**"ARTICLE VIII:**

**METROPOLITAN REVENUE DISTRIBUTION REPEALER**

Section 1. Minnesota Statutes, 1982, section 273.76, subdivision 3, is amended to read:

Subd. 3. [TAX INCREMENT (, RELATIONSHIP TO CHAPTER 473F).] ((A) UNLESS THE GOVERNING BODY ELECTS PURSUANT TO CLAUSE (B) THE FOLLOWING METHOD OF COMPUTATION SHALL APPLY:)

(1) (THE ORIGINAL ASSESSED VALUE AND THE CURRENT ASSESSED VALUE SHALL BE DETERMINED BEFORE THE APPLICATION OF THE FISCAL DISPARITY PROVISIONS OF CHAPTER 473F.) Where the original assessed value is equal to or greater than the current assessed value, there is no captured assessed value and no tax increment determination. Where the original assessed value is less than

the current assessed value, the difference between the original assessed value and the current assessed value is the captured assessed value. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured assessed value of the authority.

(2) The county auditor shall exclude the retained captured assessed value of the authority from the taxable value of the local taxing districts in determining local taxing district mill rates. The mill rates so determined are to be extended against the retained captured assessed value of the authority as well as the taxable value of the local taxing districts. The tax generated by the extension of the local taxing district mill rates to the retained captured assessed value of the authority is the tax increment of the authority.

((B) NOTWITHSTANDING CLAUSE (A), THE GOVERNING BODY MAY, BY RESOLUTION APPROVING THE TAX INCREMENT FINANCING PLAN PURSUANT TO SECTION 273.74, SUBDIVISION 3, ELECT THE FOLLOWING METHOD OF COMPUTATION:)

((1) THE ORIGINAL ASSESSED VALUE SHALL BE DETERMINED BEFORE THE APPLICATION OF THE FISCAL DISPARITY PROVISIONS OF CHAPTER 473F. THE CURRENT ASSESSED VALUE SHALL EXCLUDE ANY FISCAL DISPARITY COMMERCIAL-INDUSTRIAL ASSESSED VALUE INCREASE BETWEEN THE ORIGINAL YEAR AND THE CURRENT YEAR MULTIPLIED BY THE FISCAL DISPARITY RATIO DETERMINED PURSUANT TO SECTION 473F.08, SUBDIVISION 6. WHERE THE ORIGINAL ASSESSED VALUE IS EQUAL TO OR GREATER THAN THE CURRENT ASSESSED VALUE, THERE IS NO CAPTURED ASSESSED VALUE AND NO TAX INCREMENT DETERMINATION. WHERE THE ORIGINAL ASSESSED VALUE IS LESS THAN THE CURRENT ASSESSED VALUE, THE DIFFERENCE BETWEEN THE ORIGINAL ASSESSED VALUE AND THE CURRENT ASSESSED VALUE IS THE CAPTURED ASSESSED VALUE. THIS AMOUNT LESS ANY PORTION THEREOF WHICH THE AUTHORITY HAS DESIGNATED, IN ITS TAX INCREMENT FINANCING PLAN, TO SHARE WITH THE LOCAL TAXING DISTRICTS IS THE RETAINED CAPTURED ASSESSED VALUE OF THE AUTHORITY.)

((2) THE COUNTY AUDITOR SHALL EXCLUDE THE RETAINED CAPTURED ASSESSED VALUE OF THE AUTHORITY FROM THE TAXABLE VALUE OF THE LOCAL TAXING DISTRICTS IN DETERMINING LOCAL TAXING DISTRICTS MILL RATES. THE MILL RATES SO DETERMINED ARE TO BE EXTENDED AGAINST THE RETAINED CAPTURED ASSESSED VALUE OF THE AU-

THORITY AS WELL AS THE TAXABLE VALUE OF THE LOCAL TAXING DISTRICTS. THE TAX GENERATED BY THE EXTENSION OF THE LOCAL TAXING DISTRICT MILL RATES TO THE RETAINED CAPTURED ASSESSED VALUE OF THE AUTHORITY IS THE TAX INCREMENT OF THE AUTHORITY.)

((3) AN ELECTION BY THE GOVERNING BODY PURSUANT TO PART (B) SHALL BE SUBMITTED TO THE COUNTY AUDITOR BY THE AUTHORITY AT THE TIME OF THE REQUEST FOR CERTIFICATION PURSUANT TO SUBDIVISION 1.)

((C) THE METHOD OF COMPUTATION OF TAX INCREMENT APPLIED TO A DISTRICT PURSUANT TO CLAUSE (A) OR (B), ONCE ESTABLISHED, SHALL REMAIN THE SAME FOR THE DURATION OF THE DISTRICT.)

Sec. 2. [REPEALER.]

*Minnesota Statutes 1982, sections 473F.01, 473F.02, 473F.03, 473F.04, 473F.05, 473F.06, 473F.07, 473F.08, 473F.09, 473F.10, 473F.11, 473F.12, and 473F.13, are repealed.*

#### HOUSE RESOLUTION NO. 2

A house resolution requesting the governments of the United States and the Socialist Republic of Vietnam to take all possible actions to determine the fate of persons missing in action in Southeast Asia; joining with the families of those who are missing in the hope that their long wait will soon be over.

*Whereas*, a decade ago, on January 27, 1973, the Paris Peace Accords were signed to end American involvement in the war in Southeast Asia; and

*Whereas*, one of the conditions of that agreement was provision for a return or accounting for prisoners of war and persons missing in action; and

*Whereas*, the government of Vietnam has only provided information on a few of the missing and this only through the pressure of determined families and dedicated congressmen; and

*Whereas*, 2,490 Americans, including 48 Minnesotans, remain unaccounted for with investigation of their status arrested by failure of the Socialist Republic of Vietnam and its allied governments to cooperate and assist; and

*Whereas*, there have been repeated verified sighting reports that some of the missing men are still alive in Southeast Asia; and

*Whereas*, the sorrow, anxiety, and frustration of the families of these men cannot be dispelled by delay or neglect; and

*Whereas*, it is America's duty to ensure, through an authentic, comprehensive investigation, the return of Americans still in Southeast Asia and to account for Americans who have perished there; and

*Whereas*, it is absolutely essential that the governments of the United States and the Socialist Republic of Vietnam act NOW to account for the missing; *Now, Therefore*,

*Be It Resolved* by the House of Representatives of the State of Minnesota that it joins with the families of the missing men in maintaining a constant vigil of anticipation and hope for a true accounting of their loved ones and the immediate return of the remains of those who died as a result of the war or imprisonment.

*Be It Further Resolved* that the government of the United States should do all it can to answer the questions surrounding the status of the missing men, to secure the return of any living prisoners or missing persons, and to secure the return of the remains of the dead.

*Be It Further Resolved* that the Socialist Republic of Vietnam should immediately yield all information it has on the status of the missing especially since there is no reason for them to refuse to give this information other than a calculated effort to protract the agony of the families of the missing.

*Be It Further Resolved* that the Chief Clerk of the House of Representatives is directed to send enrolled copies of this resolution, authenticated by his signature and that of the Speaker, to the President of the United States, the Speaker and Chief Clerk of the United States House of Representatives, the President and Secretary of the United States Senate, the chairman of the Committee on Foreign Affairs of the United States House of Representatives, the chairman of the Committee on Foreign Relations of the United States Senate, to the Minnesota Representatives and Senators in Congress and to the Permanent Representatives of the Socialist Republic of Vietnam to the United Nations.

## PERMANENT RULES OF THE HOUSE

### ARTICLE I — DAILY BUSINESS

**1.1 CONVENING OF THE HOUSE.** Unless otherwise ordered, regular sessions of the House shall convene at two o'clock p.m. The Speaker shall take the chair at the hour at which the House convenes and the House shall then be called to order. After prayer by the Chaplain or a brief meditation, a roll of members shall be called and the names of members present and members excused shall be entered in the Journal of the House.

**1.2 READING OF THE JOURNAL.** A quorum being present, the Journal of the preceding day shall be read by the Chief Clerk unless otherwise ordered. The House may correct any errors in the Journal of the preceding day.

**1.3 ORDER OF BUSINESS.** After the reading of the Journal, the order of business of the day shall be:

- (1) Presentation of petitions or other communications.
- (2) Reports of standing committees.
- (3) Second reading of House bills.

- (4) Second reading of Senate bills.
- (5) Reports of select committees.
- (6) Introduction and first reading of House bills.
- (7) Consideration of messages from the Senate.
- (8) First reading of Senate bills.
- (9) Consent Calendar.
- (10) Calendar for the day.
- (11) General Orders.
- (12) Motions and resolutions.

Conference committees and the Committee on Rules and Legislative Administration may report at any time.

1.4 SECOND READING OF BILLS. Every bill shall require a second reading.

Except as otherwise ordered, every bill requiring the approval of the Governor shall, after a second reading, be considered in a Committee of the Whole before it shall be finally acted upon by the House.

1.5 COMMITTEE OF THE WHOLE. The Committee of the Whole is a committee of the entire membership of the House. The Speaker may appoint another member as chairman to preside over the Committee of the Whole.

When the House arrives at the General Orders of the Day, it shall resolve itself into a Committee of the Whole to consider bills on General Orders.

A bill considered in the Committee of the Whole shall be reported and then debated by sections, with the title considered last. All amendments shall be typewritten and five copies shall be submitted to the Chairman who shall report them to the House.

1.6 RULES TO APPLY TO COMMITTEE OF THE WHOLE. The Rules of the House shall be observed in the Committee of the Whole so far as may be applicable except that the previous question shall not be forced or speaking limited.

Upon demand of 15 members, the ayes and nays shall be called, the question voted on, and the ayes and nays recorded in the Journal of the House.

In the Committee of the Whole no amendment increasing the amount of any appropriation shall be passed without the ayes and nays recorded in the Journal of the House.

A motion that the committee arise shall always be in order and shall be decided without debate.

Upon the request of any member, a bill shall be excepted from the report of the Committee of the Whole. Only a motion to strike an amendment to the bill adopted in the Committee of the Whole or to amend the recommendation of the Committee of the Whole concerning the disposition of the bill shall be in order.

**1.7 GENERAL ORDERS OF THE DAY.** The Chief Clerk at the direction of the Speaker shall prepare the General Orders of the Day, which is a list of all bills which have not been made Special Orders or placed on the Consent Calendar, numbered according to their order at second reading. Unless otherwise ordered by a majority of the Committee, items on General Orders shall be taken up in numerical order.

The Chief Clerk shall see that a copy of each bill printed under the Rules or Orders of the House is placed in each member's file, which is to be kept at his desk in the chamber, at least 24 hours before the bill shall be considered in the Committee of the Whole. Under the first order of business each day, the Chief Clerk shall report to the House which bills he has placed in the files.

If a bill is progressed three times it shall be placed at the end of General Orders unless otherwise ordered by majority vote.

Except during the last five days in any year on which a bill may be passed, a bill amended in the Committee of the Whole shall not be given its third reading until it is engrossed and reproduced as amended.

**1.8 THIRD READING OF BILLS.** No amendment shall be received after the third reading without the unanimous consent of the House, except to fill blanks or to amend titles.

At any time prior to its passage any bill or resolution may be committed or recommitted by a majority vote of the whole House. If the committee, other than the Committee of the Whole, to which it was committed or recommitted reports an amendment on it, it shall again be given its second reading, considered in Committee of the Whole, given its third reading and placed upon its final passage.

**1.9 SPECIAL ORDERS.** A bill may be made the Order of the Day for a special time and be placed upon a separate list known as "Special Orders".

The Committee on Rules and Legislative Administration may by committee report designate as a Special Order any bill which has had its second reading.

Any member may move to make a bill a Special Order by giving notice at least two legislative days in advance of and specifying the day on which he will so move. The notice shall include the number and title of the bill and the day and time certain for the Special Order. Only the member giving such notice, or another member designated by him in writing to the Speaker, may make the motion for the Special Order. A two-thirds vote of the whole House on such motion is required to make a bill a Special Order.

The time set for the motion may not be extended, and failure to make the motion on the specified day forfeits the right to make the motion.

A motion to make a bill a Special Order, when made according to the procedures herein prescribed, shall be a privileged motion, shall take precedence over all other motions except a motion to adjourn or to set the time to adjourn and questions of personal privilege, and may be made at any time on the day designated in the notice. A three-fourths vote of the whole House is required to suspend the motion.

Any Special Order, or any part of it, may be continued or postponed by two-thirds vote of the whole House at the time of such Special Order.

When the time arrives for the consideration of any Special Order, the House shall consider each bill upon the Special Order in the order in which it is listed. After consideration it shall immediately be read the third time and placed upon final passage.

**1.10 TAX AND APPROPRIATION BILLS GIVEN PRECEDENCE.** At any time after April 11, 1983, any bill relating to taxes or raising revenue shall be acted upon whenever requested by the Chairman of the Committee on Taxes, and any appropriation bill shall be acted upon whenever requested by the Chairman of the Committee on Appropriations.

**1.11 CONSENT CALENDAR.** Any bill of a non-controversial nature for which the committee report recommends placement upon the Consent Calendar shall be given its second reading after the report is adopted and placed upon the Consent Calendar. The bill shall be printed and placed in the members' files at least one

day before it can be considered. The bill shall be placed upon the Consent Calendar in the order in which it is given its second reading.

The Consent Calendar shall immediately precede the order of business known as "Calendar for the Day". Every bill on the Consent Calendar shall be debated, given its third reading and voted upon, provided, however, that at any time prior to third reading, ten members may object to any bill as being controversial. Any bill so objected to shall be stricken from the Consent Calendar and be immediately returned to General Orders, taking its place in the usual order.

1.12 SUSPENSION OF RULES TO ADVANCE A BILL. Every bill shall be reported on three different days, except that in case of urgency, a two-thirds majority of the whole House may suspend this Rule. A motion for suspension of the Rules to advance a bill for consideration out of its regular order is in order under the order of business "Motions and Resolutions" or at any time the bill is before the House. The motion must be presented to the Speaker in writing and must state the present position of the bill.

1.13 MINORITY REPORTS. Any minority report shall be made separately from the majority report and shall be considered before the majority report. If the minority report is adopted the majority report shall not be considered. If the minority report is not adopted the majority report shall then be considered.

1.14 COMMITTEE REPORT LAID OVER. The report of any committee may be laid over one day and printed in the Journal, if so ordered by the House.

1.15 RECALLING BILL FROM COMMITTEE. Except after the deadline for committee reports on bills originating in the House, any bill or resolution may be recalled from any committee at any time by majority vote of the whole House, be given a second reading and be advanced to General Orders. A motion to recall a bill or resolution shall be in order only under the order of business "Motions and Resolutions".

1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee (other than a bill in Appropriations) no report has been made upon it by the committee, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee shall have ten calendar days thereafter in which to vote upon the bill requested. If the committee fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and

shall constitute the demand of the House. The bill shall then be considered to be in the possession of the House, given its second reading and placed at the foot of General Orders.

Such bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

After May 13, 1983, the House shall not act on bills other than those recommended by conference committee reports or the Committee on Rules and Legislative Administration, and those bills contained in messages from the Senate or from the Governor.

**1.17 DISPOSITION OF SENATE BILLS.** Any Senate File received by the House, accompanied by a message announcing its passage by the Senate, shall be referred to the appropriate standing committee in accordance with Rule 5.4. However, if a Senate File is received which is stated by a member to be identical to a House File already reported by a standing committee of the House and placed on General Orders, Calendar, Consent Calendar, or Special Orders, the Senate File shall be referred to the Chief Clerk for comparison. If the Chief Clerk reports that the Senate File is identical with the House File, the Senate File may by majority vote be substituted for the House File and take its place. The fact that the bills are identical shall be entered in the Journal and the House File is then considered withdrawn.

Any Senate File which has been amended on the floor of the House, except at time of final passage, and any Senate File which has been reported to the House with amendments by a House standing committee, shall be unofficially engrossed and reprinted by the Chief Clerk. Amendments to unofficial engrossments of a Senate File may be offered by members on the floor of the House but shall not be offered in standing committees.

**1.18 RECORDED FLOOR PROCEEDINGS.** All proceedings on the floor of the House shall be recorded on magnetic tape or similar recording device under the direction of the Chief Clerk. Two copies of each tape shall be delivered to the Director of the Legislative Reference Library and there maintained on file for use by any member of the public in accordance with the rules of the Legislative Reference Library. At the end of each biennium, the Director of the Legislative Reference Library shall deliver one copy of each tape to the Director of the Minnesota Historical Society.

Any person may obtain a copy of any such tape during the biennium in which it is recorded upon payment of a fee determined by the Chief Clerk to be adequate to cover the cost of preparing the copy.

Discussion preserved under this rule is not intended to be admissible in any court or administrative proceeding on an issue of legislative intent.

## ARTICLE II — VOTING

2.1 AUTHORIZING ELECTRIC VOTING SYSTEM. Except for a vote upon elections or the overriding of a Governor's veto, any vote may be taken by means of the electric voting system which shall be under the control of the Speaker of the House.

2.2 CALL OF THE HOUSE. Ten members may demand a call of the House at any time except after voting has commenced. When such call is demanded, the doors shall be closed, the roll shall be called, the absent members shall be sent for, and no member may be permitted to leave until the roll call is suspended or completed. During the roll call, no motion shall be in order except a motion pertaining to matters incidental to the call. Proceedings under the roll call may be suspended by a majority vote of the whole House. After the roll call is suspended or completed the Sergeant at Arms shall not permit any member to leave the Chamber unless excused by the Speaker. A call of the House may be lifted by a majority vote of the whole House.

2.3 DEMANDING YEAS AND NAYS. Yeas and nays shall be ordered without demand upon final passage of bills and upon adoption of resolutions or motions directing the payment of money. In all other cases the yeas and nays shall be ordered only upon demand of 15 members.

2.4 EXPLAINING OR CHANGING VOTE. No member shall be allowed to explain his vote or discuss the question while the yeas and nays are being taken, nor be allowed to change his vote after the yeas and nays have been announced from the chair by the Speaker.

2.5 EVERY UNEXCUSED MEMBER TO VOTE. Any member who is immediately interested in the question being voted on shall not vote.

Every other member present before a vote is declared from the chair shall vote for or against the matter before the House, unless the House excuses him from voting.

When a member declines to vote on a call of his name, he shall be required to state his reasons for so declining. After the vote has been taken but before the chair has announced the vote, he shall submit to the House the question, "Shall the member, for the reasons stated, be excused from voting?" which shall be decided without debate. Any other proceedings in reference thereto shall take place after announcement of the vote.

## ARTICLE III — MOTIONS AND AMENDMENTS

3.1 MOTIONS. No motion shall be debated until after it is stated by the Speaker.

After a motion has been stated by the Speaker it is in possession of the House, but the mover may withdraw it at any time before amendment or decision. Unless a motion, resolution or amendment is withdrawn on the day it is made, it shall be entered in the Journal, together with the name of the member offering it.

The Speaker may require any motion to be written.

3.2 PRECEDENCE OF MOTIONS. When a question is under consideration, no motion shall be received except the following, the first four of which shall be decided without debate:

- (1) To fix the time of adjournment.
- (2) To adjourn.
- (3) To lay on the table.
- (4) For the previous question.
- (5) To refer.
- (6) To postpone to a day certain.
- (7) To amend.
- (8) To postpone indefinitely.
- (9) To pass.

The motions shall have precedence in the order listed. However, if the motion for the previous question has been seconded and the main question ordered, the motion to lay on the table shall not be in order.

3.3 MOTION TO ADJOURN. A motion to adjourn shall always be in order except during roll call.

When a motion to adjourn is made it shall be in order for the Speaker, before putting the question, to permit any member to state reasons which would seem to render adjournment improper at that time. Such a statement shall not be debatable and shall be limited to not over two minutes.

**3.4 MOTION FOR RECONSIDERATION.** When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that such motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. Such motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken shall have left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made.

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

A motion for reconsideration having been voted upon and lost shall not be renewed.

In 1983 notice of intention to move reconsideration shall not be in order after Monday, April 25.

**3.5 ORDER OF PUTTING QUESTION.** Except in the case of privileged questions, all questions, whether in committee or in the House, shall be put in the order in which they are moved. When filling blanks, a motion for the largest sum or the longest time shall be put first.

**3.6 DIVISION OF A QUESTION.** Any member may request the division of a question which contains several points. A motion to strike out and insert shall not be divisible. If a motion to strike out is lost it shall not preclude another motion to amend or to strike out and insert.

**3.7 THE PREVIOUS QUESTION.** The motion calling for the previous question must be seconded by 15 members. If the motion for the previous question is ordered by a majority of members present, it shall have the effect of cutting off all debate and bringing the House to direct vote upon the question or questions.

The previous question may be moved and ordered upon a single motion, a series of motions allowable under the Rules, or an amendment or amendments; or it may include all authorized motions or amendments, including a vote on final passage of a bill.

On a motion for the previous question, but prior to its being ordered, a call of the House shall be in order. After a majority has ordered the previous question, no call shall be in order prior to the decision on the main question.

When the previous question is decided in the negative, the main question remains under debate until disposed of by taking a vote either on the question or in some other manner.

All incidental questions of order arising after a motion is made for the previous question and prior to the vote on the main question shall be decided without debate.

**3.8 UNANIMOUS CONSENT TO MAKE A MOTION.** Whenever unanimous consent to make a motion is requested by a member, the member as a part of such request shall state briefly the purpose of such motion and the subject matter involved.

**3.9 MOTIONS AND PROPOSITIONS TO BE GERMANE.** No motion or proposition on a subject different from that under consideration shall be admitted under guise of its being an amendment.

**3.10 AMENDMENT NOT TO ANNEX ANOTHER BILL.** Except in a standing committee no bill or resolution shall at any time be amended by annexing or incorporating any other bill or resolution pending before the House.

**3.11 RESOLUTIONS AND MOTIONS INVOLVING EXPENDITURE OF MONEY.** Any resolution or motion involving the expenditure of money out of the legislative expense fund shall be referred to the Committee on Rules and Legislative Administration before being acted upon by the House. A majority vote of the whole House, determined by a roll call, is required to pass any such resolution or motion.

**3.12 AMENDMENTS TO APPROPRIATION BILLS.** No amendment increasing the amount or amounts carried by any appropriation bill shall be declared passed until voted for by a majority of the whole House determined by a roll call vote.

**3.13 MOTION TO RESCIND.** The motion to rescind shall not be in order at any time in any proceeding in the House or in any committee of the House.

**3.14 SUSPENSION OR AMENDMENT OF THE RULES.** The concurrence of two-thirds of the whole House is required to suspend, alter, or amend any Rule of the House, except that any amendment to the Rules reported by the Committee on Rules and Legislative Administration may be adopted by a majority of the whole House.

Except as provided in Rule 1.12, a motion to suspend, alter, or amend any Rule of the House must be made under the order

of business "Motions and Resolutions". If the motion is made at any other time, unanimous consent is required before the Speaker can entertain the motion.

A motion to suspend the Rules, together with the subject matter to which it pertains, is debatable, but the previous question may be applied to the motion.

#### ARTICLE IV — DEBATE AND DECORUM

**4.1 ABSENCE OF MEMBERS AND OFFICERS.** Unless illness or other sufficient cause prevents attendance, no member or officer of the House shall absent himself from any session of the House without first having obtained from the Speaker permission to be absent.

**4.2 DUTIES OF MEMBERS.** Members shall keep their seats until the Speaker announces adjournment.

Every member, before speaking, shall rise from his seat and respectfully address the Speaker and shall not speak further until recognized by the Speaker. When two or more members rise at the same time, the Speaker shall designate the member to speak first.

