Subd. 3. (FOR TAXES LEVIED IN 1980 AND 1981, WHEN A TAXING JURISDICTION LIES IN TWO OR MORE COUNTIES, AND THE SALES RATIO STUDIES PREPARED BY THE DEPARTMENT OF REVENUE SHOW THAT THE AVERAGE LEVEL OF ASSESSMENT IN THE SEVERAL PORTIONS OF THE DISTRICT IN THE DIFFERENT COUNTIES DIFFERS BY MORE THAN 20 PERCENT, THE BOARD SHALL ORDER THAT THE LEVY OF THE TAXING JURISDICTION BE APPORTIONED AMONG THE PORTIONS IN THE DIFFERENT COUNTIES IN THE SAME PROPORTION AS THE ADJUSTED ASSESSED VALUE AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE IN EACH PORTION IS TO THE TOTAL ADJUSTED ASSESSED VALUE, AS DETERMINED BY THE EQUALIZATION AID REVIEW COMMITTEE, OF THE TAXING JURISDICTION; IF THE STUDIES SHOW THAT THE LEVEL DIFFERS BY MORE THAN FIVE PERCENT, THE BOARD MAY ORDER THE APPORTIONMENT OF THE LEVY.) For taxes levied in (1982) 1983 and thereafter *when a taxing jurisdiction lies in two or more counties, if the sales ratio studies prepared by the department of revenue show that the (LEVEL DIFFERS) average levels of assessment in the several portions of the districts in the different counties differ by more than five percent, the board shall order the apportionment of the levy, unless one of the following factors is present, in which case the board may order the apportionment of the levy. Factors which may affect the decision to apportion include (1) if the proportion of total adjusted assessed value in one county is less than ten percent of the total adjusted assessed value in the school district and if the average level of assessment in that portion of the school district is the one which differs by more than five percent from the assessment level in any one of the other portions of the district, or (2) if significant changes have been made in the level of assessment in the taxing jurisdiction which have not been reflected in the sales ratio study, and those changes alter the assessment levels in the portions of the taxing jurisdiction so that the assessment level now differs by five percent or less, or (3) if commercial, industrial, or public utility property predominates in one county within the school district and another class of property predominates in another county within that same school district.*

*If, pursuant to this subdivision, the board apportions the levy, then that levy apportionment among the portions in the different counties shall be made in the same proportion as the adjusted assessed value as determined by the equalization aid review committee in each portion is to the total adjusted assessed value of the taxing jurisdiction.*

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Assessed values as determined by the equalization aid review committee shall be the values as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on August 15 of the state board of equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following November 15.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

In making such division and payment the county treasurer shall send therewith a statement giving the description of the property described in the mortgage and the (ASSESSED) market value of the part thereof situate in each county. For the purpose aforesaid, the treasurer of any county may require the treasurer of any other county to certify to him the (ASSESSED) market valuation of any tract of land in any such mortgage.*

(2) If the personal representative disagrees with the objection or does not wish to fully comply with the objection, he may request that the commissioner hold a hearing on the objection. Within 30 days of receipt of a request, the commissioner shall set a time and place for hearing. Unless otherwise agreed upon, the hearing date shall not be earlier than 30 days nor later than 60 days from the date of the notice setting the hearing. The notice of hearing shall set forth the rights available to the personal representative under chapter 14. Not later than 30 days after the commissioner receives the report and recommendation of the hearing examiner, or a written waiver of his hearing rights by the personal representative, the commissioner shall issue an order determining the tax. Any such determination made by the commissioner may be appealed to the tax court as provided in section 271.09.

(3) At any time together with or after the objection, the commissioner, on his own initiative, may set a time and place for a hearing in accordance with (2) above.

(4) In his objection, or at any time thereafter, the commissioner may assess any additional tax as the facts may warrant, subject to the right of the personal representative to demand a hearing under chapter 15. If the personal representative does

not demand a hearing within 90 days of the date of the assessment, the tax so assessed shall be legally due and the commissioner may proceed to collect any unpaid tax after one year from the date of death. If the commissioner later finds the tax assessment to be erroneous, he may adjust the assessment prior to collection.

(5) The commissioner shall not be required to object to any subsequent original, amended or supplemental return in order to preserve his rights. The commissioner shall not be precluded from objecting to a subsequent original, amended or supplemental return even though an original return was accepted as filed. If the commissioner had accepted an original return showing no tax due and a subsequent original, amended or supplemental return discloses additional assets not disclosed on the original return, the commissioner may object to any matter of valuation, taxability, deduction or computation of tax on the original return within 180 days of receipt of the subsequent original, amended or supplemental return.

(6) Subject to the provisions of (SECTION) *sections 291.11 and 291.215*, the Minnesota estate tax liability shall be considered as finally determined on the date notification of acceptance is issued to the personal representative or, if no objection is filed, on the day following 180 days from the due date of the return or the receipt of the return, together with all other documents required to be filed with the return, whichever is later.

(7) Subject to the time limits imposed elsewhere in this chapter, the commissioner may refund an overpayment of tax, penalty or interest even though the personal representative has not made an application for refund.

The written request for the undue hardship extension shall be made to the commissioner no later than nine months after the death of the person from whom the transfer is made. The taxpayer may elect to pay the taxes in installments as specified in section 291.11, subdivision 1, provided that the period of time for the payment of the taxes shall not exceed five years from the expiration of the extension granted by the commissioner. Where an extension of time has been granted (**INTEREST SHALL BE PAYABLE AT THE RATE SPECIFIED IN SECTION 270.75 FROM THE DATE WHEN SUCH PAYMENT SHOULD HAVE BEEN MADE, IF NO EXTENSION HAD BEEN GRANTED, UNTIL SUCH TAX IS PAID**) *for payment, interest shall be paid at the rate specified in section 270.75 from the date when payment should have been made if no extension had been granted, until the tax is paid. No credit or refund shall be allowed under this subdivision for taxes paid to any state which imposes a tax upon gasoline or special fuel purchased or obtained in this state and used on the highways of such other state, and which does not allow a similar credit or refund for the tax paid to this state on gasoline or special fuel purchased or acquired in such other state and used on the highways of this state. Every person claiming a credit or refund under this subdivision shall file, within 30 days after the tax to such other state, or states, is paid, a report in such form as may be prescribed by the commissioner, together with such proof of the payment of the tax, and of the fact that it was paid on gasoline or special fuel purchased or obtained within this state as the commissioner may require. *The claimant may file up to six months from the date the tax was paid to another state but any refund applied for after 30 days from date of payment shall be reduced by five percent for each 30-day period or portion thereof following the initial 30-day period.*

A motor carrier receiving temporary authorization pursuant to this subdivision shall perfect the same either by obtaining a trip permit or a license, as the case may be, for the vehicle at the earliest practicable time.

**Subdivision 1. Every such person liable for any tax on wines or spirituous liquors imposed by section 340.47 shall file with the commissioner of revenue on or before the tenth day of the month following first sale in this state by a licensed manufacturer or wholesaler a return in such form and showing such information as the commissioner of revenue shall by rule prescribe, and shall keep records and render reports as the commissioner of revenue shall by rule prescribe. *If any person fails to pay the tax within the time specified or within 30 days after final determination of an appeal to the Minnesota tax court relating thereto, there shall be added a penalty equal to ten percent of the amount so remaining unpaid. The penalty shall be collected as part of the tax, and the amount of the tax not timely paid, together with the penalty, shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid.*

Sec. 33. Minnesota Statutes 1982, section 340.485, is amended by adding a subdivision to read:

*Subd. 5. [FAILURE TO FILE RETURN; PENALTY.] In case of any failure to make and file a return as required by this chapter within the time prescribed by law or prescribed by the commissioner in pursuance of law, unless it is shown that the failure is not due to wilful neglect, there shall be added to the tax in lieu of the ten percent specific penalty provided in subdivision 1: ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. The amount added to any tax shall be collected at the same time and in the same manner and as a part of the tax; and the amount of tax together with the amount added shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid unless the tax has been paid before the discovery of the neglect, in which case the amount added shall be collected in the same manner as the tax.*

Sec. 35. Minnesota Statutes 1982, section 340.492, is amended to read:

**340.492 [MANNER AND TIME OF PAYMENT; PENALTIES; DEPOSIT OF TAX PROCEEDS.]**

*Subdivision 1. [FILING DATE; TIME OF PAYMENT.] The commissioner of revenue shall issue rules adopting the reporting method for paying and collecting the excise tax on fermented malt beverages. The rules shall require reports to be filed with and the excise tax to be paid to the commissioner on or before the fifteenth day of the month following the month in which the importation into or the first sale is made in this state, whichever first occurs. If the excise tax is not paid when due, there shall be added to the amount of the tax as penalty a sum equivalent to ten percent thereof, and in addition thereto interest on the tax and penalty at the rate of 20 percent per annum, adjusted as provided in section 270.75, from the date the tax became due until paid. The commissioner shall deposit all moneys received in the funds as provided by section 340.47, subdivision 2.*

*Subd. 2. [FAILURE TO FILE RETURN.] In case of any failure to make and file a return as required by this chapter within the time prescribed by law or prescribed by the commissioner in pursuance of law, unless it is shown that the failure is not due to wilful neglect, there shall be added to the tax in lieu of the ten percent specific penalty provided in subdivision 1: ten percent if the failure is for not more than 30 days with an additional five percent for each additional 30 days or fraction thereof during which such failure continues, not exceeding 25 percent in the aggregate. The amount added to any tax shall be collected at the same time and in the same manner and as a part of the tax, and the amount of tax together with the amount added shall bear interest at the rate specified in section 270.75 from the time the tax should have been paid until paid unless the tax has been paid before the discovery of the neglect, in which case the amount added shall be collected in the same manner as the tax.*

*For purposes of this subdivision, the amount of any taxes required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.*

*Subd. 3. [INTENT TO EVADE TAX; FAILURE TO FILE OR FILING FALSE RETURN.] Where any person, with intent to evade the tax, fails to file any return required or shall with such intent file a false or fraudulent return, there shall also be imposed upon the person an additional penalty equal to 50 percent of any tax (less any amount paid on the basis of the false or fraudulent return) found due for the period to which the return related. The penalty imposed by this subdivision shall be collected as part of the tax and shall be in addition to any other penalties provided by law.*

Sec. 36. Minnesota Statutes 1982, section 505.04, is amended to read:

505.04 [RECORDING.]

Every plat, when duly certified, signed, and acknowledged, as provided in section 505.03, and upon presentation of a certificate from the county auditor that the current year's taxes have been paid, shall be filed and recorded in the office of the county recorder.

Sec. 37. Minnesota Statutes 1982, section 524.3-1001, is amended to read:

524.3-1001 [FORMAL PROCEEDINGS TERMINATING ADMINISTRATION; TESTATE OR INTESTATE; ORDER OF DISTRIBUTION, DECREE, AND GENERAL PROTECTION.]

(a) (1) A personal representative or any interested person may petition for an order of complete settlement of the estate. The personal representative may petition at any time, and any other interested person may petition after one year from the appointment of the original personal representative except that no petition under this section may be entertained until the time for presenting claims which arose prior to the death of the decedent has expired. The petition may request the court to determine testacy, if not previously determined, to consider the final account or compel or approve an accounting and distribution, to construe any will or determine heirs and adjudicate the final settlement and distribution of the estate. After notice to all interested persons, *submission of a copy of the final account to the commissioner of revenue*, and hearing the court may enter an order or orders, on appropriate conditions, determining the persons entitled to distribution of the estate, and, as circumstances require, approving settlement and directing or approving distribution of the estate and discharging the personal representative from further claim or demand of any interested person.

(2) In such petition for complete settlement of the estate, the petitioner may apply for a decree. Upon the hearing, if in

the best interests of interested persons, the court may issue its decree which shall determine the persons entitled to the estate and assign the same to them in lieu of ordering the assignment by the personal representative. The decree shall name the heirs and distributees, state their relationship to the decedent, describe the property, and state the proportions or part thereof to which each is entitled. In the estate of a testate decedent, no heirs shall be named in the decree unless all heirs be ascertained.

(3) In solvent estates, the hearing may be waived by written consent to the proposed account and decree of distribution or order of distribution by all heirs or distributees, and *submission of a copy of the final account to the commissioner of revenue*. The court may then enter its order allowing the account and issue its decree or order of distribution.

(4) Where a decree or order for distribution is issued, the personal representative shall not be discharged until all property is paid or transferred to the persons entitled thereto, and has otherwise fully discharged his trust. If objections are filed with the court by the commissioner of revenue, no discharge shall be issued until the objections are determined. If no objection is filed, the court shall have the power to settle and distribute the estate and discharge the personal representative without regard to tax obligations.

(b) If one or more heirs or devisees were omitted as parties in, or were not given notice of, a previous formal testacy proceeding, the court, on proper petition for an order of complete settlement of the estate under this section, and after notice to the omitted or unnotified persons and other interested parties determined to be interested on the assumption that the previous order concerning testacy is conclusive as to those given notice of the earlier proceeding, may determine testacy as it affects the omitted persons and confirm or alter the previous order of testacy as it affects all interested persons as appropriate in the light of the new proofs. In the absence of objection by an omitted or unnotified person, evidence received in the original testacy proceeding shall constitute prima facie proof of due execution of any will previously admitted to probate, or of the fact that the decedent left no valid will if the prior proceedings determined this fact.

Sec. 38. Minnesota Statutes 1982, section 524.3-1003, is amended to read:

**524.3-1003 [CLOSING ESTATES; BY SWORN STATEMENT OF PERSONAL REPRESENTATIVE.]**

(a) Unless prohibited by order of the court and except for estates being administered in supervised administration proceedings, a personal representative may close an estate by filing with

the court no earlier than six months after the date of original appointment of a general personal representative for the estate, a statement stating that he, or a prior personal representative whom he has succeeded, has or have:

(1) published notice to creditors and that the first publication occurred more than six months prior to the date of the statement;

(2) fully administered the estate of the decedent by making payment, settlement or other disposition of all claims which were presented, expenses of administration and estate and other taxes, except as specified in the statement, and that the assets of the estate have been inventoried and distributed to the persons entitled. If any claims, expenses or taxes remain undischarged, the statement shall state in detail other arrangements which have been made to accommodate outstanding liabilities; and

(3) sent a copy thereof to *the commissioner of revenue* and to all distributees of the estate and to all creditors or other claimants of whom he is aware whose claims are neither paid nor barred and has furnished a full account in writing of his administration to the distributees whose interests are affected thereby.

(b) If no proceedings involving the personal representative are pending in the court one year after the closing statement is filed, the appointment of the personal representative terminates. Letters of appointment remain in full force until one year after the filing of the closing statement at which time the authority of the personal representative shall terminate.

Sec. 39. Minnesota Statutes 1982, section 524.3-1204, is amended to read:

**524.3-1204 [SMALL ESTATES; CLOSING BY SWORN STATEMENT OF PERSONAL REPRESENTATIVE.]**

(a) Unless prohibited by order of the court and except for estates being administered by supervised personal representatives, a personal representative may close an estate administered under the summary procedures of section 524.3-1203 by filing with the court, at any time after disbursement and distribution of the estate, a statement stating that:

(1) to the best knowledge of the personal representative, the entire estate, less liens and encumbrances, did not exceed an exempt homestead as provided for in section 525.145, the allowances provided for in section 525.15, costs and expenses of administration, reasonable funeral expenses, and reasonable, necessary medical and hospital expenses of the last illness of the decedent;

(2) the personal representative has fully administered the estate by disbursing and distributing it to the persons entitled thereto; and

(3) the personal representative has sent a copy of the closing statement to the commissioner of revenue and to all distributees of the estate and to all creditors or other claimants of whom he is aware whose claims are neither paid nor barred and has furnished a full account in writing of his administration to the distributees whose interests are affected.

(b) If no actions or proceedings involving the personal representative are pending in the court one year after the closing statement is filed, the appointment of the personal representative terminates.

(c) A closing statement filed under this section has the same effect as one filed under section 524.3-1003.

These fees must be set and adjusted so that the total amounts collected by the commissioner and each board will, as closely as possible, equal the relevant anticipated biennial expenditures of each, including the relevant portions of general support costs and statewide indirect costs of any department which provides administrative support services to the commissioner or board. The total amounts collected by the commissioner and each health related licensing board must also include an amount set by the commissioner as representing the commissioner's or board's percentage of the total anticipated biennial occupational registration and health related licensing board expenditures as applied to the total anticipated biennial expenditures associated with the commissioner's discharge of the relevant responsibilities of sections 214.13 and 214.14. The total amount collected from each health related licensing board and each occupation registered pursuant to section 214.13 for the purposes of the commissioner's responsibilities in sections 214.13 and 214.14 shall not exceed five percent of each board's and registered occupation's total anticipated biennial expenditures. Any examination fees must be set and adjusted so that the relevant total amount collected will, as closely as possible, equal the anticipated biennial expenditures associated with administering examinations. These fees must be reviewed at least once every six months, and any new fees or adjustments must be approved by the commissioner of finance prior to adoption. All fees received must be deposited with the state treasurer and credited to the general fund.*

Sec. 3. Minnesota Statutes 1982, section 214.13, subdivision 1, is amended to read:

The commissioner shall coordinate the development of a credentials policy among the health related licensing boards consistent with section 214.001. The commissioner shall, consistent with section 214.001, establish procedures for the identification of human services occupations not now credentialed by the state, recommend appropriate regulatory modes, and promulgate by rule standards and procedures

relating to the credentialing of persons practicing in the affected occupations. *At the time of submission of a letter of intent to enter the credentialing process, an occupational applicant group shall pay a fee of \$1,000 to the commissioner. The fee is non-refundable and must be deposited with the state treasurer and credited to the general fund. The commissioner may require an occupational applicant group to submit information relating to, and to recommend and justify regulatory modes and standards consistent with, the provisions of section 214.001. If the commissioner determines that credentialing of an occupation is appropriate, the commissioner is empowered only to register the occupation. Before promulgating any rules resulting in registration for an occupation the commissioner shall consult with state boards or agencies charged with regulating similar occupations in order to define the scope and range of practice for the registered occupation and the degree of supervision required. As used in this section and section 214.14 registration shall be defined as in section 214.001, subdivision 3, clause (c).*

Sec. 4. Minnesota Statutes 1982, section 214.13, subdivision 2, is amended to read:

If the commissioner so determines, then he must submit the proposed rules to the head or governing board of that agency for review and (APPROVAL) *comment*. The agency shall review the rules to insure compliance with laws which are administered or enforced by that agency. (THE RULES MUST HAVE RECEIVED THE APPROVAL OF THAT AGENCY BEFORE PROMULGATION) *Agency comment shall be forwarded to the commissioner within 90 days of receiving the proposed rules.*

Sec. 5. Minnesota Statutes 1982, section 214.13, subdivision 3, is amended to read:

These rules shall not be in conflict with provisions of chapter 214 and Laws 1976, Chapter 222, Sections 1 to 7. *Notwithstanding any law to the contrary, persons practicing under the authority of the rules promulgated by the commissioner shall not, for a period of four years after the effective date of the rules, be subject to any action by a health related licensing board for violation of the board's laws or rules provided the person's practice or conduct is authorized by the rules promulgated by the commissioner. Three years after the effective date of the commissioner's rules, the commissioner shall make*

Sec. 6. Minnesota Statutes 1982, section 214.13, subdivision 4, is amended to read:

Subd. 4. The commissioner of health shall wherever possible delegate the administration of regulation activities to a health related licensing board with the concurrence of that board. If the commissioner of health delegates this function, the licensing board (SHALL) *may* regularly bill the commissioner of health for the cost of performing this function *or the licensing board may directly set and charge fees in accordance with the provisions of section 214.06.* The commissioner of health may establish an advisory council to advise him or the appropriate health related licensing board on matters relating to the registration and regulation of an occupation. Sec. 7. Minnesota Statutes 1982, section 214.13, subdivision 5, is amended to read:

Subd. 5. The commissioner of health shall exercise care to prevent the proliferation of unessential registered human services occupations. If in evaluating a currently unregistered occupation the commissioner determines that registration of the occupation is not appropriate, but that implementation of another mode as set forth in section 214.001, subdivision 3, is appropriate the commissioner shall promptly so report to the legislature. *For a period of two years after a determination by the commissioner as to the appropriate regulatory mode, if any, for an occupational applicant group, the same or substantially equivalent group may not submit a letter of intent to enter the credentialing process, unless invited to do so by the commissioner.*

Sec. 8. Minnesota Statutes 1982, section 214.14, subdivision 1, is amended to read:

**61A.03 [(NECESSARY) REQUIRED PROVISIONS; LIFE INSURANCE POLICIES.]**

*Subdivision 1. [GENERALLY.]* No policy of life insurance shall be issued in this state or be issued by a life insurance company organized under the laws of this state unless the same contains the following provisions:

((1)) (a) [PREMIUM.] A provision that all premiums shall be payable in advance either at the home office of the company, or to an agent of the company, upon delivery of a receipt signed by one or more officers named in the policy and counter-signed by the agent, but any policy may contain a provision that the policy itself shall be a receipt for the first premium;

((2)) (b) [GRACE PERIOD.] A provision for a grace of one month for the payment of every premium after the first, which may be subject to an interest charge, during which month the insurance shall continue in force, which provision may contain a stipulation that if the insured dies during the month of grace the overdue premium will be deducted in any settlement under the policy;

((3)) (c) [ENTIRE CONTRACT.] A provision that the policy constitutes the entire contract between the parties and is incontestable after it is in force during the lifetime of the insured for two years from its date, except for non-payment of premiums and except for violations of the conditions of the policy relating to naval and military services in time of war and, at the option of the company, provisions relative to benefits in the event of total and permanent disability and provisions which grant additional insurance specifically against death by accident, may be excepted, a special form of policy may be issued on the life of a person employed in an occupation classed by the company as extra hazardous or as leading to hazardous employment, which provides that service in certain designated occupations may reduce the company's liability under the policy to a certain designated amount not less than the full policy reserve;

((4)) (d) [REPRESENTATIONS AND WARRANTIES.] A provision that, in the absence of fraud, all statements made by the insured shall be deemed representations and not warranties, and that no such statement shall avoid the policy unless it is contained in a written application, and a copy of the application is endorsed upon or attached to the policy when issued;

((5)) (e) [MISSTATEMENT OF AGE.] A provision that if the age of the insured is understated, the amount payable under the policy shall be such as the premium would have purchased at the correct age;

((6)) (f) [DIVIDENDS ON PARTICIPATING POLICIES.] A provision that the policy shall participate in the surplus of the company and that, beginning not later than the end of the third policy year, the company will, annually, determine and account for the portion of the divisible surplus accruing on the policy, and that the owner of the policy shall have the right, each year after the fifth to have the current dividend arising from such participation paid in cash, and if the policy shall provide other dividend options, it shall specify which option shall be effective if the owner of the policy shall not elect any option, which provision may stipulate that any dividends payable during the first five years of such policy shall be conditioned upon the payment of the next ensuing annual premium; this provision shall not be required in non-participating policies, nor in policies issued on under-average lives, nor in insurance in exchange for lapsed or surrendered policies;

((7)) (g) [POLICY LOANS.] A provision that after three full years premiums have been paid, the company at any time while the policy is in force, will advance, on proper assignment of the policy, and on the sole security thereof, at a specified rate of interest, *not to exceed eight percent per annum, or at an adjustable rate of interest as otherwise provided for in this section*, a sum equal to, or, at the option of the owner of the policy, less than the loan value thereof. Such loan value shall be the cash surrender value thereof at the end of the current policy year, and the policy shall provide that such loan, except when made to pay premiums, may be deferred for not exceeding six months after the application therefor is made; it shall be further stipulated in the policy that the company will deduct from such loan value any existing indebtedness on the policy and any unpaid balance of the premium for current policy year, and may collect interest in advance on the loan to the end of the current policy year, and that the failure to repay any such advance or to pay interest shall not void the policy unless the total indebtedness thereon to the company shall equal or exceed such loan value at the time of such failure, nor until one month after notice shall have been mailed by the company to the last known address of the insured and of the assignee of record at the home office of the company; no condition other than as herein provided shall be exacted as a prerequisite to any such advance; but this provision shall not be required in term insurance.

((8)) (h) [REINSTATEMENT.] A provision that if, in event of default in premium payments, the nonforfeiture value of the policy shall be applied to the purchase of other insurance, and if such insurance shall be in force and the original policy shall not have been surrendered to the company and canceled,

the policy may be reinstated within three years from such default, upon evidence of insurability satisfactory to the company, and payment of arrears of premiums, with interest;

(9) (i) [PAYMENT OF CLAIMS.] A provision that, when a policy becomes a claim by the death of the insured, settlement shall be made upon receipt of due proof of death, or not later than two months after receipt of such proof;

((10)) (j) [SETTLEMENT OPTION.] A table showing the amount of installments in which the policy may provide its proceeds may be payable;

((11)) (k) [DESCRIPTION OF POLICY.] A title on the face and on the back of the policy briefly and correctly describing in bold letters the same, and so specifying its general character, dividend periods, and other particulars, that the holder will not be able to mistake the nature and scope of the contract.

Any of the foregoing provisions or portions thereof relating to premiums not applicable to single premium policies shall not be incorporated therein.

*Subd. 2. [INTEREST RATES ON POLICY LOANS.] (a)*  
*A life insurance policy which provides for policy loans shall contain a provision concerning maximum policy loan interest rates as follows:*

(1) *a provision permitting a maximum interest rate of not more than eight percent per annum; or*

(2) *a provision permitting an adjustable maximum interest rate established from time to time by the life insurer as permitted by this subdivision.*

(b) *No life insurer may issue policies with a policy loan provision providing for an adjustable maximum interest rate under clause (a)(2) unless the insurer also makes available policies with a policy loan provision providing for a fixed rate of interest under clause (a)(1).*

(c) *The rate of interest charged on a policy loan made under clause (a)(2) shall not exceed the higher of the following:*

(1) *the rate used to compute the cash surrender values under the policy during the applicable period plus one percent per annum; or*

(2) *the monthly average of the composite yield on seasoned corporate bonds as published by Moody's Investors Service, In-*

corporated, or any successor thereto, for the calendar month ending two months before the date on which the rate is determined. If the monthly average is no longer published, a substantially similar average shall be substituted by the commissioner by rule.

(d) If the maximum rate of interest is determined pursuant to clause (a)(2), the policy shall contain a provision setting forth the frequency at which the rate is to be determined for that policy.

(e) The maximum rate referred to in clause (d) must be determined at regular intervals at least once every 12 months, but not more frequently than once in any three-month period. At the intervals specified in the policy:

(1) The rate being charged may be increased whenever such increase as determined under clause (c) would increase that rate by one-half percent or more per annum; and

(2) The rate being charged must be reduced whenever such reduction as determined under clause (c) would decrease that rate by one-half percent or more per annum.

(f) The life insurer shall:

(1) notify the policyholder at the time a policy loan, other than a premium loan, is made, of the initial rate of interest on the loan, that the interest rate on the loan is adjustable and that the policyholder will be notified of any increase in the interest rate;

(2) notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder when a further premium loan is added, except as provided in clause (3);

(3) send reasonable advance notice of any increase in the rate to the policyholder with loans; and

(4) include in the notices required by this clause the substance of the pertinent provisions of clauses (a) and (d), a summary of the plan required by clause (h), and the effect of the policy loan on the policyholder's net cost of insurance per \$1,000 of coverage based on that plan.

(g) The loan value of the policy shall be determined in a manner consistent with section 61A.24 or 61A.245, but no policy shall terminate as the sole result of a change in the interest rate during that policy year, and the life insurer shall maintain coverage during that policy year until the time at which it would otherwise

have terminated if there had been no change during that policy year.

(h) Prior to offering insurance policies with an adjustable policy loan interest rate the insurer shall file a written plan setting forth the manner in which policyholders will receive a reasonable benefit in the form of price reductions or increased dividends from the increased earnings of the insurer resulting from the use of the adjustable rate and, if applicable, the effect of a policy loan on dividends and dividend rates. A summary of this plan must be made available upon request to each policyholder and must be provided to each applicant for a policy before the initial premium is received.

(i) The pertinent provisions of clauses (a) and (e) shall be set forth in substance in the policies to which they apply.

(j) For the purposes of this subdivision:

(1) The rate of interest on policy loans permitted under this subdivision includes the interest rate charged on reinstatement of policy loans for the period during and after any lapse of a policy.

(2) The term "policy loan" includes any premium loan made under a policy to pay one or more premiums that were not paid to the life insurer as they fell due.

(3) The term "policyholder" includes the owner of the policy or the person designated to pay premiums as shown on the records of the life insurer.

(4) The term "policy" includes certificates issued by a fraternal benefit society and annuity contracts which provide for policy loans.

**Subd. 3. [APPLICABILITY TO EXISTING POLICIES.]** The provisions of subdivision 2 shall not apply to any insurance policy issued before the effective date of this act unless the insurer provides the policyholder with a summary of the plan required by subdivision 2, clause (h), and thereafter the policyholder agrees in writing to the applicability of those provisions.

**Subd. 4. [NONAPPLICATION OF USURY.]** Neither section 334.01 nor any other law of this state which regulates rates of interest shall apply to policy loans which are governed by this section.

**Subd. 5. [RULES.]** The commissioner may adopt rules pursuant to chapter 14 to further implement and administer the provisions of this chapter.

Sec. 2. [72A.135] [FAILURE TO FOLLOW DIVIDEND AND PRICING POLICY; PENALTIES.]

*An insurer failing to file and adhere to the plan required by section 61A.03, subdivision 2, clause (h), shall be subject to a civil penalty of not more than \$5,000 for each violation.*

The application (SHALL) *must* be made in the name of the corporation, executed and acknowledged by two of its officers designated by the board of directors of the corporation for that purpose, requesting a certificate authorizing the corporation to transact business as an industrial loan and thrift company, at the place and in the name stated in the application. If the application is contested, (THE APPLICANT SHALL PAY) an additional fee equal to the actual costs incurred by the department of commerce in approving or disapproving the application, payable to the state treasurer and credited to the general fund of the state *shall be paid by the applicant and intervening parties equally*. A notice of the filing of the application (SHALL) *must* be published once within 30 days of the receipt of the form prescribed by the department of commerce, at the expense of the applicant, in a newspaper published in the municipality in which the proposed industrial loan and thrift company is to be located,

If the department of commerce receives a written objection to the application from any person within 20 days of the notice having been fully published a contested case hearing (SHALL) *must* be conducted on the application. The department of commerce may without cause order a contested case hearing on the application. Notice of a hearing in connection with this section (SHALL) *must* be published once in the form prescribed by the department of commerce, at the expense of the applicant, in the same manner as a notice of application.

Each additional certificate of authorization issued pursuant to the provisions of this subdivision (SHALL) *must* be filed with the secretary of state and the county recorder of the county in which the corporation is authorized to do business thereunder. (ANY SUCH) *The* corporation may change one or more of its locations upon the written approval of the commissioner of banks. *A fee of \$100 must accompany each application to the commissioner for approval to change the location of an established office.*

[AMENDED CERTIFICATES, THRIFT CERTIFICATES FOR INVESTMENT, APPLICATION, FEE, NOTICE.] Upon approval by the commissioner of banks of a commitment for insurance or guarantee of certificates to be held for investment as required in section 53.10, subdivision 3, an industrial loan and thrift company may apply to the department of commerce for an amended certificate of authorization and consent to sell and issue thrift certificates for investment.

The application, in triplicate, (SHALL) *must* be in the form prescribed by the department of commerce and filed in its office. At the time of filing the application, the applicant shall pay a filing fee of \$500 and if an application is contested, an additional fee equal to the actual costs incurred by the department of commerce in approving or disapproving the application, payable to the state treasurer and credited by the treasurer to the general fund shall be paid by applicant *and intervening parties equally*. Sec. 24. Minnesota Statutes 1982, section 53.04, subdivision 3a, is amended to read:

Subd. 3a. (a) The right to make loans, secured or unsecured, at the rates and on the terms and other conditions permitted licensees under chapter 56 *in amounts in compliance with section 53.05, clause (3) or 56.131, subdivision 1, paragraph (a), whichever is less*. The right to extend credit or lend money and to collect and receive charges therefor as provided by chapter 334, or in lieu thereof to charge, collect, and receive interest at the rate of 21.75 percent per annum. The provisions of sections 47.20 and 47.21 do not apply to loans made under this section, except as specifically provided in this subdivision. Nothing in this subdivision (SHALL BE) *is* deemed to supersede, repeal, or amend any provision of section 53.05. A licensee making a loan under this chapter secured by a lien on real estate shall comply with the requirements of section 47.20, subdivision 8.

(b) Loans made under this section at a rate of interest not in excess of that provided for in paragraph (a) may be secured by real or personal property, or both. If the proceeds of a loan made after August 1, 1984 are used in whole or in part to satisfy the balance owed on a contract for deed, the rate of interest charged on the loan (SHALL) *must* not exceed the rate provided in section 47.20, subdivision 4a. If the proceeds of a loan secured by a first lien on the borrower's primary residence are used to finance the purchase of the borrower's primary residence, the loan must comply with the provisions of section 47.20.

Sec. 25. Minnesota Statutes 1982, section 53.05, is amended to read:

53.05 [POWERS, LIMITATION.]

No industrial loan and thrift company (SHALL HAVE POWER TO) *may* do any of the following:

(1) (TO) carry commercial or demand banking accounts; (TO) use the word "bank" or "banking" in its corporate name; (TO) receive savings accounts or deposits or operate as a savings bank;

(2) (TO) have outstanding at any one time certificates of indebtedness, exclusive of those held by the company, as security for loans made by it of more than seven times the sum of the contributed capital and appropriated reserves of the company *until July 1, 1985, or the date an industrial loan and thrift company obtains a commitment for insurance or guarantee of accounts acceptable to the commissioner as required by section 53.10, whichever is earlier, and thereafter 15 times the sum of contributed capital and appropriated reserves of the company;*

(3) (TO) lend money in excess of ten percent of its contributed capital and appropriated reserves to any person primarily liable; provided, however, if a loan has been made to any one person primarily liable and payments have been made on the certificate of indebtedness securing it, the amount of (SUCH) *the* payments may be added to the limitation stated in this clause for the purpose of determining whether additional loans may be made to that person;

(4) (TO) accept trusts or act as guardian, administrator, or judicial trustee in any form; (OR)

Sec. 26: Minnesota Statutes 1982, section 53.06, is amended to read:

At least three-fourths of the directors of any industrial loan and thrift company (SHALL) *must* be residents of the county in which the industrial loan and thrift company maintains its

principal place of business, an adjacent county or any county in which the industrial loan and thrift company maintains a place of business pursuant to this chapter. (EACH DIRECTOR SHALL OWN AND HOLD SHARES OF COMMON STOCK OF THE INDUSTRIAL LOAN AND THRIFT COMPANY, UNENCUMBERED, WITH A PAR VALUE OF NOT LESS THAN \$500.)

Sec. 27. Minnesota Statutes 1982, section 56.001, subdivision 3, is amended to read:

Subd. 3. [APPLICABLE CHARGE.] "Applicable charge" means the amount of interest attributable to each monthly installment period of the loan contract. The applicable charge is computed as if each installment period were one month and any charge for extending the first installment period beyond one month, or *reduction in charge for a first installment less than one month*, is ignored. The applicable charge for any installment period is that which would have been made for the period had the loan been made on an interest-bearing basis at the single annual percentage rate permitted by section 56.131, subdivision 1, based upon the assumption that all payments were made according to schedule. For convenience in computation, the licensee may round the single annual rate to the nearest one quarter of one percent.

