on the population served by the facility.

The tax imposed under clause (a), (b), or (c) may be reduced by the amount of tax which is attributable to waste accepted by the facility which is separated for recycling or re-use and is not land disposed.

The tax imposed under clause (a), (b), or (c) applies to a solid waste disposal facility operated by a political subdivision only if the political subdivision imposes a charge for the use of the facility on or after January 1, 1982.

Subd. 2. [CONSOLIDATED HEARING ON POPULATION OF SERVICE AREAS.] The tax imposed under subdivision 1, clause (c) shall be based on the population of the area served by a solid waste facility as determined by the agency under this subdivision. By July 1, 1982, the agency shall publish in the state register a list showing each facility subject to tax under subdivision 1, clause (c), and the population of its service area as determined by the agency. By July 1 in each succeeding even-numbered year the agency shall publish a list of those facilities subject to tax under subdivision 1, clause (c) for which the agency has determined a new population figure. For a facility which receives a modified landfill permit under the rules of the agency adopted pursuant to section 116.07, the population shall not be less than the number determined in the permitting process.

The list shall be published with a notice of the right of any operator of a facility subject to tax under subdivision 1, clause (c) to challenge the population determination upon which its tax will be based. A copy of the list and notice shall be sent to each operator subject to tax under subdivision 1, clause (c).

An operator who wishes to challenge the determination of the agency shall notify the agency of his intention and shall provide written evidence to the agency to support his challenge within 30 days of receipt of notice. The agency shall hold a single contested case hearing as necessary to determine any and all challenges to its determination under this subdivision. The hearing shall be completed and the decision of the agency shall be rendered not later than December 1 after the list and notice are published.

The population of a service area as determined under this subdivision shall be conclusive for the purpose of the tax imposed under subdivision 1, clause (c).

Subd. 3. [DISPOSITION OF PROCEEDS.] The proceeds of the tax imposed under this section including any interest and penalties, less the commissioner's costs of administration, shall be deposited in the fund.

Sec. 19. [HAZARDOUS WASTE GENERATOR TAX.]

Subdivision 1. [TAX IMPOSED; EXCLUSIONS.] Each generator of hazardous waste shall pay the tax imposed by this section based upon the volume and destination of the hazardous wastes generated. The generator disclosure forms, annual reports, and hazardous waste management plans required under rules of the agency adopted pursuant to section 116.07 shall be prima facie evidence of the volume and destination of hazardous wastes generated. The tax imposed by this section does not apply to hazardous wastes destined for recycling and reuse or to waste oil.

Subd. 2. [LONG TERM CONTAINMENT WITHOUT TREATMENT.] Hazardous waste destined for long term containment without treatment, including land disposal and long term storage, shall be taxed at the rate of five cents per gallon of liquid or \$5 per cubic yard of solid.

Subd. 3. [LONG TERM CONTAINMENT AFTER TREATMENT.] Hazardous waste destined for long term containment after treatment shall be taxed at the rate of four cents per gallon of liquid or \$4 per cubic yard of solid.

Subd. 4. [OTHER TREATMENT.] Hazardous waste destined for chemical treatment to produce a material which is not hazardous or which is destined for destructive treatment by incineration or other means shall be taxed at the rate of two cents per gallon of liquid or \$2 per cubic yard of solid.

Subd. 5. [ON-SITE TREATMENT; REDUCED TAX.] Hazardous wastes which are treated in a manner provided in subdivision 3 or 4 before the wastes are transported along any public street or highway as defined in section 169.01, subdivision 29, shall be taxed at one-half the rate at which they would otherwise be taxed.

Subd. 6. [DISPOSITION OF PROCEEDS.] The proceeds of the tax imposed under this section including any interest and penalties, less the commissioner's costs of administration, shall be deposited in the fund and may be appropriated for any purpose provided in section 16, subdivision 2, except the purposes provided in clauses (b) and (c) of that subdivision.

Subd. 7. [PAYMENT BY OUT OF STATE GENERATORS.] A generator of any hazardous waste which is generated outside of this state and is transported into this state for

long term containment or treatment as described in subdivisions 2 to 4 shall pay the tax imposed by this section at the first point at which the hazardous wastes are received by a person in this state for storage, treatment or long term containment. The tax shall be paid to the person who first receives the wastes in this state at the time the waste is received and shall be remitted by that person to the commissioner of revenue quarterly in the form and manner provided by the commissioner.

Sec. 20. [SEVERABILITY.]

If any tax imposed under section 18 or 19 is found to be invalid because of the purpose for which the proceeds were appropriated or made available under section 16, subdivision 2, the proceeds of that tax shall not be appropriated or available for the objectionable purposes, but the tax shall continue to be imposed and the proceeds shall be appropriated and made available for other purposes provided in section 16, subdivision 2.

Sec. 21. [TAX ADMINISTRATION AND ENFORCEMENT.]

Subdivision 1. [REQUIREMENT OF DECLARATIONS OF ESTIMATED TAX.] Except as provided in subdivision 7, any person required to pay a tax under section 18 or 19 shall file with the commissioner of revenue a declaration of his estimated tax for the calendar year. For the purpose of this section, "estimated tax" means the amount which the person estimates as the sum of the taxes imposed on him by section 18 or 19 for the calendar year. The declaration shall be in the form and contain the information required by the commissioner of revenue.

Subd. 2. [DATES OF DECLARATIONS.] Declarations of estimated tax required by subdivision 1 shall be filed by April 15 each year, except that if the person initially accrues a tax liability under section 18 or 19

(a) After April 1 and before June 2, the declaration shall be filed by June 15, or

(b) After June 1 and before September 2, the declaration shall be filed by September 15, or

(c) After September 1, the declaration shall be filed by January 15 of the succeeding year.

An individual may make amendments of a declaration filed during the taxable year, under regulations prescribed by the commissioner of revenue.

The commissioner may grant a reasonable extension of time for filing the declaration and paying the estimated tax, but for no more than six months.

Subd. 3. [DATES OF PAYMENTS.] (1) The amount of estimated tax with respect to which a declaration is required by subdivision 1 shall be paid as follows:

(a) If the declaration is filed on or before April 15, it shall be paid in four equal installments. The first installment shall be paid at the time of the filing of the declaration, the second and third on June 15 and September 15, respectively, of the year during which the liability accrues, and the fourth on January 15 of the succeeding year.

(b) If the declaration is filed after April 15 and not after June 15, and is not required by subdivision 2 to be filed on or before April 15, the estimated tax shall be paid in three equal installments. The first installment shall be paid at the time of the filing of the declaration, the second on September 15, and the third on January 15 of the succeeding year.

(c) If the declaration is filed after June 15 and not after September 15, and is not required by subdivision 2 to be filed on or before June 15, the estimated tax shall be paid in two equal installments. The first installment shall be paid at the time of the filing of the declaration, and the second on January 15 of the succeeding year.

(d) If the declaration is filed after September 15, and is not required by subdivision 2 to be filed on or before September 15, the estimated tax shall be paid in full at the time of the filing of the declaration.

(e) If the declaration is filed after the time prescribed in subdivision 2 including cases in which an extension of time for filing the declaration has been granted, subparagraphs (b), (c), and (d) of this paragraph shall not apply, and there shall be paid at the time of the filing all installments of estimated tax which would have been payable on or before that time if the declaration had been filed within the time prescribed in subdivision 2, and the remaining installments shall be paid at the times at which, and in the amounts in which, they would have been payable if the declaration had been so filed.

(2) If any amendment of a declaration is filed, the remaining installments, if any, shall be ratably increased or decreased to reflect the increase or decrease in the estimated tax under amendment, and if the amendment is made after September 15, any increase in the estimated tax by reason thereof shall be paid at the time of making the amendment.

(3) *At the election of the taxpayer any installment of the estimated tax may be paid prior to the date prescribed for its payment.*

(4) *Payment of the estimated tax, or any installment thereof, shall be considered payment on account of the taxes imposed upon the person by section 18 or 19, for the year.*

Subd. 4. [OVERPAYMENT OF ESTIMATED TAX.] If the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of the installment payment, the overpayment shall be credited against the unpaid installments, if any. If the total amount of the estimated tax payments exceeds by \$1 or more the taxes, and any penalties and interest, reported in the return of the taxpayer or imposed upon him by section 18 or 19, the amount of the excess shall be refunded to the taxpayer. If the amount of the excess is less than \$1 the commissioner shall not be required to refund that amount. If the amount of the excess to be refunded exceeds \$10, it shall bear interest at the rate of six percent per annum, computed from 90 days after (a) the due date of the return of the taxpayer or (b) the date on which his return is filed, whichever is later, until the date the refund is paid to the taxpayer. The provisions of section 270.10, shall not be applicable.

Any action of the commissioner in refunding the amount of the excess shall not constitute a determination of the correctness of the return of the taxpayer.

The commissioner of finance shall cause any refund of tax and interest to be paid out of the fund established in section 16, and so much of that fund as may be necessary is hereby appropriated for that purpose.

Subd. 5. [UNDERPAYMENT OF ESTIMATED TAX.] (1) In the case of any underpayment of estimated tax, except as provided in paragraph (4), there may be added to and become a part of the taxes imposed by section 18 or 19, for the year an amount determined at the rate specified in section 270.75 upon the amount of the underpayment for the period of the underpayment.

(2) *For purposes of the preceding paragraph, the amount of underpayment shall be the excess of*

(a) *The amount of the installment which would be required to be paid if the estimated tax were equal to 80 percent of the taxes shown on the return for the year or the taxes for the year if no return was filed, over*

(b) *The amount, if any, of the installment paid on or before the last day prescribed for payment.*

(3) *The period of the underpayment shall run from the date the installment was required to be paid to whichever of the following dates is the earlier:*

(a) *April 15; or*

(b) *With respect to any portion of the underpayment, the date on which the portion is paid. For purposes of this subparagraph, a payment of estimated tax on any installment date shall be considered a payment of any previous underpayment only to the extent the payment exceeds the amount of the installment determined under paragraph (2) (a) for the installment date.*

(4) *The addition to the tax shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installment equals or exceeds the amount which would have been required to be paid on or before that date if the estimated tax were whichever of the following is the lesser:*

(a) *The total tax liability shown on the return of the person for the preceding year, if a return showing a liability for taxes was filed by the person for the preceding year; or*

(b) *An amount equal to 80 percent of the tax for the tax liability computed by placing on an annualized basis the tax liability for the months in the year ending before the month in which the installment is required to be paid. For purposes of this subparagraph, the tax liability shall be placed on an annualized basis by:*

(i) *Multiplying by 12 (or in the case of a taxable year when a tax liability accrued during a period shorter than 12 months, the number of months in the period when the liability accrued) the tax liability computed for the months in the year ending before the month in which the installment is required to be paid; and*

(ii) *Dividing the resulting amount by the number of months in the year ending before the month in which the installment date falls.*

Subd. 6. [FAILURE TO PAY.] *Any person required under this section to pay an estimated tax, who wilfully fails to pay the estimated tax at the time required by law or regulations, shall, in addition to other penalties provided by law, be guilty of a gross misdemeanor.*

Subd. 7. [DUTIES OF THE AGENCY.] *The agency shall provide to the commissioner the names and addresses of all persons known to the agency who are subject to tax under section 18 or 19, together with any information which the agency possesses concerning the amount of solid waste accepted or hazard-*

ous waste generated and disposed of by those persons. The agency shall notify the commissioner of any suspected inaccurate or fraudulent declaration or return and may audit any person subject to tax under section 18 or 19 when requested by the commissioner.

Subd. 8. [PENALTIES; ENFORCEMENT.] The audit, penalty and enforcement provisions applicable to taxes imposed under chapter 290 apply to the taxes imposed under sections 18 and 19 and those provisions shall be administered by the commissioner.

Subd. 9. [RULES.] The commissioner may adopt temporary and permanent rules necessary to implement the provisions of this section. The agency may adopt temporary and permanent rules necessary to implement the provisions of sections 18 and 19.

Sec. 22. [SOLID AND HAZARDOUS WASTE ADMINISTRATION FEES.]

Subdivision 1. [FEE SCHEDULES.] The agency shall establish the fees provided in subdivisions 2 and 3 in the manner provided in section 16A.128 in order to raise an amount of fees sufficient to cover the non-federally funded portion of the amount appropriated to the agency for that year for permitting, inspection, monitoring and enforcement expenses of the solid and hazardous waste division of the agency, excluding any amount appropriated under section 16, subdivision 2, clauses (a) and (f). Fees collected from solid waste and hazardous waste activities shall approximate the expenses of the agency for regulation of solid waste and hazardous waste respectively. The legislature may appropriate additional amounts which need not be raised by fees or may provide that the fees shall cover a proportion of the appropriation for the division in order to assure adequate funding for the regulatory and enforcement functions of the division. All fees collected by the agency under this section shall be deposited in the general fund.

Subd. 2. [HAZARDOUS WASTE GENERATOR FEE.] Each generator of hazardous waste shall pay a fee on the hazardous waste which he generates. The agency shall compute the amount of the fee due based on the hazardous waste disclosures submitted by the generators and other information available to the agency. The agency shall annually prepare a statement of the amount of the fee due from each generator. The fee shall be paid quarterly commencing with the first day of the calendar quarter after the date of the statement.

The agency may exempt generators of small quantities of hazardous wastes otherwise subject to the fee if it finds that the cost of administering a fee on those generators is excessive relative to the proceeds of the fee. The fee shall consist of a

minimum fee for each generator not exempted by the agency and an additional fee which generally reflects the quantity of wastes generated by the generator.

If any metropolitan counties recover the costs of administering county hazardous waste regulations by charging fees, the fees charged by the agency outside of those counties shall not exceed the fees charged by those counties. The agency shall not charge a fee in any metropolitan county which charges such a fee. The agency shall impose a surcharge on the fees charged by the metropolitan counties and by the agency to reflect the agency's expenses in carrying out its statewide hazardous waste regulatory responsibilities. The surcharge imposed on the fees charged by the metropolitan counties shall be collected by the metropolitan counties in the form and manner in which the counties collect their generator fees. Metropolitan counties shall remit the proceeds of the surcharge to the agency by the last day of the month following the month in which they were collected.

Subd. 3. [FACILITY FEES.] The agency shall charge an original permit fee, a reissuance fee and an annual operator's fee for any solid waste or hazardous waste facility permitted by the agency. The agency may include reasonable and necessary costs of any environmental review required under chapter 116D in the original permit fee for any solid waste or hazardous waste facility.

Sec. 23. Minnesota Statutes 1980, Section 116.03, Subdivision 3, is amended to read:

Subd. 3. The director of the pollution control agency is the state agent to apply for, receive, and disburse federal funds made available to the state by federal law or rules and regulations promulgated thereunder for any purpose related to the powers and duties of the pollution control agency or the director. He shall comply with any and all requirements of such federal law or such rules and regulations promulgated thereunder to enable him to apply for, receive, and disburse such funds. All such moneys received by the director shall be deposited in the state treasury and are hereby annually appropriated to him for the purposes for which they are received. None of such moneys in the state treasury shall cancel and they shall be available for expenditure in accordance with the requirements of federal law.

(NO APPLICATION FOR FEDERAL FUNDS UNDER THIS SUBDIVISION SHALL BE SUBMITTED TO FEDERAL AUTHORITIES FOR APPROVAL UNLESS THE PROPOSED BUDGET FOR THE EXPENDITURE OF FEDERAL FUNDS IS APPROVED BY THE GOVERNOR AND REPORTED TO THE LEGISLATIVE COMMITTEES DESIGNATED IN SECTION 16.165 AND, WHEN THE LEGISLATURE IS NOT IN SESSION, REPORTED TO THE STANDING COMMITTEE

ON FINANCE OF THE SENATE AND THE STANDING
COMMITTEE ON APPROPRIATIONS OF THE HOUSE OF
REPRESENTATIVES.)

The provisions of section 3.3005 shall not apply to emergency response moneys available without requirement of a state match under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C., Sections 9601 to 9657. The receipt of the moneys shall be reported to the legislative advisory commission.

Sec. 24. [116.102] [PIPELINE TESTING.]

Subdivision 1. [TEST REQUIRED.] Any pipeline from which a release occurs or has occurred after January 1, 1981, shall be tested for integrity and shall be operated at no more than 90 percent of maximum operating pressure until integrity is certified.

Subd. 2. [DETAILS; REPORTS; CERTIFICATION.] Testing shall be conducted within the section of the pipeline from which the release occurred and shall conform with the requirements of the United States Department of Transportation Regulations for Transportation of Liquids by Pipeline, Code of Federal Regulations, title 42, part 195, subpart E—Hydrostatic Testing, except that only water shall be used as a test medium and the test pressure shall be maintained for at least three hours throughout the part of the system being tested. Appropriation and disposal of the test medium shall conform with the requirements of applicable law. Any pipeline failures occurring during testing shall be reported immediately to the agency. In addition, a written report containing all relevant information regarding the extent of any pollution of land or water resulting from a failure during testing as well as information regarding recovery of the material lost during testing and reclamation of the affected area shall be submitted to the agency within a reasonable period.

Certification of integrity as demonstrated by successful testing, including a written report containing all pertinent data from the test, shall be submitted to the agency within eight months after the discovery of the release or within eight months after the effective date of this section, whichever occurs later.

Subd. 3. [ADDITIONAL TESTING.] In addition to any tests required under subdivisions 2 and 3, the agency may require testing of any pipeline on the basis of relevant factors including but not limited to age of the pipe, measures taken to protect the pipe, location, potential effect of a release on health or welfare or the environment, and past incidence of releases.

Subd. 4. [DEFINITIONS.] As used in this section, the following term has the meaning given:

“Maximum operating pressure” means the maximum operating pressure allowable under the United States Department of Transportation Regulations for Transportation of Liquids by Pipeline, Code of Federal Regulations, title 42, part 195, subpart F—Operation and Maintenance.

Sec. 25. Minnesota Statutes 1980, Section 466.01, is amended by adding a subdivision to read:

Subd. 3. For the purposes of sections 466.01 to 466.15, “release” and “hazardous substance” have the meanings given in section 2.

Sec. 26. Minnesota Statutes 1980, Section 466.04, Subdivision 1, is amended to read:

Subdivision 1. [LIMITS; PUNITIVE DAMAGES.] Liability of any municipality on any claim within the scope of sections 466.01 to 466.15 shall not exceed

(a) \$100,000 when the claim is one for death by wrongful act or omission and \$100,000 to any claimant in any other case;

(b) \$300,000 for any number of claims arising out of a single occurrence;

(c) *Twice the limits provided in clauses (a) and (b) when the claim arises out of the release or threatened release of a hazardous substance, whether the claim is brought under sections 1 to 12 or under any other law.*

No award for damages on any such claim shall include punitive damages.

Sec. 27. [APPROPRIATION.]

Subdivision 1. [FUND.] The appropriations in this section are from the environmental response, compensation and compliance fund, and are available until July 1, 1983.

Subd. 2. [RESPONSE ACTIONS.] All revenues deposited in the fund before July 1, 1983, except the proceeds of the tax imposed under section 19 and any money recovered under section 14, subdivision 8, are appropriated to the agency for actions under section 16, subdivision 2, clause (b).

Subd. 3. [PREPARATION FOR RESPONSE.] All revenues deposited in the fund before July 1, 1983 as proceeds of the tax imposed under section 19 are appropriated to the agency for the purposes of section 16, subdivision 2, clause (a).

Sec. 28. [EFFECTIVE DATE.]

Sections 18 to 21 and 23 and 24 are effective the day following final enactment except that the taxes imposed by sections 18 and 19 are effective January 1, 1983. Section 22 is effective July 1, 1983. The remaining sections of this act are effective July 1, 1982."

H. F. No. 1220, A bill for an act relating to unemployment compensation; clarifying that quitting work due to sexual harassment does not result in benefit disqualification; amending Minnesota Statutes 1980, Section 268.09, Subdivision 1.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1980, Section 268.09, Subdivision 1, is amended to read:

Subdivision 1. [DISQUALIFYING CONDITIONS.] An individual shall be disqualified for waiting week credit and benefits for the duration of his unemployment and until he has earned four times his weekly benefit amount in insured work if he is separated from employment under any of the following conditions:

(1) [VOLUNTARY LEAVE.] The individual voluntarily and without good cause attributable to the employer discontinued his employment with such employer. For the purpose of this clause, a separation from employment by reason of its temporary nature or for inability to pass a test or for inability to meet performance standards necessary for continuation of employment shall not be deemed voluntary.

A separation shall be for good cause attributable to the employer if it occurs as a consequence of sexual harassment. Sexual harassment means unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or other conduct or communication of a sexual nature when: (1) the employee's submission to such conduct or communication is made

a term or condition of the employment, (2) the employee's submission to or rejection of such conduct or communication is the basis for decisions affecting employment, or (3) such conduct or communication has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment and the employer knows or should know of the existence of the harassment and fails to take timely and appropriate action.

(2) [DISCHARGE FOR MISCONDUCT.] The individual was discharged for misconduct, not amounting to gross misconduct connected with his work or for misconduct which interferes with and adversely affects his employment.

An individual shall not be disqualified under clauses (1) and (2) of this subdivision under any of the following conditions:

(a) The individual voluntarily discontinued his employment to accept work offering substantially better conditions of work or substantially higher wages or both;

(b) The individual is separated from employment due to his own serious illness provided that such individual has made reasonable efforts to retain his employment;

An individual who is separated from his employment due to his illness of chemical dependency which has been professionally diagnosed or for which he has voluntarily submitted to treatment and who fails to make consistent efforts to maintain the treatment he knows or has been professionally advised is necessary to control that illness has not made reasonable efforts to retain his employment.

(c) The individual accepts work from a base period employer which involves a change in his location of work so that said work would not have been deemed to be suitable work under the provisions of subdivision 2 and within a period of 13 weeks from the commencement of said work voluntarily discontinues his employment due to reasons which would have caused the work to be unsuitable under the provision of said subdivision 2;

(d) The individual left employment because he had reached mandatory retirement age and was 65 years of age or older; or

(e) The individual is terminated by his employer because he gave notice of intention to terminate employment within 30 days. This exception shall be effective only through the calendar week which includes the date of intended termination, provided that this exception shall not result in the payment of benefits for any week for which he receives his normal wage or salary which is equal to or greater than his weekly benefit amount;

(f) The individual is separated from employment due to the completion of an apprenticeship program, or segment thereof, approved pursuant to chapter 178.

(3) [DISCHARGE FOR GROSS MISCONDUCT.] The individual was discharged for gross misconduct connected with his work or gross misconduct which interferes with and adversely affects his employment and provided further that the commissioner is empowered to impose a total disqualification for the benefit year and to cancel part or all of the wage credits from the last employer from whom he was discharged for gross misconduct connected with his work.

For the purpose of this clause "gross misconduct" shall be defined as misconduct involving assault and battery or the malicious destruction of property or the theft of money or property of a value of \$100 or more or arson or sabotage or embezzlement. However, no person shall be deemed to have been discharged for gross misconduct for purposes of this chapter unless (1) the person makes an admission to the conduct in writing or under oath, or (2) the person is found to have engaged in such conduct by an appeals tribunal established pursuant to section 268.10, or (3) the person has been convicted by a court of competent jurisdiction of acts constituting gross misconduct.

(4) [LIMITED OR NO CHARGE OF BENEFITS.] Benefits paid subsequent to an individual's separation under any of the foregoing clauses, excepting clauses (2)(c) and (2)(e), shall not be used as a factor in determining the future contribution rate of the employer from whose employment such individual separated.

Benefits paid subsequent to an individual's failure, without good cause, to accept an offer of suitable re-employment shall not be used as a factor in determining the future contribution rate of the employer whose offer of re-employment he failed to accept or whose offer of re-employment was refused solely due to the distance of the available work from his residence, the individual's own serious illness or his other employment at the time of the offer.

(5) An individual who was employed by an employer shall not be disqualified for benefits under this subdivision for any acts or omissions occurring after his separation from employment with the employer.

Sec. 2. [EFFECTIVE DATE.]

Section 1 is effective the day following final enactment and applies to any separation from employment occurring thereafter."

"Section 1. [PURPOSE.]

It is the policy of the legislature that consumers should be able to purchase truthfully and adequately labeled seeds for planting. Sections 2 to 14 establish a uniform labeling system for agricultural, vegetable, flower, tree or shrub seeds whereby consumers can be protected from inadequately or illegally labeled seed and also whereby fair competition can be achieved.

Sec. 2. [21.80] [MINNESOTA SEED LAW.]

Sections 2 to 14 may be cited as the Minnesota seed law.

Subd. 3. [AGRICULTURAL SEEDS.] "Agricultural seeds" includes the seeds of grass, forage, cereal, oil, fiber crops, seeds of vegetables grown for processing and any other kinds of seeds commonly recognized within this state as agricultural or field seeds, lawn seeds or mixtures of those seeds, including noxious weed seed when the commissioner determines that the seed is being used as agricultural seed.

Subd. 7. [CONDITIONING.] "Conditioning" means cleaning to remove chaff, sterile florets, immature seeds, weed seeds, inert matter and other crop seeds, scarifying, blending to obtain uniform quality or any other operation which would change the purity or germination of the seed and require retesting to determine the quality of the seed. Conditioning does not include such operations as packaging, labeling, blending uniform lots of the same kind or variety without cleaning or preparing a mixture without cleaning, if it would not require retesting to determine the quality of the seed.

Subd. 8. [FLOWER SEEDS.] "Flower seeds" includes seeds of herbaceous plants grown for their blooms, ornamental foliage or other ornamental parts, and commonly known and sold under the name of flower seeds in this state.

Subd. 9. [GENUINE GROWER'S DECLARATION.] A "genuine grower's declaration" is a statement signed by the grower which gives for a lot of agricultural seed, the lot number, kind, variety, origin, weight, year of production, date of shipment and to whom it was sold, shipped or delivered.

Subd. 10. [GERMINATION.] "Germination" means the percentage of seeds other than hard seeds which are capable of producing normal seedlings under favorable growing conditions. Broken, weak, diseased, malformed or abnormal seedlings shall not be considered as having germinated.

The day classification shall approximate the number of days of growing season necessary from emergence of the corn plant above ground to maturity and shall conform to the day classification established by the director of the Minnesota agricultural experiment station for the designated zone. If recommended for other than grain production, the tag or label shall state "for forage" and carry the approximate zone classification. For the purposes of this section, silage blends shall be considered for grain production.*

In addition, the grower shall have as a part of the record a "genuine grower's declaration" or a "tree seed collector's declaration." All records and samples pertaining to the shipment involved shall be accessible for inspection by the commissioner during customary business hours.

Sec. 7. [21.85] [DUTIES OF THE COMMISSIONER.]

Subdivision 1. [ENFORCEMENT.] The commissioner shall administer and enforce sections 2 to 14.

Subd. 2. [SEED LABORATORY.] The commissioner shall establish and maintain a seed laboratory for seed testing, employing necessary agents and assistants to administer and enforce sections 2 to 14, none of whom, except those who are employed on a regular full time basis, shall come within or be governed by chapter 43. The compensation for the unclassified employees shall be on the basis of a rating and salary scale determined by the director of civil service.

Subd. 3. [ENTRY UPON PREMISES.] For the purpose of administering and enforcing sections 2 to 14 the commissioner may enter upon any public or private premises during regular business hours in order to have access to seeds and the records concerning the seeds that are subject to sections 2 to 14, and to enter any truck or other conveyer by land, water or air at any time when the conveyer is accessible, for the same purpose.

Subd. 4. [INSPECTION AND SAMPLING.] The commissioner shall sample, inspect, make analysis of and test seeds subject to sections 2 to 14 that are offered for sale for sowing purposes at the time and place and to the extent necessary to determine whether the seeds are in compliance with sections 2 to 14.

Subd. 5. [NOTICE OF VIOLATION.] The commissioner shall promptly notify the person who sold, labeled or transported seed that has been:

- (1) found to be in violation of sections 2 to 14;*
- (2) placed under a stop sale order; or*
- (3) seized on complaint of the commissioner to a court of competent jurisdiction.*

Subd. 6. [STOP SALE ORDERS.] The commissioner may issue and enforce a written or printed "stop sale" order to the owner or custodian of any lot of seed which he finds to be in violation of sections 2 to 14. The order shall prohibit further sale, conditioning and movement of the seed, except on approval of the enforcing officer, until the officer has evidence that the law has been complied with and has issued a release from the "stop sale" order. With respect to seed which has been denied sale, conditioning or movement, the owner or custodian of the seed may appeal from the order to a court where the seeds are found, for the discharge of the seeds from the order prohibiting the sale, processing or movement in accordance with the findings of the court. This subdivision does not limit the right of the enforcement officer to proceed in a different fashion.

Subd. 7. [SEIZURE.] Any lot of seed not in compliance with sections 2 to 14 is subject to seizure on complaint of the commissioner to a court of competent jurisdiction in the locality where the seed is located. If the court finds the seed to be in violation and orders the condemnation of the seed, it shall be denatured, destroyed, relabeled or otherwise disposed of in compliance with law. In no instance shall the court order dispose of the seed without first giving the claimant an opportunity to apply to the court for the release of the seed or permission to condition or relabel it into compliance.

Subd. 8. [INJUNCTION.] *When the commissioner applies to any court for a temporary or permanent injunction restraining any person from violating or continuing to violate sections 2 to 14, the injunction shall be issued without requiring a bond.*

Subd. 9. [PROSECUTIONS.] *When the commissioner finds that a person has violated sections 2 to 14 he may institute proceedings in the locality in which the violation occurred. No prosecution shall be instituted without a person having an opportunity to appear in person or by a representative before the commissioner to provide evidence. Either a county attorney or the attorney general may prosecute actions under sections 2 to 14.*

Subd. 10. [COMMISSIONER MAY ALTER REQUIREMENTS IN EMERGENCIES.] *In the event of acute shortages of any seed or seeds, or the occurrence of other conditions which, in the opinion of the commissioner, create an emergency which would make impractical the enforcement of any requirement of sections 2 to 14 relating to the percentage of purity and weed seed content of any seed or seeds, the commissioner may temporarily change and alter any requirement relating to percentage of purity and weed seed content for the duration of the emergency.*

Subd. 11. [RULES.] *The commissioner may make necessary rules for the proper enforcement of sections 2 to 14.*

Subd. 12. [SERVICE TESTING AND IDENTIFICATION.] *The commissioner shall provide for purity and germination tests of seeds and identification of seeds and plants for farmers, dealers and others. He may establish and collect fees for testing and identification in excess of the number of free tests and identifications allowed. Every resident of this state is entitled to six free tests and identifications each year. No free tests and identifications are allowed between March 15 and June 30 of each year.*

Subd. 13. [SAMPLING EXPORT SEED.] *The commissioner may sample agricultural, vegetable, flower, tree or shrub seeds which are destined for export to other countries. He may establish and collect suitable fees from the exporter for this service.*

Subd. 14. [COOPERATION WITH UNITED STATES DEPARTMENT OF AGRICULTURE.] *The commissioner shall cooperate with the United States department of agriculture in seed law enforcement.*

Agricultural or vegetable seeds packaged in hermetically sealed containers under the conditions defined by rule may be offered for sale for a period of 36 months after the last day of the month that the seeds were tested for germination prior to packaging. If seeds in hermetically sealed containers are offered for sale more than 36 months after the last day of the month in which they were tested prior to packaging, they must be retested within a nine-month period, exclusive of the calendar month in which the retest was completed, immediately prior to the sale, exposure for sale or offering for sale or transportation of the seed;

Seed from a certified lot may be labeled as to variety name when used in a blend or mixture by or with approval of the owner of the variety; or

(j) The person whose name appears on the label does not have complete records including a file sample of each lot of agricultural, vegetable, flower, tree or shrub seed sold in this state as required in section 6.

Subd. 2. [MISCELLANEOUS VIOLATIONS.] No person may:

(a) Detach, alter, deface or destroy any label required in sections 4 and 5, or alter or substitute seed in a manner that may defeat the purposes of sections 4 and 5;

(e) Use the word "type" in any labeling in connection with the name of any agricultural seed variety;

(f) Use the word "trace" as a substitute for any statement which is required; or

(g) Plant any agricultural seed which the person knows contains weed seeds and noxious weed seeds in excess of the limits for that seed.

Sec. 9. [21.87] [EXEMPTION.]

Sections 4 and 5 do not apply:

(a) To seed or grain not intended for sowing purposes;

(b) *To seed in storage in or being transported or consigned to a seed cleaning or conditioning establishment for cleaning or conditioning, provided that the invoice or label accompanying any shipment of the seeds bears the statement "seeds for conditioning," and provided that any labeling or other representation which may be made with respect to the uncleaned or unconditioned seed is subject to the provisions of sections 4 and 5; or*

(c) *To any carrier with respect to seed transported or delivered for transportation in the ordinary course of its business as a carrier, provided that the carrier is not engaged in producing, conditioning or marketing seeds subject to sections 4 and 5.*

Sec. 10. [21.88] [PENALTIES.]

Subdivision 1. [MISDEMEANOR.] A violation of sections 2 to 14 is a misdemeanor. Each additional day of violation is a separate offense.

Subd. 2. [PENALTIES NOT TO APPLY.] (a) A person is not subject to the penalties in subdivision 2 for having sold seeds which were incorrectly labeled or represented as to kind, species, subspecies, if appropriate, variety, type, origin and year, elevation or place of collection if required, if the seeds cannot be identified by examination thereof, unless he has failed to obtain an invoice or genuine grower's or tree seed collector's declaration or other labeling information and to take other reasonable precautions to insure the identity is as stated. A genuine grower's declaration shall affirm that the grower holds records of proof concerning parent seed, such as invoices and labels.

Sec. 11. [21.89] [SEED TAX PERMITS.]

Subdivision 1. [SEED FEE.] In order to pay for administering and enforcing sections 2 to 14, the commissioner shall set by rule the fees charged for various seeds and shall collect the fees on all seeds covered by sections 2 to 14.

Subd. 2. [PERMITS; ISSUANCE, REVOCATION.] The commissioner shall issue a permit to any person who labels for sale in Minnesota agricultural, vegetable, flower, tree or shrub seeds which conform to and are labeled under sections 2 to 14. The person shall furnish to the commissioner semiannual statements of all seeds sold in Minnesota for the periods ending June 30 and December 31 of each year. A statement must be itemized to show the number of each class of seeds referred to in subdivision 4, and shall be delivered, along with the payment of the fee, to the commissioner no later than 30 days after the end of each semiannual period. Any person holding a permit shall show as

part of the analysis labels or invoices on all agricultural, vegetable, flower, tree or shrub seeds all information the commissioner requires. The commissioner may revoke any permit in the event of failure to comply with applicable laws and rules. The commissioner may at all reasonable times examine the records of applicants to verify the correctness of their statements.

Subd. 3. [PENALTY.] A penalty of \$10 shall be assessed any permit holder who fails to submit a semiannual statement and pay the fee due within the 30 days following the end of each semiannual period.

Subd. 5. [EXEMPTIONS.] A person who labels for sale agricultural, vegetable, flower, tree or shrub seeds must have a seed fee permit unless:

(a) The person labels and sells less than 50,000 pounds of agricultural seed in Minnesota each calendar year. If more than 50,000 pounds are labeled and sold in Minnesota by any person, the person must have a seed fee permit and pay fees on all seed sold. A person who labels and sells grass seeds and mixtures of grass seeds intended for lawn or turf purposes is not exempted from having a permit and paying seed fees on all seeds in this category sold in Minnesota; or

(b) The agricultural, vegetable, flower, tree or shrub seeds are of the breeder or foundation seed classes of varieties developed by publicly financed research agencies intended for the purpose of increasing the quantity of seed available.

Sec. 12. [21.90] [HYBRID SEED FIELD CORN VARIETY REGISTRATION.]

Subdivision 1. [GROWING ZONES.] The director of the agricultural experiment station at the University of Minnesota shall determine, establish and number or otherwise identify corn growing zones of the state and determine and publish a list of day classifications for each zone which will approximate the number of days growing season necessary for corn from emergence of the corn plants above ground after planting to maturity.

Subd. 2. [FEES.] A record of each hybrid seed field corn grain variety to be sold in Minnesota shall be registered with the commissioner by February 1 of each year by the originator or owner. The annual fee for registration is \$22.50 per variety. The record shall include the permanent designation of the

hybrid as well as the day classification and zone of adaptation, as determined under subdivision 1, which the originator or owner declares to be the zone in which the variety is adapted. In addition, at the time of the first registration of a hybrid seed field corn grain variety, the originator or owner shall include a sworn statement that his declaration of the zone of adaptation was based on actual field trials in that zone and that the field trials substantiate his declaration as to the day and zone classifications to which the variety is adapted. The name or number used to designate a hybrid seed field corn variety in the registration is the only name of all seed corn covered by or sold under that registration.

Subd. 3. [TESTS OF VARIETIES.] If the commissioner needs to verify that a hybrid seed field corn grain variety is adapted to the corn growing zone declared by the originator or owner, it must, when grown in several official comparative trials by the director of the Minnesota agricultural experiment station in the declared zone of adaptation, have an average kernel moisture at normal harvest time which does not differ from the average kernel moisture content of three or more selected standard varieties adapted for grain production in that particular growing zone by more than four percentage points. If a new variety when tested has more than six percentage points of moisture over the standard variety, it must have the maturity increased by five days in the correct zone of adaptation before it can be sold the second year. If it does not exceed the standard varieties by more than five percentage points of moisture the second year tested, it can be sold the third year with the same maturity. If upon being tested the third year the moisture percentage points are found to be over the four percentage points allowed, the variety then must have the maturity increased by five days in the correct zone. The varieties to be used as standard varieties for determining adaptability to a zone shall be selected for each zone by the director of the Minnesota agricultural experiment station with the advice and consent of the commissioner of agriculture. Should a person, firm, originator or owner of a hybrid seed field corn grain variety wish to offer hybrid seed for sale or distribution in this state, the person, firm, originator or owner not having distributed any products in Minnesota during the past ten years, or not having any record of testing by an agency acceptable to the commissioner, then after registration of the variety the commissioner is required to have the variety tested for one year by the director of the Minnesota experiment station before it may be distributed in Minnesota. Should any person, firm, originator, or owner of a seed field corn grain variety be guilty of two successive violations with respect to the declaration of maturity date and zone number, then the violator must commence a program of pretesting for varieties as determined by the commissioner. The list of varieties to be used as standards in each growing zone shall be sent by the commissioner not later than February 1 of each year to each seed firm registering hybrid varieties with the commissioner as of the previous April 1. To assist in defraying the expenses of the Minnesota agricultural

experiment station in carrying out the provisions of this section, there shall be transferred annually from the seed law account to the agricultural experiment station the sum of \$35,000.

Sec. 13. [21.91] [SEED CERTIFICATION AGENCIES.]

Subdivision 1. [MINNESOTA.] The official seed certification agency for Minnesota shall be determined by the commissioner of agriculture and the director of the Minnesota agricultural experiment station.

Subd. 2. [OTHER JURISDICTIONS.] The official seed certification agency for other jurisdictions shall be determined and the identity filed as a public record in the office of the commissioner of agriculture. The determination shall be made by the commissioner of agriculture and the director of the Minnesota agricultural experiment station.

Sec. 14. [21.92] [SEED LAW ACCOUNT.]

There is established in the state treasury a seed law account. Fees and penalties collected by the commissioner under sections 2 to 14 shall be paid into the seed law account. Money in the seed law account, including interest earned and any appropriations made by the legislature for the purposes of sections 2 to 14, is annually appropriated to the commissioner for the administration and enforcement of sections 2 to 14. If, at any time after June 30, 1983, the seed law account contains more than \$200,000 at the end of a fiscal year, the amount in excess of \$200,000 shall be paid into the general fund.

Sec. 15. [APPROPRIATION.]

There is appropriated from the general fund in the state treasury to the commissioner of agriculture \$150,000, for the fiscal year ending July 1, 1983, for the purpose of establishing the seed law account pursuant to section 14.

Sec. 16. [REPEALER.]

(b) No patient's provisional discharge may be revoked unless:

(i) *The patient has violated material conditions of the provisional discharge, and the violation creates the need to return the patient to the facility; or,*

(ii) *There exists a serious likelihood that the safety of the patient or others will be jeopardized, in that either the patient's need for food, clothing, shelter, or medical care are not being met, or will not be met in the near future, or the patient has attempted or threatened to seriously physically harm himself or others.*

(c) *When the possibility of revocation becomes apparent, the designated agency shall notify the patient and all participants in the plan, and every effort shall be made to prevent revocation.*

(d) *Any interested person, including the designated agency, may request that the head of the facility revoke the patient's provisional discharge. Any person making such a request shall provide to the head of the facility a written report setting forth the specific facts, including witnesses, dates and locations, supporting a revocation, demonstrating that every effort has been made to avoid revocation and that revocation is the least restrictive alternative available.*

(e) *Revocation shall be commenced by a notice of intent to revoke provisional discharge, which shall be served upon the patient, his attorney, and the designated agency. The notice shall set forth the grounds upon which the intention to revoke is based, and shall inform the patient of his rights under this chapter.*

(f) *Any interested person, including the patient, may request review of the intended revocation by notifying the head of the facility within 14 days of service of the notice upon the patient. Upon receipt of such a request, the head of the facility shall immediately file with the committing court a petition for review of the notice of intent to revoke. Any interested person, including the patient, may file a petition. The court shall hold a hearing on the petition. The hearing shall be held within 14 days of the filing of the petition, unless the patient requests an immediate hearing, in which case it shall be held within five days of the request. At the hearing, the burden of proof shall be upon the party seeking revocation. At the conclusion of the hearing, the court shall find the facts specifically, and may order that the patient's provisional discharge should be revoked and the patient returned to the facility.*

(g) *The head of the facility may apply to the committing court for an order directing that the patient be returned to the facility. The court may order the patient returned to the facility prior to a review hearing only upon finding that immediate*

return to the facility is necessary to avoid serious, imminent harm to the patient or others.

(h) If neither the patient nor others requests a review hearing within the time specified in this subdivision, the revocation shall become final and the court, without hearing, may order the patient returned to the facility.

(i) During the first 60 days of a provisional discharge, the head of the treatment facility, upon finding that either of the conditions set forth in clause (b) exists, may revoke the provisional discharge without being subject to the provisions of clauses (f), (g) and (h) of this subdivision."

(b) Within 14 days after receipt by the court of the statement or within 14 days after the end of the 60 day period, whichever is earlier, the court shall hold a hearing concerning continued commitment.

(c) The patient, his counsel, the petitioner, and such other persons as the court directs shall be given at least five days notice by the court of the time and place of the hearing.

"Sec. 4. Minnesota Statutes 1980, Section 268.06, Subdivision 3a, is amended to read:

Subd. 3a. [RATE FOR NEW EMPLOYERS.] Notwithstanding the provisions of subdivision 2, each employer, subsequent to December 31, (1971) 1982, who becomes subject to this law, shall pay contributions at a rate (, NOT EXCEEDING TWO AND SEVEN-TENTHS PERCENT,) that is the higher of (a) one percent (AND) or (b) the (STATE'S THREE-YEAR BENEFIT COST) average rate for the 36 consecutive month period immediately preceding July 1 of (EACH) the preceding year for that employer's industry, as determined by the commissioner, provided that 36 months shall become 48 months for 1983, 60 months for 1984, and 72 months for 1985 and years thereafter. (FOR PURPOSES OF THIS SUBDIVISION, THE STATE'S THREE-YEAR BENEFIT COST RATE SHALL BE COMPUTED ANNUALLY AND SHALL BE DERIVED BY DIVIDING THE TOTAL DOLLAR AMOUNT OF BENEFITS PAID TO CLAIMANTS UNDER THIS LAW DURING THE 36 CONSECUTIVE CALENDAR MONTHS IMMEDIATELY PRECEDING JULY 1 OF EACH YEAR BY THE TOTAL DOLLAR AMOUNT OF WAGES SUBJECT TO CONTRIBUTIONS UNDER THIS LAW DURING THE SAME PERIOD. THE RATE SO DETERMINED SHALL BE APPLICABLE FOR THE CALENDAR YEAR NEXT SUCCEEDING EACH COMPUTATION DATE.) Sec. 5. Minnesota Statutes 1980, Section 268.06, Subdivision 6, is amended to read:

Subd. 6. [COMPUTATION OF EACH EMPLOYER'S EXPERIENCE RATIO.] The commissioner shall, for the calendar year (1966) 1982, and for each calendar year thereafter, compute an experience ratio for each employer whose account has been chargeable with benefits during the 36 consecutive calendar months immediately preceding July 1 of the preceding calendar year, provided that 36 months shall become 48 months for 1983, 60 months for 1984, and 72 months for 1985 and years thereafter; except that, for any employer who has not been subject to the Minnesota employment services law for a period of time sufficient to meet the 36 consecutive months requirement, the commissioner shall compute an experience ratio if his account has been chargeable with benefits during at least the 12 consecutive calendar months immediately preceding July 1 of the preceding calendar year. Such experience ratio shall be the quotient obtained by dividing 1 1/4 times the total benefits charged to the employer's account during the period his account has been chargeable but not less than the 12 or more than the 36, 48, 60, or 72 consecutive calendar months period provided above ending on June 30 of the preceding calendar year, by his total taxable payroll for the same period on which all contributions due have been paid to the department of economic security on or

before July 31 of the preceding calendar year. Such experience ratio shall be computed to the nearest one-tenth of a percent.

Sec. 6. Minnesota Statutes 1980, Section 268.06, Subdivision 8, is amended to read:

Subd. 8. [DETERMINATION OF CONTRIBUTION RATES.] For each calendar year the commissioner shall determine the contribution rate of each employer by adding the minimum rate to the experience ratio, except that if the ratio for the current calendar year exceeds *or falls short of* the experience ratio for the preceding calendar year by more than (ONE AND ONE-HALF) *three* percentage points, the increase *or decrease, respectively*, for the current year shall be limited to (ONE AND ONE-HALF) *three* percentage points. The minimum rate for all employers shall be one percent if the amount in the unemployment compensation fund is less than (\$80,000,000) *\$40,000,000* on (JUNE 30) *December 31* of the preceding calendar year; or nine-tenths of one percent if the fund is more than (\$80,000,000) *\$40,000,000* but less than (\$90,000,000) *\$45,000,000*; or eight-tenths of one percent if the fund is more than (\$90,000,000) *\$45,000,000* but less than (\$110,000,000) *\$55,000,000*; or seven-tenths of one percent if the fund is more than (\$110,000,000) *\$55,000,000* but less than (\$130,000,000) *\$65,000,000*; or six-tenths of one percent if the fund is more than (\$130,000,000) *\$65,000,000* but less than (\$150,000,000) *\$75,000,000*; or five-tenths of one percent if the fund is more than (\$150,000,000) *\$75,000,000* but less than (\$170,000,000) *\$85,000,000*; or three-tenths of one percent if the fund is more than (\$170,000,000) *\$85,000,000* but less than (\$200,000,000) *\$100,000,000*; or one-tenth of one percent if the fund is (\$200,000,000) *\$100,000,000* or more; provided that no employer shall have a contribution rate of more than (7.5) *nine* percent.

For the purposes of this section the unemployment compensation fund shall not include any moneys advanced from the Federal Unemployment Account in the unemployment trust fund in accordance with Title XII of the Social Security Act, as amended. No employer first assigned an experience ratio in accordance with subdivision 6, shall have his contribution rate increased *or decreased* by more than (ONE AND ONE-HALF) *three* percentage points over the contribution rate assigned for the preceding calendar year in accordance with subdivision 3a.

Sec. 7. Minnesota Statutes 1980, Section 268.07, Subdivision 2, is amended to read:

Subd. 2. [WEEKLY BENEFIT AMOUNT AND DURATION.] If the commissioner finds that an individual has earned 15, or more, credit weeks, and (\$750) *\$1,125* or more in wage credits, within the base period of employment in insured work with one or more employers, benefits shall be payable to such individual during his benefit year as follows:

(1) Weekly benefit amount shall be equal to 60 percent of the first \$85, 40 percent of the next \$85 and 50 percent of the remainder of the average weekly wage of such individual, computed to the nearest whole dollar, subject to a maximum of 62 percent of the average weekly wage paid to individuals by employers subject to the provisions of sections 268.03 to 268.24 as to claims for benefits which establish a benefit year subsequent to June 30, 1977 and prior to July 1, 1978. The maximum weekly benefit amount of claims for benefits which establish a benefit year subsequent to June 30, 1978 and prior to July 1, 1979 shall be 64 percent of said average weekly wage. The maximum weekly benefit amount of claims for benefits which establish a benefit year subsequent to July 1, 1979 shall be 66 2/3 percent of said average weekly wage.

On or before June 30 of each year the commissioner shall determine the average weekly wage paid by employers subject to sections 268.03 to 268.24 in the following manner:

(a) The sum of the total monthly employment reported for the previous calendar year shall be divided by 12 to determine the average monthly employment.

(b) The sum of the total wages reported for the previous calendar year shall be divided by the average monthly employment to determine the average annual wage.

(c) The average annual wage shall be divided by 52 to determine the average weekly wage.

The maximum weekly benefit amount as so determined computed to the nearest whole dollar shall apply to claims for benefits which establish a benefit year which begins subsequent to June 30 of each year.

(2) An individual's maximum amount of regular benefits payable in a benefit year shall not exceed the lesser of (a) 26 times his weekly benefit amount or (b) 70 percent of the number of credit weeks earned by such an individual computed to the nearest whole week times his weekly benefit amount.

(3) Each eligible individual who is unemployed in any week shall be paid with respect to such week a benefit in an amount equal to his weekly benefit amount less that part of his earnings, including holiday pay, payable to him with respect to such week which is in excess of \$25. Such benefit, if not a multiple of \$1, shall be computed to the next higher multiple of \$1.

(4) The provisions of this subdivision shall apply to claims for benefits which establish a benefit year subsequent to June 30, 1975.

Sec. 8. Minnesota Statutes 1980, Section 268.07, is amended by adding a subdivision to read:

An individual shall be eligible to receive additional benefits with respect to any week in his eligibility period only if the commissioner finds with respect to such week:

(c) *he is not in an extended benefit eligibility period as defined by section 268.071.*

(4) [WEEKLY ADDITIONAL BENEFIT AMOUNT.] *The weekly additional benefit amount payable to an individual for a week of total unemployment shall equal the weekly benefit amount payable to him during his benefit year.*

"Section 1. [PURPOSE.]

The legislature finds that Minnesota has had certificate of need review since 1971 and that there is a need to evaluate the requirements of this law, the effect of the law on the current health care delivery system, and the effect of repeal of the law

on the cost and quality of health care in Minnesota. The legislature further finds that the public may benefit from certain changes in the health care system but that supporting documentation, data, and information are lacking. It is the intent of the legislature that the Minnesota certificate of need act not be repealed prior to full consideration of the effects of such an action on the issue of cost for health care services. Alternative cost containment measures should be in place and documentation available that those measures will benefit the public interest and encourage the benefits of a price-competitive health care system for the citizens of Minnesota.

Sec. 2. [144.705] [COLLECTION, ANALYSIS AND DISSEMINATION OF DIAGNOSTIC AND PRICE INFORMATION.]