**4.3 QUESTIONS OF ORDER.** If any member of the House transgresses the Rules, either in speaking or in any other way, the Speaker shall, or any member may, call him to order. A member so called to order shall immediately sit down unless another member moves to permit him to explain. In either case, the House, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall he be at liberty to proceed. A member called to order shall be liable to censure or such other punishment as the House may deem proper.

**4.4 ORDER IN DEBATE.** No member shall speak more than twice on the same subject without leave of the House, nor more than once until every other member wishing to speak on the pending question has had an opportunity to do so.

**4.5 NOTICE OF INTENTION TO DEBATE A RESOLUTION.** Any member may give notice of his intention to debate a resolution. Such notice may be given at any time before the vote is taken on the resolution. If such notice is given, the resolution shall be laid over one day without debate or any other action.

**4.6 OFFENSIVE WORDS IN DEBATE.** If any member is called to order for offensive words in debate, the member calling him to order shall report the words to which exception is taken and the Clerk shall record them. No member shall be held to answer or

be subject to censure of the House for any language used in debate if exception is not taken before any other member has spoken or any other business has taken place.

4.7 ORDER DURING SESSION. No member shall walk out of or across the Chamber when the Speaker is putting the question. No member shall engage in private conversation while another member is speaking or pass between the speaking member and the Chair.

4.8 NO ONE TO REMAIN BY THE CLERK'S DESK. No member or other person shall remain by the Clerk's desk while the yeas and nays are being called.

4.9 WHO MAY BE ADMITTED TO THE FLOOR. No person shall be admitted within the House Chamber, except members themselves, properly authorized employees, the Chief Executive and ex-governors of the State of Minnesota, members of the Senate, heads of departments of the state government, judges of the Supreme and District Courts, members of Congress, properly accredited representatives of radio and television stations, newspapers and press associations, as herein provided for, and none other. When a former member of Congress or the Minnesota Legislature or any other person is issued a permit by the Speaker good for the day he shall be provided with a seat near the Speaker's rostrum, and at no time shall a conversation be carried on so as to disturb the business of the House. Before issuing the permit, the Speaker shall satisfy himself that the person does not seek the floor of the House for the purpose of influencing decisions of the House.

The alcoves shall be kept for the use of members only, and the Sergeant at Arms shall keep them cleared.

It shall not be in order for the Speaker to entertain a request for the suspension of this Rule, or to present from the Chair the request of any member for unanimous consent unless an extraordinary condition exists, in which event he may consent to entertain a motion for its suspension.

During the period extending from one hour prior to the time the House is scheduled to convene until one hour after the House adjourns for the day, the retiring room shall be reserved for the exclusive use of the members and employees of the House or Senators specifically authorized to be present by a House member. No committee meetings shall be held therein except for emergency meetings authorized by the Speaker of the House. The Sergeant at Arms is charged with the duty of strict enforcement of this provision.

4.10 PRESENTATION OF PETITIONS. Any petition, memorial or other paper presented to the House shall include the name of the

member introducing it and a brief description of its contents and shall be presented by the Speaker, who shall state briefly its contents.

**4.11 NO SMOKING IN HOUSE CHAMBER.** No member of the House of Representatives or officer of the House, or other person, shall be permitted to smoke in the House Chamber except in designated smoking areas, confined only to the front desk and the legislative retiring room. There shall be no smoking in the visitors' section of the galleries.

#### ARTICLE V — BILLS

**5.1 BILL FORM.** No bill shall be introduced until it has been examined and approved by the Revisor of Statutes as to form and compliance with the Joint Rules of the House and Senate and the Rules of the House. Approval as to form shall be endorsed on the bill by the Revisor of Statutes.

**5.2 INTRODUCTION OF BILLS AND RESOLUTIONS.** A bill, advisory bill or resolution offered for introduction shall be placed in the hands of the Speaker at least 24 hours prior to the convening of the daily session. Every bill, advisory bill and resolution shall be introduced in quadruplicate and each copy shall contain the signature of the member or name of the committee introducing it. No bill, advisory bill, memorial or resolution shall have more than five authors. Any memorial (a statement of facts being forwarded to a governmental official, agency or body) shall be introduced in the same form as a bill and take the same course as a bill. No resolution shall authorize the expenditure of monies from any source other than the legislative expense fund.

**5.3 ADVISORY BILLS.** An advisory bill may be introduced by any member in the same manner as a bill except that the requirements of Rule 5.1 shall not apply.

Each advisory bill shall be typewritten on a form provided by the Chief Clerk. It shall have a title not exceeding 12 words in length and shall contain a specific proposal for the initiation, termination or alteration of a law or program of the state or any of its subdivisions. It need not be drafted in a form appropriate for enactment into law.

An advisory bill may be considered only in committee and shall not be given a second reading or be otherwise considered by the House, except that the committee may report its recommendation for re-referral to another committee.

**5.4 FIRST READING AND REFERENCE OF BILLS.** Each bill, advisory bill and resolution shall be reported and given its first reading upon its introduction. No bill, advisory bill or resolution shall be objected to upon its introduction.

Except as provided in Rule 1.17 and Rule 5.5 each bill, advisory bill or resolution shall, after first reading, be referred by the Speaker to the appropriate standing committee.

Except as otherwise provided in these Rules, after a bill, advisory bill or resolution has been referred by the Speaker, a majority vote of the whole House shall be required for a re-referral or recommittal of the bill, advisory bill or resolution by the House.

**5.5 COMMITTEE BILLS.** A committee bill shall be read for the first time and may be referred by the Speaker to any standing committee. If it is not so referred, it shall be laid over one day. It shall then be read for the second time and placed upon General Orders, or, if recommended by the Committee, upon the Consent Calendar.

**5.6 PRINTING OF BILLS.** Every bill shall be printed after it has been given its second reading. A bill may be printed at any other time a majority of the House so orders.

**5.7 BILLS CARRYING AN APPROPRIATION.** Any bill, whether originating in the House or Senate, carrying an appropriation, or which may involve any present or future financial obligation on the part of the State, after being reported to the House, shall be referred, or re-referred, as the case may be, to the Committee on Appropriations for action by that committee. Any committee, other than the Committee on Appropriations, to which such bill has been referred shall note in its report that the bill carries an appropriation.

**5.8 BILLS AFFECTING STATE GOVERNMENT POWERS AND STRUCTURE.** Any bill, whether originating in the House or the Senate, which creates any new department, agency, commission, board or bureau, or which substantially changes or alters the organization of any department or agency thereof of state government, or substantially changes, alters, vests or divests official rights, powers, or duties of any official, department or agency of the state government or any institution under its control, after being reported to the House, shall be referred, or re-referred, as the case may be, to the Committee on Governmental Operations for action by that committee. Any committee other than the Committee on Governmental Operations to which such bill is referred shall, in its report, recommend re-referral to the Committee on Governmental Operations.

**5.9 BILLS AFFECTING TAXES.** Any bill whether originating in the House or Senate, which substantially affects state tax policy or the administration of state tax policy, after being reported to the House, shall be referred, or re-referred, as the case may be, to the Committee on Taxes for action by that committee. Any

standing committee other than the Committee on Taxes to which such a bill is referred shall, in its report, recommend re-referral to the Committee on Taxes. The provisions of this rule, however, shall not apply to the Education Finance Bill.

He shall also designate the number of minority members to be appointed to each committee and may require general membership guidelines to be followed in the selection of committee members.

If the minority leader submits to the Speaker-designate, at least 15 days prior to the opening of the session, a list of proposed committee assignments for the minority group, which complies with the numbers and guidelines provided, the Speaker shall make such proposed assignments with the purpose of attaining proportionate representation on the committees for the minority group.

No committee of the House shall have exclusive membership from any one profession, occupation or vocation.

**6.3 COMMITTEE MEETING SCHEDULE.** The Speaker shall prepare a schedule of committee meetings, fixing as far as practicable the day of the week and the hour for the regular meeting time of each committee. The schedule of committee meetings shall officially be made available to the news media. The chairman of any committee holding a special meeting or making a change in the regular schedule of meetings shall give written notice which may be announced from the desk and shall be posted on the bulletin board at least one day in advance of the change.

The chairman of each committee or subcommittee shall as far as practicable give three days notice of any meeting. The notice shall include the date, time, place and agenda for the meeting.

**6.4 COMMITTEE PROCEDURES.** Meetings of all committees of the House shall be open to the public.

A majority of members of any committee shall constitute a quorum.

The Rules of the House shall be observed in all committees wherever they are applicable.

Any member of any committee may demand a roll call on any bill, resolution, report, motion or amendment before the committee. Only upon such demand being made shall the roll be called and the vote of each member on the bill, resolution, report, motion or amendment be recorded in the committee minutes, together with the name of the member demanding the roll call.

A committee may reconsider any action so long as the matter remains in the possession of the committee. A committee member need not have voted with the prevailing side in order to move reconsideration.

At any time during the period in which a standing committee has possession of a bill, the members of the committee may, by majority vote, order the preparation of a Fiscal Note. If a Fiscal Note is ordered at the time the bill is given committee approval, the Fiscal Note shall accompany the committee report to the House and shall thereafter be attached to the printed bill by the Chief Clerk. No Fiscal Note shall be ordered for any bill given committee approval within ten days of the end of a regular session in any year.

A Fiscal Note shall not be considered a part of a bill or any indication of legislative intent.

**6.5 SUBCOMMITTEES.** The chairman of a committee shall appoint the chairman and members of each subcommittee. The chairman or the committee may refer bills to subcommittee. Any subcommittee may make such investigation or exercise such authority as is delegated to it by the chairman or the committee.

Whereas, on August 2, 1899, Herman Miller enlisted in the United States Army from Crookston, Minnesota, and served as

a Private in Company G, 34th Infantry, United States Volunteers, which was then engaged in action against insurgent tribes in North Ilocos Province, Luzon, Phillipine Islands; and

*Whereas*, on April 16, 1900, Private Miller was engaged in the defense of the town of Batac when it was attacked by 800 insurgents under the command of a notorious native leader; when the plaza came under a dangerous attack by 60 insurgent riflemen using rice dikes for cover, Private Miller and twelve other men charged the enemy line and drove them off; several of those who engaged in the charge were killed or wounded; and

*Whereas*, Private Miller's commanding officer recommended Private Miller for a Medal of Honor for his courageous participation in the charge; and

*Whereas*, the Medal was never awarded under circumstances suggesting that the recommendation was never given full and proper consideration; and

*Whereas*, Herman Miller is now over one hundred years old and has been trying for eighty-three years to rectify the failure to award the decoration for which he was recommended; and

*Whereas*, the terrible oversight of failure to award what is justly deserved and recommended must be rectified; Now, Therefore,

*Be It Resolved* by the House of Representatives of the State of Minnesota, the Senate concurring, that the Congress of the United States is urged to adopt legislation immediately authorizing the President to present the medal of Honor to Herman Miller.

H. F. No. 26, A bill for an act relating to commerce; consumer protection; requiring the repair, refund, or replacement of new motor vehicles under certain circumstances; proposing new law coded in Minnesota Statutes, chapter 325F.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [325F.665] [NEW MOTOR VEHICLE WARRANTIES; MANUFACTURER'S DUTY TO REPAIR, REFUND, OR REPLACE.]

*Subdivision 1. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given them:*

(1) "consumer" means the purchaser, other than for purposes of resale, of a new motor vehicle normally used for personal, family, or household purposes, a person to whom the new motor vehicle is transferred for the same purposes during the duration of an express warranty applicable to the motor vehicle, and any other person entitled by the terms of the warranty to enforce the obligations of the warranty;

(2) "manufacturer" means a person engaged in the business of manufacturing, assembling or distributing motor vehicles, who will, under normal business conditions during the year, manufacture, assemble or distribute to dealers at least ten new motor vehicles;

(3) "manufacturer's express warranty" and "warranty" mean the written warranty of the manufacturer of a new motor vehicle of its condition and fitness for use, including any terms or conditions precedent to the enforcement of obligations under that warranty; and

(4) "motor vehicle" means (a) a passenger automobile as defined in section 168.011, subdivision 7, including pickup trucks and vans, and (b) the self-propelled motor vehicle chassis or van portion of recreational equipment as defined in section 168.011, subdivision 25, which is sold to a consumer in this state.

Subd. 2. [MANUFACTURER'S DUTY TO REPAIR.] If a new motor vehicle does not conform to all applicable express warranties, and the consumer reports the nonconformity to the manufacturer, its agent, or its authorized dealer during the term of the express warranties or during the period of one year following the date of original delivery of the new motor vehicle to a consumer, whichever is the earlier date, the manufacturer, its agent, or its authorized dealer shall make the repairs necessary to conform the vehicle to the express warranties, notwithstanding the fact that the repairs are made after the expiration of the warranty term or the one-year period.

Subd. 3. [MANUFACTURER'S DUTY TO REFUND OR REPLACE.] (a) If the manufacturer, or its agents or authorized dealers are unable to conform the new motor vehicle to any applicable express warranty by repairing or correcting any defect or condition which substantially impairs the use or market value of the motor vehicle to the consumer after a reasonable number of attempts, the manufacturer shall replace the new motor vehicle with a comparable motor vehicle or accept return of the vehicle from the consumer and refund to the consumer the full purchase price, and all other charges including, but not limited to, sales tax, license fees and registration fees, less a reasonable allowance for the consumer's use of the vehicle. Refunds shall be made to the consumer, and lienholder, if any, as their interests may appear on the records of the registrar of motor vehicles. A reasonable allowance for use is that amount directly attributable to use by the consumer and any previous consumer prior to his or her first report of the nonconformity to the manufacturer, agent, or dealer and during any subsequent period when the vehicle is not out of service by reason of repair. It is an affirmative defense to any claim under this section (1) that an alleged nonconformity does not substantially impair the use or market value, or (2) that a nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of a motor vehicle by anyone other than the manufacturer, its agent or authorized dealer.

(b) It is presumed that a reasonable number of attempts have been undertaken to conform a new motor vehicle to the applicable express warranties, if (1) the same nonconformity has

been subject to repair four or more times by the manufacturer or its agents or authorized dealers within the express warranty term or during the period of one year following the date of original delivery of the motor vehicle to a consumer, whichever is the earlier date, but the nonconformity continues to exist, or (2) the vehicle is out of service by reason of repair for a cumulative total of 30 or more business days during the term or during the period, whichever is the earlier date. The term of an express warranty, the one-year period and the 30-day period shall be extended by any period of time during which repair services are not available to the consumer because of a war, invasion, strike, or fire, flood, or other natural disaster. In no event shall the presumption contained in this section apply against a manufacturer unless the manufacturer or its agent or authorized dealer has received prior notification from or on behalf of the consumer and an opportunity to cure the defect alleged.

**Subd. 4. [ALTERNATIVE DISPUTE SETTLEMENT PROCEDURE.]** *If a manufacturer has established, or participates in, an informal dispute settlement procedure which substantially complies with the provisions of the Code of Federal Regulations, title 16, part 703 (1982), the provisions of subdivision 3 concerning refunds or replacement do not apply to a consumer who has not first used this procedure.*

*The findings and decisions in an informal dispute resolution proceeding are admissible as evidence but not binding in any legal action and are not subject to further foundation requirements.*

**Subd. 5. [CIVIL REMEDY.]** *Any consumer injured by a violation of this section may bring a civil action to enforce this section and recover costs and disbursements, including reasonable attorney's fees.*

**Subd. 6. [LIMITATION ON ACTIONS.]** *An action brought under this section shall be commenced within six months of the expiration of the express warranty term, or within one year of the date of original delivery of the new motor vehicle to a consumer, whichever is the earlier date.*

**Subd. 7. [REMEDY NONEXCLUSIVE.]** *Nothing in this section limits the rights or remedies which are otherwise available to a consumer under any other law.*

## **Sec. 2. [EFFECTIVE DATE.]**

*Section 1 is effective the day following final enactment."*

*When a defendant establishes that the hazardous substance which is alleged to have caused the damages claimed by the plaintiff was placed or came to be located in or on the facility before April 1, 1982, the defendant is not liable under section 5 if he establishes that the activity in which he was involved with respect to the substance was not an abnormally dangerous activity.*

*For the purpose of this section, the determination of whether an activity with respect to a hazardous substance was an abnormally dangerous activity shall be made by the court, which may consider factors including:*

(1) *The character of the substance, including the tendency of the substance to cause harm if it escapes from the control of the person who has possession of it;*

(2) *The character and location of the activity in which the person was involved with respect to the substance, including:*

(a) *Whether harm to persons or property would necessarily result from the activity regardless of the reasonable precaution with which it is conducted;*

(b) *Inappropriateness of the activity to the place where it is carried out;*

(a) *the plaintiff was exposed to the hazardous substance;*

(b) *under all of the circumstances, the release could reasonably have resulted in plaintiff's exposure to the substance in the amount and duration experienced by the plaintiff; and*

(c) *it is more likely than not that the death, injury or disease suffered by the plaintiff is caused or significantly contributed to by exposure to the hazardous substance in an amount and duration experienced by the plaintiff;*

*then the court may not direct a verdict against the plaintiff on the issue of causation, and the trier of fact is permitted but not required to draw the inference that the death, injury, or disease of the plaintiff was caused or significantly contributed to by the release of a hazardous substance.*

*Evidence to a reasonable medical certainty that exposure to the hazardous substance caused or significantly contributed to the death, injury or disease is not required for the question of causation to be submitted to the trier of fact.*

*Nothing in this section shall be construed to relieve the plaintiff of the burden of proving the causal connection between the release of the hazardous substance and the plaintiff's death, injury or disease.*

**Sec. 8. [115B.08] [APPORTIONMENT OF LIABILITY; LIMITATION; CONTRIBUTION.]**

*Subdivision 1. [RIGHT OF APPORTIONMENT; FACTORS.] Any person held jointly and severally liable under section 4 or 5 has the right at trial to have the trier of fact apportion liability among the defendants as provided in this section. The burden is on each defendant to show how his liability should be apportioned.*

*In apportioning the liability of any defendant under this section, the trier of fact shall consider the following:*

*(a) The extent to which that defendant's contribution to the release of a hazardous substance can be distinguished;*

*(b) The amount of hazardous substance involved;*

*(c) The degree of toxicity of the hazardous substance involved;*

*(d) The degree of involvement of and care exercised by the defendant in manufacturing, treating, transporting, and disposing of the hazardous substance;*

*(e) The degree of cooperation by the defendant with federal, state, or local officials to prevent any harm to the public health or the environment; and*

*(f) Knowledge by the defendant of the hazardous nature of the substance.*

*Subd. 2. [LIMITATION OF LIABILITY.] If a person is held jointly and severally liable under section 4 or 5 and establishes his proportionate share of the aggregate liability, the liability of that person shall be limited to three times his proportionate share.*

*Subd. 3. [CONTRIBUTION.] Any person held jointly and severally liable under section 4 or 5 who is required to pay more than that person's proportionate share of the aggregate liability is entitled to seek contribution from any other person liable for the damages or response costs to the extent of the other person's proportionate liability.*

**Sec. 9. [115B.09] [AGREEMENTS TO TRANSFER LIABILITY; INSURANCE AND SUBROGATION.]**

*No conveyance, indemnification, hold harmless agreement, or similar agreement shall be effective to transfer the liability imposed under sections 1 to 14 from the owner or operator of a facility or from any person who may be liable under those*

sections to any other person. Nothing in this section shall be construed:

(a) To prohibit any party who may be liable under sections 1 to 14 from entering an agreement by which that party is insured, held harmless or indemnified for part or all of that liability;

(b) To prohibit the enforcement of any insurance, hold harmless or indemnification agreement; or

(c) To bar any cause of action brought by a party who may be liable under sections 1 to 14 or by an insurer or guarantor, whether by right of subrogation or otherwise.

Sec. 10. [115B.10] [STATUTE OF LIMITATIONS.]

No person may recover pursuant to sections 1 to 14 unless the action is commenced within six years from the date when the cause of action accrues. In determining when the cause of action accrues for an action to recover damages for death, personal injury or disease, the court may consider factors including the following:

(a) When the plaintiff discovered the injury or loss;

(b) Whether a personal injury or disease had sufficiently manifested itself; and

(c) When the plaintiff discovered, or using due diligence should have discovered, a causal connection between the injury, disease, or loss and the release of a hazardous substance.

Sec. 11. [115B.11] [OTHER REMEDIES PRESERVED.]

Nothing in sections 1 to 14 shall be construed to abolish or diminish any remedy or affect the right of any person to bring a legal action or use any remedy available under any other provision of state or federal law, including common law, to recover for personal injury, disease, economic loss or response costs arising out of a release of any hazardous substance, or for removal or the costs of removal of that hazardous substance. Nothing in sections 1 to 14 shall be construed to limit or restrict in any way the liability of any person under any other state or federal law, including common law, for loss due to personal injury or disease, for economic loss, or for response costs arising out of any release or threatened release of a hazardous substance from a facility regardless of the time at which a hazardous substance was placed or came to be located in the facility. The provisions of sections 1 to 14 shall not be considered, interpreted, or construed in any way as reflecting a determination, in whole or in part, of policy regarding the inapplicability

*of strict liability, or strict liability doctrines under any other state or federal law, including common law, to activities past, present or future, relating to hazardous substances, or pollutants or contaminants, or other similar activities.*

**Sec. 12. [115B.12] [DOUBLE RECOVERY PROHIBITED.]**

*A person who recovers response costs or damages pursuant to sections 1 to 14 may not recover the same costs or damages pursuant to any other law. A person who recovers response costs or damages pursuant to any other state or federal law may not recover for the same costs or damages pursuant to sections 1 to 14.*

**Sec. 13. [115B.13] [AWARD OF COSTS.]**

*Upon motion of a party prevailing in an action under sections 1 to 14 the court may award costs, disbursements and reasonable attorney fees and witness fees to that party.*

**Sec. 14. [115B.14] [APPLICATION OF SECTIONS 1 TO 14.]**

*Sections 1 to 14 apply to any release or threatened release of a hazardous substance occurring on or after July 1, 1983, including any release which began before July 1, 1983, and continued after that date. Sections 1 to 14 do not apply to a release or threatened release which occurred wholly before July 1, 1983, regardless of the date of discovery of any injury or loss caused by the release or threatened release.*

**Sec. 15. [115B.15] [DISPOSITION OF FACILITIES.]**

**Subdivision 1. [CLOSED DISPOSAL FACILITIES; USE OF PROPERTY.]** *No person shall use any property on or in which hazardous waste remains after closure of a disposal facility as defined in section 115A.03, subdivision 10, in any way that disturbs the integrity of the final cover, liners, or any other components of any containment system, or the function of the disposal facility's monitoring systems, unless the agency finds that the disturbance:*

*(a) Is necessary to the proposed use of the property, and will not increase the potential hazard to human health or the environment; or*

*(b) Is necessary to reduce a threat to human health or the environment.*

**Subd. 2. [RECORDING OF AFFIDAVIT.]** *Before any transfer of ownership of any property which the owner knew*

or should have known was used as the site of a hazardous waste disposal facility as defined in section 115A.03, subdivision 10, or which the owner knew or should have known is subject to extensive contamination by release of a hazardous substance, the owner shall record with the county recorder of the county in which the property is located an affidavit containing a legal description of the property that discloses to any potential transferee:

(a) That the land has been used to dispose of hazardous waste or that the land is contaminated by a release of a hazardous substance;

(b) The identity, quantity, location, condition and circumstances of the disposal or contamination to the full extent known or ascertainable; and

(c) That the use of the property or some portion of it may be restricted as provided in subdivision 1.

An owner must also file an affidavit within 60 days after any material change in any matter required to be disclosed under clauses (a) to (c) with respect to property for which an affidavit has already been recorded.

If the owner or any subsequent owner of the property removes the hazardous substance, together with any residues, liner, and contaminated underlying and surrounding soil, that owner may record an affidavit indicating the removal of the hazardous substance.