Sec. 28. Minnesota Statutes 1982, section 56.131, subdivision 1, is amended to read:

Subdivision 1. [INTEREST RATES AND CHARGES.]

(a) On any loan in the principal amount of \$35,000 or less, a licensee may contract for and receive interest, calculated according to the actuarial method, not exceeding the equivalent of the greater of any of the following:

(1) the total of: (i) 33 percent per year on that part of the unpaid balance of the principal amount not exceeding \$350; and (ii) 19 percent per year on that part of the unpaid balance of the principal amount exceeding \$350; or

(2) 21.75 percent per year on the unpaid balance of the principal amount.

(b) On any loan where interest has been calculated according to the method provided for in paragraph (a), clause (1), interest (SHALL) *must* be contracted for and earned as provided in that provision or at the single annual percentage rate computed to the nearest one hundredth of one percent that would earn the same total interest at maturity of the contract as would be earned by the application of the graduated rates provided in paragraph (a), clause (1), when the debt is paid according to the agreed terms and the calculations are made according to the actuarial method.

(c) Loans may be interest-bearing or precomputed.

(d) To compute time on interest-bearing and precomputed loans, including, but not limited to the calculation of interest, a day (SHALL BE) is considered  $1/30$  of a month when calculation is made for a fraction of a calendar month. A year (SHALL BE) is 12 calendar months. A calendar month (SHALL BE) is that period from a given date in one month to the same numbered date in the following month, and if there is no same numbered date, to the last day of the following month.

(e) With respect to interest-bearing loans:

(1) Interest (SHALL) *must* be computed on unpaid principal balances outstanding from time to time, for the time outstanding. Each payment (SHALL) *must* be applied first to the accumulated interest and the remainder of the payment applied to the unpaid principal balance; provided however, that if the amount of the payment is insufficient to pay the accumulated interest, the unpaid interest continues to accumulate to be paid from the proceeds of subsequent payments and is not added to the principal balance.

(2) Interest (SHALL) *must* not be payable in advance or compounded. However, if part or all of the consideration for a new loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under the new loan contract may include any unpaid interest which has accrued. The unpaid principal balance of a precomputed loan is the balance due after refund or credit of unearned interest as provided in paragraph (f), clause (3). The resulting loan contract (SHALL BE) is deemed a new and separate loan transaction for all purposes.

(f) With respect to precomputed loans:

(1) Loans (SHALL) *must* be repayable in substantially equal and consecutive monthly installments of principal and interest combined, except that the first installment period may be (LONGER) *more or less* than one month by not more than 15 days, and the first installment payment amount may be larger than the remaining payments by the amount of interest charged for the extra days *and must be reduced by the amount of interest for the number of days less than one month to the first installment payment*; and provided further that monthly installment payment dates may be omitted to accommodate borrowers with seasonal income.

(2) Payments may be applied to the combined total of principal and precomputed interest until the loan is fully paid. Payments (SHALL) *must* be applied in the order in which they become due.

(3) When any loan contract is paid in full by cash, renewal or refinancing, or a new loan, one month or more before the final installment due date, a licensee shall refund or credit the borrower with the total of the applicable charges for all fully unexpired installment periods, as originally scheduled or as deferred, which follow the day of prepayment; if the prepayment is made other than on a scheduled payment date, the nearest scheduled installment payment date (SHALL) *must* be used in the computation; provided further, if the prepayment occurs prior to the first installment due date, the licensee may retain 1/30 of the applicable charge for a first installment period of one month for each day from the date of the loan to the date of prepayment, and shall refund or credit the borrower with the balance of the total interest contracted for. If the maturity of the loan is accelerated for any reason and judgment is entered, the licensee shall credit the borrower with the same refund as if prepayment in full had been made on the date the judgment is entered.

(4) If an installment, other than the final installment, is not paid in full within ten days of its scheduled due date, a licensee may contract for and receive a default charge not exceeding five percent of the amount of the installment, but not less than \$2.

(5) If the parties agree in writing, either in the loan contract or in a subsequent agreement, to a deferment of wholly unpaid installments, a licensee may grant a deferment and may collect a deferment charge as provided in this section. A deferment postpones the scheduled due date of the earliest unpaid installment and all subsequent installments as originally scheduled, or as previously deferred, for a period equal to the deferment period. The deferment period is that period during which no installment is scheduled to be paid by reason of the deferment. The deferment charge for a one-month period may not exceed the applicable charge for the installment period immediately following the due date of the last undeferred payment. A proportionate charge may be made for deferment for periods of more or less than one month. A deferment charge is earned pro rata during the deferment period and is fully earned on the last day of the deferment period. Should a loan be prepaid in full during a deferment period, the licensee shall make or credit to the borrower a refund of the unearned deferment charge in addition to any other refund or credit made for prepayment of the loan in full.

(6) If two or more installments are delinquent one full month or more on any due date, and if the contract so provides, the licensee may reduce the unpaid balance by the refund credit which would be required for prepayment in full on the due date of the most recent maturing installment in default. Thereafter, and in lieu of any other default or deferment charges, the single annual percentage rate permitted by this subdivision may be charged on the unpaid balance until fully paid.

(7) Following the final installment as originally scheduled or deferred, the licensee, for any loan contract which has not previously been converted to interest-bearing under paragraph (f), clause (6), may charge interest on any balance remaining unpaid, including unpaid default or deferment charges, at the single annual percentage rate permitted by this subdivision until fully paid.

Sec. 29. Minnesota Statutes 1982, section 56.155, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] No licensee shall, directly or indirectly, sell or offer for sale any insurance in connection with any loan made under this chapter except as and to the extent authorized by this section. The sale of credit life and credit accident and health insurance (SHALL BE) *is* subject to the provisions of chapter 62B, except that the term of the insurance may exceed 60 months if the term of the loan exceeds 60 months. Life, accident, and health insurance, or any of them, may be written upon or in connection with any loan but (SHALL) *must* not be required as additional security for the indebtedness. If the debtor chooses to procure credit life insurance or credit accident and health insurance as security for the indebtedness, he shall have the option of furnishing this security through existing policies of insurance owned or controlled by him or of furnishing the coverage through any insurer authorized to transact business in this state. A statement in substantially the following form in bold face type of a minimum size of 12 points (SHALL) *must* be provided to the borrower (BEFORE THE TRANSACTION IS COMPLETED) *before the transaction is completed for each credit life and accident and health insurance coverage sold:*

**CREDIT LIFE INSURANCE AND CREDIT DISABILITY INSURANCE ARE NOT REQUIRED TO OBTAIN CREDIT. YOU MAY BUY ANY INSURANCE FROM ANYONE YOU CHOOSE OR YOU MAY USE EXISTING INSURANCE. (THE CREDIT LIFE INSURANCE AND CREDIT DISABILITY INSURANCE AVAILABLE THROUGH THIS LENDER HAD AN ACTUAL LOSS RATIO DURING THE CALENDAR YEAR LAST REPORTED TO THE DEPARTMENT OF COMMERCE OF        PERCENT. THIS MEANS THAT, ON THE AVERAGE, \$        OF EVERY \$100 IN PREMIUMS PAID TO THE INSURANCE COMPANY WERE RETURNED AS BENEFITS TO POLICY HOLDERS DURING THAT YEAR.)**

**(THE LICENSEE SHALL HAVE 30 DAYS AFTER THE INSURANCE COMPANY SUBMITS ITS REPORT OF LOSSES TO THE DEPARTMENT OF COMMERCE FOR THE PREVIOUS CALENDAR YEAR TO CHANGE ITS DISCLOSURE TO REFLECT THE CURRENT LOSS RATIO.)**

The licensee shall disclose whether or not the benefits (SHALL) commence as of the first day of disability and shall further disclose the number of days that an insured obligor must be disabled, as defined in the policy, before benefits, whether retroactive or nonretroactive, (SHALL) commence. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit accident and health benefits, (SHALL) *may* be procured by or through a licensee upon more than one of the obligors. In case there are multiple obligors under a transaction subject to this chapter, no policy or certificate of insurance providing credit life insurance (SHALL) *may* be procured by or through a licensee upon more than two of the obligors in which case they shall be insured jointly. The premium or identifiable charge for the insurance (SHALL) *must* not exceed that filed by the insurer with the insurance division of the department of commerce. The charge, computed at the time the loan is made for a period not to exceed the full term of the loan contract on an amount not to exceed the total amount required to pay principal and charges, may be deducted from the proceeds or may be included as part of the principal of any loan. If a borrower procures insurance by or through a licensee, the statement required by section 56.14 (SHALL) *must* disclose the cost to the borrower and the type of insurance, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof, within a reasonable time. No licensee shall decline new or existing insurance which meets the standards set out in this section nor prevent any obligor from obtaining (SUCH) *this* insurance coverage from other sources. Notwithstanding any other provision of this chapter, any gain or advantage to the licensee or to any employee, affiliate, or associate of the licensee from (SUCH) *this* insurance or the sale or provision thereof (SHALL NOT BE DEEMED TO BE) *is not an* additional or further (CHARGES) *charge* in connection with the loan; nor (SHALL) *are* any of the provisions pertaining to insurance contained in this section (BE DEEMED) prohibited by any other provision of this chapter.

Sec. 30. Minnesota Statutes 1982, section 168.72, subdivision 1, is amended to read:

Subdivision 1. (a) The time price differential authorized by sections 168.66 to 168.77 in a retail installment sale (SHALL) *may* not exceed the following rates:

Class 1. Any motor vehicle designated by the manufacturer by a year model of the same or not more than one year prior to the year in which the sale is made—\$8 per \$100 per year.

Class 2. Any motor vehicle designated by the manufacturer by a year model of two or three years prior to the year in which the sale is made—\$11 per \$100 per year.

Class 3. Any motor vehicle not in Class 1 or Class 2—\$13 per \$100 per year plus a flat charge of \$3 for each retail installment sale.

(b) The time price differential (SHALL) *must* be computed on the principal balance as determined under section 168.71, clause (b) and (SHALL) *must* be computed at the rate indicated on contracts payable in successive monthly installment payments substantially equal in amount extending for a period of one year. *For purposes of this subdivision and section 168.73, contracts payable in successive monthly installment payments include those where the first installment is scheduled for not less than 15 days nor more than one month and 15 days from the date of the contract.* On contracts providing for installment payments extending for a period less than or greater than one year, the time price differential (SHALL) *must* be computed proportionately.

(c) When a retail installment contract provides for unequal or irregular installment payments, the time price differential is at the effective rate provided in clause (a) hereof, having due regard for the irregular schedule of payment.

(d) The time price differential is inclusive of all charges incident to investigating and making the contract, and for the extension of the credit provided for in the contract and no fee, commission, expense or other charge whatsoever (SHALL) *may* be taken, received, reserved or contracted for except as provided in sections 168.66 to 168.77.

**356.61 [LIMITATION ON PUBLIC EMPLOYEE RETIREMENT ANNUITIES.]**

Notwithstanding any provision of law, bylaws, articles of incorporation, retirement and disability allowance plan agreements or retirement plan contracts to the contrary, no person who has pension or retirement coverage by a public pension plan shall be entitled to receive a monthly retirement annuity or disability benefit which, at the time of commencement of the retirement annuity or disability benefit, exceeds *the lesser of:*

(a) the amount of the final monthly salary of the person; or

(b) *one-twelfth of the amount of the annual benefit permitted by the terms of section 415 of the Internal Revenue Code with respect to a participant in a plan qualified under section 401(a) of the Internal Revenue Code, as amended through December 31, 1982.*

A public pension plan is any Minnesota public pension plan or fund which provides pension or retirement coverage for public employees other than volunteer firefighters, including any plan or fund enumerated in sections 356.20, subdivision 2, or 356.30, subdivision 3, any local police or firefighter's relief association to which section 69.77 applies, or any retirement or pension plan or fund, including a supplemental retirement plan or fund, established, maintained or supported by any governmental subdivision or public body whose revenues are derived from taxation, fees, assessments or from other public sources. If the figure for the monthly retirement annuity or disability benefit exceeds the limit contained in this section, the annuity or benefit payable shall be reduced appropriately.

The managing board of each public pension plan from which a retirement annuity or disability benefit is payable shall, at the time that the retirement annuity or disability benefit commences, contact all other public pension plans to determine whether or not the recipient of the retirement annuity or disability benefit is also receiving or is entitled to receive a retirement annuity or disability benefit from any other public pension plan. If a person is entitled to receive or is receiving a retirement annuity or disability benefit from more than one public pension plan, all retirement annuities or disability benefits from all public pension plans shall be totalled in determining whether or not the limitation shall apply; provided however, that the limitation shall be based on the highest final monthly salary received by the individual from any plan. Any reduction in the amount of the retirement annuity or disability benefit required pursuant to this section shall be made by the public pension plan which provided retirement coverage for the most recent period of service."

(2) (31) 41 percent to a separate account in the county state-aid highway fund to be known as the county turnback account, which account in the state treasury is hereby created;

(3) (9) 8 percent to a separate account in the municipal state-aid street fund to be known as the municipal turnback account, which account in the state treasury is hereby created.

Sec. 2. Minnesota Statutes 1982, section 161.082, subdivision 2a, is amended to read:

Subd. 2a. An amount equal to (32) 20 percent of the county turnback account (SHALL) *must* be expended, within counties having two or more towns, on town road bridge structures that are 10 feet or more in length *and on town road culverts that replace existing town road bridges*. The expenditures on (SUCH) bridge structures *and culverts* may be on a matching basis, and if on a matching basis, not more than 90 percent of the cost of (ANY SUCH) a bridge structure (SHALL) *or culvert may* be paid from the county turnback account.

Subd. 2. [FORMULA.] *Funds in the town road account must be apportioned to each county so that each county receives the percentage that the total miles of town road in the county bears to the total miles of town roads in the state.*

Subd. 3. [APPORTIONMENT.] *When the commissioner determines the amount of money to be apportioned to each county under section 162.07, he shall also determine the amounts in the town road account to be apportioned under subdivision 2. The apportionment under subdivision 2 must be included in the statement sent to the commissioner of finance and the county auditor and county engineer of each county under section 162.08, subdivision 2. The amounts so apportioned and allocated to each county from the town road account must be paid by the state to the trea-*

Distribution of town road funds to the treasurer of the towns must be made within 30 days of the receipt of the funds by the county treasurer. Distribution of funds to town treasurers in a county which has not adopted a distribution formula under this subdivision must be made according to a formula prescribed by the commissioner by rule. A formula adopted by a county board or by the commissioner must provide that a town, in order to be eligible for distribution of funds from the town road account in a calendar year, must have levied in the previous year for road and bridge purposes at least two mills on the dollar of the assessed value of the town.*

If a federal national mortgage association free market system conventional home mortgage auction is not held in any month, the maximum lawful rate of interest determined by the commissioner of banks pursuant to the last auction is the maximum lawful rate of interest through the last day of the month in which the next auction is held.

(3) (A CONTRACT RATE WITHIN) The maximum lawful interest rate applicable to a cooperative apartment loan or contract for deed at the time the loan or contract is made is the

maximum lawful interest rate for the term of the cooperative apartment loan or contract for deed. *A cooperative apartment loan or contract for deed may provide, at the time the loan or contract is made, for the application of specified different consecutive periodic interest rates to the unpaid principal balance, provided that no interest rate exceeds the maximum lawful interest rate applicable to the loan or contract at the time the loan or contract is made.*

(4) Contracts for deed executed pursuant to a commitment for a contract for deed, or conventional or cooperative apartment loans made pursuant to a borrower's interest rate commitment or made pursuant to a borrower's loan commitment, or made pursuant to a commitment for conventional or cooperative apartment loans made upon payment of a forward commitment fee including a borrower's loan commitment issued pursuant to a forward commitment, which commitment provides for consummation within some future time following the issuance of the commitment may be consummated pursuant to the provisions, including the interest rate, of the commitment notwithstanding the fact that the maximum lawful rate of interest at the time the contract for deed or conventional or cooperative apartment loan is actually executed or made is less than the commitment rate of interest, provided the commitment rate of interest does not exceed the maximum lawful interest rate in effect on the date the commitment was issued. The refinancing of (a) an existing conventional or cooperative apartment loan, (b) a loan insured or guaranteed by the secretary of housing and urban development, the administrator of veterans affairs, or the administrator of the farmers home administration, or (c) a contract for deed by making a conventional or cooperative apartment loan is deemed to be a new conventional or cooperative apartment loan for purposes of determining the maximum lawful rate of interest under this subdivision. *The renegotiation of a conventional or cooperative apartment loan or a contract for deed is deemed to be a new loan or contract for deed for purposes of clause (3) and for purposes of determining the maximum lawful rate of interest under this subdivision.* A borrower's interest rate commitment or a borrower's loan commitment is deemed to be issued on the date the commitment is hand delivered by the lender to, or mailed to the borrower. A forward commitment is deemed to be issued on the date the forward commitment is hand delivered by the lender to, or mailed to the person paying the forward commitment fee to the lender, or to any one of them if there should be more than one. A commitment for a contract for deed is deemed to be issued on the date the commitment is initially executed by the contract for deed vendor or his authorized agent.

(5) A contract for deed executed pursuant to a commitment for a contract for deed, or a loan made pursuant to a borrower's interest rate commitment, or made pursuant to a borrower's loan commitment, or made pursuant to a forward commitment for conventional or cooperative apartment loans made upon payment

of a forward commitment fee including a borrower's loan commitment issued pursuant to a forward commitment at a rate of interest not in excess of the rate of interest authorized by this subdivision at the time the commitment was made continues to be enforceable in accordance with its terms until the indebtedness is fully satisfied.

Sec. 2. Minnesota Statutes 1982, section 334.01, subdivision 1, is amended to read:

Subdivision 1. The interest for any legal indebtedness shall be at the rate of \$6 upon \$100 for a year, unless a different rate is contracted for in writing; and no person shall directly or indirectly take or receive in money, goods, or things in action, or in any other way, any greater sum, or any greater value, for the loan or forbearance of money, goods, or things in action, than \$8 on \$100 for one year; and, in the computation of interest upon any bond, note, or other instrument or agreement, interest shall not be compounded, but any contract to pay interest, not usurious, upon interest overdue, shall not be construed to be usury. Contracts shall bear the same rate of interest after they become due as before, and any provision in any contract, note, or instrument providing for an increase of the rate of interest after maturity, or any increase therein after making and delivery, shall work a forfeiture of the entire interest; but this provision shall not apply to notes or contracts which bear no interest before maturity nor shall it apply to any agreement which extends the maturity date of any contract, note, or instrument, and provides for an increased rate of interest after the original maturity date on the indebtedness then due, provided that any agreement which extends maturity date of any contract, note or instrument shall not provide for an increased rate of interest in excess of \$8 on \$100 for one year *except as otherwise provided in section 47.20.*

Subd. 3. [JOINT AIRPORT ZONING BOARD.] (1) Where an airport is owned or controlled by a municipality and (ANY) *an* airport hazard area appertaining to (SUCH) *the* airport is located within the territorial limits of another county or municipality, the municipality owning or controlling the airport may request (ANY) *a* county or municipality in which an airport hazard area is located:

(a) To adopt and enforce airport zoning regulations for the area in question that conform to (MINIMUM) standards prescribed by the commissioner pursuant to subdivision 4; or

(b) To join in creating a joint airport zoning board pursuant to clause (2). The owning or controlling municipality shall determine which of these actions it shall request, except as provided in clause (5) for the metropolitan airports commission. The request shall be made by certified mail to the governing body of each county and municipality in which an airport hazard area is located.

(2) Where an airport is owned or controlled by a municipality and (ANY) *an* airport hazard area appertaining to (SUCH) *the* airport is located within the territorial limits of another county or municipality, the municipality owning or controlling the airport and the county or other municipality within which the airport hazard area is located may, by ordinance or resolution duly adopted, create a joint airport zoning board,

which board shall have the same power to adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question as that vested by subdivision 1 in the municipality within which (SUCH) *the* area is located. (EACH SUCH) A joint board shall have as members two representatives appointed by the municipality owning or controlling the airport and two from the county or municipality, or in case more than one county or municipality is involved two from each county or municipality, in which the airport hazard is located, and in addition a chairman elected by a majority of the members so appointed. All members shall serve at the pleasure of their respective appointing authority. Notwithstanding any other provision of law to the contrary, if the owning and controlling municipality is a city of the first class it shall appoint four members to the board, and the chairman of the board shall be elected from the membership of the board.

(3) If (ANY) a county or municipality, within 60 days of receiving a request from an owning or controlling municipality pursuant to clause (1), fails to adopt, or thereafter fails to enforce, (SUCH) *the* zoning regulations or fails to join in creating a joint airport zoning board, the owning or controlling municipality, or a joint airport zoning board created without participation by the subdivisions which fail to join the board, may itself adopt, administer, and enforce airport zoning regulations for the airport hazard area in question. In the event of conflict between (SUCH) *the* regulations and (ANY) airport zoning regulations adopted by the county or municipality within which the airport hazard area is located, (THE REGULATIONS OF THE MUNICIPALITY OWNING OR CONTROLLING THE AIRPORT OR THE JOINT ZONING BOARD SHALL GOVERN AND PREVAIL) *section 360.064, subdivision 2, applies.*

(4) "Owning or controlling municipality," as used in this subdivision, includes:

(a) A joint airport operating board created pursuant to section 360.042 that has been granted all the powers of a municipality in zoning matters under the agreement creating the board;

(b) A joint airport operating board created pursuant to section 360.042 that has not been granted zoning powers under the agreement creating the board, provided that (SUCH A) *the* board shall not itself adopt zoning regulations nor shall (ANY) a joint airport zoning board created at its request adopt zoning regulations unless all municipalities that created the joint operating board join to create the joint zoning board; and

(c) The metropolitan airports commission established and operated pursuant to chapter 473.

(5) The metropolitan airports commission shall request creation of one joint airport zoning board for each airport operated under its authority.

Sec. 3. Minnesota Statutes 1982, section 360.063, subdivision 4, is amended to read:

Subd. 4. [AIRPORT APPROACH.] The commissioner may recommend an airport approach plan for each publicly owned airport in the state and for each privately owned airport of the publicly owned class and from time to time recommend revisions of (ANY SUCH) *the* plan. (EACH SUCH) A plan shall indicate the circumstances in which structures or trees are or would be airport hazards, the airport hazard area, and what measures should be taken to eliminate airport hazards. (HE) *The commissioner* shall prescribe (MINIMUM) airport approach and turning standards for airports of various classes, and (ALL) airport zoning regulations adopted by (ANY) *a* municipality, county, or joint airport zoning board shall conform to (SUCH MINIMUM) *the* standards, *except as provided in sections 360.065 and 360.066.*

Sec. 4. Minnesota Statutes 1982, section 360.063, subdivision 6, is amended to read:

Subd. 6. [PROCEDURE WHEN ZONING BOARD FAILS TO ACT.] If (ANY) *a* municipality, county, or joint airport zoning board fails to adopt within a reasonable time airport zoning regulations in accordance with the provisions of sections 360.011 to 360.076, or adopts regulations or amendments which do not conform to the (MINIMUM) standard prescribed by the commissioner, (HE) *the commissioner* may, for the protection of the public safety, adopt or supplement and from time to time as may be necessary amend, supplement, or repeal (SUCH) *the* regulations for (SUCH) *the* municipality or county until airport zoning regulations provided for in sections 360.011 to 360.076, are adopted by (SUCH) *the* municipality, county, or joint airport zoning board. (HE) *The commissioner* shall have the same powers with reference to (SUCH) *the* airport zoning regulations as are granted in sections 360.011 to 360.076, to municipalities, administrative boards, and boards of adjustment. (ANY) *An* action of the commissioner taken under this subdivision (SHALL BE) *is* subject to review by the courts as provided in section 360.072.

Sec. 5. Minnesota Statutes 1982, section 360.065, subdivision 2, is amended to read:

Subd. 2. [REGULATIONS SUBMITTED TO COMMISSIONER.] Prior to adopting (ANY) zoning regulations for (ANY) *an* airport hazard area under sections 360.011 to 360.076, the municipality, county, or joint airport zoning board which is to adopt the regulations shall submit its proposed regulations

to the commissioner in order that (HE) *the commissioner* may determine whether it conforms to the (MINIMUM) standards prescribed by him. (HE) *The commissioner* shall immediately examine (SUCH) *the* proposed regulations and report to the municipality, county, or joint airport zoning board his approval, or (HIS) objections, if any. If (ANY) objections are made by him on the ground that (SUCH) *the* regulations do not conform to the (MINIMUM) standards prescribed by him for the class of airport involved, the municipality, county, or joint zoning board shall make (SUCH) amendments as are necessary to meet (SUCH) *the* objections *unless it demonstrates that the social and economic costs of restricting land uses in accordance with the standards outweigh the benefits of a strict application of the standards.* The governing body of the municipality or county or the joint airport zoning board shall not adopt the regulations or take other action until the proposed regulations are approved by the commissioner (AS CONFORMING TO SUCH MINIMUM STANDARDS). *The commissioner may approve local zoning ordinances that are more stringent than the standards.* A copy of (SUCH) *the* regulations as adopted shall be filed with the county recorder in each county in which (SUCH) *the* zoned area is located.

Substantive rights existing prior to the passage of this subdivision and (HERETOFORE) *previously* exercised (SHALL) *are not* (BE) affected by the filing of (SUCH) *the* regulations.

Sec. 6. Minnesota Statutes 1982, section 360.066, subdivision 1, is amended to read:

Subdivision 1. [REASONABLENESS.] (ALL MINIMUM) Standards of the commissioner defining airport hazard areas and the categories of uses permitted (THEREIN) and (ALL) airport zoning regulations adopted under sections 360.011 to 360.076, shall be reasonable, and none shall impose (ANY) a requirement or restriction which is not reasonably necessary to effectuate the purposes of sections 360.011 to 360.076. In determining what minimum (STANDARDS AND) *airport zoning* regulations may be adopted, the commissioner and (ANY) a local airport zoning authority shall consider, among other things, the character of the flying operations expected to be conducted at the airport, the location of the airport, the nature of the terrain within the airport hazard area, the existing land uses and character of the neighborhood around the airport, (AND) the uses to which the property to be zoned (IS PUT) *are planned and adaptable, and the social and economic costs of restricting land uses versus the benefits derived from a strict application of the standards of the commissioner.*

Sec. 7. Minnesota Statutes 1982, section 360.067, subdivision 1, is amended to read:

Subdivision 1. [PERMITS.] (1) (ANY) Airport zoning regulations adopted under sections 360.011 to 360.076, may require that a permit be obtained before (ANY) *a* new structure or use may be constructed or established and before (ANY) *an* existing use or structure may be substantially changed or substantially altered or repaired. In any event, all (SUCH) regulations shall provide that before (ANY) *a* nonconforming structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, a permit must be secured from the administrative agency authorized to administer and enforce the regulations, authorizing (SUCH) *the* replacement, change, or repair. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a nonconforming structure or tree or nonconforming use to be made or become higher or become a greater hazard to air navigation than it was when the applicable regulation was adopted or than it is when the application for a permit is made.

(2) Whenever the administrative agency determines that a nonconforming use or nonconforming structure or tree has been abandoned or more than 80 percent torn down, (DESTROYED,) deteriorated, or decayed: (a) no permit shall be granted that would allow (SAID) *the* structure or tree to exceed the applicable height limit or otherwise deviate from the zoning regulations; and (b), whether application is made for a permit under this subdivision or not, the (SAID) agency may by appropriate action compel the owner of the nonconforming structure or tree, at (HIS OWN) *the owner's* expense, to lower, remove, reconstruct, or equip (SUCH) *the* object as may be necessary to conform to the regulations. If the owner of the nonconforming structure or tree (SHALL NEGLECT) *neglects* or (REFUSE) *refuses* to comply with (SUCH) *the* order for ten days after notice (THEREOF) *of the order*, the (SAID) agency may proceed to have the object (SO) lowered, removed, reconstructed, or equipped and assess the cost and expense (THEREOF) upon the object of the land (WHEREON) *where* it is or was located. Unless (SUCH) an assessment is paid within 90 days from the service of notice (THEREOF) on the agent or owner of (SUCH) *the* object or land, the sum (SHALL) *will* bear interest at the rate of eight percent per annum until paid, and shall be collected in the same manner as are general taxes.

(3) Except as provided (HEREIN) *in this subdivision*, all applications for permits shall be granted."

"Section 1. [144A.071] [MORATORIUM ON CERTIFICATION OF NURSING HOME BEDS.]

*Subdivision 1. [MORATORIUM.] Notwithstanding the provisions of the Certificate of Need Act, sections 145.832 to 145.845, or any other law to the contrary, the commissioner of*

health, in coordination with the commissioner of public welfare, shall deny each request by a nursing home or boarding care home for addition of new certified beds or for a change or changes in the certification status of existing beds except as provided in subdivision 2 during a period of three years beginning on the effective date of this section and ending on June 30, 1986. The total number of certified beds in the state in the skilled level and in the intermediate level of care shall remain at or decrease from the number of beds certified at each level of care on the effective date of this section until June 30, 1986. "Certified bed" means a nursing home bed or a boarding care bed certified by the commissioner of health for the purposes of the medicare or medical assistance program, under United States Code, title 42, sections 1395 et seq. and 1396 et seq.

The commissioner of public welfare, in coordination with the commissioner of health, shall deny any request to issue a license under the provisions of sections 245.781 to 245.812 and 252.28 to a nursing home or boarding care home if that license would result in an increase in the reimbursement amount.

**Subd. 2. [EXCEPTIONS.]** The commissioner of health, in coordination with the commissioner of welfare, may approve the addition of a new certified bed or change in the certification status of an existing bed under the following conditions:

(a) To replace a bed decertified after the effective date of this section or if the commissioner finds an extreme hardship situation in a particular county that has fewer nursing home beds per 1,000 elderly than the number that is ten percent higher than the national average of nursing home beds per 1,000 elderly individuals. For the purposes of this section, number of elderly in the county shall be determined by the most recent federal census or estimate of the state demographer of persons age 65 and older, whichever is the most recent at the time of the request for replacement. In allowing replacement of a decertified bed, the commissioners shall ensure that the number of added or recertified beds does not exceed the total number of decertified beds in the state in that level of care. An extreme hardship situation can only be found after the county documents the existence of unmet medical needs that cannot be addressed by any other alternatives; or

(b) To certify a new bed in a facility that commenced construction before the effective date of this section. For the purposes of this section, "commenced construction" means that all of the following conditions were met: the final working drawings and specifications were approved by the commissioner of health; the construction contracts were let; a timely construction schedule was developed, stipulating dates for beginning, achieving various stages, and completing construction; all zoning and building permits were secured; and significant alteration of the site

*was made and continues in accordance with the construction schedule; or*

*(c) When the change in certification status results in a decrease in the reimbursement amount.*

*Subd. 3. [MONITORING.] The commissioner of health, in coordination with the commissioner of public welfare, shall implement mechanisms to monitor and analyze the effect of the moratorium in the different geographic areas of the state. The commissioner of health shall submit to the legislature, no later than January 15, 1984, and annually thereafter, an assessment of the impact of the moratorium by geographic area with particular attention to service deficits or problems and a corrective action plan.*

**Sec. 2. Minnesota Statutes 1982, section 144A.10, subdivision 6, is amended to read:**

*Subd. 6. [FINES.] A nursing home which is issued a notice of noncompliance with a correction order shall be assessed a civil fine in accordance with a schedule of fines to be promulgated by rule of the commissioner of health before September 1, 1983. The fine shall be assessed for each day the facility remains in noncompliance and until a notice of correction is received by the commissioner of health in accordance with subdivision 7. No fine for a specific violation may exceed (\$250) \$500 per day of non-compliance.*

**Sec. 3. [144A.31] [INTERAGENCY BOARD FOR QUALITY ASSURANCE.]**

*Subdivision 1. [INTERAGENCY BOARD.] The commissioners of health and public welfare shall establish, by October 1, 1983, an interagency board of representatives of their respective departments who are knowledgeable and employed in the areas of long-term care, geriatric care, long-term care facility inspection, or quality of care assurance. The number of interagency board members shall not exceed seven; three members each to represent the commissioners of health and public welfare and one member to represent the commissioner of public safety in the enforcement of fire and safety standards in nursing homes. The commissioner of health shall serve as chair and convener of the board. The board may utilize the expertise and time of other individuals employed by either department as needed. The board may recommend to the commissioners to contract for services as needed. The board shall meet as often as necessary to accomplish its duties, but at least monthly.*

*Subd. 2. [INSPECTIONS.] No later than January 1, 1984, the board shall develop and recommend implementation and*

*enforcement of an effective system to ensure quality of care in each nursing home in the state.*

*The board shall assist the commissioner of health to ensure that inspections and reinspections of nursing homes are conducted with a frequency and in a manner calculated to most effectively and appropriately fulfill its quality assurance responsibilities and achieve the greatest benefit to nursing home residents. The commissioner of health shall require a higher frequency and extent of inspections with respect to those nursing homes that present the most serious concerns with respect to resident health, treatment, comfort, safety, and well-being. These concerns include but are not limited to: complaints about care, safety, or rights; situations where previous inspections or reinspections have resulted in correction orders related to care, safety, or rights; instances of frequent change in administration in excess of normal turnover rates; and situations where persons involved in ownership or administration of the nursing home have been indicted for, charged with, or convicted of engaging in criminal activity.*

**Subd. 3. [METHODS FOR DETERMINING RESIDENT CARE NEEDS.]** *The board shall develop and recommend to the commissioners definitions for levels of care and methods for determining resident care needs in preparation for eventually developing methods to adjust payments for resident care based on the mix of resident needs in a nursing home. The methods for determining resident care needs shall include assessments of ability to perform activities of daily living and assessments of medical and therapeutic needs.*

**Subd. 4. [ENFORCEMENT.]** *The board shall develop and recommend for implementation effective methods of enforcing quality of care standards. When it deems necessary, and when all other methods of enforcement are not appropriate, the board shall recommend to the commissioner of health closure of all or part of a nursing home and revocation of the license. The board shall develop, and the commissioner of public welfare shall implement, a resident relocation plan which instructs the county where the nursing home is located of procedures to ensure that the needs of residents in nursing homes about to be closed are met. The county shall ensure placement in swing beds in hospitals, placement in unoccupied beds in other nursing homes, utilization of home health care on a temporary basis, foster care placement, or other appropriate alternative care. In preparing for relocation, the board shall ensure that residents and their families or guardians are involved in planning the relocation.*

**Subd. 5. [REPORTS.]** *The board shall prepare a report and the commissioners of health and public welfare shall deliver this report to the legislature no later than January 15, 1984, on the board's proposals and progress on implementation of the methods required under subdivisions 2, 3, and 4. The commis-*

*sioners shall recommend changes in or additions to legislation necessary or desirable to fulfill their responsibilities. The board shall prepare an annual report and the commissioners shall deliver this report annually to the legislature, beginning in January, 1985, on the implementation and enforcement of the provisions of this section.*

Sec. 4. Minnesota Statutes 1982, section 256B.091, subdivision 1, is amended to read:

Subdivision 1. [PURPOSE.] It is the purpose of this section to prevent inappropriate nursing home or boarding care home placement by establishing a program of preadmission screening teams for all medical assistance recipients and any individual who would become eligible for medical assistance within (90) 180 days of admission to a licensed nursing home or boarding care home participating in the program. Further, it is the purpose of this section and the program to gain further information about how to contain costs associated with inappropriate nursing home or boarding care home admissions. The commissioners of public welfare and health shall seek to maximize use of available federal and state funds and establish the broadest program possible within the appropriation available. The commissioner of public welfare shall promulgate temporary rules in order to implement this section by September 1, 1980.