Subdivision 1. [HOSPITAL REPORTS.] The commissioner of health may periodically establish a list of illnesses, injuries and medical conditions which is representative of the diagnoses for which the citizens of the state are hospitalized. The establishment of this list shall not be subject to the provisions of sections 15.0412 to 15.0417. The commissioner may add to or delete from this list. For each of these illnesses, injuries and medical conditions, every hospital shall, within 90 days of the close of its fiscal year, report to the commissioner the following information for that fiscal year:

(a) the number of patients discharged;

(b) the shortest and longest lengths of patient stay in the hospital, the mean length of stay, and the respective lengths of stay at the 25th, 50th and 75th percentiles of the total range of lengths of stay;

(c) the lowest and highest prices for hospital services, the mean price, and the respective prices at the 25th, 50th and 75th percentiles of the total range of prices;

(d) a separation of the mean price into mean component prices for routine room and board, special care unit room and board, nursery services, delivery room use, operating room use, anesthesia services, pharmacy services, laboratory services, radiology services, supplies and other services; and

(e) any additional information influencing prices that is specified in rules promulgated by the commissioner pursuant to this section.

Subd. 2. [HEALTH PROVIDER REPORTS.] For each health profession regulated by the health-related licensing boards as defined in section 214.01, subdivision 2, or by the commissioner of health pursuant to section 214.13, the commissioner of health shall periodically establish a list of procedures and

services which are representative of the diagnoses and conditions for which citizens of the state seek treatment. The establishment of this list shall not be subject to the provisions of section 15.0412 to 15.0417. For each of these procedures and services, every regulated health care provider shall post in a public area the established prices or provide a notice of the availability of the established prices of the procedures or services.

Subd. 3. [SOURCE OF INFORMATION.] The information described in subdivisions 1 and 2 may be directly compiled and submitted to the commissioner by the hospital or regulated health care provider, or in the interests of efficiency and at the hospital's or provider's option, the information may be submitted through any entity which collects or compiles all or portions of the information for several hospitals or providers. When information is furnished through such an entity, the commissioner shall pay the entity a reasonable fee for the costs of organizing and providing the information in the form called for by this section. In both cases, the information shall be provided in such a manner as to adequately differentiate among patient characteristics which may influence the consumption of resources during treatment, such as:

- (a) the presence of secondary diagnoses;*
- (b) medical complications;*
- (c) the need for surgery;*
- (d) the age of patients; or*

(e) any additional patient characteristics which affect the consumption of resources during treatment and which are specified in rules promulgated by the commissioner pursuant to this section.

If the information described in subdivision 1 is submitted to the commissioner after having been adjusted to reflect the factors specified in clauses (a) to (e) of this subdivision, the hospital or entity furnishing this adjusted information shall simultaneously furnish both the methodology by which the adjustments have been made and the information described in subdivision 1 in its form prior to the adjustments.

Subd. 4. [SAMPLES.] The commissioner may, in the interests of efficiency, permit a hospital to submit the information described in subdivisions 1 and 2 in the form of statistically valid samples of the patients discharged from the hospital during the fiscal year.

Subd. 5. [FOSTERING PRICE COMPETITION.] The commissioner shall analyze the information provided under this section and shall disseminate the information and analyses so

as to foster the development of price competition among hospitals and regulated health care providers. Prior to dissemination of any hospital-specific information, the commissioner shall give the hospital opportunity for review and comment.

Subd. 6. [RULES.] The commissioner may promulgate such rules pursuant to chapter 15 as are necessary to implement the provisions of this section.

Within 30 days of the request, the health systems agency shall submit its recommendation on the issue of the waiver to the commissioner of health, but the recommendation shall not be binding on the commissioner of health. The commissioner of health shall notify the applicant and the health systems agency of the decision to grant or deny the waiver within 30 days of receipt of the recommendation from the health systems agency.

Subd. 3. [EQUITABLE COMPENSATION RELATIONSHIPS.] It is the policy of this state to establish equitable compensation relationships between female-dominated, male-dominated, and balanced classes of employees in the executive branch. Subd. 6a. [BALANCED CLASS.] "Balanced class" means any class in which no more than 80 percent of the incumbents are male and no more than 70 percent of the incumbents are female.

Sec. 6. Minnesota Statutes 1981 Supplement, Section 43A.05, is amended by adding a subdivision to read:

Subd. 5. [COMPARABILITY ADJUSTMENTS.] The commissioner shall compile and submit to the legislative commission on employee relations by January 1 of each odd-numbered year a list showing, by bargaining unit, and by plan for executive branch employees covered by a plan established pursuant to section 43A.18, those female-dominated classes and those male-dominated classes in state civil service for which a compensation inequity exists based on comparability of the value of the work. The commissioner shall also submit to the legislative commission on employee relations, along with the list, an estimate of the appropriation necessary for providing comparability adjustments for classes on the list. The commission shall review and approve, disapprove, or modify, the list and proposed appropriation. The commission's action shall be submitted to the full legislature in the same manner as provided in section 3.855 and section 43A.18 or section 179.74, subdivision 5. The commission shall allocate the proposed appropriation among the bargaining units and among the plans established under 43A.18. Each bargaining unit and each plan shall be allocated that proportion of the total proposed appropriation which equals the number of positions in the unit or plan approved by the commission for comparability adjustments divided by the total number of positions on the list approved by the commission for comparability adjustments. Distribution of funds within each bargaining unit or plan shall be determined by collective bargaining agreements or by plans.

Sec. 7. Minnesota Statutes 1981 Supplement, Section 43A.18, Subdivision 8, is amended to read:

(b) Compensation for state positions bears reasonable relationship to compensation for similar positions outside state service;

(c) Compensation for management positions bears reasonable relationship to compensation of represented employees managed;

(d) Compensation for positions within the classified service bears reasonable relationships among related job classes and among various levels within the same occupation; and

(e) Compensations bear reasonable relationships to one another within the meaning of this subdivision if compensation for positions which require comparable (KNOWLEDGE, ABILITIES, DUTIES, RESPONSIBILITIES AND ACCOUNTABILITIES) *skill, effort, responsibility, and working conditions* is comparable and if compensation for positions which require differing (KNOWLEDGE, ABILITIES, DUTIES, RESPONSIBILITIES AND ACCOUNTABILITIES) *skill, effort, responsibility, and working conditions* is proportional to the (KNOWLEDGE, ABILITIES, DUTIES AND RESPONSIBILITIES) *skill, effort, responsibility, and working conditions* required.

Sec. 8. [137.34] [COMPARABLE PAY.]

Subdivision 1. [POLICY.] It is the policy of this state to establish equitable compensation relationships between female-dominated, male-dominated, and balanced classes of employees at the University of Minnesota. Compensation relationships are equitable within the meaning of this subdivision when the primary consideration in negotiating, establishing, recommending, and approving total compensation is comparability of the value of the work in relationship to other positions at the University of Minnesota.

Subd. 2. [DEFINITIONS.] Unless the context clearly requires otherwise the terms used in this section shall have the meaning given them by section 43A.02.

Subd. 3. [COMPARABILITY ADJUSTMENTS.] The board of regents shall compile and submit to the legislative commission on employee relations by January 1 of each odd-numbered year, a list, by bargaining units, and by plan for unrepresented employees, showing those female-dominated classes and those male-

dominated classes at the University of Minnesota for which a compensation inequity exists based on comparability of the value of the work. The board of regents shall also submit to the legislative commission on employee relations, along with the list, an estimate of the appropriation necessary for providing comparability adjustments for those classes indicated on that list. The commission shall then review and approve, disapprove, or modify the list and proposed appropriation. This action shall be submitted to the full legislature in the same manner as provided in sections 3.855 and 179.74, subdivision 5. The commission shall allocate the proposed appropriation among the bargaining units and among the plans established by the regents. Each bargaining unit and each plan shall be allocated that proportion of the total proposed appropriation which equals the number of positions in the unit or plan on the list approved by the commissioner for comparability adjustments divided by the total number of positions on the list approved by the commission for comparability adjustments. Distribution of funds within each bargaining unit or plan shall be determined by collective bargaining agreements or by plans.

Sec. 9. [ALLOCATION.]

Subdivision 1. [STATE EMPLOYEES.] The amount approved by the legislative commission on employee relations pursuant to section 6, and approved by the full legislature, to make comparability adjustments shall be appropriated to the commissioner of finance from the various funds in the state treasury from which salaries are paid. The commissioner of finance, in consultation with the commissioner of employee relations, shall allocate these amounts to the proper accounts for distribution to incumbents of classes which have been approved for comparability adjustments.

Funds appropriated for purposes of comparability adjustments for state employees shall be distinct within the funds appropriated for salary supplements or other employee compensation. Funds not used for purposes of comparability adjustments shall revert to the appropriate fund.

Subd. 2. [BASIC MAINTENANCE LEVY.] (1) *For each school year, a school district may levy for all general and special school purposes, an amount of revenue not to exceed the amount raised by the basic maintenance mill rate times the applicable adjusted assessed valuation of the district (FOR THE PRECEDING YEAR).*

(2) For purposes of this subdivision, the term "basic maintenance mill rate" shall have the meaning given it in section 124.2122.

Sec. 22. Minnesota Statutes 1981 Supplement, Section 275.-125, Subdivision 2d, is amended to read:

Subd. 2d. [REFERENDUM LEVY.] (1) The levy authorized by subdivision 2a may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. (ONLY ONE SUCH ELECTION MAY BE HELD TO APPROVE A LEVY INCREASE WHICH WILL COMMENCE IN A SPECIFIC SCHOOL YEAR.) The question on the ballot shall state the maximum amount of the increased levy in mills, the amount of revenue that will be raised by that millage (IN) for the first school year it is (TO BE LEVIED) available, and that the millage shall be used to finance school operations. The question may designate a specific number of school years for which the referendum authorization shall apply. If approved, the school board may levy for each school year, the amount of revenue provided by the approved millage applied to (EACH YEAR'S) the district's taxable valuation (SHALL BE AUTHORIZED FOR CERTIFICATION) for the calendar year preceding the calendar year when that school year begins for the number of school years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum. For any district where an increased levy was approved before July 1, 1982, the department shall convert the authorized certification amount to an authorized amount of revenue per school year; provided, any district where the increase was limited to a specific number of certification years may levy the entire increased amount of revenue for the school year beginning in the calendar year succeeding the last calendar year when the ballot question authorized certification of the increase.

(2) A referendum on the question of revoking or reducing the increased levy amount authorized pursuant to clause (1) of this subdivision may be called by the school board and shall be

called by the school board upon the written petition of qualified voters of the district. A levy approved by the voters of the district pursuant to clause (1) of this subdivision must be made for at least (ONCE) *one school year* before it is subject to a referendum on its revocation or reduction for subsequent school years. Only one such revocation or reduction election may be held to revoke or reduce a levy for any specific school year and for school years thereafter.

(3) A petition authorized by (CLAUSES) *clause (1) (OR (2))* shall be effective if signed by a number of qualified voters in excess of 15 percent, or ten percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board.

(4) *A petition authorized by clause (2) shall be effective if signed by a number of qualified voters in excess of five percent of the residents of the school district as determined by the most recent census. A revocation or reduction referendum invoked by petition shall be held within three months of submission of the petition to the school board.*

(5) Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

((5)) (6) Within 30 days after the district holds a referendum pursuant to this clause, the district shall notify the commissioner of education of the results of the referendum.

Sec. 27. Minnesota Statutes 1981 Supplement, Section 275.-125, Subdivision 7a, is amended to read:

Subd. 7a. [DISCRETIONARY LEVY.] (1) For purposes of this subdivision, the terms "discretionary allowance" and "discretionary mill rate" shall have the meanings given them in section 124.2125.

(2) (IN 1981 AND) *For each school year (THEREAFTER), a district which levies the maximum permissible amount of revenue for that school year pursuant to subdivision 2a and subdivision 6b may levy an additional amount of revenue which shall not exceed the lesser of (a) an amount equal to the discretionary mill rate times the district's applicable adjusted assessed valuation (FOR THE PRECEDING YEAR) or (b) the product obtained by multiplying the (APPLICABLE) discretionary allowance for that school year times the actual and AFDC pupil units in the district in the preceding school year (WHEN THE LEVY IS CERTIFIED).*

(3) (IN 1981 AND) *For each school year (THEREAFTER), a district which levies the maximum permissible amount of revenue for that school year pursuant to subdivision 2a and subdivision 6b, and where the net unappropriated balance in all operating funds as of (THE PRECEDING) June 30 of the second preceding school year is less than \$165 per actual and AFDC pupil unit in the district in the preceding school year (WHEN THE LEVY IS CERTIFIED), may levy an amount of revenue which shall not exceed the lesser of (a) one mill times the district's applicable adjusted assessed valuation (FOR THE PRECEDING YEAR) or (b) the product obtained by multiplying the (APPLICABLE) discretionary allowance for that school year times the total number of pupil units in the district in the preceding school year (WHEN THE LEVY IS CERTIFIED), without holding a public hearing or conducting a referendum pursuant to clause (5).*

(4) The board is not required to hold a public hearing or conduct a referendum on the levy authorized by this subdivision (IN) *for any school year (WHEN IT LEVIES) for which it is authorized to levy pursuant to clause (3) or (WHEN) for which the board proposes to levy an amount of revenue not to exceed an amount equal to the (PRECEDING YEAR'S) applicable adjusted assessed valuation times the largest number of EARC mills the district was previously (LEVIED BY THE DISTRICT) authorized to levy for any school year pursuant to this subdivision.*

(5) (a) Except as provided in clause (3), the provisions of clause (5) shall apply to the levy authorization in this subdivision (IN) *for any school year (WHEN) for which the board either proposes to levy pursuant to this subdivision for the first time or proposes to increase the number of mills which it levies against its adjusted assessed valuation pursuant to this subdivision to a number of mills greater than the largest num-*

ber of mills previously levied against its adjusted assessed valuation for any school year pursuant to this subdivision.

(b) By the July 15 (IN) preceding any school year (WHEN) to which clause (5) applies, the board of the district shall hold a public hearing on the need for the proposed levy or increase. At least three weeks published notice of the hearing in 10 point type or 5.0 agate type, with a larger headline, shall be given in the legal newspaper with the largest circulation in the district. The notice shall state the amount of revenue the proposed levy or increase (IN DOLLARS) would provide for that school year, the amount of the property levy or increase in EARC mills (AND) per school year, the estimated tax impact of the proposed levy or increase in the next two years in auditor's mills, and the estimated net unappropriated fund balance in the district's operating funds as of the June 30 (BEFORE THE LEVY OR INCREASE IS CERTIFIED) second preceding that school year.

(c) At the hearing on a proposed levy or increase for any school year, the district shall present its proposed revenue and expenditure budgets for (THE NEXT TWO SCHOOL YEARS) that school year and the school year preceding it, the estimated net unappropriated fund balances in all district funds as of the June 30 (BEFORE THE LEVY OR INCREASE IS CERTIFIED) second preceding that school year, and the estimated amount in dollars (,) and in EARC mills for that school year, and in auditor's mills in the next two years, of any reduction of the proposed levy revenue for that school year which may be required by subdivision 7c. At the hearing, the board shall also hear all parties requesting to give testimony for and against the proposed levy or increase. Upon receipt of a petition within 30 days after the hearing, the board shall call a referendum on the proposed levy or increase. A petition shall be effective if signed by a number of qualified voters in excess of three percent of the residents of the district (EQUAL TO THE GREATER OF 50 VOTERS OR 15 PERCENT OF THE NUMBER OF VOTERS WHO VOTED IN THE DISTRICT AT THE MOST RECENT REGULAR SCHOOL BOARD ELECTION) as determined by the most recent census.

(d) The referendum shall be held on a date set by the school board, but no later than the September 20 (BEFORE THE LEVY IS CERTIFIED) preceding the school year for which the levy or increase is proposed.

The ballot shall state substantially the following, as appropriate:

The board of School District No. has proposed (a discretionary levy in a maximum amount of EARC mills which would raise) (to increase a discretionary levy from EARC mills to

EARC mills. This increase would provide an additional) \$ (IN) for the first school year for which it is levied.

Shall the (increase in the) discretionary levy proposed by the Board of Yes School District No. be approved? No

(e) The approval of a majority of those voting on the question is required to pass the referendum.

(f) If a petition is not received or if the proposed levy or increase is approved at a referendum, the district may levy the amount of revenue provided by the number of mills proposed by the school board, (IN) for the school year (WHEN) for which the hearing or referendum is held and (IN) for succeeding school years. If a proposed first time levy is not approved, except as provided in clause (3), the district may not levy pursuant to this subdivision (IN) for the school year (WHEN) for which the referendum is held and shall be required to comply with the provisions of clause (5) before levying pursuant to this subdivision (IN) for a subsequent school year. If a proposed increase is not approved, the district may levy an amount of revenue not to exceed the amount provided by the largest number of EARC mills the district was previously (LEVIED BY THE DISTRICT) authorized to levy for any school year pursuant to this subdivision, applied to the (PRECEDING YEAR'S) applicable adjusted assessed valuation.

Sec. 28. Minnesota Statutes 1981 Supplement, Section 275.-125, Subdivision 7c, is amended to read:

Subd. 7c. [DISCRETIONARY LEVY FUND BALANCE PROVISION.] (BEGINNING WITH THE 1981 LEVY,) For a district where the net unappropriated operating fund balance as of the June 30 (BEFORE THE LEVY IS CERTIFIED) second preceding any school year for which the district proposes to levy pursuant to subdivision 7a, exceeds \$500 per actual and AFDC pupil unit in the school year preceding that school year (WHEN THE LEVY IS CERTIFIED), the authorized discretionary levy (LIMITATION) revenue shall be reduced by the amount of the excess times the lesser of one or the ratio of the district's applicable EARC valuation (FOR THE PRECEDING YEAR) per actual and AFDC pupil unit in the school year (WHEN THE LEVY IS CERTIFIED) preceding that school year, to the equalizing factor. (BEGINNING WITH THE 1982-1983 SCHOOL YEAR,) The discretionary aid for (THE) that school year (WHEN THAT LEVY IS USED) shall be reduced by any amount of the excess which is not subtracted from the authorized levy revenue.

Sec. 29. Minnesota Statutes 1981 Supplement, Section 275.-125, Subdivision 9, is amended to read:

Subd. 9. [LEVY REDUCTIONS; TACONITE.] (1) Reductions in levies pursuant to subdivision 10 of this section, and section 273.138, shall be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts which received payments pursuant to sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; 477A.15; and any law imposing a tax upon severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties, or recognized revenue pursuant to section 477A.15; shall not include a portion of these aids in their permissible levies pursuant to those sections, but instead shall reduce the permissible levies authorized by this section by the greater of the following:

(a) an amount equal to 50 percent of the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year; or

(b) an amount equal to the total dollar amount of the payments received pursuant to those sections or revenue recognized pursuant to section 477A.15 in the previous fiscal year less the product of the same dollar amount of payments or revenue times the ratio of the maximum levy allowed the district under subdivision 2a, to the total levy allowed the district under this section in the year in which the levy is certified.

(3) No reduction pursuant to this subdivision shall reduce the levy made by the district pursuant to subdivision 2a, to an amount less than the amount raised by a levy of ten mills times the adjusted assessed valuation of that district for the preceding year as determined by the equalization aid review committee. The amount of any increased levy authorized by referendum pursuant to subdivision 2d shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 4, to make payments for bonds issued and for interest thereon, shall not be reduced pursuant to this subdivision. The amount of any levy authorized by subdivision 7a shall not be reduced pursuant to this subdivision.

(4) Before computing the reduction pursuant to this subdivision of the capital expenditure levy authorized by subdivision 11a, and the community service levy authorized by subdivision 8, the commissioner shall ascertain from each affected school district the amount it proposes to levy for capital expenditures pursuant to subdivision 11a and for community services pursuant to subdivision 8. The reduction of the capital expenditure levy and the community services levy shall be computed on the basis of the amount so ascertained.

(5) Notwithstanding any law to the contrary, any amounts received by districts in any fiscal year pursuant to sections 294.21 to 294.26; 298.23 to 298.28; 298.34 to 298.39; 298.391 to 298.396; 298.405; 298.51 to 298.67; or any law imposing a tax on severed mineral values, or under any other law distributing proceeds in lieu of ad valorem tax assessments on copper or nickel properties; and not deducted from foundation aid pursuant to section 124.2128, subdivision 5, clause (2), and not applied to reduce levies pursuant to this subdivision shall be paid by the district to the commissioner of finance in the following amount on the designated date: on or before March 15 of each year, 100 percent of the amount required to be subtracted from the previous fiscal year's foundation aid pursuant to section 124.2128, subdivision 5, which is in excess of the foundation aid earned for that fiscal year. The commissioner of finance shall deposit any amounts received pursuant to this clause in the taconite property tax relief fund in the state treasury, established pursuant to section 16A.70 for purposes of paying the taconite homestead credit as provided in section 273.135.

(6) In determining levy reductions for levy authorizations governed by subdivision 1a as added by Laws 1981, Third Special Session Chapter 2, Article IV, Section 7, the department shall apply this subdivision after it applies the provisions of subdivision 1a, as added by Laws 1981, Third Special Session, Chapter 2, Article IV, Section 7. For purposes of computing the ratio in clause (2)(b) and applying the ten mill minimum in clause (3), the levy allowed the district and the levy made by the district under subdivision 2a shall be determined after the application of subdivision 1a, as added by Laws 1981, Third Special Session, Chapter 2, Article IV, Section 7.

Sec. 30. Minnesota Statutes 1981 Supplement, Section 275.125, Subdivision 19, is amended to read:

Subd. 19. [LEVY REDUCTION; MINIMUM AID.] Any district which it is estimated will receive an amount of minimum foundation aid pursuant to section 124.2126 or its successor provision in (THE) *any school year (TO WHICH THE LEVY IS ATTRIBUTABLE)*, shall reduce its *authorized levy (LIMITATION) revenue for that school year* pursuant to subdivision 2a by the amount of minimum foundation aid which it is estimated that the district will receive in (THE) *that school year (TO WHICH THE LEVY IS ATTRIBUTABLE)*.

Sec. 31. Minnesota Statutes 1981 Supplement, Section 275.125, Subdivision 20, is amended to read:

Subd. 20. [ESTIMATES.] The computation of levy limitations pursuant to this section shall be based on estimates where necessary. If as a result of using estimates for these computations the amount of any levy is different from the amount which could actually have been levied if actual data had been available,

levy limitations in the first year when the actual data is known shall be adjusted to reflect for this difference. The amount of any adjustment to levy limitations pursuant to this subdivision shall be recognized as revenue in the school year *beginning in the calendar year* when the levy for which the levy limitation is so adjusted is (RECOGNIZED AS REVENUE) *collected*.

Sec. 32. Minnesota Statutes 1981 Supplement, Section 298.28, Subdivision 1, is amended to read:

Subdivision 1. The proceeds of the taxes collected under section 298.24, except the tax collected under section 298.24, subdivision 2, shall, upon certificate of the commissioner of revenue to the general fund of the state, be paid by the commissioner of revenue as follows:

(1) 2.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", to the city or town in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 40 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing district. His order making such apportionment shall be subject to review by the tax court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(2) 12.5 cents per taxable ton, less any amount distributed under clause (8), to the taconite municipal aid account in the apportionment fund of the state treasury, to be distributed as provided in section 298.282.

(3) 29 cents per taxable ton plus the increase provided in paragraph (c) to qualifying school districts to be distributed as follows:

(a) Six cents per taxable ton to the school districts in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) 23 cents per taxable ton, less any amount distributed under part (d), shall be distributed to a group of school districts comprised of those school districts wherein the taconite

was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.124 in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its (PERMITTED) *certified* levy for the prior year, computed pursuant to section 275.125, comprises of the sum of (PERMITTED) *certified* levies for the prior year for all qualifying districts, computed pursuant to section 275.125. For purposes of distributions pursuant to this part, (PERMITTED) *certified* levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2d.

(c) On July 15, 1982 and on July 15 in subsequent years, an amount equal to the increase derived by increasing the amount determined by clause (3) (b) in the same proportion as the increase in the steel mill products index over the base year of 1977 as provided in section 298.24, subdivision 1, clause (a), shall be distributed to any school district described in clause (3) (b) where a levy increase pursuant to section 275.125, subdivision 2d, is authorized by referendum, according to the following formula. Each district shall receive the product of:

(i) \$150 times the pupil units identified in section 124.17, subdivision 1, clauses (1) and (2), enrolled in the previous school year, less the product of two mills times the district's taxable valuation in the second previous year; times

(ii) the lesser of:

(A) one, or

(B) the ratio of the amount certified pursuant to section 275.125, subdivision 2d, in the previous year, to the product of two mills times the district's taxable valuation in the second previous year.

If the total amount provided by clause (3) (c) is insufficient to make the payments herein required then the entitlement of \$150 per pupil unit shall be reduced uniformly so as not to exceed the funds available. Any amounts received by a qualifying school district in any fiscal year pursuant to clause (3) (c) shall not be applied to reduce foundation aids which the district is entitled to receive pursuant to section 124.212 or the permissible levies of the district. Any amount remaining after the payments provided in this paragraph shall be paid to the commissioner of finance who shall deposit the same in the taconite environmental protection fund and the northeast Minnesota economic protection fund as provided in section 298.28, subdivision 1, clause 10.

(d) There shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32 in 1975.

(4) 19.5 cents per taxable ton to counties to be distributed as follows:

(a) 15.5 cents per taxable ton shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to part (b). The commissioner shall follow the apportionment formula prescribed in clause (1).

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per taxable ton of the tax distributed to the counties pursuant to part (a) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(c) Four cents per taxable ton shall be paid to the county from which the taconite was mined, quarried or concentrated to be deposited in the county road and bridge fund. If the mining, quarrying and concentrating, or separate steps in any of those processes are carried on in more than one county, the commissioner shall follow the apportionment formula prescribed in clause (1).

(5) (a) 25.75 cents per taxable ton, less any amount required to be distributed under part (b), to the taconite property tax relief account in the apportionment fund in the state treasury, to be distributed as provided in sections 273.134 to 273.136.

(b) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, .75 cent per taxable ton of the tax imposed and collected from such taxpayer shall be distributed by the commissioner of revenue to the county and school district in which the power plant is located as follows: 25 percent to the county and 75 percent to the school district.

(6) One cent per taxable ton to the state for the cost of administering the tax imposed by section 298.24.

(7) Three cents per taxable ton shall be deposited in the state treasury to the credit of the iron range resources and rehabilitation board account in the special revenue fund for the purposes of section 298.22. The amount determined in this clause shall be

increased in 1981 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1. The amount distributed pursuant to this clause shall be expended within or for the benefit of a tax relief area defined in section 273.134. No part of the fund provided in this clause may be used to provide loans for the operation of private business unless the loan is approved by the governor and the legislative advisory commission.

(8) .20 cent per taxable ton shall be paid in 1979 and each year thereafter, to the range association of municipalities and schools, for the purpose of providing an area wide approach to problems which demand coordinated and cooperative actions and which are common to those areas of northeast Minnesota affected by operations involved in mining iron ore and taconite and producing concentrate therefrom, and for the purpose of promoting the general welfare and economic development of the cities, towns and school districts within the iron range area of northeast Minnesota.

(9) the amounts determined under clauses (4)(a), (4)(c), and (5) shall be increased in 1979 and subsequent years in the same proportion as the increase in the steel mill products index as provided in section 298.24, subdivision 1.

(10) the proceeds of the tax imposed by section 298.24 which remain after the distributions in clauses (1) to (9) and parts (a) and (b) of this clause have been made shall be divided between the taconite environmental protection fund created in section 298.223 and the northeast Minnesota economic protection fund created in section 298.292 as follows: In 1981 and each year thereafter, two-thirds to the taconite environmental protection fund and one-third to the northeast Minnesota economic protection fund. The proceeds shall be placed in the respective special accounts in the general fund.

(a) In 1978 and each year thereafter, there shall be distributed to each city, town, school district, and county the amount that they received under section 294.26 in calendar year 1977.

(b) In 1978 and each year thereafter, there shall be distributed to the iron range resources and rehabilitation board the amounts it received in 1977 under section 298.22.

On or before October 10 of each calendar year each producer of taconite or iron sulphides subject to taxation under section 298.24 (hereinafter called "taxpayer") shall file with the commissioner of revenue and with the county auditor of each county in which such taxpayer operates, and with the chief clerical officer of each school district, city or town which is entitled to participate in the distribution of the tax, an estimate of the amount of tax which would be payable by such taxpayer under said law for such calendar year; provided such estimate shall be in an

amount not less than the amount due on the mining and production of concentrates up to September 30 of said year plus the amount becoming due because of probable production between September 30 and December 31 of said year, less any credit allowable as hereinafter provided. Such estimate shall list the taxing districts entitled to participate in the distribution of such tax, and the amount of the estimated tax which would be distributable to each such district in the next ensuing calendar year on the basis of the last percentage distribution certified by the commissioner of revenue. If there be no such prior certification, the taxpayer shall set forth its estimate of the proper distribution of such tax under the law, which estimate may be corrected by the commissioner if he deems it improper, notice of such correction being given by him to the taxpayer and the public officers receiving such estimate. The officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of such county, city or school district in the year in which such estimate is made, and payable in the next ensuing calendar year, except that in 1978 and 1979 two cents per taxable ton, and in 1980 and thereafter, one cent per taxable ton of the amount distributed under clause (4) (c) shall not be deducted in calculating the permissible levy. Such taxpayer shall then pay, at the times payments are required to be made pursuant to section 298.27, as the amount of tax payable under section 298.24, the greater of (a) the amount shown by such estimate, or (b) the amount due under said section as finally determined by the commissioner of revenue pursuant to law. If, as a result of the payment of the amount of such estimate, the taxpayer has paid in any calendar year an amount of tax in excess of the amount due in such year under section 298.24, after application of credits for any excess payments made in previous years, all as determined by the commissioner of revenue, the taxpayer shall be given credit for such excess amount against any taxes which, under said section, may become due from the taxpayer in subsequent years. In any calendar year in which a general property tax levy subject to sections 275.125 or 275.50 to 275.59 has been made, if the taxes distributable to any such county, city or school district are greater than the amount estimated to be paid to any such county, city or school district in such year, the excess of such distribution shall be held in a special fund by the county, city or school district and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies under section 275.125 or 275.50 to 275.59, of such county, city or school district payable in such year. If the amounts distributable to any such county, city or school district, after final determination by the commissioner of revenue under this section are less than the amounts indicated by such estimates, such county, city or school district may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy, in excess of the limitations of sections 275.125 or 275.50 to 275.59 an amount sufficient to pay such certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to such shortage.

There is hereby annually appropriated to such taxing districts as are stated herein, to the taconite property tax relief account and to the taconite municipal aid account in the apportionment fund in the state treasury, to the department of revenue, to the iron range resources and rehabilitation board, to the range association of municipalities and schools, to the taconite environmental protection fund, and to the northeast Minnesota economic protection fund, from any fund or account in the state treasury to which the money was credited, an amount sufficient to make the payment or transfer. The payment of the amount appropriated to such taxing districts shall be made by the commissioner of revenue on or before May 15 annually.

This section shall not be construed as altering statutory operating debt for fiscal years other than fiscal year 1983, or as altering the computation of the levies authorized in Minnesota Statutes 1980, Section 275.125, Subdivision 9a, or Laws 1976, Chapter 20, Subdivision 4.

(b) *If the predicted base cost is less than the base cost, the predicted base cost shall be increased by 50 percent of the first \$40 of difference between the base cost and the predicted base cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted total authorized predicted cost per weighted FTE.*

Subd. 7b. [INFLATION FACTORS.] *The adjusted total authorized predicted cost per FTE determined for a district under subdivision 7a for the 1980-1981 school year shall be increased by 22 percent to determine the district's aid entitlement per FTE for the 1982-1983 school year.*

Subd. 8a. [AID.] A district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its excess handicapped transportation aid pursuant to subdivision 8c, its handicapped board and lodging aid pursuant to subdivision 8d, its to and from board and lodging aid pursuant to subdivision 8e, its nonpublic support services transportation aid pursuant to subdivision 8f, and its during-day transportation aid pursuant to subdivision 8g, minus the amount raised by two mills times the adjusted assessed valuation which is used to compute the authorized transportation levy revenue for that school year. If the total appropriation for transportation aid in any fiscal year is insufficient to pay all districts the full amount of aid earned, the department of education shall reduce each district's aid entitlement in proportion to the number of resident pupils in average daily membership in the district compared to the state total, and shall reduce the aid entitlement of off-formula districts in the same proportion. Aid for the 1982-1983 and 1983-1984 school years shall be reduced by the following amount: the product of

(a) the number of nonhandicapped secondary pupils in the current school year who live between one and two miles from the public school which they could attend or the nonpublic school actually attended and who would have been transported in the current year under the district's eligibility rules in the base year, times

(b) 1.5, divided by the average distance to school for all FTE's transported in the district in the regular transportation category in the second preceding year, times

(c) the district's aid entitlement per FTE determined according to subdivision 7b.

Subd. 5. For school transportation services, a school district may levy *for each school year* an amount not to exceed the amount raised by a levy of two mills times the *applicable* adjusted assessed valuation of the taxable property of the district (FOR THE PRECEDING YEAR). A district may also levy under this subdivision for the amount necessary to eliminate any projected deficit in the appropriated fund balance account for bus purchases in its transportation fund as of June 30 in (THE) *that* school year (WHEN THE LEVY IS RECOGNIZED AS REVENUE). A *district which contracts for pupil transportation services may also levy for each school year an amount of revenue equal to \$18 times the number of FTE pupils transported on contracted school buses in the preceding school year in the regular transportation category, which shall be placed in the transportation fund and used for any lawful purpose. In the year following that fiscal year, the district's transportation levy shall be reduced by an amount equal to the difference between (1) two mills times the adjusted assessed valuation of the district, and (2) the sum of the district's transportation aid computation pursuant to section 124.225, subdivisions 8b, 8c, 8d, 8e, 8f, and 8g, minus the following amount:

the product of

(a) the number of nonhandicapped secondary pupils in the current school year who live between one and two miles from the public school which they could attend or the non-public school actually attended and who would have been transported in the current year under the district's eligibility rules in the base year, times

(b) 1.5, divided by the average distance to school for all FTE's transported in the district in the regular transportation category in the second preceding year, times

(c) the district's aid entitlement per FTE determined according to section 124.225, subdivision 7b.

Sec. 7. [ADDITIONAL TRANSPORTATION LEVY, 1982.]

In 1982 only, a district may levy for transportation costs or other related services which are necessary because of extraordinary traffic hazards for the 1982-1983 school year, and may levy an amount equal to the cost of transporting secondary pupils to and from school in the 1982-1983 school year who live more than one mile, but less than two miles from the public school which they could attend or from a nonpublic school actually attended. Levies authorized by this section shall be computed according to procedures established by the commissioner.

SPECIAL EDUCATION

Section 1. Minnesota Statutes 1980, Section 120.17, Subdivision 4a, is amended to read:

Subd. 4a. [ATTENDANCE IN ANOTHER DISTRICT.] No resident of a district who is eligible for special instruction and services pursuant to this section shall be denied provision of this instruction and service because he attends a public school in another school district pursuant to section 123.39, subdivision 5, if his attendance is not subject to section (120.065) 120.075, 120.-0751, or (123.39, SUBDIVISION 5A) 120.0752. If the pupil attends a public school located in a contiguous district and the district of attendance does not provide special instruction and services, the district of residence shall provide necessary transportation for the pupil between the boundary of the district of residence and the educational facility where special instruction and services are provided within the district of residence. The district of residence may provide necessary transportation for the pupil between its boundary and the school attended in the

contiguous district, but shall not pay the cost of transportation provided outside the boundary of the district of residence.

Sec. 2. Minnesota Statutes 1981 Supplement, Section 120.17, Subdivision 5a, is amended to read:

Subd. 5a. [SUMMER PROGRAMS.] A district may provide summer programs for handicapped children living within the district and nonresident children temporarily placed in the district pursuant to subdivisions 6 or 7. Prior to March 31 or 30 days after the handicapped child is placed in the district, which ever is later, the providing district shall give notice to the district of residence of any nonresident children temporarily placed in the district pursuant to subdivisions 6 or 7, of its intention to provide these programs. Notwithstanding any contrary provisions in subdivisions 6 and 7, the school district providing the special instruction and services shall apply for special education aid for the summer program. For the purposes of computing the summer school revenue allowance as provided in section (124.20) *7 of this article*, pupils enrolled in these programs shall be counted by the district of residence and not by the district providing the programs. The unreimbursed actual cost of providing the program for nonresident handicapped children, including the cost of board and lodging, may be billed to the district of the child's residence and shall be paid by the resident district. Transportation costs shall be paid by the district responsible for providing transportation pursuant to subdivision 6 or 7 and transportation aid shall be paid to that district.

Sec. 3. Minnesota Statutes 1981 Supplement, Section 120.17, Subdivision 6, is amended to read:

Subd. 6. [PLACEMENT IN ANOTHER DISTRICT; RESPONSIBILITY.] The responsibility for special instruction and services for a handicapped child temporarily placed in another district for care and treatment shall be determined in the following manner:

(a) The school district of residence of a child shall be the district in which his parent resides, if living, or his guardian, or the district designated by the commissioner of education if neither parent nor guardian is living within the state.

(b) When a child is temporarily placed for care and treatment in a day program located in another district and the child continues to live within the district of residence during the care and treatment, the district of residence is responsible for providing transportation and an appropriate educational program for the child. The district may provide the educational program at a school within the district of residence, at the child's residence, or in the district in which the day treatment center is located by paying tuition to that district.

(c) When a child is temporarily placed in a residential program for care and treatment, the nonresident district in which the child is placed is responsible for providing (TRANSPORTATION AND) an appropriate educational program for the child *and necessary transportation within the district while the child is attending the educational program*; and shall bill the district of the child's residence for the actual cost of providing the program, as outlined in subdivision 4, except that the board, lodging, and treatment costs incurred in behalf of a handicapped child placed outside of the school district of his residence by the commissioner of public welfare or the commissioner of corrections or their agents, for reasons other than for making provision for his special educational needs shall not become the responsibility of either the district providing the instruction or the district of the child's residence.

(d) The district of residence shall pay tuition and other program costs, not including transportation costs, to the district providing the instruction and services. The district of residence may claim foundation aid for the child as provided by law. Transportation costs shall be paid by the district responsible for providing the transportation and the state shall pay transportation aid to that district.

Sec. 4. Minnesota Statutes 1981 Supplement, Section 121.904, Subdivision 7, is amended to read:

Subd. 7. Summer school aids and the proceeds of the summer school levy for any summer school session shall be recognized as revenues and recorded as receivables in proportion to the total number of summer school days in each fiscal year in which the summer school session occurs; provided that nothing in this subdivision shall be construed to provide for a different rate of aid than that provided in section (124.20) 7 of this article.

Sec. 5. Minnesota Statutes 1981 Supplement, Section 124.01, Subdivision 1, is amended to read:

The date of withdrawal shall mean the day the pupil permanently leaves the school or the date it is officially known that the

pupil has left or has been legally excused. However, a pupil, regardless of age, who has been absent from school for 15 consecutive school days during the regular school year or for five consecutive school days during summer school or inter-session classes of flexible school year programs without receiving instruction in the home or hospital shall be dropped from the roll and classified as withdrawn. Nothing in this section shall be construed as waiving the compulsory attendance provisions cited in section 120.10. Average daily membership shall equal the sum for all pupils of the number of days of the school year each pupil is enrolled in the district's schools divided by the number of days the schools are in session. *Days of summer school or inter-session classes of flexible school year programs shall only be included in the computation of membership for handicapped pupils appropriately served at levels 4, 5, or 6 of the continuum of placement model described in 5 MCAR S 1.0120 B.11.*

(2) "Summer school revenue allowance" means an amount equal to the product of the number of summer school pupil units in a district, times the foundation aid formula allowance as defined in section 124.2122 for the preceding regular school year.

(3) "Summer school aid" means aid for summer school and inter-session classes of flexible school year programs.

Subd. 3. [SUMMER SCHOOL AID.] Each year a district shall receive summer school aid equal to the difference between

(1) the product of

(a) the ratio of the district's actual levy to its permitted levy pursuant to section 19 certified in the calendar year when the summer school program is offered; times

(b) the district's summer school revenue allowance; and

(2) the levy certified by the district pursuant to section 19 of this article in the calendar year when the summer school program is offered.

Actual acquisition cost includes quantity and other special discounts except time and cash discounts. Establishment of this fee shall not be subject to the requirements of the administrative procedure act. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

The levy of the tax for this purpose is granted to the city to levy taxes for the payment of the principal and interest of the bonds in addition to all other taxing powers of the city, and exists independently of any restrictions upon the power of the city to levy taxes for other purposes.

The two publications shall be a week apart and the hearing shall be held at least three days after the last publication. Not less than ten days before the hearing, notice shall also be mailed to the owner of each parcel within the area proposed to be included in the special service district. For the purpose of giving mailed notice, owners shall be those shown on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Sec. 3. [429A.03] [RATE OF TAX; NOTICE AND HEARING REQUIREMENTS.]

Subdivision 1. [TAXES; HEARING.] Ad valorem taxes may be levied on taxable property or service charges may be imposed by the municipality within the special service district at a rate or amount sufficient to produce revenues required to provide special services within the district. For purposes of determining the appropriate mill rate, taxable property or value shall be determined without regard to captured or original assessed value under section 273.76 or to the distribution or contribution value under section 473F.08. Prior to the levy of taxes or imposition of service charges in a special services district, for each calendar year notice shall be given and hearing shall be held pursuant to section 2. Provided that in the case of ad valorem taxes or service charges, if the municipality does not increase the amount levied or assessed from the preceding year, notice of the hearing need not be mailed to property owners.

Within six months of the public hearing, the municipality may adopt a resolution levying an ad valorem tax or imposing a

service charge within the special services district at a rate not exceeding the maximum rate expressed in the notice issued pursuant to this section.

Subd. 2. [EXEMPTION OF CERTAIN PROPERTIES FROM TAXES.] *Property exempted from taxation by section 272.02, shall be exempted from any ad valorem taxes imposed pursuant to this act.*

Subd. 3. [EXCLUSION FROM HOMESTEAD CREDIT.] *Taxes levied under this section shall not be reduced pursuant to section 273.13, subdivisions 6, 7, 7d, or 14a. State reimbursement pursuant to section 273.139 shall not apply to any taxes levied pursuant to this chapter.*

Sec. 4. [429A.04] [ENLARGEMENT OF SPECIAL SERVICE DISTRICTS.]

Boundaries of a special service area may be enlarged only after hearing and notice as provided in sections 2 and 3. Notice shall be served in the original special service district and in the area proposed to be added to the special service district. Property added to the district shall be subject to all ad valorem taxes levied and service charges imposed within the district after the property becomes a part of the district.

Sec. 5. [429A.05] [COLLECTION OF TAXES.]

Ad valorem taxes levied within a special service district shall be collected and paid over as other taxes, but shall be spread only upon the property described in the ordinance. Service charges imposed shall be collected as provided by ordinance. Ad valorem taxes levied pursuant to this chapter shall be remitted directly to the municipality notwithstanding section 273.76 and chapter 473F.

Sec. 6. [429A.06] [BONDS.]

At any time after a contract for the construction of all or part of an improvement authorized pursuant to this chapter has been entered into or the work has been ordered done by day labor, the governing body may issue obligations in the amount it deems necessary to defray in whole or in part the expense incurred and estimated to be incurred in making the improvement, including every item of cost from inception to completion and all fees and expenses incurred in connection with the improvement or its financing. The obligations shall be payable primarily out of the proceeds of the tax levied pursuant to section 3. The governing body may also pledge to the payment of the bonds all or a specified portion of the revenues derived from any tax levied pursuant to section 7. The governing body may, by resolution adopted prior to the sale of obligations, pledge the full faith, credit and taxing power of the

municipality to assure payment of the principal and interest if the proceeds of the tax levy in the district are insufficient to pay the principal and interest. Obligations shall be issued in accordance with chapter 475, except that the amount of the obligations shall not be included in determining the net indebtedness of the municipality under the provisions of any law or charter limiting indebtedness.

Sec. 7. [429A.07] [OTHER TAXES.]

Notwithstanding chapter 477A or any other law and in addition to the taxes and service charges authorized by section 3, the governing body of a municipality may by ordinance impose taxes on the gross receipts from the sale of intoxicating liquors and fermented malt beverages, on the gross receipts of restaurants which serve food and liquor and on gross receipts from the furnishing for consideration of transient lodging, parking, admissions, or amusements within a special service district established under section 2. Notice and hearing on an ordinance imposing taxes authorized by this section shall be held pursuant to section 3. Taxes imposed pursuant to this section on gross receipts which are also subject to the state general sales tax imposed by chapter 297A, shall be collected by the commissioner of revenue along with the state general sales tax imposed by chapter 297A, at the same time, in the same manner, and subject to the same rules and the same interests and penalties for non-payment. The commissioner shall adopt rules as necessary to make practicable the collection and disbursement of the tax imposed pursuant to this section with the state sales tax. The state shall, after deducting the costs of collection, distribute the net amount of each tax to the city in which the special service district is located. The governing body may by ordinance provide for the collection of service charges and taxes, other than taxes on gross receipts subject to the state general sales tax, imposed by this section. The proceeds of any taxes levied pursuant to this section may only be used to provide special services in the special service district. No tax may be imposed by a municipality pursuant to this section on admissions which are taxed by the metropolitan sports facilities commission.

Sec. 8. [429A.08] [LEVY LIMIT EXCEPTION.]

Taxes and service charges imposed pursuant to this act shall not be included in the calculation of levies or limits on levies provided by other law or home rule charter provision.

Sec. 9. [429A.09] [ADVISORY BOARD.]

The governing body of a municipality may create and appoint an advisory board for each special service district in the municipality to advise the governing body in connection with the construction, maintenance and operation of improvements and the furnishing of special services in a special service district.

The advisory board shall make recommendations to the governing body on the requests and complaints of owners, occupants and users of property within the special service district and members of the public. Prior to the adoption of any proposal by the governing body to provide services or impose taxes or service charges within the special service district, the advisory board of the special service district shall review and comment upon such proposal. Each advisory board shall be appointed at least 30 days prior to the date of a public hearing on the ordinance proposing the establishment of the special service district. Seventy-five percent of the members of each advisory board shall be owners or occupants of property located in the special service district or their representatives. If, following the adoption of the special service district boundaries, the advisory board does not contain at least 75 percent members who are owners or occupants of property located in the district or their representatives, the governing body shall dismiss or appoint advisory board members as necessary to assure 75 percent representation of owners or occupants of district properties. Each advisory board may elect an executive secretary, who need not be a member of the board, to keep its minutes, records and correspondence and to communicate with the governing body and other officials and with the owners, occupants and users of property located within the special service district.

Sec. 10. [METROPOLITAN SPORTS FACILITIES COMMISSION LIMITATION.]

An extension of five working days may be granted upon approval of the committee chairman and the author of the bill.

Sec. 2. Minnesota Statutes 1980, Section 174.22, is amended by adding subdivisions to read:

Subd. 9. "Large urbanized area service" means the non-elderly and handicapped service as defined in subdivision 13 of this section provided by the Duluth transit authority.

Subd. 10. "Urbanized area service" means a nonelderly and handicapped service as defined in subdivision 13 of this section operating in an urban area of more than 50,000 persons except for services operated by the metropolitan transit commission as defined in section 174.22 and service operating in a large urbanized area.

Subd. 11. "Small urban area service" means a service operating in an area with a population between 2,500 and 50,000.

Subd. 12. "Rural area service" means a service primarily operated in an area having population centers of less than 2,500 persons.

Subd. 13. "Elderly and handicapped service" means service provided on a regular basis in urbanized areas, except for metro mobility service established under section 174.31, and designed

exclusively or primarily to serve individuals who are elderly or handicapped and unable to use regular means of public transportation.

Sec. 3. Minnesota Statutes 1980, Section 174.23, is amended by adding a subdivision to read:

Subd. 7. The commissioner shall by rule define "total operating cost" as the term is used in carrying out the purposes of section 174.24. The commissioner shall consult with eligible recipients to the maximum extent feasible in formulating these rules and develop necessary and reasonable changes in cost allowability provisions and financial examination procedures where possible. The rules are subject to the provisions in the administrative procedure act of sections 15.041 to 15.052.

Sec. 4. Minnesota Statutes 1980, Section 174.24, Subdivision 1, is amended to read:

Subdivision 1. [ESTABLISHMENT; PURPOSE.] A public transit (SUBSIDY) *participation* program is established to (PROVIDE) *carry out the objectives stated in section 174.21 by providing* financial assistance from the state to eligible recipients. (THE PURPOSE OF THE PUBLIC TRANSIT SUBSIDY PROGRAM SHALL BE TO SUPPLEMENT LOCAL EFFORT IN FINANCING PUBLIC TRANSIT SYSTEMS IN ORDER TO PRESERVE AND DEVELOP PUBLIC TRANSIT AND A BALANCED TRANSPORTATION SYSTEM IN THE STATE.)

Sec. 5. Minnesota Statutes 1981 Supplement, Section 174.24, Subdivision 3, is amended to read:

Subd. 3. [FINANCIAL ASSISTANCE.] Payment of financial assistance shall be by contract between the commissioner and an eligible recipient. The commissioner shall determine the (OPERATING DEFICIT) *total operating cost* of any public transit system receiving or applying for assistance in accordance with generally accepted accounting principles (, PROVIDED THAT ANY FINANCIAL ASSISTANCE RECEIVED FROM ANY AGENCY OF THE FEDERAL GOVERNMENT FOR THE OPERATION OF A PUBLIC TRANSIT SYSTEM SHALL BE TREATED AS REVENUE FOR THE PURPOSES OF DETERMINING THE OPERATING DEFICIT). To be eligible for financial assistance an applicant or recipient shall provide to the commissioner all financial records and other information and shall permit any inspection reasonably necessary to determine the amount of assistance which may be paid to the applicant or recipient. Where more than one county or municipality contributes assistance to the operation of a public transit system the commissioner shall identify one as lead agency for

the purpose of receiving moneys under this section. (THE COMMISSIONER MAY ADOPT RULES ESTABLISHING PERFORMANCE STANDARDS FOR PUBLIC TRANSIT SYSTEMS FOR USE IN DETERMINING THE AMOUNT OF ASSISTANCE WHICH MAY BE PAID TO AN ELIGIBLE RECIPIENT. EXCEPT AS OTHERWISE PROVIDED IN THIS SUBDIVISION, PAYMENTS SHALL NOT EXCEED TWO-THIRDS OF THE OPERATING DEFICIT OF A PUBLIC TRANSIT SYSTEM.) The commissioner shall adopt rules establishing uniform performance standards for private operators of regular route transit systems in the transit taxing district as defined in section 473.446, subdivision 2. *The rules are subject to the provisions in the administrative procedure act of sections 15.041 to 15.052.* Payments to those private operators shall be based on the uniform performance standards and shall not exceed 100 percent of the operating deficit. *Payments shall be based on approved estimates of expenditures during the contract period and shall be subject to audit and adjustment after any payment has been made.*

Prior to distributing operating assistance to eligible recipients for any contract period, the commissioner shall place all recipients into one of the following classifications: large urbanized area service, urbanized area service, small urban area service, rural area service, and elderly and handicapped service. The commissioner shall distribute funds under this section so that the percentage of total operating cost paid by any recipient from local sources will not exceed the percentage for that recipient's classification. The percentages shall be: for large urbanized area service excluding elderly and handicapped service, 55 percent; for urbanized and small urban service, 40 percent; for rural service, 35 percent; and for elderly and handicapped service, 35 percent. The remainder of the total operating cost will be paid from state funds less any assistance received by the recipient from any federal source. For purposes of this subdivision "local sources" means all local sources of funds and includes all operating revenue, tax levies and contributions from public funds, except that the commissioner may exclude from this total contract revenues derived from operations the cost of which is excluded from the computation of total operating cost. If a recipient informs the commissioner in writing after the establishment of these percentages but prior to the distribution of financial assistance for any year that paying its designated percentage of total operating cost from local sources will cause undue hardship the commissioner may reduce the percentage to be paid from local sources by the recipient and increase the percentage to be paid from local sources for all other recipients in its classification so that the total state funds to be received by all the recipients in the classification will not be altered. If for any year the funds appropriated to the commissioner to carry out the purposes of this section are insufficient to allow the commissioner to pay the state share of total operating cost as provided in this paragraph he shall reduce the state share in each classification to the extent necessary.