Failure to record an affidavit as provided in this subdivision does not affect or prevent any transfer of ownership of the property.

**Subd. 3. [DUTY OF COUNTY RECORDER.]** The county recorder shall record all affidavits presented to him in accordance with subdivision 2. The affidavits shall be recorded in a manner which will assure their disclosure in the ordinary course of a title search of the subject property.

**Subd. 4. [PENALTIES.]** (a) Any person who knowingly violates the provisions of subdivision 1 is subject to a civil penalty in an amount determined by the court of not more than \$100,000, and shall be liable under sections 4 and 5 for any release or threatened release of any hazardous substance resulting from the violation.

(b) Any owner who knowingly fails to record an affidavit as required by subdivision 2 shall be liable under sections 4 and 5 for any release or threatened release of any hazardous substance from a facility located on that property.

(c) *A civil penalty may be imposed and recovered by an action brought by a county attorney or by the attorney general in the district court of the county in which the property is located.*

(d) *Any civil fines recovered under this subdivision shall be deposited in the fund.*

*Subdivision 1. [REMOVAL AND REMEDIAL ACTION.]*

*Whenever there is a release or substantial threat of release from a facility of any pollutant or contaminant which presents an imminent and substantial danger to the public health, welfare, or the environment or whenever a hazardous substance is released or there is a threatened release of a hazardous substance from a facility:*

(a) *The agency may take any removal or remedial action relating to the hazardous substance, or pollutant or contaminant, which the agency deems necessary to protect the public health or welfare or the environment. Before taking any action the agency shall:*

(1) *Request any responsible party known to the agency to take actions which the agency deems reasonable and necessary to protect the public health, welfare or the environment, stating the reasons for the actions, a reasonable time for beginning and completing the actions taking into account the urgency of the actions for protecting the public health, welfare and environment, and the intention of the agency to take action if the requested actions are not taken as requested;*

(2) *Notify the owner of real property where the facility is located or where response actions are proposed to be taken, if the owner is not a responsible party, that responsible parties have been requested to take response actions and that the owner's cooperation will be required in order for responsible parties or the agency to take those actions; and*

(3) *Determine that the actions requested by the agency will not be taken by any known responsible party in the manner and within the time requested.*

(b) *The director may take removal action which he deems necessary to protect the public health, welfare or the environment if the director determines that the release or threatened release constitutes an emergency requiring immediate action to prevent, minimize or mitigate damage to the public health, welfare or the environment. Before taking any action the director shall make reasonable efforts in light of the urgency of the action to follow the procedure provided in clause (a).*

No removal action taken by any person shall be construed as an admission of liability for a release or threatened release.

**Subd. 2. [OTHER ACTIONS.]** Whenever the agency or director is authorized to act pursuant to subdivision 1 or whenever the agency or director has reason to believe that a release of a hazardous substance, or a pollutant or contaminant, has occurred or is about to occur, or that illness, disease, or complaints thereof may be attributable to exposure to a hazardous substance, or a pollutant or contaminant, the agency or director may undertake investigations, monitoring, surveys, testing, and other similar activities necessary or appropriate to identify the existence and extent of the release or threat thereof, the source and nature of the hazardous substances, or pollutants or contaminants, and the extent of danger to the public health or welfare or to the environment. In addition, the agency may undertake planning, legal, fiscal, economic, engineering, architectural, and other studies or investigations necessary or appropriate to plan and direct a response action, to recover the costs of the response action, and to enforce the provisions of sections 1 to 17.

**Subd. 3. [DUTY TO PROVIDE INFORMATION.]** Any person who the agency has reason to believe is responsible for a release or threatened release as provided in section 3, or who is the owner of real property where the release or threatened release is located or where response actions are proposed to be taken, when requested by the agency, or any member, employee or agent thereof who is authorized by the agency, shall furnish to the agency any information which he may have or may reasonably obtain which is relevant to the release or threatened release.

The agency's certification of expenses shall be prima facie evidence that the expenses are reasonable and necessary. Any expenses incurred pursuant to this section which are recovered by the attorney general pursuant to section 4 or any other law, including any award of attorneys fees, shall be deposited in the fund and may be appropriated only for additional response actions as provided in section 19, subdivision 2, clause (b) or (c).*

[ACTIONS RELATING TO PESTICIDES OR FERTILIZER OR SOIL OR PLANT AMENDMENTS.]** *When the commissioner of agriculture has reported an incident involving the release of pesticides under the provisions of section 18A-37 or the release of fertilizers or soil or plant amendments, and the agency determines that the incident constitutes a release of a hazardous substance, or a pollutant or contaminant, the agency shall authorize the commissioner, subject to the provisions of subdivision 13, to take any action which the agency would be authorized to take under subdivisions 1 to 4. Subject to the provisions of section 19, subdivision 3, the agency shall reimburse the commissioner from the fund for the reasonable and necessary expenses incurred in taking those actions and may recover any amount spent from the fund under subdivision 6.*

**Subd. 12. [AUTHORIZATION OF CERTAIN RESPONSE ACTIONS.]** *For the purpose of permitting a political subdivision or private person to recover response costs as provided in section 4, subdivision 6, the agency may authorize the political subdivision to take removal or remedial actions or may authorize the private person to take removal actions with respect to any release of a hazardous substance which was placed or came to be located in the facility before April 1, 1982. The authorization shall be based on application of the criteria in the rules of the agency adopted under subdivision 13 or, if the rules have not been adopted, under the criteria set forth in subdivision 13 on which the rules are required to be based. The authorization shall not be inconsistent with the criteria. This subdivision shall not be construed to prohibit a political subdivision or private person from taking removal or remedial actions without the authorization of the agency.*

**Subd. 13. [PRIORITIES; RULES.]** *By November 1, 1983, the agency shall establish a temporary list of priorities among releases or threatened releases for the purpose of taking remedial action and, to the extent practicable consistent with the urgency of the action, for taking removal action under this section. The temporary list, with any necessary modifications, shall remain in effect until the agency adopts rules establishing state criteria for determining priorities among releases and threatened releases. The agency shall adopt the rules by July 1, 1984. After rules are adopted, a permanent priority list shall be established, and may be modified from time to time, according to the criteria set forth in the rules. Before any list is established under this subdivision the agency shall publish the list in the state register and allow 30 days for comments on the list by the public.*

*The temporary list and the rules required by this subdivision shall be based upon the relative risk or danger to public health or welfare or the environment, taking into account to the extent possible the population at risk, the hazardous potential of the hazardous substances at the facilities, the potential for contamination of drinking water supplies, the potential for direct human contact, the potential for destruction of sensitive ecosystems, the administrative and financial capabilities of the agency, and other appropriate factors.*

*All other considerations being equal, agency remedial action for any risk or danger which was created or aggravated by the action or inaction of any government entity shall take precedence over remedial action for similar risks or dangers not significantly contributed to by government action or inaction.*

**Sec. 17. [115B.17] [FAILURE TO TAKE REQUESTED ACTIONS; CIVIL PENALTIES; ACTION TO COMPEL PERFORMANCE; INJUNCTIVE RELIEF.]**

*Subdivision 1. *The penalty provided under this subdivision may be recovered by an action brought by the attorney general in the name of the state in connection with an action to recover expenses of the agency under section 16, subdivision 6, or by a separate action in the district court of Ramsey County. All penalties recovered under this subdivision shall be deposited in the fund.*

*Subd. 2. [ACTION TO COMPEL PERFORMANCE.] When any person who is responsible for a release or threatened release from a facility of a pollutant or contaminant which presents an imminent and substantial danger to the public health, welfare, or the environment or for a release or threatened release of a hazardous substance from a facility, fails to take response actions or to make reasonable progress in completing response actions requested as provided in subdivision 3, the attorney general may bring an action in the name of the state to compel performance of the requested response actions. If the owner of real property where the facility is located or where response actions are proposed to be taken is not a person responsible for the release or threatened release, the owner may be joined as an indispensable party in an action to compel performance in*

order to assure that the requested response actions can be taken on that property by the responsible parties.

*Subd. 3. [REQUESTS FOR RESPONSE ACTIONS.] A request for emergency removal action shall be made by the director. Other requests for response actions shall be made by the agency. A request shall be in writing, shall state the action requested, the reasons for the action, and a reasonable time by which the action must be begun and completed taking into account the urgency of the action for protection of the public health, welfare, and environment.*

*Subd. 4. [INJUNCTIVE RELIEF.] The release or threatened release of a hazardous substance, or a pollutant or contaminant, shall constitute a public nuisance and may be enjoined in an action, in the name of the state, brought by the attorney general.*

**Sec. 18. [115B.18] [PURPOSES OF FUND AND TAXES.]**

*(b) Encourage responsible parties to provide the response actions necessary to protect the public and the environment from the effects of the release of hazardous substances;*

*(c) Encourage the use of alternatives to land disposal of solid and hazardous waste including resource recovery, recycling, neutralization and reduction;*

*(d) Provide state agencies with the financial resources needed to prepare and implement an effective and timely state response to the release of hazardous substances, including investigation, planning, removal and remedial action;*

*(e) Compensate for increased governmental expenses and loss of revenue and to provide other appropriate assistance to mitigate any adverse impact on communities in which commercial hazardous waste processing or disposal facilities are located under the siting process provided in chapter 115A;*

*(f) Recognize the environmental and public health costs of land disposal of solid waste and of the use and disposal of hazardous substances and to place the burden of financing state waste management activities on those whose products and services con-*

*tribute to waste management problems and increase the risks of harm to the public and the environment.*

**Sec. 19. [115B.19] [ENVIRONMENTAL RESPONSE, COMPENSATION AND COMPLIANCE FUND.]**

*Subdivision 1. [ESTABLISHMENT.] The environmental response, compensation and compliance fund is created as an account in the state treasury and may be spent only for the purposes provided in subdivision 2.*

**Subd. 3. [LIMIT ON CERTAIN EXPENDITURES.]** *The director or agency may not spend any money under subdivision 2, clause (b) or (c) for removal or remedial actions to the extent that the costs of those actions may be compensated from any fund established under the Federal Superfund Act, 42 U.S.C. Section 9600 et seq. The director or agency shall determine the extent to which any of the costs of those actions may be compensated under the federal act based on the likelihood that the compensation will be available in a timely fashion. In making this determination the director or agency shall take into account:*

(a) *The urgency of the removal or remedial actions and the priority assigned under the Federal Superfund Act to the release which necessitates those actions;*

(b) *The availability of money in the funds established under the Federal Superfund Act; and*

(c) *The consistency of any compensation for the cost of the proposed actions under the Federal Superfund Act with the national contingency plan, if such a plan has been adopted under that act.*

*Subdivision 1. [TAXES IMPOSED; EXCLUSIONS.] Each generator of hazardous waste shall pay the taxes imposed by this section based upon the volume and destination of the hazardous wastes generated. The taxes imposed by this section do not apply to hazardous wastes destined for recycling or reuse or to used crankcase oil.*

*Subd. 2. [LONG TERM CONTAINMENT WITHOUT TREATMENT.] Hazardous waste destined for long term containment without treatment shall be taxed at the rate of 32 cents per gallon of liquid or \$32 per cubic yard of solid.*

*Subd. 3. [LONG TERM CONTAINMENT AFTER TREATMENT.] Hazardous waste destined for long term containment after treatment shall be taxed at the rate of 16 cents per gallon of liquid or \$16 per cubic yard of solid.*

*Subd. 4. [OTHER TREATMENT.] Hazardous waste destined for treatment, other than as provided in subdivision 5, to produce a material which is not hazardous, including treatment permitted by the agency in a sewage treatment works, or hazardous waste which is destined for destructive treatment by incineration shall be taxed at the rate of eight cents per gallon of liquid or \$8 per cubic yard of solid.*

*Subd. 5. [ON-SITE WASTEWATER TREATMENT.] The tax imposed under this section does not apply to hazardous waste which is destined for treatment in a wastewater treatment unit to produce a material which is not hazardous before entering a public sewer system or waters of the state but the tax does apply to any residue of treatment which is a hazardous waste.*

*Subd. 6. [DISPOSITION OF PROCEEDS.] The proceeds of the taxes imposed under this section including any interest and penalties shall be deposited in the fund.*

**Sec. 22. [SEVERABILITY.]**

*If any tax imposed under section 21 is found to be invalid because of the purpose for which the proceeds were appropriated or made available under section 19, subdivision 2, the proceeds of that tax shall not be appropriated or available for the objec-*

**Sec. 23. [TAX ADMINISTRATION AND ENFORCEMENT.]**

*Subdivision 1. [QUARTERLY REPORTS AND PAYMENTS; EXCEPTION.]* By the fourteenth day following the last day of each calendar quarter beginning after December 31, 1983, every person liable for payment of a tax under section 21, except as provided in subdivision 4 of this section, shall make and file with the commissioner of revenue a report under oath, in the form and containing the information required by the commissioner. The amount of the tax due shall be remitted together with the form. The commissioner may establish rules under which a generator of a low volume of hazardous wastes may file the report and pay the tax annually.

*Subd. 2. [AMENDED RETURNS.]* A taxpayer who finds that a return filed under this section as originally filed is in error may correct the error by filing an amended return. If the taxpayer is entitled to a refund due to the correction, the amended return will serve as a claim for the refund provided it is filed no later than three years after the original return is filed.

*Subd. 3. [EXCHANGE OF INFORMATION.]* Notwithstanding the provisions of sections 116.075 or 290.61 or any other law to the contrary, the commissioner of revenue and the pollution control agency may provide each other with the information necessary for the enforcement of section 21 and this section. Information disclosed in a return filed pursuant to this section or information exchanged between the commissioner and the agency is public unless the information is of the type determined to be for the confidential use of the agency pursuant to section 116.075 or is trade secret information classified pursuant to section 15.1673.

*Subd. 4. [PAYMENT BY OUT-OF-STATE GENERATORS.]* A generator of any hazardous waste which is generated outside of this state and is transported into this state for long term containment or treatment as described in section 21, subdivisions 2 to 4 shall pay the tax imposed by section 21 at the first point at which the hazardous wastes are received by a person in this state for storage, treatment or long term containment. The tax shall be paid to the person who first receives the wastes in this state at the time the waste is received and shall be remitted by that person to the commissioner of revenue quarterly in the form and manner provided by the commissioner.

*Subd. 5. [DUTIES OF THE AGENCY AND METROPOLITAN COUNTIES.]* The agency shall provide to the commis-

sioner the names and addresses of all persons known to the agency who are subject to tax under section 21, together with any information which the agency possesses concerning the amount of hazardous waste generated and disposed of by those persons. Metropolitan counties required to regulate hazardous wastes under section 473.811, subdivision 5b, shall provide to the agency the data and information necessary to allow the agency to carry out its duties under this subdivision. Upon request by the commissioner, the agency shall examine returns and reports filed with the commissioner and notify the commissioner of any suspected inaccurate or fraudulent declaration or return. The agency may assist in auditing any person subject to tax under section 20 when requested by the commissioner.

Subd. 6. [PENALTIES; ENFORCEMENT.] The audit, penalty and enforcement provisions applicable to taxes imposed under chapter 290 apply to the taxes imposed under section 21 and those provisions shall be administered by the commissioner.

Subd. 7. [RULES.] The commissioner may adopt temporary and permanent rules necessary to implement the provisions of this section and section 21.

Subd. 8. [ADMINISTRATIVE EXPENSES.] Any amount expended by the commissioner or agency from a general fund appropriation to enforce and administer section 21 and this section shall be reimbursed to the general fund and the amount necessary to make the reimbursement is appropriated from the fund to the commissioner of finance for transfer to the general fund.

Sec. 24. [116.12] [HAZARDOUS WASTE ADMINISTRATION FEES.]

Subdivision 1. [FEE SCHEDULES.] The agency shall establish the fees provided in subdivisions 2 and 3 in the manner provided in section 16A.128 in order to raise an amount of fees sufficient to cover the non-federally funded portion of the amount appropriated to the agency for that year for permitting, monitoring, inspection and enforcement expenses of the hazardous waste activities of the agency, excluding any amount appropriated to the agency for these purposes under section 19, subdivision 2.

The legislature may appropriate additional amounts which need not be raised by fees or may provide that the fees shall cover a proportion of the appropriation for the hazardous waste activities of the agency in order to assure adequate funding for the regulatory and enforcement functions of the agency related to hazardous waste. All fees collected by the agency under this section shall be deposited in the general fund.

**Subd. 2. [HAZARDOUS WASTE GENERATOR FEE.]** Each generator of hazardous waste shall pay a fee on the hazardous waste which he generates. The agency shall compute the amount of the fee due based on the hazardous waste disclosures submitted by the generators and other information available to the agency. The agency shall annually prepare a statement of the amount of the fee due from each generator. The fee shall be paid annually commencing with the first day of the calendar quarter after the date of the statement.

The agency may exempt generators of small quantities of hazardous wastes otherwise subject to the fee if it finds that the cost of administering a fee on those generators is excessive relative to the proceeds of the fee. The fee shall consist of a minimum fee for each generator not exempted by the agency and an additional fee which generally reflects the quantity of wastes generated by the generator.

If any metropolitan counties recover the costs of administering county hazardous waste regulations by charging fees, the fees charged by the agency outside of those counties shall not exceed the fees charged by those counties. The agency shall not charge a fee in any metropolitan county which charges such a fee. The agency shall impose a surcharge on the fees charged by the metropolitan counties and by the agency to reflect the agency's expenses in carrying out its statewide hazardous waste regulatory responsibilities. The surcharge imposed on the fees charged by the metropolitan counties shall be collected by the metropolitan counties in the manner in which the counties collect their generator fees. Metropolitan counties shall remit the proceeds of the surcharge to the agency by the last day of the month following the month in which they were collected.

**Subd. 3. [FACILITY FEES.]** The agency shall charge an original permit fee, a reissuance fee and an annual operator's fee for any hazardous waste facility permitted by the agency. The agency may include reasonable and necessary costs of any environmental review required under chapter 116D in the original permit fee for any hazardous waste facility.

Sec. 25. Minnesota Statutes 1982, section 115A.24, subdivision 1, is amended to read:

**Subdivision 1. [CERTIFICATE.]** (EXCEPT AS PROVIDED IN SUBDIVISION 2.) By December 15, 1982, on the basis of and consistent with its hazardous waste management plan adopted under section 115A.11, the board shall issue a certificate or certificates of need for disposal facilities for hazardous wastes in the state. The certificate or certificates shall indicate the type and volumes of waste for which disposal facilities are and will be needed through the year 2000 and the number, types, sizes, general design and operating specifications, and function or use of the disposal facilities needed in the state.

The board shall certify need only to the extent that the board has determined that there are no feasible and prudent alternatives including waste reduction, separation, pretreatment, processing, and resource recovery which would minimize adverse impact upon natural resources, provided that the board shall require the establishment of at least one commercial disposal facility in the state. Economic considerations alone shall not justify certification nor the rejection of alternatives. Alternatives that are speculative and conjectural shall not be deemed to be feasible and prudent. The board shall consider all technologies being developed in other countries as well as in the United States when it considers the alternatives to hazardous waste disposal. The certificate or certificates shall not be subject to the provisions of chapter 14 but shall be the final determination required on the matters decided by the certificate or certificates and shall have the force and effect of law. The certificate or certificates shall not be amended for five years. The board and the permitting agencies, in reviewing and selecting sites, completing environmental impact statements, and issuing approvals and permits for waste disposal facilities described in the certificate or certificates of need, shall not reconsider matters determined in the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of facilities consistent with the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of at least one commercial disposal facility for hazardous waste in the state.

If the results of the study indicate that all of the applicable laws, rules and regulations cannot be met immediately, but can and will be met within one year or less, and the deviations do not threaten the health, rights, or safety of persons to be served, a provisional license may be issued for a period not to exceed one year from the date of issuance.

The final decision of the commissioner shall be sent to the applicant by certified mail, and shall inform the applicant of his rights under chapter 14 and as stated in this section.

The operator shall be given written notice of the order by personal service. The notice shall contain a statement of the reasons for the suspension and shall inform the operator of his right to petition the commissioner for reconsideration of the order. The petition shall be in writing and shall be made within five days after the personal service of the order. Upon receiving a timely written petition, the commissioner shall give the operator reasonable notice and an opportunity for a prompt hearing before an impartial hearing examiner with respect to the order of suspension of the license. The medical examiner or coroner shall complete an investigation as soon as feasible and report the findings to the appropriate law enforcement authorities, the commissioner, and the local welfare agency.

**Subd. 8. [INVESTIGATION.]** The commissioner shall immediately investigate any report received under this section. *volving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. An individual subject of a record shall have access to the record in accordance with that chapter, except that the name of the reporter shall be confidential while the report is under investigation. After the investigation is completed, the name of the reporter shall be confidential but shall be accessible to the individual subject of the record upon court order.*

*Records maintained by the commissioner of public welfare, local welfare agencies, the police department or county sheriff under this section shall be destroyed as described in clauses (a) to (c):*

Sec. 5. Minnesota Statutes 1982, section 260.011, subdivision 2, is amended to read:

**Subd. 2. (THE PURPOSE OF THE LAWS RELATING TO JUVENILE COURTS IS TO SECURE FOR EACH CHILD ALLEGED OR ADJUDICATED NEGLECTED OR DEPENDENT AND UNDER THE JURISDICTION OF THE COURT, THE CARE AND GUIDANCE, PREFERABLY IN HIS OWN HOME, AS WILL SERVE THE SPIRITUAL, EMOTIONAL, MENTAL, AND PHYSICAL WELFARE OF THE CHILD AND THE BEST INTERESTS OF THE STATE; TO PRESERVE AND STRENGTHEN THE CHILD'S FAMILY TIES WHENEVER POSSIBLE, REMOVING HIM FROM THE CUSTODY OF HIS PARENTS ONLY WHEN HIS WELFARE OR SAFETY CANNOT BE ADEQUATELY SAFEGUARDED WITHOUT REMOVAL; AND, WHEN THE CHILD IS REMOVED FROM HIS OWN FAMILY, TO SECURE FOR HIM**

CUSTODY, CARE AND DISCIPLINE AS NEARLY AS POSSIBLE EQUIVALENT TO THAT WHICH SHOULD HAVE BEEN GIVEN BY HIS PARENTS.) (a) *The purpose of the laws relating to juvenile court and alleged or adjudicated dependent or neglected children is to carry out the public policy of protecting children whose health or welfare may be jeopardized by physical abuse, neglect, or sexual abuse and to secure for each of these children care and guidance which will serve the spiritual, emotional, mental, and physical welfare of the child.*

*Further, it is the policy of this state to preserve and strengthen the family by improving parental and guardian capacity for responsible child care so that a child under the jurisdiction of the juvenile court may safely reside in his or her own home. Although it is preferable that a child's needs be met in his or her own home, if the child's welfare or safety cannot be adequately safeguarded, the child should be removed from the custody of his or her parents, guardian, or custodian and placed in a safe temporary or permanent home environment.*

*When the child is removed from his or her own family, it is the policy of the state to secure for him or her custody, care and discipline, as nearly as possible equivalent to that which should have been given by his or her parents. Whenever the child's interests and parental rights conflict, the interests of the child should prevail.*

(b) The purpose of the laws relating to children alleged or adjudicated to be delinquent is to promote the public safety and reduce juvenile delinquency by maintaining the integrity of the substantive law prohibiting certain behavior and by developing individual responsibility for lawful behavior. This purpose should be pursued through means that are fair and just, that recognize the unique characteristics and needs of children, and that give children access to opportunities for personal and social growth.

(c) The laws relating to juvenile courts shall be liberally construed to carry out these purposes.