Sec. 5. Minnesota Statutes 1982, section 256B.091, subdivision 2, is amended to read:

Subd. 2. [SCREENING TEAMS; ESTABLISHMENT.] Each county agency designated by the commissioner of public welfare to participate in the program shall contract with the local board of health organized under section 145.911 to 145.922 or other public or non-profit agency to establish a screening team to assess, prior to admission to a nursing home licensed under section 144A.02 or a boarding care home licensed under sections 144.50 to 144.56, the health and social needs of medical assistance recipients and individuals who would become eligible for medical assistance within (90) 180 days of nursing home or boarding care home admission. Each local screening team shall be composed of a public health nurse from the local public health nursing service and a social worker from the local community welfare agency. Each screening team shall have a physician available for consultation and shall utilize individuals' attending physicians' physical assessment forms, if any, in assessing needs. The individual's physician shall be included on the screening team if the physician chooses to participate. If the individual is being discharged from an acute care facility, a discharge planner from that facility may be present, at the facility's request, during the screening team's assessment of the individual and may participate in discussions but not in making the screening team's recommendations under subdivision 3,

clause (e). If the assessment procedure or screening team recommendation results in a delay of the individual's discharge from the acute care facility, the facility shall not be denied reimbursement or incur any other financial or regulatory penalty caused by the individual's extended length of stay. Other personnel as deemed appropriate by the county agency may be included on the team. No member of a screening team shall have a direct or indirect financial or self-serving interest in a nursing home or non-institutional referral such that it would not be possible for the member to consider each case objectively.

Sec. 6. Minnesota Statutes 1982, section 256B.091, subdivision 4, is amended to read:

Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home or boarding care home admission, or admission to a nursing home after residence in a boarding care home that is not attached to the nursing home, screening teams shall assess the needs of all persons receiving medical assistance and of all persons who would be eligible for medical assistance within (90) 180 days of admission to a nursing home or boarding care home, except patients transferred from other nursing homes or patients who, having entered acute care facilities from nursing homes, are returning to nursing home care. Any other interested person may be assessed by a screening team upon payment of a fee based upon a sliding fee scale.

Sec. 7. Minnesota Statutes 1982, section 256B.091, subdivision 8, is amended to read:

Subd. 8. [ALTERNATIVE CARE GRANTS.] The commissioner shall provide grants to counties participating in the program to pay costs of providing alternative care to individuals screened under subdivision 4. Payment is available under this subdivision only for individuals (1) for whom the screening team would recommend nursing home admission if alternative care were not available; (2) who are receiving medical assistance or who would be eligible for medical assistance within (90) 180 days of admission to a nursing home; and (3) who need services that are not available at that time in the county through other public assistance.

Grants may be used for payment of costs of providing services such as, but not limited to, foster care for elderly persons, day care whether or not offered through a nursing home, nutritional counseling, or medical social services, which services are provided by a licensed health care provider, a home health service eligible for reimbursement under Titles XVIII and XIX of the federal Social Security Act, or by persons employed by or contracted with by the county board or the local welfare agency. The county agency shall ensure that a plan of care is established for each individual in accordance with subdivision 3, clause (e)(2). The plan shall include any services prescribed by the

individual's attending physician as necessary and follow up services as necessary. The county agency shall provide documentation to the commissioner verifying that the individual's alternative care is not available at that time through any other public assistance or service program and shall provide documentation in each individual's plan of care that the most cost effective alternatives available have been offered to the individual. Grants to counties under this subdivision are subject to audit by the commissioner for fiscal and utilization control.

*The commissioner shall establish a sliding fee schedule for requiring payment for the cost of providing services under this subdivision to persons who are eligible for the services but who are not yet eligible for medical assistance.*

The commissioner shall apply for a waiver for federal financial participation to expand the availability of services under this subdivision. The commissioner shall provide grants to counties from the non-federal share, unless the commissioner obtains a federal waiver for medical assistance payments, of medical assistance appropriations. The state expenditures for this section shall not exceed \$1,800,000 for the biennium ending June 30, 1983. A county agency may use grant money to supplement but not supplant services available through other public assistance or service programs and shall not use grant money to establish new programs for which public money is available through sources other than grants provided under this subdivision. A county agency shall not use grant money to provide care under this subdivision to an individual if the anticipated cost of providing this care would exceed the average payment, as determined by the commissioner, for the level of nursing home care that the recipient would receive if placed in a nursing home. The non-federal share may be used to pay up to 90 percent of the start-up and service delivery costs of providing care under this subdivision. Each county agency that receives a grant shall pay 10 percent of the costs.

The commissioner shall promulgate temporary rules in accordance with sections 14.29 to 14.36, to establish required documentation and reporting of care delivered.

Sec. 8. Minnesota Statutes 1982, section 256B.41, is amended to read:

256B.41 [INTENT.]

Subdivision 1. [AUTHORITY.] The (STATE AGENCY) commissioner shall (BY RULE) establish (A FORMULA), by rule, procedures for (ESTABLISHING PAYMENT) determining equitable rates for care of residents of nursing homes which qualify as vendors of medical assistance, and for implementing the provisions of sections 256B.41, 256B.47, 256B.48, and sec-

tions 9, 10, 13, and 14. The procedures shall be based on methods and standards that the commissioner finds are adequate to provide for the costs that must be incurred for the care of residents in efficiently and economically operated nursing homes and shall specify the costs that are allowable for establishing payment rates through medical assistance.

Subd. 2. [FEDERAL REQUIREMENTS.] (IT IS THE INTENT OF THE LEGISLATURE TO ESTABLISH CERTAIN LIMITATIONS ON THE STATE AGENCY IN SETTING STANDARDS FOR NURSING HOME RATE SETTING FOR THE CARE OF RECIPIENTS OF MEDICAL ASSISTANCE PURSUANT TO THIS CHAPTER. IT IS NOT THE INTENT OF THE LEGISLATURE TO REPEAL OR CHANGE ANY EXISTING OR FUTURE RULE PROMULGATED BY THE STATE AGENCY RELATING TO THE SETTING OF RATES FOR NURSING HOMES UNLESS THE RULE IS CLEARLY IN CONFLICT WITH SECTIONS 256B.41 TO 256B.48.) If any provision of sections 256B.41 (TO), 256B.47, and 256B.48 and sections 9, 10, 13, and 14, is determined by the United States government to be in conflict with existing or future requirements of the United States government with respect to federal participation in medical assistance, the federal requirements shall prevail.

Sec. 9. [256B.421] [DEFINITIONS.]

Subdivision 1. [SCOPE.] For the purposes of sections 256B.41, 256B.47, 256B.48, and sections 9, 10, 13, and 14, the following terms and phrases shall have the meaning given to them.

Subd. 2. [COMMISSIONER.] "Commissioner" means the commissioner of public welfare.

Subd. 3. [FINAL RATE.] "Final rate" means the rate established after any adjustment by the commissioner, including but not limited to adjustments resulting from cost report reviews and field audits.

Subd. 4. [NURSING HOME.] "Nursing home" means a facility licensed under chapter 144A or a boarding care facility licensed under sections 144.50 to 144.56.

Subd. 5. [OPERATING COSTS.] "Operating costs" means the day-to-day costs of operating the facility in compliance with licensure and certification standards. Operating cost categories are: nursing, dietary, laundry and linen, housekeeping, plant operation and maintenance, other care-related services, general and administration, and payroll taxes and fringe benefits.

Subd. 6. [PAYMENT RATE.] "Payment rate" means the rate determined under section 10.

Subd. 7. [PRIVATE PAYING RESIDENT.] "Private paying resident" means a nursing home resident who is not a medical assistance recipient and whose payment rate is not established by another third party, including the veterans administration or medicare.

Subd. 8. [RATE YEAR.] "Rate year" means the fiscal year for which a payment rate determined under section 10 is effective, from July 1 to the next June 30.

Subd. 9. [REPORTING YEAR.] "Reporting year" means the calendar year, immediately preceding the rate year, for which the nursing home submits reports required under section 256B.48, subdivision 2.

Subd. 10. [RESIDENT DAY.] "Actual resident day" means a billable, countable day for which a full and normal billing is rendered as defined by the commissioner.

Sec. 10. [256B.431] [RATE DETERMINATION.]

Subdivision 1. [IN GENERAL.] The commissioner shall determine prospective payment rates for resident care costs. In determining the rates, the commissioner shall group nursing homes according to different levels of care as defined by the commissioner and geographic location. On or before June 1, 1983, the commissioner shall mail notices to each nursing home of the rates to be effective from July 1 of that year to June 30 of the following year. In subsequent years, the commissioner shall provide notice to each nursing home on or before May 15 of the rates effective for the following rate year.

Subd. 2. [OPERATING COSTS.] (a) The commissioner shall establish, by rule, procedures for determining per diem reimbursement for operating costs based on actual resident days and for reserved bed days. The commissioner shall disallow any portion of the general and administrative cost category, exclusive of fringe benefits and payroll taxes, which exceeds ten percent of the expenditures in all other operating cost categories except fringe benefits and payroll taxes.

(b) For the rate year beginning July 1, 1983, and ending June 30, 1984, the prospective operating cost payment rate for each nursing home shall be determined by the commissioner based on the most recently audited and available cost reports of allowed operating costs received by June 1, 1983. The 60th percentile of payments for operating costs for each group of nursing homes established under subdivision 1 shall be calculated.

(1) Within each group, each nursing home whose allowed historical operating cost payment rates are at or above the 60th

percentile of payment rates shall receive the 60th percentile plus six percent plus 80 percent of the difference between their allowed historical operating cost payment rate and the 60th percentile.

(2) Within each group, each nursing home whose allowed historical operating cost payment rate is below the 60th percentile shall receive the six percent increase.

For the rate year beginning July 1, 1984, and ending June 30, 1985, the prospective operating cost payment rate for each nursing home shall be determined by the commissioner based on allowed operating costs incurred during the reporting year preceding the rate year. The 60th percentile of payments for operating costs for each group of nursing homes established under subdivision 1 shall be calculated.

(3) Within each group, each nursing home whose allowed historical operating cost payment rate is at or above the 60th percentile of payment rates shall receive the 60th percentile plus six percent plus 50 percent of the difference between their allowed historical operating cost payment rate and the 60th percentile.

(4) Within each group, each nursing home whose allowed historical operating cost payment rate is below the 60th percentile shall receive the six percent increase.

(c) For subsequent years, the commissioner shall:

(1) Contract with an econometric firm with recognized expertise in and access to national economic change indices which can be applied to the appropriate cost categories when determining the operating cost payment rate.

(2) Establish the 60th percentile of payments for operating costs for each group of nursing homes established under subdivision 1 based on cost reports of allowed operating costs in the previous reporting year. The commissioner shall provide for the analysis and evaluation of each nursing home's report of allowed operating costs incurred by the nursing home during the reporting year immediately preceding the rate year for which the payment rate becomes effective. The allowed historical operating costs, after the commissioner's analysis and evaluation, shall be added together and divided by the actual number of resident days in order to compute the historical operating cost per diem amount.

(3) Establish a composite index for each group by determining the weighted average of all economic change indicators applied to the operating cost categories in that group.

(4) Within each group, each nursing home with allowed historical operating costs in the previous reporting year at or above the 60th percentile calculated in paragraph (c)(2) shall receive the 60th percentile increased by the composite index calculated in paragraph (c)(3). Each nursing home with allowed historical operating costs in the previous reporting year below the 60th percentile calculated in paragraph (c)(2) shall receive the percentage change resulting from the application of the composite index to its allowed historical operating cost per diem.

The commissioner shall include the reported actual real estate tax liability of each proprietary nursing home as an operating cost of that nursing home. The commissioner shall include a reported actual special assessment for each nursing home as an operating cost of that nursing home. Total real estate tax liability plus any special assessments for each nursing home shall be divided by actual resident days in order to compute the operating cost payment rate for this operating cost category.

(d) The commissioner shall allow the nursing home to keep, as an efficiency incentive, the difference between the nursing home's operating cost payment rate established for that rate year and the actual historical operating costs incurred for that rate year, if the latter amount is smaller. If a nursing home's actual historic operating costs are greater than the prospective payment rate for that rate year, there shall be no retroactive cost settle-up. If an annual cost report or field audit indicates that the expenditures for direct resident care have been reduced in amounts large enough to indicate a possible detrimental effect on the quality of care, the commissioner shall notify the commissioner of health and the interagency board for quality assurance.

(e) The commissioner may negotiate with a nursing home that is eligible to receive medical assistance payments, a payment rate of up to 125 percent of the allowed payment rate to be paid for a period of up to three months for individuals who have been hospitalized for more than 100 days and who have extensive care needs.

Subd. 3. [PROPERTY-RELATED COSTS.] For the rate year beginning July 1, 1983, and ending June 30, 1984, property-related costs shall be reimbursed to each nursing home at the level recognized in the payment rate in effect on March 1, 1983. Property-related costs include: depreciation, interest, earnings or investment allowance, lease, or rental payments. No adjustments shall be made as a result of sales or reorganizations of provider entities. Annual per diem shall be computed by dividing total property-related costs by 96 percent of the nursing home's certified capacity days.

In subsequent years, the commissioner shall reimburse nursing home providers who are vendors in the medical assistance pro-

gram for the rental use of their property. The "rent" is the amount of periodic payment which a renter might expect to pay for the right to the agreed use of the real estate and the equipment as it exists. "Real estate" means land improvements, buildings, and attached fixtures used directly for patient care. "Equipment" means the standard movable patient care equipment and support service equipment generally used in long-term care facilities. The rent payment shall be deemed to include compensation for depreciation expense, interest expense, and the owner's investment.

(a) For the state fiscal year beginning July 1, 1984, the commissioner shall provide for the appraisal of all nursing homes by uniform standards, using the depreciated replacement cost method. The appraisal shall include the real estate and the equipment.

(b) The commissioner shall establish an investment per bed limitation on the value to be recognized of buildings, land improvements, and major movable equipment and shall annually update the limitation to reflect changes in replacement costs.

(c) The per diem rent shall be determined annually by taking the base market value computed in clause (b) and multiplying it by eight percent and dividing by 96 percent of the nursing home's certified capacity days. Each year the commissioner shall apply an appropriate index to the base per diem rent computed under this clause, not to exceed three percent per year.

Subd. 4. [SPECIAL RATES.] A newly-constructed nursing home or one with a capacity increase of 50 percent or more may, upon written application to the commissioner, receive the 60th percentile established for the appropriate group under subdivision 2, paragraph (b), increased by six percent as their operating cost payment rate to be effective from the first day a medical assistance recipient resides in the home or for the added beds. The commissioner shall establish by rule procedures for determining the allowable level of property-related costs for newly-constructed beds and payments rates for nursing homes which provide care under a lesser care level than the level for which the nursing home is certified.

Sec. 11. Minnesota Statutes 1982, section 256B.47, is amended to read:

256B.47 [(RATE LIMITS) NONALLOWABLE COSTS; NOTICE OF INCREASES TO PRIVATE PAYING RESIDENTS.]

Subdivision 1. [NONALLOWABLE COSTS.] (THE STATE AGENCY SHALL BY RULE ESTABLISH SEPARATE OVERALL LIMITATIONS ON THE COSTS FOR

ITEMS WHICH DIRECTLY RELATE TO THE PROVISION OF PATIENT CARE TO RESIDENTS OF NURSING HOMES AND THOSE WHICH DO NOT DIRECTLY RELATE TO THE PROVISION OF CARE. THE STATE AGENCY MAY ALSO BY RULE, ESTABLISH LIMITATIONS FOR SPECIFIC COST CATEGORIES WHICH DO NOT DIRECTLY RELATE TO THE PROVISION OF PATIENT CARE. THE STATE AGENCY SHALL REIMBURSE NURSING HOMES FOR THE COSTS OF NURSING CARE IN EXCESS OF ANY STATE AGENCY LIMITS ON HOURS OF NURSING CARE IF THE COMMISSIONER OF HEALTH ISSUES A CORRECTION ORDER PURSUANT TO SECTION 144A.10, SUBDIVISION 4, DIRECTING THE NURSING HOME TO PROVIDE THE ADDITIONAL NURSING CARE. ALL COSTS DETERMINED OTHERWISE ALLOWABLE SHALL BE SUBJECT TO THESE LIMITATIONS.)

(SUBD. 2) The following costs shall not be recognized as allowable (TO THE EXTENT THAT THESE COSTS CANNOT BE DEMONSTRATED BY THE NURSING HOME TO THE STATE AGENCY TO BE DIRECTLY RELATED TO THE PROVISION OF PATIENT CARE): (1) political contributions; (2) salaries or expenses of a lobbyist, as defined in section 10A.01, subdivision 11, for lobbying activities; (3) advertising designed to encourage potential residents to select a particular nursing home; (4) assessments levied by the (HEALTH DEPARTMENT) *commissioner of health* for uncorrected violations; and (5) legal fees for unsuccessful challenges to decisions by state agencies (; AND (6) DUES PAID TO A NURSING HOME OR HOSPITAL ASSOCIATION. THE STATE AGENCY SHALL PROMULGATE RULES ESTABLISHING STANDARDS WHICH SHALL DISTINGUISH BETWEEN ANY PATIENT-CARE RELATED COMPONENTS AND NONPATIENT-CARE RELATED COMPONENTS OF THESE COSTS, WHERE APPLICABLE. FOR PURPOSES OF THESE RULES, THE STATE AGENCY SHALL EXERCISE EMERGENCY POWERS AND ESTABLISH EMERGENCY RULES PURSUANT TO SECTION 15.0412, SUBDIVISION 5, BEFORE SEPTEMBER 1, 1977). The (STATE AGENCY) *commissioner* shall by rule exclude the costs of any other items (WHICH IT DETERMINES ARE) not directly related to the provision of (PATIENT) *resident* care.

(SUBD. 3. ON OR BEFORE JANUARY 1, 1977 THE STATE AGENCY SHALL BY RULE ESTABLISH A PROCEDURE AFFORDING NOTICE OF THE APPROVED RATE FOR MEDICAL ASSISTANCE RECIPIENTS TO NURSING HOMES WITHIN 120 DAYS AFTER THE CLOSE OF THE FISCAL YEAR OF THE NURSING HOME.)

Subd. (4.) 2. [NOTICE TO RESIDENTS.] No increase in nursing home rates for private paying residents shall be effective unless the nursing home notifies the resident or person

responsible for payment of the increase in writing 30 days before the increase takes effect.

A nursing home may adjust its rates without giving the notice required by this subdivision when the purpose of the rate adjustment is to (: (A)) reflect a necessary change in the level of care provided to a resident (; OR (B) RETROACTIVELY OR PROSPECTIVELY EQUALIZE PRIVATE PAY RATES WITH RATES CHARGED TO MEDICAL ASSISTANCE RECIPIENTS AS REQUIRED BY SECTION 256B.48, SUBDIVISION 1, CLAUSE (A) AND APPLICABLE FEDERAL LAW.)

(SUBD. 5. THE COMMISSIONER SHALL PROMULGATE RULES NO LATER THAN AUGUST 1, 1980, TO AMEND THE CURRENT RULES GOVERNING NURSING HOME REIMBURSEMENT, IN ACCORDANCE WITH SECTIONS 14.01 TO 14.70, TO ALLOW PROVIDERS TO ALLOCATE THEIR RESOURCES IN ORDER TO PROVIDE AS MANY NURSING HOURS AS NECESSARY WITHIN THE TOTAL COST LIMITATIONS OF THE PER DIEM ALREADY GRANTED). *If the state fails to set rates as required by section 10, the time required for giving notice is increased by the number of days by which the state was late in setting the rates.*

Sec. 12. Minnesota Statutes 1982, section 256B.48, is amended to read:

256B.48 [CONDITIONS FOR PARTICIPATION.]

Subdivision 1. [PROHIBITED PRACTICES.] (NO) A nursing home (SHALL BE) *is not* eligible to receive medical assistance payments unless it agrees in writing that it will refrain from:

(a) (CHARGING NONMEDICAL ASSISTANCE RESIDENTS RATES FOR SIMILAR SERVICES WHICH EXCEED BY MORE THAN TEN PERCENT THOSE RATES WHICH ARE APPROVED BY THE STATE AGENCY FOR MEDICAL ASSISTANCE RECIPIENTS. FOR NURSING HOMES CHARGING NONMEDICAL ASSISTANCE RESIDENTS RATES LESS THAN TEN PERCENT MORE THAN THOSE RATES WHICH ARE APPROVED BY THE STATE AGENCY FOR MEDICAL ASSISTANCE RECIPIENTS, THE MAXIMUM DIFFERENTIAL IN RATES BETWEEN NONMEDICAL ASSISTANCE RESIDENTS AND MEDICAL ASSISTANCE RECIPIENTS SHALL NOT EXCEED THAT DIFFERENTIAL WHICH WAS IN EFFECT ON APRIL 13, 1976. IF A NURSING HOME HAS EXCEEDED THIS DIFFERENTIAL SINCE APRIL 13, 1976, IT SHALL RETURN THE AMOUNT COLLECTED IN EXCESS OF THE ALLOWABLE DIFFER-

ENTIAL STATED BY THIS SUBDIVISION TO THE NON-MEDICAL ASSISTANCE RESIDENT, OR THAT PERSON'S REPRESENTATIVE, BY JULY 1, 1977. EFFECTIVE JULY 1, 1978, NO NURSING HOME SHALL BE ELIGIBLE FOR MEDICAL ASSISTANCE IF IT CHARGES NONMEDICAL ASSISTANCE RECIPIENTS) *Charging private paying residents rates for similar services which exceed those which are approved by the state agency for medical assistance recipients (; PROVIDED, HOWEVER, THAT) except under the following circumstances: the nursing home may (1) charge (NONMEDICAL ASSISTANCE) private paying residents a higher rate for a private room, and (2) charge for special services which are not included in the daily rate if medical assistance (PATIENTS) residents are charged separately at the same rate for the same services in addition to the daily rate paid by the (STATE AGENCY) commissioner. A nursing home that charges a private paying resident a rate in violation of this clause is subject to an action by the state of Minnesota or any of its subdivisions or agencies for civil damages. A private paying resident or the resident's legal representative has a cause of action for civil damages against a nursing home that charges the resident rates in violation of this clause. The damages awarded shall include three times the payments that result from the violation, together with costs and disbursements, including reasonable attorneys' fees or their equivalent. A private paying resident or the resident's legal representative, the state, subdivision or agency, or a nursing home may request a hearing to determine the allowed rate or rates at issue in the cause of action. Within 15 calendar days after receiving a request for such a hearing, the commissioner shall request assignment of a hearing examiner under sections 14.48 to 14.56 to conduct the hearing as soon as possible or according to agreement by the parties. The hearing examiner shall issue a report within 15 calendar days following the close of the hearing. The prohibition set forth in this clause shall not apply to facilities licensed as boarding care facilities which are not certified as nursing homes for reimbursement through medical assistance;*

(b) Requiring an applicant for admission to the home, or the guardian or conservator of the applicant, as a condition of admission, to pay (AN ADMISSION FEE) *any fee or deposit in excess of \$100, loan any money to the nursing home, or promise to leave all or part of the applicant's estate to the home; and*

(c) Requiring any resident of the nursing home to utilize a vendor of health care services who is a licensed physician or pharmacist chosen by the nursing home.

(d) *Requiring any vendor of medical care as defined by 256B.02, subdivision 7, who is reimbursed by medical assistance under a separate fee schedule, to pay any portion of his fee to the home.*

The prohibitions set forth in clause (b) shall not apply to a retirement home with more than 325 beds including at least 150 licensed nursing home beds and which:

(1) is owned and operated by an organization tax-exempt under section 290.05, subdivision 1, clause (i); and

(2) at the time of admission places all of the applicant's assets which are required to be assigned to the home in a trust account from which only expenses for the cost of care of the applicant may be deducted; and

(3) agrees in writing at the time of admission to the home to permit the applicant, or his guardian, or conservator, to examine the records relating to the individual's trust account upon request; and to receive an audited statement of the expenditures from his individual account upon request; and

(4) agrees in writing at the time of admission to the home to permit the applicant to withdraw from the home at any time and to receive, upon withdrawal, all of the unexpended funds remaining in his individual trust account (; AND)

((5) WAS IN COMPLIANCE WITH PROVISIONS (1) TO (4) AS OF JUNE 30, 1976).

Subd. 2. [REPORTING REQUIREMENTS.] (EFFECTIVE JULY 1, 1976, NO NURSING HOME SHALL BE ELIGIBLE TO RECEIVE MEDICAL ASSISTANCE PAYMENTS UNLESS IT AGREES IN WRITING TO:)

((A) PROVIDE THE STATE AGENCY WITH ITS MOST RECENT (1) BALANCE SHEET AND STATEMENT OF REVENUES AND EXPENSES AS AUDITED BY A CERTIFIED PUBLIC ACCOUNTANT LICENSED BY THIS STATE OR BY A PUBLIC ACCOUNTANT AS DEFINED IN SECTION 412.222; (2) STATEMENT OF OWNERSHIP FOR THE NURSING HOME; AND (3) A SEPARATE AUDITED BALANCE SHEET AND STATEMENT OF REVENUES AND EXPENSES FOR EACH NURSING HOME IF MORE THAN ONE NURSING HOME OR OTHER BUSINESS OPERATION IS OWNED BY THE SAME OWNER; A GOVERNMENTALLY OWNED NURSING HOME MAY COMPLY WITH THE AUDITING REQUIREMENTS OF THIS CLAUSE BY SUBMITTING AN AUDIT REPORT PREPARED BY THE STATE AUDITOR'S OFFICE;)

((B) PROVIDE THE STATE AGENCY WITH COPIES OF LEASES, PURCHASE AGREEMENTS AND OTHER RELATED DOCUMENTS RELATED TO THE LEASE OR PURCHASE OF THE NURSING HOME; AND)

The audited financial statements must include a balance sheet, income statement, statement of retained earnings, statements of changes in financial position (cash and working capital methods), notes to the financial statements, applicable supplemental information, and the certified public accountant's or licensed public accountant's opinion. The examination by the certified public accountant or licensed public accountant shall be conducted in accordance with generally accepted auditing standards as promulgated and adopted by the American Institute of Certified Public Accountants;*

(b) *Provide the state agency with a statement of ownership for the facility;*

(c) *Provide the state agency with separate, audited financial statements as specified in clause (a) for every other facility owned in whole or part by an individual or entity which has an ownership interest in the facility;*

(d) *Provide the state agency with separate, audited financial statements as specified in clause (a) for every organization with which the facility conducts business and which is owned in whole or in part by an individual or entity which has an ownership interest in the facility;*

(g) *Permit access by the state agency to the certified public accountant's and licensed public accountant's audit workpapers which support the audited financial statements required in clauses (a), (c), and (d).*

*Documents or information provided to the state agency pursuant to this subdivision shall be public. If the requirements of clauses (a) to (g) are not met, the reimbursement rate shall be reduced to 80 percent of the rate in effect on the first day of the fourth calendar month after the close of the facility's fiscal year, and the reduction shall continue until the requirements are met. This subdivision is not subject to the rulemaking requirements of section 14.*

**Subd. 3. [INCOMPLETE OR INACCURATE REPORTS.]** The (STATE AGENCY) commissioner may reject any annual cost report filed by a nursing home pursuant to this chapter if (IT) the commissioner determines that the report or the information required in subdivision 2, clause (a) has been filed in a form that is incomplete or inaccurate. In the event that a report is rejected pursuant to this subdivision, the (STATE AGENCY MAY) commissioner shall make payments to a nursing home at (THE) its most recently established rate (DETERMINED FOR ITS PRIOR FISCAL YEAR, OR AT AN INTERIM RATE ESTABLISHED BY THE STATE AGENCY,) until the information is completely and accurately filed.

**Subd. 4. [EXTENSIONS; AMENDMENTS.]** *The commissioner may grant a 30-day extension of the reporting deadline to a nursing home in unusual circumstances. To receive such an extension, a nursing home shall submit a written request by March 1. The commissioner will notify the nursing home of the decision by March 15.*

**Subd. 5. [FALSE REPORTS.]** *If a nursing home knowingly supplies inaccurate or false information in a required report that results in an overpayment, the commissioner shall: (a) immediately adjust the nursing home's payment rate to recover the entire overpayment within the rate year; or (b) terminate the commissioner's agreement with the nursing home; or (c) prosecute under applicable state or federal law; or (d) use any combination of the foregoing actions.*

**Sec. 13. [256B.50] [APPEALS.]**

*A nursing home may appeal a decision arising from the application of standards or methods pursuant to sections 256B.41, 256B.47, 256B.48, and sections 9, 10, 13, and 14, if the appeal, if successful, would result in a change to the nursing home's payment rate. An appealable decision is an operating cost determination decision. To appeal, the nursing home shall notify the commissioner of its intent to appeal within 30 days and submit a written appeal request within 60 days of receiving notice of the payment rate determination or decision. The request shall specify each disputed item, the reason for the dispute, an estimate of the dollar amount involved, and other information required by the commissioner. The appeal shall be heard by a hearing examiner according to sections 14.48 to 14.56, or upon agreement by both*

parties according to a modified appeals procedure established by the commissioner and the hearing examiner. Regardless of any rate appeal, the rate established shall be the rate paid and shall remain in effect until final resolution of the appeal, subsequent desk or field audit adjustment, notwithstanding any provision of law or rule to the contrary. To challenge the validity of rules established by the commissioner pursuant to sections 256B.41, 256B.47, 256B.48, and sections 9, 10, 13, and 14, a nursing home shall comply with section 14.44.

Sec. 14. [256B.502] [TEMPORARY RULES.]

To implement sections 1 to 15, the commissioner shall promulgate temporary and permanent rules in accordance with sections 14.01 to 14.38. Notwithstanding the provisions of section 14.35, the temporary rule promulgated to implement sections 1 to 15 shall be effective for up to 360 days, and may be continued in effect for two additional periods of 180 days each if the commissioner gives notice of continuation of each additional period by publishing notice in the state register and mailing the same notice to all persons registered with the commissioner to receive notice of rulemaking proceedings in connection with sections 1 to 15. Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1982, section 14.07, is amended to read:

14.07 [FORM OF RULE.]

Subdivision 1. [RULE DRAFTING ASSISTANCE PROVIDED.] The revisor of statutes shall:

(1) maintain an agency rules drafting department to draft or aid in the drafting of rules or amendments to rules for any agency in accordance with *subdivision 3* and the objective or other instructions which the agency shall give the revisor; and,

(2) prepare and publish an agency rules drafting guide which shall set out the form and method for drafting rules and amendments to rules, and to which all rules shall comply.

Subd. 2. [APPROVAL OF FORM.] No (PROCEDURE) *agency decision* to adopt a rule (,) or temporary rule (, OR EMERGENCY RULE,) shall be (INITIATED BY ANY AGENCY UNTIL) *effective unless* the agency (PRESENTS IT) *has presented the rule* to the revisor of statutes and the revisor (CERTIFIES) *has certified* that its form is approved. (THE REVISOR MAY ASSIST IN DRAFTING RULES AS PROVIDED BY SUBDIVISION 3.)

Subd. 3. [STANDARDS FOR FORM.] In determining the drafting form of rules the revisor shall:

(1) minimize duplication of statutory language;

(2) not permit incorporations into the rules by reference of publications or other documents which are not conveniently available to the public;

(3) to the extent practicable, use plain language in rules and avoid technical language; and

(4) amend rules by showing the (TEXT) *portion* of the (RULE, PARAGRAPH, CLAUSE, OR OTHER PART OF A) rule being amended as necessary to provide adequate notice of the nature of the proposed amendment, as it is shown in the

latest compilation or supplement, or, if not yet published in a compilation or supplement, then as the text is shown in the (STATE REGISTER) files of the secretary of state, with changes shown by striking and underlining words.

Subd. 4. [INCORPORATIONS BY REFERENCE.] (a) An agency may incorporate by reference into its rules the text from Minnesota Statutes, *Minnesota Rules*, United States Statutes at Large, United States Code, Laws of Minnesota, Code of Federal Regulations, the Federal Register, and other publications and documents which are determined by the revisor of statutes, after consultation with the chief hearing examiner, to be conveniently available to the public. *The agency must provide information necessary for the revisor's determination of availability.* When presented with a rule for certification pursuant to subdivision 2 and this subdivision, the revisor of statutes should indicate in the certification that the rule incorporates by reference text from other publications or documents. If the revisor certifies that the form of a rule is approved, that approval constitutes the revisor's finding that the (TEXT OF A) publication or other document other than (THOSE) one listed by name in this subdivision, and which (ARE) is incorporated by reference into the rules, (ARE) is conveniently available to the public.

(b) *For the purposes of paragraph (a), "conveniently available to the public" means available for loan or inspection and copying to a person living anywhere in Minnesota through a statewide interlibrary loan system or in a public library without charge except for reasonable copying fees and mailing costs.*

Subd. 5. [DUPLICATION OF STATUTORY LANGUAGE.] No agency shall adopt a rule which duplicates language contained in Minnesota Statutes unless either the hearing examiner, for rules adopted pursuant to sections 14.13 to 14.20, or the attorney general, for rules adopted pursuant to sections 14.21 to 14.36, determines that duplication of the language is crucial to the ability of a person affected by a rule to comprehend its meaning and effect. When presented with a rule for certification pursuant to subdivisions 2 and 4, the revisor of statutes should indicate in the certification that the rule duplicates statutory language.

Subd. 6. [STYLE AND FORM REVISIONS.] The revisor of statutes (SHALL) may periodically prepare style and form revisions of rules to clarify, modernize, or simplify the text without material change to the rules' substance or effect. Before beginning any revision, the revisor shall consult the agency whose rules will be subject to the revision. After the revision is prepared, the revisor shall present it to the agency and receive its consent to proceed to seek adoption of the revision. Upon receiving consent, the revisor shall seek adoption of the rules in accordance with sections 14.05 to 14.36. However, the need

and reasonableness statement and any hearing shall be restricted to the issue of whether any material change in the substance and effect of the rule is proposed by the revisor. The revisor shall mail notice of any hearing to the persons registered with the agency whose rules are the subject of the revision. The revisor shall pay all costs to publish notices in the state register and to replenish the agency's stock of rules which exist at the time the revisor adopts the revised rules.