Sec. 6. Minnesota Statutes 1980, Section 174.24, is amended by adding a subdivision to read:

Subd. 5. [PAYMENT.] Payments under this section to recipients other than the metropolitan transit commission and private operators within the seven-county metropolitan area whose deficits are funded 100 percent by the state shall be made in the following manner:

50 percent of the total contract amount in the first month of operation;

40 percent of the total contract amount in the seventh month of operation;

9 percent of the total contract amount in the twelfth month of operation; and

1 percent of the total contract amount after the final audit.

The method of payment under this section to private operators within the seven-county metropolitan area whose deficits are funded 100 percent by the state shall be determined by the commissioner.

Sec. 7. Minnesota Statutes 1981 Supplement, Section 174.265, Subdivision 4, is amended to read:

Subd. 4. [ASSISTANCE FOR REPLACEMENT SERVICE.] An application for financial assistance for replacement services shall: describe the existing service provided to the applicant by the metropolitan transit commission, including the estimated number of passengers carried and the routes, schedules, and fares; describe the transit service proposed for funding under the demonstration program, including the anticipated number of passengers and the routes, schedules, and fares; and indicate the total amount of available local transit funds, the portion of the available local transit funds proposed to be used to subsidize replacement services, and the amount of state assistance requested for the replacement services. Financial assistance shall (NOT) be granted under this subdivision (UNLESS) to an applicant community served by the metropolitan transit commission at the time of application only if the commissioner determines that the service proposed for funding is intended and designed to replace and substitute for (THAT) the service provided by the (METROPOLITAN TRANSIT) commission at the time of application and that the average subsidy per passenger per route for the replacement service will not exceed the (AVERAGE SUBSIDY PER PASSENGER DURING THE SIX MONTHS PRECEDING THE APPLICATION ON THE COMMISSION'S ROUTES WHICH SERVE THE APPLICANT COMMUNITIES) *subsidy per passenger per route stan-*

PAUL METROPOLITAN AREA) subsidy per passenger per trip standard as adopted by the commission in its current transportation development program. The amount of financial assistance provided for replacement service under this subdivision shall not exceed the sum of: (a) the portion of the available local transit funds which the applicant proposes to use to subsidize the service, and (b) an amount of state assistance bearing an identical proportional relationship to the amount under (a) as the total amount of state assistance available to the metropolitan transit commission under section 174.24, subdivision 3a bears to the total amount of taxes collected by the commission under section 473.446, subdivision 1, clauses (a) to (c). The commissioner shall transfer the amounts provided to the recipient from the assistance available to the metropolitan transit commission pursuant to section 174.24, subdivision 3.

(b) The surviving spouse of a member who had credit for less than ten years of service shall receive, for life, a monthly annuity equal to 20 percent of that portion of the average monthly salary of the member from which deductions were made for retirement. If the surviving spouse remarries, the annuity shall cease as of the date of the remarriage.

(c) The surviving spouse of a member who had credit for at least ten years of service and who dies after attaining 55 years of age, may elect to receive a 100 percent joint and survivor annuity, for life, notwithstanding a subsequent remarriage, in lieu of the annuity prescribed in clause (b).

the former member is survived by one or more dependent children. Payments for the benefit of any qualified dependent child shall be made to the surviving spouse, or if there be none, to the legal guardian of the child. The maximum monthly benefit shall not exceed 40 percent of the average monthly salary for any number of children.

CHANGE ANY EXISTING OR FUTURE RULE PROMULGATED BY THE STATE AGENCY RELATING TO THE SETTING OF RATES FOR NURSING HOMES UNLESS THE RULE IS CLEARLY IN CONFLICT WITH SECTIONS 256B.41 TO 256B.48.) If any provision of sections 256B.41 (TO), 256B.47 and 256B.48 and sections 2, 3, 6, 7, and 8 is determined by the United States government to be in conflict with existing or future requirements of the United States government with respect to federal participation in medical assistance, the federal requirements shall prevail.

Sec. 2. [256B.421] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 256B.41, 256B.47, 256B.48, and sections 2, 3, 6, 7, and 8, the following terms and phrases shall have the meanings given to them.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of public welfare.

Subd. 3. [NURSING HOME.] "Nursing home" means a facility licensed under chapter 144A or a boarding care facility licensed under sections 144.50 to 144.56.

Subd. 4. [OPERATING COSTS.] "Operating costs" means costs of meeting licensure and certification standards and routine service costs including nursing, dietary, and other support service costs.

Subd. 5. [PAYMENT RATE.] "Payment rate" means the prospective rate determined under section 3.

Subd. 6. [NONMEDICAL ASSISTANCE RESIDENT.] "Nonmedical assistance resident" means a nursing home resident who is not a medical assistance recipient.

Subd. 7. [RATE YEAR.] "Rate year" means the fiscal year for which a payment rate determined under section 3 is effective, from July 1 to the next June 30.

Subd. 8. [RENT.] "Rent" means the amount paid for nursing home residents' use of real estate and equipment as determined under section 3, subdivision 3.

Subd. 9. [REPORTING YEAR.] "Reporting year" means the calendar year, immediately preceding the rate year, for which the nursing home submits reports required under section 256B.48, subdivision 2.

Sec. 3. [256B.431] [RATE DETERMINATION.]

Subdivision 1. [IN GENERAL.] The commissioner shall determine prospective payment rates for resident care costs. These rates shall include items for the direct care of residents and for associated items related to the operation of the nursing home. In determining the rates, the commissioner shall recognize cost differences among nursing homes providing different levels of care and may group nursing homes according to geographic location or other justifiable differences. The commissioner may establish separate groups for determining operating costs. On or before May 15 of each year, the commissioner shall mail notices to each nursing home of the rates to be effective from July 1 of that year to June 30 of the following year. The commissioner shall limit each facility's payment rate when and as necessary to comply with specific and general legislative direction.

Subd. 2. [OPERATING COSTS.] (a) The commissioner shall establish, by rule, procedures for determining per diem reimbursement for operating costs based on actual resident days. The commissioner may establish limitations on operating costs, including separate limits on management compensation and administrative costs.

(b) The commissioner shall:

(i) provide for the analysis and evaluation of each nursing home's report of allowed operating costs incurred by the nursing home during the calendar year immediately preceding the year for which the payment rate becomes effective. The historical base for determining the prospective payment rate shall not exceed the prospective operating cost payment rate during that calendar year;

(ii) compute the average costs in each category of operating costs for each group of nursing homes;

(iii) multiply the average historical cost for each category by the appropriate economic change indicator to determine the average prospective cost change for each category; and

(iv) add the average prospective cost changes for all categories in each group of nursing homes to determine the total average dollar increase for each group.

(c) The commissioner shall also establish a composite index for each group by determining the weighted average of all economic change indicators applied to the cost categories in that group. Within each group, each nursing home shall receive an operating cost payment rate of its allowed historical operating costs plus the lesser of the average dollar change in subdivision 2, clause (b)(iv), or the percentage change resulting from application of the composite index to its historical base. Whenever the commissioner deems appropriate, the commissioner shall apply economic change indices used in hospital rate review procedures under section 144.702. The amounts calculated

in this section shall be adjusted to account for the economic changes that occur between the reporting year and the rate year.

The commissioner shall include the reported actual real estate tax liability of proprietary nursing homes as an operating cost of those nursing homes.

(d) For each facility that does not receive an exception under section 6 for a rate year, the commissioner shall allow the nursing home to keep, as an efficiency incentive, the difference between the nursing home's operating cost payment rate established for that rate year and the actual historical operation costs incurred for that rate year, if the latter amount is smaller. If an annual cost report or field audit indicates that the expenditures for direct resident care have been reduced in amounts large enough to indicate a possible detrimental effect on the quality of care, the commissioner shall notify the commissioner of health.

(e) A nursing home may apply for an exception to its operating cost payment rate under the circumstances and according to the procedures described in section 6.

Subd. 3. [PROPERTY-RELATED COST.] *(a) The commissioner shall reimburse nursing home providers who are vendors in the medical assistance program for the rental use of their property. The "rent" is the amount of periodic payment which a renter might expect to pay for the right to the agreed use of the real estate and the equipment as it exists. "Real estate" means land, land improvements, and buildings used directly for patient care. "Equipment" means the standard moveable patient care equipment and support service equipment generally used in long-term care facilities. The rent payment shall be deemed to include compensation for depreciation expense, interest expense and the owner's investment.*

(b) For the state fiscal year beginning July 1, 1983, and each year thereafter, the commissioner of revenue shall provide for the appraisal of all nursing homes by uniform standards. The appraisals shall include the real estate and the equipment. The estimated market value of each nursing home as determined by the appraisal shall be reported to the commissioner of public welfare no later than March 31 each year.

(c) The commissioner shall establish an investment per bed limitation on the value to be recognized of buildings, land improvements, land used for patient care and major movable equipment and shall annually update the limitation to reflect changes in replacement costs.

(d) The per diem rent shall be determined annually by multiplying the estimated market value of the real estate plus equipment, after applying the investment per bed limitation, by an

amount equal to the average interest rate paid by the Federal Hospital Insurance Trust Fund, during the last quarter for which data are available, divided by 96 percent of the nursing home's certified capacity days. The commissioner may limit any increase in rent payments to a fixed amount if necessary to comply with specific and general legislative direction.

(e) Rent for the state fiscal year 1984, beginning July 1, 1983, shall not exceed by more than eight percent the statewide aggregate for depreciation, interest expense and investment allowance for the most recent calendar year. Payment made pursuant to clause (f) shall be included in the eight percent limit.

(f) Facilities that on the date of enactment have principal and interest payments on the allowed value in excess of the rent shall receive reimbursement in the amount of those obligations in lieu of rent for a period of three years or until the rent exceeds the amount of those obligations, whichever occurs first.

Subd. 4. [SPECIAL RATES.] A newly constructed nursing home may, upon written application to the commissioner, receive an interim rate to be effective from the first day a medical assistance recipient resides in the home until the rate determined under subdivisions 1 to 3 becomes effective. The commissioner shall by rule establish procedures for determining payment rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified. A small nursing home may choose to receive a flat rate rather than the rate determined under subdivisions 1 to 3. A nursing home where fewer than 20 percent of the residents are medical assistance recipients may choose to receive a flat rate. The flat rate is the average rent determined for the same level of care in the appropriate group of nursing homes; in determining the average, the commissioner shall exclude nursing homes receiving a flat rate.

Sec. 4. Minnesota Statutes 1980, Section 256B.47, is amended to read:

256B.47 [(RATE LIMITS) NONALLOWABLE COSTS; NOTICE OF INCREASES TO (PRIVATE PAYING) NON-MEDICAL ASSISTANCE RESIDENTS.]

Subdivision 1. (THE STATE AGENCY SHALL BY RULE ESTABLISH SEPARATE OVERALL LIMITATIONS ON THE COSTS FOR ITEMS WHICH DIRECTLY RELATE TO THE PROVISION OF PATIENT CARE TO RESIDENTS OF NURSING HOMES AND THOSE WHICH DO NOT DIRECTLY RELATE TO THE PROVISION OF CARE. THE STATE AGENCY MAY ALSO BY RULE, ESTABLISH LIMITATIONS FOR SPECIFIC COST CATEGORIES WHICH DO NOT DIRECTLY RELATE TO THE PROVISION OF PA-

TIENT CARE. THE STATE AGENCY SHALL REIMBURSE NURSING HOMES FOR THE COSTS OF NURSING CARE IN EXCESS OF ANY STATE AGENCY LIMITS ON HOURS OF NURSING CARE IF THE COMMISSIONER OF HEALTH ISSUES A CORRECTION ORDER PURSUANT TO SECTION 144A.10, SUBDIVISION 4, DIRECTING THE NURSING HOME TO PROVIDE THE ADDITIONAL NURSING CARE. ALL COSTS DETERMINED OTHERWISE ALLOWABLE SHALL BE SUBJECT TO THESE LIMITATIONS.)

(SUBD. 2.) [NONALLOWABLE COSTS.] The following costs shall not be recognized as allowable (TO THE EXTENT THAT THESE COSTS CANNOT BE DEMONSTRATED BY THE NURSING HOME TO THE STATE AGENCY TO BE DIRECTLY RELATED TO THE PROVISION OF PATIENT CARE): (1) political contributions; (2) salaries or expenses of a lobbyist, as defined in section 10A.01, subdivision 11, for lobbying activities; (3) advertising designed to encourage potential residents to select a particular nursing home; (4) assessments levied by the (HEALTH DEPARTMENT) *commissioner of health* for uncorrected violations; and (5) legal fees for unsuccessful challenges to decisions by state agencies; AND (6) DUES PAID TO A NURSING HOME OR HOSPITAL ASSOCIATION). (THE STATE AGENCY SHALL PROMULGATE RULES ESTABLISHING STANDARDS WHICH SHALL DISTINGUISH BETWEEN ANY PATIENT-CARE RELATED COMPONENTS AND NONPATIENT-CARE RELATED COMPONENTS OF THESE COSTS, WHERE APPLICABLE. FOR PURPOSES OF THESE RULES, THE STATE AGENCY SHALL EXERCISE EMERGENCY POWERS AND ESTABLISH EMERGENCY RULES PURSUANT TO SECTION 15.0412, SUBDIVISION 5, BEFORE SEPTEMBER 1, 1977.) The (STATE AGENCY) *commissioner* shall by rule exclude the costs of any other *similar* items (WHICH IT DETERMINES ARE) not directly related to the provision of (PATIENT) *resident* care.

(SUBD. 3. ON OR BEFORE JANUARY 1, 1977 THE STATE AGENCY SHALL BY RULE ESTABLISH A PROCEDURE AFFORDING NOTICE OF THE APPROVED RATE FOR MEDICAL ASSISTANCE RECIPIENTS TO NURSING HOMES WITHIN 120 DAYS AFTER THE CLOSE OF THE FISCAL YEAR OF THE NURSING HOME.)

Subd. (4) 2. [NOTICE TO RESIDENTS.] No increase in nursing home rates for (PRIVATE PAYING) *nonmedical assistance* residents shall be effective unless the nursing home notifies the resident or person responsible for payment of the increase in writing 30 days before the increase takes effect.

A nursing home may adjust its rates without giving the notice required by this subdivision when the purpose of the rate adjustment is to (: (A)) reflect a necessary change in the level of care

provided to a resident (; OR (B) RETROACTIVELY OR PROSPECTIVELY EQUALIZE PRIVATE PAY RATES WITH RATES CHARGED TO MEDICAL ASSISTANCE RECIPIENTS AS REQUIRED BY SECTION 256B.48, SUBDIVISION 1, CLAUSE (A) AND APPLICABLE FEDERAL LAW).

(SUBD. 5. THE COMMISSIONER SHALL PROMULGATE RULES NO LATER THAN AUGUST 1, 1980, TO AMEND THE CURRENT RULES GOVERNING NURSING HOME REIMBURSEMENT, IN ACCORDANCE WITH SECTIONS 15.0411 TO 15.052, TO ALLOW PROVIDERS TO ALLOCATE THEIR RESOURCES IN ORDER TO PROVIDE AS MANY NURSING HOURS AS NECESSARY WITHIN THE TOTAL COST LIMITATIONS OF THE PER DIEM ALREADY GRANTED.)

Sec. 5. Minnesota Statutes 1980, Section 256B.48, is amended to read:

256B.48 [CONDITIONS FOR PARTICIPATION.]

Subdivision 1. [PROHIBITED PRACTICES.] (NO) A nursing home (SHALL BE) *is not* eligible to receive medical assistance payments unless it agrees in writing that it will refrain from:

(a) (CHARGING NONMEDICAL ASSISTANCE RESIDENTS RATES FOR SIMILAR SERVICES WHICH EXCEED BY MORE THAN TEN PERCENT THOSE RATES WHICH ARE APPROVED BY THE STATE AGENCY FOR MEDICAL ASSISTANCE RECIPIENTS. FOR NURSING HOMES CHARGING NONMEDICAL ASSISTANCE RESIDENTS RATES LESS THAN TEN PERCENT MORE THAN THOSE RATES WHICH ARE APPROVED BY THE STATE AGENCY FOR MEDICAL ASSISTANCE RECIPIENTS, THE MAXIMUM DIFFERENTIAL IN RATES BETWEEN NONMEDICAL ASSISTANCE RESIDENTS AND MEDICAL ASSISTANCE RECIPIENTS SHALL NOT EXCEED THAT DIFFERENTIAL WHICH WAS IN EFFECT ON APRIL 13, 1976. IF A NURSING HOME HAS EXCEEDED THIS DIFFERENTIAL SINCE APRIL 13, 1976, IT SHALL RETURN THE AMOUNT COLLECTED IN EXCESS OF THE ALLOWABLE DIFFERENTIAL STATED BY THIS SUBDIVISION TO THE NONMEDICAL ASSISTANCE RESIDENT, OR THAT PERSON'S REPRESENTATIVE, BY JULY 1, 1977. EFFECTIVE JULY 1, 1978, NO NURSING HOME SHALL BE ELIGIBLE FOR MEDICAL ASSISTANCE IF IT CHARGES NONMEDICAL ASSISTANCE RECIPIENTS) *Charging nonmedical assistance residents rates for similar services which exceed those which are approved by the state agency for medical assistance recipients (; PROVIDED, HOWEVER, THAT) except under the following circumstances: the nursing home may (1) charge nonmedical assistance residents a higher rate for a private room, and (2) charge for special services*

which are not included in the daily rate if medical assistance (PATIENTS) residents are charged separately at the same rate for the same services in addition to the daily rate paid by the (STATE AGENCY;) commissioner. A nursing home that charges a nonmedical assistance resident a rate in violation of this clause is subject to an action by the state of Minnesota or any of its subdivisions or agencies for civil damages. A non-medical assistance resident or his legal representative has a cause of action for civil damages against a nursing home that charges him rates in violation of this clause. The damages awarded shall include three times the payments that result from the violation, together with costs and disbursements, including reasonable attorneys' fees or their equivalent. The prohibition set forth in this clause shall not apply to facilities licensed as boarding care facilities.

(b) Requiring an applicant for admission to the home, or the guardian or conservator of the applicant, as a condition of admission, to pay an admission fee in excess of \$100, loan any money to the nursing home, or promise to leave all or part of the applicant's estate to the home; and

(c) Requiring any resident of the nursing home to utilize a vendor of health care services who is a licensed physician or pharmacist chosen by the nursing home.

The prohibitions set forth in clause (b) shall not apply to a retirement home with more than 325 beds including at least 150 licensed nursing home beds and which:

(1) is owned and operated by an organization tax-exempt under section 290.05, subdivision 1, clause (i); and

(2) at the time of admission places all of the applicant's assets which are required to be assigned to the home in a trust account from which only expenses for the cost of care of the applicant may be deducted; and

(4) agrees in writing at the time of admission to the home to permit the applicant to withdraw from the home at any time and to receive, upon withdrawal, all of the unexpended funds remaining in his individual trust account (; AND)

((5) WAS IN COMPLIANCE WITH PROVISIONS (1) TO (4) AS OF JUNE 30, 1976).

Subd. 2. [REPORTING REQUIREMENTS.] (EFFECTIVE JULY 1, 1976, NO) A nursing home (SHALL BE) is not eligible to receive medical assistance payments unless it agrees in writing to:

(a) *No later than March 31 of each year, provide the (STATE AGENCY) commissioner with its most recent (1) balance sheet and statement of revenues and expenses, including a statement of the rate or rates charged to nonmedical assistance residents, as audited by a certified public accountant licensed by this state or by a public accountant as defined in section 412.222; (2) statement of ownership for the nursing home; and (3) a separate audited balance sheet and statement of revenues and expenses for each nursing home if more than one nursing home or other business operation is owned by the same owner; a governmentally owned nursing home may comply with the auditing requirements of this clause by submitting an audit report prepared by the state auditor's office. The commissioner shall audit cost reports as required by section 256B.27, subdivision 2a;*

(b) *No later than March 31 of each year, provide to the commissioner the information and supporting documents that the commissioner requires for determining payment rates. The commissioner shall prescribe, by rule, the information necessary for determining payment rates;*

((C) **PROVIDE TO THE STATE AGENCY UPON REQUEST COPIES OF LEASES, PURCHASE AGREEMENTS, OR SIMILAR DOCUMENTS FOR)** *to the purchase or acquisition of equipment, goods and services which are claimed as allowable costs.*

Subd. 3. [INCOMPLETE OR INACCURATE REPORTS.] *The (STATE AGENCY MAY) commissioner shall reject any annual cost report filed by a nursing home pursuant to this chapter if (IT) the commissioner determines that the report or the information required in subdivision 2, clause (a) has been filed in a form that is incomplete or inaccurate. In the event that a report is rejected pursuant to this subdivision, the (STATE AGENCY MAY) commissioner shall make payments to a nursing home at (THE) its most recently established rate (DETERMINED FOR ITS PRIOR FISCAL YEAR, OR AT AN INTERIM RATE ESTABLISHED BY THE STATE AGENCY,) until the information is completely and accurately filed.*

Subd. 4. [EXTENSIONS; AMENDMENTS.] *Upon written request submitted to the commissioner no later than March 15, the commissioner may grant a 30-day extension of the reporting deadline to a nursing home in unusual circumstances. A nursing*

home shall submit amendments to a previously filed report when it discovers errors or omissions in the report.

Subd. 5. [FALSE REPORTS.] If a nursing home knowingly supplies inaccurate or false information in a required report that results in an overpayment, the commissioner shall: (a) immediately adjust the nursing home's payment rate to recover the entire overpayment within the rate year; or (b) terminate the commissioner's agreement with the nursing home; or (c) prosecute under applicable state or federal law; or (d) use any combination of the foregoing actions.

Sec. 6. [256B.49] [EXCEPTIONS.]

Subdivision 1. [PROGRAM CHANGES.] The commissioner shall grant an exception to an operating cost payment rate only if (a) the cost cannot be met through the payment rate determined under section 3, subdivision 1, including the efficiency incentive; and (b) the exception is related to direct resident care needs, changes in the scope of the care program offered to residents, or compliance with regulatory standards that affect direct resident care. The commissioner shall establish, by rule, procedures and standards to implement this section. The commissioner shall establish a seven-member committee to review applications for exceptions to the operating cost payment rates and make recommendations to the commissioner.

The commissioner shall appoint committee members as follows: a representative from the department of public welfare; a representative from the department of health; a representative of nursing home providers; a representative of consumers of nursing home services; two persons experienced in long-term care, at least one of whom is knowledgeable in health economics; and a representative of the county board of commissioners from the county in which the nursing home applying for an exception is located. The commissioner of health shall provide technical assistance as the committee requests.

Without requiring committee review, the commissioner shall act on a request for an exception to an operating cost payment rate for the costs of nursing care in excess of any limits on hours of nursing care if the commissioner of health issues a correction order under section 144A.10, subdivision 4, directing the nursing home to provide the additional nursing care.

Subd. 2. [APPLICATIONS.] A nursing home shall submit a written application for an exception no later than December 31 for an exception that might affect the payment rate to become effective the following July 1. A nursing home shall apply for an exception relating to a correction order as soon as possible after receiving notice of the correction order. The commissioner shall notify the nursing home within 60 days after receiving the

application of the commissioner's approval or denial of the request, including a written explanation of the decision.

Sec. 7. [256B.50] [APPEALS.]

A nursing home may appeal a decision arising from the application of standards or methods pursuant to sections 256B.41, 256B.47, 256B.48 and sections 2, 3, 6, 7, and 8 if the appeal, if successful, would result in a change to the nursing home's payment rate. An appealable decision is a decision such as an operating cost determination, rent determination, appraisal, or exception decision. To appeal, the nursing home shall submit a written appeal request within 30 days of receiving notice of the payment rate determination or decision. The request shall specify each disputed item, the reason for the dispute, an estimate of the dollar amount involved and such other information as may be required by the commissioner. The appeal shall be heard by a hearing examiner according to section 15.052. To challenge the validity of rules established by the commissioner pursuant to sections 256B.41, 256B.47, 256B.48 and sections 2, 3, 6, 7, and 8 a nursing home shall comply with section 15.0416.

Sec. 8. [256B.502] [TEMPORARY RULES.]

To implement sections 256B.41, 256B.47, 256B.48 and sections 2, 3, 6, and 7 the commissioner shall promulgate temporary rules in accordance with section 15.0412, subdivision 5.

Sec. 9. [REPEALER.]

Sec. 10. [APPROPRIATION.]

A sum of \$265,000 is appropriated to the commissioner of public welfare to arrange for appraisals by the commissioner of revenue.

Sec. 3. Minnesota Statutes 1981 Supplement, Section 595.02, is amended to read:

595.02 [COMPETENCY OF WITNESSES.]

Every person of sufficient understanding, including a party, may testify in any action or proceeding, civil or criminal, in court

or before any person who has authority to receive evidence, except as follows:

(1) A husband cannot be examined for or against his wife without her consent, nor a wife for or against her husband without his consent, nor can either, during the marriage or afterwards, without the consent of the other, be examined as to any communication made by one to the other during the marriage. This exception does not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other or against a child of either, nor to a criminal action or proceeding in which one is charged with homicide or an attempt to commit homicide and the date of the marriage of the defendant is subsequent to the date of the offense, nor to an action or proceeding for non-support, neglect, dependency, or termination of parental rights;

(2) An attorney cannot, without the consent of his client, be examined as to any communication made by the client to him or his advice given thereon in the course of professional duty; nor can any employee of the attorney be examined as to the communication or advice, without the client's consent;

(3) A clergyman or other minister of any religion shall not, without the consent of the party making the confession, be allowed to disclose a confession made to him in his professional character, in the course of discipline enjoined by the rules or practice of the religious body to which he belongs; nor shall a clergyman or other minister of any religion be examined as to any communication made to him by any person seeking religious or spiritual advice, aid, or comfort or his advice given thereon in the course of his professional character, without the consent of the person;

(4) A licensed physician or surgeon, dentist, or chiropractor shall not, without the consent of his patient, be allowed to disclose any information or any opinion based thereon which he acquired in attending the patient in a professional capacity, and which was necessary to enable him to act in that capacity; after the decease of the patient, in an action to recover insurance benefits, where the insurance has been in existence two years or more, the beneficiaries shall be deemed to be the personal representatives of the deceased person for the purpose of waiving this privilege, and no oral or written waiver of the privilege shall have any binding force or effect except when made upon the trial or examination where the evidence is offered or received;

(5) A public officer shall not be allowed to disclose communications made to him in official confidence when the public interest would suffer by the disclosure;

(6) Persons of unsound mind; persons intoxicated at the time of their production for examination, and children under ten

years of age, who appear incapable of receiving just impressions of the facts respecting which they are examined, or of relating them truly, are not competent witnesses. This exception does not apply to a child under ten years of age, in a criminal proceeding for intrafamilial sexual abuse as defined in section 609.364, subdivision 10, or in a criminal proceeding under sections 609.342 clause (a), 609.343 clause (a), 609.344 clause (a), or 609.345 clause (a), who is able to describe or relate in language appropriate for a child of that age the events or facts respecting which the child is examined;

(7) A registered nurse, psychologist or consulting psychologist shall not, without the consent of his client, be allowed to disclose any information or opinion based thereon which he acquired in attending the client in a professional capacity, and which was necessary to enable him to act in that capacity;

(8) An interpreter for a person handicapped in communication shall not, without the consent of the person, be allowed to disclose any communication if the communication would, if the interpreter were not present, be privileged. For purposes of this section, a "person handicapped in communication" means a person who, because of a hearing, speech or other communication disorder, or because of the inability to speak or comprehend the English language, is unable to understand the proceedings in which he is required to participate. The presence of an interpreter as an aid to communication does not destroy an otherwise existing privilege;

(9) A parent or his minor child may not be examined as to any communication made in confidence by the minor to his parent. A communication is confidential if made out of the presence of persons not members of the child's immediate family living in the same household. This exception may be waived by express consent to disclosure by a parent entitled to claim the privilege or by the child who made the communication, or by failure of the child or parent to object when the contents of a communication are demanded. This exception does not apply to a civil action or proceeding by one spouse against the other or by a parent or child against the other, nor to a proceeding to commit either the child or parent to whom the communication was made or to place the person or property or either under the control of another because of his alleged mental or physical condition, nor to a criminal action or proceeding in which the parent is charged with a crime committed against the person or property of the communicating child, the parent's spouse, or a child of either the parent or the parent's spouse, or in which a child is charged with a crime or act of delinquency committed against the person or property of a parent or a child of a parent, nor to an action or proceeding for termination of parental rights, nor any other action or proceeding on a petition alleging child abuse, child neglect, abandonment or nonsupport by a parent;

(10) Sexual assault counselors as defined in section 1 may not be compelled to testify about any opinion or information received from or about the victim without the consent of the victim. However, a counselor may be compelled to identify or disclose information in investigations or proceedings related to neglect or termination of parental rights if the court determines good cause exists. In determining whether to compel disclosure, the court shall weigh the public interest and need for disclosure against the effect on the victim, the treatment relationship, and the treatment services if disclosure occurs."

Amounts allowable under section 291.07, subdivision 1, clause (2) in computing Minnesota inheritance or estate tax liability shall not be allowed as a deduction (or as an offset against the sales price of property in determining gain or loss) in computing the taxable income of the estate or any person unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts

The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). This modification shall apply to the years in which the gain or reduction in loss is actually included in federal adjusted gross income even though amounts received pursuant to the eminent domain proceedings were received in prior years. *The portion of capital gain on which an additional tax is imposed pursuant to section 1 shall not be a tax preference item.* In the case of a resident individual, having preference items which could not be taken to reduce income from sources outside the state pursuant to section 290.17, subdivision 1, or any other taxpayer the tax shall equal 40 percent of that federal liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference item income allocated to this state pursuant to the provisions of sections 290.17 to 290.20, and the denominator of which is the taxpayer's total preference item income for federal purposes."

“Sec. 2. [423A.11] [RECOMPUTATION OF A DISABILITY BENEFIT AS A SERVICE PENSION.]

Subdivision 1. [TERMINATION OF DISABILITY BENEFIT.] The disability benefit of any disabled member of a local police or salaried firefighters relief association, whichever is applicable, shall terminate when the disabled member attains:

(a) the minimum age for the receipt of a service pension specified in the articles of incorporation or the bylaws of the relief association, if the disabled member has credit for at least the number of years of service for active duty which would entitle the disabled member to a service pension in an amount equal to the amount of the disability benefit; or

(b) the age attained by the disabled member when the total number of years of service credited for active duty and of years of receipt of a disability benefit equals the number of years of service credit which would entitle the disabled member to a service pension in an amount equal to the amount of the disability benefit, if the disabled member has credit for less than the number of years of service for active duty which would entitle the disabled member to a service pension in an amount equal to the amount of the disability benefit when the disabled member attains the minimum age for the receipt of a service pension specified in the articles of incorporation or the bylaws of the relief association.

Subd. 2. [AMOUNT OF DISABILITY BENEFIT RECOMPUTED AS A SERVICE PENSION.] After the disability benefit terminates, the disabled member shall be deemed to be a service pensioner and shall be entitled to receive a service pension in an amount equal to the disability benefit without any benefit offset required pursuant to any applicable provision of law, articles of incorporation or bylaws which was payable by the relief association immediately prior to the date when the disability benefit terminated pursuant to this section or the service pension otherwise payable based on the service credit section or the service pension otherwise payable based on the service credit for active duty of the person, whichever amount is greater.

The disability benefit recomputed as a service pension shall be subject to any annual automatic post retirement adjustments or escalation applicable to any other service pension payable by the relief association.

Subd. 3. [LIMITATION ON DISABILITY BENEFIT COVERAGE.] *No relief association member who has attained the age and acquired the service credit for termination of a disability benefit specified in subdivision 1 shall be eligible for a disability benefit after that date. If a relief association member who is ineligible for a disability benefit solely pursuant to the limitation set forth in this subdivision becomes permanently unable to perform the duties of a police officer or a firefighter, whichever is applicable, by virtue of a medically determinable illness or injury, the member shall be eligible to a service pension in an amount equal to the amount of the disability benefit which would have been paid had the person been entitled to a disability benefit, or the amount of the service pension otherwise payable based on the service credit for active duty of the person, whichever is greater.*

Sec. 3. [423A.12] [SERVICE CREDIT FOR PERIODS OF DISABILITY.]

If the articles of incorporation or bylaws of a local police or salaried firefighters relief association, whichever is applicable, so provide, any relief association member who received a disability benefit from the relief association on account of a medically determinable illness or injury which was at the time of the determination of the disability expected to be of permanent duration and who returned to active employment as a police officer or firefighter, whichever is applicable, shall be entitled to receive service credit toward the calculation of a service pension for the period or periods of the receipt of a disability benefit.

The maximum service credit which a relief association member may obtain pursuant to this subdivision shall be that amount of service credit which, when added to the service credit of the member for active duty, equals the amount of service credit which would entitle the member to a service pension in an amount equal to the amount of the disability benefit provided by the relief association.

Sec. 4. [423A.13] [LESS HAZARDOUS DUTY EMPLOYMENT FOR marginally DISABLED POLICE OFFICERS OR FIREFIGHTERS.]

Every city in which a local police or salaried firefighters relief association is located shall make every reasonable attempt to provide less hazardous duty employment positions for marginally or less severely disabled police officers or firefighters, whichever is applicable, in the police department or in the fire department,

whichever is applicable, with the same compensation, fringe benefits and other terms and conditions of employment as the person would have otherwise received currently as a regularly employed police officer or firefighter, whichever is applicable, of the same rank and experience.

Sec. 5. [423A.14] [OFFSETS FROM DISABILITY BENEFITS.]

Subdivision 1. [OCCURRENCE OF OFFSETS.] If a police officer or firefighter, whichever is applicable, who is a member of a local police or salaried firefighters relief association becomes disabled and is entitled to receive a disability benefit from the relief association and the disabled person is also entitled to receive benefits pursuant to the workers' compensation law by virtue of that disability, and the total of the disability benefit and the workers' compensation benefits exceeds the salary which the disabled person received as of the date of the disability or the salary currently payable to the same employment position or an employment position which is substantially similar to the employment position which the person held as of the date of the disability, whichever is greater, then the disability benefit of that person which is otherwise payable shall be reduced to that amount which, when added to the workers' compensation benefits, after deducting any amounts payable as attorney fees, medical benefits or rehabilitation benefits, does not exceed the salary which the person received as of the date of the disability or the salary currently payable to the same employment position or an employment position which is substantially similar to the employment position which the person held as of the date of the disability, whichever is greater.

Subd. 2. [LIMITATION.] In no event shall the reduced disability benefit payable pursuant to the requirements of subdivision 1 exceed the amount of the disability benefit otherwise payable by the relief association without reference to subdivision 1 pursuant to the applicable statutes, special laws, articles of incorporation and bylaws.

Subd. 3. [NO OFFSET FOR RECOMPUTED DISABILITY BENEFIT.] No offset pursuant to this section shall be required after a disability benefit is recomputed as a service pension pursuant to section 2.

Subd. 4. [REPORTING REQUIREMENT.] Monthly, each city in which a local police or salaried firefighters relief association is located shall notify the secretary of the relief association of the amounts payable to disabled police officers or firefighters, whichever is applicable, during the month pursuant to the workers' compensation law.

Subd. 5. [OFFSET INAPPLICABLE IN CERTAIN INSTANCES.] If any reduction of benefits payable pursuant to

the workers' compensation law by virtue of the receipt of a disability benefit from a local police or salaried firefighters relief association is required pursuant to legislation enacted by the 1982 regular session or by a subsequent regular or special session, the provisions of this section shall not be applicable to any disability benefit recipient or any local police or salaried firefighters relief association.

The provisions of section 2 shall apply to any person receiving a disability benefit from a local relief association on or after the effective date of this section. Sec. 3. Minnesota Statutes 1980, Section 617.246, Subdivision 1, is amended to read:

617.246 [PROHIBITING PROMOTION OF MINORS TO ENGAGE IN OBSCENE WORKS.]

Subdivision 1. [DEFINITIONS.] (a) For the purpose of this section, the terms defined in this subdivision shall have the meanings given them.

(b) “Minor” means any person who has not attained his or her 18th birthday.

(c) “Promote” means to produce, direct, publish, manufacture, issue, or advertise.

(d) “Sexual performance” means any play, dance or other exhibition presented before an audience or for purposes of visual or mechanical reproduction which depicts patently offensive sexual conduct as defined by clause (f).

(e) "An obscene work" is a picture, a film, photograph, negative, slide, drawing or similar visual representation depicting a minor, which taken as a whole appeals to pedophiles or to the prurient interest in sex of the average person, which portrays patently offensive sexual conduct and which, taken as a whole, does not have serious literary, artistic, political or scientific value. In determining whether or not a work is an obscene work the trier of the fact must find: (i) that the average person, applying contemporary community standards would find that the work, taken as a whole appeals to pedophiles or to the prurient interest in sex of the average person; and (ii) that the work depicts patently offensive sexual conduct specifically defined by clause (f); and (iii) that the work, taken as a whole, lacks serious literary, artistic, political or scientific value.

(f) "Patently offensive sexual conduct" includes any of the following depicted sexual conduct if the depiction involves a minor:

(i) An act of sexual intercourse, normal or perverted, actual or simulated, including genital-genital, anal-genital, or oral-genital intercourse, whether between human beings or between a human being and an animal.

(ii) Sadomasochistic abuse, meaning flagellation or torture by or upon a person who is nude or clad in undergarments or in a revealing costume or the condition of being fettered, bound or otherwise physically restrained on the part of one so clothed.

(iii) Masturbation or lewd exhibitions of the genitals including any explicit, close up representation of a human genital organ.

(iv) Physical contact or simulated physical contact with the clothed or unclothed pubic areas or buttocks of a human male or female, or the breasts of the female, whether alone or between members of the same or opposite sex or between humans and animals in an act of apparent sexual stimulation or gratification.

(g) "*Pedophile*" means a person with a prurient interest in children as sexual objects.

Sec. 4. Minnesota Statutes 1980, Section 617.246, Subdivision 4, is amended to read:

Subd. 4. [DISSEMINATION.] A person who, knowing its content and character, disseminates for profit an obscene work, as defined in this section, is guilty of a (MISDEMEANOR) felony.

Sec. 5. [617.247] [POSSESSION OF OBSCENE PHOTOGRAPHIC REPRESENTATIONS OF MINORS.]

Subdivision 1. [POLICY; PURPOSE.] It is the policy of the legislature in enacting this section to protect minors from the physical and psychological damage caused by using minors in obscene films, photographs, and other obscene photographic representations of actual minors. Every time that a person views an obscene portrayal of an actual minor, that minor's physical and psychological well-being is endangered and remains subject to additional harm at least until all copies of the obscene photographic representation are destroyed. It is therefore the intent of the legislature to penalize possession of obscene photographic representations in order to protect the identity of minors who are victimized by involvement in obscene photographic representations, and to protect minors from future involvement in obscene photographic representations. It is not the intent of this section to prohibit the possession by adults of written words, drawings, paintings, or similar representations which are created without the use of an actual minor as an actor or photographic subject.

Subd. 2. [DEFINITIONS.] For purposes of this section, the following terms have the meanings given them:

(a) "Photographic representation" means an original or reproduction of a film, videotape, photograph, negative, or slide.

(b) "Obscene" means that the work, taken as a whole, appeals to pedophiles or to the prurient interest in sex of the average person, which portrays patently offensive sexual conduct and which, taken as a whole, does not have serious literary, artistic, political or scientific value. In order to determine that a work is obscene the trier of fact must find: (i) that the average person, applying contemporary community standards would find that the work, taken as a whole appeals to pedophiles or to the prurient interest in sex of the average person; and (ii) that the work depicts patently offensive sexual conduct specifically defined by clause (1); and (iii) that the work, taken as a whole, lacks serious literary, artistic, political or scientific value.

(1) "Patently offensive sexual conduct" includes any of the following depicted sexual conduct if the depiction involves a minor:

(i) An act of sexual intercourse, normal or perverted, actual or simulated, including genital-genital, anal-genital, or oral-genital intercourse, whether between human beings or between a human being and an animal.

(ii) Sadoomasochistic abuse, meaning flagellation or torture by or upon a person who is nude or clad in undergarments or in a revealing costume or the condition of being fettered, bound, or otherwise physically restricted on the part of one so clothed.

(iii) Masturbation or lewd exhibitions of the genitals including any explicit, close up representation of a human genital organ.

(iv) *Physical contact or simulated physical contact with the clothed or unclothed pubic areas or buttocks of a human male or female, or the breasts of the female, whether alone or between members of the same or opposite sex or between humans and animals in an act of apparent sexual stimulation or gratification.*

(c) *“Pedophile” means a person with a prurient interest in children as sexual objects.*

Subd. 3. [POSSESSION PROHIBITED.] A person who has in his or her possession an obscene photographic representation of a minor, knowing its content and character, is guilty of a felony. This section does not apply to law enforcement officers, court personnel, and attorneys in the performance of their official duties.

Sec. 6. [SEVERABILITY.]

If any provision or application of sections 1 to 5 is held invalid, the invalidity shall not affect other provisions or applications which can be given effect without the invalid provision or application, and for this purpose the provisions of sections 1 to 5 are severable.

Sec. 7. [EFFECTIVE DATE.]

The projected pro rata contribution of effluent shall be made on or before (SEPTEMBER 1, 1981) August 1, 1982 and annually thereafter. An adjustment shall be made on or before February 1 of each succeeding year based upon the actual effluent contributed by each government entity. Sec. 3. [115A.071] [DUTIES OF THE BOARD; SOLID WASTE MANAGEMENT; DESIGNATIONS OF RESOURCE RECOVERY FACILITIES.]

Subdivision 1. [APPROVAL OF DESIGNATION PROPOSALS.] The board shall review and approve or disapprove proposals to designate resource recovery facilities under sections 115A.70 and 400.162. The board may attach conditions to its approval. Before approving a designation the board shall determine that the proposal conforms to the requirements of section 115A.70 or section 400.162, that the designation will further the state policies and purposes expressed in section 115A.02, and that the designation is based upon a plan approved pursuant to subdivision 2 and an adequate evaluation of the standards expressed in section 115A.46, subdivision 3.

Subd. 2. [PLAN REQUIRED.] Before reviewing a proposed designation, the board shall require the completion or, if necessary, revision of a comprehensive solid waste management plan which in the board's judgment conforms to the requirements of section 115A.46.

Subd. 3. [BOARD SUPERVISION.] The board shall require regular reports on any designation approved pursuant to this section and section 473.827, shall periodically evaluate whether the designation as implemented has accomplished its

purposes and whether the designation is in the public interest and in furtherance of the state policies and purposes expressed in section 115A.02, and shall report periodically to the legislature on its conclusions and recommendations.

Sec. 4. Minnesota Statutes 1980, Section 115A.08, is amended by adding a subdivision to read:

Subd. 5a. [REPORT ON ASSURANCE OF SECURITY OF HAZARDOUS WASTE FACILITIES.] With the report required by subdivision 5, the board through its chairperson shall report and make recommendations to the legislative commission on methods of assuring the security of commercial hazardous waste facilities. The report and recommendations shall be based on the need to assure: effective monitoring and enforcement during operation; effective containment, control, and corrective action in any emergency situation; financial responsibility of the owner and operator throughout the operating life of the facility, using performance bonds, insurance, escrow accounts, or other means; proper closure; and perpetual post-closure monitoring and maintenance. The report shall include recommendations on the source of funds, including operator contributions, fee surcharges, taxes, and other sources; the amount of funds; effective protection and guarantee of funds; administration; regulatory and permit requirements; the role of local authorities; and other similar matters.

Sec. 5. Minnesota Statutes 1981 Supplement, Section 115A.11, Subdivision 1, is amended to read:

Subdivision 1. [CONTENTS.] By December 15, 1982, the board shall adopt a hazardous waste management plan. The plan shall include at least the following elements:

(a) an estimate of the types and volumes of hazardous waste which will be generated in the state through the year 2000;

(b) specific and quantifiable objectives for reducing to the greatest feasible and prudent extent the need for and practice of disposal, through waste reduction, pretreatment, *retrievable storage*, processing, and resource recovery;

(c) a description of the minimum disposal capacity and capability needed to be developed within the state for use through the year 2000, based on the achievement of the objectives under clause (b).

The plan shall require the establishment of at least one commercial *retrievable storage*, or disposal facility in the state. The board may make the implementation of elements of the plan contingent on actions of the legislature which have been recommended in the reports submitted pursuant to section 115A.08."

Subd. 3. [MORATORIUM.] In order to permit the comparative evaluation of sites and the participation of affected localities in decisions about the use of sites, a moratorium is hereby imposed as provided in this subdivision on all development within each proposed or candidate site identified pursuant to this section and in a buffer area identified by the board surrounding and at least equal in area to the site. The moratorium on candidate sites and buffer areas shall extend *until the board chooses a final candidate site or final candidate sites pursuant to this article. The moratorium on the final sites and buffer areas shall extend until six months following final action of the board pursuant to sections 115A.18 to 115A.30.* No development shall be allowed to occur within a proposed site or buffer area during the period of the moratorium without the approval of the board. No land use control of any political subdivision shall permit development which has not been approved by the board, nor shall any political subdivision sanction or approve any subdivision, permit, license, or other authorization which would allow development to occur which has not been approved by the board. The board shall not approve actions which would jeopardize the availability of a candidate site for use as a hazardous waste facility. The board may establish guidelines for reviewing requests for approval under this subdivision. The guidelines shall not be subject to the rule-making provisions of chapter 15. Requests for approval shall be submitted in writing to the chairperson of the board and shall be deemed to be approved by the board unless the chairperson otherwise notifies the submitter in writing within 15 days.

Sec. 10. Minnesota Statutes 1981 Supplement, Section 115A.24, Subdivision 1, is amended to read:

Subdivision 1. [CERTIFICATE.] Except as provided in subdivision 2, by December 15, 1982, on the basis of and consistent with its hazardous waste management plan adopted under section 115A.11, the board shall issue a certificate or certificates of need for disposal facilities for hazardous wastes in the state. The certificate or certificates shall indicate the types and volumes of waste for which disposal facilities are and will be needed through the year 2000 and the number, types, sizes, general design and operating specifications, and function or use of the disposal facilities needed in the state. The board shall certify need only to the extent that the board has determined that there are no feasible and prudent alternatives including waste reduction, separation, pretreatment, processing, and resource recovery which would minimize adverse impact upon natural resources, provided that the board shall require the establishment of at least one commercial *retrievable storage, or disposal facility* in the state. Economic considerations alone shall not justify certification nor the rejection of alternatives. Alternatives that are speculative and conjectural shall not be deemed to be feasible and prudent. The certificate or certificates shall not be subject to the provisions of chapter 15 but shall be the final determination required on the matters decided by the certificate or certificates and shall have the force and effect of law. The certificate or certificates shall not be amended for five years. The board and the permitting agencies, in reviewing and selecting sites, completing environmental impact statements, and issuing approvals and permits for waste disposal facilities described in the certificate or certificates of need, shall not reconsider matters determined in the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of facilities consistent with the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of at least one commercial *retrievable storage, or disposal facility* for hazardous waste in the state."

115A.42 [ESTABLISHMENT AND ADMINISTRATION.]

There is established a planning assistance program to provide technical and financial assistance to political subdivisions of the state for the (PURPOSE) *purposes* of encouraging and improving regional and local solid waste management planning activities and efforts *and of furthering the state policies and purposes expressed in section 115A.02*. The program shall be administered by the agency pursuant to rules promulgated under chapter

15, except in the metropolitan area where the program shall be administered by the metropolitan council pursuant to chapter 473. The agency and the metropolitan council shall ensure conformance with federal requirements and programs established pursuant to the Resource Conservation and Recovery Act of 1976 and amendments thereto.

Sec. 13. Minnesota Statutes 1980, Section 115A.46, is amended to read:

115A.46 [(CONTENTS) REQUIREMENTS.]

Subdivision 1. [GENERAL.] Plans shall address the state policies and purposes expressed in section 115A.02. Plans for the location, establishment, operation, maintenance, and post-closure use of facilities and facility sites, for ordinances, and for licensing, permit, and enforcement activities shall be consistent with the rules adopted by the agency pursuant to chapter 116. Plans shall address the resolution of conflicting, duplicative, or overlapping local management efforts. Plans shall address the establishment of joint powers management programs or waste management districts where appropriate. Plans proposing a designation of resource recovery facilities pursuant to sections 115A.70 and 400.162 shall be submitted to the waste management board for review and approval or disapproval under section 115A.071. Plans shall address other matters as the rules of the agency may require consistent with the purposes of sections 115A.42 to 115A.46. Political subdivisions preparing plans under sections 115A.42 to 115A.46 (ARE ENCOURAGED TO) shall consult with persons presently providing solid waste collection, processing, and disposal services (IN THE PREPARATION OF THE PLAN). Plans prepared by local units of government in the metropolitan area shall conform to the requirements of chapter 473. (PLANS PREPARED BY POLITICAL SUBDIVISIONS OUTSIDE THE METROPOLITAN AREA WITH ASSISTANCE FROM THE PROGRAM SHALL CONFORM TO THE REQUIREMENTS OF THIS SECTION.)

Subd. 2. [CONTENTS.] The plans shall describe existing collection, processing, and disposal systems, including schedules of rates and charges, financing methods, environmental acceptability, and opportunities for improvements in the systems. The plans shall include an estimate of the land disposal capacity in acre-feet which will be needed through the year 2000, on the basis of current and projected waste generation practices. The plans shall contain an assessment of opportunities to reduce the need for land disposal through waste reduction and resource recovery, the alternative degrees of reduction achievable, and a comparison of the costs of alternatives, including capital and operating costs, and the effects of the alternatives on the cost to generators and on persons currently providing solid waste collection, processing, and disposal services. The plans shall, to the extent practicable and consistent with the achievement of

other public policies and purposes, encourage ownership and operation of solid waste facilities by private industry. For solid waste facilities owned or operated by public agencies or supported primarily by public funds or obligations issued by a public agency, the plans shall include criteria and standards to protect comparable private and public facilities already existing in the area from displacement unless the displacement is required in order to achieve the waste management objectives identified in the plan. The plans shall establish a siting procedure and development program to assure the orderly location, development, and financing of new or expanded solid waste facilities and services sufficient for a prospective ten-year period, including estimated costs and implementation schedules, proposed procedures for operation and maintenance, estimated annual costs and gross revenues, and proposals for the use of facilities after they are no longer needed or usable. The plans shall describe existing and proposed county and municipal ordinances and license and permit requirements relating to solid waste management and shall describe existing and proposed regulation and enforcement procedures. (PLANS FOR LOCATION, ESTABLISHMENT, OPERATION, MAINTENANCE, AND POST-CLOSURE USE OF FACILITIES AND FACILITY SITES, FOR ORDINANCES, AND FOR LICENSING, PERMIT, AND ENFORCEMENT ACTIVITIES SHALL BE CONSISTENT WITH THE RULES ADOPTED BY THE AGENCY PURSUANT TO CHAPTER 116. THE PLANS SHALL ADDRESS THE RESOLUTION OF CONFLICTING, DUPLICATIVE, OR OVERLAPPING LOCAL MANAGEMENT EFFORTS. THE PLANS SHALL ADDRESS THE ESTABLISHMENT OF JOINT POWERS MANAGEMENT PROGRAMS OR WASTE MANAGEMENT DISTRICTS WHERE APPROPRIATE. THE PLANS SHALL ADDRESS OTHER MATTERS AS THE RULES OF THE AGENCY MAY REQUIRE CONSISTENT WITH THE PURPOSES OF SECTIONS 115A.42 TO 115A.46.)