Sec. 6. Minnesota Statutes 1982, section 260.242, is amended by adding a subdivision to read:

Subd. 1a. *If upon petition to the juvenile court by any reputable person, including but not limited to any agent of the commissioner of public welfare and upon hearing in the manner provided in section 260.155, the court finds that both parents are deceased and that a guardian has not been appointed pursuant to Minnesota Statutes, sections 525.6155 to 565.6165, the court shall order the guardianship and legal custody of the child transferred to:*

(a) *the commissioner of public welfare;*

(b) *a licensed child placing agency; or*

(c) *an individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.*

Sec. 7. Minnesota Statutes 1982, section 260.242, subdivision 2, is amended to read:

Subd. 2. (a) A guardian appointed under the provisions of (SUBDIVISION 1) *this section* has legal custody of his ward unless the court which appoints him gives legal custody to some other person. If the court awards custody to a person other than the guardian, the guardian nonetheless has the right and responsibility of reasonable visitation, except as limited by court order.

(b) The guardian may make major decisions affecting the person of his ward, including but not limited to giving consent (when consent is legally required) to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment, or adoption of the ward. When, pursuant to (SUBDIVISION 1, CLAUSE (A)) *this section*, the commissioner of public welfare is appointed guardian, he may delegate to the welfare board of the county in which, after the appointment, the ward resides, the authority to act for him in decisions affecting the person of his ward, including but not limited to giving consent to the marriage, enlistment in the armed forces, medical, surgical, or psychiatric treatment of the ward.

(c) A guardianship created under the provisions of (SUBDIVISION 1) *this section* shall not of itself include the guardianship of the estate of the ward.

Sec. 8. Minnesota Statutes 1982, section 364.09, is amended to read:

**364.09 [LAW ENFORCEMENT; EXCEPTION.]**

This chapter shall not apply to the practice of law enforcement or to eligibility for a family day care license or a family foster care license; but nothing in this section shall be construed to preclude the Minnesota police and peace officers training board from recommending policies set forth in this chapter to the attorney general for adoption in his discretion to apply to law enforcement.

Sec. 9. Minnesota Statutes 1982, section 626.556, subdivision 10, is amended to read:

Subd. 10. [DUTIES OF LOCAL WELFARE AGENCY UPON RECEIPT OF A REPORT.] (a) The local welfare agency shall immediately investigate and offer protective social services

for purposes of preventing further abuses, safeguarding and enhancing the welfare of the abused or neglected minor, and preserving family life whenever possible. When necessary the local welfare agency shall seek authority to remove the child from the custody of his parent, guardian or adult with whom he is living. In performing any of these duties, the local welfare agency shall maintain appropriate records.

*(b) Authority of the local welfare agency responsible for investigating the child abuse report shall include, but not be limited to, authority to interview, without the consent of a parent, legal custodian, or guardian, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator. The interview may take place at school or any other facility where the alleged victim or other minors might be found and may take place outside the presence of the perpetrator or parent. Except as provided in this clause, the parent, legal custodian, or guardian shall be notified, no later than the conclusion of the investigation, that this interview has occurred. Notwithstanding rule 49.02 of the Minnesota Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing on an ex parte motion by the local welfare agency, order that, where reasonable cause exists, notification of this interview be withheld from the parent, legal custodian, or guardian.*

*(c) Where a parent, custodian, or guardian of the alleged victim or other minor, or the perpetrator prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents to produce the alleged victim or other minor for questioning by the local welfare agency outside the presence of the perpetrator and parents at reasonable places and times as specified by court order.*

*(d) Before making any order under clause (c), the court shall issue an order to show cause on the need for interviewing the minor or other alleged victim, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If a guardian ad litem is appointed, he shall be present at the hearing on the order to show cause."*

An application for a class A license must be on a form the commission prescribes and must be accompanied by detailed plans and specifications of the track, buildings, fences, and other improvements. **Subd. 2. [HEARINGS.]** Before granting an initial class A license application the commission shall hold one or more public hearings in the area where the racetrack is or will be located. The commission shall also request comments on the application from the city council of the city where the track is or will be located, or from the county board if it is to be located outside a municipality, and from the appropriate regional development commission or the metropolitan council, as the case may be.

**Subd. 3. The commission has access to all criminal history data compiled by the bureau of criminal apprehension on class A licensees and applicants.

**Subd. 4. [LICENSE ISSUANCE.]** If after considering the information received at the hearing or hearings and the comments requested under subdivision 2, the commission determines that the license will not adversely affect the public health, welfare, and safety, that the racetrack will be operated in accordance with all applicable laws and rules, that the license will not create a competitive situation that will adversely affect racing and the public interest, and that the applicant is financially able to operate a licensed racetrack, it may issue a class A license to the applicant. The license is effective until revoked or suspended by the commission or relinquished by the licensee.

**Subd. 5. [PROHIBITED LOCATIONS.]** A class A license may not be issued to any location where the operation of a racetrack is prohibited by a valid local zoning ordinance. Not more than one class A license may be issued by the commission within the seven-county metropolitan area.

**Subd. 7. [LICENSE SUSPENSION AND REVOCATION.]** The commission may revoke a class A license for a violation of law, order, or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, or for an intentional false statement made in a license application, or for a willful failure to pay any money required to be paid by this act.

The commission may suspend a class A license for up to one year for a violation of law, order, or rule, and may suspend a class A license indefinitely if it determines that the licensee has as an officer, director, stockholder, or other person with a direct, indirect, or beneficial interest a person who is in the commission's opinion inimical to the integrity of horse racing in Minnesota or who cannot be certified under subdivision 1, clause (d).

A license revocation or suspension under this subdivision, or a refusal to renew a class A license, is a contested case under sections 14.57 to 14.70 of the administrative procedure act, and is in addition to criminal penalties imposed for a violation of law or rule.

**Subd. 8. [WORK AREAS.]** A class A licensee must accept and provide suitable work areas for commission members, officers, employees, and agents who are directed by the commission to supervise and control racing at the licensed racetrack at no cost to the commission.

(d) a sworn statement of the type described in section 6, subdivision 1, clause (d).

**Subd. 2. [HEARINGS; INVESTIGATIONS.]** Before granting an initial class B license the commission shall hold at least one public hearing on the license. Comprehensive investigations must be conducted and their costs paid in the manner prescribed by section 6, subdivision 3. The commission has access to all criminal history data compiled by the bureau of criminal apprehension on class B licensees and applicants.

**Subd. 3. [LICENSE ISSUANCE.]** If after considering the information received from the hearing and investigations, the commission determines that the applicant will conduct horse racing in accordance with all applicable laws and rules, will not adversely affect the public health, welfare, and safety, that the license will not create a competitive situation that will adversely affect racing and the public interest and is fit to sponsor and manage racing, the commission may issue a class B license. The license is for a period of one year.

**Subd. 4. [RENEWAL.]** The commission may renew a class B license without a hearing unless it determines a hearing to be necessary.

**Subd. 5. *(h) other occupations the commission by rule determines require licensing to ensure the integrity of horse racing in Minnesota.*

*Subd. 2. [APPLICATION.] An application for a class C license must be on a form the commission prescribes and must be accompanied by an affidavit of qualification that the applicant:*

*(a) is not in default in the payment of an obligation or debt to the state under this act;*

*(b) has never been convicted of a felony in a state or federal court and does not have a state or federal felony charge pending;*

*(c) is not and never has been connected with or engaged in an illegal business;*

*(d) has never been found guilty of fraud or misrepresentation in connection with racing or breeding;*

*(e) has never been found guilty of a violation of law or rule in any racing jurisdiction for which a license revocation has been or could have been imposed;*

*(f) has never knowingly violated a rule or order of the commission or a law of Minnesota relating to racing.*

*Subd. 3. [INVESTIGATIONS.] The commission shall investigate each applicant for a class C license to the extent it deems necessary, and may request the assistance of and may reimburse the bureau of criminal apprehension in investigating applicants. The commission may by rule require that an applicant*

be fingerprinted or furnish his fingerprints. Investigations must be conducted and their costs paid in the manner prescribed by section 6, subdivision 3. The commission may cooperate with national and international organizations and agencies in conducting investigations. The commission may by rule provide for examining the qualifications of an applicant for the license for which he is applying. The commission has access to all criminal history data compiled by the bureau of criminal apprehension on class C applicants and licensees.

Subd. 4. [LICENSE ISSUANCE AND RENEWAL.] If the commission determines that the applicant has sufficient qualifications for the occupation for which licensing is sought and will not adversely affect the public health, welfare, and safety or the integrity of racing in Minnesota, it may issue a class C license to the applicant. If it makes a similar finding for a renewal of a class C license it may renew the license. Class C licenses are effective for one year.

Subd. 5. [REVOCATION AND SUSPENSION.] The commission may revoke a class C license for a violation of law or rule which in the commission's opinion adversely affects the integrity of horse racing in Minnesota, or for an intentional false statement made in a license application.

The commission may suspend a class C license for up to one year for a violation of law, order or rule.

The commission may delegate to its designated agents the authority to impose suspensions of class C licenses, and the suspension may be appealed to the commission according to its rules.

A license revocation or suspension is a contested case under sections 14.57 to 14.70 of the administrative procedure act and is in addition to criminal penalties imposed for a violation of law or rule.

## Sec. 9. [240.09] [COUNTY FAIR LICENSES.]

Subdivision 1. [APPLICATION.] The commission may issue class D licenses to county agricultural societies or associations incorporated under chapter 38 to conduct and manage, on their own fairgrounds, horse racing on which pari-mutuel betting is conducted. An application for a class D license must be on a form the commission prescribes and must be accompanied by a certified copy of a resolution of the county board of the county where racing is to be conducted stating that it has reviewed the license application and does not object to it. An application for a class D license must be accompanied by detailed plans and specifications of the track, buildings, fences, and other improvements.

*Subd. 2. [OCCUPATIONAL LICENSES.] A person who participates in the management or conduct of horse racing or pari-mutuel betting for a county fair holding a class C license who is in an occupation listed in section 8, subdivision 1 must have a class C license from the commission except for active members as defined in section 349.12 of nonprofit organizations who act without compensation as concession workers or pari-mutuel clerks.*

*Subd. 3. [HEARING.] Before granting an initial application for a class D license, the commission must hold at least one public hearing in the county where the license is to be issued, and if the racetrack to be licensed is within a city, it must also request comments on the application from the city council.*

*Subd. 4. [ISSUANCE.] If after considering the information received at the hearing or hearings and considering the comments requested under subdivision 3, the commission determines that the license will not adversely affect the public health, welfare, and safety and that the racing to be licensed will be conducted in accordance with all applicable laws and rules, it may issue a class D license to the applicant. The license is for a period of one year.*

*Subd. 5. [RENEWAL.] The commission may renew a class D license without a hearing unless it determines a hearing is necessary.*

*Subd. 6. [REVOCAION AND SUSPENSION.] Revocation and suspension of class D licenses, and refusals to renew class D licenses, are as provided in section 6, subdivision 7.*

#### **Sec. 10. [240.10] [LICENSE FEES.]**

*The fee for a class A license is \$10,000 per year. The fee for a class B license is \$100 for each assigned racing day on which racing is actually conducted. The fee for a class D license is \$50 for each assigned racing day on which racing is actually conducted. Fees imposed on class B and class D licenses must be paid to the commission at the same time and in the same manner as payments due under section 15, subdivision 2.*

*The commission shall by rule establish an annual license fee for each occupation it licenses under section 8 but no annual fee for a class C license may exceed \$100.*

*License fee payments received must be paid by the commission to the state treasurer for deposit in the general fund.*

#### **Sec. 11. [240.11] [LICENSES NONTRANSFERABLE.]**

*A license issued under this act may not be transferred.*

## Sec. 12. [240.12] [LICENSE AGREEMENTS.]

*The commission may enter into agreements with comparable bodies in other racing jurisdictions for the mutual recognition of occupational licenses issued by each body. The commission may by rule provide for and may charge a fee for the registration of each license issued in another jurisdiction.*

## Sec. 13. [240.13] [PARI-MUTUEL BETTING.]

*Subdivision 1. [AUTHORIZED.] Class B and class D licenses give the licensees authority to conduct pari-mutuel betting on the results of races run at the licensed racetrack, and on other races as authorized by the commission under subdivision 6.*

*Subd. 2. [REQUIREMENTS.] A licensee conducting pari-mutuel betting must provide at the licensed track:*

*(a) the necessary equipment for issuing pari-mutuel tickets; and*

*(b) mechanical or electronic equipment for displaying information the commission requires. All mechanical or electronic devices must be approved by the commission before being used.*

*Subd. 3. [TYPES OF BETTING.] The commission shall by rule designate those types of pari-mutuel pools which are permitted at licensed racetracks, and no licensee may conduct any type of pari-mutuel pool which has not been so designated.*

*Subd. 4. [TAKEOUT: DISTRIBUTION OF WINNINGS.] A licensee conducting pari-mutuel betting must deduct from a straight pari-mutuel pool, before payments to holders of winning tickets, an amount equal to 16 percent of the total money in that pool. The licensee must deduct from a multiple pari-mutuel pool, before payments to the holders of winning tickets, an amount equal to 22 percent of the total money in that pool. The remaining money in each pool must be distributed among the holders of winning tickets in a manner the commission by rule prescribes for each type of pool. Breakage must be computed on the basis of payoffs rounded down to the next lowest increment of 20 cents, with a minimum payoff of \$2.20 on a \$2 ticket, except that the licensee may reduce the minimum payoff to \$2.10 on a \$2 ticket if there is not a sufficient amount in a pool to make a minimum payoff of \$2.20.*

*Subd. 5. [PURSES.] From the amounts deducted from all pari-mutuel pools by a licensee, an amount equal to five percent of all money in all pools must be set aside by the licensee and used for purses for races conducted by him. The commission may by rule provide for the administration and enforcement of this subdivision.*

**Subd. 6. [TELEVISED RACES.]** *The commission may by rule permit a class B or class D licensee to conduct on the premises of the licensed racetrack pari-mutuel betting on horse races run in other states and broadcast by television on the premises. All provisions of law governing pari-mutuel betting apply to pari-mutuel betting on televised races except as otherwise provided in this subdivision or in the commission's rules. Pari-mutuel pools conducted on such televised races may consist only of money bet on the premises and may not be commingled with any other pool off the premises, except that:*

*(a) the licensee may pay a fee to the person or entity conducting the race for the privileges of conducting pari-mutuel betting on the race, and*

*(b) the licensee may pay the costs of transmitting the broadcast of the race.*

*Pari-mutuel betting on a televised race may be conducted only on a racing day assigned by the commission. The takeout and taxes on pari-mutuel pools on televised races are as provided for other pari-mutuel pools. All televised races under this subdivision must comply with the interstate horse racing act of 1978 or found in United States Code, title 15, section 3001 and the following relevant sections, as amended through December 31, 1983.*

**Subd. 7. [TIME LIMIT FOR PAYMENTS.]** *The licensee must pay off on an uncashed ticket presented for payment within 90 days of the end of the racing meeting during which it was issued. A ticket not presented for payment within that period is an unredeemed ticket and shall be reported to the commission as provided in section 15, subdivision 5.*

**Subd. 8. [PROHIBITED ACTS.]** *A licensee may not accept a bet from any person under the age of 18 years; and a licensee may not accept a bet of less than \$2.*

**Sec. 14. [240.14] [RACING DAYS.]**

**Subdivision 1. [ASSIGNMENT OF RACING DAYS.]** *The commission shall assign racing days to each racetrack licensee authorized to conduct racing with pari-mutuel betting, and a licensee may conduct racing with pari-mutuel betting only on a racing day assigned by the commission. The commission may assign racing days for up to three years beyond the year in which the assignment is made. Assignments of racing days in any year must be made by July 1 of the previous year, except as provided in section 25 and except that it may assign dates after that date to a licensee whose license is issued after that date.*

**Subd. 2. [HEARING.]** *A public hearing is required before the commission may:*

- (a) make an assignment of racing days;
- (b) revises the assignment during the year; or
- (c) assigns racing days to a licensee whose license is issued after the initial assignment.

The commission may without a hearing assign one additional racing day to a licensee for each originally assigned racing day during the same racing meeting on which racing was not conducted for reasons beyond the licensee's control.

**Subd. 3. [COUNTY FAIR RACING DAYS.]** The commission may assign to a class D licensee only those racing days, not to exceed ten racing days, which coincide with the days on which the licensee's county fair is running or the weekend preceding or following the county fair.

**Subd. 4. [RESCINDING OF RACING DAYS.]** The commission may, after a public hearing, rescind one or more racing days assigned to a licensee if it determines that the licensee has not met or will not meet the terms of his license. A day or days so rescinded may be reassigned to another licensee.

#### Sec. 15. [240.15] [PAYMENTS TO STATE.]

**Subdivision 1. [TAXES IMPOSED.]** (a) There is imposed on the total amount bet on all pari-mutuel pools on each racing day a tax at the following rates:

(1) For each racing day in a calendar year on which the total amount bet, together with the total amount bet at the same licensed racetrack in all previous racing days in the same calendar year does not exceed \$48,000,000, one and three-quarters percent of the total amount bet in all pari-mutuel pools.

(2) For each racing day in a calendar year after the racing day on which the total amount bet in all pari-mutuel pools at the same licensed racetrack in the same calendar year exceeds \$48,000,000, six percent of the total amount bet in all pari-mutuel pools.

In addition to the above tax, the licensee must designate and pay to the commission a tax for deposit in the Minnesota breeders fund, at the following rates:

(1) For racing days on which the state tax under clause (a)(1) is one and three-quarters percent, one-half percent of the total amount bet in all pari-mutuel pools.

(2) For racing days on which the state tax under clause (a) (2) is six percent, one percent of the total amount bet in all pari-mutuel pools.

The taxes imposed by this clause must be paid from the amounts permitted to be withheld by a licensee under section 13, subdivision 4.

(b) The commission shall impose on each paid admission to each licensed racetrack on a racing day a tax of 40 cents. It may impose an additional admissions tax of not more than ten cents at any licensed racetrack if:

(1) the additional tax is requested by a local unit of government within whose borders the track is located,

(2) a public hearing is held on the request, and

(3) the commission finds that the local unit of government requesting the additional tax is in need of its revenue to meet extraordinary expenses caused by the racetrack.

Subd. 2. [PAYMENT.] The licensee must remit the tax to the commission or its representative within seven days of the day on which it was collected. In addition to the tax and at that time the licensee must pay to the commission or its representative a sum equal to one-half the total breakage for each racing day during the period for which the tax is paid. The payments must be accompanied by a detailed statement of the remittance on a form the commission prescribes. The commission may by rule provide for the direct deposit of required payments in the commission's account in a financial institution within the state and for determining the time of applicability of different tax rates under subdivision 1.

Subd. 3. [TAX EXCLUSIVE.] The tax imposed by subdivision 1 is in lieu of any tax or license fee, other than taxes on real property, imposed by a political subdivision and in lieu of any other sales or excise tax imposed by the state on racetrack admissions or pari-mutuel pools or pari-mutuel ticket sales.

Subd. 4. [REPORTS.] Within 100 days of the end of a racing meeting a licensee subject to the tax imposed by subdivision 1 must file with the commission a certified statement of receipts from all sources during the racing meeting and of expenses and disbursements, itemized on a form the commission prescribes after consultation with the state auditor, showing the licensee's net revenues from all sources. The statement must be prepared by a certified public accountant in accordance with generally accepted auditing standards.

*Subd. 5. [UNREDEEMED TICKETS.] Not later than 100 days after the end of a racing meeting a licensee who sells pari-mutuel tickets must remit to the commission or its representative an amount equal to the total value of unredeemed tickets from the racing meeting. The remittance must be accompanied by a detailed statement of the money on a form the commission prescribes.*

*Subd. 6. [DISPOSITION OF PROCEEDS.] The commission shall distribute all money received under this section, and all money received from license fees and fines it collects, as follows: all money designated for deposit in the Minnesota breeders fund must be paid into that fund for distribution under section 18. Revenue from an additional admissions tax imposed under subdivision 1 must be paid to the local unit of government at whose request it was imposed, at times and in a manner the commission determines. All other revenues received under this section by the commission, and all license fees, fines, and other revenue it receives, must be paid to the state treasurer for deposit in the general fund.*

**Sec. 16. [240.16] [STEWARDS.]**

*Subdivision 1. [POWERS AND DUTIES.] All horse races run at a licensed racetrack must be presided over by a board of three stewards, who must be appointees of the commission or persons approved by it. The commission shall designate one steward as chairman. At least two stewards for all races shall be employees of the commission. The commission may delegate the following duties and powers to a board of stewards:*

*(a) to insure that races are run in accordance with the commission's rules;*

*(b) to supervise the conduct of racing to insure the integrity of the sport;*

*(c) to settle disputes arising from the running of horse races, and to certify official results;*

*(d) to impose on licensees, for violation of law or commission rules, fines not exceeding \$500 and license suspensions not exceeding 30 days;*

*(e) to recommend to the commission where warranted penalties in excess of those in clause (d);*

*(f) to otherwise enforce the laws and rules of racing; and*

*(g) to perform other duties and have other powers assigned by the commission.*

*Subd. 2. [APPEALS; HEARINGS.] A ruling of a board of stewards may be appealed to the commission or be reviewed by it on its own initiative. The commission may provide for appeals to be heard by less than a quorum of the commission. A hearing on a penalty imposed by a board of stewards must be granted on request.*

*Subd. 3. [PROCEDURAL POWERS.] A board of stewards has the authority to administer oaths, issue subpoenas, order the production of documents and other evidence, and regulate the course of hearings before it, according to the commission's rules. Hearings held by a board of stewards are not subject to the provisions of the administrative procedure act except those provisions which the commission by rule makes applicable.*

*Subd. 4. [RULES.] In addition to rules under subdivision 3, the commission may promulgate rules governing the qualifications, appointment, approval, authority, removal, and compensation of stewards.*

*Subd. 5. [COSTS.] The commission may require that a licensee reimburse it for the costs of providing a state-paid steward or stewards to supervise racing at the licensee's racetrack.*

Sec. 17. [240.17] [LOCAL OPTION.]

*Subdivision 1. [CITIES.] An initial issuance of a class A license for a location in a city is not effective until it has been approved by a majority vote of the city council. Failure to act on a license within 30 days of its referral to a city council by the commission constitutes approval.*

*Subd. 2. [TOWNS.] An initial issuance of a class A license for a location in a town is not effective until it has been approved by a majority vote of the town board. Failure to act on a license within 30 days of its referral to the town board by the commission constitutes approval.*

*Subd. 3. [UNORGANIZED TERRITORY.] An issuance of a class A license for a location in unorganized territory is not effective until it has been approved by a majority vote of the county board. Failure to act on a license within 30 days of its referral to the county board by the commission constitutes approval.*

Sec. 18. [240.18] [BREEDERS FUND.]

*The commission shall establish a Minnesota breeders fund with the money paid to it under section 15, subdivision 1. The commission, after paying the costs of administering the fund, shall distribute the net proceeds as follows:*

(1) *Twenty percent of the remaining money in the fund must be expended as grants for equine research at public institutions of post-secondary learning within the state.*

(2) *After deducting the amount for (1), the balance of the fund shall be apportioned into categories corresponding with the various breeds of horses which raced at licensed Minnesota racetracks in the previous year, in proportion to each category's contribution to the fund. The funds in each category may be expended by the commission to:*

(a) *supplement purses for races held exclusively for Minnesota-bred or Minnesota-owned horses, as those terms are defined by the commission;*

(b) *pay breeders or owners awards to the breeders or owners of Minnesota-bred horses which win money at licensed racetracks in the state; and*

(c) *provide other financial incentives to encourage the horse breeding industry in Minnesota.*

*The commission shall adopt rules governing the distribution of the fund. The commission may establish advisory committees to advise it on the distribution of money under this section, provided that the members of an advisory committee shall serve without compensation.*

Sec. 19. [240.19] [CONTRACTS.]