*Subd. 7. [TECHNICAL CHANGES.] The revisor may approve the form of a rule amendment which does not meet the requirements of subdivision 3, clause (4), if, in the revisor's judgment, the amendment does not change the substance of the rule and the amendment is:*

- (a) a relettering or renumbering instruction;*
- (b) the substitution of one name for another when an organization or position is renamed;*
- (c) the substitution of a reference to Minnesota Statutes for a corresponding reference to Laws of Minnesota;*
- (d) the correction of a citation to rules or laws which has become inaccurate since the rule was adopted because of repealing or renumbering of the rule or law cited; or*
- (e) the correction of a similar formal defect.*

*This subdivision does not limit the revisor's authority to make the changes described in clauses (a) to (e) during the publication process under section 14.47.*

Sec. 2. Minnesota Statutes 1982, section 14.08, is amended to read:

**14.08 [REVISOR OF STATUTE'S APPROVAL OF RULE FORM.]**

*(a) For the purpose of obtaining the revisor's certificate of approval of the form of a rule prior to filing the rule with the secretary of state, (A COPY) two copies of the rule shall be submitted by the agency to the attorney general. The attorney general shall send one copy of the rule to the revisor on the same day as it is submitted by the agency to the attorney general as required by sections 14.16, 14.26, and 14.32. Within five days after receipt of the rule, excluding weekends and holidays, the revisor shall either (DELIVER THE CERTIFICATE AND) return the rule with a certificate of approval to the attorney general or notify the attorney general and the agency that the form of the rule will not be approved. (THE REVISOR'S*

**CERTIFICATE SHALL BE ATTACHED TO THE RULES FILED WITH THE SECRETARY OF STATE.)**

(b) If the attorney general disapproves the rule, (THE REVISOR'S CERTIFICATE SHALL BE RETURNED TO THE REVISOR BY THE ATTORNEY GENERAL. IF, AFTER THE ATTORNEY GENERAL DISAPPROVES THE RULE,) the agency (MODIFIES) *may modify* it (.). After the chief hearing examiner's review, *if any*, the agency shall submit *two copies* of the modified rule to the *attorney general who shall send a copy to the revisor for approval as to form as described in paragraph (a).*

(c) If the revisor refuses to approve the form of any rules, the revisor's notice to the agency and the attorney general shall indicate the reason for the refusal and specify the modifications necessary so the form of the rules will be approved.

If an agency has not given this notice, it shall report to the *legislative commission to review administrative rules, other appropriate committees of the legislature, and the governor its failure to do so, and the reasons for that failure.*

Subdivision 1. [REQUIRED HEARING.] *Except as otherwise provided in chapter 14, no rule, other than a rule setting a fee covered by section 16A.128 or 214.06, shall be adopted by any agency unless the agency first holds a public hearing affording all affected interests an opportunity to participate. Fee adjustments authorized under section 16A.128 or 214.06 may be made by rule without a public hearing when the total fees received during the fiscal biennium will not exceed 110 percent of the sum of all direct appropriations, transfers in, and salary supplements for that purpose for the biennium.*

*Subd. 1a.* [NOTICE OF RULE HEARING.] Each agency shall maintain a list of all persons who have registered with the agency for the purpose of receiving notice of rule hearings. The agency may inquire as to whether those persons on the list wish to maintain their names thereon and may remove names for which there is a negative reply or no reply within 60 days. The agency shall, at least 30 days prior to the date set for the hear-

ing, give notice of its intention to adopt rules by United States mail to all persons on its list, and by publication in the state register. *The mailed notice shall include either a copy of the proposed rule or a description of the nature and effect of the proposed rule and an announcement that a free copy of the proposed rule is available on request from the agency.* Each agency may, at its own discretion, also contact persons not on its list and may give notice of its intention in newsletters, newspapers or other publications or through other means of communication. The notice in the state register shall include the proposed rule or an amended rule in the form (PROVIDED IN) *required by the revisor under section 14.07, (SUBDIVISION 3,) together with a citation to the most specific statutory authority for the proposed rule, a statement of the place, date, and time of the public hearing, and other information as required by law or rule.* When an entire rule is proposed to be repealed, the agency need only publish that fact, giving the citation to the rule to be repealed in the notice.

The agency may not submit additional information during this three-day period. The written acceptance of other amendments shall be added to the hearing record.*

Sec. 6. Minnesota Statutes 1982, section 14.15, subdivision 3, is amended to read:

Subd. 3. If the chief hearing examiner approves the finding of the hearing examiner, the chief hearing examiner shall advise the agency *and the revisor of statutes of actions which will correct the defects (, AND).* The agency shall not adopt the rule until the chief hearing examiner determines that the defects have been corrected.

Sec. 7. Minnesota Statutes 1982, section 14.15, subdivision 4, is amended to read:

Subd. 4. [NEED OR REASONABLENESS NOT ESTABLISHED.] If the chief hearing examiner determines that the need for or reasonableness of the rule has not been established pursuant to section 14.14, subdivision 2, and if the agency does not elect to follow the suggested actions of the *chief hearing examiner* to correct that defect, then the agency shall submit the proposed rule to the legislative commission to review administrative rules for the commission's advice and comment. The agency shall not adopt the rule until it has received and considered the advice of the commission. However, the agency is not required to delay adoption longer than 30 days after the commission has received the agency's submission. Advice of the commission shall not be binding on the agency.

Except as further provided (IN THIS SUBDIVISION), the terms and method of sale shall be determined by the commissioner. (THE COMMISSIONER SHALL SELL THE PROPERTY TO THE HIGHEST BIDDER AS DETERMINED BY

TAKING SEALED BIDS OR BY PUBLIC AUCTION, PROVIDED THAT IN EITHER EVENT HE SHALL SELECT THE SUCCESSFUL BIDDER WITHIN 15 DAYS OF THE DATE OF THE LAST PUBLISHED NOTICE OF SALE. BIDDERS SHALL SUBMIT BID SECURITY IN THE FORM OF A CERTIFIED CHECK OR BID BOND IN THE AMOUNT OF TWO PERCENT OF THEIR BID PRICE AND THE SUCCESSFUL BIDDER SHALL REMIT THE BALANCE OF THE PURCHASE PRICE TO THE COMMISSIONER WITHIN 90 DAYS OF THE DATE OF SALE. If the commissioner is unable to effect a sale to an eligible person or for cash, or if the commissioner finds that sale to an eligible person or for cash would not best protect the interests of the state, the commissioner may sell the property on terms which the commissioner finds will best protect the interests of the state. The commissioner may lease any real property which he is unable to sell with reasonable promptness. In any event, any acquired farm property must be sold within*

two years after the conveyance of title to the state or after the expiration of the period of redemption. The commissioner may contract for the services of a licensed real estate agent or broker to assist in selling any property acquired under this section and may pay for the services from the proceeds of the sale before proceeds are distributed under section 10.

Sec. 8. Minnesota Statutes 1982, section 41.56, is amended by adding a subdivision to read:

*Subd. 4b. [PROCEEDS OF SALE.] Proceeds from the sale of a parcel of property obtained by the state pursuant to this section shall be paid into the general fund to the extent that funds were disbursed as payment adjustments by the commissioner and into the special account authorized in section 41.61, subdivision 1, to the extent that funds from the special account were disbursed according to the terms of the family farm security loan guarantee and for any insurance premiums or taxes paid on the property. Proceeds in excess of these amounts shall be paid to the lender to the extent that payment to the lender pursuant to the loan guarantee was less than the money due and payable to the lender under the family farm security loan. Proceeds in excess of these amounts shall be paid to cooperating agencies according to the terms of the family farm memorandum of understanding. Additional proceeds, if any, shall be paid into the special account authorized in section 41.61, subdivision 1.*

Sec. 9. Minnesota Statutes 1982, section 41.56, subdivision 5, is amended to read:

Subd. 5. [GUARANTEE VOID.] The loan guarantee (SHALL BE) is void only if the guaranteed loan was obtained or retained by fraud or material misrepresentation of which the original lender or subsequent holder had actual knowledge.

Sec. 10. Minnesota Statutes 1982, section 41.56, is amended by adding a subdivision to read:

Subd. 7. [INSURANCE.] *The commissioner may insure the state against loss to farm properties acquired under this section by fire, lightning, windstorm, tornado, flood, or hail, using any insurance company licensed to do business in Minnesota. The insurance may be in an amount the commissioner determines and the commissioner may pay the premiums from the special account created in section 41.61, subdivision 1.*

Sec. 11. Minnesota Statutes 1982, section 41.57, subdivision 2, is amended to read:

Subd. 2. [PAYMENT ADJUSTMENT.] To be eligible for payment adjustment a family farm security loan shall have a maximum term of 20 years and shall provide for payments at least annually so that the loan shall be amortized over its term with equal annual payments of principal and interest, *adjusted for variable interest rates*, except that a loan to be amortized over a term of ten years or less need not provide for equal annual payments of principal and interest. During the first ten years of a family farm security loan, the commissioner shall annually pay to the lender four percent of the outstanding balance due at the beginning of that year and the applicant shall pay the remainder of the payment due. After the tenth year, the applicant shall make payments according to the stated interest rate. The applicant may petition the commissioner for one ten year renewal of the payment adjustment. If a renewal is granted, in the 21st year the applicant shall reimburse the commissioner for the sums paid on the applicant's behalf under this subdivision. If no renewal is granted, the applicant shall reimburse the commissioner in the 11th year for the sums paid on the applicant's behalf under this subdivision. The obligation to repay the payment adjustment (SHALL BE) is a lien against the property. *If the applicant does not reimburse the state within the required time period, the commissioner may charge interest at the rate of two percent above the prevailing rate charged by the Federal Land Bank of St. Paul on the net amount owed for the period of delinquency. To recover the adjustment payment due in delinquency cases, the commissioner may proceed to foreclose by advertisement on the lien as if it were a real estate mortgage following the procedures in chapter 580.*

Sec. 12. Minnesota Statutes 1982, section 41.57, is amended by adding a subdivision to read:

*Subd. 2a. [FARM MANAGEMENT PROGRAM TUITION.] The commissioner may provide assistance in the payment of tuition and fees in any adult farm management education program which qualifies for aid under section 124.572. Assistance may be provided to any participant who is eligible to receive a payment adjustment under subdivision 2 and shall be limited to \$300 per calendar year for any participant. The participant shall reimburse the commissioner for the sums paid on the participant's behalf under this subdivision at the same time and in the same manner as the payment adjustment is reimbursed.*

Sec. 13. Minnesota Statutes 1982, section 41.58, subdivision 1, is amended to read:

Subdivision 1. [AUTHORIZATION.] The commissioner may provide a guarantee to the lenders on seller-sponsored loans when the buyer satisfies the eligibility criteria in section 41.55. The commissioner may also provide a payment adjustment on behalf of the (APPLICANT) *participant* in the case of seller-sponsored loans.

Sec. 14. Minnesota Statutes 1982, section 41.59, subdivision 1, is amended to read:

Subdivision 1. [IMMEDIATE REPAYMENT OF LOAN.] Any applicant who sells or conveys the property for which a family farm security loan was issued shall immediately retire the entire indebtedness still owed to the lender and the commissioner. The new owner may negotiate a family farm security loan in his own right, but under no circumstances may the original loan be assumed by the new owner. *If the new owner is granted a family farm security loan, the new owner may agree to assume the original applicant's responsibility to reimburse the commissioner for a payment adjustment received, as a portion of the total purchase price. That portion of the purchase price may not be included under the guarantee or considered when calculating the payment adjustment for the new owner.* This subdivision is not intended to prohibit the applicant from granting a security interest in the property for the purposes of securing an additional loan.

Any applicant who fails to *personally* maintain the land covered by a family farm security loan in active agricultural production for a period of time longer than one year (SHALL BE) is in default. (SUCH A) *The* default may be waived by the commissioner in the event of a physical disability or other extenuating circumstances.

Sec. 15. Minnesota Statutes 1982, section 41.59, subdivision 2, is amended to read:

Subd. 2. [TAX PENALTY ON CAPITAL GAIN.] Chapter 290 shall apply to determine the amount of the gain realized on the sale of property for which a family farm security loan has been issued. The tax imposed by chapter 290 shall be imposed on the following percentages of any gain realized on the sale of the property:

Time lapsed from issuance of loan

	At least	but less than	Percent
(a)		1 year	100
(b)	1 year	3 years	90
(c)	3 years	5 years	80
(d)	5 years	7 years	70
(e)	7 years	9 years	60
(f)	9 years	10 years	50

This tax shall no longer be applicable and the tax imposed by chapter 290 shall apply when the property for which a family farm security loan was issued has been held by the (APPLICANT) *participant* for more than ten years after the issuance of the loan. Chapter 290 shall apply when the (APPLICANT) *participant* has realized a loss on the sale of the property.

Sec. 16. Minnesota Statutes 1982, section 41.59, subdivision 3, is amended to read:

Subd. 3. [WAIVER OF TAX PENALTY.] The commissioner of revenue shall waive the additional tax imposed in subdivision 2 if the (APPLICANT) *participant* has died or suffered a total disability, and the tax imposed in chapter 290 shall apply.

For the purposes of this section, "total disability" means the total and permanent loss of sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial members can be used, complete and permanent paralysis, total and permanent loss of mental faculties, or any other injury which totally incapacitates the (APPLICANT) *participant* from working his farm.

Sec. 17. Minnesota Statutes 1982, section 41.61, subdivision 1, is amended to read:

Subdivision 1. [SPECIAL ACCOUNT; STANDING APPROPRIATION.] There is appropriated from the general fund

to a special account in the state treasury the sum of \$10,000,000 to be invested by the state board of investment in such securities as authorized by law.

(SUCH SUMS AS MAY BE) *The amount needed from time to time to pay lenders for defaulted loans and to pay insurance premiums and taxes on defaulted farms is appropriated from the special account to the commissioner. Money is also appropriated to the commissioner from the special account so that the commissioner may purchase the rights of first lienholders at mortgage foreclosure sales. The sum of all outstanding family farm security loans guaranteed by the commissioner at any time (SHALL) may not exceed ten times the amount of money in the special account created in this subdivision.*

Sec. 18. Minnesota Statutes 1982, section 48.19, is amended by adding a subdivision to read:

(3) The mortgage evidencing a conventional loan shall contain a provision whereby the lender, if it intends to foreclose, agrees to give the borrower written notice of any default under the terms or conditions of the promissory note or mortgage, by

sending the notice by certified mail to the address of the mortgaged property or such other address as the borrower may have designated in writing to the lender. The lender need not give the borrower the notice required by this paragraph if the default consists of the borrower selling the mortgaged property without the required consent of the lender. The mortgage shall further provide that the notice shall contain the following provisions:

- (a) the nature of the default by the borrower,
- (b) the action required to cure the default,
- (c) a date, not less than (30) 60 days from the date the notice is mailed by which the default must be cured,
- (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by the mortgage and sale of the mortgaged premises, and
- (e) that the borrower has the right to reinstate the mortgage after acceleration, and
- (f) that the borrower has the right to bring a court action to assert the nonexistence of a default or any other defense of the borrower to acceleration and sale.

Sec. 2. Minnesota Statutes 1982, section 550.18, is amended to read:

550.18 [NOTICE OF SALE.]

Before the sale of property on execution notice shall be given as follows:

(1) If the sale be of personal property, by giving ten days posted notice of the time and place thereof;

(2) If the sale (BE) *is not of farm real property*, on execution or on judgment, by six weeks posted and published notice of the time and place thereof, describing the property with sufficient certainty to enable a person of common understanding to identify it;

(3) *If the sale is of farm real property, on execution or on judgment, by 60 days posted and published notice of the time and place, describing the property with sufficient certainty to enable a person of common understanding to identify it.*

An officer who sells without such notice shall forfeit \$100 to the party aggrieved, in addition to his actual damages; and a person who before the sale or the satisfaction of the execution, and

without the consent of the parties, takes down or defaces the notice posted, shall forfeit \$50; but the validity of the sale shall not be affected by either act, either as to third persons or parties to the action.

Sec. 3. Minnesota Statutes 1982, section 559.21, subdivision 1, is amended to read:

Subdivision 1. [DEFAULT; TERMINATION.] When default is made in the conditions of any contract for the conveyance of real estate or any interest in it executed after August 1, 1976, and prior to May 1, 1980, whereby the vendor has a right to terminate it, he may do so by serving upon the purchaser, his personal representatives or assigns, either within or without the state, a notice specifying the conditions in which default has been made, and stating that the contract will terminate (1) 30 days after the service of the notice if the purchaser has paid less than 30 percent of the purchase price, exclusive of interest on it, and any mortgages or prior contracts for deed which are assumed by the purchaser, *or in cases of farm real estate property to terminate 60 days after service of notice*, (2) 45 days after service of the notice if the purchaser has paid 30 percent, or more, but less than 50 percent of the purchase price, exclusive of interest on it, and any mortgages or prior contracts for deed which are assumed by the purchaser, *or in cases of farm real estate property to terminate 60 days after service of notice*, (3) 60 days after service of the notice if the purchaser has paid 50 percent, or more, of the purchase price, exclusive of interest on it, and any mortgages or prior contracts for deed which are assumed by the purchaser, unless prior thereto the purchaser complies with the conditions and pays the costs of service, the mortgage registration tax, if actually paid by the vendor, together with an amount to apply on attorneys' fees actually expended or incurred, of \$75 when the amount in default is less than \$750, and of \$200 when the amount in default is \$750 or more; provided, however, that no amount is required to be paid for attorneys' fees as provided hereunder, unless some part of the conditions of default has existed at least 45 days prior to the date of service of the notice.

Sec. 4. Minnesota Statutes 1982, section 559.21, subdivision 1a, is amended to read:

Subd. 1a. [DEFAULT; TERMINATION.] When default is made in the conditions of any contract for the conveyance of real estate or any interest in it, executed on or prior to August 1, 1976, whereby the vendor has a right to terminate it, he may do so by serving upon the purchaser, his personal representatives or assigns, either within or without the state, a notice specifying the conditions in which default has been made, and stating that the contract will terminate 30 days after the service of the notice, *or in the case of farm real estate property that the contract will terminate 60 days after service of the notice*, unless

prior thereto the purchaser complies with the conditions and pays the costs of service, together with an amount to apply on attorneys' fees actually expended or incurred, of \$50 when the amount in default is less than \$500, and of \$100 when the amount in default is \$500 or more; provided, however, that no amount shall be required to be paid for attorneys' fees as provided hereunder, unless some part of the conditions of default shall have existed at least 45 days prior to the date of service of the notice. The notice must be given notwithstanding any provisions in the contract to the contrary, and shall be served within the state in the same manner as a summons in the district court, without the state; in the same manner, and without securing any sheriff's return of not found, making any preliminary affidavit, mailing a copy of the notice or doing any other preliminary act or thing whatsoever. Service of the notice without the state may be proved by the affidavit of the person making it, made before an authorized officer having a seal, and within the state by an affidavit or by the return of the sheriff of any county.

Sec. 5. Minnesota Statutes 1982, section 559.21, subdivision 2, is amended to read:

Subd. 2. When default is made in the conditions of any contract for the conveyance of real estate or any interest therein executed on or after May 1, 1980, whereby the vendor has a right to terminate the same, he may do so by serving upon the purchaser, his personal representatives or assigns, either within or without the state, a notice specifying the conditions in which default has been made, and stating that the contract will terminate (1) 30 days after the service of the notice if the purchaser has paid less than ten percent of the purchase price, exclusive of interest thereon, and any mortgages or prior contracts for deed which are assumed by the purchaser, *or in the case of farm real estate property that the contract will terminate 60 days after service of the notice*, (2) 60 days after service of the notice if the purchaser has paid ten percent, or more, but less than 25 percent of the purchase price, exclusive of interest thereon, and any mortgages or prior contracts for deed which are assumed by the purchaser, (3) 90 days after service of the notice if the purchaser has paid 25 percent, or more, of the purchase price, exclusive of interest thereon, and any mortgages or prior contracts for deed which are assumed by the purchaser, unless prior thereto the purchaser complies with the conditions and makes all payments due and owing to the vendor under the contract through the date payment is made and pays the costs of service, the mortgage registration tax, if actually paid by the vendor, together with an amount to apply on attorneys' fees actually expended or incurred, of \$125 when the amount in default is less than \$750, and of \$250 when the amount in default is \$750 or more; provided, however, that no amount is required to be paid for attorneys' fees as provided hereunder, unless some part of the conditions of default has existed at least 45 days prior to the date of service of the notice.

Sec. 6. Minnesota Statutes 1982, section 580.09, is amended to read:

**580.09 [FORECLOSURE FOR INSTALMENTS; SALES; DISPOSITION OF PROCEEDS; REDEMPTION.]**

Where a mortgage is given to secure the payment of money by instalments, each instalment, either for principal or interest, or both, as is due at any time, may be taken and deemed to be a separate and independent mortgage, and such mortgage for each such instalment may be foreclosed by advertisement or by action, in the same manner and with like effect as if a separate mortgage were given for each of such instalments, and such foreclosure may be made and sale had subject to the instalments yet to become due upon the mortgage; and a redemption from any such sale shall have the like effect as if the sale for such instalment had been made upon an independent subsequent mortgage; provided in such cases the attorney's fee on the foreclosure so made shall not exceed the amount permitted by law in case of a mortgage securing the amount of the debt then due on such foreclosure. The proceeds of the sale shall be applied first in payment of the costs of the foreclosure sale, and of the instalment due, with interest thereon, taxes and insurance premiums paid, if any, and then towards the payment of the residue of the sum secured by such mortgage, and not due and payable at the time of such sale; and, if such residue does not bear interest, such application shall be made with rebate of the legal interest for the time during which the residue shall not be due and payable; and the surplus, if any, shall be paid to the subsequent lienors, if any, in the order of their priority, and then to the owner of the equity of redemption, his legal representatives or assigns. In case of redemption from any sale herein authorized, at the option of the redemptioner, the whole amount remaining unpaid on the mortgage, with interest and other items, if any, which have become part of the amount secured by the lien of the mortgage, may be included in the amount paid on redemption and, in such event, the redemption so made shall have like effect as if the foreclosure sale had been made for the entire amount secured by the mortgage, including such additional items.

*In the case of a mortgage given to secure the payment of money by installments on farm real estate property, the mortgage is reinstated following any foreclosure proceeding and during the redemption period by payment by the redemptioner of the installments in default, the installments falling due during the redemption period, and the costs and fees, including insurance and delinquent taxes, specified in section 580.30, subdivision 1.*

Before any sale herein authorized, the holder of the mortgage shall file with the sheriff a verified itemized statement in writing showing the entire amount remaining unpaid on the mortgage, including taxes and insurance premiums paid and other items

which have become part of the amount secured, and the rate of interest to accrue on same, which statement shall be subject to public inspection and shall be read by the sheriff at the sale, immediately after reading the notice of sale. The certificate of sale shall set forth correctly, in addition to the amount of sale, the remaining amount still unpaid on and secured by the mortgage, subject to which the sale is made, and the rate of interest to accrue on same. If, during the time to redeem from the sale, any additional or other item, other than interest at the rate so stated in the certificate, shall attach to such amount subject to which the sale was made, or any change shall occur in such amount or the rate of interest thereon, the facts with respect thereto shall be set forth by affidavit, made and filed for record, and a copy furnished the sheriff, in accordance with the provisions of section 582.03, and the provisions of that section shall apply thereto.

Sec. 7. Minnesota Statutes 1982, section 580.23, subdivision 1, is amended to read:

Subdivision 1. When lands have been sold in conformity with preceding sections of this chapter the mortgagor, his personal representatives or assigns, within six months after such sale, except as otherwise provided in subdivision 2, may redeem such lands, as hereinafter provided, (1) by paying the sum of money for which the same were sold, with interest from the time of sale at the rate provided to be paid on the mortgage debt and, if no rate be provided in the mortgage note, at the rate of six percent per annum, together with any further sums which may be payable pursuant to section 582.03, or (2) *in the case of a mortgage on farm real estate property given to secure payment of money by installments, by paying the installments in default, the installments falling due during the redemption period, and the costs and fees, including insurance and delinquent taxes, specified in section 580.30, subdivision 1.* Where the redemption period is as provided in this subdivision the mortgagee, or his successors, assigns, or personal representative, or any other purchaser so purchasing at the sheriff's sale shall by purchasing the property at the sheriff's sale thereby waive his right to a deficiency judgment against the mortgagor.

Sec. 8. Minnesota Statutes 1982, section 580.30, is amended to read:

#### 580.30 [MORTGAGES, WHEN REINSTATED.]

*Subdivision 1. [BEFORE SALE.]* In any proceedings for the foreclosure of a real estate mortgage, whether by action or by advertisement, if at any time before the sale of the premises under such foreclosure the mortgagor, the owner, or any holder of any subsequent encumbrance or lien, or any one for them, shall pay or cause to be paid to the holder of the mortgage so being foreclosed, or to the attorney foreclosing the same, or to the sheriff of the county, the amount actually due thereon and consti-

tuting the default actually existing in the conditions of the mortgage at the time of the commencement of the foreclosure proceedings, including insurance, delinquent taxes, if any, upon the premises, interest to date of payment, cost of publication and services of process or notices, attorney's fees not exceeding \$150 or one-half of the attorney's fees authorized by section 582.01, whichever is greater, together with other lawful disbursements necessarily incurred in connection with the proceedings by the party foreclosing, then, and in that event, the mortgage shall be fully reinstated and further proceedings in such foreclosure shall be thereupon abandoned.

*Subd. 2. [FARM REAL PROPERTY AFTER FORECLOSURE.] A mortgage to farm real estate property given to secure payment of money by installments, is reinstated following foreclosure but during the redemption period by payment by the redemptioner of the installments in default, the installments falling due during the redemption period, and the costs and fees, including insurance and delinquent taxes, specified in section 580.30, subdivision 1.*

Sec. 9. Minnesota Statutes 1982, section 581.10, is amended to read:

**581.10 [REDEMPTION BY MORTGAGOR, CREDITOR.]**

The mortgagor, or those claiming under him, within the time specified in section 580.23 after the date of the order of confirmation, may redeem the premises sold, or any separate portion thereof, (1) by paying the amount bid therefor, with interest thereon from the time of sale at the rate provided to be paid on the mortgage debt, not to exceed eight percent per annum, and, if no rate to be provided in the mortgage, at the rate of six percent, together with any further sum which may be payable pursuant to section 582.03, or (2) *in the case of a mortgage on farm real estate property given to secure payment of money by installments, by paying the installments in default, the installments falling due during the redemption period, and the costs and fees, including insurance and delinquent taxes, specified in section 580.30, subdivision 1.* Creditors having a lien may redeem in the order and manner specified in section 580.24, but no creditor shall be entitled to redeem unless within such specified redemption period he files with the clerk notice of his intention to redeem.

**Sec. 10. [583.01] [LEGISLATIVE FINDINGS.]**

*The legislature finds that the number of unemployed persons in this state has reached the highest level since the Depression of the 1930's; that farm commodity prices are at the lowest levels in over 40 years; that the number of mortgage loans currently in default due to the unemployment of the principal wage earner*

*has reached critical levels; and that by reason of these conditions and the high rates of interest on mortgage loans, many of the citizens of this state will be unable for extended periods of time, to meet payments of taxes, interest, and principal of mortgages on their properties and are, therefore, threatened with loss of their real property through mortgage foreclosure, contract termination, and judicial sales. The legislature further finds that these conditions have resulted in an emergency of a nature that justifies and validates legislation for the extension of the time of redemption from mortgage foreclosure and execution sales and other relief of a similar character.*

**Sec. 11. [583.02] [DEFINITIONS.]**

*Subdivision 1. [TERMS.] As used in sections 10 to 21, the terms defined in this section have the meanings given them.*

*Subd. 2. [HOMESTEAD.] "Homestead" means residential or agricultural real estate, a portion or all of which is entitled to receive homestead credit under section 273.13, subdivision 15a.*

**Sec. 12. [583.03] [APPLICATION.]**

*Subdivision 1. [PROPERTY COVERED.] The provisions of sections 10 to 21 apply to judgments against, mortgages secured by, and contracts for deed conveying, homesteads within the meaning of section 11, including: (a) mortgages held by the United States or by any agency, department, bureau, or instrumentality of the United States, as security or pledge of the mortgagor, its successors or assigns; and (b) mortgages held as security or pledge to secure payment of a public debt or to secure payment of the deposit of public funds.*

*Subd. 2. [GENERAL EXCLUSION.] The provisions of sections 10 to 21 do not apply to mortgages or contracts for deed made after the effective date of sections 10 to 21, nor to mortgages or contracts for deed made before the effective date of sections 10 to 21, which are renewed or extended after the effective date of sections 10 to 21 for a period longer than one year, nor to mortgages, judgments, or contracts for deed, regardless of when made, if a second or subsequent mortgage is made against the property after the effective date of sections 10 to 21, and the second or subsequent mortgagee commences foreclosure proceedings. No court shall allow a resale, stay, postponement, or extension of time that would cause any right to be lost or adversely affected by any statute of limitation.*

**Sec. 13. [583.04] [MORTGAGOR MAY APPLY TO DISTRICT COURT FOR RELIEF.]**

*In any proceedings commenced prior to the effective date of sections 10 to 21 for the foreclosure of a mortgage on a home-*

*stead by advertisement, in which a sale of the property has not been had, or in any proceedings commenced after the effective date of sections 10 to 21, the mortgagor, or the owner in possession of the mortgaged premises, or anyone claiming under the mortgage, or anyone liable for the mortgage debt, at any time after the issuance of the notice of the foreclosure proceedings, may petition the district court of the county where the foreclosure proceedings are pending, serving a summons and verified complaint requesting that the sale in foreclosure by advertisement be postponed and that the foreclosure, if any, proceed by action. If it appears to the court that the granting of the relief requested would be equitable and just, the court may postpone the foreclosure proceedings by advertisement by ex parte order which may be served with or after service of the summons and complaint upon the party foreclosing or his attorney. At the time of hearing on the ex parte order, the court may then further postpone the sale, and the parties seeking to foreclose the mortgage shall proceed, if at all, to foreclose the mortgage by action. As a condition precedent to the postponement of the foreclosure sale by advertisement, the party serving the verified complaint shall file it and pay to the clerk for the person foreclosing the mortgage the actual costs incurred, not including attorney's fees, in the foreclosure proceeding before postponement. The filing of the verified complaint is deemed a waiver of publication of notice of postponement of the foreclosure sale. The sale, at a time which may be fixed by the court, is deemed to be a sale postponed in lieu of the time of sale specified in the published notice of mortgage foreclosure sale.*

Sec. 14. [583.05] [COURT MAY ORDER RESALE.]

*When a mortgage has been foreclosed by action, the court shall, upon receipt of the report of sale, cause notice of a hearing thereon to be served on the parties to the action who have appeared and fix the time and place of hearing on the report. Before granting an order confirming the sale, the court shall order a resale if it appears that the sale price is unreasonably and unfairly inadequate. If the sale is confirmed, the sheriff, or his deputy, shall execute and deliver, without delay, the proper certificate of sale which shall be recorded within 20 days after the confirmation. Upon hearing on the motion for an order confirming the sale in the foreclosure of mortgages by action, in case the evidence is insufficient to establish a fair and reasonable market or rental value of the property, the court may receive evidence, including evidence tending to establish the actual value of the property involved, for the purpose or purposes for which the property is or can be used. The court shall also receive evidence tending to show to what extent, if any, the property has decreased in market value by reason of the economic conditions existing at the time of or before the sale.*

Sec. 15. [583.06] [COMPROMISES.]

*If the parties to a foreclosure action agree in writing to a compromise settlement thereof, or of composition of the mortgage indebtedness, or both, the court shall have jurisdiction and may by its order confirm and approve the settlement or composition, or both, as the case may be.*

Sec. 16. [583.07] [JURISDICTION OF COURT.]

*The court has jurisdiction to postpone the termination of a contract for the conveyance of real estate; to postpone the enforcement of judgment by levy, execution, and sale or to order resale; and to postpone foreclosure of a mortgage secured by real estate. The inability of the mortgagor, judgment debtor, or contract vendee to make the payments under a contract for the conveyance of real estate, mortgage agreement, or judgment is a valid defense to levy, execution, sale, seizure, repossession, termination, and foreclosure under the remedies set forth in sections 10 to 21 during the effective period of sections 10 to 21.*

Sec. 17. [583.08] [PERIOD OF REDEMPTION MAY BE EXTENDED.]

*If, during the effective period of sections 10 to 21: (1) a mortgage on a homestead is foreclosed and the period of redemption has not expired; (2) an action to foreclose a mortgage on a homestead is commenced or is pending; (3) proceedings to foreclose a mortgage by advertisement are commenced or are pending; (4) a notice of termination of contract for deed is served; (5) the period of time during which a contract for deed can be reinstated expires; or (6) proceedings to enforce a judgment against real estate are commenced or are pending; the period of redemption or the period during which the contract for deed may be reinstated may be extended for one year or a greater period of time as the court deems just and equitable. In such case the contract vendee, in the case of a contract for deed termination; the mortgagor, or owner in possession of the property, in the case of mortgage foreclosure proceedings; or the judgment debtor, in the case of levy, execution, or sale under judgment, shall petition the district court on not less than ten days' written notice to the contract vendor, mortgagee, or judgment creditor, or his attorney, and before the expiration of the period of redemption in the case of a mortgage, the expiration of the period during which the contract for deed can be reinstated, or the sale under judgment, for an order postponing repossession, levy, execution, sale, termination, or forfeiture. The petition must also request the court to determine the reasonable value of the income on the property, or, if the property has no income, then the reasonable rental value of the property subject to the contract for deed, mortgage, or judgment and must direct the contract vendee, mortgagor, or judgment debtor to pay all or a reasonable part of the income or rental value for the payment of taxes, insurance, interest, principal, or judgment indebtedness at the times and in the manner determined by the court. The court shall*

hear the petition and after the hearing shall make and file its order directing the payment by the contract vendee, mortgagor, or judgment debtor of an amount at the times and in the manner that the court determines just and equitable. In the case of contracts for deed, the court shall insure that the payment required by the contract vendee is sufficient to adequately maintain the vendor's standard of living. Upon service of the petition, the running of the period of redemption or reinstatement of contract for deed is tolled, repossession is postponed, and further proceedings under levy, execution, and sale are stayed until the court makes its order upon the petition. If the contract vendee, mortgagor, or judgment debtor defaults in the payments ordered, or commits waste, his right to redeem from the sale, cure the default on the contract for deed, or postpone seizure and sale terminates 30 days after the default. Thereafter holders of subsequent liens may redeem in the order and manner provided by law beginning 30 days after the filing of notice of the default with the clerk of district court; the right to possession ceases; and the contract vendor or party acquiring title to the homestead is entitled to immediate possession of the premises. If default is claimed because of waste, the 30-day period shall not begin to run until the filing of an order of the court finding the waste. No action shall be maintained for a deficiency judgment until the period of redemption as allowed by section 580.23, or as extended under the provisions of sections 10 to 21, has expired.

Sec. 18. [583.09] [COURT MAY REVISE AND ALTER TERMS.]

Upon the application of either party before the expiration of the extended period of redemption, reinstatement of contract for deed, or payment on judgment as provided in sections 10 to 21 and upon the presentation of evidence that the terms fixed by the court are no longer just and reasonable, the court may revise and alter the terms, in the manner the changed circumstances and conditions require.

Sec. 19. [583.10] [TRIAL TO BE HELD WITHIN 30 DAYS.]

The trial of any action, hearing, or proceeding provided for in sections 10 to 21, must be held within 30 days after the filing of the petition. The order therein must be made and filed within five days after the trial. Review by the supreme court may be had by certiorari, if application for the writ is made within 15 days after notice of the order. The writ is returnable within 30 days after the filing of the order.

Sec. 20. [583.11] [LIMITATIONS.]

No postponement or extension shall be ordered under conditions which would substantially diminish or impair the value of the contract or obligation of the person against whom the relief is

*sought without reasonable allowance to justify the exercise of the police power authorized in sections 10 to 21, or which would cause irreparable harm or undue hardship to any mortgagee, contract vendor, judgment creditor, or their successors or assigns.*

Sec. 21. [583.12] [INCONSISTENT LAWS SUSPENDED.]