Subd. 3. [PLANS FOR DESIGNATION OF RESOURCE RECOVERY FACILITIES.] A plan proposing designation of resource recovery facilities pursuant to sections 115A.70 and 400.162 shall evaluate the benefits of the proposal, including the public purposes achieved by the conservation and recovery of resources, the furtherance of local and any district or regional waste management plans and policies, and the furtherance of the state policies and purposes expressed in section 115A.02, and also the costs of the proposal, including not only the direct capital and operating costs of the facility but also any indirect costs and adverse long-term effects of the designation. In particular the plan shall evaluate:

(a) whether the required use will result in the recovery of resources or energy from materials which would otherwise be wasted;

(b) *whether the required use will lessen the demand for and use of land disposal;*

(c) *whether the required use is necessary for the financial support of the facility;*

(d) *whether less restrictive methods for ensuring an adequate solid waste supply are available;*

(e) *all other feasible and prudent waste processing alternatives for accomplishing the purposes of the proposed designation, the direct and indirect costs of the alternatives, including capital and operating costs, and the effects of the alternatives on the cost to generators.*

Sec. 14. Minnesota Statutes 1980, Section 115A.62, is amended to read:

115A.62 [PURPOSE; PUBLIC INTEREST; DECLARATION OF POLICY.]

The legislature finds that the development of integrated and coordinated solid waste management systems is needed to manage properly the solid waste generated in the state (AND), to conserve and protect the natural resources in the state and the health, safety, and welfare of its citizens, *and to further the state policies and purposes expressed in section 115A.02*; that this need cannot always be met solely by the activities of individual political subdivisions or by agreements among subdivisions; and that therefore it is necessary to establish a procedure for the creation of solid waste management districts having the powers and performing the functions prescribed in sections 115A.62 to 115A.72.

Sec. 15. Minnesota Statutes 1980, Section 115A.69, Subdivision 10, is amended to read:

Subd. 10. [DISPOSITION OF PRODUCTS AND ENERGY.] The district may use, sell, or otherwise dispose of all of the products and energy produced by its facilities. (THE DISTRICT MAY, ON A COMPETITIVE BASIS, ENTER INTO SHORT OR LONG TERM CONTRACTS, MAKE SPOT SALES, SOLICIT BIDS, ENTER INTO DIRECT NEGOTIATIONS, DEAL WITH BROKERS, OR USE SUCH OTHER METHODS OF DISPOSAL AS IT CHOOSES, PROVIDED THAT THE DEALINGS OF THE DISTRICT SHALL BE ON A COMPETITIVE BASIS SO AS NOT TO CREATE AN UNFAIR OR UNREASONABLE ADVANTAGE OR RESTRAINT OF TRADE ON THE PART OF THE DISTRICT) *Section 471.345 shall not apply to the sale of products and energy.* The district shall give particular consideration to the needs of purchasers in this state and shall actively promote sales to such purchasers so long as this can be done at prices and under conditions that meet consti-

tutional requirements and that are consistent with the district's object of being financially self supporting to the greatest extent possible.

Sec. 16. Minnesota Statutes 1980, Section 115A.70, Subdivision 1, is amended to read:

Subdivision 1. [(GENERAL) PURPOSE.] (A DISTRICT MAY BE AUTHORIZED BY THE ORDER AND ARTICLES OF INCORPORATION ESTABLISHING THE) *In order to accomplish the objectives of a waste management district, to further the state policies and purposes expressed in section 115A.02, and to advance the public purposes served by resource recovery, the legislature finds and declares that it may be necessary to authorize a district to require that all or any portion of the solid waste that is generated within its boundaries or any service area thereof and is desposited within the state be taken for processing to a resource recovery facility or a transfer station serving a facility designated by the district.*

Sec. 17. Minnesota Statutes 1980, Section 115A.70, Subdivision 2, is amended to read:

Subd. 2. [STANDARDS.] (IN DETERMINING WHETHER TO DESIGNATE AND REQUIRE USE OF RESOURCE RECOVERY FACILITIES THE DISTRICT SHALL CONSIDER WHETHER:)

((A) THE REQUIRED USE WILL RESULT IN THE RECOVERY OF RESOURCES OR ENERGY FROM MATERIALS WHICH WOULD OTHERWISE BE WASTED;)

((B) THE REQUIRED USE WILL LESSEN THE DEMAND FOR AND USE OF LAND DISPOSAL;)

((C) THE REQUIRED USE IS NECESSARY FOR THE FINANCIAL SUPPORT OF THE FACILITY;)

((D) LESS RESTRICTIVE METHODS FOR ENSURING AN ADEQUATE SOLID WASTE SUPPLY ARE AVAILABLE;)

((E) ALL OTHER FEASIBLE AND PRUDENT WASTE PROCESSING ALTERNATIVES FOR ACCOMPLISHING THE PURPOSES OF THE PROPOSED DESIGNATION HAVE BEEN CONSIDERED AND THE COSTS OF THE ALTERNATIVES, INCLUDING CAPITAL AND OPERATING COSTS, AND THE EFFECTS OF THE ALTERNATIVES ON THE COST TO GENERATORS HAVE BEEN COMPARED AND EVALUATED.) *Any district designation shall be based upon a plan prepared and approved in conformance with sections 115A.071 and 115A.46, shall be authorized in the articles*

of incorporation of the district, and shall be submitted pursuant to section 115A.071 for review and approval or disapproval by the waste management board.

Sec. 18. Minnesota Statutes 1980, Section 115A.70, Subdivision 3, is amended to read:

Subd. 3. [EXEMPTION.] The district shall not designate and require use of facilities for materials which are being separated from solid waste and recovered for reuse or recycling by the generator, by a private person under contract with the generator or by a licensed solid waste collector. *The district shall not designate and require use of facilities for materials which are being delivered to another resource recovery facility unless the district finds and determines that the required use is necessary in order to achieve the solid waste management objectives in the district's plan.*

Sec. 19. Minnesota Statutes 1980, Section 116.07, Subdivision 4b, is amended to read:

Subd. 4b. [PERMITS; HAZARDOUS WASTE FACILITIES.] The agency shall provide to the waste management board established in section 115A.04, copies of each preliminary and final permit application for a hazardous waste facility immediately upon its submittal to the agency. The agency shall request recommendations on each permit application from the board and shall consult with the board on the agency's intended disposition of the recommendations. Except as otherwise provided in sections 115A.18 to 115A.30, the agency shall commence any environmental review required under chapter 116D within 120 days of its acceptance of a completed preliminary permit application. The agency shall respond to a preliminary permit application for a hazardous waste facility within 120 days following a decision not to prepare environmental documents or following the acceptance of a negative declaration notice or an environmental impact statement. Except as otherwise provided in sections 115A.18 to 115A.30, within 60 days following the submission of a final permit application for a hazardous waste facility, unless a time extension is agreed to by the applicant, the agency shall issue or deny all permits needed for the construction of the proposed facility. *The agency shall promulgate rules pursuant to chapter 15 for all hazardous waste facilities, except those addressed in subdivision 4c of this section. The rules shall require:*

(1) *contingency plans for all hazardous waste facilities which provide for effective containment and control in any emergency condition;*

(2) *the establishment of a mechanism to assure that money to cover the costs of closure and post-closure monitoring and maintenance of hazardous waste facilities will be available;*

(3) *the maintenance of liability insurance by the owner or operator of hazardous waste facilities during the operating life of the facility.*

Sec. 20. Minnesota Statutes 1980, Section 400.16, is amended to read:

400.16 [SOLID WASTE AND SEWAGE SLUDGE DISPOSAL REGULATIONS.]

The county may by ordinance establish and revise rules, regulations, and standards for solid waste and sewage sludge management and land pollution, relating to (a) the location, sanitary operation, and maintenance of solid waste facilities and sewage sludge disposal facilities by the county and any municipality or other public agency and by private operators; (b) the collection, processing, and disposal of solid waste and sewage sludge; (c) the amount and type of equipment required in relation to the amount and type of material received at any solid waste facility or sewage sludge disposal facility; (d) the control of salvage operations, water or air or land pollution, and rodents at such facilities; (e) the termination or abandonment of (SUCH) *the facilities or activities*; and (f) other matters relating to (SUCH) *the facilities* as may be determined necessary for the public health, welfare, and safety. The county may issue permits or licenses for solid waste facilities and may require that (SUCH) *the facilities* be registered with an appropriate county office. The county shall adopt the ordinances for mixed municipal solid waste management. The county shall make provision for issuing permits or licenses for mixed municipal solid waste facilities and shall require that (SUCH) *the facilities* be registered with an appropriate county office. No permit or license shall be issued for a mixed municipal solid waste facility unless the applicant has demonstrated to the satisfaction of the county board the availability of revenues necessary to operate the facility in accordance with applicable state and local laws, ordinances, and rules. *No permit shall be issued for a solid waste facility used primarily for resource recovery or a transfer station serving such a facility, if the facility or station is owned or operated by a public agency or if the acquisition or betterment of the facility or station is secured by public funds or obligations issued by a public agency, unless the county finds and determines that adequate markets exist for the products recovered and that any displacement of existing resource recovery facilities and transfer stations serving such facilities that may result from the establishment of the new facility is required in order to achieve the waste management objectives of the county.* The county ordinance shall require appropriate procedures for termination or abandonment of any mixed municipal solid waste facilities or services, which shall include provision for long term monitoring for possible land pollution, and for the payment by the owners or operators thereof, or both, of any costs incurred by the county in completing (SUCH) *the procedures*. The county may require (SUCH) *the procedures* and payments with respect to any facili-

ties or services regulated pursuant to this section. In the event the operators or owners fail to complete (SUCH) *the* procedures in accordance with the ordinance, the county may recover the costs of completion in a civil action in any court of competent jurisdiction or, in the discretion of the board, the costs may be certified to the county auditor as a special tax against the land to be collected as other taxes are collected. The ordinance may be enforced by injunction, action to compel performance, or other appropriate action in the district court. Any ordinance enacted under this section shall embody minimum standards and requirements established by rule of the agency.

Sec. 21. Minnesota Statutes 1980, Section 400.162, is amended to read:

400.162 [COUNTY DESIGNATION OF RESOURCE RECOVERY FACILITY.]

(EXCEPT) *The authority granted to counties by this section shall not apply* within (THE METROPOLITAN AREA,) the Western Lake Superior Sanitary District established by Laws 1971, Chapter 478, as amended, (AND) *nor within* any solid waste management district established under sections 115A.62 to 115A.72 (, ANY). *In order to accomplish the objectives of county waste management, to further the state policies and purposes expressed in section 115A.02, and to advance the public purposes served by resource recovery, the legislature finds and declares that it may be necessary to authorize a county (MAY) to require that all or any portion of the solid waste that is generated within the boundaries of the county or any service area thereof and is disposed of in the state be delivered to a resource recovery facility designated by the county board or a transfer station serving such a facility (, PROVIDED THAT THE).* Any county designation (IS APPROVED) *shall be based upon a plan prepared and approved in conformance with sections 115A.071 and 115A.46 and shall be submitted pursuant to section 115A.071 for review and approval or disapproval by the waste management board. (THE BOARD MAY REQUIRE THE COUNTY TO COMPLETE A COMPREHENSIVE SOLID WASTE MANAGEMENT PLAN CONFORMING TO THE REQUIREMENTS OF SECTION 115A.46.)* In establishing, continuing, and terminating the designation, the county shall be governed by all standards, exemptions, procedures, and other requirements provided in section 115A.70, subdivisions 2 to 6.

Sec. 22. Minnesota Statutes 1980, Section 473.149, Subdivision 1, is amended to read:

Subdivision 1. [POLICY PLAN; GENERAL REQUIREMENTS.] The metropolitan council shall prepare and by resolution adopt as part of its development guide a long range policy plan for solid waste management in the metropolitan area. When

adopted, the plan shall be followed in the metropolitan area. *The plan shall address the state policies and purposes expressed in section 115A.02.* The plan shall substantially conform to all policy statements, purposes, goals, standards, maps and plans in development guide sections and plans adopted by the council, provided that no land shall be thereby excluded from consideration as a solid waste facility site except land determined by the agency to be intrinsically unsuitable for such use. The plan shall include goals and policies for solid waste management in the metropolitan area and, to the extent appropriate, statements and information similar to that required under section 473.146, subdivision 1. The plan shall include criteria and standards for solid waste facilities and solid waste facility sites respecting the following matters: general location; capacity; operation; processing techniques; environmental impact; effect on existing, planned, or proposed collection services and waste facilities; and economic viability. *The plan shall, to the extent practicable and consistent with the achievement of other public policies and purposes, encourage ownership and operation of solid waste facilities by private industry.* For solid waste facilities owned or operated by public agencies or supported primarily by public funds or obligations issued by a public agency, the plan shall include additional criteria and standards (TO ENSURE THAT THE FACILITIES ARE OPERATED ON A COMPETITIVE BASIS SO AS NOT TO CREATE AN UNFAIR OR UNREASONABLE ADVANTAGE OR RESTRAINT OF TRADE IN RELATION) to protect comparable private and public facilities already existing in the area from displacement unless the displacement is required in order to achieve the waste management objectives identified in the plan. In developing the plan the council shall consider the orderly and economic development, public and private, of the metropolitan area; the preservation and best and most economical use of land and water resources in the metropolitan area; the protection and enhancement of environmental quality; the conservation and reuse of resources and energy; the preservation and promotion of conditions conducive to efficient, competitive, and adaptable systems of waste management; and the orderly resolution of questions concerning changes in systems of waste management. Criteria and standards for solid waste facilities shall be consistent with regulations adopted by the pollution control agency pursuant to chapter 116 and shall be at least as stringent as the guidelines, regulations, and standards of the federal environmental protection agency.

Sec. 23. Minnesota Statutes 1980, Section 473.153, is amended by adding a subdivision to read:

Subd. 6a. [SUSPENSION OF SITING DURING STUDY.] Commencing on the effective date of this subdivision, there is imposed a suspension until December 31, 1982 on the site evaluation and selection procedure required by subdivisions 1 to 6. During the period of suspension the council shall evaluate:

(a) *methods of reducing to the greatest feasible and prudent extent the introduction of hazardous materials in sewage flows; and*

(b) *uses for the commission's waste which will reduce to the greatest feasible and prudent extent the need for commission disposal facilities.*

Section 24. Minnesota Statutes 1980, Section 473.153, is amended by adding a subdivision to read:

Subd. 6b. [CERTIFICATION OF NEED.] No new facility for disposing of sludge, ash, and other waste generated by the commission shall be permitted in the metropolitan area without a certification of need issued by the council indicating the council's determination:

(a) *that the disposal of waste with concentrations of hazardous materials is necessary; and*

(b) *that the additional disposal capacity planned for the facility is needed.*

The council shall certify need only to the extent that there are no feasible and prudent methods of reducing the concentrations of hazardous materials in the waste and no feasible and prudent alternatives to the disposal facility which would minimize adverse impact upon natural resources. Methods and alternatives that are speculative or conjectural shall not be deemed to be feasible and prudent. Economic considerations alone shall not justify the certification of need or the rejection of methods or alternatives.

Sec. 25. Minnesota Statutes 1980, Section 473.802, is amended to read:

473.802 [LEGISLATIVE PURPOSE AND POLICY.]

The legislature determines that for the protection of the public health, safety, and welfare of the people of the metropolitan area, for the prevention, control and abatement of pollution of air and waters of the state in the metropolitan area, (AND) for the efficient and economic management of solid waste in the metropolitan area, and for the furtherance of the state policies and purposes expressed in section 115A.02, it is necessary to authorize the metropolitan council to carry on a continuous, long range program of planning with respect to solid waste management, to establish criteria and standards and approve permits for solid waste facilities in the area, and to provide funds for the acquisition of property for solid waste disposal purposes; and to authorize the metropolitan counties if necessary to acquire, construct, operate and maintain solid waste facilities, to plan for

and regulate solid waste collection services and facilities, to collect data on solid and hazardous waste management systems and procedures, and to assist state agencies to regulate the management of hazardous waste. (THE LEGISLATURE DECLARES THAT A PUBLIC PURPOSE IS SERVED BY THE RECOVERY AND UTILIZATION OF RESOURCES FROM SOLID WASTE WHERE ECONOMICALLY VIABLE AND COMPATIBLE WITH SOURCE REDUCTION. THE PLANS, CRITERIA, STANDARDS AND REGULATIONS OF THE AGENCY, COUNCIL AND METROPOLITAN COUNTIES SHALL, TO THE EXTENT PRACTICABLE, ENCOURAGE OWNERSHIP AND OPERATION OF SOLID WASTE FACILITIES BY PRIVATE INDUSTRY.)

Sec. 26. Minnesota Statutes 1980, Section 473.803, Subdivision 1, is amended to read:

Subdivision 1. [COUNTY MASTER PLANS; GENERAL REQUIREMENTS.] Each metropolitan county, following adoption or revision of the council's solid waste policy plan and in accordance with the dates specified therein, and after consultation with all affected local government units, shall prepare and submit to the council for its approval, a county solid waste master plan to implement the policy plan. The master plan shall be revised and resubmitted at such times as the council's policy plan may require. The master plan shall describe county solid waste activities, functions, and facilities; the existing system of solid waste generation, collection, and processing, and disposal within the county; existing and proposed county and municipal ordinances and license and permit requirements relating to solid waste facilities and solid waste generation, collection, and processing, and disposal; existing or proposed municipal, county, or private solid waste facilities and collection services within the county together with schedules of existing rates and charges to users and statements as to the extent to which such facilities and services will or may be used to implement the policy plan; and any solid waste facility which the county owns or plans to acquire, construct, or improve together with statements as to the planned method, estimated cost and time of acquisition, proposed procedures for operation and maintenance of each facility; an estimate of the annual cost of operation and maintenance of each facility; an estimate of the annual gross revenues which will be received from the operation of each facility; and a proposal for the use of each facility after it is no longer needed or usable as a waste facility. The master plan shall, to the extent practicable *and consistent with the achievement of other public policies and purposes*, encourage ownership and operation of solid waste facilities by private industry. For solid waste facilities owned or operated by public agencies or supported primarily by public funds or obligations *issued by a public agency*, the master plan shall contain (POLICIES TO ENSURE THAT THE FACILITIES ARE OPERATED ON A COMPETITIVE BASIS SO AS NOT TO CREATE AN UN-

FAIR OR UNREASONABLE ADVANTAGE OR RESTRAINT OF TRADE IN RELATION) *criteria and standards to protect comparable private and public facilities already existing in the area from displacement unless the displacement is required in order to achieve the waste management objectives identified in the plan.*

Sec. 27. Minnesota Statutes 1980, Section 473.803, is amended by adding a subdivision to read:

Subd. 1c. [PLANS FOR REQUIRED USE OF RESOURCE RECOVERY FACILITIES.] Plans proposing designation of resource recovery facilities pursuant to section 473.811, subdivision 10, shall evaluate the benefits of the proposal, including the public purposes achieved by the conservation and recovery of resources, the furtherance of local, district, or regional waste management plans and policies, and the furtherance of the state policies and purposes expressed in section 115A.02, and also the costs of the proposal, including not only the direct capital and operating costs of the facility but also any indirect costs and adverse long-term effects of the designation. In particular the plan shall evaluate:

(a) whether the required use will result in the recovery of resources or energy from materials which would otherwise be wasted;

(b) whether the required use will lessen the demand for and use of land disposal;

(c) whether the required use is necessary for the financial support of the facility;

(d) whether less restrictive methods for ensuring an adequate solid waste supply are available;

(e) all other feasible and prudent waste processing alternatives for accomplishing the purposes of the proposed designation, the direct and indirect costs of the alternatives, including capital and operating costs, and the effects of the alternatives on the cost to generators.

Sec. 28. Minnesota Statutes 1980, Section 473.811, is amended by adding a subdivision to read:

Subd. 10. [COUNTY DESIGNATION OF RESOURCE RECOVERY FACILITIES.] The authority granted to metropolitan counties by this subdivision shall not apply within any solid waste management district established under sections 115A.62 to 115A.72. In order to accomplish the objectives of county waste management, to further the state policies and purposes expressed in section 115A.02, and to advance the public purposes

served by resource recovery, the legislature finds and declares that it may be necessary to authorize a county to require that all or any portion of the solid waste that is generated within the boundaries of the county or any service area thereof and is disposed of in the state be delivered to a resource recovery facility designated by the county board or a transfer station serving such a facility. Any county designation shall be based upon an approved master plan and shall be submitted pursuant to section 473.827, subdivision 1, for review and approval or disapproval by the metropolitan council. In establishing, continuing, and terminating the designation, the county shall be governed by all standards, exemptions, procedures, and other requirements provided in section 115A.70, subdivisions 2 to 6.

Sec. 29. Minnesota Statutes 1980, Section 473.823, Subdivision 3, is amended to read:

Subd. 3. [SOLID WASTE FACILITIES; REVIEW PROCEDURES.] The agency shall request applicants for solid waste facility permits to submit all information deemed relevant by the council to its review, including without limitation information relating to the geographic areas and population served, the need, the effect on existing facilities and services, the anticipated public cost and benefit, the anticipated rates and charges, the manner of financing, the effect on metropolitan plans and development programs, the supply of waste, anticipated markets for any product, and alternative means of disposal or energy production. No permit may be issued for the operation of a solid waste facility in the metropolitan area which is not in accordance with the metropolitan council's solid waste policy plan. The metropolitan council shall determine whether a permit is in accordance with the policy plan. In making its determination, the council shall consider the area-wide need and benefit of the applicant facility and may consider, without limitation, the effect of the applicant facility on existing and planned solid waste facilities described in a waste control commission development program or county report or master plan. If the council determines that a permit is in accordance with its policy plan, the council shall approve the permit. If the council determines that a permit is not in accordance with its policy plan, it shall disapprove the permit. The council's approval of permits may be subject to conditions necessary to satisfy criteria and standards in its policy plan, including conditions respecting the type, character, and quantities of waste to be processed at a solid waste facility used primarily for resource recovery and the geographic territory from which a resource recovery facility or transfer station serving such a facility may draw its waste. For the purpose of this review and approval by the council, the agency shall send a copy of each permit application and any supporting information furnished by the applicant to the metropolitan council within 15 days after receipt of the application and all other information requested from the applicant. Within 60 days after the application and supporting information are received by the council, un-

less a time extension is authorized by the agency, the council shall issue to the agency in writing its determination whether the permit is disapproved, approved, or approved with conditions. If the council does not issue its determination to the agency within the 60 day period, unless a time extension is authorized by the agency, the permit shall be deemed to be in accordance with the council's policy plan. No permit (MAY) shall be issued in the metropolitan area for a solid waste facility used primarily for resource recovery or a transfer station serving such a facility, if the facility or (SITE) station is owned (AND) or operated by a public agency or if the acquisition or betterment of the facility or (SITE) station is secured by public funds or obligations issued by a public agency, unless the council finds and determines that adequate markets exist for the products recovered (WITHOUT SUBSTANTIALLY REDUCING THE SUPPLY OF SOLID WASTE AVAILABLE FOR EXISTING RESOURCE RECOVERY OPERATIONS) and that establishment of the facility (IS OPERATED ON A COMPETITIVE BASIS SO AS NOT TO CREATE AN UNFAIR OR UNREASONABLE ADVANTAGE OR RESTRAINT OF TRADE IN RELATION TO COMPARABLE PRIVATE FACILITIES EXISTING IN THE AREA) is consistent with the criteria and standards in the metropolitan and county plans respecting the protection of existing resource recovery facilities and transfer stations serving such facilities.

Sec. 30. Minnesota Statutes 1980, Section 473.827, Subdivision 1, is amended to read:

Subdivision 1. [APPROVAL OF DESIGNATION PROPOSALS.] The council (MAY REQUIRE THAT ALL OR ANY PORTION OF THE SOLID WASTE THAT IS GENERATED WITHIN THE METROPOLITAN AREA OR ANY SERVICE AREA THEREOF AND IS DISPOSED OF IN THE STATE BE DELIVERED TO A RESOURCE RECOVERY FACILITY DESIGNATED BY THE COUNCIL OR A TRANSFER STATION SERVING SUCH A FACILITY. THE COUNCIL MAY DESIGNATE A FACILITY UNDER THIS SECTION WITHOUT THE APPROVAL OF THE BOARD EXCEPT THAT THE APPROVAL OF THE BOARD SHALL BE REQUIRED IF THE SOLID WASTE REQUIRED TO BE DELIVERED IS GENERATED OUTSIDE OF THE METROPOLITAN AREA) shall review and approve or disapprove proposals to designate resource recovery facilities under section 473.811, subdivision 10. The council may attach conditions to its approval. Before approving a designation the council shall determine that the proposal conforms to the requirements of section 473.811, subdivision 10, that the designation will further the state policies and purposes expressed in section 115A.02, and that the designation is based upon a master plan approved by the council and an adequate evaluation of the standards expressed in section 473.803, subdivision 1c.

Sec. 31. Minnesota Statutes 1980, Section 473.827, is amended by adding a subdivision to read:

Subd. 7. [REPORTS.] The council shall report or require reports to the waste management board on designations approved under this section in accordance with the reporting requirements of the board established pursuant to section 115A.071.

Sec. 2. [APPROPRIATION.]

There is appropriated from the general fund to the legislative coordinating commission the amount of \$10,000 for purposes of section 1. This amount is available until June 30, 1983. Of this appropriation, not more than \$1,000 shall be used to reimburse members of the science and technology resource council for their actual expenses of attending meetings. [RECORDS.] Every magistrate or judge of a court not of record, and every clerk of a court of record, shall keep a full record of every case in which a person is charged with any violation of this chapter or of any other law, or city ordinance, regulating the operation or parking of vehicles on highways.

Subd. 2. [TRAFFIC VIOLATIONS.] Within ten days after the conviction or forfeiture of bail of a person upon a charge of violating any provision of this chapter or other law, or city ordinance, regulating the operation of vehicles on highways, every magistrate of the court, or clerk of the court of record in which such conviction was had or bail was forfeited, shall prepare and immediately forward to the department of public safety an abstract of the record of the court covering the case in which the person was so convicted or forfeited bail, which abstract must be certified by the person so required to prepare the same to be true and correct.

The abstract must be made upon a form furnished by the department of public safety, and shall include the name and address of the party charged, the driver's license number of the person involved, the nature of the offense, the date of hearing, the plea, the judgment, or whether bail forfeited, and the amount of the fine or forfeiture, as the case may be.

Every court of record shall also forward a like report to the department of public safety upon the conviction of any person of manslaughter or other felony in the commission of which a vehicle was used.

The failure, refusal, or neglect of any such judicial officer to comply with any of the requirements of this section shall constitute misconduct in the office and shall be ground for removal therefrom.

Subd. 3. [PARKING AND OPERATING VIOLATIONS.] Every magistrate or judge of a court not of record, and every clerk of a court of record shall, within 30 days after the date payment of a fine on a parking ticket is due, or within 30 days after a fine imposed for a traffic violation other than parking is due, report to the county sheriff for entry into the department of public safety records system, if the fine is unpaid. This report shall be made in the form required by the commissioner of public safety and shall contain the following information:

(a) In parking violation cases, the name and address of the registered owner of the motor vehicle if known, the license plate number of the motor vehicle involved in the violation, the nature of the offense, the date the ticket was issued, and the amount of the fine; or

(b) In all other cases, the license plate number of the vehicle involved in the violation if known, the name and address of the person charged, the nature and date of the offense, and the date the fine was imposed.

Subd. 4. [REPORTS WHEN FINES PAID.] When a fine which has been the subject of a report of nonpayment pursuant to subdivision 3 is paid to the court or the court stays, waives, rescinds, or suspends the fine, the clerk of a court of record or the judge or magistrate of a court not of record shall report to the department of public safety or to the county sheriff's department for entry into the public safety system in the form required by the department that the fine has been paid, stayed, waived, rescinded, or suspended.

impose a surcharge of \$1.00 to be paid by the violator, on every parking fine collected. The clerk of court shall collect and forward the surcharge to the county auditor with designation of its source as a parking violation surcharge, with the same frequency as fines are transmitted. The county auditor shall then transmit the surcharges to the state treasurer to be deposited in a special account, designated as the "department of public safety violation surcharge account." All moneys in the public safety violation surcharge account are appropriated to the department of public safety for the purpose of operating a centralized system for the reporting of traffic and parking violations for which fines due and payable are unpaid. The appropriation shall be available January 1, 1984.

Subd. 6. [SURCHARGES MAY BE CONTINUED.] After January 1, 1984, county boards may authorize imposition of a surcharge of up to \$1.00 on parking violation fines for the purpose of paying expenses incurred by the county in making the reports required by subdivisions 3 and 4. (b) In the case of a parking violation, he shall refuse to issue license plates or tabs for the vehicle named in the citation until notified by the court or the county sheriff's department that an appearance has been made or the fine has been paid. “For the purposes of this subdivision an “assisted housing unit” is a housing unit which is rented or to be rented and which is a part of a rental housing development where the financing for the rental housing development is assisted with interest reduction assistance provided by the authority during the calendar year. If interest reduction assistance is provided for construction period interest for a rental housing development, the housing units in the housing development shall be considered assisted housing units for a period after occupancy of the housing units

which is equal to the period which interest reduction assistance is provided to assist the construction financing of the rental housing development. In any calendar year when an authority provides interest reduction assistance for assisted housing units (1) at least 20 percent of the total assisted housing units within the jurisdiction of the authority shall be held available for rental to families or individuals with an adjusted gross income which is equal to or less than 80 percent of the median family income, and (2) at least an additional 55 percent of the total assisted housing units within the jurisdiction of the authority shall be held available for rental to individuals or families with an annual adjusted gross income which is equal to or less than 66 times 120 percent of the monthly fair market rent for the unit established by the United States department of housing and urban development. At least 80 percent of the aggregate dollar amount of funds appropriated by an authority within any calendar year to provide interest reduction assistance for financing of construction, rehabilitation or purchase of single family housing, as that term is defined in section 462C.02, subdivision 4, shall be appropriated for housing units which are to be sold or occupied by families or individuals with an adjusted gross income which is equal to or less than 110 percent of median family income. For the purposes of this subdivision, "median family income" means the median family income established by the United States department of housing and urban development for the nonmetropolitan county or the standard metropolitan statistical area, as the case may be. The adjusted gross income may be adjusted by the authority for family size. An authority which establishes a program pursuant to this subdivision shall on or before January 2 of each year report to the commissioner of the Minnesota department of energy, planning and development, a description of the program established and a description of the recipients of interest reduction assistance.

Sec. 8. Minnesota Statutes 1980, Section 462.445, is amended by adding a subdivision to read:

Subd. 12. [INTEREST REDUCTION PROGRAM; REQUIRED AGREEMENTS.] (a) Under any interest reduction program authorized by subdivision 10, which provides interest reduction assistance pursuant to clauses (a) to (f), the authority shall obtain an agreement from the developer or other benefited owner of the property. The agreement shall provide that upon the benefited owner's sale or transfer of the property the authority shall be paid in an amount determined under clause (b) and that this obligation is secured by an interest in the property. The interest in the property shall consist of either a right of co-ownership or a lien or mortgage against the property and may be subordinate to other interests in the property. For purposes of this subdivision, "property" means property the construction, acquisition or improvement of which is financed in whole or part with the proceeds of a loan upon which the interest payments are reduced under an interest reduction program.

(b)(i) Upon transfer or sale of the property the amount required to be paid to the authority under clause (a) shall equal at least

(A) the sale price of the property, less

(B) the down payment, any payments of principal, other payments made to construct, acquire or improve the property and any outstanding liens or mortgages securing loans, advances, or goods and services provided for the construction, acquisition or improvement of the property, less

(C) the amount, if any, which the authority determines should be allowed for the developer or other benefited property owner as a return on the developer's or other benefited property owner's investment in the property, multiplied by

(D) a fraction, the numerator of which is the interest reduction payments made by the authority and the denominator of which is the total of the downpayment, all principal and interest payments including any portion paid by the authority, and other payments made to construct, acquire or improve the property. In the case of a transfer, other than an arms-length sale, an appraisal shall be substituted for the sale price.

(ii) If the interest reduction payments are made for a bond issue, or other obligation, the proceeds of which are lent to five or more purchasers of separate housing units, the fraction under clause (b)(i)(D) may be determined on the basis of an estimate of the aggregate factors for all the borrowers of the proceeds, of the bonds or other obligations participating in the interest reduction program.

The provisions of this subdivision shall not apply to interest reduction assistance provided for construction period interest for housing units which are to be sold upon completion to purchasers who intend at the time of purchase to occupy the housing units as their principal place of residence.

Sec. 9. Minnesota Statutes 1980, Section 462.445, is amended by adding a subdivision to read:

Subd. 13. [INTEREST REDUCTION PROGRAM.] The authority to authorize payment of interest reduction assistance pursuant to sections 6 to 8 of this act shall expire on January 1, 1986. Interest reduction assistance payments authorized prior to January 1, 1986 may be paid after January 1, 1986."

The expenditures of public funds authorized by this act are determined to be necessary governmental actions, particularly under present conditions of uncertain and limited energy supplies, increasing costs for gas and oil, and difficulty and delay in the increase of energy supplies from all sources due to environmental concerns.

Provisions for the operation and financing of the program shall be made by and pursuant to resolutions adopted by the city council. The powers granted by this act are supplemental, and the procedures authorized for exercising them are alternative to those provided in other law.

Sec. 2. [DEFINITION.]

“Residential energy conservation improvement” means the following devices, methods, and materials, if recommended by an approved energy audit and having a maximum cost of \$3,000, which increase the efficiency of residential use of energy:

[PAYMENTS.] (a) The city may contract with each homeowner for payment of the cost in cash upon completion of the project, with payment secured by deposit in advance of an amount equal to at least 90 percent of the contract price, or by a written commitment by a bank or other approved financial institution to loan the full amount of the contract price to the homeowner. The homeowner, the financial institution and the city, may agree to any convenient method of repayment.

(b) The city may accept payment by a promissory note in a principal amount equal to the contract price, repayable in equal periodic installments, including both principal and interest on the declining principal balance. Provisions may be agreed upon to permit or restrict prepayment.

(c) The city may specially assess the benefited property in the manner provided in Minnesota Statutes, Chapter 429.

Debts for improvements are a first and prior lien on the property improved as provided in Minnesota Statutes, Section 514.67. If not paid when due they shall be entered upon the tax rolls and collected with and as a part of the taxes on the property, with the same interest and penalties.

In the case of qualifying expenditures incurred in connection with a building under construction by a contractor, the credit shall be deducted from the tax liability of the first individual to purchase the building for use as a principal residence or for residential rental purposes; the contractor shall not be eligible for the credit given pursuant to this subdivision for that expenditure.

A "renewable energy source expenditure" which qualifies shall include:

A solar collector is a device designed to absorb incident solar radiation, convert it to thermal energy, and transfer the thermal energy to a fluid passing through or in contact with the device. "Solar collector" shall not include passive solar energy systems as defined in clause (d);

(b) Expenditures for earth sheltered dwelling units. For purposes of this credit, an "earth sheltered dwelling unit" shall mean a structure which complies with applicable building standards and which is constructed so that:

(1) 80 percent or more of the roof area is covered with a minimum depth of 12 inches of earth; and

(2) 50 percent or more of the wall area is covered with a minimum depth of 12 inches of earth; and

(3) Those portions of the structure not insulated with a minimum of seven feet of earth shall have additional insulation;

(c) Expenditures for biomass conversion equipment located in Minnesota which produces ethanol, methane or methanol for use as a gaseous or as a liquid fuel which is not offered for sale; and

(d) Expenditures for passive solar energy systems. For purposes of this credit, a "passive solar energy system" is defined to include systems which utilize elements of the building and its operable components to heat or cool a building with the sun's energy by means of conduction, convection, radiation, or evaporation. A passive system shall include:

(1) Collection aperture, including glazing installed in south facing walls and roofs; and

(2) Storage element, including thermal mass in the form of water, masonry, rock, concrete, or other mediums which is designed to store heat collected from solar radiation.

A passive system may include either or both:

(1) Control and distribution element, including fans, louvers, and air ducts; or

(2) Retention element, including movable insulation used to minimize heat loss caused by nocturnal radiation through areas used for direct solar heat gain during daylight hours.

Eligible passive expenditures shall be for equipment, materials or devices that are an integral part of the components listed above and essential to the functioning of a passive design which qualifies pursuant to rules adopted by the commissioner of revenue in cooperation with the commissioner of energy, planning and development. Expenditures for equipment, materials, or devices which are a part of the normal heating, cooling, or insulation system of a building are not eligible for the credit.

If a credit was allowed to a taxpayer under this subdivision for any prior taxable year, the dollar amount of the maximum expenditure for which a taxpayer may qualify for a credit under this subdivision in subsequent years shall be \$10,000 reduced by the amount of expenditures which a credit was claimed pursuant to this subdivision in prior years. A taxpayer shall never be allowed to claim more than \$10,000 of expenditures during the duration of the renewable energy credit.

The credit provided in this subdivision shall not be allowed in a taxable year if the amount of the credit would be less than \$10.

If the credit allowable under this subdivision exceeds the amount of tax due in a taxable year, the excess credit shall not be refunded but may be carried forward to the succeeding taxable year and added to the credit allowable for that year. No amount may be carried forward to a taxable year beginning after December 31, (1984) 1987.

A shareholder in a family farm corporation and each partner in a partnership operating a family farm shall be eligible for the credit provided by this subdivision in the same manner and to the same extent allowed a joint owner of property under section 44C (d) of the Internal Revenue Code of 1954, as amended through December 31, (1980) 1981. "Family farm corporation" and "family farm" have the meanings given in section 500.24.

The credit provided in this subdivision is subject to the provisions of Section 44C, (c) (7) and (10), (d) (1) to (3), and (e),

of the Internal Revenue Code of 1954, as amended through December 31, (1980) 1981, and any regulations promulgated pursuant thereto.

The commissioner of revenue in cooperation with the commissioner of energy, planning and development shall adopt rules establishing additional qualifications and definitions for the credits provided in this subdivision.

Notwithstanding section 290.61, the commissioner of revenue may request the commissioner of energy, planning and development to assist in the review and auditing of the information furnished by the taxpayer for purposes of claiming this credit. The provisions of section 290.61 shall apply to employees of the department of energy, planning and development who receive information furnished by a taxpayer for purposes of claiming this credit.

The commissioner of energy, planning and development shall adopt rules establishing the criteria for certification of solar collectors as required by clause (a). The criteria shall:

- (1) Specify the testing procedures to be used in the evaluation of solar collectors;
- (2) Establish minimum levels of collector quality for safety;
- (3) Provide a means to determine the maintainability and structural integrity of solar collectors;
- (4) Establish a system for evaluating and rating the thermal performance of solar collectors;
- (5) Specify the procedures to follow to obtain certification of a solar collector;
- (6) Conform to the maximum extent practicable to the solar collector certification requirements of other states which have adopted certification procedures; and
- (7) Allow for individual variation so as not to hamper the development of innovative solar collectors.

The commissioner of energy, planning and development may adopt temporary rules pursuant to section 15.0412, subdivision 5 to establish this certification procedure.

This subdivision is effective for expenditures made during taxable years beginning after December 31, 1978 and before January 1, (1983) 1986.

ARTICLE III

Section 1. [290.521] [ACTION TO ENJOIN INCOME TAX RETURN PREPARERS.]

Subdivision 1. [AUTHORITY TO SEEK INJUNCTION.] A civil action in the name of the state of Minnesota to enjoin any person who is an income tax return preparer doing business in this state from further engaging in any conduct described in subdivision 2 or from further acting as an income tax return preparer may be commenced at the request of the commissioner of revenue. Any action under this section shall be brought by the attorney general in the district court for the judicial district in which the income tax return preparer resides or has his principal place of business, or in which the taxpayer with respect to whose income tax return the action is brought resides. The court may exercise its jurisdiction over the action separate and apart from any other action brought by the state of Minnesota against the income tax return preparer or any taxpayer.

Subd. 2. [ADJUDICATION AND DECREES.] In any action under subdivision 1, if the court finds:

(a) that an income tax return preparer has:

(2) misrepresented his eligibility to practice before the department of revenue, or otherwise misrepresented his experience or education as an income tax return preparer,

(3) guaranteed the payment of any tax refund or the allowance of any tax credit, or

(4) engaged in any other fraudulent or deceptive conduct which substantially interferes with the proper administration of the provisions of this chapter, and

(b) that injunctive relief is appropriate to prevent the recurrence of such conduct,

the court may enjoin the person from further engaging in such conduct. If the court finds that an income tax return preparer has continually or repeatedly engaged in any conduct described in clauses (1) through (4) of clause (a) of this subdivision, and that an injunction prohibiting such conduct would not be sufficient to prevent the person's interference with the proper administration of this chapter, the court may enjoin the person from acting as an income tax return preparer. The court may not under this section enjoin the employer of an income tax return preparer for conduct described in clauses (1) through (4) of clause (a) of this subdivision engaged in by one or more of the employer's employees unless the employer was also actively involved in such conduct.

Subd. 3. [INCOME TAX RETURN PREPARER DEFINED.] For purposes of this section and section 2, the term

“income tax return preparer” means any person who prepares for compensation, or who employs one or more persons to prepare for compensation, any return of tax imposed by this chapter, or any claim for refund of tax imposed by this chapter. A person shall not be an income tax return preparer merely because the person:

Sec. 2. [290.523] [UNDERSTATEMENT OF TAXPAYER'S LIABILITY BY INCOME TAX RETURN PREPARER.]

Subdivision 1. [WILFUL UNDERSTATEMENT OF LIABILITY.] If any part of any understatement of liability with respect to any return or claim for refund is due to a wilful attempt in any manner to understate the liability for a tax by a person who is an income tax return preparer with respect to the return or claim, the person shall pay to the commissioner a penalty of \$500 with respect to the return or claim. This penalty shall be considered to be an income tax liability and may be assessed at any time as provided in section 290.49, subdivision 6. In any proceeding involving the issue of whether or not an income tax return preparer has wilfully attempted in any manner to understate the liability for tax, the burden of proof in respect of the issue shall be upon the commissioner, and the return of the taxpayer may be disclosed to the income tax return preparer notwithstanding section 290.61.

Subd. 2. [UNDERSTATEMENT OF LIABILITY DEFINED.] For purposes of this section, the term “understatement of liability” means any understatement of the net amount payable with respect to any tax imposed by this chapter, or any overstatement of the net amount creditable or refundable with respect to any such tax. The determination of whether or not there is an understatement of liability shall be made without regard to any administrative or judicial action involving the taxpayer.

Sec. 3. [290A.111] [ACTION TO ENJOIN PROPERTY TAX REFUND RETURN PREPARERS.]

Subdivision 1. [AUTHORITY TO SEEK INJUNCTION.] *A civil action in the name of the state of Minnesota may be commenced in the same manner and pursuant to the same authority as provided in section 1, subdivision 1, to enjoin any person who is a property tax refund return preparer doing business in this state from further engaging in any conduct described in subdivision 2 or from further acting as a property tax refund return preparer.*

(2) misrepresented his eligibility to practice before the department of revenue, or otherwise misrepresented his experience or education as a property tax refund return preparer,

(3) guaranteed the payment of any property tax refund or the allowance of any property tax refund credit against income tax,

(4) engaged in any other fraudulent or deceptive conduct which substantially interferes with the proper administration of the provisions of this chapter,

the court may decree appropriate injunctive relief pursuant to the authority granted in section 1, subdivision 2.

Subd. 3. [PROPERTY TAX REFUND RETURN PREPARER DEFINED.] *For purposes of this section and section 4, the term "property tax refund return preparer" shall have the same meaning as the term "income tax return preparer" as defined in section 1, subdivision 3, to the extent that the definition applies to the preparation of a claim for relief under this chapter.*

Sec. 4. [290A.112] [OVERSTATEMENT OF TAXPAYER'S CLAIM BY PROPERTY TAX REFUND RETURN PREPARER.]

Subdivision 1. [WILFUL OVERSTATEMENT OF CLAIM.] *If any part of an excessive claim with respect to any property tax refund return is due to a wilful attempt in any manner to overstate the claim for relief allowed under this chapter by a person who is a property tax refund return preparer with respect to the return, the person shall pay to the commissioner a penalty of \$500 with respect to the return. This penalty shall be considered to be an income tax liability and may be assessed at any time*

as provided in section 290.49, subdivision 6. In any proceeding involving the issue of whether or not a property tax refund return preparer has wilfully attempted in any manner to overstate the property tax refund claim, the burden of proof in respect of the issue shall be upon the commissioner and the claim of the claimant may be disclosed to the property tax refund return preparer notwithstanding section 290A.17.

Subd. 2. [OVERSTATEMENT OF CLAIM DEFINED.] For purposes of this section, the term "overstatement of claim" means any overstatement of the net amount refundable, or the net amount creditable against income tax, with respect to any claim for property tax relief provided by this chapter. The determination of whether or not there is an overstatement of a claim shall be made without regard to any administrative or judicial action involving the claimant.

Sec. 5. [EFFECTIVE DATE.]

Sections 1 to 4 apply to documents prepared after December 31, 1982.

If after the close of the taxable year there is a final determination under renegotiation, (THE DIFFERENCE BETWEEN (1)) the amount determined by the renegotiation to be (a) excess profits, (b) excess fees under a fixed fee contract with the United States, or any agency thereof, or (c) the amount of any item for which the taxpayer has been reimbursed but which is disallowed as an item of cost chargeable to a fixed fee contract, (AND (2) THE AMOUNT OF FEDERAL INCOME AND EXCESS PROFITS TAXES APPLICABLE THERETO,) shall be allowed as a deduction from gross income in the taxable year in which said final determination is made, but only to the extent that such renegotiated profits, fees or amounts were included in the taxable net income in a prior year. If the taxable net income for the taxable year in which said final determination is made is less than said deduction, the taxpayer shall be entitled to a refund of the state income tax which it has paid on the difference between said deduction and said taxable income. The certificate of the agency or instrumentality of the United States conducting such renegotiation proceedings shall be evidence of the amount of the renegotiated profit and of the date thereof.

Sec. 11. Minnesota Statutes 1980, Section 290.079, Subdivision 1, is amended to read:

of the Internal Revenue Code of 1954, as amended through December 31, 1981, applies (WHICH BEARS THE SAME RATIO TO THE AMOUNT OF SUCH PAYMENT AS THE TOTAL UNSTATED INTEREST UNDER SUCH CONTRACT BEARS TO THE TOTAL OF THE PAYMENTS TO WHICH THIS SECTION APPLIED WHICH ARE DUE UNDER SUCH CONTRACT).

Sec. 12. Minnesota Statutes 1981 Supplement, Section 290.-081, is amended to read:

290.081 [INCOME OF NONRESIDENTS, RECIPROCITY.]

(a) The compensation received for the performance of personal or professional services within this state by an individual who resides and has his place of abode and place to which he customarily returns at least once a month in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of his residence; provided that such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein, or

(b) Whenever a nonresident taxpayer has become liable for income taxes to the state where he resides upon his net income for the taxable year derived from the performance of personal or professional services within this state and subject to taxation under this chapter, there shall be allowed as a credit against the amount of income tax payable by him under this chapter, such proportion of the tax so paid by him to the state where he resides as his gross income subject to taxation under this chapter bears to his entire gross income upon which the tax so paid to such other state was imposed; provided, that such credit shall be allowed only if the laws of such state grant a substantially similar credit to residents of this state subject to income tax under such laws, or

(c) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net income to another state or a province or territory of Canada upon, if the taxpayer is an individual, any income, or if it is a corporation, estate, or trust, upon income derived from the performance of personal or professional services within such other state or province or territory of Canada and subject to taxation under this chapter he or it shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state or province or territory of Canada bears to his entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state or province or territory of Canada on the gross income earned within such other state or province or

territory of Canada and subject to taxation under this chapter, and (2) that such credit shall not be allowed if such other state or province or territory of Canada allows residents of this state a credit against the taxes imposed by such state or province or territory of Canada for taxes payable under this chapter substantially similar to the credit provided for by paragraph (b) of this section, and (3) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state or province or territory of Canada had been excluded in computing net income under this chapter.

(d) The commissioner shall by regulation determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply.

(e) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state or province or territory of Canada on income earned within the taxable year for which the credit is claimed, provided that such tax is actually paid in that taxable year, or subsequent taxable years.

For purposes of clause (c), where a Minnesota resident reported an item of income to Minnesota and is assessed tax in another state or a province or territory of Canada on that same item of income after the Minnesota statute of limitations has expired, the taxpayer shall be allowed to receive a credit for that year based on clause (c), notwithstanding the provisions of sections 290.49, 290.50, and 290.56. For purposes of the preceding sentence, the burden of proof shall be on the taxpayer to show that he is entitled to a credit.

(f) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1977. The commissioner of revenue is authorized to enter into agreements with the state of Wisconsin specifying the reciprocity payment due date, conditions constituting delinquency, interest rates, and a method for computing interest due on any delinquent amounts.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chairman. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Notwithstanding the provisions of section 290.61, the commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that he will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

Minnesota gross income shall include the amount of foreign tax paid which

had been allowed as a deduction in a previous year, provided such foreign tax is later allowed as a credit against federal income tax.

Taxes imposed upon a shareholder's interest in a corporation which are paid by the corporation without reimbursement from the shareholder shall be deductible only by such corporation.

Property taxes shall be allowed as a deduction to the same taxpayer and in the same manner as provided in section 164 of the Internal Revenue Code of 1954, as amended through December 31, 1981, notwithstanding the provisions of section 272.31.

In the case of a husband and wife, the standard deduction shall not be allowed to either if the net income of one of the spouses is determined without regard to the standard deduction.

(b) For each taxable year beginning after December 31, 1980, the maximum amount of the standard deduction shall be adjusted for inflation in the same manner as provided in section 290.06, subdivision 2d, for the expansion of the taxable net income brackets. (IF THE PRODUCT EXCEEDS A WHOLE DOLLAR AMOUNT, IT SHALL BE ROUNDED TO THE NEAREST DOLLAR.)

(c) The commissioner of revenue may establish a standard deduction tax table incorporating the rates set forth in section 290.06, subdivision 2c, and the standard deduction. The tax of any individual taxpayer whose adjusted gross income is less than \$20,000 shall, if an election is made not to itemize nonbusiness deductions, be computed in accordance with tables prepared and issued by the commissioner of revenue. The tables shall be prepared to reflect the allowance of the standard deduction and the personal and dependent credits.