*The commission shall by rule require that all contracts entered into by a class A, class B, or class D licensee for the provision of goods or services, including concessions contracts, be subject to commission approval. The commission may require a contract holder to submit to it documents and records the commission deems necessary to evaluate the contract.*

Sec. 20. [240.20] [APPEALS.]

*Appeals from a decision of the commission must be made in the manner prescribed by sections 14.63 to 14.68.*

Sec. 21. [240.21] [RIGHT OF INSPECTION.]

*The commission and its representatives have the right to inspect the licensed premises of a licensee and to examine his books and other records at any time without a search warrant.*

Sec. 22. [240.22] [FINES.]

*The commission may impose a fine on a licensee for a violation of its rules or of a law relating to horse racing. The fine*

*is in addition to any criminal penalty imposed for the same violation. Fines imposed by the commission must be paid to the commission which shall pay them to the state treasurer for deposit in the general fund.*

Sec. 23. [240.23] [RULEMAKING AUTHORITY.]

*The commission has the authority, in addition to all other rulemaking authority granted elsewhere in this act, to promulgate rules governing:*

*(a) the conduct of horse races held at licensed racetracks in Minnesota, including but not limited to the rules of racing, standards of entry, operation of claiming races, filing and handling of objections, carrying of weights, and declaration of official results;*

*(b) wire communications between the premises of a licensed racetrack and any place outside the premises;*

*(c) information on horse races which is sold on the premises of a licensed racetrack;*

*(d) liability insurance which it may require of all class A, class B, and class D licensees;*

*(e) the auditing of the books and records of a licensee by an auditor employed or appointed by the commission;*

*(f) emergency action plans maintained by licensed racetracks and their periodic review;*

*(g) safety, security, and sanitation of stabling facilities at licensed racetracks;*

*(i) any other aspect of horse racing or pari-mutuel betting which in its opinion affects the integrity of racing or the public health, welfare, or safety.*

*Except as provided in section 25, rules of the commission are subject to chapter 14, the administrative procedure act.*

Sec. 24. [240.24] [MEDICATION.]

*The commission shall make and enforce rules governing medication and medical testing for horses running at licensed racetracks. The rules must provide that no medication, as the com-*

*mission defines that term by rule, may be administered to a horse within 48 hours of a race it runs at a licensed racetrack. The commission shall by rule establish the qualifications for laboratories used by it as testing laboratories to enforce its rules under this section.*

**Sec. 25. [240.25] [TEMPORARY RULES AND RACING DAYS.]**

*Subdivision 1. [RULES.] The commission may promulgate temporary rules encompassing all rulemaking authority granted elsewhere in this act. Temporary rules are not subject to chapter 14, the administrative procedure act, and may be adopted without a hearing. Temporary rules are effective 15 days after adoption by the commission, and remain in effect only until February 15 of the year following the year in which this act first becomes effective. Temporary rules may be filed pursuant to section 14.38.*

*Subd. 2. [RACING DAYS.] Notwithstanding section 14, subdivision 1, the commission may assign racing days for the year in which this act is effective at any time during the year. The provisions of section 14, subdivisions 2 to 4, apply to racing days assigned under this subdivision.*

**Sec. 26. [240.26] [PROHIBITED ACTS.]**

*Subdivision 1. [ILLEGAL BETS.] No person may accept a bet as defined in section 609.75 on the premises of a licensed racetrack other than a bet made within a licensed pari-mutuel system.*

- (c) conniving with or seeking or having an understanding or agreement with an owner, jockey, driver, trainer, groom, valet, agent, or other person associated with or interested in a horse or stable of horses.*

*Subd. 4. [TAMPERING WITH HORSES.] No person may:*

(a) *on the premises of a licensed racetrack use, have in his possession with intent to use, or knowingly assist another person in using a battery or buzzer, electrical or mechanical, or other device or appliance, which can be used to affect a horse's racing condition or performance, other than an ordinary whip;*

(b) *affect or attempt to affect the racing condition or performance of a horse at a race or workout through the use of a drug or medication in violation of the commission's rules; or*

(c) *use any method, injurious or otherwise, to affect a horse's racing condition or performance at a race or workout in violation of the commission's rules.*

**Subd. 5. [REPORTING OF INFORMATION.]** *A person licensed by the commission who has information regarding a violation provision of this section must report that information promptly to the commission or an agent of the commission.*

**Sec. 27. [240.27] [PENALTIES.]**

**Subdivision 1. [FELONIES.]** *A violation of section 26, subdivision 1, 2, 3, 4, or 7 is a felony.*

**Subd. 2. [GROSS MISDEMEANORS.]** *A violation of section 26, subdivision 5 or 6, is a gross misdemeanor.*

**Subd. 3. [MISDEMEANORS.]** *A violation of any other provision of this act or of a rule or order of the commission for which another penalty is not provided is a misdemeanor.*

**Sec. 28. [240.28] [EXCLUSION OF CERTAIN PERSONS.]**

**Subdivision 1. [PERSONS EXCLUDED.]** *The commission may exclude from any and all licensed racetracks in the state a person who:*

(a) *has been convicted of a felony under the laws of any state or the United States; or*

(b) *has had a license suspended, revoked, or denied by the commission or by the racing authority of any other jurisdiction; or*

(c) *is determined by the commission, on the basis of evidence presented to it, to be a threat to the integrity of racing in Minnesota.*

*Subd. 2. [HEARING; APPEAL.] An order to exclude a person from any or all licensed racetracks in the state must be made by the commission at a public hearing of which the person to be excluded must have at least five days notice. If the person is present at the hearing, he must be permitted to show cause why he should not be excluded. An appeal of the order may be made in the same manner as other appeals under section 20.*

*Subd. 3. [NOTICE TO RACETRACKS.] Upon issuing an order excluding a person from any or all licensed racetracks, the commission shall send a copy of the order to the excluded person and to all racetracks named in it, along with other information as it deems necessary to permit compliance with the order.*

*Subd. 4. [PROHIBITIONS.] It is a gross misdemeanor for a person named in an exclusion order to enter, attempt to enter, or be on the premises of a racetrack named in the order while it is in effect, and for a person licensed to conduct racing or operate a racetrack knowingly to permit an excluded person to enter or be on the premises.*

*Subd. 5. [EXCLUSIONS BY RACETRACK.] The holder of a license to conduct racing may eject and exclude from its premises any licensee or any other person who is in violation of any state law or commission rule or order or who is a threat to racing integrity or the public safety. A person so excluded from racetrack premises may appeal his exclusion to the commission and must be given a public hearing on his appeal if he so requests. At the hearing he must be given the opportunity to show cause why he should not be so excluded. If the commission after the hearing finds that the integrity of racing and the public safety do not justify the exclusion, it shall order the racetrack making the exclusion to reinstate or readmit the person. An appeal of a commission order upholding the exclusion is governed by section 20.*

**Sec. 29. [240.29] [CONFLICT OF INTEREST.]**

*Subdivision 1. [FINANCIAL INTEREST.] No person may serve on the commission or be employed by it who has an interest in any corporation, association, or partnership which holds a license from the commission or which holds a contract to supply goods or services to a licensee or at a licensed racetrack, including concessions contracts. No member or employee of the*

*Subd. 2. [BETTING.] No member or employee of the commission may bet or cause a bet to be made on a race at a licensed racetrack while serving on or being employed by the commission. No person appointed or approved by the commission as a steward may bet or cause a bet to be made at a licensed racetrack during a racing meeting at which he is serving as a steward. The commission shall by rule prescribe such restrictions on betting by its licensees as it deems necessary to protect the integrity of racing.*

*Subd. 3. [VIOLATION.] A violation of subdivisions 1 and 2 is grounds for removal from the commission or termination of employment. A bet made directly or indirectly by a steward in violation of subdivision 2 or by a licensee in violation of a rule made by the commission under subdivision 2 is grounds for suspension or revocation of the license.*

**Sec. 30. [240.30] [MINNESOTA-BRED OR MINNESOTA-OWNED HORSES.]**

*Each holder of a class B or class D license must declare and schedule on each racing day it conducts at least one race limited to horses which are Minnesota-bred or Minnesota-owned as those terms are defined in the commission rules unless there is not a sufficient number of such horses entered in the declared race to make up an adequate slate of entries, in which case another race may be substituted.*

**Sec. 31. Minnesota Statutes 1982, section 38.04, is amended to read:**

**38.04 [ANNUAL MEETINGS; REPORTS.]**

*Every county agricultural society shall hold an annual meeting for the election of officers and the transaction of other business on or before the third Tuesday in November, each year, at which time its secretary shall make a report of its proceedings for the preceding year; this report shall contain a statement of all transactions at its fairs, the numbers of entries, the amount and source of all moneys received, and the amount paid out for premiums and other purposes, and show in detail its entire receipts and expenditures during the year. The report must contain a separate accounting of any income received from the operation of horse racing on which pari-mutuel betting is conducted, and of the disposition of that income.*

The treasurer shall make a comprehensive report of the funds received, paid out, and on hand; and upon whose order paid. Each secretary shall cause a certified copy of his annual report to be filed with the county recorder of the county and the commissioner of agriculture on or before the first day of November, each year.

"Section 1. Minnesota Statutes 1982, section 125.12, is amended by adding a subdivision to read:

*Subd. 1a. [NONPROVISIONAL LICENSE DEFINED.] For purposes of this section, "nonprovisional license" shall mean entrance, continuing, or life license.*

Sec. 2. Minnesota Statutes 1982, section 125.12, subdivision 6a, is amended to read:

**Subd. 6a. [NEGOTIATED UNREQUESTED LEAVE OF ABSENCE.]** The school board and the exclusive bargaining representative of the teachers may negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. Failing to successfully negotiate such a plan, the provisions of subdivision 6b shall apply. *If the negotiated plan does not include provisions relating to placing provisionally licensed teachers on unrequested leaves of absence, the provisions of subdivision 6b, clause (b) relating to provisionally licensed teachers shall apply.* The provisions of section 179.72 shall not apply for the purposes of this subdivision.

Sec. 3. Minnesota Statutes 1982, section 125.12, subdivision 6b, is amended to read:

**Subd. 6b. [UNREQUESTED LEAVE OF ABSENCE.]** The school board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the board shall be governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable. *No teacher with continuing contract rights who holds a nonprovisional license in a particular area of licensure other than vocational education shall be placed on unrequested leave of absence while a teacher who only holds a provisional license in that area, as defined by state board of teaching rules, is retained by the district to teach in that area;*

(c) Notwithstanding clauses (a) and (b), if (EITHER) the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, (OR) the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, *or the placing of a nonprovisionally licensed teacher on unrequested leave before a provisionally licensed teacher in a particular area other than vocational education* would place the district in violation of its affirmative action program, the district may retain the probationary teacher (OR), the teacher with less seniority, *or the provisionally licensed teacher;*

(d) Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

(e) No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to him, that he may return to employment and that he will assume the duties of the position to which appointed on a future date determined by the board;

(f) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

(g) The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

(h) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence prior to January 1, 1978 and who is not reinstated shall continue for a period of two years after which the right to reinstatement shall terminate. The unrequested leave of absence of a teacher who is placed on unrequested leave of absence on or after January 1, 1978 and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if he fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(i) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 3 and 4 shall apply to placement on unrequested leave of absence;

(j) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible.

[SERVICES TERMINATED BY DISCONTINUANCE OR LACK OF PUPILS; PREFERENCE GIVEN.] Any teacher whose services are terminated on account of discontinuance of position or lack of pupils shall receive first consideration for other positions in the district for which she is qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers shall be discontinued in any department in the inverse order in which they were employed. *No teacher with tenure who holds a nonprovisional license in a particular area other than vocational education shall be placed on unrequested leave of absence while a teacher who only holds a provisional license in that area, as defined by state board of teaching rules, is retained by the district to teach in that area.*

Sec. 6. [EXEMPTION FROM APPLICATION.]

*The provisions of sections 1 to 5 shall not apply to any decisions relating to placing teachers on unrequested leaves of absence made by school boards prior to the effective date of this act. The provisions of this act shall not apply to those school districts that, on the effective date of this act, are governed by contractual agreements which include terms contrary to the provisions of sections 1 to 5, until the expiration of those contractual agreements.*

Subd. 14. [INSPECTION CERTIFICATE.] "*Inspection certificate*" means an official record, recorded on a form prescribed by the department, which shows that the apiary has been inspected by the department and which states any diseases found.

Subd. 15 [PERMIT.] "*Permit*" means a written statement of authorization to allow bees or equipment to enter the state or to move within the state.

Subd. 16. [PERSON.] "*Person*" means an individual, firm, partnership, association, corporation, or organized group of persons whether incorporated or not.

Subd. 17. [QUEEN APIARY.] "*Queen apiary*" means any apiary or premises in which queen bees are reared or kept for sale or gift.

Subd. 18. [AUTHORIZED AGENT.] "*Authorized agent*" means an individual who is not a state employee and who performs inspections under section 1 to 16 under contract with the commissioner.

## Sec. 2. [19.51] [COMMISSIONER'S DUTIES.]

Subdivision 1. [ENFORCEMENT; RULES.] *The commissioner shall enforce sections 1 to 16. The commissioner may make all necessary examinations and inspections, and adopt temporary or permanent rules necessary to enforce sections 1 to 16 promptly and effectively. The commissioner may employ classified civil service employees necessary to administer sections 1 to 16, and may contract with individuals to serve as authorized agents.*

Subd. 2. [PREVENTION OF DISEASE, EXOTIC PARASITES, EXOTIC STRAINS.] *The commissioner shall take measures necessary to prevent the introduction, spread, or dissemination of infectious diseases, exotic parasites, or exotic*

strains of honey bees and to bring actions and proceedings to enforce sections 1 to 16.

*Subd. 3. [APIARY SUPERVISOR.] An apiary supervisor shall be appointed by the commissioner. The appointment shall be made on the basis of recognized and demonstrated interest in and knowledge of apiculture or entomology covering a minimum of five years' experience in apicultural interests and bee diseases.*

**Sec. 3. [19.52] [INSPECTIONS; ACCESS TO PROPERTY; IMPEDING COMMISSIONER.]**

*Subdivision 1. [ACCESS FOR INSPECTION AND ENFORCEMENT.] The commissioner may enter upon any public or private premises at all reasonable times to inspect any apiary or other structure which contains bees, honey, bee equipment, or comb; to ascertain the existence of or treat any contagious or infectious bee disease; or to destroy diseased bees or bee equipment which are a public nuisance. The commissioner may open any hive, colony, package, or receptacle which contains, or which he has reason to believe contains, any bees, comb, bee products, used bee equipment, or anything else which is capable of transmitting infectious bee diseases or exotic parasites. The commissioner may stop pedestrians and motor vehicles when they are carrying any bees, comb, used bee equipment, or anything else which is capable of transmitting infectious diseases or parasites of bees. The commissioner may inspect at any time or place any bees, bee products, or used bee equipment shipped in or into the state.*

*Subd. 2. [IMPEDING COMMISSIONER UNLAWFUL.] If it is unlawful to deny to the commissioner access to any premises which the commissioner is authorized to enter for purposes of inspection or to resist, thwart, or hinder the commissioner in carrying out any authorized inspection, by misrepresentation, concealment of facts or conditions, or otherwise.*

**Sec. 4. [19.53] [SANITARY INSPECTION OF APIARY OR STORAGE PLACE.]**

*The commissioner may inspect the sanitary conditions of any apiary or honey house or building or portion of building or container in which honey is stored, graded, or processed. If the commissioner finds any unsanitary conditions, he shall notify the owner or operator in writing to put the honey house, building, or portion of building or container in a sanitary condition within a reasonable length of time. Any operator or owner of a honey house, building, or container who fails to obey the notice is guilty of a misdemeanor.*

Sec. 5. [19.54] [POSTING OF IDENTIFYING INFORMATION.]

*An apiary which is not located at the owner's or operator's place of residence must have posted on it in a conspicuous place the name and address of the owner or the person responsible for the apiary.*

Sec. 6. [19.55] [INSPECTION; NOTIFICATION OF DISEASES.]

*If, upon inspection of a bee colony, the commissioner finds any bee disease or exotic parasite, the commissioner shall notify the owner or operator of the bees in writing, stating the nature of the disease or parasite. The disease or parasite must be eliminated by the owner or operator within the time period ordered by the commissioner. The written notice may be served by handing a copy to the owner or operator of the apiary, by leaving a copy with an adult person residing upon the premises, or by either registered or certified mail addressed to the owner or operator of the apiary at his last known address.*

Sec. 7. [19.56] [PUBLIC NUISANCES; DESTRUCTION OF BEES.]

*Apiaries in which an existing disease or parasite cannot be successfully treated; apiaries which are affected by a disease amenable to treatment, but which have not been treated within a period of seven days after the owner received notice of the necessary treatment, as provided in section 6; apiaries having bees in hives without movable frames; and colonies of bees, queen nuclei, or shipments of used bee equipment which entered this state in violation of section 9 or which were found to be infected or infested with a bee disease, exotic parasite, or exotic strain of bee; are a public nuisance. The commissioner, after written notice to the owner or operator of the bees and equipment, may destroy, by burning or otherwise, without any remuneration to the owner, any box hives or infected or infested bees, hives, or used bee equipment which are a public nuisance under this section. The notice may be served by handing a copy to the owner or operator, by leaving a copy with an adult person residing upon the premises, or by registered or certified mail addressed to the owner or operator of the apiary at his last known address.*

Sec. 8. [19.57] [QUARANTINE.]

*It is unlawful for a person to knowingly keep in his possession, without proper treatment, a colony of bees infected or infested with any bee disease, exotic parasite, or exotic strain of honey bees, or to expose any diseased or infested colony or bee equipment so that flying bees have access to them. A person who knows that bees owned or controlled by him are affected with*

any infectious disease, exotic parasite, or exotic strain of honey bees, shall at once report that fact to the department, stating all facts known to him about the infection or infestation. Where it has been determined that disease, an exotic parasite, or an exotic strain of honey bees has been found in an apiary, the commissioner may quarantine the apiary to restrict or prevent movement of bee colonies. The commissioner shall post any quarantined apiary with a notice of quarantine and shall send a written notice to the owner or operator of the apiary. If any state is willing to accept bees or used bee equipment from a quarantined yard of bees in Minnesota, the commissioner may, after all known disease has been eliminated, issue a permit allowing the bees and used bee equipment to be moved out of the state.

**Sec. 9. [19.58] [INTERSTATE MOVEMENT OF BEES AND USED BEE EQUIPMENT.]**

*Subdivision 1. [ENTRY PERMIT.] No person may bring into this state any bees on comb or used bee equipment without an entry permit issued by the commissioner. A person who wishes to bring any bees on comb or used bee equipment into the state shall apply for an entry permit at least 60 days before the date of entry. The 60-day requirement may be waived for a hobbyist beekeeper who intends to become a resident of Minnesota and who brings ten colonies or less into the state.*

*Ten days before entry, any person required to obtain an entry permit shall furnish to the commissioner a copy of a valid certificate of inspection signed by a responsible official of the state where the bees or equipment originated. The certificate must be based on an inspection within 60 days before entry, and must show that a percentage of the shipment acceptable to the commissioner was actually inspected.*

*This subdivision does not apply to a common carrier transporting bees or used bee equipment from a point of origin outside of the state to a destination outside of the state.*

*Subd. 2. [CERTIFICATE OF INSPECTION FROM STATE OF ORIGIN.] No person may bring any combless bees, including queen bees or nuclei, into this state without a statement showing the names and addresses of the consignors or shippers, the consignees or persons to whom shipped, and the locality of origin, and a certificate of inspection signed by a responsible official of the state from which it was brought. The statement must appear clearly and legibly in a conspicuous place on the package containing the material, or on a tag or other device attached to the package or the vehicle carrying the package. The certificate of inspection must show that the official found that the materials were free from any infectious bee diseases, exotic parasites, or exotic strains of honey bees.*

**Subd. 3. [APPLICATION FOR ENTRY PERMIT.]** A person applying for an entry permit shall supply:

(a) a statement of facts relating to the disease history of the apiary from which the colonies of bees will originate as required by the commissioner;

(b) a list of locations where the colonies of bees can be inspected after they are brought into the state by county, range, township, section, and quarter section; and

(c) a statement of any convictions of the applicant for violation of any apiary law of any state or of the United States.

**Subd. 4. [EFFECT OF INSPECTION CERTIFICATES.]** A certificate of inspection from another state is prima facie evidence of the facts stated in the certificate. The commissioner may inspect any bees or used bee equipment brought into the state with a certificate of inspection from the state of origin and may subject the materials to treatment or return them to the consignor at the consignor's expense if the commissioner finds an infectious bee disease, exotic parasite, or exotic strain of bee. If the commissioner repeatedly finds foulbrood in colonies of bees shipped from another state under official certificates of inspection, the commissioner may refuse to recognize the certificate of that state until the commissioner receives satisfactory information that the inspection service in that state has corrected the situation.

**Subd. 5. [DENIAL OF PERMIT.]** The commissioner may deny a permit for just cause after five days' notice and an opportunity for the person to be heard.

**Subd. 6. [PLACEMENT OF COLONIES.]** Bee colonies for which an entry permit has been issued must be placed at the locations listed in the permit. Notice of the placement must be forwarded by the beekeeper to the commissioner within three days after the placement. Each placement of a colony of bees in an unlisted location is a separate violation of law.

**Subd. 7. [DUTY TO REPORT.]** Any person who transports or receives bees or used bee equipment knowing that the material is without a certificate of inspection or entry permit as required by this section shall report that fact promptly to the commissioner. A transporter shall report the names of the consignor and consignee and the nature of the shipment. A person receiving bees or used bee equipment shall keep them until they are released by the commissioner.

**Subd. 8. [PENALTIES.]** Any person who brings any bees or used bee equipment into the state without a certificate of inspection or entry permit as required by this section is guilty of a misdemeanor. Each shipment of bees or used bee equipment

brought into this state in violation of this section is a separate offense. Each day during which a shipment of bees or used bee equipment remains in this state in violation of this section is a separate offense.

Subd. 9. [NUISANCE; REMOVAL.] Bees and used bee equipment brought into the state in violation of this section may be declared a nuisance by the commissioner, and must be removed from the state within seven days after notification by the commissioner. If the bees and used bee equipment are not removed from the state, the commissioner may proceed as provided in section 7.

Sec. 10. [19.59] [ABANDONED APIARIES.]

An abandoned apiary is subject to quarantine. If an abandoned apiary remains abandoned for 20 days after the owner or operator has been notified by the commissioner to cease the abandonment and neglect of the apiary, the commissioner shall take possession of the apiary and proceed to sell it at public auction. A notice specifying the time and place of the auction must be served upon the owner in the manner provided for the service of process. No abandoned apiary may be sold at a public sale to the owner or operator who abandoned and neglected it. A purchaser at the public sale shall receive a certificate of purchase signed by the commissioner reciting the description of the apiary purchased and the amount paid.

After deducting the expense of the public sale and applying the unpaid balance upon all encumbrances or liens existing against the abandoned apiary sold, the balance of the proceeds shall be paid to the owner of the apiary which was sold.

Sec. 11. [19.60] [RECIPROCAL AGREEMENTS.]

A person bringing a colony of bees from another state shall pay all fees required by sections 1 to 16 unless that state has been a party to a reciprocal agreement with Minnesota as provided in this section for at least 90 days prior to the date of application for an entry permit to bring the bees into Minnesota.