*Every law, to the extent that it is inconsistent with sections 10 to 21 is suspended during the effective period of sections 10 to 21.*

Sec. 22. [REPEALER.]

*Sections 10 to 21 are repealed effective July 1, 1984.*

Sec. 23. [EFFECTIVE DATE.]

*Sections 1 to 21 are effective the day following final enactment. Section 22 is effective July 1, 1984."*

H. F. No. 637, A bill for an act relating to metropolitan transit; regulating eligibility for certain programs; requiring

bidding on certain routes; regulating fares and fare policy; extending debt authority; providing for an evaluation; appropriating money; amending Minnesota Statutes 1982, sections 174.265, subdivisions 3 and 4; 473.408, subdivisions 2 and 3; 473.436, subdivision 5; proposing new law coded in Minnesota Statutes, chapter 473.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1982, section 174.24, subdivision 3, is amended to read:

Subd. 3. [FINANCIAL ASSISTANCE.] Payment of financial assistance shall be by contract between the commissioner and an eligible recipient. The commissioner shall determine the total operating cost of any public transit system receiving or applying for assistance in accordance with generally accepted accounting principles. To be eligible for financial assistance, an applicant or recipient shall provide to the commissioner all financial records and other information and shall permit any inspection reasonably necessary to determine total operating cost and correspondingly the amount of assistance which may be paid to the applicant or recipient. Where more than one county or municipality contributes assistance to the operation of a public transit system, the commissioner shall identify one as lead agency for the purpose of receiving moneys under this section.

The commissioner shall adopt rules establishing uniform performance standards for private operators of regular route transit systems in the transit taxing district, as defined in section 473.446, subdivision 2. The rules are subject to the provisions in the administrative procedure act of sections 14.01 to 14.70. Payments to those private operators shall be based on the uniform performance standards and operating deficit and shall not exceed 100 percent of the operating deficit as determined by the commissioner. Payments shall be based on approved estimates of expenditures during the contract period and shall be subject to audit and adjustment after any payment has been made.

Prior to distributing operating assistance to eligible recipients for any contract period, the commissioner shall place all recipients into one of the following classifications: large urbanized area service, urbanized area service, small urban area service, rural area service, and elderly and handicapped service. The commissioner shall distribute funds under this section so that the percentage of total operating cost paid by any recipient from local sources will not exceed the percentage for that recipient's classification. The percentages shall be: for large urbanized area service, 55 percent; for urbanized area service and small urban area service, 40 percent; for rural area service, 35 percent; and

for elderly and handicapped service, 35 percent. The remainder of the total operating cost will be paid from state funds less any assistance received by the recipient from any federal source. For purposes of this subdivision "local sources" means all local sources of funds and includes all operating revenue, tax levies, and contributions from public funds, except that the commissioner may exclude from the total assistance contract revenues derived from operations the cost of which is excluded from the computation of total operating cost.

If a recipient informs the commissioner in writing after the establishment of these percentages but prior to the distribution of financial assistance for any year that paying its designated percentage of total operating cost from local sources will cause undue hardship, the commissioner may reduce (THE PERCENTAGE TO BE PAID FROM LOCAL SOURCES BY THE RECIPIENT AND INCREASE THE PERCENTAGE TO BE PAID FROM LOCAL SOURCES FOR ALL OTHER RECIPIENTS IN ITS CLASSIFICATION SO THAT THE TOTAL STATE FUNDS TO BE RECEIVED BY ALL THE RECIPIENTS IN THE CLASSIFICATION WILL NOT BE ALTERED) *by no more than five percent the percentage to be paid from local sources by the recipient and increase the percentage to be paid from local sources by one or more other recipients inside or outside the classification, provided that no recipient shall have its percentage thus reduced or increased for more than two years successively.* If for any year the funds appropriated to the commissioner to carry out the purposes of this section are insufficient to allow the commissioner to pay the state share of total operating cost as provided in this paragraph, the commissioner shall reduce the state share in each classification to the extent necessary.

Sec. 2. Minnesota Statutes 1982, section 174.265, subdivision 4, is amended to read:

Subd. 4. [ASSISTANCE FOR TRANSIT SERVICE.] An application for financial assistance for (REPLACEMENT) transit services shall: describe the existing service, *if any*, provided to the applicant by the metropolitan transit commission, including the estimated number of passengers carried and the routes, schedules, and fares; describe the transit service proposed for funding under the demonstration program, including the anticipated number of passengers and the routes, schedules, and fares; and indicate the total amount of available local transit funds, the portion of the available local transit funds proposed to be used to subsidize (REPLACEMENT) services, and the amount of state assistance requested for the (REPLACEMENT) services. Financial assistance shall be granted under this subdivision to an applicant community (SERVED BY THE METROPOLITAN TRANSIT COMMISSION AT THE TIME OF APPLICATION) only if the commissioner determines: (a) that, *if any service is provided by the commission to the applicant com-*

*munity at the time of application, the service proposed for funding is intended and designed to replace (AND) or substitute for the commission's service (PROVIDED BY THE COMMISSION AT THE TIME OF APPLICATION AND); (b) that the average subsidy per passenger per route for (THE) any replacement service will not exceed the average subsidy per passenger per route (STANDARD AS ADOPTED BY THE COMMISSION IN ITS CURRENT TRANSPORTATION DEVELOPMENT PROGRAM. FINANCIAL ASSISTANCE SHALL BE GRANTED UNDER THIS SUBDIVISION TO AN APPLICANT COMMUNITY NOT SERVED BY THE COMMISSION AT THE TIME OF THE APPLICATION ONLY IF THE COMMISSIONER DETERMINES THAT THE AVERAGE SUBSIDY PER PASSENGER PER TRIP FOR THE SERVICE PROPOSED FOR FUNDING WILL NOT EXCEED THE SUBSIDY PER PASSENGER PER TRIP STANDARD AS ADOPTED BY THE COMMISSION IN ITS CURRENT TRANSPORTATION DEVELOPMENT PROGRAM) during the six months preceding the application on the routes which serve the applicant communities; and (c) that the average subsidy per passenger for any other service proposed will not exceed guidelines established by the commissioner. The amount of financial assistance provided for replacement service under this subdivision shall not exceed the sum of: (a) the portion of the available local transit funds which the applicant proposes to use to subsidize the service, and (b) an amount of state assistance bearing an identical proportional relationship to the amount under (a) as the total amount of state assistance available to the metropolitan transit commission under section 174.24, subdivision 3a bears to the total amount of taxes collected by the commission under section 473.446, subdivision 1, clauses (a) to (c). The commissioner shall transfer the amounts provided to the recipient from the assistance available to the metropolitan transit commission pursuant to section 174.24, subdivision 3.*

Sec. 3. [473.407] [CONTRACTS FOR SERVICE.]

*At least 60 days before reducing service levels by eliminating any routes, the commission shall publish notice of its intent to accept sealed bids to provide the service planned to be eliminated. The notice shall be published in appropriate trade journals and newspapers of general circulation in the metropolitan area and the state. The commission shall also solicit sealed bids by sending notices by mail to all prospective bidders known to it, and by posting notice on a public bulletin board in its offices. The bids shall include a description of the service to be provided, the cost of the service, the public subsidy required, and the other requirements the chairman of the commission deems appropriate. The operating company under contract to the commission under section 473.405, subdivision 2, to provide the service planned to be eliminated shall be required to submit a bid. The bids shall be opened in public at the hour stated in the notice. The commission shall award a contract to provide the service and receive the re-*

*requested subsidy to the qualified bidder requiring the least public subsidy, taking into consideration conformance with the specifications, terms, and other conditions imposed in the call for bids, but if the bidder requiring the least subsidy is the operator already under contract to the commission to provide the service, or if the lowest bid is less than ten percent lower than the operator already under contract, the commission may eliminate the service as planned. A record shall be kept, open to public inspection, of all bids, with the names of bidders and the amounts of bids, and with the successful bid indicated.*

Sec. 4. Minnesota Statutes 1982, section 473.408, is amended by adding a subdivision to read:

Committee members shall serve two year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formulary committee shall review and comment on the formulary contents. The formulary shall not include: drugs for which there is no federal funding; over the counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; nutritional products; anorectics; and drugs for which medical value has not been established. Payment to drug vendors shall not be modified before the formulary is established. The commissioner may promulgate conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

The basis for determining the amount of payment shall be the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. Establishment of this fee shall not be subject to the requirements of the administrative procedure act. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

Notwithstanding the above provisions, implementation of any change in the fixed dispensing fee which has not been subject to the administrative procedure act shall be limited to not more than 180 days, unless, during that time, the commissioner shall have initiated rulemaking through the administrative procedure act.

(14) Transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by non-ambulatory persons in obtaining emergency or non-emergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. Sec. 5. [256B.092] [CASE MANAGEMENT OF MENTALLY RETARDED PERSONS.]

*Subdivision 1. [COUNTY OF FINANCIAL RESPONSIBILITY, DUTIES.] Before any services shall be rendered to mentally retarded persons in need of social service and medical assistance, the county of financial responsibility shall conduct a diagnosis in order to determine whether the person is or may be mentally retarded. If a client is diagnosed mentally retarded, that county must conduct a need assessment, develop an individual service plan, and authorize placement for services. If the county of financial responsibility places a client in another county for services, the placement shall be made in cooperation with the host county of service, and arrangements shall be made*

between the two counties for ongoing social service, including annual reviews of the client's individual service plan. The host county may not make changes in the service plan without approval by the county of financial responsibility.

*Subd. 2. [MEDICAL ASSISTANCE.] To assure quality case management to those county clients who are eligible for medical assistance, the commissioner shall: (a) provide consultation on the case management process; (b) assist county agencies in the screening and annual reviews of clients to assure that appropriate levels of service are provided; (c) provide consultation on service planning and development of services with appropriate options; (d) provide training and technical assistance to county case managers; and (e) authorize payment for medical assistance services.*

*Subd. 3. [TERMINATION OF SERVICES.] County agency case managers, under rules of the commissioner, shall authorize and terminate services of community and state hospital providers in accordance with individual service plans. Services not needed shall not be authorized by county agencies nor funded by the commissioner.*

*Subd. 4. [ALTERNATIVE HOME AND COMMUNITY-BASED SERVICES.] The commissioner shall make payments to county boards participating in the medical assistance program to pay costs of providing alternative home and community-based services to medical assistance eligible mentally retarded persons screened under subdivision 7. Payment is available under this subdivision only for: persons who, if not provided these services, would require the level of care provided in an intermediate care facility for mentally retarded persons.*

*Subd. 5. [FEDERAL WAIVERS.] The commissioner shall apply for any federal waivers necessary to secure, to the extent allowed by law, federal financial participation under Title XIX of the Social Security Act, for the provision of services to persons who, in the absence of the services, would need the level of care provided in a state hospital or a community intermediate care facility for mentally retarded persons. The commissioner may seek amendments to the waivers or apply for additional waivers under Title XIX of the Social Security Act to contain costs. The commissioner shall ensure that grants for payment for the cost of providing home and community-based alternative services under the federal waiver plan shall not exceed the cost of intermediate care services that would have been provided without the waived services.*

*Subd. 6. [RULES.] The commissioner shall adopt temporary rules to establish required controls, documentation, and reporting of services provided in order to assure proper administration of the approved waiver plan.*

*Subd. 7. [SCREENING TEAMS ESTABLISHED.] Each county agency shall establish a screening team which, under the direction of the county case manager, shall make an evaluation of need for home or community-based services of persons who are entitled to the level of care provided by an intermediate care facility for mentally retarded persons or for whom there is a reasonable indication that they might need the services in the near future. The screening team shall consist of the case manager, the client, a parent or guardian, a qualified mental retardation professional (as defined in the Code of Federal Regulations, title 42, section 442.401) assigned by the commissioner. The case manager shall consult with the client's physician or other persons as necessary to make this evaluation. Other persons may be invited to attend meetings of the screening team. No member of the screening team shall have any direct or indirect financial interest or service provider interest in the case.*

*Subd. 8. [SCREENING TEAM DUTIES.] The screening team shall:*

- (a) review diagnostic data;*
- (b) review health, social, and developmental assessment data;*
- (c) identify the level of services needed to maintain the person in the most normal and least restrictive setting that is consistent with treatment needs;*
- (d) identify other noninstitutional public assistance or social service that may prevent or delay long-term residential placement;*
- (e) determine whether a client is in serious need of long-term residential care;*
- (f) make recommendations to the county board and the commissioner regarding placement and payment for (1) social service or public assistance support to maintain a client in the client's own home or other place of residence, (2) training and habilitation service, vocational rehabilitation, employment training activities, (3) community residential placement, (4) state hospital placement, or (5) a home and community-based alternative to (3) or (4);*
- (g) make recommendations to the court as may be needed to assist the court in making commitments of mentally retarded persons; and*
- (h) inform clients that appeal may be made to the commissioner pursuant to section 256.045.*

Sec. 6. [256B.50] [RATES FOR COMMUNITY-BASED SERVICES FOR THE MENTALLY RETARDED.]

*Subdivision 1. [DEFINITIONS.] (1) For the purposes of this section, the following terms have the meaning given them.*

*(2) "Commissioner" means the commissioner of public welfare.*

*(3) "Facility" means a facility licensed as a mental retardation residential facility under section 252.28, licensed as a supervised living facility under chapter 144A, and certified as an intermediate care facility for the mentally retarded.*

*(4) A "waivered service" means a home for community-based service authorized under the Social Security Act, Title XIX, section 1915(c), and defined in the Minnesota state plan for the provision of medical assistance services. Waivered services include, at a minimum, case management, family training and support, developmental training homes, supervised living arrangements, semi-independent living services, respite care and training and habilitation services.*

*(5) "Training and habilitation services" are those health and social services needed to insure optimal functioning of persons who are mentally retarded or have related conditions. Training and habilitation services shall be provided by an organization which is separate from the organization which provides the residential services.*

*Subd. 2. [AUTHORITY.] The commissioner shall establish procedures and rules for determining rates for care of residents of intermediate care facilities for the mentally retarded which qualify as vendors of medical assistance, waivered services, and for provision of training and habilitation services. Approved rates shall be established on the basis of methods and standards that the commissioner finds adequate to provide for the costs that must be incurred for the quality care of residents in efficiently and economically operated facilities and services. The procedures shall specify the costs that are allowable for payment through medical assistance. The commissioner may use experts from outside the department in the establishment of the procedures.*

*Subd. 3. [RATES FOR INTERMEDIATE CARE FACILITIES FOR THE MENTALLY RETARDED.] In establishing rates for care of residents in intermediate care facilities for mentally retarded persons the commissioner shall consider the recommendations contained in the February 11, 1983 report of the legislative auditor on community residential programs for the mentally retarded and the recommendations contained in the 1982 report of the department of public welfare rule 52 task force.*

*Subd. 4. [WAIVERED SERVICES.] In establishing rates for waived services the commissioner shall consider the need for flexibility in the provision of those services to meet individual needs identified by the screening team.*

*Subd. 5. [TRAINING AND HABILITATION SERVICES.] (a) Except as provided in subdivision 6, rates for training and habilitation services provided by a developmental achievement center either as a waived service or to residents of an intermediate care facility for mentally retarded persons shall be established and paid in accordance with this subdivision.*

*(b) Prior to July 1, 1983, the county board shall submit to the commissioner for approval a per diem rate for each developmental achievement center it administers pursuant to section 252.24, subdivision 1, for the period from July 1, 1983, through December 31, 1983, which shall be the rate established for that developmental achievement center for 1983 or 106 percent of the 1982 per diem rate, whichever is lesser.*

*(c) The base per diem rate established July 1, 1983, may be increased by the county in subsequent calendar years in an amount up to the percentage increase allowed by the legislature in per diem charges made by intermediate care facilities for mentally retarded persons.*

*(d) The county board in which an intermediate care facility for mentally retarded persons is located shall contract annually with that facility and with the appropriate developmental achievement center for provision of training and habilitation services for each resident of the facility for whom the services are required by the resident's individual service plan. This contract shall specify the payment rate, the training and habilitation services to be provided, and the performance standards for program provision. A similar contract shall be entered into between the county and the developmental achievement center for persons receiving training and habilitation services from that center as a waived service.*

*(e) The commissioner shall reimburse up to 210 days of training and habilitation services at developmental achievement centers which provided less than or equal to that amount in calendar year 1982. For developmental achievement centers providing more than 210 days of service in 1982, the commissioner shall not pay in excess of the number of days provided by those programs in 1982.*

*(f) Medical assistance payments for training and habilitation service shall be made to the county board financially responsible for the client. The developmental achievement center shall submit invoices to the medical assistance program following procedures established by the medical assistance program.*

*Subd. 6. [NEW DEVELOPMENTAL ACHIEVEMENT PROGRAMS, RATES.] The commissioner upon the recommendation of the local county board shall determine the rate for new developmental achievement programs. The payment rate shall not exceed 125 percent of the average payment rate in the region.*

*Subd. 7. [ALTERNATIVE RATES FOR TRAINING AND HABILITATION SERVICES.] Alternative methods may be proposed by the counties or the commissioner for provision of training and habilitation services during daytime hours apart from a residential facility to persons for whom needs identified in their individual service plan are not met by the training and habilitation services provided at a developmental achievement center. The commissioner shall establish procedures for approval of the proposals and for payment of reasonable rates which shall not exceed the average rate allowed in that county for training and habilitation services pursuant to subdivision 5. Nothing in this subdivision prohibits a county from contracting with a developmental achievement center such purposes.*

*Subd. 8. [PAYMENT FOR PERSONS WITH SPECIAL NEEDS.] The commissioner shall establish by December 31, 1983, procedures to be followed by the counties to seek authorization from the commissioner for payment for waived services or training and habilitation services for very dependent persons with special needs in an amount in excess of the rates allowed pursuant to subdivisions 2, 4, 5, and 6 and procedures to be followed for rate limitation exemptions for intermediate care facilities for mentally retarded persons. No excess payment or limitation exemption shall be authorized unless the need for the service is documented in the individual service plan of the person or persons to be served, the type and duration of the services needed are stated, and there is a reasonable basis for estimated cost of the services.*

*The commissioner shall evaluate the services provided pursuant to this subdivision through program and fiscal audits.*

*Subd. 9. [REPORTING REQUIREMENTS.] The developmental achievement center shall submit to the county and the commissioner no later than March 31 of each year an annual report which includes the actual program revenues and expenditures, client information, and program information. The information shall be submitted on forms prescribed by the commissioner.*

*Subd. 10. [TEMPORARY RULES.] To implement subdivisions 1 to 9, the commissioner shall adopt temporary and permanent rules in accordance with chapter 14.*

**Sec. 7. [FEDERAL REQUIREMENTS.]**

*If any provision of sections 3, 4, 5, or 6 is determined by the United States government to be in conflict with existing or future requirements of the United States government with respect to federal participation in medical assistance, the federal requirements shall prevail.*

Sec. 8. Minnesota Statutes 1982, section 256E.06, is amended by adding a subdivision to read:

*Subd. 2a. [STATE TRANSFER OF FUNDS.] Notwithstanding subdivisions 1 and 2 the commissioner is authorized to transfer, prior to distribution of state aids to the counties, up to \$16,000,000 from the biennial appropriation beginning July 1, 1983, to the medical assistance state account to fund training and habilitation services provided to residents of intermediate care facilities for mentally retarded persons as required by federal regulations. Upon federal approval of the state plan, county boards will not be responsible for the funding of developmental achievement center services as a social service to intermediate care facilities for mentally retarded residents. County board responsibility for the services shall be assumed under section 256B.20. County boards continue to be responsible for funding developmental achievement center services for those persons not covered under the Title XIX medical assistance program.*

Sec. 9. [APPROPRIATION.]

*Up to \$400,000 is appropriated from the general fund to the department of public welfare to match federal money available for costs establishing a client information system and positions needed to administer the mental retardation program. Up to 15 line item positions are authorized for the implementation of provisions of the case management plan, the home and community-based services waiver program, assisting county agencies in screening of clients for medical assistance services, technical assistance in developing community-based alternatives, and management of the mental retardation medical assistance program.*

Sec. 10. [EFFECTIVE DATE.]

*Sections 1 to 7 are effective the day following final enactment."*

## ARTICLE II: BILLS

## FORM

Rule 2.01. The title of each bill shall clearly state its subject and briefly state its purpose. When a bill amends or repeals an existing act, the title shall refer to the chapter, section or subdivision.

Reference shall be made to Minnesota Statutes for the provisions appearing therein unless reference to previous session laws is required for some special reason.

Bills shall refer to Minnesota Statutes as follows:

"Minnesota Statutes . . . . ., section . . . . ."

Bills shall refer to the session laws as follows:

"Laws . . . . ., chapter . . . . ., section . . . . ."

A bill for the amendment of a statute shall contain the full text of the section or subdivision to be amended as it appears in the latest edition of Minnesota Statutes unless it has been amended, in which event it shall contain the full text as amended.

The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of a new section or subdivision shall also be underscored when a bill amends an existing chapter or section by adding a new section or subdivision. In the omnibus appropriation bills required by Joint Rule 2.02, sections making an appropriation or transfer and not amending a statute or session law need not have new material underscored. Before a committee favorably reports upon a bill, the chairman of the committee shall see that the bill conforms to this rule. When a bill is printed in the Journal, the new matter shall be in italics or underscored and the matter to be eliminated shall be capitalized and in parentheses or stricken by drawing a line through it. A bill drafted by the Revisor of Statutes for the purposes of correcting errors in Minnesota Statutes need not comply with the provisions of this paragraph if the bill is labeled "REVISOR'S BILL" immediately below the title, and if there is attached thereto a memorandum of information explaining the reasons for the bill.

If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for examination. Any such headnotes shall be capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, section 648.36.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of law shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers or parentheses.

#### APPROPRIATING MONEY

**Rule 2.02** The same bill shall not appropriate public money or property to more than one local or private purpose.

No clause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions. All resolutions authorizing the issuing of abstracts by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of "yeas" and "nays."

In odd-numbered years, at least twenty calendar days prior to the last day the Legislature can meet in regular session [May 3, 1983], the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective houses, unless directed by concurrent resolution to report different appropriation bills, eight separate appropriation bills as follows:

Welker moved to amend S. F. No. 186, the first engrossment, as follows:

Page 1, delete lines 9 to 25, and insert:

"WHEREAS, the present system is not protecting the consumer from rapid price increases and is instead operating to subsidize more expensive imports and uneconomic production of natural gas; and

WHEREAS, utility companies holding old contracts for natural gas at low prices are resisting decontrol because regulations are actually forcing pipelines into paying for high cost gas even when low cost supplies are readily available; and

WHEREAS, the present regulatory system is partially to blame for the continuous and steadily rising price at a time of excess supplies; and

WHEREAS, natural gas decontrol will very likely operate much as crude oil decontrol did two years ago, namely, pushing up prices moderately over a short period, followed by a long-term drop in prices; NOW, THEREFORE,

BE IT RESOLVED by the Legislature of the State of Minnesota that Congress should act to speed up the decontrol of natural gas because it is in the long-term best interest of consumers to do so."

Page 2, delete lines 1 to 9

#### PROTEST AND DISSENT

A formal statement of protest and dissent is an unusual action and one not to be taken lightly. Unfortunately, the conduct of the closing debate on H. F. No. 89, during the Committee of the Whole, on Monday, April 4, 1983, leaves us with no alternative if we wish to set the official record straight.

Specifically, we must register a formal objection to the conduct of Representative Greenfield, Representative Brandl and Representative Cohen in those closing minutes of debate, and to the Speaker's refusal to recognize us to voice our objection at that time.

The effort by Representative Greenfield, to continue a one-sided harangue on a bill he intended to lay over, showed a remarkable lack of good judgment and, at the very least, seemed to reflect a lack of respect for customary legislative courtesy.

Representative Brandl's use, or rather abuse, of the "point of personal privilege" to carry the argument on, once the bill was laid over, displayed equally poor judgment.

It is, however, the comments of Representative Cohen that particularly need to be addressed in this statement. He is entitled to support or oppose any bill he wishes, for any reason he wishes. He is also obligated, however, to extend that same right to others. He has absolutely no right to question anyone's motives other than his own.

The bill in question is very controversial and many actions, by many people, on both sides of the issue, may have been a cause for concern. That does not, however, give Mr. Cohen, or anyone else, the right to launch the kind of sweeping, vitriolic personal attack we were subjected to on Monday, simply because we disagree.

Such judgments are simply not appropriate in the legislative process and the cause of good government can only be served if all members are allowed to vote their conscience without being subjected to the kind of self-righteous, inflammatory rhetoric that occurred on Monday.

REP. DAVID M. JENNINGS, REP. MARY FORSYTHE and REP. MARCUS MARSH.

(a) "FTE" means a transported full time equivalent pupil whose transportation is authorized for aid purposes by section 124.223.

(b) "Authorized cost for regular transportation" means the sum of:

(1) all expenditures for transportation in the regular category, as defined in clause (e) (1), for which aid is authorized in section 124.223, plus

(2) an amount equal to one year's depreciation on the district's school bus fleet and mobile units computed on a straight line basis at the rate of 12-1/2 percent per year of the cost of the fleet, plus

(3) an amount equal to one year's depreciation on district school buses reconditioned by the department of corrections computed on a straight line basis at the rate of 33-1/3 percent per year of the cost to the district of the reconditioning, plus

(4) beginning in fiscal year 1984, an amount equal to one year's depreciation on the district's type three school buses, as defined in section 169.44, subdivision 15, which were purchased after July 1, 1982 for authorized transportation of pupils, with the prior approval of the commissioner, computed on a straight line basis at the rate of 20 percent per year of the cost of the type three school buses.

(c) "Adjusted authorized predicted cost per FTE" means the authorized cost predicted by a multiple regression formula determined by the department of education, and adjusted pursuant to subdivision 7a.

(d) "Aid entitlement per FTE" means the adjusted authorized predicted cost per FTE, inflated pursuant to subdivision 7b.

(e) "Transportation category" means a category of transportation service provided to pupils. Each category includes transportation provided during the regular school year and in conjunction with a state board approved summer school program. For purposes of this section, transportation categories are as follows:

(1) Regular transportation is transportation services provided under section 124.223, clauses (1) and (2), excluding transportation between schools under section 124.223, clause (1);

(2) During-day transportation is transportation services between schools provided under section 124.223, clause (1), and transportation services provided under section 124.223, clauses (3) and (9), and transportation services provided under section 124.223, clause (6), excluding transportation provided for pupils attending shared time special education classes;

(3) Handicapped transportation is transportation services for pupils attending shared time special education classes provided under section 124.223, clause (6), and transportation services provided under section 124.223, clause (4), excluding board and lodging and excluding transportation to and from board and lodging facilities;

(4) Board and lodging is services provided, in lieu of transportation, under section 124.223, clauses (4) and (5);

(5) To and from board and lodging facility transportation is transportation services to and from board and lodging facilities provided under section 124.223, clauses (4) and (7);

(6) Nonpublic health, guidance and counseling transportation is transportation services provided under section 124.223, clause (10);

(7) *Nonregular transportation is transportation services provided between schools under section 124.223, clause (1); and transportation services provided under section 124.223, clauses (3), (4), (5), (6), (7), (9), and (10).*

(f) "Pupil weighting factor" means the ratio of the actual district average cost per FTE in a particular transportation cate-

gory in the base year to the actual district average cost per FTE in the regular transportation category in the base year.

(g) "Weighted FTE's" means the number of FTE's in each transportation category multiplied by the pupil weighting factor for that category.

(h) "Mobile unit" means a vehicle or trailer designed to provide facilities for educational programs and services, including diagnostic testing, guidance and counseling services and health services. A mobile unit located off nonpublic school premises is a neutral site as defined in section 123.932, subdivision 9.

(i) "Percent excess handicapped FTE's transported" means the result of the following computation for the current year:

one, minus the product of

(1) the ratio of the number of FTE pupils transported in the handicapped category in the state to the number of FTE pupils transported in the handicapped category in the district; times

(2) the ratio of the number of FTE pupils transported in the regular category in the district to the number of FTE pupils transported in the regular category in the state.

(j) "Current year" means the school year for which aid will be paid.

(k) "Base year" mean the second school year preceding the school year for which aid will be paid.

(l) "Base cost" means the authorized regular transportation cost per FTE in the base year in the regular transportation category, excluding summer school transportation.

(m) "Predicted base cost" means the base cost as predicted by subdivision 3.

Subd. 1a. [WEIGHTING FACTORS.] For each school year, in computing transportation aid, the department of education shall establish as needed the pupil weighting factors for each transportation category for each district using transportation cost data for the second prior school year. The department shall use the statewide pupil weighting factor for any transportation category for which a district had no experience during the second prior school year.

Subd. 3. [FORMULA.] For each school year, the state shall pay to each school district for all pupil transportation and related services for which the district is authorized by law to receive

state aid an amount determined according to this section. The department of education shall conduct multiple regression analysis using the terms specified in subdivision 4a, to predict the base cost for each district. A formula shall be derived based upon the regression analysis (, BUT EXCLUDING THE FACTORS DESCRIBED IN SUBDIVISION 4a, CLAUSES (8), (9), AND (10), EXCEPT THAT IN THE 1982-1983 SCHOOL YEAR, THESE CLAUSES SHALL NOT BE EXCLUDED). This formula shall be used to determine a predicted base cost for each district. The amount determined for each district shall be adjusted according to the provisions of subdivisions 7a and 7b.

Subd. 4a. [FORMULA TERMS.] To predict the *logarithm of the base cost* for each district pursuant to subdivision 3, the multiple regression formula shall use the following terms for each district:

(1) (THE DISTRICT'S AVERAGE DAILY MEMBERSHIP;)

((2) THE RECIPROCAL OF THE DISTRICT'S AVERAGE DAILY MEMBERSHIP;)

((3)) The logarithm of *the lesser of (a) the number of authorized FTE's per square mile transported by the district in the regular transportation category, or (b) 200;*

((4) THE PERCENTAGE OF THE DISTRICT'S SQUARE MILE AREA WHICH IS CLASSIFIED BY THE COMMISSIONER OF ENERGY, PLANNING AND DEVELOPMENT AS WATER-COVERED, MARSHLAND, OR EXTRACTIVE;)

((5) THE DISTRICT'S ADMINISTRATIVE OVERHEAD FOR TRANSPORTATION PER AUTHORIZED FTE TRANSPORTED IN THE REGULAR TRANSPORTATION CATEGORY;)

((6) THE NUMBER OF SCHOOLS TO WHICH PUPILS ARE TRANSPORTED IN THE REGULAR TRANSPORTATION CATEGORY, EITHER WITHIN OR OUTSIDE THE DISTRICT, DIVIDED BY THE NUMBER OF AUTHORIZED FTE'S TRANSPORTED IN THE REGULAR TRANSPORTATION CATEGORY;)

((7)) (2) Whether the district is non-rural, based upon criteria established by the department of education;

((8) WHETHER THE DISTRICT CONTRACTS FOR BUS SERVICE, OR TRANSPORTS PUPILS ONLY ON DISTRICT-OWNED BUSES;)

((9)) (3) The *logarithm of the percentage of all FTE's transported in the regular transportation category (BUS ROUTES) using buses that are not owned by the district (, IF THAT PERCENTAGE IS NOT 100 PERCENT;)*

((10) WHETHER THE DISTRICT OPERATES A SPECIAL BUS TO TRANSPORT PUPILS TO HOME FROM SCHOOL WHO ARE INVOLVED IN AFTER-SCHOOL ACTIVITIES).

Subd. 7a. [BASE YEAR SOFTENING FORMULA.] (1) (EACH DISTRICT'S PREDICTED BASE COST DETERMINED FOR EACH SCHOOL YEAR ACCORDING TO SUBDIVISION 3 SHALL BE AVERAGED WITH THE BASE COST FOR THAT DISTRICT FOR THAT YEAR TO DETERMINE THE DISTRICT'S ADJUSTED AUTHORIZED PREDICTED COST PER FTE FOR THAT YEAR.)

((2) NOTWITHSTANDING CLAUSE (1).) For fiscal year 1983, (THE) *each district's predicted base cost determined according to subdivision 3 shall be adjusted as provided in this clause to determine adjusted authorized predicted cost per FTE for the base school year.*

(a) If the predicted base cost exceeds the base cost, the predicted base cost shall be decreased by 50 percent of the first \$40 of difference between the base cost and the predicted base cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted authorized predicted cost per FTE.

(b) If the predicted base cost is less than the base cost, the predicted base cost shall be increased by 50 percent of the first \$40 of difference between the base cost and the predicted base cost; 70 percent of the next \$40 of difference; and 90 percent of any difference which exceeds \$80, to determine the adjusted authorized predicted cost per FTE.

((2) For fiscal year 1984, and each year thereafter, each district's predicted base cost determined for each school year according to subdivision 3 shall be adjusted as provided in this clause to determine the district's adjusted authorized predicted cost per FTE for that year.

(a) If the base cost of the district is within ten percent of the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to the base cost.

(b) If the base cost of the district is more than ten percent greater than the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to 110 percent of the predicted base cost, plus 50 percent of the difference between

*(i) the base cost, and (ii) 110 percent of the predicted base cost. However, in no case shall a district's adjusted authorized predicted cost per FTE be less than 80 percent of base cost.*

*(c) If the base cost of the district is more than ten percent less than the predicted base cost, the district's adjusted authorized predicted cost per FTE shall be equal to 90 percent of the predicted base cost, minus 50 percent of the difference between (i) 90 percent of predicted base cost, and (ii) the base cost. However, in no case shall a district's adjusted authorized predicted cost per FTE be more than 120 percent of base cost.*

Subd. 7b. [INFLATION FACTORS.] The adjusted authorized predicted cost per FTE determined for a district under subdivision 7a for the base year shall be increased by 22 percent to determine the district's aid entitlement per FTE for the 1982-1983 school year, by 11.4 percent to determine the district's aid entitlement per FTE for the 1983-1984 school year, and by 10.8 percent to determine the district's aid entitlement per FTE for the 1984-1985 school year.

Subd. 8a. [AID.] For the 1982-1983 and 1983-1984 school years, a district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its excess handicapped transportation aid pursuant to subdivision 8c, its handicapped board and lodging aid pursuant to subdivision 8d, its to and from board and lodging aid pursuant to subdivision 8e, its nonpublic support services transportation aid pursuant to subdivision 8f, its during-day transportation aid pursuant to subdivision 8g, and its closed-school transportation aid pursuant to subdivision 8h, minus the amount raised by two mills times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year. For the 1983-1984 school year transportation aid for a district which contracted for pupil transportation services in the 1981-1982 school year shall be reduced by an amount equal to \$18 times the number of FTE pupils transported on contracted school buses in the base year in the regular transportation category. A district may levy less than the amount raised by two mills. Transportation aid shall be computed as if the district had levied the amount raised by two mills. (IF THE TOTAL APPROPRIATION FOR TRANSPORTATION AID IN ANY FISCAL YEAR AFTER 1982 IS INSUFFICIENT TO PAY ALL DISTRICTS THE FULL AMOUNT OF AID EARNED, THE DEPARTMENT OF EDUCATION SHALL REDUCE EACH DISTRICT'S AID IN PROPORTION TO THE NUMBER OF RESIDENT PUPILS IN AVERAGE DAILY MEMBERSHIP IN THE DISTRICT TO THE STATE TOTAL AVERAGE DAILY MEMBERSHIP, AND SHALL REDUCE THE AID ENTITLEMENT OF OFF-FORMULA DISTRICTS IN THE SAME PROPORTION.) Aid for the 1982-1983 and 1983-1984 school years shall also be reduced by the following amount: the product of

(a) the number of nonhandicapped secondary pupils transported in the base year who live between one and two miles from the public school which they could attend or the nonpublic school actually attended, times

(b) 1.5, divided by the average distance to school for all FTE's transported in the district in the regular transportation category in the base year, times

(c) the district's aid entitlement per FTE determined according to subdivision 7b, times the ratio of average daily membership used in subdivision 8b.