SUCH ELECTION, IF MADE, MUST BE FOR THE TOTAL AMOUNT OF SUCH PORTION OF THE EXPENDITURES WHICH IS SO CHARGEABLE TO CAPITAL ACCOUNT, AND SHALL BE BINDING FOR ALL SUBSEQUENT TAXABLE YEARS UNLESS, UPON APPLICATION BY THE TAXPAYER, THE COMMISSIONER PERMITS A REVOCATION OF SUCH ELECTION SUBJECT TO SUCH CONDITIONS AS HE DEEMS NECESSARY) *shall be treated in the same manner as the taxpayer has elected under the provisions of section 173 of the Internal Revenue Code of 1954, as amended through December 31, 1981.*

Sec. 17. Minnesota Statutes 1981 Supplement, Section 290.091, as amended by Laws 1981, Third Special Session Chapter 2, Article III, Section 9, is amended to read:

290.091 [MINIMUM TAX ON PREFERENCE ITEMS.]

In addition to all other taxes imposed by this chapter there is hereby imposed, a tax which, in the case of a resident individual, shall be equal to 40 percent of the amount of the taxpayer's minimum tax liability for tax preference items pursuant to the provisions of sections 55 to 58 and 443(d) of the Internal Revenue Code of 1954 as amended through December 31, 1980 (EXCEPT THAT). For purposes of the tax imposed by this section, *the following modifications shall be made:*

(1) Capital gain as defined in section 57(a) of the Internal Revenue Code shall not include that portion of any gain occasioned by sale, transfer or the granting of a perpetual easement pursuant to any eminent domain proceeding or threat thereof as described in section 290.13, subdivision 5. This modification shall apply to the years in which the gain or reduction in loss is actually included in federal adjusted gross income even though amounts received pursuant to the eminent domain proceedings were received in prior years.

(2) *In the case of a corporate taxpayer, percentage depletion shall not be a preference item.*

(3) *In the case of a corporate taxpayer, the capital gain preference item shall not include the timber preference income defined in section 57(e)(1) of the Internal Revenue Code.*

(4) *The preference item of reserves for losses on bad debts shall not include reserves allowable under section 593 of the Internal Revenue Code, but which are not allowable under section 290.09, subdivision 6, clause (c).*

(5) *In the case of an individual, the preference item of adjusted itemized deductions does not include any deduction for charitable contributions in excess of the limitations contained in section 290.21, subdivision 3, including any carryover amount allowed for federal purposes.*

(6) *The capital gain preference item shall be reduced where the gain would be modified because some or all of the assets have a higher basis for Minnesota purposes than for federal purposes.*

(7) *In the case of a nonresident individual, or an estate or trust, with a net operating loss that is a larger amount for Minnesota than for federal, the capital gain preference item*

shall be reduced to the extent it was reduced in the allowance of the net operating loss.

In the case of a (RESIDENT) *nonresident* individual, (HAVING PREFERENCE ITEMS WHICH COULD NOT BE TAKEN TO REDUCE INCOME FROM SOURCES OUTSIDE THE STATE PURSUANT TO SECTION 290.17, SUBDIVISION 1,) *estate, or trust or any (OTHER) corporate taxpayer* the tax shall equal 40 percent of that federal liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference item income allocated to this state pursuant to the provisions of sections 290.17 to 290.20, and the denominator of which is the taxpayer's total preference item income for federal purposes.

The tax benefit rule contained in section 58(h) of the Internal Revenue Code is applied to the Minnesota minimum tax only to the extent that it determines if there is a federal minimum tax. No separate tax benefit rule is allowable for the Minnesota minimum tax.

Sec. 18. Minnesota Statutes 1980, Section 290.095, Subdivision 4, is amended to read:

Subd. 4. [COMPUTATION AND MODIFICATIONS.] The following modifications shall be made in computing a net operating loss in any taxable year and also in computing the taxable net income for any taxable year before a net operating loss deduction shall be allowed:

(a) (DEDUCTIONS OTHERWISE ALLOWABLE IN COMPUTING TAXABLE NET INCOME, BUT WHICH ARE NOT ATTRIBUTABLE TO THE OPERATION OF A TRADE OR BUSINESS REGULARLY CARRIED ON BY THE TAXPAYER, SHALL BE ALLOWED ONLY TO THE EXTENT OF THE AMOUNT OF THE GROSS INCOME, NOT DERIVED FROM SUCH TRADE OR BUSINESS, INCLUDED IN COMPUTING SUCH TAXPAYER'S TAXABLE NET INCOME.)

((B) THERE SHALL BE INCLUDED IN COMPUTING THE GROSS INCOME USED IN COMPUTING TAXABLE NET INCOME THE AMOUNT OF THE INTEREST, EXCLUDABLE FROM GROSS INCOME UNDER SECTION 290.08, THAT WOULD BE TREATED AS ASSIGNABLE TO THIS STATE, DECREASED BY THE AMOUNT OF INTEREST PAID OR ACCRUED TO PURCHASE OR CARRY THE INVESTMENTS EARNING SUCH INTEREST TO THE EXTENT THAT SUCH INTEREST WOULD NOT HAVE BEEN DEDUCTIBLE IN COMPUTING THE TAXPAYER'S TAXABLE NET INCOME.)

((C)) No deduction shall be allowed for or with respect to losses connected with income producing activities if the income

therefrom would not be required to be either assignable to this state or included in computing the taxpayer's taxable net income.

((D)) (b) A net operating loss deduction shall not be allowed.

((E)) (c) The amount deductible on account of losses from sales or exchanges of capital assets shall not exceed the amount includible on account of gains from sales or exchanges of capital assets. The deduction for long-term capital gains provided by section 290.16, subdivision 4, shall not be allowed.

((F)) (d) Renegotiation of profits for a prior taxable year under the renegotiation laws of the United States of America, including renegotiation of the profits with a subcontractor, shall not enter into the computation.

((G)) (e) Federal income and excess profits taxes shall not be allowed as a deduction.

Sec. 19. Minnesota Statutes 1981 Supplement, Section 290.095, Subdivision 11, is amended to read:

Subd. 11. [CARRYBACK OR CARRYOVER ADJUSTMENTS.] (a) For individuals the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal adjusted gross income. For estates and trusts the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal taxable income.

(b) The following adjustments to the amount of the net operating loss that may be carried back or carried over must be made for:

(1) Nonassignable income or losses as required by section 290.17, subdivision 2.

(2) Losses which constitute tax preference items as required in section 290.17, subdivision 1.

(3) Modifications required because of the restrictions on farm losses as provided in section 290.09, subdivision 29.

(4) Adjustments to the determination of federal adjusted gross income that must be made because of changes in the Internal Revenue Code that have not yet been adopted by the legislature by updating the reference to the Internal Revenue Code contained in section 290.01, subdivision 20.

(5) Modifications to income (AND LOSS) contained in federal adjusted gross income according to the provisions of section 290.01, subdivision 20, clause (c).

(6) Gains or losses which result from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes subject to the limitations contained in section 290.01, subdivision 20, clause (b) (2) and (4).

(7) Interest, taxes, and other expenses not allowed under section 290.10, (CLAUSES) *clause* (9) (AND (10)) or section 290.101.

(c) (1) The net operating loss carryback or carryover applied as a deduction in the taxable year to which the net operating loss is carried back or carried over shall be equal to the net operating loss carryback or carryover applied in the taxable year in arriving at federal adjusted gross income (or federal taxable income for trusts and estates) subject to the modifications contained in clause (b) and to the following modifications:

(A) Increase the amount of carryback or carryover applied in the taxable year by the amount of losses and interest, taxes and other expenses not assignable or allowable to Minnesota incurred in the taxable year.

(B) Decrease the amount of carryback or carryover applied in the taxable year by the amount of income not assignable to Minnesota earned in the taxable year and the amount of federal jobs credit or WIN credit earned in the taxable year.

(C) A taxpayer who is not a resident of Minnesota during any part of the taxable year and who has no income assignable to Minnesota during the taxable year shall apply no net operating loss carryback or carryover in the taxable year.

(2) The provisions of section 172(b) of the Internal Revenue Code of 1954 as amended through December 31, 1980 (relating to carrybacks and carryovers) shall apply. The net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in clause (c) (1) less the amount applied in the earlier taxable year(s). No additional net operating loss carryback or carryover shall be allowed if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. A net operating loss carryback or carryover that was allowed to offset federal income in a year earlier than was possible on the Minnesota return shall still be allowed to offset Minnesota income but only if the loss was assignable to Minnesota in the year the loss occurred.

(d) A net operating loss shall be allowed to be carried back or carried forward only to the extent that loss was assignable to Minnesota in the year the loss occurred or in the year to which the loss was carried over, whichever would allow more of the loss to be allowed for Minnesota purposes.

(e) If a taxpayer has a net operating loss for federal purposes and the provisions of the farm loss limitation as provided in section 290.09, subdivision 29 apply, the limitations applying to the farm losses that are carried back or carried over are applied first and the net operating loss that is carried back or carried over is limited to the excess, if any, that the net operating loss exceeds the farm loss limitation.

any expenses attributable to earning such income, shall not be deductible in computing net income.

(11) Amounts paid or accrued for such taxes and carrying charges as, under regulations prescribed by the commissioner, are chargeable to capital account with respect to property, if the taxpayer elects, in accordance with such regulations, to treat such taxes or charges as so chargeable.

Sec. 26. Minnesota Statutes 1981 Supplement, Section 290.14, is amended to read:

290.14 [GAIN OR LOSS ON DISPOSITION OF PROPERTY, BASIS.]

Except as otherwise provided in this chapter, the basis for determining the gain or loss from the sale or other disposition of property acquired on or after January 1, 1933, shall be the cost to the taxpayer of such property, with the following exceptions:

(1) If the property should have been included in the last inventory, it shall be the last inventory value thereof;

(2) If the property was acquired by gift, it shall be the same as it would be if it were being sold or otherwise disposed of by the last preceding owner not acquiring it by gift; if the facts required for this determination cannot be ascertained, it shall be the fair market value as of the date, or approximate date, of acquisition by the last preceding owner, as nearly as the requisite facts can be ascertained by the commissioner;

(3) If the property was acquired by gift through an *inter vivos* transfer in trust, it shall be the same as it would be if it were being sold or otherwise disposed of by the grantor;

(4) Except as otherwise provided in this clause, the basis of property in the hands of a person acquiring the property from a decedent or to whom the property passed from a decedent shall, if not sold, exchanged or otherwise disposed of before the decedent's death by the person, be the fair market value of the property at the date of decedent's death or, in the case of an election under section 2032 (relating to alternate valuation) of the Internal Revenue Code of 1954, as amended through December 31, 1980, its valuation at the applicable valuation date prescribed by that section, or in the case of an election under section 2032A (relating to valuation of farm real property) of the Internal Revenue Code of 1954, as amended through December 31, 1980, its value determined by that section.

For the purposes of the preceding paragraph, the following property shall be considered to have been acquired from or to have passed from the decedent:

(a) Property acquired by bequest, devise, or inheritance, or by the decedent's estate from the decedent;

(b) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent, with the right reserved to the decedent at all times before his death to revoke the trust;

(c) Property transferred by the decedent during his lifetime in trust to pay the income for life to or on the order or direction of the decedent with the right reserved to the decedent at all times before his death to make any change in the enjoyment thereof through the exercise of a power to alter, amend, or terminate the trust;

(d) Property passing without full and adequate consideration under a general power of appointment exercised by the decedent by will;

(e) In the case of a decedent's dying after December 31, 1956, property acquired from the decedent by reason of death, form of ownership, or other conditions (including property acquired through the exercise or non-exercise of a power of appointment), if by reason thereof the property is required to be included in determining the value of the decedent's gross estate for Minnesota inheritance or estate tax purposes. In this case, if the property is acquired before the death of the decedent, the basis shall be the amount determined under the first paragraph of this clause reduced by the amount allowed to the taxpayer as deductions in computing taxable net income under this chapter or prior Minnesota income tax laws for exhaustion, wear and tear, obsolescence, amortization, and depletion on the property before the death of the decedent. The basis shall be applicable to the property commencing on the death of the decedent. This paragraph shall not apply to annuities and property described in paragraphs (a), (b), (c) and (d) of this clause.

This clause shall not apply to property which constitutes a right to receive an item of income in respect of a decedent under section 290.077.

(5) (IF THE PROPERTY WAS ACQUIRED AFTER DECEMBER 31, 1932, UPON AN EXCHANGE DESCRIBED IN SECTION 290.13, SUBDIVISION 1, THE BASIS SHALL BE THE SAME AS IN THE CASE OF THE PROPERTY EXCHANGED, DECREASED IN THE AMOUNT OF ANY MONEY RECEIVED BY THE TAXPAYER AND INCREASED IN THE AMOUNT OF GAIN OR DECREASED IN THE AMOUNT OF LOSS TO THE TAXPAYER THAT WAS RECOGNIZED UPON THE EXCHANGE UNDER THE LAW APPLICABLE TO THE YEAR IN WHICH THE EXCHANGE WAS MADE. IF THE PROPERTY SO ACQUIRED CONSISTED IN PART OF THE TYPE OF PROPERTY PERMITTED BY SECTION 290.13, SUBDIVISION 1, TO BE RECEIVED WITHOUT THE RECOGNITION OF GAIN OR LOSS, AND IN PART OF OTHER PROPERTY, THE BASIS PROVIDED IN THIS CLAUSE SHALL BE ALLOCATED BETWEEN THE PROPERTIES, OTHER THAN MONEY, RECEIVED, AND FOR THE PURPOSE OF THE ALLOCATION THERE SHALL BE ASSIGNED TO THE OTHER PROPERTY AN AMOUNT EQUIVALENT TO ITS FAIR MARKET VALUE AT THE

DATE OF THE EXCHANGE. THIS CLAUSE SHALL NOT APPLY TO PROPERTY ACQUIRED BY A CORPORATION BY THE ISSUANCE OF ITS STOCK OR SECURITIES AS THE CONSIDERATION, IN WHOLE OR IN PART, FOR THE TRANSFER OF THE PROPERTY TO IT;)

((6)) If substantially identical property was acquired in the place of stocks or securities which were sold or disposed of and in respect of which loss was not allowed as a deduction under section 290.09, subdivision 5, the basis in the case of property so acquired shall be the same as (IN THE CASE OF THE STOCK OR SECURITIES SO SOLD OR DISPOSED OF, INCREASED BY THE EXCESS OF THE REPURCHASE PRICE OF THE PROPERTY OVER THE SALE PRICE OF THE STOCK OR SECURITIES, OR DECREASED BY THE EXCESS OF THE SALE PRICE OF THE STOCK OR SECURITIES OVER THE REPURCHASE PRICE OF THE PROPERTY;) *that provided in section 1091 of the Internal Revenue Code of 1954, as amended through December 31, 1981.*

((7)) (6) Neither the basis nor the adjusted basis of any portion of real property shall, in the case of a lessor of the property, be increased or diminished on account of income derived by the lessor in respect of the property and excludable from gross income under section 290.08, subdivision 14.

If an amount representing any part of the value of real property attributable to buildings erected or other improvements made by a lessee in respect of the property was included in gross income of the lessor for any taxable year beginning before January 1, 1943, the basis of each portion of the property shall be properly adjusted for the amount included in gross income.

((8)) (7) If the property was acquired by the taxpayer as a transfer of property in exchange for the release of the taxpayer's marital rights, the basis of the property shall be the same as it would be if it were being sold or otherwise disposed of by the person who transferred the property to the taxpayer.

((9)) (8) The basis of property subject to the provisions of section 1034 of the Internal Revenue Code of 1954, as amended through December 31, 1979 (relating to the rollover of gain on sale of principal residence) shall be the same as the basis for federal income tax purposes. The basis shall be increased by the amount of gain realized on the sale of a principal residence outside of Minnesota, while a nonresident of this state, which gain was not recognized because of the provisions of section 1034.

Sec. 27. Minnesota Statutes 1981 Supplement, Section 290.18, Subdivision 1, is amended to read:

Subdivision 1. [TAXABLE NET INCOME.] The taxable net income shall, except insofar as section 290.19 is applicable, be computed by deducting from the gross income assignable to this state under section 290.17 deductions of the kind permitted by section 290.09 in accordance with the following provisions:

(1) Such deductions shall be allowed to the extent that they are connected with and allocable against the production or receipt of such gross income assignable to this state;

(2) That proportion of such deductions, so far as not connected with and allocable against the production or receipt of such gross income assignable to this state and so far as not connected with and allocable against the production or receipt of gross income assignable to other states or countries and so far as not entering into the computation of the net income assignable to this state under section 290.19, shall be allowed which the taxpayer's gross income from sources within this state, as determined under section 290.17, subdivision 2, clauses (1), (2), (3), (5), and (7), bears to his gross income from all sources, including that entering into the computations provided for by section 290.19; provided that taxes of the kind deductible under section 290.09, subdivision 4, shall, so far as within the description of deductions deductible under this clause, be deductible in their entirety if paid to the state of Minnesota, or any of its subdivisions authorized to impose such taxes, and thereupon be excluded in making the computation of deductions, as in this clause provided.

Sec. 28. Minnesota Statutes 1981 Supplement, Section 290.18, Subdivision 2, is amended to read:

Subd. 2. [FEDERAL INCOME TAX PAYMENTS AND REFUNDS.] The adjusted gross income shall be computed by deducting from the gross income assignable to this state under section 290.17, the deduction for allowable federal income taxes determined under the provisions of sections 290.09, subdivision 4, 290.10 (8), (9) or (10), and 290.18.

This deduction shall be allowed to individuals, estates, or trusts (i) for taxable years beginning after December 31, 1980 in the taxable year to which the liability applies. Such liability includes the portion of self-employment tax allowed under section 290.10, clause (8). The self-employment tax must be deducted by the person who is deriving the income. When the federal tax liability is joint and several under the computation of a joint federal return of husband and wife, the federal tax liability must be split between the spouses in the same ratio that the federal adjusted gross income of that spouse bears to the total federal adjusted gross income. *For purposes of the preceding sentence, "federal adjusted gross income" includes the ordinary income portion of a lump sum distribution as de-*

fined in section 402(e) of the Internal Revenue Code of 1954, as amended through December 31, 1981.

(ii) taxes paid for a taxable year beginning before January 1, 1981 shall be allowed as follows:

(1) Those taxes paid in a taxable year beginning before January 1, 1981, shall be claimed in the year in which the payment was made.

(2) Those paid in a taxable year beginning after December 31, 1980 shall be divided and deducted in equal installments reflected by the yearly periods beginning with the first day of the taxable year in which the payment was made and ending December 31, 1986.

(iii) In the case of a person who was self employed during all or a portion of the taxable year, the federal income tax liability for purposes of this section shall be increased by the self-employment tax allowed under section 290.10, clause (8).

(iv) If a taxpayer's federal tax liability is eventually not paid by reason of compromise, discharge, or court order, the deduction allowed pursuant to this subdivision shall be disallowed for the taxable year in which the liability was accrued.

(v) In the event a federal tax liability for a taxable year commencing after December 31, 1980 is increased, decreased or modified, and such increase, decrease or modification has resulted in a change in the amount of Minnesota income tax in the year to which such increase, decrease or modification is attributable, the taxpayer's deduction under this section shall be modified for such year.

(vi) If the readjustments required in (iv) or (v) are for taxes reflected in the transition rule described in (ii)(2), the readjustment shall be made equally to the remaining installments and if a reduction to such installments is required under this readjustment which exceeds the total of all remaining installments, the remaining installments will be reduced to zero and the excess included in income as a federal income tax refund.

(1) If the business consists of the mining, producing, smelting, refining, or any combination of these activities of copper and nickel ores, or of the manufacture of personal property and the sale of said property within and without the state, the remainder shall be apportioned to Minnesota on the basis of the percentage obtained by taking the arithmetical average of the following three percentages:

(a) The percentage which the sales made within this state is of the total sales wherever made;

(b) The percentage which the total tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in this state during the tax period in connection with such trade or business is of the total tangible property, real, personal, or mixed, wherever located, owned or rented and, used by the taxpayer in connection with such trade or business during the tax period; and,

(1) The percentage which the sales, gross earnings, or receipts from business operations, in whole or in part, within this

state bear to the total sales, gross earnings, or receipts from business operations wherever conducted;

(2) The percentage which the total tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in this state during the tax period in connection with such trade or business is of the total tangible property, real, personal, or mixed, wherever located, owned, or rented, and used by the taxpayer in connection with such trade or business during the tax period; and

(b) If the methods prescribed under clause (2) (a) will not properly reflect taxable net income assignable to the state, there may be used, if practicable and if such use will properly and fairly reflect such income, the percentage which the sales, gross earnings, or receipts from business operations, in whole or in part, within this state bear to the total sales, gross earnings, or receipts from business operations wherever conducted; or the separate or segregated accounting method;

(3) The sales, payrolls, earnings, and receipts referred to in this section shall be those for the taxable year in respect of which the tax is being computed. When under this chapter a taxpayer is permitted or required to make a return for a fractional part of a year, the tax shall be computed in the same manner as if such fractional part of a year were an entire year, except:

(1) When a taxpayer is permitted to change the basis for reporting his income from a fiscal to a calendar year, he shall make a separate return for the period between the close of his last fiscal year and the following December thirty-first; if the change is from a calendar to a fiscal year, a separate return shall be made for the period between the close of his last calendar year

and the date designated as the close of the fiscal year; and if the change is from one fiscal year to another fiscal year, a separate return shall be made for the period between the close of the former fiscal year and the date designated as the close of the new fiscal year. The taxable net income, *for corporations the taxable net income as reduced by the deductions contained in section 290.21*, for any such period shall be put on an annual basis by multiplying the amount thereof by 12 and dividing by the number of months included in the period for which such separate return is made; and the tax shall be that part of a tax, computed on the taxable net income put on such annual basis (**LESS THE DEDUCTION AGAINST THAT TAXABLE NET INCOME UNDER THE PROVISIONS OF SECTION 290.21**), which the number of months in such period bears to 12 months.

(2) Where any of the enumerated changes in accounting period referred to in clause (1) involve a 52-53 week fiscal year and any such change results in a short period of less than seven days, such short period shall be added to and deemed a part of the following taxable year. If the change results in a short period of seven or more days, but less than 359 days, the taxable net income, *for corporations the taxable net income as reduced by the deductions contained in section 290.21*, for any such period shall be placed on an annual basis by multiplying such income by 365 and dividing the result by the same number of days in the short period; and the tax shall be that part of a tax, computed on the taxable net income placed on such annual basis (**LESS THE DEDUCTION AGAINST THAT TAXABLE NET INCOME UNDER THE PROVISIONS OF SECTION 290.21**), which the number of days in such short period bears to 365 days. Where the short period is 359 days or more, the tax shall be computed in the same manner as if such short period were an entire year.

Sec. 38. Minnesota Statutes 1980, Section 290.36, is amended to read:

290.36 [INVESTMENT COMPANIES; REPORT OF NET INCOME; COMPUTATION OF AMOUNT OF INCOME ALLOCABLE TO STATE.]

The taxable net income of investment companies shall be computed and be exclusively as follows:

Each investment company transacting business as such in this state shall report to the commissioner the net income returned by the company for the taxable year to the United States under the provisions of the Internal Revenue Code of 1954, as amended through December 31, 1979, less the credits provided therein (**OR THE NET INCOME THAT SUCH COMPANY WOULD BE REQUIRED TO RETURN UNDER SUCH ACT LESS SUCH CREDITS, IF SUCH ACT WERE IN EFFECT**). The commissioner shall compute therefrom the taxable net income

of the investment company by assigning to this state that proportion of such net income, less such credits which the aggregate of the gross payments collected by the company during the taxable year from old and new business upon investment contracts issued by the company and held by residents of this state, bears to the total amount of the gross payments collected during such year by the company from such business upon investment contracts issued by the company and held by persons residing within the state and elsewhere.

As used in this section, the term "investment company" means any person, co-partnership, association, or corporation, whether local or foreign, coming within the purview of section 54.26, and who or which is registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 and following), and who or which solicits or receives payments to be made to himself or itself and which issues therefor, or has issued therefor and has or shall have outstanding so-called bonds, shares, coupons, certificates of membership, or other evidences of obligation or agreement or pretended agreement to return to the holders or owners thereof money or anything of value at some future date; and as to whom the gross payments received during the taxable year in question upon outstanding investment contracts, plus interest and dividends earned on investment contracts determined by prorating the total dividends and interest for the taxable year in question in the same proportion that certificate reserves as defined by the Investment Company Act of 1940 is to total assets, shall be at least 50 percent of the company's gross payments upon investment contracts plus gross income from all other sources except dividends from subsidiaries for the taxable year in question. The term "investment contract" shall mean any such so-called bonds, shares, coupons, certificates of membership, or other evidences of obligation or agreement or pretended agreement issued by an investment company.

The trustee or other fiduciary of property held in trust shall file a return with respect to the taxable net income of such trust if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed, or if the gross income of such trust exceeds \$750, if in either case such trust belongs to the class of taxable persons.

Every corporation shall file a return. The return in this case shall be signed by an officer of the corporation.

The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer shall file a return with respect to the taxable net income of such taxpayer if that exceeds an amount on which a tax at the rates herein provided would exceed the specific credits allowed.

((B)) A LEGAL HOLIDAY, SUCH RETURN FILED ON THE NEXT SUCCEEDING BUSINESS DAY SHALL BE CONSIDERED TO BE TIMELY FILED, EXCEPT, THAT FOR THE PURPOSE OF THIS PARAGRAPH, SATURDAY SHALL NOT BE CONSIDERED TO BE A BUSINESS DAY.)

The suspension of the statute of limitations under this subdivision shall apply to the person against whom the petition in bankruptcy is filed and all other persons who may also be wholly or partially liable for the tax under this chapter.

THE COMMISSIONER MAY BY REGULATION REQUIRE THE FILING OF A STATEMENT OR AFFIDAVIT OR OTHER PROOF, AT THE TIME THE RETURN OR TAX IS DUE OR OTHER ACT IS REQUIRED TO BE DONE, STATING THE FACT OF INABILITY TO COMPLY WITH THE REQUIREMENTS OF LAW BECAUSE OF SERVICE IN THE ARMED FORCES OF THE UNITED STATES OR THE UNITED NATIONS).

Sec. 50. Minnesota Statutes 1980, Section 290.91, is amended to read:

290.91 [DESTRUCTION OF RETURNS.]

The commissioner of revenue is hereby authorized to destroy all (INCOME) tax returns, *required under this chapter or chapter 290A*, including audit reports, orders and correspondence relating thereto, which have been on file in his office for a period (OF FIVE YEARS OR MORE) *to be determined by the commissioner*. The commissioner may, in his discretion, make copies of such returns, orders or correspondence by microfilm, photostat or other similar means and may immediately destroy the original documents from which such copies have been made. Such copies, when certified to by the commissioner, shall be admissible in evidence in the same manner and be given the same effect as the original documents destroyed.

The commissioner may, in his discretion, destroy correspondence and documents contained in the files of the division which do not relate specifically to any (INCOME) tax return.

Notwithstanding the above provisions (or the provisions of section 290.61 or 290A.17) the commissioner may, utilizing such safeguards as he in his discretion deems necessary, (1) employ a commercial photographer for the purpose of developing microfilm of returns or other documents, or (2) employ a vendor for the purpose of obtaining the vendor's services an example of which is the preparation of income tax return labels.

Sec. 51. Minnesota Statutes 1981, Supplement, Section 290.-92, Subdivision 2a, is amended to read:

Subd. 2a. [COLLECTION AT SOURCE.] (1) [DEDUCTIONS.] Every employer making payment of wages shall deduct and withhold upon such wages a tax as provided in this section.

(2) [WITHHOLDING ON PAYROLL PERIOD.] The employer shall withhold the tax on the basis of each payroll period or as otherwise provided in this section.

(3) [WITHHOLDING TABLES.] Unless the amount of tax to be withheld is determined as provided in subdivision 3, the amount of tax to be withheld for each individual shall be based upon tables to be prepared and distributed by the commissioner. The tables shall be computed for the several permissible withholding periods and shall take account of exemptions allowed under this section; and the amounts computed for withholding shall be such that the amount withheld for any individual during his taxable year shall approximate in the aggregate as closely as possible the tax which is levied and imposed under this chapter for that taxable year, upon his salary, wages, or compensation for personal services of any kind for the employer, and shall take into consideration the allowable deduction for federal income tax and the deduction allowable under section 290.09, subdivision 15, and the *personal credits allowed* against the tax (ALLOWABLE UNDER THE MINNESOTA INCOME TAX ACT).

(4) [MISCELLANEOUS PAYROLL PERIOD.] If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which such wages are paid.

(5) [MISCELLANEOUS PAYROLL PERIOD.] (a) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of such wages by such employer during the calendar year, or the date of commencement of employment with such employer during such year, or January 1 of such year, whichever is the later.

(b) In any case in which the period, or the time described in clause (a), in respect of any wages is less than one week, the commissioner, under regulations prescribed by him, may authorize an employer to determine the amount to be deducted and withheld under the tables applicable in the case of a weekly payroll period, in which case the aggregate of the wages paid to the employee during the calendar week shall be considered the weekly wages.

(6) [WAGES COMPUTED TO NEAREST DOLLAR.] If the wages exceed the highest bracket, in determining the amount to be deducted and withheld under this subdivision, the wages

may, at the election of the employer, be computed to the nearest dollar.

(7) [REGULATIONS ON WITHHOLDING.] The commissioner may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to such employee during such quarter as if the appropriate average of the wages so estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to such employee during such quarter such amount as may be necessary to adjust the amount actually deducted and withheld upon wages of such employee during such quarter to the amount required to be deducted and withheld during such quarter without regard to this paragraph (7).

(8) [ADDITIONAL WITHHOLDING.] The commissioner is authorized to provide by (REGULATION, UNDER SUCH CONDITIONS AND TO SUCH EXTENT AS HE DEEMS PROPER, FOR WITHHOLDING IN ADDITION TO THAT OTHERWISE REQUIRED UNDER THIS SUBDIVISION AND SUBDIVISION 3 IN CASES IN WHICH THE EMPLOYER AND THE EMPLOYEE AGREE TO SUCH ADDITIONAL WITHHOLDING) *rule for increases or decreases in the amount of withholding otherwise required under this section in cases where the employee requests the changes.* Such additional withholding shall for all purposes be considered tax required to be deducted and withheld under this section.

(9) [TIPS.] In the case of tips which constitute wages, this subdivision shall be applicable only to such tips as are included in a written statement furnished to the employer pursuant to section 6053 of the Internal Revenue Code of 1954, as amended through December 31, 1980, and only to the extent that the tax can be deducted and withheld by the employer, at or after the time such statement is so furnished and before the close of the calendar year in which such statement is furnished, from such wages of the employee (excluding tips, but including funds turned over by the employee to the employer for the purpose of such deduction and withholding) as are under the control of the employer; and an employer who is furnished by an employee a written statement of tips (received in a calendar month) pursuant to section 6053 of the Internal Revenue Code of 1954 as amended through December 31, 1980 to which subdivision 1 is applicable may deduct and withhold the tax with respect to such tips from any wages of the employee (excluding tips) under his control, even though at the time such statement is furnished the total amount of the tips included in statements furnished to the employer as having been received by the employee in such calendar month in the course of his employment by such em-

ployer is less than \$20. Such tax shall not at any time be deducted and withheld in an amount which exceeds the aggregate of such wages and funds as are under the control of the employer minus any tax required by other provisions of state or federal law to be collected from such wages and funds.

Sec. 52. Minnesota Statutes 1981 Supplement, Section 290.92, Subdivision 5, is amended to read:

Subd. 5. [EXEMPTIONS.] (1) [ENTITLEMENT.] An employee receiving wages shall on any day be entitled to claim withholding exemptions equal to the same number as the personal credits that he is entitled to claim under the provisions of section 290.06, subdivision 3f, (not including those credits that the taxpayer's spouse may claim).

(2) [WITHHOLDING EXEMPTION CERTIFICATE.] (EVERY EMPLOYEE SHALL BEFORE THE DATE OF COMMENCEMENT OF EMPLOYMENT FURNISH HIS EMPLOYER WITH A SIGNED WITHHOLDING EXEMPTION CERTIFICATE RELATING TO THE NUMBER OF WITHHOLDING EXEMPTIONS WHICH HE CLAIMS, WHICH SHALL IN NO EVENT EXCEED THE NUMBER TO WHICH HE IS ENTITLED.)

((3) [EFFECTIVE DATE OF EXEMPTION CERTIFICATE.] WITHHOLDING EXEMPTION CERTIFICATES SHALL TAKE EFFECT AS OF THE BEGINNING OF THE FIRST PAYROLL PERIOD ENDING, OR THE FIRST PAYMENT OF WAGES MADE WITHOUT REGARD TO A PAYROLL PERIOD, ON OR AFTER THE DATE ON WHICH SUCH CERTIFICATE IS SO FURNISHED.)

((4) [NEW EXEMPTION CERTIFICATE.] A WITHHOLDING EXEMPTION CERTIFICATE WHICH TAKES EFFECT UNDER THIS SUBDIVISION SHALL CONTINUE IN EFFECT WITH RESPECT TO THE EMPLOYER UNTIL ANOTHER SUCH CERTIFICATE TAKES EFFECT UNDER THIS SUBDIVISION. IF A WITHHOLDING EXEMPTION CERTIFICATE IS FURNISHED TO TAKE THE PLACE OF AN EXISTING CERTIFICATE, THE EMPLOYER, AT HIS OPTION, MAY CONTINUE THE OLD CERTIFICATE IN FORCE WITH RESPECT TO ALL WAGES PAID ON OR BEFORE THE FIRST STATUS DETERMINATION DATE, JANUARY 1, MAY 1, JULY 1, OR OCTOBER 1, WHICH OCCURS AT LEAST 30 DAYS AFTER THE DATE ON WHICH SUCH NEW CERTIFICATE IS FURNISHED.)

((5) [CHANGE OF NUMBER TO REFLECT NEXT TAX YEAR.] IF, ON ANY DAY DURING THE CALENDAR YEAR, THE NUMBER OF WITHHOLDING EXEMPTIONS TO WHICH THE EMPLOYEE MAY REASONABLY BE EXPECTED TO BE ENTITLED AT THE BEGINNING OF HIS

NEXT TAXABLE YEAR IS DIFFERENT FROM THE NUMBER TO WHICH THE EMPLOYEE IS ENTITLED ON SUCH DAY, THE EMPLOYEE SHALL IN SUCH CASES AND AT SUCH TIMES AS THE COMMISSIONER MAY PRESCRIBE, FURNISH THE EMPLOYER WITH A WITHHOLDING EXEMPTION CERTIFICATE RELATING TO THE NUMBER OF EXEMPTIONS WHICH HE CLAIMS WITH RESPECT TO SUCH NEXT TAXABLE YEAR, WHICH SHALL IN NO EVENT EXCEED THE NUMBER TO WHICH HE MAY REASONABLY BE EXPECTED TO BE SO ENTITLED. EXEMPTION CERTIFICATES ISSUED PURSUANT TO THIS PARAGRAPH SHALL NOT TAKE EFFECT WITH RESPECT TO ANY PAYMENT OF WAGES MADE IN THE CALENDAR YEAR IN WHICH THE CERTIFICATE IS FURNISHED.)

((6) [CHANGE OF NUMBER.] IF, ON ANY DAY DURING THE CALENDAR YEAR, THE NUMBER OF WITHHOLDING EXEMPTIONS TO WHICH THE EMPLOYEE IS ENTITLED IS LESS THAN THE NUMBER OF WITHHOLDING EXEMPTIONS CLAIMED BY THE EMPLOYEE ON THE WITHHOLDING EXEMPTION CERTIFICATE THEN IN EFFECT WITH RESPECT TO HIM, THE EMPLOYEE SHALL, WITHIN TEN DAYS THEREAFTER, FURNISH THE EMPLOYER WITH A NEW WITHHOLDING EXEMPTION CERTIFICATE RELATING TO THE NUMBER OF WITHHOLDING EXEMPTIONS WHICH THE EMPLOYEE THEN CLAIMS, WHICH SHALL IN NO EVENT EXCEED THE NUMBER TO WHICH HE IS ENTITLED ON SUCH DAY. IF, ON ANY DAY DURING THE CALENDAR YEAR, THE NUMBER OF WITHHOLDING EXEMPTIONS TO WHICH THE EMPLOYEE IS ENTITLED IS GREATER THAN THE NUMBER OF WITHHOLDING EXEMPTIONS CLAIMED, THE EMPLOYEE MAY FURNISH THE EMPLOYER WITH A NEW WITHHOLDING EXEMPTION CERTIFICATE RELATING TO THE NUMBER OF WITHHOLDING EXEMPTIONS WHICH THE EMPLOYEE THEN CLAIMS, WHICH SHALL IN NO EVENT EXCEED THE NUMBER TO WHICH HE IS ENTITLED ON SUCH DAY.)

The provisions concerning exemption certificates contained in section 3402(f)(2) and (3) of the Internal Revenue Code of 1954, as amended through December 31, 1981, shall apply.

((7) (3) [FORM OF CERTIFICATE.] Withholding exemption certificates shall be in such form and contain such information as the commissioner may by regulation prescribe.

((8) (4) [NUMBER MAY BE SAME AS THAT FOR FEDERAL PURPOSES.] Notwithstanding the provisions of this subdivision, an employee may elect to claim a number not to exceed the (SAME) number of withholding exemptions that the employee claims and which are allowable for federal withholding purposes.

Sec. 53. Minnesota Statutes 1981 Supplement, Section 290.92, Subdivision 5a, is amended to read:

Subd. 5a. [VERIFICATION OF WITHHOLDING EXEMPTIONS; APPEAL.] (1) An employer shall submit to the commissioner a copy of any withholding exemption certificate received from an employee on which the employee claims any of the following:

(a) a total number of withholding exemptions in excess of (NINE) *14 or a number prescribed by the commissioner, or*

(b) a status that would exempt the employee from Minnesota withholding, (UNLESS) *including where* the employee is a non-resident exempt from withholding under subdivision 4a, clause (3), or the employer reasonably expects, at the time that the certificate is received, that the employee's wages under subdivision 1 from the employer will not then usually exceed \$200 per week, or

(c) any number of withholding exemptions which the employer has reason to believe is in excess of the number to which the employee is entitled.

(2) Copies of exemption certificates required to be submitted by clause (1) shall be submitted to the commissioner within 30 days after receipt by the employer unless the employer is also required by federal law to submit copies to the Internal Revenue Service, in which case the employer may elect to submit the copies to the commissioner at the same time that he is required to submit them to the Internal Revenue Service.

(3) An employer who submits a copy of a withholding exemption certificate in accordance with clause (1) shall honor the certificate until notified by the commissioner that the certificate is invalid. The commissioner shall mail a copy of any such notice to the employee. Upon notification that a particular certificate is invalid, the employer shall not honor that certificate or any subsequent certificate unless instructed to do so by the commissioner. The employer shall allow the employee the number of exemptions and compute the withholding tax as instructed by the commissioner in accordance with clause (4).

(4) The commissioner may require an employee to verify that he or she is entitled to the number of exemptions or to the exempt status claimed on the withholding exemption certificate or, that he or she is a nonresident. The employee shall be allowed at least 30 days to submit the verification, after which time the commissioner shall, on the basis of the best information available to him, determine the employee's status and allow the employee the maximum number of withholding exemptions allowable under this chapter. The commissioner shall mail a notice of this determination to the employee at the address listed on the

exemption certificate in question. Notwithstanding the provisions of section 290.61, the commissioner may notify the employer of this determination and instruct the employer to withhold tax in accordance with the determination.

(5) The commissioner's determination under clause (4) shall be appealable to tax court in accordance with section 271.06, and shall remain in effect for withholding tax purposes pending disposition of any appeal.

Sec. 54. Minnesota Statutes 1981 Supplement, Section 290.92, Subdivision 6, is amended to read:

Subd. 6. [RETURNS, DEPOSITS.] (1) (a) [RETURNS.] Every employer who is required to deduct and withhold tax under subdivision 2a or 3 shall file a return with the commissioner for each quarterly period, on or before the last day of the month following the close of each quarterly period, unless otherwise prescribed by the commissioner. Any tax required to be deducted and withheld during the quarterly period shall be paid with the return unless an earlier time for payment is provided herein. However, any such return may be filed on or before the tenth day of the second calendar month following such period if such return shows timely deposits in full payment of such taxes due for such period. For the purpose of the preceding sentence, a deposit which is not required to be made within such return period, may be made on or before the last day of the first calendar month following the close of such period. Every employer, in preparing said quarterly return, shall take credit for monthly deposits previously made in accordance with this subdivision.

The return shall be in the form and contain the information prescribed by the commissioner. The commissioner may grant a reasonable extension of time for filing the return and paying the tax, but no extension shall be granted for more than six months.

(b) [ADVANCE DEPOSITS REQUIRED IN CERTAIN CASES.] (i) Unless clause (ii) is applicable, if during any calendar month, other than the last month of the calendar quarter, the aggregate amount of the tax withheld during that quarter under subdivision 2a or 3 exceeds \$200, or beginning January 1, 1982, \$500, the employer shall deposit the aggregate amount with the commissioner within 15 days after the close of the calendar month. (ii) If at the close of any eighth-monthly period the aggregate amount of undeposited taxes is \$3,000 or more, the employer shall deposit the undeposited taxes with the commissioner within three banking days after the close of the eighth-monthly period. For purposes of this subparagraph, the term "eighth-monthly period" means the first three days of a calendar month, the fourth day through the seventh day of a calendar month, the eighth day through the 11th day of a

calendar month, the 12th day through the 15th day of a calendar month, the 16th day through the 19th day of a calendar month, the 20th day through the 22nd day of a calendar month, the 23rd day through the 25th day of a calendar month, or the portion of a calendar month following the 25th day of such month.

(c) [OTHER METHODS.] The commissioner shall have the power by rule to prescribe other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify employers according to the amount of their tax liability and may adopt an appropriate reporting period for each class which he deems to be consistent with efficient tax collection. In no event shall the duration of the reporting period be more than one year, provided that for employers with annual withholding tax liabilities of less than \$1,200 the reporting period shall be no more frequent than quarterly.

(2) If less than the correct amount of such tax is paid to the commissioner, proper adjustments, with respect to both the tax and the amount to be deducted, shall be made, without interest, in such manner and at such times as the commissioner may prescribe. If such underpayment cannot be so adjusted the amount of the underpayment shall be assessed and collected in such manner and at such times as the commissioner may prescribe.

(3) If any employer fails to make and file any return required by paragraph (1) at the time prescribed therefor, or makes and files a false or fraudulent return, the commissioner shall make for him a return from his own knowledge and from such information as he can obtain through testimony, or otherwise, and assess a tax on the basis thereof. The amount of tax shown thereon shall be paid to the commissioner at such times as the commissioner may prescribe. Any such return or assessment so made by the commissioner shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto.

(4) If the commissioner, in any case, has reason to believe that the collection of the tax provided for in paragraph (1) of this subdivision, and any added penalties and interest, if any, will be jeopardized by delay, he may immediately assess such tax, whether or not the time otherwise prescribed by law for making and filing the return and paying such tax has expired.

(5) Any assessment under this subdivision shall be made by recording the liability of the employer in the office of the commissioner in accordance with regulations prescribed by the commissioner. Upon request of the employer, the commissioner shall furnish the employer a copy of the record of assessment.

(6) Any assessment of tax under this subdivision shall be made within three and one-half years after the due date of the return required by paragraph (1), or the date the return was filed, whichever is later; except that in the case of a false or fraudulent return or failure to file a return, the tax may be assessed at any time.

(7) (a) Except as provided in (b) of this paragraph, every employer who fails to pay to or deposit with the commissioner any sum or sums required by this section to be deducted, withheld and paid, shall be personally and individually liable to the state of Minnesota for such sum or sums (and any added penalties and interest); and any sum or sums deducted and withheld in accordance with the provisions of subdivision 2a or subdivision 3 shall be held to be a special fund in trust for the state of Minnesota.

(b) If the employer, in violation of the provision of this section, fails to deduct and withhold the tax under this section, and thereafter the taxes against which such tax may be credited are paid, the tax so required to be deducted and withheld shall not be collected from the employer; but this shall in no case relieve the employer from liability for any penalties and interest otherwise applicable in respect of such failure to deduct and withhold.

(8) Upon the failure of any employer to pay to or deposit with the commissioner within the time provided by paragraphs (1), (2) or (3) of this subdivision any tax required to be withheld in accordance with the provisions of subdivision 2a or subdivision 3, or if the commissioner has assessed a tax pursuant to paragraph (4), such tax shall become immediately due and payable, and the commissioner may deliver to the attorney general a certified statement of the tax, penalties and interest due from such employer. The statement shall also give the address of the employer owing such tax, the period for which the tax is due, the date of the delinquency, and such other information as may be required by the attorney general. It shall be the duty of the attorney general to institute legal action in the name of the state to recover the amount of such tax, penalties, interest and costs. The commissioner's certified statement to the attorney general shall for all purposes and in all courts be prima facie evidence of the facts therein stated and that the amount shown therein is due from the employer named in the statement. In event action is instituted as herein provided, the court shall, upon application of the attorney general, appoint a receiver of the property and business of the delinquent employer for the purpose of impounding the same as security for any judgment which has been or may be recovered. Any such action shall be brought within four years and three months after the due date of the return or deposit required by paragraph (1), or the date the return was filed, or deposit made whichever is later; except that in the case of failure to make and file such return or if

such return is false or fraudulent, or such deposit is not made such action may be brought at any time.

(8a) The period of time during which a tax must be assessed or collection proceedings commenced under this subdivision shall be suspended during the period from the date of filing of a petition in bankruptcy until 30 days after the commissioner of revenue receives notice that the bankruptcy proceedings have been closed or dismissed or the automatic stay has been terminated or has expired.

The suspension of the statute of limitations under this subdivision shall apply to the person against whom the petition in bankruptcy is filed and all other persons who may also be wholly or partially liable for the tax under this chapter.

(9) The tax required to be withheld under subdivision 2a or subdivision 3 or paid to, or deposited with the commissioner under this subdivision, together with penalties, interest and costs, shall become a lien upon all of the real property of the employer within this state, except his homestead, from and after the filing by the commissioner of a notice of such lien in the offices of the county recorder of the county in which such real property is situated.

(10) Either party to an action for the recovery of any tax, interest or penalties under this subdivision may remove the judgment to the supreme court by appeal, as provided for appeals in civil cases.

(11) No suit shall lie to enjoin the assessment or collection of any tax imposed by this section, or the interest and penalties added thereto.

(12) When any tax is due and payable as provided in paragraph (8) the commissioner may issue his warrant to the sheriff of any county of the state commanding him to levy upon and sell the real and personal property of the employer and to levy upon the rights to property of the employer within the county and to return such warrant to the commissioner and pay to him the money collected by virtue thereof by a time to be therein specified, not less than 60 days from the date of the warrant. The sheriff shall proceed thereunder to levy upon and seize any property of the employer and to levy upon the rights to property of the employer within his county, except the homestead and household goods of the employer and property of the employer not liable to attachment, garnishment, or sale on any final process issued from any court under the provisions of section 550.37, and shall sell so much thereof as is required to satisfy such taxes, interest, and penalties, together with his costs; but such sales shall, as to their manner, be governed by the laws applicable to sales of like property on execution issued against property upon

a judgment of a court of record. The proceeds of such sales, less the sheriff's costs, shall be turned over to the commissioner, who shall retain such part thereof as is required to satisfy the tax, interest, penalties and costs, and pay over any balance to the taxpayer. Any action taken by the commissioner pursuant to this subdivision shall not constitute an election by the state to pursue a remedy to the exclusion of any other remedy providing for the collection of taxes required to be withheld by employers.

Sec. 55. Minnesota Statutes 1980, Section 290.92, Subdivision 13, is amended to read:

Subd. 13. [REFUNDS.] (1) Where the amount of the tax withheld at the source under subdivision 2a or subdivision 3 exceeds by \$1 or more the taxes (and any added penalties and interest) reported in the return of the employee taxpayer or imposed upon him by this chapter, the amount of such excess shall be refunded to the employee taxpayer. If the amount of such excess is less than \$1 the commissioner shall not be required to refund that amount. Where any amount of such excess to be refunded exceeds \$10, such amount *on the original return* shall bear interest at the rate of six percent per annum, computed from 90 days after (a) the due date of the return of the employee taxpayer or (b) the date on which his return is filed, whichever is later, to the date the refund is paid to the taxpayer. Notwithstanding the provisions of section 290.50, written findings by the commissioner, notice by mail to the taxpayer, and certificate for refundment by the commissioner, shall not be necessary. The provisions of section 270.10, shall not be applicable.

(2) Any action of the commissioner in refunding the amount of such excess shall not constitute a determination of the correctness of the return of the employee taxpayer within the purview of section 290.46.

(3) The commissioner of finance shall cause any such refund of tax and interest, to be paid out of the general fund in accordance with the provisions of section 290.62, and so much of said fund as may be necessary is hereby appropriated for that purpose.

Sec. 56. Minnesota Statutes 1981 Supplement, Section 290.93, Subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT OF DECLARATION.]

(1) Every individual shall, at the time prescribed in subdivision 5 of this section, make and file with the commissioner a declaration of his estimated tax for the taxable year if

(a) The gross income (*for purposes of this subdivision and subdivision 5 as defined in section (290.01, SUBDIVISION 20)*

290.37, subdivision 1, clause (c)) for the taxable year can reasonably be expected to exceed the gross income amounts set forth in section 290.37, subdivision 1 pertaining to the requirements for making a return; and

(b) Such gross income can reasonably be expected to include more than \$500 from sources other than wages upon which a tax has been deducted and withheld under section 290.92, subdivision 2a or subdivision 3.

(2) If the individual is an infant or incompetent person, the declaration shall be made by his guardian.

(3) Notwithstanding the provisions of this section, no declaration is required if the estimated tax (as defined in subdivision 3) can reasonably be expected to be less than \$100.

Sec. 57. Minnesota Statutes 1980, Section 290.93, Subdivision 9, is amended to read:

Subd. 9. [OVERPAYMENT OF ESTIMATED TAX.] (1) Where the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of such installment payment, the overpayment shall be credited against the unpaid installments, if any. Where the total amount of the estimated tax payments plus (a) the total amount of tax withheld at the source under section 290.92, subdivision 2a or subdivision 3 (if any) and (b) and other payments (if any) exceeds by \$1 or more the taxes (and any added penalties and interest) reported in the return of the taxpayer or imposed upon him by this chapter, the amount of such excess shall be refunded to the taxpayer. If the amount of such excess is less than \$1 the commissioner shall not be required to refund that amount. Where any amount of such excess to be refunded exceeds \$10, such amount *on the original return* shall bear interest at the rate of six percent per annum, computed from 90 days after (a) the due date of the return of the taxpayer or (b) the date on which his return is filed, whichever is later, until the date the refund is paid to the taxpayer. Notwithstanding the provisions of section 290.50, written findings by the commissioner, notice by mail to the taxpayer, and certificate for refundment by the commissioner, shall not be necessary. The provisions of section 270.10, shall not be applicable.

(2) Any action of the commissioner in refunding the amount of such excess shall not constitute a determination of the correctness of the return of the taxpayer within the purview of section 290.46.

(3) The commissioner of finance shall cause any such refund of tax and interest to be paid out of the general fund in accordance with the provisions of section 290.62, and so much of said

fund as may be necessary is hereby appropriated for that purpose.

Sec. 58. Minnesota Statutes 1981 Supplement, Section 290.93, Subdivision 10, is amended to read:

Subd. 10. [UNDERPAYMENT OF ESTIMATED TAX.]