The commissioner may enter into written reciprocal agreements with the responsible officials of other states having laws governing apiculture. The agreements shall provide that persons transporting bee colonies from this state have exemptions, benefits, and privileges similar to those extended to persons from the other state transporting bee colonies into Minnesota. The commissioner may withdraw from a reciprocal agreement on 30 days' notice when it is in the best interests of Minnesota.

Reciprocal agreements under this section are effective when filed in the office of the commissioner. Withdrawals must be in writing and are effective at the end of the 30-day period.

*Reciprocal agreements under this section may contain provisions denying exemptions, benefits, or privileges to persons who violate specified conditions.*

Sec. 12. [19.61] [REARING QUEEN BEES.]

*Subdivision 1. [CANDY FOR MAILING CAGES.] It is unlawful for any person who sells queen bees in this state in mailing cages to place any candy containing honey in any mailing cage.*

*Subd. 2. [INSPECTION OF APIARIES.] All queen rearing and queen mating apiaries shall be inspected at least once during each summer season by the commissioner. If upon an inspection, bee diseases are found to exist in an apiary, no queen bees may be shipped from the apiary until the commissioner declares the apiary free from bee diseases.*

Sec. 13. [19.62] [BEE MOVEMENT AND SALES.]

*It is unlawful for any person to knowingly sell or offer for sale or to remove or ship from any apiary or other premises bees, hives, or bee equipment infested with American or European foulbrood. Exceptions may be granted by the commissioner by special inspection and authorization.*

Sec. 14. [19.63] [REVOCATION OF INSPECTION CERTIFICATE.]

*An inspection certificate issued by the commissioner may be revoked for just cause.*

Sec. 15. [19.64] [REGISTRATION; FEES.]

*Subdivision 1. [REGISTRATION.] Every person who owns, leases, or possesses colonies of bees shall register the bees with the commissioner on or before July 1 of each year. The registration application shall include the name and address of the applicant, a description of the exact location and number of each of the applicant's bee colonies by county, township, range and quarter section, and other information required by the commissioner. The fee for registration under this subdivision is \$7.50.*

*Subd. 2. [INSPECTION FEE.] In addition to the annual registration fee, a person owning, leasing, or possessing 11 or more bee colonies shall pay an annual inspection fee of 17 cents for each colony of bees owned, leased, or possessed. A person owning, leasing, or possessing one to ten colonies is not required to pay an inspection fee. The inspection fee is based upon the colony count taken as of June 15 of each year, and is payable on or before June 30 each year. A penalty of 50 percent of both*

*the inspection fee and the registration fee imposed by subdivision 1 is imposed if a registrant does not apply for a registration renewal certificate before August 1 of any year.*

*Subd. 3. [INITIAL ENTRY INSPECTION FEE.] Upon initial entry into this state, beekeepers from other states desiring to locate apiaries in Minnesota shall pay in advance the required registration fee and an initial inspection fee of \$1.50 per colony of bees to be located in this state.*

*Subd. 4. [INSPECTION FEE FOR INTERSTATE SHIPMENT OF BEE COLONIES.] An interstate inspection fee of 40 cents for each colony inspected shall be paid by the owner, lessor, or possessor requesting inspection service.*

*Subd. 5. [DEPOSIT IN GENERAL FUND.] The commissioner shall deposit all fees collected under this section in the general fund.*

**Sec. 16. [19.65] [VIOLATION; PENALTY.]**

*A person who violates any provision of sections 1 to 16 is guilty of a misdemeanor. A person whose agents or representatives violate any provision of sections 1 to 16 is also guilty of a misdemeanor.*

**Sec. 17. [REPEALER.]**

*Minnesota Statutes 1982, sections 19.18; 19.19; 19.20; 19.21; 19.22; 19.23; 19.24; 19.25; 19.26; 19.27; 19.28; 19.29; 19.30; 19.31; 19.32; 19.33; 19.34; 19.35; 19.36; 19.37; 19.38; 19.40; and 19.41 are repealed."*

(b) *The project or facility was being operated within the terms of its permit or license.*

**Subd. 10. [RENDERING ASSISTANCE IN RESPONSE ACTIONS.]** *It is a defense to liability under this section that the response costs or damages resulted from acts taken or omitted in preparation for, or in the course of rendering care, assistance, or advice to the director or agency pursuant to section 14 or in accordance with the national hazardous substance response plan pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9605, or at the direction of an on-scene coordinator appointed under that plan, with respect to any release or threatened release of a hazardous substance.*

Subd. 3. [CERTAIN EMPLOYEE CLAIMS NOT COVERED.] Except for a third party who is subject to liability under section 176.061, subdivision 5, there is no liability under this section for the death, personal injury or disease of an employee which is compensable under chapter 176 as an injury or disease arising out of and in the course of employment.

Subd. 4. [LIABILITY OF POLITICAL SUBDIVISIONS.] The liability of a political subdivision under this section is subject to the limits imposed under section 466.04, subdivision 1.

Subd. 5. [TRANSPORTATION OF HOUSEHOLD REFUSE.] A person who accepts only household refuse for transport to a treatment or disposal facility is not liable under this section for the release or threatened release of any hazardous substance unless he knew or reasonably should have known that the hazardous substance was present in the refuse. For the purpose of this subdivision, household refuse means garbage, trash, or septic tank sanitary wastes generated by single or multiple residences, hotels, motels, restaurants and other similar facilities.

Subd. 6. [DEFENSE AVAILABLE FOR INTERVENING ACTS.] It is a defense to liability under this section that the release or threatened release was caused solely by:

(a) An act of God;

(b) An act of war; or

(c) An act or omission of a third party.

"Third party" for the purposes of clause (c) does not include an employee or agent of the defendant, or a person in the chain of responsibility for the generation, transportation, storage, treatment, or disposal of the hazardous substance.

The defense provided in clause (c) applies only if the defendant establishes that he exercised due care with respect to the hazardous substance concerned, taking into consideration the characteristics of the hazardous substance in light of all relevant facts and circumstances which he knew or should have known, and that he took precautions against foreseeable acts or omissions of a third party and the consequences that could foreseeably result from those acts or omissions.

Subd. 7. [RELEASES SUBJECT TO CERTAIN PERMITS OR STANDARDS; FEDERAL POST-CLOSURE FUND.] It is a defense to liability under this section that:

(a) The release or threatened release was from a hazardous waste facility as defined under section 115A.03; for which a permit had been issued pursuant to section 116.07 or pursuant to subtitle C of the Solid Waste Disposal Act, 42 U.S.C. Section 6921 et seq., and if the hazardous substance was specifically identified in the permit and the release was within the limits allowed in the permit for release of that substance;

**Subd. 8. [RENDERING ASSISTANCE IN RESPONSE ACTIONS.]** *It is a defense to liability under this section that the damages resulted from acts taken or omitted in preparation for, or in the course of rendering care, assistance, or advice to the director or agency pursuant to section 16 or in accordance with the national hazardous substance response plan pursuant to the Federal Superfund Act, under 42 U.S.C. Section 9605, or at the direction of an on-scene coordinator appointed under that plan, with respect to any release or threatened release of a hazardous substance.*

**Subd. 9. [DEFENSE FOR CERTAIN PAST ACTIONS.]** *It is a defense to liability under this section that the hazardous substance which is alleged to have caused the damages claimed by the plaintiff was placed or came to be located in or on the facility before April 1, 1982 and that the activity in which the defendant was involved with respect to the substance was not an abnormally dangerous activity.*

*For the purpose of this subdivision, the determination of whether an activity with respect to a hazardous substance was an abnormally dangerous activity shall be made by the court, which shall consider factors including:*

(1) *The character of the substance, including the tendency of the substance to cause harm if it escapes from the control of the person who has possession of it;*

(2) *The character and location of the activity in which the person was involved with respect to the substance, including:*

(a) *Whether harm to persons or property would necessarily result from the activity regardless of the reasonable precaution with which it is conducted;*

## Sec. 6. [115B.06] [CAUSATION.]

*In any action brought under section 5 or any other law to recover damages for death, personal injury, or disease arising out of the release of a hazardous substance, the court may not direct a verdict against the plaintiff on the issue of causation if the plaintiff produces evidence sufficient to enable a reasonable person to find that:*

(a) *the defendant is a person who is responsible for the release;*

(b) *the plaintiff was exposed to the hazardous substance;*

(c) *the release could reasonably have resulted in plaintiff's exposure to the substance in the amount and duration experienced by the plaintiff; and*

(d) *the death, injury, or disease suffered by the plaintiff is caused or significantly contributed to by exposure to the hazardous substance in an amount and duration experienced by the plaintiff.*

*Medical opinion to a reasonable medical certainty that exposure to the hazardous substance caused or significantly contributed to the death, injury, or disease is not required for the question of causation to be submitted to the trier of fact.*

*Nothing in this section shall be construed to relieve the plaintiff of the burden of proving that the defendant is a person who is responsible for the release and of proving the causal connection between the release of the hazardous substance for which the defendant is a responsible person and the plaintiff's death, injury, or disease.*

## Sec. 7. [115B.07.] [APPORTIONMENT OF LIABILITY; LIMITATION; CONTRIBUTION.]

*Subdivision 1. [RIGHT OF APPORTIONMENT; FACTORS.] Any person held jointly and severally liable under section 4 or 5 has the right at trial to have the trier of fact apportion liability among the defendants as provided in this section. The burden is on each defendant to show how his liability should be apportioned.*

*In apportioning the liability of any defendant under this section, the trier of fact shall consider the following:*

(a) *The extent to which that defendant's contribution to the release of a hazardous substance can be distinguished;*

(b) *The amount of hazardous substance involved;*

(c) *The degree of toxicity of the hazardous substance involved;*

(d) *The degree of involvement of and care exercised by the defendant in manufacturing, treating, transporting, and disposing of the hazardous substance;*

(e) *The degree of cooperation by the defendant with federal, state, or local officials to prevent any harm to the public health or the environment; and*

(f) *Knowledge by the defendant of the hazardous nature of the substance.*

*Subd. 2. [LIMITATION OF LIABILITY.] If a person is held jointly and severally liable under section 4 or 5 and establishes his proportionate share of the aggregate liability, the liability of that person shall be limited to three times his proportionate share.*

*Subd. 3. [CONTRIBUTION.] Any person held jointly and severally liable under section 4 or 5 who is required to pay more than that person's proportionate share of the aggregate liability is entitled to seek contribution from any other person liable for the damages or response costs to the extent of the other person's proportionate liability.*

**Sec. 8. [115B.08] [AGREEMENTS TO TRANSFER LIABILITY; INSURANCE AND SUBROGATION.]**

*No conveyance, indemnification, hold harmless agreement, or similar agreement shall be effective to transfer the liability imposed under sections 1 to 12 from the owner or operator of a facility or from any person who may be liable under those sections to any other person. Nothing in this section shall be construed:*

(a) *To prohibit any party who may be liable under sections 1 to 12 from entering an agreement by which that party is insured, held harmless or indemnified for part or all of that liability;*

(b) *To prohibit the enforcement of any insurance, hold harmless or indemnification agreement; or*

(c) *To bar any cause of action brought by a party who may be liable under sections 1 to 12 or by an insurer or guarantor, whether by right of subrogation or otherwise.*

**Sec. 9. [115B.09] [STATUTE OF LIMITATIONS.]**

*No person may recover pursuant to sections 1 to 12 unless the action is commenced within six years from the date when the*

*cause of action accrues. In determining when the cause of action accrues for an action to recover damages for death, personal injury or disease, the court shall consider factors including the following:*

- (a) When the plaintiff discovered the injury or loss;*
- (b) Whether a personal injury or disease had sufficiently manifested itself; and*
- (c) When the plaintiff discovered, or using due diligence should have discovered, a causal connection between the injury, disease, or loss and the release of a hazardous substance.*

**Sec. 10. [115B.10] [OTHER REMEDIES PRESERVED.]**

*Nothing in sections 1 to 12 shall be construed to abolish or diminish any remedy or affect the right of any person to bring a legal action or use any remedy available under any other provision of state or federal law, including common law, to recover for personal injury, disease, economic loss or response costs arising out of a release of any hazardous substance, or for removal or the costs of removal of that hazardous substance. Nothing in sections 1 to 12 shall be construed to limit or restrict in any way the liability of any person under any other state or federal law, including common law, for loss due to personal injury or disease, for economic loss, or for response costs arising out of any release or threatened release of a hazardous substance from a facility regardless of the time at which a hazardous substance was placed or came to be located in the facility. The provisions of sections 1 to 12 shall not be considered, interpreted, or construed in any way as reflecting a determination, in whole or in part, of policy regarding the inapplicability of strict liability, or strict liability doctrines under any other state or federal law, including common law, to activities past, present or future, relating to hazardous substances, or pollutants or contaminants, or other similar activities.*

**Sec. 11. [115B.11] [DOUBLE RECOVERY PROHIBITED.]**

*A person who recovers response costs or damages pursuant to sections 1 to 12 may not recover the same costs or damages pursuant to any other law. A person who recovers response costs or damages pursuant to any other state or federal law may not recover for the same costs or damages pursuant to sections 1 to 12.*

**Sec. 12. [115B.12] [APPLICATION OF SECTIONS 1 TO 12.]**

Sections 1 to 12 apply to any release or threatened release of a hazardous substance occurring on or after July 1, 1983, including any release which began before July 1, 1983, and continued after that date. Sections 1 to 12 do not apply to a release or threatened release which occurred wholly before July 1, 1983, regardless of the date of discovery of any injury or loss caused by the release or threatened release.

Sec. 13. [115B.13] [DISPOSITION OF FACILITIES.]

*Subdivision 1. [CLOSED DISPOSAL FACILITIES; USE OF PROPERTY.] No person shall use any property on or in which hazardous waste remains after closure of a disposal facility as defined in section 115A.03, subdivision 10, in any way that disturbs the integrity of the final cover, liners, or any other components of any containment system, or the function of the disposal facility's monitoring systems, unless the agency finds that the disturbance:*

*(a) Is necessary to the proposed use of the property, and will not increase the potential hazard to human health or the environment; or*

*(b) Is necessary to reduce a threat to human health or the environment.*

*Subd. 2. [RECORDING OF AFFIDAVIT.] Before any transfer of ownership of any property which the owner knew or should have known was used as the site of a hazardous waste disposal facility as defined in section 115A.03, subdivision 10, or which the owner knew or should have known is subject to extensive contamination by release of a hazardous substance, the owner shall record with the county recorder of the county in which the property is located an affidavit containing a legal description of the property that discloses to any potential transferee:*

*(a) That the land has been used to dispose of hazardous waste or that the land is contaminated by a release of a hazardous substance;*

*(b) The identity, quantity, location, condition and circumstances of the disposal or contamination to the full extent known or ascertainable; and*

*(c) That the use of the property or some portion of it may be restricted as provided in subdivision 1.*

*An owner must also file an affidavit within 60 days after any material change in any matter required to be disclosed under clauses (a) to (c) with respect to property for which an affidavit has already been recorded.*

*If the owner or any subsequent owner of the property removes the hazardous substance, together with any residues, liner, and contaminated underlying and surrounding soil, that owner may record an affidavit indicating the removal of the hazardous substance.*

*Failure to record an affidavit as provided in this subdivision does not affect or prevent any transfer of ownership of the property.*

**Subd. 3. [DUTY OF COUNTY RECORDER.]** *The county recorder shall record all affidavits presented to him in accordance with subdivision 2. The affidavits shall be recorded in a manner which will assure their disclosure in the ordinary course of a title search of the subject property.*

**Subd. 4. [PENALTIES.]** (a) *Any person who knowingly violates the provisions of subdivision 1 is subject to a civil penalty in an amount determined by the court of not more than \$100,000, and shall be liable under sections 4 and 5 for any release or threatened release of any hazardous substance resulting from the violation.*

(b) *Any owner who knowingly fails to record an affidavit as required by subdivision 2 shall be liable under sections 4 and 5 for any release or threatened release of any hazardous substance from a facility located on that property.*

(c) *A civil penalty may be imposed and recovered by an action brought by a county attorney or by the attorney general in the district court of the county in which the property is located.*

(d) *Any civil fines recovered under this subdivision shall be deposited in the fund.*

**Sec. 14. [115B.14] [STATE RESPONSE TO RELEASES.]**

**Subdivision 1. [REMOVAL AND REMEDIAL ACTION.]** *Whenever there is a release or substantial threat of release from a facility of any pollutant or contaminant which presents an imminent and substantial danger to the public health, welfare, or the environment or whenever a hazardous substance is released or there is a threatened release of a hazardous substance from a facility:*

(a) *The agency may take any removal or remedial action relating to the hazardous substance, or pollutant or contaminant, which the agency deems necessary to protect the public health or welfare or the environment. Before taking any action the agency shall:*

(1) Request any responsible party known to the agency to take actions which the agency deems reasonable and necessary to protect the public health, welfare or the environment, stating the reasons for the actions, a reasonable time for beginning and completing the actions taking into account the urgency of the actions for protecting the public health, welfare and environment, and the intention of the agency to take action if the requested actions are not taken as requested;

(2) Notify the owner of real property where the facility is located or where response actions are proposed to be taken, if the owner is not a responsible party, that responsible parties have been requested to take response actions and that the owner's cooperation will be required in order for responsible parties or the agency to take those actions; and

(3) Determine that the actions requested by the agency will not be taken by any known responsible party in the manner and within the time requested.

(b) The director may take removal action which he deems necessary to protect the public health, welfare or the environment if the director determines that the release or threatened release constitutes an emergency requiring immediate action to prevent, minimize or mitigate damage to the public health, welfare or the environment. Before taking any action the director shall make reasonable efforts in light of the urgency of the action to follow the procedure provided in clause (a).

No removal action taken by any person shall be construed as an admission of liability for a release or threatened release.

Subd. 2. [OTHER ACTIONS.] Whenever the agency or director is authorized to act pursuant to subdivision 1 or whenever the agency or director has reason to believe that a release of a hazardous substance, or a pollutant or contaminant, has occurred or is about to occur, or that illness, disease, or complaints thereof may be attributable to exposure to a hazardous substance, or a pollutant or contaminant, the agency or director may undertake investigations, monitoring, surveys, testing, and other similar activities necessary or appropriate to identify the existence and extent of the release or threat thereof, the source and nature of the hazardous substances, or pollutants or contaminants, and the extent of danger to the public health or welfare or to the environment. In addition, the agency may undertake planning, legal, fiscal, economic, engineering, architectural, and other studies or investigations necessary or appropriate to plan and direct a response action, to recover the costs of the response action, and to enforce the provisions of sections 1 to 15.

Subd. 3. [DUTY TO PROVIDE INFORMATION.] Any person who the agency has reason to believe is responsible for a release or threatened release as provided in section 3, or who

is the owner of real property where the release or threatened release is located or where response actions are proposed to be taken, when requested by the agency, or any member, employee or agent thereof who is authorized by the agency, shall furnish to the agency any information which he may have or may reasonably obtain which is relevant to the release or threatened release.

**Subd. 4. [ACCESS TO INFORMATION AND PROPERTY.]** The agency or any member, employee or agent thereof authorized by the agency, upon presentation of credentials, may:

(a) Examine and copy any books, papers, records, memoranda or data of any person who has a duty to provide information to the agency under subdivision 3; and

(b) Enter upon any property, public or private, for the purpose of taking any action authorized by this section including obtaining information from any person who has a duty to provide the information under subdivision 3, conducting surveys or investigations, and taking removal or remedial action.

**Subd. 5. [CLASSIFICATION OF DATA.]** Except as otherwise provided in this subdivision, data obtained from any person pursuant to subdivision 3 or 4 is public data as defined in section 13.02. Upon certification by the subject of the data that the data relates to sales figures, processes or methods of production unique to that person, or information which would tend to affect adversely the competitive position of that person, the director shall classify the data as private or nonpublic data as defined in section 13.02. Notwithstanding any other law to the contrary, data classified as private or nonpublic under this subdivision may be disclosed when relevant in any proceeding under sections 1 to 15, or to other public agencies concerned with the implementation of sections 1 to 15.

**Subd. 6. [RECOVERY OF EXPENSES.]** Any reasonable and necessary expenses incurred by the agency or director pursuant to this section, including all response costs, and administrative and legal expenses, may be recovered in a civil action brought by the attorney general against any person who may be liable under section 4 or any other law. The agency's certification of expenses shall be prima facie evidence that the expenses are reasonable and necessary. Any expenses incurred pursuant to this section which are recovered by the attorney general pursuant to section 4 or any other law, including any award of attorneys fees, shall be deposited in the fund and may be appropriated only for additional response actions as provided in section 17, subdivision 2, clause (b) or (c).

**Subd. 7. [ACTIONS RELATING TO NATURAL RESOURCES.]** For the purpose of this subdivision, the state is the trustee of the air, water and wildlife of the state. An action

*pursuant to section 4 for damages with respect to air, water or wildlife may be brought by the attorney general in the name of the state as trustee for those natural resources. Any damages recovered by the attorney general pursuant to section 4 or any other law for injury to, or loss of natural resources resulting from the release of a hazardous substance, or a pollutant or contaminant, shall be deposited in the fund and may be appropriated only for the purposes provided in section 17, subdivision 2, clause (e).*

**Subd. 8. [ACTIONS RELATING TO PESTICIDES OR FERTILIZER OR SOIL OR PLANT AMENDMENTS.]** *When the commissioner of agriculture has reported an incident involving the release of pesticides under the provisions of section 18A.37 or the release of fertilizers or soil or plant amendments, and the agency determines that the incident constitutes a release of a hazardous substance, or a pollutant or contaminant, the agency shall authorize the commissioner, subject to the provisions of subdivision 13, to take any action which the agency would be authorized to take under subdivisions 1 to 4. Subject to the provisions of section 17, subdivision 3, the agency shall reimburse the commissioner from the fund for the reasonable and necessary expenses incurred in taking those actions and may recover any amount spent from the fund under subdivision 6.*

**Subd. 9. [ACTIONS RELATING TO OCCUPATIONAL SAFETY AND HEALTH.]** *The agency, director and the commissioner of labor and industry shall make reasonable efforts to coordinate any actions taken under this section and under sections 182.65 to 182.674 to avoid duplication or conflict of actions or requirements with respect to a release or threatened release affecting the safety of any conditions or place of employment.*

**Subd. 10. [ACTIONS RELATING TO HEALTH.]** *The agency and director shall make reasonable efforts to coordinate and consult with the commissioner of health in planning and directing response actions with respect to a release or threatened release affecting the public health. If the commissioner of health, upon the request of the agency, takes any actions authorized under this section, the agency shall reimburse the commissioner from the fund for the reasonable and necessary expenses incurred in taking those actions and may recover any amount spent from the fund under subdivision 6.*

**Subd. 11. [LIMIT ON ACTIONS BY POLITICAL SUBDIVISIONS.]** *When the agency or director has requested a person who is responsible for a release or threatened release to take any response action under subdivision 1, no political subdivision shall request or order that person to take any action which conflicts with the action requested by the agency or director.*

**Subd. 12. [AUTHORIZATION OF CERTAIN RESPONSE ACTIONS.]** *For the purpose of permitting a political subdivi-*

sion or private person to recover response costs as provided in section 4, subdivision 6, the agency may authorize the political subdivision to take removal or remedial actions or may authorize the private person to take removal actions with respect to any release of a hazardous substance which was placed or came to be located in the facility before April 1, 1982. The authorization shall be based on application of the criteria in the rules of the agency adopted under subdivision 13 or, if the rules have not been adopted, under the criteria set forth in subdivision 13 on which the rules are required to be based. The authorization shall not be inconsistent with the criteria. This subdivision shall not be construed to prohibit a political subdivision or private person from taking removal or remedial actions without the authorization of the agency.