*For the 1984-1985 school year and each year thereafter, a district's transportation aid shall be equal to the sum of its basic transportation aid pursuant to subdivision 8b, its nonregular transportation aid pursuant to subdivision 8i, and its nonregular transportation levy equalization aid pursuant to subdivision 8j, minus its contracted services aid reduction pursuant to subdivision 8k, minus the amount raised by 1.75 mills times the adjusted assessed valuation which is used to compute the transportation levy limitation for the levy attributable to that school year. A district may levy less than the amount raised by 1.75 mills. Transportation aid shall be computed as if the district had levied the amount raised by 1.75 mills.*

*If the total appropriation for transportation aid for any fiscal year is insufficient to pay all districts the full amount of aid earned, the department of education shall reduce each district's aid in proportion to the number of resident pupils in average daily membership in the district to the state total average daily membership, and shall reduce the aid entitlement of off-formula districts in the same proportion.*

Subd. 8b. [BASIC AID COMPUTATION.] For the 1982-1983 and 1983-1984 school years, a district's basic transportation aid pursuant to this section for the school year shall equal the district's aid entitlement per FTE determined according to subdivision 7b times the total number of authorized weighted FTE's transported in the regular and handicapped transportation categories in the district in the base year times the ratio of average daily membership in the district in the current year to the average daily membership in the district in the base year.

For the 1984-1985 school year and each year thereafter, a district's basic transportation aid pursuant to this section for each school year shall equal the district's aid entitlement per FTE determined according to subdivision 7b times the total number of authorized FTE's transported in the regular (AND HANDICAPPED CATEGORIES) category in the district in the current school year.

Subd. 8c. [EXCESS HANDICAPPED AID.] (a) For (EACH) *the 1982-1983 and 1983-1984 school (YEAR) years*, the state shall pay aid for the excess costs of providing transportation for handicapped students as provided in this subdivision to a district where, in the current school year, the ratio of FTE's transported in the handicapped category to the total number of FTE's transported in the regular transportation category exceeds the same ratio for the state as a whole.

(b) This aid shall equal:

the product of the percent excess handicapped FTE's transported, times the difference between

(1) the district's actual cost for transportation of all pupils in the handicapped category in the current year, and

(2) the product of

(i) the district's aid entitlement per FTE determined according to subdivision 7b, times

(ii) (THE NUMBER OF FTE'S TRANSPORTED IN THE HANDICAPPED CATEGORY IN THE DISTRICT IN THE CURRENT YEAR.)

(PROVIDED THAT FOR THE 1982-1983 AND 1983-1984 SCHOOL YEARS, THE NUMBER IN (2)(ii) ABOVE SHALL BE REPLACED BY THE FOLLOWING COMPUTATION:) the product of the number of FTE's transported in the handicapped category in the district in the base year, times its pupil weighting factor for the handicapped category, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year.

*Excess handicapped transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8d. [HANDICAPPED BOARD AND LODGING AID.] For board and lodging of handicapped pupils, each district shall receive aid equal to the product of the number of FTE pupils boarded and lodged in the current year in the district in this transportation category, times the average of

(a) the state average board and lodging cost per FTE pupil boarded and lodged in the base year, times the inflation factor for that year prescribed in subdivision 7b; and

(b) the district's actual cost per FTE pupil boarded and lodged in the current year.

*Aid for board and lodging of handicapped pupils authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8e. [TO AND FROM BOARD AND LODGING.] For transportation of handicapped pupils to and from board and lodging facilities, the state shall pay aid to each district for each year equal to the lesser of

(a) the sum of the distance in miles from the home of each pupil transported in this category to the board and lodging facility, times 36, times 24 cents; or

(b) the average of the amount in (a) and the district's actual cost for all transportation in this category in the current year.

*Aid for transportation of handicapped pupils to and from board and lodging facilities authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8f. [NONPUBLIC SUPPORT SERVICES AID.] For the 1982-1983 and 1983-1984 school years, a district's nonpublic support services transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the nonpublic support services transportation category, times the number of FTE pupils transported in the nonpublic support services category in the district in the base year, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year. (FOR THE 1984-1985 SCHOOL YEAR AND THEREAFTER, A DISTRICT'S NON-PUBLIC SUPPORT SERVICES TRANSPORTATION AID SHALL EQUAL THE DISTRICT'S AID ENTITLEMENT PER FTE DETERMINED ACCORDING TO SUBDIVISION 7B, TIMES ITS PUPIL WEIGHTING FACTOR FOR THE NON-PUBLIC SUPPORT SERVICES TRANSPORTATION CATEGORY, TIMES THE NUMBER OF FTE'S TRANSPORTED IN THAT CATEGORY IN THE CURRENT YEAR.)

*Nonpublic support services aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8g. [DURING-DAY TRANSPORTATION AID.] For the 1982-1983 and 1983-1984 school years, a district's during-day transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times its pupil weighting factor for the during-day transportation category, times the number of FTE's transported in the during-day transportation category in the base year, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year. (FOR THE 1984-1985 SCHOOL YEAR AND THEREAFTER, A DIS-

TRICT'S DURING-DAY TRANSPORTATION AID SHALL EQUAL THE DISTRICT'S AID ENTITLEMENT PER FTE DETERMINED ACCORDING TO SUBDIVISION 7B, TIMES ITS PUPIL WEIGHTING FACTOR FOR THE DURING-DAY TRANSPORTATION CATEGORY, TIMES THE NUMBER OF FTE'S TRANSPORTED IN THE DURING-DAY TRANSPORTATION CATEGORY IN THE CURRENT YEAR.)

*During-day transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8h. [CLOSED-SCHOOL TRANSPORTATION AID.] For the 1982-1983 and 1983-1984 school years, a district's closed-school transportation aid shall equal the district's aid entitlement per FTE determined according to subdivision 7b, times the number of authorized FTE's transported in the regular category in the current school year who were not transported in the base year and would not have been transported in the current year but for school closings or altered school attendance boundaries. The total amount of transportation aid computed pursuant to this subdivision in each year shall not exceed \$2,000,000. If this amount is insufficient to pay each qualifying district its full amount of aid pursuant to this subdivision, this amount shall be prorated among all qualifying districts in proportion to each district's number of FTE's for whom aid is claimed under this subdivision.

*Closed-school transportation aid authorized in this subdivision shall not be paid after the 1983-1984 school year.*

Subd. 8i. [NONREGULAR TRANSPORTATION AID.] For the 1984-1985 school year and each year thereafter, a district's nonregular transportation aid shall be determined pursuant to this subdivision. Nonregular transportation aid shall equal (a) 20 percent of the first \$10 of actual cost in the current year for nonregular transportation services per total pupil unit, plus 40 percent of the next \$10 of actual cost in the current year for nonregular transportation services per total pupil unit, plus 60 percent of the actual cost in the current year for nonregular transportation services per total pupil unit which exceeds \$20, times (b) the number of total pupil units in the district in the current year.

Subd. 8j. [NONREGULAR TRANSPORTATION LEVY EQUALIZATION AID.] For the 1984-1985 school year and each year thereafter, a district's nonregular transportation levy equalization aid shall be determined pursuant to this subdivision.

(a) Unreimbursed nonregular transportation revenue shall equal the actual cost in the current year for nonregular transportation services, minus the district's nonregular transportation aid computed pursuant to subdivision 8i.

(b) *The nonregular transportation levy is the levy authorized by section 275.125, subdivision 5c.*

(c) *Nonregular transportation levy equalization aid for a district shall equal the product of (1) its unreimbursed nonregular transportation revenue, minus the nonregular transportation levy limitation for that year, times (2) the ratio of the district's actual nonregular transportation levy to its nonregular transportation levy limitation.*

**Subd. 8k [CONTRACTED SERVICES AID REDUCTION.]** *For the 1984-1985 school year and each year thereafter, each district's transportation aid shall be reduced according to the provisions of this subdivision, if the district contracted for some or all of the transportation services provided in the regular category. The department of education shall compute this subtraction by conducting the multiple regression analysis specified in subdivision 3 and computing the district's aid under two circumstances, once including the coefficient of the factor specified in subdivision 4a, clause (3), and once excluding the coefficient of that factor. The aid subtraction shall equal the difference between the district's aid computed under these two circumstances.*

**Subd. 9. [DISTRICT REPORTS.]** Each district shall report data to the department as required by the department to implement the transportation aid formula. If a district's final transportation aid payment is adjusted after the final aid payment has been made to all districts, the adjustment shall be made by increasing or decreasing the district's aid for the next fiscal year.

**Subd. 10. [DEPRECIATION.]** Any school district which owns school buses or mobile units shall transfer annually from the unappropriated fund balance account in its transportation fund to the appropriated fund balance account for bus purchases in its transportation fund at least an amount equal to 12-1/2 percent of the original cost of each type one or type two bus or mobile unit until the original cost of each type one or type two bus or mobile unit is fully amortized, plus 20 percent of the original cost of each type three bus included in the district's authorized cost under the provisions of subdivision 1, clause (b)(4), until the original cost of each type three bus is fully amortized, plus 33-1/3 percent of the cost to the district as of July 1 of each year for school bus reconditioning done by the department of corrections until the cost of the reconditioning is fully amortized; provided, if the district's transportation aid is reduced pursuant to subdivision 8a because the appropriation for that year is insufficient, this amount shall be reduced in proportion to the reduction pursuant to subdivision 8a as a percentage of the sum of

(1) the district's total transportation aid without the reduction pursuant to subdivision 8a, plus

(2) an amount equal to two mills times the adjusted assessed valuation of the district for levies attributable to fiscal years 1983 and 1984, or 1.75 mills times the adjusted assessed valuation of the district for levies attributable to fiscal year 1985 and thereafter. Any school district may transfer any amount from the unappropriated fund balance account in its transportation fund to any other operating fund or to the appropriated fund balance account for bus purchases in its transportation fund.

(SUBD. 11. [PAYMENT SCHEDULE THROUGH 1982.] EXCEPT AS MAY BE OTHERWISE AUTHORIZED BY THE COMMISSIONER TO ACCOMMODATE A FLEXIBLE SCHOOL YEAR PROGRAM, FOR FISCAL YEARS THROUGH 1982, THE STATE SHALL PAY TO EACH SCHOOL DISTRICT 30 PERCENT OF ITS ESTIMATED SCHOOL TRANSPORTATION AID FOR THE FISCAL YEAR ON OR BEFORE EACH OF THE FOLLOWING DATES: AUGUST 31, DECEMBER 31, AND MARCH 31. THE FINAL AID DISTRIBUTION TO EACH DISTRICT SHALL BE MADE ON OR BEFORE OCTOBER 31 OF THE FOLLOWING FISCAL YEAR.)

Subd. 12. [PAYMENT SCHEDULE.] Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program, (STARTING IN FISCAL YEAR 1983,) the state shall pay each school district its estimated school transportation aid for the fiscal year according to the following schedule: 30 percent by August 31; 30 percent by December 31; and 25 percent by March 31. The final aid distribution to each district shall be made by October 31 of the following fiscal year.

Sec. 2. Minnesota Statutes 1982, section 275.125, subdivision 5, is amended to read:

Subd. 5. [TRANSPORTATION LEVY.] For school transportation services, a school district may levy an amount not to exceed the amount raised by a levy of (TWO) 1.75 mills times the adjusted assessed valuation of the taxable property of the district for the preceding year. A district may also levy under this subdivision for the amount necessary to eliminate any projected deficit in the appropriated fund balance account for bus purchases in its transportation fund as of June 30 in the school year when the levy is recognized as revenue. A district which contracts for pupil transportation services may also levy an amount equal to (\$18 TIMES THE NUMBER OF FTE PUPILS TRANSPORTED ON CONTRACTED SCHOOL BUSES IN THE PRECEDING SCHOOL YEAR IN THE REGULAR TRANSPORTATION CATEGORY) the aid subtraction computed pursuant to section 124.225, subdivision 8k, for the school year beginning in the year the levy is certified, which amount

shall be placed in the transportation fund and used for any lawful purpose. A district may levy an amount equal to the estimated cost, in the school year beginning in the year in which the levy is certified, of transporting secondary pupils to and from school who live more than one mile but less than two miles from the public school which they could attend or from a nonpublic school actually attended. A district may also levy for transportation costs or other related services which are necessary because of extraordinary traffic hazards for the next school year. Levies authorized by this subdivision shall be computed according to procedures established by the commissioner.

Sec. 3. Minnesota Statutes 1982, section 275.125, subdivision 5b, is amended to read:

Subd. 5b. [TRANSPORTATION LEVY OFF-FORMULA ADJUSTMENT.] In (ANY) fiscal (YEAR IN WHICH) *years 1983 and 1984* if the transportation levy in a district attributable to (THAT) *each* fiscal year of two mills times the adjusted assessed valuation of the district exceeds the transportation aid computation under section 124.225, subdivisions 8b, 8c, 8d, 8e, 8f, 8g, and 8h, the district's transportation levy limitation shall be adjusted as provided in this subdivision. In the year following (THAT) *each of those* fiscal (YEAR) *years*, the district's transportation levy shall be reduced by an amount equal to the difference between (1) two mills times the adjusted assessed valuation of the district, and (2) the sum of the district's transportation aid computation pursuant to section 124.225, subdivisions 8b, 8c, 8d, 8e, 8f, 8g, and 8h, less the amount of any aid reduction due to an insufficient appropriation as provided in section 124.225, subdivision 8a.

*In fiscal year 1985 and each fiscal year thereafter, if the basic transportation levy in a district attributable to a particular fiscal year of 1.75 mills times the adjusted assessed valuation of the district exceeds the transportation aid computation under section 124.225, subdivisions 8b, 8i, and 8k, the district's levy limitation shall be adjusted as provided in this subdivision. In the year following each fiscal year, the district's transportation levy shall be reduced by an amount equal to the difference between (1) 1.75 mills times the adjusted assessed valuation of the district, and (2) the sum of the district's transportation aid computation pursuant to section 124.225, subdivisions 8b, 8i, and 8k, and the amount of any subtraction made from special state aids and payments pursuant to article 1, section 6, subdivision 2, less the amount of any aid reduction due to an insufficient appropriation as provided in section 124.225, subdivision 8a.*

For the levies certified in 1983 and 1984, the following additional amount shall be subtracted:

the product of

(a) the number of nonhandicapped secondary pupils transported in the base year who live between one and two miles from the public school which they could attend or the nonpublic school actually attended, times

(b) 1.5, divided by the average distance to school for all FTE's transported in the district in the regular transportation category in the base year, times

(c) the district's aid entitlement per FTE determined according to section 124.225, subdivision 7b, times the ratio of average daily membership in the district in the current year to average daily membership in the district in the base year.

Sec. 4. Minnesota Statutes 1982, section 275.125, is amended by adding a subdivision to read:

*Subd. 5c. [NONREGULAR TRANSPORTATION LEVY.] A school district may also make a levy for unreimbursed non-regular transportation costs pursuant to this subdivision. The amount of the levy shall not exceed the product of:*

(a) *the district's unreimbursed nonregular transportation revenue determined pursuant to section 124.225, subdivision 8j, clause (a), times*

(b) *the lesser of*

(i) *one, or*

(ii) *the ratio of the district's adjusted assessed valuation for the preceding year per total pupil unit in the school year to which the levy is attributable, to the equalizing factor for the school year to which the levy is attributable.*

Sec. 5. [ADDITIONAL TRANSPORTATION LEVY; 1983.]

*Any district which in 1982 levied less than the maximum amount the district was permitted to levy pursuant to Minnesota Statutes 1982, section 275.125, subdivision 5, for the estimated cost of transporting secondary pupils to and from school who live more than one mile but less than two miles from the public school which they could attend or from a nonpublic school actually attended, or which in 1982 levied less than \$18 times the number of FTE pupils transported on contracted school buses in the preceding school year in the regular transportation category, may make an additional transportation levy in 1983. The additional levy in 1983 shall not exceed the amount by which the district's actual levy in 1982 under those provisions was less than the maximum amount the district was permitted to levy under those provisions.*

Sec. 6. [APPROPRIATIONS.]

*Subdivision 1. There is appropriated from the general fund to the department of education the sums indicated in this section for the fiscal years ending June 30 in the years designated.*

*Subd. 2. [TRANSPORTATION AID.] For transportation aid there is appropriated:*

\$83,554,000 . . . . . 1984,

\$91,247,000 . . . . . 1985.

*(a) The appropriation for 1984 includes \$13,471,000 for aid for fiscal year 1983 payable in fiscal year 1984 and \$70,083,000 for fiscal year 1984 payable in fiscal year 1984.*

*(b) The appropriation for 1985 includes \$12,367,000 for aid for fiscal year 1984 payable in fiscal year 1985 and \$78,880,000 for fiscal year 1985 payable in fiscal year 1985.*

*Subd. 3. [CANCELLATION.] Any unexpended balance remaining from the appropriation in this section for 1984 shall cancel and shall not be available for the second year of the biennium. None of the amounts appropriated in this section shall be expended for a purpose other than the purpose indicated. If the appropriation amount attributable to either year for any purposes indicated is insufficient, the aid for that year shall be prorated among all qualifying districts in the manner prescribed in Minnesota Statutes, section 124.225, subdivision 8a.*

SPECIAL EDUCATION

Sec. 1. Minnesota Statutes 1982, section 120.17, subdivision 3, is amended to read:

*Subd. 3. Subdivision 1. The state shall pay these aids on a current funding basis. Except for the 1982-1983 school year, the portion of the compensation from state appropriation shall be (90) 89.1 percent of the compensation paid each teacher for services in the programs up to \$8,000 per year based on the costs in that current year. All classes shall be tuition free when taught by teachers subsidized under this section and there shall be no charge for registration, materials and supplies. Evening school and continuing education programs are defined as those public day or evening school programs which are established for persons over 16 years of age not in attendance at the full time elementary or secondary schools and which qualify such persons for the high school diploma, the high school equivalency certificate or for academic achievement at the secondary level.

Sec. 2. Minnesota Statutes 1982, section 124.271, subdivision 2a, is amended to read:

Subd. 2a. [AID; 1984.] (1) Beginning in fiscal year 1984, each district which is operating a community education program in compliance with the rules promulgated by the state board and which has levied pursuant to section 275.125, subdivision 8, shall receive in state aid the greater of the following:

(b) (75) 25 cents per capita; or

(c) \$7,000.

However (THE AMOUNT OF AID SHALL NOT EXCEED THE AMOUNT CERTIFIED), for any district which qualifies for aid under clause (c) and which does not certify the maximum permissible levy pursuant to section 275.125, subdivision 8, the aid shall be reduced by multiplying the aid amount by the ratio of the district's actual levy to its maximum permissible levy. For purposes of computing the aid limitation pursuant to this subdivision, the amount certified pursuant to section 275.125, subdivision 8, shall not reflect reductions pursuant to section 275.125, subdivision 9.

(2) In addition to the amount in clause (1), in fiscal year 1984 a district which made a levy for community education programs pursuant to section 275.125, subdivision 8, shall receive additional aid of 25 cents per capita. *(b) the greater of*

*(i) \$7,000, or*

*(ii) \$5 times the population of the district.*

(2) However, for any district which certifies less than the maximum permissible levy under the provisions of section 275.125, subdivision 8, clause (4), the district's community education aid under clause (1) of this subdivision shall be reduced by multiplying the aid amount computed pursuant to clause (1) of this subdivision by the ratio of the district's actual levy under section 275.125, subdivision 8, clause (4), to its maximum permissible levy under section 275.125, subdivision 8, clause (4). For purposes of computing the aid reduction pursuant to this clause, the amount certified pursuant to section 275.125, subdivision 8, clause (4), shall not reflect reductions made pursuant to section 275.125, subdivision 9.

(a) *\$5 times the population of the district, or*

(b) *\$7,000.*

(5) *In addition to the levy authorized in clause (4), in 1983 a district may levy an additional amount for community education programs equal to the difference obtained by subtracting*

An amount shall be presumed to be excess for a school district in the amount that it, together with the levy required by subdivision 1, will exceed 106 percent (IN EXCESS) of the amount needed to meet when due the principal and interest payments on the obligations due before the second following July 1. This subdivision shall not limit a school board's authority to specify a tax levy in a higher amount if necessary because of anticipated tax delinquency.

If the governing body, including the governing body of a school district, in any year makes an irrevocable appropriation to the debt service fund of moneys actually on hand or if there is on

hand any excess amount in the debt service fund, the recording officer may certify to the county auditor the fact and amount thereof and the auditor shall reduce by the amount so certified the amount otherwise to be included in the rolls next thereafter prepared.

(b) prescribe goals for implementing the use of computers and other technologies within the school district, including a management plan and an instructional plan with a specified scope and sequence;

(c) describe how the district will provide training for its staff in the use of computers and other technologies to improve the effectiveness of its schools;

(d) outline the process for achieving the goals; and

(e) establish procedures for evaluating and reporting progress toward the goals.

The school board shall develop the plan after consultation with its staff and with community members. The board shall consult with its curriculum advisory committee for planning, evaluation, and reporting appointed pursuant to section 123.741, subdivision 3. The board is encouraged to review the plan each year and adopt revisions when it deems it desirable.

Subd. 3. [CRITERIA; MODEL PLANS.] By August 31, 1983, the department of education shall prepare the criteria it will use for approval of plans and will provide model plans. The department may employ consultants and specialists to advise and assist in the development of the criteria and models, and shall consult with educational cooperative service units, regional management information centers formed pursuant to section 121.935, subdivision 1, and the Minnesota educational computing consortium prior to development of the criteria and models.

Subd. 4. [AID TO DISTRICTS.] A district which applies for aid for the development of a technology utilization plan shall receive \$1 for each pupil in average daily membership enrolled in public elementary and secondary schools in the district in the 1982-1983 school year. ### Sec. 3. [121.603] [COURSEWARE EVALUATION.]

*Subdivision 1. [EVALUATION CRITERIA AND ADVISORY COMMITTEE.] To assist school districts with the purchase of computer courseware the commissioner of education shall establish courseware evaluation criteria and procedures. The criteria shall become the basis for evaluation and approval of courseware. The procedures developed shall contain a procedure for approval and resubmission of nonapproved courseware. The commissioner may employ consultants and specialists to assist in the development of the criteria and procedures and in the evaluation of the courseware, and shall consult with the regional management information centers formed pursuant to 121.935, subdivision 1 and the Minnesota educational computing consortium prior to development of the criteria and procedures.*

*By September 1, 1983, the commissioner of education shall establish and distribute, following consultation with a courseware evaluation advisory committee, criteria and procedures for evaluation of courseware. The courseware evaluation advisory committee shall consist of at least: six teachers, two school administrators, one computer professional knowledgeable in the field of microcomputers, one person actively employed in documentation standards for courseware, one person actively employed in the field of courseware development, one person designated by the executive director of the Minnesota educational computing consortium, two parents, and two additional persons appointed by the commissioner of education. This committee shall modify and update criteria and procedures as necessary, and recommend approval or disapproval of courseware based upon field tests.*

*Subd. 2. [EVALUATION AND FIELD TESTING OF COURSEWARE.] For courseware to be approved it must be submitted to the commissioner of education for evaluation and field testing, except that the commissioner may provide for the evaluation and field testing of courseware that has not been submitted if he finds that school districts have a strong interest in purchasing or leasing the courseware. The commissioner of education shall give public notice of intention to evaluate course-*

ware. As soon after September 1, 1983, as practical the commissioner shall distribute the criteria and procedures to be used in courseware evaluation to all who request copies.

Each unit of courseware obtained for approval shall be evaluated by a minimum of five persons, including three practicing teachers from appropriate grade level or content areas who will field test the courseware in their classrooms, one microcomputer professional knowledgeable in the software and documentation techniques, and one curriculum content expert. These persons shall represent to the commissioner of education that they have no financial interest in the product being evaluated nor in any similar or competing product. The commissioner of education may pay honoraria or consultant fees to evaluators based upon the size and complexity of the courseware evaluated. The evaluators shall submit a written report to the commissioner of education in a form and manner as the commissioner prescribes following the established criteria of subdivision 1.

The commissioner of education shall compile the reports. The commissioner may review the results with the courseware evaluation advisory committee, and shall either approve or disapprove the courseware. Results of the evaluation shall be available to the courseware producer for review.

**Subd. 3. [PUBLICATION OF LISTING OF APPROVED COURSEWARE.]** Beginning January 1, 1984, and every six months thereafter, the department of education shall distribute to all school districts a list of approved courseware. The department of education shall maintain a collection of approved courseware for review and examination. The courseware evaluation advisory committee shall distribute every six months a list of needed courseware for which there is no acceptable commercially available product. As evaluated by the criteria developed in this section, this list shall be based upon surveys or other methods which recognize input from school districts.

#### Sec. 4. [121.604] [COURSEWARE ACQUISITION.]

**Subdivision 1. [COURSEWARE DEVELOPMENT.]** The Minnesota educational computing consortium, in consultation with the department of education, is authorized to develop and design courseware which will meet the needs of public schools and which is included in the listings of needed courseware established in section 3 of this article and which is otherwise unavailable or too expensive for individual districts to purchase. The Minnesota educational computing consortium may:

(a) contract with school districts, private entrepreneurs, and other public and private agencies for the development of specified courseware;

(b) assist entrepreneurs to develop their own ideas for courseware or other software that could be used in the schools by providing funds for that purpose;

(c) secure copyrights in those materials in which it has a whole or part interest;

(d) sell developed courseware at cost to school districts in Minnesota and at commercial rates elsewhere; and

(e) sell or contract for the marketing of courseware.

The courseware shall be evaluated according to the criteria and procedures established in section 3 of this article.

Courseware developed pursuant to this subdivision shall become the property of the Minnesota educational computing consortium. Revenue from the sale of this courseware shall be used to develop more courseware pursuant to this section.

**Subd. 2. [DEVELOPMENT OF ENTREPRENEURIAL IDEAS.]** School districts, individuals, public and private organizations and agencies may make proposals for development of courseware to the Minnesota educational computing consortium at any time. If the Minnesota educational computing consortium chooses to fund development of the proposal, a contract shall be negotiated; provided that the Minnesota educational computing consortium funding shall not exceed the actual development cost or the agreed upon fixed price, whichever is less. Profits from future distribution of the product, if any, shall be shared according to provisions in the contract. Approval of contracts shall follow the provisions of subdivision 1. Funding of contracts can be, in part, provision of or access to equipment and technical assistance necessary to performance of the contract.

**Subd. 3. [DISTRIBUTION.]** The Minnesota educational computing consortium may sell courseware to Minnesota school districts at cost and may sell to school districts in other states and to the general public at commercial rates. Every contract with a developer who shares in the profits of distribution shall include a provision requiring sale of the courseware at cost to Minnesota school districts.

## Sec. 5. [121.605] [PURCHASE OF COURSEWARE.]

The commissioner may purchase and make available to school districts duplication rights for courseware and related materials.

Duplication rights may be purchased and volume purchase agreements may be established by the commissioner if the materials meet the criteria developed in section 3 of this article and

*if the materials are available to the state at a lower cost than if separate school districts purchase them individually.*

*The department of education shall make the courseware available to the Minnesota educational computing consortium for distribution to school districts. The materials shall be available to school districts without cost except for nominal costs of reproduction and distribution.*

**Sec. 6. [124.252] [INCENTIVES FOR PURCHASE OF COURSEWARE.]**

*Subdivision 1. [STATE MATCHING FUNDS.] For the purchase, lease, or lease-purchase of courseware approved under the provisions of section 3 of this article, school districts shall receive state aid. The aid shall be equal to the lesser of:*

*(a) \$2.40 times the number of pupils in average daily membership in the district in the 1983-1984 school year, or*

*(b) twenty-five percent of the actual expenditures of the district for the purchase, lease, or lease-purchase of courseware between July 1, 1983, and June 30, 1985.*

*Subd. 2. [PAYMENT OF AID.] The commissioner shall prescribe the form and manner of an application for aid under this section. Partial payment of aid shall be made by April 1, 1984, for courseware expenditures prior to March 1, 1984, if timely applications have been received by March 1, 1984. Partial payment of aid shall be made by April 1, 1985, for courseware expenditures prior to March 1, 1985, if timely applications have been received by March 1, 1985. Final aid payment shall be made by June 30, 1985, and shall be based upon applications received by June 1, 1985.*

**Sec. 7. [121.606] [TRAINING DEMONSTRATION SITES.]**

To the extent possible, the selected sites shall be geographically well-distributed with representation from urban, suburban, and rural areas. Selection criteria shall include: (1) demonstrated interest, financial commitment, and past success by the applicant in utilization of technology; (2) evidence of interest on the part of the applicant's staff and the community to fully incorporate technology into their curriculum in order to facilitate demonstration of new methods; and (3) willingness of the applicant to cooperate with others to offer inservice training in the use of educational technology at the training demonstration site, pursuant to section 13 of this article. A general plan of implementation shall be required with the application; however, model site applicants shall not be required to present a detailed final plan at the time of application. Successful applicants shall work with the department of education, local post-secondary institutions, other public and private agencies, and local business and industry, as appropriate, to devise and implement a comprehensive plan. Grants may be used for equipment purchase, hiring of consultants, curriculum development, and staff training.*

*Subd. 3. [CRITERIA FOR AWARDED GRANTS.] By October 1, 1983, the state board shall adopt and distribute criteria for awarding grants prepared by the training demonstration sites advisory committee, in consultation with the Minnesota educational computing consortium, regional management information centers, the council on quality education, and the state board.*

*Subd. 4. [APPLICATION FOR GRANTS.] By December 1, 1983, applicants shall submit applications for the grants on forms provided by the commissioner of education. Grants shall be awarded by January 15, 1984.*

A district which holds school for the required minimum number of days and is otherwise qualified is entitled to special state aid as provided by law. If school is not held for the required minimum number of days, special state aid shall be reduced by the ratio that the difference between (175) 180 days and the number of days school is held bears to (175) 180 days, multiplied by 60 percent of the product of the foundation aid formula allowance times its pupil units for that year. However, districts maintaining school for fewer than the required minimum number of days do not lose special state aid, if the circumstances causing loss of school days below the required minimum number of days are beyond the control of the board and, if proper evidence is submitted and a good faith attempt made to make up time lost due to these circumstances. The loss of school days resulting from a lawful employee strike shall not be considered a circumstance beyond the control of the board. Days devoted to teachers' institutes or other meetings authorized or called by the commissioner may not be included as part of the required minimum number of days of school. Not more than (FIVE) *seven* days may be devoted to parent-teacher conferences or teachers' workshops as part of the required minimum number of days, (EXCEPT THAT) *provided that, if the number of days devoted to parent-teacher conferences or teachers' workshops is more than five, the number of these days in excess of five shall be devoted to teacher training programs provided pursuant to the provisions of this article. However, for kindergarten classes, not more than (TEN) 12 days may be devoted to parent-teacher conferences or teachers' workshops as part of the required minimum number of days, provided that, if the number of days devoted to parent-teacher conferences or teachers' workshops is more than ten, the number of those days in excess of ten shall be devoted to teacher training programs provided pursuant to the provisions of this article. Districts are encouraged to cooperate and coordinate with one another and with educational cooperative service units to provide inservice training on the same workshop days.*

**ARTICLE 9**

**COUNCIL ON QUALITY EDUCATION**

Section 1. Minnesota Statutes 1982, section 129B.02, is amended to read:

**129B.02 [PURPOSE.]**

The legislature of the state of Minnesota expresses concern over the future of elementary and secondary education in this state, its ability to meet the educational needs of the public school students, the professional growth and satisfaction of school staffs, the effectiveness and efficiency of present schools and their learning processes, continuing pupil unit cost escalation and the resulting financial crisis which this brings about. New approaches to the learning process, better utilization of professional staff and community resources, different requirements

as to course offerings, course content, grading, graduation and school attendance must be researched and developed. It is believed that revised programs, innovations, new attitudes about learning and the public schools' responsibilities can be effectively achieved if such research and development are performed by the council on quality education and at the local school level by the school's staff and with involvement by the students and their community. Although funds spent now for such purposes can produce substantial educational and cost benefits in the future, such capital type funds are seldom available within any single school district's budget.

The purpose of the council on quality education is, therefore, to encourage, promote, aid, and perform research and development for quality education in Minnesota elementary and secondary schools, to evaluate the results of significant innovative programs and to disseminate information about these programs throughout the state.

To these ends, the council through the state board of education shall establish a venture fund from which grants or loans may be made in support of research and development programs relating to the problems and objectives heretofore described which shall include but not be limited to:

- (1) Effective utilization of community personnel and resources.
- (2) Developing model personnel policies and procedures, new staffing concepts such as differentiated staffing.
- (3) Assessment and evaluation of education programs.
- (4) Developing (A MANAGEMENT AND UNIT OF INSTRUCTIONAL OBJECTIVES DESIGN WHICH WILL PROVIDE) *procedures to increase a school's accountability (BY RELATING TIME AND DOLLARS TO THE AMOUNT OF LEARNING PRODUCED).*
- (5) Determining responsibilities to be assumed by the schools exclusively or concurrently with other agencies or individuals.
- (6) Effective dissemination of educational information.
- (7) Developing new knowledge about learning and teaching.
- (8) Developing model educational programs (AS ALTERNATIVES TO EXISTING EDUCATIONAL PRACTICES AND CURRICULA) *and alternative delivery systems that will improve curriculum offerings for small rural schools.*

(9) Model programs and innovations to increase equality of educational opportunities.

(10) Research and testing of new concepts of educational efficiency, effectiveness and cost benefits.

(11) Comprehensive interdisciplinary programs in health education and comprehensive programs designed to coordinate and integrate the delivery of pupil support services.

The council shall not be limited to supporting innovations, programs or procedures supplementary to existing school structures and programs but may assist or research entirely new concepts such as open schools, informal schools and the like. It is the legislature's intent that any supported program shall hold promise of both educational and cost benefits and that the costs and improvements in learning effectiveness introduced thereby shall be measured and related. *The council shall provide for an evaluation of each program which it supports with a grant or loan.*

The council may also review literature and other information about innovative programs in Minnesota and other states and disseminate the results of this research throughout the state. The council may identify ideas for innovative programs in the course of this research and solicit proposals from school boards for grants for such programs; provided not to exceed ten percent of the funds appropriated to the venture fund in any year may be expended to fund such research and programs.

The council shall make a report by November 15 of each even numbered year to the legislature concerning all research and all proposals received (AND), the dispositions made thereof by the council and the state board of education, *the evaluations of the programs that were funded, and of receipts and expenditures resulting from sales of materials developed through venture fund grants.*

Sec. 2. Minnesota Statutes 1982, section 129B.04, is amended to read:

129B.04 [PROPOSALS.]