(1) In the case of any underpayment of estimated tax by an individual, except as provided in paragraph (4), there may be added to and become a part of the taxes imposed by this chapter, for the taxable year an amount determined at the rate specified in section 270.75 upon the amount of the underpayment for the period of the underpayment.

(2) For purposes of the preceding paragraph, the amount of underpayment shall be the excess of

(a) The amount of the installment which would be required to be paid if the estimated tax were equal to 80 percent ($66\frac{2}{3}$ percent in the case of farmers referred to in subdivision 5(2) of this section) of the taxes shown on the return for the taxable year or the taxes for such year if no return was filed, over

(b) The amount, if any, of the installment paid on or before the last day prescribed for such payment.

(3) The period of the underpayment shall run from the date the installment was required to be paid to whichever of the following dates is the earlier

(a) The 15th day of the fourth month following the close of the taxable year.

(b) With respect to any portion of the underpayment, the date on which such portion is paid. For purposes of this subparagraph, a payment of estimated tax on any installment date shall be considered a payment of any previous underpayment only to the extent such payment exceeds the amount of the installment determined under paragraph (2) (a) for such installment date.

(4) The addition to the tax with respect to any underpayment of any installment shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the lesser

(a) The total tax liability shown on the return of the individual for the preceding taxable year (if a return showing a

liability for such taxes was filed by the individual for the preceding taxable year of 12 months), or

(b) An amount equal to the tax computed, at the rates applicable to the taxable year, on the basis of the taxpayer's status with respect to the personal credits for the taxable year, but otherwise on the basis of the facts shown on his return for, and the law applicable to the preceding taxable year, or

(c) An amount equal to 80 percent (66 $\frac{2}{3}$ percent in the case of farmers referred to in subdivision 5(2) of this section) of the tax for the taxable year (after deducting personal credits) computed by placing on an annualized basis the taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. For purposes of this sub-paragraph, the taxable income shall be placed on an annualized basis by

(i) Multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid.

(ii) Dividing the resulting amount by the number of months in the taxable year ending before the month in which such installment date falls, or

(d) An amount equal to 90 percent of the tax computed, at the rates applicable to the taxable year, on the basis of the actual taxable income for the months in the taxable year ending before the month in which the installment is required to be paid.

(5) For the purposes of applying this subdivision, the estimated tax shall be computed without any reduction for the amount which the individual estimates as his credit under section 290.92, subdivision 12 (relating to tax withheld at source on wages), and the refundable credits contained in sections 290.06, subdivision 13, 290.067, 290.501, and chapter 290A which are allowed against income tax liability, and the amount of such (CREDIT) credits for the taxable year shall be deemed a payment of estimated tax, and an equal part of such (AMOUNT) amounts shall be deemed paid on each installment date (determined under subdivisions 6 and 7 of this section) for such taxable year, unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts so withheld shall be deemed payments of estimated tax on the dates on which such amounts were actually withheld.

Sec. 59. Minnesota Statutes 1980, Section 290.936, is amended to read:

290.936 [OVERPAYMENT OF ESTIMATED TAX.]

(1) Where the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of such installment payment, the overpayment shall be credited against the unpaid installments, if any. Where the total amount of the estimated tax payments and other payments, if any, exceeds by \$1 or more the taxes (and any added penalties and interest) reported in the return of the taxpayer or imposed upon him by this chapter, the amount of such excess shall be refunded to the taxpayer. If the amount of such excess is less than \$1, the commissioner shall not be required to refund. Where any amount of such excess to be refunded exceeds \$10, such amount *on the original return* shall bear interest at the rate of six percent per annum, computed from 90 days after (a) the due date of the return of the taxpayer or (b) the date on which his return is filed, whichever is later, until the date the refund is paid to the taxpayer. Notwithstanding the provisions of section 290.50, written findings by the commissioner, notice by mail to the taxpayer, and certificate for refundment by the commissioner, shall not be necessary. The provisions of section 270.10, shall not be applicable.

(2) Any action of the commissioner in refunding the amount of such excess shall not constitute a determination of the correctness of the return of the taxpayer within the purview of section 290.46.

(3) The commissioner of finance shall cause any such refund of tax and interest to be paid out of the general fund in accordance with the provisions of section 290.62, and so much of said fund as may be necessary is hereby appropriated for that purpose.

Subd. 5. [CREDIT ALLOWANCES.] The credits provided in sections 290.06 and 290.501 to which the corporation is entitled shall be allocated to the shareholders in the same percentage as the undistributed income was apportioned under section 1373(b) of the Internal Revenue Code of 1954, as amended through December 31, 1981. For homesteads which are mobile homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include 23 percent of gross rent paid in the preceding year for the site on which the homestead is located, exclusive of charges for utilities or services. There shall be added to the amount of any underpayment of estimated income tax, computed pursuant to chapter 290, an amount in lieu of interest determined at the rate of (20) 12 percent per annum (BEGINNING FEBRUARY 1, 1982). *For taxable years beginning after December 31, 1981, the amount in lieu of interest shall be determined at the rate of 20 percent per annum. For taxable years beginning after December 31, 1982, the amount in lieu of interest for that taxable year shall be the amount determined in subdivision 5 for January 1 on which begins the taxable year or precedes the beginning of the taxable year.*

Sec. 69. Minnesota Statutes 1981 Supplement, Section 270.75, Subdivision 5, as amended by Laws 1981, Third Special Session Chapter 2, Article III, Section 1, is amended to read:

Subd. 5. The rates of interest or amount in lieu of interest contained in subdivisions 1 to 4 shall be adjusted by the commissioner of revenue not later than October 15 of 1982 and any year thereafter if the adjusted prime rate charged by banks during September of that year, rounded to the nearest full percent, is at least a full percentage point more or less than the interest rate which is then in effect. The adjusted rate of interest or amount in lieu of interest shall be equal to the adjusted prime rate charged by banks, rounded to the nearest full percent, and shall become effective on January 1 of the immediately succeeding year *except as provided in subdivision 4*. For purposes of this subdivision, the term "adjusted prime rate charged by banks" means the average predominant prime rate quoted by commercial banks to large businesses, as determined by the Board of Governors of the Federal Reserve System.

For the payment to be treated as a lump sum distribution under this subdivision, the termination of the employer's business operation at that site must be reasonably likely to be permanent and to involve the discharge within a

period of one year of at least 75 percent of the persons employed by that employer at that site. *This subdivision shall not apply when the employer's business operation at that site is terminated because the business is sold to another person or corporation who will continue operations at that site and the individual is employed by the new person or corporation.* For the purposes of this subdivision, "severance pay" shall mean an amount received for the cancellation of an employment contract or a collectively bargained termination payment in the nature of a substitute for income which would have been earned for personal services to be rendered in the future.

The minimum distribution allowance provided in sections 402 (e) (1) (C) and (D) of the Internal Revenue Code of 1954, as amended through December 31, 1979, shall not apply to the computation allowed under this subdivision.

Subd. 3. [LIMITATION.] The credit for the taxable year shall not exceed \$300,000 or ten percent of the liability for tax, whichever is less. "Liability for tax" for purposes of this section means the tax imposed under this chapter for the taxable year reduced by the sum of the credits allowed under section 290.06, except the credit allowed under section 290.06, subdivision 13.

If the credit determined under subdivision 2 exceeds this limitation, the excess shall be a credit carryback to each of the three preceding taxable years and a credit carryover to each of the seven succeeding taxable years, provided the aggregate of the credit for the taxable year and any carryover and carryback credits shall not exceed \$300,000 or ten percent of the liability for tax, whichever is less. The entire amount of the excess unused credit for the taxable year shall be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried.

For the purposes of sections 290.46 to 290.50, if the claim for refund relates to an overpayment attributable to a research and experimental expenditure credit carryback under this subdivision, in lieu of the period of limitation prescribed in sections 290.46 and 290.50, the period of limitation shall be that period which ends with the expiration of the 15th day of the 46th month, or the 45th month, in the case of a corporation, following the end of the taxable year in which the research and experimental expenditure credit arises which results in the carryback. In any case in which a taxpayer is entitled to a refund in a carryback year due to the carryback of a research and experimental expenditure credit, interest shall be computed only from the end of the taxable year in which the credit arises.

Sec. 72. [INSTRUCTION TO REVISOR.]

In Minnesota Statutes 1982, Section 290.09, Subdivisions 5 and 6, the revisor of statutes shall substitute the phrase "this chapter" for the phrase "sections 290.12, 290.131 to 290.139, 290.14 and 290.15", wherever it is used in those subdivisions. ARTICLE V

Section 1. Minnesota Statutes 1981 Supplement, Section 298.75, is amended to read:

**298.75 [(GRAVEL) AGGREGATE MATERIAL REMOVAL;
PRODUCTION TAX.]**

Subdivision 1. [DEFINITIONS.] *Except as may otherwise be provided, the following words, when used in this section, shall have the meanings herein ascribed to them.*

(1) "Aggregate material" shall mean non-metallic natural mineral aggregate including, but not limited to sand, silica sand, gravel, building stone, crushed rock, limestone, and granite. Aggregate material shall not include dimension stone and dimension granite.

(2) "Person" shall mean any individual, firm, partnership, corporation, organization, trustee, association, or other entity.

(3) "Operator" shall mean any person engaged in the business of removing aggregate material from the surface or subsurface of the soil, for the purpose of sale, either directly or indirectly, through the use of the aggregate material in a marketable product or service.

(4) "Extraction site" shall mean a pit, quarry, or deposit containing aggregate material and any contiguous property to the pit, quarry, or deposit which is used by the operator for stockpiling the aggregate material.

Subd. 2. A county (MAY) shall impose upon every (PERSON, FIRM, CORPORATION OR ASSOCIATION, HEREAFTER REFERRED TO AS (") operator, (") engaged in the business of removing (GRAVEL) aggregate material for sale from (GRAVEL PITS) a pit, quarry, or (DEPOSITS) deposit, a production tax (IN AN AMOUNT NOT TO EXCEED) equal to ten cents per cubic yard or seven cents per ton of (GRAVEL) aggregate material removed. (FOR PURPOSES OF THIS SECTION, GRAVEL SHALL INCLUDE SAND AND LIMESTONE) The tax shall be imposed when the aggregate material is transported from the extraction site or sold, when in the case of storage the stockpile is within the state of Minnesota and the highways are not used for transporting the aggregate material.

In the event that the aggregate material is transported directly from the extraction site to a waterway, railway, or another mode of transportation other than a highway, road or street, the tax imposed by this section shall be apportioned equally between the county where the aggregate material is extracted and the county to which the aggregate material is originally transported. If that destination is not located in Minnesota, then the county where the aggregate material was extracted shall receive all of the proceeds of the tax.

Subd. (2) 3. By the 14th day following the last day of each calendar quarter (IN EACH COUNTY IN WHICH A TAX IS IMPOSED PURSUANT TO THIS SECTION OR ANY SPECIAL LAW), every operator shall make and file with the county auditor of the county in which the (GRAVEL) *aggregate material* is removed, a correct report under oath, in such form and containing such information as the auditor shall require relative to the quantity of (GRAVEL) *aggregate material* removed during the preceding calendar quarter. The report shall be accompanied by a remittance of the amount of tax due.

If any of the proceeds of the tax is to be apportioned as provided in subdivision 2, the operator shall also include on the report any relevant information concerning the amount of aggregate material transported, the tax and the county of destination. The county auditor shall notify his county treasurer of the amount of such tax and the county to which it is due. The county treasurer shall remit the tax to the appropriate county within 30 days.

Subd. (3) 4. If any operator fails to make the report required by subdivision (2) 3 or files an erroneous report, the county auditor shall, by the fifth working day after the date the report became due, determine the amount of tax due and notify the operator by registered mail of the amount of tax so determined. An operator may, within 30 days from the date of mailing the notice, file in the office of the county auditor a written statement of objections to the amount of taxes determined to be due. The statement of objections shall be deemed to be a petition within the meaning of chapter 278, and shall be governed by sections 278.02 to 278.13.

Subd. (4) 5. Failure to file the report shall result in a penalty of \$5 for each of the first 30 days, beginning on the 14th day after the date when the county auditor has sent notice to the (TAXPAYER) *operator* as provided in subdivision (3) 4, during which the report is overdue and no statement of objection has been filed. For each subsequent day during which the report is overdue and no statement of objection has been filed, a penalty of \$10 shall be assessed against the (PERSON) *operator* who is required to file the report. The penalties imposed by this subdivision shall be collected as part of the tax. If neither the report nor a statement of objection has been filed after more than 60 days have elapsed from the date when the notice was sent, the (PERSON) *operator* who is required to file the report is guilty of a misdemeanor.

Subd. (5) 6. It is a misdemeanor for any operator to remove (GRAVEL) *aggregate material* from a pit, quarry, or deposit unless all taxes due under this section for the *previous reporting period* have been paid or objections thereto have been filed pursuant to subdivision (3) 4.

Subd. (6) 7. All moneys collected as taxes under this section shall be deposited in the county treasury and credited as follows, for expenditure by the county board:

ARTICLE VI

Section 1. Minnesota Statutes 1981 Supplement, Section 290.17, Subdivision 2, is amended to read:

Subd. 2. [OTHER TAXPAYERS.] In the case of taxpayers not subject to the provisions of subdivision 1, items of gross income shall be assigned to this state or other states or countries in accordance with the following principles:

(1) (a) The entire income of all resident or domestic taxpayers from compensation for labor or personal services, or

from a business consisting principally of the performance of personal or professional services, shall be assigned to this state, and the income of nonresident taxpayers from such sources shall be assigned to this state if, and to the extent that, the labor or services are performed within it; all other income from such sources shall be treated as income from sources without this state (;).

(b) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner.

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athlete shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. The term "other substantial services" as used in this clause does not include practice time by an athlete. Any income assigned to Minnesota under the provisions of this clause for a nonresident athlete who is employed by an athletic team whose operations are not based in this state shall be excluded from income if the state or province in which the athletic team is based provides a similar income exclusion. If the state or province in which the athletic team's operations are based does not have an income tax on an individual's personal service income, it will be deemed that that state or province has a similar income exclusion. As used in the preceding sentence, the term "province" means a province of Canada.

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete not listed in clause (i) or who is an entertainer, for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(2) Income from the operation of a farm shall be assigned to this state if the farm is located within this state and to other states only if the farm is not located in this state. Income and gains received from tangible property not employed in the business of the recipient of such income or gains, and from tangible property employed in the business of such recipient if such business consists principally of the holding of such property and the collection of the income and gains therefrom, shall be assigned to this state if such property has a situs within it, and to other states only if it has no situs in this state. Income or gains from intangible personal property not employed in the business of the recipient of such income or gains, and from intangible personal property employed in the business of such recipient if such business consists principally of the holding of such property and the

collection of the income and gains therefrom, wherever held, whether in trust, or otherwise, shall be assigned to this state if the recipient thereof is domiciled within this state; income or gains from intangible personal property wherever held, whether in trust or otherwise shall be assigned to this state if the recipient of such income or gains is domiciled within this state, or if the grantor of any trust is domiciled within this state and such income or gains would be taxable to such grantor under section 290.28 or 290.29;

(3) Income derived from carrying on a trade or business, including in the case of a business owned by natural persons the income imputable to the owner for his services and the use of his property therein, shall be assigned to this state if the trade or business is conducted wholly within this state, and to other states if conducted wholly without this state. This provision shall not apply to business income subject to the provisions of clause (1);

(4) When a trade or business is carried on partly within and partly without this state, the entire income derived from such trade or business, including income from intangible property employed in such business and including, in the case of a business owned by natural persons, the income imputable to the owner for his services and the use of his property therein, shall be governed, except as otherwise provided in sections 290.35 and 290.36, by the provisions of section 290.19, notwithstanding any provisions of this section to the contrary. This shall not apply to business income subject to the provisions of clause (1). For the purposes of this clause, a trade or business located in Minnesota is carried on partly within and partly without this state if tangible personal property is sold by such trade or business and delivered or shipped to a purchaser located outside the state of Minnesota.

In determining whether or not intangible property is employed in a unitary business carried on partly within and partly without this state so that income derived therefrom is subject to apportionment under section 290.19 the following rules and guidelines shall apply.

(a) Intangible property is employed in a business if the business entity owning intangible property holds it as a means of furthering the business operation of which a part is located within the territorial confines of this state.

(b) Where a business operation conducted in Minnesota, is owned by a business entity which carries on business activity outside of the state different in kind from that conducted within this state, and such other business is conducted entirely outside the state, it will be presumed that the two business operations are unitary in nature, interrelated, connected and interdependent unless it can be shown to the contrary.

(5) In the case of a nonresident who is liable for payment of a penalty for having withdrawn funds from an individual housing account established pursuant to section 290.08, subdivision 25, the amount so withdrawn and for which a deduction was allowed shall be an item of income assignable to this state, and the penalty tax of ten percent shall remain an additional liability of that taxpayer.

(6) For purposes of this section, amounts received by a nonresident from the United States, its agencies or instrumentalities, the Federal Reserve Bank, the state of Minnesota or any of its political or governmental subdivisions, or a Minnesota volunteer fireman's relief association, by way of payment as a pension, public employee retirement benefit, or any combination thereof, or as a retirement or survivor's benefit made from a plan qualifying under section 401, 403, 404, 405, 408, 409 or 409A of the Internal Revenue Code of 1954, as amended through December 31, 1979, are not considered income derived from carrying on a trade or business or from performing personal or professional services in Minnesota, and are not taxable under this chapter.

(7) All other items of gross income shall be assigned to the taxpayer's domicile.

Sec. 2. Minnesota Statutes 1980, Section 290.19, Subdivision 1, is amended to read:

Subdivision 1. [COMPUTATION, BUSINESS CONDUCTED PARTLY WITHIN STATE; APPORTIONMENT.] The taxable net income from a trade or business carried on partly within and partly without this state shall be computed by deducting from the gross income of such business, wherever derived, deductions of the kind permitted by section 290.09, so far as connected with or allocable against the production or receipt of such income. The remaining net income shall be apportioned to Minnesota as follows:

(1) If the business consists of the mining, producing, smelting, refining, or any combination of these activities of copper and nickel ores, or of the manufacture of personal property and the sale of said property within and without the state, the remainder shall be apportioned to Minnesota on the basis of the percentage obtained by taking the arithmetical average of the following three percentages:

(a) The percentage which the sales made within this state is of the total sales wherever made;

(b) The percentage which the total tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in this state during the tax period in connection with such trade

or business is of the total tangible property, real, personal, or mixed, wherever located, owned or rented and, used by the taxpayer in connection with such trade or business during the tax period; and,

(c) The percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with such trade or business is of the taxpayer's total payrolls paid or incurred in connection with such entire trade or business;

(d) The percentage of such remainder to be assigned to this state shall not be in excess of the sum of the following percentages: 70 percent of the percentage determined under clause (1) (a), 15 percent of the percentage determined under clause (1) (b), and 15 percent of the percentage determined under clause (1) (c);

(2) (a) In all other cases the remainder shall be apportioned to Minnesota on the basis of the percentage obtained by taking the arithmetical average of the following three percentages:

(1) The percentage which the sales, gross earnings, or receipts from business operations, in whole or in part, within this state bear to the total sales, gross earnings, or receipts from business operations wherever conducted;

(2) The percentage which the total tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in this state during the tax period in connection with such trade or business is of the total tangible property, real, personal, or mixed, wherever located, owned, or rented, and used by the taxpayer in connection with such trade or business during the tax period; and

(3) The percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with such trade or business is of the taxpayer's total payrolls paid or incurred in connection with such entire trade or business;

(4) The percentage of such remainder to be assigned to this state shall not be in excess of the sum of the following percentages: 70 percent of the percentage determined under clause (2) (a) (1), 15 percent of the percentage determined under clause (2) (a) (2), and 15 percent of the percentage determined under clause (2) (a) (3);

(b) If the methods prescribed under clause (2) (a) will not properly reflect taxable net income assignable to the state, there may be used, if practicable and if such use will properly and fairly reflect such income, the percentage which the sales, gross earn-

ings, or receipts from business operations, in whole or in part, within this state bear to the total sales, gross earnings, or receipts from business operations wherever conducted; or the separate or segregated accounting method; or for athletic teams the commissioner may prescribe that all of the team's income is apportioned to the state in which the team's operation is based;

(3) The sales, payrolls, earnings, and receipts referred to in this section shall be those for the taxable year in respect of which the tax is being computed. The property referred to in this section shall be the average of the property owned or used by the taxpayer during the taxable year in respect of which the tax is being computed.

Sec. 3. Minnesota Statutes 1980, Section 290.92, Subdivision 4a, is amended to read:

Subd. 4a. [TAX WITHHELD FROM NONRESIDENTS.]
(1) [“WAGES” PAID TO NONRESIDENT EMPLOYEES.] For the purposes of this section: The term “wages” means all remuneration taxable under this chapter including all remuneration paid to a nonresident employee for services performed in this state.

(2) [“EMPLOYER”, “WAGES” AND “EMPLOYEE” CONCERNING NONRESIDENTS.] Notwithstanding any other provision of this section, under rules and regulations to be prescribed by the commissioner of revenue, for purposes of this section any person having control, receipt, custody, disposal or payment of compensation taxable under this chapter and earned by a nonresident for personal services, shall be deemed an employer, any compensation taxable under this chapter and earned by a nonresident for personal services shall be deemed wages, and a nonresident entitled to compensation taxable under this chapter and earned by him for personal services shall be deemed an employee.

When compensation for personal services is paid to a corporation in which all or substantially all of the shareholders are individual entertainers, performers or athletes who gave an entertainment or athletic performance in this state for which the compensation was paid, the compensation shall be deemed wages of the individual entertainers, performers or athletes and shall be subject to the provisions of this section. Advance payments of compensation for personal services to be performed in Minnesota shall be deemed wages and subject to the provisions of this section. The individual, and not the corporation, shall be subject to the Minnesota income tax as provided in this chapter on the compensation for personal services.

(3) [NONRESIDENTS, EMPLOYER'S DUTY.] The employer of any employee domiciled in a state with which Minnesota has reciprocity under section 290.081 is not required to with-

hold under this chapter from the wages earned by such employee in this state.

Sec. 4. Minnesota Statutes 1981 Supplement, Section 290.081, is amended to read:

290.081 [INCOME OF NONRESIDENTS, RECIPROCITY.]

(a) The compensation received for the performance of personal or professional services within this state by an individual who resides and has his place of abode and place to which he customarily returns at least once a month in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of his residence; provided that such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein, or

(b) Whenever a nonresident taxpayer has become liable for income taxes to the state where he resides upon his net income for the taxable year derived from the performance of personal or professional services within this state and subject to taxation under this chapter, there shall be allowed as a credit against the amount of income tax payable by him under this chapter, such proportion of the tax so paid by him to the state where he resides as his gross income subject to taxation under this chapter bears to his entire gross income upon which the tax so paid to such other state was imposed; provided, that such credit shall be allowed only if the laws of such state grant a substantially similar credit to residents of this state subject to income tax under such laws, or

(c) If any taxpayer who is a resident of this state, or a domestic corporation or corporation commercially domiciled therein, has become liable for taxes on or measured by net income to another state or a province or territory of Canada upon, if the taxpayer is an individual, *or if the taxpayer is an athletic team and all of the team's income is apportioned to Minnesota*, any income, or if it is a corporation, estate, or trust, upon income derived from the performance of personal or professional services within such other state or province or territory of Canada and subject to taxation under this chapter he or it shall be entitled to a credit against the amount of taxes payable under this chapter, of such proportion thereof, as such gross income subject to taxation in such state or province or territory of Canada bears to his entire gross income subject to taxation under this chapter; provided (1) that such credit shall in no event exceed the amount of tax so paid to such other state or province or territory of Canada on the gross income earned within such other state or province or territory of Canada and subject to taxation under this chapter, and (2) that such credit shall not be allowed if such other state or province or territory of Canada allows residents

of this state a credit against the taxes imposed by such state or province or territory of Canada for taxes payable under this chapter substantially similar to the credit provided for by paragraph (b) of this section, and (3) the allowance of such credit shall not operate to reduce the taxes payable under this chapter to an amount less than would have been payable if the gross income earned in such other state or province or territory of Canada had been excluded in computing net income under this chapter.

(d) The commissioner shall by regulation determine with respect to gross income earned in any other state the applicable clause of this section. When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of clause (a) shall not apply.

(e) "Tax So Paid" as used in this section means taxes on or measured by net income payable to another state or province or territory of Canada on income earned within the taxable year for which the credit is claimed, provided that such tax is actually paid in that taxable year, or subsequent taxable years.

(f) For the purposes of clause (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without clause (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without clause (a), or vice versa, then the state with the net revenue loss resulting from clause (a) shall receive from the other state the amount of such loss. This provision shall be effective for all years beginning after December 31, 1972. The data used for computing the loss to either state shall be determined on or before September 30 of the year following the close of the previous calendar year.

Interest shall be payable on all delinquent balances relating to taxable years beginning after December 31, 1977. The commissioner of revenue is authorized to enter into agreements with the state of Wisconsin specifying the reciprocity payment due date, conditions constituting delinquency, interest rates, and a method for computing interest due on any delinquent amounts.

If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chairman. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

Notwithstanding the provisions of section 290.61, the commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that he will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

Sec. 5. [EFFECTIVE DATE.]

Section 1 is effective for taxable years ending after the date of final enactment. Sections 2, 3, and 4 are effective the day after final enactment.

Section 1. Minnesota Statutes 1981 Supplement, Section 270.063, is amended to read:

270.063 [COLLECTION OF DELINQUENT TAXES.]

For the purpose of collecting delinquent state tax liabilities from taxpayers who do not reside or are not located in Minnesota, there is appropriated to the commissioner of revenue an amount representing the cost of collection, not to exceed one-third of the amount collected by contract with collection agencies or attorneys to enable the commissioner to reimburse these agencies for this service. The commissioner shall report quarterly on the status of this program to the chairmen of the house tax and appropriation committees and senate tax and finance committees.

Notwithstanding section 16A.15, subdivision 3, the commissioner of revenue may authorize the prepayment of sheriff's fees or court costs to be incurred in connection with the collection out of state of delinquent tax liabilities owed to the commissioner of revenue.

Sec. 2. Minnesota Statutes 1980, Section 270.06, is amended to read:

270.06 [POWERS AND DUTIES.]

It shall be the duty of the commissioner of revenue and he shall have power and authority:

(1) To have and exercise general supervision over the administration of the assessment and taxation laws of the state, over assessors, town, county, and city boards of review and equalization, and all other assessing officers in the performance of their duties, to the end that all assessments of property be made relatively just and equal in compliance with the laws of the state;

(2) To confer with, advise and give the necessary instructions and directions to local assessors and local boards of review throughout the state as to their duties under the laws of the state;

(3) To direct proceedings, actions, and prosecutions to be instituted to enforce the laws relating to the liability and punishment of public officers and officers and agents of corporations for failure or negligence to comply with the provisions of the

laws of this state governing returns of assessment and taxation of property, and to cause complaints to be made against local assessors, members of boards of equalization, members of boards of review, or any other assessing or taxing officer, to the proper authority, for their removal from office for misconduct or negligence of duty;

(4) To require county attorneys to assist in the commencement of prosecutions in actions or proceedings for removal, forfeiture and punishment for violation of the laws of this state in respect to the assessment and taxation of property in their respective districts or counties;

(5) To require town, city, county, and other public officers to report information as to the assessment of property, collection of taxes received from licenses and other sources, and such other information as may be needful in the work of the department of revenue, in such form and upon such blanks as he may prescribe;

(6) To require individuals, copartnerships, companies, associations, and corporations to furnish information concerning their capital, funded or other debt, current assets and liabilities, earnings, operating expenses, taxes, as well as all other statements now required by law for taxation purposes;

(7) To summon witnesses to appear and give testimony, and to produce books, records, papers and documents relating to any tax matter which he may have authority to investigate or determine. *Provided, that any summons which does not identify the person or persons with respect to whose tax liability the summons is issued may be served only if (a) the summons relates to the investigation of a particular person or ascertainable group or class of persons, (b) there is a reasonable basis for believing that such person or group or class of persons may fail or may have failed to comply with any tax law administered by the commissioner, (c) the information sought to be obtained from the examination of the records (and the identity of the person or persons with respect to whose liability the summons is issued) is not readily available from other sources, (d) the summons is clear and specific as to the information sought to be obtained, and (e) the information sought to be obtained is limited solely to the scope of the investigation. Provided further that the party served with a summons which does not identify the person or persons with respect to whose tax liability the summons is issued shall have the right, within 20 days after service of the summons, to petition the district court for the judicial district in which lies the county in which the summons is served for a determination as to whether the commissioner of revenue has complied with all the requirements in (a) to (e), and thus, whether the summons is enforceable. If no such petition is made by the party served within the time prescribed, the summons shall have the force and effect of a court order;*

(8) To cause the deposition of witnesses residing within or without the state, or absent therefrom, to be taken, upon notice to the interested party, if any, in like manner that depositions of witnesses are taken in civil actions in the district court, in any matter which he may have authority to investigate or determine;

(9) To investigate the tax laws of other states and countries and to formulate and submit to the legislature such legislation as he may deem expedient to prevent evasions of assessment and taxing laws, and to secure just and equal taxation and improvement in the system of assessment and taxation in this state;

(10) To consult and confer with the governor upon the subject of taxation, the administration of the laws in regard thereto, and the progress of the work of the department of revenue, and to furnish the governor, from time to time, such assistance and information as he may require relating to tax matters;

(11) To transmit to the governor, on or before the third Monday in December of each even-numbered year, and to each member of the legislature, on or before November 15 of each even-numbered year, the report of the department of revenue for the preceding years, showing all the taxable property in the state and the value of the same, in tabulated form;

(12) To inquire into the methods of assessment and taxation and ascertain whether the assessors faithfully discharge their duties, particularly as to their compliance with the laws requiring the assessment of all property not exempt from taxation;

(13) To exercise and perform such further powers and duties as may be required or imposed upon the commissioner of revenue by law;

(14) The commissioner of revenue may promulgate rules and regulations for the administration and enforcement of the property tax. Such rules and regulations shall have the force and effect of law;

(15) To execute and administer any agreement with the secretary of the treasury of the United States regarding the exchange of information and administration of the tax laws of both the United States and the state of Minnesota;

(16) To administer and enforce the provisions of sections 325.64 to 325.76, the Minnesota unfair cigarette sales act.

Sec. 3. Minnesota Statutes 1980, Section 270.07, Subdivision 1, is amended to read:

Subdivision 1. The commissioner of revenue shall prescribe the form of all blanks and books required under this chapter. He shall hear and determine all matters of grievance relating to taxation. Except as otherwise provided by law, he shall have power to grant such reduction or abatement of assessed valuations or taxes and of any costs, penalties or interest thereon as he may deem just and equitable, and to order the refundment, in whole or in part, of any taxes, costs, penalties or interest thereon which have been erroneously or unjustly paid. Application therefor shall be submitted with a statement of facts in the case and the favorable recommendation of the county board or of the board of abatement of any city where any such board exists, and the county auditor of the county wherein such tax was levied or paid. In the case of gross earnings taxes the application may be made directly to the commissioner without the favorable action of the county board and county auditor, and the commissioner shall direct that any gross earnings taxes which may have been erroneously or unjustly paid shall be applied against unpaid taxes due from the applicant for such refundment. No reduction, abatement, or refundment of any special assessments made or levied by any municipality for local improvements shall be made unless it is also approved by the board of review or similar taxing authority of such municipality. The commissioner may refer any question that may arise in reference to the true construction of this chapter to the attorney general, and his decision thereon shall be in force and effect until annulled by the judgment of a court of competent jurisdiction. The commissioner shall forward to the county auditor a copy of the order by him made in all cases in which the approval of the county board is required. The commissioner may by written order abate, reduce, or refund any penalty or interest imposed by any law relating to taxation, if in his opinion the (ENFORCEMENT OF SUCH A PENALTY OR THE PAYMENT OF SUCH INTEREST WOULD BE UNJUST AND INEQUITABLE) *failure to timely pay the tax or failure to timely file the return is due to reasonable cause.* Such order shall, in the case of real and personal property taxes, be made only on application and approval as provided in this section; in the case of all other taxes, such order shall be made on application of the taxpayer to the commissioner and, if the order is for an abatement, reduction or refund of over (\$500) \$5,000, it shall be valid only if approved in writing by the attorney general.

An appeal may not be taken to the tax court from any order of the commissioner of revenue made in the exercise of the discretionary authority granted to him in this subdivision in response to a taxpayer's application for an abatement, reduction or refund of taxes, assessed valuations, costs, penalties or interest.

Sec. 4. Minnesota Statutes 1980, Section 270.10, Subdivision 1, is amended to read:

Subdivision 1. [IN WRITING; APPROVAL BY ATTORNEY GENERAL.] All orders and decisions of the commissioner of revenue, or any of his subordinates, respecting any tax, assessment, or other obligation, shall be in writing, filed in the offices of the department. No order or decision increasing or decreasing any tax, assessment, or other obligation by a sum exceeding \$500 on real or personal property, or the assessed valuation thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$1,000, and no order or decision increasing or decreasing any other tax by a sum exceeding \$1,000 exclusive of penalties and interest, shall be made without the written signature or facsimile signature of the commissioner, a deputy commissioner, assistant commissioner, division director, or acting division director in each case. Written notice of every order granting a reduction, abatement, or refundment exceeding (\$1,000) \$5,000 of any tax exclusive of penalties and interest, shall be given within five days to the attorney general. The attorney general shall forthwith examine such order, and if he deems the same proper and legal he shall approve the same in writing, and may waive the right of appeal therefrom in behalf of the state; otherwise he shall take an appeal from the order in behalf of the state as herein provided; but written approval of the commissioner or his deputy and written notice to the attorney general, shall not be required with respect to the following orders: (1) orders reducing assessed valuation of property by reason of its classification as a homestead; (2) orders not involving refunds which have the effect only of correcting income and franchise tax assessments to conform to the amounts shown on final returns filed as provided by section 290.42, clause (6); (3) original orders for the refundment of gasoline and special fuel taxes.

Sec. 5. [270.65] [CONTRACTS WITH STATE; COMPLIANCE WITH TAX LAWS.]

No department of the state of Minnesota, nor any political or governmental subdivision of the state, shall make final settlement with any contractor until satisfactory showing is made that the contractor, and subcontractors, if any, has complied with the tax laws administered by the commissioner of revenue with regard to the specific job under contract. A certificate by the commissioner shall satisfy this requirement.

Sec. 6. Minnesota Statutes 1981 Supplement, Section 270.66, is amended to read:

270.66 [RIGHT OF SETOFF.]

Subdivision 1. [CERTIFICATION BY COMMISSIONER.] Upon certification by the commissioner of revenue to the commissioner of finance, or to any state agency described in subdivision 3 which disburses its own funds, within five years after

the tax should have been paid or the return is filed, whichever is later, that a taxpayer has an uncontested delinquent tax liability owed to the commissioner of revenue, (AND NOTICE THAT THE STATE HAS PURCHASED PERSONAL SERVICES, SUPPLIES, CONTRACT SERVICE, OR PURCHASED PROPERTY FROM SAID TAXPAYER,) the commissioner of finance or the state agency shall apply to such delinquent tax liability funds sufficient to satisfy such unpaid tax liability from funds appropriated for payment of (SAID) an obligation of the state or any of its agencies that are due and owing the taxpayer, provided however, that such credit shall not be made against any funds exempt under section 550.37 or those funds owed (THE) an individual taxpayer who receives assistance under the provisions of chapter 256 (OR 256B).

Subd. 2. [SETOFF SATISFIES STATE OBLIGATION.] All funds, whether general or dedicated, shall be subject to setoff in the manner herein provided. Transfer of funds as herein provided is payment of the obligation of the state or any of its agencies to such taxpayer and any actions for said funds, if any, shall be had against the department of revenue on the issue of such tax liability. Nothing in this section shall be construed to limit the previously existing right of the state or any of its agencies to setoff.

Subd. 3. [AGENCIES SHALL MAINTAIN RECORDS.] Notwithstanding any provision to the contrary, every person, organization, or corporation doing business (hereafter called vendor) with the state of Minnesota or any of its departments, agencies, or educational institutions including the University of Minnesota (all hereafter called agency) shall provide that agency with their social security number or Minnesota tax identification number. The agency shall maintain records of this information, and shall make these records available to the commissioner, upon his request, for the sole purpose of identifying people who have not filed state tax returns or who have not paid uncontested state tax liabilities (hereafter called delinquent taxpayer). When an agency is notified by the commissioner that a vendor is a delinquent taxpayer, payments shall not be made by the agency to the vendor until the commissioner notifies the agency that the vendor no longer is a delinquent taxpayer. Furthermore, if the vendor has an uncontested delinquent tax liability, the setoff provided in subdivision 1 may be implemented. The commissioner shall determine that a vendor no longer is a delinquent taxpayer when the vendor has filed all delinquent state tax returns, paid all uncontested state tax liabilities or entered into an agreement with the commissioner which provides for the payment of these liabilities. The commissioner may notify an agency concerning a vendor, notwithstanding the provisions of sections 290.61 or 297A.43.

Sec. 7. [270.67] [AGREEMENTS REGARDING TAX LIABILITY OR EXTENSION OF PAYMENT OF TAX.]

Subdivision 1. [LIABILITY AGREEMENTS.] The commissioner of revenue, or any officer or employee of the department of revenue authorized in writing by the commissioner, is authorized to enter into an agreement in writing with any taxpayer, or duly authorized agent or representative of the taxpayer, relating to the liability of the taxpayer in respect of any state tax administered by the commissioner for any taxable period ending prior to the date of the agreement. If the agreement is approved by the commissioner within the time stated in the agreement, or later agreed to, the agreement shall be final and conclusive; and, except upon a showing of fraud or malfeasance, or misrepresentation of a material fact, the case shall not be reopened as to the matters agreed upon, or the agreement modified, by an officer, employee, or agent of the state; and, in any suit, action, or proceeding, the agreement, or any determination, assessment, collection, payment, abatement, refund, or credit made in accordance with the agreement, shall not be annulled, modified, set aside, or disregarded.

Subd. 2. [EXTENSION AGREEMENTS.] When any portion of any tax payable to the commissioner of revenue together with interest and penalty thereon, if any, has not been paid six months from the date prescribed by law for its payment, the commissioner may extend the time for payment for a further period not to exceed 36 months. When the authority of this section is invoked, the extension shall be evidenced by written agreement signed by the taxpayer and the commissioner, stating the amount of the tax with penalty and interest, if any, and providing for the payment of the amount in regular weekly, semimonthly or monthly installments. The agreement shall contain a confession of judgment for the amount and for any unpaid portion thereof and shall provide that the commissioner may forthwith enter judgment against the taxpayer in the district court of the county of his residence as shown upon his tax return for the unpaid portion of the amount specified in the extension agreement. The principal sum specified in the agreement shall bear interest at the rate specified in section 270.75 on all unpaid portions thereof until the same has been fully paid or the unpaid portion thereof has been entered as a judgment. The judgment shall bear interest at the rate specified in section 270.75. If it appears to the commissioner that the tax reported by the taxpayer is in excess of the amount actually owing by the taxpayer, the extension agreement or the judgment entered pursuant thereto shall be corrected. If after making the extension agreement or entering judgment with respect thereto, the commissioner determines that the tax as reported by the taxpayer is less than the amount actually due, the commissioner shall assess a further tax in accordance with the provisions of law applicable to the tax. The authority granted to the commissioner by this section is in addition to any other authority granted to the commissioner by law to extend the time of payment or the time for filing a return and shall not be construed in limitation thereof.

Sec. 8. [270.68] [LEGAL ACTION; CONFESSION OF JUDGMENT.]

Subdivision 1. [LEGAL ACTION.] In addition to all other methods authorized by law for the collection of tax, if any tax payable to the commissioner of revenue or to the department of revenue, including penalties and interest thereon, is not paid within 60 days after it is required by law to be paid, the commissioner of revenue may, within five years after the date the tax should have been paid or the return is filed, whichever is later, bring an action at law against the person liable for the payment or collection of the tax, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof. The action shall be brought in the district court of the judicial district in which lies the county of the residence or principal place of business within this state of the taxpayer, or, in the case of an estate or trust, of the place of its principal administration, and for this purpose the place named as such in the return, if any, made by the taxpayer shall be conclusive against the taxpayer in this matter. If no place is named in the return, the action may be commenced in Ramsey county. The action shall be commenced by filing with the clerk of the court a statement showing the name and address of the taxpayer, if known, an itemized summary of the taxable periods and the type of tax, the tax due and unpaid and the interest and penalties due with respect thereto under the provisions of law applicable to the tax, and shall contain a prayer that the court adjudge the taxpayer to be indebted on account of the taxes, interest, and penalties in the amount specified in the statement; a copy of the statement shall be furnished to the clerk therewith. The clerk shall mail a copy of the statement by certified mail to the taxpayer at the address given in the return, if any; and, if no address is given, then at his last known address, within five days after the same is filed, except that, if the taxpayer's address is not known, notice to him shall be made by posting a copy of the statement for ten days in the place in the courthouse where public notices are regularly posted. The taxpayer shall, if he desires to litigate the claim, or any part thereof, file a verified answer with the clerk setting forth his objections to the claim, or any part thereof; the answer shall be filed on or before the lapse of the 20th day after the date of mailing the statement; or, if notice has been given by posting, on or before the 20th day after the expiration of the period during which the notice was required to be posted. If no answer is filed within the specified time, the clerk, upon the filing of an affidavit of default, shall enter judgment for the state in the amount prayed for, plus costs of \$10. If an answer is filed, the issues raised shall stand for trial as soon as possible after the filing of the answer, and the court shall determine the issues and direct judgment accordingly; and, if the taxes, interest, or penalties are sustained to any extent over the amount rendered by the taxpayer, shall assess \$10 costs against the taxpayer. The court shall disregard all technicalities and matters of form not affecting the substantial merits. The commissioner may call upon the

county attorney or the attorney general to conduct the proceedings on behalf of the state. Execution shall be issued upon the judgment at the request of the commissioner, and the execution shall, in all other respects, be governed by the laws applicable to executions issued on judgments. Only the homestead and household goods of the judgment debtor shall be exempt from seizure and sale upon the execution.

Subd. 2. [APPEALS.] *Either party to an action or a judgment for the recovery of any taxes, interest, or penalties under subdivision 1 may remove the judgment to the supreme court by appeal, as provided for appeals in civil cases.*

Subd. 3. [TAX PRESUMED VALID.] *The tax, as assessed by the commissioner, with any penalties included therein, shall be presumed to be valid and correctly determined and assessed, and the burden shall be upon the taxpayer to show its incorrectness or invalidity. The statement filed by the commissioner with the clerk of court, as provided in subdivision 1, or any other certificate by the commissioner of the amount of the tax and penalties as determined or assessed by him, shall be admissible in evidence and shall establish prima facie the facts set forth therein.*

Subd. 4. [CONFESSION OF JUDGMENT.] (a) *The commissioner may, within 3-1/2 years after any return or report is filed, notwithstanding section 541.09, enter judgment on any confession of judgment contained in the return or report after ten days notice served upon the taxpayer by mail at the address shown in his return or report. The judgment shall be entered by the clerk of court of any county upon the filing of a photocopy or similar reproduction of that part of the return or report containing the confession of judgment along with a statement of the commissioner or his agent that the tax has not been paid.*

(b) *Notwithstanding any other provision of the law to the contrary, the commissioner may, within five years after a written agreement is signed by the taxpayer and the commissioner under the provisions of section 7, subdivision 2, enter judgment on the confession of judgment contained within the agreement after ten days notice served upon the taxpayer at the address shown in the agreement. Such judgment shall be entered by the clerk of court of any county upon the filing of the agreement or a certified copy thereof along with a statement of the commissioner or his agent that the tax has not been paid.*

Sec. 9. [270.69] [LIEN FOR TAXES.]

Subdivision 1. [CREATION OF LIEN.] *The tax imposed by any chapter administered by the commissioner of revenue, and interest and penalties imposed with respect thereto, shall become a lien upon all the property within this state, both real and personal, of the person liable for the payment or collection*

of the tax, except his homestead, from and after the filing by the commissioner of a notice of lien in the office of the county recorder of the county in which the property is situated, or in the case of personal property belonging to an individual who is not a resident of this state, or which is a corporation, partnership, or other organization, in the office of the secretary of state.

Subd. 2. [INDEXING OF LIENS.] The indexing of liens filed pursuant to this section and, notwithstanding section 386.-77, the fees charged for such filing and indexing, shall be as prescribed in sections 272.483 and 272.484.

Subd. 3. [EXEMPT PROPERTY.] The lien imposed on personal property by this section, even though properly filed, shall not be valid as against a purchaser with respect to tangible personal property purchased at retail or as against the personal property listed as exempt in sections 550.37, 550.38, and 550.39.

Subd. 4. [PERIOD OF LIMITATIONS.] The lien imposed by this section shall, notwithstanding any other provision of law to the contrary, be valid and enforceable for ten years from the date of filing the notice of lien, which must be filed by the commissioner within five years after the tax should have been paid or the return is filed, whichever is later.

Subd. 5. [PRIORITY OF LIEN.] Only for the purpose of determining the order of priority of the lien imposed by this section and a federal tax lien, the lien imposed by this section shall arise at the time the state tax assessment is made.

Subd. 6. [ENFORCEABILITY OF LIEN.] The lien imposed by this section shall be enforceable by levy as authorized in section 270.70, or by judgment lien foreclosure as authorized in chapter 550.

Subd. 7. [NOTICE OF MORTGAGE FORECLOSURE OR CONTRACT TERMINATION.] If a lien has been filed by the commissioner of revenue against real property pursuant to this section, and, subsequent to the recording of the lien, a mortgage foreclosure upon the real property is commenced under chapter 580, or a termination of contract of sale of the real property is commenced under section 559.21, notice of the mortgage foreclosure or termination of contract of sale shall be mailed to the commissioner not less than 25 days prior to the foreclosure or termination.

Sec. 10. Minnesota Statutes 1980, Section 270.70, Subdivision 1, is amended to read:

Subdivision 1. [AUTHORITY OF COMMISSIONER.] If any tax payable to the commissioner of revenue or to the department of revenue is not paid when due, such tax may be collected

by the commissioner of revenue *within five years after the tax should have been paid or the return is filed, whichever is later*, by a levy upon all property and rights to property of the person liable for the *payment or collection of such tax* (,) (except that which is exempt from execution pursuant to section 550.37) or *property on which there is a lien provided in section 9*. For this purpose, the term "tax" shall include any penalty, interest and costs properly payable. The term "levy" includes the power of distraint and seizure by any means.

Sec. 11. Minnesota Statutes 1980, Section 270.70, Subdivision 2, is amended to read:

Subd. 2. [NOTICE AND DEMAND; JEOPARDY COLLECTION.] Before a levy is made, notice and demand for payment of the amount due shall be given to the person liable for the *payment or collection of the tax* at least ten days prior to the levy. If the commissioner has reason to believe that collection of the tax is in jeopardy, notice and demand for immediate payment of (SUCH) *the tax* may be made by the commissioner. If the tax is not paid, the commissioner may proceed to collect by levy without regard to the ten day period provided herein.

Sec. 12. Minnesota Statutes 1980, Section 270.70, Subdivision 3, is amended to read:

Subd. 3. [MANNER OF EXECUTION AND SALE.] In making the execution of the levy and in collecting the taxes due, the commissioner shall have all of the powers provided in chapter 550 and in any other law for purposes of effecting an execution against property in this state. The sale of property levied upon, and the time and manner of redemption therefrom, shall (BE AS), *to the extent not provided in sections 18 to 26, be governed by chapter 550*. The seal of the court, subscribed by the clerk, as provided in section 550.04, shall not be required. The levy for collection of taxes may be made whether or not the commissioner has commenced a legal action for collection of such taxes.

Sec. 13. Minnesota Statutes 1980, Section 270.70, Subdivision 5, is amended to read:

Subd. 5. [PROBATE COURT JURISDICTION.] Where a levy has been made to collect taxes pursuant to (SUBDIVISION 1) *this section* and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, such property shall not be sold until the probate proceedings are completed or until the court so orders.

Sec. 14. Minnesota Statutes 1980, Section 270.70, is amended by adding a subdivision to read:

Subd. 13. [LEVY AND SALE BY SHERIFF.] If any tax payable to the commissioner of revenue or to the department of revenue is not paid as provided in subdivision 2, the commissioner may, within five years after the tax should have been paid or the return is filed, whichever is later, delegate the authority granted to him by subdivision 1, by means of issuing his warrant to the sheriff of any county of the state commanding him, as agent for the commissioner, to levy upon and sell the real and personal property of the person liable for the payment or collection of the tax and to levy upon the rights to property of that person within the county, or to levy upon and seize any property within the county on which there is a lien provided in section 9, and to return the warrant to the commissioner and pay to the commissioner the money collected by virtue thereof by a time to be therein specified not less than 60 days from the date of the warrant. The sheriff shall proceed thereunder to levy upon and seize any property of the person and to levy upon the rights to property of the person within the county (except his homestead or that property which is exempt from execution pursuant to section 550.37), or to levy upon and seize any property within the county on which there is a lien provided in section 9. For purposes of the preceding sentence, the term "tax" shall include any penalty, interest and costs properly payable. The sheriff shall then sell so much of the property levied upon as is required to satisfy the taxes, interest, and penalties, together with his costs; but the sales, and the time and manner of redemption therefrom, shall, to the extent not provided in sections 18 to 26, be governed by chapter 550. The proceeds of the sales, less the sheriff's costs, shall be turned over to the commissioner, who shall then apply the proceeds as provided in section 25.

Sec. 15. Minnesota Statutes 1980, Section 270.70, is amended by adding a subdivision to read:

Subd. 14. [PRIORITY OF LEVY.] A levy by the commissioner made pursuant to the provisions of this section upon a taxpayer's funds on deposit in a financial institution located in this state, shall have priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the taxpayer to the financial institution. A claim by the financial institution that it exercised its right to setoff prior to the levy by the commissioner must be substantiated by evidence of the date of the setoff, and shall be verified by the sworn statement of a responsible corporate officer of the financial institution. Furthermore, for purposes of determining the priority of any levy made under this section, the levy shall be treated as if it were an execution made pursuant to chapter 550.

Sec. 16. Minnesota Statutes 1980, Section 270.70, is amended by adding a subdivision to read:

Subd. 15. [EFFECT OF HONORING LEVY.] Any person in possession of (or obligated with respect to) property or rights to property subject to levy upon which a levy has been made who, upon demand by the commissioner, surrenders the property or rights to property (or who pays a liability under subdivision 8) shall be discharged from any obligation or liability to the person liable for the payment or collection of the delinquent tax with respect to the property or rights to property so surrendered or paid.

Sec. 17. Minnesota Statutes 1980, Section 270.70, is amended by adding a subdivision to read:

Subd. 16. [NOTICE OF LEVY.] Notwithstanding any other provision of law to the contrary, the notice of any levy authorized by this section may be served by mail or by delivery by an employee or agent of the department of revenue.

Sec. 18. [270.701] [SALE OF SEIZED PROPERTY.]