**Subd. 13. [PRIORITIES; RULES.]** By November 1, 1983, the agency shall establish a temporary list of priorities among releases or threatened releases for the purpose of taking remedial action and, to the extent practicable consistent with the urgency of the action, for taking removal action under this section. The temporary list, with any necessary modifications, shall remain in effect until the agency adopts rules establishing state criteria for determining priorities among releases and threatened releases. The agency shall adopt the rules by July 1, 1984. After rules are adopted, a permanent priority list shall be established, and may be modified from time to time, according to the criteria set forth in the rules. Before any list is established under this subdivision the agency shall publish the list in the state register and allow 30 days for comments on the list by the public.

The temporary list and the rules required by this subdivision shall be based upon the relative risk or danger to public health or welfare or the environment, taking into account to the extent possible the population at risk, the hazardous potential of the hazardous substances at the facilities, the potential for contamination of drinking water supplies, the potential for direct human contact, the potential for destruction of sensitive ecosystems, the administrative and financial capabilities of the agency, and other appropriate factors.

All other considerations being equal, agency remedial action for any risk or danger which was created or aggravated by the action or inaction of any government entity shall take precedence over remedial action for similar risks or dangers not significantly contributed to by government action or inaction.

**Sec. 15. [115B.15] [FAILURE TO TAKE REQUESTED ACTIONS; CIVIL PENALTIES; ACTION TO COMPEL PERFORMANCE; INJUNCTIVE RELIEF.]**

**Subdivision 1. [CIVIL PENALTIES.]** Any person responsible for a release or threatened release from a facility of a pollutant or contaminant which presents an imminent and substan-

tial danger to the public health, welfare, or the environment or for a release or threatened release of a hazardous substance from a facility shall forfeit and pay to the state a civil penalty in an amount to be determined by the court of not more than \$25,000 per day for each day that the person fails to take reasonable and necessary response actions or to make reasonable progress in completing response actions requested as provided in subdivision 3.

The penalty provided under this subdivision may be recovered by an action brought by the attorney general in the name of the state in connection with an action to recover expenses of the agency under section 14, subdivision 6, or by a separate action in the district court of Ramsey County. All penalties recovered under this subdivision shall be deposited in the fund.

**Subd. 2. [ACTION TO COMPEL PERFORMANCE.]** When any person who is responsible for a release or threatened release from a facility of a pollutant or contaminant which presents an imminent and substantial danger to the public health, welfare, or the environment or for a release or threatened release of a hazardous substance from a facility, fails to take response actions or to make reasonable progress in completing response actions requested as provided in subdivision 3, the attorney general may bring an action in the name of the state to compel performance of the requested response actions. If the owner of real property where the facility is located or where response actions are proposed to be taken is not a person responsible for the release or threatened release, the owner may be joined as an indispensable party in an action to compel performance in order to assure that the requested response actions can be taken on that property by the responsible parties.

**Subd. 3. [REQUESTS FOR RESPONSE ACTIONS.]** A request for emergency removal action shall be made by the director. Other requests for response actions shall be made by the agency. A request shall be in writing, shall state the action requested, the reasons for the action, and a reasonable time by which the action must be begun and completed taking into account the urgency of the action for protection of the public health, welfare, and environment.

**Subd. 4. [INJUNCTIVE RELIEF.]** The release or threatened release of a hazardous substance, or a pollutant or contaminant, shall constitute a public nuisance and may be enjoined in an action, in the name of the state, brought by the attorney general.

**Sec. 16. [115B.16] [PURPOSES OF FUND AND TAXES.]**

In establishing the environmental response, compensation and compliance fund in section 17 and imposing taxes in section 19 it is the purpose of the legislature to:

(a) Encourage treatment and disposal of hazardous waste in a manner that adequately protects the public health and welfare and the environment;

(b) Encourage responsible parties to provide the response actions necessary to protect the public and the environment from the effects of the release of hazardous substances;

(c) Encourage the use of alternatives to land disposal of hazardous waste including resource recovery, recycling, neutralization, and reduction;

(d) Provide state agencies with the financial resources needed to prepare and implement an effective and timely state response to the release of hazardous substances, including investigation, planning, removal and remedial action;

(e) Compensate for increased governmental expenses and loss of revenue and to provide other appropriate assistance to mitigate any adverse impact on communities in which commercial hazardous waste processing or disposal facilities are located under the siting process provided in chapter 115A;

(f) Recognize the environmental and public health costs of land disposal of solid waste and of the use and disposal of hazardous substances and to place the burden of financing state hazardous waste management activities on those whose products and services contribute to hazardous waste management problems and increase the risks of harm to the public and the environment.

**Sec. 17. [115B.17] [ENVIRONMENTAL RESPONSE, COMPENSATION AND COMPLIANCE FUND.]**

*Subdivision 1. [ESTABLISHMENT.] The environmental response, compensation and compliance fund is created as an account in the state treasury and may be spent only for the purposes provided in subdivision 2.*

*Subdivision 1. [FEE SCHEDULES.] The agency shall establish the fees provided in subdivisions 2 and 3 in the manner provided in section 16A.128 in order to raise an amount of fees sufficient to cover the non-federally funded portion of the amount appropriated to the agency for that year for permitting, monitoring, inspection and enforcement expenses of the hazardous waste activities of the agency, excluding any amount appropriated to the agency for these purposes under section 17, subdivision 2.*

*The legislature may appropriate additional amounts which need not be raised by fees or may provide that the fees shall cover a proportion of the appropriation for the hazardous waste activities of the agency in order to assure adequate funding for the regulatory and enforcement functions of the agency related to hazardous waste. The fee shall be paid annually commencing with the first day of the calendar quarter after the date of the statement.*

*The agency may exempt generators of small quantities of hazardous wastes otherwise subject to the fee if it finds that the cost of administering a fee on those generators is excessive relative to the proceeds of the fee. The fee shall consist of a minimum fee for each generator not exempted by the agency and an additional fee which generally reflects the quantity of wastes generated by the generator.*

*If any metropolitan counties recover the costs of administering county hazardous waste regulations by charging fees, the fees charged by the agency outside of those counties shall not exceed the fees charged by those counties. Subdivision 1. [CERTIFICATE.] (EXCEPT AS PROVIDED IN SUBDIVISION 2,) By December 15, 1982, on the basis of and consistent with its hazardous waste management plan adopted under section 115A.11, the board shall issue a certificate or certificates of need for disposal facilities for hazardous wastes in the state. The certificate or certificates shall indicate the types and volumes of waste for which disposal facilities are and will be needed through the year 2000 and the number, types, sizes, general design and operating specifications, and function or use of the disposal facilities needed in the state. The board shall certify need only to the extent that the board has determined that there are no feasible and prudent alternatives including waste reduction, separation, pretreatment, processing, and resource recovery which would minimize adverse impact upon natural resources, provided that the board shall require the establishment of at least one commercial disposal facility in the state. Economic considerations alone shall not justify certification nor the rejection of alternatives. Alternatives that are speculative and conjectural shall not be deemed to be feasible and prudent. The board shall consider all technologies being developed in other countries as well as in the United States when it considers the alternatives to hazardous waste disposal. The certificate or certificates shall not be subject to the provisions of chapter 14 but shall be the final determination required on the matters decided by the certificate or certificates and shall have the force and effect of law. The certificate or certificates shall not be amended for five years. The board and the permitting agencies, in reviewing and selecting sites, completing environmental impact statements, and issuing approvals and permits for waste disposal facilities described in the certificate or certificates of need, shall not reconsider matters determined in the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of facilities consistent with the certification. The board and the permitting agencies shall be required to make a final decision approving the establishment of at least one commercial disposal facility for hazardous waste in the state.

"Section 1. Minnesota Statutes 1982, section 270.10, subdivision 1, is amended to read:

Subdivision 1. [IN WRITING; APPROVAL BY ATTORNEY GENERAL.] All orders and decisions of the commissioner of revenue, or any of his subordinates, respecting any tax, assessment, or other obligation, shall be in writing, filed in the offices of the department. No order or decision *issued after June 30, 1983*, increasing or decreasing any tax, assessment, or other obligation by a sum exceeding (\$500) \$1,000 on real or personal property, or the assessed valuation thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$1,000, and no order or decision increasing or decreasing any other tax by a sum exceeding \$1,000 exclusive of penalties and interest, shall be made without the written signature or facsimile signature of the commissioner, a deputy commissioner, assistant commissioner, division director, or acting division director in each case. Written

notice of every order granting a reduction, abatement, or refundment exceeding \$5,000 of any tax exclusive of penalties and interest, shall be given within five days to the attorney general. The attorney general shall forthwith examine such order, and if he deems the same proper and legal he shall approve the same in writing, and may waive the right of appeal therefrom in behalf of the state; otherwise he shall take an appeal from the order in behalf of the state as herein provided; but written approval of the commissioner or his deputy and written notice to the attorney general, shall not be required with respect to the following orders: (1) orders reducing assessed valuation of property by reason of its classification as a homestead; (2) orders not involving refunds which have the effect only of correcting income and franchise tax assessments to conform to the amounts shown on final returns filed as provided by section 290.42, clause (6); (3) original orders for the refundment of gasoline and special fuel taxes.

Sec. 2. Minnesota Statutes 1982, section 270.10, subdivision 3, is amended to read:

Subd. 3. [REDUCTIONS, ABATEMENTS, REFUNDMENTS; STATEMENT.] The commissioner shall maintain as a public record in the department a statement of all abatements, reductions, and refundments of assessments, taxes, or other obligations granted by the department during the biennium, which require the written approval of the commissioner or his deputy, and of which written notice to the attorney general is required, under the provisions of subdivision 1; and, all reductions of assessed valuation of more than (\$50,000) \$100,000 and all reductions, refundments, or abatements of real estate tax of more than \$1,000 shall be separately shown in such statement. Such statement shall show the names of all taxpayers or other persons concerned, the original amount of each assessment, tax, or other obligation, the amount of abatement, reduction, or refundment allowed in each case, and the totals of the respective items, notwithstanding any provisions of law requiring secrecy to the contrary. The commissioner shall include in such statement the amount of all increases of taxes or assessments made by the department, classified in such manner as he may deem proper, but not showing the names of taxpayers or other persons concerned or the amounts in individual cases.

Sec. 3. Minnesota Statutes 1982, section 270.12, subdivision 3, is amended to read:

Subd. 3. (FOR TAXES LEVIED IN 1980 AND 1981, WHEN A TAXING JURISDICTION LIES IN TWO OR MORE COUNTIES, AND THE SALES RATIO STUDIES PREPARED BY THE DEPARTMENT OF REVENUE SHOW THAT THE AVERAGE LEVEL OF ASSESSMENT IN THE SEVERAL PORTIONS OF THE DISTRICT IN THE DIFFERENT COUNTIES DIFFERS BY MORE THAN 20 PER-

CENT, THE BOARD SHALL ORDER THAT THE LEVY OF THE TAXING JURISDICTION BE APPORTIONED AMONG THE PORTIONS IN THE DIFFERENT COUNTIES IN THE SAME PROPORTION AS THE ADJUSTED ASSESSED VALUE AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE IN EACH PORTION IS TO THE TOTAL ADJUSTED ASSESSED VALUE, AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE, OF THE TAXING JURISDICTION; IF THE STUDIES SHOW THAT THE LEVEL DIFFERS BY MORE THAN FIVE PERCENT, THE BOARD MAY ORDER THE APPORTIONMENT OF THE LEVY.) For taxes levied in (1982) 1983 and thereafter *when a taxing jurisdiction lies in two or more counties, if the sales ratio studies prepared by the department of revenue show that the (LEVEL DIFFERS) average levels of assessment in the several portions of the districts in the different counties differ by more than five percent, the board shall order the apportionment of the levy, unless one of the following factors is present, in which case the board may order the apportionment of the levy. Factors which may affect the decision to apportion include (1) if the proportion of total adjusted assessed value in one county is less than ten percent of the total adjusted assessed value in the school district and if the average level of assessment in that portion of the school district is the one which differs by more than five percent from the assessment level in any one of the other portions of the district, or (2) if significant changes have been made in the level of assessment in the taxing jurisdiction which have not been reflected in the sales ratio study, and those changes alter the assessment levels in the portions of the taxing jurisdiction so that the assessment level now differs by five percent or less, or (3) if commercial, industrial, or public utility property predominates in one county within the school district and another class of property predominates in another county within that same school district.*

*If, pursuant to this subdivision, the board apportions the levy, then that levy apportionment among the portions in the different counties shall be made in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value of the taxing jurisdiction.*

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected

jurisdiction and the appropriate county auditors by the following November 15.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

Sec. 4. Minnesota Statutes 1982, section 270.19, is amended to read:

**270.19 [MUNICIPALITIES TO BE PARTY TO TAX HEARINGS.]**

Any city, town, school district, or county (all of which governmental subdivisions shall be embraced in the word "municipality" as used hereinafter) may appear at and become a party to any proceedings before the commissioner of revenue held for the purpose of equalizing or assessing any real or personal property in such municipality, or reducing the assessed valuation of any such property. For that purpose any such municipality may employ counsel and disburse money for other expenses in connection with such proceedings, on duly itemized, verified claims, which shall be audited and allowed as now provided by law for the allowance of claims against a municipality. It shall be the duty of the commissioner of revenue, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing. Before granting any reduction in assessed valuation exceeding (\$50,000) \$100,000, it shall be the duty of the commissioner of revenue, when any taxpayer or property owner has applied to the commissioner after June 30, 1983, for a reduction of the assessed valuation of any real or personal property in an amount exceeding (\$50,000) \$100,000, to give written notice to the officials of the municipality wherein such property is located and to permit such municipality to have reasonable opportunity to be heard at any proceedings concerning such reduction.

Corporate entities who previously qualified for tax deferral pursuant to this section and who continue to otherwise qualify under subdivisions 3 and 6 for a period of at least three years following the effective date of this section will not be required to make payment of the previously deferred taxes, notwithstanding the provisions of subdivision 9. Sale of the land prior to the expiration of the three-year period shall result in payment of deferred taxes as follows: sale within the first year requires payment of payable 1980, 1981, and 1982 deferred taxes; sale during the second year requires payment of payable 1981 and 1982 taxes deferred; and sale at any time during the third year will require payment of payable 1983 taxes deferred. sion 5. (SUCH) *The additional taxes shall be extended against the property on the tax list for the current year, provided, however, that no interest or penalties shall be levied on (SUCH) the additional taxes if timely paid, and provided further, that (SUCH) the additional taxes shall only be levied with respect to the last seven years that the (SAID) property has been valued and assessed under this section.*

(2) If the personal representative disagrees with the objection or does not wish to fully comply with the objection, he may request that the commissioner hold a hearing on the objection. Within 30 days of receipt of a request, the commissioner shall set a time and place for hearing. Unless otherwise agreed upon, the hearing date shall not be earlier than 30 days nor later than 60 days from the date of the notice setting the hearing. (5) The commissioner shall not be required to object to any subsequent original, amended or supplemental return in order to preserve his rights. The commissioner shall not be precluded from objecting to a subsequent original, amended or supplemental return even though an original return was accepted as filed. If the commissioner had accepted an original return showing no tax due and a subsequent original, amended or supplemental return discloses additional assets not disclosed on the original return, the commissioner may object to any matter of valuation, taxability, deduction or computation of tax on the original return within 180 days of receipt of the subsequent original, amended or supplemental return.

(6) Subject to the provisions of (SECTION) *sections 291.11 and 291.215*, the Minnesota estate tax liability shall be considered as finally determined on the date notification of acceptance is issued to the personal representative or, if no objection is filed, on the day following 180 days from the due date of the return or the receipt of the return, together with all other documents required to be filed with the return, whichever is later.

**Subdivision 1. [FILING DATE; TIME OF PAYMENT.]** The commissioner of revenue shall issue rules adopting the reporting method for paying and collecting the excise tax on fermented malt beverages. The rules shall require reports to be filed with and the excise tax to be paid to the commissioner on or before the fifteenth day of the month following the month in which the importation into or the first sale is made in this state, whichever first occurs. If the excise tax is not paid when due, there shall be added to the amount of the tax as penalty a sum equivalent to ten percent thereof, and in addition thereto interest on the tax and penalty at the rate of 20 percent per annum, adjusted

as provided in section 270.75, from the date the tax became due until paid. The commissioner shall deposit all moneys received in the funds as provided by section 340.47, subdivision 2.

*Subd. 2. [FAILURE TO FILE RETURN.] In case of any failure to make and file a return as required by this chapter within the time prescribed by law or prescribed by the commissioner in pursuance of law, unless it is shown that the failure is not due to wilful neglect, there shall be added to the tax in lieu of the ten percent specific penalty provided in subdivision 1: ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. The amount added to any tax shall be collected at the same time and in the same manner and as a part of the tax, and the amount of tax together with the amount added shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid unless the tax has been paid before the discovery of the neglect, in which case the amount added shall be collected in the same manner as the tax.*

*For purposes of this subdivision, the amount of any taxes required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.*

*Subd. 3. [INTENT TO EVADE TAX; FAILURE TO FILE OR FILING FALSE RETURN.] Where any person, with intent to evade the tax, fails to file any return required or shall with such intent file a false or fraudulent return, there shall also be imposed upon the person an additional penalty equal to 50 percent of any tax (less any amount paid on the basis of the false or fraudulent return) found due for the period to which the return related. The penalty imposed by this subdivision shall be collected as part of the tax and shall be in addition to any other penalties provided by law.*

Sec. 36. Minnesota Statutes 1982, section 505.04, is amended to read:

505.04. [RECORDING.]

Every plat, when duly certified, signed, and acknowledged, as provided in section 505.03, and upon presentation of a certificate from the county auditor that the current year's taxes have been paid, shall be filed and recorded in the office of the county recorder.

Sec. 37. Minnesota Statutes 1982, section 524.3-1001, is amended to read:

524.3-1001 [FORMAL PROCEEDINGS TERMINATING ADMINISTRATION; TESTATE OR INTESTATE; ORDER OF DISTRIBUTION, DECREE, AND GENERAL PROTECTION.]

(a) (1) A personal representative or any interested person may petition for an order of complete settlement of the estate. The personal representative may petition at any time, and any other interested person may petition after one year from the appointment of the original personal representative except that no petition under this section may be entertained until the time for presenting claims which arose prior to the death of the decedent has expired. The petition may request the court to determine testacy, if not previously determined, to consider the final account or compel or approve an accounting and distribution, to construe any will or determine heirs and adjudicate the final settlement and distribution of the estate. After notice to all interested persons, *submission of a copy of the final account to the commissioner of revenue*, and hearing the court may enter an order or orders, on appropriate conditions, determining the persons entitled to distribution of the estate, and, as circumstances require, approving settlement and directing or approving distribution of the estate and discharging the personal representative from further claim or demand of any interested person.

(2) In such petition for complete settlement of the estate, the petitioner may apply for a decree. Upon the hearing, if in the best interests of interested persons, the court may issue its decree which shall determine the persons entitled to the estate and assign the same to them in lieu of ordering the assignment by the personal representative. The decree shall name the heirs and distributees, state their relationship to the decedent, describe the property, and state the proportions or part thereof to which each is entitled. In the estate of a testate decedent, no heirs shall be named in the decree unless all heirs be ascertained.

(3) In solvent estates, the hearing may be waived by written consent to the proposed account and decree of distribution or order of distribution by all heirs or distributees, and *submission of a copy of the final account to the commissioner of revenue*. The court may then enter its order allowing the account and issue its decree or order of distribution.

(4) Where a decree or order for distribution is issued, the personal representative shall not be discharged until all property is paid or transferred to the persons entitled thereto, and has otherwise fully discharged his trust. If objections are filed with the court by the commissioner of revenue, no discharge shall be issued until the objections are determined. If no objection is filed, the court shall have the power to settle and distribute the estate and discharge the personal representative without regard to tax obligations.

(b) If one or more heirs or devisees were omitted as parties in, or were not given notice of, a previous formal testacy proceeding, the court, on proper petition for an order of complete settlement of the estate under this section, and after notice to the omitted or unnotified persons and other interested parties determined to be interested on the assumption that the previous order concerning testacy is conclusive as to those given notice of the earlier proceeding, may determine testacy as it affects the omitted persons and confirm or alter the previous order of testacy as it affects all interested persons as appropriate in the light of the new proofs. In the absence of objection by an omitted or unnotified person, evidence received in the original testacy proceeding shall constitute prima facie proof of due execution of any will previously admitted to probate, or of the fact that the decedent left no valid will if the prior proceedings determined this fact.

Sec. 38. Minnesota Statutes 1982, section 524.3-1003, is amended to read:

524.3-1003. [CLOSING ESTATES; BY SWORN STATEMENT OF PERSONAL REPRESENTATIVE.]

(a) Unless prohibited by order of the court and except for estates being administered in supervised administration proceedings, a personal representative may close an estate by filing with the court no earlier than six months after the date of original appointment of a general personal representative for the estate, a statement stating that he, or a prior personal representative whom he has succeeded, has or have:

(1) published notice to creditors and that the first publication occurred more than six months prior to the date of the statement;

(2) fully administered the estate of the decedent by making payment, settlement or other disposition of all claims which were presented, expenses of administration and estate and other taxes, except as specified in the statement, and that the assets of the estate have been inventoried and distributed to the persons entitled. If any claims, expenses or taxes remain undischarged, the statement shall state in detail other arrangements which have been made to accommodate outstanding liabilities; and

(3) sent a copy thereof to the commissioner of revenue and to all distributees of the estate and to all creditors or other claimants of whom he is aware whose claims are neither paid nor barred and has furnished a full account in writing of his administration to the distributees whose interests are affected thereby.

(b) If no proceedings involving the personal representative are pending in the court one year after the closing statement is filed, the appointment of the personal representative terminates. Letters of appointment remain in full force until one year after the filing of the closing statement at which time the authority of the personal representative shall terminate.

Sec. 39. Minnesota Statutes 1982, section 524.3-1204, is amended to read:

524.3-1204 [SMALL ESTATES; CLOSING BY SWORN STATEMENT OF PERSONAL REPRESENTATIVE.]

(a) Unless prohibited by order of the court and except for estates being administered by supervised personal representatives, a personal representative may close an estate administered under the summary procedures of section 524.3-1203 by filing with the court, at any time after disbursement and distribution of the estate, a statement stating that:

(1) to the best knowledge of the personal representative, the entire estate, less liens and encumbrances, did not exceed an exempt homestead as provided for in section 525.145, the allowances provided for in section 525.15, costs and expenses of administration, reasonable funeral expenses, and reasonable, necessary medical and hospital expenses of the last illness of the decedent;

(2) the personal representative has fully administered the estate by disbursing and distributing it to the persons entitled thereto; and

(3) the personal representative has sent a copy of the closing statement to the commissioner of revenue and to all distributees of the estate and to all creditors or other claimants of whom he is aware whose claims are neither paid nor barred and has furnished a full account in writing of his administration to the distributees whose interests are affected.

(b) If no actions or proceedings involving the personal representative are pending in the court one year after the closing statement is filed, the appointment of the personal representative terminates.

(c) A closing statement filed under this section has the same effect as one filed under section 524.3-1003.

"Section 1. [611A.01] [STATEMENT OF PURPOSE.]

*The legislature recognizes that victims of crime bear much of the social cost of crime and the responsibility for successful*

prosecution of criminal acts against society. The legislature also recognizes that the importance of the role played by victims and witnesses and the social cost to victims have not always received an appropriate response from society or the criminal justice system. Sections 1 to 17 are intended to provide practical, enforceable legal mechanisms for appropriate responses to victim and witness needs by discouraging intimidation of citizens who report crimes and testify as witnesses; strengthening the laws concerning restitution and civil liability for criminal acts; notifying victims of financial and social resources; and increasing victim input in the plea agreement and sentencing process.