Subdivision 1. [REQUIREMENTS.] The board of any local school district or any group of such boards may develop a proposal for a grant or loan in support of a research and development program of the kind described in section 129B.02. *Except for replication and dissemination mini-grants made pursuant to subdivision 2, every such proposal shall include:*

(1) a statement of the objectives of the program, and the procedures for achieving the objectives;

(2) a description of the evaluation procedures for measuring the effectiveness of the program;

(4) provision for administration of the program by the local school district, or in cooperation with other school districts, educational institutions, or local agencies under the supervision of the local school district; and

*Subd. 2. [MINI-GRANTS.] The council may award grants not to exceed \$5,000 to districts to (1) replicate cost-effective innovations initiated in other districts with venture fund support or which have been validated by the department of education or federal agencies when initiated with federal or other support within and outside Minnesota; or (2) disseminate information about successful projects the district initiated with a grant from the venture fund.*

*The council shall prescribe the form and manner of application for mini-grants.*

The council shall also recommend what rules and regulations, if any, shall be suspended or modified in order to implement the proposal. Only such proposals as are recommended for approval shall be transmitted by the council to the state board, and all such proposals shall be approved and funded from the venture fund by the state board as recommended by the council unless the state board, within 30 days of receipt of a proposal from the council, shall make other disposition of the proposal by formal board action. One half of each grant recommended by the council and funded by the state board may be deemed an interest free loan to be repaid over a five year period.

However, the state shall sell the products to all school districts and public agencies in the state at prices that do not exceed the cost of reproduction and distribution.*

*Subd. 2. Delete everything after the enacting clause and insert:

"Section 1. [324.01] [DEFINITIONS.]

For the purposes of sections 1 to 5, the following terms have the meanings given them:

(1) "artist" means the creator of a work of art or, if he or she is deceased, that person's heirs or personal representatives;

(2) "art" means a painting, sculpture, drawing, work of graphic art, photograph, weaving, or work of craft art;

(3) "art dealer" means a person engaged in the business of selling works of art, other than a person exclusively engaged in the business of selling goods at public auction;

(4) "person" means an individual, partnership, corporation, association, or other group, however organized; and

(5) "consignment" means that no title to, estate in, or right to possession of, art, superior to that of the consignor vests in the consignee, notwithstanding the consignee's power or authority to transfer and convey to a third person all of the right, title, and interest of the consignor in and to such art.

Sec. 2. [324.02] [DELIVERY TO AND ACCEPTANCE BY ART DEALER.]

Notwithstanding any custom, practice, or usage of the trade to the contrary, whenever an artist delivers or causes to be delivered a work of art of the artist's own creation to an art dealer in this state for the purpose of exhibition or sale, or both, on a commission, fee, or other basis of compensation, the delivery to and acceptance of the work of art by the art dealer constitutes a consignment, unless the delivery to the art dealer is pursuant to an outright sale for which the artist receives or has received full compensation for the work of fine art upon delivery.

Sec. 3. [324.03] [RESULTS OF CONSIGNMENT; ARTIST-ART DEALER RELATIONSHIPS.]

A consignment of a work of fine art results in all of the following:

(1) the art dealer, after delivery of the work of art, is an agent of the artist for the purpose of sale or exhibition of the consigned work of art within the state of Minnesota;

(2) the work of art is property held in trust by the consignee for the benefit of the consignor, and is not subject to claim by a creditor of the consignee;

(3) the consignee is responsible for the loss of, or damage to, the work of art; and

(4) *the proceeds from the sale of the work of art must be held in trust by the consignee for the benefit of the consignor. The proceeds must first be applied to pay any balance due to the consignor, unless the consignor expressly agrees otherwise in writing.*

Sec. 4. [324.04] [TRUST PROPERTY.]

*A work of art received as a consignment remains trust property until the price is paid in full by the consignor, notwithstanding the subsequent purchase of it by the consignee directly or indirectly for the consignee's own account. If the work is thereafter resold to a bona fide purchaser before the consignor has been paid in full, the proceeds of the resale received by the consignee constitute funds held in trust for the benefit of the consignor to the extent necessary to pay any balance still due to the consignor. The trusteeship continues until the fiduciary obligation of the consignee with respect to this transaction is discharged in full.*

Sec. 5. [324.05] [APPLICATION.]

*Sections 1 to 5 do not apply to a written contract executed prior to August 1, 1983, unless either the parties agree by mutual consent that sections 1 to 5 apply, or the contract is extended or renewed after August 1, 1983.*

*The provisions of sections 1 to 5 prevail over any conflicting or inconsistent provisions of the Uniform Commercial Code affecting the subject matter of these sections."*

(4) "impression" means the printed image on suitable material, whether paper or any other substance, made off the plate or negative by printing, stamping, casting, developing, or any other process commonly used in the graphic or photographic arts;

(5) "plate" includes any plate, stone, block, or other material hand-drawn by the artist, used for the purpose of creating the print from which the impression or impressions were taken;

## Sec. 3. [324.03] [ACTS PROHIBITED; DISCLOSURE STATEMENTS.]

Subdivision 1. [ADVERTISING DISCLOSURES.] No catalogue, prospectus, or circular offering fine prints for sale in this state shall be knowingly published or distributed, or both, unless it clearly and conspicuously discloses the relevant infor-

*Subd. 2. [ADVERTISING DISCLAIMER.] If the person offering fine prints by means of a catalogue, prospectus or circular disclaims knowledge as to any relevant detail referred to in section 4, that person shall so state specifically and categorically with regard to each detail so that the purchaser is able to judge the degree of uniqueness or scarcity of each print contained in the edition so offered. [SALES DISCLAIMER.] If the seller disclaims knowledge as to any relevant detail referred to in section 4, he or she shall so state specifically and categorically with regard to each detail so that the purchaser is able to judge the degree of uniqueness or scarcity of the fine print. Describing the print as a "reproduction" eliminates the need to furnish information details unless it was allegedly published in a signed, numbered, or limited edition, or any combination thereof, in which case all of the informational details are required to be furnished.*

**Sec. 4. [324.04] [INFORMATIONAL DETAIL.]**

*The following informational detail is required under section 3:*

*(1) the name of the artist and the year when the fine print was printed;*

*(2) the authorized maximum number of artist's, publisher's, printer's, or other proofs, if any, outside of the regular edition and the total size of the edition;*

*(3) whether the plate or negative has been destroyed, altered, or defaced, after the latest edition;*

*(4) if there were any prior fine prints of the same impression, utilizing a different process, paper, media, or color, the total number of the fine prints and designation of the fine prints;*

(5) *if there were any prior or later editions from the same plate or negative;*

(6) *the name of the workshop, if any, where the edition was printed.*

Sec. 5. [324.05] [LIABILITY.]

(b) *In addition to the liability imposed by clause (a), a person who sells a fine print and who willfully fails to disclose the information required by section 4 is liable to the purchaser in the amount of \$1,000 or in an amount equal to three times the purchase price of the fine print, whichever is greater.*

(c) *No action can be maintained to enforce any liability under this section unless the person who is injured by the failure to disclose returns the fine print to the person violating the provisions of paragraphs (a) or (b) and the action is brought within one year after discovery of the violation upon which it is based and in no event more than three years after the fine print was sold."*

(9)) (10) Laboratory and x-ray services.

(10)) (11) The following if prescribed by a licensed practitioner: drugs, eyeglasses, dentures, and prosthetic devices. The commissioner shall designate a formulary committee which shall advise the commissioner on the names of drugs for which payment shall be made, recommend a system for reimbursing providers on a set fee or charge basis rather than the present system, and develop methods encouraging use of generic drugs when they are less expensive and equally effective as trademark drugs. The commissioner shall appoint the formulary committee members no later than 30 days following July 1, 1981. The formulary committee shall consist of nine members, four of whom shall be physicians who are not employed by the department of public welfare, and a majority of whose practice is for persons paying privately or through health insurance, three of whom shall be pharmacists who are not employed by the department of public welfare, and a majority of whose practice is for persons paying privately or through health insurance, a consumer representative, and a nursing home representative. Committee members shall serve two year terms and shall serve without compensation. The commissioner may establish a drug formulary. Its establishment and publication shall not be subject to the requirements of the administrative procedure act, but the formu-

The formulary shall not include: drugs for which there is no federal funding; over the counter drugs, except for antacids, acetaminophen, family planning products, aspirin, insulin, prenatal vitamins, and vitamins for children under the age of seven; nutritional products; anorectics; and drugs for which medical value has not been established. Payment to drug vendors shall not be modified before the formulary is established. The commissioner may promulgate conditions for prohibiting payment for specific drugs after considering the formulary committee's recommendations.

The basis for determining the amount of payment shall be the actual acquisition costs of the drugs plus a fixed dispensing fee established by the commissioner. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. Establishment of this fee shall not be subject to the requirements of the administrative procedure act. Whenever a generically equivalent product is available, payment shall be on the basis of the actual acquisition cost of the generic drug, unless the prescriber specifically indicates "dispense as written" on the prescription as required by section 151.21, subdivision 2.

Notwithstanding the above provisions, implementation of any change in the fixed dispensing fee which has not been subject to the administrative procedure act shall be limited to not more than 180 days, unless, during that time, the commissioner shall have initiated rulemaking through the administrative procedure act.

((11)) (12) Diagnostic, screening, and preventive services.

((12)) (13) Health care pre-payment plan premiums and insurance premiums if paid directly to a vendor and supplementary medical insurance benefits under Title XVIII of the Social Security Act.

(a) The abortion is a medical necessity. "Medical necessity" means (1) the signed written statement of two physicians indicating the abortion is medically necessary to prevent the death of the mother, and (2) the patient has given her consent to the abortion in writing unless the patient is physically or legally incapable of providing informed consent to the procedure, in which case consent will be given as otherwise provided by law;

(b) The pregnancy is the result of criminal sexual conduct as defined in section 609.342, clauses (c), (d), (e)(i), and (f), and the incident is reported within 48 hours after the incident

occurs to a valid law enforcement agency for investigation, unless the victim is physically unable to report the criminal sexual conduct, in which case the report shall be made within 48 hours after the victim becomes physically able to report the criminal sexual conduct; or

(c) The pregnancy is the result of incest, but only if the incident and relative are reported to a valid law enforcement agency for investigation prior to the abortion.

((14)) (15) Transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by non-ambulatory persons in obtaining emergency or non-emergency medical care when paid directly to an ambulance company, common carrier, or other recognized providers of transportation services. For the purpose of this clause, a person who is incapable of transport by taxicab or bus shall be considered to be non-ambulatory.

((15)) (16) To the extent authorized by rule of the state agency, costs of bus or taxicab transportation incurred by any ambulatory eligible person for obtaining non-emergency medical care.

((16)) (17) Any other medical or remedial care licensed and recognized under state law unless otherwise prohibited by law.

In implementing the program, the state agency shall utilize both pre-payment and post-payment review systems to determine if utilization is reasonable and necessary. The determination of whether services are reasonable and necessary shall be made by the commissioner in consultation with a professional services advisory group appointed by the commissioner. Determinations shall be binding on all parties, and shall not be subject to provisions of sections 14.57 to 14.62 or section 256.045.*

Notwithstanding any other law to the contrary, a vendor of medical care shall not be subject to any civil or criminal liability for

Subd. 2. All orders under this section shall be for a specified length of time set by the court not to exceed one year. However, before the order has expired and upon its own motion or that of any interested party, the court (HAS CONTINUING JURISDICTION TO RENEW THE ORDER OR) *shall, after notice to the parties and a hearing, renew the order for another year or make some other disposition of the case, until the individual is no longer a minor. When the court has determined that the special needs of the ward are met through a permanent or long-term foster care placement, no subsequent dispositional hearings are required.*

Sec. 5. Minnesota Statutes 1982, section 278.01, subdivision 1, is amended to read:

Subdivision 1. [DETERMINATION OF VALIDITY.] Any person having any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the city or county, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of his claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving two copies of a petition for such determination upon the county auditor and one copy each on the county treasurer and the county attorney and filing the same, with proof of service, in the office of the clerk of the district court before the (FIRST) 15th day of (JUNE) *May* of the year in which the tax becomes payable. The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court. An appeal may also be taken to the tax court under chapter 271 at any time following receipt of the valuation notice required by section 273.121 but prior to (JUNE 1) *May 15* of the year in which the taxes are payable.

Sec. 6. Minnesota Statutes 1982, section 278.01, subdivision 2, is amended to read:

Subd. 2. [HOMESTEADS.] Any person having any estate, right, title or interest in or lien upon any parcel which is classified as homestead under the provisions of section 273.13, subdivisions 6, 6a, 7, 7b, 10 or 12, who claims that said parcel has been assessed at a valuation which exceeds by ten percent or more the valuation which the parcel would have if it were valued at the average assessment/sales ratio for real property in the same class, in that portion of the county in which that parcel is located, for which the commissioner is able to establish and publish a sales ratio study as determined by the applicable real

estate assessment/sales ratio study published by the commissioner of revenue, may have the validity of his claim, defense, or objection determined by the district court of the county in which the tax is levied or by the tax court by serving two copies of a petition for such determination upon the county auditor and one copy each on the county treasurer and the county attorney and filing the same, with proof of such service, in the office of the clerk of the district court before the (FIRST) 15th day of (JUNE) May of the year in which such tax becomes payable. The county auditor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be sent to the school board of the school district in which the property is located. A petition for determination under this section may be transferred by the district court to the tax court.

Sec. 7. Minnesota Statutes 1982, section 278.03, is amended to read:

278.03 [PAYMENT OF TAX.]

If the proceedings instituted by the filing of the petition have not been completed before the (FIRST) 15th day of (JUNE) May next following the filing, the petitioner shall pay to the county treasurer 50 percent of the tax levied for such year against the property involved, unless permission to continue prosecution of the petition without such payment is obtained as herein provided. If the proceedings instituted by the filing of the petition have not been completed by the next (NOVEMBER 1) October 15, the petitioner shall pay to the county treasurer 50 percent of the unpaid balance of the taxes levied for the year against the property involved if the unpaid balance is \$2,000 or less and 80 percent of the unpaid balance if the unpaid balance is over \$2,000, unless permission to continue prosecution of the petition without payment is obtained as herein provided. The petitioner, upon ten days notice to the county attorney and to the county auditor, given at least ten days prior to the (FIRST) 15th day of (JUNE) May or the (FIRST) 15th day of (NOVEMBER) October, may apply to the court for permission to continue prosecution of the petition without payment; and, if it is made to appear

- (1) That the proposed review is to be taken in good faith;
- (2) That there is probable cause to believe that the property may be held exempt from the tax levied or that the tax may be determined to be less than 50 percent of the amount levied; and
- (3) That it would work a hardship upon petitioner to pay the taxes due,

the court may permit the petitioner to continue prosecution of the petition without payment, or may fix a lesser amount to be paid as a condition of continuing the prosecution of the petition.

Failure to make payment of the amount required when due shall operate automatically to dismiss the petition and all proceedings thereunder unless the payment is waived by an order of the court permitting the petitioner to continue prosecution of the petition without payment. The county treasurer shall, upon request of the petitioner, issue duplicate receipts for the tax payment, one of which shall be filed by the petitioner in the proceeding.

Sec. 8. Minnesota Statutes 1982, section 278.05, subdivision 5, is amended to read:

Subd. 5. Any time after the filing of the petition and before the trial of the issues raised thereby, when the defense or claim presented is that the property has been partially, unfairly, or unequally assessed, or that the parcel has been assessed at a valuation greater than its real or actual value, or that a parcel which is classified as homestead under the provisions of section 273.13, subdivisions 6, 6a, 7, 7b, 10 or 12, has been assessed at a valuation which exceeds by ten percent or more the valuation which the parcel would have if it were valued at the average assessment/sales ratio for real property in the same class in that portion of the county in which the parcel is located, for which the commissioner is able to establish and publish a sales ratio study, the attorney representing the state, county, city or town in the proceedings may serve on the petitioner, or his attorney, and file with the clerk of the district court, an offer to reduce the valuation of any tract or tracts to a valuation set forth in the offer. If, within ten days thereafter, the petitioner, or his attorney, gives notice in writing to the county attorney, or the attorney for the city or town, that the offer is accepted, he may file the offer with proof of notice, and the clerk shall enter judgment accordingly. Otherwise, the offer shall be deemed withdrawn and evidence thereof shall not be given; and, unless a lower valuation than specified in the offer is found by the court, no costs or disbursements shall be allowed to the petitioner, but the costs and disbursements of the state, county, city or town, including interest at six percent on the tax based on the amount of the offer from and after the (FIRST) 15th day of (NOVEMBER) *October* of the year the taxes are payable, shall be taxed in its favor and included in the judgment and when collected shall be credited to the county revenue fund, unless the taxes were paid in full before the (FIRST) 15th day of (NOVEMBER) *October* of the year in which the taxes were payable, in which event interest shall not be taxable.

Sec. 9. Minnesota Statutes 1982, section 279.01, subdivision 1, is amended to read:

Subdivision 1. On (JUNE FIRST) *May 15*, of each year, with respect to property actually occupied and used as a homestead by the owner of the property, a penalty of three percent shall accrue and thereafter be charged upon all unpaid taxes on real estate on the current lists in the hands of the county treasurer, and a penalty of seven percent on non-homestead property. Thereafter, for both homestead and non-homestead property, on the (FIRST) *15th* day of each month, up to and including (NOVEMBER FIRST) *October 15* following, an additional penalty of one percent for each month shall accrue and be charged on all such unpaid taxes. When the taxes against any tract or lot exceed \$10, one-half thereof may be paid prior to (JUNE FIRST) *May 15*; and, if so paid, no penalty shall attach; the remaining one-half shall be paid at any time prior to (NOVEMBER FIRST) *October 15* following, without penalty; but, if not so paid, then a penalty of four percent shall accrue thereon for homestead property and a penalty of four percent on non-homestead property. Thereafter, for homestead property, on the (FIRST) *15th* day of each month up to and including (JANUARY 1) *December 15* following, an additional penalty of two percent for each month shall accrue and be charged on all such unpaid taxes. Thereafter, for non-homestead property, on the (FIRST) *15th* day of each month up to and including (JANUARY 1) *December 15* following, an additional penalty of four percent for each month shall accrue and be charged on all such unpaid taxes. If one-half of such taxes shall not be paid prior to (JUNE FIRST) *May 15*, the same may be paid at any time prior to (NOVEMBER FIRST) *October 15*, with accrued penalties to the date of payment added, and thereupon no penalty shall attach to the remaining one-half until (NOVEMBER FIRST) *October 15* following; provided, also, that the same may be paid in installments as follows: One-fourth prior to (APRIL FIRST) *March 15*; one-fourth prior to (JUNE FIRST) *May 15*; one-fourth prior to (SEPTEMBER FIRST) *August 15*; and the remaining one-fourth prior to (NOVEMBER FIRST) *October 15*, subject to the aforesaid penalties. Where the taxes delinquent after (NOVEMBER FIRST) *October 15* against any tract or parcel exceed \$40, they may be paid in installments of not less than 25 percent thereof, together with all accrued penalties and costs, up to the next tax judgment sale, and after such payment, penalties, interest, and costs shall accrue only on the sum remaining unpaid. Any county treasurer who shall make out and deliver or countersign any receipt for any such taxes without including all of the foregoing penalties therein, shall be liable to the county for the amount of such penalties.

Sec. 10. Minnesota Statutes 1982, section 473F.08, subdivision 7a, is amended to read:

Subd. 7a. The administrative auditor shall determine for each county the difference between the total levy on distribution value pursuant to subdivision 3, clause (a), within the county and the total tax on contribution value pursuant to subdivision

6, within the county. On or before (JUNE 1) *May 15* of each year, he shall certify the differences so determined to each county auditor. In addition, he shall certify to those county auditors for whose county the total tax on contribution value exceeds the total levy on distribution value the settlement the county is to make to the other counties of the excess of the total tax on contribution value over the total levy on distribution value in the county. On or before June (30) *15* and November (30) *15* of each year, each county treasurer in a county having a total tax on contribution value in excess of the total levy on distribution value shall pay one-half of the excess to the other counties in accordance with the administrative auditors certification."

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. [245.95] [BLOCK GRANTS TO CERTAIN COUNTIES FOR MENTALLY ILL AND CHEMICALLY DEPENDENT PERSONS.]

*Subdivision 1. [PROGRAM ESTABLISHED.] The commissioner of public welfare shall establish a five-year experimental block grant program for treatment services for mentally ill and chemically dependent persons residing in at least ten counties representative of the geographic regions of the state.*

*Subd. 2. [COUNTY PARTICIPATION OPTIONAL.] A county specified in subdivision 1 may elect to participate in the program by forwarding a resolution to that effect to the commissioner of public welfare from the county board of commissioners.*

*Subd. 3. [COUNTY DUTIES.] A participating county shall assume full financial responsibility for its residents who are mentally ill and chemically dependent, and for whom other funds are not available or are insufficient, including the costs for persons placed in state hospitals. With respect to state hospital services, the county shall pay the portion of state hospital per diem charges that is not reimbursed by other third-party payors.*

*This rate shall be determined annually by the commissioner of public welfare based on the reimbursement experience of the state hospital system during the previous state fiscal year of operation.*

*Participating counties shall develop an individual program plan for each person being considered for treatment based on a multi-disciplinary assessment of the individual's needs. The plan shall be the basis for deciding whether or not to place the person in a treatment facility. The counties shall monitor treatment plans and provide case management services.*

*Subd. 4. [SERVICES.] The county shall ensure that mental health services and chemical dependency services are provided to adults requiring them. The services provided shall be the least restrictive alternative available to meet the needs of each individual. The county shall ensure that at least the following services for mental health and for chemical dependency are available and provided as necessary: outpatient treatment; emergency care services; day treatment; screening and assessment; consultation and education; inpatient treatment; and residential and transitional living programs. The county may provide services directly, contract for services, or make grants to other providers to develop services.*

*Subd. 5. [ELIGIBILITY.] Individuals entitled to services provided through the demonstration project are individuals in state hospitals and individuals proposed for admission to state hospitals for which the participating counties are the counties of financial responsibility.*

*Subd. 6. [FORMULA FOR DISTRIBUTION OF FUNDS.] The commissioner of public welfare shall calculate the amount to be paid each participating county by using the following formula:*

*(a) total appropriation for state hospitals minus fixed costs for hospital facilities;*

*(b) minus costs of treatment for the mentally retarded persons;*

*(c) minus costs attributable to the Minnesota State Security Hospital;*

*(d) minus the ten percent that is the county's rate of participation in state hospital costs;*

*(e) divided by the population of the state;*

*(f) multiplied by the population of each county to arrive at the county payment under this experimental program.*

*Subd. 7. [USE OF FUNDS.] The counties shall use the funds under this program to purchase rehabilitation services for their chemically dependent and mentally ill residents from the state hospital system, private hospitals, and other public and private vendors, based on the individual client's needs, subject to the following limitations:*

*(a) During the first year of this program, 85 percent of the funds shall be used exclusively for state hospital services;*

*(b) In the second year, at least 70 percent of the funds shall be used for state hospital services;*

*(c) In the third year, at least 50 percent of the funds shall be used for state hospital services; and*

*(d) In the fourth year, at least 25 percent of the funds shall be used for state hospital services.*

*In the fifth year of the program, allocations under this program shall be made available to the participating counties for community social services under Minnesota Statutes, section 256E.06, except that no additional matching funds shall be required from the county.*

*Subd. 8. [REINSURANCE.] The county and any other provider of services through the demonstration project may contract with an insurer, health care provider, or nonprofit health service plan corporation to provide insurance or similar protection against the cost of care or to provide coverage against the risks of providing services within the block grant amount. The patients served through the demonstration project are a permissible group under group insurance laws and the Nonprofit Health Service Plan Corporation Act. Under this type of contract, the insurer or corporation may make benefit payments to a participating provider for services rendered or to be rendered to a patient. Any insurer or nonprofit health services plan corporation licensed to do business in this state is authorized to provide this insurance or similar protection.*

*Subd. 9. [TECHNICAL ASSISTANCE.] The commissioner shall give technical assistance to county boards that request it with respect to implementing this program.*

*Subd. 10. [REPORT, EVALUATION.] The commissioner of public welfare shall report to the legislature by January 15, 1986, concerning the effectiveness of the program.*

*Before the project's implementation, the participating counties and the commissioner of public welfare shall develop an evaluation method that specifies the project's goals and objectives and includes criteria for measuring the extent to which*

*those goals and objectives are met. The evaluation method shall also be designed to compare the costs and benefits of providing services through the experimental project with those provided through the system in the remainder of the state.*

*Subd. 11. [RELATION TO OTHER FUNDS.] Nothing in this section shall reduce the amount of state funds allocated to participating counties to assist them in bringing their residential facilities for adult mentally ill persons into compliance with rules of the commissioner of public welfare which regulate licensing of those facilities.*

*Subd. 12. [RULES.] The commissioner may adopt permanent and temporary rules to implement this section.*

## Sec. 2. [ALLOCATION OF APPROPRIATION.]

H. F. No. 1042, A bill for an act relating to public welfare; establishing a medical assistance prepayment demonstration project; appropriating money; proposing new law coded in Minnesota Statutes, chapter 256B.

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [256B.70] [PREPAYMENT DEMONSTRATION PROJECT.]

*Subdivision 1. [PURPOSE.] The commissioner of public welfare shall establish a medical assistance demonstration project to determine whether prepayment combined with stimulation of competitive market forces is an effective mechanism to ensure that all eligible individuals receive necessary health care in a coordinated fashion while containing costs. For the purposes*

of this project, waiver of certain statutory provisions is necessary in accordance with this section.

Subd. 2. [DEFINITIONS.] For the purposes of this section, the following terms have the meanings given.

(a) "Commissioner" means the commissioner of public welfare. For the remainder of this section, methods and policies for implementing the project will be proposed by the project advisory committees and approved by the commissioner.

(b) "Demonstration provider" means an individual, agency, organization, or group of the aforementioned entities that participates in the demonstration project according to criteria, standards, methods, and other requirements established for the project and approved by the commissioner.

(c) "Eligible individuals" means those persons eligible for medical assistance benefits as defined in section 256B.06.

(d) "Limitation of choice" means suspending freedom of choice while allowing eligible individuals to choose among the demonstration providers.

Subd. 3. [GEOGRAPHIC AREA.] The commissioner shall designate the geographic areas in which eligible individuals may be included in the demonstration project. The geographic areas shall include one urban, one suburban, and at least one rural county. In order to encourage the participation of long-term care providers, the project area may be expanded beyond the designated counties for eligible individuals over age 65.

Subd. 4. [LIMITATION OF CHOICE.] The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6. Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner.

Subd. 5. [PROSPECTIVE PER CAPITA.] The project shall establish the method and amount of payments for services. The commissioner shall annually contract with demonstration providers to provide services consistent with these established methods and amounts for payment. Notwithstanding section 62D.02, subdivision 1, payments for services rendered as part of the project may be made to providers that are not licensed

health maintenance organizations on a risk-based, prepaid capitation basis.

If allowed by the commissioner, a demonstration provider may contract with an insurer, health care provider, nonprofit health service plan corporation, or the commissioner, to provide insurance or similar protection against the cost of care provided by the demonstration provider or to provide coverage against the risks incurred by demonstration providers under this section. The recipients enrolled with a demonstration provider are a permissible group under group insurance laws and the Non-profit Health Service Plan Corporations Act. Under this type of contract, the insurer or corporation may make benefit payments to a demonstration provider for services rendered or to be rendered to a recipient. Any insurer or nonprofit health service plan corporation licensed to do business in this state is authorized to provide this insurance or similar protection.

Payments to providers participating in the project are exempt from the requirements of sections 256.966 and 256B.03, subdivision 2. The commissioner shall complete development of capitation rates for payments before delivery of services under this section is begun.

Subd. 6. [SERVICE DELIVERY.] Each demonstration provider shall be responsible for the health care coordination for eligible individuals. Demonstration providers:

(1) Shall authorize and arrange for the provision of all needed health services including but not limited to the full range of services listed in section 256B.02, subdivision 8, in order to ensure appropriate health care is delivered to enrollees.

(2) Shall accept the prospective, per capita payment from the commissioner in return for the provision of comprehensive and coordinated health care services for eligible individuals enrolled in the program.

(3) May contract with other health care and social service practitioners to provide services to enrollees.

(4) Shall institute recipient grievance procedures according to the method established by the project, utilizing applicable requirements of chapter 62D. Disputes not resolved through this process shall be appealable to the commissioner as provided in subdivision 11.

Subd. 7. [ENROLLEE BENEFITS.] All eligible individuals enrolled by demonstration providers shall receive all needed health care services as defined in subdivision 6.

All individuals shall have the right to appeal if necessary services are not being authorized as defined in subdivision 11.

*Subd. 8. [PREADMISSION SCREENING WAIVER.] Except as applicable to the project's operation, the provisions of section 256B.091 are waived for the purposes of this section for recipients enrolled with demonstration providers.*

*Subd. 9. [REPORTING.] Each demonstration provider shall submit information as required by the commissioner, including data required for assessing client satisfaction, quality of care, cost, and utilization of services for purposes of project evaluation. Required information shall be specified prior to the commissioner contracting with a demonstration provider.*

*Subd. 10. [INFORMATION.] Notwithstanding any law or rule to the contrary, the commissioner may allow disclosure of the recipient's identity solely for the purposes of (a) allowing demonstration providers to provide the information to the recipient regarding services, access to services, and other provider characteristics, and (b) facilitating monitoring of recipient satisfaction and quality of care. The commissioner shall develop and implement measures to protect recipients from invasions of privacy and from harassment.*

*Subd. 11. [APPEALS.] A recipient may appeal to the commissioner a demonstration provider's delay or refusal to provide services. The commissioner shall appoint a panel of health practitioners, including social service practitioners, as necessary to determine the necessity of services provided or refused to a recipient. The deliberations and decisions of the panel replace the administrative review process otherwise available under chapter 256B. The panel will follow the time requirements and other provisions of the Code of Federal Regulations, title 42, sections 431.200 to 431.246. The time requirements shall be expedited based on request by the individual who is appealing for emergency services. If a service is determined to be necessary and is included among the benefits for which a recipient is enrolled, the service must be provided by the demonstration provider as specified in subdivision 5.*

## **Sec. 2. [TEMPORARY RULES.]**

*The commissioner of public welfare shall adopt temporary rules which meet the requirements of sections 14.29 to 14.36. Notwithstanding the provisions of section 14.35, the temporary rules promulgated to implement sections 1 to 3 shall be effective for 360 days and may be continued in effect for an additional 720 days if the commissioner gives notice by publishing a notice in the state register and mailing notice to all persons registered with the commissioner to receive notice of rulemaking proceedings in connection with sections 1 to 3. The temporary rules shall not be effective beyond December 31, 1986, without meeting the requirements of sections 14.13 to 14.20.*

## **Sec. 3. [APPROPRIATION.]**

**"Section 1. [48.512] [PROCEDURES FOR OPENING CHECKING ACCOUNTS.]**

*Subdivision 1. [DEFINITIONS.] For the purpose of this section the following terms have the meanings given:*

Provided, a transaction account shall not include the deposit or account of a partnership having more than three partners, the personal representative of an estate, the trustee of a trust or a limited partnership.*

*Subd. 2. [REQUIRED INFORMATION.] Before opening or authorizing signatory power over a transaction account, a financial intermediary shall require each applicant to provide the following information on an application document signed by the applicant under the penalties for perjury in section 609.48:*

(g) *driver's license or identification card number issued pursuant to section 171.07. If the applicant does not have a driver's license or identification card, the applicant may provide an identification document number issued for identification purposes by any state, federal, or foreign government if the docu-*

ment includes the applicant's photograph, full name, birth date, and signature,

(h) whether the applicant has had a transaction account at the same or another financial intermediary within 12 months immediately preceding the application, and, if so, the account number for each account,

(i) whether the applicant has had a transaction account closed by financial intermediary without the applicant's consent within 12 months immediately preceding the application, and, if so, the reason the account was closed,

(j) whether the applicant has been convicted of a criminal offense involving the use of a check or other similar item within 24 months immediately preceding the application.

A financial intermediary may require an applicant to disclose additional information.

**Subd. 3. [ACCOUNT OPENING DATE.]** All checks, drafts, negotiable orders of withdrawal, share drafts, or other similar items which are drawn against a transaction account after the effective date of this section shall, for a period of not less than 12 months, clearly display on the face thereof the month and year in which the account was opened, if:

(a) the applicant represents on the application document that he has not maintained a transaction account within 12 months immediately preceding the application; or

(b) the applicant represents on the application document that he has had a transaction account closed without his consent within 12 months immediately preceding the application; or

**Subd. 4. [IDENTIFICATION IS REQUIRED.]** A financial intermediary shall not open or authorize signatory power over a transaction account if none of the applicants provides a driver's license, identification card, or identification document as required by subdivision 2. When a minor is the applicant and the minor does not have a driver's license or identification card issued pursuant to section 171.07, the identification requirements of subdivision 2, clause (g) and this subdivision shall be satisfied if the minor's parent or guardian provides the parent's or guardian's own driver's license or identification card issued pursuant to section 171.07 and records the number of this license or identification card on the account application.

*Subd. 5. [NO LIABILITY.] The requirements of this section shall not be construed to impose any liability on financial intermediaries offering transaction accounts nor to limit a financial intermediary's discretion as to whether to grant or deny an application subject to this section.*

[WORTHLESS CHECK COLLECTIONS]

Sec. 2. [332.50] [CIVIL LIABILITY FOR ISSUANCE OF WORTHLESS CHECK.]

*Subdivision 1. [DEFINITIONS.] "Check" means a check, draft, order of withdrawal or similar negotiable or nonnegotiable instrument.*

*"Credit" means an arrangement or understanding with the drawee for the payment of the check.*

*Subd. 2. [ACTS CONSTITUTING.] Whoever issues any check which, at the time of issuance, he intends shall not be paid, is liable to the holder for a civil penalty of \$100 plus the amount of the check, interest at the rate payable on judgments pursuant to section 549.09 on the face amount of the check from the date of dishonor, reasonable attorney fees, and a service charge not exceeding \$15 if written notice of the charges authorized by this subdivision was conspicuously displayed on the premises when the check was issued and a notice of dishonor and a copy of sections 2 and 609.535 are sent to the drawer in compliance with subdivision 3.*

*Subd. 3. [PROOF OF INTENT.] Any of the following is evidence sufficient to establish a rebuttable presumption that the person at the time he issued the check intended it should not be paid:*

*(1) proof that, at the time of issuance, he did not have an account with the drawee; or*

*(2) proof that, at the time of issuance, he did not have sufficient funds or credit with the drawee and that he failed to pay the check within five business days after mailing of notice of nonpayment or dishonor as provided in this subdivision; or*

*(3) proof that, when presentment was made within a reasonable time, the issuer did not have sufficient funds or credit with the drawee and that he failed to pay the check within five business days after mailing of notice of nonpayment or dishonor as provided in this subdivision.*

*Notice of nonpayment or dishonor and a copy of sections 2 and 609.535 shall be sent by the payee or holder of the check to the drawer by certified mail, return receipt requested, or by*

regular mail, supported by an affidavit of service by mailing, to the address printed or written on the check. The issuance of a check with an address printed or written on it is a representation by the drawer that the address is the correct address for receipt of mail concerning the check. Failure of the drawer to receive a regular or certified mail notice sent to that address is not a defense to liability under this section, nor does it rebut the presumption of intent established by this subdivision.