Subdivision 1. [NOTICE OF SEIZURE.] As soon as practicable after seizure of property, notice in writing shall be given by the commissioner of revenue to the owner of the property (or, in the case of personal property, the possessor thereof), and shall be served in like manner as a summons in a civil action in the district court. If the owner cannot be readily located, or has no dwelling or place of business within this state, the notice may be mailed to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

Subd. 2. [NOTICE OF SALE.] The commissioner shall as soon as practicable after the seizure of the property give notice of sale of the property to the owner, in the manner of service prescribed in subdivision 1. In the case of personal property, the notice shall be served at least ten days prior to the sale. In the case of real property, the notice shall be served at least four weeks prior to the sale. The commissioner shall also cause public notice of each sale to be made. In the case of personal property, notice shall be posted at least ten days prior to the sale at the post office nearest the place where the seizure is made, and in not less than two other public places. In the case of real property, six weeks' published notice shall be given prior to the sale, in a newspaper published or generally circulated in the county. The notice of sale provided in this subdivision shall specify the property to be sold, and the time, place, manner and conditions of the sale. Whenever levy is made without regard to the ten-day period provided in section 270.70, subdivision 2, public notice of sale of the property seized shall not be made within the ten-day period unless section 19 (relating to sale of perishable goods) is applicable.

Subd. 3. [SALE OF INDIVISIBLE PROPERTY.] If any property liable to levy is not divisible, so as to enable the commissioner by sale of a part thereof to raise the whole amount of the tax and expenses, the whole of the property shall be sold.

Subd. 4. [TIME AND PLACE OF SALE.] The time of sale shall be after the expiration of the notice periods prescribed in subdivision 2. The place of sale shall be within the county in which the property is seized, except by special order of the commissioner.

Subd. 5. [MANNER AND CONDITIONS OF SALE.] (a) Before the sale the commissioner shall determine a minimum price for which the property shall be sold, and if no person offers for the property at the sale the amount of the minimum price, the property shall be declared to be purchased at the minimum price for the state of Minnesota; otherwise the property shall be declared to be sold to the highest bidder. In determining the minimum price, the commissioner shall take into account the expense of making the levy and sale. The announcement of the minimum price determined by the commissioner may be delayed until the receipt of the highest bid.

(b) The sale shall not be conducted in any manner other than:

(i) by public auction, or

(ii) by public sale under sealed bids.

(c) In the case of seizure of several items of property, the items may be offered separately, in groups, or in the aggregate, and shall be sold under whichever method produces the highest aggregate amount.

(d) Payment in full shall be required at the time of acceptance of a bid, except that a part of the payment may be deferred by the commissioner for a period not to exceed 30 days.

(e) Other methods (including advertising) in addition to those prescribed in subdivision 2 may be used in giving notice of the sale.

(f) The commissioner may adjourn the sale from time to time for a period not to exceed 30 days.

(g) If payment in full is required at the time of acceptance of a bid and is not then and there paid, the commissioner shall forthwith proceed to again sell the property in the manner provided in this section. If the conditions of the sale permit part of the payment to be deferred, and if the part is not paid within the prescribed period, suit may be instituted against the purchaser

for the purchase price or that part thereof as has not been paid, together with interest at the rate specified in section 549.09 from the date of the sale; or, in the discretion of the commissioner, the sale may be declared by the commissioner to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. In the event of a readvertisement and sale, any new purchaser shall receive the property or rights to property free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

Sec. 19. [270.702] [SALE OF PERISHABLE GOODS.]

If the commissioner determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property, and if the owner of the property can be readily found, the commissioner shall give the owner notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner (a) pays to the commissioner an amount equal to the appraised value, or (b) gives bond in the form, with the sureties, and in the amount as the commissioner prescribes to pay the appraised amount at the time the commissioner determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this section, the commissioner shall as soon as practicable make public sale of the property in accordance with section 18.

Sec. 20. [270.703] [REDEMPTION OF PROPERTY.]

Subdivision 1. [BEFORE SALE.] Any person whose property has been levied upon shall have the right to pay the amount due, together with the expenses of the proceeding, if any, to the commissioner at any time prior to the sale thereof, and upon payment the commissioner shall restore the property to him, and all further proceedings in connection with the levy on the property shall cease from the time of payment.

Subd. 2. [REDEMPTION OF REAL ESTATE AFTER SALE.] The owners of any real property sold as provided in this section, their heirs, executors, or administrators, or any person having any interest therein, or a lien thereon, or any person in their behalf, shall be permitted to redeem the property sold, or any particular tract of the property, at any time within six months, or in case the real property sold exceeds ten acres in size, at any time within 12 months, after the sale thereof. The property or tract of property shall be permitted to be redeemed upon payment to the purchaser (or in case he cannot be found in the county in which the property to be redeemed

is situated, then to the commissioner, for the use of the purchaser, his heirs, or assigns) of the amount paid by the purchaser together with interest at the rate specified in section 549.09 from the date of the sale.

Subd. 3. [RECORD.] When any lands sold are redeemed as provided in this section, the commissioner shall cause entry of the fact to be made upon the record required by section 23 and the entry shall be evidence of the redemption.

Sec. 21. [270.704.] [CERTIFICATE OF SALE.]

In the case of property sold as provided in section 18, the commissioner shall give to the purchaser a certificate of sale upon payment in full of the purchase price. In the case of real property the certificate shall set forth the real property purchased, for whose taxes the property was sold, the name of the purchaser, and the price paid. If real property is declared purchased by the state of Minnesota, the commissioner shall within ten days from the sale cause the certificate of sale to be duly recorded by the county recorder of the county in which the real property is located.

Sec. 22. [270.705] [EFFECT OF CERTIFICATE OF SALE.]

Subdivision 1. [PERSONAL PROPERTY.] (a) In all cases of sale pursuant to section 18 of personal property, the certificate of sale given pursuant to section 21 shall be prima facie evidence of the right of the commissioner to make the sale, and conclusive evidence of the regularity of his proceedings in making the sale. The certificate shall transfer to the purchaser all right, title, and interest of the party delinquent in and to the property sold.

(b) If the property consists of stocks, the certificate of sale shall be notice, when received, to any corporation, company, or association of the transfer, and shall be authority to the corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any original or prior certificate, which shall be void, whether cancelled or not.

(c) If the subject of sale is securities or other evidences of debt, the certificate of sale shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of the securities or other evidences of debt.

(d) If the property consists of a motor vehicle, the certificate of sale shall be notice, when received, to the registrar

of motor vehicles of this state of the transfer, and shall be authority to the registrar to record the transfer on his books and records in the same manner as if the certificate of title to the motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior certificate, which shall be void, whether cancelled or not.

Subd. 2. [REAL PROPERTY.] In the case of the sale of real property pursuant to section 18, the certificate of sale given pursuant to section 21 shall be prima facie evidence of the facts therein stated, and shall be considered and operate as a conveyance of all the right, title, and interest the party delinquent had in and to the real property thus sold at the time the lien of the state of Minnesota attached thereto.

Subd. 3. [JUNIOR ENCUMBRANCES.] A certificate of sale of personal property or real property given pursuant to section 21 shall discharge the property from all liens, encumbrances, and titles over which the lien of the state of Minnesota with respect to which the levy was made had priority.

Sec. 23. [270.706] [RECORDS OF SALE.]

The commissioner shall, for the department of revenue, keep a record of all sales of property under section 18 and of redemptions of real property. The record shall set forth the tax for which the sale was made, the dates of seizure and sale, the name of the party assessed and all proceedings in making the sale, the amount of expenses, the names of the purchasers, and the date of the certificate of sale. A copy of the record, or any part thereof, certified by the commissioner shall be evidence in any court of the truth of the facts therein stated.

Sec. 24. [270.707] [EXPENSE OF LEVY AND SALE.]

The commissioner shall determine the expenses to be allowed in all cases of levy and sale.

Sec. 25. [270.708] [APPLICATION OF PROCEEDS OF LEVY.]

Subdivision 1. [COLLECTION OF LIABILITY.] Any money realized by proceedings under this chapter, whether by seizure, by surrender under section 270.70 (except pursuant to subdivision 9 thereof), by sale of seized property, or by sale of property redeemed by the state of Minnesota (if the interest of the state of Minnesota in the property was a lien arising under the provisions of section 9), shall be applied as follows:

- (a) *First, against the expenses of the proceedings; then*

(b) *If the property seized and sold is subject to a tax administered by the commissioner of revenue which has not been paid, the amount remaining after applying clause (a) shall next be applied against the tax liability (and, if the tax was not previously assessed, it shall then be assessed); and*

(c) *The amount, if any, remaining after applying clauses (a) and (b) shall be applied against the tax liability in respect of which the levy was made or the sale was conducted.*

Subd. 2. [SURPLUS PROCEEDS.] Any surplus proceeds remaining after the application of subdivision 1 shall, upon application and satisfactory proof in support thereof, be credited or refunded by the commissioner to the person or persons legally entitled thereto.

Sec. 26. [270.709] [AUTHORITY TO RELEASE LEVY AND RETURN PROPERTY.]

Subdivision 1. [RELEASE OF LEVY.] It shall be lawful for the commissioner to release the levy upon all or part of the property or rights to property levied upon if the commissioner determines that the release will facilitate the collection of the liability, but the release shall not operate to prevent any subsequent levy.

Subd. 2. [RETURN OF PROPERTY.] If the commissioner determines that property has been wrongfully levied upon, it shall be lawful for the commissioner to return:

(a) *The specific property levied upon, at any time;*

(b) *An amount of money equal to the amount of money levied upon, at any time before the expiration of nine months from the date of the levy; or*

(c) *An amount of money equal to the amount of money received by the state of Minnesota from a sale of the property, at any time before the expiration of nine months from the date of the sale.*

For purposes of clause (c), if property is declared purchased by the state of Minnesota at a sale pursuant to section 18, subdivision 5 (relating to manner and conditions of sale), the state of Minnesota shall be treated as having received an amount of money equal to the minimum price determined pursuant to section 18, subdivision 5 or, if larger, the amount received by the state of Minnesota from the resale of the property.

Sec. 27. [270.71] [ACQUISITION AND RESALE OF SEIZED PROPERTY.]

For the purpose of enabling the commissioner of revenue to purchase or redeem seized property in which the state of Minnesota has an interest arising from a lien for unpaid taxes, there is appropriated to the commissioner an amount representing the cost of such purchases or redemptions. Seized property acquired by the state of Minnesota to satisfy unpaid taxes shall be resold by the commissioner. The commissioner shall preserve the value of seized property while it is under his control, including but not limited to the procurement of insurance. For the purpose of refunding the proceeds from the sale of levied or redeemed property which are in excess of the actual tax liability plus costs of acquiring the property, there is hereby created a levied and redeemed property refund account in the agency fund. All amounts deposited into this account are appropriated to the commissioner of revenue. The commissioner shall report quarterly on the status of this program to the chairmen of the house taxes and appropriations committees and senate taxes and tax laws and finance committees.

Sec. 28. Minnesota Statutes 1981 Supplement, Section 270.75, as amended by Laws 1981, Third Special Session Chapter 2, Article III, Section 1, is amended by adding a subdivision to read:

Subd. 6. Notwithstanding section 549.09, if judgment is entered upon any tax payable to the commissioner of revenue which has not been paid within the time specified by law for payment, the unpaid judgment shall bear interest at the rate specified in this section from the date judgment is entered until the date of payment.

Sec. 29. Minnesota Statutes 1980, Section 290.45, Subdivision 2, is amended to read:

Subd. 2. [EXTENSIONS.] ((A)) At the request of the taxpayer, and for good cause shown, the commissioner may extend the time for payment of the amount determined as the tax by the taxpayer, or any installment thereof, or any amount determined as a deficiency, for a period not to exceed six months from the date prescribed for the payment of the tax or an installment thereof. In such case the amount in respect of which the extension is granted shall be paid together with interest at the rate specified in section 270.75 on or before the date of the expiration of the period of the extension.

((B)) WHEN ANY PORTION OF THE TAX AS REPORTED BY THE TAXPAYER TOGETHER WITH INTEREST AND PENALTY THEREON, IF ANY, HAS NOT BEEN PAID SIX MONTHS FROM THE DATE PRESCRIBED BY LAW FOR THE PAYMENT THEREOF THE COMMISSIONER MAY EXTEND THE TIME FOR PAYMENT THEREOF FOR A FURTHER PERIOD NOT TO EXCEED 30 MONTHS. WHEN THE AUTHORITY OF THIS PARAGRAPH (B) IS

INVOKED, THE EXTENSION SHALL BE EVIDENCED BY WRITTEN AGREEMENT SIGNED BY THE TAXPAYER AND THE COMMISSIONER, STATING THE AMOUNT OF SUCH TAX WITH PENALTY AND INTEREST, IF ANY, AND PROVIDING FOR THE PAYMENT OF SUCH AMOUNT IN REGULAR WEEKLY, SEMI-MONTHLY OR MONTHLY INSTALLMENTS, WHICH AGREEMENT SHALL CONTAIN A CONFESSION OF JUDGMENT FOR SUCH AMOUNT AND FOR ANY UNPAID PORTION THEREOF AND PROVIDING THAT THE COMMISSIONER MAY FORTHWITH ENTER JUDGMENT AGAINST THE TAXPAYER IN THE DISTRICT COURT OF THE COUNTY OF HIS RESIDENCE AS SHOWN UPON HIS TAX RETURN FOR THE UNPAID PORTION OF THE AMOUNT SPECIFIED IN SAID EXTENSION AGREEMENT. THE PRINCIPAL SUM SPECIFIED IN SAID AGREEMENT SHALL BEAR INTEREST AT THE RATE SPECIFIED IN SECTION 270.75 ON ALL UNPAID PORTIONS THEREOF UNTIL THE SAME HAS BEEN FULLY PAID OR THE UNPAID PORTION THEREOF HAS BEEN ENTERED AS A JUDGMENT, WHICH JUDGMENT SHALL BEAR INTEREST AT THE RATE SPECIFIED IN SECTION 270.75. IF IT SHALL APPEAR TO THE SATISFACTION OF THE COMMISSIONER THAT THE TAX REPORTED BY THE TAXPAYER IS IN EXCESS OF THE AMOUNT ACTUALLY OWING BY THE TAXPAYER, THE EXTENSION AGREEMENT OR THE JUDGMENT ENTERED PURSUANT THERETO SHALL BE SO CORRECTED. IF AFTER MAKING SUCH EXTENSION AGREEMENT OR ENTERING JUDGMENT WITH RESPECT THERETO, THE COMMISSIONER SHALL DETERMINE THAT THE TAX AS REPORTED BY THE TAXPAYER IS LESS THAN THE AMOUNT ACTUALLY DUE, THE COMMISSIONER SHALL ASSESS SUCH FURTHER TAX IN ACCORDANCE WITH THE PROVISIONS OF THIS CHAPTER. THE AUTHORITY GRANTED TO THE COMMISSIONER BY THIS PARAGRAPH (B) IS IN ADDITION TO ANY OTHER AUTHORITY GRANTED TO THE COMMISSIONER BY LAW TO EXTEND THE TIME OF PAYMENT OR THE TIME FOR FILING A RETURN AND SHALL NOT BE CONSTRUED IN LIMITATION THEREOF.)

Sec. 30, Minnesota Statutes 1980, Section 290.48, Subdivision 3, is amended to read:

Subd. 3. [COLLECTION JEOPARDIZED BY DELAY.] The commissioner may (ALSO) proceed under the provisions of (SUBDIVISION 2) *section 270.70* when he has reasonable grounds for believing that the collection of any taxes, interest, or penalties due under this chapter will be jeopardized by delays incident to other methods of collection; and, in such cases, no preliminary notice and demand shall be required.

Sec. 31, Minnesota Statutes 1980, Section 290.48, Subdivision 4, is amended to read:

Subd. 4. [(TAXPAYER ABOUT TO REMOVE FROM STATE) ASSESSMENT JEOPARDIZED BY DELAY.] If the commissioner has reasonable grounds for believing that a taxpayer is about to remove himself or his property from this state with the purpose of evading the tax imposed by this chapter, or that the collection of the tax will be jeopardized by delays incident to other methods of collection, he may immediately declare the taxpayer's taxable year at an end and assess a tax on the basis of his own knowledge or information available to him, mail the taxpayer written notice of the amount thereof, at his last known address, demand its immediate payment; and, if payment is not immediately made, collect the tax by (THE) any method prescribed in (SUBDIVISION 2) chapter 270, except that it need not await the expiration of the periods of time therein specified.

Sec. 32. Minnesota Statutes 1980, Section 290.48, Subdivision 6, is amended to read:

Subd. 6. [APPEALS.] Either party to an action or a judgment for the recovery of any taxes, interest, or penalties under (SUBDIVISION 1 OR) subdivision 5 may remove the judgment to the supreme court by appeal, as provided for appeals in civil cases.

Sec. 33. Minnesota Statutes 1980, Section 290.48, Subdivision 8, is amended to read:

Subd. 8. [TAX PRESUMED VALID.] The tax, as assessed by the commissioner, with any penalties included therein, shall be presumed to be valid and correctly determined and assessed, and the burden shall be upon the taxpayer to show its incorrectness or invalidity. (THE) Any statement filed by the commissioner with the clerk of court, (AS PROVIDED HEREIN,) or any other certificate by the commissioner of the amount of the tax and penalties as determined or assessed by him, shall be admissible in evidence and shall establish prima facie the facts set forth therein.

Sec. 34. Minnesota Statutes 1980, Section 290.53, Subdivision 2, is amended to read:

Subd. 2. [FAILURE TO MAKE AND FILE RETURN (, NOT DUE TO WILFUL NEGLIGENCE).] In case of any failure to make and file a return as required by this chapter within the time prescribed by law or prescribed by the commissioner in pursuance of law, (UNLESS IT IS SHOWN THAT SUCH FAILURE IS NOT DUE TO WILFUL NEGLIGENCE,) there shall be added to the tax in lieu of the penalty provided in subdivision 1: ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. The amount so added to any tax shall

be collected at the same time and in the same manner and as a part of the tax, and the amount of said tax together with the amount so added shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid until paid unless the tax has been paid before the discovery of the neglect, in which case the amount so added shall be collected in the same manner as the tax.

For the purposes of this subdivision the amount of any taxes required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

Sec. 35. Minnesota Statutes 1980, Section 290.53, Subdivision 5, is amended to read:

Subd. 5. [ALLOCATION OF PAYMENTS.] All payments received may, in the discretion of the commissioner of revenue, be credited first to the oldest liability not secured by a judgment or lien, but in all cases shall be credited first to penalties, next to interest, and then to the tax due.

Sec. 36. Minnesota Statutes 1980, Section 290.54, is amended to read:

290.54 [TAX A PERSONAL DEBT.]

The tax imposed by this chapter, and interest and penalties imposed with respect thereto, shall become a personal debt of the taxpayer from the time the liability therefor arises, irrespective of when the time for discharging such liability by payment occurs. The debt shall, in the case of the personal representative of the estate of a decedent and in the case of any fiduciary, be that of such person in his official or fiduciary capacity only unless he shall have voluntarily distributed the assets held in such capacity without reserving sufficient assets to pay such tax, interest, and penalties, in which event he shall be personally liable for any deficiency. This provision shall apply only to cases in which this state is legally competent to impose such personal liability.

(THE TAX IMPOSED BY THIS CHAPTER, AND INTEREST AND PENALTIES IMPOSED WITH RESPECT THERETO, SHALL BECOME A LIEN UPON ALL OF THE PROPERTY, BOTH REAL AND PERSONAL, OF THE TAXPAYER WITHIN THIS STATE, EXCEPT HIS HOMESTEAD, FROM AND AFTER THE FILING BY THE COMMISSIONER OF A NOTICE OF SUCH LIEN IN THE OFFICE OF THE COUNTY RECORDER OF THE COUNTY IN WHICH SUCH PROPERTY IS SITUATED, OR IN THE CASE OF PERSONAL PROPERTY BELONGING TO AN INDIVIDUAL WHO IS NOT A RESIDENT OF THIS STATE, OR WHICH

IS A CORPORATION, PARTNERSHIP, OR OTHER ORGANIZATION, IN THE OFFICE OF THE SECRETARY OF STATE.)

(THE LIEN CREATED UNDER THIS SECTION SHALL BECOME EFFECTIVE WITH RESPECT TO PERSONAL PROPERTY FROM AND AFTER THE DATE OF FILING BY THE COMMISSIONER OF A NOTICE OF SUCH LIEN DESCRIBING THE PROPERTY TO WHICH THE LIEN ATTACHES IN THE OFFICE OF THE COUNTY RECORDER OF THE COUNTY IN WHICH THE COMMISSIONER BELIEVES THE PROPERTY IS LOCATED AT THE TIME SUCH LIEN IS FILED, AND WITH THE SECRETARY OF STATE.)

(THE LIEN IMPOSED ON PERSONAL PROPERTY BY THIS SECTION, EVEN, THOUGH PROPERLY FILED, SHALL NOT BE VALID AS AGAINST A PURCHASER WITH RESPECT TO TANGIBLE PERSONAL PROPERTY PURCHASED AT RETAIL OR AS AGAINST THE PERSONAL PROPERTY LISTED AS EXEMPT IN SECTIONS 550.37, 550.38, AND 500.39.)

Sec. 37. Minnesota Statutes 1981 Supplement, Section 290.92, Subdivision 6, is amended to read:

Subd. 6. [RETURNS, DEPOSITS.] (1) (a) [RETURNS.] Every employer who is required to deduct and withhold tax under subdivision 2a or 3 shall file a return with the commissioner for each quarterly period, on or before the last day of the month following the close of each quarterly period, unless otherwise prescribed by the commissioner. Any tax required to be deducted and withheld during the quarterly period shall be paid with the return unless an earlier time for payment is provided herein. However, any such return may be filed on or before the tenth day of the second calendar month following such period if such return shows timely deposits in full payment of such taxes due for such period. For the purpose of the preceding sentence, a deposit which is not required to be made within such return period, may be made on or before the last day of the first calendar month following the close of such period. Every employer, in preparing said quarterly return, shall take credit for monthly deposits previously made in accordance with this subdivision.

The return shall be in the form and contain the information prescribed by the commissioner. The commissioner may grant a reasonable extension of time for filing the return and paying the tax, but no extension shall be granted for more than six months.

(b) [ADVANCE DEPOSITS REQUIRED IN CERTAIN CASES.] (i) Unless clause (ii) is applicable, if during any

calendar month, other than the last month of the calendar quarter, the aggregate amount of the tax withheld during that quarter under subdivision 2a or 3 exceeds \$200, or beginning January 1, 1982, \$500, the employer shall deposit the aggregate amount with the commissioner within 15 days after the close of the calendar month. (ii) If at the close of any eighth-monthly period the aggregate amount of undeposited taxes is \$3,000 or more, the employer shall deposit the undeposited taxes with the commissioner within three banking days after the close of the eighth-monthly period. For purposes of this subparagraph, the term "eighth-monthly period" means the first three days of a calendar month, the fourth day through the seventh day of a calendar month, the eighth day through the 11th day of a calendar month, the 12th day through the 15th day of a calendar month, the 16th day through the 19th day of a calendar month, the 20th day through the 22nd day of a calendar month, the 23rd day through the 25th day of a calendar month, or the portion of a calendar month following the 25th day of such month.

(c) [OTHER METHODS.] The commissioner shall have the power by rule to prescribe other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify employers according to the amount of their tax liability and may adopt an appropriate reporting period for each class which he deems to be consistent with efficient tax collection. In no event shall the duration of the reporting period be more than one year, provided that for employers with annual withholding tax liabilities of less than \$1,200 the reporting period shall be no more frequent than quarterly.

(2) If less than the correct amount of such tax is paid to the commissioner, proper adjustments, with respect to both the tax and the amount to be deducted, shall be made, without interest, in such manner and at such times as the commissioner may prescribe. If such underpayment cannot be so adjusted the amount of the underpayment shall be assessed and collected in such manner and at such times as the commissioner may prescribe.

(3) If any employer fails to make and file any return required by paragraph (1) at the time prescribed therefor, or makes and files a false or fraudulent return, the commissioner shall make for him a return from his own knowledge and from such information as he can obtain through testimony, or otherwise, and assess a tax on the basis thereof. The amount of tax shown thereon shall be paid to the commissioner at such times as the commissioner may prescribe. Any such return or assessment so made by the commissioner shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto.

(4) If the commissioner, in any case, has reason to believe that the collection of the tax provided for in paragraph (1) of

this subdivision, and any added penalties and interest, if any, will be jeopardized by delay, he may immediately assess such tax, whether or not the time otherwise prescribed by law for making and filing the return and paying such tax has expired.

(5) Any assessment under this subdivision shall be made by recording the liability of the employer in the office of the commissioner in accordance with regulations prescribed by the commissioner. Upon request of the employer, the commissioner shall furnish the employer a copy of the record of assessment.

(6) Any assessment of tax under this subdivision shall be made within three and one-half years after the due date of the return required by paragraph (1), or the date the return was filed, whichever is later; except that in the case of a false or fraudulent return or failure to file a return, the tax may be assessed at any time.

(7) (a) Except as provided in (b) of this paragraph, every employer who fails to pay to or deposit with the commissioner any sum or sums required by this section to be deducted, withheld and paid, shall be personally and individually liable to the state of Minnesota for such sum or sums (and any added penalties and interest); and any sum or sums deducted and withheld in accordance with the provisions of subdivision 2a or subdivision 3 shall be held to be a special fund in trust for the state of Minnesota.

(b) If the employer, in violation of the provision of this section, fails to deduct and withhold the tax under this section, and thereafter the taxes against which such tax may be credited are paid, the tax so required to be deducted and withheld shall not be collected from the employer; but this shall in no case relieve the employer from liability for any penalties and interest otherwise applicable in respect of such failure to deduct and withhold.

(8) Upon the failure of any employer to pay to or deposit with the commissioner within the time provided by paragraphs (1), (2) or (3) of this subdivision any tax required to be withheld in accordance with the provisions of subdivision 2a or subdivision 3, or if the commissioner has assessed a tax pursuant to paragraph (4), such tax shall become immediately due and payable, and the commissioner may deliver to the attorney general a certified statement of the tax, penalties and interest due from such employer. The statement shall also give the address of the employer owing such tax, the period for which the tax is due, the date of the delinquency, and such other information as may be required by the attorney general. It shall be the duty of the attorney general to institute legal action in the name of the state to recover the amount of such tax, penalties, interest and costs. The commissioner's certified statement to the attorney general shall for all purposes and in all courts

be prima facie evidence of the facts therein stated and that the amount shown therein is due from the employer named in the statement. In event action is instituted as herein provided, the court shall, upon application of the attorney general, appoint a receiver of the property and business of the delinquent employer for the purpose of impounding the same as security for any judgment which has been or may be recovered. Any such action shall be brought within four years and three months after the due date of the return or deposit required by paragraph (1), or the date the return was filed, or deposit made whichever is later; except that in the case of failure to make and file such return or if such return is false or fraudulent, or such deposit is not made such action may be brought at any time.

(9) (THE TAX REQUIRED TO BE WITHHELD UNDER SUBDIVISION 2A OR SUBDIVISION 3 OR PAID TO, OR DEPOSITED WITH THE COMMISSIONER UNDER THIS SUBDIVISION, TOGETHER WITH PENALTIES, INTEREST AND COSTS, SHALL BECOME A LIEN UPON ALL OF THE REAL PROPERTY OF THE EMPLOYER WITHIN THIS STATE, EXCEPT HIS HOMESTEAD, FROM AND AFTER THE FILING BY THE COMMISSIONER OF A NOTICE OF SUCH LIEN IN THE OFFICES OF THE COUNTY RECORDER OF THE COUNTY IN WHICH SUCH REAL PROPERTY IS SITUATED.)

((10)) Either party to an action for the recovery of any tax, interest or penalties under this subdivision may remove the judgment to the supreme court by appeal, as provided for appeals in civil cases.

((11)) (10) No suit shall lie to enjoin the assessment or collection of any tax imposed by this section, or the interest and penalties added thereto.

((12)) WHEN ANY TAX IS DUE AND PAYABLE AS PROVIDED IN PARAGRAPH (8) THE COMMISSIONER MAY ISSUE HIS WARRANT TO THE SHERIFF OF ANY COUNTY OF THE STATE COMMANDING HIM TO LEVY UPON AND SELL THE REAL AND PERSONAL PROPERTY OF THE EMPLOYER AND TO LEVY UPON THE RIGHTS TO PROPERTY OF THE EMPLOYER WITHIN THE COUNTY AND TO RETURN SUCH WARRANT TO THE COMMISSIONER AND PAY TO HIM THE MONEY COLLECTED BY VIRTUE THEREOF BY A TIME TO BE THEREIN SPECIFIED, NOT LESS THAN 60 DAYS FROM THE DATE OF THE WARRANT. THE SHERIFF SHALL PROCEED THEREUNDER TO LEVY UPON AND SEIZE ANY PROPERTY OF THE EMPLOYER AND TO LEVY UPON THE RIGHTS TO PROPERTY OF THE EMPLOYER WITHIN HIS COUNTY, EXCEPT THE HOMESTEAD AND HOUSEHOLD GOODS OF THE EMPLOYER AND PROPERTY OF THE EMPLOYER NOT LIABLE TO ATTACHMENT, GAR-

NISHMENT, OR SALE ON ANY FINAL PROCESS ISSUED FROM ANY COURT UNDER THE PROVISIONS OF SECTION 550.37, AND SHALL SELL SO MUCH THEREOF AS IS REQUIRED TO SATISFY SUCH TAXES, INTEREST, AND PENALTIES, TOGETHER WITH HIS COSTS; BUT SUCH SALES SHALL, AS TO THEIR MANNER, BE GOVERNED BY THE LAWS APPLICABLE TO SALES OF LIKE PROPERTY ON EXECUTION ISSUED AGAINST PROPERTY UPON A JUDGMENT OF A COURT OF RECORD. THE PROCEEDS OF SUCH SALES, LESS THE SHERIFF'S COSTS, SHALL BE TURNED OVER TO THE COMMISSIONER, WHO SHALL RETAIN SUCH PART THEREOF AS IS REQUIRED TO SATISFY THE TAX, INTEREST, PENALTIES AND COSTS, AND PAY OVER ANY BALANCE TO THE TAXPAYER. ANY ACTION TAKEN BY THE COMMISSIONER PURSUANT TO THIS SUBDIVISION SHALL NOT CONSTITUTE AN ELECTION BY THE STATE TO PURSUE A REMEDY TO THE EXCLUSION OF ANY OTHER REMEDY PROVIDING FOR THE COLLECTION OF TAXES REQUIRED TO BE WITHHELD BY EMPLOYERS.)

Sec. 38. Minnesota Statutes 1981 Supplement, Section 290.92, Subdivision 15, is amended to read:

Subd. 15. [PENALTIES.] (1) If any tax required to be deducted and withheld under subdivision 2a or subdivision 3, or any portion thereof, is not paid to or deposited with the commissioner within the time specified in subdivision 6 for the payment thereof, there shall be added thereto a penalty equal to ten percent of the amount so remaining unpaid. Such penalty shall be collected as part of said tax, and the amount of said tax not timely paid, together with said penalty, shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid or deposited until paid. Where an extension of time for payment has been granted under the provisions of subdivision 6, interest shall be paid at the rate specified in section 270.75 from the date when such payment or deposit should have been made if no extension had been granted, until such tax is paid. If payment is not made at the expiration of the extended period the penalties provided in this subdivision shall apply.

(2) In the case of any failure to withhold a tax on wages, make and file quarterly returns or make payments to or deposits with the commissioner of amounts withheld, as required by this section, within the time prescribed by law, (UNLESS IT IS SHOWN THAT SUCH FAILURE IS NOT DUE TO WILFUL NEGLIGENCE,) there shall be added to the tax in lieu of the penalty provided in paragraph (1) a penalty equal to ten percent of the amount of tax that should have been properly withheld and paid over to or deposited with the commissioner if the failure is for not more than 30 days with an additional five

percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The amount so added to the tax shall be collected at the same time and in the same manner and as a part of the tax unless the tax has been paid before the discovery of the negligence, in which case the amount so added shall be collected in the same manner as the tax.

(3) If any employer required to withhold a tax on wages, make deposits, make and file quarterly returns and make payments to the commissioner of amounts withheld, as required by sections 290.92 to 290.97, wilfully fails to withhold such a tax or make such deposits, files a false or fraudulent return, wilfully fails to make such a payment or deposit, or wilfully attempts in any manner to evade or defeat any such tax or the payment or deposit thereof, there shall also be imposed on such employer as a penalty an amount equal to 50 percent of the amount of tax (less any amount paid or deposited by such employer on the basis of such false or fraudulent return or deposit) that should have been properly withheld and paid over or deposited with the commissioner. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The penalty imposed by this paragraph shall be collected as a part of the tax, and shall be in addition to any other penalties civil and criminal, prescribed by this subdivision.

(4) If any person required under the provisions of subdivision 7 to furnish a statement to an employee or payee and a duplicate statement to the commissioner, or to furnish a reconciliation of such statements (and quarterly returns) to the commissioner, wilfully furnishes a false or fraudulent statement to an employee or payee or a false or fraudulent duplicate statement or reconciliation of statements (and quarterly returns) to the commissioner, or wilfully fails to furnish a statement or such reconciliation in the manner, at the time, and showing the information required by the provisions of subdivision 7, or regulations prescribed by the commissioner thereunder, there shall be imposed on such a person a penalty of \$10 for each such act or failure to act. The penalty imposed by this paragraph shall become due and payable within ten days after the mailing of a written demand therefor, and may be collected in the manner prescribed in subdivision 6(8).

(5) In addition to the penalties hereinbefore prescribed, any person required to withhold a tax on wages, make and file quarterly returns and make payments or deposits to the commissioner of amounts withheld, as required by this section, who wilfully fails to withhold such a tax or truthfully make and file such a

quarterly return or make such a payment or deposit, shall be guilty of a gross misdemeanor.

(6) In lieu of any other penalty provided by law, except the penalty provided by paragraph (4), any person required under the provisions of subdivision 7 to furnish a statement of wages to an employee and a duplicate statement to the commissioner, who wilfully furnishes a false or fraudulent statement of wages to an employee or a false or fraudulent duplicate statement of wages to the commissioner, or who wilfully fails to furnish such a statement in the manner, at the time, and showing the information required by the provisions of subdivision 7, or regulations prescribed by the commissioner thereunder, shall be guilty of a gross misdemeanor.

(7) Any employee required to supply information to his employer under the provisions of subdivision 5, who wilfully fails to supply information thereunder which would require an increase in the tax to be deducted and withheld under subdivision 2a or subdivision 3, shall be guilty of a misdemeanor.

(8) The term "person," as used in this section, includes an officer or employee of a corporation, or a member or employee of a partnership, who as such officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

(9) All payments received, *may, in the discretion of the commissioner of revenue, be credited first to the oldest liability not secured by a judgment or lien, but in all cases shall be credited first to penalties, next to interest, and then to the tax due.*

(10) In addition to any other penalty provided by law, any employee who furnishes a withholding exemption certificate to his employer which the employee has reason to know contains a materially incorrect statement shall be liable to the commissioner of revenue for a penalty of \$100 for each instance. The penalty shall be immediately due and payable and may be collected in the same manner as any delinquent income tax.

(11) In addition to any other penalty provided by law, any employer who fails to submit a copy of a withholding exemption certificate required by section 26, clause (1)(a), (1)(b), or (2) shall be liable to the commissioner of revenue for a penalty of \$50 for each instance. The penalty shall be immediately due and payable and may be collected in the manner provided in subdivision 6(8).

Sec. 39. Minnesota Statutes 1980, Section 290.92, Subdivision 23, is amended to read:

Subd. 23. [WITHHOLDING BY EMPLOYER OF DELINQUENT TAXES.] (1) The commissioner may, *within five years after the taxes should have been paid or the return is filed, whichever is later*, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at his last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire (90) 180 days after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.41. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, he may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.495. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the total amount shown by the notice, subject to the provisions of section 571.55. The employer shall continue to withhold each pay period until the total amount shown by the notice is paid in full. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.55. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as

noted in this subdivision. In crediting amounts withheld against delinquent taxes of an employee, the department shall apply amounts withheld in the following order: penalties, interest, tax and costs.

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.61, subdivision 2.

(3) The employer shall, by the date prescribed in subdivision 6, remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during the calendar quarter under this subdivision. Should any employer, after notice, willfully fail to withhold in accordance with the notice and this subdivision, or willfully fail to remit any amount withheld as required by this subdivision, the employer shall be liable for the total amount set forth in the notice together with accrued interest which may be collected by any means provided by law relating to taxation. No amount required to be paid by an employer by reason of his failure to remit under this subdivision, may be deducted from the gross income of the employer, under sections 290.09, subdivision 4 or 290.01, subdivision 20. Any amount collected from the employer for failure to withhold or for failure to remit under this subdivision shall be credited to the employee's account in the following manner: penalties, interest, tax and costs.

(4) Clauses (1), (2) and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from him under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit as prescribed in clause (3) above, the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties, interest and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) *The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.*

Sec. 40. Minnesota Statutes 1980, Section 296.01, Subdivision 8, is amended to read:

Subd. 8. [PERSON.] "Person" means any individual, firm, trust, estate, partnership, association, cooperative association, joint stock company or corporation, public or private, or any representative appointed by order of any court; or an officer or employee of a corporation, or a member or employee of a partnership, who as such officer, employee or member is under a duty to perform any act prescribed by this chapter.

Sec. 41. Minnesota Statutes 1981 Supplement, Section 296.12, Subdivision 4, is amended to read:

Subd. 4. [MONTHLY REPORTS; SHRINKAGE ALLOWANCE.] On or before the 23rd day of each month, the persons subject to the provisions of this section shall file in the office of the commissioner at St. Paul, Minnesota, a report in the following manner:

(1) Distributors and special fuel dealers shall report the total number of gallons delivered to them during the preceding calendar month and shall pay the special fuel excise tax due thereon to the commissioner. Credit for the excise tax due or previously paid on special fuel used by the distributor or special fuel dealer for heating his place of business, or special fuel sold for any purpose other than use in licensed motor vehicles and evidenced by an invoice issued at time of sale, may be allowed in computing the tax liability. The invoice must show the true and correct name and address of the purchaser, and the purchaser's signature. The report shall contain such other information as the commissioner may require.

(2) Distributors and special fuel dealers who have elected to pay the special fuel excise tax on all special fuel delivered into the supply tank of an aircraft or licensed motor vehicle as provided in section 296.12, subdivision 3, shall report the total number of gallons delivered into the supply tank of an aircraft or licensed motor vehicle during the preceding calendar month and shall pay the special fuel excise tax due thereon to the commissioner.

(3) Bulk purchasers shall report and pay the special fuel excise tax on all special fuel purchased by them for storage, during the preceding calendar month. In such cases as the commissioner may permit, credit for the excise tax due or previously paid on special fuel not used in aircraft or licensed motor vehicles, may be allowed in computing tax liability. The report shall

contain such other information as the commissioner may require.

(4) In computing the special fuel excise tax due under clauses (1), (2), and (3), a deduction of one percent of the quantity of special fuel on which tax is due shall be made for evaporation and loss.

(5) *Each report shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.*

Sec. 42. Minnesota Statutes 1980, Section 296.14, Subdivision 1, is amended to read:

Subdivision 1. [CONTENTS; PAYMENT OF TAX; SHRINKAGE ALLOWANCE.] On or before the twenty-third day of each month, every person who is required to pay gasoline tax or inspection fee on petroleum products and every distributor shall file in the office of the commissioner at St. Paul, Minnesota, a report in a manner approved by the commissioner showing the number of gallons of petroleum products received by him during the preceding calendar month, and such other information as the commissioner may require. The number of gallons of gasoline shall be reported in U.S. standard liquid gallons (231 cubic inches), except that the commissioner may upon written application therefor and for cause shown permit the distributor to report the number of gallons of such gasoline as corrected to a 60 degree Fahrenheit temperature. If such application is granted, all gasoline covered in such application and as allowed by the commissioner must continue to be reported by the distributor on the adjusted basis for a period of one year from the date of the granting of the application. The number of gallons of petroleum products other than gasoline shall be reported as originally invoiced.

Each report shall show separately the number of gallons of aviation gasoline received by him during such calendar month.

Each report shall be accompanied by remittance covering inspection fees on petroleum products and gasoline tax on gasoline received by him during the preceding month; provided that in computing such tax a deduction of three percent of the quantity of gasoline received by a distributor shall be made for evaporation and loss; provided further that at the time of remittance the distributor shall submit satisfactory evidence that one-third of such three percent deduction shall have been credited or paid to dealers on quantities sold to them. The report and remittance shall be deemed to have been filed as herein required if post-marked on or before the twenty-third day of the month in which payable.

Each report shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.

Sec. 43. Minnesota Statutes 1980, Section 296.17, Subdivision 11, is amended to read:

Subd. 11. [REPORTS.] Every motor carrier subject to the road tax shall, on or before the last day of April, July, October and January, file with the commissioner such reports of his operations during the previous three months as the commissioner may require and such other reports from time to time as the commissioner may deem necessary. The commissioner by regulation may exempt from the reporting requirements of this section those motor carriers all or substantially all of whose mileage is within this state, or states with which Minnesota has reciprocity and require in such instances an annual affidavit attesting to the intrastate or substantially intrastate character of their operations, provided that the enforcement of subdivisions 7 to 22 is not adversely affected thereby and that the commissioner is satisfied that an equitable amount of motor fuel is purchased within this state by such carriers.

Each report shall contain a confession of judgment for the amount of the tax shown due thereon to the extent not timely paid.

Sec. 44. Minnesota Statutes 1980, Section 297A.33, Subdivision 2, is amended to read:

Subd. 2. If the commissioner has reason to believe that the person required to file the return is about to remove himself or his property from this state with the purpose of evading the tax and penalties imposed by sections 297A.01 to 297A.44, or that the collection of such tax will be jeopardized by delays incident to other methods of collection, he may immediately declare such person's reporting period at an end and assess a tax on the basis of his own knowledge or information available to him, demand its immediate payment; and, if payment is not immediately made, collect the tax by any method prescribed in (THIS) chapter 270. It shall not be a defense to any assessment made under this section that the tax period has not terminated, or that the time otherwise allowed by law for filing a return has not expired, or that the notices otherwise required by law for making an assessment have not been given, or that the time otherwise allowed by law for taking or prosecuting an appeal or for paying the tax has not expired.

Sec. 45. Minnesota Statutes 1980, Section 297A.39, Subdivision 2, is amended to read:

Subd. 2. In case of any failure to make and file a return within the time prescribed by sections 297A.01 to 297A.44 or an extension thereof, (UNLESS IT IS SHOWN THAT SUCH

FAILURE IS NOT DUE TO WILFUL NEGLIGENCE,) there shall be added to the tax in lieu of the ten percent specific penalty provided in subdivision 1 ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. If the penalty as computed does not exceed \$10, a minimum penalty of \$10 shall be assessed. The amount so added to any tax shall be collected at the same time and in the same manner and as a part of the tax unless the tax has been paid before the discovery of the negligence, in which case the amount so added shall be collected in the same manner as the tax.

Sec. 46. Minnesota Statutes 1980, Section 297A.39, Subdivision 5, is amended to read:

Subd. 5. All payments received *may, in the discretion of the commissioner of revenue, be credited first to the oldest liability not secured by a judgment or lien, but in all cases shall be credited first to penalties, next to interest, and then to the tax due.*

ARTICLE XII

Section 1. Minnesota Statutes 1980, Section 105.482, Subdivision 1, is amended to read:

Subdivision 1. [PURPOSE.] The public health, safety, and welfare is promoted by the orderly repair and restoration of dams serving the public interest and by the use of existing dams and potential dam sites for hydroelectric or hydromechanical power generation wherever that use is economically justified and environmentally sound. In furtherance of this objective, it is the purpose of this section to facilitate the repair and restoration of dams owned by the state and local governmental units and to investigate and analyze hydroelectric or hydromechanical generating capability of publicly owned dams and potential dam sites.

Sec. 2. Minnesota Statutes 1980, Section 105.482, is amended by adding a subdivision to read:

Subd. 8. [HYDROPOWER GENERATION POLICY; LEASING OF DAMS AND DAM SITES.] Consistent with laws relating to dam construction, reconstruction, repair, and maintenance, the legislature finds that the public health, safety, and welfare of the state is also promoted by the use of state waters to produce hydroelectric or hydromechanical power. Further, the legislature finds that the leasing of existing dams and potential dam sites primarily for such power generation is a valid public purpose. A local governmental unit, or the commissioner of natural resources with the approval of the state executive council, may provide pursuant to a lease or development agreement for the development and operation of dams, dam sites, and hydroelectric or hydromechanical power generation plants owned by the respective government by an individual, a corporation, an organization, or other legal entity upon such terms and conditions as the local governmental unit or the commissioner may negotiate for a period not to exceed 50 years. If the dam, dam site or power generation plant is located in or contiguous to a city or town, other than the lessor governmental unit, the lease or agreement shall not be effective unless it is approved by the governing body of such city or town. For purposes of this subdivision, city means a statutory or home rule charter city.

Sec. 3. Minnesota Statutes 1980, Section 105.482, is amended by adding a subdivision to read:

Subd. 9. [CONTENTS OF DEVELOPMENT AGREEMENT.] An agreement for the development or redevelopment of a hydropower site may contain, but need not be limited to, the following provisions:

(a) Length of the development agreement, subject to negotiations between the parties but not more than 50 years, and conditions for extension, modification, or termination;

(b) Provisions for a performance bond on the developer, or, certification that the equipment and its installation have a design life at least as long as the lease;

(c) Provisions to assure adequate maintenance and safety in the impoundment structures, if any, and to assure access to recreational sites, if any.

- (9) (a) Class 2 property of every household of the value of \$100, maintained in the principal place of residence of the owner thereof. The county auditor shall deduct such exemption from the total valuation of such property as equalized by the revenue commissioner assessed to such household, and extend the levy of taxes upon the remainder only. The term "household" as used in this section is defined to be a domestic establishment maintained either (1) by two or more persons living together within the same house or place of abode, subsisting in common and constituting a domestic or family relationship, or (2) by one person.
- (b) During the period of his active service and for six months after his discharge therefrom, no member of the armed

forces of the United States shall lose status of a householder under paragraph (a) which he had immediately prior to becoming a member of the armed forces.

In case there is an assessment against more than one member of a household the \$100 exemption shall be divided among the members assessed in the proportion that the assessed value of the Class 2 property of each bears to the total assessed value of the Class 2 property of all the members assessed. The Class 2 property of each household claimed to be exempt shall be limited to property in one taxing district, except in those cases where a single domestic establishment is maintained in two or more adjoining districts.

Bonds and certificates of indebtedness hereafter issued by the state of Minnesota, or by any county or city of the state, or any town, or any common or independent school district of the state, or any governmental board of the state, or any county or city thereof, shall hereafter be exempt from taxation; provided, that nothing herein contained shall be construed as exempting such bonds from the payment of a tax thereon, as provided for by section 291.01, when any of such bonds constitute, in whole or in part, any inheritance or bequest, taken or received by any person or corporation.

(10) Farm machinery manufactured prior to 1930, which is used only for display purposes as a collectors item;

Railroad docks and wharves which are part of the operating property of a railroad company as defined in section 270.80 are not exempt.

(14) All agricultural tools, implements and machinery used by the owners in any agricultural pursuit.

(15) Real and personal property used primarily for the abatement and control of air, water, or land pollution to the extent that it is so used, other than real property used primarily as a solid waste disposal site.

Any taxpayer requesting exemption of all or a portion of any equipment or device, or part thereof, operated primarily for the control or abatement of air or water pollution shall file an application with the commissioner of revenue. Any such equipment or device shall meet standards, regulations or criteria prescribed by the Minnesota Pollution Control Agency, and must be installed or operated in accordance with a permit or order issued by that agency. The Minnesota Pollution Control Agency shall upon request of the commissioner furnish information or advice to the commissioner. If the commissioner determines that property qualifies for exemption, he shall issue an order exempting such property from taxation. Any such equipment or device shall continue to be exempt from taxation as long as the permit issued by the Minnesota Pollution Control Agency remains in effect.

(16) Wetlands. For purposes of this subdivision, "wetlands" means land which is mostly under water, produces little if any income, and has no use except for wildlife or water conservation purposes. "Wetlands" shall be land preserved in its natural condition, drainage of which would be feasible and practical and would provide land suitable for the production of livestock, dairy animals, poultry, fruit, vegetables, forage and grains, except wild rice. "Wetlands" shall include adjacent land which is not suitable for agricultural purposes due to the presence of the wetlands. Exemption of wetlands from taxation pursuant to this section shall not grant the public any additional or greater right of access to the wetlands or diminish any right of ownership to the wetlands.

(17) Native prairie. The commissioner of the department of natural resources shall determine lands in the state which are native prairie and shall notify the county assessor of each county in which the lands are located. Upon receipt of an application for the exemption and credit provided in this clause and section 273.116 for lands for which the assessor has no determination from the commissioner of natural resources, the assessor shall refer the application to the commissioner of natural resources who shall determine within 30 days whether the land is native prairie and notify the county assessor of his decision. Exemption of native prairie pursuant to this clause shall not grant the public any additional or greater right of access to the native prairie or diminish any right of ownership to it.

(18) *To the extent provided by section 5, real and personal property used or to be used primarily for the production of hy-*

droelectric or hydromechanical power on a site owned by the state or a local governmental unit which is developed and operated pursuant to the provisions of sections 1 to 3.

[EXEMPTION.] Notwithstanding the provisions of sections 272.01, subdivision 2, 272.02, subdivision 5, and 273.19, subdivision 1, real or personal property used or to be used primarily for the production of hydroelectric or hydromechanical power on a site owned by the state or a local governmental unit and developed and operated pursuant to sections 1 to 3 shall be exempt from property taxation for the five calendar years succeeding the year in which the development agreement is executed.

Subd. 2. [GROSS EARNINGS TAX.] On or before March first of each year, every lessee or operator of a hydropower facility pursuant to sections 1 to 3 shall pay into the treasury of the county where the hydropower facility is principally located ten percent of the gross earnings of the facility for the preceding calendar year. This tax shall be in lieu of all ad valorem taxes upon the real or personal property of the hydropower facility for the calendar year, and the tax shall be imposed for as long as the property is exempt from property taxation under subdivision 1.

Subd. 3. [PROCEEDS; DISTRIBUTION.] The county auditor shall distribute the proceeds of the gross earnings tax to the taxing districts in which the hydropower facility is located. The proceeds shall be apportioned on the basis of the mill rates of the respective taxing districts. If the facility consists of two or more parcels of property which are located in different taxing districts, the proceeds of the tax shall first be apportioned on the basis of the market value of the respective parcels in each of the taxing districts and then apportioned on the basis of the respective taxing districts' mill rates.

Subd. 4. [CALCULATION OF LEVY LIMITS.] In calculating the levy limits pursuant to sections 275.50 to 275.515, the amount of any proceeds of the gross receipts tax distributed to a governmental subdivision shall be deducted from the levy limitation determined under section 275.51, subdivision 3e for the year following the year in which the distribution was received.

Such additional taxes shall be extended against the property on the tax list for the current year, provided, however, that no interest or penalties shall be levied on such additional taxes if timely paid, and provided further, that such additional taxes shall only be levied with respect to the last three years that the said property has been valued and assessed under this section.

Sec. 2. Minnesota Statutes 1980, Section 273.111, Subdivision 11, is amended to read:

The payment of special local assessments levied after the date of Extra Session Laws 1967, Chapter 60, for improvements made to any real property described in subdivision 3 together with the interest thereon shall, on timely application as provided in subdivision 8, be deferred as long as such property meets the conditions contained in subdivisions 3 and 6. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. When such property (IS SOLD OR) no longer qualifies under subdivisions 3 and 6, all deferred special assessments plus interest shall be payable within 90 days. Penalty shall not be levied on any such special assessments if timely paid. If not paid within such 90 days, the county auditor shall include such deferred special assessments plus a ten percent penalty on the tax list for the current year.

Subd. 2. [REASSESSMENT OF HOMESTEAD PROPERTY.] *The county assessor shall reassess all homestead property located within a disaster or emergency area which is physically damaged by the disaster or emergency and shall adjust the valuation for taxes payable the following year to reflect the loss in market value caused by the damage as follows: Subtract the market value of the property as reassessed from the market value of the property as assessed for January 1 of the year in which the disaster or emergency occurred; multiply the remainder by a fraction, the numerator of which is the number of full months remaining in the year on the date the disaster or emergency occurred, and the denominator of which is 12; subtract the product of the calculation from the market value of the property as assessed for January 1 of the year in which the disaster or emergency occurred; the remainder is the estimated market value to be used for taxes payable the following year. The assessor shall report to the county auditor the assessed value based on the assessment of January 1 of the year in which the disaster or emergency occurred and the assessed value based on the reassessment made pursuant to this subdivision.*

Subd. 3. [COMPUTATION OF MILL RATES.] *When computing mill rates, the county auditor shall use the valuation reported by the assessor for the assessment made on January 1 of the year in which the disaster or emergency occurred.*

The difference between the tax determined on the January 1 assessed value and the tax actually payable based on the reassessed value determined under subdivision 2 shall be reimbursed to each taxing jurisdiction in which the damaged property is located. The amount shall be certified by the county auditor and reported to the commissioner of revenue. The commissioner shall make the payments to the taxing jurisdictions containing the property at the time distributions are made pursuant to section 273.13, subdivision 15a, in the same proportion that the ad valorem tax is distributed.*

Subd. 5. For purposes of the property tax refund, property taxes payable, as defined in section 290A.03, subdivision 13, and net property taxes payable, as defined in section 290A.04, subdivision 2d, shall be computed upon the reassessed value determined under subdivision 2.*

Subd. 6. [APPROPRIATION.] There is annually appropriated from the general fund to the commissioner of revenue an amount necessary to make the payments required by this section.

Sec. 2. [EFFECTIVE DATE.]

Subd. 2. [ADMINISTRATION.] As soon as practicable after enactment of this provision, the St. Louis county auditor shall be notified of the additional levy required by Rice Lake. Collection of the tax shall proceed according to Minnesota Statutes, Chapter 276 except that, if the statements of real property taxes due have been mailed or processed so that it would be uneconomical to revise them, a supplementary tax statement for the additional levy shall be prepared and mailed as expeditiously as possible.

Sec. 2. [EFFECTIVE DATE.]

Section 1 is effective the day after compliance with Minnesota Statutes, Section 645.021, Subdivision 3, by the Rice Lake town board.

ARTICLE XVI

Section 1. Minnesota Statutes 1980, Section 290.50, is amended by adding a subdivision to read:

Subd. 6. [WITHHOLDING OF REFUNDS FROM CHILD SUPPORT DEBTORS.]

Upon a finding by a court of this state that a person obligated to pay child support is delinquent in making payments, the amount of child support unpaid and owing shall be withheld from a refund due the person under this section. The public agency responsible for child support enforcement or the parent

or guardian of a child for whom the support is owed may petition the district or county court for an order providing for the withholding of the amount of child support unpaid and owing as determined by court order. The person from whom the refund may be withheld shall be notified of the petition pursuant to the rules of civil procedure prior to the issuance of an order pursuant to this subdivision. The order may be granted on a showing to the court that required support payments have not been made when they were due.

On order of the court, the support money shall be withheld by the commissioner from the refund due to the person obligated to pay the support and the amount withheld shall be remitted to the public agency responsible for child support enforcement or to the parent or guardian petitioning on behalf of the child. Any amount received by the responsible public agency or the petitioning parent or guardian in excess of the amount of public assistance expended for the benefit of the child to be supported, or the amount of any support that had been the subject of the claim pursuant to this subdivision which has been paid by the taxpayer prior to the diversion of the refund, shall be remitted to the person entitled to the money. If the refund is based on a joint or combined return, the portion of the refund that shall be remitted to the petitioner shall be the proportion of the total refund that equals the proportion of the total federal adjusted gross income of the spouses that is the federal adjusted gross income of the spouse who is delinquent in making the child support payments. A petition filed pursuant to this subdivision shall be in effect with respect to any refunds due under this section during a period of one year from the date when the petition was filed. If a petition is filed pursuant to this subdivision and a claim is made pursuant to chapter 270A with respect to the same individual's refund and notices of both are received prior to the time when payment of the refund is made on either claim, the commissioner shall transmit the claims to the court that issued the order under this subdivision. The court shall order that the claim relating to the liability that accrued first in time shall be paid first; any amount of the refund remaining shall then be applied to the other claim. The provisions of section 290.61 shall not prohibit the exchange of information among the department, the petitioner, and the court to the extent necessary to accomplish the intent of this subdivision. Not later than five days after the court has notified the department of its withholding order, the department shall send a written notification of the order to the person to whom the refund would otherwise be paid.

Sec. 2. [EFFECTIVE DATE.]

This article is effective the day following final enactment and shall terminate June 30, 1984.

In the latter instance, the commissioner may furnish information to a buyer and a seller with respect to the specific transaction in question. ARTICLE XXII

Section 1. Minnesota Statutes 1981 Supplement, Section 290A.03, Subdivision 8, is amended to read:

Subd. 8. [CLAIMANT.] "Claimant" means a person, other than a dependent, who filed a claim authorized by sections 290A.01 to 290A.20 and who was domiciled in this state during the calendar year for which the claim for relief was filed. In the case of a claim relating to rent constituting property taxes, the claimant shall have resided in a rented or leased unit on which ad valorem taxes or payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes, are payable at some time during the calendar year covered by the claim (, EXCEPT THAT A CLAIMANT WHO IS DISABLED OR WHO HAS ATTAINED

THE AGE OF 65 ON THE DATE SPECIFIED IN SECTION 290A.04, SUBDIVISION 1, MAY FILE A CLAIM BASED ON RESIDENCE IN A NURSING HOME ON WHICH AD VALOREM TAXES WERE NOT PAYABLE.) "Claimant" shall not include a resident of a nursing home, intermediate care facility, or long term residential facility whose rent constituting property taxes is paid pursuant to the supplemental security income program under Title XVI of the social security act, the Minnesota supplemental aid program under sections 256D.35 to 256D.41, the medical assistance program pursuant to Title XIX of the social security act, or the general assistance medical care program pursuant to section 256D.03, Subdivision 3. If only a portion of the rent constituting property taxes is paid by these programs, the resident shall be a claimant for purposes of this chapter, but the refund calculated pursuant to section 290A.04 shall be multiplied by a fraction, the numerator of which is income as defined in subdivision 3 reduced by the total amount of income from the above sources other than vendor payments under the medical assistance program or the general assistance medical care program and the denominator of which is income as defined in subdivision 3 plus vendor payments under the medical assistance program or the general assistance medical care program, to determine the allowable refund pursuant to this chapter. In the case of a claim for rent constituting property taxes of a part year resident, the income and rental reflected in this computation shall be for the period of Minnesota residency only. Any rental expenses paid which may be reflected in arriving at federal adjusted gross income cannot be utilized for this computation. When two individuals of a household are able to meet the qualifications for a claimant, they may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final. If a homestead property owner was a part year resident, the income reflected in the computation made pursuant to section 290A.04 shall be for the entire calendar year, including income not assignable to Minnesota.

If a homestead is occupied by two or more renters, who are not husband and wife, the rent shall be deemed to be paid equally by each, and separate claims shall be filed by each. The income of each shall be his household income for purposes of computing the amount of credit to be allowed.

Sec. 2. Minnesota Statutes 1981 Supplement, Section 290A.-03, Subdivision 11, is amended to read:

Subd. 11. [RENT CONSTITUTING PROPERTY TAXES.] "Rent constituting property taxes" means (23 PERCENT) *the amount* of the gross rent actually paid in cash, or its equivalent, or (THAT PORTION) *the amount* of gross rent which is paid in lieu of property taxes, *which is attributable to the tax paid*

on the rental unit in any calendar year by a claimant solely for the right of occupancy of his Minnesota homestead in the calendar year, and which rent constitutes the basis, in the succeeding calendar year of a claim for relief under sections 290A.01 to 290A.20 by the claimant. The amount attributable to taxes paid on the unit shall be determined by multiplying the net tax on the property where the unit is located by a fraction, the numerator of which is the gross rent paid for the calendar year for the unit and the denominator of which is the gross rent paid for the calendar year for the building where the unit is located.

Sec. 3. Minnesota Statutes 1981 Supplement, Section 290A.03, Subdivision 13, is amended to read:

Subd. 13. [PROPERTY TAXES PAYABLE.] "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead before reductions made pursuant to section 273.13, subdivisions 6, 7 and 14a, but after deductions made pursuant to sections 124.213, 273.115, 273.116, 273.135 and 273.139 in any calendar year. No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are mobile homes as defined in section 168.011, subdivision 8, "property taxes payable" shall also include (23 PERCENT) *the amount of gross rent paid in the preceding year for the site on which the homestead is located, exclusive of charges for utilities or services which is attributable to the net tax paid on the site; that amount shall be determined by multiplying the net tax on the parcel where the site is located by a fraction, the numerator of which is the gross rent paid for the calendar year for the site and the denominator of which is the gross rent paid for the calendar year for the parcel.* When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue and his decision shall be final. Property taxes are considered payable in the year prescribed by law for the payment of the taxes.

In the case of a claim relating to "property taxes payable", the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.13, subdivisions 6, 7, or 14a on or before June 1 of the year in which the "property taxes payable" were levied; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made prior to July 1 of the year in which the "property taxes payable" were payable.

For property taxes levied in 1981, payable 1982, "property taxes payable" shall be limited to that portion of the property taxes eligible for the homestead credit as determined pursuant to section 273.13, subdivision 15b.

Sec. 4. Minnesota Statutes 1980, Section 290A.03, is amended by adding a subdivision to read:

Subd. 14. [NET TAX.] "Net tax" means the property tax, exclusive of special assessments, interest, and penalties, or payments made in lieu of ad valorem taxes, including payments of special assessments imposed in lieu of ad valorem taxes, for the calendar year in which the rent was paid. If a portion of the property is occupied as a homestead or is used for other than rental purposes, the net tax shall be the amount of tax before reductions pursuant to section 273.13, subdivisions 6, 7, and 14a, reduced by the proportion which the square footage of the non-rental use is of the total.

Sec. 5. [EFFECTIVE DATE.]

Sections 1 to 4 are effective for claims based on rent paid in 1982 and thereafter.

(b) *Notwithstanding clause (a), a credit of not to exceed seven cents shall be allowed a producer for the payment of taxes for bonds, and interest on them, issued by Independent School District 703 prior to July 1, 1983, for which the producer's property has been made subject to direct taxes.*

(c) *The credit allowed in this subdivision shall be allowed against taxes payable in the calendar years following the issuance and sale of the bonds until the total credit allowed in all years equals the total liability of the producer for direct taxes for the payment of the bonds and interest. If necessary to equal the total liability of the producer, the credit may be taken in years after the years when the taxes for the bond principal and interest were paid.*

The (TOTAL) amount of credit allowable hereunder *in any year with respect to production from any plant subjected to (SUCH) direct taxes shall not exceed the amount of the direct taxes levied in the prior year against (SUCH) the plant (AND PAYABLE AFTER JANUARY 1, 1969, AND UNTIL SAID BONDS) for the bonds and interest and the indebtedness secured thereby (HAVE BEEN PAID IN FULL).*

Sec. 3. [INDEPENDENT SCHOOL DISTRICTS 319 AND 703; BONDS.]

Subdivision 1. Independent School District 319 may issue bonds in an aggregate principal amount not exceeding \$850,000 and Independent School District 703 may issue bonds in an aggregate principal amount not exceeding \$5,480,000, in addition to any bonds already issued or authorized, to provide funds to construct, equip, furnish, remodel, rehabilitate, and acquire land for school facilities and buildings. They may spend the proceeds

of the bond sale for those purposes and any architects', engineers', and legal fees incidental to those purposes or the sale. Except as permitted by this section, the bonds shall be authorized, issued, sold, executed, and delivered in the manner provided by Minnesota Statutes, Chapter 475. A resolution of the board levying taxes for the payment of the bonds and interest on them as authorized by this section and pledging the proceeds of the levies for the payment of the bonds and interest on them shall be deemed to be in compliance with the provisions of chapter 475 with respect to the levying of taxes for their payment.

Subd. 2. Taconite plants, lands containing taconite, and lands where taconite plants are located or which are used in connection with them and the buildings, machinery, equipment, and other fixtures used in the production of taconite, as defined in Minnesota Statutes, Sections 298.23 to 298.28, located in the school district are made subject to taxes for payments of 90 percent of the principal and interest on the bonds issued under authority of this section, notwithstanding any contrary provision of sections 298.23 to 298.28. If the properties are all owned by one person, corporation, partnership or joint venture, it shall not be necessary to make any determination of their value. If the properties are owned by more than one person, corporation, partnership or joint venture, the taxes shall be apportioned annually among them by the county auditor on the basis of their relative values, upon investigation of the facts as the auditor deems necessary. Taxes levied in accordance with subdivisions 2 to 4 shall be collected in the same manner as taxes levied by a school district upon real property subject to taxation but any portion of taxes levied for the payment of installments of principal and interest of bonds may be paid without penalty on or before October 31 of the year in which the taxes become due and payable if the installment of principal and interest is not due until more than 60 days thereafter.

Subd. 3. After the sale and before the delivery of any bonds under authority of this section, the school board shall, by resolution, levy upon all of the property described in subdivision 2 located in the school district a direct, general tax for each year of the term of the bonds in amounts that, if collected in full, will produce 90 percent of the amounts needed to meet when due the principal and interest payments on the bonds. A copy of the resolution shall be filed and the taxes levied shall be collected as nearly as possible as specified in Minnesota Statutes, Section 475.61.

Subd. 4. Bonds issued under authority of this section shall be the general obligations of the school district, for which its full faith and credit and unlimited taxing powers shall be pledged. If there are any deficiencies in the collections of the taxes levied pursuant to subdivision 3, and they are not made good as provided by section 298.225, they shall be made good by general levies, not subject to limit, on all taxable properties in the district in

accordance with Minnesota Statutes, Section 475.74. If any deficiency levies are necessary, the school board may effect a temporary loan or loans on certificates of indebtedness issued in anticipation of them to meet payments of principal or interest on the bonds due or about to become due.

Subd. 5. In addition to the levies made in accordance with subdivisions 2 and 3, the school board shall at the same time by resolution levy on all property in the school district subject to the general ad valorem school tax levies, and not subject to taxation under Minnesota Statutes, Sections 298.23 to 298.28, a direct annual, ad valorem tax for each year of the term of the bonds in amounts that, if collected in full, will produce the amounts needed to meet when due ten percent of the principal and interest payments on the bonds. A copy of the resolution shall be filed, and the necessary taxes shall be extended, assessed, collected, and remitted in accordance with Minnesota Statutes, Section 475.61.

Subd. 6. The lien imposed by taxes levied by Independent School District 319 upon the properties described in subdivision 2 shall be subordinate to all mortgages or other encumbrances of record and on file on the effective date of this section.

Subd. 7. Taxes levied pursuant to this section shall be disregarded in the calculation of any other tax levies or limits on tax levies provided by other law.

Subd. 8. Bonds may be issued under authority of this section notwithstanding any limitations upon the indebtedness of a district, and their amounts shall not be included in computing the indebtedness of a district for any purpose, including the issuance of subsequent bonds and the incurring of subsequent indebtedness.

Subd. 9. This section is effective for Independent School District 319 the day after its governing body complies with Minnesota Statutes, Section 645.021, Subdivision 3 and for Independent School District 703 the day after its governing body complies with Minnesota Statutes, Section 645.021, Subdivision 3.

Sec. 4. [INDEPENDENT SCHOOL DISTRICT 710.]

Subdivision 1. Commencing with taxes payable in 1983, the commissioner of revenue shall deduct and annually pay to Independent School District 710 an amount equal to four cents per gross ton of merchantable iron concentrate produced but not less than \$240,000 annually from the taxes paid pursuant to sections 298.23 to 298.28 by a person, corporation, partnership, operator, joint venture or other owner of a taconite plant and taconite properties located within the school district. The deduction shall be made from the amount which would otherwise have been distributed to the northeast Minnesota economic protection fund

in the apportionment fund in the state treasury under section 298.28, subdivision 1. A sum is annually appropriated to the commissioner from the proceeds of the taxes sufficient to make the payments required by this section.

Subd. 2. If the producer described in subdivision 1 ceases operations or decreases its operations so that the amount of the deduction of four cents per gross ton of concentrate produced is insufficient to raise \$240,000 annually, then the difference between the deduction of four cents per gross ton of concentrate produced and \$240,000 shall be paid as provided in section 298.225.

Subd. 3. The revenue received pursuant to this section by Independent School District 710 shall be deposited in the bond redemption fund of the district and shall be used only to retire the bonds issued on May 1, 1981 in the amount of \$6,000,000.

Subd. 4. The deduction and payment provided in subdivisions 1 and 2 shall terminate upon maturity or payment of the last of those bonds.

Subd. 5. This section is effective the day after compliance with Minnesota Statutes, Section 645.021, Subdivision 3, by the governing body of Independent School District 710.

Sec. 5. [EFFECTIVE DATE.]

The credit provided by section 2 shall be allowed for direct taxes levied in 1982 and thereafter and payable in 1983 and thereafter. Except as otherwise provided in this article, this article is effective the day after final enactment.

ARTICLE XXIV

Section 1. Minnesota Statutes 1980, Section 273.42, as amended by Laws 1981, First Special Session Chapter 1, Article II, Section 15, is amended to read:

273.42 [RATE OF TAX; ENTRY AND CERTIFICATION; CREDIT ON PAYMENT; PROPERTY TAX CREDIT.]

Subdivision 1. The property set forth in section 273.37, subdivision 2, consisting of transmission lines of less than 69 kv and transmission lines of 69 kv and above located in an unorganized township, and distribution lines not taxed as provided in sections 273.38, 273.40 and 273.41 shall be taxed at the average rate of taxes levied for all purposes throughout the county and shall be entered on the tax lists by the county auditor against the owner thereof and certified to the county treasurer at the same time

and in the same manner that other taxes are certified, and, when paid, shall be credited (, 35) as follows: 50 percent to the general revenue fund of the county (,) and 50 percent to the general school fund of the county, (AND 15 PERCENT TO THE TOWNSHIPS WITHIN THE COUNTY IN WHICH THE LINES ARE LOCATED. THE AMOUNT AVAILABLE FOR DISTRIBUTION TO THE TOWNSHIPS SHALL BE DIVIDED AMONG THE TOWNSHIPS IN THE SAME PROPORTION THAT THE LENGTH OF TRANSMISSION LINE IN EACH TOWNSHIP BEARS TO THE TOTAL LENGTH OF TRANSMISSION LINE IN THE COUNTY) *except that if there are high voltage transmission lines as defined in section 116C.52, the construction of which was commenced after July 1, 1974 and which are located in unorganized townships within the county, then the distribution of taxes within this subdivision shall be credited as follows: 50 percent to the general revenue fund of the county, 40 percent to the general school fund of the county and 10 percent to a utility property tax credit fund, which is hereby established.*

Subd. 2. Owners of land defined as class 3, 3b, 3c, 3cc, 3d or 3f pursuant to section 273.13 listed on records of the county auditor or county treasurer over which runs a high voltage transmission line as defined in section 116C.52, subdivision 3, except a high voltage transmission line the construction of which was commenced prior to July 1, 1974, shall receive a property tax credit in an amount determined by multiplying a fraction, the numerator of which is the length of high voltage transmission line which runs over that parcel and the denominator of which is the total length of that particular line running over all property within the city (,) or township (OR UNORGANIZED TOWNSHIP) by ten percent of the transmission line tax revenue derived from the tax on that portion of the line within the city (,) or township (OR UNORGANIZED TOWNSHIP) pursuant to section 273.36. *In the case of property owners in unorganized townships, the property tax credit shall be determined by multiplying a fraction, the numerator of which is the length of the qualifying high voltage transmission line which runs over the parcel and the denominator of which is the total length of the qualifying high voltage transmission line running over all property within all the unorganized townships within the county, by the total utility property tax credit fund amount available within the county for that year pursuant to section 273.42, subdivision 1.* Where a right-of-way width is shared by more than one property owner, the numerator shall be adjusted by multiplying the length of line on the parcel by the proportion of the total width of the parcel owned by that property owner. The amount of credit for which the property qualifies shall not exceed 20 percent of the total gross tax on the parcel prior to deduction of the state paid agricultural credit and the state paid homestead credit, provided that, if the property containing the right of way is included in a parcel which exceeds 40 acres, the total gross tax on the parcel shall be multiplied by a fraction, the numerator of which is the sum of the number of acres

in each quarter-quarter section or portion thereof which contains a right of way and the denominator of which is the total number of acres in the parcel set forth on the tax statement, and the maximum credit shall be 20 percent of the product of that computation, prior to deduction of those credits. The auditor of the county in which the affected parcel is located shall calculate the amount of the credit due for each parcel and transmit that information to the county treasurer. The county auditor, in computing the credits received pursuant to sections 273.13 and 273.135, shall reduce the gross tax by the amount of the credit received pursuant to this section, unless the amount of the credit would be less than \$10.

If, after the county auditor has computed the credit to those qualifying property owners in unorganized townships, there is money remaining in the utility property tax credit fund, then that excess amount in the fund shall be returned to the general school fund of the county.

Sec. 2. Minnesota Statutes 1980, Section 273.425, is amended to read:

273.425 [ADJUSTMENT OF LEVY.]

When preparing tax lists pursuant to section 275.28 for each levy year for which credits will be payable under section 273.42, the county auditor shall deduct from the assessed valuation of the property within the county an amount equal to ten percent of the assessed valuation of transmission lines with respect to which a credit is to be paid *and which are valued pursuant to section 273.36*. The mill rate necessary to be applied to this reduced total valuation in order to raise the required amount of tax revenue for the local taxing authorities shall be applied to the value of all taxable property in the county, including the entire valuation of those transmission lines. The proceeds of the tax levied against the excluded ten percent of the value of those transmission lines shall be available for purposes of funding of the credit provided in section 273.42. If the amount of that portion of the levy exceeds the amount necessary to fund the credits, the excess shall be distributed to the taxing districts within which the affected property is located in proportion to their respective mill rates, to be used for general levy purposes.

Sec. 3 [EFFECTIVE DATE.]

This article is effective for taxes levied in 1982 and thereafter, payable in 1983 and thereafter.

ARTICLE XXIX

Section 1. Minnesota Statutes 1981 Supplement, Section 272.-46, is amended to read:

272.46 [AUDITOR TO FURNISH STATEMENT OF TAX LIENS AND TAX SALES; FEES; APPLICATION.]

Subdivision 1. [CERTIFICATION OF TAX LIENS.] The county auditor, upon written application of any person, shall make search of the records of his office, and ascertain the existence of all tax liens and tax sales as to any lands described in the application, and certify the result of such search under his hand and the seal of his office, giving the description of the land and all tax liens and tax sales shown by such records, and the amount thereof, the year of tax covered by such lien, the date of tax sale, and the name of the purchaser at such tax sale.

For such service the county auditor shall charge a fee not to exceed \$5 for each lot or tract of land described in the certificate. The amount of the fee will be established by the county board on or before July 1 of each year. Any number of contiguous tracts of land not exceeding one section, assessed as broad acres, or adjoining lots in the same block, in the city, shall be considered as one lot or parcel within the meaning of this section. The provisions of this section shall not apply to counties having a population of more than 225,000.

Subd. 2. [AUDITOR TO COMBINE LEGAL DESCRIPTIONS.] The county auditor, upon written application of any person, shall for property tax purposes only, combine legal descriptions, as defined in section 272.195, of contiguous parcels to which the applicants hold title.

Sec. 2. Minnesota Statutes 1981 Supplement, Section 273.11, Subdivision 1, is amended to read:

Subdivision 1. [GENERALLY.] Except as provided in subdivisions 2, 6 and 7 or section 273.17, subdivision 1, all property shall be valued at its market value. *The market value as determined pursuant to this section shall be stated such that any amount under \$100 is rounded up to \$100 and any amount exceeding \$100 shall be rounded to the nearest \$100.* In estimating and determining such value, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall he adopt as a criterion of value the price for which such property would sell at auction or at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such sum or price as he believes the same to be fairly worth in money. In assessing any tract or lot of real property, the value of the land, exclusive of structures and improvements, shall be determined, and also the value of all structures and improvements thereon, and the aggregate value of the property, including all structures and improvements, excluding the value of crops growing upon cultivated land. In valuing real property upon which there is a mine or quarry, it shall be valued at such price as such property, including the mine or quarry, would sell for a fair, voluntary sale, for cash. In valuing real property which is vacant, the fact that such property is platted shall not be taken into account. An individual lot of such platted property shall not be assessed in excess of the assessment of the land as if it were unplatted until the lot is improved with a permanent improvement all or a portion of which is located upon the lot, or for a period of three years after final approval of said plat whichever is shorter. When a lot is sold or construction begun, the assessed value of that lot or any single contiguous lot fronting on the same street shall be eligible for reassessment. All property, or the use thereof, which is taxable under sections 272.01, subdivision 2, or 273.19, shall be valued at the market value of such property and not at the value of a leasehold estate in such property, or at some lesser value than its market value.

Sec. 3. Minnesota Statutes 1980, Section 282.014, is amended to read:

282.014 [COMPLETION OF SALE AND CONVEYANCE.]

Upon compliance by the purchaser with the provisions of sections 282.011 to 282.015 and with the terms and conditions of the sale, and upon full payment for the land, *plus a \$10 fee in addition to the sale price*, the sale shall be complete and a conveyance of the land shall be issued to the purchaser as provided by the appropriate statutes according to the status of the land upon forfeiture.

Sec. 4. Minnesota Statutes 1980, Section 282.09, Subdivision 1, is amended to read:

Subdivision 1. [MONEYS PLACED IN FUND.] The county auditor and county treasurer shall place all moneys received through the operation of sections 282.01 to 282.13 in a fund to be known as the forfeited tax sale fund and all disbursements and costs shall be charged against that fund, when allowed by the county board. Members of the county board may be paid a per diem pursuant to section 375.055, subdivision 1, and reimbursed for their necessary expenses, and may receive mileage as now or hereafter fixed by law. Compensation of a land commissioner and his assistants, if a land commissioner is appointed, shall be in such amount as shall be determined by the county board. The county auditor shall receive 50 cents for each certificate of sale, each contract for deed and each lease executed by him, and in counties where no land commissioner is appointed such additional annual compensation, not exceeding \$300, as shall be fixed by the county board. Compensation of any other clerical help that may be needed by the county auditor or land commissioner shall be in such amount as shall be determined by the county board. All compensation provided for herein shall be in addition to other compensation allowed by law. (OUT OF THE GROSS PROCEEDS IN THIS FUND THERE SHALL BE PAID TO THE STATE, IN ADDITION TO ANY DISTRIBUTION OF NET PROCEEDS THEREFROM, A FEE OF \$3 FOR EACH AND EVERY STATE DEED HEREAFTER ISSUED OR REISSUED BY THE COMMISSIONER OF REVENUE PURSUANT TO THE SALE OF ANY TAX-FORFEITED LANDS.) Fees so charged *in addition to the fee imposed in section 3* shall be included in the annual settlement by the county auditor as hereinafter provided. On or before February 1 in each year, the commissioner of revenue shall certify to the commissioner of finance, by counties, the total number of state deeds issued and reissued during the preceding calendar year for which such fees are charged and the total amount thereof. When disbursements are made from the fund for repairs, refundments, expenses of actions to quiet title, or any other purpose which particularly affects specific parcels of forfeited lands, the amount of such disbursements shall be charged to the account of the taxing districts interested in such parcels. The county auditor shall make an annual settlement of the net proceeds received from sales and rentals by the operation of sections 282.01 to 282.13, at the regular March settlement, for the preceding calendar year.

Sec. 5. [297.041] [SALES TO INDIAN TRIBES.]

Subdivision 1. [WHOLESALEERS.] Any wholesaler who furnishes a surety bond in a sum satisfactory to the commissioner shall be permitted to set aside, without affixing the stamps required by this chapter, that part of his stock necessary for the conduct of his business in making sales to the established governing body of any Indian tribe recognized by the United States Department of Interior. The unstamped stock shall be kept separate

and apart from stamped stock. Every wholesaler shall, at the time of shipping or delivering any of the unstamped stock to an Indian tribal organization, make a true duplicate invoice which shall show the complete details of the sale or delivery and shall transmit the duplicate to the commissioner not later than the fifteenth day of the following calendar month. Failure to comply with the requirements of this section shall cause the commissioner to revoke the permission granted to the wholesaler to maintain a stock of goods which may be unstamped. The commissioner may also revoke this permission to maintain a stock of unstamped goods for sale to a specific Indian tribal organization when it appears that sales of unstamped cigarettes to persons who are not enrolled members of a recognized Indian tribe are taking place, or have taken place, within the exterior boundaries of the reservation occupied by that tribe.

Subd. 2. [RETAILERS.] Retailers who are Indian tribal organizations may maintain unstamped stock intended for sale to qualified purchasers.

Subd. 3. [QUALIFIED PURCHASERS.] A qualified purchaser of unstamped cigarettes means only an enrolled member of the Indian tribe which is offering the cigarettes for sale.

Subd. 4. [SALES TO NONQUALIFIED BUYERS.] Any retailer who sells or otherwise disposes of any unstamped cigarettes other than to a qualified purchaser shall collect from the buyer or transferee the tax imposed by section 297.02, subdivision 1, and remit the tax to the department of revenue at the same time and manner as required by section 297.07. In the event the retailer fails to collect the tax from the buyer or transferee, or fails to remit the tax, the retailer shall be personally responsible for the tax and the commissioner may seize any cigarettes destined to be delivered to the retailer. The cigarettes so seized shall be considered contraband and be subject to the procedures outlined in section 297.08, subdivision 3. The proceeds of the sale of any such cigarettes may, after deducting all costs and expenses, be applied to any tax liability owed by the retailer.

The provisions of this section shall not relieve the buyer or possessor of unstamped cigarettes from personal liability for the tax.

References to the Internal Revenue Code of 1954 in clauses (a), (b) and (c) following shall mean the code in effect for the purpose of defining gross income for the applicable taxable year.

(a) Modifications increasing federal adjusted gross income. There shall be added to federal adjusted gross income:

(14) Exempt-interest dividends, as defined in section 852(b)(5)(A) of the Internal Revenue Code of 1954, not included in federal adjusted gross income pursuant to section 852(b)(5)(B) of the Internal Revenue Code of 1954, except for that portion of exempt-interest dividends derived from interest income on obligations of the state of Minnesota, any of its politi-

cal or governmental subdivisions, any of its municipalities, or any of its governmental agencies or instrumentalities;

(15) The amount of any excluded gain recognized by a trust on the sale or exchange of property as defined in section 641(c) (1) of the Internal Revenue Code of 1954;

(16) (FOR TAXABLE YEARS BEGINNING AFTER DECEMBER 31, 1980 BUT BEFORE JANUARY 1, 1983, IN THE CASE OF RECOVERY PROPERTY WITHIN THE MEANING OF SECTION 168 OF THE INTERNAL REVENUE CODE OF 1954 AS AMENDED THROUGH DECEMBER 31, 1981, THE AMOUNT ALLOWED UNDER SECTION 167 OF THE INTERNAL REVENUE CODE;)

This modification is limited to property that qualified for the energy credit contained in section 290.06, subdivision 14, and to property acquired in exchange for the release of the taxpayer's marital rights contained in section 290.14, clause (9);

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes, that does not exceed such difference in basis; but if such gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to 60 per centum of the portion of the gain. This modification shall not be applicable if the difference in basis is due to disallowance of depreciation pursuant to section 290.101.

(3) Interest or dividend income on securities to the extent exempt from income tax under the laws of this state authorizing the issuance of the securities but includible in gross income for federal income tax purposes;

(4) Losses, not otherwise reducing federal adjusted gross income assignable to Minnesota, arising from events or transactions which are assignable to Minnesota under the provisions of sections 290.17 to 290.20, including any capital loss or net operating loss carryforwards or carrybacks or out of state loss carryforwards resulting from the losses, and including any farm loss carryforwards or carrybacks;

(4) For property subject to the modifications contained in clause (1) or (2) above, the following modification shall be made after the entire amount of the allowable deduction for that property under the provisions of section 168 of the Internal Revenue Code has been obtained. Nothing in this clause (b) shall be construed to limit or reduce an allowance otherwise allowable under clause (a).

(c) For purposes of this subdivision "reasonable allowance" shall (NOT) include the accelerated cost recovery system provisions of section 168 of the Internal Revenue Code of 1954, as amended through December 31, 1981, except as provided in this subdivision (UNLESS SPECIFICALLY AUTHORIZED BY LEGISLATION ENACTED AFTER THE FINAL ENACTMENT OF THIS SECTION). In the case of recovery property within the meaning of section 168 of the Internal Revenue Code of 1954, as amended through December 31, 1981, the term "reasonable allowance" as used in clause (a) shall mean 85 percent of the deduction allowed pursuant to section 168 of the Internal Revenue Code of 1954 for *property placed in service after December 31, 1980 and for taxable years beginning (AFTER DECEMBER 31, 1980 AND) before January 1, 1982* (; AND 83 PERCENT OF THE DEDUCTION ALLOWED PURSUANT TO SECTION 168 OF THE INTERNAL REVENUE CODE OF 1954 FOR TAXABLE YEARS BEGINNING AFTER DECEMBER 31, 1981 AND BEFORE JANUARY 1, 1983).

(2) *For 15 year real property the allowable percentage is 60 percent.*

For property placed in service after December 31, 1980 the term "reasonable allowance" as used in clause (a) shall mean 100 percent of the deduction allowed pursuant to section 168 of the Internal Revenue Code of 1954 where the taxpayer elects to use the straight line method provided in section 168(b)(3) or a method provided in section 168(e)(2) of the Internal Revenue Code of 1954, as amended through December 31, 1981. For prop-

erty placed in service after December 31, 1980 and for which the full amount of the deduction allowed under section 168 of the Internal Revenue Code of 1954, as amended through December 31, 1981 has been allowed, the remaining basis in those assets for Minnesota purposes shall be a depreciation allowance computed by using the straight line method over the following number of years:

- (3) 10 year property - 5 years.*
- (4) All 15 year property - 7 years.*

When an asset is exchanged for another asset including an involuntary conversion and under the provision of the Internal Revenue Code gain is not recognized in whole or in part on the exchange of the first asset, the basis of the second asset shall be the same as its federal basis provided that the difference in basis due to the limitations provided in this clause can be written off as provided in the preceding sentence.

The modification provided in this clause shall apply before applying a limitation on farm losses as contained in section 290.09, subdivision 29.

(d) Paragraphs (2), (3), and (4) of clause (b) shall apply only in the case of property (other than intangible property) described in clause (a) with a useful life of three years or more.

(1) the construction, reconstruction, or erection of which is completed after December 31, 1958, and then only to that portion of the basis which is properly attributable to such construction, reconstruction, or erection after December 31, 1958, or

(2) acquired after December 31, 1958, if the original use of such property commenced with the taxpayer and commences after such date.

(e) Where, under regulations prescribed by the commissioner, the taxpayer and the commissioner have, after June 30, 1959, entered into an agreement in writing specifically dealing with the useful life and rate of depreciation of any property, the rate so agreed upon shall be binding on both the taxpayer and the commissioner in the absence of facts or circumstances not taken into consideration in the adoption of such agreement. The responsibility of establishing the existence of such facts and circumstances shall rest with the party initiating the modification.

Any change in the agreed rate and useful life specified in the agreement shall not be effective for taxable years before the taxable year in which notice in writing by certified mail is served by the party to the agreement initiating such change.

(f) In the absence of an agreement under clause ((D)) (e) containing a provision to the contrary, a taxpayer may at any time elect in accordance with regulations prescribed by the commissioner to change from the method of depreciation prescribed in clause (b)(2) to the method described in clause (b)(1).

Current expenses and losses shall be utilized as deductions in any taxable year, to the extent herein allowable, prior to the application of any carryback or carryover deductions. In any event, the combined amounts of such current expenses and losses and carryback or carryover deductions shall be allowed as deductions up to the amount of the income and gains arising from a farm or farms in any taxable year, plus the first \$15,000 of non-farm gross income, or non-farm taxable net income in the case of a corporation, provided however that in any case where non-farm income exceeds \$15,000, the maximum allowable amount of \$15,000 shall be reduced by twice the amount by which the non-farm income exceeds the amount of \$15,000.

(NO DEDUCTION OR REFUND SHALL BE ALLOWED ON 1974 RETURNS FOR FARM LOSSES WHICH HAVE BEEN PREVIOUSLY CARRIED BACK TO EARLIER YEARS AND FOR WHICH A TAX REFUND OR REDUCTION HAS BEEN ALLOWED.)

(f) [INTEREST ON CLAIMS.] In any case in which a taxpayer is entitled to a refund in a carryback year due to the carryback of a farm loss, interest shall be computed only from the end of the taxable year in which the loss occurs.

(g) [ORDER OF APPLICATION.] The application of this subdivision shall be made after applying any limitation to out of state losses contained in section 290.17.

Sec. 5. Minnesota Statutes 1981 Supplement, Section 290.091, as amended by Laws 1981, Third Special Session Chapter 2, Article III, Section 9, is amended to read:

290.091 [MINIMUM TAX ON PREFERENCE ITEMS.]

In addition to all other taxes imposed by this chapter there is hereby imposed, a tax which, in the case of a resident individual, shall be equal to 40 percent of the amount of the taxpayer's minimum tax liability for tax preference items pursuant to the provisions of sections 55 to 58 and 443(d) of the Internal Revenue Code of 1954 as amended through December 31, 1980 except that for purposes of the tax imposed by this section, capital gain as defined in section 57(a) of the Internal Revenue Code shall not include that portion of any gain occasioned by sale, transfer or the granting of a perpetual easement pursuant to any eminent domain proceeding or threat thereof as described in section 290.13, subdivision 5. This modification shall apply to the years in which the gain or reduction in loss is actually included in federal adjusted gross income even though amounts received pursuant to the eminent domain proceedings were received in prior years. In the case of a resident individual, having preference items which could not be taken to reduce income from sources outside the state pursuant to section 290.17, subdivision 1, or any other taxpayer the tax shall equal 40 percent of that federal liability, multiplied by a fraction the numerator of which is the amount of the taxpayer's preference item income allocated to this state pursuant to the provisions of sections 290.17 to 290.20, and the denominator of which is the taxpayer's total preference item income for federal purposes.

For property placed in service after December 31, 1980, the preference items contained in section 57 (a) (12) of the Internal Revenue Code of 1954, as amended through December 31, 1981, shall not apply to individuals, estates, trusts, or corporations.

Sec. 6. Minnesota Statutes 1981 Supplement, Section 290.095, Subdivision 11, is amended to read:

Subd. 11. [CARRYBACK OR CARRYOVER ADJUSTMENTS.] (a) For individuals the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal adjusted gross income. For estates and trusts the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal taxable income.

(b) The following adjustments to the amount of the net operating loss that may be carried back or carried over must be made for:

(1) Nonassignable income or losses as required by section 290.17, subdivision 2.

(2) Losses which constitute tax preference items as required in section 290.17, subdivision 1.

(3) Modifications required because of the restrictions on farm losses as provided in section 290.09, subdivision 29.

(4) Adjustments to the determination of federal adjusted gross income that must be made because of changes in the Internal Revenue Code that have not yet been adopted by the legislature by updating the reference to the Internal Revenue Code contained in section 290.01, subdivision 20.

(5) Modifications to income and loss contained in federal adjusted gross income according to the provisions of section 290.01, subdivision 20, clause (c).

(6) Gains or losses which result from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes subject to the limitations contained in section 290.01, subdivision 20, clause (b) (2) and (4).

(7) Interest, taxes, and other expenses not allowed under section 290.10, clauses (9) and (10) or section 290.101.

(8) *The modification for accelerated cost recovery system depreciation as provided in section 2.*

(c) (1) The net operating loss carryback or carryover applied as a deduction in the taxable year to which the net operating loss is carried back or carried over shall be equal to the net operating loss carryback or carryover applied in the taxable year in arriving at federal adjusted gross income (or federal taxable income for trusts and estates) subject to the modifications contained in clause (b) and to the following modifications:

(A) Increase the amount of carryback or carryover applied in the taxable year by the amount of losses and interest, taxes and other expenses not assignable or allowable to Minnesota incurred in the taxable year.

(B) Decrease the amount of carryback or carryover applied in the taxable year by the amount of income not assignable to Minnesota earned in the taxable year and the amount of federal jobs credit or WIN credit earned in the taxable year.

(C) A taxpayer who is not a resident of Minnesota during any part of the taxable year and who has no income assignable

to Minnesota during the taxable year shall apply no net operating loss carryback or carryover in the taxable year.

(2) The provisions of section 172(b) of the Internal Revenue Code of 1954 as amended through December 31, 1980 (relating to carrybacks and carryovers) shall apply. The net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in clause (c) (1) less the amount applied in the earlier taxable year(s). No additional net operating loss carryback or carryover shall be allowed if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. A net operating loss carryback or carryover that was allowed to offset federal income in a year earlier than was possible on the Minnesota return shall still be allowed to offset Minnesota income but only if the loss was assignable to Minnesota in the year the loss occurred.

(d) A net operating loss shall be allowed to be carried back or carried forward only to the extent that loss was assignable to Minnesota in the year the loss occurred or in the year to which the loss was carried over, whichever would allow more of the loss to be allowed for Minnesota purposes.

(e) If a taxpayer has a net operating loss for federal purposes and the provisions of the farm loss limitation as provided in section 290.09, subdivision 29 apply, the limitations applying to the farm losses that are carried back or carried over are applied first and the net operating loss that is carried back or carried over is limited to the excess, if any, that the net operating loss exceeds the farm loss limitation.

Sec. 7. Minnesota Statutes 1980, Section 290.16, Subdivision 15, as amended by Laws 1981, Third Special Session Chapter 2, Article III, Section 11, is amended to read:

Subd. 15. [GAIN FROM DISPOSITIONS OF CERTAIN DEPRECIABLE PROPERTY.] For purposes of this subdivision "depreciable property" shall mean "Section 1245 property" as that phrase is defined in Section 1245(a) (3) of the Internal Revenue Code of 1954, as amended through December 31, (1979) 1981.

In determining net income of any corporate taxpayer, the gain realized from the disposition of "depreciable property" shall be treated in the same manner as is provided by Section 1245 of the Internal Revenue Code of 1954, as amended through December 31, (1979) 1981 and regulations adopted pursuant thereto except that the determination shall be made using the basis computed under this chapter.

Sec. 8. Minnesota Statutes 1980, Section 290.16, Subdivision 16, as amended by Laws 1981, Third Special Session Chapter 2, Article III, Section 12, is amended to read:

Subd. 16. [GAIN FROM DISPOSITION OF CERTAIN DEPRECIABLE REALTY.] For purposes of this subdivision "depreciable realty" shall mean "Section 1250 realty" as that phrase is defined in Section 1250(c) of the Internal Revenue Code of 1954, as amended through December 31, (1979) 1981.

In determining net income of any corporate taxpayer, the gain realized from the disposition of "depreciable realty" shall be treated in the same manner as is provided by Section 1250 of the Internal Revenue Code of 1954, as amended through December 31, (1979) 1981, and regulations adopted pursuant thereto except that the determination shall be made using the basis computed under this chapter.

Sec. 9. Minnesota Statutes 1981 Supplement, Section 290.92, Subdivision 15, is amended to read:

Subd. 15. [PENALTIES.] (1) If any tax required to be deducted and withheld under subdivision 2a or subdivision 3, or any portion thereof, is not paid to or deposited with the commissioner within the time specified in subdivision 6 for the payment thereof, there shall be added thereto a penalty equal to ten percent of the amount so remaining unpaid. Such penalty shall be collected as part of said tax, and the amount of said tax not timely paid, together with said penalty, shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid or deposited until paid. Where an extension of time for payment has been granted under the provisions of subdivision 6, interest shall be paid at the rate specified in section 270.75 from the date when such payment or deposit should have been made if no extension had been granted, until such tax is paid. If payment is not made at the expiration of the extended period the penalties provided in this subdivision shall apply.

(2) In the case of any failure to withhold a tax on wages, make and file quarterly returns or make payments to or deposits with the commissioner of amounts withheld, as required by this section, within the time prescribed by law, unless it is shown that such failure is not due to wilful neglect, there shall be added to the tax in lieu of the penalty provided in paragraph (1) a penalty equal to ten percent of the amount of tax that should have been properly withheld and paid over to or deposited with the commissioner if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been

paid until paid. The amount so added to the tax shall be collected at the same time and in the same manner and as a part of the tax unless the tax has been paid before the discovery of the negligence, in which case the amount so added shall be collected in the same manner as the tax.

(3) If any employer required to withhold a tax on wages, make deposits, make and file quarterly returns and make payments to the commissioner of amounts withheld, as required by sections 290.92 to 290.97, wilfully fails to withhold such a tax or make such deposits, files a false or fraudulent return, wilfully fails to make such a payment or deposit, or wilfully attempts in any manner to evade or defeat any such tax or the payment or deposit thereof, there shall also be imposed on such employer as a penalty an amount equal to 50 percent of the amount of tax (less any amount paid or deposited by such employer on the basis of such false or fraudulent return or deposit) that should have been properly withheld and paid over or deposited with the commissioner. The amount of the tax together with this amount shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid. The penalty imposed by this paragraph shall be collected as a part of the tax, and shall be in addition to any other penalties civil and criminal, prescribed by this subdivision.

(4) If any person required under the provisions of subdivision 7 to furnish a statement to an employee or payee and a duplicate statement to the commissioner, or to furnish a reconciliation of such statements (and quarterly returns) to the commissioner, wilfully furnishes a false or fraudulent statement to an employee or payee or a false or fraudulent duplicate statement or reconciliation of statements (and quarterly returns) to the commissioner, or wilfully fails to furnish a statement or such reconciliation in the manner, at the time, and showing the information required by the provisions of subdivision 7, or regulations prescribed by the commissioner thereunder, there shall be imposed on such a person a penalty of \$10 for each such act or failure to act. The penalty imposed by this paragraph shall become due and payable within ten days after the mailing of a written demand therefor, and may be collected in the manner prescribed in subdivision 6(8).

(5) In addition to the penalties hereinbefore prescribed, any person required to withhold a tax on wages, make and file quarterly returns and make payments or deposits to the commissioner of amounts withheld, as required by this section, who wilfully fails to withhold such a tax or truthfully make and file such a quarterly return or make such a payment or deposit, shall be guilty of a gross misdemeanor.

(6) In lieu of any other penalty provided by law, except the penalty provided by paragraph (4), any person required under the provisions of subdivision 7 to furnish a statement

of wages to an employee and a duplicate statement to the commissioner, who wilfully furnishes a false or fraudulent statement of wages to an employee or a false or fraudulent duplicate statement of wages to the commissioner, or who wilfully fails to furnish such a statement in the manner, at the time, and showing the information required by the provisions of subdivision 7, or regulations prescribed by the commissioner thereunder, shall be guilty of a gross misdemeanor.

(7) Any employee required to supply information to his employer under the provisions of subdivision 5, who wilfully fails to supply information thereunder which would require an increase in the tax to be deducted and withheld under subdivision 2a or subdivision 3, shall be guilty of a misdemeanor.

(8) The term "person," as used in this section, includes an officer or employee of a corporation, or a member or employee of a partnership, who as such officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

(9) All payments received shall be credited first to penalties, next to interest, and then to the tax due.

(10) In addition to any other penalty provided by law, any employee who furnishes a withholding exemption certificate to his employer which the employee has reason to know contains a materially incorrect statement shall be liable to the commissioner of revenue for a penalty of (\$100) \$500 for each instance. The penalty shall be immediately due and payable and may be collected in the same manner as any delinquent income tax.

(11) In addition to any other penalty provided by law, any employer who fails to submit a copy of a withholding exemption certificate required by subdivision 5a, clause (1) (a), (1) (b), or (2) shall be liable to the commissioner of revenue for a penalty of \$50 for each instance. The penalty shall be immediately due and payable and may be collected in the manner provided in subdivision 6(8).

Sec. 10. Minnesota Statutes 1981 Supplement, Section 290.93, Subdivision 1, is amended to read:

Subdivision 1. [REQUIREMENT OF DECLARATION.]

(1) Every individual shall, at the time prescribed in subdivision 5 of this section, make and file with the commissioner a declaration of his estimated tax for the taxable year if

(a) The gross income (as defined in section 290.01, subdivision 20) for the taxable year can reasonably be expected to exceed the gross income amounts set forth in section 290.37,

subdivision 1 pertaining to the requirements for making a return; and

(b) Such gross income can reasonably be expected to include more than \$500 from sources other than wages upon which a tax has been deducted and withheld under section 290.92, subdivision 2a or subdivision 3.

(2) If the individual is an infant or incompetent person, the declaration shall be made by his guardian.

(3) Notwithstanding the provisions of this section, no declaration is required if the estimated tax (as defined in subdivision 3) **(CAN REASONABLY BE EXPECTED TO BE)** is less than (\$100) \$200 for taxable years beginning after December 31, 1981, \$300 for taxable years beginning after December 31, 1982, \$400 for taxable years beginning after December 31, 1983, and \$500 for taxable years beginning after December 31, 1984.

Sec. 11. Minnesota Statutes 1981 Supplement, Section 290.934, Subdivision 4, is amended to read:

Subd. 4. [EXCEPTION.] (a) Notwithstanding the provisions of the preceding subdivisions, the addition to the tax with respect to any underpayment of any installment shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the lesser

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year and such preceding year was a taxable year of 12 months.

(2) An amount equal to the tax computed at the rates applicable to the taxable year but otherwise on the basis of the facts shown on the return of the corporation for, and the law applicable to, the preceding taxable year.

(3) (A) *An amount equal to the tax for the taxable year computed by placing on an annualized basis the taxable income:*

(i) for the first two months of the taxable year, in the case of the installment required to be paid in the third month,

(ii) for the first two months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month,

(iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month, and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this paragraph, the taxable income shall be placed on an annualized basis by

(i) multiplying by 12 the taxable income referred to in subparagraph (A), and

(ii) dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11, as the case may be) referred to in subparagraph (A).

(b) Notwithstanding clause (a) (1) and (2), in the case of a large corporation, the addition to the tax with respect to any underpayment of any installment shall be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installment is less than the amount required to be paid on or before the date. The amount required to be paid as estimated tax for the taxable year shall in no event be less than (60 PERCENT) *the applicable percentage* of (A) the tax shown on the return for the taxable year, or (B) if no return was filed, the tax for the year. The term "large corporation" means any corporation (or any predecessor corporation) which had taxable net income of \$1,000,000 or more for any taxable year during the testing period.