Sec. 2. [611A.02] [DEFINITIONS.]

Subdivision 1. [TERMS DEFINED.] For the purposes of sections 1 to 17, the terms defined in this section have the meanings given them in this section, except as otherwise expressly provided or indicated by the context.

Subd. 2. [CRIME.] "Crime" means conduct that is included within the definition of "crime" in section 609.02, subdivision 1, or would be included within that definition but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of this state. It also includes any act which would be a crime under section 609.02, subdivision 2, but for the fact that the act was alleged or found to have been committed by a juvenile.

Subd. 3. [CRIME AGAINST THE PERSON.] "Crime against the person" means any of the following crimes, whether alleged or proved to have been committed by an adult or juvenile: murder in the first, second, or third degree; manslaughter in the first or second degree; adulteration of a substance or distribution of an adulterated substance in violation of section 609.687; assault in the first, second, third, or fourth degree; simple robbery; aggravated robbery; false imprisonment; criminal sexual conduct in the first, second, third, or fourth degree; intrafamilial sexual abuse in the first, second, third, or fourth degree; arson in the first degree; incest; and kidnapping or burglary as defined under section 609.58, subdivision 2, clauses (1)(b) and (2). For the purposes of section 5, "crime against the person" also includes any act which would be a crime against the person but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of this state. It also includes any act which would be a crime against the person but for the fact the act was alleged or found to have been committed by a juvenile.

Subd. 4. [DISPOSITION.] "Disposition" means:

(a) stay of imposition or execution of sentence;

(b) *continuance of a criminal or juvenile matter for a specified time period pursuant to an agreement that the charge will be dismissed at the end of that period if the criminal defendant or juvenile complies with the conditions of the agreement, or court approval of the criminal defendant's or the juvenile's entry into a pretrial diversion program;*

(c) *juvenile court dispositions authorized by sections 260.181 to 260.193; or*

(d) *commitment of a convicted person to the state commissioner of corrections or pursuant to sections 609.105, subdivision 3.*

*For the purposes of restitution, "disposition" does not include any criminal or juvenile commitment to the commissioner of corrections or other imprisonment which is not a condition of probation.*

**Subd. 5. [PLEA AGREEMENT.]** *"Plea agreement" means an agreement between the person charged with a crime against the person and the county attorney, in which the person so charged agrees to plead guilty or admit to a juvenile court petition in exchange for a promise by the prosecuting attorney that the person will be charged in court or petitioned in juvenile court on a lesser or different offense in exchange for pleading guilty, or that the person will receive a disposition beneficial to his interest.*

**Subd. 6. [PERSON CHARGED WITH A CRIME AGAINST THE PERSON.]** *"Person charged with a crime against the person" means an adult charged by criminal complaint or indictment with, or a juvenile who is alleged by juvenile court petition to have committed, a crime against the person.*

**Subd. 7. [VICTIM.]** *For purposes of sections 7 and 8 "victim" means a natural person who is the victim of a crime as defined by subdivision 3. For purposes of all other sections of this act "victim" means any natural person who is the victim of any crime as defined by subdivision 2. If the victim has died as a result of a crime as defined by this section, "victim" includes the deceased's surviving spouse or next of kin; or for purposes of section 5, it includes the victim's surviving spouse, next of kin, or legal representative of his estate.*

**Subd. 8. [JUVENILE.]** *"Juvenile" means an individual under 18 years of age at the time he or she allegedly committed a crime.*

Sec. 3. [611A.03] [VICTIM SERVICE NOTIFICATION.]

*The commissioner of corrections, in cooperation with the executive director of the crime victims reparations board, shall develop a plan to provide victims with information concerning victim services in the geographic area where the crime occurred. This information shall include, but not be limited to, information about available victim crisis centers, and to victims of sexual assault, victim witness programs, elderly victims projects, victim assistance hotlines, incest abuse programs, and domestic violence shelters and programs.*

*In developing the plan, the commissioner shall take into account the fact that some counties currently have informational service systems and victim or witness services or programs. The commissioner shall also take precautions to ensure that the plan does not involve duplication of effort concerning these information services by the state or its political subdivisions.*

*This plan shall be presented to the appropriate standing committees of the legislature by February 1, 1984.*

*No cause of action of whatever kind arising out of a failure to give or receive the information required by this section shall accrue to any person against the state or any of its agencies or local political subdivisions or any police officer or other agent, servant, or employee of them.*

(d) intentionally threatens to cause injury to person, family, or damage to property in retaliation against a person who has provided information to law enforcement authorities concerning a crime within a year of that person so providing this information.

Subd. 2. [PENALTY.] Whoever violates subdivision 1 may be sentenced to imprisonment for not more than five years or to payment of a fine not to exceed \$5,000.

## Sec. 5. [611A.04] [CIVIL ACTIONS.]

Subdivision 1. [RIGHT.] Victims have the right to bring against the offender all civil actions for legal and equitable relief authorized by the common law of this state. Any victim of a crime against the person may bring an action for three times the total amount of the special damages sustained by the plaintiff or \$500, whichever is greater, the costs of the suit, and reasonable attorneys' fees. This list shall be made available on a weekly basis to the victims services programs in the city at least five days before the earliest scheduled sentencing date on the list. The court shall not be required to revise the list if scheduled hearing dates or times are changed, but the victims services programs may obtain information on schedule changes by telephoning the clerk of the municipal or county court.*

*No cause of action of whatever kind arising out of a failure to give or receive the information required by this section shall accrue to any person against the state or any of its agencies or local political subdivisions, any city attorney, any court, any program for battered women, program for victims of sexual attack, or crime victim crisis center, or any employee, servant, or agent of any of these entities.*

**Sec. 7. [611A.031] [PLEA AGREEMENTS; NOTIFICATION.]**

(b) *Inform the victim of the contents of the plea agreement recommendation;*

(c) *Inform the victim of his right to be present at the sentencing hearing and to express in writing any objection he has to the agreement or to the proposed disposition. If the victim is not present when the court considers the recommendation, but has communicated his objections to the prosecuting attorney, the prosecuting authority shall make these objections known to the court.*

*Subd. 2. [NOTIFICATION DUTIES.] A prosecuting authority satisfies the requirements of this section pertaining to informing and notifying the victim of the offense by notifying:*

(a) *The victim's next of kin, if the victim is deceased or his legal guardian or guardian ad litem if the victim is under 18 years of age;*

Sec. 8. Minnesota Statutes 1982, section 609.115, subdivision 1, is amended to read:

Subdivision 1. When a defendant has been convicted of a misdemeanor, gross misdemeanor, or felony the court may, and when the defendant has been convicted of a felony crime against the person the court shall, before sentence is imposed, cause a presentence investigation and written report to be made to the court concerning the defendant's individual characteristics, circumstances, needs, potentialities, criminal record and social history, the circumstances of the offense and the harm caused thereby to others and to the community. If the court so directs, the report shall include an estimate of the prospects of the defendant's rehabilitation and recommendations as to the sentence which should be imposed. In misdemeanor cases the report may be oral.

*If the crime of which the defendant is convicted in criminal court, or found admitted or proven true by juvenile court, is a felony crime against the person, the officer conducting the pre-*

*sentence or predispositional report shall make reasonable and good faith efforts to contact the victim of that crime and to provide that victim with information. This information shall consist of: the charge or juvenile court petition to which the defendant has plead guilty or the juvenile respondent has admitted in court, or of any plea agreement between the prosecution and the defense counsel. The officer shall also inform the victim of a felony crime against the person of his right to personally appear at the sentencing or juvenile court disposition and to object in writing to the court, prior to the time of sentencing or juvenile court disposition to the proposed sentence or juvenile dispositional alternative, or to the terms of the proposed plea agreement. Failure of the probation, court services, or other officer to comply with this section does not and shall not be construed to give any rights or grounds for post conviction or post juvenile disposition relief to the defendant or juvenile court respondent. Failure of a probation, court, or other officer to comply with this section or failure of a victim of a felony crime against the person to respond to an officer conducting a presentence investigation does not entitle a defendant to withdraw a plea of guilty.*

*The presentence investigation report shall also include the following information relating to a victim or victims of a felony crime against the person:*

*(a) A summary of the economic loss, physical injury, psychological complications, and any other relevant readjustment problems generated by the criminal occurrence; and*

*(b) A concise statement of what disposition the victim deems appropriate for the defendant or juvenile court respondent, including reasons given, if any, by the victim in support of his opinion;*

*(c) An attachment to the report, consisting of the victim's written objections, if any, to the proposed disposition, or to a plea agreement, if the victim provides the officer conducting the presentence investigation with this written material within a reasonable time prior to the disposition.*

*If there is more than one victim, the report shall include the information described in clauses (a), (b), and (c), with respect to all of the victims to the extent practical.*

When a defendant has been convicted of a felony, and before sentencing, the court shall cause a sentencing worksheet to be completed to facilitate the application of the Minnesota sentencing guidelines. If a presentence investigation is ordered by the court, the worksheet shall be submitted as part of the presentence investigation report. If a presentence investigation is not ordered by the court, the worksheet shall nonetheless be submitted.

The investigation shall be made by a probation officer of the court, if there is one, otherwise by the commissioner of corrections.

Pending the presentence investigation and report, the court with the consent of the commissioner may commit the defendant to the custody of the commissioner of corrections who shall return the defendant to the court when the court so orders.

Presentence investigations shall be conducted and summary hearings held upon reports and upon the sentence to be imposed upon the defendant in accordance with this section, Minnesota Statutes, section 244.10, upon its effective date, and Rule 27 of the rules of criminal procedure.

**Sec. 9. [611A.042] [VICTIM'S RIGHT TO EXPRESS WRITTEN OPINION.]**

*Subdivision 1. [VICTIM'S RIGHT TO APPEAR.] The victim of a crime committed by an adult, or by a juvenile prosecuted as an adult pursuant to a reference for prosecution, has the right to be present at the offender's sentencing hearing, and has the right to have an advocate present with him. This section does not establish a right to an advocate for the victim at public expense.*

*Subd. 2. [VICTIM'S RIGHT TO RECOMMEND SENTENCE.] A victim may send a written recommendation to the court stating what sentence or other disposition the victim would recommend in a juvenile court or other court case. To be considered by the court, the recommendation must be received by the appropriate court at least three days prior to sentencing or disposition, excluding Saturdays, Sundays, and legal holidays. The clerk of court shall provide the prosecutor and the offender a copy of the victim's recommendation at least 24 hours before the sentencing or juvenile disposition hearing.*

*Subd. 3. [COURT'S DUTIES.] The court shall consider the victim's objections and recommendations except for any matters not already proven or admitted by the offender and except for recommendations for dispositions or sentences which are not authorized by law.*

**Sec. 10. [611A.043] [VICTIM'S RIGHT TO REQUEST RESTITUTION.]**

*Subdivision 1. [REQUEST PROCEDURES.] A victim of a crime has the right to request that monetary restitution be considered as part of the disposition of a criminal charge or juvenile delinquency proceeding against the offender. The request for restitution shall be made by the victim in writing in affidavit form, stating the victim's unreimbursed loss of wages*

and amount of unreimbursed costs incurred for medical and hospital care for the injury or harm suffered, the market value of any property the victim has lost as a result of the crime which has not been recovered, the estimated dollar amount of any property damage or loss of use of property as a result of the crime, the total dollar amount of restitution claimed, and the reasons justifying this amount. In order to be considered by the court, the request must be received by the clerk of the appropriate court at least three days, excluding Saturdays, Sundays, and legal holidays, before the sentencing or dispositional hearing. The clerk of court shall provide copies of this request to the prosecutor and the offender at least 24 hours before the sentencing or dispositional hearing.

*Subd. 2. [COURT DECISION.]* The court shall order or deny restitution at the hearing at which disposition concerning a crime is made, and the court shall state on the record its reasons for its decision on restitution if a request for restitution has been made by a victim in compliance with this section or by the prosecuting attorney.

*Subd. 3. [RESTITUTION PROCEDURES.]* If the court orders restitution, the court shall state in the order the specific amount of restitution to be paid and that the offender make restitution payments to the clerk of the county, municipal, or district court of the county wherein the restitution is to be paid. The court shall retain jurisdiction to modify the restitution order during the probationary period. However, the court may not, during the probationary period, increase the amount of restitution or accelerate the restitution payment schedule from the original order.

*Subd. 4. [EFFECT OF ORDER FOR RESTITUTION.]* A decision for or against monetary restitution in any criminal or juvenile proceeding shall not be a bar to any civil action by the victim or by the state pursuant to section 299B.10 against the offender; provided, however, that the offender shall be given credit, in any order for judgment in favor of a victim in a civil action, for any restitution paid to the victim for the same injuries for which the judgment is awarded.

*Subd. 5. [RULES.]* To facilitate collection of judgments in favor of any victim from incarcerated persons, authority is granted to the commissioner of corrections in sections 241.26 and 243.23 to make rules concerning collection of these judgments from income earned by inmates during imprisonment, and section 631.425 authorizes a person or agency designated by the court to collect restitution payments from the earnings of employed persons committed to jail.

*Subd. 6. [CONCLUSIVE PROOF OF JUDGMENTS.]* When a court or jury in a civil action returns a verdict against a convicted offender, the victim may request the court to make

*a specific finding whether the behavioral incident upon which the civil verdict is based is the same incident for which the offender was convicted. If the court finds that the behavioral incident upon which the civil and criminal case were based are the same, the court shall so state in its written order for judgment. A certified copy of the order for judgment containing this finding shall, unless the judgment is vacated, constitute conclusive proof that the judgment is an award in favor of a victim of the offender's crime for purposes of sections 5, 11, and 13.*

*Subd. 7. [REPARATIONS BOARD.] If a crime victim has applied for reparations pursuant to sections 299B.01 to 299B.09, the crime victims reparations board shall not delay or diminish payment of reparations to the victim on the ground that restitution has been or may be ordered but has not yet been paid.*

H. F. No. 643 which it recommended to pass with the following amendment offered by McEachern:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 125.12 is amended by adding a subdivision to read:

*Subd. 1a. [NONPROVISIONAL LICENSE DEFINED.] For purposes of this section, "nonprovisional license" shall mean an entrance, continuing, or life license.*

Sec. 2. Minnesota Statutes 1982, section 125.12, subdivision 6a, is amended to read:

Subd. 6a. [NEGOTIATED UNREQUESTED LEAVE OF ABSENCE.] The school board and the exclusive bargaining representative of the teachers may negotiate a plan providing for unrequested leave of absence without pay or fringe benefits for as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. Failing to successfully negotiate such a plan, the provisions of subdivision 6b shall apply. *The negotiated plan shall not include provisions which would result in the exercise of seniority by a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (c), or the reinstatement of a teacher holding a provisional license, other than a vocational education license, contrary to the provisions of subdivision 6b, clause (e).* The provisions of section 179.72 shall not apply for the purposes of this subdivision.

Sec. 3. Minnesota Statutes 1982, section 125.12, subdivision 6b, is amended to read:

Subd. 6b. [UNREQUESTED LEAVE OF ABSENCE.] The school board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave shall be effective at the close of the

school year. In placing teachers on unrequested leave, the board shall be governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable;

(c) *Notwithstanding the provisions of clause (b), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses;*

((C)) (d) *Notwithstanding clauses (a) (AND), (b) and (c), if (EITHER) the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, (OR) the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of clause (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher (OR), the teacher with less seniority, or the provisionally licensed teacher;*

((D)) (e) Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. *No teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;*

((E)) (f) No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to him, that he may return to employment and that he will assume the duties of the position to which appointed on a future date determined by the board;

((F)) (g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

((G)) (h) The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

((H)) (i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence prior to January 1, 1978 and who is not reinstated shall continue for a period of two years after which the right to reinstatement shall terminate. The unrequested leave of absence of a teacher who is placed on unrequested leave of absence on or after January 1, 1978 and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if he fails to file with the board by April 1 of any year a written statement requesting reinstatement;

((I)) (j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 3 and 4 shall apply to placement on unrequested leave of absence;

((J)) (k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible.

Sec. 4. Minnesota Statutes 1982, section 125.17, subdivision 1, is amended to read:

Subdivision 1. [WORDS, TERMS, AND PHRASES.] Unless the language or context clearly indicates that a different meaning is intended, the following words, terms, and phrases, for the purposes of the following subdivisions in this section shall be defined as follows:

(a) [TEACHERS.] The term "teacher" includes every person regularly employed, as a principal, or to give instruction in a classroom, or to superintend or supervise classroom instruction, or as placement teacher and visiting teacher. Persons regularly employed as counselors and school librarians shall be covered by these sections as teachers if licensed as teachers or as school librarians.

(b) [SCHOOL BOARD.] The term "school board" includes a majority in membership of any and all boards or official bodies having the care, management, or control over public schools.

(c) [DEMOTE.] The word "demote" means to reduce in rank or to transfer to a lower branch of the service or to a position carrying a lower salary or compensation.

(d) [NONPROVISIONAL LICENSE.] *For purposes of this section, "nonprovisional license" shall mean an entrance, continuing, or life license.*

Sec. 5. Minnesota Statutes 1982, section 125.17, subdivision 11, is amended to read:

Subd. 11. [SERVICES TERMINATED BY DISCONTINUANCE OR LACK OF PUPILS; PREFERENCE GIVEN.]

(a) Any teacher whose services are terminated on account of discontinuance of position or lack of pupils shall receive first consideration for other positions in the district for which she is qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers shall be discontinued in any department in the inverse order in which they were employed.

(b) *Notwithstanding the provisions of clause (a), no teacher shall be entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause shall not apply to vocational education licenses.*

(c) *Notwithstanding the provisions of clause (a), no teacher shall be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.*

Sec. 6. Laws 1974, chapter 237, section 1, is amended to read:

Section 1. [INDEPENDENT SCHOOL DISTRICT NO. 709; TERMINATION OF TEACHING POSITIONS.] Independent School District No. 709, St. Louis county, and the exclusive representative of teachers as defined by Minnesota Statutes, 1973 Supplement, Section 179.63, Subdivision 13, may enter into a written agreement with respect to the termination of such teachers due to discontinuance of position or lack of pupils within the school district, which may include a method, system

or scheme other than that provided by Minnesota Statutes, Section 125.17, Subdivision 11, or any act amendatory thereof. *The written agreement entered into pursuant to this section shall not include provisions allowing a teacher to exercise any seniority when that exercise results in the teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, other than vocational education license, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. In addition, the written agreement entered into pursuant to this section shall not include provisions allowing a teacher to be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.*

Sec. 7. [EXEMPTION FROM APPLICATION.]

*The provisions of sections 1 to 6 shall not apply to any final decisions relating to placing teachers, as defined in Minnesota Statutes 1982, section 125.12, subdivision 1, on unrequested leaves of absence or, in the case of cities of the first class, termination of services of teachers, as defined in Minnesota Statutes 1982, section 125.17, subdivision 1, on account of discontinuance of position or lack of pupils made by school boards prior to the effective date of this act. The provisions of this act shall not apply to any school district that, on the effective date of this act, is governed by a contractual agreement which includes specific terms explicitly allowing the exercise of seniority rights by teachers holding provisional licenses, the results of which would be contrary to the provisions of this act, until the expiration of that contractual agreement. All contractual agreements entered into after the effective date of this act shall be consistent with this act.*

Sec. 8. [EFFECTIVE DATE.]

*This act shall be effective the day after final enactment."*

theme of the material taken as a whole appeals to prurient interests.

*Subdivision 1. Therefore, it is the legislative intent to provide for the same penalties for all crimes in this section related to minors in sexual performance. The legislature intends that a court may, in determining the amount of any fine to be imposed, consider the amount of financial remuneration the defendant received as a result of the crime.*

IN DETERMINING WHETHER OR NOT A WORK IS AN OBSCENE WORK THE TRIER OF THE FACT MUST FIND: (I) THAT THE AVERAGE PERSON, APPLYING CONTEMPORARY COMMUNITY STANDARDS WOULD FIND THAT THE WORK, TAKEN AS A WHOLE APPEALS TO PEDOPHILES OR TO THE PRURIENT INTEREST IN SEX OF THE AVERAGE PERSON; AND (II) THAT THE WORK DEPICTS PATENTLY OFFENSIVE SEXUAL CONDUCT SPECIFICALLY DEFINED BY CLAUSE (F); AND (III) THAT THE WORK, TAKEN AS A WHOLE, LACKS SERIOUS LITERARY, ARTISTIC, POLITICAL OR SCIENTIFIC VALUE.)

Subd. (3) 4. [OPERATION OR OWNERSHIP OF BUSINESS.] A person who owns or operates a business in which (AN OBSCENE) a work depicting a minor in a sexual performance, as defined in this section, is disseminated, and who knows the content and character of the (OBSCENE) work disseminated, is guilty of a felony and may be sentenced to imprisonment for not more than five years, or to payment of a fine of not more than \$5,000, or both.

Subd. 8. [SECOND OFFENSE.] If a person is convicted of a second or subsequent violation of this section or is convicted of a violation of this section following a conviction under section 617.247 within 15 years of the prior conviction, the court shall order a psychiatric examination of the person. The examiner shall report to the court whether psychiatric treatment of the person is necessary.

Subd. 9. [EXCEPTION.] Subdivisions 4 to 6 do not apply to peace officers, court personnel, or attorneys in the performance of their official duties, nor to licensed physicians, psychologists, or social workers certified by the Academy of Certified

The proceeds of such bonds shall be credited to the state bond fund created by the Constitution, and within that fund to such separate bookkeeping account as shall have been created for the payment of the bonds to be refunded and the interest thereon, *and shall be credited only against the tax otherwise required by the Constitution to be levied with respect to the refunded bonds.*

The bonds or certificates of indebtedness may be printed, lithographed, or otherwise reproduced in the style and form the commissioner prescribes, but the form shall state in a general way the purpose for which they are issued and the security provided for their payment.

**Subd. 3. [EXECUTION OF OBLIGATIONS.]** *The bonds and certificates of indebtedness shall be executed by the commissioner of finance and attested by the state treasurer under their official seals. Facsimile signatures and seals of either or both of these officers may, as the commissioner of finance deems appropriate, be printed, lithographed, stamped, engraved, or otherwise reproduced. Every bond and certificate issued, whether initially or upon transfer, exchange, or replacement, shall be manually signed on its face by one of these officers, or by a duly authorized representative of a bank or trust company designated by order of the commissioner of finance, whether at or after the time of initial issue, as registrar or otherwise as agent of the state to authenticate it.*

company within or outside the state. In the case of fully registered bonds or certificates of indebtedness, the order may provide that the interest coming due on any interest payment date shall be payable to the person or entity who is the registered owner on the bond or certificate register on a specified date preceding the interest payment date, by check, draft, or other transfer to the order of the registered owner.

**Subd. 7. [AGREEMENTS.]** The commissioner of finance may enter into agreements containing terms which are necessary or desirable to carry out the authority given him in this section, pursuant to applicable orders of the commissioner. The agreements may provide for the payment of compensation for services to be performed and expenses to be incurred on behalf of the state, and may provide for their payment from the proceeds of the bonds or certificates of indebtedness, or from other money appropriated to the commissioner of finance, or from charges to be imposed on the holders of bonds or certificates of indebtedness, or from a combination of these sources. As much of the proceeds of the bonds or certificates as necessary is appropriated for this purpose.

**Subd. 8. No order or decision *issued after June 30, 1983*, increasing or decreasing any tax, assessment, or other obligation by a sum exceeding (\$500) *\$1,000* on real or personal property, or the assessed valuation thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$1,000, and no order or decision increasing or decreasing any other tax by a sum exceeding \$1,000 exclusive of penalties and interest, shall be made without the written signature or facsimile signature of the commissioner, a deputy commissioner, assistant commissioner, division director, or acting division director in each case.