An affidavit of service by mailing shall be retained by the payee or holder of the check.

Subd. 4. [PROOF OF LACK OF FUNDS OR CREDIT.] If the check has been protested, the notice of protest thereof is admissible as proof of presentation, nonpayment, and protest, and is evidence sufficient to establish a rebuttable presumption that there was a lack of funds or credit with the drawee.

Subd. 5. [PROOF OF IDENTITY.] The check is prima facie evidence of the identity of the drawer if the person receiving the check:

(a) records the following information about the drawer on the check, unless it is printed on the face of the check:

- (1) full name,
- (2) home or work address,
- (3) home or work telephone number, and
- (4) identification number issued pursuant to section 171.07;

(b) compares the drawer's physical appearance, signature, and the personal information recorded on the check with the drawer's identification card issued pursuant to section 171.07; and

(c) initials the check to indicate compliance with these requirements.

Subd. 6. [EXCEPTION.] Subdivision 3, clause (2) does not apply to a postdated check.

Subd. 7. [DEFENSES.] Any defense otherwise available to the drawer also applies to liability under this section.

Sec. 3. Minnesota Statutes 1982, section 487.30, subdivision 4, is amended to read:

Subd. 4. [JURISDICTION; (WORTHLESS) DISHONORED CHECKS.] The conciliation court has jurisdiction to

determine a civil action commenced by a plaintiff, resident of the county, to recover the amount of a (WORTHLESS) *dishonored* check issued in the county (WITHIN THE MEANING OF SECTION 609.535,) notwithstanding that the defendant or defendants are not residents of the county; provided that the notice of nonpayment or dishonor (REQUIRED BY) *described* in section 609.535, subdivision 3, is sent to the maker or drawer as specified therein and the notice states that the payee or holder of the check or other order of payment of money may commence a conciliation court action in the county where the (WORTHLESS) *dishonored* check was issued to recover the amount of the check. This subdivision does not apply to a check or other order for payment of money that has been dishonored by a stop payment order. Notwithstanding any law or rule of civil procedure to the contrary, the summons in any action commenced under this subdivision may be served anywhere within the state of Minnesota. The conciliation court clerk shall attach a copy of the dishonored check or other order for payment of money to the summons before it is issued.

Sec. 4. Minnesota Statutes 1982, section 488A.12, subdivision 3, is amended to read:

Subd. 3. [JURISDICTION.] (a) Excepting actions involving title to real estate, the court has jurisdiction to hear, conciliate, try and determine civil actions at law where the amount in controversy does not exceed the sum of \$1,250. The territorial jurisdiction of the court is coextensive with the geographic boundaries of the county of Hennepin.

(b) Notwithstanding the provisions of clause (a), or any rule of court to the contrary, the conciliation court of Hennepin county has jurisdiction to determine an action brought pursuant to section 504.20 for the recovery of a deposit on rental property located in whole or in part in Hennepin county, and the summons in the action may be served anywhere within the state of Minnesota.

(c) Notwithstanding the provisions of clause (a), or any rule of court to the contrary, the conciliation court of Hennepin county has jurisdiction to determine a civil action commenced by a plaintiff, a resident of Hennepin county, to recover the amount of a (WORTHLESS) *dishonored* check issued in the county (WITHIN THE MEANING OF SECTION 609.535), notwithstanding that the defendant or defendants are not residents of Hennepin county; provided that the notice of nonpayment or dishonor (REQUIRED BY) *described* in section 609.535, subdivision 3, is sent to the maker or drawer as specified therein and the notice states that the payee or holder of the check or other order of payment of money may commence a conciliation court action in the county where the (WORTHLESS) *dishonored* check was issued to recover the amount of the check. This clause does not apply to a check or other order for payment of money

that has been dishonored by a stop payment order. Notwithstanding any law or rule of civil procedure to the contrary, the summons in any action commenced under this clause may be served anywhere within the state of Minnesota. The conciliation court administrator shall attach a copy of the dishonored check or other order for payment of money to the summons before it is issued.

Sec. 5. Minnesota Statutes 1982, section 488A.29, subdivision 3, is amended to read:

Subd. 3. [JURISDICTION.] (a) Excepting actions involving title to real estate, the court has jurisdiction to hear, conciliate, try and determine civil actions at law where the amount in controversy does not exceed the sum of \$1,250. The territorial jurisdiction of the court is coextensive with the geographic boundaries of the county of Ramsey.

(b) Notwithstanding the provisions of clause (a) or any rule of court to the contrary, the conciliation court of Ramsey county has jurisdiction to determine an action brought pursuant to section 504.20 for the recovery of a deposit on rental property located in whole or in part in Ramsey county, and the summons in the action may be served anywhere in the state of Minnesota.

(c) Notwithstanding the provisions of clause (a) or any rule of court to the contrary, the conciliation court of Ramsey county has jurisdiction to determine a civil action commenced by a plaintiff, resident of Ramsey county, to recover the amount of a (WORTHLESS) *dishonored* check issued in the county (WITHIN THE MEANING OF SECTION 609.535), notwithstanding that the defendant or defendants are not residents of Ramsey county; provided that the notice of nonpayment or dishonor (REQUIRED BY) *described in* section 609.535, subdivision 3, is sent to the maker or drawer as specified therein and the notice states that the payee or holder of the check or other order of payment of money may commence a conciliation court action in the county where the (WORTHLESS) *dishonored* check was issued to recover the amount of the check. This clause does not apply to a check or other order for the payment of money that has been dishonored by a stop payment order. Notwithstanding any law or rule of civil procedure to the contrary, the summons in any action commenced under this clause may be served anywhere within the state of Minnesota. The conciliation court administrator shall attach a copy of the dishonored check or other order for payment of money to the summons before it is issued.

Sec. 6. Minnesota Statutes 1982, section 609.535, subdivision 2, is amended to read:

Subd. 2. [ACTS CONSTITUTING.] Whoever issues any check or other order for the payment of money which, at the

time of issuance, he intends shall not be paid, is guilty of a (MISDEMEANOR) crime and is punishable as provided in subdivision 10. The court may order the defendant to reimburse the law enforcement agency for the expense of furnishing information under subdivision 6. In addition, restitution may be ordered by the court.

Sec. 7. Minnesota Statutes 1982, section 609.535, subdivision 3, is amended to read:

Subd. 3. [PROOF OF INTENT.] Any of the following is evidence sufficient to (SUSTAIN A FINDING) establish a rebuttable presumption that the person at the time he issued the check or other order for the payment of money, intended it should not be paid:

(1) Proof that, at the time of issuance, he did not have an account with the drawee; or

(2) Proof that, at the time of issuance, he did not have sufficient funds or credit with the drawee and that he failed to pay the check or other order within five business days after mailing of notice of nonpayment or dishonor as provided in this subdivision; or

(3) Proof that, when presentment was made within a reasonable time, the issuer did not have sufficient funds or credit with the drawee and that he failed to pay the check or other order within five business days after mailing of notice of nonpayment or dishonor as provided in this subdivision; or

(4) Where the check is issued for the purchase of personal property, the drawer stops payment on the check without first returning the property to the seller, unless the drawer has a colorable defense to the duty to pay for the property.

Notice of nonpayment or dishonor and a copy of sections 2 and 609.535 shall be sent by the payee or holder of the check to the maker or drawer by certified mail, return receipt requested, or by regular mail, supported by an affidavit of service by mailing, to the address printed or written on the check. (REFUSAL BY THE MAKER OR DRAWER OF THE CHECK TO ACCEPT CERTIFIED MAIL NOTICE OR FAILURE TO CLAIM CERTIFIED OR REGULAR MAIL NOTICE SHALL NOT CONSTITUTE A DEFENSE THAT NOTICE WAS NOT RECEIVED) The issuance by the drawer or maker of a check, draft, or other order for the payment of money with an address printed or written on the instrument at the time of issuance constitutes a representation by the drawer or maker that he has designated that address as the place for receipt of mail concerning that check, draft, or other order. Failure of the drawer or maker to receive a regular or certified mail notice

*sent to that address by the payee or holder shall not constitute a defense to a charge of violating section 609.535 or rebut the presumption of intent established by this subdivision.*

The notice may state that unless the check is paid in full within five business days after mailing of the notice of non-payment or dishonor, the payee or holder of the check or other order for the payment of money will or may refer the matter to proper authorities for prosecution under this section.

An affidavit of service by mailing shall be retained by the payee or holder of the check.

*Subd. 5. [PRICE PROTECTION.] A licensed grain buyer shall practice an effective method of price protection sufficient to protect the grain buyer against market fluctuations, as would be the case in procurement of options on a duly licensed commodity exchange.*

*Subd. 6. [VALUE OF GRAIN.] For the purpose of computing the dollar value of inventories of voluntary extension of credit obligations, the value of grain must be figured at the current market price on the day of delivery.*

*Subd. 7. [TRANSFER OF TITLE.] The title to grain delivered on a voluntary extension of credit contract transfers to the grain buyer on the day of delivery.*

*Subd. 8. [STORAGE AND SERVICE CHARGES.] No storage charges may be charged with respect to grain purchased on voluntary extension of credit contracts. There may be a service charge.*

*Subd. 9. [RECORDS.] A grain buyer shall keep sufficiently detailed books and records of voluntary extension of credit contracts and evidences of grain, rights in grain, and the proceeds from the sale of grain so as to clearly show compliance with section 6, subdivision 7, and this section. The commissioner or his authorized agent shall inspect these books and records at such time and place and to such an extent as he may deem necessary to determine whether grain buyers are complying with the provisions of this chapter. The commissioner may obtain any additional information he deems necessary and is authorized to enter upon any public or private premises during regular business hours in order to carry out the provisions of this subdivision.*

(THE ACCRUED LIABILITY OF THE SPECIAL FUND FOR EACH ACTIVE OR DEFERRED MEMBER OF THE RELIEF ASSOCIATION SHALL BE DETERMINED AS THE MULTIPLE OR PORTION OF THE ACCRUED LIABILITY AMOUNTS CORRESPONDING TO THE CUMULATIVE YEARS OF ACTIVE SERVICE WITH THE FIRE DEPARTMENT TO WHICH THE RELIEF ASSOCIATION IS AFFILIATED TO THE CREDIT OF THE MEMBER AS SET FORTH IN THE APPLICABLE TABLE THAT THE LUMP SUM SERVICE PENSION AMOUNT CURRENTLY PROVIDED FOR IN THE ARTICLES OF INCORPORATION OR THE BYLAWS OF THE RELIEF ASSOCIATION BEARS TO A LUMP SUM SERVICE PENSION OF \$50 PER YEAR OF SERVICE) *As set forth in the table the accrued liability for each member or deferred member of the relief association corresponds to the cumulative years of active service to the credit of the member. The accrued liability of the special fund for each active or deferred member is determined by multiplying the accrued liability from the chart by the ratio of the lump sum service pension amount currently provided for in the bylaws of the relief association to a service pension of \$100 per year of service. If a member has fractional service as of December 31, the figure for service credit*

to be used for the determination of accrued liability pursuant to this section shall be rounded (UP) to the nearest full year of service credit. The total accrued liability of the special fund (OF THE RELIEF ASSOCIATION) as of December 31 shall be the sum of the accrued liability attributable to each active or deferred member of the relief association.

Sec. 3. Minnesota Statutes 1982, section 69.772, subdivision 3, is amended to read:

Subd. 3. [FINANCIAL REQUIREMENTS OF THE RELIEF ASSOCIATION; MINIMUM OBLIGATION OF THE MUNICIPALITY.] During the month of July, the officers of the relief association shall determine the overall funding balance of the special fund (OF THE RELIEF ASSOCIATION) for the current calendar year, the financial requirements of the special fund (OF THE RELIEF ASSOCIATION) for the following calendar year and the minimum obligation of the municipality with respect to the special fund (OF THE RELIEF ASSOCIATION) for the following calendar year in accordance with the requirements of this subdivision.

(1) The overall funding balance of the special fund (OF THE RELIEF ASSOCIATION) for the current calendar year shall be determined in the following manner:

(a) The total accrued liability of the special fund (OF THE RELIEF ASSOCIATION) for all active and deferred members of the relief association as of December 31 of the current year shall be calculated pursuant to subdivisions 2 and 2a, if applicable.

(b) The total present assets of the special fund (OF THE RELIEF ASSOCIATION) projected to December 31 of the current year, including receipts by and disbursements from the special fund anticipated to occur on or before December 31 shall be calculated.

(c) The amount of the total present assets of the special fund (OF THE RELIEF ASSOCIATION) calculated pursuant to clause (b) shall be subtracted from the amount of the total accrued liability of the special fund (OF THE RELIEF ASSOCIATION) calculated pursuant to clause (a). If the amount of total present assets exceeds the amount of the total accrued liability, then the special fund shall be considered to have a surplus over full funding. If the amount of the total present assets is less than the amount of the total accrued liability, then the special fund shall be considered to have a deficit from full funding. If the amount of total present assets is equal to the amount of the total accrued liability, then the special fund shall be considered to be fully funded.

(2) The financial requirements of the special fund (OF THE RELIEF ASSOCIATION) for the following calendar year shall be determined in the following manner:

(a) The total accrued liability of the special fund (OF THE RELIEF ASSOCIATION) for all active and deferred members of the relief association as of December 31 of the calendar year next following the current calendar year shall be calculated pursuant to subdivisions 2 and 2a, if applicable.

(b) The increase (OR DECREASE) in the total accrued liability of the special fund (OF THE RELIEF ASSOCIATION) for the following calendar year over the total accrued liability of the special fund (OF THE RELIEF ASSOCIATION) for the current year shall be calculated.

(c) If the special fund (OF THE RELIEF ASSOCIATION) is fully funded, the financial requirement of the special fund for the following calendar year shall be (EITHER THE POSITIVE OR) the (NEGATIVE) figure which represents the increase (OR THE DECREASE) in the total accrued liability of the special fund (RESPECTIVELY) as calculated pursuant to subclause (b).

(d) If the special fund (OF THE RELIEF ASSOCIATION) has a deficit from full funding, the financial requirements of the special fund for the following calendar year shall be the financial requirements of the special fund calculated as though the special fund were fully funded pursuant to subclause (c) plus an amount equal to one-tenth of the amount of the deficit from full funding of the special fund as determined pursuant to this section for the calendar year 1971 until that deficit is fully retired, and plus an amount equal to one-tenth of the increase in the deficit from full funding of the special fund resulting from an increase in the amount of the service pension accruing subsequent to December 31, 1971 until each increase in the deficit is fully retired.

(e) If the special fund (OF THE RELIEF ASSOCIATION) has a surplus over full funding, the financial requirements of the special fund for the following calendar year shall be the financial requirements of the special fund calculated as though the special fund were fully funded pursuant to subclause (c) reduced by an amount equal to one-tenth of the amount of the surplus over full funding of the special fund.

(3) The minimum obligation of the municipality with respect to the special fund (OF THE RELIEF ASSOCIATION) shall be the financial requirements of the special fund (OF THE RELIEF ASSOCIATION) reduced by the amount of any fire state aid payable pursuant to sections 69.011 to 69.051 anticipated to be received by the municipality for transmittal to the special fund (OF THE RELIEF ASSOCIATION) during the following

calendar year, an amount of interest on the assets of the special fund projected to the (END OF THE CURRENT) *beginning of the following* calendar year calculated at the rate of five percent per annum, and the amount of any anticipated contributions to the special fund by the members of the relief association during the following calendar year.

Notwithstanding any provision of section 363.02, subdivision 5, it shall be a good and valid defense to a complaint or action brought under chapter 363 that the board of trustees of the relief association made a good faith determination that the applicant suffers from an impairment or condition constituting a predictable and unwarranted risk for the relief association if the determination was made following consideration of: (a) *the person's medical history*; and (b) the report of the physician completing a physical examination of the applicant completed at the expense of the relief association (AND OF THE PERSON'S MEDICAL HISTORY).

Sec. 6. Minnesota Statutes 1982, section 424A.02, is amended to read:

The amount of available financing shall include any amounts of fire state aid received or receivable by the relief association (OR ACCOUNT), any amounts of municipal contributions to the relief association (OR ACCOUNT) raised from levies on real estate or from other available revenue sources exclusive of fire state aid, and one-tenth of the amount of assets in excess of the accrued liabilities of the relief association (OR ACCOUNT) calculated pursuant to sections 69.772, subdivision 2; 69.773, subdivisions 2 and 4; or 69.774, subdivision 2, if any. The maximum service pension which the relief association may provide for in its bylaws for payment to a member retiring after the calculation date when the minimum age and service requirements specified in subdivision 1 are met shall be determined using the applicable following table.

For a relief association (OR ACCOUNT) where the governing bylaws provide for a monthly service pension to a retiring member, if the average amount of available financing per active covered firefighter does not exceed the minimum average amount specified below, then the maximum monthly service pension

amount per month for each year of service credited which may be provided for in the bylaws shall be the greater of: (1) the service pension amount provided for in the bylaws on the date of calculation; or (2) the maximum service pension figure corresponding to the average amount of available financing per active covered firefighter;

For a relief association (OR ACCOUNT) in which the governing bylaws provide for a monthly benefit service pension as an alternative form of service pension payment to a lump sum service pension at the option of the retiring member, the maximum service pension amount shall be determined using the applicable table contained in this subdivision.

Subd. 4. [DEFINED CONTRIBUTION LUMP SUM SERVICE PENSIONS.] If the bylaws governing the (VOLUNTEER FIREFIGHTERS') relief association (OR VOLUNTEER FIREFIGHTERS' ACCOUNT OF A FIREFIGHTERS' RELIEF ASSOCIATION) so provide exclusively, the relief association (OR ACCOUNT) may pay a defined contribution lump sum service pension in lieu of any defined benefit service pension governed by subdivision 2. An individual account for each fire-

fighter who is a member of the relief association shall be established. To each individual member account shall be credited a right to an equal share of: (a) any amounts of fire state aid received by the relief association (OR ACCOUNT,); (b) any amounts of municipal contributions to the relief association (OR ACCOUNT) raised from levies on real estate or from other available revenue sources exclusive of fire state aid (,); and (c) any amounts equal to the share of the assets of the special fund to the credit of: (1) any former member who terminated active service with the fire department (OF THE MUNICIPALITY) to which the relief association is associated (OR THE INDEPENDENT NONPROFIT FIREFIGHTING CORPORATION TO WHICH THE RELIEF ASSOCIATION IS A SUBSIDIARY) prior to meeting the minimum service requirement provided for in subdivision 1 and has not returned to active service with the fire department (OR INDEPENDENT NONPROFIT FIREFIGHTING CORPORATION) for a period no shorter than five years; or (TO THE CREDIT OF) (2) any retired member who retired prior to obtaining a full nonforfeitable interest in the amounts credited to the individual member account pursuant to subdivision 2 and any applicable provision of the bylaws of the relief association. In addition, any interest or investment income earned on the assets of the special fund shall be credited in proportion to the share of the assets of the special fund to the credit of each individual member account. At the time of retirement pursuant to subdivision 1 and any applicable provision of the bylaws of the relief association, a retiring member shall be entitled to that portion of the assets of the special fund to the credit of the member in the individual member account which is nonforfeitable pursuant to subdivision 2 and any applicable provision of the bylaws of the relief association based on the number of years of service to the credit of the retiring member.

Subd. 5. [SERVICE CREDIT MAXIMUM.] No relief association (OR ACCOUNT TO WHICH THIS CHAPTER APPLIES AND WHERE) *for which* the governing bylaws provide (FOR) a monthly service pension to a retiring member shall credit any member with service in excess of 30 years (; PROVIDED, HOWEVER, THAT FOR ANY). *For a* member of a relief association (OR ACCOUNT) who, as of July 1, 1979, has received credit for service in excess of 30 years, the limitation on the crediting of further service credit provided for in this subdivision (SHALL APPLY) *applies* to any additional years of service occurring after July 1, 1979.

Subd. 6. [PAYMENT OF SERVICE PENSIONS; NONASIGNABILITY.] The method of calculating service pensions shall be applied uniformly, except as otherwise provided in this section. No service pension shall be paid to any person while the person remains an active member of the respective (MUNICIPAL) fire department (OR NONPROFIT FIREFIGHTING CORPORATION), and no person who is receiving a service pension shall be entitled to receive any other benefits from the spe-

cial fund of the relief association (OR ACCOUNT). No service pension or (RETIREMENT) *ancillary* benefits paid or payable from the special fund of a relief association (OR ACCOUNT) to any person receiving or entitled to receive a service pension or (OTHER) *ancillary* benefits shall be subject to garnishment, judgment, execution or other legal process (AND). No person entitled to a service pension or (OTHER RETIREMENT) *ancillary* benefits from the special fund of a relief association (OR ACCOUNT SHALL HAVE THE RIGHT TO) *may* assign any service pension or (RETIREMENT) *ancillary* benefit payments, nor shall the association have the authority to recognize any assignment or pay over any sum which has been assigned.

Subd. 7. [DEFERRED SERVICE PENSIONS.] A member of a relief association (OR ACCOUNT) to which this section applies (WHO) *is entitled to a deferred service pension if the member:*

(1) has completed the lesser of the minimum period of active service with the (MUNICIPAL) fire department (OR INDEPENDENT NONPROFIT FIREFIGHTING CORPORATION) specified in the bylaws or 20 years of active service with the (MUNICIPAL) fire department (TO WHICH THE RELIEF ASSOCIATION OR ACCOUNT IS DIRECTLY ASSOCIATED WITH OR THE INDEPENDENT NONPROFIT FIREFIGHTING CORPORATION OF WHICH THE RELIEF ASSOCIATION IS A SUBSIDIARY, WHO); (2) has completed at least ten years of active membership in the relief association (OR ACCOUNT); and (WHO) (3) separates from active service and membership prior to reaching the age of 50 years or the minimum age for retirement and commencement of a service pension specified in the bylaws governing the relief association (OR ACCOUNT) if that age is greater than the age of 50 years (SHALL BE ENTITLED TO A DEFERRED SERVICE PENSION TO). *The deferred service pension shall commence (UPON) when the former member (REACHING) reaches the age of 50 years or the minimum age specified in the bylaws governing the relief association (OR ACCOUNT) if that age is greater than the age of 50 years and (UPON) when the former member (MAKING) makes a valid written application.* Any relief association (OR ACCOUNT) which provides a lump sum service pension may, when its governing bylaws so provide, pay interest on the deferred lump sum service pension during the period of deferral. If provided for, interest shall be paid at the rate actually earned by the relief association (OR ACCOUNT), but not to exceed the interest rate specified in section 356.215, subdivision 4, clause (4), and shall be compounded annually based on calendar year balances. The deferred service pension shall be governed by and shall be calculated pursuant to any general statute, special law, relief association articles of incorporation or relief association bylaw provisions applicable as of the date on which the member separated from active service with the fire department (OR THE

NONPROFIT FIREFIGHTING CORPORATION) and active membership in the relief association (OR ACCOUNT).

Subd. 8. [LUMP SUM SERVICE PENSIONS; INSTALLMENT PAYMENTS.] Any relief association (OR ACCOUNT), if the governing bylaws so provide, may *pay*, at the option of the retiring member and in lieu of a single payment of a lump sum service pension, (PAY) a lump sum service pension in installments.

The election of installment payments shall be irrevocable and shall be made by the retiring member in writing and filed with the secretary of the relief association no later than 30 days prior to the commencement of payment of the service pension. The amount of the installment payments shall be determined so that the present value of the aggregate installment payments computed at an interest rate of five percent, compounded annually, is equal to the amount of the single lump sum payment which would have been made had the installment payments option not been elected. The payment of each installment shall include interest at the rate or five percent, compounded annually on the reserve supporting the remaining installment payments as of the date on which the previous installment payment was paid *and* computed from the date on which the previous installment payment was paid to the date of payment for the current installment payment.

To the extent that the commissioner of insurance deems it to be necessary or practical, the commissioner may specify and issue procedures, forms or mathematical tables for use in performing the calculations required pursuant to this subdivision.

Subd. 9. [LIMITATION ON (RETIREMENT) ANCILLARY BENEFITS (OTHER THAN SERVICE PENSION).] Any relief association (OR ACCOUNT TO WHICH THIS SECTION APPLIES, IF THE GOVERNING BYLAWS SO PROVIDE, MAY PROVIDE RETIREMENT COVERAGE FOR AND) may pay (ANY ONE OR ANY COMBINATION DEATH, DISABILITY, FUNERAL AND SURVIVORSHIP) *ancillary* benefits which would constitute an authorized disbursement as specified in section 424A.05 subject to the following limitations:

(1) (a) With respect to a relief association (OR ACCOUNT WHERE THE) *in which* governing bylaws provide for a lump sum service pension to a retiring member, no (RETIREMENT) *ancillary* benefit may be paid to any former member or paid to any person on behalf of any former member (SUBSEQUENT TO) *after* the former member (TERMINATING) (1) *terminates* active service with the (MUNICIPAL) fire department (TO WHICH THE RELIEF ASSOCIATION OR ACCOUNT IS DIRECTLY ASSOCIATED OR THE INDEPENDENT NONPROFIT FIREFIGHTING CORPORA-

TION OF WHICH THE RELIEF ASSOCIATION IS A SUBSIDIARY, WHICHEVER IS APPLICABLE,) and active membership in the relief association (OR ACCOUNT,); and (COMMENCING) (2) commences receipt of a service pension as authorized pursuant to this section; and

((2)) (b) With respect to any relief association (OR ACCOUNT), no (RETIREMENT) *ancillary* benefit paid or payable to any member, to any former member, or to any person on behalf of any member or former member, may exceed in amount the total *earned* service pension of the member or former member. The total *earned* service pension is calculated using the service pension amount specified in the (GOVERNING) bylaws of the relief association and the years of service credited to the member or former member. The years of service are determined as of (1) the date the member or former member became entitled to the (RETIREMENT) *ancillary* benefit; or (2) the date the member or former member died entitling a survivor or the estate of the member or former member to (A RETIREMENT) an *ancillary* benefit (ON BEHALF OF THE MEMBER OR FORMER MEMBER,). The survivor benefit may be calculated (1) without regard to whether the member or former member had attained the minimum amount of service and membership credit specified in the governing bylaws (OR NOT); and (2) without regard to the percentage amounts specified in subdivision 2; except that the bylaws of any relief association may provide for the payment of a survivor benefit (EQUIVALENT OF) in an amount not to exceed five times the yearly service pension amount specified in the bylaws on behalf of any member who dies before having performed five years of active service in the fire department with which the relief association is affiliated.

Subd. 9a. [POST RETIREMENT INCREASES.] Notwithstanding any provision of general or special law to the contrary, a (VOLUNTEER FIREFIGHTERS') relief association paying a monthly service pension may (, FROM TIME TO TIME, WITH MUNICIPAL APPROVAL PURSUANT TO SUBDIVISION 10 AND SECTION 69.772, SUBDIVISION 6, OR SECTION 69.773, SUBDIVISION 6, WHICHEVER IS APPLICABLE,) provide a post retirement increase to retired members and (OTHER RETIREMENT) *ancillary* benefit recipients of the relief association if (1) the relief association adopts an appropriate bylaw amendment; and (2) the bylaw amendment is approved by the municipality pursuant to subdivision 10 and section 69.773, subdivision 6. The post retirement increase (MAY ONLY BE GRANTED PURSUANT TO AN AMENDMENT TO THE BYLAWS OF THE RELIEF ASSOCIATION AND) shall be applicable only to retired members and (OTHER RETIREMENT) *ancillary* benefit recipients receiving a service pension or (RETIREMENT) *ancillary* benefit as of the effective date of the bylaw amendment. The authority to provide a post retirement increase to retired members and (OTHER RETIRE-

MENT) *ancillary* benefit recipients of a relief association contained in this subdivision shall supersede any prior special law authorization relating to the provision of post retirement increases.

Subd. 10. [LOCAL APPROVAL OF BYLAW AMENDMENTS; FILING REQUIREMENTS.] Each relief association (OR ACCOUNT) to which this section applies shall file (A COMPLETE CURRENT COPY OF ITS GOVERNING BYLAWS WITH THE COMMISSIONER OF INSURANCE ON OR BEFORE JULY 1, 1980 AND SHALL IMMEDIATELY FILE) a revised copy of its governing bylaws with the commissioner of insurance upon the adoption of any amendment to its governing bylaws by the relief association or upon the approval of any amendment to its governing bylaws granted by the governing body of (THE) each municipality (IN WHICH) served by the fire department to which the relief association (OR ACCOUNT) is directly associated (OR BY THE GOVERNING BODIES OF ALL MUNICIPALITIES WITH WHICH THE INDEPENDENT NONPROFIT FIREFIGHTING CORPORATION OF WHICH THE RELIEF ASSOCIATION IS A SUBSIDIARY HAS CONTRACTED WHICHEVER IS APPLICABLE). Failure of the relief association to file a copy of the bylaws or any bylaw amendments with the commissioner of insurance shall disqualify the municipality from the distribution of any future fire state aid until this filing requirement has been completed.

If the special fund of the relief association does not have a surplus over full funding pursuant to section 69.772, subdivision 3, clause (2), subclause (e), or 69.773, subdivision 4, and if the municipality is required to provide financial support to the special fund of the relief association pursuant to section 69.772 or 69.773 (IN THE EVENT THAT THE FIRE DEPARTMENT TO WHICH THE RELIEF ASSOCIATION OR ACCOUNT IS DIRECTLY ASSOCIATED IS A MUNICIPAL FIRE DEPARTMENT, OR IF THE RELIEF ASSOCIATION IS A SUBSIDIARY OF A NONPROFIT FIREFIGHTING CORPORATION), no bylaw amendment which would affect the amount of, the manner of payment of, or the conditions for qualification for service pensions or (OTHER RETIREMENT) *ancillary* benefits or disbursements other than administrative expenses authorized pursuant to section 69.80 payable from the special fund of the relief association (OR ACCOUNT) shall be effective until it has been ratified by the governing body or bodies of the (MUNICIPALITY IN WHICH THE FIRE DEPARTMENT TO WHICH THE RELIEF ASSOCIATION OR ACCOUNT IS DIRECTLY ASSOCIATED OR BY THE GOVERNING BODIES OF ALL) appropriate municipalities (WITH WHICH THE INDEPENDENT NONPROFIT FIREFIGHTING CORPORATION OF WHICH THE RELIEF ASSOCIATION IS A SUBSIDIARY HAS CONTRACTED, WHICHEVER IS APPLICABLE). If (THE FIRE DEPARTMENT WITH WHICH

THE RELIEF ASSOCIATION IS DIRECTLY ASSOCIATED IS A MUNICIPAL FIRE DEPARTMENT AND) the municipality is not required to provide financial support to the special fund (OF THE RELIEF ASSOCIATION) pursuant to this section, the relief association may adopt or amend *without municipal ratification* its articles of incorporation or bylaws which increase or otherwise affect the (RETIREMENT COVERAGE PROVIDED BY OR THE) service pensions or (RETIREMENT) *ancillary* benefits payable from the special fund (OF THE RELIEF ASSOCIATION SHALL BE EFFECTIVE WITHOUT MUNICIPAL RATIFICATION) so long as (THIS DOES) *the changes do* not cause the amount of the resulting increase in the accrued liability of the special fund (OF THE RELIEF ASSOCIATION) to exceed 90 percent of the amount of the prior surplus over full funding and (THIS DOES) *the changes do* not result in the financial requirements of the special fund (OF THE RELIEF ASSOCIATION) exceeding the expected amount of the future fire state aid to be received by the relief association (AS).

*If the relief association pays only a lump sum pension, the financial requirements are to be determined by the board of trustees following the preparation of an estimate of the expected increase in the accrued liability and annual accruing liability of the relief association attributable to the change (, IF THE RELIEF ASSOCIATION PAYS ONLY A LUMP SUM SERVICE PENSION OR). If the relief association pays a monthly benefit service pension, the financial requirements are to be determined by the board of trustees following either an updated actuarial valuation including the proposed change or an estimate of the expected actuarial impact of the proposed change prepared by the actuary of the relief association (IF THE RELIEF ASSOCIATION PAYS A MONTHLY BENEFIT SERVICE PENSION). If a relief association adopts or amends its articles of incorporation or bylaws without municipal ratification pursuant to this subdivision, and, subsequent to the amendment or adoption, the financial requirements of the special fund (OF THE RELIEF ASSOCIATION) pursuant to this section are such so as to require financial support from the municipality, the provision which was implemented without municipal ratification shall no longer be effective without municipal ratification, and any service pensions or (RETIREMENT) *ancillary* benefits payable after that date shall be paid only in accordance with the articles of incorporation or bylaws as amended or adopted with municipal ratification.*

The pro rata share shall be that portion of the remaining assets of the association based on the proportion which the months of active service performed in the associated fire department bears to the total number of months of active service which have been performed in the associated fire department by all of the persons who are then members of the relief association. At the time of dissolution of the corporation, each member shall be paid the member's pro rata share.*

*Subd. 8a. [NOT PUBLIC DATA.] "Not public data" means any government data which is classified by statute, federal law, or temporary classification as confidential, private, nonpublic, or protected nonpublic.*

Sec. 2. Minnesota Statutes 1982, section 13.03, subdivision 3, is amended to read:

*Subd. 3. [REQUEST FOR ACCESS TO DATA.] Upon request to a responsible authority or designee, a person shall be permitted to inspect and copy public government data at reasonable times and places, and if the person requests, he shall be informed of the data's meaning. The responsible authority or designee shall provide copies of public government data upon request. The responsible authority may require the requesting person to pay the actual costs of making, certifying and compiling the copies. If the responsible authority or designee is not able to provide copies at the time a request is made he shall supply copies as soon as reasonably possible.*

*When a request under this subdivision involves any person's receipt of copies of public government data which is an entire formula, pattern, compilation, program, device, method, technique, process, data base, or system developed with a significant expenditure of public funds by the agency, the responsible authority may charge a reasonable fee for the information in addition to the costs of making, certifying, and compiling the copies. Any fee charged must be clearly demonstrated by the agency to relate to the actual development costs of the information. The responsible authority, upon the request of any person, shall provide sufficient documentation which explains and justifies the fee being charged.*

*If the responsible authority or designee determines that the requested data is classified so as to deny the requesting person access, the responsible authority or designee shall so inform the requesting person of the determination either orally at the time of the request, (AND) or in writing as soon (THEREAFTER) after that time as possible, and shall cite the (STATUTE) specific statutory section, temporary classification, or specific provision of federal law on which the determination is based. Upon the request of any person denied access to data, the responsible authority or designee shall certify in writing that the request has been denied and shall cite the specific statutory section, temporary classification or specific provision of federal law which was the basis for the denial.*

The presiding officer shall decide whether the data is discoverable under the rules of civil, criminal, or administrative procedure appropriate to the action.

*In addition, the hearing examiner, arbitrator, or judicial officer shall consider whether the benefit to the party seeking the data outweighs any harm to the confidentiality interests of the agency maintaining the data, or of any person who has provided the data or who is the subject of the data, or to the privacy interest of any individual identified in the data. *action. In addition the presiding officer shall consider whether the benefit to the party seeking the data outweighs any harm to the confidentiality interests of the agency maintaining the data, or of any person who has provided the data or who is identified in the data, or to the privacy interest of any individual identified in the data.*

Sec. 6. Minnesota Statutes 1982, section 13.03, is amended by adding a subdivision to read:
